TEXT OF REPEALED SECTIONS

40.253 Unlawful detainer: Supplemental remedy of summary eviction and exclusion of tenant for default in payment of rent.

1. Except as otherwise provided in subsection 12, in addition to the remedy provided in NRS 40.2512 and 40.290 to 40.420, inclusive, when the tenant of any dwelling, apartment, mobile home or recreational vehicle with periodic rent reserved by the month or any shorter period is in default in payment of the rent, the landlord or the landlord's agent may cause to be served a notice in writing, requiring in the alternative the payment of the rent or the surrender of the premises:

(a) Before the close of business on the seventh judicial day following the day of service; or

(b) If the landlord chooses not to proceed in the manner set forth in paragraph (a) and the rent is reserved by a period of 1 week or less and the tenancy has not continued for more than 45 days, at or before noon of the fourth full day following the day of service.

➥ As used in this subsection, "day of service" means the day the landlord or the landlord's agent personally delivers the notice to the tenant. If personal service was not so delivered, the "day of service" means the day the notice is delivered, after posting and mailing pursuant to subsection 2, to the sheriff or constable for service if the request for service is made before noon. If the request for service by the sheriff or constable is made after noon, the "day of service" shall be deemed to be the day next following the day that the request is made for service by the sheriff or constable.

2. A landlord or the landlord's agent who serves a notice to a tenant pursuant to paragraph (b) of subsection 1 shall attempt to deliver the notice in person in the manner set forth in subsection 2 of NRS 40.2542. If the notice cannot be delivered in person, the landlord or the landlord's agent:

(a) Shall post a copy of the notice in a conspicuous place on the premises and mail the notice by overnight mail; and

(b) After the notice has been posted and mailed, may deliver the notice to the sheriff or constable for service in the manner set forth in subsection 1 of NRS 40.280. The sheriff or constable shall not accept the notice for service unless it is accompanied by written evidence, signed by the tenant when the tenant took possession of the premises, that the landlord or the landlord's agent informed the tenant of the provisions of this section which set forth the lawful procedures for eviction from a short-term tenancy. Upon acceptance, the sheriff or constable shall serve the notice within 48 hours after the request for service was made by the landlord or the landlord's agent.

3. A notice served pursuant to subsection 1 or 2 must:

(a) Identify the court that has jurisdiction over the matter; and

(b) Advise the tenant:

(1) Of the tenant's right to contest the matter by filing, within the time specified in subsection 1 for the payment of the rent or surrender of the

premises, an affidavit with the court that has jurisdiction over the matter stating that the tenant has tendered payment or is not in default in the payment of the rent;

(2) That if the court determines that the tenant is guilty of an unlawful detainer, the court may issue a summary order for removal of the tenant or an order providing for the nonadmittance of the tenant, directing the sheriff or constable of the county to post the order in a conspicuous place on the premises not later than 24 hours after the order is received by the sheriff or constable. The sheriff or constable shall remove the tenant not earlier than 24 hours but not later than 36 hours after the posting of the order; and

(3) That, pursuant to NRS 118A.390, a tenant may seek relief if a landlord unlawfully removes the tenant from the premises or excludes the tenant by blocking or attempting to block the tenant's entry upon the premises or willfully interrupts or causes or permits the interruption of an essential service required by the rental agreement or chapter 118A of NRS.

4. If the tenant files such an affidavit at or before the time stated in the notice, the landlord or the landlord's agent, after receipt of a file-stamped copy of the affidavit which was filed, shall not provide for the nonadmittance of the tenant to the premises by locking or otherwise.

5. Upon noncompliance with the notice:

(a) The landlord or the landlord's agent may apply by affidavit of complaint for eviction to the justice court of the township in which the dwelling, apartment, mobile home or recreational vehicle are located or to the district court of the county in which the dwelling, apartment, mobile home or recreational vehicle are located, whichever has jurisdiction over the matter. The court may thereupon issue an order directing the sheriff or constable of the county to post the order in a conspicuous place on the premises not later than 24 hours after the order is received by the sheriff or constable. The sheriff or constable shall remove the tenant not earlier than 24 hours but not later than 36 hours after the posting of the order. The affidavit must state or contain:

(1) The date the tenancy commenced.

(2) The amount of periodic rent reserved.

(3) The amounts of any cleaning, security or rent deposits paid in advance, in excess of the first month's rent, by the tenant.

(4) The date the rental payments became delinquent.

(5) The length of time the tenant has remained in possession without paying rent.

(6) The amount of rent claimed due and delinquent.

(7) A statement that the written notice was served on the tenant in accordance with NRS 40.280.

(8) A copy of the written notice served on the tenant.

(9) A copy of the signed written rental agreement, if any.

(b) Except when the tenant has timely filed the affidavit described in subsection 3 and a file-stamped copy of it has been received by the landlord or the landlord's agent, and except when the landlord is prohibited pursuant to

NRS 118A.480, the landlord or the landlord's agent may, in a peaceable manner, provide for the nonadmittance of the tenant to the premises by locking or otherwise.

6. Upon the filing by the tenant of the affidavit permitted in subsection 3, regardless of the information contained in the affidavit, and the filing by the landlord of the affidavit permitted by subsection 5, the justice court or the district court shall hold a hearing, after service of notice of the hearing upon the parties, to determine the truthfulness and sufficiency of any affidavit or notice provided for in this section. If the court determines that there is no legal defense as to the alleged unlawful detainer and the tenant is guilty of an unlawful detainer, the court may issue a summary order for removal of the tenant or an order providing for the nonadmittance of the tenant. If the court determines that there is a legal defense as to the alleged unlawful detainer, the court shall refuse to grant either party any relief, and, except as otherwise provided in this subsection, shall require that any further proceedings be conducted pursuant to NRS 40.290 to 40.420, inclusive. The issuance of a summary order for removal of the tenant does not preclude an action by the tenant for any damages or other relief to which the tenant may be entitled. If the alleged unlawful detainer was based upon subsection 5 of NRS 40.2514, the refusal by the court to grant relief does not preclude the landlord thereafter from pursuing an action for unlawful detainer in accordance with NRS 40.251.

7. The tenant may, upon payment of the appropriate fees relating to the filing and service of a motion, file a motion with the court, on a form provided by the clerk of the court, to dispute the amount of the costs, if any, claimed by the landlord pursuant to NRS 118A.460 for the inventory, moving and storage of personal property left on the premises. The motion must be filed within 20 days after the summary order for removal of the tenant or the abandonment of the premises by the tenant, or within 20 days after:

(a) The tenant has vacated or been removed from the premises; and

(b) A copy of those charges has been requested by or provided to the tenant,

➥ whichever is later.

8. Upon the filing of a motion pursuant to subsection 7, the court shall schedule a hearing on the motion. The hearing must be held within 10 days after the filing of the motion. The court shall affix the date of the hearing to the motion and order a copy served upon the landlord by the sheriff, constable or other process server. At the hearing, the court may:

(a) Determine the costs, if any, claimed by the landlord pursuant to NRS 118A.460 and any accumulating daily costs; and

(b) Order the release of the tenant's property upon the payment of the charges determined to be due or if no charges are determined to be due.

9. The tenant may, upon payment of the appropriate fees relating to the filing and service of a motion, file a motion with the court on a form provided by the clerk of court to dispute the reasonableness of the actions of a landlord pursuant to subsection 3 of NRS 118A.460. The motion must be filed within 5 days after the tenant has vacated or been removed from the premises. Upon

the filing of a motion pursuant to this subsection, the court shall schedule a hearing on the motion. The hearing must be held within 5 days after the filing of the motion. The court shall affix the date of the hearing to the motion and order a copy served upon the landlord by the sheriff, constable or other process server. At the hearing, the court may:

11. A landlord shall not refuse to accept rent from a tenant that is submitted after the landlord or the landlord's agent has served or had served a notice pursuant to subsection 1 if the refusal is based on the fact that the tenant has not paid collection fees, attorney's fees or other costs other than rent, a reasonable charge for late payments of rent or dishonored checks, or a security deposit. As used in this subsection, "security deposit" has the meaning ascribed to it in NRS 118A.240.

12. Except as otherwise provided in NRS 118A.315, this section does not apply to:

(a) The tenant of a mobile home lot in a mobile home park or to the tenant of a recreational vehicle lot in an area of a mobile home park in this State other than an area designated as a recreational vehicle lot pursuant to the provisions of subsection 8 of NRS 40.215.

(b) A tenant who provides proof to the landlord that he or she is a federal worker, tribal worker, state worker or household member of such a worker during a shutdown.

1. Except as otherwise provided by specific statute, in addition to the remedy provided in NRS 40.290 to 40.420, inclusive, when the tenant of a dwelling unit, part of a low-rent housing program operated by a public housing authority, a mobile home or a recreational vehicle is guilty of an unlawful detainer pursuant to NRS 40.250, 40.251, 40.2514 or 40.2516, the landlord or the landlord's agent may utilize the summary procedures for eviction as provided in NRS 40.253 except that written notice to surrender the premises must:

(b) Advise the tenant of the court that has jurisdiction over the matter; and

(c) Advise the tenant of the tenant's right to:

(1) Contest the notice by filing before the court's close of business on the fifth judicial day after the day of service of the notice an affidavit with the court that has jurisdiction over the matter stating the reasons why the tenant is not guilty of an unlawful detainer; or

(2) Request that the court stay the execution of the order for removal of the tenant or order providing for nonadmittance of the tenant for a period not exceeding 10 days pursuant to subsection 2 of NRS 70.010, stating the reasons why such a stay is warranted.

2. The affidavit of the landlord or the landlord's agent submitted to the justice court or the district court must state or contain:

(a) The date when the tenancy commenced, the term of the tenancy and, if any, a copy of the rental agreement. If the rental agreement has been lost or destroyed, the landlord or the landlord's agent may attach an affidavit or declaration, signed under penalty of perjury, stating such loss or destruction.

(b) The date when the tenancy or rental agreement allegedly terminated.

Amendment No. 607.

AN ACT relating to parentage; adopting provisions of the Uniform Parentage Act; revising provisions relating to the establishment of a parent and child relationship and the presumption of parentage; establishing provisions concerning the voluntary acknowledgment of parentage and denial of parentage by certain persons; authorizing the State Board of Health to adopt regulations relating to an acknowledgment of parentage or denial of parentage; establishing provisions governing genetic testing in proceedings to adjudicate parentage; establishing and revising various provisions relating to proceedings to adjudicate parentage; authorizing a person who claims to be a de facto parent of a child to be adjudicated as a parent of the child in certain circumstances; authorizing a court to adjudicate a child to have more than two parents in certain circumstances; establishing and revising provisions relating to assisted reproduction and gestational agreements; providing for the right of a gestational carrier to make all health care decisions regarding the gestational carrier and the pregnancy of the gestational carrier; repealing various provisions relating to parentage; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law sets forth provisions governing parentage and the establishment of parent and child relationships. (Chapter 126 of NRS) **Sections 28-91** of this bill generally replace such provisions with provisions modeled after those of the Uniform Parentage Act (hereinafter "UPA"), adopted by the Uniform Law Commission in 2017. **Sections 4-26** of this bill define terms for the purposes of chapter 126 of NRS that are modeled after the definitions of the terms used in the UPA.

Existing law provides the manners in which the legal relationship of a mother and child can be established, including: (1) except in the case of a gestational agreement, proof that a woman gave birth to a child; (2) an adjudication that a woman is the mother of a child; (3) proof that a woman has adopted a child; (4) an unrebutted presumption of a woman's maternity; (5) the consent of a woman to assisted reproduction that resulted in the birth of a child; or (6) an adjudication confirming a woman as a parent of a child born to a gestational carrier. (NRS 126.041) Existing law also provides the manners in which the legal relationship of a father and child can be established, including: (1) an adjudication that a man is the father of a child; (2) proof that a man has adopted a child; (3) the consent of a man to assisted reproduction that resulted in the birth of a child; (4) an adjudication confirming a man as a parent of a

child born to a gestational carrier; (5) a presumption of paternity that arises if a man was married to or cohabiting with the natural mother of a child or resides with and holds out a child as his natural child; (6) genetic testing establishing a man as the father of a child; or (7) a voluntary acknowledgment of paternity by a man. (NRS 126.041, 126.051, 126.053) **Section 34** of this bill uses the gender-neutral language of the UPA to set forth the circumstances in which a parent and child relationship is established between a person and a child. Similarly, **section 37** of this bill uses the gender-neutral language of the UPA to establish the circumstances in which a person is presumed to be a parent of a child.

Sections 38-51 of this bill establish provisions modeled after those of the UPA relating to the voluntary acknowledgment or voluntary denial of parentage by certain persons, including provisions relating to the requirements for, rescission of and challenge to an acknowledgment of parentage or denial of parentage. **Section 42** of this bill provides that, unless an acknowledgment of parentage or denial of parentage is rescinded or challenged, such an acknowledgment of parentage or denial of parentage that meets all requirements of law and is filed with the State Registrar of Vital Statistics is equivalent to an adjudication of the parentage of a child or the nonparentage of a person, respectively. **Section 43** of this bill prohibits the State Registrar of Vital Statistics from charging a fee for filing an acknowledgment of parentage or denial of parentage, and **section 51** of this bill authorizes the State Board of Health to adopt any necessary regulations relating to an acknowledgment of parentage or denial of parentage.

Existing law provides that in an action to determine paternity, a court is authorized or required, depending on the circumstances, to order genetic testing of a mother, child, alleged father or any other person. (NRS 126.121) **Sections 52-68** of this bill establish various provisions modeled after those of the UPA concerning genetic testing, including: (1) the limitation on the use of genetic testing; (2) the authority to order, facilitate or deny genetic testing; (3) the requirements of genetic testing; (4) reports and costs of genetic testing; (5) additional genetic testing when a result is contested; (6) genetic testing when a specimen is not available from an alleged genetic parent; and (7) genetic testing of a deceased person or identical sibling. **Section 68** of this bill provides that a person commits a misdemeanor if, without proper authority, he or she intentionally releases an identifiable specimen of another person collected for genetic testing for a purpose not relevant to a proceeding regarding parentage.

Existing law establishes various provisions relating to an action to determine paternity or maternity. (NRS 126.071-126.231) **Sections 69-89** of this bill replace several of those provisions with provisions modeled after those of the UPA governing proceedings to adjudicate parentage. Existing law provides that if an action to determine paternity is brought before the birth of a child, all proceedings are generally required to be stayed until after the birth of the child. (NRS 126.071) **Section 84** of this bill instead authorizes a proceeding to adjudicate parentage to be commenced and an order or judgment to be entered

before the birth of a child, but requires enforcement of the order or judgment to be stayed until after the birth of the child.

Existing law does not bar an action to determine paternity until 3 years after a child reaches the age of majority. (NRS 126.081) **Sections 75 and 76** of this bill instead provide that a proceeding to determine whether an alleged genetic parent or presumed parent, respectively, is a parent of a child may be commenced after the child becomes an adult if the child initiates the proceeding.

Existing law requires that an informal hearing be held after an action to determine paternity has been brought and further requires a court to attempt to resolve the issues raised in the action during the pretrial hearing. (NRS 126.111) **Section 136** of this bill repeals the provisions relating to such a pretrial hearing, as the UPA does not require any such pretrial hearing to be conducted.

Section 77 of this bill authorizes a person who claims to be a de facto parent of a child to commence a proceeding to establish parentage of the child if the child is alive and less than 18 years of age. **Section 77** provides that a person who claims to be a de facto parent of a child must be adjudicated as a parent of the child if there is only one other person who is a parent or has a claim to parentage of the child and the person who claims to be a de facto parent can demonstrate certain facts by clear and convincing evidence. **Section 81** of this bill authorizes a court to adjudicate a child to have more than two parents if the court finds that failure to recognize more than two parents would be detrimental to the child.

Existing law establishes provisions concerning assisted reproduction and gestational surrogacy. (NRS 126.500-126.810) This bill establishes only certain provisions modeled after those of the UPA relating to such matters. **Section 92** of this bill establishes provisions relating to the parental status of certain persons who die before a child is conceived by assisted reproduction. **Section 93** of this bill authorizes a party to a gestational agreement to terminate the agreement at any time before an embryo transfer or, if an embryo transfer does not result in pregnancy, at any time before a subsequent embryo transfer.

Existing law requires that a gestational agreement provide for the express written agreement of the gestational carrier to undergo embryo or gamete transfer and attempt to carry and give birth to any resulting child. (NRS 126.750) **Section 107 of this bill requires that a gestational agreement also provide for the express written agreement of the gestational carrier and any legal spouse or domestic partner of the gestational carrier to acknowledge that each intended parent is the legal and physical custodian of any resulting child. Section 107 ~~[of this bill]~~ also** specifies that a gestational carrier has the right to make all health and welfare decisions regarding the gestational carrier and the pregnancy of the gestational carrier, including whether to: (1) consent to a cesarean section or the transfer of multiple embryos; (2) use the services of a health care practitioner chosen by the gestational carrier; (3) terminate or continue the pregnancy; and (4)

reduce or retain the number of fetuses or embryos carried by the gestational carrier. **Section 107 further** provides that any provision in a gestational agreement that contradicts such a right is void and unenforceable.

Existing law provides that the subsequent marriage or domestic partnership of a gestational carrier after the execution of a gestational agreement does not affect the validity of the agreement. (NRS 126.770) **Section 108** of this bill provides that the subsequent marriage, domestic partnership or divorce of any party to a gestational agreement does not affect the validity of the agreement unless the agreement expressly provides otherwise.

Existing law provides that if a gestational carrier breaches a gestational agreement, a specific performance remedy that would require the gestational carrier to be impregnated is prohibited. (NRS 126.780) **Section 109** of this bill instead provides that specific performance is not an available remedy with regard to a gestational agreement except to enforce any provision in the agreement that is necessary to enable the intended parents to exercise the full rights of parentage immediately upon the birth of the child, if the intended parents are being prevented from exercising such rights.

Sections 98-106 of this bill make various other changes to the provisions of existing law concerning assisted reproduction and gestational surrogacy.

Section 136 repeals provisions of existing law that are not necessary because of the establishment of the provisions modeled after those of the UPA in **sections 28-91**.

Sections 1, 94-97, 110-133 and 136 of this bill make conforming changes to reflect the revisions made to existing law because of the establishment of the provisions modeled after those of the UPA in **sections 28-91** and the repeal of unnecessary provisions in **section 136**.

(1) Does not have a presumed parent other than the person seeking to establish the parent and child relationship or has a presumed parent whose full name is stated; and

(2) Does not have another acknowledged parent, adjudicated parent or person who is a parent of the child under NRS 126.500 to 126.810, inclusive, and sections 92 and 93 of this act other than the person who gave birth to the child; and

(c) State that the signatories understand that the acknowledgement is the equivalent of an adjudication of parentage of the child and that a challenge to the acknowledgment is permitted only under limited circumstances and is barred 2 years after the effective date of the acknowledgment.

2. An acknowledgment of parentage is void if, at the time of signing:

(a) A person other than the person seeking to establish parentage is a presumed parent, unless a denial of parentage by the presumed parent in a signed record is filed with the State Registrar of Vital Statistics; or

(b) A person, other than the person who gave birth to the child or the person seeking to establish parentage, is an acknowledged or adjudicated parent or a parent under NRS 126.500 to 126.810, inclusive, and sections 92 and 93 of this act.

Sec. 40. *A presumed parent or alleged genetic parent may sign a denial of parentage in a record. The denial of parentage is valid only if:*

1. An acknowledgment of parentage by another person is filed under section 42 of this act;

2. The signature of the presumed parent or alleged genetic parent is attested by an electronic notary public or other notarial officer or signed by at least one witness; and

3. The presumed parent or alleged genetic parent has not previously:

(a) Completed a valid acknowledgment of parentage for the same child, unless the previous acknowledgment was rescinded under section 45 of this act or challenged successfully under section 46 of this act; or

(b) Been adjudicated to be a parent of the child.

Sec. 41. *1. An acknowledgment of parentage and a denial of parentage may be contained in a single document or may be in counterparts and may be filed with the State Registrar of Vital Statistics separately or simultaneously. If filing of the acknowledgment and denial both are required under sections 28 to 91, inclusive, of this act, neither is effective until both are filed.*

2. An acknowledgment of parentage or denial of parentage may only be signed after the birth of the child.

3. Subject to subsection 1, an acknowledgment of parentage or denial of parentage takes effect on the filing of the document with the State Registrar of Vital Statistics.

4. An acknowledgment of parentage or denial of parentage signed by a person who is a minor is valid if the acknowledgment complies with sections 28 to 91, inclusive, of this act.

Sec. 42. *1. Except as otherwise provided in sections 45 and 46 of this act, an acknowledgment of parentage that complies with sections 38 to 51, inclusive, of this act and is filed with the State Registrar of Vital Statistics is equivalent to an adjudication of parentage of the child and confers on the acknowledged parent all rights and duties of a parent.*

2. Except as otherwise provided in sections 45 and 46 of this act, a denial of parentage by a presumed parent or alleged genetic parent which complies with sections 38 to 51, inclusive, of this act and is filed with the State Registrar of Vital Statistics with an acknowledgment of parentage that complies with sections 38 to 51, inclusive, of this act is equivalent to an adjudication of the nonparentage of the presumed parent or alleged genetic parent who signed the denial and discharges the presumed parent or alleged genetic parent who signed the denial from all rights and duties of a parent.

Sec. 43. *The State Registrar of Vital Statistics may not charge a fee for filing an acknowledgment of parentage or denial of parentage.*

Sec. 44. *A court conducting a judicial proceeding or an administrative agency conducting an administrative proceeding is not required or permitted to ratify an unchallenged acknowledgment of parentage. A court may determine that a person who signed an acknowledgment of parentage is a parent in a later proceeding based on other grounds.*

Sec. 45. *1. A signatory may rescind an acknowledgment of parentage or denial of parentage by filing with the State Registrar of Vital Statistics a*

rescission in a signed record which is attested by an electronic notary public or notarial officer or signed by at least one witness, before the earlier of:

(a) Sixty days after the effective date under section 41 of this act of the acknowledgment or denial; or

(b) The date of the first hearing before a court in a proceeding, to which the signatory is a party, to adjudicate an issue relating to the child, including a proceeding that establishes support.

2. If an acknowledgment of parentage is rescinded under subsection 1, an associated denial of parentage is invalid, and the State Registrar of Vital Statistics shall notify the person who gave birth to the child and the person who signed a denial of parentage of the child that the acknowledgment has been rescinded. Failure to give the notice required by this subsection does not affect the validity of the rescission.

Sec. 46. *1. After the period for rescission under section 45 of this act expires, but not later than 2 years after the effective date under section 41 of this act of an acknowledgment of parentage or denial of parentage, a signatory of the acknowledgment or denial may commence a proceeding to challenge the acknowledgment or denial only on the basis of fraud, duress or material mistake of fact.*

2. A challenge to an acknowledgment of parentage or denial of parentage by a person who was not a signatory to the acknowledgment or denial is governed by section 78 of this act.

