OF THE

ASSEMBLY OF THE STATE OF NEVADA

THIRTY-FOURTH SPECIAL SESSION

THE FIRST DAY

CARSON CITY (Tuesday), June 6, 2023

Assembly called to order at 9:34 p.m.

Mr. Speaker presiding.

Roll called.

All present except Assemblywoman Peters, who was excused.

Prayer by Assemblywoman Alexis Hansen.

Our Father in Heaven, we are grateful to be gathered here today as honored public servants in the great state of Nevada. We are so appreciative of our wonderful state. We are grateful for this great nation that we call home.

We ask at this time that Thou would be with us, that Thy Spirit would descend upon us, that we would have wisdom, humility, and discernment.

May we remember those who paid the ultimate sacrifice 79 years ago on D-Day on June 6, 1944. We will never forget their sacrifice that freed Europe and our allies.

We ask at this time, as we prepare to enter this special session, that we will have clear heads, that we will remember good policy over politics, and that we will have good conscience in the choices that we have to make today.

We are grateful for our families who have sacrificed so that we might serve here, and we are especially grateful for our staff that have served us so well with long hours and a lot of work. We pray that Thou would bless them and their families for their sacrifice.

We offer these things up and ask these things in the Name of Jesus Christ.

AMEN.

Pledge of allegiance to the Flag.

A meeting of the interim Committee to Conduct an Investigation into Matters Relating to Reapportionment and Redistricting in Nevada held in any portion of the State described in this subsection shall be deemed to satisfy the requirement of this subsection to conduct a meeting in that portion of the State.*

Rule No. 14. Maintenance of Working Environment; Procedure for Filing, Investigating and Taking Remedial Action on Complaints.

1. *The Legislature hereby declares that it is the policy of the Legislature to prohibit any conduct, whether intentional or unintentional, which results in sexual harassment or other unlawful harassment based upon any other protected category. The Legislature intends to maintain a working environment which is free from sexual harassment and other unlawful harassment. Each Legislator is responsible to conduct himself or herself in a manner which will ensure that others are able to work in such an environment.*

2. *In accordance with Title VII of the Civil Rights Act, 42 U.S.C. §§ 2000e et seq., for the purposes of this Rule, "sexual harassment" means unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when:*

(a) *Submission to such conduct is made either explicitly or implicitly a term or condition of a person's employment;*

(b) *Submission to or rejection of such conduct by a person is used as the basis for employment decisions affecting the person; or*

(c) *Such conduct has the purpose or effect of unreasonably interfering with a person's work performance or creating an intimidating, hostile or offensive working environment.*

3. *Each Legislator must exercise his or her own good judgment to avoid engaging in conduct that may be perceived by others as sexual harassment. The following noninclusive list provides illustrations of conduct that the Legislature deems to be inappropriate:*

(a) *Verbal conduct such as epithets, derogatory comments, slurs or unwanted sexual advances, invitations or comments;*

(b) *Visual conduct such as derogatory posters, photography, cartoons, drawings or gestures;*

(c) *Physical conduct such as unwanted touching, blocking normal movement or interfering with the work directed at a person because of his or her sex; and*

(d) *Threats and demands to submit to sexual requests to keep a person's job or avoid some other loss, and offers of employment benefits in return for sexual favors.*

4. *In addition to other prohibited conduct, a complaint may be brought pursuant to this Rule for engaging in conduct prohibited by Rule No. 37 of the Joint Rules of the Senate and Assembly for the 82nd Session of the Legislature when the prohibited conduct is based on or because of the gender or other protected category of the person.*

5. *Retaliation against a person for engaging in protected activity is prohibited. Retaliation occurs when an adverse action is taken against a person which is reasonably likely to deter the person from engaging in the protected activity. Protected activity includes, without limitation:*

(a) Opposing conduct that the person reasonably believes constitutes sexual harassment or other unlawful harassment;

(b) Filing a complaint about the conduct; or

(c) Testifying, assisting or participating in any manner in an investigation or other proceeding related to a complaint of sexual harassment or other unlawful harassment.

6. *A Legislator who encounters conduct that the Legislator believes is sexual harassment, other unlawful harassment, retaliation or otherwise inconsistent with this policy may file a written complaint with:*

(a) The Speaker of the Assembly;

(b) The Majority Leader of the Senate;

(c) The Director of the Legislative Counsel Bureau, if the complaint involves the conduct of the Speaker of the Assembly or the Majority Leader of the Senate; or

(d) The reporting system established pursuant to subsection 11.

↪ *The complaint must include the details of the incident or incidents, the names of the persons involved and the names of any witnesses. Unless the Legislative Counsel is the subject of the complaint, the Legislative Counsel must be informed upon receipt of a complaint.*

7. *The Speaker of the Assembly, the Majority Leader of the Senate or the Director of the Legislative Counsel Bureau, as appropriate, shall cause a discreet and impartial investigation to be conducted and may, when deemed necessary and appropriate, assign the complaint to a committee consisting of Legislators of the appropriate House.*

8. *If the investigation reveals that sexual harassment, other unlawful harassment, retaliation or other conduct in violation of this policy has occurred, appropriate disciplinary or remedial action, or both will be taken. The appropriate persons will be informed when any such action is taken. The Legislature will also take any action necessary to deter any future harassment.*

9. *The Legislature encourages a Legislator to report any incident of sexual harassment, other unlawful harassment, retaliation or other conduct inconsistent with this policy immediately so that the complaint can be quickly and fairly resolved.*

10. *All Legislators are responsible for adhering to the provisions of this policy. The prohibitions against engaging in sexual harassment and other unlawful harassment which are set forth in this Rule apply to employees, Legislators, lobbyists, vendors, contractors, customers and any other visitors to the Legislature.*

11. *The Legislative Counsel shall establish a reporting system which allows a person to submit a complaint of a violation of this Rule with or without identifying himself or herself. (d) Decide all questions of order, subject to a member's right to appeal to the Assembly. On appeal from such decisions, the Speaker has the right, in the Speaker's place, to assign the reason for the decision.

