Amendment No. 580.

AN ACT relating to health care; revising requirements for certain health insurance plans to provide certain benefits for preventative health care relating to breast cancer; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires most health insurance plans, including individual, group and blanket health insurance policies, small employer plans, benefit contracts provided by fraternal benefit societies, contracts for hospital or medical service, health care plans of health maintenance organizations and plans issued by managed care organizations to include coverage for mammograms. (NRS 689A.0405, 689B.0374, 689C.1674, 695A.1855, 695B.1912, 695C.1735, 695G.1713) **Sections 1-5, 6 and 7** of this bill revise existing provisions requiring coverage for mammograms to require such policies, plans and contracts of health care to additionally provide coverage for imaging tests to screen for breast cancer and diagnostic imaging tests for breast cancer for certain covered persons without requiring any deductible, copayment, coinsurance or any other form of cost-sharing ~~[.]~~ **, except under certain circumstances relating to the eligibility of health savings accounts associated with policies, plans and contracts of health care that have high**

deductibles. **Sections 5.5, 6.5, 7.5 and 8** of this bill make various changes to exclude the Public Employees' Benefits Program and plans of self-insurance for employees of local governments from the requirements of this bill and, thus, the Program and such plans may, but are not required to, provide the coverage set forth in this bill. **Sections 7.2 and 7.3** of this bill make changes necessary so that requirements concerning mammograms that currently apply to the Program and plans of self-insurance for employees of local governments continue to apply to the Program and such plans. **Sections 7.7 and 7.9** of this bill make conforming changes to indicate the proper placement of **sections 7.2 and 7.3**, respectively, in the Nevada Revised Statutes.

Senate Bill No. 335.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 660.

AN ACT relating to property; authorizing tenants subject to certain **actions for summary** eviction ~~[~~proceedings~~]~~ to ~~[~~assert certain affirmative defenses relating to~~]~~ **request that the court stay the action until a decision concerning an application for** rental assistance **is made** and establishing procedures relating thereto; **requiring a landlord to accept payment of rent from a tenant and rental assistance on behalf of a tenant under certain circumstances;** authorizing a justice court to establish a diversion program for certain tenants subject to an action for summary eviction; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Existing law provides for a summary eviction procedure when the tenant of any dwelling, apartment, mobile home, recreational vehicle or commercial premises defaults in the payment of rent. (NRS 40.253) Section 9 of this bill defines the term "designated eviction proceeding" to include certain proceedings relating to the eviction of certain tenants who have defaulted in the payment of rent. Section 9 authorizes a tenant to claim as an affirmative defense to a designated eviction proceeding that: (1) the tenant has a pending application for rental assistance; or (2) the landlord of the tenant refused to participate in the application process for rental assistance or accept rental assistance provided on behalf of the tenant. Section 9 requires the court to stay the proceedings upon the assertion of such an affirmative defense for a period not to exceed 60 days unless the landlord receives an exemption. Section 9 also authorizes the landlord to file a motion to rebut the affirmative defense. If such a motion is filed by a landlord, section 9 authorizes the court to: (1) hold a hearing; or (2) maintain the stay of the proceedings for a period not to exceed 60 days. Section 9 also requires the court to: (1) dismiss the proceedings for~~

~~eviction upon the granting of the application for rental assistance and receipt of the rental assistance by the landlord under certain circumstances; or (2) deny the eviction if the tenant proves the claim that the landlord refused to participate in the application for rental assistance or accept rental assistance on behalf of the tenant. The court is authorized to award damages if an eviction is denied for such refusal. In determining the amount of damages, if any, to award to the tenant, section 9 requires the court to consider the degree of harm caused to the tenant by the refusal of the landlord to participate in the application process for rental assistance or accept the rental assistance on behalf of the tenant.]~~ **In general, existing law provides for a summary eviction procedure when a tenant defaults in the payment of rent. (NRS 40.253) Section 9 of this bill authorizes a tenant who has been served with a notice to pay rent or surrender the premises to request that the court stay an action for summary eviction based on a default in the payment of rent until a decision concerning an application for rental assistance is made. Section 9 establishes the procedure for a tenant to request such a stay and criteria for the issuance of a stay. If the court issues such a stay, section 9 authorizes a landlord to file a motion to lift the stay under certain circumstances. If an application for rental assistance is granted in an amount that will allow the tenant in an action that has been stayed to cure the default, section 9 requires the landlord to accept payment of rent from the tenant and rental assistance on behalf of the tenant. If the application for rental assistance is denied or granted in an amount that will not allow the tenant in an action that has been stayed to cure the default, section 9 requires the court to proceed with the action for summary eviction in accordance with the requirements prescribed by existing law. Section 21.2 of this bill makes a conforming change relating to the submission of an affidavit pursuant to section 9.**

In general, existing law provides for a summary eviction procedure when a tenant neglects or fails to perform a condition or covenant of a lease or agreement. (NRS 40.254) Section 9.2 of this bill authorizes a tenant who has been served with a notice to surrender the premises to request that the court stay an action for summary eviction based on neglect or failure to perform a condition or covenant of the lease or agreement until a decision concerning an application for rental assistance is made. Section 9.2 establishes the procedure for a tenant to request such a stay and criteria for the issuance of a stay. Among other requirements, section 9.2 requires the tenant to submit proof that: (1) the tenant was in default on the payment when the landlord initiated the action for summary eviction; and (2) the condition or covenant of the lease or agreement that the tenant allegedly neglected or failed to perform is not material to the lease or agreement. If the court issues such a stay, section 9.2 authorizes a landlord to file a motion to lift the stay under certain circumstances. When any stay issued by the court is lifted, section 9.2 requires the court to proceed with the action for summary eviction in

accordance with the requirements prescribed by existing law. If an application for rental assistance is granted in an amount that will allow the tenant to cure the default, section 9.2 requires the landlord to accept payment of rent from the tenant and rental assistance on behalf of the tenant. Section 21.4 makes a conforming change relating to the submission of an affidavit pursuant to section 9.2.

Sections 9.1 and 9.3 of this bill create a similar process that becomes effective if and only if Assembly Bill No. 340 of this session is enacted by the Legislature and approved by the Governor.

Section 9.5 of this bill authorizes a justice court to establish a diversion program to which it may assign an eligible tenant subject to an action for summary eviction. **Section 9.5** sets forth factors the court may consider in determining whether a tenant is eligible for assignment to such a diversion program. If the court assigns a tenant to such a diversion program, **section 9.5** requires the court to: (1) stay the pending action for summary eviction for not more than 60 days; and (2) if the tenant pays the landlord the rent that is in default or surrenders the premises before the expiration of the stay, dismiss the action.

2. To request a stay pursuant to subsection 1, a tenant must:

(a) File the written answer required by subsection 6 of section 2 of Assembly Bill No. 340 of this session with the court that has jurisdiction over

the matter within the time specified by subsection 6 of section 2 of Assembly Bill No. 340 of this session and include in the answer:

(1) A statement that the tenant has a pending application for rental assistance; and

(2) A request that the court stay the pending action for summary eviction; and

(b) Provide proof to the court of the date on which the application for rental assistance was submitted.

3. If the court determines that a written answer filed pursuant to subsection 6 of section 2 of Assembly Bill No. 340 of this session is accompanied by sufficient proof, the court shall stay the pending action for summary eviction until the applicable time described in subsection 4.

4. If the court grants a stay pursuant to subsection 3, the stay must be maintained by the court until such time as:

(a) The application for rental assistance is no longer pending or a determination is made on the pending application for rental assistance; or

(b) The court grants a motion filed pursuant to subsection 5.

5. A landlord may file a motion to lift a stay issued pursuant to subsection 3.

6. The court may grant a motion filed pursuant to subsection 5 if, at a hearing conducted on the motion, the court finds that:

(a) Evidence exists that the landlord faces a realistic threat of the foreclosure of the premises if the landlord is not able to evict the tenant, including, without limitation, evidence that:

(1) The property is subject to a lien, including, without limitation, a tax lien or lien for charges relating to utilities; or

(2) The landlord has missed three or more consecutive mortgage payments;

(b) The application for rental assistance was submitted in bad faith; or

(c) It is unlikely that:

(1) The application for rental assistance will be granted; or

(2) The tenant will be able to cure the default in the payment of rent, regardless of whether the application for rental assistance is granted.

7. If a tenant in bad faith submits an application for rental assistance, the landlord may, in a separate cause of action, recover damages from the tenant.

8. If a landlord in bad faith files a motion pursuant to subsection 5, the tenant may, in a separate cause of action, recover from the landlord an amount equal to damages, 1 month's rent or $1,000, whichever is greater, reasonable attorney's fees and costs of court.

9. If the application for rental assistance is:

(a) Granted in an amount that, together with any other available funds, will allow the tenant to cure the default in the payment of rent:

(1) The landlord must accept payment of rent from the tenant and rental assistance on behalf of the tenant; and

(2) The court must dismiss the pending action for summary eviction.

(b) Denied, or granted in amount that, together with any other available funds, will not allow the tenant to cure the default in the payment of rent, the court shall:

(1) Issue an order lifting the stay; and

(2) Hold a hearing in accordance with the requirements prescribed by subsection 7 of Assembly Bill No. 340 of this session.

10. 11. As used in this section:

(a) "Pending application for rental assistance" means an application for rental assistance submitted in good faith by a tenant. The term includes, without limitation, an application which is inactive due to any technical difficulty on the part of the tenant in the filing of the application for rental assistance that is outside of the control of the tenant. The term does not include an application for rental assistance that was started by the tenant but is not actively being pursued by the tenant.

(b) "Rental assistance" includes, without limitation, federal, state or local funds provided by a governmental entity and administered for the purpose of paying any amount of delinquent rent. The term does not include rental assistance provided pursuant to the provisions of 42 U.S.C. § 1437f.

Sec. 9.2. 1. A tenant who has been served with a notice pursuant to NRS 40.2516 may request that the court stay any action for summary eviction initiated by the landlord against the tenant pursuant to NRS 40.254 until a decision concerning an application for rental assistance is made.

2. To request a stay pursuant to subsection 1, a tenant must:

(a) File, within the time specified in NRS 40.2516, an affidavit with the court that has jurisdiction over the matter stating that the tenant has a pending application for rental assistance that was submitted before the date on which the tenant was served with the notice described in subsection 1;

(b) Provide proof to the court that:

(1) The tenant:

(I) Was in default on the payment of rent when the notice described in subsection 1 was served; and

(II) Submitted the application for rental assistance before the notice described in subsection 1 was served; and

(2) The condition or covenant of the lease or agreement that the tenant allegedly neglected or failed to perform is not material to the lease or agreement. For the purposes of this subparagraph, timely payment of rent is not material to the lease or agreement.

3. If the court determines that an affidavit filed pursuant to subsection 2 is accompanied by sufficient proof, the court may stay any action for

summary eviction initiated by the landlord against the tenant pursuant to NRS 40.254.

4. If the court grants a stay pursuant to subsection 3, the stay must be maintained by the court until such time as:

(a) The application for rental assistance is no longer pending or a determination is made on the pending application for rental assistance; or

(b) The court grants a motion filed pursuant to subsection 6.

5. When a stay issued pursuant to subsection 3 is lifted, the action for summary eviction must proceed in accordance with the requirements prescribed by NRS 40.254.

6. A landlord may file a motion to lift a stay issued pursuant to subsection 3.

7. The court may grant a motion filed pursuant to subsection 6 if, at a hearing conducted on the motion, the court finds that:

(1) The property is subject to a lien, including, without limitation, a tax lien or lien for charges relating to utilities; or

(2) The landlord has missed three or more consecutive mortgage payments;

(b) The application for rental assistance was submitted in bad faith; or

(c) It is unlikely that:

(1) The application for rental assistance will be granted; or

(2) The tenant will be able to cure the default in the payment of rent, regardless of whether the application for rental assistance is granted.

8. If a tenant in bad faith submits an application for rental assistance, the landlord may, in a separate cause of action, recover damages from the tenant.

10. If the application for rental assistance is granted in an amount that, together with any other available funds, will allow the tenant to cure the default in the payment of rent, the landlord must accept payment of rent from the tenant and rental assistance on behalf of the tenant.

11. For the purposes of subsection 4, an application for rental assistance is no longer pending if the application is not actively being pursued by the tenant, including, without limitation, by providing in a timely manner any information or documentation requested by the person or entity to whom the application was submitted.

2. To request a stay pursuant to subsection 1, a tenant must:

(a) File the written answer required by subsection 6 of section 6.5 of Assembly Bill No. 340 of this session with the court that has jurisdiction over the matter within the time specified by subsection 6 of section 6.5 of Assembly Bill No. 340 of this session and include in the answer:

(1) The property is subject to a lien, including, without limitation, a tax lien or lien for charges relating to utilities; or

(2) The landlord has missed three or more consecutive mortgage payments;

(b) The application for rental assistance was submitted in bad faith; or

8. If a tenant in bad faith submits an application for rental assistance, the landlord may, in a separate cause of action, recover damages from the tenant.

9. If a landlord in bad faith files a motion pursuant to subsection 6, the tenant may, in a separate cause of action, recover from the landlord an amount equal to damages, 1 month's rent or $1,000, whichever is greater, reasonable attorney's fees and costs of court.

10. If the application for rental assistance is granted in an amount that, together with any other available funds, will allow the tenant to cure the default in the payment of rent, the landlord must accept payment of rent from the tenant and rental assistance on behalf of the tenant.

(b) Wrap-around services.

3. If the court assigns a tenant to a diversion program established pursuant to subsection 1, the court shall:

(a) Stay the pending action for summary eviction for not more than 60 days after the date on which the tenant files an affidavit permitted in subsection 3 of NRS 40.253; and

Sec. 21.2. **NRS 40.253 is hereby amended to read as follows:**

40.253 1. Except as otherwise provided in subsection 12, in addition to the remedy provided in NRS 40.2512 and 40.290 to 40.420, inclusive, when the tenant of any dwelling, apartment, mobile home or recreational vehicle with periodic rent reserved by the month or any shorter period is in default in payment of the rent, the landlord or the landlord's agent may cause to be served a notice in writing, requiring in the alternative the payment of the rent or the surrender of the premises:

(a) Before the close of business on the seventh judicial day following the day of service; or

(b) If the landlord chooses not to proceed in the manner set forth in paragraph (a) and the rent is reserved by a period of 1 week or less and the tenancy has not continued for more than 45 days, at or before noon of the fourth full day following the day of service.

➥ As used in this subsection, "day of service" means the day the landlord or the landlord's agent personally delivers the notice to the tenant. If personal service was not so delivered, the "day of service" means the day the notice is delivered, after posting and mailing pursuant to subsection 2, to the sheriff or constable for service if the request for service is made before noon. If the request for service by the sheriff or constable is made after noon, the "day of service" shall be deemed to be the day next following the day that the request is made for service by the sheriff or constable.

2. A landlord or the landlord's agent who serves a notice to a tenant pursuant to paragraph (b) of subsection 1 shall attempt to deliver the notice in person in the manner set forth in subsection 2 of NRS 40.2542. If the notice cannot be delivered in person, the landlord or the landlord's agent:

(a) Shall post a copy of the notice in a conspicuous place on the premises and mail the notice by overnight mail; and

(b) After the notice has been posted and mailed, may deliver the notice to the sheriff or constable for service in the manner set forth in subsection 1 of NRS 40.280. The sheriff or constable shall not accept the notice for service unless it is accompanied by written evidence, signed by the tenant when the tenant took possession of the premises, that the landlord or the landlord's agent informed the tenant of the provisions of this section which set forth the lawful procedures for eviction from a short-term tenancy. Upon acceptance, the sheriff or constable shall serve the notice within 48 hours after the request for service was made by the landlord or the landlord's agent.

3. A notice served pursuant to subsection 1 or 2 must:

(a) Identify the court that has jurisdiction over the matter; and

(b) Advise the tenant:

(1) Of the tenant's right to ~~[contest]~~ **:**

(I) Contest the matter by filing, within the time specified in subsection 1 for the payment of the rent or surrender of the premises, an affidavit with the court that has jurisdiction over the matter stating that the tenant has tendered payment or is not in default in the payment of the rent; ***or***

(II) Request that the court stay any action for summary eviction initiated by the landlord against the tenant using the procedure prescribed by section 9 of this act;

(2) That if the court determines that the tenant is guilty of an unlawful detainer, the court may issue a summary order for removal of the tenant or an order providing for the nonadmittance of the tenant, directing the sheriff or constable of the county to post the order in a conspicuous place on the premises not later than 24 hours after the order is received by the sheriff or constable. The sheriff or constable shall remove the tenant not earlier than 24 hours but not later than 36 hours after the posting of the order; and

(3) That, pursuant to NRS 118A.390, a tenant may seek relief if a landlord unlawfully removes the tenant from the premises or excludes the tenant by blocking or attempting to block the tenant's entry upon the premises or willfully interrupts or causes or permits the interruption of an essential service required by the rental agreement or chapter 118A of NRS.

4. If the tenant files such an affidavit at or before the time stated in the notice, the landlord or the landlord's agent, after receipt of a file-stamped copy of the affidavit which was filed, shall not provide for the nonadmittance of the tenant to the premises by locking or otherwise.

5. Upon noncompliance with the notice:

(a) The landlord or the landlord's agent may apply by affidavit of complaint for eviction to the justice court of the township in which the dwelling, apartment, mobile home or recreational vehicle are located or to the district court of the county in which the dwelling, apartment, mobile home or recreational vehicle are located, whichever has jurisdiction over the matter. The court may thereupon issue an order directing the sheriff or constable of the county to post the order in a conspicuous place on the premises not later than 24 hours after the order is received by the sheriff or constable. The sheriff or constable shall remove the tenant not earlier than 24 hours but not later than 36 hours after the posting of the order. The affidavit must state or contain:

(1) The date the tenancy commenced.

(2) The amount of periodic rent reserved.

(3) The amounts of any cleaning, security or rent deposits paid in advance, in excess of the first month's rent, by the tenant.

(4) The date the rental payments became delinquent.

(5) The length of time the tenant has remained in possession without paying rent.

(6) The amount of rent claimed due and delinquent.

(7) A statement that the written notice was served on the tenant in accordance with NRS 40.280.

(8) A copy of the written notice served on the tenant.

(9) A copy of the signed written rental agreement, if any.

(b) Except when the tenant has timely filed the affidavit described in subsection 3 and a file-stamped copy of it has been received by the landlord or the landlord's agent, and except when the landlord is prohibited pursuant to NRS 118A.480, the landlord or the landlord's agent may, in a peaceable manner, provide for the nonadmittance of the tenant to the premises by locking or otherwise.

6. Upon the filing by the tenant of the affidavit permitted in subsection 3, regardless of the information contained in the affidavit, and the filing by the landlord of the affidavit permitted by subsection 5, the justice court or the district court shall hold a hearing, after service of notice of the hearing upon the parties, to determine the truthfulness and sufficiency of any affidavit or notice provided for in this section. If the court determines that there is no legal defense as to the alleged unlawful detainer and the tenant is guilty of an

unlawful detainer, the court may issue a summary order for removal of the tenant or an order providing for the nonadmittance of the tenant. If the court determines that there is a legal defense as to the alleged unlawful detainer, the court shall refuse to grant either party any relief, and, except as otherwise provided in this subsection, shall require that any further proceedings be conducted pursuant to NRS 40.290 to 40.420, inclusive. The issuance of a summary order for removal of the tenant does not preclude an action by the tenant for any damages or other relief to which the tenant may be entitled. If the alleged unlawful detainer was based upon subsection 5 of NRS 40.2514, the refusal by the court to grant relief does not preclude the landlord thereafter from pursuing an action for unlawful detainer in accordance with NRS 40.251.

7. The tenant may, upon payment of the appropriate fees relating to the filing and service of a motion, file a motion with the court, on a form provided by the clerk of the court, to dispute the amount of the costs, if any, claimed by the landlord pursuant to NRS 118A.460 for the inventory, moving and storage of personal property left on the premises. The motion must be filed within 20 days after the summary order for removal of the tenant or the abandonment of the premises by the tenant, or within 20 days after:

(a) The tenant has vacated or been removed from the premises; and

(b) A copy of those charges has been requested by or provided to the tenant, ➥ whichever is later.

Legislative Counsel's Digest:

Existing federal law and regulations contain various protections for health information maintained or used: (1) by a person or entity that provides health care, an insurer or a business associate of a person or entity that provides health care or an insurer; or (2) for scientific research. (42 U.S.C. §§ 11101 et seq.; Pub. L. No. 104-191, 100 Stat. 2548; 21 C.F.R. Parts 46, 50 and 56, 42 C.F.R. Parts 2 and 3, 45 C.F.R. Parts 160 and 164) **Sections 2-34** of this bill prescribe various protections for consumer health data that is maintained and used by other persons and nongovernmental entities and for other purposes. **Section 7** of this bill defines the term "consumer" to mean a natural person who has requested a product or service from a regulated entity and who resides in this State or whose consumer health data is collected in this State, except for a natural person acting in an employment context or as an agent of a governmental entity. **Section 8** of this bill defines the term "consumer health data" to mean personally identifiable information that is linked or reasonably capable of being linked to a consumer and is used by a regulated entity to identify the health status of the consumer. **Section 15** of this bill defines the term "regulated entity" to refer to a person who: (1) conducts business in this State or produces or provides products or services that are targeted to consumers in this State; and (2) determines the purpose and means of processing, sharing or selling consumer health data. **Sections 3-6, 9-11,** ~~[13,]~~ **12.5-14 and 16-19** of this bill define certain other terms. **Section 20** of this bill provides that the provisions of **sections 2-34** do not apply to certain **persons, entities and data, including: (1) certain** persons and entities whose collection

and disclosure of data is specifically regulated by federal law **;** and **(2)** certain data that is collected or disclosed under certain provisions of federal law or regulations or state law.

Section 21 of this bill requires a regulated entity to develop, maintain and make available a policy concerning the privacy of consumer health data. **Section 21** also prohibits a regulated entity from: (1) taking certain actions with regard to consumer health data that are inconsistent with the policy without the affirmative, voluntary consent of the consumer; or (2) entering into a contract for the processing of consumer health data that is inconsistent with the policy. **Section 22** of this bill generally prohibits a regulated entity from collecting or sharing consumer health data without the affirmative, voluntary consent of the consumer to whom the data relates, except to the extent necessary to provide a product or service that the consumer has requested from the regulated entity. **Section 22** of this bill prescribes certain requirements governing such consent.

Section 24 of this bill requires a regulated entity, upon the request of a consumer, to: (1) confirm whether the regulated entity is collecting, sharing or selling consumer health data concerning the consumer; (2) provide the consumer with a list of all third parties with whom the regulated entity has shared or to whom the regulated entity has sold consumer health data relating to the consumer; (3) cease collecting or sharing consumer health data relating to the consumer; or (4) delete consumer health data concerning the consumer. **Section 24** also requires a regulated entity to establish a secure and reliable means of making such a request. **Section 25** of this bill prescribes requirements governing the response to such a request, including a requirement that a regulated entity provide information in response to such a request free of charge in most circumstances. However, if a consumer submits more than two requests in a year and those requests are manifestly unfounded, excessive or repetitive, **section 25** authorizes the regulated entity to charge a reasonable fee to provide such information. **Section 26** of this bill prescribes requirements governing the time within which a regulated entity or an affiliate, processor or other third party with which a regulated entity has shared data must delete consumer health data in response to a request for such deletion. **Section 27** of this bill requires a regulated entity to establish a process to appeal the refusal of the regulated entity to act on a request made pursuant to **section 24**.

Section 28 of this bill requires a regulated entity to limit access to and establish, implement and maintain policies and procedures to protect the security of consumer health data. **Section 29** of this bill requires a processor who processes consumer health data on behalf of a regulated entity to only process such data in accordance with a written contract between the processor and the regulated entity. **Section 29** also requires such a processor to assist the regulated entity in complying with the provisions of **sections 2-34**.

Section 30 of this bill prohibits a person from selling or offering to sell consumer health data without the written authorization of the consumer to whom the data pertains or beyond the scope of such authorization, with certain

exceptions. **Section 30** also prohibits a person from conditioning the provision of goods or services on a consumer providing such authorization. **Section 30** requires a person who sells consumer health data to: (1) establish a means by which a consumer may revoke such written authorization; and (2) provide a copy of such written authorization to the consumer and purchaser. **Section 30** also requires both a seller and a purchaser of consumer health data to maintain such written authorization for at least 6 years after the expiration of the written authorization. **Section 17** of this bill exempts certain activity from the definition of the term "sell," thereby exempting such activity from the requirements of **section 30**.

Section 31 of this bill prohibits a person from implementing a geofence within 1,750 feet of any person or entity that provides in-person health care services or products for certain purposes. **Section 33** of this bill prohibits a regulated entity from discriminating against a consumer for taking any action authorized by **sections 2-34** or to enforce those provisions.

Sections 34.1-34.9 of this bill establish provisions for the protection of biometric identifiers. **Section 34.1** of this bill sets forth certain legislative findings concerning biometric identifiers. **Section 34.3** of this bill defines "biometric identifier" to mean biometric data relating to the ~~[face,]~~ **faceprint,** fingerprint or iris of a **specific natural** person ~~[.]~~ **that uniquely identifies that specific natural person. Sections 34.35-34.45** of this bill define certain other terms. **Section 34.5** of this bill provides that the provisions of **sections 34.1-34.9** do not apply to: (1) certain entities whose collection and sharing of data is specifically regulated by federal law; (2) photographs collected, possessed or shared for purposes other than verifying the identity of a person; (3) information collected, possessed or shared for certain medical or scientific purposes; (4) governmental or tribal entities; ~~[or]~~ (5) a person who is in the business of manufacturing or selling automobiles ~~[.]~~ **; (6) certain persons in the gaming industry; (7) law enforcement; or (8) with certain exceptions, biometric identifiers collected for certain purposes relating to security. Section 34.6** of this bill authorizes the provision of information or consent under **sections 34.1-34.9** electronically. **Section 34.7** of this bill requires a person who possesses a biometric identifier of another to develop, maintain and comply with a publicly available written policy setting forth a schedule for the retention and destruction of biometric identifiers. **Section 34.7** also establishes requirements governing the storage, transmittal and protection of biometric identifiers. **Section 34.8** of this bill prescribes requirements governing collecting and sharing biometric identifiers. **Section 34.8** also prohibits the sale of biometric identifiers.

Existing law provides that a variety of actions constitute deceptive trade practices. (NRS 118A.275, 205.377, 228.620, 370.695, 597.997, 603.170, 604B.910, 676A.770; chapter 598 of NRS) Existing law authorizes a court to impose a civil penalty of not more than $12,500 for each violation upon a person whom the court finds has engaged in a deceptive trade practice directed toward an elderly person or a person with a disability. (NRS 598.0973)

Additionally, existing law authorizes a court to make such additional orders or judgments as may be necessary to restore to any person in interest any money or property which may have been acquired by means of any deceptive trade practice. (NRS 598.0993) In addition to these enforcement mechanisms, existing law provides that when the Commissioner of Consumer Affairs or the Director of the Department of Business and Industry has cause to believe that a person has engaged or is engaging in any deceptive trade practice, the Commissioner or Director may request that the Attorney General represent him or her in instituting an appropriate legal proceeding, including an application for an injunction or temporary restraining order. (NRS 598.0979) Existing law provides that if a person violates a court order or injunction resulting from a complaint brought by the Commissioner, the Director, the district attorney of any county of this State or the Attorney General, the person is required to pay a civil penalty of not more than $10,000 for each violation. Furthermore, if a court finds that a person has willfully engaged in a deceptive trade practice, the person who committed the violation: (1) may be required to pay an additional civil penalty not more than $5,000 for each violation; and (2) is guilty of a felony or misdemeanor, depending on the value of the property or services lost as a result of the deceptive trade practice. (NRS 598.0999) With certain exceptions, **sections 34 and 34.9** of this bill provide that a person who violates any provision of **sections 2-34.9** of this bill is guilty of a deceptive trade practice. **Sections 1, 34 and 34.9** of this bill provide that a person injured by such a violation does not have a private right of action. **Sections 34 and 34.9** additionally provide that the provisions of **sections 2-34.9** must not be construed to affect any other provision of law.

Section 35 of this bill exempts consumer health data and biometric identifiers from provisions of existing law governing information collected on the Internet from consumers because those provisions are less stringent than the provisions of **sections 2-34.9**.

Assemblywoman Gorelow moved the adoption of the amendment.

Amendment adopted.

Bill ordered reprinted, re-engrossed and to third reading.

Senate Bill No. 434.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 630.

AN ACT relating to retirement; revising provisions governing eligibility for membership in the Public Employees' Retirement System; revising provisions governing the options for service retirement allowances under the System; revising provisions relating to the granting of a divorce; ~~[revising provisions governing the disposition of certain pension or retirement benefits upon dissolution of marriage;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Eligible retired public employees receive retirement allowances through membership in and contributions to the Public Employees' Retirement System. (Chapter 286 of NRS) Under existing law, certain persons are not eligible to be members of the System, including substitute teachers. (NRS 286.297)

Section 1 of this bill makes substitute teachers eligible for membership in the System.

Existing law provides several different alternative options to an unmodified retirement allowance under the Public Employees' Retirement System that members are authorized to elect upon retirement. (NRS 286.590) **Section 2** of this bill provides the additional alternative option of a reduced service retirement allowance with a benefit paid for 6 months to a designated beneficiary or an alternate beneficiary.

Existing law specifies certain powers and duties of courts in granting a divorce. ~~[One such power is modifying an adjudication of property rights or an agreement settling property rights upon written stipulation by the parties to the action.]~~ (NRS 125.150) **Section 2.5** of this bill requires a court, in granting a divorce, to provide an explanation, or ensure that an explanation has been provided, to the parties of any provision relating to the disposition of pension or retirement benefits that will be included in the decree of divorce or any related order. ~~[Section 2.5 also authorizes a court to modify the adjudication of or an agreement settling property rights as a result of the filing of a motion to amend the adjudication or agreement relating to the disposition of pension or retirement benefits by the parties to the action.~~

~~Existing law provides for the disposition of pension or retirement benefits provided by the Public Employees' Retirement System or the Judicial Retirement Plan upon dissolution of marriage. Existing law codifies the "time rule," whereby the community interest in such retirement benefits is calculated by dividing an employee's length of service during marriage by his or her total length of service. (NRS 125.155) Section 3 of this bill replaces the "time rule" with the "frozen benefit rule," whereby the community interest in such retirement benefits is "frozen" at the salary base and years of service of the party participating in the retirement system on the date on which the decree of legal separation or divorce is entered. The "frozen benefit rule" currently applies to military pensions under the Uniformed Services Former Spouses' Protection Act. (10 U.S.C. § 1408(a)(4)(B))]~~

5. Option 6 consists of a reduced service retirement allowance payable monthly during the retired employee's life, with the provision that a specific sum per month, which cannot exceed the monthly allowance paid to the retired employee, be paid after the retired employee's death to the beneficiary for the life of the beneficiary whom the retired employee nominates by written designation acknowledged and filed with the Board at the time of retirement, should the beneficiary survive the retired employee.

6. Option 7 consists of a reduced service retirement allowance payable monthly during the retired employee's life, with the provision that a specific sum per month, which cannot exceed the monthly allowance paid to the retired employee, be paid after the retired employee's death to the beneficiary for the life of the beneficiary whom the retired employee nominates by written designation acknowledged and filed with the Board at the time of election, should the beneficiary survive the retired employee, beginning on the attainment by the surviving beneficiary of age 60 years. Sec. 2.5. NRS 125.150 is hereby amended to read as follows:

125.150 Except as otherwise provided in NRS 125.155 and 125.165, and unless the action is contrary to a premarital agreement between the parties which is enforceable pursuant to chapter 123A of NRS:

1. In granting a divorce, the court:

(a) May award such alimony to either spouse, in a specified principal sum or as specified periodic payments, as appears just and equitable; ~~[and]~~

(b) Shall, to the extent practicable, make an equal disposition of the community property of the parties, including, without limitation, any community property transferred into an irrevocable trust pursuant to NRS 123.125 over which the court acquires jurisdiction pursuant to NRS 164.010, except that the court may make an unequal disposition of the community property in such proportions as it deems just if the court finds a compelling reason to do so and sets forth in writing the reasons for making the unequal disposition ~~[.]~~ ***; and***

(c) Shall provide an explanation, or ensure that an explanation has been provided, to the parties of any provision relating to the disposition of pension or retirement benefits that will be included in the decree of divorce or any related order.

2. Except as otherwise provided in this subsection, in granting a divorce, the court shall dispose of any property held in joint tenancy in the manner set forth in subsection 1 for the disposition of community property. If a party has made a contribution of separate property to the acquisition or improvement of property held in joint tenancy, the court may provide for the reimbursement of that party for his or her contribution. The amount of reimbursement must not exceed the amount of the contribution of separate property that can be traced to the acquisition or improvement of property held in joint tenancy, without

interest or any adjustment because of an increase in the value of the property held in joint tenancy. The amount of reimbursement must not exceed the value, at the time of the disposition, of the property held in joint tenancy for which the contribution of separate property was made. In determining whether to provide for the reimbursement, in whole or in part, of a party who has contributed separate property, the court shall consider:

(a) The intention of the parties in placing the property in joint tenancy;

(b) The length of the marriage; and

(c) Any other factor which the court deems relevant in making a just and equitable disposition of that property.

➥ As used in this subsection, "contribution" includes, without limitation, a down payment, a payment for the acquisition or improvement of property, and a payment reducing the principal of a loan used to finance the purchase or improvement of property. The term does not include a payment of interest on a loan used to finance the purchase or improvement of property, or a payment made for maintenance, insurance or taxes on property.

3. A party may file a postjudgment motion in any action for divorce, annulment or separate maintenance to obtain adjudication of any community property or liability omitted from the decree or judgment as the result of fraud or mistake. A motion pursuant to this subsection must be filed within 3 years after the discovery by the aggrieved party of the facts constituting the fraud or mistake. The court has continuing jurisdiction to hear such a motion and shall equally divide the omitted community property or liability between the parties unless the court finds that:

(a) The community property or liability was included in a prior equal disposition of the community property of the parties or in an unequal disposition of the community property of the parties which was made pursuant to written findings of a compelling reason for making that unequal disposition; or

(b) The court determines a compelling reason in the interests of justice to make an unequal disposition of the community property or liability and sets forth in writing the reasons for making the unequal disposition.

➥ If a motion pursuant to this subsection results in a judgment dividing a defined benefit pension plan, the judgment may not be enforced against an installment payment made by the plan more than 6 years after the installment payment.

4. Except as otherwise provided in NRS 125.141, whether or not application for suit money has been made under the provisions of NRS 125.040, the court may award a reasonable attorney's fee to either party to an action for divorce.

5. In granting a divorce, the court may also set apart such portion of the separate property of either spouse for the other spouse's support or the separate property of either spouse for the support of their children as is deemed just and equitable.

6. In the event of the death of either party or the subsequent remarriage of the spouse to whom specified periodic payments were to be made, all the payments required by the decree must cease, unless it was otherwise ordered by the court.

7. If the court adjudicates the property rights of the parties, or an agreement by the parties settling their property rights has been approved by the court, whether or not the court has retained jurisdiction to modify them, the adjudication of property rights, and the agreements settling property rights, may nevertheless at any time thereafter be modified by the court ~~***[as a result of the filing of a motion to amend the adjudication or agreement relating to the disposition of pension or retirement benefits by the parties to the action or]***~~ upon written stipulation signed and acknowledged by the parties to the action, and in accordance with the terms thereof.

8. If a decree of divorce, or an agreement between the parties which was ratified, adopted or approved in a decree of divorce, provides for specified periodic payments of alimony, the decree or agreement is not subject to modification by the court as to accrued payments. Payments pursuant to a decree entered on or after July 1, 1975, which have not accrued at the time a motion for modification is filed may be modified upon a showing of changed circumstances, whether or not the court has expressly retained jurisdiction for the modification. In addition to any other factors the court considers relevant in determining whether to modify the order, the court shall consider whether the income of the spouse who is ordered to pay alimony, as indicated on the spouse's federal income tax return for the preceding calendar year, has been reduced to such a level that the spouse is financially unable to pay the amount of alimony the spouse has been ordered to pay.

9. In addition to any other factors the court considers relevant in determining whether to award alimony and the amount of such an award, the court shall consider:

(a) The financial condition of each spouse;

(b) The nature and value of the respective property of each spouse;

(c) The contribution of each spouse to any property held by the spouses pursuant to NRS 123.030;

(d) The duration of the marriage;

(e) The income, earning capacity, age and health of each spouse;

(f) The standard of living during the marriage;

(g) The career before the marriage of the spouse who would receive the alimony;

(h) The existence of specialized education or training or the level of marketable skills attained by each spouse during the marriage;

(i) The contribution of either spouse as homemaker;

(j) The award of property granted by the court in the divorce, other than child support and alimony, to the spouse who would receive the alimony; and

(k) The physical and mental condition of each party as it relates to the financial condition, health and ability to work of that spouse.

