Local Government Responses
S.B. 411 / BDR 5 - 248

<p>City/County: Carson City Approved by: Sheri Russell-Benabou, Chief Financial officer Comment: If passed this bill could be extremely expensive as we do not require our Juvenile Detention Facility to employ mental health professionals, but we do have counselors on staff. The City would have to employ outside experts, depending on how many of the detained children need these services, this could be very costly.</p>

<p>City/County: Clark County Approved by: Damon Harris, Deputy Director of Finance Comment: District Court indicates they can absorb the impact within their current applicable program in Juvenile Court; no material impact to Juvenile Justice (County).</p>

Cannot Be Determined	\$0	\$0	\$0	\$0

<p>City/County: Humboldt County Approved by: Pauline Salla, Director of Juvenile Services Comment: This language, as written, can potentially create additional costs for the juvenile justice agency. Section 1 mandates a program be available for specific youth on the autism spectrum. Humboldt County does not have a program locally that could provide these services, so a placement out of our jurisdiction may be the most appropriate response. If the family does not have insurance covering such programming, Juvenile Services would be responsible for the cost of the services.</p>
