AN ACT relating to insurance; revising the manner in which a data request or report submitted to the Commissioner of Insurance by certain insurers or other organizations providing health coverage relating to the compliance of the insurer or organization with certain federal laws must be submitted to the Commissioner; revising provisions governing the confidentiality of information contained in such a data request or report; ~~[setting forth certain requirements for certain market analyses conducted by the Commissioner;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The federal Paul Wellstone and Pete Domenici Mental Health Parity and Addiction Equity Act of 2008 prohibits group health plans and health insurance issuers that provide benefits for mental health or substance use disorders from imposing less favorable benefit limitations on those benefits than on medical and surgical benefits. (Pub. L. No. 110-343, 122 Stat. 3765) Existing law requires certain health insurers or other organizations providing health coverage to comply with the Act. Existing law additionally requires the Commissioner of Insurance to annually prescribe and provide to each such insurer or other organization a data request that solicits information necessary to evaluate the compliance of an insurer or other organization with the Act. Under existing law, an insurer or other organization is required to either complete the data request and submit it to the Commissioner or submit to the Commissioner a copy of a report submitted to the Federal Government

demonstrating compliance with the Act. (NRS 687B.404) This bill requires the data request or the report to be submitted to the Commissioner in accordance with the System for Electronic Rate and Form Filing developed and implemented by the National Association of Insurance Commissioners.

Under existing law, any information provided to the Commissioner in the data request or report is confidential. (NRS 687B.404) This bill instead provides that such information is a public record except for personally identifiable information of a consumer and any information determined by the Commissioner to constitute a trade secret, which are confidential. This bill sets forth certain standards for the making of a determination by the Commissioner as to whether information provided to the Commissioner in the data request or report constitutes a trade secret.

Amendment No. 590.

SUMMARY—Revises provisions relating to **architects,** professional engineers and land surveyors. (BDR 54-773)

AN ACT relating to professional regulation; **revising provisions relating to a certificate of registration to practice architecture;** revising provisions relating to certain examinations required for licensure as a professional engineer or professional land surveyor; revising the circumstances under which the State Board of Professional Engineers and Land Surveyors may waive certain examinations for certain applicants for licensure; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law prohibits a person from practicing architecture in this State without a certificate of registration issued by the State Board of Architecture, Interior Design and Residential Design. (NRS 623.180) Before receiving a certificate of registration, existing law requires an applicant to pass an examination adopted by the Board. (NRS 623.200) Section 1 of this bill requires the Board, through December 31, 2026, to accept evidence that the applicant is a laureate of the Pritzker Architecture Prize in lieu of an examination.

Existing law requires an applicant for licensure as a professional engineer to pass: (1) an examination on the fundamentals of engineering or receive a waiver of that requirement; and (2) an examination on the principles and practices of engineering that must cover the discipline of engineering in which the applicant is applying for licensure. Existing law prohibits an applicant from taking the examination on the principles and practices of engineering unless the applicant has passed the examination on the fundamentals of engineering or received a waiver of that requirement. Existing law authorizes the State Board of Professional Engineers and Land Surveyors to waive the examination on the fundamentals of engineering if the applicant: (1) has graduated from an engineering curriculum that is approved by the Board; and (2) has 15 or more years of experience in engineering. (NRS 625.183, 625.193)

Sections ~~1~~ 1.5 and 2 of this bill remove the requirement that an applicant must pass the examination on the fundamentals of engineering or receive a waiver of that requirement before taking the examination on the principles and practices of engineering. **Section 2** revises the years of experience required to waive the examination on the fundamentals of engineering from 15 years of experience in engineering to 10 years of active experience in engineering.

Existing law requires an applicant for licensure as a professional land surveyor to pass: (1) an examination on the fundamentals of land surveying or receive a waiver of that requirement; and (2) an examination on the principles and practices of land surveying. Existing law prohibits an applicant from taking the examination on the principles and practices of land surveying unless the applicant: (1) is a graduate of a land-surveying curriculum of 4 or more years that is approved by the Board; and (2) has passed the examination on the fundamentals of land surveying or received a waiver of that requirement. Existing law: (1) authorizes the Board to waive the examination on the fundamentals of land surveying if the applicant has 15 or more years of experience in land surveying; and (2) requires the Board to consider graduation from a land-surveying curriculum that is approved by the Board to be equivalent to 4 years of experience for purposes of the waiver. (NRS 625.270, 625.280)

Sections 3 and 4 of this bill remove the requirements that an applicant must be a graduate of a land-surveying curriculum that is approved by the Board and pass the examination on the fundamentals of land surveying or receive a waiver of that requirement before taking the examination on the principles and practices of land surveying. **Section 4** revises the requirements to waive the examination on the fundamentals of land surveying by: (1) adding a requirement that an applicant be a graduate of a land-surveying curriculum that is approved by the Board; (2) revising the years of experience required from 15 years of experience in land surveying to 10 years of active experience in land surveying; and (3) removing the requirement for the Board to consider graduation from a land-surveying curriculum that is approved by the Board to be equivalent to 4 years of experience.

Existing law sets forth certain requirements for the content and administration of examinations on the fundamentals of engineering or land surveying and the principles and practices of engineering or land surveying. (NRS 625.193, 625.280) **Sections 2 and 4** remove those requirements and instead require applicants for licensure to pass an applicable examination administered by the National Council of Examiners for Engineering and Surveying or its successor organization or another equivalent examination that is approved by the Board.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. **Chapter 623 of NRS is hereby amended by adding thereto a new section to read as follows:**

The Board shall, in lieu of all examinations for a certificate of registration to practice architecture, accept satisfactory evidence that an applicant is a laureate of the Pritzker Architecture Prize.

Assembly Bill No. 319.

The following Senate amendment was read:

Amendment No. 682.

AN ACT relating to health care; making various revisions governing the qualifications and procedure for licensure as a physician, physician assistant, practitioner of respiratory care or perfusionist; requiring screening of youth for certain health conditions when certain physical examinations are conducted; revising the authority of a practitioner of respiratory care to perform certain laboratory tests; requiring certain sharing of information between the Board of Medical Examiners and the State Board of Osteopathic Medicine; authorizing the Board of Medical Examiners to require certain competency demonstrations; eliminating certain special licenses; revising provisions related to fees owed to the Board of Medical Examiners or the State Board of Osteopathic Medicine; eliminating certain fees; revising investigation procedures and grounds for discipline against a licensee of the Board of Medical Examiners; revising requirements governing certain medical procedures; authorizing a medical assistant to perform tasks under the supervision of a registered nurse; **authorizing a certified registered nurse anesthetist to perform certain tasks in certain hospitals;** authorizing

discipline against a registered nurse who fails to adequately supervise a medical assistant; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for the licensure and regulation of physicians, physician assistants, anesthesiologist assistants, practitioners of respiratory care and perfusionists by the Board of Medical Examiners. (Chapter 630 of NRS) **Sections 11 and 14** of this bill revise provisions governing examinations that are necessary for licensure as a physician. **Section 14** also increases the amount of the fine that the Board may impose on an applicant for a license as a physician who submits false information in connection with the application.

Section 21 of this bill requires each licensee of the Board to maintain a permanent electronic mail address for communication with the Board.

Existing law prescribes separate qualifications for licensure for: (1) persons who received their medical education in the United States or Canada; and (2) persons who received their medical education in other foreign countries. (NRS 630.160, 630.170, 630.195, 630.263, 630.264, 630.265) Existing law also requires a physician to have completed certain residencies in ophthalmology in the United States or Canada in order to perform laser surgery or intense pulsed light therapy on the globe of the eye. (NRS 630.371) **Sections 4, 5, 8, 14, 19, 26-28 and 64** of this bill make various changes so that persons who received their medical education in the United Kingdom, Australia or New Zealand, and other foreign countries whose standards for medical education are determined to be equivalent by the Board, are treated identically to persons who received their medical education in the United States or Canada for those purposes.

Existing law requires: (1) an applicant for a license to practice medicine to hold certain certifications or have completed or be enrolled in certain progressive postgraduate education; and (2) a physician who performs certain procedures on the eye to have completed certain progressive postgraduate education in ophthalmology. (NRS 630.160, 630.371) **Section 6** of this bill prescribes the manner in which the Board must determine whether postgraduate education is progressive for those purposes. **Section 14** revises the amount of progressive postgraduate education that a resident physician must have completed in order to be eligible for a license.

Existing law authorizes a practitioner of respiratory care to perform certain laboratory tests without obtaining certification as an assistant in a medical laboratory. (NRS 652.210) **Sections 9 and 82** of this bill authorize a practitioner of respiratory care to perform certain moderate complexity tests without obtaining such certification if: (1) the practitioner of respiratory care has been trained to perform the test; and (2) the test is within the scope of practice of a practitioner of respiratory care.

Sections 15, 16 and 84 of this bill revise and simplify provisions governing licensure by endorsement as a physician by: (1) eliminating expedited licensure by endorsement, except for certain persons affiliated with the Armed Forces of the United States; and (2) making certain revisions relating to the

qualifications for licensure by endorsement. **Sections 17, 18, 20, 23 and 30** of this bill eliminate references to a section repealed by **section 84**.

Existing law authorizes the Board to require a licensee who has not practiced in more than 24 consecutive months to take the same examination to test competency as that given to applicants for a license. (NRS 630.257) **Section 22** of this bill revises this provision to apply to inactive licensees and applicants for a license who have not actively practiced in more than 24 consecutive months. **Section 22** also authorizes the Board to require such a person to demonstrate his or her competency in a manner other than by taking an examination. **Sections 16, 28, 36, 40 and 41** of this bill make conforming changes to add references to those requirements where appropriate.

Existing law provides for the issuance of various special licenses to practice medicine. (NRS 630.258-630.266) **Section 23** removes the requirement that the Board automatically issue a special volunteer license, which authorizes certain retired physicians to continue practicing on a volunteer basis, to a person who possesses the required qualifications for such a license. **Section 24** of this bill eliminates the specific statutory requirements for licensure from which a person applying for licensure as an administrative physician is exempt and instead requires the Board to adopt regulations prescribing the requirements from which such an applicant is exempt. ~~[Section]~~ **Sections 25 and 30** of this bill ~~[eliminates]~~ **eliminate** a special license that allows a licensed physician of another state to come into this State to care for a specific patient in association with a physician licensed in this State. **Section 25 also eliminates a restricted license for a specified period if the Board determines the applicant needs supervision or restriction. Sections 1, ~~[and]~~ 25 and 30** of this bill revise the name of a special purpose license, which allows an out-of-state physician to provide certain medical services to patients in this State electronically, telephonically or by fiber optics, to instead be called a telemedicine license.

Existing law establishes fees for the issuance and renewal of a license as a physician assistant or anesthesiologist assistant who is simultaneously licensed by the Board of Medical Examiners and the State Board of Osteopathic Medicine that are one-half of the amount of the standard fees for the issuance and renewal of such a license, meaning that such a person is required to pay one-half of the standard licensure fees to each of those boards. (NRS 630.268, 633.501) If a person who pays such a reduced fee to one of those boards fails to also pay the required fee to the other board within 12 months, **sections 29, 31-33, 38, 42 and 76-81** of this bill require the person to pay to the board to whom the person has paid a fee the difference between the reduced fee and the standard fee. **Sections 12, 13 and 73-75** of this bill require the Board of Medical Examiners and the State Board of Osteopathic Medicine to share information as necessary to enforce that requirement. **Section 30** eliminates certain fees charged by the Board of Medical Examiners.

Section 10 of this bill exempts certain students who engage in the supervised practice of perfusion from the requirement to be licensed by the Board of

Medical Examiners. **Sections 34-37 and 84** of this bill remove a requirement that an applicant for a license as a perfusionist pass an examination given by the American Board of Cardiovascular Perfusion, or its successor organization, and instead require such an applicant to be certified by that organization. **Section 39** of this bill eliminates a provision prohibiting the Board from requiring a physician assistant to be certified by a nationally recognized organization for the accreditation of physician assistants to satisfy applicable continuing education requirements. **Sections 40 and 41** revise the conditions under which the Board may deny an application for licensure by endorsement as a physician assistant. **Section 43** of this bill eliminates certain educational qualifications for licensure as a practitioner of respiratory care.

Sections 44 and 45 of this bill clarify certain grounds for discipline against a licensee of the Board. **Section 45** also authorizes the Board to discipline a licensee who fails to cooperate with an investigation of the Board. **Sections 46-49, 52 and 62** of this bill revise certain provisions regarding the provision to the Board of information relating to certain licensees, the examination to determine the fitness of certain licensees and the removal of limitations or suspensions of licenses to be applicable to all licensees of the Board. **Section 46** provides that certain reports filed by an insurer relating to malpractice actions are public records. **Section 51** of this bill provides that the Board is not required to review a complaint that is not within the jurisdiction of the Board.

Existing law refers to the document that the Board files to initiate a formal disciplinary proceeding as a formal complaint. (NRS 630.311) However, existing law regarding the procedure of licensing boards generally refers to such a document as a charging document. (NRS 622A.300) **Sections 3, 50, 51, 54, 56, 57 and 59** of this bill standardize terminology so that such a document is referred to as a charging document. **Section 50** also requires that a charging document for charges against a physician assistant, anesthesiologist assistant, perfusionist or practitioner of respiratory care be filed by the Board.

Section 57 removes a requirement that the Board hold a hearing on a report from the Attorney General that a licensee has violated certain laws prohibiting industrial insurance fraud. **Section 49** instead requires the Board to treat such a report like a complaint, meaning that the Board would conduct an initial investigation before deciding whether to proceed with disciplinary proceedings. (NRS 630.311)

In certain circumstances that create doubt about the fitness of a physician, physician assistant, practitioner of respiratory care or perfusionist to practice, existing law authorizes the Board to require such a licensee to undergo certain examinations to determine his or her fitness to practice. (NRS 630.318) **Section 52**: (1) makes this provision additionally applicable to anesthesiologist assistants; and (2) provides that the failure to submit to such an examination is grounds for the summary suspension of a license pending further disciplinary proceedings.

Existing law authorizes the Board to summarily suspend a license pending further disciplinary proceedings if the Board determines that the health, safety or welfare of the public or any patient is at risk of imminent or continued harm. (NRS 630.326) **Section 54**: (1) additionally authorizes the Board to restrict the practice of a licensee without suspending his or her license under such circumstances; and (2) removes a requirement that the Board hold a hearing on the summary suspension of a license within 60 days after the summary suspension. **Sections 55 and 61** of this bill authorize a court to stay an order of the Board suspending a license if the suspension is not a summary suspension. **Section 55** also prohibits a court from staying an order of the Board summarily restricting the practice of a licensee. **Section 84** eliminates a duplicative provision authorizing the summary suspension of a licensee's authority to prescribe and dispense controlled substances for certain violations related to such prescribing and dispensing, and **section 53** of this bill eliminates a reference to that provision.

Section 56: (1) makes revisions relating to collaboration between the Board and other governmental entities investigating a person; and (2) authorizes the Board, with authorization from a licensee, to cooperate with the employer of a licensee or any other person or entity responsible for credentialing a licensee. **Section 57** removes certain procedural requirements governing hearings conducted by the Board. **Section 58** of this bill revises requirements governing service of process in proceedings before the Board. **Section 59** removes a requirement that the Board allow a complainant to participate in disciplinary proceedings. **Section 60** of this bill removes the ability for any person other than the respondent or a witness to be held in contempt for certain conduct in a disciplinary proceeding. **Section 62** removes authorization for a person whose license has been revoked by the Board to reinstate his or her license without applying for a new license.

Existing law prohibits the Board from investigating or disciplining a physician for: (1) disclosing to a governmental entity a violation of any law, rule or regulation by an applicant for a license to practice medicine or a physician; or (2) cooperating with a governmental entity that is conducting an investigation, hearing or inquiry into such a violation. (NRS 630.364) **Section 63** of this bill: (1) makes this provision applicable to all licensees of the Board; and (2) requires the disclosure or cooperation to be in good faith for the immunity from investigation or discipline to apply.

Existing law prohibits a physician from administering or supervising the administration of general anesthesia, moderate sedation or deep sedation: (1) in an office or facility that does not hold certain permits; or (2) outside of this State. (NRS 630.373) **Section 65** of this bill makes this prohibition also applicable to: (1) physician assistants and anesthesiologist assistants; and (2) administering or supervising the administration of tumescent anesthesia, except where authorized by regulation of the Board. **Sections 7, 68 and 72** of this bill require a physician, physician assistant, advanced practice registered nurse or osteopathic physician who performs a physical examination of a

person who is at least 12 years of age but not more than 18 years of age to screen the person for certain health conditions.

Existing law provides for the registration and regulation of certified registered nurse anesthetists. (NRS 632.2395) Existing law authorizes a certified registered nurse anesthetist working under the supervision of a physician licensed to practice medicine or osteopathic medicine in this State to order, prescribe, possess and administer controlled substances, poisons, dangerous drugs and devices to treat a patient under the care of a licensed physician before, during and after surgery or childbirth only in a critical access hospital. (NRS 632.2397) Section 70.5 of this bill further authorizes a certified registered nurse anesthetist to perform such tasks in a hospital located in a city whose population is less than 25,000 (currently all cities except Carson City, Henderson, Las Vegas, North Las Vegas, Reno and Sparks).

Existing law authorizes: (1) an unlicensed medical assistant to perform clinical tasks under the supervision of a physician, osteopathic physician or physician assistant in accordance with regulations adopted by the Board of Medical Examiners or the State Board of Osteopathic Medicine, as appropriate; and (2) those boards to discipline a physician, osteopathic physician or physician assistant who fails to adequately supervise a medical assistant. (NRS 630.0129, 630.138, 630.306, 633.075, 633.293, 633.511) **Sections 67, 70 and 71** of this bill similarly authorize: (1) an unlicensed medical assistant to perform clinical tasks under the supervision of a registered nurse in accordance with regulations of the State Board of Nursing; and (2) the State Board of Nursing to discipline a registered nurse who fails to adequately supervise a medical assistant. **Section 69** of this bill establishes the applicability of the definition of "medical assistant" set forth in **section 67**.

AN ACT relating to housing; requiring the governing body of certain counties and cities to adopt an ordinance to authorize the ~~[owner of certain residential properties to add]~~ **development and use of** accessory dwelling units ~~[to the]~~ **on residential** property; setting forth certain requirements for the ordinance; providing that if the governing body of certain counties and cities does not adopt such an ordinance by ~~[January]~~ **July** 1, 2026, accessory dwelling units are authorized on any parcel zoned for residential use without restriction; revising provisions relating to the amendment of a declaration or the termination of a common-interest community; requiring proof of certain insurance policies be furnished in a resale package to a purchaser of a unit in a common-interest community; increasing the fine that may be imposed by the Commission for Common-Interest Communities and Condominium Hotels for certain violations; making various other changes relating to common-interest communities; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 10.5 of this bill declares that access to affordable housing is essential for the residents of this State and that accessory dwelling units are vital to increasing the supply of affordable housing.

Section 1 of this bill requires each governing body of a county whose population is 100,000 or more (currently Clark and Washoe Counties) and each governing body of a city whose population is 60,000 or more (currently the Cities of Las Vegas, Henderson, North Las Vegas, Reno and Sparks) to adopt an ordinance that authorizes the ~~[owner of a residential property to apply to add]~~ **development and use of** an accessory dwelling unit ~~[to the]~~ **on** residential property. **Section 1** provides that any such ordinance does not apply in a region in a county or city for which there has been created by interstate compact a regional planning agency and the regional plan adopted by the regional planning agency calls for the regulation of housing. ~~[Section 1 further requires the ordinance to authorize, under certain circumstances, an additional accessory dwelling unit to the residential property. Section 1 also sets forth various requirements for the ordinance, including that the ordinance set forth an expedited process for the approval of the application and any appeal of the denial of such an application.]~~ **Section 1** further limits provisions of the ordinance, including by prohibiting the ordinance from placing certain conditions on the approval of the accessory dwelling unit.

Section 11 of this bill provides that: (1) if, before ~~[January]~~ **July** 1, 2026, the governing body of a county whose population is 100,000 or more or the governing body of a city whose population is 60,000 or more has adopted an ordinance that is consistent with **section 1**, the governing body is not required to adopt another ordinance relating to accessory dwelling units pursuant to **section 1**; and (2) if the governing body of a county whose population is 100,000 or more or the governing body of a city whose population is 60,000 or more does not adopt an ordinance that is consistent with **section 1** before ~~[January]~~ **July** 1, 2026, accessory dwelling units are authorized on any parcel zoned for residential use without restriction.

Existing law authorizes the governing body of a county or city to divide the county, city or region into zoning districts of such number, shape and area as are best suited to carry out certain purposes. Within a zoning district, the governing body is authorized to regulate and restrict the erection, reconstruction, alteration, repair or use of buildings, structures or land. (NRS 278.250) **Section 4** of this bill creates an exception to account for the requirement that the governing body of certain counties and cities adopt an ordinance to allow the addition of an accessory dwelling unit pursuant to **section 1**.

Existing law requires that an action or proceeding seeking judicial relief or review from or with respect to any final action, decision or order of any governing body of a county or city be commenced within 25 days after the date of filing of notice of the final action, decision or order with the clerk or secretary of the governing body. (NRS 278.0235) **Section 3** of this bill applies these provisions to **section 1**.

Section 2 of this bill makes a conforming change to apply the definitions of certain terms relating to planning and zoning to **section 1**.

Existing law sets forth certain requirements for the amendment of a declaration of a common-interest community, including that every amendment to the declaration must, with certain exceptions, be indexed in the grantee's index in the name of the common-interest community and the association and in the grantor's index in the name of the parties executing the amendment. (NRS 116.2117) **Section 5** of this bill eliminates the exception for an amendment for the relocation of boundaries between adjoining units. (NRS 116.2112)

Section 5 also authorizes an association to amend a declaration to restrict the leasing of residential units to the extent that the restriction is reasonably designed to meet certain underwriting requirements.

Existing law sets forth the requirements for terminating a common-interest community. (NRS 116.2118) **Section 6** of this bill amends the voting requirements for terminating a common-interest community.

Sections 7 and 8 of this bill revise provisions relating to prohibiting or restricting a unit owner from renting or leasing his or her unit.

Existing law requires a unit's owner or his or her authorized agent, at the expense of the unit's owner, to furnish to a purchaser a resale package containing certain information. (NRS 116.4109) **Section 9** of this bill requires that a resale package also contain proof of the insurance policies that an association is required to carry.

Existing law authorizes, under certain circumstances, the Commission for Common-Interest Communities and Condominium Hotels to impose an administrative fine of not more than $1,000 for certain violations. (NRS 116.785) **Section 10** of this bill increases the administrative fine to not more than $5,000.

Sec. 5. NRS 116.2117 is hereby amended to read as follows:

116.2117 1. Except as otherwise provided in NRS 116.21175, and except in cases of amendments that may be executed by a declarant under subsection 5 of NRS 116.2109 or NRS 116.211, or by the association under NRS 116.1107, 116.2106, subsection 3 of NRS 116.2108, subsection 1 of NRS 116.2112 or NRS 116.2113, or by certain units' owners under subsection 2 of NRS 116.2108, subsection 1 of NRS 116.2112, subsection 2 of NRS 116.2113 or subsection 2 of NRS 116.2118, and except as otherwise limited by subsections 4, 6, 7 and 8, the declaration, including any plats, may be amended only by vote or agreement of units' owners of units to which at least a majority of the votes in the association are allocated, unless the declaration specifies a different percentage for all amendments or for specified subjects of amendment. If the declaration requires the approval of another person as a condition of its effectiveness, the amendment is not valid without that approval.

2. No action to challenge the validity of an amendment adopted by the association pursuant to this section may be brought more than 1 year after the amendment is recorded.

3. Every amendment to the declaration must be recorded in every county in which any portion of the common-interest community is located and is effective only upon recordation. An amendment ~~[, except an amendment pursuant to NRS 116.2112,]~~ must be indexed in the grantee's index in the name of the common-interest community and the association and in the grantor's index in the name of the parties executing the amendment.

4. Except to the extent expressly permitted or required by other provisions of this chapter, no amendment may change the boundaries of any unit or change the allocated interests of a unit in the absence of unanimous consent of only those units' owners whose units are affected and the consent of a majority of the owners of the remaining units ~~[.]~~ ***, including a majority of the votes allocated to units not owned by the declarant.***

5. Amendments to the declaration required by this chapter to be recorded by the association must be prepared, executed, recorded and certified on behalf of the association by any officer of the association designated for that purpose or, in the absence of designation, by the president of the association.

6. ~~[An]~~ ***Except as otherwise provided in subsection 9, an*** amendment to the declaration which prohibits or materially restricts the permitted uses of a unit or the number or other qualifications of persons who may occupy units may not be enforced against a unit's owner who was the owner of the unit on the date of the recordation of the amendment as long as the unit's owner remains the owner of that unit.

7. A provision in the declaration creating special declarant's rights that have not expired may not be amended without the consent of the declarant.

8. If any provision of this chapter or of the declaration requires the consent of a holder of a security interest in a unit, or an insurer or guarantor of such interest, as a condition to the effectiveness of an amendment to the declaration, that consent is deemed granted if:

(a) The holder, insurer or guarantor has not requested, in writing, notice of any proposed amendment; or

(b) Notice of any proposed amendment is required or has been requested and a written refusal to consent is not received by the association within 60 days after the association delivers notice of the proposed amendment to the holder, insurer or guarantor, by certified mail, return receipt requested, to the address for notice provided by the holder, insurer or guarantor in a prior written request for notice.

9. An association may amend a declaration to restrict the leasing of residential units to the extent that the restriction is reasonably designed to meet underwriting requirements of:

(a) Institutional lenders that regularly make loans secured by first mortgages on units in common-interest communities or regularly purchase such mortgages; or

(b) Insurance companies that issue insurance policies to associations or units in a common-interest community.

Sec. 6. NRS 116.2118 is hereby amended to read as follows:

116.2118 1. Except in the case of a taking of all the units by eminent domain, in the case of foreclosure against an entire cooperative of a security interest that has priority over the declaration, or in the circumstances described in NRS 116.2124, a common-interest community may be terminated only by agreement of units' owners to whom at least 80 percent of the votes in the association are allocated, ~~[or any larger percentage the declaration specifies,]~~ ***including at least 80 percent of the votes allocated to units that are not owned by the declarant,*** and with any other approvals required by the declaration. ***The declaration may require a larger percentage of the total votes in the association for approval, but termination requires approval by at least 80 percent of the votes allocated to units not owned by the declarant.*** The declaration may specify a smaller percentage only if all of the units are restricted exclusively to nonresidential uses.

2. An agreement to terminate must be evidenced by the execution of an agreement to terminate, or ratifications thereof, in the same manner as a deed, by the requisite number of units' owners. The agreement must specify a date after which the agreement will be void unless it is recorded before that date. An agreement to terminate and all ratifications thereof must be recorded in every county in which a portion of the common-interest community is situated and is effective only upon recordation.

3. In the case of a condominium or planned community containing only units having horizontal boundaries described in the declaration, an agreement to terminate may provide that all of the common elements and units of the common-interest community must be sold following termination. If, pursuant

to the agreement, any real estate in the common-interest community is to be sold following termination, the agreement must set forth the minimum terms of the sale.

4. In the case of a condominium or planned community containing any units not having horizontal boundaries described in the declaration, an agreement to terminate may provide for sale of the common elements, but it may not require that the units be sold following termination, unless the declaration as originally recorded provided otherwise or all the units' owners consent to the sale.

5. The association, on behalf of the units' owners, may contract for the sale of real estate in a common-interest community, but the contract is not binding on the units' owners until approved pursuant to subsections 1 and 2. If any real estate is to be sold following termination, title to that real estate, upon termination, vests in the association as trustee for the holders of all interests in the units. Thereafter, the association has all powers necessary and appropriate to effect the sale. Until the sale has been concluded and the proceeds thereof distributed, the association continues in existence with all powers it had before termination. Proceeds of the sale must be distributed to units' owners and lienholders as their interests may appear, in accordance with NRS 116.21183 and 116.21185. Unless otherwise specified in the agreement to terminate, as long as the association holds title to the real estate, each unit's owner and his or her successors in interest have an exclusive right to occupancy of the portion of the real estate that formerly constituted the unit. During the period of that occupancy, each unit's owner and his or her successors in interest remain liable for all assessments and other obligations imposed on units' owners by this chapter or the declaration.

