AN ACT relating to elections; establishing requirements relating to the purchase of mail ballots and return envelopes used in certain elections in this State; revising requirements for the form of all envelopes and return envelopes for mail ballots; revising certain requirements relating to electioneering; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law requires the Secretary of State to prescribe: (1) the form of all mail ballots; and (2) the placement and listing of all offices, candidates and measures upon which voting is statewide, which must be uniform throughout the State. (NRS 293.250) ~~Sections 1.5 and 4~~ of this bill require the form of all envelopes in which mail ballots are sent to voters and all return envelopes for mail ballots to, with certain exceptions, be uniform throughout the State. ~~Sections 1.5 and 4~~ also require ~~each county and city clerk to: (1) submit to~~ the Secretary of State ~~to prescribe a method for distinguishing the return envelopes of each county or city, as applicable; and (2) print return envelopes in the unique color approved by the Secretary of State for that county or city,~~ as applicable.

Section 1 of this bill requires the Secretary of State to enter into a statewide contract for the purchase of all ballots and return envelopes used in a presidential preference primary election, primary election and general election in this State. Section 1 further requires each county and city clerk to use the ballots and return envelopes purchased by the Secretary of State for such elections. Section 5.5 of this bill provides that a county or city clerk may request from the Secretary of State an exemption from this requirement for the presidential preference primary election, primary election and general election held in 2024.

Existing law requires a county clerk and city clerk to keep continuously posted certain signs and notices which indicate that electioneering is prohibited between the boundary marked by the sign and the entrance to a polling place. (NRS 293.361, 293.740, 293C.361) ~~Sections 2, 3 and 5~~ of this bill require the county clerk and city clerk to ensure that any signs and notices posted are: (1) at least ~~18~~ 17 inches by ~~24~~ 11 inches in size; (2) placed on a window or door of the polling place or freestanding; and (3) visible to a person approaching the boundary marked by the sign.

Existing law defines “electioneering” to include buying, selling, wearing or displaying any badge, button or other insignia which is designed or tends to aid or promote the success or defeat of any political party or a candidate or ballot question to be voted upon at an election. (NRS 293.740) ~~Section 3~~ revises this definition to provide instead that “electioneering” includes buying, selling, wearing or displaying any badge, button or other insignia which

30 expressly refers to any political party or a candidate or ballot question to be voted upon at that
 31 election.
