Comment: Section 1 of this bill removes the requirement that, to qualify for employment as a substitute teacher, a student teacher must have completed at least 4 weeks of student teaching in a school district. This should have a neutral affect. Substitute teaching compensation would be required regardless of the person that fulfills the duties. If the student teacher is freed up from their classroom to serve as a long-term sub in another classroom, this would benefit the student teacher, the students and the school district.				
Impact	FY 2022-23	FY 2023-24	FY 2024-25	Future Biennia