Sec. 47. *1. Every signatory to an acknowledgment of parentage and any related denial of parentage must be made a party to a proceeding to challenge the acknowledgment or denial.*

2. By signing an acknowledgment of parentage or denial of parentage, a signatory submits to personal jurisdiction in this State in a proceeding to challenge the acknowledgment or denial, effective on the filing of the acknowledgment or denial with the State Registrar of Vital Statistics.

3. The court may not suspend the legal responsibilities arising from an acknowledgment of parentage, including the duty to pay child support, during the pendency of a proceeding to challenge the acknowledgment or a related denial of parentage, unless the party challenging the acknowledgment or denial shows good cause.

4. A party challenging an acknowledgment of parentage or denial of parentage has the burden of proof.

5. If the court determines that a party has satisfied the burden of proof under subsection 4, the court shall order the State Registrar of Vital Statistics to amend the birth record of the child to reflect the legal parentage of the child.

6. A proceeding to challenge an acknowledgment of parentage or denial of parentage must be conducted under sections 69 to 89, inclusive, of this act.

Sec. 48. *The court shall give full faith and credit to an acknowledgment of parentage or denial of parentage effective in another state if the*

acknowledgment or denial was in a signed record and otherwise complies with the law of the other state.

Sec. 49. *A valid acknowledgment of parentage or denial of parentage is not affected by a later modification of the declaration developed by the State Board of Health pursuant to NRS 440.285.*

Sec. 50. *1. The State Registrar of Vital Statistics may release information relating to an acknowledgment of parentage or denial of parentage to a signatory of the acknowledgment or denial, a court, federal agency , agency which provides child welfare services and child support agency of this or another state.*

2. As used in this section, "agency which provides child welfare services" has the meaning ascribed to it in NRS 432B.030.

Sec. 51. *The State Board of Health may adopt any regulations that are necessary to implement sections 38 to 51, inclusive, of this act.*

Sec. 52. *As used in sections 52 to 68, inclusive, of this act, unless the context otherwise requires, the words and terms defined in sections 53 to 57, inclusive, of this act have the meanings ascribed to them in those sections.*

Sec. 53. *"Combined relationship index" means the product of all tested relationship indices.*

Sec. 54. *"Ethnic or racial group" means, for the purpose of genetic testing, a recognized group that a person identifies as the person's ancestry or part of the ancestry or that is identified by other information.*

Sec. 55. *"Hypothesized genetic relationship" means an asserted genetic relationship between a person and a child.*

Sec. 56. *"Probability of parentage" means, for the ethnic or racial group to which a person alleged to be a parent belongs, the probability that a hypothesized genetic relationship is supported, compared to the probability that a genetic relationship is supported between the child and a random person of the ethnic or racial group used in the hypothesized genetic relationship, expressed as a percentage incorporating the combined relationship index and a prior probability.*

Sec. 57. *"Relationship index" means a likelihood ratio that compares the probability of a genetic marker given a hypothesized genetic relationship and the probability of the genetic marker given a genetic relationship between the child and a random person of the ethnic or racial group used in the hypothesized genetic relationship.*

Sec. 58. *1. Sections 52 to 68, inclusive, of this act govern genetic testing of a person in a proceeding to adjudicate parentage, whether the person:*

(a) Voluntarily submits to testing; or

(b) Is tested under an order of the court or as a result of the facilitation of a child support agency.

2. Genetic testing may not be used:

(a) To challenge the parentage of a person who is a parent under NRS 126.500 to 126.810, inclusive, and sections 92 and 93 of this act; or

(b) To establish the parentage of a person who is a donor.

Sec. 59. *1. Except as otherwise provided in sections 52 to 68, inclusive, or 69 to 89, inclusive, of this act, in a proceeding under sections 28 to 91, inclusive, of this act to determine parentage, the court shall order the child and any other person to submit to genetic testing if a request for testing is supported by the sworn statement of a party:*

(a) Alleging a reasonable possibility that the person is the child's genetic parent; or

(b) Denying genetic parentage of the child and stating facts establishing a reasonable possibility that the person is not a genetic parent.

2. A child support agency may facilitate genetic testing only if there is no acknowledged or adjudicated parent of a child other than the person who gave birth to the child.

3. The court may not order, and a child support agency may not facilitate, in utero genetic testing.

4. If two or more persons are subject to court-ordered genetic testing, the court may order that testing be completed concurrently or sequentially.

5. Genetic testing of a person who gave birth to a child is not a condition precedent to testing of the child and a person whose genetic parentage of the child is being determined. If the person who gave birth to the child is unavailable or declines to submit to genetic testing, the court may order genetic testing of the child and each person whose genetic parentage of the child is being adjudicated.

6. In a proceeding to adjudicate the parentage of a child having a presumed parent or a person who claims to be a parent under section 77 of this act, or to challenge an acknowledgment of parentage, the court may deny a motion for genetic testing of the child and any other person after considering the factors in subsections 1 and 2 of section 81 of this act.

7. If a person requesting genetic testing is barred under sections 69 to 89, inclusive, of this act from establishing the person's parentage, the court shall deny the request for genetic testing.

8. An order under this section for genetic testing is enforceable by contempt.

Sec. 60. *1. Genetic testing must be of a type reasonably relied on by experts in the field of genetic testing and performed in a testing laboratory accredited by:*

(a) The AABB, formerly known as the American Association of Blood Banks, or a successor to its functions; or

(b) An accrediting body designated by the Secretary of the United States Department of Health and Human Services.

2. A specimen used in genetic testing may consist of a sample or a combination of samples of blood, buccal cells, bone, hair or other body tissue or fluid. The specimen used in the testing need not be of the same kind for each person undergoing genetic testing.

3. Based on the ethnic or racial group of a person undergoing genetic testing, a testing laboratory shall determine the databases from which to select frequencies for use in calculating a relationship index. If a person or a child support agency objects to the laboratory's choice, the following rules apply:

(a) Not later than 30 days after receipt of the report of the test, the objecting person or child support agency may request the court to require the laboratory to recalculate the relationship index using an ethnic or racial group different from that used by the laboratory.

(b) The person or the child support agency objecting to the laboratory's choice under this subsection shall:

(1) If the requested frequencies are not available to the laboratory for the ethnic or racial group requested, provide the requested frequencies compiled in a manner recognized by accrediting bodies; or

(2) Engage another laboratory to perform the calculations.

(c) The laboratory may use its own statistical estimate if there is a question which ethnic or racial group is appropriate. The laboratory shall calculate the frequencies using statistics, if available, for any other ethnic or racial group requested.

4. If, after recalculation of the relationship index under subsection 3 using a different ethnic or racial group, genetic testing under section 62 of this act does not identify a person as a genetic parent of a child, the court may require a person who has been tested to submit to additional genetic testing to identify a genetic parent.

Sec. 61. *1. A report of genetic testing must be in a record and signed under penalty of perjury by a designee of the testing laboratory. A report complying with the requirements of sections 52 to 68, inclusive, of this act is self-authenticating.*

2. Documentation from a testing laboratory of the following information is sufficient to establish a reliable chain of custody and allow the results of genetic testing to be admissible without testimony:

(a) The name and photograph of each person whose specimen has been taken;

(b) The name of the person who collected each specimen;

(c) The place and date each specimen was collected;

(d) The name of the person who received each specimen in the testing laboratory; and

(e) The date each specimen was received.

Sec. 62. *1. Subject to a challenge under subsection 2, a person is identified under sections 28 to 91, inclusive, of this act as a genetic parent of a child if genetic testing complies with sections 52 to 68, inclusive, of this act and the results of the testing disclose:*

(a) The person has at least a 99 percent probability of parentage, using a prior probability of 0.50, as calculated by using the combined relationship index obtained in the testing; and

(b) A combined relationship index of at least 100 to 1.

2. A person identified under subsection 1 as a genetic parent of the child may challenge the genetic testing results only by other genetic testing satisfying the requirements of sections 52 to 68, inclusive, of this act which:

(a) Excludes the person as a genetic parent of the child; or

(b) Identifies another person as a possible genetic parent of the child other than:

(1) The person who gave birth to the child; or

(2) The person identified under subsection 1.

3. Except as otherwise provided in section 67 of this act, if more than one person other than the person who gave birth to the child is identified by genetic testing as a possible genetic parent of the child, the court shall order each person to submit to further genetic testing to identify a genetic parent.

Sec. 63. *1. Subject to assessment of fees under sections 69 to 89, inclusive, of this act, payment of the cost of initial genetic testing must be made in advance:*

(a) By the person who made the request for genetic testing;

(b) As agreed by the parties; or

(c) As ordered by the court.

2. If the cost of genetic testing is paid by a child support agency, the agency may seek reimbursement from the genetic parent whose parent and child relationship is established.

Sec. 64. *The court shall order, or a child support agency may facilitate, additional genetic testing on request of a person who contests the result of the initial testing under section 62 of this act. If initial genetic testing under section 62 of this act identified a person as a genetic parent of the child, the court may not order, and a child support agency may not facilitate, additional testing unless the contesting person pays for the testing in advance.*

Sec. 65. *1. Subject to subsection 2, if a genetic-testing specimen is not available from an alleged genetic parent of a child, a person seeking genetic testing demonstrates good cause and the court finds that the circumstances are just, the court may order any of the following persons to submit specimens for genetic testing:*

(a) A parent of the alleged genetic parent;

(b) A sibling of the alleged genetic parent;

(c) Another child of the alleged genetic parent and the person who gave birth to the other child; and

(d) Another relative of the alleged genetic parent necessary to complete genetic testing.

2. To issue an order under this section, the court must find that a need for genetic testing outweighs the legitimate interests of the person sought to be tested.

Sec. 66. *If a person seeking genetic testing demonstrates good cause, the court may order genetic testing of a deceased person.*

Sec. 67. *1. If the court finds there is reason to believe that an alleged genetic parent has an identical sibling and evidence that the sibling may be a genetic parent of the child, the court may order genetic testing of the sibling.*

2. If more than one sibling is identified under section 62 of this act as a genetic parent of the child, the court may rely on nongenetic evidence to adjudicate which sibling is a genetic parent of the child.

Sec. 68. *1. Release of a report of genetic testing for parentage is controlled by law of this State other than sections 28 to 91, inclusive, of this act.*

2. A person who intentionally releases an identifiable specimen of another person collected for genetic testing under sections 52 to 68, inclusive, of this act for a purpose not relevant to a proceeding regarding parentage, without a court order or written permission of the person who furnished the specimen, commits a misdemeanor.

Sec. 69. *1. A proceeding may be commenced to adjudicate the parentage of a child. Except as otherwise provided in sections 28 to 91, inclusive, of this act, the proceeding is governed by the Nevada Rules of Civil Procedure.*

2. A proceeding to adjudicate the parentage of a child born under a gestational agreement is governed by NRS 126.500 to 126.810, inclusive, and sections 92 and 93 of this act.

3. As used in this section, "gestational agreement" has the meaning ascribed to it in NRS 126.570.

Sec. 70. *Except as otherwise provided in sections 38 to 51, inclusive, and 76 to 79, inclusive, of this act, a proceeding to adjudicate parentage may be maintained by:*

1. The child;

2. The person who gave birth to the child, unless a court has adjudicated that the person who gave birth to the child is not a parent;

3. A person who is a parent under sections 28 to 91, inclusive, of this act;

4. A person whose parentage of the child is to be adjudicated;

5. A child support agency or other governmental agency authorized by law of this State other than sections 28 to 91, inclusive, of this act;

6. An adoption agency authorized by law of this State other than sections 28 to 91, inclusive, of this act or licensed child-placing agency; ~~*[or]*~~

7. A representative authorized by law of this State other than sections 28 to 91, inclusive, of this act to act for a person who otherwise would be entitled to maintain a proceeding but is deceased, incapacitated or a minor ~~*[.]*~~ ***; or***

8. An agency which provides child welfare services in a proceeding pursuant to chapter 432B of NRS. As used in this subsection, "agency which provides child welfare services" has the meaning ascribed to it in NRS 432B.030.

Sec. 71. *1. The petitioner shall give notice of a proceeding to adjudicate parentage to the following persons, if the whereabouts of the person are known:*

(a) The person who gave birth to the child, unless a court has adjudicated that the person who gave birth to the child is not a parent;

(b) A person who is a parent of the child under sections 28 to 91, inclusive, of this act;

(c) A presumed, acknowledged or adjudicated parent of the child; and

(d) A person whose parentage of the child is to be adjudicated.

2. A person entitled to notice under subsection 1 has a right to intervene in the proceeding.

3. Lack of notice required by subsection 1 does not render a judgment void. Lack of notice does not preclude a person entitled to notice under subsection 1 from bringing a proceeding under subsection 2 of section 79 of this act.

Sec. 72. *1. The court may adjudicate a person's parentage of a child only if the court has personal jurisdiction over the person.*

2. A court of this State with jurisdiction to adjudicate parentage may exercise personal jurisdiction over a nonresident if the conditions prescribed in NRS 130.201 are satisfied.

3. Lack of jurisdiction over one person does not preclude the court from making an adjudication of parentage binding on another person.

Sec. 73. *Venue for a proceeding to adjudicate parentage is in the county of this State in which:*

1. The child resides or is located;

2. If the child does not reside in this State, the respondent resides or is located; ~~[or]~~

3. A proceeding has been commenced for administration of the estate of a person who is or may be a parent under sections 28 to 91, inclusive, of this act ~~[.]~~ ; or

4. A proceeding has been commenced to protect a child from abuse or neglect pursuant to chapter 432B of NRS.

Sec. 74. *1. Except as otherwise provided in subsection 2 of section 58 of this act, the court shall admit a report of genetic testing ordered by the court under section 59 of this act as evidence of the truth of the facts asserted in the report.*

2. A party may object to the admission of a report described in subsection 1, not later than 14 days after the party receives the report. The party shall cite specific grounds for exclusion.

3. A party that objects to the results of genetic testing may call a genetic-testing expert to testify in person or by another method approved by the court. Unless the court orders otherwise, the party offering the testimony bears the expense for the expert testifying.

4. Admissibility of a report of genetic testing is not affected by whether the testing was performed:

(a) Voluntarily, under an order of the court or as a result of the facilitation of a child support agency; or

(b) Before, on or after commencement of the proceeding.

Sec. 75. *1. A proceeding to determine whether an alleged genetic parent who is not a presumed parent is a parent of a child may be commenced:*

(a) Before the child becomes an adult; or

(b) After the child becomes an adult, but only if the child initiates the proceeding.

2. This subsection applies in a proceeding described in subsection 1 if the person who gave birth to the child is the only other person with a claim to parentage of the child. The court shall adjudicate an alleged genetic parent to be a parent of the child if the alleged genetic parent:

(a) Is identified under section 62 of this act as a genetic parent of the child and the identification is not successfully challenged under section 62 of this act;

(b) Admits parentage in a pleading, when making an appearance or during a hearing, the court accepts the admission and the court determines the alleged genetic parent to be a parent of the child;

(c) Declines to submit to genetic testing ordered by the court or facilitated by a child support agency, in which case the court may adjudicate the alleged genetic parent to be a parent of the child even if the alleged genetic parent denies a genetic relationship with the child;

(d) Is in default after service of process and the court determines the alleged genetic parent to be a parent of the child; or

(e) Is neither identified nor excluded as a genetic parent by genetic testing and, based on other evidence, the court determines the alleged genetic parent to be a parent of the child.

3. Subject to other limitations in sections 74 to 81, inclusive, of this act, if in a proceeding involving an alleged genetic parent, at least one other person in addition to the person who gave birth to the child has a claim to parentage of the child, the court shall adjudicate parentage under section 81 of this act.

Sec. 76. *1. A proceeding to determine whether a presumed parent is a parent of a child may be commenced:*

(a) Before the child becomes an adult; or

(b) After the child becomes an adult, but only if the child initiates the proceeding.

2. A presumption of parentage under section 37 of this act cannot be overcome after the child attains 2 years of age unless the court determines:

(a) The presumed parent is not a genetic parent, never resided with the child and never held out the child as the presumed parent's child; or

(b) The child has more than one presumed parent.

3. The following rules apply in a proceeding to adjudicate a presumed parent's parentage of a child if the person who gave birth to the child is the only other person with a claim to parentage of the child:

(a) If no party to the proceeding challenges the presumed parent's parentage of the child, the court shall adjudicate the presumed parent to be a parent of the child.

(b) If the presumed parent is identified under section 62 of this act as a genetic parent of the child and that identification is not successfully challenged under section 62 of this act, the court shall adjudicate the presumed parent to be a parent of the child.

(c) If the presumed parent is not identified under section 62 of this act as a genetic parent of the child and the presumed parent or the person who gave birth to the child challenges the presumed parent's parentage of the child, the court shall adjudicate the parentage of the child in the best interest of the child based on the factors under subsections 1 and 2 of section 81 of this act.

4. Subject to other limitations in sections 74 to 81, inclusive, of this act, if in a proceeding to adjudicate a presumed parent's parentage of a child, another person in addition to the person who gave birth to the child asserts a claim to parentage of the child, the court shall adjudicate parentage under section 81 of this act.

Sec. 77. ***1. A proceeding to establish parentage of a child under this section may be commenced only by a person who:***

(a) Is alive when the proceeding is commenced; and

(b) Claims to be a de facto parent of the child.

2. A person who claims to be a de facto parent of a child must commence a proceeding to establish parentage of a child under this section:

(a) Before the child attains 18 years of age; and

(b) While the child is alive.

3. The following rules govern standing of a person who claims to be a de facto parent of a child to maintain a proceeding under this section:

(a) The person must file an initial verified pleading alleging specific facts that support the claim to parentage of the child asserted under this section. The verified pleading must be served on all parents and legal guardians of the child and any other party to the proceeding.

(b) An adverse party, parent or legal guardian may file a pleading in response to the pleading filed under paragraph (a). A responsive pleading must be verified and must be served on parties to the proceeding.

(c) Unless the court finds a hearing is necessary to determine disputed facts material to the issue of standing, the court shall determine, based on the pleadings under paragraphs (a) and (b), whether the person has alleged facts sufficient to satisfy by a preponderance of the evidence the requirements of paragraphs (a) to (g), inclusive, of subsection 4. If the court holds a hearing under this subsection, the hearing must be held on an expedited basis.

4. In a proceeding to adjudicate parentage of a person who claims to be a de facto parent of the child, if there is only one other person who is a parent or has a claim to parentage of the child, the court shall adjudicate the person who claims to be a de facto parent to be a parent of the child if the person demonstrates by clear and convincing evidence that:

(a) The person resided with the child as a regular member of the child's household for a significant period;

(b) The person engaged in consistent caretaking of the child;

(c) The person undertook full and permanent responsibilities of a parent of the child without expectation of financial compensation;

(d) The person held out the child as the person's child;

(e) The person established a bonded and dependent relationship with the child which is parental in nature;

(f) Another parent of the child fostered or supported the bonded and dependent relationship required under paragraph (e); and

(g) Continuing the relationship between the person and the child is in the best interest of the child.

5. Subject to other limitations in sections 74 to 81, inclusive, of this act, if in a proceeding to adjudicate parentage of a person who claims to be a de facto parent of the child, there is more than one other person who is a parent or has a claim to parentage of the child and the court determines that the requirements of subsection 4 are satisfied, the court shall adjudicate parentage under section 81 of this act.

Sec. 78. *1. If a child has an acknowledged parent, a proceeding to challenge the acknowledgment of parentage or a denial of parentage, brought by a signatory to the acknowledgment or denial, is governed by sections 46 and 47 of this act.*

2. If a child has an acknowledged parent, the following rules apply in a proceeding to challenge the acknowledgment of parentage or a denial of parentage brought by a person, other than the child, who has standing under section 70 of this act and was not a signatory to the acknowledgment or denial:

(a) The person must commence the proceeding not later than 2 years after the effective date of the acknowledgment.

(b) The court may permit the proceeding only if the court finds permitting the proceeding is in the best interest of the child.

(c) If the court permits the proceeding, the court shall adjudicate parentage under section 80 of this act.

Sec. 79. *1. If a child has an adjudicated parent, a proceeding to challenge the adjudication, brought by a person who was a party to the adjudication or received notice under section 71 of this act, is governed by the rules governing a collateral attack on a judgment.*

2. If a child has an adjudicated parent, the following rules apply to a proceeding to challenge the adjudication of parentage brought by a person, other than the child, who has standing under section 70 of this act and was

not a party to the adjudication and did not receive notice under section 71 of this act:

(a) The person must commence the proceeding not later than 2 years after the effective date of the adjudication.

(b) The court may permit the proceeding only if the court finds permitting the proceeding is in the best interest of the child.

(c) If the court permits the proceeding, the court shall adjudicate parentage under section 81 of this act.

Sec. 80. ***1. A person who is a parent under NRS 126.500 to 126.810, inclusive, and sections 92 and 93 of this act or the person who gave birth to the child may bring a proceeding to adjudicate parentage. If the court determines the person is a parent under NRS 126.500 to 126.810, inclusive, and sections 92 and 93 of this act, the court shall adjudicate the person to be a parent of the child.***

2. In a proceeding to adjudicate a person's parentage of a child, if another person other than the person who gave birth to the child is a parent under NRS 126.500 to 126.810, inclusive, and sections 92 and 93 of this act, the court shall adjudicate the person's parentage of the child under section 81 of this act.

Sec. 81. ***1. In a proceeding to adjudicate competing claims of, or challenges under subsection 3 of section 76 of this act or section 78 or 79 of this act, to parentage of a child by two or more persons, the court shall adjudicate parentage in the best interest of the child, based on:***

(a) The age of the child;

(b) The length of time during which each person assumed the role of parent of the child;

(c) The nature of the relationship between the child and each person;

(d) The harm to the child if the relationship between the child and each person is not recognized;

(e) The basis for each person's claim to parentage of the child; and

(f) Other equitable factors arising from the disruption of the relationship between the child and each person or the likelihood of other harm to the child.

2. If a person challenges parentage based on the results of genetic testing, in addition to the factors listed in subsection 1, the court shall consider:

(a) The facts surrounding the discovery the person might not be a genetic parent of the child; and

(b) The length of time between the time that the person was placed on notice that the person might not be a genetic parent and the commencement of the proceeding.

3. The court may adjudicate a child to have more than two parents under sections 28 to 91, inclusive, of this act if the court finds that failure to recognize more than two parents would be detrimental to the child. A finding of detriment to the child does not require a finding of unfitness of any parent

or person seeking an adjudication of parentage. In determining detriment to the child, the court shall consider all relevant factors, including the harm if the child is removed from a stable placement with a person who has fulfilled the child's physical needs and psychological needs for care and affection and has assumed the role for a substantial period.