(e) Have the right to name any member to perform the duties of the Chair, but such substitution must not extend beyond one legislative day.

entities for contempt and reporting findings to the next session of the Legislature.

3. If a vacancy occurs in the office of Speaker, through death, resignation or disability of the Speaker, the Speaker Pro Tempore shall temporarily and for the period of vacancy or disability conduct the necessary business of the Assembly.

4. If a permanent vacancy occurs in the office of Speaker, the Assembly shall select a new Speaker.

5. This Rule shall remain in full force and effect throughout the interim between regular sessions of the Legislature and until new Standing Rules of the Assembly are adopted as part of the organization of a newly-constituted Assembly at the commencement of a session.

[Statutes of Nevada 1975, 1912; A 1995, 2845; 1997, 3538; 1999, 3834; 2001, 3295; 2009, 3141; 2013, 3897; 2020, 32nd Special Session, 132]

II. SESSIONS AND MEETINGS

Rule No. 10. Time of Meeting.

The Assembly shall meet each day at 11:30 a.m., unless the Assembly adjourns to some other hour.

[Statutes of Nevada 1975, 1857; A 2013, 3899]

Rule No. 11. Open Meetings.

All meetings of the Assembly and its committees must be open to the public.

[Statutes of Nevada 1975, 1907; A 1999, 3835; 2001, 3296]

Rule No. 12. Convening of the Assembly between Legislative Sessions.

1. The Assembly may be convened at any time between sessions of the Legislature upon a petition signed by a majority of the members elected to the Assembly to consider and take action on any matter that is solely and exclusively within the constitutional or inherent powers of the Assembly, including, without limitation, any matter that may be considered and acted on by the Assembly pursuant to its plenary and exclusive constitutional powers under Article 4, Section 6 of the Nevada Constitution or pursuant to its inherent powers of institutional self-protection and self-preservation to govern, control and regulate its membership and its internal organization, affairs and management.

2. A petition convening the Assembly pursuant to this Rule must specify the matter that will be considered or acted on by the Assembly, indicate a date for the Assembly to convene and be transmitted to the Chief Clerk of the Assembly. Upon receipt of one or more substantially similar petitions signed, in the aggregate, by a majority of the members elected to the Assembly, the Chief Clerk shall notify all members of the Assembly that the Assembly will be convened pursuant to this Rule and the date on which the Assembly will be convened.

3. The Assembly hereby finds and declares that:

(a) The Nevada Constitution invests each House of the Legislature with certain plenary and exclusive constitutional powers which may be exercised only by that House and which cannot be usurped, infringed or impaired by the other House or by any other branch of Nevada's State Government. (*Heller v. Legislature*, 120 Nev. 456 (2004); *Commission on Ethics v. Hardy*, 125 Nev. 285 (2009); *Mason's Manual of Legislative Procedure* §§ 2-3 & 560-564 (2010) (*Mason's Manual*))

(b) Article 4, Section 6 of the Nevada Constitution invests each House with plenary and exclusive constitutional powers to govern, control and regulate its membership and its internal organization, affairs and management, expressly providing that: "Each House shall judge of the qualifications, elections and returns of its own members, choose its own officers (except the President of the Senate), determine the rules of its proceedings and may punish its members for disorderly conduct, and with the concurrence of two thirds of all the members elected, expel a member."

(c) In addition to its plenary and exclusive constitutional powers, each House possesses certain inherent powers of institutional self-protection and self-preservation to govern, control and regulate its membership and its

internal organization, affairs and management. (In re Chapman, 166 U.S. 661, 668 (1897); Mason's Manual § 2; Luther S. Cushing, Elements of the Law & Practice of Legislative Assemblies § 533 (1856) (Cushing's Legislative Assemblies))

(d) The inherent powers of each House are considered "so essential to the authority of a legislative assembly, that it cannot well exist without them; and they are consequently entitled to be regarded as belonging to every such assembly as a necessary incident." (Cushing's Legislative Assemblies § 533)

(e) The inherent powers of each House authorize it to take all necessary and proper institutional actions that are "recognized by the common parliamentary law." (Cushing's Legislative Assemblies § 684)

(f) Thus, it is well established that each House is "vested with all the powers and privileges which are necessary and incidental to a free and unobstructed exercise of its appropriate functions. These powers and privileges are derived not from the Constitution; on the contrary, they arise from the very creation of a legislative body, and are founded upon the principle of self-preservation." (Ex parte McCarthy, 29 Cal. 395, 403 (1866))

[Statutes of Nevada 2017, 4522]

The next rule is 20.

