Sec. 71. ***1. Except as otherwise provided in this section, a pupil enrolled in grade 3 must be retained in grade 3, rather than promoted to***

grade 4, if the pupil does not obtain a score in the subject area of reading on the ~~[criterion-referenced]~~ uniform examination administered pursuant to ~~[NRS 390.105]~~ paragraph (a) of subsection 5 that meets the passing score prescribed by the State Board.

2. If a pupil will be retained in grade 3 pursuant to this section, the principal of the school must provide written notice to the parent or legal guardian of the pupil that the pupil will be retained in grade 3.

3. The board of trustees of each school district and the governing body of a charter school, as applicable, shall develop a policy by which the principal of a school may promote a pupil who is retained in grade 3 pursuant to this section to grade 4 at any time during the school year if the pupil demonstrates adequate proficiency in the subject area of reading. The policy must include the specific criteria a pupil must satisfy to be eligible for promotion, including, without limitation, a reasonable expectation that the pupil's progress will allow him or her to sufficiently master the requirements for a fourth-grade reading level. If a pupil is promoted after November 1 of a school year, he or she must demonstrate proficiency in reading at a level prescribed by the State Board.

4. If a principal of a school determines that a pupil is not academically ready for promotion to grade 4 after being retained in grade 3 and the pupil received intensive instructional services pursuant to NRS 392.760, the school district in which the pupil is enrolled must allow the parent or legal guardian of the pupil to decide, in consultation with the principal of the school, whether to place the pupil in a transitional setting which is designed to produce learning gains sufficient for the pupil to meet the performance standards required for grade 4, while continuing to receive remediation in the subject area of reading.

5. The State Board shall prescribe by regulation ~~[an]~~ :

(a) A uniform examination for administration in kindergarten and grades 1, 2 and 3 to measure the proficiency of pupils in the subject area of reading;

Sec. 72. *1. The superintendent of schools of a school district or the governing body of a charter school, as applicable, may authorize the promotion of a pupil to grade 4 who would otherwise be retained in grade 3 only if the superintendent or governing body, as applicable, approves a good-cause exemption for the pupil upon a determination by the principal of the*

school pursuant to subsection 3 that the pupil is eligible for such an exemption.

2. A good-cause exemption must be approved for a pupil who previously was retained in grade 3. Any other pupil is eligible for a good-cause exemption if the pupil:

(c) Is an English learner and has received not less than 2 years of instruction in a program of instruction that teaches English as a second language;

(d) Received intensive remediation in the subject area of reading for 2 or more years but still demonstrates a deficiency in reading and was previously retained in kindergarten or grade 1 or 2 for a total of 2 years;

(e) Is a pupil with a disability and his or her individualized education program indicates that the pupil's participation in the ~~[criterion-referenced examinations]~~ uniform examination administered pursuant to ~~[NRS 390.105]~~ paragraph (a) of subsection 5 of section 71 of this act is not appropriate; or

(f) Is a pupil with a disability and:

(3) He or she was previously retained in kindergarten or grade 1, 2 or 3.

3. The principal of a school in which a pupil who may be retained in grade 3 pursuant to subsection 1 is enrolled shall consider the factors set forth in subsection 2 and determine whether the pupil is eligible for a good-cause exemption. In making the determination, the principal must consider documentation provided by the pupil's teacher indicating whether the promotion of the pupil is appropriate based upon the record of the pupil. Such documentation must only consist of the existing plan for monitoring the progress of the pupil, the pupil's individualized education program, if applicable, and the pupil's plan developed in accordance with section 504 of the Rehabilitation Act of 1973, 29 U.S.C. § 794, if applicable. If the principal determines that promotion of the pupil to grade 4 is appropriate, the principal must submit a written recommendation to the superintendent of schools of the school district or to the governing body of the charter school, as applicable. charter school, as applicable, shall approve or deny the recommendation of the principal and provide written notice to the principal of the approval or denial.

Bill read second time.

The following amendment was proposed by the Committee on Growth and Infrastructure:

Amendment No. 907.

AN ACT relating to energy; revising a definition relating to certain renewable energy facilities; revising provisions governing the submission of general rate applications; revising provisions governing the integrated resource plan submitted triennially by a utility; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires each electric utility to submit to the Public Utilities Commission of Nevada every 3 years an integrated resource plan to increase the utility's supply of electricity or decrease the demands made on its system by its customers. Existing law provides that the integrated resource plan must include certain components, including, without limitation, a comparison of a diverse set of scenarios of the best combination of sources of supply to meet the demands or the best methods to reduce the demands. (NRS 704.741)

Section 2 of this bill sets forth certain declarations of the Legislature relating to the affordability, availability and reliability of the supply of electricity in this State. **Section 4** of this bill requires the integrated resource plan of an electric utility to include: (1) at least one scenario that provides for the construction or acquisition of energy resources through contract or ownership to be placed into service to close an open position utilizing dedicated energy resources in this State and dedicated energy resources delivered through firm transmission; and (2) for each scenario considered, certain information regarding each energy resource proposed and an evaluation of the impact the implementation of a scenario will have on certain matters. **Section 4** authorizes an electric utility to submit an integrated resource plan more frequently than once every 3 years. **Section 4** requires the Commission to adopt regulations governing the manner in which and circumstances under which an electric utility may file an amendment to its integrated resource plan. **Section 5** of this bill requires an electric utility to schedule a consumer session before filing an integrated resource plan or an amendment to such a plan. **Sections 6 and 7** of this bill make a conforming change to reflect changes in the numbering of subsections in **section 4**.

Section 1 of this bill revises the definition of "facility for the storage of energy from renewable generation."

Existing law requires certain electric utilities to file a general rate application once every 36 months. Existing law prohibits a public utility that has filed a general rate application from filing another general rate application until all pending general rate applications filed by that utility have been decided by the Commission, except under certain circumstances. (NRS 704.110) **Section 3** of this bill authorizes an electric utility to file a general rate application more frequently than once every 36 months. **Section 3** provides that an affiliate of a public utility is also prohibited from filing another general rate application until all pending general rate applications filed by that utility have been decided by the Commission.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 701A.327 is hereby amended to read as follows:

701A.327 1. "Facility for the storage of energy from renewable generation" means a facility that is constructed or installed for the ~~[~~sole~~]~~ purpose of storing electric energy received from a facility for the generation of electricity from renewable energy for release at a later time, including, without limitation, a facility that is designed to use energy storage technology.

2. The term does not include a facility that is located on a residential property.

Sec. 2. Chapter 704 of NRS is hereby amended by adding thereto a new section to read as follows:

The Legislature hereby declares that:

1. Rising energy needs and supply chain issues in the western United States have affected Nevada's ability to access the energy market to serve Nevada residents during periods of high energy demand.

2. It is paramount to the health and economic vitality of this State to ensure the affordability, availability and reliability of its electric supply.

3. An efficient regional energy market and comprehensive resource planning are essential to ensure affordable, safe and reliable electric service for customers of an electric utility from a balanced portfolio of supply and demand options, particularly in light of these challenges.

4. The integrated resource planning process must enable meaningful participation and robust review of a utility's proposals by the Commission and stakeholders to ensure the affordability, resiliency and reliability of the state's electric supply by considering all reasonable measures including, without limitation, demand-side management and increasing utility-owned, controlled or contracted electric generating capacity.

5. Increasing access to reliable electric generating capacity and procuring the most cost-effective resources supports the provision of affordable, resilient and reliable energy services to Nevadans and this State should take advantage of federal funding and tax benefits that provide additional opportunities.

6. It continues to be in the interest of this State to invest in a portfolio of electric generation supply and demand-side management measures that increase energy reliability and reduce greenhouse gas emissions consistent with state policy.

7. It is in the interest of Nevada to reduce electric utilities' reliance on market purchases and secure sufficient energy supply to protect reliability in a manner that promotes affordability and may reduce exposure to price volatility for customers, through methods which include dedicated in-state resources and dedicated energy resources delivered through firm transmission.

Sec. 3. NRS 704.110 is hereby amended to read as follows:

704.110 Except as otherwise provided in NRS 704.075, 704.68861 to 704.68887, inclusive, and 704.7865, or as may otherwise be provided by the Commission pursuant to NRS 704.095, 704.097 or 704.7621:

1. If a public utility files with the Commission an application to make changes in any schedule, including, without limitation, changes that will result in a discontinuance, modification or restriction of service, the Commission shall investigate the propriety of the proposed changes to determine whether to approve or disapprove the proposed changes. If an electric utility files such an application and the application is a general rate application or an annual deferred energy accounting adjustment application, the Consumer's Advocate shall be deemed a party of record.

2. Except as otherwise provided in subsection 3, if a public utility files with the Commission an application to make changes in any schedule, the Commission shall, not later than 210 days after the date on which the

application is filed, issue a written order approving or disapproving, in whole or in part, the proposed changes.

3. If a public utility files with the Commission a general rate application, the public utility shall submit with its application a statement showing the recorded results of revenues, expenses, investments and costs of capital for its most recent 12 months for which data were available when the application was prepared. Except as otherwise provided in subsection 4, in determining whether to approve or disapprove any increased rates, the Commission shall consider evidence in support of the increased rates based upon actual recorded results of operations for the same 12 months, adjusted for increased revenues, any increased investment in facilities, increased expenses for depreciation, certain other operating expenses as approved by the Commission and changes in the costs of securities which are known and are measurable with reasonable accuracy at the time of filing and which will become effective within 6 months after the last month of those 12 months, but the public utility shall not place into effect any increased rates until the changes have been experienced and certified by the public utility to the Commission and the Commission has approved the increased rates. The Commission shall also consider evidence supporting expenses for depreciation, calculated on an annual basis, applicable to major components of the public utility's plant placed into service during the recorded test period or the period for certification as set forth in the application. Adjustments to revenues, operating expenses and costs of securities must be calculated on an annual basis. Within 90 days after the date on which the certification required by this subsection is filed with the Commission, or within the period set forth in subsection 2, whichever time is longer, the Commission shall make such order in reference to the increased rates as is required by this chapter. The following public utilities shall each file a general rate application pursuant to this subsection based on the following schedule:

(a) An electric utility that primarily serves less densely populated counties shall file a general rate application:

(1) Not later than 5 p.m. on or before the first Monday in June 2019; and

(2) ~~[Once]~~ ***At least once*** every 36 months thereafter or on a date specified in an alternative rate-making plan approved by the Commission pursuant to NRS 704.7621.

(b) An electric utility that primarily serves densely populated counties shall file a general rate application:

(1) Not later than 5 p.m. on or before the first Monday in June 2020; and

(2) ~~[Once]~~ ***At least once*** every 36 months thereafter or on a date specified in an alternative rate-making plan approved by the Commission pursuant to NRS 704.7621.

(c) A public utility that furnishes water for municipal, industrial or domestic purposes or services for the disposal of sewage, or both, which had an annual gross operating revenue of $2,000,000 or more for at least 1 year during the immediately preceding 3 years and which had not filed a general rate application with the Commission on or after July 1, 2005, shall file a general

rate application on or before June 30, 2008, and at least once every 36 months thereafter unless waived by the Commission pursuant to standards adopted by regulation of the Commission. If a public utility furnishes both water and services for the disposal of sewage, its annual gross operating revenue for each service must be considered separately for determining whether the public utility meets the requirements of this paragraph for either service.

(d) A public utility that furnishes water for municipal, industrial or domestic purposes or services for the disposal of sewage, or both, which had an annual gross operating revenue of $2,000,000 or more for at least 1 year during the immediately preceding 3 years and which had filed a general rate application with the Commission on or after July 1, 2005, shall file a general rate application on or before June 30, 2009, and at least once every 36 months thereafter unless waived by the Commission pursuant to standards adopted by regulation of the Commission. If a public utility furnishes both water and services for the disposal of sewage, its annual gross operating revenue for each service must be considered separately for determining whether the public utility meets the requirements of this paragraph for either service.

➥ The Commission shall adopt regulations setting forth standards for waivers pursuant to paragraphs (c) and (d) and for including the costs incurred by the public utility in preparing and presenting the general rate application before the effective date of any change in rates.

4. In addition to submitting the statement required pursuant to subsection 3, a public utility may submit with its general rate application a statement showing the effects, on an annualized basis, of all expected changes in circumstances. If such a statement is filed, it must include all increases and decreases in revenue and expenses which may occur within 210 days after the date on which its general rate application is filed with the Commission if such expected changes in circumstances are reasonably known and are measurable with reasonable accuracy. If a public utility submits such a statement, the public utility has the burden of proving that the expected changes in circumstances set forth in the statement are reasonably known and are measurable with reasonable accuracy. The Commission shall consider expected changes in circumstances to be reasonably known and measurable with reasonable accuracy if the expected changes in circumstances consist of specific and identifiable events or programs rather than general trends, patterns or developments, have an objectively high probability of occurring to the degree, in the amount and at the time expected, are primarily measurable by recorded or verifiable revenues and expenses and are easily and objectively calculated, with the calculation of the expected changes relying only secondarily on estimates, forecasts, projections or budgets. If the Commission determines that the public utility has met its burden of proof:

(a) The Commission shall consider the statement submitted pursuant to this subsection and evidence relevant to the statement, including all reasonable projected or forecasted offsets in revenue and expenses that are directly attributable to or associated with the expected changes in circumstances under

consideration, in addition to the statement required pursuant to subsection 3 as evidence in establishing just and reasonable rates for the public utility; and

(b) The public utility is not required to file with the Commission the certification that would otherwise be required pursuant to subsection 3.

5. If a public utility files with the Commission an application to make changes in any schedule and the Commission does not issue a final written order regarding the proposed changes within the time required by this section, the proposed changes shall be deemed to be approved by the Commission.

6. If a public utility files with the Commission a general rate application, the public utility ***, or a public utility affiliated with the public utility through common ownership,*** shall not file with the Commission another general rate application until all pending general rate applications filed by that public utility have been decided by the Commission unless, after application and hearing, the Commission determines that a substantial financial emergency would exist if the public utility ***or its affiliate*** is not permitted to file another general rate application sooner. The provisions of this subsection do not prohibit ~~[the]~~ ***a*** public utility from filing with the Commission, while a general rate application is pending, an application to recover the increased cost of purchased fuel, purchased power, or natural gas purchased for resale pursuant to subsection 7, a quarterly rate adjustment pursuant to subsection 8 or 10, any information relating to deferred accounting requirements pursuant to NRS 704.185 or an annual deferred energy accounting adjustment application pursuant to NRS 704.187, if the public utility is otherwise authorized to so file by those provisions.

7. A public utility may file an application to recover the increased cost of purchased fuel, purchased power, or natural gas purchased for resale once every 30 days. The provisions of this subsection do not apply to:

(a) An electric utility which is required to adjust its rates on a quarterly basis pursuant to subsection 10; or

(b) A public utility which purchases natural gas for resale and which adjusts its rates on a quarterly basis pursuant to subsection 8.

8. A public utility which purchases natural gas for resale must request approval from the Commission to adjust its rates on a quarterly basis between annual rate adjustment applications based on changes in the public utility's recorded costs of natural gas purchased for resale. A public utility which purchases natural gas for resale and which adjusts its rates on a quarterly basis may request approval from the Commission to make quarterly adjustments to its deferred energy accounting adjustment. The Commission shall approve or deny such a request not later than 120 days after the application is filed with the Commission. The Commission may approve the request if the Commission finds that approval of the request is in the public interest. If the Commission approves a request to make quarterly adjustments to the deferred energy accounting adjustment of a public utility pursuant to this subsection, any quarterly adjustment to the deferred energy accounting adjustment must not exceed 2.5 cents per therm of natural gas. If the balance of the public utility's

deferred account varies by less than 5 percent from the public utility's annual recorded costs of natural gas which are used to calculate quarterly rate adjustments, the deferred energy accounting adjustment must be set to zero cents per therm of natural gas.

9. If the Commission approves a request to make any rate adjustments on a quarterly basis pursuant to subsection 8:

(a) The public utility shall file written notice with the Commission before the public utility makes a quarterly rate adjustment. A quarterly rate adjustment is not subject to the requirements for notice and a hearing pursuant to NRS 703.320 or the requirements for a consumer session pursuant to subsection 1 of NRS 704.069.

(b) The public utility shall provide written notice of each quarterly rate adjustment to its customers by including the written notice with a customer's regular monthly bill or by electronic transmission pursuant to NRS 704.188. The public utility shall begin providing such written notice to its customers not later than 30 days after the date on which the public utility files its written notice with the Commission pursuant to paragraph (a). The written notice required by this paragraph:

(1) Must be printed separately, if included with the customer's regular monthly bill, or the subject line of the electronic transmission must indicate that notice of a quarterly rate adjustment is included, if provided by electronic transmission pursuant to NRS 704.188; and

(2) Must include the following in clear and bold text:

(I) The total amount of the increase or decrease in the public utility's revenues from the rate adjustment, stated in dollars and as a percentage;

(II) The amount of the monthly increase or decrease in charges for each class of customer or class of service, stated in dollars and as a percentage;

(III) A statement that customers may send written comments or protests regarding the rate adjustment to the Commission;

(IV) A statement that the transactions and recorded costs of natural gas which are the basis for any quarterly rate adjustment will be reviewed for reasonableness and prudence in the next proceeding held by the Commission to review the annual rate adjustment application pursuant to paragraph (d); and

(V) Any other information required by the Commission.

(c) The public utility shall file an annual rate adjustment application with the Commission. The annual rate adjustment application is subject to the requirements for notice and a hearing pursuant to NRS 703.320 and the requirements for a consumer session pursuant to subsection 1 of NRS 704.069.

(d) The proceeding regarding the annual rate adjustment application must include a review of each quarterly rate adjustment and the transactions and recorded costs of natural gas included in each quarterly filing and the annual rate adjustment application. There is no presumption of reasonableness or prudence for any quarterly rate adjustment or for any transactions or recorded costs of natural gas included in any quarterly rate adjustment or the annual rate

adjustment application, and the public utility has the burden of proving reasonableness and prudence in the proceeding.

(e) The Commission shall not allow the public utility to recover any recorded costs of natural gas which were the result of any practice or transaction that was unreasonable or was undertaken, managed or performed imprudently by the public utility, and the Commission shall order the public utility to adjust its rates if the Commission determines that any recorded costs of natural gas included in any quarterly rate adjustment or the annual rate adjustment application were not reasonable or prudent.

10. An electric utility shall adjust its rates on a quarterly basis based on changes in the electric utility's recorded costs of purchased fuel or purchased power. In addition to adjusting its rates on a quarterly basis, an electric utility may request approval from the Commission to make quarterly adjustments to its deferred energy accounting adjustment. The Commission shall approve or deny such a request not later than 120 days after the application is filed with the Commission. The Commission may approve the request if the Commission finds that approval of the request is in the public interest. If the Commission approves a request to make quarterly adjustments to the deferred energy accounting adjustment of an electric utility pursuant to this subsection, any quarterly adjustment to the deferred energy accounting adjustment must not exceed 0.25 cents per kilowatt-hour of electricity. If the balance of the electric utility's deferred account varies by less than 5 percent from the electric utility's annual recorded costs for purchased fuel or purchased power which are used to calculate quarterly rate adjustments, the deferred energy accounting adjustment must be set to zero cents per kilowatt-hour of electricity.

11. A quarterly rate adjustment filed pursuant to subsection 10 is subject to the following requirements:

(a) The electric utility shall file written notice with the Commission on or before August 15, 2007, and every quarter thereafter of the quarterly rate adjustment to be made by the electric utility for the following quarter. The first quarterly rate adjustment by the electric utility will take effect on October 1, 2007, and each subsequent quarterly rate adjustment will take effect every quarter thereafter. The first quarterly adjustment to a deferred energy accounting adjustment must be made pursuant to an order issued by the Commission approving the application of an electric utility to make quarterly adjustments to its deferred energy accounting adjustment. A quarterly rate adjustment is not subject to the requirements for notice and a hearing pursuant to NRS 703.320 or the requirements for a consumer session pursuant to subsection 1 of NRS 704.069.

(b) The electric utility shall provide written notice of each quarterly rate adjustment to its customers by including the written notice with a customer's regular monthly bill or by electronic submission pursuant to NRS 704.188. The electric utility shall begin providing such written notice to its customers not later than 30 days after the date on which the electric utility files a written

notice with the Commission pursuant to paragraph (a). The written notice required by this paragraph:

(1) Must be printed separately, if included with the customer's regular monthly bill, or the subject line of the electronic transmission must indicate that notice of a quarterly rate adjustment is included, if provided by electronic transmission pursuant to NRS 704.188; and

(2) Must include the following in clear and bold text:

(I) The total amount of the increase or decrease in the electric utility's revenues from the rate adjustment, stated in dollars and as a percentage;

(II) The amount of the monthly increase or decrease in charges for each class of customer or class of service, stated in dollars and as a percentage;

(III) A statement that customers may send written comments or protests regarding the rate adjustment to the Commission;

(IV) A statement that the transactions and recorded costs of purchased fuel or purchased power which are the basis for any quarterly rate adjustment will be reviewed for reasonableness and prudence in the next proceeding held by the Commission to review the annual deferred energy accounting adjustment application pursuant to paragraph (d); and

(V) Any other information required by the Commission.

(c) The electric utility shall file an annual deferred energy accounting adjustment application pursuant to NRS 704.187 with the Commission. The annual deferred energy accounting adjustment application is subject to the requirements for notice and a hearing pursuant to NRS 703.320 and the requirements for a consumer session pursuant to subsection 1 of NRS 704.069.

(d) The proceeding regarding the annual deferred energy accounting adjustment application must include a review of each quarterly rate adjustment and the transactions and recorded costs of purchased fuel and purchased power included in each quarterly filing and the annual deferred energy accounting adjustment application. There is no presumption of reasonableness or prudence for any quarterly rate adjustment or for any transactions or recorded costs of purchased fuel and purchased power included in any quarterly rate adjustment or the annual deferred energy accounting adjustment application, and the electric utility has the burden of proving reasonableness and prudence in the proceeding.

(e) The Commission shall not allow the electric utility to recover any recorded costs of purchased fuel and purchased power which were the result of any practice or transaction that was unreasonable or was undertaken, managed or performed imprudently by the electric utility, and the Commission shall order the electric utility to adjust its rates if the Commission determines that any recorded costs of purchased fuel and purchased power included in any quarterly rate adjustment or the annual deferred energy accounting adjustment application were not reasonable or prudent.

12. If an electric utility files an annual deferred energy accounting adjustment application pursuant to subsection 11 and NRS 704.187 while a general rate application is pending, the electric utility shall:

(a) Submit with its annual deferred energy accounting adjustment application information relating to the cost of service and rate design; and

(b) Supplement its general rate application with the same information, if such information was not submitted with the general rate application.

13. A utility facility identified in a 3-year plan submitted pursuant to NRS 704.741 and accepted by the Commission for acquisition or construction pursuant to NRS 704.751 and the regulations adopted pursuant thereto, or the retirement or elimination of a utility facility identified in an emissions reduction and capacity replacement plan submitted pursuant to NRS 704.7316 and accepted by the Commission for retirement or elimination pursuant to NRS 704.751 and the regulations adopted pursuant thereto, shall be deemed to be a prudent investment. The utility may recover all just and reasonable costs of planning and constructing, or retiring or eliminating, as applicable, such a facility. For the purposes of this subsection, a plan or an amendment to a plan shall be deemed to be accepted by the Commission only as to that portion of the plan or amendment accepted as filed or modified with the consent of the utility pursuant to NRS 704.751.

14. In regard to any rate or schedule approved or disapproved pursuant to this section, the Commission may, after a hearing:

(a) Upon the request of the utility, approve a new rate but delay the implementation of that new rate:

(1) Until a date determined by the Commission; and

(2) Under conditions as determined by the Commission, including, without limitation, a requirement that interest charges be included in the collection of the new rate; and

16. A public utility which purchases natural gas for resale or an electric utility that makes quarterly adjustments to its deferred energy accounting adjustment pursuant to subsection 8 or 10 may submit to the Commission for approval an application to discontinue making quarterly adjustments to its deferred energy accounting adjustment and to subsequently make annual adjustments to its deferred energy accounting adjustment. The Commission may approve an application submitted pursuant to this subsection if the Commission finds that approval of the application is in the public interest.

17. As used in this section:

(a) "Deferred energy accounting adjustment" means the rate of a public utility which purchases natural gas for resale or an electric utility that is calculated by dividing the balance of a deferred account during a specified period by the total therms or kilowatt-hours which have been sold in the geographical area to which the rate applies during the specified period, not

including kilowatt-hours sold pursuant to an expanded solar access program established pursuant to NRS 704.7865.

(b) "Electric utility" has the meaning ascribed to it in NRS 704.187.

(c) "Electric utility that primarily serves densely populated counties" means an electric utility that, with regard to the provision of electric service, derives more of its annual gross operating revenue in this State from customers located in counties whose population is 700,000 or more than it does from customers located in counties whose population is less than 700,000.

(d) "Electric utility that primarily serves less densely populated counties" means an electric utility that, with regard to the provision of electric service, derives more of its annual gross operating revenue in this State from customers located in counties whose population is less than 700,000 than it does from customers located in counties whose population is 700,000 or more.

Sec. 4. NRS 704.741 is hereby amended to read as follows:

704.741 1. A utility which supplies electricity in this State shall, on or before June 1 of every third year, ***or more often if necessary,*** in the manner specified by the Commission, submit a plan to increase its supply of electricity or decrease the demands made on its system by its customers to the Commission. Two or more utilities that are affiliated through common ownership and that have an interconnected system for the transmission of electricity shall submit a joint plan.

2. The Commission shall, by regulation:

(a) Prescribe the contents of such a plan, including, but not limited to, the methods or formulas which are used by the utility or utilities to:

(1) Forecast the future demands, except that a forecast of the future retail electric demands of the utility or utilities must not include the amount of energy and capacity proposed pursuant to subsection ~~[5]~~ ***6*** as annual limits on the total amount of energy and capacity that eligible customers may be authorized to purchase from providers of new electric resources through transactions approved by the Commission pursuant to an application submitted pursuant to NRS 704B.310 on or after May 16, 2019; and

(1) At least one scenario of low carbon dioxide emissions that:

~~[(1)]~~ ***(I)*** Uses sources of supply that result in, by 2050, an amount of energy production from zero carbon dioxide emission resources that equals the forecasted demand for electricity by customers of the utility;

~~[(2)]~~ ***(II)*** Includes the deployment of distributed generation; and

~~[(3)]~~ ***(III)*** If the plan is submitted on or before June 1, 2027, uses sources of supply that result in, by the year 2030, an 80 percent reduction in carbon dioxide emissions from the generation of electricity to meet the demands of customers of the utility as compared to the amount of such emissions in the year 2005.

(2) At least one scenario that provides for the construction or acquisition of energy resources through contract or ownership to be placed into service to close an open position utilizing dedicated energy resources in this State and dedicated energy resources delivered through firm transmission.

➥ A requirement to include a particular scenario in the plan pursuant to this paragraph, or the compliance of a utility with such a requirement, shall not be construed as indicating a preference by the Commission or the utility for a particular scenario.

(d) An analysis of the effects of the requirements of NRS 704.766 to 704.776, inclusive, on the reliability of the distribution system of the utility or utilities and the costs to the utility or utilities to provide electric service to all customers. (a) For each energy resource proposed:

(1) A description of each energy resource to be constructed, acquired or contracted for by the utility, including, without limitation, the location of the energy resource, the technology to be used by the energy resource to generate electricity, the anticipated capacity of the energy resource and the anticipated date by which the energy resource will be placed into service;

(2) The cost of constructing or acquiring , operating and maintaining the energy resource or, if the energy resource is contracted for by the utility, the price of the energy to be supplied by the energy resource;

(3) Whether the energy resource will be owned by the utility or utilized by the utility pursuant to a contract with a third party; and

(4) Any other information required by the Commission to evaluate the prudence of the scenario.

(b) An evaluation of the impact that the implementation of the scenario will have on:

(1) The ability of the utility to decrease its reliance on market purchases to meet the utility's open energy load requirements, including, without limitation, any appropriate reserves, and the forecast of energy needs over the next 10 years;

~~[4.]~~ ***5.*** The Commission shall require the utility or utilities to include in the plan a distributed resources plan. The distributed resources plan must:

(a) Evaluate the locational benefits and costs of distributed resources. This evaluation must be based on reductions or increases in local generation capacity needs, avoided or increased investments in distribution infrastructure, safety benefits, reliability benefits and any other savings the distributed resources provide to the electricity grid for this State or costs to customers of the electric utility or utilities.

(b) Propose or identify standard tariffs, contracts or other mechanisms for the deployment of cost-effective distributed resources that satisfy the objectives for distribution planning.

In developing the proposal and the forecasts in the plan, the utility or utilities must use a sensitivity analysis that, at a minimum, addresses load growth, import capacity, system constraints and the effect of eligible customers purchasing less energy and capacity than authorized by the proposed annual limit. The proposal in the plan must include, without limitation:

(a) A forecast of the load growth of the utility or utilities;

(b) The number of eligible customers that are currently being served by or anticipated to be served by the utility or utilities;

Sec. 5. NRS 704.744 is hereby amended to read as follows:

704.744 ***1.*** The Commission shall require each utility which supplies electricity in this State, not less than 4 months before filing a plan required pursuant to NRS 704.741, or within a reasonable period before filing an amendment to such a plan ~~[pursuant to NRS 704.751,]~~ ***in accordance with the regulations adopted by the Commission pursuant to NRS 704.741,*** to meet with personnel from the Commission and the Bureau of Consumer Protection in the Office of the Attorney General and any other interested persons to provide an overview of the anticipated filing or amendment.

Sec. 6. NRS 704.746 is hereby amended to read as follows:

704.746 1. After a utility has filed its plan pursuant to NRS 704.741, the Commission shall convene a public hearing on the adequacy of the plan.

2. The Commission shall determine the parties to the public hearing on the adequacy of the plan. A person or governmental entity may petition the Commission for leave to intervene as a party. The Commission must grant a petition to intervene as a party in the hearing if the person or entity has relevant material evidence to provide concerning the adequacy of the plan. The Commission may limit participation of an intervener in the hearing to avoid duplication and may prohibit continued participation in the hearing by an intervener if the Commission determines that continued participation will unduly broaden the issues, will not provide additional relevant material evidence or is not necessary to further the public interest.

3. In addition to any party to the hearing, any interested person may make comments to the Commission regarding the contents and adequacy of the plan.

4. After the hearing, the Commission shall determine whether:

(a) The forecast requirements of the utility or utilities are based on substantially accurate data and an adequate method of forecasting.

6. The Commission shall:

(a) Adopt regulations which determine the level of preference to be given to those measures and sources of supply; and

(b) Consider the value to the public of using water efficiently when it is determining those preferences.

7. The Commission shall:

(a) Consider the level of financial commitment from developers of renewable energy projects in each renewable energy zone, as designated pursuant to subsection 2 of NRS 704.741; and

(a) Further the public interest, including, without limitation, whether the proposed annual limits promote safe, economic, efficient and reliable electric service to all customers of electric service in this State;

(b) Align an economically viable utility model with state public policy goals; and

(c) Encourage the development and use of renewable energy resources located in this State and, in particular, renewable energy resources that are coupled with energy storage.

10. In considering whether to accept or modify a plan to accelerate transportation electrification submitted pursuant to NRS 704.7867, the Commission shall consider:

(a) Whether the proposed investments, incentives, rate designs, systems and programs are reasonably expected to achieve one or more of the following:

(1) Improve the efficiency of the electric utility's electrical system, operational flexibility or system utilization during off-peak hours;

(2) Improve the ability of the electric utility to integrate renewable energy resources which generate electricity on an intermittent basis into the transmission and distribution grid;

Sec. 7. NRS 704.751 is hereby amended to read as follows:

704.751 1. After a utility has filed the plan required pursuant to NRS 704.741, the Commission shall issue an order accepting or modifying the plan or specifying any portions of the plan it deems to be inadequate:

(a) Within 135 days for any portion of the plan relating to the energy supply plan for the utility for the 3 years covered by the plan; and

(b) Within 210 days for all portions of the plan not described in paragraph (a).

➥ If the Commission issues an order modifying the plan, the utility or utilities may consent to or reject some or all of the modifications by filing with the Commission a notice to that effect. Any such notice must be filed not later than 30 days after the date of issuance of the order. If such a notice is filed, any petition for reconsideration or rehearing of the order must be filed with the Commission not later than 10 business days after the date the notice is filed.

2. If a utility files an amendment to a plan, the Commission shall issue an order accepting or modifying the amendment or specifying any portions of the amendment it deems to be inadequate:

Any such notice must be filed not later than 30 days after the date of issuance of the order. If such a notice is filed, any petition for reconsideration or rehearing of the order must be filed with the Commission not later than 10 business days after the date the notice is filed.

3. Any order issued by the Commission accepting or modifying a plan required pursuant to NRS 704.741 or an amendment to such a plan must include the justification of the Commission for the preferences given pursuant to subsection 5 of NRS 704.746 to the measures and sources of supply set forth in paragraph (c) of subsection 4 of NRS 704.746.

4. All prudent and reasonable expenditures made to develop the utility's or utilities' plan, including environmental, engineering and other studies, must be recovered from the rates charged to the utility's or utilities' customers.

5. The Commission may accept an energy efficiency plan containing an energy efficiency program submitted pursuant to paragraph (a) of subsection 3 of NRS 704.741 and energy efficiency and conservation programs submitted pursuant to paragraph (b) of subsection 3 of NRS 704.741 that are not cost effective if the energy efficiency plan as a whole is cost effective. Legislative Counsel's Digest:

~~[Existing law provides that a person commits the crime of facilitating sex trafficking if the person: (1) facilitates, arranges, provides or pays for the transportation of a person to or within this State with the intent of inducing that person to engage in unlawful sexual conduct or prostitution or, if that person is a child, certain acts relating to pornography involving minors; (2) sells travel services that facilitate the travel of another person to this State with the knowledge that the other person is traveling to this State for the purpose of engaging in sexual conduct with a victim of sex trafficking, soliciting a child who is a victim of sex trafficking or engaging in certain acts relating to pornography involving minors; or (3) travels to or within this State by any means with the intent of engaging in sexual conduct with a victim of sex trafficking with the knowledge that the victim has been induced to engage in sexual conduct or prostitution or engaging in certain acts relating to pornography involving minors. A person who commits the crime of facilitating sex trafficking is guilty of a category B felony and is subject to certain minimum and maximum terms of imprisonment depending on whether the victim is an adult or child. (NRS 201.301)~~

~~Sections 1-3 of this bill provide that a person who commits the crime of facilitating sex trafficking is subject to the same penalties that apply under~~

~~existing law for committing the crime against a child if the person commits the crime against a peace officer who is posing as a child or a person who is assisting in an investigation on behalf of a peace officer by posing as a child. Existing law creates the Contingency Account for Victims of Human Trafficking in the State General Fund and requires the Director of the Department of Health and Human Services to administer the Contingency Account. (NRS 217.530) Existing law requires a recipient of an allocation of money from the Contingency Account to use the money only for establishing or providing programs or services to victims of human trafficking. (NRS 217.540) **Section 6.2 of this bill renames the Contingency Account for Victims of Human Trafficking as the Account for Victims of Human Trafficking. Section 6.5** of this bill specifies that a recipient of an allocation of money from the ~~[Contingency]~~ Account may use the money for establishing pilot programs for alternatives to law enforcement response to victims of human trafficking. **Section 7.5** of this bill makes an appropriation to the ~~[Contingency]~~ Account **.** ~~[for Victims of Human Trafficking created by NRS 217.530.]~~ **Sections 6.1, 6.2 and 8.5 of this bill make conforming changes relating to the renaming of the Account.**

Existing law establishes the Center for the Analysis of Crime Statistics within the Department of Criminal Justice at the University of Nevada, Las Vegas. (NRS 396.792) **Section 4** of this bill requires certain entities and agencies to submit certain information biennially to the Center and requires the Center to prepare and submit a comprehensive biennial report on human trafficking in this State. **Section 6** of this bill makes a conforming change to indicate the proper placement of **section 4** in the Nevada Revised Statutes.

