Sec. 69. *1. A proceeding may be commenced to adjudicate the parentage of a child. Except as otherwise provided in sections 28 to 91, inclusive, of this act, the proceeding is governed by the Nevada Rules of Civil Procedure.*

2. A proceeding to adjudicate the parentage of a child born under a gestational agreement is governed by NRS 126.500 to 126.810, inclusive, and sections 92 and 93 of this act.

3. As used in this section, "gestational agreement" has the meaning ascribed to it in NRS 126.570.

Sec. 70. *Except as otherwise provided in sections 38 to 51, inclusive, and sections 76 to 79, inclusive, of this act, a proceeding to adjudicate parentage may be maintained by:*

1. The child;

2. The person who gave birth to the child, unless a court has adjudicated that the person who gave birth to the child is not a parent;

3. A person who is a parent under sections 28 to 91, inclusive, of this act;

4. A person whose parentage of the child is to be adjudicated;

5. A child support agency or other governmental agency authorized by law of this State other than sections 28 to 91, inclusive, of this act;

6. An adoption agency authorized by law of this State other than sections 28 to 91, inclusive, of this act or licensed child-placing agency; or

7. A representative authorized by law of this State other than sections 28 to 91, inclusive, of this act to act for a person who otherwise would be entitled to maintain a proceeding but is deceased, incapacitated or a minor.

Sec. 71. *1. The petitioner shall give notice of a proceeding to adjudicate parentage to the following persons ~~[.]~~ , if the whereabouts of the person are known:*

(a) The person who gave birth to the child, unless a court has adjudicated that the person who gave birth to the child is not a parent;

(b) A person who is a parent of the child under sections 28 to 91, inclusive, of this act;

(c) A presumed, acknowledged or adjudicated parent of the child; and

(d) A person whose parentage of the child is to be adjudicated.

2. A person entitled to notice under subsection 1 has a right to intervene in the proceeding.

3. Lack of notice required by subsection 1 does not render a judgment void. Lack of notice does not preclude a person entitled to notice under subsection 1 from bringing a proceeding under subsection 2 of section 79 of this act.

Sec. 72. *1. The court may adjudicate a person's parentage of a child only if the court has personal jurisdiction over the person.*

2. A court of this State with jurisdiction to adjudicate parentage may exercise personal jurisdiction over a nonresident if the conditions prescribed in NRS 130.201 are satisfied.

3. Lack of jurisdiction over one person does not preclude the court from making an adjudication of parentage binding on another person.

Sec. 73. *Venue for a proceeding to adjudicate parentage is in the county of this State in which:*

1. The child resides or is located;

2. If the child does not reside in this State, the respondent resides or is located; or

3. A proceeding has been commenced for administration of the estate of a person who is or may be a parent under sections 28 to 91, inclusive, of this act.

Sec. 74. *1. Except as otherwise provided in subsection 2 of section 58 of this act, the court shall admit a report of genetic testing ordered by the court under section 59 of this act as evidence of the truth of the facts asserted in the report.*

2. A party may object to the admission of a report described in subsection 1, not later than 14 days after the party receives the report. The party shall cite specific grounds for exclusion.

3. A party that objects to the results of genetic testing may call a genetic-testing expert to testify in person or by another method approved by the court. Unless the court orders otherwise, the party offering the testimony bears the expense for the expert testifying.

4. Admissibility of a report of genetic testing is not affected by whether the testing was performed:

(a) Voluntarily , ~~[or]~~ under an order of the court or as a result of the facilitation of a child support agency; or

(b) Before, on or after commencement of the proceeding.

Sec. 75. *1. A proceeding to determine whether an alleged genetic parent who is not a presumed parent is a parent of a child may be commenced:*

(a) Before the child becomes an adult; or

(b) After the child becomes an adult, but only if the child initiates the proceeding.

2. This subsection applies in a proceeding described in subsection 1 if the person who gave birth to the child is the only other person with a claim to parentage of the child. The court shall adjudicate an alleged genetic parent to be a parent of the child if the alleged genetic parent:

(a) Is identified under section 62 of this act as a genetic parent of the child and the identification is not successfully challenged under section 62 of this act;

(b) Admits parentage in a pleading, when making an appearance or during a hearing, the court accepts the admission and the court determines the alleged genetic parent to be a parent of the child;

(c) Declines to submit to genetic testing ordered by the court or facilitated by a child support agency, in which case the court may adjudicate the alleged genetic parent to be a parent of the child even if the alleged genetic parent denies a genetic relationship with the child;

(d) Is in default after service of process and the court determines the alleged genetic parent to be a parent of the child; or

(e) Is neither identified nor excluded as a genetic parent by genetic testing and, based on other evidence, the court determines the alleged genetic parent to be a parent of the child.

3. Subject to other limitations in sections 74 to 81, inclusive, of this act, if in a proceeding involving an alleged genetic parent, at least one other person in addition to the person who gave birth to the child has a claim to

parentage of the child, the court shall adjudicate parentage under section 81 of this act.

Sec. 76. ***1. A proceeding to determine whether a presumed parent is a parent of a child may be commenced:***

(a) Before the child becomes an adult; or

(b) After the child becomes an adult, but only if the child initiates the proceeding.

2. A presumption of parentage under section 37 of this act cannot be overcome after the child attains 2 years of age unless the court determines:

(a) The presumed parent is not a genetic parent, never resided with the child and never held out the child as the presumed parent's child; or

(b) The child has more than one presumed parent.

3. The following rules apply in a proceeding to adjudicate a presumed parent's parentage of a child if the person who gave birth to the child is the only other person with a claim to parentage of the child:

(a) If no party to the proceeding challenges the presumed parent's parentage of the child, the court shall adjudicate the presumed parent to be a parent of the child.

(b) If the presumed parent is identified under section 62 of this act as a genetic parent of the child and that identification is not successfully challenged under section 62 of this act, the court shall adjudicate the presumed parent to be a parent of the child.

(c) If the presumed parent is not identified under section 62 of this act as a genetic parent of the child and the presumed parent or the person who gave birth to the child challenges the presumed parent's parentage of the child, the court shall adjudicate the parentage of the child in the best interest of the child based on the factors under subsections 1 and 2 of section 81 of this act.

4. Subject to other limitations in sections 74 to 81, inclusive, of this act, if in a proceeding to adjudicate a presumed parent's parentage of a child, another person in addition to the person who gave birth to the child asserts a claim to parentage of the child, the court shall adjudicate parentage under section 81 of this act.

Sec. 77. ***1. A proceeding to establish parentage of a child under this section may be commenced only by a person who:***

(a) Is alive when the proceeding is commenced; and

(b) Claims to be a de facto parent of the child.

2. A person who claims to be a de facto parent of a child must commence a proceeding to establish parentage of a child under this section:

(a) Before the child attains 18 years of age; and

(b) While the child is alive.

3. The following rules govern standing of a person who claims to be a de facto parent of a child to maintain a proceeding under this section:

(a) The person must file an initial verified pleading alleging specific facts that support the claim to parentage of the child asserted under this section.

The verified pleading must be served on all parents and legal guardians of the child and any other party to the proceeding.

(b) An adverse party, parent or legal guardian may file a pleading in response to the pleading filed under paragraph (a). A responsive pleading must be verified and must be served on parties to the proceeding.

(c) Unless the court finds a hearing is necessary to determine disputed facts material to the issue of standing, the court shall determine, based on the pleadings under paragraphs (a) and (b), whether the person has alleged facts sufficient to satisfy by a preponderance of the evidence the requirements of paragraphs (a) to (g), inclusive, of subsection 4. If the court holds a hearing under this subsection, the hearing must be held on an expedited basis.

4. In a proceeding to adjudicate parentage of a person who claims to be a de facto parent of the child, if there is only one other person who is a parent or has a claim to parentage of the child, the court shall adjudicate the person who claims to be a de facto parent to be a parent of the child if the person demonstrates by clear and convincing evidence that:

(a) The person resided with the child as a regular member of the child's household for a significant period;

(b) The person engaged in consistent caretaking of the child;

(c) The person undertook full and permanent responsibilities of a parent of the child without expectation of financial compensation;

(d) The person held out the child as the person's child;

(e) The person established a bonded and dependent relationship with the child which is parental in nature;

(f) Another parent of the child fostered or supported the bonded and dependent relationship required under paragraph (e); and

(g) Continuing the relationship between the person and the child is in the best interest of the child.

5. Subject to other limitations in sections 74 to 81, inclusive, of this act, if in a proceeding to adjudicate parentage of a person who claims to be a de facto parent of the child, there is more than one other person who is a parent or has a claim to parentage of the child and the court determines that the requirements of subsection 4 are satisfied, the court shall adjudicate parentage under section 81 of this act.

Sec. 78. *1. If a child has an acknowledged parent, a proceeding to challenge the acknowledgment of parentage or a denial of parentage, brought by a signatory to the acknowledgment or denial, is governed by sections 46 and 47 of this act.*

2. If a child has an acknowledged parent, the following rules apply in a proceeding to challenge the acknowledgment of parentage or a denial of parentage brought by a person, other than the child, who has standing under section 70 of this act and was not a signatory to the acknowledgment or denial:

(a) The person must commence the proceeding not later than 2 years after the effective date of the acknowledgment.

(b) The court may permit the proceeding only if the court finds permitting the proceeding is in the best interest of the child.

(c) If the court permits the proceeding, the court shall adjudicate parentage under section 80 of this act.

Sec. 79. *1. If a child has an adjudicated parent, a proceeding to challenge the adjudication, brought by a person who was a party to the adjudication or received notice under section 71 of this act, is governed by the rules governing a collateral attack on a judgment.*

2. If a child has an adjudicated parent, the following rules apply to a proceeding to challenge the adjudication of parentage brought by a person, other than the child, who has standing under section 70 of this act and was not a party to the adjudication and did not receive notice under section 71 of this act:

(a) The person must commence the proceeding not later than 2 years after the effective date of the adjudication.

(b) The court may permit the proceeding only if the court finds permitting the proceeding is in the best interest of the child.

(c) If the court permits the proceeding, the court shall adjudicate parentage under section 81 of this act.

Sec. 80. *1. A person who is a parent under NRS 126.500 to 126.810, inclusive, and sections 92 and 93 of this act or the person who gave birth to the child may bring a proceeding to adjudicate parentage. If the court determines the person is a parent under NRS 126.500 to 126.810, inclusive, and sections 92 and 93 of this act, the court shall adjudicate the person to be a parent of the child.*

2. In a proceeding to adjudicate a person's parentage of a child, if another person other than the person who gave birth to the child is a parent under NRS 126.500 to 126.810, inclusive, and sections 92 and 93 of this act, the court shall adjudicate the person's parentage of the child under section 81 of this act.

Sec. 81. *1. In a proceeding to adjudicate competing claims of, or challenges under subsection 3 of section 76 of this act or section 78 or 79 of this act, to parentage of a child by two or more persons, the court shall adjudicate parentage in the best interest of the child, based on:*

(a) The age of the child;

(b) The length of time during which each person assumed the role of parent of the child;

(c) The nature of the relationship between the child and each person;

(d) The harm to the child if the relationship between the child and each person is not recognized;

(e) The basis for each person's claim to parentage of the child; and

(f) Other equitable factors arising from the disruption of the relationship between the child and each person or the likelihood of other harm to the child.

2. If a person challenges parentage based on the results of genetic testing, in addition to the factors listed in subsection 1, the court shall consider:

(a) The facts surrounding the discovery the person might not be a genetic parent of the child; and

(b) The length of time between the time that the person was placed on notice that the person might not be a genetic parent and the commencement of the proceeding.

3. The court may adjudicate a child to have more than two parents under sections 28 to 91, inclusive, of this act if the court finds that failure to recognize more than two parents would be detrimental to the child. A finding of detriment to the child does not require a finding of unfitness of any parent or person seeking an adjudication of parentage. In determining detriment to the child, the court shall consider all relevant factors, including the harm if the child is removed from a stable placement with a person who has fulfilled the child's physical needs and psychological needs for care and affection and has assumed the role for a substantial period.

Sec. 82. *1. In a proceeding under sections 69 to 89, inclusive, of this act, the court may issue a temporary order for child support if the order is consistent with the law of this State other than sections 28 to 91, inclusive, of this act and the person ordered to pay support is:*

(a) A presumed parent of the child;

(b) Petitioning to be adjudicated a parent;

(c) Identified as a genetic parent through genetic testing under section 62 of this act;

(d) An alleged genetic parent who has declined to submit to genetic testing;

(e) Shown by clear and convincing evidence to be a parent of the child; or

(f) A parent under sections 28 to 91, inclusive, of this act.

2. A temporary order may include a provision for custody and visitation under law of this State other than sections 28 to 91, inclusive, of this act.

Sec. 83. *1. Except as otherwise provided in subsection 2, the court may combine a proceeding to adjudicate parentage under sections 28 to 91, inclusive, of this act with a proceeding for adoption, termination of parental rights, child custody or visitation, child support, divorce, dissolution, annulment, declaration of invalidity, legal separation or separate maintenance, administration of an estate or other appropriate proceeding.*

2. A respondent may not combine a proceeding described in subsection 1 with a proceeding to adjudicate parentage brought under NRS 130.0902 to 130.802, inclusive.

Sec. 84. *Except as otherwise provided in NRS 126.500 to 126.810, inclusive, and sections 92 and 93 of this act, a proceeding to adjudicate parentage may be commenced before the birth of the child and an order or judgment may be entered before birth, but enforcement of the order or judgment must be stayed until the birth of the child.*

Sec. 85. *1. A minor child is a permissive party but not a necessary party to a proceeding under sections 69 to 89, inclusive, of this act.*

2. The court shall appoint a guardian ad litem to represent a child in a proceeding under sections 69 to 89, inclusive, of this act if the court finds that the interests of the child are not adequately represented.

Sec. 86. *The court shall adjudicate parentage of a child without a jury.*

Sec. 87. *The court may dismiss a proceeding under sections 28 to 91, inclusive, of this act for want of prosecution only without prejudice. An order of dismissal for want of prosecution purportedly with prejudice is void and has only the effect of a dismissal without prejudice.*

Sec. 88. *1. An order adjudicating parentage must identify the child in a manner provided by law of this State other than sections 28 to 91, inclusive, of this act.*

2. Except as otherwise provided in subsection 3, the court may assess filing fees, reasonable attorney's fees, fees for genetic testing, other costs and necessary travel and other reasonable expenses incurred in a proceeding under sections 69 to 89, inclusive, of this act. Attorney's fees awarded under this subsection may be paid directly to the attorney, and the attorney may enforce the order in the attorney's own name.

3. The court may not assess fees, costs or expenses in a proceeding under sections 69 to 89, inclusive, of this act against a child support agency of this State or another state, except as provided by law of this State other than sections 28 to 91, inclusive, of this act.

4. In a proceeding under sections 69 to 89, inclusive, of this act, a copy of a bill for genetic testing or prenatal or postnatal health care for the person who gave birth to the child and the child, that is provided to the adverse party , excluding a child support agency, not later than 10 days before a hearing, is admissible to establish:

(a) The amount of the charge billed; and

(b) That the charge is reasonable and necessary.

5. On request of a party and for good cause, the court in a proceeding under sections 69 to 89, inclusive, of this act may order the name of the child changed. If the court order changing the name varies from the name on the birth certificate of the child, the court shall order the State Registrar of Vital Statistics to issue an amended birth certificate.

Sec. 89. *1. Except as otherwise provided in subsection 2:*

(a) A signatory to an acknowledgment of parentage or denial of parentage is bound by the acknowledgment and denial as provided in sections 38 to 51, inclusive, of this act; and

(b) A party to an adjudication of parentage by a court acting under circumstances that satisfy the jurisdiction requirements of NRS 130.201 and any person who received notice of the proceeding are bound by the adjudication.

2. A child is not bound by a determination of parentage under sections 28 to 91, inclusive, of this act unless:

(a) The determination was based on an unrescinded acknowledgment of parentage and the acknowledgment is consistent with the results of genetic testing;

(b) The determination was based on a finding consistent with the results of genetic testing, and the consistency is declared in the determination or otherwise shown;

(c) The determination of parentage was made under NRS 126.500 to 126.810, inclusive, and sections 92 and 93 of this act; or

(d) The child was a party or was represented by a guardian ad litem in the proceeding.

3. In a proceeding for divorce, dissolution, annulment, declaration of invalidity, legal separation or separate maintenance, the court is deemed to have made an adjudication of parentage of a child if the court acts under circumstances that satisfy the jurisdiction requirements of NRS 130.201 and the final order:

(a) Expressly identifies the child as a "child of the marriage" or "issue of the marriage" or includes similar words indicating that both spouses are parents of the child; or

(b) Provides for support of the child by a spouse or domestic partner unless that spouse's or domestic partner's parentage of the child is disclaimed specifically in the order.

4. Except as otherwise provided in subsection 2 or section 79 of this act, a determination of parentage may be asserted as a defense in a subsequent proceeding seeking to adjudicate parentage of a person who was not a party to the earlier proceeding.

5. A party to an adjudication of parentage may challenge the adjudication only under law of this State other than sections 28 to 91, inclusive, of this act relating to appeal, vacation of judgment or other judicial review.

Sec. 90. *In applying and construing this uniform act, consideration must be given to the need to promote uniformity of the law with respect to its subject matter among states that enact it.*

Sec. 91. *Sections 28 to 91, inclusive, of this act modify, limit and supersede the Electronic Signatures in Global and National Commerce Act, 15 U.S.C. §§ 7001 et seq., but do not modify, limit or supersede Section 101(c) of that act, 15 U.S.C. § 7001(c), or authorize electronic delivery of any of the notices described in Section 103(b) of that act, 15 U.S.C. § 7003(b).*

Sec. 92. *1. If a person who intends to be a parent of a child conceived by assisted reproduction dies during the period between the transfer of a*

gamete or embryo and the birth of the child, the person's death does not preclude the establishment of the person's parentage of the child if the person otherwise would be a parent of the child under sections 28 to 91, inclusive, of this act.

2. If a person who consented in a record to assisted reproduction by a person who agreed to give birth to a child dies before a transfer of gametes or embryos, the deceased person is a parent of a child conceived by the assisted reproduction only if:

(a) Either:

(1) The person consented in a record that if assisted reproduction were to occur after the death of the person, the person would be a parent of the child; or

(2) The person's intent to be a parent of a child conceived by assisted reproduction after the person's death is established by clear and convincing evidence; and

(b) Either:

(1) The embryo is in utero not later than 36 months after the person's death; or

(2) The child is born not later than 45 months after the person's death.

3. An intended parent is not a parent of a child conceived by assisted reproduction under a gestational agreement if the intended parent dies before the transfer of a gamete or embryo unless:

(a) The agreement provides otherwise; and

(b) The transfer of a gamete or embryo occurs not later than 36 months after the death of the intended parent or birth of the child occurs not later than 45 months after the death of the intended parent.

Sec. 93. ***1. A party to a gestational agreement may terminate the agreement, at any time before an embryo transfer, by giving notice of termination in a record to all other parties. If an embryo transfer does not result in a pregnancy, a party may terminate the agreement at any time before a subsequent embryo transfer.***

2. Unless a gestational agreement provides otherwise, on termination of the agreement under subsection 1, the parties are released from the agreement, except that each intended parent remains responsible for expenses that are reimbursable under the agreement and incurred by the gestational carrier through the date of termination.

3. Except in a case involving fraud, neither a gestational carrier nor the gestational carrier's spouse, domestic partner or former spouse or domestic partner, if any, is liable to the intended parent or parents for a penalty or liquidated damages, for terminating a gestational agreement under this section.

Sec. 94. NRS 126.151 is hereby amended to read as follows:

2. If such a judgment or order of this State is at variance with the child's birth certificate, the judgment or order must direct that a new birth certificate be issued as provided in NRS 440.270 to 440.340, inclusive.

3. If the child is a minor, such a judgment or order of this State must provide for the child's support as required by chapter 125B of NRS and must include an order directing the withholding or assignment of income for the payment of the support unless:

(a) One of the parties demonstrates and good cause is found by the court, or pursuant to the expedited process, for the postponement of the withholding or assignment; or

(b) All parties otherwise agree in writing.

4. Such a judgment or order of this State may:

If the court finds that the nonsupporting parent would experience a financial hardship if required to pay the fee immediately,

it may order that the fee be paid in installments, each of which is not more than 25 percent of the support obligation for each month.

Amendment No. 498.

AN ACT relating to public employees; revising certain ~~[deadlines]~~ **provisions** relating to the negotiation, mediation and arbitration of collective bargaining agreements with the Executive Department of the State Government; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes certain groups of employees in the classified service of the Executive Department of the State Government to engage in collective bargaining with the Executive Department concerning wages, hours and other terms and conditions of employment for such employees. (NRS 288.400-288.630) In general, a collective bargaining agreement for such a group of employees must begin on July 1 of an odd-numbered year and must end on June 30 of the next odd-numbered year. (NRS 288.550)

Existing law requires the Governor to designate a representative to conduct negotiations concerning collective bargaining agreements on behalf of the Executive Department and requires negotiations between the representative of the Executive Department and the exclusive representative of a bargaining unit to begin within 60 days after one party notifies the other party of the desire to negotiate or November 1 of each even-numbered year, whichever is earlier. (NRS 288.565) **Section 1** of this bill requires such negotiations to begin on or before October 1, rather than November 1, of each even-numbered year.

Existing law authorizes either the representative of the Executive Department or the exclusive representative of a bargaining unit to request a mediator if the parties do not reach a collective bargaining agreement within 120 days after beginning negotiations or February 1 of an odd-numbered year, whichever is earlier, unless the parties agree on a later date. (NRS 288.570) ~~[Section 2 of this bill requires a request for mediation to be made on or before January 1, rather than February 1, of an odd-numbered year.]~~ **Section 1 requires the representative of the Executive Department and the exclusive representative of a bargaining unit, before engaging in collective bargaining, to: (1) select a mediator and an arbitrator for the purposes of potential mediation and arbitration; and (2) to the extent possible,**

determine and reserve with the mediator and arbitrator selected by the parties the calendar days when such mediation and arbitration would occur should the parties not reach a collective bargaining agreement.

If the representative of the Executive Department and the exclusive representative of a bargaining unit do not reach a collective bargaining agreement through mediation within 21 days after the appointment of a mediator, mediation is required to cease and the parties are required to begin arbitration proceedings on or before March 1 unless the parties agree on a later date. The arbitrator is then required to render a decision on or before March 15 unless the parties agree on a later date. (NRS 288.575) **If the parties do not reach a collective bargaining agreement through mediation, section 3 of this bill requires mediation to cease and the parties to begin arbitration proceedings within 10 days, rather than 21 days, after the appointment of a mediator. Section 3 :** ~~[of this bill:]~~ (1) requires arbitration proceedings to begin on or before February ~~[1,]~~ **15,** rather than March 1; and (2) requires the arbitrator to render a decision on or before ~~[February 15,]~~ **March 5,** rather than March 15.

professional midwife and other providers of health care from certain liability; requiring Medicaid to cover the services of a licensed certified professional midwife; authorizing a licensed certified professional midwife to serve as the director of a freestanding birthing center; **specifying the midwives to which certain requirements apply;** providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires a midwife to perform certain duties relating to reporting births and deaths and testing newborn babies for certain diseases. (NRS 440.100, 440.740, 442.008-442.110, 442.600-442.680) **Sections 2-32** of this bill provide for: (1) the licensure of licensed certified professional midwives by the Division of Public and Behavioral Health of the Department of Health and Human Services; and (2) the regulation of licensed certified professional midwives by the Division and the Board of Licensed Certified Professional Midwives created by **section 17** of this bill. **Sections 2-14, 45, 69 and 74** of this bill define certain terms related to the practice of certified professional midwifery. **Section 15** of this bill exempts certain providers of health care from requirements governing the licensure and regulation of licensed certified professional midwives. **Sections 36, 38, 39 and 42-44** of this bill similarly exempt licensed certified professional midwives and certified professional midwife student midwives from provisions governing certain other providers of health care. Licensed certified professional midwives and certified professional midwife student midwives would also be exempt from provisions governing allopathic physicians. (NRS 630.047)

Section 16 of this bill authorizes the Division to accept gifts, grants and donations to pay the costs of performing its duties under the provisions of this bill.

Section 17 creates the Board of Licensed Certified Professional Midwives. **Sections 34, 55 and 58-62** of this bill make various changes to ensure that the Board is treated similarly to other boards that regulate health-related professions. **Section 34** also provides that a person may obtain a license as a licensed certified professional midwife through reciprocity if the person has been in practice for at least 1 year immediately preceding the date on which the person submits an application. **Section 18** of this bill prescribes certain requirements concerning the operations and duties of the Board. **Section 19** of this bill requires the Board to adopt regulations governing the practice of certified professional midwifery, including: (1) requirements governing the issuance and renewal of a license as a licensed certified professional midwife; (2) requirements governing the investigation of misconduct and discipline; (3) requirements governing the management of a client who is at a moderate or high risk of an adverse outcome; and (4) requirements governing certain other aspects of the practice of certified professional midwifery.

Section 20 of this bill prescribes the requirements for the issuance of a license as a licensed certified professional midwife. **Section 103** of this bill revises the requirements for the issuance of a license as a licensed certified

professional midwife on January 1, 2026, to authorize the Division to exempt certain applicants from certain education requirements to address shortages in the number of midwives practicing in rural or underserved areas in the State or barriers for applicants from marginalized identities. **Section 21** of this bill: (1) authorizes a licensed certified professional midwife to utilize a certified professional midwife birth assistant to perform certain simple, routine medical tasks; and (2) prescribes the required training for a certified professional midwife birth assistant.

Existing federal law requires each state to adopt procedures to ensure that applicants for certain licenses and certificates comply with child support obligations. (42 U.S.C. § 666) **Sections 22 and 29** of this bill enact such procedures as applicable to an applicant for a license as a licensed certified professional midwife in order to comply with federal law. **Sections 104 and 110** of this bill remove a requirement that an application for a license as a licensed certified professional midwife include the social security number of the applicant on the date that those federal requirements are repealed, while leaving in place the other requirements of **sections 22 and 29** until 2 years after that date. **Section 33** of this bill makes a conforming change **to account** for applicants for licensure who do not have a social security number.

Section 23 of this bill prescribes the authorized activities of a certified professional midwife student midwife and requirements governing the supervision of a certified professional midwife student midwife by a preceptor. **Section 24** of this bill requires any midwife who provides services in this State to provide to a client a Community Birth Disclosure that contains certain information. **Section 24** additionally requires the Board to create the Community Birth Disclosure in collaboration with all types of midwives practicing in this State. **Section 24** further requires a licensed certified professional midwife to obtain informed written consent from each client before providing services.

Existing law authorizes only certain practitioners who are licensed in this State and registered with the State Board of Pharmacy to prescribe drugs and devices. (NRS 639.235, 639.23505) **Sections 25, 40, 41 and 78** of this bill authorize a licensed certified professional midwife to: (1) order, possess and administer certain drugs, devices, chemicals and solutions; and (2) order certain devices and vaccines for a client. **Sections 26, 40 and 78** of this bill authorize a licensed certified professional midwife to apply to the ~~[Board]~~ **Division** for a special endorsement for his or her license to: (1) order, dispense and implant contraceptive devices; or (2) possess, administer, prescribe and dispense certain dangerous drugs. **Sections 21, 23 and 79** of this bill authorize a certified professional midwife birth assistant or certified professional midwife student midwife to administer certain drugs, devices, chemicals and solutions under the direct supervision of a licensed certified professional midwife or in certain emergency situations. **Section 23** additionally authorizes a certified professional midwife student midwife to administer or implant a

contraceptive device under the supervision of a preceptor who holds the appropriate special endorsement.

Section 27 of this bill imposes specific requirements concerning the management of a client who is at a moderate or high risk of an adverse outcome ~~[, and section 105 of this bill revises some of those requirements on the effective date of regulations adopted by the Board to replace those requirements.]~~ **, and section 19 requires the Board of Licensed Certified Professional Midwives to adopt additional regulations governing the management of such a client.** **Section 107** of this bill creates the Collaboration and Transfer Guidelines Workgroup to make recommendations to the Board for regulations governing the transfer of such a client to a medical facility. **Section 27** also exempts: (1) a licensed certified professional midwife from liability resulting from the informed refusal to consent of such a client to consultation, co-management with or referral to another provider of health care or transfer to a medical facility or the inability of the licensed certified professional midwife to arrange for such consultation or carry out such co-management, referral or transfer; and (2) other providers of health care from liability for the actions or omissions of a licensed certified professional midwife.

Section 28 of this bill requires a licensed certified professional midwife to report to the Division certain information concerning his or her practice upon the renewal of his or her license.

Section 30 of this bill: (1) requires the Division to maintain certain records of proceedings relating to licensing, disciplinary actions and investigations; and (2) declares certain records to be confidential and certain other records to be public. **Section 57** of this bill makes a conforming change to clarify that such confidential records of the Division are not public records. **Section 31** of this bill prohibits a person who does not hold a license as a licensed certified professional midwife from representing that he or she is licensed to engage in the practice of certified professional midwifery. **Section 31** authorizes a person to represent that he or she is licensed to engage in the practice of certified professional midwifery if the person is licensed in another district, state or territory of the United States and the person discloses that license to the public. **Section 31** also prohibits a certified professional midwife student midwife from: (1) engaging in midwifery in circumstances other than those authorized by this bill; or (2) representing that he or she is qualified to engage in the practice of certified professional midwifery without supervision. **Section 31** authorizes the Division to, when it has reason to believe or has received complaints that a person has repeatedly violated the provisions of **section 31**, certify the facts to the Attorney General, or other appropriate law enforcement officer, who may, in his or her discretion, cause appropriate proceedings to be brought. **Section 32** authorizes the Division or the Attorney General to seek an injunction against any person violating any provision of **sections 2-32**.

Existing law defines the term "provider of health care" as a person who practices any of certain professions related to the provision of health care.

(NRS 629.031) Existing law imposes certain requirements upon providers of health care, including requirements for billing, standards for advertisements and criminal penalties for acquiring certain debts. (NRS 629.071, 629.076, 629.078) **Section 35** of this bill includes licensed certified professional midwives in the definition of "provider of health care," thereby subjecting licensed certified professional midwives to the same requirements. **Section 76** of this bill makes a conforming change to clarify that licensed certified professional midwives are providers of health care. **Section 37** of this bill requires a licensed certified professional midwife to report misconduct by a person licensed or certified by the State Board of Nursing to the Executive Director of the Board.

Sections 48 and 49 of this bill provide that a licensed certified professional midwife is not liable for civil damages resulting from providing emergency care or gratuitous care to an indigent person under certain circumstances. **Section 70** of this bill requires a licensed certified professional midwife who attends a birth that occurs outside a hospital which is not also attended by a physician or advanced practice registered nurse to prepare a birth certificate. **Section 71** of this bill provides for the imposition of a fine upon a person who furnishes false information to a licensed certified professional midwife for the purpose of making incorrect certification of births or deaths.

Existing law provides that, in any civil action concerning any unwelcome or nonconsensual sexual conduct, there is a rebuttable presumption that the sexual conduct was unwelcome or nonconsensual if the alleged perpetrator was a person in a position of authority over the alleged victim. (NRS 41.138) **Section 47** of this bill provides that a licensed certified professional midwife, certified professional midwife student midwife or certified professional midwife birth assistant is a person of authority for that purpose.

Sections 46, 50-54, 63, 64, 66-76 and 80-102 of this bill make revisions to treat licensed certified professional midwives similarly to other providers of health care in certain respects. **Section 65** of this bill requires Medicaid to cover the services of a licensed certified professional midwife and to provide reimbursement for such services at rates comparable to other providers of health care who provide similar services. **Section 56** of this bill makes a conforming change to indicate the proper placement of **section 65** in the Nevada Revised Statutes.

Section 77 of this bill authorizes a licensed certified professional midwife to serve as the director of a freestanding birthing center.

Existing law requires a primary care provider, including a midwife, to take certain actions to facilitate the detection of harmful mutations in the BRCA gene in patients who are adult women. (NRS 457.301) Section 81 of this bill provides that this requirement applies to licensed certified professional midwives, but not to other midwives.

Sec. 51. NRS 42.021 is hereby amended to read as follows:

42.021 1. In an action for injury or death against a provider of health care based upon professional negligence, if the defendant so elects, the defendant may introduce evidence of any amount payable as a benefit to the plaintiff as a result of the injury or death pursuant to the United States Social Security Act, any state or federal income disability or worker's compensation act, any health, sickness or income-disability insurance, accident insurance that provides health benefits or income-disability coverage, and any contract or agreement of any group, organization, partnership or corporation to provide, pay for or reimburse the cost of medical, hospital, dental or other health care services. If the defendant elects to introduce such evidence, the plaintiff may introduce evidence of any amount that the plaintiff has paid or contributed to secure the plaintiff's right to any insurance benefits concerning which the defendant has introduced evidence.

2. A source of collateral benefits introduced pursuant to subsection 1 may not:

(a) Recover any amount against the plaintiff; or

(b) Be subrogated to the rights of the plaintiff against a defendant.

3. In an action for injury or death against a provider of health care based upon professional negligence, a district court shall, at the request of either party, enter a judgment ordering that money damages or its equivalent for future damages of the judgment creditor be paid in whole or in part by periodic payments rather than by a lump-sum payment if the award equals or exceeds $50,000 in future damages.

4. In entering a judgment ordering the payment of future damages by periodic payments pursuant to subsection 3, the court shall make a specific finding as to the dollar amount of periodic payments that will compensate the judgment creditor for such future damages. As a condition to authorizing periodic payments of future damages, the court shall require a judgment debtor who is not adequately insured to post security adequate to assure full payment of such damages awarded by the judgment. Upon termination of periodic payments of future damages, the court shall order the return of this security, or so much as remains, to the judgment debtor.

5. A judgment ordering the payment of future damages by periodic payments entered pursuant to subsection 3 must specify the recipient or recipients of the payments, the dollar amount of the payments, the interval between payments, and the number of payments or the period of time over which payments will be made. Such payments must only be subject to modification in the event of the death of the judgment creditor. Money damages awarded for loss of future earnings must not be reduced or payments terminated by reason of the death of the judgment creditor, but must be paid to persons to whom the judgment creditor owed a duty of support, as provided by law, immediately before the judgment creditor's death. In such cases, the court that rendered the original judgment may, upon petition of any party in interest, modify the judgment to award and apportion the unpaid future damages in accordance with this subsection.

6. If the court finds that the judgment debtor has exhibited a continuing pattern of failing to make the periodic payments as specified pursuant to subsection 5, the court shall find the judgment debtor in contempt of court and, in addition to the required periodic payments, shall order the judgment debtor to pay the judgment creditor all damages caused by the failure to make such periodic payments, including, but not limited to, court costs and attorney's fees.

7. Following the occurrence or expiration of all obligations specified in the periodic payment judgment, any obligation of the judgment debtor to make further payments ceases and any security given pursuant to subsection 4 reverts to the judgment debtor.

8. As used in this section:

(a) "Future damages" includes damages for future medical treatment, care or custody, loss of future earnings, loss of bodily function, or future pain and suffering of the judgment creditor.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 397.

AN ACT relating to criminal procedure; authorizing a justice court or municipal court to establish a program for the treatment of mental illness or intellectual disabilities; ~~[revising provisions regarding the eligibility of a defendant for assignment to such a program;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes a district court to establish an appropriate program for the treatment of mental illness or intellectual disabilities to which it may assign an eligible defendant. Under existing law, a justice court or municipal court is authorized, upon approval of a district court, to transfer original jurisdiction of a case involving such an eligible defendant to the district court. (NRS 4.370, 5.050, 176A.250, 176A.255) **Sections** ~~[1, 2 and 4-6]~~ **1-6** of this bill additionally authorize a justice court or municipal court to establish such a program and to transfer original jurisdiction of a case involving an eligible defendant to the district court if the justice court or municipal court has not established such a program.

~~[Existing law provides that if a defendant who suffers from a mental illness or is intellectually disabled tenders a plea of guilty, guilty but mentally ill or nolo contendere to, or is found guilty or guilty but mentally ill of, certain offenses, the district court may assign the defendant to a program for the treatment of mental illness or intellectual disabilities under certain circumstances. Under existing law, if the offense committed by the defendant is a category A felony or a sexual offense that is punishable as a category B felony, the defendant is not eligible for assignment to such a program. (NRS 176A.260) Section 3 of this bill revises such eligibility for assignment to the~~

~~program and authorizes a defendant who tenders a plea of guilty, guilty but mentally ill or nolo contendere to, or is found guilty or guilty but mentally ill of, a sexual offense that is punishable as a category B felony to be assigned to the program, but only as a condition of probation. Under section 3, such a defendant is not eligible for a suspension or deferment of proceedings or a dismissal of a case after the defendant completes the program.~~**]**

Existing law provides that upon a violation of a term or condition of such a program, the court may: (1) enter a judgement of conviction and proceed as provided in the section pursuant to which the defendant was charged; and (2) order the defendant to the custody of the Department of Corrections if the offense is punishable by imprisonment in the state prison. (NRS 176A.260) **Section 3** authorizes the imposition of certain sanctions against a defendant for such a violation.

Sec. 2. NRS 176A.255 is hereby amended to read as follows:

(b) Enter a judgment of conviction and place the defendant on probation upon terms and conditions that must include attendance and successful completion of a program established pursuant to NRS 176A.250, if the ***district court, justice court or municipal*** court determines that the defendant is eligible for participation in such a program.

