Amendment No. 136.

AN ACT relating to education; requiring annual reports of accountability for public schools to include information relating to requests for variances from prescribed maximum pupil-teacher **and pupil-school counselor** ratios; making certain requirements relating to pupil-teacher ratios applicable to

charter schools and university schools for profoundly gifted pupils; revising or prescribing the maximum pupil-teacher ratios for certain classes and grades ~~[,]~~ **and the maximum pupil-school counselor ratio for a school;** revising the procedure to request a variance from requirements concerning maximum ~~[pupil-teacher]~~ ratios; revising certain reporting requirements relating to pupil-teacher **and pupil-school counselor** ratios; ~~[removing authorization for certain smaller school districts to comply with the alternative maximum pupil-teacher ratios;]~~ eliminating certain requirements relating to the distribution of money for the reduction of pupil-teacher ratios; requiring the development of certain guidance concerning the reduction of pupil-teacher **and pupil-school counselor** ratios; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law prescribes the maximum ratio of pupils per teacher in classes where core curriculum is taught in kindergarten and grades 1, 2 and 3. Existing law requires any school district that includes one or more elementary schools which exceed those maximum ratios or certain other maximum pupil-teacher ratios approved by the Legislature to request a variance from the State Board of Education for the next quarter of the school year. Existing law requires each school district to submit to the State Board a plan to reduce teacher-pupil ratios within the district. (NRS 388.700) Existing law requires the State Board to establish by regulation maximum pupil-teacher ratios for each grade other than kindergarten and grades 1, 2 and 3. (NRS 387.1234)

Sections ~~[3-9]~~ **3-5 and 6-9** of this bill make provisions relating to pupil-teacher ratios additionally applicable to charter schools and university schools for profoundly gifted pupils. **Section 5** of this bill makes requirements governing maximum pupil-teacher ratios apply to each campus of a school that operates at different campuses. ~~[Section 5 also increases the maximum ratio of pupils per licensed teacher in classes where core curriculum is taught: (1) from 16 to 1 to 18 to 1 in kindergarten; (2) from 16 to 1 to 20 to 1 in grades 1 and 2; and (3) from 18 to 1 to 20 to 1 in grade 3.]~~ **Section 5** additionally prescribes the maximum ratios of pupils per licensed teacher in English language arts and mathematics of: (1) 25 to 1 in grades 4, 5 and 6; and (2) 30 to 1 in grades 7-12. **Section 5.5 of this bill expands such maximum ratios of pupils per licensed teacher to include science and social science teachers. Section 5 also prescribes the maximum ratio of pupils per school counselor in a school or campus to 250 to 1 and requires a school district to request a variance to exceed such a ratio.** **Section 5** reduces from quarterly to annually the frequency with which a school district, charter school or university school for profoundly gifted pupils is required to request a variance. **Section 5** additionally requires a school district, charter school or university school for profoundly gifted pupils that is granted a variance to submit a report on or before April 15 explaining the changes in the ratio of pupils per licensed teacher **or pupils per school counselor** that occurred throughout the school year. **Sections 5 and 9** of this bill revise various reporting requirements concerning pupil-teacher ratios **and pupil-school counselor ratios** and

requests for a variance from provisions establishing maximum pupil-teacher ratios ~~[.]~~ **and pupil-school counselor ratios.**

Existing law requires: (1) each board of trustees of a school district or sponsor of a charter school to prepare an annual report of accountability for the schools within the district or the charter schools sponsored by the sponsor, as applicable; and (2) the State Board of Education to prepare an annual report of accountability for the public schools in this State. (NRS 385A.070, 385A.400) **Sections 1 and 2** of this bill require such reports to include certain information related to requests for variances from requirements governing pupil-teacher ratios ~~[.]~~ **and pupil-school counselor ratios.**

Existing law requires each school district to submit to the State Board a plan to reduce the district's pupil-teacher ratio. (NRS 388.720) **Section 7** of this bill revises this requirement to apply to each school district, charter school or university school for profoundly gifted pupils that operates one or more schools or campuses for which the pupil-teacher ratio exceeds a maximum pupil-teacher ratio prescribed by **section 5** ~~[.~~

~~Existing law authorizes a school district in a county whose population is less than 100,000 (currently all counties other than Clark and Washoe Counties) to submit to the State Board a plan to comply with alternative pupil-teacher ratios, which are larger than the pupil-teacher ratios that are otherwise required. (NRS 388.720) Section 7 eliminates the ability for such a school district to comply with such an alternative ratio, thereby requiring all school districts in this State to comply with the same maximum pupil-teacher ratios. Sections 3, 9 and 10 of this bill remove references and other language relating to such alternative ratios.]~~ **and requires a similar plan be submitted if the pupil-school counselor ratio exceeds the maximum pupil-school counselor ratio prescribed in section 5.**

Existing law requires the Department of Education to develop certain policies, procedures and guidance concerning the reduction of class sizes and compliance with prescribed pupil-teacher ratios. (NRS 388.723) **Section 8** of this bill requires such guidance to include guidance concerning the use of money over which school districts, charter schools and university schools for profoundly gifted pupils have discretion for the purpose of reducing pupil-teacher ratios ~~[.]~~ **and pupil-school counselor ratios. Section 8** also eliminates requirements that the Department: (1) develop policies and procedures for the distribution of money to each school district for the reduction of pupil-teacher ratios; and (2) communicate with the board of trustees of each school district regarding the expectations of the Department for the use of such money.

Existing law requires the State Board to develop nonbinding recommendations for the ratio of pupils per teacher and specialized instructional support personnel in public schools in this State. (NRS 388.890) Section 9.2 of this bill requires the State Board to prescribe a suggested ratio of pupils per school counselor in the nonbinding recommendations that does not exceed the ratio set forth in section 5.

Existing law requires the board of trustees of a school district in a county whose population is 100,000 or more (currently Clark and Washoe Counties) to develop a plan to improve the ratio of pupils to specialized instructional support personnel to meet the ratio recommended by the State Board and submit a report to the Department on the implementation of the plan. (NRS 388.892) Section 9.5 of this bill requires the board of trustees of each school district to develop such a plan and submit such a report.

AN ACT relating to education; revising provisions relating to reports regarding and investigations into incidents of discrimination based on race, bullying and cyber-bullying; revising provisions governing the approval of work-based learning programs; revising ~~[provisions governing performance evaluations of certain postprobationary teachers and administrators;]~~ **the requirement for children of a certain age to attend a public school;** revising provisions governing the placement of children in certain early grades; ~~[revising provisions relating to discipline in public schools;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes the Office for a Safe and Respectful Learning Environment in the Department of Education and requires the Director of the Office to investigate any complaint that a teacher, administrator, coach or other staff member or member of a governing body has violated applicable provisions of law regarding discrimination based on race, bullying or cyber-bullying. (NRS 388.1323) Existing law also requires the Director to establish the SafeVoice Program within the Office, which allows a person to make an anonymous report to a support center regarding dangerous, violent or unlawful activity that is conducted, or is threatened to be conducted, on the property of a public school or in certain other circumstances related to public schools. (NRS 388.1455) Any anonymous tip made through the SafeVoice Program is then forwarded to the appropriate public safety agencies and certain trained personnel at the public school for appropriate action to be taken. (NRS 388.14553) **Section 3** of this bill provides that the Director is not required to investigate a complaint that a teacher, administrator, coach or other staff member or member of a governing body has violated applicable provisions of law regarding discrimination based on race, bullying or cyber-

bullying if the complaint is made through the SafeVoice Program and investigated by certain trained personnel at the public school, unless the complaint alleges that a previous investigation of the same matter by the personnel at the public school failed to resolve the issue or was otherwise deficient.

Section 2 of this bill revises the definition of "bullying" to exclude acts, gestures and expressions which are engaged in as part of a mutual disagreement or conflict.

Upon receiving a report of discrimination based on race, bullying or cyber-bullying, existing law requires the administrator of a school or his or her designee to immediately begin an investigation into the report. With certain exceptions, existing law requires the investigation to be completed not later than 2 school days after receipt of the report. (NRS 388.1351) **Section 6** of this bill requires the investigation to be completed, to the greatest extent practicable, within 5 school days after the administrator or designee receives the report, or within 7 school days if extenuating circumstances prevent the investigation from being completed within 5 school days. **Section 6** also removes the requirement for a direct supervisor of a principal to submit to the Office a quarterly report regarding incidents of discrimination based on race, bullying or cyber-bullying.

Existing law authorizes the board of trustees of a school district or the governing body of a charter school to offer a work-based learning program upon the approval of the State Board of Education. (NRS 389.167) **Section 9** of this bill requires a work-based learning program to be approved instead by the Superintendent of Public Instruction.

~~[Existing law requires a postprobationary teacher or administrator who receives an evaluation designating his or her overall performance as highly effective for 2 consecutive school years to participate in one observation cycle in the school year immediately following the school year in which the postprobationary teacher or administrator receives a second consecutive evaluation designating his or her performance as highly effective but does not require such a teacher or administrator to receive an evaluation for that year. (NRS 391.690, 391.710) Sections 10 and 11 of this bill authorize such a postprobationary teacher or administrator to receive an evaluation in the school year immediately following the school year in which the postprobationary teacher or administrator receives a second consecutive evaluation designating his or her performance as highly effective upon the request of the teacher or administrator or at the discretion of the administrator who conducts the observation cycle for that year.]~~

Existing law requires a child to be a certain age on or before the first day of the school year to be admitted to certain early grades of school. (NRS 392.040) **Section 12** of this bill changes the date by which a child must attain a certain age to start certain early grades from the first day of the school year to August 1 **of the school year, or if August 1 does not occur during a school year, on or before August 1** preceding a school year.

Existing law **, in general,** requires a child ~~[who is 6 years of age on or before the first day of school and has not completed kindergarten to be admitted to kindergarten. (NRS 392.040) Section 12 instead requires such a child to undergo an assessment to determine whether the child should be admitted to kindergarten or first grade.~~

~~Existing law requires a child who is 7 years of age on or before the first day of school to: (1) be admitted to second grade if the child has completed kindergarten and first grade; (2) be admitted to first grade if the child has completed kindergarten; and (3) if the child has not completed kindergarten, to undergo an assessment to determine whether the child should be admitted to kindergarten or first grade. (NRS 392.040) Section 12: (1) eliminates the requirement for a child who is 7 years of age by August 1 preceding a school year to complete kindergarten; and (2) requires such a child who has not completed first grade to be placed in either first or second grade based on the results of an assessment.~~

~~Existing law establishes provisions related to the discipline of pupils, including, without limitation, suspending, expelling or removing a pupil from school. (NRS 392.461-392.472) Existing law prohibits a public school from suspending, expelling or removing a pupil from a classroom or other premises of the school without first providing a plan of action based on restorative justice. (NRS 392.472) Section 15 of this bill removes the requirement for a public school to provide a plan of action based on restorative justice before suspending, expelling or removing a pupil from a classroom or other premises of the school and requires a public school to instead consider whether restorative approaches should be used as an alternative or in addition to suspending or expelling a pupil or removing a pupil from a classroom or other premises of the school. Section 15 defines "restorative approaches" and requires the Department to develop examples of disciplinary practices in which restorative approaches are used as an alternative or in addition to suspending or expelling a pupil or removing a pupil from a classroom or other premises of the school. Sections 1, 4, 5, 7, 8, 13 and 14 of this bill make conforming changes relating to restorative approaches.~~ **between 7 and 18 years of age to attend public school. (NRS 392.040) Section 12.5 of this bill revises this provision to require each child to begin attending public school once the child is 6 years of age, rather than 7 years of age. Section 15.5 of this bill requires a child who is 6 years of age or older on or before August 1, 2024, and enrolls in public school for the first time to be admitted to kindergarten or first grade.**

Amendment adopted.

Bill ordered reprinted, engrossed and to third reading.

Assembly Bill No. 85.

Bill read second time.

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 267.

AN ACT relating to health care; creating the Independent Commission on Rates for Health Care Services; establishing procedures for fixing the rates charged by hospitals, independent centers for emergency medical care and surgical centers for ambulatory patients for certain goods and services **[.]** **provided to certain patients;** authorizing the imposition of a civil penalty and initiation of disciplinary action against such a facility that fails to comply with provisions concerning rate fixing; creating certain causes of action to enforce those provisions; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law prescribes a procedure to determine the amount that a third party which provides health coverage to a person is required to pay to an out-of-network hospital, independent center for emergency medical care or other

provider of health care for medically necessary emergency services rendered to that person. (NRS 439B.700-439B.760) Existing law also requires certain major hospitals to reduce the total billed charge by at least 30 percent for hospital services provided to certain patients who have no insurance or other contractual agreement for the payment of the charges by a third party that provides health coverage. (NRS 439B.260) **Sections 2-13** of this bill establish procedures to fix rates charged by hospitals, independent centers for emergency medical care and surgical centers for ambulatory patients for goods and services that are reimbursable through Medicare when provided to a patient who is ~~[~~: (1) not indigent; and (2) not covered by Medicare or Medicaid.~~]~~ **covered by the Public Employees' Benefits Program. Section 27.5 of this bill additionally applies those fixed rates to such goods and services when provided to a patient who is covered by the Public Option, when the Public Option begins operating on January 1, 2026.** **Sections 3-5** of this bill define necessary terms. **Section 6** of this bill creates the Independent Commission on Rates for Health Care Services, which consists of members who are representatives of various health care and business entities. **Section 7** of this bill establishes procedures governing the meetings and operations of the Independent Commission.

Section 8 of this bill generally prohibits hospitals, independent centers for emergency medical care and surgical centers for ambulatory patients from charging rates different from those fixed under **sections 2-13** ~~[.]~~ **for services provided to patients to whom such fixed rates apply.** **Section 9** of this bill requires the Independent Commission to fix rates to ensure that each health care facility is able to cover reasonable costs, earn a fair and reasonable profit and provide fair and adequate compensation to its employees. **Section 9** requires the Independent Commission to generally: (1) presume that the rates paid by Medicare allow a health care facility to cover reasonable costs, earn a fair and reasonable profit and provide fair and adequate compensation to employees; and (2) fix rates at that amount. However, **section 9** authorizes a health care facility to request a different rate if the health care facility determines the rates paid by Medicare do not allow the health care facility to cover reasonable costs, earn a fair and reasonable profit and provide fair and adequate compensation to employees. **Section 10** of this bill: (1) requires the Division of Health Care Financing and Policy of the Department of Health and Human Services to evaluate such requests; and (2) prescribes the procedure for evaluating such a request and the criteria that the Division is required to consider during the evaluation. **Section 11** of this bill: (1) requires the Division to make a recommendation on the request to the Independent Commission; (2) requires the Independent Commission to review that recommendation and issue an order fixing rates for the health care facility that requested a different rate; and (3) prescribes the procedure and requirements concerning such a recommendation and order relating to such a request. **Section 11** provides that such an order is valid for 1 year and authorizes a health care facility to request to renew a rate. **Section 11.5 of this bill requires the Independent**

Commission to annually submit to the Legislature a report concerning the impacts of rate fixing in accordance with sections 2-13.

Section 12 of this bill requires the Division to adopt certain regulations governing rate fixing, including regulations establishing civil penalties to be imposed against a health care facility that violates provisions governing rate fixing. **Sections 13 and 21** of this bill provide for the imposition of disciplinary action against a health care facility for such a violation. **Section 13** also authorizes: (1) the Division or Attorney General to maintain a suit for an injunction against such a violation; and (2) any person or entity injured by such a violation to maintain a suit for damages. **Sections ~~[~~14,~~]~~ 15 , 17 and ~~[~~22-27~~]~~ 22-27.4** of this bill make conforming changes to clarify the application of or remove existing provisions concerning the rates that a health care facility may charge for certain services. ~~[Sections 16-20 and 30 of this bill remove the applicability of provisions that establish a procedure for determining rates for medically necessary emergency medical care to hospitals and independent centers for emergency medical care because sections 2-13 require the Independent Commission to fix the rates for such care.]~~

3. A health care facility shall not provide any person with a discount, incentive or price reduction or enter into any arrangement where the effective amount paid to the health care facility for goods or services is different from the rate established for those goods or services pursuant to sections 2 to 13, inclusive, of this act.

4. To the extent of their applicability, the provisions of sections 2 to 13, inclusive, of this act supersede any other provision of law relating to the rates charged by a health care facility, including, without limitation, provisions requiring or authorizing reduced or discounted rates.

Sec. 9. ***1. The Independent Commission shall fix rates pursuant to sections 2 to 13, inclusive, of this act to ensure that each health care facility is able to cover reasonable costs, earn a fair and reasonable profit and provide fair and adequate compensation to employees. If a health care facility does not request a different rate pursuant to subsection 2, the Independent Commission shall:***

(a) Presume that the rates at which Medicare provides reimbursement for the goods and services provided by the health care facility allow the health care facility to cover reasonable costs, earn a fair and reasonable profit and provide fair and adequate compensation to employees; and

(b) Fix the rates that the health care facility may charge for goods or services at rates equal to the rates set forth in paragraph (a).

2. A health care facility which determines that the rates set forth in paragraph (a) of subsection 1 do not allow the health care facility to cover reasonable costs, earn a fair and reasonable profit and provide fair and adequate compensation to employees may, on or before March 1 of any year, submit to the Independent Commission a request for a rate different from the rate set forth in paragraph (a) of subsection 1. A request for different rates ~~[:~~

(1) A multiplier of the rates at which Medicare provides reimbursement which applies to all goods and services provided by the health care facility; or

(2) Two separate multipliers of the rates at which Medicare provides reimbursement, one of which applies to goods and services provided to inpatients by the health care facility and the other of which applies to goods and services provided to outpatients by the health care facility; and

Sec. 10. *1. The Independent Commission shall refer requests submitted pursuant to subsection 2 of section 9 of this act to the Division for evaluation pursuant to this section.*

2. When evaluating requests submitted pursuant to subsection 2 of section 9 of this act, the Division shall ensure that each health care facility is able to cover reasonable costs and earn a fair and reasonable profit and that the employees of the facility are able to receive fair and adequate compensation. The health care facility that submitted the request has the burden of demonstrating that the health care facility will not cover reasonable costs, earn a fair and reasonable profit or provide fair and adequate compensation to employees charging the rates set forth in paragraph (a) of subsection 1 of section 9 of this act. When determining whether a health care facility has met that burden and, if so, the appropriate rate, the Division shall consider, without limitation:

(a) The relative populations of persons and entities who pay for goods and services provided by the health care facility and the relative amounts of reimbursement paid by those persons and entities;

(b) Where applicable, the disparities in compensation between providers of primary care and specialty services or between providers of different types of specialty services;

(c) The effectiveness and efficiency of the services provided by the health care facility;

(d) Any financial hardship that rapidly reducing the rates that a health care facility is authorized to charge would impose upon the health care facility;

(e) The extent to which the health care facility provides care to patients who are more vulnerable or who suffer from comorbidities that make treatment more difficult;

(f) The emphasis placed by the health care facility on promoting population health;

(g) Issues relating to the health care workforce and quality of jobs in health care; and

(h) Any other criteria prescribed by the regulations adopted pursuant to section 12 of this act.

3. When evaluating a request submitted pursuant to subsection 2 of section 9 of this act, the Division:

(a) May request from the health care facility any information that the Division determines to be necessary to make its recommendation; and

(b) Shall solicit input on the request from affected persons and entities, including, without limitation, insurers and patients.

Sec. 11. *1. After evaluating a request pursuant to section 10 of this act, the Division shall issue a recommendation to the Independent Commission to:*

(a) Deny the request and fix rates for the health care facility in the amount set forth in paragraph (a) of subsection 1 of section 9 of this act, which recommendation must state the reasons therefor;

(b) Fix the rates as requested by the health care facility pursuant to subsection 2 of section 9 of this act; or

(c) Fix specified rates for the health care facility that are different from the rates requested by the health care facility pursuant to subsection 2 of section 9 of this act.

2. A recommendation issued pursuant to subsection 1 concerning a request submitted pursuant to subsection 2 of section 9 of this act must be made on or before April 1 of the year in which the request was filed.

3. (a) Denies the request and fixes rates for the health care facility in the amount set forth in paragraph (a) of subsection 1 of section 9 of this act and states the reasons therefor;

(b) Fixes the rates as requested by the health care facility pursuant to subsection 2 of section 9 of this act;

(c) Fixes specified rates for the health care facility that are different from the rates requested by the health care facility pursuant to subsection 2 of section 9 of this act; or

(d) Requests the Division to evaluate the request again under conditions specified by the Independent Commission and issue a new recommendation to the Independent Commission.

4. If the Independent Commission requests the Division to reevaluate a request and issue a new recommendation, the Division shall issue its new recommendation not later than 15 days after the issuance of the order by the Independent Commission pursuant to paragraph (d) of subsection 3. The Independent Commission shall issue a new order not later than 15 days after receiving the new recommendation. Such an order may take any action described in paragraph (a), (b) or (c) of subsection 3.

5. All rates fixed by the Independent Commission ~~[are]~~ :

(a) Must be in a form described in paragraph (b) of subsection 2 of section 9 of this act; and

(b) Are in force, and are prima facie lawful, from the date of the order until 1 year after that date.

6. The Division shall publish all rates fixed by the Independent Commission pursuant to this section or section 9 of this act on an Internet website maintained by the Division.

7. A health care facility may request to renew a fixed rate on or before March 1 of the year in which the rate is set to expire. The health care facility has the burden of demonstrating that the health care facility will not cover reasonable costs, earn a fair and reasonable profit or provide fair and adequate compensation to employees charging the rates set forth in paragraph (a) of subsection 1 of section 9 of this act.

Sec. 11.5. On or before July 30 of each even-numbered year, the Independent Commission shall:

1. Any information that must be included in a request made pursuant to subsection 2 of section 9 of this act;

2. The procedure and specific criteria, in addition to those prescribed by section 10 of this act, that the Division will and the Independent Commission must use when considering such a request;

3. A streamlined process for making and considering a request pursuant to subsection 7 of section 11 of this act to renew a rate established by the Independent Commission; and

4. Civil penalties that may be imposed against a health care facility that charges a rate different from those established for the health care facility pursuant to sections 2 to 13, inclusive, of this act.

Sec. 13. ***1. The Division may report any failure by a health care facility to comply with the provisions of sections 2 to 13, inclusive, of this act to the Division of Public and Behavioral Health of the Department for the initiation of disciplinary proceedings.***

2. The Division or the Attorney General may maintain in any court of competent jurisdiction a suit to enjoin any person from charging rates different from those established for the health care facility under the provisions of sections 2 to 13, inclusive, of this act. Such an injunction:

Amendment No. 324.

CONTAINS UNFUNDED MANDATE (§§ ~~[9, 10,]~~ 32, 33)

(NOT REQUESTED BY AFFECTED LOCAL GOVERNMENT)

AN ACT relating to child welfare; prescribing qualifications for magistrates who make certain determinations concerning child custody; providing for the appointment of a guardian ad litem for an incapacitated parent or other person responsible for the welfare of a child in certain child welfare proceedings; revising the titles of certain officials appointed to oversee proceedings concerning juveniles and child support; prescribing the procedure for the judicial review of the placement of a child who is in the custody of an agency which provides child welfare services in a qualified residential treatment program; revising the procedures governing the court-ordered admission of such a child who has an emotional disturbance to certain psychiatric facilities and the release of such a child from such a facility; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires a court to follow certain procedures concerning how to determine custody when a magistrate determines probable cause exists that a party to the custody proceeding has committed an act of abduction against a child. (NRS 125C.0035, 125C.240, 432B.159) **Sections 2, 3 and 44** of this bill require the magistrate who makes such a determination to be a magistrate who has the power to issue a criminal arrest warrant.

Upon the filing of a petition that a child is in need of protection, existing law requires the appointment of a guardian ad litem to represent and protect the best interests of the child during the child welfare proceedings. (NRS 432B.500) **Sections ~~[9, 10,]~~ 32 and 33** of this bill prescribe a procedure for the appointment of a guardian ad litem to represent the best interests of ~~[:~~ ~~(1) a parent who is incapacitated in a proceeding to terminate parental rights; or (2)]~~ a parent or other person responsible for the welfare of a child who is incapacitated during a child welfare proceeding. ~~[Sections 11 and]~~ **Section 34** of this bill ~~[require]~~ **requires** a guardian ad litem appointed for a parent or other person responsible for the welfare of a child to act in the best interests of the parent or other person after considering the wishes of the parent or other person. ~~[Sections 11 and]~~ **Section 34** additionally: (1) ~~[provide]~~ **provides** that

communications between a parent or other person responsible for the welfare of a child and his or her guardian ad litem are privileged; and (2) ~~[prohibit]~~ **prohibits** a guardian ad litem from taking any action to **relinquish parental rights,** effectuate a termination of parental rights or consent to a specific adoption ~~[.]~~ **on behalf of the person for whom the guardian ad litem is appointed.**

In general, existing law provides that information maintained by an agency which provides child welfare services is confidential and may only be disclosed under certain circumstances. (NRS 432B.290) **Section 46** of this bill authorizes the disclosure of information maintained by an agency which provides child welfare services to the ~~[guardian ad litem of a parent or]~~ legal guardian of a child appointed pursuant to **section 32** under certain circumstances.

Existing law authorizes, and in certain circumstances, requires a court to appoint a master to preside over child support proceedings. (NRS 3.405, 425.381) Existing law also authorizes a court to appoint a master to preside over certain proceedings concerning juveniles. (NRS 62B.020) **Sections 17, 21, 22, 29 and 74** of this bill revise the title of those appointed officials to "child support magistrate" and "juvenile magistrate," respectively, without changing the duties of those positions. **Sections 1, 4-7, 12-16, 18, 19, 23-26, 48, 68 and 69** make various changes to conform to the terminology revised by **sections 17, 21, 22, 29 and 74**. **Section 71.5 of this bill provides that the change in the name of an appointed official from "master" to "child support magistrate" must not be construed to require the Division of Welfare and Supportive Services of the Department of Health and Human Services to modify any of the forms generated by the computer systems of the Division for the purpose of changing the term "master" to the term "magistrate."**

Existing law authorizes the placement of a child who is in need of protection in the protective custody of an agency which provides child welfare services under certain circumstances. (NRS 432B.390) If a court finds that such a child is in need of protection, existing law authorizes the court to place the child with certain entities, including a public agency or institution authorized to care for children. (NRS 432B.550) Existing law prescribes procedures governing the placement of a child who is in need of protection and requires such placement to be reviewed semiannually. (NRS 432B.450, 432B.580) Existing law also requires a court overseeing proceedings concerning such a child to hold an annual hearing concerning the permanent placement of the child. (NRS 432B.590) Existing federal law defines "qualified residential treatment program" to mean a program that: (1) provides trauma-informed treatment of children with serious emotional or behavioral disorders or disturbances; (2) has clinical staff available 24 hours a day and 7 days a week; and (3) meets certain other requirements. (42 U.S.C. § 672(k)(4)) **Section 31** of this bill adopts that federal definition, and **section 43** of this bill makes a conforming change to indicate the proper placement of **section 31** in the Nevada Revised

Statutes. **Section 52** of this bill makes a conforming change to remove a definition of the term "qualified residential treatment program" that duplicates the definition prescribed in **section 31**. **Sections 35, 50 and 51** of this bill require a court to review the appropriateness of the placement of a child who is in the custody of an agency which provides child welfare services in a qualified residential treatment program: (1) not later than 60 days after the beginning of the placement; (2) as part of each semiannual review concerning the temporary placement of the child; and (3) at each annual hearing concerning the permanent placement of the child. **Sections 20, 45 and 47-49** of this bill make conforming changes to indicate the proper placement of **sections 32-35** in the Nevada Revised Statutes.

