**Legislative Counsel’s Digest:**

Existing federal law provides for individual retirement accounts and individual retirement annuities by which persons may save money for retirement under favorable income tax treatment. (26 U.S.C. §§ 408, 408A) This bill establishes the Nevada Employee Savings Trust under the direction of a board of trustees with the power to establish a similar program and to encourage private employees to establish such accounts.

**Section 19** of this bill creates the Board of Trustees of the Nevada Employee Savings Trust and establishes its membership. **Section 20** of this bill establishes certain powers and duties of the Board. In particular, **section 20** authorizes and empowers the Board to: (1) design, establish and operate the Nevada Employee Savings Trust Program; and (2) adopt regulations, rules and procedures for the establishment and operation of the Program and to take such other actions necessary or desirable to establish and operate the Program.

**Section 21** of this bill requires the State Treasurer to provide staff support to the Board within the limits of appropriations and authorizes the State Treasurer to provide administrative support to the Board.

**Section 22** of this bill provides that an act or undertaking of the Board does not constitute a debt of the State of Nevada, or any political subdivision thereof, or a

pledge of the full faith and credit of the State of Nevada, or of any political subdivision thereof, and is payable solely from the assets controlled by the Board. **Section 22** also prohibits the Board from imposing any obligations on the State or pledging the credit of the State.

**Section 23** of this bill establishes certain attributes that the Board must include in the Program, including: (1) that covered employers must automatically enroll all covered employees in the Program or in a similar program offered by a trade association or chamber of commerce, unless a covered employee opts out of the Program or, if applicable, the similar program offered by a trade association or chamber of commerce; (2) that contributions to a covered employee's Individual Retirement Account must be withheld from the employee's compensation at the rate set by the Board unless the employee elects not to contribute or to contribute at a different rate; (3) that a covered employee may withdraw contributions to meet a financial or other emergency; and (4) that the Board must prepare informational materials, disclosure statements, forms and instructions concerning the Program for distribution by covered employers to covered employees.

**Section 24** of this bill creates the Nevada Employee Savings Trust Administrative Fund in the State Treasury, specifies the sources of money that must be deposited in the Fund and requires the Board to use money in the Fund solely to pay the administrative costs and expenses of the Board and the Program.

**Section 25** of this bill authorizes the Board to borrow money or enter into certain long-term procurement contracts with financial providers until the Board determines that the Program is financially self-sustaining.

**Section 26** of this bill creates the Nevada Employee Savings Trust as an instrumentality of the State and requires the Board to appoint a Trustee of the Trust. **Section 26** requires that the assets of all Individual Retirement Accounts established by covered employees through the Program be allocated to the Trust and invested, managed and administered for the exclusive purposes of providing benefits to the covered employees and defraying the reasonable expenses of the Board, Program and Trust. **Section 26** also establishes certain investment guidelines and practices.

**Section 27** of this bill provides that, except to the extent necessary to administer the Program, personal information relating to individual participants in the Program and information relating to individual accounts established or maintained through the Program is confidential and must be maintained as confidential, unless the person who provides the information or is the subject of the information expressly agrees in writing to the disclosure of the information.

**Section 28** of this bill provides a grant of immunity from civil liability to covered employers for the consequences of various decisions made by employees or the Board in connection with the Program, including, for example, an employee's decision to participate in or opt out of the Program, an investment decision made by the participant or the Board or a loss, failure to realize a gain or other adverse consequence incurred by a person as a result of participating in the Program. **Section 28** also provides that a covered employer or other employer must not be deemed to be a fiduciary in relation to the Program.

**Section 29** of this bill absolves the State and any employee or officer thereof, the Board and any member of the Board or employee thereof and the Program from any responsibility or civil liability for the actions of certain other persons in connection with the Program, including, for example, a person's failure to comply with provisions of the Internal Revenue Code, the payment of benefits or a loss, failure to realize a gain or other adverse consequence incurred by a person as a result of participating in the Program. **Section 29** also provides that the debts, contracts and obligations of the Board, Program or Trust are not the debts, contracts

and obligations of the State, and neither the faith and credit nor the taxing power of the State is pledged directly or indirectly to the payment of the debts, contracts and obligations of the Board, Program or Trust.

**Section 30** of this bill provides that members of the Board, the Trustee and certain other persons involved in the administration of the Trust are fiduciaries with respect to the participants in the Program.

**Section 31** of this bill prohibits members of the Board, its staff and persons who serve as administrators of the Program from engaging in certain financial transactions in connection with the Program.

**Section 32** of this bill requires the Board to obtain an annual independent audit of the Board, Program and Trust and to annually submit audited financial reports to the Governor, State Controller and Legislature.

**Section 35** of this bill requires, with certain exceptions, the Board to establish the Program and implement its provisions so that covered employees are able to make contributions to an Individual Retirement Account through the Program beginning on July 1, 2025. **Section 35** further authorizes the Board to implement the Program in phases but if the Board does so, the first phase must not begin before July 1, 2025.

**Section 34.5** of this bill makes an appropriation to the Office of the State Treasurer for costs related to the administration of the Program.

**Section 36.5** of this bill requires the Board to: (1) conduct a study on the feasibility of including independent contractors in the Program; and (2) submit a report of the findings of the study to the Director of the Legislative Counsel Bureau for transmittal to the 83rd Session of the Nevada Legislature.

2. A governmental entity may not reject a book or record which is copyrighted solely because it is copyrighted.

3. A governmental entity that has legal custody or control of a public book or record shall not deny a request made pursuant to subsection 1 to inspect or copy or receive a copy of a public book or record on the basis that the requested public book or record contains information that is confidential if the governmental entity can redact, delete, conceal or separate, including, without limitation, electronically, the confidential information from the information included in the public book or record that is not otherwise confidential.

5. An officer, employee or agent of a governmental entity who has legal custody or control of a public record:

(a) Shall not refuse to provide a copy of that public record in the medium that is requested because the officer, employee or agent has already prepared or would prefer to provide the copy in a different medium.
