Legislative Counsel's Digest:

1 Existing federal law provides for individual retirement accounts and individual
2 retirement annuities by which persons may save money for retirement under
3 favorable income tax treatment. (26 U.S.C. §§ 408, 408A) This bill establishes the
4 Nevada Employee Savings Trust under the direction of a board of trustees with the
5 power to establish a similar program and to encourage private employees to
6 establish such accounts.

7 **Section 19** of this bill creates the Board of Trustees of the Nevada Employee
8 Savings Trust and establishes its membership. **Section 20** of this bill establishes
9 certain powers and duties of the Board. In particular, **section 20** authorizes and
10 empowers the Board to: (1) design, establish and operate the Nevada Employee
11 Savings Trust Program; and (2) adopt regulations, rules and procedures for the
12 establishment and operation of the Program and to take such other actions
13 necessary or desirable to establish and operate the Program.

14 **Section 21** of this bill requires the State Treasurer to provide staff support to
15 the Board within the limits of appropriations and authorizes the State Treasurer to
16 provide administrative support to the Board.

17 **Section 22** of this bill provides that an act or undertaking of the Board does not
18 constitute a debt of the State of Nevada, or any political subdivision thereof, or a
19 pledge of the full faith and credit of the State of Nevada, or of any political
20 subdivision thereof, and is payable solely from the assets controlled by the Board.
21 **Section 22** also prohibits the Board from imposing any obligations on the State or
22 pledging the credit of the State.

23 **Section 23** of this bill establishes certain attributes that the Board must include
24 in the Program, including: (1) that covered employers must automatically enroll all
25 covered employees in the Program or in a similar program offered by a trade
26 association or chamber of commerce, unless a covered employee opts out of the
27 Program or, if applicable, the similar program offered by a trade association or
28 chamber of commerce; (2) that contributions to a covered employee's Individual
29 Retirement Account must be withheld from the employee's compensation at the
30 rate set by the Board unless the employee elects not to contribute or to contribute at
31 a different rate; (3) that a covered employee may withdraw contributions to meet a
32 financial or other emergency; and (4) that the Board must prepare informational
33 materials, disclosure statements, forms and instructions concerning the Program for
34 distribution by covered employers to covered employees.

35 **Section 24** of this bill creates the Nevada Employee Savings Trust
36 Administrative Fund in the State Treasury, specifies the sources of money that must
37 be deposited in the Fund and requires the Board to use money in the Fund solely to
38 pay the administrative costs and expenses of the Board and the Program.

39 **Section 25** of this bill authorizes the Board to borrow money or enter into
40 certain long-term procurement contracts with financial providers until the Board
41 determines that the Program is financially self-sustaining.

42 **Section 26** of this bill creates the Nevada Employee Savings Trust as an
43 instrumentality of the State and requires the Board to appoint a Trustee of the Trust.
44 **Section 26** requires that the assets of all Individual Retirement Accounts
45 established by covered employees through the Program be allocated to the Trust
46 and invested, managed and administered for the exclusive purposes of providing
47 benefits to the covered employees and defraying the reasonable expenses of the
48 Board, Program and Trust. **Section 26** also establishes certain investment
49 guidelines and practices.

50 **Section 27** of this bill provides that, except to the extent necessary to
51 administer the Program, personal information relating to individual participants in
52 the Program and information relating to individual accounts established or
53 maintained through the Program is confidential and must be maintained as

54 confidential, unless the person who provides the information or is the subject of the
55 information expressly agrees in writing to the disclosure of the information.

56 **Section 28** of this bill provides a grant of immunity from civil liability to
57 covered employers for the consequences of various decisions made by employees
58 or the Board in connection with the Program, including, for example, an
59 employee's decision to participate in or opt out of the Program, an investment
60 decision made by the participant or the Board or a loss, failure to realize a gain or
61 other adverse consequence incurred by a person as a result of participating in the
62 Program. **Section 28** also provides that a covered employer or other employer must
63 not be deemed to be a fiduciary in relation to the Program.