Existing law prescribes the procedure for: (1) placing a person who is in a mental health crisis on a mental health crisis hold for assessment, evaluation, intervention and treatment at a hospital or mental health facility; (2) the emergency admission of such a person to a mental health facility; and (3) the involuntary court-ordered admission of such a person to a mental health facility or assisted outpatient treatment. (NRS 433A.145-433A.345) Existing law prescribes a separate procedure for the involuntary court-ordered admission of a child with an emotional disturbance who is in the custody of an agency which provides child welfare services to certain psychiatric facilities. (NRS 432B.607-432B.6085) **Sections 37-40 and 54-57** of this bill revise the latter procedure to provide separate procedures for: (1) the involuntary court-ordered admission of such a child for nonemergency mental health treatment; and (2) the continuation of the emergency admission of such a child for longer than 5 days. **Sections 37, 39, 54 and 56** of this bill authorize a physician, **a psychiatrist,** a psychologist ~~[, a physician assistant under the supervision of a psychologist]~~ or an advanced practice registered nurse ~~[or clinical social worker]~~ who possesses certain training to conduct certain examinations in the course of those procedures. ~~[Sections]~~ **Section 70** ~~[and 71]~~ of this bill ~~[make]~~ **makes** conforming changes to indicate the applicability of the training requirements for ~~[such]~~ an advanced practice registered nurse **.** ~~[or clinical social worker.]~~

Sections 38 and 55 of this bill authorize the court to order the nonemergency admission or continued emergency admission, respectively, of a child with an emotional disturbance who is in the custody of an agency which provides child welfare services if the court finds by clear and convincing evidence that the child presents a substantial likelihood of serious harm to himself or herself or others and certain other requirements are met. **Section 36** of this bill prescribes the manner in which to determine whether a child presents a substantial likelihood of serious harm to himself or herself or others for those purposes. **Sections 41 and 58** of this bill provide for the expiration and renewal of an order for nonemergency mental health treatment or to continue an emergency admission, as applicable. **Sections 41 and 58** also authorize the release of a child who has been admitted to a facility under such an order under certain circumstances, and **section 75** of this bill repeals: (1) existing provisions

governing the release of a child with an emotional disturbance who is in the custody of an agency which provides child welfare services from a facility; and (2) additional provisions of existing law which are duplicative of the provisions of **sections 37-40 and 54-57**.

Sections 42 and 59 of this bill require a facility to which a child who is in the custody of an agency which provides child welfare services is admitted under an involuntary court-ordered admission or a continued emergency admission to develop a written plan for the continued care ~~[,]~~ **or** treatment ~~[and training]~~ of the child upon discharge from the facility. **Sections 53 and 62** of this bill make conforming changes to indicate the proper placement of **sections** ~~[36-42]~~ **35.3-42** in the Nevada Revised Statutes. **Sections 27, 28, 60, 61 and 63-67** of this bill make other conforming changes to indicate the continued applicability of certain provisions of existing law to the procedures created by **sections 37-40 and 54-57**.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 125B.200 is hereby amended to read as follows:

125B.200 As used in NRS 125B.200 to 125B.300, inclusive, unless the context otherwise requires:

1. "Court" includes a referee or ~~[master]~~ ***magistrate*** appointed by the court.

2. "Minor child" means a person who is:

(a) Under the age of 18 years;

(b) Under the age of 19 years, if the person is enrolled in high school;

(c) Under a legal disability; or

(d) Not declared emancipated pursuant to NRS 129.080 to 129.140, inclusive.

3. "Obligor-parent" means a parent who has been ordered by a court to pay for the support of a minor child.

Sec. 2. NRS 125C.0035 is hereby amended to read as follows:

125C.0035 1. In any action for determining physical custody of a minor child, the sole consideration of the court is the best interest of the child. If it appears to the court that joint physical custody would be in the best interest of the child, the court may grant physical custody to the parties jointly.

2. Preference must not be given to either parent for the sole reason that the parent is the mother or the father of the child.

3. The court shall award physical custody in the following order of preference unless in a particular case the best interest of the child requires otherwise:

(a) To both parents jointly pursuant to NRS 125C.0025 or to either parent pursuant to NRS 125C.003. If the court does not enter an order awarding joint physical custody of a child after either parent has applied for joint physical custody, the court shall state in its decision the reason for its denial of the parent's application.

(b) To a person or persons in whose home the child has been living and where the child has had a wholesome and stable environment.

(c) To any person related within the fifth degree of consanguinity to the child whom the court finds suitable and able to provide proper care and guidance for the child, regardless of whether the relative resides within this State.

(d) To any other person or persons whom the court finds suitable and able to provide proper care and guidance for the child.

4. In determining the best interest of the child, the court shall consider and set forth its specific findings concerning, among other things:

(a) The wishes of the child if the child is of sufficient age and capacity to form an intelligent preference as to his or her physical custody.

(b) Any nomination of a guardian for the child by a parent.

(c) Which parent is more likely to allow the child to have frequent associations and a continuing relationship with the noncustodial parent.

(d) The level of conflict between the parents.

(e) The ability of the parents to cooperate to meet the needs of the child.

(f) The mental and physical health of the parents.

(g) The physical, developmental and emotional needs of the child.

(h) The nature of the relationship of the child with each parent.

(i) The ability of the child to maintain a relationship with any sibling.

(j) Any history of parental abuse or neglect of the child or a sibling of the child.

(k) Whether either parent or any other person seeking physical custody has engaged in an act of domestic violence against the child, a parent of the child or any other person residing with the child.

(l) Whether either parent or any other person seeking physical custody has committed any act of abduction against the child or any other child.

5. Except as otherwise provided in subsection 6 or NRS 125C.210, a determination by the court after an evidentiary hearing and finding by clear and convincing evidence that either parent or any other person seeking physical custody has engaged in one or more acts of domestic violence against the child, a parent of the child or any other person residing with the child creates a rebuttable presumption that sole or joint physical custody of the child by the perpetrator of the domestic violence is not in the best interest of the child. Upon making such a determination, the court shall set forth:

(a) Findings of fact that support the determination that one or more acts of domestic violence occurred; and

(b) Findings that the custody or visitation arrangement ordered by the court adequately protects the child and the parent or other victim of domestic violence who resided with the child.

6. If after an evidentiary hearing held pursuant to subsection 5 the court determines that each party has engaged in acts of domestic violence, it shall, if possible, then determine which person was the primary physical aggressor. In

determining which party was the primary physical aggressor for the purposes of this section, the court shall consider:

(a) All prior acts of domestic violence involving either party;

(b) The relative severity of the injuries, if any, inflicted upon the persons involved in those prior acts of domestic violence;

(c) The likelihood of future injury;

(d) Whether, during the prior acts, one of the parties acted in self-defense; and

(e) Any other factors which the court deems relevant to the determination.

➥ In such a case, if it is not possible for the court to determine which party is the primary physical aggressor, the presumption created pursuant to subsection 5 applies to both parties. If it is possible for the court to determine which party is the primary physical aggressor, the presumption created pursuant to subsection 5 applies only to the party determined by the court to be the primary physical aggressor.

7. A determination by the court after an evidentiary hearing and finding by clear and convincing evidence that either parent or any other person seeking physical custody has committed any act of abduction against the child or any other child creates a rebuttable presumption that sole or joint physical custody or unsupervised visitation of the child by the perpetrator of the abduction is not in the best interest of the child. If the parent or other person seeking physical custody does not rebut the presumption, the court shall not enter an order for sole or joint physical custody or unsupervised visitation of the child by the perpetrator and the court shall set forth:

(a) Findings of fact that support the determination that one or more acts of abduction occurred; and

(b) Findings that the custody or visitation arrangement ordered by the court adequately protects the child and the parent or other person from whom the child was abducted.

8. For the purposes of subsection 7, any of the following acts constitute conclusive evidence that an act of abduction occurred:

(a) A conviction of the defendant of any violation of NRS 200.310 to 200.340, inclusive, or 200.359 or a law of any other jurisdiction that prohibits the same or similar conduct;

(b) A plea of guilty or nolo contendere by the defendant to any violation of NRS 200.310 to 200.340, inclusive, or 200.359 or a law of any other jurisdiction that prohibits the same or similar conduct; or

(c) An admission by the defendant to the court of the facts contained in the charging document alleging a violation of NRS 200.310 to 200.340, inclusive, or 200.359 or a law of any other jurisdiction that prohibits the same or similar conduct.

9. If, after a court enters a final order concerning physical custody of the child, a magistrate determines there is probable cause to believe that an act of abduction has been committed against the child or any other child and that a person who has been awarded sole or joint physical custody or unsupervised

visitation of the child has committed the act, the court shall, upon a motion to modify the order concerning physical custody, reconsider the previous order concerning physical custody pursuant to subsections 7 and 8.

10. As used in this section:

(a) "Abduction" means the commission of an act described in NRS 200.310 to 200.340, inclusive, or 200.359 or a law of any other jurisdiction that prohibits the same or similar conduct.

(b) "Domestic violence" means the commission of any act described in NRS 33.018.

(c) "Magistrate" has the meaning ascribed to it in NRS 169.095.

Sec. 3. NRS 125C.240 is hereby amended to read as follows:

125C.240 1. A determination by the court after an evidentiary hearing and finding by clear and convincing evidence that either parent or any other person seeking custody of a child has committed any act of abduction against the child or any other child creates a rebuttable presumption that sole or joint custody or unsupervised visitation of the child by the perpetrator of the abduction is not in the best interest of the child. If the parent or other person seeking custody does not rebut the presumption, the court shall not enter an order for sole or joint custody or unsupervised visitation of the child by the perpetrator and the court shall set forth:

(a) Findings of fact that support the determination that one or more acts of abduction occurred; and

(b) Findings that the custody or visitation arrangement ordered by the court adequately protects the child and the parent or other person from whom the child was abducted.

2. For purposes of subsection 1, any of the following acts constitute conclusive evidence that an act of abduction occurred:

(a) A conviction of the defendant of any violation of NRS 200.310 to 200.340, inclusive, or 200.359 or a law of any other jurisdiction that prohibits the same or similar conduct;

(b) A plea of guilty or nolo contendere by the defendant to any violation of NRS 200.310 to 200.340, inclusive, or 200.359 or a law of any other jurisdiction that prohibits the same or similar conduct; or

(c) An admission by the defendant to the court of the facts contained in the charging document alleging a violation of NRS 200.310 to 200.340, inclusive, or 200.359 or a law of any other jurisdiction that prohibits the same or similar conduct.

3. If, after a court enters a final order concerning custody of the child, a magistrate determines there is probable cause to believe that an act of abduction has been committed against the child or any other child and that a person who has been awarded sole or joint custody or unsupervised visitation of the child has committed the act, the court shall, upon a motion to modify the order concerning custody, reconsider the previous order concerning custody pursuant to subsections 1 and 2.

4. As used in this section ~~[, "abduction"]~~ ***:***

(a) "Abduction" means the commission of an act described in NRS 200.310 to 200.340, inclusive, or 200.359 or a law of any other jurisdiction that prohibits the same or similar conduct.

(b) "Magistrate" has the meaning ascribed to it in NRS 169.095.

Sec. 4. NRS 126.111 is hereby amended to read as follows:

126.111 1. The court shall endeavor to resolve the issues raised in an action pursuant to this chapter by an informal hearing.

2. As soon as practicable after an action to declare the existence or nonexistence of the father and child relationship has been brought, an informal hearing must be held. The court may order that the hearing be held before a ~~[master]~~ ***magistrate appointed by the court*** or referee. The public shall be barred from the hearing. A record of the proceeding or any portion thereof must be kept if any party requests or the court orders. Strict rules of evidence need not be observed, but those prescribed in NRS 233B.123 apply.

3. Upon refusal of any witness, including a party, to testify under oath or produce evidence, the court may order the witness to testify under oath and produce evidence concerning all relevant facts. If the refusal is upon the ground that the witness's testimony or evidence might tend to incriminate the witness, the court may grant the witness immunity from prosecution for all criminal offenses shown in whole or in part by testimony or evidence the witness is required to produce, except for perjury committed in his or her testimony. The refusal of a witness who has been granted immunity to obey an order to testify or produce evidence is a civil contempt of the court.

4. Testimony of a physician concerning the medical circumstances of the pregnancy and the condition and characteristics of the child upon birth is not privileged.

Sec. 5. NRS 126.121 is hereby amended to read as follows:

126.121 1. The court may, and shall upon the motion of a party, order the mother, child, alleged father or any other person so involved to submit to one or more tests for the typing of blood or taking of specimens for genetic identification to be made by a designated person, by qualified physicians or by other qualified persons, under such restrictions and directions as the court or judge deems proper. Whenever such a test is ordered and made, the results of the test must be received in evidence and must be made available to a judge, ~~[master]~~ ***magistrate appointed by the court*** or referee conducting a hearing pursuant to NRS 126.111. The results of the test and any sample or specimen taken may be used only for the purposes specified in this chapter. Unless a party files a written objection to the result of a test at least 30 days before the hearing at which the result is to be received in evidence, the result is admissible as evidence of paternity without foundational testimony or other proof of authenticity or accuracy. The order for such a test also may direct that the testimony of the experts and of the persons so examined may be taken by deposition or written interrogatories.

2. If any party refuses to submit to or fails to appear for a test ordered pursuant to subsection 1, the court may presume that the result of the test would

be adverse to the interests of that party or may enforce its order if the rights of others and the interests of justice so require.

3. The court, upon reasonable request by a party, shall order that independent tests for determining paternity be performed by other experts or qualified laboratories.

4. In all cases, the court shall determine the number and qualifications of the experts and laboratories.

5. As used in this section:

(a) "Designated person" means a person who is:

(1) Properly trained to take samples or specimens for tests for the typing of blood and genetic identification; and

(2) Designated by an enforcing authority to take such samples or specimens.

(b) "Enforcing authority" means the Division of Welfare and Supportive Services of the Department of Health and Human Services, its designated representative, a district attorney or the Attorney General when acting pursuant to NRS 425.380.

Sec. 6. NRS 126.141 is hereby amended to read as follows:

126.141 1. On the basis of the information produced at the pretrial hearing, the judge, ~~[master]~~ ***magistrate appointed by the court*** or referee conducting the hearing shall evaluate the probability of determining the existence or nonexistence of the father and child relationship in a trial and whether a judicial declaration of the relationship would be in the best interest of the child. On the basis of the evaluation, an appropriate recommendation for settlement must be made to the parties, which may include any of the following:

(a) That the action be dismissed with or without prejudice.

(b) That the matter be compromised by an agreement among the alleged father, the mother and the child, in which the father and child relationship is not determined but in which a defined economic obligation, fully secured by payment or otherwise, is undertaken by the alleged father in favor of the child and, if appropriate, in favor of the mother, subject to approval by the judge, ~~[master]~~ ***magistrate appointed by the court*** or referee conducting the hearing. In reviewing the obligation undertaken by the alleged father in a compromise agreement, the judge, ~~[master]~~ ***magistrate appointed by the court*** or referee conducting the hearing shall consider the best interest of the child, discounted by the improbability, as it appears to him or her, of establishing the alleged father's paternity or nonpaternity of the child in a trial of the action. In the best interest of the child, the court may order that the alleged father's identity be kept confidential. In that case, the court may designate a person or agency to receive from the alleged father and disburse on behalf of the child all amounts paid by the alleged father in fulfillment of obligations imposed on the alleged father.

(c) That the alleged father voluntarily acknowledge his paternity of the child.

2. If the parties accept a recommendation made in accordance with subsection 1, judgment may be entered accordingly.

3. If a party refuses to accept a recommendation made under subsection 1 and blood tests or tests for genetic identification have not been taken, the court shall require the parties to submit to blood tests or tests for genetic identification, if practicable. Thereafter the judge, ~~[master]~~ ***magistrate appointed by the court*** or referee shall make an appropriate final recommendation. If a party refuses to accept the final recommendation, the action must be set for trial.

4. The guardian ad litem may accept or refuse to accept a recommendation under this section.

5. The pretrial hearing may be terminated and the action set for trial if the judge, ~~[master]~~ ***magistrate appointed by the court*** or referee conducting the hearing finds unlikely that all parties would accept a recommendation he or she might make under subsection 1 or 3.

Sec. 7. NRS 126.143 is hereby amended to read as follows:

126.143 After an action is set for trial pursuant to NRS 126.141, the judge, ~~[master]~~ ***magistrate appointed by the court*** or referee shall, upon the motion of a party, issue an order providing for the temporary support of the child pending the resolution of the trial if the judge, ~~[master]~~ ***magistrate appointed by the court*** or referee determines that there is clear and convincing evidence that the party against whom the order is issued is the father of the child.

Sec. 8. ~~[Chapter 128 of NRS is hereby amended by adding thereto the provisions set forth as sections 9, 10 and 11 of this act.]~~ **(Deleted by amendment.)**

Sec. 9. ~~*[1. ~~(e) Any other factor that affects the capacity of the parent or evidence concerning such capacity.~~

~~4. A court may determine that a parent is incapacitated pursuant to this section only if it finds by clear and convincing evidence that the parent is unable to:~~

~~8. Except as otherwise provided in this subsection, the court shall review an order appointing a guardian ad litem pursuant to this section upon the request of any party to determine whether the parent for whom the guardian ad litem was appointed remains incapacitated. Sec. 10. ~~[*1. If a parent described in subsection 1 of section 9 of this act or a parent who is the subject of a motion pursuant to subsection 2 of section 9 of this act requests a psychiatric evaluation and the court determines that the parent might be incapacitated because he or she is not mentally competent, the court shall order the parent to undergo a psychiatric evaluation by a person professionally qualified in the field of psychiatric mental health. In all other circumstances, the court may, upon the motion of a party or its own motion, order such a psychiatric evaluation if it determines that the parent might be incapacitated because he or she is not mentally competent.*~~

3. If, after a court enters a final order concerning custody of the child, a magistrate determines there is probable cause to believe that an act of abduction has been committed against the child or any other child and that a person who has been awarded sole or joint custody or unsupervised visitation of the child has committed the act, the court shall, upon a motion to modify the order concerning custody, reconsider the previous order concerning custody pursuant to subsections 1 and 2.

4. After doing so, the court must determine, based on a preponderance of the evidence:

(a) Whether the agency with legal custody of the child has made the reasonable efforts required by subsection 1 of NRS 432B.553;

(b) Whether, and if applicable when:

(1) The child should be returned to the parents of the child or placed with other relatives;

5. The court shall prepare an explicit statement of the facts upon which each of its determinations is based pursuant to subsection 4. If the court determines that it is not in the best interests of the child to be returned to his or her parents, or to be placed for adoption, with a legal guardian or with a relative, the court must include compelling reasons for this determination and an explanation of those reasons in its statement of the facts.

6. If the court determines that it is in the best interests of the child to terminate parental rights, the court shall use its best efforts to ensure that the

procedures required by chapter 128 of NRS are completed within 6 months after the date the court makes that determination, including, without limitation, appointing a private attorney to expedite the completion of the procedures.

7. The provisions of this section do not limit the jurisdiction of the court to review any decisions of the agency with legal custody of the child regarding the permanent placement of the child.

8. If a child has been placed outside of the home and has resided outside of the home pursuant to that placement for 14 months of any 20 consecutive months, the best interests of the child must be presumed to be served by the termination of parental rights.

9. This hearing may take the place of the hearing for review required by NRS 432B.580.

10. ***If a hearing pursuant to this section concerns a child who has been placed in a qualified residential treatment program, the hearing must include, without limitation, a review of that placement conducted in the manner prescribed by section 35 of this act.***

11. The provision of notice and a right to be heard pursuant to this section does not cause any person planning to adopt the child, any sibling of the child or any other relative, any adoptive parent of a sibling of the child or a provider of foster care to become a party to the hearing.

TEXT OF REPEALED SECTIONS

432B.6077 Petition required before child may be placed in facility other than under emergency admission; psychological examination of child required under certain circumstances; placement in less restrictive environment; any person may oppose petition.

1. An agency which provides child welfare services shall not place a child who is in the custody of the agency in a facility, other than under an emergency admission, unless the agency has petitioned the court for the court-ordered admission of the child to a facility pursuant to NRS 432B.6075.

2. If a petition for the court-ordered admission of a child filed pursuant to NRS 432B.6075 is accompanied by the information described in paragraph (b) of subsection 1 of NRS 432B.6075, the court shall order a psychological evaluation of the child.

3. If a court which receives a petition filed pursuant to NRS 432B.6075 for the court-ordered admission to a facility of a child who is in the custody of an agency which provides child welfare services determines pursuant to

subsection 2 of NRS 432B.6076 that the child could be treated effectively in a less restrictive appropriate environment than a facility, the court must order the placement of the child in a less restrictive appropriate environment. In making such a determination, the court may consider any information provided to the court, including, without limitation:

(a) Any information provided pursuant to subsection 4;

(b) Any suggestions of psychologists, psychiatrists or other physicians who have evaluated the child concerning the appropriate environment for the child; and

(c) Any suggestions of licensed clinical social workers or other professionals or any adult caretakers who have interacted with the child and have information concerning the appropriate environment for the child.

(a) Any person, including, without limitation, the child, may oppose the petition for the court-ordered admission of the child by filing a written opposition with the court or stating the opposition in court; and

(b) The agency which provides child welfare services must present information to the court concerning whether:

(1) A facility is the appropriate environment to provide treatment to the child; or

(2) A less restrictive appropriate environment would serve the needs of the child.

432B.6083 Conditional release: Authorized circumstances; duration; no liability of State; notice to court and attorney of agency; order to return to facility; judicial review of order to return to facility.

1. Except as otherwise provided in subsection 3, any child who is admitted to a facility by a court pursuant to NRS 432B.6076 may be conditionally released from the facility when, in the judgment of the medical director of the facility, the conditional release is in the best interest of the child and will not be detrimental to the public welfare. The medical director of the facility or the designee of the medical director shall prescribe the period for which the conditional release is effective. The period must not extend beyond the last day of the court-ordered period of treatment specified pursuant to NRS 432B.608.

2. When a child is conditionally released pursuant to subsection 1, the State or a county, or any of its agents or employees, is not liable for any debts or contractual obligations, medical or otherwise, incurred or damages caused by the actions of the child.

3. A child who was admitted by a court because the child was likely to harm others if allowed to remain at liberty may be conditionally released only if, at the time of the release, written notice is given to the court which admitted the child and to the attorney of the agency which provides child welfare services that initiated the proceedings for admission.

4. Except as otherwise provided in subsection 6, the administrative officer of a facility or the designee of the administrative officer shall order a child who is conditionally released from that facility pursuant to this section to return to the facility if a psychiatrist and a member of that child's treatment team who is professionally qualified in the field of psychiatric mental health determine that the conditional release is no longer appropriate because that child presents a clear and present danger of harm to himself or herself or others. Except as otherwise provided in this subsection, the administrative officer or the designee of the administrative officer shall, at least 3 days before the issuance of the order to return, give written notice of the order to the court that admitted the child to the facility. If an emergency exists in which the child presents an imminent threat of danger of harm to himself or herself or others, the order must be submitted to the court not later than 1 business day after the order is issued.

5. The court shall review an order submitted pursuant to subsection 4 and the current condition of the child who was ordered to return to the facility at its next regularly scheduled hearing for the review of petitions for court-ordered admissions, but in no event later than 5 judicial days after the child is returned to the facility. The administrative officer or the designee of the administrative officer shall give written notice to the agency which provides child welfare services, to the child who was ordered to return to the facility and to the child's attorney of the time, date and place of the hearing and of the facts necessitating that child's return to the facility.

6. The provisions of subsection 4 do not apply if the period of conditional release has expired.

432B.6084 Release without further order of court; early release.

1. When a child who is admitted to a facility by a court pursuant to NRS 432B.6076 is released at the end of the court-ordered period of treatment specified pursuant to NRS 432B.608, written notice must be given to the admitting court at least 10 days before the release of the child. The child may then be released without requiring further orders of the court.

2. A child who is admitted to a facility by a court pursuant to NRS 432B.6076 may be unconditionally released before the court-ordered period of treatment specified in NRS 432B.608 when:

(a) An evaluation team, including, without limitation, an evaluation team that conducts an examination pursuant to NRS 432B.6078, or two persons professionally qualified in the field of psychiatric mental health, at least one of them being a physician, determines that the child has recovered from any emotional disturbance or has improved to such an extent that the child is no longer considered to present a clear and present danger of harm to himself or herself or others; and

(b) Under advisement from the evaluation team or two persons professionally qualified in the field of psychiatric mental health, at least one of them being a physician, the medical director of the facility authorizes the

release and gives written notice to the admitting court at least 10 days before the release of the child.

Bill read second time.
The following amendment was proposed by the Committee on Education:
Amendment No. 140.

AN ACT relating to education; **revising provisions prohibiting the Board of Regents of the University of Nevada from assessing tuition charges against certain students who are Native American;** revising provisions requiring the Board of Regents ~~[of the University of Nevada]~~ to grant certain waivers of fees for certain students who are Native American; **making an appropriation to the Nevada System of Higher Education;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Board of Regents of the University of Nevada to grant a waiver of registration fees, laboratory fees and other mandatory fees assessed each semester for a Native American student who demonstrates that the student: (1) is a member of a federally recognized Indian tribe or nation, all or part of which is located in this State, or who is certified by the enrollment department of such a tribe or nation or by the Bureau of Indian Affairs as being a descendant of an enrolled member of the tribe or nation, regardless of membership status; (2) is eligible for enrollment in a school within the Nevada System of Higher Education; (3) has been a resident of this State for at least 1 year; (4) has maintained at least a 2.0 grade point average, on a 4.0 scale, each semester, or the equivalent of a 2.0 grade point average if a different scale is used; and (5) has completed the Free Application for Federal Student Aid. (NRS 396.5449) ~~[This bill requires the Board of Regents to grant the waiver to a student who, in addition to meeting the other eligibility requirements for the wavier, has been a resident of this State, resided on qualified tribal land of an Indian tribe or nation, or a combination thereof, for not less than 1 year.]~~ **Section 1.3 of this bill removes the requirement to be a resident of this State for at least 1 year to be eligible for the waiver.**

Existing law requires the waiver to be granted to a student who enrolls in any program offered by a school within the System, including, without limitation, a trade or vocational program, a graduate program or a professional program. (NRS 396.5449) Existing law provides that a pupil enrolled in high school may earn college credit for a dual credit course taken while in high school and apply the credit received for such a course to the total number of credits required for graduation from his or her high school. (NRS 389.160) ~~[This bill]~~ **Section 1.3: (1) revises the requirement for the waiver to be**

granted to a student who enrolls in any program offered by a school within the System by excluding a course or program in a field other than health, social work, science, technology, engineering, art or mathematics in support of which an appropriation has not been made by the Legislature; and (2) requires the waiver to be granted to an eligible student who enrolls in a dual credit course offered by a school within the System.

Existing law requires the amount of the waiver to be limited based on the federal education benefits to which a student is entitled during a semester. (NRS 396.5449) Section 1.3 removes this requirement and instead requires the amount of the waiver to equal the full amount of the registration fees, laboratory fees and any other mandatory fees assessed against the student for that semester.

Existing law prohibits the Board of Regents from assessing tuition charges against certain students. (NRS 396.540, 396.5449) Section 1 of this bill makes a conforming change to reflect the prohibition against the Board of Regents assessing tuition charges against students who have been granted the waiver. Section 1.7 of this bill makes an appropriation to the System to defray the cost of granting the waiver.

Existing federal law requires each state to adopt procedures to ensure that applicants for certain licenses and certificates comply with child support obligations. (42 U.S.C. § 666) Sections 1.43 and 1.6 of this bill

Sections 87.5 and 91 of this bill remove a requirement that an application for a license as a naprapath include the social security number of the applicant on the date that those federal requirements are repealed, while leaving in place the other requirements of sections 1.43 and 1.6 until 2 years after that date. Section 44 of this bill requires the Board to conduct an investigation upon receiving such a report of: (1) a judgment rendered or award made against a naprapath regarding an action or claim for malpractice; or (2) the settlement of such a claim or action. Sections 46, 47, 49-52, 54, 55 and 57 of this bill prescribe procedures governing disciplinary action against a naprapath, and section 56 of this bill prescribes the disciplinary action that the Board is authorized to impose. Section 58 of this bill prescribes the procedure to remove the suspension of or limitation on a license to practice naprapathy or reinstate a revoked license to practice naprapathy.]~~ **Sections 77.8 and 79.2-79.8 of this bill make conforming changes to indicate the proper placement of sections 1.03-1.8 in the Nevada Revised Statutes.**

Existing law defines the term "provider of health care" as a person who practices any of certain professions related to the provision of health care. (NRS 629.031) Existing law imposes certain requirements upon providers of health care, including requirements for billing, standards for advertisements and criminal penalties for acquiring certain debts. (NRS 629.071, 629.076, 629.078) **Section ~~1~~ 1.95** of this bill includes naprapaths in the definition of "provider of health care," thereby subjecting naprapaths to those same requirements. **Section 8** of this bill requires a naprapath to report misconduct by a person licensed or certified by the State Board of Nursing to the Executive Director of that board.

