EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.

AN ACT relating to behavioral health; authorizing the establishment of the Behavioral Health Workforce Development Center of Nevada at one or more institutions within the Nevada System of Higher Education; prescribing the structure and duties of the Center; authorizing the Board of Regents of the University of Nevada to accept, receive, invest, disburse and account for money received for purposes related to the Center; making an appropriation; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Existing law authorizes the Board of Regents of the University of Nevada to administer:
2 (1) a program to provide loans for fees, books and living expenses to students in the nursing
3 programs of the Nevada System of Higher Education; and (2) the Nevada Health Service
4 Corps, which repays the loans of practitioners of certain health professions who practice in
5 areas of this State for which a shortage of that type of practitioner exists. (NRS 396.890,
6 396.900, 396.903) **Section 6** of this bill similarly authorizes the Board to establish the
7 Behavioral Health Workforce Development Center of Nevada at one or more institutions
8 within the System for purposes related to strengthening the workforce of providers of
9 behavioral health care in this State. **Section 6** requires the Center to consist of: (1) a main hub
10 located at an institution within the System; and (2) regional hubs in each of the five behavioral
11 health regions into which this State is divided. (NRS 433.428) To the extent that money is
12 available, **section 6** authorizes each institution at which the Center is established to provide
13 resources to support the Center in accomplishing its duties. **Sections 3-5** of this bill define
14 terms related to the Center and its activities.

15 If the Center is established, **section 7** of this bill requires the Center to establish a
16 behavioral health workforce development consortium consisting of various persons and
17 entities involved in education, behavioral health and workforce development. **Section 7** also
18 requires the Center to develop and implement a strategic plan for the recruitment, education
19 and retention of a qualified, diverse and evolving behavioral health workforce in this State.
20 **Section 7** requires: (1) the strategic plan to include plans for convening and organizing the
21 members of the consortium and other relevant persons and entities to create and implement

22 strategies to develop the behavioral health workforce of this State; and (2) the Center, under
 23 the direction of the consortium, to carry out the duties prescribed by the strategic plan.
 24 **Section 8** of this bill requires the Center, if established, to perform various other duties related
 25 to strengthening the behavioral health workforce of this State, and **section 7** requires the
 26 strategic plan to include plans for performing those duties. **Section 9** of this bill authorizes the
 27 Board to: (1) accept gifts, grants and donations for the purposes of supporting the Center and
 28 its duties; and (2) receive, invest, disburse and account for all money received for that
 29 purpose. **Section 10** of this bill requires the Center, if established, to annually report to the
 30 Legislature, the Board, the Chancellor of the System and certain other entities concerning the
 31 activities of the Center. **Section 10.5 of this bill makes an appropriation to the System for**
 32 **certain personnel and operating expenses related to the creation of the Center.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
 SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

- 1 **Section 1.** Chapter 396 of NRS is hereby amended by adding thereto the
 2 provisions set forth as sections 2 to 10, inclusive, of this act.

 35 (f) *Address other needs relating to the number and distribution of providers*
 36 *of behavioral health care in this State, as determined by the Center.*
- 37 3. *The Center must consist of:*

1 (a) A main hub at one of the institutions at which the Center is established;
2 *and*

3 (b) Regional hubs in each behavioral health region of this State.

4 4. To the extent that money is available for this purpose, each institution at
5 which the Center is established may provide personnel, facilities, equipment and
6 supplies to support the Center in carrying out the provisions of sections 2 to 10,
7 inclusive, of this act. Such personnel, facilities, equipment and supplies may
8 include, without limitation:

9 (a) Facilities for conferences and training;

10 (b) The time and labor of the faculty and staff of the institution; and

11 (c) Equipment for telehealth, as defined in NRS 629.515, and distance
12 learning.

