Amendment No. 84.

AN ACT relating to real property; requiring, under certain circumstances, a landlord who collects from a prospective tenant any fee to apply to rent a dwelling unit to return such fees; prohibiting a landlord from collecting certain application fees for a minor in the household of a prospective tenant; requiring any written agreement for the use and occupancy of a dwelling unit or premises to contain separate appendices relating to fees and tenant rights; making it unlawful for a landlord or certain other persons to charge a tenant certain fees; temporarily prohibiting a landlord from entering into a rental agreement with certain existing tenants that increases the rent due from the tenant by more than a certain amount; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law sets forth certain requirements relating to a written rental agreement for the use and occupancy of a dwelling unit or premises, including, without limitation, that the agreement contain provisions relating to fees which are required and the purposes for which they are required. (NRS 118A.200) **Section 2** of this bill: (1) provides that such a rental agreement also include a separate appendix that contains a clear and concise explanation of each fee that may be charged during the term of the rental agreement and the purpose for which the fee may be charged; (2) requires such appendix to state with specificity for each fee that is variable, that the tenant pays the actual cost incurred by the tenant, and, for each fee that is fixed or provided by a third-party vendor, the tenant pays the current amount of the fee; and (3) makes it unlawful for a landlord or other person authorized to enter into a rental agreement on his or her behalf to charge a tenant a fee in an amount or for any purpose that is not set forth in such an appendix. **Section 2** further requires such a rental agreement to include a separate appendix that contains a clear

and concise explanation of the rights of the tenant pursuant to federal and state laws and local ordinances.

Section 1 of this bill requires a landlord who collects from a prospective tenant any fee to apply to rent a dwelling unit to refund the fee if the landlord: (1) rents the dwelling unit to a different prospective tenant; and (2) does not conduct the activity for which the fee was collected.

Section 1 further prohibits a landlord from collecting an application fee, a fee to obtain a credit report or a fee to obtain a background check for a minor who is a member of the household of the prospective tenant.

Section 3 of this bill provides that during the period beginning on July 1, 2025, and ending on December 31, 2026, a landlord shall not renew the rental agreement or enter into a new rental agreement for a dwelling unit with the existing tenant that increases the rent payable by the existing tenant for the dwelling unit in an amount that is more than ~~[10]~~ **5** percent of the rent payable by the existing tenant pursuant to the rental agreement that is in effect on June 30, 2025. **Section 3** further defines "tenant" to mean a person who is entitled under a rental agreement that exists on June 30, 2025, between the person and the landlord to occupy a dwelling unit to the exclusion of others and: (1) is 62 years of age or older; or (2) relies on payments received pursuant to the federal Social Security Act.

Section 11.5: (1) prohibits certain entities from adopting an ordinance or other regulation that prohibits a natural person from operating a cottage cosmetics operation; and (2) provides that the provisions of sections 2-11.5 do not prohibit certain entities from regulating the time, place or manner of a cottage cosmetics operation, provided that such regulations do not unreasonably restrict or prohibit a person from conducting a cottage cosmetics operation.

Existing law sets forth certain requirements for a food establishment that prepares food intended for human consumption. (NRS 446.0145-446.945) Existing law exempts a cottage food operation from such requirements and requires a person who wishes to conduct a cottage food operation to register with a certain health authority. (NRS 446.866) **Section 16** of this bill instead requires a person who wishes to conduct a cottage food operation to apply to the Department for a license to conduct a cottage food operation. **Sections 14-16** of this bill revise and reorganize the existing provisions governing cottage food operations into new sections of the Nevada Revised Statutes. **Section 28** of this bill repeals **~~[~~~~the~~~~]~~ an** existing **~~[~~~~provisions~~~~]~~ provision** governing cottage food operations **~~[.]~~ made redundant by section 16. Section 14** revises the

definition of "cottage food operation" to apply to a natural person who manufactures or prepares food items in his or her private home or in a kitchen that is not otherwise required by law to be inspected for the purposes of preparing a food item, for sale and whose gross sales of such food items are not more than $100,000 per calendar year. **Section 15** revises the definition of "food item" to include, ~~[among other]~~ **certain** food items **.** ~~[, certain acidified foods. Section 13 of this bill defines the term "acidified foods."]~~

Additionally, **section 16** authorizes a cottage food operation to: (1) sell food items via a transaction by telephone or via the Internet; and (2) fulfill a transaction in person, by mail or through a food delivery service platform. **Section 26** of this bill makes a cottage food operation a "food dispensing establishment," thereby applying the provisions governing the food delivery service platforms to the delivery of food items from a cottage food operation. **Section 16** authorizes the Department to charge certain fees for the issuance and renewal of a license to conduct a cottage food operation. **Section 16** further requires the Department to maintain a registry of each person who holds an active license to conduct a cottage food operation. **Section 19** of this bill requires the Director of the Department to adopt certain regulations governing cottage food operations.

Section 19.5 of this bill: (1) prohibits certain entities from adopting an ordinance or other regulation that prohibits a person from preparing food in a cottage operation; and (2) provides that the provisions of sections 12-19.5 do not prohibit certain entities from regulating the time, place or manner of a cottage food operation, provided that such regulations do not unreasonably restrict or prohibit a person from conducting a cottage food operation.

Section 23 of this bill revises the definition of "food establishment" to reflect the reorganization of provisions governing cottage food operations.

Existing federal law requires each state to adopt procedures to ensure that applicants for certain licenses and certificates comply with child support obligations. (42 U.S.C. § 666) **Sections 8, 9, 17 and 18** ~~[of this bill]~~ enact such procedures as applicable to an applicant for a license to conduct a cottage cosmetics operation and an applicant for a license to conduct a cottage food operation in order to comply with federal law.

Existing law provides that the penalty for a violation of any provision of existing law relating to agricultural products and seeds is a civil penalty of not more than $500 for each violation. (NRS 587.900) This penalty applies to **sections** ~~[12-19]~~ **12-19.5** of this bill.

Existing law exempts a farm from certain provisions governing food establishments for the purposes of holding a farm-to-fork event under certain conditions. (NRS 446.868) **Section 24** of this bill authorizes a farm holding such an event to serve certain food items provided that: (1) any livestock or game animal that is served at the event is butchered and processed on the farm in accordance with certain provisions of law or was inspected and approved under a certain inspection program; and (2) certain other food items served at

the farm-to-fork event are sourced from certain facilities or was inspected and approved under a certain inspection program. **Section 24** also exempts: (1) a farm from certain provisions governing food establishments provided that the farm holds four events or less in a month; and (2) a farm that holds more than four events during a harvest or holiday season from such provisions. **Section 25** of this bill prohibits the Department from charging a fee for the registration of a farm to hold farm-to-fork events when the annual revenue of the farm for the preceding calendar year was less than $100,000.

Existing law sets forth certain requirements for a craft food operation in which a person manufactures or prepares acidified foods in certain kitchens and whose gross sales of such foods are not more than $35,000 per calendar year and authorizes the Department to adopt certain regulations governing such operations. (NRS 587.691-587.699) **Section ~~[28 repeals such provisions. Section 27 of this bill declares void the regulations adopted by the Department governing craft food operations and requires the Legislative Counsel to remove the regulations from the Nevada Administrative Code.]~~ 21.2 of this bill increases the amount of gross sales that a craft food operation may have to not more than $100,000 per calendar year.**

Section 21.4 of this bill authorizes a craft food operation to sell acidified foods in a transaction by telephone or via the Internet and requires that the sale be fulfilled in person. Section 21.6 of this bill eliminates the requirements that an acidified food be produced by a person who: (1) maintains a log and supporting documentation concerning the canning date for each batch of acidified foods produced by the person; and (2) uses only certain canning recipes. Section 21.8 of this bill eliminates the authority of the Department to charge a fee to a person who produces acidified food for a course of training and an examination.

Assembly Bill No. 356.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 375.

AN ACT relating to public employees; **requiring the Governor to include certain information relating to collective bargaining agreements in the biennial proposed executive budget;** revising certain deadlines relating to the negotiation, mediation and arbitration of collective bargaining agreements with the Executive Department of the State Government; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the Governor may, notwithstanding the provisions of any collective bargaining agreement, include in the biennial proposed executive budget of the State any amount of money the Governor deems appropriate for salaries, wage rates or any other form of direct monetary compensation for employees. (NRS 288.510) Section 1 of this bill requires the Governor, to the extent practicable, to include in the biennial proposed executive budget, any amount of money to be paid as agreed upon in a collective bargaining agreement. Section 1 also requires that if the Governor determines it is impracticable to include such money in the biennial proposed executive budget, he or she must submit a report stating the reason for such a determination to the Legislature on the same day the budget is submitted.

Under existing law, certain groups of employees in the classified service of the Executive Department of State Government are authorized to engage in collective bargaining with the Executive Department concerning wages, hours and other terms and conditions of employment for such employees. (NRS 288.400-288.630) In general, a collective bargaining agreement for such a group of employees must begin on July 1 of an odd-numbered year and must end on June 30 of the next odd-numbered year. (NRS 288.550)

Under existing law, the Governor is required to designate a representative to conduct negotiations concerning collective bargaining agreements on behalf of the Executive Department and negotiations between the representative of the Executive Department and the exclusive representative of a bargaining unit are required to begin within 60 days after one party notifies the other party of the desire to negotiate or on or before October 1 of each even-numbered year, whichever is earlier. (NRS 288.565) **Section ~~1~~ 1.5** of this bill requires such negotiations to begin **: (1)** on or before ~~June~~ **April** 1, rather than October 1,

of each even-numbered year ~~.~~; **and (2) within 60 days after an exclusive representative is designated for an unrepresented bargaining unit.**

Under existing law, either the representative of the Executive Department or the exclusive representative of a bargaining unit are authorized to request a mediator if the parties do not reach a collective bargaining agreement within 120 days after beginning negotiations or on or before February 1 of an odd-numbered year, whichever is earlier, unless the parties agree to a later date. (NRS 288.570) **Section 2** of this bill authorizes parties who do not reach an agreement to request a mediator ~~[120 days after beginning]~~ **: (1) after at least six meetings of** negotiations or on or before ~~[October 1, rather than February 1.]~~ **September 5 of an even-numbered year when one of the parties is a bargaining unit with an existing collective bargaining agreement; or (2) after at least eight meetings of negotiations or 90 days after the parties begin negotiating, whichever is earlier, when one of the parties is a bargaining unit negotiating to enter a collective bargaining agreement for the first time.**

Under existing law, if the representative of the Executive Department and the exclusive representative of a bargaining unit do not reach a collective bargaining agreement through mediation within 10 days after the appointment of a mediator, mediation is required to cease and the parties are required to begin arbitration proceedings on or before February 15 unless the parties agree to a later date. The arbitrator is then required to render a decision on or before March 5. (NRS 288.575) **Section 3** of this bill: (1) requires arbitration proceedings to begin on or before ~~[October]~~ **September** 15, rather than February 15; and (2) requires the arbitrator to render a decision on or before ~~[November]~~ **December** 5, rather than March 5. **Section 3** also eliminates the authority for the parties to agree to a later deadline for the decision of the arbitrator.

Under existing law, the Economic Forum, a panel of appointed economic and financial experts, prepares a written report of its projections of economic indicators and an estimate of future state revenue for the Governor and Legislature on or before December 3 of each even-numbered year. (NRS 353.228) Section 4 of this bill requires that such a report instead be prepared by November 15 of each even-numbered year.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. **NRS 288.510 is hereby amended to read as follows:**

288.510 ***1.*** Notwithstanding the provisions of any collective bargaining agreement negotiated pursuant to the provisions of NRS 288.400 to 288.630, inclusive, the Governor ~~[may]~~ **:**

(b) May include in the biennial proposed executive budget of the State any amount of money the Governor deems appropriate for the salaries, wage rates or any other form of direct monetary compensation for employees.

2. If the Governor determines it is impracticable to include any amount of money to be paid as agreed upon in a collective bargaining agreement in the biennial proposed executive budget, he or she must submit a report to the Legislature stating the reason for such a determination. The report must be submitted on the same day the biennial proposed executive budget is submitted to the Legislature.

(b) ~~[On or before any later date set by agreement of the parties.]~~ ***After at least eight meetings of negotiations or 90 days after the date on which the***

2. The mediator shall bring the parties together as soon as possible after a request is made pursuant to subsection 1 and shall attempt to settle each issue in dispute within 10 days after the request was made pursuant to subsection 1 or any later date set by agreement of the parties.

Any proposal that conflicts or is otherwise inconsistent with any provision of state law, other than the provisions of chapters 284 and 287 of NRS, shall be considered withdrawn by the proposing party when mediation is discontinued.

2. The arbitrator shall begin arbitration proceedings on or before ~~[February *October]*~~ ***September*** 15 of an ~~[odd-numbered]~~ ***even-numbered*** year or any later date set by agreement of the parties.

3. The arbitrator and the parties shall apply and follow the procedures for arbitration that are prescribed by any rules adopted by the Board pursuant to NRS 288.110. During arbitration, the parties retain their respective duties to negotiate in good faith.

4. The arbitrator may administer oaths or affirmations, take testimony and issue and seek enforcement of a subpoena in the same manner as the Board pursuant to NRS 288.120, and, except as otherwise provided in subsection 6, the provisions of NRS 288.120 apply to any subpoena issued by the arbitrator.

Section 9 of this bill requires the Secretary of State to employ a person to serve as the language access coordinator for the Office of the Secretary of State, who is in the classified service of the State.

Existing law provides that, with certain exceptions, any registered voter who by reason of a physical disability or an inability to read or write English is unable to mark a ballot or use any voting device without assistance is entitled to assistance from a consenting person of his or her own choice. (NRS 293.296) **Section 16** of this bill provides that a registered voter with a physical disability may also use a mobile device to access interpretive services to assist him or her in casting a vote in an election. Such interpretive services include, without limitation, interpretive services using American Sign Language.

~~[Under existing law, the Secretary of State is required to prescribe forms for applications to preregister or register to vote. ~~Section 37 of this bill creates the Language Access Advisory Committee within the Office of the Secretary of State, consisting of the Secretary of State or his or her designee, and certain other members. ~~Existing law authorizes, under certain circumstances, the governing body of a city to conduct a city election in which all ballots must be cast by mail. If such an election is conducted, certain existing provisions of law relating to early voting do not apply to the election. (NRS 293C.112) Section 26 of this bill provides that the provisions of section 25 also do not apply to such a city election.~~

(10 U.S.C. §§ 9491, 9492, 36 U.S.C. §§ 40301 et seq.) Existing law establishes various duties of the Nevada Wing of the Civil Air Patrol, including to carry out crash, rescue and emergency operations, support federal, state and local law enforcement agencies in homeland defense and narcotics interdiction missions and provide related organization and training. (NRS 413.010) **Section 1** of this bill provides that an employee who is a volunteer member of the Nevada Wing of the Civil Air Patrol is entitled to a leave of absence from his or her employment without loss of position, seniority, accrued leave or benefits on days during which the employee is: (1) engaged in training for emergency missions with the Civil Air Patrol, not to exceed 10 workdays during each federal fiscal year; and (2) responding to an emergency mission with the Civil Air Patrol, not to exceed 30 workdays during each federal fiscal year. **Section 1 defines "emergency mission" to include search and rescue and disaster response activities.** **Section 1** prohibits an employer from requiring an employee to exhaust any other leave to which the employee is entitled before such leaves of absence and any such leave is authorized to be treated as unpaid leave by an employer. **Section 1** also requires the employee requesting the leave to provide to his or her employer certain certifications and verifications relating to the employee's service with the Civil Air Patrol. **Section 1** authorizes an employee who is aggrieved by a violation of the provisions of **section 1** to bring a civil action to seek damages equal to the amount of the lost wages and benefits and reasonable attorney's fees and costs.

ASSEMBLYMEMBERS COLE **[;], KASAMA;** DELONG, GURR, HAFEN, HANSEN AND HIBBETTS

AN ACT relating to business; ~~[requiring the Administrator of the Employment Security Division of the Department of Employment, Training and Rehabilitation to adopt regulations establishing a process for certain employers and employing units to elect not to make]~~ **revising provisions relating to** contributions into the Unemployment Compensation Fund; providing an exemption for certain persons from paying certain fees for an application and first renewal of a state business license; establishing requirements relating to the review and approval of an application to modify a facility for personal wireless service by certain land use authorities; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under the Unemployment Compensation Law: (1) with certain exceptions, employers and employing units that employ one or more persons are required to pay contributions into the Unemployment Compensation Fund at a certain rate of the wages paid by the employer for employment; and (2) persons who have become unemployed and comply with certain requirements are eligible for benefits from the Unemployment Compensation Fund in an amount based on the person's previous wages for employment. (Chapter 612 of NRS) **Existing law authorizes certain employers to elect to reimburse the Unemployment Compensation Fund for benefits paid to their former employees rather than making quarterly contributions to the Unemployment Compensation Fund. ~~Section 2 of this bill exempts from the services included in the term "employment" any services performed by a person who has elected not to make contributions on behalf of himself or herself under the regulations adopted pursuant to section 3. Sections 4 and 5 of this bill apply the exemption from the definition of "employment" in section 2 to the provisions of existing law relating to unemployment compensation.~~

~~Existing law defines "employer" for purposes of an excise tax imposed on employers to mean any employer who is required to pay contributions into the Unemployment Compensation Fund. (NRS 363B.030) Section 9 of this bill includes in this definition any employer who elects not to make contributions pursuant to section 2.]~~

Existing law requires a person who applies for a state business license or the renewal of a state business license to pay a fee of $200 or, for certain corporations, $500. (NRS 76.100, 76.130) **Section 6** of this bill exempts certain persons from paying a fee for an initial application for a state business license and the first renewal of the state business license if the person: (1) does not qualify for certain existing tax abatements and partial tax abatements; or (2) attests that the business will employ a certain number of full-time employees in the county or city of the place of business by the eighth calendar quarter after the initial application fee is waived or will make a certain amount of capital investment in the State not later than 2 years after the initial application fee is waived. Upon the second renewal of a state business license, **section 6** requires the Secretary of State to review the records of the business to verify that the business met such criteria and if the business did not, require the person to pay the fees that were waived.

Sections 7 and 8 of this bill provide that the exemption provided in **section 6** is an exception to the requirement to pay a fee for an application and renewal of a state business license.

Existing law requires a land use authority with jurisdiction over an application to construct a facility for personal wireless service to establish procedures and standards for the review and approval of such an application. (NRS 707.575) **Section 10** of this bill establishes requirements relating to the review ~~[and approval]~~ of an application to modify a facility for personal wireless service by a land use authority with jurisdiction over the application.

Section 11 of this bill applies certain existing definitions relating to facilities for personal wireless service to **section 10**. **Section 12** of this bill requires that a denial of an application to modify a facility for personal wireless service be in writing.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Sec. 3.3. **NRS 612.553 is hereby amended to read as follows:**

612.553 1. For the purposes of this section:

(a) "Indian tribe" includes any entity described in subsection 10 of NRS 612.055.

(b) "Nonprofit organization" means any entity described in subsection 1 of NRS 612.121.

(c) "Political subdivision" means any entity described in subsection 9 of NRS 612.055.

2. Any nonprofit organization, political subdivision ***, employer who has in its employ only one person who is the owner or sole shareholder of the organization, trade or business, employer who has in its employ not more than two persons who share a familial relationship within the first degree of consanguinity who are collectively the owners or sole shareholders of the organization, trade or business*** or Indian tribe which is subject to this chapter:

(a) Shall pay contributions to the Unemployment Compensation Fund in the manner provided in NRS 612.535 to 612.550, inclusive, unless it elects, in accordance with this section, to pay into the Unemployment Compensation Fund, in lieu of contributions, as reimbursement an amount equivalent to the amount of regular unemployment compensation benefits and one-half of the extended benefits paid to claimants that is attributable to wages paid, except that after December 31, 1978, a political subdivision, and after December 21, 2000, an Indian tribe, shall reimburse an amount equal to the regular unemployment compensation benefits and all of the extended benefits. An Indian tribe may elect to become liable for payments by way of reimbursement in lieu of contributions for the tribe as a whole, or for any political subdivision, subsidiary, wholly owned business, or any combination thereof. The amount of benefits payable by each employer who elects to make payments by way of reimbursement in lieu of contributions must be an amount which bears the same ratio to the total benefits paid to a person as the total base-period wages paid to that person by the employer bear to the total base-period wages paid to that person by all of the person's base-period employers. Two or more employers who have become liable for payments by way of reimbursement in

lieu of contributions may file a joint application, in accordance with regulations of the Administrator, for the establishment of a group account for the purpose of sharing the cost of benefits paid that are attributable to service in the employ of such employers.

(b) May elect to become liable for payments by way of reimbursement in lieu of contributions for a period of not less than 4 consecutive calendar quarters beginning with the first day of the calendar quarter on which it became subject to this chapter by filing a written notice with the Administrator not later than 30 days immediately following the date of the determination that it is subject to this chapter. The organization remains liable for payments by way of reimbursement in lieu of contributions until it files with the Administrator a written notice terminating its election not later than 30 days before the beginning of the taxable year for which the termination is first effective.

3. Any nonprofit organization, political subdivision ***, employer who has in its employ only one person who is the owner or sole shareholder of the organization, trade or business, employer who has in its employ not more than two persons who share a familial relationship within the first degree of consanguinity who are collectively the owners or sole shareholders of the organization, trade or business*** or Indian tribe which is paying contributions as provided in NRS 612.535 to 612.550, inclusive, may change to a reimbursement-in-lieu-of-contributions basis by filing with the Administrator not later than 30 days before the beginning of any taxable year a written notice of its election to become liable for payments by way of reimbursements in lieu of contributions. The election is not terminable by the organization for that and the next taxable year.

4. The Administrator may for a good cause extend the period in which a notice of election or a notice of termination must be filed and may permit an election to be retroactive, but not any earlier than with respect to benefits paid after December 31, 1970, for a nonprofit organization, December 31, 1976, for a political entity, or December 21, 2000, for an Indian tribe.

5. The Administrator shall notify each nonprofit organization, political subdivision ***, employer who has in its employ only one person who is the owner or sole shareholder of the organization, trade or business, employer who has in its employ not more than two persons who share a familial relationship within the first degree of consanguinity who are collectively the owners or sole shareholders of the organization, trade or business*** and Indian tribe of any determination which the Administrator may make of its status as an employer and of the effective date of any election which it makes and of any termination of such election. The Administrator's determination is subject to reconsideration, petitions for hearing and judicial review in accordance with the provisions of this chapter.