(b) A chair or head of a department or similar academic unit or program who performs the duties described in paragraph (a) primarily on behalf of the members of the academic unit or program shall not be deemed a supervisory employee solely because of those duties.

Sec. 17. *1. The Legislature hereby finds and declares that there is a great need to:*

(a) Promote harmonious and constructive relations between state professional employers and their professional employees; and

(b) It is a purpose of sections 6 to 52, inclusive, of this act to preserve and encourage the practice and mechanisms of shared governance with respect to professional employees of public institutions of higher education in this State; and

(c) The provisions of sections 6 to 52, inclusive, of this act are not intended to restrict, limit or prohibit the full exercise of the functions of faculty in any shared governance mechanism or practice, including, without limitation, the establishment and function of faculty senates and the principle of peer review in the appointment, retention and tenure of faculty in an institution of higher education.

Sec. 18. *1. For the purposes of collective bargaining and other mutual aid or protection, every professional employee has the right to:*

(a) Organize, form, join and assist professional organizations, engage in collective bargaining through exclusive representatives and engage in other concerted activities; and

(b) Refrain from engaging in such an activity.

2. A state professional employer shall not discriminate in any way among its professional employees on account of membership or nonmembership in a professional organization.

3. Professional employees have the right to communicate with one another and with representatives of professional organizations concerning organization, representation, issues in the workplace, collective bargaining and the business and programs of a professional organization, including, without limitation, communicating by means of electronic mail, text messages and other electronic communications, telephone, paper documents and other means of communications of the workplace subject to the reasonable regulations of a state professional employer or such limitations as may be set forth in a collective bargaining agreement.

Sec. 19. *1. A state professional employer shall recognize a professional organization that presents to the state professional employer:*

(a) A copy of the bylaws, charter or constitution of the professional organization, which demonstrates that the organization has as one of its purposes the improvement of the terms and conditions of employment of professional employees;

(b) A roster of its officers, if any, and representatives; and

(c) An identification of the professional employees that the professional organization seeks to represent.

2. If a state professional employer first receives the written permission of the Board, the state professional employer may withdraw recognition from a professional organization that fails to:

(a) Present a copy of each change in its bylaws, charter or constitution, if any; or

(b) Give notice of any change in the roster of its officers and representatives, if any.

Sec. 20. *1. Except as otherwise provided in subsection 2 and subject to such reasonable regulations as a state professional employer may prescribe or such conditions and limitations as may be set forth in a collective bargaining agreement, a professional organization that has been recognized shall have the right to:*

(d) Provide information to professional employees during the orientation or on-boarding of new employees.

2. If a professional organization has been designated as the exclusive representative of a bargaining unit, no professional organization other than the professional organization designated as the exclusive representative may exercise the rights set forth in subsection 1 with respect to professional employees in the bargaining unit except to the extent that such access is otherwise provided to the general public.

Sec. 21. ~~*[1. Unless a professional employee has directed a state professional employer not to furnish that employee's personal contact information to an exclusive representative, a state professional employer shall, upon the request of an exclusive representative but not more than once each calendar quarter, furnish to the exclusive representative the following personal contact information, as contained in the records of the state professional employer, for each professional employee who is represented by the exclusive representative:*~~

~~*(a) Home address;*~~

~~*(b) Home telephone number or other personal telephone number; and*~~

~~*(c) Personal electronic mail address.*~~

~~*2. The furnishing of an employee's personal contact information pursuant to subsection 1 does not make that information a public record for the purposes of chapter 239 of NRS.]*~~ **(Deleted by amendment.)**

Sec. 22. *1. Except as otherwise provided in subsection 4, an officer of a state professional employer shall, upon written authorization by a professional employee, withhold a sufficient amount of money from the salary or wages of the employee pursuant to NRS 281.129 to pay dues or similar fees to a recognized professional organization.*

2. If applicable, a written authorization provided pursuant to subsection 1 must comply with the provisions of chapter 719 of NRS.

3. Except as otherwise provided in this subsection, a written authorization provided pursuant to subsection 1 is binding for the period specified in the authorization. An authorization may be revoked by the professional employee by notifying the professional organization in accordance with the terms of the authorization. The professional organization shall process a revocation of an authorization in a timely manner.

4. If the Board designates a professional organization as the exclusive representative of a bargaining unit pursuant to sections 6 to 52, inclusive, of this act, an officer of a state professional employer shall not, pursuant to NRS 281.129, withhold any amount of money from the salary or wages of a professional employee within the bargaining unit to pay dues or similar fees to a professional organization other than the professional organization that is the exclusive representative of the bargaining unit.

Sec. 23. *1. Except as otherwise provided in this section, a recognized professional organization may represent a professional employee of a state*

professional employer that has recognized the professional organization with respect to any condition of the employment of the professional employee, including, without limitation, representation in disciplinary proceedings and investigations and proceedings for the adjustment of grievances, regardless of whether the professional employee is a member of the professional organization.

2. If a professional employee is in a bargaining unit that has an exclusive representative, no professional organization other than the professional organization designated as the exclusive representative for the bargaining unit may represent the professional employee.

3. Only the professional organization which has been designated by the Board as the exclusive representative of a bargaining unit pursuant to sections 6 to 52, inclusive, of this act may engage in collective bargaining on behalf of the professional employees of that bargaining unit.

Sec. 24. ***1. Except as otherwise provided in this section, the recognition of a professional organization or the designation of a professional organization as an exclusive representative does not preclude a professional employee from acting for himself or herself with respect to any condition of his or her employment. Such a professional employee has the right to present grievances to a state professional employer at any time and to have those grievances adjusted.***

2. If a professional employee, acting for himself or herself, presents a grievance to a state professional employer pursuant to subsection 1:

(a) Any action taken in the adjustment of a grievance must be consistent with the terms of an applicable collective bargaining agreement in effect, if any; and

(b) If the professional employee is in a bargaining unit that has an exclusive representative, the exclusive representative must be given an opportunity to be present at any meetings or hearings related to the adjustment of the grievance and be provided a copy of the adjustment of the grievance.

Sec. 25. ***1. Subject to the conditions imposed by section 23 of this act and any other conditions and limitations as may be set forth in a collective bargaining agreement, a professional employee who ~~[is]~~ :***

(a) Is the subject of an internal administrative investigation that could lead to dismissal, involuntary demotion, suspension, reduction of pay, payment of restitution or other similar adverse employment action against the professional employee ; or

(b) During any questioning by a state professional employer, reasonably believes that the questioning could lead to the consequences set forth in paragraph (a),

↳ must be ~~[:~~

~~(a) Provided notice in writing of the allegations against the professional employee within 30 calendar days after the date on which the state professional employer becomes aware, or reasonably should have become~~

~~*aware, of the allegations. The notice must be provided before the professional employee is questioned regarding the allegations.*~~

~~*(b) Afforded]*~~ *afforded the right to have a lawyer or other representative of the professional employee's choosing present with the professional employee* ~~*[at any time that the professional employee is questioned regarding the allegations. The professional employee must be given not less than 2 business days to obtain such representation,]*~~ *unless the professional employee waives, in writing, his or her right to be represented.*

2. ~~*[If, during any questioning by a state professional employer, a professional employee who does not have a representative present has a reasonable belief that the questioning could lead to dismissal, involuntary demotion, suspension, reduction of pay, payment of restitution or similar adverse employment action against the professional employee and makes a clear request for representation by a recognized professional organization, the state professional employer must:*~~

~~*(a) Grant the request and delay the questioning by not less than 2 business days to allow a representative of the professional organization to be present and to provide an opportunity for the professional employee to consult with the representative; or*~~

~~*(b) Deny the request and end the questioning immediately.*~~

~~*3.]*~~ *A state professional employer must not retaliate in any way against a professional employee for asserting his or her rights under subsection* ~~*[2.*~~

~~*4. A state professional employer shall annually inform its professional employees of the rights afforded to professional employees under subsection 2.]*~~ *1.*

Sec. 26. *1. Each state professional employer which has recognized a professional organization shall determine, in consultation with the recognized organization, which group or groups of its professional employees constitute an appropriate bargaining unit or bargaining units. The primary criterion for that determination must be the community of interest among the employees concerned. Without restricting the rights of the parties to make their determination pursuant to this subsection, for the Nevada System of Higher Education, there is a presumption that the contact, interests and working conditions of employees within a branch university, college or other branch create a sufficient community of interest.*

2. Managerial employees must be excluded from any bargaining unit.

3. Confidential employees must be excluded from any bargaining unit but are entitled to participate in any plan to provide benefits for a group that is administered by the bargaining unit of which they would otherwise be a member.

4. A supervisory employee must not be a member of the same bargaining unit as the professional employees under the supervision of the supervisory employee. Any dispute between the parties as to whether a professional employee is a supervisor must be submitted to the Board. A professional organization which is negotiating on behalf of two or more bargaining units

may select members of each unit to negotiate jointly on behalf of each other, even if one of the units consists of supervisory employees and the other unit does not.

5. If any professional organization is aggrieved by the determination of a bargaining unit, it may appeal to the Board. Subject to judicial review, the decision of the Board is binding upon the state professional employer and any professional organization involved. The Board shall apply the same criterion as specified in subsection 1.

Sec. 27. ***If no professional organization is designated as the exclusive representative of a bargaining unit and a recognized professional organization files with the Board a showing of interest for the professional organization by more than 50 percent of the professional employees in a bargaining unit which is verified by the Board pursuant to section 29 of this act, the Board shall designate the professional organization as the exclusive representative of the bargaining unit without ordering an election.***

Sec. 28. ***1. If no professional organization is designated as the exclusive representative of a bargaining unit, the Board shall order an election to be conducted within the bargaining unit if:***

(a) A recognized professional organization files with the Board a written request for an election which includes a showing of interest for the professional organization by at least 30 percent but not more than 50 percent of the professional employees within the bargaining unit which is verified by the Board pursuant to section 29 of this act; and

(b) No other election to choose, change or discontinue exclusive representation has been conducted within the bargaining unit during the immediately preceding 12 months.

2. If the Board has designated a professional organization as the exclusive representative of a bargaining unit following an election pursuant to subsection 1 or without an election pursuant to section 27 of this act, the Board shall order an election:

(a) If:

(1) Another recognized professional organization files with the Board a written request for an election which includes a showing of interest for the professional organization by more than 50 percent of the professional employees within the bargaining unit; or

(2) A group of professional employees within the bargaining unit files with the Board a written request for an election which includes a petition or other evidence showing that more than 50 percent of the professional employees within the bargaining unit have requested that an election be conducted to change or discontinue exclusive representation;

(b) If applicable, the written request filed pursuant to paragraph (a) is filed at least 225 calendar days but not more than 270 calendar days before the date on which the current collective bargaining agreement in effect for the bargaining unit expires; and

(c) If no other election to choose, change or discontinue exclusive representation has been conducted within the bargaining unit during the immediately preceding 12 months.

Sec. 29. *1. The Board shall verify each showing of interest filed by a professional organization pursuant to section 27 or 28 of this act and the identity of each professional employee identified in a written request filed by a group of professional employees pursuant to subparagraph (2) of paragraph (a) of subsection 2 of section 28 of this act by comparing the name of a professional employee included in the showing of interest or written request, as applicable, with the employment records of the state professional employer.*

2. A showing of interest filed by a professional organization pursuant to section 27 or 28 of this act or a written request filed by a group of professional employees pursuant to subparagraph (2) of paragraph (a) of subsection 2 of section 28 of this act is confidential and is not a public record.

3. The Board shall not disclose to any person the identity of any professional employee who has participated in a showing of interest filed by a professional organization pursuant to section 27 or 28 of this act or a written request filed by a group of professional employees pursuant to subparagraph (2) of paragraph (a) of subsection 2 of section 28 of this act.

Sec. 30. *1. If the Board orders an election within a bargaining unit pursuant to section 28 or 31 of this act, the Board shall order that each of the following be placed on the ballot for the election:*

(a) If applicable, a choice for the recognized professional organization that requested the election pursuant to section 28 of this act;

(b) If applicable, a choice for the recognized professional organization that is currently designated as the exclusive representative of the bargaining unit;

(c) A choice for any other recognized professional organization that, on or before the date that is prescribed by the rules adopted by the Board pursuant to NRS 288.110 and section 31 of this act, files with the Board a written request to be placed on the ballot for the election and includes with the written request a showing of interest for that other professional organization by at least 30 percent of the professional employees within the bargaining unit; and

(d) A choice for "no exclusive representation."

2. If a ballot for an election contains more than two choices and none of the choices on the ballot receives a majority of the votes cast at the initial election, the Board shall order a runoff election between the two choices on the ballot that received the highest number of votes at the initial election.

3. If the choice for "no exclusive representation" receives a majority of the votes cast at the initial election or at any runoff election, the Board shall designate the bargaining unit as being without an exclusive representative.

4. If a recognized professional organization receives a majority of the votes cast at the initial election or at any runoff election, the Board shall

designate that professional organization as the exclusive representative of the bargaining unit.

Sec. 31. ***1. The Board shall preside over all elections that are conducted pursuant to this section or section 28 or 30 of this act and shall determine the eligibility requirements for professional employees to vote in any such election.***

2. An election conducted pursuant to this section or section 28 or 30 of this act must be conducted by secret ballot. The Board may adopt rules prescribing the manner in which voting in such an election may be conducted, which may include, without limitation, voting in person, by mail or by secure electronic means.

3. A professional organization that is placed as a choice on the ballot for an election or any professional employee who is eligible to vote at an election may file with the Board a written objection to the results of the election. The objection must be filed not later than 10 business days after the date on which the notice of the results of the election is given by the Board.

4. In response to a written objection filed pursuant to subsection 3 or upon its own motion, the Board may invalidate the results of an election and order a new election if the Board finds that any conduct or circumstances raise substantial doubt that the results of the election are reliable.

(c) A description of each bargaining unit within the state professional employer.

2. Each professional organization recognized by a state professional employer shall file a report with the Board on or before November 30 of each year. The report must include:

3. A professional organization which has not previously been recognized by a state professional employer shall file the report required by subsection 2 not later than 30 calendar days after recognition.

Sec. 33. *1. Collective bargaining entails a mutual obligation between a state professional employer and an exclusive representative to meet at reasonable times and to bargain in good faith with respect to:*

(a) The subjects of mandatory bargaining set forth in subsection 2;

(b) The negotiation of an agreement;

(c) The resolution of any question arising under an agreement; and

(d) The execution of a written contract incorporating the provisions of an agreement.

2. The scope of mandatory bargaining is limited to:

(a) Salary or wage rates or other forms of direct monetary compensation.

(b) Sick leave.

(c) Safety of the public.

5. Notwithstanding the provisions of any collective bargaining agreement negotiated pursuant to the provisions of sections 6 to 52, inclusive, of this act, a state professional employer is entitled to take whatever actions may be necessary to carry out its responsibilities during a state of emergency or declaration of disaster proclaimed pursuant to NRS 414.070. Those actions may include the suspension of any such collective bargaining agreement or any portion thereof for the duration of the emergency or disaster to the extent necessary to carry out the responsibilities of the state professional employer. Any action taken under the provisions of this subsection must not be construed as a failure to negotiate in good faith.

6. This section does not preclude, but the provisions of sections 6 to 52, inclusive, of this act, do not require, a state professional employer to negotiate subject matters outside of the scope of mandatory bargaining or consult with any professional employee or professional organization on any such matter. A state professional employer shall discuss subject matters outside the scope of mandatory bargaining but is not required to negotiate those matters.

Sec. 34. *1. Whenever an exclusive representative or a state professional employer desires to negotiate any matter which is subject to negotiation pursuant to the provisions of sections 6 to 52, inclusive, of this act, it shall give written notice to the other party.*

(b) The procedure prescribed by NRS 288.115,

➥ but once the professional employee has properly filed a grievance in writing under the procedure described in paragraph (a) or filed a complaint under the procedure described in paragraph (b), the professional employee may not proceed in an alternative manner.

3. If there is a conflict between any provision of a collective bargaining agreement between a state professional employer and an exclusive representative and:

(a) Any policy, procedure or regulation adopted by the state professional employer, the provision of the agreement prevails unless the provision of the agreement is outside the lawful scope of collective bargaining.

(b) An existing statute, the provision of the agreement may not be given effect unless the Legislature amends the existing statute in such a way as to eliminate the conflict.

Sec. 38. *If the parties to collective bargaining cannot agree to a new collective bargaining agreement before the end of the term of a collective bargaining agreement, the terms of the existing collective bargaining agreement remain in effect until a new collective bargaining agreement takes effect.*

The draft of any new collective bargaining agreement or similar agreement or of any proposed modifications to an existing collective bargaining agreement or similar agreement between a state professional employer and an exclusive representative must be submitted in writing by the professional organization to the members of the organization within the*

relevant bargaining unit before a vote on the ratification of the agreement is taken.

2. A vote on the ratification of a collective bargaining agreement must be conducted in accordance with the internal rules and procedures of the professional organization.

3. Any new or modified collective bargaining agreement or similar agreement between a state professional employer and an exclusive representative must be approved, at a public hearing, by:

(a) If the agreement concerns professional employees of the Nevada System of Higher Education, the Board of Regents of the University of Nevada; or

(b) If the agreement does not concern professional employees of the Nevada System of Higher Education, the State Board of Examiners.

4. Not less than 3 business days before the date of the hearing conducted pursuant to subsection 3, the Board of Regents of the University of Nevada or the State Board of Examiners, as applicable, shall cause the following documents to be posted and made available on the Internet website used by the Board of Regents or the State Board of Examiners, as applicable, to provide public notice of meetings:

(a) The proposed collective bargaining agreement and any exhibits or other attachments to the proposed agreement;

(b) If the proposed collective bargaining agreement is a modification of a previous agreement, a document showing any language added to or deleted from the previous agreement; and

Sec. 41. ***If a provision of a collective bargaining agreement:***

1. Does not require an act of the Legislature to be given effect, the provision becomes effective in accordance with the terms of the agreement.

2. Requires an act of the Legislature to be given effect:

(a) The state professional employer shall request that the Governor request the drafting of a legislative measure pursuant to NRS 218D.175 to effectuate the provision;

(b) The Governor shall request the drafting of a legislative measure pursuant to NRS 218D.175 to effectuate the provision; and

(c) The provisions become effective, if at all, on the date on which the act of the Legislature becomes effective.

Sec. 42. ***1. If a provision of a collective bargaining agreement requires the Legislature to appropriate money to implement the provision:***

(a) The state professional employer that is a party to the agreement shall include the full amount necessary to fund the provision in the proposed budget of the state professional employer submitted to the Chief of the Budget Division of the Office of Finance pursuant to NRS 353.210.

(b) The Governor may include in the biennial proposed executive budget of the State any amount of money the Governor deems appropriate for the state professional employer. If such amount is not sufficient to fully fund the provision of the collective bargaining agreement, the Governor shall submit to the Legislature and the state professional employer a statement setting forth the reasons for not including the amount necessary to fully fund the provision.

2. If the Legislature does not appropriate the amount of money that is necessary to implement fully a provision of a collective bargaining agreement, any such agreement may be opened by either party to that agreement solely for the purpose of renegotiating the provision that was not fully funded by the appropriation. All other terms and conditions of the collective bargaining agreement remain in full force and effect.

Sec. 43. *1. Either party may request mediation through the Federal Mediation and Conciliation Service if the parties do not reach a collective bargaining agreement:*

(a) Not later than 120 calendar days after the date on which the parties began negotiations; or

(b) On or before any later date set by the agreement of the parties in writing.

2. The mediator shall bring the parties together as soon as possible after his or her appointment and shall attempt to settle each issue in dispute not later than 21 calendar days after his or her appointment or any later date set by the agreement of the parties.

Sec. 44. *1. If a mediator appointed pursuant to section 43 of this act determines that his or her services are no longer helpful, or if the parties do not reach a collective bargaining agreement through mediation within 21 calendar days after the appointment of the mediator or on or before any later date set by agreement of the parties, the mediator shall discontinue mediation and the parties shall attempt to agree upon an impartial arbitrator.*

2. If the parties do not agree upon an impartial arbitrator within 5 business days after the date on which mediation is discontinued pursuant to subsection 1 or on or before any later date set by agreement of the parties, the parties shall request from the Federal Mediation and Conciliation Service a list of seven potential arbitrators. Not later than 5 business days after receipt of the list of arbitrators, the parties shall select an arbitrator from the list by alternately striking one name until the name of only one arbitrator remains, and the parties must accept that arbitrator to hear the dispute in question. The party who will strike the first name must be determined by a coin toss.

3. The arbitrator shall begin arbitration proceedings not later than 15 calendar days after the appointment or any later date set by agreement of the parties.

4. The arbitrator and the parties shall apply and follow the procedures for arbitration that are prescribed by any rules adopted by the Board

Assembly Bill No. 321.

Bill read third time.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 867.

AN ACT relating to public safety; setting forth certain requirements and restrictions concerning foil balloons that are sold, offered for sale or manufactured in this State; prohibiting, with certain exceptions, a person from selling, offering for sale or manufacturing a foil balloon that fails to meet

certain requirements; requiring the Public Utilities Commission of Nevada to adopt a standard for the testing and evaluation of the dielectric performance of foil balloons; providing enhanced penalties in certain circumstances for committing assault or battery upon a utility worker; prohibiting a person from committing certain acts against the infrastructure of a public utility; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Sections 2-10 of this bill set forth certain requirements and restrictions concerning the manufacturing and sale of foil balloons, which **section 5** of this bill defines, in general, to mean a balloon that is constructed of electrically conductive material and that is not a hot air balloon or a balloon used in a governmental or scientific research project.

Section 2 sets forth certain legislative findings and declarations concerning foil balloons.

Section 7 of this bill requires a person who manufactures a foil balloon in this State to include certain markings on the foil balloon. **Section 7** also prohibits a person from selling, offering for sale or distributing a foil balloon that is filled with a gas that is lighter than air unless: (1) an object of sufficient weight is affixed to the balloon or its appurtenance to counter the lift capability of the foil balloon; and (2) no electrically conductive string, tether or streamer or other electrically conductive object is attached to the foil balloon.

Section 9 of this bill requires the Public Utilities Commission of Nevada to adopt a standard for the testing and evaluation of the dielectric performance of foil balloons. **Section 9**: (1) requires that standard to be the P2845 Standard, if the P2845 Standard is deemed final and approved; and (2) sets forth the conditions under which the P2845 Standard is deemed final and approved. **Section 6** of this bill defines "P2845 Standard" to mean, in general, a certain specified standard for the testing and evaluation of the dielectric performance of foil balloons established by the Institute of Electrical and Electronics Engineers.

Section 8 of this bill: (1) requires any foil balloon sold, offered for sale or manufactured in this State to have been tested in accordance with, and meet the performance standards set forth in, the standard adopted by the Commission pursuant to **section 9**; and (2) prohibits a person from selling, offering for sale or manufacturing a foil balloon in this State unless the foil balloon meets those requirements. **Section 8** provides for the gradual implementation of those requirements by setting forth certain deadlines by which certain percentages of the foil balloons sold, offered for sale or manufactured by a person must comply with those requirements. **Section 8** sets forth certain circumstances under which those deadlines may be extended.

Section 10 provides for the imposition of a civil penalty against a person who sells, offers for sale or manufactures a foil balloon in violation of **sections 2-10** not to exceed $50 for each balloon sold, offered for sale or manufactured, not to exceed $2,500 for each day on which a violation occurs. **Section 10** authorizes the Attorney General, a district attorney or a city

attorney to: (1) recover the civil penalties in a civil action; and (2) bring an action to enjoin any violation of **sections 2-10**.

Existing law: (1) makes it unlawful to commit certain acts involving theft or damage to property of a public utility; (2) prescribes certain criminal penalties for the commission of such unlawful acts; and (3) provides for a civil action for damages for an injury to or the destruction of the property of a public utility. (NRS 704.800, 704.805) **Section 11** of this bill makes it unlawful for a person, with the intent to interfere or otherwise prevent the performance of the normal function of any infrastructure owned by a public utility, to: (1) commit any trespass upon the infrastructure; or (2) intentionally or recklessly deface, damage or tamper with the infrastructure. **Section 12** of this bill authorizes a public utility to bring a civil action for damages against any person who violates the prohibition created by **section 11**.

Under existing law, if a person commits an assault upon an officer, a provider of health care, a school employee, a taxicab driver or a transit operator who is performing his or her duty and the person knew or should have known that the victim was an officer, a provider of health care, a school employee, a taxicab driver or a transit operator, the person is guilty of: (1) a category B felony if the assault is made with the use of a deadly weapon or the present ability to use a deadly weapon; (2) a category D felony if the person is a probationer, prisoner or parolee; or (3) if neither of those circumstances is present, a gross misdemeanor. (NRS 200.471) Additionally, under existing law, if a person commits a battery upon an officer, a provider of health care, a school employee, a taxicab driver or a transit operator, and the person knew or should have known that the victim was an officer, a provider of health care, a school employee, a taxicab driver or a transit operator, the person is guilty of: (1) a category B felony if the battery causes substantial bodily harm or is committed by strangulation; or (2) if those circumstances are not present and no greater penalty is provided by law, a gross misdemeanor. (NRS 200.481) **Sections 10.3 and 10.6** of this bill provide for the imposition of those penalties for an assault or battery committed upon a utility worker.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 597 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 10, inclusive, of this act.

Sec. 2. ***The Legislature hereby finds and declares that:***

1. Electric utilities in this State are responsible for delivering safe, reliable energy through large transmission and distribution networks. Equipment failure or damage from weather, animals and human activity can cause power outages.

2. Electric utilities report that foil balloons are among the top causes of outages. Foil balloons are coated with a shiny metallic film that conducts electricity. If a foil balloon contacts power lines, this can create an electrical fault that can damage power lines, cause blackouts and start fires.

3. Because of the risk of power outages and fires caused by foil balloons coming into contact with power lines, other states and jurisdictions have considered bans on foil balloons.

4. Modern technology has advanced to allow for the manufacturing of foil balloons that resist conducting electricity. The Institute of Electrical and Electronics Engineers is developing standards for such balloons.

5. Requiring foil balloons to be tested and to meet performance standards concerning their dielectric performance will minimize the risks of power outages and fires.

Sec. 3. *As used in sections 2 to 10, inclusive, of this act, unless the context otherwise requires, the words and terms defined in sections ~~[4, 5 and 6]~~ 3.5 to 6, inclusive, of this act have the meanings ascribed to them in those sections.*

Sec. 3.5. "Commencement date" means the date on which the regulation adopted by the Commission establishing the P2845 Standard pursuant to section 9 of this act becomes effective, or on June 20, 2027, whichever is later.

Sec. 4. *"Commission" means the Public Utilities Commission of Nevada.*

Sec. 5. *1. "Foil balloon" means a balloon that is constructed of electrically conductive material.*

Sec. 7. *1. A person who manufactures a foil balloon in this State shall include on the foil balloon a suitable, permanent mark that:*

(a) Identifies the manufacturer of the foil balloon.

(b) If the foil balloon meets the requirements of section 8 of this act, indicates that the foil balloon meets those requirements. If the Commission has adopted the P2845 Standard pursuant to section 9 of this act, any marking specified in the P2845 Standard shall be deemed to be a suitable mark for the purposes of this subsection.

2. A person shall not sell, offer for sale or distribute a foil balloon that is filled with a gas that is lighter than air in this State after the commencement date unless:

(a) An object of sufficient weight is affixed to the foil balloon or its appurtenance to counter the lift capability of the foil balloon; and

(b) No electrically conductive string, tether or streamer or any other electrically conductive object is attached to the foil balloon.

Sec. 8. *1. Except as otherwise provided in this section, a person shall not sell, offer to sell or manufacture a foil balloon in this State after the*

commencement date unless the foil balloon meets the requirements set forth in this section.

2. Except as otherwise provided in this section, any foil balloon sold, offered for sale or manufactured in this State after the commencement date must be tested in accordance with, and meet the performance standards set forth in, a standard for the testing and evaluation of the dielectric performance of foil balloons adopted by the Commission pursuant to section 9 of this act.

3. Except as otherwise provided in subsections 4 and 5, a person who sells, offers for sale or manufactures foil balloons in this State after the commencement date shall ensure that:

(c) Not less than 80 percent of the foil balloons sold, offered for sale or manufactured by the person comply with the provisions of this section on or before June 30, 2029.

(d) One hundred percent of the foil balloons sold, offered for sale or manufactured by the person comply with the provisions of this section on or before June 30, 2030.

4. A period described in subsection 3 must be tolled during any period in which a serious development, manufacturing, production or supply chain issue or event in the nature of force majeure occurs if the issue or event:

(a) Makes it infeasible to develop, manufacture, produce or sell foil balloons in compliance with the requirements of this section; and

(b) Is outside of the control of the person who sells, offers to sell or manufactures a foil balloon in this State.

5. If a period of tolling is required pursuant to subsection 4, the period must be:

2. For the purposes of subsection 1, the P2845 Standard shall be deemed to be final and approved if the Institute for Electrical and Electronics Engineers has:

(a) Published an interim version of the P2845 Standard;

(b) Completed a trial of the interim version of the P2845 Standard; and

(c) After any materially substantive adjustments, if any, to the interim version, published a final version of the P2845 Standard.

Sec. 10. ***1. A person who sells, offers for sale or manufactures a foil balloon in violation of sections 2 to 10, inclusive, of this act is subject to a civil penalty not to exceed $50 for each such foil balloon sold, offered for sale or manufactured, except that the penalty against the person must not exceed $2,500 for each day on which a violation occurs.***

2. A civil penalty imposed pursuant to subsection 1 must be recovered in a civil action brought by the Attorney General or by the district attorney or city attorney for the jurisdiction in which the violation occurred.

3. Any civil penalty collected pursuant to this section by:

(a) The Attorney General must be paid to the State Treasurer for credit to the State General Fund.

(b) A district attorney or city attorney must deposited in the county or city treasury, as applicable.

4. In determining whether to impose a civil penalty pursuant to subsection 1, the court shall consider:

Legislative Counsel's Digest:

Existing law defines "kratom product" to mean, in general, any product or ingredient containing any part of the leaf of the *Mitragyna Speciosa* plant if the plant contains the alkaloid mitragynine or 7-hydroxymitragynine, or any synthetic material that contains the alkaloid mitragynine or 7-hydroxymitragynine. Existing law prohibits a person from: (1) selling or offering to sell any material, compound, mixture or preparation containing a kratom product to a child under the age of 18 years; (2) preparing, distributing, advertising, selling or offering to sell a kratom product that is adulterated with certain substances; and (3) selling a kratom product that does not have a label that meets certain requirements. Existing law provides for the imposition of a civil penalty of not more than $1,000 against a person who violates those prohibitions. (NRS 597.998)

Section 5 of this bill revises the definition of kratom product to mean food containing any part of the leaf of the *Mitragyna Speciosa* plant. **Section 9** of

this bill revises the prohibited acts relating to kratom products set forth under existing law to revise: (1) requirements relating to the type of kratom products that a person is prohibited from preparing, distributing, advertising, selling or offering to sell; and (2) the information that must be included on a label for a kratom product. **Section 9** eliminates the civil penalty imposed for engaging in such prohibited acts and **section 8.7** of this bill instead provides for the imposition of administrative fines by the ~~[State Department]~~ **Division** of ~~[Agriculture]~~ **Public and Behavioral Health of the Department of Health and Human Services** for certain violations relating to kratom products.

Section 6 of this bill prohibits a person from selling or offering to sell a kratom product to an end user unless the kratom product has been registered with the ~~[Department.]~~ **Division. Section 6** sets forth certain requirements for a person to register a kratom product with the ~~[Department.]~~ **Division.**

Sections 6.5 and 8 of this bill set forth circumstances under which the ~~[Department]~~ **Division** may require a person who registers a kratom product to submit the kratom product to a laboratory for certain additional testing. **Section 7.5** of this bill requires a person who registers a kratom product to submit to the ~~[Department]~~ **Division** a copy of certain reports concerning the kratom product that are required to be submitted to the United States Food and Drug Administration.

Section 7 of this bill authorizes the ~~[Board]~~ **Division** to adopt certain regulations to carry out the provisions of this bill. **Section 9.8 of this bill makes an appropriation from the State General Fund to the Division for personnel, travel, operating, equipment and information services expenses to carry out the provisions of this bill.**

Existing law authorizes the State Board of Pharmacy to adopt regulations to add, delete or reschedule substances as controlled substances in schedules I, II, III, IV or V pursuant to the Uniform Controlled Substances Act. (NRS 453.146) Existing law prohibits certain substances from being included on such a schedule. (NRS 453.2186) **Section 9.5** of this bill prohibits the Board from including mitragynine or any of its constituent alkaloids on any schedule unless the substance is designated as a controlled substance pursuant to federal law. **Section 8.3** of this bill provides that if mitragynine or any of its constituent alkaloids is added to a schedule of controlled substances, a person who engages in the possession, delivery, production, sale or use of a kratom product that meets the requirements of this bill and who confines his or her activities to those authorized by this bill does not commit a violation of any law, ordinance, rule or regulation of this State or any political subdivision of this State and any such conduct must not constitute the basis for any investigation, detention, search, seizure, arrest, prosecution or other legal penalty against the person.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 869.

