INTRODUCTION AND FIRST READING

Senate Bill No. 2.

On motion of Mr. David, rules were suspended, reading so far had considered first reading, rules further suspended, bill read second time by title, and referred to Committee on Judiciary.

The hour having arrived for the special order, Mr. Speaker announced that the Assembly at this time would consider the vetoed bill of the Thirty-first Session (1923).

Governor's message transmitting vetoed bill was read by the Chief Clerk.

Assembly Bill 124 of the Thirty-first Session was read in full, with the veto message which was as follows:

March 19, 1923.

To the Secretary of State, Carson City, Nevada.

DEAR SIR: I herewith transmit without my approval Assembly Bill No. 124 entitled "An Act to insure the better education of practitioners of dental surgery and to regulate the practice of dentistry in the State of Nevada; providing penalties for the violation thereof."

This bill denies even the privilege of examination by the State Board of Dental Examiners to applicants to practice dentistry who are not graduates of a dental college. I regard this principle as wrong and un-American. No law should prescribe the manner in which a man secures his education.

I am of the opinion that the profession of dental surgery is amply protected in having a qualified Board of Examiners pass upon the qualification of the applicants.

Respectfully submitted,

J. G. SCRUGHAM, *Governor.*

The question was put: "Shall the bill pass, notwithstanding the objections of the Governor?"

Veto sustained by the following vote:

YEAS—None.

PRESENTATION OF PETITIONS

RENO, January 21, 1925.

To the Members of the Senate and Assembly of the State of Nevada.

We, the members of Union No. 971, United Brotherhood of Carpenters and Joiners of Reno, Washoe County, State of Nevada, do hereby make appeal to the members of the assembled Senate and Assembly of the State of Nevada, that you and each of you shall favorably enact the bill for the purpose of appropriating funds for the exposition to be held at Reno, Nevada, in the year 1926.

Representing, as we do, one branch of the great mass of producers and laborers, an essential integral part of the citizenry of this great Commonwealth of Nevada, and therefore of the American Commonwealth, we present this appeal that in the future Nevada may take her place in the Commonwealth of States, commercially, financially, and as a home for the brain and brawn of our Nation, who seek to better their condition. We have the land; we have the buried wealth; we have cities which offer opportunities for industry and for business second to none; we have the climate; we have the sturdy men and women who shall assist the newcomer.

We now have the opportunity to place our wares before the world, that the world may know our advantages. Every dollar spent by this State for the purpose of making this exposition a success will bring into our borders a hundredfold, and will further bring a permanent and healthful gain in our population, the result being prosperity and a new life.

Therefore it is our wish that this State be up and doing. Appropriate this money; when inviting our neighboring States to take part, stop not at two or three, but invite every State of the Nation to assist us in our celebration of the completion of the great highways which connect the Atlantic with the Pacific seaboards. Let this be a time of rejoicing for the wealthy and older States of the East as well as the newer States of the West. Through the channels of this exposition let the money from these wealthier and older over-populated sister States come within our coffers, and let the overflow from these State become permanent citizens of our own Nevada.

With the additional wealth, industries, and people, which this exposition will bring to Nevada, then will our great problems of long- and short-haul, high taxes, etc., readjust themselves, and Nevada, the Battleborn State, will, because of your appropriation, take its place, filled with contented and prosperous men and women.

Trusting that you will be up and doing and assist to give Nevada her chance now that opportunity knocks at the doors.

UNITED BROTHERHOOD OF CARPENTERS AND JOINERS OF AMERICA,

CHAS. H. VARNEY,
GEO. TOWNSEND,
A. B. MCKINLEY,
F. W. MACNAIR.

On motion of Mr. Klaus, duly seconded and carried, the petition was placed on file.

MESSAGES FROM THE SENATE

To the Honorable the Assembly:

I have the honor herewith to present for the consideration of your honorable

body Senate Bill No. 12, which passed the Senate by the following vote: Yeas, 17; nays, none.

Also, Senate Bill No. 5, which passed the Senate by the following vote: Yeas, 10; nays, 7.

Also, to return to your honorable body Assembly Joint Resolution No. 2, which passed the Senate by the following vote: Yeas, 16; nays, none; absent, 1.

