Amendment No. 111.

AN ACT relating to water; revising provisions relating to a plan of water conservation and plan for incentives relating to water conservation; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires each supplier of water to: (1) adopt a plan of water conservation and update the plan every 5 years; (2) include with the plan of water conservation a water loss audit or certain water loss calculations; and (3) adopt a plan to provide certain incentives relating to water conservation. Existing law defines a "supplier of water" to include any public or private entity that supplies water for municipal, industrial or domestic purposes. (NRS 540.121-540.151) This bill revises the definition of "supplier of water" to exclude a **public or** private entity ~~[with a water right of 3 acre-feet or less per year]~~ that **: (1) has less than 15 service connections; (2) serves year-round residents; and (3)** supplies water for municipal ~~[, industrial]~~ or ~~[domestic]~~ **quasi-municipal** purposes. As a result of the change to the definition of "supplier of water," this bill removes the requirement for such ~~[a private]~~ **an** entity to adopt and update a plan of water conservation, conduct a water loss audit or calculate water losses or adopt a plan to provide certain incentives relating to water conservation.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 69.

AN ACT relating to medical facilities; authorizing a patient in a facility for skilled nursing or his or her representative to request the installation and use of an electronic communication device in the living quarters of the patient; prescribing requirements for the selection and operation of such a device; prohibiting a person from taking certain actions concerning such a device or the images and sounds broadcast by such a device; prohibiting a facility for skilled nursing or an employee of such a facility from taking certain additional actions; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes certain duties of a medical facility, including a facility for skilled nursing, and specific rights of a patient in such a facility. (NRS 449A.100-449A.124) **Sections 3-7** of this bill define certain terms. **Section 9** of this bill authorizes a patient in a facility for skilled nursing or the representative of such a patient to request the installation and use of an electronic communication device in the living quarters of the patient under certain circumstances. Among other requirements, **section 9** requires the patient or representative of the patient to: (1) agree to waive the right to privacy of the patient; and (2) obtain the consent of the roommate of the patient or his or her representative, if applicable. **Section 8** of this bill prescribes the requirements to act as the representative of a patient or roommate for those purposes. **Section 9** requires a facility for skilled nursing to make reasonable efforts to accommodate a patient whose roommate fails to provide such consent. **Section 9** also authorizes a patient, representative or roommate to revoke a request for, or consent to, the installation and use of an electronic communication device.

Section 9 requires a facility for skilled nursing to approve a request for the installation and use of an electronic communication device if the applicable requirements are met. If such approval is granted, **section 10** of this bill provides that the patient or his or her representative is responsible for: (1) choosing the electronic communication device, subject to certain limitations; and (2) the cost of installing, maintaining and removing the electronic communication device.

Section 11 of this bill generally prohibits a person other than the patient or the representative for the patient who has requested the installation and use of an electronic communication device from intentionally: (1) obstructing, tampering with or destroying any such device or recording made by such a device; and (2) viewing or listening to any images or sounds which are displayed, broadcast or recorded by any such device except as otherwise authorized. **Section 11** authorizes an attorney for a patient or certain government officials to view or listen to any images or sounds which are displayed, broadcast or recorded by an electronic communication device or to

temporarily disable or turn off such a device. **Sections 9 and 11** authorize a patient or the representative of a patient to authorize additional persons to view or listen to images or sounds which are displayed, broadcast or recorded by an electronic communication device. **Section 11** prohibits a facility for skilled nursing from denying admission to or discharging a patient from the facility or otherwise discriminating or retaliating against a patient because of a decision to request the installation and use of an electronic communication device. **Section 12** of this bill subjects a person or entity who violates the provisions of **section 11** to certain civil and criminal penalties, and **section 1** of this bill subjects a facility for skilled nursing that violates the provisions of **sections 3-14** of this bill to disciplinary action. **Section 13** of this bill: (1) authorizes a facility for skilled nursing to post a notice in a conspicuous place at the entrance to the living quarters of a patient which contains an electronic communication device stating that such a device is in use in that living quarters; and (2) prohibits an employee at a facility for skilled nursing from refusing to enter the living quarters of a patient or fail to perform any of the duties of the employee on the grounds that an electronic communication device is in use in the living quarters. **Section 14** of this bill: (1) authorizes the State Board of Health to adopt regulations necessary to carry out the provisions of **sections 3-14**; and (2) makes the provisions of **sections 3-14** inapplicable to an electronic communication device that is installed by a law enforcement agency and used solely for a legitimate law enforcement purpose.

4. ***In accordance with the provisions of chapter 333 of NRS, each department, office, bureau, officer or employee of the State shall:***

(a) To the extent practicable, give preference to the purchase of automobiles which minimize:

(1) Emissions from the automobile; and

5. Each department, office, bureau, officer or employee of the State shall maintain records on the type of fuel used by each automobile purchased by the department, office, bureau, officer or employee, which may include, without limitation, electric, gasoline, compressed natural gas, diesel , hydrogen or hybrid fuel sources.

Sec. 2.5. **1. The Legislature hereby finds and declares that:**

(a) The "Nevada Statewide Greenhouse Gas Emissions Inventory and Projections, 1990-2042" indicates that the transportation sector is the top source of greenhouse gas emissions in this State, making up nearly 32 percent of Nevada's emissions in 2020.

(b) The American Lung Association's annual report, "State of the Air." has repeatedly ranked Las Vegas and Reno among the top 25 most polluted cities in terms of air quality, and transportation is a primary contributor to smog-forming pollution and particulate matter linked to lung disease and other serious health conditions.

(c) The State of Nevada spends billions of dollars each year to purchase out-of-state fossil fuels, which makes residents of this State vulnerable to the volatility of oil prices and increases the risk of disruptions in the event of a natural disaster.

(d) Nevada has immense potential to use local clean energy resources to power transportation in this State, furthering its energy independence.

(e) Zero emissions technologies now provide a viable, cost-effective alternative to many vehicles that run on fossil fuels, and prices are continuing to decline as these technologies mature.

(f) For publicly-owned transportation fleets, the transition to electric vehicles can bring considerable cost savings to taxpayers due to lower costs to operate and maintain such vehicles over their lifetimes.

2. It is the policy of this State to pursue and support a transition of all publicly-owned, light-duty vehicles to vehicles which emit zero tailpipe emissions by the year 2040, and to transition all publicly-owned medium- and heavy-duty vehicles to vehicles which emit zero tailpipe emissions by the year 2050.

The following amendment was proposed by the Committee on Natural Resources:

Amendment No. 109.

AN ACT relating to water; providing that certain temporary changes to the place of diversion, manner of use or place of use of **surface** water are not required to be approved by the State Engineer under certain circumstances; authorizing the State Engineer to accept certain nonconforming maps under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires, with certain exceptions: (1) any person who wishes to change the place of diversion, manner of use or place of use of water already appropriated to apply to the State Engineer for a permit to do so; and (2) for a temporary change of the place of diversion, manner of use or place of use of water already appropriated, the State Engineer to approve such an application for a temporary change if the State Engineer determines the temporary change is in the public interest and does not impair the water rights held by other persons. (NRS 533.325, 533.345) **Section 2** of this bill creates an exception from these requirements to allow a person to temporarily change the place of diversion, manner of use or place of use of **surface** water already appropriated if: (1) the temporary change occurs within the boundaries of an irrigation district within a federal reclamation project; (2) the irrigation district approves the temporary change; and (3) the temporary change does not exceed 1 year. **Section 5** of this bill provides that the definition of the term "water already appropriated" applies to **section 2**. **Section 6** of this bill makes a conforming change to provide that the provisions of **section 2** are an exception to the requirement for the State Engineer to approve a temporary change.

Existing law requires certain applications relating to water to be accompanied by a map which must meet certain requirements. (NRS 533.350, 533.355, 533.405, 533.415) **Section 3** of this bill authorizes the State Engineer to accept a map which does not meet such requirements if: (1) the map is filed in connection with an application to appropriate **surface** water or to change the place of diversion, manner of use or place of use of **surface** water that is subject to the control of an irrigation district within a federal reclamation project; and (2) the irrigation district approves the map. **Section 7** of this bill makes a conforming change to provide that the provisions of **section 3** are an exception to the requirement that a map filed in connection with a proof of application of water to beneficial use conform to the rules and regulations of the State Engineer.

Existing law provides that a water right acquired for use in a federal reclamation project is governed by, with certain exceptions, the applicable law of this State in effect on the date on which the United States appropriated water for initiation of the project. (NRS 533.037) **Section 4** of this bill makes a conforming change to provide that a water right acquired for use in a federal reclamation project is subject to the provisions of **sections 2 and 3**.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 533 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 and 3 of this act.

Sec. 2. ***A person is not required to file an application for a temporary change of the point of diversion, manner of use or place of use for water already appropriated pursuant to NRS 533.345 if the request is for a temporary change for surface water in which:***

1. The temporary change occurs within the boundaries of an irrigation district within a federal reclamation project;

2. The irrigation district approves the temporary change; and

3. The temporary change does not exceed 1 year.

Sec. 3. ***The State Engineer may, in his or her discretion, accept a map that does not conform with the requirements of chapter 533 of NRS and any regulations adopted pursuant thereto if:***

1. The map is filed in connection with an application to appropriate surface water or to change the point of diversion, manner of use or place of use of surface water that is subject to the control of an irrigation district within a federal reclamation project; and

2. The irrigation district in which the water is located has approved the map.

Sec. 4. NRS 533.037 is hereby amended to read as follows:

533.037 1. The priority of a water right acquired by a person for use in a federal reclamation project is determined according to the date on which the United States appropriated water for initiation of the project. Notwithstanding the fact that the water right so appropriated and acquired may ultimately vest in the name of the person at a later date, ***and except as otherwise provided in sections 2 and 3 of this act,*** all such water rights so acquired are governed by the applicable law of this State in effect on the date on which the United States appropriated water for initiation of the project, unless the water rights vested under the law in this State before the time the United States first appropriated or otherwise acquired the water for initiation of the project. If the water right vested under the law in this State before appropriation or acquisition by the United States, the date of initiation of the water right is determined according to the date on which the water was first diverted under that appropriation or acquisition by the United States.

2. No water rights, in addition to those allocated under applicable court decrees, are granted, stated or implied by the determination of the date of priority pursuant to subsection 1.

Sec. 5. NRS 533.324 is hereby amended to read as follows:

533.324 As used in NRS 533.325, 533.345 and 533.425, ***and section 2 of this act,*** "water already appropriated" includes water for whose appropriation the State Engineer has issued a permit but which has not been applied to the intended use before an application to change the place of diversion, manner of use or place of use is made.

Sec. 6. NRS 533.325 is hereby amended to read as follows:

533.325 Except as otherwise provided in NRS 533.027, 533.028 and 534.065, ***and section 2 of this act,*** any person who wishes to appropriate any of the public waters, or to change the place of diversion, manner of use or place of use of water already appropriated, shall, before performing any work in connection with such appropriation, change in place of diversion or change in manner or place of use, apply to the State Engineer for a permit to do so.

Sec. 7. NRS 533.405 is hereby amended to read as follows:

533.405 1. The State Engineer may, in his or her discretion, request that the statement required by NRS 533.400 be accompanied by a map on tracing linen on a scale of not less than 1,000 feet to the inch, which shall show with substantial accuracy the following:

(a) The point of diversion by legal subdivisions or by metes and bounds from some corner, when possible, from the source of supply.

(b) The traverse of the ditch or other conduit, together with cross sections of the same.

(c) The legal subdivisions of the land embraced in the application for the permit and the outline by metes and bounds of the irrigated area, with the amount thereof.

(d) The average grade and the difference in elevation of the termini of the conduit, and the carrying capacity of the same.

(e) The actual quantity of water flowing in the canal or conduit during the time the survey was being made.

2. The map must bear the affidavit of the surveyor or engineer making such survey and map. If the survey and map are made by different persons the affidavit of each must be on the map, showing that the map as compiled agrees with the survey.

3. ~~[The]~~ ***Except as otherwise provided in section 3 of this act, the*** map shall conform with such rules and regulations as the State Engineer shall make, which rules shall not be in conflict herewith.

Assembly Bill No. 23.

Remarks by Assemblyman Carter.

ASSEMBLYMAN CARTER:
Assembly Bill 23 creates an additional informal process for the resolution of an administrative citation issued by the State Contractors' Board. A person who is issued such a citation may submit a written request to the Executive Officer of the Board for an informal citation conference within 15 business days after the citation was served. The Executive Officer is required to conduct an informal citation conference within 60 business days after receiving such a request and must affirm, modify, or dismiss the citation.
A person may contest the Executive Officer's decision within 15 business days after the informal citation conference. If a person submits written notice of his or her intent to contest the citation within that period, or if that period is extended by the Board, the Board is required to hold a hearing on the matter. An affirmed or modified citation is a final order of the Board and is not subject to review by a court or agency. The failure of a person to comply with a final order constitutes cause for disciplinary action by the Board.

ASSEMBLYMAN NGUYEN:

Assembly Bill 52 makes various changes to the Open Meeting Law, including clarifying what constitutes a meeting of a public body. The bill clarifies that nonvoting members are not counted for purposes of determining a quorum of that public body, and if a vacancy occurs in the voting membership of a public body, the necessary quorum and number of votes necessary to act on a matter is reduced as though the voting membership does not include the vacancy. The bill changes the notice requirements for a meeting to consider administrative action against a person and provides that a quorum reduction provision in the Nevada Ethics in Government Law applies to all public bodies in the state. The bill makes conforming changes to include remote technology systems as one means by which public bodies may conduct meetings and exempts from the Open Meeting Law committees of private citizens created by city councils or the Secretary of State to draft the background for ballot questions.

Finally, it provides that library foundations, parent-teacher associations, and certain university foundations are not subject to the Open Meeting Law unless they otherwise meet a certain definition of a public body.

Legislative Counsel's Digest:
Existing law provides for the licensure and regulation by the Commissioner of Financial Institutions of persons engaged in the business of selling or issuing checks or of receiving for transmission or transmitting money or credits. (Chapter 671 of NRS) This bill adds to, revises and repeals various provisions in the existing statutory scheme governing the licensure and regulation of such persons for the purposes of establishing a statutory scheme governing persons engaged in the business of money transmission which is modeled, in general,

after the Model Money Transmission Modernization Act approved by the Conference of State Bank Supervisors.

Sections 4-32 of this bill define words and terms for the purposes of this bill. **Section 20** of this bill defines "money transmission" to mean: (1) selling or issuing payment instruments to a person located in this State; (2) selling or issuing stored value to a person located in this State; or (3) receiving money or credits for transmission from a person located in this State. **Section 20** provides that the term includes payroll processing services and does not include the provision of certain other services.

Section 66 of this bill exempts certain specified persons from the provisions of this bill. **Section 34** of this bill authorizes the Commissioner to exempt additional persons under certain circumstances. **Section 35** of this bill authorizes the Commissioner to require any person claiming an exemption to provide certain proof of that exemption.

Existing law provides that certain reports relating to investigations, hearings and examinations conducted by the Commissioner to determine whether a licensee or other person has committed a violation of the provisions governing money transmission are confidential. (NRS 671.170) **Sections 37 and 82** of this bill make certain additional information and documents confidential and set forth the circumstances under which such information and documents may be disclosed.

Section 36 of this bill authorizes the Commissioner to engage in various activities to carry out the purposes of the provisions of ~~[this bill, including, among other things, imposing proportionate and equitable fees and costs for actions required to achieve the purposes of]~~ this bill.

Section 67 of this bill prohibits a person from engaging in the business of money transmission unless the person: (1) has been issued a license; or (2) is an authorized delegate of a licensee that is acting within the scope of authority conferred by a written contract with the licensee. **Section 68** of this bill sets forth certain requirements for an application for a license. **Section 69** of this bill sets forth the circumstances under which the Commissioner is required to issue a license to an applicant. **Section 70** of this bill sets forth certain requirements for the renewal of a license.

Section 38 of this bill requires a licensee who wishes to engage in the business of money transmission through an authorized delegate to: (1) enter into a written contract with the authorized delegate that meets certain requirements; and (2) take certain other actions. **Section 71** of this bill makes a conforming change to refer to an authorized delegate instead of a duly appointed agent.

Existing law requires all money or credit received by an agent of a licensee from the sale and issuance of checks or for the purpose of transmission to be remitted to the licensee or deposited with a bank or credit union authorized to do business in this State within a certain amount of time following the receipt of the money or credits. (NRS 671.150) **Sections 38, 40 and ~~[77]~~ 84** of this bill revise requirements regarding the remittance of money, credits or

monetary value by a person who engages in money transmission on behalf of a licensee. **Section ~~[77]~~ 38** requires ~~[all]~~ **an authorized delegate to remit and handle** money, credits and monetary value ~~[received by an authorized delegate for money transmission to be remitted to]~~ **in accordance with the terms of** the **written contract entered into with the** licensee. **Section 38** defines "remit" to mean, in general, to make a direct payment of money, credits or monetary value to a licensee or to deposit money in an account in a bank or credit union specified by the licensee. **Section 38** provides that all money net of fees received by an authorized delegate from money transmission is held in trust by the authorized delegate to the benefit of the licensee. **Section 40** provides that an authorized delegate who knowingly fails to remit money held in trust for the benefit of a licensee is guilty of a misdemeanor.

Section 39 of this bill provides that a person who engages in the business of money transmission on behalf of an unlicensed person who is not exempt from licensure is jointly and severally liable with the person.

Sections 40-44 of this bill set forth certain requirements relating to transactions involving money transmission. **Section 33** of this bill sets forth the method for determining whether a transaction involving money transmission takes place in this State.

Existing law requires a licensee to at all times maintain certain securities or assets having a value that is equal to or more than the aggregate liability of the licensee with respect to checks sold and issued and money or credits received for transmission. (NRS 671.150) **Section ~~[77 eliminates]~~ 84 repeals** that requirement. **Section 45** of this bill instead requires a licensee to maintain at all times permissible investments with a market value of not less than the aggregate amount of all of the outstanding money transmission obligations, as defined in **section 23** of this bill, of the licensee. **Sections 46 and 47** of this bill set forth the investments that qualify as permissible investments for the purposes of **section 45**.

Existing law requires a licensee to have in force a surety bond meeting certain requirements. (NRS 671.100) **Section 74** of this bill revises the requirements for such a surety bond. **Section 49** of this bill requires a licensee to at all times maintain a tangible net worth in a specified amount. **Sections 56-61** of this bill impose certain requirements on a licensee concerning reporting and recordkeeping. **Section 78** of this bill eliminates certain reporting requirements for a licensee.

Existing law requires the rates charged for services related to money transmission to be posted in every place of business licensed or covered by a license **~~[.]~~ and prohibits fees from being charged or collected in excess of the posted rates.** (NRS 671.140) **Section ~~[76 of this bill additionally requires such rates to be posted on the Internet website of each licensee and authorized delegate.]~~ 84 repeals those provisions.**

Section 50 of this bill requires a person or group of persons acting in concert seeking to acquire control of a licensee to obtain the approval of the Commissioner before acquiring control of the licensee. **Section 50** sets forth

the process for obtaining such approval. **Section 51** of this bill establishes a process by which a person may request that the Commissioner determine whether the person would be considered a person in control of a licensee upon consummation of a proposed transaction. **Section 52** of this bill sets forth certain persons who are not required to comply with the requirements of **section 50** under certain circumstances.

Section 53 of this bill requires a licensee to provide certain notice to the Commissioner if the licensee adds or replaces a "key individual," which **section 13** of this bill defines, in general, to mean any natural person ultimately responsible for establishing or directing policies and procedures of a licensee. **Section 53** authorizes the Commissioner to disapprove a key individual under certain circumstances.

Existing law authorizes the Commissioner to participate in the Nationwide Multistate Licensing System and Registry and sets forth various actions the Commissioner is authorized to take relating to participating in the Registry. (NRS 671.092) **Section 72** of this bill authorizes the Commissioner to take certain additional actions relating to the Registry. **Section 54** of this bill authorizes the Commissioner to participate in certain multistate supervisory processes.

Existing law requires an applicant for a license and certain other persons to submit to the Registry a complete set of fingerprints and certain information relating to the background of the person. (NRS 671.098) **Section 73** of this bill: (1) requires certain additional information to be submitted to the Commissioner through the Registry; and (2) revises the list of persons who are required to submit a complete set of fingerprints and such information.

Section 75 of this bill revises provisions relating to examinations of licensees conducted by the Commissioner.

Existing law authorizes the Commissioner to issue an order requiring the immediate cessation of the business of a licensee under certain circumstances. (NRS 671.160) **Section 63** of this bill authorizes the Commissioner to issue an order requiring a licensee or authorized delegate to cease and desist certain violations. **Section 62** of this bill authorizes the Commissioner to issue an order suspending or revoking the designation of an authorized delegate under certain circumstances. **Section 64** of this bill authorizes the Commissioner to resolve a matter arising from a violation or alleged violation by a person through a consent order.

Section 79 of this bill revises the list of acts that constitute grounds for suspension, revocation or denial of renewal of a license. **Section 48** of this bill authorizes the Commissioner to suspend or revoke the license of a licensee if the licensee does not continue to meet the requirements applicable to an applicant for a license.

~~[Section 80 of this bill authorizes the Commissioner to impose a civil penalty for any violation of the provisions of this bill of not more than $1,000 per day of the violation.]~~ **Section 81** of this bill provides that any person who,

without a license, knowingly engages in any activity for which a license is required is guilty of a misdemeanor.

Section 55 of this bill provides that, if a provision of this bill is inconsistent with a federal law governing money transmission, the federal law governs to the extent of the inconsistency. **Section 65** of this bill requires that consideration of the need to promote uniformity of the law with respect to money transmission be given in applying and construing the provisions of this bill.

Section 83 of this bill authorizes a person who is licensed on June 30, 2023, to engage in the business of selling or issuing checks or of receiving for transmission money or credits to continue engaging in such business in accordance with the provisions of existing law as they existed before July 1, 2023, until January 1, 2024.

Section 84 ~~[of this bill]~~ repeals certain provisions relating to an agent of a licensee**__**, ~~[and]~~ certain qualifications for licensure**__**~~[.]~~ **and certain requirements imposed on licensees and their agents.** **Section 84** also repeals the definition of "check," "licensee" and "Nationwide Multistate Licensing System and Registry." **Sections 14 and 22** of this bill, respectively, reenact the definitions of "licensee" and "Nationwide Multistate Licensing System and Registry." **Section 1** of this bill makes a conforming change to reflect the terminology used to describe persons licensed to engage in the business of money transmission as set forth in this bill.

If the license of a licensee is suspended, revoked, surrendered or expired, the licensee must, within 5 business days after the date on which such action occurred, provide documentation to the Commissioner that the licensee has notified all applicable authorized delegates of the licensee whose names are in a record filed with the Commissioner of the suspension, revocation, surrender or expiration of the license. Upon suspension, revocation, surrender or expiration of a license, applicable authorized delegates shall immediately cease to provide money transmission as an authorized delegate of the licensee.

5. An authorized delegate of a licensee holds in trust for the benefit of the licensee all money net of fees received from money transmission. If any authorized delegate commingles any money or credits received from money transmission with any other money or property owned or controlled by the authorized delegate, all commingled money and other property shall be considered held in trust in favor of the licensee in an amount equal to the amount of money net of fees received from money transmission.

6. An authorized delegate may not use a subdelegate to conduct money transmission on behalf of a licensee.

7. As used in this section, "remit" means to make direct payments of money, credits or monetary value to a licensee or its representative authorized to receive money or to deposit money in an account specified by the licensee in a bank or credit union authorized to do business in this State

Sec. 39. ***A person shall not engage in the business of money transmission on behalf of a person not licensed under this chapter or who is not exempt from licensure under this chapter. A person that engages in such activity provides money transmission to the same extent as if the person were a licensee and is jointly and severally liable with the unlicensed or nonexempt person.***

Sec. 40. ***1. If, in any action brought by a licensee against an authorized delegate, the court finds that the authorized delegate failed to remit money in accordance with the written contract with the licensee required by section 38 of this act or as otherwise directed by the licensee or***

required by law, the court may grant appropriate equitable or legal relief, including, without limitation, prohibiting the authorized delegate from directly or indirectly acting as an authorized delegate for any licensee in this State and the payment of restitution, damages or other monetary relief.

2. If a court issues an order prohibiting a person from acting as an authorized delegate for any licensee pursuant to subsection 1, the licensee that brought the action shall report the order to:

(a) The Commissioner within 30 days after entry of the order; and

(b) The Registry within 90 days after entry of the order.

Sec. 41. ***1. A licensee shall forward all money or credits received for transmission in accordance with the terms of the agreement between the licensee and the sender unless the licensee has a reasonable belief or a reasonable basis to believe that the sender may be a victim of fraud or that a crime or violation of law, rule or regulation has occurred, is occurring or may occur.***

2. If a licensee fails to forward money or credits received for transmission in accordance with this section, the licensee must respond to inquiries by the sender with the reason for the failure unless providing a response would violate a state or federal law, rule or regulation.

(c) The agreement between the licensee and the sender instructs the licensee to forward the money or credits at a time that is beyond 10 days after the date on which the money or credits were received for transmission. If money or credits have not yet been forwarded in accordance with the terms of the agreement between the licensee and the sender, this paragraph does not apply.

(d) The refund is requested for a transaction that the licensee has not completed based on a reasonable belief or a reasonable basis to believe that a crime or violation of law, rule or regulation has occurred, is occurring or may occur.

(e) The request for a refund does not enable the licensee to:

(1) Identify the name, address or telephone number of the sender; or

(2) If the sender has multiple transactions pending with the licensee, identify the particular transaction to be refunded.

2. The provisions of this section do not apply to:

(a) Money or credits received for transmission which are subject to the provisions of 12 C.F.R. Part 1005, Subpart B, as amended.

(b) Money or credits received for transmission pursuant to a written agreement between a licensee and payee to process payments for goods or services provided by the payee.

For a transaction conducted in person, the receipt may be provided electronically if the sender requests or agrees to receive an electronic receipt. For a transaction conducted electronically or by telephone, a receipt may be provided electronically. If a licensee provides an electronic receipt, the electronic receipt must be provided in a retainable form.*

2. A receipt required by this section must:

3. Each licensee and authorized delegate shall include on a receipt required by this section or on the Internet website or mobile application of the licensee or authorized delegate:

(a) Issue to a client a report detailing the payroll obligations for the client before the money or monetary value for payroll is deducted from an account; and

(b) Make available to each worker a paystub or an equivalent statement.

2. The provisions of subsection 1 do not apply to a licensee providing payroll processing services if the client of the licensee designates the intended recipients to the licensee and is responsible for providing the disclosures required by paragraph (b) of subsection 1.

Sec. 45. *1. A licensee shall maintain at all times permissible investments that have a market value computed in accordance with generally accepted accounting principles in the United States of not less than the aggregate amount of all of the outstanding money transmission obligations of the licensee.*

2. Except for the permissible investments specified in subsection 1 of section 46 of this act, the Commissioner, with respect to any licensee, may limit the extent to which a specific investment maintained by a licensee within a class of permissible investments may be considered a permissible investment if the specific investment represents an undue risk to customers not reflected in the market value of investments.

3. Permissible investments, even if commingled with other assets of the licensee, are held in trust for the benefit of the purchasers and holders of the outstanding money transmission obligations of the licensee if any of the following occurs:

5. Upon the establishment of a statutory trust pursuant to subsection 3 or when any money is drawn on a letter of credit pursuant to section 47 of this act, the Commissioner shall notify the applicable regulator of each other state in which the licensee is licensed to engage in money transmission, if any, of the establishment of the trust or the money drawn on the letter of credit. The notice shall be deemed satisfied if performed pursuant to a multistate agreement or through the Registry.

6. Money drawn on a letter of credit, and any other permissible investments held in trust for the benefit of the purchasers or holders of the outstanding money transmission obligations of the licensee pursuant to subsection 3, are deemed held in trust for the benefit of such purchasers and holders on a pro rata and equitable basis in accordance with statutes pursuant to which permissible investments are required to be held in this State and other states, as applicable. Any statutory trust established pursuant to subsection 3 is terminated upon extinguishment of all of the outstanding money transmission obligations of the licensee.

7. The Commissioner may allow types of investments other than the types specified in section 46 of this act that the Commissioner determines are of sufficient liquidity and quality to be a permissible investment. The Commissioner may participate in efforts with other state regulators to determine that other types of investments are of sufficient liquidity and quality to be a permissible investment.

A determination by the Commissioner that an application is complete and is accepted for processing means only that the application, on its face, appears to include all of the items and address all of the matters that are required and is not an assessment of the substance of the application or of the sufficiency of the information provided.*

6. When an application is filed and considered complete pursuant to this section, the Commissioner shall investigate the financial condition and responsibility, financial and business experience, competence, character and general fitness of the person or group of persons acting in concert seeking to acquire control of the licensee. The Commissioner shall approve an application for the acquisition of control pursuant to this section if the Commissioner finds that:

7. If an applicant for approval to acquire control of a licensee pursuant to this section avails himself, herself or itself or is otherwise subject to a multistate licensing process:

(a) The Commissioner may accept the investigation results of a state which is a lead investigative state in the multistate licensing process for the purposes of this section if the Commissioner determines that the state has sufficient staffing, expertise and minimum standards; and

(b) If this State is a lead investigative state in the multistate licensing process, the Commissioner may investigate the applicant under the time frames established by agreement through the multistate licensing process.