10. In granting a divorce, the court shall consider the need to grant alimony to a spouse for the purpose of obtaining training or education relating to a job, career or profession. In addition to any other factors the court considers relevant in determining whether such alimony should be granted, the court shall consider:

(a) Whether the spouse who would pay such alimony has obtained greater job skills or education during the marriage; and

(b) Whether the spouse who would receive such alimony provided financial support while the other spouse obtained job skills or education.

11. If the court determines that alimony should be awarded pursuant to the provisions of subsection 10:

(a) The court, in its order, shall provide for the time within which the spouse who is the recipient of the alimony must commence the training or education relating to a job, career or profession.

(b) The spouse who is ordered to pay the alimony may, upon changed circumstances, file a motion to modify the order.

(c) The spouse who is the recipient of the alimony may be granted, in addition to any other alimony granted by the court, money to provide for:

(1) Testing of the recipient's skills relating to a job, career or profession;

(2) Evaluation of the recipient's abilities and goals relating to a job, career or profession;

(3) Guidance for the recipient in establishing a specific plan for training or education relating to a job, career or profession;

(4) Subsidization of an employer's costs incurred in training the recipient;

(5) Assisting the recipient to search for a job; or

(6) Payment of the costs of tuition, books and fees for:

(I) The equivalent of a high school diploma;

(II) College courses which are directly applicable to the recipient's goals for his or her career; or

(III) Courses of training in skills desirable for employment.

12. For the purposes of this section, a change of 20 percent or more in the gross monthly income of a spouse who is ordered to pay alimony shall be deemed to constitute changed circumstances requiring a review for modification of the payments of alimony. As used in this subsection, "gross monthly income" means the total amount of income received each month from any source of a person who is not self-employed or the gross income from any source of a self-employed person, after deduction of all legitimate business expenses, but without deduction for personal income taxes, contributions for retirement benefits, contributions to a pension or for any other personal expenses.

GENERAL FILE AND THIRD READING

Senate Bill No. 503.

Bill read third time.

Remarks by Assemblymen Anderson, O'Neill, Jauregui, Monroe-Moreno, and Hansen.

ASSEMBLYWOMAN ANDERSON:

Senate Bill 503 provides funding for K-12 public education for the 2023-2025 biennium. The total public support for school districts, charter schools, and university schools for profoundly gifted pupils is estimated to average $12,863 per pupil in FY [Fiscal Year] 2024 and $13,368 per pupil in FY 2025.

Section 3 appropriates $1.1 billion in FY 2024 and $1.5 billion in FY 2025 from the State General Fund to the Pupil-Centered Funding Plan Account in the State Education Fund. Section 4 authorizes other revenue of $4.4 billion in FY 2024 and $4.3 billion in FY 2025 to be received and expended for state support of K-12 public education. These other revenues include, but are not limited to, local school support tax, public schools operating property tax, governmental services tax, an annual excise tax on slot machines, transfers from the Permanent School Fund, revenue from mineral leases on federal land, room tax revenue, recreational marijuana retail excise tax, and transfers from the Cannabis Compliance Board.

Sections 5 and 6 require the Department of Education to transfer total funding of $194.8 million in both FY 2024 and FY 2025 to school districts for food services and transportation and total funding of $483.8 million in FY 2024 and $483.9 million in FY 2025 for local funding for pupils with disabilities.

The statewide base per pupil funding amount is $8,966 per pupil in FY 2024 and $9,414 per pupil in FY 2025. Enrollment is projected to slightly increase to 471,283 pupils in FY 2024 and to 471,754 pupils in FY 2025.

Sections 5 and 6 further provide additional weighted funding for each English learner, at-risk, and gifted and talented pupil estimated to be enrolled in a public school, which is expressed as a multiplier or weight to the statewide base per pupil funding amount. The multiplier for English learner pupils is 0.45 for each year of the 2023-2025 biennium, with total funding of $212.5 million in FY 2024 and $223.2 million in FY 2025. The multiplier for at-risk pupils is 0.35 for each year of the 2023-2025 biennium, with total funding of $198.7 million in FY 2024 and $208.6 million in FY 2025. The multiplier for gifted and talented pupils is 0.12 for each year of the 2023-2025 biennium, with total funding of $8 million in FY 2024 and $8.4 million in FY 2025.

Section 7 provides General Fund appropriations of $245.7 million in FY 2024 and $252.8 million in FY 2025 for the state support of pupils with disabilities. In addition, revenue of $2 million in each year of the 2023-2025 biennium are authorized for expenditure to provide additional support for extraordinary high-cost pupils with disabilities.

Section 8 provides General Fund appropriations totaling $44.3 million in each year of the 2023-2025 biennium to the Other State Education Programs budget for categorical grant programs, including but not limited to the career and technical education, Jobs for Nevada's Graduates, and the Incentivizing Pathways to Teaching grant programs.

Section 9 provides General Fund appropriations totaling $7.7 million in each year of the 2023-2025 biennium for the Professional Development Programs Account. Section 10 distributes $7.6 million of this funding in each year of the 2023-2025 biennium for the three Regional Professional Development training programs. Section 11 distributes $100,000 of this funding in each year of the 2023-2025 biennium for the Statewide Council for the Coordination of the Regional Training Programs to provide additional training opportunities for educational administrators in Nevada.

Section 12 provides General Fund appropriations of $560,886 in each year of the 2023-2025 biennium for the 1/5 Retirement Credit Purchase Program Account.

Section 13 provides General Fund appropriations of $2.4 million in each year of the 2023-2025 biennium and authorizes $3.8 million in FY 2024 and $4 million in FY 2025 to continue the Teach Nevada Scholarship program.

Section 14 appropriates $3.2 million in each year of the 2023-2025 biennium to the Interim Finance Committee that may be requested by the Department of Education to increase funding for the Teach Nevada Scholarship program.

Section 15 authorizes $851.7 million in FY 2024 and $878.9 million in FY 2025 for the Education Stabilization Account, otherwise known as the K-12 Rainy Day Account.

Section 16 revises the definition of at-risk pupils in statute, consistent with the revised identification of such pupils approved by the money committees.

Section 17 indicates July 1, 2023, as the effective date for the bill.

Today, I ask for your support of this historic funding in SB 503. It is a 29 percent increase by the end of the biennium. As many of you know, it is my honor to be a fourth-generation educator. When I was looking over notes last night and trying to figure out some things, I gave my mother a call. We started talking about what that increase would mean. Education has been underfunded in our state since my father started kindergarten in 1947 at Robert Mitchell Elementary School in Sparks, Nevada. Let me make sure that is clear—since 1947, we have not funded education. This body is finally starting to do something about it. We have been doing something about it when we can. Today is a day these three generations of teachers before me would be standing up proudly because we are doing something. We are taking the necessary and long-overdue steps to recognize the most important investment in our state. Our schools are being recognized and are being funded.

We are elected by our neighbors, by our communities, to do this job today. We are hired by them because they recognize that the pillars of government have to do with three areas. One is to propose things. The other is to check it, to have a balance in it. Let me tell you, we have a balance. We started our discussions long before this session started. As a matter of fact, the first set of discussions happened not with us but with the Nevada Commission on School Funding, a body that looked at how we are funding education based upon legislation that passed last session. They came up with recommendations, and they clearly stated, we are not funding education. We are doing something about it. As a committee, we met. The subcommittee on education, which I am not part of, met weekly. They had meetings daily, and the leadership of this body met almost on a daily basis with people about how to fund education. That resulted in us actually talking with school districts and getting what they needed.

Finally, we came forward with a bill—a bill that was voted out of a subcommittee and then two days later voted out of a joint committee. That bill is in front of you today. So for people who say we are rushing a long-overdue discussion, that is incorrect, and there is more than enough evidence to show that we have, in fact, been working hard.

I want to thank you for all the work people put in. Our staff put in so much more work. More importantly—and I would like to end with this—the last document I brought down with me today is what I call my happy folder. These are papers, cards, and notes that students have written to me over the years. That is what this budget is really about. It is not about these large books. It is about the people we are helping. I ask for your support of SB 503.

ASSEMBLYMAN O'NEILL:

I rise today in opposition to Senate Bill 503. First, let me say, I do appreciate the work that has been put in, the hearings we have had, and the time in Ways and Means to discuss the education bill. I understand the importance of the education bill—I truly do, as we all do here today.

However, at the beginning of this session, our Governor put forth an historic budget increase for education, and he set out to ensure this money went to programs and, more importantly, the people, educators, and students who need it most. The Governor's plan ensures funds and the oversight for those funds that Nevada students and parents need.

We oppose this bill because we oppose using a one-time surplus to fund ongoing expenses. We will not promise funds now that we cannot sustain in the future. The Governor's budget added $6 billion a year for both years for the next biennium. The Governor also set aside the historic $2 billion budget increase to cover those future costs. This is historic. This is what Nevada needs, and we are in full support.

Furthermore, in the Executive Budget, $291 million is supposed to go to early childhood literacy programs and the teacher pipeline for the next biennium. However, this is one-shot money that at this point we cannot guarantee in the future. We do not know we will have the same funds in the future, and this could lead to a fiscal cliff in 2025 that none of us want.

We never want to cut education. We want to always maintain it for the sake of our students, parents, and teachers. The year 2019 was the first time our students could read by fourth grade at

the rate of the national average. Our goal—the goal here, I believe—is to maintain and grow that. That is why we need to specifically spend these one-shot monies as the Governor laid out on early childhood literacy and the teacher pipeline.

ASSEMBLYWOMAN JAUREGUI:

I rise in support of Senate Bill 503. During my time in the Legislature, we have never made these types of historic investments. Nearly $12 billion is going into the education budget over the next biennium. That is truly remarkable.

This education budget is a huge victory for all Nevadans, and frankly, it is long overdue. As legislators, we all campaigned to improve our schools. We met with parents, teachers, and students to discuss how to best improve our schools. Well, I truly believe I can go back to my district and let my community know I worked hard to pass an education budget our state deserves, a budget that properly invests in our schools and allows them to provide additional resources which will allow our students to thrive.

Our children, our teachers, our education support staff, and our schools will immensely benefit from this historic budget, which is why I am urging all of my colleagues to support Senate Bill 503—to show our communities we are committed to improving our schools and our education system.

ASSEMBLYWOMAN MONROE-MORENO:

I rise in support of Senate Bill 503. As a mother and a grandmother, I understand the importance of our schools in the lives of our children. As the Chairwoman of the Assembly Ways and Means Committee, I also understand the important role teachers and support staff play in developing our children as they go through our education system.

Nevada's families, students, teachers, and support staff deserve a budget that invests in them, provides for additional resources, and truly gives them an opportunity to succeed. This is why I am supporting Senate Bill 503, because I truly believe this budget will have a positive impact for our education system for years to come. With SB 503, we will see historic investments in funding, which will give a nearly 30 percent increase in per-pupil funding by the end of the next biennium. That is truly monumental.

I have to say, the Governor's recommended budget is just that—it is a recommendation to the legislative body. Once we get it, we have a constitutional responsibility to provide a balanced budget that we expect this Governor to sign. And, no, the extra funding that went into it is not a one-time increase; it is a revenue increase in this state. As legislative leaders, we looked at the numbers. We calculated the numbers. We are doing what we are supposed to do to be fiscally responsible and make sure that what happened in 1947 does not continue to happen in 2023 in this state.

With that, make no mistake about it—these investments will have a transformative effect on our educational system. That is why I urge this body to vote in favor. Vote yes on Senate Bill 503.

ASSEMBLYWOMAN HANSEN:

I rise in opposition to SB 503. I stand before you, as all of you know, a mother of 8 and a grandmother of 20 children who have attended public schools here in Washoe County. My oldest is 40. I have been involved with the schools since the mid-eighties. Education, of course, is a very important subject to me and I know to all of us as well. The discussions we have here and the discussions we have in our Education Committee show our concern. I think where we part company at times—the definition of insanity is to keep doing the same thing and expecting a different result. Now, some could argue that it is money. Yes, that is a component. But it is also reform, and if we are not willing to give the Governor's packages consideration, we have to try something different. We need to look at other states that have done this and find things that work. While I understand the importance of funding education properly, I want to make sure we are funding things that work.

We are in dire straits. I am a broken record. When you graduate from a Nevada public high school, proficiency scores in English language arts are at 43 percent. That is below even the 50 percent mark. It is even worse for math, which is 26 percent. Unfortunately, those numbers that I quoted are pre-COVID. They are even worse post-COVID.

This is what we agree on: We care about kids, and we know we need to fund education. Where we part company is, what does that look like? I stand here today and say, it looks like reform. It is needed, and we need to have the discussion. Education of all issues should not be partisan. I encourage my members to vote no on this—not to give up, but to go back to the drawing board and have discussions that involve a lot more than what we have just been dealing with.

Roll call on Senate Bill No. 503:

YEAS—28.

ASSEMBLYWOMAN MONROE-MORENO:

Senate Bill 504 provides funding and authorizes the expenditure of funding other than State General Fund appropriations or State Highway Fund appropriations. The funding sources include federal funds, self-funded budgets receiving money through fees or other means, and revenue sources such as licensing fees, gifts, grants, interagency transfers, and other funds, which total $31.71 billion over the 2023-2025 biennium.

Additionally, due to the specific statutory language for these agencies, Senate Bill 504 includes authority for the Nevada Gaming Control Board and the Nevada Gaming Commission to expend $69.5 million from the General Fund over the 2023-2025 biennium. Similarly, the bill includes authority for the Department of Transportation to expend $840.5 million from the Highway Fund over the 2023-2025 biennium.

The money committees approved total funding of $1.4 million over the 2023-2025 biennium for the personnel and operating costs to add eight new positions for support of the implementation of the Statewide Council on Financial Independence and Individual Development Account Program and for the Office of the State Treasurer's Investment Division, Cash Management Division, College Savings Division, Unclaimed Property Division, and Nevada ABLE [Achieving a Better Life Experience] Savings Program.

The money committees approved reserve reductions totaling $1.5 million over the 2023-2025 biennium for eight new full-time positions for additional supervisory and information technology support for the Cannabis Compliance Board. The money committees further approved reserve reductions of $358,704 over the 2023-2025 biennium to relocate the Cannabis Compliance Board's Carson City office.

In closing the budgets of the Nevada System of Higher Education, the money committees approved revenue from all sources totaling $2.23 billion for the 2023-2025 biennium. Of the total revenues, non-General Fund revenues total $761 million, or 34.1 percent of total funding, and

include student registration fees, nonresident tuition, student application fees, federal and county revenues, and a transfer from a non-state-supported budget.

In closing the Governor's Office of Economic Development budgets, the money committees authorized non-General Fund revenues of $77.2 million over the 2023-2025 biennium, which includes $62.9 million in federal State Small Business Credit Initiative Funds.

The money committees approved the Governor's recommendation to reorganize the Department of Tourism and Cultural Affairs and authorized Room Tax revenues of $30.1 million in FY 2024 and $32.7 million in FY 2025 in the new Tourism Cultural Affairs Administration budget.

For the Fund for a Resilient Nevada, administered by the Department of Health and Human Services' Director's Office, the money committees approved opioid settlement fund reserve reductions of $12.2 million over the 2023-2025 biennium to support allocations to various public and private entities to address the impact of opioid and other substance use disorders in the state in accordance with the needs assessment and statewide plan developed to address these issues.

In closing the Aging and Disability Services Division budgets, the money committees authorized cost allocation revenues of $1 million over the 2023-2025 biennium to support ten new positions and associated costs, including five positions to support information technology needs; four positions to provide human resources support; and one Administrative Services Officer to support central fiscal services, as recommended by the Governor.

In closing the budgets of the Division of Health Care Financing and Policy, the money committees approved a new private hospital provider tax and budget, including authorized private hospital provider tax revenue of $572.3 million, transfers to the Medicaid budget totaling $405.4 million to fund the non-federal share of supplemental and directed payments totaling $1.06 billion, and transfers to the Medicaid Administrative budget to fund administrative activities, including five positions and associated expenditures, totaling $886,272 over the 2023-2025 biennium.

In closing the budgets of the Division of Public and Behavioral Health, the money committees approved $30 million in Telecom Fees over the 2023-2025 biennium to support the Crisis Response programs, including the 988 Crisis Call Center and Crisis Stabilization Centers, as well as one existing position and ten new full-time positions and associated expenditures. The money committees also approved five new full-time Facility Surveyor positions and associated expenditures totaling $813,913 in Child Care and Development Block Grant funds over the 2023-2025 biennium. Finally, the money committees approved the Governor's recommendation to transfer the Child Care Licensing program to the Division of Welfare and Supportive Services to consolidate related child care facility programs under one division and provide for efficiency.

For the Division of Welfare and Supportive Services' Child Assistance and Development budget, the money committees approved a combination of Child Care and Development Fund discretionary and mandatory/matching block grant revenues totaling $3.3 million over the 2023-2025 biennium for 14 new positions, including 7 positions to support the child care service centers and 7 positions to provide improved strategic planning and oversight. The money committees also approved additional Temporary Assistance for Needy Families Block Grant funding totaling $20 million over the 2023-2025 biennium to increase child care subsidies for the New Employees of Nevada program.

For the Department of Transportation, the money committees approved 50 new positions for the department to administer essential programs and comply with federal and state laws. The money committees also approved the Governor's recommendation for the sale of highway revenue bonds and associated interest earnings of $151.5 million in FY 2024 for construction projects.

ASSEMBLYWOMAN GORELOW:

Today, I rise in support of Senate Bill 504. COVID-19 may no longer be at its peak, but its impacts are still rippling through many communities. Senate Bill 504, or the Authorizations Act, provides desperately needed funds for relief programs in the Governor's Office that help everyday Nevadans recover and get back on their feet again. This includes affordable housing programs, which so many Nevadans need as rent and the cost of homes continue to rise. These investments will provide relief to many Nevadans in need and continue to make our state the place to live, work, and raise a family. Please join me in supporting Senate Bill 504.

ASSEMBLYWOMAN BROWN-MAY:

I rise in support of Senate Bill 504. This is an exciting time for us to be here, considering these monumental measures in front of us today. I am honored to represent my Assembly district and the 74,400 residents who go to work each and every day and who depend on us to do our jobs.

Today, I rise in support of Senate Bill 504, the Authorizations Act, because it provides a record level of critical funding for Nevada Medicaid and it works to fund benefits programs for our public safety officers and our public employees.

All Nevadans deserve access to quality and affordable health care. This has always been true, but it is especially important now, as many Nevadans continue to deal with the lingering effects and complications from COVID-19. This measure helps to ensure the money previously allocated for those COVID-19 relief efforts gets to where it is going quickly to help our citizens be successful.

I hope you will join me in supporting Senate Bill 504 so as many Nevadans as possible will have health care access and so the departments, divisions, and programs we support can help our communities.

ASSEMBLYWOMAN BACKUS:

I rise in support of Senate Bill 504. Small businesses are the backbone of Nevada's economy. They are owned and operated by everyday Nevadans who work hard with an entrepreneurial spirit. But it is not always easy. Sometimes, small businesses and their owners need assistance. Senate Bill 504 provides significant investment into small businesses, helping to buoy businesses that may be struggling to make ends meet or help to kick-start small businesses that have not formed yet. Please join me in supporting Senate Bill 504, and help small businesses thrive in Nevada.

Amendment No. 745.

AN ACT relating to ophthalmic dispensing; exempting the sale of prescription eyewear to intended wearers outside this State from provisions regulating ophthalmic dispensing under certain circumstances; authorizing the imposition of certain administrative action and injunctive relief for certain violations; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law exempts certain activity from provisions of law governing ophthalmic dispensing. (NRS 637.025) **Section 9** of this bill additionally exempts from such provisions the manufacturing and direct online sale of lenses, frames and other specially fabricated optical devices upon prescription to an intended wearer who is located outside this State at the time of purchase, if the manufacturing is supervised by a licensed dispensing optician. **Section 9** requires such supervision to include a daily review of all optical manufacturing equipment by the licensed dispensing optician. **Section 9** requires a person engaged in such manufacturing and direct online sale to confirm that lenses shipped to the intended wearer match the relevant prescription, as submitted by the intended wearer.

Existing law authorizes the imposition of disciplinary action and the issuance of an injunction against a person who is licensed to engage in the practice of ophthalmic dispensing or manage a business engaged in ophthalmic dispensing and violates certain provisions of law governing ophthalmic dispensing. (NRS 637.150, 637.185) Existing law also provides that such a person is guilty of a misdemeanor. (NRS 637.200) **Section 9** provides that such a licensee is subject to disciplinary action and injunctive relief if the licensee: (1) is engaged in activity which, under the provisions of **section 9**, is otherwise exempt from provisions governing ophthalmic dispensing; and (2) fails to comply with **section 9** or, alternatively, with other provisions governing ophthalmic dispensing.

Existing law prohibits a person from engaging in the practice of ophthalmic dispensing or managing a business engaged in ophthalmic dispensing without a license. (NRS 637.090) Existing law provides that a person who violates that prohibition is guilty of a misdemeanor and subject to an administrative fine and injunctive relief. (NRS 637.181, 637.185, 637.200) **Section 9** provides that an unlicensed person is subject to such an administrative fine and injunctive relief if the person: (1) is engaged in activity which, under the provisions of **section 9**, is otherwise exempt from provisions governing ophthalmic dispensing; and (2) fails to comply with **section 9**. **Sections 9 and 10** of this bill provide that a person who fails to comply with **section 9** is not guilty of a misdemeanor, regardless of whether the person is licensed.

Legislative Counsel's Digest:

Existing federal law and regulations contain various protections for health information maintained or used: (1) by a person or entity that provides health care, an insurer or a business associate of a person or entity that provides health care or an insurer; or (2) for scientific research. (42 U.S.C. §§ 11101 et seq.; Pub. L. No. 104-191, 100 Stat. 2548; 21 C.F.R. Parts 46, 50 and 56, 42 C.F.R. Parts 2 and 3, 45 C.F.R. Parts 160 and 164) **Sections 2-34** of this bill prescribe various protections for consumer health data that is maintained and used by other persons and nongovernmental entities and for other purposes. **Section 7** of this bill defines the term "consumer" to mean a natural person who has requested a product or service from a regulated entity and who resides in this State or whose consumer health data is collected in this State, except for a natural person acting in an employment context or as an agent of a governmental entity. **Section 8** of this bill defines the term "consumer health data" to mean personally identifiable information that is linked or reasonably capable of being linked to a consumer and is used by a regulated entity to identify the health status of the consumer. **Section 15** of this bill defines the term "regulated entity" to refer to a person who: (1) conducts business in this State or produces or provides products or services that are targeted to consumers in this State; and (2) determines the purpose and means of processing, sharing or selling consumer health data. **Sections 3-6,** ~~[9-11, 12.5-14]~~ **9-14 and 16-19** of this bill define certain other terms. **Section 20** of this bill provides that the provisions of **sections 2-34** do not apply to certain persons, entities and data, including: (1) certain persons and entities whose

collection and disclosure of data is specifically regulated by federal law; and (2) certain data that is collected or disclosed under certain provisions of federal law or regulations or state law.

Section 21 of this bill requires a regulated entity to develop, maintain and make available a policy concerning the privacy of consumer health data. **Section 21** also prohibits a regulated entity from: (1) taking certain actions with regard to consumer health data that are inconsistent with the policy without the affirmative, voluntary consent of the consumer; or (2) entering into a contract for the processing of consumer health data that is inconsistent with the policy. **Section 22** of this bill generally prohibits a regulated entity from collecting or sharing consumer health data without the affirmative, voluntary consent of the consumer to whom the data relates, except to the extent necessary to provide a product or service that the consumer has requested from the regulated entity. **Section 22** of this bill prescribes certain requirements governing such consent.

Section 24 of this bill requires a regulated entity, upon the request of a consumer, to: (1) confirm whether the regulated entity is collecting, sharing or selling consumer health data concerning the consumer; (2) provide the consumer with a list of all third parties with whom the regulated entity has shared or to whom the regulated entity has sold consumer health data relating to the consumer; (3) cease collecting or sharing consumer health data relating to the consumer; or (4) delete consumer health data concerning the consumer. **Section 24** also requires a regulated entity to establish a secure and reliable means of making such a request. **Section 25** of this bill prescribes requirements governing the response to such a request, including a requirement that a regulated entity provide information in response to such a request free of charge in most circumstances. However, if a consumer submits more than two requests in a year and those requests are manifestly unfounded, excessive or repetitive, **section 25** authorizes the regulated entity to charge a reasonable fee to provide such information. **Section 26** of this bill prescribes requirements governing the time within which a regulated entity or an affiliate, processor or other third party with which a regulated entity has shared data must delete consumer health data in response to a request for such deletion. **Section 27** of this bill requires a regulated entity to establish a process to appeal the refusal of the regulated entity to act on a request made pursuant to **section 24**.

Section 28 of this bill requires a regulated entity to limit access to and establish, implement and maintain policies and procedures to protect the security of consumer health data. **Section 29** of this bill requires a processor who processes consumer health data on behalf of a regulated entity to only process such data in accordance with a written contract between the processor and the regulated entity. **Section 29** also requires such a processor to assist the regulated entity in complying with the provisions of **sections 2-34**.

Section 30 of this bill prohibits a person from selling or offering to sell consumer health data without the written authorization of the consumer to whom the data pertains or beyond the scope of such authorization, with certain

exceptions. **Section 30** also prohibits a person from conditioning the provision of goods or services on a consumer providing such authorization. **Section 30** requires a person who sells consumer health data to: (1) establish a means by which a consumer may revoke such written authorization; and (2) provide a copy of such written authorization to the consumer and purchaser. **Section 30** also requires both a seller and a purchaser of consumer health data to maintain such written authorization for at least 6 years after the expiration of the written authorization. **Section 17** of this bill exempts certain activity from the definition of the term "sell," thereby exempting such activity from the requirements of **section 30**.

Section 31 of this bill prohibits a person from implementing a geofence within 1,750 feet of any person or entity that provides in-person health care services or products for certain purposes. **Section 33** of this bill prohibits a regulated entity from discriminating against a consumer for taking any action authorized by **sections 2-34** or to enforce those provisions.

~~[Sections 34.1-34.9 of this bill establish provisions for the protection of biometric identifiers. Section 34.1 of this bill sets forth certain legislative findings concerning biometric identifiers. Section 34.3 of this bill defines "biometric identifier" to mean biometric data relating to the faceprint, fingerprint or iris of a specific natural person that uniquely identifies that specific natural person. Sections 34.35-34.45 of this bill define certain other terms. Section 34.5 of this bill provides that the provisions of sections 34.1-34.9 do not apply to: (1) certain entities whose collection and sharing of data is specifically regulated by federal law; (2) photographs collected, possessed or shared for purposes other than verifying the identity of a person; (3) information collected, possessed or shared for certain medical or scientific purposes; (4) governmental or tribal entities; (5) a person who is in the business of manufacturing or selling automobiles; (6) certain persons in the gaming industry; (7) law enforcement; or (8) with certain exceptions, biometric identifiers collected for certain purposes relating to security. Section 34.6 of this bill authorizes the provision of information or consent under sections 34.1-34.9 electronically. Section 34.7 of this bill requires a person who possesses a biometric identifier of another to develop, maintain and comply with a publicly available written policy setting forth a schedule for the retention and destruction of biometric identifiers. Section 34.7 also establishes requirements governing the storage, transmittal and protection of biometric identifiers. Section 34.8 of this bill prescribes requirements governing collecting and sharing biometric identifiers. Section 34.8 also prohibits the sale of biometric identifiers.]~~

Existing law provides that a variety of actions constitute deceptive trade practices. (NRS 118A.275, 205.377, 228.620, 370.695, 597.997, 603.170, 604B.910, 676A.770; chapter 598 of NRS) Existing law authorizes a court to impose a civil penalty of not more than $12,500 for each violation upon a person whom the court finds has engaged in a deceptive trade practice directed toward an elderly person or a person with a disability. (NRS 598.0973)

Additionally, existing law authorizes a court to make such additional orders or judgments as may be necessary to restore to any person in interest any money or property which may have been acquired by means of any deceptive trade practice. (NRS 598.0993) In addition to these enforcement mechanisms, existing law provides that when the Commissioner of Consumer Affairs or the Director of the Department of Business and Industry has cause to believe that a person has engaged or is engaging in any deceptive trade practice, the Commissioner or Director may request that the Attorney General represent him or her in instituting an appropriate legal proceeding, including an application for an injunction or temporary restraining order. (NRS 598.0979) Existing law provides that if a person violates a court order or injunction resulting from a complaint brought by the Commissioner, the Director, the district attorney of any county of this State or the Attorney General, the person is required to pay a civil penalty of not more than $10,000 for each violation. Furthermore, if a court finds that a person has willfully engaged in a deceptive trade practice, the person who committed the violation: (1) may be required to pay an additional civil penalty not more than $5,000 for each violation; and (2) is guilty of a felony or misdemeanor, depending on the value of the property or services lost as a result of the deceptive trade practice. (NRS 598.0999) With certain exceptions, ~~[sections]~~ **section 34** ~~[and 34.9]~~ of this bill ~~[provide]~~ **provides** that a person who violates any provision of **sections** ~~[2 34.9 of this bill]~~ **2-34** is guilty of a deceptive trade practice. **Sections 1** ~~[,]~~ **and 34** ~~[and 34.9]~~ of this bill provide that a person injured by such a violation does not have a private right of action. ~~[Sections]~~ **Section 34** ~~[and 34.9]~~ additionally ~~[provide]~~ **provides** that the provisions of **sections** ~~[2 34.9]~~ **2-34** must not be construed to affect any other provision of law.

Section 35 of this bill exempts consumer health data ~~[and biometric identifiers]~~ from provisions of existing law governing information collected on the Internet from consumers because those provisions are less stringent than the provisions of **sections** ~~[2 34.9,]~~ **2-34.**

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 734.

AN ACT relating to controlled substances; establishing the crimes of ~~[mid-level]~~ **trafficking** and high-level trafficking in **any mixture which contains** illicitly manufactured ~~[fentanyl, any derivative of fentanyl and any mixture which contains fentanyl or any derivative of]~~ fentanyl; **establishing the crime of intentional misrepresentation of a fentanyl product; requiring each state and local law enforcement agency and the Nevada Sentencing Commission to submit certain reports to the Joint Interim Standing Committee on the Judiciary;** requiring, to the extent that money is available, the establishment of certain programs to provide certain offenders or prisoners who have a substance use disorder with medication-assisted treatment; **requiring the Joint Interim Standing Committee on the Judiciary to conduct an interim study concerning certain matters relating to forensic**

laboratories; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that a person who knowingly or intentionally sells, manufactures, delivers or brings into this State or is knowingly or intentionally in actual or constructive possession of a schedule I controlled substance, other than marijuana, a schedule II controlled substance or certain other controlled substances is guilty of: (1) low-level trafficking if the quantity of the controlled substance is 100 grams or more but less than 400 grams; and (2) high-level trafficking if the quantity of the controlled substance is 400 grams or more. A person who commits the crime of: (1) low-level trafficking is guilty of a category B felony and subject to certain prescribed penalties; and (2) high-level trafficking is guilty of a category A felony and subject to certain prescribed penalties. (NRS 453.3385)

Existing regulations of the State Board of Pharmacy include fentanyl in the list of controlled substances in schedule II and various derivatives of fentanyl in the list of controlled substances in schedule I. (NAC 453.510, as amended by LCB File No. R023-21, NAC 453.520) ~~[Section 8 of this bill excludes illicitly manufactured fentanyl, any derivative of fentanyl and any mixture which contains fentanyl or any derivative of fentanyl from the controlled substances for which the provisions governing the crimes of low-level trafficking and high-level trafficking apply.]~~ **Section ~~[1]~~ 1.5** of this bill ~~[instead]~~ establishes the crimes of ~~[mid-level]~~ trafficking and high-level trafficking in **any mixture which contains** illicitly manufactured ~~[fentanyl, any derivative of fentanyl and any mixture which contains fentanyl or any derivative of]~~ fentanyl. Under **section ~~[1,]~~ 1.5,** a person who knowingly or intentionally sells, manufactures, delivers or brings into this State or is knowingly or intentionally in actual or constructive possession of **any mixture which contains** illicitly manufactured ~~[fentanyl, any derivative of fentanyl or any mixture which contains fentanyl or any derivative of]~~ fentanyl is guilty of: (1) ~~[mid-level]~~ trafficking if the quantity involved is ~~[14]~~ **28** grams or more but less than ~~[28]~~ **42** grams; and (2) high-level trafficking if the quantity involved is ~~[28]~~ **42** grams or more **~~[.]~~ but less than 100 grams.** Under **section ~~[1,]~~ 1.5,** a person who commits the crime of **~~[: (1) mid-level]~~** trafficking **or high-level trafficking** is guilty of a category B felony and subject to certain prescribed penalties **~~[, and (2) high-level trafficking is guilty of a category A]~~**.

Section 1.7 of this bill establishes the crime of intentional misrepresentation of a fentanyl product. Under section 1.7, a person who sells to another person a mixture containing fentanyl and another controlled substance is guilty of intentional misrepresentation of a fentanyl product if the person: (1) knows that the mixture contains fentanyl; and (2) intentionally fails to inform the purchaser that the mixture contains fentanyl. Section 1.7 provides that such a person is guilty of a category B felony and subject to certain prescribed penalties.

Sections 1.9, 2, 5 and 6 of this bill provide that a person found guilty of ~~[mid-level]~~ **intentional misrepresentation of a fentanyl product or trafficking** or high-level trafficking in **any mixture which contains** illicitly manufactured ~~[fentanyl, any derivative of fentanyl or any mixture which contains fentanyl or any derivative of]~~ fentanyl is subject to the greater penalty for that crime if the acts constituting the crime could subject the person to a lesser punishment under another statute.

Sections 3, 4, 7, 9-12 and 13 of this bill add references to **section ~~[1]~~ 1.5** so that the crimes of ~~[mid-level]~~ **trafficking** and high-level trafficking in **any mixture which contains** illicitly manufactured ~~[fentanyl, any derivative of fentanyl or any mixture which contains fentanyl or any derivative of]~~ fentanyl are treated the same as the crimes of low-level and high-level trafficking involving schedule I controlled substances, other than marijuana, and schedule II controlled substances for certain purposes. **Section 12 adds a reference to section 1.7 so that the crime of intentional misrepresentation of a fentanyl product is treated the same as the crime of selling other controlled substances for certain purposes.**

Existing law prohibits, with certain exceptions, a court from suspending the sentence of a person convicted of trafficking in a controlled substance. (NRS 453.3405) Section 9 extends this prohibition to a person found guilty of trafficking or high-level trafficking in any mixture which contains illicitly manufactured fentanyl. Section 9 provides an exemption from this prohibition if the person convicted establishes, by a preponderance of the evidence, that he or she did not know that the mixture at issue contained illicitly manufactured fentanyl.

Existing law provides that a person who, in good faith, seeks medical assistance for a person who is experiencing a drug or alcohol overdose or other medical emergency or who seeks such assistance for himself or herself, or who is the subject of a good faith request for such assistance may not be arrested, charged, prosecuted or convicted, or have his or her property subjected to forfeiture, or be otherwise penalized for violating certain provisions of existing law governing controlled substances if the evidence to support the penalty was obtained as a result of the person seeking medical assistance. (NRS 453C.150) Section 10 of this bill includes trafficking and high-level trafficking in a mixture that contains illicitly manufactured fentanyl among the offenses for which a person may not be penalized under such circumstances.

Existing law requires the Director of the Department of Corrections to establish one or more programs of treatment for offenders with substance use or co-occurring disorders who have been sentenced to imprisonment in the state prison. (NRS 209.4236, 209.425) Existing law additionally provides that the treatment of a prisoner in a local jail or detention facility who has a substance use disorder may include medication-assisted treatment. (NRS 211.140) **Section 12.3** of this bill requires the Director, to the extent that money is available, to establish a program to provide for the treatment of

offenders with a substance use disorder using medication-assisted treatment. **Section 12.3** requires: (1) the program to provide each eligible offender who participates in the program with appropriate medication-assisted treatment for the period in which the offender is incarcerated; and (2) each offender who the Director has determined has a substance use disorder for which a medication-assisted treatment exists and who meets any reasonable conditions imposed by the Director to be deemed eligible to participate in the program and offered the opportunity to participate. **Section 12.3** prohibits the Director from denying an offender the ability to participate in the program or terminating his or her participation in the program for certain reasons. Finally, **section 12.3** provides that an offender who participates in the program is not subject to discipline on the basis that the results of a screening test administered to the offender indicated the presence of a controlled substance. **Section 12.7** of this bill requires, to the extent that money is available, a sheriff, chief of police or town marshal who is responsible for a county, city or town jail or detention facility to establish a program similar to that set forth in **section 12.3** to provide for the treatment of prisoners with a substance use disorder using medication-assisted treatment.