III. DECORUM AND DEBATE

Rule No. 20. Points of Order.

If any member, in speaking or otherwise, transgresses the rules of the Assembly, the Speaker shall, or any member may, call to order, in which case the member so called to order shall immediately sit down, unless permitted to explain; and if called to order by a member, such member shall immediately state the point of order. If the point of order be sustained by the presiding officer, the member shall not be allowed to proceed; but if it be not sustained, then the member shall be permitted to go on. Every such decision from the presiding officer shall be subject to an appeal to the House; but no discussion of the question of order shall be allowed unless an appeal be taken from the decision of the presiding officer.

[Statutes of Nevada 1973, 1886; A 1993, 2913; 1995, 2847; 1997, 3540]

Rule No. 21. Portable Electronic Communication Devices.

1. A person who is within the Assembly Chambers shall not engage in a telephone conversation via the use of a portable telephone.

2. Before entering the Assembly Chambers, any person who possesses a portable electronic communication device, such as a pager or telephone, that emits an audible alert, such as a ringing or beeping sound, to signal an incoming message or call, shall turn the audible alert off. A device that

contains a nonaudible alert, such as a silent vibration, may be operated in a nonaudible manner within the Assembly Chambers.

[Statutes of Nevada 2001, 3296; A 2003, 3602; 2011, 3793]

Rule No. 22. Reserved.

Rule No. 23. Select Committee on Ethics; Legislative Ethics.

1. The Select Committee on Ethics consists of:

(a) Two members of the Assembly appointed by the Speaker from the majority political party;

(b) One member of the Assembly appointed by the Minority Leader from the minority political party; and

(c) Three qualified electors of the State, two of whom are appointed by the Speaker and one who is appointed by the Minority Leader, and none of whom is a present member of the Legislature or employed by the State of Nevada.

2. The Speaker shall appoint the Chair and Vice Chair of the Committee. The Vice Chair shall serve as the acting Chair if the Chair is unable to serve for any reason during the consideration of a specific question.

3. The Speaker shall appoint an alternate member with the qualifications set forth in paragraph (a) of subsection 1 and an alternate member with the qualifications set forth in paragraph (c) of subsection 1. The Minority Leader shall appoint an alternate member with the qualifications set forth in paragraph (b) of subsection 1 and an alternate member with the qualifications set forth in paragraph (c) of subsection 1. If a member of the Committee is unable to serve for any reason during the consideration of a specific question, the alternate appointed with the qualifications from the same paragraph in subsection 1 shall serve as a member of the Committee during the consideration of the specific question.

4. A member of the Committee is disqualified to serve during the consideration of a specific question if:

(a) The member is the requester of advice concerning the question of ethics or conflict of interest, or the member is the subject of the complaint concerning the specific question; or

(b) A reasonable person in the member's situation could not exercise independent judgment on the matter in question.

5. The members of the Committee shall perform any duty required in the period between the time of their appointment after the general election and the organization of the next succeeding regular session, or until the Speaker or the Speaker Designate or the Minority Leader or Minority Leader Designate appoint new members to the Committee, whichever occurs first.

6. The tenure of the members of the Committee shall extend during the interim between regular sessions of the Legislature.

7. The Committee:

- (a) May hear requests brought by members of the Assembly for advice on specific questions of potential breaches of ethics and conflicts of interest; and
- (b) Shall hear complaints brought by members of the Assembly and others on specific questions of alleged breaches of ethics and conflicts of interest, including, without limitation, alleged breaches of the Legislative Code of Ethical Standards in the Joint Standing Rules.

8. All proceedings held by the Committee to consider the character, alleged misconduct, professional competence or physical or mental health of any person on matters of ethics or conflicts of interest and all materials related to those proceedings are confidential, unless the person who is the subject of the proceedings requests a public hearing or discloses the content of the proceedings or materials.

9. An individual may file a complaint which alleges a breach of ethics or a conflict of interest, including, without limitation, an alleged breach of the Legislative Code of Ethical Standards in the Joint Standing Rules. If the alleged breach of ethics or conflict of interest involves the conduct of more than one person, separate complaints must be filed regarding each person. A complaint must be:

- (a) Made in writing on a form provided by the Legislative Counsel;
- (b) Signed and verified under penalty of perjury by the individual making the allegation; and
- (c) Filed with the Legislative Counsel who shall review the complaint and any other relevant information and consult with the Chair of the Committee or, if the Chair is the subject of the complaint, with the Vice Chair, to evaluate whether the Committee has jurisdiction and whether an investigation is warranted in the matter. If it is determined that the Committee:

(1) Does not have jurisdiction or that an investigation is not warranted in the matter, the Legislative Counsel shall send written notice of the determination to the individual who filed the complaint.

(2) Has jurisdiction and an investigation is warranted in the matter, the Legislative Counsel shall send written notice of the determination and a copy of the complaint to the person who is the subject of the complaint.

10. Each Legislator is subject, at all times, to the Legislative Code of Ethical Standards in the Joint Standing Rules and, in addition, must determine whether he or she has a conflict of interest upon any matter in question before the Legislator. In determining whether the Legislator has such a conflict of interest, the Legislator should consider whether the independence of judgment of a reasonable person in his or her situation upon the matter in question would be materially affected by the Legislator's:

- (a) Acceptance of a gift or loan;
- (b) Private economic interest; or
- (c) Commitment to a member of his or her household or immediate family.