6. The amount of reimbursement in lieu of contributions due from each employing unit which elects to make reimbursement in lieu of contributions must be determined by the Administrator as soon as practicable after the end of each calendar quarter or at the end of any other period as determined by the

Administrator. The Administrator shall bill each employing unit which makes reimbursement in lieu of contributions for an amount determined pursuant to paragraph (a) of subsection 2. Amounts due under this subsection must be paid not later than 30 days after a bill is mailed to the last known address of the employing unit or electronically transmitted to the employing unit. If payment is not made on or before the date due and payable, the whole or any part thereafter remaining unpaid bears interest at the rate of one-half percent per month or fraction thereof, from and after the due date until payment is received by the Administrator. The amount of payments due, but not paid, may be collected by the Administrator, together with interest and penalties, if any, in the same manner and subject to the same conditions as contributions due from other employers. The amount due specified in any bill from the Administrator is conclusive and binding on the employing unit, unless not later than 15 days after the bill was mailed to its last known address or electronically transmitted to it, the employing unit files an application for redetermination. A redetermination made under this subsection is subject to petition for hearing and judicial review in accordance with the provisions of this chapter. Payments made by any nonprofit organization, political subdivision ***, employer who has in its employ only one person who is the owner or sole shareholder of the organization, trade or business, employer who has in its employ not more than two persons who share a familial relationship within the first degree of consanguinity who are collectively the owners or sole shareholders of the organization, trade or business*** or Indian tribe under the provisions of this section must not be deducted, in whole or in part, from the wages of any person employed by that organization.

7. The Administrator shall:

(a) Suspend the election of an Indian tribe to become liable for payments by way of reimbursement in lieu of contributions if the tribe fails to make payment, together with interest and penalties, if any, within 90 days after the tribe receives a bill from the Administrator.

(b) Require an Indian tribe whose election to become liable for payments by way of reimbursement in lieu of contributions is suspended pursuant to paragraph (a) to pay contributions as set forth in NRS 612.535 to 612.550, inclusive, for the following taxable year unless the Administrator receives its payment in full before the Administrator computes the contribution rates for that year.

(c) Reinstate the election of an Indian tribe to become liable for payments by way of reimbursement in lieu of contributions that is suspended pursuant to paragraph (a) if the tribe:

(1) Has paid all contributions pursuant to NRS 612.535 to 612.550, inclusive, including interest and penalties, for not less than 1 year; and

(2) Has no unpaid balance owing to the Administrator for any contribution, payment in lieu of contributions, penalty or interest.

8. Benefits are payable on the basis of employment to which this section applies, in the same amount, on the same terms and subject to the same

conditions as benefits payable on the basis of other employment subject to this chapter.

9. In determining contribution rates assigned to employers under this chapter, the payrolls of employing units liable for payments in lieu of contributions must not be included in computing the contribution rates to be assigned to employers under this chapter. The reimbursement in lieu of contributions paid by or due from such employing units must be included in the total assets of the fund in the same manner as contributions paid by other employers.

10. The provisions of NRS 612.550 do not apply to employers who elect reimbursement in lieu of contributions.

11. Except as inconsistent with the provisions of this section, the provisions of this chapter and regulations of the Administrator apply to any matter arising pursuant to this section.

Sec. 3.5. **NRS 612.6132 is hereby amended to read as follows:**

612.6132 1. Notwithstanding any other provision of this chapter, all employers required to pay contributions under NRS 612.535 are required to pay the special bond contributions provided in this section. The provisions of this section do not apply to any nonprofit organization, political subdivision **,** ***employer who has in its employ only one person who is the owner or sole shareholder of the organization, trade or business, employer who has in its employ not more than two persons who share a familial relationship within the first degree of consanguinity who are collectively the owners or sole shareholders of the organization, trade or business*** or Indian tribe which makes reimbursements in lieu of contributions pursuant to NRS 612.553. The Administrator shall establish an assessment payable by each employer to the Administrator for the special bond contributions at such rate or rates as the Administrator may prescribe.

2. All special bond contributions collected under this section must remain separate from any other contributions paid pursuant to this chapter.

3. The amount of the special bond contributions must be calculated and assessed annually, or more frequently as provided in subsection 4, by the Administrator as the amount necessary for the following purposes:

(a) To pay the bond obligations and bond administrative expenses that are due in that year or any other year;

(b) To replenish amounts that have been drawn from bond reserves under any instrument or agreement related to the bonds;

(c) To fund or replenish additional reserves in an amount required under any instrument or agreement related to the bonds to maintain a debt service coverage ratio at least at the level required by the trust indenture and instruments in connection with the bonds, or in an amount that may be necessary to maintain any ratings on the bonds at a level determined by the State Treasurer, in his or her sole discretion; and

(d) To fund optional redemption, mandatory redemption, purchase, refunding or defeasance of outstanding bonds that will occur in that year.

4. Whenever the Administrator determines that the cash balance and current estimated receipts of the Unemployment Compensation Bond Fund will be insufficient at any time to meet the covenants and conditions of the trust indenture and other instruments in connection with the bonds, the Administrator shall assess supplemental special bond contributions in an amount sufficient to increase the balance of the Unemployment Compensation Bond Fund to the amount required to meet such covenants and conditions.

5. Special bond contributions are due and payable by each employer in accordance with such regulations as the Administrator may prescribe.

6. Except as otherwise provided in NRS 612.6102 to 612.6134, inclusive, all provisions of this chapter applicable to the collection or refund of any contributions due under this chapter, including, without limitation, the enforcement and remedial provisions of NRS 612.625, 612.630, 612.635 and 612.660 to 612.695, inclusive, are applicable to the collection or refund of amounts due pursuant to this section and amounts directed pursuant to this section for deposit into the Unemployment Compensation Bond Fund. In accordance with NRS 612.680, special bond contributions, including penalties and interest thereon, due and unpaid from any employer constitute a lien upon all of the assets of the employer. The lien is to be prior to and paid in preference to all other liens or claims except prior recorded liens and prior taxes.

7. The provisions of this section are operative only when any bonds remain outstanding. During any period that no bonds are outstanding, the Administrator shall cease charging additional special bond contributions and shall notify all employers paying special bond contributions that contributions are no longer being assessed. The Administrator may continue to collect any special bond contributions previously assessed and not paid. Any money remaining in the Unemployment Compensation Bond Fund when no bonds remain outstanding must be deposited into this State's account in the Unemployment Trust Fund of the United States Treasury.

Sec. 3.7. **NRS 612.6175 is hereby amended to read as follows:**

612.6175 1. There is hereby created the Interest Repayment Fund as a special revenue fund.

2. The Fund consists of all money received pursuant to this section, and must only be used for the payment of interest accruing and payable on advances received pursuant to NRS 612.290 in accordance with the conditions specified in Title XII of the Social Security Act, 42 U.S.C. §§ 1321 et seq., as amended.

3. The Administrator shall establish an assessment that will be calculated by dividing the interest accruing and payable on advances received pursuant to NRS 612.290 by 95 percent of the total taxable wages paid by all employers in this State during the immediately preceding calendar year.

4. Except as otherwise provided in subsection 7, each employer subject to the provisions of this chapter shall pay a proportionate share of the assessment established by the Administrator pursuant to subsection 3. An employer's proportionate share of the assessment will be calculated by multiplying the

employer's total taxable wages paid during the immediately preceding calendar year by the amount of the assessment. The Administrator shall notify each employer of his or her proportionate share of the assessment on or before June 30 of each year, and may collect interest on any such amount that remains unpaid on July 31 of each year in accordance with the provisions of NRS 612.620. Any money collected from an employer pursuant to this subsection must be deposited into the Interest Repayment Fund. The Administrator shall establish procedures necessary to collect payments pursuant to this subsection.

5. An employer's proportionate share of the assessment must not be charged against the experience rating record of the employer.

6. The provisions of law applicable to the collection of unemployment contributions also apply to the collection of payments pursuant to this section.

7. The provisions of this section do not apply to any nonprofit organization, political subdivision ***, employer who has in its employ only one person who is the owner or sole shareholder of the organization, trade or business, employer who has in its employ not more than two persons who share a familial relationship within the first degree of consanguinity who are collectively the owners or sole shareholders of the organization, trade or business*** or Indian tribe which makes reimbursements in lieu of contributions pursuant to NRS 612.553.

the school associate superintendent who oversees the local school precinct concerning such meetings; **and** (2) ~~[provides that the term of a member of an organizational team who is the parent or legal guardian of a pupil enrolled in the local school precinct does not expire because his or her child is no longer enrolled at the local school precinct; and (3)]~~ sets forth ~~[when an alternate member must]~~ **the procedure to** fill a vacancy in the organizational team ~~[.]~~ **from among the candidates who received votes in elections for members of the organizational team.**

Existing law sets forth certain duties that the organizational team and superintendent of the large school district are required to carry out when a vacancy occurs in the position of principal for a local school precinct. (NRS 388G.740) **Section 6** of this bill: (1) requires the organizational team to conduct a meeting to obtain input from the public concerning the vacancy; (2) sets forth requirements for how the organizational team and superintendent must use the list of qualifications for candidates prepared by the organizational team; **and** (3) ~~[requires the superintendent to provide information to certain entities regarding the reason that a candidate was not selected; and (4)]~~ requires the organizational team to hold a meeting to introduce the person selected to serve as principal.

Assembly Bill No. 442.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 282.

AN ACT relating to state financial administration; declaring the policy of this State to make payments to private nonprofit corporations under a grant agreement within a certain period of time ~~[,]~~ **and to make advance payments of grants to such corporations;** with certain exceptions, imposing interest on amounts due under a written grant agreement which are not timely paid after receipt of a proper invoice; requiring state entities that make grants to take certain actions upon the receipt of an invoice; authorizing the use of media other than original paper documents to expedite grant payments; revising provisions relating to advance payments of grants to private nonprofit corporations; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

With certain exceptions, this bill enacts requirements governing payments by agencies of the Executive Department of the State Government to private nonprofit corporations that receive grants from those agencies and are reimbursed by those agencies for services or other performance under a grant agreement. **Section 3** of this bill defines the term "grant" to establish the types of financial assistance to which these requirements apply. **Section 8** of this bill declares that it is the policy of this State to: (1) complete all processing and authorization required by law to make a payment, as defined in **section 4** of this bill, within 30 calendar days after ~~[the later of the date on which the payment becomes due under a grant agreement or the date on which the state entity that made the grant receives]~~ **receipt of** a proper invoice, as defined in **section 6** of this bill; and (2) make an advance of a grant to a private nonprofit corporation to facilitate the expeditious carrying out of the grant. **Section 8.5 of this bill requires the State Board of Examiners to adopt policies and procedures to carry out the provisions of this bill, which are required under existing law to be published in the State Administrative Manual. (NRS 232.004) Section 8.5 mandates that such policies and procedures**

include a requirement that a summary of the provisions relating to prompt payments and advance payments be included in each grant agreement with a private nonprofit corporation.

Section 9 of this bill provides that, with certain exceptions, a state entity that makes a grant to a private nonprofit corporation, which is defined in **section 7** of this bill as a "state grant-making entity," is liable for interest on amounts which are due and payable under a written grant agreement at the rate that has been agreed upon in the grant agreement, or if no such rate has been agreed upon, by a specified rate. **Section 9** provides that, with certain exceptions, interest begins accruing on the 31st calendar day after the date on which the state grant-making entity receives a proper invoice and requires interest to be paid from the operating budget of the state grant-making entity, not including money appropriated to fund a grant. **Section 9 also requires a state grant-making entity that does not make a payment that is due and payable under a written grant agreement within 30 calendar days after receipt of a proper invoice to: (1) provide written notice to the private nonprofit corporation of the reason for the delay in making the payment; and (2) make a written record of the delayed payment and submit an annual compilation of such records to the Director of the Office of Finance.**

Section 10 of this bill requires a state grant-making entity to mark an invoice with the date on which the invoice was received and review the invoice as soon as practicable to determine whether the invoice is a proper invoice. **Section 10** authorizes a state grant-making entity to use media that produce tangible recordings of information to expedite payment in lieu of requiring original paper documents.

Section 11 of this bill authorizes a private nonprofit corporation to submit to a state grant-making entity a request for an advance of money from the grant that was awarded to the private nonprofit corporation by the state grant-making entity. **Section 11** requires the private nonprofit corporation to: (1) submit an expenditure plan with its request for an advance and any other information requested by the state grant-making entity; and (2) agree to requirements relating to reporting expenditures, returning unexpended money**,** ~~[and]~~ depositing the advance ~~[.]~~ **and reporting related interest. Section 11**, with certain exceptions, ~~[requires, to the greatest extent practicable,]~~ **authorizes** the state grant-making entity to approve the advance if it ~~[determines that the private nonprofit corporation has demonstrated sufficient justification for the advance and, if applicable, it has verified compliance by recipients of subgrants with the grant agreement and applicable law.]~~ **makes specific determinations and verifications.** With certain exceptions, **section 11** limits the amount of such an advance to be: (1) if the source of funding for the grant is state money, the amount requested by the private nonprofit corporation, but not to exceed 25 percent of the ~~[annual]~~ amount of the grant award; or (2) if the source of the grant is federal money, the minimum amount to cover the immediate cash requirements of the private nonprofit corporation in carrying out the purpose of the grant. **Section 11 prohibits a state grant-making entity**

from making an advance if the entity does not have sufficient budgetary authority or a sufficient cash balance to pay the advance.

~~[Section 11 requires the State Board of Examiners to adopt policies and procedures to carry out that provision, which are required under existing law to be published in the State Administrative Manual. (NRS 232.004)]~~ **Section 11** ~~[also]~~ requires: (1) the state grant-making entity to provide written notice of the approval of any advance to the Director of the Office of Finance; and (2) the Director to submit an annual report to the Interim Finance Committee relating to advance payments of which the Director was notified.

Section 14 of this bill makes this bill effective on July 1, 2026, and section 13 of this bill excludes from the requirements of this bill grants which are executed, renewed or extended before July 1, 2026.

Assembly Bill No. 446.

Bill read second time.

The following amendment was proposed by the Committee on Growth and Infrastructure:

Amendment No. 320.

AN ACT relating to transportation; prohibiting trains of a certain length from being run on certain railroads; ~~[prohibiting a railroad from placing a stationary rail car or train within a certain distance of a railroad grade crossing;]~~ requiring certain railroads to install certain safety equipment; requiring certain railroad companies to take or refrain from taking certain actions relating to railroad safety; establishing requirements for lighting

equipment installed in certain railroad yards; requiring certain reports; providing for the monitoring and inspection of railroads by certain union representatives; prescribing certain requirements relating to the transportation of railroad employees by railroad contract carriers; limiting the hours drivers employed by railroad contract carriers may work; providing for the maintenance and inspection of certain records; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes provisions governing the operation of railroads in this State. (Chapter 705 of NRS) **Section 2** of this bill prohibits a **Class I or Class II** railroad ~~[company owning or]~~ operating ~~[any railroad]~~ in this State from ~~[: (1)]~~ operating, running or allowing to be run on certain railroad tracks a freight or work train that is more than ~~[8,500]~~ **7,500** feet long ~~. [; and (2) placing a stationary rail car or train within 1,500 feet of a railroad grade crossing.]~~ **Section 2** also requires a **Class I or Class II** railroad ~~[company owning or]~~ operating ~~[any railroad]~~ in this State to: (1) install and periodically inspect a hot box detector every ~~[10]~~ **20** miles along certain railroad tracks in this State; and (2) cut, separate or move a train, rolling stock or other on-track equipment that has come to a complete stop and is blocking a railroad grade crossing, if an authorized emergency vehicle is approaching the crossing, with certain exceptions. **Section 3** of this bill prohibits a **Class I or Class II** railroad ~~[company owning or]~~ operating ~~[any railroad]~~ in this State from placing or causing to be placed certain material, debris and other objects that could pose a safety hazard to employees of the railroad within a certain area surrounding railroad tracks.

Section 4 of this bill requires ~~[certain]~~ **Class I or Class II** railroads that operate a railroad yard where rail cars or locomotives are frequently switched, repaired or inspected at night or where trains are frequently assembled or disassembled at night to: (1) maintain the lighting equipment installed in such railroad yards in good and working order; and (2) ~~[promptly]~~ repair or replace malfunctioning lighting equipment within 48 hours after receiving a report of a malfunction of the equipment. **Section 4** establishes certain minimum standards for lighting equipment installed in a railroad yard where rail cars or locomotives carrying hazardous materials are frequently switched, repaired or inspected at night or where certain trains carrying such materials are frequently assembled or disassembled at night. **Section 4** additionally requires ~~[certain]~~ **Class I or Class II** railroads and the union representatives of the employees of each railroad yard of such railroads to annually compile and transmit to the Public Utilities Commission of Nevada certain reports relating to the maintenance and operation of the lighting equipment installed in the railroad yards operated by the railroad.

Section 5 of this bill requires a railroad company owning or operating any railroad in this State to authorize a representative of a union that represents the employees of the railroad to monitor the safety practices of the railroad. **Section 5** requires a railroad to authorize the representative of such a union to

access the property of the railroad to conduct certain inspections and other activities to monitor the safety practices of the railroad. **Section 5** also requires a railroad to notify the Commission and certain union officials upon the occurrence of any derailment, collision or other incident involving a train, rail car, locomotive or other equipment owned or operated by the railroad or operated on the railroad tracks owned or operated by the railroad.

Section 6 of this bill requires each **Class I or Class II** railroad ~~[company owning or]~~ operating ~~[any railroad]~~ in this State to provide a bond to the Commission in an amount of not less than $5,000,000 to ensure the compliance of the railroad with the provisions of **sections 2-5**. **Section 6** also provides that a railroad that violates the provisions of **sections 2-5** is subject to certain civil penalties. **Sections 1.5 and 1.7 of this bill define the terms "Class I railroad" and "Class II railroad," respectively, and section 1.3 of this bill establishes the applicability of those definitions to sections 1.3-6.**

Existing law requires an operator of a motor vehicle that transports passengers for compensation pursuant to a contract with one or more customers to obtain a permit from the Nevada Transportation Authority as a contract motor carrier. Existing law subjects each contract motor carrier to certain regulations and requirements. (Chapter 706 of NRS) **Sections 9-20** of this bill prescribe additional requirements for railroad contract carriers, which are contract motor carriers that specifically transport, for compensation and within this State, employees of a railroad. **Section 15** limits, with certain exceptions, the number of hours that a railroad contract carrier can require or allow a driver employed by the carrier to drive or otherwise be on duty for the carrier. **Section 15** requires a railroad contract carrier to ~~[ensure]~~ **require** that each driver maintains accurate time records on a daily basis. **Section 15** requires each railroad contract carrier to collect and retain records for each driver for a period of not less than 1 year. **Section 16** prohibits a railroad contract carrier from employing a driver who has twice been convicted of certain traffic offenses within a 3-year period or has ever had his or her driving privileges suspended or revoked due to a conviction of certain traffic offenses. **Section 16** also requires a railroad contract carrier to maintain for each driver employed by the carrier certain information relating to the driving ability and safety record of the driver. **Section 17** prohibits a person from acting as a driver for a railroad contract carrier unless the person submits to testing for alcohol and controlled substances. **Section 17** also requires a railroad contract carrier to test a driver involved in a crash involving certain injuries for alcohol and controlled substances as soon as practicable after the crash. **Section 17** requires a railroad contract carrier to transmit the results of any post-crash testing of a driver to the Authority. **Section 18** requires a railroad contract carrier to annually inspect each transport vehicle operated by the carrier. **Section 18** further requires a railroad contract carrier to ~~[develop]~~ **adopt** a vehicle safety and maintenance policy, which must provide for the weekly inspection of parts and accessories of each transport vehicle. **Section 18** requires each transport

vehicle operated by a railroad contract carrier to be equipped with certain equipment and safety features.

Existing law requires motor carriers regulated by the Authority to maintain a liability insurance policy in such amounts as the Authority may designate. (NRS 706.291) **Section 19** instead requires each railroad contract carrier to maintain a certain minimum amount of liability coverage and uninsured and underinsured vehicle coverage. **Section 25** of this bill clarifies that the insurance requirements of **section 19** apply only to railroad contract carriers and not to other contract motor carriers, which are still required to maintain the minimum amount of coverage prescribed by the Authority. Additionally, **section 20** requires a railroad contract carrier to provide a bond to the Authority in an amount of not less than $5,000,000 to ensure the compliance of the railroad contract carrier with the provisions of **sections 8-20**.

Existing law declares all contract motor carriers to be affected with a public interest and subject to the permitting, regulatory and enforcement authority of the Authority. (NRS 706.156) **Section 22** of this bill requires a railroad contract carrier to comply with the provisions of **sections 8-20** in the same manner as the carrier is required to comply with other requirements and regulations applicable to contract motor carriers generally. **Sections 26-30** of this bill provide for the enforcement of **sections 8-20** by the Authority in the same manner as other provisions relating to motor carriers. **Section 23** of this bill clarifies that the requirements of **sections 8-20** are inapplicable to vehicles leased to or owned by certain governmental entities. **Section 24** of this bill requires a railroad contract carrier to display certain identifying information on each vehicle it operates. **Sections 9-14** define certain terms relating to railroad contract carriers and **section 8** establishes the applicability of those definitions. **Section 21** of this bill applies definitions in existing law relating to the regulation of motor carriers to **sections 8-20**.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Bill read second time.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 479.

AN ACT relating to health care; establishing various requirements relating to vision benefit managers and providers of vision care; revising provisions relating to certain contracts between an insurer and a provider of vision care; prohibiting certain conduct of a vision benefit manager or provider of vision care which would constitute an unfair or deceptive trade practice in the business of insurance; authorizing a provider of vision care to bring a civil action against a vision benefit manager under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law prohibits certain unfair trade practices in the business of insurance. (NRS 686A.010-686A.310) Existing law prohibits an insurer from entering into a contract with a provider of vision care that conditions any rate of reimbursement for vision care on the provider of vision care prescribing certain ophthalmic devices or materials or increases the rate of reimbursement if the provider of vision care prescribes such ophthalmic devices or materials. Existing law also prohibits an insurer from entering into a contract with a provider of vision care that: (1) authorizes the insurer to set or limit the amount that the provider of vision care may charge for vision care that is not

reimbursed under the contract; or (2) requires the provider of vision care to use a specific laboratory as the manufacturer of ophthalmic devices or materials provided to a covered person. Finally, existing law requires a provider of vision care to disclose to any covered person an ownership or pecuniary interest of the provider in a supplier of ophthalmic devices or materials before the covered person authorizes the provider to obtain covered eyewear materials from such a supplier. (NRS 686A.135) Existing law authorizes the Commissioner of Insurance to investigate a violation of and enforce those provisions as an unfair or deceptive trade practice. (NRS 686A.020, 686A.160, 686A.170, 686A.183)

Sections ~~[2-34]~~ 2-25, 27-34 and 37 of this bill revise provisions of existing law governing vision care and set forth various additional requirements and restrictions governing vision benefit managers. **Section 15** defines "vision benefit manager" to mean a person, including, without limitation, an insurer, third-party administrator or subcontractor, that creates, promotes, sells, provides, operates, advertises or administers a vision benefit plan or vision benefit discount plan. **Section 16** defines "vision benefit plan" to mean a policy, contract, certificate or agreement offered by a vision benefit manager to provide for, deliver payment for, arrange for the payment of, pay for or reimburse any of the costs of vision care. **Section 16** specifies that the term includes a standalone vision benefit plan or a health benefit plan that provides coverage for vision care. **Section 14** defines "vision benefit discount plan" to mean a policy, contract, certificate or agreement offered by a vision benefit manager to an enrollee that solely provides for a discount for covered services or covered materials.

