EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.

AN ACT relating to cannabis; revising provisions relating to disciplinary action taken by the Cannabis Compliance Board against the holder of a license or registration card issued by the Board; requiring the Board to adopt regulations governing the transfer of an ownership interest in a cannabis establishment; revising provisions governing the fees the Board is authorized to charge; requiring the Board to adopt regulations governing the charging and collecting of certain fees; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

1 Existing law sets forth the procedures by which the Cannabis Compliance  
2 Board may take disciplinary action against a licensee or registrant who violates a  
3 provision of existing law governing the cannabis industry in this State or any  
4 regulation adopted by the Board. (NRS 678A.500-678A.600) **Sections 2 and 4** of  
5 this bill authorize the Board to resolve any matter concerning a licensee or  
6 registrant who has allegedly committed such a violation by entering into a consent  
7 or settlement agreement with the licensee or registrant so long as the Board  
8 discusses and approves the terms of the agreement, and any modification of those  
9 terms, at a meeting of the Board. **Section 3** of this bill sets forth certain mitigating  
10 circumstances concerning a violation. **Section 2** requires the Board to consider

11 whether any of those mitigating circumstances exist in determining whether to  
12 approve or modify the terms of a consent or settlement agreement.

13 If the Board elects to proceed with disciplinary action against a licensee or  
14 registrant, existing law requires the Board or the Executive Director of the Board to  
15 serve upon the licensee or registrant a complaint setting forth the acts or omissions  
16 for which the licensee or registrant is charged and certain other information. (NRS  
17 678A.520) **Section 5** of this bill requires the complaint to charge multiple alleged  
18 violations as a single alleged violation under certain circumstances. **Section 5** also  
19 requires the complaint to include the penalties being sought against the licensee or  
20 registrant.

21 If the Board determines that a licensee or registrant has violated a provision of  
22 existing law governing the cannabis industry in this State or any regulation adopted  
23 by the Board, existing law authorizes the Board to: (1) limit, condition, suspend or  
24 revoke the license or registration card of the licensee or registrant; (2) impose a  
25 civil penalty in an amount established by the Board by regulation; or (3) take both  
26 of those actions. (NRS 678A.600) **Section 7** of this bill: (1) requires the Board, in  
27 determining the appropriate action to be taken against such a licensee or registrant,  
28 to consider whether any of the mitigating circumstances set forth in **section 3** exist;  
29 (2) limits the amount of a civil penalty the Board is authorized to impose for a  
30 single violation to \$20,000; and (3) authorizes the Board to take certain additional  
31 actions. **Section 6** of this bill requires that certain information concerning the  
32 mitigating factors considered by the Board pursuant to **section 7** be included in the  
33 written decision of the Board following a disciplinary hearing in certain  
34 circumstances.

35 Existing law requires an applicant for a license to pay to the Board the actual  
36 costs incurred by the Board in processing the application, including, without  
37 limitation, conducting background checks. (NRS 678B.390) **Section 11** of this bill  
38 revises that requirement to instead require an applicant to pay the actual costs paid  
39 by the Board to a law enforcement agency or other person who is not an employee  
40 of the Board to conduct any background checks in connection with the application.

41 Existing regulations of the Board require the Board to charge each cannabis  
42 establishment, at an hourly rate established by the Board, an assessment for the  
43 costs of various ongoing activities of the Board relating to the oversight of the  
44 cannabis establishment, including, without limitation routine inspections and audits,  
45 the investigation of certain complaints and investigations based on any type of  
46 requested transfer of interest. (Nev. Cannabis Compliance Bd. Regs. § 6.025)  
47 **Section 11** prohibits the Board from charging a licensee, registrant or applicant for  
48 a license or registration card any fee, cost, fine or other charge that is not expressly  
49 authorized by the provisions of existing law governing the cannabis industry in this  
50 State, including, with certain exceptions set forth in **section 11**, any charge for the  
51 costs of ongoing activities of the Board relating to the oversight of a cannabis  
52 establishment.

53 Existing regulations of the Board set forth various requirements for the transfer  
54 of an ownership interest in a cannabis establishment. (Nev. Cannabis Compliance  
55 Bd. Regs. § 5.110) **Section 10** of this bill specifically requires the Board to adopt  
56 regulations by which the holder of an ownership interest in a cannabis  
57 establishment may transfer all or any portion of the ownership interest to another  
58 qualified person. **Section 11** authorizes the Board to charge a cannabis  
59 establishment for the actual costs paid by the Board to a law enforcement agency or  
60 other person who is not an employee of the Board to conduct any background  
61 checks in connection with a transfer of ownership interest in the cannabis  
62 establishment.

