Sec. 5.5. NRS 100.085 is hereby amended to read as follows:

100.085 1. When a deposit has been made in the name of the depositor and one or more other persons, and in a form intended to be paid or delivered to any one of them, or the survivor or survivors of them, the deposit is the

property of the persons as joint tenants. If an account is intended to be held in joint tenancy, the account or proceeds from the account are owned by the persons named, and may be paid or delivered to any of them during the lifetime of all, or to the survivor or survivors of them after the death of less than all of the tenants, or the last of them to survive, and payment or delivery is a valid and sufficient release and discharge of the depository.

2. The making of a deposit in the form of a joint tenancy vests title to the deposit in the survivor or survivors.

3. When a deposit has been made in the name of the depositor and one or more other persons, and in a form to be paid or delivered to the survivor or survivors of them, but one or more of the other persons is not authorized to withdraw from the deposit during the life of the depositor or depositors, the person or persons so restricted have no present interest in the deposit, but upon the death of the last depositor entitled to withdraw, the deposit is presumed to belong to the survivor or survivors. Unless written notice of a claim against the deposit has been given by a survivor or a third person before payment or delivery, payment or delivery to a survivor is a valid and sufficient release and discharge of the depository.

4. For the purposes of this section, unless a depositor specifically provides otherwise, the use by the depositor of any of the following words or terms in designating the ownership of an account indicates the intent of the depositor that the account be held in joint tenancy:

(a) Joint;

(b) Joint account;

(c) Jointly held;

(d) Joint tenants;

(e) Joint tenancy; or

(f) Joint tenants with right of survivorship.

5. As set forth in section 1 of this act, the mere fact that an account of an older person or a vulnerable person is held in joint tenancy pursuant to this section does not, in and of itself, convey to all persons named on the account legal ownership of the account and the deposits and proceeds of the account in a manner that would preclude such a person from committing or being prosecuted for exploitation involving the control or conversion of any deposits or proceeds of the account if the facts and circumstances demonstrate that exploitation has occurred, regardless of whether the intent to commit exploitation arose before, during or after the creation of the account.

6. As used in this section:

(a) "Exploitation" has the meaning ascribed to it in NRS 200.5092.

(b) "Older person" has the meaning ascribed to it in NRS 200.5092.

(c) "Vulnerable person" has the meaning ascribed to in NRS 200.5092.

Sec. 6. NRS 162C.330 is hereby amended to read as follows:

162C.330 1. The provisions of this chapter must not be construed to affect the requirement of any person to report the abuse, neglect, exploitation,

isolation or abandonment of an older person or a vulnerable person as provided in NRS 200.5091 to 200.50995, inclusive ~~[.]~~ ***, and section 1 of this act.***

2. As used in this section, the words and terms defined in NRS 200.5091 to 200.50995, inclusive, ***and section 1 of this act*** have the meanings ascribed to them in those sections.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 632.

AN ACT relating to the Judicial Department of State Government; making various changes relating to the policies and procedures of the Judicial Department; authorizing a judge to hold court by means of remote communication in certain circumstances; requiring the Nevada Supreme Court to prescribe certain policies and procedures relating to the Judicial Department by rule; authorizing a judge or justice of the peace to have a partner or associate who practices law in this State under certain circumstances; revising the duties of the Court Administrator; replacing the term "regulation" with "rule" for purposes of certain provisions of law relating to the Judicial Department; revising provisions relating to court interpreters; codifying in statute language from the Nevada Constitution relating to the expiration of the term of office for a justice appointed to fill a vacancy on the Nevada Supreme Court; revising provisions concerning the provision of certain resources to the Supreme Court and the district courts; providing that certain orders for protection issued in another state are not subject to certain requirements to be given full faith and credit in this State; repealing obsolete provisions relating to the Judicial Department; repealing various provisions relating to court seals, qualifications of certain employees and reports; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires various courts in this State to follow certain policies and procedures. (Chapters 1-5 of NRS) **Section 1** of this bill replaces a requirement that the telephone number for the office of each judge be published in a telephone directory with a requirement that the contact information for the office of each judge be made available to the public. (NRS 1.055)

Existing law authorizes a judge to issue an order directing that court be held at a location other than the location at which the judge regularly holds court under certain specific emergency circumstances. (NRS 1.070) **Section 2** of this bill authorizes a judge to issue an order directing, instead, that court be held: (1) at any other place or location other than the place or location at which the judge regularly holds court under more generalized emergency circumstances;

and (2) by means of remote communication when necessary to promote the interest of justice. **Section 3** of this bill makes a conforming change relating to the appearance of parties by means of remote communication if a judge issues an order directing that court be held remotely.

Section 4 of this bill removes an obsolete prohibition against excluding a minor who is a law student from a criminal trial.

Existing law authorizes: (1) the Nevada Supreme Court to adopt rules relating to the electronic filing, storage and reproduction of documents filed with the court of justice in this State; and (2) each court of justice to provide for such filing, storage and documentation in accordance with the rules adopted by the Supreme Court. (NRS 1.117) **Section 5** of this bill instead requires the Supreme Court to adopt such rules and removes the explicit statutory authorization for other courts of justice in this State to provide for such filing, storage and documentation in accordance with such rules.

Existing law authorizes certain courts to conduct business on nonjudicial days for the purpose of receiving telephone calls relating to the issuance of certain orders for protection. (NRS 1.130) **Section 6** of this bill expands the purposes for which such courts are authorized to transact business on nonjudicial days by authorizing the courts to conduct business on nonjudicial days for the purposes of receiving any electronic communication relating to the issuance of a temporary or emergency order for protection. **Section 31** of this bill makes conforming changes related to the granting of such an order.

Existing law requires each court of justice to have a seal and prescribes requirements relating to the custody and use of such seals. (NRS 1.140-1.190) **Section 37** of this bill repeals various provisions which prescribe requirements relating to seals. **Section 7** of this bill instead requires: (1) each court of justice in this State to have a seal; and (2) the Nevada Supreme Court to adopt rules relating to the format, use and storage of such seals.

Existing law prescribes a procedure for disqualifying certain judges for actual or implied bias or prejudice and requires any party to an action or proceeding pending in certain courts who seeks to disqualify a judge for actual or implied bias or prejudice to: (1) file an affidavit specifying the facts upon which the disqualification is sought; and (2) if the party is represented by an attorney, have the attorney of record file a certificate which states that the affidavit is filed in good faith and not interposed for delay. (NRS 1.235) **Section 8** of this bill: (1) removes the requirement that an attorney must file such a certificate and instead requires any party, regardless of whether the party is represented by an attorney, to file an affidavit that includes certain statements supporting the assertion that the affidavit is filed in good faith.

Existing law prohibits a judge or justice of the peace from having a partner acting as an attorney or counsel in any court in this State. (NRS 1.270) **Section 8.5** of this bill additionally prohibits a judge or justice of the peace from having an associate acting as an attorney under the same circumstances. **Section 8.5** creates an exception to these prohibitions for part-time judges under certain circumstances.

Existing law requires the Nevada Supreme Court to appoint a Court Administrator and prescribes the duties of the Court Administrator. (NRS 1.330, 1.360) **Section 9** of this bill removes from the duties of the Court Administrator the duty to: (1) examine the condition of the dockets of the courts; and (2) make certain recommendations relating to the assignment of district judges.

Existing law provides for the adoption of regulations by the Commission on Judicial Selection, the Court Administrator, the Nevada Supreme Court and certain chief judges or justices relating to the Judicial Department of State Government. (NRS 1.400, 1.510, 1.520, 2.410, 3.025, 4.155, 4.157, 5.021) In general, existing law requires regulations adopted by agencies of the Executive Department of the State Government to be adopted through a rulemaking process. (Chapter 233B of NRS) **Sections 10, 12-15, 25, 26, 28-30 and 32-34** of this bill replace the term "regulation" with the term "rule" and make conforming changes related to this change.

Section 11 of this bill revises provisions governing the compensation of court interpreters and translators.

Existing law requires the Chief Justice of the Nevada Supreme Court to appoint a committee to provide certain advice relating to the certification or registration of court interpreters. Existing law also prescribes the membership and duties of the committee. (NRS 1.530) **Section 14** of this bill removes requirements relating to the appointment of certain members of the committee. **Section 14** also: (1) authorizes the chair of the committee to designate a vice chair of the committee; and (2) revises the contents of the annual report the committee is required to submit to the Legislature.

Section 16 of this bill replaces certain requirements prescribed by existing law relating to the process by which a person may petition the Court Administrator to determine whether his or her criminal history will disqualify him or her from obtaining a certificate or registration as a court interpreter with a requirement that the Court Administrator adopt rules for this process.

Existing law codifies in statute certain provisions relating to the process set forth in the Nevada Constitution regarding the filling of vacancies in the office of justice of the Nevada Supreme Court. (Nev. Const. Art. 6, § 20; NRS 2.040) **Section 17** of this bill additionally codifies in statute the date on which the term of office for a justice appointed to fill a vacancy on the Court expires. **Section 18** of this bill removes a requirement that certain rules adopted by the Court be published and take effect within a prescribed period. (NRS 2.120)

Sections 19 and 27 of this bill revise and modernize statutory language relating to: (1) the circumstances under which certain courts may direct the sheriff of a county to provide a place to conduct court; and (2) the resources a county is required to provide upon receiving such a directive.

Section 20 of this bill removes provisions relating to the use of a facsimile signature by a justice of the Nevada Supreme Court and replaces those provisions with a requirement that the Court provide by rule for the use of a digital or electronic signature by each justice of the Court.

Existing law authorizes or requires the Nevada Supreme Court to employ certain officers and employees. (NRS 2.200-2.310) **Section 24** of this bill revises provisions relating to the employment by the Court of certain employees by: (1) removing language authorizing a majority of justices of the Court to employ certain persons; and (2) authorizing the Court to employ personnel necessary for the operation, maintenance and improvement of the Court and the State Court System. **Section 21** of this bill removes outdated language relating to the expiration of the term of a person elected to the office of Clerk of the Nevada Supreme Court. **Sections 22 and 23** of this bill remove language authorizing a majority of justices to appoint and employ persons for the safety and security of the justices and employees of the Nevada Supreme Court.

Existing law authorizes a court to issue certain orders for protection against high-risk behavior. (NRS 33.500-33.670) Existing law additionally provides, under certain circumstances, that an order for protection against domestic violence which is issued by the court of another state, territory or Indian tribe within the United States is valid and must be accorded full faith and credit and enforced by the courts and law enforcement officers of this State as if it were issued by a court in this State. (NRS 33.085) **Section 30.5** of this bill similarly requires an order for protection against high-risk behavior which is issued by the court of another state, territory or Indian tribe within the United States to be accorded full faith and credit and enforced by the courts and law enforcement officers of this State.

Existing law requires five justices of the Nevada Supreme Court and each judge of the Court of Appeals, other than the initial three judges, to be elected. (NRS 281.010) **Section 35** of this bill removes the references to: (1) the specific number of justices on the Nevada Supreme Court; and (2) the initial judges appointed to the Court of Appeals.

Section 37 repeals various provisions of law relating to the Judicial Department, including provisions relating to the seals of certain courts, the qualifications of certain employees and the submission of certain reports.

(b) The adverse party was given reasonable notice and an opportunity to be heard before the order was issued or, in the case of an emergency order,

2. A law enforcement officer shall enforce an order for protection against high-risk behavior issued by a court of another state, territory or Indian tribe and shall make an arrest for a violation thereof in the same manner that a law enforcement officer would make an arrest for a violation of an emergency or extended order issued by a court of this State unless it is apparent to the officer that the order is not authentic on its face. (d) An examination of the totality of the circumstances concerning the existence of a valid and effective order for protection against high-risk behavior.

5. The fact that an order has not been registered or included in the Central Repository for Nevada Records of Criminal History or in any national crime information database is not grounds for a law enforcement officer to refuse to enforce the terms of the order unless it is apparent to the officer that the order is not authentic on its face.

6. A court shall only consider whether the act of domestic violence or the threat thereof satisfies the requirements of NRS 33.018 without considering any other factor in its determination to grant the temporary or extended order.

2. A temporary or extended order must not be granted to the applicant or the adverse party unless the applicant or the adverse party has requested the order and has filed a verified application that an act of domestic violence has occurred or there exists a threat of domestic violence. If the applicant reasonably believes that disclosing his or her address and contact information in the application would jeopardize his or her safety, the applicant may decline to disclose his or her address and contact information in the application. If the applicant declines to disclose his or her address and contact information in the application, then such information:

(a) Must be disclosed to the court and, for criminal justice purposes, to any other authorized agency of criminal justice to allow the agency of criminal justice to carry out any duty required pursuant to NRS 33.017 to 33.100, inclusive;

5. A hearing on an application for an extended order must be held within 45 days after the date on which the application for the extended order is filed. If the adverse party has not been served pursuant to NRS 33.060 or 33.065 and fails to appear at the hearing, the court may, upon a showing that law enforcement, after due diligence, has been unable to serve the adverse party or that the adverse party has sought to avoid service by concealment, set a date for a second hearing which must be held within 90 days after the date on which the first hearing was scheduled.

6. If the adverse party has not been served pursuant to NRS 33.060 or 33.065 and fails to appear on the date set for a second hearing on an application for an extended order pursuant to subsection 5, the court may, upon a showing that law enforcement, after due diligence, has been unable to serve the adverse party or that the adverse party has sought to avoid service by concealment, set

a date for a third hearing which must be held within 90 days after the date on which the second hearing was scheduled.

7. The court shall rule upon an application for a temporary order within 1 judicial day after it is filed.

8. If it appears to the satisfaction of the court from specific facts communicated by ~~[telephone]~~ ***electronic means*** to the court by an alleged victim that an act of domestic violence has occurred and the alleged perpetrator of the domestic violence has been arrested and is presently in custody pursuant to NRS 171.137, the court may grant a temporary order. Upon approval by the court, the signed order may be transmitted to the facility where the alleged perpetrator is in custody by electronic or telephonic transmission to a facsimile machine. If such an order is received by the facility holding the alleged perpetrator while the alleged perpetrator is still in custody, the order must be personally served by an authorized employee of the facility before the alleged perpetrator is released. The court shall mail a copy of each order issued pursuant to this subsection to the alleged victim named in the order and cause the original order to be filed with the court clerk on the first judicial day after it is issued.

9. In a county whose population is 52,000 or more, the court shall be available 24 hours a day, 7 days a week, including nonjudicial days and holidays, to receive ***electronic*** communications ~~[by telephone]~~ and for the issuance of a temporary order pursuant to subsection 8.

Senate Bill No. 82.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 623.

AN ACT relating to public works; revising provisions relating to the use of apprentices on public works; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires contractors or subcontractors engaged on public works to use one or more apprentices for a certain percentage of the total hours performed on a public work, depending on the number of workers employed on the public work, and to enter into an apprenticeship agreement for all apprentices so required. (NRS 338.01165) **Section 1** of this bill: (1) eliminates the threshold number of workers for the applicability of the requirements for using apprentices; (2) applies those requirements based on all public works performed by a contractor or subcontractor during a calendar year instead of based on each public work; and (3) limits the requirement to enter into an apprenticeship agreement to those contractors or subcontractors who are not signatories to a collective bargaining agreement with a sponsoring union.

Existing law: (1) sets forth a procedure that authorizes the Labor Commissioner, upon request by a public body, to grant a modification or waiver from the requirements for using apprentices upon a finding of good cause; and (2) defines the circumstances that constitute "good cause." (NRS 338.01165) **Section 1**: (1) eliminates that procedure; (2) requires a contractor or subcontractor to maintain and provide to the Labor Commissioner any supporting documentation to show that the contractor or subcontractor made a good faith effort to comply with the annual requirements to use one or more apprentices for a certain percentage of the total hours performed on public works; and (3) sets forth certain requirements for such supporting documentation.

Existing law provides that an apprentice who graduates from an apprenticeship program while employed on a public work is deemed to be an

apprentice on the public work for purposes of the requirements for using apprentices and a journeyman for certain purposes, including the payment of wages. (NRS 338.01165) **Section 1** expands the circumstances under which a person is treated as an apprentice for those requirements.

Section 1 also requires, on or before February 15 of each year, a contractor or subcontractor to submit certain information to the Labor Commissioner regarding the hours that were worked in a calendar year on vertical or horizontal construction for each apprenticed craft or type of work performed. **Section 2** of this bill requires that the first such annual report be submitted on or before February 15, 2025, and address calendar year 2024.

Finally, **section 1** sets forth a penalty schedule for violations of certain provisions relating to the requirements for a contractor or subcontractor to use one or more apprentices for a certain percentage of the total hours performed on a public work.

Senate Bill No. 104.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 634.

AN ACT relating to vehicles; revising provisions relating to certain traffic and related violations; revising provisions relating to the suspension of the driver's license of a person; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

During the 2021 Legislative Session, the Legislature enacted Assembly Bill No. 116 (A.B. 116), which established civil penalties for certain traffic and related violations and enacted procedures for the adjudication of such violations. (Assembly Bill No. 116, chapter 506, Statutes of Nevada 2021, at page 3297) The procedures for the adjudication of civil infractions prescribed by A.B. 116 were based, in part, on the procedures for the adjudication of criminal violations prescribed by chapter 176 of NRS.

During the 2021 Legislative Session, the Legislature also enacted Senate Bill No. 219 (S.B. 219), which revised certain statutory provisions upon which

the requirements prescribed by A.B. 116 were based by removing the authority of a court to suspend the driver's license of a defendant or prohibit a defendant from applying for a driver's license for a specified period as a result of any delinquent fine, administrative assessment, fee or restitution owed. (Senate Bill No. 219, chapter 505, Statutes of Nevada 2021, at page 3292)

Section 2 of this bill makes a technical change to align provisions relating to the adjudication of certain traffic and related civil infractions with the changes made by S.B. 219. Specifically, **section 2** removes the authority of a court to order the suspension of the driver's license of a person or prohibit a person from applying for a driver's license for a specified period as a result of a delinquent fine, administrative assessment or fee associated with a civil penalty imposed for a traffic or related violation. (NRS 484A.7047) **Section 1** of this bill makes a conforming change relating to the removal of the authority of a court to suspend the driver's license of a person pursuant to **section 2**.

Section 3 of this bill provides that if, on or after the effective date of this bill, a person is subject to a suspension of his or her driver's license or a delay in the issuance of a driver's license imposed for failure to pay a delinquent fine, administrative assessment or fee, the Department of Motor Vehicles must: (1) immediately reinstate the driver's license of the person or the ability of the person to apply for the issuance of a driver's license; and (2) notify the person, as soon as possible, of the reinstatement of his or her driver's license or ability to apply for the issuance of a driver's license. **Section 3** also provides that the Department may not charge any fee for such reinstatement of a driver's license or require a person to undergo any physical or mental examination to be eligible for such reinstatement of a driver's license.

Existing law prescribes the required contents of traffic citations and civil infraction citations. (NRS 484A.630, 484A.7035) **Sections 1.3 and 1.4** of this bill revise the required contents of such citations.

Existing law provides that the juvenile court has exclusive original jurisdiction over a child who is alleged to have committed an act designated as a delinquent act, unless an exception applies. (NRS 62B.330, 62B.390) Under existing law, certain offenses are not considered delinquent acts and are therefore excluded from the jurisdiction of the juvenile court. (NRS 62B.330) Section 2.76 of this bill provides that violations of law that are punishable as civil infractions are not considered delinquent acts and are therefore excluded from the jurisdiction of the juvenile court. Existing law grants justice courts and municipal courts jurisdiction to hear and dispose of violations of law that are punishable as civil infractions. (NRS 4.370, 5.050) Therefore, section 2.76 clarifies that justice courts and municipal courts have jurisdiction to hear and dispose of violations of law that are punishable as civil infractions, regardless of the age of the person alleged to have committed the violation.

Existing law authorizes a peace officer to request the electronic mail address and mobile telephone number of a person to whom a traffic citation is issued for the purpose of enabling the court in which the person is required to

appear to communicate with the person. (NRS 484A.630) **Section 1.4** similarly authorizes a peace officer to request the electronic mail address and mobile telephone number of a person to whom a civil infraction citation is issued for the same purpose.

Existing law requires a court to send certain notice to a person who receives a civil infraction citation. (NRS 484A.704) **Section 1.6** of this bill requires this notice to include certain information regarding any online program of dispute resolution established by the court.

Existing law: (1) authorizes certain courts and traffic violations bureaus to establish a system through which certain persons may perform certain actions related to a traffic citation or civil infraction citation; and (2) prescribes certain requirements relating to any such system. (NRS 484A.615) **Section 1.2** of this bill additionally requires any such system to be capable of allowing certain persons to submit the state registration number of the vehicle the person was driving when the citation was issued.

Existing law requires a person who receives a civil infraction citation to respond to the citation within 90 days after the date on which the citation is issued. **Section 1.6** instead requires such a person to respond to the citation within 90 days after the date on which the citation is issued or filed with the court, whichever is later. **Section 1.4** makes a conforming change relating to the revised deadline set forth in **section 1.6**.

Under existing law, if a person receiving a civil infraction citation does not contest the determination that the person has committed the civil infraction set forth in the citation, the person must respond to the citation by: (1) indicating that the person does not contest the determination; and (2) submitting full payment of the monetary penalty specified in the citation. (NRS 484A.704) **Section 1.6** revises this requirement by authorizing such a person to request that the court waive or reduce the monetary penalty specified in the citation or enter into a payment plan with the person in lieu of requiring the person to submit full payment of the monetary penalty specified in the citation. **Section 1.8** of this bill authorizes the court to waive or reduce the monetary penalty or enter into a payment plan with a person who submits a request pursuant to **section 1.6** under certain circumstances.

Existing law establishes the procedures for a hearing at which a person may contest whether the person committed a violation set forth in a civil infraction citation and generally requires the person to post a bond in an amount equal to the monetary penalty, administrative assessments and fees specified in the civil infraction citation or alternatively deposit such an amount in cash with the court. (NRS 484A.7041) Section 1.7 of this bill revises this requirement to instead require the person to post a bond equal to $50 or the amount of the monetary penalty, administrative assessments and fees specified in the civil infraction citation, whichever is less, or alternatively deposit such an amount in cash with the court. Under existing law, any bond posted or cash deposited with the court must be forfeited upon the court's finding that the person committed a civil

infraction. (NRS 484A.7041) Section 1.7 requires the court to enter a default judgment against the person for any amount remaining unsatisfied.

Existing law authorizes a court having jurisdiction over a civil infraction to reduce any moving violation for which a person was issued a civil infraction citation to a nonmoving violation if the court determines that any circumstances warrant such a reduction. (NRS 484A.7043) Section 1.8 clarifies that the court is not required to hold a hearing before reducing a moving violation to a nonmoving violation.

Under existing law, any civil penalty assessed against a person who is found to have committed a civil infraction must be paid to: (1) the treasurer of the city in which the civil infraction occurred; or (2) if the civil infraction did not occur in a city, the treasurer of the county in which the civil infraction occurred. (NRS 484A.7043) **Section 1.8** instead requires any such civil penalty to be paid to the treasurer of the city or county, as applicable, in which the civil infraction citation was filed.

Existing law: (1) authorizes a prosecuting attorney to elect to treat certain traffic and related offenses that are punishable as a misdemeanor instead as a civil infraction; and (2) provides a procedure for making such an election. Pursuant to this procedure, existing law requires the prosecuting attorney to make the election on or before the time scheduled for the first appearance of the defendant. (NRS 484A.7049) **Section 2.2** of this bill: (1) authorizes the prosecuting attorney to make the election at any time before the court enters a judgment of conviction; and (2) eliminates certain procedural requirements relating to making such an election. **Section 2.2** also authorizes the district attorney or city attorney of any county or city, respectively, to authorize a traffic enforcement agency over whom the district attorney or city attorney has jurisdiction to elect to treat certain traffic and related offenses that are punishable as a misdemeanor instead as a civil infraction.

Existing law authorizes a peace officer to arrest a person without a warrant if the peace officer has reasonable cause for believing that the person has committed homicide by vehicle, certain offenses involving driving under the influence and certain other traffic and related offenses. (NRS 484A.710) **Section 2.6** of this bill authorizes a peace officer who has reasonable cause for believing that a person has committed a violation for which existing law authorizes the peace officer to arrest a person to also arrest the person without a warrant for an offense that is punishable as a civil infraction. **Section 2.4** of this bill makes a conforming change relating to arrests authorized by **section 2.6**.

Existing law provides certain persons with immunity from liability for certain acts or omissions under certain circumstances. (Chapter 41 of NRS) **Section 2.7** of this bill provides that a prosecuting attorney who prosecutes a person charged with a civil infraction or a violation of a traffic ordinance that is punishable by the imposition of a civil penalty is immune from liability to the same extent as a prosecuting attorney who prosecutes a person charged

with violating a criminal law of this State. **Sections 2.72 and 2.74** of this bill make conforming changes to indicate the proper placement of **section 2.7** in the Nevada Revised Statutes.

Section 2.8 of this bill authorizes a board of county commissioners to provide by ordinance that a violation of a traffic ordinance enacted by the board imposes a civil penalty instead of a criminal sanction.

Section 2.9 of this bill requires the Department of Public Safety, in consultation with law enforcement agencies and courts of this State, to: (1) study best practices for developing and implementing a standardized, statewide uniform civil infraction citation; and (2) submit its findings and recommendations for legislation to the Joint Interim Standing Committee on the Judiciary. **Section 2.95** of this bill requires justice courts and municipal courts, on or before January 1, 2024, to adopt rules governing the practice and procedure for setting aside a default judgment in an action relating to a civil infraction.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 483.443 is hereby amended to read as follows:

483.443 1. The Department shall, upon receiving notification from a district attorney or other public agency collecting support for children pursuant to NRS 425.510 that a court has determined that a person:

Sec. 1.2. NRS 484A.615 is hereby amended to read as follows:

484A.615 1. A court having jurisdiction over an offense for which a traffic citation must be issued pursuant to NRS 484A.630 or that is punishable as a civil infraction pursuant to NRS 484A.703 to 484A.705, inclusive, or its traffic violations bureau may establish a system by which, except as otherwise provided in subsection 6, the court or traffic violations bureau may allow:

(a) A person who has been issued a traffic citation or a civil infraction citation that is filed with the court or traffic violations bureau to perform certain actions approved by the court or traffic violations bureau, including, without limitation, to make a plea and state his or her defense or, if authorized, any mitigating circumstances, by mail, by electronic mail, over the Internet or by other electronic means.

2. Except as otherwise provided in subsection 6, if a court or traffic violations bureau has established a system pursuant to subsection 1, the court or traffic violations bureau may allow:

3. Any plea or statement submitted through the system by a person or peace officer pursuant to subsection 2 must be received by the court before the date on which the person is required to appear in court pursuant to the traffic citation or civil infraction citation.

4. If a court or traffic violations bureau allows an eligible person to whom a traffic citation or civil infraction citation is issued to use a system established pursuant to subsection 1 to make a plea and state his or her defense or, if authorized, any mitigating circumstances and the person chooses to make a plea and state his or her defense or any mitigating circumstances by using such a system, the person waives any relevant constitutional right, including, without limitation, the right to a trial, the right to confront any witnesses and the right to counsel, as applicable.

5. Any system established pursuant to subsection 1 must:

(a) For the purpose of authenticating that the person making the plea and statement of his or her defense or any mitigating circumstances or performing any other approved action is the person to whom the traffic citation or civil infraction citation was issued, be capable of requiring the person to submit any of the following information, as applicable, at the discretion of the court or traffic violations bureau:

Sec. 1.3. NRS 484A.630 is hereby amended to read as follows:

484A.630 1. Whenever a person is halted by a peace officer for any violation of chapters 484A to 484E, inclusive, of NRS and is not taken before a magistrate as required or permitted by NRS 484A.720 and 484A.730, the peace officer must prepare a traffic citation manually or electronically in the form of a complaint issuing in the name of "The State of Nevada," containing a notice to appear in court, the name and address of the person, the state registration number of the ~~[person's]~~ vehicle ~~[,]~~ ***the person was driving when the citation was issued,*** if any, the number of the person's driver's license, if any, the offense charged, including a brief description of the offense and the NRS citation, the time and place when and where the person is required to appear in court, and such other pertinent information as may be necessary. The peace officer may also request, and the person may provide, the electronic mail address and mobile telephone number of the person for the purpose of enabling the court in which the person is required to appear to communicate with the person. If the peace officer requests such information, the peace officer shall expressly inform the person that providing such information is voluntary and, if the person provides such information, the person thereby gives his or her consent for the court to communicate with the person through such means. The peace officer shall sign the citation and deliver a copy of the citation to the person charged with the violation. If the citation is prepared electronically, the peace officer shall sign the copy of the citation that is delivered to the person charged with the violation.

2. The time specified in the notice to appear must be at least 5 days after the alleged violation.

3. The place specified in the notice to appear must be before a magistrate, as designated in NRS 484A.750.

4. The person charged with the violation may give his or her written promise to appear in court by signing or physically receiving at least one copy of the traffic citation prepared by the peace officer and thereupon the peace officer shall not take the person into physical custody for the violation. If the citation is prepared electronically, the peace officer shall indicate on the electronic record of the citation whether the person charged gave his or her written promise to appear. A copy of the citation that is signed by the person charged or the electronic record of the citation which indicates that the person charged gave his or her written promise to appear suffices as proof of service.

5. If the person charged with the violation refuses to sign a copy of the traffic citation but physically receives a copy of the citation delivered by the peace officer:

(a) The receipt shall be deemed personal service of the notice to appear in court;

(b) A copy of the citation signed by the peace officer suffices as proof of service; and

(c) The peace officer shall not take the person into physical custody for the violation.

Sec. 1.4. NRS 484A.7035 is hereby amended to read as follows:

484A.7035 1. When a person is halted by a peace officer in this State for any violation of chapters 483 to 484E, inclusive, 486 or 490 of NRS that is a civil infraction, ***or, if authorized by a traffic enforcement agency pursuant to NRS 484A.7049, for a violation of certain such provisions that is punishable as a misdemeanor,*** or a prosecuting attorney elects to treat a violation of chapters 483 to 484E, inclusive, 486 or 490 of NRS that is punishable as a misdemeanor instead as a civil infraction in accordance with NRS 484A.7049, the peace officer or prosecuting attorney, as applicable, may prepare a civil infraction citation manually or electronically in the form of a complaint issuing in the name of "The State of Nevada," containing ***:*** ~~[~~, except as otherwise provided in paragraph (a) of subsection 2 of NRS 484A.7049:~~]~~

(b) A statement that a civil infraction is not a criminal offense;

(c) The name, date of birth, residential address and mailing address, if different from the residential address, telephone number and electronic mail address of the person who is being issued the citation and an indication as to whether the person has agreed to receive communications relating to the civil infraction by text message;

(g) The personnel number or other unique agency identification number of the peace officer issuing the citation ~~[and the address and phone number of the agency which employs the peace officer]~~ or, if a prosecuting attorney is issuing the citation, the personnel number or other unique agency identification number of the peace officer who halted the person for the violation or the volunteer appointed pursuant to NRS 484B.470 who issued the citation ~~[and the address and phone number of the agency which employs the peace officer or volunteer,]~~ preprinted or printed legibly on the citation;

(i) A statement that, at any hearing to contest the determination set forth in the citation, the facts that constitute the infraction must be proved by a preponderance of the evidence and the person may subpoena witnesses, including, without limitation, the peace officer or duly authorized member or volunteer of a traffic enforcement agency who issued the citation or halted the person; and

(j) A statement that the person must respond to the citation as provided in NRS 484A.703 to 484A.705, inclusive, within 90 calendar days ~~[.]~~ ***after the date on which the citation is issued or filed with the court, whichever is later.***

2. ***The peace officer may also request, and the person may provide, the electronic mail address and mobile telephone number of the person for the purpose of enabling the court in which the person is required to appear to communicate with the person. 3. A peace officer who issues a civil infraction citation pursuant to subsection 1 shall sign the citation and deliver a copy of the citation to the person charged with the civil infraction. If the citation is prepared electronically, the peace officer shall sign the copy of the citation that is delivered to the person charged with the violation.

~~[3.]~~ ***4.*** A civil infraction citation may be served by delivering a copy of the citation to the person charged with the civil infraction pursuant to this section or NRS 484A.7049. The acceptance of a civil infraction citation by the person charged with the civil infraction shall be deemed personal service of the citation and a copy of the citation signed by the peace officer or prosecuting attorney, as applicable, constitutes proof of service. If a person charged with a civil infraction refuses to accept a civil infraction citation, the copy of the citation signed by the peace officer or prosecuting attorney, as applicable, constitutes proof of service.

Sec. 1.6. NRS 484A.704 is hereby amended to read as follows:

484A.704 1. Any person who receives a civil infraction citation pursuant to NRS 484A.7035 or 484A.7049 shall respond to the citation as provided in

this section not later than 90 calendar days after the date on which the citation is issued ~~[.]~~ ***or filed with the court, whichever is later.***

2. If a person receiving a civil infraction citation does not contest the determination that the person has committed the civil infraction set forth in the citation, the person must respond to the citation by indicating that the person does not contest the determination and submitting ~~[full]~~ ***in person, by mail or through the Internet or other electronic means:***

(a) Full payment of the monetary penalty, the administrative assessment and any fees to the court specified in the citation, or its traffic violations bureau ~~[, in person, by mail or through the Internet or other electronic means.]~~ ***; or***

(b) A request that the court waive or reduce the monetary penalty or enter into a payment plan with the person, if the person believes that full payment of the monetary penalty and administrative assessment is excessive in relation to his or her financial resources or is not within his or her present financial ability to pay. Such a request must include any supporting documentation.

3. If a person receiving a civil infraction citation wishes to contest the determination that the person has committed the civil infraction set forth in the citation, the person must respond by requesting in person, by mail or through the Internet or other electronic means a hearing for that purpose. The court shall notify the person in writing of the time, place and date of the hearing, but the date of the hearing must not be earlier than 9 calendar days after the court provides notice of the hearing.

4. Except as otherwise provided in ~~[this]~~ subsection ~~[.]~~ ***5,*** not less than 30 days before the deadline for a person to respond to a civil infraction citation, the court must send to the address or electronic mail address of the person, as indicated on the civil infraction citation issued to the person ~~[, a]~~ ***:***

5. If the person agreed to receive communications relating to the civil infraction by text message, the court may send ~~[such a]~~ ***the*** notice ***required by subsection 4*** to the telephone number of the person as indicated on the civil infraction citation.

6. If the person does not respond to the civil infraction citation in the manner specified by subsection 2 or 3 within 90 calendar days after the date on which the civil infraction citation is issued ~~[.]~~ ***or filed with the court, whichever is later,*** the court must enter an order pursuant to NRS 484A.7043 finding that the person committed the civil infraction and assessing the monetary penalty and administrative assessments prescribed for the civil infraction. A person who has been issued a civil infraction citation and who

fails to respond to the civil infraction citation as required by this section may not appeal an order entered pursuant to this section.

~~[5.]~~ ***7.*** If any person issued a civil infraction citation fails to appear at a hearing requested pursuant to subsection 3, the court must enter an order pursuant to NRS 484A.7043 finding that the person committed the civil infraction and assessing the monetary penalty and administrative assessments prescribed for the civil infraction. A person who has been issued a civil infraction citation and who fails to appear at a hearing requested pursuant to subsection 3 may not appeal an order entered pursuant to this subsection.

~~[6.]~~ ***8.*** In addition to any other penalty imposed, any person who is found by the court to have committed a civil infraction pursuant to subsection ~~[5]~~ ***7*** shall pay the witness fees, per diem allowances, travel expenses and other reimbursement in accordance with NRS 50.225.

~~[7.]~~ ***9.*** If a court has established a system pursuant to NRS 484A.615, any person issued a civil infraction citation may, if authorized by the court, use the system to perform any applicable actions pursuant to this section.