Section 1.8 of this bill requires each state and local law enforcement agency and the Nevada Sentencing Commission to submit to the Joint Interim Standing Committee on the Judiciary on or before March 1 and October 1 of each even-numbered year a report containing certain information regarding: (1) persons who have been charged with trafficking or high-level trafficking in any mixture that contains illicitly manufactured fentanyl or intentional misrepresentation of a fentanyl product; (2) programs for the treatment of persons incarcerated in the state prison or a county, city or town jail or detention facility; and (3) drug overdoses that resulted in the death of certain persons which were due to fentanyl or a controlled substance analog for fentanyl.

Section 14 of this bill requires the Joint Interim Standing Committee on the Judiciary to conduct a study during the 2023-2024 interim concerning the possible upgrading of forensic laboratories in this State to enable such laboratories to perform quantitative testing involving controlled substances.

8. If the sponsor of a charter school reconstitutes the governing body of a charter school pursuant to NRS 388A.330, the new governing body may terminate the employment of any teachers or other employees of the charter school, and any provision of any agreement negotiated pursuant to this chapter that provides otherwise is unenforceable and void.

The local government employer shall discuss subject matters outside the scope of mandatory bargaining but it is not required to negotiate those matters.

13. Contract provisions presently existing in signed and ratified agreements as of May 15, 1975, at 12 p.m. remain negotiable.

(d) With the approval of the Administrator, an employee or contractor of any other state or local governmental agency responsible for the welfare of children who requests access to the information and who demonstrates to the satisfaction of the Administrator a bona fide need to access the information. Any approval or denial of a request submitted in accordance with this paragraph is at the sole discretion of the Administrator.

Sec. 35. NRS 432.120 is hereby amended to read as follows:

432.120 1. Information contained in the Central Registry must not be released unless the right of the applicant to the information is confirmed, the information concerning the report of abuse or neglect of the child or a violation of NRS 201.540, 201.560, 392.4633 or 394.366 ***or section 2 of this act*** has been reported pursuant to NRS 392.337 or 432B.310, as applicable, the released information discloses the disposition of the case and, if the information is being provided pursuant to subsection 3 of NRS 432.100, the person who is the subject of the background investigation provides written authorization for the release of the information.

2. The information contained in the Central Registry concerning cases in which a report of abuse or neglect of a child has been substantiated by an agency which provides child welfare services must be deleted from the Central Registry not later than 10 years after the child who is the subject of the report reaches the age of 18 years.

3. The Division shall not release information from the Central Registry regarding a report of child abuse or neglect made pursuant to NRS 392.303 or 432B.220 that received a disposition other than substantiated to any person or entity except for an agency which provides child welfare services.

4. The Division shall adopt regulations to carry out the provisions of this section.

Sec. 36. NRS 433.639 is hereby amended to read as follows:

433.639 1. Not later than 3 days after employing a person to provide or supervise the provision of peer recovery support services in a position where the person has regular and substantial contact with minors or retaining a person as an independent contractor to provide or supervise the provision of peer

recovery support services in such a position and every 5 years thereafter, an employer, or person or entity who retained the independent contractor, shall:

(a) Obtain from the employee or independent contractor written authorization for the release of any information that may be available from the Statewide Central Registry for the Collection of Information Concerning the Abuse or Neglect of a Child established pursuant to NRS 432.100; and

(b) Complete a child abuse and neglect screening through the Central Registry to determine whether there has been a substantiated report of child abuse or neglect or a violation of NRS 201.540, 201.560, 392.4633 or 394.366 ***or section 2 of this act*** made against the person.

2. Except as otherwise provided in any regulations adopted pursuant to subsection 4, upon receiving information pursuant to subsection 1 from the Central Registry or from any other source that an employee or independent contractor described in subsection 1 has, within the immediately preceding 5 years, had a substantiated report of child abuse or neglect or a violation of NRS 201.540, 201.560, 392.4633 or 394.366 ***or section 2 of this act*** made against him or her, the employer or person or entity who retained the independent contractor shall terminate the employment or contract of the employee or independent contractor, as applicable, after allowing the employee or independent contractor time to correct the information as required pursuant to subsection 3.

3. If an employee or independent contractor described in subsection 1 believes that the information provided to the employer or person or entity who retained the independent contractor pursuant to subsection 2 is incorrect, the employee or independent contractor must inform the employer, person or entity immediately. The employer, person or entity shall give any such employee or independent contractor 30 days to correct the information.

4. The Division, in consultation with each agency which provides child welfare services, may establish by regulation a process by which it may review evidence upon request to determine whether an employee or independent contractor described in subsection 1 who has, within the immediately preceding 5 years, had a substantiated report of child abuse or neglect or a violation of NRS 201.540, 201.560, 392.4633 or 394.366 ***or section 2 of this act*** made against him or her may continue to provide or supervise the provision of peer recovery support services and have regular and substantial contact with minors despite the report. Any such review must be conducted in a manner which does not discriminate against a person in violation of 42 U.S.C. §§ 2000e et seq.

5. If a process for review is established pursuant to subsection 4, an employee or independent contractor described in subsection 1 may request such a review in the manner established by the Division. Any determination made by the Division is final for purposes of judicial review.

6. During any period in which an employee or independent contractor seeks to correct information pursuant to subsection 3 or requests a review of information pursuant to subsection 5, it is within the discretion of the employer

or person or entity who retained the independent contractor whether to allow the employee or independent contractor to continue to work for the employer, person or entity, as applicable, except that the employee or independent contractor shall not have regular and substantial contact with minors without supervision during such a period.

7. The Division shall adopt regulations to establish civil penalties to be imposed against any person or entity that fails to comply with the requirements of this section.

8. As used in this section, "agency which provides child welfare services" has the meaning ascribed to it in NRS 424.011.

Sec. 37. The amendatory provisions of sections 1 to 36, inclusive, of this act apply to offenses committed on or after October 1, 2023.

Senate Bill No. 104.

Bill read third time.

The following amendment was proposed by Assemblywoman Brittney Miller:

Amendment No. 737.

AN ACT relating to vehicles; revising provisions relating to certain traffic and related violations; revising provisions relating to the suspension of the driver's license of a person; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

During the 2021 Legislative Session, the Legislature enacted Assembly Bill No. 116 (A.B. 116), which established civil penalties for certain traffic and related violations and enacted procedures for the adjudication of such violations. (Assembly Bill No. 116, chapter 506, Statutes of Nevada 2021, at page 3297) The procedures for the adjudication of civil infractions prescribed by A.B. 116 were based, in part, on the procedures for the adjudication of criminal violations prescribed by chapter 176 of NRS.

During the 2021 Legislative Session, the Legislature also enacted Senate Bill No. 219 (S.B. 219), which revised certain statutory provisions upon which the requirements prescribed by A.B. 116 were based by removing the authority of a court to suspend the driver's license of a defendant or prohibit a defendant from applying for a driver's license for a specified period as a result of any delinquent fine, administrative assessment, fee or restitution owed. (Senate Bill No. 219, chapter 505, Statutes of Nevada 2021, at page 3292)

Section 2 of this bill makes a technical change to align provisions relating to the adjudication of certain traffic and related civil infractions with the changes made by S.B. 219. Specifically, **section 2** removes the authority of a court to order the suspension of the driver's license of a person or prohibit a person from applying for a driver's license for a specified period as a result of

a delinquent fine, administrative assessment or fee associated with a civil penalty imposed for a traffic or related violation. (NRS 484A.7047) **Section 1** of this bill makes a conforming change relating to the removal of the authority of a court to suspend the driver's license of a person pursuant to **section 2**.

Section 3 of this bill provides that if, on or after the effective date of this bill, a person is subject to a suspension of his or her driver's license or a delay in the issuance of a driver's license imposed for failure to pay a delinquent fine, administrative assessment or fee, the Department of Motor Vehicles must: (1) immediately reinstate the driver's license of the person or the ability of the person to apply for the issuance of a driver's license; and (2) notify the person, as soon as possible, of the reinstatement of his or her driver's license or ability to apply for the issuance of a driver's license. **Section 3** also provides that the Department may not charge any fee for such reinstatement of a driver's license or require a person to undergo any physical or mental examination to be eligible for such reinstatement of a driver's license.

Existing law prescribes the required contents of traffic citations and civil infraction citations. (NRS 484A.630, 484A.7035) **Sections 1.3 and 1.4** of this bill revise the required contents of such citations.

Existing law provides that the juvenile court has exclusive original jurisdiction over a child who is alleged to have committed an act designated as a delinquent act, unless an exception applies. (NRS 62B.330, 62B.390) Under existing law, certain offenses are not considered delinquent acts and are therefore excluded from the jurisdiction of the juvenile court. (NRS 62B.330) **Section 2.76** of this bill provides that violations of law that are punishable as civil infractions are not considered delinquent acts and are therefore excluded from the jurisdiction of the juvenile court. Existing law grants justice courts and municipal courts jurisdiction to hear and dispose of violations of law that are punishable as civil infractions. (NRS 4.370, 5.050) Therefore, **section 2.76** clarifies that justice courts and municipal courts have jurisdiction to hear and dispose of violations of law that are punishable as civil infractions, regardless of the age of the person alleged to have committed the violation.

Existing law authorizes a peace officer to request the electronic mail address and mobile telephone number of a person to whom a traffic citation is issued for the purpose of enabling the court in which the person is required to appear to communicate with the person. (NRS 484A.630) **Section 1.4** similarly authorizes a peace officer to request the electronic mail address and mobile telephone number of a person to whom a civil infraction citation is issued for the same purpose.

Existing law requires a court to send certain notice to a person who receives a civil infraction citation. (NRS 484A.704) **Section 1.6** of this bill requires this notice to include certain information regarding any online program of dispute resolution established by the court.

Existing law: (1) authorizes certain courts and traffic violations bureaus to establish a system through which certain persons may perform certain actions related to a traffic citation or civil infraction citation; and (2) prescribes certain

requirements relating to any such system. (NRS 484A.615) **Section 1.2** of this bill additionally requires any such system to be capable of allowing certain persons to submit the state registration number of the vehicle the person was driving when the citation was issued.

Existing law requires a person who receives a civil infraction citation to respond to the citation within 90 days after the date on which the citation is issued. **Section 1.6** instead requires such a person to respond to the citation within 90 days after the date on which the citation is issued or filed with the court, whichever is later. **Section 1.4** makes a conforming change relating to the revised deadline set forth in **section 1.6**.

Under existing law, if a person receiving a civil infraction citation does not contest the determination that the person has committed the civil infraction set forth in the citation, the person must respond to the citation by: (1) indicating that the person does not contest the determination; and (2) submitting full payment of the monetary penalty specified in the citation. (NRS 484A.704) **Section 1.6** revises this requirement by authorizing such a person to request that the court waive or reduce the monetary penalty specified in the citation or enter into a payment plan with the person in lieu of requiring the person to submit full payment of the monetary penalty specified in the citation. **Section 1.8** of this bill authorizes the court to waive or reduce the monetary penalty or enter into a payment plan with a person who submits a request pursuant to **section 1.6** under certain circumstances.

Existing law establishes the procedures for a hearing at which a person may contest whether the person committed a violation set forth in a civil infraction citation and generally requires the person to post a bond in an amount equal to the monetary penalty, administrative assessments and fees specified in the civil infraction citation or alternatively deposit such an amount in cash with the court. (NRS 484A.7041) **Section 1.7** of this bill ~~[revises this requirement to instead require the person to post a bond equal to $50 or the amount of the monetary penalty, administrative assessments and fees specified in the civil infraction citation, whichever is less, or alternatively deposit such an amount in cash with the court. Under existing law, any bond posted or cash deposited with the court must be forfeited upon the court's finding that the person committed a civil infraction. (NRS 484A.7041) Section 1.7 requires the court to enter a default judgment against the person for any amount remaining unsatisfied.]~~ **eliminates the requirement that a person who requests a hearing must post a bond or deposit cash with the court.**

Existing law authorizes a court having jurisdiction over a civil infraction to reduce any moving violation for which a person was issued a civil infraction citation to a nonmoving violation if the court determines that any circumstances warrant such a reduction. (NRS 484A.7043) **Section 1.8** clarifies that the court is not required to hold a hearing before reducing a moving violation to a nonmoving violation.

Under existing law, any civil penalty assessed against a person who is found to have committed a civil infraction must be paid to: (1) the treasurer of the

city in which the civil infraction occurred; or (2) if the civil infraction did not occur in a city, the treasurer of the county in which the civil infraction occurred. (NRS 484A.7043) **Section 1.8** instead requires any such civil penalty to be paid to the treasurer of the city or county, as applicable, in which the civil infraction citation was filed.

Existing law: (1) authorizes a prosecuting attorney to elect to treat certain traffic and related offenses that are punishable as a misdemeanor instead as a civil infraction; and (2) provides a procedure for making such an election. Pursuant to this procedure, existing law requires the prosecuting attorney to make the election on or before the time scheduled for the first appearance of the defendant. (NRS 484A.7049) **Section 2.2** of this bill: (1) authorizes the prosecuting attorney to make the election at any time before the court enters a judgment of conviction; and (2) eliminates certain procedural requirements relating to making such an election. **Section 2.2** also authorizes the district attorney or city attorney of any county or city, respectively, to authorize a traffic enforcement agency over whom the district attorney or city attorney has jurisdiction to elect to treat certain traffic and related offenses that are punishable as a misdemeanor instead as a civil infraction. **Finally, section 2.2 provides that a bench warrant may not be issued for a violation that is treated as a civil infraction.**

Existing law authorizes a peace officer to arrest a person without a warrant if the peace officer has reasonable cause for believing that the person has committed homicide by vehicle, certain offenses involving driving under the influence and certain other traffic and related offenses. (NRS 484A.710) **Section 2.6** of this bill authorizes a peace officer who has reasonable cause for believing that a person has committed a violation for which existing law authorizes the peace officer to arrest a person to also arrest the person without a warrant for an offense that is punishable as a civil infraction. **Section 2.4** of this bill makes a conforming change relating to arrests authorized by **section 2.6**.

Existing law establishes the jurisdiction of justice courts. (NRS 4.370) Section 2.67 of this bill authorizes the justice court to transfer original jurisdiction of a civil infraction to the district court or juvenile court if: (1) the person charged with the civil infraction is a person under 18 years of age; and (2) the district court or juvenile court, as applicable, approves the transfer.

Existing law provides certain persons with immunity from liability for certain acts or omissions under certain circumstances. (Chapter 41 of NRS) **Section 2.7** of this bill provides that a prosecuting attorney who prosecutes a person charged with a civil infraction or a violation of a traffic ordinance that is punishable by the imposition of a civil penalty is immune from liability to the same extent as a prosecuting attorney who prosecutes a person charged with violating a criminal law of this State. **Sections 2.72 and 2.74** of this bill make conforming changes to indicate the proper placement of **section 2.7** in the Nevada Revised Statutes.

Section 2.8 of this bill authorizes a board of county commissioners to provide by ordinance that a violation of a traffic ordinance enacted by the board imposes a civil penalty instead of a criminal sanction.

Section 2.9 of this bill requires the Department of Public Safety, in consultation with law enforcement agencies and courts of this State, to: (1) study best practices for developing and implementing a standardized, statewide uniform civil infraction citation; and (2) submit its findings and recommendations for legislation to the Joint Interim Standing Committee on the Judiciary. **Section 2.95** of this bill requires justice courts and municipal courts, on or before January 1, 2024, to adopt rules governing the practice and procedure for setting aside a default judgment in an action relating to a civil infraction.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 483.443 is hereby amended to read as follows:

483.443 1. The Department shall, upon receiving notification from a district attorney or other public agency collecting support for children pursuant to NRS 425.510 that a court has determined that a person:

Sec. 1.2. NRS 484A.615 is hereby amended to read as follows:

484A.615 1. A court having jurisdiction over an offense for which a traffic citation must be issued pursuant to NRS 484A.630 or that is punishable as a civil infraction pursuant to NRS 484A.703 to 484A.705, inclusive, or its traffic violations bureau may establish a system by which, except as otherwise provided in subsection 6, the court or traffic violations bureau may allow:

(a) A person who has been issued a traffic citation or a civil infraction citation that is filed with the court or traffic violations bureau to perform certain actions approved by the court or traffic violations bureau, including, without limitation, to make a plea and state his or her defense or, if authorized, any mitigating circumstances, by mail, by electronic mail, over the Internet or by other electronic means.

(a) A person described in paragraph (a) of subsection 1 to use the system to perform certain actions approved by the court or traffic violations bureau, including, without limitation, to make a plea or state his or her defense or, if authorized, any mitigating circumstances in lieu of making a plea and statement of his or her defense or any mitigating circumstances in court.

4. If a court or traffic violations bureau allows an eligible person to whom a traffic citation or civil infraction citation is issued to use a system established pursuant to subsection 1 to make a plea and state his or her defense or, if authorized, any mitigating circumstances and the person chooses to make a plea and state his or her defense or any mitigating circumstances by using such a system, the person waives any relevant constitutional right, including, without limitation, the right to a trial, the right to confront any witnesses and the right to counsel, as applicable.

5. Any system established pursuant to subsection 1 must:

(a) For the purpose of authenticating that the person making the plea and statement of his or her defense or any mitigating circumstances or performing any other approved action is the person to whom the traffic citation or civil infraction citation was issued, be capable of requiring the person to submit any of the following information, as applicable, at the discretion of the court or traffic violations bureau:

Sec. 1.3. NRS 484A.630 is hereby amended to read as follows:

484A.630 1. Whenever a person is halted by a peace officer for any violation of chapters 484A to 484E, inclusive, of NRS and is not taken before a magistrate as required or permitted by NRS 484A.720 and 484A.730, the peace officer must prepare a traffic citation manually or electronically in the form of a complaint issuing in the name of "The State of Nevada," containing a notice to appear in court, the name and address of the person, the state registration number of the ~~[person's]~~ vehicle ~~[,]~~ ***the person was driving when the citation was issued,*** if any, the number of the person's driver's license, if any, the offense charged, including a brief description of the offense and the NRS citation, the time and place when and where the person is required to appear in court, and such other pertinent information as may be necessary. The peace officer may also request, and the person may provide, the electronic mail address and mobile telephone number of the person for the purpose of enabling the court in which the person is required to appear to communicate with the person. If the peace officer requests such information, the peace officer shall expressly inform the person that providing such information is voluntary and, if the person provides such information, the person thereby gives his or her consent for the court to communicate with the person through such means. The peace officer shall sign the citation and deliver a copy of the citation to the person charged with the violation. If the citation is prepared electronically, the peace officer shall sign the copy of the citation that is delivered to the person charged with the violation.

2. The time specified in the notice to appear must be at least 5 days after the alleged violation.

3. The place specified in the notice to appear must be before a magistrate, as designated in NRS 484A.750.

4. The person charged with the violation may give his or her written promise to appear in court by signing or physically receiving at least one copy

of the traffic citation prepared by the peace officer and thereupon the peace officer shall not take the person into physical custody for the violation. If the citation is prepared electronically, the peace officer shall indicate on the electronic record of the citation whether the person charged gave his or her written promise to appear. A copy of the citation that is signed by the person charged or the electronic record of the citation which indicates that the person charged gave his or her written promise to appear suffices as proof of service.

5. If the person charged with the violation refuses to sign a copy of the traffic citation but physically receives a copy of the citation delivered by the peace officer:

(a) The receipt shall be deemed personal service of the notice to appear in court;

(b) A copy of the citation signed by the peace officer suffices as proof of service; and

(c) The peace officer shall not take the person into physical custody for the violation.

Sec. 1.4. NRS 484A.7035 is hereby amended to read as follows:

484A.7035 1. When a person is halted by a peace officer in this State for any violation of chapters 483 to 484E, inclusive, 486 or 490 of NRS that is a civil infraction, ***or, if authorized by a traffic enforcement agency pursuant to NRS 484A.7049, for a violation of certain such provisions that is punishable as a misdemeanor,*** or a prosecuting attorney elects to treat a violation of chapters 483 to 484E, inclusive, 486 or 490 of NRS that is punishable as a misdemeanor instead as a civil infraction in accordance with NRS 484A.7049, the peace officer or prosecuting attorney, as applicable, may prepare a civil infraction citation manually or electronically in the form of a complaint issuing in the name of "The State of Nevada," containing ***:*** ~~[~~, except as otherwise provided in paragraph (a) of subsection 2 of NRS 484A.7049:~~]~~

(b) A statement that a civil infraction is not a criminal offense;

(c) The name, date of birth, residential address and mailing address, if different from the residential address, telephone number and electronic mail address of the person who is being issued the citation and an indication as to whether the person has agreed to receive communications relating to the civil infraction by text message;

(d) The state registration number of the ~~[~~person's~~]~~ vehicle ~~[~~,~~]~~ ***the person was driving when the citation was issued,*** if any;

(e) The number of the person's driver's license, if any;

(f) The civil infraction for which the citation was issued;

(g) The personnel number or other unique agency identification number of the peace officer issuing the citation ~~[~~and the address and phone number of the agency which employs the peace officer~~]~~ or, if a prosecuting attorney is issuing

the citation, the personnel number or other unique agency identification number of the peace officer who halted the person for the violation or the volunteer appointed pursuant to NRS 484B.470 who issued the citation ~~[and the address and phone number of the agency which employs the peace officer or volunteer,]~~ preprinted or printed legibly on the citation;

(h) A statement of the options provided pursuant to NRS 484A.703 to 484A.705, inclusive, for responding to the citation and the procedures necessary to exercise these options;

(i) A statement that, at any hearing to contest the determination set forth in the citation, the facts that constitute the infraction must be proved by a preponderance of the evidence and the person may subpoena witnesses, including, without limitation, the peace officer or duly authorized member or volunteer of a traffic enforcement agency who issued the citation or halted the person; and

(j) A statement that the person must respond to the citation as provided in NRS 484A.703 to 484A.705, inclusive, within 90 calendar days ~~[.]~~ ***after the date on which the citation is issued or filed with the court, whichever is later.***

2. ***The peace officer may also request, and the person may provide, the electronic mail address and mobile telephone number of the person for the purpose of enabling the court in which the person is required to appear to communicate with the person. If the peace officer requests such information, the peace officer shall expressly inform the person that providing such information is voluntary and, if the person provides such information, the person thereby gives his or her consent for the court to communicate with the person through such means.***

3. A peace officer who issues a civil infraction citation pursuant to subsection 1 shall sign the citation and deliver a copy of the citation to the person charged with the civil infraction. If the citation is prepared electronically, the peace officer shall sign the copy of the citation that is delivered to the person charged with the violation.

~~[3.]~~ ***4.*** A civil infraction citation may be served by delivering a copy of the citation to the person charged with the civil infraction pursuant to this section or NRS 484A.7049. The acceptance of a civil infraction citation by the person charged with the civil infraction shall be deemed personal service of the citation and a copy of the citation signed by the peace officer or prosecuting attorney, as applicable, constitutes proof of service. If a person charged with a civil infraction refuses to accept a civil infraction citation, the copy of the citation signed by the peace officer or prosecuting attorney, as applicable, constitutes proof of service.

Sec. 1.6. NRS 484A.704 is hereby amended to read as follows:

If, in lieu of a civil penalty, the court authorizes a person to successfully complete a course of traffic safety approved by the Department of Motor Vehicles, the court must order the person to pay the amount of the administrative assessment that corresponds to the civil penalty for which the defendant would have otherwise been responsible. The administrative assessments imposed pursuant to this subsection must be collected and distributed in the same manner as the administrative assessments imposed and collected pursuant to NRS 176.059, 176.0611, 176.0613 and 176.0623.

(c) Reduce any moving violation for which a person was issued a civil infraction citation to a nonmoving violation if the court determines that any circumstances warrant such a reduction.

5. Nothing in this section shall be construed to require a court having jurisdiction over a civil infraction pursuant to NRS 484A.703 to 484A.705, inclusive, to hold a hearing before reducing a moving violation for which a person was issued a civil infraction citation to a nonmoving violation.

The court may ~~[:~~

(2) Improve the operations of a court by providing funding for:

(I) A civil law self-help center; or

(II) Court security personnel and equipment for a regional justice center that includes the justice courts of that county.

(c) If the money is collected by a collection agency, after the collection agency has been paid its fee pursuant to the terms of the contract, any remaining money must be deposited in the state, city or county treasury, whichever is appropriate, to be used only for the purposes set forth in paragraph (a) or (b).

Bill read third time.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 726.

AN ACT relating to state employment; establishing provisions governing paid family leave for certain state employees under certain circumstances; **making an appropriation;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, state employees in the public service are entitled to certain types of leave, including, without limitation, annual, sick and disability leave and leaves of absence under certain provisions. (NRS 284.355, 284.360) **Section 1** of this bill provides that an employee of the Executive Department of the State Government is entitled to take 8 weeks of paid family leave over the course of a 12-month period to: (1) bond with a newborn child of the employee or a newborn child of the domestic partner of the employee; (2) bond with a newly adopted child of the employee; (3) recover from or undergo treatment for a serious illness; (4) care for a seriously ill member of the immediate family of the employee; or (5) participate in a qualifying event resulting from the military deployment to a foreign country of an immediate family member of the employee. To be eligible for such paid family leave, **section 1** provides that an employee must: (1) be employed by the State for not less than 12 consecutive months; (2) have accrued not less than 40 hours of sick leave; and (3) have used any accrued sick leave in excess of 40 hours before taking paid family leave. **Section 1** further: (1) requires an appointing authority to pay an employee on paid family leave 50 percent of the regular wage the employee would have earned if the employee was not on leave; and (2) prohibits the appointing authority or designee of the appointing authority

from denying an eligible employee paid family leave or retaliating or taking any adverse action against an employee for taking paid family leave.

Section 2 of this bill makes a conforming change to provide that an employee may use his or her sick leave for the purposes set forth in **section 1** before taking paid family leave. **Section 3** of this bill makes a conforming change to provide that the provisions authorizing an employee to be granted a leave of absence without pay do not affect the rights of an employee to take paid family leave.

Section 3.5 of this bill makes an appropriation to the Department of Administration for the costs of computer programming to carry out the provisions of this bill.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 284 of NRS is hereby amended by adding thereto a new section to read as follows:

1. Except as otherwise provided in this section, an employee of the Executive Department of the State Government who has been employed for not less than 12 consecutive months is entitled to take 8 weeks of paid family leave:

(a) To bond with a newborn child of the employee or a newborn child of the domestic partner of the employee;

(b) To bond with a newly adopted child of the employee;

(c) To recover from or undergo treatment for a serious illness;

(d) To care for a seriously ill member of the immediate family of the employee; or

(e) For a qualifying event resulting from the military deployment to a foreign country of an immediate family member of the employee.

2. An employee eligible for paid family leave pursuant to subsection 1 must have not less than 40 hours of sick leave accrued pursuant to NRS 284.355 before taking paid family leave. Any sick leave accrued in excess of 40 hours must be used before taking paid family leave.

3. An appointing authority shall pay an employee on paid family leave 50 percent of the regular wage the employee would have earned if the employee was not on leave.

4. An employee that is entitled to take paid family leave pursuant to subsection 1 is not required to take paid family leave consecutively and may take paid family leave over the course of a 12-month period.

5. An appointing authority or his or her designee shall not deny an eligible employee the right to take paid family leave in accordance with the provisions of this section or retaliate or take any adverse action against an employee for taking paid family leave pursuant to subsection 1.

6. As used in this section:

(a) "Domestic partner" means a person who is in a domestic partnership which is registered or recognized pursuant to chapter 122A of NRS and which has not been terminated pursuant to that chapter.

(b) "Immediate family" means a parent, sibling, child by blood, adoption or marriage, spouse, grandparent or grandchild.

(c) "Qualifying event" means any military event or essential need resulting from the military deployment of an immediate family member. The term includes, without limitation, arranging for child care or parental care during deployment, representing the military family member at a federal, state or local event during deployment and addressing issues due to the death of the military family member.

(d) "Serious illness" has the meaning ascribed to it in NRS 232.4854.

Sec. 2. NRS 284.355 is hereby amended to read as follows:

284.355 1. Except as otherwise provided in this section, all employees in the public service, whether in the classified or unclassified service, are entitled to sick and disability leave with pay of 1 1/4 working days for each month of service, which may be cumulative from year to year. After an employee has accumulated 90 working days of sick leave, the amount of additional unused sick leave which the employee is entitled to carry forward from 1 year to the next is limited to one-half of the unused sick leave accrued during that year, but the Commission may by regulation provide for subsequent use of unused sick leave accrued but not carried forward because of this limitation in cases where the employee is suffering from a long-term or chronic illness and has used all sick leave otherwise available to the employee.

2. ***An employee who is entitled to receive paid family leave pursuant to section 1 of this act may use his or her accrued sick leave for any purpose set forth in subsection 1 of section 1 of this act.***

3. Upon the retirement of an employee, the employee's termination through no fault of the employee or the employee's death while in public employment, the employee or the employee's beneficiaries are entitled to payment:

(a) For the employee's unused sick leave in excess of 30 days, exclusive of any unused sick leave accrued but not carried forward, according to the employee's number of years of public service, except service with a political subdivision of the State, as follows:

(1) For 10 years of service or more but less than 15 years, not more than $2,500.

(2) For 15 years of service or more but less than 20 years, not more than $4,000.

(3) For 20 years of service or more but less than 25 years, not more than $6,000.

(4) For 25 years of service, not more than $8,000.

(b) For the employee's unused sick leave accrued but not carried forward, an amount equal to one-half of the sum of:

(1) The employee's hours of unused sick leave accrued but not carried forward; and

(2) An additional 120 hours.

~~[3.]~~ ***4.*** The Commission may by regulation provide for additional sick and disability leave for long-term employees and for prorated sick and disability leave for part-time employees.

~~[4.]~~ ***5.*** An employee entitled to payment for unused sick leave pursuant to subsection ~~[2]~~ ***3*** may elect to receive the payment in any one or more of the following forms:

(a) A lump-sum payment.

(b) An advanced payment of the premiums or contributions for insurance coverage for which the employee is otherwise eligible pursuant to chapter 287 of NRS. If the insurance coverage is terminated and the money advanced for premiums or contributions pursuant to this subsection exceeds the amount which is payable for premiums or contributions for the period for which the former employee was actually covered, the unused portion of the advanced payment must be paid promptly to the former employee or, if the employee is deceased, to the employee's beneficiary.

(c) The purchase of additional retirement credit, if the employee is otherwise eligible pursuant to chapter 286 of NRS.

~~[5.]~~ ***6.*** Officers and members of the faculty of the Nevada System of Higher Education are entitled to sick and disability leave as provided by the regulations adopted pursuant to subsection 2 of NRS 284.345.

~~[6.]~~ ***7.*** The Commission may by regulation provide policies concerning employees with mental or emotional disorders which:

(a) Use a liberal approach to the granting of sick leave or leave without pay to such an employee if it is necessary for the employee to be absent for treatment or temporary hospitalization.

(b) Provide for the retention of the job of such an employee for a reasonable period of absence, and if an extended absence necessitates separation or retirement, provide for the reemployment of such an employee if at all possible after recovery.

(c) Protect employee benefits, including, without limitation, retirement, life insurance and health benefits.

~~[7.]~~ ***8.*** The Commission shall establish by regulation a schedule for the accrual of sick leave for employees who regularly work more than 40 hours per week or 80 hours biweekly. The schedule must provide for the accrual of sick leave at the same rate proportionately as employees who work a 40-hour week accrue sick leave.

~~[8.]~~ ***9.*** The Division may investigate any instance in which it believes that an employee has taken sick or disability leave to which the employee was not entitled. If, after notice to the employee and a hearing, the Commission determines that the employee has taken sick or disability leave to which the employee was not entitled, the Commission may order the forfeiture of all or part of the employee's accrued sick leave.

Sec. 3. NRS 284.360 is hereby amended to read as follows:

ASSEMBLYWOMAN JAUREGUI:

I rise today in support of Senate Bill 80. Senate Bill 80 is the work of 21 Nevada Youth legislators. I want to acknowledge how hard they have worked and the dedication they have put

in throughout the year to narrow down so many impressive proposals to just one, the one you have before you today. This bill will help students who have suffered traumatic brain injuries go back to school.

I want to thank them, especially the two youth legislators who are sitting with me here today, for their time in this building, working with Senators, Assembly members, lobbyists, policy analysts, and legal counsel. Boy, did they get the full legislative experience.

I urge all of my colleagues to support Senate Bill 80.

SECOND READING AND AMENDMENT

Assembly Bill No. 243.

Bill read second time.

The following amendment was proposed by the Committee on Legislative Operations and Elections:

Amendment No. 568.

AN ACT relating to legislative affairs; **making various changes relating to legislative interim committees and presiding officers of those committees;** revising provisions relating to ~~[certain vacancies in]~~ Joint Interim Standing Committees **;** ~~[of the Legislature and the use of alternate committee members; transferring certain duties of the Joint Interim Standing Committee on Legislative Operations and Elections to the Joint Interim Standing Committee on Government Affairs;]~~ revising the deadline to submit an application to **the Joint Interim Standing Committee on Education to** serve on the Nevada State Teacher Recruitment and Retention Advisory Task Force; repealing the requirement that the Joint Interim Standing Committee on Health and Human Services review certain regulations; **revising provisions relating to legislative committee members and staff regulated by the Nevada**

Lobbying Disclosure and Regulation Act and Nevada Financial Disclosure Act; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes various legislative interim committees that are created or authorized to conduct studies or investigations or perform other legislative business during the interim between legislative sessions, and existing law provides for the appointment or designation of chairs and vice chairs of such interim committees. (Chapter 218E of NRS, NRS 232B.210-232B.250) Existing law also contains provisions that apply exclusively to such interim committees without applying to any session committees. (NRS 218E.105-218E.140)

Under the term-limit provisions of the Nevada Constitution, Legislators are subject to limitations on the number of years that they may serve in each House of the Legislature. (Nev. Const. Art. 4, §§ 3, 4) Section 2 of this bill amends the statutory provisions that apply to interim committees in order to provide, with certain exceptions, that if a Legislator is serving the final term in his or her current House under the term-limit provisions, the Legislator is not eligible for the position of chair or vice chair of an interim committee during the legislative interim period that: (1) begins immediately after adjournment sine die of the last regular session in which the Legislator is eligible to serve in his or her current House; and (2) ends at the expiration of the Legislator's current term of office in that House. However, section 2 contains an exception for the position of Chair or Vice Chair of the Legislative Commission. Sections 3, 7, 8, 11-14 and 49 of this bill make conforming changes.

Under existing common-law principles of parliamentary law, the chair of a committee serves as the presiding officer of the committee and may take, direct or require any necessary and reasonable actions to carry out the committee's management, government, budget, meetings and proceedings, subject to the laws and rules governing the committee. In addition, if a vacancy occurs in the position of chair, or if the chair is prohibited or disqualified from participating or acting on a particular matter for any reason or is absent, disabled or otherwise unavailable or unable to carry out the position for any reason, the vice chair of the committee serves as the acting chair, with all the powers, privileges and immunities of the position of chair, until the vacancy is filled or the chair is eligible, available or able to carry out the position again, as applicable. Long Branch Comm'n*, 55 A. 250, 250-51 (N.J. 1903)) To assist interim committees in conducting their legislative business consistently with existing common-law principles of parliamentary law, sections 4-6 of this bill codify those existing common-law principles into the statutory provisions that apply to interim committees. Existing law: (1) establishes Joint Interim Standing Committees of the Legislature that may evaluate and review issues within the jurisdiction of the corresponding standing committees from the preceding regular session of the Legislature, exercise certain investigative powers and, under certain circumstances, conduct studies directed by the Legislature or the Legislative Commission; (2) provides for the appointment of regular members and alternative members to each Joint Interim Standing Committee; and (3) requires the Legislative Commission to select a Chair and a Vice Chair for each Joint Interim Standing Committee. (NRS 218E.320, 218E.330) ~~[Section 1 of this bill provides that if the position of Chair of a Joint Interim Standing Committee is vacant, the Vice Chair shall serve as acting Chair until the vacancy is filled. Section 2]~~

Sections 8-10 of this bill clarify and revise various requirements governing the Joint Interim Standing Committees. Section 8 of this bill requires the appointing authorities to appoint the committee members, along with the Chairs and Vice Chairs, not later than August 31 following the adjournment of each regular session. Section 8 also clarifies the length of the terms that the committee members and the Chairs and Vice Chairs serve while qualified.

