EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.

AN ACT relating to real property; prescribing a procedure for removing certain discriminatory restrictions or prohibitions from a written instrument relating to real property; requiring the Real Estate Division of the Department of Business and Industry to prescribe a restrictive covenant modification form; eliminating certain provisions relating to a declaration of removal of a discriminatory restriction or prohibition; requiring each county recorder in this State to provide certain notice to each owner who recorded a declaration of removal of a discriminatory restriction or prohibition with the office of the county recorder; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

1 Existing law provides that any restriction or prohibition in a written instrument  
2 relating to real property that purports to forbid or restrict the conveyance,  
3 encumbrance, leasing or mortgaging of the real property or purports to limit,  
4 restrict or prohibit the use or occupation of the real property on the basis of race,  
5 color, religion, ancestry, national origin, disability, familial status, sex, sexual  
6 orientation or gender identity or expression is void and unenforceable by operation  
7 of law. Existing law authorizes an owner of real property that is subject to such a

8 restriction or prohibition to record a declaration of removal of the discriminatory  
9 restriction or prohibition by filing a declaration form with the county recorder of  
10 the county in which the real property is located. If an owner files such a form,  
11 existing law requires the county recorder to attach the declaration form to the  
12 original recorded instrument to indicate that the discriminatory restriction or  
13 prohibition is void. (NRS 111.237)

14 **Section 1.3** of this bill eliminates provisions relating to the filing and  
15 recordation of a declaration of removal of a discriminatory restriction or  
16 prohibition. Instead, **section 1.3** prescribes a procedure for removing a  
17 discriminatory restriction or prohibition from a written instrument relating to real  
18 property. **Section 1.3** requires an interested person who wishes to remove a  
19 discriminatory restriction or prohibition from a written instrument to file a petition  
20 in the district court requesting that the court issue an order directing the county  
21 recorder to record a restrictive covenant modification document, which redacts  
22 from a written instrument any discriminatory restriction or prohibition identified by  
23 the court in its order. If, after considering such a petition and any objections, the  
24 district court determines that a restriction or prohibition identified in a petition is  
25 void and unenforceable by operation of law, **section 1.3** requires the district court  
26 to issue an order directing the appropriate county recorder to record a restrictive  
27 covenant modification document. If the district court issues such an order, **section**  
28 **1.3** authorizes an interested person to record a restrictive covenant modification  
29 document by filing with the appropriate county recorder: (1) a restrictive covenant  
30 modification form; (2) a certified copy of the written instrument; and (3) a certified  
31 copy of the court order. Upon receipt of these documents, **section 1.3** requires the  
32 county recorder to: (1) redact from the written instrument any language identified  
33 in the court order; (2) record and index the restrictive covenant modification  
34 document and restrictive covenant modification form; and (3) retain the original  
35 written instrument as a public record for historical purposes.

36 **Section 1** of this bill defines certain terms relating to the procedure prescribed  
37 by **section 1.3**. **Section 2** of this bill makes a conforming change relating to the  
38 recordation of a restrictive covenant modification document or restrictive covenant  
39 modification form.

40 **Section 1.5** of this bill requires the Real Estate Division of the Department of  
41 Business and Industry to: (1) solicit recommendations concerning the design and  
42 contents of a restrictive covenant modification form; and (2) prescribe such a form.

43 **Section 3** of this bill requires each county recorder in this State to provide  
44 certain notice to each owner who recorded a declaration of removal of a  
45 discriminatory restriction or prohibition with the office of the county recorder.