↪ In interpreting and applying the provisions of this subsection, it must be presumed that the independence of judgment of a reasonable person in the Legislator's situation would not be materially affected by the Legislator's private economic interest or the Legislator's commitment to a member of his or her household or immediate family where the resulting benefit or detriment accruing to the Legislator, or if the Legislator has a commitment to a member of his or her household or immediate family, accruing to those other persons, is not greater than that accruing to any other member of the general business, profession, occupation or group that is affected by the matter.

11. Except as otherwise provided in subsection 12, if a Legislator knows he or she has a conflict of interest pursuant to subsection 10, the Legislator shall make a general disclosure of the conflict of interest on the record in a meeting of a committee or on the floor of the Assembly, as applicable. Such a disclosure must be entered:

(a) If the Legislator makes the disclosure in a meeting of a committee, in the minutes for that meeting.

(b) If the Legislator makes the disclosure on the floor of the Assembly, in the Journal.

12. If, on one or more prior occasions during the current session of the Legislature, a Legislator has made a general disclosure of a conflict of interest on the record in a meeting of a committee or on the floor of the Assembly, the Legislator is not required to make that general disclosure at length again regarding the same conflict of interest if, when the matter in question arises on subsequent occasions, the Legislator makes a reference on the record to the previous disclosure.

13. In determining whether to abstain from voting upon, advocating or opposing a matter concerning which a Legislator has a conflict of interest pursuant to subsection 10, the Legislator should consider whether:

(a) The conflict impedes his or her independence of judgment; and

(b) His or her interest is greater than the interests of an entire class of persons similarly situated.

14. The provisions of this Rule do not under any circumstances and regardless of any conflict of interest:

(a) Prohibit a Legislator from requesting or introducing a legislative measure; or

(b) Require a Legislator to take any particular action before or while requesting or introducing a legislative measure.

15. If a Legislator who is a member of a committee declares on the record when a vote is to be taken by the committee that he or she will abstain from voting because of the requirements of this Rule, the necessary quorum to act upon and the number of votes necessary to act upon the matter is reduced as though the Legislator abstaining were not a member of the committee.

16. The standards and procedures set forth in this Rule which govern whether and to what extent a member of the Assembly has a conflict of interest, should disclose a conflict of interest or should abstain from voting upon, advocating or opposing a matter concerning which the member has a conflict of interest pursuant to subsection 10:

(a) Are exclusive and are the only standards and procedures that apply to members of the Assembly with regard to such matters; and

(b) Supersede and preempt all other standards and procedures with regard to such matters, ➡ except that this subsection does not exempt any members of the Assembly from the Legislative Code of Ethical Standards in the Joint Standing Rules.

17. For purposes of this Rule, “immediate family” means a person who is related to the Legislator by blood, adoption or marriage within the first degree of consanguinity or affinity.

[Statutes of Nevada 1977, 1706; A 1987, 2325, 2336; 1995, 2847; 1997, 3540; 2009, 3143; 2011, 3794; 2013, 3900; 2014, 28th Special Session, 38; 2019, 4538]

The next rule is 30.

IV. QUORUM, VOTING, ELECTIONS

Rule No. 30. Manner of Voting.

1. The presiding officer shall declare all votes, but the yeas and nays must be taken when called for by three members present, and the names of those calling for the yeas and nays must be entered in the Journal by the Chief Clerk.

2. The presiding officer shall call for yeas and nays by a division or by a roll call, either electronic or oral.

3. When taking the yeas and nays on any proposal, the electronic roll call system may be used, and when so used shall have the force and effect of any roll call under these rules.

4. When taking the yeas and nays by oral roll call, the Chief Clerk shall take the names of members alphabetically, except that the Speaker’s name must be called last.

5. The electronic roll call system may be used to determine the presence of a quorum.

6. The yeas and nays must not be taken with the electronic roll call system until all members present are at their desks. The presiding officer may vote at the rostrum.

7. Only a member who:

(a) Has been certified by the Committee on Legislative Operations and Elections or a special committee of the Assembly; and

(b) Is physically present within the Assembly Chambers, ➡ may cast a vote in the Assembly.

8. A member shall not vote for another member on any roll call, either electronic or oral. Any member who votes for another member may be punished in any manner deemed appropriate by the Assembly.

[Statutes of Nevada 1975, 1879; A 1995, 2848; 1997, 3542; 1999, 3837; 2001, 3298; 2005, 2927; 2011, 3796; 2021, 3965]

Rule No. 46. Procedure for Election Contests.

1. If the Secretary of State delivers a statement of contest of the general election for the legislative office of any member pursuant to NRS 293.427, the Speaker shall appoint a committee to review the contest and designate the chair and vice chair of the committee. The committee must consist of three members who are not parties to the contest.

2. The parties to the contest must be designated as the contestant and the defendant, and the parties may be represented in the contest by attorneys who are licensed to practice law in this State

3. The chair may take, direct or require any reasonable actions to facilitate or carry out the contest, including, without limitation, issuing and enforcing any orders or other directives to the parties and any attorneys representing the parties.

4. The committee shall not review the merits of the contest unless the committee first determines that the contestant complied with all requirements to bring and maintain the contest. To assist the committee in making its determination, the chair shall take, direct or require any reasonable actions to provide the parties with notice and an opportunity to submit written arguments to the committee limited to the issue of whether the contestant complied with all requirements to bring and maintain the contest.