2. Except as otherwise provided in subsection 4, a defendant is eligible for participation in a program established pursuant to NRS 176A.250 if the defendant is diagnosed as having a mental illness or an intellectual disability:

(a) After an in-person clinical assessment by:

(1) A counselor who is licensed or certified to make such a diagnosis; or

(2) A duly licensed physician qualified by the Board of Medical Examiners to make such a diagnosis; and

~~***(2) A dismissal of the action after completion of]***~~ the program ~~***[pursuant to subsection 6 or 7.]***~~.

5. Upon violation of a term or condition:

(a) ***The district court, justice court or municipal court, as applicable, may impose sanctions against the defendant for the violation, but allow the defendant to remain in the program. Before imposing a sanction, the court***

shall notify the defendant of the violation and provide the defendant an opportunity to respond. Any sanction imposed pursuant to this paragraph:

(1) Must be in accordance with any applicable guidelines for sanctions established by the National Association of Drug Court Professionals or any successor organization; and

(2) May include, without limitation, imprisonment in a county or city jail or detention facility for a term set by the court, which must not exceed 25 days.

(2) Has previously failed to complete a specialty court program; or

(b) May discharge the defendant and dismiss the proceedings or set aside the judgment of conviction, as applicable, if the defendant:

(1) Has been previously convicted in this State or in any other jurisdiction of a felony; or

(2) Has previously failed to complete a specialty court program.

7. Discharge and dismissal pursuant to this section is without adjudication of guilt and is not a conviction for purposes of this section or for purposes of employment, civil rights or any statute or regulation or license or questionnaire or for any other public or private purpose, but is a conviction for the purpose of additional penalties imposed for second or subsequent convictions or the setting of bail. Discharge and dismissal restores the defendant, in the contemplation of the law, to the status occupied before the arrest, indictment or information. The defendant may not be held thereafter under any law to be guilty of perjury or otherwise giving a false statement by reason of failure to recite or acknowledge that arrest, indictment, information or trial in response to an inquiry made of the defendant for any purpose.

8. If the defendant was charged with a violation of NRS 200.485, 484C.110 or 484C.120, upon fulfillment of the terms and conditions, the district court, justice court or municipal court, as applicable, may conditionally dismiss the charges or set aside the judgment of conviction, as applicable. If a court conditionally dismisses the charges or sets aside the judgment of conviction, the court shall notify the defendant that any conditionally

dismissed charge or judgment of conviction that is set aside is a conviction for the purpose of additional penalties imposed for second or subsequent convictions or the setting of bail in a future case, but is not a conviction for purposes of employment, civil rights or any statute or regulation or license or questionnaire or for any other public or private purpose. Conditional dismissal or having a judgment of conviction set aside restores the defendant, in the contemplation of the law, to the status occupied before the arrest, complaint, indictment or information. The defendant may not be held thereafter under any law to be guilty of perjury or otherwise giving a false statement by reason of failure to recite or acknowledge that arrest, complaint, indictment, information or trial in response to an inquiry made of the defendant for any purpose.

Sec. 4. NRS 176A.265 is hereby amended to read as follows:

176A.265 1. The ***district court, justice court or municipal*** court ***, as applicable,*** shall order those records sealed without a hearing unless the Division petitions the court, for good cause shown, not to seal the records and requests a hearing thereon.

2. If the defendant is charged with a violation of NRS 200.485, 484C.110 or 484C.120 and the charges are conditionally dismissed or the judgment of conviction is set aside as provided in NRS 176A.260, not sooner than 7 years after the charges are conditionally dismissed or the judgment of conviction is set aside and upon the filing of a petition by the defendant, the justice court, municipal court or district court, as applicable, shall order that all documents, papers and exhibits in the defendant's record, minute book entries and entries on dockets, and other documents relating to the case in the custody of such other agencies and officers as are named in the court's order be sealed. The justice court, municipal court or district court, as applicable, shall order those records sealed without a hearing unless the Division petitions the court, for good cause shown, not to seal the records and requests a hearing thereon.

3. If the ***district court, justice court or municipal*** court ***, as applicable,*** orders sealed the record of a defendant who is discharged from probation, whose case is dismissed, whose charges were conditionally dismissed or whose judgment of conviction was set aside pursuant to NRS 176A.260, the court shall send a copy of the order to each agency or officer named in the order. Each such agency or officer shall notify the ***district court, justice court or municipal*** court ***, as applicable,*** in writing of its compliance with the order.

Assemblywoman Brittney Miller moved the adoption of the amendment.

Remarks by Assemblywoman Brittney Miller.

Amendment adopted.

Bill ordered reprinted, engrossed and to third reading.

Assembly Bill No. 408.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 264.

AN ACT relating to motor vehicles; authorizing the removal of a vehicle or part of a vehicle from the highway following the issuance of a citation for reckless driving; **prohibiting a tow car operator from charging fees or costs for the storage of such a vehicle until the vehicle has been stored for a certain period; requiring the owner of such a vehicle to pay a hardship tariff instead of the normal rate for the storage and removal of the vehicle under certain circumstances;** revising provisions relating to the applicability of certain traffic laws concerning reckless driving; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes a law enforcement officer to remove, or cause to be removed, a vehicle or part of a vehicle found on the highway to a place of safekeeping under certain circumstances. (NRS 484B.443) **Section 1** of this bill authorizes a law enforcement officer to take such action if the person driving or in actual physical control of the vehicle is issued a citation for reckless driving. **Section 3** of this bill provides that the provisions of law requiring a tow car operator to allow the owner, or agent of the owner, of a motor vehicle that has been connected to a tow car to obtain the release of the vehicle at the point of origination of the towing do not apply if the towing was requested by a law enforcement officer pursuant to the amendatory provisions of **section 1**.

Existing law makes it unlawful for a person to drive a vehicle in an unauthorized trick driving display or to facilitate an unauthorized trick driving display on a public highway. (NRS 484B.653) **Section 2** of this bill additionally prohibits a person from driving a vehicle in an unauthorized trick driving display or facilitating an unauthorized trick driving display on premises to which the public has access.

Existing law requires that, under certain circumstances, a registered owner of a vehicle that is towed must pay certain fees and charges to the tow car operator for the towing, storage and removal of the vehicle. (NRS 484B.443, 706.4477, 706.4479) Existing law: (1) prohibits the tow car operator from charging any fee or cost for the storage of the vehicle until at least 48 hours has passed since the motor vehicle arrived and was registered at the place of storage; and (2) requires that if the motor vehicle arrives at the place of storage after the regular business hours of the place of storage, the 48-hour period must begin when the regular business hours of the place of storage next begin. (NRS 706.4477) Section 2.2 of this bill makes these provisions applicable when a tow car operator tows a vehicle at the request of a law enforcement officer pursuant to section 1.

Existing law further requires the owner of a vehicle that has been towed to pay a hardship tariff, instead of the normal rate, for the cost of removal and storage of the vehicle if: (1) the vehicle was towed at the request of a person other than the owner of the vehicle or the owner's authorized agent because the vehicle was not registered in this State or any other state; and (2) the owner is unable to pay the normal rate for reasons outside of the owner's control. (NRS 706.4477) Section 2.2 of this bill similarly provides that if the tow car operator tows a vehicle at the request of a law enforcement officer pursuant to section 1, the owner of the vehicle is required to pay the hardship tariff, instead of the normal rate, for the cost of the removal and storage of the vehicle if the owner establishes the inability to pay the normal rate. Section 2.2 further provides that the owner establishes the inability to pay the normal rate by providing evidence that the owner is a recipient of certain public assistance, has a household net income below a certain amount, has certain expenses in

excess of income or otherwise qualifies for the hardship tariff for a reason established by the Nevada Transportation Authority by regulation.

Section 2.4 of this bill makes a conforming change to make the definitions in existing law governing tow car operators applicable to the provisions of section 2.2.

Sections 2.6, 2.8 and 3.3-3.7 of this bill make conforming changes to provide that the requirements of section 2.2 are enforced by the Authority in the same manner as other laws governing tow car operators.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 484B.443 is hereby amended to read as follows:

484B.443 1. 2. Whenever any law enforcement officer finds a vehicle, the cargo of a vehicle or other property unattended, disabled or spilled upon any highway, bridge or causeway, or in any tunnel, where the vehicle, cargo or property constitutes an obstruction to traffic, interferes with the normal flow of traffic or otherwise endangers public safety, the officer or the law enforcement agency employing the officer, in coordination with unified command, if applicable, may provide for the immediate removal of the vehicle, cargo or property to a position where the vehicle, cargo or property no longer constitutes an obstruction to traffic, interferes with the normal flow of traffic or otherwise endangers public safety.

3. Except as otherwise provided in subsection 2, any law enforcement officer may, subject to the requirements of subsection 4, remove any vehicle or part of a vehicle found on the highway, or cause it to be removed, to a garage or other place of safekeeping if:

(a) The vehicle has been involved in a crash and is so disabled that its normal operation is impossible or impractical and the person or persons in charge of the vehicle are incapacitated by reason of physical injury or other reason to such an
extent as to be unable to provide for its removal or custody, or are not in the immediate vicinity of the disabled vehicle;

(b) The person driving or in actual physical control of the vehicle is arrested for any alleged offense for which the officer is required by law to take the person arrested before a proper magistrate without unnecessary delay; ~~[or]~~

(c) ***The person driving or in actual physical control of the vehicle has been issued a citation for reckless driving pursuant to NRS 484B.653; or***

(2) Seventy-two hours after abandoning the vehicle on any other highway.

4. Unless a different course of action is necessary to preserve evidence of a criminal offense, a law enforcement officer who wishes to have a vehicle or part of a vehicle removed from a highway pursuant to subsection 3 shall, in accordance with any applicable protocol such as a rotational schedule regarding the selection and use of towing services, cause the vehicle or part of a vehicle to be removed by a tow car operator. The tow car operator shall, to the extent practicable and using the shortest and most direct route, remove the vehicle or part of a vehicle to the garage of the tow car operator unless directed otherwise by the officer. The tow car operator is liable for any loss of or damage to the vehicle or its contents that occurs while the vehicle is in the possession or control of the tow car operator.

5. A person or entity, including a law enforcement officer, the law enforcement agency employing the law enforcement officer, unified command or a tow car operator who provides for the removal of a vehicle, the cargo of a vehicle or other property pursuant to subsection 2:

(a) Is not liable for any loss of or damage to the vehicle, the contents of the vehicle, the cargo or the property that is removed; and

(b) Must make a reasonable attempt, as soon as practicable, to notify the owner of the vehicle, cargo or property as to the location of the vehicle, cargo or property if the owner of the vehicle or property is not present at the time of removal and the owner of the vehicle, cargo or property is ascertainable by the officer.

6. All costs incurred under the provisions of subsection 2 must be borne by the owner of the vehicle, cargo or property.

7. As used in this section:

(a) "Traffic incident" has the meaning ascribed to it in NRS 484B.607.

(b) "Unified command" means a group of law enforcement officers or other persons organized to provide a coordinated response to a traffic incident which requires two or more responding entities within a jurisdiction or which requires responding entities from two or more jurisdictions. The responding entities may include, without limitation, police, fire or emergency medical personnel, a tow car operator, or a state or local governmental entity responsible for roadway or other infrastructure repair or maintenance.

Sec. 2. NRS 484B.653 is hereby amended to read as follows:

484B.653 1. It is unlawful for a person to:

(a) Drive a vehicle in willful or wanton disregard of the safety of persons or property on a highway or premises to which the public has access.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 325.

AN ACT relating to powers of attorney; ~~[adopting the Uniform Health Care Decisions Act;]~~ **defining certain words and terms relating to powers of attorney for health care; establishing a form to create an advance health-care directive; revising provisions concerning witnesses to a principal's**

signature of a power of attorney for health care; removing the requirement that, in certain circumstances, a certification of competency must be attached to a power of attorney; repealing ~~[various]~~ provisions relating to **the current form for** powers of attorney for health care; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law sets forth provisions governing durable powers of attorney for health care decisions. (NRS 162A.700-162A.870) ~~[This bill repeals such provisions and instead adopts the Uniform Health-Care Decisions Act.~~

~~Section 28 of this bill provides that an individual is presumed to have the capacity to make health care decisions and make or revoke a health care instruction or a power of attorney for health care, unless a health care provider or a court determines that the individual does not understand and appreciate the nature and consequences of certain decisions. Section 29 of this bill provides that such a presumption may be rebutted by a determination of a court under section 31 of this bill or certain health care providers if such providers have examined the individual and found the individual to lack capacity. Section 30 of this bill authorizes an individual to object to the finding that the individual lacks capacity and that, with certain exceptions, the objection is sufficient to treat the individual as having capacity. Section 31: (1) authorizes certain persons to petition the court to make a determination on whether the individual lacks capacity; and (2) requires the court to comply with certain procedural requirements concerning such a petition.~~

~~Section 32 of this bill authorizes an individual to make a health care instruction which includes certain preferences regarding the health care of the individual.~~

~~Section 33 of this bill sets forth the requirements to execute a power of attorney for health care and specifies who may not act as an agent to an individual who lacks capacity.~~

~~Section 34 of this bill authorizes an individual to create an advance health care directive that only addresses the mental health care of the individual and may waive certain rights. Section 35 of this bill sets forth the procedure to follow when an advance health care directive that addresses only the mental health care of the individual conflicts with any other type of advance health care directive.~~

~~Section 36 of this bill establishes a form to create an advance health care directive.~~

~~Section 37 of this bill sets forth a class of persons who, in order of priority, may act as a default surrogate for an individual if the individual lacks capacity to make health care decisions and an agent or guardian has not been appointed or the agent or guardian of the individual is not reasonably available. Section 38 of this bill sets forth the procedure a responsible health care provider is required to follow if two or more members of such class assume authority to act as a default surrogate and both default surrogates disagree on a health care decision.~~

~~— Section 39 of this bill authorizes an individual to disqualify certain persons from acting as a default surrogate.~~

~~— Section 40 of this bill authorizes an individual, under certain circumstances, to revoke: (1) an appointment of an agent; (2) the designation of a default surrogate; or (3) a health care instruction. Section 40 also provides that: (1) a subsequent advance health care directive revokes a prior advance health care directive to the extent the two conflict; and (2) the appointment of a spouse or domestic partner is revoked under certain circumstances.~~

~~— Section 41 of this bill provides that: (1) a health care directive created outside of this State is valid in this State under certain circumstances; (2) a person may rely on an advance health care directive under certain circumstances; and (3) the directive may not be denied solely because the directive or the signature is in electronic form.~~

~~— Section 42 of this bill provides that an agent or default surrogate has a fiduciary duty to an individual who lacks capacity and is required to make a health care decision in accordance with the direction of the individual in an advance health care directive.~~

~~— Sections 43 and 44 of this bill set forth the powers and limitations of an agent or a default surrogate under an advance health care directive or court order.~~

~~— Section 45 of this bill provides that under certain circumstances, two or more individuals are authorized to act as co-agents or alternate agents of an individual under an advance health care directive.~~

~~— Section 46 of this bill sets forth the duties of a health care provider, a responsible health care provider and a health care institution.~~

~~— Section 47 of this bill provides that: (1) a guardian may not refuse to comply with or revoke the advance health care directive of the individual; and (2) a health care decision made by certain agents prevails over the decision of the guardianship appointed for the individual.~~

~~— Section 48 of this bill provides that under certain circumstances, a health care provider, health care institution, an agent or default surrogate acting in good faith is not subject to civil or criminal liability or certain discipline.~~

~~— Section 49 of this bill prohibits a person from taking certain actions concerning an advance health care directive. Section 49 additionally provides that an individual or the estate of the individual has a cause of action against a person that violates such prohibitions.~~

~~— Section 50 of this bill provides that an electronic copy of an advance health care directive, a revocation of an advance health care directive or a designation or disqualification of a surrogate has the same effect as the original.~~

~~— Section 51 of this bill provides that the Uniform Health Care Decisions Act does not authorize mercy killing, assisted suicide or euthanasia.~~

~~— Section 52 of this bill provides that a court acting under this Uniform Act may only grant equitable relief.~~

~~— Section 53 of this bill provides that in applying and construing the Uniform Act, a court is required to consider the promotion of uniformity of the law among jurisdictions that enact the Uniform Act.~~

~~— Section 54 of this bill establishes a form to create a power of attorney for health care. Sections 55 and 56 of this bill, respectively, establish a form to create a power of attorney for health care decisions for an adult with an intellectual disability or with any form of dementia.~~

~~— Sections 1 and 57-76 of this bill make conforming changes to reflect the changes made in this bill and to remove and replace references to the repealed sections.~~**]** **Section 36 of this bill establishes a form to create an advance health-care directive that includes provisions relating to: (1) naming an agent and alternate agent and limiting an agent's authority; (2) health care instructions concerning life-sustaining treatment and certain priorities; (3) optional special powers of an agent, access to health information by an agent, additional guidance for an agent and the nomination of a guardian; (4) organ donation; and (5) certain information for agents. Section 78 of this bill repeals the current form for powers of attorney for health care.**

Existing law requires a power of attorney for health care to be signed by the principal, whose signature must be acknowledged by a notary public or witnessed by two adult witnesses who personally know the principal. Existing law also sets forth certain persons who are disqualified from being a witness to a principal's signature and establishes certain other requirements relating to such witnesses. Existing law further requires that a certification of competency of the principal be attached to a power of attorney if the principal lives in certain health care facilities. (NRS 162A.790) Section 57.7 of this bill: (1) removes the requirement that the witnesses to a principal's signature must personally know the principal; (2) provides that only the owner or operator or an employee of a nursing home in which the principal resides is disqualified from being a witness to the principal's signature; and (3) removes the requirement that a certification of competency must be attached to the power of attorney of a principal who lives in certain health care facilities.

Sections ~~[5-27]~~ **5-19** of this bill define certain words and terms for the purposes of ~~[sections 3-56.]~~ **the provisions of law governing powers of attorney for health care decisions. Sections 57.3 and 61-72 of this bill make conforming changes to indicate the proper placement of sections 5-36 of this bill in the Nevada Revised Statutes.**

~~*3. A member of a class who assumes authority to act as default surrogate shall communicate the assumption of authority as promptly as practicable to other members who can be readily contacted in the same class and in classes with higher priority listed in subsection 2 and to a responsible health care provider.*~~

~~*4. A responsible health care provider may require an individual who assumes authority to act as a default surrogate to provide a declaration in a record under penalty of perjury stating facts and circumstances reasonably sufficient to establish the authority.*~~

~~*5. If a responsible health care provider reasonably determines that an individual who has assumed authority to act as a default surrogate is not willing or able to comply with a duty under section 42 of this act or fails to do so in a timely manner, the provider may recognize the individuals next in priority under subsection 2 as the default surrogates.*~~

~~*6. A health care decision made by a default surrogate is effective without judicial approval.]*~~ **(Deleted by amendment.)**

The provider, after the solicitation, shall comply with the decision of a majority of the members who have communicated their views to the provider.~~

~~4. If the class remains evenly divided after additional class members have provided their views under subsection 3, a responsible health care provider shall make a reasonable effort to solicit the views of members of the next class in priority, if any, who are reasonably available and, after the solicitation, comply with the decision of a majority of the members in the two classes who have communicated their views to the provider.~~

NOTICE TO PERSON MAKING AN ADVANCE DIRECTIVE FOR PSYCHIATRIC CARE

THIS IS AN IMPORTANT LEGAL DOCUMENT. IT CREATES AN ADVANCE DIRECTIVE FOR PSYCHIATRIC CARE. BEFORE SIGNING THIS DOCUMENT YOU SHOULD KNOW THESE IMPORTANT FACTS:

THIS DOCUMENT ALLOWS YOU TO MAKE DECISIONS IN ADVANCE ABOUT CERTAIN TYPES OF PSYCHIATRIC CARE. THE INSTRUCTIONS YOU INCLUDE IN THIS ADVANCE DIRECTIVE WILL BE FOLLOWED IF TWO PROVIDERS OF HEALTH CARE, ONE OF WHOM MUST BE A PHYSICIAN OR LICENSED PSYCHOLOGIST AND THE OTHER OF WHOM MUST BE A PHYSICIAN, A PHYSICIAN ASSISTANT, A LICENSED PSYCHOLOGIST, A PSYCHIATRIST OR AN ADVANCED PRACTICE REGISTERED NURSE WHO HAS THE PSYCHIATRIC TRAINING AND EXPERIENCE PRESCRIBED BY THE STATE BOARD OF NURSING PURSUANT TO NRS 632.120, DETERMINES THAT YOU ARE INCAPABLE OF MAKING OR COMMUNICATING TREATMENT DECISIONS. OTHERWISE YOU WILL BE CONSIDERED CAPABLE TO GIVE OR WITHHOLD CONSENT FOR THE TREATMENTS. YOUR INSTRUCTIONS MAY BE OVERRIDDEN IF YOU ARE BEING HELD IN ACCORDANCE WITH CIVIL COMMITMENT LAW. BY EXECUTING A DURABLE POWER OF ATTORNEY FOR HEALTH CARE AS SET FORTH IN NRS 162A.700 TO 162A.870, INCLUSIVE, ***AND SECTIONS 3 TO 56, INCLUSIVE, OF THIS ACT,*** YOU MAY ALSO APPOINT A PERSON AS YOUR AGENT TO MAKE TREATMENT DECISIONS FOR YOU IF YOU BECOME INCAPABLE. THIS DOCUMENT IS VALID FOR TWO YEARS FROM THE DATE YOU EXECUTE IT UNLESS YOU REVOKE IT. YOU HAVE THE RIGHT TO REVOKE THIS DOCUMENT AT ANY TIME YOU HAVE NOT BEEN DETERMINED

TO BE INCAPABLE. YOU MAY NOT REVOKE THIS ADVANCE DIRECTIVE WHEN YOU ARE FOUND INCAPABLE BY TWO PROVIDERS OF HEALTH CARE, ONE OF WHOM MUST BE A PHYSICIAN OR LICENSED PSYCHOLOGIST AND THE OTHER OF WHOM MUST BE A PHYSICIAN, A PHYSICIAN ASSISTANT, A LICENSED PSYCHOLOGIST, A PSYCHIATRIST OR AN ADVANCED PRACTICE REGISTERED NURSE WHO HAS THE PSYCHIATRIC TRAINING AND EXPERIENCE PRESCRIBED BY THE STATE BOARD OF NURSING PURSUANT TO NRS 632.120. A REVOCATION IS EFFECTIVE WHEN IT IS COMMUNICATED TO YOUR ATTENDING PHYSICIAN OR OTHER HEALTH CARE PROVIDER. THE PHYSICIAN OR OTHER PROVIDER SHALL NOTE THE REVOCATION IN YOUR MEDICAL RECORD. TO BE VALID, THIS ADVANCE DIRECTIVE MUST BE SIGNED BY TWO QUALIFIED WITNESSES, PERSONALLY KNOWN TO YOU, WHO ARE PRESENT WHEN YOU SIGN OR ACKNOWLEDGE YOUR SIGNATURE. IT MUST ALSO BE ACKNOWLEDGED BEFORE A NOTARY PUBLIC.

NOTICE TO PHYSICIAN OR OTHER PROVIDER OF HEALTH CARE

Under Nevada law, a person may use this advance directive to provide consent or refuse to consent to future psychiatric care if the person later becomes incapable of making or communicating those decisions. By executing a durable power of attorney for health care as set forth in NRS 162A.700 to 162A.870, inclusive, ***and sections 3 to 56, inclusive, of this act,*** the person may also appoint an agent to make decisions regarding psychiatric care for the person when incapable. A person is "incapable" for the purposes of this advance directive when in the opinion of two providers of health care, one of whom must be a physician or licensed psychologist and the other of whom must be a physician, a physician assistant, a licensed psychologist, a psychiatrist or an advanced practice registered nurse who has the psychiatric training and experience prescribed by the State Board of Nursing pursuant to NRS 632.120, the person currently lacks sufficient understanding or capacity to make or communicate decisions regarding psychiatric care. If a person is determined to be incapable, the person may be found capable when, in the opinion of the person's attending physician or an advanced practice registered nurse who has the psychiatric training and experience prescribed by the State Board of Nursing pursuant to NRS 632.120 and has an established relationship with the person, the person has regained sufficient understanding or capacity to make or communicate decisions regarding psychiatric care. This document becomes effective upon its proper execution and remains valid for a period of 2 years after the date of its execution unless revoked. Upon being presented with this advance

directive, the physician or other provider of health care must make it a part of the person's medical record. The physician or other provider must act in accordance with the statements expressed in the advance directive when the person is determined to be incapable, except as otherwise provided in NRS 449A.636. The physician or other provider shall promptly notify the principal and, if applicable, the agent of the principal, and document in the principal's medical record any act or omission that is not in compliance with any part of an advance directive. A physician or other provider may rely upon the authority of a signed, witnessed, dated and notarized advance directive.

DURABLE POWER OF ATTORNEY
FOR HEALTH CARE DECISIONS

WARNING TO PERSON EXECUTING THIS DOCUMENT

THIS IS AN IMPORTANT LEGAL DOCUMENT. IT CREATES A DURABLE POWER OF ATTORNEY FOR HEALTH CARE. BEFORE EXECUTING THIS DOCUMENT, YOU SHOULD KNOW THESE IMPORTANT FACTS:

1. THIS DOCUMENT GIVES THE PERSON YOU DESIGNATE AS YOUR AGENT THE POWER TO MAKE HEALTH CARE DECISIONS FOR YOU. THIS POWER IS SUBJECT TO ANY LIMITATIONS OR STATEMENT OF YOUR DESIRES THAT YOU INCLUDE IN THIS DOCUMENT. THE POWER TO MAKE HEALTH CARE DECISIONS FOR YOU MAY INCLUDE CONSENT, REFUSAL OF CONSENT OR WITHDRAWAL OF CONSENT TO ANY CARE, TREATMENT, SERVICE OR PROCEDURE TO MAINTAIN, DIAGNOSE OR TREAT A PHYSICAL OR MENTAL CONDITION. YOU MAY STATE IN THIS DOCUMENT ANY TYPES OF TREATMENT OR PLACEMENTS THAT YOU DO NOT DESIRE.

2. THE PERSON YOU DESIGNATE IN THIS DOCUMENT HAS A DUTY TO ACT CONSISTENT WITH YOUR DESIRES AS STATED IN THIS DOCUMENT OR OTHERWISE MADE KNOWN OR, IF YOUR DESIRES ARE UNKNOWN, TO ACT IN YOUR BEST INTERESTS.

3. EXCEPT AS YOU OTHERWISE SPECIFY IN THIS DOCUMENT, THE POWER OF THE PERSON YOU DESIGNATE TO MAKE HEALTH CARE DECISIONS FOR YOU MAY INCLUDE THE POWER TO CONSENT TO YOUR DOCTOR OR ADVANCED PRACTICE REGISTERED NURSE NOT GIVING TREATMENT OR STOPPING TREATMENT WHICH WOULD KEEP YOU ALIVE.

4. UNLESS YOU SPECIFY A SHORTER PERIOD IN THIS DOCUMENT, THIS POWER WILL EXIST INDEFINITELY FROM THE DATE YOU EXECUTE THIS DOCUMENT AND, IF YOU ARE UNABLE TO MAKE HEALTH CARE DECISIONS FOR YOURSELF, THIS POWER WILL CONTINUE TO EXIST UNTIL THE TIME WHEN YOU BECOME ABLE TO MAKE HEALTH CARE DECISIONS FOR YOURSELF.

5. NOTWITHSTANDING THIS DOCUMENT, YOU HAVE THE RIGHT TO MAKE MEDICAL AND OTHER HEALTH CARE DECISIONS FOR YOURSELF SO LONG AS YOU CAN GIVE INFORMED CONSENT WITH RESPECT TO THE PARTICULAR DECISION. IN ADDITION, NO TREATMENT MAY BE GIVEN TO YOU OVER YOUR OBJECTION, AND HEALTH CARE NECESSARY TO KEEP YOU ALIVE MAY NOT BE STOPPED IF YOU OBJECT.

6. YOU HAVE THE RIGHT TO DECIDE WHERE YOU LIVE, EVEN AS YOU AGE. DECISIONS ABOUT WHERE YOU LIVE ARE PERSONAL. SOME PEOPLE LIVE AT HOME WITH SUPPORT, WHILE OTHERS MOVE TO ASSISTED LIVING FACILITIES OR FACILITIES FOR SKILLED NURSING. IN SOME CASES, PEOPLE ARE MOVED TO FACILITIES WITH LOCKED DOORS TO PREVENT PEOPLE WITH COGNITIVE DISORDERS FROM LEAVING OR GETTING LOST OR TO PROVIDE ASSISTANCE TO PEOPLE WHO REQUIRE A HIGHER LEVEL OF CARE. YOU SHOULD DISCUSS WITH THE PERSON DESIGNATED IN THIS DOCUMENT YOUR DESIRES ABOUT WHERE YOU LIVE AS YOU AGE OR IF YOUR HEALTH DECLINES. YOU HAVE THE RIGHT TO DETERMINE WHETHER TO AUTHORIZE THE PERSON DESIGNATED IN THIS DOCUMENT TO MAKE DECISIONS FOR YOU ABOUT WHERE YOU LIVE WHEN YOU ARE NO LONGER CAPABLE OF MAKING THAT DECISION. IF YOU DO NOT PROVIDE SUCH AUTHORIZATION TO THE PERSON DESIGNATED IN THIS DOCUMENT, THAT PERSON MAY NOT BE ABLE TO ASSIST YOU TO MOVE TO A MORE SUPPORTIVE LIVING ARRANGEMENT WITHOUT OBTAINING APPROVAL THROUGH A JUDICIAL PROCESS.

7. YOU HAVE THE RIGHT TO REVOKE THE APPOINTMENT OF THE PERSON DESIGNATED IN THIS DOCUMENT TO MAKE HEALTH CARE DECISIONS FOR YOU BY NOTIFYING THAT PERSON OF THE REVOCATION ORALLY OR IN WRITING.

8. YOU HAVE THE RIGHT TO REVOKE THE AUTHORITY GRANTED TO THE PERSON DESIGNATED IN THIS DOCUMENT TO MAKE HEALTH CARE DECISIONS FOR YOU

BY NOTIFYING THE TREATING PHYSICIAN, ADVANCED PRACTICE REGISTERED NURSE, HOSPITAL OR OTHER PROVIDER OF HEALTH CARE ORALLY OR IN WRITING.

9. THE PERSON DESIGNATED IN THIS DOCUMENT TO MAKE HEALTH CARE DECISIONS FOR YOU HAS THE RIGHT TO EXAMINE YOUR MEDICAL RECORDS AND TO CONSENT TO THEIR DISCLOSURE UNLESS YOU LIMIT THIS RIGHT IN THIS DOCUMENT.

10. THIS DOCUMENT REVOKES ANY PRIOR DURABLE POWER OF ATTORNEY FOR HEALTH CARE.

11. IF THERE IS ANYTHING IN THIS DOCUMENT THAT YOU DO NOT UNDERSTAND, YOU SHOULD ASK A LAWYER TO EXPLAIN IT TO YOU.

12. YOU MAY REQUEST THAT THE NEVADA SECRETARY OF STATE ELECTRONICALLY STORE WITH THE NEVADA LOCKBOX A COPY OF THIS DOCUMENT TO ALLOW ACCESS BY AN AUTHORIZED PROVIDER OF HEALTH CARE AS DEFINED IN NRS 629.031.

(If the statement reflects your desires, initial the box next to the statement.)

B. If I am in a coma which my doctors or advanced practice registered nurses have reasonably concluded is irreversible, I desire that life-sustaining or prolonging treatments not be used. [.....]

C. If I have an incurable or terminal condition or illness and no reasonable hope of long-term recovery or survival, I desire that life-sustaining or prolonging treatments not be used. [.....]

My agent is to consider the relief of suffering, the preservation or restoration of functioning, and the quality as well as the extent of the possible extension of my life. [.....]

F. If I have an incurable or terminal condition, including late stage dementia, or illness and no reasonable hope of long-term recovery or survival, I

desire my attending physician to administer any medication to alleviate suffering without regard that the medication is likely to cause addiction or reduce the extension of my life. [.....]

(Section 8 of the United States Housing Act of 1937, 42 U.S.C. § 1437f) **Section 1** of this bill provides an exemption from property taxes for an accessory dwelling unit ~~[and the land upon which it is situated]~~ if the accessory dwelling unit is **: (1) is** rented or leased to a tenant receiving assistance under the Housing Choice Voucher Program pursuant to a lease which is for a period of not less than 12 consecutive months ~~[.]~~ **; (2) located on the same parcel as a single-family residence which is the primary residence of the owner of the accessory dwelling unit; and (3) complies with all applicable local zoning laws.** **Section 1** requires a person claiming the exemption to **annually** file with the county assessor a verification from the appropriate public housing authority that **: (1)** the person has entered into a housing assistance payment contract **; (2) the tenant is receiving assistance under the Housing Choice Voucher Program;** and ~~[that]~~ **(3)** the accessory dwelling unit meets the relevant federal housing quality standards. **Section 1 prohibits the exemption from being granted for more than one accessory dwelling unit per parcel.** **Section 2** of this bill makes a conforming change to indicate the proper placement of **section 1** in the Nevada Revised Statutes.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 361 of NRS is hereby amended by adding thereto a new section to read as follows:

1. An accessory dwelling unit ~~[and the land upon which it is situated]~~ is exempt from taxation if, for the year in which the exemption applies, the accessory dwelling unit ~~[is]~~ :

(a) Is rented or leased to a qualified tenant receiving assistance under the Housing Choice Voucher Program pursuant to a written lease which is for a period of not less than 12 consecutive months ~~[.]~~ ;

(b) Is located on the same parcel as a single-family residence which is the primary residence of the owner of the accessory dwelling unit; and

2. Any person claiming the exemption must file annually with the county assessor verification from the appropriate public housing authority that:

(a) The person has entered into a housing assistance payment contract with the public housing authority to receive tenant-based assistance payments under the Housing Choice Voucher Program for the accessory dwelling unit; ~~[and]~~

(b) The qualified tenant to whom the accessory dwelling unit is rented or leased is receiving assistance under the Housing Choice Voucher Program pursuant to a written lease which is for a period of not less than 12 consecutive months; and

(c) The accessory dwelling unit, at the time it was last inspected, met the housing quality standards pursuant to 42 U.S.C. 1437f(o).

3. The exemption pursuant to this section may only be claimed for one accessory dwelling unit per parcel.

4. A county assessor may prescribe forms and adopt procedures for claiming the exemption pursuant to this section not inconsistent with any regulations, forms and procedures prescribed or adopted by the Department or the Nevada Tax Commission.

5. As used in this section:

Sec. 2. NRS 361.160 is hereby amended to read as follows:

(a) Which is moving in interstate commerce through or over the territory of the State of Nevada; or

(b) Which was consigned to a warehouse, public or private, within the State of Nevada from outside the State of Nevada for storage in transit to a final destination outside the State of Nevada, whether specified when transportation begins or afterward.

➥ Such property is deemed to have acquired no situs in Nevada for purposes of taxation. Such property is not deprived of exemption because while in the warehouse the property is assembled, bound, joined, manufactured, processed, disassembled, divided, cut, broken in bulk, relabeled or repackaged, or because the property is being held for resale to customers outside the State of Nevada. The exemption granted shall be liberally construed to effect the purposes of NRS 361.160 to 361.185, inclusive.

2. Personal property within this State as mentioned in NRS 361.030 and 361.045 to 361.155, inclusive, ***and section 1 of this act,*** does not include personal property in transit through this State as defined in this section.

Sec. 3. The Legislature hereby finds that the exemption provided by this act from any ad valorem tax on property:

1. Will achieve a bona fide social or economic purpose and that the benefits of the exemption are expected to exceed any adverse effect of the exemption on the provision of services to the public by the State or a local government that would otherwise receive revenue from the tax from which the exemption would be granted; and

2. Will not impair adversely the ability of the State or a local government to pay, when due, all interest and principal on any outstanding bonds or any other obligations for which revenue from the tax from which the exemption would be granted was pledged.

Sec. 4. This act becomes effective on July 1, 2024.

Assemblywoman Backus moved the adoption of the amendment.

Remarks by Assemblywoman Backus.

Legislative Counsel's Digest:

Existing law imposes a tax upon the receipt, purchase or sale of other tobacco products by a customer in this State at a rate of 30 percent of the wholesale price of those products. (NRS 370.450) Under existing law, vapor products, including electronic cigarettes, cigars, cigarillos, pipes, hookahs, vape pens and similar products or devices and their components are taxed as other tobacco products. (NRS 370.0318, 370.450) ~~[Section]~~ **Sections 1 and 1.7** of this bill ~~[revises]~~ **revise** the definition of "vapor product" to exclude ~~[products]~~ **cannabis vaporizers** which are ~~[primarily]~~ **products that: (1) are solely** designed or intended to be used for vaporizing, ingesting, inhaling or otherwise introducing cannabis or cannabis products into the human body ~~[.]~~ **; and (2) include a clear and conspicuous label that includes certain information. Section 1.3 makes a conforming change to indicate the proper placement of section 1 in the Nevada Revised Statutes.**

Existing law imposes an excise tax at the rate of 15 percent of the fair market value at wholesale upon each wholesale sale of cannabis by a medical cannabis cultivation facility or an adult-use cannabis cultivation facility to another cannabis establishment. (NRS 372A.290) Existing law imposes an excise tax at the rate of 10 percent of the sales price of each retail sale of cannabis or cannabis products by an adult-use cannabis retail store or cannabis consumption lounge. (NRS 372A.290) **Section 7** of this bill revises the excise tax on the wholesale sale of cannabis to apply the tax only to the first wholesale sale and to provide that the tax is at the rate of 15 percent of: (1) the fair market value at wholesale for sales made to an affiliate of the medical cannabis cultivation facility or adult-use cannabis cultivation facility; or (2) the sales price, if the sale is made to a cannabis establishment that is not an affiliate of the medical cannabis cultivation facility or adult-use cannabis cultivation facility.