Because an insurer that provides a vision benefit plan constitutes a vision benefit manager, **section 37** revises the provisions of existing law setting forth certain prohibitions on insurers with respect to vision care to replace references to an insurer with references to a vision benefit manager. **Section 37** additionally prohibits a vision benefit manager from: (1) requiring a provider of vision care to use a specific source or supplier for certain materials, including ophthalmic devices; and (2) paying reimbursement to a provider of vision care which is not reasonable . ~~[and not substantially similar to rates for reimbursement under Medicare.]~~

Section 18 prohibits a vision benefit manager from limiting the reimbursement or choice of a provider of vision care for services or materials which are not covered by a plan. **Sections 19, 20, 25 and 30-32** prohibit certain provisions in a contract or agreement between a vision benefit manager and a provider of vision care.

Section 21 prohibits a vision benefit manager from falsely representing the number of participating providers of vision care or the benefits that compose a plan. **Section 22** prohibits a vision benefit manager from engaging in certain marketing or advertising activities. **Section 23** prohibits a vision benefit manager from retroactively reversing a reimbursement to a provider of vision care if the provider relied in good faith on certain information at the time of service. **Section 24** authorizes a provider of vision care to offer a cash price

option for certain services and materials under certain circumstances. ~~[Section 26 requires a vision benefit manager, under certain circumstances, to provide the same reimbursement to an optometrist for certain services or materials as if the services or materials were provided by a physician.]~~ **Section 27** establishes procedures for amending or terminating a contract between a vision benefit manager and a provider of vision care.

Sections 28 and 29 prohibit certain actions of a vision benefit manager relating to certain business practices, billing practices, audit practices and receiving personal or confidential information of an enrollee. **Section 34** authorizes a provider of vision care who is adversely affected by certain violations by a vision benefit manager to bring a civil action to recover his or her actual damages, punitive damages and other equitable relief. **Section 33** makes the provisions of this bill which are applicable to a vision benefit manager equally applicable to any affiliate or subcontractor that a vision benefit manager uses or enters into a contract with for certain activities. **Section 33** additionally makes the provisions of this bill which are applicable to contracts between a provider of vision care and a vision benefit manager equally applicable to certain other agreements.

Sections 35, 36 and 38-43 of this bill make provisions of existing law which are generally applicable to certain unfair or deceptive trade practices in the business of insurance specifically applicable to the provisions of **sections** ~~[2-34.]~~ **2-25 and 27-34. Sections 44-47** of this bill provide that certain entities that provide coverage for vision care, including local governments and the Public Employees' Benefits Program, are subject to the provisions of **sections** ~~[2-34.]~~ **2-25 and 27-34.**

The following amendment was proposed by the Committee on Growth and Infrastructure:

Amendment No. 408.

AN ACT relating to wildlife; **revising provisions relating to the proposal for certain highway projects the Department of Transportation must submit to the Board of Directors of the Department;** revising provisions relating to the Wildlife Crossings Account; increasing the fee collected from a purchaser of new tires and requiring a certain amount of the proceeds to be credited to the Account; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Department of Transportation to prepare a written analysis of the costs and benefits of each proposal for a highway project that will cost $25 million or more. (NRS 408.3195) Section 1 of this bill instead requires that the Department prepare such an analysis of each proposal for a highway project that will cost $50 million or more. Section 1 additionally requires the Department to include in the analysis for a highway project proposal a discussion of the value of any mitigation of wildlife-vehicle collisions from the design, construction and use of wildlife crossings.

Existing law creates the Wildlife Crossings Account in the State General Fund, which is administered by the Director of the Department of Transportation. Existing law requires the money in the Account to be used by the Department for certain purposes relating to wildlife crossings. (NRS 408.656)

Existing law requires a person who sells a new tire for a vehicle to a customer for certain purposes to collect from the purchaser a fee of $1 per tire to be held in trust for the State. The seller then must: (1) transmit 95 percent of the money held in trust to the Department of Taxation for deposit with the State Treasurer for credit to the Solid Waste Management Account in the State General Fund; and (2) retain the remaining 5 percent to cover related administrative costs. (NRS 444A.090) **Section 2** of this bill increases the fee collected by the seller to $2 per tire and, once the 95 percent of the money is transmitted to the Department of Taxation for deposit with the State Treasurer, requires the State Treasurer to credit half of the money to the Wildlife Crossings Account in the State General Fund and the other half of the money to the Solid Waste Management Account in the State General Fund.

Section ~~[1]~~ 1.5 of this bill requires that any money credited to the Wildlife Crossings Account from the fee imposed pursuant to **section 2** be deposited in the State Treasury for credit to the Account.

A person who did not pay the fee imposed by this section at the time of purchase because he or she purchased the new tire for resale and who then makes any use of that tire other than to resell it in the ordinary course of business, shall pay the fee imposed by this section to the Department of Taxation at the time of the first use of that tire for a purpose other than holding it for resale.

2. The seller shall account separately for all money received pursuant to subsection 1 as a deposit to be held in trust for the State. In accordance with the regulations adopted pursuant to subsection 3, the seller shall transmit 95 percent of the money held in trust pursuant to this section to the Department of Taxation for deposit with the State Treasurer **.** ~~[for]~~ ***The State Treasurer shall*** credit ***half of the money transmitted pursuant to this subsection to the Wildlife Crossings Account created by NRS 408.656 in the State General Fund and half of the money*** to the Solid Waste Management Account in the State General Fund. 3. The Director of the Department of Taxation shall adopt regulations establishing acceptable methods for accounting for and transmitting to the Department money collected or required to be paid by retailers pursuant to subsection 1. The regulations must include a designation of the persons responsible for payment. The regulations must, in appropriate situations, allow for the transmission of that money together with the payment of the applicable sales and use taxes.

4. In collecting the fee, the Department of Taxation may employ any administrative and legal powers conferred upon it for the collection of the sales and use taxes by chapters 360 and 372 of NRS.

5. The fee imposed pursuant to subsection 1 does not apply to any tire included in the sale of a new or used vehicle unless the tire is sold in a separate transaction.

Assembly Bill No. 489.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 406.

AN ACT relating to civil actions; revising the term "heir" for certain purposes relating to civil actions; eliminating the statute of limitations for certain civil actions arising from a death caused by homicide; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law, for the purposes of allowing an heir to maintain an action for damages for a death caused by the wrongful act or neglect of another person, defines the term "heir" to mean a person who would be entitled to succeed to the separate property of a decedent if the decedent had died intestate. (NRS 41.085) **Section 1** of this bill revises the definition of "heir" to mean a person who, at the time such an action for damages is brought, would be entitled to succeed to the separate property of the decedent.

Existing law generally requires a civil action to recover damages for injuries to or the death of a person arising from the wrongful act or neglect of another person to be commenced not later than 2 years after the date on which the wrongful act or neglect occurred. (NRS 11.190) **Sections 1 and 2** of this bill authorize a civil action to recover damages for the death of a decedent to be brought by the heirs and the personal representatives of the decedent at any time upon a showing by a preponderance of evidence that the death of the decedent was a homicide committed by a wrongdoer. **Section 3** of this bill provides that the amendatory provisions of this bill apply retroactively to any ~~[cause of action to recover damages for]~~ **wrongful act or neglect of another causing a** death ~~[caused by]~~ **that was a** homicide ~~[that accrues before, on or after the effective date of this bill.]~~ **, even if the statute of limitations that was in effect at the time of the act has expired, which means that a civil action that would otherwise be time-barred by the former statute of limitations is revived by this bill.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 41.085 is hereby amended to read as follows:

41.085 1. As used in this section, "heir" means a person who, under the laws of this State, ***at the time an action is brought pursuant to subsection 2,*** would be entitled to succeed to the separate property of the decedent if the decedent had died intestate. The term does not include a person who is deemed to be a killer of the decedent pursuant to chapter 41B of NRS, and such a person shall be deemed to have predeceased the decedent as set forth in NRS 41B.330.

2. When the death of any person, whether or not a minor, is caused by the wrongful act or neglect of another, the heirs of the decedent and the personal representatives of the decedent may each maintain an action for damages against the person who caused the death, or if the wrongdoer is dead, against the wrongdoer's personal representatives, whether the wrongdoer died before

or after the death of the person injured by the wrongdoer. If any other person is responsible for the wrongful act or neglect, or if the wrongdoer is employed by another person who is responsible for the wrongdoer's conduct, the action may be maintained against that other person, or if the other person is dead, against the other person's personal representatives.

3. ***An action brought by the heirs of a decedent and the personal representatives of a decedent pursuant to subsection 2 may be commenced at any time upon a showing by a preponderance of evidence that the death of the decedent was a homicide committed by the wrongdoer.***

4. An action brought by the heirs of a decedent pursuant to subsection 2 and the cause of action of that decedent brought or maintained by the decedent's personal representatives which arose out of the same wrongful act or neglect may be joined.

~~[4.]~~ ***5.*** The heirs may prove their respective damages in the action brought pursuant to subsection 2 and the court or jury may award each person pecuniary damages for the person's grief or sorrow, loss of probable support, companionship, society, comfort and consortium, and damages for pain, suffering or disfigurement of the decedent. The proceeds of any judgment for damages awarded under this subsection are not liable for any debt of the decedent.

~~[5.]~~ ***6.*** The damages recoverable by the personal representatives of a decedent on behalf of the decedent's estate include:

(a) Any special damages, such as medical expenses, which the decedent incurred or sustained before the decedent's death, and funeral expenses; and

(b) Any penalties, including, but not limited to, exemplary or punitive damages, that the decedent would have recovered if the decedent had lived,

➥ but do not include damages for pain, suffering or disfigurement of the decedent. The proceeds of any judgment for damages awarded under this subsection are liable for the debts of the decedent unless exempted by law.

Sec. 2. NRS 11.190 is hereby amended to read as follows:

11.190 Except as otherwise provided in NRS 40.4639, 125B.050 and 217.007, actions other than those for the recovery of real property, unless further limited by specific statute, may only be commenced as follows:

1. Within 6 years:

(d) Except as otherwise provided in NRS 112.230 and 166.170, an action for relief on the ground of fraud or mistake, but the cause of action in such a case shall be deemed to accrue upon the discovery by the aggrieved party of the facts constituting the fraud or mistake.

(e) Except as otherwise provided in NRS 11.215 ***,*** ~~[or]~~ 11.217 ~~[,]~~ ***or 41.085,*** an action to recover damages for injuries to a person or for the death of a person caused by the wrongful act or neglect of another. The provisions of this paragraph relating to an action to recover damages for injuries to a person apply only to causes of action which accrue after March 20, 1951.

(f) An action to recover damages under NRS 41.740.

5. Within 1 year:

Legislative Counsel's Digest:

Section 1 of this bill ~~[requires, with certain exceptions,]~~ **provides that if the Secretary of State requests any information or data relating to an election from** a county or city clerk **, the clerk is required, not later than the end of the second calendar day after receiving the request,** to ~~[: (1) respond to a request from]~~ **provide** the Secretary of State ~~[for]~~ **with: (1) the** information or data **;** ~~[relating to an election not later than 48 hours after receiving the request with the information or data requested; or]~~ (2) ~~[provide]~~ a written explanation ~~[as to why the county or city clerk is unable to comply.]~~ **that the county or city clerk will not be able to provide the information or data by the end of the second calendar day, along with an estimate of when the county or city clerk will provide the information or data; or (3) a written explanation that the county or city clerk does not have the information or data.**

Existing law requires a person to be a qualified elector to be eligible for a public office in this State. (Nev. Const. Art. 15, § 3) Existing law also requires, with certain exceptions, a candidate for any elected office to actually, as opposed to constructively, reside in the State, district, county, township or other area prescribed by law to which the office pertains. (NRS 218A.264) **Sections 3, 4, 6 and 13** of this bill provide that a declaration of candidacy, a declaration of residency and a declaration of eligibility are public records and the filing officer must make such declarations available to the public in an electronic format.

Sections 3, 6 and 13 also require a person filing a declaration of candidacy or declaration of eligibility to attest under penalty of perjury to the city or town and county of the State of Nevada where the person is registered to vote.

~~[Existing law requires an independent candidate for partisan office to file with the appropriate filing officer a petition of candidacy not earlier than the first Monday in March preceding the general election and not later than 5 p.m. on the third Friday in June. Amendment No. 413.

AN ACT relating to waste; ~~[establishing provisions relating to the disposal of propulsion batteries;]~~ requiring ~~[an owner]~~ **certain owners** of a distributed generation system to file certain plans relating to the disposal of the distributed generation system with the Division of Environmental Protection of the State Department of Conservation and Natural Resources; **requiring facilities that recycle materials from a distributed generation system or utility-scale solar project to file a report with the Division;** requiring a surplus retirement plan to include certain information relating to the retirement of a utility-scale solar project; ~~[providing penalties;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Existing law prohibits: (1) the willful disposal, abandonment or dumping of a motor vehicle battery at any site which has not been issued a permit by the solid waste management authority and at any sanitary landfill or other disposal site established by a municipality which has not been issued a permit by the solid waste management authority; and (2) the incineration of a motor vehicle battery as a means of disposal, unless approved by the solid waste management authority. (NRS 444.583) Existing law further requires a solid waste management authority to issue permits for the operation of disposal sites for solid waste. (NRS 444.553) Section 2 of this bill: (1) requires all propulsion batteries in this State to be disposed of with a specialized battery recycler; (2) prohibits the disposal of propulsion batteries in municipal solid waste landfills; and (3) requires each solid waste management authority to prohibit the owner~~

~~or operator of a municipal solid waste landfill from accepting a propulsion battery for disposal.~~

~~— Section 26 of this bill applies the definitions in existing law relating to the collection and disposal of solid waste to section 2.~~

~~— Section 27 of this bill provides that the prohibition and civil penalty set forth in section 2 is an exception to other penalties in existing law relating to the disposal or incineration of motor vehicle batteries.~~

~~— Sections 28-31 of this bill apply certain penalties, remedies and enforcement mechanisms relating to the collection and disposal of solid waste to the provisions of section 2.~~

~~— Existing law provides that: (1) a plan for a solid waste management system does not apply to a vehicle owned by an automobile wrecker or in the possession of a salvage pool; and (2) the provisions governing the collection and disposal of solid waste do not prevent a mining operation from dumping waste from its operation on its own lands. (NRS 444.620) Section 32 of this bill applies these exceptions to section 2.~~

~~— Sections 4-15 of this bill define certain terms relating to the disposal of propulsion batteries. Section 3 of this bill applies those definitions to the provisions of sections 4-25 of this bill.~~

~~— Section 16 sets forth a declaration of the Legislature relating to the management and disposal of propulsion batteries in this State. Section 17 sets forth the applicability of the provisions of sections 3-25.~~

~~— Section 18 requires a battery provider who sells, offers for sale or distributes for sale a propulsion battery or a vehicle containing a propulsion battery in or into this State to: (1) add a label to the propulsion battery with the name and contact information of the battery provider; and (2) ensure that the battery health of the propulsion battery is easily interpretable and accessible.~~

~~— Section 19 requires a battery provider or, if a propulsion battery has been reused, repaired, repurposed or remanufactured by a secondary handler or secondary user, the secondary handler or secondary user, to dispose of all spent propulsion batteries in this State with a specialized battery recycler.~~

~~— Section 20 sets forth the methods by which a person other than a battery provider, secondary handler or secondary user may dispose of a propulsion battery or a vehicle containing a propulsion battery, which include: (1) returning the propulsion battery to the party responsible for disposal; (2) notifying the responsible party to collect the propulsion battery; or (3) selling or transferring the propulsion battery or vehicle to a secondary handler, secondary user or specialized battery recycler. Section 21 similarly sets forth the methods by which a secondary handler or secondary user may dispose of a propulsion battery or a vehicle containing a propulsion battery. Section 22 requires a battery provider, secondary handler or secondary user to take certain actions upon receiving such notification and when collecting a propulsion battery.~~

~~— Sections 23-25 require each battery provider, secondary handler, secondary user and specialized battery recycler in this State to submit certain reports to~~

~~the Division of Environmental Protection of the State Department of Conservation and Natural Resources.~~

~~Existing law sets forth certain requirements for the dismantling, scrapping, processing or wrecking of vehicles by an automobile wrecker. (NRS 487.047-487.200) Section 34 of this bill provides that an automobile wrecker is subject to the provisions of sections 2-25 with respect to such activities for a vehicle containing a propulsion battery. Section 35 of this bill applies certain definitions relating to automobile wreckers to section 34. Section 36 of this bill applies certain criminal penalties to the provisions of section 34.~~

Existing law sets forth certain requirements for agreements for the lease or purchase of a distributed generation system and for the purchase of the output of a distributed generation system. (NRS 598.9801-598.9822) **Section 33** of this bill requires the owner of a distributed generation system ~~[~~, including one which~~]~~ **that** has been leased or ~~[~~one~~]~~ from which a customer is purchasing the output ~~[~~,~~]~~ to file with the Division a plan for the disposal of the distributed generation system at the end of the useful life of the system. **Section 37** of this bill requires an agreement for the lease of a distributed generation system to include a description of any obligation the lessor has regarding the ~~[~~disposal~~]~~ **disposition** of the distributed generation system in accordance with the plan.

Existing law requires certain electric utilities to file a surplus asset retirement plan with the Public Utilities Commission of Nevada for each asset classified as surplus and sets forth certain requirements for the plan. (NRS 704.734) **Section 38** of this bill requires a surplus asset retirement plan for certain utility-scale solar projects to include certain information relating to the decommissioning of a site of such a project and the restoration of the land.

Section 36.5 of this bill requires each facility that recycles a distributed generation system or utility-scale solar project or a component thereof to submit a written report to the Division with certain information relating to the materials received, recycled and recovered by the facility.

Legislative Counsel's Digest:

Existing law authorizes a county clerk to cause to be published in a newspaper circulated in the county an alphabetical listing of all registered voters. (NRS 293.557) **Section 3** of this bill requires, on the first business day of each month, each county clerk to publish on the Internet website of the county clerk an alphabetical listing of all registered voters in the county. **Section 3** further requires that the county clerk ensure that the alphabetical listing may be downloaded by any person free of charge. **Section 6** of this bill makes a conforming change to require the county clerk to include the identification number of a registered voter on the list required by **section 3**, similar to the inclusion of the identification number on other lists of registered voters made available for public inspection.

Existing law requires, with certain exceptions, the county or city clerk to send to each active registered voter certain information relating to voting by mail, including a mail ballot and a return envelope. (NRS 293.269913, 293C.26312) **Sections 4 and 9** of this bill require that the return envelope include: (1) the ~~[name]~~ **initials** of the voter in print; and (2) a space for the voter to write his or her telephone number for purposes of contacting the voter, if necessary, for signature curing or verification.

Sections 2 and 8 of this bill require each county and city clerk, respectively, to post on the Internet website of the county or city clerk, as applicable, certain information relating to mail ballots and provisional ballots starting on the day after the period of early voting by personal appearance begins and ending on the day after the election results are canvassed. **Sections 2 and 8** also require the Secretary of State to post on the Internet website of the Secretary of State a compilation of such information.

Existing federal law requires that access to information about an individual provisional ballot be restricted to the individual who cast the ballot. (52 U.S.C. § 21082) Existing state law requires that access to information concerning a provisional ballot be restricted to the person who cast the ballot. (NRS 293.3086, 293.5882) **Sections 5 and 7** of this bill revise these provisions to specify that access to information concerning an individual provisional ballot must be restricted.

Amendment No. 481.

AN ACT relating to chiropractic; enacting provisions relating to temporary certificates for chiropractic assistants; revising provisions relating to unprofessional conduct in the practice of chiropractic; revising the membership of the Chiropractic Physicians' Board of Nevada; revising certain qualifications required to apply for a license as a chiropractic physician or a certificate as a chiropractic assistant; revising certain fees the Board may charge and collect; revising certain requirements for student participation in a preceptor program; revising certain requirements for certain cease and desist orders of the Board; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law regulates the practice of chiropractic in this State and provides for the licensure of chiropractic physicians and the certification of chiropractic assistants. (Chapter 634 of NRS) **Section 1** of this bill authorizes the Chiropractic Physicians' Board of Nevada, under certain circumstances, to issue a temporary certificate to practice as a chiropractic assistant to a person who holds an existing license, certificate or registration in good standing in another jurisdiction where the person resides. **Section 1** provides that such a temporary certificate is: (1) valid for 15 business days or less; (2) valid only under the supervision and control of a chiropractic physician; and (3) not renewable, and the Board may grant not more than two temporary certificates to a person during any calendar year. **Section 1** authorizes the Board to charge a reasonable fee, established by regulation of the Board, for each application for a temporary certificate.

Existing law provides grounds for initiating disciplinary action against practitioners of chiropractic. (NRS 634.018, 634.140) **Section 2** of this bill makes employing a person as a temporary chiropractic assistant if the person has not been issued a temporary certificate pursuant to **section 1** grounds for disciplinary action.

Existing law creates the Board, consisting of seven members, and requires the Governor to appoint members with certain qualifications. (NRS 634.020) **Section 3** of this bill revises the membership of the Board by: (1) removing a requirement for the Governor to appoint one member who represents the interests of persons or agencies that regularly provide health care to patients who are indigent, uninsured or unable to afford health care; and (2) increasing from four to five the number of chiropractic physicians the Governor is required to appoint.

Existing law requires: (1) the Board to hold certain examinations prescribed by the Board at least semiannually; and (2) examinations prescribed by the Board to include certain subjects. Existing law also authorizes the Board to: (1) determine the form of such examinations; and (2) include additional subjects on such examinations. (NRS 634.070) **Section 4** of this bill removes the requirements that such examinations be held semiannually and contain

certain subjects, and instead authorizes the Board to: (1) hold examinations semiannually or at other intervals prescribed by the Board; and (2) determine the content of such examinations. **Section 5** of this bill requires an applicant for examination to submit to the Board a statement which attests that the applicant has read, understood and will abide by the provisions of existing law and regulations governing chiropractic physicians and providers of health care. **Sections 7 and 10** of this bill remove provisions establishing the minimum score to pass the required examination. **Section 7** additionally removes certain provisions governing applicants who fail to pass the examination.

Sections 3, 5, 6 and 12 of this bill revise the educational requirements for licensure as a chiropractic physician **and for being appointed to the Board** to specify that the required education may be obtained through certain doctor of chiropractic degree programs.

Existing law authorizes the Board to specify the formal training which an applicant for a certificate as a chiropractic assistant must complete, which must include at least 12 months of study or the equivalent. (NRS 634.123) **Section 8** of this bill removes the requirement to include at least 12 months of training or the equivalent. ~~[Existing law requires certain licenses and certificates to be renewed biennially, on or before January 1. (NRS 634.130) Section 9 of this bill instead requires renewal by the last day of the month in which the holder of the license or certificate was born.]~~

Section 11 of this bill eliminates the authority of the Board to charge a fee for providing to a person who is not licensed to practice chiropractic: (1) a list of persons who were licensed to practice chiropractic following the most recent examination of the Board; (2) a copy of the statutes, regulations and other rules governing the practice of chiropractic in this State; and (3) a list of continuing education courses approved by the Board. **Section 11** also expands the applicability of an existing fee for a review by the Board of certain courses offered for continuing education to include a review of a course offered to satisfy the requirements for the qualifications to perform dry needling.

Section 12 revises certain requirements for a student to participate in a preceptor program. **Section 13** of this bill revises certain contact information which is required to be included in certain cease and desist orders issued by the Board.

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 454.