Also, Assembly Bill No. 5 which passed the Senate, as amended, by the following vote: Yeas, 15; nays, 2. Amendments to Assembly Bill No. 5 proposed by Senate Judiciary Committee: Amend title to read as follows: An Act to amend an Act entitled "An Act creating the office of Inspector of Mines; fixing his duties and powers; providing for the appointment of a deputy and fixing the compensation of both; requiring certain reports and notices of accidents to be made to said Inspector, and defining the duties of the Attorney-General and District Attorneys in relation to suits instituted by the Inspector of Mines," approved March 24, 1909, and all Acts amendatory thereof or supplementary thereto.

Section 1—Amend Assembly amendment on page 2, line 5, by striking out the words at the end of said amendment "a copy of such written notice," and inserting said amendment as amended on page 2, line 3, after the word "served," so that the bill as finally amended will read "shall at once serve or cause to be served, and post or cause to be posted a written notice"; line 12, page 2, amend by inserting after the word "served" and preceding the comma, the words "and posted"; lines 14 and 15, page 2, after word "misdemeanor," amend by striking out balance of line 14 and "inafter described" in line 15, and insert "punishable by fine or imprisonment, or both, as prescribed."

Section 2—Page 2, line 27, amend by striking out word "his," and inserting word "such."

Section 3—Page 3, line 12, amend by striking out words "liable to" and inserting the words "punishable by"; page 3, line 13, amend by striking out words and figures "one hundred (\$100)" and inserting "fifty (\$50)"; page 3, line 15, amend by striking out words and figures "thirty (30)" and inserting "ten (10)"; page 3, line 17, amend by striking out "for each" and inserting "each."

The committee further recommends that two bills be drafted by interested parties, one providing for the appointment or election of a State Mine Inspector, and prescribing his duties, another prescribing rules and regulations for the operation of mines. The present Act is considered unconstitutional, first, because its title does not include any reference to rules and regulations for the operation of mines and prescribing penalties for the violation thereof, and secondly, because if the title did make such reference it would be bad because it included more than one subject matter.

MESSAGES FROM THE GOVERNOR

To the Honorable the Assembly:

I am advised that there are pending before your honorable body two proposed amendments (A. B. 12 and A. B. 56) to the Act providing for a license tax upon corporations, being chapter 190, Statutes of 1923.

In this connection I beg to report that the Act appears to be lacking in further respects beyond those contemplated in the pending bills and I suggest that you consider the advisability of further amending the Act of 1923.

Section 4 of the Act of 1923 requires the Governor to publish a list of delinquent corporations in two daily papers for ten days. Section 6 requires the Secretary of State to pay all moneys received by him under the Act to the State Treasurer who shall place the same in the General Fund.

There is no provision setting aside any moneys received for the purpose of paying the costs of advertising, although there is provision for collecting costs from corporations desiring to be reinstated.

I would suggest that by an amendment to section 6 you add provisions for the payment of the costs of advertising out of the moneys collected by the Secretary of State. These costs are obviously a proper charge against the gross proceeds of the administration of the Act.

Respectfully submitted,

J. G. SCRUGHAM, *Governor.*

To the Honorable the Assembly:

I have the honor herewith to return to your honorable body Assembly Concurrent Resolution No. 2 which was this day under the suspension of all rules declared an emergency measure, and adopted by the Senate by the following vote: Yeas, 17; nays, none.

Also, Assembly Bill No. 24, which this day passed, as amended: Yeas, 17; nays, none. Amend Assembly Bill No. 24 as follows: Section 1—Amend paragraph (a) to read as follows: (a) The owner of every automobile, motorcycle, or other similar motor vehicle shall, within ten days after acquiring possession of same, and thereafter annually on or before the first Monday in February of each year, file with the County Assessor of the county in which the owner resides, an application for a State license to permit the operation of said vehicle by said owner. Application blanks, in triplicate, shall be prepared by the Secretary of State and furnished exclusively to County Assessors, on which the owner shall give such information and data relative to such motor vehicle as may be required by the Secretary of State.