AN ACT relating to industrial insurance; revising **requirements for the administration of certain insurance claims; revising** certain requirements to ~~[make]~~ **maintain** certain insurance records **and make them** available for inspection; removing the requirement that certain entities maintain a telephone service to accept collect calls from injured employees; revising the circumstances under which the Administrator of the Division of Industrial Relations of the Department of Business and Industry is authorized to remove a physician or chiropractic physician from a list or panel of physicians and chiropractic physicians who may provide certain medical services relating to the Nevada Industrial Insurance Act; requiring the Administrator to publish annual and quarterly reports; authorizing certain physicians and chiropractic physicians to decline to perform certain evaluations under certain circumstances; **revising procedures for the selection of a physician or chiropractic physician to perform certain evaluations and examinations;** revising provisions relating to independent medical examinations; revising provisions relating to benefits for a permanent partial disability; revising provisions relating to an appeal of certain determinations of the Administrator; ~~[requiring certain insurance claims to be administered by certain persons;]~~ revising procedures for the reimbursement of an insurer that pays for an increase in certain compensation or benefits; ~~[repealing certain restrictions relating to associations of self-insured employers;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes the Nevada Industrial Insurance Act, which provides for the payment of compensation to employees who are injured or disabled as the result of an occupational injury. (Chapters 616A-616D of NRS)

Existing law requires certain insurers to maintain an office in this State that is operated by the insurer or its third-party administrator and to provide access to files relating to industrial insurance claims at that office. (NRS 616B.021, 616B.027) **Section ~~[1]~~ 1.5** of this bill requires the insurer to make such files available for inspection and reproduction by electronic means or at an office operated by the insurer or its third-party administrator located in this State. **Section ~~[1]~~ 1.5** also authorizes the insurer to keep physical records concerning a claim filed in this State at a location outside this State if those records are made available for inspection and reproduction in certain electronic forms or at offices located in this State.

Section 2 of this bill permits an office operated by an insurer or its third-party administrator to keep reproductions of certain files rather than the original copies. **Section 2** also removes the requirement that an insurer accept collect calls from injured employees.

Existing law requires a person who acts as a third-party administrator pursuant to the Nevada Industrial Insurance Act or the Nevada Occupational Diseases Act to administer claims arising under each plan of insurance that the person administers from one or more offices located in this State and maintain in those offices all of the records concerning those claims. (NRS 616B.503) Section 2.3 of this bill removes that requirement. Instead, section 1 of this bill establishes certain authorizations and requirements concerning the administration of claims arising under the Nevada Industrial Insurance Act or the Nevada Occupational Diseases Act. Section 1: (1) authorizes an employee of a private carrier who is licensed as a company adjuster or a third-party administrator for a private carrier to administer such claims from a location in or outside this State; and (2) requires records concerning such claims to be maintained at offices located in this State or in certain electronic forms. Section 1 also: (1) authorizes an employee of a private carrier who is not licensed as a company adjuster or a third-party administrator for a self-insured employer or an association of self-insured public or private employers to administer such claims only from one or more offices located in this State; and (2) requires records concerning such claims to be maintained at those offices. Section 2 requires an employee of a private carrier or a third-party administrator who administers a claim from a location outside of this State to make himself or herself available to communicate in real time with a claimant or a representative of a claimant at certain times.

Existing law requires the Commissioner to take certain disciplinary action against a third-party administrator for certain violations. (NRS 616B.506) Section 2.7 of this bill requires the Commissioner to also take such disciplinary action against a third-party administrator who violates the provisions of section 1.

Existing law requires an insurer to keep a list of physicians and chiropractic physicians from which an injured employee may choose to receive treatment and include in that list a certain number of physicians or chiropractic physicians from a panel established and maintained by the Administrator of the Division of Industrial Relations of the Department of Business and Industry. Existing law also sets forth procedures and limitations governing the removal of a physician or chiropractic physician from an insurer's list. (NRS 616C.087, 616C.090) **Section 4** of this bill expands the circumstances under which a physician or chiropractic physician may be involuntarily removed from an insurer's list and requires the Administrator to adopt regulations prescribing the format of the list which insurers must maintain. **Section 5** of this bill revises the reasons for which the Administrator may

remove a physician or chiropractic physician from a panel and authorizes certain persons to notify the Administrator if the person believes a physician or chiropractic physician satisfies certain criteria for removal from a panel. **Section 5** also authorizes a physician or chiropractic physician who is removed from a panel to reapply under certain circumstances for inclusion on the panel.

Existing law provides that an employee who is injured by an accident arising out of and in the course of employment is entitled to receive compensation under the **Nevada Industrial Insurance** Act for a permanent partial disability which is rated during an evaluation by certain physicians or chiropractic physicians. (NRS 616C.490) **Section 7** of this bill revises the methodology by which those physicians or chiropractic physicians are selected to perform such an evaluation and authorizes such a physician or chiropractic physician to decline to perform an evaluation if the physician or chiropractic physician believes he or she is not qualified to rate the disability at issue. **Sections 3 and 7** of this bill require the Administrator to prepare annual and quarterly reports containing certain information about those physicians and chiropractic physicians and the frequency with which they perform such evaluations and certain other examinations.

Existing law authorizes an injured employee, subject to various requirements and restrictions, to obtain an independent medical examination concerning an injury that is the subject of a claim filed pursuant to the **Nevada Industrial Insurance** Act. (NRS 616C.145) **Section 6** of this bill provides that such an injured employee is entitled to request such an independent examination for a permanent partial disability to determine if the employee has a ratable impairment or to dispute the initial rating determination of the employee's injury. **Section 6** also identifies the method by which the rate of reimbursement relating to certain independent medical examinations must be determined and authorizes an insurer to recover the cost of a second examination to determine a rating of a permanent partial disability under certain circumstances.

Existing law authorizes an injured employee who disagrees with the percentage of disability determined by a physician or chiropractic physician to obtain a second determination of the percentage of disability by selecting the next physician or chiropractic physician in rotation from the list of qualified physicians and chiropractic physicians maintained by the Administrator. (NRS 616C.100) Section 5.5 of this bill requires the physician or chiropractic physician to be selected at random from that list.

Existing law authorizes certain persons to request a hearing before a hearing officer of matters relating to the Nevada Industrial Insurance Act or the Nevada Occupational Diseases Act. (NRS 616C.315) If necessary to resolve a medical question concerning the rating of an employee's permanent disability, existing law authorizes a hearing officer to refer the employee for examination by a rating physician or chiropractic physician who, with certain exceptions, must be selected in rotation from the list of

physicians and chiropractic physicians maintained by the Administrator. (NRS 616C.330, 616C.360) Sections 6.8 and 6.9 of this bill instead require the physician or chiropractic physician to be selected at random from the list.

Existing law provides that a claimant under the **Nevada Industrial Insurance** Act may elect to receive payment for a permanent partial disability in a lump sum under certain circumstances. (NRS 616C.495) **Section 8** of this bill requires an insurer to use the actuarial annuity tables adopted by the Division that are in effect on the date on which the claimant demands payment in a lump sum to calculate the present value of the lump sum payable.

Existing law authorizes the Administrator to order an insurer or certain other persons to pay to a claimant a benefit penalty if the Administrator determines the insurer or other person has refused to process a claim for compensation pursuant to the **Nevada Industrial Insurance** Act or committed certain other violations. (NRS 616D.120) Existing law authorizes a person to contest a decision of the Administrator to impose or refuse to impose a benefit penalty by filing a notice of appeal with an appeals officer. (NRS 616D.140) **Section 9** of this bill revises certain procedural requirements relating to such an appeal and authorizes a claimant on whose behalf a benefit penalty is imposed to bring a civil action to recover the amount of the benefit penalty.

~~[Section 10 of this bill requires all claims brought pursuant to the Act or the Nevada Occupational Diseases Act to be administered by: (1) a salaried employee of an insurer located in this State; (2) a licensed adjuster located in or outside this State; or (3) a person authorized to adjust claims under the authority of a registered third-party administrator acting on behalf of an insurer located in or outside this State. Section 10 also exempts certain persons from those requirements and requires all files relating to a claim filed pursuant to the Nevada Industrial Insurance Act or the Nevada Occupational Diseases Act to be made available for inspection at certain locations in this State or by electronic means.~~

~~Section 10.5 of this bill repeals provisions prohibiting an association's administrator employed by an association of self-insured public or private employers and a third-party administrator of an association of public or private employers from holding a financial interest in or serving as employee, officer or director of one another.]~~

Existing law authorizes an insurer or employer who pays an annual increase in compensation for permanent total disability to a claimant or dependent who is entitled to such compensation due to certain industrial injuries or disablements to obtain reimbursement from the Administrator and sets forth the procedure for obtaining such a reimbursement. (NRS 616C.266) Similarly, existing law entitles an insurer who pays an increase in certain death benefits to a widow, widower, surviving child or surviving dependent parent to be reimbursed annually for the amount of that increase and sets forth procedures for obtaining reimbursement. (NRS 616C.268) **Sections 6.3 and 6.7** of this bill revise the procedures governing the issuance of such reimbursement to an

insurer and impose various requirements on the Administrator with respect to such reimbursement.

NRS 616C.090 contains fewer than 8 physicians or chiropractic physicians, as applicable, for that discipline or specialization, in which case all of the physicians or chiropractic physicians, as applicable, on the panel for that discipline or specialization must be included on the insurer's list.

4. 6. Each insurer shall, not later than October 1 of each year, update the list of physicians and chiropractic physicians and file the list with the Administrator. The list must be certified by an adjuster who is licensed pursuant to chapter 684A of NRS.

7. Upon receipt of a list of physicians and chiropractic physicians that is filed pursuant to subsection 6, the Administrator shall:

9. At any time, a physician or chiropractic physician may request in writing that he or she be removed from an insurer's list of physicians and chiropractic physicians. The insurer must comply with the request and omit the physician or chiropractic physician from the next list which the insurer files with the Administrator.

10. A physician or chiropractic physician may not be involuntarily removed from an insurer's list of physicians and chiropractic physicians except for good cause. As used in this subsection, "good cause" means that one or more of the following circumstances apply:

(a) The physician or chiropractic physician has died or is disabled.

(b) The license of the physician or chiropractic physician has been revoked or suspended.

(c) The physician or chiropractic physician has been convicted of:

(1) A felony; or

(2) A crime for a violation of a provision of chapter 616D of NRS.

11. Unless a physician or chiropractic physician, as applicable, is removed from an insurer's list of physicians and chiropractic physicians pursuant to subsection 10, an injured employee may continue to receive treatment from that physician or chiropractic physician even if:

(a) The employer of the injured employee changes insurers or administrators.

(b) The physician or chiropractic physician is no longer included in the applicable insurer's list of physicians and chiropractic physicians, provided that the physician or chiropractic physician agrees to continue to accept compensation for that treatment at the rates which:

(1) Were previously agreed upon when the physician or chiropractic physician was most recently included in the list; or

(2) Are newly negotiated but do not exceed the amounts provided under the fee schedule adopted by the Administrator.

12. The Administrator shall adopt regulations prescribing the form in which a list of physicians and chiropractic physicians created by an employer, insurer or third-party administrator pursuant to this section must be maintained. The Administrator shall require that any such list be in a format which is easily searchable, including, without limitation, an indexed database, a portable document format, a spreadsheet with data that may be filtered, a comma-separated values file or any other comparable format.

Sec. 5. NRS 616C.090 is hereby amended to read as follows:

616C.090 1. The Administrator shall establish, maintain and update not less frequently than annually on or before July 1 of each year, a panel of physicians and chiropractic physicians who have demonstrated special competence and interest in industrial health to treat injured employees under chapters 616A to 616D, inclusive, or chapter 617 of NRS. The Administrator shall maintain the following information relating to each physician and chiropractic physician on the panel:

(b) The title or degree of the physician or chiropractic physician.

(c) The legal name of the practice of the physician or chiropractic physician and the name under which the practice does business.

(d) The street address of the location of every office of the physician or chiropractic physician.

(e) The telephone number of every office of the physician or chiropractic physician.

(f) Every discipline and specialization practiced by the physician or chiropractic physician.

(g) Every condition and part of the body which the physician or chiropractic physician will treat.

2. Every employer whose insurer has not entered into a contract with an organization for managed care or with providers of health care pursuant to NRS 616B.527 shall maintain a list of those physicians and chiropractic physicians on the panel who are reasonably accessible to his or her employees.

3. An injured employee whose employer's insurer has not entered into a contract with an organization for managed care or with providers of health care pursuant to NRS 616B.527 may choose a treating physician or chiropractic physician from the panel of physicians and chiropractic physicians. If the injured employee is not satisfied with the first physician or chiropractic physician he or she so chooses, the injured employee may make an alternative choice of physician or chiropractic physician from the panel if the choice is made within 90 days after his or her injury. The insurer shall notify the first physician or chiropractic physician in writing. The notice must be postmarked within 3 working days after the insurer receives knowledge of the change. The first physician or chiropractic physician must be reimbursed only for the services the physician or chiropractic physician, as applicable, rendered to the injured employee up to and including the date of notification. Except as otherwise provided in this subsection, any further change is subject to the approval of the insurer or by order of a hearing officer or appeals officer. A request for a change of physician or chiropractic physician must be granted or denied within 10 days after a written request for such a change is received from the injured employee. If the insurer takes no action on the request within 10 days, the request shall be deemed granted. Any request for a change of physician or chiropractic physician must include the name of the new physician or chiropractic physician chosen by the injured employee. If the treating physician or chiropractic physician refers the injured employee to a specialist for treatment, the insurer shall provide to the injured employee a list that includes the name of each physician or chiropractic physician with that specialization who is on the panel. Not later than 14 days after receiving the list, the injured employee shall select a physician or chiropractic physician from the list.

4. An injured employee whose employer's insurer has entered into a contract with an organization for managed care or with providers of health care pursuant to NRS 616B.527 must choose a treating physician or chiropractic physician pursuant to the terms of that contract. If the injured employee is not satisfied with the first physician or chiropractic physician he or she so chooses, the injured employee may make an alternative choice of physician or chiropractic physician pursuant to the terms of the contract without the approval of the insurer if the choice is made within 90 days after his or her injury. Except as otherwise provided in this subsection, any further change is subject to the approval of the insurer or by order of a hearing officer or appeals

officer. A request for a change of physician or chiropractic physician must be granted or denied within 10 days after a written request for such a change is received from the injured employee. If the insurer takes no action on the request within 10 days, the request shall be deemed granted. If the injured employee, after choosing a treating physician or chiropractic physician, moves to a county which is not served by the organization for managed care or providers of health care named in the contract and the insurer determines that it is impractical for the injured employee to continue treatment with the physician or chiropractic physician, the injured employee must choose a treating physician or chiropractic physician who has agreed to the terms of that contract unless the insurer authorizes the injured employee to choose another physician or chiropractic physician. If the treating physician or chiropractic physician refers the injured employee to a specialist for treatment, the insurer shall provide to the injured employee a list that includes the name of each physician or chiropractic physician with that specialization who is available pursuant to the terms of the contract with the organization for managed care or with providers of health care pursuant to NRS 616B.527, as appropriate. Not later than 14 days after receiving the list, the injured employee shall select a physician or chiropractic physician from the list. If the employee fails to select a physician or chiropractic physician, the insurer may select a physician or chiropractic physician with that specialization. If a physician or chiropractic physician with that specialization is not available pursuant to the terms of the contract, the organization for managed care or the provider of health care may select a physician or chiropractic physician with that specialization.

5. If the injured employee is not satisfied with the physician or chiropractic physician selected by himself or herself or by the insurer, the organization for managed care or the provider of health care pursuant to subsection 4, the injured employee may make an alternative choice of physician or chiropractic physician pursuant to the terms of the contract. A change in the treating physician or chiropractic physician may be made at any time but is subject to the approval of the insurer or by order of a hearing officer or appeals officer. A request for a change of physician or chiropractic physician must be granted or denied within 10 days after a written request for such a change is received from the injured employee. If no action is taken on the request within 10 days, the request shall be deemed granted. Any request for a change of physician or chiropractic physician must include the name of the new physician or chiropractic physician chosen by the injured employee. If the insurer denies a request for a change in the treating physician or chiropractic physician under this subsection, the insurer must include in a written notice of denial to the injured employee the specific reason for the denial of the request.

6. Except when emergency medical care is required and except as otherwise provided in NRS 616C.055, the insurer is not responsible for any charges for medical treatment or other accident benefits furnished or ordered by any physician, chiropractic physician or other person selected by the injured employee in disregard of the provisions of this section or for any compensation

for any aggravation of the injured employee's injury attributable to improper treatments by such physician, chiropractic physician or other person.

7. The Administrator may order necessary changes in a panel of physicians and chiropractic physicians and shall ~~[suspend]~~ ***:***

(a) Suspend or remove any physician or chiropractic physician from a panel for good cause shown in accordance with NRS 616C.087 ~~[.]~~ ***; and***

(b) Remove from being included on a panel as a practitioner of a discipline or specialization any physician or chiropractic physician who does not accept and treat injured employees for industrial injuries or occupational diseases in that discipline or specialization.

8. ***Any interested person may notify the Administrator, on a form prescribed by the Administrator, if the person believes that a physician or chiropractic physician does not accept and treat injured employees:***

(a) Under chapters 616A to 616D, inclusive, or chapter 617 of NRS for industrial injuries or occupational diseases; or

(b) For industrial injuries or occupational diseases in a discipline or specialization for which the physician or chiropractic physician is included on a panel of physicians and chiropractic physicians maintained by the Administrator pursuant to this section.

9. If the Administrator receives notice pursuant to subsection 8, the Administrator shall:

(a) Conduct an investigation to determine whether the physician or chiropractic physician may remain on the panel for a discipline or specialization; and

(b) Publish or cause to be published on the Internet website of the Division not later than 90 days after receiving the notice the results of the investigation.

10. A physician or chiropractic physician who is removed pursuant to paragraph (b) of subsection 7 from a discipline or specialization on a panel may request, on a form prescribed by the Administrator, to be reinstated on a panel for that discipline or specialization if the physician or chiropractic physician demonstrates to the satisfaction of the Administrator that he or she accepts and treats injured employees for that discipline or specialization.

11. An injured employee may receive treatment by more than one physician or chiropractic physician:

(a) If the insurer provides written authorization for such treatment; or

(b) By order of a hearing officer or appeals officer.

~~[9.]~~ ***12.*** The Administrator shall design a form that notifies injured employees of their right pursuant to subsections 3, 4 and 5 to select an alternative treating physician or chiropractic physician and make the form available to insurers for distribution pursuant to subsection 2 of NRS 616C.050.

Sec. 5.5. **NRS 616C.100 is hereby amended to read as follows:**

(e) Any claimant injured on or after January 1, 2016, and before July 1, 2017, who incurs a disability that:

(1) Does not exceed 30 percent may elect to receive his or her compensation in a lump sum.

(2) Exceeds 30 percent may elect to receive his or her compensation in a lump sum equal to the present value of an award for a disability of 30 percent. If the claimant elects to receive compensation pursuant to this subparagraph, the insurer shall pay in installments to the claimant that portion of the claimant's disability in excess of 30 percent.

(f) Any claimant injured on or after July 1, 2017, who incurs a disability that exceeds 30 percent may elect to receive his or her compensation in a lump sum equal to the present value of an award for a disability of up to 30 percent. If the claimant elects to receive compensation pursuant to this paragraph, the insurer shall pay in installments to the claimant that portion of the claimant's disability in excess of 30 percent.

(g) If the permanent partial disability rating of a claimant seeking compensation pursuant to this section would, when combined with any

previous permanent partial disability rating of the claimant that resulted in an award of benefits to the claimant, result in the claimant having a total permanent partial disability rating in excess of 100 percent, the claimant's disability rating upon which compensation is calculated must be reduced by such percentage as required to limit the total permanent partial disability rating of the claimant for all injuries to not more than 100 percent.

2. If the claimant elects to receive his or her payment for a permanent partial disability in a lump sum pursuant to subsection 1, all of the claimant's benefits for compensation terminate. Except as otherwise provided in paragraph (d), the claimant's acceptance of that payment constitutes a final settlement of all factual and legal issues in the case. By so accepting the claimant waives all of his or her rights regarding the claim, including the right to appeal from the closure of the case or the percentage of his or her disability, except:

(a) The right of the claimant to:

(1) Reopen his or her claim in accordance with the provisions of NRS 616C.390; or

(2) Have his or her claim considered by his or her insurer pursuant to NRS 616C.392;

(b) Any counseling, training or other rehabilitative services provided by the insurer;

(c) The right of the claimant to receive a benefit penalty in accordance with NRS 616D.120; and

(d) The right of the claimant to conclude or resolve any contested matter which is pending at the time that the claimant executes his or her election to receive his or her payment for a permanent partial disability in a lump sum. The provisions of this paragraph do not apply to:

(1) The scope of the claim;

(2) The claimant's stable and ratable status; and

(3) The claimant's average monthly wage.

3. The claimant, when he or she demands payment in a lump sum pursuant to subsection 2, must be provided with a written notice which prominently displays a statement describing the effects of accepting payment in a lump sum of an entire permanent partial disability award, any portion of such an award or any uncontested portion of such an award, and that the claimant has 20 days after the mailing or personal delivery of the notice within which to retract or reaffirm the demand, before payment may be made and the claimant's election becomes final.

4. Any lump-sum payment which has been paid on a claim incurred on or after July 1, 1973, must be supplemented if necessary to conform to the provisions of this section.

5. Except as otherwise provided in this subsection, the total lump-sum payment for disablement must not be less than one-half the product of the average monthly wage multiplied by the percentage of disability. If the claimant received compensation in installment payments for his or her

permanent partial disability before electing to receive payment for that disability in a lump sum, the lump-sum payment must be calculated for the remaining payment of compensation.

6. The lump sum payable must be equal to the present value of the compensation awarded, less any advance payment or lump sum previously paid. The present value must be calculated using monthly payments in the amounts prescribed in subsection 8 of NRS 616C.490 and actuarial annuity tables adopted by the Division. The tables must be reviewed annually by a consulting actuary and must be adjusted accordingly on July 1 of each year by the Division using:

(a) The most recent unisex "Static Mortality Tables for Defined Benefit Pension Plans" published by the Internal Revenue Service; and

(b) The average 30-Year Treasury Constant Maturity Rate for March of the current year as reported by the Board of Governors of the Federal Reserve System.

7. ***To calculate the present value of a lump sum payable to a claimant, the insurer shall use the actuarial annuity tables adopted by the Division that are in effect on the date on which the claimant demands payment in a lump sum.***

8. If a claimant would receive more money by electing to receive compensation in a lump sum than the claimant would if he or she receives installment payments, the claimant may elect to receive the lump-sum payment.

Sec. 9. NRS 616D.140 is hereby amended to read as follows:

3. If a notice of appeal is not filed as required by this section, the imposition of or refusal to impose the benefit penalty shall be deemed a final order and is not subject to review by any court or agency.

4. A hearing held pursuant to this section must be conducted by the appeals officer as a hearing de novo. The appeals officer shall render a written decision on the appeal. Except as otherwise provided in this section, the provisions of NRS 616C.345 to 616C.385, inclusive, apply to an appeal filed pursuant to this section.

5. A benefit penalty imposed pursuant to NRS 616D.120 must be paid to the claimant on whose behalf it is imposed. Amendment No. 877.

ASSEMBLYMEN BROWN-MAY; CARTER, D'SILVA, GONZÁLEZ, **HAFEN,** KOENIG, NGUYEN AND TORRES

JOINT SPONSOR: SENATOR GOICOECHEA

AN ACT relating to motor vehicles; authorizing, under certain circumstances, a dealer and purchaser to enter into a written return agreement to cancel a vehicle sale; revising provisions relating to the registration of certain vehicles when the certificate of title is lost, unlawfully detained or otherwise not available; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that whenever application is made to the Department of Motor Vehicles for registration of a motor vehicle of which the ownership has been transferred, the person transferring the vehicle is authorized to designate the person receiving the vehicle to provide the information required by the Department relating to odometer disclosures if the: (1) certificate of title is lost, unlawfully detained by one in possession or otherwise not available; and (2) model year is 9 years old or newer. (NRS 482.415) **Section 4** of this bill provides instead that this process applies to the registration of a motor vehicle of which the model year is 2011 or newer and the vehicle is less than 20 years old.

Section 1 of this bill authorizes a dealer licensed in this State and the purchaser of a vehicle to enter into a written return agreement to cancel the sale. Upon entering into such a written agreement, the sale is cancelled. The dealer is required, within 15 days, to return to the purchaser or secured party, as applicable, all money, taxes and fees that were collected by the dealer at the time of the sale. **Section 1** provides that if such a written agreement is entered into, the dealer may submit an application to the Department of Motor Vehicles for a certificate of title. **Section 1** further requires **[**~~, under certain circumstances,~~**]** the Department of Motor Vehicles to issue a certificate of title **[**~~not later than 7 days~~**]** after receiving such an application. Finally, **section 1**: (1) prohibits, under certain circumstances, a dealer from selling in this State the vehicle that is the subject of such a cancellation of sale until the dealer receives the certificate of title from the Department of Motor Vehicles; (2) requires a dealer to retain the written return agreement to cancel a vehicle sale with the sales records for the transaction; and (3) provides that the cancellation of a sale pursuant to **section 1** does not negate the fact that the vehicle has been the subject of a previous retail sale.

Section 2 of this bill makes a conforming change to indicate the proper placement of **section 1** in the Nevada Revised Statutes.

Section 3 of this bill creates an exception to the general requirement that an existing certificate of title be endorsed by the transferor and transferee when an ownership interest in the vehicle is transferred. (NRS 482.400)

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 482 of NRS is hereby amended by adding thereto a new section to read as follows:

1. Notwithstanding any other provision of law, a dealer licensed in this State and the purchaser of a vehicle may enter into a written return agreement to cancel the sale of the vehicle. Upon entering into such an agreement, the sale is cancelled and the dealer shall, not later than 15 days after the sale is cancelled, return to the purchaser or secured party, as applicable, all of the money, taxes and fees that were collected by the dealer at the time of sale.

2. If a dealer and purchaser enter into a written return agreement to cancel the sale of a vehicle pursuant to subsection 1, the dealer may submit an application for a certificate of title to the Department of Motor Vehicles. Any such application for a certificate of title must be in the form prescribed by the Department of Motor Vehicles, may request the expedited processing of the application and must include, without limitation:

(a) A copy of the written return agreement described in subsection 1;

(b) The fees required for the issuance of a certificate of title pursuant to NRS 482.429;

(c) If the Department has already issued a certificate of title for the vehicle in relation to the sale:

(1) The certificate of title that the Department issued to the purchaser; or

(2) An affidavit certifying that the certificate of title issued to the purchaser by the Department is unavailable and needs to be cancelled by the Department; and

(d) If the Department of Motor Vehicles has not issued a certificate of title for the vehicle in relation to the sale, the certificate of title upon which the title transfer to the purchaser was made.

3. Except as otherwise provided in subsection 8, ~~[if an application for a certificate of title requests the expedited processing of the application, not later than 7 days after receiving the application,]~~ the Department of Motor Vehicles shall issue the certificate of title to the dealer that sets forth:

(a) The dealer as the owner of the vehicle; and

(b) An odometer reading, as recorded at the time of the sale.

4. Except as otherwise provided in subsection 8, if an application for a certificate of title submitted pursuant to subsection 2 does not request the expedited processing of the application, the Department of Motor Vehicles shall at its standard processing time, issue the certificate of title to the dealer that sets forth:

(a) The dealer as the owner of the vehicle; and

(b) An odometer reading, as recorded at the time of the sale.

5. A dealer shall not sell in this State a vehicle that is the subject of a cancellation of sale pursuant to this section if the dealer has submitted an application for a certificate of title pursuant to subsection 2 until the dealer receives the certificate of title from the Department of Motor Vehicles.

6. A dealer must retain a written return agreement to cancel the sale of a vehicle entered into pursuant to subsection 1 with the sales records related to the sale between the dealer and purchaser.

7. The cancellation of the sale of a vehicle pursuant to a written return agreement entered into pursuant to subsection 1 does not negate the fact that the vehicle has been the subject of a previous retail sale.

8. Nothing in this section shall be construed to prohibit the Department of Motor Vehicles from reviewing an application for a certificate of title submitted pursuant to subsection 2 for the accuracy and completeness of any information contained therein, or conduct any necessary investigations before issuing a certificate of title.

Sec. 2. NRS 482.245 is hereby amended to read as follows:

482.245 1. The certificate of registration must contain upon the face thereof the date issued, the registration number assigned to the vehicle, the name and address of the registered owner, the county where the vehicle is to be based unless it is deemed to have no base, a description of the registered vehicle and such other statement of facts as may be determined by the Department.

2. The certificate of title must contain upon the face thereof the date issued, the name and address of the registered owner and the owner or lienholder, if any, a description of the vehicle, any entries required by NRS 482.423 to 482.428, inclusive, ***and section 1 of this act,*** a reading of the vehicle's odometer as provided to the Department by the person making the sale or transfer, the word "rebuilt" if it is a rebuilt vehicle, the information required pursuant to subsection 4 of NRS 482.247 if the certificate of title is a certificate of title in beneficiary form pursuant to NRS 482.247 and such other statement of facts as may be determined by the Department. The reverse side of the certificate of title must contain forms for notice to the Department of a transfer of the title or interest of the owner or lienholder and application for registration by the transferee. If a new certificate of title is issued for a vehicle, it must contain the same information as the replaced certificate, except to the extent that the information has changed after the issuance of the replaced certificate. Except as otherwise required by federal law, the certificate of title of a vehicle which the Department knows to have been stolen must not contain any statement or other indication that the mileage specified in the certificate or registered on the odometer is anything other than the actual mileage traveled by the vehicle, in the absence of proof that the odometer of the vehicle has been disconnected, reset or altered.

Sec. 3. NRS 482.400 is hereby amended to read as follows:

482.400 1. Except as otherwise provided in this subsection and subsections 3, 6 and 7, and NRS 482.247, ***and section 1 of this act,*** upon a

The Department may, by regulation, prescribe alternative methods by which a signature may be affixed upon a manufacturer's certificate of origin or a manufacturer's statement of origin issued for a vehicle. The alternative methods must ensure the authenticity of the signatures.

2. Within 5 days after the transfer of the title to, or the interest of an owner in, a vehicle registered or issued a certificate of title under the provisions of this chapter, the person or persons whose title or interest is to be transferred may submit electronically to the Department a notice of the transfer. The Department may provide, by request and at the discretion of the Department, information submitted to the Department pursuant to this section to a tow car operator or other interested party. The Department shall adopt regulations establishing:

(a) Procedures for electronic submissions pursuant to this section; and

(b) Standards for determining who may receive information from the Department pursuant to this section.

3. The Department shall provide a form for use by a dealer for the transfer of ownership of a vehicle. The form must be produced in a manner which ensures that the form may not be easily counterfeited. Upon the attachment of the form to a certificate of title issued for a vehicle, the form becomes a part of that certificate of title. The Department may charge a fee not to exceed the cost to provide the form.

4. Except as otherwise provided in subsections 5, 6 and 7, the transferee shall immediately apply for registration as provided in NRS 482.215 and shall pay the governmental services taxes due.

5. If the transferee is a dealer who intends to resell the vehicle, the transferee is not required to register, pay a transfer or registration fee for, or pay a governmental services tax on the vehicle. When the vehicle is resold, the purchaser shall apply for registration as provided in NRS 482.215 and shall pay the governmental services taxes due.

6. If the transferee consigns the vehicle to a wholesale vehicle auctioneer:

(b) The wholesale vehicle auctioneer shall be deemed a transferee of the vehicle for the purposes of subsection 5. The wholesale vehicle auctioneer is not required to comply with subsection 1 if the wholesale vehicle auctioneer:

(1) Does not take an ownership interest in the vehicle;

(2) Auctions the vehicle to a vehicle dealer or automobile wrecker who is licensed as such in this or any other state; and

(3) Stamps his or her name, his or her identification number as a vehicle dealer and the date of the auction on the certificate of title and the bill of sale and any other documents of transfer for the vehicle.

7. A charitable organization which intends to sell a vehicle which has been donated to the organization must deliver immediately to the Department or its agent the certificate of registration and the license plate or plates for the vehicle, if the license plate or plates have not been removed from the vehicle. The charitable organization must not be required to register, pay a transfer or registration fee for, or pay a governmental services tax on the vehicle. When the vehicle is sold by the charitable organization, the purchaser shall apply for registration as provided in NRS 482.215 and pay the governmental services taxes due.

8. As used in this section, "wholesale vehicle auctioneer" means a dealer who:

(a) Is engaged in the business of auctioning consigned motor vehicles to vehicle dealers or automobile wreckers, or both, who are licensed as such in this or any other state; and

(b) Does not in the ordinary course of business buy, sell or own the vehicles he or she auctions.

Sec. 4. NRS 482.415 is hereby amended to read as follows:

482.415 1. Whenever application is made to the Department for registration of a vehicle previously registered pursuant to this chapter and the applicant is unable to present the certificate of registration or certificate of title previously issued for the vehicle because the certificate of registration or certificate of title is lost, unlawfully detained by one in possession or otherwise not available, the Department may receive the application, investigate the circumstances of the case and require the filing of affidavits or other information. When the Department is satisfied that the applicant is entitled to a new certificate of registration and certificate of title, it may register the applicant's vehicle and issue new certificates and a new license plate or plates to the person or persons entitled thereto. An applicant who is unable to satisfy the Department that the applicant is entitled to a new certificate of title pursuant to this subsection may obtain a new certificate of title pursuant to the provisions of NRS 482.2605.

Existing law requires each board of trustees to establish an advisory committee to advise the district concerning the content of and materials to be used in such a course. (NRS 389.036) **Section 2** of this bill revises these requirements by requiring the board of trustees of a school district to establish a course or unit of a course of instruction in evidence-based, factual instruction in sexuality education. **Section 2** also: (1) adds two pupils who attend schools in the district to the membership of the advisory committee; and (2) requires each member of the advisory committee to have one vote on each matter requiring a vote. **Section 2** additionally requires the advisory committee to

(NRS 389.036) **Section 2** replaces this form by requiring the school district to provide a form for the parent or guardian of a pupil to refuse to authorize a pupil's participation in specific lessons in the course or the entire course. **Section 2** authorizes a school district to make this form available on a secure Internet website and requires the form to include an option for a parent or guardian of a pupil to refuse permission for the pupil to participate in a course of sexuality education: (1) for that school year only; or (2) for any school year in which the pupil is enrolled in the school district.

Section 1 of this bill requires the board of trustees of each school district to submit an annual report on the status of the establishment of such a course or unit of such a course of instruction in the district to the Director of the Legislative Counsel Bureau for transmittal to the Joint Interim Standing Committee on Education.

Amendment No. 848.