~~[Existing law provides for the licensing of adult-use cannabis production facilities and medical cannabis production facilities, which are authorized to acquire, possess, manufacture, deliver, transfer, supply or sell cannabis products to adult-use cannabis retail stores and medical cannabis dispensaries, respectively. (NRS 678A.060, 678A.205, 678B.210) Section 7 imposes an excise tax upon each wholesale sale of cannabis products by a cannabis production facility at a rate of 15 percent of: (1) the fair market value at wholesale for sales made to an affiliate of the cannabis production facility; or (2) the sales price, if the sale is made to a cannabis establishment that is not an affiliate of the cannabis production facility. Sections 5, 6 and 8 of this bill make conforming changes related to the imposition of the excise tax on cannabis production facilities. Section 2 of this bill defines "cannabis production facility" for the purposes of the provisions of this bill relating to excise taxes. Section 3 of this bill makes a conforming change to indicate the proper placement of section 2 in the Nevada Revised Statutes.]~~

Section 4 of this bill revises the definition of "sales price" to exclude the amount of any excise tax on cannabis or cannabis products.

Existing law requires the Department of Taxation to adopt regulations to establish procedures to determine the fair market value at wholesale of cannabis. (NRS 678B.640) **Section 9** of this bill ~~[requires the Department to also adopt regulations establishing procedures to determine the wholesale value of cannabis products and]~~ establishes certain additional requirements for the regulations adopted by the Department. **Section 9** requires the Cannabis Compliance Board to ensure that any computer software used for the seed-to-sale tracking of cannabis ~~[and cannabis products]~~ adopted by the Board includes a method to denote transfers of cannabis ~~[or cannabis products]~~ between affiliates.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 435.

AN ACT relating to prescription drugs; prohibiting ~~[a]~~ **certain** pharmacy benefit ~~[manager or]~~ **managers and** health ~~[carrier]~~ **carriers** from taking certain actions against entities that participate in a federal program to facilitate the discounted purchase of prescription drugs; prohibiting a program administered by the Department of Health and Human Services to provide therapeutics to persons with human immunodeficiency virus from taking similar actions; imposing certain limitations on the use of money available to administer the program to provide therapeutics to persons with human immunodeficiency virus; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing federal law creates a program, known as the 340B Program, by which certain hospitals and other facilities that provide health care to low-income patients are able to purchase certain drugs at discounted rates. (42 U.S.C. § 256b) Existing law prohibits a pharmacy benefit manger from prohibiting a pharmacist or pharmacy from taking certain actions to assist a person in obtaining a less expensive alternative or generic drug. (NRS 683A.179) Existing law imposes certain requirements relating to the operation of health carriers. (NRS 687B.470-687B.850) **Sections 1, 3, 6 and 7** of this bill prohibit pharmacy benefit managers and health carriers, including governmental entities that provide coverage for employees, from: (1) discriminating against a covered entity that participates in the 340B Program to purchase drugs at a discounted rate or a pharmacy that contracts with such an entity with regard to reimbursement; (2) taking certain actions to limit the ability of such an entity or pharmacy to receive the full benefit of participating in that program; (3) excluding such an entity or pharmacy from an insurance network because the entity or pharmacy participates in that program; (4) restricting the ability of a person to receive a 340B drug; or (5) taking certain other actions to limit the participation of an entity or pharmacy in the Program. **Section 1 exempts from those prohibitions a pharmacy benefit manager that manages prescription drug benefits under Medicaid where reimbursement is provided on a fee-for-service basis.** **Sections 2, 4 and 5**

of this bill make conforming changes to indicate the proper placement of **sections 1 and 3** in the Nevada Revised Statutes.

Existing law authorizes the Department of Health and Human Services to administer a program pursuant to federal law to provide therapeutics to treat certain persons who have been diagnosed with the human immunodeficiency virus. (NRS 439.529) **Section 9** of this bill prescribes certain limitations on the use of money allocated to the program. **Section 8** of this bill requires the program to take certain actions and refrain from certain activity to ensure that a covered provider that participates in the 340B Program to purchase drugs at a discounted rate or a pharmacy that contracts with such a provider receives the full benefit of participating in the Program. **Section 8** additionally prohibits the program administered by the Department from: (1) denying a request from such a covered provider or contract pharmacy to participate in the network of the program in certain circumstances; or (2) engaging in certain discrimination against a covered provider or contract pharmacy.

Amendment No. 436.

AN ACT relating to industrial insurance; revising certain requirements to make certain insurance records available for inspection; removing the requirement that certain entities maintain a telephone service to accept collect calls from injured employees; revising the circumstances under which the Administrator of the Division of Industrial Relations of the Department of Business and Industry is authorized to remove a physician or chiropractic physician from a list or panel of physicians and chiropractic physicians who may provide certain medical services relating to the Nevada Industrial Insurance Act; requiring the Administrator to publish annual and quarterly reports; authorizing certain physicians and chiropractic physicians to decline to perform certain evaluations under certain circumstances; ~~[authorizing certain injured employees to request certain additional]~~ **revising provisions relating to independent medical** examinations; revising ~~[requirements for calculating the value of certain payments pursuant to the Act]~~ **provisions relating to benefits** for a permanent partial disability; revising provisions relating to an appeal of certain determinations of the Administrator; requiring certain insurance claims to be administered by certain persons; **revising procedures for the reimbursement of an insurer that pays for an increase in certain compensation or benefits; repealing certain restrictions relating to associations of self-insured employers;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes the Nevada Industrial Insurance Act, which provides for the payment of compensation to employees who are injured or disabled as the result of an occupational injury. (Chapters 616A-616D of NRS)

Existing law requires certain insurers to maintain an office in this State that is operated by the insurer or its third-party administrator and to provide access to files relating to industrial insurance claims at that office. (NRS 616B.021, 616B.027) **Section 1** of this bill requires the insurer to make such files available for inspection and reproduction by electronic means or at an office operated by the insurer or its third-party administrator located in this State. **Section 1** also authorizes the insurer to keep physical records concerning a claim filed in this State at a location outside this State if those records are made available for inspection and reproduction in certain electronic forms or at offices located in this State.

Section 2 of this bill permits an office operated by an insurer or its third-party administrator to keep reproductions of certain files rather than the original copies. **Section 2** also removes the requirement that an insurer accept collect calls from injured employees.

Existing law requires an insurer to keep a list of physicians and chiropractic physicians from which an injured employee may choose to receive treatment and include in that list a certain number of physicians or chiropractic physicians from a panel established and maintained by the Administrator of the Division of Industrial Relations of the Department of Business and Industry. Existing law also sets forth procedures and limitations governing the removal of a physician or chiropractic physician from an insurer's list. (NRS 616C.087, 616C.090) **Section 4** of this bill expands the circumstances under which a physician or chiropractic physician may be involuntarily removed from an insurer's list and requires the Administrator to adopt regulations prescribing the format of the list which insurers must maintain. **Section 5** of this bill revises the reasons for which the Administrator may remove a physician or chiropractic physician from a panel **[.]** **and authorizes certain persons to notify the Administrator if the person believes a physician or chiropractic physician satisfies certain criteria for removal from a panel. Section 5 also authorizes a physician or chiropractic physician who is removed from a panel to reapply under certain circumstances for inclusion on the panel.**

Existing law provides that an employee who is injured by an accident arising out of and in the course of employment is entitled to receive compensation under the Act for a permanent partial disability which is rated during an evaluation by certain physicians or chiropractic physicians. (NRS 616C.490) **Section 7** of this bill revises the methodology by which those physicians or chiropractic physicians are selected to perform such an evaluation and authorizes such a physician or chiropractic physician to decline to perform an evaluation if the physician or chiropractic physician believes he or she is not qualified to rate the disability at issue. **Sections 3 and 7** of this bill require the Administrator to prepare annual and quarterly reports containing certain information about those physicians and chiropractic physicians and the frequency with which they perform such evaluations and certain other examinations.

Existing law authorizes an injured employee, subject to various requirements and restrictions, to obtain an independent medical examination concerning an injury that is the subject of a claim filed pursuant to the Act. (NRS 616C.145) **Section 6** of this bill provides that such an injured employee is entitled to request such an independent examination for a permanent partial disability to determine if the employee has a ratable impairment or to dispute the initial rating **determination** of the employee's injury. **Section 6 also identifies the method by which the rate of reimbursement relating to certain independent medical examinations must be determined and authorizes an insurer to recover the cost of a second examination to**

determine a rating of a permanent partial disability under certain circumstances.

Existing law provides that a claimant under the Act may elect to receive payment for a permanent partial disability in a lump sum under certain circumstances. (NRS 616C.495) **Section 8** of this bill requires an insurer to use the ~~[age of the claimant]~~ **actuarial annuity tables adopted by the Division that are in effect** on the date on which the claimant demands payment in a lump sum to calculate the present value of the lump sum payable.

Existing law authorizes the Administrator to order an insurer or certain other persons to pay to a claimant a benefit penalty if the Administrator determines the insurer or other person has refused to process a claim for compensation pursuant to the Act or committed certain other violations. (NRS 616D.120) Existing law authorizes a person to contest a decision of the Administrator to impose or refuse to impose a benefit penalty by filing a notice of appeal with an appeals officer. (NRS 616D.140) **Section 9** of this bill revises certain procedural requirements relating to such an appeal and authorizes a claimant on whose behalf a benefit penalty is imposed to bring a civil action to recover the amount of the benefit penalty.

Section 10 of this bill requires all claims brought pursuant to the Act or the Nevada Occupational Diseases Act to be administered by: (1) a salaried employee of an insurer located in this State; (2) a licensed adjuster located in or outside this State; or (3) a **person authorized to adjust claims under the authority of a** registered third-party administrator acting on behalf of an insurer located in or outside this State. **Section 10** also **exempts certain persons from those requirements and** requires all files relating to a claim filed pursuant to the Nevada Industrial Insurance Act or the Nevada Occupational Diseases Act to be made available for inspection at certain locations in this State or by electronic means.

Section 10.5 of this bill repeals provisions prohibiting an association's administrator employed by an association of self-insured public or private employers and a third-party administrator of an association of public or private employers from holding a financial interest in or serving as employee, officer or director of one another.

Existing law authorizes an insurer or employer who pays an annual increase in compensation for permanent total disability to a claimant or dependent who is entitled to such compensation due to certain industrial injuries or disablements to obtain reimbursement from the Administrator and sets forth the procedure for obtaining such a reimbursement. (NRS 616C.266) Similarly, existing law entitles an insurer who pays an increase in certain death benefits to a widow, widower, surviving child or surviving dependent parent to be reimbursed annually for the amount of that increase and sets forth procedures for obtaining reimbursement. (NRS 616C.268) Sections 6.3 and 6.7 of this bill revise the procedures governing the issuance of such reimbursement to an insurer and impose various requirements on the Administrator with respect to such reimbursement.

(b) The physician or chiropractic physician is no longer included in the applicable insurer's list of physicians and chiropractic physicians, provided that the physician or chiropractic physician agrees to continue to accept compensation for that treatment at the rates which:

(1) Were previously agreed upon when the physician or chiropractic physician was most recently included in the list; or

(2) Are newly negotiated but do not exceed the amounts provided under the fee schedule adopted by the Administrator.

Sec. 5. NRS 616C.090 is hereby amended to read as follows:

616C.090 1. The Administrator shall establish, maintain and update not less frequently than annually on or before July 1 of each year, a panel of physicians and chiropractic physicians who have demonstrated special competence and interest in industrial health to treat injured employees under chapters 616A to 616D, inclusive, or chapter 617 of NRS. The Administrator shall maintain the following information relating to each physician and chiropractic physician on the panel:

(a) The name of the physician or chiropractic physician.

(b) The title or degree of the physician or chiropractic physician.

(c) The legal name of the practice of the physician or chiropractic physician and the name under which the practice does business.

(d) The street address of the location of every office of the physician or chiropractic physician.

(e) The telephone number of every office of the physician or chiropractic physician.

(f) Every discipline and specialization practiced by the physician or chiropractic physician.

(g) Every condition and part of the body which the physician or chiropractic physician will treat.

2. Every employer whose insurer has not entered into a contract with an organization for managed care or with providers of health care pursuant to NRS 616B.527 shall maintain a list of those physicians and chiropractic physicians on the panel who are reasonably accessible to his or her employees.

3. An injured employee whose employer's insurer has not entered into a contract with an organization for managed care or with providers of health care pursuant to NRS 616B.527 may choose a treating physician or chiropractic physician from the panel of physicians and chiropractic physicians. If the injured employee is not satisfied with the first physician or chiropractic physician he or she so chooses, the injured employee may make an alternative choice of physician or chiropractic physician from the panel if the choice is made within 90 days after his or her injury. The insurer shall notify the first physician or chiropractic physician in writing. The notice must be postmarked within 3 working days after the insurer receives knowledge of the change. The first physician or chiropractic physician must be reimbursed only for the

services the physician or chiropractic physician, as applicable, rendered to the injured employee up to and including the date of notification. Except as otherwise provided in this subsection, any further change is subject to the approval of the insurer or by order of a hearing officer or appeals officer. A request for a change of physician or chiropractic physician must be granted or denied within 10 days after a written request for such a change is received from the injured employee. If the insurer takes no action on the request within 10 days, the request shall be deemed granted. Any request for a change of physician or chiropractic physician must include the name of the new physician or chiropractic physician chosen by the injured employee. If the treating physician or chiropractic physician refers the injured employee to a specialist for treatment, the insurer shall provide to the injured employee a list that includes the name of each physician or chiropractic physician with that specialization who is on the panel. Not later than 14 days after receiving the list, the injured employee shall select a physician or chiropractic physician from the list.

4. An injured employee whose employer's insurer has entered into a contract with an organization for managed care or with providers of health care pursuant to NRS 616B.527 must choose a treating physician or chiropractic physician pursuant to the terms of that contract. If the injured employee is not satisfied with the first physician or chiropractic physician he or she so chooses, the injured employee may make an alternative choice of physician or chiropractic physician pursuant to the terms of the contract without the approval of the insurer if the choice is made within 90 days after his or her injury. Except as otherwise provided in this subsection, any further change is subject to the approval of the insurer or by order of a hearing officer or appeals officer. A request for a change of physician or chiropractic physician must be granted or denied within 10 days after a written request for such a change is received from the injured employee. If the insurer takes no action on the request within 10 days, the request shall be deemed granted. If the injured employee, after choosing a treating physician or chiropractic physician, moves to a county which is not served by the organization for managed care or providers of health care named in the contract and the insurer determines that it is impractical for the injured employee to continue treatment with the physician or chiropractic physician, the injured employee must choose a treating physician or chiropractic physician who has agreed to the terms of that contract unless the insurer authorizes the injured employee to choose another physician or chiropractic physician. If the treating physician or chiropractic physician refers the injured employee to a specialist for treatment, the insurer shall provide to the injured employee a list that includes the name of each physician or chiropractic physician with that specialization who is available pursuant to the terms of the contract with the organization for managed care or with providers of health care pursuant to NRS 616B.527, as appropriate. Not later than 14 days after receiving the list, the injured employee shall select a physician or chiropractic physician from the list. If the employee fails to select

a physician or chiropractic physician, the insurer may select a physician or chiropractic physician with that specialization. If a physician or chiropractic physician with that specialization is not available pursuant to the terms of the contract, the organization for managed care or the provider of health care may select a physician or chiropractic physician with that specialization.

5. If the injured employee is not satisfied with the physician or chiropractic physician selected by himself or herself or by the insurer, the organization for managed care or the provider of health care pursuant to subsection 4, the injured employee may make an alternative choice of physician or chiropractic physician pursuant to the terms of the contract. A change in the treating physician or chiropractic physician may be made at any time but is subject to the approval of the insurer or by order of a hearing officer or appeals officer. A request for a change of physician or chiropractic physician must be granted or denied within 10 days after a written request for such a change is received from the injured employee. If no action is taken on the request within 10 days, the request shall be deemed granted. Any request for a change of physician or chiropractic physician must include the name of the new physician or chiropractic physician chosen by the injured employee. If the insurer denies a request for a change in the treating physician or chiropractic physician under this subsection, the insurer must include in a written notice of denial to the injured employee the specific reason for the denial of the request.

6. Except when emergency medical care is required and except as otherwise provided in NRS 616C.055, the insurer is not responsible for any charges for medical treatment or other accident benefits furnished or ordered by any physician, chiropractic physician or other person selected by the injured employee in disregard of the provisions of this section or for any compensation for any aggravation of the injured employee's injury attributable to improper treatments by such physician, chiropractic physician or other person.

9. If the Administrator receives notice pursuant to subsection 8, the Administrator shall:

(a) Conduct an investigation to determine whether the physician or chiropractic physician may remain on the panel for a discipline or specialization; and

(b) Publish or cause to be published on the Internet website of the Division not later than 90 days after receiving the notice the results of the investigation.

10. A physician or chiropractic physician who is removed pursuant to paragraph (b) of subsection 7 from a discipline or specialization on a panel may request, on a form prescribed by the Administrator, to be reinstated on a panel for that discipline or specialization if the physician or chiropractic physician demonstrates to the satisfaction of the Administrator that he or she accepts and treats injured employees for that discipline or specialization.

(a) If the insurer provides written authorization for such treatment; or

(b) By order of a hearing officer or appeals officer.

(b) Unless the insurer and the injured employee otherwise agree to a rating physician or chiropractic physician:

(1) The insurer shall select the rating physician or chiropractic physician from the list of qualified rating physicians and chiropractic physicians designated by the Administrator, to determine the percentage of disability in accordance with the American Medical Association's Guides to the Evaluation of Permanent Impairment as adopted and supplemented by the Division pursuant to NRS 616C.110.

(e) Any claimant injured on or after January 1, 2016, and before July 1, 2017, who incurs a disability that:

(1) Does not exceed 30 percent may elect to receive his or her compensation in a lump sum.

(2) Exceeds 30 percent may elect to receive his or her compensation in a lump sum equal to the present value of an award for a disability of 30 percent.

If the claimant elects to receive compensation pursuant to this subparagraph, the insurer shall pay in installments to the claimant that portion of the claimant's disability in excess of 30 percent.

(f) Any claimant injured on or after July 1, 2017, who incurs a disability that exceeds 30 percent may elect to receive his or her compensation in a lump sum equal to the present value of an award for a disability of up to 30 percent. If the claimant elects to receive compensation pursuant to this paragraph, the insurer shall pay in installments to the claimant that portion of the claimant's disability in excess of 30 percent.

(g) If the permanent partial disability rating of a claimant seeking compensation pursuant to this section would, when combined with any previous permanent partial disability rating of the claimant that resulted in an award of benefits to the claimant, result in the claimant having a total permanent partial disability rating in excess of 100 percent, the claimant's disability rating upon which compensation is calculated must be reduced by such percentage as required to limit the total permanent partial disability rating of the claimant for all injuries to not more than 100 percent.

2. If the claimant elects to receive his or her payment for a permanent partial disability in a lump sum pursuant to subsection 1, all of the claimant's benefits for compensation terminate. Except as otherwise provided in paragraph (d), the claimant's acceptance of that payment constitutes a final settlement of all factual and legal issues in the case. By so accepting the claimant waives all of his or her rights regarding the claim, including the right to appeal from the closure of the case or the percentage of his or her disability, except:

(a) The right of the claimant to:

(1) Reopen his or her claim in accordance with the provisions of NRS 616C.390; or

(2) Have his or her claim considered by his or her insurer pursuant to NRS 616C.392;

(b) Any counseling, training or other rehabilitative services provided by the insurer;

(c) The right of the claimant to receive a benefit penalty in accordance with NRS 616D.120; and

(d) The right of the claimant to conclude or resolve any contested matter which is pending at the time that the claimant executes his or her election to receive his or her payment for a permanent partial disability in a lump sum. The provisions of this paragraph do not apply to:

(1) The scope of the claim;

(2) The claimant's stable and ratable status; and

(3) The claimant's average monthly wage.

3. The claimant, when he or she demands payment in a lump sum pursuant to subsection 2, must be provided with a written notice which prominently displays a statement describing the effects of accepting payment in a lump sum of an entire permanent partial disability award, any portion of such an award

or any uncontested portion of such an award, and that the claimant has 20 days after the mailing or personal delivery of the notice within which to retract or reaffirm the demand, before payment may be made and the claimant's election becomes final.

4. Any lump-sum payment which has been paid on a claim incurred on or after July 1, 1973, must be supplemented if necessary to conform to the provisions of this section.

5. Except as otherwise provided in this subsection, the total lump-sum payment for disablement must not be less than one-half the product of the average monthly wage multiplied by the percentage of disability. If the claimant received compensation in installment payments for his or her permanent partial disability before electing to receive payment for that disability in a lump sum, the lump-sum payment must be calculated for the remaining payment of compensation.

6. The lump sum payable must be equal to the present value of the compensation awarded, less any advance payment or lump sum previously paid. The present value must be calculated using monthly payments in the amounts prescribed in subsection 8 of NRS 616C.490 and actuarial annuity tables adopted by the Division. The tables must be reviewed annually by a consulting actuary and must be adjusted accordingly on July 1 of each year by the Division using:

(a) The most recent unisex "Static Mortality Tables for Defined Benefit Pension Plans" published by the Internal Revenue Service; and

(b) The average 30-Year Treasury Constant Maturity Rate for March of the current year as reported by the Board of Governors of the Federal Reserve System.

7. ~~***[The]***~~ ***To calculate the present value of a lump sum payable to a claimant, the insurer shall use the*** ~~***[age of the claimant]***~~ ***actuarial annuity tables adopted by the Division that are in effect on the date on which the claimant demands payment in a lump sum*** ***.*** ~~***[to calculate the present value of the lump sum payable.]***~~

8. If a claimant would receive more money by electing to receive compensation in a lump sum than the claimant would if he or she receives installment payments, the claimant may elect to receive the lump-sum payment.

Sec. 9. NRS 616D.140 is hereby amended to read as follows:

616D.140 1. If a person wishes to contest a decision of the Administrator to impose or refuse to impose a benefit penalty pursuant to NRS 616D.120, the person must file a notice of appeal with an appeals officer in accordance with this section. The notice of appeal must set forth the reasons the proposed benefit penalty should or should not be imposed.

2. A person who is aggrieved by:

(a) A written determination of the Administrator; or

(b) The failure of the Administrator to respond within 90 days to a written request mailed to the Administrator by the person who is aggrieved,

➥ may appeal from the determination or failure to respond by filing a request for a hearing before an appeals officer. The request must be filed within 30 days after the date on which the notice of the Administrator's determination was mailed by the Administrator or within ~~[100]~~ ***120*** days after the date on which the unanswered written request was mailed to the Administrator, as applicable. The failure of the Administrator to respond to a written request for a determination within 90 days after receipt of the request shall be deemed by the appeals officer to be a denial of the request. ***After the expiration of the 90-day period after the receipt of the request, the Administrator shall have no further jurisdiction to issue a determination concerning the request*** ~~[.]~~ ***, and only the appeals officer shall have jurisdiction over the decision to impose or refuse to impose the benefit penalty.***

3. If a notice of appeal is not filed as required by this section, the imposition of or refusal to impose the benefit penalty shall be deemed a final order and is not subject to review by any court or agency.

4. A hearing held pursuant to this section must be conducted by the appeals officer as a hearing de novo. The appeals officer shall render a written decision on the appeal. Except as otherwise provided in this section, the provisions of NRS 616C.345 to 616C.385, inclusive, apply to an appeal filed pursuant to this section.

5. A benefit penalty imposed pursuant to NRS 616D.120 must be paid to the claimant on whose behalf it is imposed. If such a payment is not made within the period required by NRS 616D.120, the benefit penalty may be recovered in a civil action brought by the Administrator ~~[on behalf of]~~ ***or*** the claimant in a court of competent jurisdiction in the county in which the claimant resides, in which the violation occurred or in which the person who is required to pay the benefit penalty has his or her principal place of business.

6. Any party aggrieved by a decision issued pursuant to this section by an appeals officer may appeal the decision directly to the district court.

Sec. 10. Chapter 684A of NRS is hereby amended by adding thereto a new section to read as follows:

Sec. 11. 1. This section becomes effective upon passage and approval.

2. Sections 1 to ~~[10,]~~ **10.5,** inclusive, of this act become effective:

(a) Upon passage and approval for the purpose of adopting any regulations and performing any other preparatory administrative tasks that are necessary to carry out the provisions of this act; and

2. If so, the Board shall:***

(a) Provide to an appropriate law enforcement agency the information contained in the complaint; and

~~[7.]~~ ***8. A law enforcement agency shall notify the Board of any report received by the law enforcement agency that alleges that a physician, perfusionist, physician assistant or practitioner of respiratory care has committed an act which, if proven, would constitute domestic violence pursuant to NRS 33.018 or sexual assault pursuant to NRS 200.366.***

9. The Board shall retain all complaints filed with the Board pursuant to this section for at least 10 years, including, without limitation, any complaints not acted upon.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 339.

AN ACT relating to child welfare; establishing various provisions governing proceedings relating to the custody, adoption or protection of Indian children or the termination of parental rights; **revising certain provisions concerning the State Register for Adoptions;** requiring the Division of Child and Family Services of the Department of Health and Human Services to adopt various regulations; requiring an agency which provides child welfare services to provide certain training for its personnel; requiring the Division and the Court Administrator to submit certain reports to the Chairs of the Senate and Assembly Standing Committees on Judiciary; authorizing the Supreme Court and the Court Administrator to adopt certain rules; repealing certain unnecessary provisions; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The federal Indian Child Welfare Act, 25 U.S.C. §§ 1901 et seq., was enacted in 1978 to protect Indian children from the removal from their homes and families and gives Indian tribes jurisdiction over the Indian children within their tribe. Existing Nevada law recognizes the jurisdiction of Indian tribes in various proceedings relating to the custody, adoption or protection of Indian children or the termination of parental rights. (NRS 3.223, 62D.210, 125A.215, 127.010, 127.018, 128.020, 128.023, 432B.410, 432B.425) This bill establishes various provisions governing proceedings relating to the custody, adoption or protection of Indian children or the termination of parental rights to provide additional protections for Indian children in state law.

Sections ~~[2-39]~~ **2-38** of this bill establish provisions concerning proceedings in which the legal or physical custody of an Indian child is an issue. **Section 2** of this bill explains the legislative intent of **sections** ~~[2-39.]~~ **2-38. Sections** ~~[4-17]~~ **3.5-17** of this bill define terms for the purposes of **sections** ~~[2-39.]~~ **2-38. Section 18** of this bill provides that a person has custody of an Indian child if the person has physical or legal custody of the Indian child under any applicable tribal law, tribal custom or state law. ~~[Section 18 also sets forth the persons who have or are presumed to have continued custody of an Indian child. Section 19 of this bill establishes the circumstances in which a man's parentage of an Indian child is acknowledged or established.]~~

Section 20 of this bill requires a court to consider certain factors, in consultation with the Indian child's tribe, when making a determination regarding the best interests of the Indian child in a child custody proceeding.

Section 21 of this bill establishes the order of priority for the domicile of an Indian child.

Section 22 of this bill requires the ~~[Division of Child and Family Services of the Department of Health and Human Services (hereinafter "Division")]~~ **appropriate agency which provides child welfare services** to: (1) provide assistance with enrolling an Indian child who is a child in need of protection or who may be in need of protection in a tribe with which the child is eligible for enrollment unless the Indian child's parent objects; and (2) notify the Indian child's parent of his or her right to object to such assistance from the ~~[Division.]~~ **agency.**

Section 23 of this bill sets forth the manner in which the tribe of an Indian child is determined for purposes of a child custody proceeding involving the Indian child and, if the Indian child is a member of or eligible for membership with more than one tribe, requires the court to designate the tribe with which the Indian child has the more significant contacts by considering certain factors.

Section 24 of this bill requires a court to: (1) determine, in any child custody proceeding involving an Indian child, the residence and domicile of the Indian child and whether he or she is a ward of a tribal court; and (2) communicate with any tribal courts to the extent necessary to make such determinations.

Section 25 of this bill requires ~~[the Division]~~ **agencies which provide child welfare services** to make a good faith effort to enter into a tribal-state agreement with any Indian tribe in Nevada and authorizes ~~[the Division]~~ **such agencies** to enter into a tribal-state agreement with any Indian tribe outside of Nevada if the tribe has significant numbers of Indian children who reside in Nevada and are members of or eligible for membership with the tribe. **Section 25** also establishes provisions concerning the contents of and requirements regarding such tribal-state agreements.

Section 26 of this bill provides that the jurisdiction of a court in a child custody proceeding involving an Indian child is concurrent with the jurisdiction of the tribe of the Indian child. **Section 26** also establishes the circumstances in which the tribe of an Indian child has exclusive jurisdiction in such cases **.** ~~[or can limit a court's exercise of jurisdiction.]~~

Section 27 of this bill requires, in general, a court to transfer a child custody proceeding involving an Indian child if the parent, Indian custodian or tribe of the Indian child petitions the court to transfer the proceeding to tribal court. **Section 27** also ~~[sets forth the circumstances in which transfer of the proceeding is inappropriate and]~~ establishes various other provisions regarding such a transfer and the denial of such a transfer by the court. **Section 28** of this bill sets forth the actions that a court is required to take upon granting a transfer motion under **section 27**.

Section 29 of this bill establishes requirements for certain persons and the court with regard to determining whether a child is an Indian child in child custody proceedings.

Section 30 of this bill ~~[requires that in an emergency proceeding, the person taking a child into protective custody must make a good faith effort to determine whether there is reason to know that the child is an Indian child and contact any tribe of which the child is or may be a member. Section 30]~~ provides that in a child custody proceeding, if a person is required to determine whether a child is an Indian child, the person is required to make a good faith effort to make such a determination by consulting ~~[, at a minimum,]~~ with certain persons. **Section 30** also establishes the circumstances in which a court or person has reason to know that a child is an Indian child and imposes certain requirements on a court concerning the procedure for verifying whether a child is an Indian child.

3. Bill read second time.

The following amendment was proposed by the Committee on Revenue:

Amendment No. 446.

SUMMARY— ~~[Enacts provisions to provide a property tax credit under certain circumstances.]~~ **Authorizes a credit or refund of property taxes under certain circumstances when an applicable partial abatement of taxes was not applied or claimed.** (BDR 32-767)

AN ACT relating to taxation; ~~[authorizing a taxpayer to obtain a credit against property taxes owed by the taxpayer under certain circumstances]~~ **revising provisions governing the correction of the tax roll and issuance of credits or refunds of property taxes** when an applicable partial abatement of taxes was not applied or claimed; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides a partial abatement of the property taxes levied on property for which an assessed valuation has previously been established, a remainder parcel of real property, ~~[certain]~~ single-family residences **that are the primary residence of the owner** and certain residential rental dwellings. These partial abatements have the effect of establishing an annual cap on increases in property taxes. (NRS 361.4722, 361.4723, 361.4724) Under existing law, if ~~[a taxpayer is aggrieved by a determination of the applicability of such a partial abatement, the taxpayer is authorized to submit a petition to the county assessor of the county in which the property is located for the review of that determination, and such a petition must be submitted on or before June 30 of the fiscal year for which the partial abatement is applied. (NRS 361.4734) This bill authorizes a taxpayer who, for the immediately preceding fiscal year, paid a greater amount of property taxes than would have otherwise been due because an applicable partial abatement was not applied or claimed, to petition the county assessor for a credit against property taxes due for the next fiscal year. Under this bill, any such credit may be carried forward to subsequent fiscal years.]~~ **the county assessor of a county notifies the county treasurer that a taxpayer is entitled, for the current fiscal year, to the partial abatement for a single-family residence that is the primary residence of the owner, but that the taxpayer failed to claim that partial abatement within the required period for good cause, the county treasurer is authorized, with the concurrence of the county assessor and without the approval of the board of county commissioners, to provide a credit or refund to the taxpayer, as the county treasurer deems appropriate. (NRS 361.4734, 361.733; NAC 361.6055) This bill: (1) expands this provision by authorizing the county treasurer to make such a correction to the tax roll and issue such a credit or refund to a taxpayer if the county assessor notifies the county treasurer that the taxpayer is entitled that partial abatement for the immediately preceding fiscal year; and (2) removes the requirement to establish good cause for such a correction.**

SECOND READING AND AMENDMENT

Assembly Bill No. 198.

Bill read second time.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 526.

AN ACT relating to health care; ~~[providing for the registration of providers of health care who are not licensed in this State to provide services through telehealth to patients located in this State and for the regulation of such providers; establishing proper venue for a civil action arising out of the provision of a service through telehealth; revising the circumstances under which a provider of health care is authorized to provide services through telehealth to a patient located in this State; abolishing certain licensure to practice medicine; providing for the licensure]~~ **enacting provisions governing the certification and regulation** of certified registered nurse anesthetists ~~[as advanced practice registered nurses; authorizing such an advanced practice registered nurse to order and select]~~ **; authorizing a certified registered nurse anesthetist to order, prescribe, possess and administer** controlled substances, poisons**, ~~[and]~~** dangerous drugs **and devices** under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Existing law: (1) requires a provider of health care to be licensed in this State in order to use telehealth to direct or manage the care or render a diagnosis of a patient who is located at an originating site in this State or write a treatment order or prescription for such a patient; and (2) provides that a provider of health care who uses telehealth for those purposes is subject to the laws and jurisdiction of this State. Existing law additionally authorizes the establishment of a provider patient relationship through telehealth. (NRS 629.515)~~

~~— Sections 2-19 of this bill enact the Uniform Telehealth Act. Section 2 of this bill labels the Uniform Act as such. Sections 3-10 of this bill define certain terms for the purposes of the Uniform Act. Section 11 of this bill provides that the provisions of this bill apply to the provision of services through telehealth to a patient who is located in this State exclusively.~~

~~— Section 19 of this bill removes existing provisions requiring a provider of health care to be licensed in this State in order to direct or manage care or issue a prescription or treatment order. Instead, section 19 authorizes a provider of health care to provide services through telehealth to a patient who is located in this State if the provider: (1) is licensed in this State; (2) is registered with the appropriate licensing board to provide services through telehealth to patients in this State; or (3) provides services through telehealth on certain limited bases. Section 12 of this bill deems a provider of health care who is registered with the appropriate licensing board to provide services through telehealth to patients in this State to be licensed in this State if he or she practices only within the scope of the registration. Section 12 also provides that such registration satisfies certain requirements relating to supervision and the control of entities that provide health care. Section 13 of this bill prescribes the requirements to obtain such registration, which include: (1) holding an active, unrestricted license to practice the relevant profession in another state; (2) not being subject to pending discipline; (3) not having been disciplined for certain infractions in the immediately preceding 5 years, or certain other infractions at any time; and (4) having professional liability insurance that covers the provision of services through telehealth. Section 13 also requires a licensing board to make information concerning registrants publicly available in the same manner as information concerning licensees.~~

~~— Section 14 of this bill: (1) authorizes a licensing board to adopt regulations to carry out the Uniform Act; and (2) prohibits a licensing board from adopting certain regulations that restrict the use of telehealth. Section 15 of this bill prescribes the grounds for disciplinary action against a registrant and the disciplinary actions that a licensing board is authorized to impose. Section 16 of this bill requires a registrant to: (1) notify the relevant licensing board of any pending investigation or any restriction or disciplinary action imposed against the registrant in another state; and (2) maintain liability insurance that covers the provision of services through telehealth. Section 16 also prohibits a registrant from opening or maintaining an office in this State or providing in-person services to patients in this State.~~

~~— Section 17 of this bill provides that: (1) the provision of a telehealth service is deemed to occur at the location of the patient at the time the service is provided; and (2) in a civil action arising out of the provision of a telehealth service, venue is proper in the patient's county of residence in this State or in another county authorized by law. Section 18 of this bill requires a court, in applying and construing the provisions of the Uniform Act, to consider the promotion of uniformity of law among the jurisdictions that enact the Uniform~~

~~Act. Sections 21, 25, 29, 31, 34-40 and 43-51 of this bill make conforming changes to revise references to certain definitions moved by this bill.~~

~~Existing law creates a special purpose license to practice medicine only using equipment that transfers information electronically, telephonically or by fiber optics. (NRS 630.261) Sections 22 and 23 of this bill abolish this license because it is duplicative of registration to provide services through telehealth under the Uniform Act.]~~

Existing law provides for the certification of certified registered nurse anesthetists, who are registered nurses who: (1) have completed a nationally accredited program in the science of anesthesia; and (2) administer anesthetic agents to a person under the care of a licensed physician, a licensed dentist or a licensed podiatric physician. (NRS 632.014)

~~[Existing law also provides for the licensure of advanced practice registered nurses, who are registered nurses who: (1) have completed certain training regarding medical diagnosis, therapeutic or corrective measures and prescribing controlled substances, poisons, dangerous drugs and devices; and (2) meet certain other requirements. (NRS 632.237) Section 24 of this bill provides for the licensure of certified registered nurse anesthetists, as a type of advanced practice registered nurse.]~~ **Section 2 of this bill requires the State Board of Nursing to issue a certificate of registration to practice as a certified registered nurse anesthetist to a registered nurse who meets the requirements prescribed by existing law for such certification and any additional requirements prescribed by the Board. Section 2 also requires the Board to adopt regulations governing certified registered nurse anesthetists.**

Existing law authorizes a registered nurse to possess and administer controlled substances and dangerous drugs under certain circumstances. (NRS 453.375, 454.213) Sections ~~[24, 30, 32, 33, 41 and 42]~~ **3, 5, 10 and 16** of this bill **additionally** authorize ~~[such an advanced practice registered nurse]~~ **a certified registered nurse anesthetist** to order **, prescribe, possess and administer** controlled substances, poisons **,** ~~[and]~~ dangerous drugs ~~[only for use during the period surrounding an operation or birth. Sections 24 and 27 of this bill provide that certain provisions of existing law governing advanced practice registered nurses do not apply to an advanced practice registered nurse who practices as a certified registered nurse anesthetist. Sections 20, 26 and 54 of this bill remove references to certification or approval as a certified registered nurse anesthetist. Section 28 of this bill requires the State Board of Nursing to disseminate a technical advisory bulletin concerning the prescribing of controlled substances to advanced practice registered nurses who practice as certified registered nurse anesthetists if that bulletin is not available on the Internet.]~~ **and devices to treat a person under the care of a licensed physician, a licensed dentist or a licensed podiatric physician before, during and after surgery or childbirth. Sections 6-9 and 11-15 of this bill make additional changes necessary to authorize a certified registered nurse anesthetist to order, prescribe, possess and administer**

controlled substances, poisons, dangerous drugs and devices in such circumstances. A certified registered nurse anesthetist who unlawfully possesses, prescribes or administers a controlled substance, dangerous drug or poison would be subject to discipline and criminal and civil penalties to the same extent as other practitioners who unlawfully possess, prescribe or administer such drugs. (NRS 453.236, 453.305, 453.326, 453.3363, 453.553, 454.170, 454.356)

Section 4 of this bill makes a conforming change to remove a provision now duplicated in section 2.