Amend paragraph (b) to read as follows: (b) County Assessors are hereby required to receive such applications after blanks have been properly filled by the owner, then show on the blank the assessed valuation of the motor vehicle, basing same on the schedule of values contained in the Automobile Blue Book, and the cost of the license based on the provisions of paragraph (d) hereof. The owner shall then be required to pay to the County Assessor the personal property tax on said vehicle and the license tax; *provided*, that if the applicant is the owner of real estate and improvements in the county in which application is made, payment of personal property tax may be deferred if the vehicle so owned is placed forthwith on the real property roll; *and, provided further*, that the Assessor may make a fair and equitable adjustment of assessed value in cases where the applicant has previously secured a license for another vehicle during the same year and has sold said other vehicle. The County Assessor shall then issue a personal property tax receipt to the applicant, to be carried in the vehicle of applicant until license tags are received and displayed, and shall promptly forward to the Secretary of State the amount of the license fee together with original and duplicate application, keeping triplicate application in his files. Upon receipt of license fee and application blanks in proper

form and amount, the Secretary of State shall promptly mail to applicant license plates and certificate of registration.

Amend paragraph (d) to read as follows: (d) The annual filing fee shall be as follows: For every passenger car, thirty cents per one hundred pounds, or major portion thereof of its advertised factory weight plus one hundred twenty-five pounds for each passenger which said vehicle is advertised to accommodate. For every truck, trailer or semitrailer, thirty cents per one hundred pounds, or major portion thereof, of actual weight, plus body allowance weight and the rated load capacity. For every motorcycle the sum of five dollars; *provided*, that all owners of motor vehicles acquired after the first day of July of any year or not operated prior to said date, shall, if they furnish a satisfactory affidavit, be required to pay on such vehicle for such year one-half the annual license fee otherwise required.

Amend paragraph (f) to read as follows: (f) It is hereby made the duty of the County Assessors and Sheriffs of each county, and all other peace officers, to require the owner of each motor vehicle in the State to secure a license as provided in this Act.

(3) Amend section 1 to read: SECTION 1. For the purposes of this Act the State Board of Examiners is hereby authorized, directed and empowered to prepare and issue bonds of the State of Nevada in a sum not to exceed two hundred fifty thousand dollars. Said bonds shall be issued in denominations of five thousand dollars each, payable in lawful money of the United States, shall be numbered consecutively, and shall bear interest, payable semiannually, at the rate of five per cent per annum. The bonds shall mature and become payable within ten years from the date of issuance, but the right shall be reserved to redeem any of said bonds prior to maturity date whenever funds in a sufficient amount are made available. Said bonds shall be signed by the Governor of the State of Nevada, endorsed by the State Treasurer, countersigned by the State Controller, and authenticated by the great seal of the State. The bonds shall be sold by the State Board of Examiners at not less than par, and the proceeds of such sale shall be deposited with the State Treasurer to be placed in a fund, hereby created, to be known as the "Nevada Building Fund."

(4) Amend section 2 to read: SEC. 2. There shall be levied and collected in each fiscal year commencing January 1, 1925, and until said bonds have been retired, an ad valorem tax of one and one-half cents on each one hundred dollars of taxable property in the State of Nevada, including net proceeds of mines. All money derived therefrom shall be placed in a fund, hereby created, to be known as the "Nevada Building Bond Interest and Redemption Fund," which shall be used solely for the redemption of the bonds authorized by this Act and the payment of interest thereon. The faith of the State of Nevada is

hereby pledged that this section shall not be repealed, and the taxation thereby imposed shall not be omitted, until all of said bonds, together with interest thereon, shall have been paid in full.

(5) Amend section 3 to read: SEC. 3. A commission is hereby created, consisting of James G. Scrugham, Maurice J. Sullivan, and Andy J. Stinson, hereinafter designated collectively as the "Nevada Building Commission," and individually as "Nevada Building Commissioners." It shall be the duty of said Commission to acquire a building site upon a state highway and within the city of Reno, to construct thereon a building suitable for the purposes hereinafter mentioned, to properly equip said building, and to collect and allocate exhibits therein. Before any expenses are incurred under the provisions of this Act, a building site which in the opinion of the Nevada Building Commission appears to be suitable must be donated and conveyed to the State of Nevada, free and clear of encumbrance. After such site has been acquired without expense by the State of Nevada, it shall then be the duty of the Nevada Building Commission to prepare plans and specifications, advertise for bids, and let contracts, upon the best terms obtainable, for the construction and equipment of a building upon said site, the primary object being to provide suitable quarters for a continuous exhibit of state and county resources, and relics collected by the Nevada State Historical Society. As soon as contracts have been let for the construction and equipment of said building, it shall be the further duty of the Nevada Building Commission to make all necessary and proper arrangements for the collection and installation in said building of exhibits illustrative of the resources, industries, and history of the State of Nevada and all the counties thereof. The building, its equipment, and the collection and installation of exhibits shall be completed prior to the opening date of the "Nevada Transcontinental Highways Exposition." At all times after the completion of said building there shall be maintained therein a highway routing bureau, and whenever space is available therein, it may be used by state employees for whom the State would otherwise be compelled to pay office rent elsewhere. The maintenance costs of the building, after its completion, shall be charged against appropriations for the Nevada State Historical Society and such other departments as are permitted to use portions of the building. The construction and equipment of said building is hereby declared to be a public work, and the said Nevada Building Commissioners are hereby declared to be officers of the State of Nevada. The State of Nevada shall not under any circumstances, nor in any manner, be held liable for any bonds, debts, liens, contracts, or expenditures, except such as are specifically authorized by the provisions of this Act.

