(c) Three qualified electors of the State, two of whom are appointed by the Majority Leader and one who is appointed by the Minority Leader, and none of whom is a present member of the Legislature or employed by the State of Nevada.

↳ Not more than four members of the Committee may be members of the same political party.

2. The Majority Leader shall appoint the Chair and Vice Chair of the Committee. The Vice Chair shall serve as the acting Chair if the Chair is unable to serve for any reason during the consideration of a specific proposal.

3. The Majority Leader shall appoint an alternate member with the qualifications set forth in paragraph (a) of subsection 1 and an alternate member with the qualifications set forth in paragraph (c) of subsection 1. The Minority Leader shall appoint an alternate member with the qualifications set forth in paragraph (b) of subsection 1 and an alternate member with the qualifications set forth in paragraph (c) of subsection 1. If a member of the Committee is unable to serve for any reason during the consideration of a specific proposal, the alternate appointed with the qualifications from the same paragraph in subsection 1 shall serve as a member of the Committee during the consideration of the specific proposal.

4. A member of the Committee is disqualified to serve during the consideration of a specific proposal if:

(a) The member is the requester of advice concerning the question of ethics or conflict of interest, or the member is the subject of the complaint concerning the specific question; or

(b) A reasonable person in the member's situation could not exercise independent judgment on the matter in question.

5. The members of the Committee shall perform any duty required in the period between the time of their appointment after the general election and the organization of the next succeeding regular session, or until the Majority Leader or the Minority Leader appoint new members to the Committee, whichever occurs first.

6. The tenure of the members of the Committee shall extend during the interim between regular sessions of the Legislature.

7. *The Committee:*

(a) *May hear requests brought by Senators for advice on specific questions of potential breaches of ethics and conflicts of interest; and*

(b) *Shall hear complaints brought by Senators and others on specific questions of alleged breaches of ethics and conflicts of interest, including, without limitation, alleged breaches of the Legislative Code of Ethical Standards in the Joint Standing Rules.*

8. *All proceedings held by the Committee to consider the character, alleged misconduct, professional competence or physical or mental health of any person on matters of ethics or conflicts of interest and all materials related to those proceedings are confidential, unless the person who is the subject of the proceedings requests a public hearing or discloses the content of the proceedings or materials.*

9. *An individual may file a complaint which alleges a breach of ethics or a conflict of interest, including, without limitation, an alleged breach of the Legislative Code of Ethical Standards in the Joint Standing Rules. If the alleged breach of ethics or conflict of interest involves the conduct of more than one person, separate complaints must be filed regarding each person. A complaint must be:*

(a) *Made in writing on a form provided by the Legislative Counsel;*

(b) *Signed and verified under penalty of perjury by the individual making the allegation; and*

(c) *Filed with the Legislative Counsel who shall review the complaint and any other relevant information and consult with the Chair of the Committee or, if the Chair is the subject of the complaint, with the Vice Chair, to evaluate whether the Committee has jurisdiction and whether an investigation is warranted in the matter. If it is determined that the Committee:*

(1) *Does not have jurisdiction or that an investigation is not warranted in the matter, the Legislative Counsel shall send written notice of the determination to the individual who filed the complaint.*

(2) *Has jurisdiction and an investigation is warranted in the matter, the Legislative Counsel shall send written notice of the determination and a copy of the complaint to the person who is the subject of the complaint.*

10. *Each Legislator is subject, at all times, to the Legislative Code of Ethical Standards in the Joint Standing Rules and, in addition, must determine whether he or she has a conflict of*

interest upon any matter in question before the Legislator. In determining whether the Legislator has such a conflict of interest, the Legislator should consider whether the independence of judgment of a reasonable person in his or her situation upon the matter in question would be materially affected by the Legislator's:

- (a) Acceptance of a gift or loan;*
- (b) Private economic interest; or*
- (c) Commitment to a member of his or her household or immediate family.*

↳ In interpreting and applying the provisions of this subsection, it must be presumed that the independence of judgment of a reasonable person in the Legislator's situation would not be materially affected by the Legislator's private economic interest or the Legislator's commitment to a member of his or her household or immediate family where the resulting benefit or detriment accruing to the Legislator, or if the Legislator has a commitment to a member of his or her household or immediate family, accruing to those other persons, is not greater than that accruing to any other member of the general business, profession, occupation or group that is affected by the matter.

