Local Government Responses
A.B. 257 / BDR 16 - 839

<p>City/County: Carson City Approved by: Sheri Russell-Benabou, Chief Financial officer Comment: As written this bill could allow a hospital or treating physician to bill the county whenever there is an examination of a person claiming a battery by strangulation injury. Carson City receives many cases where persons report strangulation; however, the number of unreported cases is likely far higher, so this could be very costly for Carson City.</p>

<p>City/County: Clark County Approved by: Damon Harris, Deputy Director of Finance Comment: Based on Section 2-1-(g), it's anticipated that the County would be reimbursed by the State for any medical costs associated with the applicable exams, thus net \$0 fiscal impact to CC.</p>

<p>City/County: Douglas County Approved by: Terri Willoughby, Chief Financial Officer Comment: This bill would create additional expenses for Douglas County for services & supplies (such as X-Rays) to comply.</p>

<p>City/County: Lyon County Approved by: Josh Foli, Comptroller Comment: Unfortunately, there are too many unknowns to be able to provide a fiscal impact.</p> <p>We don't have any way to estimate numbers of strangulations that aren't reported currently or are being covered by private insurance. We also don't know if there is sufficient funding in the Victims of Crime account to cover the costs of the number of cases.</p>