9. Except as otherwise provided in subsection 10, the requirements of this section do not apply to any of the following:

Sec. 51. ***1. Before filing an application for approval to acquire control of a licensee pursuant to section 50 of this act, a person may request in writing a determination from the Commissioner as to whether the person would be considered a person in control of a licensee upon consummation of a proposed transaction. 2. If a multistate licensing process includes a determination pursuant to this section and the person requesting such a determination avails himself, herself or itself or is otherwise subject to a multistate licensing process:

(a) The Commissioner may accept the control determination of a state which is a lead investigative state in the multistate licensing process if the Commissioner determines that the state has sufficient staffing, expertise and minimum standards for the purposes of this section; and

(b) If this State is a lead investigative state in the multistate licensing process, the Commissioner may investigate the person in the time frames established by agreement through the multistate licensing process.

Sec. 52. ***The requirements of section 50 of this act do not apply to a person who has previously complied with and received approval to engage in money transmission pursuant to this chapter or was identified as a person in control of a licensee in a prior application filed with and approved by the Commissioner or by a money services business accredited state pursuant to a multistate licensing process, so long as:***

1. The person has not had a license revoked or suspended or controlled a licensee that has had a license revoked or suspended while the person was in control of the licensee in the 5 years immediately preceding the date on which the person intends to complete the acquisition of control of a licensee;

2. If the person is a licensee, the person is well managed and has received at least a satisfactory rating for compliance in the most recent examination of the licensee conducted by a money services business accredited state, if such rating was given;

3. The licensee to be acquired is projected to meet the requirements of this chapter after the acquisition of control is completed, and if the person acquiring control is a licensee, that licensee is also projected to meet the requirements of NRS 671.100 or 671.110, as applicable, and sections 45 and 49 of this act after the acquisition of control is completed;

4. The licensee to be acquired will not implement any material changes to its business plan as a result of the acquisition of control, and if the person acquiring control is a licensee, that licensee also will not implement any material changes to its business plan as a result of the acquisition of control; and

2. Within 90 days after the date on which the licensee has provided the notice and information required by subsection 1, the Commissioner may issue a notice of disapproval of a key individual if the Commissioner determines that, based on the competence, experience, character or integrity of the person, it would not be in the best interest of the public or of the customers of the licensee to allow the person to be a key individual of the licensee.

3. A notice of disapproval issued pursuant to subsection 2 must contain a statement of the basis for the disapproval and must be sent to the licensee and the person who has been disapproved as a key individual. A licensee who receives a notice of disapproval may appeal and request a hearing pursuant to NRS 233B.121 to 233B.150, inclusive.

4. If a multistate licensing process includes a review and disapproval process for key individuals pursuant to this section and the licensee requesting such a determination avails himself, herself or itself or is otherwise subject to a multistate licensing process:

Sec. 54. *1. 3. The records required to be maintained pursuant to subsection 1 are open to inspection by the Commissioner pursuant to NRS 671.120.

Sec. 59. *1. A licensee shall file a report with the Commissioner within 1 business day after the licensee has reason to know of the occurrence of any of the following events:*

Legislative Counsel's Digest:

Existing law requires the Advisory Board on Maternal and Child Health, the Division of Public and Behavioral Health of the Department of Health and Human Services and the University of Nevada School of Medicine to take certain actions to monitor, prevent, identify and treat fetal alcohol syndrome. (NRS 442.137, 442.385, 442.390, 442.420) Existing law also provides that, if a pregnant woman is referred to the Division by a provider of health care or other services for information relating to programs for the prevention and treatment of fetal alcohol syndrome, any report relating to the referral or other associated documentation is confidential and not to be used in any criminal prosecution of the woman. (NRS 442.395) **Sections 2-6** of this bill expand the applicability of those provisions to apply to all fetal alcohol spectrum disorders. **Section 1** of this bill defines the term "fetal alcohol spectrum disorder" for the purposes of provisions relating to maternal and child health to mean a continuum of birth defects caused by maternal consumption of alcohol during pregnancy.

Existing law requires the Department to administer Medicaid. (NRS 422.270) Section 6.7 of this bill requires the Director of the Department, to the extent that federal financial participation is available, to include under Medicaid coverage for certain supports and services provided to recipients of Medicaid with fetal alcohol spectrum disorders. Section 6.7 also authorizes the Department to apply to the Federal Government for any waiver granted pursuant to federal law or amendment necessary to the State Plan for Medicaid to receive federal funding to include such coverage in the State Plan. Section 6.3 of this bill makes a conforming change to indicate that the provisions of section 6.7 will be administered in the same manner as the provisions of existing law governing Medicaid.

Existing law defines "developmental disability" for the purpose of provisions governing services for persons with developmental disabilities as a neurological condition that manifests before a person attains the age of 22 years, is likely to continue indefinitely and results in substantial functional limitations. (NRS 435.007) **Section 7** of this bill provides that a fetal alcohol spectrum disorder is a developmental disability.

The following amendment was proposed by the Committee on Legislative Operations and Elections:

Amendment No. 76.

AN ACT relating to elections; **establishing requirements relating to the purchase of mail ballots and return envelopes used in certain elections in this State;** revising requirements for the form of all envelopes and return envelopes for mail ballots; revising certain requirements relating to electioneering; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Secretary of State to prescribe: (1) the form of all mail ballots; and (2) the placement and listing of all offices, candidates and measures upon which voting is statewide, which must be uniform throughout the State. (NRS 293.250) **Sections ~~[1]~~ 1.5 and 4** of this bill require the form of all envelopes in which mail ballots are sent to voters and all return envelopes for mail ballots to, with certain exceptions, be uniform throughout the State. **Sections ~~[1]~~ 1.5 and 4** also require ~~[each county and city clerk to: (1) submit to]~~ the Secretary of State ~~[a request to use a unique color for all]~~ **to prescribe a method for distinguishing the** return envelopes ~~[in the]~~ **of each** county or city, ~~[as applicable; and (2) print return envelopes in the unique color approved by the Secretary of State for that county or city,]~~ as applicable.

Section 1 of this bill requires the Secretary of State to enter into a statewide contract for the purchase of all ballots and return envelopes used in a presidential preference primary election, primary election and general election in this State. Section 1 further requires each county and city clerk to use the ballots and return envelopes purchased by the Secretary of State for such elections. Section 5.5 of this bill provides that a county or city clerk may request from the Secretary of State an exemption from this requirement for the presidential preference primary election, primary election and general election held in 2024.

Existing law requires a county clerk and city clerk to keep continuously posted certain signs and notices which indicate that electioneering is prohibited between the boundary marked by the sign and the entrance to a polling place. (NRS 293.361, 293.740, 293C.361) **Sections 2, 3 and 5** of this bill require the county clerk and city clerk to ensure that any signs and notices posted are: (1) at least ~~[18]~~ **17** inches by ~~[12]~~ **11** inches in size; (2) placed on a window or door of the polling place or freestanding; and (3) visible to a person approaching the boundary marked by the sign.

Existing law defines "electioneering" to include buying, selling, wearing or displaying any badge, button or other insigne which is designed or tends to aid or promote the success or defeat of any political party or a candidate or ballot question to be voted upon at an election. (NRS 293.740) **Section 3** revises this definition to provide instead that "electioneering" includes buying, selling, wearing or displaying any badge, button or other insigne which expressly

refers to any political party or a candidate or ballot question to be voted upon at that election.

Legislative Counsel's Digest:

Existing law requires **: (1)** the ~~[Commission on Behavioral Health to establish policies to ensure adequate development and administration of services for persons with mental illness, persons with intellectual disabilities, persons with developmental disabilities, persons with substance use disorders and persons with co-occurring disorders. (NRS 433.314)~~] **Division of Public and Behavioral Health of the Department of Health and Human Services to perform certain duties relating to the provision of behavioral health services in this State; and (2) the Division of Child and Family Services of the Department to administer provisions governing mental health services for children. (NRS 433.331-433.374, chapter 433B of NRS)** **Section 2** of this bill requires the ~~[Commission]~~ **Department** to: (1) track the spending of federal and state money on the children's behavioral health system of care, which consists of certain behavioral health services for children and their families; (2) quantify and track the costs avoided through such expenditures; and (3) perform certain duties to provide oversight for and make recommendations concerning the reinvestment of the money saved through such avoided costs in the children's behavioral health system of care.

~~[Existing law requires the Division of Public and Behavioral Health of the Department of Health and Human Services to: (1) formulate and operate a comprehensive state plan for programs for alcohol or other substance use disorders; (2) coordinate the efforts to carry out the state plan and coordinate all state and federal financial support of programs for alcohol or other substance use disorders in this State; and (3) certify or deny the certification of detoxification technicians or any facilities or programs on the basis of the standards established by the State Board of Health. Existing law makes a detoxification technician or facility or program that has not obtained such certification ineligible to receive state and federal money for programs for alcohol or other substance use disorders. (NRS 458.025) Sections 3 and 9 of this bill require the Division of Public and Behavioral Health and the Division of Child and Family Services of the Department, respectively, to: (1) formulate and operate comprehensive state plans to provide behavioral health services for adults and children, as applicable; and (2) coordinate the efforts to carry out the state plans and coordinate all state and federal financial support of behavioral health services for children and adults, as applicable, in this State. Sections 3 and 9 require a person or entity that provides behavioral health services to be certified by the Division of Public and Behavioral Health or the Division of Child and Family Services, as applicable, in order to receive federal or state money for the provision of behavioral health services for adults or children, as applicable. Section 13 of this bill allows a person or entity that provides behavioral health services and is not so certified to continue to receive~

~~such money until July 1, 2024. Sections 3 and 9 also require the Board and the Division of Child and Family Services to adopt regulations prescribing clinical standards of care for the provision of behavioral health services for adults and children, respectively. Sections 4-6 of this bill: (1) eliminate certain duties of the Commission that are similar to duties prescribed by sections 3 and 9; and (2) instead require the Commission to make recommendations to the Division of Public and Behavioral Health and the Division of Child and Family Services, as appropriate, concerning the performance of the duties prescribed by sections 3 and 9. Sections 7, 10 and 12 of this bill make conforming changes to replace references to duties eliminated by sections 4-6.~~]

Existing law establishes a regional behavioral health policy board for each of the five behavioral health regions of this State. (NRS 433.428, 433.429) Existing law requires each regional behavioral health policy board to: (1) advise the Department, the Division of Public and Behavioral Health and the Commission **on Behavioral Health** regarding certain matters relating to behavioral health in the region; and (2) submit an annual report to the Commission concerning the behavioral health needs of the region and certain duties of the policy board. (NRS 433.4295) **Section 8** of this bill additionally requires each regional behavioral health policy board to advise the Division of Child and Family Services regarding behavioral health for children in the region over which the policy board has jurisdiction. **Section 8** also requires a regional behavioral health policy board to additionally submit the annual report to the Division of Public and Behavioral Health and the Division of Child and Family Services.

Existing law establishes a mental health consortium for each county whose population is 100,000 or more (currently Clark and Washoe Counties) and another behavioral health consortium for the jurisdiction consisting of all other counties in this State. (NRS 433B.333) **Section 10.5 of this bill establishes a statewide mental health consortium to represent all mental health consortia established by existing law. Section 10.5 also prescribes the membership of the statewide mental health consortium. Section 11.3 of this bill prescribes the powers and duties of the statewide mental health consortium, which include representing all regional mental health consortia and taking certain other actions related to the mental health of children.**

Existing law requires each mental health consortium to: (1) prepare and submit to the Director of the Department a long-term strategic plan for the provision of mental health services to children with emotional disturbance in the jurisdiction of the consortium; and (2) annually submit to the Director of the Department and the Commission certain reports relating to the long-term strategic plan. (NRS 433B.335) **Section 11 of this bill exempts the statewide mental health consortium from those requirements. Sections 6 and 11.6 of this bill make conforming changes to clarify that only a mental health consortium that represents a particular region is required to submit a long-term strategic plan. Section 11** ~~[of this bill]~~ additionally requires each

mental health consortium **that represents a particular region** to submit the long-term strategic plan and the annual reports to the Administrator of the Division of Child and Family Services.

Existing law requires the Commission to appoint a subcommittee on the mental health of children to review each long-term strategic plan submitted by a mental health consortium that represents a particular region. (NRS 433.317) Section 6 requires that subcommittee to include two members of the statewide mental health consortium.

Existing law prescribes the number of legislative measures which may be requested by various departments, agencies and other entities of this State for each regular session of the Legislature. (NRS 218D.100-218D.220) Section 12.3 of this bill authorizes the statewide mental health consortium and each regional mental health consortium to request the drafting of not more than one legislative measure for each regular session of the Legislature. Section 12.5 of this bill makes a conforming change to indicate the proper placement of section 12.3 in the Nevada Revised Statutes.

Existing law: (1) requires a medical facility or facility for the dependent to obtain a license from the Division of Public and Behavioral Health; and (2) authorizes the State Board of Health to adopt regulations requiring the licensing of other types of facilities that provide any type of medical care or treatment. (NRS 449.030, 449.0303) Section 12.8 of this bill clarifies that the authority of the State Board to require such licensing includes the authority to require the licensing of facilities that provide behavioral health care or treatment.

Existing law requires the Division of Public and Behavioral Health to formulate and operate a comprehensive state plan for programs for alcohol or other substance use disorders. (NRS 458.025) Section 13.5 of this bill requires the Joint Interim Standing Committee on Health and Human Services to study, during the 2023-2024 interim, the feasibility of formulating and operating a similar comprehensive state plan for the provision of behavioral health services to adults and children in this State.

Legislative Counsel's Digest:

Existing law requires the State Board of Health to adopt regulations governing the control of communicable diseases in this State, including regulations specifically relating to the control of such diseases in educational, medical and correctional institutions. (NRS 441A.120) Existing law also establishes requirements for: (1) a provider of health care, medical facility or laboratory director to report if a person has or is suspected of having a communicable disease; and (2) the health authority to investigate such reports. (NRS 441A.150-441A.165) This bill establishes certain requirements for the building water systems in covered health care facilities to limit the risk of the transmission of Legionnaires' disease.

Section 5 of this bill defines the term "covered health care facility" to mean a health care facility ~~[,]~~ **that receives federal or state money through Medicare or Medicaid:** (1) in which a patient's stay may exceed 24 hours; (2) that contains one or more areas to house and treat patients receiving treatment for burns, chemotherapy, solid organ transplantation or bone marrow transplantation; ~~[or]~~ (3) that contains one or more areas to house ~~[and treat]~~ patients who are immunocompromised ~~[,]~~ **and** at-risk ~~[individuals,]~~ **persons** on medications that weaken the immune system or **who** have ~~[renal disease,]~~ diabetes or chronic lung disease ~~[.]~~ **; or (4) that is a residential facility for groups.**

Sections ~~[3, 4]~~ **2.5-4 and 6-8** of this bill define certain other terms relating to the provisions of this bill for covered health care facilities.

Section 9 of this bill requires each owner or operator of a covered health care facility to adopt and implement a water management plan for the building water system to minimize the risks of the transmission of Legionnaires' disease by the building water system, which, among other requirements, must: (1) **with certain exceptions,** be designed by a water management team that includes persons holding certain certifications relating to water management and infection control; and (2) include provisions for ~~[sampling of]~~ **monitoring** the water from the building water system **.** ~~[at certain specified locations.]~~

Section 9 further requires the owner or operator of the covered health care facility to review the water management plan on an annual basis.

~~[Section 10 of this bill requires each owner or operator of a covered health care facility with a cooling tower to adopt and implement a maintenance program and plan for each cooling tower which must include a schedule for routine bacteriological culture sampling and analysis and Legionella culture sampling and analysis at certain intervals and upon the occurrence of certain events.]~~

Section 8.5 of this bill requires the Administrator of the Division of Public and Behavioral Health of the Department of Health and Human Services to review each new edition of certain standards relating to water management and Legionellosis for the purposes of the provisions of sections 2-14 of this bill.

Section 11 of this bill requires a provider of health care, medical facility or laboratory director to immediately notify the health authority upon the suspicion or positive diagnosis of Legionnaires' disease connected to a covered health care facility.

Section 12 of this bill requires the Board to adopt regulations to carry out the provisions of **sections 2-14**. ~~[of this bill.]~~

Section 13 of this bill requires the Board to submit a report to the Governor and the Director of the Legislative Counsel Bureau detailing the occurrence of Legionnaires' disease in this State.

Section 14 of this bill provides that a covered health care facility that violates the provisions of **sections 2-14** or any regulation adopted or order issued pursuant thereto is a public nuisance and ~~[may be abated by the health authority.]~~ **requires the covered health care facility to abate the nuisance.**

As a result of the inclusion of **sections 2-14** in chapter 441A of NRS, a person who violates the provisions of **sections 2-14** is guilty of a misdemeanor. **(NRS 441A.910)**

Prayer by the Chaplain, Pastor Peggy Locke.

The Bible says in Philippians 4:4-7, "Rejoice in the Lord always; again I will say, rejoice. Let your reasonableness be known to everyone. The Lord is at hand; do not be anxious about anything, but in everything by prayer and supplication with thanksgiving let your requests be made known to God. And the peace of God, which surpasses all understanding, will guard your hearts and your minds in Christ Jesus."

Father, we commit to You all we do today. We place all our cares, worries and anxious thoughts into Your hands. We thank You for Your peace that guards our hearts and minds. We look to You for wisdom and understanding and for Your will to be accomplished.

We pray for our friends, families, and fellow laborers, that they would be encouraged and strengthened as they trust in You.

We pray blessing upon those serving in harm's way for their continued endurance and dedication in the midst of challenging times.

MOTIONS, RESOLUTIONS AND NOTICES

Assembly Joint Resolution No. 5.

Resolution read.

Remarks by Assemblyman C.H. Miller.

ASSEMBLYMAN C.H. MILLER:

Assembly Joint Resolution 5 proposes to amend the *Nevada Constitution* to authorize the Legislature to provide by law for the operation and regulation of lotteries, including, without limitation, the sale of lottery tickets. The resolution prohibits the Legislature from passing any laws which grant a special charter or similar governing document to any person or entity to operate a lottery or sell lottery tickets. The resolution further prohibits political subdivisions of the state from operating a lottery or selling lottery tickets. Additionally, the resolution clarifies that the operation of any charitable lotteries must comply with existing provisions in the *Nevada Constitution* governing charitable lotteries.

Resolution ordered transmitted to the Senate.

Assembly Joint Resolution No. 6.

Resolution read.

Remarks by Assemblymen Watts and Gray.

ASSEMBLYMAN WATTS:

Assembly Joint Resolution 6 proposes to amend the *Nevada Constitution* to adopt the National Popular Vote Compact. If the Compact is effective through adoption by states cumulatively possessing a majority of the electoral votes, the presidential electors in this state must, with limited exception, mark their presidential elector ballots for the national popular vote winner. If there is a tie in the national popular vote, the presidential electors must mark their ballots for the winner of the popular vote in Nevada. The proposed constitutional amendment also provides that Nevada may withdraw from and rejoin the Compact through statute.

If approved in identical form by the 2025 Legislature, the proposal will be submitted to voters for final approval or disapproval. However, the Compact does not take effect until states cumulatively possessing a majority of the electoral votes enact the Compact.

ASSEMBLYMAN GRAY:

I rise in opposition to Assembly Joint Resolution 6. For many years, both Democrats and Republicans in Nevada have successfully pushed for our state to have an early, outsized role in Presidential politics. Assembly Joint Resolution 6 flips that script, ensuring that Nevada is ignored by Presidential candidates.

I still have legal concerns that were not resolved by LCB [Legislative Counsel Bureau] Counsel's explanations. I have studied the history and intent of the Electoral College, and a national popular vote plainly requires an amendment to the *U.S. Constitution*. Americans are not taught that the people were never meant to directly elect a President. The states elect the President. Federalist No. 68 tells us this and that the Electoral College was the least contentious part of the *Constitution* drafted at the 1787 Convention. The National Popular Vote Compact is clearly an end run around the *Constitution* and an offense to our republic.

Mr. Speaker, America is not perfect, but we have accomplished many wonderful things in our history. We ask those enlisting to serve our country to swear an oath to our *Constitution*. In our history, nearly 1.4 million people have given their lives to defend our *Constitution* and our country. All of us in this Chamber also take an oath to that inspired document. Assembly Joint Resolution 6 seeks to push the *Constitution* into the gutter, and I cannot overlook such an offensive act. In summation, our Founding Fathers got this right. For these reasons, I will be a no on AJR 6.

Assembly Concurrent Resolution No. 7—Directing the Joint Interim Standing Committee on Revenue to conduct a study regarding wealth taxes during the 2023-2024 interim.

Assemblywoman Anderson moved the adoption of the resolution.

Remarks by Assemblymen Anderson and Hafen.

ASSEMBLYWOMAN ANDERSON:

Assembly Concurrent Resolution 7 directs the Joint Interim Standing Committee on Revenue to conduct a study regarding wealth taxes during the 2023-2024 interim. The study must include an examination of laws enacted or considered by other states which impose or propose to impose any wealth tax; which types of wealth may be taxed in this state; and potential revenue that would be generated through the imposition of a wealth tax in our state.

The Committee is required to submit a report of its findings and any recommendations for legislation to the Director of the Legislative Counsel Bureau for transmittal to the 83rd Session of the Nevada Legislature.

ASSEMBLYMAN HAFEN:

I rise in opposition to Assembly Concurrent Resolution 7. We all took an oath to support, protect, and defend the *United States Constitution* and the *Nevada Constitution*. It is my personal opinion that this resolution is in violation of Article 10, Section 1, Subsection 7 of the *Nevada Constitution* that "[n]o inheritance tax shall ever be levied" and in violation of Article 10, Section 1, Subsection 9 of the Nevada Constitution that "[n]o income tax shall be levied." It is our duty and our obligation to oppose these types of taxes; therefore, we should not be spending taxpayer dollars to study it. I urge my colleagues to uphold their oath of office and vote no on ACR 7.

Resolution adopted.

Legislative Counsel's Digest:

Existing law defines the term "provider of health care" as a person who practices certain professions related to the provision of health care. (NRS 629.031) Existing law imposes certain requirements upon providers of health care, including requirements for billing, standards for advertisements and criminal penalties for acquiring certain debts. (NRS 629.071, 629.076, 629.078) **Section 1** of this bill includes dental hygienists and dental therapists in the definition of "provider of health care," thereby subjecting dental hygienists and dental therapists to those requirements.

Existing law defines the term "telehealth" to mean the delivery of services from a provider of health care to a patient at a different location through the use of information and audio-visual communication technology, not including facsimile or electronic mail. (NRS 629.515) **Section 5** of this bill defines the term "teledentistry" to mean the use of telehealth by a dentist, dental hygienist or dental therapist to facilitate the diagnosis, treatment, education, care management and self-management of or consultation with a patient. **Sections 3, 4 and 6** of this bill define certain other terms related to teledentistry. **Section 20** of this bill makes a conforming change to indicate the proper placement of **sections 3-6** in the Nevada Revised Statutes.

Section 7 of this bill requires a person who provides services through teledentistry to a patient located in this State to be licensed in this State as a dentist, dental hygienist or dental therapist **, to have completed certain training** and to adhere to the applicable laws, regulations and standards of care to the same extent as when providing services in person. **Section 8** of this bill requires a dentist, dental hygienist or dental therapist who provides services through teledentistry **to patients in this State** to be insured against liabilities arising from dental services provided through teledentistry. **Section 9** of this bill authorizes the use of teledentistry for certain purposes relating to the provision of a diagnosis. **Section 10** of this bill requires a dentist, dental hygienist or dental therapist to establish a bona fide relationship with a patient, confirm certain facts about a patient and obtain informed consent before providing services through teledentistry. **Section 11** of this bill requires a dentist, dental hygienist or dental therapist to: (1) use communications technology that complies with certain federal requirements relating to the

privacy of information relating to patients when providing services through teledentistry; and (2) create a complete record of each encounter with a patient through teledentistry. **Section 12** of this bill imposes certain requirements to ensure that adequate, in-person care is available to a patient who receives services through teledentistry, if needed. **Section 13** of this bill requires the Board of Dental Examiners of Nevada to adopt regulations governing teledentistry.

Sections 21 ~~[, 23]~~ and 40 of this bill require an applicant for a license to practice dentistry **,** ~~[or]~~ dental therapy or ~~[a special endorsement to practice public health]~~ dental hygiene or the holder of such a license ~~[or endorsement]~~ **who intends to provide services through teledentistry** to complete certain training on teledentistry. **Section 22** of this bill makes a conforming change to revise a reference to the section of existing law amended by **section 21**. **Section 24** of this bill requires the Board to adopt regulations prescribing specific criteria for the accreditation of a course in teledentistry.

Section 14 of this bill prescribes certain requirements for the secure storage of electronic information concerning patients.

The following amendment was proposed by the Committee on Growth and Infrastructure:

Amendment No. 143.

AN ACT relating to motor vehicles; authorizing, under certain circumstances, a dealer and purchaser to enter into a written return agreement to cancel a vehicle sale; revising provisions relating to the registration of certain vehicles when the certificate of title is lost, unlawfully detained or otherwise not available; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that whenever application is made to the Department of Motor Vehicles for registration of a motor vehicle of which the ownership has been transferred, the person transferring the vehicle is authorized to designate the person receiving the vehicle to provide the information required by the Department relating to odometer disclosures if the: (1) certificate of title is lost, unlawfully detained by one in possession or otherwise not available; and (2) model year is 9 years old or newer. (NRS 482.415) **Section 4** of this bill provides instead that this process applies to the registration of a motor vehicle of which the model year is 2011 or newer and the vehicle is less than 20 years old.

Section 1 of this bill authorizes ~~[, not later than 30 days after a vehicle is sold in this State by a dealer, the]~~ **a** dealer **licensed in this State** and the purchaser **of a vehicle** to enter into a written return agreement to cancel the sale. Upon entering into such a written agreement, the sale is cancelled**.** ~~[and the]~~ **The** dealer is required **, within 15 days,** to return to the purchaser or secured party, as applicable, all money, taxes and fees that were collected by the dealer at the time of the sale. **Section 1** provides that if such a written agreement is entered into, the dealer may ~~[, within 15 days after the cancellation,]~~ submit ~~[a request]~~ **an application** to ~~[: (1)]~~ the Department of Motor Vehicles for a certificate of title**.** ~~[; and (2) the Department of Taxation for a refund of the taxes collected by the dealer at the time of the sale.]~~ **Section 1** further requires ~~[: (1)]~~ **, under certain circumstances,** the Department of Motor Vehicles to issue a certificate of title not later than 7 days after receiving

such ~~[a request for a certificate of title; and (2) the Department of Taxation to issue a refund of such taxes not later than 30 days after receiving a request for a refund.]~~ **an application.** Finally, **section 1**: (1) prohibits **, under certain circumstances,** a dealer from selling in this State the vehicle that is the subject of such a cancellation of sale until the dealer receives the certificate of title from the Department of Motor Vehicles; (2) requires a dealer to retain the written **return** agreement to cancel a vehicle sale with the sales records for the transaction; and (3) provides that the cancellation of a sale pursuant to **section 1** does not negate the fact that the vehicle has been the subject of a previous retail sale.

Section 2 of this bill makes a conforming change to indicate the proper placement of **section 1** in the Nevada Revised Statutes.

Section 3 of this bill creates an exception to the general requirement that an existing certificate of title be endorsed by the transferor and transferee when an ownership interest in the vehicle is transferred. (NRS 482.400)

Except as otherwise required by federal law, the certificate of title of a vehicle which the Department knows to have been stolen must not contain any statement or other indication that the mileage specified in the certificate or registered on the odometer is anything other than the actual mileage traveled by the vehicle, in the absence of proof that the odometer of the vehicle has been disconnected, reset or altered.

Sec. 3. NRS 482.400 is hereby amended to read as follows:

The Department may charge a fee not to exceed the cost to provide the form.

4. Except as otherwise provided in subsections 5, 6 and 7, the transferee shall immediately apply for registration as provided in NRS 482.215 and shall pay the governmental services taxes due.

5. 7. A charitable organization which intends to sell a vehicle which has been donated to the organization must deliver immediately to the Department or its agent the certificate of registration and the license plate or plates for the vehicle, if the license plate or plates have not been removed from the vehicle. THE SEVENTY-THIRD DAY

CARSON CITY (Wednesday), April 19, 2023

Assembly called to order at 11:51 a.m.

Mr. Speaker presiding.

Roll called.

All present.

Prayer by the Chaplain, Pastor Peggy Locke.

The Bible tells us in Isaiah 26:2-5, Open the gates that the righteous nation that keeps faith may enter in. You will keep him in perfect peace whose minds are stayed on You because he trusts in You. Trust in the Lord forever, for the Lord God is an everlasting rock.

Heavenly Father, we give You thanks in the midst of life's interruptions and challenges for Your faithfulness in all situations. We are confident in Your steadfast love, divine interventions, and mighty hand. When we are afraid, we will trust in You, in God whose word we praise.

We commit to You today in prayer: our families, co-workers, and those serving with all diligence in harm's way. Protect them and their families.

Lead us and guide us today with Your wisdom and grace. We thank You for help in our conversations, actions, and thoughts. May we walk with integrity and always speak the truth from our hearts.

And this blessing out of Numbers 6:24-26, May the Lord bless you and keep you; the Lord make his face to shine upon you and be gracious to you; the Lord lift up his countenance upon you and give you peace.

AMEN.

Assembly Bill No. 32.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 57.