Sec. 1.7. **NRS 484A.7041 is hereby amended to read as follows:**

484A.7041 1. If, pursuant to subsection 3 of NRS 484A.704, a person receiving a civil infraction citation requests a hearing to contest the determination that the person has committed the civil infraction set forth in the citation, the hearing must be conducted in accordance with this section.

2. Except as otherwise provided in this subsection, before a hearing to contest the determination that a person has committed a civil infraction, the court shall require the person to post a bond equal to ***$50 or*** the amount of the full payment of the monetary penalty, the administrative assessment and any fees specified in the civil infraction citation ~~[.]~~ ***, whichever is less.*** In lieu of posting such a bond, the person may instead deposit cash with the court in the amount of the bond required pursuant to this subsection. ~~[Any bond posted or cash deposited with the court pursuant to this subsection must be forfeited upon]~~ ***Upon*** the court's finding that the person committed the civil infraction ~~[.]~~ ***:***

(a) Any bond posted or cash deposited with the court pursuant to this subsection must be forfeited; and

(b) The court shall enter a default judgment against the person for any amount remaining unsatisfied.

3. Any person whom the court determines is unable to pay the costs of defending the action or is a client of a program for legal aid in accordance with NRS 12.015 must not be required to post a bond or deposit cash with the court in accordance with ~~[this]~~ subsection ~~[.~~ ~~3.]~~ ***2.***

4. The person who requested the hearing may, at his or her expense, be represented by counsel, and a city attorney or district attorney, in his or her discretion and as applicable, may represent the plaintiff.

~~[4.]~~ ***5.*** A hearing conducted pursuant to this section must be conducted by the court without a jury. In lieu of the personal appearance at the hearing by

the peace officer who issued the civil infraction citation, the court may consider the information contained in the civil infraction citation and any other written statement submitted under oath by the peace officer. If the court has established a system pursuant to NRS 484A.615, the peace officer may, if authorized by the court, use the system to submit such a statement. The person named in the civil infraction citation may subpoena witnesses, including, without limitation, the peace officer who issued the citation, and has the right to present evidence and examine witnesses present in court.

~~[5.]~~ ***6.*** After consideration of the evidence and argument, the court shall determine whether a civil infraction was committed by the person named in the civil infraction citation. The court must find by a preponderance of the evidence that the person named in the civil infraction citation committed a civil infraction. If it has not been established by a preponderance of the evidence that the infraction was committed by the person named in the citation, the court must enter an order dismissing the civil infraction citation in the court's records. If it has been established by a preponderance of the evidence that the infraction was committed, the court must enter in the court's records an order pursuant to NRS 484A.7043.

~~[6.]~~ ***7.*** An appeal from the court's determination or order may be taken in the same manner as any other civil appeal from a municipal court or justice court, as applicable, except that:

(a) The notice of appeal must be filed not later than 7 calendar days after the court enters in the court's records an order pursuant to NRS 484A.7043;

(b) If the appellant is the person charged with the civil infraction, any bond required to be given by the appellant in order to secure a stay of execution of the order of the court during the pendency of the appeal must equal the amount of the monetary penalty and administrative assessments which the court has ordered the appellant to pay pursuant to NRS 484A.7043. Any bond must be forfeited if the order of the court is affirmed on appeal; and

(c) If a prosecuting attorney does not represent the plaintiff during the proceedings in the justice court or municipal court, the appellate court shall review the record and any arguments presented by the person charged with the civil infraction and render a decision.

(b) If the civil infraction did not occur in a city, the treasurer of the county in which the civil infraction ~~[occurred.]~~ ***citation was filed.***

2. If a person is found to have committed a civil infraction, in addition to any civil penalty imposed on the person, the court shall order the person to pay the administrative assessments set forth in NRS 176.059, 176.0611, 176.0613 and 176.0623 in the amount that the person would be required to pay if the civil penalty were a fine imposed on a defendant who pleads guilty or guilty but mentally ill or is found guilty or guilty but mentally ill of a misdemeanor. If, in lieu of a civil penalty, the court authorizes a person to successfully complete a course of traffic safety approved by the Department of Motor Vehicles, the court must order the person to pay the amount of the administrative assessment that corresponds to the civil penalty for which the defendant would have otherwise been responsible. The administrative assessments imposed pursuant to this subsection must be collected and distributed in the same manner as the administrative assessments imposed and collected pursuant to NRS 176.059, 176.0611, 176.0613 and 176.0623.

3. If the court determines that a civil penalty or administrative assessment ***specified in the civil infraction citation or*** imposed pursuant to this section is:

(b) Not within the defendant's present financial ability to pay, the court may enter into a payment plan with the person.

4. A court having jurisdiction over a civil infraction pursuant to NRS 484A.703 to 484A.705, inclusive, may:

(b) Waive or reduce the civil penalty that a person who is found to have committed a civil infraction would otherwise be required to pay if the court determines that any circumstances warrant such a waiver or reduction.

(c) Reduce any moving violation for which a person was issued a civil infraction citation to a nonmoving violation if the court determines that any circumstances warrant such a reduction.

5. Nothing in this section shall be construed to require a court having jurisdiction over a civil infraction pursuant to NRS 484A.703 to 484A.705, inclusive, to hold a hearing before reducing a moving violation for which a person was issued a civil infraction citation to a nonmoving violation.

Sec. 2. NRS 484A.7047 is hereby amended to read as follows:

The collection agency must be paid as compensation for its services an amount not greater than the amount of the collection fee imposed pursuant to subsection 1 in accordance with the provisions of the contract.

3. If a court finds that a person committed a civil infraction, the civil penalty, administrative assessments and fees prescribed for the civil infraction may be enforced in the manner provided by law for the enforcement of a judgment for money rendered in a civil action except that the judgment and any lien for the judgment expires 10 years after the date the judgment was docketed and may not be renewed. The court may ~~[:~~

(b) Except as otherwise provided in paragraph (c), if the money is collected by or on behalf of a justice court, the money must be deposited in a special fund in the appropriate county treasury. The county may use the money in the special fund only to:

(1) Develop and implement a program for the collection of civil penalties, administrative assessments and fees and to hire additional personnel necessary for the success of such a program; or

(2) Improve the operations of a court by providing funding for:

(I) A civil law self-help center; or

(II) Court security personnel and equipment for a regional justice center that includes the justice courts of that county.

(c) If the money is collected by a collection agency, after the collection agency has been paid its fee pursuant to the terms of the contract, any remaining money must be deposited in the state, city or county treasury, whichever is appropriate, to be used only for the purposes set forth in paragraph (a) or (b).

The following amendment was proposed by the Committee on Education:

Amendment No. 602.

AN ACT relating to interscholastic activities; prohibiting certain persons from requiring a pupil to participate in certain out-of-school activities as a condition of participating in a sanctioned sport or spirit squad at a school; providing for a system of progressive discipline for certain violations; requiring certain persons to submit a report concerning any association with an out-of-school activity relating to a sanctioned sport or spirit squad; requiring certain school employees to notify a pupil and the parent or legal guardian of the pupil of certain rights afforded to the pupil before the pupil participates in a sanctioned sport or other interscholastic activity or event; providing for additional eligibility for certain pupils to participate in certain interscholastic activities; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Nevada Interscholastic Activities Association to adopt rules and regulations as is necessary to govern interscholastic activities and events in this State. (NRS 385B.060) Existing regulations: (1) authorize a coach of a school to assist a pupil in voluntarily participating in an activity related to a sanctioned sport that is conducted during a period that is not the season for the sanctioned sport under certain circumstances; and (2) prohibit such participation from being a condition for qualifying for a team or for accepting the pupil as a member of a team during the season for the sanctioned sport. (NAC 385B.370) **Section 3** of this bill codifies that prohibition into law and, if a person is found to have violated this prohibition, authorizes the Executive Director of the Association to prohibit the person from coaching, managing or otherwise being associated with a sanctioned sport or spirit squad at a school for not more than 1 year. **Section 3** also requires the Association to adopt regulations prescribing a system of progressive discipline for violations of **section 4 or 5** of this bill.

Section 4 of this bill requires each coach, manager or other person associated with a sanctioned sport or spirit squad at a school that is affiliated with or a member of the Association to submit to the Executive Director of the Association an annual report that includes certain information concerning whether the coach, manager or other person also coaches, manages or is otherwise associated with an out-of-school activity related to the same sanctioned sport or spirit squad at the school.

Section 5 of this bill requires the coach, manager or director of a sanctioned sport or other interscholastic activity or event at a school, before a pupil participates in a sanctioned sport or other interscholastic activity or event and annually thereafter, to notify each participating pupil and his or her parent or legal guardian of certain rights afforded to the pupil while participating in the sanctioned sport or other interscholastic activity or event. **Section 5** requires the Association to prescribe the form and contents of such notification.

Section 2 of this bill defines the term "out-of-school activity" for the purpose of **sections 3-5**. **Section 6** of this bill makes a conforming change to indicate the proper placement of **section 2** in the Nevada Revised Statutes.

Existing regulations provide that a pupil is eligible to participate in a sanctioned sport for not more than 8 consecutive semesters and 4 seasons. (NAC 385B.708) On March 12, 2020, the Governor of the State of Nevada issued the Declaration of Emergency for COVID-19. On May 20, 2022, the Governor issued the Proclamation Terminating Declaration of Emergency Related to COVID-19. **Section 7** of this bill provides that a pupil who was enrolled in grade 9, 10, 11 or 12 at any time during the state of emergency is eligible to participate in any sanctioned sport, spirit squad or other interscholastic activity for which the rules governing eligibility are established by the Nevada Interscholastic Activities Association or the board of trustees of a school district for at least 10 consecutive semesters and 5 seasons **~~.~~ ~~[.]~~ if the pupil has not completed the credits required to graduate and receive a high school diploma.**

Section 1. Chapter 385B of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 5, inclusive, of this act.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 657.

AN ACT relating to marriage; requiring, under certain circumstances, a county clerk ~~[or county recorder]~~ to issue an amended certificate of marriage to a party to a marriage whose name has changed; eliminating the authority for an applicant for a marriage license to change his or her middle or last name at the time of issuance of a marriage license; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that if any information in a certificate of marriage is incorrect, the county clerk or the county recorder may charge and collect from a person certain fees for the preparation of an affidavit of correction and the filing of a corrected certificate of marriage. (NRS 122.135) **Section 1.3** of this bill provides that if a marriage was solemnized in this State and a party to the marriage receives a certified copy of a court order from a court of this State or another state, the District of Columbia or any territory of the United States changing the name of the party, the county clerk **of the county where the original marriage license was issued** shall issue an amended certificate of marriage upon receipt of: (1) a certified copy of the original certificate of marriage; (2) a certified copy of the court order; (3) a notarized affidavit of amendment executed by the parties to the marriage; and (4) the applicable fees. **Section 1.6** of this bill sets forth the form for any amended certificate of marriage that is issued pursuant to **section 1.3**.

Existing law provides that at the time of issuance of a marriage license, an applicant or both applicants may elect to change the middle name or last name, or both, by which an applicant wishes to be known after solemnization of the marriage. An applicant for a marriage license may change his or her name pursuant to this provision only at the time of issuance of the license. (NRS 122.040) **Section 2** of this bill eliminates this authority for such a name change at the time of issuance of a marriage license. **Sections 3 and 4** of this bill make conforming changes to the format of marriage licenses and certificates of marriage to account for the elimination of that authority by **section 2**.

Senate Bill No. 262.

Bill read second time.

The following amendment was proposed by the Committee on Legislative Operations and Elections:

Amendment No. 697.

SUMMARY—Revises the qualifications for membership on certain **town** advisory councils and boards. (BDR 21-857)

AN ACT relating to towns; eliminating the requirement that a member of a citizens' advisory council of a town or ~~[a]~~ **certain** town advisory ~~[board]~~ **boards** be a qualified elector; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that in a county having a population of less than 100,000 (currently all counties other than Clark and Washoe Counties) which has not elected to accept the provisions of the Unincorporated Town Government Law (NRS 269.500-269.625), the board of county commissioners may, under certain circumstances, by ordinance create a citizens' advisory council to act in an advisory and liaison capacity with respect to governing the affairs of an unincorporated town. (NRS 269.011, 269.024, 269.0242) Any such citizens' advisory council must consist of not fewer than three nor more than five members, each of whom must be a resident and qualified elector in the town. (NRS 269.0242) **Section 1** of this bill eliminates the requirement that a member of such a citizens' advisory council be a qualified elector. **Section 1 further requires that a member of such a citizens' advisory council be: (1) a resident of the town; and (2) a citizen of the United States or lawfully entitled to reside in the United States.**

Existing law provides that the Unincorporated Town Government Law applies in a county having a population of 100,000 or more (currently Clark and Washoe Counties) and in any other county in which the board of county commissioners has adopted by ordinance, the Unincorporated Town Government Law. (NRS 269.530) Pursuant to the Unincorporated Town Government Law, the board of county commissioners must provide for a town

advisory board in an ordinance which establishes an unincorporated town. Such a town advisory board must consist of three or five qualified electors who are residents of the unincorporated town. (NRS 269.576, 269.577) ~~[Sections]~~ **Existing law further authorizes the board of county commissioners of any county, by resolution, to designate one or more town services to be within the power of a town advisory board to manage. (NRS 269.580) If the board of county commissioners has not made such a designation, sections 2 and 3** of this bill eliminate the requirement that a member of **such** a town advisory board be a qualified elector. **Instead, sections 2 and 3 require that a member of such a town advisory board be: (1) a resident of the unincorporated town; and (2) a citizen of the United States or lawfully entitled to reside in the United States.**

Section 4 of this bill makes a conforming change to revise the declaration of candidacy that must be filed by a candidate for the ~~[office]~~ **position** of a town advisory board ~~[.]~~ **if the members of the town advisory board are not required to be qualified electors pursuant to sections 2 and 3 because the board of county commissioners has not designated one or more services to be within the power of the town advisory board to manage.**

3. The address of a candidate which must be included in the declaration of candidacy pursuant to subsection 2 must be the street address of the residence where the candidate actually, as opposed to constructively, resides in accordance with NRS 281.050, if one has been assigned. The declaration of candidacy must not be accepted for filing if the candidate fails to comply with the following provisions of this subsection or, if applicable, the provisions of subsection 4:

(a) The candidate shall not list the candidate's address as a post office box unless a street address has not been assigned to his or her residence; and

(b) Except as otherwise provided in subsection 4, the candidate shall present to the filing officer:

(1) A valid driver's license or identification card issued by a governmental agency that contains a photograph of the candidate and the candidate's residential address; or

(2) A current utility bill, bank statement, paycheck, or document issued by a governmental entity, including a check which indicates the candidate's name and residential address, but not including a voter registration card.

4. If the candidate executes an oath or affirmation under penalty of perjury stating that the candidate is unable to present to the filing officer the proof of residency required by subsection 3 because a street address has not been assigned to the candidate's residence or because the rural or remote location of the candidate's residence makes it impracticable to present the proof of residency required by subsection 3, the candidate shall present to the filing officer:

(a) A valid driver's license or identification card issued by a governmental agency that contains a photograph of the candidate; and

(b) Alternative proof of the candidate's residential address that the filing officer determines is sufficient to verify where the candidate actually, as

opposed to constructively, resides in accordance with NRS 281.050. The Secretary of State may adopt regulations establishing the forms of alternative proof of the candidate's residential address that the filing officer may accept to verify where the candidate actually, as opposed to constructively, resides in accordance with NRS 281.050.

5. The filing officer shall retain a copy of the proof of identity and residency provided by the candidate pursuant to subsection 3 or 4. Such a copy:

(a) May not be withheld from the public; and

(b) Must not contain the social security number, driver's license or identification card number or account number of the candidate.

6. By filing the declaration of candidacy, the candidate shall be deemed to have appointed the filing officer for the office ***or position, as applicable,*** as his or her agent for service of process for the purposes of a proceeding pursuant to NRS 293.182. Service of such process must first be attempted at the appropriate address as specified by the candidate in the declaration of candidacy. If the candidate cannot be served at that address, service must be made by personally delivering to and leaving with the filing officer duplicate copies of the process. The filing officer shall immediately send, by registered or certified mail, one of the copies to the candidate at the specified address, unless the candidate has designated in writing to the filing officer a different address for that purpose, in which case the filing officer shall mail the copy to the last address so designated.

7. If the filing officer receives credible evidence indicating that a candidate has been convicted of a felony and has not had his or her civil rights restored, the filing officer:

(a) May conduct an investigation to determine whether the candidate has been convicted of a felony and, if so, whether the candidate has had his or her civil rights restored; and

(b) Shall transmit the credible evidence and the findings from such investigation to the Attorney General, if the filing officer is the Secretary of State, or to the district attorney, if the filing officer is a person other than the Secretary of State.

8. The receipt of information by the Attorney General or district attorney pursuant to subsection 7 must be treated as a challenge of a candidate pursuant to subsections 4 and 5 of NRS 293.182 to which the provisions of NRS 293.2045 apply.

9. Any person who knowingly and willfully files a declaration of candidacy which contains a false statement in violation of this section is guilty of a gross misdemeanor.

Sec. 5. This act becomes effective upon passage and approval.

Senate Bill No. 269.

Bill read second time.

The following amendment was proposed by the Committee on Natural Resources:

Amendment No. 667.

AN ACT relating to cruelty to animals; ~~[prohibiting a person from restraining a dog during any time in which a heat advisory, excessive heat warning, wind chill warning or winter storm warning has been issued for the area; eliminating from provisions relating to animal cruelty]~~ **revising certain prohibitions on restraining a dog; revising** certain exemptions that authorize a dog to be restrained in a certain manner or maintained in certain enclosures; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law prohibits, with certain exceptions, a person from restraining a dog: (1) using certain tethers, chains, ties, trolleys or pulley systems or other devices; (2) using a prong, pinch or choke collar or similar restraint; or (3) for more than 14 hours during a 24-hour period. (NRS 574.100) **Section 1** of this bill prohibits a person from ~~[also]~~ restraining a dog ~~[outdoors during any time in which a heat advisory, excessive heat warning, wind chill warning or winter storm warning has been issued for the area by the National Weather Service.]~~ **for more than 10 hours during a 24-hour period.**

In addition to the prohibitions on restraining a dog, existing law requires that any pen or other outdoor enclosure that is used to maintain a dog be appropriate for the size and breed of the dog. Existing law exempts from the limitations on restraining a dog or maintaining a dog in such enclosures circumstances where a dog is: (1) being used lawfully to hunt a species of wildlife in this State during the hunting season for that species; (2) receiving training to hunt a species of wildlife in this State; (3) being kept in a shelter or boarding facility or temporarily in a camping area; (4) temporarily being cared for as part of a rescue operation or in any other manner in conjunction with a bona fide nonprofit organization formed for animal welfare purposes; or (5) with a person having custody or control of the dog, if the person is engaged in a temporary task or activity with the dog for not more than 1 hour. Existing law sets forth graduated criminal penalties depending on whether the offense is a first, second or third and subsequent offense for a violation of certain provisions relating to animal cruelty. (NRS 574.100) **Section 1** eliminates ~~[these exemptions]~~ **the exemption** where a dog is being ~~[used lawfully to hunt a species of wildlife in this State during the hunting season for that species, receiving training to hunt a species of wildlife in this State and temporarily being cared for as part of a rescue operation or in any other manner in conjunction with a bona fide nonprofit organization formed for animal welfare purposes]~~ **kept in a boarding facility** so that: (1) the limitations on the restraint and use of outdoor enclosures apply to a dog in such circumstances; and (2) the graduated criminal penalties also apply to such circumstances. **Section 1** further ~~[exempts]~~ **: (1) exempts** from the limitations where a dog is

Legislative Counsel's Digest:

Section 5 of this bill provides that a provider of health care who, in rendering services for assisted reproduction, knowingly implants his or her own human reproductive material in a patient without the express consent of the patient is guilty of fertility fraud. **Section 5** also provides that a provider of health care who, in rendering services for assisted reproduction, knowingly uses or provides a patient with human reproductive material other than the human reproductive material the patient expressly consented to the use or receipt of is guilty of fertility fraud. **Section 5** makes the crime of fertility fraud a category B felony, punishable by imprisonment in the state prison for a minimum term of not less than 2 years and a maximum term of not more than 15 years.

Section 6 of this bill: (1) prohibits a person from conveying to a patient false information or information the person reasonably should have known was false relating to assisted reproduction; and (2) provides that a person who violates such a prohibition is guilty of a category C felony. **Sections 5 and 6** also require the Attorney General to provide certain notice to each professional licensing board that has issued a license, certificate or registration to a person who violates **section 5 or 6**. **Sections 3 and 4** of this bill define certain terms for the purposes of **sections 5 and 6**.

Section 8 of this bill authorizes a person who has suffered an injury as a result of a violation of **section 5** to bring a civil action to recover damages. **Section 7** of this bill requires the person to commence such an action within 3 years after the **later of the** date on which the person discovers **: (1)** the facts constituting fertility fraud **[.] ; or (2) any medical or genetic disorder which results from the human reproductive material implanted in, used on or provided to a patient in violation of section 5.**

Section 20 of this bill prohibits a health care facility from providing a patient with human reproductive material for assisted reproduction except in accordance with any written agreement entered into between: (1) the health care facility and the patient; and (2) the health care facility and the donor. **Section 20** also: (1) authorizes the Attorney General to collect a civil penalty of not more than $10,000 for each violation of this prohibition; and (2) requires

Existing law defines the term "sexual offense" for the purpose of requiring persons convicted of certain sexual offenses to be prohibited from certain employment, to register as a sex offender, to comply with certain mandatory conditions of probation or parole and to fulfill certain other requirements. (NRS 118A.335, 176.0913, 176A.410, 179D.095, 179D.097, 179D.441, 213.1099, 213.1245) **Section 15** of this bill revises the list of sexual offenses to which these statutory provisions apply to include certain violations of **section 5**. **Section 16** of this bill makes a conforming change related to the numbering changes made in **section 15**.

Existing law prohibits a court from ordering the victim of or a witness to certain sexual offenses to take or submit to a psychological or psychiatric examination. (NRS 50.700) **Section 9** of this bill adds certain violations of **section 5** to the list of sexual offenses to which that prohibition applies.

Existing law: (1) requires a court to include a special sentence of lifetime supervision for any person convicted of certain sexual offenses; and (2) provides certain conditions of lifetime supervision. (NRS 176.0931, 213.1243) **Sections 10 and 17** of this bill add certain violations of **section 5** to the list of sexual offenses that require a special sentence of lifetime supervision and for which conditions of lifetime supervision apply.

Existing law: (1) requires that a person convicted of certain sexual offenses undergo a psychosexual evaluation as part of the presentence investigation report prepared by the Division of Parole and Probation of the Department of Public Safety; and (2) prohibits a court from granting probation to or suspending the sentence of a person convicted of certain sexual offenses, unless the person who conducts the evaluation certifies that the person convicted of the sexual offense does not represent a high risk to reoffend. (NRS 176.135, 176A.110) **Sections 11 and 12** of this bill add certain violations of **section 5** to the list of sexual offenses that require a psychosexual evaluation to be conducted and for which a court is prohibited from granting probation to or suspending the sentence of a person, unless the person who conducts the psychosexual evaluation certifies that the person does not represent a high risk to reoffend.

Existing law similarly requires the Department of Corrections to assess each prisoner who has been convicted of a sexual offense before a scheduled parole hearing to determine the prisoner's risk to reoffend. (NRS 213.1214) **Section 18** of this bill adds certain violations of **section 5** to the list of offenses which require such an assessment.

Existing law requires a court to provide certain documentation to each victim and witness and certain other persons if an offender is convicted of certain sexual offenses. (NRS 178.5698) **Section 13** of this bill requires that

such documentation be provided to such persons if an offender is convicted of certain violations of **section 5**.

Section 14 of this bill makes the provisions of law which prohibit a person convicted of a sexual offense from petitioning a court to seal the records relating to such a conviction applicable to a person convicted of certain violations of **section 5**. (NRS 179.245)

Bill read second time.

The following amendment was proposed by the Committee on Growth and Infrastructure:

Amendment No. 597.

AN ACT relating to energy; revising a definition relating to certain renewable energy facilities; revising provisions governing the establishment by the Public Utilities Commission of Nevada of biennial targets for the procurement of energy storage systems by certain electric utilities; requiring the Commission to reevaluate the existing biennial targets; eliminating an obsolete provision relating to the establishment of such targets; establishing requirements for the installation of electrochemical energy storage systems; ~~[authorizing a person who provides a program of training on the installation of electrochemical energy storage systems to request that the Joint Interim Standing Committee on Growth and Infrastructure review the program;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Public Utilities Commission of Nevada to: (1) determine, on or before October 1, 2018, whether it is in the public interest to establish by regulation biennial targets for the procurement of energy storage systems by certain electric utilities; and (2) if the Commission determines that it is in the public interest to establish such targets, adopt regulations establishing biennial targets for the procurement of energy storage systems by certain electric utilities. (NRS 704.795, 704.796) Existing regulations, with certain exceptions, establish progressively larger targets for the procurement of energy storage systems by certain electric utilities, culminating in a requirement that certain electric utilities procure energy storage systems capable of storing not less than 1,000 megawatts of electric power by December 31, 2030. Existing regulations also require the Commission to review the existing biennial energy storage targets when it reviews the resource plan submitted by an electric utility and determine whether the targets should be altered. (Section 10 of LCB File No. R106-19) **Section 1.5** of this bill requires that the Commission establish biennial targets that deliver the greatest benefits to the customers of the electric utility in relation to the costs of the procurement of energy storage systems. **Section 6** of this bill repeals the obsolete provision that requires the Commission to determine whether to adopt regulations to establish the biennial targets by October 1, 2018, given that those regulations have been adopted. **Section 2** of this bill makes a conforming change relating to the repeal of this obsolete provision.

Section 3 of this bill prohibits a person from installing an electrochemical energy storage system unless the person holds a valid license in the classification required to perform such work and, except under certain limited circumstances, for installations occurring on property other than a residential property after July 1, 2025, ensures that the installation: (1) is performed by or under the direct supervision of a person who holds a certificate demonstrating

the successful completion of the Energy Storage and Microgrid Training and Certification program; and (2) conforms to certain standards regarding the installation of signage in connection with such systems. ~~[Section 3 authorizes a person who provides a program of training on the installation of electrochemical energy storage systems to request that the Joint Interim Standing Committee on Growth and Infrastructure review the program. Section 3 requires the Committee to include in its interim report a recommendation to authorize persons certified under such a program to perform or supervise the installation of an electrochemical energy storage system under certain circumstances if the Committee makes certain findings regarding the program.]~~ **Section 4** of this bill provides that a violation of the provisions of **section 3** is grounds for disciplinary action by the State Contractors' Board.

Section 1 of this bill revises the definition of "facility for the storage of energy from renewable generation."

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 588.

AN ACT relating to evidence; prohibiting a law enforcement agency or forensic laboratory from taking certain actions relating to the DNA profile and DNA record of a survivor of sexual assault; expanding certain prohibitions against the use of certain evidence secured in connection with an investigation or prosecution of a sexual assault; requiring certain entities to conduct an audit of certain biological specimens, DNA profiles and DNA records, to the extent money is available; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes the Sexual Assault Survivors' Bill of Rights, which grants a survivor certain rights relating to the investigation or prosecution of an alleged sexual assault perpetrated against the survivor. (Chapter 178A of NRS) Among other requirements, the Bill of Rights grants a survivor the right to not have forensic evidence from a sexual assault used: (1) to prosecute the survivor for any misdemeanor or offense related to a controlled substance; or (2) as a basis to search for further evidence of any unrelated misdemeanor or any offense related to a controlled substance that may have been committed by the survivor. (NRS 178A.260) **Section 6** of this bill expands this right by prohibiting a law enforcement agency from using any biological evidence obtained from ~~[a]~~ **the sexual assault forensic evidence kit of a survivor or any biological evidence secured in connection with the investigation or**

prosecution of the alleged sexual assault of the survivor: (1) to prosecute the survivor for any crime; (2) as a basis to search for further evidence of any criminal offense that may have been committed by the survivor; or (3) for any other purpose that is not directly related to the investigation or prosecution of the alleged sexual assault of the survivor**.** ~~[, unless such action is otherwise required by state or federal law.]~~

Existing law prescribes requirements relating to certain biological evidence secured in connection with an investigation or prosecution of a criminal offense. (NRS 176.0912) With limited exception, **section 3** of this bill prohibits a law enforcement agency from sharing with or disclosing to any person or entity any biological evidence of a survivor secured in connection with the investigation or prosecution of the alleged sexual assault of the survivor. **Section 2** of this bill defines the term "biological evidence" for purposes of the Bill of Rights. **Section 4** of this bill makes a conforming change to indicate the proper placement of **section 2** in the Nevada Revised Statutes. **Section 5** makes a conforming change related to the definition of "biological evidence" set forth in **section 2**.

Existing law prescribes certain requirements relating to sexual assault forensic medical kits. Among other requirements, existing law requires: (1) a law enforcement agency to submit a sexual assault forensic evidence kit to the appropriate forensic laboratory; and (2) a forensic laboratory to accept and analyze such evidence and upload a DNA profile obtained from such evidence to CODIS or the State DNA Database. (NRS 178A.220, 200.3786) With limited exception, **section 3** prohibits a law enforcement agency or forensic laboratory from including the DNA profile of a survivor obtained from the sexual assault forensic evidence kit of the survivor in any database that allows for the storage and exchange of DNA records.

Section 7 of this bill requires, to the extent money is available for this purpose, the Central Repository for Nevada Records of Criminal History, the State DNA Database and each forensic laboratory to: (1) conduct an audit of certain biological specimens, DNA profiles and DNA records; and (2) submit the results of the audit to the Joint Interim Standing Committee on Judiciary and the Director of the Legislative Counsel Bureau on or before January 1, 2024.

AN ACT relating to energy; authorizing an energy storage system that retains, stores and delivers energy through a system that uses only green hydrogen for the purposes of meeting certain biennial storage targets; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Public Utilities Commission of Nevada to establish by regulation biennial targets for the procurement of energy storage systems by an electric utility which has had a gross annual operating revenue of $250,000,000 or more in this State if the Commission determines such targets to be in the public interest. (NRS 704.187, 704.792, 704.796) Existing regulations establish such targets, with a target for the procurement of energy storage systems with a cumulative capacity of 1,000 megawatts by December 31, 2030. (LCB File No. R106-19) Under existing law, to qualify as an energy storage system for the purpose of meeting the biennial targets, an energy storage system is required to be commercially available technology that is capable of retaining, storing and delivering energy after storage by chemical, thermal or mechanical means. The following amendment was proposed by the Committee on Growth and Infrastructure:

Amendment No. 595.

AN ACT relating to motor vehicles; authorizing certain acts and transactions to be conducted through an electronic branch office established by the Department of Motor Vehicles; revising requirements relating to certificates of registration and certificates of title of a vehicle; eliminating certain limitations on the persons authorized to participate in a program established

by the Department for the electronic submission and storage of documents; requiring the Department to design, prepare and issue special license plates for all vehicles that are wholly powered by an electric motor and reducing the fees for those special license plates; authorizing the use of electronic signatures and stamps for recording certain information for certain transactions; prohibiting a person from driving an autocycle upon a highway unless that person holds a driver's license; exempting the driver and passengers of an autocycle from the requirement to wear protective headgear; **revising requirements for a person to be appointed to issue salvage titles on behalf of the Department;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the Department of Motor Vehicles to establish an electronic branch office consisting of an Internet website or software application through which documentation may be submitted and certain transactions may be conducted through electronic means. (NRS 481.055) **Section 1** of this bill sets forth certain specific acts which may be conducted through such an electronic branch office.

Existing law requires that if the Department establishes a program for the electronic submission and storage of documents, the Department allow only certain institutions and persons to apply for and participate in the program. (NRS 482.293) Existing law also authorizes the Department to waive the requirement of any required signature of a natural person on a document submitted by electronic means for those institutions and persons who comply with all of the requirements of the program. (NRS 482.294) **Section 3** of this bill eliminates the limitations on persons who may participate in the program, thereby authorizing applications and participation by all persons. **Section 4** of this bill eliminates references to the limited institutions and persons whose signatures may be waived for documents submitted electronically, providing for such waiver for any participant who complies with all requirements of the program.

Existing law requires: (1) certain information to be contained on the face of a certificate of registration of a vehicle; and (2) certain information and forms to be contained on the face or reverse, as applicable, of a certificate of title of a vehicle. (NRS 482.245) **Section 2** of this bill eliminates the requirements that such information and forms be contained specifically on the face or reverse of the applicable documents.

Existing law requires, upon a transfer of the title to, or interest of an owner in, a vehicle, the person whose title or interest is to be transferred and the transferee to write their signatures with pen and ink, along with other information, upon the reverse side of the certificate of title. Existing law also exempts a wholesale vehicle auctioneer from this requirement if he or she stamps certain information on the certificate of title and certain other documents relating to the sale and transfer of the vehicle. (NRS 482.400) **Section 5** of this bill: (1) eliminates the requirement of the use of pen and ink and the specification to write on the reverse side of the certificate, thereby

authorizing electronic signatures; and (2) authorizes a wholesale vehicle auctioneer to stamp electronically the information required by these provisions.

Sections 1.2 and 5.1 of this bill define the term "autocycle." **Sections 1.6 and 5.5** of this bill amend the definition of the term "motorcycle" to exclude autocycles. **Sections 1.4 and 5.3** of this bill make conforming changes to indicate the proper placement of **sections 1.2 and 5.1** in the Nevada Revised Statutes.

Section 5.7 of this bill prohibits, with certain exceptions, a person from driving an autocycle upon an highway unless that person holds a driver's license.

Existing law requires the driver and passengers of certain vehicles to wear protective headgear and certain other protective devices when those vehicles are being driven on a highway. (NRS 486.231) **Section 5.9** of this bill provides that, when an autocycle is being driven on a highway, the driver and passengers are not required to wear protective headgear.

Existing law: (1) requires the Department to design, prepare and issue special license plates for passenger cars and light commercial vehicles that are wholly powered by an electric motor; and (2) establishes the fees for those special license plates and their renewal. (NRS 482.3797) **Section 4.5** of this bill: (1) requires the Department to design, prepare and issue special license plates for all vehicles that are wholly powered by an electric motor; and (2) reduces the fees for those special license plates and their renewal.

Existing law authorizes the Department to appoint by contract any person as an agent of the Department to issue salvage titles and establishes certain requirements for the Department and proposed agent to enter into such an arrangement. (NRS 487.815) Section 5.93 of this bill defines such a person as a "salvage title agent." Section 5.97 of this bill revises the requirements imposed on the Department and the proposed agent. Section 5.95 of this bill makes a conforming change to indicate the proper placement of section 5.93 in the Nevada Revised Statutes.

AN ACT relating to financial services; prohibiting the Commissioner of Financial Institutions from requiring an applicant for a license to establish a new depository institution to identify the physical address of the proposed depository institution in the application for the license; authorizing certain persons employed by financial institutions to temporarily delay certain financial transactions involving the suspected exploitation of an older person or vulnerable person; exempting certain persons from liability for certain actions relating to the suspected exploitation of an older person or vulnerable person; authorizing the employee of a person licensed to engage in the business of lending in this State to perform certain work from a remote location under certain circumstances; setting forth various requirements concerning such work performed at a remote location; requiring a person licensed to engage in the business of lending in this State to provide notice to the Attorney General and certain other persons of certain breaches of security involving personal information; revising the circumstances under which a person is not required to accept an acknowledged power of attorney; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for the licensure and regulation of various types of financial institutions, including, without limitation, depository institutions, by the Commissioner of Financial Institutions. (Title 55 of NRS) Existing law requires the Commissioner, during the process for the organization and licensing of a banking corporation or company, to examine all the facts connected with the formation of the proposed banking corporation or company, including its location. (NRS 659.045) Similarly, existing law requires a person who desires to organize a savings bank to submit to the Commissioner an application that contains, among other things, the location of the proposed main office of the savings bank. (NRS 673.080) **Section 1** of this bill prohibits the Commissioner from requiring an applicant for a license to establish a new depository institution to identify in the application for the license the physical address where the main office of the proposed depository institution will be located. **Section 1** authorizes the Commissioner to require such an applicant to: (1) identify the location of the proposed main office, described in general terms, in the application; and (2) provide the physical address of the proposed main office before the depository institution commences business. **Section 2** of this bill makes a conforming change to indicate the proper placement of **section 1** in the Nevada Revised Statutes.