Existing law establishes a privilege for confidential communications between a patient and a physician, dentist or chiropractor or person participating in the diagnosis or treatment of the patient under the direction of such a provider. (NRS 49.215-49.245) **Section 72** of this bill extends that same privilege to apply to confidential communications between a patient and a naprapath or a person under the direction of a naprapath.

Existing law provides that: (1) assault is generally a misdemeanor, with certain exceptions; and (2) assault upon a provider of health care is a gross misdemeanor **~~[.]~~ or felony, depending on the circumstances.** (NRS 200.471) **Section 75** of this bill includes a naprapath within the definition of "provider of health care" for that purpose, thereby making assault upon a naprapath a gross misdemeanor **~~[. Section]~~ or felony, depending on the circumstances. Sections 76 and 82.5** of this bill require a naprapath to report the abuse, neglect, exploitation, isolation or abandonment of an older person or vulnerable person **or the abuse or neglect of a child** in the same manner as other providers of health care. A naprapath would also be required to report the **~~[abuse, neglect or]~~** commercial sexual exploitation of a child. (NRS **~~[~~**~~432B.220,~~**]** 432C.110)

Existing law makes it a felony to perform a health care procedure for which certain licenses are required without such a license. (NRS 200.800-200.840) Sections 76.6 and 76.9 of this bill similarly make it a felony to perform a procedure for which a license as a naprapath is required without such a license. Sections 1.9, 65, 69-71, ~~[~~~~73, 74 and 77-87~~**~~]~~ 73-74.5, 76, 76.3, 77, 78, 79, 80-82 and 83-87** of this bill make revisions to treat naprapaths in the same manner as other similar providers of health care in other certain respects.

5. An officer, employee or agent of a governmental entity who has legal custody or control of a public record:

(a) Shall not refuse to provide a copy of that public record in the medium that is requested because the officer, employee or agent has already prepared or would prefer to provide the copy in a different medium.

Legislative Counsel's Digest:

~~[Existing law establishes certain programs to improve public health in this State. (NRS 439.4921-439.5297) Section 12 of this bill defines the term "biomarker testing" to mean the analysis of the tissue, blood or other specimen of a patient for the presentation of a biomarker, which is further defined as an objectively measured characteristic that indicates certain biological processes. Section 12 also: (1) establishes the month of March as Precision Medicine and Biomarker Testing Awareness Month in this State; and (2) requires the Governor to annually issue a proclamation calling upon certain entities to raise awareness of biomarker testing during the month of March.~~

~~Section 8 of this bill establishes the Task Force on Precision Medicine and Biomarker Testing within the Department of Health and Human Services and prescribes the membership of the Task Force. Sections 2-7 of this bill define certain terms relating to the Task Force. Sections 8 and 9 of this bill prescribe certain requirements governing the operation of the Task Force. Section 9 also authorizes the Task Force to establish subcommittees and solicit expert testimony. Section 10 of this bill requires the Task Force to: (1) examine certain issues relating to the awareness, accessibility and use of biomarker testing; and (2) annually report its findings to the Director of the Department,~~

~~the Commissioner of Insurance and the Legislature. Section 31 of this bill terminates the Task Force on February 1, 2027.~~**]**

Sections 11, 18 and 21** of this bill make conforming changes to indicate the proper placement of **sections 15, 17 and 20**, respectively, in the Nevada Revised Statutes. **Section 26** of this bill authorizes the Commissioner of Insurance to suspend or revoke the certificate of a health maintenance organization that fails to comply with the requirements of **section 24** of this bill. [~~Section 29 of this bill requires the Department to contract with a college or university or another qualified entity that conducts research in the field of public health and is located in this State to study the awareness of and access to precision medicine and biomarker testing in this State. Section 29 requires the entity with which the Department enters into a contract to: (1) present its findings to the Joint Interim Standing Committee on Health and Human Services; and (2) submit a final report of the study to the Governor, the Director of the Department, the Commissioner of Insurance and the Legislature. Section 28 of this bill appropriates money to the Department to pay the costs of the study.~~**]**

Assembly Bill No. 160.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 259.

AN ACT relating to criminal records; providing for the automatic sealing of criminal records relating to certain convictions of a person and certain charges against a person; **authorizing the Records, Communications and Compliance Division of the Department of Public Safety and the Administrative Office of the Courts to adopt any rules or regulations, as applicable, necessary for the automatic sealing of criminal records; requiring the Administrative Office of the Courts to submit annual reports to the Legislature and adopt certain other rules; creating the Advisory Task Force on Automatic Record Sealing and establishing the duties of the Task Force; requiring the Task Force to submit certain reports to the Administrative Office of the Courts and the Legislature; expanding the circumstances in which there is a rebuttable presumption that criminal records should be sealed;** revising provisions relating to a petition to seal criminal records relating to certain charges brought against a person; **authorizing the Central Repository for Nevada Records of Criminal History and its employees to inquire into and inspect certain sealed records relating to a violation or alleged violation of the prohibition against certain persons owning or possessing a firearm;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes certain procedures pursuant to which a person is authorized to petition a court for the sealing of criminal records relating to: (1) convictions for certain offenses; (2) charges against a person that were dismissed or declined for prosecution or for which the person was acquitted; (3) a conviction which has been set aside; and (4) a conviction for an offense that has been decriminalized. Existing law: (1) establishes certain requirements concerning the amount of time that must elapse after a person was convicted or charged before the records relating to the conviction or charge are eligible to be sealed through the filing of such a petition; and (2) sets forth the circumstances under which a court is authorized or required to grant the petition. (NRS 179.245, 179.255, 179.271)

Section ~~[1]~~ 1.3 of this bill requires the Records, Communications and Compliance Division of the Department of Public Safety, not later than January 1, 2026, to develop and implement a process to identify each: (1) conviction of a person and each charge against a person that becomes an eligible conviction and eligible charge; and (2) agency of criminal justice or public or private company, agency, officer or other custodian of records that may reasonably be identified as having possession of records relating to an eligible conviction or eligible charge. **Section ~~[1]~~ 1.3** defines "eligible conviction" and "eligible charge" to mean, in general, certain convictions or charges if the records relating to the conviction or charge are eligible to be sealed pursuant to the provisions of existing law governing the sealing of records. After the development and implementation of the process of identifying eligible convictions and eligible charges, **section ~~[1]~~ 1.3** requires the Division to, each month: (1) identify and compile a list of each conviction

or charge that has become an eligible conviction or eligible charge in the immediately preceding month and each person or governmental entity identified as having possession of records relating to those eligible convictions and eligible charges; and (2) transmit the list to ~~[each court having jurisdiction to order sealed]~~ **the Administrative Office of the Courts to recommend the sealing of** the records relating to a listed eligible conviction or eligible charge.

Section 1.3 requires the Administrative Office of the Courts, not later than January 1, 2026, to develop and implement a process to review and approve such a list received from the Division and to transmit to every court having jurisdiction each conviction of a person or charge against a person that has become an eligible conviction or eligible charge. Section 1.3 also requires the Administrative Office of the Courts, upon receiving such a list from the Division, to confirm each eligible conviction and eligible charge and notify every court having jurisdiction over the sealing of each eligible conviction or eligible charge. Section ~~[1]~~ 1.3 requires a court that receives such a ~~[list]~~ **notification from the Administrative Office of the Courts** to ~~[order sealed all]~~ **then provide notice to the appropriate prosecuting attorney or agency and authorizes the prosecuting attorney or agency to object to the sealing of the** records relating to each listed eligible conviction or eligible charge**.** ~~[over which the court has jurisdiction to order the sealing of records.]~~ **Section 1.3 further establishes the circumstances in which the court may order the records to be sealed. Section 5** of this bill requires the order to be sent to the persons and governmental entities named in the order, who are then required to seal records relating to the eligible conviction or eligible charge. **Section 1.3 also: (1) authorizes the Division and the Administrative Office of the Courts to adopt any rules or regulations, as applicable, that are necessary to carry out the provisions of section 1.3; and (2) requires the Administrative Office of the Courts to submit certain annual reports to the Legislature beginning on January 31, 2027.**

Existing law provides, in general, that there is a rebuttable presumption that certain records of a person should be sealed if the person petitions the court for the sealing of such records and satisfies all statutory requirements. (NRS 179.2445) Section 3.5 of this bill provides that there is also a rebuttable presumption that certain records of a person should be sealed if a court receives a list of confirmed eligible convictions or charges from the Administrative Office of the Courts pursuant to section 1.3 and the records relate to such confirmed eligible convictions or charges. Sections 3.7 and 3.9 of this bill make conforming changes to reflect the change in section 3.5.

Existing law provides that if a court seals certain records of a person, certain civil rights of the person are restored. Existing law requires the person to be given documentation demonstrating that fact. If the documentation is lost, damaged or destroyed, the person is authorized to request that a court issue an order to restore his or her civil rights. (NRS 179.285) **Section 6 of this bill**

makes a technical, nonsubstantive change to existing law by reorganizing the language in existing law. Section [6] 6.5 of this bill **[also]** provides for the restoration of civil rights if the records of a person are sealed pursuant to **section [1.] 1.3.** However, under **section [6,] 6.5,** the person is not required to be given documentation demonstrating that fact. Instead, **section [6] 6.5** authorizes a person who was not given documentation of the restoration of his or her civil rights to request that a court issue an order in the same manner as a person whose documentation is lost, damaged or destroyed.

Section 7 of this bill authorizes a person who is the subject of records that are sealed pursuant to **section [1] 1.3** to petition a court to allow for the inspection of the records. **Section 8** of this bill authorizes certain other governmental entities to inspect such records under certain circumstances. **Section 7.5 of this bill authorizes the Central Repository for Nevada Records of Criminal History and its employees to inspect certain sealed records relating to a violation or alleged violation of the prohibition against certain persons owning or possessing a firearm. (NRS 202.360)**

If a person is arrested and the charges against the person are dismissed or declined for prosecution or the person is acquitted of the charges, existing law authorizes the person to petition a court for the sealing of all records relating to the arrest and the proceedings leading to the dismissal, declination or acquittal. (NRS 179.255) **Section 4** of this bill authorizes a person against whom multiple charges were brought, consisting of both charges for which the person was convicted and charges which were disposed of by dismissal, declination or acquittal, to petition for the sealing of those portions of the records relating to the arrest of the person and the subsequent proceedings that relate to the charges which were disposed of by dismissal, declination or acquittal.

Section 2 of this bill provides that it is the public policy of this State to enhance and modernize the sharing of information between agencies of criminal justice by having records shared in a timely manner in accordance with statutory requirements.

Section 1.7 of this bill creates the Advisory Task Force on Automatic Record Sealing and establishes requirements concerning the membership of the Task Force. Section 1.7 establishes the general duties of the Task Force, including reviewing the current petition-based process for the sealing of records and identifying the ways in which the process can be streamlined to simplify the process for petitioners. Section 1.7 also requires the Task Force to prepare and submit a report to the Administrative Office of the Courts and the Legislature: (1) on or before July 1, 2024, that sets forth the initial activities and findings of the Task Force; and (2) on or before July 1, 2025, that sets forth the final activities, findings and recommendations of the Task Force to support the implementation of the automatic sealing of records of criminal history. Section 8.3 of this bill requires the Administrative Office of the Courts,

before January 1, 2025, to adopt rules to streamline the process for filing a petition for the sealing of records, as recommended by the Task Force.

The following amendment was proposed by the Committee on Education:

Amendment No. 367.

AN ACT relating to education; requiring a person to hold a baccalaureate degree before obtaining certain licenses ~~[to teach]~~ **for educational personnel** or enrolling in an alternative route to licensure; requiring a person who holds an endorsement in certain fields of specialization to teach only in such a field; adding a license to serve as a substitute teacher as a kind of teaching license; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Commission on Professional Standards in Education to adopt regulations prescribing the qualifications for licensing teachers and other educational personnel, including, without limitation, qualifications for licensure pursuant to an alternative route to licensure and for obtaining an endorsement in a field of specialization. (NRS 391.019) Existing law sets forth the kinds of licenses available to teachers and other educational personnel in this State. (NRS 391.031) **Section 5** of this bill adds a license to serve as a substitute teacher to the kinds of licenses available. **Section 4** of this bill requires the Commission to adopt regulations that require a person to obtain a baccalaureate degree before participating in a program for an alternative route to licensure. **Section 2** of this bill prohibits a person from obtaining a license to teach, except a license to serve as a substitute teacher **or**

a special license under certain circumstances, without first obtaining a baccalaureate degree.

Existing law authorizes the board of trustees of a school district to employ a person who does not hold an endorsement to teach in the subject area for which the person is teaching if there is a shortage of teachers at a public school within the district. (NRS 391.125) **Section 3** of this bill requires a person who holds only an endorsement in a field of specialization relating to career and technical education to teach only in that field. **Section 6** of this bill makes a conforming change related to the employment of persons who hold endorsements in subject areas at a school in which there is a shortage of teachers.

Legislative Counsel's Digest:

Existing law requires the governing body of certain cities or counties to include in its master plan a housing element, which includes certain information relating to housing. (NRS 278.150, 278.160) Section 1.6 of this bill requires the governing body of such a city or county to annually report this information to the Housing Division of the Department of Business and Industry and the Advisory Committee on Housing. The Housing Division is required to compile and post such reports on its Internet website. Section 12.5 of this bill requires the governing body of such a city or county to submit the first report required pursuant to section 1.6 on or before July 15, 2024.

Existing law: (1) provides that any application submitted to a governing body or its designee that concerns any matter relating to land use planning may not be accepted if the application is incomplete; and (2) sets forth a timeline and process for the governing body or its designee to review an application for completeness. (NRS 278.02327) **Section 3** of this bill provides that if the governing body or its designee fails to comply with the timeline and process, the application shall be deemed to be complete. **Section 3** also requires the governing body or designee to review and respond to a corrected application within 3 working days and prohibits a governing body or designee from using any preliminary application to circumvent the timeline or process in **section 3**.

Section ~~[1]~~ 1.3 of this bill requires a governing body to publish on its Internet website a list of applications ~~[that concern any matter]~~ relating to land use planning in areas zoned for residential housing.

~~[Existing law sets forth the elements of a master plan, including a land use element, which must include, in any county whose population is 700,000 or more (currently only Clark County), a rural neighborhoods preservation plan showing general plans to preserve the character and density of rural neighborhoods. (NRS 278.160) Section 4 of this bill provides instead that such a rural neighborhoods plan must show general plans that consider the character and density of rural neighborhoods.~~

~~Existing law authorizes a governing body to divide the city, county or region into zoning districts, which must be adopted in accordance with the master plan for land use and be designed, in relevant part, to ensure the protection of existing neighborhoods and communities, including the protection of rural preservation neighborhoods. (NRS 278.250) Section 6 of this bill provides instead that the zoning districts be designed to ensure the consideration of existing neighborhoods and communities, including the consideration of rural preservation neighborhoods.]~~

Existing law provides that if the governing body of a city or county is required to include the housing element in its master plan, the governing body is required to adopt certain measures for maintaining and developing affordable housing. (NRS 278.235) **Section 5** of this bill authorizes the governing body to also offer increased residential density for multi-family or multi-story residential development as one such measure. **Section 5** also revises contents of the annual report that the governing body is required to submit to the Housing Division of the Department of Business and Industry relating to affordable housing.

Existing law requires a subdivider to file copies of a tentative map with the planning commission or its designated representative, or with the clerk of the governing body if there is no planning commission. The tentative map is then distributed to all state and local agencies and persons charged with reviewing the proposed subdivision. If there is no planning commission, the clerk of the governing body is required to submit the tentative map to the governing body at its next meeting. If there is a planning commission, the planning commission shall, after accepting as a complete application a tentative map: (1) in a county

whose population is 700,000 or more (currently only Clark County), within 45 days, approve, conditionally approve or disapprove the tentative map; or (2) in a county whose population is less than 700,000 (currently all counties other than Clark County), approve, conditionally approve or disapprove the tentative map. (NRS 278.330) **Section 7** of this bill provides that a city within such a county is subject to the same deadlines to approve, conditionally approve or disapprove the tentative map.

~~[Existing law requires: (1) a copy of a tentative map to be forwarded by the planning commission or its designated representative for review to certain state agencies; and (2) each reviewing agency to file its written comments with the planning commission or governing body recommending approval, conditional approval or disapproval and stating the reasons therefor within 15 days after receipt of the tentative map. (NRS 278.335) Section 8 of this bill provides that if a reviewing agency fails to file such written comments within 15 days after receipt of the tentative map, it shall be deemed that the reviewing agency recommends unconditionally the approval of the tentative map.]~~

Existing law provides that the planning commission or governing body, as applicable, shall recommend approval, conditional approval or disapproval of a parcel map: (1) within 45 days after accepting the parcel map as a complete application in a county whose population is 700,000 or more (currently only Clark County); or (2) within 60 days after accepting the parcel map as a complete application in a county whose population is less than 700,000 (currently all counties other than Clark County). (NRS 278.464) **Section 9** of this bill provides that a city within such a county is subject to the same deadlines to recommend approval, conditional approval or disapproval of a parcel map.

Existing law provides that, under certain circumstances, a governing body or planning commission may waive the requirement for a parcel map and that a request for such a waiver must be acted upon: (1) in a county whose population is 700,000 or more (currently only Clark County) within 45 days; or (2) in a county whose population is less than 700,000 (currently all counties other than Clark County) within 60 days. (NRS 278.464) **Section 9** provides that a city within such a county is subject to the same deadlines.

Existing law provides that a planning commission or governing body must take final action on a final map: (1) in a county whose population is 700,000 or more (currently only Clark County) within 45 days after accepting the final map as a complete application; or (2) in a county whose population is less than 700,000 (currently all counties other than Clark County) within 60 days after accepting the final map as a complete application. (NRS 278.4725) **Section 10** of this bill provides that a city within such a county is subject to the same deadlines.

~~[Existing law provides that any regulations of the State Fire Marshal concerning matters relating to building codes do not apply in a county whose population is 700,000 or more (currently only Clark County) which has adopted a code at least as stringent as International Fire Code, the International~~

~~Building Code and the International Wildland-Urban Interface Code, published by the International Code Council. (NRS 477.030) Section 11 of this bill provides instead that such regulations of the State Fire Marshal do not apply in a county whose population is 700,000 or more (currently only Clark County), and in any city within such a county whose population is 220,000 or more (currently the Cities of Henderson and Las Vegas) and in a county whose population is 100,000 or more and less than 700,000 (currently only Washoe County), which has adopted a code at least as stringent as the International Fire Code, the International Building Code and the International Wildland-Urban Interface Code, published by the International Code Council.]~~

Section 12 of this bill requires, on or before July 1, 2024, the governing body of each county and city to enact: (1) an expedited process for the consideration and approval of projects for affordable housing in the county or city; and (2) incentives for the development of projects for affordable housing in the county or city.

Legislative Counsel's Digest:

Existing law prohibits the Board of Regents of the University of Nevada from assessing tuition charges against certain students, including, without limitation, students who graduated from a high school located in this State. (NRS 396.540) Existing law requires the State Board of Education to select an

assessment to enable a person to demonstrate that he or she has achieved an educational level which is an acceptable substitute for completing a high school education. (NRS 390.055) This bill prohibits the Board of Regents from assessing tuition charges against a student who successfully completed the high school equivalency assessment selected by the State Board ~~[.]~~ **if the assessment was administered in this State.**

This bill also prohibits the Board of Regents from denying an exemption from tuition charges to a student ~~[solely]~~ on the basis that the student ~~[or the family of the student]~~ is not lawfully present in the United States if the student ~~[or family of the student]~~ has ~~[: (1)]~~ been granted temporary protected status by the United States Citizenship and Immigration Services of the United States Department of Homeland Security **.** ~~[; or (2) received a grant of deferred action under the federal policy of Deferred Action for Childhood Arrivals.]~~

Existing federal law provides that a person who is not lawfully present in the United States shall not be eligible on the basis of residence within a state for any postsecondary education benefit unless a citizen or national of the United States is eligible for such a benefit without regard to whether the citizen or national is such a resident. (8 U.S.C. § 1623) This bill prohibits the Board of Regents from denying an exemption from tuition charges which is not based on residency in this State to a student on the basis that the student is not lawfully present in the United States if the student has received a grant of deferred action from the United States Department of Homeland Security. This bill also prohibits the Board of Regents from denying an exemption from tuition charges which is based on residency to such a student on the basis that the student is not lawfully present in the United States if: (1) the provisions of the federal law which prohibit the granting of postsecondary education benefits on the basis of residency to persons who are not lawfully present in the United State unless such benefits are also granted to all citizens and nationals of the United States are repealed or otherwise cease to have effect; or (2) the Attorney General of this State issues a finding that such a student would be considered lawfully present in the United States for the purposes of the federal law.

The following amendment was proposed by the Committee on Revenue:

Amendment No. 450.

AN ACT relating to taxation; revising the tax imposed upon the receipt, purchase and sale of premium cigars; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, there is imposed upon the receipt, purchase or sale of other tobacco products in this State a tax of 30 percent of the wholesale price of those products. (NRS 370.450) **Section 1** of this bill specifically limits the tax imposed upon the receipt, purchase and sale of other tobacco products that are premium cigars to not more than 50 cents **or less than 30 cents** for each premium cigar. **Section 1** defines "premium cigar" as a cigar that is rolled by hand, has a wrapper made of whole tobacco leaves and does not have a filter or mouthpiece.

Existing law requires the Department of Taxation to allow a credit of 30 percent of the wholesale price, less a discount of 0.25 percent for the services rendered in collecting the tax, for other tobacco products on which the tax has been paid and that may no longer be sold. (NRS 370.490) Section 1.5 of this bill makes a conforming change in response to the change in the rate of the tax for premium cigars to provide that the amount of this credit is the amount of the tax paid.

Section 2 of this bill provides that the amendatory provisions of this bill expire by limitation on June 30, 2027.

AN ACT relating to health care; prohibiting certain actions related to pricing and reimbursement for certain drugs; creating a cause of action for violating such prohibitions; requiring certain entities to maintain a registered agent and office in this State; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing federal law establishes the Medicare program, which is a public health insurance program for persons 65 years of age and older and specified persons with disabilities who are under 65 years of age. (42 U.S.C. §§ 1395 et seq.) Existing federal law requires the United States Secretary of Health and Human Services to negotiate with the manufacturers of certain drugs and to establish the maximum fair price for certain drugs, which is the maximum price at which such drugs may be sold to a recipient of Medicare. (42 U.S.C. §§ 1320f-2, 1320f-3) Existing federal law requires the Secretary of Health and Human Services to publish those maximum fair prices. (42 U.S.C. § 1320f-4) **Section 1** of this bill prohibits a person or entity that: (1) purchases a drug

which is subject to a maximum fair price in this State from paying a price that is higher than the maximum fair price; or (2) seeks reimbursement for a drug subject to a maximum fair price which is delivered, dispensed or administered to a person in this State from seeking reimbursement at a rate which is higher than the maximum fair price. **Section 1** also requires any such person or entity to maintain a registered agent and an office or base of operations in this State.

Existing law: (1) prohibits certain trade practices which are deemed to be deceptive trade practices; and (2) provides for the enforcement of the prohibition on engaging in deceptive trade practices, including by prescribing criminal penalties to be imposed against a person who engages in a deceptive trade practice. (NRS 598.0903-598.0999) **Section 1** makes it a deceptive trade practice for any person to violate: (1) the prohibition on purchasing or seeking reimbursement for a drug at a price higher than the maximum fair price; or (2) the requirement to maintain a registered agent and an office or base of operations in this State when engaging in certain activity relating to drugs subject to a maximum fair price. **Sections 1 and 3** of this bill provide that a person who violates the provisions of **section 1** is not subject to any criminal penalty set forth in existing law for engaging in a deceptive trade practice, meaning such a person is subject only to the various civil enforcement measures, including civil penalties, set forth in existing law for engaging in a deceptive trade practice. (NRS 598.097-598.0999)

Existing law authorizes any person who is a victim of consumer fraud, including a deceptive trade practice, to bring a civil action. (NRS 41.600) **Section 2** of this bill provides that a violation of **section 1** constitutes consumer fraud, and **sections 1 and 2** authorize a victim of such a violation to bring a civil action.

WHEREAS, In the 2019 Legislative Session, Senate Bill No. 276 directed the Legislative Commission to appoint a committee to conduct an interim study concerning the cost of prescription drugs in this State and the impact of rebates, reductions in price and other remuneration from manufacturers on prescription drug prices; and

WHEREAS, In reporting on the findings of the Committee to Conduct an Interim Study Concerning the Costs of Prescription Drugs, LCB Bulletin No. 21-9, published in January 2021, stated that "[i]n 2018, Americans paid an average of $1,229 for prescription drugs, the highest amount per capita in any developed country in the world"; and

WHEREAS, LCB Bulletin No. 21-9 also stated that "[i]ncreasing drug prices disproportionately affect uninsured and underinsured patients, while insured patients covered by high-deductible, commercial, or government-sponsored health insurance plans tend to pay more through premium and copay increases"; and

WHEREAS, The Nevada Spending and Government Efficiency Commission noted in its final report, "Final Report of the Nevada Spending and Government Efficiency Commission to Governor Jim Gibbons," published

January 7, 2010, that the State of Nevada would realize significant savings on Medicaid, mental health, corrections and other programs if the cost of prescription drugs were better controlled; and

WHEREAS, Excessive prices negatively affect the ability of residents of this State to obtain prescription drugs, thereby endangering the health and safety of such residents; and

WHEREAS, Excessive prices of prescription drugs threaten the economic well-being of residents of this State, thereby inhibiting their ability to pay for necessary and essential goods and services including housing, food and utilities; and

WHEREAS, Excessive costs of prescription drugs contribute significantly to increasing costs of health care and health insurance that threaten the ability of residents of this State to obtain affordable health coverage and maintain or achieve good health; and

WHEREAS, Excessive costs of prescription drugs contribute significantly to rising costs for health care provided and paid for through health insurance programs for public employees, including employees of the State, municipalities, counties, school districts, institutions for higher education and retirees whose health costs are funded by taxpayer dollars, thereby threatening the ability of the State and local governments to fund other programs necessary for the public good and safety, such as public safety, police, fire and education; and

WHEREAS, To protect residents of this State from the negative effects from excessive costs of prescription drugs, and to protect the safety, health and economic well-being of Nevadans, the Legislature finds that legislation regarding affordable access to prescription drugs is necessary for residents of this State to achieve and maintain good health; now therefore,

Amendment No. 370.

AN ACT relating to education; prohibiting a pupil in a public school from being deprived of any award **that is based on perfect attendance** or any eligibility or opportunity to compete for **such** an award because of an approved absence from school for the observance of a religious holiday; revising provisions governing the attendance of pupils and circumstances under which a pupil is deemed truant; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law, in general, requires a child between 7 and 18 years of age to attend public school. (NRS 392.040) Existing law requires the board of trustees of each school district to adopt rules that require each public school in the district to include the accounting of attendance and, if feasible, tardiness of a pupil on each report card or other report of progress of the pupil. (NRS 392.118) **Section 4** of this bill excludes an absence for the observance of a religious holiday from the absences that are counted for this purpose.

Existing law requires the board of trustees of each school district to prescribe a minimum number of days that a pupil who is subject to compulsory attendance and enrolled in a school in the district must be in attendance for the pupil to obtain credit or to be promoted to the next higher grade. (NRS 392.122) **Section 5** of this bill requires days on which a pupil is not in attendance because the pupil is absent for the observance of a religious holiday to be credited towards the required days of attendance if the **absence was approved and the** pupil has completed course-work requirements.

Existing law provides that a pupil is deemed a truant if the pupil is absent from school without the written approval of the pupil's teacher or the principal of the school, unless the pupil is physically or mentally unable to attend school.

(NRS 392.130) **Section 6** of this bill provides that a pupil is not a truant if the pupil is absent from school for the observance of a religious holiday **[.] provided that a pupil may have not more than five such approved absences in a school year.** **Section 6** requires the parent or legal guardian or other person having control or charge of a pupil who is absent from school for the observance of a religious holiday to notify the teacher or principal of the school ~~[orally or]~~ in writing **[,] at least 3 days before the absence,** in accordance with the policy established by the board of trustees of the school district. **Section 7** of this bill makes a conforming change to reflect that a pupil who is absent from school for the observance of a religious holiday is not a truant.