6. In a condominium or planned community, if the real estate constituting the common-interest community is not to be sold following termination, title to the common elements and, in a common-interest community containing only units having horizontal boundaries described in the declaration, title to all the real estate in the common-interest community, vests in the units' owners upon termination as tenants in common in proportion to their respective interests as provided in NRS 116.21185, and liens on the units shift accordingly. While the tenancy in common exists, each unit's owner and his or her successors in interest have an exclusive right to occupancy of the portion of the real estate that formerly constituted the unit.

7. Following termination of the common-interest community, the proceeds of a sale of real estate, together with the assets of the association, are held by the association as trustee for units' owners and holders of liens on the units as their interests may appear.

Sec. 7. NRS 116.31065 is hereby amended to read as follows:

116.31065 The rules adopted by an association:

1. Must be reasonably related to the purpose for which they are adopted.

2. Must be sufficiently explicit in their prohibition, direction or limitation to inform a person of any action or omission required for compliance.

3. Must not be adopted to evade any obligation of the association.

4. ~~[Must]~~ ***Except as otherwise provided in subsection 1 of NRS 116.335, must*** be consistent with the governing documents of the association and must not arbitrarily restrict conduct or require the construction of any capital improvement by a unit's owner that is not required by the governing documents of the association.

5. Must be uniformly enforced under the same or similar circumstances against all units' owners. Any rule that is not so uniformly enforced may not be enforced against any unit's owner.

6. May be enforced by the association through the imposition of a fine only if the association complies with the requirements set forth in NRS 116.31031.

Sec. 8. NRS 116.335 is hereby amended to read as follows:

116.335 1. ~~[Unless, at the time a unit's owner purchased his or her unit,]~~ ***If*** the declaration ~~[prohibited the unit's owner from renting or leasing his or her unit,]~~ ***authorizes*** the association ~~[may not]~~ ***to*** prohibit ***or restrict*** the unit's owner from renting or leasing his or her unit ~~[.]~~ ***, or contains a provision establishing a maximum number or percentage of units in the common-interest community which may be rented or leased, the association may adopt rules and regulations to prohibit or restrict the renting or leasing of residential units to the extent that the restriction is reasonably related to meet underwriting requirements of:***

(a) Institutional lenders that regularly make loans secured by first mortgages on units in common-interest communities or regularly purchase such mortgages; or

(b) Insurance companies that issue insurance policies to associations or units in a common-interest community.

2. ~~[Unless, at the time a unit's owner purchased his or her unit, the declaration required the unit's owner to secure or obtain any approval from the association in order to rent or lease his or her unit, an association may not require the unit's owner to secure or obtain any approval from the association in order to rent or lease his or her unit.~~

~~3. If a declaration contains a provision establishing a maximum number or percentage of units in the common interest community which may be rented or leased, that provision of the declaration may not be amended to decrease that maximum number or percentage of units in the common interest community which may be rented or leased.~~

~~4. If the governing documents of an association require a unit's owner who leases or rents his or her unit, or the tenant of a unit's owner, to register with the association or its agent or otherwise submit to the association or its agent information concerning the lease or rental agreement or the tenant, the association or its agent:~~

~~(a) Must conduct such activities in accordance with the governing documents;~~

~~(b) May not require the unit's owner or tenant of the unit's owner to provide information which the association or its agent does not require to be provided to the association or its agent by a unit's owner who occupies his or her unit, except that the association or its agent may require the unit's owner to provide a copy of the lease or rental agreement; and~~

~~(c) May not charge a fee to the unit's owner for the registration or submission of information.~~

~~5.~~ The provisions of this section do not prohibit an association from enforcing any provisions which govern the renting or leasing of units and which are contained in this chapter or in any other applicable federal, state or local laws or regulations ~~.~~

~~6.~~ ***, including, without limitation, any restriction on the rental of units as transient lodging pursuant to NRS 244.35351 to 244.35359, inclusive, or 268.09791 to 268.09799, inclusive.***

3. Notwithstanding any other provision of law or the declaration to the contrary:

(a) If a unit's owner is prohibited from renting or leasing a unit because the maximum number or percentage of units which may be rented or leased in the common-interest community have already been rented or leased, the unit's owner may seek a waiver of the prohibition from the executive board based upon a showing of economic hardship, and the executive board may grant such a waiver and approve the renting or leasing of the unit.

(b) If the declaration contains a provision establishing a maximum number or percentage of units in the common-interest community which may be rented or leased, in determining the maximum number or percentage of units in the common-interest community which may be rented or leased, the number of units owned by the declarant must not be counted or considered.

Sec. 9. NRS 116.4109 is hereby amended to read as follows:

116.4109 1. Except in the case of a sale in which delivery of a public offering statement is required, or unless exempt under subsection 2 of NRS 116.4101, a unit's owner or his or her authorized agent shall, at the expense of the unit's owner, furnish to a purchaser a resale package containing all of the following:

(a) A copy of the declaration, other than any plats, the bylaws, the rules or regulations of the association and the information statement required by NRS 116.41095.

(b) A statement from the association setting forth the amount of the monthly assessment for common expenses and any unpaid obligation of any kind, including, without limitation, management fees, transfer fees, fines, penalties, interest, collection costs, foreclosure fees and attorney's fees currently due from the selling unit's owner.

(c) A copy of the current operating budget of the association and current year-to-date financial statement for the association, which must include a summary of the reserves of the association required by NRS 116.31152 and which must include, without limitation, a summary of the information

If the purchaser has accepted a conveyance of the unit, the purchaser is not entitled to:

(b) Damages, rescission or other relief based solely on the ground that the unit's owner or his or her authorized agent failed to furnish the resale package, or any portion thereof, as required by this section.

3. Within 10 calendar days after receipt of a written request by a unit's owner or his or her authorized agent, the association shall furnish all of the following to the unit's owner or his or her authorized agent for inclusion in the resale package:

purchaser for any erroneous information provided by the association and included in the documents and certificate.

(b) The association may charge the unit's owner a reasonable fee to cover the cost of preparing the certificate furnished pursuant to subsection 3. Such a fee must be based on the actual cost the association incurs to fulfill the requirements of this section in preparing the certificate and must not exceed $185, except that if a unit's owner or an authorized agent thereof requests that the certificate be furnished sooner than 3 business days after the date of the request, the association may charge a fee, which must not exceed $100, to expedite the preparation of the certificate. The amount of the fee may increase, on an annual basis, by a percentage equal to the percentage of increase in the Consumer Price Index (All Items) published by the United States Department of Labor for the preceding calendar year, but must not increase by more than 3 percent each year.

(c) The other documents furnished pursuant to subsection 3 must be provided in electronic format to the unit's owner. If the association is unable to provide such documents in electronic format, the association may charge the unit's owner a reasonable fee, not to exceed 25 cents per page for the first 10 pages, and 10 cents per page thereafter, to cover the cost of copying.

(d) Except for the fees allowed pursuant to paragraphs (b) and (c), the association may not charge the unit's owner any other fees for preparing or furnishing the documents and certificate pursuant to subsection 3.

5. Neither a purchaser nor the purchaser's interest in a unit is liable for any unpaid assessment or fee greater than the amount set forth in the documents and certificate prepared by the association. If the association fails to furnish the documents and certificate within the 10 calendar days allowed by this section, the purchaser is not liable for the delinquent assessment. A resale package provided to a unit's owner or his or her authorized agent pursuant to this section remains effective for 90 calendar days.

6. Upon the request of a unit's owner or his or her authorized agent, or upon the request of a purchaser to whom the unit's owner has provided a resale package pursuant to this section or his or her authorized agent, the association shall make the entire study of the reserves of the association which is required by NRS 116.31152 reasonably available for the unit's owner, purchaser or authorized agent to inspect, examine, photocopy and audit. The study must be made available at the business office of the association or some other suitable location within the county where the common-interest community is situated or, if it is situated in more than one county, within one of those counties.

7. A unit's owner, the authorized agent of the unit's owner or the holder of a security interest on the unit may request a statement of demand from the association. Not later than 10 calendar days after receipt of a written request from the unit's owner, the authorized agent of the unit's owner or the holder of a security interest on the unit for a statement of demand, the association shall furnish a statement of demand to the person who requested the statement and provide a copy of the statement to any other interested party. The association

may charge a fee of not more than $165 to prepare and furnish a statement of demand pursuant to this subsection and an additional fee of not more than $100 to furnish a statement of demand within 3 business days after receipt of a written request for a statement of demand. ➥ As used in this subsection, "interested party" includes the unit's owner selling the unit and the prospective purchaser of the unit.

8. In preparing, copying, furnishing or expediting or otherwise providing any document or other item pursuant to this section, an association, or entity related to or acting on behalf of an association, shall not charge a unit's owner, the authorized agent of a unit's owner, a purchaser or, pursuant to subsection 7, the holder of a security interest on a unit, any fee:

(a) Not authorized in this section; or

(b) In an amount which exceeds any limit set forth in this section.

9. If the association becomes aware of an error in a statement of demand furnished pursuant to subsection 7 during the period in which the statement of demand is effective but before the consummation of a resale for which a resale package was furnished pursuant to subsection 1, the association must deliver a replacement statement of demand to the person who requested the statement of demand. Unless the person who requested the statement of demand receives a replacement statement of demand, the person may rely upon the accuracy of the information set forth in the statement of demand provided by the association for the resale. Payment of the amount set forth in the statement of demand constitutes full payment of the amount due from the selling unit's owner.

(b) Political matters.

2. The provisions of paragraph (a) of subsection 1 do not apply:

(a) To an employer described in paragraph (b) of subsection 1 of NRS 613.320; or

Legislative Counsel's Digest:

Existing law prohibits certain unfair trade practices in the business of insurance. (NRS 686A.010-686A.310) Existing law prohibits an insurer from entering into a contract with a provider of vision care that conditions any rate of reimbursement for vision care on the provider of vision care prescribing certain ophthalmic devices or materials or increases the rate of reimbursement if the provider of vision care prescribes such ophthalmic devices or materials. Existing law also prohibits an insurer from entering into a contract with a provider of vision care that: (1) authorizes the insurer to set or limit the amount that the provider of vision care may charge for vision care that is not reimbursed under the contract; or (2) requires the provider of vision care to use a specific laboratory as the manufacturer of ophthalmic devices or materials provided to a covered person. Finally, existing law requires a provider of vision care to disclose to any covered person an ownership or pecuniary interest of the provider in a supplier of ophthalmic devices or materials before the covered person authorizes the provider to obtain covered eyewear materials from such a supplier. (NRS 686A.135) Existing law authorizes the Commissioner of

Insurance to investigate a violation of and enforce those provisions as an unfair or deceptive trade practice. (NRS 686A.020, 686A.160, 686A.170, 686A.183)

Section 13: (1) establishes a procedure for the issuance of such an offer; (2) prohibits a health care entity or collection agency from reporting medical debt to a consumer reporting agency if the consumer enters into a payment plan and complies with the terms and conditions of the plan; (3) provides that any portion of the medical debt that is reported to a consumer reporting agency in violation of section 13 shall be void; (4) requires a health care entity or collection agency that enters into a payment plan with a consumer to provide to the consumer a written copy of the payment plan; and (5) prescribes requirements for a payment plan. Except in certain circumstances, section 13.7 of this bill prohibits a health care entity or collection agency from placing a payment plan into default, accelerating a payment plan or otherwise cancelling a payment plan unless certain requirements are met.~~

Section 17 of this bill provides that the protections provided by **sections 13-16** cannot be waived.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 854.

AN ACT relating to parole; authorizing the State Board of Parole Commissioners to grant second look review to certain persons; making certain persons convicted of certain crimes committed when the person was less than 25 years of age eligible for parole after serving a certain number of years of incarceration; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the State Board of Parole Commissioners to grant geriatric parole to a person who is 65 years of age or older and meets certain criteria. (NRS 213.12155) **Section 1** of this bill likewise authorizes the Board to grant second look review to a person convicted of a category A or B felony if the person: (1) **has not been sentenced to death; (2)** does not pose a significant and articulable risk to public safety; ~~[(2)]~~ **(3)** has served ~~[a certain number of]~~ **not less than 10** years of the minimum term or minimum aggregate term of imprisonment, as applicable, imposed by the court; and ~~[(3)]~~ **(4)** meets certain other criteria. **Section 1** also prescribes: (1) the procedure for initiating consideration for second look review; and (2) certain requirements relating to scheduling and conducting a second look review hearing. Finally, **section 1** requires the Board to prescribe the terms and conditions of release for a person for whom a second look review was conducted and provides that any such person is under the supervision of the Division of Parole and Probation of the Department of Public Safety. **Section 2** of this bill makes a conforming change to make certain existing definitions applicable to **section 1**.

Existing law makes a prisoner who was sentenced for certain offenses that were committed when he or she was less than 18 years of age eligible for parole after the prisoner has served: (1) 15 calendar years of incarceration, if the prisoner is incarcerated for having been convicted of an offense that did not result in the death of a victim; or (2) 20 calendar years of incarceration, if the prisoner is incarcerated for having been convicted of an offense that resulted in the death of only one victim. (NRS 213.12135) **Section 3** of this bill makes a prisoner eligible for parole under these conditions when the prisoner was sentenced for an offense that was committed when he or she was less than 25 years of age, rather than 18 years of age.

Section 4 of this bill provides that the amendatory provisions of **sections 1 and 3** apply to an offense committed before, on or after January 1, 2026.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 841.

AN ACT relating to public employees; revising the definition of "police officer" for the purposes of certain benefits and exemptions; **making an appropriation;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law defines "police officer" to include various law enforcement officers of this State for the purposes of certain provisions relating to eligibility for benefits under the Nevada Occupational Diseases Act. (NRS 617.135)

Section 1 of this bill expands the definition of "police officer" to include: (1) a school police officer employed or appointed by the board of trustees of a school district; (2) a juvenile probation officer; (3) a bailiff or deputy marshal of a municipal court; (4) a marshal or deputy marshal of a city or town; and

(5) all category I, II and III peace officers. Furthermore, because various other provisions of the Nevada Revised Statutes reference "police officer" as that term is defined in the Act, this bill makes applicable to all category I, II and III peace officers, school police officers employed or appointed by the board of trustees of a school district, juvenile probation officers, bailiffs and deputy marshals of municipal courts and marshals and deputy marshals of cities or towns: (1) industrial insurance coverage for police officers; (2) exemption from service as grand or trial jurors; (3) compensation for police officers with temporary disabilities; and (4) eligibility for certain programs of group insurance or other medical or hospital service for the surviving spouse or any surviving child of a police officer or firefighter. The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 827.

AN ACT relating to intoxicating liquor; authorizing the board of county commissioners of a county and the governing body of an incorporated city to enact an ordinance authorizing certain food establishments to sell or deliver alcoholic beverages for consumption off the premises of the establishment under certain circumstances; requiring the Department of Taxation to adopt regulations imposing a surcharge on such sales; **revising provisions relating to craft distilleries;** designating the Picon Punch as the official state drink of the State of Nevada; expanding the functions of the Ignition Interlock Program established by the Director of the Department of Public Safety; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes certain establishments to sell alcoholic beverages by the drink for consumption on the premises of the establishment. (NRS 369.090, 369.620) Existing law also authorizes a retail liquor store, or a delivery support service acting on behalf of a retail liquor store, to deliver liquor, in its original package, to a consumer in connection with a retail sale of such liquor under certain circumstances. (NRS 369.489)

Section 1 of this bill defines "covered food establishment" to mean, in general, a food establishment that prepares and serves food on the premises and which is licensed to sell at retail alcoholic beverages for consumption on the premises. **Section 1** authorizes the board of county commissioners of a county or the governing body of an incorporated city to enact an ordinance authorizing, under such conditions as may be imposed by the ordinance, a covered food establishment to sell at retail an alcoholic beverage in a container sealed by ~~[the manufacturer or]~~ the establishment for consumption off the premises of the establishment. **Section 1** also authorizes the ordinance to authorize a covered food establishment, or a delivery support service acting on behalf of such an establishment, to deliver alcoholic beverages in a container sealed by ~~[the manufacturer or]~~ the establishment to a consumer in connection with the retail sale of such an alcoholic beverage. **Sections 1 and 2** of this bill exempt such deliveries from certain provisions of law governing the transport of liquor.

Existing law requires the Director of the Department of Public Safety to establish the Ignition Interlock Program. Existing law creates the Account for the Ignition Interlock Program. Permissible uses of money in the Account include treatment assistance, outreach programs, educational programs and training and enforcement activities relating to driving under the influence of alcohol or a prohibited substance. (NRS 484C.454) **Section 5.5** of this bill changes the name of the Program to the Ignition Interlock and DUI Reduction Program and expands the purposes for which money in the Account may be used.

Section 1 requires the Department of Taxation to adopt regulations that provide for the imposition and collection of a surcharge, not to exceed 50 cents for each retail sale of an alcoholic beverage pursuant to **section 1**. ~~[, which must]~~ **Section 1 requires the revenues collected from the surcharge to be distributed: (1) to the Department in an amount determined to be necessary by the Department to pay the costs of the Department in carrying out the provisions of section 1, which must not exceed $250,000 each year; and (2) if any money remains, to the Account for the Ignition Interlock and DUI Reduction Program to** be used for the purposes for which the money in the Account is used.

Existing law requires the Department to prescribe by regulation certain requirements for the issuance of a permissible person's certificate to any person or representative of any institution, school, hospital or church desiring to import liquor for industrial, medical, scientific or sacramental purposes. (NRS 369.440) Section 1.5 of this bill provides for the issuance of a permissible person's certificate to a person who operates a craft distillery, who has a contractual right that was created before January 1, 2025, to exclusively manufacture a particular formula of distilled spirit and who is desiring to import neutral or distilled spirits for the purpose of manufacturing that distilled spirit. Section 5.7 of this bill designates such a distilled spirit manufactured by a person who has been issued a permissible person's certificate as an "exclusive distilled spirit."

Existing law sets forth the activities in which a person who operates a craft distillery is authorized to engage. Existing law limits the amount of distilled spirits that such a person may manufacture for exportation to another state to not more than 40,000 cases in any calendar year. (NRS 597.235) Section 5.7 authorizes a person who operates a craft distillery and who has obtained a permissible person's certificate to manufacture an additional 40,000 cases of an exclusive distilled spirit of the person for exportation to another state.

Existing law requires a person who operates a craft distillery to ensure that none of the spirits manufactured at the craft distillery are derived from neutral or distilled spirits manufactured by another manufacturer. (NRS 597.235) Section 5.7 authorizes a person who operates a craft distillery and who has obtained a permissible person's certificate to manufacture an exclusive distilled spirit of the person using neutral or distilled spirits manufactured by another manufacturer.

Existing law establishes various symbols of the State of Nevada. (NRS 235.020-235.140) **Section 5** of this bill designates the traditional Basque drink known as the Picon Punch as the official state drink of the State of Nevada.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 857.

AN ACT relating to employment; requiring certain public and private employers to establish certain procedures and forms relating to paid family leave; requiring the Human Resources Commission and Labor Commissioner to establish certain regulations relating to paid family leave; requiring certain public and private employers to provide notice relating to paid family leave; revising provisions relating to paid family leave for certain state employees and employees of private employers; repealing certain provisions relating to leave; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, an employee of the Executive Department of the State Government who has been employed for not less than 12 consecutive months is entitled to take 8 weeks of paid family leave over a 12-month period, under certain circumstances, to: (1) bond with a newborn child of the employee or a newborn child of the domestic partner of the employee; (2) bond with a newly adopted child of the employee; (3) recover from or undergo treatment for a serious illness; (4) care for a seriously ill member of the immediate family of the employee; or (5) participate in a qualifying event resulting from the military deployment to a foreign country of an immediate family member of the employee. (NRS 284.356) **Section 4** of this bill: (1) provides such entitlements to officers of the Executive Department of the State Government; (2) decreases the time an employee must be employed to receive the entitlement from 12 consecutive months to 90 days; (3) increases the entitlement from 8 weeks to 12 weeks; (4) entitles an employee to take paid family leave to bond with a newly placed foster child of the employee, complete any necessary preparatory tasks before the anticipated adoption of a child or placement of a foster child in certain circumstances, to recover from certain serious health conditions, including pregnancy or the loss or end of a pregnancy and for certain purposes resulting from an act of domestic violence, stalking, aggravated stalking, harassment or sexual assault against the employee or an immediate family member of the employee; and (5) revises certain terms relating to paid family leave.

Existing law further requires an appointing authority to pay an employee on paid family leave 50 percent of the regular wage the employee would have earned if the employee was not on leave. (NRS 284.356) **Section 4** instead requires an appointing authority to pay: (1) 100 percent of the regular wage the employee would have earned if the employee was not on leave, if the employee earns not more than 110 percent of the state average weekly wage; or (2) 60 percent of the regular wage the employee would have earned if the employee was not on leave but not more than 150 percent of the state average weekly wage, if the employee earns more than 110 percent of the state average weekly wage.

Section 4 also: (1) requires an employee to provide certain notice to the appointing authority of the employee's intent to take paid family leave and make a reasonable effort to take paid family leave in a manner that does not unduly disrupt the operations of the appointing authority, in certain circumstances; (2) authorizes the Division of Human Resource Management of the Department of Administration to investigate any instance in which it has reason to believe that an employee has taken paid family leave to which the employee is not entitled, and after notice and a hearing, authorizes the Human Resources Commission to take certain remedial actions; and (3) establishes that paid family leave taken that also meets the requirements for eligibility for the Family and Medical Leave Act of 1993 runs concurrently and authorizes an appointing authority to require any payment made for paid family leave to

be made concurrently or otherwise coordinated with certain other policies and agreements. (29 U.S.C. §§ 2601 et seq.)

Section 7 of this bill establishes substantially similar provisions relating to the entitlement to paid family leave for certain state employees in the public service for employees of private employers and local government employers that have 50 or more employees in private employment in this State, thereby entitling the employees of the private employers to paid family leave.

Sections 2 and 8 of this bill require an appointing authority, a private employer and a local government employer to establish reasonable procedures and forms for an employee to take paid family leave, which may not be unduly burdensome to the employee and are required to meet certain language requirements. **Sections 2 and 8** also require the Commission and Labor Commissioner to establish by regulation the documentation that an employee may be required to provide to an appointing authority, a private employer or a local government employer to take paid family leave, place certain restrictions on the establishment of the regulations and make the documentation confidential.

Sections 3 and 9 of this bill require an appointing authority, a private employer and a local government employer to provide to an employee certain written notice relating to paid family leave in certain circumstances and subject to certain conditions.

Section 10 of this bill authorizes an employee to bring a civil action, and prescribes the remedies a court is authorized and required to award if an employer fails to take certain actions relating to paid family leave required by **section 7**.

Section 11 of this bill requires the Labor Commissioner to enforce the provisions of **sections 7, 8 and 9**, and **section 12** of this bill makes a violation of the provisions of **sections 7, 8 and 9** a misdemeanor and authorizes the Labor Commissioner to impose, in addition to any other remedy or penalty, a penalty of up to $5,000 for each violation.

Section 14 of this bill repeals the provisions in existing law requiring a private employer to provide certain leave to employees relating to domestic violence and sexual assault, as these provisions are supplanted by the provisions of **sections 7, 8 and 9**. **Section 13** of this bill makes a conforming change to make a provision prohibiting certain actions relating to the repealed provisions instead apply to **section 7**.

3. A governmental entity that has legal custody or control of a public book or record shall not deny a request made pursuant to subsection 1 to inspect or copy or receive a copy of a public book or record on the basis that the requested public book or record contains information that is confidential if the governmental entity can redact, delete, conceal or separate, including, without limitation, electronically, the confidential information from the information included in the public book or record that is not otherwise confidential.

(1) Give access to proprietary software; or

(2) Require the production of information that is confidential and that cannot be redacted, deleted, concealed or separated from information that is not otherwise confidential.

5. An officer, employee or agent of a governmental entity who has legal custody or control of a public record:

(a) Shall not refuse to provide a copy of that public record in the medium that is requested because the officer, employee or agent has already prepared or would prefer to provide the copy in a different medium.

(b) Except as otherwise provided in NRS 239.030, shall, upon request, prepare the copy of the public record and shall not require the person who has requested the copy to prepare the copy himself or herself.

(b) Negate any other rights, remedies or procedures available to an aggrieved party.

(c) Prohibit, preempt or discourage any contract or other agreement that provides a more generous paid leave benefit or paid time off benefit.

Legislative Counsel's Digest:

Existing law requires the Division of Industrial Relations of the Department of Business and Industry to provide for the establishment and supervision of programs for the education and training of employers and employees on certain unsafe or unhealthful working conditions. (NRS 618.353) Existing law requires certain employers to establish a written safety program and implement the safety program within 90 days after it is established. (NRS 618.383)

If an employer has more than 15 employees who work at a large hybrid environment facility, **sections 3 and 5** of this bill require, with certain exceptions, such a written safety program to include the establishment of a program to mitigate occupational exposure to greenhouse gases, other gases and poor air quality. **Section 2** of this bill defines the term "large hybrid environment facility" to mean, in general, a facility where employees work: (1) that is at least 10,000 square feet; and (2) at which workers are exposed to outdoor elements for a majority of each shift worked, including, without limitation, through open loading docks or bay doors. **Section 4** of this bill makes a conforming change so that the definition of "large hybrid environment facility" applies to the provisions of existing law governing occupational safety and health.

Section 3 requires a written safety program relating to a large hybrid environment facility to include provisions that require the establishment of: (1) a system to mitigate exposure to certain air quality issues in accordance with occupational safety and health standards; and (2) a system for monitoring employees for signs of health effects resulting from exposure to certain air quality issues. **Section 3** also requires such a program to contain provisions which: (1) require any vehicle which is loading or unloading at the facility to have the engine of the vehicle turned off; (2) require a designated person at the facility, not less than every 4 hours when employees are working, to monitor and record certain air quality information in each area of the facility where employees are working; and (3) take certain actions if the air quality information exceeds any relevant occupational safety and health standards. **Section 3** exempts from those requirements **state agencies and** certain

employers who are engaged in: (1) law enforcement, firefighting or otherwise responding to emergencies; (2) solid waste management or the management of hazardous waste; or (3) towing services.

Legislative Counsel's Digest:

~~[With certain exceptions, this bill enacts requirements governing payments by agencies of the Executive Department of the State Government to private nonprofit corporations that receive grants from those agencies and are reimbursed by those agencies for services or other performance under a grant agreement. Section 3 of this bill defines the term "grant" to establish the types of financial assistance to which these requirements apply. Section 8 of this bill declares that it is the policy of this State to: (1) complete all processing and authorization required by law to make a payment, as defined in section 4 of this bill, within 30 calendar days after receipt of a proper invoice, as defined in section 6 of this bill; and (2) make an advance of a grant to a private nonprofit corporation to facilitate the expeditious carrying out of the grant. Section 8.5 of this bill requires the State Board of Examiners to adopt policies and procedures to carry out the provisions of this bill, which are required under existing law to be published in the State Administrative Manual. (NRS~~

~~232.004) Section 8.5 mandates that such policies and procedures include a requirement that a summary of the provisions relating to prompt payments and advance payments be included in each grant agreement with a private nonprofit corporation.]~~

Section 9 of this bill ~~[provides that, with certain exceptions,]~~ **requires** a state entity that makes a grant to a private nonprofit corporation, which is defined in **section 7** of this bill as a "state grant-making entity," ~~[is liable for interest on amounts which are due and payable under a written grant agreement at the rate that has been agreed upon in the grant agreement, or if no such rate has been agreed upon, by a specified rate. Section 9 provides that, with certain exceptions, interest begins accruing on the 31st calendar day after the date on which the state grant-making entity receives a proper invoice and requires interest to be paid from the operating budget of the state grant-making entity, not including money appropriated to fund a grant. Section 9 also requires a state grant-making entity]~~ that does not make a payment that is due and payable under a written grant agreement within 30 calendar days after receipt of a proper invoice to: (1) provide written notice to the private nonprofit corporation of the reason for the delay in making the payment; and (2) ~~[make a written record of the delayed payment and]~~ submit an annual compilation of such records to the Director of the Office of Finance ~~[.]~~ **and the Director of the Legislative Counsel Bureau for transmittal to the Interim Finance Committee. Sections 2-6 of this bill define certain terms relating to these requirements.**

~~[Section 10 of this bill requires a state grant-making entity to mark an invoice with the date on which the invoice was received and review the invoice as soon as practicable to determine whether the invoice is a proper invoice. Section 10 authorizes a state grant-making entity to use media that produce tangible recordings of information to expedite payment in lieu of requiring original paper documents.~~

~~Section 11 of this bill authorizes a private nonprofit corporation to submit to a state grant-making entity a request for an advance of money from the grant that was awarded to the private nonprofit corporation by the state grant-making entity. Section 11 requires the private nonprofit corporation to: (1) submit an expenditure plan with its request for an advance and any other information requested by the state grant-making entity; and (2) agree to requirements relating to reporting expenditures, returning unexpended money, depositing the advance and reporting related interest. Section 11, with certain exceptions, authorizes the state grant-making entity to approve the advance if it makes specific determinations and verifications. ~~Section 11 requires: (1) the state grant-making entity to provide written notice of the approval of any advance to the Director of the Office of Finance; and (2) the Director to submit an annual report to the Interim Finance Committee relating to advance payments of which the Director was notified.]~~

(NRS 223.486) Section 11.7 of this bill requires the State Plan to include methods for the administration of advanced payments of grants to private nonprofit corporations.