13 **Sec. 7. 1. If established, the Center shall:**

14 (a) Establish a behavioral health workforce development consortium. The
15 consortium must consist of:

16 (1) Institutions within the System;

17 (2) Providers of behavioral health care;

18 (3) The Department of Education and school districts;

19 (4) State and local law enforcement agencies;

20 (5) Consumers of behavioral health care;

21 (6) Family members of consumers of behavioral health care;

22 (7) Hospitals and other facilities that provide behavioral health care;

23 (8) The Department of Health and Human Services, the Department of
24 Veterans Services, the Department of Employment, Training and Rehabilitation
25 and other relevant agencies of this State selected by the Center;

26 (9) Sites that provide internships for providers of behavioral health care;

27 (10) Representatives of members of the Armed Forces of the United
28 States and the National Guard who are on active duty, veterans and families of
29 such members and veterans;

30 (11) Representatives of historically marginalized communities, including,
31 without limitation:

32 (I) Lesbian, gay, bisexual, transgender and questioning persons; and

33 (II) Persons of color;

34 (12) Representatives of persons with disabilities; and

35 (13) Other relevant persons and entities, as selected by the Center.

36 (b) Develop and implement a strategic plan for the recruitment, education
37 and retention of a qualified, diverse and evolving behavioral health workforce in
38 this State, with the highest priority placed on rural, frontier and underserved
39 urban communities. The strategic plan must include, without limitation, plans
40 for:

41 (1) Convening and organizing the members of the consortium created
42 pursuant to paragraph (a) and other relevant persons and entities to develop and
43 implement strategies to strengthen the behavioral health workforce in every
44 behavioral health region of this State; and

45 (2) Performing the duties prescribed by section 8 of this act.

46 2. If established, the Center shall, under the direction of the consortium
47 created pursuant to paragraph (a) of subsection 1, perform the duties prescribed
48 in the strategic plan developed pursuant to paragraph (b) of subsection 1.

49 3. As used in this section, "veteran" has the meaning ascribed to it in NRS
50 417.005.

51 **Sec. 8. In addition to the duties prescribed by sections 7 and 10 of this act,**
52 *the Center, if established, shall:*

53 1. Through the regional hubs established pursuant to section 6 of this act:

1 (a) Collaborate with other persons and entities to assess the specific
2 behavioral health needs of each behavioral health region; and

3 (b) Engage in research and training specifically designed to address those
4 needs.

5 2. Coordinate with the System, the Department of Health and Human
6 Services, the Department of Education, the Department of Employment, Training
7 and Rehabilitation and other state agencies involved in behavioral health,
8 education and workforce development to promote the efficient utilization of state
9 resources designated for those purposes.

10 3. Build partnerships with school districts, institutions within the System,
11 occupational licensing boards that license, certify or register providers of
12 behavioral health care, the Department of Education, the Department of
13 Employment, Training and Rehabilitation and other public and private entities
14 involved in workforce development to establish pipelines to careers in behavioral
15 health from schools through professional practice. Such pipelines must focus on
16 recruiting youth who are:

17 (a) From underserved and marginalized communities; or

18 (b) Interested in pursuing careers that address the most critical behavioral
19 health needs of this State, including, without limitation, careers providing
20 behavioral health care to children, the elderly and other underserved populations.

21 4. Develop and implement strategies to:

22 (a) Recruit adults who are interested in careers in behavioral health;

23 (b) Retain providers of behavioral health care who currently practice in this
24 State; and

25 (c) Ensure that providers who participate in the pipelines established
26 pursuant to subsection 3 ultimately practice in this State.

27 5. Collaborate with professional organizations for providers of behavioral
28 health care, institutions that provide training and education for providers of
29 behavioral health care and other relevant persons and entities to ensure the
30 availability of high-quality continuing education on emerging, evidence-based
31 practices for providing behavioral health care in various settings.

32 6. Provide or collaborate with other agencies to provide technical assistance
33 for providers of behavioral health care regarding administrative issues and other
34 nonacademic issues relating to the provision of behavioral health care in this
35 State, including, without limitation:

36 (a) Obtaining a state business license and any necessary local licenses;

37 (b) Planning the establishment and operation of a business to provide
38 behavioral health care;

39 (c) Billing insurers for the provision of behavioral health care; and

40 (d) The management of staff.

41 7. Provide technical assistance to support the provision of graduate and
42 postgraduate training in evidence-based practices for providing behavioral health
43 care at existing and new sites for the provision of such training, with the highest
44 priority placed on sites that serve rural, frontier and underserved urban
45 communities.

46 8. Provide training for supervisors of graduate and postgraduate training
47 for providers of behavioral health care, with the highest priority placed on
48 supervisors who serve rural, frontier and underserved urban communities.