SUMMARY— ~~[Provides for Medicaid coverage of certain mental health services.]~~ **Makes revisions relating to mental health care.** (BDR 38-350)

AN ACT relating to ~~[Medicaid;]~~ **mental health;** requiring Medicaid to provide coverage for ~~[certain community-based living arrangement services;]~~ **rehabilitative residential mental health care; requiring the State Long-Term Care Ombudsman to investigate and provide certain assistance to providers of rehabilitative residential mental health care; providing for the licensure and regulation of providers of rehabilitative residential mental health care; providing a penalty;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Department of Health and Human Services to administer Medicaid. (NRS 422.270) **Section 1** of this bill requires the Director of the Department to include under Medicaid coverage for **rehabilitative residential mental health** care provided ~~[through a therapeutic group home]~~ to **certain** recipients of Medicaid **.** ~~[who have serious mental illnesses.]~~ **Section ~~[1]~~ 5 of this bill** defines the term ~~["therapeutic group home"]~~ **"rehabilitative residential mental health care"** to mean ~~[a provider of community-based living arrangement services that supports independent, community-based living for persons with serious mental illnesses,]~~ **community-based, medically monitored care provided in a residential setting that uses established rehabilitative principles to achieve certain**

goals relating to mental health. Section 6 of this bill applies that definition to provisions of existing law governing medical facilities and other related entities. Section ~~[2]~~ 3 of this bill makes a conforming change to require the Director to administer the provisions of **section 1** in the same manner as the provisions of existing law governing the State Plan for Medicaid.

Existing law provides for the licensure and regulation by the Division of Public and Behavioral Health of the Department of community-based living arrangement services, which are flexible, individualized services that are: (1) provided in the home, for compensation, to persons with mental illness; and (2) designed and coordinated to assist such persons in maximizing their independence. (NRS 449.0026, 449.0045, 449.030, 449.0302) Sections 2 and 4-16 of this bill similarly provide for the licensure and regulation of providers of rehabilitative residential mental health care. Section 8 requires such a provider to obtain a license as a facility for the dependent and comply with other requirements applicable to such facilities. Sections 7, 9 and 10 clarify that such a provider is separate from certain other types of facilities for the dependent. Section 11 requires the State Board of Health to adopt specific regulations governing providers of rehabilitative residential mental health care. Sections 12 and 15 provide for the inspection of buildings operated by such providers. Sections 13 and 14: (1) require periodic background investigations of the personnel of a provider of rehabilitative residential mental health care; and (2) authorize the suspension or revocation of the license of such a provider if the provider or an employee of the provider has been convicted of certain crimes. (NRS 449.174) Section 16 requires a provider of rehabilitative residential mental health care to notify a person receiving such care from the provider, his or her parent or legal guardian or another designated person upon the discovery by the Division of a deficiency affecting the health and safety of a patient. Section 4 requires such a provider to comply with provisions governing the reporting and investigation of sentinel events and the designation of patient safety officers. (NRS 439.800-439.890) Section 2 adds providers of rehabilitative residential mental health care to the list of facilities that the State Long-Term Care Ombudsman is required to investigate and assist. (NRS 427A.125-427A.165) Section 17 of this bill provides that a person is not required to be a licensed nurse to provide rehabilitative residential mental health care if the person is licensed pursuant to the provisions of this bill. Operating as a provider of rehabilitative residential mental health care without a license would be a misdemeanor. (NRS 449.210)

~~[ASSEMBLYMEMBER]~~ **ASSEMBLYMEMBERS** ANDERSON **; AND CONSIDINE**

JOINT SPONSOR: SENATOR NEAL

RESOLVED BY THE ASSEMBLY AND SENATE OF THE STATE OF NEVADA, JOINTLY, That Section 1 of Article 10 of the Nevada Constitution be amended to read as follows:

Section 1. 1. The Legislature shall provide by law for a uniform and equal rate of assessment and taxation, and shall prescribe such regulations as shall secure a just valuation for taxation of all property, real, personal and possessory, except mines and mining claims, which shall be assessed and taxed only as provided in Section 5 of this Article.

2. Shares of stock, bonds, mortgages, notes, bank deposits, book accounts and credits, and securities and choses in action of like character are deemed to represent interest in property already assessed and taxed, either in Nevada or elsewhere, and shall be exempt.

3. The Legislature may constitute agricultural and open-space real property having a greater value for another use than that for which it is being used, as a separate class for taxation purposes and may provide a separate uniform plan for appraisal and valuation of such property for assessment purposes. If such plan is provided, the Legislature shall also provide for retroactive assessment for a period of not less than 7 years when agricultural and open-space real property is converted to a higher use conforming to the use for which other nearby property is used.

4. Personal property which is moving in interstate commerce through or over the territory of the State of Nevada, or which was consigned to a warehouse, public or private, within the State of Nevada from outside the State of Nevada for storage in transit to a final destination outside the State of Nevada, whether specified when transportation begins or afterward, shall be deemed to have acquired no situs in Nevada for purposes of taxation and shall be exempt from taxation. Such property shall not be deprived of such exemption because while in the warehouse the property is assembled, bound, joined, processed, disassembled, divided, cut, broken in bulk, relabeled or repackaged.

5. The Legislature may exempt motor vehicles from the provisions of the tax required by this Section, and in lieu thereof, if such exemption is granted, shall provide for a uniform and equal rate of assessment and taxation of motor vehicles, which rate shall not exceed five cents on one dollar of assessed valuation.

6. The Legislature shall provide by law for a progressive reduction in the tax upon business inventories by 20 percent in each year following the adoption of this provision, and after the expiration of the 4th year such inventories are exempt from taxation. The Legislature may exempt any other personal property, including livestock.

7. No inheritance tax shall ever be levied.

8. The Legislature may exempt by law property used for municipal, educational, literary, scientific or other charitable purposes, or to encourage the conservation of energy or the substitution of other sources for fossil sources of energy.

9. No income tax shall be levied upon the wages or personal income of natural persons. Notwithstanding the foregoing provision, and except as otherwise provided in subsection 1 of this Section, taxes may be levied upon the income or revenue of any business in whatever form it may be conducted for profit in the State.

10. The Legislature may provide by law for an abatement of the tax upon or an exemption of part of the assessed value of a single-family residence occupied by the owner to the extent necessary to avoid severe economic hardship to the owner of the residence.

11. For purposes of assessment and taxation of property:

(a) Except as otherwise provided in this paragraph, for the first fiscal year after the sale or transfer of real property, the real property sold or transferred shall not be eligible for any adjustment provided by the Legislature by law based on the age of improvements to the real property, any abatement of the tax upon the real property provided by the Legislature by law pursuant to subsection 8 or any abatement or exemption provided by the Legislature by law pursuant to subsection 10. The provisions of this paragraph do not apply to real property for which the Legislature has provided by law for an exemption of the tax on property.

(b) For any fiscal year following the first fiscal year after the sale or transfer of real property to which the provisions of paragraph (a) apply, any adjustment provided by the Legislature by law based on the age of improvements to the real property must be determined as if the improvements were new improvements on the date of the sale or transfer.

(c) The Legislature shall provide by law for definitions of the terms "sale" and "transfer" as necessary to carry out the provisions of this subsection.

~~***[12. The Legislature shall provide by law for a program to provide for the payment of refunds of the taxes imposed on the primary residence of a person domiciled in this State who is 62 years of age or older or a person with a disability. If such a person rents his or her primary residence, the amount of the refund for which the person is eligible must not exceed the portion of the rent which is deemed to constitute accrued property tax. The Legislature shall establish by law:***~~

~~***(a) The criteria which a person must satisfy to be eligible for such a refund; and***~~

~~***(b) The amount of the refund to be paid to a person eligible for such a refund, which may consist of a graduated refund based on the household income of such a person.]***~~

Prayer by Reverend Dawn Blundell.

Interfaith Benediction adapted from a prayer written by Gary Kowalski.

Gathered in our varied faiths, we give thanks for the blessings of community, here and everywhere as we share our common dream: a land of clean water and abundant life, homes and schools where children thrive, neighborhoods that are safe and clean, cities rich in colors and cultures, an economy where no one is expendable. A beloved community where all have the opportunity for a dignified and productive life, churches, mosques, synagogues, temples, and tables where we join together in kinship and in service. Enable us, O God of many names, as we do our work together to carry forth this prayer into the coming hours, days, and weeks, turning our thoughts toward charity, our hearts toward justice, and our hands toward the work of peace. Shalom. Salaam. Namaste. Blessed be.

SECOND READING AND AMENDMENT

Assembly Bill No. 37.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 228.

AN ACT relating to housing; renaming the position of Housing Advocate within the Housing Division of the Department of Business and Industry as the Housing Liaison; revising provisions relating to the statewide low-income housing database maintained by the Division; revising provisions relating to the Account for Affordable Housing; revising provisions governing the tiers of affordable housing; revising provisions relating to certain reports submitted to the Division by certain local governments relating to affordable housing; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law creates the Housing Division in the Department of Business and Industry and charges the Division, among other duties, with responsibility for increasing the availability of decent, safe and sanitary housing for persons of low and moderate income in this State. (NRS 232.510; chapter 319 of NRS) Existing law creates the position of Housing Advocate within the Division and establishes the duties for the position, which include providing information and assistance to persons who reside in affordable housing and manufactured

housing. (NRS 319.141) **Section 1** of this bill renames the position of Housing Advocate as the Housing Liaison.

Existing law requires the Division to create and maintain a statewide low-income housing database. The database is required to include certain information relating to low-income housing, including compilations and analysis of demographic, economic and housing data from a variety of sources. (NRS 319.143) **Section 2** of this bill requires the inclusion of any survey conducted by the Division in the database. **Section 2** also revises the data that is required to be included in the database by: (1) changing the measure for determining the number of households in various population groups experiencing high housing costs from 50 to 30 percent of household income; (2) increasing from 2 years to 3 years the length of the planning period for identifying when subsidized units are forecast to convert to market-rate units; and (3) adding information regarding certain multi-family residential housing. **Section 2** further requires the Division, on or before December 31 of each year, to analyze the data in the database and prepare and post on its website a report of its analysis.

Existing law creates the Account for Affordable Housing in the State General Fund, which is required to be administered by the Division, and prescribes the distribution and use of money in the Account. (NRS 319.500, 319.510) Under existing law, the costs to create and maintain the statewide low-income housing database are required to be paid from the Account up to a maximum of $175,000 per year. (NRS 319.143, 319.510) **Sections 2 and 3** of this bill: (1) require payment from the Account of the costs to prepare the new annual report required by **section 2**; and (2) change the maximum annual amount authorized from the Account for the payment of costs related to the database from the fixed amount of $175,000 to not more than 6 percent of the money deposited in the Account in each fiscal year.

Existing law also authorizes the Division to expend not more than $40,000 per year or an amount equal to 6 percent of money received pursuant to the federal HOME Investment Partnerships Act, whichever is greater, as reimbursement for administering the Account and that federal money. (NRS 319.510; 42 U.S.C. §§ 12701 et seq.) **Section 3**: (1) eliminates the authority of the Division to receive reimbursement from the Account for administering that federal money; and (2) changes the maximum amount authorized from the Account as reimbursement for administering the Account to not more than 6 percent of the money deposited in the Account in each fiscal year.

Existing law requires the Division to distribute a certain portion of **the remaining** money in the Account to **the Division of Welfare and Supportive Services of the Department of Health and Human Services for a program to provide emergency assistance to needy families with children. (NRS 319.510) Section 3 eliminates this required distribution to the Division for this program, but specifically authorizes the use of money in the Account for the same purpose. With the elimination of this distribution to the Division, all of the remaining money in the Account will effectively be**

distributed to the other authorized recipients in existing law, which are certain charitable organizations, housing authorities and local governments for the acquisition, construction and rehabilitation of affordable housing for eligible families, subject to certain requirements. One such eligibility requirement in existing law is that not less than 15 percent of the units acquired, constructed or rehabilitated be affordable to persons whose income is at or below the federally designated level signifying poverty. (NRS 319.510) **Section 3**: (1) changes the income level for that requirement to at or below 30 percent of the median monthly gross household income for the applicable county; and (2) clarifies that the money is authorized to be distributed to one or more of the types of entities that are eligible recipients. **Section 3** also eliminates the eligibility requirement in existing law that a local government sponsor such a project.

Existing law establishes three tiers of affordable housing for various purposes in existing law and defines "affordable housing" as housing that falls within any of the three tiers. (NRS 232.860, 244.189, 244.287, 268.058, 268.190, 278.0105, 279.385, 279A.020, 279B.020, 315.9625, 319.042) Under existing law, the tiers are based on both household income and the costs of housing as a percentage of that income. With respect to household income: (1) "tier one affordable housing" is housing for a household which has a total monthly gross income that is equal to not more than 60 percent of the median monthly gross household income for the county in which the housing is located, which is commonly known as the area median household income; (2) "tier two affordable housing" is housing for a household which has a total monthly gross income that is equal to more than 60 percent but not more than 80 percent of the area median household income; and (3) "tier three affordable housing" is housing for a household which has a total monthly gross income that is equal to more than 80 percent but not more than 120 percent of the area median household income. In addition, with respect to the costs of housing, affordable housing under existing law is housing that costs not more than 30 percent of the total monthly gross household income of the household with an income at the maximum percentage of the area median household income for the tier. (NRS 278.01902, 278.01904, 278,01906) **Section 4** of this bill creates a new tier of affordable housing, to be known as "tier one affordable housing," that addresses housing for a household that has a total monthly gross income that is equal to not more than 30 percent of the area median household income. As a result of the creation of this new tier of affordable housing, **section 7** of this bill renames "tier one affordable housing" in existing law as "tier two affordable housing" and changes the percentage range for median income for that tier to more than 30 percent but not more than 60 percent of the area median household income. **Section 9** of this bill renames "tier two affordable housing" in existing law, for which the percentage range for median income is more than 60 percent but not more than 80 percent of the area median household income, as ~~["workforce]~~ **"tier three** affordable housing." **Section 8** of this bill renames "tier three affordable housing" in existing law, for which

the percentage range for median income is more than 80 percent but not more than 120 percent of the area median household income, as ~~[~~"attainable~~]~~ **"tier four** affordable housing." **Section 4.5 of this bill creates another new tier of affordable housing, to be known as "tier five affordable housing," that addresses housing for a household that has a total monthly gross income that is equal to more than 120 percent but not more than 150 percent of the area median household income.** **Section 5** of this bill applies the newly defined ~~[~~term~~]~~ **terms** in ~~[~~section~~]~~ **sections 4 and 4.5** to the provisions of existing law relating to planning and zoning. ~~[~~Sections 6 and~~]~~ **Section 11** of this bill ~~[~~make~~]~~ **makes** conforming changes to existing law to reflect the new ~~[~~tier.~~]~~ **tiers.**

Section 6 of this bill renames "affordable housing" as "attainable housing" and includes "tier four affordable housing" and "tier five affordable housing" within its meaning. Sections 2 and 10 of this bill make conforming changes to reflect the new name.

Existing law requires the governing body of certain cities or counties to submit to the Division annual progress reports relating to affordable housing. (NRS 278.235) Existing law requires: (1) the inclusion of these reports in the statewide low-income housing database; and (2) the Division to compile and post these reports on its Internet website. (NRS 278.235, 319.143) **Section 10** ~~[~~of this bill~~]~~ moves the deadline for: (1) the submission of the reports to the Division from July 15 to March 15; and (2) the posting of the compilation of the reports by the Division from August 15 to April 15. Because the change in the deadlines is not effective until October 1, 2025, pursuant to **section 14** of this bill, the new deadlines apply initially to the reports submitted in 2026.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 10.

AN ACT relating to public works; creating a program to gather data on the use of job order contracts for certain public works; authorizing certain public bodies to enter into job order contracts for ~~[the maintenance, repair, alteration, demolition, renovation, remediation or]~~ minor construction ~~[of a]~~ **performed on an existing** public work; prescribing the procedure for awarding a job order contract; making certain documents and other information submitted by a person seeking a job order contract confidential until a contract is awarded; prescribing responsibilities of a contractor who enters into a job order contract; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law prescribes general procedures for awarding a contract for a public work. (Chapter 338 of NRS) Existing law also authorizes a local government to comply with alternative procedures for awarding a contract for a public work. (NRS 338.1373) Senate Bill No. 67 of the 2021 Legislative Session established a pilot program to gather data on the use of job order contracts for certain public works in Clark County, the City of Henderson, the City of Las Vegas, the City of North Las Vegas and the Clark County Water Reclamation District and authorized those public bodies, as part of the pilot program, to enter into job order contracts for the maintenance, repair, alteration, demolition, renovation, remediation or minor construction of a public work. (Chapter 523, Statutes of Nevada 2021, at page 3509) The pilot program expires on June 30, 2025. (Section 15 of chapter 523, Statutes of Nevada 2021, at page 3514) **Sections 2-16** of this bill: (1) establish a similar, permanent program; (2) authorize certain public bodies to award job order contracts for certain public works; and (3) set forth various requirements and restrictions concerning the use of job order contracts by those public bodies. **Section 2** provides that the provisions of **sections 2-16** apply only to a public body that is: (1) a county whose population is 700,000 or more (currently only Clark County); (2) a city whose population is 150,000 or more located in such a county (currently the Cities of Henderson, Las Vegas and North Las Vegas); or (3) a general improvement district located in such a county which is granted certain powers relating to sanitary sewer systems. (NRS 318.140)

Section 3 establishes a program to gather data on the use of job order contracts for certain public works and directs each public body to gather and report data on the use of job order contracts. **Sections 5-8** define certain terms for the purposes of this bill. **Section 9** authorizes a public body to award job order contracts for ~~[the maintenance, repair, alteration, demolition, renovation, remediation or]~~ minor construction ~~[of]~~ **performed on an existing** public ~~[works.]~~ **work.** **Section 17** of this bill revises the list of procedures by which a local government may award a contract for a public work to include the use of job order contracts if the local government is a public body to which the provisions of **sections 2-16** apply pursuant to **section 2**.

Section 9 requires a job order contract to be for a fixed period and provide for indefinite types and quantities of work and delivery times. **Section 9** provides that a job order contract: (1) must not be for work exclusive to one trade for which a license as a specialty contractor is required; and (2) must require a contractor to prepare and submit a proposal for each job order. **Section 9** requires such a proposal to include the proposed price for the job order, each construction task required to perform the job order, the unit price for each such task and the adjustment factor applicable to the performance of the task. **Section 9** also requires a public body **, after holding a public hearing on the matter,** to adopt a written policy for the assignment of job orders and limits the total dollar amount of job order contracts that may be awarded annually by each public body.

Section 10 prescribes the qualifications a contractor who wishes to enter into a job order contract must meet. **Section 11** requires a public body or its authorized representative to advertise requests for proposals or similar solicitation documents for job order contracts. **Section 11** also prescribes: (1) the contents of such advertisements or similar solicitation documents; and (2) requirements for proposals. **Sections 12 and 18** of this bill make any document or other information submitted to a public body in response to a request for proposals or similar solicitation document for a job order contract confidential and prohibit disclosure of any such document or information until notice of intent to award the contract is issued.

Section 13 prescribes the method for selecting a contractor for a job order contract. Specifically, **section 13** requires a public body or its authorized representative to appoint a panel to rank the proposals submitted in response to the request for proposals and award a job order contract to one or more applicants.

Section 14 prescribes certain responsibilities of a contractor who enters into a job order contract relating to contracting for the services of a subcontractor, supplier or professional. **Section 14** also prohibits a contractor who enters into a job order contract from performing more than 50 percent of the estimated cost of a work order himself or herself, or using his or her own employees.

Section 9 requires a job order contract to provide for the use of job orders, which are defined in **section 7** as an order issued for a definite scope of work to be performed for a fixed price pursuant to a job order contract. **Section 15**

requires a contractor to submit a list of each subcontractor whom the contractor intends to engage before a public body issues a job order. **Section 16** requires a public body to submit a quarterly report that contains certain information relating to job order contracts to the governing body of the public body. **Section 16** also requires a governing body to annually submit to the Director of the Legislative Counsel Bureau a written report including the information reported to the governing body during the immediately preceding calendar year.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 338 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 16, inclusive, of this act.

Sec. 2. ***The provisions of sections 2 to 16, inclusive, of this act apply only to a public body that is:***

1. A county whose population is 700,000 or more;

2. A city whose population is 150,000 or more located in a county whose population is 700,000 or more; or

3. A general improvement district established pursuant to chapter 318 of NRS in a county whose population is 700,000 or more which is granted the powers set forth in NRS 318.140.

Sec. 3. ***1. The Legislature hereby finds and declares that:***

(a) It is in the best interest of the State to ensure that contracting and bidding procedures for public works in this State are efficient and cost-effective.

(b) The procedures for awarding a contract for a public work authorized by existing law may create barriers to the efficient and cost-effective awarding of contracts for ~~[the maintenance, repair, alteration, demolition, renovation, remediation or]~~ minor construction ~~[of a]~~ performed on an existing public work.

(c) Reducing any such barriers will benefit the public and promote the timely completion of certain public works projects that are critical for the health and safety of members of the public who use public buildings and facilities.

(d) The voluminous and unpredictable amount of work for which certain public bodies in large counties in this State must award contracts presents unique challenges for these bodies.

(e) The use of job order contracting eliminates certain administrative burdens associated with traditional procurement methods and enables such a public body to efficiently manage the numerous ~~[renovation, repair and maintenance]~~ minor construction projects required for existing facilities.

(f) The provisions of sections 2 to 16, inclusive, of this act are not intended to prohibit a public body from awarding a contract for a public work pursuant to any other procedure authorized pursuant to this chapter.

2. The Legislature therefore:

(a) Establishes a program to gather data on the use of job order contracts for ~~[the maintenance, repair, alteration, demolition, renovation, remediation and]~~ minor construction ~~[of a]~~ performed on an existing public work; and

(b) Directs each public body in the program to gather and report data on the use of job order contracts in this State in the manner prescribed by section 16 of this act.

Sec. 4. *As used in sections 2 to 16, inclusive, of this act, unless the context otherwise requires, the words and terms defined in sections 5 to 8, inclusive, of this act have the meanings ascribed to them in those sections.*

Sec. 5. *"Adjustment factor" means the adjustment that is multiplied by a contractor against the unit price listed in the unit price catalog for the job order contract, which must reflect any overhead cost or profit to which a selected contractor is entitled.*

Sec. 6. *"Construction task" means an item of work:*

1. That is included in a job order; and

2. For which a unit price is set forth in a unit price catalog or priced using the formula or method prescribed by section 11 of this act.

Sec. 7. *"Job order" means an order issued by a public body for a definite scope of work to be performed for a fixed price pursuant to a job order contract.*

Amendment No. 193.