Existing law prohibits a person from engaging in the business of lending in this State without having first obtained a license from the Commissioner for each office or other place of business in which the person engages in the business of lending. (NRS 675.060) **Section 5** of this bill authorizes an employee of a licensee to engage in the business of lending in this State at a remote location if authorized by the licensee. **Section 5** requires a licensee: (1) to enter into a written agreement with an employee before authorizing the

employee to work at a remote location; and (2) to ensure that the employee and the remote location meet certain requirements. **Section 6** of this bill requires a licensee who authorizes an employee to engage in the business of lending in this State at a remote location to develop and adhere to a written data security policy meeting certain requirements. **Section 7** of this bill sets forth certain prohibited acts with respect to an employee who engages in the business of lending in this State at a remote location. **Section 8** of this bill requires a licensee who authorizes any employee to engage in the business of lending in this State at a remote location to conduct an annual review and evaluation of the operations of the licensee which are conducted by employees working at remote locations. **Section 11** of this bill defines words and terms for the purposes of this bill. **Sections 12-16** of this bill make certain changes to provisions governing the licensing of persons engaged in the business of lending to account for the provisions of **sections 5-8** which authorize an employee of a licensee to engage in the business of lending in this State at a remote location.

Existing law requires a data collector that owns, licenses or maintains computerized data which includes personal information to, after discovery or notification of a breach of security in which personal information maintained by the data collector was, or is reasonably believed to have been, acquired by an unauthorized person, notify each affected resident of this State and certain other persons. (NRS 603A.220) **Section 17** of this bill exempts a person licensed to engage in the business of lending in this State from those requirements. **Section 9** of this bill instead sets forth similar provisions which require a licensee, after discovery or notification of a breach of security in which personal information maintained by the licensee was, or is reasonably believed to have been, acquired by an unauthorized person, to notify each affected resident if the breach is reasonably likely to subject the resident to a risk of harm and certain other conditions are met. **Section 9** sets forth certain requirements for such a notification. **Section 10** of this bill requires a licensee who is required to notify more than 500 residents of this State pursuant to **section 9** as the result of a single breach also to notify the Attorney General.

Existing law requires certain financial institutions to designate a person to whom an officer or employee of the financial institution must report known or suspected exploitation of an older person or vulnerable person. (NRS 657.290) **Section 3** of this bill authorizes a designated reporter to delay a requested disbursement or transaction involving an older person or vulnerable person if the designated reporter knows or has reasonable cause to believe that the older person or vulnerable person has been exploited. **Section 3** sets forth procedures and requirements for the imposition of such a delay. Additionally, **section 3** provides that a financial institution and its officers, employees and designated reporters are immune from criminal, civil and administrative liability for: (1) making a report concerning the known or suspected exploitation of an older person or vulnerable person; (2) delaying ~~[or not delaying]~~ a requested disbursement or transaction involving such exploitation pursuant to **section 3**;

and (3) taking certain other actions relating to known or suspected exploitation of an older person or vulnerable person.

Under existing law, a person who refuses to accept an acknowledged power of attorney, with certain exceptions, is subject to: (1) a court order mandating acceptance of the power of attorney; and (2) liability for reasonable attorney's fees and costs incurred in any action or proceeding that confirms the validity of the power of attorney or mandates acceptance of the power of attorney. (NRS 162A.370) **Section 16.5** of this bill provides that a designated reporter who delays a requested disbursement or transaction pursuant to **section 3** or certain other persons who make a report concerning the exploitation of an older person or vulnerable person are not required to accept an acknowledged power of attorney under certain circumstances.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Amendment No. 629.

AN ACT relating to affordable housing; authorizing the Housing Division of the Department of Business and Industry to prioritize funding for projects related to affordable housing that give preference to certain persons; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law creates the Account for Affordable Housing in the State General Fund and prescribes the distribution and use of money in the Account. (NRS 319.500, 319.510) Existing law also authorizes the Housing Division of the Department of Business and Industry to distribute a certain portion of money in the Account to public or private nonprofit charitable organizations for projects that meet certain criteria. (NRS 319.510) This bill authorizes the Division to give priority to projects that provide a preference for: (1) women who are veterans; (2) women who were previously incarcerated; (3) survivors of domestic violence; ~~[and]~~ (4) elderly women who do not have stable or adequate living arrangements ~~[.]~~ **; and (5) unmarried persons with primary physical custody of a child.**

WHEREAS, The shortage of affordable housing is affecting communities across the State of Nevada and the nation, and particularly impacts certain populations of women in Nevada; and

WHEREAS, Women who are veterans face many challenges when returning to civilian life, including, without limitation, raising children on their own and dealing with the psychological repercussions related to events such as military service or sexual trauma, which can put women who are veterans at a high risk of experiencing housing insecurity or homelessness; and

WHEREAS, Women who were formerly incarcerated experience barriers to employment as well as distrust and discrimination which create significant obstacles for formerly incarcerated women to obtain and maintain safe, stable housing for themselves and their families after release; and

WHEREAS, Survivors of domestic violence are also hampered in finding safe, affordable housing as a result of certain barriers such as a history of financial abuse, discrimination based on the violent or criminal actions of perpetrators and the unique safety and confidentiality needs of survivors of domestic violence; and

WHEREAS, Elderly women are more likely to live in poverty than men as a result of historical wage disparities and having to take time away from the workforce for caregiving; and

WHEREAS, Expansion of the inventory of affordable housing that provides a preference for these disadvantaged female populations will address many of the significant obstacles that such women face in obtaining safe, stable and affordable housing; and

WHEREAS, Federal and state funding for housing in Nevada should be prioritized for projects that provide a preference for such disadvantaged women; now, therefore,

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

AN ACT relating to real property; prescribing a procedure for removing certain discriminatory restrictions or prohibitions from a written instrument relating to real property; requiring the Real Estate Division of the Department of Business and Industry to prescribe a restrictive covenant modification form; eliminating certain provisions relating to a declaration of removal of a discriminatory restriction or prohibition; requiring each county recorder in this State to provide certain notice to each owner who recorded a declaration of removal of a discriminatory restriction or prohibition with the office of the county recorder; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that any restriction or prohibition in a written instrument relating to real property that purports to forbid or restrict the conveyance, encumbrance, leasing or mortgaging of the real property or purports to limit, restrict or prohibit the use or occupation of the real property on the basis of race, color, religion, ancestry, national origin, disability, familial status, sex, sexual orientation or gender identity or expression is void and unenforceable by operation of law. Existing law authorizes an owner of real property that is subject to such a restriction or prohibition to record a declaration of removal of the discriminatory restriction or prohibition by filing a declaration form with the county recorder of the county in which the real property is located. If an owner files such a form, existing law requires the county recorder to attach the declaration form to the original recorded instrument to indicate that the discriminatory restriction or prohibition is void. (NRS 111.237)

Section 1.3 of this bill eliminates provisions relating to the filing and recordation of a declaration of removal of a discriminatory restriction or prohibition. Instead, **section 1.3** prescribes a procedure for removing a discriminatory restriction or prohibition from a written instrument relating to real property. **Section 1.3** requires an interested person who wishes to remove a discriminatory restriction or prohibition from a written instrument to file a petition in the district court requesting that the court issue an order directing the county recorder to record a restrictive covenant modification document, which redacts from a written instrument any discriminatory restriction or prohibition identified by the court in its order. If, after considering such a petition and any objections, the district court determines that a restriction or prohibition identified in a petition is void and unenforceable by operation of law, **section 1.3** requires the district court to issue an order directing the appropriate county recorder to record a restrictive covenant modification

document. If the district court issues such an order, **section 1.3** authorizes an interested person to record a restrictive covenant modification document by filing with the appropriate county recorder: (1) a restrictive covenant modification form; (2) a certified copy of the written instrument; and (3) a certified copy of the court order. Upon receipt of these documents, **section 1.3** requires the county recorder to: (1) redact from the written instrument any language identified in the court order; (2) record and index the restrictive covenant modification document and restrictive covenant modification form; and (3) retain the original written instrument as a public record for historical purposes.

Section 1 of this bill defines certain terms relating to the procedure prescribed by **section 1.3**. **Section 2** of this bill makes a conforming change relating to the recordation of a restrictive covenant modification document or restrictive covenant modification form.

Section 1.5 of this bill requires the Real Estate Division of the Department of Business and Industry to: (1) solicit recommendations concerning the design and contents of a restrictive covenant modification form; and (2) prescribe such a form.

Section 3 of this bill requires each county recorder in this State to provide certain notice to each owner who recorded a declaration of removal of a discriminatory restriction or prohibition with the office of the county recorder.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 636.

AN ACT relating to common-interest communities; revising the type of documents that are required to be made available on the Internet website or within the electronic portal that is required to be established and maintained by certain unit-owners' associations; setting forth certain requirements for an Internet website or electronic portal that provides the ability for a unit's owner to make certain payments electronically; revising requirements concerning the provision of certain notices by an association; ~~[authorizing an association to purchase a unit in a common-interest community at a foreclosure sale;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires each association of a common-interest community that contains 150 or more units to establish and maintain a secure Internet website or electronic portal and make available on the website or within the electronic portal any documents relating to the association. Existing law also requires the

Internet website or online portal to provide units' owners with the ability to pay assessments electronically. (NRS 116.31069) **Section 4** of this bill revises those requirements to: (1) require only certain specified documents concerning the association to be made available on the Internet website or within the electronic portal; and (2) eliminate the requirement that the Internet website or electronic portal provide units' owners the ability to pay assessments electronically. Instead, **section 1** of this bill authorizes such an Internet website or electronic portal to provide units' owners with the ability to pay obligations electronically if certain requirements are met, including, without limitation, the requirement that the association maintains certain insurance and that the executive board of the association makes a determination that providing units' owners the ability to make such payments is in the best interest of the association. **Section 2** of this bill makes a conforming change to indicate the proper placement of **section 1** in the Nevada Revised Statutes.

Existing law requires, in general, any notice required to be given to a units' owner by an association and any communication from or other information provided by the association to be delivered to the mailing or electronic mail address designated by the unit's owner, unless the unit's owner has opted out of receiving electronic communications or has not designated an electronic mail address. (NRS 116.31068) **Section 3** of this bill eliminates those requirements for notice with respect to communications from and other information provided by the association and instead requires, with certain exceptions, such notices to be delivered to the electronic mail address that a unit's owner designates. **Section 3** sets forth the manner in which an association is required to deliver such notices to a unit's owner who has opted out of receiving electronic notices or who has not designated an electronic mail address at which to receive notices.

~~**[**Existing law provides that a unit-owners' association has a lien on a unit in a common-interest community for certain assessments and charges imposed on the unit's owner from the time the assessment or charge becomes due and establishes the process for the foreclosure of such liens, including the sale of the unit. (NRS 116.310312, 116.3116-116.31168) Existing law prohibits various persons from purchasing the unit at the foreclosure sale, including the person conducting the sale and any person who was involved in the process of foreclosing the association's lien. (NRS 116.31164) Section 5 of this bill authorizes an association to purchase a unit at a sale for the foreclosure of its lien by a credit bid up to the amount of the unpaid assessments and any permitted costs, fees and expenses incident to the enforcement of the lien.**]**~~

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Legislative Counsel's Digest:

Existing law requires a person who wishes to be licensed as a barber or an apprentice, in addition to fulfilling certain other requirements, to pass an examination conducted by the State Barbers' Health and Sanitation Board. (NRS 643.070, 643.080, 643.085) Existing law sets forth certain requirements for an applicant for a license as a barber who fails to pass the examination for licensure to be eligible to retake the examination. If an applicant does not retake the examination within that period, the applicant is required to complete 250 hours of further study in a barber school **each time** before the applicant is eligible to retake the examination.

Amendment No. 637.

AN ACT relating to personal financial administration; revising provisions that govern estates of deceased persons; revising provisions governing the notice of sale of certain property; authorizing a petitioner to submit a notice through an electronic filing system pursuant to the Nevada Electronic Filing and Conversion Rules; making certain information concerning trusts confidential; revising provisions governing the classification of distribution of interests; revising the powers exercisable by the protector of a trust; revising provisions relating to the jurisdiction and venue of a trust; clarifying provisions relating to a notice provided by the trustee; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that the estate of a decedent may be settled by the district court of any county in which any part of the estate is located or where the decedent was a resident at the time of death. (NRS 136.010) **Section 1** of this bill provides that the jurisdiction of the settlement of the estate of a decedent may be assumed in the district court of any county in this State if: (1)

the decedent was a resident of this State at the time of death; or (2) any part of the estate is located in this State. Existing law further provides that, if a decedent was a resident of this State at his or her time of death, the district court of any county in this State may assume jurisdiction of the settlement of the estate only after considering the convenience of the forum to certain parties. (NRS 136.010) **Section 1** removes such provisions of law and instead provides that: (1) the venue of the settlement of the estate of the decedent is proper in any district court in this State; and (2) if an interested person objects to the venue on the basis of convenience, the court may determine the appropriate venue only after considering the convenience of the forum in relation to where the decedent died or owned property or the preferences of certain parties.

Existing law provides that if a homestead was selected by the spouses and recorded while both were living, the homestead, upon the death of either spouse, vests absolutely in the survivor. If no homestead was selected, existing law provides that the homestead may be set apart by the court to the surviving spouse, minor child or minor children of the decedent for a limited period if the court deems it advisable after considering, among other things, the needs and resources of the family. (NRS 146.050) **Section 2** of this bill clarifies that the court must consider the needs and resources of the surviving spouse, minor child or minor children of the decedent.

If the value of an estate does not exceed $100,000, existing law authorizes the estate of the decedent to be set aside and assigned in a certain order without administration. (NRS 146.070) **Section 3** of this bill authorizes the court to: (1) upon request, order any asset assigned and set apart to be distributed to a designated person who resides in this State; (2) order the designated person to distribute the assets to the persons entitled thereto; and (3) retain jurisdiction of the estate to enforce the orders of the court until the designated person can prove that all sums of money due and all property of the estate has been distributed properly.

Existing law requires a notice of the time and place of sale of real property to be published in a certain manner before the sale is made. Under existing law, the court may waive the requirement of publication if, among other things, the personal representative is the sole devisee or heir of the estate or if all devisees or heirs of the estate consent in writing. (NRS 148.220) **Section 4** of this bill provides that the court may waive the requirement of publication if the following persons consent in writing: (1) the personal representative, if he or she is the sole devisee or heir of the estate; (2) all devisees to whom the property is devised if the property is specifically devised in the decedent's will; (3) all residuary devisees if the property is not specifically devised in the decedent's will; or (4) in the case of an intestate estate, all heirs of the estate.

Existing law requires that before the court can confirm a sale of real property at a private sale, the court must first, among other things, determine that the real property has been appraised within 1 year before the time of sale. Under existing law, the court can waive the requirement of an appraisement: (1) for

good cause shown; or (2) if the personal representative is the sole devisee or heir of the estate, or if all devisees or heirs consent in writing to sale without an appraisal. (NRS 148.260) **Section 5** of this bill authorizes the court to waive the requirement of an appraisement if the following people consent in writing to sale without an appraisal: (1) the personal representative, if he or she is the sole devisee or heir of the estate; (2) all devisees to whom the property is devised, if the property is specifically devised in the will of the decedent; (3) all residuary devisees, if the property is not specifically devised in the will of the decedent; and (4) in the case of an intestate estate, all heirs to the estate.

Existing law requires a petitioner to provide notice of the time and place of the hearing of a petition to certain interested persons by: (1) mailing a copy by registered or ordinary first-class mail addressed to the person being notified; and (2) publishing a copy of the notice in certain newspapers under certain circumstances. (NRS 155.010) If the court has established an electronic filing system pursuant to the Nevada Electronic Filing and Conversion Rules, **section 6** of this bill authorizes a petitioner to provide such notice to certain interested persons by submitting a copy of the notice through the electronic filing system of the court or through any other electronic means.

Existing law authorizes the maker or legal representative of a maker of a will, trust or testamentary instrument to obtain declaratory relief under the testamentary instrument or with respect to the administration of the trust or certain estates for certain purposes. (NRS 30.040) **Section 7** of this bill additionally authorizes an interested person or the legal representative of an interested person to obtain declaratory relief under the same circumstances.

Section 9 of this bill provides that a settlor of a trust may use a method set forth in a trust instrument for determining whether the settlor or trustee is incapacitated. **Section 16** of this bill authorizes a trustee presenting a certification of trust to include a declaration that the incapacity of the former trustee has been established pursuant to **section 9** and that the current acting trustee has succeeded to the office of trustee. (NRS 164.410)

Section 13 of this bill provides that certain information concerning trusts in pleadings and filings is confidential. **Section 18** of this bill makes a conforming change to reflect that certain information concerning trusts in pleadings and filings is made confidential pursuant to **section 13**.

Existing law classifies a distribution interest, among other classifications, as a support interest if the trustee is required to make distributions to the beneficiary pursuant to an ascertainable standard. (NRS 163.4185) **Section 11** of this bill revises the circumstances under which a distribution interest is classified as a support interest.

Existing law prescribes the powers and duties of a protector of a trust. (NRS 163.5553) **Section 12** of this bill provides that, unless otherwise provided in the trust instrument: (1) the powers of a protector of a trust are fiduciary in nature; and (2) the trust instrument may define the scope and extent of the fiduciary standard applicable to the exercise of any of the powers and duties of a protector of a trust.

Existing law provides that under certain circumstances, the district court is required to assume jurisdiction of a trust as a proceeding in rem. If the trustee does not reside or conduct business in this State, existing law provides that jurisdiction is proper in this State if, among other requirements: (1) the trust expressly provides that the trust originated in this State or that a court in this State has jurisdiction; (2) under certain circumstances, a person has designated that the trust originated in this State or that this State has jurisdiction; or (3) one or more beneficiaries of the trust reside in this State. (NRS 164.010) **Section 14** of this bill: (1) provides that jurisdiction of a trust is proper in this State if the trust or a certain person expressly provides or designates that the trust originated in a county located in this State; (2) removes the requirement that one or more beneficiaries of the trust reside in this State; and (3) provides that jurisdiction is proper if any trustee resides or conducts business in this State.

Existing law also provides that, for the purposes of determining venue, the court must consider the preference of counties in a certain order. (NRS 164.010) **Section 14** specifies that for the purposes of determining venue in this State, the following preferences apply: (1) a county in which venue was most recently declared; (2) a county in which venue is declared in the trust instrument; (3) a county in which the situs or domicile of the trust is declared in a certification of trust; (4) a county in which any trustee resides or conducts business at the time of the filing of the petition; (5) a county in which any real property interest owned by the trust is located; and (6) a county in which any beneficiary resides.

Existing law authorizes a trustee to provide notice to certain persons after a revocable trust becomes irrevocable and generally prohibits any person who is provided notice from bringing an action to contest the validity of the trust more than 120 days after notice is served. (NRS 164.021) **Section 15** of this bill clarifies that the notice must contain the dispositive provisions of the trust instrument that pertain to the beneficiary or a complete copy of the trust instrument. **Section 15** also authorizes a person to consent in writing to a period shorter than 120 days in which to bring an action to contest the validity of the trust.

Section 17 of this bill makes a technical correction to a provision relating to the liability of a trustee or disinterested person who, in good faith, fails to take certain actions. (NRS 164.796)

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 136.010 is hereby amended to read as follows:

136.010 1. ~~[~~The~~]~~ ***Jurisdiction of the settlement of the*** estate of a decedent may be ~~[~~settled by~~]~~ ***assumed in*** the district court of any county in this State ~~[~~:~~]~~ ***if:***

(b) Where the decedent owned real property;

(c) The ***preference of the*** person named as personal representative or trustee in the will; and

~~[(b)]~~ ***(d)*** The ***preference of the*** heirs, devisees, interested persons or beneficiaries to the decedent or estate and their legal counsel.

3. After a properly noticed hearing is held, the district court that first assumes jurisdiction of the settlement of an estate has exclusive jurisdiction of the settlement of that estate, including, without limitation:

(a) The proving of wills;

(b) The granting of letters; and

(c) The administration of the estate.

Sec. 2. NRS 146.050 is hereby amended to read as follows:

146.050 1. If the homestead was selected by the spouses, or either of them, during their marriage, and recorded while both were living, as provided in chapter 115 of NRS, it vests, on the death of either spouse, absolutely in the survivor, unless vesting is otherwise required pursuant to subsection 2 of NRS 115.060.

2. If no homestead was so selected, a homestead may be set apart by the court to the surviving spouse, minor child or minor children of the decedent for a limited period if deemed advisable considering the needs and resources of the ~~[family]~~ ***surviving spouse, minor child or minor children of the decedent*** and the nature, character and obligations of the estate. The duration of the homestead must be designated in the order setting it apart and may not extend beyond the lifetime of the surviving spouse or the minority of any child of the decedent, whichever is longer. A homestead so set apart then vests, subject to the setting apart:

(a) If set apart from the separate property of the decedent, in the heirs or devisees of the decedent.

(b) If set apart from community property, one-half in the surviving spouse and one-half in the devisees of the decedent, or if no disposition is made, then entirely in the surviving spouse.

3. In either case referred to in subsection 1 or 2, the homestead is not subject to the payment of any debt or liability existing against the spouses, or either of them, at the time of death of either, unless the debt or liability is secured by a mortgage or lien.

Sec. 3. NRS 146.070 is hereby amended to read as follows:

146.070 1. All or part of the estate of a decedent may be set aside without administration by the order of the court as follows:

(a) If the value of a decedent's estate does not exceed $100,000, the estate may be set aside without administration by the order of the court; or

(b) If a decedent's will directs that all or part of the decedent's estate is to be distributed to the trustee of a nontestamentary trust established by the decedent and in existence at the decedent's death, the portion of the estate subject to such direction may be set aside without administration. Any portion of a decedent's estate set aside to the nontestamentary trust pursuant to this paragraph is subject to creditors of the estate unless the petitioner provides proof to the court that the trustee has published or mailed the requisite notice to such creditors on behalf of the nontestamentary trust and settlor pursuant to NRS 164.025.

2. Except as otherwise provided in subsection 3, the whole estate set aside pursuant to paragraph (a) of subsection 1 must be assigned and set apart in the following order:

(a) To the payment of the petitioner's attorney's fees and costs incurred relative to the proceeding under this section;

(b) To the payment of funeral expenses, expenses of last illness, money owed to the Department of Health and Human Services as a result of payment of benefits for Medicaid and creditors, if there are any;

(c) To the payment of other creditors, if any; and

(d) Any balance remaining to the claimant or claimants entitled thereto pursuant to a valid will of the decedent, and if there is no valid will, pursuant to intestate succession in accordance with chapter 134 of NRS.

3. If the value of the estate does not exceed $100,000 and the decedent is survived by a spouse or one or more minor children, the court must set aside the estate for the benefit of the surviving spouse or the minor child or minor children of the decedent, subject to any reduction made pursuant to subsection 4 or 5. The court may allocate the entire estate to the surviving spouse, the entire amount to the minor child or minor children, or may divide the estate among the surviving spouse and minor child or minor children.

4. As to any amount set aside to or for the benefit of the surviving spouse or minor child or minor children of the decedent pursuant to subsection 3, the court must set aside the estate without the payment of creditors except as the court finds necessary to prevent a manifest injustice.

5. To prevent an injustice to creditors when there are nonprobate transfers that already benefit the surviving spouse or minor child or minor children of the decedent, the court has the discretion to reduce the amount set aside under subsection 3 to the extent that the value of the estate, when combined with the value of nonprobate transfers, as defined in NRS 111.721, from the decedent to or for the benefit of the surviving spouse or minor child or minor children of the decedent exceeds $100,000.

6. In exercising the discretion granted in this section, the court shall consider the needs and resources of the surviving spouse and minor child or minor children, including any assets received by or for the benefit of the surviving spouse or minor child or minor children from the decedent by nonprobate transfers.

7. For the purpose of this section, a nonprobate transfer from the decedent to one or more trusts or custodial accounts for the benefit of the surviving spouse or minor child or minor children shall be considered a transfer for the benefit of such spouse or minor child or minor children.

8. Proceedings taken under this section must not begin until at least 30 days after the death of the decedent and must be originated by a petition containing:

(a) A specific description of all property in the decedent's estate;

(b) A list of all known liens and encumbrances against estate property at the date of the decedent's death, with a description of any that the petitioner believes may be unenforceable;

(c) An estimate of the value of the property, together with an explanation of how the estimated value was determined;

(d) A statement of the debts of the decedent so far as known to the petitioner;

(e) The names and residences of the heirs and devisees of the decedent and the age of any who is a minor and the relationship of the heirs and devisees to the decedent, so far as known to the petitioner; and

(f) If the decedent left a will, a statement concerning all evidence known to the petitioner that tends to prove that the will is valid.

9. If the petition seeks to have the estate set aside for the benefit of the decedent's surviving spouse or minor child or minor children without payment to creditors, the petition must also contain:

(a) A specific description and estimated value of property passing by one or more nonprobate transfers from the decedent to the surviving spouse or minor child or minor children; or

(b) An allegation that the estimated value of the property sought to be set aside, combined with the value of all nonprobate transfers from the decedent to the surviving spouse or minor child or minor children who are seeking to receive property pursuant to this section, is less than $100,000.

10. When property is distributed pursuant to an order granted under this section, the court may allocate the property on a pro rata basis or a non-pro rata basis.

11. The clerk shall set the petition for hearing and the petitioner shall give notice of the petition and hearing in the manner provided in NRS 155.010 to the decedent's heirs and devisees and to the Director of the Department of Health and Human Services. If a complete copy of the petition is not enclosed with the notice, the notice must include a statement setting forth to whom the estate is being set aside.

12. No court or clerk's fees may be charged for the filing of any petition in, or order of court thereon, or for any certified copy of the petition or order in an estate not exceeding $2,500 in value.

13. At the hearing on a petition under this section, the court may require such additional evidence as the court deems necessary to make the findings required under subsection 14.

14. The order granting the petition shall include:

(a) The court's finding as to the validity of any will presented;

(b) The court's finding as to the value of the estate and, if relevant for the purposes of subsection 5, the value of any property subject to nonprobate transfers;

(c) The court's determination of any property set aside under subsection 2;

(d) The court's determination of any property set aside under subsection 3, including, without limitation, the court's determination as to any reduction made pursuant to subsection 4 or 5; and

(e) The name of each distributee and the property to be distributed to the distributee.

15. As to the distribution of the share of a minor child set aside pursuant to this section, the court may direct the manner in which the money may be used for the benefit of the minor child as is deemed in the court's discretion to be in the best interests of the minor child, and the distribution of the minor child's share shall be made as permitted for the minor child's share under the terms of the decedent's will or to one or more of the following:

(a) A parent of such minor child, with or without the filing of any bond;

(b) A custodian under chapter 167 of NRS; or

(c) A court-appointed guardian of the estate, with or without bond.

16. ***The court, upon request of a petitioner under this section and upon such terms and conditions the court deems advisable to protect any interested person of the estate:***

(a) May order that any asset assigned and set apart pursuant to subsection 2 be distributed first to a designated person who resides in this State and is otherwise qualified pursuant to NRS 139.010;

(b) May order the designated person to distribute the assets to the person or persons entitled thereto; and

(c) Shall retain jurisdiction to enforce its orders until the designated person demonstrates to the court, by the production of satisfactory receipts, that all sums of money due and all the property of the estate has been distributed to the persons entitled thereto and all acts lawfully required have been performed.

17. For the purposes of this section, the value of property must be the fair market value of that property, reduced by the value of all enforceable liens and encumbrances. Property values and the values of liens and encumbrances must be determined as of the date of the decedent's death.

Sec. 4. NRS 148.220 is hereby amended to read as follows:

148.220 1. Notice of the time and place of sale of real property must be published in a newspaper published in the county in which the property, or some portion of the property, is located, if there is one so published, and if not, then in such paper as the court directs, for 2 weeks, being three publications, 1 week apart, before the day of sale or, in the case of a private sale, before the day on or after which the sale is to be made. For good cause shown, the court may decrease the number of publications to one and shorten the time for publication to a period not less than 8 days.

2. The court may waive the requirement of publication if:

(a) The ~~[personal representative is the sole devisee or heir of the estate, or if all devisees or heirs of the estate]~~ ***following persons*** consent in writing ~~[;]~~ ***:***

(1) The personal representative, if he or she is the sole devisee or heir of the estate;

(2) If the property is specifically devised in the will of the decedent, all devisees to whom the property is devised;

(3) If the property is not specifically devised in the will of the decedent, all residuary devisees; or

(4) In the case of an intestate estate, all heirs of the estate.

(b) The personal representative provides proof that the property has been publicly listed in a public property listing service for a period of not less than 30 days; or

(c) The estate is subject to a lien or mortgage on the property in excess of the value of the real property and the estate has entered into an agreement with the holder of the lien or mortgage to waive the deficiency and accept the net sales proceeds.

3. If it appears from the inventory and appraisement that the value of the property to be sold does not exceed $5,000, the personal representative may waive the requirement of publication and, in lieu thereof, post a notice of the time and place of sale in three of the most public places in the county in which the property, or some portion of the property, is located, for 2 weeks before the day of the sale or, in the case of a private sale, before the day on or after which the sale is to be made.

4. The property proposed to be sold must be described with common certainty in the notice.

Sec. 5. NRS 148.260 is hereby amended to read as follows:

148.260 1. Except as otherwise provided in subsection 2, a sale of real property at a private sale must not be confirmed by the court unless the court is satisfied that the sum offered represents the fair market value of the property sold and the real property has been appraised within 1 year before the time of sale. If the property has not been appraised, a new appraisement must be performed, as in the case of an original appraisement of an estate, at any time before the sale or confirmation of the property.

2. The court may waive the requirement of an appraisement:

(a) For good cause shown; ~~[or]~~

(b) ~~[If the]~~ ***The*** personal representative ***, if he or she*** is the sole devisee or heir of the estate ~~[, or if all devisees or heirs]~~ ***;***

(c) If the property is specifically devised in the will of the decedent, all devisees to whom the property is devised consent in writing to sale without an appraisal;

(d) If the property is not specifically devised in the will of the decedent, all residuary devisees consent in writing to sale without an appraisal; or

(e) In the case of an intestate estate, all heirs to the estate consent in writing to the sale without an appraisal,

➥ in which case the personal representative may rely on the assessed value of the property for taxation in obtaining confirmation of the sale.

Sec. 6. NRS 155.010 is hereby amended to read as follows:

155.010 1. Except as otherwise provided in this section or a specific statute relating to the kind of notice required or otherwise ordered by the court in a particular instance, a petitioner shall cause notice of the time and place of the hearing of a petition to be given to each interested person and to every other person entitled to notice pursuant to this title or his or her attorney if the person has appeared by attorney or requested that notice be sent to his or her attorney. Notice must be given:

(a) By mailing a copy thereof at least 10 days before the time set for the hearing by certified, registered or ordinary first-class mail addressed to the person being notified at the post office address given in the person's demand for notice, if any, or at his or her office or place of residence, if known, or by personally delivering a copy thereof to the person being notified at least 10 days before the time set for the hearing; ~~[or]~~

(b) ***By submitting a copy thereof through an electronic filing system, if the court establishes such a system pursuant to the Nevada Electronic Filing and Conversion Rules or by any other electronic means if the interested person or person entitled to notice consents in writing; or***

(c) If the address or identity of the person is not known and cannot be ascertained with reasonable diligence, by publishing at least once a week for 3 consecutive weeks a copy thereof in a newspaper having general circulation in the county where the hearing is to be held, the last publication of which must be at least 10 days before the date set for the hearing.

2. A person who, for the purposes of the matter to be considered at a hearing, is not an interested person is not entitled to notice of that hearing.

3. The court, for good cause shown, may provide for a different method or time of giving notice for any hearing, or may dispense with the notice otherwise required to be given to a person under this title.

4. Proof of the giving of notice must be made on or before the hearing and filed in the proceeding.

5. A person entitled to notice may, in writing, waive notice of the hearing of a petition.

6. Notice given pursuant to paragraph (b) or (c) of subsection 1 is complete upon electronic submission of any kind, unless the petitioner is

(b) The trustee gives written notice of his or her intention to convert the trust to a unitrust, including how the unitrust will operate, the income distributions rate established pursuant to subsection 3 of NRS 164.797 and subsection 1 of NRS 164.799, and what initial decisions the trustee will make pursuant to this section, to all beneficiaries who:

(1) Are presently eligible to receive income from the trust;

(2) Would be eligible, if a power of appointment were not exercised, to receive income from the trust if the interest of any beneficiary eligible to receive income terminated immediately before the trustee gives notice; and

(3) Would receive, if a power of appointment were not exercised, a distribution of principal if the trust terminated immediately before the trustee gives notice;

(c) There is at least one beneficiary who meets the requirements of subparagraph (1) of paragraph (b) and at least one beneficiary who meets the requirements of subparagraph (2) of paragraph (b); and

(d) No beneficiary objects, in writing and delivered to the trustee within 60 days of the mailing of the notice, to the conversion of the trust to a unitrust.

2. If a beneficiary timely objects to converting a trust into a unitrust, or if there are no beneficiaries under either subparagraph (1) or (3) of paragraph (b) of subsection 1, the trustee may petition the court to approve the conversion of the trust into a unitrust. The court shall approve the conversion if the court concludes that the conversion will enable the trustee to better carry out the intent of the settlor and the purpose of the trust.

3. A beneficiary may request that a trustee convert a trust into a unitrust. If the trustee does not convert the trust, the beneficiary may petition the court to order the conversion. The court shall direct the conversion if the court concludes that the conversion will enable the trustee to better carry out the intent of the settlor and the purpose of the trust.

4. A trustee, in determining whether and to what extent to convert a trust to a unitrust pursuant to subsection 1, shall consider all factors relevant to the trust and to the beneficiaries, including the factors set forth in subsection 2 of NRS 164.795, as applicable.

6. A trustee may not convert a trust into a unitrust in any circumstance set forth in subsection 3 of NRS 164.795.

cotrustee may convert the trust unless the exercise of the power by the remaining trustee is not permitted by the terms of the trust. If all trustees are prevented from converting a trust because a provision of paragraph (e), (f), (g) or (h) of subsection 3 of NRS 164.795 applies to all of the trustees, the trustees may petition the court to direct a conversion.

8. A trustee may permanently, or for a specified period, including a period measured by the life of a person, release the power to convert a trust pursuant to subsection 1 if:

(a) The trustee is uncertain about whether possessing or exercising the power of conversion will cause a result described in paragraphs (a) to (f), inclusive, or (h) of subsection 3 of NRS 164.795; or

(b) The trustee determines that possessing or exercising the power of conversion may or will deprive the trust of a tax benefit or impose a tax burden not described in subsection 3 of NRS 164.795.

9. A trustee or disinterested person who, in good faith, ***takes or*** fails to take any action under this section is not liable to any person affected by such action or inaction, regardless of whether the affected person received notice as provided in this section or was under a legal disability at the time of delivery of notice. An affected person's exclusive remedy is to petition the court for an order directing the trustee to convert the trust into a unitrust, to reconvert a unitrust into a trust or to change the percentage used to calculate the unitrust amount.