Section 11.3 authorizes the Director to adopt regulations to carry out such coordination and collaboration. Section 11.5 of this bill applies the definitions in existing law governing the Office to the provisions of section 11.3.

Section 14 of this bill makes this bill effective on July 1, 2026, and **section 13** of this bill excludes from the requirements of this bill grants which are executed, renewed or extended before July 1, 2026.

(NOT REQUESTED BY AFFECTED LOCAL GOVERNMENT)

AN ACT relating to economic development; authorizing the creation of an industrial park in a contiguous area that meets certain requirements; authorizing the creation of a tax increment area and the issuance of bonds and other securities for certain projects within an inland port or industrial park; ~~[requiring a school district which offers certain career pathways programs to offer career exploration opportunities at certain middle and junior high schools;]~~ requiring the designation of a ~~[full-time staff member]~~ **teacher or other licensed educational personnel** to coordinate career pathways programs at each high school which offers such programs; creating the Career Pathways Oversight Committee; requiring the appointment of a Career Pathways Oversight Coordinator; ~~[creating the State Seal of Teacher Training;]~~ revising provisions governing the Teacher Academy College Pathway Program; revising provisions governing the program for reimbursement of tuition and fees paid by teachers who completed the Program; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law sets forth the Inland Port Authority Act, which authorizes one or more boards of county commissioners of a county or governing bodies of an incorporated city to apply to the Office of Economic Development to create, operate and maintain an inland port and inland port authority in a contiguous area that includes certain transportation infrastructure and no residential property. (NRS 277B.150) **Sections 8-15, 17 and 18** of this bill revise the Inland Port Authority Act to additionally authorize the creation, operation and maintenance of an industrial park and an industrial park authority and makes the existing provisions of the Act applicable to industrial parks and industrial park authorities. **Section 8** provides that the Act may now be known and cited

as the Inland Port and Industrial Park Authority Act. **Section 2** of this bill defines the term "industrial park." **Section 11** requires any area designated as an "industrial park" to include only property that includes or is adjacent to an inland port.

Section 5 of this bill authorizes a participating entity in an inland port or industrial park to adopt an ordinance creating a tax increment area consisting of all or part of the inland port or industrial park for the purpose of creating a special account for the payment of bonds or other securities issued to defray the cost of certain projects within the inland port or industrial park. If a participating entity designates such a tax increment area, **section 5** provides for the allocation of a portion of the taxes levied upon taxable property in the tax increment area each year to pay the bond requirements of loans, money advanced to, or indebtedness incurred by the municipality to finance or refinance the project. **Section 7** of this bill authorizes the issuance of such bonds or securities by counties or incorporated cities that have created an inland port or industrial park. **Section 4** of this bill sets forth the projects of an inland port or industrial park which may be undertaken using the funding generated by the tax increment area. **Section 3** of this bill defines the term "municipality" for the purposes of the Inland Port and Industrial Park Authority Act. **Section 9** of this bill applies the new definitions created by this bill to the existing provisions of the Inland Port and Industrial Park Authority Act.

Sections 6 and 20 of this bill exempt a tax increment area created pursuant to **section 5** from certain limits on revenue from taxes ad valorem.

Section 12 authorizes the Office to initiate the creation of an inland port or industrial park and authority with the approval of the Board of Economic Development.

Existing law requires an inland port authority to be governed by a board of directors and sets forth the composition of such a board. (NRS 277B.200) **Section 16** of this bill adds an additional director to the board if none of the participating entities in the authority is a city and requires this director to be appointed by the Governor.

Existing law: (1) requires each large school district, meaning a school district in this State which has more than 100,000 pupils enrolled in its public schools (currently the Clark County School District), to offer a Teacher Academy College Pathway Program at every high school in the school district with 250 or more pupils enrolled to enable pupils in grades 9 to 12 to prepare for employment as professionals in K-12 education; and (2) authorizes a large school district, or a school district which is not a large school district, to offer the Program at other high schools. (NRS 388.223) **Section 25** of this bill excludes specialty schools from the high schools at which a large school district is required to offer the Program. **Section 25** requires a school district to offer dual credit courses at each high school which offers the Program in subjects which align with the requirements to obtain a bachelor's degree in education and in sufficient quantity to allow a pupil to obtain at least 12 units

of college credit. **Section 25** authorizes a school district to apply to the State Board of Education for an exemption from the requirement to offer certain internships and dual credit courses as part of the Program at a high school which is not located in an incorporated city if the school district can demonstrate that the location of the high school makes providing such internships or courses impracticable.

Section 25 authorizes a high school pupil, or a parent or legal guardian of such a pupil, who is aggrieved by a final decision regarding the implementation of the Program made by an administrator of the high school or the board of trustees to request a hearing for reconsideration of the decision by the board of trustees.

Existing law requires a school district to ensure that each high school which offers the Program is staffed by a full-time employee who is a licensed teacher or administrator who is responsible for implementing the Program. (NRS 388.223) **Section 25** replaces this requirement with a requirement for a school district to ensure that at least one licensed teacher be assigned full-time to implement and teach the Program at each high school which offers the Program if more than two class periods in the Program will be offered at the high school.

Section 25 requires that for a pupil to complete the Program, the pupil must: (1) complete at least 2 academic years in a program of career and technical education in the area of teaching ~~[,]~~ **or in approved dual credit courses in the area of teaching;** and (2) participate in at least 15 hours of paid or unpaid work-based learning which is relevant to the field of teaching.

~~[Existing law requires the Superintendent of Public Instruction to establish certain State Seals, including the State Seal of Biliteracy, the State Seal of Civics and the State Seal of STEM, which may be affixed to the diploma and noted on the transcript of a pupil to recognize that the pupil has met certain requirements. (NRS 388.591, 388.5933, 388.594) Section 24 of this bill requires the Superintendent of Public Instruction to create a State Seal of Teacher Training and requires each board of trustees of a school district that offers the Program to affix the Seal to the diploma of and note the receipt of the Seal on the transcript of each pupil who completes the Program.]~~

Existing law requires the State Treasurer to establish a program to provide reimbursement for tuition charges, registration fees, laboratory fees and any other mandatory fee paid to an institution within the Nevada System of Higher Education by a person who: (1) completed the Program; and (2) has worked as a full-time, licensed teacher at a public school in this State for at least 3 consecutive school years. Under existing law, the State Treasurer is authorized to provide a partial reimbursement to persons who have completed the Program and who have worked as a full-time, licensed teacher at a public school in this State for 1 year or 2 consecutive years. (NRS 226.420) **Section 19** of this bill **requires the Program to be established in coordination with the Department of Education, and** additionally requires that to be eligible for such a reimbursement or partial reimbursement, a person must have

completed the application for federal student aid and have successfully completed at an institution in the Nevada System of Higher Education a program to become a licensed teacher. **Section 19** also authorizes a person who was not able to complete the Program because of circumstances beyond the control of that person to obtain the reimbursement or partial reimbursement from the State Treasurer, if the person meets the other requirements for such a reimbursement or partial reimbursement. Finally, **section 19** provides that student education loans are not a form of financial aid or financial assistance that may be applied to reduce the reimbursement or partial reimbursement received from the State Treasurer.

Existing law requires the Governor's Office of Workforce ~~[Development]~~ **Innovation** to: (1) establish and administer a Career Pathways Demonstration Program; and (2) establish a program for work-based learning opportunities outside of school for pupils enrolled in grades 7 to 12, in coordination with the Department of Education. (NRS ~~[232.985)]~~ **232.985, 232.990) Sections 22 and 23** of this bill designate these programs, as well as the Teacher Academy College Pathway Program, as career pathways programs. **Section 22** requires a school district which offers a career pathways program at a high school to ~~[: (1) offer career exploration opportunities in certain priority industries to pupils at each middle school or junior high school which feeds into the high school; and (2)]~~ designate a teacher or other licensed educational personnel, including, without limitation a school counselor, at the high school to coordinate career pathways programs.

Section 23 creates within the Department of Education a Career Pathways Oversight Committee and requires the Committee to: (1) establish metrics to measure the success of the career pathways programs; (2) evaluate the progress and success of the career pathways programs; (3) evaluate programs for dual credit provided by the Nevada System of Higher Education; (4) report certain findings to the State Board and the Joint Interim Standing Committee on Education; and (5) identify state agencies with the jurisdiction and expertise to oversee, implement and regulate the career pathways programs for different industries. **Section 23** requires the Superintendent of Public Instruction to appoint an employee of the Department to act as the Career Pathways Oversight Coordinator to provide certain technical support and assistance in implementing career pathways programs.

SECOND READING AND AMENDMENT

Senate Bill No. 499.

Bill read second time.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 900.

AN ACT relating to state financial administration; revising provisions relating to the lease of residential property owned by this State to state officers and employees; authorizing a temporary advance from the State General Fund for expenses relating to fire suppression and emergency response in certain circumstances; creating the Out-of-State Fire Suppression Account; revising provisions relating to the Division of Forestry Account; making an appropriation; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the Administrator of the Division of State Lands of the State Department of Conservation and Natural Resources, as ex officio State Land Registrar, to lease residential property owned by this State for less than the fair market value of the property to a state officer or employee who is required as a condition of his or her employment to reside in state-owned residential property. (NRS 322.063) **Section 1** of this bill expands this authority to allow the lease of state-owned residential property at less than fair market value to a state officer or employee if a state agency that manages state-owned residential property determines that it is beneficial to the State of Nevada for the state officer or employee to reside in the property. **Section 1** also requires a state agency that manages state-owned residential property to account separately for the rent collected from such leases and use the money only for the operation and maintenance of state-owned residential property that is managed by the state agency. **Section 1** provides that the remaining balance of money collected from such rent does not revert to the State General Fund at the end of a fiscal year and is required to be carried forward to the next fiscal year.

Existing law authorizes temporary advances from the State General Fund to specified state agencies for certain delays in the receipt of revenue or for certain emergencies. (NRS 353.3463-353.361) During the 2023-2025 biennium, the Director of the State Department of Conservation and Natural Resources was authorized to request a temporary advance from the State General Fund to pay authorized expenses incurred by the Department in the suppression of fires or in response to emergencies for which there was a delay in the receipt of revenue for services billed to the Federal Government, local governments and other state governments. (Section 71 of chapter 209, Statutes

of Nevada 2023, at page 1253) **Section 2** of this bill codifies in the Nevada Revised Statutes the authority for the Department to request such a temporary advance.

Under existing law, the executive head of the Division of Forestry of the State Department of Conservation and Natural Resources is the State Forester Firewarden. (NRS 232.120) Existing law charges the State Forester Firewarden with overseeing various fire protection activities for the State. (Chapter 472 of NRS) **Section 3** of this bill creates the Out-of-State Fire Suppression Account in the State General Fund for the payment of the costs incurred by the State of Nevada for response to out-of-state fires and emergencies and for the receipt of reimbursement for those costs. **Section 3**: (1) requires that the State Forester Firewarden administer the Out-of-State Fire Suppression Account; and (2) provides that money remaining in that Account at the end of a fiscal year does not revert to the State General Fund and is carried forward to the next fiscal year. **Section 5** of this bill appropriates ~~[$10,000,000]~~ **$27,359,038** from the State General Fund to the Out-of-State Fire Suppression Account created by **section 3**.

Existing law creates the Division of Forestry Account in the State General Fund for the receipt of: (1) certain money received from the operation of a conservation camp or from the assignment of any crew of a conservation camp; (2) any federal money allotted to the State of Nevada under the terms of certain federal agreements and such other money as may be received by the State for the management and protection of forests, rangelands and watershed areas; and (3) money received by the Division related to the provisions governing the control of forest insects and diseases. (NRS 209.231, 472.050, 527.230) Existing law also: (1) requires the placement on a list of fully protected species any species or subspecies of native flora that is declared to be threatened by extinction; and (2) prohibits the removal or destruction of any such species or subspecies except under a special permit issued by the State Forester Firewarden. (NRS 527.270) **Section 4** of this bill requires the deposit and separate accounting of money received from the issuance of such special permits in the Division of Forestry Account. **Section 4** also provides that any money which is received by the Division from the issuance of such special permits or related to the provisions governing the control of forest insects and diseases and is remaining in the Division of Forestry Account at the end of a fiscal year does not revert to the State General Fund and requires that the remaining balance of such money in the Account be carried forward to the next fiscal year.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 322.063 is hereby amended to read as follows:

322.063 1. The Administrator of the Division of State Lands of the State Department of Conservation and Natural Resources, as ex officio State Land Registrar, may, pursuant to NRS 322.060, lease residential property owned by

the State of Nevada for less than the fair market value of the property to an officer or employee of this State ~~[who]~~ ***if:***

(b) A state agency that manages residential property owned by this State determines that it is beneficial to the State of Nevada for the officer or employee to reside in the residential property.

2. Before residential property may be leased pursuant to this section, the State Land Registrar, in cooperation with the head of the state agency that manages the property, must approve the lease and determine the amount of rent for the lease of the property.

3. The State Land Registrar may waive any fee for the consideration of an application to lease property pursuant to this section.

4. Any money collected by a state agency as rent for the lease of residential property pursuant to this section must be accounted for separately by the state agency and used for the operation and maintenance of residential property owned by this State that is managed by the state agency.

5. Any money collected by a state agency as rent for the lease of residential property pursuant to this section that is remaining at the end of a fiscal year does not revert to the State General Fund and the balance of that money must be carried forward to the next fiscal year.

Sec. 2. Chapter 353 of NRS is hereby amended by adding thereto a new section to read as follows:

1. If the Director of the State Department of Conservation and Natural Resources determines that, because of delays in the receipt of revenue for services billed to the Federal Government, local governments and other state governments, the amount of current claims for expenses incurred in the suppression of fires or response to emergencies exceeds the amount of money available to pay such claims within 30 days, the Director may request from the Director of the Office of Finance a temporary advance from the State General Fund.

2. The Director of the Office of Finance shall provide written notification to the State Controller and to the Senate and Assembly Fiscal Analysts of the Fiscal Analysis Division of the Legislative Counsel Bureau if the Director approves a request made pursuant to subsection 1. The State Controller shall draw his or her warrant upon receipt of such a notification.

3. Such an advance from the State General Fund:

(a) May be approved by the Director of the Office of Finance only for expenses incurred in the suppression of fires or response to emergencies. Assembly Bill No. 49.

Bill read third time.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 885.

AN ACT relating to educational personnel; authorizing a person who holds a license to teach in another state to be hired as a teacher in this State on a certain provisional basis if he or she satisfies certain requirements; requiring the Commission on Professional Standards in Education to prescribe certain regulations concerning the licensure of teachers, school counselors, school nurses and school social workers; ~~[requiring the Department of Education to waive certain fees for licensure for certain substitute teachers;]~~ eliminating the authority of the State Board of Education to disapprove of regulations adopted by the Commission; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law creates the Commission on Professional Standards in Education and requires the Commission to prescribe regulations for licensing teachers and other educational personnel. (NRS 391.011, 391.019) Under existing law, such regulations are required to provide for the reciprocal licensure of educational personnel from other states. (NRS 391.032) **Section 1** of this bill authorizes the board of trustees of a school district or the governing body of a charter school to employ as a teacher, on a provisional basis not to exceed 1 year, a person not licensed as a teacher in this State if the person: (1) holds a license in good standing from another state; (2) has submitted an application to receive a license to teach in this State; and (3) has completed the background investigation the employing school district is required to conduct. **Section 1 additionally requires a school district or charter school to, at the time such a person is hired, report the hiring to the Department of Education.**

Section 2 of this bill requires that the regulations adopted by the Commission also prescribe qualifications for a person to use work experience or a license in an area of career and technical education to receive an endorsement in career and technical education without repeating certain requirements. Additionally, **section 2** requires such regulations to authorize a person who is employed by a public school to provide support and other services relating to school counseling and is enrolled in a program that would allow the person to obtain a license or endorsement as a school counselor to simultaneously complete any required internship or practicum hours for the purpose of obtaining such a license or endorsement. **Section 2** also requires such regulations to authorize a person to serve as a school nurse or school social worker without the applicable endorsement if the person: (1) has applied for such an endorsement and is awaiting the issuance or denial of the endorsement; and (2) holds certain valid licenses issued by the State Board of Nursing or the Board of Examiners for Social Workers, as applicable. **Furthermore, section 2 provides that such regulations adopted by the Commission must require a school district who employs such a person to, at the time the person is hired, report the hiring to the Department.** **Section 4** of this bill makes a conforming change to authorize such a registered nurse to be employed as a school nurse without an endorsement as a school nurse.

~~**[Section 3 of this bill requires a reduction in the fee for a license to teach for certain applicants who are substitute teachers.]**~~

Existing law authorizes the State Board of Education to disapprove of any regulation that is adopted by the Commission on Professional Standards in Education. (NRS 391.027) **Section 4.5** of this bill eliminates the authority of the State Board to take such an action. **Sections 2, 2.3 and 2.7** of this bill make conforming changes to remove references to this authority in other provisions of law.

(NRS 481.055) If the Department provides the ability to register or renew the registration of a vehicle through such an electronic branch office, **section 1** of this bill requires the Department to contract with a person who is licensed in this State to make installment loans to allow the person, through the electronic branch office, to offer installment loans to vehicle owners to pay the applicable fees and taxes that are due for the initial or renewal registration of a vehicle. **Section 1**: (1) requires the person to furnish to the Department the entire amount of the fees and taxes owed by vehicle owners for the registration and renewal of registration; (2) prohibits such a person from charging interest on an installment loan or ~~[collecting an initial]~~ **charging a fee or combination of fees for the** installment ~~[fee]~~ **loan** in excess of ~~[$10 or a monthly installment fee in excess of $5 each month;]~~ **15 percent of the total amount financed;** and (3) prohibits the making of loans less than $250.

Existing law requires the Department to furnish license plates to every owner whose vehicle is registered and sets forth the manner in which such license plates must be displayed on a vehicle. (NRS 482.265) **Section 2** of this bill authorizes the Director to permit the use of digital license plates by a person who otherwise complies with the requirements for registration and licensing. **Section 2** requires a digital license plate to: (1) display the license plate code assigned to the vehicle and evidence of valid registration at all times; (2) meet certain requirements for visibility; (3) be displayed on a digital license plate device that has been approved by the Department and purchased from a vendor approved by the Department; and (4) display only information and images required or authorized by the Department. **Section 2** requires the Department to adopt regulations relating to the issuance and use of digital license plates, including the personally identifiable information that may be stored on a digital license plate or digital license plate device. **Section 2** authorizes the Department to take certain additional actions with respect to digital license plates, including: (1) approving banner messages to appear on the bottom of a digital license plate; (2) restricting the types or classes of vehicles for which a digital license plate may be used; (3) authorizing the sale or resale of digital license plate devices; and (4) authorizing digital license plates to replicate the appearance of certain special license plates or personalized prestige license plates. **Section 2** prohibits the Department from

charging a fee for digital license plates that exceeds the fee charged for a conventional plate of the same type. **Section 3** of this bill provides that the Department is not required to furnish license plates to a person who applies to use a digital license plate and authorizes the Department to require the return of license plates which were previously issued for the vehicle.

Existing law requires the Director to utilize the facility for the production of license plates which is located at the Department of Corrections to produce all license plates required by the Department. (NRS 482.267) **Section 4** of this bill creates an exception from this requirement for the use of digital license plates.

Section 5 of this bill requires a digital license plate device, which is an electronic device capable of displaying a digital license plate, to be attached to the rear of a motor vehicle. If a digital license plate has been authorized for use, **section 5** also excuses the requirement to attach a license plate to the front of the vehicle.

Existing law establishes a procedure for the licensing of persons engaged in the business of making and collecting on installment loans. (Chapter 675 of NRS) **Section 5.3** of this bill authorizes a person who contracts with the Department to make loans to apply for a license for a place of business located outside this State. **Section 5.7** of this bill additionally authorizes such a person to conduct the business of making loans within any office, suite, room or place of business in which any other business is solicited or engaged in.

Existing law requires the Department to conduct a pilot program to gather data on the annual vehicle miles traveled by certain vehicles registered in this State. (NRS 482.2175) As part of the pilot program, existing law requires the owners of certain motor vehicles to report the mileage shown on the odometer of the motor vehicle and certain other information required by the Department at the time of initial registration, renewal of registration and transfer of registration, if applicable. (NRS 482.2177) Under existing law, the provisions providing for the pilot program expire by limitation on December 31, 2026. (Section 7 of chapter 498, Statutes of Nevada 2019, at page 3006) **Section 6** of this bill eliminates the provision of law providing for the expiration of the pilot program, thereby requiring the continuation of the pilot program beyond December 31, 2026.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 481.055 is hereby amended to read as follows:

(6) Rebuilders;
(7) Salespersons; and
(8) Vehicle transporters.

(f) The issuance of registration credentials pursuant to NRS 482.217.

4. The Department shall not conduct a transaction through the electronic branch office which state or federal law specifically requires to be conducted in person or accept documentation through the electronic branch office which state or federal law specifically requires to be presented in original form.

5. If the Department provides the ability to register or renew the registration of vehicles through an electronic branch office consisting of an Internet website or software application, the Department shall contract with a person who is licensed pursuant to chapter 675 of NRS to allow the person to offer, through the website or application, installment loans to vehicle owners to pay the applicable fees and taxes due for the initial or renewal registration of a vehicle, including, without limitation, governmental services taxes, sales and use taxes due pursuant to NRS 482.225, fees for license plates and registration fees. The person with whom the Department contracts pursuant to this subsection:

(a) Must furnish to the Department, at the time of the initial or renewal registration of a vehicle, the entire amount of the fees and taxes owed by the vehicle owner to whom an installment loan is provided;

(b) Shall not charge the vehicle owner an annual percentage rate with respect to the loan;

(d) May only provide a loan pursuant to this subsection if the total amount financed is $250 or more.

Sec. 2. Chapter 482 of NRS is hereby amended by adding thereto a new section to read as follows:

1. The Director may authorize the use of digital license plates in accordance with this section upon application by a person who otherwise complies with the requirements for registration and licensing pursuant to this chapter.

2. The use of a digital license plate must be voluntary and the Department shall not require any person to use or install a digital license plate or digital license plate device.

3. All digital license plates authorized for use pursuant to this section must:

(a) Display the license plate code assigned to the vehicle by the Department and evidence of valid registration at all times, including, without limitation, when the vehicle is in motion, stationary, parked or unoccupied.

(b) Be plainly readable by the human eye from a distance of 100 feet during daylight and darkness.

(c) By regulation, restrict the types or classes of vehicles for which the Department will authorize the use of a digital license plate.

5. The Department may authorize digital license plates to replicate the appearance of a license plate type other than a standard license plate. If the Department authorizes a digital license plate to replicate the appearance of a special license plate, the Department shall charge for the use or renewal of a digital license plate which replicates the appearance of a special license plate the same fees which are charged for the conventional version of the special license plate. Any such fee which is imposed to generate financial support for a particular cause or charitable organization must be deposited

and distributed in the same manner as the fee imposed with respect to the conventional version of the special license plate. A digital license plate which replicates the appearance of a special license plate is valid for the same length of time as the conventional version of the special license plate. The Department may cease the use of digital license plates which replicate the appearance of a special license plate which the Department no longer issues in conventional form. If the owner of a vehicle does not renew the digital license plate which replicates the appearance of a special license plate or the Department has ceased the use of the digital license plate which replicates the appearance of a special license plate previously used by the owner of a vehicle, the owner of a vehicle may continue to use a digital license plate which does not replicate the appearance of the special license plate.

6. The Department may authorize a digital license plate to replicate the appearance of a personalized prestige license plate issued pursuant to NRS 482.3667 by displaying a personalized license plate code. The Department shall charge for the use of a digital license plate that replicates the appearance of a personalized prestige license plate the same fees which are charged for the issuance and renewal of a conventional personalized license plate. A digital license plate which replicates the appearance of a personalized prestige license plate is valid for the same length of time as a conventional personalized prestige license plate as provided in NRS 482.3667. Any fees collected pursuant to this subsection must be deposited with the State Treasurer to the credit of the Motor Vehicle Fund. The provisions of subsections 5, 6 and 7 of NRS 482.3667 apply with equal force to a digital license plate which replicates the appearance of a personalized prestige license plate.

7. The Department shall not charge any fee for the use of a digital license plate or digital license plate device in excess of the fees charged for a conventional license plate of the same type.

8. The Department shall adopt regulations:

(a) Prescribing standards for the personally identifiable information which may be stored on a digital license plate or digital license plate device, which must be limited to that information which is deemed necessary by the Department to display evidence of registration compliance or for the manufacturer or vendor to provide services to the owner of a digital license plate device.

(b) Prescribing standards governing the use of digital license plates and digital license plate devices, including, without limitation:

(1) Protocols for data sharing, privacy and security.

(2) Information which must be displayed on a digital license plate.

(4) The list of digital license plate devices which are approved for use pursuant to this section.

(5) The procedure through which a person may apply to use a digital license plate.

9. All provisions of this title relating to license plates apply to digital license plates and digital license plate devices except:

(a) As otherwise specifically provided;

(b) As to those provisions which, owing to the physical differences between digital license plates or digital license plate devices and conventional license plates, can have no application;

(c) Provisions requiring the return or surrender of license plates to the Department do not require the return or surrender of a digital license plate device which was not purchased from the Department; and

(d) The provisions of NRS 482.270 do not apply to a digital license plate or digital license plate device.

10. As used in this section:

(a) "Digital license plate" means a digital image displayed on a digital license plate device that includes the license plate code assigned to the vehicle and any other information or images which the Department may authorize or require by regulation.

(b) "Digital license plate device" means an electronic device capable of:

(1) Being mounted to a motor vehicle in accordance with the requirements for motor vehicle license plates; and

(c) "License plate code" means the unique combination of numbers, letters or both numbers and letters appearing on the face of a license plate.

(d) "Special license plate" means a special license plate issued pursuant to NRS 482.3667 to 482.3823, inclusive.

Sec. 3. NRS 482.265 is hereby amended to read as follows:

482.265 1. ~~[The]~~ ***Except as otherwise provided in subsection 5, the*** Department shall furnish to every owner whose vehicle is registered two license plates for a motor vehicle other than a motorcycle or moped and one license plate for all other vehicles required to be registered hereunder. Except as otherwise provided in NRS 482.2085 and 482.2155, ***or unless unnecessary because a digital license plate has been authorized for use on the vehicle,*** upon renewal of registration, the Department may issue one or more license plate stickers, tabs or other suitable devices in lieu of new license plates.

2. The Director shall have the authority to require the return to the Department of all number plates upon termination of the lawful use thereof by the owner under this chapter.

3. Except as otherwise specifically provided by statute, for the issuance of each special license plate authorized pursuant to this chapter:

(a) The fee to be received by the Department for the initial issuance of the special license plate is $35, exclusive of any additional fee which may be added to generate funds for a particular cause or charitable organization;

(b) The fee to be received by the Department for the renewal of the special license plate is $10, exclusive of any additional fee which may be added to generate financial support for a particular cause or charitable organization; and

(c) The Department shall not design, prepare or issue a special license plate unless, within 4 years after the date on which the measure authorizing the issuance becomes effective, it receives at least 250 applications for the issuance of that plate.