11. Except as otherwise provided in subsection 12, if a Legislator knows he or she has a conflict of interest pursuant to subsection 10, the Legislator shall make a disclosure of the conflict of interest on the record in a meeting of a committee or on the floor of the Senate, as applicable. Such a disclosure must be entered:

- (a) If the Legislator makes the disclosure in a meeting of a committee, in the minutes for that meeting.*
- (b) If the Legislator makes the disclosure on the floor of the Senate, in the Journal.*

12. If, on one or more prior occasions during the current session of the Legislature, a Legislator has made a general disclosure of a conflict of interest on the record in a meeting of a committee or on the floor of the Senate, the Legislator is not required to make that general disclosure at length again regarding the same conflict of interest if, when the matter in question arises on subsequent occasions, the Legislator makes a reference on the record to the previous disclosure.

13. In determining whether to abstain from voting upon, advocating or opposing a matter concerning which a Legislator has a conflict of interest pursuant to subsection 10, the Legislator should consider whether:

(a) *The conflict impedes his or her independence of judgment; and*

(b) *His or her interest is greater than the interests of an entire class of persons similarly situated.*

14. *The provisions of this Rule do not under any circumstances and regardless of any conflict of interest:*

(a) *Prohibit a Legislator from requesting or introducing a legislative measure; or*

(b) *Require a Legislator to take any particular action before or while requesting or introducing a legislative measure.*

15. *If a Legislator who is a member of a committee declares on the record when a vote is to be taken by the committee that he or she will abstain from voting because of the requirements of this Rule, the necessary quorum to act upon and the number of votes necessary to act upon the matter is reduced as though the Legislator abstaining were not a member of the committee.*

16. *The standards and procedures set forth in this Rule which govern whether and to what extent a Senator has a conflict of interest, should disclose a conflict of interest or should abstain from voting upon, advocating or opposing a matter concerning which the Senator has a conflict of interest pursuant to subsection 10:*

(a) *Are exclusive and are the only standards and procedures that apply to Senators with regard to such matters; and*

(b) *Supersede and preempt all other standards and procedures with regard to such matters,*

↳ except that this subsection does not exempt any Senators from the Legislative Code of Ethical Standards in the Joint Standing Rules.

17. *For purposes of this Rule, “immediate family” means a person who is related to the Legislator by blood, adoption or marriage within the first degree of consanguinity or affinity.*

The next rule is 30.

Every Senator within the bar of the Senate shall vote “yea” or “nay” or record himself or herself as “not voting,” unless excused by unanimous vote of the Senate. A Senator who records*

himself or herself as “not voting” must make a full and complete disclosure of a conflict of interest pursuant to Senate Standing Rule No. 23.

2. The votes and names of those absent or recorded as “not voting” and the names of Senators demanding the recorded vote must be entered in the Journal.

A question is lost by a tie vote, but when the Senate is equally divided on any question except the passage of a bill or joint resolution, the President may give the deciding vote.

Rule No. 32. Manner of Election—Voting.

1. In all cases of election by the Senate, the vote must be taken viva voce. In other cases, if a vote is to be recorded, it may be taken by oral roll-call or by electronic recording.

Rule No. 107. Information Concerning Bills.

1. At the time of or after introduction of a bill, a list of witnesses who are proponents of the bill together with their addresses and telephone numbers may be given to the secretary of the committee to which the bill is referred. This information may be provided by:

- (a) The Senator introducing the bill;*

(b) A physical or medical condition requires the Senator to use the bill books rather than viewing bills on a laptop computer.