Existing law requires the board of trustees of each school district and the governing bodies of certain charter schools to prepare an annual report of accountability that contains certain information regarding the attendance, truancy and transiency of pupils. (NRS 385A.070, 385A.240) Section 6 provides that an approved absence for the observance of a religious holiday is not an absence for the purposes of the annual report of accountability.

Section 3 of this bill prohibits a pupil enrolled in a public school from being deprived of any award **that is based on perfect attendance** or any eligibility or opportunity to compete for **such** an award because of an **approved** absence for the observance of a religious holiday. **Sections 1, 2 and 8** of this bill make conforming changes to indicate the proper placement of **section 3** in the Nevada Revised Statutes.

Bill read second time.

The following amendment was proposed by the Committee on Education:

Amendment No. 373.

AN ACT relating to education; revising provisions governing performance evaluations of certain postprobationary teachers; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the State Board of Education to adopt regulations establishing a statewide performance evaluation system for evaluating the performance of certain employees. (NRS 391.465) Existing law requires each postprobationary teacher who receives an evaluation designating his or her overall performance as effective to receive one evaluation in the immediately succeeding school year. Existing law requires a postprobationary teacher who receives an evaluation designating his or her overall performance as highly effective for 2 consecutive school years to participate in one observation cycle in the school year immediately following the school year in which the postprobationary teacher receives a second consecutive evaluation designating his or her performance as highly effective but does not require such a teacher to receive an evaluation for that year. (NRS 391.690)

~~[This]~~ **Section 1.5 of this** bill authorizes a postprobationary teacher who receives an evaluation designating his or her overall performance as effective or highly effective for 2 consecutive evaluations to request to participate in one observation cycle in the school year immediately following the school year in which the postprobationary teacher receives a second consecutive evaluation designating his or her overall performance as effective or highly effective and to receive, upon request, one evaluation based in part on that observation cycle, but does not require the teacher to receive an evaluation for that year. ~~[This bill]~~ **Section 1.5** requires a postprobationary teacher to receive an evaluation in the second school year immediately following the school year in which the postprobationary teacher receives a second consecutive evaluation designating his or her overall performance as effective or highly effective. ~~[This bill]~~ **Section 1.5** prohibits an administrator from threatening, intimidating, coercing, compelling or otherwise requiring a postprobationary teacher to request or not request to participate in an observation or receive an evaluation. **Section 1.7 of this bill makes these provisions retroactively applicable to include evaluations received for the 2021-2022 and 2022-2023 school years.**

Existing law: (1) requires each teacher and administrator who provides direct instructional services to pupils at a school to develop learning goals for such pupils; (2) provides that pupil growth may be determined by the extent to which the learning goals of a pupil are achieved; and (3) requires such learning goals and pupil growth to be included in the evaluations of such teachers and administrators. (NRS 391.480) Section 1.9 of this bill repeals those requirements. Sections 1, 1.1 and 1.3 of this bill make

conforming changes to remove other references to learning goals and pupil growth from the Nevada Revised Statutes.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. **NRS 391.460 is hereby amended to read as follows:**

391.460 1. The Council shall:

(a) Make recommendations to the State Board concerning the adoption of regulations for establishing a statewide performance evaluation system to ensure that teachers, administrators who provide primarily administrative services at the school level, administrators at the district level who provide direct supervision of the principal of a school, and who do not provide primarily direct instructional services to pupils, and other licensed educational personnel, regardless of whether licensed as a teacher or administrator, including, without limitation, a principal and vice principal are:

(1) Evaluated using multiple, fair, timely, rigorous and valid methods **;** ~~[,~~ ~~which includes evaluations based upon pupil growth as required by NRS 391.465;]~~

(2) Afforded a meaningful opportunity to improve their effectiveness through professional development that is linked to their evaluations; and

(3) Provided with the means to share effective educational methods with other teachers, administrators and other licensed educational personnel throughout this State.

(b) Develop and recommend to the State Board a plan, including duties and associated costs, for the development and implementation of the performance evaluation system by the Department and school districts.

(c) Consider the role of professional standards for teachers, administrators and other licensed educational personnel, to which paragraph (a) applies and, as it determines appropriate, develop a plan for recommending the adoption of such standards by the State Board.

(d) Develop and recommend to the State Board a process for peer observations of teachers by qualified educational personnel which is designed to provide assistance to teachers in meeting the standards of effective teaching, and includes, without limitation, conducting observations, participating in conferences before and after observations of the teacher and providing information and resources to the teacher about strategies for effective teaching.

2. The performance evaluation system recommended by the Council must ensure that:

(a) Data derived from the evaluations is used to create professional development programs that enhance the effectiveness of teachers, administrators and other licensed educational personnel; and

(b) A timeline is included for monitoring the performance evaluation system at least annually for quality, reliability, validity, fairness, consistency and objectivity.

3. The Council may establish such working groups, task forces and similar entities from within or outside its membership as necessary to address specific issues or otherwise to assist in its work.

4. The State Board shall consider the recommendations made by the Council pursuant to this section and shall adopt regulations establishing a statewide performance evaluation system as required by NRS 391.465.

Sec. 1.1. **NRS 391.465 is hereby amended to read as follows:**

391.465 1. The State Board shall, based upon the recommendations of the Teachers and Leaders Council of Nevada submitted pursuant to NRS 391.460, adopt regulations establishing a statewide performance evaluation system which incorporates multiple measures of an employee's performance. Except as otherwise provided in subsection 3, the State Board shall prescribe the tools to be used by a school district for obtaining such measures.

2. The statewide performance evaluation system must:

(a) Require that an employee's overall performance is determined to be:

(1) Highly effective;

(2) Effective;

(3) Developing; or

(4) Ineffective.

(b) Include the criteria for making each designation identified in paragraph (a), which must include, without limitation, consideration of whether the classes for which the employee is responsible exceed the applicable recommended ratios of pupils per licensed teacher prescribed by the State Board pursuant to NRS 388.890 and, if so, the degree to which the ratios affect:

(1) The ability of the employee to carry out his or her professional responsibilities; and

(2) The instructional practices of the employee.

(c) ~~[Except as otherwise provided in subsections 2 and 3 of NRS 391.695 and subsections 2 and 3 of NRS 391.715, require that pupil growth, as determined pursuant to NRS 391.480, account for 15 percent of the evaluation of a teacher or administrator who provides direct instructional services to pupils at a school in a school district.~~

~~(d)]~~ Include an evaluation of whether the teacher, or administrator who provides primarily administrative services at the school level or administrator at the district level who provides direct supervision of the principal of a school, and who does not provide primarily direct instructional services to pupils, regardless of whether the probationary administrator is licensed as a teacher or administrator, including, without limitation, a principal and vice principal or licensed educational employee, other than a teacher or administrator, employs practices and strategies to involve and engage the parents and families of pupils.

~~[(e)]~~ ***(d)*** Include a process for peer observations of teachers by qualified educational personnel which is designed to provide assistance to teachers in meeting the standards of effective teaching, and includes, without limitation, conducting observations, participating in conferences before and after

observations of the teacher and providing information and resources to the teacher about strategies for effective teaching. The regulations must include the criteria for school districts to determine which educational personnel are qualified to conduct peer observations pursuant to the process.

~~[(f)]~~ ***(e)*** Require a person who evaluates a teacher who is responsible for a number of pupils that exceeds the applicable recommended ratio of pupils per licensed teacher prescribed by the State Board pursuant to NRS 388.890, who is a postprobationary employee as defined in NRS 391.650 and whose performance on that evaluation is designated as effective or highly effective to, under the statewide performance evaluation system, award the teacher an additional weight for criteria relating to:

(1) The manner in which the teacher structures a classroom environment;

(2) The manner in which the teacher provides an opportunity for extended discourse;

(3) The manner in which the teacher employs the cognitive abilities and skills of all pupils;

(4) The manner in which the teacher engages with the families of pupils; and

(5) The perception of pupils of the performance of the teacher,

➥ that is equivalent to the percentage by which the ratio of pupils for which the teacher is responsible exceeds the recommended ratio of pupils per licensed teacher. Any additional weight awarded to a teacher pursuant to this paragraph must not cause the score on a criterion to exceed the maximum score that would otherwise be possible on the criterion for a teacher rated as highly effective.

~~[(g)]~~ ***(f)*** If an employee knowingly and willfully failed to comply with the provisions of NRS 388.1351, indicate any disciplinary actions taken against the employee pursuant to NRS 388.1354.

3. A school district may apply to the State Board to use a performance evaluation system and tools that are different than the evaluation system and tools prescribed pursuant to subsection 1. The application must be in the form prescribed by the State Board and must include, without limitation, a description of the evaluation system and tools proposed to be used by the school district. The State Board may approve the use of the proposed evaluation system and tools if it determines that the proposed evaluation system and tools apply standards and indicators that are equivalent to those prescribed by the State Board.

4. An administrator at the district level who provides direct supervision of the principal of a school and who also serves as the superintendent of schools of a school district must not be evaluated using the statewide performance evaluation system.

Sec. 1.2. **NRS 391.470 is hereby amended to read as follows:**

391.470 On or before August 1 of each year, the board of trustees of each school district shall submit a report to the State Board and the Teachers and Leaders Council of Nevada created by NRS 391.455 concerning the

Sec. 1.3. **NRS 391.485 is hereby amended to read as follows:**

391.485 1. The State Board shall annually review the statewide performance evaluation system to ensure accuracy and reliability. Such a review must include, without limitation, an analysis of the:

(a) Number and percentage of teachers, administrators and other licensed educational personnel who receive each designation identified in paragraph (a) of subsection 2 of NRS 391.465 in each school, school district, and the State as a whole; ***and***

If a postprobationary teacher receives evidence from the first two observation cycles during the school year indicating that, unless his or her performance improves, his or her overall performance may be rated as developing or ineffective on the evaluation, the postprobationary teacher may request that the third observation cycle be conducted by another administrator. If a postprobationary teacher requests that his or her third observation cycle be conducted by another administrator, that administrator must be:

AN ACT relating to education; removing **certain** requirements for the use of restorative disciplinary practices in public schools; **requiring certain schools to provide a progressive discipline plan based on restorative justice to certain pupils;** revising provisions governing the development of a plan of discipline by the board of trustees of a school district; revising provisions governing age requirements for the suspension, expulsion and permanent expulsion of pupils; **requiring the provision and reporting of a plan to provide education services to certain pupils; revising provisions governing the reporting of certain data concerning discipline of pupils;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the board of trustees of each school district to establish a plan to provide for the restorative discipline of pupils, developed: (1) in accordance with the statewide framework for restorative justice developed by the Department of Education; and (2) with input from certain school personnel and the parents and guardians of pupils. (NRS 392.4644) **Existing law: (1) requires the Department to develop a statewide framework for restorative justice; and (2) sets forth requirements for that framework. (NRS 388.1333) Section 5** of this bill removes the requirement to establish such a plan, instead requiring that the board of trustees of each school district **, the governing body of each charter school and the governing body of each university school for profoundly gifted pupils** establish a plan of progressive discipline **.** ~~[for the district.]~~ **Section 5** also ~~[authorizes the board of trustees of a school district]~~ **requires such entities** to include disciplinary practices based on restorative justice within such a plan. **Sections 1 and 2** of this bill make conforming changes relating to the removal of this requirement. **Section 2.5 of this bill: (1) requires the Department to develop the plan regardless of funding; and (2) requires the framework developed by the Department to include certain training on school climate for teachers, administrators and other school staff.**

Existing law requires, in general, that a public school provide a plan of action based on restorative justice before removing a pupil from a classroom or the premises of the school or suspending or expelling the pupil. (NRS 392.472) **Sections 7 and 9** of this bill ~~[remove the requirement]~~ **require a public school** to **instead** provide a **progressive discipline** plan ~~[of action]~~ based on restorative justice ~~[before removing]~~ **: (1) to** a pupil ~~[from a classroom or the premises of the school or suspending or expelling the pupil and, instead, authorizes a public school to provide such a plan.]~~ **who has been suspended for at least 5 cumulative days during a school year; and (2) within 2 days after removing a pupil. Section 9 additionally requires an example of a plan of action developed by the Department to include certain determinations concerning an individualized education program. Further, section 9 requires the plan to be made available to certain**

personnel. Sections 3 and 4 of this bill provide similar authorization concerning the provision of plans based on restorative justice to charter schools and university schools for profoundly gifted pupils.

Existing law requires a public school to offer certain education services to a pupil who is removed from a classroom or the premises of a public school for at least 2 days. (NRS 392.4645) Section 5.5 of this bill requires each school district to, on or before August 1 of each year, submit a copy of such a plan to the: (1) Joint Interim Standing Committee on Education; (2) Department of Education; and (3) State Board of Education.

Existing law authorizes, under certain circumstances, the suspension, expulsion or permanent expulsion of a pupil who attends a public school, charter school or university school for profoundly gifted pupils and who is at least 11 years of age. (NRS 388A.495, 388C.150, 392.466, 392.467) Existing law further provides that a pupil who is less than 11 years of age may be suspended, expelled or permanently expelled by the public school in which the pupil is enrolled if such a punishment is approved by the board of trustees of the school district. (NRS 392.466) **Sections 3, 4 ~~[, 7]~~ and 8** of this bill provide for the suspension, expulsion or permanent expulsion of certain pupils less than 11 years of age.

Under existing law, a public school is prohibited, in general, from permanently expelling a pupil who is less than 11 years of age, except for certain situations in which such a punishment is authorized by the board of trustees of a school board. (NRS 392.466. 392.467) ~~[Sections 7 and]~~ **Section 8 ~~[~~authorize~~]~~ authorizes** the permanent expulsion of a pupil who is less than 11 years of age. **Section 7 of this bill authorizes the suspension, expulsion or permanent expulsion of a pupil who sells or distributes a controlled substance in certain situations or commits an act of violence against certain persons in various school settings if: (1) the pupil is at least 6 years of age; (2) the suspension or expulsion is reviewed by the superintendent of the school district or his or her designee; and (3) if the removal is of a pupil with a disability, such removal complies with federal law. Sections 3 and 4 apply similar provisions to charter schools and university schools for profoundly gifted pupils, respectively.**

Existing law provides the process for the principal of a school to deem a pupil a habitual disciplinary problem. (NRS 392.4655) Existing law additionally provides the process by which, after a principal determines a pupil is not a habitual disciplinary problem, a teacher may appeal the decision to the board of trustees of the school district. Section 6 of this bill instead provides that such an appeal must be made to either the superintendent of the school district or his or her designee.

Existing law requires each public school to collect data on the discipline of pupils. (NRS 392.462) Section 4.5 of this bill requires: (1) such data collection to occur quarterly; and (2) include data on the implementation of a plan for progressive discipline and the training that teachers and administrators have received regarding the plan. Section 4.5 additionally

requires the principal of each school to, before August 1 of each year, report the data to: (1) the board of trustees of the school district; (2) the Joint Interim Standing Committee on Education; and (3) the Superintendent of Public Instruction.

Section 6 ~~[of this bill]~~ makes a conforming change to refer to provisions that have been renumbered by **section 7**.

Except as otherwise provided in subsection 5, the plan established pursuant to NRS 392.4644 must provide for the temporary removal of a pupil from a classroom or other premises of a public school if, in the judgment of the teacher or other staff member responsible for the classroom or other premises, as applicable, the pupil has engaged in behavior that seriously interferes with the ability of the teacher to teach the other pupils in the classroom and with the ability of the other pupils to learn or with the ability of the staff member to discharge his or her duties. The plan must provide that, upon the removal of a pupil from a classroom or any other premises of a public school pursuant to this section, the principal of the school shall provide an explanation of the reason for the removal of the pupil to the pupil and offer the pupil an opportunity to respond to the explanation. Within 24 hours after the removal of a pupil pursuant to this section, the principal of the school shall notify the parent or legal guardian of the pupil of the removal.

2. Except as otherwise provided in subsection 3, a pupil who is removed from a classroom or any other premises of a public school pursuant to this

(b) Studies or remains under the supervision of appropriate personnel of the school district; and

(c) Is prohibited from engaging in any extracurricular activity sponsored by the school.

➥ If the principal proceeds in accordance with NRS 392.466 or 392.467, the pupil must be removed from school in accordance with those sections and the provisions of NRS 392.4642 to 392.4648, inclusive, do not apply to the pupil.

Sec. 6. NRS 392.4655 is hereby amended to read as follows:

392.4655 1. Except as otherwise provided in this section, a principal of a school shall deem a pupil enrolled in the school a habitual disciplinary problem if the school has written evidence which documents that in 1 school year:

(b) The pupil has not entered into and participated in a plan of behavior pursuant to subsection 6; and

(c) The behavior of the pupil was not caused by homelessness, as determined in consultation with the local educational agency liaison for homeless pupils designated in accordance with the McKinney-Vento Homeless Assistance Act of 1987, 42 U.S.C. §§ 11301 et seq., or a contact person at a school, including, without limitation, a school counselor or school social worker.

2. A principal of a school shall presume that the behavior of the pupil was caused by homelessness unless the principal determines the behavior was not caused by homelessness pursuant to subsection 1.

3. At least one teacher of a pupil who is enrolled in elementary school and at least two teachers of a pupil who is enrolled in junior high, middle school or high school may request that the principal of the school deem a pupil a habitual disciplinary problem. Upon such a request, the principal of the school shall meet with each teacher who made the request to review the pupil's record of discipline. If, after the review, the principal of the school determines that the provisions of subsection 1 do not apply to the pupil, a teacher who submitted a request pursuant to this subsection may appeal that determination to the ~~[board of trustees]~~ ***superintendent*** of the school district ~~[.]~~ ***or his or her designee.*** Upon receipt of such a request, the ~~[board of trustees]~~ ***superintendent or his or her designee*** shall review the initial request and determination pursuant to the procedure established by the board of trustees for such matters.

5. A school shall provide the notice required by subsection 4 for each suspension on the record of a pupil during a school year. Such notice must be provided at least 7 days before the school deems the pupil a habitual disciplinary problem.

The parent or legal guardian of the pupil or, if the pupil is an unaccompanied pupil, the pupil may choose for the pupil not to participate in the plan of behavior. If the parent or legal guardian of the pupil or the pupil chooses for the pupil not to participate, the school shall inform the parent or legal guardian or the pupil of the consequences of not participating in the plan of behavior. Such a plan must be designed to prevent the pupil from being deemed a habitual disciplinary problem and may include, without limitation:

7. If a pupil commits the same act for which notice was provided pursuant to subsection 4 after he or she enters into a plan of behavior pursuant to subsection 6, the pupil shall be deemed to have not successfully completed the plan of behavior and may be deemed a habitual disciplinary problem.

8. A pupil may, pursuant to the provisions of this section, enter into one plan of behavior per school year.

9. The parent or legal guardian of a pupil or, if the pupil is an unaccompanied pupil, a pupil who has entered into a plan of behavior with a school pursuant to this section may appeal to the ~~[board of trustees]~~ ***superintendent*** of the school district ***or his or her designee*** a determination made by the school concerning the contents of the plan of behavior or action taken by the school pursuant to the plan of behavior. Upon receipt of such a

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 319.

AN ACT relating to property rights; authorizing the use of electronic ballots for the election and removal of members of the executive board of a unit-owners' association of a common-interest community and for the election of delegates or representatives to exercise the voting rights of units' owners in an association; authorizing a member of the executive board who is subject to removal to submit a written request for a meeting of the executive board to discuss the member's removal; **revising requirements concerning the provision of certain notices by an association;** specifying that an association is authorized to conduct a vote for the election or removal of a member of the executive board without a meeting; authorizing an association that conducts a

vote without a meeting to allow the units' owners to vote by using a voting machine; establishing requirements relating to the use of electronic voting for the election or removal of a member of the executive board without a meeting; authorizing money in the operating account of an association to be withdrawn without the usual required signatures for the purpose of making certain automatic and annual payments; requiring the Commission for Common-Interest Communities and Condominium Hotels to adopt regulations establishing the requirements relating to the transfer of certain items upon the termination or assignment of a management agreement; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law: (1) establishes the procedures for the election and removal of members of the executive board of a unit-owners' association of a common-interest community and the election of delegates or representatives to exercise the voting rights of units' owners in certain common-interest communities; and (2) requires that the election and removal of such members, as applicable, be conducted by secret written ballot. (NRS 116.31034, 116.31036, 116.31105) **Sections 1 and 2** of this bill, respectively, authorize the use of secret electronic ballots for the election or removal of any member of the executive board and require that the results of such ballots be reviewed, announced and entered into the record at a meeting of the association. **Section 4** of this bill makes conforming changes to provide the same authority and impose the same requirement with regard to the election of delegates or representatives to exercise the voting rights of units' owners. **Section 2** additionally provides that, with regard to the removal of a member of the executive board that will be voted on by secret ballot, the member who is the subject of the removal may submit a written request for a meeting of the executive board, which must occur before the meeting scheduled for a vote on the member's removal, at which the removal will be discussed as an agenda item. **Section 2** requires notice of such a requested meeting to be given to the units' owners not later than 5 days after receipt of the written request.

Existing law requires, in general, any notice required to be given to a unit's owner by an association and any communication from or other information provided by the association to be delivered to the mailing or electronic mail address designated by the unit's owner, unless the unit's owner has opted out of receiving electronic communications or has not designated an electronic mail address. (NRS 116.31068) Section 2.5 of this bill eliminates such requirements for notice with respect to communications from and other information provided by the association and instead requires, with certain exceptions, such notices to be delivered to the electronic mail address that a unit's owner designates. Section 2.5 sets forth the manner in which an association is required to deliver such notices to a unit's owner who has opted out of receiving electronic notices or who has not designated an electronic mail address at which to receive notices.

Existing law authorizes an association to conduct a vote without a meeting unless conducting a vote in such a manner is prohibited or limited by the declaration or bylaws of the association. (NRS 116.311) **Section 3** of this bill removes such an exception and specifies that an association is authorized to conduct a vote for the election or removal of a member of the executive board without a meeting.

Section 3 authorizes an association that conducts a vote without a meeting to allow the units' owners to vote by using a voting machine that meets certain requirements. **Section 3** also provides that if an association conducts a vote for the election or removal of a member of the executive board without a meeting and the ~~[association allows the]~~ **executive board chooses to** use ~~[of]~~ electronic voting: (1) ~~[a unit's owner may opt out of receiving an electronic]~~ **the association is required to send, within a certain time period, a paper** ballot ~~[;]~~ **and a return envelope, prepaid by United States mail, to any unit's owner who has opted out of receiving electronic notices pursuant to section 2.5;** (2) the association is required to ~~[deliver a paper]~~ **send, within a certain time period, an electronic** ballot to ~~[a]~~ **any** unit's owner ~~[in certain circumstances;]~~ **who has designated an electronic mail address at which to receive notices pursuant to section 2.5;** (3) if the association allows units' owners to vote by using a voting machine, the association is required to provide to a unit's owner the opportunity to opt out of voting by using a voting machine and instead receive a paper ballot; (4) a meeting of the units' owners must be held to open and count the paper ballots and review and announce the results obtained from the electronic ballots or voting machine and enter the results into the meeting record; and (5) any electronic voting must be conducted by an independent third-party who meets certain requirements.

Existing law generally prohibits money in the operating account of an association from being withdrawn without the signatures of certain persons, but also establishes certain purposes for which money in the operating account may be withdrawn without such signatures. (NRS 116.31153) **Section 5** of this bill additionally provides that money in the operating account of an association may be withdrawn without the usual required signatures for the purpose of making: (1) automatic payments for the cost of certain insurance policies, telecommunications services maintained by the association and services to the association that are billed on a monthly **, quarterly or annual** basis; and (2) annual payments to the Office of Ombudsman.

Existing law imposes certain requirements on community managers regarding the transfer of the possession of all books, records and other papers of a client upon the termination or assignment of a management agreement. (NRS 116A.620) **Section 6** of this bill instead requires the Commission for Common-Interest Communities and Condominium Hotels to adopt regulations establishing the requirements relating to such a transfer. **Section 7** of this bill makes a conforming change to remove the provisions of existing law relating to such a transfer when the Commission has adopted the regulations required by **section 6**.

Sections 8, 9 , 9.5 and 10 of this bill generally replicate the changes made by **sections 1, 2 , 2.5 and 3** in the corresponding provisions of law that apply to condominium hotels. **Section 11** of this bill replicates the existing provisions of and changes made to **section 5** and applies such provisions to condominium hotels.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 116.31034 is hereby amended to read as follows:

116.31034 1. Except as otherwise provided in subsection 5 of NRS 116.212, not later than the termination of any period of declarant's control, the units' owners shall elect an executive board of at least three members, all of whom must be units' owners. The executive board shall elect the officers of the association. Unless the governing documents provide otherwise, the officers of the association are not required to be units' owners. The members of the executive board and the officers of the association shall take office upon election.

2. The term of office of a member of the executive board may not exceed 3 years, except for members who are appointed by the declarant. Unless the governing documents provide otherwise, there is no limitation on the number of terms that a person may serve as a member of the executive board.

3. The governing documents of the association must provide for terms of office that are staggered in such a manner that, to the extent possible, an equal number of members of the executive board are elected at each election. The provisions of this subsection do not apply to:

(a) Members of the executive board who are appointed by the declarant; and

(b) Members of the executive board who serve a term of 1 year or less.

4. Not less than 30 days before the preparation of a ballot for the election of members of the executive board, the secretary or other officer specified in the bylaws of the association shall cause notice to be given to each unit's owner of the unit's owner's eligibility to serve as a member of the executive board. Each unit's owner who is qualified to serve as a member of the executive board may have his or her name placed on the ballot along with the names of the nominees selected by the members of the executive board or a nominating committee established by the association.

5. Before the secretary or other officer specified in the bylaws of the association causes notice to be given to each unit's owner of his or her eligibility to serve as a member of the executive board pursuant to subsection 4, the executive board may determine that if, at the closing of the prescribed period for nominations for membership on the executive board, the number of candidates nominated for membership on the executive board is equal to or less than the number of members to be elected to the executive board at the election, then:

(a) The association will not prepare or ~~[mail]~~ ***provide*** any ballots to units' owners pursuant to this section; and

(b) The nominated candidates shall be deemed to be duly elected to the executive board at the meeting of the units' owners at which the ballots would have been counted pursuant to paragraph (e) of subsection 15.

6. If the executive board makes the determination set forth in subsection 5, the secretary or other officer specified in the bylaws of the association shall disclose the determination and the provisions of subsection 5 with the notice given pursuant to subsection 4.

7. If, at the closing of the prescribed period for nominations for membership on the executive board, the number of candidates nominated for membership on the executive board is less than the number of members to be elected to the executive board at the election, the executive board may fill the remaining vacancies on the executive board by appointment of the executive board at a meeting of the executive board held after the candidates are elected pursuant to subsection 5. Any such person appointed to the executive board shall serve as a member of the executive board until the next regularly scheduled election of members of the executive board. An executive board member elected to a previously appointed position which was temporarily filled by board appointment pursuant to this subsection may only be elected to fulfill the remainder of that term.

8. If, at the closing of the prescribed period for nominations for membership on the executive board described in subsection 5, the number of candidates nominated for membership on the executive board is greater than the number of members to be elected to the executive board, then the association shall:

(a) Prepare and ~~[mail]~~ ***provide*** ballots to the units' owners pursuant to this section; and

(b) Conduct an election for membership on the executive board pursuant to this section.

9. Each person who is nominated as a candidate for membership on the executive board pursuant to subsection 4 must:

(a) Make a good faith effort to disclose any financial, business, professional or personal relationship or interest that would result or would appear to a reasonable person to result in a potential conflict of interest for the candidate if the candidate were to be elected to serve as a member of the executive board; and

(b) Disclose whether the candidate is a member in good standing. For the purposes of this paragraph, a candidate shall not be deemed to be in "good standing" if the candidate has any unpaid and past due assessments or construction penalties that are required to be paid to the association.

➥ The candidate must make all disclosures required pursuant to this subsection in writing to the association with his or her candidacy information. Except as otherwise provided in this subsection, the association shall distribute the disclosures, on behalf of the candidate, to each member of the association

with the ballot or, in the event ballots are not prepared and ~~[mailed]~~ ***provided*** pursuant to subsection 5, in the next regular mailing of the association. The association is not obligated to distribute any disclosure pursuant to this subsection if the disclosure contains information that is believed to be defamatory, libelous or profane.