Section 9 of this bill authorizes the Joint Interim Standing Committees to begin holding their meetings on September 1 after the adjournment of each regular session, instead of November 1 under existing law. Section 9 ~~[of this bill]~~ provides that if a regular member ~~[of a Joint Interim Standing Committee]~~ cannot attend a meeting of the Committee, an ~~[alternative]~~ **alternate** member must, to the extent practicable, be of the same political party as the regular member ~~[.]~~ **, and section 9 clarifies that, when acting in place of a regular member, an alternate member has all the powers, privileges and immunities of a regular member.**

Existing law requires that any recommended legislation proposed by a Joint Interim Standing Committee must be approved by a majority of the members of the Senate and a majority of the members of the Assembly serving on the Committee. (NRS 218E.325) Section 9 changes this requirement by providing that any recommended legislation proposed by a Committee must be approved by a vote in favor of such legislation by at least five members of the eight-member Committee, regardless of their House.

Existing law requires the Joint Interim Standing Committee on Legislative Operations and Elections to evaluate and review issues relating to governmental purchasing. (NRS 218E.330) **Section** ~~[3]~~ **10** of this bill transfers such duties ~~[from the Joint Interim Standing Committee on Legislative Operations and Elections]~~ to the Joint Interim Standing Committee on Government Affairs. **Section** ~~[6]~~ **44** of this bill makes a conforming change to

require that the biennial report on recommendations for legislation relating to government purchasing be submitted to the Joint Interim Standing Committee on Government Affairs.

Existing law creates the Subcommittee on Public Lands of the Joint Interim Standing Committee on Natural Resources and prescribes the Subcommittee's powers and duties. (NRS 218E.500-218E.525, NRS 321.7355) Sections 15-17, 43 and 51 of this bill eliminate the Subcommittee and transfer its powers and duties to the Joint Interim Standing Committee on Natural Resources.

Existing law creates: (1) the Legislative Committee for the Review and Oversight of the Tahoe Regional Planning Agency and the Marlette Lake Water System; and (2) the Legislative Committee on Senior Citizens, Veterans and Adults With Special Needs. (NRS 218E.550-218E.570, 218E.745-218E.760) Sections 18 and 19 of this bill revise the membership, organization and operations of each Legislative Committee.

Existing law creates the Sunset Subcommittee of the Legislative Commission. (NRS 232B.210-232B.250) Sections 33-40 of this bill: (1) rename the Sunset Subcommittee as the Sunset Committee of the Legislature; and (2) revise the membership, organization and operations of the Sunset Committee.

Existing law authorizes Joint Interim Standing Committees and other interim committees to request the drafting of a certain number legislative measures for each regular session. (NRS 218D.160) Section 1 of this bill revises the number of such requests that may be made by: (1) the Joint Interim Standing Committee on Health and Human Services; (2) the Joint Interim Standing Committee on the Judiciary; (3) the Joint Interim Standing Committee on Natural Resources; and (4) the Sunset Committee of the Legislature.

Existing law requires the Joint Interim Standing Committee on Health and Human Services to review certain regulations that are proposed or adopted by certain licensing boards and that are related to health care. (NRS 439B.225) **Section ~~[9]~~ 51** of this bill repeals the requirement that the Joint Interim Standing Committee on Health and Human Services review such regulations. **Sections ~~[4 and 5]~~ 41 and 42** of this bill make conforming changes to eliminate the requirement that such regulations be submitted to the Joint Interim Standing Committee on Health and Human Services.

Existing law requires a teacher who wishes to serve on the Nevada State Teacher Recruitment and Retention Advisory Task Force to submit an application to the Joint Interim Standing Committee on Education on or before January 15 of an even-numbered year. (NRS 391.494) **Section ~~[7]~~ 46** of this bill moves the due date of the application from January 15 of an even-numbered year to December 1 of an odd-numbered year.

Existing law requires various reports, documents and other information to be compiled by state or local governmental agencies and then reported to certain legislative committees or staff. (NRS 193.309,

209.192, 209.461, 209.4818, 332.215, 388.887, 449.242) Sections 29-32, 44, 45 and 47 of this bill revise those reporting requirements.

Under existing law, the Nevada Lobbying Disclosure and Regulation Act (Lobbying Act) prohibits, with certain exceptions, Legislators, legislative officers and legislative staff members from knowingly or willfully soliciting or accepting any gift from a lobbyist, whether or not the Legislature is in a regular or special session. (NRS 218H.060, 218H.090, 218H.930) Under existing exceptions to the gift prohibitions, if Legislators or members of their households receive anything of value from a lobbyist to undertake or attend any educational or informational meetings, events or trips, such meetings, events or trips are excluded from the term "gift" under the Lobbying Act, but the Legislators are required to report the educational or informational meetings, events or trips on their financial disclosure statements under the Nevada Financial Disclosure Act (Financial Disclosure Act). (NRS 218H.045, 218H.060, 281.5583, 281.571)

Sections 20-27 of this bill create exceptions for legislative committee investigative meetings, events or trips. Section 22 of this bill defines a "legislative committee investigative meeting, event or trip" to include any meetings, events or trips that the chair of a legislative committee authorizes as official meetings, events or trips of the committee in order for the members of the committee and legislative staff members to investigate or otherwise receive any education or information on matters that are pertinent to the committee's legislative business or possible future legislative action. Based on the exceptions in sections 24 and 26 of this bill, such legislative committee investigative meetings, events or trips are not required to be reported on financial disclosure statements under the Financial Disclosure Act. (NRS 281.5583, 281.5585)

Sections 24 and 26 also make the existing exceptions for educational or informational meetings, events or trips applicable to: (1) legislative officers, such as the Secretary of the Senate and the Chief Clerk of the Assembly; and (2) legislative staff members but only if such staff members have the approval of their chief administrative supervisors to undertake or attend the educational or informational meetings, events or trips. Because the Financial Disclosure Act applies to legislative officers, such as the Secretary of the Senate and the Chief Clerk of the Assembly, and to certain senior staff members of the Legislative Counsel Bureau, such as the Director and the chiefs of the divisions, they are required to report the educational or informational meetings, events or trips on financial disclosure statements. By contrast, if rank-and-file legislative staff members have the approval of their chief administrative supervisors to undertake or attend any educational or informational meetings, events or trips, they are not required to report the educational or informational meetings, events or trips on financial disclosure statements, unless they qualify as a public officer or candidate or a member of a public officer's

or candidate's household for the purposes of the Financial Disclosure Act. (NRS 281.005, 281.558, 281.5583, 281.5587)

218E.500 The Legislature finds and declares that:

1. Policies and issues relating to public lands and state sovereignty as impaired by federal ownership of land are matters of continuing concern to this State.

2. This concern necessarily includes an awareness that all federal statutes, policies and regulations which affect the management of public lands are likely to have extensive effects within the State and must not be ignored or automatically dismissed as beyond the reach of the state's policymakers.

3. Experience with federal regulations relating to public lands has demonstrated that the State of Nevada and its citizens are subjected to regulations which sometimes are unreasonable, arbitrary, beyond the intent of the Congress or the scope of the authority of the agency adopting them and that as a result these regulations should be subjected to legislative review and

comment, and judicially tested where appropriate, to protect the rights and interests of the State and its citizens.

4. Other western states where public lands comprise a large proportion of the total area have shown an interest in matters relating to public lands and those states, along with Nevada, have been actively participating in cooperative efforts to acquire, evaluate and share information and promote greater understanding of the issues. Since Nevada can both contribute to and benefit from such interstate activities, it is appropriate that ~~[a subcommittee on matters relating to public lands]~~ ***the Joint Interim Standing Committee on Natural Resources*** be assigned primary responsibility for participating in them.

(c) Consult with and advise the State Land Use Planning Agency on matters concerning federal land use, policies and activities in this State;

(d) Direct the Legislative Counsel Bureau to assist in its research, investigations, review and comment;

(e) Recommend to the Legislature as a result of its review any appropriate state legislation or corrective federal legislation;

(f) Advise the Attorney General if it believes that any federal policy, rule or regulation which it has reviewed encroaches on the sovereignty respecting land or water or their use which has been reserved to the State pursuant to the Constitution of the United States;

(g) Enter into a contract for consulting services for land planning and any other related activities, including, but not limited to:

(1) Advising the ~~[Subcommittee]~~ ***Committee*** and the State Land Use Planning Agency concerning the revision of the plans pursuant to NRS 321.7355;

Amendment No. 748.

SUMMARY—Revises provisions relating to ~~[the Public Employees' Retirement System.]~~ **public employees' retirement.** (BDR 23-1200)

AN ACT relating to ~~[the Public Employees' Retirement System;]~~ **public employees' retirement;** revising the calculation of contribution rates to the Public Employees' Retirement System from state employees and employers; **revising the contribution rates for the separate retirement program provided by the Board of Regents of the University of Nevada; making appropriations;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Retired]~~ **Existing law provides that certain** public employees receive retirement allowances through membership in and contributions to the Public Employees' Retirement System. (Chapter 286 of NRS) Existing law requires that: (1) the contribution rates of employees and employers to the System be adjusted every 2 years based on the actuarially determined contribution rate indicated in the biennial actuarial valuation and report of the immediately preceding year, unless the existing rate is higher or lower than the actuarially determined rate by a specified percentage; and (2) the employee and employer are responsible for an equal portion of any increase or decrease in the contribution rate. (NRS 286.410, 286.421, 286.450) **Section 5** of this bill

revises the contribution rate for an employee of a participating state agency from a rate equal to that paid by the employer to one-half of the normal cost that is actuarially determined for police officers and firefighters and for regular members, depending on the retirement fund in which the member is participating. **Section 7** of this bill revises the employer contribution rate for a participating state agency to be the total contribution rate actuarially determined for police officers and firefighters and for regular members, depending on the retirement fund in which the member is participating, less the employee contribution rate of one-half of the normal costs determined pursuant to **section 5**. **Sections 5 and 7** also provide for the rounding of any adjusted contribution rate to the nearest one-quarter of 1 percent.

Section 6 of this bill makes conforming changes to **the Public Employees' Retirement System to** require, for purposes of the adjustment of salary increases and cost-of-living increases or of salary reductions, that the division of total contributions be determined in the same manner as provided for determining the employee and employer contribution rates.

Section 3 of this bill defines the term "normal costs" as that portion of the present value of projected benefits that is attributable to the current year of service, as determined by an actuary of the System. **Section 4** of this bill defines the term "participating state agency" to mean the following public employers that participate in the System: (1) an agency, bureau, board, commission, department, division, officer or other unit of the Executive Branch of the State Government, the Nevada System of Higher Education and the Public Employees' Retirement System; (2) the Legislative Branch of the State Government; and (3) the Judicial Branch of the State Government.

Existing law requires the Board of Regents of the University of Nevada to provide a retirement program separate from the Public Employees' Retirement System which provides retirement benefits for members of the professional staff. (NRS 286.802) Existing law further requires the Board of Regents and a participant in the retirement program to each contribute an amount equal to 10 percent of the participant's gross compensation, but those contributions must not be less than the contributions made for the Public Employees' Retirement System. (NRS 286.808) Section 8 of this bill eliminates that threshold and increases to 17.5 percent of a participant's gross compensation the amount that the Board of Regents and each participant is required to contribute to the retirement program.

Sections 9-13 of this bill make appropriations for the purpose of meeting any deficiencies between the money appropriated to the departments, commissions and agencies of the State of Nevada for the 2023-2025 biennium and the increase in employer contributions to the Public Employees' Retirement System pursuant to this bill.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Senate Bill No. 335.
Bill read third time.
The following amendment was proposed by Assemblywoman Jauregui:
Amendment No. 764.

AN ACT relating to property; authorizing tenants subject to certain actions for summary eviction to request that the court stay the action until a decision concerning an application for rental assistance is made and establishing procedures relating thereto; requiring a landlord to accept payment of rent from a tenant and rental assistance on behalf of a tenant under certain circumstances; authorizing a justice court to establish a diversion program for certain tenants subject to an action for summary eviction; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

In general, existing law provides for a summary eviction procedure when a tenant defaults in the payment of rent. (NRS 40.253) **Section 9** of this bill authorizes a tenant who has been served with a notice to pay rent or surrender the premises to request that the court stay an action for summary eviction based on a default in the payment of rent until a decision concerning an application for rental assistance is made. **Section 9** establishes the procedure for a tenant to request such a stay and criteria for the issuance of a stay. If the court issues such a stay, **section 9** **: (1)** authorizes a landlord to file a motion to lift the stay under certain circumstances ~~[.]~~ **; and (2) requires that the stay expire not later than 60 days after it is issued.** If an application for rental assistance is granted in an amount that will allow the tenant in an action that has been stayed to cure the default, **section 9** requires the landlord to accept payment of rent from the tenant and rental assistance on behalf of the tenant. If the application for rental assistance is denied or granted in an amount that will not allow the tenant in an action that has been stayed to cure the default, **section 9** requires the court to proceed with the action for summary eviction in accordance with the requirements prescribed by existing law. **Section 21.2** of this bill makes a

conforming change relating to the submission of an affidavit pursuant to **section 9**. **Section 9.1 of this bill creates a similar process that becomes effective if and only if Assembly Bill No. 340 of this session is enacted by the Legislature and approved by the Governor.**

In general, existing law provides for a summary eviction procedure when a tenant neglects or fails to perform a condition or covenant of a lease or agreement. (NRS 40.254) **Section** ~~[9.2 of this bill authorizes a tenant who has been served with a notice to surrender the premises to request that the court stay an action for summary eviction based on neglect or failure to perform a condition or covenant of the lease or agreement until a decision concerning an application for rental assistance is made. Section 9.2 establishes the procedure for a tenant to request such a stay and criteria for the issuance of a stay. Among other requirements, section 9.2 requires the tenant to submit proof that: (1) the tenant was in default on the payment when the landlord initiated the action for summary eviction; and (2) the condition or covenant of the lease or agreement that the tenant allegedly neglected or failed to perform is not material to the lease or agreement. If the court issues such a stay, section 9.2 authorizes a landlord to file a motion to lift the stay under certain circumstances. When any stay issued by the court is lifted, section 9.2 requires the court to proceed with the action for summary eviction in accordance with the requirements prescribed by existing law. If an application for rental assistance is granted in an amount that will allow the tenant to cure the default, section 9.2 requires the landlord to accept payment of rent from the tenant and rental assistance on behalf of the tenant. Section 21.4 makes a conforming change relating to the submission of an affidavit pursuant to section 9.2.~~

~~— Sections 9.1 and 9.3]~~ **9.7 of this bill requires a court to dismiss an action for summary eviction based on neglect or failure to perform a condition or covenant of a lease or agreement if the court finds that the affidavit of complaint for summary eviction was filed by the landlord in bad faith or as a pretext for evicting a tenant who is in default in the payment of rent. Section 21.4** of this bill ~~[create]~~ **creates** a similar ~~[process]~~ **requirement** that becomes effective if and only if Assembly Bill No. 340 of this session is **not** enacted by the Legislature and approved by the Governor.

Section 9.5 of this bill authorizes a justice court to establish a diversion program to which it may assign an eligible tenant subject to an action for summary eviction. **Section 9.5** sets forth factors the court may consider in determining whether a tenant is eligible for assignment to such a diversion program. If the court assigns a tenant to such a diversion program, **section 9.5** requires the court to: (1) stay the pending action for summary eviction for not more than 60 days; and (2) if the tenant pays the landlord the rent that is in default or surrenders the premises before the expiration of the stay, dismiss the action.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

(1) Issue an order lifting the stay; and

(2) Hold a hearing in accordance with the requirements prescribed by subsection 6 of NRS 40.253.

10. ~~7. The court may grant a motion filed pursuant to subsection 6 if, at a hearing conducted on the motion, the court finds that:~~

~~(a) Evidence exists that the landlord faces a realistic threat of the foreclosure of the premises if the landlord is not able to evict the tenant, including, without limitation, evidence that:~~

~~(1) The property is subject to a lien, including, without limitation, a tax lien or lien for charges relating to utilities; or~~

~~(2) The landlord has missed three or more consecutive mortgage payments;~~

~~(b) The application for rental assistance was submitted in bad faith; or~~

~~(c) It is unlikely that:~~

~~8. If a tenant in bad faith submits an application for rental assistance, the landlord may, in a separate cause of action, recover damages from the tenant.~~

~~9. If a landlord in bad faith files a motion pursuant to subsection 6, the tenant may, in a separate cause of action, recover from the landlord an amount equal to damages, 1 month's rent or $1,000, whichever is greater, reasonable attorney's fees and costs of court.~~

~~10. If the application for rental assistance is granted in an amount that, together with any other available funds, will allow the tenant to cure the default in the payment of rent, the landlord must accept payment of rent from the tenant and rental assistance on behalf of the tenant.~~

~~*11. For the purposes of subsection 4, an application for rental assistance is no longer pending if the application is not actively being pursued by the tenant, including, without limitation, by providing in a timely manner any information or documentation requested by the person or entity to whom the application was submitted.*~~

~~*12. As used in this section:*~~

~~*(a) "Pending application for rental assistance" means an application for rental assistance submitted in good faith by a tenant. The term includes, without limitation, an application which is inactive due to any technical difficulty on the part of the tenant in the filing of the application for rental assistance that is outside of the control of the tenant. The term does not include an application for rental assistance that was started by the tenant but is not actively being pursued by the tenant.*~~

~~*(b) "Rental assistance" includes, without limitation, federal, state or local funds provided by a governmental entity and administered for the purpose of paying any amount of delinquent rent. Sec. 9.5. *1. A justice court may establish a diversion program to which it may assign an eligible tenant whose landlord applies by affidavit of complaint for eviction of the tenant pursuant to NRS 40.253.*

2. To determine whether a tenant is eligible for a diversion program established pursuant to subsection 1, the court may consider, without limitation, whether the tenant is eligible for any programs that are designed to provide:

(a) Social services which assist tenants in paying delinquent rent; and

(b) Wrap-around services.

3. If the court assigns a tenant to a diversion program established pursuant to subsection 1, the court shall:

(a) Stay the pending action for summary eviction for not more than 60 days after the date on which the tenant files an affidavit permitted in subsection 3 of NRS 40.253; and

(b) If the tenant pays to the landlord the amount of rent that is in default or surrenders the premises before the expiration of the stay, dismiss the pending action for summary eviction.

4. As used in this section, "wrap-around services" means services provided to a tenant that assist the tenant in avoiding future summary eviction actions.

Sec. 9.7. ***If the court finds that an affidavit of complaint for summary eviction filed pursuant to subsection 3 of section 6.5 of Assembly Bill No. 340 of this session was filed in bad faith or as a pretext for evicting a tenant who is in default in the payment of rent, the court must dismiss the proceeding.***

Sec. 21.2. NRS 40.253 is hereby amended to read as follows:

40.253 1. Except as otherwise provided in subsection 12, in addition to the remedy provided in NRS 40.2512 and 40.290 to 40.420, inclusive, when the tenant of any dwelling, apartment, mobile home or recreational vehicle with periodic rent reserved by the month or any shorter period is in default in payment of the rent, the landlord or the landlord's agent may cause to be served a notice in writing, requiring in the alternative the payment of the rent or the surrender of the premises:

(a) Before the close of business on the seventh judicial day following the day of service; or

(b) If the landlord chooses not to proceed in the manner set forth in paragraph (a) and the rent is reserved by a period of 1 week or less and the tenancy has not continued for more than 45 days, at or before noon of the fourth full day following the day of service.

➥ As used in this subsection, "day of service" means the day the landlord or the landlord's agent personally delivers the notice to the tenant. If personal service was not so delivered, the "day of service" means the day the notice is delivered, after posting and mailing pursuant to subsection 2, to the sheriff or constable for service if the request for service is made before noon. If the request for service by the sheriff or constable is made after noon, the "day of service" shall be deemed to be the day next following the day that the request is made for service by the sheriff or constable.

2. A landlord or the landlord's agent who serves a notice to a tenant pursuant to paragraph (b) of subsection 1 shall attempt to deliver the notice in person in the manner set forth in subsection 2 of NRS 40.2542. If the notice cannot be delivered in person, the landlord or the landlord's agent:

(a) Shall post a copy of the notice in a conspicuous place on the premises and mail the notice by overnight mail; and

(b) After the notice has been posted and mailed, may deliver the notice to the sheriff or constable for service in the manner set forth in subsection 1 of NRS 40.280. The sheriff or constable shall not accept the notice for service unless it is accompanied by written evidence, signed by the tenant when the tenant took possession of the premises, that the landlord or the landlord's agent informed the tenant of the provisions of this section which set forth the lawful procedures for eviction from a short-term tenancy. Upon acceptance, the

sheriff or constable shall serve the notice within 48 hours after the request for service was made by the landlord or the landlord's agent.

3. A notice served pursuant to subsection 1 or 2 must:

(a) Identify the court that has jurisdiction over the matter; and

(b) Advise the tenant:

(1) Of the tenant's right to ~~[contest]~~ ***:***

(I) Contest the matter by filing, within the time specified in subsection 1 for the payment of the rent or surrender of the premises, an affidavit with the court that has jurisdiction over the matter stating that the tenant has tendered payment or is not in default in the payment of the rent***; or***

(II) Request that the court stay any action for summary eviction initiated by the landlord against the tenant using the procedure prescribed by section 9 of this act;

(2) That if the court determines that the tenant is guilty of an unlawful detainer, the court may issue a summary order for removal of the tenant or an order providing for the nonadmittance of the tenant, directing the sheriff or constable of the county to post the order in a conspicuous place on the premises not later than 24 hours after the order is received by the sheriff or constable. The sheriff or constable shall remove the tenant not earlier than 24 hours but not later than 36 hours after the posting of the order; and

(3) That, pursuant to NRS 118A.390, a tenant may seek relief if a landlord unlawfully removes the tenant from the premises or excludes the tenant by blocking or attempting to block the tenant's entry upon the premises or willfully interrupts or causes or permits the interruption of an essential service required by the rental agreement or chapter 118A of NRS.

4. If the tenant files such an affidavit at or before the time stated in the notice, the landlord or the landlord's agent, after receipt of a file-stamped copy of the affidavit which was filed, shall not provide for the nonadmittance of the tenant to the premises by locking or otherwise.

5. Upon noncompliance with the notice:

(a) The landlord or the landlord's agent may apply by affidavit of complaint for eviction to the justice court of the township in which the dwelling, apartment, mobile home or recreational vehicle are located or to the district court of the county in which the dwelling, apartment, mobile home or recreational vehicle are located, whichever has jurisdiction over the matter. The court may thereupon issue an order directing the sheriff or constable of the county to post the order in a conspicuous place on the premises not later than 24 hours after the order is received by the sheriff or constable. The sheriff or constable shall remove the tenant not earlier than 24 hours but not later than 36 hours after the posting of the order. The affidavit must state or contain:

(1) The date the tenancy commenced.

(2) The amount of periodic rent reserved.

(3) The amounts of any cleaning, security or rent deposits paid in advance, in excess of the first month's rent, by the tenant.

(4) The date the rental payments became delinquent.

(5) The length of time the tenant has remained in possession without paying rent.

(6) The amount of rent claimed due and delinquent.

(7) A statement that the written notice was served on the tenant in accordance with NRS 40.280.

(8) A copy of the written notice served on the tenant.

(9) A copy of the signed written rental agreement, if any.

(b) Except when the tenant has timely filed the affidavit described in subsection 3 and a file-stamped copy of it has been received by the landlord or the landlord's agent, and except when the landlord is prohibited pursuant to NRS 118A.480, the landlord or the landlord's agent may, in a peaceable manner, provide for the nonadmittance of the tenant to the premises by locking or otherwise.

6. Upon the filing by the tenant of the affidavit permitted in subsection 3, regardless of the information contained in the affidavit, and the filing by the landlord of the affidavit permitted by subsection 5, the justice court or the district court shall hold a hearing, after service of notice of the hearing upon the parties, to determine the truthfulness and sufficiency of any affidavit or notice provided for in this section. If the court determines that there is no legal defense as to the alleged unlawful detainer and the tenant is guilty of an unlawful detainer, the court may issue a summary order for removal of the tenant or an order providing for the nonadmittance of the tenant. If the court determines that there is a legal defense as to the alleged unlawful detainer, the court shall refuse to grant either party any relief, and, except as otherwise provided in this subsection, shall require that any further proceedings be conducted pursuant to NRS 40.290 to 40.420, inclusive. The issuance of a summary order for removal of the tenant does not preclude an action by the tenant for any damages or other relief to which the tenant may be entitled. If the alleged unlawful detainer was based upon subsection 5 of NRS 40.2514, the refusal by the court to grant relief does not preclude the landlord thereafter from pursuing an action for unlawful detainer in accordance with NRS 40.251.

7. The tenant may, upon payment of the appropriate fees relating to the filing and service of a motion, file a motion with the court, on a form provided by the clerk of the court, to dispute the amount of the costs, if any, claimed by the landlord pursuant to NRS 118A.460 for the inventory, moving and storage of personal property left on the premises. The motion must be filed within 20 days after the summary order for removal of the tenant or the abandonment of the premises by the tenant, or within 20 days after:

(a) The tenant has vacated or been removed from the premises; and

(b) A copy of those charges has been requested by or provided to the tenant,

➥ whichever is later.

8. Upon the filing of a motion pursuant to subsection 7, the court shall schedule a hearing on the motion. The hearing must be held within 10 days after the filing of the motion. The court shall affix the date of the hearing to

the motion and order a copy served upon the landlord by the sheriff, constable or other process server. At the hearing, the court may:

(a) Determine the costs, if any, claimed by the landlord pursuant to NRS 118A.460 and any accumulating daily costs; and

(b) Order the release of the tenant's property upon the payment of the charges determined to be due or if no charges are determined to be due.

9. The tenant may, upon payment of the appropriate fees relating to the filing and service of a motion, file a motion with the court on a form provided by the clerk of court to dispute the reasonableness of the actions of a landlord pursuant to subsection 3 of NRS 118A.460. The motion must be filed within 5 days after the tenant has vacated or been removed from the premises. Upon the filing of a motion pursuant to this subsection, the court shall schedule a hearing on the motion. The hearing must be held within 5 days after the filing of the motion. The court shall affix the date of the hearing to the motion and order a copy served upon the landlord by the sheriff, constable or other process server. At the hearing, the court may:

(a) Order the landlord to allow the retrieval of the tenant's essential personal effects at the date and time and for a period necessary for the retrieval, as determined by the court; and

(b) Award damages in an amount not greater than $2,500.

10. In determining the amount of damages, if any, to be awarded under paragraph (b) of subsection 9, the court shall consider:

(a) Whether the landlord acted in good faith;

(b) The course of conduct between the landlord and the tenant; and

(c) The degree of harm to the tenant caused by the landlord's conduct.

11. A landlord shall not refuse to accept rent from a tenant that is submitted after the landlord or the landlord's agent has served or had served a notice pursuant to subsection 1 if the refusal is based on the fact that the tenant has not paid collection fees, attorney's fees or other costs other than rent, a reasonable charge for late payments of rent or dishonored checks, or a security deposit. As used in this subsection, "security deposit" has the meaning ascribed to it in NRS 118A.240.

12. Except as otherwise provided in NRS 118A.315, this section does not apply to:

(a) The tenant of a mobile home lot in a mobile home park or to the tenant of a recreational vehicle lot in an area of a mobile home park in this State other than an area designated as a recreational vehicle lot pursuant to the provisions of subsection 8 of NRS 40.215.

(b) A tenant who provides proof to the landlord that he or she is a federal worker, tribal worker, state worker or household member of such a worker during a shutdown.

13. As used in this section, "close of business" means the close of business of the court that has jurisdiction over the matter.

Sec. 21.4. NRS 40.254 is hereby amended to read as follows:

40.254 1. Except as otherwise provided by specific statute, in addition to the remedy provided in NRS 40.290 to 40.420, inclusive, when the tenant of a dwelling unit, part of a low-rent housing program operated by a public housing authority, a mobile home or a recreational vehicle is guilty of an unlawful detainer pursuant to NRS 40.250, 40.251, 40.2514 or 40.2516, the landlord or the landlord's agent may utilize the summary procedures for eviction as provided in NRS 40.253 except that written notice to surrender the premises must:

(a) Be given to the tenant in accordance with the provisions of NRS 40.280;

(b) Advise the tenant of the court that has jurisdiction over the matter; and

(c) Advise the tenant of the tenant's right to:

(1) Contest the notice by filing before the court's close of business on the fifth judicial day after the day of service of the notice an affidavit with the court that has jurisdiction over the matter stating the reasons why the tenant is not guilty of an unlawful detainer; or

(2) ~~*[Request that the court stay any action for summary eviction initiated by the landlord against the tenant using the procedure prescribed by section 9.2 of this act; or*~~

~~*(3)]*~~ Request that the court stay the execution of the order for removal of the tenant or order providing for nonadmittance of the tenant for a period not exceeding 10 days pursuant to subsection 2 of NRS 70.010, stating the reasons why such a stay is warranted.

2. The affidavit of the landlord or the landlord's agent submitted to the justice court or the district court must state or contain:

(a) The date when the tenancy commenced, the term of the tenancy and, if any, a copy of the rental agreement. If the rental agreement has been lost or destroyed, the landlord or the landlord's agent may attach an affidavit or declaration, signed under penalty of perjury, stating such loss or destruction.

(b) The date when the tenancy or rental agreement allegedly terminated.

(c) The date when written notice to surrender was given to the tenant pursuant to the provisions of NRS 40.251, 40.2514 or 40.2516, together with any facts supporting the notice.

(d) The date when the written notice was given, a copy of the notice and a statement that notice was served in accordance with NRS 40.280 and, if applicable, a copy of the notice of change of ownership served on the tenant pursuant to NRS 40.255 if the property has been purchased as a residential foreclosure.

(e) A statement that the claim for relief was authorized by law.

3. ***If the court finds that the affidavit of the landlord or the landlord's agent was submitted in bad faith or as a pretext for evicting a tenant who is in default in the payment of rent, the court must dismiss the proceeding.***

4. If the tenant is found guilty of unlawful detainer as a result of the tenant's violation of any of the provisions of NRS 453.011 to 453.552, inclusive, except NRS 453.336, the landlord is entitled to be awarded any

reasonable attorney's fees incurred by the landlord or the landlord's agent as a result of a hearing, if any, held pursuant to subsection 6 of NRS 40.253 wherein the tenant contested the eviction.

Sec. 22. The amendatory provisions of this act apply to an action for summary eviction which accrues on or after the effective date of this act.

Sec. 23. (Deleted by amendment.)

Sec. 24. 1. This section and sections 1 to 8, inclusive, **9.2, 9.3,** 9.5 **, 10** to 21, inclusive, 22 and 23 of this act become effective upon passage and approval.

2. Sections 9, ~~[9.2,]~~ 21.2 and 21.4 of this act become effective upon passage and approval if, and only if, Assembly Bill No. 340 of this session is not enacted by the Legislature and approved by the Governor.

3. Sections 9.1 and ~~[9.3]~~ **9.7** of this act become effective upon passage and approval if, and only if, Assembly Bill No. 340 of this session is enacted by the Legislature and approved by the Governor.

4. Sections 9, 9.1, 9.7, 21.2 and 21.4 expire by limitation on June 30, 2025.

The following amendment was proposed by Assemblywoman Torres:

Amendment No. 776.

AN ACT relating to crimes; revising provisions relating to certain crimes committed by homeless persons; authorizing a justice court or a municipal court to transfer original jurisdiction of certain cases to the district court to

enable the defendant to receive assisted outpatient treatment; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes certain diversionary and specialty court programs to which certain defendants may be assigned, such as the preprosecution diversionary program and specialty court programs for veterans and members of the military, persons with mental illness and persons who use alcohol or other substances. (NRS 174.032, 176A.230, 176A.250, 176A.280) **Sections 4-8** of this bill authorize homeless persons who commit certain misdemeanor offenses to be assigned to such diversionary and specialty court programs. **Section 5** of this bill authorizes a court that assigns a homeless person to complete such a program of treatment to waive or reduce any fine, administrative assessment or fee that would otherwise be imposed upon the homeless person for committing such an offense.

Existing law authorizes a criminal defendant or the district attorney to make a motion to the district court to commence a proceeding for the issuance of a court order requiring assisted outpatient treatment of the defendant or the district court to commence such a proceeding on its own motion. (NRS 433A.335) **Sections 5-11** of this bill authorize a justice court or a municipal court to transfer original jurisdiction of a case involving a defendant who is eligible to receive assisted outpatient treatment to the district court, including homeless persons who commit certain misdemeanors pursuant to **section 5**. **Sections 12 and 13** of this bill make conforming changes to refer to provisions that have been renumbered by **section 11**.

Existing law limits the definition of an "eligible defendant" to mean a person who: (1) has not tendered a plea of guilty, guilty but mentally ill or nolo contendere to, or been found guilty or guilty but mentally ill of, an offense that is a misdemeanor; (2) appears to suffer from mental illness or to be intellectually disabled; and (3) would benefit from assignment to a specialty court program. (NRS 176A.235, 176A.255, 176A.285) **Sections 6-8** of this bill expand the definition of an "eligible defendant" to include any person who, regardless of whether the person has tendered a plea to or been found guilty of an offense that is a misdemeanor: (1) appears to suffer from a mental illness or to be intellectually disabled; and (2) would benefit from assignment to a specialty court program.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. (Deleted by amendment.)

Sec. 2. (Deleted by amendment.)

Sec. 3. (Deleted by amendment.)

Sec. 4. NRS 174.032 is hereby amended to read as follows:

2. If a defendant is determined to be eligible for assignment to a preprosecution diversion program pursuant to NRS 174.031, the justice or municipal court must receive input from the prosecuting attorney, the attorney for the defendant, if any, and the defendant relating to the terms and conditions for the defendant's participation in the program.

3. A preprosecution diversion program established by a justice court or municipal court pursuant to this section may include, without limitation:

(a) A program of treatment which may rehabilitate a defendant, including, without limitation, educational programs, participation in a support group, anger management therapy, counseling ***,*** ~~[or]~~ a program of treatment for veterans and members of the military, mental illness or intellectual disabilities or the use of alcohol or other substances ~~[,]~~ ***or a program of treatment to assist homeless persons;***

(b) Any appropriate sanctions to impose on a defendant, which may include, without limitation, community service, restitution, prohibiting contact with certain persons or the imposition of a curfew; and

(c) Any other factor which may be relevant to determining an appropriate program of treatment or sanctions to require for participation of a defendant in the preprosecution diversion program.

4. If the justice court or municipal court determines that a defendant may be rehabilitated by a program of treatment for veterans and members of the military, persons with mental illness or intellectual disabilities or the use of alcohol or other substances, the court may refer the defendant to an appropriate program of treatment established pursuant to NRS ***176A.230,*** 176A.250, 176A.280 or ~~[453.580.]~~ ***section 5 of this act.*** The court shall retain jurisdiction over the defendant while the defendant completes such a program of treatment.

5. The justice court or municipal court shall, when assigning a defendant to a preprosecution diversion program, issue an order setting forth the terms and conditions for successful completion of the preprosecution diversion program, which may include, without limitation:

Assembly Bill No. 404.

The following amendment was proposed by Assemblywoman Brittney Miller:

Amendment No. 739.

AN ACT relating to civil actions; increasing the amount of civil damages for which certain providers of health care may be liable for acts or omissions in rendering care or assistance necessitated by certain traumatic injuries; excluding certain health care professionals from the definition of "provider of health care" for certain purposes; increasing the limitation on the amount of noneconomic damages a plaintiff may recover in a civil action against a provider of health care for professional negligence; ~~[imposing liability on]~~ **prohibiting** a hospital ~~[for the professional negligence of]~~ **from bringing certain actions against** a provider of health care **;** ~~[who renders professional services at the hospital;]~~ revising the statute of limitations for bringing an action against a provider of health care for injury or death based upon professional negligence, professional services rendered without consent or error or omission in practice; repealing provisions which limit the amount of a contingent fee for which an attorney representing a plaintiff in a civil action against a provider of health care for professional negligence may contract for or collect; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law limits to $50,000 the amount of civil damages for which a licensed physician or dentist, a hospital or certain employees of a hospital may be held liable for certain acts or omissions in rendering care or assistance at a hospital necessitated by a traumatic injury demanding immediate medical attention. (NRS 41.503) **Section 1** of this bill increases that amount to $250,000 and, beginning on January 1, 2026, requires that amount to be adjusted each year based on the percentage increase in the Consumer Price Index (All Items) for the immediately preceding calendar year.