Sec. 82. *1. In a proceeding under sections 69 to 89, inclusive, of this act, the court may issue a temporary order for child support if the order is consistent with the law of this State other than sections 28 to 91, inclusive, of this act and the person ordered to pay support is:*

Sec. 84. *Except as otherwise provided in NRS 126.500 to 126.810, inclusive, and sections 92 and 93 of this act, a proceeding to adjudicate parentage may be commenced before the birth of the child and an order or judgment may be entered before birth, but enforcement of the order or judgment must be stayed until the birth of the child.*

Sec. 85. *1. A minor child is a permissive party but not a necessary party to a proceeding under sections 69 to 89, inclusive, of this act.*

2. The court shall appoint a guardian ad litem to represent a child in a proceeding under sections 69 to 89, inclusive, of this act if the court finds that the interests of the child are not adequately represented.

Sec. 86. *The court shall adjudicate parentage of a child without a jury.*

Sec. 87. *The court may dismiss a proceeding under sections 28 to 91, inclusive, of this act for want of prosecution only without prejudice. An order of dismissal for want of prosecution purportedly with prejudice is void and has only the effect of a dismissal without prejudice.*

2. Except as otherwise provided in subsection 3, the court may assess filing fees, reasonable attorney's fees, fees for genetic testing, other costs and necessary travel and other reasonable expenses incurred in a proceeding under sections 69 to 89, inclusive, of this act. Attorney's fees awarded under this subsection may be paid directly to the attorney, and the attorney may enforce the order in the attorney's own name.

3. The court may not assess fees, costs or expenses in a proceeding under sections 69 to 89, inclusive, of this act against a child support agency of this State or another state, except as provided by law of this State other than sections 28 to 91, inclusive, of this act.

4. In a proceeding under sections 69 to 89, inclusive, of this act, a copy of a bill for genetic testing or prenatal or postnatal health care for the person who gave birth to the child and the child, that is provided to the adverse party, excluding a child support agency, not later than 10 days before a hearing, is admissible to establish:

(a) The amount of the charge billed; and

(b) That the charge is reasonable and necessary.

5. On request of a party and for good cause, the court in a proceeding under sections 69 to 89, inclusive, of this act may order the name of the child changed. (b) The determination was based on a finding consistent with the results of genetic testing, and the consistency is declared in the determination or otherwise shown;

(c) The determination of parentage was made under NRS 126.500 to 126.810, inclusive, and sections 92 and 93 of this act; or

(d) The child was a party or was represented by a guardian ad litem in the proceeding.

3. In a proceeding for divorce, dissolution, annulment, declaration of invalidity, legal separation or separate maintenance, the court is deemed to have made an adjudication of parentage of a child if the court acts under circumstances that satisfy the jurisdiction requirements of NRS 130.201 and the final order:

(a) Expressly identifies the child as a "child of the marriage" or "issue of the marriage" or includes similar words indicating that both spouses are parents of the child; or

(b) Provides for support of the child by a spouse or domestic partner unless that spouse's or domestic partner's parentage of the child is disclaimed specifically in the order.

4. Except as otherwise provided in subsection 2 or section 79 of this act, a determination of parentage may be asserted as a defense in a subsequent proceeding seeking to adjudicate parentage of a person who was not a party to the earlier proceeding.

5. A party to an adjudication of parentage may challenge the adjudication only under law of this State other than sections 28 to 91, inclusive, of this act relating to appeal, vacation of judgment or other judicial review.

Sec. 90. *In applying and construing this uniform act, consideration must be given to the need to promote uniformity of the law with respect to its subject matter among states that enact it.*

Sec. 91. *Sections 28 to 91, inclusive, of this act modify, limit and supersede the Electronic Signatures in Global and National Commerce Act, 15 U.S.C. §§ 7001 et seq., but do not modify, limit or supersede Section 101(c) of that act, 15 U.S.C. § 7001(c), or authorize electronic delivery of any of the notices described in Section 103(b) of that act, 15 U.S.C. § 7003(b).*

Sec. 92. *1. If a person who intends to be a parent of a child conceived by assisted reproduction dies during the period between the transfer of a gamete or embryo and the birth of the child, the person's death does not preclude the establishment of the person's parentage of the child if the person otherwise would be a parent of the child under sections 28 to 91, inclusive, of this act.*

2. If a person who consented in a record to assisted reproduction by a person who agreed to give birth to a child dies before a transfer of gametes or embryos, the deceased person is a parent of a child conceived by the assisted reproduction only if:

(a) Either:

(1) The person consented in a record that if assisted reproduction were to occur after the death of the person, the person would be a parent of the child; or

(b) Either:

(1) The embryo is in utero not later than 36 months after the person's death; or

(2) The child is born not later than 45 months after the person's death.

(a) The agreement provides otherwise; and

(b) The transfer of a gamete or embryo occurs not later than 36 months after the death of the intended parent or birth of the child occurs not later than 45 months after the death of the intended parent.

Sec. 93. ***1. A party to a gestational agreement may terminate the agreement, at any time before an embryo transfer, by giving notice of termination in a record to all other parties. If an embryo transfer does not result in a pregnancy, a party may terminate the agreement at any time before a subsequent embryo transfer.***

2. Unless a gestational agreement provides otherwise, on termination of the agreement under subsection 1, the parties are released from the agreement, except that each intended parent remains responsible for expenses that are reimbursable under the agreement and incurred by the gestational carrier through the date of termination.

3. Except in a case involving fraud, neither a gestational carrier nor the gestational carrier's spouse, domestic partner or former spouse or domestic partner, if any, is liable to the intended parent or parents for a penalty or liquidated damages, for terminating a gestational agreement under this section.

Assembly Bill No. 405.

The following Senate amendment was read:

Amendment No. 564.

AN ACT relating to criminal procedure; authorizing a justice court or municipal court to establish a program for the treatment of mental illness or intellectual disabilities; **revising various provisions relating to a program for the treatment of mental illness or intellectual disabilities;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes a district court to establish an appropriate program for the treatment of mental illness or intellectual disabilities to which it may assign an eligible defendant. Under existing law, a justice court or municipal court is authorized, upon approval of a district court, to transfer original jurisdiction of a case involving such an eligible defendant to the district court. (NRS 4.370, 5.050, 176A.250, 176A.255) **Sections 1-6** of this bill additionally authorize a justice court or municipal court to establish such a program and to transfer original jurisdiction of a case involving an eligible defendant to the district court if the justice court or municipal court **: (1)** has not established such a program ~~[.]~~ **; or (2) determines that the transfer is appropriate and necessary.**

Existing law limits the definition of an "eligible defendant" to mean a person who: (1) has not tendered a plea of guilty, guilty but mentally ill or nolo contendere to, or been found guilty or guilty but mentally ill of, an offense that is a misdemeanor; (2) appears to suffer from mental illness or to be intellectually disabled; and (3) would benefit from assignment to a program. (NRS 176A.255) Section 2 of this bill expands the definition of an "eligible defendant" to include any person who, regardless of whether the person has tendered a plea to or been found guilty of an offense that is a misdemeanor: (1) appears to suffer from a mental illness or to be intellectually disabled; and (2) would benefit from assignment to a program.

Existing law provides that upon a violation of a term or condition of such a program, the court may: (1) enter a judgement of conviction and proceed as provided in the section pursuant to which the defendant was charged; and (2) order the defendant to the custody of the Department of Corrections if the offense is punishable by imprisonment in the state prison. (NRS 176A.260) **Section 3** authorizes the imposition of certain sanctions against a defendant for such a violation.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 176A.250 is hereby amended to read as follows:

176A.250 A ***district court, justice court or municipal*** court may establish an appropriate program for the treatment of mental illness or intellectual disabilities to which it may assign a defendant pursuant to NRS 174.032, 176.211, 176A.260 or 176A.400. Sec. 2. NRS 176A.255 is hereby amended to read as follows:

176A.255 1. 176A.260 1. Except as otherwise provided in subparagraph (1) of paragraph (a) of subsection 3 of NRS 176.211, if a defendant who suffers from mental illness or is intellectually disabled tenders a plea of guilty, guilty but mentally ill or nolo contendere to, or is found guilty or guilty but mentally ill of, any offense for which the suspension of sentence or the granting of probation is not prohibited by statute, the ***district court, justice court or municipal*** court ***, as applicable,*** may:

(a) Without entering a judgment of conviction and with the consent of the defendant, suspend or defer further proceedings and place the defendant on probation upon terms and conditions that must include attendance and successful completion of a program established pursuant to NRS 176A.250 if the ***district court, justice court or municipal*** court determines that the defendant is eligible for participation in such a program; or

2. Except as otherwise provided in subsection 4, a defendant is eligible for participation in a program established pursuant to NRS 176A.250 if the defendant is diagnosed as having a mental illness or an intellectual disability:

(a) After an in-person clinical assessment by:

(1) A counselor who is licensed or certified to make such a diagnosis; or

(2) A duly licensed physician qualified by the Board of Medical Examiners to make such a diagnosis; and

(b) If the defendant appears to suffer from a mental illness, pursuant to a mental health screening that indicates the presence of a mental illness.

3. A counselor or physician who diagnoses a defendant as having a mental illness or intellectual disability shall submit a report and recommendation to the ***district court, justice court or municipal*** court concerning the length and type of treatment required for the defendant within the maximum probation terms applicable to the offense for which the defendant is convicted.

4. If the offense committed by the defendant is a category A felony or a sexual offense as defined in NRS 179D.097 that is punishable as a category B felony, the defendant is not eligible for assignment to the program.

5. Upon violation of a term or condition:

(a) ***The district court, justice court or municipal court, as applicable, may impose sanctions against the defendant for the violation, but allow the defendant to remain in the program. Before imposing a sanction, the court shall notify the defendant of the violation and provide the defendant an opportunity to respond. Any sanction imposed pursuant to this paragraph:***

(1) Must be in accordance with any applicable guidelines for sanctions established by the National Association of Drug Court Professionals or any successor organization; and

(2) May include, without limitation, imprisonment in a county or city jail or detention facility for a term set by the court, which must not exceed 25 days.

(b) The ***district court, justice court or municipal*** court ***, as applicable,*** may enter a judgment of conviction, if applicable, and proceed as provided in the section pursuant to which the defendant was charged.

(b) May discharge the defendant and dismiss the proceedings or set aside the judgment of conviction, as applicable, if the defendant:

(1) Has been previously convicted in this State or in any other jurisdiction of a felony; or

(2) Has previously failed to complete a specialty court program.

7. Discharge and dismissal pursuant to this section is without adjudication of guilt and is not a conviction for purposes of this section or for purposes of employment, civil rights or any statute or regulation or license or questionnaire or for any other public or private purpose, but is a conviction for the purpose of additional penalties imposed for second or subsequent convictions or the setting of bail. Discharge and dismissal restores the defendant, in the contemplation of the law, to the status occupied before the arrest, indictment or information. The defendant may not be held thereafter under any law to be guilty of perjury or otherwise giving a false statement by reason of failure to recite or acknowledge that arrest, indictment, information or trial in response to an inquiry made of the defendant for any purpose.

8. If the defendant was charged with a violation of NRS 200.485, 484C.110 or 484C.120, upon fulfillment of the terms and conditions, the district court, justice court or municipal court, as applicable, may conditionally dismiss the charges or set aside the judgment of conviction, as applicable. If a court conditionally dismisses the charges or sets aside the judgment of conviction, the court shall notify the defendant that any conditionally dismissed charge or judgment of conviction that is set aside is a conviction for the purpose of additional penalties imposed for second or subsequent convictions or the setting of bail in a future case, but is not a conviction for purposes of employment, civil rights or any statute or regulation or license or questionnaire or for any other public or private purpose. Conditional dismissal or having a judgment of conviction set aside restores the defendant, in the contemplation of the law, to the status occupied before the arrest, complaint, indictment or information. The defendant may not be held thereafter under any law to be guilty of perjury or otherwise giving a false statement by reason of failure to recite or acknowledge that arrest, complaint, indictment, information or trial in response to an inquiry made of the defendant for any purpose.

The ***district court, justice court or municipal*** court ***, as applicable,*** shall order those records sealed without a hearing unless the Division petitions the court, for good cause shown, not to seal the records and requests a hearing thereon.

2. Each such agency or officer shall notify the ***district court, justice court or municipal*** court ***, as applicable,*** in writing of its compliance with the order.

Sec. 5. NRS 4.370 is hereby amended to read as follows:

4.370 1. Except as otherwise provided in subsection 2, justice courts have jurisdiction of the following civil actions and proceedings and no others except as otherwise provided by specific statute:

SUMMARY—Revises provisions relating to ~~[reckless driving.]~~ **motor vehicles.** (BDR 43-95)

AN ACT relating to motor vehicles; authorizing the removal of a vehicle or part of a vehicle from the highway following the issuance of a citation for reckless driving; **requiring the inclusion of certain information regarding hardship tariffs in the annual report submitted by the operator of a tow car to the Nevada Transportation Authority; revising provisions governing the towing of a motor vehicle requested by a person other than the owner of the vehicle;** prohibiting a tow car operator from charging fees or costs for the storage of ~~[such]~~ a vehicle until the vehicle has been stored for a certain period; requiring the ~~[owner of such a vehicle to pay]~~ **operator of a tow car to consider charging** a hardship tariff instead of the normal rate for the storage and removal of the vehicle under certain circumstances; ~~[revising provisions relating to the applicability of certain traffic laws concerning reckless driving;]~~ **requiring the operator of a tow car to display certain information in his or her place of business;** providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes a law enforcement officer to remove, or cause to be removed, a vehicle or part of a vehicle found on the highway to a place of safekeeping under certain circumstances. (NRS 484B.443) **Section 1** of this bill authorizes a law enforcement officer to take such action if the person driving or in actual physical control of the vehicle is issued a citation for reckless driving. **Section 3** of this bill provides that the provisions of law requiring a tow car operator to allow the owner, or agent of the owner, of a motor vehicle that has been connected to a tow car to obtain the release of the vehicle at the point of origination of the towing do not apply if the towing was requested by a law enforcement officer pursuant to the amendatory provisions of **section 1**.

Existing law makes it unlawful for a person to drive a vehicle in an unauthorized trick driving display or to facilitate an unauthorized trick driving display on a public highway. (NRS 484B.653) **Section 2** of this bill

additionally prohibits a person from driving a vehicle in an unauthorized trick driving display or facilitating an unauthorized trick driving display on premises to which the public has access.

~~[Existing law requires that, under certain circumstances, a registered owner of a vehicle that is towed must pay certain fees and charges to the tow car operator for the towing, storage and removal of the vehicle. (NRS 484B.443, 706.4477, 706.4479)]~~ Existing law ~~[: (1) prohibits the tow car operator from charging any fee or cost for the storage of the vehicle until at least 48 hours has passed since the motor vehicle arrived and was registered at the place of storage; and (2) requires that if the motor vehicle arrives at the place of storage after the regular business hours of the place of storage, the 48-hour period must begin when the regular business hours of the place of storage next begin. (NRS 706.4477) Section 2.2 of this bill makes these provisions applicable when a tow car operator tows a vehicle at the request of a law enforcement officer pursuant to section 1.]~~ **provides that if the towing of a motor vehicle is requested by a person other than the owner, an agent of the owner, a law enforcement officer or other person employed to enforce the laws, ordinances and codes of a local government, the operator of a tow car shall not charge any fee or cost for the storage of the motor vehicle until at least 48 hours after the motor vehicle arrives and is registered at the place of storage. (NRS 706.4477) Section 3.1 of this bill provides that the operator of a tow car shall not charge any fee or cost for the storage of the motor vehicle until at least 24 hours after the motor vehicle arrives and is registered at the place of storage.**

Existing law provides that an owner of real property may not have a vehicle towed from a residential complex solely because the registration of the vehicle is expired. (NRS 706.4477) Section 3.1: (1) prohibits an operator from charging any fee or cost for the towing of a vehicle solely because the registration of the vehicle is expired; and (2) provides that the towing of such a vehicle by an operator is a violation subject to certain penalties.

Existing law further requires the owner of a vehicle that has been towed to pay a hardship tariff, instead of the normal rate, for the cost of removal and storage of the vehicle if: (1) the vehicle was towed **from a residential complex** at the request of a person other than the owner of the vehicle or the owner's authorized agent because the vehicle was not registered in this State or any other state; and (2) the owner is unable to pay the normal rate for reasons outside of the owner's control. (NRS 706.4477) ~~[Section 2.2 of this bill similarly provides that if the tow car operator tows a vehicle at the request of a law enforcement officer pursuant to section 1, the owner of the vehicle is required to pay the hardship tariff, instead of the normal rate, for the cost of the removal and storage of the vehicle if the owner establishes the inability to pay the normal rate. Section 2.2 further provides that the owner establishes the inability to pay the normal rate by providing evidence that the owner is a recipient of certain public assistance, has a household net income below a~~

~~certain amount, has certain expenses in excess of income or otherwise qualifies for the hardship tariff for a reason established by the Nevada Transportation Authority by regulation.~~

~~— Section 2.4 of this bill makes a conforming change to make the definitions in existing law governing tow car operators applicable to the provisions of section 2.2.~~

~~— Sections 2.6, 2.8 and 3.3-3.7 of this bill make conforming changes to provide that the requirements of section 2.2 are enforced by the Authority in the same manner as other laws governing tow car operators.~~**] Section 3.1 removes the requirement for the owner of a vehicle to pay a hardship tariff under these circumstances and instead requires an operator of a tow car to consider charging a hardship tariff for the removal and storage of a motor vehicle if the owner is unable to pay the normal rate for reasons outside of the owner's control. Section 3.1 requires an operator of a tow car to display a written notice in his or her place of business: (1) regarding the requirement for the operator to consider charging a hardship tariff; and (2) containing a telephone number for the Authority where a person may report certain alleged violations of law.**

Existing law requires each fully regulated carrier, operator of a tow car and common or contract motor carrier regulated by the Nevada Transportation Authority to furnish an annual report to the Authority in the form and detail required by the Authority. (NRS 706.167) Section 2.9 of this bill requires the annual report submitted by the operator of a tow car to include the number of times that the operator charged a hardship tariff during the calendar year.

prohibiting the solicitation of a tort victim to employ, hire or retain any attorney at law in certain circumstances; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes a law enforcement officer to remove, or cause to be removed, a vehicle or part of a vehicle found on the highway to a place of safekeeping under certain circumstances. (NRS 484B.443) **Section 1** of this bill authorizes a law enforcement officer to take such action if the person driving or in actual physical control of the vehicle is issued a citation for reckless driving. **Section 3** of this bill provides that the provisions of law requiring a tow car operator to allow the owner, or agent of the owner, of a motor vehicle that has been connected to a tow car to obtain the release of the vehicle at the point of origination of the towing do not apply if the towing was requested by a law enforcement officer pursuant to the amendatory provisions of **section 1**.

Existing law makes it unlawful for a person to drive a vehicle in an unauthorized trick driving display or to facilitate an unauthorized trick driving display on a public highway. (NRS 484B.653) **Section 2** of this bill additionally prohibits a person from driving a vehicle in an unauthorized trick driving display or facilitating an unauthorized trick driving display on premises to which the public has access.

~~[Existing law provides that if the towing of a motor vehicle is requested by a person other than the owner, an agent of the owner, a law enforcement officer or other person employed to enforce the laws, ordinances and codes of a local government, the operator of a tow car shall not charge any fee or cost for the storage of the motor vehicle until at least 48 hours after the motor vehicle arrives and is registered at the place of storage. (NRS 706.4477) Section 3.1 of this bill provides that the operator of a tow car shall not charge any fee or cost for the storage of the motor vehicle until at least 24 hours after the motor vehicle arrives and is registered at the place of storage.]~~

Existing law provides that an owner of real property may not have a vehicle towed from a residential complex solely because the registration of the vehicle is expired. (NRS 706.4477) **Section 3.1 ~~[.]~~ of this bill:** (1) prohibits an operator from charging any fee or cost for the towing of a vehicle solely because the registration of the vehicle is expired; and (2) provides that the towing of such a vehicle by an operator is a violation subject to certain penalties.

Existing law further requires the owner of a vehicle that has been towed to pay a hardship tariff, instead of the normal rate, for the cost of removal and storage of the vehicle if: (1) the vehicle was towed from a residential complex at the request of a person other than the owner of the vehicle or the owner's authorized agent because the vehicle was not registered in this State or any other state; and (2) the owner is unable to pay the normal rate for reasons outside of the owner's control. (NRS 706.4477) **Section 3.1** removes the requirement for the owner of a vehicle to pay a hardship tariff under these

circumstances and instead requires an operator of a tow car to consider charging a ~~[hardship tariff]~~ **lower rate** for the removal and storage of a motor vehicle if the owner is unable to pay the normal rate for reasons outside of the owner's control. **Section 3.1** requires an operator of a tow car to display a written notice in his or her place of business: (1) regarding the requirement for the operator to consider charging a ~~[hardship tariff;]~~ **lower rate;** and (2) containing a telephone number for the Authority where a person may report certain alleged violations of law.

Existing law requires each fully regulated carrier, operator of a tow car and common or contract motor carrier regulated by the Nevada Transportation Authority to furnish an annual report to the Authority in the form and detail required by the Authority. (NRS 706.167) **Section 2.9** of this bill requires the annual report submitted by the operator of a tow car to include the number of times that the operator ~~[charged]~~ **deviated from the otherwise applicable schedule or tariff to charge** a ~~[hardship tariff]~~ **lower rate** during the calendar year.

Existing law prohibits a person, in exchange for compensation, from soliciting a tort victim to employ, hire or retain any attorney at law at the scene of a traffic crash that may result in a civil action or at a county or city jail or detention facility. Existing law authorizes a tort victim to void any contract, agreement or obligation that is made, obtained, procured or incurred in violation of this prohibition. (NRS 7.045) Section 3.9 of this bill: (1) further prohibits a person from soliciting a tort victim at any medical facility or other location where a provider of health care performs health care services or within 72 hours after the time that the tort occurred; and (2) prohibits such solicitations regardless of whether the solicitation is in exchange for compensation. Section 3.9 provides that any contract, agreement or obligation made, obtained, procured or incurred in violation of the prohibition against such solicitations is void. Section 3.9 establishes certain amounts which may be obtained from a civil action brought for a prohibited solicitation and revises the applicable criminal penalties.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

6. All costs incurred under the provisions of subsection 2 must be borne by the owner of the vehicle, cargo or property.

7. As used in this section:

(a) "Traffic incident" has the meaning ascribed to it in NRS 484B.607.

(a) The application is accompanied by the prescribed fees;

(b) The proposed use or change, if within an irrigation district, does not adversely affect the cost of water for other holders of water rights in the district or lessen the efficiency of the district in its delivery or use of water; and

(c) The applicant provides proof satisfactory to the State Engineer of the applicant's:

(1) Intention in good faith to construct any work necessary to apply the water to the intended beneficial use with reasonable diligence; and

(2) Financial ability and reasonable expectation actually to construct the work and apply the water to the intended beneficial use with reasonable diligence.