10. Except as otherwise provided in subsections 11 and 12, unless a person is appointed by the declarant:

(a) A person may not be a candidate for or member of the executive board or an officer of the association if:

(3) The person, the person's spouse or the person's parent or child, by blood, marriage or adoption, performs the duties of a community manager for that association.

(b) A person may not be a candidate for or member of the executive board of a master association or an officer of that master association if the person, the person's spouse or the person's parent or child, by blood, marriage or adoption, performs the duties of a community manager for:

(1) That master association; or

(2) Any association that is subject to the governing documents of that master association.

11. A person, other than a person appointed by the declarant, who owns 75 percent or more of the units in an association may:

(a) Be a candidate for or member of the executive board or an officer of the association; and

(b) Reside in a unit with, be married to, be domestic partners with, or be related by blood, adoption or marriage within the third degree of consanguinity or affinity to another person who is also a member of the executive board or is an officer of the association,

➥ unless the person owning 75 percent or more of the units in the association and the other person would constitute a majority of the total number of seats on the executive board.

12. A person, other than a person appointed by the declarant, may:

(a) Be a candidate for or member of the executive board; and

(b) Reside in a unit with, be married to, be domestic partners with, or be related by blood, adoption or marriage within the third degree of consanguinity or affinity to another person who is also a member of the executive board or is an officer of the association,

➥ if the number of candidates nominated for membership on the executive board is less than or equal to the number of members to be elected to the executive board.

13. If a person is not eligible to be a candidate for or member of the executive board or an officer of the association pursuant to any provision of this chapter, the association:

(a) Must not place his or her name on the ballot; and

(b) Must prohibit such a person from serving as a member of the executive board or an officer of the association.

14. An officer, employee, agent or director of a corporate owner of a unit, a trustee or designated beneficiary of a trust that owns a unit, a partner of a partnership that owns a unit, a member or manager of a limited-liability company that owns a unit, and a fiduciary of an estate that owns a unit may be an officer of the association or a member of the executive board. In all events where the person serving or offering to serve as an officer of the association or a member of the executive board is not the record owner, the person shall file proof in the records of the association that:

(a) The person is associated with the corporate owner, trust, partnership, limited-liability company or estate as required by this subsection; and

(b) Identifies the unit or units owned by the corporate owner, trust, partnership, limited-liability company or estate.

15. Except as otherwise provided in subsection 5 or NRS ***116.311 or*** 116.31105, the election of any member of the executive board must be conducted by secret ~~[~~written~~]~~ ballot in the following manner:

(a) The secretary or other officer specified in the bylaws of the association shall cause a secret ***paper or electronic*** ballot ***to be provided to each unit's owner*** and ***:***

(1) If a paper ballot is provided, shall send the ballot and a return envelope ***,*** ~~[~~to be sent,~~]~~ prepaid by United States mail, to the mailing address of each unit within the common-interest community or to any other mailing address designated in writing by the unit's owner ~~[.]~~ ***; or***

16. An association shall not adopt any rule or regulation that has the effect of prohibiting or unreasonably interfering with a candidate in the candidate's campaign for election as a member of the executive board, except that the candidate's campaign may be limited to 90 days before the date that ballots are required to be returned to the association.

17. A candidate who has submitted a nomination form for election as a member of the executive board may request that the association or its agent either:

(II) The voting rights of those owners are not exercised by delegates or representatives, the mailing address of the association established pursuant to NRS 119A.520. If the mailing address of the association is provided to the candidate pursuant to this sub-subparagraph, the association must send to each owner of a time share within the time share plan the campaign material

provided by the candidate. If the campaign material will be sent by mail, the candidate who provides the campaign material must provide to the association a separate copy of the campaign material for each owner and must pay the actual costs of mailing before the campaign material is mailed. If the campaign material will be sent by electronic transmission, the candidate must provide to the association one copy of the campaign material in an electronic format.

➥ The information provided pursuant to this paragraph must not include the name of any unit's owner or any tenant of a unit's owner. If a candidate who makes a request for the information described in this paragraph fails or refuses to provide a written statement signed by the candidate which states that the candidate is making the request to allow the candidate to communicate campaign material directly to units' owners and that the candidate will not use the information for any other purpose, the association or its agent may refuse the request.

18. An association and its directors, officers, employees and agents are immune from criminal or civil liability for any act or omission which arises out of the publication or disclosure of any information related to any person and which occurs in the course of carrying out any duties required pursuant to subsection 17.

19. Each member of the executive board shall, within 90 days after his or her appointment or election, certify in writing to the association, on a form prescribed by the Administrator, that the member has read and understands the governing documents of the association and the provisions of this chapter to the best of his or her ability. The Administrator may require the association to submit a copy of the certification of each member of the executive board of that association at the time the association registers with the Ombudsman pursuant to NRS 116.31158.

Sec. 2. NRS 116.31036 is hereby amended to read as follows:

116.31036 1. Notwithstanding any provision of the declaration or bylaws to the contrary, any member of the executive board, other than a member appointed by the declarant, may be removed from the executive board, with or without cause, if at a removal election held pursuant to this section, the number of votes cast in favor of removal constitutes:

(a) At least 35 percent of the total number of voting members of the association; and

(b) At least a majority of all votes cast in that removal election.

2. A removal election may be called by units' owners constituting at least 10 percent, or any lower percentage specified in the bylaws, of the total number of voting members of the association. To call a removal election, the units' owners must submit a written petition which is signed by the required percentage of the total number of voting members of the association pursuant to this subsection and which is mailed, return receipt requested, or served by a process server to the executive board or the community manager for the association. If a removal election is called pursuant to this subsection and:

(a) The voting rights of the units' owners will be exercised through the use of secret ~~[written]~~ ballots pursuant to this section:

(1) The secret ~~[written]~~ ballots for the removal election must be ~~[sent]~~ ***mailed, provided or made available*** in the manner required by this section not less than 15 days or more than 60 days after the date on which the petition is received ***.*** ~~[; and]~~

(3) Upon written request submitted to the community manager, president or secretary of the association by a member of the executive board who is the subject of the removal election, the secretary or other officer specified in the bylaws of the association shall cause notice of a meeting of the executive board to be given to the units' owners not later than 5 days after receipt of the written request. The notice must include the date, time and location of the meeting, as requested by the member of the executive board who is the subject of the removal election, and identify the removal of the member from the executive board as an agenda item listed for discussion. A meeting requested pursuant to this subparagraph must occur before the date for the meeting set by the executive board pursuant to subparagraph (2).

(b) The voting rights of the owners of time shares will be exercised by delegates or representatives as set forth in NRS 116.31105, the executive board shall set the date for the removal election so that the removal election is held not less than 15 days or more than 90 days after the date on which the petition is received.

➥ The association shall not adopt any rule or regulation which prevents or unreasonably interferes with the collection of the required percentage of signatures for a petition pursuant to this subsection.

3. Except as otherwise provided in NRS ***116.311 or*** 116.31105, the removal of any member of the executive board must be conducted by secret ~~[written]~~ ballot in the following manner:

(a) The secretary or other officer specified in the bylaws of the association shall cause a secret ***paper or electronic*** ballot ***to be provided to each unit's owner*** and ***:***

(1) If a paper ballot is provided, shall send the ballot and a return envelope ***,*** ~~[to be sent,]~~ prepaid by United States mail, to the mailing address of each unit within the common-interest community or to any other mailing address designated in writing by the unit's owner ~~[.]~~ ***; or***

(b) Each unit's owner must be provided with at least 15 days after the date the secret ~~[~~written~~]~~ ballot is mailed ***, provided or made available*** to the unit's owner to return the secret ~~[~~written~~]~~ ballot to the association ~~[.]~~ ***by physical or electronic means.***

(c) Only the secret ~~[~~written~~]~~ ballots that ~~[~~are returned to~~]~~ the association ***receives by physical or electronic means*** may be counted to determine the outcome.

(d) ~~[~~The secret written ballots must be opened and counted at~~]~~ ***At*** a meeting of the association ~~[.]~~ ***, the secret ballots physically received by the association must be opened and counted and the results of the secret ballots received by the association by electronic means must be reviewed, announced and entered into the record.*** A quorum is not required to be present when the secret ~~[~~written~~]~~ ballots ***physically received by the association*** are opened and counted ***or the results of the secret ballots received by the association by electronic means are reviewed, announced and entered into the record*** at the meeting.

(e) The incumbent members of the executive board, including, without limitation, the member who is subject to the removal, may not possess, be given access to or participate in the opening or counting of the secret ~~[~~written~~]~~ ballots that ~~[~~are returned to~~]~~ the association ***physically receives, or the collection of data regarding the secret ballots that the association receives by electronic means,*** before those secret ~~[~~written~~]~~ ballots have been opened and counted ***or reviewed, announced and entered into the record, as applicable,*** at a meeting of the association.

Sec. 2.5. **NRS 116.31068 is hereby amended to read as follows:**

116.31068 1. Except as otherwise provided in ~~[~~subsection 3 and unless a unit's owner opts out of receiving electronic communications or has not designated an electronic mail address,~~]~~ ***subsections 2, 3 and 6,*** an association shall deliver any notice required to be given by the association under this chapter ~~[~~and any communication from or other information provided by the association~~]~~ to the ~~[~~mailing or~~]~~ electronic mail ~~[~~addresses~~]~~ ***address*** a unit's owner designates.

2. (a) Hand delivery to each unit's owner;

(b) Hand delivery, United States mail, postage paid, or commercially reasonable delivery service to the mailing address of each unit; or

(c) Any other method reasonably calculated to provide notice to the unit's owner.

~~[~~2.~~]~~ ***3. Except as otherwise provided in subsection 6, if a unit's owner has not opted out of receiving electronic notices, but has not designated an electronic mail address at which to receive notices pursuant to this section,***

the association may deliver any notice required to be given by the association pursuant to this chapter by:

(a) Electronic means, including, without limitation, by electronic mail to an electronic mail address that a unit's owner has provided to the association but has not designated as the electronic mail address at which to receive notices pursuant to this section; or

(b) Any of the methods specified in subsection 2.

4. A unit's owner is entitled to designate only one electronic mail address at which to receive notices pursuant to this section.

5. The ineffectiveness of a good faith effort to deliver notice by an authorized means does not invalidate action taken at or without a meeting.

~~[3.]~~ ***6.*** The provisions of this section do not apply:

(a) To a notice required to be given pursuant to NRS 116.3116 to 116.31168, inclusive; or

(b) If any other provision of this chapter specifies the manner in which a notice ~~[, communication or other information]~~ must be given by an association.

Sec. 3. NRS 116.311 is hereby amended to read as follows:

116.311 1. Unless prohibited or limited by the declaration or bylaws and except as otherwise provided in this section, units' owners may vote at a meeting in person, by absentee ballot pursuant to paragraph (d) of subsection 2, by a proxy pursuant to subsections 3 to 8, inclusive, or, when a vote is conducted without a meeting, by electronic or paper ballot pursuant to subsection 9.

2. At a meeting of units' owners, the following requirements apply:

(a) Units' owners who are present in person may vote by voice vote, show of hands, standing or any other method for determining the votes of units' owners, as designated by the person presiding at the meeting.

(b) If only one of several owners of a unit is present, that owner is entitled to cast all the votes allocated to that unit. If more than one of the owners are present, the votes allocated to that unit may be cast only in accordance with the agreement of a majority in interest of the owners, unless the declaration expressly provides otherwise. There is majority agreement if any one of the owners cast the votes allocated to the unit without protest being made promptly to the person presiding over the meeting by any of the other owners of the unit.

(c) Unless a greater number or fraction of the votes in the association is required by this chapter or the declaration, a majority of the votes cast determines the outcome of any action of the association.

(d) Subject to subsection 1, a unit's owner may vote by absentee ballot without being present at the meeting. The association promptly shall deliver an absentee ballot to an owner who requests it if the request is made at least 3 days before the scheduled meeting. Votes cast by absentee ballot must be included in the tally of a vote taken at that meeting.

(e) When a unit's owner votes by absentee ballot, the association must be able to verify that the ballot is cast by the unit's owner having the right to do so.

3. Except as otherwise provided in this section, votes allocated to a unit may be cast pursuant to a proxy executed by a unit's owner. A unit's owner may give a proxy only to a member of his or her immediate family, a tenant of the unit's owner who resides in the common-interest community, another unit's owner who resides in the common-interest community, or a delegate or representative when authorized pursuant to NRS 116.31105. If a unit is owned by more than one person, each owner of the unit may vote or register protest to the casting of votes by the other owners of the unit through an executed proxy. A unit's owner may revoke a proxy given pursuant to this section only by actual notice of revocation to the person presiding over a meeting of the association.

4. Before a vote may be cast pursuant to a proxy:

(a) The proxy must be dated.

(b) The proxy must not purport to be revocable without notice.

(c) The proxy must designate the meeting for which it is executed, and such a designation includes any recessed session of that meeting.

(d) The proxy must designate each specific item on the agenda of the meeting for which the unit's owner has executed the proxy, except that the unit's owner may execute the proxy without designating any specific items on the agenda of the meeting if the proxy is to be used solely for determining whether a quorum is present for the meeting. If the proxy designates one or more specific items on the agenda of the meeting for which the unit's owner has executed the proxy, the proxy must indicate, for each specific item designated in the proxy, whether the holder of the proxy must cast a vote in the affirmative or the negative on behalf of the unit's owner. If the proxy does not indicate whether the holder of the proxy must cast a vote in the affirmative or the negative for a particular item on the agenda of the meeting, the proxy must be treated, with regard to that particular item, as if the unit's owner were present but not voting on that particular item.

(e) The holder of the proxy must disclose at the beginning of the meeting for which the proxy is executed and any recessed session of that meeting the number of proxies pursuant to which the holder will be casting votes.

5. A proxy terminates immediately after the conclusion of the meeting, and any recessed sessions of the meeting, for which it is executed.

6. Except as otherwise provided in this subsection, a vote may not be cast pursuant to a proxy for the election or removal of a member of the executive board of an association. A vote may be cast pursuant to a proxy for the election or removal of a member of the executive board of a master association which governs a time-share plan created pursuant to chapter 119A of NRS if the proxy is exercised through a delegate or representative authorized pursuant to NRS 116.31105.

7. The holder of a proxy may not cast a vote on behalf of the unit's owner who executed the proxy in a manner that is contrary to the proxy.

8. A proxy is void if the proxy or the holder of the proxy violates any provision of subsections 3 to 7, inclusive.

9. ~~[Unless prohibited or limited by the declaration or bylaws, an]~~ ***An*** association may conduct a vote without a meeting ~~[. If*** an association conducts a vote without a meeting, the following requirements apply:

(b) The association shall deliver a paper or electronic ballot to every unit's owner entitled to vote on the matter ~~[.]~~ ***and may allow the units' owners to vote by using a voting machine. Any such voting machine must be a mechanical voting system that has been approved by the Secretary of State in accordance with chapter 293B of NRS and, once voting begins, must be*** ~~***[available]***~~ ***:***

(1) Located in a prominent place within the common elements of the association; and

(2) Available for use between the hours of 8 a.m. and 8 p.m. each day for a period of 15 consecutive days.

(c) The ballot must set forth each proposed action and provide an opportunity to vote for or against the action.

(d) When the association delivers the ballots, it shall also:

(1) Indicate the number of responses needed to meet the quorum requirements;

(2) State the percentage of votes necessary to approve each matter other than election of directors;

(3) Specify the time and date by which a ballot must be delivered to the association to be counted, which time and date may not be fewer than 3 days after the date the association delivers the ballot; and

(4) Describe the time, date and manner by which units' owners wishing to deliver information to all units' owners regarding the subject of the vote may do so.

(e) Except as otherwise provided in the declaration or bylaws, a ballot is not revoked after delivery to the association by death or disability of or attempted revocation by the person who cast that vote.

(f) Approval by ballot pursuant to this subsection is valid only if the number of votes cast by ballot equals or exceeds the quorum required to be present at a meeting authorizing the action.

(g) If the vote is for the election or removal of a member of the executive board and the ~~***[association allows the]***~~ ***executive board chooses to use*** ~~***[of]***~~ ***electronic voting:***

(1) ~~***[Upon the request of a unit's owner, an association shall provide a form to the unit's owner that allows the unit's owner to opt out of receiving electronic ballots and instead receive paper ballots.]***~~ ***If the vote is for the election of a member of the executive board, the association must send or provide, in the manner and time that ballots are sent or provided pursuant***

to paragraph (a) of subsection 15 of NRS 116.31034 or paragraph (a) of subsection 7 of NRS 116.31105:

(I) A paper ballot and a return envelope, prepaid by United States mail, to any unit's owner who has opted out of receiving electronic notices pursuant to subsection 2 of NRS 116.31068; and

(II) An electronic ballot to any unit's owner who has designated an electronic mail address at which to receive notices pursuant to subsection 3 of NRS 116.31068.

(2) If ~~[a unit's owner has not given the association an electronic mail address or has opted out of using electronic ballots by returning to the association the form provided pursuant to subparagraph (1) at any time not less than 5 days before the date of the meeting when the votes will be counted,]~~ the vote is for the removal of a member of the executive board, the association ~~[shall]~~ must send ~~[a]~~ or provide, in the manner and time that ballots are sent or provided pursuant to subparagraph (1) of paragraph (a) of subsection 2 of NRS 116.31036:

(I) A paper ballot and a return envelope, prepaid by United States mail, to ~~[the mailing address of the unit's owner or to any other mailing address designated in writing by the]~~ any unit's owner ~~[,]~~ who has opted out of receiving electronic notices pursuant to subsection 2 of NRS 116.31068; and

(II) An electronic ballot to any unit's owner who has designated an electronic mail address at which to receive notices pursuant to subsection 3 of NRS 116.31068.

(3) If the association allows units' owners to vote by using a voting machine, the association must provide to each unit's owner, not less than 15 days before the date on which voting begins, a notice of the opportunity to vote by using a voting machine that provides the location at which the voting machine will be available for use and the days and times during which the voting machine will be available for use. The association shall also provide with the notice a form that allows a unit's owner to opt out of voting by using a voting machine and instead receive a paper ballot. If a unit's owner returns the form to the association within 15 days after receiving the notice, the association shall send a paper ballot and a return envelope, prepaid by United States mail, to the mailing address of the unit's owner or to any other mailing address designated in writing by the unit's owner.

(4) A meeting of the units' owners must be held in the manner set forth in NRS 116.31034 or 116.31036 to open and count the paper ballots and review and announce the results obtained from the electronic ballots or voting machine, as applicable, and enter the results into the meeting record. Any paper ballots must be opened and counted in a manner that may be readily observed by the units' owners in attendance at the meeting and must not occur privately behind closed doors or in an area that is not open to observation by the units' owners in attendance.

(5) Any electronic voting must be conducted by an independent third-party through the use of an online voting system, a voting machine, or both an online voting system and a voting machine. The independent third-party shall be deemed to be a data collector pursuant to NRS 603A.030 and is subject to the obligations and liabilities of chapter 603A of NRS with regard to the security and privacy of any personal information, as that term is defined in NRS 603A.040, that is provided or maintained through the use of an online voting system or voting machine. The independent third-party conducting the electronic voting may not be any of the following persons and may not share voting results or information with any of the following persons before the meeting held pursuant to subparagraph (4):

(I) A candidate for or member of the executive board or an officer of the association;

(II) A person who resides in a unit with, is married to, is domestic partners with, or is related by blood, adoption or marriage within the third degree of consanguinity or affinity to another person who is a member of the executive board or an officer of the association or performs the duties of a community manager for the association;

(III) An officer, employee, agent or director of a corporate owner of a unit, a trustee or designated beneficiary of a trust that owns a unit, a partner of a partnership that owns a unit, a member or manager of a limited-liability company that owns a unit or a fiduciary of an estate that owns a unit if the unit is also owned by another person who is a member of the executive board or an officer of the association or serves as the community manager for the association;

(IV) A person who performs the duties of a community manager for the association, an affiliate of the community manager, an employee of the company by whom the community manager is employed or an affiliate of the company, the spouse of any such person or the parent or child of any such person by blood, adoption or marriage;

(V) The declarant of the association or an affiliate of the declarant;

(VI) A unit's owner or resident of the association; or

(VII) Any person who stands to gain any personal profit or compensation of any kind from a matter before the executive board of the association other than payment only for conducting voting services for the association.

10. If the declaration requires that votes on specified matters affecting the common-interest community must be cast by the lessees of leased units rather than the units' owners who have leased the units:

(a) This section applies to the lessees as if they were the units' owners;

(b) The units' owners who have leased their units to the lessees may not cast votes on those specified matters;

(c) The lessees are entitled to notice of meetings, access to records and other rights respecting those matters as if they were the units' owners; and

(d) The units' owners must be given notice, in the manner provided in NRS 116.3108, of all meetings at which the lessees are entitled to vote.

11. If any votes are allocated to a unit that is owned by the association, those votes may not be cast, by proxy or otherwise, for any purpose.

12. As used in this section, "online voting system" means an Internet-based voting system with a process that has the ability:

(a) To authenticate:

(1) The identity of a unit's owner; and

(2) The validity of each electronic vote to ensure that the vote is not altered in transit;

(b) To enable a unit's owner to transmit an electronic ballot to the online voting system in a way that ensures the secrecy and integrity of the ballot;

(c) To transmit an electronic receipt to each unit's owner who casts an electronic vote;

(d) To separate any authenticating or identifying information from an electronic ballot, thereby rendering it impossible to match an electronic ballot to a specific unit's owner;

(e) To store electronic votes and keep them accessible to units' owners and the Office of the Ombudsman for the purposes of recounts, inspections and reviews;

(f) To count all lawful votes; and

(g) To identify, reject and record the basis for rejection of all unlawful votes, including, without limitation, a vote by a unit's owner whose voting rights have been suspended, a vote by a person who is not a unit's owner and duplicate votes.

Sec. 4. NRS 116.31105 is hereby amended to read as follows:

116.31105 1. Except as otherwise provided in subsection 8, if the declaration so provides, in a common-interest community that consists of at least 1,000 units, the voting rights of the units' owners in the association for that common-interest community may be exercised by delegates or representatives except that, in the election or removal of a member of the executive board, the voting rights of the units' owners may not be exercised by delegates or representatives.

2. Except as otherwise provided in subsection 8, in addition to a common-interest community identified in subsection 1, if the declaration so provides, in a common-interest community created before October 1, 1999, the voting rights of the units' owners in the association for that common-interest community may be exercised by delegates or representatives except that, in the election or removal of a member of the executive board, the voting rights of the units' owners may not be exercised by delegates or representatives.

4. For the purposes of subsection 1, each unit that a declarant has reserved the right to create pursuant to NRS 116.2105 and for which developmental rights exist must be counted in determining the number of units in a common-interest community.

5. For the purposes of subsection 3, each time share that a developer has reserved the right to create pursuant to paragraph (g) of subsection 2 of NRS 119A.380 must be counted in determining the number of time shares in a time-share plan.

6. Notwithstanding any provision in the declaration, the election of any delegate or representative must be conducted by secret ~~[written]~~ ballot.

7. When an election of a delegate or representative is conducted by secret ~~[written]~~ ballot:

8. Except as otherwise provided in subsection 9, the voting rights of the units' owners in the association for a common-interest community may be exercised by delegates or representatives only during the period that the declarant is in control of the association and during the 2-year period after the declarant's control of the association is terminated pursuant to NRS 116.31032.

9. The provisions of subsection 8 do not apply to:

(a) A time-share plan created pursuant to chapter 119A of NRS which is governed by a master association; or

Sec. 8. NRS 116B.445 is hereby amended to read as follows:

116B.445 1. Not later than the termination of any period of declarant's control, the units' owners shall elect an executive board of at least three members. At least a majority of the members of the executive board must be residential unit owners and at least one member of the executive board must be a duly authorized representative of the hotel unit owner. The executive board shall elect the officers of the association. The members of the executive board and the officers of the association shall take office upon election.

2. The term of office of a member of the executive board may not exceed 3 years, except for members who are appointed by the declarant or the hotel unit owner. Unless the governing documents provide otherwise, there is no limitation on the number of terms that a person may serve as a member of the executive board.

3. The governing documents of the association must provide for terms of office that are staggered in such a manner that, to the extent possible, an equal number of members of the executive board are elected at each election. The provisions of this subsection do not apply to:

(a) Members of the executive board who are appointed by the declarant;

(b) Members of the executive board who are appointed by the hotel unit owner; and

(c) Members of the executive board who serve a term of 1 year or less.

4. Not less than 30 days before the preparation of a ballot for the election of members of the executive board, the secretary or other officer specified in the bylaws of the association shall cause notice to be given to each unit's owner of his or her eligibility to serve as a member of the executive board. Each unit's owner who is qualified to serve as a member of the executive board may have his or her name placed on the ballot along with the names of the nominees selected by the members of the executive board or a nominating committee established by the association.

5. Each person whose name is placed on the ballot as a candidate for a member of the executive board must:

(a) Make a good faith effort to disclose any financial, business, professional or personal relationship or interest that would result or would appear to a reasonable person to result in a potential conflict of interest for the candidate if the candidate were to be elected to serve as a member of the executive board; and

(b) Disclose whether the candidate is a member in good standing. For the purposes of this paragraph, a candidate shall not be deemed to be in "good standing" if the candidate has any unpaid and past due assessments or charges that are required to be paid to the association.

➥ The candidate must make all disclosures required pursuant to this subsection in writing to the association with his or her candidacy information.

The association shall distribute the disclosures to each member of the association with the ballot in the manner established in the bylaws of the association.

6. Unless a person is appointed by the declarant, a person may not be a member of the executive board or an officer of the association if the person, the person's spouse or the person's parent or child, by blood, marriage or adoption, performs the duties of a community manager for that association.

7. An officer, employee, agent or director of a corporate owner of a unit, a trustee or designated beneficiary of a trust that owns a unit, a partner of a partnership that owns a unit, a member or manager of a limited-liability company that owns a unit, and a fiduciary of an estate that owns a unit may be an officer of the association or a member of the executive board. In all events where the person serving or offering to serve as an officer of the association or a member of the executive board is not the record owner, the person shall file proof in the records of the association that:

(a) The person is associated with the corporate owner, trust, partnership, limited-liability company or estate as required by this subsection; and

(b) Identifies the unit or units owned by the corporate owner, trust, partnership, limited-liability company or estate.

9. Each member of the executive board shall, within 90 days after his or her appointment or election, certify in writing to the association, on a form prescribed by the Administrator, that the member has read and understands the governing documents of the association and the provisions of this chapter to the best of the member's ability. The Administrator may require the association to submit a copy of the certification of each member of the executive board of that association at the time the association registers with the Ombudsman pursuant to NRS 116B.625.

Sec. 9. NRS 116B.450 is hereby amended to read as follows:

116B.450 1. Notwithstanding any provision of the declaration or bylaws to the contrary, any member of the executive board, other than a member appointed by the declarant or elected by the hotel unit owner, may be removed from the executive board, with or without cause, if at a removal election held pursuant to this section, the number of votes cast in favor of removal constitutes:

(a) At least 35 percent of the total number of voting members of the association; and

(b) At least a majority of all votes cast in that removal election.

2. A removal election may be called by units' owners constituting at least 10 percent, or any lower percentage specified in the bylaws, of the total number of voting members of the association. (c) Upon written request submitted to the community manager, president or secretary of the association by a member of the executive board who is the subject of the removal election, the secretary or other officer specified in the bylaws of the association shall cause notice of a meeting of the executive board to be given to the units' owners not later than 5 days after receipt of the written request. The notice must include the date, time and location of the meeting, as requested by the member of the executive board who is the subject of the removal election, and identify the removal of the member from the executive board as an agenda item listed for discussion. A meeting requested pursuant to this paragraph must occur before the date for the meeting set by the executive board pursuant to paragraph (b).