AN ACT relating to public safety; authorizing a board of county commissioners to establish an electronic database containing information

concerning victims of mass casualty incidents; **setting forth certain requirements for such an electronic database;** exempting certain persons from civil liability related to such an electronic database, under certain circumstances; providing for the confidentiality of information contained in such an electronic database; requiring a hospital and an independent center for emergency medical care in a county in which such an electronic database is established to report to the database certain information concerning a victim of a mass casualty incident; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1 of this bill authorizes a board of county commissioners to establish and maintain an electronic database containing information concerning victims of mass casualty incidents to coordinate the provision of reunification and identification services and ~~[other appropriate follow-up]~~ **long-term support** services for such victims. **Section 1** sets forth certain requirements for such an electronic database and requires a board of county commissioners that establishes such an electronic database to determine certain matters concerning the information contained in the database, the reporting of certain information to the database and the persons and governmental entities that may participate in the database. Under **sections 1 and 2** of this bill, the information contained in the electronic database is confidential and may be disclosed only by participants in the database for certain purposes. **Additionally, section 1 requires that, except for a victim of a mass casualty incident who has provided written authorization for his or her information to remain in the database for the purpose of receiving long-term support services, all information contained in the database concerning a victim of a mass casualty incident must be deleted after all victims of the mass casualty incident have been identified and reunified. Section 1** grants a county in which the board of county commissioners has established such an electronic database and the officers, employees and agents of the county immunity from civil liability for any act or omission related to the establishment or maintenance of the database not amounting to willful misconduct, gross negligence or bad faith.

Existing law provides for the licensure and regulation of medical facilities, including hospitals and independent centers for emergency medical care, by the Division of Public and Behavioral Health of the Department of Health and Human Services. (Chapter 449 of NRS) **Section 3** of this bill requires a hospital or independent center for emergency medical care located in a county in which an electronic database is established pursuant to **section 1** and which is notified or becomes aware of a mass casualty incident to report to the database certain information about a victim of the mass casualty incident. **Section 3 additionally requires a hospital or independent center for emergency medical care to: (1) inquire whether such a victim wishes to receive long-term support services and, if so, request that the victim provide written authorization for his or her information to remain in the**

electronic database; and (2) include a unique identifier in the medical record of such a victim. Section 3 grants a hospital, an independent center for emergency medical care and their agents and employees immunity from civil liability for any such report made in good faith and for any unauthorized acquisition of the information reported that may occur after a report was made by the hospital or independent center for emergency medical care in accordance with the requirements of **section 3**. **Sections** ~~[4-9]~~ **4-6** of this bill make conforming changes to provide for the administration ~~[and enforcement]~~ of the requirements of **section 3** in the same manner as other requirements imposed on hospitals and independent centers for emergency medical care by existing law ~~[.]~~ **, except for the penalties imposed for violation of those requirements.** (NRS 449.029, 449.0301, ~~[449.0302, 449.160, 449.163, 449.240)]~~ **449.0302) Under section 3, a hospital or independent center for emergency medical care that fails to comply with the requirements of section 3 is not subject to any penalty for that failure. Sections 7-9 of this bill make conforming changes so that the penalties imposed for violations of other requirements imposed on hospitals and independent centers for emergency medical care by existing law do not apply to a failure to comply with the provisions of section 3.**

(b) Facilities that provide or arrange for the provision of supportive services for residents of the facility to assist the residents with reintegration into the community, in addition to providing a housing and living environment; and

(c) Facilities that provide or arrange for the provision of programs for alcohol and other substance use disorders, in addition to providing a housing and living environment and providing or arranging for the provision of other supportive services.

➥The regulations must provide that if a facility was originally constructed as a single-family dwelling, the facility must not be authorized for more than eight beds.

11. The Board shall adopt regulations applicable to providers of community-based living arrangement services which:

(a) Except as otherwise provided in paragraph (b), require a natural person responsible for the operation of a provider of community-based living arrangement services and each employee of a provider of community-based

13. If the regulations adopted pursuant to this section require a physical examination to be performed on a patient or the medical history of a patient to be obtained before or after the patient is admitted to a hospital, those regulations must authorize a certified nurse-midwife to perform such a physical examination or obtain such a medical history before or after a patient is admitted to a hospital for the purpose of giving birth.

The following amendment was proposed by the Committee on Legislative Operations and Elections:

Amendment No. 380.

SUMMARY—Revises provisions relating to ~~[campaign finance.]~~ **governmental administration.** (BDR 24-483)

AN ACT relating to ~~[campaign finance; prohibiting a committee for political action from spending campaign contributions for the personal use of any person; authorizing, under certain circumstances, an elected public officer to use unspent campaign contributions to pay for the cost of child care, the care of an elderly parent or health insurance premiums;]~~ **governmental administration; establishing a limit on contributions to the campaign of a candidate in certain special elections;** requiring certain candidates, public officers or former public officers to notify the Secretary of State when all unspent campaign contributions have been disposed of; ~~[requiring a committee for political action to report the balance in its bank account at the end of a reporting period; clarifying that certain nonprofit organizations are not a committee for political action for purposes of campaign finance requirements;]~~ requiring a candidate to file a notice of intent to file for candidacy with the Secretary of State; ~~[requiring a candidate or committee for political action to produce certain bank account information in the course of an investigation of alleged violation of campaign finance laws; making such information confidential;]~~ **revising provisions relating to the personal use of contributions or unspent contributions; revising provisions relating to the**

investigation and enforcement of provisions of law relating to campaign finance and financial disclosure statements; making various other changes relating to campaign finance; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law sets forth limitations on making, soliciting and accepting a campaign contribution for a primary election, a general election or a special election to recall a public officer. (Nev. Const. Art. 2, § 10; NRS 294A.100, 294A.115) Section 6.5 of this bill clarifies that these limits apply regardless of the number of candidates for the office at the primary or general election.

Section 2.5 of this bill: (1) establishes a contribution limit of $5,000 for a special election that is not a special election to recall a public officer; and (2) sets forth the period during which such contributions may be made, solicited or accepted.

Under existing law, it is unlawful for **: (1)** a candidate to spend money received as a contribution for the candidate's personal use ~~.~~ **; or (2) a public officer to spend unspent contributions for the public officer's personal use.** (NRS 294A.160) **Section** ~~2~~ **8.5** of this bill ~~similarly makes it unlawful for a committee for political action to spend money received as a contribution for the personal use of any person.~~

~~Under existing law, certain candidates, public officers and former public officers are required to dispose of unspent contributions. Any such candidate, public officer or former public officer is also subject to various reporting requirements for as long as the candidate, public officer or former public officer has unspent contributions. (NRS 294A.160) Section 4 of this bill provides that every candidate, public officer or former public officer who is required to dispose of unspent contributions must, in addition to any other requirement, notify the Secretary of State when the candidate, public officer or former public officer has disposed of all unspent contributions.~~

~~Under existing law, every candidate for office at a primary, general or special election who is elected to that office and received contributions that were not spent or committed for expenditure before the election is required to dispose of the unspent contributions through one or more authorized methods, including using the unspent contributions to pay for expenses related to public office. (NRS 294A.160) Section 3 of this bill authorizes an elected public officer to use unspent contributions to pay for the cost of child care, the care of an elderly parent or the premiums for health insurance if the elected public officer would be unable to afford to pay such costs due to serving in the elected public office. If an elected public officer uses any unspent contributions to pay for such expenses, section 3: (1) deems the cost of such expenses to be an expense related to public office; and (2) requires the elected public officer to report the use of unspent contributions on his or her campaign finance report.~~

~~Existing law requires a committee for political action to open and maintain a separate account in a financial institution located in the United States for the~~

~~deposit of any contributions received not later than 1 week after receiving contributions the sum of which, in the aggregate, is $1,000 or more. (NRS 294A.130) Under existing law, certain committees for political action are required to report: (1) each contribution in excess of $1,000 received during a reporting period; and (2) contributions received during a reporting period from a contributor which cumulatively exceed $1,000. (NRS 294A.140) Sections 5 and 8 of this bill require that certain committees for political action also report the balance of the account on the ending date of the reporting period. These requirements are consistent with the requirements for candidates to report the balance of the account at the end of a reporting period. (NRS 294A.130) Sections 9, 10 and 12 of this bill make conforming changes to reflect this new reporting requirement for committees for political action. Section 14 of this bill provides that sections 5 and 8: (1) do not apply to any report of contributions or expenditures that is required to be filed by a committee for political action on or before January 15, 2026; and (2) apply to every report of contributions or expenditures that is required to be filed by a committee for political action after January 15, 2026.~~

~~Existing law defines a "committee for political action" for purposes of campaign finance law. (NRS 294A.0055) Section 6 of this bill revises this definition to exclude from the definition a nonprofit organization which is recognized as tax exempt pursuant to section 501(c)(3) or 501(c)(4) of the Internal Revenue Code.~~ **clarifies that these provisions do not prohibit a candidate or public officer from using contributions or unspent contributions, as applicable, to pay for any ordinary and necessary expense that is incurred in connection with the duties of a campaign or public office, as applicable.**

Existing law requires every candidate, not later than 1 week after receiving minimum contributions of $100, to open and maintain a separate account in a financial institution located in the United States for the deposit of any contributions received. (NRS 294A.130) **Section 7** of this bill requires every candidate to also file with the Secretary of State a notice of intent to file for candidacy.

Under existing law, if it appears that the provisions of law relating to campaign finance have been violated, the Secretary of State may **: (1)** conduct an investigation concerning the alleged violation ~~.~~ **and cause the appropriate proceedings to be instituted and prosecuted in the First Judicial District Court; or (2) refer the alleged violation to the Attorney General for investigation. The Attorney General is required to investigate and institute and prosecute the appropriate proceedings in the First Judicial District Court.** (NRS 294A.410) **Section 11** of this bill ~~provides that in conducting an investigation of an alleged violation, a candidate or committee for political action must, upon request of the Secretary of State, provide to the Secretary of State information relating to the campaign account of the candidate or committee for political action. Sections 11 and 13 of this bill provide that any account information collected or stored by the Secretary~~

~~of State is confidential and not a public record.]~~ **: (1) eliminates provisions relating to instituting any such proceedings in the First Judicial District Court; and (2) authorizes the Office of the Secretary of State to conduct an investigation.**

Existing law authorizes a person who believes that any provisions of law relating to campaign finance have been violated to notify the Secretary of State, in writing, of the alleged violation. Under certain circumstances, the Secretary of State may conduct an investigation of the alleged violation. (NRS 294A.410) Section 11 provides instead that the Office of the Secretary of State may conduct such an investigation.

Existing law authorizes, under certain circumstances, the Secretary of State to cause proceedings to be instituted in the First Judicial District Court to recover certain civil penalties for certain violations of provisions relating to campaign finance. (NRS 294A.420) Section 12 of this bill provides instead that the Secretary of State may, after notice and a hearing, impose certain administrative fines for certain violations relating to campaign finance.

Section 4.5 of this bill sets forth certain powers and duties of the Secretary of State or certain officers or employees designated by the Secretary of State relating to investigations or proceedings relating to campaign finance.

Sections 12 and 13.5 of this bill authorize the Secretary of State, for good cause, to reduce certain administrative fines and civil penalties relating to campaign finance and statements of financial disclosure. Sections 12 and 13.5 also: (1) authorize the Secretary of State to enter into payment agreements relating to administrative fines and civil penalties; and (2) require the Secretary of State to maintain on the Internet website of the Office of the Secretary of State a list of persons who have not paid within 90 days any such administrative fine or civil penalty. Section 10.5 of this bill makes a conforming change to provide that the Secretary of State may impose an administrative fine for certain violations.

3. If a person does not testify or produce the records required by the Secretary of State or a designated officer or employee pursuant to subpoena, the Secretary of State or designated officer or employee may apply to a court of competent jurisdiction for an order compelling compliance. ~~[~~ASSEMBLYMEMBER~~]~~ **ASSEMBLYMEMBERS** O'NEILL **; AND ANDERSON**

AN ACT relating to housing authorities; **authorizing the formation of a regional housing authority in certain counties; setting forth the composition and powers of certain regional housing authorities; revising various provisions relating to housing authorities;** revising the compensation of commissioners; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

With certain exceptions, existing law creates a municipal corporation known as a housing authority in each city, county and town in this State to provide

various types of housing services for persons of certain low income in the city, county or town. (NRS 315.140-315.7813) Existing law authorizes the initial operation of such a housing authority only when the governing body of the city, county or town declares by resolution that there is a need for the housing authority to function in the city, county or town. (NRS 315.320) Upon the adoption of such a resolution, existing law requires the appointment of five persons to serve as commissioners of the housing authority. (NRS 315.370) In a county whose population is 700,000 or more (currently only Clark County), existing law authorizes two or more housing authorities to form a regional housing authority, which is required to be governed by nine appointed commissioners. (NRS 315.7805, 315.7809)

Section 3 of this bill authorizes the creation of a regional housing authority in a county whose population is 100,000 or more but less than 700,000 (currently only Washoe County) by the governing body of each city, town and county located within the county that desires to participate in the regional housing authority. Section 3 requires dissolution of the existing housing authority upon formation of the regional housing authority. Section 4 of this bill establishes the composition of the regional housing authority and requires the appointment of seven commissioners as follows: (1) two persons appointed by the governing body of the county; (2) two persons appointed by the governing body of the largest city; (3) two persons appointed by the governing body of the second largest city; and (4) one person who must be a current recipient of assistance from the housing authority appointed by the executive director of the regional housing authority.

Existing law sets forth that a housing authority is required to fix the rentals or payments of its housing projects at low rates sufficient for certain purposes and is prohibited from operating for a profit. (NRS 315.500) Section 18 of this bill also authorizes a housing authority to fix the rentals or payments for the purposes of enhancing the ability of the authority to meet its purposes, including providing housing and services for low-income households in the operation area of the authority. Section 18 provides that: (1) certain housing projects constructed or operated that are eligible for low-income housing under certain federal laws are not constructed or operated for a profit; and (2) the provisions do not prohibit authorized actions or impose restrictions on a business entity created by section 5 of this bill. Section 18 also exempts a regional housing authority formed pursuant to section 3 from operating for a profit.

Existing law requires a housing authority to follow certain conditions when operating or managing a housing project, including renting or leasing a dwelling or accommodation to eligible tenants subject to certain preferences and prohibiting a housing authority from accepting any person as a tenant in a housing project who exceeds certain income limitations. (NRS 315.510) Section 19 of this bill revises the preferences to only include preferences that may be required by the Federal Government

pursuant to federal law or in any contract for financial assistance with the authority and eliminates the certain income limitations. Section 19 also clarifies that the provisions do not apply to a business entity created by section 5.

Existing law exempts from property taxes the portion of real property that is used for housing and related facilities for persons with low incomes if the portion of the property: (1) qualifies as a low-income unit that is part of a qualified low-income housing project and is financed in part by certain federal or state funding sources; or (2) meets certain affordability requirements set forth in federal law and is financed in part by certain federal funding sources. (NRS 361.082) Existing law requires a housing authority to pay in lieu of taxes to the State or any political subdivision an amount consistent with the maintenance of the low-rent character of the housing project or the achievement of the purposes of the housing authority. (NRS 315.540) Section 20 of this bill provides that a housing authority is exempt from such payments in lieu of taxes if the property meets the requirements for the tax exemption.

Existing law defines the terms "veteran" and "serviceman or servicewoman" related to housing authorities. (NRS 315.300) Section 2 of this bill moves and revises the terms "serviceman" and "servicewoman" for the purposes of existing law governing housing authorities. Section 12 of this bill revises the term "veteran" for the purposes of existing law governing housing authorities.

Under existing law, a housing authority is authorized to provide, by resolution, compensation for each commissioner of $80 for each meeting attended, but imposes a monthly limit of $240 on such compensation. (NRS 315.390) In lieu of this specified amount of compensation, **section ~~[1]~~ 14** of this bill authorizes the housing authority to provide, by resolution, an amount of compensation determined by the housing authority that does not exceed ~~[$200]~~ **$250** for each meeting attended. **Section ~~[1]~~ 14** also ~~[increases]~~ **eliminates** the monthly limit on such compensation**.** ~~[to $600.]~~

Existing law also creates the Nevada Rural Housing Authority to provide various types of housing services for persons of certain low and moderate income in areas of this State which are not included within the corporate limits of a city or town having a population of 150,000 or more or in other areas pursuant to a contract. (NRS 315.961-315.99874) Existing law: (1) requires the appointment of five persons to serve as commissioners of the Authority; and (2) entitles each commissioner to receive compensation of $80 per day for attendance at meetings of the Authority. (NRS 315.977, 315.980) In lieu of this specified amount of compensation, **section ~~[2]~~ 22** of this bill requires the Authority to determine the compensation for such attendance in an amount that does not exceed ~~[$200]~~ **$250** per day.

Section 5 of this bill establishes, in addition to the various types of housing services for persons of certain low income that a housing authority may provide, certain powers of the regional housing authority,

including authorizing the regional housing authority to enter into a public-private partnership to finance a housing project, construct or operate a housing project for profit and create a nonprofit or for-profit business for the purpose of developing housing projects. Sections 5 and 22 of this bill exempt a business entity created by the regional housing authority from the provisions that require that meetings of state and local agencies be open and public.

Sections 6, 10, 11, 13 and 16 of this bill revise references to a regional housing authority in existing law to include a regional authority formed pursuant to section 3.

Section 8 of this bill indicates the placement of sections 2-5 in existing law relating to housing authorities.

Section 9 of this bill applies the definitions in existing law and section 2 to the provisions of sections 2-5.

Section 15 of this bill indicates the powers of a housing authority to carry out and effectuate the purposes and provisions of existing law relating to housing authorities includes the provisions of sections 2-5.

Section 25 of this bill repeals obsolete provisions relating to the provision of housing by a housing authority. Section 7 of this bill makes conforming changes to eliminate references to the repealed provisions.

TEXT OF REPEALED SECTIONS

315.011 Legislative findings and declarations. The Legislature hereby finds and declares that:

1. The policy of this State, to provide decent, safe and sanitary housing for persons of low income, is being thwarted by the frequent occurrence in public housing of activities concerning the unlawful possession, distribution and use of controlled substances.

2. The provision of public housing has never been intended to help subsidize criminal behavior.

3. These unlawful activities, conducted by an intimidating minority of the residents of public housing, are causing our public housing to become increasingly infested with violence, degeneracy and squalor, which imperils the physical and mental health of the peaceful residents therein.

4. Persons residing with the active participants in these unlawful activities commonly share in the proceeds thereof or have the ability to prevent or interfere significantly in the conduct of the activities.

5. 315.580 Housing for veterans and servicemen or servicewomen.

1. In addition to other powers conferred upon an authority by NRS 315.140 to 315.7813, inclusive, an authority may acquire property and construct housing projects thereon for the purpose of leasing dwellings to servicemen or servicewomen, veterans and their families, and the families of deceased persons who served in the Armed Forces, at rentals, excluding utilities, of not to exceed $50 per month, during the existence of the acute

Amendment No. 40.

AN ACT relating to employment; removing an exemption for employees covered under a valid collective bargaining agreement from provisions providing certain employees with the right to use sick leave to assist a member of the employee's immediate family with certain medical needs; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires a private employer that provides employees with sick leave to allow an employee to use accrued sick leave for an absence due to an illness, injury, medical appointment or other authorized medical need of a member of the employee's immediate family. Existing law exempts an employer from this requirement if the employee is covered under a valid collective bargaining agreement. (NRS 608.01975) **Section 1** of this bill eliminates the exemption, thereby making the requirement applicable to an employer even if the employee is covered under a valid collective bargaining agreement. **Section 1 also provides that the obligation of an employer to comply with a collective bargaining agreement, policy of the employer, employment contract or applicable local, state or federal law that provides the same or a more generous sick leave benefit or paid time off benefit is not diminished by the provisions of section 1.** **Section 2** of this bill provides that the amendatory provisions of **section 1** do not apply during the current term of any collective bargaining agreement entered into before October 1, 2025, but do apply to any extension or renewal of such an agreement and to any collective bargaining agreement entered into on or after October 1, 2025.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 608.01975 is hereby amended to read as follows:

608.01975 1. Except as otherwise provided in this section, if an employer provides paid or unpaid sick leave for the use of his or her employees, the employer must allow an employee to use any accrued sick leave to assist a member of the immediate family of the employee who has an illness, injury, medical appointment
or other authorized medical need to the same extent and under the same conditions that apply to the employee when taking such leave.

2. An employer may limit the amount of sick leave that an employee may use pursuant to subsection 1 to an amount which is equal to not less than the amount of sick leave that the employee accrues during a 6-month period.

3. The Labor Commissioner shall prepare a bulletin which clearly sets forth an explanation of the provisions of this section. The Labor Commissioner shall post the bulletin on the Internet website maintained by the Office of Labor Commissioner and shall require each employer that provides sick leave to employees to post the bulletin in a conspicuous location in each workplace maintained by the employer. The bulletin may be included in any printed abstract posted by the employer pursuant to NRS 608.013.

4. The provisions of this section shall not be construed to:

(a) Limit or abridge any other rights, remedies or procedures available under the law;

(b) Negate any other rights, remedies or procedures available to an aggrieved party;

(c) Prohibit, preempt or discourage any contract or other agreement that provides a more generous sick leave benefit or paid time off benefit; or

(d) Extend the maximum amount of leave to which an employee is entitled to take pursuant to the Family and Medical Leave Act of 1993, 29 U.S.C. §§ 2601 et seq. ***; or***

(e) Diminish the obligation of an employer to comply with any of the following that provide the same or a more generous sick leave benefit or paid time off benefit:

(1) A collective bargaining agreement;

(2) A policy of the employer;

(3) An employment contract; or

(4) Any applicable local, state or federal law.

5. An employer shall not deny an employee the right to use accrued sick leave in accordance with the provisions of this section or retaliate against an employee for attempting to prosecute a violation of this section or for exercising any rights afforded by this section.

6. The provisions of this section do not apply ~~[~~:

~~(a) To~~] ***to*** the extent prohibited by federal law . ~~[~~; or

~~(b) With regard to an employee of the employer if the employee is covered under a valid collective bargaining agreement.~~]

7. As used in this section, "immediate family" means:

(a) The child, foster child, spouse, domestic partner, sibling, parent, mother-in-law, father-in-law, grandchild, grandparent or stepparent of an employee; or

(b) Any person for whom the employee is the legal guardian.

Sec. 2. Insofar as they conflict with the provisions of such an agreement, the amendatory provisions of this act do not apply during the current term of any collective bargaining agreement entered into before October 1, 2025, but do apply to any extension or renewal of such an agreement and to any collective bargaining agreement entered into on or after October 1, 2025. For the purposes of this section, the term of an agreement ends on the date provided in the agreement, notwithstanding any provision of the agreement that remains in effect, in whole or in part, after that date until a successor agreement becomes effective.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 45.

AN ACT relating to real property; requiring a landlord or his or her agent to provide a tenant at least one method of paying rent or any other fee or charge that meets certain requirements; prohibiting a landlord or his or her agent from charging a tenant a fee to make a payment through an Internet website or online portal that exceeds the amount of any fee charged by the operator of the Internet website or online portal for the use of the website or portal; requiring a written rental agreement to separately identify any such fee under certain circumstances; authorizing a tenant to bring a civil action against a landlord who has committed certain violations; requiring a landlord or his or her agent to provide, upon request, a copy of a written rental agreement to a prospective tenant; **requiring a landlord to refund certain fees collected from a prospective tenant under certain circumstances; prohibiting a landlord from collecting certain application fees;** requiring certain references to the amount of rent due under a rental agreement to be set forth in a certain manner; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law sets forth certain requirements relating to a written rental agreement and requires any written agreement for the use and occupancy of a dwelling unit or premises to contain provisions relating to the amount of rent due and the manner and time of its payment. (NRS 118A.200) **Section 5** of this bill requires that, in each place where a landlord lists the amount of rent due under a rental agreement and in any reference to the amount of rent due in a written rental agreement, the rent must be set forth as a single figure representing the total amount of periodic rent that includes the amount of any

fixed, mandatory fees to be charged to the tenant in addition to the base rent. **Section 5** prohibits a landlord from charging a tenant an amount of periodic rent that exceeds the amount of rent due under the written rental agreement, as set forth in the manner required by **section 5**. **Section 4** of this bill requires a landlord or his or her agent, upon request, to provide a prospective tenant with a copy of the written rental agreement, if any, to which the prospective tenant would be subject if he or she were to become a tenant.