2. Except as otherwise provided in subsection 10, where there is no unappropriated water in the proposed source of supply, where the groundwater that has not been committed for use has been reserved pursuant to NRS 533.0241 or where its proposed use or change conflicts with existing rights or with protectable interests in existing domestic wells as set forth in NRS 533.024, or threatens to prove detrimental to the public interest, the State Engineer shall reject the application and refuse to issue the requested permit. If a previous application for a similar use of water within the same basin has been rejected on those grounds, the new application may be denied without publication.

3. In addition to the criteria set forth in subsections 1 and 2, in determining whether an application for an interbasin transfer of groundwater must be rejected pursuant to this section, the State Engineer shall consider:

(a) Whether the applicant has justified the need to import the water from another basin;

(b) If the State Engineer determines that a plan for conservation of water is advisable for the basin into which the water is to be imported, whether the applicant has demonstrated that such a plan has been adopted and is being effectively carried out;

(c) Whether the proposed action is environmentally sound as it relates to the basin from which the water is exported;

(d) Whether the proposed action is an appropriate long-term use which will not unduly limit the future growth and development in the basin from which the water is exported; and

(e) Any other factor the State Engineer determines to be relevant.

4. Except as otherwise provided in this subsection and subsections 6 and 10 and NRS 533.365, the State Engineer shall approve or reject each application within 2 years after the final date for filing a protest. The State Engineer may postpone action:

(e) Where court actions or adjudications are pending, which may affect the outcome of the application.

(f) In areas in which adjudication of vested water rights is deemed necessary by the State Engineer.

(h) Where authorized entry to any land needed to use the water for which the application is submitted is required from a governmental agency.

(i) On an application for which the State Engineer has required additional information pursuant to NRS 533.375.

5. If the State Engineer does not act upon an application in accordance with subsections 4 and 6, the application remains active until approved or rejected by the State Engineer.

6. Except as otherwise provided in this subsection and subsection 10, the State Engineer shall approve or reject, within 6 months after the final date for filing a protest, an application filed to change the point of diversion of water already appropriated when the existing and proposed points of diversion are on the same property for which the water has already been appropriated under the existing water right or the proposed point of diversion is on real property that is proven to be owned by the applicant and is contiguous to the place of use of the existing water right. The State Engineer may postpone action on the application pursuant to subsection 4.

7. If the State Engineer has not approved, rejected or held a hearing on an application within 7 years after the final date for filing a protest, the State

Engineer shall cause notice of the application to be republished ***and reposted*** pursuant to NRS 533.360 immediately preceding the time at which the State Engineer is ready to approve or reject the application. The cost of the republication must be paid by the applicant. After such republication, ***and reposting,*** a protest may be filed in accordance with NRS 533.365.

8. If a hearing is held regarding an application, the decision of the State Engineer must be in writing and include findings of fact, conclusions of law and a statement of the underlying facts supporting the findings of fact. The copy of the application so endorsed must be returned to the applicant. Except as otherwise provided in subsection 11, if the application is approved, the applicant may, on receipt thereof, proceed with the construction of the necessary works and take all steps required to apply the water to beneficial use and to perfect the proposed appropriation. If the application is rejected, the applicant may take no steps toward the prosecution of the proposed work or the diversion and use of the public water while the rejection continues in force.

9. If a person is the successor in interest of an owner of a water right or an owner of real property upon which a domestic well is located and if the former owner of the water right or real property on which a domestic well is located had previously filed a written protest against the granting of an application, the successor in interest must be allowed to pursue that protest in the same manner as if the successor in interest were the former owner whose interest he or she succeeded. If the successor in interest wishes to pursue the protest, the successor in interest must notify the State Engineer in a timely manner on a form provided by the State Engineer.

10. The provisions of subsections 1 to 9, inclusive, do not apply to an application for an environmental permit or a temporary permit issued pursuant to NRS 533.436 or 533.504.

11. The provisions of subsection 8 do not authorize the recipient of an approved application to use any state land administered by the Division of State Lands of the State Department of Conservation and Natural Resources without the appropriate authorization for that use from the State Land Registrar.

12. As used in this section, "domestic well" has the meaning ascribed to it in NRS 534.350.

Sec. 10. NRS 533.405 is hereby amended to read as follows:

533.405 1. The State Engineer may, in his or her discretion, request that the statement required by NRS 533.400 be accompanied by a map on ~~[tracing linen on]~~ a scale of not less than 1,000 feet to the inch, which shall show with substantial accuracy the following:

Assembly Bill No. 70.

The following Senate amendment was read:

Amendment No. 619.

AN ACT relating to wildlife; revising provisions relating to the authorized uses of certain fees for processing each application for a game tag; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that in addition to any fee charged and collected for a game tag, a fee of $3 must be charged for processing each application for a game tag, the revenue from which must be deposited with the State Treasurer for credit to the Wildlife Account in the State General Fund and used by the Department of Wildlife for costs related to certain programs and activities, including, without limitation, wildlife management activities relating to the protection of nonpredatory game animals and sensitive wildlife species and conducting research relating to managing and controlling predatory wildlife. (NRS 502.253) This bill revises the wildlife management activities for which the Department may use the proceeds of such fees to provide that the Department, at the direction of the applicant, may instead use the proceeds of such fees only for: (1) developing and implementing an annual program for the lethal removal of predatory wildlife; or (2) ~~[wildlife management activities relating to the protection of nonpredatory game species and the habitat of such]~~ **developing and implementing an annual program for the improvement of wildlife habitat and research or management activities beneficial to** nonpredatory game species.

Existing law also requires that the Department expend on any program developed for the management and control of predatory wildlife not less than 80 percent of the total money collected from the $3 application processing fee in the most recent fiscal year for which the Department has information. (NRS 502.253) This bill removes the minimum 80 percent expenditure requirement for programs developed for the management and control of predatory wildlife.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 502.253 is hereby amended to read as follows:

3. Any program developed or wildlife management activity or research conducted pursuant to this section must be developed or conducted under the guidance of the Commission in accordance with the provisions of subsection 4 and the policies adopted by the Commission pursuant to NRS 501.181.

The following Senate amendment was read:

Amendment No. 616.

AN ACT relating to water; revising provisions relating to a plan of water conservation and plan for incentives relating to water conservation; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires each supplier of water to: (1) adopt a plan of water conservation and update the plan every 5 years; (2) include with the plan of water conservation a water loss audit or certain water loss calculations; and (3) adopt a plan to provide certain incentives relating to water conservation. Existing law defines a "supplier of water" to include any public or private entity that supplies water for municipal, industrial or domestic purposes. (NRS 540.121-540.151) This bill revises the definition of "supplier of water" to exclude a public or private entity that ~~[: (1)]~~ has less than 15 service connections ~~[; (2) serves year-round residents; and (3) supplies water for municipal or quasi-municipal purposes.]~~ As a result of the change to the definition of "supplier of water," this bill removes the requirement for such an entity to adopt and update a plan of water conservation, conduct a water loss audit or calculate water losses or adopt a plan to provide certain incentives relating to water conservation.

Legislative Counsel's Digest:

Under existing law, a district board of health may adopt regulations to control the use of a residential individual system for disposal of sewage in the district. (NRS 444.650) Existing law also authorizes a district board of health, upon approval of the State Board of Health, to adopt regulations to regulate sanitation and the sanitary protection of water and food supplies. (NRS 439.366, 439.410) **Section 1** of this bill ~~[requires]~~ **authorizes** a district board of health ~~[in a county whose population is 700,000 or more (currently only Clark County)]~~ to ~~[: (1) require all]~~ **create a voluntary financial**

assistance program to pay 100 percent of the costs for property owners with an existing septic system whose property is served by a municipal water system to connect to the community sewerage disposal system **. [**~~not later than January 1, 2054; and (2) enter into an agreement with a water authority to establish a program to pay not less than 85 percent of the cost for property owners to abandon an existing individual septic system and connect to the community sewerage disposal system.~~**]** **Section 1** also **: (1)** authorizes such a district board of health to, upon an affirmative vote of two-thirds of the members of the board, impose a **voluntary** fee on owners of such septic systems to carry out such requirements**. [**~~.~~**]** **; and (2) if such a voluntary fee is imposed, prohibits the district board of health from paying the costs of connecting to the community sewerage disposal system for any property owner who does not pay the voluntary fee. Section 2** of this bill makes a conforming change to indicate the proper placement of **section 1** in the Nevada Revised Statutes. **Section 34.5 of this bill requires a district board of health that creates such a voluntary financial assistance program to, on or before December 31, 2024, submit to the Director of the Legislative Counsel Bureau a report setting forth the number of participants in the program and recommendations for legislation.**

Under existing law, a permit to operate a water system may not be issued by the Division of Environmental Protection of the State Department of Conservation and Natural Resources or certain district boards of health unless certain conditions are met, including, without limitation, that: (1) the local governing body assumes responsibility in case of default and assumes the duty of assessing the lands served; (2) the applicant furnishes the local governing body sufficient surety; (3) the owners of the lands to be served by the water system agree to be assessed by the local governing body for the cost of the water system if there is a default; and (4) the owners agree that if the Division determines that water provided by a public utility or a municipality or other public entity is reasonably available, all users may be required to connect to the water system provided by the public utility, municipality or other public entity and be assessed the costs for the connection. (NRS 445A.895) **Section 4** of this bill revises these conditions to: (1) provide that, with certain exceptions, the sole and exclusive obligation of the local governing body is to use the surety in the event of a default to contract and pay the operator responsible for the continued operation and maintenance of the water system; (2) require the owners of property served by the water system to also provide a surety to the local governing body; and **[**~~(2)~~**]** **(3)** provide that if the Division determines that water provided by a public utility or a municipality or other public entity is reasonably available, all users of the water system in certain counties are required to connect. **Section [**~~4~~**] 4.5** of this bill makes conforming changes to revise certain provisions relating to the **[**~~responsibility of~~**]** **disposition of the proceeds of assessments and sureties imposed by** a local governing body for a public water system in the event of a default. **Section 3** of this bill revises a reference to certain findings. **Section 2.3 of this bill defines "local governing**

body" for the purposes of the provisions of sections 4 and 4.5. Section 2.6 of this bill makes a conforming change to indicate the proper placement of section 2.3 in the Nevada Revised Statutes.

~~[Under existing law, a board of county commissioners of a county whose population is 700,000 or more (currently only Clark County) is authorized to prohibit certain persons, associations and corporations from using, constructing, acquiring or cause or permit the use, construction or acquisition of any type of private sewage system and to provide for the disconnection of any plumbing facilities from a private sewage system. (NRS 244.366) Section 8 of this bill also authorizes such a board of county commissioners to require any building or other structure that uses or is served by any type of private sewage system to connect to a public sewage system if the building or other structure is served by a municipal water system and is within 400 feet of the service lines and appurtenances of a public sewage system.]~~

Under existing law, if the State Environmental Commission determines that, in relevant part, water provided by a public utility or a municipality or other public entity is reasonably available to users of a water system, the board of county commissioners of that county may require all users of the system to connect into the available water system provided by a public utility or a municipality or other public entity. (NRS 244.3655) **Section 7** of this bill provides instead that if the Commission determines that water provided by a public utility or a municipality or other public entity may be accessed within 1,250 feet of any lot or parcel served by the water system, the board of county commissioners shall, in a county whose population is 700,000 or more (currently only Clark County), and may, in all other counties, require all users of the system to connect into the available water system provided by a public utility or a municipality or other public entity.

Under existing law, if the State Environmental Commission or the governing body of certain cities determines certain water systems ~~[or package plants for sewage treatment]~~ within the city limits are not serving the needs of its users and water ~~[or sewerage]~~ provided by a public utility, the city or another municipality or public entity is reasonably available to those users, the governing body may require all users of the system ~~[or plant]~~ to connect into the available water system ~~[or sewers]~~ and assess each lot or parcel for its share of the cost. (NRS 268.4102 **)** ~~[, 268.4105)]~~ **Section 10** of this bill provides instead that if the water system ~~[or sewerage]~~ may be accessed within 1,250 feet of the property of such users, the governing body of a county whose population is 700,000 or more (currently only Clark County) shall require all users to connect. ~~[Section 11 of this bill provides that if the property served by a package plant for sewage treatment receives water from a municipal water system, the governing body of a county whose population is 700,000 or more shall require all users of the plant to connect. Sections]~~ **Section 10** ~~[and 11]~~ also ~~[provide]~~ **provides** that all other governing bodies of a county may require all users to connect in such circumstances.

~~[Section 9 of this bill provides that if the governing body of a city in a county whose population is 700,000 or more determines that a private septic system or any package plant for sewage treatment is located within the city and a user of the private septic system or package plant for sewage treatment receives water from a municipal water system, the governing body must require all users of the septic system or package plant for sewage treatment to connect to the public sewers and may assess each lot or parcel for its share of the cost for the connection.]~~

Existing law sets forth an approval process for the subdivision of land that requires: (1) a subdivider of land to submit a tentative map to the planning commission or the governing body of a county or city, as applicable; and (2) the planning commission or governing body to forward a copy of the tentative map to certain other state and local agencies for review and comment. (NRS 278.330-278.460) **Sections 13 and 16** of this bill require that if a proposed subdivision will be served by a public water system: (1) in a county whose population is 700,000 or more, the planning commission or the governing body, as applicable, must file the tentative map with the supplier of water for review and comment; and (2) if the subdivision is located in a general improvement district, the planning commission or the governing body must file the tentative map with the supplier of water in the district. **Section 17** of this bill provides that such a governing body of a county or city may not approve a tentative map, unless the supplier of water determines that there is available water which meets applicable health standards and is sufficient in quantity for the reasonably foreseeable needs of the subdivision.

Under existing law, a final map presented for filing must include certificates and acknowledgements from certain entities. (NRS 278.374-278.378) **Section 14** of this bill requires that if a subdivision in a county whose population is 700,000 or more or in a general improvement district will be served by a public water system, the final map presented for filing must include a certificate of approval from the supplier of water.

Section 15 of this bill makes conforming changes to indicate the proper placement of **sections 13 and 14** in the Nevada Revised Statutes. **Section 18** of this bill makes a conforming change to require the certificate of approval required by **section 14** to appear on the final map. **Sections 19 and 21** of this bill make conforming changes to also require a map of reversion and a final map for a planned development to have such a certificate of approval, if applicable.

Existing law establishes certain minimum standards for plumbing fixtures in new construction, expansions and renovations in residential, commercial, industrial or manufactured structures, public buildings, manufactured homes and mobile homes and requires the use of certain plumbing fixtures that have been certified under the WaterSense program established by the United States Environmental Protection Agency if a final product specification has been developed by the WaterSense program. (NRS 278.582, 338.193, 461.175, 489.706) **Sections 6, 20, 22 and 24** of this bill require that, with certain

exceptions, if the WaterSense program has established a final product specification for an irrigation controller or spray sprinkler body, any new construction, expansions and renovations on such structures, buildings and homes must install irrigation controllers and spray sprinkler bodies that have been certified under the WaterSense program.

Existing law establishes a program to provide grants of money for water conservation and capital improvements to certain water systems, including grants to an eligible recipient to pay certain costs associated with connecting a well to a municipal water system under certain circumstances. (NRS 349.981) **Section 23** of this bill provides instead for grants of money to pay certain costs associated with plugging and abandoning a well and connecting the property formerly served by the well to a municipal water system under certain circumstances.

Existing law exempts, under certain circumstances, the de minimus collection of precipitation from the requirements of the Nevada Revised Statutes relating to the appropriation of water. (NRS 533.027) **Section 24.5** of this bill also exempts the use of water by public agencies or volunteer fire departments to extinguish fires in an emergency.

Under existing law, the State Engineer may issue temporary permits to appropriate groundwater in certain designated areas which may be revoked if the property served by the permit is within 180 feet of water furnished by an entity such as a water district or a municipality and the well needs to be redrilled or have certain repairs made. (NRS 534.120) **Section 26** of this bill instead provides that the State Engineer: (1) may only issue a temporary permit if water cannot be furnished by a public entity that furnishes water; and (2) authorizes the State Engineer to revoke such a temporary permit if the property served by the temporary permit is within 1,250 feet of water furnished by a public entity such as a water district or a municipality. **Section 26** also requires the State Engineer to, in an area in which such temporary permits have been issued: (1) deny applications to appropriate groundwater if a public entity that furnishes water serves the area; (2) limit the depth of domestic wells; and (3) prohibit the drilling of wells for domestic use.

Under existing law, the State Engineer may require the plugging of certain domestic wells drilled in a basin in which such wells must be registered if water can be furnished by certain entities, but only if the charge for connecting to the furnished water is less than $200. (NRS 534.180) **Section 27** of this bill: (1) removes the requirement that the charge for connecting be less than $200; and (2) requires plugging of a well if the well is within 1,250 feet of a municipal water system.

Existing law requires that applications for the appropriation of water or to change the place of diversion, manner of use or place of use of certain waters must be made to the Colorado River Commission. (NRS 538.171) **Section 27.5** of this bill also requires that applications to change the holder of the entitlement to appropriate certain waters be submitted to the Colorado River Commission.

The Conservation of Colorado River Water Act prohibits, with certain exceptions, the waters of the Colorado River that are distributed by the Southern Nevada Water Authority or one of the member agencies of the Authority from being used to irrigate nonfunctional turf on any property that is not zoned exclusively for a single-family residence on and after January 1, 2027. (Section 39 of chapter 364, Statutes of Nevada 2021, at page 2180) **Section 31** of this bill prohibits the use of such waters of the Colorado River for irrigating nonfunctional turf on any parcel of property that is not used exclusively as a single-family residence.

Section 28 of this bill defines "General Manager" for the purposes of the Conservation of Colorado River Water Act. **Section 29** of this bill **: (1)** authorizes the Board of Directors of the Authority to restrict the use of water by a single-family residence to not more than 0.5 acre-feet of water during any year in which a shortage on the Colorado River has been declared by the Federal Government **[.] ; and (2) requires the Board of Directors to establish a process to approve a waiver of such restrictions on the use of water. Section 29** also prohibits, with certain exceptions, the installation of new turf on any parcel of property that uses such waters of the Colorado River for irrigation beginning on the effective date of this bill and ending on December 31, 2023. Any new turf installed on and after January 1, 2024, must meet the requirements established by the Board of Directors, unless the General Manager approves a waiver.

Section 29 further **[: (1)]** prohibits the installation of a new septic system on any parcel of property that uses such waters of the Colorado River **. [; and (2) requires any parcel of property which uses such waters of the Colorado River to discontinue the use of the septic system and connect to a public sewer system if the property served by the existing septic system is connected to a municipal water system.]**

Section 30 of this bill requires certain parcels of property which use such waters of the Colorado River to participate in an irrigation water efficiency monitoring program if the property: (1) is not used exclusively as a single-family residence; and (2) consists of 20,000 square feet or more of turf. **Section 30** also: (1) requires the Board of Directors to develop and establish policies, guidelines and deadlines for participation in such an irrigation water efficiency monitoring program; and (2) authorizes the General Manager to approve an extension or waiver from the irrigation water efficiency monitoring program.

The Southern Nevada Water Authority Act authorizes the Authority, in consultation with the Advisory Committee for the Management of Groundwater in the Las Vegas Valley Groundwater Basin, to operate a project for the recharge and recovery or underground storage and recovery of groundwater for the benefit of owners of wells in the Las Vegas Valley Groundwater Basin. (Section 14.5 of chapter 572, Statutes of Nevada 1997, as added by section 1 of chapter 468, Statutes of Nevada 1999, at page 2387) The Act also authorizes the Authority to assess certain fees on users of groundwater

and owners of domestic wells, including a fee if the Authority operates such a project. (Section 13 of chapter 572, Statutes of Nevada 1997, as amended by chapter 468, Statutes of Nevada 1999, at page 2387) **Section 33** of this bill also authorizes the Authority, in consultation with the Advisory Committee, to operate a program to convert any property served by a septic system to a municipal sewer system. **Section 32** of this bill authorizes the Authority to assess a fee on users of groundwater and owners of domestic wells for the program to convert septic systems.

The Southern Nevada Water System Act of 1995 establishes certain powers and duties of the Authority. (Section 2 of chapter 393, Statutes of Nevada 1995, at page 963) **Section 34** of this bill authorizes the Board of Directors of the Authority, by resolution, to authorize the General Manager of the Authority to restrict water usage during certain water emergencies and shortages and provides that the Board of Directors must ratify any such restrictions imposed by the General Manager.

Legislative Counsel's Digest:

Under existing law, a district board of health may adopt regulations to control the use of a residential individual system for disposal of sewage in the district. (NRS 444.650) Existing law also authorizes a district board of health, upon approval of the State Board of Health, to adopt regulations to regulate sanitation and the sanitary protection of water and food supplies. (NRS 439.366, 439.410) **Section 1** of this bill authorizes a district board of

health to create a voluntary financial assistance program to pay 100 percent of the costs for property owners with an existing septic system whose property is served by a municipal water system to connect to the community sewerage disposal system. **Section 1** also: (1) authorizes such a district board of health to, upon an affirmative vote of two-thirds of the members of the board, impose a voluntary fee on owners of such septic systems to carry out such requirements; and (2) if such a voluntary fee is imposed, prohibits the district board of health from paying the costs of connecting to the community sewerage disposal system for any property owner who does not pay the voluntary fee. **Section 2** of this bill makes a conforming change to indicate the proper placement of **section 1** in the Nevada Revised Statutes. **Section 34.5** of this bill requires a district board of health that creates such a voluntary financial assistance program to, on or before December 31, 2024, submit to the Director of the Legislative Counsel Bureau a report setting forth the number of participants in the program and recommendations for legislation.

Under existing law, a permit to operate a water system may not be issued by the Division of Environmental Protection of the State Department of Conservation and Natural Resources or certain district boards of health unless certain conditions are met, including, without limitation, that: (1) the local governing body assumes responsibility in case of default and assumes the duty of assessing the lands served; (2) the applicant furnishes the local governing body sufficient surety; (3) the owners of the lands to be served by the water system agree to be assessed by the local governing body for the cost of the water system if there is a default; and (4) the owners agree that if the Division determines that water provided by a public utility or a municipality or other public entity is reasonably available, all users may be required to connect to the water system provided by the public utility, municipality or other public entity and be assessed the costs for the connection. (NRS 445A.895) **Section 4** of this bill revises these conditions to: (1) provide that, with certain exceptions, the sole and exclusive obligation of the local governing body is to use the surety in the event of a default to contract and pay the operator responsible for the continued operation and maintenance of the water system; (2) require the owners of property served by the water system to also provide a surety to the local governing body; and (3) provide that if the Division determines that water provided by a public utility or a municipality or other public entity is reasonably available, all users of the water system in certain counties are required to connect. **Section 4.5** of this bill makes conforming changes to revise certain provisions relating to the disposition of the proceeds of assessments and sureties imposed by a local governing body for a public water system in the event of a default. **Section 3** of this bill revises a reference to certain findings. **Section 2.3** of this bill defines "local governing body" for the purposes of the provisions of **sections 4 and 4.5**. **Section 2.6** of this bill makes a conforming change to indicate the proper placement of **section 2.3** in the Nevada Revised Statutes.