It also requires the establishment of a program to assist with the costs related to connecting to community sewerage and includes other important provisions.

ASSEMBLYWOMAN NEWBY:

It is with great conflict that I rise to speak about Assembly Bill 220. Many homeowners in my district have contacted me in opposition to the bill and the requirements it puts on homeowners, many of whom have installed septics at great expense and are on a fixed income.

I certainly appreciate the willingness of the sponsor, my colleague from Assembly District 15, and representatives from SNWA [Southern Nevada Water Authority] and the water district to amend this bill to cover at least 85 percent of the costs of the conversion. I am appreciative of that, but I still would like to get to 100 percent. I am voting yea on this bill today in order to preserve my opportunity and the opportunity for Assembly District 10 to continue this conversation and continue pushing forward for that 100 percent coverage. Thank you to everyone who has worked with me and with my district thus far.

ASSEMBLYMAN HAFEN:

I would like to disclose that this is going to have a direct impact on a number of my family members. Though I appreciate getting it up to 85 percent, I cannot support this at this time. Like my colleague, I do hope they are able to get it to 100 percent on the Senate side. Therefore, I will be a no, and I urge my colleagues to also be a no today.

I want to say that I could not be more proud to carry this bill. This bill extends coverage to our first responders so that we can take care of them the way they take care of us. I urge my colleagues to vote yes.

ASSEMBLYWOMAN BROWN-MAY:
Assembly Bill 426 exempts commercial advertising for special events, as those events are defined in the bill, from placement restrictions on or above any highway. The bill allows for such exemptions if certain conditions are met, including prior authorization, the execution of a written agreement that the advertising will not constitute a hazard, and that the advertising will not be used for more than 14 consecutive days.

ASSEMBLYWOMAN SUMMERS-ARMSTRONG:
I rise in support of this bill, but I also want to make something clear. As we are growing as a state and becoming more and more attractive to these large events, we have a problem that we need to deal with, which is human trafficking and domestic violence, which increase during these special events. I am hopeful that as we move forward, our organizations that are advertising can put money aside to go toward organizations that are on the ground during these events, supporting immediate response. I hope we will have more discussion about this in the Senate. I did bring it up in Growth and Infrastructure but do not see it addressed in the amendment. I am still very concerned about that issue.

Remarks by Assemblyman Koenig.

ASSEMBLYMAN KOENIG:
Assembly Bill 432 makes various changes to optometry. The bill defines a comprehensive eye examination and prohibits certain persons from owning or controlling an optometry practice. The bill prohibits the issuance of a prescription for a corrective lens, engaging in synchronous or asynchronous optometric telemedicine, and monitoring a patient remotely, unless the optometrist has performed a comprehensive exam on the patient in the previous two-year period. The bill

outlines the parameters of optometric telemedicine. The measure restricts optometric telemedicine to procedures and interactions that meet the standard of care.

Assembly Bill 432 also clarifies the transfer of ownership of an optometric practice upon the death of the owner and offers the heirs a one-year period to sell or dissolve the practice; provides standards for the supervision of interns and residents who have not yet obtained a license to practice in Nevada; provides a reduced rate for the initial issuance of a license for veterans; and allows the Nevada State Board of Optometry to issue a citation as an additional disciplinary tool.

This bill is effective on October 1, 2023.

REPORTS OF COMMITTEES

Mr. Speaker:

Your Committee on Legislative Operations and Elections, to which was referred Assembly Bill No. 66, has had the same under consideration, and begs leave to report the same back with the recommendation: Amend, and do pass as amended.

MICHELLE GORELOW, *Chair*

SECOND READING AND AMENDMENT

Assembly Bill No. 66.

Bill read second time.

The following amendment was proposed by the Committee on Legislative Operations and Elections:

Amendment No. 385.

AN ACT relating to ethics in government; making various changes relating to the provisions governing ethics in government; **enacting the Nevada Legislative Ethics Law; providing penalties;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

With certain exceptions, the Nevada Ethics in Government Law (Ethics Law) governs the conduct of public officers and employees and, in certain circumstances, former public officers and employees after the end of their period of public service or employment. The Ethics Law is carried out and enforced by the Commission on Ethics, which is authorized to issue opinions interpreting the statutory ethical standards established by the Ethics Law and applying those standards to a given set of facts and circumstances. The Ethics Law also authorizes any state agency or the governing body of a county or city to establish a specialized or local ethics committee to complement the functions of the Ethics Commission. (Chapter 281A of NRS)

Under the Ethics Law, the Commission is required to annually elect a Chair and Vice Chair who are assigned certain powers, functions and duties. (NRS 281A.210, 281A.220, 281A.240, 281A.300) **Sections 2 and 17** of this bill provide for the Chair's powers, functions and duties to be assigned for a

particular matter to the Vice Chair or another member of the Commission under certain circumstances. **Section 17** also specifies that the Chair and Vice Chair be elected at the first fiscal meeting of each year. **Section 8** of this bill authorizes the Chair, with certain exceptions, to grant not more than one extension of ~~[a]~~ **any** time ~~[limitation]~~ **limit** set forth in the Ethics Law ~~[.]~~ **, but the Chair cannot grant an extension of any time limit in the statute of limitations.** **Sections 31, 35 and 37-39** of this bill make conforming changes consistent with the authority of the Chair to grant ~~[such an extension.]~~ **the authorized extensions.**

Sections 3-5 of this bill define certain terms relating to proceedings before the Commission and the statutory ethical standards established by the Ethics Law. **Sections 10, 14 and 46** of this bill make conforming changes to incorporate these definitions into the chapter.

Section 6 of this bill: (1) restates more clearly the existing scope and applicability of the statutory ethical standards to the conduct of current and former public officers and employees; and (2) codifies the existing rule of construction that the standards are cumulative and supplement each other.

Under Nevada's Open Meeting Law, the Commission may receive information regarding any litigation from its legal counsel and deliberate toward a decision regarding the litigation without holding a public meeting that complies with the Open Meeting Law. (NRS 241.015) **Section 7** of this bill provides that during any period in which proceedings concerning a request for an advisory opinion or an ethics complaint are confidential under the Ethics Law, the Open Meeting Law does not apply to any meetings, hearings, deliberations or actions of the Commission involving: (1) any decisions in litigation related to the request for an advisory opinion or the ethics complaint; and (2) any delegation of authority to make such decisions in the litigation. **Section ~~[49]~~ 107** of this bill makes a conforming change to indicate this additional exception to the Open Meeting Law.

The Ethics Law requires public officers to execute and timely file with the Commission written acknowledgments that they have received, read and understood the statutory ethical standards and that they have a responsibility to become familiar with any amendments to those standards. (NRS 281A.500) **Section 9** of this bill requires the appropriate appointing authorities and administrative officials at the state and local level to: (1) compile a list of the public officers within their purview who are required to file the written acknowledgment of the statutory ethical standards; and (2) submit the list annually to the Commission.

Under the Ethics Law, the Commission is authorized to make a decision relating to a matter or proceeding before the Commission and provide a written advisory opinion or written opinion in response to an ethics complaint. (NRS 281A.670-281A.760) **Sections 11, 12, 15, 18, 19, 22, 24, 26, 28, 30-32, 34, 36-41 and 47** of this bill make various changes to distinguish between rendering a decision and issuing a written advisory opinion or issuing an opinion in response to an ethics complaint.

The Ethics Law prohibits public officers and employees from engaging in certain unethical conduct, including conduct that benefits any persons to whom they have a commitment in a private capacity. (NRS 281A.400, 281A.420) Existing law defines the persons to whom public officers and employees have a "commitment in a private capacity" to include: (1) the spouse or domestic partner of the public officer or employee, any member of his or her household or any relative within the third degree of consanguinity or affinity; (2) any person who employs the public officer or employee, his or her spouse or domestic partner or any member of his or her household; (3) any person with whom the public officer or employee has a substantial and continuing business relationship; or (4) any person with whom the public officer or employee has any other commitment, interest or relationship that is substantially similar to the foregoing commitments, interests or relationships. (NRS 281A.065) **Section 13** of this bill makes technical revisions to the definition of "commitment in a private capacity" that do not change the substantive meaning of the term.

The Ethics Law requires the Chair to appoint review panels, consisting of three members of the Commission to review ethics complaints during the investigatory stage of the proceedings, and if a review panel determines that there is just and sufficient cause for the Commission to render an opinion in a matter, the members of the review panel generally cannot participate in any further proceedings of the Commission relating to the matter. (NRS 281A.220) However, the Ethics Law allows the members of the review panel to authorize the development of and approve a deferral agreement in the proceedings. (NRS 281A.730) **Section 18 of this bill** also allows one or more members of a review panel to participate as mediators or facilitators in any settlement negotiations with the consent of the parties during a specified period.

The Ethics Law requires the Commission ~~[on Ethics]~~ to appoint and prescribe the duties of the Commission Counsel, who is the legal advisor to the Commission and generally acts as legal counsel in any litigation in which the Commission or its members or staff are parties in an official capacity. (NRS 281A.250, 281A.260) **Section 20** of this bill: (1) specifies the powers and duties of the Commission Counsel regarding any litigation in which the Commission or its members or staff are parties in an official capacity; and (2) clarifies that the Commission Counsel does not represent the interests of the Executive Director of the Commission in a judicial action or proceeding in which the Executive Director is named as a party to the action or proceeding based on the conduct of the Executive Director in his or her official ~~[conduct]~~ **capacity** as a party to an adjudicative proceeding.

The Ethics Law sets forth the jurisdiction of the Commission to investigate and take action regarding an alleged violation of the Ethics Law in any proceeding commenced by an ethics complaint if the ethics complaint is filed or initiated within 2 years after the alleged violation or reasonable discovery of the alleged violation. (NRS 281A.280) **Section 21** of this bill similarly provides that the Commission has jurisdiction to gather information and issue

an advisory opinion ~~[and investigate and take action]~~ regarding ~~[an alleged violation for]~~ past conduct ~~[relating to the realization of a financial benefit]~~ that has occurred within 2 years before the date on which the request for an advisory opinion is filed~~. [or before]~~

The Ethics Law authorizes the Commission to impose certain penalties, fees and costs against a person who prevents or interferes with, or attempts to prevent or interfere with, any investigation or proceeding under the Ethics Law or the discovery of a violation of the Ethics Law. (NRS 281A.790) Section 21 of this bill provides that the Commission has jurisdiction to investigate and take appropriate action regarding such an alleged violation in any proceeding commenced by a written notice of the charges within 2 years after the alleged violation or reasonable discovery of the alleged violation.

Existing law requires the Commission to publish a manual explaining the Ethics Law. **Section 22** of this bill replaces this requirement with a requirement to publish materials to educate public officers and employees on the Ethics Law.

Section 23 of this bill: (1) authorizes the administration of oaths by a member of the Commission when appointed by the Chair to preside over any meetings, hearings or proceedings or by a certified court reporter; (2) authorizes the Chair to issue a subpoena during the course of an investigation for certain information; and (3) provides that any court proceeding commenced relating to a subpoena is deemed good cause for the Chair to grant an extension of the time ~~[limitations]~~ **limits** that apply to proceedings concerning ethics complaints.

The Ethics Law ~~[contains a general provision that]~~ prohibits public officers and employees from using governmental time, property, equipment or other facility to benefit a significant personal or pecuniary interest of the public officers and employees or any persons to whom they have a commitment in a private capacity. ~~[By contrast, the Ethics Law also contains a specific provision that prohibits State Legislators from using governmental time, property, equipment or other facility for a nongovernmental purpose or for the private benefit of the Legislators or any other persons. Both of these prohibitions contain separate]~~ **The Ethics Law also contains certain** limited-use exceptions that allow a limited use of governmental property, equipment or other facility for personal purposes if the limited use meets certain requirements. (NRS 281A.400) **Section 25** of this bill revises these prohibitions and limited-use exceptions in several ways.

First, ~~[section 25 aligns the prohibitions so they employ the same prohibitive language for Legislators and other public officers and employees. As a result, subject to the limited-use exceptions, section 25 prohibits all public officers and employees from using governmental time, property, equipment or other facility to benefit a significant personal or pecuniary interest of the public officers and employees or any persons to whom they have a commitment in a private capacity.~~

~~– Second, with regard to the limited use exceptions that apply to public officers and employees other than Legislators,~~ one of the existing requirements for the **limited-use** exceptions is that the public officer or employee who is responsible for and has authority to authorize the limited use for personal purposes must have established a policy allowing the limited use. (NRS 281A.400) **Section 25** clarifies the exception by providing that the limited use must be authorized by a written policy which was adopted before the limited use occurs.

~~[Finally, with regard to the limited use exceptions that apply to Legislators and other public officers and employees,]~~ **Second,** one of the existing requirements for the **limited-use** exceptions is that the limited use for personal purposes must not create the appearance of impropriety. (NRS 281A.400) **Section 25** defines the term "appearance of impropriety" to mean a reasonable person would find, based on the given set of facts and circumstances, that the limited use for personal purposes is inappropriate, disproportionate, excessive or unreasonable under that given set of facts and circumstances.

The Ethics Law prohibits public officers and employees from using their position in government to secure or grant any unwarranted privileges, preferences, exemptions or advantages for themselves, any business entity in which they have a significant pecuniary interest or any person to whom they have a commitment in a private capacity. (NRS 281A.400) **Section 25** also adds to the statutory ethical standards a prohibition against public officers and employees using their position or power in government to take actions or compel a subordinate to take any actions that would cause unwarranted harm or damage to another person to benefit ~~[the]~~ **a** significant ~~[pecuniary interest or]~~ personal **or pecuniary** interest of the public officer or employee or ~~[of]~~ any person to whom the public officer or employee has a commitment in a private capacity.

With certain exceptions, the Ethics Law prohibits public officers and employees from acting upon a matter in which their personal or private interests may create potential conflicts of interests unless, at the time the matter is considered, they make a disclosure that is sufficient to inform the public of their potential conflicts of interests. (NRS 281A.420) **Section 27** of this bill provides that, when public officers and employees make such a public disclosure, they are not required to disclose any information which is confidential under the terms of a contract or as a matter of law, such as a result of an attorney-client relationship, if they: (1) disclose all nonconfidential information and describe the general nature of the contract or law; and (2) abstain from acting upon the matter.

The Ethics Law allows certain public officers to represent or counsel private persons for compensation before state or local agencies in which they do not serve. In addition, although the Ethics Law requires public officers to disclose such private representation or counseling when it may create potential conflicts of interests with their public duties, they are not required to abstain from acting on a matter because of those potential conflicts of interests. (NRS 281A.410,

281A.420) **Section 27** requires public officers to abstain from acting on a matter under certain circumstances when such private representation or counseling results in conflicts of interests with their public duties.

The Ethics Law prohibits certain former public officers and employees, for a 1-year "cooling-off" period after the termination of their public service or employment, from soliciting or accepting private employment from any entities regulated or awarded certain contracts by the agencies that employed the former public officers and employees. However, the Ethics Law also allows the Commission to grant relief from the strict application of the prohibition in specified circumstances. (NRS 281A.550) **Section 28** provides that: (1) certain current and former public officers and management-level public employees are subject to the "cooling-off" period both during and after their public service or employment and cannot solicit or accept private employment from such entities under similar circumstances; and (2) the "cooling-off" period applies when certain current and former public officers and employees are or were ~~[materially involved in the implementation, management or administration]~~ **in positions to materially affect or influence the awarding, renewing or amending** of certain contracts ~~[awarded]~~ by their employing agencies ~~[.]~~ **because they had the authority or responsibility to recommend, advise, negotiate, develop, draft, revise, review or approve any material terms of the contracts. In certain situations where current or former public officers and employees are alleged to have violated the "cooling-off" period, section 45 of this bill provides that the Commission must consider certain factors relating to the comparative value of the contract under the given set of facts and circumstances in assessing the severity of the violation and any penalties.**

Under the Ethics Law, the Legislative Counsel is required to prepare annotations to the Commission's published opinions for inclusion in the Nevada Revised Statutes. (NRS 281A.290) **Sections 22 and 29** of this bill move and recodify this requirement.

The Ethics Law authorizes a public officer or employee to file with the Commission a request for an advisory opinion to: (1) seek guidance relating to the propriety of his or her own past, present or future conduct under the statutory ethical standards; or (2) request relief from the strict application of certain provisions of the Ethics Law. (NRS 281A.675) **Section 16** of this bill deletes duplicative provisions from the definition of a "request for an advisory opinion." **Section 30** authorizes the Commission to request additional information relating to the request for an advisory opinion from the requester or his or her legal counsel.

With certain exceptions, the Commission is subject to the Open Meeting Law, which generally requires most meetings of public bodies to be open to the public. (Chapter 241 of NRS) However, under the Ethics Law, the Open Meeting Law does not apply to meetings, hearings, deliberations and actions of the Commission relating to requests for advisory opinions, although the requester of the advisory opinion may file a request with the Commission to

hold a public meeting or hearing regarding the matter. (NRS 281A.690) **Section 33** of this bill requires the requester to acknowledge his or her waiver of confidentiality in the request. **Section 33** also provides that if the Commission grants such a request for a public meeting or hearing regarding the matter, the Commission must provide public notice of the meeting or hearing and the meeting or hearing must be open to the public and conducted in accordance with the regulations of the Commission, but the meeting or hearing is not subject to specific requirements of the Open Meeting Law.

In addition to rendering advisory opinions, the Commission is also authorized by the Ethics Law to render opinions regarding the propriety of the conduct of public officers and employees under the statutory ethical standards in response to ethics complaints filed by a specialized or local ethics committee or a person or initiated by the Commission on its own motion. (NRS 281A.710) **Section 34** of this bill authorizes the Executive Director to conduct a preliminary investigation into the propriety of the conduct of a public officer or employee to determine ~~[if]~~ **whether** the Commission has jurisdiction and whether the Commission should initiate an ethics complaint on its own motion.

Not later than 45 days after receiving an ethics complaint, the Ethics Law requires the Commission to determine initially whether it has jurisdiction over the ethics complaint and whether an investigation is warranted in the matter, unless the subject of the ethics complaint waives the time limit. (NRS 281A.715) **Section 35** authorizes the Executive Director, during this initial period, to conduct a preliminary investigation to obtain additional information concerning the allegations in the ethics complaint to assist the Commission in making its initial determination. In addition, **section 35**: (1) eliminates, as unnecessary, the provision authorizing the subject to waive the time limit because the subject does not receive notice of the matter during this initial period, but only receives notice of the matter if the Commission determines that it has jurisdiction and an investigation is warranted; and (2) allows the Commission to dismiss an ethics complaint initiated on its own motion if it determines that the evidence is not sufficient to warrant an investigation in the matter.

Under the Ethics Law, if the Commission determines that it has jurisdiction over an ethics complaint and an investigation is warranted, the subject of the ethics complaint is served with a notice of the investigation and provided with an opportunity to submit a response to that notice. (NRS 281A.720) **Section 36** authorizes the Executive Director to grant, under certain circumstances, one or more extensions of the time ~~[limitation]~~ **limit** to submit the response, but the Executive Director must set a specific and reasonable time period for such an extension.

As part of the investigation, the Ethics Law permits the Executive Director to secure the subject's participation, attendance as a witness or production of books and papers under existing procedures. (NRS 281A.300) **Section 36** clarifies that, regardless of whether the subject submits a response to the investigation, the Executive Director retains the authority during the course of

the investigation to secure the subject's participation, attendance as a witness or production of books and papers under those existing procedures or any other law that provides such authority.

Under the Ethics Law, a review panel is required to determine whether there is just and sufficient cause for the Commission to render an opinion in the matter. (NRS 281A.730) **Section 38** of this bill requires that, after the review panel makes its determination, the review panel must serve a written notice of its determination on the public officer or employee who is the subject of the ethics complaint.

The Ethics Law establishes various requirements regarding the adjudication of ethics complaints referred to the Commission for further proceedings. (NRS 281A.745-281A.760) **Section 39** requires: (1) the Executive Director to issue a formal notice of charges to the subject of the ethics complaint regarding the allegations to be presented at an adjudicatory hearing; and (2) the Commission to provide the parties with a written schedule for discovery in order to prepare for the hearing.

The Ethics Law requires the Commission to hold the hearing and render an opinion in the matter within a certain time period, unless waived by the subject, and requires the opinion to include findings of fact and conclusions of law. (NRS 281A.745, 281A.765) **Section 39**: (1) provides the Commission with more time to prepare the written opinion in the matter by requiring the Commission to issue the written opinion within a specified time period after the decision is rendered; and (2) clarifies that, in addition to including findings of fact and conclusions of law, the written opinion must otherwise comply with the requirements for a final decision under Nevada's Administrative Procedure Act. (NRS 233B.125) **Section 43** of this bill makes a conforming change related to the contents of a written opinion.

With certain exceptions, the Ethics Law requires, or in some cases allows, the Commission to keep the identity of certain persons who file ethics complaints confidential in order to protect those persons from potential harm. (NRS 281A.750) **Section 40** of this bill extends the confidentiality of the requester to persons who worked for the same public body, agency or employer as the subject of the ethics complaint at the time of the alleged conduct, or if revealing the identity of the requester would otherwise reveal the identity of witnesses who work for the same public body, agency or employer. **Section 40** also clarifies that: (1) such confidentiality extends to all materials that, if disclosed, would reveal the identity of the confidential requester; and (2) the identity of the confidential requester remains protected if the Executive Director does not intend to present the testimony of the confidential requester as evidence in the matter. However, if the Executive Director intends to present the testimony of the confidential requester as evidence in the matter, **section 40** requires the Executive Director to disclose the name of the confidential requester only as a proposed witness in accordance with the schedule for discovery in the matter.

Under the Ethics Law, the subject of an ethics complaint is authorized to submit a written discovery request for a list of proposed witnesses and a copy of any materials in the investigative file that the Executive Director intends to present as evidence in the matter. The Ethics Law also provides that the materials in the investigative file are confidential, except that any materials which the Executive Director presents as evidence in the matter become public records. (NRS 281A.755) **Section 41** requires any written discovery request to be submitted in accordance with the schedule for discovery in the matter. **Section 41** also provides that any materials which the Executive Director presents as evidence in the matter become public records after the Commission takes final action concerning the ethics complaint in a public meeting or hearing, but provides an exception if any of the materials are declared confidential by another law.

In proceedings concerning an ethics complaint, the Ethics Law exempts from the Open Meeting Law: (1) any meeting or hearing held by the Commission to receive information or evidence concerning the ethics complaint; and (2) any deliberations of the Commission on such information or evidence. However, the Ethics Law does not exempt the Commission's actions concerning the ethics complaint from the Open Meeting Law. (NRS 281A.760) **Section 42** of this bill generally exempts the Commission's actions concerning the ethics complaint from the Open Meeting Law. However, **section 42** requires the Commission to take final action concerning the ethics complaint in a public meeting or hearing for which the Commission provides public notice and which is open to the public and conducted in accordance with the regulations of the Commission, but the meeting or hearing is not subject to specific requirements of the Open Meeting Law.

The Ethics Law establishes various requirements regarding the disposition of ethics complaints and the imposition of remedies and penalties and, with respect to certain dispositions of ethics complaints and in determining whether a violation is willful, the Ethics Law requires the Commission to treat comparable situations in a comparable manner. (NRS 281A.785, 281A.790) **Sections 44 and 45** of this bill require the Commission to carry out that duty to the extent practicable based on the given set of facts and circumstances. **Section 47** clarifies that, based on a finding that a violation of the Ethics Law has been proven, the Commission is authorized to impose certain penalties using any manner in which the Commission is authorized to dispose of the matter.

Section 48 of this bill makes technical conforming changes to the description of current and former public officers and employees **[.] in the Ethics Law. Section 108 of this bill addresses the applicability of certain provisions of sections 2-48 of this bill to various proceedings before the Commission.**

Sections 9, 9.5, 13.5, 15.5, 15.7, 25-27.5 and 48 of this bill remove legislative officers and employees from the jurisdiction of the Ethics Law, and sections 50-105 of this bill enact the Nevada Legislative Ethics Law

(Legislative Ethics Law) to govern legislative officers and employees and, in certain situations, former legislative officers and employees after the end of their period of legislative service or employment.

Sections 52-71 of this bill establish various definitions applicable to the Legislative Ethics Law. In particular, section 67 of this bill defines "legislative officer" as any current or former: (1) member of the Senate, Secretary of the Senate or officer of the Senate; (2) member of the Assembly, Chief Clerk of the Assembly or officer of the Assembly; or (3) officer of the Legislature, the Legislative Counsel Bureau or the Legislative Department of the State Government. However, the term does not include the Lieutenant Governor when acting in his or her official capacity as the President of the Senate. Section 65 of this bill defines "legislative employee" as any current or former employee, assistant, attache, intern or other staff employed with reference to the legislative duties of a Legislator or the Legislative Department, regardless of whether the position is paid or otherwise compensated.

Under the Nevada Constitution, the Houses of the Legislature have adopted Standing Rules that establish various ethical standards for Legislators and other legislative officers and employees. (Nev. Const. Art. 4, § 6; Senate Standing Rule No. 23; Assembly Standing Rule No. 23; Joint Standing Rules Nos. 30-39) Section 73 of this bill provides that the Legislative Ethics Law supplements such Standing Rules and, to the extent that there is a conflict between the Standing Rules and the Legislative Ethics Law, the Standing Rules govern the conflict. Sections 51 and 72-76 of this bill set forth additional standards governing the interpretation, application and administration of the Legislative Ethics Law.

Sections 77-83 of this bill establish legislative ethical standards which are similar to existing ethical standards for public officers and employees but which are tailored to the specific ethical demands of the Legislative Department.

Existing law establishes general ethical standards to which public officers and employees are bound. (NRS 281A.400) Section 77 of this bill establishes similar provisions for the purpose of legislative officers and employees.

Existing law restricts public officers and employees from representing or counseling private persons before certain public agencies. (NRS 281A.410) Section 78 of this bill establishes similar provisions for the purpose of legislative officers and employees.

Existing law prohibits public officers and employees from taking certain actions relating to contracts between governmental entities and any business entity in which the public officer or employee has a significant pecuniary interest. (NRS 281A.430) Section 79 of this bill establishes similar provisions applicable to legislative officers and employees.

Existing law prohibits a public officer or employee from accepting or receiving an honorarium under certain circumstances. (NRS 281A.510) Section 80 of this bill establishes similar provisions for the purpose of legislative officers and employees.

Existing law prohibits a public officer or employee from requesting or otherwise causing a governmental entity to incur certain expenses or make expenditures to support or oppose ballot questions or candidates under certain circumstances. (NRS 281A.520) Section 81 of this bill establishes similar provisions prohibiting legislative officers and employees from engaging in such acts with regard to the Legislative Department.

Existing law establishes certain "cooling-off" periods for public officers and employees relating to soliciting or accepting employment from certain entities under certain circumstances. (NRS 281A.550) Section 82 of this bill establishes similar provisions relating to legislative officers and employees.

Existing law authorizes the Attorney General or the appropriate district attorney to void certain grants, contracts or leases entered into in violation of the Ethics Law and authorizes the Attorney General to take other actions to redress certain violations. (NRS 281A.540) Section 83 of this bill authorizes the Attorney General or appropriate district attorney to take similar actions to redress certain violations of the Legislative Ethics Law.

To carry out and enforce the Legislative Ethics Law, sections 84-95 of this bill create the Senate Commission on Ethics (Senate Commission), Assembly Commission on Ethics (Assembly Commission) and Joint Commission on Ethics (Joint Commission), provide for the appointment and terms of their respective members and prescribe standards for their management, governance and proceedings. Section 109 of this bill directs the appointment and terms of the initial members of each Commission.

Under section 87 of this bill, the Senate Commission has jurisdiction to: (1) hear ethics complaints brought against legislative officers and employees of the Senate; and (2) hear requests brought by such persons for advice on the legislative ethical standards.

Under section 91 of this bill, the Assembly Commission has jurisdiction to: (1) hear ethics complaints brought against legislative officers and employees of the Assembly; and (2) hear requests brought by such persons for advice on the legislative ethical standards.

Under section 95 of this bill, the Joint Commission has jurisdiction to: (1) hear ethics complaints brought against legislative officers and employees other than the officers or employees of the Senate or Assembly; and (2) hear requests brought by such persons for advice on the legislative ethical standards.

Section 97 of this bill authorizes the Senate Commission, Assembly Commission and Joint Commission, as applicable, to conduct investigations and hold hearings to carry out the Legislative Ethics Law.

Section 98 of this bill provides that all proceedings of the Senate Commission, Assembly Commission or Joint Commission, as applicable, relating to the character, alleged misconduct, professional competence or physical or mental health of any person on matters regarding the legislative ethical standards and the materials relating thereto are confidential, unless the person subject to the proceedings waives such confidentiality. Section 106 of this bill makes a conforming change to the Public Records Law.

Section 99 of this bill provides that a member of the Senate Commission, Assembly Commission or Joint Commission, as applicable, is disqualified from serving during the consideration of a matter if: (1) the member is the subject of the ethics complaint; (2) the member requested the advice on the issue under consideration; or (3) a reasonable person in the member's situation could not exercise independent judgment on the matter.

Section 100 of this bill authorizes an individual to file with the Legislative Counsel an ethics complaint against a legislative officer or employee. Section 100 requires the Legislative Counsel to review the ethics complaint and consult with the Chair of the Senate Commission, Assembly Commission or Joint Commission, as applicable, to determine whether the Commission has jurisdiction over the complaint and whether an investigation is warranted in the matter. Finally, section 100 requires that: (1) if it is determined that the Commission does not have jurisdiction or an investigation is not warranted, the Legislative Counsel must send a written notice of such a determination to the individual who filed the ethics complaint; or (2) if it is determined that the Commission has jurisdiction and an investigation is warranted, the Legislative Counsel must send a written notice of the determination and a copy of the ethics complaint to the person who is subject to the ethics complaint. Section 74 of this bill requires the ethics complaint to be filed within 2 years after the alleged violation or reasonable discovery of the alleged violation.

If the Senate Commission, Assembly Commission or Joint Commission, as applicable, holds an adjudicatory hearing on an ethics complaint, section 101 of this bill establishes various procedural and evidentiary requirements for the adjudicatory hearing, including the burden and standard of proof.

Section 102 of this bill requires the Senate Commission, Assembly Commission or Joint Commission, as applicable, to dismiss an ethics complaint if the Commission finds that the violation of the legislative ethical standards has not been proven.

Alternatively, if the Senate Commission, Assembly Commission or Joint Commission, as applicable, finds that a violation of the legislative ethical

standards has occurred, sections 102-104 of this bill authorize the Commission to: (1) issue a letter of caution or instruction to the legislative officer or employee; (2) admonish, reprimand or censure the legislative officer or employee; (3) impose civil penalties on the legislative officer or employee; or (4) take any other reasonable actions that the Commission determines will remedy the violation or deter similar violations, including referring the matter to the appropriate House for review and consideration.

Section 105 of this bill also requires the Senate Commission, Assembly Commission or Joint Commission, as applicable, to refer the matter to the Attorney General or the district attorney, as appropriate, if the Commission believes that the violation of the legislative ethical standards constitutes a crime.

Section 110 of this bill provides for the transition of jurisdiction for ethics proceedings brought against legislative officers and employees.

(b) Render ***a decision and issue*** an opinion upon the request of any public officer or employee of its own organization or level seeking an interpretation of its ***code of*** ethical standards on questions directly related to the propriety of the public officer's or employee's own future official conduct or refer the request to the Commission. Any public officer or employee subject to the jurisdiction of the committee shall direct the public officer's or employee's inquiry to that committee instead of the Commission.

(c) Require the filing of financial disclosure statements by public officers on forms prescribed by the committee or the city clerk if the form has been:

(1) Submitted, at least 60 days before its anticipated distribution, to the Secretary of State for review; and

(2) Upon review, approved by the Secretary of State. The Secretary of State shall not approve the form unless the form contains all the information required to be included in a financial disclosure statement pursuant to NRS 281.571.

2. The Secretary of State is not responsible for the costs of producing or distributing a form for filing a financial disclosure statement pursuant to the provisions of subsection 1.

3. A specialized or local ethics committee shall not attempt to interpret ***the statutory ethical standards*** or render ***a decision and issue*** an opinion regarding the statutory ethical standards.

4. Each request for an opinion submitted to a specialized or local ethics committee, each hearing held to obtain information on which to ~~[~~base~~]~~ ***render a decision and issue*** an opinion, all deliberations relating to ~~[~~an~~]~~ ***the decision and*** opinion, each ~~[~~opinion~~]~~ ***decision*** rendered ***and opinion issued*** by ~~[~~a~~]~~ ***the*** committee and any motion relating to the ***decision and*** opinion are confidential unless:

(b) The requester discloses the ~~[~~content~~]~~ ***contents*** of the ***decision or*** opinion.

Sec. 25. NRS 281A.400 is hereby amended to read as follows:

281A.400 ~~[~~A code of ethical standards is hereby established to govern the conduct of public officers and employees:~~]~~

1. A public officer or employee shall not seek or accept any gift, service, favor, employment, engagement, emolument or economic opportunity, for the public officer or employee or any person to whom the public officer or employee has a commitment in a private capacity, which would tend improperly to influence a reasonable person in the public officer's or employee's position to depart from the faithful and impartial discharge of the public officer's or employee's public duties.

2. A public officer or employee shall not use the public officer's or employee's position in government to secure or grant unwarranted privileges, preferences, exemptions or advantages for the public officer or employee, any business entity in which the public officer or employee has a significant pecuniary interest or any person to whom the public officer or employee has a commitment in a private capacity. ~~[~~As used in this subsection, "unwarranted" means without justification or adequate reason.~~]~~

3. A public officer or employee shall not participate as an agent of government in the negotiation or execution of a contract between the government and the public officer or employee, any business entity in which the public officer or employee has a significant pecuniary interest or any person to whom the public officer or employee has a commitment in a private capacity.

4. A public officer or employee shall not accept any salary, retainer, augmentation, expense allowance or other compensation from any private source, for the public officer or employee or any person to whom the public officer or employee has a commitment in a private capacity, for the performance of the public officer's or employee's duties as a public officer or employee.

5. If a public officer or employee acquires, through the public officer's or employee's public duties or relationships, any information which by law or practice is not at the time available to people generally, the public officer or employee shall not use the information to further a significant pecuniary interest of the public officer or employee or any other person or business entity.

6. A public officer or employee shall not suppress any governmental report or other official document because it might tend to affect unfavorably a significant pecuniary interest of the public officer or employee or any person to whom the public officer or employee has a commitment in a private capacity.

7. ~~[Except for State Legislators who are subject to the restrictions set forth in subsection 8, a]~~ ***A*** public officer or employee shall not use governmental time, property, equipment or other facility to benefit a significant personal or pecuniary interest of the public officer or employee or any person to whom the public officer or employee has a commitment in a private capacity. This subsection does not prohibit:

(a) A limited use of governmental property, equipment or other facility for personal purposes if:

(1) ~~[The]~~ ***At the time that the use occurs, the use is:***

(I) Authorized by a written policy which was adopted before the use occurs by the public officer or employee who is responsible for and has authority to authorize the use of such property, equipment or other facility ~~[has established a policy allowing the use or the use is necessary]~~ ***; or***

(II) Necessary as a result of emergency circumstances ~~[,]~~ ***, whether or not the use is authorized by such a written policy;***

(2) The use does not interfere with the performance of the public officer's or employee's public duties;

(3) The cost or value related to the use is nominal; and

(4) The use does not create the appearance of impropriety;

(b) The use of mailing lists, computer data or other information lawfully obtained from a governmental agency which is available to members of the general public for nongovernmental purposes; or

(c) The use of telephones or other means of communication if there is not a special charge for that use.

➥ If a governmental agency incurs a cost as a result of a use that is authorized pursuant to this subsection or would ordinarily charge a member of the general public for the use, the public officer or employee shall promptly reimburse the cost or pay the charge to the governmental agency.