AN ACT relating to prescription drugs; prohibiting certain pharmacy benefit managers and health carriers from taking certain actions against entities that participate in a federal program to facilitate the discounted purchase of prescription drugs; prohibiting a program administered by the Department of Health and Human Services to provide therapeutics to persons with human immunodeficiency virus from taking similar actions; imposing certain limitations on the use of money available to administer the program to provide therapeutics to persons with human immunodeficiency virus; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing federal law creates a program, known as the 340B Program, by which certain hospitals and other facilities that provide health care to low-income patients are able to purchase certain drugs at discounted rates. (42 U.S.C. § 256b) Existing law prohibits a pharmacy benefit manger from prohibiting a pharmacist or pharmacy from taking certain actions to assist a person in obtaining a less expensive alternative or generic drug. (NRS 683A.179) Existing law imposes certain requirements relating to the operation of health carriers. (NRS 687B.470-687B.850) **Sections 1, 3, 6 and 7** of this bill prohibit pharmacy benefit managers and health carriers, including governmental entities that provide coverage for employees, from: (1) discriminating against a covered entity that participates in the 340B Program to purchase drugs at a discounted rate or a pharmacy that contracts with such an entity with regard to reimbursement; (2) taking certain actions to limit the ability of such an entity or pharmacy to receive the full benefit of participating in that program; (3) excluding such an entity or pharmacy from an insurance network because the entity or pharmacy participates in that program; (4) restricting the ability of a person to receive a 340B drug; or (5) taking certain other actions to limit the participation of an entity or pharmacy in the Program. **Section 1** exempts from those prohibitions a pharmacy benefit manager that manages prescription drug benefits under Medicaid **.** ~~[where reimbursement is provided on a fee-for-service basis.]~~ **Sections 1 and 3 also provide that the provisions of those sections do not prohibit the Department of Health and Human Services, the Division of Health Care Financing and Policy of the Department of Health and Human Services or a Medicaid managed care organization from taking certain actions necessary to comply with federal law or ensure the financial stability of the Medicaid program. Sections 2,**

4 and 5 of this bill make conforming changes to indicate the proper placement of **sections 1 and 3** in the Nevada Revised Statutes.

Existing law authorizes the Department of Health and Human Services to administer a program pursuant to federal law to provide therapeutics to treat certain persons who have been diagnosed with the human immunodeficiency virus. (NRS 439.529) **Section 9** of this bill prescribes certain limitations on the use of money allocated to the program. **Section 8** of this bill requires the program to take certain actions and refrain from certain activity to ensure that a covered provider that participates in the 340B Program to purchase drugs at a discounted rate or a pharmacy that contracts with such a provider receives the full benefit of participating in the Program. **Section 8** additionally prohibits the program administered by the Department from: (1) denying a request from such a covered provider or contract pharmacy to participate in the network of the program in certain circumstances; or (2) engaging in certain discrimination against a covered provider or contract pharmacy.

If this amendment is adopted, the Legislative Counsel's Digest will be changed as follows:

Legislative Counsel's Digest:

Sections 1-25 of this bill enact provisions authorizing the creation of an academic medical district. **Section 2** of this bill provides that the provisions of those sections may be known and cited as the Academic Medical District Act. **Section 10** of this bill sets forth certain legislative findings concerning academic medical districts. **Section 11** of this bill requires the provisions of the Academic Medical District Act to be liberally construed to facilitate economic development and access to quality health care for the residents of this State.

Section 4 of this bill defines "academic medical center" to mean **a collaborative venture between** an educational institution **and a nonprofit or public hospital** that **[:] includes:** (1) ~~[includes an accredited medical school and at least one school for certain other providers of health care; and (2) owns~~

Section 14 of this bill authorizes a participating entity to adopt an ordinance creating a tax increment area consisting of all or part of the academic medical district for the purpose of creating a special account for the payment of bonds or other securities issued to defray the cost of certain infrastructure and capital projects within the academic medical district. If a participating entity designates such a tax increment area, **section 14** provides for the allocation of a portion of the taxes levied upon taxable property in the tax increment area each year to pay the bond requirements of loans, money advanced to, or indebtedness incurred by the municipality to finance or refinance the project. **Section 22** of this bill authorizes the issuance of such bonds or securities by counties or incorporated cities that have created an academic medical district.

Section 20 of this bill authorizes an academic medical district to ~~[accept public and private funding.]~~ **establish certain compensation for the use of the facilities owned, constructed, operated or maintained by the academic medical district but prohibits the academic medical district from establishing such compensation for services provided at a public hospital within the academic medical district.**

Section 23 of this bill requires an academic medical district, upon the request of a participating entity, to report to the participating entity concerning issues and activities necessary for the operation of the district. **Section 24** of this bill requires any action against an academic medical district to be brought in the county where the principal office of the academic medical district is located. **Section 25** of this bill authorizes any governmental entity to convey certain rights in real property to an academic medical district.

Existing law authorizes the Office of Economic Development to approve an abatement or partial abatement of certain property taxes, business taxes and sales and use taxes in certain circumstances. Section 36.3 of this bill authorizes the Board of Regents of the University of Nevada to enter into an agreement with a public or private entity, whether for profit or not for profit, to promote and enhance an educational program or student life at an institution within the Nevada System of Higher Education. Section 36.7 of this bill establishes that any such agreement is subject to the policies established by the Board of Regents governing contracts that faculty members and employees of the System may enter into or from which they may benefit.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 875.

AN ACT relating to capital projects; requiring the board of county commissioners of certain counties to levy a property tax for capital projects of school districts; authorizing the board of county commissioners of certain

counties to levy a property tax for capital projects of school districts for which a grant is available from the ~~[Account]~~ **Fund** to Assist Rural School Districts in Financing Capital Improvements; **exempting that property tax from certain partial abatements; exempting both property taxes from the statutory limitation on the total ad valorem tax levy;** creating the ~~[Account]~~ **Fund** to Assist Rural School Districts in Financing Capital Improvements; **requiring the board of county commissioners of certain counties to establish an oversight panel for school district capital improvement projects;** making appropriations to the ~~[Account;]~~ **Fund;** making an appropriation to the Elko County School District for the construction of a school on the Duck Valley Indian Reservation; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the board of trustees of each school district to establish a fund for capital projects. (NRS 387.328) Existing law also creates the Fund to Assist School Districts in Financing Capital Improvements from which a grant of money may be obtained if certain emergency conditions exist within the school district. (NRS 387.333, 387.3335)

Section 2 of this bill requires the board of county commissioners of a county whose population is 52,500 or more and less than 57,500 (currently Elko County), to levy a tax at a rate of not less than 1 cent and not more than 25 cents on each $100 of assessed valuation of taxable property within the county. **Section 2** requires any money collected from such a tax to be deposited in the county treasury for credit to the fund for capital projects to be held and expended in the same manner as other money deposited in that fund. **Section 6** of this bill authorizes the school district of a county where such a tax is imposed to pledge the proceeds of the tax, and the portion of the governmental services tax whose allocation to the school district is based on the amount of the property tax levy attributable to its debt service, to the payment of any bonds or other obligations the school district issued for capital projects. **Section 8** of this bill provides that, if the board of county commissioners of a county which is required to levy such a tax does not adopt an ordinance levying the tax on or before June 30, 2024, the tax is levied at a rate of 25 cents on each $100 of assessed valuation of taxable property within the county.

Section 4 of this bill creates the ~~[Account]~~ **Fund** to Assist Rural School Districts in Financing Capital Improvements and requires the money in the ~~[Account]~~ **Fund** to be used to make grants to school districts in counties whose population is less than 100,000 (currently all counties other than Clark and Washoe Counties) for certain capital projects.

Section 3 of this bill authorizes the board of county commissioners of a county whose population is less than 100,000, other than a board which is required to levy a tax pursuant to **section 2**, to levy a tax on all taxable property in the county for a capital project for which a grant may be obtained from the ~~[Account.]~~ **Fund. Section 3** requires the board of county commissioners to determine the amount of money required for the capital project, excluding any

amount that the board anticipates will be covered by a grant from the ~~[Account,]~~ **Fund,** and fix a rate of taxation which will raise that amount. **Section 3** requires the revenue from the tax to be expended for: (1) a capital project for which a grant was made from the ~~[Account;]~~ **Fund;** or (2) if the amount collected for a fiscal year exceeds the amount of the grant for that year, in the same manner as other money in the fund for capital projects established by the school district. **Section 5.5 of this bill requires the board of county commissioners of a county which levies a tax pursuant to section 2 or 3 to establish an oversight panel for school district capital improvement projects.**

Section 5 of this bill requires the board of trustees of a school district in a county which levies a tax pursuant to **section 3** and authorizes the board of trustees of a school district in a county which levies a tax pursuant to **section 2** during a fiscal year to apply to the Director of the Office of Finance in the Office of the Governor for a grant of money from the ~~[Account.]~~ **Fund. Section 5** requires the Director of the Office of Finance to make a grant of money from the ~~[Account]~~ **Fund** in an amount which is equal to: (1) the total amount of tax assessed pursuant to **section 3** by the county for the capital project during the immediately preceding fiscal year; or (2) the amount of the proceeds of the tax imposed pursuant to **section 2** for the immediately preceding fiscal year which the board of trustees of the school district has certified will be dedicated to the capital project.

Existing law, in general, limits the total amount of property taxes which may be imposed to $3.64 on each $100 of assessed valuation. (NRS 361.453) Sections 2 and 3 exempt the rates for the property taxes in those sections from this limitation. Section 7 of this bill makes a conforming change to indicate these exemptions from the limitation.

Existing law provides a partial abatement of the property taxes levied on property for which an assessed valuation has previously been established, a remainder parcel of real property, certain single-family residences and certain residential rental dwellings. (NRS 361.4722, 361.4723, 361.4724) With certain exceptions, existing law exempts new or increased property taxes from those partial abatements if a legislative act that became effective after April 6, 2005, imposed a duty on a taxing entity to levy the tax or increase the rate of the tax. (NRS 361.4726) Section 7.5 of this bill exempts the new property tax authorized to be levied by section 3 from those partial tax abatements.

Section 9 of this bill makes appropriations from the State General Fund to the ~~[Account]~~ **Fund** for grants to school districts in counties whose population is less than 100,000 (currently all counties other than Clark and Washoe Counties), including grants for capital projects for schools located on qualified tribal land. **Section 10** of this bill makes an appropriation to the Elko County School District for the construction of a school on the Duck Valley Indian Reservation.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

2. 3. Sec. 7. NRS 361.453 is hereby amended to read as follows:

Bill read third time.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 913.

AN ACT relating to education; revising provisions prohibiting the Board of Regents of the University of Nevada from assessing tuition charges against certain students who are Native American; revising provisions requiring the Board of Regents to grant certain waivers of fees for certain students who are Native American; making an appropriation to the Nevada System of Higher Education; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Board of Regents of the University of Nevada to grant a waiver of registration fees, laboratory fees and other mandatory fees assessed each semester for a Native American student who demonstrates that the student: (1) is a member of a federally recognized Indian tribe or nation, all or part of which is located in this State, or who is certified by the enrollment department of such a tribe or nation or by the Bureau of Indian Affairs as being a descendant of an enrolled member of the tribe or nation, regardless of membership status; (2) is eligible for enrollment in a school within the Nevada System of Higher Education; (3) has been a resident of this State for at least 1 year; (4) has maintained at least a 2.0 grade point average, on a 4.0 scale, each semester, or the equivalent of a 2.0 grade point average if a different scale is used; and (5) has completed the Free Application for Federal Student Aid. (NRS 396.5449) **Section 1.3** of this bill ~~[removes the requirement to be a resident of this State for at least 1 year to be eligible for the waiver.]~~ **: (1) allows a student who is a member or descendant of an Indian tribe or**

nation located outside of this State and who meets all other requirements to receive such a waiver; and (2) revises the residency requirement to include students who are bona fide residents of this State, who are members or descendants of Indian tribes or nations located at least partially in this State or who have resided on qualified tribal land for at least 1 year.

Existing law requires the waiver to be granted to a student who enrolls in any program offered by a school within the System, including, without limitation, a trade or vocational program, a graduate program or a professional program. (NRS 396.5449) Existing law provides that a pupil enrolled in high school may earn college credit for a dual credit course taken while in high school and apply the credit received for such a course to the total number of credits required for graduation from his or her high school. (NRS 389.160) **Section 1.3**: (1) ~~[revises the requirement for the waiver to be granted to a student who enrolls in any program offered by a school within the System by excluding a course or program in a field other than health, social work, science, technology, engineering, art or mathematics in support of which an appropriation has not been made by the Legislature;]~~ **clarifies that the waiver applies to any course or program, whether for a degree or not, offered during any academic period;** and (2) requires the waiver to be granted to an eligible student who enrolls in a dual credit course offered by a school within the System.

Existing law requires the amount of the waiver to be limited based on the federal education benefits to which a student is entitled during a semester. (NRS 396.5449) **Section 1.3** removes this requirement and instead requires the amount of the waiver to equal the full amount of the registration fees, laboratory fees and any other mandatory fees assessed against the student for that semester.

Existing law prohibits the Board of Regents from assessing tuition charges against certain students. (NRS 396.540, 396.5449) **Section 1** of this bill makes a conforming change to reflect the prohibition against the Board of Regents assessing tuition charges against students who have been granted the waiver. **Section 1.7** of this bill makes an appropriation to the System to defray the cost of granting the waiver.

(Chapter 450B of NRS) **Section 2** of this bill ratifies the Recognition of Emergency Medical Services Personnel Licensure Interstate Compact. technician or paramedic under the Compact, including by serving as an attendant on an ambulance or air ambulance: (1) is not prohibited from doing so because he or she is not licensed or certified in this State; and (2) is legally equivalent to an emergency medical technician, advanced emergency medical technician or paramedic who is certified in this State for certain purposes. **Section 8** of this bill provides that a person who is authorized to practice as an emergency medical technician, advanced emergency medical technician or paramedic under the Compact is not eligible for an endorsement to provide community paramedicine services. **Section 21.5 of this bill makes an appropriation to the Division of Public and Behavioral Health of the Department of Health and Human Services to cover certain fees related to the coordinated database established under the Compact.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 441A.195 is hereby amended to read as follows:

441A.195 1. Except as otherwise provided in NRS 259.047, a law enforcement officer, correctional officer, emergency medical attendant, firefighter, county coroner or medical examiner or any of their employees or volunteers, any other person who is employed by or is a volunteer for an agency of criminal justice or any other public employee or volunteer for a public agency who, in the course of his or her official duties, comes into contact with human blood or bodily fluids, or the employer of such a person or the public agency for which the person volunteers, may petition a court for an order requiring the testing of a person or decedent for exposure to a communicable disease if:

(a) The officer, emergency medical attendant, firefighter, county coroner or medical examiner or their employee or volunteer, other person employed by or volunteering for an agency of criminal justice or other public employee or volunteer for a public agency was likely exposed to a communicable disease; and

(b) Testing of the person or decedent is necessary to determine the appropriate treatment for the officer, emergency medical attendant, firefighter, county coroner, medical examiner, employee or volunteer.

2. When possible, before filing a petition pursuant to subsection 1, the person, employer or public agency for which the person volunteers, and who is petitioning shall submit information concerning the likely exposure to a communicable disease to the designated health care officer for the employer or public agency or, if there is no designated health care officer, the person designated by the employer or public agency to document and verify likely exposure to communicable diseases, for verification that there was substantial exposure. Each designated health care officer or person designated by an employer or public agency to document and verify likely exposure to communicable diseases shall establish guidelines based on current scientific information to determine substantial exposure.

3. A court shall promptly hear a petition filed pursuant to subsection 1 and determine whether there is probable cause to believe that a likely transfer of blood or other bodily fluids occurred between the person who filed the petition or on whose behalf the petition was filed and the person or decedent who likely exposed him or her to a communicable disease. If the court determines that such probable cause exists, the court shall:

(a) Order the person who likely exposed the petitioner, or the person on whose behalf the petition was filed, to a communicable disease to submit two appropriate specimens to a local hospital or medical laboratory for testing for exposure to a communicable disease; or

(b) Order that two appropriate specimens be taken from the decedent who likely exposed the petitioner, or the person on whose behalf the petition was filed, to a communicable disease and be submitted to a local hospital or medical laboratory for testing for exposure to the communicable disease.

➥ The local hospital or medical laboratory shall perform the test in accordance with generally accepted medical practices and shall disclose the results of the test in the manner set forth in NRS 629.069.

4. If a judge or a justice of the peace enters an order pursuant to this section, the judge or justice of the peace may authorize the designated health care officer or the person designated by the employer or public agency to document and verify likely exposure to a communicable disease to sign the name of the judge or justice of the peace on a duplicate order. Such a duplicate order shall be deemed to be an order of the court. As soon as practicable after the duplicate order is signed, the duplicate order must be returned to the judge or justice of the peace who authorized the signing of it and must indicate on its face the judge or justice of the peace to whom it is to be returned. The judge or justice of the peace, upon receiving the returned order, shall endorse the order with his or her name and enter the date on which the order was returned. Any failure of the judge or justice of the peace to make such an endorsement and entry does not in and of itself invalidate the order.

5. Except as otherwise provided in NRS 629.069, all records submitted to the court in connection with a petition filed pursuant to this section and any proceedings concerning the petition are confidential and the judge or justice of the peace shall order the records and any record of the proceedings to be sealed and to be opened for inspection only upon an order of the court for good cause shown.

6. A court may establish rules to allow a judge or justice of the peace to conduct a hearing or issue an order pursuant to this section by electronic or telephonic means.

7. The employer of a person or the public agency for which the person volunteers, who files a petition or on whose behalf a petition is filed pursuant to this section or the insurer of the employer or public agency, shall pay the cost of performing the test pursuant to subsection 3.

8. As used in this section:

This Compact is intended to facilitate the day-to-day movement of EMS personnel across state boundaries in the performance of their EMS duties as assigned by an appropriate authority and authorize state EMS offices to afford immediate legal recognition to EMS personnel licensed in a member state. This Compact recognizes that states have a vested interest in protecting the public's health and safety through their licensing and regulation of EMS personnel and that such state regulation shared among the member states will best protect public health and safety. This Compact is designed to achieve the following purposes and objectives:

2. Enhance the states' ability to protect the public's health and safety, especially patient safety;

3. Encourage the cooperation of member states in the areas of EMS personnel licensure and regulation;

occurred within the scope of Commission employment, duties or responsibilities, provided that nothing in this paragraph shall be construed to protect any such person from suit and/or liability for any damage, loss, injury or liability caused by the intentional or willful or wanton misconduct of that person.

2. The Commission shall defend any member, officer, executive director, employee or representative of the Commission in any civil action seeking to impose liability arising out of any actual or alleged act, error or omission that occurred within the scope of Commission employment, duties or responsibilities, or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of Commission employment, duties or responsibilities, provided that nothing herein shall be construed to prohibit that person from retaining his or her own counsel, and provided further, that the actual or alleged act, error or omission did not result from that person's intentional or willful or wanton misconduct.

3. D. Member states contributing information to the coordinated database may designate information that may not be shared with the public without the express permission of the contributing state.

E. Any information submitted to the coordinated database that is subsequently required to be expunged by the laws of the member state contributing the information shall be removed from the coordinated database.

SECTION 12. RULEMAKING

A. The Commission shall exercise its rulemaking powers pursuant to the criteria set forth in this Section and the rules adopted thereunder. Rules and amendments shall become binding as of the date specified in each rule or amendment.

B. If a majority of the legislatures of the member states rejects a rule, by enactment of a statute or resolution in the same manner used to adopt the Compact, then such rule shall have no further force and effect in any member state.

C. Rules or amendments to the rules shall be adopted at a regular or special meeting of the Commission.

D. Prior to promulgation and adoption of a final rule or rules by the Commission, and at least 60 days in advance of the meeting at which the rule will be considered and voted upon, the Commission shall file a Notice of Proposed Rulemaking:

1. On the website of the Commission; and

1. All persons wishing to be heard at the hearing shall notify the executive director of the Commission or other designated member in writing of their desire to appear and testify at the hearing not less than 5 business days before the scheduled date of the hearing.

2. Hearings shall be conducted in a manner providing each person who wishes to comment a fair and reasonable opportunity to comment orally or in writing.

3. No transcript of the hearing is required, unless a written request for a transcript is made, in which case the person requesting the transcript shall bear the cost of producing the transcript. A recording may be made in lieu of a transcript under the same terms and conditions as a transcript. This subsection shall not preclude the Commission from making a transcript or recording of the hearing if it so chooses.

4. Nothing in this Section shall be construed as requiring a separate hearing on each rule. Rules may be grouped for the convenience of the Commission at hearings required by this Section.

I. Following the scheduled hearing date, or by the close of business on the scheduled hearing date if the hearing was not held, the Commission shall consider all written and oral comments received.

J. The Commission shall, by majority vote of all members, take final action on the proposed rule and shall determine the effective date of the rule, if any, based on the rulemaking record and the full text of the rule.

For the purposes of this provision, an emergency rule is one that must be adopted immediately in order to:

1. Meet an imminent threat to public health, safety or welfare;

2. Prevent a loss of Commission member state funds;

3. Meet a deadline for the promulgation of an administrative rule that is established by federal law or rule; or

4. Protect public health and safety.

M. The Commission or an authorized committee of the Commission may direct revisions to a previously adopted rule or amendment for purposes of correcting typographical errors, errors in format, errors in consistency or grammatical errors. Public notice of any revisions shall be posted on the website of the Commission. The revision shall be subject to challenge by any person for a period of 30 days after posting. The revision may be challenged only on grounds that the revision results in a material change to a rule. A challenge shall be made in writing and delivered to the chair of the Commission prior to the end of the notice period. If no challenge is made, the revision will take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the Commission.

SECTION 13. OVERSIGHT, DISPUTE RESOLUTION AND ENFORCEMENT

A. Oversight

1. The executive, legislative and judicial branches of state government in each member state shall enforce this Compact and take all actions necessary and appropriate to effectuate the Compact's purposes and intent. The provisions of this Compact and the rules promulgated hereunder shall have standing as statutory law.

2. All courts shall take judicial notice of the Compact and the rules in any judicial or administrative proceeding in a member state pertaining to the subject matter of this Compact which may affect the powers, responsibilities or actions of the Commission.

3. The Commission shall be entitled to receive service of process in any such proceeding, and shall have standing to intervene in such a proceeding for all purposes. Failure to provide service of process to the Commission shall render a judgment or order void as to the Commission, this Compact or promulgated rules.

B. Default, Technical Assistance and Termination

1. If the Commission determines that a member state has defaulted in the performance of its obligations or responsibilities under this Compact or the promulgated rules, the Commission shall:

a. Provide written notice to the defaulting state and other member states of the nature of the default, the proposed means of curing the default and/or any other action to be taken by the Commission; and

b. Provide remedial training and specific technical assistance regarding the default.

2. If a state in default fails to cure the default, the defaulting state may be terminated from the Compact upon an affirmative vote of a majority of the member states, and all rights, privileges and benefits conferred by this Compact may be terminated on the effective date of termination. A cure of the default does not relieve the offending state of obligations or liabilities incurred during the period of default.

3. Termination of membership in the Compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the Commission to the governor and the majority and minority leaders of the defaulting state's legislature, and each of the member states.

4. A state that has been terminated is responsible for all assessments, obligations and liabilities incurred through the effective date of termination, including obligations that extend beyond the effective date of termination.

5. The Commission shall not bear any costs related to a state that is found to be in default or that has been terminated from the Compact, unless agreed upon in writing between the Commission and the defaulting state.

6. The defaulting state may appeal the action of the Commission by petitioning the United States District Court for the District of Columbia or the federal district where the Commission has its principal offices. The prevailing member shall be awarded all costs of such litigation, including reasonable attorney's fees.

C. Dispute Resolution

1. Upon request by a member state, the Commission shall attempt to resolve disputes related to the Compact that arise among member states and between member and nonmember states.

2. The Commission shall promulgate a rule providing for both mediation and binding dispute resolution for disputes as appropriate.

D. Enforcement

1. The Commission, in the reasonable exercise of its discretion, shall enforce the provisions and rules of this Compact.

2. By majority vote, the Commission may initiate legal action in the United States District Court for the District of Columbia or the federal district where the Commission has its principal offices against a member state in default to enforce compliance with the provisions of the Compact and its promulgated rules and bylaws. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing member shall be awarded all costs of such litigation, including reasonable attorney's fees.

3. The remedies herein shall not be the exclusive remedies of the Commission. The Commission may pursue any other remedies available under federal or state law.

SECTION 14. DATE OF IMPLEMENTATION OF THE INTERSTATE COMMISSION FOR EMS PERSONNEL PRACTICE AND ASSOCIATED RULES, WITHDRAWAL AND AMENDMENT

A. The Compact shall come into effect on the date on which the Compact statute is enacted into law in the tenth member state. The provisions, which become effective at that time, shall be limited to the powers granted to the Commission relating to assembly and the promulgation of rules. Thereafter,

the Commission shall meet and exercise rulemaking powers necessary to the implementation and administration of the Compact.

B. Any state that joins the Compact subsequent to the Commission's initial adoption of the rules shall be subject to the rules as they exist on the date on which the Compact becomes law in that state. Any rule that has been previously adopted by the Commission shall have the full force and effect of law on the day the Compact becomes law in that state.

C. Any member state may withdraw from this Compact by enacting a statute repealing the same.

1. A member state's withdrawal shall not take effect until 6 months after enactment of the repealing statute.

2. Withdrawal shall not affect the continuing requirement of the withdrawing state's EMS authority to comply with the investigative and adverse action reporting requirements of this act prior to the effective date of withdrawal.

D. Nothing contained in this Compact shall be construed to invalidate or prevent any EMS personnel licensure agreement or other cooperative arrangement between a member state and a nonmember state that does not conflict with the provisions of this Compact.

E. This Compact may be amended by the member states. No amendment to this Compact shall become effective and binding upon any member state until it is enacted into the laws of all member states.

SECTION 15. CONSTRUCTION AND SEVERABILITY

This Compact shall be liberally construed so as to effectuate the purposes thereof. If this Compact shall be held contrary to the constitution of any state member thereto, the Compact shall remain in full force and effect as to the remaining member states. Nothing in this Compact supersedes state law or rules related to licensure of EMS agencies.

AN ACT relating to criminal records; providing for the automatic sealing of criminal records relating to certain convictions of a person and certain charges against a person; authorizing the Records, Communications and Compliance Division of the Department of Public Safety and the Administrative Office of the Courts to adopt any rules or regulations, as applicable, necessary for the automatic sealing of criminal records; requiring the Administrative Office of the Courts to submit annual reports to the Legislature and adopt certain other rules; creating the Advisory Task Force on Automatic Record Sealing and establishing the duties of the Task Force; requiring the Task Force to submit certain reports to the Administrative Office of the Courts and the Legislature; expanding the circumstances in which there is a rebuttable presumption that criminal records should be sealed; revising provisions relating to a petition to seal criminal records relating to certain charges brought against a person; **applying provisions relating to records that have been sealed pursuant to certain provisions of law to records that are sealed after a court finds that a person was wrongfully convicted of a felony and enters a certificate of innocence;** authorizing the Central Repository for Nevada Records of Criminal History and its employees to inquire into and inspect certain sealed records relating to a violation or alleged violation of the prohibition against certain persons owning or possessing a firearm; **making appropriations;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes certain procedures pursuant to which a person is authorized to petition a court for the sealing of criminal records relating to: (1) convictions for certain offenses; (2) charges against a person that were dismissed or declined for prosecution or for which the person was acquitted; (3) a conviction which has been set aside; and (4) a conviction for an offense that has been decriminalized. Existing law: (1) establishes certain requirements concerning the amount of time that must elapse after a person was convicted or charged before the records relating to the conviction or charge are eligible to be sealed through the filing of such a petition; and (2) sets forth the circumstances under which a court is authorized or required to grant the petition. (NRS 179.245, 179.255, 179.271)

Section 1.3 of this bill requires the Records, Communications and Compliance Division of the Department of Public Safety, not later than

January 1, ~~[2026,]~~ **2027,** to develop and implement a process to identify each: (1) conviction of a person and each charge against a person that becomes an eligible conviction and eligible charge; and (2) agency of criminal justice or public or private company, agency, officer or other custodian of records that may reasonably be identified as having possession of records relating to an eligible conviction or eligible charge. **Section 1.3** defines "eligible conviction" and "eligible charge" to mean, in general, certain convictions **of** or charges **against a person after January 1, 2027,** if the records relating to the conviction or charge are eligible to be sealed pursuant to the provisions of existing law governing the sealing of records. After the development and implementation of the process of identifying eligible convictions and eligible charges, **section 1.3** requires the Division to, each month: (1) identify and compile a list of each conviction or charge that has become an eligible conviction or eligible charge in the immediately preceding month and each person or governmental entity identified as having possession of records relating to those eligible convictions and eligible charges; and (2) transmit the list to the Administrative Office of the Courts to recommend the sealing of the records relating to a listed eligible conviction or eligible charge.

Section 1.3 requires the Administrative Office of the Courts, not later than January 1, ~~[2026,]~~ **2027,** to develop and implement a process to review ~~[and approve]~~ such a list received from the Division and to transmit to every court having jurisdiction each conviction of a person or charge against a person that has become an eligible conviction or eligible charge. **Section 1.3** also requires the Administrative Office of the Courts, upon receiving such a list from the Division, to confirm each eligible conviction and eligible charge and notify every court having jurisdiction over the sealing of each eligible conviction or eligible charge. **Section 1.3** requires a court that receives such a notification from the Administrative Office of the Courts to then provide notice to the appropriate prosecuting attorney or agency and authorizes the prosecuting attorney or agency to object to the sealing of the records relating to each listed eligible conviction or eligible charge. **Section 1.3** further establishes the circumstances in which the court may order the records to be sealed. **Section 5** of this bill requires the order to be sent to the persons and governmental entities named in the order, who are then required to seal records relating to the eligible conviction or eligible charge. **Section 1.3** also: (1) authorizes the Division and the Administrative Office of the Courts to adopt any rules or regulations, as applicable, that are necessary to carry out the provisions of **section 1.3**; and (2) requires the Administrative Office of the Courts to submit certain annual reports to the Legislature beginning on January 31, ~~[2027.]~~ **2028.**

Existing law provides, in general, that there is a rebuttable presumption that certain records of a person should be sealed if the person petitions the court for the sealing of such records and satisfies all statutory requirements. (NRS 179.2445) **Section 3.5** of this bill provides that there is also a rebuttable presumption that certain records of a person should be sealed if a court receives a list of confirmed eligible convictions or charges from the Administrative

Office of the Courts pursuant to **section 1.3** and the records relate to such confirmed eligible convictions or charges. **Sections 3.7 and 3.9** of this bill make conforming changes to reflect the change in **section 3.5**.

Existing law provides that if a court seals certain records of a person, certain civil rights of the person are restored. Existing law requires the person to be given documentation demonstrating that fact. If the documentation is lost, damaged or destroyed, the person is authorized to request that a court issue an order to restore his or her civil rights. (NRS 179.285) **Section 6** of this bill makes a technical, nonsubstantive change to existing law by reorganizing the language in existing law. **Section 6.5** of this bill provides for the restoration of civil rights if the records of a person are sealed pursuant to **section 1.3**. However, under **section 6.5**, the person is not required to be given documentation demonstrating that fact. Instead, **section 6.5** authorizes a person who was not given documentation of the restoration of his or her civil rights to request that a court issue an order in the same manner as a person whose documentation is lost, damaged or destroyed.

Section 7 of this bill authorizes a person who is the subject of records that are sealed pursuant to **section 1.3** to petition a court to allow for the inspection of the records. **Section 8** of this bill authorizes certain other governmental entities to inspect such records under certain circumstances. **Section 7.5** of this bill authorizes the Central Repository for Nevada Records of Criminal History and its employees to inspect certain sealed records relating to a violation or alleged violation of the prohibition against certain persons owning or possessing a firearm. (NRS 202.360)

Sections 5-7 of this bill also apply provisions relating to records that have been sealed pursuant to certain provisions of law to records that are sealed after a court finds that a person was wrongfully convicted of a felony and enters a certificate of innocence.

If a person is arrested and the charges against the person are dismissed or declined for prosecution or the person is acquitted of the charges, existing law authorizes the person to petition a court for the sealing of all records relating to the arrest and the proceedings leading to the dismissal, declination or acquittal. (NRS 179.255) **Section 4** of this bill authorizes a person against whom multiple charges were brought, consisting of both charges for which the person was convicted and charges which were disposed of by dismissal, declination or acquittal, to petition for the sealing of those portions of the records relating to the arrest of the person and the subsequent proceedings that relate to the charges which were disposed of by dismissal, declination or acquittal.

Section 2 of this bill provides that it is the public policy of this State to enhance and modernize the sharing of information between agencies of criminal justice by having records shared in a timely manner in accordance with statutory requirements.

Section 1.7 of this bill creates the Advisory Task Force on Automatic Record Sealing and establishes requirements concerning the membership of

the Task Force. **Section 1.7** establishes the general duties of the Task Force, including reviewing the current petition-based process for the sealing of records and identifying the ways in which the process can be streamlined to simplify the process for petitioners. **Section 1.7** also requires the Task Force to prepare and submit a report to the Administrative Office of the Courts and the Legislature: (1) on or before July 1, 2024, that sets forth the initial activities and findings of the Task Force; ~~[and]~~ (2) on or before July 1, 2025, **that sets forth the activities, findings and initial recommendations of the Task Force; and (3) on or before July 1, 2026,** that sets forth the final activities, findings and recommendations of the Task Force to support the implementation of the automatic sealing of records of criminal history. **Section 8.3** of this bill requires the Administrative Office of the Courts, before January 1, 2025, to adopt rules to streamline the process for filing a petition for the sealing of records, as recommended by the Task Force.

Sections 2-3.3 of this bill make conforming changes to indicate the proper placement of **sections 1.3 and 1.7** in the Nevada Revised Statutes.

Section 8.1 of this bill makes an appropriation from the State General Fund to the Department of Public Safety for the technology costs associated with complying with the provisions of section 1.3. Section 8.15 of this bill makes an appropriation from the State General Fund to the Department for the provision of support to the Task Force, including for the administrative costs of supporting the Task Force and employing or contracting with persons to perform certain functions. Section 8.2 of this bill makes an appropriation from the State General Fund to the Interim Finance Committee for allocation to the Department for the award of grants of money to criminal justice agencies to support technology or system upgrades for the purpose of complying with the provisions of section 1.3.

Legislative Counsel's Digest:

Existing law prescribes the duties of the Superintendent of Public Instruction. (NRS 385.175) **Section 1** of this bill requires the Superintendent to develop a strategic plan for the recruitment of teachers and other licensed educational personnel and establishes requirements for the contents of the strategic plan.

Existing law requires the Commission on Professional Standards in Education to adopt regulations prescribing the qualifications for licensing teachers and other educational personnel, including regulations governing examinations for the initial licensing of teachers and other educational personnel and the procedures for the issuance and renewal of those licenses. (NRS 391.019, 391.021) **Section 3** of this bill requires the Commission to adopt regulations that authorize an applicant to be exempt from any requirement to pass a competency test in basic reading, writing and mathematics prescribed by the Commission if the applicant completes a course of study approved by the Department of Education with a grade of B or better in each subject area of the competency test that the applicant previously did not pass.