AN ACT relating to criminal justice; **providing that information collected or stored by the Department of Sentencing Policy for the purpose of analyzing and understanding the criminal justice system is confidential;** revising the qualifications of the Executive Director of the Department **;** ~~[of Sentencing Policy;]~~ revising provisions concerning the membership of the Nevada Sentencing Commission; **requiring that certain data tracked and assessed by the Commission include the housing status of persons admitted to and released from prison; authorizing the Nevada Local Justice Reinvestment Coordinating Council to accept any gift, donation, bequest, grant or other source of money for the purpose of carrying out its duties;** revising provisions relating to risk and needs assessments administered to certain probationers and parolees; authorizing the Division of Parole and Probation of the Department of Public Safety to impose confinement in a jail or detention facility or place a person under a system of active electronic monitoring for technical violations of the conditions of probation or parole; requiring the system of graduated sanctions adopted by the Division to include guidance on the use of such confinement and electronic monitoring; revising the definition of "technical violation" as the term relates to violations of the conditions of probation or parole; revising provisions relating to the temporary and full revocation of probation, suspension of sentence or parole supervision for technical violations of the conditions of probation or parole; **requiring the Department of Sentencing Policy to collect and analyze certain data and submit a report to the Director of the Legislative Counsel Bureau;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law creates the Department of Sentencing Policy **(hereinafter "Department")** and requires the Governor to appoint the Executive Director of the Department from a list of three persons recommended by the Nevada Sentencing Commission **,** ~~[.]~~ **(hereinafter "Commission").** Existing law also requires the Executive Director to be an attorney who is licensed to practice law in this State. (NRS 176.01323) **Section** ~~[1]~~ **1.7** of this bill: (1) specifies that the three persons recommended by the Commission must be qualified

persons; and (2) removes the requirement that the Executive Director must be an attorney who is licensed to practice law in this State.

Section 1 of this bill provides that any information collected or stored by the Department for the purpose of analyzing and understanding the criminal justice system is confidential and not a public record. Section 8.3 of this bill makes a conforming change to indicate that such information is exempt from the requirement that public books and public records of a governmental entity must be open to inspection. Section 1.3 of this bill makes a conforming change to indicate the proper placement of section 1 in the Nevada Revised Statutes.

Existing law establishes requirements concerning the membership of the Commission, including that: (1) one member must be a representative of the Division of Parole and Probation of the Department of Public Safety **(hereinafter "Division")** who is appointed by the Governor; and (2) one member must be the Director of the Department of Employment, Training and Rehabilitation. (NRS 176.0133) **Section 2** of this bill provides that: (1) the Chief Parole and Probation Officer may alternatively be a member of the Commission; (2) if a representative of the Division is a member of the Commission, he or she is appointed by the Chief instead of the Governor; and (3) a representative of the Department of Employment, Training and Rehabilitation who is appointed by the Director of the Department of Employment, Training and Rehabilitation may alternatively be a member of the Commission.

Existing law imposes certain duties on the Commission, including the tracking and assessment of data from the Department of Corrections concerning prison admissions, parole and release from prison. (NRS 176.01343) Section 2.3 of this bill requires such data to include the housing status of persons admitted to and released from prison.

Existing law creates the Nevada Local Justice Reinvestment Coordinating Council, which: (1) advises the Commission on matters related to certain legislation, regulations, rules, budgetary changes and other actions concerning local governments; (2) identifies county-level programming and treatment needs for persons involved in the criminal justice system for the purpose of reducing recidivism; (3) makes recommendations to the Commission regarding certain grants; (4) oversees the implementation of and creates performance measures to assess the effectiveness of certain grants; and (5) identifies opportunities for collaboration with the Department of Health and Human Services for treatment services and funding. (NRS 176.014) Section 2.7 of this bill authorizes the Council to accept any gift, donation, bequest, grant or other source of money for the purpose of carrying out its duties.

Existing law requires the Division to administer a risk and needs assessment to certain probationers and parolees under the supervision of the Division and, on a schedule determined by the Nevada Risk Assessment System or more often if necessary, administer a subsequent risk and needs assessment to such

probationers and parolees. (NRS 176A.435, 213.1078) **Sections 3 and 6** of this bill provide that a subsequent risk and needs assessment will be administered on a schedule determined by the appropriate risk **and needs** assessment tool instead of by the Nevada Risk Assessment System. ~~[Existing law provides that if a term or condition of probation or the level of supervision set is found not to align with the results of a risk and needs assessment, the supervising officer is required to notify the court of the finding and the court may modify the terms of probation. (NRS 176A.435)]~~ Existing law ~~[also]~~ provides that if a condition of parole or the level of parole supervision set is found not to align with the results of a risk and needs assessment, the supervising officer is required to submit a request to the State Board of Parole Commissioners **(hereinafter "Board")** to modify the condition or level of supervision. (NRS 213.1078) **Section 6** ~~[revises such a procedure to mirror the procedure used with regard to probation by requiring the supervising officer to notify the Board of a finding that a condition of parole or the level of parole supervision does not align with the results of a risk and needs assessment and authorizing the Board to modify the condition or level of supervision.]~~ **removes such provisions.**

Existing law requires the Division to adopt a written system of graduated sanctions for use by parole and probation officers when responding to a technical violation of the conditions of probation or parole. (NRS 176A.510, 213.15101) **Sections 4 and 7** of this bill, respectively, provide that as part of the system of graduated sanctions, the Division is authorized, in response to a technical violation of parole or probation, to: (1) impose confinement in a jail or detention facility for a period of not more than 10 days, not to exceed 30 days in the aggregate; or (2) place the person under a system of active electronic monitoring for a period of not more than 60 days using an electronic device approved by the Division. **Sections 4 and 7** also require a system of graduated sanctions to include guidance on the use of such confinement in a jail or detention facility and electronic monitoring. **Sections 4 and 7** additionally revise the definition of "technical violation" to exclude, as applicable: (1) certain violations of probation or suspension of sentence by a sex offender or a person convicted of stalking with the use of electronic means, an offense involving pornography with a minor or luring a child or person with a mental illness through the use of electronic means; (2) certain violations of parole by a prisoner convicted of a sexual offense, a prisoner who is a Tier 3 offender convicted of a sexual offense against a child under 14 years of age or a prisoner convicted of stalking with the use of electronic means, an offense involving pornography with a minor or luring a child or person with a mental illness through the use of electronic means; and (3) termination from certain treatment programs.

Existing law provides that if a probationer or parolee commits one or more technical violations of the conditions of probation or parole, a court or the Board, as applicable, may take certain actions, including: (1) temporarily revoking the probation, suspension of sentence or parole supervision and

imposing a term of imprisonment of not more than 30 days for the first temporary revocation, 90 days for the second temporary revocation or 180 days for the third temporary revocation; or (2) fully revoking the probation, suspension of sentence or parole supervision and imposing imprisonment for the remainder of the sentence for a fourth or subsequent revocation. (NRS 176A.630, 213.1519) **Sections 5 and 8** of this bill ~~[:]~~ **also authorize a court or the Board, as applicable, to revoke the probation, suspension of sentence or parole supervision at the request of a probationer or parolee. Sections 5 and 8 additionally require that before a court or the Board, as applicable, may take such actions, the Division must determine that the graduated sanctions adopted by the Division for technical violations of the conditions of probation or parole have been exhausted. Sections 5 and 8 further require that: (1) a probationer who is arrested and detained, or a parolee whose parole is revoked, for committing a technical violation of the conditions of probation or parole, as applicable, receives credit for any time served while the probationer or parolee is waiting for a hearing to determine if a technical violation has occurred, which must be applied to any term of imprisonment imposed for the technical violation; and (2) any time served by the probationer or parolee while waiting for such a hearing or in accordance with any term of imprisonment imposed for the technical violation must be applied toward the original sentence of the probationer or parolee.**

Section 8 additionally: (1) ~~[increase]~~ **increases** the terms of imprisonment for a temporary revocation of ~~[probation or suspension of sentence or]~~ parole supervision ~~[, respectively,]~~ from 30 days to 90 days for the first temporary revocation and from 90 days to 180 days for the second temporary revocation; and (2) ~~[authorize]~~ **authorizes** a full revocation of ~~[probation or suspension of sentence or]~~ parole supervision ~~[, respectively,]~~ for a third or subsequent revocation.

Section 8.7 of this bill requires the Department to: (1) collect and analyze certain data relating to the length of the term of imprisonment served and recidivism rates for persons whose probation, suspension or sentence or parole supervision is revoked due to a technical violation of the conditions of probation or parole; and (2) submit a report regarding such data to the Director of the Legislative Counsel Bureau on or before January 1, 2025.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Amendment No. 248.

AN ACT relating to local improvements; revising the process for the governing body of a municipality to provide notice of the annual assessment roll for a neighborhood improvement project; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the governing body of any county, city or town to create an improvement district for the acquisition, improvement, equipment, operation and maintenance of certain projects, including a neighborhood improvement project, and to finance the cost of any such project through such methods as the issuance of certain bonds and the levy of assessments upon property in the improvement district. (NRS 271.265, 271.270, 271.325)

Existing law requires the governing body of a local government which has acquired or improved a neighborhood improvement project to annually: (1) prepare an estimate of expenditures for the next fiscal year and a proposed assessment roll for the district; (2) conduct a public hearing on the estimate of expenditures and proposed assessment roll; and (3) confirm and levy the assessments. (NRS 271.377) **Section 3** of this bill requires instead that a governing body for a neighborhood improvement project annually: (1) prepare an amendment to the assessment roll and an estimate of the expenditures for the next fiscal year; (2) hold a public meeting to consider the amendment; (3) mail **or, upon written request and to the extent practicable, transmit by**

electronic mail a notice of the public meeting at least 21 days before the date of the meeting to the owner of each tract to be assessed; and (4) confirm the amendment to the assessment roll by resolution and mail notice of the assessments to the owner of each tract being assessed.

Legislative Counsel's Digest:

Under existing law, a board of county commissioners may by ordinance create a regional transportation commission if a streets and highways plan has been adopted as part of the master plan by the county or regional planning commission. (NRS 277A.170) Existing law authorizes a regional transportation commission to provide for and maintain such security in operations as is necessary for the protection of persons and property. (NRS 277A.260) **Section 2** of this bill authorizes a regional transportation commission to ~~: (1) use an electronic surveillance system to provide and maintain such security in operations; and (2)~~ establish a fine for a passenger who refuses to comply with a regional or statewide health and safety standard or mandate. **Section 2** further ~~: (1)~~ requires a regional transportation commission ~~to adopt certain policies and procedures governing the maintenance of records made or recorded by an electronic surveillance system; (2) provides that any record made or recorded by an electronic surveillance system is a public record; and (3) provides that the provisions of section 2 do not supersede the provisions of a collective bargaining agreement.~~ **or any person who contracts with a regional transportation commission to operate a public transit system to: (1) maintain any audio or video recording that is used as evidence in certain disciplinary actions or contains an incident on a public transit system that results in an injury to an employee; and (2) upon the request of an employee organization that is the exclusive bargaining agent of the employees of a person who contracts with the regional transportation commission, to provide such audio or video recordings to the employee organization.**

Existing law requires the regional transportation commission in a county whose population is 700,000 or more (currently only Clark County) to establish an advisory committee to provide certain information and advice to the commission relating to public mass transportation in the county. The

advisory committee consists of: (1) two members of the general public from each city within the county who are appointed by the governing body of that city; and (2) six members of the general public appointed by the regional transportation commission. (NRS 277A.340) **Section 3** of this bill ~~[:]~~ **instead requires the regional transportation commission to appoint members to the advisory committee. Section 3 further provides that the membership of the committee must include:** (1) ~~[revises the population requirement for a county to establish such an advisory committee to be 100,000 or more (currently Clark and Washoe Counties); and (2) requires the appointing authorities to coordinate to ensure that]~~ at least two ~~[of the]~~ members ~~[on the advisory committee]~~ **who** are representatives of the employees who work on a public transit system in the county, are not in a supervisory position and are recommended by the principal officers of the employee organization that ~~[represent]~~ **represents** such employees ~~[.~~

~~Existing law: (1) authorizes a regional transportation commission in a county whose population is 700,000 or more (currently only Clark County) to utilize a turnkey procurement process to select a person to design, build, finance, operate and maintain, or any combination thereof, a high-capacity transit system, including, without limitation, any minimum operable segment thereof; and (2) requires the regional transportation commission to evaluate whether turnkey procurement is the most cost-effective method of constructing the project on schedule and in satisfaction of its transportation objectives. (NRS 277A.450)]~~ **; (2) at least one member of the general public; and (3) any other additional members appointed at the discretion of the regional transportation commission. Section 3 also authorizes a regional transportation commission to assign certain duties of the advisory committee to another committee established by the regional transportation commission, provided that the membership of the other committee meets the membership requirements for an advisory committee.**

Section 1.5 of this bill requires a regional transportation commission in a county whose population is 100,000 or more but less than 700,000 (currently only Washoe County) to establish an advisory committee to provide certain information and advice to the regional transportation commission relating to public mass transportation in the county. Section 1.5 provides that the advisory committee consist of: (1) one member of the general public from each city within the county who is appointed by the governing body of that city; and (2) three members of the general public appointed by the regional transportation commission. Section 1.5 also requires the appointing authorities to coordinate to ensure that at least two of the members on the advisory committee are representatives of the employees who work for the public transit system in the county, are not in a supervisory position and are recommended by the principal officers of the employee organization that represents such employees.

Section 6 of this bill ~~[requires the regional transportation commission to: (1) evaluate whether turnkey procurement is the most cost-effective method of constructing, operating or maintaining the project on schedule and in satisfaction of its transportation objectives in comparison to using the employees of the regional transportation commission; (2) publish a report of its evaluation; and (3) transmit a copy of the report to the Department of Transportation.~~

~~If a regional transportation commission utilizes a turnkey procurement process for a high capacity transit system, section 1 of this bill sets forth certain eligibility requirements for a person who submits a bid on or is awarded a contract for the high-capacity transit system. Section 1 also provides: (1) certain requirements for the termination of such a contract; and (2) that if such a contract is terminated, the person is not eligible to submit a bid on or be awarded a contract or subcontract with the regional transportation commission for a period of time to be determined by the regional transportation commission.~~

Amendment No. 215.

AN ACT relating to motor vehicles; revising provisions relating to the towing of a motor vehicle when a tow is requested by certain persons; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that if the towing of a motor vehicle is requested by a person other than the owner, an agent of the owner, a law enforcement officer or other person employed to enforce the laws, ordinances and codes of a local government, the operator of the tow car shall not charge any fee or cost for the storage of the motor vehicle until at least 48 hours after the motor vehicle

arrives and is registered at the place of storage. (NRS 706.4477) This bill ~~[provides instead that an operator is prohibited from charging any fee or cost for the towing of the motor vehicle, including, without limitation, any fee or cost for the removal, impoundment or storage of the motor vehicle, until at least 48 hours after the motor vehicle arrives and is registered at the place of storage.]~~ **removes this provision.** This bill also provides that an operator who tows a vehicle in violation of the requirements of this bill or charges a fee or cost in violation of this bill may be subject to certain penalties and the owners of the vehicle may bring an action against the operator to recover costs.

Existing law provides that an owner of real property may not have a vehicle towed solely because the registration of the vehicle is expired. (NRS 706.4477) This bill: (1) prohibits an operator from charging any fee or cost for the towing of a vehicle solely because the registration of the vehicle is expired; and (2) provides that the towing of such a vehicle by an operator is a violation subject to the penalties provided for in this bill.

Existing law provides that, in certain situations, a registered owner of a motor vehicle that is towed is responsible for the cost of removal and storage of the motor vehicle, but if, for reasons outside of the owner's control, he or she is incapable of paying the normal rate charged for the removal and storage of the towed motor vehicle, the owner may pay a hardship tariff in accordance with regulations adopted by the Nevada Transportation Authority. (NRS 706.4477) This bill ~~[sets forth certain reasons outside of the owner's control for which he or she is determined to be incapable of paying the normal rate charged for the removal and storage of the towed motor vehicle.]~~ **revises the situations in which an owner may pay a hardship tariff, but limits an owner from paying the hardship tariff more than once per calendar year.**

Assembly Bill No. 343.

Bill read second time.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 116.

AN ACT relating to occupational therapy; authorizing the Board of Occupational Therapy to issue a license by reciprocity as an occupational therapist or occupational therapy assistant; authorizing the Board to issue certain citations to licensees for certain violations; revising the qualifications for a person to obtain a license as an occupational therapist or occupational therapy assistant; providing a salary for members of the Board; revising various provisions relating to licensing occupational therapists or occupational therapy assistants; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for the licensure and regulation of occupational therapists and occupational therapy assistants by the Board of Occupational Therapy. (Chapter 640A of NRS) Existing law requires a person to meet certain requirements to obtain a license as an occupational therapist or occupational therapy assistant, including the satisfaction of certain educational requirements in a program approved by the Board, the successful completion of a certain amount of fieldwork experience approved by the Board and the passage of an examination approved by the Board. (NRS 640A.120) **Section 8** of this bill revises those requirements to instead require, with certain exceptions, a person who wishes to obtain a license as an occupational therapist or occupational therapy assistant to: (1) pass an examination on the laws and regulations governing the practice of occupational therapy in this State approved by the Board pursuant to **section 10** of this bill; and (2) hold a current certification as an occupational therapist or occupational therapy assistant, as applicable, with the National Board for Certification in Occupational Therapy, or its successor organization. **Section 5** of this bill revises a reference to the educational program required for licensure to reflect the changes made by **section 8**. **Section 19** of this bill repeals provisions concerning the issuance of certain licenses to conform to the changes made by **section 8**.

Existing law authorizes the issuance of a license by endorsement as an occupational therapist to an applicant who holds a valid and unrestricted license as an occupational therapist in the District of Columbia or any state or territory of the United States and who meets certain other requirements. (NRS 640A.165, 640A.166) **Section 2** of this bill authorizes the Board to issue a license by reciprocity as an occupational therapist or occupational therapy

assistant to a person who holds a valid and unrestricted license as an occupational therapist or occupational therapy assistant, as applicable, in any state that is a member of the Occupational Therapy Licensure Compact and who meets certain other requirements. **Sections 2, 11 and 12** of this bill require an applicant for a licensure by endorsement or by reciprocity to meet the requirements set forth in **section 8**.

Existing law authorizes the Board to issue a temporary license to a person who meets the qualifications for licensure as an occupational therapist or occupational therapy assistant other than the passage of the examination approved by the Board. If the person to whom a temporary license does not hold a license in another State and is not certified by the National Board for Certification in Occupational Therapy, existing law authorizes the person to practice occupational therapy under the temporary license only under the general supervision of a licensed occupational therapist. (NRS 640A.170) **Section 13** of this bill requires a temporary license to be issued only to a person who is licensed in another state and who meets the requirements set forth in **section 8**. **Section 3** of this bill provides for the issuance of a provisional license to a person who: (1) has passed the examination approved by the Board pursuant to **section 10**; (2) has completed certain educational requirements; and (3) is eligible to take the national examination required for certification. Under **section 3**, a person to whom a provisional license is issued is authorized to practice occupational therapy under the temporary license only under the general supervision of a licensed occupational therapist.

Existing law exempts a person enrolled in an educational program approved by the Board from the provisions of existing law governing occupational therapy under certain circumstances. (NRS 640A.070) **Section 6** of this bill revises the type of educational program in which a person must be enrolled to qualify for the exemption. **Section 9** of this bill revises certain requirements concerning an application for a license. **Section 15** of this bill authorizes the Board to establish fees for the issuance of a license by reciprocity and a provisional license.

Existing law authorizes the Board to adopt regulations imposing continuing education requirements for the renewal of a license. (NRS 640A.180) **Section 14** of this bill provides that such requirements may require a licensee to take and pass the examination approved by the Board pursuant to **section 10** at intervals set by the Board.

Existing law provides that the members of the Board serve without compensation while engaged in the business of the Board. (NRS 640A.100) **Section 7** of this bill provides that each member of the Board is entitled to a salary of not more than $150 per day, as fixed by the Board, while engaged in the business of the Board.

Existing law authorizes the Board to impose certain penalties against a licensee who commits certain violations of the provisions of existing law governing occupational therapy or who engages in certain other conduct. (NRS 640A.200) **Section 4** of this bill authorizes the Board to issue a citation to a

licensee who commits certain specified violations of certain regulations adopted by the Board.

Sections 16-18 of this bill make technical changes to existing provisions which exempt persons licensed as an occupational therapist or occupational therapy assistant from certain provisions governing other professions.

2. The following rules determine the chattel paper's jurisdiction under this section:

(a) If the authoritative electronic copy of the record evidencing chattel paper, or a record attached to or logically associated with the electronic copy and readily available for review, expressly provides that a particular jurisdiction is the chattel paper's jurisdiction for purposes of this part, this Article or the Uniform Commercial Code, that jurisdiction is the chattel paper's jurisdiction.

jurisdiction for purposes of this part, this Article or the Uniform Commercial Code, that jurisdiction is the chattel paper's jurisdiction.

(c) If paragraphs (a) and (b) do not apply and the authoritative electronic copy, or a record attached to or logically associated with the electronic copy and readily available for review, expressly provides that the chattel paper is governed by the law of a particular jurisdiction, that jurisdiction is the chattel paper's jurisdiction.

(d) If paragraphs (a), (b) and (c) do not apply and the rules of the system in which the authoritative electronic copy is recorded are readily available for review and expressly provide that the chattel paper or the system is governed by the law of a particular jurisdiction, that jurisdiction is the chattel paper's jurisdiction.

(e) If paragraphs (a) to (d), inclusive, do not apply, the chattel paper's jurisdiction is the jurisdiction in which the debtor is located.

3. If an authoritative tangible copy of a record evidences chattel paper and the chattel paper is not evidenced by an authoritative electronic copy, while the authoritative tangible copy of the record evidencing chattel paper is located in a jurisdiction, the law of that jurisdiction governs:

(a) Perfection of a security interest in the chattel paper by possession under section 7 of this act; and

(b) The effect of perfection or nonperfection and the priority of a security interest in the chattel paper.

4. The law of the jurisdiction in which the debtor is located governs perfection of a security interest in chattel paper by filing.

2. The law of the jurisdiction in which the debtor is located governs:

(a) Perfection of a security interest in a controllable account, controllable electronic record or controllable payment intangible by filing; and

Sec. 7. *1. A secured party may perfect a security interest in chattel paper by taking possession of each authoritative tangible copy of the record evidencing the chattel paper and obtaining control of each authoritative electronic copy of the electronic record evidencing the chattel paper.*

2. A security interest is perfected under subsection 1 not earlier than the time the secured party takes possession and obtains control and remains perfected under subsection 1 only while the secured party retains possession and control.

3. Subsections 3 and 6 to 9, inclusive, of NRS 104.9313 apply to perfection by possession of an authoritative tangible copy of a record evidencing chattel paper.

Sec. 8. ***A security interest in a controllable account, controllable electronic record or controllable payment intangible held by a secured party having control of the account, electronic record or payment intangible has priority over a conflicting security interest held by a secured party that does not have control.***

3. After receipt of a notification that complies with subsection 2, the account debtor may discharge its obligation by paying in accordance with the notification and may not discharge the obligation by paying a person that formerly had control.

4. Subject to subsection 8, notification is ineffective under subsection 2:

(a) Unless, before the notification is sent, the account debtor and the person that, at that time, had control of the controllable electronic record that evidences the controllable account or controllable payment intangible agree in a signed record to a commercially reasonable method by which a person may furnish reasonable proof that control has been transferred;

(b) To the extent an agreement between the account debtor and seller of a payment intangible limits the account debtor's duty to pay a person other than the seller and the limitation is effective under law other than this Article; or

(c) At the option of an account debtor, if the notification notifies the account debtor to:

(1) Divide a payment;

(2) Make less than the full amount of an installment or other periodic payment; or

(3) Pay any part of a payment by more than one method or to more than one person.

5. Subject to subsection 8, if requested by the account debtor, the person giving the notification under subsection 2 seasonably shall furnish reasonable proof, using the method in the agreement referred to in paragraph (a) of subsection 4, that control of the controllable electronic record has been transferred. Unless the person complies with the request, the account debtor may discharge its obligation by paying a person that formerly had control, even if the account debtor has received a notification under subsection 2.

6. A person furnishes reasonable proof under subsection 5 that control has been transferred if the person demonstrates, using the method in the agreement referred to in paragraph (a) of subsection 4, that the transferee has the power to:

2. For a controllable electronic record that evidences a controllable account or controllable payment intangible, the law of the controllable electronic record's jurisdiction governs a matter covered by section 14 of this act unless an effective agreement determines that the law of another jurisdiction governs.

3. The following rules determine a controllable electronic record's jurisdiction under this section:

(a) If the controllable electronic record, or a record attached to or logically associated with the controllable electronic record and readily available for review, expressly provides that a particular jurisdiction is the controllable electronic record's jurisdiction for purposes of this Article or the Uniform Commercial Code, that jurisdiction is the controllable electronic record's jurisdiction.

electronic record's jurisdiction for purposes of this Article or the Uniform Commercial Code, that jurisdiction is the controllable electronic record's jurisdiction.

(c) If paragraphs (a) and (b) do not apply and the controllable electronic record, or a record attached to or logically associated with the controllable electronic record and readily available for review, expressly provides that the controllable electronic record is governed by the law of a particular jurisdiction, that jurisdiction is the controllable electronic record's jurisdiction.

(e) If paragraphs (a) to (d), inclusive, do not apply, the controllable electronic record's jurisdiction is the District of Columbia.

4. In this subsection, "Article 12" means Article 12 of the Uniform Commercial Code Amendments (2022).

5. To the extent subsections 1 and 2 provide that the law of the controllable electronic record's jurisdiction governs a matter covered by this Article, that law governs even if a matter or transaction to which the matter relates does not bear any relation to the controllable electronic record's jurisdiction.

6. The rights acquired under section 12 of this act by a purchaser or qualifying purchaser are governed by the law applicable under this section at the time of purchase.

3. This act does not affect an action, case or proceeding commenced before October 1, 2023.

Sec. 20. *1. A security interest that is enforceable and perfected immediately before October 1, 2023, is a perfected security interest under this act if, on October 1, 2023, the requirements for enforceability and perfection under this act are satisfied without further action.*

2. If a security interest is enforceable and perfected immediately before October 1, 2023, but the requirements for enforceability or perfection under this act are not satisfied on October 1, 2023, the security interest:

(a) Is a perfected security interest until the earlier of the time perfection would have ceased under the law in effect immediately before October 1, 2023, or July 1, 2025;

(b) Remains enforceable thereafter only if the security interest satisfies the requirements for enforceability under NRS 104.9203, as amended by section 52 of this act, before July 1, 2025; and

(c) Remains perfected thereafter only if the requirements for perfection under this act are satisfied before the time specified in paragraph (a).

Sec. 21. *A security interest that is enforceable immediately before October 1, 2023, but is unperfected at that time:*

1. Remains an enforceable security interest until July 1, 2025;

2. Remains enforceable thereafter if the security interest becomes enforceable under NRS 104.9203, as amended by section 52 of this act, on October 1, 2023, or before July 1, 2025; and

3. Becomes perfected:

(a) Without further action, on October 1, 2023, if the requirements for perfection under this act are satisfied before or at that time; or

(b) When the requirements for perfection are satisfied if the requirements are satisfied after that time.

Sec. 22. ***1. If action, other than the filing of a financing statement, is taken before October 1, 2023, and the action would have resulted in perfection of the security interest had the security interest become enforceable before October 1, 2023, the action is effective to perfect a security interest that attaches under this act before July 1, 2025. An attached security interest becomes unperfected on July 1, 2025 unless the security interest becomes a perfected security interest under this act before July 1, 2025.***

2. The filing of a financing statement before October 1, 2023, is effective to perfect a security interest on October 1, 2023, to the extent the filing would satisfy the requirements for perfection under this act.

3. The taking of an action before October 1, 2023, is sufficient for the enforceability of a security interest on October 1, 2023, if the action would satisfy the requirements for enforceability under this act.

Sec. 23. ***1. Subject to subsections 2 and 3, this act determines the priority of conflicting claims to collateral.***

2. Subject to subsection 3, if the priorities of claims to collateral were established before October 1, 2023, Article 9, as in effect before October 1, 2023, determines priority.

3. On July 1, 2025, to the extent the priorities determined by Article 9, as amended by this act, modify the priorities established before October 1, 2023, the priorities of claims to Article 12 property ~~[and electronic money]~~ established before October 1, 2023, cease to apply.

Sec. 24. ***1. Subject to subsections 2 and 3, Article 12 determines the priority of conflicting claims to Article 12 property when the priority rules of Article 9, as amended by this act, do not apply.***

2. Subject to subsection 3, when the priority rules of Article 9, as amended by this act, do not apply and the priorities of claims to Article 12 property were established before October 1, 2023, law other than Article 12 determines priority.

3. When the priority rules of Article 9, as amended by this act, do not apply, to the extent the priorities determined by this act modify the priorities established before October 1, 2023, the priorities of claims to Article 12 property established before October 1, 2023, cease to apply on July 1, 2025.

2. As security for, or in total or partial satisfaction of, a preexisting claim;
3. By accepting delivery under a preexisting contract for purchase; or
4. In return for any consideration sufficient to support a simple contract.

Sec. 27. NRS 104.1301 is hereby amended to read as follows:

104.1301 1. Except as otherwise provided in this section, when a transaction bears a reasonable relation to this State and also to another state or nation the parties may agree that the law either of this State or of such other state or nation shall govern their rights and duties.

2. In the absence of an agreement effective under subsection 1, and except as otherwise provided in subsection 3, the Uniform Commercial Code applies to transactions bearing an appropriate relation to this State.