4. A request for bill book service must be made to the Majority Leader of the Senate. If the Majority Leader determines that the Senator qualifies for the service, the Majority Leader shall direct the Legislative Counsel Bureau to provide the service.

Rule No. 112. Sponsorship.

1. A Senator may request that his or her name be added as a sponsor of a bill or resolution that is introduced in the Senate if the Senator has submitted to the Secretary of the Senate a statement approving the request signed by the Senator who introduced the bill or resolution, including, without limitation, submission by electronic means. A Senator may make a request to have his or her name added as a sponsor of:

(a) A resolution of the Senate, at any time after the resolution is introduced in the Senate and before the resolution is passed by the Senate.

(b) A bill or a joint or concurrent resolution:

(1) At any time after the bill or resolution is introduced in the Senate and before the bill or resolution is passed out of the Senate to the Assembly; and

2. *A Senator who is a sponsor of a bill or resolution that is introduced in the Senate may request that his or her name be removed as a sponsor of the bill or resolution. A Senator may make a request to have his or her name removed as a sponsor of:*

(a) *a resolution of the Senate, at any time after the resolution is introduced in the Senate and before the resolution is passed by the Senate.*

(b) *A bill or a joint or concurrent resolution:*

(2) *At any time after the bill or resolution is returned to the Senate following passage by the Assembly and before the bill or resolution is enrolled.*

↳ *In such case, if the Senator is the only sponsor of the bill or resolution, another Senator may request that his or her name be added to the bill or resolution as a sponsor without receiving the approval from the original sponsor.*

3. *If a Senator makes a request to have his or her name added or removed as a sponsor of a bill or resolution that was introduced in the Senate, the request must be entered in the Journal.*

4. *If a Senator who is the only sponsor of a bill or resolution that was introduced in the Senate removes his or her name from the bill or resolution while the bill is in the Senate and no other Senator adds his or her name as the sponsor of the bill or resolution at the time of the request for removal, no further action on the bill or resolution is allowed for that legislative session.*

5. *Notwithstanding any provision of the Standing Rules of the Senate or the Joint Rules of the Senate and Assembly, if all Senators who are primary sponsors or cosponsors of a bill or resolution remove their names as sponsors of the bill or resolution while the bill or resolution is in the Senate and no other Senator adds his or her name as a sponsor of the bill or resolution, the names of the primary joint sponsor or sponsors and the non-primary joint sponsor or sponsors, if any, must be removed from the bill or resolution without an amendment.*

shall be referred to any committee, or otherwise acted upon, save as provided by rule, custom and law; that is to say, that immediately following such reading the only questions (except as hereinafter stated) which shall be put by the Chair is, "Shall the bill pass, notwithstanding the objections of the Governor?" It shall not be in order, at any time, to vote upon such vetoed bill without the same having first been read; the merits of the bill itself may be debated and the only motions entertained after the Chair has stated the question are a motion for "The previous question," or a motion for "No further consideration" of the vetoed bill.

Rule No. 117. Different Subject Not Admitted as Amendment.

No subject different from that under consideration shall be admitted as an amendment; and no bill or resolution shall be amended by incorporating any irrelevant subject matter or by association or annexing any other bill or resolution pending in the Senate, but a substitute may be offered at any time so long as the original is open to amendment.

D. CONTESTS OF ELECTIONS

Rule No. 130. Procedure.