Existing law requires the Commission to adopt regulations prescribing course work on parental involvement and family engagement and multicultural education. (NRS 391.019, 391.0347) **Sections 2 and 4.5** of this bill require the Commission to establish standards for professional development training which may be used to satisfy such course work requirements. **Section 6** of this bill requires a school district and the governing body of a charter school to provide professional development training on: (1) parental involvement and family engagement in accordance with the standards adopted by the Commission; and (2) multicultural education in accordance with the standards adopted by the Commission. **Section 6** requires that such training be provided at no cost to the employee. **Section 7** of this bill makes a conforming change to indicate the proper placement of **section 6** in the Nevada Revised Statutes.

Existing law requires the Commission to adopt regulations which provide for the issuance of provisional licenses to teachers and other educational personnel before completion of all courses of study or other requirements for a license in this State. (NRS 391.032) **Section 4** of this bill requires the Commission to adopt regulations that require the Superintendent of Public Instruction to issue a provisional license to teach pending receipt of academic transcripts of certain applicants who are otherwise qualified for a license.

Existing law requires the Board of Regents of the University of Nevada to establish a program of student teaching and practicum which allows students to be assigned to a school district as student teachers, counselors or trainees in a library. (NRS 396.519) Existing law authorizes school districts to enter into agreements with certain institutions of higher education for the assignment of students to schools as student teachers, counselors or trainees in a library. (NRS 391.095) **Section 5** of this bill authorizes: (1) a governing body of a charter school or university school for profoundly gifted pupils to similarly enter into agreements; and (2) a school district or governing body of a charter school or university school for profoundly gifted pupils to compensate a student who is assigned within the school district for training purposes as a student teacher, counselor, student social worker or trainee in a library.

Existing law requires that pupil growth account for 15 percent of the evaluation of a teacher or administrator who provides direct instructional services to pupils. (NRS 391.465) Section 5.3 of this bill eliminates this requirement. Sections 5.1 and 5.5 of this bill make conforming changes to eliminate references to this requirement.

Existing law: (1) requires the State Board of Education to annually review the statewide performance evaluation system to ensure accuracy and reliability; and (2) sets forth certain items which are required to be analyzed in such a review. (NRS 391.485) Section 5.7 of this bill: (1) eliminates from that analysis certain data used to evaluate pupil growth; and (2) eliminates a requirement that the Department of Education, in reviewing the manner in which the statewide performance evaluation is carried out by each school district, include a review of the manner in which learning goals for pupils are established and evaluated.

Existing law requires each postprobationary teacher to receive certain evaluations that are based upon a certain number of observation cycles of that teacher. (NRS 391.690) Section 5.9 of this bill revises the circumstances under which a postprobationary teacher is required to, and may request to, be evaluated. Section 5.9 also prohibits an administrator from: (1) directly or indirectly requiring such a teacher to participate in an observation cycle or receive an evaluation; or (2) conducting an observation cycle or evaluation of such a teacher without the consent of that teacher under certain circumstances. Section 11 of this bill makes these provisions retroactively applicable to include evaluations received for the 2021-2022 and 2022-2023 school years.

Section 13 of this bill repeals provisions requiring: (1) the development of learning goals for pupils; (2) the establishment of assessments to measure pupil growth; and (3) the evaluation of certain teachers and administrators to determine the extent to which learning goals were achieved.

Legislative Counsel's Digest:

Existing law requires a midwife to perform certain duties relating to reporting births and deaths and testing newborn babies for certain diseases. (NRS 440.100, 440.740, 442.008-442.110, 442.600-442.680) **Sections 2-32** of this bill provide for: (1) the licensure of licensed certified professional midwives by the Division of Public and Behavioral Health of the Department of Health and Human Services; and (2) the regulation of licensed certified professional midwives by the Division and the Board of Licensed Certified Professional Midwives created by **section 17** of this bill. **Sections 2-14, 45, 69 and 74** of this bill define certain terms related to the practice of certified professional midwifery. **Section 15** of this bill **: (1)** exempts certain providers of health care from requirements governing the licensure and regulation of licensed certified professional midwives **[.]** **; and (2) provides that sections 2-32 do not abridge, limit or otherwise affect the right of a person to deliver a baby in the manner and location that the person desires.** **Sections 36, 38, 39 and 42-44** of this bill similarly exempt licensed certified professional midwives and certified professional midwife student midwives

from provisions governing certain other providers of health care. Licensed certified professional midwives and certified professional midwife student midwives would also be exempt from provisions governing allopathic physicians. (NRS 630.047)

Section 16 of this bill authorizes the Division to accept gifts, grants and donations to pay the costs of performing its duties under the provisions of this bill.

Section 17 creates the Board of Licensed Certified Professional Midwives. **Sections 34, 55 and 58-62** of this bill make various changes to ensure that the Board is treated similarly to other boards that regulate health-related professions. **Section 34** also provides that a person may obtain a license as a licensed certified professional midwife through reciprocity if the person has been in practice for at least 1 year immediately preceding the date on which the person submits an application. **Section 18** of this bill prescribes certain requirements concerning the operations and duties of the Board. **Section 19** of this bill requires the Board to adopt regulations governing the practice of certified professional midwifery, including: (1) requirements governing the issuance and renewal of a license as a licensed certified professional midwife **~~[.]~~ , including a requirement that an applicant to renew a license must have completed continuing education in cultural humility or the elimination of racism or bias;** (2) requirements governing the investigation of misconduct and discipline; (3) requirements governing the management of a client who is at a moderate or high risk of an adverse outcome; and (4) requirements governing certain other aspects of the practice of certified professional midwifery. **Section 76.5 of this bill provides that continuing education in cultural humility or the elimination of racism or bias completed by a licensed certified professional midwife satisfies a requirement that an agent or employee of certain health care facilities receive training in cultural competency.**

Section 20 of this bill prescribes the requirements for the issuance of a license as a licensed certified professional midwife. **Section 103** of this bill revises the requirements for the issuance of a license as a licensed certified professional midwife on January 1, 2026, to authorize the Division to exempt certain applicants from certain education requirements to address shortages in the number of midwives practicing in rural or underserved areas in the State or barriers for applicants from marginalized identities. **Section 21** of this bill: (1) authorizes a licensed certified professional midwife to utilize a certified professional midwife birth assistant to perform certain simple, routine medical tasks; and (2) prescribes the required training for a certified professional midwife birth assistant.

Existing federal law requires each state to adopt procedures to ensure that applicants for certain licenses and certificates comply with child support obligations. (42 U.S.C. § 666) **Sections 22 and 29** of this bill enact such procedures as applicable to an applicant for a license as a licensed certified professional midwife in order to comply with federal law. **Sections 104 and**

110 of this bill remove a requirement that an application for a license as a licensed certified professional midwife include the social security number of the applicant on the date that those federal requirements are repealed, while leaving in place the other requirements of **sections 22 and 29** until 2 years after that date. **Section 33** of this bill makes a conforming change to account for applicants for licensure who do not have a social security number.

Section 23 of this bill prescribes the authorized activities of a certified professional midwife student midwife and requirements governing the supervision of a certified professional midwife student midwife by a preceptor. **Section 24** of this bill requires any midwife who provides services in this State to provide to a client a Community Birth Disclosure that contains certain information. **Section 24** additionally requires the Board to create the Community Birth Disclosure in collaboration with all types of midwives practicing in this State. **Section 24** further requires a licensed certified professional midwife to obtain informed written consent from each client before providing services.

Existing law authorizes only certain practitioners who are licensed in this State and registered with the State Board of Pharmacy to prescribe drugs and devices. (NRS 639.235, 639.23505) **Sections 25, 40, 41 and 78** of this bill authorize a licensed certified professional midwife to: (1) order, possess and administer certain drugs, devices, chemicals and solutions; and (2) order certain devices and vaccines for a client. **Sections 26, 40 and 78** of this bill authorize a licensed certified professional midwife to apply to the Division for a special endorsement for his or her license to: (1) order, dispense and implant contraceptive devices; or (2) possess, administer, prescribe and dispense certain dangerous drugs. **Sections 21, 23 and 79** of this bill authorize a certified professional midwife birth assistant or certified professional midwife student midwife to administer certain drugs, devices, chemicals and solutions under the direct supervision of a licensed certified professional midwife or in certain emergency situations. **Section 23** additionally authorizes a certified professional midwife student midwife to administer or implant a contraceptive device under the supervision of a preceptor who holds the appropriate special endorsement.

Section 27 of this bill imposes specific requirements concerning the management of a client who is at a moderate or high risk of an adverse outcome, and **section 19** requires the Board of Licensed Certified Professional Midwives to adopt additional regulations governing the management of such a client. ~~[Section 107 of this bill creates the Collaboration and Transfer Guidelines Workgroup to make recommendations to the Board for regulations governing the transfer of such a client to a medical facility.]~~ **Section 19.5 of this bill authorizes the Board to establish an advisory committee to advise the Board concerning the adoption of those regulations.** **Section 27** also exempts: (1) a licensed certified professional midwife from liability resulting from the informed refusal to consent of such a client to consultation, co-management with or referral to another provider of health care or transfer to a

medical facility or the inability of the licensed certified professional midwife to arrange for such consultation or carry out such co-management, referral or transfer; and (2) other providers of health care from liability for the actions or omissions of a licensed certified professional midwife.

Section 28 of this bill requires a licensed certified professional midwife to report to the Division certain information concerning his or her practice upon the renewal of his or her license.

Section 30 of this bill: (1) requires the Division to maintain certain records of proceedings relating to licensing, disciplinary actions and investigations; and (2) declares certain records to be confidential and certain other records to be public. **Section 57** of this bill makes a conforming change to clarify that such confidential records of the Division are not public records. **Section 31** of this bill prohibits a person who does not hold a license as a licensed certified professional midwife from representing that he or she is licensed to engage in the practice of certified professional midwifery. **Section 31 also prohibits a person whose license to perform midwifery in another jurisdiction of the United States has been suspended or revoked from performing midwifery or holding himself or herself out as a midwife in this State until the license in the other district, state or territory is restored.** **Section 31** authorizes a person to represent that he or she is licensed to engage in the practice of certified professional midwifery if the person is licensed in another district, state or territory of the United States and the person discloses that license to the public. **Section 31** also prohibits a certified professional midwife student midwife from: (1) engaging in midwifery in circumstances other than those authorized by this bill; or (2) representing that he or she is qualified to engage in the practice of certified professional midwifery without supervision. **Section 31 authorizes the Division to order a person to cease and desist from performing midwifery or holding himself or herself out as a midwife if: (1) his or her license as a licensed certified professional midwife has been suspended or revoked; (2) he or she is the subject of pending disciplinary action; or (3) he or she has voluntarily relinquished his or her license under certain circumstances.** **Section 31 additionally** authorizes the Division to, when it has reason to believe or has received complaints that a person has repeatedly violated the provisions of **section 31**, certify the facts to the Attorney General, or other appropriate law enforcement officer, who may, in his or her discretion, cause appropriate proceedings to be brought. **Section 32** authorizes the Division or the Attorney General to seek an injunction against any person violating any provision of **sections 2-32**.

Existing law defines the term "provider of health care" as a person who practices any of certain professions related to the provision of health care. (NRS 629.031) Existing law imposes certain requirements upon providers of health care, including requirements for billing, standards for advertisements and criminal penalties for acquiring certain debts. (NRS 629.071, 629.076, 629.078) **Section 35** of this bill includes licensed certified professional midwives in the definition of "provider of health care," thereby subjecting

licensed certified professional midwives to the same requirements. **Section 76** of this bill makes a conforming change to clarify that licensed certified professional midwives are providers of health care. **Section 37** of this bill requires a licensed certified professional midwife to report misconduct by a person licensed or certified by the State Board of Nursing to the Executive Director of the Board.

Sections 48 and 49 of this bill provide that a licensed certified professional midwife is not liable for civil damages resulting from providing emergency care or gratuitous care to an indigent person under certain circumstances. **Section 70** of this bill requires a licensed certified professional midwife who attends a birth that occurs outside a hospital which is not also attended by a physician or advanced practice registered nurse to prepare a birth certificate. **Section 71** of this bill provides for the imposition of a fine upon a person who furnishes false information to a licensed certified professional midwife for the purpose of making incorrect certification of births or deaths.

Existing law provides that, in any civil action concerning any unwelcome or nonconsensual sexual conduct, there is a rebuttable presumption that the sexual conduct was unwelcome or nonconsensual if the alleged perpetrator was a person in a position of authority over the alleged victim. (NRS 41.138) **Section 47** of this bill provides that a licensed certified professional midwife, certified professional midwife student midwife or certified professional midwife birth assistant is a person of authority for that purpose.

Sections 46, 50-54, 63, 64, 66-76 and 80-102 of this bill make revisions to treat licensed certified professional midwives similarly to other providers of health care in certain respects. **Section 65** of this bill requires Medicaid to cover the services of a licensed certified professional midwife and to provide reimbursement for such services at rates comparable to other providers of health care who provide similar services. **Section 56** of this bill makes a conforming change to indicate the proper placement of **section 65** in the Nevada Revised Statutes.

Section 77 of this bill authorizes a licensed certified professional midwife to serve as the director of a freestanding birthing center.

Existing law requires a primary care provider, including a midwife, to take certain actions to facilitate the detection of harmful mutations in the BRCA gene in patients who are adult women. (NRS 457.301) **Section 81** of this bill provides that this requirement applies to licensed certified professional midwives, but not to other midwives.

(b) The person has not previously provided prenatal or obstetrical care to the woman; and

(c) The damages are reasonably related to or primarily caused by a lack of prenatal care received by the woman.

Sec. 51. NRS 42.021 is hereby amended to read as follows:

42.021 1. In an action for injury or death against a provider of health care based upon professional negligence, if the defendant so elects, the defendant may introduce evidence of any amount payable as a benefit to the plaintiff as a result of the injury or death pursuant to the United States Social Security Act, any state or federal income disability or worker's compensation act, any health, sickness or income-disability insurance, accident insurance that provides health benefits or income-disability coverage, and any contract or agreement of any group, organization, partnership or corporation to provide, pay for or reimburse the cost of medical, hospital, dental or other health care services. If the defendant elects to introduce such evidence, the plaintiff may

introduce evidence of any amount that the plaintiff has paid or contributed to secure the plaintiff's right to any insurance benefits concerning which the defendant has introduced evidence.

2. A source of collateral benefits introduced pursuant to subsection 1 may not:

(a) Recover any amount against the plaintiff; or

(b) Be subrogated to the rights of the plaintiff against a defendant.

3. In an action for injury or death against a provider of health care based upon professional negligence, a district court shall, at the request of either party, enter a judgment ordering that money damages or its equivalent for future damages of the judgment creditor be paid in whole or in part by periodic payments rather than by a lump-sum payment if the award equals or exceeds $50,000 in future damages.

4. In entering a judgment ordering the payment of future damages by periodic payments pursuant to subsection 3, the court shall make a specific finding as to the dollar amount of periodic payments that will compensate the judgment creditor for such future damages. As a condition to authorizing periodic payments of future damages, the court shall require a judgment debtor who is not adequately insured to post security adequate to assure full payment of such damages awarded by the judgment. Upon termination of periodic payments of future damages, the court shall order the return of this security, or so much as remains, to the judgment debtor.

5. A judgment ordering the payment of future damages by periodic payments entered pursuant to subsection 3 must specify the recipient or recipients of the payments, the dollar amount of the payments, the interval between payments, and the number of payments or the period of time over which payments will be made. Such payments must only be subject to modification in the event of the death of the judgment creditor. Money damages awarded for loss of future earnings must not be reduced or payments terminated by reason of the death of the judgment creditor, but must be paid to persons to whom the judgment creditor owed a duty of support, as provided by law, immediately before the judgment creditor's death. In such cases, the court that rendered the original judgment may, upon petition of any party in interest, modify the judgment to award and apportion the unpaid future damages in accordance with this subsection.

6. If the court finds that the judgment debtor has exhibited a continuing pattern of failing to make the periodic payments as specified pursuant to subsection 5, the court shall find the judgment debtor in contempt of court and, in addition to the required periodic payments, shall order the judgment debtor to pay the judgment creditor all damages caused by the failure to make such periodic payments, including, but not limited to, court costs and attorney's fees.

7. Following the occurrence or expiration of all obligations specified in the periodic payment judgment, any obligation of the judgment debtor to make

further payments ceases and any security given pursuant to subsection 4 reverts to the judgment debtor.

Legislative Counsel's Digest:

Existing federal law provides for individual retirement accounts and individual retirement annuities by which persons may save money for retirement under favorable income tax treatment. (26 U.S.C. §§ 408, 408A) This bill establishes the Nevada Employee Savings Trust under the direction of a board of trustees with the power to establish a similar program and to encourage private employees to establish such accounts.

Section 19 of this bill creates the Board of Trustees of the Nevada Employee Savings Trust and establishes its membership. **Section 20** of this bill establishes certain powers and duties of the Board. In particular, **section 20** authorizes and empowers the Board to: (1) design, establish and operate the Nevada Employee Savings Trust Program; and (2) adopt regulations, rules and procedures for the establishment and operation of the Program and to take such other actions necessary or desirable to establish and operate the Program.

Section 21 of this bill requires the State Treasurer to provide staff support to the Board within the limits of appropriations and authorizes the State Treasurer to provide administrative support to the Board.

Section 22 of this bill provides that an act or undertaking of the Board does not constitute a debt of the State of Nevada, or any political subdivision thereof, or a pledge of the full faith and credit of the State of Nevada, or of any political subdivision thereof, and is payable solely from the assets controlled by the Board. **Section 22** also prohibits the Board from imposing any obligations on the State or pledging the credit of the State.

Section 23 of this bill establishes certain attributes that the Board must include in the Program, including: (1) that covered employers must automatically enroll all covered employees in the Program or in a similar program offered by a trade association or chamber of commerce, unless a covered employee opts out of the Program or, if applicable, the similar program offered by a trade association or chamber of commerce; (2) that contributions to a covered employee's Individual Retirement Account must be withheld from the employee's compensation at the rate set by the Board unless the employee elects not to contribute or to contribute at a different rate; (3) that a covered employee may withdraw contributions to meet a financial or other emergency; and (4) that the Board must prepare informational materials, disclosure statements, forms and instructions concerning the Program for distribution by covered employers to covered employees.

Section 24 of this bill creates the Nevada Employee Savings Trust Administrative Fund in the State Treasury, specifies the sources of money that must be deposited in the Fund and requires the Board to use money in the Fund solely to pay the administrative costs and expenses of the Board and the Program.

Section 25 of this bill authorizes the Board to borrow money or enter into certain long-term procurement contracts with financial providers until the Board determines that the Program is financially self-sustaining.

Section 26 of this bill creates the Nevada Employee Savings Trust as an instrumentality of the State and requires the Board to appoint a Trustee of the Trust. **Section 26** requires that the assets of all Individual Retirement Accounts established by covered employees through the Program be allocated to the Trust and invested, managed and administered for the exclusive purposes of providing benefits to the covered employees and defraying the reasonable expenses of the Board, Program and Trust. **Section 26** also establishes certain investment guidelines and practices.

Section 27 of this bill provides that, except to the extent necessary to administer the Program, personal information relating to individual participants in the Program and information relating to individual accounts established or maintained through the Program is confidential and must be maintained as confidential, unless the person who provides the information or is the subject of the information expressly agrees in writing to the disclosure of the information.

Section 28 of this bill provides a grant of immunity from civil liability to covered employers for the consequences of various decisions made by employees or the Board in connection with the Program, including, for example, an employee's decision to participate in or opt out of the Program, an investment decision made by the participant or the Board or a loss, failure to realize a gain or other adverse consequence incurred by a person as a result of participating in the Program. **Section 28** also provides that a covered employer or other employer must not be deemed to be a fiduciary in relation to the Program.

Section 29 of this bill absolves the State and any employee or officer thereof, the Board and any member of the Board or employee thereof and the Program from any responsibility or civil liability for the actions of certain other persons in connection with the Program, including, for example, a person's failure to comply with provisions of the Internal Revenue Code, the payment of benefits or a loss, failure to realize a gain or other adverse consequence incurred by a person as a result of participating in the Program. **Section 29** also provides that the debts, contracts and obligations of the Board, Program or Trust are not the debts, contracts and obligations of the State, and neither the faith and credit nor the taxing power of the State is pledged directly or indirectly to the payment of the debts, contracts and obligations of the Board, Program or Trust.

Section 30 of this bill provides that members of the Board, the Trustee and certain other persons involved in the administration of the Trust are fiduciaries with respect to the participants in the Program.

Section 31 of this bill prohibits members of the Board, its staff and persons who serve as administrators of the Program from engaging in certain financial transactions in connection with the Program.

Section 32 of this bill requires the Board to obtain an annual independent audit of the Board, Program and Trust and to annually submit audited financial reports to the Governor, State Controller and Legislature.

Section 35 of this bill requires, with certain exceptions, the Board to establish the Program and implement its provisions so that covered employees are able to make contributions to an Individual Retirement Account through the Program beginning on July 1, 2025. **Section 35** further authorizes the Board to implement the Program in phases but if the Board does so, the first phase must not begin before July 1, 2025.

Section 34.5 of this bill makes an appropriation to the Office of the State Treasurer for costs related to the administration of the Program.

Section 36.5 of this bill requires the Board to: (1) conduct a study on the feasibility of including independent contractors in the Program; and (2) submit a report of the findings of the study to the Director of the Legislative Counsel Bureau for transmittal to the 83rd Session of the Nevada Legislature.

Bill read third time.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 919.

AN ACT relating to public safety; requiring a peace officer to ensure that medical aid is rendered to a person who indicates that he or she cannot breathe; requiring each law enforcement agency to adopt certain policies and procedures governing the performance by peace officers of works protected by copyright in certain circumstances; revising provisions governing the establishment of a program for the imprinting of a symbol indicating a medical condition on a driver's license or identification card; **making an appropriation;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law prohibits a peace officer from placing a person who is in the custody of the peace officer in any position which compresses his or her airway or restricts his or her ability to breathe. Existing law also requires a peace officer to monitor any person who is in the custody of the peace officer for any signs of distress and to take any actions necessary to place such a person in a recovery position if he or she appears to be in distress or indicates that he or she cannot breathe. (NRS 193.305) **Section 1** of this bill requires a peace officer to ensure that medical aid is rendered to a person who indicates that he or she cannot breathe by an emergency medical attendant, physician, physician assistant or registered nurse as soon as practicable.

Section 2 of this bill requires each law enforcement agency to adopt written policies and procedures governing the performance of copyrighted works by peace officers employed by the law enforcement agency while on duty, including policies prohibiting a peace officer from performing, or causing the performance of, a copyrighted work for the purpose of preventing or interfering with the dissemination or sharing of a recording of the peace officer performing his or her official duties, with certain exceptions. **Section 2** prohibits retaliation or punitive action against a peace officer who discloses information concerning the performance of a copyrighted work in violation of such policies and procedures.

Existing law authorizes the Department of Motor Vehicles to adopt regulations establishing a program for the imprinting of a symbol or other indicator of a medical condition on a driver's license or identification card. (NRS 483.3485, 483.863) **Sections 4 and 6** of this bill authorize the Department to adopt regulations establishing a program for the imprinting of a symbol, and not any other indicator, of a medical condition on a driver's license and identification card, respectively. If the Department establishes such a program, **sections 4 and 6** additionally require: (1) the Department to adopt a single symbol to represent all applicable medical conditions; (2) the regulations adopted by the Department to provide that a person is eligible to have the symbol indicating a medical condition imprinted on his or her driver's license or identification card if the person is on anticoagulants or has certain specified medical conditions; (3) the Department to maintain a record of the

medical condition for which the symbol indicating a medical condition was imprinted on the driver's license or identification card of a person; and (4) the Department to maintain certain information about the program on its Internet website. If the Department establishes such a program, **sections 4 and 6** also: (1) authorize the regulations adopted by the Department to provide that a person is eligible to have the symbol indicating a medical condition imprinted on his or her driver's license or identification card to indicate other medical conditions not specified in statute as the Department deems appropriate; and (2) require the Department to provide a means for members of the public to suggest additional medical conditions.

Sections 3 and 5 of this bill make conforming changes in existing provisions relating to the issuance or renewal of a driver's license or identification card for consistency with the revisions made to the program pursuant to **sections 4 and 6**. **Section 7** of this bill requires the Department to include certain information regarding the program on the notifications for renewal of registration issued by the Department for a 12-month period. **Section 6.5 of this bill makes an appropriation to the Department for programming costs and necessary system enhancements associated with carrying out the provisions of sections 4, 6 and 7.**

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 876.

AN ACT relating to public employees; revising the definition of "police officer" to include **all category I peace officers,** certain school police officers, juvenile probation officers, bailiffs and deputy marshals of municipal courts and marshals and deputy marshals of cities or towns for the purposes of certain benefits and exemptions; specifying that the use of certain designations by the Department of Public Safety or a division **[,] or** officer **[or employee]** of the Department does not exclude **[certain employees of the Department]** from the definition of "police officer" for the purposes of certain benefits and exemptions **[,] certain persons employed by the Department who are included within that definition under existing law;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law defines "police officer" to include various law enforcement officers of this State for the purposes of certain provisions relating to eligibility for benefits under the Nevada Occupational Diseases Act. (NRS 617.135) Among the law enforcement officers included in the definition of "police officer" are certain specified employees of the Department of Public Safety. (NRS 617.135) Existing law authorizes the Director of the Department of Public Safety to authorize: (1) the Department to use certain designations to identify itself; and (2) the divisions of the Department and the officers and employees of the Department to use certain designations to identify themselves. (NRS 480.150) This bill provides that the use of such a designation does not exclude from the definition of "police officer" any **[**employee of**]** **person employed by** the Department of Public Safety **who is** included in the definition of "police officer" under existing law.

This bill also expands the definition of "police officer" to include **:** **[**a:**]** (1) **a** school police officer employed or appointed by the board of trustees of a school district; (2) **a** juvenile probation officer; (3) **a** bailiff or deputy marshal of a municipal court; **[**and**]** (4) **a** marshal or deputy marshal of a city or town **[**.**] ; and (5) all category I peace officers.** Furthermore, because various other provisions of the Nevada Revised Statutes reference "police officer" as that term is defined in the Act, this bill makes applicable to **all category I peace officers,** school police officers employed or appointed by the board of trustees

of a school district, juvenile probation officers, bailiffs and deputy marshals of municipal courts and marshals and deputy marshals of cities or towns: (1) industrial insurance coverage for police officers; (2) exemption from service as grand or trial jurors; (3) compensation for police officers with temporary disabilities; and (4) eligibility for certain programs of group insurance or other medical or hospital service for the surviving spouse or any surviving child of a police officer or firefighter. (NRS 6.020, 281.153, 287.021, 287.0477; chapters 616A-616D of NRS)

Amendment No. 901.

SUMMARY—Makes ~~[revisions]~~ **an appropriation and authorizes expenditures for certain purposes** relating to health care. (BDR ~~[38-328]~~ **S-328)**

AN ACT ~~[relating to health care; requiring the Director of the Department of Health and Human Services to take certain measures to facilitate the provision of health services to pupils who are recipients of Medicaid; requiring a Medicaid managed care program to negotiate in good faith with each school-based health center for the provision of health care services to recipients of Medicaid; requiring a private insurer to provide certain reimbursement for certain services provided by a school health services program; providing for the increase of certain rates of reimbursement under Medicaid;]~~ **making an appropriation to and authorizing expenditures by the Division of Health Care Financing and Policy of the Department of Health and Human Services for certain costs relating to Medicaid;** and providing other matters properly relating thereto.

~~[Legislative Counsel's Digest:~~

~~Existing law requires the Department of Health and Human Services, through the Division of Health Care Financing and Policy of the Department, to administer Medicaid. (NRS 422.2357, 422.270) Section 2 of this bill defines "school-based health center" to mean a health center located or based on, in or near school grounds, property, buildings or any other school district facilities for the purpose of rendering care or services to any person. Section 3.5 of this bill requires the Director of the Department to establish a means to facilitate the sharing of data concerning a child who is a recipient of Medicaid between: (1) educational agencies; and (2) school-based health centers and other qualified providers of services covered by Medicaid. Section 3.5 also requires the Director to: (1) take any action necessary to ensure that local and state educational agencies are able to receive reimbursement for health services covered by Medicaid when provided on the premises of a school; and (2) establish incentives for certain providers to enter into an agreement with a school district or charter school or the Department of Education to provide health services to pupils. Sections 4 and 6 of this bill make conforming changes to indicate the proper placement of sections 2 and 3.5 in the Nevada Revised Statutes.~~

~~Existing law requires a health maintenance organization with which the Department of Health and Human Services contracts for the provision of~~

~~services through a Medicaid managed care program to negotiate in good faith with federally-qualified health centers, the University Medical Center of Southern Nevada and the University of Nevada School of Medicine to provide services to recipients of Medicaid. (NRS 422.273) Section 5 of this bill similarly requires such a health maintenance organization to negotiate in good faith with each school-based health center in this State to provide services to recipients of Medicaid. Section 7.5 of this bill requires the Director to apply for any necessary federal authority to increase by at least 5 percent the rates of reimbursement for services covered by Medicaid when provided on the premises of a school by an employee or independent contractor of: (1) a school district or charter school; or (2) the Department of Education.~~

~~Sections 6.1, 6.2-6.6 and 6.8 of this bill require private health insurers to reimburse a school health services program for certain health services provided to an insured who is a pupil enrolled in a public school in this State at certain rates. Sections 6.7 and 6.9 of this bill exclude insurers that provide services to recipients of Medicaid or members of the Public Employees' Benefits Program through managed care from that requirement. Section 6.15 of this bill makes a conforming change to indicate the proper placement of section 6.1 in the Nevada Revised Statutes. Section 6.75 of this bill authorizes the Commissioner of Insurance to suspend or revoke the certificate of a health maintenance organization that fails to comply with the requirements of section 6.6 of this bill. The Commissioner would also be authorized to take such action against other health insurers who fail to comply with the requirements of sections 6.1, 6.2-6.5 and 6.8. (NRS 680A.200)~~

For the Fiscal Year 2024-2025..... $6,479,422

2. Expenditure of the following sums not appropriated from the State General Fund or the State Highway Fund is hereby authorized by the Division of Health Care Financing and Policy of the Department of Health and Human Services for the same purpose as set forth in subsection 1:

For the Fiscal Year 2024-2025..... $19,491,415

AN ACT relating to education; requiring the reporting of certain information relating to class time used for examinations and assessments; requiring the Department of Education to adopt regulations limiting the amount of time used to prepare for and conduct certain examinations and assessments; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1.5 of this bill requires: (1) each school to annually submit to its school district a report detailing the aggregate amount of class time used for conducting and preparing for certain examinations and assessments; (2) each school district to submit those reports to the Department of Education; (3) the Department to submit those reports received to standing legislative committees relating to education; and (4) the Department to ~~[work with and]~~ develop ~~[corrective action plans for]~~ **a plan to provide assistance to** schools that use more than 2 percent of the total number of annual minutes of attendance required for a pupil for conducting or preparing for certain examinations and assessments ~~[.]~~ **and create a corrective action plan for each such school to limit such a use of time.**

Existing law requires the administration of certain examinations and assessments to measure the achievement and proficiency of pupils in various subjects. (NRS 390.805) **Section 2** of this bill requires such regulations to limit, with certain exceptions, the time used for conducting or preparing for an examination or assessment to 2 percent or less of the total number of annual minutes of attendance required for a pupil.

The following amendment was proposed by the Committee on Ways and Means:
Amendment No. 939.
AN ACT relating to indigent defense; establishing **the maximum amount that certain counties are required to pay for the provision of indigent defense services for Fiscal Year 2023-2024; establishing** a formula for

determining the maximum amount that ~~[a county]~~ **such counties** may be required to pay for the provision of indigent defense services~~.[;]~~ **in subsequent fiscal years; establishing a formula for determining the maximum amount that other counties may be required to pay for the provision of indigent defense services;** prohibiting a county from seeking state contributions for the provision of indigent defense services in excess of the maximum county contribution for the costs of capital improvement projects relating to the provision of indigent defense services; ~~[requiring counties to submit financial status reports to the Department of Indigent Defense Services annually unless the Department requires such reports on a quarterly basis;]~~ **establishing the procedure by which a county may seek state contributions for the provision of indigent defense services in excess of the maximum county contribution; authorizing the designee of a board of county commissioners to perform certain actions relating to corrective action plans; revising the date on which certain reports related to the provision of indigent defense services must be submitted to the Department of Indigent Defense Services;** making an appropriation to the Interim Finance Committee for allocation to the Department for the reimbursement of counties for costs in excess of their maximum contribution amounts for the provision of indigent defense services and for the funding of certain other costs relating to the provision of indigent defense services; **making an appropriation to the Department for certain costs related to pretrial release hearings that are or may be conducted on a weekend or holiday;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Board on Indigent Defense Services to adopt regulations to establish a formula for determining the maximum amount that a county may be required to pay for the provision of indigent defense services. (NRS 180.320) **Section 5** of this bill removes that requirement, and **section 2** of this bill instead establishes **: (1) the maximum amount that each county whose population is less than 100,000 (currently all counties other than Clark and Washoe Counties) is required to pay for the provision of indigent defense services for Fiscal Year 2023-2024; and (2)** a statutory formula for determining the maximum amount that **such** a county may be required to pay for the provision of indigent defense services~~.[;]~~ **for each fiscal year after Fiscal Year 2023-2024. Section 2** also **establishes a statutory formula for determining the maximum amount that each county whose population is 100,000 or more (currently Clark and Washoe Counties) is required to pay for the provision of indigent defense services. Section 2 additionally provides that a county may seek state contributions for the provision of indigent defense services in excess of the maximum county contribution after the county has exceeded its maximum contribution but** prohibits a county from seeking **such** state contributions ~~[for the provision of indigent defense services in excess of the maximum county contribution, as calculated pursuant to the formula,]~~ for the costs of any capital improvement

projects relating to the provision of indigent defense services. **Sections 4 and 6** of this bill make conforming changes by replacing references to the ~~[formula]~~ **maximum county contribution** being ~~[established]~~ **determined** by **the formula set forth in** regulation with references to the ~~[formula]~~ **maximum county contribution** being ~~[established by statute.]~~ **determined in accordance with section 2.**

Section 3 of this bill ~~[requires a county to submit a financial status report to the Department of Indigent Defense Services on a form prescribed by the Department on or before May 31 of each year, unless the Department instead requires the submission of such reports]~~ **establishes the procedure by which a county may seek state contributions for the provision of indigent defense services in excess of the maximum county contribution** on a quarterly basis.

Section 6 of this bill authorizes the designee of a board of county commissioners to perform certain actions otherwise performed by the board of county commissioners with regard to certain corrective action plans.

Existing law requires the board of county commissioners of each county with a public defender or which contracts for indigent defense services to provide an annual report concerning the provision of indigent defense services to the Department of Indigent Defense Services on or before May 1 of each year. (NRS 260.070) Section 6.5 of this bill changes the required date of the submission of the report to on or before May 31 of each year, unless the Department requires the report to be provided on a quarterly basis.