3. If one of the following provisions of the Uniform Commercial Code specifies the applicable law, that provision governs and a contrary agreement is effective only to the extent permitted by the law so specified:

(a) NRS 104.2402;
(b) NRS 104.4102;
(c) NRS 104.5116;
(d) NRS 104.8110;

Sec. 28. NRS 104.1306 is hereby amended to read as follows:

104.1306 A claim or right arising out of an alleged breach may be discharged in whole or in part without consideration by agreement of the aggrieved party in ~~[an authenticated]~~ ***a signed*** record.

Sec. 29. NRS 104.2102 is hereby amended to read as follows:

104.2102 ***1.*** Unless the context otherwise requires, ***and except as provided in subsection 3,*** this article applies to transactions in goods ~~[; it does not apply to any transaction which although in the form of an unconditional contract to sell or present sales is intended to operate only as a security transaction nor does this article impair]~~ ***and, in the case of a hybrid transaction, it applies to the extent provided in subsection 2.***

2. In a hybrid transaction:

(a) If the sale-of-goods aspects do not predominate, only the provisions of this Article which relate primarily to the sale-of-goods aspects of the transactions apply, and the provisions that relate primarily to the transaction as a whole do not apply.

(b) If the sale-of-goods aspects predominate, this Article applies to the transaction but does not preclude application in appropriate circumstances of other law to the aspects of the transaction which do not relate to the sale of goods.

3. This Article does not:

(a) Apply to a transaction that, even though in the form of an unconditional contract to sell or present sale, operates only to create a security interest; or

(b) Impair or repeal any statute regulating sales to consumers, farmers or other specified classes of buyers.

Sec. 30. NRS 104.2106 is hereby amended to read as follows:

2. Goods or conduct including any part of a performance are "conforming" or conform to the contract when they are in accordance with the obligations under the contract.

4. "Cancellation" occurs when either party puts an end to the contract for breach by the other and its effect is the same as that of "termination" except that the cancelling party also retains any remedy for breach of the whole contract or any unperformed balance.

5. "Hybrid transaction" means a single transaction involving a sale of goods and:

(a) The provision of services;

(b) A lease of other goods; or

(c) A sale, lease or license of property other than goods.

104.2201 1. Except as otherwise provided in this section a contract for the sale of goods for the price of $500 or more is not enforceable by way of action or defense unless there is ~~[some writing]~~ ***a record*** sufficient to indicate that a contract for sale has been made between the parties and signed by the party against whom enforcement is sought or by ~~[his or her]~~ ***the party's*** authorized agent or broker. A ~~[writing]~~ ***record*** is not insufficient because it omits or incorrectly states a term agreed upon but the contract is not enforceable under this subsection beyond the quantity of goods shown in ~~[such writing.]~~ ***the record.***

2. Between merchants if within a reasonable time a ~~[writing]~~ ***record*** in confirmation of the contract and sufficient against the sender is received and the party receiving it has reason to know its contents, it satisfies the requirements of subsection 1 against ~~[such]~~ ***the*** party unless ~~[written]~~ notice ***in a record*** of objection to its contents is given within 10 days after it is received.

3. A contract which does not satisfy the requirements of subsection 1 but which is valid in other respects is enforceable:

(a) If the goods are to be specially manufactured for the buyer and are not suitable for sale to others in the ordinary course of the seller's business and the seller, before notice of repudiation is received and under circumstances which reasonably indicate that the goods are for the buyer, has made either a substantial beginning of their manufacture or commitments for their procurement; or

(b) If the party against whom enforcement is sought admits in his or her pleading, testimony or otherwise in court that a contract for sale was made, but the contract is not enforceable under this provision beyond the quantity of goods admitted; or

(c) With respect to goods for which payment has been made and accepted or which have been received and accepted (NRS 104.2606).

Sec. 32. NRS 104.2202 is hereby amended to read as follows:

104.2202 Terms with respect to which the confirmatory memoranda of the parties agree or which are otherwise set forth in ~~[writing]~~ ***a record*** intended by the parties as a final expression of their agreement with respect to such terms as are included therein may not be contradicted by evidence of any prior agreement or of a contemporaneous oral agreement but may be explained or supplemented:

1. By course of performance, course of dealing or usage of trade (NRS 104.1303); and

2. By evidence of consistent additional terms unless the court finds the ~~[writing]~~ ***record*** to have been intended also as a complete and exclusive statement of the terms of the agreement.

Sec. 33. NRS 104.2203 is hereby amended to read as follows:

104.2203 The affixing of a seal to a ~~[writing]~~ ***record*** evidencing a contract for sale or an offer to buy or sell goods does not constitute the ~~[writing]~~ ***record*** a sealed instrument and the law with respect to sealed instruments does not apply to such contract or offer.

Sec. 34. NRS 104.2205 is hereby amended to read as follows:

104.2205 An offer by a merchant to buy or sell goods in a signed ~~[writing]~~ ***record*** which by its terms gives assurance that it will be held open is not revocable, for lack of consideration, during the time stated or if no time is stated for a reasonable time, but in no event may such period of irrevocability exceed 3 months; but any such term of assurance on a form supplied by the offeree must be separately signed by the offeror.

Sec. 35. NRS 104.2209 is hereby amended to read as follows:

104.2209 1. An agreement modifying a contract within this Article needs no consideration to be binding.

2. A signed agreement which excludes modification or rescission except by a signed writing ***or other signed record*** cannot be otherwise modified or rescinded, but except as between merchants such a requirement on a form supplied by the merchant must be separately signed by the other party.

3. The requirements of the statute of frauds section of this Article (NRS 104.2201) must be satisfied if the contract as modified is within its provisions.

4. Although an attempt at modification or rescission does not satisfy the requirements of subsection 2 or 3 it can operate as a waiver.

5. A party who has made a waiver affecting an executory portion of the contract may retract the waiver by reasonable notification received by the other party that strict performance will be required of any term waived, unless the retraction would be unjust in view of a material change of position in reliance on the waiver.

Sec. 36. NRS 104.3104 is hereby amended to read as follows:

104.3104 1. Except as otherwise provided in subsections 3 and 4, "negotiable instrument" means an unconditional promise or order to pay a fixed amount of money, with or without interest or other charges described in the promise or order, if it:

3. An order that meets all of the requirements of subsection 1, except paragraph (a), and otherwise falls within the definition of "check" in subsection 6 is a negotiable instrument and a check.

4. A promise or order other than a check is not an instrument if, at the time it is issued or first comes into possession of a holder, it contains a conspicuous statement, however expressed, to the effect that the promise or order is not negotiable or is not an instrument governed by this article.

5. An instrument is a "note" if it is a promise and is a "draft" if it is an order. If an instrument falls within the definition of both "note" and "draft," a person entitled to enforce the instrument may treat it as either.

6. "Check" means:

(a) A draft, other than a documentary draft, payable on demand and drawn on a bank; or

(b) A cashier's check or teller's check.

Ê An instrument may be a check even though it is described on its face by another term, such as "money order."

2. An unissued instrument, or an unissued incomplete instrument that is completed, is binding on the maker or drawer, but nonissuance is a defense. An instrument that is conditionally issued or is issued for a special purpose is binding on the maker or drawer, but failure of the condition or special purpose to be fulfilled is a defense.

3. "Issuer" applies to issued and unissued instruments and means a maker or drawer of an instrument.

(b) By agreeing not to sue or otherwise renouncing rights against the party by a signed record.

Ê The obligation of a party to pay a check is not discharged solely by destruction of the check in connection with a process in which information is extracted from the check and an image of the check is made and, subsequently, the information and image are transmitted for payment.

2. Cancellation or striking out of an endorsement pursuant to subsection 1 does not affect the status and rights of a party derived from the endorsement.

A purchaser who has satisfied the requirements of subsection 3 or 4 has control even if the registered owner in the case of subsection 3 or the entitlement holder in the case of subsection 4 retains the right to make substitutions for the uncertificated security or security entitlement, originate instructions or entitlement orders to the issuer or securities intermediary or otherwise deal with the uncertificated security or security entitlement.

7. An issuer or a securities intermediary may not enter into an agreement of the kind described in paragraph (b) of subsection 3 or paragraph (b) of subsection 4 without the consent of the registered owner or entitlement holder, but an issuer or a securities intermediary is not required to enter into such an agreement even if the registered owner or entitlement holder so directs. 4. "Issuer's jurisdiction" means the jurisdiction under which the issuer of the security is organized or, if permitted by the law of that jurisdiction, the law of another jurisdiction specified by the issuer. An issuer organized under the law of this State may specify the law of another jurisdiction as the law governing the matters specified in paragraphs (b) to (e), inclusive, of subsection 1.

5. The following rules determine a "securities intermediary's jurisdiction" for purposes of this section:

(c) If neither paragraph (a) nor paragraph (b) applies and an agreement between the securities intermediary and its entitlement holder governing the securities account expressly provides that the securities account is maintained at an office in a particular jurisdiction, that jurisdiction is the securities intermediary's jurisdiction.

(d) If neither paragraph (a) nor paragraph (b) nor paragraph (c) applies, the securities intermediary's jurisdiction is the jurisdiction in which the office identified in an account statement as the office serving the entitlement holder's account is located.

(e) If none of the preceding paragraphs applies, the securities intermediary's jurisdiction is the jurisdiction in which its chief executive office is located.

6. A securities intermediary's jurisdiction is not determined by the physical location of certificates representing financial assets, or by the jurisdiction in which is organized the issuer of the financial asset with respect to which an entitlement holder has a security entitlement or by the location of facilities for data processing or other recordkeeping concerning the account.

7. The local law of the issuer's jurisdiction or the securities intermediary's jurisdiction governs a matter or transaction specified in subsections 1 and 2 even if the matter or transaction does not bear any relation to the jurisdiction.

(a) A financing statement filed before the change pursuant to the law of the jurisdiction designated in subsection 1 of NRS 104.9301 or subsection 3 of NRS 104.9305 is effective to perfect a security interest in the collateral if the financing statement would have been effective to perfect a security interest in the collateral if the debtor had not changed its location.

(b) If a security interest perfected by a financing statement that is effective under paragraph (a) becomes perfected under the law of the other jurisdiction before the earlier of the time the financing statement would have become ineffective under the law of the jurisdiction designated in subsection 1 of NRS 104.9301 or subsection 3 of NRS 104.9305 or the expiration of the 4-month period, it remains perfected thereafter. If the security interest does not become perfected under the law of the other jurisdiction before the earlier time or event, it becomes unperfected and is deemed never to have been perfected as against a purchaser of the collateral for value.

subsection 3 of NRS 104.9305 and the new debtor is located in another jurisdiction, the following rules apply:

(a) The financing statement is effective to perfect a security interest in collateral acquired by the new debtor before, and within 4 months after, the new debtor becomes bound under subsection 4 of NRS 104.9203, if the financing statement would have been effective to perfect a security interest in the collateral had the collateral been acquired by the original debtor.

A security interest that is perfected by the financing statement but which does not become perfected under the law of the other jurisdiction before the earlier time or event becomes unperfected and is deemed never to have been perfected as against a purchaser of the collateral for value.

7. If more than one security interest qualifies for priority in the same collateral under subsection 1, 3, 5 or 6:

(a) A security interest securing an obligation incurred as all or part of the price of the collateral has priority over a security interest securing an obligation incurred for value given to enable the debtor to acquire rights in or the use of collateral; and

(b) In all other cases, subsection 1 of NRS 104.9322 applies to the qualifying security interests.

Sec. 69. NRS 104.9330 is hereby amended to read as follows:

104.9334 1. A security interest under this article may be created in goods that are fixtures or may continue in goods that become fixtures. A security interest does not exist under this article in ordinary building materials incorporated into an improvement on land.

2. This article does not prevent creation of an encumbrance upon fixtures under real property law.

3. In cases not governed by subsections 4 to 8, inclusive, a security interest in fixtures is subordinate to a conflicting interest of an encumbrancer or owner of the related real property other than the debtor.

4. Except as otherwise provided in subsection 8, a perfected security interest in fixtures has priority over a conflicting interest of an encumbrancer or owner of the real property if the debtor has an interest of record in or is in possession of the real property and:

(a) The security interest is a purchase-money security interest;

(b) Before the goods become fixtures, the security interest is perfected by any method permitted by this article and the fixtures are readily removable:

(2) Perfected pursuant to a statute described in paragraph (b) of subsection 1 of NRS 104.9311.

6. A security interest in fixtures, whether or not perfected, has priority over a conflicting interest of an encumbrancer or owner of the real property if:

(a) The encumbrancer or owner has, in ~~[an authenticated]~~ ***a signed*** record, consented to the security interest or disclaimed an interest in the goods as fixtures; or

(b) The debtor has a right to remove the goods as against the encumbrancer or owner.

8. A mortgage is a construction mortgage to the extent that it secures an obligation incurred for the construction of an improvement on land, including the acquisition cost of the land, if the recorded record so indicates. Except as otherwise provided in subsections 5 and 6, a security interest in fixtures is subordinate to a construction mortgage recorded before the goods become fixtures if the goods become fixtures before the completion of the construction. (a) All terms of the agreement between the account debtor and assignor and any defense or claim in recoupment arising from the transaction that gave rise to the contract; and

(b) Any other defense or claim of the account debtor against the assignor which accrues before the account debtor receives a notification of the assignment ~~[~~~~authenticated~~~~]~~ ***signed*** by the assignor or the assignee.

After receipt of the notification, the account debtor may discharge its obligation by paying the assignee and may not discharge the obligation by paying the assignor.

2. Subject to ~~[~~~~subsection~~~~]~~ ***subsections*** 8 ~~[~~~~,~~~~]~~ ***and 11,*** notification is ineffective under subsection 1:

(b) To the extent that an agreement between an account debtor and a seller of a payment intangible limits the account debtor's duty to pay a person other than the seller and the limitation is effective under law other than this article; or

(b) Provides that the assignment or transfer, or the creation, attachment, perfection or enforcement of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the account, chattel paper, payment intangible or promissory note.

Ê As used in this subsection, the term "promissory note" includes a negotiable instrument that evidences chattel paper.

5. Subsection 4 does not apply to the sale of a payment intangible or promissory note, other than a sale pursuant to a disposition under NRS 104.9610 or an acceptance of collateral under NRS 104.9620.

104.9621 1. A secured party that desires to accept collateral in full or partial satisfaction of the obligation it secures shall send its proposal to:

(a) Any person from which the secured party has received, before the debtor consented to the acceptance, ~~[an authenticated]~~ ***a signed*** notification of a claim of an interest in the collateral;

(b) Any other secured party or lienholder that, 10 days before the debtor consented to the acceptance, held a security interest in or other lien on the collateral perfected by the filing of a financing statement that:

(1) Identified the collateral;

(2) Was indexed under the debtor's name as of that date; and

(3) Was filed in the office or offices in which to file a financing statement against the debtor covering the collateral as of that date; and

(c) Any other secured party that, 10 days before the debtor consented to the acceptance, held a security interest in the collateral perfected by compliance with a statute, regulation or treaty described in subsection 1 of NRS 104.9311.

2. A secured party that desires to accept collateral in partial satisfaction of the obligation it secures shall send its proposal to any secondary obligor in addition to the persons described in subsection 1.

Sec. 90. NRS 104.9624 is hereby amended to read as follows:

104.9624 1. A debtor or secondary obligor may waive the right to notification of disposition of collateral under NRS 104.9611 only by an agreement to that effect entered into and ~~[~~authenticated~~]~~ ***signed*** after default.

2. ***A debtor may waive the right to require disposition of collateral under subsection 5 of NRS 104.9620 only by an agreement to that effect entered into and signed after default.***

3. Except in a consumer-goods transaction, a debtor or secondary obligor may waive the right to redeem collateral under NRS 104.9623 only by an agreement to that effect entered into and ~~[~~authenticated~~]~~ ***signed*** after default.

Sec. 91. NRS 104.9628 is hereby amended to read as follows:

104.9628 1. ~~[~~Unless~~]~~ ***Subject to subsection 6, unless*** a secured party knows that a person is a debtor or obligor, knows his or her identity, and knows how to communicate with him or her:

(a) The secured party is not liable to the person, or to a secured party or lienholder that has filed a financing statement against him or her, for failure to comply with this article; and

(b) The secured party's failure to comply with this article does not affect the liability of the person for a deficiency.

2. ~~[~~A~~]~~ ***Subject to subsection 6, a*** secured party is not liable because of its status as a secured party:

(a) To a person that is a debtor or obligor, unless the secured party knows:

(1) That he or she is a debtor or obligor;

(2) His or her identity; and

(3) How to communicate with him or her; or

(b) To a secured party or lienholder that has filed a financing statement against a person, unless the secured party knows:

(1) That he or she is a debtor; and

(2) His or her identity.

3. A secured party is not liable to any person, and a person's liability for a deficiency is not affected, because of any act or omission arising out of the secured party's reasonable belief that a transaction is not a consumer-goods transaction or a consumer transaction or that goods are not consumer goods, if the secured party's belief is based on its reasonable reliance on:

(a) A debtor's representation concerning the purpose for which collateral was to be used, acquired or held; or

(b) An obligor's representation concerning the purpose for which a secured obligation was incurred.

4. A secured party is not liable to any person under paragraph (b) of subsection 3 of NRS 104.9625 for its failure to comply with NRS 104.9616.

5. A secured party is not liable under paragraph (b) of subsection 3 of NRS 104.9625 more than once with respect to any one secured obligation.

6. Subsections 1 and 2 do not apply to limit the liability of a secured party to a person if, at the time the secured party obtains control of collateral that is a controllable account, controllable electronic record or controllable payment intangible or at the time the security interest attaches to the collateral, whichever is later:

(a) The person is a debtor or obligor; and

(b) The secured party knows that the information specified in subparagraph (1), (2) or (3) of paragraph (a) of subsection 2 relating to the person is not provided by the collateral, a record attached to or logically associated with the collateral or the system in which the collateral is recorded.

Sec. 92. NRS 104A.2102 is hereby amended to read as follows:

104A.2102 ***1.*** This article applies to any transaction, regardless of form, that creates a lease ~~[.]~~ ***and, in the case of a hybrid lease, it applies to the extent provided in subsection 2.***

2. In a hybrid lease:

(a) If the lease-of-goods aspects do not predominate:

(1) Only the provisions of this Article which relate primarily to the lease-of-goods aspects of the transaction apply, and the provisions that relate primarily to the transaction as a whole do not apply;

(2) NRS 104A.2209 applies if the lease is a finance lease; and

(3) NRS 104A.2407 applies to the promises of the lessee in a finance lease to the extent the promises are consideration for the right to possession and use of the leased goods.

(b) If the lease-of-goods aspects predominate, this Article applies to the transaction, but this does not preclude application in appropriate circumstances of other law to the aspects of the lease which do not relate to the lease of goods.

Sec. 93. NRS 104A.2103 is hereby amended to read as follows:

104A.2103 1. In this Article unless the context otherwise requires:

(a) "Buyer in ordinary course of business" means a person who, in good faith and without knowledge that the sale to him or her is in violation of the ownership, rights or security interest or leasehold interest of a third party in the goods buys in ordinary course from a person in the business of selling goods of that kind but does not include a pawnbroker. (IV) If the lease is not a consumer lease, the lessor, before the lessee signs the lease contract, informs the lessee in writing of the identity of the person supplying the goods to the lessor, unless the lessee has selected that person and directed the lessor to acquire the goods or the right to possession and use of the goods from that person, that the lessee is entitled under this Article to the promises and warranties, including those of any third party, provided to the lessor by the person supplying the goods in connection with or as part of the contract by which the lessor acquired the goods or the right to possession and use of the goods, and that the lessee may communicate with the person supplying the goods to the lessor and receive an accurate and complete statement of those promises and warranties, including any disclaimers and limitations of them or of remedies.

(h) "Goods" means all things that are movable at the time of identification to the lease contract, or are fixtures (NRS 104A.2309), but the term does not include money, documents, instruments, accounts, chattel paper, general intangibles, or minerals or the like, including oil and gas, before extraction. ~~[(j)]~~ ***(k)*** "Lease" means a transfer of the right to possession and use of goods for a term in return for consideration, but a sale, including a sale on approval or a sale or return, or retention or creation of a security interest is not a lease. Unless the context clearly indicates otherwise, the term includes a sublease.

~~[(k)]~~ ***(l)*** "Lease agreement" means the bargain, with respect to the lease, of the lessor and the lessee in fact as found in their language or by implication from other circumstances including course of dealing or usage of trade or course of performance as provided in this Article. Unless the context clearly indicates otherwise, the term includes a sublease agreement.

~~[(l)]~~ ***(m)*** "Lease contract" means the total legal obligation that results from the lease agreement as affected by this Article and any other applicable rules of law. Unless the context clearly indicates otherwise, the term includes a sublease contract.

~~[(r)]~~ ***(s)*** "Lien" means a charge against or interest in goods to secure payment of a debt or performance of an obligation, but the term does not include a security interest.

~~[(s)]~~ ***(t)*** "Lot" means a parcel or a single Article that is the subject matter of a separate lease or delivery, whether or not it is sufficient to perform the lease contract.

~~[(t)]~~ ***(u)*** "Merchant lessee" means a lessee that is a merchant with respect to goods of the kind subject to the lease.

~~[(u)]~~ ***(v)*** "Present value" means the amount as of a date certain of one or more sums payable in the future, discounted to the date certain. The discount is determined by the interest rate specified by the parties if the rate was not manifestly unreasonable at the time the transaction was entered into; otherwise, the discount is determined by a commercially reasonable rate that takes into account the facts and circumstances of each case at the time the transaction was entered into.

~~[(v)]~~ ***(w)*** "Purchase" includes taking by sale, lease, mortgage, security interest, pledge, gift or any other voluntary transaction creating an interest in goods.

~~[(w)]~~ ***(x)*** "Sublease" means a lease of goods the right to possession and use of which was acquired by the lessor as a lessee under an existing lease.

Sec. 94. NRS 104A.2107 is hereby amended to read as follows:

104A.2107 Any claim or right arising out of an alleged default or breach of warranty may be discharged in whole or in part without consideration by a ~~[written]~~ waiver or renunciation ***in a*** signed ~~[and]~~ ***record*** delivered by the aggrieved party.

Sec. 95. NRS 104A.2201 is hereby amended to read as follows:

104A.2201 1. A lease contract is not enforceable by way of action or defense unless:

(a) The total payments to be made under the lease contract, excluding payments for options to renew or buy, are less than $1,000; or

(b) There is a ~~[writing,]~~ ***record,*** signed by the party against whom enforcement is sought or by that party's authorized agent, sufficient to indicate that a lease contract has been made between the parties and to describe the goods leased and the lease term.

2. Any description of leased goods or of the lease term is sufficient and satisfies paragraph (b) of subsection 1, whether or not it is specific, if it reasonably identifies what is described.

3. A ~~[writing]~~ ***record*** is not insufficient because it omits or incorrectly states a term agreed upon, but the lease contract is not enforceable under paragraph (b) of subsection 1 beyond the lease term and the quantity of goods shown in the ~~[writing.]~~ ***record.***

4. A lease contract that does not satisfy the requirements of subsection 1, but which is valid in other respects, is enforceable:

(a) If the goods are to be specially manufactured or obtained for the lessee and are not suitable for lease or sale to others in the ordinary course of the lessor's business, and the lessor, before notice of repudiation is received and under circumstances that reasonably indicate that the goods are for the lessee, has made either a substantial beginning of their manufacture or commitments for their procurement;

(b) If the party against whom enforcement is sought admits in that party's pleading, testimony or otherwise in court that a lease contract was made, but the lease contract is not enforceable under this provision beyond the quantity of goods admitted; or

(c) With respect to goods that have been received and accepted by the lessee.

5. The lease term under a lease contract referred to in subsection 4 is:

(a) If there is a ~~[writing]~~ ***record*** signed by the party against whom enforcement is sought or by that party's authorized agent specifying the lease term, the term so specified;

(b) If the party against whom enforcement is sought admits in that party's pleading, testimony or otherwise in court a lease term, the term so admitted; or

(c) A reasonable lease term.

Sec. 96. NRS 104A.2202 is hereby amended to read as follows:

104A.2202 Terms with respect to which the confirmatory memoranda of the parties agree or which are otherwise set forth in a ~~[writing]~~ ***record*** intended by the parties as a final expression of their agreement with respect to such terms as are included therein may not be contradicted by evidence of any prior agreement or of a contemporaneous oral agreement but may be explained or supplemented:

1. By course of dealing or usage of trade or by course of performance; and

2. By evidence of consistent additional terms,

~~[~~Ê~~]~~ unless the court finds the ~~[writing]~~ ***record*** to have been intended also as a complete and exclusive statement of the terms of the agreement.

Sec. 97. NRS 104A.2203 is hereby amended to read as follows:

104A.2203 The affixing of a seal to a ~~[writing]~~ ***record*** evidencing a lease contract or an offer to enter into a lease contract does not render the ~~[writing]~~ ***record*** a sealed instrument and the law with respect to sealed instruments does not apply to the lease contract or offer.

Sec. 98. NRS 104A.2205 is hereby amended to read as follows:

104A.2205 An offer by a merchant to lease goods to or from another person in a signed ~~[writing]~~ ***record*** that by its terms gives assurance it will be held open is not revocable, for lack of consideration, during the time stated or, if no time is stated, for a reasonable time, but in no event may the period of irrevocability exceed 3 months. Any such term of assurance on a form supplied by the offeree must be separately signed by the offeror.

Sec. 99. NRS 104A.2208 is hereby amended to read as follows:

104A.2208 1. An agreement modifying a lease contract needs no consideration to be binding.

2. A signed lease agreement that excludes modification or rescission except by a signed ~~[writing]~~ ***record*** may not be otherwise modified or rescinded, but, except as between merchants, such a requirement on a form supplied by a merchant must be separately signed by the other party.

3. Although an attempt at modification or rescission does not satisfy the requirements of subsection 2, it may operate as a waiver.

4. A party who has made a waiver affecting an executory portion of a lease contract may retract the waiver by reasonable notification received by the other party that strict performance will be required of any term waived, unless the retraction would be unjust in view of a material change of position in reliance on the waiver.

Sec. 100. NRS 104A.4103 is hereby amended to read as follows:

104A.4103 1. In this article:

(a) "Payment order" means an instruction of a sender to a receiving bank, transmitted orally ~~[, electronically or in writing,]~~ ***or in a record,*** to pay, or to cause another bank to pay, a fixed or determinable amount of money to a beneficiary if:

(1) The instruction does not state a condition to payment to the beneficiary other than time of payment;

(2) The receiving bank is to be reimbursed by debiting an account of, or otherwise receiving payment from, the sender; and

(3) The instruction is transmitted by the sender directly to the receiving bank or to an agent, funds-transfer system, or communication system for transmittal to the receiving bank.

(b) "Beneficiary" means the person to be paid by the beneficiary's bank.

(c) "Beneficiary's bank" means the bank identified in a payment order in which an account of the beneficiary is to be credited pursuant to the order or which otherwise is to make payment to the beneficiary if the order does not provide for payment to an account.

(d) "Receiving bank" means the bank to which the sender's instruction is addressed.

(e) "Sender" means the person giving the instruction to the receiving bank.

2. If an instruction complying with paragraph (a) of subsection 1 is to make more than one payment to a beneficiary, the instruction is a separate payment order with respect to each payment.

3. A payment order is issued when it is sent to the receiving bank.

Sec. 101. NRS 104A.4201 is hereby amended to read as follows:

104A.4201 1. "Security procedure" means a procedure established by agreement of a customer and a receiving bank ~~[to:]~~ ***for the purpose of:***

(a) ~~[Verify]~~ ***Verifying*** that a payment order or communication amending or cancelling a payment order is that of the customer; or

(b) ~~[Detect]~~ ***Detecting*** error in the transmission or the content of the payment order or communication.

2. A security procedure ***may impose an obligation on the receiving bank or the customer and*** may require the use of algorithms or other codes, identifying words ***,*** ~~[or]~~ numbers, ***symbols, sounds, biometrics,*** encryption, callback procedures or similar security devices.

3. Comparison of a signature on a payment order or communication with an authorized specimen signature of the customer ***or requiring a payment order to be sent from a known electronic mail address, Internet Protocol address or telephone number*** is not by itself a security procedure.

Sec. 102. NRS 104A.4202 is hereby amended to read as follows:

104A.4202 1. A payment order received by the receiving bank is the authorized order of the person identified as sender if the person authorized the order or is otherwise bound by it under the law of agency.

2. If a bank and its customer have agreed that the authenticity of payment orders issued to the bank in the name of the customer as sender will be verified pursuant to a security procedure, a payment order received by the receiving bank is effective as the order of the customer, whether or not authorized, if the security procedure is a commercially reasonable method of providing security against unauthorized payment orders, and the bank proves that it accepted the payment order in good faith and in compliance with ***the bank's obligations under*** the security procedure and any ~~[~~written~~]~~ agreement or instruction of the customer ***, evidenced by a record,*** restricting acceptance of payment orders issued in the name of the customer. The bank is not required to follow an instruction that violates ~~[~~a written~~]~~ ***an*** agreement with the customer ***, evidenced by a record,*** or notice of which is not received at a time and in a manner affording the bank a reasonable opportunity to act on it before the payment order is accepted.