1. *The Senate shall not dismiss a statement of contest for want of form if any ground of contest is alleged with sufficient certainty to inform the defendant of the charges he or she is required to meet. The following grounds are sufficient, but are not exclusive:*

(a) *That the election board or any member thereof was guilty of malfeasance.*

(b) *That a person who has been declared elected to an office was not at the time of election eligible to that office.*

(c) *That illegal votes were cast and counted for the defendant, which, if taken from the defendant, will reduce the number of legal votes below the number necessary to elect him or her.*

(d) *That the election board, in conducting the election or in canvassing the returns, made errors sufficient to change the result of the election as to any person who has been declared elected.*

(e) *That the defendant has given, or offered to give, to any person a bribe for the purpose of procuring his or her election.*

(f) *That there was a possible malfunction of any voting or counting device.*

2. *The contest must be submitted so far as may be possible upon depositions or by written or oral arguments as the Senate may order. Any party to a contest may take the deposition of any witness at any time after the statement of contest is filed with the Secretary of State and before the contest is finally decided. After consideration of all the evidence, the Senate shall declare the defendant elected unless the Senate finds from the evidence that a person other than the defendant received the greatest*

number of legal votes, in which case the Senate shall declare that person elected.

E. REMOTE-TECHNOLOGY SYSTEMS

Rule No. 131. Reserved.

Rule No. 132. Reserved.

Rule No. 133. Reserved.

Rule No. 134. Reserved.

Rule No. 135. Reserved.

Rule No. 136. Authorized Use of Remote-Technology Systems in Exceptional Circumstances.

1. As used in this Rule, “remote-technology system” means any system or other means of communication that is:

(a) Approved by the Majority Leader and uses any electronic, digital or other similar technology to enable a member of the Senate from a remote location to attend, participate, vote and take any other action in any proceedings of the Senate or the Committee of the Whole even though the member is not physically present within the Senate Chambers or at a meeting of the Committee of the Whole.

(b) Approved by the chair of a committee, other than the Committee of the Whole, and uses any electronic, digital or other similar technology to enable a member of the Senate from a remote location to attend, participate, vote and take any other action in any proceedings of the committee even though the member is not physically present at a meeting of the committee.

2. Upon request by a member of the Senate:

(a) Except as otherwise provided in this paragraph, the Majority Leader may authorize the member to use a remote-technology system to attend, participate, vote and take any other action in any proceedings of the Senate or the Committee of the Whole if the Majority Leader determines that exceptional circumstances warrant such use by the member. If the Majority Leader grants such authorization:

(1) It must be entered in the Journal of the Senate.

(2) A member who uses a remote-technology system to attend or participate in a proceeding of the Senate may not vote on

any matter on which a vote is taken in that proceeding unless the member is using the remote-technology system to attend or participate in the proceeding from a location in this State.

(b) The chair of a committee, other than the Committee of the Whole, with the approval of the Majority Leader, may authorize the member to use a remote-technology system to attend, participate, vote and take any other action in any proceedings of the committee if the chair and the Majority Leader determine that exceptional circumstances warrant such use by the member. If the chair grants such authorization, it must be entered in the records of the committee.

3. Except as otherwise provided in subparagraph (2) of paragraph (a) of subsection 2, if a member of the Senate uses a remote-technology system to attend, participate, vote and take any other action in any proceedings pursuant to this Rule, the member shall be deemed to be present and in attendance at the proceedings for all purposes.

4. For the purposes of voting in proceedings of:

(a) The Committee of the Whole, the Secretary of the Senate, or an authorized assistant, shall call the roll of each member who is authorized to use a remote-technology system for the proceedings and, in accordance with the procedures of the Senate, cause the member's vote to be entered into the record for the purposes of the records of the Committee of the Whole.

(b) A committee, other than the Committee of the Whole, the committee secretary shall call the roll of each member who is authorized to use a remote-technology system for the proceedings and, in accordance with the procedures of the committee, cause the member's vote to be entered into the record for the purposes of the records of the committee.

5. Except as otherwise provided in subsection 7 of Senate Standing Rule No. 53, this Rule supersedes, takes precedence and controls over any other rule, provision or principle of law to the extent of any conflict with this Rule.