Section 7 of this bill makes an appropriation from the State General Fund to the Interim Finance Committee for allocation to the Department to fund the: (1) reimbursement of counties for costs in excess of their maximum contribution amounts for the provision of indigent defense services; (2) costs of the Department related to compliance with the *Davis v. State* (Nev. First Jud. Dist. Ct. Case No. 170C002271B (Aug. 11, 2020)) consent judgment; (3) costs of the Office of the State Public Defender for contracting for legal services for complex cases; and (4) costs for training and pay parity for attorneys who provide indigent defense services.

Section 7.3 of this bill makes an appropriation from the State General Fund to the Department for certain costs related to pretrial release hearings that are or may be conducted on a weekend or holiday. A portion of the appropriation must be allocated to counties whose population is less than 100,000 for the payment of stipends to: (1) prosecuting attorneys for being available to serve or serving as the prosecuting attorney in a pretrial release hearing conducted on a weekend or holiday; and (2) magistrates for being available to conduct or conducting a pretrial release hearing on a weekend or holiday. The remaining portion of the appropriation must be used by the Department for the payment of stipends to attorneys for being available to represent or representing a defendant in a pretrial

release hearing conducted on a weekend or holiday in a county whose population is less than 100,000.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Sec. 3. ***1. A county may seek state contributions for the provision of indigent defense services in excess of the maximum contribution of the county, as determined pursuant to section 2 of this act, as follows:***

(b) In equal quarterly installments on or before the 1st day of July, October, January and April, respectively.

➥ The counties shall pay their respective amounts to the State Public Defender who shall deposit the amounts with the Treasurer of the State of Nevada and shall expend the money in accordance with the State Public Defender's approved budget.

Sec. 5. NRS 180.320 is hereby amended to read as follows:

180.320 1. The Board on Indigent Defense Services shall:

(a) Receive reports from the Executive Director and provide direction to the Executive Director concerning measures to be taken by the Department to ensure that indigent defense services are provided in an effective manner throughout this State.

(b) Review information from the Department regarding caseloads of attorneys who provide indigent defense services.

(c) Direct the Executive Director to conduct any additional audit, investigation or review the Board deems necessary to determine whether minimum standards in the provision of indigent defense services are being followed and provided in compliance with constitutional requirements.

(e) Provide direction to the Executive Director concerning annual reports and review drafts of such reports.

(f) Review and approve the budget for the Department.

(g) Review any recommendations of the Executive Director concerning improvements to the criminal justice system and legislation to improve the provision of indigent defense services in this State.

(h) Provide advice and recommendations to the Executive Director on any other matter.

2. In addition to the duties set forth in subsection 1, the Board shall:

(b) Establish a procedure to receive complaints and recommendations concerning the provision of indigent defense services from any interested person including, without limitation, judges, defendants, attorneys and members of the public.

(c) Work with the Department to develop resolutions to complaints or to carry out recommendations.

(d) Adopt regulations establishing standards for the provision of indigent defense services including, without limitation:

(1) Establishing requirements for specific continuing education and experience for attorneys who provide indigent defense services.

(2) Requiring attorneys who provide indigent defense services to track their time and provide reports, and requiring the State Public Defender and counties that employ attorneys or otherwise contract for the provision of indigent defense services to require or include a provision in the employment or other contract requiring compliance with the regulations.

(3) Establishing standards to ensure that attorneys who provide indigent defense services track and report information in a uniform manner.

(5) Requiring the Department of Indigent Defense Services and each county that employs or contracts for the provision of indigent defense services to ensure, to the greatest extent possible, consistency in the representation of indigent defendants so that the same attorney represents a defendant through every stage of the case without delegating the representation to others, except that administrative and other tasks which do not affect the rights of the defendant may be delegated. A provision must be included in each employment or other contract of an attorney providing indigent defense services to require compliance with the regulations.

(e) Establish recommendations for the manner in which an attorney who is appointed to provide indigent defense services may request and receive reimbursement for expenses related to trial, including, without limitation, expenses for expert witnesses and investigators.

(f) Work with the Executive Director and the Dean of the William S. Sec. 6. NRS 180.450 is hereby amended to read as follows:

180.450 1. If a corrective action plan is recommended pursuant to NRS 180.440, the deputy director and the board of county commissioners ***, or its designee,*** must collaborate on the manner in which the county will meet the minimum standards for the provision of indigent defense services and the time by which the county must meet those minimum standards. Any disagreement must be resolved by the Board. Each corrective action plan must be submitted to and approved by the Board.

2. If the plan established pursuant to subsection 1 will cause the county to expend more money than budgeted by the county in the previous budget year

plus inflation for the provision of indigent defense services, the Executive Director shall include the additional amount needed by the county in the next budget for the Department of Indigent Defense Services to help support the indigent defense services provided by the county. If additional money is needed to carry out the plan before the next budget cycle, the Executive Director shall submit a request to the Interim Finance Committee for an allocation from the Contingency Account pursuant to NRS 353.266 to cover the additional costs.

3. For any county that is not required to have an office of public defender pursuant to NRS 260.010, if the additional amount included in the budget of the Department pursuant to subsection 2 is not approved, the board of county commissioners for the county to which the amount applies may determine whether to continue providing indigent defense services for the county or enter into an agreement with the Executive Director to transfer responsibility for the provision of such services to the State Public Defender.

4. If a county does not meet the minimum standards for the provision of indigent defense services within the period established in the corrective action plan for the county, the deputy director shall inform the Executive Director.

5. Upon being informed by the deputy director pursuant to subsection 4 that a county has not complied with a corrective action plan, the Executive Director must review information regarding the provision of indigent defense services in the county and determine whether to recommend establishing another corrective action plan with the board of county commissioners of the county ~~[.]~~ ***, or its designee.*** For a county that is not required to have an office of public defender pursuant to NRS 260.010, the Executive Director may instead recommend requiring the board of county commissioners to transfer responsibility for the provision of all indigent defense services for the county to the State Public Defender. The recommendation of the Executive Director must be submitted to and approved by the Board. Once approved, the board of county commissioners shall comply with the decision of the Board.

6. If a county is required to transfer or voluntarily transfers responsibility for the provision of all indigent defense services for the county to the State Public Defender:

(a) The board of county commissioners for the county ***, or its designee,*** shall notify the State Public Defender in writing on or before November 1 of the next even-numbered year and the responsibilities must transfer at a specified time on or after July 1 of the odd-numbered year following the year in which the notice was given, as determined by the Executive Director.

(b) The board of county commissioners for the county shall pay the State Public Defender in the same manner and in an amount determined in the same manner as other counties for which the State Public Defender has responsibility for the provision of indigent defense services. The amount that a county may be required to pay must not exceed the maximum amount determined ~~[using the formula established by the Board pursuant to NRS 180.320.]~~ ***in accordance with section 2 of this act.***

Sec. 6.5. **NRS 260.070 is hereby amended to read as follows:**

2. The board of county commissioners of each county with a public defender or which contracts for indigent defense services shall provide an annual report to the Department on or before May ~~[1]~~ ***31*** of each year ~~[.]~~ ***, unless the Department requires the report to be provided on a quarterly basis.*** The report must include any information requested by the Department concerning the provision of indigent defense services in the county and must include, without limitation, the plan for the provision of indigent defense services for the county for the next fiscal year ~~[.]~~ ***or, if the Department requires the report to be provided on a quarterly basis, for the next quarter.***

6. Any remaining balance of the allocations made by paragraph (a) of subsection 2 and the money distributed to the Department of Indigent Defense Services pursuant to paragraph (b) of subsection 2 from the appropriation made by subsection 1 remaining at the end of the respective fiscal years must not be committed for expenditure after June 30 of the respective fiscal years by the entity to which the appropriation is made or any entity to which money from the appropriation is granted or otherwise transferred in any manner, and any portion of the appropriated money remaining must not be spent for any purpose after September 20, 2024, and September 19, 2025, respectively, by either the entity to which the money was appropriated or the entity to which the money was subsequently granted or transferred, and must be reverted to the State General Fund on or before September 20, 2024, and September 19, 2025, respectively.

CONSIDERATION OF SENATE AMENDMENTS

Assembly Bill No. 49.

The following Senate amendment was read:

Amendment No. 665.

AN ACT relating to criminal procedure; **authorizing certain persons to file and serve certain documents by electronic means;** prescribing separate forms for certain postconviction petitions for a writ of habeas corpus; revising various provisions relating to postconviction petitions for a writ of habeas corpus; eliminating the requirement that the respondent to a postconviction petition for a writ of habeas corpus file a return with the court; revising provisions relating to a petition for a hearing to establish the factual innocence of a person; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes an offender who is convicted of a crime and under a sentence of death or imprisonment to file a postconviction petition for a writ of habeas corpus to challenge: (1) the validity of a judgment of conviction; or (2) the computation of time that the person has served pursuant to a judgment of conviction. (NRS 34.724) Existing law also authorizes a person who has been convicted of a felony to file a petition for a hearing to establish the factual innocence of the person based on newly discovered evidence. (NRS 34.960) **Section 2** of this bill defines the term "prosecuting agency" for the purpose of clarifying certain requirements relating to such petitions. **Sections 5, 10, 11, 13 and 20-24** of this bill make conforming changes to substitute the defined term where appropriate.

Sections 3 and 11 of this bill prescribe separate and distinct forms for a petition for a writ of habeas corpus that challenges the computation of time that a person has served pursuant to a judgment of conviction and a petition for a writ of habeas corpus that challenges the validity of a judgment of conviction, respectively. **Section 10** of this bill makes a conforming change by requiring each type of petition to be: (1) appropriately titled; and (2) in

substantially the form prescribed by **sections 3 and 11**. **Section 2.5 of this bill authorizes a petitioner, under certain circumstances, to file and serve upon certain persons each type of petition by electronic means. Under section 2.5, the following may be filed or served by electronic means: (1) a response or answer filed by a prosecuting agency; (2) a copy of any decision or order served by the clerk of the court upon the petitioner or petitioner's attorney; and (3) a notice of a decision or order delivered to the petitioner or petitioner's attorney.** **Sections 6, 7 and 17** of this bill make conforming changes to indicate the proper placement of ~~[section]~~ **sections 2.5 and 3** in the Nevada Revised Statutes.

Section 8 of this bill makes a nonsubstantive change to clarify that a person may file a postconviction petition for a writ of habeas corpus without paying a filing fee. **Sections 9, 10, 12-14, 16, 18 , ~~[and]~~ 19 , 24.1-24.3, 24.5 and 24.6** of this bill make certain other nonsubstantive changes in statutes concerning postconviction petitions.

Existing law requires the respondent on a postconviction petition for a writ of habeas corpus to file with the court: (1) a return, which includes certain information relating to the basis on which the respondent has the petitioner in his or her custody or power; and (2) an answer responding to the allegations of the petition. (NRS 34.430, 34.745) **Section 26** of this bill repeals the requirement that the respondent file a return with the court. **Section 15** of this bill requires instead that the response or answer filed by the respondent include the information contained in a return under existing law. **Sections 13, 14 and 16** make conforming changes relating to the elimination of the requirement that a respondent file a return with the court.

Existing law provides that: (1) certain written motions, written notices, designations of record on appeal and similar papers must be served upon each of the parties in a criminal proceeding and filed with the court; and (2) with certain exceptions, any papers required to be served must be filed with the court in the manner provided in civil actions. (NRS 178.582, 178.584, 178.588) Section 24.4 of this bill authorizes a person, under certain circumstances, to file and send or receive service of a motion, notice or other legal document through electronic means.

Section 25 of this bill makes the amendatory provisions of this bill applicable to a postconviction petition for a writ of habeas corpus filed on or after July 1, 2023.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 34 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 **, 2.5** and 3 of this act.

Sec. 2. ***As used in this chapter, "prosecuting agency" means:***

1. The district attorney of the county in which the judgment of conviction or sentence being challenged in a petition for a writ of habeas corpus was obtained, if the district attorney or a deputy district attorney prosecuted the

petitioner in the original proceeding which led to the judgment of conviction or sentence; or

2. The Attorney General, if the Attorney General or a deputy attorney general prosecuted the petitioner in the original proceeding which led to the judgment of conviction or sentence being challenged in a petition for a writ of habeas corpus.

Sec. 2.5. 1. A petition that challenges the computation of time that the petitioner has served pursuant to a judgment of conviction or that challenges the validity of a judgment of conviction may be served by electronic means upon the officer or other person by whom the petitioner is confined or restrained. A copy of the petition may also be served by electronic means upon the Attorney General or any other prosecuting agency.

2. A petition filed with the clerk of the district court for the county in which the conviction occurred pursuant to NRS 34.738 may be filed electronically.

3. A response or answer to a petition filed by a prosecuting agency pursuant to NRS 34.745 may be filed electronically.

4. A decision or order prepared by the court pursuant to NRS 34.830 may be filed electronically. A copy of the decision or order may be served by electronic means upon the petitioner and the petitioner's counsel. A notice of a decision or order may be electronically delivered to the petitioner by the clerk of the court.

5. The clerk of the court may accept a petition and a response or answer to the petition that is filed electronically. A petition, response or answer that is filed electronically may be converted into a printed document and served upon a respondent or petitioner, as applicable, in the same manner as a petition, response or answer that is not filed electronically.

6. A petition, response, answer, order or decision that is filed electronically shall be deemed to be filed on the date that it is filed electronically if it is filed not later than 11:59 p.m. on that date.

Sec. 3. ***A petition for a writ of habeas corpus that challenges the computation of time that the petitioner has served pursuant to a judgment of conviction must be in substantially the following form, with appropriate modifications if the petition is filed in the Court of Appeals or the Supreme Court:***

Case No. .....
Dept. No. .....

Sec. 4. NRS 34.370 is hereby amended to read as follows:

34.370 1. A petition for a writ of habeas corpus must be verified by the petitioner or the petitioner's counsel. If the petition is verified by counsel, counsel shall also verify that the petitioner personally authorized counsel to commence the action.

2. A verified petition for issuance of a writ of habeas corpus must specify that the petitioner is imprisoned or restrained of the petitioner's liberty, the officer or other person by whom the petitioner is confined or restrained, and the place where the petitioner is confined, naming all the parties if they are known, or describing them if they are not known.

3. If the petitioner claims that the imprisonment is illegal, the petitioner must state facts which show that the restraint or detention is illegal.

4. If the petition requests relief from a judgment of conviction or sentence in a criminal case, the petition must identify the proceedings in which the petitioner was convicted, give the date of entry of the final judgment and set forth which constitutional rights of the petitioner were violated and the acts constituting violations of those rights. Affidavits, records or other evidence supporting the allegations in the petition must be attached unless the petition recites the cause for failure to attach these materials. The petition must identify any previous proceeding in state or federal court initiated by the petitioner to secure relief from the petitioner's ***judgment of*** conviction or sentence. Argument, citations and other supporting documents are unnecessary.

Sec. 5. NRS 34.700 is hereby amended to read as follows:

34.700 1. Except as provided in subsection 3, a pretrial petition for a writ of habeas corpus based on alleged lack of probable cause or otherwise challenging the court's right or jurisdiction to proceed to the trial of a criminal charge may not be considered unless:

(a) The petition and all supporting documents are filed within 21 days after the first appearance of the accused in the district court; and

(b) The petition contains a statement that the accused:

(1) Waives the 60-day limitation for bringing an accused to trial; or

(2) If the petition is not decided within 15 days before the date set for trial, consents that the court may, without notice or hearing, continue the trial indefinitely or to a date designated by the court.

2. The arraignment and entry of a plea by the accused must not be continued to avoid the requirement that a pretrial petition be filed within the period specified in subsection 1.

3. The court may extend, for good cause, the time to file a petition. Good cause shall be deemed to exist if the transcript of the preliminary hearing or of the proceedings before the grand jury is not available within 14 days after the accused's initial appearance and the court shall grant an ex parte application to extend the time for filing a petition. All other applications may be made only after appropriate notice has been given to the prosecuting ~~[attorney.]~~ ***agency.***

Sec. 6. NRS 34.720 is hereby amended to read as follows:

34.720 The provisions of NRS 34.720 to 34.830, inclusive, ***and ~~[section]~~ sections 2.5 and 3 of this act*** apply only to petitions for writs of habeas corpus in which the petitioner:

1. Requests relief from a judgment of conviction or sentence in a criminal case; or

2. Challenges the computation of time that the petitioner has served pursuant to a judgment of conviction.

Sec. 7. NRS 34.722 is hereby amended to read as follows:

34.722 As used in NRS 34.720 to 34.830, inclusive, ***and ~~[section]~~ sections 2.5 and 3 of this act,*** unless the context otherwise requires, "petition" means a ~~[postconviction]~~ petition ~~[for habeas corpus]~~ ***to obtain relief from a judgment of conviction or sentence or to challenge the computation of time a person has served*** filed pursuant to NRS 34.724.

Sec. 8. NRS 34.724 is hereby amended to read as follows:

34.724 1. Any person convicted of a crime and under sentence of death or imprisonment who claims that the conviction was obtained, or that the sentence was imposed, in violation of the Constitution of the United States or the Constitution or laws of this State, or who, after exhausting all available administrative remedies, claims that the time the person has served pursuant to the judgment of conviction has been improperly computed ~~[,]~~ may ~~[, without paying a filing fee,]~~ file a ~~[postconviction]~~ petition ~~[for a writ of habeas corpus]~~ to obtain relief from the ***judgment of*** conviction or sentence or to challenge the computation of time that the person has served. ***A person must not be required to pay a filing fee to file such a petition.***

2. Such a petition:

(a) Is not a substitute for and does not affect any remedies which are incident to the proceedings in the trial court or the remedy of direct review of the sentence or conviction.

(b) Comprehends and takes the place of all other common-law, statutory or other remedies which have been available for challenging the validity of the ***judgment of*** conviction or sentence, and must be used exclusively in place of them.

(c) Is the only remedy available to an incarcerated person to challenge the computation of time that the person has served pursuant to a judgment of conviction, after all available administrative remedies have been exhausted.

3. For the purposes of this section, a motion to withdraw a plea of guilty, guilty but mentally ill or nolo contendere pursuant to NRS 176.165 that is made after sentence is imposed or imposition of sentence is suspended is a remedy which is incident to the proceedings in the trial court if:

(a) The person has not filed a prior motion to withdraw the plea and has not filed a prior ~~[postconviction]~~ petition ***;*** ~~[for a writ of habeas corpus;]~~

(b) The motion is filed within 1 year after the date on which the person was convicted, unless the person pleads specific facts demonstrating that some impediment external to the defense precluded bringing the motion earlier;

(c) At the time the person files the motion to withdraw the plea, the person is not incarcerated for the charge for which the person entered the plea; and

(d) The motion is not barred by the doctrine of laches. A motion filed more than 5 years after the date on which the person was convicted creates a rebuttable presumption of prejudice to the State on the basis of laches.

4. The court shall not appoint counsel to represent a person for the purpose of subsection 3.

Sec. 9. NRS 34.726 is hereby amended to read as follows:

34.726 1. Unless there is good cause shown for delay, a petition that challenges the validity of a judgment ***of conviction*** or sentence must be filed within 1 year after entry of the judgment of conviction or, if an appeal has been taken from the judgment, within 1 year after the appellate court of competent jurisdiction pursuant to the rules fixed by the Supreme Court pursuant to Section 4 of Article 6 of the Nevada Constitution issues its remittitur. For the

purposes of this subsection, good cause for delay exists if the petitioner demonstrates to the satisfaction of the court:

(a) That the delay is not the fault of the petitioner; and

(b) That dismissal of the petition as untimely will unduly prejudice the petitioner.

2. The execution of a sentence must not be stayed for the period provided in subsection 1 solely because a petition may be filed within that period. A stay of sentence must not be granted unless:

(a) A petition is actually filed; and

(b) The petitioner establishes a compelling basis for the stay.

Sec. 10. NRS 34.730 is hereby amended to read as follows:

34.730 1. A petition must be verified by the petitioner or the petitioner's counsel. If the petition is verified by counsel, counsel shall also verify that the petitioner personally authorized counsel to commence the action.

2. ***A petition that challenges:***

(a) The computation of time that the petitioner has served pursuant to a judgment of conviction must be titled "Petition for Writ of Habeas Corpus (Computation of Time)" and be in substantially the form set forth in section 3 of this act.

(b) The ~~[~~petition~~]~~ ***validity of a judgment of conviction or sentence*** must be titled "Petition for Writ of Habeas Corpus ~~[~~(Postconviction)"~~]~~ ***(Validity of Judgment of Conviction or Sentence)"*** and be in substantially the form set forth in NRS 34.735. ~~[~~The~~]~~

3. A petition must name as respondent and be served by mail ***or electronic means*** upon the officer or other person by whom the petitioner is confined or restrained. A copy of the petition must be served by mail ***or electronic means*** upon ~~[~~:

~~(a) The~~~~]~~ ***the*** Attorney General ~~[~~,~~]~~ and

~~[~~(b) In the case of a petition challenging the validity of a judgment of conviction or sentence, the district attorney in the county in which the petitioner was convicted.~~]~~ ***, if applicable, any other prosecuting agency.***

~~[~~3.~~]~~ ***4.*** Except as otherwise provided in this subsection, the clerk of the district court shall file a petition as a new action separate and distinct from any original proceeding in which a conviction has been had. If a petition challenges the validity of a ***judgment of*** conviction or sentence, it must be:

(a) Filed with the record of the original proceeding to which it relates; and

(b) Whenever possible, assigned to the original judge or court.

~~[~~4.~~]~~ ***5.*** No hearing upon the petition may be set until the requirements of NRS 34.740 to 34.770, inclusive, are satisfied.

Sec. 11. NRS 34.735 is hereby amended to read as follows:

34.735 A petition ***that challenges the validity of a judgment of conviction or sentence*** must be in substantially the following form, with appropriate modifications if the petition is filed in the Court of Appeals or the Supreme Court:

Sec. 12. NRS 34.738 is hereby amended to read as follows:

34.738 1. A petition that challenges the validity of a ***judgment of*** conviction or sentence must be filed with the clerk of the district court for the county in which the conviction occurred. Any other petition must be filed with the clerk of:

(a) The district court for the county in which the petitioner is incarcerated; or

(b) The First Judicial District Court in and for Carson City, if the petitioner is incarcerated outside this State while serving a term of imprisonment imposed by a court of this State.

2. A petition that is not filed in the district court for the appropriate county:

(a) Shall be deemed to be filed on the date it is received by the clerk of the district court in which the petition is initially lodged; and

(b) Must be transferred by the clerk of that court to the clerk of the district court for the appropriate county.

3. A petition must not challenge both the validity of a judgment of conviction or sentence and the computation of time that the petitioner has served pursuant to ~~[~~that~~]~~ ***a*** judgment ~~[.]~~ ***of conviction.*** If a petition improperly challenges both the validity of a judgment of conviction or sentence and the computation of time that the petitioner has served pursuant to ~~[~~that~~]~~ ***a*** judgment ~~[,]~~ ***of conviction,*** the district court for the appropriate county shall resolve that portion of the petition that challenges the validity of the judgment of conviction or sentence and dismiss the remainder of the petition without prejudice.

Sec. 13. NRS 34.745 is hereby amended to read as follows:

34.745 1. ~~[If a petition challenges the validity of a judgment of conviction or sentence and is the first petition filed by the petitioner, the]~~ ***The*** judge or justice shall order the ~~[district attorney or the Attorney General, whichever is appropriate,]~~ ***prosecuting agency*** to:

3. If the petition is a second or successive petition challenging the validity of a judgment of conviction or sentence and if it plainly appears from the face of the petition or an amended petition and documents and exhibits that are annexed to it, or from records of the court that the petitioner is not entitled to relief based on any of the grounds set forth in subsection ~~[2]~~ ***3*** of NRS 34.810, the judge or justice shall enter an order for its summary dismissal and cause the petitioner to be notified of the entry of the order.

~~[5.]~~ ***4.*** If the judge or justice relies on the records of the court in entering an order pursuant to this section, those records must be made a part of the record of the proceeding before entry of the order.

Sec. 14. NRS 34.750 is hereby amended to read as follows:

34.750 1. A petition may allege that the petitioner is unable to pay the costs of the proceedings or to employ counsel. If the court is satisfied that the allegation of indigency is true and the petition is not dismissed summarily, the court may appoint counsel to represent the petitioner. In making its determination, the court may consider, among other things, the severity of the consequences facing the petitioner and whether:

(a) The issues presented are difficult;

(b) The petitioner is unable to comprehend the proceedings; or

(c) Counsel is necessary to proceed with discovery.

2. If the court determines that the petitioner is unable to pay all necessary costs and expenses incident to the proceedings of the trial court and the reviewing court, including court costs, stenographic services, printing and reasonable compensation for legal services, all costs must be paid from money appropriated to the office of the State Public Defender for that purpose. After appropriations for that purpose are exhausted, money must be allocated to the

office of the State Public Defender from the Reserve for Statutory Contingency Account for the payment of the costs, expenses and compensation.

3. After appointment by the court, counsel for the petitioner may file and serve supplemental pleadings, exhibits, transcripts and documents within 30 days after:

(a) The date the court orders the filing of ~~[an]~~ ***a response or*** answer ***;*** ~~[and a return;]~~ or

(b) The date of counsel's appointment,

➥ whichever is later. If it has not previously been filed, the ***response or*** answer by the respondent must be filed within 15 days after receipt of the supplemental pleadings and include any response to the supplemental pleadings.

4. The petitioner shall respond within 15 days after service to a motion by the State to dismiss the action.

5. No further pleadings may be filed except as ordered by the court.

Sec. 15. NRS 34.760 is hereby amended to read as follows:

34.760 1. ~~[The]~~ ***A response or*** answer must ~~[state]~~ ***:***

(a) State plainly and unequivocally whether the respondent has or had the petitioner in custody or under the respondent's power or restraint and, if the respondent:

(1) Has the petitioner in custody or under his or her power or restraint at the time of filing the response or answer, set forth with specificity the basis for custody, including, without limitation, the authority and cause of the imprisonment or restraint.

(2) Had the petitioner in custody or under the respondent's power or restraint but no longer has the petitioner in custody or under the respondent's power or restraint, state particularly to whom, at what time and place, for what cause and by what authority the transfer took place.

(b) Indicate whether the petitioner has previously applied for relief from the petitioner's ***judgment of*** conviction or sentence in any proceeding in a state or federal court, including a direct appeal or a petition for a writ of habeas corpus or other postconviction relief.

2. ~~[The]~~ ***If a petition challenges the validity of a judgment of conviction or sentence, the response or*** answer must indicate what transcripts of pretrial, trial, sentencing and postconviction proceedings are available, when these transcripts can be furnished and what proceedings have been recorded and not transcribed. The respondent shall attach to the ***response or*** answer any portions of the transcripts, except those in the court's file, which the respondent deems relevant. The court on its own motion or upon request of the petitioner may order additional portions of existing transcripts to be furnished or certain portions of the proceedings which were not transcribed to be transcribed and furnished. If a transcript is not available or procurable, the court may require a narrative summary of the evidence to be submitted.

3. ***If a petition challenges the computation of time that the petitioner has served pursuant to a judgment of conviction, the respondent shall attach a copy of the judgment of conviction to the response or answer.***

4. If the petitioner appealed ~~[from]~~ the judgment of conviction ***or sentence*** or any adverse judgment or order in a prior petition ***,*** ~~[for a writ of habeas corpus or postconviction relief,]~~ a copy of the petitioner's brief on appeal and any opinion of the appellate court must be filed by the respondent with the ***response or*** answer.

Sec. 16. NRS 34.770 is hereby amended to read as follows:

34.770 1. The judge or justice, upon review of the ~~[return,]~~ ***response or*** answer and all supporting documents which are filed, shall determine whether an evidentiary hearing is required. A petitioner must not be discharged or committed to the custody of a person other than the respondent unless an evidentiary hearing is held.

2. If the judge or justice determines that the petitioner is not entitled to relief and an evidentiary hearing is not required, the judge or justice shall dismiss the petition without a hearing.

3. If the judge or justice determines that an evidentiary hearing is required, the judge or justice shall grant the writ and shall set a date for the hearing.

Sec. 17. NRS 34.780 is hereby amended to read as follows:

34.780 1. The Nevada Rules of Civil Procedure, to the extent that they are not inconsistent with NRS 34.360 to 34.830, inclusive, ***and*** ~~***[section]***~~ ***sections 2.5 and 3 of this act*** apply to proceedings pursuant to NRS 34.720 to 34.830, inclusive ~~[.]~~ ***, and*** ~~***[section]***~~ ***sections 2.5 and 3 of this act.***

2. After the writ has been granted and a date set for the hearing, a party may invoke any method of discovery available under the Nevada Rules of Civil Procedure if, and to the extent that, the judge or justice for good cause shown grants leave to do so.

3. A request for discovery which is available under the Nevada Rules of Civil Procedure must be accompanied by a statement of the interrogatories or requests for admission and a list of any documents sought to be produced.

Sec. 18. NRS 34.800 is hereby amended to read as follows:

34.800 1. A petition may be dismissed if delay in the filing of the petition:

(a) Prejudices the respondent or the State of Nevada in responding to the petition, unless the petitioner shows that the petition is based upon grounds of which the petitioner could not have had knowledge by the exercise of reasonable diligence before the circumstances prejudicial to the State occurred; or

(b) Prejudices the State of Nevada in its ability to conduct a retrial of the petitioner, unless the petitioner demonstrates that a fundamental miscarriage of justice has occurred in the proceedings resulting in the judgment of conviction ***.*** ~~[or sentence.]~~

2. A period exceeding 5 years between the filing of a judgment of conviction, an order imposing a sentence of imprisonment or a decision on direct appeal of a judgment of conviction and the filing of a petition challenging the validity of a judgment of conviction creates a rebuttable presumption of prejudice to the State. In a motion to dismiss the petition based

on that prejudice, the respondent or the State of Nevada must specifically plead laches. The petitioner must be given an opportunity to respond to the allegations in the pleading before a ruling on the motion is made.

Sec. 19. NRS 34.810 is hereby amended to read as follows:

34.810 1. The court shall dismiss a petition ***that challenges the validity of a judgment of conviction or sentence*** if the court determines that:

(a) The petitioner's conviction was upon a plea of guilty or guilty but mentally ill and the petition is not based upon an allegation that the plea was involuntarily or unknowingly entered or that the plea was entered without effective assistance of counsel.

(b) The petitioner's conviction was the result of a trial and the grounds for the petition could have been:

(1) Presented to the trial court;

(2) Raised in a direct appeal or a prior petition for a writ of habeas corpus or postconviction relief; or

(3) Raised in any other proceeding that the petitioner has taken to secure relief from the petitioner's ***judgment of*** conviction and sentence,

➥ unless the court finds both cause for the failure to present the grounds and actual prejudice to the petitioner.

2. ***The court shall dismiss a petition that challenges the computation of time served pursuant to a judgment of conviction without prejudice if the court determines that the petitioner did not exhaust all available administrative remedies to resolve such a challenge as required by NRS 34.724.***

3. A second or successive petition must be dismissed if the judge or justice determines that it fails to allege new or different grounds for relief and that the prior determination was on the merits or, if new and different grounds are alleged, the judge or justice finds that the failure of the petitioner to assert those grounds in a prior petition constituted an abuse of the writ.

~~[3.]~~ ***4.*** Pursuant to subsections 1 and ~~[2,]~~ ***3,*** the petitioner has the burden of pleading and proving specific facts that demonstrate:

(a) Good cause for the petitioner's failure to present the claim or for presenting the claim again; and

(b) Actual prejudice to the petitioner.

➥ The petitioner shall include in the petition all prior proceedings in which the petitioner challenged the same ***judgment of*** conviction or sentence.

~~[4. The court shall dismiss a petition without prejudice if:~~

~~(a) The petition challenges the computation of time that the petitioner has served pursuant to a judgment of conviction; and~~

~~(b) The court determines that the petitioner did not exhaust all available administrative remedies to resolve such a challenge as required by NRS 34.724.]~~

5. The court may dismiss a petition that fails to include any prior proceedings of which the court has knowledge through the record of the court or through the pleadings submitted by the respondent.

Sec. 20. NRS 34.820 is hereby amended to read as follows:

34.820 1. If a petitioner has been sentenced to death and the petition is the first one challenging the validity of the petitioner's ***judgment of*** conviction or sentence, the court shall:

(a) Appoint counsel to represent the petitioner; and

(b) Stay execution of the judgment pending disposition of the petition and the appeal.

2. The petition must include the date upon which execution is scheduled, if it has been scheduled. The petitioner is not entitled to an evidentiary hearing unless the petition states that:

(a) Each issue of fact to be considered at the hearing has not been determined in any prior evidentiary hearing in a state or federal court; or

(b) For each issue of fact which has been determined in a prior evidentiary hearing, the hearing was not a full and fair consideration of the issue. The petition must specify all respects in which the hearing was inadequate.

3. If the petitioner has previously filed a petition for relief or for a stay of the execution in the same court, the petition must be assigned to the judge or justice who considered the previous matter.

4. The court shall inform the petitioner and the petitioner's counsel that all claims which challenge the ***judgment of*** conviction or imposition of the sentence must be joined in a single petition and that any matter not included in the petition will not be considered in a subsequent proceeding.

5. If relief is granted or the execution is stayed, the clerk shall forthwith notify the respondent ~~[, the Attorney General]~~ and the ~~[district attorney of the county in which the petitioner was convicted.]~~ ***prosecuting agency.***

6. If a district judge conducts an evidentiary hearing, a daily transcript must be prepared for the purpose of appellate review.

7. The judge or justice who considers a petition filed by a petitioner who has been sentenced to death shall make all reasonable efforts to expedite the matter and shall render a decision within 60 days after submission of the matter for decision.

Sec. 21. NRS 34.830 is hereby amended to read as follows:

34.830 1. Any order that finally disposes of a petition, whether or not an evidentiary hearing was held, must contain specific findings of fact and conclusions of law supporting the decision of the court.

2. A copy of any decision or order discharging the petitioner from the custody or restraint under which the petitioner is held, committing the petitioner to the custody of another person, dismissing the petition or denying the requested relief must be served by the clerk of the court upon the petitioner and the petitioner's counsel, if any, the respondent ~~[, the Attorney General]~~ and the ~~[district attorney of the county in which the petitioner was convicted.]~~ ***prosecuting agency.***

3. Whenever a decision or order described in this section is entered by the district court, the clerk of the court shall prepare a notice in substantially the

following form and mail ***or electronically deliver*** a copy of the notice to each person listed in subsection 2:

Sec. 22. NRS 34.960 is hereby amended to read as follows:

34.960 1. At any time after the expiration of the period during which a motion for a new trial based on newly discovered evidence may be made pursuant to NRS 176.515, a person who has been convicted of a felony may petition the district court in the county in which the person was convicted for a hearing to establish the factual innocence of the person based on newly discovered evidence. A person who files a petition pursuant to this subsection shall serve notice and a copy of the petition upon the ~~[district attorney of the county in which the conviction was obtained and the Attorney General.]~~ ***prosecuting agency.***

2. A petition filed pursuant to subsection 1 must contain an assertion of factual innocence under oath by the petitioner and must aver, with supporting affidavits or other credible documents, that:

(a) Newly discovered evidence exists that is specifically identified and, if credible, establishes a bona fide issue of factual innocence;

(b) The newly discovered evidence identified by the petitioner:

(1) Establishes innocence and is material to the case and the determination of factual innocence;

(2) Is not merely cumulative of evidence that was known, is not reliant solely upon recantation of testimony by a witness against the petitioner and is not merely impeachment evidence; and

(3) Is distinguishable from any claims made in any previous petitions;

(c) If some or all of the newly discovered evidence alleged in the petition is a biological specimen, that a genetic marker analysis was performed pursuant to NRS 176.0918, 176.09183 and 176.09187 and the results were favorable to the petitioner; and

(d) When viewed with all other evidence in the case, regardless of whether such evidence was admitted during trial, the newly discovered evidence demonstrates the factual innocence of the petitioner.