3. ~~[~~The~~]~~ ***Except as otherwise provided in NRS 116B.550, the*** removal of any member of the executive board must be conducted by secret ~~[~~written~~]~~ ballot as follows:

Sec. 9.5. **NRS 116B.513 is hereby amended to read as follows:**

116B.513 1. 2. Except as otherwise provided in subsection ~~[3,]~~ ***6,*** if a unit's owner has ~~[not designated a mailing or]~~ ***opted out of receiving*** electronic ~~[mail address to which a notice must be delivered,]~~ ***notices,*** the association or hotel unit owner may deliver notices by:

(b) Hand delivery, United States mail, postage paid, or commercially reasonable delivery service to the mailing address of the unit of the unit's owner; or

(c) Any other method reasonably calculated to provide notice to the unit's owner.

~~[2.]~~ ***3. Except as otherwise provided in subsection 6, if a unit's owner has not opted out of receiving electronic notices, but has not designated an electronic mail address at which to receive notices pursuant to this section, the association may deliver any notice required to be given by the association pursuant to this chapter by:***

(a) Electronic means, including, without limitation, by electronic mail to an electronic mail address that a unit's owner has provided to the association but has not designated as the electronic mail address at which to receive notices pursuant to this section; or

(b) Any of the methods specified in subsection 2.

4. A unit's owner is entitled to designate only one electronic mail address at which to receive notices pursuant to this section.

5. The ineffectiveness of a good faith effort to deliver notice by an authorized means does not invalidate action taken at or without a meeting.

~~[3.]~~ ***6.*** The provisions of this section do not apply:

(a) To a notice required to be given pursuant to NRS 116B.630 to 116B.665, inclusive; or

(b) If any other provision of this chapter specifies the manner in which a notice must be given by an association or hotel unit owner.

Sec. 10. NRS 116B.550 is hereby amended to read as follows:

116B.550 1. Unless prohibited or limited by the declaration or bylaws and except as otherwise provided in this section, the units' owners may vote at a meeting in person, by absentee ballot pursuant to paragraph (d) of subsection

2, by a proxy pursuant to subsections 3 to 8, inclusive, or, when a vote is conducted without a meeting, by paper or electronic ballot pursuant to subsection 9.

2. At a meeting of the units' owners, the following requirements apply:

(a) Units' owners who are present in person may vote by voice vote, show of hands, standing or any other method for determining the votes of the units' owners, as designated by the person presiding at the meeting.

(b) If only one of several owners of a unit is present, that owner is entitled to cast all the votes allocated to that unit. If more than one of the owners are present, the votes allocated to that unit may be cast only in accordance with the agreement of a majority in interest of the owners, unless the declaration expressly provides otherwise. There is majority agreement if any one of the owners cast the votes allocated to the unit without protest being made promptly to the person presiding over the meeting by any of the other owners of the unit.

(c) Unless a greater number or fraction of the votes in the association is required by this chapter or the declaration, a majority of the votes cast determines the outcome of any action of the association.

(d) Subject to the provisions of subsection 1, a unit's owner may vote by absentee ballot without being present at the meeting. The association promptly shall deliver an absentee ballot to a unit's owner who requests it if the request is made at least 3 days before the scheduled meeting. Votes cast by absentee ballot must be included in the tally of a vote taken at that meeting.

(e) When a unit's owner votes by absentee ballot, the association must be able to verify that the ballot is cast by the unit's owner having the right to do so.

3. Except as otherwise provided in this section, votes allocated to a unit may be cast pursuant to a proxy executed by a unit's owner. A unit's owner may give a proxy only to a member of his or her immediate family, a tenant of the unit's owner who resides in the condominium hotel, the hotel unit owner or another unit's owner who resides in the condominium hotel. If a unit is owned by more than one person, each owner of the unit may vote or register protest to the casting of votes by the other owners of the unit through an executed proxy. A unit's owner may revoke a proxy given pursuant to this section only by actual notice of revocation to the person presiding over a meeting of the association.

4. Before a vote may be cast pursuant to a proxy:

(a) The proxy must be dated.

(b) The proxy must not purport to be revocable without notice.

(c) The proxy must designate the meeting for which it is executed, and such a designation includes any recessed session of the meeting.

(d) The proxy must designate each specific item on the agenda of the meeting for which the unit's owner has executed the proxy, except that the unit's owner may execute the proxy without designating any specific items on the agenda of the meeting if the proxy is to be used solely for determining whether a quorum is present for the meeting. If the proxy designates one or

more specific items on the agenda of the meeting for which the unit's owner has executed the proxy, the proxy must indicate, for each specific item designated in the proxy, whether the holder of the proxy must cast a vote in the affirmative or the negative on behalf of the unit's owner. If the proxy does not indicate whether the holder of the proxy must cast a vote in the affirmative or the negative for a particular item on the agenda of the meeting, the proxy must be treated, with regard to that particular item, as if the unit's owner were present but not voting on that particular item.

(e) The holder of the proxy must disclose at the beginning of the meeting for which the proxy is executed and any recessed session of that meeting the number of proxies pursuant to which the holder will be casting votes.

5. A proxy terminates immediately after the conclusion of the meeting, and any recessed sessions of the meeting, for which it is executed.

6. A vote may not be cast pursuant to a proxy for the election or removal of a member of the executive board of an association.

7. The holder of a proxy may not cast a vote on behalf of the unit's owner who executed the proxy in a manner that is contrary to the proxy.

8. A proxy is void if the proxy or the holder of the proxy violates any provision of subsections 3 to 7, inclusive.

9. ~~[~~Unless prohibited or limited by the declaration or bylaws, an~~]~~ ***An*** association may conduct a vote without a meeting ~~[~~. (b) The association shall deliver a paper or electronic ballot to every unit's owner entitled to vote on the matter ~~[.]~~ ***and may allow the units' owners to vote by using a voting machine. Any such voting machine must be a mechanical voting system that has been approved by the Secretary of State in accordance with chapter 293B of NRS and, once voting begins, must be*** ~~***[available]***~~ ***:***

(1) Located in a prominent place within the common elements of the condominium hotel; and

(2) Available for use between the hours of 8 a.m. and 8 p.m. each day for a period of 15 consecutive days.

(c) The ballot must set forth each proposed action and provide an opportunity to vote for or against the action.

(d) When the association delivers the ballots, it shall also:

(1) Indicate the number of responses needed to meet the quorum requirements;

(2) State the percentage of votes necessary to approve each matter other than election of directors;

(3) Specify the time and date by which a ballot must be delivered to the association to be counted, which time and date may not be fewer than 3 days after the date the association delivers the ballot; and

(4) Describe the time, date and manner by which units' owners wishing to deliver information to all units' owners regarding the subject of the vote may do so.

(e) Except as otherwise provided in the declaration or bylaws, a ballot is not revoked after delivery to the association by death or disability of or attempted revocation by the person who cast that vote.

(f) Approval by ballot pursuant to this subsection is valid only if the number of votes cast by ballot equals or exceeds the quorum required to be present at a meeting authorizing the action.

(g) If the vote is for the election or removal of a member of the executive board and the ~~[association allows the]~~ executive board chooses to use ~~[of]~~ electronic voting:

(1) ~~[Upon the request of a unit's owner, an association shall provide a form to the unit's owner that allows the unit's owner to opt out of receiving electronic ballots and instead receive paper ballots.]~~ If the vote is for the election of a member of the executive board, an association shall send or provide, in the manner and time that ballots are sent or provided pursuant to paragraph (a) of subsection 8 of NRS 116B.445:

(I) A paper ballot and a return envelope, prepaid by United States mail, to any unit's owner who has opted out of receiving electronic notices pursuant to subsection 2 of NRS 116B.513; and

(II) An electronic ballot to any unit's owner who has designated an electronic mail address at which to receive notices pursuant to subsection 3 of NRS 116B.513.

(2) If ~~[a unit's owner has not given the association an electronic mail address or has opted out of using electronic ballots by returning to the association the form provided pursuant to subparagraph (1) at any time not less than 5 days before the date of the meeting when the votes will be counted,]~~ the vote is for the removal of a member of the executive board, the association ~~[shall]~~ must send ~~[a]~~ or provide, in the manner and time that ballots are sent or provided pursuant to paragraph (a) of subsection 2 of NRS 116B.450:

(I) A paper ballot and a return envelope, prepaid by United States mail, to ~~[the mailing address of the unit's owner or to any other mailing address designated in writing by the]~~ any unit's owner ~~[.]~~ who has opted out of receiving electronic notices pursuant to subsection 2 of NRS 116B.513; and

(II) An electronic ballot to any unit's owner who has designated an electronic mail address at which to receive notices pursuant to subsection 3 of NRS 116B.513.

(3) If the association allows units' owners to vote by using a voting machine, the association must provide to each unit's owner, not less than

15 days before the date on which voting begins, a notice of the opportunity to vote by using a voting machine that provides the location at which the voting machine will be available for use and the days and times during which the voting machine will be available for use. The association shall also provide with the notice a form that allows a unit's owner to opt out of voting by using a voting machine and instead receive a paper ballot. If a unit's owner returns the form to the association within 15 days after receiving the notice, the association shall send a paper ballot and a return envelope, prepaid by United States mail, to the mailing address of the unit's owner or to any other mailing address designated in writing by the unit's owner.

(4) A meeting of the units' owners must be held in the manner set forth in NRS 116B.445 or 116B.450 to open and count the paper ballots and review and announce the results obtained from the electronic ballots or voting machine, as applicable, and enter the results into the meeting record. Any paper ballots must be opened and counted in a manner that may be readily observed by the units' owners in attendance at the meeting and must not occur privately behind closed doors or in an area that is not open to observation by the units' owners in attendance.

(5) Any electronic voting must be conducted by an independent third-party through the use of an online voting system, a voting machine, or both an online voting system and a voting machine. The independent third-party shall be deemed to be a data collector pursuant to NRS 603A.030 and is subject to the obligations and liabilities of chapter 603A of NRS with regard to the security and privacy of any personal information, as that term is defined in NRS 603A.040, that is provided or maintained through the use of an online voting system or voting machine. The independent third-party conducting the electronic voting may not be any of the following persons and may not share voting results or information with any of the following persons before the meeting held pursuant to subparagraph (4):

(I) A candidate for or member of the executive board or an officer of the association;

(II) A person who resides in a unit with, is married to, is domestic partners with, or is related by blood, adoption or marriage within the third degree of consanguinity or affinity to another person who is a member of the executive board or an officer of the association or performs the duties of a community manager for the association;

(NRS 233B.067)~~

~~— Section 19 of this bill provides that sections 8-17 governing environmental justice impact statements do not take effect until the Commission on Environmental Justice adopts regulations setting forth the process and metrics for environmental justice impact statements.]~~

Amendment No. 377.

AN ACT relating to education; requiring a suspension or expulsion in a charter school or a university school for profoundly gifted pupils to be consistent with such punishments in certain public schools; requiring a plan for restorative discipline for public schools to include consideration of certain data relating to pupil discipline; authorizing the Superintendent of Public

Instruction to require implementation of an alternative plan for restorative discipline if a public school fails to take certain actions relating to disproportionality in pupil discipline; requiring a plan for restorative discipline to reflect the authority to temporarily remove a pupil from the classroom; ~~[authorizing a principal to place limitations on the ability of certain staff to remove certain pupils from the classroom;]~~ requiring certain actions by a school at the time of a suspension or expulsion of a pupil for committing certain acts; revising ~~[provisions regarding the suspension or expulsion of certain homeless pupils and pupils in foster care;]~~ **the persons to whom the appeals of certain disciplinary determinations may be made;** revising requirements for policies for the appeal of suspensions and expulsions; ~~[repealing the requirement that the Department of Education, to the extent money is available, develop a statewide framework for restorative justice;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes certain provisions relating to the behavior and discipline of pupils. (NRS 392.4601-392.472) **Sections 2 and 3** of this bill apply these provisions to charter schools and university schools for profoundly gifted pupils.

Section 3.3 of this bill establishes: (1) requirements for proper notification to a pupil and the parent or legal guardian of the pupil, if the pupil is less than 18 years of age, of the policy to appeal a suspension or expulsion; (2) a 5-day timeline for a pupil or, if the pupil is less than 18 years of age, the parent or guardian of the pupil to appeal the suspension or expulsion; (3) a 5-day timeline for a hearing to be scheduled upon receipt of such an appeal; (4) the method for determining whether a pupil who is suspended or expelled or is being considered for suspension or expulsion may be considered for temporary alternative placement; and (5) that education services are required to be provided to the pupil to prevent the pupil from losing academic credit or being disengaged from school during the period the pupil is suspended or expelled. Sections 3.5 and 3.7 of this bill make conforming changes to indicate the proper placement of section 3.3 in the Nevada Revised Statutes.

Under existing law, the board of trustees of each school district is required to establish a plan to provide for the restorative discipline of pupils, which must be developed with the input of certain school personnel and the parents and guardians of pupils. (NRS 392.4644) Existing law also requires each public school to collect and submit data on the discipline of pupils and categorize such data by various subgroups of pupils. (NRS 392.462) ~~[Section 6 of this bill removes the reference to a statewide framework for restorative justice developed by the Department of Education, the development of which is repealed by section 15 of this bill.]~~ **Section 4** of this bill requires that the data be reported to the superintendent of the school district or to the administrative head of a charter school. **Section 6** also requires the Superintendent of Public Instruction to review data on the disproportionality

of punishments and provide a corrective period for any deficient schools to make progress in addressing any disproportionalities or any insufficiency in such data. ~~[Section 7 of this bill authorizes a principal to restrict the ability of a teacher or staff member to temporarily remove a pupil from a classroom if the principal determines such removal to be unnecessary.]~~

Existing law requires a plan to provide for the restorative discipline of pupils to provide for the temporary removal of a pupil from a classroom or other premises of a public school under certain circumstances. (NRS 392.4645) **Section 7** instead authorizes the temporary removal of a pupil from a classroom or other premises of a public school under such circumstances, and **section 6** requires a plan to provide for the restorative discipline of pupils to include provisions for such a temporary removal.

Existing law requires that a pupil who has been removed from the classroom or other premises of a public school must have a conference within 3 days after removal, with certain exceptions. If such a conference is not held within 3 days, the pupil is required to be allowed to return to the classroom or other premises, with certain exceptions. (NRS 392.4646) **Section 8** of this bill removes the requirement if, in the judgment of the principal, the pupil continues to pose a threat and the superintendent has authorized an extension of the removal.

Existing law provides certain requirements concerning the determination that a pupil is deemed a habitual disciplinary problem. (NRS 392.4655) **Section 9** of this bill ~~[removes the presumption that the behavior of the pupil was caused by homelessness, and instead requires the principal to review available information and make such a determination.]~~ **revises the persons to whom a pupil or parent or legal guardian of a pupil may appeal such a determination.**

Under existing law, certain pupils may be suspended or expelled from school for: (1) committing a battery which results in the bodily injury of an employee of the school; or (2) selling or distributing any controlled substance in certain circumstances. (NRS 392.466) **Section 10** of this bill ~~[requires a pupil who commits such an act to be: (1) expelled for the first occurrence; and]~~**: (1) revises the circumstances under which a pupil is expelled or assigned to a temporary alternative placement; and** (2) **requires the pupil to be** permanently expelled for the second occurrence. **Section 10** also requires a school to develop and implement a reentry plan based on restorative justice practices following the first occurrence. **Sections 10 and 11** of this bill **: (1) prohibit the permanent explusion of a pupil who is less than 6 years of age; and (2)** authorize a homeless pupil or a pupil in foster care of any age to be suspended or expelled for not more than 5 days if the principal determines that the conduct of the pupil poses an ongoing threat.

Existing law provides that a pupil may not be suspended or expelled unless the pupil is given the opportunity for a hearing. (NRS 392.467) **Section 11** removes the hearing requirement before suspension or expulsion for certain pupils who: (1) pose a danger to other persons or property; (2) threaten to

disrupt the academic process; (3) are selling or distributing a controlled substance; or (4) are in possession of a firearm or other dangerous weapon.

Existing law provides certain requirements concerning the process for appealing a suspension or expulsion. (NRS 392.4671) **Section 12** of this bill makes these requirements applicable to significant suspensions, expulsions or permanent expulsions.

Existing law requires that, with certain exceptions, a public school must provide a plan of action based on restorative justice to a pupil before removing, suspending or expelling the pupil. (NRS 392.472) **Section 13** of this bill allows a pupil to be temporarily removed in certain circumstances without first providing such a plan.

~~**[**Existing law requires the Department, to the extent money is available, to develop a statewide framework for restorative justice. (NRS 388.1333) Section 15 repeals that provision.**]**~~

or otherwise preventing access to information relating to the examination or investigation.

Existing law requires financial institutions to pay assessments established by the Commissioner to cover: (1) the costs of certain independent audits and examinations; (2) legal services provided by the Attorney General to the Commissioner and the Division of Financial Institutions; and (3) supervision and examinations by the Commissioner or Division. Section 44 sets forth grounds upon which the Commissioner may deny an application for a license or suspend, revoke or refuse to renew a license. **Section 46** of this bill requires a student loan servicer **and a private education lender** to comply with certain federal laws and regulations, and deems a violation of those federal laws or regulations to be a violation of Nevada law**.** ~~**[**upon which the Commissioner may act.**]**~~ **Sections 47, 48 and 50** of this bill establish the rights, remedies and penalties available for violations of the new chapter. **Sections 49 and 56** of this bill make confidential any books, records or other information obtained by the Division in connection with an application, complaint, audit, investigation or examination. **Section 51** requires the Commissioner to adopt any regulations necessary to carry out the provisions of the new chapter. **Section 52** of this bill makes a conforming change to indicate the proper placement of the new chapter in the Nevada Revised Statutes.

Existing law establishes the duties of the Student Loan Ombudsman designated by the State Treasurer. Those duties include receiving, reviewing and attempting to resolve complaints from student loan borrowers. (NRS 226.570) **Section 54** of this bill requires the Student Loan Ombudsman to make those complaints available to the Attorney General. **Section 55** of this bill makes a conforming change to indicate the proper placement of **section 54** in the Nevada Revised Statutes.

~~**[**Section 57 of this bill imposes certain requirements on postsecondary educational institutions with respect to the presentation of accurate information about the institution to the Commission on Postsecondary Education within the Employment Security Division of the Department of Employment, Training and Rehabilitation. Section 57 also requires postsecondary educational institutions to timely notify the Commission on Postsecondary Education if the institution becomes subject to an investigation by an oversight entity. Section 58 of this bill requires that the funds to carry out the provisions of section 57 be provided by legislative appropriation from the General Fund. Section 59 of this bill provides that a person who willfully violates the provisions of section 57 is guilty of a gross misdemeanor.**]**~~

If there are multiple loans on a student loan borrower's account at an equal stage of delinquency, a student loan servicer shall satisfy the requirements of this subsection by applying the partial payment to satisfy as many individual loan payments as possible on the student loan borrower's account. For purposes of this subsection, "partial payment" means a payment to a student education loan account that contains multiple individual loans if the payment is in an amount less than the amount necessary to satisfy the outstanding payment due on all loans in the student education loan account, commonly referred to as an underpayment.

2. If the sale, assignment or other transfer of the servicing of a student education loan results in a change in the identity of the person to whom a student loan borrower is required to send payments or direct any communication concerning the student education loan:

(a) As a condition of a sale, an assignment or any other transfer of the servicing of a student education loan, require the new student loan servicer to honor all benefits originally represented as available to the student loan borrower during the repayment of the student education loan and preserve

the availability of those benefits, including, without limitation, any benefits for which the student loan borrower has not yet qualified;

(b) Transfer to the new student loan servicer for the student education loan all information regarding the student loan borrower, the account of the student loan borrower and the student education loan of the student loan borrower. The information must include, without limitation, the repayment status of the student loan borrower and any benefits associated with the student education loan of the student loan borrower; and

(c) Complete the transfer of information required by paragraph (b) within 45 calendar days after the sale, assignment or other transfer of the servicing of the student education loan.

3. A student loan servicer who obtains the right to service a student education loan shall adopt policies and procedures to verify that the student loan servicer has received all information regarding the student loan borrower, the account of the student loan borrower and the student education loan of the student loan borrower including, without limitation, the repayment status of the student loan borrower and any benefits associated with the student education loan of the student loan borrower.

4. A student loan servicer shall evaluate a student loan borrower for eligibility for an income-driven repayment program before placing the student loan borrower in forbearance or default if an income-driven repayment program is available to the student loan borrower.

Sec. 28. ***1. ~~[A]~~ Except to the extent inconsistent with federal law or regulation, a student loan servicer shall maintain a record of each transaction relating to a student education loan for not less than 2 years following the final payment on the student education loan or the assignment of the student education loan, whichever occurs first, or such longer period as may be required by any other provision of law.***

2. Upon the request of the Commissioner, a person required to maintain records pursuant to subsection 1 shall make such records available to the Commissioner, or send the records to the Commissioner, in the manner required by the Commissioner, not later than 5 business days after requested by the Commissioner. Upon the person's request, the Commissioner may allow additional time to make the records available to the Commissioner or to send the records to the Commissioner.

Sec. 29. ***A student loan servicer shall not:***

1. Directly or indirectly employ any scheme, device or artifice to defraud or mislead a student loan borrower.

2. Engage in any unfair or deceptive practice toward any person or misrepresent or omit any material information in connection with the servicing of a student education loan, including, without limitation, misrepresenting the amount, nature or terms of any fee or payment due or claimed to be due on a student education loan, the terms and conditions of the loan agreement or the student loan borrower's obligations under the loan.

3. Obtain property by fraud or misrepresentation.

4. Misapply student education loan payments to the outstanding balance of a student education loan.

5. Provide inaccurate information to a credit bureau in a manner which may harm a student loan borrower's creditworthiness.

6. Fail to report both the favorable and unfavorable payment history of the student loan borrower to a nationally recognized consumer credit bureau at least annually if the student loan servicer regularly reports information to a credit bureau.

7. Refuse to communicate with an authorized representative of the student loan borrower if the authorized representative:

(a) Provides a written authorization signed by the student loan borrower; and

(b) Complies with any reasonable procedures which may be adopted by the student loan servicer to verify that the representative is in fact authorized to act on behalf of the student loan borrower.

8. Make any false statement or omission of a material fact in connection with any information or reports filed with a governmental agency or in connection with any investigation conducted by the Commissioner or another governmental agency.

9. Fail to respond within 15 business days to communications from the Commissioner, or within a shorter, reasonable period of time as may be requested by the Commissioner.

10. Fail to respond within 15 business days to a consumer complaint submitted to the student loan servicer by the Commissioner or the Office of the Attorney General. If necessary, the student loan servicer may request additional time to respond to the complaint, up to a maximum of 45 business days, provided that the request is accompanied by an explanation of why additional time is reasonable and necessary.

11. Engage in abusive acts or practices when servicing a student education loan in this State. An act or practice is abusive in connection with the servicing of a student education loan if that act or practice:

(a) Materially interferes with the ability of a student loan borrower to understand a term or condition of a student education loan; or

(b) Takes unreasonable advantage of any of the following:

(1) A lack of understanding on the part of a student loan borrower of the material risks, costs or conditions of the student education loan;

a student loan servicer to the Commissioner for investigation pursuant to section 38 of this act.

2. The Division of Financial Institutions shall share a complaint submitted pursuant to this section with the Office of the Attorney General in accordance with section 54 of this act.

Sec. 31. *1. Before the extension of a private education loan that requires a cosigner, a private education lender shall deliver to the cosigner information concerning, without limitation:*

(a) How the private education loan obligation will appear on the cosigner's credit;

(b) How the cosigner will be notified if the private education loan becomes delinquent;

(c) How the cosigner can cure a delinquency in order to avoid negative credit furnishing and loss of cosigner release eligibility; and

(d) The eligibility of the cosigner to be released from his or her obligation on the private education loan, including, without limitation, the number of on-time payments and any other criteria required to approve the release of the cosigner from his or her obligation on the private education loan.

2. For any private education loan that obligates a cosigner, a private education lender shall provide the private education loan borrower and the cosigner an annual written notice containing information about the release of the cosigner from his or her obligation on the private education loan, including, without limitation:

(a) Any administrative, non-judgmental criteria the private education lender requires to approve the release of the cosigner from the private education loan obligation; and

(b) The process for applying for cosigner release.

3. If the private education loan borrower has met the applicable payment requirements to be eligible for cosigner release, the private education lender shall send the private education loan borrower and the cosigner a written notification by mail and by electronic mail, if the private education loan borrower or cosigner has elected to receive electronic communications from the private education lender, informing the private education loan borrower and cosigner that the payment requirement to be eligible for cosigner release has been met. The notification must also include information about any additional criteria to qualify for cosigner release and the procedure to apply for cosigner release.

4. A private education lender shall provide written notice to a private education loan borrower who applies for cosigner release but whose application is incomplete. The written notice shall include a description of the information needed to consider the application complete and the date by which the applicant must furnish the missing information.

5. Within 30 days after a private education loan borrower submits a completed application for cosigner release, the private education lender shall send the private education loan borrower and cosigner a written notice that

informs the private education loan borrower and cosigner whether the cosigner release application has been approved or denied. If the private education lender denies a request for cosigner release, the private education loan borrower may request any documents or information used in the determination, including, without limitation, the credit score threshold used by the private education lender, the private education loan borrower's consumer credit report, the private education loan borrower's credit score and any other documents specific to the private education loan borrower. The private education lender shall also provide any notices of adverse action required under applicable federal law if the denial is based in whole or in part on any information contained in a consumer credit report.

6. In response to a written or oral request for cosigner release, a private education lender shall provide the information described in subsection 2.

7. A private education lender shall not impose any restriction that permanently bars a private education loan borrower from qualifying for cosigner release, including, without limitation, restricting the number of times a private education loan borrower may apply for cosigner release.

8. A private education lender shall not impose any negative consequences on any private education loan borrower or cosigner during the 60 days following the issuance of the notice provided pursuant to subsection 4 or until the private education lender makes a final determination about a private education loan borrower's cosigner application for release. For the purposes of this subsection, "negative consequences" includes, without limitation, the imposition of additional eligibility criteria, negative credit reporting, lost eligibility for cosigner release, late fees, interest capitalization or other financial injury.

9. ~~[A]~~ For any private education loan made on or after January 1, 2024, a private education lender shall not require more than 12 consecutive, on-time payments as criteria for cosigner release. Any private education loan borrower who has paid the equivalent of 12 months of principal and interest payments within any 12-month period shall be deemed to have satisfied the consecutive, on-time payment requirement, even if the private education loan borrower has not made payments monthly during the 12-month period.

10. If a private education loan borrower or cosigner requests a change in terms that restarts the count of consecutive, on-time payments required for cosigner release, the private education lender shall notify the private education loan borrower and cosigner in writing of the impact of the change and provide the private education loan borrower or cosigner the right to withdraw or reverse the request to avoid that impact.

11. A private education loan borrower has the right to request an appeal of a private education lender's determination to deny a request for cosigner release, and the private education lender shall permit the private education loan borrower to submit additional documentation evidencing the private education loan borrower's ability, willingness and stability to meet the payment obligations. The private education loan borrower may request

review of the determination made regarding cosigner release by another employee of the private education lender.

12. A private education lender shall establish and maintain a comprehensive record management system reasonably designed to ensure the accuracy, integrity and completeness of data and other information about cosigner release applications and to ensure compliance with applicable state and federal laws, including, without limitation, the federal Equal Credit Opportunity Act, 15 U.S.C. §§ 1691 et seq., and the Fair Credit Reporting Act, 15 U.S.C. §§ 1681 et seq. This system must include the number of cosigner release applications received, the approval and denial rate and the primary reasons for any denial.

13. A private education lender shall provide a cosigner with access to all documents or records related to the cosigned private education loan that are available to the private education loan borrower.

14. If a private education lender provides electronic access to documents and records for a private education loan borrower, the private education lender shall provide equivalent electronic access to the cosigner.

Sec. 32. *1. A private education loan made on or after January 1, 2024, may not include a provision that allows the private education lender to accelerate, in whole or in part, payments on the private education loan, except in cases of payment default. A private education lender shall not place any loan or account into default or accelerate a loan for any reason, other than for payment default.*

2. A private education loan made before January 1, 2024, may permit the private education lender to accelerate payments only if the promissory note or loan agreement explicitly authorizes an acceleration and only for the reasons stated in the note or agreement.

3. In the event of the death or bankruptcy of a cosigner:

(a) The private education lender must not attempt to collect against the cosigner's estate or bankruptcy estate, other than for payment default.