10. This section shall be construed to pertain to the administration of a trust, and the provisions of this section are available to any trust administered in this State or that is governed by the laws of this State, unless:

(a) The terms of the trust instrument show an intent that a beneficiary is to receive an amount other than a reasonable current return from the trust;

(b) The trust:

(c) One or more persons to whom the trustee could distribute income have a power of withdrawal over the trust that is not subject to an ascertainable standard or that can be exercised to discharge a duty of support; or

(d) The terms of the trust instrument expressly prohibit the use of the provisions of this section through reference to this section or the trust instrument expressly states the settlor's intent that net income is not calculated as a unitrust amount.

11. As used in this section, "ascertainable standard" means a standard relating to an individual's health, education, support or maintenance within the meaning of section 2041(b)(1)(A) or 2514(c)(1) of the Internal Revenue Code and any regulations of the United States Treasury promulgated thereunder.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 702.

AN ACT relating to common-interest communities; revising provisions relating to the requirement that the executive board of a unit-owners' association make certain records available for review at a designated location;

~~[requiring a unit's owner to pay the actual costs incurred by the association in providing such records under certain circumstances; prohibiting certain persons from taking retaliatory action against a unit-owners' association or certain other persons associated with the association; prohibiting certain persons within a common-interest community from bullying another person within that same common-interest community; revising the definition of the term violation relating to violations of the laws governing common-interest communities;]~~ authorizing the Commission for Common-Interest Communities and Condominium Hotels **or a hearing panel** to impose certain sanctions on a person who files certain affidavits with the Real Estate Division of the Department of Business and Industry; ~~[requiring the Division to take certain actions before referring an affidavit relating to a violation to the Ombudsman for Owners in Common-Interest Communities and Condominium Hotels;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Existing law requires the executive board of a unit-owners' association of a common-interest community to make certain financial records available for review at the business office of the association or some other nearby location including, among other records, certain personnel records of the employees of the association relating to the number of hours worked and the salaries and benefits of those employees. (NRS 116.31175) Section 1 of this bill excludes from the records the executive board must make available any personnel records of the employees of the association, including, without limitation, employment contracts, information regarding the salaries and benefits of employees and any other information concerning the employees of the association.~~

~~Existing law requires the executive board to provide, upon request: (1) a copy of such records to the unit's owner or the Ombudsman for Owners in Common-Interest Communities and Condominium Hotels; (2) a copy in electronic format at no charge to the unit's owner or the Ombudsman; or (3) if the board is unable to provide a copy in electronic format, a copy in paper format at a cost not to exceed a certain amount per page of the record.]~~ Existing law prohibits the executive board **of a unit-owners' association of a common-interest community** from requiring a unit's owner to pay an amount in excess of $10 per hour to review any books, records, contracts or other papers of the association. (NRS 116.31175) **Section 1** ~~[revises this prohibition and instead authorizes the executive board to require a unit's owner or Ombudsman to pay the actual costs incurred by the association for the unit's owner to review any such record.~~

~~Existing law provides that if a unit's owner is the subject of a retaliatory action based on certain complaints or requests, the unit's owner may bring an action to recover compensatory damages and attorney's fees and costs. (NRS 116.31183) Section 2 of this bill prohibits a unit's owner, tenant or guest or invitee of a unit's owner or tenant to take, or direct or encourage another person to take, any retaliatory action against the executive board, a member of the~~

~~executive board, a community manager or an officer, employee or agent of the association based on certain actions taken by the executive board, member, community manager or officer, employee or agent. Section 2 also provides that the executive board, member, community manager or officer, employee or agent may bring an action to recover compensatory damages and attorney's fees and costs from the person who took such a retaliatory action.~~

~~Existing law prohibits certain persons within a common-interest community from threatening, harassing or otherwise engaging in certain courses of conduct against another person within that same common-interest community. (NRS 116.31184) Section 2.5 of this bill additionally prohibits certain persons within a common-interest community from bullying another person within that same common-interest community.~~

~~Section 3 of this bill revises the definition of the term "violation" for the purposes of existing law relating to violations of the laws governing common-interest communities to include a violation of the provision of law that prohibits a person from threatening, harassing or otherwise engaging in bullying or a course of conduct against certain persons in a unit-owners' association which: (1) causes harm or serious emotional distress, or the reasonable apprehension thereof to that person; or (2) creates a hostile environment for that person. (NRS 116.31184, 116.745)]~~ **increases the maximum hourly amount the executive board may require a unit's owner to pay to review any books, records, contracts or other papers of the association to $25 per hour.**

Existing law authorizes a person who is aggrieved by an alleged violation to file with the Real Estate Division of the Department of Business and Industry a written affidavit which includes certain information. Existing law authorizes the Commission for Common-Interest Communities and Condominium Hotels or a hearing panel to impose ~~[certain]~~ **an** administrative ~~[fines]~~ **fine of not more than $1,000** against ~~[a]~~ **any** person who knowingly files a false or fraudulent affidavit with the Division. (NRS 116.760) **Section 4** of this bill **: (1) increases the maximum amount of the administrative fine to not more than $10,000; and (2)** additionally authorizes the Commission or hearing panel to impose sanctions that disqualify a person from serving as a member of the executive board for a period of not more than 10 years against any person who **knowingly** files a ~~[vexatious, misleading, retaliatory, frivolous,]~~ false or fraudulent affidavit with the Division.

~~[Existing law provides that upon receipt of such an affidavit, the Division must refer the affidavit to the Ombudsman. (NRS 116.765) Section 5 of this bill requires the Division to determine whether the alleged violation, if assumed to be true, would constitute a violation before referring the affidavit to the Ombudsman.]~~

Section 4 also authorizes the Commission or a hearing panel to designate a person as a vexatious affiant if the Commission or hearing panel has imposed an administrative fine or sanctions against the person for knowingly filing a false or fraudulent affidavit with the Division on

two or more occasions. Under section 4, if the Commission or a hearing panel has designated a person as a vexatious affiant, then: (1) the Commission or hearing panel is required to transmit a copy of the order designating the person as a vexatious affiant to the Division; and (2) the Division shall not thereafter accept an affidavit filed by the person unless the person first submits a copy of the affidavit to the Ombudsman for Owners in Common-Interest Communities and Condominium Hotels and, after reviewing the affidavit, the Ombudsman grants leave for the person to file the affidavit with the Division.

The following amendment was proposed by the Committee on Growth and Infrastructure:

Amendment No. 592.

AN ACT relating to motorcycles; revising provisions relating to penalties for driving without a motorcycle driver's license, motorcycle endorsement or permit to operate a motorcycle; ~~[establishing certain requirements for the renewal of a motorcycle endorsement to a driver's license;]~~ revising certain requirements for instructors for the Program for the Education of Motorcycle Riders; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law prohibits a resident of this State from driving a motorcycle upon a highway unless that person holds a valid motorcycle driver's license, a driver's license with a motorcycle endorsement or a permit to operate a motorcycle. (NRS 486.061) Existing law also provides that any person who violates this requirement is guilty of a misdemeanor. (NRS 486.381) **Section 3** of this bill provides that a court must allow such a person to complete a course of motorcycle safety in lieu of imposing a fine for such a violation which must be completed within 9 months of the issuance of the final order.

~~[Existing law provides that a motorcycle endorsement to a driver's license expires simultaneously with the expiration of the driver's license. (NRS 486.161) Existing regulations provide that a driver's license expires on the eighth anniversary of the birthday of the licensee, measured from the birthday of the licensee nearest the date of issuance or renewal. (NAC 483.043) Section 4 of this bill requires that an applicant for the renewal of a motorcycle endorsement, except for the first renewal of the motorcycle endorsement, provide proof that the applicant has successfully completed a course of motorcycle safety in the immediately preceding 12 months before the applicant may renew the motorcycle endorsement. Section 4 also provides that an applicant who submits such proof is not required to submit such proof again at any subsequent renewal that occurs within 7 years after such submission. Section 7 of this bill provides that this requirement does not take effect until January 1, 2032.]~~

Existing law requires the Director of the Department of Motor Vehicles to establish the Program for the Education of Motorcycle Riders and sets forth certain eligibility requirements for instructors of the Program. (NRS 486.372,

486.375) **Section 6** of this bill removes the eligibility requirements that a Program instructor: (1) be a resident of this State or a member of the Armed Forces of the United States stationed at a military installation located in Nevada; and (2) has held a motorcycle driver's license or endorsement for at least 2 years.

AN ACT relating to unmanned aerial vehicles; requiring the Department of Public Safety to adopt certain regulations relating to unmanned aerial vehicles; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law governs the usage of unmanned aerial vehicles by the State and its political subdivisions and private citizens. (NRS 493.103-493.118) A public agency other than a law enforcement agency may, for specified public purposes prescribed in regulations adopted by the Department of Public Safety, employ an unmanned aerial vehicle that has been registered with the Department. (NRS 493.118; NAC 493.100) **Section** ~~[1.7]~~ **1.9** of this bill requires the Department to adopt regulations to establish: (1) a list of countries, businesses and entities from which a public agency or law enforcement agency shall not purchase or acquire any unmanned aerial vehicle or other equipment or service relating to the operation of an unmanned aerial vehicle; and (2) a list of unmanned aerial vehicles and other related equipment or services that a public agency or law enforcement agency shall not operate, purchase or acquire. **Sections 1 and 1.3** of this bill prohibit **effective January 1, 2025,** a public agency or law enforcement agency from operating, purchasing or acquiring any unmanned aerial vehicle or other equipment or service relating to the operation of an unmanned aerial vehicle in violation of the regulations adopted by the Department.

Section 1.7 of this bill requires the Department to adopt regulations to: (1) authorize a public agency to conduct scheduled inspections to ensure compliance with building and fire codes and laws, ordinances, regulations and

rules adopting or establishing building and fire codes; (2) prohibit a public agency from collecting any photograph, image or recording through the operation of an unmanned aerial vehicle during the scheduled inspection; and (3) provide that if a photograph, image or recording or other information is collected through the operation of an unmanned aerial vehicle during a scheduled inspection, such photograph, image, recording or other information is not admissible and must not be disclosed in any proceeding other than a proceeding relating to the purpose of the scheduled inspection.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 493.112 is hereby amended to read as follows:

493.112 1. Except as otherwise provided in this section, nothing in this section shall be deemed to otherwise prohibit the operation of an unmanned aerial vehicle by a law enforcement agency for any lawful purpose in this State.

2. Except as otherwise provided in subsection 3, a law enforcement agency shall not operate an unmanned aerial vehicle for the purpose of gathering evidence or other information within the curtilage of a residence or at any other location or upon any property in this State at which a person has a reasonable expectation of privacy, unless the law enforcement agency first obtains a warrant from a court of competent jurisdiction authorizing the use of the unmanned aerial vehicle for that purpose. A warrant authorizing the use of an unmanned aerial vehicle must specify the period for which operation of the unmanned aerial vehicle is authorized. A warrant must not authorize the use of an unmanned aerial vehicle for a period of more than 10 days. Upon motion and a showing of probable cause, a court may renew a warrant after the expiration of the period for which the warrant was initially issued.

3. A law enforcement agency may operate an unmanned aerial vehicle without obtaining a warrant issued pursuant to subsection 2:

(a) If the law enforcement agency has probable cause to believe that a person has committed a crime, is committing a crime or is about to commit a crime, and exigent circumstances exist that make it unreasonable for the law enforcement agency to obtain a warrant authorizing the use of the unmanned aerial vehicle.

(b) If a person provides written consent to the law enforcement agency authorizing the law enforcement agency to acquire information about the person or the real or personal property of the person. The written consent must specify the information to be gathered and the time, place and manner in which the information is to be gathered by the law enforcement agency.

(c) For the purpose of conducting search and rescue operations for persons and property in distress.

(d) Under circumstances in which the law enforcement agency believes that an imminent threat exists to the life and safety of an individual person or to the public at large, including, without limitation, the threat of an act of terrorism. A law enforcement agency that operates an unmanned aerial vehicle pursuant

to this paragraph shall document the factual basis for its belief that such an imminent threat exists and shall, not later than 2 business days after initiating operation, file a sworn statement with a court of competent jurisdiction describing the nature of the imminent threat and the need for the operation of the unmanned aerial vehicle.

(e) Upon the declaration of a state of emergency or disaster by the Governor. A law enforcement agency that operates an unmanned aerial vehicle pursuant to this paragraph shall not use the unmanned aerial vehicle outside of the geographic area specified in the declaration or for any purpose other than the preservation of public safety, the protection of property, or the assessment and evaluation of environmental or weather-related damage, erosion or contamination.

4. Any photograph, image, recording or other information that is acquired by a law enforcement agency through the operation of an unmanned aerial vehicle in violation of this section, or that is acquired from any other person or governmental entity, including, without limitation, a public agency and any department or agency of the Federal Government, that obtained the photograph, image, recording or other information in a manner inconsistent with the requirements of this section, and any evidence that is derived therefrom:

(a) Is not admissible in and must not be disclosed in a judicial, administrative or other adjudicatory proceeding; and

(b) May not be used to establish reasonable suspicion or probable cause as the basis for investigating or prosecuting a crime or offense.

5. ~~[A]~~ Except as otherwise provided in this subsection, a law enforcement agency shall not operate, purchase or acquire any unmanned aerial vehicle or other equipment or service relating to the operation of an unmanned aerial vehicle in violation of the regulations adopted by the Department pursuant to subsection 6 of NRS 493.118. A law enforcement agency may operate or use an unmanned aerial vehicle or other equipment or service relating to the operation of an unmanned aerial vehicle that was purchased or acquired before the effective date of the regulations adopted by the Department pursuant to subsection 6 of NRS 493.118.

Sec. 1.3. NRS 493.115 is hereby amended to read as follows:

2. Any photograph, image, recording or other information that is acquired by a public agency through the operation of an unmanned aerial vehicle in violation of this section, and any evidence that is derived therefrom:

Amendment No. 684.

AN ACT relating to property; establishing and revising various definitions relating to property; establishing provisions relating to fees charged by landlords to prospective tenants; prohibiting landlords from transferring, selling, assigning or reporting to certain agencies information concerning amounts owed by tenants to landlords; establishing provisions relating to circumstances under which a landlord changes his or her agent, broker or property management company; **requiring a rental agreement to include separate appendices that contain certain information; making it unlawful for a landlord or certain other persons to charge a tenant certain fees;** making various changes relating to fees, fines, deposits and costs paid by tenants; requiring rental agreements to include a grace period for the late payment of rent; requiring a tenant to be served with advance notice of increases in certain fees, fines and costs; revising provisions relating to agents of attorneys who serve certain notices relating to evictions; revising provisions relating to representation in small claim actions; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires a landlord and a tenant to perform certain obligations with respect to a lease of real property. (NRS 118A.240-118A.300) As part of a lease of real property, a landlord may require a tenant to pay a security deposit, defined as a payment, deposit, fee or charge used by the landlord to: (1) remedy a default in the payment of rent by the tenant; (2) repair damage to the premises other than normal wear; and (3) clean the dwelling unit. (NRS 118A.240, 118A.242) **Section 5** of this bill defines the term "security deposit" to mean a deposit made in cash or by any other acceptable manner to a landlord for any of the following purposes: (1) remedying any default of the tenant in the payment of periodic rent, including, without limitation, the cost of any fee for the late payment of rent; (2) repairing damage to the premises caused by the tenant other than normal wear; and (3) cleaning the unit. **Section 28** of this bill repeals the existing definition of "security deposit."

Existing law requires a landlord to return a security deposit, or any remaining portion thereof, within 30 days after the termination of the tenancy and makes the landlord liable for certain amounts for failing to return the security deposit within this period. (NRS 118A.242) **Section 15** of this bill requires a landlord to deliver an itemized, written accounting of the disposition of the security deposit or surety bond, or a combination thereof in certain circumstances; (2) prescribes how delivery of the itemized, written accounting must be effectuated by the landlord; and (3) makes the landlord liable for certain amounts for failing to deliver the itemized, written accounting. **Section 15** also provides that in any action relating to an amount claimed of a

security deposit for repairing damage to the premises caused by the tenant, the landlord has the burden of proving: (1) that the damage to the premises occurred during the tenancy; and (2) the actual costs of repair.

Existing law defines "normal wear" as deterioration which occurs without negligence, carelessness or abuse of the premises, equipment or chattels by the tenant, a member of the household of the tenant or another person on the premises with the consent of the tenant. (NRS 118A.110) **Section 11** of this bill revises the definition of "normal wear" to mean expected deterioration which occurs during the course of a tenancy from the normal use of the premises by such persons.

Existing law requires written rental agreements to contain certain provisions, including, without limitation, provisions concerning **: (1)** the amount of rent and the manner and time of its payment **[.] ; and (2) fees which are required and the purposes for which they are required.** (NRS 118A.200) Existing law authorizes a landlord to charge a reasonable fee for the late payment of rent. (NRS 118A.210) **Section 12** of this bill **[additionally]** requires such rental agreements to include a grace period for the late payment of rent. **Section 13** of this bill prohibits a landlord from charging the fee for the late payment of rent until the expiration of the grace period set forth in the rental agreement. **Section 4** of this bill defines the term "grace period" for such purposes. **Section 12** also **[**requires certain information relating to fees, fines and costs to be: (1) disclosed in writing to the tenant before he or she enters into a written rental agreement or otherwise begins the tenancy; and (2) printed clearly and conspicuously on the first page of the written rental agreement or clearly and conspicuously disclosed within the addenda to the written rental agreement, if applicable, that must be signed by the landlord or his or her agent and the tenant or his or her agent.**]** **: (1) requires a written rental agreement to include a separate appendix that contains an explanation of each fee that may be charged during the term of the rental agreement and the purpose for which the fee may be charged; and (2) makes it unlawful for a landlord or other person authorized to enter into a rental agreement on his or her behalf to charge a tenant a fee in an amount or for any purpose that is not set forth in the appendix. Finally, section 12 requires a written rental agreement to also include a separate appendix that contains an explanation of the rights of the tenant pursuant to federal and state law and local ordinances.**

Existing law places certain prohibitions on rental agreements. (NRS 118A.220) **Section 14** of this bill prohibits rental agreements from requiring tenants to pay any fee, fine or cost except those which are: (1) authorized by statute; or (2) actual and reasonable. **Sections 12, 19-21 and 24** of this bill make conforming changes relating to the limitations on fees, fines and costs.

Section 7 of this bill authorizes a landlord to charge a fee for the eviction of a tenant. **[**Additionally, section**]** **Section 6** of this bill **[**: (1) authorizes**]** **requires** a landlord **[**to charge a single fee to every prospective tenant**]** who

~~[intends to occupy one dwelling unit; and (2) prohibits a landlord from charging a]~~ **collects from a prospective tenant any** fee **to apply to rent a dwelling unit to refund the fee if the landlord: (1) rents the dwelling unit** to ~~[other]~~ **a different** prospective ~~[tenants who submit applications for occupancy of the same dwelling unit unless the initial application or applications, as applicable, for that dwelling unit have been denied.]~~ **tenant; and (2) does not conduct the activity for which the fee was collected. Section 6 further prohibits a landlord from collecting an application fee, a fee to obtain a credit report or a fee to obtain a background check for a minor who is a member of the household of the prospective tenant.**

Section 8 of this bill prohibits a landlord from transferring, selling, assigning or reporting to certain agencies any amount owed by the tenant, unless the landlord first delivers to the tenant an itemized, written accounting of all outstanding amounts owed by the tenant. **Section 8.5** of this bill requires any action for the enforcement of any provision of a rental agreement to be brought: (1) not later than 2 years after the termination of the tenancy; and (2) as a small claims action, if certain jurisdictional limits apply to the amount owed by the tenant.

Section 9 of this bill provides that if a landlord changes his or her agent, broker or property management company, the landlord or the new agent, broker or company is required to send certain information to the tenant within 10 business days after the change.

Existing law prohibits a landlord from increasing the rent of a tenant unless the tenant is served with advance notice of the increase. (NRS 118A.300) **Section 18** of this bill similarly prohibits a landlord from increasing certain fees, fines and costs charged to the tenant unless the tenant is served with advance notice of the increase.

Existing law provides that if a tenant's failure to perform basic obligations can be remedied by cleaning and the tenant fails to comply with a request to remedy such failure in a timely manner, the landlord may enter the dwelling unit, cause the work to be done and bill the tenant. (NRS 118A.440) **Section 22** of this bill deletes this provision of existing law.

Existing law requires a tenant to be served with certain notices relating to evictions. Existing law also provides that certain notices may be served by an agent of an attorney who is licensed in this State if: (1) the attorney has been retained by the landlord in certain actions; and (2) the agent is acting at the direction and under the direct supervision of the attorney. (NRS 40.280) In addition to the existing requirements concerning such agents, **section 25** of this bill prohibits the agent from being employed as a property manager in this State.

Existing law authorizes a nongovernmental legal or commercial entity to be represented by its director, officer or employee in an action in small claims court. (NRS 73.012) Similarly, **section 26** of this bill authorizes a landlord to be represented by his or her agent in a small claims action.

Section 26.5 of this bill provides that the amendatory provisions of this bill do not apply to a tenant of a dwelling unit that is a manufactured home, or on the premises of a manufactured home lot or a manufactured home park.

Finally, **section 27** of this bill provides that a rental agreement entered into before the effective date of this bill is binding upon the parties and may be enforced on or after that date, regardless of whether the provisions of the rental agreement conflict with the amendatory provisions of this bill.

(a) There are rebuttable presumptions in NRS 205.0813 and 205.0817 that the tenant does not have lawful occupancy of the dwelling unless the agreement:

(1) Is notarized or is signed by an authorized agent of the landlord who at the time of signing holds a permit to engage in property management pursuant to chapter 645 of NRS; and

(2) Includes the current address and telephone number of the landlord or his or her authorized representative; and

(1) Is notarized or is signed by an authorized agent of the landlord who at the time of signing holds a permit to engage in property management pursuant to chapter 645 of NRS; or

(2) Includes the current address and telephone number of the landlord or his or her authorized representative.

~~*6.]*~~ The absence of a written agreement raises a disputable presumption that:

(a) There are no restrictions on occupancy by children or pets.

(b) Maintenance and waste removal services are provided without charge to the tenant.

(c) ~~[No charges for partial or late payments of rent or for dishonored checks are paid by the tenant.]~~ ***There is no fee for the late payment of rent.***

6. ~~*[7.]*~~ It is unlawful for a landlord or any person authorized to enter into a rental agreement on his or her behalf to use any written agreement which does not conform to the provisions of this section, and any provision in an agreement which contravenes the provisions of this section is void.

7. ***It is unlawful for a landlord or any person authorized to enter into a rental agreement on his or her behalf to charge a tenant a fee in an amount or for any purpose that is not set forth in the appendix to the rental agreement that is required pursuant to paragraph (n) of subsection 3.***

Sec. 13. NRS 118A.210 is hereby amended to read as follows:

118A.210 1. Rent is payable without demand or notice at the time and place agreed upon by the parties.

2. Unless the rental agreement establishes a definite term, the tenancy is from week to week in the case of a tenant who pays weekly rent and in all other cases the tenancy is from month to month.

(b) Rent for the use and occupancy of a dwelling is the fair rental value for the use and occupancy.

4. A landlord may charge a reasonable late fee for the late payment of rent as set forth in the rental agreement, but:

(a) In a tenancy that is longer than week to week, no late fee may be charged or imposed until at least 3 calendar days after the date that rent is due;

(b) Such a late fee must not exceed 5 percent of the amount of the periodic rent; ~~[and]~~

(c) ***Such a late fee must not be charged until the expiration of the grace period set forth in the rental agreement; and***

2. Any provision prohibited by subsection 1 is void as contrary to public policy and the tenant may recover any actual damages incurred through the inclusion of the prohibited provision.

Sec. 15. NRS 118A.242 is hereby amended to read as follows:

118A.242 1. The landlord may not demand or receive a security deposit or a surety bond, or a combination thereof, including the last month's rent, whose total amount or value exceeds 3 months' periodic rent.

(c) Clean the dwelling unit.

3. The landlord:

~~[5. If a tenant disputes an item contained in an itemized written accounting received from a landlord pursuant to subsection 4, the tenant may send a written response disputing the item to the surety. 6. ***The delivery of the itemized, written accounting must be effectuated by the landlord by:***

(b) Mailing the itemized, written accounting to the tenant at the present address of the tenant, if known, or the last known address of the tenant, if the present address of the tenant is unknown.

7. If the landlord fails or refuses to ***deliver the itemized, written accounting or*** return the remainder of a security deposit within 30 days after the end of a tenancy, the landlord is liable to the tenant for damages :

(a) In an amount equal to the entire security deposit; and

Sec. 18. NRS 118A.300 is hereby amended to read as follows:

118A.300 The landlord may not increase ~~[the]~~ ***:***

1. The rent payable by a tenant unless the landlord serves the tenant with a written notice, ~~[60]~~ ***at least 60*** days or, in the case of any periodic tenancy of less than 1 month, ~~[30]~~ ***at least 30*** days in advance of the first rental payment to be increased, advising the tenant of the increase.

(a) At least 60 days in advance of the first payment to be increased, if the tenancy is from month to month; or

(b) At least 30 days in advance of the first payment to be increased, if the tenancy is from week to week.

Sec. 19. NRS 118A.355 is hereby amended to read as follows:

118A.355 1. Except as otherwise provided in this chapter, if a landlord fails to maintain a dwelling unit in a habitable condition as required by this chapter, the tenant shall deliver a written notice to the landlord specifying each

failure by the landlord to maintain the dwelling unit in a habitable condition and requesting that the landlord remedy the failures. If a failure is remediable and the landlord adequately remedies the failure or uses his or her best efforts to remedy the failure within 14 days after receipt of the notice, the tenant may not proceed under this section. If the landlord fails to remedy a material failure to maintain the dwelling unit in a habitable condition or to make a reasonable effort to do so within the prescribed time, the tenant may:

(a) Terminate the rental agreement immediately.

(b) Recover actual damages.

(c) Apply to the court for such relief as the court deems proper under the circumstances.

(d) Withhold any rent that becomes due without incurring ~~[late fees, charges for notice or]~~ any ~~[other charge or]~~ fee ***, fine or cost*** authorized by ~~[this chapter or]~~ the rental agreement until the landlord has remedied, or has attempted in good faith to remedy, the failure.

2. The tenant may not proceed under this section:

(a) For a condition caused by the tenant's own deliberate or negligent act or omission or that of a member of his or her household or other person on the premises with his or her consent; or

(b) If the landlord's inability to adequately remedy the failure or use his or her best efforts to remedy the failure within 14 days is due to the tenant's refusal to allow lawful access to the dwelling unit as required by the rental agreement or this chapter.

3. If the rental agreement is terminated, the landlord shall return all prepaid rent and any security deposit recoverable by the tenant under this chapter.

4. A tenant may not proceed under this section unless the tenant has given notice as required by subsection 1, except that the tenant may, without giving that notice:

(a) Recover damages under paragraph (b) of subsection 1 if the landlord:

(1) Admits to the court that the landlord had knowledge of the condition constituting the failure to maintain the dwelling in a habitable condition; or

(2) Has received written notice of that condition from a governmental agency authorized to inspect for violations of building, housing or health codes.

(b) Withhold rent under paragraph (d) of subsection 1 if the landlord:

(1) Has received written notice of the condition constituting the failure to maintain the dwelling in a habitable condition from a governmental agency authorized to inspect for violations of building, housing or health codes; and

(2) Fails to remedy or attempt in good faith to remedy the failure within the time prescribed in the written notice of that condition from the governmental agency.

5. Justice courts shall establish by local rule a mechanism by which tenants may deposit rent withheld under paragraph (d) of subsection 1 into an escrow account maintained or approved by the court. A tenant does not have a defense

to an eviction under paragraph (d) of subsection 1 unless the tenant has deposited the withheld rent into an escrow account pursuant to this subsection.

Sec. 20. NRS 118A.370 is hereby amended to read as follows:

118A.370 If the landlord fails to deliver possession of the dwelling unit to the tenant as provided in this chapter, rent abates until possession is delivered as required, and the tenant may:

1. Terminate the rental agreement upon at least 5 days' written notice to the landlord and upon termination the landlord shall return all prepaid rent, any security deposit recoverable under this chapter ~~[,]~~ and any ~~[payment,]~~ ***other fee, fine, cost or*** deposit ~~[, fee or charge to secure the execution of]~~ ***required under*** the rental agreement ~~[; or]~~ ***to be paid by the tenant before his or her possession of the premises.***

2. Demand performance of the rental agreement by the landlord and, if the tenant elects, maintain an action for possession of the dwelling unit against the landlord or any person wrongfully in possession and recover the actual damages sustained. If the landlord has exercised due diligence to evict the holdover tenant or remedy the condition keeping the new tenant from taking possession, the landlord is not liable for damages **.** ~~[; or]~~

3. Pursue any other remedies to which the tenant is entitled, including the right to recover any actual damages suffered.

Sec. 21. NRS 118A.380 is hereby amended to read as follows:

118A.380 1. If the landlord is required by the rental agreement or this chapter to supply heat, air-conditioning, running water, hot water, electricity, gas, a functioning door lock or another essential item or service and the landlord willfully or negligently fails to do so, causing the premises to become unfit for habitation, the tenant shall give written notice to the landlord specifying the breach. If the landlord does not adequately remedy the breach, or use his or her best efforts to remedy the breach within 48 hours, except a Saturday, Sunday or legal holiday, after it is received by the landlord, the tenant may, in addition to any other remedy:

(a) Procure reasonable amounts of such essential items or services during the landlord's noncompliance and deduct their actual and reasonable cost from the rent;

(b) Recover actual damages, including damages based upon the lack of use of the premises or the diminution of the fair rental value of the dwelling unit;

(c) Withhold any rent that becomes due during the landlord's noncompliance without incurring ~~[late fees, charges for notice or]~~ any ~~[other charge or]~~ fee **,** ***fine or cost*** authorized by ~~[this chapter or]~~ the rental agreement, until the landlord has attempted in good faith to restore the essential items or services; or

(d) Procure other housing which is comparable during the landlord's noncompliance, and the rent for the original premises fully abates during this period. The tenant may recover the actual and reasonable cost of that other housing which is in excess of the amount of rent which is abated.

2. If the tenant proceeds under this section, the tenant may not proceed under NRS 118A.350 and 118A.360 as to that breach.

3. The rights of the tenant under this section do not arise until the tenant has given written notice as required by subsection 1, except that the tenant may, without having given that notice:

(a) Recover damages as authorized under paragraph (b) of subsection 1 if the landlord:

(1) Admits to the court that the landlord had knowledge of the lack of such essential items or services; or

(2) Has received written notice of the uninhabitable condition caused by such a lack from a governmental agency authorized to inspect for violations of building, housing or health codes.

(b) Withhold rent under paragraph (c) of subsection 1 if the landlord:

(1) Has received written notice of the condition constituting the breach from a governmental agency authorized to inspect for violations of building, housing or health codes; and

(2) Fails to remedy or attempt in good faith to remedy the breach within the time prescribed in the written notice of that condition from the governmental agency.

4. The rights of the tenant under paragraph (c) of subsection 1 do not arise unless the tenant is current in the payment of rent at the time of giving written notice pursuant to subsection 1.

5. If such a condition was caused by the deliberate or negligent act or omission of the tenant, a member of his or her household or other person on the premises with his or her consent, the tenant has no rights under this section.

Sec. 22. NRS 118A.440 is hereby amended to read as follows:

118A.440 If the tenant's failure to perform basic obligations under this chapter can be remedied by repair ~~[,]~~ ***or*** replacement of a damaged item ***,*** ~~[or cleaning,]~~ and the tenant fails to use his or her best efforts to comply within 14 days after written notice by the landlord specifying the breach and requesting that the tenant remedy it within that period of time or more promptly if conditions require in case of emergency, the landlord may enter the dwelling unit and cause the work to be done in a workmanlike manner and submit the itemized bill for the actual and reasonable cost, or the fair and reasonable value of the work. The itemized bill must be paid as rent on the next date periodic rent is due, or if the rental agreement has terminated, may be submitted to the tenant for immediate payment or deducted from the security deposit.

Sec. 23. (Deleted by amendment.)

Sec. 24. NRS 40.253 is hereby amended to read as follows:

40.253 1. Except as otherwise provided in subsection 12, in addition to the remedy provided in NRS 40.2512 and 40.290 to 40.420, inclusive, when the tenant of any dwelling, apartment, mobile home or recreational vehicle with periodic rent reserved by the month or any shorter period is in default in payment of the rent, the landlord or the landlord's agent may cause to be served

a notice in writing, requiring in the alternative the payment of the rent or the surrender of the premises:

(a) Before the close of business on the seventh judicial day following the day of service; or

(b) If the landlord chooses not to proceed in the manner set forth in paragraph (a) and the rent is reserved by a period of 1 week or less and the tenancy has not continued for more than 45 days, at or before noon of the fourth full day following the day of service.

➥ As used in this subsection, "day of service" means the day the landlord or the landlord's agent personally delivers the notice to the tenant. If personal service was not so delivered, the "day of service" means the day the notice is delivered, after posting and mailing pursuant to subsection 2, to the sheriff or constable for service if the request for service is made before noon. If the request for service by the sheriff or constable is made after noon, the "day of service" shall be deemed to be the day next following the day that the request is made for service by the sheriff or constable.

2. A landlord or the landlord's agent who serves a notice to a tenant pursuant to paragraph (b) of subsection 1 shall attempt to deliver the notice in person in the manner set forth in subsection 2 of NRS 40.2542. If the notice cannot be delivered in person, the landlord or the landlord's agent:

(a) Shall post a copy of the notice in a conspicuous place on the premises and mail the notice by overnight mail; and

(b) After the notice has been posted and mailed, may deliver the notice to the sheriff or constable for service in the manner set forth in subsection 1 of NRS 40.280. The sheriff or constable shall not accept the notice for service unless it is accompanied by written evidence, signed by the tenant when the tenant took possession of the premises, that the landlord or the landlord's agent informed the tenant of the provisions of this section which set forth the lawful procedures for eviction from a short-term tenancy. Upon acceptance, the sheriff or constable shall serve the notice within 48 hours after the request for service was made by the landlord or the landlord's agent.

3. A notice served pursuant to subsection 1 or 2 must:

(a) Identify the court that has jurisdiction over the matter; and

(b) Advise the tenant:

(1) Of the tenant's right to contest the matter by filing, within the time specified in subsection 1 for the payment of the rent or surrender of the premises, an affidavit with the court that has jurisdiction over the matter stating that the tenant has tendered payment or is not in default in the payment of the rent;

(2) That if the court determines that the tenant is guilty of an unlawful detainer, the court may issue a summary order for removal of the tenant or an order providing for the nonadmittance of the tenant, directing the sheriff or constable of the county to post the order in a conspicuous place on the premises not later than 24 hours after the order is received by the sheriff or constable.

The sheriff or constable shall remove the tenant not earlier than 24 hours but not later than 36 hours after the posting of the order; and

(3) That, pursuant to NRS 118A.390, a tenant may seek relief if a landlord unlawfully removes the tenant from the premises or excludes the tenant by blocking or attempting to block the tenant's entry upon the premises or willfully interrupts or causes or permits the interruption of an essential service required by the rental agreement or chapter 118A of NRS.

4. If the tenant files such an affidavit at or before the time stated in the notice, the landlord or the landlord's agent, after receipt of a file-stamped copy of the affidavit which was filed, shall not provide for the nonadmittance of the tenant to the premises by locking or otherwise.

5. Upon noncompliance with the notice:

(a) The landlord or the landlord's agent may apply by affidavit of complaint for eviction to the justice court of the township in which the dwelling, apartment, mobile home or recreational vehicle are located or to the district court of the county in which the dwelling, apartment, mobile home or recreational vehicle are located, whichever has jurisdiction over the matter. The court may thereupon issue an order directing the sheriff or constable of the county to post the order in a conspicuous place on the premises not later than 24 hours after the order is received by the sheriff or constable. The sheriff or constable shall remove the tenant not earlier than 24 hours but not later than 36 hours after the posting of the order. The affidavit must state or contain:

(1) The date the tenancy commenced.

(2) The amount of periodic rent reserved.