3. In addition to the requirements set forth in subsection 2, a petition filed pursuant to subsection 1 must also assert that:

(a) Neither the petitioner nor the petitioner's counsel knew of the newly discovered evidence at the time of trial or sentencing or in time to include the evidence in any previously filed post-trial motion or postconviction petition, and the evidence could not have been discovered by the petitioner or the petitioner's counsel through the exercise of reasonable diligence; or

(b) A court has found ineffective assistance of counsel for failing to exercise reasonable diligence in uncovering the newly discovered evidence.

4. The court shall review the petition and determine whether the petition satisfies the requirements of subsection 2. If the court determines that the petition:

(a) Does not meet the requirements of subsection 2, the court shall dismiss the petition without prejudice, state the basis for the dismissal and send notice of the dismissal to the petitioner ~~[, the district attorney]~~ and the ~~[Attorney General.]~~ ***prosecuting agency.***

(b) Meets the requirements of subsection 2, the court shall determine whether the petition satisfies the requirements of subsection 3. If the court determines that the petition does not meet the requirements of subsection 3, the court may:

(1) Dismiss the petition without prejudice, state the basis for the dismissal and send notice of the dismissal to the petitioner ~~[, the district attorney]~~ and the ~~[Attorney General;]~~ ***prosecuting agency;*** or

(2) Waive the requirements of subsection 3 if the court finds the petition should proceed to a hearing and that there is other evidence that could have been discovered through the exercise of reasonable diligence by the petitioner or the petitioner's counsel at trial, and the other evidence:

(I) Was not discovered by the petitioner or the petitioner's counsel;

(II) Is material upon the issue of factual innocence; and

(III) Has never been presented to a court.

5. Any second or subsequent petition filed by a person must be dismissed if the court determines that the petition fails to identify new or different

evidence in support of the factual innocence claim or, if new and different grounds are alleged, the court finds that the failure of the petitioner to assert those grounds in a prior petition filed pursuant to this section constituted an abuse of the writ.

6. The court shall provide a written explanation of its order to dismiss or not to dismiss the petition based on the requirements set forth in subsections 2 and 3.

7. A person who has already obtained postconviction relief that vacated or reversed the person's conviction or sentence may also file a petition pursuant to subsection 1 in the same manner and form as described in this section if no retrial or appeal regarding the offense is pending.

8. After a petition is filed pursuant to subsection 1, any prosecuting ~~[attorney,]~~ ***agency,*** law enforcement agency or forensic laboratory that is in possession of any evidence that is the subject of the petition shall preserve such evidence and any information necessary to determine the sufficiency of the chain of custody of such evidence.

9. A petition filed pursuant to subsection 1 must include the underlying criminal case number.

10. Except as otherwise provided in NRS 34.900 to 34.990, inclusive, the Nevada Rules of Civil Procedure govern all proceedings concerning a petition filed pursuant to subsection 1.

11. As used in this section:

(a) "Biological specimen" has the meaning ascribed to it in NRS 176.09112.

(b) "Forensic laboratory" has the meaning ascribed to it in NRS 176.09117.

(c) "Genetic marker analysis" has the meaning ascribed to it in NRS 176.09118.

Sec. 23. NRS 34.970 is hereby amended to read as follows:

34.970 1. If the court does not dismiss a petition after reviewing the petition in accordance with NRS 34.960, the court shall order the ~~[district attorney or the Attorney General]~~ ***prosecuting agency*** to file a response to the petition. The court's order must:

(a) Specify which claims identified in the petition warrant a response from the ~~[district attorney or the Attorney General;]~~ ***prosecuting agency;*** and

(b) Specify which newly discovered evidence identified in the petition, if credible, might establish a bona fide issue of factual innocence.

2. The ~~[district attorney or the Attorney General]~~ ***prosecuting agency*** shall, not later than 120 days after receipt of the court's order requiring a response, or within any additional period the court allows, respond to the petition and serve a copy upon the petitioner and, if the ***prosecuting agency is the*** district attorney ***,*** ~~[is responding to the petition,]~~ the Attorney General.

3. Not later than 30 days after the date the ~~[district attorney or the Attorney General]~~ ***prosecuting agency*** responds to the petition, the petitioner may reply to the response. Not later than 30 days after the expiration of the period during which the petitioner may reply to the response, the court shall consider the

petition, any response by the ~~[district attorney or the Attorney General]~~ ***prosecuting agency*** and any reply by the petitioner. If the court determines that the petition meets the requirements of NRS 34.960 and that there is a bona fide issue of factual innocence regarding the charges of which the petitioner was convicted, the court shall order a hearing on the petition. If the court does not make such a determination, the court shall enter an order denying the petition. For the purposes of this subsection, a bona fide issue of factual innocence does not exist if the petitioner is merely relitigating facts, issues or evidence presented in a previous proceeding or if the petitioner is unable to identify with sufficient specificity the nature and reliability of the newly discovered evidence that establishes the factual innocence of the petitioner. Unless stipulated to by the parties, the court may not grant a hearing on the petition during any period in which criminal proceedings in the matter are pending before any trial or appellate court.

4. If the court grants a hearing on the petition, the hearing must be held and the final order must be entered not later than 150 days after the expiration of the period during which the petitioner may reply to the response to the petition by the ~~[district attorney or the Attorney General]~~ ***prosecuting agency*** pursuant to subsection 3 unless the court determines that additional time is required for good cause shown.

5. If the court grants a hearing on the petition, the court shall, upon the request of the petitioner, order the preservation of all material and relevant evidence in the possession or control of this State or any agent thereof during the pendency of the proceeding.

6. If the parties stipulate that the evidence establishes the factual innocence of the petitioner, the court may affirm the factual innocence of the petitioner without holding a hearing. If the prosecuting ~~[attorney]~~ ***agency*** does not stipulate that the evidence establishes the factual innocence of the petitioner, a determination of factual innocence must not be made by the court without a hearing.

7. If the parties stipulate that the evidence establishes the factual innocence of the petitioner, the prosecuting ~~[attorney]~~ ***agency*** makes a motion to dismiss the original charges against the petitioner or, after a hearing, the court determines that the petitioner has proven his or her factual innocence by clear and convincing evidence, the court shall:

(a) Vacate the petitioner's conviction and issue an order of factual innocence and exoneration; and

(b) Order the sealing of all documents, papers and exhibits in the person's record, minute book entries and entries on dockets and other documents relating to the case in the custody of such other agencies and officers as are named in the court's order.

Sec. 24. NRS 34.990 is hereby amended to read as follows:

Sec. 24.1. **NRS 7.155 is hereby amended to read as follows:**

7.155 The compensation and expenses of an attorney appointed to represent a defendant must be paid from the county treasury unless the proceedings are based upon a postconviction petition for habeas corpus ~~[,]~~ ***challenging a judgment of conviction or sentence,*** in which case the compensation and expenses must be paid from money appropriated to the Office of State Public Defender, but after the appropriation for such expenses is exhausted, money must be allocated to the Office of State Public Defender from the reserve for statutory contingency account for the payment of such compensation and expenses.

Sec. 24.2. **NRS 176.486 is hereby amended to read as follows:**

176.486 A district court having proper jurisdiction, the Court of Appeals or the Supreme Court, if it has proper jurisdiction, may stay the execution of a sentence of death when a postconviction petition for habeas corpus ***challenging a judgment of conviction or sentence*** has been filed only after appropriate notice has been given to the appropriate respondent in the case.

Sec. 24.3. **NRS 176.487 is hereby amended to read as follows:**

176.487 When a person under a sentence of death files a proper postconviction petition for habeas corpus ~~[,]~~ ***challenging a judgment of conviction or sentence,*** a district court, the Court of Appeals or the Supreme Court on a subsequent appeal shall enter a stay of execution if the court finds a stay necessary for a proper consideration of the claims for relief. In making this determination, the court shall consider whether:

1. The petition is the first effort by the petitioner to raise constitutional claims for relief after a direct appeal from a conviction and the petition raises claims other than those which could have been raised at trial or on direct appeal.

2. The petition is timely filed and jurisdictionally appropriate and does not set forth conclusory claims only.

3. If the petition is not the first petition for postconviction relief, it raises constitutional claims which are not procedurally barred by laches, the law of the case, the doctrines of abuse of the writ or successive petition or any other procedural default.

4. If the petition is a second or successive petition, it presents substantial grounds upon which relief might be granted and valid justification for the claims not having been presented in a prior proceeding.

5. The petition asserts claims based upon specified facts or law which, if true, would entitle the petitioner to relief.

6. The court cannot decide legal claims which are properly raised or expeditiously hold an evidentiary hearing on factual claims which are properly raised before the execution of sentence.

Sec. 24.4. **Chapter 178 of NRS is hereby amended by adding thereto a new section to read as follows:**

1. Except when personal service of a person is ordered by the court or required by specific statute, a person who is represented by an attorney may be lawfully served with any motion, notice or other legal document by electronic means if the office of the attorney representing the person has the ability to receive and store the motion, notice or other legal document electronically.

2. A motion, notice or other legal document may be converted into a printed document and served upon a defendant in the same manner as a motion, notice or other legal document that is not filed electronically.

5. A motion, notice or other legal document that is filed or served electronically shall be deemed to be filed or served on the date that it is filed or served electronically if it is filed or served not later than 11:59 p.m. on that date.

Sec. 25. The amendatory provisions of this act do not apply to a postconviction petition for habeas corpus filed pursuant to NRS 34.724 before July 1, 2023.

Sec. 26. NRS 34.430 is hereby repealed.

Sec. 27. 1. This section becomes effective upon passage and approval.

AN ACT relating to child welfare; establishing various provisions governing proceedings relating to the custody, adoption or protection of Indian children or the termination of parental rights; ~~[revising certain provisions concerning the State Register for Adoptions;]~~ requiring the Division of Child and Family Services of the Department of Health and Human Services to adopt various regulations; requiring an agency which provides child welfare services to provide certain training for its personnel; requiring the Division and the Court Administrator to submit certain reports to the Chairs of the Senate and Assembly Standing Committees on Judiciary; authorizing the Nevada Supreme Court and the Court Administrator to adopt certain rules; repealing certain unnecessary provisions; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The federal Indian Child Welfare Act, 25 U.S.C. §§ 1901 et seq., was enacted in 1978 to protect Indian children from the removal from their homes and families and gives Indian tribes jurisdiction over the Indian children within their tribe. Existing Nevada law recognizes the jurisdiction of Indian tribes in various proceedings relating to the custody, adoption or protection of Indian children or the termination of parental rights. (NRS 3.223, 62D.210, 125A.215, 127.010, 127.018, 128.020, 128.023, 432B.410, 432B.425) This bill establishes various provisions governing proceedings relating to the custody, adoption or protection of Indian children or the termination of parental rights to provide additional protections for Indian children in state law.

Sections 2-38 of this bill establish provisions concerning proceedings in which the legal or physical custody of an Indian child is an issue. **Section 2** of this bill explains the legislative intent of **sections 2-38**. **Sections 3.5-17** of this bill define terms for the purposes of **sections 2-38**. **Section 17.5 of this bill provides that the provisions of sections 2-38 do not apply if: (1) in certain circumstances, a parent of an Indian child is voluntarily terminating his or her parental rights and an extended family member of the Indian child is subsequently adopting the Indian child upon the termination of the parental rights of the parent; (2) an Indian child is being adopted after being born to a gestational carrier pursuant to a gestational agreement; or (3) an Indian child is being adopted by a stepparent or other nonbiological parent in a confirmatory adoption.**

Section 18 of this bill provides that a person has custody of an Indian child if the person has physical or legal custody of the Indian child under any applicable tribal law, tribal custom or state law.

Section 20 of this bill requires a court to consider certain factors, in consultation with the Indian child's tribe, when making a determination regarding the best interests of the Indian child in a child custody proceeding. **Section 21** of this bill establishes the order of priority for the domicile of an Indian child.

Section 22 of this bill requires the appropriate agency which provides child welfare services to: (1) provide assistance with enrolling an Indian child who is a child in need of protection or who may be in need of protection in a tribe with which the child is eligible for enrollment unless the Indian child's parent objects; and (2) notify the Indian child's parent of his or her right to object to such assistance from the agency.

Section 23 of this bill sets forth the manner in which the tribe of an Indian child is determined for purposes of a child custody proceeding involving the Indian child and, if the Indian child is a member of or eligible for membership with more than one tribe, requires the court to designate the tribe with which the Indian child has the more significant contacts by considering certain factors.

Section 24 of this bill requires a court to: (1) determine, in any child custody proceeding involving an Indian child, the residence and domicile of the Indian child and whether he or she is a ward of a tribal court; and (2) communicate with any tribal courts to the extent necessary to make such determinations.

Section 25 of this bill requires agencies which provide child welfare services to make a good faith effort to enter into a tribal-state agreement with any Indian tribe in Nevada and authorizes such agencies to enter into a tribal-state agreement with any Indian tribe outside of Nevada if the tribe has significant numbers of Indian children who reside in Nevada and are members of or eligible for membership with the tribe. **Section 25** also establishes provisions concerning the contents of and requirements regarding such tribal-state agreements.

Section 26 of this bill provides that the jurisdiction of a court in a child custody proceeding involving an Indian child is concurrent with the jurisdiction of the tribe of the Indian child. **Section 26** also establishes the circumstances in which the tribe of an Indian child has exclusive jurisdiction in such cases.

Section 27 of this bill requires, in general, a court to transfer a child custody proceeding involving an Indian child if the parent, Indian custodian or tribe of the Indian child petitions the court to transfer the proceeding to tribal court. **Section 27** also establishes various other provisions regarding such a transfer and the denial of such a transfer by the court. **Section 28** of this bill sets forth the actions that a court is required to take upon granting a transfer motion under **section 27**.

Section 29 of this bill establishes requirements for certain persons and the court with regard to determining whether a child is an Indian child in child custody proceedings.

Section 30 of this bill provides that in a child custody proceeding, if a person is required to determine whether a child is an Indian child, the person is required to make a good faith effort to make such a determination by consulting with certain persons. **Section 30** also establishes the circumstances in which a court or person has reason to know that a child is an Indian child and imposes certain requirements on a court concerning the procedure for verifying whether a child is an Indian child.

Section 31 of this bill requires the person taking a child into protective custody in an emergency proceeding to make a good faith effort to determine whether there is reason to know that the child is an Indian child and, if there is reason to know that the child is an Indian child, the appropriate agency which provides child welfare services is required, if the nature of the emergency allows, to notify any tribe of which the child is or may be a member and provide certain information, including a statement that the tribe has a right to participate in the proceeding as a party or in an advisory capacity. **Section 31** also imposes certain requirements relating to: (1) the provision of notice of a child custody proceeding if there is reason to know that a child alleged to be within the court's jurisdiction is an Indian child; and (2) the hearing regarding the proceeding.

Section 32 of this bill provides that if a court finds at a hearing in a child custody proceeding that a child is an Indian child, at least one qualified expert witness must testify regarding certain information. If a qualified witness is required to testify, **section 32** requires the petitioner in the proceeding to contact the tribe of the Indian child and request that the tribe identify one or more persons who can testify as a qualified witness. Additionally, **section 32** authorizes a court to hear supplemental testimony from certain professionals.

Section 33 of this bill provides that if a child in a child custody proceeding is an Indian child and active efforts, which are efforts that are affirmative, active, thorough, timely and intended to maintain or reunite an Indian child with the Indian child's family, are required, the court is required to determine whether active efforts have been made to prevent the breakup of or to reunite the family. **Section 33** establishes requirements relating to active efforts.

Section 34 of this bill authorizes a tribe that is a party to a proceeding to be represented by any person, regardless of whether the person is licensed to practice law. **Section 34** also authorizes an attorney who is not barred from practicing law in Nevada to appear in any proceeding involving an Indian child without associating with local counsel if the attorney establishes to the satisfaction of the State Bar of Nevada that certain requirements are met.

Section 35 of this bill provides that in a proceeding involving a child who is or may be in need of protection, if the child is an Indian child, the court is required to appoint counsel to represent the Indian child and, in certain circumstances, also appoint counsel to represent the Indian child's parent or

Indian custodian. **Section 35** also authorizes an attorney who is appointed to represent an Indian child to inspect certain records of the Indian child without the consent of the Indian child or his or her parent or Indian custodian.

Section 36 of this bill authorizes each party in a child custody proceeding in which the child is an Indian child to timely examine all reports and documents held by an agency which provides child welfare services that are not otherwise subject to a discovery exception or precluded under state or federal law.

Section 37 of this bill establishes requirements concerning the: (1) least restrictive setting in which an Indian child must be placed if the parental rights of the Indian child's parents have not been terminated and the Indian child is in need of placement or continuation in substitute care; and (2) placement of an Indian child if the parental rights of the Indian child's parents have been terminated and the Indian child is in need of an adoptive placement. **Section 37** also authorizes the alternative placement of an Indian child in certain circumstances.

Section 38 of this bill authorizes certain persons to file a petition to vacate an order or a judgment involving an Indian child regarding jurisdiction, placement, guardianship or the termination of parental rights in a pending child custody proceeding under **sections 2-38** or, if no proceeding is pending, in any court with jurisdiction over the matter. **Section 38** requires the court to vacate an order or judgment regarding jurisdiction, placement, guardianship or the termination of parental rights if certain provisions of **sections 2-38** have been violated and the court determines that vacating the order or judgment is proper.

Sections 42-50 of this bill establish provisions specifically relating to the adoption of Indian children. **Section 42** of this bill provides that a petition for adoption of a child must include certain contents concerning whether there is reason to know that the child who is the subject of the petition is an Indian child and requires a petitioner who has reason to know that the child is an Indian child to serve copies of the petition on certain persons and file with the court a declaration of compliance concerning such notice. **Section 43** of this bill: (1) requires written consent to the adoption of an Indian child to be given by the Indian child's parents unless their parental rights have been terminated; (2) establishes requirements concerning such consent; and (3) authorizes the withdrawal of such consent.

Section 45 of this bill establishes provisions concerning the entry of a judgment for the adoption of a child, including certain requirements relating to the adoption of an Indian child. **Section 46** of this bill authorizes the filing of a petition to vacate a judgment of adoption of an Indian child and requires the court to vacate the judgment if the petition is timely filed and the court finds by clear and convincing evidence that the consent of a parent to the adoption was obtained through fraud or duress. **Section 47** of this bill requires a court to provide notice to certain persons and the appropriate agency which provides child welfare services if a judgment of adoption of an Indian child is vacated and, unless the return of custody of the Indian child to a former parent or prior Indian custodian or the restoration of parental rights is not in the best

interests of the child, return custody of the Indian child to the former parent or prior Indian custodian or restore parental rights.

Section 48 of this bill requires that access to the adoption records of an Indian child be given to the Indian child's tribe or the United States Secretary of the Interior not later than 14 days after the request for such records.

Section 49 of this bill requires the appropriate agency which provides child welfare services to file with the court in a proceeding for the adoption of a minor child a written compliance report that reflects the agency's review of the petition for adoption and advises the court on whether the petitioner submitted complete and sufficient documentation relating to the petitioner's compliance with the inquiry and notice requirements and placement preferences. **Section 49** requires the Division of Child and Family Services of the Department of Health and Human Services (hereinafter "Division") to adopt regulations providing a nonexhaustive description of the documentation that may be submitted to the court as evidence of such compliance and any other regulations for the preparation of such compliance reports that are necessary for agencies which provide child welfare services to carry out their duties. **Section 49** also authorizes the Court Administrator to prepare and make available to the public certain forms and information to assist petitioners and to design and offer trainings to courts having jurisdiction over adoption matters.

Section 50 of this bill establishes provisions governing tribal customary adoption, which is the adoption of an Indian child by and through the tribal custom, traditions or law of the child's tribe without the termination of parental rights. **Section 50** requires the Division to adopt certain regulations concerning tribal customary adoption and authorizes: (1) the Supreme Court to adopt rules necessary for the court processes to implement the provisions relating to tribal customary adoption; and (2) the Court Administrator to prepare necessary forms for the implementation of the provisions relating to tribal customary adoption. **Section 73** of this bill requires the Division to submit a report to the Chairs of the Senate and Assembly Standing Committees on Judiciary describing the implementation of tribal customary adoption as an alternative permanency option for wards who are Indian children and the Division's recommendation for proposed legislation to improve the tribal customary adoption process.

Section ~~[~~51.5~~]~~ 41.5 of this bill ~~[revises certain provisions concerning the State Register for Adoptions, which is maintained by the Division in its central office.]~~ **provides that the provisions of sections 42-50 do not apply if: (1) in certain circumstances, a parent of an Indian child is voluntarily terminating his or her parental rights and an extended family member of the Indian child is subsequently adopting the Indian child upon the termination of the parental rights of the parent; (2) an Indian child is being adopted after being born to a gestational carrier pursuant to a gestational agreement; or (3) an Indian child is being adopted by a stepparent or other nonbiological parent in a confirmatory adoption.**

Section 57 of this bill similarly provides that provisions relating to proceedings that otherwise concern the termination of parental rights of the parent of an Indian child do not apply in certain circumstances if a parent of an Indian child is voluntarily terminating his or her parental rights and an extended family member of the Indian child is subsequently adopting the Indian child upon the termination of the parental rights of the parent.

Section 65 of this bill requires the Division to adopt regulations necessary for the implementation of **sections 2-38 and 42-50**.

Section 67 of this bill requires an agency which provides child welfare services to provide training for its personnel regarding the requirements of **sections 2-38 and 42-50**.

Sections 40, 51-62 and 64-70 of this bill make conforming changes to provisions of existing law to reflect the changes made in **sections 2-38**. **Section 78** of this bill repeals certain provisions of existing law that are no longer necessary because of the provisions of **sections 2-38**.

Section 72 of this bill requires the Division and the Court Administrator to submit biennial reports to the Chairs of the Senate and Assembly Standing Committees on Judiciary containing certain data relating to Indian children in dependency proceedings. **Section 76** of this bill authorizes the Court Administrator to adopt any rules necessary to implement **sections 2-38 and 42-50**.

4. The value to the Indian child of establishing, developing or maintaining a political, cultural, social and spiritual relationship with the Indian child's tribe and tribal community; and

5. The importance to the Indian child of the Indian tribe's ability to maintain the tribe's existence and integrity in promotion of the stability and security of Indian children and families.

Sec. 21. ***For purposes of sections 2 to 38, inclusive, of this act:***

1. A person's domicile is the place the person regards as home, where the person intends to remain or to which, if absent, the person intends to return.

2. An Indian child's domicile is, in order of priority, the domicile of:

(a) The Indian child's parents or, if the Indian child's parents do not have the same domicile, the Indian child's parent who has physical custody of the Indian child;

(b) The Indian child's Indian custodian; or

(c) The Indian child's guardian.

Sec. 22. *1. Unless an Indian child's parent objects, the appropriate agency shall provide assistance with enrolling an Indian child within the jurisdiction of the juvenile court under NRS 432B.410 in a tribe with which the child is eligible for enrollment.*

2. In any child custody proceeding under chapter 432B of NRS, if the appropriate agency reasonably believes that the Indian child is eligible for enrollment in a tribe, the agency shall notify the Indian child's parents of their right to object to the agency's assistance under subsection 1. The provision of notice pursuant to this subsection is deemed to be satisfied by sending the notice to the last known mailing address of each of the Indian child's parents.

Sec. 23. *1. In a child custody proceeding in which an Indian child is alleged to be within the jurisdiction of the court, the Indian child's tribe is:*

(a) If the Indian child is a member of or is eligible for membership in only one tribe, the tribe of which the Indian child is a member or eligible for membership.

(b) If the Indian child is a member of one tribe but is eligible for membership in one or more other tribes, the tribe of which the Indian child is a member.

(c) If the Indian child is a member of more than one tribe or if the Indian child is not a member of any tribe but is eligible for membership with more than one tribe:

(1) The tribe designated by agreement between the tribes of which the Indian child is a member or in which the Indian child is eligible for membership; or

(2) If the tribes are unable to agree on the designation of the Indian child's tribe, the tribe designated by the court.

2. When designating an Indian child's tribe under subparagraph (2) of paragraph (c) of subsection 1, the court shall, after a hearing, designate the tribe with which the Indian child has the more significant contacts, taking into consideration the following:

(a) The preference of the Indian child's parent;

(b) The duration of the Indian child's current or prior domicile or residence on or near the reservation of each tribe;

(c) The tribal membership of the Indian child's custodial parent or Indian custodian;

(d) The interests asserted by each tribe;

(e) Whether a tribe has previously adjudicated a case involving the Indian child; and

(f) If the court determines that the Indian child is of sufficient age and capacity to meaningfully self-identify, the self-identification of the Indian child.

3. If an Indian child is a member of or is eligible for membership in more than one tribe, the court may, in its discretion, permit a tribe, in addition to the Indian child's tribe, to participate in a proceeding under chapter 432B of NRS involving the Indian child in an advisory capacity or as a party.

Sec. 24. *In any child custody proceeding based on allegations that an Indian child is within the jurisdiction of the court, the court must determine the residence and domicile of the Indian child and whether the Indian child is a ward of tribal court. The court shall communicate with any tribal courts to the extent necessary to make a determination under this section.*

Sec. 25. *1. Agencies shall make a good faith effort to enter into a tribal-state agreement with any Indian tribe within the borders of this State. Agencies may also enter into a tribal-state agreement with any Indian tribe outside of this State having significant numbers of member children or membership-eligible children residing in this State.*

2. The purposes of a tribal-state agreement are to promote the continued existence and integrity of the Indian tribe as a political entity and to protect the vital interests of Indian children in securing and maintaining political, cultural and social relationships with their tribe.

3. A tribal-state agreement may include agreements regarding default jurisdiction over cases in which the state courts and tribal courts have concurrent jurisdiction, the transfer of cases between state courts and tribal courts, the assessment, removal, placement, custody and adoption of Indian children and any other child welfare services provided to Indian children.

4. A tribal-state agreement must:

(a) Provide for the cooperative delivery of child welfare services to Indian children in this State, including, without limitation, the utilization, to the extent available, of services provided by the tribe or an organization whose mission is to serve the American Indian or Alaska Native population to implement the terms of the tribal-state agreement; and

(b) If services provided by the tribe or an organization whose mission is to serve the American Indian or Alaska Native population are unavailable, provide for an agency's use of community services and resources developed specifically for Indian families that have the demonstrated experience and capacity to provide culturally relevant and effective services to Indian children.

Sec. 26. *1. Except as otherwise provided in this section, the court's jurisdiction in a child custody proceeding involving an Indian child is concurrent with the Indian child's tribe.*

2. The tribe has exclusive jurisdiction in a child custody proceeding involving an Indian child if:

(a) The Indian child is a ward of a tribal court of the tribe; or

(b) The Indian child resides or is domiciled within the reservation of the tribe.

3. Communications between the court and a tribal court regarding calendars, court records and similar matters may occur without informing the parties or creating a record of the communications.

4. Notwithstanding the provisions of this section, the juvenile court has temporary exclusive jurisdiction over an Indian child who is placed in protective custody pursuant to chapter 432B of NRS.

5. As used in this section, "record" means information that is inscribed on a tangible medium or that is stored in an electronic or other medium and is retrievable in perceivable form.

Sec. 27. ***1. Except as otherwise provided in subsection 4, the court shall transfer a child custody proceeding involving an Indian child if, at any time during the proceeding, the Indian child's parent, Indian custodian or tribe petitions the court to transfer the proceeding to the tribal court.***

2. Upon receipt of a transfer motion, the court shall contact the Indian child's tribe and request a timely response regarding whether the tribe intends to decline the transfer.

3. If a party objects to the transfer motion for good cause, the court shall fix the time for hearing on objections to the motion. At the hearing, the objecting party has the burden of proof of establishing by clear and convincing evidence that good cause exists to deny the transfer. If the Indian child's tribe contests the assertion that good cause exists to deny the transfer, the court shall give the tribe's argument substantial weight. When making a determination whether good cause exists to deny the transfer motion, the court may not consider:

(a) Whether the proceeding is at an advanced stage;

(b) Whether there has been a prior proceeding involving the Indian child in which a transfer motion was not filed;

(c) Whether the transfer could affect the placement of the Indian child;

(d) The cultural connections of the Indian child with the tribe or the tribe's reservation; or

(e) The socioeconomic conditions of the Indian child's tribe or any negative perception of tribal or United States Bureau of Indian Affairs' social services or judicial systems.

4. The court shall deny the transfer motion if:

(a) The tribe declines the transfer orally on the record or in writing;

(b) The Indian child's parent objects to the transfer; or

(c) The court finds by clear and convincing evidence, after hearing, that good cause exists to deny the transfer.

5. Notwithstanding paragraph (b) of subsection 4, the objection of the Indian child's parent does not preclude the transfer if:

(a) The objecting parent dies or the objecting parent's parental rights are terminated and have not been restored; and

(b) The Indian child's remaining parent, Indian custodian or tribe files a new transfer motion subsequent to the death of the objecting parent or the termination of the parental rights of the objecting parent.

6. If the court denies a transfer under this section, the court shall document the basis for the denial in a written order.

Sec. 28. *Upon granting a transfer motion under section 27 of this act, the court shall expeditiously:*

1. Notify the tribal court of the pending dismissal of the child custody proceeding;

2. Transfer all information regarding the proceeding, including, without limitation, pleadings and court records, to the tribal court;

3. If the Indian child is alleged to be within the jurisdiction of the juvenile court under NRS 432B.410, direct the appropriate agency to:

(a) Coordinate with the tribal court and the Indian child's tribe to ensure that the transfer of the proceeding and the transfer of custody of the Indian child is accomplished with minimal disruption of services to the Indian child and the Indian child's family; and

(b) Provide the Indian child's tribe with documentation related to the Indian child's eligibility for state and federal assistance and information related to the Indian child's social history, treatment diagnosis and services and other relevant case and service related data; and

4. Dismiss the proceeding upon confirmation from the tribal court that the tribal court received the transferred information.

Sec. 29. *Notwithstanding any other provision of law and in addition to any other requirements, in any child custody proceeding:*

1. Each petitioner and every other person otherwise required by the court or by any applicable law shall:

(a) Determine whether there is reason to know that the child is an Indian child; and

(b) Demonstrate to the court that he or she made efforts to determine whether a child is an Indian child.

2. The court shall:

(a) Make a finding regarding whether there is reason to know that the child is an Indian child, unless the court has previously found that the child is an Indian child; and

(b) Not enter a custody order in the matter until all applicable inquiry and notice requirements set forth in sections 2 to 38, inclusive, of this act have been met.

Sec. 30. *1. Except if the person already knows that a child is an Indian child, whenever a person is required in a child custody proceeding to determine whether there is reason to know that the child is an Indian child, the person shall make a good faith effort to determine whether the child is an Indian child, including, without limitation, by consulting with:*

(a) The child;

(b) The child's parent or parents;

(c) Any person having custody of the child or with whom the child resides;

(d) Extended family members of the child;

(e) Any other person who may reasonably be expected to have information regarding the child's membership or eligibility for membership in an Indian tribe; and

(f) Any Indian tribe of which the child may be a member or of which the child may be eligible for membership.

2. A court or person has reason to know that a child is an Indian child if:

(a) The person knows that the child is an Indian child;

(b) The court has found that the child is an Indian child or that there is reason to know that the child is an Indian child;

(c) Any person present in the proceeding, officer of the court involved in the proceeding, Indian tribe, Indian organization or agency informs the court or the person that the child is an Indian child or that information has been discovered indicating that the child is an Indian child;

(d) The child indicates to the court or the person that the child is an Indian child;

(e) The court or the person is informed that the domicile or residence of the child, the child's parent or the child's Indian custodian is on a reservation or in an Alaska Native village;

(f) The court or the person is informed that the child is or has been a ward of a tribal court;

(g) The court or the person is informed that the child or the child's parent possesses an identification card or other record indicating membership in an Indian tribe;

(h) Testimony or documents presented to the court indicate in any way that the child may be an Indian child; or

(i) Any other indicia provided to the court or the person, or within the knowledge of the court or the person, indicates that the child is an Indian child.

3. Except as otherwise provided in section 49 of this act, whenever a person is required to demonstrate to the court in a child custody proceeding that the person made efforts to determine whether a child is an Indian child, the court shall make written findings regarding whether the person satisfied the inquiry requirements under subsection 1 and whether the child is an Indian child or whether there is reason to know that the child is an Indian child. At the commencement of any hearing in an emergency proceeding or a child custody proceeding, unless the court previously found that the child is an Indian child, the court shall ask, on the record, each person present on the matter whether the person has reason to know that the child is an Indian child and shall make a finding regarding whether there is reason to know that the child is an Indian child.

4. If the court finds under subsection 3 that there is:

(a) Reason to know that the child is an Indian child but the court does not have sufficient evidence to find that the child is an Indian child, the court

shall order that the inquiry as to whether the child is an Indian child continue until the court finds that the child is not an Indian child.

(b) Not reason to know that the child is an Indian child, the court shall order each party to immediately inform the court if the party receives information providing reason to know that the child is an Indian child.

5. If the court finds under subsection 3 that there is reason to know that the child is an Indian child but the court does not have sufficient evidence to make a finding that the child is or is not an Indian child, the court shall require the appropriate agency or other party to submit a report, declaration or testimony on the record that the agency or other party used due diligence to identify and work with all of the tribes of which the child may be a member or in which the child may be eligible for membership to verify whether the child is a member or is eligible for membership.

6. A person making an inquiry under this section shall request that any tribe receiving information under this section keep documents and information regarding the inquiry confidential if the proceeding arises under chapter 432B of NRS or a consenting parent in an adoption proceeding requests anonymity. A request from a consenting parent for anonymity does not relieve the court or any party in an adoption proceeding from the duty to verify whether the child is an Indian child.