Under existing law, if the State Environmental Commission determines that, in relevant part, water provided by a public utility or a municipality or other public entity is reasonably available to users of a water system, the board of county commissioners of that county may require all users of the system to connect into the available water system provided by a public utility or a municipality or other public entity. (NRS 244.3655) **Section 7** of this bill provides instead that if the Commission determines that water provided by a public utility or a municipality or other public entity may be accessed within 1,250 feet of any lot or parcel served by the water system, the board of county commissioners shall, in a county whose population is 700,000 or more (currently only Clark County), and may, in all other counties, require all users of the system to connect into the available water system provided by a public utility or a municipality or other public entity.

Under existing law, if the State Environmental Commission or the governing body of certain cities determines certain water systems within the city limits are not serving the needs of its users and water provided by a public utility, the city or another municipality or public entity is reasonably available to those users, the governing body may require all users of the system to connect into the available water system and assess each lot or parcel for its share of the cost. (NRS 268.4102) **Section 10** of this bill provides instead that if the water system may be accessed within 1,250 feet of the property of such users, the governing body of a county whose population is 700,000 or more (currently only Clark County) shall require all users to connect. **Section 10** also provides that all other governing bodies of a county may require all users to connect in such circumstances.

Existing law sets forth an approval process for the subdivision of land that requires: (1) a subdivider of land to submit a tentative map to the planning commission or the governing body of a county or city, as applicable; and (2) the planning commission or governing body to forward a copy of the tentative map to certain other state and local agencies for review and comment. (NRS 278.330-278.460) **Sections 13 and 16** of this bill require that if a proposed subdivision will be served by a public water system: (1) in a county whose population is 700,000 or more, the planning commission or the governing body, as applicable, must file the tentative map with the supplier of water for review and comment; and (2) if the subdivision is located in a general improvement district, the planning commission or the governing body must file the tentative map with the supplier of water in the district. **Section 17** of this bill provides that such a governing body of a county or city may not approve a tentative map, unless the supplier of water determines that there is available water which meets applicable health standards and is sufficient in quantity for the reasonably foreseeable needs of the subdivision.

Under existing law, a final map presented for filing must include certificates and acknowledgments from certain entities. (NRS 278.374-278.378) **Section 14** of this bill requires that if a subdivision in a county whose population is 700,000 or more or in a general improvement district will be

served by a public water system, the final map presented for filing must include a certificate of approval from the supplier of water.

Section 15 of this bill makes conforming changes to indicate the proper placement of **sections 13 and 14** in the Nevada Revised Statutes. **Section 18** of this bill makes a conforming change to require the certificate of approval required by **section 14** to appear on the final map. **Sections 19 and 21** of this bill make conforming changes to also require a map of reversion and a final map for a planned development to have such a certificate of approval, if applicable.

Existing law establishes certain minimum standards for plumbing fixtures in new construction, expansions and renovations in residential, commercial, industrial or manufactured structures, public buildings, manufactured homes and mobile homes and requires the use of certain plumbing fixtures that have been certified under the WaterSense program established by the United States Environmental Protection Agency if a final product specification has been developed by the WaterSense program. (NRS 278.582, 338.193, 461.175, 489.706) **Sections 6, 20, 22 and 24** of this bill require that, with certain exceptions, if the WaterSense program has established a final product specification for an irrigation controller or spray sprinkler body, any new construction, expansions and renovations on such structures, buildings and homes must install irrigation controllers and spray sprinkler bodies that have been certified under the WaterSense program.

Existing law establishes a program to provide grants of money for water conservation and capital improvements to certain water systems, including grants to an eligible recipient to pay certain costs associated with connecting a well to a municipal water system under certain circumstances. (NRS 349.981) **Section 23** of this bill provides instead for grants of money to pay certain costs associated with plugging and abandoning a well and connecting the property formerly served by the well to a municipal water system under certain circumstances.

Existing law exempts, under certain circumstances, the de minimus collection of precipitation from the requirements of the Nevada Revised Statutes relating to the appropriation of water. (NRS 533.027) **Section 24.5** of this bill also exempts the use of water by public agencies or volunteer fire departments to extinguish fires in an emergency.

Under existing law, the State Engineer may issue temporary permits to appropriate groundwater in certain designated areas which may be revoked if the property served by the permit is within 180 feet of water furnished by an entity such as a water district or a municipality and the well needs to be redrilled or have certain repairs made. (NRS 534.120) **Section 26** of this bill instead provides that the State Engineer: (1) may only issue a temporary permit if water cannot be furnished by a public entity that furnishes water; and (2) authorizes the State Engineer to revoke such a temporary permit if the property served by the temporary permit is within 1,250 feet of water furnished by a public entity such as a water district or a municipality. **Section 26** also requires

the State Engineer to, in an area in which such temporary permits have been issued: (1) deny applications to appropriate groundwater if a public entity that furnishes water serves the area; (2) limit the depth of domestic wells; and (3) prohibit the drilling of wells for domestic use.

Under existing law, the State Engineer may require the plugging of certain domestic wells drilled in a basin in which such wells must be registered if water can be furnished by certain entities, but only if the charge for connecting to the furnished water is less than $200. (NRS 534.180) **Section 27** of this bill: (1) removes the requirement that the charge for connecting be less than $200; and (2) requires plugging of a well if the well is within 1,250 feet of a municipal water system.

Existing law requires that applications for the appropriation of water or to change the place of diversion, manner of use or place of use of certain waters must be made to the Colorado River Commission. (NRS 538.171) **Section 27.5** of this bill also requires that applications to change the holder of the entitlement to appropriate certain waters be submitted to the Colorado River Commission.

The Conservation of Colorado River Water Act prohibits, with certain exceptions, the waters of the Colorado River that are distributed by the Southern Nevada Water Authority or one of the member agencies of the Authority from being used to irrigate nonfunctional turf on any property that is not zoned exclusively for a single-family residence on and after January 1, 2027. (Section 39 of chapter 364, Statutes of Nevada 2021, at page 2180) **Section 31** of this bill prohibits the use of such waters of the Colorado River for irrigating nonfunctional turf on any parcel of property that is not used exclusively as a single-family residence.

Section 28 of this bill defines "General Manager" for the purposes of the Conservation of Colorado River Water Act. **Section 29** of this bill: (1) authorizes the Board of Directors of the Authority to restrict the use of water by a single-family residence to not more than 0.5 acre-feet of water during any year in which ~~[a shortage on the Colorado River has been declared by]~~ the Federal Government ~~[,]~~ **reduces Nevada's allocation of the Colorado River to 270,000 acre-feet or less;** and (2) requires the Board of Directors to establish a process to approve a waiver of such restrictions on the use of water. **Section 29** also prohibits, with certain exceptions, the installation of new turf on any parcel of property that uses such waters of the Colorado River for irrigation beginning on the effective date of this bill and ending on December 31, 2023. Any new turf installed on and after January 1, 2024, must meet the requirements established by the Board of Directors, unless the General Manager approves a waiver.

Section 29 further prohibits the installation of a new septic system on any parcel of property that uses such waters of the Colorado River.

Section 30 of this bill requires certain parcels of property which use such waters of the Colorado River to participate in an irrigation water efficiency monitoring program if the property: (1) is not used exclusively as a single-

family residence; and (2) consists of 20,000 square feet or more of turf. **Section 30** also: (1) requires the Board of Directors to develop and establish policies, guidelines and deadlines for participation in such an irrigation water efficiency monitoring program; and (2) authorizes the General Manager to approve an extension or waiver from the irrigation water efficiency monitoring program.

The Southern Nevada Water Authority Act authorizes the Authority, in consultation with the Advisory Committee for the Management of Groundwater in the Las Vegas Valley Groundwater Basin, to operate a project for the recharge and recovery or underground storage and recovery of groundwater for the benefit of owners of wells in the Las Vegas Valley Groundwater Basin. (Section 14.5 of chapter 572, Statutes of Nevada 1997, as added by section 1 of chapter 468, Statutes of Nevada 1999, at page 2387) The Act also authorizes the Authority to assess certain fees on users of groundwater and owners of domestic wells, including a fee if the Authority operates such a project. (Section 13 of chapter 572, Statutes of Nevada 1997, as amended by chapter 468, Statutes of Nevada 1999, at page 2387) **Section 33** of this bill also authorizes the Authority, in consultation with the Advisory Committee, to operate a program to convert any property served by a septic system to a municipal sewer system. **Section 32** of this bill authorizes the Authority to assess a fee on users of groundwater and owners of domestic wells for the program to convert septic systems.

The Southern Nevada Water System Act of 1995 establishes certain powers and duties of the Authority. (Section 2 of chapter 393, Statutes of Nevada 1995, at page 963) **Section 34** of this bill authorizes the Board of Directors of the Authority, by resolution, to authorize the General Manager of the Authority to restrict water usage during certain water emergencies and shortages and provides that the Board of Directors must ratify any such restrictions imposed by the General Manager.

(NRS 388A.515, 388C.200, 391.104, 394.155) Existing law defines the term "volunteer" to mean any person who,

without compensation, works at, assists with or oversees any activity or event conducted or sponsored by the school during or outside of school hours. (NRS 388A.510, 388C.190, 391.1035, 394.154)

Existing law authorizes the board of trustees of a school district or the governing body of a charter school to offer a work-based learning program upon application to and with the approval of the State Board of Education. Under existing law, a work-based learning program must include certain requirements to receive approval from the State Board to offer a work-based learning program. (NRS 389.167) **Section 1.5** of this bill requires a work-based learning program to additionally include a requirement that each pupil participating in the work-based learning program complete training on: (1) identifying and reporting harassment in the workplace; ~~[and]~~ (2) developing and maintaining healthy relationships in the workplace~~[.]~~ **; and (3) identifying the signs of certain predatory behavior.**

Section 2 of this bill requires the Department of Education to prescribe by regulation a method for the board of trustees of a school district to: (1) examine a business, agency or organization seeking to participate in a work-based learning program; and (2) determine if the employment and supervision of a pupil by the business, agency or organization would be appropriate. If the board of trustees of a school district determines the employment and supervision of a pupil in a work-based learning program by the business, agency or organization is appropriate, **section 2** authorizes a board of trustees of a school district to exempt a volunteer employed by the business, agency or organization from submitting his or her fingerprints for the purposes of a criminal background check. **Section 5** of this bill makes a conforming change to specifically exempt such a volunteer from submitting his or her fingerprints for the purposes of a criminal background check. **Section 3** of this bill makes a conforming change to indicate the proper placement of **section 2** in the Nevada Revised Statutes.

Sections 1 and 4 of this bill revise the definition of the term "volunteer" for the purposes of public schools to exclude an employee of a business, agency or organization that participates in a work-based learning program, other than an employee who directly oversees the participation of **or has unsupervised contact with** a pupil in the work-based learning program.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 388A.510 is hereby amended to read as follows:

389.167 1. A pupil enrolled at a public school must be allowed to apply one or more credits toward the total number of credits required for graduation from high school if the pupil successfully completes the number of hours in a work-based learning program required by regulation of the State Board to earn such credits. Any credits earned for successful completion of a work-based learning program must be applied toward the pupil's elective course credits and not toward a course that is required for graduation from high school.

2. The board of trustees of a school district or the governing body of a charter school may offer a work-based learning program upon application to and with the approval of the State Board. An application to offer a work-based learning program must include, without limitation:

(a) Designate an employee of the school district or charter school, as applicable, to serve as a work-based learning coordinator to coordinate and oversee work-based learning programs. Such an employee must ensure that each business, agency or organization that will offer employment and supervision of a pupil as part of the work-based learning program is suitable for participation in a work-based learning program.

(b) Establish and maintain a list of businesses, agencies and organizations that have been found suitable by the work-based learning coordinator pursuant to paragraph (a).

4. To receive approval from the State Board to offer a work-based learning program, the work-based learning program must include, without limitation, requirements that:

(a) A detailed training agreement and training plan be completed for each pupil participating in the work-based learning program for credit that identifies the specific tasks in which the pupil will participate that will develop competency of the pupil in the workplace;

(b) A pupil participating in the work-based learning program be allowed to leave the public school in which he or she is enrolled during the school day to participate in such a program; ~~[and]~~

(c) Participation by a pupil in the work-based learning program will develop a broad range of skills and will allow a pupil to focus on his or her chosen career pathway ~~[.]~~ ***; and***

(d) Training be completed by each pupil participating in the work-based learning program on:

(1) Identifying and reporting harassment in the workplace; ~~[and]~~

(2) Developing and maintaining healthy relationships in the workplace ~~[.]~~ ; and

(3) Identifying the signs of a person engaging in predatory conduct to prepare a pupil for sexual activity or to foster an inappropriate personal or professional relationship with a pupil, including, without limitation, through communicating or attempting to befriend or establish a relationship or other connection with a parent or legal guardian of a pupil in furtherance of such conduct.

5. A school district or charter school may allow a pupil who successfully completes a work-based learning program to earn dual credit for participation in the work-based learning program.

6. On or before January 15 of each odd-numbered year, the board of trustees of a school district and the governing body of a charter school that offers a work-based learning program shall prepare a report concerning the manner in which the work-based learning program has been carried out and submit the report to the State Board and the Legislature. The report must include, without limitation:

(a) The number of pupils participating in the work-based learning program; and

(b) The types of work-based learning offered through the work-based learning program.

7. The number of pupils participating in the work-based learning program reported pursuant to paragraph (a) of subsection 6 must be disaggregated on the basis of the following characteristics:

(a) Pupils who are American Indian or Alaska Native, Asian, Black or African American, Hispanic or Latino, Native Hawaiian or Pacific Islander, white or two or more races;

(b) Gender of pupils;

(c) Pupils who are migrants; and

(d) Pupils who are members of special populations, as defined in 20 U.S.C. § 2302(48).

Sec. 2. Chapter 391 of NRS is hereby amended by adding thereto a new section to read as follows:

1. The Department shall prescribe by regulation a method for the board of trustees of a school district to determine if a business, agency or organization that is seeking to employ and supervise a pupil as a part of a work-based learning program pursuant to NRS 389.167 should be subject to the provisions of NRS 391.104 requiring a volunteer who is likely to have unsupervised contact with pupils to submit his or her fingerprints for an investigation into the criminal background of the volunteer.

2. The method prescribed by the Department pursuant to subsection 1 must include, without limitation, a process outlining how the board of trustees of a school district shall:

(b) Determine if the employment and supervision of a pupil in the work-based learning program by the business, agency or organization examined pursuant to paragraph (a) would be appropriate for the pupil.

3. If the board of trustees of a school district determines the employment of a pupil in a work-based learning program pursuant to this section is appropriate for the pupil pursuant to subsection 2, the board of trustees may exempt any volunteers employed by the business, agency or organization from the requirements of NRS 391.104 requiring a volunteer who is likely to have unsupervised contact with pupils to submit his or her fingerprints for an investigation into the criminal background of the volunteer.

Existing law also authorizes the regulatory body to request the criminal history record of a person who petitions the regulatory body for such a determination and requires the person to submit his or her criminal history record which includes reports from the Central Repository for Nevada Records of Criminal History (hereinafter "Central Repository") and the Federal Bureau of Investigation (hereinafter "FBI"). (NRS 622.085) Existing law replicates these provisions for various professional or occupational licensing boards and public officers that issue licenses, permits, certificates, registrations or qualifications. Sections 1, 3-6, 14-18, 21-23, 26-46, 86 and 87 of this bill provide that a person who petitions a particular professional or occupational licensing board or public officer to review the criminal history of the person and make a determination regarding the ability of the person to obtain a license, permit, certificate, registration or qualification is : (1) required to submit to the applicable board or public officer a complete set of fingerprints and written permission authorizing the board or public officer to forward the fingerprints to the Central Repository for its report on the criminal history of the person and for submission to the FBI for its report on the criminal history of the person; and (2) prohibited from receiving the reports from the Central Repository and the FBI.~~

~~Existing law requires certain professional or occupational licensing boards and public officers to whom a person submits a petition to review the criminal history of the person and make a determination regarding the ability of the person to obtain a license, permit, certificate, registration or qualification to submit to the Director of the Legislative Counsel Bureau, on a quarterly basis, a report that includes: (1) the number of such petitions submitted to the professional or occupational licensing board or public officer; (2) the number of determinations of disqualification made; (3) the reasons for such determinations; and (4) any other information requested by the Director or which the professional or occupational licensing board or public officer determines would be helpful. ~~criminal history of a person that is obtained from a report received from the Central Repository or the FBI. Section 47 of this bill similarly prohibits a regulatory body from including any information concerning a person that is obtained from a report received from the Central Repository or the FBI in certain quarterly reports submitted to the Director of the Legislative Counsel Bureau.~~

~~Existing law requires the Sunset Subcommittee of the Legislative Commission to conduct a review of each professional or occupational licensing board and regulatory body in this State to determine whether the restrictions on the criminal history of an applicant for an occupational or professional license are appropriate. For the purposes of such a review, each professional or occupational licensing board and regulatory body subject to review is required to submit certain information to the Sunset Subcommittee. (NRS 232B.237) Section 2 of this bill prohibits a professional or occupational licensing board or regulatory body from including any information concerning the criminal history of a person that is obtained from a report received from the Central Repository or the FBI as part of the information submitted to the Sunset Subcommittee.~~**]**

Existing law establishes certain circumstances in which a volunteer who is likely to have unsupervised contact with pupils is not required to submit fingerprints to the governing body of a charter school, the governing body of a university school for profoundly gifted pupils or the board of trustees of a school district. (NRS 388A.516, 388C.205, 391.105) **Sections 7, 8 and 11** of this bill establish requirements relating to investigations into the criminal background of such volunteers that are conducted in such circumstances.

Existing law requires an applicant for a license as a teacher or another educational personnel position to submit to the Superintendent of Public Instruction a complete set of his or her fingerprints and written permission authorizing the Superintendent to forward the fingerprints to the Central Repository for its report on the criminal history of the applicant and for submission to the ~~[~~FBI~~]~~ **Federal Bureau of Investigation (hereinafter "FBI")** for its report on the criminal history of the applicant. Existing law requires the Superintendent to forward the information obtained from an investigation of the applicant to the board of trustees of a school district, the governing body of a charter school or the university school for profoundly gifted pupils or the administrator of a private school where the applicant is employed or seeking employment. (NRS 391.033) **Section 9** of this bill removes such a requirement. Existing law also requires the Department of Education to: (1) maintain a list of the names of persons whose applications for a license are denied due to conviction of a sexual offense involving a minor; (2) update the list monthly; and (3) provide the list to the board of trustees of a school district or the governing body of a charter school upon request. (NRS 391.033) **Section 9** removes such provisions.

Existing law authorizes the board of trustees of a school district to employ teacher aides and other auxiliary, nonprofessional personnel to assist licensed

personnel in the instruction or supervision of children. (NRS 391.100) **Section 10** of this bill replaces the term "other auxiliary, nonprofessional personnel" with the term "paraprofessionals."

Existing law requires certain applicants for employment with and employees of a private school and volunteers at a private school who are likely to have unsupervised contact with pupils to submit to the administrator of the private school, before beginning employment and at least once every 5 years thereafter, a complete set of fingerprints of the applicant, employee or volunteer and written permission authorizing the administrator to forward those fingerprints to the Central Repository for its report on the criminal history of the applicant, employee or volunteer and for submission to the FBI for its report on the criminal history of the applicant, employee or volunteer. (NRS 394.155) Existing law also provides exceptions to such a requirement in certain circumstances for volunteers at a private school who are likely to have unsupervised contact with pupils. (NRS 394.157) **Section 13** of this bill removes such provisions requiring the submission of fingerprints to the administrator of a private school, and **section 89** of this bill accordingly repeals the exceptions to such a requirement. **Section 12** of this bill makes a conforming change to remove a reference to the repealed section containing the exceptions to such a requirement.

~~**[**Sections 19 and 20 of this bill require an applicant for licensure to operate a crematory, or certain specific persons if the applicant is a partnership, corporation or other form of business organization, and an applicant for a certificate of authority to engage in the business of operating a cemetery, and certain other persons named in the application, to submit to the Nevada Funeral and Cemetery Services Board a complete set of fingerprints and written permission authorizing the Board to forward those fingerprints to the Central Repository for its report on the criminal history of the applicant or other person, as applicable, and for submission to the FBI for its report on the criminal history of the applicant or other person, as applicable.~~

~~Existing law establishes the requirements for the application for and issuance of professional and occupational licenses, certificates, registrations, permits or similar types of authorization by various state agencies, boards and commissions. (Title 54 of NRS) Sections 48-50, 54-58, 61, 65-67 and 69-79 of this bill provide that an applicant for certain licenses, certificates, registrations, permits or similar types of authorization, in addition to satisfying any other requirements, is: (1) required to submit to the applicable regulatory body a complete set of fingerprints and written permission authorizing the body to forward those fingerprints to the Central Repository for its report on the criminal history of the applicant and for submission to the FBI for its report on the criminal history of the applicant; and (2) prohibited from receiving the reports from the Central Repository and the FBI. Existing law enacts the Psychology Interjurisdictional Compact, which is designed, in general, to allow telepsychological practice across state lines and temporary in-person, face-to-face services into a state in which a psychologist is not licensed to practice psychology. The Compact requires the Psychology Interjurisdictional Compact Commission to provide for the development and maintenance of a Coordinated Licensure Information System (hereinafter "Coordinated Database") to which a compact state is required to submit certain information concerning licensees. The Compact also authorizes the Commission to convene in a closed, nonpublic meeting if the Commission must discuss certain information, including the disclosure of investigatory records compiled for law enforcement purposes. (NRS 641.227) **Section 60** of this bill: (1) prohibits a compact state from submitting to the Coordinated Database any information concerning the criminal history of a licensee that is included in a report from the Central Repository or the FBI; and (2) removes the ability of the Commission to discuss the disclosure of investigatory records compiled for law enforcement purposes.

2. A governmental entity may not reject a book or record which is copyrighted solely because it is copyrighted.

3. A governmental entity that has legal custody or control of a public book or record shall not deny a request made pursuant to subsection 1 to inspect or copy or receive a copy of a public book or record on the basis that the requested public book or record contains information that is confidential if the governmental entity can redact, delete, conceal or separate, including, without limitation, electronically, the confidential information from the information included in the public book or record that is not otherwise confidential.

4. If requested, a governmental entity shall provide a copy of a public record in an electronic format by means of an electronic medium. Nothing in this subsection requires a governmental entity to provide a copy of a public record in an electronic format or by means of an electronic medium if:

5. An officer, employee or agent of a governmental entity who has legal custody or control of a public record:

(a) Shall not refuse to provide a copy of that public record in the medium that is requested because the officer, employee or agent has already prepared or would prefer to provide the copy in a different medium.