5. If the committee determines that the contestant complied with all requirements to bring and maintain the contest, the committee shall review the merits of the contest pursuant to this rule. If the committee determines that the contestant did not comply with all requirements to bring and maintain the contest, the committee shall report to the Assembly its recommendation that the Assembly should not take further action on the contest and that the Assembly should dismiss the contest with prejudice. As soon as practicable after receiving the committee's report, the Assembly shall vote on whether to accept or reject the committee's recommendation without amendment. If the Assembly accepts the committee's recommendation, the Speaker shall declare that the Assembly shall not take further action on the contest and that the Assembly dismisses the contest with prejudice. If the Assembly rejects the committee's recommendation, the Speaker shall declare that the Assembly returns the contest to the committee with directions to review the merits of the contest pursuant to this rule.

6. If the committee reviews the merits of the contest pursuant to this rule, the committee may conduct any reasonable hearings or other proceedings to receive any evidence and arguments from the parties regarding the merits of the contest. The committee shall keep written minutes of any hearings that are conducted.

7. To the extent possible, the merits of the contest must be presented and submitted to the committee upon depositions and any written or oral arguments as the chair may order. If, at any hearings or other proceedings, any oral statements are made that purport to establish matters of fact, the statements must be made under oath. Strict rules of evidence do not apply in any hearings or other proceedings, but the chair may admit or exclude any evidence based on the rules of evidence.

8. A party may take the deposition of any witness at any time after the statement of contest is filed with the Secretary of State, but the chair may

establish reasonable limitations and deadlines regarding any depositions. Before taking a deposition, a party must provide at least 5 days' notice to the prospective deponent and the other party.

9. To prevail on the merits of the contest, the contestant has the burden of proving that, based on one or more of the grounds set forth in NRS 293.410, there were sufficient irregularities in the election of such a substantial nature as to establish that the result of the election was changed thereby.

10. If the committee reviews the merits of the contest pursuant to this rule, the committee shall report to the Assembly its findings and its recommendation on which party should be declared elected, unless the committee declines to make such a recommendation in its report. As soon as practicable after receiving the committee's report, the Assembly shall vote on whether to accept or reject the committee's recommendation without amendment, if such a recommendation is made. If the Assembly accepts the committee's recommendation, the Speaker shall declare the recommended party elected. If the Assembly rejects the committee's recommendation or if the committee did not make such a recommendation, the Assembly shall vote on which party should be declared elected, and the Speaker shall declare the party elected after the vote.

11. If the contestant is declared elected and seated as a member of the Assembly as a result of the contest, the Speaker shall inform the Governor of the Assembly's actions.

Rule No. 123. Reserved.

Rule No. 124. Reserved.

Rule No. 125. Reserved.

Rule No. 126. Authorized Use of Remote-Technology Systems in Exceptional Circumstances.

1. As used in this Rule, “remote-technology system” means any system or other means of communication that is:

(a) Approved by the Speaker and uses any electronic, digital or other similar technology to enable a member of the Assembly from a remote location to attend, participate, vote and take any other action in any proceedings of the Assembly or the Committee of the Whole even though the member is not physically present within the Assembly Chambers or at a meeting of the Committee of the Whole.

(b) Approved by the chair of a committee, other than the Committee of the Whole, and uses any electronic, digital or other similar technology to enable a member of the Assembly from a remote location to attend, participate, vote and take any other action in any proceedings of the committee even though the member is not physically present at a meeting of the committee.

2. Upon request by a member of the Assembly:

(a) The Speaker may authorize the member to use a remote-technology system to attend, participate, vote and take any other action in any proceedings of the Assembly or the Committee of the Whole if the Speaker determines that exceptional circumstances warrant such use by the member. If the Speaker grants such authorization, it must be entered in the Journal of the Assembly.

(b) The chair of a committee, other than the Committee of the Whole, with the approval of the Speaker, may authorize the member to use a remote-technology system to attend, participate, vote and take any other action in any proceedings of the committee if the chair and the Speaker determine that exceptional circumstances warrant such use by the member. If the chair grants such authorization, it must be entered in the records of the committee.

3. If a member of the Assembly uses a remote-technology system to attend, participate, vote and take any other action in any proceedings pursuant to this Rule, the member shall be deemed to be present and in attendance at the proceedings for all purposes.

4. For the purposes of voting in proceedings of:

(a) The Assembly or the Committee of the Whole, the Chief Clerk of the Assembly, or an authorized assistant, shall call the roll of each member who is authorized to use a remote-technology system for the proceedings and, in accordance with the procedures of the Assembly, cause the member’s vote to be entered into the record for the purposes of the Journal of the Assembly or the records of the Committee of the Whole, as applicable.

(b) A committee, other than the Committee of the Whole, the committee secretary shall call the roll of each member who is authorized to use a remote-technology system for the proceedings and, in accordance with the procedures of the committee, cause the member’s vote to be entered into the record for the purposes of the records of the committee.

5. Except as otherwise provided in subsection 7 of Assembly Standing Rule No. 55, this Rule supersedes, takes precedence and controls over any other rule, provision or principle of law to the extent of any conflict with this Rule.