4. The provisions of subsection 3 do not apply to NRS 482.37901.

5. If, at the time of registration, the owner of a vehicle applies to use a digital license plate on the vehicle pursuant to section 2 of this act, the Department is not required to furnish a license plate to the vehicle owner pursuant to subsection 1. If the owner of a vehicle applies to use a digital license plate on a vehicle for which a license plate was previously issued by the Department, the Department may require the return to the Department of the license plate or plates previously issued for the vehicle.

Sec. 4. NRS 482.267 is hereby amended to read as follows:

482.267 1. Sec. 5. NRS 482.275 is hereby amended to read as follows:

(a) The digital license plate device must be attached to the motor vehicle in the rear; and

(b) No license plate is required to be attached to the motor vehicle in the front.

4. The provisions of subsection 2 do not relieve the Department of the duty to issue a set of two license plates as otherwise required pursuant to NRS 482.265 or other applicable law and do not entitle the owner of a motor vehicle to pay a reduced tax or fee in connection with the registration or transfer of the motor vehicle. If the owner of a motor vehicle, in accordance with the provisions of subsection 2, exercises the option to attach a license plate only to the rear of the motor vehicle, the owner shall:

(a) Retain the other license plate; and

(b) Insofar as it may be practicable, return or surrender both plates to the Department as a set when required by law to do so.

3. A person may apply for a license for an office or other place of business located outside this State from which the applicant will conduct business in this State if:

Amendment adopted.

The following amendment was proposed by Assemblymember Watts:

Amendment No. 889.

AN ACT relating to motor vehicles; requiring the Department of Motor Vehicles to contract with a person who makes installment loans to pay the fees and taxes due for the initial or renewal registration of a vehicle; prescribing certain requirements for such installment loans; authorizing the Director of the Department to authorize the use of digital license plates; providing requirements governing the use of digital license plates; revising the applicability of certain provisions governing installment lenders to a lender who contracts with the Department; extending the **prospective expiration of the** pilot program to gather data about annual vehicle miles traveled by certain vehicles registered in this State; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the Department of Motor Vehicles to establish electronic branch offices consisting of an Internet website or software application through which the Department may conduct transactions that have been designated by the Director of the Department as suitable to be conducted through electronic means. (NRS 481.055) If the Department provides the ability to register or renew the registration of a vehicle through such an electronic branch office, **section 1** of this bill requires the Department to contract with a person who is licensed in this State to make installment loans

to allow the person, through the electronic branch office, to offer installment loans to vehicle owners to pay the applicable fees and taxes that are due for the initial or renewal registration of a vehicle. **Section 1**: (1) requires the person to furnish to the Department the entire amount of the fees and taxes owed by vehicle owners for the registration and renewal of registration; (2) prohibits such a person from charging interest on an installment loan or collecting an initial installment fee in excess of $10 or a monthly installment fee in excess of $5 each month; ~~[and]~~ (3) prohibits the making of loans less than $250~~.~~ ~~[.]~~ **; and (4) prohibits the person from rolling over or refinancing any installment loan made pursuant to section 1 into any other loan to the vehicle owner.**

Existing law requires the Department to furnish license plates to every owner whose vehicle is registered and sets forth the manner in which such license plates must be displayed on a vehicle. (NRS 482.265) **Section 2** of this bill authorizes the Director to permit the use of digital license plates by a person who otherwise complies with the requirements for registration and licensing. **Section 2** requires a digital license plate to: (1) display the license plate code assigned to the vehicle and evidence of valid registration at all times; (2) meet certain requirements for visibility; (3) be displayed on a digital license plate device that has been approved by the Department and purchased from a vendor approved by the Department; and (4) display only information and images required or authorized by the Department. **Section 2** requires the Department to adopt regulations relating to the issuance and use of digital license plates, including the personally identifiable information that may be stored on a digital license plate or digital license plate device. **Section 2** authorizes the Department to take certain additional actions with respect to digital license plates, including: (1) approving banner messages to appear on the bottom of a digital license plate; (2) restricting the types or classes of vehicles for which a digital license plate may be used; (3) authorizing the sale or resale of digital license plate devices; and (4) authorizing digital license plates to replicate the appearance of certain special license plates or personalized prestige license plates. **Section 2** prohibits the Department from charging a fee for digital license plates that exceeds the fee charged for a conventional plate of the same type. **Section 3** of this bill provides that the Department is not required to furnish license plates to a person who applies to use a digital license plate and authorizes the Department to require the return of license plates which were previously issued for the vehicle.

Existing law requires the Director to utilize the facility for the production of license plates which is located at the Department of Corrections to produce all license plates required by the Department. (NRS 482.267) **Section 4** of this bill creates an exception from this requirement for the use of digital license plates.

Section 5 of this bill requires a digital license plate device, which is an electronic device capable of displaying a digital license plate, to be attached to the rear of a motor vehicle. If a digital license plate has been authorized for

use, **section 5** also excuses the requirement to attach a license plate to the front of the vehicle.

Existing law establishes a procedure for the licensing of persons engaged in the business of making and collecting on installment loans. (Chapter 675 of NRS) **Section 5.3** of this bill authorizes a person who contracts with the Department to make loans to apply for a license for a place of business located outside this State. **Section 5.7** of this bill additionally authorizes such a person to conduct the business of making loans within any office, suite, room or place of business in which any other business is solicited or engaged in.

Existing law requires the Department to conduct a pilot program to gather data on the annual vehicle miles traveled by certain vehicles registered in this State. (NRS 482.2175) As part of the pilot program, existing law requires the owners of certain motor vehicles to report the mileage shown on the odometer of the motor vehicle and certain other information required by the Department at the time of initial registration, renewal of registration and transfer of registration, if applicable. (NRS 482.2177) Under existing law, the provisions providing for the pilot program expire by limitation on December 31, 2026. (Section 7 of chapter 498, Statutes of Nevada 2019, at page 3006) **Section 6** of this bill ~~[eliminates the provision of law providing for]~~ **extends** the **prospective** expiration of the pilot program ~~[, thereby requiring the continuation of the pilot program beyond]~~ **until** December 31, ~~[2026.]~~ **2030.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Assembly Bill No. 402.

Bill read third time.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 858.

AN ACT relating to public safety; creating a pilot program authorizing the Department of Transportation, a local authority and a regional transportation commission to allow the installation and use of an automated traffic

enforcement system to enforce certain provisions of law; requiring a peace officer of a traffic enforcement agency having jurisdiction over the location of an automated traffic enforcement system to review certain evidence detected by the automated traffic enforcement system before a citation is issued; establishing requirements relating to the issuance of a civil infraction citation based on evidence detected by an automated traffic enforcement system; creating a rebuttable presumption that the registered owner of a vehicle is the driver of the vehicle at the time of a violation detected by an automated traffic enforcement system; requiring the Department to annually compile and submit certain information to the Director of the Legislative Counsel Bureau; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law prohibits a governmental entity or any agent thereof from using photographic, video or digital equipment to gather evidence in order to issue a traffic citation or civil infraction citation, unless the equipment is: (1) a portable camera or event recording device worn or held by a peace officer; (2) installed within a vehicle or facility of a law enforcement agency; or (3) privately owned by a nongovernmental entity. (NRS 484A.600) **Sections 2.1-2.7** of this bill provide an exception to this prohibition and create a pilot program authorizing the Department of Transportation, a local authority and a regional transportation commission to allow for the installation and use of an automated traffic enforcement system to enforce certain speed limits in temporary traffic control zones under certain circumstances. **Section 2.2** sets forth the conditions for the installation and use of an automated traffic enforcement system **and for contracting for such installation and use** and requires an entity which installs such a system to, among other things, carry out a public information campaign before commencing any enforcement.

Section 2.3 requires a peace officer of a traffic enforcement agency with jurisdiction over the location of the automated traffic enforcement system to review the evidence of a violation detected by an automated traffic enforcement system before a civil infraction citation is issued. **Section 2.3** also establishes requirements for the contents and delivery of a civil infraction citation issued based upon evidence collected by an automated traffic enforcement system. Finally, **section 2.3** creates a rebuttable presumption that the registered owner of a vehicle is the driver of the vehicle at the time of a violation detected by an automated traffic enforcement system and provides a method for rebutting this presumption.

Section 2.4 establishes requirements for the storage and transmission of any photograph, recorded image or data created by an automated traffic enforcement system. **Section 2.4** also prohibits any entity that manufactures, maintains, produces or provides an automated traffic enforcement system or related services for sale or lease to this State or any political subdivision of this State from contracting to receive payment on the basis of the number of citations issued.

Section 2.6 provides that a violation detected by an automated traffic enforcement system is not a moving traffic violation but is punishable by a civil penalty not to exceed $200. **Section 2.6** also requires that any funds collected from such civil infractions in excess of the cost and maintenance of the automated traffic enforcement systems be apportioned by the board of county highway commissioners for certain expenses.

Section 2.7 requires the Department, a local authority and a regional transportation commission who authorize the installation and use of an automated traffic enforcement system to annually compile certain information and report it to the Director of the Legislative Counsel Bureau for transmittal to the Joint Interim Standing Committee on Growth and Infrastructure.

Section 2.8 of this bill prohibits an employer from considering a civil infraction citation issued to an employee pursuant to section 2.3 for the purpose of progressive discipline against such an employee.

Sections 1, 4 and 5 of this bill make conforming changes to: (1) exclude traffic violations detected by an automated traffic enforcement system from the assessment of demerit points; and (2) provide for the issuance of civil infraction citations for violations detected by an automated traffic enforcement system. **Section 5** of this bill also extends the time to respond to such a citation to 120 days.

Existing law provides that before a hearing to contest the determination that a person has committed a civil infraction, the person is required to post a bond equal to the amount of the full payment of the monetary penalty, the administrative assessment and any fees specified in the civil infraction citation. (NRS 484A.7041) **Section 6** of this bill limits the amount of a bond for a civil infraction citation issued for a violation described in **section 2.2** to an amount not to exceed $100. **Section 8** of this bill provides that the pilot program expires by limitation on June 30, 2029.

3. The system must be uniform in its operation, and the Department shall set up a schedule of demerits for each traffic violation, depending upon the gravity of the violation, on a scale of one demerit point for a minor violation of any traffic law to eight demerit points for an extremely serious violation of the law governing traffic violations. If a conviction of two or more traffic violations committed on a single occasion is obtained, points must be assessed for one offense or civil infraction, and if the point values differ, points must be assessed for the offense or civil infraction having the greater point value. Details of the violation must be submitted to the Department by the court where the conviction or finding is obtained. The Department may provide for a graduated system of demerits within each category of violations according to the extent to which the traffic law was violated.

4. Before commencing any enforcement, including the issuance of a civil infraction citation pursuant to NRS 484A.7035 for a violation described in this section, the Department, a local authority or a regional transportation commission as defined in NRS 482.1825 that installs an automated traffic enforcement system shall establish and carry out a public information campaign to:

4. A hearing conducted pursuant to this section must be conducted by the court without a jury. In lieu of the personal appearance at the hearing by the peace officer who issued the civil infraction citation, the court may consider the information contained in the civil infraction citation and any other written statement submitted under oath by the peace officer. If the court has established a system pursuant to NRS 484A.615, the peace officer may, if authorized by the court, use the system to submit such a statement. The person named in the civil infraction citation may subpoena witnesses, including, without limitation, the peace officer who issued the citation, and has the right to present evidence and examine witnesses present in court.

5. After consideration of the evidence and argument, the court shall determine whether a civil infraction was committed by the person named in the civil infraction citation. The court must find by a preponderance of the evidence that the person named in the civil infraction citation committed a civil infraction. If it has not been established by a preponderance of the evidence that the infraction was committed by the person named in the citation, the court must enter an order dismissing the civil infraction citation in the court's records. If it has been established by a preponderance of the evidence that the infraction was committed, the court must enter in the court's records an order pursuant to NRS 484A.7043.

6. An appeal from the court's determination or order may be taken in the same manner as any other civil appeal from a municipal court or justice court, as applicable, except that:

(a) The notice of appeal must be filed not later than 7 calendar days after the court enters in the court's records an order pursuant to NRS 484A.7043;

(b) If the appellant is the person charged with the civil infraction, any bond required to be given by the appellant in order to secure a stay of execution of the order of the court during the pendency of the appeal must equal the amount of the monetary penalty and administrative assessments which the court has ordered the appellant to pay pursuant to NRS 484A.7043. Any bond must be forfeited if the order of the court is affirmed on appeal; and

(c) If a prosecuting attorney does not represent the plaintiff during the proceedings in the justice court or municipal court, the appellate court shall review the record and any arguments presented by the person charged with the civil infraction and render a decision.

Sec. 7. The provisions of subsection 1 of NRS 218D.380 do not apply to any provision of this act which adds or revises a requirement to submit a report to the Legislature.

Sec. 8. This act becomes effective on July 1, 2025, and expires by limitation on June 30, 2029.

Amendment adopted.

The following amendment was proposed by Assemblymember Torres-Fossett:

Amendment No. 879.

AN ACT relating to public safety; creating a pilot program authorizing the Department of Transportation, a local authority and a regional transportation commission to allow the installation and use of an automated traffic enforcement system to enforce certain provisions of law; requiring a peace officer of a traffic enforcement agency having jurisdiction over the location of an automated traffic enforcement system to review certain evidence detected by the automated traffic enforcement system before a citation is issued; establishing requirements relating to the issuance of a civil infraction citation based on evidence detected by an automated traffic enforcement system; creating a rebuttable presumption that the registered owner of a vehicle is the driver of the vehicle at the time of a violation detected by an automated traffic enforcement system; requiring the Department to annually compile and submit certain information to the Director of the Legislative Counsel Bureau; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law prohibits a governmental entity or any agent thereof from using photographic, video or digital equipment to gather evidence in order to issue a traffic citation or civil infraction citation, unless the equipment is: (1) a portable camera or event recording device worn or held by a peace officer; (2) installed within a vehicle or facility of a law enforcement agency; or (3) privately owned by a nongovernmental entity. (NRS 484A.600) **Sections 2.1-2.7** of this bill provide an exception to this prohibition and create a pilot program authorizing the Department of Transportation, a local authority and a regional transportation commission to allow for the installation and use of an automated traffic enforcement system to enforce certain speed limits in temporary traffic control zones under certain circumstances. **Section 2.2** sets forth the conditions for the installation and use of an automated traffic enforcement system and requires an entity which installs such a system to, among other things, carry out a public information campaign before commencing any enforcement.

Section 2.3 requires a peace officer of a traffic enforcement agency with jurisdiction over the location of the automated traffic enforcement system to review the evidence of a violation detected by an automated traffic enforcement system before a civil infraction citation is issued. **Section 2.3** also establishes requirements for the contents and delivery of a civil infraction citation issued based upon evidence collected by an automated traffic enforcement system. Finally, **section 2.3** creates a rebuttable presumption that the registered owner of a vehicle is the driver of the vehicle at the time of a violation detected by an automated traffic enforcement system and provides a method for rebutting this presumption.

Section 2.4 establishes requirements for the storage and transmission of any photograph, recorded image or data created by an automated traffic enforcement system. **Section 2.4** also prohibits any entity that manufactures, maintains, produces or provides an automated traffic enforcement system or related services for sale or lease to this State or any political subdivision of this State from contracting to receive payment on the basis of the number of citations issued.

Section 2.6 provides that a violation detected by an automated traffic enforcement system is not a moving traffic violation but is punishable by a civil penalty not to exceed $200. **Section 2.6** also requires that any funds collected from such civil infractions in excess of the cost and maintenance of the automated traffic enforcement systems be apportioned by the board of county highway commissioners for certain expenses.

Section 2.7 requires the Department, a local authority and a regional transportation commission who authorize the installation and use of an automated traffic enforcement system to annually compile certain information and report it to the Director of the Legislative Counsel Bureau for transmittal to the Joint Interim Standing Committee on Growth and Infrastructure.

Sections 1, 4 and 5 of this bill make conforming changes to: (1) exclude traffic violations detected by an automated traffic enforcement system from the assessment of demerit points; and (2) provide for the issuance of civil infraction citations for violations detected by an automated traffic enforcement system. **Section 5** of this bill also extends the time to respond to such a citation to 120 days.

Existing law provides that before a hearing to contest the determination that a person has committed a civil infraction, the person is required to post a bond equal to the amount of the full payment of the monetary penalty, the administrative assessment and any fees specified in the civil infraction citation. (NRS 484A.7041) **Section 6** of this bill limits the amount of a bond for a civil infraction citation issued for a violation described in **section 2.2** to an amount not to exceed $100. **Section 8** of this bill provides that the pilot program expires by limitation on June 30, 2029.

The system must be based on the accumulation of demerits during a period of 12 months.

3. The system must be uniform in its operation, and the Department shall set up a schedule of demerits for each traffic violation, depending upon the gravity of the violation, on a scale of one demerit point for a minor violation of any traffic law to eight demerit points for an extremely serious violation of the law governing traffic violations. If a conviction of two or more traffic violations committed on a single occasion is obtained, points must be assessed for one offense or civil infraction, and if the point values differ, points must be assessed for the offense or civil infraction having the greater point value. Details of the violation must be submitted to the Department by the court where the conviction or finding is obtained. The Department may provide for a graduated system of demerits within each category of violations according to the extent to which the traffic law was violated.

Sec. 2. Chapter 484A of NRS is hereby amended by adding thereto the provisions set forth as sections 2.1 to 2.7, inclusive, of this act.

Sec. 2.1. ***As used in sections 2.1 to 2.7, inclusive, of this act, unless the context otherwise requires, "automated traffic enforcement system" means a manned or unmanned stationary electronic or digital system which creates a photograph or other recorded image of a vehicle and vehicle license plate which is used as evidence of a violation of a traffic law by the driver of the vehicle. Sec. 2.2. ***1. The Department of Transportation, a local authority and a regional transportation commission as defined in NRS 482.1825 may, except as otherwise provided in subsection 3, authorize the installation and use of an automated traffic enforcement system to enforce any rate of speed which is 10 miles per hour or more over the posted speed limit:***

(a) A statement that an automated traffic enforcement system is in use;

(b) A statement of the speed limit; and

(c) A display which alerts drivers of their current speed.

3. Before commencing any enforcement, including the issuance of a civil infraction citation pursuant to NRS 484A.7035 for a violation described in this section, the Department, a local authority or a regional transportation commission as defined in NRS 482.1825 that installs an automated traffic enforcement system shall establish and carry out a public information campaign to:

(a) Raise public awareness of the proposed use of an automated traffic enforcement system not less than 30 days before commencing any enforcement; and

(b) Inform the public of the date upon which enforcement will begin.

Sec. 2.3. *1. Before a civil infraction citation is issued pursuant to NRS 484A.7035 for a violation described in section 2.2 of this act, the evidence of the violation from the automated traffic enforcement system must be reviewed for accuracy by a peace officer of a traffic enforcement agency with jurisdiction over the location of the automated traffic enforcement system.*

2. If after reviewing the evidence described in subsection 1, the peace officer determines that a violation described in section 2.2 of this act occurred, the peace officer shall cause a civil infraction citation to be issued pursuant to NRS 484A.7035. The citation must be sent by the traffic enforcement agency described in subsection 1 or its designee by first class mail to the address listed with the Department of Motor Vehicles for the registered owner of the vehicle identified by the automated traffic enforcement system.

3. A manual or automated record prepared by a traffic enforcement agency described in subsection 1 or its designee in the ordinary course of business shall be prima facie evidence of mailing and service, and is admissible in any hearing as to the facts contained in the civil infraction citation.

5. The registered owner of a vehicle is presumed to be the driver of the vehicle at the time of a violation described in section 2.2 of this act was detected by an automated traffic enforcement system. Such an inference may be rebutted if the registered owner of the vehicle presents as evidence at a hearing held pursuant to subsection 3 of NRS 484A.704, an affidavit stating:

Sec. 2.5. *The provisions of sections 2.1 to 2.7, inclusive, of this act do not prohibit a peace officer from issuing a citation for a violation of any law of this State at the place where an automated traffic enforcement system is installed and in use if the peace officer witnesses a violation. A person who is issued a citation by a peace officer pursuant to this section must not be issued a civil infraction citation based on evidence from the automated traffic enforcement system for the same violation for which the peace officer issued the person the citation.*

Sec. 2.6. *1. A violation described in section 2.2 of this act for which a civil infraction citation is issued pursuant to NRS 484A.7035:*

(a) Is not a moving traffic violation under NRS 483.473; and

(b) Is punishable by a civil penalty pursuant to NRS 484A.7043, not to exceed $200.

2. Any remaining funds may be apportioned by the board of county highway commissioners to the road funds of the county, as applicable, to be expended as described in NRS 403.470.

6. As used in this section:

Assembly Bill No. 467.

Bill read third time.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 862.

AN ACT relating to mental health; authorizing the creation of a facility for the treatment of incompetent defendants within certain county jails or detention facilities; authorizing the establishment of a program to provide certain services to an incompetent defendant outside of a forensic facility;

requiring a clinical review to determine the appropriate placement of an incompetent defendant; requiring the Division of Child and Family Services of the Department of Health and Human Services to immediately accept placement of a child in a division facility when a juvenile court orders such acceptance of the child; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law prohibits a defendant from being tried or judgment pronounced for a public offense while the defendant is incompetent. (NRS 178.400) Existing law also requires a court to suspend criminal proceedings against a defendant if doubt arises as to the competence of the defendant until the question of competence is determined. (NRS 178.405) After a court determines that a defendant is incompetent, existing law requires a judge to order the defendant into the custody of the Administrator of the Division of Public and Behavioral Health of the Department of Health and Human Services or the Administrator's designee for treatment at a secure mental health facility of the Division. (NRS 178.425)

Under certain circumstances, **section 3** of this bill authorizes the Administrator to enter into a contract with an organization that provides mental health services to the community to operate a facility for the treatment of defendants to competency in a county jail or detention facility in a county whose population is 100,000 or more (currently Clark and Washoe Counties). **Section 3** additionally authorizes the Administrator to establish a program to provide services for the treatment of defendants to competency and the reintegration of such defendants into society at a location other than a forensic facility. **Sections 3 and 5** of this bill authorize a court to commit an incompetent defendant to such a facility or program under the same circumstances where the court is authorized to commit an incompetent defendant to a division facility ~~[.]~~ **after a clinical review.** **Section 9** of this bill requires a defendant who has attained competence after being committed to a facility for the treatment of defendants to competency established in a county jail or detention facility or through a program to provide services for the treatment of defendants to competency and the reintegration of such defendants into society at a location other than a forensic facility to be discharged from the treatment facility within the jail or detention facility or to have his or her services through the program terminated, as applicable. **Section 13** of this bill applies the provisions of **section 3** to persons who have been court-martialed for violations of the Nevada Code of Military Justice. (NRS 412.196-412.584) **Section 4** of this bill applies certain definitions to **section 3**. **Section 7** of this bill revises certain terminology to more accurately reflect the required contents of certain periodic reports of the Administrator or the Administrator's designee concerning an incompetent defendant. **Section 9.5 of this bill updates a reference in conformance with section 5.**

Existing law authorizes a juvenile court that determines that a child in a case before the court is incompetent to require a treatment facility of the Division of Child and Family Services of the Department to accept and provide services

to the child. (NRS 62D.180, 62D.185) If the administrative officer of the facility or the administrative officer's designee has determined that the treatment available at the facility is not appropriate or necessary for the child, existing law requires the administrative officer or the administrative officer's designee to assist the court with identifying a facility that has the appropriate or necessary treatment. (NRS 433B.320) If a court orders a treatment facility to accept and provide services to a child, **section 20** of this bill requires the administrative officer of the facility or the administrative officer's designee to: (1) accept placement of the child in the facility; and (2) if the facility is not best situated to treat the child, to ensure that the child receives treatment at the facility, within the capabilities of the facility, while a more suitable facility is found.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

~~[3.]~~ ***4.*** If the court finds the defendant incompetent but not dangerous to himself or herself or to society, and finds that commitment is not required for a determination of the defendant's ability to receive treatment to competency and to attain competence, the judge shall order the defendant to report to the Administrator or the Administrator's designee as an outpatient for treatment, if it might be beneficial, and for a determination of the defendant's ability to receive treatment to competency and to attain competence. The court may require the defendant to give bail for any periodic appearances before the Administrator or the Administrator's designee.

Administrator's designee or, if the defendant is charged with a misdemeanor, the judge finds the defendant capable of standing trial or opposing pronouncement of judgment as provided in NRS 178.400.

~~[5.]~~ ***6.*** Whenever the defendant has been found incompetent, with no substantial probability of attaining competency in the foreseeable future, and released from custody or from obligations as an outpatient pursuant to paragraph (d) of subsection 4 of NRS 178.460, the proceedings against the defendant which were suspended must be dismissed. No new charge arising out of the same circumstances may be brought except upon application by the prosecuting attorney to the chief judge of the district court, or his or her designee, and with leave of the court where:

(b) The State has a compelling interest in bringing charges again; and

(c) The period, equal to the maximum time allowed by law for commencing a criminal action for the crime with which the defendant was charged, has not lapsed since the date of the alleged offense.

➥ The prosecuting attorney must give notice of an application made pursuant to this subsection to the attorney for the defendant not less than 24 hours before the hearing on the application.

The Administrator or the Administrator's designee shall report in writing to a judge of the court which committed the person and the prosecuting attorney of the county or city to which the person may be returned for further court action whether, in his or her opinion, upon medical consultation, the defendant is of sufficient mentality to be able to understand the nature of the criminal charge against the defendant and, by reason thereof, is able to aid and assist counsel in the defense interposed upon the trial or against the pronouncement of the judgment thereafter. The Administrator or the Administrator's designee shall submit such a report, in the case of a person charged or convicted of a misdemeanor, within 3 months after the order for

commitment or treatment and evaluation as an outpatient or for recommitment pursuant to paragraph (b) of subsection 4 of NRS 178.460, and at monthly intervals thereafter. In all other cases, the initial report must be submitted within 6 months after the order and at 6-month intervals thereafter. If the opinion of the Administrator or the Administrator's designee is that the defendant is not of sufficient mentality to understand the nature of the charge against the defendant and assist in the defendant's own defense, the Administrator or the Administrator's designee shall also include in the report his or her opinion whether:

(a) There is a substantial probability that the defendant can receive treatment to competency and will attain competency to stand trial or receive pronouncement of judgment in the foreseeable future; and

(b) The defendant is at that time a danger to himself or herself or to society.

3. The report must contain:

(a) The name of the defendant and the county or city to which the defendant may be returned for further court action.

Sec. 8. (Deleted by amendment.)

Sec. 9. NRS 178.460 is hereby amended to read as follows:

178.460 1. If requested by the district attorney or counsel for the defendant within 10 days after the report by the Administrator or the Administrator's designee is sent to them, the judge shall hold a hearing within 10 days after the request at which the district attorney and the defense counsel may examine the members of the treatment team on their report.

2. If the judge orders the appointment of a licensed psychiatrist or psychologist who is not employed by the Division to perform an additional evaluation and report concerning the defendant, the cost of the additional evaluation and report is a charge against the county.

3. Within 10 days after the hearing or 10 days after the report is sent, if no hearing is requested, the judge shall make and enter a finding of competence or incompetence, and if the judge finds the defendant to be incompetent:

(c) Incompetent, but there is a substantial probability that the defendant can receive treatment to competency and will attain competency to stand trial or receive pronouncement of judgment in the foreseeable future and finds that the defendant is not dangerous to himself or herself or to society, the judge shall order that the defendant remain an outpatient or be transferred to the status of an outpatient under the provisions of NRS 178.425.

(d) Incompetent, with no substantial probability of attaining competency in the foreseeable future, the judge shall order the defendant released from custody or, if the defendant is an outpatient, released from any obligations as an outpatient if, within 10 judicial days, the prosecuting attorney has not filed a motion pursuant to NRS 178.461 or if, within 10 judicial days, a petition is not filed for the involuntary court-ordered admission of the person to a mental health facility pursuant to NRS 433A.200. The Division shall, except as otherwise provided in this subsection, complete the comprehensive risk assessment within 40 calendar days after receipt of the request and provide the comprehensive risk assessment to the court, the prosecuting attorney and counsel for the person. The court may grant the Division an extension to complete the comprehensive risk assessment upon a showing of good cause. Within 10 judicial days after receipt of the comprehensive risk assessment, the court shall hold a hearing on the motion. If the person was charged with any category A felony other than murder or sexual assault or a category B felony listed in subsection 6 and the comprehensive risk assessment indicates that the person does not require the level of security provided by a forensic facility, the court shall dismiss the motion.