(b) Except as otherwise provided in NRS 239.030, shall, upon request, prepare the copy of the public record and shall not require the person who has requested the copy to prepare the copy himself or herself.

(c) Documents, records or other items of information which may reveal the details of a specific emergency response plan or other tactical operations by a response agency and any training relating to such emergency response plans or tactical operations.

(d) Handbooks, manuals or other forms of information detailing procedures to be followed by response agencies in the event of an act of terrorism or other related emergency.

(e) Documents, records or other items of information that reveal information pertaining to specialized equipment used for covert, emergency or tactical operations of a response agency, other than records relating to expenditures for such equipment.

(f) Documents, records or other items of information regarding critical telecommunications facilities and the infrastructure and security of radio frequencies for transmissions used by response agencies, including, without limitation:

(1) Access codes, passwords or programs used to ensure the security of radio frequencies for transmissions used by response agencies;

As used in this paragraph, "public entities" means departments, agencies or instrumentalities of the State, any of its political subdivisions or tribal governments. The term includes general improvement districts.

3. If a person knowingly and unlawfully discloses a document, record or other item of information subject to an executive order issued pursuant to subsection 1 or assists, solicits or conspires with another person to disclose such a document, record or other item of information, the person is guilty of:

(a) A gross misdemeanor; or

(b) A category C felony and shall be punished as provided in NRS 193.130 if the person acted with the intent to:

(2) Assist, solicit or conspire with another person to commit, cause, aid, further or conceal any unlawful act involving terrorism or sabotage.

4. The Governor shall review the documents, records and other items of information determined by executive order pursuant to subsection 1 to be confidential every 10 years to assess the continued need for the documents, records and other items of information to remain confidential.

5. As used in this section, "public safety and public health personnel" includes:

(a) State, county, city and tribal emergency managers;

(b) Members and staff of terrorism early warning centers or fusion intelligence centers in this State;

(c) Employees of fire-fighting or law enforcement agencies, if the head of the agency has designated the employee as having an operational need to know of information that is prepared or maintained for the purpose of preventing or responding to an act of terrorism; and

(d) Employees of a public health agency, if the agency is one that would respond to a disaster and if the head of the agency has designated the employee as having an operational need to know of information that is prepared or maintained for the purpose of preventing or responding to an act of terrorism. As used in this paragraph, "disaster" has the meaning ascribed to it in NRS 414.0335.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 787.

AN ACT relating to homelessness; revising the process for persons who are homeless to apply for a certified or official copy of a birth certificate; **revising certain information required to be included on an identification card issued to a pupil;** requiring the Nevada Housing Crisis Response System to assist persons in crisis who are applying for a state identification card; revising requirements for the issuance of a state identification card to certain homeless children and youth; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the State Board of Health to provide, and the State Registrar of Vital Statistics to carry out, a system for the registration of births and deaths in this State. (NRS 440.120) Existing law requires the State Registrar, and authorizes certain other entities, to issue a certified copy of a certificate of birth to an applicant if the applicant meets certain requirements. (NRS 440.175, 440.650) Existing law prohibits: (1) the State Registrar from charging a fee for a certified copy of a record of birth to a homeless person who submits on a form prescribed by the State Registrar a statement signed

under penalty of perjury that the person is homeless; and (2) another person or governmental organization from charging a fee for a certified or official copy of a certificate of birth to a homeless person who submits a signed affidavit on a form prescribed by the State Registrar stating that the person is homeless. (NRS 440.175, 440.700) Existing law prohibits the State Registrar from requiring the signed statement that a person is homeless be notarized. (NRS 440.700) **Section 1** of this bill: (1) requires a homeless person who wishes to obtain a certified or official copy of a certificate of birth from a person or governmental organization, other than the State Registrar, to submit a statement signed under penalty of perjury that the person is homeless rather than a signed affidavit; and (2) prohibits such a person or governmental entity from requiring that such a signed statement be notarized.

Sections 1 and 2 of this bill require the State Registrar and other entities who issue certified or official copies of birth certificates to notify an applicant for a certified or official copy of a birth certificate upon determining that required documents are missing from the application. If the applicant is homeless, **sections 1 and 2** require the State Registrar or other entity to allow the applicant at least 30 days after the notice was provided to submit the missing documents.

Existing law requires the board of trustees of a school district or the governing body of a charter school to ensure that information relating to mental health resources appears on the back of any identification card issued to a pupil at a school within the school district or the charter school. (NRS 388.1335) Existing federal law establishes the National Suicide Prevention Lifeline program, including the establishment of a national suicide prevention and mental health crisis hotline that may be accessed by dialing the digits 9-8-8. (42 U.S.C. §§ 290bb-36c) Existing state law requires the Division of Public and Behavioral Health of the Department of Health and Human Services to perform certain activities to support the implementation of a hotline for persons who are considering suicide or are otherwise in a behavioral health crisis that may be accessed by dialing the digits 9-8-8. (NRS 433.704) Section 2.5 of this bill requires the board of trustees of a school district or the governing body of a charter school to include the number 9-8-8, or any successor number for such a hotline established pursuant to the National Suicide Prevention Lifeline program, on the back of any identification card issued to a pupil at a school within the school district or the charter school.

Existing law allows certain residents or seasonal residents of this State who do not hold a valid driver's license or identification card to apply for an identification card in this State. (NRS 483.810-483.890) Existing law requires the Department of Health and Human Services to establish and administer the Nevada Housing Crisis Response System to provide certain types of assistance to persons who are transient, at imminent risk of homelessness or homeless. (NRS 422A.680) **Section 3** of this bill requires the System to collaborate with

the Department of Motor Vehicles to facilitate assistance to persons in crisis who wish to apply for such an identification card.

Existing law requires the Department of Motor Vehicles to waive, not more than one time, all fees and costs for the issuance of an original or duplicate identification card to a homeless child or youth less than 25 years of age. (NRS 483.825) **Section 4** of this bill removes the limitation that such fees and costs may be waived only once, thus requiring the Department to waive all fees and costs for the issuance of any identification card issued to a homeless child or youth less than 25 years of age.

Existing law requires an applicant for an identification card to provide to the Department of Motor Vehicles: (1) proof of his or her full legal name and age; and (2) if he or she has been issued a social security number, proof of that social security number. (NRS 483.850, 483.860) **Section 5** of this bill removes the requirement to provide proof of a social security number for any applicant who is a homeless child or youth less than 25 years of age. **Section 6** of this bill authorizes an applicant who is a homeless child or youth less than 25 years of age to prove his or her legal name and age by providing: (1) a school identification card that meets certain requirements; and (2) an unofficial transcript from the respective school that contains the date of birth of the applicant.

Amendment No. 800.

AN ACT relating to air pollution; creating the Account for Clean Trucks and Buses; creating the Clean Trucks and Buses Incentive Program; establishing various requirements for the Program; ~~[making an appropriation;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the State Environmental Commission to prescribe standards for exhaust emissions, fuel evaporative emissions and visible emissions of smoke from mobile internal combustion engines. (NRS 445B.760) Existing law also requires the Commission to establish, by

regulation, a program for the regulation of smoke and other emissions by inspection of heavy-duty motor vehicles that are powered by diesel fuel or motor vehicle fuel. (NRS 445B.780) This bill establishes a voucher incentive program called the Clean Trucks and Buses Incentive Program in which the Division of Environmental Protection of the State Department of Conservation and Natural Resources will, within the limits of money available for such purposes, issue vouchers to approved contractors to redeem with the Division for offering certain price incentives to certain entities for the sale of eligible zero-emission medium-duty and heavy-duty vehicles.

Sections 2-15 of this bill define various terms related to the Clean Trucks and Buses Incentive Program.

Section 16 of this bill creates the Account for Clean Trucks and Buses, which is administered by the Division to carry out the Clean Trucks and Buses Incentive Program. **Section 16** requires the Department of Transportation to enter into an agreement with the Division to: (1) enable the Division to administer 35 percent of the apportionment of federal money to this State for the federal Carbon Reduction Program, 23 U.S.C. § 175, beginning in January 2024 **[.] , unless federal guidance on the federal Carbon Reduction Program determines that such federal money may not be used for the Clean Trucks and Buses Incentive Program;** (2) coordinate with the Division to ensure that the use of the money is consistent with all requirements of federal law; and (3) ensure that any necessary waivers for the Clean Trucks and Buses **Incentive** Program are obtained from the federal government.

Section 17 of this bill creates the Clean Trucks and Buses Incentive Program and sets forth the base incentives and **, unless otherwise inconsistent with federal law or guidance,** incentive increases that are available to eligible entities for the purchase of a clean truck or bus. To be eligible for an incentive from the Program, **section 17** requires that an entity: (1) own or operate a diesel-powered or gasoline-powered medium-duty or heavy-vehicle or a fleet of medium-duty or heavy-duty vehicles; and (2) be domiciled in this State.

Section 20.5 of this bill requires the Commission to adopt regulations to carry out the Program, which must include requirements for: (1) the Division to approve a clean truck or bus or repowered vehicle as eligible for purchase using an incentive from the Program; (2) a contractor to submit an application to be approved to sell eligible clean trucks or buses using an incentive from the Program; and (3) an eligible entity to work with an approved contractor to submit an application to receive an incentive from the Program **[.] and be awarded such an incentive from the Program.**

Section 21 of this bill requires the Division to review applications on a quarterly basis. Upon approval of an application, **section 21** requires the Division to reserve the amount of the incentive from the Program offered to the entity in the Account for Clean Trucks and Buses and, with certain exceptions, issue the approved contractor a voucher for that amount, which is valid for 1 year and may be extended for an additional 1 year upon the request of the approved contractor. Once the clean truck or bus has been purchased,

delivered and placed into operation by the entity, **section 21** authorizes the contractor to redeem the voucher with the Division.

Section 22 of this bill requires an entity that receives an incentive for the purchase of a clean truck or bus from the Clean Trucks and Buses Incentive Program to submit written reports to the Division in accordance with regulations adopted by the Commission. **Section 22** further requires the Division to submit an annual summary of these reports to the Director of the Legislative Counsel Bureau.

Assemblywoman Monroe-Moreno moved the adoption of the amendment.

Amendment adopted.

Bill ordered reprinted, re-engrossed and to third reading.

Assembly Bill No. 192.

Bill read third time.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 799.

AN ACT relating to elections; establishing requirements relating to the purchase of ~~[mail]~~ ballots and return envelopes used in certain elections in this State; revising requirements for the form of all envelopes and return envelopes for mail ballots; revising certain requirements relating to electioneering; **making an appropriation to the Office of the Secretary of State to enter into a contract for the purchase of ballots and return envelopes;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Secretary of State to prescribe: (1) the form of all mail ballots; and (2) the placement and listing of all offices, candidates and measures upon which voting is statewide, which must be uniform throughout the State. (NRS 293.250) **Sections 1.5 and 4** of this bill require the form of all envelopes in which mail ballots are sent to voters and all return envelopes for mail ballots to, with certain exceptions, be uniform throughout the State. **Sections 1.5 and 4** also require the Secretary of State to prescribe a method for distinguishing the return envelopes of each county or city, as applicable.

Section 1 of this bill requires the Secretary of State to enter into a statewide contract for the purchase of all ballots and return envelopes used in a presidential preference primary election, primary election and general election in this State. **Section 5.3 of this bill makes an appropriation to the Office of the Secretary of State to enter into such a contract.**

__**Section 1** further requires each county and city clerk to use the ballots and return envelopes purchased by the Secretary of State for such elections. **Section 5.5** of this bill provides that a county or city clerk may request from the Secretary of State an exemption from this requirement for the presidential preference primary election, primary election and general election held in 2024.

Existing law requires a county clerk and city clerk to keep continuously posted certain signs and notices which indicate that electioneering is prohibited between the boundary marked by the sign and the entrance to a polling place. (NRS 293.361, 293.740, 293C.361) **Sections 2, 3 and 5** of this bill require the county clerk and city clerk to ensure that any signs and notices posted are: (1) at least 17 inches by 11 inches in size; (2) placed on a window or door of the polling place or freestanding; and (3) visible to a person approaching the boundary marked by the sign.

Existing law defines "electioneering" to include buying, selling, wearing or displaying any badge, button or other insigne which is designed or tends to aid or promote the success or defeat of any political party or a candidate or ballot question to be voted upon at an election. (NRS 293.740) **Section 3** revises this definition to provide instead that "electioneering" includes buying, selling, wearing or displaying any badge, button or other insigne which expressly refers to any political party or a candidate or ballot question to be voted upon at that election.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Legislative Counsel's Digest:

Existing law requires the Secretary of State to prescribe: (1) the form of all mail ballots; and (2) the placement and listing of all offices, candidates and measures upon which voting is statewide, which must be uniform throughout the State. (NRS 293.250) **Sections 1.5 and 4** of this bill require the form of all envelopes in which mail ballots are sent to voters and all return envelopes for mail ballots to, with certain exceptions, be uniform throughout the State. **Sections 1.5 and 4** also require the Secretary of State to prescribe a method for distinguishing the return envelopes of each county or city, as applicable.

Section 1 of this bill requires the Secretary of State to enter into a statewide contract for the purchase of all ballots and return envelopes used in a presidential preference primary election, primary election and general election in this State. **Section 1 provides that if such a contract requires the vendor to distribute mail ballots on behalf of a county or city clerk, the contract must require the vendor to deposit the mail ballots for mailing at a location within this State.** **Section 1** further requires each county and city clerk to use the ballots and return envelopes purchased by the Secretary of State for such elections. **Section 5.5** of this bill provides that a county or city clerk may request from the Secretary of State an exemption from this requirement for the presidential preference primary election, primary election and general election held in 2024.

Existing law requires a county clerk and city clerk to keep continuously posted certain signs and notices which indicate that electioneering is prohibited between the boundary marked by the sign and the entrance to a polling place. (NRS 293.361, 293.740, 293C.361) **Sections 2, 3 and 5** of this bill require the county clerk and city clerk to ensure that any signs and notices posted are: (1) at least 17 inches by 11 inches in size; (2) placed on a window or door of the polling place or freestanding; and (3) visible to a person approaching the boundary marked by the sign.

Existing law defines "electioneering" to include buying, selling, wearing or displaying any badge, button or other insigne which is designed or tends to aid or promote the success or defeat of any political party or a candidate or ballot question to be voted upon at an election. (NRS 293.740) **Section 3** revises this definition to provide instead that "electioneering" includes buying, selling, wearing or displaying any badge, button or other insigne which expressly refers to any political party or a candidate or ballot question to be voted upon at that election.

of current or former employment as a professional full-time salaried firefighter or current or former service as a volunteer firefighter in an application for the renewal of certain special license plates recognizing such employment or service; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the Department of Motor Vehicles to issue special license plates that encourage the donation of human organs. (NRS 482.37905) Under existing law, certain special license plates, including special license plates that encourage the donation of human organs, are subject to a limitation of the number of separate designs of special license plates which the Department may issue at any one time. (NRS 482.367008) Section 1 of this bill exempts the special license plates that encourage the donation of human organs from the limitation on the number of separate designs of special license plates which the Department may issue at any one time.

Existing law authorizes the Department ~~[of Motor Vehicles]~~ to issue special license plates recognizing: (1) current or former employment as a professional full-time salaried firefighter; and (2) current or former service as a volunteer firefighter. Existing law requires an application for the issuance or renewal of such special license plates to include documentation providing reasonable proof of the applicant's eligibility to receive the special plates. (NRS 482.3753, 482.3754) ~~[This]~~ **Sections 2 and 3 of this** bill ~~[eliminates]~~ **eliminate** the requirement to include such documentation in an application for the renewal of such special license plates.

2. Notwithstanding any other provision of law to the contrary, and except as otherwise provided in subsection 3, the Department shall not, at any one time, issue more than 30 separate designs of special license plates. Whenever the total number of separate designs of special license plates issued by the

Department at any one time is less than 30, the Department shall issue a number of additional designs of special license plates that have been authorized by an act of the Legislature or the application for which has been approved by the Department pursuant to NRS 482.367002, not to exceed a total of 30 designs issued by the Department at any one time. 4. Except as otherwise provided in this subsection, on October 1 of each year the Department shall assess the viability of each separate design of special license plate that the Department is currently issuing by determining the total number of validly registered motor vehicles to which that design of special license plate is affixed. (b) If the special license plate does not generate financial support for a cause or charitable organization, to an entity which is involved in promoting the activity, place or other matter that is depicted on the plate.

7. If, on December 31 of the same year in which notice was provided pursuant to subsections 5 and 6, the total number of validly registered motor vehicles to which a particular design of special license plate is affixed is:

(b) In the case of special license plates described in subsection 3, less than 3,000,

➥ the Director shall, notwithstanding any other provision of law to the contrary, issue an order providing that the Department will no longer issue that particular design of special license plate. Except as otherwise provided in subsection 2 of NRS 482.265, such an order does not require existing holders of that particular design of special license plate to surrender their plates to the Department and does not prohibit those holders from renewing those plates.

VETOED BILLS AND SPECIAL ORDERS OF THE DAY

Vetoed Assembly Bill No. 223 of the 82nd Session.

Governor's message stating his objections read.

OFFICE OF THE GOVERNOR

May 29, 2023

THE HONORABLE STEVE YEAGER, SPEAKER OF THE NEVADA STATE ASSEMBLY, Nevada Legislature, 401 South Carson Street, Carson City, Nevada 89701

RE: Assembly Bill 223 of the 82nd Legislative Session

DEAR SPEAKER YEAGER:

I am forwarding to you, for filing within the time limit set forth in the Nevada Constitution and without my approval, Assembly Bill 223 ("AB 223"), which is titled as follows:

> AN ACT relating to collection agencies; requiring a collection agency to provide a payoff letter upon the request of a debtor; requiring a collection agency to provide a satisfaction letter to a debtor after a claim has been satisfied; authorizing a debtor to bring a civil action against a collection agency that violates the requirement to provide a payoff letter or a satisfaction letter to the debtor; revising the method by which a collection agency must notify a medical debtor before taking any action to collect a medical debt; and providing other matters properly relating thereto.

AB 223 is well intended in that it presumably aims to increase transparency and accessibility to information in Nevada's debt-collection process. However, it is problematic that this bill creates a private right of action. There are already established complaint processes for these types of claims through the Financial Institutions Division ("FID"), which protects Nevadan debtors, and more generally, the Department of Business and Industry, which are less expensive and more streamlined than traditional litigation. While debtor protection is an important goal, the policy changes contemplated in this bill should instead be deliberated and executed upon through the Department of Business and Industry's regulatory processes.

As such, since the FlD's mechanism for resolving debt-collection disputes better serves the needs of Nevadans without the need for costly litigation, I cannot support this bill.

For these reasons, I veto this bill and return it to you without my signature or approval.

Respectfully submitted,
JOE LOMBARDO
Governor of Nevada

OFFICE OF THE GOVERNOR

May 29, 2023

THE HONORABLE STEVE YEAGER, SPEAKER OF THE NEVADA STATE ASSEMBLY, Nevada Legislature, 401 South Carson Street, Carson City, Nevada 89701

RE: Assembly Bill 265 of the 82nd Legislative Session

DEAR SPEAKER YEAGER:

I am forwarding to you, for filing within the time limit set forth in the Nevada Constitution and without my approval, Assembly Bill 265 ("AB 265"), which is titled as follows:

> AN ACT relating to mental health; adding certain members to the subcommittee on the mental health of children of the Commission on Behavioral Health; creating a statewide mental health consortium; prescribing the membership, powers and duties of the statewide mental health consortium; authorizing the statewide mental health consortium to request the drafting of not more than 1 legislative measure for each regular session of the Legislature; and providing other matters properly relating thereto.

The intent of AB 265–to promote the mental health of children–is noble. The mental health of our children is, and should be, a priority for all of us. However, this bill includes an unfunded mandate on the Executive Branch. Last session, a nearly identical bill (Assembly Bill 273), included a fiscal note for one full-time employee and the related costs to do the work required under the provisions of the bill. In 2023, there were no fiscal notes submitted on the bill, nor were there any appropriations to fund the resources necessary to implement the provisions of this bill. It is inappropriate to ask over-worked State agencies to do more without providing additional funding to ensure existing employees do not simply have to absorb the work for "other duties as assigned".

Furthermore, AB 265 adds an unnecessary layer of bureaucracy to State government and increases the number of bill drafts submitted to the Legislature.

Since AB 265 does little to address the primary issue plaguing our mental health crisis–that we do not have enough beds to adequately serve those struggling with mental health issues–I cannot support it.

For these reasons, I veto this bill and return it to without my signature or approval.

Respectfully submitted,
JOE LOMBARDO
Governor of Nevada

The following amendment was proposed by the Committee on Judiciary:
Amendment No. 812.
SENATORS DONATE; FLORES, D. HARRIS AND SCHEIBLE
JOINT SPONSOR: ASSEMBLYWOMAN BILBRAY-AXELROD

AN ACT relating to firearms; requiring a licensed dealer to provide a locking device capable of securing a firearm with each sale or transfer of a firearm; requiring a licensed gun dealer to post a notice on the premises which informs a buyer that the unlawful storage of a firearm may result in imprisonment or a fine; requiring the board of trustees of each school district and the governing body of each charter school to include certain provisions related to active assailants in a plan for responding to a crisis, emergency or suicide; requiring certain school police officers to receive training in active assailant movement techniques; requiring the Department of Health and Human Services to develop and implement a safe firearm storage education campaign; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law: (1) prohibits a person from aiding or knowingly permitting a child to handle, possess or control a firearm under certain circumstances; (2) provides that a person does not aid or knowingly permit a child to violate such existing law if the firearm was stored in a securely locked container or at a location which a reasonable person would have believed to be secure; and (3) makes it a misdemeanor to negligently store or leave a firearm at a location under his or her control, if a person knows or has reason to know that there is a substantial risk that a child, who is otherwise prohibited from handling, possessing or controlling a firearm, may obtain such a firearm. (NRS 202.300)

Section 4 of this bill requires a licensed dealer to: (1) provide with each firearm sold or otherwise transferred a locking device capable of securing the firearm; and (2) post in a conspicuous location on its premises a notice which informs a buyer that the negligent storage of a firearm may result in imprisonment or a fine. A licensed dealer who violates a requirement of **section 4** is guilty of a misdemeanor punishable by a fine of not more than $500. **Section 5** of this bill makes a conforming change to indicate the proper placement of **section 4** in the Nevada Revised Statutes.