6. The Assembly hereby finds and declares that:

(a) The Nevada Constitution invests each House of the Legislature with certain plenary and exclusive constitutional powers which may be exercised only by that House and which cannot be usurped, infringed or impaired by the other House or by any other branch of Nevada's State Government. (*Heller v. Legislature*, 120 Nev. 456 (2004); *Commission on Ethics v. Hardy*, 125 Nev. 285 (2009); *Mason's Manual of Legislative Procedure* §§ 2-3 & 560-564 (2010) (*Mason's Manual*))

(b) Section 6 of Article 4 of the Nevada Constitution invests each House with plenary and exclusive constitutional powers to determine the rules of its proceedings and to govern, control and regulate its membership and its internal organization, affairs and management, expressly providing that: "Each House shall judge of the qualifications, elections and returns of its own members, choose its own officers (except the President of the Senate), determine the rules of its proceedings and may punish its members for disorderly conduct, and with the concurrence of two thirds of all the members elected, expel a member."

(c) In addition to its plenary and exclusive constitutional powers, each House possesses certain inherent powers of institutional self-protection and self-preservation to govern, control and regulate its membership and its internal organization, affairs and management. (*In re Chapman*, 166 U.S. 661, 668 (1897); *Mason's Manual* § 2; *Luther S. Cushing, Elements of the Law & Practice of Legislative Assemblies* § 533 (1856) (*Cushing's Legislative Assemblies*))

(d) The inherent powers of each House are considered "so essential to the authority of a legislative assembly, that it cannot well exist without them; and they are consequently entitled to be regarded as belonging to every such assembly as a necessary incident." (*Cushing's Legislative Assemblies* § 533)

(e) The inherent powers of each House authorize it to take all necessary and proper institutional actions that are "recognized by the common parliamentary law." (*Cushing's Legislative Assemblies* § 684)

(f) Thus, it is well established that each House is "vested with all the powers and privileges which are necessary and incidental to a free and unobstructed exercise of its appropriate functions. These powers and privileges are derived not from the Constitution; on the contrary, they arise from the very creation of a legislative body, and are founded upon the principle of self-preservation." (*Ex parte McCarthy*, 29 Cal. 395, 403 (1866))

(g) Under the Nevada Constitution, there are no constitutional provisions establishing a particular method for determining whether a member of either House is present at legislative proceedings.

(h) The United States Supreme Court has held that when there are no constitutional provisions establishing a particular method for determining whether a member of a legislative house is present at legislative proceedings, “it is therefore within the competency of the house to prescribe any method which shall be reasonably certain to ascertain the fact.” (United States v. Ballin, 144 U.S. 1, 6 (1892))

(i) The United States Supreme Court has also held that when a legislative house adopts a rule establishing a reasonable method for determining whether a member is present at legislative proceedings, that rule must be given great deference by the courts because:

Neither do the advantages or disadvantages, the wisdom or folly, of such a rule present any matters for judicial consideration. With the courts the question is only one of power. The constitution empowers each house to determine its rules of proceedings. It may not by its rules ignore constitutional restraints or violate fundamental rights, and there should be a reasonable relation between the mode or method of proceeding established by the rule and the result which is sought to be attained. But within these limitations all matters of method are open to the determination of the house, and it is no impeachment of the rule to say that some other way would be better, more accurate, or even more just. It is no objection to the validity of a rule that a different one has been prescribed and in force for a length of time. The power to make rules is not one which once exercised is exhausted. It is a continuous power, always subject to be exercised by the house, and, within the limitations suggested, absolute and beyond the challenge of any other body or tribunal.

(United States v. Ballin, 144 U.S. 1, 5 (1892))

7. The Assembly hereby exercises its constitutional and inherent powers and privileges and adopts this Rule to:

- (a) Govern, control and regulate its membership and its internal organization, affairs and management;
- (b) Ensure its institutional self-protection and self-preservation; and
- (c) Establish a reasonable method for determining whether a member of the Assembly is present at legislative proceedings during exceptional circumstances.

1. Except as otherwise provided in subsections 2 and 3, the Legislative Counsel shall not honor a request for the drafting of a bill or resolution to be introduced in the Assembly during a special session, or an amendment to a bill or resolution, unless it is submitted by the Speaker, the Committee of the Whole, such other committees as the Speaker may appoint for a special session, or a conference committee.

CONFERENCE COMMITTEES

Rule No. 2. Procedure Concerning.

1. In every case of an amendment of a bill, or joint or concurrent resolution, agreed to in one House, dissented from in the other, and not receded from by the one making the amendment, each House may appoint a committee to confer with a like committee to be appointed by the other; and, if appointed, the committee shall meet publicly at a convenient hour to be agreed upon by their respective chairs and announced publicly, and shall confer upon the differences between the two Houses as indicated by the amendments made in one and rejected in the other and report as early as convenient the result of their conference to their respective Houses.

2. The report shall be made available to all members of both Houses. The whole subject matter embraced in the bill or resolution shall be considered by the committee, and it may recommend recession by either House, new amendments, new bills or resolutions, or other changes as it sees fit. New bills or resolutions so reported shall be treated as amendments unless the bills or resolutions are composed entirely of original matter, in which case they shall receive the treatment required in the respective Houses for original bills, or resolutions, as the case may be. A conference committee shall not recommend any action which would cause the creation of more than one reprint or more than one bill or resolution.