Section 2 of this bill requires a landlord or his or her agent to provide a tenant at least one method of paying rent or any other fee or charge which does not require the tenant to: (1) pay any fee or charge for using the method; or (2) provide information concerning a bank account of the tenant. **Section 2** also prohibits a landlord or his or her agent who allows a tenant to pay rent or any other fee or charge through an Internet website or online portal from charging the tenant a fee to make a payment through the Internet website or online portal in an amount that exceeds the amount of any fee charged by the operator of the Internet website or online portal for the use of the Internet website or online portal. **Section 2** requires the amount of any fee to be charged to the tenant by the landlord or his or her agent for the use of an Internet website or online portal to make a payment to be separately identified in any written rental agreement.

Section 4.5 of this bill requires a landlord who collects from a prospective tenant any fee to apply to rent a dwelling unit to refund the fee if the landlord: (1) rents the dwelling unit to a different prospective tenant; and (2) does not conduct the activity for which the fee was collected. Section 4.5 also prohibits a landlord from collecting an application fee, a fee to obtain a credit report or a fee to obtain a background check for a minor who is a member of the household of the prospective tenant.

Section 3 of this bill authorizes a tenant who is aggrieved by a violation of the requirements of **section 5** concerning the manner in which rent must be listed or referenced in a written rental agreement or the prohibition set forth in **section 5** on charging a tenant an amount of periodic rent that exceeds the amount of rent due under a written rental agreement to bring a civil action for such a violation. **Section 3** requires a court to award certain relief to a tenant who prevails in such an action.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 118A of NRS is hereby amended by adding thereto the provisions set forth as sections 2 ~~[, 3 and 4]~~ **to 4.5, inclusive,** of this act.

Sec. 2. ***1. A landlord or his or her agent shall provide a tenant at least one method of paying rent or any other fee or charge which does not require the tenant to:***

2. If a landlord or his or her agent allows a tenant to pay rent or any other fee or charge through an Internet website or online portal:

(a) The landlord or his or her agent shall not charge the tenant a fee to make a payment through the Internet website or online portal in an amount that exceeds the amount of any fee charged by the operator of the Internet website or online portal for the use of the Internet website or online portal; and

(b) The amount of any fee charged to the tenant by the landlord or his or her agent for the use of the Internet website or online portal must be separately identified in any written rental agreement.

Sec. 3. ***1. A tenant who is aggrieved by a violation of subsection 6 or 7 of NRS 118A.200 may bring a civil action in any court of competent jurisdiction for such a violation.***

2. If a tenant prevails in an action brought pursuant to subsection 1, the court shall award the tenant:

(a) Any damages the tenant has sustained ~~***[;]***~~ ***that the court deems appropriate;***

(b) Any equitable relief that the court deems appropriate;

(c) The tenant's costs in the action and reasonable attorney's fees; and

(d) Statutory damages of ~~***[$1,000]***~~ ***$250 for each violation which involved deception*** ~~***. [; and***~~

~~***(e) Treble the amount of actual damages sustained by the tenant as a result of each willful violation.]***~~

Sec. 4. ***A landlord or his or her agent shall, upon request, provide to a prospective tenant a copy of the written rental agreement, if any, to which the prospective tenant would be subject if he or she were to become a tenant.***

Sec. 4.5. 1. A landlord who collects from a prospective tenant any fee to apply to rent a dwelling unit, including, without limitation, an application fee, a fee to obtain a credit report or a fee to obtain a background check, shall refund the fee to the prospective tenant if the landlord:

(a) Rents the dwelling unit to a different prospective tenant; and

(b) Does not conduct the activity for which the fee was collected, including, without limitation, processing the application or obtaining a credit report or background check of the prospective tenant.

2. A landlord shall not collect an application fee, a fee to obtain a credit report or a fee to obtain a background check for a minor who is a member of the household of the prospective tenant.

3. As used in this section:

(a) "Household" means an association of persons who live in the same home or dwelling and who are related by blood, adoption, marriage or domestic partnership.

(b) "Minor" means a person who is under 18 years of age.

Sec. 5. NRS 118A.200 is hereby amended to read as follows:

118A.200 1. Any written agreement for the use and occupancy of a dwelling unit or premises must be signed by the landlord or his or her agent and the tenant or his or her agent.

2. The landlord shall provide one copy of any written agreement described in subsection 1 to the tenant free of cost at the time the agreement is executed and, upon request of the tenant, provide additional copies of any such agreement to the tenant within a reasonable time. The landlord may charge a reasonable fee for providing the additional copies.

3. Any written rental agreement must contain, but is not limited to, provisions relating to the following subjects:

(a) Duration of the agreement.

(2) A violation of a building, safety or health code or regulation.

(n) Information regarding the right of the tenant to engage in the display of the flag of the United States, as set forth in NRS 118A.325.

4. In addition to the provisions required by subsection 3, any written rental agreement for a single-family residence which is not signed by an authorized agent of the landlord who at the time of signing holds a permit to engage in property management pursuant to chapter 645 of NRS must contain a disclosure at the top of the first page of the agreement, in a font size at least two times larger than any other font size in the agreement, which states that:

(a) There are rebuttable presumptions in NRS 205.0813 and 205.0817 that the tenant does not have lawful occupancy of the dwelling unless the agreement:

(1) Is notarized or is signed by an authorized agent of the landlord who at the time of signing holds a permit to engage in property management pursuant to chapter 645 of NRS; and

(2) Includes the current address and telephone number of the landlord or his or her authorized representative; and

(b) The agreement is valid and enforceable against the landlord and the tenant regardless of whether the agreement:

(1) Is notarized or is signed by an authorized agent of the landlord who at the time of signing holds a permit to engage in property management pursuant to chapter 645 of NRS; or

(2) Includes the current address and telephone number of the landlord or his or her authorized representative.

5. The absence of a written agreement raises a disputable presumption that:

(b) Maintenance and waste removal services are provided without charge to the tenant.

(c) No charges for partial or late payments of rent or for dishonored checks are paid by the tenant.

(d) Other than normal wear, the premises will be returned in the same condition as when the tenancy began.

7. A landlord shall not charge a tenant an amount of periodic rent that exceeds the amount of rent due under a written rental agreement, as set forth in the manner required by subsection 6.

8. It is unlawful for a landlord or any person authorized to enter into a rental agreement on his or her behalf to use any written agreement which does not conform to the provisions of this section, and any provision in an agreement which contravenes the provisions of this section is void.

~~[7.]~~ ***9.*** As used in this section, "single-family residence" means a structure that is comprised of not more than four units. The term does not include a manufactured home as defined in NRS 118B.015.

~~[ASSEMBLYMEMBER]~~ **ASSEMBLYMEMBERS** GURR **; DELONG, GALLANT AND TORRES-FOSSETT**

AN ACT relating to public financial administration; **revising the hours the office of the county treasurer is required to be kept open;** requiring certain money from the sale of property for delinquent taxes to be accounted for separately in a county general fund and used to pay for the acquisition and improvement of technology used in the office of the county treasurer; revising the contents of a notice of delinquent taxes; revising provisions relating to certain property held in trust by a county treasurer; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires, subject to certain exceptions, sheriffs, county recorders and county auditors, county clerks, county assessors and county treasurers to keep open the county office and branch offices, if any, on all days except Sundays and nonjudicial days from 9 a.m. to 12 p.m., and on all days except Sundays, nonjudicial days and Saturdays from 1 p.m. to 5 p.m. Existing law also authorizes the board of county commissioners of any county to designate or authorize deviation from the days and hours, but requires each office to be kept open for not less than 40 hours during each week. (NRS 245.040) Existing law establishes that the county treasurers are tax receivers for the county. (NRS 361.475) Section 1 of this bill provides that the county office and branch offices, if any, of the county treasurer must not close earlier than 5 p.m. but may close later than 5 p.m.

Existing law requires the tax receiver of a county to mail notice of delinquent taxes to certain persons. The notice of delinquency must state certain information, including that if the amount of delinquent taxes is not paid, the tax receiver will, at 5 p.m. on the first Monday in June of the current year, issue a certificate authorizing the county treasurer to hold the property. (NRS 361.5648) **Section 2** of this bill provides instead that the notice of delinquency must state that if the amount of delinquent taxes is not paid, the tax receiver will, at the close of business of the tax receiver of the county on the first Monday in June of the current year, issue a certificate authorizing the county treasurer to hold the property.

Existing law requires the tax receiver to make out a trustee's certificate that describes each property on which delinquent taxes, penalties, interest and costs have not been paid. The trustee's certificate authorizes the county treasurer to hold each property for a certain period of time. (NRS 361.570) When the time allowed by law for the redemption of a property described in the certificate has expired and no redemption has been made, the tax receiver who issued the certificate is required to execute and deliver to the county treasurer a deed of the property. Upon obtaining such a deed, the county treasurer is required to hold the property in trust until it is sold or otherwise disposed of. Existing law provides that during certain periods or not later than 5 p.m. on the third business day before the day of the sale by a county treasurer, certain persons are entitled to have the property reconveyed upon the receipt by the county treasurer of payment of the delinquent taxes and certain costs. (NRS 361.585) **Section 3** of this bill provides instead that during certain periods or not later

than the close of business of the county treasurer on the third business day before the day of the sale by a county treasurer, certain persons are entitled to have the property reconveyed upon the receipt by the county treasurer of payment of the delinquent taxes and certain costs.

Existing law authorizes, under certain circumstances, the county treasurer to sell property held in trust because of delinquent taxes. Upon payment, the county treasurer is required, with certain exceptions, to issue a quitclaim deed to the purchaser. Existing law provides an exception to this requirement to issue a quitclaim deed under certain circumstances, if, not later than 5 p.m. on the third business day immediately preceding the day of the sale by the county treasurer, a municipality provides the county treasurer with an affidavit that meets certain requirements. (NRS 361.595) **Section 4** of this bill provides instead that, under certain circumstances, the county treasurer may not issue the quitclaim deed if, not later than the close of business of the county treasurer on the third business day immediately preceding the day of the sale by the county treasurer, a municipality provides the county treasurer with an affidavit that meets certain requirements.

Under existing law, if the county treasurer sells property held in trust because of delinquent taxes, the county treasurer is required to pay certain costs and taxes from the excess proceeds from the sale and then pay into the county general fund: (1) the first $300 of the excess proceeds; (2) 10 percent of the next $10,000 of the excess proceeds; and (3) the amount remaining to be held separately for a certain period of time, and if not claimed by certain persons who had a secured interest in the property, then into the county general fund. (NRS 361.610) **Section 5** of this bill provides that ~~[after the payment of certain costs and taxes,]~~ **of the amount remaining to be held separately for a certain period of time, and if not claimed,** 5 percent of the ~~[excess proceeds]~~ **total amount remaining** must be accounted for separately in the county general fund pursuant to **section** ~~[1]~~ **1.5** of this bill. The money in the account is only authorized to be used to acquire technology or improve technology used in the office of the county treasurer. **Section** ~~[1]~~ **1.5** also requires the county treasurer to submit an annual report to the board of county commissioners by July 1 setting forth the projected expenditure of money in the account for the following fiscal year. **Section 1.5 also authorizes a board of county commissioners to revert 50 percent of any balance of unexpended or unencumbered money after 3 years.**

Existing law sets forth certain procedures allowing a person to make a claim for the excess proceeds from the sale by the county treasurer of property held in trust because of delinquent taxes, including, without limitation, requiring certain indeterminable claims to be submitted to mediation, and if mediation is unsuccessful, then requiring the county treasurer to conduct a hearing or file an action for interpleader. (NRS 361.610) **Section 5** eliminates conducting a hearing as a method for determining certain indeterminable claims, instead requiring the county treasurer to file an action for interpleader following any unsuccessful mediation. Existing law authorizes a person to enter into an

agreement to locate, deliver, recover or assist in the recovery of excess proceeds by certain persons. However, if the agreement is entered into by a natural person who occupied the property as his or her primary residence at the time of the sale, any such agreement must not provide for a fee of more than 10 percent of the remaining excess proceeds due that person. (NRS 361.610) **Section 5** removes the limitation that the property must have been occupied by a natural person as his or her primary residence at the time of sale and instead applies the 10 percent cap to the fee of: (1) any natural person; and (2) certain persons who are otherwise authorized by power of attorney, assignment or any other legal instrument by another person to file a claim with and collect from the county treasurer any property owned to the person.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. **NRS 245.040 is hereby amended to read as follows:**

245.040 1. Sheriffs, county recorders and county auditors, county clerks, county assessors and county treasurers shall keep an office at the county seat of their county which, except as otherwise provided in subsections 3 and 4, must be kept open on all days except Sundays and nonjudicial days from 9 a.m. to 12 m., and on all days except Sundays, nonjudicial days and Saturdays from 1 p.m. to 5 p.m. for the transaction of public business, but nothing contained in this subsection interferes with a duty now required of a public officer under the election laws of this State. County clerks shall keep their offices open on all election days during the hours when the polls are open for voting but may, with the consent of the district judge of the county, close their offices for all purposes except election business and the issuance of marriage licenses on any day on which the primary or general election is held.

2. ~~[Notwithstanding]~~ ***Except as otherwise provided in subsection 5 and notwithstanding*** the provisions of subsection 1, the board of county commissioners of any county may, by an order regularly made and entered in the records of its proceedings, designate the days and hours during which the offices of the sheriff, county recorder and county auditor, county clerk, county assessor and county treasurer must be kept open for the transaction of public business. An order so made and entered must require each office to be kept open for not less than 40 hours during each week, and must not prevent the county clerk from closing his or her office for all purposes except election business and the issuance of marriage licenses on primary and general election days as provided in subsection 1.

3. The board of county commissioners may authorize a county officer to rent, equip and operate, at public expense, one or more branch offices in the county. The branch office may be kept open for the transaction of public business on the days and during the hours specified in subsections 1 and 2 or on such days and during such hours as determined by the board. The provisions of this subsection do not preempt any other statutory provisions which require certain duties to be performed at the county seat.

4. Any county office may deviate from the hours of operation required pursuant to this section if the board of county commissioners approves the plan for the deviation submitted by the office, except that no such deviation may conflict with the election laws of this State. Such a plan must be fiscally neutral or result in cost savings.

5. ***The board of county commissioners of any county shall not designate or approve the county office or branch offices, if any, of the county treasurer to close earlier than 5 p.m. for the transaction of business on all days except Saturdays, Sundays and nonjudicial days. Nothing in this subsection shall be construed to prohibit the offices from closing later than 5 p.m.***

6. A county officer who violates the provisions of this section is guilty of a misdemeanor, and if an officer mentioned in subsection 1 absents himself or herself from office, except:

(a) When called away from his or her office by official duties;

(b) When expressly permitted so to do by the board of county commissioners or a majority of the members thereof in writing; or

(c) When he or she makes provision to leave his or her office open for the transaction of public business on the days and during the hours prescribed by this section and in charge of a deputy qualified to act in the county officer's absence,

➥ there must be withheld from the county officer's monthly salary that proportion thereof as the number of days of absence bears to the number of days of the month in which the absence occurs. The money must be withheld from payment of salary to the officer for the next succeeding month by order of the board of county commissioners, but such an order must not be made without first giving the officer affected reasonable notice and an opportunity to appear before the board and defend the charge against him or her.

~~[Section 1.]~~ ***Sec. 1.5.*** Chapter 249 of NRS is hereby amended by adding thereto a new section to read as follows:

1. Any money received by the county treasurer pursuant to paragraph (a) of subsection 3 of NRS 361.610 must be accounted for separately in the county general fund.

2. Money in the account:

(a) May only be used to acquire technology for or improve the technology used in the office of the county treasurer, including, without limitation, the payment of any costs associated with acquiring or improving technology for converting or archiving records, purchasing hardware or software, maintaining the technology, training employees in the operation of the technology and contracting for professional services relating to the technology; and

(b) Must not be used to replace or supplant any money available from other sources to acquire technology for or improve technology used in the office of the county treasurer.

3. Any money remaining in the account at the end of a fiscal year does not revert to the county general fund, and the balance in the account must be carried forward to the next fiscal year.

4. The money in the account must be invested as other county funds are invested. All interest earned on the deposit or investment of the money in the account, after deducting any applicable charges, must be credited to the account. Claims against the account must be paid as other claims against the county are paid.

5. On or before July 1 of each year, the county treasurer shall submit a report to the board of county commissioners setting forth the projected expenditure of money in the account for the following fiscal year.

6. Fifty percent of any balance of unexpended or unencumbered money remaining in the account after 3 years shall be deemed dormant and subject to transfer at the discretion of and order by a board of county commissioners pursuant to NRS 354.150.

Sec. 2. NRS 361.5648 is hereby amended to read as follows:

361.5648 1. Within 30 days after the first Monday in March of each year, with respect to each property on which the tax is delinquent, the tax receiver of the county shall mail notice of the delinquency by first-class mail to:

(a) The owner or owners of the property;

(b) The person or persons listed as the taxpayer or taxpayers on the tax rolls, at their last known addresses, if the names and addresses are known;

(c) Each holder of a recorded security interest if the holder has made a request in writing to the tax receiver for the notice, which identifies the secured property by the parcel number assigned to it in accordance with the provisions of NRS 361.189; and

(d) Each assignee of a tax lien on the property, if the assignee has made a request in writing to the tax receiver for the notice described in paragraph (c).

2. The notice of delinquency must state:

(a) The name of the owner of the property, if known.

(b) The description of the property on which the taxes are a lien.

(c) The amount of the taxes due on the property and the penalties and costs as provided by law.

(d) That if the amount is not paid by or on behalf of the taxpayer or his or her successor in interest, the tax receiver will, at ~~[5 p.m.]~~ ***the close of business of the tax receiver of the county*** on the first Monday in June of the current year, issue to the county treasurer, as trustee for the State and county, a certificate authorizing the county treasurer to hold the property, subject to redemption within 2 years, or within 1 year if the property is determined to be abandoned pursuant to NRS 361.567, after the date of the issuance of the certificate, by payment of the taxes and accruing taxes, penalties and costs, together with interest on the taxes at the rate of 10 percent per annum, assessed monthly, from the date due until paid as provided by law, except as otherwise provided in NRS 360.232 and 360.320, and that redemption may be made in

accordance with the provisions of chapter 21 of NRS in regard to real property sold under execution.

3. Within 30 days after mailing the original notice of delinquency, the tax receiver shall issue his or her personal affidavit to the board of county commissioners affirming that due notice has been mailed with respect to each parcel. The affidavit must recite the number of letters mailed, the number of letters returned and the number of letters finally determined to be undeliverable. Amendment No. 42.

AN ACT relating to insurance; revising certain definitions for the purposes of certain coverage for health care services; revising provisions governing the circumstances under which a managed care organization is not required to authorize coverage of a health care service; revising the applicability of certain provisions requiring certain insurers to establish a system of procedures for resolving complaints of insured persons and providing for the external review of an adverse determination to include certain insurers that issue policies or certificates that provide only dental coverage; revising the information which a health carrier is required to provide in a notice of an adverse determination; authorizing a dentist of a covered person to submit to the Office for Consumer Health Assistance in the Department of Health and Human Services a request for an external review of an adverse determination; requiring an independent review organization to notify the dentist of a covered person and a health carrier of certain information and the determination and reasons of the independent review organization; requiring a decision of an independent review organization to be based, in part, on certain documentary evidence, including any recommendation of the dentist of the insured; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires each managed care organization to authorize coverage of a health care service that has been recommended for an insured by a provider of health care acting within the scope of his or her practice if that service is covered by the health care plan of the insured unless the decision not to authorize coverage is made by a physician who satisfies certain conditions. (NRS 695G.150) **Section 2** of this bill provides that a managed care organization is also not required to authorize coverage if the decision not to authorize coverage is made by a dentist who satisfies certain conditions.

Existing law: (1) requires a managed care organization to establish a system of procedures for resolving complaints of a person who is insured by a managed care organization; and (2) provides for the external review of an adverse determination by a managed care organization. (NRS 695G.200-695G.310) The requirement for the establishment of a system of procedures for resolving complaints and the provisions setting forth procedures for the external review of an adverse determination also apply to insurers that issue certain policies, plans, contracts and coverage for health insurance in this State that provide, deliver, arrange for, pay for or reimburse costs of health care through managed care, including: (1) certain health insurance provided through a plan of self-insurance for officers and employees of this State; (2) individual health insurance; (3) group health insurance; (4) health benefit plans of small employers; (5) contracts for hospital or medical services; (6) health care plans issued by health maintenance organizations; and (7) evidence of coverage issued by prepaid limited health service organizations. (NRS

287.04335, 689A.745, 689B.0285, 689C.156, 695B.380, 695C.260, 695F.230) Existing law exempts a policy or certificate that provides only dental coverage from these provisions. (NRS 695G.243) **Section 3** of this bill provides that the requirement for the establishment of a system of procedures for resolving complaints and the provisions setting forth procedures for the external review of an adverse determination apply to a policy or certificate that provides only dental coverage.

Existing law requires a health carrier to notify certain persons, including a covered person and his or her treating physician, of: (1) an adverse determination relating to a request for the provision of or payment for a health care service or course of treatment; and (2) certain information which must be included in such a notice, including the ability to file a request for an expedited external review if, among other conditions, the insured's treating physician makes certain written certifications relating to the recommended or requested health care service or treatment. (NRS 695G.245) **Section 4** of this bill provides that a dentist may make the required written certifications.

Existing law authorizes a covered person, a physician of a covered person or an authorized representative to submit a request to the Office for Consumer Health Assistance in the Department of Health and Human Services for an external review of an adverse determination. (NRS 695G.251) **Section 5** of this bill authorizes a dentist of a covered person to submit such a request.

Existing law requires an independent review organization that receives a request for an external review to: (1) notify the covered person, the physician of the covered person and the health carrier if any additional information is required to conduct the review; (2) forward to the health carrier any information received from a covered person or the physician of a covered person; and (3) notify the covered person, the physician of the covered person, the authorized representative of the covered person and the health carrier of its determination and reasons therefor. (NRS 695G.261) **Section 6** of this bill requires the independent review organization to also: (1) notify the dentist of the covered person if any additional information is required to conduct the review; (2) forward to the health carrier any information received from the dentist of a covered person; and (3) notify the dentist of the covered person of its determination and reasons therefor.

Existing law requires an independent review organization to notify a covered person, the physician of the covered person, the authorized representative, if any, and the health carrier by telephone and in writing after completing its external review. (NRS 695G.271) **Section 7** of this bill requires an independent review organization to notify the dentist of a covered person, if applicable.