(i) Invasion of the home with a deadly weapon pursuant to NRS 205.067;

(j) Any category B felony involving the use of a firearm; and

(k) Any attempt to commit a category A felony.

7. If a person is within 6 months of the maximum length of commitment set forth in this subsection or subsection 4, as applicable, and:

Assembly Bill No. 515.

Bill read third time.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 853.

AN ACT relating to the protection of children; revising provisions relating to certain categorical grants to fund the adoption assistance program; **providing for a study of and the development of a plan for reinvesting certain money; making appropriations;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing federal law requires each child welfare agency to calculate savings realized from expanded eligibility for children under Title IV-E of the Social Security Act, known as "adoption savings," and reinvest an equal amount in the state's child welfare system. (42 U.S.C. § 673(a)(8)(D)) Existing law requires the Division of Child and Family Services of the Department of Health and Human Services to provide a categorical grant to each agency which provides child welfare services in a county whose population is 100,000 or more (currently Clark and Washoe Counties) for each fiscal year for its adoption assistance program. Existing law requires the Division to base the amount of such a categorical grant on the estimated cost of the projected growth in the adoption assistance program. (NRS 432B.219) ~~[This bill requires the Division to additionally base the amount of such a categorical grant on the adoption savings calculated for the immediately preceding fiscal year pursuant to federal law.]~~

Under existing law, any money remaining from such a categorical grant that has not been used or committed for expenditure by the agency by the end of the fiscal year reverts to the State General Fund in most cases. However, existing law provides that the portion of such money remaining at the end of a fiscal year that is identified as adoption savings does not revert until the end of the immediately following fiscal year. Existing law authorizes the agency

which provides child welfare services that received the categorical grant to use that money for any costs of providing child welfare services without restriction during that fiscal year. (NRS 432B.219) ~~[This]~~ **Section 1 of this** bill ~~[authorizes]~~ **instead provides that money awarded through such a categorical grant never reverts to the State General Fund, regardless of whether the money is identified as adoption savings. Additionally, section 1 requires** an agency which provides child welfare services to continue to use such money for ~~[any such]~~ **the** costs **of providing child welfare services. If the money is identified as adoption savings, section 1 requires the money to be used** in a manner consistent with federal law**.** ~~[for an additional fiscal year before the money reverts to the State General Fund.]~~ **Section 2 of this bill defines "Division" for the purposes of sections 3, 4 and 5 of this bill to refer to the Division of Child and Family Services of the Department of Health and Human Services. Sections 3 and 4 appropriate to the Division certain unexpended adoption savings for expenditure in accordance with federal law to provide child welfare services. Section 5 requires the Division and other agencies which provide child welfare services in this State to study and develop a plan for reinvesting unexpended adoption savings.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 432B.219 is hereby amended to read as follows:

432B.219 1. If the capacity of a public school is reduced during the period in which the school district accepts such applications, the board of trustees shall ensure that, not later than 15 days before the earliest date on which decisions on such applications are to be made, there is published on the Internet website maintained by the school district a written explanation of the change in circumstances which necessitated the reduction in capacity.

Legislative Counsel's Digest:

Existing federal regulations require providers of health care and health care facilities that receive funding or certain other assistance from the Federal Government to ensure that communications with persons with disabilities are as effective as communications with persons who do not have disabilities. (45 C.F.R. § 92.202) Those federal regulations: (1) prohibit such providers and facilities from requiring a person with a disability to be accompanied by a person to interpret for him or her; and (2) authorize such providers and facilities to provide qualified interpreters through video remote interpreting services. The Commissioner is also authorized to take such action against other health insurers who fail to provide the coverage required by **sections 43, 46, 48, 50, 51, 53 and 61**. (NRS 680A.200)

Existing law requires certain health insurers, including Medicaid managed care organizations and insurance for state and local governmental employees, to cover hormone replacement therapy to varying degrees. (NRS 287.010, 287.04335, 689A.0415, 689B.0376, 689C.1678, 695A.1875, 695B.1916, 695C.050, 695C.1694, 695G.1717) **Sections 44, 47, 49, 52, 54, 58 and 64** of this bill require such coverage to include coverage of testosterone replacement therapy for menopausal women. **Section 67.5** of this bill requires: (1) ~~[those]~~ **private** insurers to submit to the Commissioner a plan for complying with that

requirement on or before January 1, 2026; and (2) the Commissioner to evaluate those plans and post a bulletin on or before February 1, 2026, stating whether each such insurer is likely to be in compliance with that requirement. **Section 42** of this bill prohibits certain health insurers from denying a request to include a provider of health care in a provider network because the provider of health care is a solo practitioner.

Existing law requires: (1) the board of trustees of each school district and the governing body of each charter school or university school for profoundly gifted pupils to adopt a policy for the prevention and treatment of injuries to the head of a pupil; and (2) the board of trustees of each school district and the governing body of each charter school to adopt a policy concerning safe exposure to the sun. (NRS 392.452, 392.453) **Section 19** of this bill additionally requires the board of trustees of each school district which has more than 100,000 pupils enrolled in its public schools (currently only the Clark County School District) to adopt a policy concerning the prevention of sudden cardiac arrest during the participation of pupils in competitive sports sponsored by a school.

Existing law authorizes a court that finds a child to be in need of protection to place the child in the temporary custody of a public or private agency or institution. (NRS 432B.550) If such a child is placed in the custody of an agency which provides child welfare services and has been diagnosed with a mental or behavioral health condition before or after such placement, **section 22** of this bill requires the agency which provides child welfare services to provide for an independent assessment of the child before the child leaves the custody of the agency which provides child welfare services. **Section 22** provides that this requirement does not apply if a prior assessment conducted after the initial diagnosis has determined that the child no longer has a mental or behavioral health condition. **Sections 7 and 23-25** of this bill make conforming changes to make various provisions governing child welfare proceedings generally applicable to any proceeding related to the provisions of **section 22**. **Section 33.5** of this bill makes a conforming change to require the State Board of Nursing to establish qualifications for an advanced practice registered nurse to conduct an assessment pursuant to **section 22**.

~~[Existing law prohibits certain unfair trade practices. (NRS 598A.060) Existing law requires the notification of the Attorney General not later than 30 days before the consummation of certain mergers, acquisitions or other transactions involving health carriers or group practices of certain practitioners. (NRS 598A.290-598A.430) Sections 26.1, 26.2, 26.5-26.7 and 26.85 of this bill broaden the applicability of that requirement to also include: (1) such transactions involving health care facilities, private providers of emergency medical services and group practices of certain additional practitioners; and (2) certain additional transactions. Sections 26.8 and 26.85 of this bill require the notice to be provided to the Attorney General not later than 60 days, rather than 30 days, before the consummation of the transaction. Section 26.3 of this bill requires the Attorney General, after receiving such~~

~~notice, to: (1) post certain information concerning the transaction on an Internet website maintained by the Attorney General; and (2) hold a public hearing to allow for comment on the transaction from interested persons and the public. Section 26.9 of this bill makes a conforming change to exempt information that section 26.3 requires the Attorney General to post on the Internet from requirements governing the confidentiality of information concerning reportable transactions. Section 26.3 authorizes the Attorney General to require any entity involved in a reportable transaction to submit a report that contains certain additional information about the transaction. Section 26.3 requires the Attorney General to review and approve, deny or impose conditions on the transaction. Section 26.35 of this bill makes consummating a reportable transaction without the approval of the Attorney General or in violation of any condition imposed by the Attorney General an unfair trade practice. The Attorney General would be authorized to bring a civil action against a health carrier or health insurance administrator who violates that prohibition. (NRS 598A.160, 598A.180 598A.210) Additionally, any person or entity who commits such a violation would be subject to criminal and civil penalties. (NRS 598A.170, 598A.280) Section 26.95 of this bill: (1) authorizes the imposition of a civil penalty for a willful violation of sections 26.1 26.3; and (2) provides that a violation of sections 26.1 26.3 or the consummation of a reportable transaction in violation of section 26.35 does not give rise to a private cause of action. Section 26.4 of this bill makes a conforming change to indicate the applicability of certain definitions.]~~

Existing law provides for the regulation of the practices of medicine, nursing and osteopathic medicine by the Board of Medical Examiners, the State Board of Nursing and the State Board of Osteopathic Medicine, respectively. (Chapters 630, 632 and 633 of NRS) **Sections 29, 32 and 35** of this bill: (1) require those boards to adopt regulations prescribing a list of race-based health formulas and race-based care standards that are authorized for use by licensees in this State; (2) prohibit those boards from including on that list any race-based health formula or race-based care standard if there is a race-neutral health formula or race-neutral care standard that has been scientifically validated as being at least as effective for the same purpose; and (3) prohibit a physician, physician assistant, nurse or osteopathic physician from using or authorizing the use of a race-based health formula or race-based care standard that is not included on the list. **Section 65** of this bill requires the Board of Medical Examiners, the State Board of Osteopathic Medicine, the University of Nevada, Reno, School of Medicine and the University of Nevada, Las Vegas, School of Medicine to study disparities in health care access, the provision of health care and health care outcomes.

Legislative Counsel's Digest:

Existing law requires public and private policies of health insurance and health plans regulated under Nevada law to include certain coverage. (NRS 287.010, 287.04335, 422.27172-422.272428, 689A.04033-689A.0465, 689B.0303-689B.0379, 689C.1652-689C.169, 689C.194, 689C.1945, 689C.195, 689C.425, 695A.184-695A.1875, 695A.265, 695B.1901-695B.1948, 695C.050, 695C.1691-695C.176, 695G.162-695G.177) Existing law also requires employers to provide certain benefits for health care to employees, including the coverage required of health insurers, if the employer provides health benefits for its employees. (NRS 608.1555) **Sections 2.3 and 4.3** of this bill provide that certain provisions requiring a policy of individual or group health insurance to include certain coverage are inapplicable to a policy that only provides coverage for a specified disease or illness or that only provides a limited benefit.

Sections 2.7, 4.7-10, 12 ~~[and]~~ , 12.5, 14 ~~[, 16]~~ and 16 of this bill require that certain public and private policies of health insurance and health plans, including Medicaid ~~[,]~~ **but excluding the Public Employees' Benefits Program,** include coverage for habilitative and rehabilitative speech-language pathology as a treatment for stuttering for persons who are less than 26 years of age. **Sections 1, 2.7, 4.7-10, 12 , ~~[and]~~ 14 ~~[, 16]~~ and 16** of this bill additionally prohibit an insurer from imposing a maximum annual limit on the coverage, limiting coverage based on the cause of the stuttering or imposing

medical management techniques on those benefits. **Section 13** of this bill makes a conforming change to require the Director of the Department of Health and Human Services to administer the provisions of **section 16** in the same manner as other provisions relating to Medicaid. **Section 3** of this bill authorizes the Commissioner of Insurance to require that certain policies of health insurance issued by a domestic insurer to a person who resides in another state include the coverage required by **sections 2.3 and 2.7**. **Section 11** of this bill authorizes the Commissioner to suspend or revoke the certificate of a health maintenance organization that fails to comply with the requirements of **section 9**. The Commissioner would also be authorized to take such action against other health insurers who fail to comply with the requirements of **sections 2.7**, **4.7-8 or 12.** (NRS 680A.200)

Amendment No. 859.

AN ACT relating to alcoholic beverages; authorizing a person who operates a brew pub to engage in certain activities concerning the sale of alcoholic beverages; **revising provisions governing the conduct of certain investigations and hearings and the revocation and suspension of certain licenses relating to intoxicating liquor;** ~~[requiring]~~ **revising the manner in**

Legislative Counsel's Digest:

Existing law provides for the licensure and operation of brew pubs in this State. (NRS 369.180, 597.230) Existing law authorizes a person who operates one or more brew pubs to sell at retail malt beverages that are: (1) manufactured on or off the premises of any of the brew pubs for consumption on the premises; and (2) manufactured and sealed in packages on the premises of any of the brew pubs for consumption off the premises. (NRS 597.230) **Section 2** of this bill additionally authorizes a person who operates one or more brew pubs to sell at retail any other alcoholic beverages if the person who operates such a brew pub has obtained any license or permit required to sell alcoholic beverages at retail in the jurisdiction in which the brew pub is located and purchases all such alcoholic beverages from a licensed wholesaler. **Section 2** also authorizes such a person to sell alcoholic beverages, including, without limitation, malt beverages manufactured on or off the premises of one or more of the brew pubs at, with certain exceptions, not more than two retail liquor store locations under the common control of the person if: (1) the person has obtained any license or permit required to sell alcoholic beverages at retail in the jurisdiction in which the retail liquor store location is located; (2) the person purchases all such alcoholic beverages from a licensed wholesaler; (3) **for a retail liquor store location for which the person obtained any license or permit required to sell alcoholic beverages at retail on or after January 1, 2025,** the retail liquor store **location** is not located closer than 1,000 feet to a gaming establishment; and (4) the retail liquor store location is located within the same county as the brew pub, with certain exceptions. As an exception to the limit of two retail liquor store locations set forth in **section 2**, **section 6 of this bill** provides that a person who, on March 31, 2025, holds a license to operate a brew pub and any license or permit to operate three retail liquor store locations under the common control of the person is authorized to engage in the activities authorized by **section 2** at the third location so long as the license for that location is not transferred to another person or location.

Existing law: (1) prohibits a person who operates one or more brew pubs from manufacturing more than 40,000 barrels of malt beverages for all the brew pubs the person operates in this State in a calendar year; and (2) authorizes the person to manufacture and sell 20,000 barrels of malt beverages for all the brew pubs the person operates in this State provided such barrels are sold to a wholesaler located outside of this State. (NRS 597.230) **Section 2** instead authorizes the person to sell the 20,000 barrels of malt beverages either to a wholesaler located outside of this State or, where allowable pursuant to applicable law, to persons residing in states outside of this State. Finally, **section 2** requires a person who operates a brew pub and one or more

commonly controlled retail liquor store locations to comply with certain requirements of the Department of Taxation relating to the recordkeeping and reporting of manufacturing, purchases and receipts of liquor with respect to the brew pub and each retail liquor store location.

Existing law provides for the licensure of persons engaged in various activities relating to intoxicating liquor. (Chapter 369 of NRS) Existing law authorizes the board of county commissioners or the governing body of a city, as applicable, to investigate complaints against a licensee, conduct hearings and recommend to the Department of Taxation, under certain circumstances, the revocation or suspension of a license. (NRS 369.230-369.290) Sections 3.1-3.6 of this bill, in general, provide for the Department to also perform these functions in the same manner as a board of county commissioners or governing body of a city and authorize the Department to revoke or suspend a license without receiving a recommendation from a board of county commissioners or governing body of a city.

Existing law authorizes the Department, under certain circumstances, to issue a summary suspension of the license of a licensee if the Department finds that the licensee is violating any of the provisions of existing law governing intoxicating liquor. (NRS 369.280) Section 3.6 requires the Department, after issuing a summary suspension, to hold a hearing and render a decision regarding whether to issue a final order revoking or refusing to revoke the license of the licensee.

Existing law requires all persons obtaining liquor under any license or permit and all retail liquor dealers to preserve for inspection and audit by the Department of Taxation and its agents, for a period of 4 years, all invoices and lists of liquors purchased or received, specifying certain information relating to those purchases and receipts. (NRS 369.520) **Section 5** of this bill additionally imposes such recordkeeping requirements on all persons manufacturing liquor.

Existing law prohibits a wholesale dealer from selling liquor to a retail liquor store under certain circumstances relating to the timing of payments for the delivery of that liquor. (NRS 369.485) **Section 4** of this bill: (1) **with certain exceptions,** requires payment from a retail liquor store to a wholesale dealer for the delivery of beer, wine or distilled spirits to be made by electronic funds transfer; (2) requires the wholesale dealer to initiate the electronic funds transfer by initiating the withdrawal of funds from the bank account of the retail liquor store; (3) requires the electronic funds transfer to be completed not later than the expiration of the 30th day after the date of delivery of the beer, wine or distilled spirits; and (4) prohibits a wholesale dealer from paying or being required to pay, directly or indirectly, any fees incurred by the retail liquor store for such an electronic funds transfer. **Section 4 also authorizes a retail liquor store to elect to pay for the delivery of beer, wine or distilled spirits by credit card. If a retail liquor store so elects, section 4 requires the retail liquor store to notify the wholesale dealer of the election. The**

retail liquor store is responsible for all costs associated with processing the credit card transaction. Finally, section 4 requires, at the time a wholesale dealer makes a delivery of beer, wine or distilled spirits to a retail liquor store: (1) the wholesale dealer and retail liquor store to review the invoice of the delivery for accuracy; and (2) if the invoice is accurate, the retail liquor store to sign the invoice to confirm the accuracy of the invoice.

Legislative Counsel's Digest:

Existing law imposes a tax on the receipt, purchase or sale in this State of cigarettes and other tobacco products, including, without limitation, cigars and pipe tobacco. (NRS 370.0318, 370.165, 370.350, 370.440, 370.450) Under existing law, the tax on tobacco products, other than cigarettes, is required to be paid by the wholesale dealer who purchased the products from the manufacturer and who distributes the products to a retail dealer in this State. If any tobacco products, other than cigarettes, are authorized by law to be sold directly to a consumer in this State by a person located outside this State, the tax is imposed on the person making the sale and the tax is based on the established price for which the products are sold to the consumer. (NRS 370.440, 370.450)

This bill enacts provisions to provide for the taxation of the remote sale of cigars and pipe tobacco by persons who make sales of cigars and pipe tobacco through any means by which the cigars or pipe tobacco are delivered to the consumer through remote sales. **Sections 2 and 3** of this bill, respectively, define the sales that constitute a remote retail sale and the sellers who are remote retail sellers for the purposes of taxing such remote retail sales of cigars and pipe tobacco. **Section 3.3** of this bill requires the tax for a remote sale of cigars or pipe tobacco to be based on the actual cost of the cigars or pipe tobacco to the remote retail seller, as defined in **section 1.3** of this bill. **Under section 3.3, a remote retail seller is subject to this tax only if the remote retail seller meets certain thresholds for the retail sale of cigars or pipe tobacco to consumers in this State.** **Section 3.4** of this bill provides for the filing of a monthly report of the sales of cigars and pipe tobacco by a remote retail seller in a manner similar to the monthly report for a wholesale dealer of such products, and **section 3.5** of this bill imposes recordkeeping requirements on a remote retail seller of cigars and pipe tobacco that are similar to the recordkeeping requirements for a wholesale dealer of such products. **Sections 3.6-3.9** of this bill provide for the licensing of remote retail sellers of cigars and pipe tobacco in the same manner as wholesale dealers of such products **.** ~~[, including, without limitation, imposing]~~ **Specifically: (1) section 3.65 prohibits the issuance, maintenance or renewal of a license if the applicant or licensee is not registered to collect and remit sales and use tax, is delinquent in the payment of sales and use tax or the tax imposed by section 3.3, or does not comply with certain age-verification requirements; (2) section 3.8 imposes** the same fees for a license ~~[, which are set forth in section 3.8]~~ **that are imposed on similar tobacco licensees;** and ~~[imposing]~~ **(3) section 3.9 imposes** the same bonding requirements ~~[, which are set forth in section 3.9.]~~ **that are imposed on similar tobacco licensees.** **Section 7** of this bill clarifies requirements for wholesale dealers of tobacco products, other than cigarettes, to maintain an inventory of such products by providing that such inventory must be maintained at each location in this State at which the wholesaler maintains a place of business. **Section 12.5 of this bill makes a remote retail seller subject to the penalties that apply under existing law**

to delinquency in the payment of taxes on tobacco products. (NRS 370.523) Section 20 of this bill makes a conforming change to align with existing requirements for the use of an independent, third-party age verification service by remote retail sellers of certain tobacco products. **Section 20.5 of this bill makes a conforming change to ensure premium cigars sold to a remote retail seller are taxed in the same manner as premium cigars sold by other retail sellers in this State. Section 20.7 of this bill makes an appropriation to the Department of Taxation for certain costs to implement the provisions of this bill.**

otherwise disclosed to any person, firm, corporation, agency, association, governmental body, court or other entity.

3. Any information submitted by a person to the Commissioner for any purpose under this chapter shall not be construed as waiving, destroying or otherwise affecting any privilege such person may claim with respect to such information under federal or state law as to any person or entity other than the Commissioner.

The provisions of section 86 of this act apply to the examination of such corporation.*

2. Upon making findings to that end, the Commissioner may order the discontinuance of borrowing or lending, selling or buying of assets, extending credit or guaranteeing obligations of the holding company which has been undertaken without the written approval of the Commissioner.

3. A holding company which controls a payments bank shall not impose any unreasonable supervisory fees upon the payments bank.

Sec. 90. *1. Whenever in connection with an examination it is necessary or expedient that the Commissioner or his or her designee, or both, leave this State, there must be assessed against the organization under examination a fee of not more than the per diem allowance and travel expenses provided for state officers and employees generally for each person*

while outside the State in connection with an examination, together with all actual and necessary expenses.

2. The fee charged must be remitted to the Commissioner. The Commissioner shall adopt regulations establishing the amount of the fee required pursuant to this section.

Sec. 91. *In lieu of making any examination, the Commissioner may accept any examination of any payments bank made by the Board of Governors of the Federal Reserve System, any Federal Home Loan Bank or Federal Reserve Bank, or the Federal Deposit Insurance Corporation, or may examine any such institution in conjunction with the Board of Governors of the Federal Reserve System, a Federal Home Loan Bank or Federal Reserve Bank, or the Federal Deposit Insurance Corporation.*

Sec. 92. *1. Before disclosing or furnishing any document, report or information under this section, the Commissioner must determine that such document, report or information will receive protection from further disclosure comparable to the protections provided by this chapter.*

2. The Commissioner, his or her agents and employees may furnish all or any part of an examination report, work paper, supervisory agreement or directive, order or other information obtained in the conduct of a hearing, investigation or examination under the provisions of this chapter to:

(a) An agency of the Federal Government or of another state empowered to examine or supervise a payments bank, a bank holding company owning a payments bank or a subsidiary of such holding company;

(b) An official empowered to investigate criminal charges subject to legal process, valid search warrant or subpoena, provided that the Commissioner may only furnish that part of any document or report which is necessary and pertinent to the investigation, and the Commissioner may do this only after notifying the affected payments bank and any customer of the payments bank who is named in such part of the document or report ordered to be furnished unless the official requesting the document or report first obtains a waiver of the notice requirement from a court of competent jurisdiction for good cause;

(c) The examined payments bank or holding company thereof;

(d) A receiver or liquidator appointed pursuant to this chapter; or

(e) The court in a proceeding initiated by the Commissioner concerning the payments bank if the Commissioner first provides such notice to the payments bank as will afford the payments bank an opportunity to object or to seek a protective order.

3. Except as otherwise provided in subsections 4 and 5, all documents, reports and information furnished by the Commissioner pursuant to this section remain the property of the Division of Financial Institutions, and no person, agency or authority to whom such documents, reports or information are made available, or any officer, director or employee thereof, may disclose any of the documents, reports or information contained therein, except in

published statistical material that does not disclose the affairs of any natural person or corporation.

4. An examination report made by the Division of Financial Institutions is designed for use in the supervision of a payments bank. The report shall remain the property of the Commissioner and will be furnished to the payments bank solely for its confidential use. The payments bank may disclose the report or relevant portions thereof to any of its directors, officers, employees, agents or affiliates as necessary and appropriate in the conduct of its affairs. Under no circumstances may the payments bank or any of its directors, officers, employees, agents or affiliates disclose or make public in any manner the report or any portion thereof to any person or organization not connected with the payments bank as officer, director, employee, attorney, auditor or candidate for executive office with the payments bank or its holding company. The payments bank may also, after execution of an agreement not to disclose information in the report, disclose the report or relevant portions thereof to a party proposing to acquire or merge with the payments bank.

5. Except for an examination report as provided in subsection 4, a payments bank may disclose any document, report or information provided by the payments bank to the Commissioner and any document, report or information received by the payments bank from the Commissioner to any of its directors, officers, employees, agents or affiliates as necessary and appropriate in the conduct of its affairs.

6. A payments bank, a bank holding company or owning a payments bank or a subsidiary of such a holding company, does not violate this section by complying with a duty to report to the Securities and Exchange Commission, including, without limitation, by disclosing any order of the Commissioner pursuant to such a duty.

Sec. 93. *1. Each payments bank shall, at least once each year, cause its books and accounts to be audited at its own expense by a certified public accountant or firm of such accountants selected by the payments bank and approved by the Commissioner.*

2. The Commissioner may prescribe the scope of the audit.

3. A certified copy of the audit, including the management and internal control letters relating to the audit, must be furnished to the Commissioner.

Sec. 94. *Each payments bank shall pay the assessment levied pursuant to NRS 658.055 and cooperate fully with the audits and examinations performed pursuant thereto.*

Sec. 95. *The Commissioner may after notice and hearing suspend or revoke the charter of any payments bank for:*

1. Repeated failure to abide by the provisions of this chapter or the regulations adopted thereunder.

2. Failure to pay a tax as required pursuant to the provisions of chapter 363A or 363C of NRS.

Sec. 96. *1. If the Commissioner finds as the result of any examination or from any report made to him or her or to any payments bank doing business in this State or from any report made to any of its investors that the payments bank is violating the provisions of its articles of incorporation, charter, bylaws, or any law of this State, or is conducting its business in an unsafe or injurious manner, he or she may by an order addressed to such payments bank direct a discontinuance of such violations or unsafe or injurious practices and a conformity with all the requirements of law.*

2. If a payments bank does not comply with such order, the Commissioner may order the corporate secretary to call a special directors' meeting to consider the matter of noncompliance.

3. The meeting must be held no later than 60 days after issuance of the order to hold the meeting, unless otherwise restrained by court order or by the board. The business of the meeting must be limited to the matter of noncompliance and remedies therefor and the notice of such meeting must set forth in detail the Commissioner's discontinuance order and order to call a directors' meeting.

4. Action taken at the meeting is binding upon the officers of the payments bank.

Sec. 97. *1. A payments bank may reorganize, merge or consolidate with another state or federal bank, national bank, state bank or other insured depository institution, if the reorganization, merger or consolidation is based upon a plan which has been adopted by the board of directors and approved at a regular or special stockholders' meeting which has been called to consider the action. The approval must rest on a favorable vote of a majority of the voting power of the payments bank as established by its articles.*

2. Any such plan for reorganization, merger or consolidation must be approved by the Commissioner. In submitting an application for approval of any such plan, each payments bank proposing to reorganize, merge or consolidate must provide any and all information and other facts which the Commissioner requires for his or her review of the proposed transaction.

3. Unless its action is specifically authorized by or taken in conformity with this chapter, a payments bank may not, directly or indirectly:

(a) Reorganize, merge or consolidate.

(b) Assume liability to pay deposit accounts or other liabilities of any financial institution or any other organization, person or entity.

(c) Transfer assets to any financial institution or any other organization, person or entity in consideration of the transferee's assumption of liability for any portion of the transferor's deposit accounts, deposits or other liability.

(d) Acquire the assets of any financial institution or any other organization, person or entity.

4. Each application which is made under this section must be accompanied by a fee payment of not more than $300. The responsibility for

payment of the fee must be shared equally by the payments banks participating in each proposed plan.

5. The Commissioner shall adopt regulations establishing the amount of the fee required pursuant to this section.

Sec. 98. *1. Except as otherwise provided in this section, a payments bank may go into voluntary liquidation pursuant to the provisions of NRS 78.580 or 86.491.*

2. If the voluntary liquidation of the payments bank results from a vote or agreement of the stockholders or members of the payments bank, a certified copy of all proceedings of the meeting at which that action is taken, verified by the oath of the president or a manager, must be transmitted to the Commissioner for the Commissioner's approval. If the Commissioner approves the liquidation, the Commissioner shall issue to the payments bank, under the Commissioner's seal, a permit for that purpose. No permit may be issued by the Commissioner until the Commissioner is satisfied that provision has been made by the payments bank to satisfy and pay off all depositors and all creditors of the payments bank. If the Commissioner is not satisfied, the Commissioner shall not issue a permit, but the Commissioner may take possession of the payments bank, its assets and business, and liquidate the payments bank in the manner provided by this chapter.