(6) Amend section 4 to read: SEC. 4. The Nevada Building Commissioners shall receive actual and necessary traveling expenses incurred in the performance of their duties under this Act, but otherwise they shall receive no remuneration or compensation for their services hereunder.

(7) Amend section 5 to read: SEC. 5. There is hereby appropriated out of the Nevada Building Fund a sum not to exceed two hundred fifty thousand dollars, to carry out the provisions of this Act. Not less than seventy per cent of the total amount appropriated shall be expended for the actual construction of the building. All claims against the Nevada Building Fund shall be audited, certified and approved by the Nevada Building Commission, and submitted to the State Board of Examiners. No claim shall be approved by the State Board of Examiners unless a sufficient amount is available in the Nevada Building Fund to pay the same in full. If the claim is approved by the State Board of Examiners, the State Controller shall draw his warrant therefor, and the State Treasurer shall pay the same. The Nevada Building Commission shall file with the Secretary of State, for the use of the next Legislature on or before the third Monday in January, 1927, or sooner if required by the State Board of Examiners, a detailed account and report of their expenditures under this Act.

PRESENTATION OF PETITIONS

To the Honorable Assembly, Carson City, Nevada.

GENTLEMEN: I was very much surprised this afternoon when I found upon my desk Assembly Bill No. 136, to authorize the creating of a commission to revise the laws of Nevada.

It is with reluctance that I offer any suggestions to the legislative branch of our government, but since this bill contemplates that the Chief Justice of the Supreme Court, which I happen to be, shall be a member of that commission, I feel that I am justified in offering at least one suggestion, viz: that the commission be authorized to advertise for bids, with authority to reject any and all bids, and to make such regulations as it may deem wise, to prevent collusion in the making of bids.

I trust you will have this printed in the minutes of your proceedings.

Respectfully,

BENJ. W. COLEMAN,

Chief Justice of the Supreme Court of Nevada.

Mr. Speaker ordered that Committee on Ways and Means take into consideration the contents of the letter from the Chief Justice of the Supreme Court of the State of Nevada, and that the letter be filed.

REPORTS OF COMMITTEES

Mr. Speaker:

Your Committee on State Prison and Insane Asylum has had Senate Bill No. 146 under consideration, and begs leave to report favorably on the same, with the recommendation that it do pass.

HARRY SWANSON, *Chairman*.

Mr. Speaker:

Your Committee on State Institutions begs leave to make the following report:

We find the capitol building to be well kept. The roof needs some repairs, however, and we recommend that such be promptly attended to. It is particularly advisable that stationary iron ladders be built on the outside of the building so that the city firemen could reach the roof speedily if such should be necessary. This precaution might save a severe fire loss. We further suggest that concrete or asphalt walks should be built through the grounds to the entrances of the building. This would add much to the appearance of the park and be an agreeable convenience during stormy weather.

The Capitol Commissioners are to be commended for the recent and much needed improvements in the legislative chambers. These rooms are now both comfortable and sightly. To accommodate visitors, however, and to further

improve the appearance of the rooms, we advise that fifty new chairs, matching the furniture in place, be installed in the chambers. This will require an expenditure of about seven hundred and fifty dollars, which we recommend.

With regard to the Heroes Memorial Building: This building is now in use by the Highway Department, the State Engineer, and patriotic organizations. The basement is used by the Highway Department for workrooms. As such use was not contemplated when the building was designed, the basement is not provided with adequate exits. Great care should be taken, therefore, against fire in this building. No waste should be allowed to accumulate, and, if it is possible, the Highway Department and the Capitol Commissioners should arrange to put in sufficient means of exit from the basement.