(3) The amounts of any cleaning, security or rent deposits paid in advance, in excess of the first month's rent, by the tenant.

(4) The date the rental payments became delinquent.

(5) The length of time the tenant has remained in possession without paying rent.

(6) The amount of rent claimed due and delinquent.

(7) A statement that the written notice was served on the tenant in accordance with NRS 40.280.

(8) A copy of the written notice served on the tenant.

(9) A copy of the signed written rental agreement, if any.

(b) Except when the tenant has timely filed the affidavit described in subsection 3 and a file-stamped copy of it has been received by the landlord or the landlord's agent, and except when the landlord is prohibited pursuant to NRS 118A.480, the landlord or the landlord's agent may, in a peaceable manner, provide for the nonadmittance of the tenant to the premises by locking or otherwise.

6. Upon the filing by the tenant of the affidavit permitted in subsection 3, regardless of the information contained in the affidavit, and the filing by the landlord of the affidavit permitted by subsection 5, the justice court or the district court shall hold a hearing, after service of notice of the hearing upon the parties, to determine the truthfulness and sufficiency of any affidavit or

notice provided for in this section. If the court determines that there is no legal defense as to the alleged unlawful detainer and the tenant is guilty of an unlawful detainer, the court may issue a summary order for removal of the tenant or an order providing for the nonadmittance of the tenant. If the court determines that there is a legal defense as to the alleged unlawful detainer, the court shall refuse to grant either party any relief, and, except as otherwise provided in this subsection, shall require that any further proceedings be conducted pursuant to NRS 40.290 to 40.420, inclusive. The issuance of a summary order for removal of the tenant does not preclude an action by the tenant for any damages or other relief to which the tenant may be entitled. If the alleged unlawful detainer was based upon subsection 5 of NRS 40.2514, the refusal by the court to grant relief does not preclude the landlord thereafter from pursuing an action for unlawful detainer in accordance with NRS 40.251.

7. The tenant may, upon payment of the appropriate fees relating to the filing and service of a motion, file a motion with the court, on a form provided by the clerk of the court, to dispute the amount of the costs, if any, claimed by the landlord pursuant to NRS 118A.460 for the inventory, moving and storage of personal property left on the premises. The motion must be filed within 20 days after the summary order for removal of the tenant or the abandonment of the premises by the tenant, or within 20 days after:

(a) The tenant has vacated or been removed from the premises; and

(b) A copy of those charges has been requested by or provided to the tenant, ➥ whichever is later.

8. Upon the filing of a motion pursuant to subsection 7, the court shall schedule a hearing on the motion. The hearing must be held within 10 days after the filing of the motion. The court shall affix the date of the hearing to the motion and order a copy served upon the landlord by the sheriff, constable or other process server. At the hearing, the court may:

(a) Determine the costs, if any, claimed by the landlord pursuant to NRS 118A.460 and any accumulating daily costs; and

(b) Order the release of the tenant's property upon the payment of the charges determined to be due or if no charges are determined to be due.

9. The tenant may, upon payment of the appropriate fees relating to the filing and service of a motion, file a motion with the court on a form provided by the clerk of court to dispute the reasonableness of the actions of a landlord pursuant to subsection 3 of NRS 118A.460. The motion must be filed within 5 days after the tenant has vacated or been removed from the premises. Upon the filing of a motion pursuant to this subsection, the court shall schedule a hearing on the motion. The hearing must be held within 5 days after the filing of the motion. The court shall affix the date of the hearing to the motion and order a copy served upon the landlord by the sheriff, constable or other process server. At the hearing, the court may:

(a) Order the landlord to allow the retrieval of the tenant's essential personal effects at the date and time and for a period necessary for the retrieval, as determined by the court; and

(b) Award damages in an amount not greater than $2,500.

10. In determining the amount of damages, if any, to be awarded under paragraph (b) of subsection 9, the court shall consider:

(a) Whether the landlord acted in good faith;

(b) The course of conduct between the landlord and the tenant; and

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 647.

AN ACT relating to health care; revising provisions governing the regulation of hospitals; prohibiting a health carrier from denying certain providers of health care from entering into a contract to join the network of the health carrier under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the State Board of Health to adopt regulations establishing licensing standards for hospitals. (NRS 449.0302) Existing regulations require a doctor of medicine or osteopathic medicine to perform a physical examination and complete a medical history of a patient seeking admission to a hospital not more than 7 days before or more than 48 hours after the patient is admitted to the hospital. (NAC 449.358) **Section 1** of this bill requires those regulations to authorize a certified nurse-midwife to perform such a physical examination or obtain such a medical history before or after a patient is admitted to a hospital for the purpose of giving birth.

Existing law requires a health carrier to comply with certain provisions governing the network plans that the health carrier offers or issues. (NRS 687B.600-687B.850) **Section 4** of this bill prohibits a health carrier from denying a request from a provider of health care to enter into a provider network contract to join the network established by the health carrier if the provider of health care: (1) meets **and accepts** the terms and conditions for participation in the network plan of the health carrier; (2) is employed by or has accepted an offer of employment from a school of medicine or school of osteopathic medicine in this State; (3) does not have a clinical practice already established in this State; and (4) requests to become a participating provider of health care in the network of the health carrier. **Section 4** authorizes a health carrier to deny a request from such a provider of health care to enter into such a provider network contract for certain reasons. **Section 4** also clarifies that a health carrier is authorized to terminate such a provider of health care from participating in the network of the health carrier for any grounds authorized

under the provider contract. **Sections 6 and 7** of this bill make conforming changes to indicate the proper placement of **section 4** in the Nevada Revised Statutes. **Sections 2 and 3** of this bill require the State or a local government to comply with **section 4** if it offers a health insurance policy to its officers and employees.

Legislative Counsel's Digest:

Existing law imposes certain requirements on solar installation companies that sell and install distributed generation systems in this State. Existing law prescribes certain contractual requirements for an agreement for the purchase or lease of a distributed generation system and a power purchase agreement. (NRS 598.9801-598.9822) **Section 3** of this bill authorizes a purchaser or lessee who enters into or signs an agreement for the purchase or lease of a distributed generation system or a power purchase agreement to rescind **or cancel** the agreement by providing certain notice to the solar installation company within 3 business days after the agreement was entered into or signed.

Existing law requires an agreement for the purchase or lease of a distributed generation system or a power purchase agreement to include a cover page containing certain information. (NRS 598.9809, 598.9813, 598.9816) **Sections 6-8** of this bill require such a cover page to include certain additional information. **Section 2** of this bill requires a solar installation company to: (1) verbally communicate the information that is required to be included in the cover page to a purchaser or lessee, as applicable, **in person or** via a telephone call **or videoconference** that is recorded; and (2) maintain each recording ~~[of such a telephone call]~~ for not less than ~~[10]~~ **4** years after the date ~~[on which the telephone call is made.]~~ **of any final inspection of the distributed generation system.** ~~[Section 9 of this bill requires]~~ **If** a solar installation company ~~[,]~~ **or its employees or agents advertise or negotiate certain terms for the purchase or lease of a distributed generation system or a power purchase agreement in a language other than English, section 9 of this bill requires the company to provide a translation of the contract, agreement or certain required notices in that language to certain persons** before the execution of ~~[an]~~ **the contract or** agreement ~~[for the purchase or lease of a distributed generation system or a power purchase agreement, to provide a copy of the cover page to the purchaser or lessee, as applicable, in the language that the majority of the solicitation, offer or transaction for the agreement occurred, if the majority of the language that was used was a language other than English.]~~ **resulting from such advertising or negotiations. Section 4** of this bill makes a conforming change to indicate the proper placement of **sections** ~~[2 and]~~ **1.3-3 of this bill** in the Nevada Revised Statutes.

Existing law defines "distributed generation system" as a system or facility for the generation of electricity: (1) that uses solar energy to generate electricity; (2) that is located on the property of a customer of an electric utility; (3) that is connected on the customer's side of the electricity meter; (4) that provides electricity primarily to offset customer load on that property; and (5) the excess generation from which is periodically exported to the grid in accordance with the provisions governing net metering systems. (NRS 598.9804) **Section 5** of this bill revises the definition of "distributed generation system" to mean a system or facility for the **residential** generation of electricity that uses solar energy to generate electricity. **Section 5.5 of this bill revises the definition of "solar installation company."**

Existing law prohibits a person from performing any work on residential photovoltaic systems used to produce electricity without the proper license or other authorization under state law. (NRS 624.860) **Section 10** of this bill revises that prohibition to ~~[: (1)]~~ prohibit a person from performing such work **, or providing a bid for or executing a contract to perform such work,** unless the person holds a license issued by the State Contractors' Board or is an employee of such a person**.** ~~[; and (2) additionally prohibit a person from advertising, soliciting or offering to enter into an agreement for the purchase or lease of a distributed generation system or a power purchase agreement unless the person holds such a license or is an employee of such a person. Amendment adopted.

Bill ordered reprinted, re-engrossed and to third reading.

Senate Bill No. 348.

Bill read second time.

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 654.

AN ACT relating to health care; requiring written approval to close certain hospitals or convert such a hospital into a different type of health facility; requiring certain facilities that provide emergency medical services to provide certain notice to patients; establishing **and increasing** certain civil penalties; **requiring an off-campus location of a hospital that provides emergency medical services or an independent center for emergency medical care to include certain information on a claim for reimbursement or payment;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires a person to obtain the written approval of the: (1) Director of the Department of Health and Human Services before making certain capital expenditures for construction of a new health facility under certain circumstances; or (2) the Chief Medical Officer before operating or undertaking any expenditure for the operation of a new medical helicopter within 150 miles from the base of an existing medical helicopter. (NRS 439A.100, 439A.104) **Section 2** of this bill similarly requires a person to obtain the written approval of the Director before closing a hospital in a county whose population is 100,000 or more (currently Clark and Washoe Counties) or converting such a hospital into a different type of health facility. **Sections 2 and 7-9** of this bill provide that such approval is a condition to: (1) the issuance or renewal of a license for certain health facilities converted from a hospital; and (2) certain amendments to such a license. **Sections 5 and 10** of this bill authorize the Department and the Division of Public and Behavioral Health of the Department to impose certain civil penalties and take certain other disciplinary action against a person who closes a hospital in a county whose population is 100,000 or more or converts a hospital in such a county to a different type of health facility without written approval in violation of **section 2**.

Existing law requires: (1) a hospital to notify the Department of any merger, acquisition or similar transaction involving the hospital; and (2) a physician group practice or a person who owns all or substantially all of a physician group practice to notify the Department of certain similar transactions under certain circumstances. (NRS 439A.126) **Section 4** of this bill authorizes the Department to impose an administrative penalty against a hospital ~~[, physician group practice or person who owns all or substantially all of a physician group practice]~~ that fails to provide timely notice of the information required by existing law. **Section 4 also requires the Department to notify the Board of Medical Examiners or the State Board of Osteopathic Medicine, as appropriate, if a physician group practice or a person who owns all or substantially all of a physician group practice fails to provide such timely notice. Upon receiving notice of such failure from the Department, sections 10.7 and 11.5 of this bill require those boards to proceed as if a complaint had been filed. If, after conducting an investigation and a hearing, the Board of Medical Examiners or the State Board of Osteopathic Medicine determines that a physician group practice or a person who owns all or substantially all of a physician group practice has failed to provide timely notice to the Department of a transaction for which notice is required, sections 10.7 and 11.5 authorize the respective board to impose an administrative penalty.**

Existing law requires each off-campus location of a hospital to obtain and use on all claims for reimbursement or payment a national provider identifier that is distinct from the national provider identifier used by the main campus and any other off-campus location of the hospital. (NRS 449.1818) Section 10.3 of this bill clarifies that the off-campus location: (1) is required to include the national provider identifier on each claim for reimbursement or payment; and (2) may additionally include on such a claim the national provider identifier for the main campus of the hospital. Section 10.3 also requires an independent center for emergency medical care to include its national provider identifier on all claims for reimbursement or payment.

Among other sanctions, existing law authorizes the Division of Public and Behavioral Health to impose against a hospital that fails to obtain a national provider identifier for an off-campus location that is distinct from the national provider identifier used by the main campus and any other off-campus location of the hospital an administrative penalty of not more than $5,000 for each day of such failure, together with interest. (NRS 449.163) Section 10.2 of this bill doubles the amount of the administrative penalty that the Division is authorized to impose for such failure.

Existing law provides every patient of a medical facility, including ~~[an independent center for emergency medical care or]~~ **a** hospital, with the right to receive certain information about the condition and care of the patient and the cost of such care. (NRS 449A.106) ~~[Section]~~ **If an off-campus location of a**

hospital provides emergency medical services, section 10.5 of this bill requires ~~[an independent center for emergency medical care]~~ **the off-campus location** to **: (1)** post conspicuous notice that the ~~[independent center for emergency care]~~ **off-campus location** is an emergency medical facility and will charge patients for an emergency room visit ~~[. If an off-campus location of a hospital provides emergency medical services, section 10.5 requires the off-campus location to]~~ **; and (2)** provide each patient with ~~[: (1)]~~ certain notice concerning the rights of the patient upon registration **.** ~~[; and (2)]~~ **Section 10.5 also requires such an off-campus location to provide each patient with** a more detailed notice concerning billing and payment after the patient is found not to have an emergency medical condition or after the emergency medical condition of the patient has been stabilized, as applicable.

Amendment adopted.

Bill ordered reprinted, re-engrossed and to third reading.

Senate Bill No. 362.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 661.

AN ACT relating to public safety; requiring a peace officer to ensure that medical aid is rendered to a person who indicates that he or she cannot breathe; requiring each law enforcement agency to adopt certain policies and procedures governing the performance by peace officers of works protected by copyright in certain circumstances; revising provisions governing the establishment of a program for the imprinting of a symbol indicating a medical condition on a driver's license or identification card; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law prohibits a peace officer from placing a person who is in the custody of the peace officer in any position which compresses his or her airway or restricts his or her ability to breathe. Existing law also requires a peace officer to monitor any person who is in the custody of the peace officer for any signs of distress and to take any actions necessary to place such a person in a recovery position if he or she appears to be in distress or indicates that he or she cannot breathe. (NRS 193.305) **Section 1** of this bill requires a peace officer to ensure that medical aid is rendered to a person who indicates that he or she cannot breathe by an emergency medical attendant, physician, physician assistant or registered nurse as soon as practicable.

Section 2 of this bill requires each law enforcement agency to adopt written policies and procedures governing the performance of copyrighted works by peace officers employed by the law enforcement agency while on duty, including policies prohibiting a peace officer from performing, or causing the performance of, a copyrighted work for the purpose of preventing or interfering with the dissemination or sharing of a recording of the peace officer performing his or her official duties, with certain exceptions. **Section 2** prohibits retaliation or punitive action against a peace officer who discloses information concerning the performance of a copyrighted work in violation of such policies and procedures.

Existing law authorizes the Department of Motor Vehicles to adopt regulations establishing a program for the imprinting of a symbol or other indicator of a medical condition on a driver's license or identification card. (NRS 483.3485, 483.863) **Sections 4 and 6** of this bill authorize the Department to adopt regulations establishing a program for the imprinting of a symbol, and not any other indicator, of a medical condition on a driver's license and identification card, respectively. If the Department establishes such a program, **sections 4 and 6** additionally require: (1) the Department to adopt

a single symbol to represent all applicable medical conditions; (2) the regulations adopted by the Department to provide that a person is eligible to have the symbol indicating a medical condition imprinted on his or her driver's license or identification card if the person is on anticoagulants or has certain specified medical conditions; (3) the Department to maintain a record of the medical condition for which the symbol indicating a medical condition was imprinted on the driver's license or identification card of a person; and (4) the Department to maintain certain information about the program on its Internet website. **If the Department establishes such a program, sections 4 and 6 also: (1) authorize the regulations adopted by the Department to provide that a person is eligible to have the symbol indicating a medical condition imprinted on his or her driver's license or identification card to indicate other medical conditions not specified in statute as the Department deems appropriate; and (2) require the Department to provide a means for members of the public to suggest additional medical conditions.**

Sections 3 and 5 of this bill make conforming changes in existing provisions relating to the issuance or renewal of a driver's license or identification card for consistency with the revisions made to the program pursuant to **sections 4 and 6**. **Section 7** of this bill requires the Department to include certain information regarding the program on the notifications for renewal of registration issued by the Department for a 12-month period.

Senate Bill No. 34.

Bill read third time.

The following amendment was proposed by Assemblyman Yurek:

Amendment No. 711.

AN ACT relating to legal services; authorizing the Attorney General or the chief legal officer or other authorized representative of a political subdivision of this State to provide legal representation to certain officers or employees of the State or a political subdivision thereof in certain actions or proceedings; revising provisions relating to special counsel employed by the Attorney General; revising provisions governing the legal representation of certain persons by the Attorney General; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Attorney General or the chief legal officer or other authorized representative of a political subdivision of this State to provide legal counsel to certain officers or employees of the State or a political subdivision of the State who are named as defendants in a civil action and certain other persons who are not officers or employees of the State or a political subdivision. Existing law authorizes the Attorney General, chief legal officer or other authorized representative to employ special counsel with respect to such civil actions if the Attorney General, chief legal officer or other authorized representative, as applicable, determines that it is impracticable, uneconomical or could constitute a conflict of interest for the legal service to be provided by the Attorney General, chief legal officer or other authorized representative. (NRS 41.0339)

Section 1 of this bill authorizes the Attorney General or the chief legal officer or other authorized representative of a political subdivision of the State to represent certain officers or employees of the State or a political subdivision thereof who are summoned or subpoenaed to appear in an action or proceeding in which the person is not a named defendant if: (1) the person submits a written request for representation; and (2) the Attorney General, chief legal officer or other authorized representative, as applicable, determines that such representation is in the best interest of the State or a political subdivision of the State. **Section 1** also authorizes the Attorney General, chief legal officer or other authorized representative to employ special counsel with respect to such actions or proceedings if the Attorney General, chief legal officer or other authorized representative, as applicable, determines that it is impracticable,

uneconomical or could constitute a conflict of interest for the legal service to be provided by the Attorney General, chief legal officer or other authorized representative. **Section 2** of this bill makes a conforming change to indicate the appropriate placement of **section 1** in the Nevada Revised Statutes.

Existing law defines the term "state judicial officer" to mean a justice of the Supreme Court, senior justice, judge of a district court or senior judge. (NRS 41.03385) **Section 3.3** of this bill revises the term to include a judge or senior judge of the Court of Appeals.

Existing law requires that certain determinations relating to the employment of special counsel be made by the Attorney General prior to trial. (NRS 41.03435) **Section 3.7** of this bill removes the requirement that such determinations be made prior to trial.

In general, existing law: (1) provides that the Attorney General and his or her deputies are the legal advisers on all state matters arising in the Executive Department of the State Government; and (2) prohibits persons in the Executive Department from employing other counsel to represent the State or any agency in the Executive Department unless the Attorney General and the deputies of the Attorney General are disqualified to act in the matter. (NRS 228.110) **Section 4** of this bill authorizes a person in the Executive Department to employ counsel other than the Attorney General to represent the State or any agency in the Executive Department if the Attorney General determines that it is impracticable, uneconomical or could constitute a conflict of interest for the Attorney General or a deputy of the Attorney General to serve as the legal adviser on the matter. **Section 4** also requires compensation for such counsel to be paid out of: (1) the Reserve for Statutory Contingency Account; or (2) available federal grants or a permanent fund in the State Treasury other than the State General Fund.

Section 4.3 of this bill requires the Office of the Attorney General to submit a report, on or before July 1 of each odd-numbered year, to the Director of the Legislative Counsel Bureau for distribution to the Joint Interim Standing Committee on the Judiciary that includes, without limitation, a list of each contract for outside legal counsel entered into by the Executive Department of State Government during the immediately preceding biennium and, for each such contract, the names of the parties to the contract and the monetary amount of the contract.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 41 of NRS is hereby amended by adding thereto a new section to read as follows:

1. The official attorney may represent any present or former local judicial officer, state judicial officer, officer or employee of the State or a political subdivision, immune contractor or State Legislator summoned or subpoenaed to appear in an action or proceeding in which the person is not a named defendant, if:

(a) Within 7 days after the delivery or service of the summons or subpoena, the person submits a written request for representation to the official attorney, and, if the person has an administrative supervisor, his or her administrative supervisor, unless a waiver is granted pursuant to subsection 9; and

(b) The official attorney determines that such representation is in the best interest of the State or a political subdivision of the State.

2. As soon as reasonably practicable after receiving a request pursuant to subsection 1, the official attorney shall determine whether to represent the person who submitted the request and provide written notice of his or her determination to that person.

3. No fact pertaining to the arrangements or circumstances by which the State or a political subdivision or any attorney thereof represents any person or does not represent a person pursuant to this section is admissible in evidence in any action or proceeding, except in connection with an application to withdraw as the attorney of record.

4. If the official attorney determines that it is impracticable, uneconomical or could constitute a conflict of interest for the official attorney to provide the legal services associated with representing a person pursuant to this section, the official attorney may employ special counsel to render such legal services. Compensation for special counsel employed by an official attorney pursuant to this subsection must be paid in accordance with the requirements prescribed by NRS 41.03435 or 41.0344, as applicable.

5. At any time after a written request is submitted pursuant to subsection 1, the person requesting representation may employ his or her own counsel to represent him or her in the action or proceeding. At that time, the State or political subdivision is excused from any duty to represent that person and is not liable for any expenses associated with the action or proceeding, including, without limitation, court costs and attorney's fees.

6. The official attorney may apply to a court to withdraw from representing a person pursuant to this section at any time after the official attorney has appeared in an action or proceeding to represent the person upon notice to the person. Such notice must include, without limitation, the reason for the requested withdrawal.

7. If a court grants a motion to withdraw brought by the official attorney pursuant to subsection 6, the State or any political subdivision has no duty to continue to represent the person who is the subject of the motion to withdraw.

8. The provisions of this section do not abrogate or otherwise alter or affect any immunity from, or protection against, any civil action or civil liability which is provided by law to a local judicial officer, state judicial officer, officer or employee of the State or a political subdivision, immune contractor, State Legislator, member of a state board or commission or member of a local board or commission for any act or omission relating to the person's public duties or employment.

9. The official attorney may waive the requirement for notification prescribed by paragraph (a) of subsection 1 for good cause shown.

10. Nothing in this section shall be construed to require an official attorney to represent any present or former local judicial officer, state judicial officer, officer or employee of the State or a political subdivision, immune contractor or State Legislator in any action or proceeding.

11. As used in this section, "action or proceeding" means any action, suit, matter, cause, hearing, appeal or proceeding.

Sec. 2. NRS 41.03375 is hereby amended to read as follows:

41.03375 As used in NRS 41.03375 to 41.03473, inclusive, ***and section 1 of this act,*** unless the context otherwise requires, the words and terms defined in NRS 41.03377, 41.0338 and 41.03385 have the meanings ascribed to them in those sections.

Compensation for special counsel must be paid out of:

1. The Reserve for Statutory Contingency Account; or
2. Available federal grants or a permanent fund in the State Treasury other than the State General Fund.

Sec. 4. NRS 228.110 is hereby amended to read as follows:

SECOND READING AND AMENDMENT

Assembly Bill No. 463.

Bill read second time.

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 645.

AN ACT relating to children; transferring certain duties and authority related to the licensing and regulation of certain child care facilities from the Division of Public and Behavioral Health of the Department of Health and Human Services to the Division of Welfare and Supportive Services of the Department; revising the membership of the Nevada Early Childhood Advisory Council; revising provisions governing the inspection and review of child care facilities; **revising provisions governing the inspection and approval of certain facilities by certain fire protection officials and agencies;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires a child care facility to obtain a license from the Division of Public and Behavioral Health of the Department of Health and Human Services if: (1) the city or county in which the child care facility is located has not provided for the licensure of child care facilities by an agency of the city or county, as applicable; or (2) the child care facility is a child care institution. (NRS 432A.131) Existing law defines "child care institution" for that purpose to mean a facility that provides care and shelter during the day and night and provides developmental guidance to 16 or more children who do not routinely return to the homes of their parents or guardians. (NRS 432A.0245) **Section 4** of this bill transfers the authority to license and regulate such child care facilities from the Division of Public and Behavioral Health to the Division of Welfare and Supportive Services of the Department. **Section 1** of this bill authorizes an employee of the Division of Welfare and Supportive Services to access the Statewide Central Registry for the Collection of Information Concerning the Abuse or Neglect of a Child when investigating the background of certain persons associated with a child care facility, small child care establishment or outdoor youth program. **Section 2** of this bill defines "Administrator" to refer to the Administrator of the Division of Welfare and Supportive Services, and **section 3** of this bill makes a conforming change to indicate the proper placement of **section 2** in the Nevada Revised Statutes. **Sections 6-8** of this bill transfer to the Administrator: (1) the duties to establish a policy for the coordination of entities with an interest in child care and to inspect child care facilities; and (2) the authority to waive certain education requirements for a person who is responsible for the operation of a child care facility. **Sections 9 and 10** of this bill make revisions so that certain reports relating to the immunization of children who have been admitted to child care facilities continue to be submitted to the Division of Public and Behavioral Health. **Section 11** of this bill transfers to the Division of Welfare and Supportive Services the duty to conduct a review of a child care facility that has been found by a legislative audit to have certain deficiencies.

Existing law establishes the Nevada Early Childhood Advisory Council and requires the Council to include certain members appointed by the Governor. (NRS 432A.076) **Section 5** of this bill eliminates the requirement that the Council include one member who is a representative of the Division of Public

and Behavioral Health. **Section 5** adds to the membership of the Council: (1) one member who is a representative of the Division of Welfare and Supportive Services whose duties include responsibility for child care; (2) one member who is a representative of that Division whose duties include implementing regulations governing the licensure of child care facilities; and (3) one member who is ~~[nominated by the Nevada Indian Commission and acts as a liaison for Indian tribes in this State.]~~ **a representative of a tribal organization, with consideration given to an enrolled member of a Nevada Indian tribe.**

Existing law: (1) requires the State Fire Marshal or a designee thereof to enter and inspect every building or premises of a child care facility and supervise fire drills at such a facility; and (2) provides that certain health care facilities are subject to inspection and approval by the State Fire Marshal. (NRS 432A.180, 449.0307) Section 8 provides that the State Fire Marshal or a designee is authorized, rather than required, to inspect child care facilities and supervise fire drills at such facilities. Section 8 also authorizes the State Fire Marshal to designate a local fire agency that meets an industry standard accepted by the State Fire Marshal to perform those duties. Finally, section 8 requires the State Board of Health to adopt regulations governing such inspections. Section 11.5 of this bill authorizes a designee of the State Fire Marshal, which may include a local fire agency that meets an industry standard accepted by the State Fire Marshal, to inspect and approve certain health care facilities. Section 11.8 of this bill makes a conforming change to clarify that the State Fire Marshal is authorized to designate such a local fire agency to conduct certain inspections of a residential facility for groups or a building operated by a provider of community-based living arrangement services.

Legislative Counsel's Digest:

(NRS 686A.135) **Section 1** of this bill additionally prohibits an insurer from entering into a contract with a provider of vision care that: (1) authorizes the insurer to set or limit the amount that the provider of vision care may charge for vision care that is not reimbursed under the contract; or (2) requires the provider of vision care to use a specific laboratory as the manufacturer of ophthalmic devices or materials provided to covered persons. **Section 1 requires a provider of vision care to disclose to any covered person an ownership or pecuniary interest of the provider in a supplier of ophthalmic devices or materials before the covered person authorizes the provider to obtain covered eyewear materials from such a supplier.**

4. An insurer that does not provide reimbursement for specific vision care shall not claim in any advertisement or other material that the insurer covers that vision care if such vision care is available at a discount or with a copayment or coinsurance in an amount that is in addition to the copayment or coinsurance that a covered person is typically required to pay for covered services.

5. ***A provider of vision care shall disclose in writing to any covered person under a policy of insurance that covers vision care any ownership or other pecuniary interest of the provider of vision care in a supplier of ophthalmic devices or materials, including, without limitation, a general disclosure of any rebates or rewards programs, before the covered person authorizes the provider of vision care to obtain covered eyewear materials from such a supplier or laboratory that is not contracted with the insurer providing the policy of insurance that covers vision care. Sec. 2. NRS 534.040 is hereby amended to read as follows:

534.040 1. Upon the initiation of the administration of this chapter in any particular basin, and where the investigations of the State Engineer have shown the necessity for the supervision over the waters of that basin, the State Engineer may employ a well supervisor and other necessary assistants, who shall execute the duties as provided in this chapter under the direction of the State Engineer. The salaries of the well supervisor and the assistants of the well supervisor must be fixed by the State Engineer. The well supervisor and assistants are exempt from the provisions of chapter 284 of NRS.

2. If the money available from the license fees provided for in NRS 534.140 is not sufficient to pay those salaries, together with necessary expenses, including the compensation and other expenses of the Well Drillers' Advisory Board, the board of county commissioners shall, except as otherwise provided in this subsection, levy a special assessment annually, or at such time as the assessment is needed, upon all taxable property situated within the confines of the area designated by the State Engineer to come under the provisions of this chapter in an amount as is necessary to pay such salaries and expenses. If the board of county commissioners determines that the amount of a special assessment levied upon a property owner pursuant to this section when combined with the amount of all other taxes and assessments levied upon the property owner is less than the cost of collecting the special assessment levied pursuant to this subsection, the board of county commissioners may exempt the property owner from the assessment and appropriate money from the general fund of the county to pay the cost of the assessment.

3. Except as otherwise provided in subsection 2, in designated areas within which the use of groundwater is predominantly for agricultural purposes, any special assessment levied pursuant to this section must be charged against each water user who has a permit to appropriate water or a perfected water right, and the charge against each water user must be based upon the proportion which his or her water right bears to the aggregate water rights in the designated area. The minimum charge is $1.

4. The salaries and expenses may be paid by the State Engineer from the Water Distribution Revolving Account pending the levy and collection of an assessment levied pursuant to this section.

5. Except as otherwise provided in subsection 2, if a special assessment is levied pursuant to this section, the proper officers of the county shall levy and collect the special assessment as other special assessments are levied and collected, and the assessment is a lien upon the property.

6. Any special assessment collected pursuant to this section must be deposited with the State Treasurer for credit to the Water District Account to be accounted for in basin well accounts.

7. ~~[Upon determination and certification by the State Engineer of the amount to be budgeted for the current or ensuing fiscal year for the purpose of~~

~~paying the per diem and travel allowances of the groundwater board and employing consultants or other help needed to fulfill its responsibilities, the State Controller shall transfer that amount to a separate operating account for that fiscal year for the groundwater basin. Claims against the account must be approved by the groundwater board and paid as other claims against the State are paid.~~**]** The State Engineer may use money in a particular basin well account to support an activity outside the basin in which the money is collected if the activity bears a direct relationship to the responsibilities or activities of the State Engineer regarding the particular groundwater basin.

Section 28 of this bill: (1) prescribes procedures for the issuance of a prescription for a medication that is designed to end the life of the patient; and (2) provides that only an attending practitioner or a pharmacist may dispense such a medication. **Section 29** of this bill prohibits an attending practitioner from prescribing a medication that is designed to end the life of a patient based solely on the age or disability of the patient. **Section 30** of this bill requires certain providers of health care to include certain information concerning requests and prescriptions for and the dispensing of a medication that is designed to end the life of a patient in the medical record of the patient. of Public and Behavioral Health of the Department of Health and Human Services relating to a patient who has been prescribed or self-administered such a medication. **Section 34** of this bill requires the Division to compile an annual report concerning the implementation of the provisions of this bill authorizing a patient to request a prescription for a medication that is designed to end the life of the patient. **Sections 33, 46 and 47** of this bill provide that such information is otherwise confidential when reported to the Division.

Section 37 of this bill clarifies that a practitioner is not required to prescribe a medication that is designed to end the life of a patient and remains responsible for treating the patient's pain. However, if a patient who is diagnosed with a terminal condition requests information concerning the prescription and self-administration of a medication that is designed to end the life of the patient, **section 37** requires a practitioner to provide that information or ~~[refer]~~ **facilitate the transfer of** the patient to another provider of health care**.** ~~[who is willing to do so.]~~ **Section 37** also provides that a pharmacist is not required to fill a prescription for or dispense such a medication. **Section 38**

Section 45 of this bill provides that a proposed protected person shall not be deemed to be in need of a general or special guardian solely because the proposed protected person requested a medication that is designed to end his or her life or revoked such a request.

Sections 48 and 49 of this bill prohibit insurers from conditioning life insurance benefits, group life insurance benefits or the payment of claims on whether the insured makes, fails to make or revokes a request for a medication that is designed to end the life of the insured or self-administers such a medication. **Section 50** of this bill makes a conforming change to reflect this prohibition on a policy of group life insurance.

Legislative Counsel's Digest:

Existing law provides for the licensure and regulation by the State Board of Cosmetology of persons engaged in various branches of cosmetology and makeup artistry, cosmetological establishments and schools of cosmetology. (Chapter 644A of NRS)

Existing law exempts, with certain exceptions, persons authorized to practice medicine, commissioned medical officers of the United States Army,

Navy or Marine Hospital Service and various other persons from the provisions of existing law governing cosmetology. (NRS 644A.150) **Section 14** of this bill additionally exempts, with certain exceptions, persons authorized to practice nursing and certain additional members of the Armed Forces of the United States.

Existing law authorizes the Board to issue a citation to a: (1) licensee or registrant for certain violations relating to health or sanitation; and (2) person for certain unlicensed activities. (NRS 644A.865, 644A.955) **Section 62** of this bill additionally authorizes the Board to issue a citation to a licensee or registrant for certain additional violations. **Section 4** of this bill sets forth a process by which a person may contest certain citations. **Section 5** of this bill authorizes the Board to take appropriate legal action to recover the amount of a fine imposed by the Board.

Existing law provides for the licensure and regulation by the Board of persons engaged in the practice of: (1) esthetics, which existing law defines, in general, to include certain practices involving the care of the skin, the application of cosmetics and the removal of superfluous hair; and (2) advanced esthetics, which existing law defines to mean the practice of advanced esthetic procedures in addition to the practice of esthetics. (NRS 644A.014, 644A.075) Existing law designates a person engaged in the practice of esthetics as an esthetician and a person engaged in the practice of advanced esthetics as an advanced esthetician. (NRS 644A.013, 644A.065) Existing law also provides for the licensure and regulation by the Board of cosmetologists, which existing law defines, in general, to mean a person engaged in various practices involving the hair, nails and skin of a person. (NRS 644A.030)

Section 7 of this bill revises the list of procedures that constitute advanced esthetic procedures to: (1) include a medium-depth chemical peel, which **section 3** of this bill defines, in general, to mean the removal of certain layers of skin using chemicals; and (2) remove certain procedures. **Section 6** of this bill makes a conforming change to indicate the proper placement of **section 3** in the Nevada Revised Statutes.

Existing law defines "esthetic medical device" to mean, in general, certain devices used to perform an esthetic medical procedure. (NRS 644A.062) **Section 18** of this bill requires the Board to adopt regulations identifying each device that the Board determines to be appropriate for use in the performance of an esthetic medical procedure. **Section 10** of this bill revises the definition of "esthetic medical device" to include only those devices that the Board has identified by regulation. **Sections 8 and 11** of this bill revise the definitions of "cosmetologist" and "esthetics," respectively, for the purpose of: (1) prohibiting an esthetician or cosmetologist from using certain devices, including an esthetic medical device; and (2) authorizing an esthetician and a cosmetologist to perform certain procedures.

Existing law authorizes an advanced esthetician to perform a nonablative esthetic medical procedure under the supervision of a physician, a physician assistant or an advanced practice registered nurse. (NRS 644A.127) **Section 18**

requires the Board to adopt regulations identifying each nonablative esthetic medical procedure an advanced esthetician is authorized to perform. **Section 13** of this bill revises the definition of "nonablative esthetic medical procedure" for the purpose of authorizing an advanced esthetician to perform only those nonablative medical procedures that the Board has identified by regulation.