(b) Upon receiving notification of the death or bankruptcy of a cosigner, when the private education loan is not more than 60 days delinquent at the time of the notification, the private education lender shall not change any terms or benefits under the promissory note, repayment schedule, repayment terms or monthly payment amount or any other provision associated with the loan.

4. A private education lender shall not place any private education loan or account into default or accelerate a private education loan while a private education loan borrower is seeking a loan modification or enrollment in a flexible repayment plan, except that a private education lender may place a loan or account into default or accelerate a loan for payment default 90 days following the private education loan borrower's default.

Sec. 33. *1. A private education lender, when notified of the total and permanent disability of a private education loan borrower or cosigner, shall release any cosigner from the obligations of the cosigner under a private*

education loan. The private education lender shall not attempt to collect a payment from a cosigner following a notification of total and permanent disability of the private education loan borrower or cosigner.

2. A private education lender shall notify a private education loan borrower and cosigner for a private education loan if either a private education loan borrower or cosigner is released from the obligations of the private education loan under this section, within 30 days after the release.

3. A private education lender that extends a private education loan shall provide the private education loan borrower an option to designate an individual to have the legal authority to act on behalf of the private education loan borrower with respect to the loan in the event of the total and permanent disability of the private education loan borrower.

4. If a cosigner is released from the obligations of a private education loan pursuant to section 31 of this act, the private education lender shall not:

(a) Require the private education loan borrower to obtain another cosigner on the private education loan obligation.

(b) Declare a default or accelerate the debt against the private education loan borrower on the sole basis of the release of the cosigner from the private education loan obligation.

5. A private education lender, if notified of the total and permanent disability of a private education loan borrower:

(a) Shall discharge the liability of the private education loan borrower and cosigner on the private education loan; and

(b) Shall not:

(1) Attempt to collect on the outstanding liability of the private education loan borrower or cosigner; or

(2) Monitor the disability status of the private education loan borrower at any point after the date of discharge.

6. As used in this section, "total and permanent disability" means that a person:

(a) Has been determined by the United States Secretary of Veterans Affairs to be unemployable due to a service-connected disability; or

(b) Is unable to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment that can be expected to result in death, has lasted for a continuous period of not less than 12 months or can be expected to last for a continuous period of not less than 12 months.

Sec. 34. ***1. A private education lender shall, before offering a person a private education loan that is being used to refinance an existing private education loan, provide to the person a disclosure that informs the person that benefits and protections applicable to the existing private education loan may be lost due to the refinancing. The information must be provided on a one-page information sheet in at least 12-point font and must be written in simple, clear, understandable and easily readable language.***

2. If a private education lender offers any private education loan borrower flexible repayment options in connection with a private education loan, those flexible repayment options must be made available to all private education loan borrowers of loans by the private education lender. A private education lender shall:

(a) Provide on its Internet website a description of any flexible repayment options offered by the private education lender for private education loans;

(b) Establish and consistently implement policies and procedures that facilitate the evaluation of private education loan flexible repayment option requests, including, without limitation, policies and procedures that provide accurate information regarding any private education loan flexible repayment option that:

(1) May be available to the private education loan borrower through the promissory note; or

(2) May have been marketed to the private education loan borrower through marketing materials; and

(c) If the private education lender offers flexible repayment options, consistently present and offer similar options to private education loan borrowers with similar financial circumstances; and

(d) Annually issue a letter to the private education loan borrower and cosigner that sets forth, without limitation:

(1) The total cumulative principal and interest amount of all private education loans owed by the private education loan borrower or cosigner to the private education lender;

(2) The total payoff amount of the loans listed in subparagraph (1); and

(3) Estimated monthly payment amounts if the private education loan borrower or cosigner were to enroll in a flexible repayment plan offered by the private education lender.

Sec. 35. *A private education lender shall not:*

2. Engage in any unfair, deceptive or abusive act or practice.

3. Make a private education loan upon the security of any assignment of or order for the payment of any salary, wages, commissions or other compensation for services earned, or to be earned. No assignment or order to secure a private education loan may be taken by a private education lender in connection with a private education loan, or for the enforcement or repayment thereof. Any assignment or order taken or given to secure any loan made by any lender pursuant to sections 31 to 35, inclusive, of this act is void.

4. Make, advertise, print, display, publish, distribute, electronically transmit, telecast or broadcast in any manner any statement or representation that is false, misleading or deceptive.

Sec. 36. *A private education lender shall:*

1. Establish and maintain records and permit the Division of Financial Institutions to access and copy any records required to be maintained pursuant to the provisions of this chapter; and

2. Retain a loan file, including, without limitation, any record specified for retention by regulations adopted by the Commissioner, for not less than 6 years after the termination of the private education loan account.

Sec. 37. *Sections 31 to 37, inclusive, of this act do not exempt a private education lender from complying with any requirement to obtain a license imposed by any other specific statute, including, without limitation, the provisions of chapter 675 of NRS. The Commissioner shall determine the particular license that a private education lender is required to obtain.*

Sec. 38. *In addition to any other authority provided under this title, the Commissioner may conduct investigations and examinations as follows:*

The Commissioner may direct, subpoena or order the attendance of and examine under oath any person whose testimony may be required regarding a student education loan, the business of a student loan servicer or the subject matter of any examination or investigation, and may direct, subpoena or order such a person to produce books, accounts, records, files and any other documents the Commissioner deems relevant to the inquiry.

3. In making any examination or investigation authorized by this section, the Commissioner may control access to any documents and records of a student loan servicer or other person under examination or investigation. The Commissioner may take possession of the documents and records or place a person in exclusive charge of the documents and records in the place where they are usually kept. During the period of control, a person shall not remove or attempt to remove any of the documents and records except pursuant to a court order or with the consent of the

Commissioner. Unless the Commissioner has reasonable grounds to believe the documents or records of the student loan servicer or other person under examination or investigation have been, or are at risk of being, altered or destroyed for purposes of concealing a violation of this chapter, the student loan servicer, the other person under examination or investigation or the owner of the documents and records must be allowed access to the documents or records as necessary to conduct ordinary business affairs.

4. At least once each year, the Commissioner or his or her authorized representative shall conduct an investigation and examination of each licensee pursuant to this section.

5. In addition to the fees prescribed in section 16 of this act, if it becomes necessary to examine or investigate the books and records of a licensee pursuant to this chapter, the licensee shall be liable for and shall pay to the Commissioner, within 30 days after the presentation of an itemized statement therefor, an amount determined by the Commissioner at the rate for supervision and examination of a financial institution established and, if applicable, adjusted pursuant to NRS 658.101.

Sec. 39. *Each licensee shall pay, in addition to any other assessment, fee or cost required pursuant to this chapter:*

Sec. 40. *1. The Commissioner may monitor the market for the provision of student loan servicing and student education loans, including, without limitation, private education loans, to identify risks to consumers. In conducting such monitoring, the Commissioner may compile and analyze data and other information to assess:*

(a) The likely risk and costs to consumers associated with using or repaying a student education loan or with the servicing of a student education loan;

(b) The understanding by consumers of the risks of a student education loan or the servicing of a student education loan;

2. To the extent that state law is not preempted by federal law, in conducting monitoring or assessment pursuant to this section the Commissioner may gather information regarding the organization, business conduct, markets and activities of private education lenders and student loan servicers in this State. The Commissioner may enter into contracts to perform the activities authorized by this section, as necessary.

3. In order to gather information described in subsection 2, the Commissioner may:

(b) Require persons engaged in private education lending or student loan servicing in this State to file, under oath or otherwise, in the form and within a reasonable period of time as the Commissioner may prescribe, any annual or special reports or answers in writing to specific questions that the Commissioner deems necessary to carry out the provisions of this section.

Accept audit reports made by an independent certified public accountant for a student loan servicer or other person under examination or investigation in the course of that part of the examination covering the same general subject matter as the audit and may incorporate the audit report in any report of examination, report of investigation or other writing of the Commissioner.

Sec. 42. *The authority of the Commissioner pursuant to this chapter with regard to a student loan servicer or other person under examination or investigation remains in effect, without regard to whether the student loan servicer or other person acts or claims to act under any other licensing or registration law of this State, or claims to act without such authority.*

Sec. 43. *A student loan servicer or other person under examination or investigation pursuant to this chapter shall not knowingly withhold, abstract, remove, mutilate, destroy or secrete any books, records, computer records or other information related to an investigation or examination conducted pursuant to this chapter.*

Sec. 44. *The Commissioner may, as applicable, deny an application for a license issued pursuant to this chapter or suspend, revoke or refuse to renew a license issued pursuant to this chapter if the Commissioner finds that:*

1. The applicant, licensee or a control person of the applicant or licensee has violated any provision of this chapter or any regulation adopted pursuant thereto;

2. With regard to a licensee or a control person of the licensee, any fact or condition exists which, if it had existed at the time of the original application for the license, would have resulted in a denial of the application; or

Bill read second time.

The following amendment was proposed by the Committee on Education:

Amendment No. 378.

AN ACT relating to education; requiring the inclusion of certain information regarding pupil achievement to be included in annual reports of accountability submitted by the boards of trustees of school districts, the sponsors of charter schools and the State Board of Education; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the boards of trustees of school districts, the sponsors of charter schools and the State Board of Education to prepare and publicly disseminate annual reports of accountability for the quality of schools and the educational achievement of pupils. (NRS 385A.070, 385A.400) Existing law prohibits a separate reporting for a group of pupils if the number of pupils in that group is insufficient to yield statistically reliable information or the results would reveal personally identifiable information about an individual pupil. (NRS 385A.070) **Sections 1 and 2** of this bill require that, unless this existing prohibition on separate reporting for a group of pupils applies, the boards of trustees of school districts, the sponsors of charter schools and the State Board of Education must include within annual reports of accountability information on pupil achievement among: (1) pupils who have accrued 10 or more absences within the school year; and (2) pupils whose instruction in a core academic subject during the school year involved at least 4 **consecutive** weeks of instruction provided by someone other than a licensed teacher. Under **sections 1 and 2**, this information is required to be reported separately by gender and separately by certain other groups.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 385A.200 is hereby amended to read as follows:

385A.200 1. Except as otherwise provided in subsection 2, the annual report of accountability prepared pursuant to NRS 385A.070 must include information on pupil achievement and school performance, including, without limitation, pupil achievement for each school in the district and the district as a whole, including, without limitation, each charter school sponsored by the district. The board of trustees of the district shall base its report on the results of the examinations administered pursuant to NRS 390.105 and the college and career readiness assessment administered pursuant to NRS 390.610 and shall compare the results of those examinations for the school year for which

Assembly Bill No. 340.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 88.

AN ACT relating to property; revising provisions relating to summary evictions; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

In general, existing law authorizes a landlord who seeks to recover possession of a premises from a tenant to do so by filing an unlawful detainer action or an action for summary eviction. (NRS 40.253, 40.254, 40.2542, 40.290-40.420) Existing law prescribes separate summary eviction procedures for the summary eviction of: (1) certain tenants who are not tenants of a commercial premises and who default in the payment of rent; (2) certain tenants who are guilty of unlawful detainer for reasons other than a default in

the payment of rent; and (3) certain tenants of a commercial premises who default in the payment of rent. (NRS 40.253, 40.254, 40.2542)

In general, the summary eviction procedures prescribed by existing law require a landlord to provide certain written notice to a tenant: (1) informing the tenant that he or she must take certain action or surrender the premises on or before a date specified in the notice; and (2) advising the tenant of his or her right to contest the matter by filing an affidavit with the court that has jurisdiction over the matter. In so doing, the summary eviction procedures prescribed by existing law require a tenant who contests a summary eviction to file an affidavit in court concerning an action for summary eviction before a landlord is required to make any filing concerning the matter. If such an affidavit is filed, a hearing is held. If no such affidavit is filed, upon noncompliance of a tenant with the written notice, existing law authorizes: (1) the landlord to apply by affidavit of complaint for the summary eviction of the tenant; and (2) the court, without holding a hearing, to order the removal of the tenant within a prescribed period. (NRS 40.253, 40.254, 40.2542)

Section 22 of this bill repeals the summary eviction procedures prescribed by existing law ~~[,]~~ **for the summary eviction of: (1) certain tenants who are not tenants of a commercial premises and who default in the payment of rent; and (2) certain tenants who are guilty of unlawful detainer for reasons other than a default in the payment of rent.** **Sections** ~~[2–8]~~ **2-6.5** of this bill reenact, reorganize and revise these procedures. **Section 2** of this bill establishes a new procedure for the summary eviction of certain tenants who are not tenants of a commercial premises and who default in the payment of rent. **Section** ~~[7]~~ **6.5** of this bill establishes a new procedure for the summary eviction of certain tenants who are guilty of unlawful detainer for reasons other than a default in the payment of rent. ~~[Section 8 of this bill establishes a new procedure for the summary eviction of certain tenants of a commercial premises who default in the payment of rent.]~~

The new procedures for summary eviction set forth in **sections 2** ~~[, 7]~~ **and** ~~[8]~~ **6.5** are similar to the procedures repealed by **section 22** except with regard to: (1) the required contents of a written notice; (2) certain requirements relating to filings made with the court; and (3) the period of time before the removal of a tenant. Instead of requiring a tenant who contests a summary eviction to file an affidavit in court before the landlord files a complaint, **sections 2** ~~[, 7]~~ **and** ~~[8]~~ **6.5** require the landlord, upon the expiration of certain notice provided to the tenant, to: (1) apply by affidavit of complaint for the summary eviction of the tenant; and (2) serve the tenant with a file-stamped copy of the affidavit of complaint **, a copy of the summons** and certain notice. **Sections 2** ~~[, 7]~~ **and** ~~[8]~~ **6.5** require the tenant to file an answer to the affidavit of compliant within 10 **calendar** days after the date of service. If a tenant files an answer within the prescribed period, a hearing is held. If no such answer is filed, **sections 2** ~~[, 7]~~ **and** ~~[8]~~ **6.5** authorize the court, without holding a hearing, to order the removal of the tenant within a prescribed period. **Sections 9-20** of

this bill make conforming changes relating to the repeal, revision and reorganization of the procedures for summary eviction.

Existing law requires a court that grants an action for summary eviction for a default in the payment of rent during the COVID-19 emergency to automatically seal the eviction case court file. (NRS 40.2545) Section 11 of this bill removes requirements relating to the COVID-19 emergency, thereby requiring a court that grants an action for summary eviction brought pursuant to section 2 to automatically seal the eviction case court file. Section 11 also requires a court to automatically seal the eviction case court file for an action for summary eviction brought pursuant to section 6.5 if the landlord fails to file an affidavit of complaint for summary eviction within the time prescribed by section 6.5.

TEXT OF REPEALED SECTIONS

40.253 Unlawful detainer: Supplemental remedy of summary eviction and exclusion of tenant for default in payment of rent.

1. Except as otherwise provided in subsection 12, in addition to the remedy provided in NRS 40.2512 and 40.290 to 40.420, inclusive, when the tenant of any dwelling, apartment, mobile home or recreational vehicle with periodic rent reserved by the month or any shorter period is in default in payment of the rent, the landlord or the landlord's agent may cause to be served a notice in writing, requiring in the alternative the payment of the rent or the surrender of the premises:

(a) Before the close of business on the seventh judicial day following the day of service; or

(b) If the landlord chooses not to proceed in the manner set forth in paragraph (a) and the rent is reserved by a period of 1 week or less and the tenancy has not continued for more than 45 days, at or before noon of the fourth full day following the day of service.

➥ As used in this subsection, "day of service" means the day the landlord or the landlord's agent personally delivers the notice to the tenant. If personal service was not so delivered, the "day of service" means the day the notice is delivered, after posting and mailing pursuant to subsection 2, to the sheriff or constable for service if the request for service is made before noon. If the request for service by the sheriff or constable is made after noon, the "day of service" shall be deemed to be the day next following the day that the request is made for service by the sheriff or constable.

2. A landlord or the landlord's agent who serves a notice to a tenant pursuant to paragraph (b) of subsection 1 shall attempt to deliver the notice in person in the manner set forth in subsection 2 of NRS 40.2542. If the notice cannot be delivered in person, the landlord or the landlord's agent:

(a) Shall post a copy of the notice in a conspicuous place on the premises and mail the notice by overnight mail; and

(b) After the notice has been posted and mailed, may deliver the notice to the sheriff or constable for service in the manner set forth in subsection 1 of NRS 40.280. The sheriff or constable shall not accept the notice for service unless it is accompanied by written evidence, signed by the tenant when the tenant took possession of the premises, that the landlord or the landlord's agent informed the tenant of the provisions of this section which set forth the lawful procedures for eviction from a short-term tenancy. Upon acceptance, the sheriff or constable shall serve the notice within 48 hours after the request for service was made by the landlord or the landlord's agent.

3. A notice served pursuant to subsection 1 or 2 must:

(a) Identify the court that has jurisdiction over the matter; and

(b) Advise the tenant:

(1) Of the tenant's right to contest the matter by filing, within the time specified in subsection 1 for the payment of the rent or surrender of the premises, an affidavit with the court that has jurisdiction over the matter stating that the tenant has tendered payment or is not in default in the payment of the rent;

(2) That if the court determines that the tenant is guilty of an unlawful detainer, the court may issue a summary order for removal of the tenant or an order providing for the nonadmittance of the tenant, directing the sheriff or constable of the county to post the order in a conspicuous place on the premises not later than 24 hours after the order is received by the sheriff or constable. The sheriff or constable shall remove the tenant not earlier than 24 hours but not later than 36 hours after the posting of the order; and

(3) That, pursuant to NRS 118A.390, a tenant may seek relief if a landlord unlawfully removes the tenant from the premises or excludes the tenant by blocking or attempting to block the tenant's entry upon the premises or willfully interrupts or causes or permits the interruption of an essential service required by the rental agreement or chapter 118A of NRS.

4. If the tenant files such an affidavit at or before the time stated in the notice, the landlord or the landlord's agent, after receipt of a file-stamped copy of the affidavit which was filed, shall not provide for the nonadmittance of the tenant to the premises by locking or otherwise.

5. Upon noncompliance with the notice:

(a) The landlord or the landlord's agent may apply by affidavit of complaint for eviction to the justice court of the township in which the dwelling, apartment, mobile home or recreational vehicle are located or to the district court of the county in which the dwelling, apartment, mobile home or recreational vehicle are located, whichever has jurisdiction over the matter. The court may thereupon issue an order directing the sheriff or constable of the county to post the order in a conspicuous place on the premises not later than 24 hours after the order is received by the sheriff or constable. The sheriff or constable shall remove the tenant not earlier than 24 hours but not later than 36 hours after the posting of the order. The affidavit must state or contain:

(1) The date the tenancy commenced.

(2) The amount of periodic rent reserved.

(3) The amounts of any cleaning, security or rent deposits paid in advance, in excess of the first month's rent, by the tenant.

(4) The date the rental payments became delinquent.

(5) The length of time the tenant has remained in possession without paying rent.

(6) The amount of rent claimed due and delinquent.

(7) A statement that the written notice was served on the tenant in accordance with NRS 40.280.

(8) A copy of the written notice served on the tenant.

(9) A copy of the signed written rental agreement, if any.

(b) Except when the tenant has timely filed the affidavit described in subsection 3 and a file-stamped copy of it has been received by the landlord or the landlord's agent, and except when the landlord is prohibited pursuant to NRS 118A.480, the landlord or the landlord's agent may, in a peaceable manner, provide for the nonadmittance of the tenant to the premises by locking or otherwise.

6. Upon the filing by the tenant of the affidavit permitted in subsection 3, regardless of the information contained in the affidavit, and the filing by the landlord of the affidavit permitted by subsection 5, the justice court or the district court shall hold a hearing, after service of notice of the hearing upon the parties, to determine the truthfulness and sufficiency of any affidavit or notice provided for in this section. If the court determines that there is no legal defense as to the alleged unlawful detainer and the tenant is guilty of an unlawful detainer, the court may issue a summary order for removal of the tenant or an order providing for the nonadmittance of the tenant. If the court determines that there is a legal defense as to the alleged unlawful detainer, the court shall refuse to grant either party any relief, and, except as otherwise provided in this subsection, shall require that any further proceedings be conducted pursuant to NRS 40.290 to 40.420, inclusive. The issuance of a summary order for removal of the tenant does not preclude an action by the tenant for any damages or other relief to which the tenant may be entitled. If the alleged unlawful detainer was based upon subsection 5 of NRS 40.2514, the refusal by the court to grant relief does not preclude the landlord thereafter from pursuing an action for unlawful detainer in accordance with NRS 40.251.

7. The tenant may, upon payment of the appropriate fees relating to the filing and service of a motion, file a motion with the court, on a form provided by the clerk of the court, to dispute the amount of the costs, if any, claimed by the landlord pursuant to NRS 118A.460 for the inventory, moving and storage of personal property left on the premises. The motion must be filed within 20 days after the summary order for removal of the tenant or the abandonment of the premises by the tenant, or within 20 days after:

(a) The tenant has vacated or been removed from the premises; and

(b) A copy of those charges has been requested by or provided to the tenant, ➥ whichever is later.

8. Upon the filing of a motion pursuant to subsection 7, the court shall schedule a hearing on the motion. The hearing must be held within 10 days after the filing of the motion. The court shall affix the date of the hearing to the motion and order a copy served upon the landlord by the sheriff, constable or other process server. At the hearing, the court may:

(a) Determine the costs, if any, claimed by the landlord pursuant to NRS 118A.460 and any accumulating daily costs; and

(b) Order the release of the tenant's property upon the payment of the charges determined to be due or if no charges are determined to be due.

9. The tenant may, upon payment of the appropriate fees relating to the filing and service of a motion, file a motion with the court on a form provided by the clerk of court to dispute the reasonableness of the actions of a landlord pursuant to subsection 3 of NRS 118A.460. The motion must be filed within 5 days after the tenant has vacated or been removed from the premises. Upon the filing of a motion pursuant to this subsection, the court shall schedule a hearing on the motion. The hearing must be held within 5 days after the filing of the motion. The court shall affix the date of the hearing to the motion and order a copy served upon the landlord by the sheriff, constable or other process server. At the hearing, the court may:

(a) Order the landlord to allow the retrieval of the tenant's essential personal effects at the date and time and for a period necessary for the retrieval, as determined by the court; and

(b) Award damages in an amount not greater than $2,500.

10. In determining the amount of damages, if any, to be awarded under paragraph (b) of subsection 9, the court shall consider:

(a) Whether the landlord acted in good faith;

(b) The course of conduct between the landlord and the tenant; and

(c) The degree of harm to the tenant caused by the landlord's conduct.

11. A landlord shall not refuse to accept rent from a tenant that is submitted after the landlord or the landlord's agent has served or had served a notice pursuant to subsection 1 if the refusal is based on the fact that the tenant has not paid collection fees, attorney's fees or other costs other than rent, a reasonable charge for late payments of rent or dishonored checks, or a security deposit. As used in this subsection, "security deposit" has the meaning ascribed to it in NRS 118A.240.

12. Except as otherwise provided in NRS 118A.315, this section does not apply to:

(a) The tenant of a mobile home lot in a mobile home park or to the tenant of a recreational vehicle lot in an area of a mobile home park in this State other than an area designated as a recreational vehicle lot pursuant to the provisions of subsection 8 of NRS 40.215.

(b) A tenant who provides proof to the landlord that he or she is a federal worker, tribal worker, state worker or household member of such a worker during a shutdown.

13. As used in this section, "close of business" means the close of business of the court that has jurisdiction over the matter.

40.254 Unlawful detainer: Supplemental remedy of summary eviction and exclusion of tenant from certain types of property.

1. Except as otherwise provided by specific statute, in addition to the remedy provided in NRS 40.290 to 40.420, inclusive, when the tenant of a dwelling unit, part of a low-rent housing program operated by a public housing authority, a mobile home or a recreational vehicle is guilty of an unlawful detainer pursuant to NRS 40.250, 40.251, 40.2514 or 40.2516, the landlord or the landlord's agent may utilize the summary procedures for eviction as

provided in NRS 40.253 except that written notice to surrender the premises must:

(a) Be given to the tenant in accordance with the provisions of NRS 40.280;

(b) Advise the tenant of the court that has jurisdiction over the matter; and

(c) Advise the tenant of the tenant's right to:

(1) Contest the notice by filing before the court's close of business on the fifth judicial day after the day of service of the notice an affidavit with the court that has jurisdiction over the matter stating the reasons why the tenant is not guilty of an unlawful detainer; or

(2) Request that the court stay the execution of the order for removal of the tenant or order providing for nonadmittance of the tenant for a period not exceeding 10 days pursuant to subsection 2 of NRS 70.010, stating the reasons why such a stay is warranted.

2. The affidavit of the landlord or the landlord's agent submitted to the justice court or the district court must state or contain:

(a) The date when the tenancy commenced, the term of the tenancy and, if any, a copy of the rental agreement. If the rental agreement has been lost or destroyed, the landlord or the landlord's agent may attach an affidavit or declaration, signed under penalty of perjury, stating such loss or destruction.

(b) The date when the tenancy or rental agreement allegedly terminated.

(c) The date when written notice to surrender was given to the tenant pursuant to the provisions of NRS 40.251, 40.2514 or 40.2516, together with any facts supporting the notice.

(d) The date when the written notice was given, a copy of the notice and a statement that notice was served in accordance with NRS 40.280 and, if applicable, a copy of the notice of change of ownership served on the tenant pursuant to NRS 40.255 if the property has been purchased as a residential foreclosure.

(e) A statement that the claim for relief was authorized by law.

3. If the tenant is found guilty of unlawful detainer as a result of the tenant's violation of any of the provisions of NRS 453.011 to 453.552, inclusive, except NRS 453.336, the landlord is entitled to be awarded any reasonable attorney's fees incurred by the landlord or the landlord's agent as a result of a hearing, if any, held pursuant to subsection 6 of NRS 40.253 wherein the tenant contested the eviction.

The Title of Assembly Bill No. 364 is hereby amended as follows:

AN ACT relating to physician assistants; prescribing the settings in which a physician assistant is authorized to practice; ~~[expanding]~~ **revising** the membership of the Board of Medical Examiners; authorizing physician assistants to perform medical services without the supervision of a physician; authorizing a physician assistant to perform certain medical services under certain circumstances; eliminating provisions governing the testing or examination of applicants for licensure as a physician assistant; prescribing certain authority and duties of a physician assistant and an advanced practice registered nurse; authorizing certain unlicensed persons to use the title "inactive physician assistant"; removing the requirement that a rural clinic be supervised by a physician; and providing other matters properly relating thereto.

If this amendment is adopted, the Legislative Counsel's Digest will be changed as follows:

Legislative Counsel's Digest:

Existing law: (1) provides for the licensure and regulation of physician assistants by the Board of Medical Examiners and the State Board of Osteopathic Medicine; and (2) requires a physician assistant to work under the supervision of a physician or osteopathic physician. (NRS 630.271, 630.275, 633.432-633.469) **Sections 5, 10-12, 24 and 26-28** of this bill remove the requirement that a physician assistant be supervised by a physician or osteopathic physician. **Sections 9, 21, 29, 30, 32, 35, 36, 81-84, 90, 98, 168, 169 and 204** of this bill remove references to supervision of a physician assistant by a physician or osteopathic physician. **Sections 4 and 23** of this bill

require a physician assistant who has practiced for less than ~~[4,000]~~ **6,000** hours as a physician assistant **or who has changed the field of medicine within which the physician assistant practices** to enter into a collaborative agreement with a physician. **Sections 4 and 23** also prescribe the settings in which a physician assistant is authorized to practice. **Sections 10 and 26** of this bill: (1) require a physician assistant to obtain the informed consent of a patient before providing any medical service; (2) prescribe medical services that a physician assistant is authorized to perform; and (3) require a physician assistant to only perform such services within his or her scope of practice and which he or she has the necessary education, training and experience to competently perform. **Sections 12 and 28** of this bill remove a requirement that the Board of Medical Examiners and the State Board of Osteopathic Medicine adopt regulations governing the testing or examination of applicants for licensure as a physician assistant and the services which a physician assistant may perform. **Section 30** makes a technical revision concerning the renewal of a license as an osteopathic physician assistant. **Sections 1-3, 13-16, 18-20, 22, 25, 31-34, 37-80, 85-89, 91-97, 99-127, 129-167 and 170-201** of this bill make various changes so that physician assistants have similar authority and duties to other providers of health care who provide medical services independently and are otherwise treated in the same manner as other such providers of health care. **Sections 54, 56, 70, 126, 142 and 178** of this bill also add advanced practice registered nurses to certain provisions to ensure that physician assistants and advanced practice registered nurses have similar authority.