63 In addition to any other applicable fees, **section 11** also authorizes the Board to  
64 charge a licensee or an applicant for a license certain amounts for the costs incurred  
65 by the Board in conducting an investigation in connection with: (1) a transfer of an

66 ownership interest in a cannabis establishment; (2) an application for the initial  
67 issuance of a license; (3) a request to obtain any approval that may be required by  
68 the Board to enter into an agreement to provide management services to a cannabis  
69 establishment; and (4) any waiver that is requested pursuant to the provisions of  
70 existing law governing cannabis. **Section 11** limits the amounts that may be  
71 charged to a reasonable hourly fee for each hour spent by agents of the Board in  
72 conducting the investigation and travel expenses and per diem allowances for such  
73 agents. **Section 9.5** of this bill requires the Board to adopt regulations establishing  
74 certain procedures and requirements for the charging and collecting of such  
75 amounts.

76 **Section 12** of this bill makes a conforming change to refer to provisions that  
77 have been renumbered in **section 11**.

15 678A.520 1. If the Board proceeds with disciplinary action  
16 pursuant to NRS 678A.510, the Board or the Executive Director  
17 shall serve a complaint upon the respondent either personally, or by

1 (a) Must state in short and plain terms the defenses to each claim  
2 asserted.

3 (b) Must admit or deny the facts alleged in the complaint.

4 (c) Must state which allegations the respondent is without

12 hearing even if the respondent so waives his or her right.

13 3. Failure to answer or to appear at the hearing constitutes an  
14 admission by the respondent of all facts alleged in the complaint.  
15 The Board may take action based on such an admission and on other  
16 evidence without further notice to the respondent. If the Board takes  
17 action based on such an admission, the Board shall include in the  
18 record which evidence was the basis for the action.

19 4. The Board shall determine the time and place of the hearing  
20 as soon as is reasonably practical after receiving the respondent's

23 hearing. The hearing must be held within 45 days after receiving the  
24 respondent's answer unless an expedited hearing is determined to be  
25 appropriate by the Board, in which event the hearing must be held as  
26 soon as practicable. The Chair of the Board may grant one or more  
27 extensions to the 45-day requirement pursuant to a request of a party  
28 or an agreement by both parties.

29 **Sec. 6.** NRS 678A.590 is hereby amended to read as follows:

30 678A.590 1. Within 60 days after the hearing of a contested  
31 matter, the Board shall render a written decision on the merits which  
32 must contain findings of fact, a determination of the issues presented  
33 and the penalty to be imposed, if any. *If the Board determines that*  
34 *the licensee or registrant has violated any provision of this title or*  
35 *any regulation adopted pursuant thereto, the written decision must*  
36 *set forth the determination of the Board as to whether any of the*  
37 *mitigating circumstances required to be considered by the Board*  
38 *pursuant to NRS 678A.600 exist and, if so, the weight given to*  
39 *each mitigating circumstance in determining the appropriate*  
40 *action to be taken pursuant to that section.* The Board shall  
41 thereafter make and enter its written order in conformity to its  
42 decision. No member of the Board who did not hear the evidence  
43 may vote on the decision. The affirmative votes of a majority of the  
44 whole Board are required to impose any penalty. Copies of the  
45 decision and order must be served on the parties personally or sent

1 to them by registered or certified mail. The decision is effective  
2 upon such service, unless the Board orders otherwise.

3 2. The Board may, upon motion made within 10 days after  
4 service of a decision and order, order a rehearing before the Board  
5 upon such terms and conditions as it may deem just and proper if a  
6 petition for judicial review of the decision and order has not been  
7 filed. The motion must not be granted except upon a showing that  
8 there is additional evidence which is material and necessary and  
9 reasonably calculated to change the decision of the Board, and that  
10 sufficient reason existed for failure to present the evidence at the  
11 hearing of the Board. The motion must be supported by an affidavit  
12 of the moving party or his or her counsel showing with particularity  
13 the materiality and necessity of the additional evidence and the  
14 reason why it was not introduced at the hearing. Upon rehearing,  
15 rebuttal evidence to the additional evidence must be permitted. After  
16 rehearing, the Board may modify its decision and order as the  
17 additional evidence may warrant.

18 **Sec. 7.** NRS 678A.600 is hereby amended to read as follows:

19 678A.600 *1.* If the Board finds that a licensee or registrant  
20 has violated a provision of this title or any regulation adopted