Existing law sets forth the process by which an external review of an adverse determination must be conducted. (NRS 695G.275) **Section 8** of this bill revises provisions setting forth that process to provide a covered person's treating dentist with the same powers and duties with respect to that process as a covered person's treating physician.

Existing law requires the decision of an independent review organization concerning a request for an external review to be based, in part, on documentary evidence, including any recommendation of the physician of the insured. (NRS 695G.280) **Section 9** of this bill requires that documentary evidence to include any recommendation of the dentist of the insured.

Existing law provides a clinical peer who conducts or participates in an external review of an adverse determination immunity from liability for certain damages relating to the external review under certain circumstances. (NRS 695G.290) **Section 1** of this bill revises the definition of "clinical peer" to include certain dentists.

Section 1 also authorizes a creditor to seek a court order declaring that a debt or any portion thereof is not the result of economic abuse or coerced debt and prescribes certain requirements relating to any such order. Finally, section 1 provides that a creditor who violates section 1 is liable in a civil action for the violation.~~

~~Section 2 requires a reporting agency that receives certain notice that a debt or any portion of a debt is the result of economic abuse or coerced debt to: (1) conduct an investigation concerning the debt; and (2) remove from its files any reference to the debt or any portion of the debt determined by the reporting agency to be the result of economic abuse or coerced debt under certain circumstances.]~~

Amendment No. 128.

SUMMARY—Revises provisions relating to the issuance of **certain** professional and occupational licenses. (BDR ~~[19-926)]~~ **54-926**)

AN ACT relating to professional licensing; establishing procedures by which an applicant for ~~[a]~~ **certain** professional or occupational ~~[license]~~ **licenses** may obtain judicial review of the decision of a ~~[licensing agency]~~ **regulatory body** denying the application of the applicant on the basis of the moral character or criminal history of the applicant; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for the licensure and regulation of certain professions and occupations in this State. (Title 54 of NRS) Existing law, in general, designates various state agencies, boards and commissions that are authorized to license and regulate those professions and occupations as "regulatory bodies." (NRS 622.060) Existing law authorizes or requires various ~~[entities that issue professional or occupational licenses]~~ **regulatory bodies** to deny an application for the issuance of ~~[such]~~ a **professional or occupational** license based on the moral character or criminal history of the applicant. For example, existing law authorizes the Nevada State Board of Accountancy to refuse to grant a certificate of certified public accountant to an applicant if he or she has been convicted of a felony in this State. (NRS 628.190) Similarly, existing law requires an applicant for a license as an athletic trainer to be of good moral character. (NRS 640B.310) ~~[Additionally, under existing law, the Cannabis Compliance Board is prohibited, with certain exceptions, from issuing a cannabis establishment agent registration card to a person who has been convicted of certain felony offenses. (NRS 678B.340)]~~ This bill sets forth procedures by which an applicant for the issuance of ~~[any]~~ **a "license," which existing law defines to mean any** license, ~~[certification,]~~

certificate, registration, permit or other **similar type of** authorization ~~[that grants a person the authority to engage in a profession or occupation in this State that is]~~ issued by ~~[any officer, agency, board or commission of this State or any political subdivision of this State]~~ **a regulatory body,** may obtain judicial review of a **final** decision **of the regulatory body** denying the application of the applicant on the basis of the moral character or criminal history of the applicant. **(NRS 622.030)**

This bill requires a ~~[licensing agency]~~ **regulatory body** that denies an application for the issuance of a license on the basis of the moral character or criminal history of the applicant to **, before issuing a final decision on the matter, advise the applicant of the administrative remedies available for challenging the denial, if any, and the applicable timelines for pursuing such remedies. If the regulatory body issues a final decision denying the application of the applicant on the basis of the moral character or criminal history of the applicant, this bill requires the regulatory body to** provide written notice to the applicant within 10 days after the ~~[denial.]~~ **issuance of the final decision.** This bill authorizes the applicant to file a petition in the district court seeking review of the decision within 30 days after receipt of the notice. Under this bill, the ~~[licensing agency]~~ **regulatory body** is required to prove by ~~[clear and convincing]~~ **a preponderance of the** evidence at the hearing on the petition that the issuance of the license to the applicant would pose a direct, substantial and unmitigatable risk to public health or safety based on the duties and responsibilities of the profession or occupation in which the applicant wishes to engage. If the court determines that the ~~[licensing agency]~~ **regulatory body** has met that burden of proof, this bill requires the court to issue an order affirming the decision of the ~~[licensing agency.]~~ **regulatory body.** If the court determines that the ~~[licensing agency]~~ **regulatory body** has not met that burden of proof, this bill requires the court to order the ~~[licensing agency]~~ **regulatory body** to issue the applicant the license. Under this bill, the ~~[licensing agency]~~ **regulatory body** is required to comply with the order, notwithstanding any other provision of existing law.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter ~~[237]~~ **622** of NRS is hereby amended by adding thereto a new section to read as follows:

1. If a ~~[licensing agency]~~ regulatory body denies an application for the issuance of a license on the basis of the moral character or criminal history of the applicant, the ~~[licensing agency]~~ regulatory body shall , before issuing a final decision on the matter, advise the applicant of the administrative remedies available for challenging the denial, if any, and the applicable timelines for pursuing such remedies. The regulatory body shall, within 10 days after issuing a final decision denying the application of the applicant on the basis of the moral character or criminal history of the applicant, provide to the applicant written notice ~~[within 10 days after the denial,]~~ of

the final decision. The notice must set forth the basis for the final decision of the ~~[licensing agency and contain an explanation of the provisions of this section.]~~ regulatory body.

2. An applicant who receives a notice of a final decision provided pursuant to subsection 1 may, within 30 days after receipt of the notice, file a petition in the district court seeking review of the decision of the ~~[licensing agency.]~~ regulatory body.

3. Upon the filing of a petition pursuant to subsection 2, the court shall set a time for a hearing on the petition and provide notice of the hearing to the applicant and ~~[licensing agency.]~~ regulatory body. At the hearing, the ~~[licensing agency]~~ regulatory body has the burden of proof of establishing by ~~[clear and convincing]~~ a preponderance of the evidence that the issuance to the applicant of the license for which the applicant applied would pose a direct, substantial and unmitigatable risk to public health or safety based on the duties and responsibilities of the profession or occupation in which the applicant wishes to engage. The regulatory body may present the court with any relevant evidence showing how it reached its decision on the matter. Evidence of any prior arrests of the applicant is not sufficient in itself to meet the burden of proof imposed on the regulatory body pursuant to this subsection.

4. If the court determines that the licensing agency has met the burden of proof required by subsection 3, the court shall issue an order affirming the decision of the ~~[licensing agency.]~~ regulatory body. The order must contain specific findings of fact and conclusions of law supporting the decision of the court . ~~[and specific recommendations to improve the possibility of being granted the license the next time the applicant applies for the license.]~~ The court may also order the regulatory body to meet and confer with the applicant concerning any necessary actions that the applicant must take for the regulatory body to not deny the applicant a license based on the moral character or criminal history of the applicant.

5. If the court determines that the ~~[licensing agency]~~ regulatory body has failed to meet the burden of proof required by subsection 3, the court shall issue an order requiring the ~~[licensing agency]~~ regulatory body to issue the license to the applicant. Notwithstanding any other provision of law, the ~~[licensing agency]~~ regulatory body shall comply with the order and issue the license to the applicant.

6. The provisions of this section do not apply to an applicant for the issuance of a license issued by the State Contractors' Board pursuant to chapter 624 of NRS.

7. As used in this section ~~[:~~

~~(a) "License"]~~ , "applicant" means a natural person who applies for a license . ~~], certification, registration, permit or other authorization that grants a person the authority to engage in a profession or occupation in this State.~~

~~*(b) "Licensing agency" means any officer, agency, board or commission of this State or any political subdivision of this State that issues a license.]*~~

Amendment No. 13.

AN ACT relating to education; ~~[expanding the applicability of]~~ **revising provisions relating to** the Student Loan Repayment for Providers of Health Care in Underserved Communities Program; **renaming the Program;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law creates the Student Loan Repayment for Providers of Health Care in Underserved Communities Program to repay the student education loans of qualified providers of health care who work in certain underserved communities. (NRS 226.458) **Existing law also creates the Account for Student Loan Repayment for Providers of Health Care in Underserved Communities to be used to repay those student education loans. (NRS 226.466)** Existing law defines "provider of health care" for purposes of the Program. (NRS 226.454) **Section ~~[1]~~ 4** of this bill adds a licensed **speech-language pathologist, physical therapist,** marriage and family therapist, clinical alcohol and drug counselor**,** ~~[and]~~ alcohol and drug counselor **, assistant behavior analyst and behavior analyst** and a certified problem gambling counselor to the definition of "provider of health care" for such purposes, thereby expanding the applicability of the Program.

Existing law prescribes the requirements for a provider of health care to be eligible for repayment of student education loans under the Program, including a requirement that the provider of health care commit to practice for at least 5 years in certain locations. Such locations in existing law include specified census tracts that have populations with lower income levels or have a high level of social vulnerability under certain federal criteria. (NRS 226.460) Section 6 expands eligibility for the Program to a provider of health care who commits to practice for at least 5 years in a census tract that is directly adjacent to a census tract prescribed in existing law as an eligible location under the Program.

Sections 5-7 of this bill also expand the Program to include public health professionals, which are defined in section 1 of this bill as: (1) the Chief Medical Officer and county and district health officers who are appointed under existing law; and (2) a person who is employed by the Division of Public and Behavioral Health of the Department of Health and Human Services or a local board of health in a position for which the Division or

local board of health experiences substantial difficulty in recruitment and retention. Such positions are required by section 7 to be designated by regulation by the State Treasurer, based on recommendations that are required to be made by the State Board of Health pursuant to section 9 of this bill. Section 8 of this bill changes the name of the Account for the Program to the Account for Student Loan Repayment for Providers of Health Care and Public Health Professionals in Underserved Communities as a result of the expansion of the Program to include public health professionals. Section 2 of this bill applies the definitions in existing law and section 1 to the provisions of existing law relating to the Program. Section 3 of this bill makes a conforming change as a result of the expansion and change of the name of the Program.

Assembly Bill No. 343.

Bill read second time.

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 450.

AN ACT relating to health care; requiring hospitals to publish certain information relating to the pricing of goods and services; prohibiting a hospital

from collecting medical debt that accrued while the hospital was out of compliance with that requirement; prescribing a procedure for the correction of violations of that requirement; authorizing certain **investigations,** civil actions and the imposition of certain administrative sanctions; providing for the publication of certain information relating to violations; requiring certain health care entities to provide certain information before taking any action to collect a medical debt; **providing a penalty;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing federal regulations require a hospital to publish: (1) a list of standard charges for all items and services provided by the hospital; and (2) a consumer-friendly list of standard charges for a limited set of shoppable services, which are services provided by a hospital that can be scheduled by a consumer in advance. (45 C.F.R. §§ 180.20, 180.40-180.60) **Sections 13-15** of this bill codify similar requirements into Nevada law. Specifically, **section 13** requires a hospital to compile, publish and update annually a list of standard charges for all items and services provided by the hospital. **Section 14** requires a hospital to compile, publish and update annually: (1) a list of shoppable services provided by the hospital; and (2) a list of the shoppable services that appear on a list of certain shoppable services specified by the Federal Government and that the hospital does not provide. **Section 15** requires a hospital to publish the lists required by **sections 13 and 14** on the most prominent publicly available Internet website maintained by the hospital and requires those lists to remain available for at least 7 years after the date of initial publication. **Section 15** prescribes additional technical requirements governing the publication of those lists. **Section 16** of this bill requires a hospital to annually report to the Department of Health and Human Services concerning facility fees for outpatient services provided in off-campus facilities. **Section 16** requires the Department to publish those reports on a publicly available Internet website.

Section 17 of this bill prohibits a hospital from taking certain actions to collect a medical debt for goods or services provided to a patient while the hospital is not in compliance with the requirements of **sections 13-15** or the corresponding federal requirements. **Section 17 provides that such prohibited actions, when taken knowingly, constitute deceptive trade practices, thereby subjecting a hospital that commits such a violation to the civil and criminal penalties that may be imposed for deceptive trade practices generally. (Chapter 598 of NRS) Section 17 also** authorizes a ~~[patient or]~~ medical debtor who is aggrieved by **such** a ~~[violation of those requirements]~~ **prohibited action** to ~~[bring a civil action against the hospital.]~~ **file a claim with the Bureau of Consumer Protection in the Office of the Attorney General. Section 24.5 of this bill requires the Governor's Consumer Health Advocate to assist patients with the filing of such claims. If the Bureau determines that a hospital has taken an action prohibited**

by section 17 to collect a medical debt, section 17 requires the hospital to cancel the debt and refund any portion of the debt that has been paid.

Sections 18-21 ~~[and 24]~~ of this bill provide for the administrative enforcement of **sections 2-21**. Specifically, **section 18**: (1) authorizes any person or entity to file a complaint against a hospital that fails to comply with **sections 2-21**; and (2) requires the Department to monitor the compliance of hospitals with **sections 2-21**. **Section 19** prescribes a procedure for the correction of a violation of **sections 2-21**, and **section 20** requires the Department to impose administrative penalties against a hospital that commits such a violation. ~~[Section 24 additionally authorizes the Division of Public and Behavioral Health of the Department to suspend or revoke the license of a hospital that fails to comply with sections 2-21.]~~ **Section 21** provides for the publication of certain documents relating to violations of **sections 2-21**. **Sections 21 and 25** of this bill provide that a complaint alleging such a violation and certain initial investigatory documents are confidential.

Section 22 of this bill requires certain health care entities, before taking any action to collect a medical debt, to provide: (1) the patient with an itemized statement of the medical debt and certain other information; and (2) the medical debtor with a receipt for each payment made on the debt. **Section 22** authorizes a patient or medical debtor who is aggrieved by a violation of those requirements to bring a civil action against the health care entity. **Sections 3-12** of this bill define certain terms, and **section 2** of this bill establishes the applicability of those definitions. **Sections 23 and 27** of this bill make conforming changes to clarify the applicability of an existing definition.

Assembly Bill No. 350.

Bill read second time.

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 449.

AN ACT relating to cemeteries; revising provisions relating to the disinterment and removal of human remains from certain cemeteries; revising certain requirements applicable to certain cemetery owners; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes a cemetery authority to order the disinterment and removal of all human remains interred in all or any part of a cemetery if: (1) a governmental authority other than the cemetery authority makes certain determinations relating to the maintenance of the cemetery in accordance with the health, safety and comfort of the public; or (2) the cemetery authority determines that financial provision must be made for future care of certain gravesites. (NRS 451.070) **Section 1** of this bill instead provides that, before a cemetery authority may disinter or remove human remains interred in all or any part of a cemetery: (1) the cemetery authority must petition the district court of the county in which a cemetery is located for an order authorizing the disinterment and removal; and (2) the court must issue an order authorizing the disinterment and removal. **Sections 2-4** of this bill make conforming changes relating to the issuance by the court, rather than the cemetery authority, of an order for the disinterment and removal of human remains interred in a cemetery.

Existing law: (1) requires the owner of a cemetery to keep the cemetery in an orderly condition; and (2) authorizes a board of county commissioners to make rules relating to this requirement. (NRS 452.030) **Section 5** of this bill removes the authority of a board of county commissioners to make such rules. Instead, **section 5** requires the owner of a cemetery to take certain specific actions to ensure that a cemetery is kept in an orderly condition. ~~[Section 5 also: (1) requires the board of county commissioners of each county to ensure that the owner of a cemetery complies with these requirements; and (2) authorizes a board of county commissioners to require the owner of a cemetery to take corrective action under certain circumstances.]~~

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 183.

AN ACT relating to health care; **requiring certain physician assistants and advanced practice registered nurses to examine pregnant women for the discovery of syphilis;** requiring the use of a rapid **or point-of-care** test when testing certain pregnant women for syphilis in certain circumstances; **requiring certain medical facilities to develop a policy to ensure compliance with such requirements; exempting certain medical facilities from requirements relating to testing for syphilis;** authorizing the discipline of certain health care facilities that violate ~~[that requirement;]~~ **such requirements; requiring Medicaid to reimburse for rapid or point-of-care testing for syphilis performed under certain circumstances separately from reimbursement for other prenatal care;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires **every physician attending a pregnant woman during gestation to make an examination for the discovery of syphilis. Existing law also requires** any medical facility, other than a hospital, and an emergency department or labor and delivery unit in a hospital that is evaluating or treating a pregnant woman to test the pregnant woman for syphilis using a standard serological test, unless the pregnant woman refuses the test or indicates that she has already had ~~[certain]~~ **the** prenatal screenings and tests ~~[.]~~ **recommended by the American College of Obstetricians and Gynecologists.** Existing law requires such a **physician or** facility to treat a patient who tests positive for syphilis or to refer the patient for such treatment, except where the patient refuses treatment. (NRS 442.010) **Section 1** of this bill **additionally requires a physician assistant or advanced practice registered nurse to make an examination for the discovery of syphilis when attending a pregnant woman during gestation. Section 1** requires ~~[such a facility]~~ **certain medical facilities, other than a hospital, and an emergency department or labor unit of a hospital** to test a pregnant woman who has not received ~~[certain]~~ **any** prenatal screenings and tests for syphilis **, and who does not refuse testing ,** using a rapid ~~[point-of-contact]~~ **or point-of-care** test instead of a standard serological test unless ~~[the pregnant woman refuses]~~ the **results of a serological** test ~~[.]~~ **are likely to be available before the woman is discharged or otherwise leaves the facility. Section 1 requires such a facility to perform a serological test if a woman indicates she has a history of syphilis or refer the woman for such a test. Section 1** ~~[also]~~ **: (1)** clarifies that such a facility must perform a ~~[rapid]~~ test for syphilis on a pregnant woman, unless the woman refuses the test, regardless of the reason the woman is seeking treatment at the facility ~~[.]~~ **; and (2) requires any such refusal to be documented. Section 1 further requires such a facility to develop a policy to ensure compliance with such testing requirements and certain recommendations by the American College of Obstetricians and Gynecologists or its successor organization. Section 1 additionally exempts rural clinics that are owned, operated or administered by certain governmental entities from certain requirements governing testing for syphilis.**

Additionally, certain public and private policies of health insurance, including Medicaid, would be required to cover ~~[this]~~ rapid ~~[test]~~ **or point-of-care testing** for syphilis performed under the conditions required by **section 1**. (NRS 287.010, 287.04335, 422.27173, 689A.0412, 689B.0315, 689C.1675, 698C.425, 695A.1856, 695B.1913, 695C.050, 695C.1737, 695G.1714) **Section 3.5 of this bill requires Medicaid, to the extent federal financial participation is available, to reimburse such testing for syphilis separately from the other prenatal care the pregnant woman received at the time of the testing.**

Sections 2 and 3 of this bill authorize the Division of Public and Behavioral Health of the Department of Health and Human Services to discipline a medical facility for a violation of **section 1**.

Amendment No. 447.

SUMMARY—Revises provisions governing electronic communication devices in locations where certain ~~[health care facilities]~~ **services are provided. (**BDR 40-878)

AN ACT relating to health care; authorizing a patient in any of certain facilities for assisted living **or a resident of a living community for persons with disabilities** or his or her representative to request the installation and use of an electronic communication device in the living quarters of the patient ~~[.]~~ **or person;** prohibiting such a facility or an employee of such a facility from taking certain additional actions; **prohibiting a provider of a supported living services arrangement from taking certain actions with regard to the installation and use of an electronic communication device in the home of a recipient of such services;** providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes a patient in a facility for skilled nursing or the representative of the patient to request the installation and use of an electronic communication device in the living quarters of the patient. Existing law requires any roommate of the patient to consent before such a device may be installed. However, if the roommate of a patient refuses to consent, existing law requires the facility for skilled nursing to make reasonable attempts to accommodate the patient, including by moving either the patient or the roommate with the consent of the person being moved. (NRS 449A.182) If a facility for skilled nursing approves a request to install an electronic communication device, existing law provides that the patient or the representative of the patient who submitted the request is responsible for choosing the device and paying certain costs associated with the device. (NRS 449A.184) Existing law limits the persons who are authorized to view or listen to the images or sounds which are displayed, broadcast or recorded by an electronic communication device or temporarily disable or turn off an electronic communication device. Existing law also prohibits a facility for skilled nursing from discriminating or retaliating against a patient because of a decision to request the installation and use of an electronic communication device. (NRS 449A.186) Existing law establishes civil and criminal penalties that may be imposed against: (1) a facility for skilled nursing which violates that prohibition; (2) a person, other than the patient or the representative of the patient, who obstructs, tampers with or destroys an electronic communication device or any recording made by an electronic communication device; or (3) a person who views or listens to images or sounds which are displayed, broadcast or recorded by an electronic communication device without authorization. (NRS 449A.189, 449A.188) Existing law requires a facility for skilled nursing to post a notice in a conspicuous place at the entrance to the living quarters of a patient which contains an electronic communication device stating that such a device is in that living quarters. Existing law prohibits an employee of a facility for skilled nursing from refusing to enter into the living quarters of a patient which contains an electronic communication device or

failing to perform his or her duties because such a device is in use. (NRS 449A.190) Existing law: (1) authorizes the State Board of Health to adopt regulations governing electronic communication devices in facilities for skilled nursing; and (2) provides that the provisions governing such electronic communication devices do not apply to certain devices installed by a law enforcement agency. (NRS 449A.192)

Sections 8-14 of this bill broaden the applicability of those provisions to authorize a patient in any facility for assisted living to install an electronic communication device under the same conditions as existing law establishes for a patient in a facility for skilled nursing. **Section 3** of this bill defines the term "facility for assisted living" to mean: (1) a facility for intermediate care; (2) a facility for skilled nursing; (3) a home for individual residential care; (4) a unit for the provision of long-term care in a hospital; (5) a residential facility for groups; (6) assisted living services provided in a senior living community; or (7) a secure unit in a medical facility for the provision of care to persons with dementia. **Sections 4-6** of this bill define the terms "facility for intermediate care," "home for individual residential care" and "senior living community," respectively, to have the meanings ascribed to them in existing law. **Section 7** of this bill establishes the applicability of those definitions. **Section ~~11~~ 1.5** of this bill authorizes the Division of Public and Behavioral Health of the Department of Health and Human Services to deny an application for a license for or suspend or revoke the license of a facility for assisted living that fails to comply with provisions governing the installation and use of electronic communication devices.

Sections 24-31 of this bill enact provisions governing the installation of electronic communication devices by residents of living communities for persons with disabilities. Sections 24-30 authorize a resident of such a living community or the representative of the resident to request the installation and use of an electronic communication device in the living quarters of the resident under similar conditions to those that currently apply to a patient in a facility for skilled nursing. Section 24 of this bill prescribes the requirements for a person to serve as the representative of a resident. Section 28 establishes civil and criminal penalties that may be imposed against a living community or person who engages in certain prohibited conduct relating to electronic communication devices in living communities. Section 31 prohibits a person from posting or otherwise uploading onto an Internet website an image or a sound of an employee or independent contractor of a living community displayed, broadcasted or recorded on an electronic commination device. Section 32 prohibits a provider of supported living arrangement services in the home of a recipient of such services from: (1) entering into a contract that prohibits the recipient from installing and using an electronic communication device in his or her home; or (2) taking certain actions against a recipient because the recipient has installed or used an electronic communication device in his or her home. Sections 19-23 of this bill define certain terms,

and section 18 of this bill establishes the applicability of those definitions. Section 30 authorizes the Administrator of the Aging and Disability Services Division of the Department to adopt regulations as necessary to carry out sections 18-32. Section 33 of this bill makes the definition of "supported living arrangement services" applicable to section 18-32. Sections 1, 15, 16 and 34-36 of this bill update references to that definition and make other technical updates related to the change made in section 33.