3. Commercial reasonableness of a security procedure is a question of law to be determined by considering the wishes of the customer expressed to the bank, the circumstances of the customer known to the bank, including the size, type and frequency of payment orders normally issued by the customer to the bank, alternative security procedures offered to the customer, and security procedures in general use by customers and receiving banks similarly situated. A security procedure is deemed to be commercially reasonable if:

(a) The security procedure was chosen by the customer after the bank offered, and the customer refused, a security procedure that was commercially reasonable for that customer; and

(b) The customer expressly agreed in ~~[~~writing~~]~~ ***a record*** to be bound by any payment order, whether or not authorized, issued in its name and accepted by the bank in compliance with ***the bank's obligations under*** the security procedure chosen by the customer.

4. The term "sender" in this article includes the customer in whose name a payment order is issued if the order is the authorized order of the customer under subsection 1, or it is effective as the order of the customer under subsection 2.

5. This section applies to amendments and cancellations of payment orders to the same extent it applies to payment orders.

6. Except as otherwise provided in this section and in paragraph (a) of subsection 1 of NRS 104A.4203, rights and obligations arising under this section or NRS 104A.4203 may not be varied by agreement.

Sec. 103. NRS 104A.4203 is hereby amended to read as follows:

104A.4203 1. If an accepted payment order is not, under subsection 1 of NRS 104A.4202, an authorized order of a customer identified as sender, but is

effective as an order of the customer pursuant to subsection 2 of NRS 104A.4202, the following rules apply:

(a) By express ~~[written]~~ agreement ~~[,]~~ ***evidenced by a record,*** the receiving bank may limit the extent to which it is entitled to enforce or retain payment of the payment order.

(b) The receiving bank is not entitled to enforce or retain payment of the payment order if the customer proves that the order was not caused, directly or indirectly, by a person:

(1) Entrusted at any time with duties to act for the customer with respect to payment orders or the security procedure; or

(2) Who obtained access to transmitting facilities of the customer or who obtained, from a source controlled by the customer and without authority of the receiving bank, information facilitating breach of the security procedure, regardless of how the information was obtained or whether the customer was at fault.

Ê Information includes any access device, computer software, or the like.

2. This section applies to amendments of payment orders to the same extent it applies to payment orders.

Sec. 104. NRS 104A.4207 is hereby amended to read as follows:

104A.4207 1. Except as otherwise provided in subsection 2, if, in a payment order received by the beneficiary's bank, the name, bank account number or other identification of the beneficiary refers to a nonexistent or unidentifiable person or account, no person has rights as a beneficiary of the order and acceptance of the order cannot occur.

2. If a payment order received by the beneficiary's bank identifies the beneficiary both by name and by an identifying or bank account number and the name and number identify different persons, the following rules apply:

(a) Except as otherwise provided in subsection 3, if the beneficiary's bank does not know that the name and number refer to different persons, it may rely on the number as the proper identification of the beneficiary of the order. The beneficiary's bank need not determine whether the name and number refer to the same person.

(b) If the beneficiary's bank pays the person identified by name or knows that the name and number identify different persons, no person has rights as beneficiary except the person paid by the beneficiary's bank if that person was entitled to receive payment from the originator of the funds transfer. If no person has rights as beneficiary, acceptance of the order cannot occur.

3. If a payment order described in subsection 2 is accepted, the originator's payment order described the beneficiary inconsistently by name and number, and the beneficiary's bank pays the person identified by number as permitted by paragraph (a) of subsection 2, the following rules apply:

(a) If the originator is a bank, the originator is obliged to pay its order.

(b) If the originator is not a bank and proves that the person identified by number was not entitled to receive payment from the originator, the originator is not obliged to pay its order unless the originator's bank proves that the

originator, before acceptance of the originator's order, had notice that payment of a payment order issued by the originator might be made by the beneficiary's bank on the basis of an identifying or bank account number even if it identified a person different from the named beneficiary. Proof of notice may be made by any admissible evidence. The originator's bank satisfies the burden of proof if it proves that the originator, before the payment order was accepted, signed a ~~[writing]~~ ***record*** stating the information to which the notice relates.

4. In a case governed by paragraph (a) of subsection 2, if the beneficiary's bank rightfully pays the person identified by number and that person was not entitled to receive payment from the originator, the amount paid may be recovered from that person to the extent allowed by the law governing mistake and restitution as follows:

(a) If the originator is obliged to pay its payment order as stated in subsection 3, the originator has the right to recover.

(b) If the originator is not a bank and is not obliged to pay its payment order, the originator's bank has the right to recover.

Sec. 105. NRS 104A.4208 is hereby amended to read as follows:

104A.4208 1. If a payment order identifies an intermediary bank or the beneficiary's bank only by an identifying number, the following rules apply:

(a) The receiving bank may rely on the number as the proper identification of the intermediary or beneficiary's bank and need not determine whether the number identifies a bank.

(b) The sender is obliged to compensate the receiving bank for any loss and expenses incurred by the receiving bank as a result of its reliance on the number in executing or attempting to execute the order.

2. If a payment order identifies an intermediary bank or the beneficiary's bank both by name and an identifying number and the name and number identify different persons, the following rules apply:

(a) If the sender is a bank, the receiving bank may rely on the number as the proper identification of the intermediary or beneficiary's bank if the receiving bank, when it executes the sender's order, does not know that the name and number identify different persons. The receiving bank need not determine whether the name and number refer to the same person or whether the number refers to a bank. The sender is obliged to compensate the receiving bank for any loss and expenses incurred by the receiving bank as a result of its reliance on the number in executing or attempting to execute the order.

(b) If the sender is not a bank and the receiving bank proves that the sender, before the payment order was accepted, had notice that the receiving bank might rely on the number as the proper identification of the intermediary or beneficiary's bank even if it identifies a person different from the bank identified by name, the rights and obligations of the sender and the receiving bank are governed by paragraph (a), as though the sender were a bank. Proof of notice may be made by any admissible evidence. The receiving bank satisfies the burden of proof if it proves that the sender, before the payment

order was accepted, signed a ~~[writing]~~ ***record*** stating the information to which the notice relates.

(c) Whether or not the sender is a bank, the receiving bank may rely on the name as the proper identification of the intermediary or beneficiary's bank if the receiving bank, at the time it executes the sender's order, does not know that the name and number identify different persons. The receiving bank need not determine whether the name and number refer to the same person.

(d) If the receiving bank knows that the name and number identify different persons, reliance on either the name or the number in executing the sender's payment order is a breach of the obligation stated in paragraph (a) of subsection 1 of NRS 104A.4302.

Sec. 106. NRS 104A.4210 is hereby amended to read as follows:

104A.4210 1. A payment order is rejected by the receiving bank by a notice of rejection transmitted to the sender orally ~~[, electronically]~~ or in ~~[writing.]~~ ***a record.*** A notice of rejection need not use any particular words and is sufficient if it indicates that the receiving bank is rejecting the order or will not execute or pay the order. Rejection is effective when the notice is given if transmission is by a means that is reasonable in the circumstances. If notice of rejection is given by a means that is not reasonable, rejection is effective when the notice is received. If an agreement of the sender and receiving bank establishes the means to be used to reject a payment order, any means complying with the agreement is reasonable and any means not complying is not reasonable unless no significant delay in receipt of the notice resulted from the use of the noncomplying means.

2. If a receiving bank other than the beneficiary's bank fails to execute a payment order despite the existence on the execution date of a withdrawable credit balance in an authorized account of the sender sufficient to cover the order, the following rules apply:

(a) If the sender does not receive notice of rejection of the order on the execution date and the authorized account of the sender does not bear interest, the bank is obliged to pay interest to the sender on the amount of the order for the number of days elapsing after the execution date to the earlier of the day the order is cancelled pursuant to subsection 4 of NRS 104A.4211 or the day the sender receives notice or learns that the order was not executed, counting the final day of the period as an elapsed day.

(b) If the withdrawable credit balance during that period falls below the amount of the order, the amount of interest is reduced accordingly.

3. If a receiving bank suspends payments, all unaccepted payment orders issued to it are deemed rejected at the time the bank suspends payments.

4. Acceptance of a payment order precludes a later rejection of the order. Rejection of a payment order precludes a later acceptance of the order.

Sec. 107. NRS 104A.4211 is hereby amended to read as follows:

104A.4211 1. A communication of the sender of a payment order cancelling or amending the order may be transmitted to the receiving bank orally ~~[, electronically]~~ or in ~~[writing.]~~ ***a record.*** If a security procedure is in

effect between the sender and the receiving bank, the communication is not effective to cancel or amend the order unless the communication is verified pursuant to the security procedure or the bank agrees to the cancellation or amendment.

2. Except as otherwise provided in subsection 1, a communication by the sender cancelling or amending a payment order is effective to cancel or amend the order if notice of the communication is received at a time and in a manner affording the receiving bank a reasonable opportunity to act on the communication before the bank accepts the payment order.

3. After a payment order has been accepted, cancellation or amendment of the order is not effective unless the receiving bank agrees or a funds-transfer system rule allows cancellation or amendment without agreement of the bank. The following rules also apply:

(a) With respect to a payment order accepted by a receiving bank other than the beneficiary's bank, cancellation or amendment is not effective unless a conforming cancellation or amendment of the payment order issued by the receiving bank is also made.

(b) With respect to a payment order accepted by the beneficiary's bank, cancellation or amendment is not effective unless the order was issued in execution of an unauthorized payment order, or because of a mistake by a sender in the funds transfer which resulted in the issuance of a payment order that is a duplicate of a payment order previously issued by the sender, that orders payment to a beneficiary not entitled to receive payment from the originator, or that orders payment in an amount greater than the amount the beneficiary was entitled to receive from the originator. If the payment order is cancelled or amended, the beneficiary's bank is entitled to recover from the beneficiary any amount paid to the beneficiary to the extent allowed by the law governing mistake and restitution.

4. An unaccepted payment order is cancelled by operation of law at the close of the fifth funds-transfer business day of the receiving bank after the execution date or payment date of the order.

5. A cancelled payment order cannot be accepted. If an accepted payment order is cancelled, the acceptance is nullified and no person has any right or obligation based on the acceptance. Amendment of a payment order is deemed to be cancellation of the original order at the time of amendment and issue of a new payment order in the amended form at the same time.

6. Unless otherwise provided in an agreement of the parties or in a funds-transfer system rule, if the receiving bank, after accepting a payment order, agrees to cancellation or amendment of the order by the sender or is bound by a funds-transfer system rule allowing cancellation or amendment without the bank's agreement, the sender, whether or not cancellation or amendment is effective, is liable to the bank for any loss and expenses, including reasonable attorney's fees, incurred by the bank as a result of the cancellation or amendment or attempted cancellation or amendment.

7. A payment order is not revoked by the death or legal incapacity of the sender unless the receiving bank knows of the death or of an adjudication of incapacity by a court of competent jurisdiction and has reasonable opportunity to act before acceptance of the order.

8. A funds-transfer system rule is not effective to the extent it conflicts with paragraph (b) of subsection 3.

Sec. 108. NRS 104A.4305 is hereby amended to read as follows:

104A.4305 1. If a funds transfer is completed but execution of a payment order by the receiving bank in breach of NRS 104A.4302 results in delay in payment to the beneficiary, the bank is obliged to pay interest to either the originator or the beneficiary of the funds transfer for the period of delay caused by the improper execution. Except as otherwise provided in subsection 3, additional damages are not recoverable.

2. If execution of a payment order by a receiving bank in breach of NRS 104A.4302 results in noncompletion of the funds transfer, failure to use an intermediary bank designated by the originator, or issuance of a payment order that does not comply with the terms of the payment order of the originator, the bank is liable to the originator for its expenses in the funds transfer and for incidental expenses and interest losses, to the extent not covered by subsection 1, resulting from the improper execution. Except as otherwise provided in subsection 3, additional damages are not recoverable.

3. In addition to the amounts payable under subsections 1 and 2, damages, including consequential damages, are recoverable to the extent provided in an express ~~[written]~~ agreement of the receiving bank ~~[.]~~ ***, evidenced by a record.***

4. If a receiving bank fails to execute a payment order it was obliged by express agreement to execute, the receiving bank is liable to the sender for its expenses in the transaction and for incidental expenses and interest losses resulting from the failure to execute. Additional damages, including consequential damages, are recoverable to the extent provided in an express ~~[written]~~ agreement of the receiving bank, ***evidenced by a record,*** but are not otherwise recoverable.

5. Reasonable attorney's fees are recoverable if demand for compensation under subsection 1 or 2 is made and refused before an action is brought on the claim. If a claim is made for breach of an agreement under subsection 4 and the agreement does not provide for damages, reasonable attorney's fees are recoverable if demand for compensation under subsection 4 is made and refused before an action is brought on the claim.

6. Except as stated in this section, the liability of a receiving bank under subsections 1 and 2 may not be varied by agreement.

Sec. 109. NRS 32.265 is hereby amended to read as follows:

32.265 1. The court may not appoint a person as receiver unless the person submits to the court a statement under penalty of perjury that the person is not disqualified.

2. Except as otherwise provided in subsection 3, a person is disqualified from appointment as receiver if the person:

(a) Is an affiliate of a party;

(b) Has an interest materially adverse to an interest of a party;

(c) Has a material financial interest in the outcome of the action, other than compensation the court may allow the receiver;

(d) Has a debtor-creditor relationship with a party; or

(e) Holds an equity interest in a party, other than a noncontrolling interest in a publicly traded company.

3. A person is not disqualified from appointment as receiver solely because the person:

(a) Was appointed receiver or is owed compensation in an unrelated matter involving a party or was engaged by a party in a matter unrelated to the receivership;

(b) Is an individual obligated to a party on a debt that is not in default and was incurred primarily for personal, family or household purposes; or

(c) Maintains with a party a deposit account as defined in paragraph ~~[(cc)]~~ ***(ff)*** of subsection 1 of NRS 104.9102.

4. A person seeking appointment of a receiver may nominate a person to serve as receiver, but the court is not bound by the nomination.

THE SEVENTY-FOURTH DAY

CARSON CITY (Thursday), April 20, 2023

Assembly called to order at 11:41 a.m.
Mr. Speaker presiding.
Roll called.
All present.
Prayer by the Chaplain, Deacon Tom Roberts.

Let us pray. Kind and loving God, we thank You for having created us, for loving us, and for bringing us here together as a part of the human family. As our Creator and our Shepherd, we give thanks to You for the gifts of diversity and inclusion, for that binds us together, in the spirit of common community and gratitude for our many blessings. We gather together this morning with the richness of many beliefs and faith traditions. May these spiritual gifts wash over us with respect for one another. We humbly ask You, Lord, for Your blessing upon this Legislature, upon our Governor, and upon everyone working in our state government, all who are entrusted with the privilege of service to all of God's children here in the great state of Nevada.

We implore You to seal us with Your wisdom, Your compassion, and Your empathy, especially for some of the most vulnerable among us: the poor, the hungry, the homeless, and the voiceless—all who depend on government and private sector services to survive and thrive.

May we together, as a community, be effective stewards in caring for our sisters and brothers in greatest need, always with dignity and compassion. Place in our hearts, Lord, the spirit to make a positive difference in our families, in our communities, in our state, and in our nation. Help us to achieve these goals with determination, perseverance, goodness, and a sense of humor. Give us balance and humility in times of distraction and uncertainty. And, Lord, give us Your peace.

AMEN.

Pledge of Allegiance to the Flag.

Amendment No. 257.

SUMMARY— ~~[Revises provisions relating to the state business portal.]~~ **Creates the Business Licensing Working Group.** (BDR ~~[7-405)]~~ **S-405)**

AN ACT relating to business; ~~[revising provisions governing the state business portal; requiring the Secretary of State to provide for the integration with the state business portal of the applications of a state or local agency or health district for a license, certificate, registration, permit or similar type of authorization to conduct a business in this State; requiring, with certain exceptions, each state agency, local agency and health district to comply with certain requirements relating to the state business portal;]~~ **creating the Business Licensing Working Group to study certain issues relating to business licensing during the 2023-2024 interim; prescribing the membership and duties of the Working Group;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the Secretary of State is required to establish the state business portal to facilitate interaction among businesses and governmental agencies in this State by allowing businesses to conduct necessary transactions with governmental agencies in this State through the state business portal. ~~[Existing law authorizes each state or local agency or health district, to the extent practicable: (1) to make available on its Internet website applications for a license, certificate, registration, permit or similar type of authorization to conduct a business in this State and to integrate such applications into the state business portal; (2) to ensure that the state or local agency or health district is capable of using the state business portal to accept and disseminate common business registration information to participating state and local agencies and health districts to issue a license, certificate, registration, permit or similar type of authorization to conduct a business in this State; (3) to require an applicant for a license, certificate, registration, permit or similar type of authorization to conduct a business in this State to include in the application the applicant's business identification number; and (4) to accept the electronic transfer of common business registration information from the state business portal for certain purposes; (5) to allow for the acceptance of an electronic signature for certain purposes; and (6) to establish and maintain certain rules, data and processes relating to businesses. (NRS 75A.100) With certain exceptions, section 1 of this bill requires, rather than authorizes, each state agency, local agency and health district to comply with such requirements to the extent practicable. However, with respect to the integration with the state business portal of the applications of a state or local agency or health district for a license, certificate, registration, permit or similar type of authorization to~~

~~conduct a business in this State, section 1 requires: (1) the Secretary of State to provide for such integration; and (2) each state agency, local agency and health district to assist the Secretary of State with such integration. Additionally, section 1 maintains provisions of existing law which provide that a state or local agency or health district is not required to upgrade its information technology system or incur significant expense to comply with the requirements of section 1. Finally, section 1 defines "state agency" and "local agency" for the purposes of section 1.~~

~~Section 2 of this bill makes a conforming change to refer to provisions that have been renumbered as a result of the changes in section 1.~~**] (NRS 75A.100) Section 5 of this bill creates the Business Licensing Working Group to study certain issues relating to business licensing during the 2023-2024 interim. Section 6 of this bill requires the Secretary of State to serve as Chair of the Working Group and prescribes certain requirements for the operation of the Working Group. Section 7 of this bill requires the Working Group to: (1) study and make recommendations to the Secretary of State on the efficacy of consolidating an electronic application process for a license, certificate, registration, permit or similar type of authorization required to conduct a business in this State; (2) evaluate current systems for sharing information between local business licensing entities and the Office of the Secretary of State; and (3) evaluate the availability of certain information technology systems. Section 7 authorizes the Working Group to consider certain other matters. Section 7 requires the Working Group, on or before December 31, 2024, to submit a report to the Legislature that addresses any issue reviewed or studied and any recommendations made by the Working Group. Section 8 of this bill requires the Office of the Secretary of State to provide administrative support to the Working Group and authorizes the Working Group to engage in certain other activities.**

Remarks by Assemblywoman Brittney Miller.

Amendment adopted.

Bill ordered reprinted, engrossed and to third reading.

Assembly Bill No. 49.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 151.

AN ACT relating to criminal procedure; prescribing separate forms for certain postconviction petitions for a writ of habeas corpus; revising various provisions relating to postconviction petitions for a writ of habeas corpus; eliminating the requirement that the respondent to a postconviction petition for a writ of habeas corpus file a return with the court; revising provisions relating to a petition for a hearing to establish the factual innocence of a person; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes an offender who is convicted of a crime and under a sentence of death or imprisonment to file a postconviction petition for a writ

of habeas corpus to challenge: (1) the validity of a judgment of conviction; or (2) the computation of time that the person has served pursuant to a judgment of conviction. (NRS 34.724) Existing law also authorizes a person who has been convicted of a felony to file a petition for a hearing to establish the factual innocence of the person based on newly discovered evidence. (NRS 34.960) **Section 2** of this bill defines the term "prosecuting agency" for the purpose of clarifying certain requirements relating to such petitions. **Sections 5, 10, 11, 13 and 20-24** of this bill make conforming changes to substitute the defined term where appropriate.

Sections 3 and 11 of this bill prescribe separate and distinct forms for a petition for a writ of habeas corpus that challenges the computation of time that a person has served pursuant to a judgment of conviction and a petition for a writ of habeas corpus that challenges the validity of a judgment of conviction, respectively. **Section 10** of this bill makes a conforming change by requiring each type of petition to be: (1) appropriately titled; and (2) in substantially the form prescribed by **sections 3 and 11**. **Sections 6, 7 and 17** of this bill make conforming changes to indicate the proper placement of **section 3** in the Nevada Revised Statutes.

Section 8 of this bill makes a nonsubstantive change to clarify that a person may file a postconviction petition for a writ of habeas corpus without paying a filing fee. **Sections 9, 10, 12-14, 16, 18 and 19** of this bill make certain other nonsubstantive changes in statutes concerning postconviction petitions.

Existing law requires the respondent on a postconviction petition for a writ of habeas corpus to file with the court: (1) a return, which includes certain information relating to the basis on which the respondent has the petitioner in his or her custody or power; and (2) an answer responding to the allegations of the petition. (NRS 34.430, 34.745) **Section 26** of this bill repeals the requirement that the respondent file a return with the court. **Section 15** of this bill requires instead that the response or answer filed by the respondent include the information contained in a return under existing law. **Sections 13, 14 and 16** make conforming changes relating to the elimination of the requirement that a respondent file a return with the court.

Section 25 of this bill makes the amendatory provisions of this bill applicable to a postconviction petition for a writ of habeas corpus filed on or after July 1, 2023.

Sec. 4. NRS 34.370 is hereby amended to read as follows:

34.370 1. A petition for a writ of habeas corpus must be verified by the petitioner or the petitioner's counsel. If the petition is verified by counsel, counsel shall also verify that the petitioner personally authorized counsel to commence the action.

2. A verified petition for issuance of a writ of habeas corpus must specify that the petitioner is imprisoned or restrained of the petitioner's liberty, the officer or other person by whom the petitioner is confined or restrained, and the place where the petitioner is confined, naming all the parties if they are known, or describing them if they are not known.

3. If the petitioner claims that the imprisonment is illegal, the petitioner must state facts which show that the restraint or detention is illegal.

4. If the petition requests relief from a judgment of conviction or sentence in a criminal case, the petition must identify the proceedings in which the petitioner was convicted, give the date of entry of the final judgment and set forth which constitutional rights of the petitioner were violated and the acts constituting violations of those rights. Affidavits, records or other evidence supporting the allegations in the petition must be attached unless the petition recites the cause for failure to attach these materials. The petition must identify any previous proceeding in state or federal court initiated by the petitioner to secure relief from the petitioner's ***judgment of*** conviction or sentence. Argument, citations and other supporting documents are unnecessary.

Sec. 5. NRS 34.700 is hereby amended to read as follows:

34.700 1. Except as provided in subsection 3, a pretrial petition for a writ of habeas corpus based on alleged lack of probable cause or otherwise challenging the court's right or jurisdiction to proceed to the trial of a criminal charge may not be considered unless:

(a) The petition and all supporting documents are filed within 21 days after the first appearance of the accused in the district court; and

(b) The petition contains a statement that the accused:

(1) Waives the 60-day limitation for bringing an accused to trial; or

(2) If the petition is not decided within 15 days before the date set for trial, consents that the court may, without notice or hearing, continue the trial indefinitely or to a date designated by the court.

2. The arraignment and entry of a plea by the accused must not be continued to avoid the requirement that a pretrial petition be filed within the period specified in subsection 1.

3. The court may extend, for good cause, the time to file a petition. Good cause shall be deemed to exist if the transcript of the preliminary hearing or of the proceedings before the grand jury is not available within 14 days after the accused's initial appearance and the court shall grant an ex parte application to extend the time for filing a petition. All other applications may be made only after appropriate notice has been given to the prosecuting ~~[attorney.]~~ ***agency.***

Sec. 6. NRS 34.720 is hereby amended to read as follows:

34.720 The provisions of NRS 34.720 to 34.830, inclusive, ***and section 3 of this act*** apply only to petitions for writs of habeas corpus in which the petitioner:

1. Requests relief from a judgment of conviction or sentence in a criminal case; or

2. Challenges the computation of time that the petitioner has served pursuant to a judgment of conviction.

Sec. 7. NRS 34.722 is hereby amended to read as follows:

34.722 As used in NRS 34.720 to 34.830, inclusive, ***and section 3 of this act,*** unless the context otherwise requires, "petition" means a ~~[postconviction]~~ petition ~~[for habeas corpus]~~ ***to obtain relief from a judgment of conviction or***

sentence or to challenge the computation of time a person has served filed pursuant to NRS 34.724.

Sec. 8. NRS 34.724 is hereby amended to read as follows:

34.724 1. Any person convicted of a crime and under sentence of death or imprisonment who claims that the conviction was obtained, or that the sentence was imposed, in violation of the Constitution of the United States or the Constitution or laws of this State, or who, after exhausting all available administrative remedies, claims that the time the person has served pursuant to the judgment of conviction has been improperly computed ~~[,]~~ may ~~[, without paying a filing fee,]~~ file a ~~[postconviction]~~ petition ~~[for a writ of habeas corpus]~~ to obtain relief from the ***judgment of*** conviction or sentence or to challenge the computation of time that the person has served. ***A person must not be required to pay a filing fee to file such a petition.***

2. Such a petition:

(a) Is not a substitute for and does not affect any remedies which are incident to the proceedings in the trial court or the remedy of direct review of the sentence or conviction.

(b) Comprehends and takes the place of all other common-law, statutory or other remedies which have been available for challenging the validity of the ***judgment of*** conviction or sentence, and must be used exclusively in place of them.

(c) Is the only remedy available to an incarcerated person to challenge the computation of time that the person has served pursuant to a judgment of conviction, after all available administrative remedies have been exhausted.

3. For the purposes of this section, a motion to withdraw a plea of guilty, guilty but mentally ill or nolo contendere pursuant to NRS 176.165 that is made after sentence is imposed or imposition of sentence is suspended is a remedy which is incident to the proceedings in the trial court if:

(a) The person has not filed a prior motion to withdraw the plea and has not filed a prior ~~[postconviction]~~ petition ***;*** ~~[for a writ of habeas corpus;]~~

(b) The motion is filed within 1 year after the date on which the person was convicted, unless the person pleads specific facts demonstrating that some impediment external to the defense precluded bringing the motion earlier;

(c) At the time the person files the motion to withdraw the plea, the person is not incarcerated for the charge for which the person entered the plea; and

(d) The motion is not barred by the doctrine of laches. A motion filed more than 5 years after the date on which the person was convicted creates a rebuttable presumption of prejudice to the State on the basis of laches.

4. The court shall not appoint counsel to represent a person for the purpose of subsection 3.

Sec. 9. NRS 34.726 is hereby amended to read as follows:

34.726 1. Unless there is good cause shown for delay, a petition that challenges the validity of a judgment ***of conviction*** or sentence must be filed within 1 year after entry of the judgment of conviction or, if an appeal has been taken from the judgment, within 1 year after the appellate court of competent

jurisdiction pursuant to the rules fixed by the Supreme Court pursuant to Section 4 of Article 6 of the Nevada Constitution issues its remittitur. For the purposes of this subsection, good cause for delay exists if the petitioner demonstrates to the satisfaction of the court:

(a) That the delay is not the fault of the petitioner; and

(b) That dismissal of the petition as untimely will unduly prejudice the petitioner.

2. The execution of a sentence must not be stayed for the period provided in subsection 1 solely because a petition may be filed within that period. A stay of sentence must not be granted unless:

(a) A petition is actually filed; and

(b) The petitioner establishes a compelling basis for the stay.

Sec. 10. NRS 34.730 is hereby amended to read as follows:

34.730 1. A petition must be verified by the petitioner or the petitioner's counsel. If the petition is verified by counsel, counsel shall also verify that the petitioner personally authorized counsel to commence the action.

2. ***A petition that challenges:***

(a) The computation of time that the petitioner has served pursuant to a judgment of conviction must be titled "Petition for Writ of Habeas Corpus (Computation of Time)" and be in substantially the form set forth in section 3 of this act.

(b) The ~~[~~petition~~]~~ ***validity of a judgment of conviction or sentence*** must be titled "Petition for Writ of Habeas Corpus ~~[~~(Postconviction)"~~]~~ ***(Validity of Judgment of Conviction or Sentence)"*** and be in substantially the form set forth in NRS 34.735. ~~[~~The~~]~~

3. A petition must name as respondent and be served by mail upon the officer or other person by whom the petitioner is confined or restrained. A copy of the petition must be served by mail upon ~~[~~:

~~(a) The~~~~]~~ ***the*** Attorney General ~~[~~,~~]~~ and

~~[(b) In the case of a petition challenging the validity of a judgment of conviction or sentence, the district attorney in the county in which the petitioner was convicted.]~~ ***, if applicable, any other prosecuting agency.***

~~[3.]~~ ***4.*** Except as otherwise provided in this subsection, the clerk of the district court shall file a petition as a new action separate and distinct from any original proceeding in which a conviction has been had. If a petition challenges the validity of a ***judgment of*** conviction or sentence, it must be:

(a) Filed with the record of the original proceeding to which it relates; and

(b) Whenever possible, assigned to the original judge or court.

~~[4.]~~ ***5.*** No hearing upon the petition may be set until the requirements of NRS 34.740 to 34.770, inclusive, are satisfied.

Sec. 11. NRS 34.735 is hereby amended to read as follows:

34.735 A petition ***that challenges the validity of a judgment of conviction or sentence*** must be in substantially the following form, with appropriate modifications if the petition is filed in the Court of Appeals or the Supreme Court:

34.750 1. A petition may allege that the petitioner is unable to pay the costs of the proceedings or to employ counsel. If the court is satisfied that the allegation of indigency is true and the petition is not dismissed summarily, the court may appoint counsel to represent the petitioner. In making its determination, the court may consider, among other things, the severity of the consequences facing the petitioner and whether:

(a) The issues presented are difficult;

(b) The petitioner is unable to comprehend the proceedings; or

(c) Counsel is necessary to proceed with discovery.