49 9. Collaborate with existing entities or establish new programs to assist
50 adult students in pursuing the education and training necessary to become a
51 provider of behavioral health care.

52 10. Coordinate with other entities to obtain or, where necessary, collect and
53 analyze data to:

1 (a) Determine where providers of behavioral health care who practice in this
2 State were born, educated and trained;

3 (b) Evaluate the progression of persons through programs for the education
4 and training of providers of behavioral health care in this State and determine
5 where such persons practice after completing those programs;

6 (c) Ensure the strength and success of pipelines to careers in behavioral
7 health from schools through professional practice; and

8 (d) Identify the degree to which programs of education and training for
9 providers of behavioral health care produce an adequate number of specialists to
10 meet the needs of this State and each behavioral health region.

11 11. Collaborate with agencies involved in the education, training, licensure,
12 certification, registration and endorsement of providers of behavioral health care
13 to develop systems for:

14 (a) Identifying methods used by providers of education or training for
15 providers of behavioral health care to prepare participants in programs of such
16 education or training to correctly implement evidence-based practices for
17 providing behavioral health care;

18 (b) Identifying the practices and therapeutic modalities being taught to
19 participants in programs of education or training for providers of behavioral
20 health care; and

21 (c) To the extent feasible, tracking the implementation of the methods,
22 practices and modalities described in paragraphs (a) and (b) by providers of
23 behavioral health care.

24 12. Monitor progress toward the goals prescribed in the strategic plan
25 developed pursuant to section 7 of this act.

26 13. Perform the duties prescribed by this section and section 7 of this act in
27 a manner that leverages existing programs and resources and avoids duplication
28 of efforts.

29 **Sec. 9.** The Board of Regents may:

30 1. Apply for and accept gifts, grants and donations for the purposes of
31 carrying out the provisions of sections 2 to 10, inclusive, of this act.

32 2. Receive, invest, disburse and account for all money received for the
33 purposes of carrying out the provisions of sections 2 to 10, inclusive, of this act.

34 **Sec. 10.** On or before June 1 of each year, the Center, if established, shall:

35 1. Compile a report concerning its activities during the immediately
36 preceding calendar year and planned activities for the current calendar year and
37 following calendar years; and

38 2. Submit the report to:

39 (a) The Director of the Legislative Counsel Bureau for transmittal to:

40 (1) The Joint Interim Standing Committee on Health and Human
41 Services; and

42 (2) The Joint Interim Standing Committee on Commerce and Labor;

43 (b) The Commission on Behavioral Health;

44 (c) Each regional behavioral health policy board created by NRS 433.429;

45 (d) The Board of Regents; and

46 (e) The Chancellor of the System.

47 **Sec. 10.5. 1. There is hereby appropriated from the State General**
48 **Fund to the Nevada System of Higher Education for personnel and operating**
49 **expenses associated with the establishment of the Behavioral Health**
50 **Workforce Development Center at the University of Nevada, Las Vegas, the**
51 **following sums:**

52 For the Fiscal Year 2023-2024 \$684,926

53 For the Fiscal Year 2024-2025 \$1,369,321

1 2. Any balance of the sums appropriated by subsection 1 remaining at
2 the end of the respective fiscal years must not be committed for expenditure
3 after June 30 of the respective fiscal years by the entity to which the
4 appropriation is made or any entity to which money from the appropriation is
5 granted or otherwise transferred in any manner, and any portion of the
6 appropriated money remaining must not be spent for any purpose after
7 September 20, 2024, and September 19, 2025, respectively, by either the entity
8 to which the money was appropriated or the entity to which the money was
9 subsequently granted or transferred, and must be reverted to the State
10 General Fund on or before September 20, 2024, and September 19, 2025,
11 respectively.

12 **Sec. 11.** The provisions of subsection 1 of NRS 218D.380 do not apply to
13 any provision of this act which adds or revises a requirement to submit a report to
14 the Legislature.

15 **Sec. 12.** 1. This section becomes effective upon passage and approval.

16 2. Section 10.5 of this act becomes effective on July 1, 2023.

17 3. Sections 1 to ~~10~~ 10, inclusive, and 11 of this act become effective:

- 18 (a) Upon passage and approval for the purpose of performing any preparatory
19 administrative tasks that are necessary to carry out the provisions of this act; and
20 (b) On October 1, 2023, for all other purposes.