64 **Section 29** of this bill absolves the State and any employee or officer thereof,
65 the Board and any member of the Board or employee thereof and the Program from
66 any responsibility or civil liability for the actions of certain other persons in
67 connection with the Program, including, for example, a person's failure to comply
68 with provisions of the Internal Revenue Code, the payment of benefits or a loss,
69 failure to realize a gain or other adverse consequence incurred by a person as a
70 result of participating in the Program. **Section 29** also provides that the debts,
71 contracts and obligations of the Board, Program or Trust are not the debts, contracts
72 and obligations of the State, and neither the faith and credit nor the taxing power of
73 the State is pledged directly or indirectly to the payment of the debts, contracts and
74 obligations of the Board, Program or Trust.

75 **Section 30** of this bill provides that members of the Board, the Trustee and
76 certain other persons involved in the administration of the Trust are fiduciaries with
77 respect to the participants in the Program.

78 **Section 31** of this bill prohibits members of the Board, its staff and persons
79 who serve as administrators of the Program from engaging in certain financial
80 transactions in connection with the Program.

81 **Section 32** of this bill requires the Board to obtain an annual independent audit
82 of the Board, Program and Trust and to annually submit audited financial reports to
83 the Governor, State Controller and Legislature.

84 **Section 35** of this bill requires, with certain exceptions, the Board to establish
85 the Program and implement its provisions so that covered employees are able to
86 make contributions to an Individual Retirement Account through the Program
87 beginning on July 1, 2025. **Section 35** further authorizes the Board to implement
88 the Program in phases but if the Board does so, the first phase must not begin
89 before July 1, 2025.

90 **Section 34.5** of this bill makes an appropriation to the Office of the State
91 Treasurer for costs related to the administration of the Program.

28 478, Statutes of Nevada 2011 and section 2 of chapter 391, Statutes
29 of Nevada 2013 and unless otherwise declared by law to be
30 confidential, all public books and public records of a governmental
31 entity must be open at all times during office hours to inspection by
32 any person, and may be fully copied or an abstract or memorandum
33 may be prepared from those public books and public records. Any
34 such copies, abstracts or memoranda may be used to supply the
35 general public with copies, abstracts or memoranda of the records or
36 may be used in any other way to the advantage of the governmental
37 entity or of the general public. This section does not supersede or in
38 any manner affect the federal laws governing copyrights or enlarge,
39 diminish or affect in any other manner the rights of a person in any
40 written book or record which is copyrighted pursuant to federal law.
41 2. A governmental entity may not reject a book or record
42 which is copyrighted solely because it is copyrighted.
43 3. A governmental entity that has legal custody or control of a
44 public book or record shall not deny a request made pursuant to
45 subsection 1 to inspect or copy or receive a copy of a public book or

1 record on the basis that the requested public book or record contains
2 information that is confidential if the governmental entity can
3 redact, delete, conceal or separate, including, without limitation,
4 electronically, the confidential information from the information
5 included in the public book or record that is not otherwise
6 confidential.

7 4. If requested, a governmental entity shall provide a copy of a
8 public record in an electronic format by means of an electronic
9 medium. Nothing in this subsection requires a governmental entity
10 to provide a copy of a public record in an electronic format or by
11 means of an electronic medium if:

- 12 (a) The public record:
 - 13 (1) Was not created or prepared in an electronic format; and
 - 14 (2) Is not available in an electronic format; or
- 15 (b) Providing the public record in an electronic format or by
16 means of an electronic medium would:
 - 17 (1) Give access to proprietary software; or
 - 18 (2) Require the production of information that is confidential
19 and that cannot be redacted, deleted, concealed or separated from
20 information that is not otherwise confidential.