Existing law sets forth various requirements and restrictions relating to civil actions against a provider of health care for professional negligence. (Chapter 41A of NRS) Existing law defines "provider of health care" for the purposes of those provisions to include a physician, physician assistant, dentist, licensed nurse, dispensing optician, optometrist, registered physical therapist, podiatric physician, licensed psychologist, chiropractic physician, doctor of Oriental medicine, medical laboratory director or technician, licensed dietitian, a person licensed to engage in radiation therapy or radiologic imaging, a licensed hospital and certain other entities. (NRS 41A.017) **Section 1.5** of this bill excludes from that definition an agency to provide nursing in the home, a facility for intermediate care, a facility for skilled nursing, a facility for hospice care and a nursing pool, thereby specifically excluding such persons from the provisions of existing law imposing certain requirements and restrictions on civil actions brought against a provider of health care for professional negligence.

Existing law limits the amount of noneconomic damages that a plaintiff may recover in a civil action brought against a provider of health care for professional negligence to $350,000, regardless of the number of plaintiffs, defendants or theories upon which liability may be based. (NRS 41A.035)

Section 2 of this bill instead limits the amount of noneconomic damages that a plaintiff may recover in such an action to: (1) for an action in which ~~[certain hospitals or employees, agents or affiliates of certain hospitals are]~~ **a hospital other than a critical access hospital is** a party, $2,000,000; and (2) for any other action, $550,000. **Section 2** requires, beginning on January 1, 2026, that those amounts be adjusted each year based on the percentage increase in the Consumer Price Index (All Items) for the immediately preceding calendar year. **Section 2 also prohibits a hospital from bringing an action against a provider of health care to recover from the provider of health care any amount paid to a plaintiff by the hospital.**

Existing law ~~[provides that each defendant in a civil action for injury or death against a provider of health care based upon professional negligence is severally, and not jointly, liable for damages awarded in the action. (NRS 41A.045) Section 2.5 of this bill: (1) deems a provider of health care who renders professional services at a hospital to be an agent of the hospital; and (2) provides that the hospital is vicariously liable for any professional negligence of the provider of health care in connection with the rendering of such services at the hospital.~~

~~Existing law]~~ requires an action for injury or death against a provider of health care based on professional negligence, professional services rendered without consent or error or omission in practice, to be commenced: (1) for an injury that occurred on or after October 1, 2002, not more than 3 years after the date of injury or 1 year after the plaintiff discovers or should have discovered the injury; and (2) if the injury occurred before October 1, 2002, not more than 4 years after the date of injury or 2 years after the plaintiff discovers or should have discovered the injury. (NRS 41A.097) **Section 3** of this bill revises those provisions to require all such actions to be brought not more than 4 years after the date of injury or 2 years after the plaintiff discovers or should have discovered the injury. **Section 4** of this bill provides that the changes in **section 3** apply retroactively to any injury or death that occurred before October 1, 2023, even if the statute of limitations that was in effect at the time of the injury or death has expired. Therefore, a civil action against a provider of health care that would otherwise be time-barred by the former statute of limitations is revived by this bill, so long as the revised statute of limitations set forth in **section 4** has not expired.

Section 6 of this bill repeals provisions that limit the amount of a contingent fee that an attorney representing a plaintiff in a civil action against a provider of health care for professional negligence may contract for or collect.

(b) A hospital other than a hospital described in paragraph (a);

(c) An employee of a hospital described in paragraph (a) or (b) who renders care or assistance to patients;

(d) A physician or dentist licensed under the provisions of chapter 630, 631 or 633 of NRS who renders care or assistance in a hospital described in paragraph (a) or (b), whether or not the care or assistance was rendered gratuitously or for a fee; and

(1) Whose liability is not otherwise limited pursuant to NRS 41.032 to 41.0337, inclusive; and

(2) Who renders care or assistance in a hospital of a governmental entity that has been designated as a center for the treatment of trauma by the Administrator of the Division of Public and Behavioral Health of the Department of Health and Human Services pursuant to NRS 450B.237, whether or not the care or assistance was rendered gratuitously or for a fee,

The limitation on liability provided pursuant to this section does not apply to any act or omission in rendering care or assistance:

(a) Which occurs after the patient is stabilized and is capable of receiving medical treatment as a nonemergency patient, unless surgery is required as a result of the emergency within a reasonable time after the patient is stabilized, in which case the limitation on liability provided by subsection 1 applies to any act or omission in rendering care or assistance which occurs before the stabilization of the patient following the surgery; or

Remarks by Assemblymen O'Neill and González.

ASSEMBLYMAN O'NEILL:
I stand in opposition to Assembly Bill 404. I know both sides have worked tirelessly on trying to find common ground. I appreciate the amendment that has been proposed; however, I still cannot accept the bill. I think it needs more work. I will be voting no, and I ask my colleagues to vote no. I hope it gets improved when it goes to the other house.

ASSEMBLYWOMAN GONZÁLEZ:
Today, I rise in strong support of Assembly Bill 404, a critical piece of legislation that gives victims access to justice. We need to address health care in our state while making sure nurses and doctors are willing to work here. But that does not require us to allow the system to operate with no responsibility for the quality of their care. Part of the solution is holding the health care system accountable and giving victims the ability to take their cases of medical malpractice in front of a jury of their peers. I urge my colleagues to vote yes on Assembly Bill 404.

ASSEMBLY PROCEEDINGS 4529

THE ONE HUNDRED AND THIRTEENTH DAY

CARSON CITY (Monday), May 29, 2023

Assembly called to order at 12:16 p.m.

Mr. Speaker presiding.

Roll called.

All present except Assemblywoman Cohen, who was excused.

Prayer by the Chaplain Craig Swope.

Father, on this day we cannot help but think of sacrifice. The sacrifice of those who had dreams and had plans but instead, saw their dreams and plans cut short. Because of their service and sacrifice, we can dream and we can make plans.

As we approach the final days of this session, most of us will see some sacrifice, things we would like to see not happen, things we don't want to happen become reality. May we keep our perspective. May we remember, not only on this day but on all days, that there are hundreds of Nevadans who sacrificed all, and each one of us is the beneficiary of those sacrifices. We thank You for their service.

AMEN.

Pledge of Allegiance to the Flag.

Assemblywoman Jauregui moved that further reading of the Journal be dispensed with and the Speaker and Chief Clerk be authorized to make the necessary corrections and additions.

Motion carried.

Assembly Bill No. 243.

Remarks by Assemblymen Hansen, Watts, and Bilbray-Axelrod.

ASSEMBLYWOMAN HANSEN:
I rise in opposition to AB 243. When this bill was first heard on March 16 in the Committee on Legislative Operations and Elections, which I do not serve on, it was a nine-page bill. On May 26, we had an amendment on our desk here in the Chamber which increased the size of the bill to 48 pages. I am particularly concerned about the dissolution of the interim Subcommittee on Public Lands.

To give a little bit of context, I have served on the Committee on Natural Resources and the Subcommittee on Public Lands since the 2019 interim. We all know that the state is 110,000-plus square miles. My district represents almost a third of that—six counties. Considering that 87 percent of the state is federal land, having the Subcommittee on Public Lands is vital. We would meet in various parts of the state, from Ely, to Pyramid Lake, to Boulder City, to Caliente. In the interim, tribes and members of rural communities who cannot make it to Carson and who cannot make committee meetings in person at the Grant Sawyer would come out. It also gave us legislators an opportunity to go on field trips to see the mastication programs of junipers in White Pine County. It gave us opportunities to visit mine sites and historic designations that were being considered.

I stand in strong opposition to the dissolution recommendation in the amendment. I understand it was a clean-up bill, but it has become way more than that. I would urge this body to vote no on AB 243.

ASSEMBLYMAN WATTS:

I rise in support of Assembly Bill 243. I very much appreciate the comments and concerns raised by my colleague from District 32; however, as the Chair of the Joint Interim Standing Committee on Natural Resources who was also involved in coordinating some of the activities of the Subcommittee on Public Lands, I can say there were a lot of logistical issues that arose from having both the eight-member Joint Interim Standing Committee on Natural Resources as well as the smaller subcommittee that had only two Assembly members, two Senators, and a representative from local and tribal governments. In conversations, we decided the best way to move forward is just to have the Joint Interim Standing Committee on Natural Resources.

I do want to note a couple things—one, the entire statutory charge originally given to the Subcommittee on Public Lands remains in place in statute, and that charge has been transferred fully to the Joint Interim Standing Committee on Natural Resources. The issues and scope are not being lost in any way.

I do appreciate this opportunity to put on record before the entire body that in conversations, we are going to maintain the tradition that existed with the Subcommittee on Public Lands, which really was our Joint Interim Standing Committee on Natural Resources before we reorganized the interim. There is a commitment that we will continue to have meetings with this expanded committee and alternates, which are some of the things that have been modified and improved through this bill to ensure we are actually getting more legislators out into our rural communities to learn about issues of importance.

So, while I completely understand and respect the concerns that have been raised by colleagues, at the end of the day, I think this is going to strengthen our interim process and continue to get members exposure to all the different communities in our state and the issues related to public lands and natural resources. I urge my colleagues to vote in support.

ASSEMBLYWOMAN BILBRAY-AXELROD:

I have to be honest—I was a hard no on this bill when I first looked at the amendment, but I do appreciate the conversations we have had and the clarification given by my colleague from the south. I will be bird-dogging this committee over the next interim to make sure the intent is exactly what was just stated, because I do think this is vitally important for the state of Nevada, not just for the state of Nevada but also federally. The Subcommittee on Public Lands has made many recommendations to the United States Congress over the last few decades.

I will be in support, and I will be watching to make sure it turns out the way we hope it does.

Prayer by the Chaplain Ron McMillin.

Merciful and Sovereign God. By You all things were created, in heaven and on earth, visible and invisible, whether thrones or dominions or rulers or authorities–all things were created through You and for You. To You be the Honor, the Praise, and the Glory.

Lord, we thank You for this day and for all those in this body, whom You have appointed to lead this great state, in a time such as this. Lord, it has been a long session, a session filled with testimonies, debates, and even arguments…all of which has taken an emotional toll. Remind them of the purpose for which they have been called as they contemplate the remaining bills. Give them wisdom and discernment to know what is right and the courage to vote accordingly.

CONSIDERATION OF SENATE AMENDMENTS

Assembly Bill No. 250.

The following Senate amendment was read:

Amendment No. 644.

AN ACT relating to health care; prohibiting certain actions related to pricing and reimbursement for certain drugs; creating a cause of action for violating such prohibitions; ~~[requiring certain entities to maintain a registered agent and office in this State;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing federal law establishes the Medicare program, which is a public health insurance program for persons 65 years of age and older and specified persons with disabilities who are under 65 years of age. (42 U.S.C. §§ 1395 et seq.) Existing federal law requires the United States Secretary of Health and Human Services to negotiate with the manufacturers of certain drugs and to establish the maximum fair price for certain drugs, which is the maximum price at which such drugs may be sold to a recipient of Medicare. (42 U.S.C. §§ 1320f-2, 1320f-3) Existing federal law requires the Secretary of Health and Human Services to publish those maximum fair prices. (42 U.S.C. § 1320f-4) **Section 1** of this bill prohibits a person or entity that: (1) purchases a drug which is subject to a maximum fair price in this State from paying a price that is higher than the maximum fair price; or (2) seeks reimbursement for a drug subject to a maximum fair price which is delivered, dispensed or administered to a person in this State from seeking reimbursement at a rate which is higher than the maximum fair price. ~~[Section 1 also requires any such person or entity to maintain a registered agent and an office or base of operations in this State.]~~

Existing law: (1) prohibits certain trade practices which are deemed to be deceptive trade practices; and (2) provides for the enforcement of the prohibition on engaging in deceptive trade practices, including by prescribing criminal penalties to be imposed against a person who engages in a deceptive trade practice. (NRS 598.0903-598.0999) **Section 1** makes it a deceptive trade practice for any person to violate _~~[: (1)]~~ the prohibition on purchasing or seeking reimbursement for a drug at a price higher than the maximum fair price _~~[; or (2) the requirement to maintain a registered agent and an office or base of operations in this State when engaging in certain activity relating to drugs subject to a maximum fair price.]~~ **Sections 1 and 3** of this bill provide that a person who violates the provisions of **section 1** is not subject to any criminal penalty set forth in existing law for engaging in a deceptive trade practice, meaning such a person is subject only to the various civil enforcement measures, including civil penalties, set forth in existing law for engaging in a deceptive trade practice. (NRS 598.097-598.0999)

Existing law authorizes any person who is a victim of consumer fraud, including a deceptive trade practice, to bring a civil action. (NRS 41.600) **Section 2** of this bill provides that a violation of **section 1** constitutes consumer fraud, and **sections 1 and 2** authorize a victim of such a violation to bring a civil action.

WHEREAS, In the 2019 Legislative Session, Senate Bill No. 276 directed the Legislative Commission to appoint a committee to conduct an interim study

concerning the cost of prescription drugs in this State and the impact of rebates, reductions in price and other remuneration from manufacturers on prescription drug prices; and

WHEREAS, In reporting on the findings of the Committee to Conduct an Interim Study Concerning the Costs of Prescription Drugs, LCB Bulletin No. 21-9, published in January 2021, stated that "[i]n 2018, Americans paid an average of $1,229 for prescription drugs, the highest amount per capita in any developed country in the world"; and

WHEREAS, LCB Bulletin No. 21-9 also stated that "[i]ncreasing drug prices disproportionately affect uninsured and underinsured patients, while insured patients covered by high-deductible, commercial, or government-sponsored health insurance plans tend to pay more through premium and copay increases"; and

WHEREAS, The Nevada Spending and Government Efficiency Commission noted in its final report, "Final Report of the Nevada Spending and Government Efficiency Commission to Governor Jim Gibbons," published January 7, 2010, that the State of Nevada would realize significant savings on Medicaid, mental health, corrections and other programs if the cost of prescription drugs were better controlled; and

WHEREAS, Excessive prices negatively affect the ability of residents of this State to obtain prescription drugs, thereby endangering the health and safety of such residents; and

WHEREAS, Excessive prices of prescription drugs threaten the economic well-being of residents of this State, thereby inhibiting their ability to pay for necessary and essential goods and services including housing, food and utilities; and

WHEREAS, Excessive costs of prescription drugs contribute significantly to increasing costs of health care and health insurance that threaten the ability of residents of this State to obtain affordable health coverage and maintain or achieve good health; and

WHEREAS, Excessive costs of prescription drugs contribute significantly to rising costs for health care provided and paid for through health insurance programs for public employees, including employees of the State, municipalities, counties, school districts, institutions for higher education and retirees whose health costs are funded by taxpayer dollars, thereby threatening the ability of the State and local governments to fund other programs necessary for the public good and safety, such as public safety, police, fire and education; and

WHEREAS, To protect residents of this State from the negative effects from excessive costs of prescription drugs, and to protect the safety, health and economic well-being of Nevadans, the Legislature finds that legislation regarding affordable access to prescription drugs is necessary for residents of this State to achieve and maintain good health; now therefore,

Amendment No. 706.

AN ACT relating to contractors; revising provisions governing the actions that the State Contractors' Board is authorized or required to take after the issuance of a cease and desist order for unlicensed activity; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the State Contractors' Board to issue a cease and desist order to a person for acting as a contractor or submitting a bid on a job in this

State without a license as a contractor and sets forth the actions that the Board is authorized or required to take after the issuance of the order. If the Board determines that the person to whom the cease and desist order was issued has not complied with the order, existing law requires the Board to: (1) for a first violation for which the value of the unlicensed work is $50,000 or less, issue a written administrative citation, conditioned upon the submission by the person of an application for a license as a contractor; and (2) for a second or subsequent violation, or a first violation for which the value of the unlicensed work exceeds $50,000, report the violation for possible criminal prosecution. If the Board determines that the person has complied with the cease and desist order, existing law: (1) requires the Board to issue an administrative citation and impose an administrative fine; and (2) authorizes the Board to require the person to submit an application for a license as a contractor. (NRS 624.212)

This bill replaces the separate procedures in existing law that the Board is required to follow after the issuance of a cease and desist order, depending upon whether the person to whom the order was issued complied with the order. Under the procedures set forth in this bill, the Board, regardless of the person's compliance with the order, is required to issue an administrative citation and impose an administrative fine for a first violation which does not involve theft or fraud. For a second or subsequent violation, or for any first violation involving theft or fraud, this bill requires the Board to **:** ~~[either:]~~ (1) issue an administrative citation and impose an administrative fine; ~~[or]~~ (2) report the violation for possible criminal prosecution ~~[.]~~ **; or (3) take both of those actions.** This bill retains the authority of the Board in existing law to, after the issuance of a cease and desist order: (1) require the person to submit an application for a license as a contractor; and (2) apply for injunctive relief.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 624.212 is hereby amended to read as follows:

624.212 1. The Executive Officer, on behalf of the Board, shall issue an order to cease and desist to any person:

(a) Acting as a contractor, including, without limitation, commencing work as a contractor; or

(b) Submitting a bid on a job situated in this State,

➥ without a valid license issued pursuant to this chapter. The order must be served personally or by certified mail and is effective upon receipt. For the purposes of this section, a person shall be deemed to have a valid license if the person has an active license and is performing work in conformity with the requirements of subsection 4 of NRS 624.220.

2. After confirming that the cease and desist order has been received by the person to whom it was issued, the Board shall return to the job site or take any other action required to confirm that the terms of the cease and desist order have been complied with. The person to whom the cease and desist order was issued may, while in the course of stopping work on the job, take any necessary

action within 48 hours after receiving the cease and desist order to protect the public, the project, any other contractors, laborers and equipment on the site and to limit the loss of any perishable goods.

3. ~~[If the Board determines that any term of a cease and desist order has not been complied with and no exception applies:~~

~~(a) The person to whom the cease and desist order was issued shall be deemed noncompliant with the cease and desist order and the person may not complete the project, except for taking any necessary action to protect the public, the project, any other contractors, laborers and equipment and to limit the loss of any perishable goods.~~

~~(b) Except as otherwise provided in paragraph (c), for a first violation, the Board shall issue a written administrative citation pursuant to NRS 624.341, which may include any reasonable investigatory fees and costs, conditioned upon the submission by the person of a bona fide application for the issuance of a license pursuant to this chapter within a reasonable period established by the Board.~~

~~(c) For a second or subsequent violation, or for any first violation for which the reasonable value of the unlicensed work exceeds $50,000, the Board shall:~~

~~(1) Report the violation of the cease and desist order to the appropriate district attorney for possible criminal prosecution pursuant to NRS 624.700; and~~

~~(2) Provide any reasonable assistance in the prosecution.~~

~~(d) The Board may apply for injunctive relief pursuant to the Nevada Rules of Civil Procedure to enjoin the person to whom the cease and desist order was issued from continuing to violate the cease and desist order in any county in which the person may be found. If such an action is filed, irreparable injury is presumed and the likelihood of success on the merits may be established by a showing that, on the date the cease and desist order was issued, the person did not hold a valid license issued pursuant to this chapter and had bid for or undertaken work for which such a license is required.~~

~~4. If the Board determines that the person to whom the]~~ ***After issuing a*** cease and desist order ***,*** ~~[was issued has complied with the order,]~~ the Board ~~[:]~~ ***shall:***

(a) ~~[Shall]~~ ***For a first violation which does not involve theft or fraud,*** issue an administrative citation pursuant to NRS 624.341 and impose an administrative fine against the person in accordance with NRS 624.710, in addition to any reasonable investigatory fees and costs ***.*** ~~[; and]~~

(2) Report the violation of the provisions of this chapter for possible criminal prosecution pursuant to NRS 624.700. If the violation is prosecuted, the Board shall provide any reasonable assistance in the prosecution.

4. After issuing a cease and desist order, in addition to the actions required by subsection 3, the Board may:

(a) Require the person to submit a bona fide application for the issuance of a license pursuant to this chapter within a reasonable period established by the Board.

(b) If the Board determines that any term of the cease and desist order has not been complied with and no exception applies, apply for injunctive relief pursuant to the Nevada Rules of Civil Procedure to enjoin the person to whom the cease and desist order was issued from continuing to violate the cease and desist order in any county in which the person may be found. If such an action is filed, irreparable injury is presumed and the likelihood of success on the merits may be established by a showing that, on the date the cease and desist order was issued, the person did not hold a valid license issued pursuant to this chapter and had bid for or undertaken work for which such a license is required.

5. When assessing an administrative fine pursuant to this section, the Board may:

(a) Require the person to whom the cease and desist order was issued to remedy any loss or damage caused by the unlicensed activity for which the order was issued, including, without limitation, the disgorgement of any amount of money collected from the owner of the project that was not for material delivered to the job site and that has not been damaged or altered by the person;

(b) Reduce or stay any administrative fine imposed pursuant to subsection ~~[4]~~ ***3*** pending completion by the person of a program of training or an examination required by the Board; or

(c) Reduce or stay any administrative fine imposed pursuant to subsection ~~[4]~~ ***3*** if the person obtains a valid license issued pursuant to this chapter.

6. When imposing an administrative fine pursuant to this section, the Board shall impose the maximum administrative fine established pursuant to this chapter for the unlicensed activity if more than one of the following circumstances exist:

(a) The person has previously committed the same or a similar violation as the violation for which the administrative fine is imposed;

(b) The unlicensed activity involves more than one trade or craft;

(c) The unlicensed activity resulted in harm to any person or property;

(d) The unlicensed activity involved an elderly person or a person with a diagnosed physical or mental disability; or

(e) The unlicensed activity was for a project having a contract value in excess of $50,000.

7. Within 15 business days after receiving a cease and desist order, the person against whom the order was issued may petition the Board in writing to lift or alter the order. The petition may assert:

(a) As an absolute defense:

(1) Licensure of the person pursuant to this chapter;

(2) Any applicable exception to licensure set forth in NRS 624.031; or

(3) Misidentification of the person.

(b) As a partial defense:

(1) Overbreadth of any term of the cease and desist order;

(2) Vagueness or ambiguity of any term of the cease and desist order;

(3) Consideration of any necessary action taken by the person to protect the public, the project, any other contractors, laborers and any equipment on the job site and to limit any loss of perishable goods; or

(4) Any other ~~[defect]~~ ***deficiency*** in the terms of the cease and desist order.

8. After considering any assertion made in a petition pursuant to:

(a) Paragraph (a) of subsection 7, the Board shall, if facts are established to the satisfaction of the Board to support the absolute defense asserted in the petition, vacate the cease and desist order or any portion thereof.

(b) Paragraph (b) of subsection 7, the Board shall, if facts are established to the satisfaction of the Board to support the partial defense asserted in the petition, reasonably clarify any terms of the cease and desist order requested by the petitioner.

9. When considering an application for the issuance of a license pursuant to this chapter, the Board may consider:

(a) Any cease and desist order issued against the applicant;

(b) Compliance by the applicant with any cease and desist order issued against him or her;

(c) Any criminal conviction of the applicant for failure to comply with any cease and desist order; or

(d) The payment by the applicant of any criminal or administrative fine and any administrative fee or cost imposed against the applicant.

10. If the court finds that a person violated an order issued pursuant to subsection 1 without an established absolute defense set forth in paragraph (a) of subsection 7, it shall impose a fine of not less than $250 nor more than $1,000 for each violation of the order.

Assembly Bill No. 23.

The following Senate amendment was read:

Amendment No. 540.

AN ACT relating to contractors; authorizing a person who is issued a written administrative citation by the State Contractors' Board to request an informal citation conference before the Executive Officer of the Board; establishing requirements and procedures for such an informal citation conference; revising procedures by which a person is authorized to contest a citation; providing that the failure of a person to comply with the terms of a citation which has been affirmed or modified within a certain period of time constitutes cause for disciplinary action; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the State Contractors' Board to issue or authorize the issuance of a written administrative citation to a person if the Board has reason to believe the person: (1) acted as a contractor without an active license of the proper classification; or (2) has violated provisions of existing law governing contractors or regulations of the Board. (NRS 624.341) Existing law authorizes a person who is issued such a citation to contest the citation within 15 business days after the date on which the citation was served and requires the Board to conduct a hearing on the matter. (NRS 624.345, 624.351) If a person does not contest a citation within that period and the Board does not extend that period, the citation is deemed a final order of the Board and not subject to review by any court or agency. (NRS 624.345) **Section 4** of this bill revises the requirement for the Board to hold a hearing concerning a contested citation to require: (1) a person who wishes to contest a citation to submit to the Board written notice of his or her intent to contest the citation; and (2) the Board to hold the hearing on the matter within 90 calendar days after receipt of the written notice.

Section 1 of this bill creates an additional, informal process for the resolution of an administrative citation issued by the Board. **Section 1** authorizes a person who is issued such a citation to submit to the Executive Officer of the Board, within 15 business days after the date on which the citation is served on the person, a written request for an informal citation conference. Under **section 1**, the Executive Officer is required to conduct an informal citation conference within 60 business days after receiving such a request. At the conclusion of the conference, **section 1** requires the Executive Officer to affirm, modify or dismiss the citation and, if the citation is affirmed or modified, serve the affirmed or modified citation on the person or his or her attorney. **Sections 1 and 3** of this bill authorize a person who wishes to contest a citation which has been affirmed or modified following an informal citation conference to contest the citation within 15 business days after the date on which the affirmed or modified citation is served on the person. If the person submits to the Board written notice of his or her intent to contest the affirmed or modified citation within that period, or if that period is extended by the Board, **section 4** requires the Board to hold a hearing on the matter. If the person fails to contest the affirmed or modified citation within that period and that period is not extended by the Board, **section 3** of this bill deems the

affirmed or modified citation a final order of the Board and not subject to review by any court or agency.

Existing law provides that the failure of a person to comply with a citation issued by the Board within the period permitted for compliance set forth in the citation or, if a hearing is held, within 15 business days after the hearing, constitutes cause for disciplinary action by the Board. (NRS 624.302) **Section 2** of this bill provides that the failure of a person to comply with a citation that has been affirmed or modified following an informal citation conference within the time permitted for compliance or, if a hearing is held on the affirmed or modified citation, within 15 business days after the hearing, also constitutes cause for disciplinary action by the Board.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 624 of NRS is hereby amended by adding thereto a new section to read as follows:

1. A person who is issued a written citation pursuant to NRS 624.341 may, within 15 business days after the date on which the citation is served on the person, submit to the Executive Officer or his or her designee a written request for an informal citation conference.

2. The Executive Officer or his or her designee shall, within 60 business days after the date on which a written request for an informal citation conference is received, conduct an informal citation conference with the person who submitted the request. The person may be represented by legal counsel at the conference.

3. Subject to the provisions of subsections 4 and 5, the Executive Officer or his or her designee may enter reasonable orders governing how an informal citation conference is conducted. 4. At an informal citation conference, the Executive Officer or his or her designee and the person who submitted the request for the informal citation conference shall present all evidence that is known to them at the time of the conference that substantiates their respective positions.

5. An informal citation conference must not be recorded. Any offer of settlement or other statement made during an informal citation conference must not be used as an admission in any subsequent hearing, and the Executive Officer or his or her designee shall so inform the person who submitted the request for the informal citation conference at the beginning of the conference.

6. At the conclusion of an informal citation conference, the Executive Officer or his or her designee shall affirm, modify or dismiss the citation.

[5.] 7. If the Executive Officer or his or her designee affirms or modifies a citation pursuant to subsection [4.] 6:

(b) The Executive Officer or his or her designee shall, within 15 business days after the date on which the informal citation conference is concluded, serve on the person and his or her counsel, if applicable, the affirmed or modified citation and a written statement of the reasons for the decision to affirm or modify the citation.

~~[6.]~~ 8. A person whose citation was affirmed or modified pursuant to this section:

➥ whichever occurs later.

4. The suspension, revocation or other disciplinary action taken by another state against a contractor based on a license issued by that state if the contractor is licensed in this State or applies for a license in this State. A certified copy of the suspension, revocation or other disciplinary action taken by another state

against a contractor based on a license issued by that state is conclusive evidence of that action.

5. Failure or refusal to respond to a written request from the Board or its designee to cooperate in the investigation of a complaint.

The following Senate amendment was read:

Amendment No. 539.

AN ACT relating to contractors; authorizing the State Contractors' Board to adopt regulations establishing mandatory elements to be included in contracts for work concerning certain residential improvements; establishing certain requirements for such contracts and for residential contractors who enter into such contracts; making the failure to comply with those requirements a cause for disciplinary action; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law sets forth certain requirements pertaining to contracts used by a contractor and the owner of a single-family residence for work concerning a residential photovoltaic system used to produce electricity or work concerning a residential pool or spa. (NRS 624.875, 624.940) **Section 1** of this bill imposes similar requirements pertaining to a contract used by a residential contractor and the owner of a completed single-family residence who occupies the single-family residence for any construction, remodeling, repair or improvement performed by a residential contractor to the single-family residence or any activity for the supervision of such work. **Section 1** authorizes the State Contractors' Board to adopt regulations establishing mandatory elements to be included in such a contract. **Section 1** also sets forth certain information that is required to be included in such a contract. **With certain exceptions, such information includes, without limitation, the amount, not to exceed $1,000 or 10 percent of the aggregate contract price, whichever is less, of any initial down payment or deposit paid or promised to be paid to the residential contractor by the owner before the start of the work.** **Section 1** further requires a residential contractor to: (1) furnish to the owner with whom the residential contractor has contracted for work concerning a residential improvement a copy of all documents signed and a receipt for any money paid to the residential contractor; and (2) apply for and obtain all necessary permits. If a contract entered into between a residential contractor and the owner for work concerning a residential improvement does not ~~[comply with]~~ **include the information required by** the provisions of **section 1 , other than the information concerning an initial down payment or deposit,** and any applicable regulations adopted by the Board, section 1 **: (1) authorizes the owner to modify the contract to bring the contract into compliance with those provisions; and (2)** provides that **such a modification is enforceable against the residential contractor if the modification is reasonable. If the contract does not include the information required by the provisions of section 1 concerning an initial down payment or deposit, section 1 provides that** the contract is voidable by the owner.

Existing law sets forth certain acts and omissions that constitute cause for disciplinary action against a contractor by the Board, including, without limitation, failure to comply with requirements for contracts for work concerning residential pools and spas and for work concerning residential photovoltaic systems used to produce electricity. (NRS 624.3016) **Section 2** of this bill makes a contractor's failure to comply with requirements for contracts for work concerning a residential improvement or regulations adopted by the Board governing such contracts cause for such disciplinary action. **Section 3** of this bill makes a conforming change as a result of this additional cause for disciplinary action.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 624 of NRS is hereby amended by adding thereto a new section to read as follows:

1. The Board may adopt by regulation mandatory elements to be included in all contracts to be used by residential contractors for work concerning a residential improvement. Such mandatory elements must not be waived or limited by contract or in any other manner. On and after October 1, 2023, any contract entered into between a residential contractor and the owner of a single-family residence who occupies the single-family residence for work concerning a residential improvement must comply with the provisions of this section and all applicable regulations adopted by the Board. A contract that does not comply with the provisions of ~~[this section]~~:

(a) Subsection 2, other than the provisions of paragraph (g) of subsection 2, and all applicable regulations adopted by the Board may be modified by the owner of the single-family residence to bring the contract into compliance with those provisions and regulations. Any modification of a contract made pursuant to this paragraph is enforceable against the residential contractor if the modification is reasonable.

(b) Paragraph (g) of subsection 2 is voidable by the owner of the single-family residence.

2. Any contract for work concerning a residential improvement must contain in writing at least the following information:

(a) The name of the residential contractor, his or her address and contractor's license number and the monetary limit on that license.

(b) The name and mailing address of the owner of the single-family residence on which the work is being performed and the address or legal description of the property.

(c) The date of execution of the contract.

(d) The estimated date of completion of all work to be performed under the contract.

(e) A description of the work to be performed under the contract.

(f) The total amount to be paid to the residential contractor by the owner for all work to be performed under the contract, including all applicable taxes.

(g) The amount, not to exceed $1,000 or 10 percent of the aggregate contract price, whichever is less, of any initial down payment or deposit paid or promised to be paid to the residential contractor by the owner before the start of the work.

The provisions of this paragraph do not apply if the residential contractor has filed with the Board a bond solely for the protection of consumers in the amount of $100,000 ~~.~~ or has been granted relief by the Board pursuant to subsection 5 of NRS 624.270.

(h) A statement that the residential contractor has provided the owner with the notice and informational form required by NRS 624.520 and 624.600.

(i) A statement that any change in the scope or price of the work to be performed under the contract must be agreed to in writing by the parties and incorporated into the original contract as a change order. A change order is not enforceable against the owner who is contracting for work concerning a residential improvement unless the change order sets forth all changes in the scope and price of the work and is accepted by the owner.

(j) For a project of new work concerning a residential improvement, a plan and scale drawing showing the shape, size and dimensions of and the specifications for the construction and equipment for the work specified in the contract, and a description of the work to be done, the materials to be used and the equipment to be installed, and the agreed consideration for the work. For projects which consist exclusively of repairs to existing work concerning a residential improvement, plans, scale drawings, equipment specifications and lists of materials and equipment are not required to be contained in or included with the contract.

(k) Except as otherwise provided in this subsection, the dollar amount of any progress payment and the stage of construction at which the residential contractor will be entitled to collect progress payments from the owner during the course of construction under a contract for work concerning a residential improvement. Amendment No. 556.

AN ACT relating to insurance; prohibiting an insurer from treating Medicare supplemental policies differently for certain purposes relating to the payment of commissions; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing federal law establishes the Medicare program, which is a public health insurance program for persons 65 years of age and older and specified persons with disabilities who are under 65 years of age. (42 U.S.C. §§ 1395 et seq.) Existing federal regulations define the term "Medicare supplemental policy" to mean a policy offered by a private insurer that is primarily designed to pay expenses not reimbursed under Medicare because of certain limitations under Medicare. (42 C.F.R. § 403.205) Existing law requires an insurer offering a Medicare supplemental policy or the Public Employees' Benefits Program or any local government that provides a similar policy for public employees to offer an open enrollment period for persons covered by such policies, during which the insurer or governmental entity is prohibited from placing certain restrictions on the issuance of such a policy. (NRS 287.010, 287.04335, 687B.352, 695B.320) Existing federal law requires the issuance of a Medicare supplemental policy under certain circumstances, under which such a policy is considered to be guaranteed issue. (42 U.S.C. § 1395ss) This bill prohibits an insurer or other person or entity from varying the commission associated with the purchase of Medicare supplemental policies during the open enrollment period, paying differential commissions associated with the purchase of Medicare supplemental policies during the open enrollment period or otherwise treating Medicare supplemental policies purchased during the open enrollment period differently for the purposes of commission for any reason, including: (1) because the Medicare supplemental policy is issued during the open enrollment period or classified as guaranteed issue; or (2) because of the ~~[age,]~~ health status, claims experience, receipt of health care or medical condition of the insured. This bill additionally requires an insurer or other person or entity to treat the purchase of a Medicare supplemental policy during the open enrollment period in the same manner as the renewal of a Medicare supplemental policy for purposes relating to the payment of a commission.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 687B.352 is hereby amended to read as follows:

687B.352 1. An insurer that issues a Medicare supplemental policy shall offer to a person currently insured under any such policy an annual open enrollment period commencing with the first day of the birthday month of the person and remaining open for at least 60 days thereafter, during which the person may purchase any Medicare supplemental policy made available by the insurer in this State that includes the same or lesser benefits. Innovative benefits, as described in 42 U.S.C. § 1395ss(p)(4)(B), must not be considered

when determining whether a Medicare supplemental policy includes the same benefits as or lesser benefits than another such policy.

2. During the open enrollment period offered pursuant to subsection 1, an insurer shall not deny or condition the issuance or effectiveness, or discriminate in the price of coverage, of a Medicare supplemental policy based on the health status, claims experience, receipt of health care or medical condition of a person described in subsection 1.

3. At least 30 days before the beginning of the open enrollment period offered pursuant to subsection 1 but not more than 60 days before the beginning of that period, an insurer that issues a Medicare supplemental policy shall notify each person to whom the open enrollment period applies of:

(a) The dates on which the open enrollment period begins and ends and the rights of the person established by the provisions of this section; and

(b) Any modification to the benefits provided by the policy under which the person is currently insured or adjustment to the premiums charged for that policy.

4. ***An insurer or other person or entity shall not vary the commission associated with the purchase of Medicare supplemental policies during the open enrollment period offered pursuant to subsection 1, pay differential commissions associated with the purchase of Medicare supplemental policies during that open enrollment period or otherwise treat Medicare supplemental policies purchased during that open enrollment period differently for the purposes of commission for any reason, including, without limitation:***

(a) Because the Medicare supplemental policy was purchased during the open enrollment period offered pursuant to subsection 1;

(b) Because the Medicare supplemental policy is classified as guaranteed issue under 42 U.S.C. § 1395ss or any other applicable federal or state law or regulations; or

(c) Because of the ~~[age,]~~ health status, claims experience, receipt of health care or medical condition of the insured.