Existing law prohibits a provider of health care from using space leased in a cosmetological establishment to provide health care services at the same time a cosmetologist uses that space to engage in the practice of cosmetology. (NRS 644A.615) **Section 48** of this bill provides an exemption from that prohibition to authorize a physician, a physician assistant or an advanced practice registered nurse to use such a leased space to provide health care services associated with the supervision of an advanced esthetician.

Existing law sets forth certain powers and duties of the Board. (NRS 644A.230) **Section 15** of this bill provides those powers and duties to the Executive Director of the Board. Existing law requires the Board to keep all records and files at the main office of the Board and, with certain exceptions, make the records and files open to public inspection. (NRS 644A.230) **Section 15** removes the requirement to keep the records and files at the main office of the Board.

Existing law provides that certain documents and information of the Board relating to the imposition of disciplinary action against a person are confidential unless the person submits to the Board a request that such documents and information be made public records. (NRS 644A.870) **Section 56** of this bill removes provisions authorizing a person to submit such a request.

Sections 39, 42 and 47 of this bill require a licensee or registrant to have paid to the Board any outstanding fees, fines or other balance owed to the Board as a condition for the renewal of a license or certificate of registration. **Section 35** of this bill provides that certain fees charged by the Board are nonrefundable.

Existing law requires a makeup artist to register with the Board and provides that such a registration expires on January 1 of each year. (NRS 644A.395) **Section 12** of this bill revises the definition of "makeup artistry" to authorize a makeup artist to apply strip eyelashes. (NRS 644A.105) **Section 31** of this bill: (1) revises the information that a person must submit to the Board to register as a makeup artist; and (2) provides that a certificate of registration as a makeup artist is valid for 1 year after the date of issuance.

Existing law requires a person who applies to be admitted to an examination for licensure as a cosmetologist, hair designer, esthetician, advanced esthetician or nail technologist to satisfy certain training or experience requirements. Existing law authorizes such requirements to be satisfied by having practiced the applicable occupation for a certain length of time outside of this State. (NRS 644A.300, 644A.315, 644A.328, 644A.330, 644A.345) **Sections 20, 22 and 24-26** of this bill revise those training and experience

requirements to, among other things, specify that practice outside of this State includes practice in any other state, territory or country. **Sections 21 and 23** of this bill provide that an examination for a license as a cosmetologist or hair designer may include practical demonstrations of procedures involving the application of chemicals to the hair. **Section 32** of this bill revises certain training requirements for a person to be admitted to examination for a license as an electrologist. **Sections 29 and 30** of this bill revise requirements for a person to be admitted to examination for registration as a shampoo technologist and for the content of the examination. **Sections 27, 28 and 64** of this bill repeal and revise requirements for a person to be admitted to examination for licensure as a hair braider and for the content of the examination. **Sections 36, 54 and 59** of this bill make conforming changes to remove references to certain requirements concerning hair braiders repealed by **section 64**.

Existing law sets forth separate requirements for a person to be admitted for examination as an instructor depending on whether the person wishes to be licensed as an instructor of cosmetology, hair design, esthetics, advanced esthetics or nail technology. (NRS 644A.420-644A.430) **Sections 34 and 64** of this bill: (1) establish, with certain exceptions, the same requirements for each type of instructor; and (2) authorize an instructor to provide instruction only on subject matter that is within the scope of his or her license in the applicable branch of cosmetology. **Section 33** of this bill revises the materials that an applicant for a provisional license as an instructor is required to submit to the Board.

Sections 37, 39 and 42 of this bill revise the amount of fees charged to an applicant for examination for licensure as a hair braider and for the issuance and renewal of such a license. **Section 41** of this bill **: (1)** authorizes the Board to defer the expiration of certain licenses or certificates of registration for a person who submits a request and pays a fee ~~.~~ **; and (2) requires the Board to provide certain notice to a licensee or holder of a certificate of registration before the expiration of his or her license or certificate of registration.**

Existing law requires a person who holds a license or certificate of registration to practice any branch of cosmetology to display the license or certificate or a duplicate of the license or certificate at the position where the holder of the license or certificate performs his or her work. (NRS 644A.530) **Section 44** of this bill requires such a person to display the license or certificate or a duplicate of the license or certificate at each workstation where he or she performs his or her work on the public.

Existing law establishes requirements for the licensure and operation of a cosmetological establishment or a school of cosmetology. (NRS 644A.600-644A.630, 644A.700-644A.755) **Section 46** of this bill revises procedures for the issuance of a license for a cosmetological establishment. **Sections 51 and 52** of this bill revise requirements for the: (1) supervision by a licensed instructor of a school of cosmetology; (2) attendance of a student for

instruction in theory; and (3) advertisement of student work to the public. **Section 57** of this bill revises the circumstances under which certain apprentices may engage in certain practices at a cosmetological establishment. **Section 50** of this bill requires a cosmetological establishment to display a sign under certain circumstances indicating when no cosmetological services will be provided.

Existing law requires a person who engages in the practice of threading or the owner or operator of certain facilities in which a person engages in the practice of threading to register with the Board. (NRS 644A.550) **Sections 17 and 45** of this bill: (1) require the Board to keep certain records relating to a person who engages in the practice of threading; (2) provide that a certificate of registration to engage in the practice of threading expires 1 year after issuance; and (3) authorize a licensed cosmetologist or esthetician to engage in the practice of threading without registering with the Board.

Existing law provides for the licensure and regulation of establishments for hair braiding, which existing law defines to mean, in general, any premises, mobile unit or building where hair braiding is practiced, other than a cosmetological establishment. (NRS 644A.060) **Sections 16-19, 42, 53-55, 57, 60, 61 and 64** of this bill remove or repeal provisions which provide for the licensure and regulation of establishments for hair braiding, thereby requiring any establishment where hair braiding is practiced to be licensed as a cosmetological establishment. **Section 63** of this bill deems any person who, on October 1, 2023, holds a license for an establishment for hair braiding to hold a license for a cosmetological establishment.

Existing law provides for the licensure and regulation by the Board of demonstrators of cosmetics, which existing law defines to mean, in general, a person who demonstrates cosmetics under certain circumstances. (NRS 644A.045) **Sections 9, 17, 38-43, 48, 49, 54 and 64** of this bill repeal or remove all references to demonstrators of cosmetics in the provisions of existing law governing cosmetology for the purpose of no longer subjecting a demonstrator of cosmetics to licensure or regulation by the Board.

Existing law prohibits: (1) the use of an x-ray machine to treat the scalp or remove hair; and (2) the local application of corrosive substances for the purpose of peeling skin. (NRS 644A.925) **Section 58** of this bill: (1) eliminates the prohibition on the use of an x-ray machine to treat the scalp or remove hair; and (2) revises the prohibition on the use of corrosive substances to peel skin to allow for the application of certain substances by a cosmetologist, esthetician or advanced esthetician for certain purposes.

ASSEMBLYWOMAN MOSCA

JOINT SPONSOR: SENATOR BUCK

CONTAINS UNFUNDED MANDATE (§ ~~[1)]~~ **1.5)**

Not Requested by Affected Local Government)

AN ACT relating to education; **revising provisions relating to the enrollment of pupils in charter schools;** requiring school districts, charter schools and university schools for profoundly gifted pupils to take certain measures to accommodate a pupil who plans to transfer to the school district or school or leave the school district or school because of the documented pending military transfer of a parent or guardian; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes a charter school to give preference in enrollment to certain children before enrolling children who are otherwise eligible for enrollment. (NRS 388A.456) Section 1 of this bill authorizes a charter school to give the same preference to a child who has a parent or legal guardian who is a member of the military.

The Interstate Compact on Educational Opportunity for Military Children requires member states, including Nevada, to take certain measures to facilitate the enrollment and continued education of pupils who are children of military families and who transfer into this State. (NRS 388F.010) Existing law also requires the superintendent of a school district or his or her designee to make reasonable efforts to accommodate a pupil who transfers to a public school in the district due to the military transfer of the parent or legal guardian of the pupil. (NRS 388F.070) ~~[This]~~ **Section 1.5 of this** bill additionally requires the governing body of a charter school or university school for profoundly gifted pupils to make such reasonable efforts. ~~[This bill]~~ **Section 1.5** requires those

reasonable efforts to include authorizing such a pupil to enroll in the school and participate in any application or lottery process necessary to be eligible for such enrollment: (1) at the same time as pupils who reside in the school district or near the charter school or university school, as applicable; and (2) in the same manner as pupils who reside in the school district or near the charter school or university school, as applicable, or remotely using electronic means, regardless of whether such means are generally authorized for other pupils. ~~[This bill]~~ **Section 1.5** authorizes such a pupil to: (1) use the address of a military installation to which a parent or legal guardian of the pupil has a documented pending military transfer as the address of the pupil for all purposes relating to enrollment until the pupil notifies the public school of the actual address at which the pupil will reside in the appropriate attendance area; and (2) specify an additional address solely for the purpose of receiving correspondence. ~~[This bill]~~ **Section 1.5** also requires the superintendent of a school district or the superintendent's designee or the governing body of a charter school or university school for profoundly gifted pupils to make reasonable efforts to accommodate a pupil who plans to leave the school during the school year because of the documented pending military transfer of the parent or legal guardian of the pupil. ~~[This bill]~~ **Section 1.5** requires those efforts to include: (1) authorizing and assisting the pupil to complete the requirements for the current school year through a program of distance education, if such a program is available; and (2) cooperating with any school or school district to which the pupil plans to transfer. ~~[This bill]~~ **Section 1.5** requires a pupil who enrolls in a public school, charter school or university school for profoundly gifted pupils for all or part of a school year pursuant to the provisions of this bill to provide proof of residency before the beginning of the next school year if the pupil plans to enroll in the school for the next school year.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. **NRS 388A.456 is hereby amended to read as follows:**

388A.456 1. Before a charter school enrolls pupils who are eligible for enrollment pursuant to NRS 388A.453, a charter school may enroll a child who:

(a) Is a sibling of a pupil who is currently enrolled in the charter school.

(b) Was enrolled, free of charge and on the basis of a lottery system, in a prekindergarten program at the charter school or any other early childhood educational program affiliated with the charter school.

(c) Is a child of a person:

(1) Who is employed by the charter school;

(2) Who is a member of the committee to form the charter school;

(3) Who is a member of the governing body of the charter school; or

(4) Who resides on or is employed on the federal military installation, if the charter school is located on a federal military installation;

(d) Is enrolled at a charter school with which the charter school has an articulation agreement, approved by the sponsor, providing for priority enrollment.

(e) Is in a particular category of at-risk pupils and the child meets the eligibility for enrollment prescribed by the charter school for that particular category.

(f) At the time his or her application is submitted, is enrolled in a public school of a school district with an enrollment that is more than 25 percent over the public school's intended capacity, as reported on the list maintained by the school district pursuant to subsection 4. If a charter school enrolls pupils who are enrolled in such a public school before enrolling other pupils who are eligible for enrollment, the charter school must enroll such pupils who reside within 2 miles of the charter school before enrolling other such pupils.

(g) At the time his or her application is submitted, is enrolled in a public school that received an annual rating established as one of the two lowest ratings possible indicating underperformance of a public school, as determined by the Department pursuant to the statewide system of accountability for public schools for the most recent school year for which the public school received an annual rating. If a charter school enrolls pupils who are enrolled in such a public school before
enrolling other pupils who are eligible for enrollment, the charter school must enroll such pupils who reside within 2 miles of the charter school before enrolling other such pupils.

(h) Resides within the school district and within 2 miles of the charter school if the charter school is located in an area that the sponsor of the charter school determines includes a high percentage of children who are at risk. If space is available after the charter school enrolls pupils pursuant to this paragraph, the charter school may enroll children who reside outside the school district but within 2 miles of the charter school if the charter school is located within an area that the sponsor determines includes a high percentage of children who are at risk.

(i) Has a parent or legal guardian who is a member of the military.

2. If more pupils described in this section who are eligible apply for enrollment than the number of spaces available, the charter school shall determine which applicants to enroll pursuant to this section on the basis of a lottery system.

3. A lottery held pursuant to subsection 2 must be held not sooner than 45 days after the date on which a charter school begins accepting applications for enrollment unless the sponsor of the charter school determines there is good cause to hold it sooner.

4. Each school district shall create and maintain a list which specifies for each public school of the school district, the maximum enrollment capacity for each school, the actual number of pupils enrolled at each school and the percentage by which enrollment at each school exceeds the intended enrollment capacity, if applicable. Each school district shall post the list on the

Internet website maintained by the school district as soon as practicable after the count of pupils is completed pursuant to NRS 387.1223 but not later than November 1 of each year.

5. As used in this section, "member of the military" has the meaning ascribed to it in NRS 176A.043.

~~[Section 1.]~~ ***Sec. 1.5.*** NRS 388F.070 is hereby amended to read as follows:

388F.070 1. The superintendent of a school district or the superintendent's designee ***or the governing body of a charter school or a university school for profoundly gifted pupils*** shall ~~[, in]~~ ***:***

(a) Authorize a pupil who plans to transfer to a public school in the school district or to a charter school or university school, as applicable, from a school inside or outside this State because of the documented pending military transfer of the parent or legal guardian of the pupil to enroll in the public school, charter school or university school and participate in any application or lottery process necessary to be eligible for such enrollment:

(1) At the same time as pupils who reside in the school district or near the charter school or university school, as applicable; and

(2) In the same manner as pupils in the school district or near the charter school or university school, as applicable, or remotely using electronic means, regardless of whether such means are generally authorized for other pupils.

(b) Deem the address of a military installation to which a parent or legal guardian of the pupil has a documented pending military transfer to be the address of the pupil for all purposes relating to enrollment for which an address is required until the pupil notifies the public school of the actual address at which the pupil will reside in the appropriate attendance area.

(c) Authorize the pupil and the parent or legal guardian of the pupil to specify an additional, current address solely for the purpose of receiving correspondence.

(d) In accordance with NRS 388F.010, make ***other*** reasonable efforts to accommodate a pupil who transfers to a public school in the school district ***or to the charter school or university school, as applicable,*** from a school inside or outside this State because of the military transfer of the parent or legal guardian of the pupil.

2. If the superintendent of a school district or the superintendent's designee is not able to grant a standard high school diploma to a pupil who transfers during grade 12 to a school in this State from a school outside this State because of the military transfer of the parent or legal guardian of the pupil, the superintendent or the superintendent's designee shall work cooperatively with the local education agency in the state in which the pupil was previously enrolled to determine if the pupil is eligible to receive a diploma from that local education agency and, if the pupil is eligible, to facilitate receiving a high school diploma from that local education agency.

3. If a pupil at a public school in a school district, a charter school or a university school for profoundly gifted pupils plans to leave the school during the school year because of the documented pending military transfer of the parent or legal guardian of the pupil, the superintendent of the school district or the superintendent's designee or the governing body of the charter school or university school, as applicable, shall make reasonable efforts to accommodate the pupil, including, without limitation, by:

(a) Authorizing and assisting the pupil to complete the requirements for the current school year through a program of distance education, if such a program is available; and

(b) Cooperating with any school or school district to which the pupil plans to transfer.

4. (a) The school district;

(b) The zone of attendance of the school established pursuant to NRS 388.040; or

(c) The geographic area served by the charter school or university school.

5. As used in this section, "program of distance education" means a program comprised of one or more courses of study for which instruction is delivered by means of video, computer, television or the Internet or other electronic means of communication, or any combination thereof, in such a manner that the person supervising or providing the instruction and the pupil receiving the instruction are separated geographically for a majority of the time during which instruction is delivered.

Sec. 2. The provisions of NRS 354.599 do not apply to any additional expenses of a local government that are related to the provisions of this act.

Sec. 3. 1. This section becomes effective upon passage and approval.

2. Sections 1 **, 1.5** and 2 of this act become effective:

(a) Upon passage and approval for the purpose of adopting any regulations and performing any other preparatory administrative tasks that are necessary to carry out the provisions of this act; and

SECOND READING AND AMENDMENT

Senate Bill No. 109.

Bill read second time.

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 646.

AN ACT relating to anatomical gifts; authorizing a coroner or medical examiner to release a body or part of a body that is the subject of an anatomical gift under certain circumstances; prescribing a procedure for a court to appoint a person to make an anatomical gift of part or all of a decedent's body under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The Revised Uniform Anatomical Gift Act establishes the rights of donors and other persons to affirmatively make anatomical gifts of human bodies and parts for the purpose of transplantation, therapy, research or education. The Uniform Act also sets forth various requirements and procedures for making, amending, revoking and refusing to make anatomical gifts. (NRS 451.500-

451.598) The Uniform Act authorizes: (1) a donor, an agent or guardian of a donor or the parent or guardian of a donor who is a minor to make an anatomical gift of the donor's body while the donor is still alive; and (2) certain classes of persons to make an anatomical gift of a decedent's body or part, in order of priority and subject to certain limitations. (NRS 451.556, 451.566) **Section 1** of this bill authorizes a coroner or medical examiner to release and authorize the removal of part or all of a body in his or her custody for the purpose of transplantation upon the request of a procurement organization if: (1) the part or body is the subject of a valid anatomical gift; (2) the coroner or medical examiner has no evidence of the decedent having communicated a desire that his or her body or part not become anatomical gifts; **(3) the procurement organization demonstrates it has made a reasonable effort to determine whether any other person in a class authorized to make an anatomical gift of the decedent's body or part is reasonably available;** and ~~[(3)]~~ **(4)** no person in a class authorized to make an anatomical gift of the decedent's body or part who is reasonably available objects to the making of an anatomical gift. **Section 1** immunizes a coroner or medical examiner from civil or criminal liability for any act or omission in accordance with the provisions of **section 1**. **Sections 2-4, 6 and 7** of this bill make conforming changes to indicate the proper placement of **section 1** in the Nevada Revised Statutes.

If no other person authorized to make an anatomical gift of a decedent's body or part for the purpose of transplantation, therapy, research or education is reasonably available, the Uniform Act authorizes any other person having the authority to dispose of the decedent's body to make an anatomical gift. (NRS 451.566) **Section 5** of this bill removes this provision and instead authorizes a procurement organization to petition a district court to appoint a person to make an anatomical gift of a decedent's body or part if no other person authorized to make such an anatomical gift is reasonably available. **Section 5** prohibits the court from granting such a petition unless the procurement organization **:** ~~[has determined that:]~~ (1) **demonstrates that it has made a reasonable effort to determine whether any other person in a class authorized to make an anatomical gift of the decedent's body or part is reasonably available; (2) has determined that** no person who is otherwise authorized to make an anatomical gift and is reasonably available objects to the anatomical gift; and ~~[(2)]~~ **(3) has determined that** no evidence exists of the decedent having communicated a desire that his or her body or part not become anatomical gifts.

(NRS 450.020) Existing law also: (1) provides for a board of hospital trustees for a public hospital, which has general powers and duties relating to establishing and maintaining a public hospital; (2) authorizes the appointment of a hospital advisory board in counties where the board of county commissioners is the board of hospital trustees; and (3) requires such a hospital advisory board to exercise the powers and duties delegated to it by the board of hospital trustees. (NRS 450.070, 450.150, 450.175) **Section 2** of this bill changes the name of a "hospital advisory board" to a "hospital governing board" and requires such a board to adopt bylaws and related policies and procedures.

Existing law requires a board of hospital trustees **of a county hospital** to hold meetings and authorizes the board of hospital trustees to hold a closed meeting to discuss providing or expanding a health care service or acquiring or expanding a facility. (NRS 450.140) **Section** ~~[1]~~ **1.5** of this bill also authorizes a board of hospital trustees or a hospital governing board to hold a closed meeting to discuss: (1) privileged or confidential matters before an organized committee of a county hospital in deliberating the character, alleged misconduct, professional competence, or physical or mental health of a provider of health care; and (2) ~~[a report related to the compliance of the county hospital with all laws, regulations and rulemaking guidance of the Centers for Medicare and Medicaid Services of the United States Department of Health and Human Services or a report related to any conditions of participation in the Medicare or Medicaid programs.]~~ **matters related to a medical audit or the quality assurance programs of the county hospital.**

Section 1 of this bill authorizes a board of trustees of a county hospital district to hold a closed meeting for the same purposes as a board of hospital trustees of a county hospital. Section 1 also provides that the records of such a closed meeting become public records 5 years after the date of the meeting or when the board of trustees determines that confidentiality is no longer required, whichever is first, and defines the terms "provider of health care" and "review committee" for purposes of section 1.

Section 3 of this bill makes a conforming change to exempt a closed meeting held pursuant to ~~[section 1]~~ **sections 1 and 1.5** from the Open Meeting Law. **Sections 2.7 and 2.9 of this bill make conforming changes to indicate the proper placement of section 1 in the Nevada Revised Statutes.**

Existing law authorizes a board of hospital trustees of a public hospital to employ physicians and interns on a full-time or part-time basis, and fix their compensations. (NRS 450.180) **Section 2.5** of this bill authorizes a board of hospital trustees or any hospital governing board appointed pursuant to **section** ~~[1]~~ **2** to employ dentists and fix their compensation. **Section 3.5 of this bill exempts such a dentist from a prohibition against associating with or being employed by certain unlicensed persons under certain circumstances.**

Amendment adopted.

Bill ordered reprinted, re-engrossed and to third reading.

Senate Bill No. 235.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 658.

AN ACT relating to criminal procedure; revising provisions relating to pretrial release hearings; authorizing a court to impose additional conditions

of release on a person under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

In general, existing law requires a court to hold a pretrial release hearing to determine the custody status of a person within 48 hours after the person has been taken into custody. However, existing law authorizes a court to continue such a pretrial release hearing if good cause is shown by a party. (NRS 178.4849) **Section ~~[1]~~ 1.2** of this bill instead authorizes the court to continue a pretrial release hearing: (1) at the request of either party or the court and for good cause shown; or (2) upon stipulation of the parties. **Section ~~[1]~~ 1.2** also **: (1)** prescribes certain requirements relating to the scheduling of a pretrial release hearing continued by the court **~~[.]~~ ; (2) authorizes the prosecuting attorney, the defendant and the defendant's attorney to appear at a pretrial release hearing by any means of remote communication; and (3) authorizes a magistrate who presides over a pretrial release hearing to do so by means of remote communication.**

Section 1 of this bill authorizes a district attorney and any attorney employed by a district attorney to prosecute a person in a county other than the county by which the district attorney is employed for the limited purpose of conducting a pretrial release hearing. Section 1 also provides that a public defender and the State Public Defender may, pursuant to an interlocal agreement, authorize the public defender, State Public Defender or any other attorney employed by the public defender or State Public Defender to provide for the representation of a defendant in a pretrial release hearing in any county. Finally, section 1 authorizes: (1) a district attorney, assistant district attorney, deputy district attorney or other attorney employed by a district attorney to receive a stipend for being available on a weekend or holiday to serve as the prosecuting attorney in a pretrial release hearing or for serving as the prosecuting attorney in any such pretrial release hearing conducted on a weekend or holiday; and (2) a public defender, the State Public Defender or any other attorney employed by the public defender or State Public Defender to receive a stipend for being available on a weekend or holiday to represent a defendant in a pretrial release hearing or for representing a defendant in any such pretrial release hearing conducted on a weekend or holiday.

Existing law provides that, with certain exceptions, in criminal cases the jurisdiction of a justice of the peace extends to the limits of the county of the justice of the peace. (NRS 4.370) Section 1.7 of this bill authorizes a justice of the peace, pursuant to an interlocal agreement, to conduct a pretrial release hearing in a municipal court.

Existing law sets forth the powers and duties of municipal courts. (NRS 5.050) Section 1.9 of this bill authorizes a municipal judge, pursuant to an interlocal agreement, to conduct a pretrial release hearing in a justice court.

Existing law provides that a court may only impose bail or a condition of release, or both, on a person if the imposition is the least restrictive means necessary to protect the safety of the community or to ensure the appearance of the person in court. Under existing law, if a person fails to comply with a condition of release imposed by the court, the court may, after providing the person with notice and an opportunity for a hearing: (1) deem such conduct contempt; (2) increase the amount of bail; or (3) revoke bail and remand the person into custody. (NRS 178.4851) **Section 1.5** of this bill authorizes the court to impose on a person who fails to comply with a condition of release such additional conditions of release as the court deems necessary to protect the safety of the community or to ensure the person will appear at the times and places ordered by the court.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

(a) Be deputized to prosecute a person in a county other than the county by which the attorney is employed for the limited purpose of serving as the prosecuting attorney in a pretrial release hearing required by NRS 178.4849. An assistant district attorney, deputy district attorney or other attorney employed by a district attorney must receive the approval of the district attorney of the county in which the attorney is employed before serving as the prosecuting attorney in a pretrial release hearing in a county other than the county by which the attorney is employed.

(b) Receive a stipend for being available on a weekend or holiday to serve as the prosecuting attorney in a pretrial release hearing required by NRS 178.4849 or for serving as the prosecuting attorney in any such pretrial release hearing conducted on a weekend or holiday.

or provider of health care may require an insurer to pay for long-acting reversible contraception under such circumstances; prohibiting an insurer from refusing to cover **a contraceptive injection or** the insertion of certain contraceptive devices at a hospital immediately after an insured gives birth; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law prescribes certain requirements governing the operation of hospitals and other medical facilities. (NRS 449.029-449.2488) **Section 1** of this bill requires a hospital, upon the request of a patient giving birth at the hospital, to provide for the insertion **or injection** of long-acting reversible contraception unless: (1) the contraception is contraindicated for the patient; (2) a physician, physician assistant or advanced practice registered nurse determines that inserting **or injecting** the contraception would create an unreasonable risk of harm to the patient; or (3) the hospital is a religiously affiliated institution that objects to the insertion **or injection** of such contraception on religious grounds. **Section 1** requires a religiously affiliated hospital that objects to the insertion **or injection** of such contraception on religious grounds to notify maternity patients of that objection. **Section 1** also prohibits a hospital from requiring a provider of health care who objects to the insertion **or injection** of such contraception on religious grounds to participate in the insertion **or injection** of such contraception. **Section 1** requires such a provider at a hospital to refer a patient who requests the insertion **or injection** of such contraception to a provider who is willing to provide that service. **Section 1** restricts the amount that a provider of health care or hospital is authorized to require a third party insurer to pay for such contraception, the insertion **or injection** of such contraception or testing associated with such contraception. **Sections 2-7 and 9** of this bill make conforming changes to provide for the administration and enforcement of the requirements of **section 1** in the same manner as other requirements imposed by existing law on medical facilities.

Existing law requires certain public and private insurers, including, without limitation, Medicaid, to cover certain types of contraception, including certain implantable rods and intrauterine contraceptive devices. (NRS 287.010, 287.04335, 422.27172, 689A.0418, 689B.0378, 689C.1676, 695A.1865, 695B.1919, 695C.1696, 695G.1715) **Sections 8 and 10-16** of this bill prohibit such an insurer from refusing to cover the insertion of such a device **or a contraceptive injection** at a hospital immediately after an insured gives birth.

Senate Bill No. 336.

Bill read second time.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 670.

AN ACT relating to health care; exempting certain conduct of certain practitioners of healing arts practicing within their authorized scope of authority from provisions governing certain practitioners of other healing arts; enacting provisions governing the certification and regulation of certified registered nurse anesthetists; authorizing a certified registered nurse anesthetist to order, prescribe, possess and administer controlled substances, poisons, dangerous drugs and devices under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes a physician, physician assistant, dentist, advanced practice registered nurse, podiatric physician or optometrist to prescribe and dispense controlled substances and dangerous drugs under certain circumstances. (NRS 453.226, 454.215, 639.235) Existing law provides that provisions of existing law governing the practice of physicians, physician assistants, perfusionists and practitioners of respiratory care do not apply to any person permitted to practice any other healing art under title 54 of NRS who does so within the scope of that authority. (NRS 630.047) **Sections 1, 2.2 and 3-5** of this bill provide similar exemptions from provisions governing dentists, nurses, osteopathic physicians and physician assistants, podiatrists and optometrists for practitioners of healing arts who are acting within the scope of their authority. **Section 6** of this bill provides that the provisions of **sections 1, 2.2 and 3-5** apply to any conduct by a practitioner of a healing art before, on or after the effective date of this bill which has not been the subject of a final order from the Board of Dental Examiners of Nevada, the State Board of Nursing, the State Board of Osteopathic Medicine, the State Board of Podiatry or the Nevada State Board of Optometry. **Section 6** also requires those boards to terminate any investigation or disciplinary proceedings for conduct that is outside the scope of those boards.

Existing law: (1) provides for the certification of certified registered nurse anesthetists by the State Board of Nursing; and (2) authorizes a certified registered nurse anesthetist to administer anesthetic agents to a person under the care of a licensed physician, dentist or podiatric physician. (NRS 632.014) **Section 2.4** of this bill requires the State Board of Nursing to issue a certificate of registration to practice as a certified registered nurse anesthetist to a registered nurse who meets the requirements prescribed by existing law for such certification and any additional requirements prescribed by the Board.

Section 2.4 also requires the Board to adopt regulations governing certified registered nurse anesthetists.

Existing law authorizes a registered nurse to possess and administer controlled substances and dangerous drugs under certain circumstances. (NRS 453.375, 454.213) **Sections 2.6, 5.1, 5.5 and 5.9** of this bill additionally authorize a certified registered nurse anesthetist **working under the supervision of a physician licensed to practice medicine or osteopathic medicine in this State** to order, prescribe, possess and administer controlled substances, poisons, dangerous drugs and devices to treat a person under the care of a licensed physician in a critical access hospital before, during and after surgery or childbirth. **Sections 5.2-5.4 and 5.6-5.85** of this bill make additional changes necessary to authorize a certified registered nurse anesthetist to order, prescribe, possess and administer controlled substances, poisons, dangerous drugs and devices in such circumstances. A certified registered nurse anesthetist who unlawfully possesses, prescribes or administers a controlled substance, dangerous drug or poison would be subject to discipline and criminal and civil penalties to the same extent as other practitioners who unlawfully possess, prescribe or administer such drugs. (NRS 453.236, 453.305, 453.326, 453.3363, 453.553, 454.170, 454.356)

Section 2.8 of this bill makes a conforming change to remove a provision now duplicated in **section 2.4**.

Sections 2 and 16 of this bill provide that the provisions of **sections 1-10 and 15-25** of this bill apply only to a county whose population is 100,000 or more (currently Clark and Washoe Counties) or to a city in a county whose population is 100,000 or more.

Sections 3 and 17 of this bill define the term "sidewalk vendor."

Sections 7 and 21 of this bill: (1) authorize a governing body of a county or city to adopt an ordinance regulating sidewalk vendors; and (2) require the governing body of a county or city that adopts such an ordinance to post on its Internet website a map of the areas where a person may engage in the act of sidewalk vending. **Sections 7 and 21** also prohibit a governing body of a county or city from, with certain exceptions: (1) enforcing or enacting a complete prohibition on sidewalk vending; (2) imposing criminal penalties for the act of sidewalk vending in a residential area; or (3) regulating sidewalk vendors, except in compliance or substantial compliance with the provisions of this bill.

Sections 7.5 and 21.5 of this bill prohibit a person, with certain exceptions, from selling food **, beverages** or merchandise upon a public sidewalk or pedestrian path from a conveyance within 1,500 feet of: (1) a resort hotel; (2) certain event facilities; (3) certain convention facilities; and (4) a median of a highway, if the median is adjacent to a parking lot. **Sections 7.5 and 21.5** authorize, with certain exceptions, a person to sell food **, beverages** or merchandise within 1,500 feet of such a location if the area is zoned exclusively for residential use.

Sections 10 and 24 of this bill authorize a governing body of a county or city to impose by ordinance certain penalties and fines for a violation of the provisions of the ordinance regulating sidewalk vendors or for operating without any required license or permit for sidewalk vendors.

Sections 10.5 and 24.5 of this bill provide that the provisions of this bill governing the regulation of sidewalk vendors by a governing body of a county or city shall not be construed to: (1) exempt a person from complying with any state or local law or regulation; (2) provide a defense to any criminal act that is not related to the act of sidewalk vending; or (3) affect certain rights of a

private property owner to use or authorize or limit the use of a privately owned sidewalk.

Section 11 of this bill makes a conforming change to create an exception to the authority of a board of county commissioners to regulate all character of lawful trades, callings, industries, occupations, professions and business.

Existing law authorizes a local board of health to adopt regulations relating to food establishments. (NRS 446.940) **Section 25** of this bill requires a local board of health to adopt regulations to establish a process for a person to apply for a permit, license or other authorization from the local board of health to operate as a sidewalk vendor and that allow a person applying for any such authorization to operate as a sidewalk vendor to: (1) pay any fees required by the local board of health using a payment plan; and (2) obtain any necessary certification as a food handler if the person does not have a driver's license or identification card.

ASSEMBLYWOMAN MONROE-MORENO:

The General Fund appropriations included in the General Appropriations Act total $3,453,793,513 in FY [Fiscal Year] 2024 and $3,588,282,593 in FY 2025, or $7.042 billion over the 2023-2025 biennium, an increase of approximately $1.026 billion when compared to General Fund appropriations approved by the 2021 Legislature for the 2021-2023 biennium. The Act includes Highway Fund appropriations totaling $167,536,452 in FY 2024 and $168,606,045 in FY 2025, or $336.1 million over the 2023-2025 biennium, an increase of approximately $30.8 million from the previous biennium.

For the Judicial Department's budgets, the Executive Budget included $23.3 million in court administrative assessment revenue over the 2023-2025 biennium. In closing the budgets for the Judicial Department, the money committees approved replacing all court administrative assessment revenue in Judicial Department budgets with direct General Fund appropriations. Through the replacement of that revenue source, the money committees approved total General Fund appropriations of $5.7 million over the 2023-2025 biennium to fund 30 new positions for the Judicial Department and also approved the consolidation of all nonelected positions within the Judicial Department, excluding the Commission on Judicial Discipline, into one new budget account and to allow the Supreme Court to employ such persons as it deems necessary, with salaries and benefits determined by the Supreme Court within the limits of legislative appropriations for that purpose.

The money committees approved one-time General Fund appropriations of $2.4 million over the 2023-2025 biennium to fund the replacement of the Supreme Court's legacy case management system for the appellate court, $1.3 million over the 2023-2025 biennium to implement a statewide digital evidence management system, and $1.4 million in FY 2024 to build a hybrid training facility within existing space in the Carson City Supreme Court building.

Funding for public schools and K-12 education was considered separately in the K-12 Education Funding Bill, which contains funding for the Pupil-Centered Funding Plan and other programs related to K-12 education.

In closing the Department of Education budgets, the money committees approved General Fund support totaling $119.1 million over the 2023-2025 biennium, which includes $34.5 million to fund the administration of statewide assessments. The money committees approved total General Fund appropriations of $22.3 million in FY 2024 and $24.8 million in FY 2025 for subgrants to entities participating in the State Pre-K program; General Fund appropriations of $1 million over the 2023-2025 biennium for a new school improvement program for Nevada's lowest-performing schools; and General Fund appropriations of $2.7 million over the 2023-2025 biennium to fund 11.5 new positions as well as 4 positions previously funded with federal funding.

In closing the budgets of the Nevada System of Higher Education [NSHE], the money committees approved total General Fund appropriations of $1.467 billion over the 2023-2025 biennium. In approving the NSHE budgets, the money committees approved to suspend the funding formula distribution component and allocate General Fund appropriations to each of the instructional institutions using the traditional base, maintenance, and enhancement decision unit model.

In closing the Department of Health and Human Services' Aging and Disability Services Division budgets, the money committees approved General Fund appropriations totaling $514.4 million over the 2023-2025 biennium. Of that amount, the money committees approved

General Fund appropriations of $46.8 million over the 2023-2025 biennium to support caseload growth, waitlist reductions, and associated staffing adjustments for various programs.