2. If the court determines that the petitioner is unable to pay all necessary costs and expenses incident to the proceedings of the trial court and the reviewing court, including court costs, stenographic services, printing and reasonable compensation for legal services, all costs must be paid from money appropriated to the office of the State Public Defender for that purpose. After appropriations for that purpose are exhausted, money must be allocated to the office of the State Public Defender from the Reserve for Statutory Contingency Account for the payment of the costs, expenses and compensation.

3. After appointment by the court, counsel for the petitioner may file and serve supplemental pleadings, exhibits, transcripts and documents within 30 days after:

(a) The date the court orders the filing of ~~[an]~~ ***a response or*** answer ***;*** ~~[and a return;]~~ or

(b) The date of counsel's appointment,

➥ whichever is later. If it has not previously been filed, the ***response or*** answer by the respondent must be filed within 15 days after receipt of the supplemental pleadings and include any response to the supplemental pleadings.

4. The petitioner shall respond within 15 days after service to a motion by the State to dismiss the action.

5. No further pleadings may be filed except as ordered by the court.

Sec. 15. NRS 34.760 is hereby amended to read as follows:

34.760 1. ~~[The]~~ ***A response or*** answer must ~~[state]~~ ***:***

(a) State plainly and unequivocally whether the respondent has or had the petitioner in custody or under the respondent's power or restraint and, if the respondent:

(1) Has the petitioner in custody or under his or her power or restraint at the time of filing the response or answer, set forth with specificity the basis for custody, including, without limitation, the authority and cause of the imprisonment or restraint.

(2) Had the petitioner in custody or under the respondent's power or restraint but no longer has the petitioner in custody or under the respondent's power or restraint, state particularly to whom, at what time and place, for what cause and by what authority the transfer took place.

(b) Indicate whether the petitioner has previously applied for relief from the petitioner's ***judgment of*** conviction or sentence in any proceeding in a state or federal court, including a direct appeal or a petition for a writ of habeas corpus or other postconviction relief.

2. ~~[The]~~ ***If a petition challenges the validity of a judgment of conviction or sentence, the response or*** answer must indicate what transcripts of pretrial, trial, sentencing and postconviction proceedings are available, when these transcripts can be furnished and what proceedings have been recorded and not transcribed. The respondent shall attach to the ***response or*** answer any portions of the transcripts, except those in the court's file, which the respondent deems relevant. The court on its own motion or upon request of the petitioner may order additional portions of existing transcripts to be furnished or certain portions of the proceedings which were not transcribed to be transcribed and furnished. If a transcript is not available or procurable, the court may require a narrative summary of the evidence to be submitted.

3. ***If a petition challenges the computation of time that the petitioner has served pursuant to a judgment of conviction, the respondent shall attach a copy of the judgment of conviction to the response or answer.***

4. If the petitioner appealed ~~[from]~~ the judgment of conviction ***or sentence*** or any adverse judgment or order in a prior petition ***,*** ~~[for a writ of habeas corpus or postconviction relief,]~~ a copy of the petitioner's brief on appeal and any opinion of the appellate court must be filed by the respondent with the ***response or*** answer.

Sec. 16. NRS 34.770 is hereby amended to read as follows:

34.770 1. The judge or justice, upon review of the ~~[return,]~~ ***response or*** answer and all supporting documents which are filed, shall determine whether an evidentiary hearing is required. A petitioner must not be discharged or committed to the custody of a person other than the respondent unless an evidentiary hearing is held.

2. If the judge or justice determines that the petitioner is not entitled to relief and an evidentiary hearing is not required, the judge or justice shall dismiss the petition without a hearing.

3. If the judge or justice determines that an evidentiary hearing is required, the judge or justice shall grant the writ and shall set a date for the hearing.

Sec. 17. NRS 34.780 is hereby amended to read as follows:

34.780 1. The Nevada Rules of Civil Procedure, to the extent that they are not inconsistent with NRS 34.360 to 34.830, inclusive, ***and section 3 of this act*** apply to proceedings pursuant to NRS 34.720 to 34.830, inclusive ~~[.]~~ ***, and section 3 of this act.***

2. After the writ has been granted and a date set for the hearing, a party may invoke any method of discovery available under the Nevada Rules of

Civil Procedure if, and to the extent that, the judge or justice for good cause shown grants leave to do so.

3. A request for discovery which is available under the Nevada Rules of Civil Procedure must be accompanied by a statement of the interrogatories or requests for admission and a list of any documents sought to be produced.

Sec. 18. NRS 34.800 is hereby amended to read as follows:

34.800 1. A petition may be dismissed if delay in the filing of the petition:

(a) Prejudices the respondent or the State of Nevada in responding to the petition, unless the petitioner shows that the petition is based upon grounds of which the petitioner could not have had knowledge by the exercise of reasonable diligence before the circumstances prejudicial to the State occurred; or

(b) Prejudices the State of Nevada in its ability to conduct a retrial of the petitioner, unless the petitioner demonstrates that a fundamental miscarriage of justice has occurred in the proceedings resulting in the judgment of conviction **.** ~~[or sentence.]~~

2. A period exceeding 5 years between the filing of a judgment of conviction, an order imposing a sentence of imprisonment or a decision on direct appeal of a judgment of conviction and the filing of a petition challenging the validity of a judgment of conviction creates a rebuttable presumption of prejudice to the State. In a motion to dismiss the petition based on that prejudice, the respondent or the State of Nevada must specifically plead laches. The petitioner must be given an opportunity to respond to the allegations in the pleading before a ruling on the motion is made.

Sec. 19. NRS 34.810 is hereby amended to read as follows:

34.810 1. The court shall dismiss a petition ***that challenges the validity of a judgment of conviction or sentence*** if the court determines that:

(a) The petitioner's conviction was upon a plea of guilty or guilty but mentally ill and the petition is not based upon an allegation that the plea was involuntarily or unknowingly entered or that the plea was entered without effective assistance of counsel.

(b) The petitioner's conviction was the result of a trial and the grounds for the petition could have been:

(1) Presented to the trial court;

(2) Raised in a direct appeal or a prior petition for a writ of habeas corpus or postconviction relief; or

(3) Raised in any other proceeding that the petitioner has taken to secure relief from the petitioner's ***judgment of*** conviction and sentence,

➥ unless the court finds both cause for the failure to present the grounds and actual prejudice to the petitioner.

2. ***The court shall dismiss a petition that challenges the computation of time served pursuant to a judgment of conviction without prejudice if the court determines that the petitioner did not exhaust all available***

administrative remedies to resolve such a challenge as required by NRS 34.724.

3. A second or successive petition must be dismissed if the judge or justice determines that it fails to allege new or different grounds for relief and that the prior determination was on the merits or, if new and different grounds are alleged, the judge or justice finds that the failure of the petitioner to assert those grounds in a prior petition constituted an abuse of the writ.

~~[3.]~~ ***4.*** Pursuant to subsections 1 and ~~[2,]~~ ***3,*** the petitioner has the burden of pleading and proving specific facts that demonstrate:

(a) Good cause for the petitioner's failure to present the claim or for presenting the claim again; and

(b) Actual prejudice to the petitioner.

➥ The petitioner shall include in the petition all prior proceedings in which the petitioner challenged the same ***judgment of*** conviction or sentence.

~~[4. The court shall dismiss a petition without prejudice if:~~

~~(a) The petition challenges the computation of time that the petitioner has served pursuant to a judgment of conviction; and~~

~~(b) The court determines that the petitioner did not exhaust all available administrative remedies to resolve such a challenge as required by NRS 34.724.]~~

5. The court may dismiss a petition that fails to include any prior proceedings of which the court has knowledge through the record of the court or through the pleadings submitted by the respondent.

Sec. 20. NRS 34.820 is hereby amended to read as follows:

34.820 1. If a petitioner has been sentenced to death and the petition is the first one challenging the validity of the petitioner's ***judgment of*** conviction or sentence, the court shall:

(a) Appoint counsel to represent the petitioner; and

(b) Stay execution of the judgment pending disposition of the petition and the appeal.

2. The petition must include the date upon which execution is scheduled, if it has been scheduled. The petitioner is not entitled to an evidentiary hearing unless the petition states that:

(a) Each issue of fact to be considered at the hearing has not been determined in any prior evidentiary hearing in a state or federal court; or

(b) For each issue of fact which has been determined in a prior evidentiary hearing, the hearing was not a full and fair consideration of the issue. The petition must specify all respects in which the hearing was inadequate.

3. If the petitioner has previously filed a petition for relief or for a stay of the execution in the same court, the petition must be assigned to the judge or justice who considered the previous matter.

4. The court shall inform the petitioner and the petitioner's counsel that all claims which challenge the ***judgment of*** conviction or imposition of the sentence must be joined in a single petition and that any matter not included in the petition will not be considered in a subsequent proceeding.

5. If relief is granted or the execution is stayed, the clerk shall forthwith notify the respondent ~~[~~, the Attorney General~~]~~ and the ~~[~~district attorney of the county in which the petitioner was convicted.~~]~~ ***prosecuting agency.***

6. If a district judge conducts an evidentiary hearing, a daily transcript must be prepared for the purpose of appellate review.

7. The judge or justice who considers a petition filed by a petitioner who has been sentenced to death shall make all reasonable efforts to expedite the matter and shall render a decision within 60 days after submission of the matter for decision.

Sec. 21. NRS 34.830 is hereby amended to read as follows:

34.830 1. Any order that finally disposes of a petition, whether or not an evidentiary hearing was held, must contain specific findings of fact and conclusions of law supporting the decision of the court.

2. A copy of any decision or order discharging the petitioner from the custody or restraint under which the petitioner is held, committing the petitioner to the custody of another person, dismissing the petition or denying the requested relief must be served by the clerk of the court upon the petitioner and the petitioner's counsel, if any, the respondent ~~[~~, the Attorney General~~]~~ and the ~~[~~district attorney of the county in which the petitioner was convicted.~~]~~ ***prosecuting agency.***

3. Whenever a decision or order described in this section is entered by the district court, the clerk of the court shall prepare a notice in substantially the following form and mail a copy of the notice to each person listed in subsection 2:

Sec. 22. NRS 34.960 is hereby amended to read as follows:

34.960 1. At any time after the expiration of the period during which a motion for a new trial based on newly discovered evidence may be made pursuant to NRS 176.515, a person who has been convicted of a felony may petition the district court in the county in which the person was convicted for a hearing to establish the factual innocence of the person based on newly discovered evidence. A person who files a petition pursuant to this subsection shall serve notice and a copy of the petition upon the ~~[district attorney of the county in which the conviction was obtained and the Attorney General.]~~ ***prosecuting agency.***

2. A petition filed pursuant to subsection 1 must contain an assertion of factual innocence under oath by the petitioner and must aver, with supporting affidavits or other credible documents, that:

(a) Newly discovered evidence exists that is specifically identified and, if credible, establishes a bona fide issue of factual innocence;

(b) The newly discovered evidence identified by the petitioner:

(1) Establishes innocence and is material to the case and the determination of factual innocence;

(2) Is not merely cumulative of evidence that was known, is not reliant solely upon recantation of testimony by a witness against the petitioner and is not merely impeachment evidence; and

(3) Is distinguishable from any claims made in any previous petitions;

(c) If some or all of the newly discovered evidence alleged in the petition is a biological specimen, that a genetic marker analysis was performed pursuant to NRS 176.0918, 176.09183 and 176.09187 and the results were favorable to the petitioner; and

(d) When viewed with all other evidence in the case, regardless of whether such evidence was admitted during trial, the newly discovered evidence demonstrates the factual innocence of the petitioner.

3. In addition to the requirements set forth in subsection 2, a petition filed pursuant to subsection 1 must also assert that:

(a) Neither the petitioner nor the petitioner's counsel knew of the newly discovered evidence at the time of trial or sentencing or in time to include the evidence in any previously filed post-trial motion or postconviction petition, and the evidence could not have been discovered by the petitioner or the petitioner's counsel through the exercise of reasonable diligence; or

(b) A court has found ineffective assistance of counsel for failing to exercise reasonable diligence in uncovering the newly discovered evidence.

4. The court shall review the petition and determine whether the petition satisfies the requirements of subsection 2. If the court determines that the petition:

(a) Does not meet the requirements of subsection 2, the court shall dismiss the petition without prejudice, state the basis for the dismissal and send notice of the dismissal to the petitioner ~~[, the district attorney]~~ and the ~~[Attorney General.]~~ ***prosecuting agency.***

(b) Meets the requirements of subsection 2, the court shall determine whether the petition satisfies the requirements of subsection 3. If the court determines that the petition does not meet the requirements of subsection 3, the court may:

(1) Dismiss the petition without prejudice, state the basis for the dismissal and send notice of the dismissal to the petitioner ~~[, the district attorney]~~ and the ~~[Attorney General;]~~ ***prosecuting agency;*** or

(2) Waive the requirements of subsection 3 if the court finds the petition should proceed to a hearing and that there is other evidence that could have been discovered through the exercise of reasonable diligence by the petitioner or the petitioner's counsel at trial, and the other evidence:

(I) Was not discovered by the petitioner or the petitioner's counsel;

(II) Is material upon the issue of factual innocence; and

(III) Has never been presented to a court.

5. Any second or subsequent petition filed by a person must be dismissed if the court determines that the petition fails to identify new or different evidence in support of the factual innocence claim or, if new and different grounds are alleged, the court finds that the failure of the petitioner to assert those grounds in a prior petition filed pursuant to this section constituted an abuse of the writ.

6. The court shall provide a written explanation of its order to dismiss or not to dismiss the petition based on the requirements set forth in subsections 2 and 3.

7. A person who has already obtained postconviction relief that vacated or reversed the person's conviction or sentence may also file a petition pursuant to subsection 1 in the same manner and form as described in this section if no retrial or appeal regarding the offense is pending.

8. After a petition is filed pursuant to subsection 1, any prosecuting ~~[attorney,]~~ ***agency,*** law enforcement agency or forensic laboratory that is in possession of any evidence that is the subject of the petition shall preserve such evidence and any information necessary to determine the sufficiency of the chain of custody of such evidence.

9. A petition filed pursuant to subsection 1 must include the underlying criminal case number.

10. Except as otherwise provided in NRS 34.900 to 34.990, inclusive, the Nevada Rules of Civil Procedure govern all proceedings concerning a petition filed pursuant to subsection 1.

11. As used in this section:

(a) "Biological specimen" has the meaning ascribed to it in NRS 176.09112.

(b) "Forensic laboratory" has the meaning ascribed to it in NRS 176.09117.

(c) "Genetic marker analysis" has the meaning ascribed to it in NRS 176.09118.

Sec. 23. NRS 34.970 is hereby amended to read as follows:

34.970 1. If the court does not dismiss a petition after reviewing the petition in accordance with NRS 34.960, the court shall order the ~~[district attorney or the Attorney General]~~ ***prosecuting agency*** to file a response to the petition. The court's order must:

(a) Specify which claims identified in the petition warrant a response from the ~~[district attorney or the Attorney General;]~~ ***prosecuting agency;*** and

(b) Specify which newly discovered evidence identified in the petition, if credible, might establish a bona fide issue of factual innocence.

2. The ~~[district attorney or the Attorney General]~~ ***prosecuting agency*** shall, not later than 120 days after receipt of the court's order requiring a response, or within any additional period the court allows, respond to the petition and serve a copy upon the petitioner and, if the ***prosecuting agency is the*** district attorney ~~,~~ ***,*** ~~[is responding to the petition,]~~ the Attorney General.

3. Not later than 30 days after the date the ~~[district attorney or the Attorney General]~~ ***prosecuting agency*** responds to the petition, the petitioner may reply to the response. Not later than 30 days after the expiration of the period during which the petitioner may reply to the response, the court shall consider the petition, any response by the ~~[district attorney or the Attorney General]~~ ***prosecuting agency*** and any reply by the petitioner. If the court determines that the petition meets the requirements of NRS 34.960 and that there is a bona fide issue of factual innocence regarding the charges of which the petitioner was convicted, the court shall order a hearing on the petition. If the court does not make such a determination, the court shall enter an order denying the petition. For the purposes of this subsection, a bona fide issue of factual innocence does not exist if the petitioner is merely relitigating facts, issues or evidence presented in a previous proceeding or if the petitioner is unable to identify with sufficient specificity the nature and reliability of the newly discovered evidence that establishes the factual innocence of the petitioner. Unless stipulated to by the parties, the court may not grant a hearing on the petition during any period in which criminal proceedings in the matter are pending before any trial or appellate court.

4. If the court grants a hearing on the petition, the hearing must be held and the final order must be entered not later than 150 days after the expiration of the period during which the petitioner may reply to the response to the petition by the ~~[district attorney or the Attorney General]~~ ***prosecuting agency*** pursuant to subsection 3 unless the court determines that additional time is required for good cause shown.

5. If the court grants a hearing on the petition, the court shall, upon the request of the petitioner, order the preservation of all material and relevant

evidence in the possession or control of this State or any agent thereof during the pendency of the proceeding.

6. If the parties stipulate that the evidence establishes the factual innocence of the petitioner, the court may affirm the factual innocence of the petitioner without holding a hearing. If the prosecuting ~~[attorney]~~ ***agency*** does not stipulate that the evidence establishes the factual innocence of the petitioner, a determination of factual innocence must not be made by the court without a hearing.

7. If the parties stipulate that the evidence establishes the factual innocence of the petitioner, the prosecuting ~~[attorney]~~ ***agency*** makes a motion to dismiss the original charges against the petitioner or, after a hearing, the court determines that the petitioner has proven his or her factual innocence by clear and convincing evidence, the court shall:

(a) Vacate the petitioner's conviction and issue an order of factual innocence and exoneration; and

(b) Order the sealing of all documents, papers and exhibits in the person's record, minute book entries and entries on dockets and other documents relating to the case in the custody of such other agencies and officers as are named in the court's order.

8. The court shall provide a written explanation of its determination that the petitioner proved or failed to prove his or her factual innocence by clear and convincing evidence.

9. Any order granting or denying a hearing on a petition pursuant to this section may be appealed by either party.

Sec. 24. NRS 34.990 is hereby amended to read as follows:

34.990 After a petition is filed pursuant to NRS 34.960, if any victim of the crime for which the petitioner was convicted has indicated a desire to be notified regarding any postconviction proceedings, the ~~[district attorney]~~ ***prosecuting agency*** shall make reasonable efforts to provide notice to such a victim that the petition has been filed and that indicates the time and place for any hearing that may be held as a result of the petition and the disposition thereof.

Sec. 25. The amendatory provisions of this act do not apply to a postconviction petition for habeas corpus filed pursuant to NRS 34.724 before July 1, 2023.

Sec. 26. NRS 34.430 is hereby repealed.

Sec. 27. 1. This section becomes effective upon passage and approval.

2. Sections 1 to 26, inclusive, of this act become effective:

(a) Upon passage and approval for the purpose of adopting any regulations and performing any other preparatory administrative tasks that are necessary to carry out the provisions of this act; and

(b) On July 1, 2023, for all other purposes.

TEXT OF REPEALED SECTION

34.430 Return and answer: Service and filing; contents; signature and verification.

1. Except as otherwise provided in subsection 1 of NRS 34.745, the respondent shall serve upon the petitioner and file with the court a return and an answer that must respond to the allegations of the petition within 45 days or a longer period fixed by the judge or justice.

2. The return must state plainly and unequivocally whether the respondent has the party in custody, or under the respondent's power or restraint. If the respondent has the petitioner in the respondent's custody or power, or under the respondent's restraint, the respondent shall state the authority and cause of the imprisonment or restraint, setting forth with specificity the basis for custody.

3. If the petitioner is detained by virtue of any judgment, writ, warrant or other written authority, a certified or exemplified copy must be annexed to the return.

4. If the respondent has the petitioner in the respondent's power or custody or under the respondent's restraint before or after the date of the writ of habeas corpus but has transferred custody or restraint to another, the return must state particularly to whom, at what time and place, for what cause, and by what authority the transfer took place.

5. The return must be signed by the respondent and, unless the respondent is a sworn public officer who makes the return in the respondent's official capacity, verified under oath or affirmation.

Assembly Bill No. 55.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 44.

AN ACT relating to unclaimed property; revising provisions of the Uniform Unclaimed Property Act; **authorizing the Administrator of Unclaimed Property to adopt regulations relating to certain agreements between an owner of property and another person concerning property paid or delivered to the Administrator;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law enacts the Uniform Unclaimed Property Act, which generally establishes the powers, duties and liabilities of the State and other persons concerning unclaimed property. (Chapter 120A of NRS) Existing law makes the State Treasurer the Administrator of Unclaimed Property and requires the

State Treasurer, in his or her capacity as the Administrator, to carry out the provisions of the Act. (NRS 120A.025, 120A.140)

~~[Existing law excludes a loyalty card from the definition of property for purposes of the Act. (NRS 120A.113) Section 3 of this bill defines the term "loyalty card" for that purpose.]~~ Existing law makes certain gift certificates subject to the provisions of the Act and provides that a gift certificate is presumed abandoned on the expiration date of the gift certificate. (NRS 120A.113, 120A.520) **Section 2** of this bill defines the term "gift certificate" for purposes of the Act. **Section 4** of this bill makes a conforming change indicating the proper placement of ~~[sections]~~ **section 2** ~~[and 3]~~ in the Nevada Revised Statutes.

~~[Existing law defines a "stored-value card" as a record evidencing a promise made for consideration by the seller or issuer that goods, services or money will be provided to the owner of record to the value or amount shown in the record. (NRS 120A.119) Section 5 of this bill provides that stored-value card includes a gift certificate.]~~ For consistency with the Act, **section 6** of this bill replaces the term "financial institution" with the term "financial organization."

Existing law governs when certain forms of property are presumed abandoned. (NRS 120A.500, 120A.520) **Section 7** of this bill makes various changes relating to the dates on which certain property that is unclaimed by the apparent owner is presumed abandoned. **Section 7** also provides that the signing of a return receipt constitutes an indication of an owner's interest in property for purposes of determining the date on which certain property is presumed abandoned. **Section 8** of this bill provides that a gift certificate that is no longer honored by the issuer is presumed abandoned on the date on which the gift certificate ceases to be honored by the issuer.

Among other duties, existing law requires a holder of property presumed to be abandoned to: (1) make a report to the Administrator concerning the property; and (2) send written notice to the apparent owner of the property under certain circumstances. (NRS 120A.560) **Section 9** of this bill revises provisions relating to the report filed with the Administrator. **Section 9** also requires the holder of property to send the required written notice by certified mail in certain circumstances. **Section 14** of this bill makes a conforming change updating references to **section 9**.

Existing law requires the Administrator to publish certain notice concerning unclaimed or abandoned property in a newspaper of general circulation. Among other requirements, existing law requires such notice to include the name of a person reported to the Administrator as an apparent owner. (NRS 120A.580) **Section 10** of this bill instead requires the Administrator to create and maintain a statewide database that is searchable electronically and includes the name of a person reported to the Administrator as an apparent owner of unclaimed property. **Section 10** also requires the Administrator to: (1) make the database publicly available on the website of the Administrator; (2) publish general information regarding the Act on the website of the Administrator; and

(3) annually publish certain information concerning unclaimed property by press release.

Existing law requires the Administrator to sell certain abandoned property at a public sale after providing certain notice of the sale to the public. (NRS 120A.610) **Section 11** of this bill revises the manner in which the Administrator is required to provide such notice. **Section 15** of this bill makes a conforming change updating references to **section 11**.

Existing law authorizes a holder of property, with the written consent of the Administrator, to report and deliver property to the Administrator before the property is presumed abandoned. (NRS 120A.660) **Section 12** of this bill removes the requirement that the Administrator must provide written consent before the delivery of such property if the Administrator determines that receipt of the property is in the best interests of the State.

Existing law authorizes the Administrator to enter into an intrastate agreement with an agency from this State to protect certain confidential information shared for the purpose of facilitating the return of property pursuant to the Act. (NRS 120A.715) **Section 13** of this bill instead: (1) authorizes the Administrator to request a state or local agency to provide him or her with certain confidential information for the purpose of facilitating the return of unclaimed or abandoned property; and (2) requires an agency to provide the information requested unless the provision of such information is prohibited by federal law.

Existing law prescribes requirements and restrictions relating to an agreement between an owner of property and another person, the primary purpose of which is to locate, deliver, recover or assist in the recovery of property of the owner that is presumed abandoned. (NRS 120A.740) Section 14.5 of this bill authorizes the Administrator to adopt such regulations as are necessary to protect the interests of an owner who enters into such an agreement. Section 14.5 provides that such regulations may provide for the licensure or registration of a person with whom an owner enters into an agreement.

Section 16 of this bill eliminates a provision requiring that the Act must be applied and construed to effectuate its general purpose to make the law uniform among the states that enact the Act. (NRS 120A.750)

Legislative Counsel's Digest:

Existing law authorizes a corporation to correct certain inaccurate or defective records filed with the Secretary of the State. (NRS 78.0295) **Section 1** of this bill additionally authorizes a corporation to correct a record filed with the Secretary of State if the record is filed erroneously. **Sections ~~[17-24]~~ 16.5-24** of this bill authorize certain other business entities to correct records filed with the Secretary of State under the same circumstances as corporations.

Existing law requires a private corporation to keep certain records and make such records available for inspection upon the demand of certain persons. (NRS 78.105, 78.257) **Sections 2 and 3** of this bill clarify the content of the affidavit required to be submitted with a demand to inspect such records. **Section 8** of this bill authorizes the board of directors of a corporation to require a confidentiality agreement with a stockholder or other person who submits a demand to inspect the books of account or financial statements of the corporation.

Sections 4, 9, 10 and 14 of this bill clarify the actions available to a board of directors with respect to the adoption or signing of plans, arrangements or instruments and protecting the interests of the corporation and its stockholders.

Section 5 of this bill authorizes a publicly traded corporation, with the approval of certain stockholders, to decrease the number of issued and outstanding shares of a class or series.

Existing law authorizes the board of directors of a corporation to issue certain uncertificated shares to stockholders. Existing law also requires the corporation to send to each stockholder to whom it issues an uncertificated share: (1) a written statement containing certain information; and (2) an annual statement confirming the information contained in the statement previously issued. (NRS 78.235) **Section 6** of this bill replaces the requirement that the corporation send such an annual statement with the requirement that the

corporation send a confirming statement within 10 days after receiving a written request from a stockholder of such shares.

Section 7 of this bill revises provisions governing permissible restrictions on the transfer of shares of a corporation by clarifying the manner in which a transferee may be presumed to have knowledge of the restriction.

Section 11 of this bill adds an exception providing that an "acquisition" of a controlling interest in an issuing corporation does not include any acquisition of shares listed on a national securities exchange pursuant to a tender offer.

Existing law provides for an effective date of certain documents filed with the Secretary of State. (NRS 78.390) **Section 12** of this bill provides for a time at which such documents become effective. **Section 12** also authorizes the board of directors to change the name of a corporation without the approval of the stockholders, unless the articles of incorporation require such approval.

Section 13 of this bill clarifies that certain certificates of designation may be omitted from restated articles of incorporation.

Sections 15 and 29 of this bill make technical corrections to certain provisions by adding appropriate references to certain statutes to clarify that certain provisions of existing law are applicable to certain business entities.

~~**[**Existing law requires a corporation to obtain the approval of stockholders before it may sell, lease or exchange all of its property and assets, unless otherwise provided in the articles of incorporation. (NRS 78.565) Section 16 of this bill requires such approval by the stockholders before the corporation may sell, lease or exchange all or substantially all of its property and assets, unless otherwise provided in the articles of incorporation.**]**~~

Sections 25-28, 30 and 31 of this bill repeal, reenact and reorganize the definitions of "advance notice statement" and "statement of intent" for the purposes of certain provisions relating to dissenters' rights.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 78.0295 is hereby amended to read as follows:

78.0295 1. A corporation may correct a record filed in the Office of the Secretary of State with respect to the corporation if the record contains an inaccurate description of a corporate action or if the record was defectively signed, attested, sealed, verified or acknowledged ~~**[**.**]**~~ ***, including, without limitation, if the record was filed erroneously.***

2. To correct a record, the corporation must:

(a) Prepare a certificate of correction which:

(1) States the name of the corporation;

(2) Describes the record, including, without limitation, its filing date;

(3) Specifies the inaccuracy or defect ~~**[**;**]**~~ ***in the record, including, without limitation, if and to the extent applicable, the error in the filing of the record;***

(4) Sets forth ~~[the inaccurate or defective portion of the record in an accurate or corrected form;]~~ ***such information as is necessary so as to clarify or otherwise remedy the inaccuracy or defect;*** and

(5) Is signed by an officer of the corporation or, if no stock has been issued by the corporation, by the incorporator or a director of the corporation, or by some other person specifically authorized by the corporation to sign the certificate.

(b) Deliver the certificate to the Secretary of State for filing.

(c) Pay a filing fee of $175 to the Secretary of State.

3. A certificate of correction is effective on the effective date of the record it corrects except as to persons relying on the uncorrected record and adversely affected by the correction. As to those persons, the certificate is effective when filed.

4. If a corporation has made a filing with the Secretary of State and the Secretary of State has not processed the filing and placed the filing into the public record, the corporation may cancel the filing by:

(a) Filing a statement of cancellation with the Secretary of State; and

(b) Paying the required fee pursuant to subsection 7 of NRS 78.785.