5. An insurer or other person or entity must treat the purchase of a Medicare supplemental policy during the open enrollment period offered pursuant to subsection 1 in the same manner as the renewal of a Medicare supplemental policy for all purposes relating to the payment of a commission.

6. As used in this section, "Medicare supplemental policy" has the meaning ascribed to it in 42 C.F.R. § 403.205 and additionally includes policies offered by public entities that otherwise meet the requirements of that section.

Existing law requires an employer to provide reasonable accommodations which will not create an undue hardship for an employee who is a victim of an act which constitutes domestic violence or whose family or household member is a victim of an act which constitutes domestic violence. (NRS 613.222) **Section 3** of this bill similarly requires an employer to provide such accommodations for an employee who is a victim of an act which constitutes sexual assault or whose family or household member is a victim of an act which constitutes sexual assault.

Legislative Counsel's Digest:

Existing law requires the governing body of certain cities or counties to include in its master plan a housing element, which includes certain information relating to housing. (NRS 278.150, 278.160) **Section 1.6** of this bill requires the governing body of such a city or county to annually report this information to the Housing Division of the Department of Business and Industry and the Advisory Committee on Housing. The Housing Division is required to compile and post such reports on its Internet website. **Section 12.5** of this bill requires the governing body of such a city or county to submit the first report required pursuant to **section 1.6** on or before July 15, 2024.

Existing law: (1) provides that any application submitted to a governing body or its designee that concerns any matter relating to land use planning may not be accepted if the application is incomplete; and (2) sets forth a timeline and process for the governing body or its designee to review an application for completeness. (NRS 278.02327) **Section 3** of this bill provides that if the governing body or its designee fails to comply with the timeline and process, the application shall be deemed to be complete. **Section 3** also requires the governing body or designee to review and respond to a corrected application within ~~[3]~~ **5** working days and prohibits a governing body or designee from using any preliminary application to circumvent the timeline or process in **section 3**.

Section 1.3 of this bill requires a governing body to publish on its Internet website a list of applications relating to land use planning in areas zoned for residential housing.

Existing law provides that if the governing body of a city or county is required to include the housing element in its master plan, the governing body is required to adopt certain measures for maintaining and developing affordable housing. (NRS 278.235) **Section 5** of this bill authorizes the governing body to also offer increased residential density for multi-family or multi-story residential development as one such measure. **Section 5** also revises contents of the annual report that the governing body is required to submit to the Housing Division of the Department of Business and Industry relating to affordable housing.

Existing law requires a subdivider to file copies of a tentative map with the planning commission or its designated representative, or with the clerk of the governing body if there is no planning commission. The tentative map is then distributed to all state and local agencies and persons charged with reviewing the proposed subdivision. If there is no planning commission, the clerk of the governing body is required to submit the tentative map to the governing body at its next meeting. If there is a planning commission, the planning commission shall, after accepting as a complete application a tentative map: (1) in a county whose population is 700,000 or more (currently only Clark County), within 45 days, approve, conditionally approve or disapprove the tentative map; or (2) in a county whose population is less than 700,000 (currently all counties other than Clark County), approve, conditionally approve or disapprove the tentative map. (NRS 278.330) **Section 7** of this bill provides that a city within such a county is subject to the same deadlines to approve, conditionally approve or disapprove the tentative map.

Existing law sets forth certain unlawful acts relating to ophthalmic dispensing, including filling a prescription for a contact lens in violation of the expiration date or the number of refills specified by the prescription. (NRS 637.200) **Sections 32 and 33** of this bill: (1) set forth certain additional

unlawful acts relating to ophthalmic dispensing; and (2) reorganize certain provisions defining when a prescription expires.

Existing law establishes qualifications for examination and licensing as a dispensing optician. (NRS 637.100) **Section 25** of this bill revises the requirements for an applicant to be eligible for a license as a dispensing optician and authorizes the Board to waive certain requirements for a person who provides proof that he or she: (1) is a graduate of a foreign school and has acquired education and experience that is equivalent to or greater than those required for licensure in this State; (2) is an active member of, or the spouse of an active member of, the Armed Forces of the United States who is on active duty; (3) has at least 5 consecutive years of work experience in the practice of ophthalmic dispensing in the District of Columbia or any other state or territory of the United States that has requirements for licensure which are equal to or greater than the requirements in this State; or (4) holds a valid and unrestricted license to engage in ophthalmic dispensing in the District of Columbia or any other state or territory in the United States.

Existing law requires the Board to issue a special license as a dispensing optician to certain applicants who meet certain requirements and who: (1) have an active license as a dispensing optician issued by the District of Columbia or any state or territory of the United States; or (2) have not less than 5 years of experience as a dispensing optician. (NRS 637.127) **Section 33** of this bill eliminates that type of license.

Existing law requires the Board to maintain records pertaining to applicants to whom licenses have been issued or denied. (NRS 637.115) **Section 26** of this bill revises the type of information concerning applicants the Board is required to maintain. **Section 26** also requires the Board to maintain certain information concerning holders of a license and disclose certain information concerning applicants for and holders of licenses upon request. ~~**[**Section 23 of this bill revises provisions relating to the confidentiality of certain information maintained by the Board.**]**~~

Existing law prohibits a person from managing a business engaged in ophthalmic dispensing without a valid license issued by the Board. (NRS 637.090) **Section 24** of this bill revises that prohibition to instead prohibit a person from managing an optical establishment, as defined in **section 5** of this bill, without a valid license issued by the Board. **Section 24** also requires an optical establishment to post a sign notifying the public when a licensed dispensing optician is not physically present in the optical establishment.

Existing law authorizes an apprentice dispensing optician to perform the services of a dispensing optician under the direct supervision of a dispensing optician, licensed ophthalmologist or licensed optometrist. (NRS 637.125) **Section 7** of this bill prescribes criteria for eligibility for a license as an apprentice dispensing optician. **Section 3** of this bill defines the term "direct supervision." **Section 28** of this bill revises the circumstances under which an apprentice dispensing optician may engage in ophthalmic dispensing.

Existing law establishes maximum fees relating to licenses issued by the Board, which the Board sets by regulation. (NRS 637.110, 637.120, 637.121, 637.123, 637.140) **Sections 27 and 33** of this bill remove provisions setting forth those maximum fees. Instead, **section 9** of this bill requires the Board to establish a schedule of various fees relating to licensure and sets forth the maximum amount of those fees.

Section 4 of this bill defines "license" to mean a license issued by the Board. **Section 13** of this bill makes a conforming change to make the definitions set forth in **sections 3-5** applicable to the statutes governing ophthalmic dispensing. **Section 14** of this bill revises the definition of "dispensing optician." **Section 15** of this bill revises the definition of "ophthalmic dispensing" to: (1) include the issuing of a final authorization to deliver lenses, frames or other specially fabricated devices to the intended wearer and the making of certain recommendations relating to a prescription; and (2) exclude certain other activities. **Section 16** of this bill makes a conforming change to account for the revised definition of ophthalmic dispensing.

SUMMARY—Limits the amount **and circumstances under which** a provider of health care may charge for filling out certain forms associated with certain leaves of absence. (BDR 54-670)

AN ACT relating to providers of health care; limiting the amount **and circumstances under which** a provider of health care may charge to fill out certain forms necessary to take a leave of absence authorized by the Family and Medical Leave Act of 1993; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under the Family and Medical Leave Act of 1993, certain employees have the right to take an unpaid leave of absence from work for certain medical or family reasons, including, without limitation: (1) because of a serious health condition of the employee that makes the employee unable to perform the functions of his or her position; (2) to care for certain family members who have a serious health condition; or (3) to care for certain veterans or members of the Armed Forces who have suffered a serious injury or illness. (29 U.S.C. § 2612) The Act authorizes an employer of an employee who requests leave for one of those reasons to require the employee to provide a certification issued by a health care provider that contains certain information concerning the serious health condition or serious injury or illness. (29 U.S.C. § 2613; 29 C.F.R. §§ 825.305-825.310) This bill prohibits a provider of health care from charging a person ~~[more than $10]~~ **any fee or charge** to fill out a form for such a certification ~~[.]~~ **if the provider of health care has examined, treated or otherwise provided health care services to the person who is the subject of the certification within the immediately preceding 3 years. If the provider of health has not examined, treated or otherwise provided health care services to the person who is the subject of the certification within the immediately preceding 3 years, this bill prohibits the provider of health care from charging more than $25 to fill out such a form.**

(NRS 690B.017) **Sections 4, 6, 7, 15, 16.5, 17, 18.5, 19 and 20** of this bill similarly provide that no provision for arbitration is binding that is contained in any: (1) policy of health insurance by an insurer; (2) policy of group or blanket health insurance; (3) health benefit plan; (4) benefit contract; (5) contract for hospital, medical or dental services; (6) evidence of coverage by a health maintenance organization; (7) plan for dental care; (8) evidence of coverage by a prepaid limited health service organization; or (9) evidence of coverage by a managed care organization. **Sections 4, 6, 7, 15, 16.5, 17, 18.5,**

19 and 20 further provide that a provision for arbitration included in any such contract of insurance must contain a statement that the provision for arbitration is not binding. **Section 16.5 further provides that such provisions do not apply to a contract between: (1) a plan sponsor; and (2) a hospital or a provider of health care. Sections 5 and 8** of this bill make conforming changes to indicate the proper placement of **sections 4 and 7** of this bill, respectively, in the Nevada Revised Statutes.

Section 22 of this bill repeals certain provisions of the Nevada Insurance Code to eliminate requirements related to provisions for arbitration in certain contracts for insurance. **Section 18** of this bill makes a conforming change to eliminate a reference to a repealed section.

AN ACT relating to optometry; prohibiting certain persons from owning or controlling an optometry practice under certain circumstances; requiring a licensee to provide certain notifications to the Nevada State Board of Optometry; authorizing persons enrolled in certain educational or residency programs to practice optometry under certain circumstances; prohibiting a licensee from prescribing ophthalmic lenses under certain circumstances; establishing certain requirements relating to the use of optometric telemedicine; reducing the fee for a veteran to obtain an initial license to practice optometry; revising certain requirements to obtain a license; revising provisions relating to the ownership of an optometry practice under an assumed or fictitious name under certain circumstances; authorizing the Board to issue citations for certain violations; requiring certain regulations adopted by the State Board of Health to authorize a licensed optometrist to serve as the director of a medical laboratory under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the Nevada State Board of Optometry to adopt policies and regulations necessary to regulate the practice of optometry in this State and issue licenses to engage in the practice of optometry. (NRS 636.125, 636.215) **Sections 2-12** of this bill define certain terms relating to the practice of optometry. **Section 20** of this bill makes a conforming change to indicate the proper placement of **sections 2-12** in the Nevada Revised Statutes. **Section 28** of this bill authorizes the Board to issue a citation to a person who violates certain provisions of law governing the practice of optometry.

Existing law establishes a schedule of fees which the Board may not exceed when charging for the issuance of a license to practice optometry and for certain other purposes. (NRS 636.143) **Section 21** of this bill revises the fees

associated with the initial issuance of a license. **Section 21** sets forth the maximum fee the Board is authorized to charge for the initial issuance of a license to an applicant who is a veteran, which is one-half of the maximum fee the Board is authorized to charge an applicant who is not a veteran.

Existing law authorizes the Board to issue a license by endorsement to certain persons who hold a corresponding valid and unrestricted license to engage in the practice of optometry in the District of Columbia or any state or territory of the United States and who meet certain other requirements. (NRS 636.206) **Section 24** of this bill requires the: (1) corresponding license to be active; and (2) applicant to not have been licensed by the Board to practice optometry in this State in the immediately preceding year.

Existing law requires a licensee to notify the Executive Director of the Board in advance of changing the location where the licensee practices optometry or establishing an additional location to practice optometry. (NRS 636.370) **Section 15** of this bill requires a licensee to notify the Board not later than 30 days after a change of the personal mailing address or primary telephone number of the licensee or the electronic mail address that the licensee most recently provided to the Board. **Section 16** of this bill requires a licensee to report to the Board within 30 days the revocation, suspension or surrender of, or any disciplinary action taken against, a license, certificate or registration to practice any occupation or profession issued by any other jurisdiction.

Section 13 of this bill prohibits, with certain exceptions, a person who is not licensed to practice optometry in this State from: (1) owning, being an officer or board member of or having control over the management or operations of an optometry practice located in this State; or (2) being an officer or board member of an entity that operates such an optometry practice or holding a position in such an entity that allows the person to have control over the management or operations of an optometry practice. **Section 13** also prohibits a person who is employed by a management service provider which is providing certain business services to an optometry practice from performing certain roles for the optometry practice or the entity that operates the optometry practice using those services.

Existing law prohibits an optometrist from owning all or any part of an optometry practice under an assumed or fictitious name unless the optometrist has been issued a certificate of registration by the Board to practice optometry under the assumed or fictitious name at a specified location. (NRS 636.350) **Section 26** of this bill specifies that each person who owns any part of such a practice hold an active license to practice optometry in this State and have been issued such a certificate of registration.

Section 14 of this bill **: (1)** authorizes a surviving family member of a licensed optometrist who has died and who was the sole owner of an optometry practice to own the optometry practice without holding a license to practice optometry in this State for not more than 1 year after the death of the licensed optometrist ~~[.]~~ **; and (2) clarifies that such ownership does not exempt a person from the requirement to obtain a license to engage in the practice**

of optometry. Section 14 requires such a surviving family member, not later than 1 year after the death of the licensee, to transfer ownership of that optometry practice to another licensed optometrist or to dissolve the practice.

Existing law prohibits a person from engaging in the practice of optometry in this State unless the person is licensed by the Board. (NRS 636.145) **Section 17** of this bill authorizes students who are participating in certain externship programs pursuant to a course of study in optometry or certain persons engaged in a residency program for optometry to perform certain procedures pursuant to those programs which constitute engaging in the practice of optometry. **Section 22** of this bill makes a conforming change to indicate that the performance of such procedures does not constitute the unlawful practice of optometry.

Existing law authorizes a licensed optometrist to prescribe therapeutic or corrective lenses for the correction or relief of or remedy for an abnormal condition or inefficiency of the eye or visual process. (NRS 636.025, 636.215) **Section 18** of this bill prohibits a licensed optometrist from issuing, offering to issue, duplicating or extending a prescription for certain lenses if the optometrist has not performed, or does not have access to records relating to, a comprehensive eye examination performed within the immediately preceding 2 years on the intended recipient of the lenses.

Existing law defines the term "telehealth" to mean the delivery of services from a provider of health care to a patient at a different location through the use of information and audio-visual communication technology, not including facsimile or electronic mail. (NRS 629.515) **Section 8** of this bill defines the term "optometric telemedicine" to mean, in general, the use of telehealth by a licensed optometrist to deliver health care services within the scope of the practice of optometry to a patient at a different location. **Section 19** of this bill authorizes and sets forth certain requirements for the use of optometric telemedicine by a licensed optometrist for certain purposes. **Section 19** requires, with certain exceptions, a licensed optometrist to have performed a comprehensive examination on a patient within the immediately preceding 2 years to deliver health care services to the patient through optometric telemedicine. **Section 19** additionally authorizes an licensed optometrist to remotely monitor certain health data of a patient.

Existing law authorizes the State Board of Health to prescribe regulations relating to the operation of medical laboratories and the qualifications of the directors of those laboratories. (NRS 652.130) **Section 29** of this bill requires the regulations to include licensed optometrists among the licensed physicians qualified to serve as the laboratory director of certain laboratories under certain circumstances.

Amendment No. 779.

AN ACT relating to optometry; ~~[prohibiting certain persons from owning or controlling an optometry practice under certain circumstances;]~~ requiring a licensee to provide certain notifications to the Nevada State Board of Optometry; authorizing persons enrolled in certain educational or residency programs to practice optometry under certain circumstances; prohibiting a licensee from prescribing ophthalmic lenses under certain circumstances; establishing certain requirements relating to the use of optometric telemedicine; reducing the fee for a veteran to obtain an initial license to practice optometry; revising certain requirements to obtain a license; revising provisions relating to the ownership of an optometry practice under an assumed or fictitious name under certain circumstances; authorizing the Board to issue citations for certain violations; requiring certain regulations adopted by the State Board of Health to authorize a licensed optometrist to serve as the director of a medical laboratory under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the Nevada State Board of Optometry to adopt policies and regulations necessary to regulate the practice of optometry in this State and issue licenses to engage in the practice of optometry. (NRS 636.125, 636.215) **Sections 2-12** of this bill define certain terms relating to the practice of optometry. **Section 20** of this bill makes a conforming change to indicate the proper placement of **sections 2-12** in the Nevada Revised Statutes. **Section 28** of this bill authorizes the Board to issue a citation to a person who violates certain provisions of law governing the practice of optometry.

Existing law establishes a schedule of fees which the Board may not exceed when charging for the issuance of a license to practice optometry and for certain other purposes. (NRS 636.143) **Section 21** of this bill revises the fees associated with the initial issuance of a license. **Section 21** sets forth the maximum fee the Board is authorized to charge for the initial issuance of a license to an applicant who is a veteran, which is one-half of the maximum fee the Board is authorized to charge an applicant who is not a veteran.

Existing law authorizes the Board to issue a license by endorsement to certain persons who hold a corresponding valid and unrestricted license to engage in the practice of optometry in the District of Columbia or any state or territory of the United States and who meet certain other requirements. (NRS 636.206) **Section 24** of this bill requires the: (1) corresponding license to be active; and (2) applicant to not have been licensed by the Board to practice optometry in this State in the immediately preceding year.

Existing law requires a licensee to notify the Executive Director of the Board in advance of changing the location where the licensee practices optometry or establishing an additional location to practice optometry. (NRS 636.370) **Section 15** of this bill requires a licensee to notify the Board not later than 30 days after a change of the personal mailing address or primary telephone number of the licensee or the electronic mail address that the licensee most recently provided to the Board. **Section 16** of this bill requires a licensee to

report to the Board within 30 days the revocation, suspension or surrender of, or any disciplinary action taken against, a license, certificate or registration to practice any occupation or profession issued by any other jurisdiction.

~~[Section 13 of this bill prohibits, with certain exceptions, a person who is not licensed to practice optometry in this State from: (1) owning, being an officer or board member of or having control over the management or operations of an optometry practice located in this State; or (2) being an officer or board member of an entity that operates such an optometry practice or holding a position in such an entity that allows the person to have control over the management or operations of an optometry practice. Section 13 also prohibits a person who is employed by a management service provider which is providing certain business services to an optometry practice from performing certain roles for the optometry practice or the entity that operates the optometry practice using those services.]~~

Existing law prohibits an optometrist from owning all or any part of an optometry practice under an assumed or fictitious name unless the optometrist has been issued a certificate of registration by the Board to practice optometry under the assumed or fictitious name at a specified location. (NRS 636.350) **Section 26** of this bill specifies that each person who owns any part of such a practice hold an active license to practice optometry in this State and have been issued such a certificate of registration.

Section 14 of this bill: (1) authorizes a surviving family member of a licensed optometrist who has died and who was the sole owner of an optometry practice to own the optometry practice without holding a license to practice optometry in this State for not more than 1 year after the death of the licensed optometrist; and (2) clarifies that such ownership does not exempt a person from the requirement to obtain a license to engage in the practice of optometry. **Section 14** requires such a surviving family member, not later than 1 year after the death of the licensee, to transfer ownership of that optometry practice to another licensed optometrist or to dissolve the practice.

Existing law prohibits a person from engaging in the practice of optometry in this State unless the person is licensed by the Board. (NRS 636.145) **Section 17** of this bill authorizes students who are participating in certain externship programs pursuant to a course of study in optometry or certain persons engaged in a residency program for optometry to perform certain procedures pursuant to those programs which constitute engaging in the practice of optometry. **Section 22** of this bill makes a conforming change to indicate that the performance of such procedures does not constitute the unlawful practice of optometry.

Existing law authorizes a licensed optometrist to prescribe therapeutic or corrective lenses for the correction or relief of or remedy for an abnormal condition or inefficiency of the eye or visual process. (NRS 636.025, 636.215) **Section 18** of this bill prohibits a licensed optometrist from issuing, offering to issue, duplicating or extending a prescription for certain lenses if the optometrist has not performed, or does not have access to records relating to,

a comprehensive eye examination performed within the immediately preceding 2 years on the intended recipient of the lenses.

Existing law defines the term "telehealth" to mean the delivery of services from a provider of health care to a patient at a different location through the use of information and audio-visual communication technology, not including facsimile or electronic mail. (NRS 629.515) **Section 8** of this bill defines the term "optometric telemedicine" to mean, in general, the use of telehealth by a licensed optometrist to deliver health care services within the scope of the practice of optometry to a patient at a different location. **Section 19** of this bill authorizes and sets forth certain requirements for the use of optometric telemedicine by a licensed optometrist for certain purposes. **Section 19** requires, with certain exceptions, a licensed optometrist to have performed a comprehensive examination on a patient within the immediately preceding 2 years to deliver health care services to the patient through optometric telemedicine. **Section 19** additionally authorizes an licensed optometrist to remotely monitor certain health data of a patient.

Existing law authorizes the State Board of Health to prescribe regulations relating to the operation of medical laboratories and the qualifications of the directors of those laboratories. (NRS 652.130) **Section 29** of this bill requires the regulations to include licensed optometrists among the licensed physicians qualified to serve as the laboratory director of certain laboratories under certain circumstances.

Legislative Counsel's Digest:

Existing law requires each school district, each school in the school district and each charter school sponsored by the school district to prepare an annual

report of accountability which includes information concerning pupils who are eligible for and receive free or reduced-price breakfasts and lunches. (NRS 385A.270) **Section 2** of this bill eliminates the requirement to include in such a report information concerning pupils who receive free or reduced-price breakfasts and lunches.

Under existing law, certain hospitals and other facilities that provide residential treatment to children and also operate a licensed private school or an accredited educational program approved by the Department of Education are authorized to request reimbursement from the Department for the cost of providing educational services to a child who is verified to be a patient or resident of the hospital or facility, attends the private school or educational program for more than 7 school days and meets certain other requirements. Upon receiving such a request, the Department is required to determine the amount of reimbursement as a percentage of the adjusted base per pupil funding for the school district which the child would otherwise attend if the child were not in the hospital or facility or the statewide base per pupil funding amount for the charter school which the pupil would otherwise attend. (NRS 387.1225) **Section 4** of this bill authorizes the hospital or facility to request reimbursement from the school district or charter school in which the child is enrolled and revises the requirements to request such reimbursement. **Section 4** also revises the method of calculating the amount of reimbursement to base the reimbursement upon a daily rate of the adjusted base per pupil funding for the school district or a daily rate of the statewide base per pupil funding amount or adjusted base per pupil funding for the charter school, as applicable.

Existing law requires the State Board of Education to adopt regulations for counting enrollment and calculating the average daily attendance of pupils for apportionment purposes. (NRS 387.123) **Section 5** of this bill requires, instead, the use of the average daily enrollment of pupils for such purposes.

Existing law requires, with certain exceptions, each parent, custodial parent, guardian or other person in this State having control or charge of any child between the ages of 7 and 18 years to send the child to a public school during all the time the school is in session. (NRS 392.040) **Section 13** of this bill: (1) clarifies that such a child must also be enrolled in a public school; (2) requires that the child be sent to school for the full school day during all the time the school is in session; (3) requires the parent or legal guardian of the child to sign a statement or acknowledge via registration on an Internet website maintained by the school district that the parent or legal guardian and the child understand the district's policy concerning attendance; and (4) provides that a pupil who receives certain services outside of a public school shall be deemed to be in attendance at the public school and in compliance with the requirements for attendance during the time the pupil is receiving the services and is being transported to and from the school to receive those services. **Sections 1, 3, 6-10, 12, 15, 16, 22, 27, 29-31 and 34-45** of this bill revise various provisions as they relate to compulsory school attendance to conform

with the additional requirements of school enrollment established in **section 13**.

Existing law provides that compulsory attendance at public school must be excused if a child has obtained permission to take the high school equivalency assessment. (NRS 392.075) **Section 17** of this bill provides that after the child has taken the assessment, school attendance is required until the child receives notification of the successful completion of the assessment.

Existing law requires the board of trustees of a school district to prescribe a minimum number of days that a pupil must be in attendance to obtain credit or be promoted to the next higher grade. (NRS 392.122) **Section 18** of this bill authorizes a board of trustees of a school district to adopt a policy prescribing the circumstances under which a pupil will be considered chronically absent. **Section 18** also: (1) eliminates provisions requiring, under certain circumstances, days on which a pupil's absence is approved by a teacher or principal to be credited towards the required days of attendance; (2) revises the process by which, upon request by the pupil and the parent or legal guardian of a pupil, a principal or principal's designee is required to review and recalculate the number of the pupil's absences for the purposes of determining whether the pupil may obtain credit or be promoted to the next higher grade; and (3) eliminates provisions authorizing the board of trustees of a school district to adopt a policy to exempt pupils who are physically or mentally unable to attend school from certain limitations on absences and certain conditions required in such a policy.

Existing law creates in each county at least one advisory board to review school attendance. (NRS 392.126) **Section 19** of this bill requires the membership of each such board to reflect, to the greatest extent possible, the ethnic and geographic diversity of the county.

Existing law requires a teacher or principal to give written approval for a pupil to be absent if an emergency exists or upon the request of a parent or legal guardian of the pupil. (NRS 392.130) **Section 20** of this bill: (1) revises this provision to authorize a teacher or principal to give such approval upon the request of a parent or legal guardian, made during the absence or within the 3 days immediately preceding or the 3 days immediately following the requested absence for an emergency; (2) prohibits the approval of absences for more than 10 percent of the number of school days in the school year; (3) requires all approved and unapproved absences to be counted for the purposes of determining whether a pupil is chronically absent; and (4) requires the board of trustees of each school district and the governing body of each charter school and university school for profoundly gifted pupils to communicate its policy on truancy and the Department's definition of chronic absenteeism to parents and legal guardians in a language they can understand and provide a parent or legal guardian notice when a pupil is approaching the 10 percent limit in the number of absences that may be approved.

Sections 20, 23-26 and 29 of this bill authorize certain notices, consents, referrals, agreements, reports and other documentation which must be in writing to be made electronically.

Section 21 of this bill revises the circumstances under which a child may be declared a habitual truant and provides an exception for a child who is physically or mentally unable to attend school.

Existing law requires a school in which a pupil is enrolled to take reasonable actions designed to encourage, enable or convince the pupil to attend school if the pupil has one or more unapproved absences. (NRS 392.144) **Section 23** of this bill requires the school to take such actions if the pupil has been truant from school.

Section 28 of this bill requires the board of trustees of each school district to: (1) establish procedures to monitor and report chronic absenteeism of pupils; and (2) determine chronic absenteeism of pupils at each school within the district. **Section 28** also requires: (1) the Department to adopt by regulation a definition of the term "chronic absenteeism"; and (2) the board of trustees of each school district to ensure that the actions taken pursuant to that section are consistent with the definition adopted by the Department.

Section 46 of this bill repeals provisions excusing attendance for children: (1) who reside a certain distance from the nearest public school; and (2) between 15 and 18 years of age who have completed the first eight grades to enter employment or apprenticeship.

Assembly Bill No. 65.

The following Senate amendment was read:

Amendment No. 732.

AN ACT relating to education; revising provisions relating to reports regarding and investigations into incidents of discrimination based on race, bullying and cyber-bullying; revising provisions governing the approval of work-based learning programs; revising the requirement for children of a certain age to attend a public school; revising provisions governing the placement of children in certain early grades; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes the Office for a Safe and Respectful Learning Environment in the Department of Education and requires the Director of the Office to investigate any complaint that a teacher, administrator, coach or other staff member or member of a governing body has violated applicable provisions of law regarding discrimination based on race, bullying or cyber-bullying. (NRS 388.1323) Existing law also requires the Director to establish the SafeVoice Program within the Office, which allows a person to make an anonymous report to a support center regarding dangerous, violent or unlawful activity that is conducted, or is threatened to be conducted, on the property of a public school or in certain other circumstances related to public schools. (NRS 388.1455) Any anonymous tip made through the SafeVoice Program is then forwarded to the appropriate public safety agencies and certain trained personnel at the public school for appropriate action to be taken. (NRS 388.14553) **Section 3** of this bill provides that the Director is not required to investigate a complaint that a teacher, administrator, coach or other staff member or member of a governing body has violated applicable provisions of law regarding discrimination based on race, bullying or cyber-bullying if the complaint is made through the SafeVoice Program and investigated by certain trained personnel at the public school, unless the complaint alleges that a previous investigation of the same matter by the personnel at the public school failed to resolve the issue or was otherwise deficient.

Section 2 of this bill revises the definition of "bullying" to exclude acts, gestures and expressions which are engaged in as part of a mutual disagreement or conflict.

Upon receiving a report of discrimination based on race, bullying or cyber-bullying, existing law requires the administrator of a school or his or her designee to immediately begin an investigation into the report. With certain exceptions, existing law requires the investigation to be completed not later than 2 school days after receipt of the report. (NRS 388.1351) **Section 6** of this bill requires the investigation to be completed, to the greatest extent practicable, within 5 school days after the administrator or designee receives the report, or within 7 school days if extenuating circumstances prevent the investigation from being completed within 5 school days. **Section 6** also removes the requirement for a direct supervisor of a principal to submit to the Office a quarterly report regarding incidents of discrimination based on race, bullying or cyber-bullying.

Existing law authorizes the board of trustees of a school district or the governing body of a charter school to offer a work-based learning program upon the approval of the State Board of Education. (NRS 389.167) **Section 9** of this bill requires a work-based learning program to be approved instead by the Superintendent of Public Instruction.

Existing law requires a child to be a certain age on or before the first day of the school year to be admitted to certain early grades of school. (NRS 392.040) **Section 12** of this bill changes the date by which a child must attain a certain age to start certain early grades from the first day of the school year to August 1 of the school year, or if August 1 does not occur during a school year, on or before August 1 preceding a school year.

Existing law, in general, requires a child between 7 and 18 years of age to attend public school. (NRS 392.040) **Section 12.5** of this bill revises this provision to require each child to begin attending public school once the child is 6 years of age, rather than 7 years of age. **Section 15.5** of this bill requires a child who is 6 years of age or older on or before August 1, 2024, and enrolls in public school for the first time to be admitted to kindergarten or first grade.

Section 15.7 of this bill authorizes a public school to: (1) admit a child who was enrolled in a prekindergarten program during the 2022-2023 school year in kindergarten for the following school year if the child is 5 years of age on or before the first day of the school year; and (2) promote a pupil who is enrolled in and who successfully completes kindergarten or first grade in a public school during the 2022-2023 or 2023-2024 school years to the next grade level for the following school year, regardless of his or her age during the 2023-2024 and 2024-2025 school years, as applicable.

Assemblywoman Bilbray-Axelrod moved that the Assembly concur in the Senate Amendment No. 732 to Assembly Bill No. 65.

Motion carried by a constitutional majority.

The following Senate amendment was read:

Amendment No. 733.

AN ACT relating to education; **restricting the time of day during which the board of trustees of a school district may take action or corrective action at a regular or special meeting;** revising provisions relating to reports regarding and investigations into incidents of discrimination based on race, bullying and cyber-bullying; revising provisions governing the approval of work-based learning programs; revising the requirement for children of a certain age to attend a public school; revising provisions governing the placement of children in certain early grades; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The Open Meeting Law requires that a public body such as the board of trustees of a school district give notice of its meetings by: (1) posting an agenda consisting of a list describing the items on which action may be taken by the public body; and (2) clearly denoting that action may be taken on those items by placing the term "for possible action" next to the appropriate item or, under certain circumstances, by placing the term "for possible corrective action" next to the appropriate item. (NRS 241.015, 241.020) Existing law sets forth certain requirements and procedures for meetings of the board of trustees of a school district, including, without limitation: (1) a requirement that the board of trustees hold a regular meeting at least once each month; and (2) the authority for the president of the board of trustees to call special meetings under certain circumstances. (NRS 386.330) Section 1.5 of this bill prohibits, except in an emergency that impacts the school district, the board of trustees of a school district from taking any action or corrective action at a regular meeting or special meeting on an item that has been posted on its agenda pursuant to the Open Meeting Law after 11:59 p.m. on the day of the meeting. Section 1.5 further provides that if the board of trustees has not taken action or corrective action, as applicable, on any item that is on its agenda before 11:59 p.m. on the day of the meeting, the board of trustees must not take any further action or corrective action on any item that is on the meeting agenda unless the board of trustees: (1) schedules the delayed agenda item at a future meeting; or (2) waits at least 24 hours after the originally scheduled time of the meeting but not later than 3 business days after the originally scheduled date of the meeting to take action or corrective action.

Existing law establishes the Office for a Safe and Respectful Learning Environment in the Department of Education and requires the Director of the Office to investigate any complaint that a teacher, administrator, coach or other staff member or member of a governing body has violated applicable provisions of law regarding discrimination based on race, bullying or cyber-bullying. (NRS 388.1323) Existing law also requires the Director to establish the SafeVoice Program within the Office, which allows a person to make an anonymous report to a support center regarding dangerous, violent or unlawful activity that is conducted, or is threatened to be conducted, on the property of a public school or in certain other circumstances related to public schools. (NRS 388.1455) Any anonymous tip made through the SafeVoice Program is then forwarded to the appropriate public safety agencies and certain trained personnel at the public school for appropriate action to be taken. (NRS 388.14553) **Section 3** of this bill provides that the Director is not required to investigate a complaint that a teacher, administrator, coach or other staff member or member of a governing body has violated applicable provisions of law regarding discrimination based on race, bullying or cyber-bullying if the complaint is made through the SafeVoice Program and investigated by certain trained personnel at the public school, unless the complaint alleges that a previous investigation of the same matter by the personnel at the public school failed to resolve the issue or was otherwise deficient.

Section 2 of this bill revises the definition of "bullying" to exclude acts, gestures and expressions which are engaged in as part of a mutual disagreement or conflict.

Upon receiving a report of discrimination based on race, bullying or cyber-bullying, existing law requires the administrator of a school or his or her designee to immediately begin an investigation into the report. With certain exceptions, existing law requires the investigation to be completed not later than 2 school days after receipt of the report. (NRS 388.1351) **Section 6** of this bill requires the investigation to be completed, to the greatest extent practicable, within 5 school days after the administrator or designee receives the report, or within 7 school days if extenuating circumstances prevent the investigation from being completed within 5 school days. **Section 6** also removes the requirement for a direct supervisor of a principal to submit to the Office a quarterly report regarding incidents of discrimination based on race, bullying or cyber-bullying.

Existing law authorizes the board of trustees of a school district or the governing body of a charter school to offer a work-based learning program upon the approval of the State Board of Education. (NRS 389.167) **Section 9** of this bill requires a work-based learning program to be approved instead by the Superintendent of Public Instruction.

Existing law requires a child to be a certain age on or before the first day of the school year to be admitted to certain early grades of school. (NRS 392.040) **Section 12** of this bill changes the date by which a child must attain a certain

age to start certain early grades from the first day of the school year to August 1 of the school year, or if August 1 does not occur during a school year, on or before August 1 preceding a school year.

Existing law, in general, requires a child between 7 and 18 years of age to attend public school. (NRS 392.040) **Section 12.5** of this bill revises this provision to require each child to begin attending public school once the child is 6 years of age, rather than 7 years of age. **Section 15.5** of this bill requires a child who is 6 years of age or older on or before August 1, 2024, and enrolls in public school for the first time to be admitted to kindergarten or first grade.

Motion carried by a constitutional majority.

Bill ordered to enrollment.

Assembly Bill No. 175.

The following Senate amendment was read:

Amendment No. 585.

AN ACT relating to education; revising provisions governing the election and appointment of members of the board of trustees of certain school districts; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the members of the board of trustees of a county school district in which more than 75,000 pupils are enrolled (currently Clark County School District) are elected from seven election districts, established by the board of trustees, that are as nearly equal in population as possible and are composed of contiguous territory. (NRS 386.165) **Section 1.5** of this bill adds four nonvoting members to the board of trustees of such a county school district, of whom: (1) one nonvoting member must be appointed by the board of county commissioners of the county in which the school district is located who must also reside in the school district; and (2) three nonvoting members must be appointed by the governing bodies of the three most populous incorporated cities in the county in which the school district is located, with each governing body appointing one member who must reside in the city of the governing body that appoints him or her.

Section 1.5 also provides that the nonvoting members of the board of trustees **: (1)** have ~~[: (1)]~~ **, with certain exceptions,** the same rights and responsibilities as the voting members; **and** (2) **do not have** voting rights for the election of officers ~~[; and (3)]~~ **or** the authority to serve as an officer of the board of trustees. **Section 1.5** further provides that each trustee holds office until his or her successor is appointed or elected and qualified. **Section 7.5 of this bill makes a conforming change to require officers of the board of trustees to be elected, voting members of the board of trustees.**

Section 1 of this bill makes a conforming change to provide that a board of trustees of a county school district in which more than 75,000 pupils are enrolled consists of 11 members.