3. The report of a conference committee may be adopted by acclamation. The report is not subject to amendment.

4. There shall be but one conference committee on any bill or resolution. A majority of the members of a conference committee from each House must be members who voted for the passage of the bill or resolution.

The Majority Leader of the Senate and the Speaker of the Assembly may appoint a Select Committee on Redistricting and Elections for their respective Houses, which are respectively responsible for measures which primarily affect the designation of petition districts, as defined in NRS 293.069, and the districts from which members are elected to the Legislature, the House of Representatives of the United States Congress, the Board of Regents of the University of Nevada and the State Board of Education. [Statutes of Nevada 2023, 34th Special Session, 25]

Rule No. 13.1. Equality of Representation.

1. Congressional Districts: The population of each of the Nevada congressional districts must be as nearly equal as practicable.

2. State Legislative Districts: The population of the state legislative districts must be substantially equal. In order to meet constitutional guidelines, a plan, or a proposed amendment thereto, will not be considered if the plan or proposed amendment results in an overall range of 10 percent or more, or a relative deviation in excess of plus or minus 5 percent, from the ideal district population.

3. Districts for the Board of Regents of the University of Nevada: Equality of population in accordance with the standard for the state legislative districts is the goal of redistricting for the Board of Regents of the University of Nevada.

[Statutes of Nevada 2023, 34th Special Session, 25]

Rule No. 13.2. Population Database.

1. The total state population, and the population of defined subunits thereof, as determined by the 2020 federal decennial census and revised by the State Demographer pursuant to NRS 360.288, must be the exclusive database for redistricting by the Nevada Legislature.

2. Such 2020 census data, as revised by the State Demographer pursuant to NRS 360.288 and validated by the staff of the Legislative Counsel Bureau, must be the exclusive database used for evaluation of proposed redistricting plans for population equality.

[Statutes of Nevada 2023, 34th Special Session, 26]

Rule No. 13.3. Districts.

All district boundaries created by a redistricting plan must follow the census geography.

[Statutes of Nevada 2023, 34th Special Session, 26]

Rule No. 13.4. Procedures for Redistricting Committees and Exemptions.

1. A Legislator or member of the public may present to the redistricting committees any plans or proposals relating to redistricting, including proposals for redistricting specific districts or all of the state legislative districts, congressional districts, districts for the Board of Regents of the University of Nevada, districts for the State Board of Education or petition districts for consideration by the redistricting committees. Any plan or proposal relating to redistricting state legislative districts, congressional districts, districts for the Board of Regents of the University of Nevada, districts for the State Board of Education or petition districts which were submitted to the interim Committee to Conduct an Investigation into Matters Relating to Reapportionment in and Redistricting in Nevada or through the MyDistricting Nevada 2021 public portal on the Nevada Legislature's Internet website shall be deemed to be submitted to the redistricting committees.

2. Requests for the drafting of a bill setting forth specific boundaries of the state legislative districts, congressional districts, districts for the Board of Regents of the University of Nevada, districts for the State Board of Education or petition districts, as defined in NRS 293.069, and amendments affecting such districts, may only be requested by the redistricting committees or by the Speaker of the Assembly or the Majority Leader of the Senate.

3. The redistricting committees and the Speaker of the Assembly and the Majority Leader of the Senate are limited to one request each for the drafting of a bill setting forth the specific boundaries of the state legislative districts, congressional districts, districts for the Board of Regents of the University of Nevada, districts for the State Board of Education and petition districts, as defined in NRS 293.069, or any combination of such districts.

[Statutes of Nevada 2023, 34th Special Session, 26]

Rule No. 13.5. Compliance with the Voting Rights Act.

1. A redistricting committee will not consider a plan that the redistricting committee determines is a violation of section 2 of the Voting Rights Act, 52

U.S.C. § 10301, which prohibits any state from imposing any voting qualification, standard, practice or procedure that results in the denial or abridgment of any United States citizen's right to vote on account of race, color or status as a member of a language minority group.

2. A redistricting committee will not consider a plan that the redistricting committee determines is racially gerrymandered. Racial gerrymandering exists when:

(a) Race is the dominant and controlling rationale in drawing district lines; and

(b) The Legislature subordinates traditional districting principles to racial considerations.

3. For the purpose of analyzing the 2020 census data, the redistricting committees shall adopt the method set forth in the Office of Management and Budget (OMB) Bulletin No. 00-02 for aggregating and allocating the 63 categories of race data that has been reported to Nevada by the United States Census Bureau as part of the federal decennial census.

[Statutes of Nevada 2023, 34th Special Session, 26]

Rule No. 13.6. Public Participation.

1. The redistricting committees shall seek and encourage:

(a) Public participation in all aspects of the reapportionment and redistricting activities; and

(b) The widest range of public input into the deliberations relating to those activities.

2. Notices of all meetings of the redistricting committees must be transmitted to any member of the public who so requests, without charge.

3. All interested persons are encouraged to appear before the redistricting committees and to provide their input regarding the reapportionment and redistricting activities. The redistricting committees shall afford a reasonable opportunity to any interested persons to present plans for redistricting, or amendments to plans for redistricting, unless such plans demonstrably fail to meet the minimally acceptable criteria set forth in this Rule and Joint Rule Nos. 13, 13.1, 13.2, 13.3, 13.4 and 13.5.

