AB149 / BDR 34-76 is an act relating to education; creating the Office of the Inspector General of Education and the position of Inspector General of Education; setting forth the powers and duties of the Inspector General and employees of the Office; requiring certain persons and governmental entities to cooperate with and provide assistance to the Inspector General in carrying out those duties; prohibiting retaliation against certain persons who make a lawful complaint concerning fraud, waste, abuse or corruption within a person or governmental entity that receives public money related to education; prohibiting certain acts to deter or prevent the Inspector General or an employee of the Office from performing his or her duty; imposing increased penalties for certain acts of assault or battery on the Inspector General or an employee of the Office; providing penalties; and providing other matters properly relating thereto.

Section 10 of this bill creates the Office of the Inspector General of Education, consisting of the Inspector General of Education and any person employed by the Office. Section 26 of this bill makes it a category E felony for a person to use any threat, force or violence to prevent the Inspector General or any employee of the Office from performing his or her duties.

If this bill as introduced is enacted, it would require the Department of Public Safety, Records Communications and Compliance Division (RCCD), Nevada Offense Code Unit (NOC) staff to create 3 new NOCs and 3 new subtypes. However, the cumulative impact of the legislation from the 2023 session will increase the volume of NOC revisions. The RCCD may request to return to the Interim Finance Committee in the 2023-2025 biennium should workload increases necessitate additional staffing.