In closing the budgets within the Division of Health Care Financing and Policy, the money committees approved General Fund appropriations totaling $2.514 billion over the 2023-2025 biennium. The funding supports projected Medicaid average monthly caseloads of approximately 877,000 in FY 2024 and 858,000 in FY 2025 and projected Check Up average monthly caseload of approximately 23,400 in FY 2024 and 23,400 in FY 2025.

In closing the budgets of the Division of Public and Behavioral Health, the money committees approved total General Fund appropriations of $344.4 million over the 2023-2025 biennium.

The money committees approved total General Fund appropriations of $222.4 million to the Division of Welfare and Supportive Services for the 2023-2025 biennium, including General Fund appropriations of $49.2 million over the biennium to the Temporary Assistance for Needy Families—otherwise known as TANF—budget, primarily to support the TANF cash assistance caseload.

The money committees approved $352.9 million in General Fund appropriations over the 2023-2025 biennium for the support of the Division of Child and Family Services, including $4.9 million in General Fund appropriations to transfer in 22 positions from the Northern Nevada Child and Adolescent Services budget and to fund 56 new positions over the 2023-2025 biennium to staff the Desert Willow Treatment Center.

In closing the budgets for the Department of Corrections, the money committees approved $647.9 million in General Fund appropriations over the 2023-2025 biennium, which would provide housing for an average of 10,223 offenders in FY 2024 and 10,480 offenders in FY 2025.

The money committees approved Highway Fund appropriations of $164.7 million over the 2023-2025 biennium to support the operations of the Department of Motor Vehicles. Included in this amount are Highway Fund appropriations totaling $73 million over the 2023-2025 biennium to continue the Department Transformation Effort project.

In closing the budgets for the Department of Public Safety, the money committees approved $143.8 million in General Fund appropriations and $161.8 million in Highway Fund appropriations over the 2023-2025 biennium.

In closing the budgets for the Division of Parole and Probation, the money committees approved $115.2 million in General Fund appropriations to support the Division over the 2023-2025 biennium.

In closing the Department of Conservation and Natural Resources budgets, the money committees approved General Fund appropriations totaling $88.9 million over the 2023-2025 biennium.

In closing the Public Employees' Benefits Program budgets for the 2023-2025 biennium, the money committees approved General Fund appropriations of $9.8 million in FY 2024 and $10 million in FY 2025 to provide additional annual health savings account and health reimbursement arrangement contributions between $300 and $500 based on a participant's coverage tier. The money committees also approved General Fund appropriations of $2 million in each year of the 2023-2025 biennium that, when combined with the funding provided through the plan and these appropriations, would provide active state employees and retired state employees with life insurance coverage equivalent to pre-COVID-19 pandemic levels.

ASSEMBLYMAN C.H. MILLER:

I rise today in support of Assembly Bill 520. Because of responsible management by the Legislature, we have an opportunity to make an historic investment in Nevada's families and communities.

In this body, we hear a lot about improving mental health services. Well, investing in mental health is not just a talking point for me. Assembly Bill 520 makes it a reality and helps fill the gap in this critical service that so many Nevadans rely on—something this body can do today. By passing Assembly Bill 520, we will be taking action to invest in both Northern and Southern Nevada Adult Mental Health Services—today. It will also address Nevadans' physical health by directing needed funds toward Medicaid and a public health care option—today. These major investments for Nevadans are common sense after making it through a global pandemic that left so many injured and vulnerable.

Dr. King said, "The time is always right to do what is right." The time is now, and I hope you all will join me in doing what is right for Nevadans by supporting Assembly Bill 520.

ASSEMBLYWOMAN BROWN-MAY:

I rise in support of Assembly Bill 520. I am honored to serve as a member of this distinguished body every day, but no more so than today. I have served on the Committee on Ways and Means and have had the good fortune of watching the hard work of all our colleagues who came together to craft this dynamic piece of legislation.

I have heard many say that the bills we bring should reflect our values. I believe this bill does that. It is our responsibility to utilize our record revenues to invest in Nevadans—our health care, our education, our livelihoods— notwithstanding where we live, north, south, rural. All our communities will benefit by the investment—lifelong Nevadans and new citizens, even the newest one on the floor across the hall.

This measure provides record investments for those of us who are all too often left out or forgotten, including our diverse population of people with disabilities. It invests in early intervention supports for our youngest residents and includes special supports for K-12 and special education students as well as adult transition and community supports. This legislation supports all our citizens, including those left in the disability community who are often forgotten. Please join me in supporting this measure. Support Assembly Bill 520.

ASSEMBLYWOMAN KASAMA:

I rise today to speak to Assembly Bill 520. There are so many good programs and appropriations that we do have in this bill. I can assure you that I took notes during the meetings, and I read the bill with the little time that was provided to me. There are differences in the hearings and the final bill that is presented. During the hearings, objections were made to certain areas of expenditures in the bill. There were no negotiations with, or even attempts to work with, the Governor. We support the budget as presented by the Governor. There was truly no attempt at a bipartisan effort to present a fiscally sound budget that promotes the best policies and programs for all Nevadans.

ASSEMBLYWOMAN ANDERSON:

I rise in support of AB 520. There have been many comments made about these historic investments in our communities across our state, and there have been numerous discussions on our committees and numerous decisions that have been made, which is exactly what we were elected to do.

I stand today as an educator, incredibly proud of the fact that this budget allows us to see the individuals who will be helped, including our pre-K students, our students younger than the age of six. As we all know, earlier today I had some guests on the floor, the speech-language pathologists. They gave me a fact: Our brains are 90 percent developed before the age of six. The bill you have in front of you acknowledges that fact with an historic investment of almost $50 million in early childhood learning and development.

In addition to that, the bill recognizes that not only are we investing in our kids before they turn the age of 6, but we are also helping our children after 18—or even after 17 if they decide to take dual credit when they attend our Nevada System of Higher Education institutions. We are recognizing that helping each other can happen not just in our committee meetings and not just in this building, but more importantly, in our classrooms, in our communities, and in our state.

I ask for your support for AB 520.

ASSEMBLYWOMAN MONROE-MORENO:

I know there are a lot of people in the building who are watching the work we are doing. There are a lot of people who are watching us virutally online, and I would like to assure them that as the Chair of the Ways and Means Committee, we not only have committee and subcommittee meetings, but I personally come in every morning between 6:45 and 7 a.m. to meet with my staff, the Governor's staff, and the GFO [Governor's Office of Finance]. So there have been a number of meetings that got us to the point we are at today. There have been a number of conversations we have had to get us to this bill, and there have been a lot of negotiations.

We are not always going to agree on everything, but we do create opportunities to make sure everyone's voices are heard. A lot of the things that are in all of these bills you will be voting on today have the Governor's recommendations included in them. I wanted to get that on the record.

ASSEMBLYWOMAN MONROE-MORENO:

Assembly Bill 521, otherwise known as the CIP [Capital Improvement Program] bill, provides for the implementation of the 2023 Capital Improvement Program as approved by the money committees. The bill includes funding in the amount of $1.189 billion for the 2023 Capital Improvement Program and $32.3 million for resource conservation and preservation programs of the state outside of the CIP.

The bill includes the following major funding sources to support the 2023 CIP: $672.0 million in general obligation bonds; $422.2 million in General Fund appropriations; $69.9 million in federal funds for the Office of the Military, the Department of Veterans Services, and the Department of Administration projects; $11.5 million in State Highway Funds for Department of Motor Vehicles and Department of Public Safety projects; $5.4 million in agency funds to support the Department of Conservation and Natural Resources and the Department of Administration projects; $5 million in excess funding reallocated from projects approved in prior Capital Improvement Programs; $3 million in slot tax funding from the Special Higher Education Capital Construction Fund.

Assembly Bill 521 provides $830.5 million to support 30 construction projects in the 2023 Capital Improvement Program. Notable construction projects include $105.9 million to fund construction of a new 73,488 square foot full-service Department of Motor Vehicles facility with Commercial Driver's License services on Silverado Ranch Boulevard in Las Vegas; $99.8 million to remodel 86,280 square feet of existing space and construct an addition of rooms for residents at the Southern Nevada State Veterans Home in Boulder City; $158.5 million to construct a 130,000 square foot state office building on the Kinkead Building site in Carson City; $213.9 million to purchase 18 office buildings and a parking garage in Las Vegas providing a total of 835,518 gross square feet of office space for use by state agencies. Of the 18 buildings, 15 buildings are intended for future occupancy by Executive Branch agencies and 3 buildings would be for the future occupancy by the Legislative Branch. The bill also includes $74.5 million for building improvements for the office buildings to be purchased in Las Vegas that are intended for use by Executive Branch agencies.

Assembly Bill 521 provides $258.9 million for 49 various maintenance projects for existing state facilities; $57.1 million for 6 advance planning and design projects; and $42.5 million for 13 statewide projects, including roofing repairs, advance planning for future projects, paving, building official, fire and life safety, and accessibility projects.

Maintenance project funding includes, but is not limited to, approximately $86.9 million for the Department of Corrections for replacement of HVAC [heating, ventilation, and air-conditioning] systems, doors and locks, water and sewer systems, plumbing fixtures, boilers, underground piping replacement, installation of surveillance cameras, and electrical upgrades; $70.4 million to renovate the chilled water plant at the Desert Research Institute and to address deferred maintenance projects for institutions of the Nevada System of Higher Education;

$40 million to address deferred maintenance projects, including central plant renovations, electrical, HVAC systems, rehabilitate historic fence and lighting at the Capitol, and replacement of surveillance cameras, door access controls, and security systems for the Department of Administration; and $37.8 million for the Department of Health and Human Services for replacement of electrical systems, central plant renovations, fire system upgrades, replacement of HVAC systems, installation of security cameras and fencing, and chiller and boiler replacements.

Notable planning projects include $17.6 million for the advance planning for a new Department of Public Safety headquarters building in Carson City; $15.5 million for the advance planning for a new Southern Nevada State Veterans Home in North Las Vegas; and $18.2 million for the advance planning for a new southern Nevada forensic facility in Las Vegas.

Assembly Bill 521 authorizes the issuance of $59.3 million in state general obligation bonds to support three resource protection programs, including $43.3 million for the Conservation Bond Program established through the passage of Assembly Bill 84 of the 2019 Legislative Session, of which $27 million supports CIP Projects 23-C20 and a portion of 23-C12 for the Division of Museums and History; $13 million for the Lake Tahoe Environmental Improvement Program; and $3 million for the Cultural Centers and Historic Preservation Grant Program.

The bill includes a 16.18-cent property tax levy for debt service in each year of the 2023-2025 biennium for general obligation bonds issued to finance the Capital Improvement Program. The bill includes an additional 0.82-cent levy in each year of the 2023-2025 biennium that must be used exclusively for the repayment of bonded indebtedness issued as a result of the approval by the voters of Question 1 on the November 2002 ballot and for bonds to be issued for the Conservation Bond Program established through the passage of Assembly Bill 84 of the 2019 Session. Both programs were approved to protect, preserve, and obtain the benefits of the property and natural resources of the state. The total property tax levy of 17 cents remains unchanged from the levies approved for the 2021-23 biennium. The levies above the historic 15-cent levy, 2 cents, are not subject to the $3.64 local government property tax cap.

Assembly Bill 521 provides General Fund appropriations of $114.2 million and authorizes the issuance of $100 million in state general obligation bonds to support various capital improvement projects in Carson City and in Las Vegas for the Legislative Counsel Bureau. Additionally, the bill clarifies the supervision and control of certain property related to the capitol mall area and legislative parking garage in Carson City as well as property to be acquired in Las Vegas.

Assembly Bill 521 becomes effective upon passage and approval.

ASSEMBLYMAN WATTS:

I rise today in support of Assembly Bill 521. This bill will make significant capital improvements in our state's facilities. One thing that is important to me is the fact that in recent years, the threat of wildfires and the incidence of wildfires have skyrocketed. We have seen the devastation they can wreak on our homes and our communities. As climate change continues to worsen, that threat is only going to continue to grow. Assembly Bill 521 invests nearly $2 million in the Nevada Army National Guard Statewide Fire and Life Safety Program. This program will help Nevada stay ready and prepared to fight the threat posed by fires before they get out of control. It also further invests in conservation programs, natural resources, and protecting some of our beautiful outdoor spaces to keep our state the best place possible to live, work, and raise a family.

Again, for the investments it makes in protecting our natural resources and protecting public safety, I urge my colleagues to join me in supporting Assembly Bill 521.

ASSEMBLYWOMAN PETERS:

I rise today to speak in support of Assembly Bill 521, which will provide much-needed funding for capital improvement projects for government buildings across Nevada. Capital improvements are not to build nicer office spaces or buildings. They result in better government services for the citizens who rely on them. Included in Assembly Bill 521 is funding for the Americans with Disabilities Act statewide assistance fund, Department of Public Safety headquarters, remodeling the Summit View Youth Center, and more.

Nevadans expect and deserve high-quality government services, and Assembly Bill 521 will help deliver them. I hope you will join me in voting for Assembly Bill 521.

ASSEMBLYWOMAN KASAMA:

There are so many great appropriations in our CIP bill, Assembly Bill 521, and we do support many of those appropriations. However, we do have a large issue with the great expansion of the Legislative Counsel Bureau footprint. We are looking at expanding the square footage for the Legislative Counsel Bureau in southern Nevada to a larger square footage than what is currently in Carson City, the capital of the state of Nevada. In addition to that, we see in the bill, but did not hear in the hearings, the transfer of the title to the Legislative Counsel Bureau. I am not aware of that happening in the other branches of government. We see here that the Legislative Counsel Bureau budget for the next biennium has increased to $57.7 million, or 77.8 percent, over the previous biennium. In regard to this particular area in the CIP budget, we cannot support this.

ASSEMBLYMAN D'SILVA:

Today, I am speaking in support of the capital improvement budget, Assembly Bill 521.

As a combat veteran who saw service in Iraq, I feel it is important that the government acknowledge, recognize, and care for those who are prepared to make the ultimate sacrifice. The capital improvement budget will fund much-deserved projects to ensure our veterans are honored and treated with dignity, projects such as remodeling the Southern Nevada State Veterans Home, constructing the North Las Vegas State Veterans Home, expanding the Northern Nevada State Veterans Home, and making improvements to the veterans memorial cemeteries.

Please join me in supporting Assembly Bill 521.

ASSEMBLYWOMAN DICKMAN:

I appreciate the opportunity. I rise in opposition to this bill. There are a lot of things in this bill we are highly supportive of, but there are a number of issues in this bill that do not match up with the Governor's recommendations. For example, section 6 funds over $94 million with general obligation bonds that should be funded with cash. Given the current interest rates and the cost of bonds, this will increase the cost of these projects.

Another issue I have is that there are $214 million in General Fund cash and $100 million in general obligation bonds for LCB [Legislative Counsel Bureau] CIP projects, and there are no specifics in the bill as to the projects or the related costs.

It is clear to me that we need more negotiations; therefore, I will be voting no and urge my colleagues to do the same.

ASSEMBLYWOMAN JAUREGUI:

I rise in support of Assembly Bill 521. We worked very hard over the last four months and even before the legislative session began on a lot of what we see in this bill. A lot of what we see in this bill, including some of the buildings in southern Nevada, was also worked on very closely with the Governor's Office.

Also, I do want to correct some information. There is precedent. The buildings currently are titled to the respective branches. The Legislative Counsel Bureau currently does own the building. The title issues my colleague referenced in the bill simply transfer an existing building that we currently take care of and pay for from the Supreme Court to the Legislative Counsel Bureau.

There is so much good being done in this bill that has been worked on for hours by the committee, the Chair, the Governor's Office, and the GFO [Governor's Finance Office], who all compromised and agreed on things in this bill. I urge all of my colleagues to support Assembly Bill 521.

ASSEMBLYWOMAN MONROE-MORENO:

For further clarification, the 18 buildings that are in Las Vegas were not included in the Governor's recommended budget because he did not, nor did we, know the Director of Administration would find those buildings. So that was not included in the Governor's recommendation.

There were some other things that were included. However, when the Director of Administration found those 18 buildings, he saved the state a large amount of money. The Chair of Senate Finance, the Majority Leader of the Senate, and I joined the Governor's staff, and we toured the 18 buildings listed in this bill. There was one building that would have accommodated all the needs of the legislative body—just one. That is the building we requested; however, the

Executive Branch wanted that building. So to accommodate the needs of the Legislature, we had to take three buildings, which did mean a larger expense for us. But that was the deal that was made.

If you have been in this building any number of times, you will know we have always talked about diversity, inclusion, and expanding who we have as employees. If we are going to have a footprint in southern Nevada, we also need to have employees in southern Nevada. This gives us the opportunity to get that diversity and inclusion because we have a bigger employment base. We have a bigger population in southern Nevada. We are able to do two things—grow who we are as a legislative body through our presence in southern Nevada and also grow the people who work for us so they actually look like the people we all represent.

ASSEMBLYWOMAN MONROE-MORENO:

Assembly Bill 522, also known as the pay bill, establishes the maximum allowable salaries for certain employees not in the classified service of the state. The bill also makes General Fund appropriations of $629.8 million and Highway Fund appropriations of $56.4 million for salary increases for nonclassified, classified, and unclassified state employees; various grade increases for certain employees; incentive bonuses for personnel employed on certain dates; and the restoration of longevity pay for personnel in the Executive, Legislative, and Judicial Departments, with the addition of professional personnel employed by the Nevada System of Higher Education.

For state personnel not within a bargaining unit pursuant to NRS [*Nevada Revised Statutes*] 288.515, the Legislative Department, the Judicial Department, and certain collective bargaining units as defined in NRS 288.515, the bill provides funding for a 12 percent salary increase for FY [Fiscal Year] 2024, effective July 1, 2023, and a 4 percent salary increase for FY 2025, effective July 1, 2024. Those bargaining units are Unit B, administrative and clerical employees; Unit C, technical aides to professional employees; Unit D, professional employees who do not provide health care; and Unit J, supervisory employees from all occupational groups.

For state employees organized in the following collective bargaining units as defined in NRS 288.515, the bill includes funding for a 13 percent salary increase for FY 2024, effective July 1, 2023, and a 4 percent salary increase for FY 2025, effective July 1, 2024. Unit A includes labor, maintenance, custodial and institutional employees. Unit E includes professional employees who provide health care. Unit F includes employees, other than professional employees, who provide health care and personal care. Unit G includes category I peace officers. Unit I includes category III peace officers.

For state employees organized in the following collective bargaining units as defined in NRS 288.515, the bill includes funding for a 10 percent salary increase for FY 2024, effective July 1, 2023, and a 4 percent salary increase for FY 2025, effective July 1, 2024. Those units are Unit H, category II peace officers, and Unit K, firefighters.

In addition, the bill provides an additional 7 percent salary increase for classified, nonclassified, and unclassified state employees, and classified and professional employees of the Nevada System of Higher Education in FY 2025 if Assembly Bill 498 of the 2023 Legislative Session is not enacted by the Legislature and approved by the Governor.

The bill appropriates General Funds of $40.6 million and Highway Funds of $9.4 million for one, two, and three grade pay increases for certain positions on the classified employee compensation plan.

The bill appropriates $21.9 million in General Funds in each year of the 2023-2025 biennium for retention incentives of $250 per quarter for employees of the Executive Department, Judicial Department, the Legislative Department, and the Public Employees' Retirement System. Additionally, the bill allocates $3.5 million in each year of the 2023-2025 biennium for retention incentives for professional employees in the Nevada System of Higher Education.

The bill amends Chapter 284 of NRS to include a plan to encourage continuity of service by providing a semiannual payment of $100 to an employee with 8 years of continuous service, with an annual increase of $25 in the semiannual payment for an employee with 9 through 14 years of continuous service, $50 for an employee with 15 through 24 years of continuous service, and $75 for each additional year of continuous service after 24 years up to a maximum payment of 30 years of continuous state service. The bill further appropriates General Funds totaling $6.1 million in each year of the 2023-2025 biennium, Highway Funds totaling $1.3 million in FY 2024, and $1.5 million in FY 2025 to fund the plan to encourage continuity of service.

Assembly Bill 522 authorizes the Department of Health and Human Services and the Department of Corrections to provide callback pay for unclassified medical positions and pharmacists to perform on-call responsibilities to ensure 24-hour coverage in psychiatric and medical facilities. The bill also authorizes the Gaming Control Board to continue the credential pay plan, which provides up to $5,000 annually for unclassified employees who possess a current Nevada certified public accountant certificate, a license to practice law, or are in a qualifying position as an electronic laboratory engineer and possess a Bachelor of Science or higher degree in engineering, electronic engineering, or computer science.

Sections 45 and sections 1 to 12, inclusive, sections 21 to 38, inclusive, and sections 41 to 44, inclusive, of this act become effective on July 1, 2023. Sections 13 to 20, inclusive, and sections 39 and 40 of this act become effective on July 1, 2023, if and only if Assembly Bill 498 of the 82nd Legislative Session is not enacted by the Legislature and approved by the Governor.

ASSEMBLYMAN O'NEILL:

I stand in opposition to Assembly Bill 522. First, may I say, I appreciate the work of our Chair, members, and particularly the staff of Ways and Means for their efforts and diligence in looking at the money allocated and projected for our state over the last 100-plus days. But may I also say that the Governor, who was elected by the majority of the population of the state of Nevada, submitted a bill for a budget that came balanced and was appropriate with historic—we talk about historic actions here; he did give an historic budget—huge increases to a variety of issues facing the state: the economy, education, and particularly public safety and what we are talking about today, which is our public state employees. I was one. I can speak to this, having been on the front line for 30 years as a state employee and having seen what has been done and not done for state employees.

With the major increase our Governor is proposing, he is also saying that what is being proposed is sustainable. What has happened in the past, from almost day one when I arrived in Nevada in 1980, is that they gave something to state employees and within two or three years took it away from state employees. They would give a 2 percent increase pay raise and then take a 3 percent increase in other payments from state employees, netting them a loss. It is that sustainability I am worried about. I do not want to be responsible for having to come back when I return here in two or four years and remove that from my fellow employees.

There is a lot of good in all these bills, particularly in AB 522. What is the issue? In the future, we should think about allowing the Governor to have line-item vetoes to address those that are truly unsustainable.

SPEAKER YEAGER:

Assemblyman O'Neill, I would urge you to keep your comments to the content of the bill.

ASSEMBLYMAN O'NEILL:

I apologize.

SPEAKER YEAGER:

That is not up for discussion by the body this afternoon, so if you could please limit your comments to the content of the bill.

ASSEMBLYMAN O'NEILL:

Then let me correct that, please, Mr. Speaker. I will say, there are other options that may be addressed in the future.

With that, that is why I stand in opposition. I ask my colleagues to consider that. Are you willing to give and take away in the future? Let that be resting with you in your thoughts.

ASSEMBLYWOMAN BACKUS:

I rise today in support of Assembly Bill 522. Day in and day out, our dedicated public safety officers and state employees go to work serving the people of Nevada. Oftentimes, despite working long hours, they go underappreciated and without thanks. But make no mistake: One of the reasons Nevada is the best state to raise a family is because of them and the sacrifices they make. They are true public servants. Without them, everything in our state would come to a grinding halt. Assembly Bill 522 will make appropriate, necessary, and long overdue investments in the people who keep our great state running. I urge all my colleagues to support Assembly Bill 522.

ASSEMBLYMAN HIBBETTS:

I stand in opposition to AB 522. The proposals in this bill are not what was agreed upon in the Governor's proposed budget. Despite how nice more and more spending always appears on the surface, this will send us toward a fiscal cliff. As a retired public employee, no one values our state workers more than I do. However, I think it is unfair to be asked to vote yes on such provisions when this body has refused to give a fair hearing to what our Governor has proposed. His calls for historic increases in spending have only been met with calls for more. Balancing a budget responsibly is a zero-sum game. We cannot use non-recurring revenue to fund our state expenditures. I believe this demand for increased spending will force us to raise costs on Nevadans down the line.

I am also very concerned that our Rainy Day Fund will be quickly depleted should we enter an even worse fiscal climate than the one we find ourselves in now. We owe it to Nevada to save money, and we owe it to all Nevadans, including our state workers, to have that Rainy Day Fund available until we need it.

For these reasons, I stand opposed to AB 522.

ASSEMBLYWOMAN JAUREGUI:

Today, I am speaking in strong, enthusiastic support of Assembly Bill 522. We all know that Nevada could not function without the hard work of our public safety officers and all our state employees. Assembly Bill 522 makes critical investments in the public servants who keep our state operating, public servants such as police officers, correctional officers, those who serve our veterans, and so many more. It provides essential, long-overdue cost-of-living adjustments and reinstates a morale-building longevity pay for those who have dedicated their careers to our state.

Our state employees have been the backbone of our state for years, and it is time we properly invest in them so they can continue to provide the critical services so many Nevadans rely on, the Nevadans we represent. For two economic downturns, our state has been carried on the backs of state employees. It is time to say thank you, we see you, we did not forget the sacrifices you made to help our state during our darkest days.

I hope you will all join me today in supporting our state employees and supporting Assembly Bill 522.

ASSEMBLYWOMAN MONROE-MORENO:

I rise in support of Assembly Bill 522 as a former law enforcement officer and public employee. Our public safety officers and our state employees consistently go above and beyond to serve the people of Nevada. They selflessly perform thankless acts every single day to keep Nevadans safe and keep our state functioning and functioning well. I am committed, and I know so many of you are as well, to respecting our public safety officers and our state employees and ensuring they have the pay that reflects the sacrifices they make for all of us. At a time when our state is struggling

with unprecedented vacancy rates across every state agency, Assembly Bill 522 will help Nevada to better attract and retain the best employees and improve state services.

There was mention of our Rainy Day Fund. Well, a number of us were here when we had to deplete our Rainy Day Fund, and the cuts were not just emotionally painful but also physically painful. We made a commitment to this state to make sure we had a Rainy Day Fund that could take us through whatever that next pandemic may be—and we know there will be something. We have a total of $904 million currently in our Rainy Day Fund—record numbers for the state of Nevada. But in FY [Fiscal Year] 2024, we will add another $109.2 million to our Rainy Day Fund, and we expect an additional $58.9 million in FY 2025, which will bring our record total to $1.72 million.

Pushing the state off a fiscal cliff is not what any of us want to do, so we have been responsible fiscal leaders to make sure we are prepared for the next pandemic, whatever that may be. But we know for a fact, we could not have made it through everything we have made it through—not just this pandemic, but every other economic downturn this state has weathered has been on the backs of our state employees and our public safety officers. Now, for the first time I—and I think most of you—have been in this building, we have money to make sure we say yes, we see you, we hear you, you are important, and we are going to make sure we have the resources to retain who we have and gain new employees.

Therefore, I emphatically encourage the members to join me in supporting Assembly Bill 522 and show our dedicated public servants that they matter and we have their backs.

SECOND READING AND AMENDMENT

Senate Bill No. 349.

Bill read second time.

The following amendment was proposed by the Committee on Growth and Infrastructure:

Amendment No. 594.

AN ACT relating to document preparation services; authorizing a document preparation service to use the name of the Department of Motor Vehicles in an advertisement under certain circumstances; requiring, under certain circumstances, a document preparation service to request an amended registration from the Secretary of State; making it unlawful for a person to represent himself or herself as a document preparation service if the person is not registered as a document preparation service; setting forth the form for statements that must be included in any advertisement for services of a document preparation service; authorizing, under certain circumstances, the Secretary of State to suspend or revoke the registration of a document preparation service or to assess a ~~[civil]~~ penalty; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law prohibits a person from using the name, service marks, trademarks or logo of the Department of Motor Vehicles in an advertisement unless the person is an appointed agent of the Department and has obtained the written permission of the Department for such use. (NRS 482.160) **Section 1** of this bill provides a limited exception from that general prohibition by authorizing a document preparation service to use the term "Department of Motor Vehicles" or "DMV" in an advertisement if: (1) the term is followed by the term "services," "registration services" or other similar language; and (2) the advertisement includes a clear and conspicuous statement that the

document preparation service is a third-party business not affiliated with the Department.

Existing law requires a person who wishes to engage in the business of a document preparation service to register with the Secretary of State. (NRS 240A.100) **Section 4** of this bill provides that it is unlawful for a person to: (1) represent himself or herself as a document preparation service if the person has not registered as a document preparation service, or if his or her registration is expired, revoked or suspended or is otherwise not in good standing; or (2) submit an application for registration as a document preparation service that contains a substantial and material misstatement or omission of fact.

Section 3 of this bill requires a registrant to submit to the Secretary of State a request for an amended registration ~~[, along with a fee of $10,]~~ if the registrant changes his or her: (1) mailing address, county or residence or place of business or employment; or (2) name and the registrant intends to use the new name in the performance of document preparation services.

Existing law sets forth certain requirements for any advertisement for the service of a registrant, including that the advertisement include a statement that the registrant is not an attorney authorized to practice in this State and is prohibited from providing legal advice or legal representation to any person. (NRS 240A.150) **Section 5** of this bill sets forth: (1) the specific words that must be included in such statement; and (2) certain penalties if the Secretary of State finds a person ~~[guilty of a]~~ **in** violation of such provisions.

Existing law prohibits a registrant from: (1) retaining any fees or costs for services not performed or costs not incurred after the date of last service performed for a client; (2) making certain promises, or statements; (3) using certain terms in an advertisement or written description of the registrant or services provided by the registrant; (4) representing himself or herself as a paralegal or legal assistant; (5) with certain exceptions, negotiating concerning the rights or responsibilities of a client; (6) with certain exceptions, appearing on behalf of a client in a court proceeding or other formal adjudicative proceeding; (7) with certain exceptions, providing certain advice, explanations, opinions or recommendations to a client; or (8) seeking or obtaining from a client a waiver of any provision of law relating to document preparation services. (NRS 240A.240) **Section 6** of this bill sets forth certain penalties **which may be imposed** if the Secretary of State finds a person ~~[guilty of a]~~ **in** violation of such provisions.

Existing law **: (1)** authorizes the Secretary of State to conduct or cause to be conducted an investigation if the Secretary of State obtains information that a provision of law, regulation or order relating to document preparation services has been violated ~~[.]~~ **; and (2) requires the Secretary of State to conduct a hearing before imposing any fine for such a violation.** (NRS 240A.260) **Section 7 of this bill** provides that if, within a reasonable period of time, a registrant fails to provide the Secretary of State with any information requested by the Secretary of State during an investigation of an alleged violation by the registrant, the Secretary of State may suspend ~~[, revoke]~~ or refuse to renew the

registration of the ~~[registration.]~~ **registrant. Section 7 removes the requirement for the Secretary of State to conduct a hearing before imposing such a fine, and instead requires the Secretary of State to provide an opportunity for a hearing. Section 7 also requires the Secretary of State, upon receiving a complaint alleging a violation of the provisions of law governing document preparation services, to provide notice of the complaint to the document preparation service or other person who is the subject of the complaint.**

Existing law authorizes the Secretary of State to deny, suspend, revoke or refuse to renew the registration of any person who violates a provision of law relating to document preparation services. (NRS 240A.270) **Section 8** of this bill authorizes the Secretary of State to suspend or revoke the registration of a registrant pending a hearing if the Secretary of State believes it is in the public interest or is necessary to protect the public.

AN ACT relating to wildlife; defining the term "wildlife" for the purposes of wildlife crossings; creating the Wildlife Crossings Account in the State General Fund; requiring the Director of the Department of Transportation to administer the Account; requiring the Department of Transportation, in consultation with the Department of Wildlife, to develop and publish an inventory and list of certain projects relating to wildlife crossings; requiring the Director of the Department of Transportation to review the standards and specifications for the design and construction of highways in this State to determine the standards and specifications necessary for incorporating wildlife crossings and related highway features into the highways of this State; requiring the Department of Transportation and the Department of Wildlife to consult with certain persons regarding locations for wildlife crossings and related highway features; authorizing the Director of the Department of Transportation to adopt regulations; making an appropriation to implement projects relating to wildlife crossings; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing federal law establishes a wildlife-crossing safety program to provide grants of money to states for projects that seek to reduce wildlife-vehicle collisions and improve wildlife habitat connectivity. Section 3 of this bill requires the Department of Transportation, in consultation with the Department of Wildlife, to develop, publish and update an inventory of connectivity needs on the state highway system where the implementation of wildlife crossings and other related highway features will improve permeability for wildlife, reduce wildlife-vehicle collisions or enhance wildlife activity.

Section 4 of this bill requires the Director of the Department of Transportation to review the standards and specifications for the design and construction of highways in this State to determine standards and specifications necessary to incorporate wildlife crossings and other related highway features into the highways in this State.

Section 4.5 of this bill requires the Department of Transportation and the Department of Wildlife to consult with holders of grazing permits and private landowners adjacent to any potential locations for wildlife crossings and related highway features.

Section 5 of this bill authorizes the Director of the Department of Transportation to adopt regulations to carry out the provisions of this bill.

SECOND READING AND AMENDMENT

Senate Bill No. 57.

Bill read second time.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 719.

If this amendment is adopted, the Legislative Counsel's Digest will be changed as follows:

Legislative Counsel's Digest:

Existing law requires a health carrier to submit to the Commissioner of Insurance copies of certain form letters used by the health carrier. (NRS 679B.124) **Section 1** of this bill requires a health carrier to instead: (1) submit to the Commissioner a report summarizing such form letters; and (2) maintain a copy of each form letter and make each copy available to the Commissioner upon request.

Existing law sets forth circumstances under which the Commissioner is authorized or required to hold a hearing on certain matters and establishes procedures governing such hearings. (NRS 679B.310) **Section 3** of this bill revises requirements concerning such hearings. **Section 47** of this bill makes a conforming change that is necessary as the result of the changes in **section 3**.

Existing law requires the Attorney General to establish a Fraud Control Unit for Insurance for the purposes of investigating and prosecuting acts of insurance fraud. (NRS 228.412) Existing law authorizes a district attorney of a county to prosecute certain cases involving insurance fraud with the permission of or at the request of the Attorney General. (NRS 686A.283) Existing law makes confidential certain records and information relating to an investigation conducted by the Attorney General and the Fraud Control Unit for the prosecution of insurance fraud and sets forth the circumstances under which the Attorney General is authorized to disclose such information. (NRS 679B.690) **Section 4** of this bill: (1) makes confidential certain additional records and information relating to an investigation for the prosecution of insurance fraud; (2) requires, with certain exceptions, such records and information to remain confidential for the duration of the investigation and after the conclusion of the investigation; and (3) sets forth circumstances in which a district attorney prosecuting a case of insurance fraud is also authorized to disclose such information.

Existing law sets forth certain requirements for an insurer to deliver certain notices or other documents by electronic means. Among other requirements, existing law requires the party to whom the notice or document will be delivered to have consented to delivery by electronic means. (NRS 680A.550) **Sections 4.2 and 4.8** of this bill authorize the plan sponsor of a health plan to provide such consent on behalf of a party covered by the plan under certain circumstances. **Section 4.2** requires a plan sponsor to take certain actions before providing such consent and an insurer to take certain actions before delivering any notice or other document to a party on whose behalf a plan sponsor has provided such consent. Finally, **section 4.2** requires a notice of cancellation, nonrenewal or termination of a health plan to be sent to a party covered by the health plan by mail unless the notice is delivered by electronic means in a manner that provides for the verification of the receipt of the notice. **Sections 4.4 and 4.6** of this bill make conforming changes to indicate the proper placement of **section 4.2** in the Nevada Revised Statutes.