4. Each of the redistricting committees shall fully utilize available videoconferencing capabilities and shall, either jointly or separately, hold at least one hearing in the southern portion of the State and at least one hearing in a rural portion of the State to allow residents throughout the State an opportunity to participate in the deliberations relating to the reapportionment and redistricting activities. A meeting of the interim Committee to Conduct an Investigation into Matters Relating to Reapportionment and Redistricting in Nevada held in any portion of the State described in this subsection shall be deemed to satisfy the requirement of this subsection to conduct a meeting in that portion of the State.

5. The Legislative Counsel Bureau shall make available to the public copies of the validated 2020 census database for the cost of reproducing the database.

6. The redistricting committees shall make available for review by the public copies of all maps prepared at the direction of the committees.

ANTI-HARASSMENT POLICY

Rule No. 14. Maintenance of Working Environment; Procedure for Filing, Investigating and Taking Remedial Action on Complaints.

1. The Legislature hereby declares that it is the policy of the Legislature to prohibit any conduct, whether intentional or unintentional, which results in sexual harassment or other unlawful harassment based upon any other protected category. The Legislature intends to maintain a working environment which is free from sexual harassment and other unlawful harassment. Each Legislator is responsible to conduct himself or herself in a manner which will ensure that others are able to work in such an environment.

2. In accordance with Title VII of the Civil Rights Act, 42 U.S.C. §§ 2000e et seq., for the purposes of this Rule, “sexual harassment” means unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when:

(a) Submission to such conduct is made either explicitly or implicitly a term or condition of a person’s employment;

(b) Submission to or rejection of such conduct by a person is used as the basis for employment decisions affecting the person; or

(c) Such conduct has the purpose or effect of unreasonably interfering with a person’s work performance or creating an intimidating, hostile or offensive working environment.

3. Each Legislator must exercise his or her own good judgment to avoid engaging in conduct that may be perceived by others as sexual harassment. The following noninclusive list provides illustrations of conduct that the Legislature deems to be inappropriate:

(a) Verbal conduct such as epithets, derogatory comments, slurs or unwanted sexual advances, invitations or comments;

(b) Visual conduct such as derogatory posters, photography, cartoons, drawings or gestures;

(c) Physical conduct such as unwanted touching, blocking normal movement or interfering with the work directed at a person because of his or her sex; and

(d) Threats and demands to submit to sexual requests to keep a person’s job or avoid some other loss, and offers of employment benefits in return for sexual favors.

4. In addition to other prohibited conduct, a complaint may be brought pursuant to this Rule for engaging in conduct prohibited by Rule No. 37 of the Joint Rules of the Senate and Assembly for the 82nd Session of the Legislature when the prohibited conduct is based on or because of the gender or other protected category of the person.

5. Retaliation against a person for engaging in protected activity is prohibited. Retaliation occurs when an adverse action is taken against a person which is reasonably likely to deter the person from engaging in the protected activity. Protected activity includes, without limitation:

- (a) Opposing conduct that the person reasonably believes constitutes sexual harassment or other unlawful harassment;
- (b) Filing a complaint about the conduct; or
- (c) Testifying, assisting or participating in any manner in an investigation or other proceeding related to a complaint of sexual harassment or other unlawful harassment.

6. A Legislator who encounters conduct that the Legislator believes is sexual harassment, other unlawful harassment, retaliation or otherwise inconsistent with this policy may file a written complaint with:

- (a) The Speaker of the Assembly;
- (b) The Majority Leader of the Senate;
- (c) The Director of the Legislative Counsel Bureau, if the complaint involves the conduct of the Speaker of the Assembly or the Majority Leader of the Senate; or
- (d) The reporting system established pursuant to subsection 11.

↪ The complaint must include the details of the incident or incidents, the names of the persons involved and the names of any witnesses. Unless the Legislative Counsel is the subject of the complaint, the Legislative Counsel must be informed upon receipt of a complaint.

7. The Speaker of the Assembly, the Majority Leader of the Senate or the Director of the Legislative Counsel Bureau, as appropriate, shall cause a discreet and impartial investigation to be conducted and may, when deemed necessary and appropriate, assign the complaint to a committee consisting of Legislators of the appropriate House.

8. If the investigation reveals that sexual harassment, other unlawful harassment, retaliation or other conduct in violation of this policy has occurred, appropriate disciplinary or remedial action, or both will be taken. The appropriate persons will be informed when any such action is taken. The Legislature will also take any action necessary to deter any future harassment.

9. The Legislature encourages a Legislator to report any incident of sexual harassment, other unlawful harassment, retaliation or other conduct inconsistent with this policy immediately so that the complaint can be quickly and fairly resolved.

10. All Legislators are responsible for adhering to the provisions of this policy. The prohibitions against engaging in sexual harassment and other unlawful harassment which are set forth in this Rule apply to employees, Legislators, lobbyists, vendors, contractors, customers and any other visitors to the Legislature.

11. The Legislative Counsel shall establish a reporting system which allows a person to submit a complaint of a violation of this Rule with or without identifying himself or herself. Such a complaint must provide enough details of the incident or incidents alleged, the names of the persons involved and the names of any witnesses to allow an appropriate inquiry to occur.

12. This policy does not create any enforceable legal rights in any person.