3. When the Commissioner approves the voluntary liquidation of a payments bank pursuant to subsection 2, the directors or managers of the payments bank shall cause to be published, in a newspaper in the city, town or county in which the corporate office of the payments bank is located, a notice that the payments bank is closing its affairs and going into liquidation, and that its depositors and creditors are to present their claims for payment.

4. When any payments bank is in the process of voluntary liquidation, it is subject to examination by the Commissioner, and the payments bank shall furnish such reports, from time to time, as may be called for by the Commissioner.

5. All unclaimed deposits and dividends remaining in the hands of the payments bank are subject to the provisions of this chapter.

6. Any payments bank that is in the process of voluntary liquidation may sell and transfer to any other state bank, national bank or federal bank all or any portion of its assets of every kind upon such terms as may be agreed upon and approved by the Commissioner and by a majority vote of the payments bank's board of directors or of its managers. A certified copy of the minutes of any meeting at which that action is taken, under the oath of the president or a manager, and a copy of the contract of sale and transfer must be filed with the Commissioner.

7. If a voluntary liquidation or the sale and transfer of the assets of any payments bank is approved by the Commissioner, a certified copy of that approval under seal of the Commissioner, filed in the Office of the Secretary of State, authorizes the cancellation of the articles of incorporation or

organization of the payments bank, subject to its continued existence, as provided by law.

Sec. 99. *The provisions of sections 100 to 116, inclusive, of this act apply to a payments bank whose deposit accounts are insured by the Federal Deposit Insurance Corporation.*

Sec. 100. *1. The Federal Deposit Insurance Corporation created by the Federal Deposit Insurance Act, 12 U.S.C. § 1811, may act without bond as receiver or liquidator of any payments bank which:*

(a) Has been closed because of inability to meet the demands of its depositors; and

(b) Is insured by the Federal Deposit Insurance Corporation and has been taken possession of by the Commissioner pursuant to NRS 658.151.

2. The appropriate state authority having the right to appoint a receiver or liquidator of a payments bank may, upon such closing, tender to the Federal Deposit Insurance Corporation the appointment as receiver or liquidator of such payments bank. If the Federal Deposit Insurance Corporation accepts the appointment, it shall have and possess all the powers and privileges provided by the laws of this State with respect to a receiver or liquidator, respectively, of a payments bank, its depositors and other creditors, and is subject to all the duties of such receiver or liquidator, except insofar as such powers, privileges or duties are in conflict with the provisions of the Federal Deposit Insurance Act.

Sec. 101. *Upon the acceptance of the appointment as receiver or liquidator by the Federal Deposit Insurance Corporation, the possession of and title to all the assets, business and property of such payments bank of every kind and nature shall pass to and vest in the Federal Deposit Insurance Corporation without the execution of any instruments of conveyance, assignment, transfer or endorsement.*

Sec. 102. *Among its other powers, the Federal Deposit Insurance Corporation, in the performance of its powers and duties as receiver or liquidator, may, upon the order of a court of record of competent jurisdiction, enforce the individual liability of the stockholders or members and directors or managers of any such payments bank.*

Sec. 103. *1. When any state payments bank has been closed as provided in section 100 of this act, and the Federal Deposit Insurance Corporation pays, or makes available for payment, the insured deposit liabilities of such closed payments bank, must be subrogated to all rights against such closed bank of the owners of such deposits in the same manner and to the same extent as the subrogation of the Federal Deposit Insurance Corporation is provided for in the Federal Deposit Insurance Act in the case of the closing of a national bank.*

2. The rights of depositors and other creditors of such closed payments bank will be determined in accordance with the applicable provisions of the laws of this State.

Sec. 104. *1. Any payments bank which is, or may hereafter be, closed on account of inability to meet the demands of its depositors, by action of the Commissioner, by action of a court, by action of its directors or due to its insolvency or suspension, the Commissioner, or the receiver or liquidator of the payments bank with the permission of the Commissioner, may borrow from the Federal Deposit Insurance Corporation and furnish any part or all of the assets of the payments bank to the Federal Deposit Insurance Corporation as security for a loan from it, but where the Federal Deposit Insurance Corporation is acting as the receiver or liquidator, the order of a court of record of competent jurisdiction must be first obtained approving the loan.*

2. The Commissioner, or the receiver or liquidator of any payments bank with the permission of the Commissioner, upon the order of a court of record of competent jurisdiction, may sell to the Federal Deposit Insurance Corporation any part or all of the assets of the payments bank.

3. The provisions of this section do not limit the power of any payments bank, the Commissioner, receivers or liquidators to pledge or sell assets in accordance with any other existing law.

Sec. 105. *1. The Commissioner shall furnish to the Federal Deposit Insurance Corporation, or to any official or examiner thereof, a copy of all examinations made of any payments bank and of all reports made by the payments bank. The Commissioner shall give access to and disclose to the Federal Deposit Insurance Corporation, or to any official or examiner thereof, all information possessed by the office of the Division of Financial Institutions with reference to the conditions or affairs of any payments bank.*

2. Nothing in this section limits:

(a) The duty of any payments bank in this State from complying with the provisions of the Federal Deposit Insurance Act, its amendments or substitutions, or the requirements of the Federal Deposit Insurance Corporation relative to examinations and reports; or

(b) The powers of the Commissioner with reference to examinations and reports pursuant to the provisions of chapters 657 to 671, inclusive, of NRS.

Sec. 106. *All books, papers and records of a payments bank which has been finally liquidated must be deposited by the receiver in the Office of the Commissioner.*

Sec. 107. *1. Except as otherwise provided in subsections 2 and 3, after the expiration of 10 years from the filing by the Commissioner of a final report of liquidation of any insolvent payments bank, the Commissioner, with the consent of the State Board of Finance, may destroy the records of any insolvent payments bank held in the Office of the Commissioner in connection with the liquidation of the payments bank.*

2. If there are any unpaid dividends of the insolvent payments bank, the Commissioner shall preserve the deposit ledger or other evidence of indebtedness of the payments bank which refers to the unpaid dividends until the dividends have been paid.

3. The Commissioner may not destroy any of the formal records of liquidation or any of the records made in the Commissioner's office with reference to the liquidation of any insolvent payments bank.

Sec. 108. *1. Except as otherwise provided in subsection 2, if any payments bank that has been or is appointed trustee in any indenture, deed of trust or other instrument of like character, executed to secure the payment of any bonds, notes or other evidences of indebtedness, is taken over for liquidation by the Commissioner, by the Federal Deposit Insurance Corporation or by any other legally constituted authority, the powers and duties of the payments bank as trustee cease upon the entry of an order of the district court appointing a successor trustee pursuant to a petition as provided for in sections 109 to 114, inclusive, of this act.*

2. If an indenture, deed of trust or other instrument of like character that appoints a payments bank as trustee pursuant to subsection 1 includes a provision which provides for the appointment of a successor trustee if the payments bank is taken over for liquidation, the powers and duties of the payments bank as trustee cease upon being taken over by the Commissioner, the Federal Deposit Insurance Corporation or any other legally constituted authority and the successor trustee named, or whose selection is provided for, in the instrument immediately assumes the duties as trustee without appointment by the district court pursuant to sections 109 to 114, inclusive, of this act.

Sec. 109. *1. In all cases to which subsection 1 of section 108 of this act is applicable, the district court for the county in which such indenture, deed of trust or other instrument of like character is recorded shall, upon the verified petition of any person interested in any such trust, either as trustee, beneficiary or otherwise, which interest must be set out in the petition, issue its order directing service on all interested parties, personally or by the publication in a newspaper published in the county, or in some adjoining county if no newspaper is published in the county where the application is made, of a notice directed to all persons concerned, commanding and requiring all persons having any interest in the trust, to appear in court on a day designated in the order and notice, not less than 30 days after the date of the order and notice, to show cause why a new trustee should not be appointed.*

2. Such notice must be published in the manner required by the Nevada Rules of Civil Procedure for service of summons by publication, and shall set forth the names of the parties to the indenture, deed of trust or other such instrument, the date thereof, and the place or places where such instrument is recorded.

Sec. 110. *If, upon the day fixed in the order and notice, no person appears and objects to the appointment of a substitute trustee, the district court shall, upon such terms as it deems advisable to serve the best interest of all interested parties, appoint some competent person, or corporation authorized to act as a trustee, as a substitute trustee. Such appointed trustee*

is vested with and shall exercise all the powers conferred upon the trustee named in the instrument.

Sec. 111. *If, upon the day fixed in the order and notice, objection is made to the appointment of a new trustee, the court shall hear and determine the matter. An appeal may be taken from the decision of the court by any party who made an appearance in the proceeding.*

Sec. 112. *The final order of appointment of any such new trustee upon its entry must be recorded in the office of the county recorder in the county or counties in which the instrument under which such appointment has been made is recorded, and a minute of the same must be entered by the county recorder on the margin of the record where the original instrument is recorded.*

Sec. 113. *The petition and the order appointing such new trustee may include, relate to and apply to any number of indentures, deeds of trust or other instruments, wherein the same trustee is named.*

Sec. 114. *Sections 100 to 113, inclusive, of this act, are in addition to and not in substitution for any other remedy provided by law.*

Sec. 115. *If the Commissioner, the Federal Deposit Insurance Corporation or any liquidating agent appointed pursuant to the provisions of sections 100 to 105, inclusive, of this act, exercises the power of sale set up in any mortgage, deed of trust or other written instrument for the security of the payment of money in which any payments bank then in liquidation was named trustee, the exercise of the power of sale and the acts of resigning the trust, of the Commissioner, the Federal Deposit Insurance Corporation or the appointed liquidating agent have the same effect as if done by the payments bank named as trustee in the mortgage, deed of trust or other instrument.*

Sec. 116. *When the Commissioner or the Federal Deposit Insurance Corporation has taken possession of any payments bank, the payments bank may, with the consent of the Commissioner, resume business upon such terms and conditions as may be approved by the Commissioner and the Federal Deposit Insurance Corporation.*

Sec. 117. *1. When any payments bank is authorized to dissolve and has taken the necessary steps to effect dissolution in accordance with the laws of this State or the laws of the United States, but before actual dissolution, a majority of the directors or managers of the payments bank, upon authority in writing of the owners of two-thirds of its stock or two-thirds of the members' interests and with the approval of the Commissioner, may execute articles of incorporation or organization as provided in this chapter for the organization of a new payments bank. The articles must further set forth the authority derived from the stockholders or members of the payments bank.*

2. Upon the filing of articles of incorporation or organization in the same manner as provided for the organization of new payments banks, the reorganized payments bank is a payments bank under the laws of this State.

Upon reorganization, all assets, real and personal, of the dissolved payments bank, by operation of law, vest in and become the property of the reorganized payments bank, subject to all liabilities of the payments bank existing before the reorganization.

Sec. 123. *"Vulnerable person" has the meaning ascribed to it in NRS 200.5092.*

Sec. 124. *1. Each payments bank shall provide training concerning the identification and reporting of the suspected exploitation of an older person or vulnerable person to each director, officer and employee of the payments bank who:*

(a) May, as part of his or her regular duties for the payments bank, come into direct contact with an older person or vulnerable person; or

Amendment No. 877.

AN ACT relating to mental health; requiring Medicaid to provide coverage for rehabilitative residential mental health care; requiring the State Long-Term Care Ombudsman to investigate and provide certain assistance to providers of rehabilitative residential mental health care; providing for the licensure and regulation of providers of rehabilitative residential mental health care; **making appropriations to and authorizing certain expenditures by the Division of Health Care Financing and Policy of the Department of Health and Human Services;** providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Department of Health and Human Services to administer Medicaid. (NRS 422.270) **Section 1** of this bill requires the Director of the Department to include under Medicaid coverage for rehabilitative residential mental health care provided to certain recipients of Medicaid. **Section 5** of this bill defines the term "rehabilitative residential mental health care" to mean community-based, medically monitored care provided in a residential setting that uses established rehabilitative principles to achieve certain goals relating to mental health. **Section 6** of this bill applies that definition to provisions of existing law governing medical facilities and other related entities. **Section 3** of this bill makes a conforming change to require the Director to administer the provisions of **section 1** in the same manner as the provisions of existing law governing the State Plan for Medicaid. **Section 17.5 of this bill makes appropriations to and authorizes expenditures by the Division of Health Care Financing and Policy of the Department for costs associated with providing the coverage required by section 1.**

Existing law provides for the licensure and regulation by the Division of Public and Behavioral Health of the Department of community-based living arrangement services, which are flexible, individualized services that are: (1) provided in the home, for compensation, to persons with mental illness; and

(2) designed and coordinated to assist such persons in maximizing their independence. (NRS 449.0026, 449.0045, 449.030, 449.0302) **Sections 2 and 4-16** of this bill similarly provide for the licensure and regulation of providers of rehabilitative residential mental health care. **Section 8** requires such a provider to obtain a license as a facility for the dependent and comply with other requirements applicable to such facilities. **Sections 7, 9 and 10** clarify that such a provider is separate from certain other types of facilities for the dependent. **Section 11** requires the State Board of Health to adopt specific regulations governing providers of rehabilitative residential mental health care. **Sections 12 and 15** provide for the inspection of buildings operated by such providers. **Sections 13 and 14**: (1) require periodic background investigations of the personnel of a provider of rehabilitative residential mental health care; and (2) authorize the suspension or revocation of the license of such a provider if the provider or an employee of the provider has been convicted of certain crimes. (NRS 449.174) **Section 16** requires a provider of rehabilitative residential mental health care to notify a person receiving such care from the provider, his or her parent or legal guardian or another designated person upon the discovery by the Division of a deficiency affecting the health and safety of a patient. **Section 4** requires such a provider to comply with provisions governing the reporting and investigation of sentinel events and the designation of patient safety officers. (NRS 439.800-439.890) **Section 2** adds providers of rehabilitative residential mental health care to the list of facilities that the State Long-Term Care Ombudsman is required to investigate and assist. (NRS 427A.125-427A.165) **Section 17** of this bill provides that a person is not required to be a licensed nurse to provide rehabilitative residential mental health care if the person is licensed pursuant to the provisions of this bill. Operating as a provider of rehabilitative residential mental health care without a license would be a misdemeanor. (NRS 449.210)

Amendment No. 907.

SUMMARY—Revises provisions relating to offenders. (BDR ~~[16-1132)]~~ **S-1132)**

AN ACT relating to offenders; ~~[revising requirements relating to]~~ **extending** the ~~[provision]~~ **reversion date** of ~~[certain medical services]~~ **the appropriation made by the 81st Session of the Nevada Legislature** to ~~[women in the custody of]~~ the Department of Corrections **~~[,]~~ for certain costs related to the Nevada Offender Tracking Information System; revising provisions governing credits earned by an offender which reduce the term of imprisonment of the offender;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Existing law requires the Department of Corrections to provide a woman who is incarcerated access to certain necessary medical and behavioral health~~

~~care services. (NRS 209.3817) Section 1 of this bill requires that any such access be provided in accordance with community standards of care and national guidelines for the provision of such services. Section 1 also removes specific language requiring this access to include an annual pelvic examination and mammography, thereby requiring the Department to provide a woman who is incarcerated access to pelvic examinations and mammography in accordance with community standards of care and national guidelines for the provision of pelvic examinations and mammography, rather than on an annual basis.]~~

During the 2021 Legislative Session, the Legislature appropriated $1,436,720 to the Department of Corrections for the reintegration of the Offender Sentence Management System into the Nevada Offender Tracking Information System. Any remaining balance of that appropriation was required to be reverted to the State General Fund on or before September 15, 2023. (Chapter 463, Statutes of Nevada 2021, at page 2875) During the 2023 Legislative Session, the Legislature extended the reversion date to on or before September 19, 2025. (Section 84 of chapter 209, Statutes of Nevada 2023, at page 1257) Section 2 of this bill extends the reversion date to on or before September 17, 2027.

Existing law allows an offender to earn certain credits to reduce his or her sentence of imprisonment. (NRS 209.432-209.453) During the 2023 Legislative Session, the Legislature enacted Senate Bill No. 413, which established a revised method for awarding credits to reduce the sentence of an offender that applied to an offender sentenced to a crime committed: (1) on or after July 1, 2025; or (2) before July 1, 2025, if the offender elected to be subject to the revised method. (Chapter 394, Statutes of Nevada 2023, at page 2308) Section 7 of this bill delays the implementation of the revised method to July 1, 2026. Under section 3 of this bill, the revised method for awarding credits to reduce the sentence of an offender applies to an offender sentenced to a crime committed: (1) on or after July 1, 2026; or (2) before July 1, 2026, if the offender elects to be subject to the revised method. Section 3 also: (1) permits an offender to earn additional credit for engaging in exceptional meritorious service; (2) requires the Department to provide an offender with certain information before the offender elects to be subject to the revised method; and (3) makes various other changes relating to the revised method. Sections 4–6 make conforming changes to reflect the change of date in section 3.

GENERAL FILE AND THIRD READING

Assembly Bill No. 188.

Bill read third time.

The following amendment was proposed by Assemblymember Monroe-Moreno:

Amendment No. 908.

AN ACT relating to the Public Employees' Benefits Program; requiring the Board of the Public Employees' Benefits Program to report certain information relating to the costs of health insurance for certain retirees; revising provisions relating to the subsidy paid for certain health and welfare benefits for certain state employees who have retired with state service; revising requirements for certain retired public officers and employees to reinstate insurance under the Program; requiring the Joint Interim Standing Committee on Government Affairs to conduct an interim study on the Program; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Office of Finance to establish an assessment to pay for a portion of the costs of the premiums or contributions for the Public Employees' Benefits Program on behalf of persons who were initially hired before January 1, 2012, and have retired with state service, which must be: (1) deposited in the State Retirees' Health and Welfare Benefits Fund to pay a portion of the current and future health and welfare benefits of those retirees;

and (2) based upon a base amount approved by the Legislature each session. Existing law also requires that, for retirees who receive health coverage through Medicare, the portion paid to the Program from the Retirees' Fund on behalf of these retirees must be: (1) for persons who retired before January 1, 1994, the base funding level defined by the Legislature multiplied by 15; and (2) for persons who retired on or after January 1, 1994, the base funding level multiplied by the years of service of the person, excluding service purchased, up to a maximum of 20 years. (NRS 287.046) **Section 1** of this bill requires the Board of the Program to report, before August 31 of every even-numbered year, to the Governor and the Interim Retirement and Benefits Committee of the Legislature the typical full cost for such retirees to obtain actuarially comparable health insurance as state retirees enrolled in the plan offered by the Program.

~~[Section 3 of this bill requires that, for retirees who receive health coverage through the federal TRICARE program or Medicare and who were initially hired on or after January 1, 2012, the portion paid to the Program must be the base funding level multiplied by years of state service of the person, excluding service purchased and any years of local governmental service, up to a maximum of 20 years.]~~

If the Board pays the subsidy for retirees enrolled in the federal TRICARE program or Medicare into a health reimbursement arrangement, **section 3 of this bill** prohibits the Board, unless otherwise required by federal law, from: (1) establishing limits on the yearly balance of a health reimbursement arrangement for a person who is enrolled in Medicare that is less than the total amount of the subsidy paid by the Board in the immediately preceding 5 fiscal years; and (2) reverting money in a health reimbursement arrangement to the Retirees' Fund unless the retiree has died or, for more than 2 consecutive years, elected coverage other than coverage provided through TRICARE, Medicare or the plan offered by the Program.

~~[Under existing law, persons hired on or after January 1, 2012, are ineligible to receive a subsidy to pay a portion of their current and future health and welfare benefits upon retirement. (NRS 287.046) Section 3 provides that persons hired on and after January 1, 2012, are eligible to receive the subsidy from the Fund if the retiree has: (1) participated in the Program on a continuous basis since retirement; and (2) 15 years of state service.~~

~~Under existing law, the subsidy for persons who retire on or after January 1, 1994, who are not enrolled in the federal TRICARE program or Medicare and who have more than 15 years of service must be increased by 7.5 percent of the base funding level for each year of service greater than 15 years. (NRS 287.046) Section 3 requires that, for persons who were initially hired by the State on or after January 1, 2012, the amount by which the subsidy is increased must be based on each year of state service and may not include any years of local governmental service.~~

~~Section 3 authorizes a participating local governmental agency to pay an additional subsidy on behalf of persons who were initially hired by the State~~

~~on or after January 1, 2012, who have at least 15 years of state service and have continuously participated in the Program since retirement and who also have any number of years of local governmental service.~~]

Under existing law, a retired public officer or employee or the surviving spouse of a retired public officer or employee who is deceased may reinstate any insurance under the Program, except life insurance, if the public officer or employee did not have more than one period during which the retired public officer or employee was not covered by insurance under the Program on or after the later of October 1, 2011, or the date of retirement of the public officer or employee, and the officer or employee retired from: (1) a participating state or local governmental agency under certain circumstances or was enrolled in the retirement program established by the Board of Regents of the University of Nevada for professional staff of the Nevada System of Higher Education; or (2) a nonparticipating local governmental agency, under certain circumstances. (NRS 287.046) To reinstate insurance, the public officer or employee or surviving spouse must provide written notice to the Program not later than 31 days before the commencement of the plan year. (NRS 287.0475) **Section 4** of this bill: (1) removes the prohibition that the retired public officer or employee not have more than one period during which he or she was not covered by insurance under the Program to reinstate insurance; and (2) instead provides that if a person has more than one period during which he or she was not covered by insurance under the Program, the Board may require the person to provide evidence of continuous coverage provided under another health insurance plan during any period other than the first period in which he or she was not covered to reinstate insurance under the Program.

Section 4 also: (1) authorizes the public officer or employee or surviving spouse to reinstate coverage during any open enrollment period for the plan of insurance; and (2) provides that the retired public officer or employee is eligible, upon reinstatement, to receive the subsidy provided for certain retired employees.

Section 4.5 of this bill requires the Joint Interim Standing Committee on Government Affairs to conduct a study during the 2025-2026 interim concerning the Public Employees' Benefits Program.

Section 2 of this bill applies certain definitions in existing law relating to the Program to the provisions of **section 1**.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

ASSEMBLYMEMBERS ANDERSON; DALIA, DELONG, D'SILVA, KOENIG, O'NEILL AND TORRES-FOSSETT

JOINT ~~[SPONSOR: SENATOR]~~ **SPONSORS: SENATORS** FLORES**, TAYLOR; BUCK, KRASNER AND NEAL**

AN ACT relating to interscholastic activities; prohibiting the Nevada Interscholastic Activities Association from retaliating against a school or person for certain activities; prohibiting athletic recruitment; revising provisions governing certain hearings and appeals conducted by the Association; revising provisions governing the eligibility of pupils who transfer schools to participate and practice in a sanctioned sport or other interscholastic activity or event; revising requirements relating to the adoption of regulations by the Association; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the Nevada Interscholastic Activities Association controls, supervises and regulates all interscholastic athletic events and other interscholastic events in public schools and governs, among other matters, the eligibility and participation of certain pupils in interscholastic activities and events. (NRS 385B.050, 385B.060, 385B.130) Existing law requires the Association to adopt rules and regulations in the same manner provided for state agencies by the Nevada Administrative Procedure Act. (Chapter 233B of NRS, NRS 385B.060) Existing regulations establish certain procedures for classifying and aligning the schools within the Association into leagues or regions, which, in part, require the Board of Control of the Association to determine the classification and alignment of each school by majority vote after conducting a public hearing. (NAC 385B.250) **Section 4.5** of this bill: (1) clarifies that the adoption, repeal or amendment of any policy, practice, rule or regulation concerning or affecting pupils, public schools or school districts be accomplished by rule or regulation in conformity with the Nevada Administrative Procedure Act; and (2) requires any change to the classification or alignment of a school or the creation of a new conference, class, region or league be accomplished by regulation. **Section 2** of this bill prohibits the Association from taking certain adverse action against a school or person who advocates for or against a policy in certain circumstances.

Section 3 of this bill: (1) prohibits athletic recruitment; (2) requires the Association to investigate and, under certain circumstances, hold a hearing on a complaint alleging a violation of that prohibition; and (3) sets forth the penalties for such a violation, including providing that a pupil who enrolls in a school because of athletic recruitment is ineligible to participate and practice in a sanctioned sport at the school. **Sections 7 and 8** of this bill make conforming changes to clarify that certain automatic eligibility for a sanctioned sport does not apply to a pupil who enrolled in or transferred to a school because of athletic recruitment.

Under existing regulations, any pupil who transfers to another school is presumed ineligible to participate in any sanctioned sport at the school to

which the pupil transfers for 180 school days and a pupil may rebut that presumption to become immediately eligible to participate in certain circumstances. (NAC 385B.716) However, existing law provides that a pupil who is the child of a military family and transferred schools pursuant to the Interstate Compact on Educational Opportunity for Military Children, which is an interstate compact that establishes a framework to facilitate the transfer of children in military families between schools, is immediately eligible to participate and practice in any sanctioned sport or other interscholastic activity or event at the school to which the pupil transfers. (NRS 385B.130, 388F.010) **Section 7** additionally provides ~~[that, regardless of his or her zone of attendance, a pupil is immediately eligible]~~ **a separate, one-time grant of eligibility that enables a pupil** to **immediately** participate and practice in any sanctioned sport or other interscholastic activity or event at the school to which the pupil transfers **, regardless of his or her zone of attendance,** if he or she: (1) transfers to a school that uses a lottery system to determine which pupils may enroll; or (2) transfers before enrolling in grade 10. **Section 9** of this bill makes a conforming change to prohibit schools from adopting regulations, rules, policies, procedures or requirements that are more restrictive than those prescribed by the Association pursuant to **section 7**.

Section 4 of this bill authorizes a pupil who transfers schools for certain reasons and seeks to be immediately eligible to participate in any sanctioned sport or interscholastic activity or event to submit a request for a waiver to the Association. **Section 4** additionally: (1) prescribes certain requirements governing the supporting documentation for such a request; and (2) requires the Association to provide for procedures for reviewing such a request.

Existing law authorizes a pupil or school that is aggrieved by a final decision or order made pursuant to a regulation adopted by the Association to appeal such a decision to a hearing officer appointed by the Executive Director of the Association. Existing law additionally sets forth certain procedural requirements for filing such an appeal. (NRS 385B.100) **Section 6** of this bill: (1) sets forth the time period within which such a hearing must be conducted; (2) authorizes a pupil or school to appeal a decision or order made by the hearing officer to the school district within which the pupil is enrolled or the school is located and (3) authorizes the Association to grant an appeal without appointing a hearing officer in certain circumstances. **Section 5** of this bill provides that, in addition to a decision of the Association or a designee of the Association that is authorized to make final decisions on disputes on behalf of the Association, a decision of a school district or its designee on an appeal filed pursuant to **section 6** must not be stayed by a court pending final judgment on the matter.

Section 10 of this bill requires the Association to amend its rules and regulations as necessary to conform with the provisions of **sections 1-9** of this bill before July 1, 2026.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 385B of NRS is hereby amended by adding thereto the provisions set forth as sections 2, 3 and 4 of this act.

Sec. 2. ***The Nevada Interscholastic Activities Association shall not penalize, retaliate against or otherwise take any adverse action against a school or person for advocating for or against any policy, including, without limitation, by communicating with a member of the Legislative Branch, as defined in NRS 218H.090, testifying before a legislative committee or communicating data, views or arguments on a policy to a public body, as defined in NRS 241.015.***

3. Any person who believes that a violation of this section has occurred may file a complaint with the Nevada Interscholastic Activities Association. The Nevada Interscholastic Activities Association shall investigate such a complaint. If the Nevada Interscholastic Activities Association determines, after an investigation, that the complaint is not meritless, the Nevada Interscholastic Activities Association shall hold a hearing on the complaint in accordance with procedures established by regulation of the Nevada Interscholastic Activities Association.