Sections 2-4 of this bill make conforming changes that clarify that certain requirements for a candidate for the board of trustees of a school district only apply to candidates who are elected and not appointed.

Section 5 of this bill makes a conforming change that requires vacancies among the elected members of a board of trustees of a school district to be filled by appointment **by the remaining elected members** at a public meeting of the board of trustees. **Section 5** additionally requires that vacancies that occur among the appointed members of a board of trustees of a school district must be filled by the appointing authority. **Section 6** of this bill makes a

conforming change by allowing for the governing body, and not exclusively the board of trustees, to appoint a member to a temporary vacancy in the event a vacancy occurs due to a member entering active military service.

Section 7 of this bill makes a conforming change by deleting certain provisions governing the term of office of a member of a board of trustees of a school district which have been moved to **section 1.5**.

Under existing law, a majority of the members of the board of trustees constitutes a quorum and no action of the board of trustees is valid unless the action receives the approval of a majority of all the members of the board of trustees at a regularly called meeting. (NRS 386.330) Section 8.5 of this bill provides that a majority of the elected members of the board of trustees constitutes a quorum and that no action of the board of trustees is valid unless the action receives the approval of a majority of all the elected members of the board of trustees at a regularly called meeting.

Assembly Bill No. 33.

The following Senate amendment was read:

Amendment No. 687.

AN ACT relating to governmental financial administration; revising provisions governing the investment of money in the State Permanent School Fund; revising provisions governing the investment of money by certain governmental entities; revising provisions governing money transferred from the State Permanent School Fund to a corporation for public benefit to provide private equity funding to certain businesses; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that the State Treasurer: (1) shall have charge of all investments of money and the sale of all securities of the State Permanent School Fund; and (2) if there is a sufficient amount of uninvested money in the Fund, shall negotiate for the investment of the money in certain investments. (NRS 355.050, 355.060) **Section 1** of this bill expands the list of authorized investments for money in the State Permanent School Fund to include: (1) certain commercial paper issued by certain corporations, trusts and limited-liability companies organized and operating in the United States and depository institutions licensed by the United States; and (2) certain notes, bonds and other unconditional obligations issued by certain corporations organized and operating in the United States or depository institutions licensed by the United States.

Under existing law, the State Treasurer is prohibited from making certain investments of money in the State Permanent School Fund unless the State Treasurer obtains a judicial determination that such an investment does not violate the prohibition in the Nevada Constitution against the State of Nevada donating or loaning state money or credit, or subscribing to or being interested in the stock of any company, association or corporation, except a corporation that is formed for educational or charitable purposes. (Nev. Const. Art. 8, § 9; NRS 355.060) **Section 1** prohibits the State Treasurer from investing in such commercial paper and notes, bonds and other unconditional obligations issued by certain corporations, trusts, limited-liability companies and depository institutions without obtaining a judicial determination that such an investment does not violate the prohibition in the Nevada Constitution.

Upon obtaining a judicial determination that an investment does not violate the Nevada Constitution, existing law authorizes the State Treasurer to transfer up to $75,000,000 from the State Permanent School Fund to a corporation for public benefit and requires the corporation by agreement to provide private equity funding to businesses engaged in certain industries, at least 70 percent

of which funding must be provided to businesses located or seeking to locate in Nevada. (NRS 355.280) **Section 4** of this bill: (1) ~~[increases the maximum amount of money the State Treasurer is authorized to transfer from the State Permanent School Fund to the corporation for public benefit to provide such private equity funding from $75,000,000 to $125,000,000; (2)]~~ decreases the amount of private equity funding such a corporation for public benefit must agree to provide to certain businesses located in this State or seeking to locate in this State from at least 70 percent to more than 50 percent; and ~~[(3)]~~ **(2)** provides that the corporation for public benefit may provide private equity funding to a pooled fund that includes businesses located outside of this State provided that more than 50 percent of the funding is provided to certain businesses located in this State or seeking to locate in this State.

Existing law authorizes the State Treasurer to invest money from the General Portfolio of the State in certain categories of bonds and other securities. (NRS 355.140). **Section 2** of this bill: (1) increases from 20 to 25 percent the maximum share of the aggregate value of the General Portfolio that is authorized to be invested in bankers' acceptances of the kind and maturities made eligible by law for rediscount with Federal Reserve banks or trust companies which are members of the Federal Reserve System; and (2) authorizes investment in commercial paper issued by certain trusts or limited-liability companies, in addition to the existing authority to invest in commercial paper issued by certain corporations.

Existing law prescribes the bonds and other securities that are proper and lawful investments for a local government and certain administrative entities. (NRS 355.170) **Section 3** of this bill revises these authorized investments to require that investments in negotiable certificates of deposit: (1) must have a remaining term to maturity of 5 years or less at the time of purchase; and (2) must, under certain circumstances, be rated by a nationally recognized rating service as "A-1," "P-1" or its equivalent, or better. **Section 3** also provides that not more than 5 percent of the total par value of the portfolio may be invested in notes, bonds and other unconditional obligations issued by any one commercial bank, insured credit union, savings and loan association or savings bank.

Section 3 further increases from 20 to 25 percent the maximum share of the money available to a local government for investment that is authorized to be invested in bankers' acceptances of the kind and maturities made eligible by law for rediscount with Federal Reserve banks or trust companies which are members of the Federal Reserve System. Lastly, **section 3** removes the requirement that to invest in obligations of state and local governments, the interest on the obligation must be exempt from gross income for federal income tax purposes.

Assemblywoman Torres moved that the Assembly concur in the Senate Amendment No. 687 to Assembly Bill No. 33.

Motion carried by a constitutional majority.

Bill ordered to enrollment.

Assembly Bill No. 52.

The following Senate amendment was read:

Amendment No. 686.

AN ACT relating to governmental administration; revising provisions relating to the determination of a quorum of a public body and the number of votes necessary for a public body to take action; clarifying the applicability of the Open Meeting Law to certain gatherings of the members of a public body; revising the notice requirements for certain meetings of a public body; revising provisions related to abstaining from voting by a member of a public body for certain conflicts of interest; creating exceptions to the Open Meeting Law for certain committees that prepare arguments relating to ballot measures; ~~[clarifying]~~ **revising provisions relating to** the applicability of the Open Meeting Law to certain foundations; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The Open Meeting Law requires that meetings of public bodies be open to the public, with limited exceptions set forth specifically in statute. (NRS 241.020) With certain exceptions, to constitute a "meeting" for purposes of the Open Meeting Law, the following two conditions must be met: (1) there must be a gathering of members of a public body at which a quorum is present; and (2) the members must be gathering to deliberate toward a decision or to take action on any matter over which the public body has supervision, control, jurisdiction or advisory power. In addition, a "meeting" occurs for purposes of the Open Meeting Law when a collective quorum of the members of a public body attend a series of gatherings of less than a quorum of a public body held with the specific intent to avoid the provisions of the Open Meeting Law. A "meeting" does not occur for purposes of the Open Meeting Law where a quorum of members of a public body receives information from its attorney regarding potential or existing litigation involving a matter over which the public body has supervision, control, jurisdiction or advisory power and deliberate toward a decision, but not take action, on the matter. The Open Meeting Law further provides that a "meeting" does not occur if there is a gathering or series of gatherings of a quorum of members of a public body: (1)

which occurs at a social function if the members do not deliberate toward a decision or take action on a matter over which the public body has supervision, control, jurisdiction or advisory power; or (2) to receive training regarding the legal obligations of the public body if the members do not deliberate toward a decision or take action on a matter over which the public body has supervision, control, jurisdiction or advisory power. **Section 4** of this bill makes technical, nonsubstantive changes to reorganize the definition of "meeting" to make clear that a meeting does not occur for purposes of the Open Meeting Law if the members of a public body, regardless of the presence of an actual or collective quorum of those members, do not deliberate or take action on a matter over which the public body has supervision, control, jurisdiction or advisory power.

For purposes of the Open Meeting Law, a quorum is defined as a simple majority of the membership of a public body unless a different proportion is provided in law for that public body. (NRS 241.015) Under existing law, some public bodies include nonvoting members as well as voting members and, for some such public bodies, existing law specifies whether nonvoting members are counted for purposes of determining a quorum. (See, e.g., NRS 360.010, 360.080) **Section 4** specifies that, unless otherwise provided in law for a public body, nonvoting members are not counted for purposes of determining a quorum of that public body. **Section 2** of this bill specifies that, unless otherwise provided by specific statute ~~[,]~~ **or unless all members of the public body must be elected officials,** if a vacancy occurs in the voting membership of a public body, the necessary quorum and number of votes necessary to take action on a matter is reduced as though the voting membership does not include the vacancy.

The Open Meeting Law authorizes a public body to conduct a meeting by means of a remote technology system under certain circumstances. (NRS 241.023) **Sections 4, 5 and 8** of this bill make conforming changes to include remote technology systems as one of the means by which public bodies conduct meetings.

The Open Meeting Law prohibits, with certain exceptions, a public body from holding a meeting to consider the character, alleged misconduct, professional competence, or physical or mental health of any person, or to consider an appeal by a person of the results of an examination conducted by or on behalf of the public body unless it has given written notice to that person of the time and place of the meeting and received proof of service of the notice. With certain exceptions, the notice is required to be delivered personally to the person or sent by certified mail by certain deadlines. (NRS 241.033) **Section 6** of this bill adds to the methods by which such notice may be given and revises the deadlines for providing such notice. ~~[Section 6 also removes the requirement for a public body to receive proof of service of the notice before the meeting if the notice was given by electronic mail.]~~

The Open Meeting Law prohibits, with certain exceptions, a public body from holding a meeting to consider whether to: (1) take administrative action against a person; or (2) acquire real property owned by a person by the exercise

of the power of eminent domain unless the public body has given written notice to that person of the time and place of the meeting and received proof of service of such notice. With certain exceptions, the notice must be delivered personally to the person or sent by certified mail by certain deadlines. (NRS 241.034) **Sections 3 and 7** of this bill: (1) reorganize these provisions; and (2) revise the deadlines for providing such notice. **Section 3** **[~~: (1)~~]** adds to the manners by which notice of a meeting to consider whether to take administrative action against a person may be given **. [~~; and (2) removes the requirement for a public body to receive proof of service of such notice before considering the matter if the notice was provided by electronic mail.~~]** **Section 4** defines the term "administrative action against a person." **Sections 16-19** of this bill make conforming changes relating to the reorganization of these provisions.

Under existing law, with certain exceptions, if a public officer on a body or committee abstains from voting on a matter because of certain conflicts of interest, as required by the Nevada Ethics in Government Law, the necessary quorum and the number of votes necessary to act upon the matter is reduced as though the member abstaining were not a member of the body or committee. (NRS 281A.420) The Open Meeting Law provides that in a county whose population is 45,000 or more (currently Carson City and Clark, Douglas, Elko, Lyon, Nye and Washoe Counties), the reduction in the necessary quorum and the number of votes necessary to act upon the matter does not apply to a public body that is required to be composed of elected officials only, unless before abstaining from the vote, the member of the public body receives and discloses the opinion of the legal counsel authorized by law to provide legal advice to the public body that the abstention is required. (NRS 241.0355) **Sections 9 and 10** of this bill eliminate the requirement that the member of such a public body receives and discloses the opinion of the legal counsel in order to reduce the necessary quorum and the number of votes necessary to act upon the matter.

Existing law requires the appointment of committees to prepare arguments advocating or opposing approval of statewide ballot measures proposed by initiative or referendum, county ballot measures and city ballot measures. (NRS 293.252, 295.121, 295.217) Under existing law, the provisions of the Open Meeting Law do not apply to any consultations, deliberations, hearings or meetings that are conducted by committees that prepare arguments advocating or opposing approval of county ballot measures. (NRS 295.121) **Sections 11 and 12** of this bill also exempt from the Open Meeting Law consultations, deliberations, hearings or meetings that are conducted by: (1) committees that prepare arguments advocating or opposing approval of statewide ballot measures proposed by initiative or referendum; and (2) committees that prepare arguments advocating or opposing approval of city ballot measures. **Section 5** of this bill makes a conforming change to indicate these additional exemptions from the Open Meeting Law.

The Open Meeting Law defines a "public body" to include a library foundation, an educational foundation and a university foundation if the foundation is created in a specified manner. (NRS 241.015) **Sections ~~[13-15]~~ 13 and 14** of this bill clarify that the Open Meeting Law only applies to ~~[such]~~ a **library** foundation **or an educational foundation** if the foundation meets the definition of a "public body." (NRS 379.1495, 388.750 **~~[, 396.405)]~~) Section 4 provides that the Open Meeting Law applies to a university foundation.**

Sec. 8. NRS 241.035 is hereby amended to read as follows:

241.035 1. Each public body shall keep written minutes of each of its meetings, including:

(b) Those members of the public body who were present, whether in person***, by use of a remote technology system*** or by means of electronic communication, and those who were absent.

(c) The substance of all matters proposed, discussed or decided and, at the request of any member, a record of each member's vote on any matter decided by vote.

(d) The substance of remarks made by any member of the general public who addresses the public body if the member of the general public requests that the minutes reflect those remarks or, if the member of the general public has prepared written remarks, a copy of the prepared remarks if the member of the general public submits a copy for inclusion.

(e) Any other information which any member of the public body requests to be included or reflected in the minutes.

➥ Unless good cause is shown, a public body shall approve the minutes of a meeting within 45 days after the meeting or at the next meeting of the public body, whichever occurs later.

2. Minutes of public meetings are public records. Minutes or an audio recording of a meeting made in accordance with subsection 4 must be made available for inspection by the public within 30 working days after adjournment of the meeting. A copy of the minutes or audio recording must be made available to a member of the public upon request at no charge. The minutes shall be deemed to have permanent value and must be retained by the public body for at least 5 years. Thereafter, the minutes may be transferred for archival preservation in accordance with NRS 239.080 to 239.125, inclusive. Minutes of meetings closed pursuant to:

(a) Paragraph (a) of subsection 1 of NRS 241.030 become public records when the public body determines that the matters discussed no longer require confidentiality and the person whose character, conduct, competence or health was considered has consented to their disclosure. That person is entitled to a copy of the minutes upon request whether or not they become public records.

(b) Paragraph (b) of subsection 1 of NRS 241.030 become public records when the public body determines that the matters discussed no longer require confidentiality.

(c) Paragraph (c) of subsection 1 of NRS 241.030 become public records when the public body determines that the matters considered no longer require confidentiality and the person who appealed the results of the examination has consented to their disclosure, except that the public body shall remove from the minutes any references to the real name of the person who appealed the results of the examination. That person is entitled to a copy of the minutes upon request whether or not they become public records.

3. All or part of any meeting of a public body may be recorded on audiotape or any other means of sound or video reproduction by a member of the general public if it is a public meeting so long as this in no way interferes with the conduct of the meeting.

4. Except as otherwise provided in subsection 8, a public body shall, for each of its meetings, whether public or closed, record the meeting on audiotape or another means of sound reproduction or cause the meeting to be transcribed by a court reporter who is certified pursuant to chapter 656 of NRS. If a public body makes an audio recording of a meeting or causes a meeting to be transcribed pursuant to this subsection, the audio recording or transcript:

(a) Must be retained by the public body for at least 3 years after the adjournment of the meeting at which it was recorded or transcribed;

(b) Except as otherwise provided in this section, is a public record and must be made available for inspection by the public during the time the recording or transcript is retained; and

(c) Must be made available to the Attorney General upon request.

5. The requirement set forth in subsection 2 that a public body make available a copy of the minutes or audio recording of a meeting to a member of the public upon request at no charge does not prohibit a court reporter who is certified pursuant to chapter 656 of NRS from charging a fee to the public body for any services relating to the transcription of a meeting.

6. A court reporter who transcribes a meeting is not required to provide a copy of any transcript, minutes or audio recording of the meeting prepared by the court reporter directly to a member of the public at no charge.

7. Except as otherwise provided in subsection 8, any portion of a public meeting which is closed must also be recorded or transcribed and the recording or transcript must be retained and made available for inspection pursuant to the provisions of subsection 2 relating to records of closed meetings. Any recording or transcript made pursuant to this subsection must be made available to the Attorney General upon request.

8. If a public body makes a good faith effort to comply with the provisions of subsections 4 and 7 but is prevented from doing so because of factors beyond the public body's reasonable control, including, without limitation, a power outage, a mechanical failure or other unforeseen event, such failure does not constitute a violation of the provisions of this chapter.

Sec. 9. NRS 241.0355 is hereby amended to read as follows:

241.0355 ~~[1. A]~~ ***Except as otherwise provided in subsection 5 of NRS 281A.420, [and section 2 of this act,]*** ***a*** public body that is required to

be composed of elected officials only may not take action by vote unless at least a majority of all the members of the public body vote in favor of the action. For purposes of this ~~[subsection,]~~ ***section,*** a public body may not count an abstention as a vote in favor of an action.

~~[2. In a county whose population is 45,000 or more, the provisions of subsection 5 of NRS 281A.420 do not apply to a public body that is required to be composed of elected officials only, unless before abstaining from the vote, the member of the public body receives and discloses the opinion of the legal counsel authorized by law to provide legal advice to the public body that the abstention is required pursuant to NRS 281A.420. The opinion of counsel must be in writing and set forth with specificity the factual circumstances and analysis leading to that conclusion.]~~

Sec. 10. NRS 281A.420 is hereby amended to read as follows:

281A.420 1. Except as otherwise provided in this section, a public officer or employee shall not approve, disapprove, vote, abstain from voting or otherwise act upon a matter:

(a) Regarding which the public officer or employee has accepted a gift or loan;

(b) In which the public officer or employee has a significant pecuniary interest;

(c) Which would reasonably be affected by the public officer's or employee's commitment in a private capacity to the interests of another person; or

(d) Which would reasonably be related to the nature of any representation or counseling that the public officer or employee provided to a private person for compensation before another agency within the immediately preceding year, provided such representation or counseling is permitted by NRS 281A.410,

➥ without disclosing information concerning the gift or loan, the significant pecuniary interest, the commitment in a private capacity to the interests of the other person or the nature of the representation or counseling of the private person that is sufficient to inform the public of the potential effect of the action or abstention upon the person who provided the gift or loan, upon the public officer's or employee's significant pecuniary interest, upon the person to whom the public officer or employee has a commitment in a private capacity or upon the private person who was represented or counseled by the public officer or employee. Such a disclosure must be made at the time the matter is considered. If the public officer or employee is a member of a body which makes decisions, the public officer or employee shall make the disclosure in public to the chair and other members of the body. If the public officer or employee is not a member of such a body and holds an appointive office, the public officer or employee shall make the disclosure to the supervisory head of the public officer's or employee's organization or, if the public officer holds an elective office, to the general public in the area from which the public officer is elected.

2. The provisions of subsection 1 do not require a public officer to disclose:

(a) Any campaign contributions that the public officer reported in a timely manner pursuant to NRS 294A.120 or 294A.125; or

(b) Any contributions to a legal defense fund that the public officer reported in a timely manner pursuant to NRS 294A.286.

3. Except as otherwise provided in this section, in addition to the requirements of subsection 1, a public officer shall not vote upon or advocate the passage or failure of, but may otherwise participate in the consideration of, a matter with respect to which the independence of judgment of a reasonable person in the public officer's situation would be materially affected by:

(a) The public officer's acceptance of a gift or loan;

(b) The public officer's significant pecuniary interest; or

(c) The public officer's commitment in a private capacity to the interests of another person.

4. In interpreting and applying the provisions of subsection 3:

(a) It must be presumed that the independence of judgment of a reasonable person in the public officer's situation would not be materially affected by the public officer's acceptance of a gift or loan, significant pecuniary interest or commitment in a private capacity to the interests of another person where the resulting benefit or detriment accruing to the public officer, or if the public officer has a commitment in a private capacity to the interests of another person, accruing to the other person, is not greater than that accruing to any other member of any general business, profession, occupation or group that is affected by the matter. The presumption set forth in this paragraph does not affect the applicability of the requirements set forth in subsection 1 relating to the duty of the public officer to make a proper disclosure at the time the matter is considered and in the manner required by subsection 1.

(b) The Commission must give appropriate weight and proper deference to the public policy of this State which favors the right of a public officer to perform the duties for which the public officer was elected or appointed and to vote or otherwise act upon a matter, provided the public officer makes a proper disclosure at the time the matter is considered and in the manner required by subsection 1. Because abstention by a public officer disrupts the normal course of representative government and deprives the public and the public officer's constituents of a voice in governmental affairs, the provisions of this section are intended to require abstention only in clear cases where the independence of judgment of a reasonable person in the public officer's situation would be materially affected by the public officer's acceptance of a gift or loan, significant pecuniary interest or commitment in a private capacity to the interests of another person.

5. ~~[Except as otherwise provided in NRS 241.0355, if]~~ ***If*** a public officer declares to the body or committee in which the vote is to be taken that the public officer will abstain from voting because of the requirements of this section, the necessary quorum to act upon and the number of votes necessary

to act upon the matter, as fixed by any statute, ordinance or rule, is reduced as though the member abstaining were not a member of the body or committee.

6. The provisions of this section do not, under any circumstances:

(a) Prohibit a member of a local legislative body from requesting or introducing a legislative measure; or

(b) Require a member of a local legislative body to take any particular action before or while requesting or introducing a legislative measure.

7. The provisions of this section do not, under any circumstances, apply to State Legislators or allow the Commission to exercise jurisdiction or authority over State Legislators. The responsibility of a State Legislator to make disclosures concerning gifts, loans, interests or commitments and the responsibility of a State Legislator to abstain from voting upon or advocating the passage or failure of a matter are governed by the Standing Rules of the Legislative Department of State Government which are adopted, administered and enforced exclusively by the appropriate bodies of the Legislative Department of State Government pursuant to Section 6 of Article 4 of the Nevada Constitution.

8. As used in this section, "public officer" and "public employee" do not include a State Legislator.

Sec. 11. NRS 293.252 is hereby amended to read as follows:

Legislative Counsel's Digest:

Existing law authorizes the governing body of any county, city or town to create an improvement district for the acquisition, improvement, equipment, operation and maintenance of certain projects, including a neighborhood improvement project, and to finance the cost of any such project through such methods as the issuance of certain bonds and the levy of assessments upon property in the improvement district. (NRS 271.265, 271.270, 271.325)

Existing law requires the governing body of a local government which has acquired or improved a neighborhood improvement project to annually: (1) prepare an estimate of expenditures for the next fiscal year and a proposed assessment roll for the district; (2) conduct a public hearing on the estimate of expenditures and proposed assessment roll; and (3) confirm and levy the assessments. The following Senate amendment was read:

Amendment No. 688.

AN ACT relating to counties; authorizing, under certain circumstances, a board of county commissioners **of certain counties** to convey without consideration real property acquired directly from the Federal Government for purposes of clearing title to certain persons; exempting such transfers from the real property transfer tax; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law sets forth certain procedures for a board of county commissioners to transfer or sell real property. (NRS 244.2795-244.296) **Section 1** of this bill authorizes ~~[a]~~ **the** board of county commissioners **of a county whose population is less than 4,500 (currently Esmeralda, Eureka and Storey Counties)** to convey, without consideration and without complying with certain requirements in existing law, real property that the county acquired directly from the Federal Government for the purpose of clearing title to the property. (NRS 244.281) The real property must be conveyed to the person or persons, as applicable, who have an interest in the property. To convey such real property, **section 1** requires the board of county commissioners to execute and record a deed, which is effective upon recordation. **Section 1** further requires the board of county commissioners, upon recordation of the deed, to send actual notice by certified mail to the person or persons to whom the property was conveyed. The notice must include, without limitation, a copy of the recorded deed and information on how the person may disclaim the interest in the property.

Section 5.5 of this bill provides that if ~~[a]~~ **the** board of county commissioners **of a county whose population is less than 4,500 (currently Esmeralda, Eureka and Storey Counties)** conveys any real property pursuant to **section 1** between October 1, 2023, and June 30, 2024, the county recorder of the county shall report to the Joint Interim Standing Committee on Government Affairs the number of such conveyances initiated or completed.

Sections 2 and 3 of this bill make conforming changes to exempt such conveyances from the provisions that generally apply to the sale or lease of property by a board of county commissioners.

Section 5 of this bill exempts conveyances executed pursuant to **section 1** from the real property transfer tax.

Section 4 of this bill indicates the proper placement of **section 1** in the Nevada Revised Statutes.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

(a) The sale or lease is void; and

(b) Any change to an ordinance or law governing the zoning or use of the real property is void if the change takes place within 5 years after the date of the void sale or lease.

Sec. 3. NRS 244.281 is hereby amended to read as follows:

(1) Sell the real property in the manner prescribed for the sale of real property in NRS 244.282.

If the board of county commissioners holds a public hearing on the matter of the fair market value of the property, one disinterested, competent appraisal of the real property is sufficient before selling or leasing it. (g) If real property that is offered for sale or lease pursuant to this section is not sold or leased at the initial offering of the contract for the sale or lease of the real property, the board of county commissioners may offer the real property for sale or lease a second time pursuant to this section. The board of county commissioners must obtain a new appraisal or appraisals, as applicable, of the real property pursuant to the provisions of NRS 244.2795 before offering the real property for sale or lease a second time if:

is listed with a licensed real estate broker, the board of county commissioners must obtain one new appraisal of the real property pursuant to the provisions of NRS 244.2795 before listing the real property for sale or lease at the new appraised value.

2. If real property is sold or leased in violation of the provisions of this section:

Amendment No. 693.

AN ACT relating to public works; requiring **, with certain exceptions,** a contractor or subcontractor to comply with certain requirements relating to the use of apprentices who are women on a public work; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires a contractor or subcontractor engaged in: (1) vertical construction who employs a worker on a public work to use one or more apprentices for at least 10 percent of the total hours of labor worked for each apprenticed craft or type of work to be performed on the public work for which more than three workers are employed; and (2) horizontal construction who employs a worker on a public work to use one or more apprentices for at least 3 percent of the total hours of labor worked for each apprenticed craft or type of work to be performed on the public work for which more than three workers are employed. (NRS 338.01165) **Section 1** of this bill requires that, to the extent practicable: (1) at least 2 percent of the hours of labor for vertical construction that is required to be performed by apprentices must be performed by women; and (2) at least 1 percent of the hours of labor for horizontal construction that is required to be performed by apprentices must be performed by women. **Section 1 also requires the State Apprenticeship Council to review, at least once every 2 years, the policies of an apprenticeship program that does not provide enough apprentices who are women to enable a contractor or subcontractor to meet the percentage of hours of labor required to be performed by women. Section 2** of this bill provides that such requirements do not apply to a contract for a public work for which bids have been submitted before January 1, 2024.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 338.01165 is hereby amended to read as follows:

338.01165 1. Notwithstanding any other provision of this chapter and except as otherwise provided in this section, a contractor or subcontractor engaged in vertical construction who employs a worker on a public work pursuant to NRS 338.040 shall use one or more apprentices for at least 10 percent of the total hours of labor worked for each apprenticed craft or type of work to be performed on the public work for which more than three workers are employed. ***To the extent practicable, at least 2 percent of the hours of labor that is required to be performed by apprentices must be performed by women. For purposes of this subsection, "to the extent practicable" means to the extent the requirement to have at least 2 percent of the hours of labor to be performed by apprentices who are women is feasible or capable of being done or carried out with reasonable effort, taking into account the number and availability of apprentices who are women in the applicable apprenticed craft or type of work.***

2. Notwithstanding any other provision of this chapter and except as otherwise provided in this section, a contractor or subcontractor engaged in horizontal construction who employs a worker on a public work pursuant to NRS 338.040 shall use one or more apprentices for at least 3 percent of the total hours of labor worked for each apprenticed craft or type of work to be performed on the public work for which more than three workers are employed. ***To the extent practicable, at least 1 percent of the hours of labor that is required to be performed by apprentices must be performed by women. For purposes of this subsection, "to the extent practicable" means to the extent the requirement to have at least 3 percent of the hours of labor to be performed by apprentices who are women is feasible or capable of being done or carried out with reasonable effort, taking into account the number and availability of apprentices who are women in the applicable apprenticed craft or type of work.***

3. On or after January 1, 2021, the Labor Commissioner, in collaboration with the State Apprenticeship Council, may adopt regulations to increase the percentage of total hours of labor required to be performed by an apprentice pursuant to subsection 1 or 2 by not more than 2 percentage points.

4. An apprentice who graduates from an apprenticeship program while employed on a public work shall:

(a) Be deemed an apprentice on the public work for the purposes of subsections 1 and 2.

(b) Be deemed a journeyman for all other purposes, including, without limitation, the payment of wages or the payment of wages and benefits to a journeyman covered by a collective bargaining agreement.

5. A contractor or subcontractor engaged on a public work is not required to use an apprentice***, regardless of gender,*** in a craft or type of work performed

in a jurisdiction recognized by the State Apprenticeship Council as not having apprentices in that craft or type of work.

6. A public body may, upon the request of a contractor or subcontractor, submit a request to the Labor Commissioner to modify or waive the percentage of hours of labor provided by one or more apprentices required pursuant to subsection 1 or 2 for good cause. A public body must submit such a request, before an advertisement for bids has been placed, the opening of bids or the award of a contract for a public work or after the public body has commenced work on the public work. Such a request must include any supporting documentation, including, without limitation, proof of denial of or failure to approve a request for apprentices pursuant to subparagraph (3) of paragraph (d) of subsection ~~[10.]~~ ***11.***

7. The Labor Commissioner shall issue a determination of whether to grant a modification or waiver requested pursuant to subsection 6 within 15 days after the receipt of such request. The Labor Commissioner may grant such a request if he or she makes a finding that there is good cause to modify or waive the percentage of hours of labor provided by one or more apprentices required pursuant to subsection 1 or 2.

8. A public body, contractor or subcontractor may request a hearing on the determination of the Labor Commissioner within 10 days after receipt of the determination of the Labor Commissioner. The hearing must be conducted in accordance with regulations adopted by the Labor Commissioner. If the Labor Commissioner does not receive a request for a hearing pursuant to this subsection, the determination of the Labor Commissioner is a final decision for the purposes of judicial review pursuant to chapter 233B of NRS.

9. A contractor or subcontractor engaged on a public work shall enter into an apprenticeship agreement for all apprentices required to be used in the construction of a public work. If the Labor Commissioner granted a modification or waiver pursuant to subsection 7 because the Labor Commissioner finds that a request for apprentices was denied or the request was not approved within 5 business days as described in subparagraph (3) of paragraph (d) of subsection ~~[10]~~ ***11*** and apprentices are later provided, then the contractor or subcontractor shall enter into an apprenticeship agreement for all apprentices later provided.

10. ***If a contractor or subcontractor does not meet the requirements set forth in subsection 1 or 2, as applicable, to have a percentage of the hours of labor performed by apprentices who are women, there is a rebuttable presumption that there were not enough apprentices who are women available to comply with such requirements. If an apprenticeship program is unable to rebut the presumption, the State Apprenticeship Council shall, at least once every two years, require the apprenticeship program to appear before the State Apprenticeship Council to review the policies of the program to recruit women. The State Apprenticeship Council may, without limitation, recommend improvements for recruiting women to the apprenticeship program.***

11. As used in this section:

(a) "Apprentice" means a person enrolled in an apprenticeship program recognized by the State Apprenticeship Council.

(b) "Apprenticed craft or type of work" means a craft or type of work for which there is an existing apprenticeship program recognized by the State Apprenticeship Council.

(c) "Apprenticeship program" means an apprenticeship program recognized by the State Apprenticeship Council.

(1) There are no apprentices available from an apprenticeship program within the jurisdiction where the public work is to be completed as recognized by the State Apprenticeship Council;

(2) The contractor or subcontractor is required to perform uniquely complex or hazardous tasks on the public work that require the skill and expertise of a greater percentage of journeymen; or

(3) The contractor or subcontractor has requested apprentices from an apprenticeship program and the request has been denied or the request has not been approved within 5 business days.

➥ The term does not include the refusal of a contractor or subcontractor to enter into an apprenticeship agreement pursuant to subsection 9.

(e) "Journeyman" has the meaning ascribed to it in NRS 624.260.

(f) "State Apprenticeship Council" means the State Apprenticeship Council created by NRS 610.030.

Sec. 2. The amendatory provisions of this act do not apply to a contract for a public work for which bids have been submitted before January 1, 2024.

Sec. 3. This act becomes effective on January 1, 2024.

Legislative Counsel's Digest:

Existing law sets forth a process for a local government to award a contract for a public work. (NRS 338.1385) This bill authorizes a local government to ~~[require a contractor on]~~ **enter into a prehire agreement for** a public work **.** ~~[to give]~~ **Any such prehire agreement may contain** a preference for hiring labor on the public work to local residents who reside: (1) within the jurisdiction of the local government; (2) within a certain specified distance of

the jurisdiction of the local government; or (3) within a certain geographic area within the jurisdiction of the local government. This authority does not apply if any federal statute or regulation precludes the granting of federal assistance or reduces the amount of that assistance for a particular public work. This bill also clarifies that this authority shall not be construed to authorize a contractor on a public work to pay any worker on the public work less than the applicable prevailing wage.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 338 of NRS is hereby amended by adding thereto a new section to read as follows:

1. (b) Within a certain specified distance of the jurisdiction of the local government, as provided by the local government sponsoring or financing the public work; or

(c) Within a certain geographic area within the jurisdiction of the local government.

2. If any federal statute or regulation precludes the granting of federal assistance or reduces the amount of that assistance for a particular public work because of the provisions of subsection 1, those provisions do not apply insofar as their application would preclude or reduce federal assistance.

3. Nothing in this section shall be construed to authorize a contractor on a public work to pay any worker on the public work less than the applicable prevailing wage required pursuant to NRS 338.020 to 338.090, inclusive.

Amendment No. 560.

AN ACT relating to the boards of trustees of school districts; restricting, with certain exceptions, the time of day during which the board of trustees of a school district may take action or corrective action at a regular or special meeting; ~~[authorizing, under certain circumstances, the board of trustees to restrict certain public comment at a regular or special meeting;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The Open Meeting Law requires that a public body such as the board of trustees of a school district give notice of its meetings by: (1) posting an agenda consisting of a list describing the items on which action may be taken by the public body; and (2) clearly denoting that action may be taken on those items by placing the term "for possible action" next to the appropriate item or, under certain circumstances, by placing the term "for possible corrective action" next to the appropriate item. (NRS 241.015, 241.020) Existing law sets forth certain requirements and procedures for meetings of the board of trustees of a school district, including, without limitation: (1) a requirement that the board of trustees hold a regular meeting at least once each month; and (2) the authority for the president of the board of trustees to call special meetings under certain circumstances. (NRS 386.330) **Section 1** of this bill prohibits, except in an emergency that impacts the school district, the board of trustees of a school district from taking any action or corrective action at a regular meeting or special meeting on an item that has been posted on its agenda pursuant to the Open Meeting Law after 11:59 p.m. on the day of the meeting. **Section 1** further provides that if the board of trustees has not taken action or corrective action, as applicable, on any item that is on its agenda before 11:59 p.m. on the day of the meeting, the board of trustees must not take any further action or corrective action on any item that is on the meeting agenda unless the board of trustees: (1) schedules the delayed agenda item at a future meeting; or (2)

waits at least 24 hours after the originally scheduled time of the meeting but not later than 3 business days after the originally scheduled date of the meeting to take action or corrective action.

Amendment No. 674.

SUMMARY—Revises provisions governing ~~[~~~meetings of a board~~]~~ **boards** of trustees of ~~[~~~a~~~]~~ school ~~[~~~district.~~~]~~ **districts.** (BDR 34-847)

AN ACT relating to the boards of trustees of school districts; **prohibiting a board of trustees of a school district from adopting certain policies;** restricting, with certain exceptions, the time of day during which the board of

trustees of a school district may take action or corrective action at a regular or special meeting; authorizing, under certain circumstances, the board of trustees to restrict certain public comment at a regular or special meeting; **providing an administrative penalty;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides each board of trustees of a school district, with certain exceptions, with such reasonable and necessary powers as required to promote the welfare of school children. (NRS 386.350) Section 1 of this bill prohibits a board of trustees from adopting a policy that limits the access of a pupil to school facilities or activities because of race, religious creed, color, national origin, disability, sexual orientation, gender identity or expression, ancestry, familial status or sex. Section 1 further authorizes the Department of Education to impose an administrative penalty against a board of trustees that adopts such a policy.