21 5. An officer, employee or agent of a governmental entity who
22 has legal custody or control of a public record:

- 23 (a) Shall not refuse to provide a copy of that public record in the
24 medium that is requested because the officer, employee or agent has
25 already prepared or would prefer to provide the copy in a different
26 medium.
- 27 (b) Except as otherwise provided in NRS 239.030, shall, upon
28 request, prepare the copy of the public record and shall not require
29 the person who has requested the copy to prepare the copy himself
30 or herself.

31 **Sec. 34.5.** 1. There is hereby appropriated from the State
32 General Fund to the Office of the State Treasurer for costs related to
33 the administration of the Nevada Employee Savings Trust Program
34 established pursuant to section 20 of this act the following sums:

35	For the Fiscal Year 2023-2024	\$669,491
36	For the Fiscal Year 2024-2025	\$535,074

37 2. The Office of the State Treasurer shall repay the sums
38 appropriated by subsection 1 as soon as the Office has received
39 sufficient money for the operation of the Program.

40 3. Any balance of the sums appropriated by subsection 1
41 remaining at the end of the respective fiscal years must not be
42 committed for expenditure after June 30 of the respective fiscal
43 years by the entity to which the appropriation is made or any entity
44 to which money from the appropriation is granted or otherwise
45 transferred in any manner, and any portion of the appropriated

1 money remaining must not be spent for any purpose after
2 September 20, 2024, and September 19, 2025, respectively, by
3 either the entity to which the money was appropriated or the entity
4 to which the money was subsequently granted or transferred, and
5 must be reverted to the State General Fund on or before
6 September 20, 2024, and September 19, 2025, respectively.

7 **Sec. 35.** 1. Except as otherwise provided in this section, the
8 Board of Trustees of the Nevada Employee Savings Trust created by
9 section 19 of this act shall establish the Nevada Employee Savings
10 Trust Program pursuant to section 20 of this act and implement its
11 provisions so that covered employees are able to make contributions
12 to an Individual Retirement Account through the Program beginning
13 on July 1, 2025.

14 2. The Board may implement the Program in phases so that the
15 ability of covered employees to contribute to an Individual
16 Retirement Account through the Program first applies on different
17 dates for different employees based on the number of employees
18 employed by the covered employer. If the Board implements the
19 Program in phases pursuant to this subsection, the first phase must
20 not begin before July 1, 2025.

21 3. The Board shall not implement the Program if, and to the
22 extent that, it determines that the Program is preempted by the
23 Employee Retirement Income Security Act of 1974, 29 U.S.C. §§
24 1001 et seq. If the Board determines that one or more provisions of
25 the Program are preempted by Employee Retirement Income
26 Security Act of 1974, the Board shall implement the remaining
27 provisions of the Program to the extent practicable.

28 4. The Board shall not implement a provision of the Program
29 that authorizes an arrangement by which an employer facilitates
30 access for an employee to contribute to an Individual Retirement
31 Account by means of payroll deduction if the Board determines that
32 the arrangement is an employee pension benefit plan within the
33 meaning of section 3(2) of the Employee Retirement Income
34 Security Act of 1974, 29 U.S.C. § 1002(2).

35 **Sec. 36.** As soon as practicable on or after the effective date of
36 this section, the Governor, Majority Leader of the Senate and
37 Speaker of the Assembly shall appoint the members of the Board of
38 Trustees of the Nevada Employee Savings Trust pursuant to section
39 19 of this act.

40 **Sec. 37.** The provisions of subsection 1 of NRS 218D.380 do
41 not apply to any provision of this act which adds or revises a
42 requirement to submit a report to the Legislature.

43 **Sec. 38.** 1. This section and section 36 of this act become
44 effective upon passage and approval.

45 2. Section 34.5 of this act becomes effective on July 1, 2023.

1 3. Sections 1 to 34, inclusive, 35 and 37 of this act, become
2 effective:

3 (a) Upon passage and approval for the purpose of adopting any
4 regulations and performing any other preparatory administrative
5 tasks that are necessary to carry out the provisions of this act; and

6 (b) On July 1, 2025, for all other purposes.