4. If, after conducting a hearing pursuant to subsection 3, the Nevada Interscholastic Activities Association determines that a school has engaged in athletic recruitment, the Nevada Interscholastic Activities Association shall impose the following penalties:

Sec. 4. ***1. A pupil who transfers from a school to another school is immediately eligible to participate and practice in any sanctioned sport or other interscholastic activity or event at the school to which the pupil transfers if the pupil, or a parent or legal guardian of the pupil, submits to the Nevada Interscholastic Activities Association a request for a waiver of any period of ineligibility based on transferring schools, the Nevada Interscholastic Activities Association approves the request pursuant to this section and the pupil is otherwise eligible to participate and practice in the sanctioned sport or other interscholastic activity or event. If the Nevada Interscholastic Activities Association does not take action on a request submitted pursuant to this section within 30 days after the request is submitted, the request shall be deemed approved.***

2. The Nevada Interscholastic Activities Association shall approve a request submitted pursuant to subsection 1 if the pupil, or the parent or legal guardian of the pupil, establishes by a preponderance of the evidence that the pupil transferred to the school because:

The review procedures must include, without limitation:

(a) The review of a request submitted pursuant to subsection 1 by the Executive Director, or such staff of the Nevada Interscholastic Activities

Association as the Executive Director may designate, and the approval of such a request, without a hearing before a hearing officer pursuant to NRS 385B.100, if the request and documentation submitted with the request establish by a preponderance of the evidence that the pupil is eligible for the waiver pursuant to subsection 2.

(b) Upon the filing of a written appeal with the Executive Director pursuant to NRS 385B.100, the review by a hearing officer appointed pursuant to NRS 385B.100 of a decision denying a request submitted pursuant to subsection 1 and the conduct of a hearing before that hearing officer not later than 60 days after the date on which the Nevada Interscholastic Activities Association received the request pursuant to subsection 1.

AN ACT relating to legislative affairs; making various changes relating to legislative interim committees and presiding officers of those committees; revising the deadline to submit an application to the Joint Interim Standing Committee on Education to serve on the Nevada State Teacher and Education Support Professional Recruitment and Retention Advisory Task Force; eliminating the requirement that the Joint Interim Standing Committee on Health and Human Services review certain regulations; making the Subcommittee on Public Lands of the Joint Interim Standing Committee on Natural Resources a stand-alone interim committee; making the Sunset Subcommittee of the Legislative Commission a stand-alone interim committee; revising provisions relating to legislative committee members and staff regulated by the Nevada Lobbying Disclosure and Regulation Act and Nevada Financial Disclosure Act; **revising provisions governing the review of certain mining regulations by the Mining Oversight and Accountability Commission;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes various legislative interim committees that are created or authorized to conduct studies or investigations or perform other legislative business during the interim between legislative sessions, and existing law provides for the appointment or designation of chairs and vice

chairs of such interim committees. (Chapter 218E of NRS, NRS 232B.210-232B.250) Existing law also contains provisions that apply exclusively to such interim committees without applying to any session committees. (NRS 218E.105-218E.140)

Under existing common-law principles of parliamentary law, the chair of a committee serves as the presiding officer of the committee and may take, direct or require any necessary and reasonable actions to carry out the committee's management, government, budget, meetings and proceedings, subject to the laws and rules governing the committee. In addition, if a vacancy occurs in the position of chair, or if the chair is prohibited or disqualified from participating or acting on a particular matter for any reason or is absent, disabled or otherwise unavailable or unable to carry out the position for any reason, the vice chair of the committee serves as the acting chair, with all the powers, privileges and immunities of the position of chair, until the vacancy is filled or the chair is eligible, available or able to carry out the position again, as applicable. (*Mason's Manual of Legislative Procedure* §§ 575-579, 608-611 (2020); Luther S. Cushing, *Elements of the Law & Practice of Legislative Assemblies* §§ 287, 308, 313, 314, 1910 (1856); *Hicks v. Long Branch Comm'n*, 55 A. 250, 250-51 (N.J. 1903)) To assist interim committees in conducting their legislative business consistently with existing common-law principles of parliamentary law, **sections 2-4** of this bill codify those existing common-law principles into the statutory provisions that apply to interim committees. (*Welfare Div. v. Maynard*, 84 Nev. 525, 529 (1968) ("A statutory enactment can be simply a legislative pronouncement of already existing law."); *State Gaming Comm'n v. Southwest Sec.*, 108 Nev. 379, 383-84 (1992))

Existing law: (1) establishes Joint Interim Standing Committees of the Legislature that are authorized to evaluate and review issues within the jurisdiction of the corresponding standing committees from the preceding regular session of the Legislature, exercise certain investigative powers and, under certain circumstances, conduct studies directed by the Legislature or the Legislative Commission; (2) provides for the appointment of regular members and alternate members to each Joint Interim Standing Committee; and (3) requires the Legislative Commission to select a Chair and a Vice Chair for each Joint Interim Standing Committee. (NRS 218E.320, 218E.330)

Section 5 of this bill requires the appointing authorities to appoint the committee members for each Joint Interim Standing Committee, along with the Chairs and Vice Chairs, not later than October 31 following the adjournment of each regular session. **Section 5** also clarifies the length of the terms that the committee members and the Chairs and Vice Chairs serve while qualified.

Section 6 of this bill provides that if a regular member cannot attend a meeting of the Committee, an alternate member must be of the same political party as the regular member, and **section 6** clarifies that, when acting in place of a regular member, an alternate member has all the powers, privileges and immunities of a regular member.

Existing law requires the Joint Interim Standing Committee on Legislative Operations and Elections to evaluate and review issues relating to governmental purchasing. (NRS 218E.330) **Section 7** of this bill transfers such duties to the Joint Interim Standing Committee on Government Affairs. **Section 36** of this bill makes a conforming change to require that the biennial report on recommendations for legislation relating to governmental purchasing in existing law be submitted to the Joint Interim Standing Committee on Government Affairs. (NRS 332.215)

Existing law creates the Subcommittee on Public Lands of the Joint Interim Standing Committee on Natural Resources and prescribes the Subcommittee's powers and duties. (NRS 218E.500-218E.525, NRS 321.7355) **Sections 8-10 and 35** of this bill: (1) make the Subcommittee a stand-alone interim committee instead of a subcommittee of the Joint Interim Standing Committee on Natural Resources and rename it as the Committee on Public Lands; and (2) revise the membership, organization and operations of the Committee on Public Lands. **Section 1** of this bill authorizes the Committee on Public Lands to request 4 legislative measures and eliminates the authority of the Joint Interim Standing Committee on Natural Resources to request 4 additional legislative measures based on the recommendations for legislation submitted by the former Subcommittee on Public Lands. **Section 9** requires the Committee on Public Lands to hold at least three meetings during each legislative interim where the primary physical location of the meeting is located in a different county for each such meeting other than Clark County, Washoe County or Carson City. However, **section 9** does not prohibit the use of authorized remote-technology systems for each such meeting, including when necessary to connect the primary physical location of the meeting to additional physical locations for the meeting in Clark County, Washoe County or Carson City.

Existing law creates: (1) the Legislative Committee for the Review and Oversight of the Tahoe Regional Planning Agency and the Marlette Lake Water System; and (2) the Legislative Committee on Senior Citizens, Veterans and Adults With Special Needs. (NRS 218E.550-218E.570, 218E.745-218E.760) **Sections 11 and 12** of this bill revise the membership, organization and operations of these Committees.

Existing law creates the Sunset Subcommittee of the Legislative Commission. (NRS 232B.210-232B.250) **Sections 26-32 and 43** of this bill: (1) make the Sunset Subcommittee a stand-alone interim committee instead of a subcommittee of the Legislative Commission and rename it as the Sunset Committee of the Legislature; and (2) revise the membership, organization and operations of the Sunset Committee.

Existing law authorizes Joint Interim Standing Committees and other interim committees to request the drafting of a certain number of legislative measures for each regular session. (NRS 218D.160) **Section 1** revises the number of such requests that the renamed Sunset Committee of the Legislature is authorized to make.

Section 43 eliminates the requirement in existing law that the Joint Interim Standing Committee on Health and Human Services review certain regulations that are proposed or adopted by certain licensing boards and that are related to health care. (NRS 439B.225) **Sections 33 and 34** of this bill make conforming changes as a result of the elimination of this requirement.

Existing law requires a teacher who wishes to serve on the Nevada State Teacher and Education Support Professional Recruitment and Retention Advisory Task Force to submit an application to the Joint Interim Standing Committee on Education on or before January 15 of an even-numbered year. (NRS 391.494) **Section 38** of this bill moves the due date of the application to December 1 of an odd-numbered year.

Existing law requires various reports, documents and other information to be compiled by state or local governmental agencies or other entities and then reported to certain legislative committees or staff. (NRS 193.309, 209.192, 209.461, 209.4818, 388.887, 449.242) **Sections 22-25 and 37-39** of this bill revise those reporting requirements.

Under existing law, the Nevada Lobbying Disclosure and Regulation Act (Lobbying Act) prohibits, with certain exceptions, Legislators, legislative officers and legislative staff members from knowingly or willfully soliciting or accepting any gift from a lobbyist, whether or not the Legislature is in a regular or special session. (NRS 218H.060, 218H.090, 218H.930) Under existing exceptions to the gift prohibitions, if Legislators or members of their households receive anything of value from a lobbyist to undertake or attend any educational or informational meetings, events or trips, such meetings, events or trips are excluded from the term "gift" under the Lobbying Act, but the Legislators are required to report the educational or informational meetings, events or trips on their financial disclosure statements under the Nevada Financial Disclosure Act (Financial Disclosure Act). (NRS 218H.045, 218H.060, 281.5583, 281.571)

Sections 13-20 of this bill create exceptions for legislative committee investigative meetings, events or trips. **Section 15** defines a "legislative committee investigative meeting, event or trip" to include any meetings, events or trips that the chair of a legislative committee authorizes as official meetings, events or trips of the committee in order for the members of the committee and legislative staff members to investigate or otherwise receive any education or information on matters that are pertinent to the committee's legislative business or possible future legislative action. Based on the exceptions in **sections 17 and 19**, such legislative committee investigative meetings, events or trips are not required to be reported on financial disclosure statements under the Financial Disclosure Act. (NRS 281.5583, 281.5585)

Sections 17 and 19 also make the existing exceptions for educational or informational meetings, events or trips applicable to: (1) legislative officers, such as the Secretary of the Senate and the Chief Clerk of the Assembly; and (2) legislative staff members but only if such staff members have the approval of their chief administrative supervisors to undertake or attend the educational

or informational meetings, events or trips. Because the Financial Disclosure Act applies to legislative officers, such as the Secretary of the Senate and the Chief Clerk of the Assembly, and to certain senior staff members of the Legislative Counsel Bureau, such as the Director and the chiefs of the divisions, they are required to report the educational or informational meetings, events or trips on financial disclosure statements. By contrast, if rank-and-file legislative staff members have the approval of their chief administrative supervisors to undertake or attend any educational or informational meetings, events or trips, they are not required to report the educational or informational meetings, events or trips on financial disclosure statements, unless they qualify as a public officer or candidate or a member of a public officer's or candidate's household for the purposes of the Financial Disclosure Act. (NRS 281.005, 281.558, 281.5583, 281.5587)

Existing law creates the Mining Oversight and Accountability Commission and requires the Commission to provide oversight of compliance with Nevada law relating to the activities of each state agency, board, bureau, commission, department or division with respect to the taxation, operation, safety and environmental regulation of mines and mining in this State. (NRS 514A.040, 514A.060) Section 40.5 of this bill provides that if the Commission fails to review certain regulations relating to mines or mining within 90 days after adoption, the regulations will become effective if approved in accordance with the applicable provisions of the Nevada Administrative Procedure Act.

218E.500 The Legislature finds and declares that:

1. Policies and issues relating to public lands and state sovereignty as impaired by federal ownership of land are matters of continuing concern to this State.

2. This concern necessarily includes an awareness that all federal statutes, policies and regulations which affect the management of public lands are likely to have extensive effects within the State and must not be ignored or automatically dismissed as beyond the reach of the state's policymakers.

3. Experience with federal regulations relating to public lands has demonstrated that the State of Nevada and its citizens are subjected to regulations which sometimes are unreasonable, arbitrary, beyond the intent of the Congress or the scope of the authority of the agency adopting them and that as a result these regulations should be subjected to legislative review and comment, and judicially tested where appropriate, to protect the rights and interests of the State and its citizens.

4. Other western states where public lands comprise a large proportion of the total area have shown an interest in matters relating to public lands and those states, along with Nevada, have been actively participating in cooperative efforts to acquire, evaluate and share information and promote greater understanding of the issues. Since Nevada can both contribute to and benefit from such interstate activities, it is appropriate that ~~[a subcommittee on matters relating to public lands]~~ ***the Committee on Public Lands*** be assigned primary responsibility for participating in them.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 898.

AN ACT relating to higher education; revising provisions governing ~~[the waiver]~~ **certain waivers** of fees **provided** by the Board of Regents of the University of Nevada **; revising the criteria of eligibility for a waiver of fees by the Board of Regents** for ~~[certain]~~ persons who ~~[have experienced homelessness;]~~ **and or were unaccompanied for a certain period of time; revising the criteria of eligibility for a waiver of fees by the Board of Regents for certain Native American students; providing for the continuity of waivers previously provided to certain students who are identified as homeless or unaccompanied pupils;** repealing certain provisions requiring the Chancellor of the Nevada System of Higher Education to cause to be analyzed certain natural materials upon the request of a resident of this State; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes, or in certain cases, requires the Board of Regents of the University of Nevada to grant a waiver of the payment of certain fees, including registration and laboratory fees, assessed against certain students. Existing law generally requires those students who are granted a waiver by the Board of Regents to maintain a cumulative grade point average of 2.0 on a 4.0 grading scale and prescribes certain other qualifications of eligibility for each such waiver. (NRS 396.544, 396.5442, 396.5443, 396.5445, 396.5446, 396.5448, 396.5449) Sections 1.1-1.8 of this bill standardize provisions and qualifications for each waiver that the Board of Regents may grant to certain students. Specifically, sections 1.1-1.4 and 1.6 require the amount of each waiver to be equal to the full balance of registration fees, laboratory fees and all other mandatory fees assessed against a student after all scholarships, grants and other financial assistance, not including loans, to which the student is entitled for that semester are applied to the balance of such fees owed by the student for the semester. Section 1.5 establishes a similar requirement for a waiver of not less than half of all registration fees, laboratory fees and all other mandatory fees that the Board of Regents may waive for a veteran enrolled in certain graduate programs. (NRS 396.5446) Sections 1.1-1.8 require each student seeking a waiver to, for each year for which the student seeks a waiver, complete: (1) the Free Application for Federal Student Aid; or (2) an alternative form for financial aid provided by the school in which the student is enrolled, if the student is ineligible under federal law to complete the Free Application for Federal Student Aid. Sections 1.1-1.8 also replace requirements that each student maintain a certain cumulative grade point average with a requirement that a student to whom a waiver is granted meet satisfactory academic progress, as determined by the school in which the student is enrolled.

Existing law authorizes the Board of Regents ~~[of the University of Nevada]~~ to grant a waiver of registration fees and laboratory fees for a person who is identified as a homeless or unaccompanied pupil. (NRS 396.5448). **Section ~~[1]~~ 1.7** of this bill requires, rather than authorizes, the Board of Regents to grant the waiver and revises the criteria that a person is required to meet to qualify for the waiver. Specifically, **section ~~[1]~~ 1.7** requires that a person: (1) be 25 years of age or less when the person enrolls in the Nevada System of Higher Education; (2) ~~[have experienced homelessness]~~ for a period of not less than 6 months at any time after the person attained the age of ~~[12]~~ **13** years, but before attaining the age of 25 years ~~[;]~~ **, was unaccompanied** and ~~[(3)]~~ **who,** during that period ~~[, have received services from certain agencies or organizations in this State whose purpose is to provide services to young persons experiencing homelessness. Section 1 requires a person who is seeking the waiver to complete the Free Application for Federal Student Aid and provides for the adjustment of the amount of the waiver based on the amount of federal educational benefits the person receives.]~~ **, was also homeless or self-supporting and at risk of becoming homeless.** **Section ~~[1]~~ 1.7** also limits the waiver to persons who are enrolled in an undergraduate degree program at a school within the System.

Existing law authorizes the Board of Regents to request documentation from a person requesting ~~[the]~~ **such a** waiver to verify that the person meets the criteria required to qualify for the waiver. Amendment No. 866.

~~[CONTAINS UNFUNDED MANDATE (§30)~~
~~(Not Requested by Affected Local Government)]~~

AN ACT relating to insurance; ~~[imposing requirements governing]~~ **requiring certain health insurers to respond to requests for** prior authorization for medical or dental care ~~[; prohibiting an insurer from requiring prior authorization for covered emergency services or denying coverage for covered, medically necessary emergency services;]~~ **within a certain amount of time;** prohibiting ~~[an insurer]~~ **certain insurers** from requiring prior authorization for certain ~~[other]~~ **types of** medical care; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes certain health insurers to require prior authorization before an insured may receive coverage for medical and dental care in certain circumstances. If an insurer requires prior authorization, existing law requires the insurer to: (1) file its procedure for obtaining prior authorization with the Commissioner of Insurance for approval; and (2) respond to a request for prior authorization within 20 days after receiving the request. (NRS 687B.225) ~~[This bill establishes additional requirements relating to the use of prior authorization for medical and dental care by health insurers, including Medicaid, the Children's Health Insurance Program and insurance for public employees.~~

~~Section 44 of this bill requires that the procedure for obtaining prior authorization for services reimbursable through Medicaid or the Children's Health Insurance Program on a fee-for-service basis includes: (1) a list of the~~

~~specific goods and services for which the Department of Health and Human Services requires prior authorization; and (2) the clinical review criteria used by the Department to evaluate requests for prior authorization. Section 44 also requires the Department to publish its procedure for obtaining prior authorization on its Internet website and update that website as necessary to account for any changes in the procedure. Section 44 prohibits the Department from denying a claim for payment for medical or dental care because of the failure to obtain prior authorization if the Department's procedures for obtaining prior authorization in effect on the date on which the care was provided did not require prior authorization for that care.~~

~~Section~~ **Sections 27 and 45** of this bill ~~requires the Department to approve or deny such a request, or request additional, medically relevant information~~ **require private insurers and insurers providing coverage for recipients of Medicaid and the Children's Health Insurance Program, respectively, to respond to a request for prior authorization** within ~~48 hours~~ **2 business days** after receiving the request ~~. Section 46 of this bill requires any adverse determination on a request for prior authorization for services reimbursable through Medicaid or the Children's Health Insurance Program on a fee-for-service basis to be made by a physician or, for a request relating to dental care, a dentist, who is licensed in this State and possesses certain other qualifications. Section 46 requires the Department, in certain circumstances, to allow the provider of health care who requested the prior authorization to discuss the issues involved in the request with the physician or dentist who is responsible for making a determination on the request. Section 46 requires the Department, upon making an adverse determination on a request for prior authorization, to transmit certain information to the recipient of benefits under Medicaid or the Children's Health Insurance Program to whom the request pertains, including information relating to the right of the recipient to appeal the adverse determination. Section 46 further requires: (1) the Department to establish a process for appeals that provides for the timely resolution of appeals submitted by recipients; and (2) a decision upholding an adverse determination on an appeal submitted by a recipient to be made by a physician or dentist who has qualifications beyond those required of a physician or dentist who evaluates initial requests for prior authorization. If the Department approves a request for prior authorization, section 47 of this bill requires the Department to pay the provider of health care the full applicable rate for the relevant care, except in certain circumstances.~~

~~Sections 18 and 47 of this bill provide that a request for prior authorization that has been approved by a public or private insurer, including Medicaid and the Children's Health Insurance Program, remains valid for: (1) 12 months; or (2) treatment related to a chronic condition, until the standard of treatment for that condition changes.~~ **, unless certain nationally recognized operating rules governing prior authorization would allow the insurer to have additional time to respond to the particular request. In such a case, sections 27 and 45 authorize an insurer to respond to the request within**

the period of time prescribed by the operating rules, unless doing so would result in the insurer responding to the request more than 7 calendar days after receiving the request.

Sections 19 and 48 of this bill prohibit ~~[an insurer]~~ **insurers** from requiring an insured to obtain prior authorization for ~~[~~certain medical care, including certain preventive care services. Sections 20 and 49 of this bill prohibit an insurer from requiring prior authorization for covered emergency services. Sections 20 and 49 prohibit an insurer from requiring that an insured or provider of health care notify the insurer earlier than the end of the business day immediately following the date of admission or the date on which the emergency services are provided. Sections 20 and 49 also require an insurer to respond to a request for prior authorization for certain follow-up care relating to the emergency care received by an insured within 60 minutes after receiving the request. Finally, Sections 20 and 49: (1) prohibit an insurer from denying coverage for covered medically necessary emergency services; and (2) establish a presumption of medical necessity under certain conditions.

Section 18 prohibits an insurer other than Medicaid from denying or imposing additional limits on a request for prior authorization that the insurer has previously approved if the care at issue in the request is provided within 45 business days after the date on which the insurer receives the request and certain other requirements are met. Section 21 of this bill requires such an insurer to exempt providers of health care from the requirement to obtain prior authorization for specific goods and services if the insurer has granted requests for prior authorization for those goods or services submitted by the provider at a rate of 80 percent or more during the previous year. Section 21 requires such an insurer to annually conduct reviews of each provider of health care in the network of the insurer to determine whether each such provider qualifies for an exemption. If the provider qualifies for an exemption, section 21 requires the insurer to automatically grant the exemption for the applicable goods and services, without requiring the provider to affirmatively request an exemption. Section 22 of this bill prescribes the requirements and procedure for such an insurer to revoke an exemption granted to a provider of health care. Section 22 also requires such an insurer to establish a procedure by which a provider of health care may appeal a revocation of an exemption.~~]~~ **: (1) certain preventive care services; (2) hospice care provided to pediatric patients; and (3) care provided to treat neonatal abstinence syndrome. Section 19 additionally prohibits insurers, other than those covering recipients of Medicaid or the Children's Health Insurance Program, from requiring prior authorization for: (1) outpatient services for the treatment of substance use disorder; and (2) the prescription of test strips for measuring blood glucose in persons with diabetes. Section 27** ~~[of this bill]~~ makes conforming changes to clarify that ~~[an]~~ **a private** insurer may not require prior authorization where prohibited by ~~[sections 19-21.]~~ **section 19.**

Sections 4-15 and 35-42 of this bill define certain terms relating to the process of obtaining and processing requests for prior authorization, and

sections 2 and 34 of this bill establish the applicability of those definitions. ~~[Sections]~~ **Section 23** ~~[and 52]~~ of this bill ~~[provide]~~ **provides** that if a private insurer ~~[or the Department]~~ violates any provision of **section** ~~[18-20 or 44-49]~~ **19 or 27** with respect to a particular request for prior authorization, that the request is deemed approved.

Section 28 of this bill requires a nonprofit hospital and medical or dental service corporation to comply with **sections** ~~[2-23.]~~ **2-26 of this bill. Section 29** of this bill requires the Director of the Department to administer the provisions of **sections 33-52** of this bill in the same manner as other provisions governing Medicaid. ~~[Sections 30, 31 and]~~ **Section 56** of this bill ~~[require plans of self-insurance for employees of local governments, the Public Employees' Benefits Program and]~~ **requires** plans of self-insurance for private employers, respectively, to comply with the requirements of **sections** ~~[2-27]~~ **19 and 27** to the extent applicable. **Section** ~~[33]~~ **15.5 of this bill** provides that a **health maintenance organization or other** managed care organization that provides services to recipients of Medicaid or the Children's Health Insurance Program **or members of the Public Employees' Benefits Program, or a utilization review organization that conducts utilization reviews for such entities,** is not subject to **sections** ~~[34-52, but must comply with sections 2-27. Section 55 requires the policies and procedures for coverage for prescription drugs under Medicaid to comply with sections 34-52.]~~ **2-27.**

Amendment No. 933.

CONTAINS UNFUNDED MANDATE (§§1, 3, ~~[5, 9]~~ **5)**
(NOT REQUESTED BY AFFECTED LOCAL GOVERNMENT)

AN ACT relating to elections; authorizing a nonpartisan voter to vote for the partisan offices of a major political party in a primary election **;** ~~[or presidential preference primary election;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, major party candidates for partisan office are nominated at a primary election. (NRS 293.175) A registered voter may cast a ballot in a primary election for a major political party only if the registered voter designated on his or her application to register to vote an affiliation with that major political party. (NRS 293.257)

~~[Existing law further requires, with certain exceptions, that a presidential preference primary election be held in each presidential election year to~~

~~determine the preferences of the registered voters of a major political party regarding the party's nominee for President of the United States. (NRS 298.600-298.720) A registered voter may cast a ballot in a presidential preference primary election for a major political party only if the registered voter designated on his or her application to register to vote an affiliation with that major political party. (NRS 298.680)~~

Sections 1 ~~[,]~~ and 2 ~~[, 9 and 11]~~ of this bill authorize a registered voter who has indicated on his or her voter registration that he or she is not affiliated with a political party to vote in a primary election ~~[or presidential preference primary election]~~ for a major political party by requesting a partisan mail ballot ~~[from]~~ **in the manner designated by** the county clerk or appearing in person at the polls and requesting a partisan ballot. **Section 3** of this bill requires a county clerk to prepare and distribute a partisan mail ballot to each registered nonpartisan voter who requests such a ballot.

Section 4 of this bill removes the requirement for an automatic voter registration agency to notify a person during the automatic voter registration process that the person will be unable to vote at ~~[certain]~~ **a** primary ~~[elections]~~ **election** for partisan offices of a major political party unless the person indicates a major political party affiliation.

Existing law provides that the computer program used in a mechanical voting system must not count unlawful votes, including votes in a primary election ~~[or presidential preference primary election]~~ cast for a candidate other than the candidate of a major political party other than the party, if any, of the registration of the voter. (NRS 293B.130) **Section 5** of this bill removes the prohibition on counting such a vote ~~[,]~~ **in a primary election,** but still prohibits the computer program from counting unlawful votes.

Section 6 of this bill requires a member of an election board in a primary election ~~[or presidential preference primary election]~~ to issue a partisan ballot and, if a mechanical voting system is used, a voting receipt with the name of the major political party, to each nonpartisan voter who requests to vote a partisan ballot under **section 1 . ~~[or 9.]~~ Section 7** of this bill provides that this requirement is an exception to the requirement for a member of an election board to issue a nonpartisan voter a nonpartisan ballot and voting receipt with a nonpartisan designation.

Existing law authorizes a county clerk to require partisan voters in certain precincts or districts to vote in the same manner as a nonpartisan voter. (NRS 293B.310) **Section 8** of this bill authorizes the county clerk to also require nonpartisan voters who request to vote a partisan ballot to vote in such a manner.

~~[Section 10 of this bill applies certain definitions relating to presidential preference primary elections to the provisions of section 9.]~~

Amendment No. 916.

SHORT FORM AMENDMENT

If this amendment is adopted, the Legislative Counsel's Digest will be changed as follows:

Legislative Counsel's Digest:

Existing law establishes a program for the issuance of transferable tax credits by the Office of Economic Development to the production company of a motion picture or other qualified production, based upon qualified direct production expenditures made for the purchase of personal property or services from a Nevada business. (NRS 360.758-360.7598) This bill revises provisions governing these transferable tax credits and enacts the Nevada Studio Infrastructure Jobs and Workforce Training Act to authorize film infrastructure transferable tax credits for qualified productions produced at the site of the Summerlin Production Studios Project.