8. ~~[A State Legislator shall not:~~

~~(a) Use governmental time, property, equipment or other facility for a nongovernmental purpose or for the private *to* benefit *a significant personal or pecuniary interest* of the State Legislator or any other person *to whom the State Legislator has a commitment in a private capacity*. This paragraph does not prohibit:~~

~~(I) The use does not interfere with the performance of the State Legislator's public duties;~~

~~(II) The cost or value related to the use is nominal; and~~

~~(2) The use of mailing lists, computer data or other information lawfully obtained from a governmental agency which is available to members of the general public for nongovernmental purposes; or~~

~~(3) The use of telephones or other means of communication if there is not a special charge for that use.~~

~~(b) Require or authorize a legislative employee, while on duty, to perform personal services or assist in a private activity, except:~~

~~(1) In unusual and infrequent situations where the *legislative* employee's service is reasonably necessary to permit the State Legislator or legislative employee to perform that person's official duties; or~~

~~(2) Where such service has otherwise been established as legislative policy.~~

~~9.]~~ A public officer or employee shall not attempt to benefit a significant personal or pecuniary interest of the public officer or employee or any person to whom the public officer or employee has a commitment in a private capacity through the influence of a subordinate.

~~[10.]~~ *9.* A public officer or employee shall not seek other employment or contracts for the public officer or employee or any person to whom the public officer or employee has a commitment in a private capacity through the use of the public officer's or employee's official position.

~~[11.]~~ 10. A public officer or employee shall not use the public officer's or employee's position or power in government to take any actions or compel a subordinate to take any actions that would cause unwarranted harm or damage to another person to benefit ~~[the]~~ a significant ~~[pecuniary interest or]~~ personal or pecuniary interest of the public officer or employee or ~~[the significant pecuniary interest or personal interest of]~~ any person to whom the public officer or employee has a commitment in a private capacity.

~~[12.]~~ 11. As used in this section:

(a) "Appearance of impropriety" means a reasonable person would find, based on the given set of facts and circumstances, that a public officer's or employee's limited use of governmental property, equipment or other facility for personal purposes is inappropriate, disproportionate, excessive or unreasonable under that given set of facts and circumstances.

(b) "Unwarranted" means without justification or adequate reason.

Sec. 26. NRS 281A.410 is hereby amended to read as follows:

281A.410 ~~[In addition to the requirements of the code of ethical standards and the other provisions of this chapter:]~~

1. If a public officer or employee serves in a state agency of the Executive Department or an agency of any county, city or other political subdivision, the public officer or employee:

(a) Shall not accept compensation from any private person to represent or counsel the private person on any issue pending before the agency in which that public officer or employee serves, if the agency makes decisions; and

(b) If the public officer or employee leaves the service of the agency, shall not, for 1 year after leaving the service of the agency, represent or counsel for compensation a private person upon any issue which was under consideration by the agency during the public officer's or employee's service. As used in this paragraph, "issue" includes a case, proceeding, application, contract or determination, but does not include the proposal or consideration of legislative measures or administrative regulations.

2. Except as otherwise provided in subsection 3, ~~[a State Legislator or]~~ a member of a local legislative body, or a public officer or employee whose public service requires less than half of his or her time, may represent or counsel a private person before an agency in which he or she does not serve.

3. A member of a local legislative body shall not represent or counsel a private person for compensation before another local agency if the territorial jurisdiction of the other local agency includes any part of the county in which the member serves. The Commission may relieve the member from the strict application of the provisions of this subsection if:

(a) The member files a request for an advisory opinion from the Commission pursuant to NRS 281A.675; and

(b) The Commission determines that such relief is not contrary to:

(1) The best interests of the public;

(2) The continued ethical integrity of each local agency affected by the matter; and

(3) The provisions of this chapter.

4. For the purposes of subsection 3, the request for an advisory opinion, ***the decision rendered,*** the advisory opinion and all meetings, hearings and proceedings of the Commission in such a matter are governed by the provisions of NRS 281A.670 to 281A.690, inclusive.

5. Unless permitted by this section, a public officer or employee shall not represent or counsel a private person for compensation before any state agency of the Executive or Legislative Department.

Sec. 27. NRS 281A.420 is hereby amended to read as follows:

281A.420 1. Except as otherwise provided in this section, a public officer or employee shall not approve, disapprove, vote, abstain from voting or otherwise act upon a matter:

(a) Regarding which the public officer or employee has accepted a gift or loan;

(b) In which the public officer or employee has a significant pecuniary interest;

(c) Which would reasonably be affected by the public officer's or employee's commitment in a private capacity to the interests of another person; or

(d) Which would reasonably be related to the nature of any representation or counseling that the public officer or employee provided to a private person for compensation before another agency within the immediately preceding year, provided such representation or counseling is permitted by NRS 281A.410,

➥ without disclosing information concerning the gift or loan, the significant pecuniary interest, the commitment in a private capacity to the interests of the other person or the nature of the representation or counseling of the private person that is sufficient to inform the public of the potential effect of the action or abstention upon the person who provided the gift or loan, upon the public officer's or employee's significant pecuniary interest, upon the person to whom the public officer or employee has a commitment in a private capacity or upon the private person who was represented or counseled by the public officer or employee. Such a disclosure must be made at the time the matter is considered. If the public officer or employee is a member of a body which makes decisions, the public officer or employee shall make the disclosure in public to the chair and other members of the body. If the public officer or employee is not a member of such a body and holds an appointive office, the public officer or employee shall make the disclosure to the supervisory head of the public officer's or employee's organization or, if the public officer holds an elective office, to the general public in the area from which the public officer is elected.

2. The provisions of subsection 1 do not require ~~[~~a~~]~~ ***:***

(a) A public officer to disclose:

~~[~~(a)~~]~~ ***(1)*** Any campaign contributions that the public officer reported in a timely manner pursuant to NRS 294A.120 or 294A.125; or

~~[~~(b)~~]~~ ***(2)*** Any contributions to a legal defense fund that the public officer reported in a timely manner pursuant to NRS 294A.286.

(b) A public officer or employee to disclose any information which is confidential under the terms of a contract or as a matter of law if the public officer or employee:

(1) In the disclosure made pursuant to subsection 1, discloses all nonconfidential information that is required to be disclosed and describes the general nature of the contract or law that protects the confidential information from being disclosed; and

(2) Abstains from advocating the passage or failure of and from approving, disapproving, voting or otherwise acting upon the matter, regardless of whether the public officer or employee would be required to abstain pursuant to subsection 3.

3. Except as otherwise provided in this section, in addition to the requirements of subsection 1, a public officer shall not vote upon or advocate the passage or failure of, but may otherwise participate in the consideration of, a matter with respect to which the independence of judgment of a reasonable person in the public officer's situation would be materially affected by:

(a) The public officer's acceptance of a gift or loan;

(b) The public officer's significant pecuniary interest; ~~[or]~~

(c) The public officer's commitment in a private capacity to the interests of another person ~~[.]~~ ***; or***

(d) The public officer's representation or counseling of a private person for compensation before another agency within the immediately preceding year, provided such representation or counseling is permitted by NRS 281A.410.

4. In interpreting and applying the provisions of subsection 3:

(a) It must be presumed that the independence of judgment of a reasonable person in the public officer's situation would not be materially affected by the public officer's acceptance of a gift or loan, significant pecuniary interest ***,*** ~~[or]~~ commitment in a private capacity to the interests of another person ***or representation or counseling of a private person for compensation as permitted by NRS 281A.410*** where the resulting benefit or detriment accruing to the public officer, or if the public officer has a commitment in a private capacity to the interests of another person ~~[.]~~ ***or has represented or counseled a private person for compensation as permitted by NRS 281A.410,*** accruing to the other person, is not greater than that accruing to any other member of any general business, profession, occupation or group that is affected by the matter. The presumption set forth in this paragraph does not affect the applicability of the requirements set forth in subsection 1 relating to the duty of the public officer to make a proper disclosure at the time the matter is considered and in the manner required by subsection 1.

(b) The Commission must give appropriate weight and proper deference to the public policy of this State which favors the right of a public officer to perform the duties for which the public officer was elected or appointed and to vote or otherwise act upon a matter, provided the public officer makes a proper disclosure at the time the matter is considered and in the manner required by subsection 1. Because abstention by a public officer disrupts the normal course of representative government and deprives the public and the public officer's constituents of a voice in governmental affairs, the provisions of this section are intended to require abstention only in clear cases where the independence of judgment of a reasonable person in the public officer's situation would be materially affected by the public officer's acceptance of a gift or loan, significant pecuniary interest ***,*** ~~[or]~~ commitment in a private capacity to the interests of another person ~~[.]~~ ***or representation or counseling of a private person for compensation as permitted by NRS 281A.410.***

5. Except as otherwise provided in NRS 241.0355, if a public officer declares to the body or committee in which the vote is to be taken that the

public officer will abstain from voting because of the requirements of this section, the necessary quorum to act upon and the number of votes necessary to act upon the matter, as fixed by any statute, ordinance or rule, is reduced as though the member abstaining were not a member of the body or committee.

6. The provisions of this section do not, under any circumstances:

(a) Prohibit a member of a local legislative body from requesting or introducing a legislative measure; or

(b) Require a member of a local legislative body to take any particular action before or while requesting or introducing a legislative measure.

~~[7. The provisions of this section do not, under any circumstances, apply to State Legislators or allow the Commission to exercise jurisdiction or authority over State Legislators. The responsibility of a State Legislator to make disclosures concerning~~ gifts, loans, interests or commitments ~~*a matter* and the responsibility of a State Legislator to abstain from voting upon or advocating the passage or failure of a matter are governed by the Standing Rules of the Legislative Department of *the* State Government which are adopted, administered and enforced exclusively by the appropriate bodies of the Legislative Department of *the* State Government pursuant to Section 6 of Article 4 of the Nevada Constitution.~~

~~8. As used in this section, "public officer" and "public employee" do not include a State Legislator.]~~

(d) Transmitted to the Commission by facsimile machine or other electronic means authorized by the Commission. Filing by facsimile machine or other electronic means is complete upon receipt of the transmission by the Commission.

7. If a public officer is serving in a public office and executes and files the acknowledgment for that office as required by the applicable provisions of this section, the public officer shall be deemed to have satisfied the requirements of this section for any other office held concurrently by him or her.

8. The form for making the acknowledgment must contain:

(a) The address of the Internet website of the Commission where a public officer may view the statutory ethical standards and print a copy of the standards; and

(b) The telephone number and mailing address of the Commission where a public officer may make a request to obtain a printed copy of the statutory ethical standards from the Commission.

9. Whenever the Commission, or any public officer or employee as part of the public officer's or employee's official duties, provides a public officer with a printed copy of the form for making the acknowledgment, a printed copy of the statutory ethical standards must be included with the form.

10. The Commission shall retain each acknowledgment filed pursuant to this section for 6 years after the date on which the acknowledgment was filed.

11. Willful refusal to execute and file the acknowledgment required by this section shall be deemed to be:

(a) A willful violation of this chapter for the purposes of NRS 281A.785 and 281A.790; and

(b) Nonfeasance in office for the purposes of NRS 283.440 and, if the public officer is removable from office pursuant to NRS 283.440, the Commission may file a complaint in the appropriate court for removal of the public officer pursuant to that section. This paragraph grants an exclusive right to the Commission, and no other person may file a complaint against the public officer pursuant to NRS 283.440 based on any violation of this section.

If the Commission finds that a ***current or former*** public officer or employee has committed a willful violation of this chapter which it believes may also constitute a criminal offense, the Commission shall refer the matter to the

Attorney General or the district attorney, as appropriate, for a determination of whether a crime has been committed that warrants prosecution.

2. The rights, powers, privileges and immunities granted by this chapter to the Commission and its members are in addition to any other rights, powers, privileges and immunities recognized by law, and all such rights, powers, privileges and immunities are cumulative, so that the application or attempted application of any one does not bar the application or attempted application of any other.

Sec. 98. All proceedings held by the Commission pursuant to this chapter to consider the character, alleged misconduct, professional competence or physical or mental health of any person on matters regarding the legislative ethical standards and all materials related to those proceedings are confidential, unless the legislative officer or employee who is the subject of the proceedings requests a public hearing or discloses the content of the proceedings or materials.

3. A reasonable person in the member's situation could not exercise independent judgment on the specific matter.

Sec. 100. 1. An individual may file an ethics complaint against a legislative officer or employee regarding an alleged violation of the legislative ethical standards.

2. If the alleged violation involves the conduct of more than one legislative officer or employee, separate ethics complaints must be filed regarding each legislative officer or employee.

3. An ethics complaint must be:

(a) Made in writing on a form provided by the Legislative Counsel;

(b) Signed and verified under penalty of perjury by the individual making the allegation; and

4. The Legislative Counsel shall review the ethics complaint and any other relevant information and consult with the Chair of the Commission or, if the Chair is the subject of the ethics complaint, with the Vice Chair, to evaluate whether the Commission has jurisdiction and whether an investigation is warranted in the matter.

5. If it is determined that the Commission:

(a) Does not have jurisdiction or that an investigation is not warranted in the matter, the Legislative Counsel shall send written notice of the determination to the individual who filed the ethics complaint.

(b) Has jurisdiction and that an investigation is warranted in the matter, the Legislative Counsel shall send written notice of the determination and a copy of the ethics complaint to the legislative officer or employee who is the subject of the ethics complaint.

6. If the Legislative Counsel is the subject of the ethics complaint, the General Counsel shall carry out all powers and duties assigned to legal counsel for the Commission regarding that specific matter.

Sec. 101. 1. If the Commission holds an adjudicatory hearing on an ethics complaint, the Commission shall provide the legislative officer or employee who is the subject of the ethics complaint with a written notice of the date, time and place of the hearing.

5. The party who presents the evidence and argues the matter against the legislative officer or employee has the burden of proof at the adjudicatory hearing.

6. The standard of proof at the adjudicatory hearing is a preponderance of the evidence, which means evidence that enables a trier of fact to determine that the existence of the contested fact is more probable than the nonexistence of the contested fact.

7. For the Commission to determine that a violation of the legislative ethical standards has been proven against the legislative officer or employee, the Commission's determination must be supported by a preponderance of the evidence.

Sec. 102. 1. If the Commission determines that a violation of the legislative ethical standards has not been proven against a legislative officer or employee, the Commission shall dismiss the matter.

2. If the Commission determines that a violation of the legislative ethical standards has been proven against a legislative officer or employee, the Commission may take any actions authorized by this chapter or the rules adopted by the Houses pursuant to Section 6 of Article 4 of the Nevada Constitution.

Sec. 103. 1. In proceedings concerning an ethics complaint, the Commission may issue a letter of caution or instruction to the legislative officer or employee who is the subject of the ethics complaint to caution or instruct the legislative officer or employee regarding the propriety of the conduct under the legislative ethical standards.

2. If the Commission issues a letter of caution or instruction to the legislative officer or employee, the letter may be considered in deciding the appropriate actions to be taken on any subsequent ethics complaint involving the legislative officer or employee, unless the letter is not relevant to the issues presented by the subsequent ethics complaint.

Sec. 104. 1. In addition to any other remedies or penalties provided by law, if the Commission determines that a violation of the legislative ethical standards has been proven against a legislative officer or employee, the Commission may take one or more of the following actions:

(b) Impose on the legislative officer or employee civil penalties:

(2) Not to exceed $10,000 for a separate act or event that constitutes a second violation of the legislative ethical standards; and

(3) Not to exceed $25,000 for a separate act or event that constitutes a third violation of the legislative ethical standards or any additional violation of the legislative ethical standards.

(c) If the Commission finds that a violation of the legislative ethical standards has resulted in the realization of a financial benefit by the legislative officer or employee or any other person, require the legislative officer or employee to pay a civil penalty of not more than twice the amount so realized.

(d) Take any other reasonable actions that the Commission determines will remedy the violation or deter similar violations, including, without limitation, referring the matter to the appropriate House for review and consideration pursuant to Section 6 of Article 4 of the Nevada Constitution.

2. If a legislative officer or employee fails to pay any civil penalties imposed pursuant to this chapter, the Legislative Department is entitled to pursue every legal and equitable remedy that is available to recover and collect the civil penalties in the same manner as if they were imposed by a judgment rendered by the district court in a civil action.

Sec. 105. 1. The provisions of this chapter do not abrogate or decrease the effect of the provisions of the Nevada Revised Statutes which define crimes or prescribe punishments with respect to the conduct of legislative officers or employees.

2. If the Commission finds that a legislative officer or employee has committed a violation of the legislative ethical standards which it believes may also constitute a criminal offense, the Commission shall refer the matter to the Attorney General or the district attorney, as appropriate, for a determination of whether a crime has been committed that warrants prosecution.

Assembly Bill No. 340.

Bill read third time.

The following amendment was proposed by Assemblywoman Summers-Armstrong:

Amendment No. 522.

AN ACT relating to property; revising provisions relating to summary evictions; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

In general, existing law authorizes a landlord who seeks to recover possession of a premises from a tenant to do so by filing an unlawful detainer action or an action for summary eviction. (NRS 40.253, 40.254, 40.2542, 40.290-40.420) Existing law prescribes separate summary eviction procedures for the summary eviction of: (1) certain tenants who are not tenants of a commercial premises and who default in the payment of rent; (2) certain tenants who are guilty of unlawful detainer for reasons other than a default in the payment of rent; and (3) certain tenants of a commercial premises who default in the payment of rent. (NRS 40.253, 40.254, 40.2542)

In general, the summary eviction procedures prescribed by existing law require a landlord to provide certain written notice to a tenant: (1) informing the tenant that he or she must take certain action or surrender the premises on or before a date specified in the notice; and (2) advising the tenant of his or her right to contest the matter by filing an affidavit with the court that has jurisdiction over the matter. In so doing, the summary eviction procedures prescribed by existing law require a tenant who contests a summary eviction to file an affidavit in court concerning an action for summary eviction before a landlord is required to make any filing concerning the matter. If such an affidavit is filed, a hearing is held. If no such affidavit is filed, upon noncompliance of a tenant with the written notice, existing law authorizes: (1) the landlord to apply by affidavit of complaint for the summary eviction of the tenant; and (2) the court, without holding a hearing, to order the removal of the tenant within a prescribed period. (NRS 40.253, 40.254, 40.2542)

Section 22 of this bill repeals the summary eviction procedures prescribed by existing law for the summary eviction of: (1) certain tenants who are not tenants of a commercial premises and who default in the payment of rent; and (2) certain tenants who are guilty of unlawful detainer for reasons other than a default in the payment of rent. **Sections 2-6.5** of this bill reenact, reorganize and revise these procedures. **Section 2** of this bill establishes a new procedure for the summary eviction of certain tenants who are not tenants of a commercial premises and who default in the payment of rent. **Section 6.5** of this bill establishes a new procedure for the summary eviction of certain tenants who are guilty of unlawful detainer for reasons other than a default in the payment of rent.

The new procedures for summary eviction set forth in **sections 2 and 6.5** are similar to the procedures repealed by **section 22** except with regard to: (1) the required contents of a written notice; (2) certain requirements relating to filings made with the court; and (3) the period of time before the removal of a tenant. Instead of requiring a tenant who contests a summary eviction to file an affidavit in court before the landlord files a complaint, **sections 2 and 6.5** require the landlord, upon the expiration of certain notice provided to the tenant, to: (1) apply by affidavit of complaint for the summary eviction of the tenant; and (2) serve the tenant with a file-stamped copy of the affidavit of complaint, a copy of the summons and certain notice. **Sections 2 and 6.5 additionally require the landlord to file with the court proof of service of the affidavit, summons and notice within a prescribed period.** **Sections 2 and 6.5** require the tenant to file an answer to the affidavit of compliant within ~~[10]~~ **7** calendar days after the date of service. If a tenant files an answer within the prescribed period, a hearing is held. If no such answer is filed, **sections 2 and 6.5** authorize the court, without holding a hearing, to order the removal of the tenant within a prescribed period **under certain circumstances**. **Sections 9-20** of this bill make conforming changes relating to the repeal, revision and reorganization of the procedures for summary eviction.

Existing law requires a court that grants an action for summary eviction for a default in the payment of rent during the COVID-19 emergency to automatically seal the eviction case court file. (NRS 40.2545) **Section 11** of this bill removes requirements relating to the COVID-19 emergency, thereby requiring a court that grants an action for summary eviction brought pursuant to **section 2** to automatically seal the eviction case court file. **Section 11** also requires a court to automatically seal the eviction case court file for an action for summary eviction brought pursuant to **section 6.5** if the landlord fails to file an affidavit of complaint for summary eviction within the time prescribed by **section 6.5**.

Nothing in this section shall be deemed to preclude the commencement of a proceeding for forfeiture or the forfeiture of the property or mobile home, whether or not the notices required by this section are given as required, if the proceeding and forfeiture are otherwise authorized pursuant to NRS 179.1156 to 179.1205, inclusive, and 453.301.

5. As used in this section, "tenant" means any person entitled under a written or oral rental agreement to occupy real property or a mobile home to the exclusion of others.

Sec. 20. NRS 645H.520 is hereby amended to read as follows:

645H.520 1. Subject to the provisions of NRS 645H.770, the services an asset management company may provide include, without limitation:

(a) Securing real property in foreclosure once it has been determined to be abandoned and all notice provisions required by law have been complied with;

(b) Providing maintenance for real property in foreclosure, including landscape and pool maintenance;

(c) Cleaning the interior or exterior of real property in foreclosure;

(d) Providing repair or improvements for real property in foreclosure; and

(e) Removing trash and debris from real property in foreclosure and the surrounding property.

2. An asset management company may dispose of personal property abandoned on the premises of a residence in foreclosure or left on the premises after the eviction of a homeowner or a tenant of a homeowner without incurring civil or criminal liability in the following manner:

(a) The asset management company shall reasonably provide for the safe storage of the property for 30 days after the abandonment or eviction and may charge and collect the reasonable and actual costs of inventory, moving and storage before releasing the property to the homeowner or the tenant of the homeowner or his or her authorized representative rightfully claiming the property within that period. The asset management company is liable to the homeowner or the tenant of the homeowner only for the asset management company's negligent or wrongful acts in storing the property.

(b) After the expiration of the 30-day period, the asset management company may dispose of the property and recover his or her reasonable costs from the property or the value thereof if the asset management company has made reasonable efforts to locate the homeowner or the tenant of the homeowner, has notified the homeowner or the tenant of the homeowner in writing of his or her intention to dispose of the property and 14 days have elapsed since the notice was given to the homeowner or the tenant of the homeowner. The notice must be mailed to the homeowner or the tenant of the homeowner at the present address of the homeowner or the tenant of the homeowner and, if that address is unknown, then at the last known address of the homeowner or the tenant of the homeowner.

(c) Vehicles must be disposed of in the manner provided in chapter 487 of NRS for abandoned vehicles.

3. Any dispute relating to the amount of the costs claimed by the asset management company pursuant to paragraph (a) of subsection 2 may be resolved using the procedure provided in ~~[subsection 7 of NRS 40.253.]~~ ***section 5 of this act.***

Sec. 21. The amendatory provisions of sections 2 to 20, inclusive, of this act apply to an action for summary eviction which accrues on or after October 1, 2023.

Sec. 22. NRS 40.253 and 40.254 are hereby repealed.

TEXT OF REPEALED SECTIONS

40.253 Unlawful detainer: Supplemental remedy of summary eviction and exclusion of tenant for default in payment of rent.

1. Except as otherwise provided in subsection 12, in addition to the remedy provided in NRS 40.2512 and 40.290 to 40.420, inclusive, when the tenant of any dwelling, apartment, mobile home or recreational vehicle with periodic rent reserved by the month or any shorter period is in default in payment of the rent, the landlord or the landlord's agent may cause to be served a notice in writing, requiring in the alternative the payment of the rent or the surrender of the premises:

(a) Before the close of business on the seventh judicial day following the day of service; or

(b) If the landlord chooses not to proceed in the manner set forth in paragraph (a) and the rent is reserved by a period of 1 week or less and the tenancy has not continued for more than 45 days, at or before noon of the fourth full day following the day of service.

➥ As used in this subsection, "day of service" means the day the landlord or the landlord's agent personally delivers the notice to the tenant. If personal service was not so delivered, the "day of service" means the day the notice is delivered, after posting and mailing pursuant to subsection 2, to the sheriff or constable for service if the request for service is made before noon. If the request for service by the sheriff or constable is made after noon, the "day of service" shall be deemed to be the day next following the day that the request is made for service by the sheriff or constable.

2. A landlord or the landlord's agent who serves a notice to a tenant pursuant to paragraph (b) of subsection 1 shall attempt to deliver the notice in person in the manner set forth in subsection 2 of NRS 40.2542. If the notice cannot be delivered in person, the landlord or the landlord's agent:

(a) Shall post a copy of the notice in a conspicuous place on the premises and mail the notice by overnight mail; and

(b) After the notice has been posted and mailed, may deliver the notice to the sheriff or constable for service in the manner set forth in subsection 1 of NRS 40.280. The sheriff or constable shall not accept the notice for service unless it is accompanied by written evidence, signed by the tenant when the tenant took possession of the premises, that the landlord or the landlord's agent informed the tenant of the provisions of this section which set forth the lawful procedures for eviction from a short-term tenancy. Upon acceptance, the sheriff or constable shall serve the notice within 48 hours after the request for service was made by the landlord or the landlord's agent.

3. A notice served pursuant to subsection 1 or 2 must:

(a) Identify the court that has jurisdiction over the matter; and

(b) Advise the tenant:

(1) Of the tenant's right to contest the matter by filing, within the time specified in subsection 1 for the payment of the rent or surrender of the premises, an affidavit with the court that has jurisdiction over the matter stating that the tenant has tendered payment or is not in default in the payment of the rent;

(2) That if the court determines that the tenant is guilty of an unlawful detainer, the court may issue a summary order for removal of the tenant or an order providing for the nonadmittance of the tenant, directing the sheriff or constable of the county to post the order in a conspicuous place on the premises not later than 24 hours after the order is received by the sheriff or constable. The sheriff or constable shall remove the tenant not earlier than 24 hours but not later than 36 hours after the posting of the order; and

(3) That, pursuant to NRS 118A.390, a tenant may seek relief if a landlord unlawfully removes the tenant from the premises or excludes the tenant by blocking or attempting to block the tenant's entry upon the premises or willfully interrupts or causes or permits the interruption of an essential service required by the rental agreement or chapter 118A of NRS.

4. If the tenant files such an affidavit at or before the time stated in the notice, the landlord or the landlord's agent, after receipt of a file-stamped copy of the affidavit which was filed, shall not provide for the nonadmittance of the tenant to the premises by locking or otherwise.

5. Upon noncompliance with the notice:

(a) The landlord or the landlord's agent may apply by affidavit of complaint for eviction to the justice court of the township in which the dwelling, apartment, mobile home or recreational vehicle are located or to the district court of the county in which the dwelling, apartment, mobile home or recreational vehicle are located, whichever has jurisdiction over the matter. The court may thereupon issue an order directing the sheriff or constable of the county to post the order in a conspicuous place on the premises not later than 24 hours after the order is received by the sheriff or constable. The sheriff or constable shall remove the tenant not earlier than 24 hours but not later than 36 hours after the posting of the order. The affidavit must state or contain:

(1) The date the tenancy commenced.

(2) The amount of periodic rent reserved.

(3) The amounts of any cleaning, security or rent deposits paid in advance, in excess of the first month's rent, by the tenant.

(4) The date the rental payments became delinquent.

(5) The length of time the tenant has remained in possession without paying rent.

(6) The amount of rent claimed due and delinquent.

(7) A statement that the written notice was served on the tenant in accordance with NRS 40.280.

(8) A copy of the written notice served on the tenant.

(9) A copy of the signed written rental agreement, if any.

(b) Except when the tenant has timely filed the affidavit described in subsection 3 and a file-stamped copy of it has been received by the landlord or the landlord's agent, and except when the landlord is prohibited pursuant to NRS 118A.480, the landlord or the landlord's agent may, in a peaceable manner, provide for the nonadmittance of the tenant to the premises by locking or otherwise.

6. Upon the filing by the tenant of the affidavit permitted in subsection 3, regardless of the information contained in the affidavit, and the filing by the landlord of the affidavit permitted by subsection 5, the justice court or the district court shall hold a hearing, after service of notice of the hearing upon the parties, to determine the truthfulness and sufficiency of any affidavit or notice provided for in this section. If the court determines that there is no legal defense as to the alleged unlawful detainer and the tenant is guilty of an unlawful detainer, the court may issue a summary order for removal of the tenant or an order providing for the nonadmittance of the tenant. If the court determines that there is a legal defense as to the alleged unlawful detainer, the court shall refuse to grant either party any relief, and, except as otherwise provided in this subsection, shall require that any further proceedings be conducted pursuant to NRS 40.290 to 40.420, inclusive. The issuance of a summary order for removal of the tenant does not preclude an action by the tenant for any damages or other relief to which the tenant may be entitled. If the alleged unlawful detainer was based upon subsection 5 of NRS 40.2514, the refusal by the court to grant relief does not preclude the landlord thereafter from pursuing an action for unlawful detainer in accordance with NRS 40.251.

7. The tenant may, upon payment of the appropriate fees relating to the filing and service of a motion, file a motion with the court, on a form provided by the clerk of the court, to dispute the amount of the costs, if any, claimed by the landlord pursuant to NRS 118A.460 for the inventory, moving and storage of personal property left on the premises. The motion must be filed within 20 days after the summary order for removal of the tenant or the abandonment of the premises by the tenant, or within 20 days after:

(a) The tenant has vacated or been removed from the premises; and

(b) A copy of those charges has been requested by or provided to the tenant,

➥ whichever is later.

8. Upon the filing of a motion pursuant to subsection 7, the court shall schedule a hearing on the motion. The hearing must be held within 10 days after the filing of the motion. The court shall affix the date of the hearing to the motion and order a copy served upon the landlord by the sheriff, constable or other process server. At the hearing, the court may:

(a) Determine the costs, if any, claimed by the landlord pursuant to NRS 118A.460 and any accumulating daily costs; and

(b) Order the release of the tenant's property upon the payment of the charges determined to be due or if no charges are determined to be due.

9. The tenant may, upon payment of the appropriate fees relating to the filing and service of a motion, file a motion with the court on a form provided by the clerk of court to dispute the reasonableness of the actions of a landlord pursuant to subsection 3 of NRS 118A.460. The motion must be filed within 5 days after the tenant has vacated or been removed from the premises. Upon the filing of a motion pursuant to this subsection, the court shall schedule a hearing on the motion. The hearing must be held within 5 days after the filing of the motion. The court shall affix the date of the hearing to the motion and order a copy served upon the landlord by the sheriff, constable or other process server. At the hearing, the court may:

(a) Order the landlord to allow the retrieval of the tenant's essential personal effects at the date and time and for a period necessary for the retrieval, as determined by the court; and

(b) Award damages in an amount not greater than $2,500.

10. In determining the amount of damages, if any, to be awarded under paragraph (b) of subsection 9, the court shall consider:

(a) Whether the landlord acted in good faith;

(b) The course of conduct between the landlord and the tenant; and

(c) The degree of harm to the tenant caused by the landlord's conduct.

11. A landlord shall not refuse to accept rent from a tenant that is submitted after the landlord or the landlord's agent has served or had served a notice pursuant to subsection 1 if the refusal is based on the fact that the tenant has not paid collection fees, attorney's fees or other costs other than rent, a reasonable charge for late payments of rent or dishonored checks, or a security deposit. As used in this subsection, "security deposit" has the meaning ascribed to it in NRS 118A.240.

12. Except as otherwise provided in NRS 118A.315, this section does not apply to:

(a) The tenant of a mobile home lot in a mobile home park or to the tenant of a recreational vehicle lot in an area of a mobile home park in this State other than an area designated as a recreational vehicle lot pursuant to the provisions of subsection 8 of NRS 40.215.

(b) A tenant who provides proof to the landlord that he or she is a federal worker, tribal worker, state worker or household member of such a worker during a shutdown.

13. As used in this section, "close of business" means the close of business of the court that has jurisdiction over the matter.

40.254 Unlawful detainer: Supplemental remedy of summary eviction and exclusion of tenant from certain types of property.

1. Except as otherwise provided by specific statute, in addition to the remedy provided in NRS 40.290 to 40.420, inclusive, when the tenant of a dwelling unit, part of a low-rent housing program operated by a public housing authority, a mobile home or a recreational vehicle is guilty of an unlawful detainer pursuant to NRS 40.250, 40.251, 40.2514 or 40.2516, the landlord or the landlord's agent may utilize the summary procedures for eviction as

provided in NRS 40.253 except that written notice to surrender the premises must:

(a) Be given to the tenant in accordance with the provisions of NRS 40.280;

(b) Advise the tenant of the court that has jurisdiction over the matter; and

(c) Advise the tenant of the tenant's right to:

(1) Contest the notice by filing before the court's close of business on the fifth judicial day after the day of service of the notice an affidavit with the court that has jurisdiction over the matter stating the reasons why the tenant is not guilty of an unlawful detainer; or

(2) Request that the court stay the execution of the order for removal of the tenant or order providing for nonadmittance of the tenant for a period not exceeding 10 days pursuant to subsection 2 of NRS 70.010, stating the reasons why such a stay is warranted.

2. The affidavit of the landlord or the landlord's agent submitted to the justice court or the district court must state or contain:

(a) The date when the tenancy commenced, the term of the tenancy and, if any, a copy of the rental agreement. If the rental agreement has been lost or destroyed, the landlord or the landlord's agent may attach an affidavit or declaration, signed under penalty of perjury, stating such loss or destruction.

(b) The date when the tenancy or rental agreement allegedly terminated.

(c) The date when written notice to surrender was given to the tenant pursuant to the provisions of NRS 40.251, 40.2514 or 40.2516, together with any facts supporting the notice.

(d) The date when the written notice was given, a copy of the notice and a statement that notice was served in accordance with NRS 40.280 and, if applicable, a copy of the notice of change of ownership served on the tenant pursuant to NRS 40.255 if the property has been purchased as a residential foreclosure.

(e) A statement that the claim for relief was authorized by law.

3. If the tenant is found guilty of unlawful detainer as a result of the tenant's violation of any of the provisions of NRS 453.011 to 453.552, inclusive, except NRS 453.336, the landlord is entitled to be awarded any reasonable attorney's fees incurred by the landlord or the landlord's agent as a result of a hearing, if any, held pursuant to subsection 6 of NRS 40.253 wherein the tenant contested the eviction.

Bill read third time.

The following amendment was proposed by Assemblyman Carter:

Amendment No. 500.

AN ACT relating to railroads; establishing requirements for the installation and operation of wayside detector systems; requiring a stopped train or other equipment to be cut, separated or moved to clear a railroad grade crossing upon the approach of an emergency vehicle; providing a civil penalty; **prohibiting the operation in this State of certain trains that are more than 7,500 feet long on certain railroad tracks;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes provisions governing the operation of railroads in this State. (Chapter 705 of NRS) **Section 1.18** of this bill prohibits a person from installing a wayside detector system in this State unless the wayside detector system has certain features. **Section 1.18** requires a person who installs a wayside detector system alongside or on a railroad to ensure such systems are located within a certain distance of each other and requires the operator of any train, rolling stock or on-track equipment to take certain actions when passing wayside detector systems which are not located in this manner. **Section 1.2** of this bill establishes requirements for the alarm on a wayside detector system. **Section 1.22** of this bill requires the operator of any train, rolling stock or on-track equipment to take certain action when notified by a wayside detector system of a defect or that the number of axles on a train is more or less than the reported number. **Sections 1.1-1.16** of this bill define terms related to wayside detector systems. **Section 1.24** of this bill requires a railroad company to ensure the employees of the company are aware of and understand the provisions of **sections 1.1-1.22** of this bill and imposes a penalty for the knowing violation of those provisions.

Section 1.26 of this bill requires, except in the case of a mechanical failure, a train, rolling stock or other on-track equipment which has come to a complete stop and is blocking a railroad grade crossing to be cut, separated or moved upon the approach of an authorized emergency vehicle.

Section 1.28 of this bill: (1) prohibits a railroad doing business in this State from running or allowing to be run on certain railroad tracks a work or freight train that exceeds 7,500 feet in length; and (2) provides that a person who violates this prohibition is liable to the Public Utilities Commission of Nevada for a civil penalty.

Assembly Bill No. 285.

Bill read third time.

Remarks by Assemblymen Taylor, Thomas, Summers-Armstrong, Orentlicher, O'Neill, La Rue Hatch, and Torres.

ASSEMBLYWOMAN TAYLOR:

Assembly Bill 285 is intended to provide support to students while utilizing the restorative justice framework. This support happens while providing an environment that is safe and productive for all students, teachers, and schools while allowing a reentry plan for any student who may be suspended or expelled.

Doing the work with my colleagues on Assembly Bill 285, I can say the intention is to thread the needle—thread the line between keeping students safe, providing support for students, while at the same time dancing that nuance, if you will, to make sure everyone in the school environment is safe and able to learn.

ASSEMBLYWOMAN THOMAS:

Today, I rise in strong opposition to AB 285. I will read from the statements I have received from some of my community's teachers and principals:

> Teachers and administrators may feel a false sense of security as they enforce rules even for minor infractions and increasingly exclude students from the classroom. But safety requires a school climate approach where students internally adopt the need for community rules and appropriate behaviors. Harsh enforcements suppress certain unacceptable behaviors, but they do not address the whole school. In the long run, social-emotional learning and school climate approaches create a stable and safer school environment.

Many of you have heard the famous quote by Tom Herner from 1998: "If a child does not know how to read, we teach. If a child does not know how to swim, we teach. If a child does not know how to multiply, we teach. If a child does not know how to drive, we teach. If a child does not know how to behave, we ...teach? ...punish? Why can't we finish the last sentence as automatically

as we do the others?" Similarly, if a student repeatedly misses the same math problem, do we give up on that student and kick them out of class? Instead, as educators, we provide interventions and support for that student. We provide accommodation so students can learn. Thus, we teach. I speak for the students of Black, Brown, and Indigenous children of the state of Nevada.