Sec. 2. NRS 78.105 is hereby amended to read as follows:

78.105 1. A corporation shall keep a copy of the following records at its principal office or with its custodian of records whose name and street address are available at the corporation's registered office:

(a) A copy certified by the Secretary of State of its articles of incorporation, and all amendments thereto;

(b) A copy certified by an officer of the corporation of its bylaws and all amendments thereto; and

(c) A stock ledger or a duplicate stock ledger, revised annually not later than 60 days after the date by which an annual list is required to be filed pursuant to NRS 78.150, containing only the names, alphabetically arranged, of all persons who are stockholders of record of the corporation, showing their places of residence, if known, and the number of shares held by them respectively. A corporation is not required to keep a list of any person who is a beneficial owner of any shares who is not simultaneously the stockholder of record of such shares, or any other information concerning any person having an interest in the corporation, except for the stock ledger or duplicate stock ledger required by this paragraph. Absent manifest error or actual fraud, the stock ledger of the corporation, as maintained by the corporation or its designated transfer agent, shall conclusively determine the stockholders of record of the corporation.

2. Any person who has been a stockholder of record of a corporation for at least 6 months immediately preceding the demand, or any person holding, or thereunto authorized in writing by the holders of, at least 5 percent of all of its outstanding shares, upon at least 5 days' written demand, including the affidavit required pursuant to subsection 4, is entitled to inspect in person or by agent or attorney, during usual business hours, the records required by

subsection 1 and make copies therefrom. Holders of voting trust certificates representing shares of the corporation must be regarded as stockholders for the purpose of this subsection. Every corporation that neglects or refuses to keep the records required by subsection 1 open for inspection, as required in this subsection, shall forfeit to the State the sum of $25 for every day of such neglect or refusal.

3. If the records required by subsection 1 are not made available for inspection at a location within this State pursuant to a proper demand made pursuant to subsection 2, the stockholder or other person demanding the inspection may serve a demand upon the corporation's registered agent that the records to be inspected be sent to the demanding stockholder or other person or the agent or attorney thereof. Upon such a demand, the corporation shall send copies of the requested records required by subsection 1, either in paper or electronic form, to the stockholder, other person, agent or attorney entitled to inspect the requested records within 10 business days after service of the demand upon the registered agent.

4. Together with the written demand required pursuant to subsection 2, a stockholder or other person who wishes to inspect the records required by subsection 1 or make copies therefrom shall furnish an affidavit to the corporation stating that the inspection is not desired for a purpose which is in the interest of a business or object other than the business of the corporation and that the stockholder or other person has not at any time sold or offered for sale any list of stockholders of any domestic or foreign corporation or aided or abetted any person in procuring any such record of stockholders for any such ~~[purpose.]~~ ***sale or offer for sale.***

5. If any corporation willfully neglects or refuses to make any proper entry in the stock ledger or duplicate copy thereof, or neglects or refuses to permit an inspection of the records required by subsection 1 upon demand by a person entitled to inspect them, or refuses to permit copies to be made therefrom, as provided in subsection 2, the corporation is liable to the person injured for all damages resulting to the person therefrom.

6. In every instance where an attorney or other agent of the stockholder seeks the right of inspection, the demand must be accompanied by a power of attorney signed by the stockholder authorizing the attorney or other agent to inspect on behalf of the stockholder.

7. The right to copy records under subsection 2 includes, if reasonable, the right to make copies by photographic, xerographic or other means.

8. The corporation may impose a reasonable charge to recover the costs of labor and materials and the cost of copies of any records provided to the stockholder.

Sec. 3. NRS 78.107 is hereby amended to read as follows:

78.107 1. An inspection authorized by NRS 78.105 may be denied to a stockholder or other person upon the refusal of the stockholder or other person to furnish to the corporation the affidavit required pursuant to subsection 4 of NRS 78.105.

2. It is a defense to any action for penalties or damages under NRS 78.105 that the person suing has at any time sold, or offered for sale, any list of stockholders of the corporation, or any other corporation, or has aided or abetted any person in procuring any such stock list for any such ~~[purpose,]~~ ***sale or offer for sale,*** or that the person suing desired inspection for a purpose which is in the interest of a business or object other than the business of the corporation.

3. This section does not impair the power or jurisdiction of any court to compel the production for examination of the records required by subsection 1 of NRS 78.105 in any proper case. This subsection does not authorize or establish any right of inspection or examination independent from the right of inspection or examination authorized by NRS 78.105.

Sec. 4. NRS 78.195 is hereby amended to read as follows:

78.195 1. If a corporation desires to have more than one class or series of stock, the articles of incorporation must prescribe, or vest authority in the board of directors to prescribe, the classes, series and the number of each class or series of stock and the voting powers, designations, preferences, limitations, restrictions and relative rights of each class or series of stock. If more than one class or series of stock is authorized, the articles of incorporation or the resolution of the board of directors adopted pursuant to a provision of the articles must prescribe a distinguishing designation for each class and series. The voting powers, designations, preferences, limitations, restrictions, relative rights and distinguishing designation of each class or series of stock must be described in the articles of incorporation or the resolution of the board of directors and the certificate of designation filed pursuant to subsection 1 of NRS 78.1955 before the issuance of shares of that class or series.

2. All shares of a class or series must have voting powers, designations, preferences, limitations, restrictions and relative rights identical with those of other shares of the same class or series and, except to the extent otherwise provided in the description of the series, with those of other series of the same class.

3. Unless otherwise provided in the articles of incorporation, no stock issued as fully paid up may ever be assessed and the articles of incorporation must not be amended in this particular.

4. The voting powers, designations, preferences, limitations, restrictions and relative rights for the shares of a class or series of stock may be made dependent upon any fact or event which may be ascertained outside the articles of incorporation if the manner in which a fact or event may operate upon the voting powers, designations, preferences, limitations, restrictions and relative rights is stated in the articles of incorporation. As used in this subsection, "fact or event" includes, without limitation, the existence of a fact or occurrence of an event, including, without limitation, a determination or action by a person, the corporation itself or any government, governmental agency or political subdivision of a government.

5. ~~[The]~~ ***Without limiting the provisions of NRS 78.138 or 78.139, the*** provisions of this section do not restrict the directors of a corporation from taking action ***not in circumvention or contravention of this title*** to protect the ***long-term or short-term*** interests of the corporation ~~[and its]~~ ***or the long-term or short-term interests of the corporation's*** stockholders, including, but not limited to, adopting or signing plans, arrangements or instruments that ***issue,*** grant or deny rights ~~[, privileges, power or authority]~~ ***or options pursuant to NRS 78.200*** to a holder or holders of a specified number of shares or percentage of share ownership or voting power ~~[.]~~ ***, for the purpose or having the effect of granting or denying rights, privileges, power or authority to any such holder or holders.***

Sec. 5. NRS 78.2055 is hereby amended to read as follows:

78.2055 1. Unless otherwise provided in the articles of incorporation, a corporation that desires to decrease the number of issued and outstanding shares of a class or series held by each stockholder of record at the effective date and time of the change without correspondingly decreasing the number of authorized shares of the same class or series may do so if:

(a) The board of directors adopts a resolution setting forth the proposal to decrease the number of issued and outstanding shares of a class or series; and

(b) ~~[The]~~ ***If the corporation is:***

(1) A publicly traded corporation, the proposal is approved by the stockholders of the affected class or series, regardless of limitations or restrictions on the voting power of the affected class or series; or

(2) Not a publicly traded corporation, the proposal is approved by the vote of stockholders holding a majority of the voting power of the affected class or series, or such greater proportion as may be provided in the articles of incorporation, regardless of limitations or restrictions on the voting power of the affected class or series.

2. If the proposal required by subsection 1 is approved by the stockholders entitled to vote, the corporation may reissue its stock in accordance with the proposal after the effective date and time of the change.

3. Except as otherwise provided in this subsection, if a proposed decrease in the number of issued and outstanding shares of any class or series would adversely alter or change any preference, or any relative or other right given to any other class or series of outstanding shares, then the decrease must be approved by the vote, in addition to any vote otherwise required, of the holders of shares representing a majority of the voting power of each class or series whose preference or rights are adversely affected by the decrease, or such greater proportion as may be provided in the articles of incorporation, regardless of limitations or restrictions on the voting power of the adversely affected class or series. The decrease does not have to be approved by the vote of the holders of shares representing a majority of the voting power of each class or series whose preference or rights are adversely affected by the decrease if the articles of incorporation specifically deny the right to vote on such a decrease.

4. If any proposed corporate action pursuant to this section would result in only money being paid or scrip being issued to stockholders who:

(a) Before the decrease in the number of shares becomes effective, in the aggregate hold 1 percent or more of the outstanding shares of the affected class or series; and

(b) Would otherwise be entitled to receive a fraction of a share in exchange for the cancellation of all their outstanding shares,

➥ any stockholder who is obligated, as a result of the corporate action taken pursuant to this section, to accept money or scrip rather than receive a fraction of a share in exchange for the cancellation of all the stockholder's outstanding shares, may dissent in accordance with the provisions of NRS 92A.300 to 92A.500, inclusive, ***and sections 26 and 27 of this act*** and obtain payment of the fair value of the fraction of a share to which the stockholder would otherwise be entitled.

Sec. 6. NRS 78.235 is hereby amended to read as follows:

78.235 1. Except as otherwise provided in subsection 4, every stockholder is entitled to have a certificate, signed by officers or agents designated by the corporation for the purpose, certifying the number of shares in the corporation owned by the stockholder. A corporation has no power to issue a certificate in bearer form, and any such certificate that is issued is void and of no force or effect.

2. Whenever any certificate is countersigned or otherwise authenticated by a transfer agent or transfer clerk, and by a registrar, then a facsimile of the signatures of the officers or agents, the transfer agent or transfer clerk or the registrar of the corporation may be printed or lithographed upon the certificate in lieu of the actual signatures. If a corporation uses facsimile signatures of its officers and agents on its stock certificates, it cannot act as registrar of its own stock, but its transfer agent and registrar may be identical if the institution acting in those dual capacities countersigns or otherwise authenticates any stock certificates in both capacities.

3. If any officer or officers who have signed, or whose facsimile signature or signatures have been used on, any certificate or certificates for stock cease to be an officer or officers of the corporation, whether because of death, resignation or other reason, before the certificate or certificates have been delivered by the corporation, the certificate or certificates may nevertheless be adopted by the corporation and be issued and delivered as though the person or persons who signed the certificate or certificates, or whose facsimile signature or signatures have been used thereon, had not ceased to be an officer or officers of the corporation.

4. Unless otherwise provided in the articles of incorporation or bylaws, the board of directors may authorize the issuance of uncertificated shares of some or all of the shares of any or all of its classes or series. The issuance of uncertificated shares has no effect on existing certificates for shares until surrendered to the corporation, or on the respective rights and obligations of the stockholders. Unless otherwise provided by a specific statute, the rights

and obligations of stockholders are identical whether or not their shares of stock are represented by certificates.

5. Within a reasonable time after the issuance ***of uncertificated shares*** or ***the*** transfer of ***uncertificated*** shares ~~[without certificates,]~~ ***on the books of the corporation,*** the corporation shall send the stockholder ***of record*** a written statement containing the information ***that otherwise would be*** required on the certificates ***for such shares*** pursuant to subsection 1. ~~[At least annually thereafter,]~~ ***Within 10 days after receipt of a written request from a stockholder of record,*** the corporation shall ~~[provide to its stockholders]~~ ***send the stockholder*** of record ~~[,]~~ a written statement confirming the information contained in the informational statement previously sent ***to the stockholder of record*** pursuant to this subsection.

6. Unless otherwise provided in the articles of incorporation or bylaws, a corporation may issue a new certificate of stock or, if authorized by the board of directors pursuant to subsection 4, uncertificated shares in place of a certificate previously issued by it and alleged to have been lost, stolen or destroyed. A corporation may require an owner or legal representative of an owner of a lost, stolen or destroyed certificate to give the corporation a bond or other security sufficient to indemnify it against any claim that may be made against it for the alleged loss, theft or destruction of a certificate, or the issuance of a new certificate or uncertificated shares.

Sec. 7. NRS 78.242 is hereby amended to read as follows:

78.242 1. Subject to the limitation imposed by NRS 104.8204, a written restriction on the transfer or registration of transfer of the stock of a corporation, if permitted by this section, may be enforced against the holder of the restricted stock or any successor or transferee of the holder, including an executor, administrator, trustee, guardian or other fiduciary entrusted with like responsibility for the person or estate of the holder.

2. A restriction on the transfer or registration of transfer of the stock of a corporation, or on the amount of a corporation's stock that may be owned by a person or group of persons, may be imposed by the articles of incorporation or by the bylaws or by an agreement among any number of stockholders or between or among one or more stockholders and the corporation. No restriction so imposed is binding upon any stockholder with respect to the shares of stock owned by such stockholder at the time the restriction is adopted, regardless of any later effective time of such restriction, unless such stockholder is a party to the agreement or voted in favor of the restriction.

3. A restriction on the transfer or the registration of transfer of shares is valid and enforceable against ~~[the]~~ ***a*** transferee of the ~~[stockholder]~~ ***shares*** if the restriction is not prohibited by other law and ~~[its]~~ ***:***

(a) The restriction is set forth in the articles of incorporation;

(b) The existence ***of the restriction*** is noted conspicuously on the front or back of the stock certificate or is contained in the statement of information required by NRS 78.235 ~~[. Unless so noted, a restriction is not enforceable against a person without]~~ ***; or***

(c) The transferee otherwise has, or reasonably should have, knowledge of the restriction.

4. A restriction on the transfer or registration of transfer of the stock of a corporation or on the amount of such stock that may be owned by any person or group of persons is permitted, without limitation by this enumeration, if it:

(a) Obligates the stockholder first to offer to the corporation or to any other stockholder or stockholders of the corporation or to any other person or persons or to any combination of the foregoing a prior opportunity, to be exercised within a reasonable time, to acquire the stock;

(b) Obligates the corporation or any stockholder of the corporation or any other person or any combination of the foregoing to purchase stock which is the subject of an agreement respecting the purchase and sale of the stock;

(c) Requires the corporation or any stockholder or stockholders to:

(1) Consent to any proposed transfer of the stock;

(2) Approve the proposed transferee of stock; or

(3) Approve the amount of stock of the corporation proposed to be acquired by any person or group of persons;

(d) Prohibits or restricts the transfer of the stock to, or the ownership of stock by, designated persons or classes of persons, and such designation is not manifestly unreasonable; or

(e) Prohibits or restricts the transfer or registration of transfer of the stock or the amount of stock of a corporation that may be owned by a person or group of persons, for any of the following purposes:

(1) To maintain the corporation's status when it is dependent on the number or identity of its stockholders, including, without limitation, the corporation's status as an electing small business corporation under subchapter S of chapter 1 of subtitle A of the United States Internal Revenue Code, 26 U.S.C. §§ 1371 et seq., as amended, or any successor provision;

(2) To maintain or preserve the corporation's status or exemptions under federal or state laws governing taxes or securities, including, without limitation, the qualification of the corporation as a real estate investment trust pursuant to 26 U.S.C. §§ 856 et seq., as amended, or any successor provision, and any regulations adopted pursuant thereto;

(3) To maintain or preserve any other local, state, federal or foreign tax advantage to, or attribute of, the corporation or its stockholders, including, without limitation, net operating losses;

(4) To maintain any statutory or regulatory advantage or to comply with any statutory or regulatory requirements under applicable local, state, federal or foreign law; or

(5) For any other reasonable purpose.

5. For the purposes of this section, "stock" includes a security convertible into or carrying an option or other right to subscribe for or to acquire stock.

Sec. 8. NRS 78.257 is hereby amended to read as follows:

78.257 1. Any person who has been a stockholder of record of any corporation and owns not less than 15 percent of all of the issued and

outstanding shares of the stock of such corporation or has been authorized in writing by the holders of at least 15 percent of all its issued and outstanding shares, upon at least 5 days' written demand, including the affidavit ***and confidentiality agreement, if applicable,*** required pursuant to subsection 2, is entitled to inspect in person or by agent or attorney, during normal business hours, the books of account and ~~[all]~~ financial ~~[records]~~ ***statements*** of the corporation, to make copies ~~[of records,]~~ ***thereof,*** and to conduct an audit ~~[of such records.]~~ ***thereof.*** Holders of voting trust certificates representing 15 percent of the issued and outstanding shares of the corporation are regarded as stockholders for the purpose of this subsection. 2. Together with the written demand required pursuant to subsection 1, a person who wishes to exercise the rights set forth in subsection 1 shall furnish an affidavit to the corporation stating that the inspection, copies or audit is not desired for any purpose not related to his or her interest as a stockholder. ***As a condition to the rights authorized by subsection 1, the board of directors may require the stockholder and each other person exercising rights set forth in subsection 1 to enter into and comply with a confidentiality agreement having such terms and scope as are reasonably related to protecting the legitimate interests of the corporation.***

3. All costs for making copies ~~[of records]~~ or conducting an audit ***pursuant to this section*** must be borne by the person exercising the rights set forth in subsection 1.

4. The rights authorized by subsection 1 may be denied ~~[to any stockholder upon]~~ ***if the affidavit or confidentiality agreement required pursuant to subsection 2 is not furnished to the corporation, or if the stockholder or other person exercising rights set forth in subsection 1 at any time has used or attempted to use, or uses, attempts or threatens to use, any information obtained from the corporation pursuant to this section for any purpose not related to*** the stockholder's ~~[refusal to furnish]~~ ***interest in*** the corporation ~~[an affidavit required pursuant to subsection 2.]~~ ***as a stockholder, or if the stockholder or other person exercising rights set forth in subsection 1 at any time, and in any capacity, has used or attempted to use, or uses, attempts or threatens to use, any information obtained from the corporation pursuant to this section or otherwise for any improper purpose.*** Any stockholder or other person ~~[,]~~ exercising rights set forth in subsection 1 ~~[,]~~ who uses or attempts to use information ~~[, records or other data]~~ obtained from the corporation ~~[,]~~ ***pursuant to this section*** for any purpose not related to the stockholder's interest in the corporation as a stockholder ~~[,]~~ is guilty of a gross misdemeanor.

5. 6. A stockholder who brings an action or proceeding to enforce any right set forth in this section or to recover damages resulting from its denial:

(a) Is entitled to costs and reasonable attorney's fees, if the stockholder prevails; or

(b) Is liable for such costs and fees, if the stockholder does not prevail,

➥ in the action or proceeding.

7. Except as otherwise provided in this subsection, the provisions of this section do not apply to any corporation that furnishes to its stockholders a detailed, annual financial statement or any corporation that has filed during the preceding 12 months all reports required to be filed pursuant to section 13 or section 15(d) of the Securities Exchange Act, 15 U.S.C. §§ 78m or 78o(d). A person who owns, or is authorized in writing by the owners of, at least 15 percent of the issued and outstanding shares of the stock of a corporation that has elected to be governed by subchapter S of the Internal Revenue Code and whose shares are not listed or traded on any recognized stock exchange is entitled to inspect the books of the corporation pursuant to subsection 1 and has the rights, duties and liabilities provided in subsections 2 to 6, inclusive.

Sec. 9. NRS 78.350 is hereby amended to read as follows:

78.350 1. Unless otherwise provided in the articles of incorporation, or in the certificate of designation establishing the class or series of stock, every stockholder of record of a corporation is entitled at each meeting of stockholders thereof to one vote for each share of stock standing in his or her name on the records of the corporation. If the articles of incorporation, or the certificate of designation establishing the class or series of stock provides for more or less than one vote per share for any class or series of shares on any matter, every reference in this chapter to a majority or other proportion of stock shall be deemed to refer to a majority or other proportion of the voting power of all of the shares or those classes or series of shares, as may be required by the articles of incorporation, or in the certificate of designation establishing the class or series of stock or the provisions of this chapter.

2. Unless a period of more than 60 days or a period of less than 10 days is prescribed or fixed in the articles of incorporation, the board of directors may prescribe a period not exceeding 60 days before any meeting of the stockholders during which no transfer of stock on the books of the corporation may be made, or may fix a record date not more than 60 or less than 10 days before the date of any such meeting as the date as of which stockholders entitled to notice of and to vote at such meetings must be determined.

3. If a record date for a meeting of stockholders is fixed by the board of directors:

(a) The record date:

(1) Must be so fixed pursuant to a resolution adopted by the board of directors; and

(2) Must not precede the day on which the resolution is adopted by the board of directors, regardless of the effective date of the resolution.

(b) Only stockholders of record on the record date are entitled to notice of or to vote at the meeting.

4. If a record date for a meeting of stockholders is not fixed by the board of directors, the record date is at the close of business on the day before the day on which the first notice is given or, if notice is waived, at the close of business on the day before the meeting is held.

5. A determination of stockholders of record entitled to notice of or to vote at a meeting of stockholders applies to any adjournment or postponement of the meeting unless the board of directors fixes a new record date for the adjourned or postponed meeting. The board of directors must fix a new record date if the meeting is adjourned or postponed to a date more than 60 days later than the meeting date set for the original meeting.

6. The board of directors may adopt a resolution prescribing a date upon which the stockholders of record entitled to give written consent pursuant to NRS 78.320 must be determined. The date prescribed by the board of directors may not precede or be more than 10 days after the day on which the resolution is adopted by the board of directors, regardless of the effective date of the resolution.

7. If the board of directors does not adopt a resolution prescribing a date upon which the stockholders of record entitled to give written consent pursuant to NRS 78.320 must be determined and:

(a) No prior action by the board of directors is required by this chapter or chapter 92A of NRS before the matter is submitted for consideration by the stockholders, the date is the first date on which any stockholder delivers to the corporation such consent signed by the stockholder.

(b) Prior action by the board of directors is required by this chapter or chapter 92A of NRS before the matter is submitted for consideration by the stockholders, the date is at the close of business on the day the board of directors adopts the resolution.

8. ~~[The]~~ ***Without limiting the provisions of NRS 78.138 or 78.139, the*** provisions of this section do not restrict the directors ***of a corporation*** from taking action ***not in circumvention or contravention of this title*** to protect the ***long-term or short-term*** interests of the corporation ~~[and its]~~ ***or the long-term or short-term interests of the corporation's*** stockholders, including, but not limited to, adopting or signing plans, arrangements or instruments that ***issue,*** grant or deny rights ~~[, privileges, power or authority]~~ ***or options pursuant to NRS 78.200*** to a holder or holders of a specified number of shares or percentage of share ownership or voting power ~~[.]~~ ***, for the purpose or having the effect of granting or denying rights, privileges, power or authority to any such holder or holders.***

(a) By an acquiring person authorized pursuant to NRS 78.378 to 78.3793, inclusive, to exercise voting rights, to the extent that the new acquisition does not result in the acquiring person obtaining a controlling interest greater than that previously authorized; or

(c) The certificate so signed must be filed with the Secretary of State.

2. Except as otherwise provided in this subsection, if any proposed amendment would adversely alter or change any preference or any relative or other right given to any class or series of outstanding shares, then, in addition to any approval otherwise required, the amendment must be approved by the holders of shares representing a majority of the voting power of each class or series adversely affected by the amendment regardless of limitations or restrictions on the voting power thereof. The amendment does not have to be approved by the holders of shares representing a majority of the voting power of each class or series whose preference or rights are adversely affected by the amendment if the articles of incorporation specifically deny the right to vote on such an amendment.

3. Provision may be made in the articles of incorporation requiring, in the case of any specified amendments, approval by a larger proportion of the voting power of stockholders than that required by this section.

Sec. 29. NRS 92A.120 is hereby amended to read as follows:

92A.120 1. After adopting a plan of merger, exchange or conversion, the board of directors of each domestic corporation that is a constituent entity in the merger or conversion, or the board of directors of the domestic corporation

whose shares will be acquired in the exchange, must submit the plan of merger, except as otherwise provided in NRS 92A.130 ***, 92A.133*** and 92A.180, the plan of conversion or the plan of exchange for approval by its stockholders who are entitled to vote on the plan in accordance with the provisions of this section.

2. For a plan of merger, conversion or exchange to be approved:

(a) The board of directors must recommend the plan of merger, conversion or exchange to the stockholders, unless the board of directors determines that because of a conflict of interest or other special circumstances it should make no recommendation and it communicates the basis for its determination to the stockholders with the plan; and

(b) The stockholders entitled to vote must approve the plan.

3. The board of directors may condition its submission of the proposed merger, conversion or exchange on any basis. The provisions of this section or this chapter must not be construed to permit a board of directors to submit, or to agree to submit, a plan of merger, conversion or exchange to the stockholders without the recommendation of the board required pursuant to paragraph (a) of subsection 2 unless the board of directors determines that because of a conflict of interest or other special circumstances it should make no recommendation and it communicates the basis for its determination to the stockholders with the plan. Any agreement of the board of directors to submit a plan of merger, conversion or exchange to the stockholders notwithstanding an adverse recommendation of the board of directors shall be deemed to be of no force or effect.

6. Unless the articles of incorporation or the resolution of the board of directors establishing a class or series of stock provide otherwise, or unless the board of directors acting pursuant to subsection 3 requires a greater vote, the plan of exchange must be approved by a majority of the voting power of each class and each series to be exchanged pursuant to the plan of exchange.

7. Unless otherwise provided in the articles of incorporation or the bylaws of the domestic corporation, the plan of merger, conversion or exchange may be approved by written consent as provided in NRS 78.320.

8. If an officer, director or stockholder of a domestic corporation, which will be the constituent entity in a conversion, will have any liability for the obligations of the resulting entity after the conversion because the officer, director or stockholder will be the owner of an owner's interest in the resulting entity, then that officer, director or stockholder must also approve the plan of conversion.

9. Unless otherwise provided in the articles of incorporation or bylaws of a domestic corporation, a plan of merger, conversion or exchange may contain a provision that permits amendment of the plan of merger, conversion or exchange at any time after the stockholders of the domestic corporation approve the plan of merger, conversion or exchange, but before the articles of merger, conversion or exchange become effective, without obtaining the approval of the stockholders of the domestic corporation for the amendment if the amendment does not:

(a) Alter or change the manner or basis of exchanging an owner's interest to be acquired for owner's interests, rights to purchase owner's interests, or other securities of the acquiring entity or any other entity, or for cash or other property in whole or in part; or

Amendment No. 182.

AN ACT relating to insurance; prohibiting an insurer from treating Medicare supplemental policies differently for certain purposes relating to the payment of commissions; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing federal law establishes the Medicare program, which is a public health insurance program for persons 65 years of age and older and specified persons with disabilities who are under 65 years of age. (42 U.S.C. §§ 1395 et seq.) Existing federal regulations define the term "Medicare supplemental policy" to mean a policy offered by a private insurer that is primarily designed to pay expenses not reimbursed under Medicare because of certain limitations under Medicare. (42 C.F.R. § 403.205) Existing law requires an insurer offering a Medicare supplemental policy or the Public Employees' Benefits Program or any local government that provides a similar policy for public employees to offer an open enrollment period for persons covered by such policies, during which the insurer or governmental entity is prohibited from placing certain restrictions on the issuance of such a policy. (NRS 287.010, 287.04335, 687B.352, 695B.320) Existing federal law requires the issuance of a Medicare supplemental policy under certain circumstances, under which such a policy is considered to be guaranteed issue. (42 U.S.C. § 1395ss) This bill prohibits an insurer or other person or entity from varying the commission

~~[paid for]~~ **associated with** the ~~[sale]~~ **purchase** of Medicare supplemental policies ~~[,]~~ **during the open enrollment period,** paying differential commissions ~~[for]~~ **associated with** the ~~[sale]~~ **purchase** of Medicare supplemental policies **during the open enrollment period** or otherwise treating Medicare supplemental policies **purchased during the open enrollment period** differently for the purposes of commission for any reason, including: (1) because the Medicare supplemental policy is issued during the open enrollment period or classified as guaranteed issue; or (2) because of the age, health status, claims experience, receipt of health care or medical condition of the insured. **This bill additionally requires an insurer or other person or entity to treat the purchase of a Medicare supplemental policy during the open enrollment period in the same manner as the renewal of a Medicare supplemental policy for purposes relating to the payment of a commission.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 687B.352 is hereby amended to read as follows:

687B.352 1. An insurer that issues a Medicare supplemental policy shall offer to a person currently insured under any such policy an annual open enrollment period commencing with the first day of the birthday month of the person and remaining open for at least 60 days thereafter, during which the person may purchase any Medicare supplemental policy made available by the insurer in this State that includes the same or lesser benefits. Innovative benefits, as described in 42 U.S.C. § 1395ss(p)(4)(B), must not be considered when determining whether a Medicare supplemental policy includes the same benefits as or lesser benefits than another such policy.

2. During the open enrollment period offered pursuant to subsection 1, an insurer shall not deny or condition the issuance or effectiveness, or discriminate in the price of coverage, of a Medicare supplemental policy based on the health status, claims experience, receipt of health care or medical condition of a person described in subsection 1.

3. At least 30 days before the beginning of the open enrollment period offered pursuant to subsection 1 but not more than 60 days before the beginning of that period, an insurer that issues a Medicare supplemental policy shall notify each person to whom the open enrollment period applies of:

(a) The dates on which the open enrollment period begins and ends and the rights of the person established by the provisions of this section; and

(b) Any modification to the benefits provided by the policy under which the person is currently insured or adjustment to the premiums charged for that policy.