Upon our visit to the University we found courteous treatment and the buildings and equipment in every instance seemed to be in the best condition and well suited for the needs of the institution. The recent improvement of the campus grounds adds much to the attractiveness of the hill and enhances the beauty and design of the campus.

Upon our visit to the Orphans' Home we found that the buildings, grounds, and property of the home showed every indication of being maintained and well cared for. The quarters of the children are well adapted to their health and comfort; the kitchen and dining-room were neat, clean, and apparently in an excellent sanitary condition and conducive to the good health of the children. We cannot say too much for the management and care of this property, and the children there, under the management of the present superintendent and the efficient board having supervision thereof.

Very respectfully submitted,

DAISY ALLEN, *Chairman*.

MESSAGES FROM THE SENATE

To the Honorable the Assembly:

I have the honor herewith to return to your honorable body Assembly Bill No. 137, which passed the Senate, as amended, by the following vote: Yeas, 17; nays, none. Amend the title of the Act to read as follows: "An Act requiring all corporations to file annually with the Secretary of State a list of their officers and directors and a designation of resident agent, providing a fee therefor, and providing a penalty for the violation of the provisions of this Act, and providing for the reinstatement of corporations whose charters have been forfeited under existing or preexisting laws"; strike out all of sections 1, 2, and 3 of said Act and substitute therefor the following:

"SECTION 1. Every corporation organized under the laws of this State, and every foreign corporation doing business in this State shall, on or before the first day of July of each year, file with the Secretary of State a list of the officers and directors and a designation of its resident agent in this State. Said list of officers and designation of resident agent to be certified by the president, secretary or other officer of the corporation. Upon filing such list of officers and designation of resident agent every such corporation shall pay to the Secretary of State a fee of five (\$5) dollars.

"SEC. 2. When this annual fee for filing list of officers and directors, and designation of resident agent has been paid, the Secretary of State shall issue to each corporation paying the same a certificate authorizing it to transact and conduct its business within this State for a period of one year, and until the first day of July of the next succeeding calendar year. Such certificate shall contain the name of the corporation, the amount of the fee paid and penalties, if any, and shall recite the fact that such corporation has filed its list of officers and directors and its designation of resident agent.

"SEC. 3. Every corporation hereafter organized under the laws of this State, and every foreign corporation hereafter coming into this State, shall, within sixty days after the filing of its articles of incorporation, with the Secretary of State, file a list of its officers and directors and a designation of its resident agent and pay to the Secretary of State a fee therefor of five (\$5) dollars, and shall make like filing and pay the fee set forth in section 1 of this Act, annually thereafter.

"SEC. 4. Any corporation required to pay the fee herein provided, which shall refuse or neglect to pay the same within the time herein provided, shall be deemed in default and for such default there shall be added to the amount

of the fee, a penalty of \$2.50, and unless such fee and penalty shall be paid on or before the first Monday in August following, the defaulting corporation shall by reason of such default, forfeit to the State of Nevada the amount of the tax and penalty aforesaid, and shall likewise forfeit its right to transact any business within this State, and the fee and penalty shall be collected as herein-after provided.

"SEC. 5. The Secretary of State, on or before the 15th day of October, of each year, shall file with the Governor of this State a complete list of all defaulting corporations, together with the amount of the filing fee, penalties and costs remaining unpaid. The Governor, for at least ten days prior to the first Monday in November following, shall publish such list in the newspaper designated to do the official advertising required by the State of Nevada, and shall append to such list, and publish therewith, his proclamation to the effect that unless the filing fee owing by such corporation, together with the penalties and all costs, shall be paid to the Secretary of State on or before noon of the said first Monday in March following, such defaulting corporation shall forfeit the amount of the tax and penalty and cost to the State of Nevada, and shall also forfeit its right to carry on business within said State, and, further, that the charters of all defaulting domestic corporations will be revoked unless payment is made as aforesaid. Said publication shall be and constitute a part of the official advertising for the State of Nevada and said paper shall not receive any compensation therefor. Immediately after the first Monday in March the Governor shall file with the Secretary of State a full and complete list containing the names of all corporations whose right to do business has been annulled and whose charters have been revoked. The Secretary of State shall forthwith notify the several County Clerks in whose offices the articles of incorporation which have been forfeited are on file and shall also, by letter addressed to its president or secretary, notify each corporation of the forfeiture of its charter. In case of a reinstatement, as provided in the next section, the Secretary shall also immediately notify such County Clerks of such fact.