Existing law sets forth various fees applicable to persons regulated by the Commissioner. Among these fees is a fee for a licensee's association with or appointment or sponsorship by an organization. (NRS 680B.010) A fee for a licensee's "appointment" by an organization refers to the fee associated with the appointment by an insurer of a person to offer policies on behalf of the insurer. (NRS 697.185, 697.250) A fee for a licensee's "association with" or "sponsorship by" an organization refers to the fee associated with the designation by an agent of an insurer of a natural person who is a licensee to represent the agent or to be responsible for the compliance of the agent with laws and regulations governing insurance. (NRS 683C.035, 684A.080, 684A.090, 684B.040, 697.184, 697.185, 697.250) **Sections 16-18, 20 and ~~[40-42]~~ 40, 41, and 42** of this bill revise provisions concerning the licensure of certain persons regulated by the Commissioner to clarify and standardize the circumstances in which an agent of an insurer is required to designate a natural

person to represent the agent or to be responsible for the agent's compliance with the laws and regulations governing insurance and is therefore required to pay the applicable fee. **Section 5** of this bill revises the terminology used to describe such a fee to refer to that fee as one for a licensee's association with or designation or sponsorship by an organization. The amount of such fees remains unchanged. **Section 5** removes certain duplicative fees, and **sections 33-35** make conforming changes necessitated by the renumbering of **section 5**.

Section 14 of this bill revises the requirements for an application for the issuance of a license as a managing general agent. **Section 7** of this bill authorizes the Commissioner to require an applicant for the issuance of a license as a managing general agent to file and maintain with the Commissioner a surety bond in an amount determined by the Commissioner.

Existing law prohibits a person from acting as an administrator unless the person holds a certificate of registration issued by the Commissioner. (NRS 683A.085) Existing law also imposes certain requirements and restrictions on a pharmacy benefit manager. (NRS 683A.171-683A.179) **Section 9** of this bill revises the definition of "administrator" to include specifically any person who administers a program of pharmacy benefits for an employer, insurer, internal service fund or trust. **Sections 11 and 12** of this bill revise requirements for the issuance and renewal of a certificate of registration as an administrator. **Sections 10.5 and 13** of this bill authorize an administrator who has obtained a certificate of registration issued by the Commissioner to delegate any of the duties of the administrator to an administrator who has not obtained a certificate of registration only if the delegating administrator has first obtained the written approval of the Commissioner. **Section 8** of this bill requires an administrator to notify the Commissioner of certain changes to the administrator. **Section 10** of this bill makes a conforming change to indicate the proper placement of **section 8** in the Nevada Revised Statutes.

Existing law authorizes the Commissioner to issue to a person a temporary license as a producer of insurance and independent adjuster and a temporary certificate as an exchange enrollment facilitator, which, in general, are valid for not more than 180 days. (NRS 683A.311, 684A.150, 695J.190) **Sections 15, 19 and 36** of this bill authorize the Commissioner to renew such a license or certificate for one additional period of 180 days under certain circumstances.

Existing law prohibits certain insurers from moving a prescription drug in a formulary from a lower cost tier to a higher cost tier under certain policies of health insurance issued to an individual or a small employer, except at certain times and under certain circumstances. However, existing law does not prohibit an insurer from, at any time, removing a prescription drug from a formulary and adding a prescription drug to a formulary. (NRS 687B.4095) **Section 22** of this bill prohibits certain insurers who have removed a prescription drug from a formulary from adding that prescription drug back into the formulary in a higher cost tier in the same plan year in which it was

removed, except at the times and under the circumstances provided for under existing law.

Sections 23 and 24 of this bill revise provisions relating to annuities for consistency with the Standard Nonforfeiture Law for Individual Deferred Annuities adopted by the National Association of Insurance Commissioners.

Existing law imposes certain requirements and restrictions on an applicant for a license as a producer of insurance or a licensee who wishes to use a name other than his or her true name to conduct business. (NRS 683A.301) **Sections 25 and 27** of this bill make these requirements and restrictions applicable to an applicant for or a holder of a certificate of authority to sell prepaid contracts for funeral services or a permit to sell prepaid contracts for burial services. **Section 26** of this bill requires a person to have a good business and personal reputation to qualify for an agent's license to sell prepaid contracts for burial services on behalf of a seller.

Section 28 of this bill revises the definition of "health benefit plan" that is applicable to provisions of existing law governing health insurance for small employers to standardize the definition of the term with other provisions of existing law governing health benefit plans.

Existing law sets forth certain requirements relating to the confidentiality and disclosure of certain records and information relating to an insurer. (NRS 679B.285) **Section 29** of this bill applies those requirements to certain records and information relating to a captive insurer. **Sections 30-32** of this bill revise the dates by which certain captive insurers are required to submit certain information to the Commissioner.

Existing law sets forth procedures and requirements for delinquency proceedings against an insurer. (Chapter 696B of NRS) Existing law sets forth the manner in which a delinquency proceeding must be commenced. (NRS 696B.250) **Section 37** of this bill provides that the Nevada Rules of Civil Procedure do not apply to the commencement of a delinquency proceeding. **Section 38** of this bill eliminates certain duplicative statutory language with respect to the powers of the Commissioner as a receiver, rehabilitator or liquidator of an insurer.

Existing law sets forth certain requirements for a person to obtain and renew a license as a bail agent, including, without limitation, the requirement that the person be a resident of this State and have resided in this State for not less than 1 year immediately preceding the date of the application for licensure. (NRS 697.150) Sections 39.4 and 39.6 of this bill provide for the issuance of a nonresident license as a bail agent to a nonresident person who is licensed as a bail agent in his or her home state and set forth certain requirements to obtain such a license. Section 39.3 of this bill defines the term "home state." Section 39.5 of this bill makes a conforming change to indicate the proper placement of section 39.3 in the Nevada Revised Statutes. Sections 39.6, 39.7, 39.8, 41.3 and 41.6 of this bill exempt an applicant for the issuance or renewal of a nonresident license

as a bail agent from certain requirements otherwise applicable to the issuance or renewal of a license as a bail agent.

Existing law requires a bail agent to maintain a place of business in this State accessible to the public. (NRS 697.280) Existing law requires a bail agent, before acting as an attorney-in-fact for an insurer on an undertaking, to register in the office of the sheriff and with the clerk of the district court in which the agent resides. (NRS 697.270) Section 42.5 of this bill requires a person who holds a nonresident license as a bail agent to instead register with the office of the sheriff and with the clerk of the district court in which the place of business of the bail agent is located.

Existing law sets forth certain requirements for a bail agent and bail enforcement agent with respect to the apprehension of a defendant and the surrender of a defendant to custody. (NRS 178.526, 697.325) **Sections 43 and 46** of this bill establish that only a bail enforcement agent is authorized to take certain actions with respect to the apprehension and surrender of a defendant. **Section 45** of this bill prohibits a bail agent, general agent, bail enforcement agent or bail solicitor from allowing any person other than a licensed bail enforcement agent to participate in the functions of a bail enforcement agent.

Existing law requires a bail agent or bail enforcement agent, before forcibly entering an inhabited dwelling, to notify the local law enforcement agency of the jurisdiction where the dwelling is located. Existing law defines "inhabited dwelling" to mean, in general, certain structures, buildings or vehicles in which the owner or other lawful occupant resides. (NRS 697.325) **Section 43**: (1) eliminates the term "inhabited dwelling"; (2) imposes certain requirements and restrictions on a bail enforcement agent with respect to the entry and forcible entry of any structure, as defined in **section 43**; and (3) imposes certain requirements and restrictions with respect to the use of physical force by a bail enforcement agent. **Section 44** of this bill provides that a bail agent who improperly causes the surrender of a defendant to custody is not entitled to collect any fees related to the surrender.

5. The Commissioner shall terminate a nonresident license as a bail agent issued pursuant to this section if the bail agent establishes legal residency in this State and fails to apply for a resident license as a bail agent within 90 days after establishing legal residency.

Legislative Counsel's Digest:

Existing law requires ~~[, with certain exceptions, the county clerk and city clerk to prepare and distribute a mail ballot for every election to each active registered voter in the county or city and each person who registers to vote or updates his or her voter registration information not later than 14 days before the election. (NRS 293.269911, 293C.263)]~~ **the Secretary of State to establish a system of approved electronic transmission through which: (1)**

certain military and overseas electors and voters; or (2) certain registered electors and voters with a disability may register to vote, request a ballot and cast a ballot. (NRS 293.269951, 293D.200) **Sections 1.5 and 7.6** of this bill ~~[authorize a]~~ **require the Secretary of State to allow any** registered voter to ~~[request a replacement mail]~~ **use the system of approved electronic transmission to apply for and cast a** ballot if the registered voter: (1) does not have access to his or her ~~[original]~~ mail ballot; and (2) is unable to go to the polls because of an illness or disability resulting in confinement, hospitalization, serious illness or is suddenly called away from home. ~~[Sections 1.5 and 7.6 authorize a registered voter to designate in such a request a person to mark and sign a replacement mail ballot on his or her behalf. Sections 6.15, 6.2, 9.6 and 9.8 of this bill make conforming changes to provide that this provision is an exception to the prohibitions on a person marking or signing a mail ballot on behalf of another person.]~~ **Sections 6.55 and 10.5** of this bill require the county and city clerks to notify the public of the provisions of **sections 1.5 and 7.6**.

Existing federal law requires a certificate of ascertainment of appointment of presidential electors to be issued and transmitted to the Archivist of the United States not later than 6 days before the time fixed for the meeting of the electors, which is the first Tuesday after the second Wednesday in December. (3 U.S.C. §§ 5, 7) Existing state law authorizes a candidate defeated at any election to demand and receive a recount within 3 working days after the canvass of the vote. For purposes of demanding a recount in a general election, "canvass" means: (1) the canvass by the Supreme Court of the returns for a candidate for a statewide office; or (2) the canvass of the board of county commissioners of the returns for any other candidate. (NRS 293.403) The canvass by: (1) a board of county commissioners must be completed on or before the 10th day following the election; and (2) the Supreme Court is the fourth Tuesday of November after each general election. (NRS 293.387, 293.395) Each recount must be commenced within 5 days after demand, and completed within 5 days after it begins. (NRS 293.405) Existing state law further authorizes, with certain exceptions, a candidate or registered voter to contest an election by filing a statement of contest no later than 5 days after a recount is completed, and no later than 14 days after the election if no recount is demanded. (NRS 293.407, 293.413) If an election contest is filed, the court is required to set the matter for hearing not less than 5 days nor more than 10 days after the filing of the statement of contest. (NRS 293.413)

Section 1.7 of this bill establishes a different timeline for filing a recount or an election contest that applies only to the election of presidential electors. Specifically, **section 1.7** provides that a candidate for the office of presidential elector may demand and receive a recount if, on or before the 13th day following the election, the candidate files the written demand to and deposits the estimated costs of the recount with the Secretary of State. Any such recount must be: (1) commenced within 1 day after the demand is filed; and (2) completed within 5 days after the recount begins. **Section 1.7** further

authorizes a candidate or any registered voter to contest the election of a candidate to the office of presidential elector not more than 2 working days after the canvass of the returns by the Supreme Court. Such an election contest must be: (1) scheduled for a judicial hearing not more than 5 days after the filing of the statement of contest; and (2) decided before the deadline to issue and submit the certificate of ascertainment pursuant to federal law.

Pursuant to **section 1.7**, for purposes of the 2024 General Election, which will be held on November 5, 2024, the deadline: (1) to demand a recount for the office of presidential elector is November 18, 2024; (2) to begin a recount for the office of presidential elector is November 19, 2024; (3) to complete a recount for the office of presidential elector is November 24, 2024, (4) to contest the election for the office of presidential elector is December 2, 2024; and (5) for the court to set any such contest for hearing is December 7, 2024. Further, the deadline under federal law to issue and transmit the certificate of ascertainment is December 11, 2024, so pursuant to **section 1.7**, the court must determine the result of any election contest of the office of presidential elector before December 11, 2024.

Sections 6.35-6.5 and 7.3 of this bill make conforming changes to reflect the changes in **section 1.7** to the schedule for filing a demand for a recount or an election contest for the office of presidential elector.

Section 11.7 of this bill requires the Secretary of State to transmit the certificate of ascertainment to the Archivist.

Section 6.5 requires a court to set a contest of an election for hearing not more than 5 days after the filing of the statement of contest for any election.

Existing law requires an independent candidate for partisan office to file a declaration of candidacy. (NRS 293.200) Existing law further sets forth the form for a declaration of candidacy for all candidates for partisan office. (NRS 293.177) **Section 1.8** of this bill sets forth the form for the declaration of candidacy for an independent candidate for partisan office. **Section 3** of this bill makes conforming changes to clarify that the declaration of candidacy for an independent candidate must be in the form set forth in **section 1.8**.

Existing law sets forth certain fees for filing a declaration of candidacy and provides that the fee for filing a declaration of candidacy may be paid by cash, cashier's check or certified check. (NRS 293.193) **Section 2** of this bill: (1) provides that such a fee may also be paid by credit card; (2) revises the description of certain offices; and (3) reorganizes existing fees set forth in other provisions of existing law in to this schedule of fees.

Existing law provides that members of election boards continue to serve as such from the day before the day of the election until the time for filing contests of the election has expired. (NRS 293.225) **Section 3.5** of this bill provides instead that members continue to serve as such from the day of appointment.

Existing law provides that, in certain circumstances, if one candidate receives a majority of the votes cast in a primary election for certain nonpartisan offices, the candidate must be declared elected and the candidate's name must not be placed on the ballot. (NRS 293.260, 293C.175; Carson City

Charter § 5.010; Henderson City Charter § 5.010; Las Vegas City Charter § 5.010; North Las Vegas City Charter § 5.020; Sparks City Charter § 5.020) **Sections 4, 8 and 12-17** of this bill provide that for the purposes of determining the majority of the votes cast in a primary election for an office for which voters may select more than one candidate, each ballot upon which a voter marked a valid choice for one or more candidates for that office shall be deemed to be one vote cast in the primary election for that office.

Existing law provides that every ballot upon which appears the names of candidates for any statewide office or for President or Vice President of the United States must contain an additional line with a square in which the voter may select "None of these candidates." (NRS 293.269) **Section 5** of this bill provides instead that the additional line on such a ballot must contain a space in which the voter may select "None of these candidates."

Existing law: (1) authorizes the mail ballot central counting board to begin counting mail ballots 15 days before the day of the election; (2) requires the counting board to prepare to count the ballots when the polls are closed; and (3) establishes certain requirements for counting paper ballots. (NRS 293.269931, 293.363, 293C.26331, 293C.362) Sections 6.23 and 10.2 of this bill: (1) clarify that the mail ballot central counting board may begin counting mail ballots before the polls are closed; and (2) remove the requirements for counting paper ballots.

Existing law: (1) sets forth certain standards for counting votes; (2) requires the Secretary of State to adopt regulations establishing uniform, statewide standards for counting a vote; and (3) authorizes the Secretary of State to adopt regulations establishing additional uniform statewide standards. (NRS 293.3677, 293C.369) Sections 6.24 and 10.4 of this bill authorize the Secretary of State to establish uniform thresholds for determining whether writing or a mark must be counted as a vote.

Existing law provides that certain election materials, including the voted, rejected and spoiled ballots, must be sealed and deposited in the vaults of the county clerk. (NRS 293.391) **Section 6.25** of this bill provides that such election materials are subject to inspection for the purposes of a risk-limiting audit.

Existing law requires each county clerk to conduct a risk-limiting audit of the results of an election prior to the certification of the results of an election. (NRS 293.394) **Section 6.3** of this bill removes the requirement to conduct such an audit prior to the certification of the results.

Existing law provides that the deadline to register to vote at a voter registration agency, the Department of Motor Vehicles or an automatic voter registration agency is the last day to register to vote by mail. Existing law requires a county clerk to accept any application which is completed by the last day to register to vote by mail if the county clerk receives the application not later than 5 days after that date. (NRS 293.504, 293.5727, 293.5737) **Sections 6.6, 6.75 and 17.7** of this bill require a voter registration agency, the Department of Motor Vehicles and an automatic voter registration agency to

notify a voter who registers to vote after this deadline that in order to vote in the upcoming election, the voter must register to vote by computer or at a polling place or polling place for early voting.

Existing law requires the Secretary of State to prescribe the form for applications to preregister or register to vote. (NRS 293.5235) **Section 6.65** of this bill requires an application to preregister or register to vote to include an option for a voter to elect not to receive a mail ballot. **Sections 6.1 and 9.2** of this bill make conforming changes to provide that a county clerk and city clerk shall not distribute a mail ballot to a person who has elected not to receive a mail ballot.

Existing federal law sets forth certain requirements for the removal of a voter from the official list of eligible voters which prohibit a state from removing the name of a registered voter unless the voter: (1) confirms a change of residence outside of the registrar's jurisdiction in writing; or (2) fails to respond to a notice sent to his or her residence and has not voted or appeared to vote for a period of time after a notice has been mailed to his or her residence. (52 U.S.C. § 20507) **Sections 6.7 and 6.9** of this bill require a county clerk to mail a notice and conduct any correction or removal of a registered voter in accordance with existing federal law.

Existing law provides a penalty for a person who tampers or interferes or attempts to tamper or interfere with any computer program used to count ballots. (NRS 293.755) **Section 6.8** of this bill instead prohibits a person from tampering or interfering or attempting to tamper or interfere with any computer program used to conduct an election.

Existing law prohibits a person from being preregistered or registered to vote in more than one county at a time. (NRS 293.810) **Section 6.9** instead prohibits a person from being preregistered or registered to vote in more than one state at a time.

Existing law requires a county or city clerk or other election official to immediately notify the Secretary of State if the clerk or official identifies or is informed of a confirmed attack or attempted attack on the security of an information system used by the clerk or official. (NRS 293.875) **Section 7** of this bill requires the Secretary of State to adopt by regulation a cyber-incident response plan for elections. **Section 7** also requires a county or city clerk or other election official to notify the Secretary of State of any cyber-incident or attempted cyber-incident on the security of an information system used by the county or city clerk or other election official in accordance with the cyber-incident response plan.

Existing law provides that a withdrawal of candidacy must be presented: (1) for a candidate for city office, to the city clerk within 2 days after the last day for filing for candidacy; and (2) for all other candidates, to the county clerk within 7 days after the last day for filing. (NRS 293.202, 293C.195) **Section 9** of this bill requires a withdrawal of candidacy by a candidate for a city office to be presented within 7 days, consistent with the requirement for all other candidates.

Existing law authorizes uniformed-service voters and certain other voters to vote in an election using a system of approved electronic transmission, a federal postcard application or the federal write-in absentee ballot. (Chapter 293D of NRS) **Section 11** of this bill revises the definition of "uniformed-service voter" to include a member of the active or reserve components of the Space Force of the United States who is on active duty.

Existing law sets forth certain limits on making or committing to make any contributions to a candidate for office, except for a federal office, and provides that no contribution made, committed or accepted for a primary election or general election affects the limitation on contributions for a special election to recall a public officer. (NRS 294A.100) **Section 11.3** of this bill also provides that no contribution made, committed or accepted for a special election other than a special election to recall a public officer affects the limitation on contributions for a special election to recall a public officer.

Beginning on January 1, 2024, existing law expands the agencies which provide automatic voter registration services and establishes certain requirements for an automatic voter registration agency to transmit certain voter registration information to the Secretary of State and county clerks. (Chapter 555, Statutes of Nevada 2021, at page 3849) **Section 17.7** of this bill delays the effective date of these provisions until January 1, 2025.

Section 19 of this bill repeals certain provisions that: (1) prohibit a counting board from commencing to count the votes until all ballots are accounted for; (2) provide for a recount at a hearing of any contest; and (3) require the county clerk to transmit the number of registered voters in the county and their political affiliation to the Secretary of State before certain elections.

3. The address of a candidate which must be included in the declaration of candidacy pursuant to subsection 2 must be the street address of the residence where the candidate actually, as opposed to constructively, resides in accordance with NRS 281.050, if one has been assigned. The declaration of candidacy must not be accepted for filing if the candidate fails to comply with the following provisions of this subsection or, if applicable, the provisions of subsection 4:

(a) The candidate shall not list the candidate's address as a post office box unless a street address has not been assigned to his or her residence; and

(b) Except as otherwise provided in subsection 4, the candidate shall present to the filing officer:

(1) A valid driver's license or identification card issued by a governmental agency that contains a photograph of the candidate and the candidate's residential address; or

(2) A current utility bill, bank statement, paycheck, or document issued by a governmental entity, including a check which indicates the candidate's name and residential address, but not including a voter registration card.

4. If the candidate executes an oath or affirmation under penalty of perjury stating that the candidate is unable to present to the filing officer the proof of residency required by subsection 3 because a street address has not been assigned to the candidate's residence or because the rural or remote location of the candidate's residence makes it impracticable to present the proof of residency required by subsection 3, the candidate shall present to the filing officer:

(a) A valid driver's license or identification card issued by a governmental agency that contains a photograph of the candidate; and

(b) Alternative proof of the candidate's residential address that the filing officer determines is sufficient to verify where the candidate actually, as opposed to constructively, resides in accordance with NRS 281.050. The Secretary of State may adopt regulations establishing the forms of alternative proof of the candidate's residential address that the filing officer may accept to verify where the candidate actually, as opposed to constructively, resides in accordance with NRS 281.050.

5. The filing officer shall retain a copy of the proof of identity and residency provided by the candidate pursuant to subsection 3 or 4. Such a copy:

(a) May not be withheld from the public; and

Service of such process must first be attempted at the appropriate address as specified by the candidate in the declaration of candidacy. If the candidate cannot be served at that address, service must be made by personally delivering to and leaving with the filing officer duplicate copies of the process. The filing officer shall immediately send, by registered or certified mail, one of the copies to the candidate at the specified address, unless the candidate has designated in writing to the filing officer a different address for that purpose, in which case the filing officer shall mail the copy to the last address so designated.

7. If the filing officer receives credible evidence indicating that a candidate has been convicted of a felony and has not had his or her civil rights restored, the filing officer:

(a) May conduct an investigation to determine whether the candidate has been convicted of a felony and, if so, whether the candidate has had his or her civil rights restored; and

(b) Shall transmit the credible evidence and the findings from such investigation to the Attorney General, if the filing officer is the Secretary of State, or to the district attorney, if the filing officer is a person other than the Secretary of State.

8. The receipt of information by the Attorney General or district attorney pursuant to subsection 7 must be treated as a challenge of a candidate pursuant to subsections 4 and 5 of NRS 293.182 to which the provisions of NRS 293.2045 apply.

9. Any person who knowingly and willfully files a declaration of candidacy which contains a false statement in violation of this section is guilty of a gross misdemeanor.

If a candidate receives one or more votes at the primary election, the candidate must be declared elected to the office and his or her name must not be placed on the ballot for the general election. If a candidate does not receive one or more votes at the primary election, his or her name must be placed on the ballot for the general election.

5. If there are more than twice the number of candidates to be elected to a nonpartisan office, the names of the candidates must appear on the ballot for a primary election. Except as otherwise provided in NRS 293.400, those candidates who receive the highest number of votes at the primary election, not to exceed twice the number to be elected, must be declared nominees for the office and the names of those candidates must be placed on the ballot for the general election, except that if one of those candidates receives a majority of the votes cast in the primary election for:

(a) The office of judge of a district court, judge of the Court of Appeals or justice of the Supreme Court, the candidate must be declared the only nominee for the office and only his or her name must be placed on the ballot for the general election.

(b) Any other nonpartisan office, the candidate must be declared elected to the office and his or her name must not be placed on the ballot for the general election.

➥ For the purposes of determining whether a candidate received a majority of the votes cast in the primary election for a nonpartisan office for which voters were authorized to select more than one candidate, each ballot upon which a voter marked a valid choice for one or more candidates for that

office shall be deemed to be one vote cast in the primary election for that office.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 683.

AN ACT relating to ophthalmic dispensing; exempting the sale of prescription eyewear to intended wearers outside this State from provisions regulating ophthalmic dispensing **~~[.]~~ under certain circumstances; authorizing the imposition of certain administrative action and injunctive relief for certain violations;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Existing law requires a person to hold a license as a dispensing optician issued by the Board of Dispensing Opticians in order to engage in the practice of ophthalmic dispensing in this State. (NRS 637.090) Existing law defines "ophthalmic dispensing" as the design, verification and delivery to the intended wearer of lenses, frames and other specially fabricated optical devices upon prescription. (NRS 637.022)]~~

Existing law exempts certain activity from provisions of law governing ophthalmic dispensing. (NRS 637.025) **Section ~~[6]~~ 9** of this bill additionally exempts from such provisions the **manufacturing and direct online** sale of **lenses, frames and other specially fabricated optical devices upon** prescription ~~[eyewear]~~ to an intended wearer **who is** located outside this State ~~[or any design,]~~ **at the time of purchase, if the** manufacturing ~~[or other activity in conjunction with such]~~ **is supervised by** a ~~[sale.]~~ **licensed dispensing optician. Section 9 requires such supervision to include a daily review of all optical manufacturing equipment by the licensed dispensing optician. Section 9 requires a person engaged in such manufacturing and**

direct online sale to confirm that lenses shipped to the intended wearer match the relevant prescription, as submitted by the intended wearer.

Existing law authorizes the imposition of disciplinary action and the issuance of an injunction against a person who is licensed to engage in the practice of ophthalmic dispensing or manage a business engaged in ophthalmic dispensing and violates certain provisions of law governing ophthalmic dispensing. (NRS 637.150, 637.185) Existing law also provides that such a person is guilty of a misdemeanor. (NRS 637.200) Section 9 provides that such a licensee is subject to disciplinary action and injunctive relief if the licensee: (1) is engaged in activity which, under the provisions of section 9, is otherwise exempt from provisions governing ophthalmic dispensing; and (2) fails to comply with section 9 or, alternatively, with other provisions governing ophthalmic dispensing.

Existing law prohibits a person from engaging in the practice of ophthalmic dispensing or managing a business engaged in ophthalmic dispensing without a license. (NRS 637.090) Existing law provides that a person who violates that prohibition is guilty of a misdemeanor and subject to an administrative fine and injunctive relief. (NRS 637.181, 637.185, 637.200) Section 9 provides that an unlicensed person is subject to such an administrative fine and injunctive relief if the person: (1) is engaged in activity which, under the provisions of section 9, is otherwise exempt from provisions governing ophthalmic dispensing; and (2) fails to comply with section 9. Sections 9 and 10 of this bill provide that a person who fails to comply with section 9 is not guilty of a misdemeanor, regardless of whether the person is licensed.

Amendment No. 625.

SUMMARY—Revises provisions relating to ~~[~~certain~~]~~ crimes**.** ~~[~~committed by homeless persons.~~]~~ (BDR 14-244)

AN ACT relating to ~~[~~homeless persons;~~]~~ **crimes;** revising provisions relating to certain crimes committed by homeless persons; **authorizing a justice court or a municipal court to transfer original jurisdiction of certain cases to the district court to enable the defendant to receive assisted outpatient treatment;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes certain diversionary and specialty court programs to which certain defendants may be assigned, such as the preprosecution diversionary program and specialty court programs for veterans and members of the military, persons with mental illness and persons who use alcohol or other substances. (NRS 174.032, 176A.230, 176A.250, 176A.280) **Sections 4-8** of this bill authorize homeless persons who commit certain misdemeanor offenses to be assigned to such diversionary and specialty court programs. **Section 5** of this bill authorizes a court that assigns a homeless person to complete such a program of treatment to waive or reduce any fine, administrative assessment or fee that would otherwise be imposed upon the homeless person for committing such an offense.

Existing law authorizes a criminal defendant or the district attorney to make a motion to the district court to commence a proceeding for the issuance of a court order requiring assisted outpatient treatment of the

defendant or the district court to commence such a proceeding on its own motion. (NRS 433A.335) Sections 5-11 of this bill authorize a justice court or a municipal court to transfer original jurisdiction of a case involving a defendant who is eligible to receive assisted outpatient treatment to the district court, including homeless persons who commit certain misdemeanors pursuant to section 5. Sections 12 and 13 of this bill make conforming changes to refer to provisions that have been renumbered by section 11.

Existing law limits the definition of an "eligible defendant" to mean a person who: (1) has not tendered a plea of guilty, guilty but mentally ill or nolo contendere to, or been found guilty or guilty but mentally ill of, an offense that is a misdemeanor; (2) appears to suffer from mental illness or to be intellectually disabled; and (3) would benefit from assignment to a specialty court program. (NRS 176A.235, 176A.255, 176A.285) Sections 6-8 of this bill expand the definition of an "eligible defendant" to include any person who, regardless of whether the person has tendered a plea to or been found guilty of an offense that is a misdemeanor: (1) appears to suffer from a mental illness or to be intellectually disabled; and (2) would benefit from assignment to a specialty court program.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 681.

CONTAINS UNFUNDED MANDATE (§~~[~~5~~]~~ 1 ~~[~~, 3~~)]~~ **)**

(Not Requested by Affected Local Government)

AN ACT relating to health care; requiring ~~[~~certain persons and entities~~]~~ **a custodian of health care records** to furnish health care records electronically under certain circumstances; prohibiting ~~[~~such persons and entities~~]~~ **a custodian of health care records** from charging a fee that exceeds a certain amount to furnish health care records electronically if the health care records are maintained electronically; **authorizing a person to disclose the genetic information of another person in accordance with certain federal law; requiring an insurer, third-party administrator or employer to furnish health care records in certain circumstances; prescribing the maximum amount of any fee charged to furnish health care records in those circumstances;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires each custodian of health care records to make health care records available for inspection by a patient, certain representatives of a patient and certain government officials. (NRS 629.061) Upon request of such a person, **section 1** of this bill requires a custodian of health care records to electronically transmit the health care records to the person or, if the patient has provided written authorization for records to be furnished to another person or entity, to that person or entity.

Existing law authorizes a custodian of health care records to charge certain fees for furnishing a copy of health care records. (NRS 629.061) **Section 1 : (1) generally** prohibits a custodian of health care records from charging a fee that exceeds ~~[~~$15~~]~~ **$40** or other amounts prescribed by existing law for furnishing a copy of health care records electronically if the custodian of health care records maintains such health care records electronically ~~[~~.~~]~~ **; and (2) authorizes a custodian of health care records, other than the health care records of a state or local governmental entity, to charge certain additional fees in certain circumstances.** **Section 2** of this bill makes a conforming change to indicate the proper placement of **section 1** in the Nevada Revised Statutes.

Existing law prohibits a person from disclosing or compelling a person to disclose the identity of a person who was the subject of a genetic test or any genetic information of another person, with certain exceptions, without first obtaining the informed consent of that person or his or her

legal guardian. (NRS 629.171) Section 1.5 of this bill adds an exception to this prohibition to authorize a person to disclose such information as permitted by the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191.

Existing law provides for the payment of compensation to employees who are injured or disabled as a result of an occupational injury or disease. (Chapters 616A-616D and 617 of NRS) Existing law entitles any injured employee or a person who has been authorized by the injured employee to information from the records of an insurer or employer to the extent necessary for the proper presentation of such a claim. (NRS 616B.012) Existing regulations: (1) prescribe a process for an injured employee or person who has been authorized by the injured employee to request such information from the records of an insurer or employer; and (2) prohibit an insurer or employer from charging a fee that is more than 30 cents per page when providing the requested information. (NAC 616B.008)

Upon receiving such a request for health care records**,** ~~[that asks for the records to be furnished electronically,]~~ **section 3** of this bill requires an insurer, third-party administrator or employer to ~~[electronically transmit]~~ **furnish** any health care records **to the injured employee or his or her legal representative. Section 3 authorizes an insurer, third-party administrator or employer to electronically transmit such health care records** using a method of secure electronic transmission. **Section 3** ~~[prohibits an insurer, third-party administrator or employer from charging a fee that exceeds $15 for furnishing a copy of the health care records electronically if the insurer, third-party administrator or employer maintains such health care records electronically.]~~ **prescribes the maximum amounts of fees for furnishing health care records in response to such a request, which depend on whether the records are furnished by electronic mail, through a secure electronic method of file sharing or in a nonelectronic format. Section 4** of this bill makes a conforming change to clarify that **section 3** provides an exception to the general requirement that information obtained from an insurer or employer remain confidential.

Legislative Counsel's Digest:

Existing law sets forth certain legislative findings and declarations concerning the public policy of this State with respect to the cannabis industry. (NRS 678A.005) Section 1 of this bill revises those findings and declarations and adds certain findings and declarations relating to illegal and unregulated activities involving cannabis.

Existing law sets forth the general powers of the Cannabis Compliance Board. (NRS 678A.440) Section 1.6 of this bill authorizes the Board to: (1) seize and destroy cannabis and cannabis products involved in unlicensed cannabis activities in accordance with the procedures applicable to other property subject to forfeiture; and (2) commit resources and take certain actions relating to unlicensed cannabis activities.

Existing law sets forth the composition of the Board. (NRS 678A.360) Existing law requires the Governor to appoint the members of the Board and designate one member to serve as Chair. (NRS 678A.370) Section 1.3 of this bill revises certain requirements and qualifications of the members of the Board. Sections 1.3, 4.3 and 4.6 of this bill exempt one member of the Board who is required to be selected based on his or her knowledge, skill and experience in the cannabis industry from certain restrictions imposed on former public officers or employees. Section 1.4 of this bill revises provisions concerning the appointment of members of the Board.

Section 1.4 requires the Governor to designate one member of the Board to serve as Vice Chair and requires each member, before entering upon the duties of office, to receive training that is the same or substantially similar to that which is required of a cannabis establishment agent.

Section 5.4 of this bill provides for staggered terms of the five members of the Board by: (1) providing that the terms of office of three members of the Board serving on June 30, 2024, expire on that date and requiring new members be appointed for a term of 4 years commencing July 1, 2024; and (2) providing that the terms of office of the remaining two members of the Board serving as of June 30, 2025, expire on that date and requiring new members be appointed for a term of 4 years commencing July 1, 2025.

Existing law requires the Board to appoint, and authorizes the Board to remove, the Executive Director of the Board. (NRS 678A.420) Section 1.5 of this bill transfers that authority to the Governor and requires the Governor to consider the skill and experience of a potential Executive Director in regulated industries when making the appointment.

Existing law authorizes the Board to adopt regulations necessary and convenient to carry out certain provisions of law relating to the regulation of cannabis. (NRS 678A.450) Section 1.7 of this bill provides that if the Board adopts regulations establishing certain mechanisms to ensure compliance with those provisions of law, the mechanisms must: (1) include certain education and training for employees of the Board and certain information to aid licensees and registrants in compliance; and (2) establish certain grounds for disciplinary action against a licensee or registrant. Section 1.7 also authorizes the Board to adopt certain regulations governing cannabis establishments which are publicly traded companies. Finally, section 1.7 requires the Board to adopt regulations providing for the investigation of unlicensed cannabis activities and the imposition of penalties against persons who engage in such activities. Section 5.3 of this bill makes a conforming change to account for the placement of new language in section 1.7.

Existing law sets forth the Nevada Administrative Procedure Act, which establishes the procedures for state agencies to adopt, amend or repeal administrative regulations and adjudicate contested cases. (Chapter 233B of NRS) Existing law exempts the ~~[Cannabis Compliance]~~ Board from the provisions of the Act. (NRS 233B.039) Existing law instead sets forth specific procedures for the Board to: (1) adopt, amend or repeal regulations; and (2) take disciplinary action against a person who holds a license or registration card issued by the Board. (NRS 678A.460, 678A.500-678A.640) **Section 5** of this bill eliminates the exemption of the Board from the provisions of the Act, thereby requiring the Board to adopt, amend and repeal regulations and adjudicate contested cases in the same manner as other state agencies subject to the provisions of the Act. **Section 6** of this bill repeals the specific procedures for the Board to adopt, amend or repeal regulations set forth under

existing law. **Sections ~~[1-3]~~ 1.9-3** of this bill revise the procedures for the Board to take disciplinary action to conform with the procedures for the adjudication of contested cases set forth in the Act.

Existing law sets forth procedures by which a person aggrieved by a final decision of the Board in a disciplinary proceeding may obtain judicial review of the decision. (NRS 678A.610-678A.640) **Section 6** eliminates those procedures. **Section 4** of this bill instead authorizes a person aggrieved by a final decision of the Board in a disciplinary proceeding to obtain judicial review of the decision in the manner provided in the Act.