Sections 1-16 of this bill enact the Nevada Studio Jobs and Workforce Training Act, which provides film infrastructure transferable tax credits for

production companies located within the Summerlin Production Studios Project, as defined in **section 8**. **Section 9** requires the Office of Economic Development to enter into a development agreement with the lead participant of the Project to establish: (1) certain criteria that the Project is required to satisfy in exchange for production companies located at the Project to be eligible for film infrastructure transferable tax credits; and (2) certain requirements for new capital investment in this State and the generation of ~~[qualified]~~ direct production expenditures in this State, which the Project must meet, with certain exceptions, to avoid penalties specified in **section 9**. **Section 10 :** ~~[of this bill:]~~ (1) authorizes production companies located at the Project to apply, on or after June 1, 2026, to the Office for film infrastructure transferable tax credits for qualified productions produced, in whole or in part, at the Project; and (2) authorizes such credits to be used against the modified business tax, insurance premium tax or gaming license fee, or any combination of these taxes and fees. **Section 11** establishes the qualified production expenditures which are the basis for calculating the amount of film infrastructure transferable tax credits, including, without limitation: (1) purchases and rentals of property or services from a Nevada business; (2) wages and fringe benefits paid to employees who are Nevada residents or other personnel who perform services in this State on the qualified production; (3) certain compensation paid to producers in their capacity as producers; and (4) amounts paid to personal service corporations for the services of certain persons on the qualified production. **Section 12** of this bill provides that the base amount of film infrastructure transferable tax credits is 30 percent of the amount of qualified direct production expenditures calculated under **section 11**, with certain reductions if the production company does not satisfy certain criteria for employing Nevada residents as below-the-line personnel or employing or offering training or work opportunities to members of traditionally underrepresented groups. **Section 13**: (1) limits the total amount of film infrastructure transferable tax credits issued pursuant to **sections 1-16** to $95,000,000 for each fiscal year beginning on or after July 1, 2028; and (2) prohibits the approval of an application for film infrastructure transferable tax credits if the application is submitted in a fiscal year that begins on or after July 1, 2043. **Section 14** requires a production company to: (1) commence principal photography within a certain period of time after the Office approves an application for a certificate of eligibility for film infrastructure transferable tax credits; (2) complete the qualified production within 18 months after the date of commencement of principal photography, except that the Office may extend this period for not more than 6 months; and (3) submit certain required information within the required period. **Section 15** requires a production company to repay film infrastructure transferable tax credits under certain circumstances. **Section 15.7** ~~[of this bill]~~ requires the lead participant in the Project to submit certain reports to the Governor, the Legislature and the Office, and requires the Office to post such reports on its Internet website.

Section 16 requires certain reports to be made to the Legislature concerning film infrastructure transferable tax credits.

Sections 17-25 of this bill make various changes to the existing law governing the noninfrastructure transferable tax credits for motion picture and other qualified productions. (NRS 360.758-360.7598) **Section 17** changes references to "extras" in a qualification production to "background actors." **Section 18**: (1) provides that digital media productions are qualified productions for the purposes of eligibility for film infrastructure transferable tax credits and noninfrastructure transferable tax credits; and (2) clarifies that media productions solely produced for social media are not eligible for such transferable tax credits. **Section 19** revises the criteria to be eligible for noninfrastructure transferable tax credits to be the same as the criteria for film infrastructure transferable tax credits by: (1) removing the requirement that a certain percentage of direct production expenditures be incurred in this State and, instead, requiring that at least 50 percent of the total principal photography days take place in this State or a certain amount of qualified direct production expenditures be incurred in this State; and (2) requiring a production company to have a workforce plan that establishes certain goals and provide to the Office a final assessment of whether the production company met or made a good faith effort to meet those goals. **Section 20** revises the expenditures and costs that may serve as a basis for noninfrastructure transferable tax credits. **Section 21**: (1) increases the base amount of transferable tax credits from 15 percent of the qualified direct production expenditures to 30 percent of the qualified direct production expenditures, for an application submitted in each fiscal year beginning on or after July 1, 2028, and ending before July 1, 2043; and (2) provides for certain reductions to that base amount during that period. **Section 22** makes certain provisions of existing law relating to the calculation of noninfrastructure transferable tax credits inapplicable for period beginning on July 1, 2028, and ending on June 30, 2043. **Section 23** temporarily increases from $10,000,000 to $25,000,000 the total amount of noninfrastructure transferable tax credits for motion picture and other qualified productions that may be issued under the existing program for each fiscal year beginning on or after July 1, 2028, until June 30, 2043. **Sections 24 and 25** make conforming changes so that noninfrastructure transferable tax credits are administered and reported in the same manner as film infrastructure transferable tax credits.

Section 15.3 ~~[of this bill]~~ requires the Clark County Board of County Commissioners to create a production studio entertainment district for the purpose of enhancing early childhood education opportunities, including prekindergarten, for children in the Clark County School District. Under **section 15.3**, the boundaries of the district are required to be entirely within the unincorporated areas of Clark County and include only parcels of land that are located within the boundaries of the Summerlin Production Studios Project other than parcels on which a business holding a gaming license is located. **Section 15.3** requires certain taxes on transient lodging, certain property taxes

and certain sales and use taxes imposed in the district to be pledged and distributed to the Clark County School District and used by the Clark County School District solely for the purposes of prekindergarten programs in the Clark County School District. Finally, **section 15.3** requires the Clark County School District to submit annual reports to the Office concerning the use of money distributed to Clark County School District under **section 15.3**.

Sections 26-33 of this bill establish a program to provide grants to certain organizations that provide education and vocational training for workforce development for the production of motion pictures and other qualified productions. **Section 31** establishes the Account for Nevada Film, Media and Related Technology Education and Vocational Training for the purpose of allocating money to certain entities and organizations that provide education and vocational training for such workforce development. **Sections 10 and 19** require a production company that is issued transferable tax credits for a qualified production to pay to the Office an amount of money equal to 1 percent of the amount of transferable tax credits issued to the qualified production, and requires the Office to deposit that money with the State Treasurer for credit to the Account. **Section 32** creates and provides for the composition of the Board for Nevada Film, Media and Related Technology Education and Vocational Training within the Office of Economic Development. **Section 33**: (1) requires the Board to establish the procedure for a person or entity to apply for a grant of money from the Account, the criteria to be used to determine whether to approve an application for a grant from the Account to an applicant and the requirements for reports by recipients of such grants concerning the use of the grants; (2) prohibits the making of a grant from the Account unless the Board approves the application for the grant; and (3) requires a recipient of a grant from the Account to adopt and implement a community benefits program that satisfies certain requirements.

A lien may not be recorded on any completed portion of the Project and has priority over all other liens other than liens for taxes and any lien securing a construction loan. 6. ~~[~~The~~]~~ **Except as otherwise provided in subsection 7, the** Office may reduce, or waive, any penalty imposed pursuant to subsection 3, 4 or 5 if, upon written request of the lead participant, the Office determines that the failure to meet a requirement for which a penalty may be imposed was caused by extraordinary circumstances beyond the control of the Project and reasonable, documented and good-faith efforts were made to satisfy the requirement. The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 867.

AN ACT relating to education; revising provisions governing the assessments which may be used to assess the literacy of pupils enrolled in an elementary school; authorizing the Department of Education to prescribe requirements relating to the collection and reporting of the results of such assessments; authorizing the Department to prescribe the assessments used to assess literacy under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the board of trustees of a school district or the governing body of a charter school to prepare a plan to improve the literacy of pupils enrolled in an elementary school. Such a plan must include procedures to assess the proficiency of a pupil in reading during each grade level of elementary school, as is determined to be necessary, by using assessments that have been approved by the State Board of Education by regulation. (NRS 388.157) This bill removes the requirement that such assessments be approved by the State Board by regulation, thereby allowing the board of trustees of a

school district or the governing body of a charter school, as applicable, to include in the plan any valid and reliable standards-based assessment to assess proficiency in reading. This bill also authorizes the Department of Education to: (1) adopt regulations prescribing how the results of any assessment used by a school district or charter school to assess proficiency in reading are collected and reported; and (2) prescribe the assessments which must be used in a school district or charter school if no assessment is included in the plan. **This bill further provides that the board of trustees of a school district or the governing body of a charter school is responsible for the costs of administering an assessment used by the school district or charter school to assess proficiency in reading, other than the statewide assessment.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 388.157 is hereby amended to read as follows:

388.157 1. The board of trustees of each school district and the governing body of each charter school shall prepare a plan to improve the literacy of pupils enrolled in an elementary school. Such a plan must include, without limitation:

(a) A program to provide intervention services and intensive instruction to pupils who have been identified as deficient in the subject area of reading to ensure that those pupils achieve adequate proficiency in the requisite reading skills and reading comprehension skills necessary to perform at a level determined by a statewide assessment to be within a level determined by the State Board for a pupil enrolled in the same grade in which the pupil is enrolled. Such a program must include, without limitation, regularly scheduled reading sessions in small groups and specific instruction designed to target any area of reading in which the pupil demonstrates a deficiency, including, without limitation, phonological and phonemic awareness, decoding skills, reading fluency and vocabulary and reading comprehension strategies;

(b) Procedures for assessing a pupil's proficiency in the subject area of reading using valid and reliable standards-based assessments ~~[that have been approved by the State Board by regulation]~~ during each grade level of the elementary school at which the pupil is enrolled as determined necessary;

(c) A program to improve the proficiency in reading of pupils who are English learners; and

(d) Procedures for facilitating collaboration between licensed teachers designated as literacy specialists and classroom teachers.

2. The board of trustees of each school district or the governing body of a charter school, as applicable, shall:

(a) Submit its plan to the Department for approval on or before the date prescribed by the Department on a form prescribed by the Department; and

(b) Make such revisions to the plan as the Department determines are necessary.

3. The Department ~~[shall]~~ *:*

(a) Shall adopt regulations that prescribe procedures for assessing the development across early learning domains of a pupil enrolled in kindergarten within the first 45 days of school in a school year.

(b) May adopt regulations prescribing the manner by which the board of trustees of each school district and the governing body of a charter school are required to collect and report the results of any assessment used by the school district or charter school, as applicable, to assess a pupil's proficiency in the subject area of reading.

(c) May prescribe valid and reliable standards-based assessments that must be used in a school district or charter school to assess a pupil's proficiency in the subject area of reading if the board of trustees of the school district or the governing body of the charter school, as applicable, fails to include such an assessment in the plan submitted pursuant to subsection 1.

4. The board of trustees of a school district or the governing body of a charter school, as applicable, that elects to administer any assessment to assess a pupil's proficiency in the subject of reading other than the statewide assessment shall pay any costs associated with the administration of the assessment, including, without limitation, the costs of the assessment tool and providing training to staff members regarding the use of the assessment tool.

Amendment No. 909.

CONTAINS UNFUNDED MANDATE (§§ ~~[2,]~~ 18, 20, ~~[21,]~~ 51, 61)
(NOT REQUESTED BY AFFECTED LOCAL GOVERNMENT)

AN ACT relating to elections; ~~[requiring the Secretary of State to allow certain persons detained in jail to use the system of approved electronic transmission to register to vote and cast a ballot;]~~ revising provisions relating to voter registration and updating voter registration information; renaming certain provisional ballots to "conditional ballots"; revising provisions relating to certain petitions; ~~[revising the deadline for candidates to file a declaration of candidacy;]~~ revising provisions relating to the publication of certain information by a county clerk; ~~[authorizing the Secretary of State to require certain employees to attend a training course concerning elections procedures;]~~ revising provisions relating mail ballots; revising provisions relating to the testing of certain technology prior to an election; defining the term "personal knowledge" for purposes of certain challenges; revising provisions relating to

risk-limiting audits; revising provisions relating to certain prohibited conduct in or around a polling place; revising provisions relating to mechanical voting systems; authorizing, under certain circumstances, the Secretary of State to adjust the date of the presidential preference primary election; making various other changes relating to elections; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Existing law requires the Secretary of State to establish a system of approved electronic transmission through which voters may register to vote and apply for and cast a ballot. (NRS 293D.200) Existing law further sets forth provisions governing voting by persons who are detained in a county or city jail. (NRS 293.269971, 293.269973, 293.269975) Section 2 of this bill requires the Secretary of State to allow: (1) an elector who is detained in a county or city jail to use the system of approved electronic transmission established for covered voters who are overseas or in the military to register to vote; and (2) a registered voter who is detained in a county or city jail to use the system of approved electronic transmission to apply for and cast a ballot in every election where the system of approved electronic transmission is available to a covered voter who is overseas or in the military. Section 15 of this bill requires the Secretary of State to prescribe the procedures to be followed and the requirements of the use of the system of approved electronic transmission by electors and voters who are detained in a county or city jail. Section 21 of this bill requires the report submitted to the Secretary of State by a person who administers a county or city jail concerning elections conducted in such jails to include an explanation of the process the jail used to comply with the provisions of section 2. (NRS 293.269975)]~~

Section 3 of this bill requires, with limited exception, a county or city clerk to respond within 2 working days after receiving any request from the Secretary of State for information or data relating to ~~[an]~~ **the current** election ~~[.]~~ **cycle.**

Section 4 of this bill provides that if an active registered voter moves to another county and registers to vote therein, which may include, without limitation, an application to register to vote which is transmitted to a county clerk from an automatic voter registration agency, it shall be deemed that the voter is updating his or her voter registration rather than registering to vote and, with certain exceptions, the voter must not be required to cast a provisional ballot on the basis of such an update.

Existing law sets forth certain procedures governing the use of provisional ballots by registered voters who update their voter registration information after the close of registration for an election and by electors who register to vote in person or by computer during certain periods of time leading up to and during an election. Specifically, existing law: (1) with certain exceptions, requires an elector who is deemed conditionally registered to vote under such circumstances to cast his or her vote by a provisional ballot; and (2) authorizes a county or city clerk, under certain circumstances, to require a registered voter

who updates his or her voter registration to cast a provisional ballot in an election. (NRS 293.5772-293.5887) **Sections 5, 23, 26, 32 and 38-47** of this bill rename ballots cast under such circumstances to be "conditional ballots."

Existing law requires certain petitions to be submitted to a county clerk for verification of the signatures on the petition and sets forth certain deadlines for such submission. (NRS 293.128, 293.172, 293.200, 295.056, 298.109, 306.035, 306.110) **Section 65** of this bill ~~[prohibits]~~ **authorizes a county clerk, under certain circumstances, to delay beginning verification for** petitions for referendum and certain initiatives **.** ~~[from being submitted to a county clerk earlier than the 13th day following the primary or general election, as appropriate.]~~ (NRS 295.056) Existing law requires, after the submission of certain petitions containing signatures which are required to be verified, the county clerk to determine the number of signatures affixed to the documents and forward that information to the Secretary of State. (NRS 293.1276) **Section 6** of this bill increases the time provided to a county clerk to make such a determination: (1) for a petition to place the name of a candidate for partisan office of a minor political party or an independent candidate for partisan office on the ballot, from 2 working days to 7 working days; and (2) for any other petition which is required to be submitted for such purposes, from 4 working days to 9 working days.

If the Secretary of State finds that the total number of signatures submitted to all the county clerks is 100 percent or more of the number of registered voters needed to declare the petition sufficient, existing law requires: (1) the Secretary of State to immediately notify the county clerks; and (2) each of the county clerks, after the receipt of such notification, to determine the number of registered voters who have signed the document. (NRS 293.1277) **Section 7** of this bill increases the time provided to a county clerk to make such a determination: (1) for a petition to recall a public officer who holds a statewide office, from 20 working days to 25 working days; (2) for a petition to place the name of a candidate for partisan office of a minor political party or an independent candidate for partisan office on the ballot, from 3 working days to 8 working days; and (3) for any other petition which is required to be submitted for such purposes, from 9 working days to 14 working days. **Sections 8 and 11** of this bill require a petition to place the name of a candidate for partisan office of a minor political party or an independent candidate for partisan office on the ballot be submitted to the county clerk for verification **or filing, respectively,** not later than 25 working days, rather than 10 working days, before the last day to file the petition.

Existing law ~~[provides]~~ **requires** that the ~~[period for filing a declaration]~~ **petition** of candidacy **~~[:~~** ~~(1) for judicial candidates begins on the first Monday in January of the year in which the election is to be held and ends the second Friday after the first Monday in January; and (2) for all nonjudicial candidates begins on]~~ **for an independent candidate for partisan office be filed not earlier than** the first Monday in March of the year in which the election is to be held and ~~[ends]~~ **not later than** the ~~[second]~~ **third** Friday ~~[after the first~~

~~Monday]~~ in ~~[March. (NRS 293.177, 293C.145, 293C.175) Sections 9-11, 58 and 59 of this bill instead provide that the period for filing a declaration of candidacy for both judicial and nonjudicial candidates begins on the first Monday in February of the year in which the election is to be held and ends not later than 5 p.m. on the second Friday after the first Monday in February. Section 9 similarly revises the dates by which a minor political party is required by existing law to file a list of its candidates for partisan office. (NRS 293.1725)]~~ **June. (NRS 293.200) Section 11** ~~[further]~~ **instead** provides that a petition of candidacy for an independent candidate for partisan office must not be filed earlier than the ~~[first]~~ **second** Monday ~~[in February rather]~~ **after the primary election and not later** than the ~~[first Monday in March.]~~ **third Friday after the primary election. Section 11 additionally: (1) requires such a petition to be submitted to the county clerk for verification during this period of time; and (2) provides that if such a petition is submitted in a timely manner but the Secretary of State receives certificates from the county clerks showing the petition has met certain requirements after this deadline, the petition is deemed to be timely filed.**

Existing law requires a county clerk to publish certain information concerning elections in a newspaper of general circulation. (NRS 293.203, 293.253, 293.3073, 293.3576, 293.391, 293.464, 298.670) **Sections 12, 25, 27, 28, 31 and 68** of this bill instead require the county clerk to publish such notices in such a manner as the county clerk deems proper, which may include, without limitation, publication in a newspaper of general circulation, on the Internet website of the county clerk or on the social media account of the county clerk.

Under existing law, the Secretary of State is required to cause to be published in a newspaper of general circulation, on three separate occasions, in each county of the State, together with any explanatory matter to be placed on the ballot, the entire text of a proposed amendment to the Nevada Constitution which is proposed by an initiative petition. (Nev. Art. 19, § 2; NRS 293.253) **Section 17** of this bill authorizes a county clerk to also publish such materials in any other manner as the county clerk deems proper which may include, without limitation, publication on the Internet website of the county clerk or on the social media account of the county clerk.

Existing law requires the Secretary of State to adopt regulations, not inconsistent with the election laws of this State, for the conduct of primary, presidential preference primary, general, special and district elections in all cities and counties. (NRS 293.247) **Section 14** of this bill authorizes the Secretary of State to adopt regulations which provide standards for certain reports which are required to be filed by a county or city clerk.

~~[Section 16 of this bill authorizes the Secretary of State to require any deputy or employee of the Office of the Secretary of State whose duties relate to elections to attend the training course provided by the Secretary of State concerning elections procedures. (NRS 293.2504)]~~

Existing law authorizes a mail ballot central counting board to begin counting the received mail ballots 15 days before the day of the election and requires the board to complete the count of all mail ballots on or before the seventh day following the election. (NRS 293.269931, 293C.26331) **Sections 20 and 61** of this bill: (1) require, instead of authorize, the mail ballot central counting board to begin counting the received mail ballots 15 days before the day of the election; and (2) require the mail **ballot** central counting board to process each mail ballot ~~[on]~~ **within 24 hours after receipt of** the ~~[day that the]~~ mail ballot **unless a waiver** is ~~[received. Section]~~ **granted by the Secretary of State. Sections 19 and 60** of this bill ~~[requires]~~ **require** the Secretary of State, rather than a county **or city** clerk, to establish procedures for **minimum requirements for** the processing and counting of mail ballots. (NRS ~~[293.269925)]~~ **293.269925, 293C.26325)**

Existing law requires a county clerk to: (1) prepare and distribute to certain persons in the county a mail ballot for every election; and (2) allow a voter to elect not to receive such a mail ballot by submitting a written notice to the county clerk which must be received by the county clerk not later than 60 days before the day of the election. (NRS 293.269911) **Section 18** of this bill authorizes a voter who elects not to receive a mail ballot to later elect to receive a mail ballot for the election if he or she, not later than 14 days before the election, submits to the county clerk a written notice in the form prescribed by the county clerk. **Sections 18 and 59.5 of this bill revise the deadline for distributing a mail ballot to each registered voter who resides within the State from not later than 20 days before the election to instead on or after the fifth Monday before the election but not later than the fourth Monday before the election.**

Existing law authorizes an elector to vote in the county or city in which the elector is eligible to vote by submitting an application to register to vote by computer using the system established by the Secretary of State before the elector appears at a polling place to vote in person. Existing law further requires an elector who submits an application to register to vote in such a manner less than 14 days before the election to vote in person. (NRS 293.5837, 293.671) **Section 41** of this bill instead requires an elector who submits such an application less than 18 days before the election to vote in person. **Section 18** requires a county clerk to prepare and distribute a mail ballot to each person who registers to vote or updates his or her voter registration information not later than 18 days, rather than 14 days, before the election. (NRS 293.269911)

Existing law requires a county clerk, if the county clerk uses an electronic roster, to complete a test of the electronic roster not earlier than 2 weeks before and not later than 5 p.m. on the day before the first day of the period for early voting by personal appearance to ensure its functionality. (NRS 293.275) **Section 22** of this bill prohibits such a test from being completed earlier than 6 weeks, instead of 2 weeks, before the first day of the period for early voting by personal appearance. **Section 55** of this bill similarly revises the time period provided in existing law for a county or city clerk to perform certain tests on a

mechanical recording device which directly records votes electronically and any automatic tabulating equipment and programs. (NRS 293B.150)

Sections 24 and 33 of this bill define the term "personal knowledge" for purposes of certain provisions of existing law which authorize certain persons to challenge the right of a person to vote and provide that the term does not include knowledge obtained from a third party. (NRS 293.303, 293.535)

Existing law requires each county clerk to conduct a risk-limiting audit of the results of an election. (NRS 293.394) **Section 29** of this bill renames such audits to "election accuracy audits." Existing law provides that certain materials used in the completion of logic and accuracy tests must be sealed and deposited in the vaults of the county clerk. (NRS 293B.170) **Section 56** of this bill provides that such materials are subject to inspection for the purposes of an election accuracy audit.

Section 30 of this bill provides that the term "canvass" as used in certain provisions relating to recounts demanded by a candidate defeated at an election includes, in any general election, the canvass by the Supreme Court of the returns for a candidate for United States Senator or Representative in Congress. (NRS 293.403)

Existing law requires a county clerk to cancel the preregistration or registration of a person under certain circumstances and authorizes or requires the reregistration of certain electors whose registration is cancelled. (NRS 293.540, 293.543) **Section 34** of this bill requires a county clerk to cancel the preregistration or registration of a person if the county clerk receives, from a person who is within the second degree of consanguinity of the person, a sworn affidavit which indicates the death of the person. **Section 35** of this bill requires, if the registration or preregistration of an elector is cancelled under such circumstances and the county clerk later determines that the registration or preregistration should not have been cancelled, the county clerk to reregister or repreregister the elector.

Existing law provides that the last day for a person to register to vote for certain elections that are held on the same day as a primary election, presidential preference primary election or general election is, if the person is registering by appearing in person at the office of the county clerk or certain county facilities, the fourth Tuesday preceding the primary election, presidential preference primary election or general election. (NRS 293.560) **Section 36** of this bill instead provides that the last day to register to vote in such a manner is the day before the first day of the period for early voting by personal appearance. **Section 62** of this bill similarly revises such deadlines for registration for a primary city, general city, recall and special city election if there is a period for early voting for the primary or general city election. **Section 37** of this bill requires, if an application to register to vote is received not later than 5 days after the appropriate deadline, a county clerk to accept the application if it is obtained from the Department of Motor Vehicles and is completed by, depending on if there is a period for early voting by personal

appearance, the day before the first day of the period for early voting by personal appearance or the last day to register to vote by mail. (NRS 293.5727)

Existing law further provides that if a recall or special election is not held on the same day as certain elections, the last day to register to vote for the recall or special election by any method of registration is the third Saturday preceding the recall or special election. (NRS 293.560) **Section 36** instead provides that the last day to register to vote for such a recall or special election: (1) by mail is the second Tuesday preceding the recall or special election; (2) by appearing in person at the office of the county clerk or certain county facilities is, depending on if there is a period for early voting for the recall or special election, either the day before the first day of the period for early voting by personal appearance or the third Saturday preceding the recall or special election; and (3) by computer using the system established on the Internet website of the Office of the Secretary of State is the day of the recall or special election. **Section 62** similarly revises deadlines for such registration for such recall and special city elections.

Sections 48 and 49 of this bill exempt a person who is conducting an exit poll from certain provisions of law which prohibit a person from: (1) with certain exceptions, remaining inside or outside of any polling place so as to interfere with the conduct of an election; and (2) in certain locations, soliciting a vote or speaking to a voter on the subject of marking the voter's ballots. (NRS 293.730, 293.740)

Section 50 of this bill provides that the termination of a contract by certain local governing bodies for the lease or use of a mechanical voting system or mechanical recording device which is currently used in any election of this State is provisional unless such an entity: (1) submits to the Secretary of State a plan to transition to a new mechanical voting system or mechanical recording device which is approved by the Secretary of State; and (2) signs a contract for the purchase, lease or use of the new mechanical voting system or mechanical recording device.

Existing law authorizes mechanical voting systems to be used to cast, register, record and count ballots or votes at all statewide, county, city and district elections of any kind held in this State. (NRS 293B.050) **Section 51** of this bill instead provides that ballots or votes: (1) may be cast, registered and recorded using a mechanical voting system; and (2) must be counted using a mechanical voting system. **Sections 13, 52-54, 57, 63, 64, 66 and 69-80** of this bill make conforming changes to require the use of a mechanical voting system for counting votes and clarify that the use of a mechanical voting system for casting ballots is authorized but not required.

Section 67 of this bill authorizes the Secretary of State, with the approval of the Legislative Commission, to adjust the date of the presidential primary election which is set forth in existing law as the first Tuesday in February of each presidential election year. (NRS 298.650)

After the notification, each of the county clerks shall determine the number of registered voters who have signed the documents submitted in the county clerk's county and, in the case of a petition for initiative or referendum proposing a constitutional amendment or statewide measure, shall tally the number of signatures for each petition district contained or fully contained within the county clerk's county. This determination must be completed within ~~[9]~~ *14* days, excluding Saturdays, Sundays and holidays, after the notification pursuant to this subsection regarding a petition containing signatures which are required to be verified pursuant to NRS 293.128, 295.056, 298.109 or 306.110, within ~~[20]~~ *25* days, excluding Saturdays, Sundays and holidays, after the notification pursuant to this subsection regarding a petition containing signatures which are required to be verified pursuant to NRS 306.035, and within ~~[3]~~ *8* days, excluding Saturdays, Sundays and holidays, after the

For the purpose of verification pursuant to this section, the county clerk shall not include in his or her tally of total signatures any signature included in the incorrect petition district.

2. Except as otherwise provided in subsections 3 and 4, if more than 500 names have been signed on the documents submitted to a county clerk, the county clerk shall examine the signatures by sampling them at random for verification. The random sample of signatures to be verified must be drawn in such a manner that every signature which has been submitted to the county clerk is given an equal opportunity to be included in the sample. The sample must include an examination of:

(a) Except as otherwise provided in paragraph (b), at least 500 or 5 percent of the signatures, whichever is greater.

(b) If the petition is for the recall of a public officer who holds a statewide office, at least 25 percent of the signatures.

The random sample of signatures to be verified must be drawn in such a manner that every signature which has been submitted to the county clerks within the petition district is given an equal opportunity to be included in the sample. The sample must include an examination of at least 500 or 5 percent of the signatures presented in the petition district, whichever is greater. The Secretary of State shall determine the number of signatures that must be verified by each county clerk within the petition district.

(a) Shall not examine the signatures by sampling them at random for verification;

(b) Shall examine for verification every signature on the documents submitted to the county clerk; and

(c) When determining the total number of valid signatures on the documents, shall remove each name of a registered voter who submitted a request to have his or her name removed from the petition pursuant to NRS 306.015.

5. In determining from the records of registration the number of registered voters who signed the documents, the county clerk may use the signatures contained in the file of applications to register to vote. If the county clerk uses that file, the county clerk shall ensure that every application in the file is

examined, including any application in his or her possession which may not yet be entered into the county clerk's records. Except as otherwise provided in subsection 6, the county clerk shall rely only on the appearance of the signature and the address and date included with each signature in making his or her determination.

6. If:

(a) A person registers to vote using the system established by the Secretary of State pursuant to NRS 293.671;

A copy of this certificate must be filed in the clerk's office. When the county clerk transmits the certificate to the Secretary of State, the county clerk shall notify the Secretary of State of the number of requests to remove a name received by the county clerk pursuant to NRS 295.055 or pursuant to NRS 306.015 for a petition to recall a public officer who holds a statewide office, if applicable.