Sec. 31. ***1. In an emergency proceeding, the person taking a child into protective custody must make a good faith effort to determine whether there is reason to know that the child is an Indian child and, if there is reason to know that the child is an Indian child and the nature of the emergency allows, the appropriate agency shall notify by telephone, electronic mail, facsimile or other means of immediate communication any tribe of which the child is or may be a member. Notification under this subsection must include the basis for the child's removal, the time, date and place of the initial hearing and a statement that the tribe has the right to participate in the proceeding as a party or in an advisory capacity.***

2. Except as provided in subsection 1, if there is reason to know that a child in a child custody proceeding who is alleged to be within the court's jurisdiction is an Indian child and notice is required, the party providing notice shall:

(a) Promptly send notice of the proceeding as described in subsection 3; and

(b) File a copy of each notice sent pursuant to this section with the court, together with any return receipts or other proof of service.

3. Notice under subsection 2 must be:

(a) Sent to:

(1) Each tribe of which the child may be a member or of which the Indian child may be eligible for membership; or

(2) The appropriate Regional Director of the United States Bureau of Indian Affairs listed in 25 C.F.R. § 23.11(b), if the identity or location of the child's tribe cannot be ascertained.

(b) Sent by registered or certified mail, return receipt requested.

(c) In clear and understandable language and include the following:

(1) The child's name, date of birth and, if known, place of birth;

(2) To the extent known:

(I) All names, including maiden, married and former names or aliases, of the child's parents, the places of birth of the child's parents' and tribal enrollment numbers; and

(II) The names, dates of birth, places of birth and tribal enrollment information of other direct lineal ancestors of the child;

(3) The name of each Indian tribe of which the child is a member or in which the Indian child may be eligible for membership;

(4) If notice is required to be sent to the appropriate Regional Director of the United States Bureau of Indian Affairs under subparagraph (2) of paragraph (a), to the extent known, information regarding the child's direct lineal ancestors, an ancestral chart for each biological parent, and the child's tribal affiliations and blood quantum;

(5) In a child custody proceeding, a copy of the petition or motion initiating the proceeding and, if a hearing has been scheduled, information on the date, time and location of the hearing;

(6) The name of the petitioner and the name and address of the attorney of the petitioner;

(7) In a proceeding under chapter 432B of NRS:

(I) A statement that the child's parent or Indian custodian has the right to participate in the proceeding as a party to the proceeding;

(II) A statement that the child's tribe has the right to participate in the proceeding as a party or in an advisory capacity;

(III) A statement that if the court determines that the child's parent or Indian custodian is unable to afford counsel, the parent or Indian custodian has the right to court-appointed counsel; and

(IV) A statement that the child's parent, Indian custodian or tribe has the right, upon request, to up to 20 additional days to prepare for the proceeding;

(8) A statement that the child's parent, Indian custodian or tribe has the right to petition the court to transfer the child custody proceeding to the tribal court;

(9) A statement describing the potential legal consequences of the proceeding on the future parental and custodial rights of the parent or Indian custodian;

(10) The mailing addresses and telephone numbers of the court and contact information for all parties to the proceeding; and

(11) A statement that the information contained in the notice is confidential and that the notice should not be shared with any person not needing the information to exercise rights under sections 2 to 38, inclusive, of this act.

4. If there is a reason to know that the Indian child's parent or Indian custodian has limited English proficiency, the court must provide language access services as required by Title VI of the Civil Rights Act of 1964, 42 U.S.C. §§ 2000d et seq., and other applicable federal and state laws. If the court is unable to secure translation or interpretation support, the court shall contact or direct a party to contact the Indian child's tribe or the local office of the United States Bureau of Indian Affairs for assistance identifying a qualified translator or interpreter.

5. If a child is known to be an Indian child, a hearing may not be held until at least 10 days after the receipt of the notice by the Indian child's tribe or, if applicable, the United States Bureau of Indian Affairs. Upon request, the court shall grant the Indian child's parent, Indian custodian or tribe up to 20 additional days from the date upon which notice was received by the tribe to prepare for participation in the hearing. Nothing in this subsection prevents a court at an emergency proceeding before the expiration of the waiting period described in this subsection from reviewing the removal of an Indian child from the Indian child's parent or Indian custodian to determine whether the removal or placement is no longer necessary to prevent imminent physical damage or harm to the Indian child.

Sec. 32. *1. In any child custody proceeding that requires the testimony of a qualified expert witness, the petitioner shall contact the Indian child's tribe and request that the tribe identify one or more persons meeting the criteria described in subsection 3 or 4. The petitioner may also request the assistance of the United States Bureau of Indian Affairs in locating persons meeting the criteria described in subsection 3 or 4.*

2. At a hearing in a child custody proceeding, if the court has found that a child is an Indian child, at least one qualified expert witness must testify regarding whether the continued custody of the Indian child by the child's parent or custody by the child's Indian custodian is likely to result in serious emotional or physical damage to the Indian child.

3. A person is a qualified expert witness under this section if the Indian child's tribe has designated the person as being qualified to testify to the prevailing social and cultural standards of the tribe.

4. If the Indian child's tribe has not identified a qualified expert witness, the following persons, in order of priority, may testify as a qualified expert witness:

(a) A member of the Indian child's tribe or another person who is recognized by the tribe as knowledgeable about tribal customs regarding family organization or child rearing practices;

(b) A person having substantial experience in the delivery of child and family services to Indians and extensive knowledge of prevailing social and cultural standards and child rearing practices within the Indian child's tribe; or

(c) Any person having substantial experience in the delivery of child and family services to Indians and knowledge of prevailing social and cultural

standards and child rearing practices in Indian tribes with cultural similarities to the child's tribe.

5. In addition to testimony from a qualified expert witness, the court may hear supplemental testimony regarding information described in subsection 2 from a professional having substantial education and experience in the area of the professional's specialty.

6. No petitioning party, employees of the petitioning party or an employee of an agency may serve as a qualified expert witness or a professional under this section.

Sec. 33. ***1. If a child in a child custody proceeding is an Indian child and active efforts are required, the court must determine whether active efforts have been made to prevent the breakup of the family or to reunite the family.***

2. Active efforts require a higher standard of conduct than reasonable efforts.

3. Active efforts must:

(a) Be documented in detail in writing and on the record;

(b) If the child is alleged to be within the jurisdiction of the juvenile court under NRS 432B.410, include assisting the Indian child's parent or parents or Indian custodian through the steps of a case plan;

(c) Include, to the extent possible, providing assistance with the cooperation of the Indian child's tribe;

(d) Be conducted in partnership with the Indian child and the Indian child's parents, extended family members, Indian custodians and tribe; and

(e) Be tailored to the facts and circumstances of the case.

4. As used in this section, "active efforts" means efforts that are affirmative, active, thorough, timely and intended to maintain or reunite an Indian child with the Indian child's family.

Sec. 34. ***1. Notwithstanding the provisions of NRS 7.285, a tribe that is a party to a child custody proceeding may be represented by any person, regardless of whether the person is licensed to practice law.***

2. An attorney who is not barred from practicing law in this State may appear in any proceeding involving an Indian child without associating with local counsel if the attorney establishes to the satisfaction of the State Bar of Nevada that:

(a) The attorney will appear in a court in this State for the limited purpose of participating in a proceeding under chapter 432B of NRS subject to the provisions of sections 2 to 38, inclusive, of this act;

(b) The attorney represents an Indian child's parent, Indian custodian or tribe; and

(c) The Indian child's tribe has affirmed the Indian child's membership or eligibility for membership under tribal law.

3. An Indian custodian or tribe may notify the court, orally on the record or in writing, that the Indian custodian or tribe withdraws as a party to the proceeding.

Sec. 35. *1. If a child in a proceeding under chapter 432B of NRS is an Indian child:*

(a) The court shall appoint counsel to represent the Indian child.

(b) If the Indian child's parent or Indian custodian requests counsel to represent the parent or Indian custodian but is without sufficient financial means to employ suitable counsel possessing skills and experience commensurate with the nature of the petition and the complexity of the case, the court shall appoint suitable counsel to represent the Indian child's parent or Indian custodian if the parent or Indian custodian is determined to be financially eligible for the appointment of such counsel.

2. Except as otherwise provided in this subsection, upon presentation of the order of appointment under this section by the attorney for the Indian child, any agency, hospital, school organization, division or department of this State, doctor, nurse or other health care provider, psychologist, psychiatrist, law enforcement agency or mental health clinic shall permit the attorney for the Indian child to inspect and copy any records of the Indian child involved in the case, without the consent of the Indian child or the Indian child's parent or Indian custodian. This subsection does not apply to records of a law enforcement agency relating to an ongoing investigation before bringing charges.

Sec. 36. *1. In any child custody proceeding, if the child is an Indian child, each party has the right to timely examine all reports or other documents held by an agency that are not otherwise subject to a discovery exception or precluded under state or federal law.*

2. The preservation of confidentiality under this section does not relieve the court or any petitioners in an adoption proceeding from the duty to comply with the placement preferences under section 37 of this act if the child is an Indian child.

Sec. 37. *1. Except as otherwise provided in subsection 3, if the parental rights of an Indian child's parents have not been terminated and the Indian child is in need of placement or continuation in substitute care, the child must be placed in the least restrictive setting that:*

(a) Most closely approximates a family, taking into consideration sibling attachment;

(b) Allows the Indian child's special needs, if any, to be met;

(c) Is in reasonable proximity to the Indian child's home, extended family or siblings; and

(d) Is in accordance with the order of preference established by the Indian child's tribe or, if the Indian child's tribe has not established placement preferences, is in accordance with the following order of preference:

(1) A member of the Indian child's extended family;

(2) A foster home licensed, approved or specified by the Indian child's tribe;

(3) A foster home licensed or approved by a licensing authority in this State and in which one or more of the licensed or approved foster parents is an Indian; or

(4) An institution for children that has a program suitable to meet the Indian child's needs and is approved by an Indian tribe or operated by an Indian organization.

2. Except as otherwise provided in subsection 3, if the parental rights of the Indian child's parents have been terminated and the Indian child is in need of an adoptive placement, the Indian child shall be placed:

(a) In accordance with the order of preference established by the Indian child's tribe; or

(b) If the Indian child's tribe has not established placement preferences, according to the following order of preference:

(1) With a member of the Indian child's extended family;

(2) With other members of the Indian child's tribe; or

(3) With other Indian families.

3. If an Indian child is placed outside of the placement preferences set forth in subsection 1 or 2, the party placing the child shall file a motion requesting that the court make a finding that good cause exists for placement outside of such placement preferences. If the court determines that the moving party has established, by clear and convincing evidence, that there is good cause to depart from the placement preferences under this section, the court may authorize placement in an alternative placement. The court's determination under this subsection:

(a) Must be in writing and be based on:

(1) The preferences of the Indian child;

(2) The presence of a sibling attachment that cannot be maintained through placement consistent with the placement preferences established by subsection 1 or 2;

(3) Any extraordinary physical, mental or emotional needs of the Indian child that require specialized treatment services if, despite active efforts, those services are unavailable in the community where families who meet the placement preferences under subsection 1 or 2 reside; or

(4) Whether, despite a diligent search, a placement meeting the placement preferences under this section is unavailable, as determined by the prevailing social and cultural standards of the Indian community in which the Indian child's parent or extended family resides or with which the Indian child's parent or extended family members maintain social and cultural ties.

(b) Must, in applying the placement preferences under this subsection, give weight to a parent's request for anonymity if the placement is an adoptive placement to which the parent has consented.

(c) May be informed by but not determined by the placement request of a parent of the Indian child, after the parent has reviewed the placement

options, if any, that comply with the placement preferences under this section.

(d) May not be based on:

(1) The socioeconomic conditions of the Indian child's tribe;

(2) Any perception of the tribal or United States Bureau of Indian Affairs social services or judicial systems;

(3) The distance between a placement meeting the placement preferences under this section that is located on or near a reservation and the Indian child's parent; or

(4) The ordinary bonding or attachment between the Indian child and a nonpreferred placement arising from time spent in the nonpreferred placement.

Sec. 38. ***1. A petition to vacate an order or a judgment involving an Indian child regarding jurisdiction, placement, guardianship or the termination of parental rights may be filed in a pending child custody proceeding involving the Indian child or, if none, in any court of competent jurisdiction by:***

(a) The Indian child who was alleged to be within the jurisdiction of the court;

(b) The Indian child's parent or Indian custodian from whose custody such child was removed or whose parental rights were terminated; or

(c) The Indian child's tribe.

2. The court shall vacate an order or judgment involving an Indian child regarding jurisdiction, placement, guardianship or the termination of parental rights if the court determines that any provision of section 26 or 27, subsection 2 or 5 of section 31, paragraph (a) or (b) of subsection 3 of section 31, subsection 1 of section 35 or section 36 of this act or, if required, subsection 2 of section 32 or section 33 or 37 of this act has been violated and the court determines it is appropriate to vacate the order or judgment.

3. If the vacated order or judgment resulted in the removal or placement of the Indian child, the court shall order the child immediately returned to the Indian child's parent or Indian custodian and the court's order must include a transition plan for the physical custody of the child, which may include protective supervision.

4. If the vacated order or judgment terminated parental rights, the court shall order the previously terminated parental rights to be restored.

5. If the State or any other party affirmatively asks the court to reconsider the issues under the vacated order or judgment, the court's findings or determinations must be readjudicated.

6. As used in this section, "termination of parental rights" includes, without limitation, the involuntary termination of parental rights under chapter 128 or 432B of NRS.

Sec. 39. (Deleted by amendment.)

(c) An Indian child is being adopted by a stepparent or other nonbiological parent in a confirmatory adoption.

the court to make the findings required pursuant to subsection 2. Nothing in this section requires the agency to make a determination of law regarding the documentation provided by the petitioner.

2. Upon receiving an ICWA compliance report, the court shall order the matter to proceed if the court finds that the petitioner satisfied the inquiry requirements under subsection 1 of section 30 of this act and, if applicable, the notice requirements under subsection 2 of section 31 of this act. 3. The Division shall adopt regulations providing a nonexhaustive description of the documentation that petitioners or moving parties in proceedings under this chapter may submit to the court to document compliance with the inquiry requirements under subsection 1 of section 30 of this act and notice requirements under subsection 2 of section 31 of this act and the placement preferences under section 37 of this act, including, without limitation:

6. The Court Administrator may design and offer trainings to courts having jurisdiction over adoption matters regarding the application of sections 2 to 38, inclusive, of this act and sections 42 to 50, inclusive, of this act to adoptions of minor children, including, without limitation, identifying when there is reason to know that the child is an Indian child and making findings regarding the sufficiency of inquiry and notice and the appropriateness of adoptive placements.

7. As used in this section, "ICWA compliance report" means a written report prepared by an agency which provides child welfare services concerning compliance with the Indian Child Welfare Act.

Sec. 50. ***1. If the court determines that tribal customary adoption is in the best interests, as described in section 20 of this act, of a ward who is an Indian child and the Indian child's tribe consents to the tribal customary adoption:***

(a) The appropriate agency which provides child welfare services shall provide the Indian child's tribe and proposed tribal customary adoptive parents with a written report on the Indian child, including, without limitation, to the extent not otherwise prohibited by state or federal law, the medical background, if known, of the Indian child's parents, and the Indian child's educational information, developmental history and medical background, including all known diagnostic information, current medical reports and any psychological evaluations.

(2) Uses the prevailing social and cultural standards of the Indian child's tribe as the standards for evaluation of the proposed adoptive placement;

(3) Includes an evaluation of the background, safety and health information of the proposed adoptive placement, including the biological, psychological and social factors of the proposed adoptive placement and assessment of the commitment, capability and suitability of the proposed adoptive placement to meet the Indian child's needs; and

(4) Except where the proposed adoptive placement is the Indian child's current foster care placement, is completed before the placement of the Indian child in the proposed adoptive placement.

(c) Notwithstanding subsection 2, the court may not accept the tribe's order or judgment of tribal customary adoption if any adult living in the proposed adoptive placement has a felony conviction for child abuse or neglect, spousal abuse, crimes against a child, including child pornography, or a crime involving violence. The Division shall, by regulation, define "crime involving violence" for the purposes of this paragraph. The definition must include rape, sexual assault and homicide, but must not include other physical assault or battery.

2. The court shall accept an order or judgment for tribal customary adoption that is filed by the Indian child's tribe if:

(a) The court determines that tribal customary adoption is an appropriate permanent placement option for the Indian child;

(b) The court finds that the tribal customary adoption is in the Indian child's best interests, as described in section 20 of this act; and

(c) The order or judgment:

(1) Includes a description of the modification of the legal relationship of the Indian child's parents or Indian custodian and the Indian child, including any contact between the Indian child and the Indian child's parents or Indian custodian, responsibilities of the Indian child's parents or Indian custodian and the rights of inheritance of the parents and Indian child;

In addition to the requirements under section 45 of this act, the judgment of adoption must include a statement that any parental rights or obligations not specified in the judgment are transferred to the tribal customary adoptive parents and a description of any parental rights or duties retained by the Indian child's parents, the rights of inheritance of the parents and Indian child and the Indian child's legal relationship with the child's tribe.

5. A tribal customary adoption under this section does not require the consent of the Indian child or the child's parents.

6. Upon the court's entry of a judgment of adoption under this section, the court's jurisdiction over the Indian child terminates.

7. Any parental rights or obligations not specifically retained by the Indian child's parents in the judgment of adoption are conclusively presumed to transfer to the tribal customary adoptive parents.

8. This section remains operative only to the extent that compliance with the provisions of this section do not conflict with federal law as a condition of receiving funding under Title IV-E of the Social Security Act, 42 U.S.C. §§ 601 et seq.

9. The Division shall adopt regulations requiring that any report regarding a ward who is an Indian child that an agency which provides child welfare services submits to the court, including any home studies, placement reports or other reports required by law must address tribal customary adoption as a permanency option. The Supreme Court may adopt rules necessary for the court processes to implement the provisions of this section, and the Court Administrator may prepare necessary forms for the implementation of this section.

10. As used in this section, "tribal customary adoption" means the adoption of an Indian child, by and through the tribal custom, traditions or law of the child's tribe, and which may be effected without the termination of parental rights.

Legislative Counsel's Digest:

The federal Indian Child Welfare Act, 25 U.S.C. §§ 1901 et seq., was enacted in 1978 to protect Indian children from the removal from their homes and families and gives Indian tribes jurisdiction over the Indian children within their tribe. Existing Nevada law recognizes the jurisdiction of Indian tribes in various proceedings relating to the custody, adoption or protection of Indian children or the termination of parental rights. (NRS 3.223, 62D.210, 125A.215, 127.010, 127.018, 128.020, 128.023, 432B.410, 432B.425) This bill establishes various provisions governing proceedings relating to the custody, adoption or protection of Indian children or the termination of parental rights to provide additional protections for Indian children in state law.

Sections 2-38 of this bill establish provisions concerning proceedings in which the legal or physical custody of an Indian child is an issue. **Section 2** of this bill explains the legislative intent of **sections 2-38**. **Sections 3.5-17** of this bill define terms for the purposes of **sections 2-38**. **Section 17.5** of this bill provides that the provisions of **sections 2-38** do not apply if: (1) in certain circumstances, a parent of an Indian child is voluntarily terminating his or her parental rights and an extended family member of the Indian child is subsequently adopting the Indian child upon the termination of the parental rights of the parent; (2) **a family member related within the third degree of**

consanguinity to an Indian child is adopting the Indian child; (3) an Indian child **who was conceived by means of assisted reproduction** is being adopted **;** ~~[after being born to a gestational carrier pursuant to a gestational agreement;]~~ or ~~[(3)]~~ **(4)** an Indian child is being adopted by a stepparent or other nonbiological parent in a confirmatory adoption.

Section 18 of this bill provides that a person has custody of an Indian child if the person has physical or legal custody of the Indian child under any applicable tribal law, tribal custom or state law.

Section 20 of this bill requires a court to consider certain factors, in consultation with the Indian child's tribe, when making a determination regarding the best interests of the Indian child in a child custody proceeding. **Section 21** of this bill establishes the order of priority for the domicile of an Indian child.

Section 22 of this bill requires the appropriate agency which provides child welfare services to: (1) provide assistance with enrolling an Indian child who is a child in need of protection or who may be in need of protection in a tribe with which the child is eligible for enrollment unless the Indian child's parent objects; and (2) notify the Indian child's parent of his or her right to object to such assistance from the agency.

Section 23 of this bill sets forth the manner in which the tribe of an Indian child is determined for purposes of a child custody proceeding involving the Indian child and, if the Indian child is a member of or eligible for membership with more than one tribe, requires the court to designate the tribe with which the Indian child has the more significant contacts by considering certain factors.

Section 24 of this bill requires a court to: (1) determine, in any child custody proceeding involving an Indian child, the residence and domicile of the Indian child and whether he or she is a ward of a tribal court; and (2) communicate with any tribal courts to the extent necessary to make such determinations.

Section 25 of this bill requires agencies which provide child welfare services to make a good faith effort to enter into a tribal-state agreement with any Indian tribe in Nevada and authorizes such agencies to enter into a tribal-state agreement with any Indian tribe outside of Nevada if the tribe has significant numbers of Indian children who reside in Nevada and are members of or eligible for membership with the tribe. **Section 25** also establishes provisions concerning the contents of and requirements regarding such tribal-state agreements.

Section 26 of this bill provides that the jurisdiction of a court in a child custody proceeding involving an Indian child is concurrent with the jurisdiction of the tribe of the Indian child. **Section 26** also establishes the circumstances in which the tribe of an Indian child has exclusive jurisdiction in such cases.

Section 27 of this bill requires, in general, a court to transfer a child custody proceeding involving an Indian child if the parent, Indian custodian or tribe of the Indian child petitions the court to transfer the proceeding to tribal court.

Section 27 also establishes various other provisions regarding such a transfer and the denial of such a transfer by the court. **Section 28** of this bill sets forth the actions that a court is required to take upon granting a transfer motion under **section 27**.

~~[Section 29 of this bill establishes requirements for certain persons and the court with regard to determining whether a child is an Indian child in child custody proceedings.]~~

Section 30 of this bill ~~[provides that]~~ **requires a court to ask each party** in a child custody proceeding, ~~[if a person is required to determine whether a]~~ **at the commencement of the proceeding, whether the party knows or has reason to know that the** child is an Indian child**.** ~~[, the person is required to make a good faith effort to make such a determination by consulting with certain persons.]~~ **Section 30** ~~[also]~~ establishes the circumstances in which a court ~~[or person]~~ has reason to know that a child is an Indian child and imposes certain requirements on a court ~~[concerning the procedure for verifying whether]~~ **if there is reason to know that** a child is an Indian child**.** ~~[.]~~ **but the court does not have sufficient evidence to determine whether the child is an Indian child.**

Section 31 of this bill requires the person taking a child into protective custody in an emergency proceeding to make a good faith effort to determine whether there is reason to know that the child is an Indian child and, if there is reason to know that the child is an Indian child, the appropriate agency which provides child welfare services is required, if the nature of the emergency allows, to notify any tribe of which the child is or may be a member and provide certain information, including a statement that the tribe has a right to participate in the proceeding as a party or in an advisory capacity. **Section 31** also imposes certain requirements relating to: (1) the provision of notice of a child custody proceeding if there is reason to know that a child alleged to be within the court's jurisdiction is an Indian child; and (2) the hearing regarding the proceeding.

Section 32 of this bill provides that if a court finds at a hearing in a child custody proceeding that a child is an Indian child, at least one qualified expert witness must testify regarding certain information. If a qualified witness is required to testify, **section 32** requires the petitioner in the proceeding to contact the tribe of the Indian child and request that the tribe identify one or more persons who can testify as a qualified witness. Additionally, **section 32** authorizes a court to hear supplemental testimony from certain professionals.

Section 33 of this bill provides that if a child in a child custody proceeding is an Indian child and active efforts, which are efforts that are affirmative, active, thorough, timely and intended to maintain or reunite an Indian child with the Indian child's family, are required, the court is required to determine whether active efforts have been made to prevent the breakup of or to reunite the family. **Section 33** establishes requirements relating to active efforts.

Section 34 of this bill authorizes a tribe that is a party to a proceeding to be represented by any person, regardless of whether the person is licensed to

practice law. **Section 34** also authorizes an attorney who is not barred from practicing law in Nevada to appear in any proceeding involving an Indian child without associating with local counsel if the attorney establishes to the satisfaction of the State Bar of Nevada that certain requirements are met.

Section 35 of this bill provides that in a proceeding involving a child who is or may be in need of protection, if the child is an Indian child, the court is required to appoint counsel to represent the Indian child and, in certain circumstances, also appoint counsel to represent the Indian child's parent or Indian custodian. **Section 35** also authorizes an attorney who is appointed to represent an Indian child to inspect certain records of the Indian child without the consent of the Indian child or his or her parent or Indian custodian.

Section 36 of this bill authorizes each party in a child custody proceeding in which the child is an Indian child to timely examine all reports and documents held by an agency which provides child welfare services that are not otherwise subject to a discovery exception or precluded under state or federal law.

Section 37 of this bill establishes requirements concerning the: (1) least restrictive setting in which an Indian child must be placed if the parental rights of the Indian child's parents have not been terminated and the Indian child is in need of placement or continuation in substitute care; and (2) placement of an Indian child if the parental rights of the Indian child's parents have been terminated and the Indian child is in need of an adoptive placement. **Section 37** also authorizes the alternative placement of an Indian child in certain circumstances.

Section 38 of this bill authorizes certain persons to file a petition to vacate an order or a judgment involving an Indian child regarding jurisdiction, placement, guardianship or the termination of parental rights in a pending child custody proceeding under **sections 2-38** or, if no proceeding is pending, in any court with jurisdiction over the matter. **Section 38** requires the court to vacate an order or judgment regarding jurisdiction, placement, guardianship or the termination of parental rights if certain provisions of **sections 2-38** have been violated and the court determines that vacating the order or judgment is proper.

Sections 42-50 of this bill establish provisions specifically relating to the adoption of Indian children. **Section 42** of this bill provides that a petition for adoption of a child must include certain contents concerning whether there is reason to know that the child who is the subject of the petition is an Indian child and requires a petitioner who has reason to know that the child is an Indian child to serve copies of the petition on certain persons and file with the court a declaration of compliance concerning such notice. **Section 43** of this bill: (1) requires written consent to the adoption of an Indian child to be given by the Indian child's parents unless their parental rights have been terminated; (2) establishes requirements concerning such consent; and (3) authorizes the withdrawal of such consent.

Section 45 of this bill establishes provisions concerning the entry of a judgment for the adoption of a child, including certain requirements relating to the adoption of an Indian child. **Section 46** of this bill authorizes the filing

of a petition to vacate a judgment of adoption of an Indian child and requires the court to vacate the judgment if the petition is timely filed and the court finds by clear and convincing evidence that the consent of a parent to the adoption was obtained through fraud or duress. **Section 47** of this bill requires a court to provide notice to certain persons and the appropriate agency which provides child welfare services if a judgment of adoption of an Indian child is vacated and, unless the return of custody of the Indian child to a former parent or prior Indian custodian or the restoration of parental rights is not in the best interests of the child, return custody of the Indian child to the former parent or prior Indian custodian or restore parental rights.

Section 48 of this bill requires that access to the adoption records of an Indian child be given to the Indian child's tribe or the United States Secretary of the Interior not later than 14 days after the request for such records.

Section 49 of this bill requires the appropriate agency which provides child welfare services to file with the court in a proceeding for the adoption of a minor child a written compliance report that reflects the agency's review of the petition for adoption and advises the court on whether the petitioner submitted complete and sufficient documentation relating to the petitioner's compliance with the ~~[inquiry and]~~ notice requirements and placement preferences. **Section 49** requires the Division of Child and Family Services of the Department of Health and Human Services (hereinafter "Division") to adopt regulations providing a nonexhaustive description of the documentation that may be submitted to the court as evidence of such compliance and any other regulations for the preparation of such compliance reports that are necessary for agencies which provide child welfare services to carry out their duties. **Section 49** also authorizes the Court Administrator to prepare and make available to the public certain forms and information to assist petitioners and to design and offer trainings to courts having jurisdiction over adoption matters.

Section 50 of this bill establishes provisions governing tribal customary adoption, which is the adoption of an Indian child by and through the tribal custom, traditions or law of the child's tribe without the termination of parental rights. **Section 50** requires the Division to adopt certain regulations concerning tribal customary adoption and authorizes: (1) the Supreme Court to adopt rules necessary for the court processes to implement the provisions relating to tribal customary adoption; and (2) the Court Administrator to prepare necessary forms for the implementation of the provisions relating to tribal customary adoption. **Section 73** of this bill requires the Division to submit a report to the Chairs of the Senate and Assembly Standing Committees on Judiciary describing the implementation of tribal customary adoption as an alternative permanency option for wards who are Indian children and the Division's recommendation for proposed legislation to improve the tribal customary adoption process.

Section 41.5 of this bill provides that the provisions of **sections 42-50** do not apply if: (1) in certain circumstances, a parent of an Indian child is

voluntarily terminating his or her parental rights and an extended family member of the Indian child is subsequently adopting the Indian child upon the termination of the parental rights of the parent; (2) **a family member within the third degree of consanguinity of an Indian child is adopting the Indian child; (3)** an Indian child **who was conceived by means of assisted reproduction** is being adopted **;** ~~[after being born to a gestational carrier pursuant to a gestational agreement;]~~ or ~~[(3)]~~ **(4)** an Indian child is being adopted by a stepparent or other nonbiological parent in a confirmatory adoption. **Section 57** of this bill similarly provides that provisions relating to proceedings that otherwise concern the termination of parental rights of the parent of an Indian child do not apply in certain circumstances if a parent of an Indian child is voluntarily terminating his or her parental rights and an extended family member of the Indian child is subsequently adopting the Indian child upon the termination of the parental rights of the parent.

Section 65 of this bill requires the Division to adopt regulations necessary for the implementation of **sections 2-38 and 42-50**.

Section 67 of this bill requires an agency which provides child welfare services to provide training for its personnel regarding the requirements of **sections 2-38 and 42-50**.

Sections 40, 51-62 and 64-70 of this bill make conforming changes to provisions of existing law to reflect the changes made in **sections 2-38**. **Section 78** of this bill repeals certain provisions of existing law that are no longer necessary because of the provisions of **sections 2-38**.

Section 72 of this bill requires the Division and the Court Administrator to submit biennial reports to the Chairs of the Senate and Assembly Standing Committees on Judiciary containing certain data relating to Indian children in dependency proceedings. **Section 76** of this bill authorizes the Court Administrator to adopt any rules necessary to implement **sections 2-38 and 42-50**.

(c) The court finds by clear and convincing evidence, after hearing, that good cause exists to deny the transfer.

5. Notwithstanding paragraph (b) of subsection 4, the objection of the Indian child's parent does not preclude the transfer if:

(a) The objecting parent dies or the objecting parent's parental rights are terminated and have not been restored; and

(b) The Indian child's remaining parent, Indian custodian or tribe files a new transfer motion subsequent to the death of the objecting parent or the termination of the parental rights of the objecting parent.

6. If the court denies a transfer under this section, the court shall document the basis for the denial in a written order.

Sec. 28. *Upon granting a transfer motion under section 27 of this act, the court shall expeditiously:*

At the commencement of any hearing in an emergency proceeding or a child custody proceeding, unless the court previously found that the child is an Indian child, the court shall ask, on the record, each person present on the matter whether the person has reason to know that the child is an Indian child and shall make a finding regarding whether there is reason to know that the child is an Indian child.~~

(II) A statement that the child's tribe has the right to participate in the proceeding as a party or in an advisory capacity;

(III) A statement that if the court determines that the child's parent or Indian custodian is unable to afford counsel, the parent or Indian custodian has the right to court-appointed counsel; and

(IV) A statement that the child's parent, Indian custodian or tribe has the right, upon request, to up to 20 additional days to prepare for the proceeding;

(8) A statement that the child's parent, Indian custodian or tribe has the right to petition the court to transfer the child custody proceeding to the tribal court;

4. If there is a reason to know that the Indian child's parent or Indian custodian has limited English proficiency, the court must provide language access services as required by Title VI of the Civil Rights Act of 1964,

42 U.S.C. §§ 2000d et seq., and other applicable federal and state laws. If the court is unable to secure translation or interpretation support, the court shall contact or direct a party to contact the Indian child's tribe or the local office of the United States Bureau of Indian Affairs for assistance identifying a qualified translator or interpreter.

5. If a child is known to be an Indian child, a hearing may not be held until at least 10 days after the receipt of the notice by the Indian child's tribe or, if applicable, the United States Bureau of Indian Affairs. Upon request, the court shall grant the Indian child's parent, Indian custodian or tribe up to 20 additional days from the date upon which notice was received by the tribe to prepare for participation in the hearing. Nothing in this subsection prevents a court at an emergency proceeding before the expiration of the waiting period described in this subsection from reviewing the removal of an Indian child from the Indian child's parent or Indian custodian to determine whether the removal or placement is no longer necessary to prevent imminent physical damage or harm to the Indian child.

Sec. 32. ***1. In any child custody proceeding <u>involving an Indian child</u> that requires the testimony of a qualified expert witness, the petitioner shall contact the Indian child's tribe and request that the tribe identify one or more persons meeting the criteria described in subsection 3 or 4. The petitioner may also request the assistance of the United States Bureau of Indian Affairs in locating persons meeting the criteria described in subsection 3 or 4.***

2. At a hearing in a child custody proceeding, if the court has found that a child is an Indian child, at least one qualified expert witness must testify regarding whether the continued custody of the Indian child by the child's parent or custody by the child's Indian custodian is likely to result in serious emotional or physical damage to the Indian child.

3. A person is a qualified expert witness under this section if the Indian child's tribe has designated the person as being qualified to testify to the prevailing social and cultural standards of the tribe.

4. If the Indian child's tribe has not identified a qualified expert witness, the following persons, in order of priority, may testify as a qualified expert witness:

(a) A member of the Indian child's tribe or another person who is recognized by the tribe as knowledgeable about tribal customs regarding family organization or child rearing practices;

(b) A person having substantial experience in the delivery of child and family services to Indians and extensive knowledge of prevailing social and cultural standards and child rearing practices within the Indian child's tribe; or

(c) Any person having substantial experience in the delivery of child and family services to Indians and knowledge of prevailing social and cultural standards and child rearing practices in Indian tribes with cultural similarities to the child's tribe.

5. In addition to testimony from a qualified expert witness, the court may hear supplemental testimony regarding information described in subsection 2 from a professional having substantial education and experience in the area of the professional's specialty.

6. No petitioning party, employees of the petitioning party or an employee of an agency may serve as a qualified expert witness or a professional under this section.

Sec. 33. ***1. If a child in a child custody proceeding is an Indian child and active efforts are required, the court must determine whether active efforts have been made to prevent the breakup of the family or to reunite the family.***

2. Active efforts require a higher standard of conduct than reasonable efforts.

3. Active efforts must:

(a) Be documented in detail in writing and on the record;

(b) If the child is alleged to be within the jurisdiction of the juvenile court under NRS 432B.410, include assisting the Indian child's parent or parents or Indian custodian through the steps of a case plan;