ASSEMBLYWOMAN SUMMERS-ARMSTRONG:

I rise in opposition to AB 285. I honor and appreciate the work of my colleague from AD [Assembly District] 27 and those in this room who have worked diligently to try and find middle ground, but I cannot overcome the fact that we are suspending children as young as 6 years old, and we have no solid plan for what we will do with those children when they are expelled from school.

I like to explain things with analogies. I am not a super educated person, but I have lived a long life. We do not buy auto insurance after we have had a wreck. We buy auto insurance in preparation for the day we need it. We cannot wait for a child to be expelled and then plan on restorative justice. We have to have a plan in place. We have to have understanding from the top of our educational system to the bottom—from the trustees to the janitor—about what we will do and how we will act and move when we have a child who has issues. That means we have to have processes, support, and professionals in place who will help that child if they get in trouble.

With all the work that was done on this bill, we still have a gap where we do not have a solution for that group of children. I am hopeful we will consider this and know that there are thousands of children—most of them Black, Brown, Indigenous, and other children of color—who will be hurt because we, the adults in the room, do not have a clear plan.

ASSEMBLYMAN ORENTLICHER:

I want to start by commending our colleague from Assembly District 27 for addressing a critical issue. I have heard a lot from constituents about the problem of school discipline, and I agree that we need to do something. I commend her for all the efforts she is making to thread the needle, as our colleague put it, to find the right balance. I also share the concerns of our colleagues in Districts 6 and 17. We have not found the balance yet. This is not the perfect bill or the bill I would like to support, but I am going to vote for it today because I want to keep the process going. We need to do something to address it. I want to give our colleague from Assembly District 27 the chance to find the right balance, so I will be supporting the bill today.

ASSEMBLYMAN O'NEILL:

I rise today in support of AB 285. I will try to keep this short, Mr. Speaker and fellow Assembly members. I want to express appreciation to our fellow colleagues from ADs 36 and 27 and commend the work being done in a bipartisan way. It is truly bipartisan. We have come together and worked on this bill. One of our colleagues has years of experience, being involved with numerous children in the educational system, raising them, and the other has been responsible for an entire school district, making sure students perform to the best levels possible.

To have education, you must have organization. To have organization, we must have some kind of togetherness, and we must have an ability for the teacher to reach out to all students and not have to pay attention to just those who want attention, including negative attention.

With that, I ask my colleagues—all of you—to vote in support of AB 285 and commend this bipartisan work being done by our colleagues from Districts 36 and 27.

ASSEMBLYWOMAN LA RUE HATCH:

I rise in support of Assembly Bill 285. As a schoolteacher, I have seen the crisis that is happening in our schools. It is a crisis of behavior. It is a crisis of violence. Our educators do need relief, but I want to make very clear, this crisis is much, much larger than this bill. There are many factors that are impacting this crisis of behavior. I think we are asking our educators to solve societal issues in our classroom. I think that is a problem.

I am in support of this bill because it moves us incrementally forward; however, I would urge us to look at the very serious issues causing this behavior, including mental health support and class sizes, which are the largest class sizes in the nation. I urge your support, but I also urge us to continue working on this issue.

ASSEMBLYWOMAN TORRES:

I rise in support of AB 285 today, and I want to thank my colleagues from Assembly District 27 and Assembly District 32 for their commitment to working with me on this issue. I want to say that we have probably spent well over 40 hours in meetings on just this topic alone. In 2019, I worked alongside my former colleague from Assembly District 17 so that we could pass AB 168 of the 80th Session, which created the current restorative justice laws here in the state of Nevada. At its crux, restorative justice is about holding students accountable, it is about remedies to the behavior, it is about relief to the victim, and it is about changing the behaviors of students. All of that is in this phenomenal piece of legislation. I support AB 285 because it reinforces this belief. I come from a family of educators—my mom, my siblings, my brother-in-law, myself. We deserve to feel safe on our campuses, because this safety is critical to fostering a learning environment where our kids can also feel safe. I know restorative justice works because it is a critical part of my practice every single day.

After implementing the 2019 bill, it was clear the legislation failed to address three critical components that are addressed in this piece of legislation today. One, it did not do anything for data transparency regarding student discipline, especially making sure the Legislature receives that data. Two, it did not outline a plan based on restorative approaches. It said we required one, but we did not include the details for that plan. This phenomenal piece of legislation does just that. It determines whether the student needs additional community-based services or school services while also creating a plan for students so they can come back, because when a student leaves our classrooms, our ultimate goal is to get them back in that classroom. The bill codifies the appeals process for suspensions and expulsions, which empowers Nevada's students and parents. I urge your support of AB 285.

Roll call on Assembly Bill No. 285:

YEAS—38.

NAYS—Considine, Mosca, Summers-Armstrong, Thomas—4.

Assembly Bill No. 285 having received a constitutional majority, Mr. Speaker declared it passed, as amended.

Bill ordered transmitted to the Senate.

Assembly Bill No. 330.

Bill read third time.

Remarks by Assemblymen Bilbray-Axelrod, Thomas, La Rue Hatch, Summers-Armstrong, Hansen, and Gray.

ASSEMBLYWOMAN BILBRAY-AXELROD:

Assembly Bill 330 makes various changes relating to the behavior and discipline of pupils. It establishes certain conditions concerning disciplinary notifications and appeals and requires the reporting and review of certain disciplinary data, including data concerning disproportionality of punishments.

The bill also outlines certain provisions concerning the removal of a pupil from a classroom or school, including requiring the provision of a plan for the restorative discipline of a temporarily removed pupil; removing certain requirements concerning the return of a pupil under certain circumstances; removing the requirement that a pupil be given the opportunity for a hearing prior to suspension or expulsion under certain circumstances; and allowing a pupil to be temporarily removed prior to the provision of a plan of action based on restorative justice under certain circumstances.

I want to thank everyone who worked tirelessly—and I do mean tirelessly—on this and the previous bill to get the language we are voting on today. The conversations were open and heartfelt, and I believe these bills will help teachers and students feel safe while recognizing that different situations should have different consequences and outcomes. As a mom and in my role as Chair of the Assembly Committee on Education, I would never move legislation forward that would give up on a child. Restorative justice, at its core, looks at the whole child. When

implemented properly, it recognizes that social-emotional learning is imperative for a child's success. I urge you to vote yes on AB 330.

ASSEMBLYWOMAN THOMAS:

I rise in strong opposition to Assembly Bill 330. While I understand calls for increased safety in schools, this push for increasing a punitive response to discipline procedures sends a message that adults' needs supersede those of our children and affirms a dynamic in which students are perceived as potential threats and/or criminals, rather than young people in distress in need of wraparound services. It is taking us entirely in the wrong direction. This bill further contributes to discipline disparities for our state's Black, Brown, and Indigenous student population. According to the 2021-2022 discipline data, African-American students make up 12.15 percent of the student population, yet account for 31.66 percent of suspensions and 38.14 percent of expulsions. Additionally, these disparities seem consistent with poverty, homelessness, health care, academic achievement, and incarceration.

It is my understanding that when I come into these halls, I feel safe because the administration has made me feel safe. In my 20 years in the United States Air Force, at every facility I went to, the base commanders made me feel safe. When I worked at the Regional Justice Center in Clark County, in a courtroom with alleged criminals, I felt safe. The administration made me feel safe. I am asking that this body stop overreaching and let the administrators of our schools do their job to make teachers and students feel safe. Expulsion is not the answer. We are too educated in this 21st century to accept the fact that expulsion is an answer, especially in Assembly Bill 330, where we are looking at 6-year-old students being expelled. What do we do with them? Where do they go? Should we build more jails? I guarantee you, in two years, you will hear bills saying we need more jails. Who will be in those jails? Black, Brown, and Indigenous people, because that is the way our nation is.

ASSEMBLYWOMAN LA RUE HATCH:

I rise in support of AB 330 as an educator who believes we need to find a balance and we need to have safety in our schools. I want to echo the concerns of my colleague because I think there are many schools where a principal is not making their staff feel safe. I think there are larger issues than this bill.

I would like to share some information with the body. In Clark County, there is a ratio of 1,000 students for 1 counselor, and that is a problem for mental health. We have classes of 45 and 50, and that is a problem for behavior. Once again, while I will be in support of this bill, I urge us to continue working on those larger problems.

I would also like to stand in solidarity with my colleague from Assembly District 17, who is fighting for her community and who has endured disingenuous and dishonest attacks as a result. I think that is unacceptable, and I want to make that publicly clear.

ASSEMBLYWOMAN SUMMERS-ARMSTRONG:

I rise in opposition to AB 330. Earlier, we heard these last two bills we are talking about would implement restorative justice. We had a previous piece of legislation that had an outline for restorative justice, but it was not implemented. That is why we are here today. That bill laid out steps and requirements. The word "shall" was included in the language. It talked about positive behavior intervention and a plan for referrals to individualized educational programs and support teams. The thing that was missing was implementation.

I have received a letter from community organizations that are extremely concerned about these bills, and I will tell you a little bit about what they are saying. There are currently no alternative school placements for elementary school-aged children. The students who will be most impacted by these policies are students in poverty, students of color, homeless students, those who are abused and neglected. Thus, unless the family can afford private instruction or to home school their child, a student will miss out on educational instruction during the most formative years of their life. Those are the students I represent, students in historic west Las Vegas and near North Las Vegas, whose families and generations before them suffered from the intentional segregation of their schools—disenfranchisement, disinvestment, lack of funding. These are the children who will be affected—students at schools near me that are predominantly Black and Brown, where the

school districts have not worked diligently, from my perspective, to ensure those students have the resources they need.

These children did not ask to be born into poverty. They did not ask to be born into homelessness. But they are here, and they are our responsibility. If we continue to blame them and hold them responsible for pulling themselves up from bootstraps they do not even own and do not even have the ability to purchase, what are we saying to them? That they are left to their own devices to find a way when they have no ability to do so. But we do. We have the chance to do something effective to help these children that is more than just saying, Get out. That is not how we all got here. We are here because someone opened the door for us and allowed us an opportunity to grow and be educated to be in this space.

Even with all the language in these bills, there are still things we must consider. These bills do not solve the issue of discipline. That is something deeper. If we are not going to be committed to restorative justice and the implementation of it, before we put anybody out of school, it is again going to fail.

ASSEMBLYWOMAN HANSEN:

I rise in support of Assembly Bill 330. A lot has been said. There is, of course, a lot of opinion and a lot of emotion in this body. It goes without saying that we all care. We absolutely care. I am here to reassure my colleagues that I would never be a party to legislation that would throw away children. I do not think any of us would. We know that from this body, bills still need work, and they still continue to have adjustments. It has been an honor to be involved with those of you here and to be involved with those who have had concerns. We have heard those concerns, and I will make a commitment going forward from here that we will do our best to ensure Nevada's children and Nevada's teachers are protected, that staff is protected, and that administrators are allowed to do their jobs. That is why AB 330 and AB 285 are needed—so that administrators can do their jobs and continue to provide the opportunity for safety to our students and our staff.

I thank those who have been involved. I thank those who have mentioned their opposition, and we will work through that. I wanted to be on the record to let you know that my heart is in this, and I will be part of this in the interim. Hopefully, we can come back here and have a good report because data will be available. That was part of this bill. It is important we know about the disproportionality and, if it is there, how we are addressing it. We need to have full transparency, and I feel that these bills do that. I urge my colleagues to support AB 330.

ASSEMBLYMAN GRAY:

I rise in support of AB 330. When we talk about improving our education system, we must address, as a first priority, the issue of violence in our classrooms. In the Clark County School District last year alone, police responded to nearly 6,000 violent act calls. Some of the restorative justice policies that have been in place since the 2019 Legislature have prevented teachers from controlling their classroom and creating safe learning environments for their students. Let us not forget, that is their first and foremost responsibility—to provide a safe place for their number one job, education. They go hand in hand.

The ethos behind these restorative justice principles was no doubt well-intended; however, the 2019 legislation clearly requires some well-thought-out revision so our classrooms can be safe and productive. We stand with AB 330 and commend the bipartisan work our colleagues have done on the issue. I respectfully request all of my colleagues in this institution to vote yes on AB 330.

Assembly Bill 11 prohibits hospitals or psychiatric hospitals from employing certain physicians for practicing medicine except where expressly authorized by law. Hospitals violating these provisions may have their license suspended or revoked and are subject to certain administrative penalties. The bill exempts hospitals or psychiatric hospitals employing physicians who are participating in specific graduate programs and medical facilities that are owned or operated by the federal or state government, a church, or religious denomination.

Further, this bill prohibits hospitals from taking measures to restrict certain activity of health care providers whom they employ or who serve as independent contractors, including prohibiting in contracts with or taking any action against providers who discuss with others their salary, wages, or working conditions, or who work for another medical facility and entering into noncompetition covenants with providers that prohibit them from providing medical services for other medical facilities.

ASSEMBLYMAN GURR:

Assembly Bill 34 revises certain provisions relating to the State Engineer's public notice requirements. The bill eliminates the statutory requirement that certain notices and orders be published consecutively and adds a requirement for the Division of Water Resources to post certain orders and notices on its website.

Additionally, AB 34 revises the time period for individuals to file written protest against the granting of certain applications and allows that if no protest is received within a certain timeframe, the State Engineer may presume publication and process the application conditionally. The State Engineer may not grant the application or issue a permit until he or she files proof of proper publication.

Assembly Bill No. 65.

Remarks by Assemblywomen Bilbray-Axelrod and Hansen.

ASSEMBLYWOMAN BILBRAY-AXELROD:

Assembly Bill 65 makes various changes related to education. The bill revises the definition of bullying and certain requirements for investigating and reporting certain instances of bullying, cyberbullying, and discrimination based on race. Furthermore, the bill requires the Superintendent of Public Instruction of Nevada's Department of Education, rather than the State Board of Education, to approve work-based learning programs. Finally, the bill makes changes relating to kindergarten and starting school, including requiring a child to be 5 years of age on or before August 1 preceding a school year in order to be admitted to kindergarten; complete kindergarten; and begin attending public school at 6, rather than the current age, which is 7.

I want to mention something quickly because I know my dear colleague from Assembly District 32 will be speaking in opposition, and I respect her very much. I thought it was important to add the language around children starting at the age of 6. It was not that long ago—if memory serves, it was two sessions ago—that you could be tried as an adult at age 8. I think our kids deserve chances. That is what we are talking about—doing right by kids. Starting them early is a way we can start with that social-emotional learning and help set kids up for success. I urge your support.

ASSEMBLYWOMAN HANSEN:

I rise in opposition to AB 65. With all due respect to my most excellent Chair of Education, it was the amendment that took me to opposition. Since 1957, we have included in NRS [*Nevada Revised Statutes*] that children are to be enrolled in school by the age of 7. I believe changing decades-old policy was more worthy of a hearing rather an amendment. The reason I would prefer it to be done with a hearing and not just by amendment is because it changes decades-old policy and because the vast majority of children are in school before the age of 7. There are circumstances where parents ought to not start their children until age 7. There are studies to bolster some of those parents' choice to delay enrollment to age 7. A study out of Stanford University by researchers Thomas Dee and Hans Henrik Sievertsen found:

> …[K]ids who started kindergarten a year later than average students had 73 percent better scores on tests of their hyperactivity and inattention four years later…. Schools in Nordic countries are not exactly strangers to enrolling kids in school later in life. In Finland, for example, it is not uncommon for kids to begin formal schooling at age 8. Much of their childhood is spent either at home or in a form of pre-kindergarten, where the biggest emphases are on playtime and social skills. Traditional subjects do not enter the picture until later…. Students in Finland (and other Nordic countries) are some of the top-performing nations in the annual PISA [Programme for International Student Assessment] education rankings….

In closing, I urge my colleagues to vote no on AB 65. I would encourage a better vetting process—a legislative hearing where data and studies could be reviewed—for changing this decades-old policy from age 7 to 6. While the state might have good intentions, parents know what is best for their children, and this long-standing policy has not proven to be a problem but rather a reasonable benchmark for enrollment. I urge my colleagues to vote no on AB 65.

Growing up as a low-income student of color, I originally was put on the regular classes track. It was not until a teacher said she saw something in me that I was put on a different track, which allowed me to graduate and become the first in my family to go to college, a Harvard graduate, and a member of this body. This bill ensures that all young people have access to any opportunities they choose, and I urge its passage.

Assembly Bill 250 prohibits a person or entity, during a price applicability period, that purchases a drug, that is subject to a maximum fair price in this state from paying a price that is higher than the maximum fair price, or seeks reimbursement for a drug subject to a maximum fair price that is delivered, dispensed, or administered to a person in this state, from seeking reimbursement at a higher rate than the maximum fair price. The measure also requires any such person or entity to maintain a registered agent and an office or base of operations in this state. The bill makes it a deceptive trade practice for any person to violate the prohibition.

Nevadans have seen a 500 percent increase in the cost of prescription drugs over the last 30 years, the highest cost increase in the nation. The cost of prescription drugs affects every family and every community across our state. Nevadans across the state and across the political spectrum support cutting the costs of medicine for their families. I brought this legislation forward because it is an opportunity to provide relief to Nevadans dealing with significant health issues. For Nevadans of all ages—for the grandfather and the grandson with the same life-altering health issues, for the 68-year-old suffering from breast cancer and the 22-year-old suffering with the same cancer—I urge this body to vote yes on this legislation so we can continue to lower health care costs for Nevadans.

Assembly Bill No. 309.

Bill read third time.

Remarks by Assemblywoman Hansen.

ASSEMBLYWOMAN HANSEN:

Assembly Bill 309 authorizes the use of secret electronic ballots for the election or removal of members of the executive board of a unit-owners' association of a common-interest community and for the election of delegates or representatives to exercise the voting rights of unit owners in such an association. The bill also provides that money in the operating account of an association may be withdrawn without the usual required signatures for the purpose of making automatic payments for certain costs.

I know you have all been waiting for it—here is your HOA [homeowners' association] bill for this session, so I look forward to your support.

Assembly Bill No. 354.
Bill read third time.
Remarks by Assemblymen Jauregui and Yurek.

ASSEMBLYWOMAN JAUREGUI:

Assembly Bill 354 prohibits, under certain circumstances, a person from possessing or causing a firearm to be present within 100 feet of an entrance to a place the person knows or reasonably should know is an election site. This prohibition does not apply to a law enforcement officer engaged in the performance of official duties or a private guard or security personnel hired by the owner of the facility or property in which the election site is located.

Additionally, this bill prohibits a person from selling, offering to sell, or transferring and possessing, purchasing, transporting, or receiving an unfinished frame or receiver, ready frame or receiver, or market frame or receiver unless the recipient is a firearms dealer or an importer or manufacturer or such a firearm has been imprinted with a serial number.

Last week, the Assembly took action to make Nevada's families and communities safer by passing Assembly Bill 355, which would raise the age requirement to purchase an assault weapon from 18 to 21. Now with Assembly Bill 354, we have another chance to take a step in the right direction and protect everyday Nevadans from the epidemic of gun violence.

Since 2020, many poll workers and everyday Nevadans have felt endangered at their voting location. The right of a registered voter to safely and freely access the ballot is fundamental to our democracy. Prohibiting guns at polling locations is important for ensuring voters' safety, preventing voter intimidation, promoting peaceful elections, upholding the law, and reflecting public opinion.

This legislation will also fix a loophole with a disturbing new trend in crime. Ghost guns have become increasingly common in violent crimes that ravage our communities and tear apart Nevada families. In 2021, the number of ghost guns recovered from crime scenes doubled from the previous year, and law enforcement agencies across the nation are raising the alarm, including at the highest levels of the Department of Justice.

Assembly Bill 354 will prohibit guns in polling places, protecting Nevadans' right to vote, and crack down on the loopholes in current law that could otherwise make these untraceable ghost guns even more prevalent in violent crime. Keeping our communities safe should not be a partisan issue, so I urge all of my colleagues to support Assembly Bill 354.

ASSEMBLYMAN YUREK:

Today, I stand in opposition to AB 354. This bill is a classic example of a solution in search of a problem. A review of the statistics reveals that actual incidents of armed individuals showing up at voting sites are rare. So, what purpose does this legislation really serve?

Furthermore, the very issues this bill attempts to mitigate may, in fact, create a variety of other troublesome consequences. Consider these conceivable scenarios: A young mom is carrying a legally concealed handgun in her purse when she runs into the grocery store. She is on the phone and misses a sign indicating early voting is taking place that day. Should she be arrested? Perhaps a young man goes to the mall with some friends and has his legally concealed handgun and does not see the sign indicating early voting is taking place that day on the premises. Should he be arrested? What if a retired police officer who carries a legally concealed handgun goes into city hall during the week that a special election is taking place. Should she be arrested?

The *Nevada Revised Statutes* requires Clark County to have at least 25 early voting locations that operate anywhere from two to three weeks before an election and at least 100 polling places on Election Day. This does not include locations where there may be a ballot box or a drop box. This past November, there were 125 sites located across Clark County alone on Election Day where I, as a retired law enforcement officer with a legal permit to carry my handgun, could be arrested by inadvertently being in one of these many places on Election Day.

If there are, as the proponents of this bill suggest, increased incidents where an armed individual shows up at a polling location to intimidate, threaten, or otherwise harass voters or poll workers, laws on our books already exist to address those situations. For example, under federal law, 18 USC [*United States Code*] §594 makes it illegal to intimidate, threaten, coerce or attempt to intimidate, threaten, or coerce any person for the purpose of interfering with the right to vote. Under 18 USC §241, it is illegal for two or more persons to agree to injure, threaten, or intimidate a person in the exercise of any right secured by our *Constitution*, including the right to vote. But we do not need to rely on federal law to protect our elections because Nevada law also prohibits such conduct. *Nevada Revised Statutes* 293.710 makes it a felony to threaten to use any force, intimidation, coercion, violence, restraint, or undue influence in connection with any election. *Nevada Revised Statutes* 293.730 makes it a felony to remain in or outside of any polling place so as to interfere with the conduct of an election.

The reality is, AB 354 creates unnecessary complexities which serve no real purpose because the risks are nominal, and we already have laws on the books to address these issues without removing firearms from the hands of law-abiding citizens. Accordingly, I respectfully ask that you vote no on AB 354.

ASSEMBLYWOMAN KASAMA:

Assembly Bill 188 allows a physician to prescribe or recommend and a manufacturer to provide or make available an investigational drug, biological product, or device to a patient diagnosed with a life-threatening or severely debilitating disease or condition. The bill further authorizes a physician, upon completion of certain biochemical analyses, to prescribe or recommend an individualized investigational treatment to such a patient. A manufacturer that meets certain requirements may provide such an individualized treatment. If a patient dies while receiving these treatments, the heir or heirs of the deceased patient are not personally liable for any related outstanding debt.

Finally, AB 188 exempts certain manufacturers and health care providers from criminal penalties or professional discipline for specified actions related to investigational or individualized investigational treatments.

This bill is effective on July 1, 2023.

ASSEMBLYMAN ORENTLICHER:

I rise in strong opposition to Assembly Bill 188. Our colleague from Assembly District 2 and I share a similar goal—we both want seriously ill Nevadans to have access to experimental medical treatments that might restore patient health. In fact, Nevadans already can get potentially lifesaving treatments through the expanded access program of the US Food and Drug Administration, or FDA. When doctors request FDA approval to prescribe experimental treatments for their seriously ill patients, the FDA approves more than 99 percent of the requests, generally within a matter of hours or days. In other words, the right to try already exists in Nevada, including for individualized experimental treatments.

So, what would this bill accomplish? It actually would jeopardize the health of Nevadans who suffer from serious illnesses. Under this bill, doctors could provide experimental treatments without FDA approval. Unfortunately, that is bad for patients, as we have seen when doctors provide experimental stem cell treatments without FDA approval. We have seen that for many

patients, unapproved stem cell treatments have not helped. Rather, the treatments have led to life-threatening infections, chronic pain, and even death.

If we want to safeguard patient health, we need to ensure Nevadans always receive the protection FDA oversight provides. I urge you to vote no on this bill.

ASSEMBLYWOMAN LA RUE HATCH:

I also rise in opposition to AB 188. I believe my colleague from Assembly District 20 laid out the fact that this already exists in law. You can already get approval within hours or days.

I am concerned by the trend across this country of undermining the FDA. As a history teacher, I know the FDA was created for a reason. It is there to protect us and our constituents. Their process is not onerous, and I am very concerned by Nevada joining the trends across this nation of undermining trust in the FDA and not protecting our consumers and our constituents.

ASSEMBLYWOMAN KASAMA:

I am concerned by some of my colleagues' statements. It is crucial to understand that right-to-try legislation does not grant carte blanche access to any and all experimental treatments, including the use of stem cells. The law is subject to specific guidelines and limitations that protect both patients and the integrity of medical research. Stem cell treatment is a highly controversial and heavily regulated area of medical research. In the United States, the use of stem cells or fetal tissue in research is governed by the National Institutes of Health Revitalization Act of 1993.

Assembly Bill 188 is designed to give patients with life-threatening illnesses the opportunity to access individualized experimental treatments. The intent of this legislation is to offer hope and possible solutions for patients who have exhausted all other available treatment options. I thank my colleagues for their bipartisan support that gives hope to Nevadans.

ASSEMBLYMAN GRAY:

I rise in support of AB 188. I do not have a prepared remark, but I would like to say, this is going to provide a treatment and hope for people who may be hopeless. They are at their wits' end. The treatment is going to be supervised by a doctor. There will be protocols to oversee the administration of the medication or the treatment, and it should be their right to pursue that hope.

MESSAGES FROM THE SENATE

SENATE CHAMBER, Carson City, April 27, 2023

To the Honorable the Assembly:

I have the honor to inform your honorable body that the Senate on this day adopted Senate Concurrent Resolution No. 3.

SHERRY L. RODRIGUEZ
Assistant Secretary of the Senate

MOTIONS, RESOLUTIONS AND NOTICES

Senate Concurrent Resolution No. 3.

Assemblywoman Cohen moved the adoption of the resolution.

Remarks by Assemblywoman Cohen.

ASSEMBLYWOMAN COHEN:

Senate Concurrent Resolution 3 memorializes Ben Graham.

The concurrent resolution details Ben Graham's amazing career in public service, particularly cofounding Lawyers Concerned for Lawyers and working to improve the judicial system in our state. I am not going to repeat the resolution, but I will briefly mention the Graham family and the way they have opened their home multiple times per year, year after year, whether it was hosting Southern Nevada Association of Women Attorneys or parties for the Clark County District Attorney's Office. Ben led a brigade—and I do mean a brigade—to make a full holiday meal multiple times per year for the community. The Grahams used those gatherings as an opportunity to host food drives for different organizations. They would have hundreds of people per night in their home—again, multiple times per year. They are a wonderful family. Ben was a wonderful person. I am so proud to know them and to have known Ben. I am so proud to know Elana and to have been her first extern when she was the chief of child support for the District Attorney's Office.

With that, I would like to introduce members to the Graham family: Ben's wife, Elana T. Graham; the Honorable Elana Lee Graham; Turner Graham; Luana Graham-Abrao; John McCormick; and Seth T. Floyd. I know the family is happy to be here, and we are very happy to have them here. Please make the family feel welcome.

Mr. Speaker requested the privilege of the Chair for the purpose of making the following remarks:

I want to welcome the family here. Ben Graham was one of the first people I encountered as a lobbyist in this building back in 2013. I do not know anyone who knew more about the criminal code and the history of the criminal code than he did. I remember asking him questions—Why do we do it this way? He would put his arm around me and say, Come with me, young man. I will tell you about how we figured this out. He would tell me stories from 20 or 30 years ago, being in the Woodshed working on these things.

He has been such an inspiration to me. What I am really going to miss is being in the middle of a committee hearing and getting a text message that would invariably be from Ben Graham. He would say, Hey, just a suggestion, or, I do not know if you knew this—these little nuggets of wisdom that came from Ben Graham. I think he certainly made this body function better. He certainly made laws better in this state. I am certainly going to miss him.

I am really happy you all are here today and carrying on the tradition of Ben Graham's famous cookies. I am not going to disclose how many of those I have had so far today, but it is probably too many. Thank you so much for being here. I appreciate it.

Resolution adopted.

Assembly called to order at 12:04 p.m.

Mr. Speaker presiding.

Roll called.

All present except Assemblywomen Peters and Summers-Armstrong, who were excused.

Prayer by the Chaplain, Pastor Rozita Lee.

Our Heavenly Father, we thank You for this day. We give You all glory, Father. You are the most glorious and Supreme Being. We thank You for this Legislature. We thank You, Father, for those who are here to express themselves and present policies for the people of Nevada. We thank You for the time they have dedicated to do this. Lord, we know You have appointed each one of them for a purpose.

This day, Father, we give You thanks as we celebrate Asian American, Native Hawaiian, and Pacific Islander Day. Father, we pray that all of the legislators might remember and edify the AANHPI [Asian American, Native Hawaiian, and Pacific Islander] community at all times. We will do all things for You, Father, not for our own purpose, but for the people You have created. Let them remember this, Father, as they present policies, as they express themselves, and may they do so civilly, one to another, with love. Today, they wear the symbol of love, the circle of the lei of aloha. May they remember this symbol whenever they might not hold any kind of understanding with one another. Let it be done anyway, Father, with love so that when they leave here, they will love one another as You have wanted us to do.

Father, we thank You. We thank You because You love us. We thank You because You give us the privilege of loving You back in return. Throughout the end of this session, Father, let nothing but goodness, purity, and love come from each one and nothing but goodness, purity, and love go out from each one. This is Your day, Father. We give You all blessings. We give You all acknowledgment, and we thank You because we give You all glory. We pray all these things in Jesus' name.

AMEN.

MESSAGE TO THE LEGISLATURE OF NEVADA
EIGHTY-SECOND SESSION, 2023

Mr. Speaker, Madam Majority Leader, honored guests, and fellow legislators, it is very nice to be here. Thank you for giving me your time tonight. You know, I always feel a little nostalgic when I come back to this building. It is very different now. I had to go through about three different doors and security. Before, anybody could walk in. It did not matter. In fact, when I was here, we had somebody who claimed to be from outer space who hung around here. You remember him. So things have changed quite a bit. I look around this room, and I see so many new faces—people I do not know, people I would like to get to know. But the fact is, only three of you were here when I served in the Legislature: Senators Gansert, Ohrenschall, and Goicoechea. They were all in the Assembly. All the rest of you are new to this, and that is what term limits can do. So thank you for being here.

I would also mention someone who is still here and who was here when I was here: the wonderful, amazing Brenda Erdoes. I do not know what we would do without her. I checked out the book for the lobby corps, and that was especially interesting. It has certainly changed a lot, but the interesting thing is that the faces are younger, but the names are the same. You have Nicky Vassiliadis, Erin McMullen, Bob and Henry Ernaut, Tommy Ferraro, Jesse Wadhams, Sev Carlson, Chase Whittemore, Will Adler, and John Sande IV. I know all these people's families, so I feel at home here. You know, *plus ça change, plus c'est la même chose*. Indeed, that is the case—the more things change, the more they stay the same.

Look at the agenda you have—some of the things we have been dealing with in this state for a long time: stopping Yucca Mountain, paying our teachers more, funding mental health. Those are just three examples. Also, in 1990, we passed Question 7 to enshrine *Roe v. Wade* in our legislation. Now, in response to the Dobbs decision, you are trying to put the protection of women's health care in the *Constitution*. Thank you, Majority Leader Cannizzaro.

In 1997, I had a bill called "Ring Around the Valley." They called it ring around the collar, ring around the rosie. They put a picture of me on the cover of a magazine with a noose around my neck. Nonetheless, that was about sustainable growth. Today, you are still dealing with the consequences of growth, especially in relation to our declining water supply. As a founding member of the Colorado River Caucus, I look forward to working with you on this critical issue. Thank you, Assemblyman Watts.

In 2005, I chaired an interim disability committee to bring the state in compliance with the Olmstead Act. Now you all are working on a disability bill of rights. The witness for this, who has testified so compellingly, is the same witness who helped me. She is the amazing Santa Perez. I will give a shout-out to her, whether she is here or not. What an incredible person. The whole time I was here, we had to fight for funding the Wild Horse and Burro Commission. I understand you are now pushing to make the iconic wild mustang the state horse. Thank you, Senator Pazina. Go for it.

Under the leadership of Senator David Parks in 1999, we passed the first LGBTQ [lesbian, gay, bisexual, transgender, and queer/questioning] protections in the state of Nevada. Just this past November, our state voted on a sweeping equal rights amendment to the *Constitution* that outlawed discrimination based on sexual orientation and gender identity. Thank you, Senator Spearman.

We have a lot in common. We worked on a lot of the same issues. We are good partners, I do believe. One thing, though, that is different from when I was here is that Nevada has so much federal money to invest in needed programs. In the past, Nevada was a donor state—we sent more money to Washington than we received in return. Part of that was because we were not very good at writing grant proposals, and we either refused to or were not able to provide a state match. That is no longer true. Nevada received considerable funding from the COVID recovery bills, from the infrastructure package, and from the Inflation Reduction Act. In short, Nevada received $43.5 billion. That included $2.25 billion for local governments, over $1 billion for school districts, and some $121 million for Native tribes. That was on top of the money that went directly to the unemployed and to small businesses, like shuttered venues and restaurants, to help them with personnel costs, utilities, and rent. I am not going to spend my short time here going over ad nauseam the details of all these bills; I am sure you will hear a lot about them from some of my colleagues from the delegation. But just think about some of the things, like renewable energy, water conservation, childcare, and mass transit—all of that is funding coming to Nevada. And not to mention the extended Child Tax Credit, health insurance assistance, and rebates for transitioning to renewable energy—all of that goes directly to the people of Nevada.

I would like to brag a little bit. I am proud of my efforts to increase Nevada's allocation overall. I fought very hard to change the funding formulas to also include unemployment as well as population, and that resulted in Nevada getting an extra $1 billion. As Chair then and ranking member now of the subcommittee that oversees economic development, we were able to get special funding streams for areas hardest hit by the lack of tourism because of the pandemic. We created an undersecretary for tourism in the Department of Commerce. At the time, we were the only country in the G-20 that did not have such a position or did not elevate tourism to that level. We got some of that additional money.

I will tell you—as bad as I hate to—that we are never going to get that amount of federal funding again, no matter how good of a job we do with grants and matching. I urge you to invest it in sustainable—substantive but sustainable— projects that can create major systemic change in Nevada. Do not hand it out in a piecemeal, one-off fashion. That could be very popular in the short term, but in the long term, you know as well as I do how hard it is to take away a benefit or stop a program that people want and like once the money runs out. I have a feeling that there is not much of a mind to raise taxes to cover those programs here in the state. Mr. Treasurer, you are going to have to do some good investing to make this happen. Speaking of investment, I urge you to spend these dollars now because if you look at the Republicans' bill to deal with the debt ceiling, part of that provision is to claw back any unspent COVID money. Get it out the door as much as possible. We do not want to give back anything to the federal government.

There are some issues coming up when I go back next week that we are going to have to deal with through the summer. Dealing with the debt limit is certainly one of them. Addressing gun violence and immigration reform will be at the top of the list, along with passing the PRO [Protecting the Right to Organize] Act, the Equality Act, and the Women's Health Act. All of this is going to be very difficult given the politics we face right now. Our political environment is very stressed. Right now, the majority interest in the House is not on those things I just mentioned. It is on two things. One is rolling back—rolling back environmental protection, women's rights, LGBTQ rights, abortion rights, labor rights, and voting rights. That is the agenda. The second half of the agenda is conducting investigations. As of now, we have investigations regarding January 6, Hunter Biden, Secretary Mayorkas, Dr. Fauci, the FBI [Federal Bureau of Investigation], document leaks, the Wuhan lab, the Afghanistan withdrawal, and the weaponization of the federal government—whatever the hell that means.

That is what is happening. But, you know, that is not what the people of Nevada want. They want us to get together, work together, get along, and get something accomplished. We cannot

let the fringe control the majority. We have to put people over politics. We can do that. We did it with the passage of the PACT [Sergeant First Class Heath Robinson Honoring our Promise to Address Comprehensive Toxics] Act, which benefited veterans by increasing benefits, and the CHIPS [Creating Helpful Incentives to Produce Semiconductors] Act, which stimulated American manufacturing. We can work across the aisle, and I know you all do a good job of that here in Carson.

Specifically, I am going to be engaged on two fronts throughout the summer, and they are both bipartisan. As Co-Chair of the Gaming Caucus, I am going to be working to raise the reportable win limit, which has not been raised since 1977, and to eliminate the handle tax, which is mostly paid by Nevada. As a senior member of the Transportation Committee, I am going to keep fighting for those dollars so we can finally build an interstate—Interstate 11—between Las Vegas and Phoenix, the only two metropolitan areas that are not connected by an interstate. And let us get that speed train. I have been on the speed train commission, appointed by Bob Miller and continued by Kenny Guinn. Then Gibbons came along. I do not think he knew it existed. He forgot I was even on it or he would have thrown me off. How many years is that? Brightline is finally making a little way forward, so let us hope we get that speed train.

We have come a long way since the pandemic hit. You think, Oh, that was last year—no, that was two, three years ago. That is how much time we have lost. We were the hardest hit in the country. We had 35 percent unemployment, the worst since the Great Depression. Now we are the fastest-recovering part of the country. Our unemployment is way down. We have record gaming revenues and record airport traffic. The economy is definitely coming back, but we need to be sure the recovery is sustainable and the benefits reach everybody. We need to get equal pay for women. We need to invest in STEM [science, technology, engineering, and mathematics] education and workforce development. I know a lot of you are working on that. We need environmental justice.

