AN ACT relating to adoption; revising provisions governing financial assistance to the adoptive family of a child with special needs; making appropriations to and authorizing expenditures by the Division of Child and Family Services of the Department of Health and Human Services; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law authorizes an agency which provides child welfare services to provide financial assistance to a family that adopts a child with special needs until the child attains majority, becomes self-sustaining, is emancipated or dies. (NRS 127.186) If such a child is still enrolled in school, section 1 of this bill authorizes an agency which provides child welfare services to provide financial assistance until the child graduates high school or reaches 19 years of age, whichever comes first. Sections 1.2-1.6 of this bill make appropriations to, and authorize expenditure by, the Division of Child and Family Services of the Department of Health and Human Services for the increased costs of providing such financial assistance.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

2. The agency which provides child welfare services or child-placing agency, whichever has custody of the child, shall in a timely and diligent manner:

1 (a) Schedule any evaluations necessary to identify any special needs the child
2 may have.

3 (b) If it determines that the child has any special needs:

8 (2) Assist the proposed adoptive parents in applying for and satisfying any
9 other prerequisites necessary to obtain a grant of financial assistance pursuant to
10 this section and any other relevant subsidies and services which may be available.

11 3. The agency which provides child welfare services may grant financial
12 assistance for attorney’s fees in the adoption proceeding, for maintenance and for
13 preexisting physical or mental conditions to the adoptive parents of a child with
14 special needs out of money provided for that purpose if the head of the agency
15 which provides child welfare services or his or her designee has reviewed and
16 approved in writing the grant of financial assistance.

17 4. The grant of financial assistance must be limited, both as to amount and
18 duration, by agreement in writing between the agency which provides child welfare
19 services and the adoptive parents. Such an agreement must not become effective
20 before the entry of the order of adoption.

21 5. Any grant of financial assistance must be reviewed and evaluated at least
22 once annually by the agency which provides child welfare services. The evaluation
23 must be presented for approval to the head of the agency which provides child

39 adoption proceeding for a child with special needs if the agency which provides