6. The Senate hereby finds and declares that:

(a) The Nevada Constitution invests each House of the Legislature with certain plenary and exclusive constitutional powers which may be exercised only by that House and which cannot be usurped, infringed or impaired by the other House or by any other branch of Nevada's State Government. (Heller v. Legislature, 120 Nev. 456 (2004); Commission on Ethics v. Hardy, 125 Nev. 285 (2009); Mason's Manual of Legislative Procedure §§ 2-3 & 560-564 (2010) (Mason's Manual))

(b) *Section 6 of Article 4 of the Nevada Constitution invests each House with plenary and exclusive constitutional powers to determine the rules of its proceedings and to govern, control and regulate its membership and its internal organization, affairs and management, expressly providing that: “Each House shall judge of the qualifications, elections and returns of its own members, choose its own officers (except the President of the Senate), determine the rules of its proceedings and may punish its members for disorderly conduct, and with the concurrence of two thirds of all the members elected, expel a member.”*

(c) *In addition to its plenary and exclusive constitutional powers, each House possesses certain inherent powers of institutional self-protection and self-preservation to govern, control and regulate its membership and its internal organization, affairs and management. (In re Chapman, 166 U.S. 661, 668 (1897); Mason’s Manual § 2; Luther S. Cushing, Elements of the Law & Practice of Legislative Assemblies § 533 (1856) (Cushing’s Legislative Assemblies))*

(d) *The inherent powers of each House are considered “so essential to the authority of a legislative assembly, that it cannot well exist without them; and they are consequently entitled to be regarded as belonging to every such assembly as a necessary incident.” (Cushing’s Legislative Assemblies § 533)*

(e) *The inherent powers of each House authorize it to take all necessary and proper institutional actions that are “recognized by the common parliamentary law.” (Cushing’s Legislative Assemblies § 684)*

(f) *Thus, it is well established that each House is “vested with all the powers and privileges which are necessary and incidental to a free and unobstructed exercise of its appropriate functions. These powers and privileges are derived not from the Constitution; on the contrary, they arise from the very creation of a legislative body, and are founded upon the principle of self-preservation.” (Ex parte McCarthy, 29 Cal. 395, 403 (1866))*

(g) *Under the Nevada Constitution, there are no constitutional provisions establishing a particular method for determining whether a member of either House is present at legislative proceedings.*

(h) *The United States Supreme Court has held that when there are no constitutional provisions establishing a particular method for determining whether a member of a legislative house is present at legislative proceedings, “it is therefore within the competency of the house to prescribe any method which shall be reasonably*

certain to ascertain the fact.” (United States v. Ballin, 144 U.S. 1, 6 (1892))

(i) The United States Supreme Court has also held that when a legislative house adopts a rule establishing a reasonable method for determining whether a member is present at legislative proceedings, that rule must be given great deference by the courts because:

Neither do the advantages or disadvantages, the wisdom or folly, of such a rule present any matters for judicial consideration. With the courts the question is only one of power. The constitution empowers each house to determine its rules of proceedings. It may not by its rules ignore constitutional restraints or violate fundamental rights, and there should be a reasonable relation between the mode or method of proceeding established by the rule and the result which is sought to be attained. But within these limitations all matters of method are open to the determination of the house, and it is no impeachment of the rule to say that some other way would be better, more accurate, or even more just. It is no objection to the validity of a rule that a different one has been prescribed and in force for a length of time. The power to make rules is not one which once exercised is exhausted. It is a continuous power, always subject to be exercised by the house, and, within the limitations suggested, absolute and beyond the challenge of any other body or tribunal.

(United States v. Ballin, 144 U.S. 1, 5 (1892))

7. The Senate hereby exercises its constitutional and inherent powers and privileges and adopts this Rule to:

(a) Govern, control and regulate its membership and its internal organization, affairs and management;

(b) Ensure its institutional self-protection and self-preservation; and

(c) Establish a reasonable method for determining whether a member of the Senate is present at legislative proceedings during exceptional circumstances.

The next rule is 140.