The Open Meeting Law requires that a public body such as the board of trustees of a school district give notice of its meetings by: (1) posting an agenda consisting of a list describing the items on which action may be taken by the public body; and (2) clearly denoting that action may be taken on those items by placing the term "for possible action" next to the appropriate item or, under certain circumstances, by placing the term "for possible corrective action" next to the appropriate item. (NRS 241.015, 241.020) Existing law sets forth certain requirements and procedures for meetings of the board of trustees of a school district, including, without limitation: (1) a requirement that the board of trustees hold a regular meeting at least once each month; and (2) the authority for the president of the board of trustees to call special meetings under certain circumstances. (NRS 386.330) **Section ~~[1]~~ 1.5** of this bill prohibits, except in an emergency that impacts the school district, the board of trustees of a school district from taking any action or corrective action at a regular meeting or special meeting on an item that has been posted on its agenda pursuant to the Open Meeting Law after 11:59 p.m. on the day of the meeting. **Section ~~[1]~~ 1.5** further provides that if the board of trustees has not taken action or corrective action, as applicable, on any item that is on its agenda before 11:59 p.m. on the day of the meeting, the board of trustees must not take any further action or corrective action on any item that is on the meeting agenda unless the board of trustees: (1) schedules the delayed agenda item at a future meeting; or (2) waits at least 24 hours after the originally scheduled time of the meeting but not later than 3 business days after the originally scheduled date of the meeting to take action or corrective action.

The United States Constitution and the Nevada Constitution protect the freedom of speech but a public body may, under certain circumstances, limit speech at a public meeting. (U.S. Const. Amend. I; Nev. Const. Art. 1, § 9; *Minnesota State Bd. for Community Colleges v. Knight*, 465 U.S. 271, 281-85 (1984); *White v. City of Norwalk*, 900 F.2d 1421, 1425 (9th Cir. 1990)) Under

existing case law, a public body may: (1) impose reasonable time, place and manner restrictions that are viewpoint neutral and maintain decorum and order; and (2) limit public comment that is not relevant to or within the authority of the public body. (*Norwalk* at 1425; *Reza v. (NRS 241.030) Section ~~[1]~~ **1.5** authorizes a board of trustees of a school district, consistent with existing case law, to restrict public comment at a regular meeting or special meeting if the public comment: (1) is a topic that is not relevant to or within the authority of the board of trustees; or (2) is willfully disruptive of the meeting by being slanderous or offensive.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. **Chapter 386 of NRS is hereby amended by adding thereto a new section to read as follows:**

1. A board of trustees shall not adopt a policy that limits the access of a pupil because of race, religious creed, color, national origin, disability, sexual orientation, gender identity or expression, ancestry, familial status or sex, to school facilities or activities.

2. If the Department finds that a board of trustees adopts a policy that violates the provisions of subsection 1, the Department may impose an administrative penalty of not more than $5,000 for each day that the policy is in effect.

Assembly Bill No. 57.

The following Senate amendment was read:

Amendment No. 724.

AN ACT relating to motor vehicles; revising provisions relating to a lien on a motor vehicle; **revising provisions relating to automobile wreckers; revising provisions governing liens on certain abandoned vehicles;** revising the date by which the Director of the Department of Motor Vehicles is required to submit certain reports concerning garages, garage operators and body shops; repealing provisions relating to special license plates issued to honorary consuls of foreign countries; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, certain persons who store, maintain, keep, repair or furnish facilities or services for certain vehicles have a lien on such vehicles. (NRS 108.265-108.367) Existing law authorizes a person who has such a lien to satisfy the lien by selling the vehicle at an auction held at or near the place where the lien was acquired. **Section 1** of this bill provides that, if a person who has such a lien is unable to sell the vehicle at a public auction for the fair market value of the vehicle, the person may satisfy the lien by selling the vehicle by private sale directly to a third-party purchaser in an arm's length transaction. **Section 1** also removes the requirement that a sale must be held at or near the place where the lien was acquired.

Existing law provides for the licensure and regulation of automobile wreckers. (NRS 487.047-487.200) Section 3.3 of this bill authorizes an automobile wrecker to sell a vehicle acquired by the automobile wrecker that: (1) possesses minor damage; and (2) is not scheduled to be salvaged. Existing law requires, in general, that the seller of a used motor vehicle provide the buyer of the vehicle with evidence that the vehicle complies with certain engine emission standards for the purpose of registering the vehicle with the Department of Motor Vehicles. (NRS 445B.800) Section 1.5 of this bill provides that this requirement does not apply to an automobile wrecker who: (1) has acquired a vehicle that possesses minor damage and is not scheduled to be salvaged; (2) sells such a vehicle to a buyer who is responsible for obtaining such compliance before registering the vehicle; and (3) complies with certain notice requirements.

Existing law requires an automobile wrecker to forward to the Department the certificates of title and registration for certain vehicles acquired by the automobile wrecker. (NRS 487.100) Section 3.6 of this bill provides an exemption to this requirement if the automobile wrecker acquires a vehicle to sell that: (1) possesses minor damage; and (2) is not scheduled to be salvaged.

Existing law provides provisions for the removal and disposal of abandoned vehicles. (NRS 487.205-487.300) Existing law provides that the owner of a garage to which an abandoned vehicle has been removed or an automobile wrecker who towed an abandoned vehicle has a lien on the

vehicle and establishes the manner in which such a lien may be satisfied depending on the appraised value of the vehicle. (NRS 487.270) Section 3.9 of this bill provides that the operator of a tow car who tows an abandoned vehicle has a lien on the vehicle. Section 3.9 revises the appraised values which determine the manner in which a lien on an abandoned vehicle may be satisfied. Section 3.9 authorizes an automobile wrecker or operator of a tow car to obtain an unbranded title for an abandoned vehicle from the Department if the automobile wrecker or operator presents a certificate of inspection to the Department which meets certain requirements.

On November 16, 2021, the United States Department of State issued a notice indicating that it is the preference of the Office of Foreign Missions of the United States Department of State that states cease issuing special license plates to honorary consular officers. (United States Department of State, "Cessation of Honorary Consul License Plates," November 16, 2021) In accordance with that notice, **section 7** of this bill repeals provisions of existing law which provide for the issuance of special license plates to a person appointed as an honorary consul of a foreign country, thereby terminating the production and distribution of such plates. (NRS 482.3675) **Sections 2 and 3** of this bill make conforming changes by eliminating references to the repealed section.

Existing law requires the Director of the Department of Motor Vehicles to prepare and submit an annual report concerning garages, garage operators and body shops to the Legislative Commission or Legislature, as appropriate, on or before January 1 of each year. (NRS 487.557) **Section 4** of this bill instead requires the Director to submit this report on or before February 1 of each year. **Section 4** also updates references to the standing committees to whom the report will be transmitted.

Amendment No. 692.

AN ACT relating to state purchasing; requiring, to the extent practicable, certain state agencies to give preference to the purchase of certain vehicles and fuels; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law sets forth certain requirements for the purchase of automobiles by any department, office, bureau, officer or employee of the State. (NRS 334.010) Existing law establishes the Fleet Services Division of the Department of Administration and authorizes the Governor to assign any state-owned vehicle to the Division. (NRS 232.213, 336.060) **Section 1** of this bill requires, to the extent practicable, each department, office, bureau, officer or employee of the State, when purchasing an automobile, to give preference to automobiles that minimize: (1) emissions; and (2) the total cost of the automobile over the service life of the automobile.

Section 2.5 of this bill declares that it is the policy **goal** of this State to pursue and support **, to the extent practicable,** a transition of all publicly-owned vehicles to vehicles which emit zero tailpipe emissions by 2050.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 334.010 is hereby amended to read as follows:

334.010 1. No automobile may be purchased by any department, office, bureau, officer or employee of the State without prior written consent of the State Board of Examiners.

2. All such automobiles must be used for official purposes only.

3. All such automobiles, except:

(a) Automobiles maintained for and used by the Governor;

(b) Automobiles used by or under the authority and direction of the Chief Parole and Probation Officer, the State Contractors' Board and auditors, the State Fire Marshal, the Investigation Division of the Department of Public Safety, the investigators of the Nevada Gaming Control Board, the investigators of the Securities Division of the Office of the Secretary of State and the investigators of the Attorney General;

(c) One automobile used by the Department of Corrections;

(e) Three automobiles used by the Nevada Youth Training Center; and

(f) Four automobiles used by the Youth Parole Bureau of the Division of Child and Family Services of the Department of Health and Human Services,

➥ must be labeled by painting the words "State of Nevada" and "For Official Use Only" on the automobiles in plain lettering. The Director of the Department of Administration or a representative of the Director shall prescribe the size and location of the label for all such automobiles.

4. ***In accordance with the provisions of chapter 333 of NRS, each department, office, bureau, officer or employee of the State shall:***

(a) To the extent practicable, give preference to the purchase of automobiles which minimize:

(1) Emissions from the automobile; and

(2) The total costs of the automobile over the service life of the automobile, which may include, without limitation, fuel costs, maintenance costs and any rebates or financial incentives offered for the purchase of the automobile;

(b) To the extent practicable, purchase motor vehicle fuel blended with ethanol, including, without limitation, gasoline, biodiesel and biomass-based diesel blends for use in the automobile; and

(c) If purchasing an automobile powered by diesel fuel, ensure that the vehicle is capable of using biodiesel fuel blends comprised of not less than 20 percent by volume of biodiesel fuel.

5. Each department, office, bureau, officer or employee of the State shall maintain records on the type of fuel used by each automobile purchased by the department, office, bureau, officer or employee, which may include, without limitation, electric, gasoline, compressed natural gas, diesel, hydrogen or hybrid fuel sources.

6. Any officer or employee of the State of Nevada who violates any provision of ~~[this section]~~ ***subsection 1, 2 or 3*** is guilty of a misdemeanor.

7. As used in this section:

(a) "Biodiesel" has the meaning ascribed to it in NRS 590.070.

Sec. 2.5. 1. The Legislature hereby finds and declares that:

(a) The "Nevada Statewide Greenhouse Gas Emissions Inventory and Projections, 1990-2042" indicates that the transportation sector is the top source of greenhouse gas emissions in this State, making up nearly 32 percent of Nevada's emissions in 2020.

(b) The American Lung Association's annual report, "State of the Air," has repeatedly ranked Las Vegas and Reno among the top 25 most polluted cities in terms of air quality, and transportation is a primary contributor to smog-forming pollution and particulate matter linked to lung disease and other serious health conditions.

(c) The State of Nevada spends billions of dollars each year to purchase out-of-state fossil fuels, which makes residents of this State vulnerable to the volatility of oil prices and increases the risk of disruptions in the event of a natural disaster.

(d) Nevada has immense potential to use local clean energy resources to power transportation in this State, furthering its energy independence.

(e) Zero emissions technologies now provide a viable, cost-effective alternative to many vehicles that run on fossil fuels, and prices are continuing to decline as these technologies mature.

(f) For publicly-owned transportation fleets, the transition to electric vehicles can bring considerable cost savings to taxpayers due to lower costs to operate and maintain such vehicles over their lifetimes.

2. It is the policy **goal** of this State to pursue and support **, to the extent practicable,** a transition of all publicly-owned, light-duty vehicles to vehicles which emit zero tailpipe emissions by the year 2040, and ~~[to]~~ **a** transition **of** all publicly-owned, medium- and heavy-duty vehicles to vehicles which emit zero tailpipe emissions by the year 2050.

Amendment No. 718.

AN ACT relating to medical facilities; authorizing a patient in a facility for skilled nursing or his or her representative to request the installation and use of an electronic communication device in the living quarters of the patient; prescribing requirements for the selection and operation of such a device; prohibiting a person from taking certain actions concerning such a device or the images and sounds broadcast by such a device; prohibiting a facility for skilled nursing or an employee of such a facility from taking certain additional

Legislative Counsel's Digest:

Existing law establishes certain duties of a medical facility, including a facility for skilled nursing, and specific rights of a patient in such a facility. (NRS 449A.100-449A.124) **Sections 3-7** of this bill define certain terms. **Section 9** of this bill authorizes a patient in a facility for skilled nursing or the representative of such a patient to request the installation and use of an electronic communication device in the living quarters of the patient under certain circumstances. Among other requirements, **section 9** requires the patient or representative of the patient to: (1) agree to waive the right to privacy of the patient; and (2) obtain the consent of the roommate of the patient or his or her representative, if applicable. **Section 8** of this bill prescribes the requirements to act as the representative of a patient or roommate for those purposes. **Section 9** requires a facility for skilled nursing to make reasonable efforts to accommodate a patient whose roommate fails to provide such consent. **Section 9** also authorizes a patient, representative or roommate to revoke a request for, or consent to, the installation and use of an electronic communication device.

Section 9 requires a facility for skilled nursing to approve a request for the installation and use of an electronic communication device if the applicable requirements are met. If such approval is granted, **section 10** of this bill provides that the patient or his or her representative is responsible for: (1) choosing the electronic communication device, subject to certain limitations; and (2) the cost of installing, maintaining and removing the electronic communication device and any repairs required due to the installation or removal of the electronic communication device.

Section 11 of this bill generally prohibits a person other than the patient or the representative for the patient who has requested the installation and use of an electronic communication device from intentionally: (1) obstructing, tampering with or destroying any such device or recording made by such a device; and (2) viewing or listening to any images or sounds which are displayed, broadcast or recorded by any such device except as otherwise authorized. **Section 11** authorizes an attorney for a patient or certain government officials to view or listen to any images or sounds which are displayed, broadcast or recorded by an electronic communication device or to temporarily disable or turn off such a device. **Sections 9 and 11** authorize a patient or the representative of a patient ~~[, with the consent of the roommate of the patient or his or her representative, if any,]~~ to authorize additional persons to view or listen to images or sounds which are displayed, broadcast or recorded by an electronic communication device. **Section 11** prohibits a facility for skilled nursing from denying admission to or discharging a patient from the facility or otherwise discriminating or retaliating against a patient because of a decision to request the installation and use of an electronic communication device. **Section 12** of this bill subjects a person or entity who

violates the provisions of **section 11** to certain civil and criminal penalties, and **section 1** of this bill subjects a facility for skilled nursing that violates the provisions of **sections 3-14** of this bill to disciplinary action. **Section 13** of this bill: (1) requires a facility for skilled nursing to post a notice in a conspicuous place at the entrance to the living quarters of a patient which contains an electronic communication device stating that such a device is in use in that living quarters; and (2) prohibits an employee at a facility for skilled nursing from refusing to enter the living quarters of a patient or fail to perform any of the duties of the employee on the grounds that an electronic communication device is in use in the living quarters. **Section 14** of this bill: (1) authorizes the State Board of Health to adopt regulations necessary to carry out the provisions of **sections 3-14**; and (2) makes the provisions of **sections 3-14** inapplicable to an electronic communication device that is installed by a law enforcement agency and used solely for a legitimate law enforcement purpose.

Assembly Bill No. 35.

The following Senate amendment was read:

Amendment No. 548.

AN ACT relating to corrections; requiring the warden or manager of an institution or facility to make certain determinations concerning use of telecommunications devices by offenders; requiring the Director of the Department of Corrections to adopt regulations authorizing an offender to possess, have in his or her custody or control and use an authorized telecommunications device for certain purposes; revising the definition of a telecommunications device to include certain tablets; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

With certain exceptions, existing law prohibits an offender from having access to a telecommunications device. Existing law authorizes an offender to use a telecommunications device to conduct certain visits and correspondence. Existing law also authorizes certain offenders to use telecommunications devices: (1) pursuant to an agreement with the Department of Corrections; or (2) in accordance with any regulations governing the use of such devices adopted by the Department of Corrections. Finally, existing law defines the term "telecommunications device" to include a telephone, a cellular telephone, a personal digital assistant, a transmitting radio or a computer with certain capabilities. (NRS 209.417)

This bill removes statutory provisions authorizing offenders to have access to a telecommunications device and instead: (1) requires the warden or manager of an institution or facility to determine which telecommunications devices, if any, are authorized for use by an offender; and (2) requires the Director of the Department to adopt regulations authorizing an offender to possess, have in his or her custody or control and use an authorized telecommunications device for certain purposes. This bill requires such regulations to authorize an offender to possess, have in his or her custody or control and use an authorized telecommunications device for the purpose of: (1) conducting certain visits and correspondence; (2) appearing in court; (3) receiving medical care; (4) applying for or enrolling in a benefit from a governmental program; (5) performing legal research; (6) obtaining a diploma, degree, certificate or similar credential; ~~[and]~~ (7) taking a vocational assessment**~~[.]~~ ; and (8) communicating with an attorney.** This bill

authorizes the Director of the Department, with the approval of the Board, to adopt regulations authorizing an offender to possess, have in his or her custody or control and use an authorized telecommunications device for any purpose other than these specified purposes. The bill requires such regulations to: (1) prescribe requirements for determining whether a telecommunications device will be authorized for use by an offender; (2) prescribe the criteria for eligibility for an offender to use an authorized telecommunications device; (3) set forth the circumstances under which an offender is authorized to use such a device to access the Internet; and (4) prescribe standards for the use of such a device by an offender. Finally, this bill revises the definition of "telecommunications device" to include a tablet with certain capabilities.

Assembly Bill No. 55.

The following Senate amendment was read:

Amendment No. 565.

AN ACT relating to unclaimed property; revising provisions of the Uniform Unclaimed Property Act; authorizing the Administrator of Unclaimed Property to adopt regulations relating to certain agreements between an owner of property and another person concerning property paid or delivered to the Administrator; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law enacts the Uniform Unclaimed Property Act, which generally establishes the powers, duties and liabilities of the State and other persons concerning unclaimed property. (Chapter 120A of NRS) Existing law makes the State Treasurer the Administrator of Unclaimed Property and requires the State Treasurer, in his or her capacity as the Administrator, to carry out the provisions of the Act. (NRS 120A.025, 120A.140)

Existing law makes certain gift certificates subject to the provisions of the Act and provides that a gift certificate is presumed abandoned on the expiration date of the gift certificate. (NRS 120A.113, 120A.520) **Section 2** of this bill defines the term "gift certificate" for purposes of the Act. **Section 4** of this bill makes a conforming change indicating the proper placement of **section 2** in the Nevada Revised Statutes.

For consistency with the Act, **section 6** of this bill replaces the term "financial institution" with the term "financial organization."

Existing law governs when certain forms of property are presumed abandoned. (NRS 120A.500, 120A.520) **Section 7** of this bill makes various changes relating to the dates on which certain property that is unclaimed by the apparent owner is presumed abandoned. **Section 7** also provides that the signing of a return receipt constitutes an indication of an owner's interest in property for purposes of determining the date on which certain property is presumed abandoned. **Section 8** of this bill provides that a gift certificate that is no longer honored by the issuer is presumed abandoned on the date on which the gift certificate ceases to be honored by the issuer.

Among other duties, existing law requires a holder of property presumed to be abandoned to: (1) make a report to the Administrator concerning the property; and (2) send written notice to the apparent owner of the property under certain circumstances. (NRS 120A.560) **Section 9** of this bill revises provisions relating to the report filed with the Administrator. **Section 9** also requires the holder of property to send the required written notice by certified mail in certain circumstances. **Section 14** of this bill makes a conforming change updating references to **section 9**.

Existing law requires the Administrator to publish certain notice concerning unclaimed or abandoned property in a newspaper of general circulation. Among other requirements, existing law requires such notice to include the name of a person reported to the Administrator as an apparent owner. (NRS 120A.580) **Section 10** of this bill ~~[instead]~~ requires the Administrator to create and maintain a statewide database that is searchable electronically and includes the name of a person reported to the Administrator as an apparent owner of unclaimed property. **Section 10** also requires the Administrator to: (1) make the database publicly available on the website of the Administrator; (2) publish general information regarding the Act on the website of the Administrator; and (3) annually publish certain information concerning unclaimed property**.** ~~[by press release.]~~

Existing law requires the Administrator to sell certain abandoned property at a public sale after providing certain notice of the sale to the public. (NRS 120A.610) **Section 11** of this bill revises the manner in which the Administrator is required to provide such notice. **Section 15** of this bill makes a conforming change updating references to **section 11**.

Existing law authorizes a holder of property, with the written consent of the Administrator, to report and deliver property to the Administrator before the property is presumed abandoned. (NRS 120A.660) **Section 12** of this bill removes the requirement that the Administrator must provide written consent before the delivery of such property if the Administrator determines that receipt of the property is in the best interests of the State.

Existing law authorizes the Administrator to enter into an intrastate agreement with an agency from this State to protect certain confidential information shared for the purpose of facilitating the return of property

pursuant to the Act. (NRS 120A.715) **Section 13** of this bill instead: (1) authorizes the Administrator to request a state or local agency to provide him or her with certain confidential information for the purpose of facilitating the return of unclaimed or abandoned property; and (2) requires an agency to provide the information requested unless the provision of such information is prohibited by federal law.

Existing law prescribes requirements and restrictions relating to an agreement between an owner of property and another person, the primary purpose of which is to locate, deliver, recover or assist in the recovery of property of the owner that is presumed abandoned. (NRS 120A.740) **Section 14.5** of this bill authorizes the Administrator to adopt such regulations as are necessary to protect the interests of an owner who enters into such an agreement. **Section 14.5** provides that such regulations may provide for the licensure or registration of a person with whom an owner enters into an agreement.

Section 16 of this bill eliminates a provision requiring that the Act must be applied and construed to effectuate its general purpose to make the law uniform among the states that enact the Act. (NRS 120A.750)

6. A holder who fails to make a payment as required by subsections ~~[11]~~ ***14*** and ~~[12]~~ ***15*** of NRS 120A.560 must be assessed by the Administrator a fee for each such payment in an amount equal to the greater of $50 or 2 percent of the amount of the payment.

Sec. 14.5. NRS 120A.740 is hereby amended to read as follows:

120A.740 1. An agreement by an owner, the primary purpose of which is to locate, deliver, recover or assist in the recovery of property that is presumed abandoned, is void and unenforceable if it was entered into during the period commencing on the date the property was presumed abandoned and extending to a time that is 24 months after the date the property is paid or delivered to the Administrator. This subsection does not apply to an owner's agreement with an attorney to file a claim as to identified property or contest the Administrator's denial of a claim.

2. An agreement by an owner, the primary purpose of which is to locate, deliver, recover or assist in the recovery of property, is enforceable only if the agreement:

4. An agreement covered by this section must not provide for compensation that is more than:

5. An agreement that provides for compensation that is more than the applicable percentage set forth in subsection 4 of the total value of the property that is the subject of the agreement is unenforceable except by the owner. An owner who has agreed to pay compensation that is more than the applicable percentage set forth in subsection 4 of the total value of the property that is the

subject of the agreement, or the Administrator on behalf of the owner, may maintain an action to reduce the compensation to an amount that does not exceed the applicable percentage set forth in subsection 4 of the total value of the property. The court may award reasonable attorney's fees to an owner who prevails in the action.

6. This section does not preclude an owner from asserting that an agreement covered by this section is invalid on grounds other than noncompliance with the provisions of this section.

7. The Administrator may adopt such regulations as are necessary to protect the interests of an owner who enters into an agreement covered by this section. The regulations may, without limitation, provide for the licensure or registration of a person with whom an owner enters into an agreement.

Motion carried by a constitutional majority.

Bill ordered to enrollment.

Assembly Bill No. 75.

The following Senate amendment was read:

Amendment No. 728.

AN ACT relating to securities; defining "Nevada certified investor"; authorizing the Administrator of the Securities Division of the Office of the Secretary of State, who is the Deputy of Securities, to adopt certain regulations **;** ~~**[**in consultation with the Office of Economic Development; revising the information that must be included in a registration statement for a security that may be registered by qualification; exempting a person who files a registration statement for a security that may be registered by qualification from paying any fees associated with that filing;**]**~~ providing for an exemption from certain requirements concerning the registration of securities for certain transactions involving an offer to sell or sale of a security by certain issuers who are residents of this State to a Nevada certified investor; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing federal law, with certain exceptions, prohibits a person from engaging in certain activities relating to offering to sell or selling a security unless the security is registered with the Securities and Exchange Commission. (15 U.S.C. § 77e) Existing federal law creates an exemption from this requirement for a security which is part of an issue offered or sold only to persons who are residents of the same state of which the issuer is also a resident and doing business within or, if the issuer is a corporation, incorporated by and doing business within. (15 U.S.C. § 77c(a)(11)) Existing federal regulations set forth: (1) requirements that an issuer must meet to be deemed to be a resident of and doing business within a state where the issuer offers and sells securities; and (2) various other requirements for transactions involving intrastate offers or sales of securities for the transaction to qualify for the exemption from the federal registration requirements. (17 C.F.R. §§ 230.147, 230.147A)

Existing state law prohibits a person from offering to sell or selling any security in this State unless the security meets certain registration requirements or the security transaction is exempt from the registration requirements. (NRS 90.460) **Section 5** of this bill creates an exemption from those state registration requirements for certain transactions involving an offer to sell or sale of a security to a Nevada certified investor. **Section 2** of this bill defines "Nevada certified investor" to mean, in general, a natural person who is, or a married couple who each are, a resident of this State and who meets certain

financial qualifications. Under **section 5**, a transaction involving an offer to sell or sale of a security to a Nevada certified investor is exempt from the registration requirements provided under existing state law if: (1) the transaction meets the requirements for the federal exemption for intrastate offers and sales of securities; (2) the transaction meets any other requirements established by regulations adopted by the Administrator of the Securities Division of the Office of the Secretary of State, who is the Deputy of Securities, pursuant to **section 3** of this bill; (3) the transaction involves certain types of Nevada certified investors, the ~~[total amount paid by]~~ **transaction would not result in** the Nevada certified investor ~~[for all of the securities involved in the transaction does not exceed]~~ **investing more than** 10 percent of the net worth of the investor ~~[, subject to certain requirements concerning the net worth of the investor;]~~ **in securities purchased in transactions exempt pursuant to section 3; and** (4) ~~[the transaction is part of an issue in which not more than 75 purchasers are Nevada certified investors; and (5)]~~ the person offering to sell or selling the security first undergoes a criminal background check ~~[.]~~ **, submits certain information to the Administrator and makes certain information available to Nevada certified investors.**

Section 3 authorizes the Administrator ~~[, in consultation with the Office of Economic Development within the Office of the Governor,]~~ to adopt regulations establishing additional requirements for transactions involving an offer to sell or sale of a security to a Nevada certified investor to qualify for an exemption from the registration requirements pursuant to **section 5**.

Section 4 of this bill makes a conforming change to indicate the proper placement of **section 2** in the Nevada Revised Statutes.

Existing law authorizes the registration of a security by qualification and requires the registration statement for such a security to contain certain information relating to the issuer and certain other persons. (NRS 90.490) **Section 4.5** of this bill revises the information which is required to be included in the registration statement.

~~[Existing law sets forth certain fees associated with the filing of a registration statement or an amendment to a registration statement. (NRS 90.500) Section 4.7 of this bill exempts a person who files a registration statement to register a security by qualification or an amendment to such a registration statement from paying any fees associated with such filings. Sections 4.1-4.9 and 5.5 make conforming changes to revise certain internal references.]~~

The registrant shall promptly notify the Administrator by telephone or telegram of the date and time when the federal registration statement became effective and the content of the price amendment, if any, and shall file promptly a posteffective amendment containing the information and records in the price amendment. ~~federal registration statement is expected to become effective, the Administrator shall promptly advise the registrant, at the registrant's expense, whether all conditions are satisfied and whether the Administrator then contemplates the institution of a proceeding under NRS 90.510, but the advice by the Administrator does not preclude the institution of a proceeding for an order suspending the effectiveness of the registration statement. An order issued under this subsection is not retroactive.~~

~~8. The Administrator by regulation or order may waive or modify the application of a requirement of this section if a provision or an amendment, repeal or other alteration of the provisions of the Securities Act of 1933 for the registration of securities or of the regulations adopted under that act renders the waiver or modification appropriate for further coordination of state and federal registration.~~**]** **(Deleted by amendment.)**

AN ACT relating to deceptive trade practices; clarifying the authority of the Attorney General with respect to a deceptive trade practice; increasing certain civil penalties for engaging in a deceptive trade practice under certain circumstances; revising the statute of limitations for engaging in a deceptive trade practice; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law defines activities that constitute deceptive trade practices and provides for the imposition of civil and criminal penalties against persons who engage in deceptive trade practices. (Chapter 598 of NRS) Existing law authorizes the Attorney General to obtain a temporary restraining order, a preliminary or permanent injunction or other appropriate relief by bringing an action in the name of the State against a person the Attorney General has reason to believe has engaged or is engaging in a deceptive trade practice. (NRS 598.0963) **Section 1** of this bill clarifies that such other appropriate relief which the Attorney General may obtain includes, without limitation, the recovery of a civil penalty, disgorgement, restitution or the recovery of damages as parens patriae.

Existing law authorizes a court or the Director of the Department of Business and Industry or his or her designee, in certain actions and proceedings relating to the enforcement of the provisions prohibiting deceptive trade practices, to impose an additional maximum civil penalty of $12,500 for each violation if the court or the Director or his or her designee finds that a person has engaged in a deceptive trade practice directed toward an elderly person **,** ~~[or]~~ a person with a disability **~~[.]~~ or a minor person.** (NRS ~~[598.0973) Section]~~ **598.0973, 598.09735) Sections 1.5 and 1.7** of this bill ~~[increases]~~ **increase** the additional maximum civil penalty to ~~[$25,000]~~ **$15,000** if the deceptive trade practice was directed toward **a person with a disability and $25,000 if directed toward** an elderly person **~~[.]~~ or a minor person.**

Existing law authorizes the Commissioner of Consumer Affairs, the Director of the Department of Business and Industry, the district attorney of any county in this State or the Attorney General to recover a civil penalty not to exceed $5,000 if the court finds that a person has willfully engaged in a deceptive trade practice. (NRS 598.0999) **Section 2** of this bill increases the maximum civil penalty for such a willful violation to $15,000.

Existing law requires an indictment for the offense of engaging in certain trade practices punishable as a felony to be found, or an information or complaint to be filed, within 4 years after the commission of the offense. (NRS 171.085) **Section 3** of this bill imposes that requirement for all offenses involving the commission of any deceptive trade practice that is punishable as a felony. **Section 4** of this bill clarifies that the amendatory provisions of **section 3** apply to an offense committed: (1) before July 1, 2023, if the applicable statute of limitations has commenced but has not yet expired; and (2) on or after July 1, 2023.

SUMMARY—Revises provisions relating to custodial interrogations of children. (BDR ~~[14-229)]~~ **5-229)**

AN ACT relating to criminal procedure; prohibiting a peace officer or other person authorized to conduct a custodial interrogation of a child from making certain statements during a custodial interrogation of a child; providing that a statement by a child obtained in violation of such a prohibition is presumed involuntary and inadmissible in any criminal or juvenile proceeding; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law prescribes certain requirements relating to custodial interrogations. (NRS 62C.013, 171.1239) This bill prohibits a peace officer or other person authorized to conduct a custodial interrogation of a child from: (1) knowingly making certain materially false statements about evidence to a child who is the subject of a custodial interrogation; or (2) making certain express or implied promises of leniency or advantage to a child who is the subject of a custodial interrogation. This bill additionally creates a presumption that any statement by a child obtained in violation of this bill is involuntary and inadmissible in any criminal or juvenile proceeding. To overcome this presumption, the State must prove, by a preponderance of the evidence, that the statement was voluntary, reliable and not induced by a violation of this bill. Finally, this bill creates an exception to the prohibition created by this bill for circumstances in which: (1) the peace officer or other person who conducted the custodial interrogation reasonably believed that the information sought was necessary to protect life or property from an imminent threat; and (2) the questions asked by such a person were limited to those reasonably necessary to obtain information related to the imminent threat.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter ~~[171]~~ **62C** of NRS is hereby amended by adding thereto a new section to read as follows:

1. Except as otherwise provided in subsection 3, a peace officer or other person authorized to conduct a custodial interrogation of a child taken into custody shall not during a custodial interrogation of a child:

(a) Knowingly make a materially false statement about evidence that is reasonably likely to elicit an incriminating response from the child; or

Amendment No. 738.

SUMMARY— ~~[Revises provisions relating to]~~ **Establishes certain rights of persons compelled to submit to** certain mental or physical examinations. (BDR 54-819)

AN ACT relating to health care; establishing the substantive rights of a person compelled to submit to a mental or physical examination under certain circumstances; authorizing a person who has been aggrieved by the violation of certain rights to institute an action for injunctive and other appropriate relief ~~[;]~~ **in certain circumstances;** repealing provisions relating to a mental or physical examination required of certain persons in a civil action; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes an observer to be present at a mental or physical examination ordered by a court for the purpose of discovery in a civil action. The observer may: (1) be an attorney for the person undergoing the examination; and (2) make an audio or stenographic recording of the examination. (NRS 52.380) In 2021, the Nevada Supreme Court held that such a statute is unconstitutional because it: (1) is a procedural statute that does not create a substantive right; and (2) attempts to abrogate an existing rule of procedure that the court "prescribed under its inherent authority to regulate the judicial process." (*Lyft, Inc. v. Eighth Jud. Dist. Court*, 137 Nev. Adv. Op. 86, 501 P.3d 994, 1002 (2021); N.R.C.P. 35) **Section 2** of this bill repeals this statute.

Section 1 of this bill provides that, with certain exceptions, a person compelled to submit to a mental or physical examination pursuant to a court order, a contractual obligation or any other type of obligation has the right to: (1) receive notice of the examination at least 21 days before the date of the examination; (2) have an interpreter and certain observers present throughout the examination; (3) take notes or appoint an observer to take notes during the examination; and (4) after providing notice to the ~~[person conducting the examination,]~~ **examiner,** make certain recordings of the examination. **Section 1** further provides that the testimony or reports of the ~~[person conducting the examination]~~ **examiner** are not privileged communications.

Section 1 authorizes a person compelled to submit to a mental or physical examination to bring an action against a person who has violated the rights established by **section 1** ~~[and to]~~ **, if notice of the alleged violation is provided to that person not later than 7 days before the action is commenced. The person compelled to submit to a mental or physical examination may** obtain certain remedies in that action, including: (1) attorney's fees; (2) actual damages or a fine of $1,500, whichever is greater; (3) injunctive and protective relief; and (4) an order prohibiting the use of any information gathered during the examination in any judicial or administrative proceeding.

Finally, section 1 exempts from the requirements of section 1 certain compelled mental or physical examinations, including, without limitation, such an examination conducted by an examiner with whom the person

compelled to submit to the examination has a preexisting relationship as a patient or will have a future relationship as a patient.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Assembly Bill No. 340.

The following Senate amendment was read:

Amendment No. 677.

AN ACT relating to property; revising provisions relating to summary evictions; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

In general, existing law authorizes a landlord who seeks to recover possession of a premises from a tenant to do so by filing an unlawful detainer action or an action for summary eviction. (NRS 40.253, 40.254, 40.2542, 40.290-40.420) Existing law prescribes separate summary eviction procedures for the summary eviction of: (1) certain tenants who are not tenants of a commercial premises and who default in the payment of rent; (2) certain tenants who are guilty of unlawful detainer for reasons other than a default in the payment of rent; and (3) certain tenants of a commercial premises who default in the payment of rent. (NRS 40.253, 40.254, 40.2542)

In general, the summary eviction procedures prescribed by existing law require a landlord to provide certain written notice to a tenant: (1) informing the tenant that he or she must take certain action or surrender the premises on or before a date specified in the notice; and (2) advising the tenant of his or her right to contest the matter by filing an affidavit with the court that has jurisdiction over the matter. In so doing, the summary eviction procedures prescribed by existing law require a tenant who contests a summary eviction to file an affidavit in court concerning an action for summary eviction before a landlord is required to make any filing concerning the matter. If such an affidavit is filed, a hearing is held. If no such affidavit is filed, upon noncompliance of a tenant with the written notice, existing law authorizes: (1) the landlord to apply by affidavit of complaint for the summary eviction of the tenant; and (2) the court, without holding a hearing, to order the removal of the tenant within a prescribed period. (NRS 40.253, 40.254, 40.2542)

Section 22 of this bill repeals the summary eviction procedures prescribed by existing law for the summary eviction of: (1) certain tenants who are not tenants of a commercial premises and who default in the payment of rent; and (2) certain tenants who are guilty of unlawful detainer for reasons other than a default in the payment of rent. **Sections 2-6.5** of this bill reenact, reorganize and revise these procedures. **Section 2** of this bill establishes a new procedure for the summary eviction of certain tenants who are not tenants of a commercial premises and who default in the payment of rent. **Section 6.5** of this bill establishes a new procedure for the summary eviction of certain tenants who are guilty of unlawful detainer for reasons other than a default in the payment of rent.

The new procedures for summary eviction set forth in **sections 2 and 6.5** are similar to the procedures repealed by **section 22** except with regard to: (1) the required contents of a written notice; (2) certain requirements relating to filings made with the court; and (3) the period of time before the removal of a tenant.
