(PLEASE REPORT ERRORS TO THE HISTORY CLERK)

THIS VOLUME SHOULD BE RETAINED FOR REFERENCE
IN CONJUNCTION WITH THE DAILY HISTORIES

HOW TO USE THE DAILY HISTORY AND THE HISTORY VOLUMES

On each day the Assembly is in session (convening) or on days when legislative action has occurred on a bill or resolution but the house is not in session, a cumulative daily history is issued for Assembly bills and resolutions and is available on the Nevada Legislature's website.

At any time during the session, the location of a bill or resolution and the latest information on the current step of enactment may be obtained by accessing the Nevada Legislature's website at www.leg.state.nv.us, the Nevada Electronic Legislative Information System at [NELIS](#), or reading the *latest* history volume *in conjunction* with the *latest* daily history issued after the volume.

The history volumes contain the names of the officers of the houses, the orders of business, the names and addresses of members, attaché names and position titles, names and members of standing committees, the 120-Day Calendar deadlines, and the daily files. Additional information may be obtained from the Nevada Assembly's website at [Nevada Assembly](#) and the offices of the Legal and Research Divisions of the Legislative Counsel Bureau.

The daily histories are cumulative. All printed histories, *except the latest daily histories*, should be destroyed. When the printed daily histories approach approximately 32 pages in length, a history volume is issued, which occurs approximately every two weeks. Volumes are cumulative and contain all the legislative action on bills and resolutions up to and including the date printed on the volume, which is numbered consecutively with Roman numerals.
