Notes: The population database is derived from the 2020 Census Public Law 94-171 Redistricting Data as provided by the U.S. Bureau of the Census and validated by the Legislative Counsel Bureau. Racial population data is based on self-identification. Respondents have the option of selecting one or more races. The 2020 total population numbers for each district reflect the reallocation of inmates to their last known residential address prior to incarceration, rather than the address of the facility in which they were incarcerated on Census Day 2020, as required for redistricting pursuant to Assembly Bill 450 of the 2019 Legislative Session.