I am an optimist. If I were not, I would not be in this business. I think we can get these things done. I think we can work together and make progress. Sometimes, I might get a little discouraged by the likes of Marjorie Taylor Greene or by what is happening on the ground in Ukraine. That is enough to make you discouraged. When I feel that way, I stop and think about something we accomplished recently with all kinds of folks from every walk of life coming together, working quietly behind the scenes for a sustained period of time and never giving up. That is the key. That was the designation of Avi Kwa Ame National Monument. This national monument is half a million acres of sacred Indian lands. It has breathtaking scenery and landscapes and iconic flora and fauna. It will now be preserved and protected for posterity. Native American tribal leaders, local government officials, conservationists, progressive groups, outdoor recreationists and the businesses they support, President Biden, and Secretary of the Interior Haaland all joined forces to make this happen. I want to thank them for letting me help carry the baton over the finish line. It is one of my proudest moments, and I am honored to continue Nevada's legacy of protecting our public lands for future generations.

Speaking of legacies, I have heard recently that Annette Magnus has decided she is going to retire from Battle Born Progress after this session. I hated to hear that. We all owe Annette a debt of gratitude for what she has done to educate the public, successfully advocate for important causes, and keep the progressive agenda at the forefront of Nevada politics. Godspeed, Annette. We will miss you here, but I do not think you will be a stranger. Maybe you should run for office.

I want to thank you all again for your time, your consideration, and your attention. Thank you for all your hard work on behalf of Nevadans. Thank you for being away from home and in this snowmageddon you had this year. Thank you for your dedication and your passion. I am honored to be your colleague, and I look forward to working with you. Let us go finish the job. Thank you so much.

MESSAGE TO THE LEGISLATURE OF NEVADA
EIGHTY-SECOND SESSION, 2023

Good evening. Thank you so very much. It is an honor to be back here. I want to thank Speaker Steve Yeager and Majority Leader Nicole Cannizzaro for accepting my request to address the Nevada Legislature. Thank you to our Supreme Court justices, our state constitutional officers, and all of you for taking the time. I know this is a busy time—a month to go before *sine die*—and it is a great honor to be here as you commemorate the beginning of Asian American and Pacific Islander Heritage Month. I know there was a basketball game last

night. I heard there may be some sore members. While the Democrats may have come up a little short, it is great to see the camaraderie of that game and the charity you support continue.

It is great to be back here at the Nevada State Legislature. My first opportunity to serve in this body was as a legislative intern back in 1993, while attending college at the University of Nevada, Reno. I recall the opportunities that internship afforded me to learn the important role this body plays and that each of you contribute to make the state of Nevada, and the people in it, better. I also recall not having a proper tie and literally being supported by mentors who took me down the street to the local store to buy one so I could be on the floor. Years later, I returned to the Legislature, becoming only the fourth African American elected in the State Senate and then the first Black Senate Majority Leader. Fortunately, I was the first but not the last. It is great to see Attorney General Aaron Ford here and see all the great work he is doing.

During the six special sessions and four regular sessions I served, we were able to accomplish great work—work you all are continuing right now. Again, you have more or less 30 days to go, so I am not going to keep you long because I know you are tired and ready to continue that great work. But I want to underscore: You all are public servants, along with the staff who serve with you to make this institution work for the great people of the state of Nevada. I want to start by saying thank you for your service and for everything you do for the state of Nevada.

I am now in my third consecutive term, and fourth overall, in the U.S. House of Representatives. I am honored to have been elected Chair of the Congressional Black Caucus for the 118th Congress. The Congressional Black Caucus is the largest in our history, comprised of 58 members who are Representatives and Senators from all across this country, from every region and every ideological perspective. We are often cited as being the conscience of the Congress because we are able to work with our colleagues on both sides of the aisle to remind each other of the real and human impact of the legislative proposals we work to advance—from health care to reproductive justice, from veterans and military budgets to the investments in nutrition and retirement security for our seniors. I am now four months into my term, and while it is keeping me quite busy, I am honored to advance issues from voting rights to housing affordability, to equitable job creation and economic opportunity, to achieving public safety—whether from gun violence, police accountability, or confronting discrimination against anti-Semitism and anti-Asian hate. All of us should agree, regardless of party, all of our communities should be safe.

In the last Congress, we were able to accomplish many great legislative victories for our nation and for Nevada, like the Bipartisan Safer Communities Act. We have a real crisis in our nation and, sadly, right here in Nevada. The gun violence epidemic is taking countless lives, many of them our young people, inflicting great trauma on our community and our families. Pew Research reports that the number of children younger than 18 killed by guns has increased by 50 percent from 2019 to 2021. Children 12 to 17 accounted for 86 percent of all gun deaths for those younger than 18 in 2021. Thirty-three Nevada children aged 19 and younger died from guns in 2019.

Many of you know my personal story. I lost my father to gun violence while I was at college. I was a freshman. He was working at a convenience store when someone came in with a gun and shot him. I never got to say goodbye or tell him I loved him. For too many families, that is the reality they face every single day. That is why I have worked so hard to secure $250 million in community violence intervention funding and why I introduced the Break the Cycle of Violence Act. I was proud to see the community violence intervention programs included in the Bipartisan Safer Communities Act that we passed last Congress and that is now resulting in real community investments. In fact, my office recently hosted a workshop with nonprofits, organizations, and government entities here in Nevada on how we can tap our share of these resources. Our children must feel safe in school. Parents should feel safe sending them to school. This epidemic of school shootings, along with gun violence in general, must come to an end. I want to commend the work you all are doing in this Legislature to continue to make gun safety a priority.

Some of the other landmark bills we were able to see signed into law last Congress—like the Inflation Reduction Act, the Infrastructure Investment and Jobs Act, and the CHIPS [Creating Helpful Incentives to Produce Semiconductors] and Science Act—are all providing real returns for Nevada as well. The Biden-Harris Investing in America agenda is creating jobs and churning

our economy here in the Silver State, and I am proud of the work we will continue to do. In fact, since President Biden took office, nearly $8 billion in private corporate investment has been made here in Nevada. Thanks to the legislative efforts we passed in the last Congress and that the President has signed into law, we are creating good-paying jobs, boosting U.S. competitiveness, and rebuilding our infrastructure. It is no longer infrastructure week—infrastructure is finally coming to our communities.

Nevada, as you all know, is also poised to be at the forefront of our nation's clean energy economy. Lithium is essential to powering the electric vehicles of today and the future, and corporations know that. We look forward to working with these companies as they invest in Nevada. My only ask, when I talk to any of them, is to focus on jobs, focus on small businesses, and make sure the impact they make is sustaining and long-term. Do not come to Nevada if you are not willing to invest in the long-term benefit of our state.

Our state's unemployment rate is at 5.5 percent. We have added 239,300 new jobs, and we have seen 128,000 new businesses created here in Nevada. All across the state, we have seen 103 new projects funded thanks to the Bipartisan Infrastructure Law—projects like the Regional Transportation Commission of Southern Nevada getting $6.7 million to buy hydrogen fuel cell electric buses to reduce emissions and prevent health issues like asthma that disproportionately impact children and communities of color, and another $31 million investment in the Harry Reid International Airport, which is something we will all need because of all the great sporting and entertainment events on deck over the next couple of years.

Our legislation has also helped to lower real costs for Nevada families. Over 493,000 Nevada residents with Medicare will now benefit from the $2,000 yearly cap on out-of-pocket prescription drugs. This was my legislation that I have been pushing since 2019. It has real impact that is going to save seniors thousands of dollars a year. We also won against Big Pharma by capping insulin at $35 per month. Now companies are extending the benefit so that a 10-year-old child who needs insulin can also have the lifesaving medication they need to stay alive. Ninety-six thousand individuals in Nevada signed up for health insurance through the Affordable Care Act during the last open enrollment period for 2023. That is going to ensure they benefit from up to thousands of dollars per year in savings from lower health care premiums. I want to thank and commend this Legislature and ask you and the Governor to continue to prioritize efforts to keep Nevadans connected to their health coverage, either on Medicare or on the Affordable Care Act marketplace, so they can see their doctor, maintain the continuity of their health care, and avoid more costly care in hospital emergency rooms. Thank you for your leadership on this important issue.

The average new homeowner in Nevada will also save about $181 annually, or about 9.7 percent, on their utility bills if this body and local governments across our state use new grants to adopt the latest building energy codes. Nevada residents will be eligible to get 30 percent off solar panels, battery storage systems, heating and cooling upgrades, and weatherization, which can help them save hundreds of dollars every year on their energy bills. It is estimated that 75,000 additional Nevada households will install rooftop solar panels because of these new tax credits.

Over 191,000 Nevada households can access affordable, or even free, high-speed Internet through the Affordable Connectivity Program investments that were also made as a part of this work. I recently had the opportunity to bring one of the FCC [Federal Communications Commission] commissioners into my district and to speak directly with seniors at one of our housing facilities. Many of these residents are eligible—they just needed help signing up. I am here to remind people: If you are receiving SNAP [Supplemental Nutrition Assistance Program] benefits, free or reduced school lunches, social security checks, or housing vouchers, then you are likely eligible for this benefit. I want you to know that my staff is willing to partner with anyone to make sure we get people connected to this program because when they are connected to the Internet, they are connected for their health care, for their work, to help their child or grandchild with homework and, most importantly, to improve their quality of life.

I am also happy to hear about the efforts to create a lottery system for the state of Nevada, which has gotten further than any other efforts in years past. When I was in this body, I led the effort then to try and establish a lottery program for our state. I am proud to see the hard work of

my good friend, Assemblyman Cameron Miller, in leading this bill and to dedicate the funding for important investments, like access to mental health care.

I also want to applaud efforts to improve pay and benefits for state workers. As I mentioned earlier, we are all public servants, and so are many of our staff that support the work here in Carson City and in so many of our state and local government offices. A career in public service should be rewarded with good pay and good benefits, especially to keep from losing some of the great talent to the private sector.

I know you all have been working really hard to make progress on some important issues around housing, particularly with bills addressing transitional housing to help deal with the homelessness crisis that is very real throughout parts of our state. I recently had the opportunity to join U.S. VETS for the ribbon cutting of one of these much-needed facilities, the BETterment Community bridge housing program, which is serving 46 residents at a time, 184 people per year. It is more than just housing—it is getting them counseling and employment assistance and helping to get and keep these folks off the street with a roof over their heads.

Our efforts on housing need to be laser-focused. Residents in Nevada are really feeling the pinch of corporate speculators who are coming in and buying up homes, preventing veterans from using their VA [Veterans Affairs] loans to buy a home or preventing a first-time home buyer, who might be a single mom, from utilizing some of the homeownership programs we have all worked to encourage. These corporate speculators are paying cash and pricing out our working families. That is why I introduced HR 702, the HOME [Housing Oversight and Mitigating Exploitation] Act to address some of the issues that are making home buying more challenging. I know the people in my district in North Las Vegas, in the Windsor Park neighborhood, are seeing their homes literally sink into the ground. I applaud Senator Dina Neal for her proposal to help make sure all the families in this area, mostly Black and Latino families, all continue to have a roof over their heads in neighboring communities.

On Monday, I am convening the Tri-Caucus—the Congressional Black Caucus, the Congressional Hispanic Caucus, and the Congressional Asian Pacific American Caucus—for a summit on affordable housing in Las Vegas. We look forward to hearing recommendations that will help Nevadans, and we look forward to making the policies you all are advancing part of the national conversation to confront the crises of affordable housing and homelessness in our country.

We must continue to invest in our people. They need jobs. They need homes. Together, we can create the job training they need and the child care our families require to be able to work for and achieve the American Dream. We must focus on the economic success of our communities, where many of our constituents feel the most frustration toward government. They want to see our action on housing assistance, child care, the Child Tax Credit, and creating new jobs that improve their quality of life.

It was this place, this very Chamber, that gave me the mentoring—and, yes, the tie—I needed to be on this floor. I am extremely proud to continue to represent Nevada, and I want you to know that I will continue to work hard to make sure Nevadans have the support they need. Thank you so much for the opportunity to address you. I look forward to our continued partnership to deliver for all Nevadans. God bless you.

CARSON CITY (Monday), May 8, 2023

Assembly called to order at 12:13 p.m.

Mr. Speaker presiding.

Roll called.

All present.

Prayer by the Chaplain, Pastor Gavin Jarvis.

God, we come before You as the Creator who made the world and everything in it. You are the Lord of heaven and earth, and do not live in houses made by man. You have no needs. You give to all mankind life and breath and every good and perfect gift. Your word says that You have determined the times and the places that we live on this earth so that through Your kindness, we would seek the God who made us.

This means that these Assembly members are not here by accident, but that it is Your will for them to live in Nevada in 2023 and that to each of them You offer the good gifts necessary for them to fulfill their office this week, so that they would see Your goodness and that they would serve Nevada well.

And so for these Assembly members and all of their staff, I pray that the final weeks of this session would be marked by Your gracious gifts. I continue to pray for their health and endurance, for wisdom in all of the work being done in committees and on this floor, and that wherever they turn their attention, their decisions would lead to the wellbeing and welfare of our state and for each of their districts. Bless all of them as they continue their day with each other. I pray this in Jesus' name.

MESSAGES FROM THE SENATE

SENATE CHAMBER, Carson City, May 4, 2023

To the Honorable the Assembly:

I have the honor to inform your honorable body that the Senate on this day adopted Senate Concurrent Resolution No. 4.

SHERRY L. RODRIGUEZ
Assistant Secretary of the Senate

MOTIONS, RESOLUTIONS AND NOTICES

Senate Joint Resolution No. 5.

Resolution read.

Remarks by Assemblywoman Gorelow.

ASSEMBLYWOMAN GORELOW:

Senate Joint Resolution 5 urges the United States Congress to expand the Supplemental Nutrition Assistance Program and the Special Supplemental Nutrition Program for Women, Infants, and Children to cover the purchase of menstrual products.

Roll call on Senate Joint Resolution No. 5:

YEAS—42.

NAYS—None.

Senate Joint Resolution No. 5 having received a constitutional majority, Mr. Speaker declared it passed.

Resolution ordered transmitted to the Senate.

Senate Concurrent Resolution No. 4.

Assemblywoman Anderson moved the adoption of the resolution.

Remarks by Assemblywoman Anderson.

ASSEMBLYWOMAN ANDERSON:

I ask that this body adopt the Concurrent Resolution as it will honor a great Nevadan as well as somebody who has dedicated her life to our Chamber.

There was nothing quite like seeing Pat when you came into an office. I know many of us would recognize her if you saw a picture of her. There was always a twinkle in her eye; she was a little bit mischievous. That gentle smile was encouraging, which is an example of every educator who has ever lived. She was somebody who believed in everyone. She believed in the positives in life. She was the most caring individual you could possibly imagine. When I spoke with a few friends of hers, that is basically what came out. She had this patience—yet every once in a while, the Irish temper would come out, too, I am not going to lie. I saw it once or twice when I might have had a little bit too much to drink at a *sine die* party, but that is another story.

Pat Hutson was always a true professional. She knew the most important thing, though, was not just about the laws we were enacting but also the connection to each other. When you would ask her, Did you always want to be a teacher? She would come back with, Well, when I decide to grow up. She never grew up. She had this infectious love of people, and that is exactly why

she was a great teacher, a great friend, a great mother, and that is something we should all try to be. I ask that you support Senate Concurrent Resolution 4..

Resolution adopted.

Assemblyman O'Neill moved the adoption of the resolution.

Remarks by Assemblyman O'Neill.

ASSEMBLYMAN O'NEILL:

It is my distinct pleasure to rise in support of this resolution to honor former Assemblyman Pete Livermore with his introduction to the Assembly Wall of Distinction. It is an honor to remember the profound impact he had on the state and his home, Carson City.

Pete's entire life was dedicated to public service, giving back to his community. He was born in New Orleans, Louisiana, in 1941. At the age of 17, he joined the United States Marine Corps, where he served from 1958 to 1962 and reached the rank of Lance Corporal. While serving in the Corps and stationed at Pickel Meadows Marine Base near Bridgeport, California, Pete met his future wife, Laurie, who was working as a carhop at the local A&W Restaurant. Pete and Laurie fittingly had their first date on October 31, 1960, which is also Nevada Day and a huge celebration in Carson City. They would eventually welcome their three children—Richard, Sheri, and Jackie—and grandchildren into their busy lives.

The remainder of Pete's distinguished life was spent in service to his new home, Carson City, and the state of Nevada. Pete was a renowned businessman who owned three A&W Restaurants, a staple among Carson City residents and legislators. After several years in the private sector, Pete entered public service, spending 12 years on the Carson City Board of Supervisors. Pete spent a good portion of his time coaching youth sports, and he spent two decades as the president of the Carson City Youth Sports Association. One of Pete's greatest contributions to this city was the development of the sports complex, now honorably named the Pete Livermore Sports Complex.

Pete was elected in 2010 to represent District 40 in the Legislature, where he served with distinction until his passing in 2014. One of Pete's priorities was to protect the environment surrounding his community. In 1996, Pete was a champion of the Quality of Life Initiative, known as Question 18 here in Carson, which provided funding to improve parks, sports fields, and other recreational facilities. The funding was vital for preserving the Carson River watershed. Pete's signature legislation turned the Nevada State Prison into a state museum, which is now recognized on the National Register of Historic Places. Pete was also dedicated to improving the health of his community, serving as a trustee of Carson Tahoe Hospital for 26 years.

While he was a dedicated public servant, he was also an avid outdoorsman and enjoyed spending time with family and friends in the wide-open spaces of rural Nevada. Pete is remembered for his intelligence, integrity, and many years of service to the state and to Carson. I ask that you join me in supporting this resolution.

Assemblyman Yeager moved the adoption of the resolution.

Remarks by Assemblyman Yeager.

ASSEMBLYMAN YEAGER:

It is my distinct pleasure to rise in support of this resolution to honor former Speaker Buckley with her induction into the Assembly Wall of Distinction. I do want to note that I have a copy in front of me of Assembly Resolution 6 from the 2005 Session, which created the Wall of Distinction. I will note that Speaker Buckley is a sponsor on that piece of legislation, as is Speaker Perkins, who is joining us on the floor, so we have indeed come full circle.

I want to tell you a little bit about Speaker Buckley. I know many of you know her. It was really hard to cut these remarks down to three minutes, but I will try my best, Madam Speaker pro Tempore.

Barbara was born in Philadelphia, but she did what many of us did. She visited Las Vegas, and she fell in love with the Silver State and moved here in 1981. She began working as a legal secretary and discovered her passion to pursue a career as an attorney. While attending the law school at the University of Arizona—because we did not have one yet in Nevada—she founded the Public Interest Law Organization, which provided legal services to those who could not

afford it. She was awarded the outstanding female law graduate for 1989 at the University of Arizona and received the Dannie Lee Chandler Award for promoting the First Amendment in law school.

If I can be honest about it, Barbara is smart—really smart—and she is very hardworking, as you know. After law school, Barbara returned to Las Vegas, as most of us do, and eventually was named the Executive Director of the Legal Aid Center of Southern Nevada. Under her leadership, the Legal Aid Center established a partnership with the William S. Boyd School of Law to teach legal classes to the public. She expanded the services of the center to include the first legal programs that assist victims of domestic violence and child abuse in Clark County.

Barbara was first elected to the Assembly in 1994 and, of course, she was recognized as an outstanding freshman. She quickly demonstrated her prowess and leadership as she was chosen to be the Assistant Majority Leader during her second term in the Assembly. She held that position until she was asked to serve as the Assembly Majority Floor Leader in 2001, the very first woman to hold that position in the state of Nevada. But Speaker Buckley was not done trailblazing for the women of Nevada, as she was the very first—but not the last—woman to be chosen Speaker of the Assembly in 2007, serving two terms in that position.

During her esteemed legislative career, Speaker Buckley tackled issues facing health care and notably helped pass the Nevada Patient Protection Act. She championed legislation to address affordable assisted living for seniors, child welfare, medical malpractice, and prescription drug pricing. She organized the very first public-private partnership between the Housing Division, Harrah's, and the Bureau of Land Management that became the first in Nevada to serve the low-income senior citizen assisted living community.

Many personal and professional awards have been bestowed upon her, which would take way more than three minutes to tell you about, but here are just a few of them: Legislator of the Decade; Best Public Servant; Assemblywoman of the Year; Best Local Politician; my personal favorite, the Best Reason Not to Lose Faith in the Legislature; Consumer Advocate of the Year; and Best Assemblymember for five straight legislative sessions.

Speaker Buckley was once quoted as saying, "Our goal is to represent every abused child. We are not going to rest until every child has a voice." That is quintessentially Barbara Buckley. She does not rest in the face of injustice. She digs in deeper and works harder and smarter than anyone else in the room. As a body and as a state, we owe a debt of gratitude to Speaker Buckley for the progress she brought to Nevada and to this Chamber.

She has been a friend and mentor to me. I look around this Chamber, and I see a lot of you here who could say the exact same thing about Speaker Buckley. It is an honor to speak to this resolution this afternoon, and I ask you to please join me in supporting this resolution.

Assembly in recess at 12:20 p.m.

ASSEMBLY IN SESSION

At 12:21 p.m.
Mr. Speaker presiding.
Quorum present.

Senate Joint Resolution No. 7.
Resolution read.
Remarks by Assemblymen Jauregui, Hansen, La Rue Hatch, Gray, Gallant, and Monroe-Moreno.

ASSEMBLYWOMAN JAUREGUI:

Senate Joint Resolution 7 proposes to amend the *Nevada Constitution* to establish a fundamental right to reproductive freedom; authorize the state to regulate abortion care after fetal viability; and prevent the state from penalizing, prosecuting, or taking any other adverse action against an individual based on the outcome of a pregnancy, a provider of health care under certain circumstances related to reproductive freedom, or an individual or entity for aiding or assisting another individual in exercising the individual's right to reproductive freedom.

I rise in support of Senate Joint Resolution 7. For generations, a woman's right to reproductive health care has been considered settled law by Americans across the political spectrum. As a nation, our legal system recognizes that abortion action was body autonomy and a fundamental human right. Then, more than 50 years of tried and tested legal precedent was overturned. Overnight, millions of women in America no longer have the freedom to control their own bodies. Our rights and our freedoms are in peril. Right now, millions of women live in 18 states that have enacted extreme abortion bans, but it is not just abortion bans. Antiabortion politicians and activists have also been criminalizing birth control, fertility care, and miscarriage management. This includes many states bordering Nevada, such as Idaho, Utah, and Arizona, with bans that force women and their families to travel to our state to address their fundamental health care needs. But in Nevada, we will never allow reproductive freedom to be rolled back.

I urge all of my colleagues to support Senate Joint Resolution 7.

ASSEMBLYWOMAN HANSEN:

I rise in opposition to SJR 7. In 1990, Nevada voters affirmed by state referendum protections of abortion access up to 24 weeks, and after 24 weeks in a hospital when it is necessary to preserve the life or health of the mother. Nevada has some of the most unrestricted abortion laws in the nation. Additionally, parental notification is not even required for a minor receiving an abortion in Nevada. So, why SJR 7?

Senate Joint Resolution 7 is an expansion. It seeks to insert into Article 1 of our *Constitution* a laundry list of reproductive medical services. It also seeks to give immunity to those persons and facilities that perform abortions. In a disturbing amendment, it now strikes informed consent. Why? When is less information ever a good idea? Is medically accurate information based on best available science not in the patient's best interest, and is giving consent to medical procedures not a good thing? Again, I ask, Why SJR 7? Nothing has changed the legality of access to abortion rights here in Nevada since the *Dobbs* decision [*Dobbs v. Jackson Women's Health Organization*, 597 US __ (2022)]. Why? Because of the 1990 referendum backstop protections.

Fearful hypotheticals of this expansion are disingenuous. Nothing we do here in this body can alter the referendum protections. When I say nothing has changed, I mean nothing. Yes, even minors are still getting abortions without parental notification before *Dobbs* and after *Dobbs*. Ironically, in Nevada law, minors cannot get their ears pierced or get a Tylenol at school without parental consent. Now, this too could be enshrined in our state *Constitution* as a fundamental right. Again, I ask, Why SJR 7?

Article 1, Section 20 of the *Nevada Constitution*, titled "Rights retained by people," has what is referred to as the saving clause—do not worry, I am not going to read the whole book. This is from Section 20, rights retained by the people: "This enumeration of rights shall not be construed to impair or deny others retained by the people."

> The federal Bill of Rights and Article 1 of the Nevada Constitution therefore do not confer rights but protect those that the people already possess. Since it is impossible to list all of those rights, this section saves for the people all those rights that they possess but that are not explicitly listed here. [Bowers, Michael. *The Nevada State Constitution: A Reference Guide*. Greenwood, 1993.]

Senate Joint Resolution 7 is duplicative in regard to certain protections already protected, but most worrisome is its expansiveness and the intent behind removing its informed consent protections required everywhere else in the medical field. I urge my colleagues to vote no.

ASSEMBLYWOMAN LA RUE HATCH:

I rise in support of SJR 7. Today, I strongly urge my colleagues to support this resolution because it is needed now more than ever. Things have changed dramatically. The Supreme Court has altered the landscape of access to medical care across our nation. Our state, among many other states, is being tested on whether we will stand up for reproductive and medical freedom for Nevadans. Decisions about our health care, especially our reproductive health care, should be between a doctor, a patient, and those they trust. This constitutional amendment will go to the people, and they can raise their voices once again and reaffirm our commitment to the rights of Nevadans to make choices about their own bodies.

I urge all of you to support SJR 7, because our freedom and our bodily autonomy must be protected.

ASSEMBLYMAN GRAY:

I rise in opposition to SJR 7. Most of you in this body probably do not want to hear from a man on this issue, but I believe that as a man and as a father, we need to speak up more about this issue specifically.

Since 1990, abortion up to 24 weeks into pregnancy has been protected in the state of Nevada. This can only be changed by a ballot initiative from the voters in which a majority of Nevadans vote to change these abortion protections. In 2021, polling by the Associated Press found that only 34 percent of Americans believe abortion should be legal into the second trimester, with approval dropping off below 20 percent in the third trimester. Senate Joint Resolution 7 does two very destructive things: First, it takes away the people's power to change abortion laws, should they ever desire to, and second, it expands existing abortion protections up to birth—far, far beyond where most Americans believe protections should extend. In other words, all SJR 7 does is set a new, extremely liberal protection for abortion and make it more difficult for Nevada voters to adjust those radical new abortion protections.

Given the controversial nature of this issue, I see no legitimate reason why, as the people's representatives, we should enshrine—I am sorry. I am really nervous about this one. This really hits home for me. I see no reason why, as the people's representatives, we would enshrine such an extreme expansion into our state *Constitution* and revoke the voters' right to change the law. That is my view on the legal and political side of this issue.

Now for a much more personal issue regarding the topic of abortion—I understand and recognize the fact that many of you view abortion, to one extent or another, as a necessary evil. I must say that I respectfully disagree with you. Many people whom I have personally known—many men and women whom I call my friends and family—barely escaped abortion when they were in the womb. By grace alone and against all odds, my own mother decided not to abort me. It was the late 1960s. She was a single mother of four other children. She was under extreme pressure from family and friends. I like to think that I have had a good impact on this world. If I were not here, my kids would not be here. A lot of my family would not be here. I thank God every day for that. Also, my own niece, who many of you met when I was sworn in here, would not be here if her biological mother had chosen a different route, which she was well on her way to doing before she was greeted with the idea of adoption.

What worries me is that our culture at large—I do not mean to impugn anybody in this room because I do have the utmost respect for you. You have stood up and answered the call to serve your state. Some have moved even further beyond the "necessary evil" view of abortion and see that the practice of abortion is inherently good and worthy of celebration. I cannot and will not view it as anything other than evil. On the record, Mr. Speaker and fellow Assembly members, I would like to say that abortion never will be inherently good. Again, it is only evil.

For all these reasons, I am entirely opposed to SJR 7.

ASSEMBLYWOMAN GALLANT:

I stand in opposition to SJR 7. I have grappled with this vote that I am told I have to cast today. Voting on SJR 7 as written has placed me in an impossible position. I want to vote to protect women's fundamental right to have full autonomy over how they birth their baby into this world. That was the freedom I had—how I wanted to allow my babies to be born. The freedom to birth how I wanted allowed my babies to be born to a mother who was free from stress and state-regulated coercion and full of peace, so my love could wrap them up as they entered into their new

world. To this day, when I think of that experience, I am transported back in time and can relive every beautiful moment of that process. It was one of the most profound moments of my life. The opportunity to protect that for other women is one of those moments you never ever believe you will have, but once presented, it is hard to turn your back on.

Voting yes would feel like I am thumbing my nose up at Nevadans who expressed their will in 1990, when Nevada voters passed a referendum safeguarding the state laws legalizing abortion with the express direction of protecting it up to 24 weeks. Regardless of how I feel about abortion—or how any of you feel about abortion—SJR 7 says to the voters, We do not care about protecting your vote or the parameters in which you made it. Senate Joint Resolution 7, if sent to the ballot, places women in the most impossible position—either vote in favor of birthing freedom while removing the very limits on abortion that this body promised would be protected, or vote against birthing freedom to protect the 1990 vote this body promised it would honor. I cannot in good conscience place any Nevadan in this position that I have painfully struggled with over the last month and have sleeplessly wrestled with over the last 24 hours.

Today, I ask all of you to vote no and request that this resolution be split into two resolutions so that the voters can vote separately on these two separate issues. This is not about abortion. Rather, this is about upholding our oath to our constituents to allow serious consideration on these issues that have life-altering consequences. Voting no would demonstrate our trust in our constituents to have healthy debate and empower them to decide how they want to protect their rights, their freedom, and their vote.

ASSEMBLYWOMAN MONROE-MORENO:

As a mother and grandmother, I rise in support of Senate Joint Resolution 7 for all of Nevada's women. Less than a year ago, the United States Supreme Court struck down *Roe v. Wade* [410 U.S. 113 (1973]. In a single decision, nearly 50 years of judicial precedent was overturned, rolling back the rights of women across our nation. Women now have less rights than they did in 1975. This ruling was devastating for women across America and right here in Nevada because our right to choose was, and still is, under attack like never before. It endangers our health and our well-being, and it strips us of our most fundamental rights.

Senate Joint Resolution 7 ensures that everyone in our state is protected in the strongest possible way from ever being denied reproductive health care and from being prosecuted for addressing their reproductive needs. It will protect not just the right to abortion, but a person's right to privacy and the right to obtain birth control, prenatal care, postpartum care, miscarriage management, fertility care, and more.

We know this attack on reproductive freedom is far from over. We cannot take our statutory protections for granted, which is why we must pass SJR 7. Nevadans deserve to have a say in protecting their reproductive freedoms in the strongest possible way. I urge all my colleagues to support this piece of legislation.

THE NINETY-FIFTH DAY

CARSON CITY (Thursday), May 11, 2023

Assembly called to order at 11:58 a.m.

Mr. Speaker presiding.

Roll called.

All present.

Prayer by the Chaplain, Pastor Gavin Jarvis.

God, Blessed is Your Name for ever and ever; wisdom and power are Yours. You are the one who is responsible for the changing of times and seasons. Everyone in this room experiences this as our state leaves a long winter and goes into a beautiful spring. We see this in the passage of time as our families grow up and our friendships grow deeper. We see this in the ways that You care for the welfare of our state by raising up leaders to pass laws and represent those that call Nevada home.

As You have gifted each of these Assembly members with wisdom for this purpose, I pray that You would remove brain fog, tiredness, lack of clarity, or confusion because You are not a God of disorder and chaos but a God of peace and of sound mind. You are the God who invites those who lead in government to come to You humbly and with their needs, and in response You give knowledge and strength for the task at hand. Bless these Assembly members with knowledge and strength. We gain confidence that You will be faithful to this promise in how You have given these gifts to those that have gone before us.

Provide, my God, for the needs of every Assembly man and woman in this room, for their families, and for the staff that works closely with them. Show Your strength and wisdom in their lives. In Jesus' Name I pray.

AMEN.

Senate Bill No. 171.

Bill read third time.

Remarks by Assemblymen Jauregui, Gurr, and Peters.

ASSEMBLYWOMAN JAUREGUI:

Senate Bill 171 prohibits a person from purchasing, owning, or having in possession, control, or custody a firearm if the person has been convicted in the immediately preceding ten years of

committing or attempting to commit an offense that is a gross misdemeanor constituting a hate crime under Nevada law.

ASSEMBLYMAN GURR:

I rise in opposition to Senate Bill 171. Senate Bill 171 is a bill that restricts Second Amendment rights and was rammed through during only one public hearing, which minimized public participation regarding extremely controversial issues, limiting Second Amendment rights through vague and ambiguous definitions of hate crimes. The bill adds, I think, nonviolent hate crimes to the list of offenses with which someone can lose their Second Amendment rights. We already have laws restricting violent criminals from purchasing firearms in Nevada, thus I believe the letter of the law is already satisfied by existing statute. We already have laws designed to keep guns out of the hands of the same violent criminals that would fall under this law.

The only effective change in SB 171 would be to add nonviolent hate crimes to legal precedent. Considering our First Amendment rights and how many other countries have lost their free speech rights to hate speech laws, I believe this is a very dangerous precedent to set. I would add that if this body would expend more time, energy, and resources to resolving our huge mental health issues and our revolving-door legal system, we may have an impact in the future on these issues without passing any more duplicative laws.

ASSEMBLYWOMAN PETERS:

I rise in support of SB 171. Today, we have an opportunity to reaffirm our promise that hate has no home here in Nevada. Senate Bill 171 is a commonsense measure that will prevent criminals convicted of hate crimes from having access to firearms, which they could use to commit further crimes. We know that not only is gun violence on the rise but also, too, are hate crimes. As the Vice Chair of the LGBTQ+ Caucus, I am particularly disturbed by the fact that members of the LGBTQ+ [lesbian, gay, bisexual, transgender, queer/questioning, plus] community are the second most likely group to be victims of hate crimes. Hate crimes are committed against the marginalized and the vulnerable, those we have a duty to protect. I urge you all to join me in supporting Senate Bill 171 to create a safer and more inclusive Nevada.

Father, we thank You for springtime. Springtime is always special with signs of life, beautiful colors, a freshness that draws us to hope and renewal. Each of us has an opportunity to be a source of hope and renewal. Do our actions produce a colorful bloom, or do we too often present the thorns and thistles? Do our words bring a freshness to the conversation? Do our thoughts produce seeds of life?

Help us to look around at nature, see the signs of vibrant life and draw lessons for our own actions to affirm the hope of spring each and every day. We ask this in Your Son's Name.

AMEN.

Amendment No. 537.

SUMMARY—Exempts persons engaged exclusively in transporting persons between certain states **or within this State** for certain purposes from provisions governing private investigators and related professions. (BDR 54-420)

AN ACT relating to the Private Investigator's Licensing Board; exempting persons engaged exclusively in transporting persons ~~[between certain states]~~ for the purposes of a temporary transfer of custody pursuant to the Agreement on Detainers **,** ~~[or]~~ extradition pursuant to the Uniform Criminal Extradition Act **or a temporary or permanent transfer of the custody of a person from one state or local governmental agency to another** from licensure and regulation by the Board; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for the licensure and regulation of private investigators, private patrol officers, process servers, repossessors, dog handlers, security consultants and polygraphic examiners by the Private Investigator's Licensing Board. (Chapter 648 of NRS) Existing law further requires an employee of a person licensed by the Board to be registered with the Board to perform any work regulated by the Board. (NRS 648.060, 648.1493, 648.203)

Under existing law, Nevada has enacted the Agreement on Detainers, an interstate agreement setting forth certain procedures for the temporary transfer of custody of an incarcerated person from the state in which the person is incarcerated to another state where the person is subject to pending criminal charges. (NRS 178.620) Existing law also sets forth the Uniform Criminal Extradition Act, which establishes certain procedures governing the extradition to and from this State of a person who has been charged with a crime or who has been alleged to have escaped from confinement or broken

the terms of the person's bail, probation or parole. (NRS 179.177-179.235) Because persons who transport persons from this State to another state **,** ~~[or]~~ from another state to this State **or through this State** are private patrol officers for the purposes of existing law governing the licensure of private patrol officers by the Private Investigator's Licensing Board, such persons are required to obtain a license from the Board and employees of such persons are required to be registered with the Board. (NRS 648.013, 648.060, 648.063, 648.1493, 648.203)

This bill exempts ~~[any person who is engaged exclusively in the business of transporting persons from this State to another state or from another state to this State for the purposes of a temporary transfer of custody pursuant to the Agreement on Detainers or extradition pursuant to the Uniform Criminal Extradition Act, or any employee of such a person,]~~ from the provisions of existing law governing the licensure and regulation of private investigators and related professions by the Private Investigator's Licensing Board **~~[.]~~ any person, or any employee thereof, who is engaged exclusively in the business of transporting persons: (1) from this State to another state, from another state to this State or through this State for the purpose of a temporary transfer of custody pursuant to the Agreement on Detainers or extradition pursuant to the Uniform Criminal Extradition Act; or (2) within this State for the purpose of a temporary or permanent transfer of the custody of a person from one state or local governmental agency to another.**

The following amendment was proposed by Assemblywoman Brittney Miller:

Amendment No. 573.