In case of forfeiture of the charter and of the right to transact business thereunder, all the property and assets of the defaulting domestic corporations shall be held in trust by the directors of such corporation as in case of insolvent corporations, and the same proceeding may be had with respect thereto as is applicable to insolvent corporations. Any person interested may institute such proceedings at any time after a forfeiture has been declared as herein provided, but in case the Governor shall reinstate the charter the proceedings shall at once be dismissed and all property restored to the officers of the corporation. In case the assets are distributed they shall be applied as follows:

1. To the payment of the filing fee, penalties, and costs due to the state.
2. To the creditors of the corporation; and
3. Any balance remaining shall be distributed among the stockholders.

In case a foreign corporation shall make default as herein provided, the Secretary of State shall issue his warrant stating the amount of the filing fee, penalty, and costs due to the State, and shall deliver such warrant to any Sheriff of any county of this State, who may seize and sell any property of a foreign corporation as upon execution and apply the proceeds to the payment of the filing fee, penalty and costs, and accruing costs, and any balance remaining after such sale shall by the Sheriff be paid to the Secretary of State, who shall return the same to the corporation whose property was sold; *provided*, that no more than sufficient property to pay the filing fee, penalty and costs shall be seized and sold.

"SEC. 6. The Governor is hereby authorized to reinstate any corporation which shall forfeit its right to transact business under the provisions of this Act, and to restore it to its right to carry on business in this State, and to exercise its corporate privileges and immunities at any time within two years after the date of default of such corporation in the payment of the filing fee hereinabove provided, upon the filing with the Secretary of State of an affidavit stating the reason for the revocation of its charter and upon payment to the Secretary of State of all filing fees, licenses, penalties and costs, and expenses

due or in arrears at the time of the revocation of its charter. In case such payment is made and the Governor reinstates the corporation to its former rights he shall at once notify the Secretary of State in writing, of his action, and the Secretary of State shall, upon receiving such notice, issue and deliver to the corporation so reinstated, a certificate of reinstatement authorizing it to transact business in the same manner as if the filing fee had been paid when due, and the Secretary of State shall, upon demand, issue to the said corporation one or more certified copies of such certificate of reinstatement, a copy of which shall be filed in the office of the County Clerk of the county in which the principal place of business of such corporation is located or in any other county in which it may own, hold, or lease property or transact business: *provided however*, that in no case shall the Governor order a reinstatement unless the Secretary of State shall have presented him with proof that all such delinquent taxes, licenses, penalties and costs have been paid, and that such revocation of charter occurred only by reason of failure to pay such taxes, licenses, penalties and costs.

"Sec. 7. In all cases where any corporation is suspended from doing business, under the provisions of this Act, or shall have heretofore been suspended from doing business under the provisions of any previous Act of the Legislature of Nevada, and the corporate name of such corporation shall have been legally acquired by another corporation prior to the application for reinstatement of such defaulting corporation, such defaulting corporation shall in its application for reinstatement, submit to the Governor some other name, under which it desires its corporate existence to be reinstated. And if such name is sufficiently distinctive and different from all existing corporations, the Secretary of State shall issue to such defaulting corporation, a certificate of reinstatement under such new name.

"Sec. 8. Any corporation whose charter or right to do business has been forfeited under the provisions of an Act entitled: 'An Act relating to revenue and taxation, providing for a license tax upon all corporations, organized under the laws of the State of Nevada, and all foreign corporations doing business in the State of Nevada, and providing a penalty for violation of the provisions of this Act,' approved March 21, 1923, may be restored to its right to carry on business in this State, by complying with the provisions of sections (6) and (7) hereof.

"Sec. 9. That certain Act entitled 'An Act relating to revenue and taxation, providing for a license tax upon all corporations organized under the laws of the State of Nevada, and all foreign corporations doing business in the State of Nevada, and providing a penalty for violation of the provisions of this Act,' approved March 21, 1923, is hereby repealed, but no corporation shall be relieved from any of the taxes, licenses or penalties imposed by previous Acts of the Legislature of Nevada except as provided herein.

"Sec. 10. This Act shall take effect March 31, 1925."