Existing law provides that the Board of Medical Examiners consists of: (1) six licensed physicians; (2) one representative of the interests of persons or agencies that regularly provide health care to persons who are indigent, uninsured or unable to afford health care; and (3) two residents of this State who are not affiliated with the healing arts. (NRS 631.050) Existing law also authorizes the Board to select physicians and members of the public to serve as advisory members of the Board. (NRS 630.075) **Sections** ~~[6,]~~ **7 and 202** of this bill **revise the membership of the Board to eliminate one member who is a licensed physician and instead** require the appointment of ~~[two additional members of the Board who are]~~ **one member who is a** physician ~~[assistants.]~~ **assistant. Section 8** of this bill authorizes the Board to select physician assistants to serve as advisory members of the Board.

Existing law prohibits a person who is not licensed as a physician assistant from holding himself or herself out as a physician assistant. (NRS 630.400, 633.741) **Sections 17 and 32** of this bill authorize an unlicensed person who meets the requirements for licensure as a physician assistant to refer to himself or herself as an "inactive physician assistant."

Existing law requires the State Board of Pharmacy to adopt regulations governing the: (1) administration, possession, dispensing, storage, security, recordkeeping and transportation of controlled substances by a physician assistant; and (2) administration, possession, prescription, dispensing, storage,

security, recordkeeping and transportation of dangerous drugs, poisons and devices by a physician assistant. (NRS 639.1373) **Section 36** removes a requirement that the Board consider the experience and training of the physician assistant when adopting those regulations.

Existing law establishes a rural clinic as a medical facility in a rural area where medical services are provided by a physician assistant or advanced practice registered nurse under the supervision of a physician. (NRS 449.0175) **Section 128** of this bill removes the requirement that a rural clinic be supervised by a physician.

Sec. 4. Chapter 630 of NRS is hereby amended by adding thereto a new section to read as follows:

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 262.

AN ACT relating to parentage; adopting provisions of the Uniform Parentage Act; revising provisions relating to the establishment of a parent and child relationship and the presumption of parentage; establishing provisions concerning the voluntary acknowledgment of parentage and denial of parentage by certain persons; authorizing the State Board of Health to adopt regulations relating to an acknowledgment of parentage or denial of parentage; establishing provisions governing genetic testing in proceedings to adjudicate parentage; establishing and revising various provisions relating to proceedings to adjudicate parentage; authorizing a person who claims to be a de facto parent of a child to be adjudicated as a parent of the child in certain circumstances; authorizing a court to adjudicate a child to have more than two parents in certain circumstances; establishing and revising provisions relating to assisted reproduction and gestational agreements; providing for the right of a gestational carrier to make all health care decisions regarding the gestational carrier and the pregnancy of the gestational carrier; repealing various provisions relating to parentage; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law sets forth provisions governing parentage and the establishment of parent and child relationships. (Chapter 126 of NRS) **Sections 28-91** of this bill generally replace such provisions with provisions modeled after those of the Uniform Parentage Act (hereinafter "UPA"), adopted by the Uniform Law Commission in 2017. **Sections 4-26** of this bill define terms for the purposes of chapter 126 of NRS that are modeled after the definitions of the terms used in the UPA.

Existing law provides the manners in which the legal relationship of a mother and child can be established, including: (1) except in the case of a gestational agreement, proof that a woman gave birth to a child; (2) an adjudication that a woman is the mother of a child; (3) proof that a woman has adopted a child; (4) an unrebutted presumption of a woman's maternity; (5) the consent of a woman to assisted reproduction that resulted in the birth of a child; or (6) an adjudication confirming a woman as a parent of a child born to a gestational carrier. (NRS 126.041) Existing law also provides the manners in which the legal relationship of a father and child can be established, including: (1) an adjudication that a man is the father of a child; (2) proof that a man has adopted a child; (3) the consent of a man to assisted reproduction that resulted in the birth of a child; (4) an adjudication confirming a man as a parent of a child born to a gestational carrier; (5) a presumption of paternity that arises if a man was married to or cohabiting with the natural mother of a child or resides with and holds out a child as his natural child; (6) genetic testing establishing a man as the father of a child; or (7) a voluntary acknowledgment of paternity by a man. (NRS 126.041, 126.051, 126.053) **Section 34** of this bill uses the gender-neutral language of the UPA to set forth the circumstances in which a parent and child relationship is established between a person and a child. Similarly, **section 37** of this bill uses the gender-neutral language of the UPA to establish the circumstances in which a person is presumed to be a parent of a child.

Sections 38-51 of this bill establish provisions modeled after those of the UPA relating to the voluntary acknowledgment or voluntary denial of parentage by certain persons, including provisions relating to the requirements for, rescission of and challenge to an acknowledgment of parentage or denial of parentage. **Section 42** of this bill provides that, unless an acknowledgment of parentage or denial of parentage is rescinded or challenged, such an acknowledgment of parentage or denial of parentage that meets all requirements of law and is filed with the State Registrar of Vital Statistics is equivalent to an adjudication of the parentage of a child or the nonparentage of a person, respectively. **Section 43** of this bill prohibits the State Registrar of Vital Statistics from charging a fee for filing an acknowledgment of parentage or denial of parentage, and **section 51** of this bill authorizes the State Board of Health to adopt any necessary regulations relating to an acknowledgment of parentage or denial of parentage.

Existing law provides that in an action to determine paternity, a court is authorized or required, depending on the circumstances, to order genetic testing of a mother, child, alleged father or any other person. (NRS 126.121) **Sections 52-68** of this bill establish various provisions modeled after those of the UPA concerning genetic testing, including: (1) the limitation on the use of genetic testing; (2) the authority to order **, facilitate** or deny genetic testing; (3) the requirements of genetic testing; (4) reports and costs of genetic testing; (5) additional genetic testing when a result is contested; (6) genetic testing when a specimen is not available from an alleged genetic parent; and (7) genetic testing of a deceased person or identical sibling. **Section 68** of this bill provides that a person commits a misdemeanor if, without proper authority, he or she intentionally releases an identifiable specimen of another person collected for genetic testing for a purpose not relevant to a proceeding regarding parentage.

Existing law establishes various provisions relating to an action to determine paternity or maternity. (NRS 126.071-126.231) **Sections 69-89** of this bill replace several of those provisions with provisions modeled after those of the UPA governing proceedings to adjudicate parentage. Existing law provides that if an action to determine paternity is brought before the birth of a child, all proceedings are generally required to be stayed until after the birth of the child. (NRS 126.071) **Section 84** of this bill instead authorizes a proceeding to adjudicate parentage to be commenced and an order or judgment to be entered before the birth of a child, but requires enforcement of the order or judgment to be stayed until after the birth of the child.

Existing law does not bar an action to determine paternity until 3 years after a child reaches the age of majority. (NRS 126.081) **Sections 75 and 76** of this bill instead provide that a proceeding to determine whether an alleged genetic parent or presumed parent, respectively, is a parent of a child may be commenced after the child becomes an adult if the child initiates the proceeding.

Existing law requires that an informal hearing be held after an action to determine paternity has been brought and further requires a court to attempt to resolve the issues raised in the action during the pretrial hearing. (NRS 126.111) **Section 136** of this bill repeals the provisions relating to such a pretrial hearing, as the UPA does not require any such pretrial hearing to be conducted.

Section 77 of this bill authorizes a person who claims to be a de facto parent of a child to commence a proceeding to establish parentage of the child if the child is alive and less than 18 years of age. **Section 77** provides that a person who claims to be a de facto parent of a child must be adjudicated as a parent of the child if there is only one other person who is a parent or has a claim to parentage of the child and the person who claims to be a de facto parent can demonstrate certain facts by clear and convincing evidence. **Section 81** of this bill authorizes a court to adjudicate a child to have more than two parents if

the court finds that failure to recognize more than two parents would be detrimental to the child.

Existing law establishes provisions concerning assisted reproduction and gestational surrogacy. (NRS 126.500-126.810) This bill establishes only certain provisions modeled after those of the UPA relating to such matters. **Section 92** of this bill establishes provisions relating to the parental status of certain persons who die before a child is conceived by assisted reproduction. **Section 93** of this bill authorizes a party to a gestational agreement to terminate the agreement at any time before an embryo transfer or, if an embryo transfer does not result in pregnancy, at any time before a subsequent embryo transfer.

Existing law requires that a gestational agreement provide for the express written agreement of the gestational carrier to undergo embryo or gamete transfer and attempt to carry and give birth to any resulting child. (NRS 126.750) **Section 107** of this bill specifies that a gestational carrier has the right to make all health and welfare decisions regarding the gestational carrier and the pregnancy of the gestational carrier, including whether to: (1) consent to a cesarean section or the transfer of multiple embryos; (2) use the services of a health care practitioner chosen by the gestational carrier; (3) terminate or continue the pregnancy; and (4) reduce or retain the number of fetuses or embryos carried by the gestational carrier. **Section 107** provides that any provision in a gestational agreement that contradicts such a right is void and unenforceable.

Existing law provides that the subsequent marriage or domestic partnership of a gestational carrier after the execution of a gestational agreement does not affect the validity of the agreement. (NRS 126.770) **Section 108** of this bill provides that the subsequent marriage, domestic partnership or divorce of any party to a gestational agreement does not affect the validity of the agreement unless the agreement expressly provides otherwise.

Existing law provides that if a gestational carrier breaches a gestational agreement, a specific performance remedy that would require the gestational carrier to be impregnated is prohibited. (NRS 126.780) **Section 109** of this bill instead provides that specific performance is not an available remedy with regard to a gestational agreement except to enforce any provision in the agreement that is necessary to enable the intended parents to exercise the full rights of parentage immediately upon the birth of the child, if the intended parents are being prevented from exercising such rights.

Sections 98-106 of this bill make various other changes to the provisions of existing law concerning assisted reproduction and gestational surrogacy.

Section 136 repeals provisions of existing law that are not necessary because of the establishment of the provisions modeled after those of the UPA in **sections 28-91**.

Sections 1, 94-97, 110-133 and 136 of this bill make conforming changes to reflect the revisions made to existing law because of the establishment of the provisions modeled after those of the UPA in **sections 28-91** and the repeal of unnecessary provisions in **section 136**.

2. There is a presumption under section 37 of this act of the person's parentage of the child, unless the presumption is overcome in a judicial proceeding or a valid denial of parentage is made under sections 38 to 51, inclusive, of this act;

3. The person is adjudicated a parent of the child by a court of this State or any other state;

4. The person adopts the child;

5. The person acknowledges parentage of the child under sections 38 to 51, inclusive, of this act, unless the acknowledgment is rescinded under section 45 of this act or successfully challenged under sections 38 to 51, inclusive, or sections 69 to 89, inclusive, of this act; or

6. The person's parentage of the child is established under NRS 126.500 to 126.810, inclusive, and sections 92 and 93 of this act.

Sec. 35. *A parent and child relationship extends equally to every child and parent, regardless of the marital status of the parent.*

Sec. 36. *Unless parental rights are terminated, a parent and child relationship established under sections 28 to 91, inclusive, of this act applies for all purposes.*

Sec. 37. *1. A person is presumed to be a parent of a child if:*

(a) Except as otherwise provided under NRS 126.500 to 126.810, inclusive, and sections 92 and 93 of this act or law of this State other than sections 28 to 91, inclusive, of this act:

(1) The person and the person who gave birth to the child are married to or in a domestic partnership with each other and the child is born during the marriage or domestic partnership, whether the marriage or domestic partnership is or could be declared invalid;

(2) The person and the person who gave birth to the child were married to or in a domestic partnership with each other and the child is born not later than 300 days after the marriage or domestic partnership is terminated by death, divorce, dissolution, annulment or declaration of invalidity, or after a decree of separation or separate maintenance, whether the marriage or domestic partnership is or could be declared invalid; or

(3) The person and the person who gave birth to the child married or entered into a domestic partnership with each other after the birth of the child, whether the marriage or domestic partnership is or could be declared invalid, the person at any time asserted parentage of the child, and:

(I) The assertion is in a record filed with the State Registrar of Vital Statistics; or

(II) The person agreed to be and is named as a parent of the child on the birth certificate of the child; or

(b) The person resided in the same household with the child for the first 2 years of the life of the child, including any period of temporary absence, and openly held out the child as the person's child.

2. A presumption of parentage under this section may be overcome, and competing claims to parentage may be resolved, only by an adjudication under sections 69 to 89, inclusive, of this act or a valid denial of parentage under sections 38 to 51, inclusive, of this act.

Sec. 38. *A person who gave birth to a child and an alleged genetic parent of the child, intended parent under NRS 126.500 to 126.810, inclusive, and sections 92 and 93 of this act, or presumed parent may sign an acknowledgment of parentage to establish the parentage of the child.*

Sec. 39. *1. An acknowledgment of parentage under section 38 of this act must:*

(a) Be in a record signed by the person who gave birth to the child and by the person seeking to establish a parent and child relationship, and the signatures must be attested by an electronic notary public or other notarial officer or signed by at least one witness;

(b) State that the child whose parentage is being acknowledged:

(1) Does not have a presumed parent other than the person seeking to establish the parent and child relationship or has a presumed parent whose full name is stated; and

(2) Does not have another acknowledged parent, adjudicated parent or person who is a parent of the child under NRS 126.500 to 126.810, inclusive,

and sections 92 and 93 of this act other than the person who gave birth to the child; and

(c) State that the signatories understand that the acknowledgement is the equivalent of an adjudication of parentage of the child and that a challenge to the acknowledgment is permitted only under limited circumstances and is barred 2 years after the effective date of the acknowledgment.

2. An acknowledgment of parentage is void if, at the time of signing:

(a) A person other than the person seeking to establish parentage is a presumed parent, unless a denial of parentage by the presumed parent in a signed record is filed with the State Registrar of Vital Statistics; or

(b) A person, other than the person who gave birth to the child or the person seeking to establish parentage, is an acknowledged or adjudicated parent or a parent under NRS 126.500 to 126.810, inclusive, and sections 92 and 93 of this act.

Sec. 40. *A presumed parent or alleged genetic parent may sign a denial of parentage in a record. The denial of parentage is valid only if:*

1. An acknowledgment of parentage by another person is filed under section 42 of this act;

2. The signature of the presumed parent or alleged genetic parent is attested by an electronic notary public or other notarial officer or signed by at least one witness; and

3. The presumed parent or alleged genetic parent has not previously:

(a) Completed a valid acknowledgment of parentage for the same child, unless the previous acknowledgment was rescinded under section 45 of this act or challenged successfully under section 46 of this act; or

(b) Been adjudicated to be a parent of the child.

Sec. 41. *1. An acknowledgment of parentage and a denial of parentage may be contained in a single document or may be in counterparts and may be filed with the State Registrar of Vital Statistics separately or simultaneously. If filing of the acknowledgment and denial both are required under sections 28 to 91, inclusive, of this act, neither is effective until both are filed.*

2. An acknowledgment of parentage or denial of parentage may only be signed after the birth of the child.

3. Subject to subsection 1, an acknowledgment of parentage or denial of parentage takes effect on the filing of the document with the State Registrar of Vital Statistics.

4. An acknowledgment of parentage or denial of parentage signed by a person who is a minor is valid if the acknowledgment complies with sections 28 to 91, inclusive, of this act.

Sec. 42. *1. Except as otherwise provided in sections 45 and 46 of this act, an acknowledgment of parentage that complies with sections 38 to 51, inclusive, of this act and is filed with the State Registrar of Vital Statistics is equivalent to an adjudication of parentage of the child and confers on the acknowledged parent all rights and duties of a parent.*

2. Except as otherwise provided in sections 45 and 46 of this act, a denial of parentage by a presumed parent or alleged genetic parent which complies with sections 38 to 51, inclusive, of this act and is filed with the State Registrar of Vital Statistics with an acknowledgment of parentage that complies with sections 38 to 51, inclusive, of this act is equivalent to an adjudication of the nonparentage of the presumed parent or alleged genetic parent who signed the denial and discharges the presumed parent or alleged genetic parent who signed the denial from all rights and duties of a parent.

Sec. 43. *The State Registrar of Vital Statistics may not charge a fee for filing an acknowledgment of parentage or denial of parentage.*

Sec. 44. *A court conducting a judicial proceeding or an administrative agency conducting an administrative proceeding is not required or permitted to ratify an unchallenged acknowledgment of parentage. A court may determine that a person who signed an acknowledgment of parentage is a parent in a later proceeding based on other grounds.*

Sec. 45. *1. A signatory may rescind an acknowledgment of parentage or denial of parentage by filing with the State Registrar of Vital Statistics a rescission in a signed record which is attested by an electronic notary public or notarial officer or signed by at least one witness, before the earlier of:*

(a) Sixty days after the effective date under section 41 of this act of the acknowledgment or denial; or

(b) The date of the first hearing before a court in a proceeding, to which the signatory is a party, to adjudicate an issue relating to the child, including a proceeding that establishes support.

2. If an acknowledgment of parentage is rescinded under subsection 1, an associated denial of parentage is invalid, and the State Registrar of Vital Statistics shall notify the person who gave birth to the child and the person who signed a denial of parentage of the child that the acknowledgment has been rescinded. Failure to give the notice required by this subsection does not affect the validity of the rescission.

Sec. 46. *1. After the period for rescission under section 45 of this act expires, but not later than 2 years after the effective date under section 41 of this act of an acknowledgment of parentage or denial of parentage, a signatory of the acknowledgment or denial may commence a proceeding to challenge the acknowledgment or denial only on the basis of fraud, duress or material mistake of fact.*

2. A challenge to an acknowledgment of parentage or denial of parentage by a person who was not a signatory to the acknowledgment or denial is governed by section 78 of this act.

Sec. 47. *1. Every signatory to an acknowledgment of parentage and any related denial of parentage must be made a party to a proceeding to challenge the acknowledgment or denial.*

2. By signing an acknowledgment of parentage or denial of parentage, a signatory submits to personal jurisdiction in this State in a proceeding to

challenge the acknowledgment or denial, effective on the filing of the acknowledgment or denial with the State Registrar of Vital Statistics.

3. The court may not suspend the legal responsibilities arising from an acknowledgment of parentage, including the duty to pay child support, during the pendency of a proceeding to challenge the acknowledgment or a related denial of parentage, unless the party challenging the acknowledgment or denial shows good cause.

4. A party challenging an acknowledgment of parentage or denial of parentage has the burden of proof.

5. If the court determines that a party has satisfied the burden of proof under subsection 4, the court shall order the State Registrar of Vital Statistics to amend the birth record of the child to reflect the legal parentage of the child.

6. A proceeding to challenge an acknowledgment of parentage or denial of parentage must be conducted under sections 69 to 89, inclusive, of this act.

Sec. 48. *The court shall give full faith and credit to an acknowledgment of parentage or denial of parentage effective in another state if the acknowledgment or denial was in a signed record and otherwise complies with the law of the other state.*

Sec. 49. *A valid acknowledgment of parentage or denial of parentage is not affected by a later modification of the declaration developed by the State Board of Health pursuant to NRS 440.285.*

Sec. 50. *The State Registrar of Vital Statistics may release information relating to an acknowledgment of parentage or denial of parentage to a signatory of the acknowledgment or denial, a court, federal agency and child support agency of this or another state.*

Sec. 51. *The State Board of Health may adopt any regulations that are necessary to implement sections 38 to 51, inclusive, of this act.*

Sec. 52. *As used in sections 52 to 68, inclusive, of this act, unless the context otherwise requires, the words and terms defined in sections 53 to 57, inclusive, of this act have the meanings ascribed to them in those sections.*

Sec. 53. *"Combined relationship index" means the product of all tested relationship indices.*

Sec. 54. *"Ethnic or racial group" means, for the purpose of genetic testing, a recognized group that a person identifies as the person's ancestry or part of the ancestry or that is identified by other information.*

Sec. 55. *"Hypothesized genetic relationship" means an asserted genetic relationship between a person and a child.*

Sec. 56. *"Probability of parentage" means, for the ethnic or racial group to which a person alleged to be a parent belongs, the probability that a hypothesized genetic relationship is supported, compared to the probability that a genetic relationship is supported between the child and a random person of the ethnic or racial group used in the hypothesized genetic*

relationship, expressed as a percentage incorporating the combined relationship index and a prior probability.

Sec. 57. ***"Relationship index" means a likelihood ratio that compares the probability of a genetic marker given a hypothesized genetic relationship and the probability of the genetic marker given a genetic relationship between the child and a random person of the ethnic or racial group used in the hypothesized genetic relationship.***

Sec. 58. ***1. Sections 52 to 68, inclusive, of this act govern genetic testing of a person in a proceeding to adjudicate parentage, whether the person:***

(a) Voluntarily submits to testing; or

(b) Is tested under an order of the court or as a result of the facilitation of a child support agency.

2. Genetic testing may not be used:

(a) To challenge the parentage of a person who is a parent under NRS 126.500 to 126.810, inclusive, and sections 92 and 93 of this act; or

(b) To establish the parentage of a person who is a donor.

Sec. 59. ***1. Except as otherwise provided in sections 52 to 68, inclusive, of this act or sections 69 to 89, inclusive, of this act, in a proceeding under sections 28 to 91, inclusive, of this act to determine parentage, the court shall order the child and any other person to submit to genetic testing if a request for testing is supported by the sworn statement of a party:***

(a) Alleging a reasonable possibility that the person is the child's genetic parent; or

(b) Denying genetic parentage of the child and stating facts establishing a reasonable possibility that the person is not a genetic parent.

2. A child support agency may ~~[order]~~ facilitate genetic testing only if there is no ~~[presumed,]~~ acknowledged or adjudicated parent of a child other than the person who gave birth to the child.

3. The court ~~[or]~~ may not order, and a child support agency may not ~~[order]~~ facilitate, in utero genetic testing.

4. If two or more persons are subject to court-ordered genetic testing, the court may order that testing be completed concurrently or sequentially.

5. Genetic testing of a person who gave birth to a child is not a condition precedent to testing of the child and a person whose genetic parentage of the child is being determined. If the person who gave birth to the child is unavailable or declines to submit to genetic testing, the court may order genetic testing of the child and each person whose genetic parentage of the child is being adjudicated.

6. In a proceeding to adjudicate the parentage of a child having a presumed parent or a person who claims to be a parent under section 77 of this act, or to challenge an acknowledgment of parentage, the court may deny a motion for genetic testing of the child and any other person after considering the factors in subsections 1 and 2 of section 81 of this act.

7. If a person requesting genetic testing is barred under sections 69 to 89, inclusive, of this act from establishing the person's parentage, the court shall deny the request for genetic testing.

8. An order under this section for genetic testing is enforceable by contempt.

Sec. 60. *1. Genetic testing must be of a type reasonably relied on by experts in the field of genetic testing and performed in a testing laboratory accredited by:*

(a) The AABB, formerly known as the American Association of Blood Banks, or a successor to its functions; or

(b) An accrediting body designated by the Secretary of the United States Department of Health and Human Services.

2. A specimen used in genetic testing may consist of a sample or a combination of samples of blood, buccal cells, bone, hair or other body tissue or fluid. The specimen used in the testing need not be of the same kind for each person undergoing genetic testing.

3. Based on the ethnic or racial group of a person undergoing genetic testing, a testing laboratory shall determine the databases from which to select frequencies for use in calculating a relationship index. If a person or a child support agency objects to the laboratory's choice, the following rules apply:

(a) Not later than 30 days after receipt of the report of the test, the objecting person or child support agency may request the court to require the laboratory to recalculate the relationship index using an ethnic or racial group different from that used by the laboratory.

(b) The person or the child support agency objecting to the laboratory's choice under this subsection shall:

(1) If the requested frequencies are not available to the laboratory for the ethnic or racial group requested, provide the requested frequencies compiled in a manner recognized by accrediting bodies; or

(2) Engage another laboratory to perform the calculations.

(c) The laboratory may use its own statistical estimate if there is a question which ethnic or racial group is appropriate. The laboratory shall calculate the frequencies using statistics, if available, for any other ethnic or racial group requested.

4. If, after recalculation of the relationship index under subsection 3 using a different ethnic or racial group, genetic testing under section 62 of this act does not identify a person as a genetic parent of a child, the court may require a person who has been tested to submit to additional genetic testing to identify a genetic parent.

Sec. 61. *1. A report of genetic testing must be in a record and signed under penalty of perjury by a designee of the testing laboratory. A report complying with the requirements of sections 52 to 68, inclusive, of this act is self-authenticating.*

2. Documentation from a testing laboratory of the following information is sufficient to establish a reliable chain of custody and allow the results of genetic testing to be admissible without testimony:

(a) The name and photograph of each person whose specimen has been taken;

(b) The name of the person who collected each specimen;

(c) The place and date each specimen was collected;

(d) The name of the person who received each specimen in the testing laboratory; and

(e) The date each specimen was received.

Sec. 62. *1. Subject to a challenge under subsection 2, a person is identified under sections 28 to 91, inclusive, of this act as a genetic parent of a child if genetic testing complies with sections 52 to 68, inclusive, of this act and the results of the testing disclose:*

(a) The person has at least a 99 percent probability of parentage, using a prior probability of 0.50, as calculated by using the combined relationship index obtained in the testing; and

(b) A combined relationship index of at least 100 to 1.

2. A person identified under subsection 1 as a genetic parent of the child may challenge the genetic testing results only by other genetic testing satisfying the requirements of sections 52 to 68, inclusive, of this act which:

(a) Excludes the person as a genetic parent of the child; or

(b) Identifies another person as a possible genetic parent of the child other than:

(1) The person who gave birth to the child; or

(2) The person identified under subsection 1.

3. Except as otherwise provided in section 67 of this act, if more than one person other than the person who gave birth to the child is identified by genetic testing as a possible genetic parent of the child, the court shall order each person to submit to further genetic testing to identify a genetic parent.

Sec. 63. *1. Subject to assessment of fees under sections 69 to 89, inclusive, of this act, payment of the cost of initial genetic testing must be made in advance:*

(a) ~~[By a child support agency in a proceeding in which the child support agency is providing services;~~

~~(b)]~~ By the person who made the request for genetic testing;

~~[(c)]~~ (b) As agreed by the parties; or

~~[(d)]~~ (c) As ordered by the court.

2. If the cost of genetic testing is paid by a child support agency, the agency may seek reimbursement from the genetic parent whose parent and child relationship is established.

Sec. 64. *The court shall order, or a child support agency ~~[shall order]~~ may facilitate, additional genetic testing on request of a person who contests the result of the initial testing under section 62 of this act. If initial genetic testing under section 62 of this act identified a person as a genetic parent of*

the child, the court ~~[or agency]~~ may not order , and a child support agency may not facilitate, additional testing unless the contesting person pays for the testing in advance.

Sec. 65. *1. Subject to subsection 2, if a genetic-testing specimen is not available from an alleged genetic parent of a child, a person seeking genetic testing demonstrates good cause and the court finds that the circumstances are just, the court may order any of the following persons to submit specimens for genetic testing:*

(a) A parent of the alleged genetic parent;

(b) A sibling of the alleged genetic parent;

(c) Another child of the alleged genetic parent and the person who gave birth to the other child; and

(d) Another relative of the alleged genetic parent necessary to complete genetic testing.

2. To issue an order under this section, the court must find that a need for genetic testing outweighs the legitimate interests of the person sought to be tested.

Sec. 66. *If a person seeking genetic testing demonstrates good cause, the court may order genetic testing of a deceased person.*

Sec. 67. *1. If the court finds there is reason to believe that an alleged genetic parent has an identical sibling and evidence that the sibling may be a genetic parent of the child, the court may order genetic testing of the sibling.*

2. If more than one sibling is identified under section 62 of this act as a genetic parent of the child, the court may rely on nongenetic evidence to adjudicate which sibling is a genetic parent of the child.

Sec. 68. *1. Release of a report of genetic testing for parentage is controlled by law of this State other than sections 28 to 91, inclusive, of this act.*

2. A person who intentionally releases an identifiable specimen of another person collected for genetic testing under sections 52 to 68, inclusive, of this act for a purpose not relevant to a proceeding regarding parentage, without a court order or written permission of the person who furnished the specimen, commits a misdemeanor.