4. ***An insurer or other person or entity shall not vary the commission ~~[paid for]~~ associated with the ~~[sale]~~ purchase of Medicare supplemental policies ~~[,]~~ during the open enrollment period offered pursuant to subsection 1, pay differential commissions ~~[for]~~ associated with the ~~[sale]~~***

purchase of Medicare supplemental policies during that open enrollment period or otherwise treat Medicare supplemental policies purchased during that open enrollment period differently for the purposes of commission for any reason, including, without limitation:

(a) Because ~~[a]~~ the Medicare supplemental policy was purchased during the open enrollment period offered pursuant to subsection 1;

(b) Because ~~[a]~~ the Medicare supplemental policy is classified as guaranteed issue under 42 U.S.C. § 1395ss or any other applicable federal or state law or regulations; or

(c) Because of the age, health status, claims experience, receipt of health care or medical condition of the insured.

5. An insurer or other person or entity must treat the purchase of a Medicare supplemental policy during the open enrollment period offered pursuant to subsection 1 in the same manner as the renewal of a Medicare supplemental policy for all purposes relating to the payment of a commission.

6. As used in this section, "Medicare supplemental policy" has the meaning ascribed to it in 42 C.F.R. § 403.205 and additionally includes policies offered by public entities that otherwise meet the requirements of that section.

Sec. 2. This act becomes effective on July 1, 2023.

Amendment adopted.

Assembly Bill No. 135.

Bill read second time.

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 173.

AN ACT relating to homelessness; revising the process for persons who are homeless to apply for a certified or official copy of a birth certificate; requiring the Nevada Housing Crisis Response System to assist persons in crisis who are applying for a state identification card; revising requirements for the issuance of a state identification card to certain homeless children and youth; ~~[requiring certain counties to develop a strategic plan to address homelessness;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the State Board of Health to provide, and the State Registrar of Vital Statistics to carry out, a system for the registration of births and deaths in this State. (NRS 440.120) Existing law requires the State Registrar, and authorizes certain other entities, to issue a certified copy of a certificate of birth to an applicant if the applicant meets certain requirements. (NRS 440.175, 440.650) Existing law prohibits: (1) the State Registrar from

charging a fee for a certified copy of a record of birth to a homeless person who submits on a form prescribed by the State Registrar a statement signed under penalty of perjury that the person is homeless; and (2) another person or governmental organization from charging a fee for a certified or official copy of a certificate of birth to a homeless person who submits a signed affidavit on a form prescribed by the State Registrar stating that the person is homeless. (NRS 440.175, 440.700) Existing law prohibits the State Registrar from requiring the signed statement that a person is homeless be notarized. (NRS 440.700) **Section 1** of this bill: (1) requires a homeless person who wishes to obtain a certified or official copy of a certificate of birth from a person or governmental organization, other than the State Registrar, to submit a statement signed under penalty of perjury that the person is homeless rather than a signed affidavit; and (2) prohibits such a person or governmental entity from requiring that such a signed statement be notarized.

Sections 1 and 2 of this bill require the State Registrar and other entities who issue certified or official copies of birth certificates to notify an applicant for a certified or official copy of a birth certificate upon determining that required documents are missing from the application. If the applicant is homeless, **sections 1 and 2** require the State Registrar or other entity to allow the applicant at least 30 days after the notice was provided to submit the missing documents.

Existing law allows certain residents or seasonal residents of this State who do not hold a valid driver's license or identification card to apply for an identification card in this State. (NRS 483.810-483.890) Existing law requires the Department of Health and Human Services to establish and administer the Nevada Housing Crisis Response System to provide certain types of assistance to persons who are transient, at imminent risk of homelessness or homeless. (NRS 422A.680) **Section 3** of this bill requires the System to collaborate with the Department of Motor Vehicles to facilitate assistance to persons in crisis who wish to apply for such an identification card.

Existing law requires the Department of Motor Vehicles to waive, not more than one time, all fees and costs for the issuance of an original or duplicate identification card to a homeless child or youth less than 25 years of age. (NRS 483.825) **Section 4** of this bill removes the limitation that such fees and costs may be waived only once, thus requiring the Department to waive all fees and costs for the issuance of any identification card issued to a homeless child or youth less than 25 years of age.

Existing law requires an applicant for an identification card to provide to the Department of Motor Vehicles: (1) proof of his or her full legal name and age; and (2) if he or she has been issued a social security number, proof of that social security number. (NRS 483.850, 483.860) **Section 5** of this bill removes the requirement to provide proof of a social security number for any applicant who is a homeless child or youth less than 25 years of age. **Section 6** of this bill authorizes an applicant who is a homeless child or youth less than 25 years

of age to prove his or her legal name and age by providing **: (1)** a school identification card that meets certain requirements ~~[.~~

~~Section 7 of this bill requires each county whose population is 100,000 or more (currently Clark and Washoe Counties), during the 2023-2024 legislative interim, to: (1) develop a strategic plan to address homelessness in the county and the cities or towns within the county; (2) submit the plan to the Joint Interim Standing Committee on Health and Human Services; and (3) present the contents of the plan at a meeting of the Committee.]~~ **; and (2) an unofficial transcript from the respective school that contains the date of birth of the applicant.**

A written objection authorized pursuant to this subsection must:

(a) Set forth proof or substantiating evidence to support the belief of the person or entity that the contractor wrongfully holds a certificate of eligibility to receive a preference in bidding on public works; and

14. If the public body determines that the objection is not accompanied by the required proof or substantiating evidence, the public body shall dismiss the objection and the public body or its authorized representative may proceed immediately to award the contract. If the public body determines that the objection is accompanied by the required proof or substantiating evidence, the public body shall determine whether the contractor qualifies for the certificate pursuant to the provisions of this section and the public body or its authorized representative may proceed to award the contract accordingly.

6. A contractor who has received a certificate of eligibility to receive a preference in bidding on public works from the State Contractors' Board pursuant to subsection 3 or 4 shall, at the time for the renewal of his or her contractor's license pursuant to NRS 624.283, submit to the Board an affidavit from a certified public accountant setting forth that the contractor has, during the immediately preceding 12 months, paid the taxes required pursuant to paragraph (a) of subsection 3 or paragraph (a) of subsection 4, as applicable, to maintain eligibility to hold such a certificate.

8. If a contractor holds more than one contractor's license, the contractor must submit a separate application for each license pursuant to which the contractor wishes to qualify for a preference in bidding. Upon issuance, the certificate of eligibility to receive a preference in bidding on public works becomes part of the contractor's license for which the contractor submitted the application.

9. If a contractor who applies to the State Contractors' Board for a certificate of eligibility to receive a preference in bidding on public works:

(a) Submits false information to the Board regarding the required payment of taxes, the contractor is not eligible to receive a preference in bidding on public works for a period of 5 years after the date on which the Board becomes aware of the submission of the false information; or

10. If any federal statute or regulation precludes the granting of federal assistance or reduces the amount of that assistance for a particular public work because of the provisions of subsection 2, those provisions do not apply insofar as their application would preclude or reduce federal assistance for that work.

11. If a bid is submitted by two or more contractors as a joint venture or by one of them as a joint venturer, the bid may receive a preference in bidding only if both or all of the joint venturers separately meet the requirements of subsection 2.

12. The State Contractors' Board shall adopt regulations and may assess reasonable fees relating to the certification of contractors for a preference in bidding on public works.

13. A person who submitted a bid on the public work or an entity who believes that the contractor who was awarded the contract for the public work wrongfully holds a certificate of eligibility to receive a preference in bidding on public works may challenge the validity of the certificate by filing a written objection with the local government to which the contractor has submitted a bid on a contract for the construction of a public work. A written objection authorized pursuant to this subsection must:

(a) Set forth proof or substantiating evidence to support the belief of the person or entity that the contractor wrongfully holds a certificate of eligibility to receive a preference in bidding on public works; and

(b) Be filed with the local government not later than 3 business days after the opening of the bids by the local government or its authorized representative.

14. If a local government receives a written objection pursuant to subsection 13, the local government shall determine whether the objection is accompanied by the proof or substantiating evidence required pursuant to paragraph (a) of that subsection. If the local government determines that the objection is not accompanied by the required proof or substantiating evidence, the local government shall dismiss the objection and the local government or its authorized representative may proceed immediately to award the contract. If the local government determines that the objection is accompanied by the required proof or substantiating evidence, the local government shall determine whether the contractor qualifies for the certificate pursuant to the provisions of this section and the local government or its authorized representative may proceed to award the contract accordingly.

The following amendment was proposed by the Committee on Education:

Amendment No. 497.

AN ACT relating to education; revising provisions governing the election and appointment of members of the board of trustees of certain school districts; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the members of the board of trustees of a county school district in which more than 75,000 pupils are enrolled (currently Clark County School District) are elected from seven election districts, established by the board of trustees, that are as nearly equal in population as possible and are composed of contiguous territory. (NRS 386.165) **Section** ~~[1]~~ **1.5** of this bill ~~[amends the electoral process for electing members of the board of trustees of a county school district in which more than 75,000 pupils are enrolled by requiring that the board of trustees consist of: (1)]~~ **adds** four **nonvoting** members ~~[elected in election districts established by]~~ **to** the board of ~~[county commissioners]~~ **trustees** of ~~[the]~~ **such a** county ~~[in which the]~~ school district ~~[is located; (2)]~~ **, of whom: (1)** one **nonvoting** member **must be** appointed by the board of county commissioners of the county in which the school district is located who **must** also ~~[resides]~~ **reside** in the school district; and ~~[(3) two]~~ **(2) three nonvoting** members **must be** appointed by the governing bodies of the ~~[two]~~ **three** most populous incorporated cities in the county in which the school district is located, with each governing body appointing one member who ~~[resides]~~ **must reside** in the city of the governing body that appoints him or her.

~~[Existing law similarly requires that the members of the board of trustees of a county school district in which more than 25,000 pupils but not more than 75,000 pupils are enrolled (currently Washoe County School District) establish seven election districts as follows: (1) five districts which are as nearly equal in population as is practicable, each of which includes approximately one-fifth of the population of the county; and (2) two districts which are as nearly equal in population as possible, each of which includes approximately one-half of the population of the county. (NRS 386.165) Section 1 revises the provisions governing the election of members of the board of trustees of a county school district in which more than 25,000 pupils but not more than 75,000 pupils are enrolled by requiring: (1) four members to be elected in an election district established by the board of county commissioners of the county in which the school district is located; (2) one member to be appointed by the board of county commissioners of the county in which the school district is located; and (3) two members to be appointed by the governing bodies of the two most populous incorporated cities in the county in which the school district is located, with each governing body appointing one member.]~~

Section ~~[1 additionally requires election districts established by the board of county commissioners of the county in which a school district is located to be as nearly equal in population as possible and composed of contiguous territory.]~~ **1.5 also provides that the nonvoting members of the board of trustees have: (1) the same rights and responsibilities as the voting members; (2) voting rights for the election of officers; and (3) the**

authority to serve as an officer of the board of trustees. Section ~~[1]~~ 1.5 further provides that each trustee holds office until his or her successor is appointed or elected and qualified.

Section 1 of this bill makes a conforming change to provide that a board of trustees of a county school district in which more than 75,000 pupils are enrolled consists of 11 members.

Sections 2-4 of this bill make conforming changes that clarify that certain requirements for a candidate for the board of trustees of a school district only apply to candidates who are elected and not appointed.

Section 5 of this bill makes a conforming change that requires vacancies among the elected members of a board of trustees of a school district to be filled by appointment at a public meeting of the board of trustees. **Section 5** additionally requires that vacancies that occur among the appointed members of a board of trustees of a school district must be filled by the appointing authority. **Section 6** of this bill makes a conforming change by allowing for the governing body, and not exclusively the board of trustees, to appoint a member to a temporary vacancy in the event a vacancy occurs due to a member entering active military service.

Section 7 of this bill makes a conforming change by deleting certain provisions governing the term of office of a member of a board of trustees of a school district which have been moved to section ~~[1.]~~ **1.5.**

The following amendment was proposed by the Committee on Natural Resources:

Amendment No. 200.

AN ACT relating to air pollution; creating the Account for Clean Trucks and Buses; creating the Clean Trucks and Buses Incentive Program; establishing various requirements for the Program; **making an appropriation;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the State Environmental Commission to prescribe standards for exhaust emissions, fuel evaporative emissions and visible emissions of smoke from mobile internal combustion engines. (NRS 445B.760) Existing law also requires the Commission to establish, by regulation, a program for the regulation of smoke and other emissions by inspection of heavy-duty motor vehicles that are powered by diesel fuel or motor vehicle fuel. (NRS 445B.780) This bill establishes a voucher incentive program called the Clean Trucks and Buses Incentive Program in which the Division of Environmental Protection of the State Department of Conservation and Natural Resources will, within the limits of ~~[federal and private]~~ money available for such purposes, issue vouchers to approved contractors to redeem with the Division for offering certain price incentives to certain entities for the sale of eligible zero-emission medium-duty and heavy-duty vehicles.

Sections 2-15 of this bill define various terms related to the Clean Trucks and Buses Incentive Program.

Section 16 of this bill creates the Account for Clean Trucks and Buses, which is administered by the Division to carry out the Clean Trucks and Buses Incentive Program. **Section 16** requires ~~[that]~~ **the Department of Transportation to enter into an agreement with the Division to: (1) enable the Division to administer** 35 percent of the ~~[allocation]~~ **apportionment** of federal money to this State for the federal Carbon Reduction Program, 23 U.S.C. § 175, ~~[be deposited in the Account]~~ beginning in January 2024 **;** ~~[, and continuing for as long as the Carbon Reduction Program allocates money to the states that may be used for this purpose.]~~ **; (2) coordinate with the Division to ensure that the use of the money is consistent with all requirements of federal law; and (3) ensure that any necessary waivers for the Clean Trucks and Buses Program are obtained from the federal government.**

Section 17 of this bill creates the Clean Trucks and Buses Incentive Program and sets forth the base incentives and incentive increases that are available to

eligible entities for the purchase of a clean truck or bus. To be eligible for an incentive from the Program, **section 17** requires that an entity: (1) own or operate a diesel-powered or gasoline-powered medium-duty or heavy-vehicle or a fleet of medium-duty or heavy-duty vehicles; and (2) be domiciled in this State.

Section ~~[18]~~ **20.5** of this bill ~~[authorizes a contractor to submit an application to]~~ **requires the Commission to adopt regulations to carry out the Program, which must include requirements for: (1)** the Division to approve a clean truck or bus or repowered vehicle as eligible for purchase using an incentive from the Program ~~[.~~

~~Section 19 of this bill establishes requirements for]~~ **; (2)** a contractor to submit an application to be approved to sell eligible clean trucks or buses using an incentive from the Program ~~[.~~

~~Section 20 of this bill requires an entity that would like to receive an incentive from the Program to: (1) agree to operate the clean truck or bus for at least 5 years and domicile the clean truck or bus in this State for at least 5 years; (2) certify that the clean truck or bus will travel at least 5,000 miles per year or for 1,000 hours per year; and (3) certify that the clean truck or bus will be operated in this State 75 percent of the time that it is being operated. Section 20 also: (1) requires]~~ **; and (3)** an eligible entity to work with an approved contractor to submit an application to receive an incentive from the Program **.** ~~[; and (2) sets forth certain criteria that must be included in an application to receive an incentive from the Program, which will be used by the Division to prioritize applications for an incentive.]~~

Section 21 of this bill requires the Division to review applications on a quarterly basis. Upon approval of an application, **section 21** requires the Division to reserve the amount of the incentive from the Program offered to the entity in the Account for Clean Trucks and Buses and, with certain exceptions, issue the approved contractor a voucher for that amount, which is valid for 1 year ~~[.]~~ **and may be extended for an additional 1 year upon the request of the approved contractor.** Once the clean truck or bus has been purchased, delivered and placed into operation by the entity, **section 21** authorizes the contractor to redeem the voucher with the Division.

Section 22 of this bill requires an entity that receives an incentive for the purchase of a clean truck or bus from the Clean Trucks and Buses Incentive Program to submit written reports to the Division in accordance with regulations adopted by the ~~[State Environmental]~~ Commission. **Section 22** further requires the Division to submit an annual summary of these reports to the Director of the Legislative Counsel Bureau.

Section 22.5 of this bill makes an appropriation to the Account for Clean Trucks and Buses created by section 16 for carrying out the Clean Trucks and Buses Program.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 260.

AN ACT relating to criminal procedure; prohibiting a peace officer or other person authorized to conduct a custodial interrogation of a child from making certain statements during a custodial interrogation of a child; **providing that a statement by a child obtained in violation of such a prohibition is presumed involuntary and inadmissible in any criminal or juvenile proceeding;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law prescribes certain requirements relating to custodial interrogations. (NRS 62C.013, 171.1239) This bill prohibits a peace officer or other person authorized to conduct a custodial interrogation of a child from: (1) knowingly ~~[providing]~~ **making** certain **materially** false ~~[information]~~ **statements** about evidence to a child who is the subject of a custodial interrogation; or (2) making certain express or implied promises of leniency or advantage to a child who is the subject of a custodial interrogation. **This bill**

additionally creates a presumption that any statement by a child obtained in violation of this bill is involuntary and inadmissible in any criminal or juvenile proceeding. To overcome this presumption, the State must prove, by a preponderance of the evidence, that the statement was voluntary, reliable and not induced by a violation of this bill. Finally, this bill creates an exception to the prohibition created by this bill for circumstances in which: (1) the peace officer or other person who conducted the custodial interrogation reasonably believed that the information sought was necessary to protect life or property from an imminent threat; and (2) the questions asked by such a person were limited to those reasonably necessary to obtain information related to the imminent threat.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 171 of NRS is hereby amended by adding thereto a new section to read as follows:

1. [A] Except as otherwise provided in subsection 3, a peace officer or other person authorized to conduct a custodial interrogation of a child taken into custody shall not [, at any time] during a custodial interrogation of a child:

(a) Knowingly [provide] make a materially false [information] statement about evidence that is reasonably likely to elicit an incriminating response from the child; or

(b) Make any express or implied promise to the child of leniency or advantage for the child that the peace officer or other person conducting the investigation lacks the authority to make, including, without limitation, any promise about the filing of charges or prosecution of the child.

2. A statement by a child obtained in violation of this section is presumed to be involuntary and inadmissible in any criminal or juvenile proceeding. The State may overcome the presumption set forth in this subsection by proving by a preponderance of the evidence that the statement was voluntary, reliable and not induced by an act in violation of this section. In making a determination pursuant to this subsection of whether the presumption has been overcome, the finder of fact shall consider the totality of the circumstances of the interrogation.

3. Subsection 1 does not apply to a custodial interrogation of a child if:

(a) The peace officer or other person who conducted the custodial interrogation of the child reasonably believed the information sought was necessary to protect life or property from an imminent threat; and

(b) The questions asked by the peace officer or other person were limited to those reasonably necessary to obtain information related to the imminent threat.

4. As used in this section:

(a) "Child" means a person who is less than 18 years of age.

(b) "Custodial interrogation" means any interrogation of a person who is required to be advised of his or her rights pursuant to Miranda v. Arizona, 384 U.S. 436 (1966).

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 175.

AN ACT relating to health care; authorizing the Division of Health Care Financing and Policy of the Department of Health and Human Services to impose an assessment on certain health care providers; creating the Account to Improve Health Care Quality and Access for Patients of Certain Providers; prescribing the authorized uses of the revenue generated by the assessment; requiring the Division to adopt regulations establishing administrative penalties against a health care provider who does not pay an assessment in a timely manner; authorizing the Division to take certain measures to collect an unpaid assessment or administrative penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the Division of Health Care Financing and Policy of the Department of Health and Human Services to impose an assessment on agencies to provide personal care services in the home or medical facilities that are required to obtain a certain type of license after obtaining the approval of at least 67 percent of the operators of such agencies or facilities. (NRS 422.3794) Existing law requires the Division to expend the revenue generated from the assessment to: (1) provide supplemental payments and enhanced ratio of reimbursements to operators of agencies to provide personal care in the home and operators of medical facilities for services rendered to recipients of Medicaid; and (2) pay administrative costs. (NRS 422.37945) **Sections 2-8** of this bill authorize the imposition of a similar assessment on groups of health care providers, other than hospitals ~~[,]~~ **or physicians,** who provide similar services or ~~[physicians who]~~ practice in a specialty area. **Sections 3-5** of this bill define necessary terms. **Section 6** of this bill provides for the imposition of the assessment upon the affirmative vote of at least 67 percent of the affected providers.

Section 7 of this bill creates the Account to Improve Health Care Quality and Access for Patients of Certain Providers and requires the Division to administer the Account and deposit the proceeds from the assessment into the Account. **Section 7** authorizes the Division to use the money in the Account

to: (1) increase the rates of reimbursement of providers in the assessed group receive from Medicaid to rates equal to certain benchmarks prescribed in federal law; and (2) pay administrative costs related to the assessment. If the Legislature authorizes the money in the Account for any other purpose, **section 7** requires the Division to poll each provider group against which an assessment is currently being imposed concerning the continued imposition of the assessment. If the poll does not receive an affirmative vote from at least 67 percent of the affected providers, **section 7**: (1) requires that the Division cease imposing the assessment; and (2) provides that the regulations adopted to impose the assessment are void.

Section 8 of this bill requires the Division to adopt regulations establishing administrative penalties against a health care provider who fails to pay an assessment in a timely manner. **Section 8** also authorizes the Division, after notifying the provider, to deduct the amount of an unpaid assessment or administrative penalty from future payments owed to the provider under the State Plan for Medicaid. Finally, **section 8** authorizes the Division to negotiate a payment plan with a health care provider before making such deductions.

Section 9 of this bill makes a conforming change to indicate the proper placement of **sections 2-8** in the Nevada Revised Statutes.

The following amendment was proposed by the Committee on Education:

Amendment No. 145.

AN ACT relating to education; **revising the requirements to receive approval from the State Board of Education to offer a work-based learning program;** requiring the Department of Education to adopt regulations prescribing a method for the board of trustees of a school district to determine whether the employment and supervision of a pupil in a work-based learning program is appropriate; ~~[requiring]~~ **authorizing the board of trustees of a school district to exempt** certain volunteers participating in a work-based learning program ~~[to be exempted]~~ from submitting fingerprints for the purpose of a criminal background check; deeming certain employees of a business, agency or organization that participates in a work-based learning program not to be volunteers at a school **;** ~~[for the purposes of certain fingerprinting requirements;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires each volunteer at a public school, including a charter school or university school for profoundly gifted pupils, and a private school who is likely to have unsupervised contact with pupils to submit his or her fingerprints to the governing body of a charter school or university school for profoundly gifted pupils, the administrator of the private school or the board of trustees of the school district, as applicable, for the purposes of a criminal background check before beginning his or her service as a volunteer and at least once every 5 years thereafter. (NRS 388A.515, 388C.200, 391.104, 394.155) Existing law defines the term "volunteer" to mean any person who, without compensation, works at, assists with or oversees any activity or event conducted or sponsored by the school during or outside of school hours. (NRS 388A.510, 388C.190, 391.1035, 394.154)

Existing law authorizes the board of trustees of a school district or the governing body of a charter school to offer a work-based learning program upon application to and with the approval of the State Board of Education. **Under existing law, a work-based learning program must include certain requirements to receive approval from the State Board to offer a work-based learning program.** (NRS 389.167) **Section 1.5 of this bill requires a work-based learning program to additionally include a requirement that each pupil participating in the work-based learning program complete training on: (1) identifying and reporting harassment in the workplace; and (2) developing and maintaining healthy relationships in the workplace.**

Section 2 of this bill requires the Department of Education to prescribe by regulation a method for the board of trustees of a school district to: (1) examine a business, agency or organization seeking to participate in a work-based learning program; and (2) determine if the employment and supervision of a pupil by the business, agency or organization would be appropriate. If the board of trustees of a school district determines the employment and supervision of a pupil in a work-based learning program by the business,

agency or organization is appropriate, **section 2** ~~[exempts]~~ **authorizes a board of trustees of a school district to exempt** a volunteer employed by the business, agency or organization from submitting his or her fingerprints for the purposes of a criminal background check. **Section 5** of this bill makes a conforming change to specifically exempt such a volunteer from submitting his or her fingerprints for the purposes of a criminal background check. **Section 3** of this bill makes a conforming change to indicate the proper placement of **section 2** in the Nevada Revised Statutes.

Sections 1 and 4 of this bill revise the definition of the term "volunteer" for the purposes of public schools to exclude an employee of a business, agency or organization that participates in a work-based learning program, other than an employee who directly oversees the participation of a pupil in the work-based learning program **.** ~~[, thereby excluding such an employee from the requirement to submit his or her fingerprints for the purposes of a criminal background check.]~~

Legislative Counsel's Digest:

Existing law creates the State Financial Literacy Advisory Council, composed of members appointed by the Governor, certain Legislators and the Chancellor of the Nevada System of Higher Education. Existing law requires the Council to: (1) develop a strategic plan for the development of educational resources in financial literacy; (2) identify learning activities targeted toward standards and criteria of a curriculum in financial literacy; (3) develop and facilitate certain events related to financial literacy; (4) develop the criteria required for a pupil to earn the State Seal of Financial Literacy; (5) apply for grants, gifts and donations to carry out its objectives; and (6) prepare a written report to provide to certain entities. (NRS 388.5966, 388.5968) Section 1 of this bill changes the composition of the Council by eliminating certain members appointed by the Governor, certain Legislators and the Chancellor of the System and adding a pupil enrolled in high school as a member of the Council. Section 1 also places the Council within the Department of Education and provides that the Superintendent of Public Instruction must appoint the members of the Council.

Existing law: (1) designates certain academic subjects, including social studies, which encompasses financial literacy, as core academic subjects that must be taught in all public schools; and (2) requires a pupil enrolled in a public high school to enroll in a minimum of one-half unit of credit in the subject of economics. (NRS 389.018) **Section ~~1~~ 1.5** of this bill revises the contents of the one-half unit of credit in economics in which a pupil must enroll to also include financial literacy.

Existing law: (1) requires that pupils who are enrolled in public schools are provided with instruction in financial literacy; and (2) sets forth the required contents for such instruction, including the skills necessary to manage finances, which includes developing a personal financial plan. Assembly Bill No. 318.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 181.

AN ACT relating to medicine; **revising the account in which proceeds from certain penalties are deposited;** revising certain procedures relating to the expiration of a license to practice medicine; requiring a physician assistant, practitioner of respiratory care or perfusionist or the insurer of such a person to report certain information relating to an action or claim of malpractice to the Board of Medical Examiners; providing administrative penalties; requiring the Board to investigate a physician assistant, practitioner of respiratory care or perfusionist in certain circumstances; authorizing the Board to examine such a person under certain circumstances; **increasing the maximum amount of certain fines;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the Board of Medical Examiners to impose upon a person a fine not to exceed $5,000 for each violation committed by the person that constitutes grounds for disciplinary action against the person. (NRS 630.352) Existing law additionally requires that all money received by the Board from penalties be deposited with the State Treasurer for credit to the State General Fund. (NRS 630.110) Section 1 of this bill requires that all money from penalties be credited to an account in the State Treasury, selected by the State Treasurer and requires that the money in the account be used to support the improvement of health care or the practice of medicine in this State. Section 5.5 of this bill increases the maximum amount of the fine that the Board is authorized to impose for a violation that constitutes grounds for disciplinary action to $10,000 for each such violation.

Existing law requires the holder of a license to practice medicine to submit a registration fee and certain information to the Board ~~[of Medical Examiners]~~ on or before June 30, or if June 30 is a Saturday, Sunday or legal holiday, on the next business day after June 30, of each odd-numbered year. Existing law requires the Board to make reasonable attempts to notify a licensee: (1) at least once that the fee for biennial registration and the required information are due; and (2) that his or her license has expired. Existing law requires the Board to send a copy of such notice to the Drug Enforcement Administration of the United States Department of Justice. (NRS 630.267) **Section ~~[1]~~ 1.5** of this bill requires the Board to provide notice to the holder of a license to practice medicine at least 60 days before the scheduled expiration of the license:

(1) that the fees and required information are due; and (2) of the date on which the license is scheduled to expire. After such a license expires, **section ~~[1]~~ 1.5** requires the Board to make reasonable attempts to notify the licensee of the expiration. **Section ~~[1]~~ 1.5** also removes the requirement for the Board to provide a copy of each notice to the Drug Enforcement Administration and instead requires the Board to provide a list of expired licenses to the Drug Enforcement Administration and the State Board of Pharmacy.

Existing law requires a physician and the insurer of a physician to report to the Board any: (1) action for malpractice against the physician; (2) claim for malpractice against the physician that is submitted to arbitration or mediation; or (3) settlement, award, judgment or other disposition of such an action or claim. (NRS 630.3067, 630.3068) Existing law additionally requires a physician to report to the Board any sanctions imposed against the physician that are reportable to the National Practitioner Data Bank. (NRS 630.3068) Existing law authorizes the imposition of an administrative penalty against an insurer or physician that fails to report the required information. (NRS 630.3067, 630.3068) After receiving a report from an insurer or physician indicating that a judgment has been rendered or that such an action or claim has been resolved by settlement, existing law requires the Board to conduct an investigation to determine whether to impose disciplinary action against the physician, unless such an investigation has already commenced or been completed. (NRS 630.3069) Upon receiving such a report or determining that the conduct of a physician has raised a reasonable question as to his or her competence to practice medicine, existing law authorizes the Board to order the physician to undergo certain examinations to determine the fitness of the physician to practice medicine. (NRS 630.318) **Sections 2-5** of this bill make those provisions additionally applicable to physician assistants, practitioners of respiratory care and perfusionists.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. **NRS 630.110 is hereby amended to read as follows:**