Existing law requires the board of trustees of each school district and the governing body of each charter school to establish a development committee to develop a plan to be used by the schools in the district or the charter school in responding to a crisis, emergency or suicide. Such a committee, under existing law, is required to develop a plan which constitutes the minimum requirements of a plan for a school to use. (NRS 388.241, 388.243)

Section 9.1 of this bill requires such a plan to include, if the school district has school police officers, a plan to coordinate with local law enforcement agencies to train school police officers in active assailant movement techniques. ~~[In a school district which has more than 50,000 pupils enrolled in its schools, section]~~ **Section 9.1** additionally requires the plan to include a plan to: (1) coordinate with local law enforcement agencies or public safety organizations to provide active assailant trainings to ~~[certain]~~ employees of ~~[the]~~ **a** school **;** ~~[district;]~~ (2) provide certain support to pupils ~~[,]~~ **and members of the** faculty and staff who have experienced a crisis or emergency;

(3) ensure that **members of the faculty and staff and** a pupil's parents or legal guardians are notified of **the occurrence, development and conclusion of** a crisis or an emergency through any communication method established by a school; and (4) inform a pupil's parent or legal guardian of any state requirement related to the storage of firearms.

CONSIDERATION OF SENATE AMENDMENTS

Assembly Bill No. 285.

The following Senate amendment was read:

Amendment No. 701.

AN ACT relating to education; removing certain requirements for the use of restorative disciplinary practices in public schools; requiring certain schools to provide a progressive discipline plan based on restorative justice to certain pupils; revising provisions governing the development of a plan of discipline by the board of trustees of a school district ~~[,]~~ **or governing body of a charter school or university school for profoundly gifted pupils;** revising provisions governing age **and certain other** requirements for the suspension, expulsion and permanent expulsion of pupils; requiring the provision and reporting of a plan to provide education services to certain pupils; revising provisions governing the reporting of certain data concerning discipline of pupils; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the board of trustees of each school district to establish a plan to provide for the restorative discipline of pupils, developed: (1) in accordance with the statewide framework for restorative justice developed by the Department of Education; and (2) with input from certain school personnel and the parents and guardians of pupils. (NRS 392.4644) Existing law: (1) **to the extent that money is available,** requires the Department to develop a statewide framework for restorative justice; and (2) sets forth requirements for that framework. (NRS 388.1333) **Section 5** of this bill removes the requirement to establish such a plan, instead requiring that the board of trustees of each school district, the governing body of each charter school and the governing body of each university school for profoundly gifted pupils establish a plan of progressive discipline. **Section 5** also requires such entities to include **within such a plan: (1)** disciplinary practices based on restorative justice ~~[within such a plan.]~~ **; (2) methods of alternative conflict resolution and interventions based on social and emotional learning; and (3) provisions for the placement of a pupil in a more restrictive educational environment at the school or at a different school.** **Sections 1 and 2** of this bill make conforming changes relating to the removal of this requirement. **Section 2.5** of this bill: (1) requires the Department to develop the statewide framework for restorative justice regardless of funding; and (2) requires the framework developed by the Department to include certain training on school climate for teachers, administrators and other school staff.

Existing law requires, in general, that a public school provide a plan of action based on restorative justice before removing a pupil from a classroom or the premises of the school or suspending or expelling the pupil. **Existing law requires the Department to develop one or more examples of such a plan of action, with certain required elements.** (NRS 392.472) ~~[Sections 7 and]~~ **Section 9** of this bill ~~[require]~~ **requires** a public school to instead provide a progressive discipline plan based on restorative justice: (1) to a pupil who has been suspended for at least 5 cumulative days during a school year; and (2) within 2 days after removing a pupil. **Section 9** additionally requires an example of a **progressive discipline** plan ~~[of action]~~ developed by the Department to include certain determinations concerning an individualized education program. Further, **section 9** requires the plan to be made available to certain personnel. **Sections 3 and 4** of this bill provide similar authorization concerning the provision of **progressive discipline** plans based on restorative justice ~~[to]~~ **for** charter schools and university schools for profoundly gifted pupils.

Existing law requires a public school to offer certain education services to a pupil who is removed from a classroom or the premises of a public school for more than 2 days. (NRS 392.4645) **Section 5.5** of this bill requires **the public school to develop a plan to offer such services and requires the plan to include: (1) an option to provide such services in an in-person setting; (2) the location of such services; and (3) a plan for the pupil to complete**

certain assignments. Section 5.5 also requires each school district to, on or before August 1 of each year, **collect a representative sample of the plans developed and** submit a copy of ~~[such a plan]~~ **the sampled plans** to the: (1) Joint Interim Standing Committee on Education; (2) Department of Education; and (3) State Board of Education.

Existing law authorizes, under certain circumstances, the suspension, expulsion or permanent expulsion of a pupil who attends a public school, charter school or university school for profoundly gifted pupils and who is at least 11 years of age. (NRS 388A.495, 388C.150, 392.466, 392.467) Existing law further provides that a pupil who is less than 11 years of age may be suspended, expelled or permanently expelled by the public school in which the pupil is enrolled if such a punishment is approved by the board of trustees of the school district. (NRS 392.466) **Sections 3, 4 and ~~[8]~~ 7** of this bill provide for the suspension, expulsion or permanent expulsion of certain pupils ~~[less than]~~ **who are at least** 11 years of age. **Sections 3, 4 and 7: (1) provide that pupils who are less than 11 years of age may, following review and approval by certain school officials, be suspended in certain situations; and (2) prohibit, in general, the expulsion or permanent expulsion of a pupil who is less than 11 years of age.**

Under existing law, a public school is prohibited, in general, from permanently expelling a pupil who is less than 11 years of age, except for certain situations in which such a punishment is authorized by the board of trustees of a school district. (NRS 392.466, 392.467) **Section 8** ~~[authorizes the permanent expulsion of a pupil who is less than 11 years of age.]~~ **of this bill additionally prohibits a public school, in general, from expelling such a pupil. Section 7** ~~[of this bill authorizes the suspension, expulsion or permanent expulsion of]~~ **provides that, for** a pupil who sells or distributes a controlled substance in certain situations or commits an act of violence against certain persons in various school settings **:** ~~[if:]~~ (1) the pupil **may be suspended if he or she is less than 11 years of age and may also be expelled or permanently expelled if he or she** is at least ~~[6]~~ **11** years of age; (2) the suspension ~~[or expulsion is]~~ **of a pupil who is less than 6 years of age must be** reviewed by the superintendent of the school district or his or her designee; and (3) if the removal is of a pupil with a disability, such removal ~~[complies]~~ **must comply** with federal law. **Sections 3 and 4** apply similar provisions to charter schools and university schools for profoundly gifted pupils, respectively.

Existing law provides the process for the principal of a school to deem a pupil a habitual disciplinary problem. (NRS 392.4655) Existing law additionally provides the process by which, after a principal determines a pupil is not a habitual disciplinary problem, a teacher may appeal the decision to the board of trustees of the school district. **Section 6** of this bill ~~[instead]~~ provides that ~~[such an]~~ **a pupil must be at least 11 years of age to be deemed a habitual disciplinary problem. Section 6 additionally requires that the pupil be deemed a habitual disciplinary problem if the school has written evidence showing that the pupil did not make efforts to enter into or**

participate in a plan of behavior. Section 6 revises the persons to whom a pupil or legal guardian of a pupil may appeal ~~[must be made to either the superintendent of the school district or his or her designee.]~~ **a determination that the pupil is a habitual disciplinary problem.**

Existing law requires, in general, that the principal of a school deem a pupil a habitual disciplinary problem following a determination that homelessness is not the cause of the behavior of the pupil. (NRS 392.4655) Existing law also requires that, to suspend or expel a pupil in certain situations, a determination be made that the behavior of a pupil is not caused by homelessness or being in foster care. (NRS 392.466, 392.467) Section 6 removes the requirement that a principal presume the behavior of a pupil is due to homelessness unless evidence indicates otherwise. Additionally, section 6 requires that, before deeming a pupil to be a habitual disciplinary problem, a determination be made that: (1) homelessness is not a factor in the behavior of the pupil; and (2) the placement of the pupil in foster care is not a factor in his or her behavior. Similar requirements are prescribed by sections 7 and 8.

Existing law requires each public school to collect data on the discipline of pupils. (NRS 392.462) **Section 4.5** of this bill requires ~~[: (1)]~~ such data collection to occur quarterly **.** ~~[; and (2)]~~ **Section 4.5 also requires the data collection to** include data on **: (1)** the implementation of a plan for progressive discipline ~~[and]~~ **;** **(2)** the training that teachers and administrators have received regarding the plan ~~[.]~~ **; (3) the number of staff positions in the school that are vacant; (4) the average class size for each grade in the school; and (5) the ratio of pupils to school counselors, psychologists and social workers. Section 4.5** additionally requires the principal of each school to, before August 1 of each year, report the data to: (1) the board of trustees of the school district; (2) the Joint Interim Standing Committee on Education; ~~[and]~~ (3) the Superintendent of Public Instruction ~~[.~~

~~— Section 6 makes a conforming change to refer to provisions that have been renumbered by section 7.]~~ **; and (4) the Department of Education.**

Existing law requires the Department to include in the statewide system of accountability for public schools data to recognize public schools that reduce the frequency of suspension, expulsion or removal of pupils from school. (NRS 385A.605) Section 1.5 of this bill requires certain data collected pursuant to section 4.5 to be included in the statewide system of accountability.

Assemblywoman Bilbray-Axelrod moved that the Assembly concur in the Senate Amendment No. 701 to Assembly Bill No. 285.

Motion carried by a constitutional majority.

The following Senate amendment was read:

Amendment No. 821.

AN ACT relating to education; removing certain requirements for the use of restorative disciplinary practices in public schools; requiring certain schools to provide a progressive discipline plan based on restorative justice to certain pupils; revising provisions governing the development of a plan of discipline by the board of trustees of a school district or governing body of a charter school or university school for profoundly gifted pupils; revising provisions governing age and certain other requirements for the suspension, expulsion and permanent expulsion of pupils; requiring the provision and reporting of a plan to provide education services to certain pupils; revising provisions

governing the reporting of certain data concerning discipline of pupils; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the board of trustees of each school district to establish a plan to provide for the restorative discipline of pupils, developed: (1) in accordance with the statewide framework for restorative justice developed by the Department of Education; and (2) with input from certain school personnel and the parents and guardians of pupils. (NRS 392.4644) Existing law: (1) to the extent that money is available, requires the Department to develop a statewide framework for restorative justice; and (2) sets forth requirements for that framework. (NRS 388.1333) **Section 5** of this bill removes the requirement to establish such a plan, instead requiring that the board of trustees of each school district, the governing body of each charter school and the governing body of each university school for profoundly gifted pupils establish a plan of progressive discipline. **Section 5** also requires such entities to include within such a plan: (1) disciplinary practices based on restorative justice; (2) methods of alternative conflict resolution and interventions based on social and emotional learning; and (3) provisions for the placement of a pupil in a more restrictive educational environment at the school or at a different school. **Sections 1 and 2** of this bill make conforming changes relating to the removal of this requirement. **Section 2.5** of this bill: (1) requires the Department to develop the statewide framework for restorative justice regardless of funding; and (2) requires the framework developed by the Department to include certain training on school climate for teachers, administrators and other school staff.

Existing law requires, in general, that a public school provide a plan of action based on restorative justice before removing a pupil from a classroom or the premises of the school or suspending or expelling the pupil. Existing law requires the Department to develop one or more examples of such a plan of action, with certain required elements. (NRS 392.472) **Section 9** of this bill requires a public school to instead provide a progressive discipline plan based on restorative justice: (1) to a pupil who has been suspended for at least 5 cumulative days during a school year; and (2) within 2 days after removing a pupil. **Section 9** additionally requires an example of a progressive discipline plan developed by the Department to include certain determinations concerning an individualized education program. Further, **section 9** requires the plan to be made available to certain personnel. **Sections 3 and 4** of this bill provide similar ~~[authorization]~~ **requirements** concerning the provision of progressive discipline plans based on restorative justice for charter schools and university schools for profoundly gifted pupils.

Existing law requires a public school to offer certain education services to a pupil who is removed from a classroom or the premises of a public school for more than 2 days. (NRS 392.4645) **Section 5.5** of this bill requires the public school to **, on or before August 1 of each year,** develop **or review and revise** a plan to offer such services **to, without limitation, pupils who are less than 11 years of age** and requires the plan to include: (1) an option to provide such

services in an in-person setting; (2) the location of such services; and (3) a plan for the pupil to complete certain assignments. **Section 5.5 requires each public school to, on or before August 1 of each year, submit such a plan to: (1) the board of trustees of the school district, governing body of the charter school or governing body of the university school for profoundly gifted pupils, as applicable; (2) the State Board of Education; and (3) the Joint Interim Standing Committee on Education.** **Section 5.5** also requires each school district to, on or before August 1 of each year, collect a representative sample of the plans developed and submit a copy of the sampled plans to the: (1) Joint Interim Standing Committee on Education; (2) Department of Education; and (3) State Board**.** ~~[of Education.]~~ **Section 1 requires the plan developed pursuant to section 5.5 to be included in the annual report of accountability for the quality of schools and the educational achievement of pupils.**

Existing law authorizes, under certain circumstances, the suspension, expulsion or permanent expulsion of a pupil who attends a public school, charter school or university school for profoundly gifted pupils and who is at least 11 years of age. (NRS 388A.495, 388C.150, 392.466, 392.467) Existing law further provides that a pupil who is less than 11 years of age may be suspended, expelled or permanently expelled by the public school in which the pupil is enrolled if such a punishment is approved by the board of trustees of the school district. (NRS 392.466) ~~[Sections 3, 4 and]~~ **Section 7** of this bill ~~[provide]~~ **provides** for the suspension, expulsion or permanent expulsion of certain pupils who are at least 11 years of age. ~~[Sections 3, 4 and]~~ **Section 7**: (1) ~~[provide]~~ **provides** that pupils who are less than 11 years of age may, following review and approval by certain school officials, be suspended in certain situations; and (2) ~~[prohibit,]~~ **prohibits,** in general, the expulsion or permanent expulsion of a pupil who is less than 11 years of age. **Sections 3 and 4 apply these provisions to the discipline of certain pupils in charter schools and university schools for profoundly gifted pupils, respectively.**

Under existing law, a public school is prohibited, in general, from permanently expelling a pupil who is less than 11 years of age, except for certain situations in which such a punishment is authorized by the board of trustees of a school district. (NRS 392.466, 392.467) **Section 8** of this bill additionally prohibits a public school, in general, from expelling such a pupil. **Section 7** provides that, for a pupil who sells or distributes a controlled substance in certain situations or commits ~~[an act of violence against certain persons]~~ **a battery other than a battery intended to result in the bodily injury of an employee of the school** in various school settings: (1) the pupil may be suspended if he or she is less than 11 years of age and may also be expelled or permanently expelled if he or she is at least 11 years of age; (2) the suspension of a pupil who is less than 6 years of age must be reviewed by the superintendent of the school district or his or her designee; and (3) if the removal is of a pupil with a disability, such removal must comply with federal law. **Additionally, section 7 provides that, for a pupil who commits a**

battery which is intended to result in the bodily injury of an employee of the school: (1) the pupil shall be suspended or expelled if he or she is at least 8 years of age; (2) the suspension of a pupil who is less than 6 years of age must be reviewed and approved by the superintendent of the school district or his or her designee; and (3) if the removal is of a pupil with a disability, such removal must comply with federal law. Finally section 7 provides that a pupil who is found in possession of a firearm at a public school or an activity or school bus of a public school: (1) shall be suspended, expelled or permanently expelled if he or she is at least 11 years of age; (2) shall be suspended or expelled if he or she is at least 8 but less than 11 years of age; (3) may be suspended if he or she is at least 6 but less than 8 years of age; (4) may be suspended if he or she is less than 6 years of age upon review and approval by the superintendent of the school district or his or her designee; and (5) if the pupil is a pupil with a disability, any removal of the pupil must comply with federal law. Sections 3 and 4 apply similar provisions to charter schools and university schools for profoundly gifted pupils, respectively.

Existing law provides the process for the principal of a school to deem a pupil a habitual disciplinary problem. (NRS 392.4655) Existing law additionally provides the process by which, after a principal determines a pupil is not a habitual disciplinary problem, a teacher may appeal the decision to the board of trustees of the school district. **Section 6** of this bill provides that a pupil must be at least 11 years of age to be deemed a habitual disciplinary problem. **Section 6** additionally requires that the pupil be deemed a habitual disciplinary problem if the school has written evidence showing that the pupil did not make efforts to enter into or participate in a plan of behavior. **Section 6** revises the persons to whom a pupil or legal guardian of a pupil may appeal a determination that the pupil is a habitual disciplinary problem.

Existing law requires, in general, that the principal of a school deem a pupil a habitual disciplinary problem following a determination that homelessness is not the cause of the behavior of the pupil. (NRS 392.4655) Existing law also requires that, to suspend or expel a pupil in certain situations, a determination be made that the behavior of a pupil is not caused by homelessness or being in foster care. (NRS 392.466, 392.467) **Section 6** removes the requirement that a principal presume the behavior of a pupil is due to homelessness unless evidence indicates otherwise. Additionally, **section 6** requires that, before deeming a pupil to be a habitual disciplinary problem, a determination be made that: (1) homelessness is not a factor in the behavior of the pupil; and (2) the placement of the pupil in foster care is not a factor in his or her behavior. Similar requirements are prescribed by **sections 7 and 8**.

Existing law requires each public school to collect data on the discipline of pupils. (NRS 392.462) **Section 4.5** of this bill requires such data collection to occur quarterly. **Section 4.5** also requires the data collection to include data on: (1) the implementation of a plan for progressive discipline; (2) the training that teachers and administrators have received regarding the plan; (3) the

number of staff positions in the school that are vacant; (4) the average class size for each grade in the school; and (5) the ratio of pupils to school counselors, psychologists and social workers. **Section 4.5** additionally requires the principal of each school to, before August 1 of each year, report the data to: (1) the board of trustees of the school district; (2) the Joint Interim Standing Committee on Education; (3) the Superintendent of Public Instruction; and (4) the Department of Education.

Existing law requires the Department to include in the statewide system of accountability for public schools data to recognize public schools that reduce the frequency of suspension, expulsion or removal of pupils from school. (NRS 385A.605) **Section 1.5** of this bill requires certain data collected pursuant to **section 4.5** to be included in the statewide system of accountability.

AN ACT relating to education; requiring a suspension or expulsion in a charter school or a university school for profoundly gifted pupils to be consistent with such punishments in certain public schools; requiring a plan for restorative discipline for public schools to include consideration of certain data relating to pupil discipline; authorizing the Superintendent of Public Instruction to require implementation of an alternative plan for restorative discipline if a public school fails to take certain actions relating to disproportionality in pupil discipline; requiring a plan for restorative discipline to reflect the authority to temporarily remove a pupil from the classroom; requiring certain actions by a school at the time of a suspension or expulsion of a pupil for committing certain acts; revising the persons to whom the appeals

Legislative Counsel's Digest:

Existing law establishes certain provisions relating to the behavior and discipline of pupils. (NRS 392.4601-392.472) **Sections 2 and 3** of this bill apply these provisions to charter schools and university schools for profoundly gifted pupils.

Section 3.3 of this bill establishes: (1) requirements for proper notification to a pupil and the parent or legal guardian of the pupil, if the pupil is less than 18 years of age, of the policy to appeal a suspension or expulsion; (2) a 5-day timeline for a pupil or, if the pupil is less than 18 years of age, the parent or guardian of the pupil to appeal the suspension or expulsion; (3) a 5-day timeline for a hearing to be scheduled upon receipt of such an appeal; (4) the method for determining whether a pupil who is suspended or expelled or is being considered for suspension or expulsion may be considered for temporary alternative placement; and (5) that education services are required to be provided to the pupil to prevent the pupil from losing academic credit or being disengaged from school during the period the pupil is suspended or expelled. **Sections 3.5 and 3.7** of this bill make conforming changes to indicate the proper placement of **section 3.3** in the Nevada Revised Statutes.

Under existing law, the board of trustees of each school district is required to establish a plan to provide for the restorative discipline of pupils, which must be developed with the input of certain school personnel and the parents and guardians of pupils. (NRS 392.4644) Existing law also requires each public school to collect and submit data on the discipline of pupils and categorize such data by various subgroups of pupils. (NRS 392.462) **Section 4** of this bill requires that the data be reported to the superintendent of the school district or to the administrative head of a charter school. **Section 6** also requires the Superintendent of Public Instruction to review data on the disproportionality of punishments and provide a corrective period for any deficient schools to make progress in addressing any disproportionalities or any insufficiency in such data.

Existing law requires a plan to provide for the restorative discipline of pupils to provide for the temporary removal of a pupil from a classroom or other premises of a public school under certain circumstances. (NRS 392.4645) **Section 7** instead authorizes the temporary removal of a pupil from a classroom or other premises of a public school under such circumstances, and **section 6** requires a plan to provide for the restorative discipline of pupils to include provisions for such a temporary removal.

Existing law requires that a pupil who has been removed from the classroom or other premises of a public school must have a conference within 3 days after removal, with certain exceptions. If such a conference is not held within 3 days, the pupil is required to be allowed to return to the classroom or other premises, with certain exceptions. (NRS 392.4646) **Section 8** of this bill

removes the requirement if, in the judgment of the principal, the pupil continues to pose a threat and the superintendent has authorized an extension of the removal.

Existing law provides certain requirements concerning the determination that a pupil is deemed a habitual disciplinary problem. (NRS 392.4655) **Section 9** of this bill revises the persons to whom a pupil or parent or legal guardian of a pupil may appeal such a determination.

Existing law authorizes, under certain circumstances, the suspension, expulsion or permanent expulsion of a pupil who attends a public school, charter school or university school for profoundly gifted pupils and who is at least 11 years of age. (NRS 388A.495, 388C.150, 392.466, 392.467) Existing law further provides that a pupil who is less than 11 years of age may be suspended, expelled or permanently expelled by the public school in which the pupil is enrolled if such a punishment is approved by the board of trustees of the school district. (NRS 392.466) Section 10 of this bill provides for the suspension, expulsion or permanent expulsion of certain pupils who are at least 11 years of age. Section 10: (1) provides that pupils who are less than 11 years of age may, following review and approval by certain school officials, be suspended in certain situations; and (2) prohibits, in general, the expulsion or permanent expulsion of a pupil who is less than 11 years of age.