AN ACT relating to civil actions; **increasing the amount of civil damages for which certain providers of health care may be liable for acts or omissions in rendering care or assistance necessitated by certain traumatic injuries;** excluding certain health care professionals from the definition of "provider of health care" for certain purposes; increasing the limitation on the amount of noneconomic damages a plaintiff may recover in a civil action against a provider of health care for professional negligence; **imposing liability on a hospital for the professional negligence of a provider of health care who renders professional services at the hospital;** revising the statute of limitations for bringing an action against a provider of health care for injury or death based upon professional negligence, professional services rendered without consent or error or omission in practice; repealing ~~[various requirements and restrictions concerning]~~ **provisions which limit the amount of a contingent fee for which an attorney representing a plaintiff in** a civil action against a provider of health care for professional negligence ~~[.]~~ **may contract for or collect;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law **limits to $50,000 the amount of civil damages for which a licensed physician or dentist, a hospital or certain employees of a hospital may be held liable for certain acts or omissions in rendering care or assistance at a hospital necessitated by a traumatic injury demanding immediate medical attention. (NRS 41.503) Section 1 of this bill increases that amount to $250,000 and, beginning on January 1, 2026, requires that amount to be adjusted each year based on the percentage increase in the Consumer Price Index (All Items) for the immediately preceding calendar year.**

Existing law sets forth various requirements and restrictions relating to civil actions against a provider of health care for professional negligence.

(Chapter 41A of NRS) Existing law defines "provider of health care" for the purposes of those provisions to include a physician, physician assistant, dentist, licensed nurse, dispensing optician, optometrist, registered physical therapist, podiatric physician, licensed psychologist, chiropractic physician, doctor of Oriental medicine, medical laboratory director or technician, licensed dietitian, a person licensed to engage in radiation therapy or radiologic imaging, a licensed hospital and certain other entities. (NRS 41A.017) **Section** ~~[1]~~ **1.5** of this bill excludes from that definition an agency to provide nursing in the home, a facility for intermediate care, a facility for skilled nursing, a facility for hospice care and a nursing pool, thereby specifically excluding such persons from the provisions of existing law imposing certain requirements and restrictions on civil actions brought against a provider of health care for professional negligence.

Existing law limits the amount of noneconomic damages that a plaintiff may recover in a civil action brought against a provider of health care for professional negligence to $350,000, regardless of the number of plaintiffs, defendants or theories upon which liability may be based. (NRS 41A.035) **Section 2** of this bill instead limits the amount of noneconomic damages that a plaintiff may recover in such an action to ~~[$2,500,000]~~ **: (1) for an action in which certain hospitals or employees, agents or affiliates of certain hospitals are a party, $2,000,000;** and ~~[, beginning]~~ **(2) for any other action, $550,000. Section 2 requires, beginning** on January 1, ~~[2025, requires]~~ **2026,** that ~~[amount to]~~ **those amounts** be adjusted each year based on the percentage increase in the Consumer Price Index (All Items) for the immediately preceding calendar year.

Existing law provides that each defendant in a civil action for injury or death against a provider of health care based upon professional negligence is severally, and not jointly, liable for damages awarded in the action. (NRS 41A.045) Section 2.5 of this bill: (1) deems a provider of health care who renders professional services at a hospital to be an agent of the hospital; and (2) provides that the hospital is vicariously liable for any professional negligence of the provider of health care in connection with the rendering of such services at the hospital.

Existing law requires an action for injury or death against a provider of health care based on professional negligence, professional services rendered without consent or error or omission in practice, to be commenced: (1) for an injury that occurred on or after October 1, 2002, not more than 3 years after the date of injury or 1 year after the plaintiff discovers or should have discovered the injury; and (2) if the injury occurred before October 1, 2002, not more than 4 years after the date of injury or 2 years after the plaintiff discovers or should have discovered the injury. (NRS 41A.097) **Section 3** of this bill revises those provisions to require all such actions to be brought not more than 4 years after the date of injury or 2 years after the plaintiff discovers or should have discovered the injury. **Section 4** of this bill provides that the changes in **section 3** apply retroactively to any injury or death that occurred

before October 1, 2023, even if the statute of limitations that was in effect at the time of the injury or death has expired. Therefore, a civil action against a provider of health care that would otherwise be time-barred by the former statute of limitations is revived by this bill, so long as the revised statute of limitations set forth in **section 4** has not expired.

Section 6 of this bill repeals provisions that [~~: (1)~~] limit the amount of a contingent fee that an attorney representing a plaintiff in a civil action against a provider of health care for professional negligence may contract for or collect . [~~; (2) limit to $50,000 the amount of civil damages for which a licensed physician or dentist, a hospital or certain employees of a hospital may be held liable for certain acts or omissions in rendering care or assistance at a hospital necessitated by traumatic injury demanding immediate medical attention; (3) provide that each defendant in a civil action against a provider of health care for professional negligence is severally, and not jointly, liable for damages awarded in the action; and (4) authorize the introduction of certain evidence relating to collateral benefits, restrict certain sources of collateral benefits and provide for payment of future damages by periodic payments.~~]

Senate Bill No. 406.

Bill read third time.

Remarks by Assemblywoman Brittney Miller.

ASSEMBLYWOMAN BRITTNEY MILLER:

Senate Bill 406 makes it unlawful for a person to use, threaten, or attempt to use any force, intimidation, coercion, violence, restraint, or undue influence to interfere with the performance of the duties of an election official or retaliate against an election official for performing such duties. The bill also makes it unlawful to disseminate certain information about election officials without consent. These crimes are punishable as a category E felony.

I rise today in support of Senate Bill 406. This bill provides additional protections for election workers against harassment and intimidation and states loudly and clearly that assaults on the democratic process have no place here in Nevada. Quite simply, elections do not work without people. Over the last four years, Nevada has seen significant turnover of election officials in both elected and administrative positions. It has also gotten harder to recruit poll workers because they are afraid. We need knowledgeable and trusted election administrators to keep our elections free, fair, and secure. Protecting the people who run elections from harassment, threats, and intimidation protects our democracy. In fact, upstairs we have a few of those election officials here today. I would like to thank you all for your work to uphold the exercise of democracy here in the state of Nevada. I urge your support for Senate Bill 406.

OFFICE OF THE GOVERNOR

THE HONORABLE STEVE YEAGER, SPEAKER OF THE NEVADA STATE ASSEMBLY, Nevada Legislature, 401 South Carson Street, Carson City, Nevada 89701

RE: Assembly Bill 354 of the 82nd Legislative Session

DEAR SPEAKER YEAGER:

I am forwarding to you, for filing within the time limit set forth in the Nevada Constitution and without my approval, Assembly Bill 354 (AB 354), which is titled as follows:

AN ACT relating to firearms; prohibiting, under certain circumstances, the possession of a firearm in or within a certain distance of an election site; revising the definition of the term "firearms importer or manufacturer"; defining certain terms; prohibiting a person from engaging in certain acts relating to unfinished frames or receivers, ready frames or receivers and market frames or receivers; revising provisions relating to certain acts involving unfinished frames or receivers, ready frames or receivers and market frames or receivers which are not imprinted with a serial number under certain circumstances; providing penalties; repealing certain provisions relating to firearms; and providing other matters properly relating thereto.

AB 354 is commendable inasmuch as it aims to increase public confidence in the safety in and around our election process. However, its scope is too broad and there is no notable history of gun violence at election facilities in Nevada.

AB 354 replicates federal and state laws prohibiting intimidation at or near a ballot-box. For example, 18 U.S. Code § 594 makes it unlawful to intimidate, threaten, or coerce a person "for the purpose of interfering" with that individual's right "to vote as he may choose." NRS 293.710 ultimately renders the same actions unlawful in Nevada. Moreover, NRS 293.730 subjects an individual to prosecution for a Category E felony if they, "[r]emain in or outside of any polling place so as to interfere with the conduct of the election." The provisions in AB 354 are merely duplicative of these existing laws and do nothing but establish more "gun-free zones."

Additionally, AB 354 is impermissibly vague in relation to its 100 feet gun-free radius surrounding a "ballot-box." Ballot boxes appear in common community gathering locations across our state, including grocery stores, shopping centers, gyms, and libraries. It is untenable to prohibit law-abiding citizens from exercising their Second Amendment rights in these areas.

Finally, AB 354's aim to end the transfer of certain firearm parts and receivers would place an impermissible burden on constitutionally protected conduct because possession of firearms, firearm frames, and receivers is within the scope of the Second Amendment's right to keep and bear arms. Last fall, a Delaware judge ruled that prohibitions on manufacturing and possession are not "consistent with the nation's historical tradition of firearm regulation." *Rigby v. Jennings*, 2022 WL 4448220 at *5, (D. Del. Sept. 2022) (citing *New York State Rifle & Pistol Association, Inc. v. Bruen*, 142 S. Ct. 2111, 2130 (2022)).

For these reasons, I veto this bill and return it to you without my signature or approval.

Respectfully submitted,
JOE LOMBARDO
Governor

OFFICE OF THE GOVERNOR

May 17, 2023

THE HONORABLE STEVE YEAGER, SPEAKER OF THE NEVADA STATE ASSEMBLY, Nevada Legislature, 401 South Carson Street, Carson City, Nevada 89701

RE: Assembly Bill 355 of the 82nd Legislative Session

DEAR SPEAKER YEAGER:

I am forwarding to you, for filing within the time limit set forth in the Nevada Constitution and without my approval, Assembly Bill 355 (AB 355), which is titled as follows:

AN ACT relating to firearms; prohibiting a person who is less than 21 years of age from possessing certain firearms; making it unlawful to aid or knowingly permit a person who is less than 21 years of age to possess a firearm under certain circumstances; revising provisions relating to the storage of a firearm; revising provisions relating to the handling, possession or control of a firearm by certain children; providing penalties; and providing other matters properly relating thereto.

AB 355 is presumably intended to decrease gun violence in communities across the state – an admirable goal. However, last year, in *Jones v. Bonta*, the Ninth Circuit Court of Appeals struck down as unconstitutional California's ban on the sale of semiautomatic rifles to adults younger than 21. In a 2-1 panel decision, the court found that the Second Amendment "protects the right of young adults to keep and bear arms, which includes the right to purchase them." This ruling was subsequently vacated by the Ninth Circuit so the trial court could readdress its legal findings after the United States Supreme Court issued its ruling in *New York State Rifle and Pistol Association, Inc. v. Bruen*, 142 S. Ct. 2111 (2022). In *Bruen*, the Court held that gun restrictions are constitutional only insofar as there is a tradition of such regulation in United States history. The United States has little, if any, tradition of entirely prohibiting the possession of semi-automatic firearms to those under 21 years of age. Additionally, this month, a federal court in the Eastern District of Virginia, noting that the Second Amendment's protections "extend in full to law-abiding adults aged eighteen or older[,]" ruled that there was insufficient support for the proposition "that restrictions on the purchasing [and possession] of firearms by 18-20 year olds is part of our Nation's history and tradition."

As such, were this bill to become law, it is unlikely it would pass constitutional muster.

For these reasons, I veto this bill and return it to you without my signature or approval.

Respectfully submitted,
JOE LOMBARDO
Governor

SECOND READING AND AMENDMENT

Senate Bill No. 5.

Bill read second time and ordered to third reading.

Senate Bill No. 29.

Bill read second time and ordered to third reading.

Senate Bill No. 34.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 543.

AN ACT relating to legal services; authorizing the Attorney General or the chief legal officer or other authorized representative of a political subdivision of this State to provide legal representation to certain officers or employees of the State or a political subdivision thereof in certain actions or proceedings; **revising provisions relating to special counsel employed by the Attorney General;** revising provisions governing the legal representation of certain persons by the Attorney General; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Attorney General or the chief legal officer or other authorized representative of a political subdivision of this State to provide legal counsel to certain officers or employees of the State or a political subdivision of the State who are named as defendants in a civil action and certain other persons who are not officers or employees of the State or a political subdivision. Existing law authorizes the Attorney General, chief legal officer or other authorized representative to employ special counsel with respect to such civil actions if the Attorney General, chief legal officer or other authorized representative, as applicable, determines that it is impracticable, uneconomical or could constitute a conflict of interest for the legal service to be provided by the Attorney General, chief legal officer or other authorized representative. (NRS 41.0339)

Section 1 of this bill authorizes the Attorney General or the chief legal officer or other authorized representative of a political subdivision of the State to represent certain officers or employees of the State or a political subdivision thereof who are summoned or subpoenaed to appear in an action or proceeding in which the person is not a named defendant if: (1) the person submits a written request for representation; and (2) the Attorney General, chief legal

officer or other authorized representative, as applicable, determines that such representation is in the best interest of the State or a political subdivision of the State. **Section 1** also authorizes the Attorney General, chief legal officer or other authorized representative to employ special counsel with respect to such actions or proceedings if the Attorney General, chief legal officer or other authorized representative, as applicable, determines that it is impracticable, uneconomical or could constitute a conflict of interest for the legal service to be provided by the Attorney General, chief legal officer or other authorized representative. **Section 2** of this bill makes a conforming change to indicate the appropriate placement of **section 1** in the Nevada Revised Statutes.

Existing law defines the term "state judicial officer" to mean a justice of the Supreme Court, senior justice, judge of a district court or senior judge. (NRS 41.03385) Section 3.3 of this bill revises the term to include a judge or senior judge of the Court of Appeals.

Existing law requires that certain determinations relating to the employment of special counsel be made by the Attorney General prior to trial. (NRS 41.03435) Section 3.7 of this bill removes the requirement that such determinations be made prior to trial.

In general, existing law: (1) provides that the Attorney General and his or her deputies are the legal advisers on all state matters arising in the Executive Department of the State Government; and (2) prohibits persons in the Executive Department from employing other counsel to represent the State or any agency in the Executive Department unless the Attorney General and the deputies of the Attorney General are disqualified to act in the matter. (NRS 228.110) **Section 4** of this bill authorizes a person in the Executive Department to employ counsel other than the Attorney General to represent the State or any agency in the Executive Department if the Attorney General determines that it is impracticable, uneconomical or could constitute a conflict of interest for the Attorney General or a deputy of the Attorney General to serve as the legal adviser on the matter. **Section 4** also requires compensation for such counsel to be paid out of: (1) the Reserve for Statutory Contingency Account; or (2) available federal grants or a permanent fund in the State Treasury other than the State General Fund.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Amendment No. 598.

AN ACT relating to public safety; requiring vehicles operating on certain highways in this State with one lane for traveling in each direction to display daytime running lamps or lighted lamps and illuminating devices under certain circumstances; revising certain provisions governing the requirements for lamps and other equipment on vehicles and implements of husbandry during certain times and conditions; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires every vehicle on a highway of this State, with certain exceptions for parked vehicles, to display lighted lamps and illuminating

devices as respectively required for different classes of vehicles during defined conditions: (1) at any time from one-half hour after sunset to one-half hour before sunrise; (2) at any other time when persons and vehicles on the highway are not clearly discernible at a distance of 1,000 feet ahead; and (3) when directed by an official traffic control device. Existing law also prescribes certain requirements for lamps and other equipment on vehicles and implements of husbandry during those times or conditions. (NRS 484D.100, 484D.105, 484D.165, 484D.170, 484D.175, 484D.215, 484D.220, 484D.460) **Section 1** of this bill requires that when one of those times or conditions does not apply, every vehicle operating upon a highway of this State that has one lane for traveling in each direction, except for a street, must display the daytime running lamps, as defined by federal regulation, or lighted lamps and illuminating devices while operating on such a highway. (49 C.F.R. § 571.108; NRS 484D.100) **Sections 2-8** of this bill make conforming changes to clarify the times and conditions during which the requirements for certain lamps and other equipment on vehicles apply.

The following amendment was proposed by the Committee on Growth and Infrastructure:

Amendment No. 593.

AN ACT relating to broadband; establishing certain requirements for a state agency that awards grants of federal money for the development of broadband services and infrastructure; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes the Office of Science, Innovation and Technology in the Office of the Governor and requires: (1) the Director of the Office to

establish and administer a program of infrastructure grants for the development or improvement of broadband services for persons with low income and persons in rural areas of this State; and (2) the Office to establish and administer a program to encourage the deployment of broadband infrastructure in underserved communities in this State. (NRS 223.600, 223.610, 223.670) **Section 2** of this bill sets forth a legislative declaration regarding the importance of using a well-trained workforce and providing jobs to residents of this State in expending federal money to increase the development of broadband services and infrastructure in this State.

Section 3 of this bill requires each state agency that awards grants of federal money for the development of broadband services and infrastructure to: (1) evaluate and assign a score to each grant application received by the state agency based on the factors and relative weights assigned to each factor that the state agency specified in the request for grant applications; and (2) assign a relative weight of 30 percent to a grant application if the applicant submits a signed certification with his or her application. **Section 3** provides that the applicant must certify that if the applicant or a provider of broadband services will perform some or all of the work or will subcontract some or all of the work to a licensed contractor, the applicant, provider or contractor: (1) meets certain safety and training requirements and provides job opportunities with high-quality wages for residents of this State and members of underrepresented communities; or (2) is a signatory to a collective bargaining agreement that covers the direct employees of the applicant who will perform any work financed in whole or in part by the grant money.

Section 3 also provides that if an applicant ~~[provides a certification that the applicant]~~ or provider ~~[meets certain safety and training requirements and provides job opportunities with high-quality wages for residents of this State and members of underrepresented communities,]~~ **is a signatory to a collective bargaining agreement,** certain provisions of law requiring the payment of prevailing wages on public works do not apply. **Section 3.5** of this bill makes a conforming change to provide an exception to the requirements to pay prevailing wages on public works.

Section 3 further requires each state agency to include as a condition of any grant award that: (1) the certification provided by the applicant is binding upon the applicant that is awarded the grant money; and (2) if a licensed contractor performs any work, certain provisions of law governing public works apply to the work performed by the subcontractor. Lastly, **section 3** authorizes the Director of the Office to adopt regulations to carry out the provisions of **section 3**.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 232 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 and 3 of this act.

Sec. 2. ***The Legislature finds and declares that:***

1. The State of Nevada is poised to see a once in a generation wave of federal money resulting from the passage of the Infrastructure Investment and Jobs Act, Public Law 117-58, and the American Rescue Plan Act of 2021, Public Law 117-2, which will help to close the digital divide and increase the development of broadband services and infrastructure across the State;

2. The State of Nevada needs to ensure that this historic investment creates long-lasting broadband infrastructure that is built by a well-trained workforce;

3. Work performed by an unqualified contractor with a poorly trained workforce endangers the public and is not in the best interest of the citizens of this State; and

4. Proper stewardship of public money will require that the State of Nevada implement appropriate measures to ensure that any grants of federal money awarded by this State for the development of broadband services and infrastructure prioritize issuing grants to applicants that will ensure the work is performed safely and by a well-trained workforce and that the applicant provides quality jobs to Nevada workers.

Sec. 3. *1. In awarding any grant of federal money for the development of broadband services and infrastructure in accordance with federal law, each state agency shall:*

(a) Evaluate and assign a score to each application received by the state agency based on the factors and relative weights assigned to each factor that the state agency specified in the request for grant applications; and

(b) When ranking the proposals, assign a relative weight of 30 percent to an application if the applicant submits a signed certification attesting that the applicant meets the requirements of paragraph (a) or (b) of subsection 2.

2. An applicant for a grant of federal money for the development of broadband services and infrastructure shall submit to a state agency with the application for the grant a signed statement certifying that:

(a) If the applicant:

(1) Will perform some or all of the work that is financed in whole or in part with the grant money or if such work will be performed by a provider of broadband services, the applicant or provider, as applicable, meets the requirements set forth in paragraph (b) or (c); and

(2) Will subcontract some or all of the work that is financed in whole or in part with the grant money, the subcontractor meets the requirements set forth in paragraph (b) or (c);

(b) The applicant, provider of broadband services or contractor, as applicable:

(1) Has a robust training program with training requirements that are tied to titles, uniform wage scales and skill codes recognized in the industry;

(2) Requires safety training, including, without limitation, any safety training requirements of the Occupational Safety and Health

Administration of the United States Department of Labor, and operates a safety program that requires drug testing;

(3) Requires work performed by the applicant, provider or contractor, as applicable, that is financed in whole or in part with the grant money will be performed by employees who are directly employed by the applicant, provider or contractor, as applicable, and that such workers will receive high-quality wages and benefits;

(4) Has programs to promote the training and hiring of workers from underrepresented communities; and

(5) Primarily employs a qualified local work force consisting of residents of this State or conducts a program to promote the hiring of residents of this State; ~~[and~~

~~*(6) Has a documented record of complying with all applicable labor and employment laws in the 5-year period immediately preceding the date the grant application is filed or has a documented record of mitigating any violations of the applicable labor and employment laws and has taken measures to ensure future compliance with such laws;]~~ or*

(c) The applicant, provider of broadband services or contractor licensed pursuant to chapter 624 of NRS that will perform some or all of the work is a signatory to a collective bargaining agreement that covers all non-supervisory employees directly employed by the applicant, provider or contractor, as applicable, who will perform any work financed in whole or in part with the grant money.

3. Except as otherwise provided in subsection 5, the provisions of NRS 338.020 to 338.090, inclusive, do not apply to work performed by an applicant or provider of broadband services that is a public work if the applicant or provider, as applicable, is a signatory to a collective bargaining agreement.

4. Any certification submitted by an applicant for a grant pursuant to subsection 2 must be made available on the Internet website of the state agency which awarded the grant.

5. In addition to the requirements of subsections 1 and 2 and except as otherwise provided in federal law, each state agency shall require as a condition of any grant of federal money for the development of broadband services and infrastructure in accordance with federal law that is awarded by the state agency that:

(a) Any certification provided by the applicant pursuant to subsection 2 is binding upon the applicant who is awarded the grant money; and

(b) If a contractor licensed pursuant to chapter 624 of NRS performs any work financed in whole or in part with the grant money, the provisions of NRS 338.020 to 338.090, inclusive, shall apply.

6. If any federal statute or regulation precludes the granting of federal assistance or reduces the amount of that assistance for a particular grant because of the provisions of this section, the provisions of this section do not

apply insofar as their application would preclude or reduce federal assistance for that work.

7. The Director of the Office of Science, Innovation and Technology established pursuant to NRS 223.600 may adopt regulations to carry out the provisions of this section.

8. As used in this section, "state agency" means every public agency, bureau, board, commission, department, division, officer or employee of the Executive Department of the State Government.

MOTIONS, RESOLUTIONS AND NOTICES

Senate Joint Resolution No. 3.

Resolution read.

The following amendment was proposed by the Committee on Legislative Operations and Elections:

Amendment No. 536.

SENATE JOINT RESOLUTION—Urging the United States Bureau of Reclamation to consider certain actions, alternatives and measures for the protection and management of the Colorado River.

WHEREAS, The Colorado River is the most vital water source in Nevada and much of the western United States, sustaining the life and livelihood of 7 western states, 22 Indian tribes and Mexico; and

WHEREAS, The Colorado River supports the needs of 40 million people in the United States and Mexico, irrigates over 5 million acres of land, generates hydropower for several million people and supports recreational and tourism industries; and

WHEREAS, Ninety percent of Southern Nevada's water supply comes from the Colorado River via Lake Mead; and

WHEREAS, Facing unprecedented drought and aridification, the Colorado River is in crisis with Lake Mead currently at 28 percent capacity; and

WHEREAS, The Colorado River is also overallocated with more water committed for use than is available from the Colorado River in an average year resulting in a structural deficit in the Colorado River; and

WHEREAS, The seven Colorado River Basin states of Arizona, California, Colorado, Nevada, New Mexico, Utah and Wyoming have yet to reach a consensus on a plan to decrease current water use; and

WHEREAS, The Federal Government intends to take unilateral action regarding the management of the Colorado River if the Colorado River Basin states do not present a reasonable plan for water management; and

WHEREAS, The Southern Nevada Water Authority and the Colorado River Commission, on behalf of the State of Nevada, have urged all users of the Colorado River in every state and sector to work together towards a solution to the water crisis and to reduce water demands to reflect the hydrological reality of the Colorado River Basin; and

WHEREAS, In August 2022, the Southern Nevada Water Authority, on behalf of the State of Nevada, submitted a letter to the United States Bureau of Reclamation listing 12 recommendations to address the crisis on the Colorado River, including adopting methods to account for evaporation and system losses in the Colorado River and investing in long-term, durable water conservation to permanently reduce the structural deficit in the Colorado River; and

WHEREAS, In November 2022, the United States Bureau of Reclamation announced its intention to prepare a supplemental environmental impact statement for the December 2007 Record of Decision entitled "Colorado River Interim Guidelines for Lower Basin Shortages and Coordinated Operations for Lake Powell and Lake Mead"; and

WHEREAS, In December 2022, the Southern Nevada Water Authority and the Colorado River Commission, on behalf of the State of Nevada, submitted a proposed alternative to the United States Bureau of Reclamation for consideration in the supplemental environmental impact statement process that presented recommendations to address the structural deficit in the Colorado River; and

WHEREAS, In January 2023, representatives of Nevada joined with the representatives of five other Colorado River Basin states to submit to the United States Bureau of Reclamation a Consensus-Based Modeling Alternative to help stabilize the water levels of Lake Mead and Lake Powell and asked the Bureau to consider and model the Consensus-Based Modeling Alternative in the supplemental environmental impact statement process; and

WHEREAS, The recommendations of Nevada and the Consensus-Based Modeling Alternative to address the Colorado River crisis present a solid starting point for further discussions on the management of the Colorado River; and

WHEREAS, The current Colorado River crisis is dire but solvable if the Colorado River Basin States, the Federal Government and Mexico cooperate to address the crisis; and

WHEREAS, Federal money and other funding mechanisms can aid with short-term water management and prevent the future depletion of the already depleted Colorado River, but the long-term sustainability of the Colorado River system requires the investment of additional money to implement permanent reductions in demand for Colorado River water; now, therefore, be it

RESOLVED BY THE SENATE AND ASSEMBLY OF THE STATE OF NEVADA, JOINTLY, That the members of the 82nd Session of the Nevada Legislature strongly support the pursuit of a collaboration-based framework to address the structural deficit in the Colorado River; and be it further

RESOLVED, That the members of the 82nd Session of the Nevada Legislature support the inclusion of mechanisms to account for evaporation and system losses in the Colorado River in the future management of the Colorado River; and be it further

RESOLVED, That the members of the 82nd Session of the Nevada Legislature hereby urge the United States Bureau of Reclamation to amend existing federal regulations to prohibit the inefficient delivery, application or use of any water from the Colorado River by all sectors and users of water from the Colorado River to limit unnecessary water losses on the Colorado River; and be it further

~~[Resolved, That the members of the 82nd Session of the Nevada Legislature hereby urge the United States Bureau of Reclamation to consider and model the Consensus-Based Modeling Alternative submitted by Arizona, Colorado, Nevada, New Mexico, Utah and Wyoming in the supplemental environmental impact statement process; and be it further]~~

RESOLVED, That the Secretary of the Senate prepare and transmit a copy of this resolution to the United States Secretary of the Interior, the United States Commissioner of the Bureau of Reclamation and the Nevada Congressional Delegation; and be it further

SECOND READING AND AMENDMENT

Senate Bill No. 14.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 633.

AN ACT relating to gaming; authorizing the Chair of the Nevada Gaming Control Board to administratively approve certain persons to temporarily engage in certain gaming activities or receive proceeds therefrom without procuring a state gaming license; revising the definition of "gaming employee"; revising provisions relating to delinquent debt owed to the Board that is determined to be impossible or impracticable to collect; revising provisions concerning the general powers and duties of the Board and the Nevada Gaming Commission; ~~[expanding the activities that are included in the operation of a race book or sports pool;]~~ authorizing persons aggrieved by final decisions or orders of the Commission relating to disciplinary matters to obtain a judicial review of a decision or order in the district court in and for Carson City; providing that any person authorized to receive a share of the revenue from a slot machine operated on the premises of a gaming licensee is liable for his or her proportionate share of a license fee for the slot machines; including additional fees for which prepayment credit may be granted with regard to continuing operations; authorizing the Commission to adopt certain regulations defining the scope of the power and authority of the Board and Commission relating to **hosting centers,** interactive gaming service providers and service providers; exempting persons who accept employment or an independent contract with the Commission as a Commissioner appointed by the Governor from certain provisions of law governing the employment of retired public employees; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law prohibits, in general, a person from engaging in certain activities relating to gaming without procuring a state gaming license. (NRS 463.160, 463.162, 463.650) **Section 1** of this bill authorizes the Chair of the Nevada Gaming Control Board, in the sole and absolute discretion of the Chair, to administratively approve certain persons associated with a holder of a license issued by the Nevada Gaming Commission who is deceased or who has been judicially declared to be disabled to temporarily engage in such activities or receive proceeds therefrom without procuring a state gaming

license. **Section 1** authorizes the Chair to condition or limit an administrative approval in any manner he or she deems necessary and appropriate. **Section 1** further provides that a person who is administratively approved by the Chair to temporarily engage in certain gaming activities or receive proceeds therefrom without procuring a state gaming license is: (1) required to comply with the provisions of law and regulations governing gaming; and (2) subject to disciplinary action for any violation of such provisions. **Sections 3, 4 and 9** of this bill make conforming changes by referring to such an exception for temporary administrative approval in the applicable provisions of law governing the gaming activities for which a state gaming license is otherwise required.

Existing law requires gaming employees to be registered with the Board and defines the term "gaming employee." (NRS 463.0157, 463.335) **Section 1.5** of this bill revises the definition of the term "gaming employee" to clarify which persons are required to be registered with the Board.

Existing law requires, in general, state agencies to coordinate their debt collection efforts through the State Controller and assign debts to the State Controller for collection. (NRS 353C.195) If the State Controller determines that it is impossible or impractical to collect a debt, he or she is authorized to request that the State Board of Examiners designate the debt as a bad debt. (NRS 353C.220) Existing law requires the Nevada Gaming Control Board to: (1) prepare and furnish to the Commission an annual report that shows all debts owed to the Board that became or remained delinquent during the preceding year and includes the amount of any delinquent debt that the Board determines is impossible or impractical to collect; and (2) request that the State Board of Examiners designate any amount of delinquent debt determined to be impossible or impractical to collect as bad debt. (NRS 463.123) **Section 2** of this bill authorizes the Nevada Gaming Control Board to designate as bad debt any amount of debt it assigned to the State Controller for collection that the Board determines is impossible or impractical to collect instead of having to request that the State Board of Examiners designate the debt as a bad debt. **Section 2** also provides that if the State Controller determines that it is impossible or impractical to collect a debt assigned by the Board, he or she is required to request that the State Board of Examiners designate the debt as a bad debt. **Section 11** of this bill makes a conforming change to refer to the exception that the State Controller is required, instead of authorized, to request that the State Board of Examiners designate the debt as a bad debt under **section 2**.

Existing law establishes the general powers and duties of the Board and Commission. (NRS 463.140) **Section 2.5** of this bill requires that the provisions of law governing gaming that relate to any license, registration, finding of suitability or other approval or authorization be administered by the Board and the Commission. **Section 2.5** also establishes an exception to certain authorized actions of the Board, the Commission and their agents.

~~[Existing law requires a person to procure and maintain all applicable gaming licenses and registrations in order to operate a race book or sports pool and sets forth the activities that are included in the operation of a race book or sports pool. (NRS 463.160) Section 3 expands such activities that are included in the operation of a race book or sports pool.]~~

Existing law authorizes the Board or Commission or certain persons to obtain a judicial determination of any construction or validity arising under certain provisions of law governing gaming or any regulation of the Commission by bringing an action for a declaratory judgment in the: (1) First Judicial District Court of the State of Nevada in and for Carson City; or (2) district court of the district in which the plaintiff resides or does business. (NRS 463.343) Existing law also authorizes any person aggrieved by a final decision or order of the Commission made after a disciplinary hearing or rehearing to obtain a judicial review of the decision or order in the district court of the county in which the petitioner resides or has his, her or its principal place of business. (NRS 463.315) **Section 5** of this bill additionally authorizes a person to obtain such a judicial review in the district court in and for Carson City. **Section 6** of this bill revises certain language relating to bringing an action for a declaratory judgment to more closely resemble the language used in **section 5**.

Existing law: (1) requires the Commission to charge and collect a license fee from an applicant for a restricted operation for each slot machine for each quarter year before the Commission issues a state gaming license to the applicant; and (2) establishes when the license fee must be paid. (NRS 463.373) **Section 7** of this bill provides that any person who is authorized to receive a share of the revenue from any slot machine that is operated on the premises of a licensee is liable to the licensee for the person's proportionate share of the license fee and is required to remit or credit his or her proportionate share to the licensee on or before certain dates.

Existing law provides that if the Commission approves the issuance of a license for gaming operations at the same location that is currently licensed or, if the license is for the operation of a slot machine route, locations that are currently licensed, the Chairs of the Board and Commission are authorized in certain circumstances to administratively determine that for the purposes of certain fees, the license shall be deemed transferred, the previously licensed operation shall be deemed a continuing operation and credit must be granted for prepaid license fees. (NRS 463.386) **Section 8** of this bill includes additional fees for which prepayment credit must be granted with respect to a continuing operation.

Existing law: (1) authorizes the Commission to provide by regulation for the operation and registration of hosting centers and persons associated therewith; and (2) requires such regulations to provide that the premises on which the hosting center is located are subject to the power and authority of the Board and Commission, as though the premises are where gaming is conducted and the hosting center is a gaming licensee.

(NRS 463.673) Existing law **[,] similarly:** (1) authorizes the Commission to provide by regulation for the licensing of an interactive gaming service provider, the registration of a service provider and the operation of such a service provider or interactive gaming service provider; and (2) requires such regulations to provide that the premises on which an interactive service provider and a service provider conducts its operations are subject to the power and authority of the Board and Commission, as though gaming is conducted on the premises and the interactive gaming service provider or service provider is a gaming licensee. (NRS 463.677) **[**Section**]** **Sections 9.1 and 9.3** of this bill**, respectively,** instead **[**authorizes**]** **authorize** the Commission to adopt regulations that define the scope of the power and authority of the Board and Commission as it deems appropriate based on the type and function of **a hosting center or** the specific interactive gaming service provider or service provider. **Sections 9.5 and 9.7** of this bill make conforming changes to refer to provisions that have been renumbered by **section 9.3**.

Existing law establishes provisions concerning the employment of retired public employees and provides that a person who accepts employment or an independent contract with certain entities is exempt from certain provisions of existing law for the duration of the employment or contract. (NRS 286.520) **Section 10.5** of this bill also exempts a person who accepts employment or an independent contract with the Commission as a Commissioner appointed by the Governor from such provisions for the duration of the employment or contract.

Assemblywoman Brittney Miller moved the adoption of the amendment.

Amendment adopted.

Bill ordered reprinted, re-engrossed and to third reading.

Senate Bill No. 61.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 590.

AN ACT relating to crimes; providing that the holding of an account in joint tenancy does not, in and of itself, convey to the persons named on the account legal ownership of the account and the deposits and proceeds of the account in a manner that would preclude such a person from committing or being prosecuted for exploitation involving the control or conversion of any deposits or proceeds of the account; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law sets forth certain circumstances in which a deposit made in the names of two or more persons creates an account held in joint tenancy. Existing law provides, with certain exceptions, that the use by a depositor of the term "joint account," or a similar term, in designating the ownership of an account indicates the intent of the depositor that the account be held in joint tenancy. If an account is intended to be held in joint tenancy, existing law provides that the account or proceeds from the account are owned by the persons named on the account. (NRS 100.085)

In 1996, the Nevada Supreme Court held that the status of a defendant as a joint account holder under NRS 100.085 did not preclude her conviction for theft of money from the joint account because the jury could have concluded that the criminal intent and actions of the defendant arose before she placed the money into the joint account. (*Walch v. State*, 112 Nev. 25, 31-33 (1996)) In 2018, the Nevada Court of Appeals determined that NRS 100.085 establishes a presumption that a joint account holder has ownership of, and the authority to use, money in a joint account. The Court held that, under the

reasoning of the Nevada Supreme Court, for a joint account holder to be convicted of theft based on the withdrawal or misuse of money from a joint account, the State is required to establish that the criminal intent of the joint account holder arose before the money was deposited into the joint account. (*Natko v. State*, 134 Nev. 841, 843-44 (Nev. Ct. App. 2018))

Existing law imposes criminal penalties on a person who exploits or who conspires to exploit an older person or vulnerable person. (NRS 200.5099, 200.50995) Existing law defines "exploitation" to mean, in general, any act taken by a person who has the trust and confidence of an older person or a vulnerable person or any use of the power of attorney or guardianship of an older person or a vulnerable person to obtain control of or to convert the person's money, assets or property with the intention of permanently depriving the person of the ownership, use, benefit or possession of his or her money, assets or property. (NRS 200.5092) **Sections 1 and 5.5** of this bill provide that the mere fact that an account of an older person or a vulnerable person is held in joint tenancy does not, in and of itself, convey to the persons named on the account legal ownership of the account and the deposits and proceeds of the account in such a way that would preclude any of those persons from committing or being prosecuted for exploitation involving the control or conversion of any deposits or proceeds of the account, regardless of when the intent to commit exploitation arose.

Section 2-4 and 6 of this bill make conforming changes to indicate the proper placement of **section 1** in the Nevada Revised Statutes.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 200 of NRS is hereby amended by adding thereto a new section to read as follows:

1. The mere fact that an account of an older person or a vulnerable person is held in joint tenancy pursuant to NRS 100.085 does not, in and of itself, convey to all persons named on the account legal ownership of the account and the deposits and proceeds of the account in a manner that would preclude such a person from committing or being prosecuted for exploitation involving the control or conversion of any deposits or proceeds of the account if the facts and circumstances demonstrate that exploitation has occurred, regardless of whether the intent to commit exploitation arose before, during or after the creation of the account.

2. Nothing in this section shall be construed to relieve the State of its burden of proving beyond a reasonable doubt each element of the crime of exploitation.

Sec. 2. NRS 200.5092 is hereby amended to read as follows:

200.5092 As used in NRS 200.5091 to 200.50995, inclusive, ***and section 1 of this act,*** unless the context otherwise requires:

2. "Abuse" means willful:
