Legislative Counsel's Digest:

1 Existing law provides for the licensure and regulation by the State Board of
2 Cosmetology of persons engaged in various branches of cosmetology and makeup
3 artistry, cosmetological establishments and schools of cosmetology. (Chapter 644A
4 of NRS)

5 Existing law exempts, with certain exceptions, persons authorized to practice
6 medicine, commissioned medical officers of the United States Army, Navy or
7 Marine Hospital Service and various other persons from the provisions of existing
8 law governing cosmetology. (NRS 644A.150) **Section 14** of this bill additionally
9 exempts, with certain exceptions, persons authorized to practice nursing and certain
10 additional members of the Armed Forces of the United States.

11 Existing law authorizes the Board to issue a citation to a: (1) licensee or
12 registrant for certain violations relating to health or sanitation; and (2) person for
13 certain unlicensed activities. (NRS 644A.865, 644A.955) **Section 62** of this bill
14 additionally authorizes the Board to issue a citation to a licensee or registrant for
15 certain additional violations. **Section 4** of this bill sets forth a process by which a
16 person may contest certain citations. **Section 5** of this bill authorizes the Board to
17 take appropriate legal action to recover the amount of a fine imposed by the Board.

18 Existing law provides for the licensure and regulation by the Board of persons
19 engaged in the practice of: (1) esthetics, which existing law defines, in general, to
20 include certain practices involving the care of the skin, the application of cosmetics
21 and the removal of superfluous hair; and (2) advanced esthetics, which existing law
22 defines to mean the practice of advanced esthetic procedures in addition to the
23 practice of esthetics. (NRS 644A.014, 644A.075) Existing law designates a person
24 engaged in the practice of esthetics as an esthetician and a person engaged in the
25 practice of advanced esthetics as an advanced esthetician. (NRS 644A.013,
26 644A.065) Existing law also provides for the licensure and regulation by the Board
27 of cosmetologists, which existing law defines, in general, to mean a person engaged
28 in various practices involving the hair, nails and skin of a person. (NRS 644A.030)

29 **Section 7** of this bill revises the list of procedures that constitute advanced
30 esthetic procedures to: (1) include a medium-depth chemical peel, which **section 3**
31 of this bill defines, in general, to mean the removal of certain layers of skin using
32 chemicals; and (2) remove certain procedures. **Section 6** of this bill makes a
33 conforming change to indicate the proper placement of **section 3** in the Nevada
34 Revised Statutes.

35 Existing law defines "esthetic medical device" to mean, in general, certain
36 devices used to perform an esthetic medical procedure. (NRS 644A.062) **Section**
37 **18** of this bill requires the Board to adopt regulations identifying each device that
38 the Board determines to be appropriate for use in the performance of an esthetic
39 medical procedure. **Section 10** of this bill revises the definition of "esthetic medical
40 device" to include only those devices that the Board has identified by regulation.
41 **Sections 8 and 11** of this bill revise the definitions of "cosmetologist" and
42 "esthetics," respectively, for the purpose of: (1) prohibiting an esthetician or
43 cosmetologist from using certain devices, including an esthetic medical device; and
44 (2) authorizing an esthetician and a cosmetologist to perform certain procedures.

45 Existing law authorizes an advanced esthetician to perform a nonablative
46 esthetic medical procedure under the supervision of a physician, a physician
47 assistant or an advanced practice registered nurse. (NRS 644A.127) **Section 18**
48 requires the Board to adopt regulations identifying each nonablative esthetic
49 medical procedure an advanced esthetician is authorized to perform. **Section 13** of
50 this bill revises the definition of "nonablative esthetic medical procedure" for the
51 purpose of authorizing an advanced esthetician to perform only those nonablative
52 medical procedures that the Board has identified by regulation.

53 Existing law prohibits a provider of health care from using space leased in a
54 cosmetological establishment to provide health care services at the same time a

55 cosmetologist uses that space to engage in the practice of cosmetology. (NRS
56 644A.615) **Section 48** of this bill provides an exemption from that prohibition to
57 authorize a physician, a physician assistant or an advanced practice registered nurse
58 to use such a leased space to provide health care services associated with the
59 supervision of an advanced esthetician.

60 Existing law sets forth certain powers and duties of the Board. (NRS 644A.230)
61 **Section 15** of this bill provides those powers and duties to the Executive Director
62 of the Board. Existing law requires the Board to keep all records and files at the
63 main office of the Board and, with certain exceptions, make the records and files
64 open to public inspection. (NRS 644A.230) **Section 15** removes the requirement to
65 keep the records and files at the main office of the Board.

66 Existing law provides that certain documents and information of the Board
67 relating to the imposition of disciplinary action against a person are confidential
68 unless the person submits to the Board a request that such documents and
69 information be made public records. (NRS 644A.870) **Section 56** of this bill
70 removes provisions authorizing a person to submit such a request.

71 **Sections 39, 42 and 47** of this bill require a licensee or registrant to have paid
72 to the Board any outstanding fees, fines or other balance owed to the Board as a
73 condition for the renewal of a license or certificate of registration. **Section 35** of
74 this bill provides that certain fees charged by the Board are nonrefundable.

75 Existing law requires a makeup artist to register with the Board and provides
76 that such a registration expires on January 1 of each year. (NRS 644A.395) **Section**
77 **12** of this bill revises the definition of "makeup artistry" to authorize a makeup
78 artist to apply strip eyelashes. (NRS 644A.105) **Section 31** of this bill: (1) revises
79 the information that a person must submit to the Board to register as a makeup
80 artist; and (2) provides that a certificate of registration as a makeup artist is valid
81 for 1 year after the date of issuance.