Under existing law, ~~[certain pupils may be suspended or expelled from school for: (1) committing a battery which results in the bodily injury of an employee of the school; or (2) selling or distributing any controlled substance in certain circumstances. (NRS 392.466) Section 10 of this bill: (1) revises the circumstances under which a pupil is expelled or assigned to a temporary alternative placement; and (2) requires the pupil to be permanently expelled for the second occurrence. Section 10 also requires a school to develop and implement a reentry plan based on restorative justice practices following the first occurrence.]~~ **a public school is prohibited, in general, from permanently expelling a pupil who is less than 11 years of age, except for certain situations in which such a punishment is authorized by the board of trustees of a school district. (NRS 392.466, 392.467) Section 10 provides that, for a pupil who sells or distributes a controlled substance in certain situations or commits a battery other than a battery intended to result in the bodily injury of an employee of the school in various school settings: (1) the pupil may be suspended if he or she is less than 11 years of age and may also be expelled or permanently expelled if he or she is at least 11 years of age; (2) the suspension of a pupil who is less than 6 years of age must be reviewed by the superintendent of the school district or his or her designee; and (3) if the removal is of a pupil with a disability, such removal must comply with federal law. Additionally, section 10 provides that, for a pupil who commits a battery which is intended to result in the bodily injury of an employee of the school: (1) the pupil shall be suspended or expelled if he or she is at least 8 years of age; (2) the suspension of a**

pupil who is less than 6 years of age must be reviewed and approved by the superintendent of the school district or his or her designee; and (3) if the removal is of a pupil with a disability, such removal must comply with federal law. Finally, section 10 provides that a pupil who is found in possession of a firearm at a public school or an activity or school bus of a public school: (1) shall be suspended, expelled or permanently expelled if he or she is at least 11 years of age; (2) shall be suspended or expelled if he or she is at least 8 but less than 11 years of age; (3) may be suspended if he or she is at least 6 but less than 8 years of age; (4) may be suspended if he or she is less than 6 years of age upon review and approval by the superintendent of the school district or his or her designee; and (5) if the pupil is a pupil with a disability, any removal of the pupil must comply with federal law. Sections 10 and 11 of this bill: (1) prohibit the permanent expulsion of a pupil who is less than 6 years of age; and (2) authorize a homeless pupil or a pupil in foster care of any age to be suspended or expelled for not more than 5 days if the principal determines that the conduct of the pupil poses an ongoing threat.

Existing law provides that a pupil may not be suspended or expelled unless the pupil is given the opportunity for a hearing. (NRS 392.467) **Section 11** removes the hearing requirement before suspension or expulsion for certain pupils who: (1) pose a danger to other persons or property; (2) threaten to disrupt the academic process; (3) are selling or distributing a controlled substance; or (4) are in possession of a firearm or other dangerous weapon.

Existing law provides certain requirements concerning the process for appealing a suspension or expulsion. (NRS 392.4671) **Section 12** of this bill makes these requirements applicable to significant suspensions, expulsions or permanent expulsions.

Existing law requires that, with certain exceptions, a public school must provide a plan of action based on restorative justice to a pupil before removing, suspending or expelling the pupil. (NRS 392.472) **Section 13** of this bill allows a pupil to be temporarily removed in certain circumstances without first providing such a plan.

Section 13.5 of this bill amends Assembly Bill No. 285 to resolve a conflict.

AN ACT relating to employment; creating the Board of Trustees of the Nevada Employee Savings Trust; prescribing the membership, powers, duties and limitations of the Board; authorizing the Board to create the Nevada Employee Savings Trust Program; prescribing certain required attributes of the Program; creating the Nevada Employee Savings Trust Administrative Fund and specifying the sources and uses of money deposited therein; creating the Nevada Employee Savings Trust and prescribing the manner of its administration; providing for the confidentiality of certain information; providing civil immunity to certain persons and entities in connection with the Program; making certain persons fiduciaries with respect to participants in the Program; prohibiting certain persons from engaging in certain financial transactions in connection with the Program; requiring the preparation and submission of certain annual reports; making an appropriation to the Office of the State Treasurer for costs related to the administration of the Program; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing federal law provides for individual retirement accounts and individual retirement annuities by which persons may save money for retirement under favorable income tax treatment. (26 U.S.C. §§ 408, 408A) This bill establishes the Nevada Employee Savings Trust under the direction of a board of trustees with the power to establish a similar program and to encourage private employees to establish such accounts.

Section 19 of this bill creates the Board of Trustees of the Nevada Employee Savings Trust and establishes its membership. **Section 20** of this bill establishes certain powers and duties of the Board. In particular, **section 20** authorizes and empowers the Board to: (1) design, establish and operate the Nevada Employee Savings Trust Program; and (2) adopt regulations, rules and procedures for the establishment and operation of the Program and to take such other actions necessary or desirable to establish and operate the Program.

Section 21 of this bill requires the State Treasurer to provide staff support to the Board within the limits of appropriations and authorizes the State Treasurer to provide administrative support to the Board.

Section 22 of this bill provides that an act or undertaking of the Board does not constitute a debt of the State of Nevada, or any political subdivision thereof, or a pledge of the full faith and credit of the State of Nevada, or of any political subdivision thereof, and is payable solely from the assets controlled by the Board. **Section 22** also prohibits the Board from imposing any obligations on the State or pledging the credit of the State.

Section 23 of this bill establishes certain attributes that the Board must include in the Program, including: (1) that covered employers must automatically enroll all covered employees in the Program or in a similar program offered by a trade association or chamber of commerce, unless a covered employee opts out of the Program or, if applicable, the similar program offered by a trade association or chamber of commerce; (2) that contributions to a covered employee's Individual Retirement Account must be withheld from the employee's compensation at the rate set by the Board unless the employee elects not to contribute or to contribute at a different rate; (3) that a covered employee may withdraw contributions to meet a financial or other emergency; and (4) that the Board must prepare informational materials, disclosure statements, forms and instructions concerning the Program for distribution by covered employers to covered employees.

Section 24 of this bill creates the Nevada Employee Savings Trust Administrative Fund in the State Treasury, specifies the sources of money that must be deposited in the Fund and requires the Board to use money in the Fund solely to pay the administrative costs and expenses of the Board and the Program.

Section 25 of this bill authorizes the Board to borrow money or enter into certain long-term procurement contracts with financial providers until the Board determines that the Program is financially self-sustaining.

Section 26 of this bill creates the Nevada Employee Savings Trust as an instrumentality of the State and requires the Board to appoint a Trustee of the Trust. **Section 26** requires that the assets of all Individual Retirement Accounts established by covered employees through the Program be allocated to the Trust and invested, managed and administered for the exclusive purposes of providing benefits to the covered employees and defraying the reasonable expenses of the Board, Program and Trust. **Section 26** also establishes certain investment guidelines and practices.

Section 27 of this bill provides that, except to the extent necessary to administer the Program, personal information relating to individual participants in the Program and information relating to individual accounts established or maintained through the Program is confidential and must be maintained as confidential, unless the person who provides the information or is the subject of the information expressly agrees in writing to the disclosure of the information.

Section 28 of this bill provides a grant of immunity from civil liability to covered employers for the consequences of various decisions made by employees or the Board in connection with the Program, including, for example, an employee's decision to participate in or opt out of the Program, an investment decision made by the participant or the Board or a loss, failure to realize a gain or other adverse consequence incurred by a person as a result of participating in the Program. **Section 28** also provides that a covered employer or other employer must not be deemed to be a fiduciary in relation to the Program.

Section 29 of this bill absolves the State and any employee or officer thereof, the Board and any member of the Board or employee thereof and the Program from any responsibility or civil liability for the actions of certain other persons in connection with the Program, including, for example, a person's failure to comply with provisions of the Internal Revenue Code, the payment of benefits or a loss, failure to realize a gain or other adverse consequence incurred by a person as a result of participating in the Program. **Section 29** also provides that the debts, contracts and obligations of the Board, Program or Trust are not the debts, contracts and obligations of the State, and neither the faith and credit nor the taxing power of the State is pledged directly or indirectly to the payment of the debts, contracts and obligations of the Board, Program or Trust.

Section 30 of this bill provides that members of the Board, the Trustee and certain other persons involved in the administration of the Trust are fiduciaries with respect to the participants in the Program.

Section 31 of this bill prohibits members of the Board, its staff and persons who serve as administrators of the Program from engaging in certain financial transactions in connection with the Program.

Section 32 of this bill requires the Board to obtain an annual independent audit of the Board, Program and Trust and to annually submit audited financial reports to the Governor, State Controller and Legislature.

Section 35 of this bill requires, with certain exceptions, the Board to establish the Program and implement its provisions so that covered employees are able to make contributions to an Individual Retirement Account through the Program beginning on July 1, 2025. **Section 35** further authorizes the Board to implement the Program in phases but if the Board does so, the first phase must not begin before July 1, 2025.

Section 34.5 of this bill makes an appropriation to the Office of the State Treasurer for costs related to the administration of the Program.

6. The Board, in consultation with such third-party professional investment advisers, managers or consultants as it may retain, shall select the underlying investments of each investment fund. Such underlying investments may include, without limitation, shares of mutual funds and exchange-traded funds, publicly traded equity and fixed-income securities and other investments available for investment by the Trust. 9. The assets of the Trust must at all times be preserved, invested and expended solely for the purposes of the Trust and no property rights therein shall exist in favor of the State or any covered employer. Trust assets must not be transferred or used by the State for any purposes other than the purposes of the Trust or paying the expenses of operating the Program.

Amounts deposited with the Trustee do not constitute property of the State and must not be commingled with state money and the State has no claim to or against, or interest in, the assets of the Trust.

10. The assets of the Trust must at all times be held separate and apart from the assets of the State. The State, Program, Board, any member of the Board or any covered employer shall not guaranty any investment, rate of return, or interest on amounts held in the Trust, an investment fund or any Individual Retirement Account. The State, Program, Board, any member of the Board or any covered employer is not liable for any losses incurred by Trust investments or otherwise by any covered employee or other person as a result of participating in the Program.

2. A covered employer or other employer must not be deemed to be a fiduciary in relation to the Program.

Sec. 29. *1. The State and any employee or officer thereof, the Board and any member of the Board or employee thereof and the Program:*

2. Each fiduciary shall discharge its duties with respect to the Program solely in the interests of covered employees and with the care, skill, prudence and diligence under the circumstances then prevailing that a prudent person acting in a like capacity and familiar with those matters would use in the conduct of an enterprise of like character and aims.

Sec. 31. *A member of the Board and a person who serves on the staff of the Board or as an administrator of the Program shall not:*

1. Directly or indirectly have any interest in the making of any investment under the Program or in any gains or profits accruing from such an investment;

This section does not supersede or in any manner affect the federal laws governing copyrights or enlarge, diminish or affect in any other manner the rights of a person in any written book or record which is copyrighted pursuant to federal law.

2. A governmental entity may not reject a book or record which is copyrighted solely because it is copyrighted.

3. A governmental entity that has legal custody or control of a public book or record shall not deny a request made pursuant to subsection 1 to inspect or copy or receive a copy of a public book or record on the basis that the requested public book or record contains information that is confidential if the governmental entity can redact, delete, conceal or separate, including, without limitation, electronically, the confidential information from the information included in the public book or record that is not otherwise confidential.

5. An officer, employee or agent of a governmental entity who has legal custody or control of a public record:

(a) Shall not refuse to provide a copy of that public record in the medium that is requested because the officer, employee or agent has already prepared or would prefer to provide the copy in a different medium.

3. Any balance of the sums appropriated by subsection 1 remaining at the end of the respective fiscal years must not be committed for expenditure after June 30 of the respective fiscal years by the entity to which the appropriation is made or any entity to which money from the appropriation is granted or otherwise transferred in any manner, and any portion of the appropriated money remaining must not be spent for any purpose after September 20, 2024, and September 19, 2025, respectively, by either the entity to which the money was appropriated or the entity to which the money was subsequently granted or transferred, and must be reverted to the State General Fund on or before September 20, 2024, and September 19, 2025, respectively.

2. If the Board implements the Program in phases pursuant to this subsection, the first phase must not begin before July 1, 2025.

3. The Board shall not implement the Program if, and to the extent that, it determines that the Program is preempted by the Employee Retirement Income Security Act of 1974, 29 U.S.C. §§ 1001 et seq. If the Board determines that

4. The Board shall not implement a provision of the Program that authorizes an arrangement by which an employer facilitates access for an employee to contribute to an Individual Retirement Account by means of payroll deduction if the Board determines that the arrangement is an employee pension benefit plan within the meaning of section 3(2) of the Employee Retirement Income Security Act of 1974, 29 U.S.C. § 1002(2).

Sec. 36. As soon as practicable on or after the effective date of this section, the Governor, Majority Leader of the Senate and Speaker of the Assembly shall appoint the members of the Board of Trustees of the Nevada Employee Savings Trust pursuant to section 19 of this act.

THE ONE HUNDRED AND SIXTEENTH DAY

CARSON CITY (Thursday), June 1, 2023

Assembly called to order at 1:14 p.m.

Mr. Speaker presiding.

Roll called.

All present.

Prayer by the Chaplain, Reverend Sean Savoy.

Before reading the familiar lines, I ask each of you to take a moment in silence to be reminded of your calling, of the mandate to the people–individually and as a whole–of the great state of Nevada. I ask you as you listen to the prayer to imagine yourself as the person reading the words, invoking the Creator to imbue you with the faculties of heart and mind and with the conscience, compassion, and charity to embody a person of high nature to fulfill your most sacred duties and obligations.

Let us pray.

> Lord, make me an instrument of Your peace; where there is hatred, let me sow love; where there is injury, pardon; where there is doubt, faith; where there is despair, hope; where there is darkness, light; where there is sadness, joy.
>
> O divine Master, grant that I may not so much seek to be consoled as to console, to be understood as to understand, to be loved as to love. For it is in giving that we receive, it is in pardoning that we are pardoned, and it is in dying that we are born to eternal life.

AMEN.

Pledge of Allegiance to the Flag.

Assemblywoman Jauregui moved that further reading of the Journal be dispensed with and the Speaker and Chief Clerk be authorized to make the necessary corrections and additions.

Motion carried.

GENERAL FILE AND THIRD READING

Assembly Bill No. 137.

Bill read third time.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 819.

AN ACT relating to fetal alcohol spectrum disorders; making certain provisions applicable to fetal alcohol spectrum disorders; requiring the Medicaid program to provide coverage of certain services to persons with fetal alcohol spectrum disorders; providing that fetal alcohol spectrum disorder is a developmental disability; **making an appropriation and authorizing certain expenditures;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Advisory Board on Maternal and Child Health, the Division of Public and Behavioral Health of the Department of Health and Human Services and the University of Nevada School of Medicine to take certain actions to monitor, prevent, identify and treat fetal alcohol syndrome.

(NRS 442.137, 442.385, 442.390, 442.420) Existing law also provides that, if a pregnant woman is referred to the Division by a provider of health care or other services for information relating to programs for the prevention and treatment of fetal alcohol syndrome, any report relating to the referral or other associated documentation is confidential and not to be used in any criminal prosecution of the woman. (NRS 442.395) **Sections 2-6** of this bill expand the applicability of those provisions to apply to all fetal alcohol spectrum disorders. **Section 1** of this bill defines the term "fetal alcohol spectrum disorder" for the purposes of provisions relating to maternal and child health to mean a continuum of birth defects caused by maternal consumption of alcohol during pregnancy.

Existing law requires the Department to administer Medicaid. (NRS 422.270) **Section 6.7** of this bill requires the Director of the Department, to the extent that federal financial participation is available, to include under Medicaid coverage for certain supports and services provided to recipients of Medicaid with fetal alcohol spectrum disorders. **Section 6.7** also authorizes the Department to apply to the Federal Government for any waiver granted pursuant to federal law or amendment necessary to the State Plan for Medicaid to receive federal funding to include such coverage in the State Plan. **Section 6.3** of this bill makes a conforming change to indicate that the provisions of **section 6.7** will be administered in the same manner as the provisions of existing law governing Medicaid. **Section 7.5 of this bill makes an appropriation to the Division of Health Care Financing and Policy of the Department of Health and Human Services and authorizes certain related expenditures to carry out the provisions of section 6.7.**

Existing law defines "developmental disability" for the purpose of provisions governing services for persons with developmental disabilities as a neurological condition that manifests before a person attains the age of 22 years, is likely to continue indefinitely and results in substantial functional limitations. (NRS 435.007) **Section 7** of this bill provides that a fetal alcohol spectrum disorder is a developmental disability.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 839.

AN ACT relating to disabilities; requiring a provider of jobs and day training services to develop a plan to transition persons earning less than the state minimum wage to earning at least the state minimum wage or pursuing other services and assisting such persons to participate in certain activities; requiring a provider of jobs and day training services to submit a report relating to such

a plan to the Aging and Disability Services Division of the Department of Health and Human Services; authorizing a recipient of jobs and day training services to have an advocate present at certain meetings; prohibiting any person from paying less than the state minimum wage to a person with an intellectual disability or developmental disability after a certain date; providing for the inclusion under Medicaid of certain services to assist such a person in pursuing competitive integrated employment; requiring the Department to seek a waiver of certain federal requirements governing the compensation of a recipient of prevocational services under Medicaid; **making an appropriation and authorizing certain expenditures;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing state and federal law authorize a provider of jobs and day training services to enter into a contract or other arrangement with an employer to provide for the employment of a person with an intellectual disability or person with a developmental disability for less than the state minimum wage if: (1) the person was employed on July 22, 2016, and the employer holds a federal certification authorizing the employer to pay less than the state minimum wage; or (2) before the person began employment, the person received certain employment-related services and applied for federal vocational rehabilitation services. (29 U.S.C. § 794g; NRS 435.305) Existing federal law authorizes an employer to request a special certificate to employ a person impaired by age, physical or mental deficiency or injury at wages less than minimum wage. (29 U.S.C. § 214(c))

Section 8 of this bill prohibits a provider of jobs and day training services from entering into a contract that provides for a recipient of jobs and day training services to receive a wage that is less than the state minimum wage on or after January 1, 2025. **Sections 6 and 7** of this bill make conforming changes to remove references to such contracts. **Sections 9, 13 and 14** of this bill prohibit the payment of a wage that is less than the state minimum wage to a recipient of jobs and day training services on or after January 1, 2028. **Section 12** of this bill prohibits a person from employing a person under a special certificate at less than minimum wage on or after that date. **Section 3** of this bill requires a provider of jobs and day training services that holds a special certificate to annually submit to the Aging and Disability Services Division of the Department of Health and Human Services for approval a plan to: (1) transition the recipient earning less than the state minimum wage to earning at least the state minimum wage by January 1, 2028, or in obtaining competitive integrated employment, supported employment or community activities related to the goals of the person; and (2) assist the recipient in participating in unpaid activities that are not related to employment. **Section 3** requires the plan submitted by a provider of jobs and day training services to be accompanied by a report that includes certain benchmarks showing the progress the provider is making toward transitioning a recipient of jobs and

day training services who is earning less than the state minimum wage to earning at least the state minimum wage.

Section 4 of this bill: (1) authorizes a person with a disability who is earning less than the state minimum wage to choose a person to advocate on his or her behalf at any meeting concerning employment with his or her employer or a member of the staff of a provider of jobs and day training services; and (2) requires the Division, upon the request of such a person, to assist the person in finding such an advocate. **Section 2** of this bill defines the term "competitive integrated employment" and **sections 5, 8 and 9** of this bill make conforming changes to indicate the proper placement of **sections 2-4** in the Nevada Revised Statutes.

Federal law authorizes states to receive federal financial participation to support the provision of certain home and community-based services, including habilitation services, for recipients of Medicaid who are elderly or disabled. (42 U.SC. § 1396n(i)) Existing law requires the Department to apply to the Secretary of Health and Human Services for a waiver that provides such federal authorization. (NRS 422.396) **Section 11** of this bill requires the Department to amend its waiver to: (1) include as medical assistance under Medicaid certain habilitation services that are designed to provide persons assistance in pursuing competitive integrated employment; and (2) authorize the compensation of a recipient of Medicaid who is receiving prevocational services at a rate equal to or greater than the state minimum wage. **Section 11** also requires the Department to adopt necessary regulations to carry out the provisions of **section 11**. **Section 10** of this bill makes a conforming change to indicate the proper placement of **section 11** in the Nevada Revised Statutes.

Section 12.5 of this bill makes an appropriation to and authorizes certain expenditures by the Aging and Disability Services Division of the Department of Health and Human Services for certain Medicaid benefit counseling services to assist persons with an intellectual disability or persons with a developmental disability.

Bill read third time.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 873.

AN ACT relating to health care; prohibiting a governmental entity from substantially burdening certain activity relating to reproductive health services under certain circumstances; authorizing a person whose engagement in such activity has been so burdened to assert the violation as a claim or defense in a judicial proceeding; authorizing a court to award damages against a governmental entity that substantially burdens such activity in certain circumstances; expanding required coverage of contraception under the State Plan for Medicaid; **making appropriations to and authorizing expenditures by the Division of Health Care Financing and Policy of the Department of Health and Human Services;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law prescribes certain rights for a patient of a medical facility or a facility for the dependent. (NRS 449A.100-449A.124) **Sections 2-7** of this bill establish the Right to Reproductive Health Care Act. **Sections 4-5.5** of this bill define certain terms for purposes of the Act. **Section 6** of this bill applies the provisions of the Act to certain state laws and all local laws and ordinances and the implementation of those laws and ordinances, regardless of when those laws or ordinances were enacted. **Section 7** of this bill generally prohibits a governmental entity from enacting or implementing any limitation or requirement that singles out reproductive health services and substantially burdens: (1) the access of a person to reproductive health services, drugs or

devices related to reproductive health services or information related to reproductive health services; or (2) the ability of a provider of health care to provide reproductive health services, drugs or devices related to reproductive health services or information related to reproductive health services within his or her scope of practice, training and experience. **Section 7** creates an exception to such prohibitions if the governmental entity demonstrates by clear and convincing evidence that the burden, as applied to the person or provider of health care who is subject to the burden: (1) furthers a compelling interest; and (2) is the least restrictive means of furthering that interest. **Section 7** authorizes a person whose ability to obtain or provide reproductive health services, drugs or devices related to reproductive health services or information related to reproductive health services is burdened to bring or defend an action in court and obtain appropriate relief. **Section 7** requires a court to award costs and attorney's fees to a person who prevails on such a claim.

Existing law requires the State Plan for Medicaid to include coverage for certain contraceptive drugs and devices, including: (1) up to a 12-month supply of contraceptive drugs; (2) certain devices for contraception; and (3) voluntary sterilization for women. (NRS 422.27172) **Section 8** of this bill additionally requires the State Plan for Medicaid to cover: (1) voluntary sterilization for men; (2) clinical services relating to covered contraceptive drugs, devices and services; and (3) ~~[a portion of]~~ the cost of language translation services provided to facilitate the provision of covered contraceptive drugs, devices and services. **Section 8 requires the Division of Health Care Financing and Policy of the Department of Health and Human Services to develop a methodology establishing a rate of compensation for such translation services that is cost effective and comparable to the rate paid for translation services by other governmental entities that arrange for the provision of such services.** **Section 8** also requires the State Plan to: (1) cover certain contraceptive services when provided by any provider of health care for whom the services are within his or her scope of practice, training and experience; (2) reimburse a provider of health care, other than a physician, physician assistant or advanced practice registered nurse, for providing such services at a rate that is not less than the rate provided to a physician, physician assistant or advanced practice registered nurse; and (3) cover such services regardless of whether the services are provided in an inpatient or outpatient setting.

Section 20.5 of this bill makes appropriations to, and authorizes expenditures by, the Division for costs of providing Medicaid coverage for translation services and certain other purposes.