82 Existing law requires a person who applies to be admitted to an examination for
83 licensure as a cosmetologist, hair designer, esthetician, advanced esthetician or nail
84 technologist to satisfy certain training or experience requirements. Existing law
85 authorizes such requirements to be satisfied by having practiced the applicable
86 occupation for a certain length of time outside of this State. (NRS 644A.300,
87 644A.315, 644A.328, 644A.330, 644A.345) **Sections 20, 22 and 24-26** of this bill
88 revise those training and experience requirements to, among other things, specify
89 that practice outside of this State includes practice in any other state, territory or
90 country. **Sections 21 and 23** of this bill provide that an examination for a license as
91 a cosmetologist or hair designer may include practical demonstrations of
92 procedures involving the application of chemicals to the hair. **Section 32** of this bill
93 revises certain training requirements for a person to be admitted to examination for
94 a license as an electrologist. **Sections 29 and 30** of this bill revise requirements for
95 a person to be admitted to examination for registration as a shampoo technologist
96 and for the content of the examination. **Sections 27, 28 and 64** of this bill repeal
97 and revise requirements for a person to be admitted to examination for licensure as
98 a hair braider and for the content of the examination. **Sections 36, 54 and 59** of this
99 bill make conforming changes to remove references to certain requirements
100 concerning hair braiders repealed by **section 64**.

101 Existing law sets forth separate requirements for a person to be admitted for
102 examination as an instructor depending on whether the person wishes to be licensed
103 as an instructor of cosmetology, hair design, esthetics, advanced esthetics or nail
104 technology. (NRS 644A.420-644A.430) **Sections 34 and 64** of this bill: (1)
105 establish, with certain exceptions, the same requirements for each type of
106 instructor; and (2) authorize an instructor to provide instruction only on subject
107 matter that is within the scope of his or her license in the applicable branch of
108 cosmetology. **Section 33** of this bill revises the materials that an applicant for a
109 provisional license as an instructor is required to submit to the Board.

110 **Sections 37, 39 and 42** of this bill revise the amount of fees charged to an
111 applicant for examination for licensure as a hair braider and for the issuance and
112 renewal of such a license. **Section 41** of this bill: (1) authorizes the Board to defer
113 the expiration of certain licenses or certificates of registration for a person who
114 submits a request and pays a fee; and (2) requires the Board to provide certain
115 notice to a licensee or holder of a certificate of registration before the expiration of
116 his or her license or certificate of registration.

117 Existing law requires a person who holds a license or certificate of registration
118 to practice any branch of cosmetology to display the license or certificate or a
119 duplicate of the license or certificate at the position where the holder of the license
120 or certificate performs his or her work. (NRS 644A.530) **Section 44** of this bill
121 requires such a person to display the license or certificate or a duplicate of the
122 license or certificate at each workstation where he or she performs his or her work
123 on the public.

124 Existing law establishes requirements for the licensure and operation of a
125 cosmetological establishment or a school of cosmetology. (NRS 644A.600-
126 644A.630, 644A.700-644A.755) **Section 46** of this bill revises procedures for the
127 issuance of a license for a cosmetological establishment. **Sections 51 and 52** of this
128 bill revise requirements for the: (1) supervision by a licensed instructor of a school
129 of cosmetology; (2) attendance of a student for instruction in theory; and (3)
130 advertisement of student work to the public. **Section 57** of this bill revises the
131 circumstances under which certain apprentices may engage in certain practices at a
132 cosmetological establishment. **Section 50** of this bill requires a cosmetological
133 establishment to display a sign under certain circumstances indicating when no
134 cosmetological services will be provided.

135 Existing law requires a person who engages in the practice of threading or the
136 owner or operator of certain facilities in which a person engages in the practice of
137 threading to register with the Board. (NRS 644A.550) **Sections 17 and 45** of this
138 bill: (1) require the Board to keep certain records relating to a person who engages
139 in the practice of threading; (2) provide that a certificate of registration to engage in
140 the practice of threading expires 1 year after issuance; and (3) authorize a licensed
141 cosmetologist or esthetician to engage in the practice of threading without
142 registering with the Board.

143 Existing law provides for the licensure and regulation of establishments for hair
144 braiding, which existing law defines to mean, in general, any premises, mobile unit
145 or building where hair braiding is practiced, other than a cosmetological
146 establishment. (NRS 644A.060) **Sections 16-19, 42, 53-55, 57, 60, 61 and 64** of
147 this bill remove or repeal provisions which provide for the licensure and regulation
148 of establishments for hair braiding, thereby requiring any establishment where hair
149 braiding is practiced to be licensed as a cosmetological establishment. **Section 63**
150 of this bill deems any person who, on October 1, 2023, holds a license for an
151 establishment for hair braiding to hold a license for a cosmetological establishment.

152 Existing law provides for the licensure and regulation by the Board of
153 demonstrators of cosmetics, which existing law defines to mean, in general, a
154 person who demonstrates cosmetics under certain circumstances. (NRS 644A.045)
155 **Sections 9, 17, 38-43, 48, 49, 54 and 64** of this bill repeal or remove all references
156 to demonstrators of cosmetics in the provisions of existing law governing
157 cosmetology for the purpose of no longer subjecting a demonstrator of cosmetics to
158 licensure or regulation by the Board.

159 Existing law prohibits: (1) the use of an x-ray machine to treat the scalp or
160 remove hair; and (2) the local application of corrosive substances for the purpose of
161 peeling skin. (NRS 644A.925) **Section 58** of this bill: (1) eliminates the prohibition
162 on the use of an x-ray machine to treat the scalp or remove hair; and (2) revises the
163 prohibition on the use of corrosive substances to peel skin to allow for the