Amendment No. 376.

ASSEMBLYMEMBER HAFEN

JOINT SPONSOR: SENATOR NEAL

AN ACT relating to governmental administration; revising provisions relating to the adoption of regulations by certain agencies of the Executive Department of the State Government; revising provisions relating to the adoption by a governing body of a local government of certain ordinances or the taking of certain actions relating to fees paid by businesses; ~~[authorizing certain legal actions to be taken for certain violations relating to the adoption of such ordinances or taking of such actions by a governing body of a local government;]~~ revising provisions relating to impact fees; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The Nevada Administrative Procedure Act establishes procedural requirements for the adoption of administrative regulations by agencies, officers and employees of the Executive Department of the State Government, with certain exceptions. (NRS 233B.010-233B.120) Under the Act, such state agencies, officers and employees are required to take certain actions to determine the impact of a proposed regulation on for-profit businesses that employ less than 150 employees before adopting a regulation that is likely to impose a direct and significant economic burden upon such a small business or that directly restricts the formation, operation or expansion of such a small business. (NRS 233B.0382, 233B.0608) The Act further requires that after such actions are taken, the state agency, officer or employee is required to prepare a small business impact statement and prescribes the information required to be included in the statement. (NRS 233B.0608, 233B.0609) **The Act also requires that an agency, before holding an initial public hearing on a proposed regulation, conduct at least one workshop to solicit comments from interested persons on one or more general topics to be addressed in the regulation. (NRS 233B.061)** Existing law also establishes procedural requirements for the adoption by a local government of a rule, which is defined in existing law to mean an ordinance and, with certain exceptions, an action taken that imposes, increases or changes the basis for the calculation of a fee that is paid by a for-profit business. (NRS 237.030-237.150) One of the procedural prerequisites for the adoption by a local government of such a rule that is likely to impose a direct and significant economic burden upon a business or directly restricts the formation, operation or expansion of a business is the notification of chambers of commerce and trade associations of the proposed rule. (NRS 237.080) Existing law requires inclusion in the business impact statement prepared by the local government regarding such a proposed rule: (1) the number of businesses likely to be affected by the proposed rule; and (2) a list of the chambers of commerce and trade associations notified of the proposed rule. (NRS 237.090) **Section 1** of this bill imposes the same prerequisite of notifying chambers of commerce and trade associations on a state agency, officer or employee subject to the Nevada Administrative Procedure Act, in determining the impact of a proposed regulation on small businesses, insofar as is practicable. **Section 2** of this bill similarly requires the state agency, officer or employee to include in the small business impact statement for the proposed regulation the total number of small businesses likely to be affected by the proposed regulation and a list of any chambers of commerce and trade associations notified pursuant to **section 1**. **Section 2.5 of this bill requires an agency to notify by electronic mail chambers of commerce, trade associations or owners and officers of businesses which are likely be affected by a proposed regulation of the time and place set for a workshop to solicit comments from interested persons on one or more general topics to be addressed in the regulation. Section 2.5 also requires an agency to maintain an electronic mailing list**

of local chambers of commerce, trade associations and owners and officers of businesses and to update the list not later than January 31 of each year.

Under existing law, a local government is not required to comply with the procedural requirements for adopting a rule if the local government is taking action that imposes, increases or changes the basis for the calculation of **an impact fee or** sales and use taxes. (NRS 237.060) **Section 3** of this bill eliminates ~~[this exemption,]~~ **these exemptions,** thereby requiring a local government to comply with those procedural requirements with respect to a proposed rule that imposes, increases or changes the basis for the calculation of **an impact fee or** sales and use taxes. **Section 3** also clarifies that, for purposes of the procedural requirements for adopting a rule, a "rule" is either: (1) an ordinance by the adoption of which the governing body of a local government exercises legislative powers; or (2) an action taken by the governing body of a local government that imposes, increases or changes the basis for the calculation of a fee that is paid in whole or in substantial part by businesses. (*See, e.g., Castellanos v. City of Reno*, 629 F. Supp. 3d 1031, 1042 (D. Nev. 2022) (construing NRS 237.060 "as disjunctive because the alternative is contrary to common sense and the law's purpose"))

Existing law further provides that any action of a local government to adopt a proposed rule in violation of the requirements for adopting such a rule is void. (NRS 237.140) **Section 4** of this bill ~~[authorizes the Attorney General and certain persons to sue in a court of competent jurisdiction: (1) to have any action to adopt a proposed rule in violation of the requirements for adopting such a rule declared void; or (2) for an injunction against the local government to require compliance with or prevent violations of the requirements for adopting such a rule. Section 4 also prescribes a time period for bringing such an action and authorizes a court to award reasonable attorney's fees and court costs to the successful plaintiff in such a suit. Existing law provides identical authority to bring such a lawsuit or seek injunctive relief for violations of the Open Meeting Law. (NRS 241.037)]~~ **clarifies that any such action is also unenforceable.**

Existing law authorizes local governments to impose by ordinance impact fees to pay the cost of constructing a capital improvement or facility expansions necessitated or attributable to certain new development. (NRS 278B.160) Under existing law, a local government that wishes to impose an impact fee is required to set a public hearing to consider the land use assumptions and to provide certain notice of such a public hearing. (NRS 278B.180) **Section 5** of this bill requires copies of such notice be provided, insofar as is practicable, to chambers of commerce and trade associations whose members are owners or officers of businesses that are likely to be affected by the proposed impact fee.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Assembly Bill No. 461.

Bill read second time.

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 182.

AN ACT relating to powers of attorney; enacting the provisions of the Uniform Health-Care Decisions Act that have not been enacted into law in this State; revising various provisions relating to powers of attorney for health care to conform with the Uniform Act; requiring the Department of Health and Human Services, acting through the Aging and Disability Services Division of the Department, to conduct a program to educate and inform residents of this State concerning planning for long-term care; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law sets forth provisions governing durable powers of attorney for health care decisions. (NRS 162A.700-162A.870) Under existing law, a person may create an advance health-care directive, which existing law defines as a power of attorney for health care, by using a form set forth in the Uniform

Health-Care Decisions Act. (NRS 162A.715, 162A.855) Existing law also contains definitions from the Uniform Health-Care Decisions Act of "guardian," "health care" and "nursing home." This bill replaces other provisions of existing law relating to powers of attorney for health care with the remaining provisions of the Uniform Health-Care Decisions Act that have been enacted into law.

Section 28 of this bill provides that an individual has capacity to make health care decisions and make or revoke an advance health-care directive if the individual: (1) is willing and able to communicate a decision independently or with appropriate services, technological assistance, supported decision making or other reasonable accommodations; and (2) understands the nature and consequences of the action, including, with limitation, the risks and benefits of the action, or, if the individual is appointing an agent to make health care decisions for the individual, the individual recognizes the identity of the individual being appointed and understands the general nature of the relationship with the individual being appointed. Under **section 29** of this bill, an individual is presumed to have capacity to make health care decisions and make or revoke an advance health-care directive, unless certain health care professionals or a court determine that the individual does not have such capacity. **Sections 30 and 31** of this bill require certain notice of a finding that an individual lacks capacity, authorize an individual to object to the finding that the individual lacks capacity and authorize certain persons to petition the court to make a determination on whether the individual lacks capacity.

Section 32 of this bill authorizes an individual to make a health care instruction which includes certain preferences regarding the health care of the individual.

Section 33 of this bill sets forth the requirements to execute a power of attorney for health care and specifies who may not act as an agent to an individual who lacks capacity.

Section 34 of this bill authorizes an individual to create an advance health-care directive that only addresses the mental health care of the individual. **Section 35** of this bill sets forth the procedure to follow when an advance health-care directive that addresses only the mental health care of the individual conflicts with any other type of advance health-care directive.

Section 36 of this bill sets forth the classes of persons who, in order of priority, may act as a default surrogate for an individual if the individual lacks capacity to make health care decisions and an agent or guardian has not been appointed or the agent or guardian of the individual is not willing or able to act or is not reasonably available. **Section 37** of this bill sets forth the procedure a responsible health care professional is required to follow if two or more members of such a class assume authority to act as a default surrogate and the default surrogates disagree on a health care decision.

Section 38 of this bill authorizes an individual to disqualify certain persons from acting as a default surrogate.

Section 39 of this bill authorizes an individual, under certain circumstances, to revoke: (1) an appointment of an agent; (2) the designation of a default surrogate; or (3) a health care instruction. **Section 39** also provides that: (1) a subsequent advance health-care directive revokes a prior advance health-care directive to the extent the two conflict; and (2) the appointment of a spouse or domestic partner is revoked under certain circumstances involving annulment, divorce, dissolution of marriage, legal separation or termination of the domestic partnership.

Section 40 of this bill provides that: (1) an advance health-care directive created outside of this State is valid in this State under certain circumstances; (2) a person may rely on an advance health-care directive under certain circumstances; and (3) the directive may not be denied solely because the directive or the signature is in electronic form.

Section 41 of this bill provides that an agent or default surrogate has a fiduciary duty to an individual who lacks capacity and is required to make a health care decision in accordance with the direction of the individual in an advance health-care directive.

Sections 42 and 43 of this bill set forth the powers and limitations of an agent or a default surrogate under an advance health-care directive or court order.

Section 44 of this bill provides that under certain circumstances, two or more individuals are authorized to act as co-agents or alternate agents of an individual under an advance health-care directive.

Section 45 of this bill sets forth the duties of a health care professional, a responsible health care professional and a health care institution.

Section 46 of this bill provides that: (1) a guardian may refuse to comply with or revoke the advance health-care directive of the individual only if the court appointing the guardian expressly orders the noncompliance or revocation; and (2) a health care decision made by certain agents prevails over the decision of the guardian appointed for the individual, unless otherwise ordered by a court.

Section 47 of this bill provides that under certain circumstances, a health care professional, health care institution, an agent or default surrogate acting in good faith is not subject to civil or criminal liability or certain discipline.

Section 48 of this bill prohibits a person from taking certain actions concerning an advance health-care directive. **Section 48** additionally provides that an individual or the estate of the individual has a cause of action against a person that violates such prohibitions.

Section 49 of this bill provides that an electronic copy of an advance health-care directive, a revocation of an advance health-care directive or a designation or disqualification of a surrogate has the same effect as the original. **Section 49** also establishes requirements for creating a certified physical copy of an advance health-care directive that is in electronic form.

Section 50 of this bill provides that a court acting under this Uniform Act may only grant equitable relief, including, without limitation, a restraining

order or injunction: (1) to prevent certain the implementation of a health care decision made by an agent or default surrogate that is inconsistent with the Act; (2) to prevent an agent or default surrogate from making a health care decision for an individual under certain circumstances; or (3) to order implementation of a health care decision.

Section 51 of this bill provides that the Uniform Act does not authorize mercy killing, assisted suicide or euthanasia.

Section 52 of this bill provides that in applying and construing the Uniform Act, a court is required to consider the promotion of uniformity of the law among jurisdictions that enact the Uniform Act.

Sections 1, ~~[53-59]~~ 53-59.5 and 61-79 of this bill make conforming changes to reflect the changes made in this bill and to remove and replace references to repealed sections.

Sections 4-27 of this bill define certain words and terms for the purposes of **sections 3-52** and the provisions of existing law that contain only certain provisions of the Uniform Act.

Section 60 of this bill requires the Department of Health and Human Services, through the Aging and Disability Services Division of the Department, to conduct a program to educate and inform residents of this State concerning planning for long-term care.

Section 83 of this bill repeals existing provisions governing the execution of a declaration concerning the withholding or withdrawal of life-sustaining treatment, thereby making directions concerning such treatment governed solely by the Uniform Act. (NRS 449A.400-449A.481)

(3) Is not the cohabitant of the individual who made the first finding or a descendant of the cohabitant.

6. As soon as reasonably feasible, a health care professional who is informed of an objection under subsection 3 shall:

(a) Communicate the objection to a responsible health care professional; and

(b) Document the objection and the date of the objection in the individual's medical record or communicate the objection and the date of the objection to an administrator with responsibility for medical records of the health care institution providing health care to the individual, who shall document the objection and the date of the objection in the individual's medical record.

4. An individual may direct in an advance mental health-care directive that, if the individual is experiencing a psychiatric or psychological event specified in the directive, the individual may not revoke the directive or a part of the directive.

5. If an advance mental health-care directive includes the direction under subsection 4, the advance mental health-care directive must be in a record that is separate from any other advance health-care directive created by the individual and signed by the individual creating the advance mental health-care directive and at least two adult witnesses who:

(a) Attest that to the best of their knowledge that the individual:

(1) Understood the nature and consequences of the direction, including, without limitation, its risks and benefits; and

(2) Made the direction voluntarily and without coercion or undue influence;

(b) Are not:

(1) The agent appointed by the individual;

(2) The spouse, domestic partner or cohabitant of the agent; and

(3) If the individual resides in a nursing home, the owner, operator, employee or contractor of the nursing home; and

(c) Are physically present in the same location as the individual.

Sec. 35. *1. If a direction in an advance mental health-care directive of an individual conflicts with a direction in another advance health-care directive of the individual, the later direction revokes the earlier direction to the extent of the conflict.*

2. An appointment of an agent to make decisions only for the mental health care of the individual does not revoke an earlier appointment of an agent to make any other health care decisions for the individual. A later appointment revokes the authority of an agent under the earlier appointment to make decisions about mental health care unless otherwise specified in the power of attorney making the later appointment.

3. Appointment of an agent to make health care decisions for an individual other than decisions about mental health care made after appointment of an agent authorized to make only mental health care decisions does not revoke the appointment of the agent authorized to make only mental health care decisions.

Sec. 36. *1. A default surrogate may make a health care decision for an individual who lacks capacity to make health care decisions and for whom ~~[an]~~ :*

(a) An agent ~~[or guardian]~~ authorized to make health care decisions has not been appointed or is not reasonably available ~~[.]~~ ; or

(b) A guardian authorized to make health care decisions has not been appointed.

2. Unless the individual has an advance health-care directive that indicates otherwise, a member of the following classes, in descending order of priority, who is reasonably available and not disqualified under section 38 of this act, may act as a default surrogate for the individual:

(a) An adult whom the individual has identified, other than in a power of attorney for health care, to make a health care decision for the individual if the individual cannot make the decision;

(b) The spouse or domestic partner of the individual, unless:

(1) A petition for annulment, divorce, dissolution of marriage, legal separation or termination has been filed and not dismissed or withdrawn;

(2) A decree of annulment, divorce, dissolution of marriage, legal separation or termination has been issued;

(3) The individual and the spouse or domestic partner have agreed in a record to a legal separation; or

(4) The spouse or domestic partner has abandoned the individual for more than 1 year;

(c) The adult child or parent of the individual;

(d) The cohabitant of the individual;

(e) The adult sibling of the individual;

(f) The adult grandchild or grandparent of the individual;

(g) An adult not listed in paragraphs (a) to (f), inclusive, who has assisted the individual with supported decision making routinely during the preceding 6 months;

(h) The adult stepchild of the individual not listed in paragraphs (a) to (g), inclusive, who the individual actively parented during the minor years of the stepchild and with whom the individual has an ongoing relationship; or

(i) An adult not listed in paragraphs (a) to (h), inclusive, who has exhibited special care and concern for the individual and is familiar with the personal values of the individual.

3. A responsible health care professional may require an individual who assumes authority to act as a default surrogate to provide a declaration in a record under penalty of perjury stating facts and circumstances reasonably sufficient to establish the authority.

4. If a responsible health care professional reasonably determines that an individual who has assumed authority to act as a default surrogate is not willing or able to comply with a duty under section 41 of this act or fails to do so in a timely manner, the professional may recognize the individual next in priority under subsection 2 as the default surrogate.

5. A health care decision made by a default surrogate is effective without judicial approval.

Sec. 37. *1. A default surrogate who assumes authority under section 36 of this act shall inform a responsible health care professional if two or more members of a class under subsection 2 of section 36 of this act have assumed authority to act as default surrogates and the members do not agree on a health care decision.*

2. A responsible health care professional shall comply with the decision of a majority of the members of the class with highest priority under subsection 2 of section 36 of this act who have communicated their views to the professional and the professional reasonably believes are acting consistent with their duties under section 41 of this act.

3. If a responsible health care professional is informed that the members of the class who have communicated their views to the professional are evenly divided concerning the health care decision, the professional shall make a reasonable effort to solicit the views of members of the class who are reasonably available but have not yet communicated their views to the professional. The professional, after the solicitation, shall comply with the decision of a majority of the members who have communicated their views to the professional and the professional reasonably believes are acting consistent with their duties under section 41 of this act.

4. If the class remains evenly divided after the effort is made under subsection 3, the health care decision must be made as provided by other law of this State regarding the treatment of an individual who is found to lack capacity.

Sec. 38. *1. An individual for whom health care decisions would be made may disqualify another individual from acting as a default surrogate for the first individual. The disqualification may be in a record signed by the first individual or communicated verbally or nonverbally to the individual*

being disqualified, another individual or a responsible health care professional. Disqualification under this subsection is effective even if made by an individual who lacks capacity to make an advance health-care directive if the individual clearly communicates a desire that the individual being disqualified not make health care decisions for the individual.

2. An individual is disqualified from acting as a default surrogate for an individual who lacks capacity to make health care decisions if:

(a) A court finds that the potential default surrogate poses a danger to the individual's well-being, even if the court does not issue a protective order or restraining order against the potential surrogate;

(b) The potential default surrogate is an owner, operator, employee or contractor of a nursing home in which the individual is residing or receiving care unless the owner, operator, employee or contractor is a family member of the individual, the cohabitant of the individual or a descendant of the cohabitant; or

(c) The potential default surrogate refuses to provide a timely declaration under subsection 3 of section 36 of this act.

Sec. 39. *1. An individual may revoke the appointment of an agent, the designation of a default surrogate or a health care instruction in whole or in part, unless:*

(a) A court finds that the individual lacks capacity to do so;

(b) The individual is found under subsection 2 of section 29 of this act to lack capacity to do so and, if the individual objects to the finding, the finding is confirmed under paragraph (d) of subsection 4 of section 30 of this act; or

(c) The individual created an advance mental health-care directive that includes the provision under subsection 4 of section 34 of this act and the individual is experiencing the psychiatric or psychological event specified in the directive.

2. Revocation under subsection 1 may be by any act of the individual that clearly indicates that the individual intends to revoke the appointment, designation or instruction, including, without limitation, an oral statement to a health care professional.

3. Except as otherwise provided in section 35 of this act, an advance health-care directive of an individual that conflicts with another advance health-care directive revokes the earlier directive to the extent of the conflict.

4. Unless otherwise provided in an individual's advance health-care directive appointing an agent, the appointment of a spouse or domestic partner of an individual as agent for the individual is revoked by:

(a) A petition for annulment, divorce, dissolution of marriage, legal separation or termination that has been filed and not dismissed or withdrawn;

(b) A decree of annulment, divorce, dissolution of marriage, legal separation or termination;

(c) The individual and the spouse or domestic partner having agreed in a record to a legal separation; or

(d) Abandonment of the individual for more than 1 year by the spouse or domestic partner of the individual.

Sec. 40. *1. An advance health-care directive created outside this State is valid if the advance health-care directive complies with:*

(a) The law of the state specified in the directive or, if no state is specified, the state in which the individual created the directive; or

(b) The provisions of NRS 162A.710, 162A.715, 162A.733, 162A.736, 162A.755 and 162A.855 and sections 3 to 52, inclusive, of this act.

2. A person may assume without inquiry that an advance health-care directive is genuine, valid and still in effect and may implement or rely on it, unless the person has good cause to believe that the directive is invalid or has been revoked.

3. An advance health-care directive, revocation of a directive or a signature on a directive or revocation may not be denied legal effect or enforceability solely because it is in electronic form.

4. Evidence relating to an advance health-care directive, revocation of a directive or a signature on a directive or revocation may not be excluded in a proceeding solely because the evidence is in electronic form.

5. The provisions of NRS 162A.710, 162A.715, 162A.733, 162A.736, 162A.755 and 162A.855 and sections 3 to 52, inclusive, of this act do not affect the validity of an electronic record or signature that is valid under chapter 719 of NRS.

6. If any provision of NRS 162A.710, 162A.715, 162A.733, 162A.736, 162A.755 and 162A.855 and sections 3 to 52, inclusive, of this act conflict with other law of this State relating to the creation, execution, implementation or revocation of an advance health-care directive, NRS 162A.710, 162A.715, 162A.733, 162A.736, 162A.755 and 162A.855 and sections 3 to 52, inclusive, of this act prevails.

Sec. 41. *1. An agent or default surrogate has a fiduciary duty to the individual for whom the agent or default surrogate is acting when exercising or purporting to exercise a power under section 42 of this act.*

2. An agent or default surrogate shall make a health care decision in accordance with the direction of the individual in an advance health-care directive and other goals, preferences and wishes of the individual , including, without limitation, those that may reflect the individual's culture, to the extent known or reasonably ascertainable by the agent or default surrogate.

3. If there is not a direction in an advance health-care directive and the goals, preferences and wishes of the individual regarding a health care decision are not known or reasonably ascertainable by the agent or default surrogate, the agent or default surrogate shall make the decision in accordance with the agent's or default surrogate's determination of the individual's best interest.

4. In determining the individual's best interest under subsection 3, the agent or default surrogate shall:

(a) Give primary consideration to the contemporaneous communications of the individual, including, without limitation, verbal and nonverbal expressions;

(b) Consider the individual's values , including, without limitation, those that may reflect the individual's culture, to the extent known or reasonably ascertainable by the agent or default surrogate; and

(c) Consider the risks and benefits of the potential health care decision.

5. As soon as reasonably feasible, an agent or default surrogate who is informed of a revocation of an advance health-care directive or disqualification of an agent or default surrogate shall communicate the revocation or disqualification to a responsible health care professional.

Sec. 42. *1. Except as otherwise provided in subsection 3, the power of an agent or default surrogate commences when the individual is found under subsection 2 of section 29 of this act or by a court to lack capacity to make a health care decision. The power ceases if the individual later is found to have capacity to make a health care decision, or the individual objects under subsection 3 of section 30 of this act to the finding of lack of capacity under subsection 2 of section 29 of this act. The power resumes if:*

(a) The power ceased because the individual objected under subsection 3 of section 30 of this act; and

(b) The finding of lack of capacity is confirmed under paragraph (d) of subsection 4 of section 30 of this act or a court finds that the individual lacks capacity to make a health care decision.

2. An agent or default surrogate may request, receive, examine, copy and consent to the disclosure of medical and other health care information about the individual if the individual would have the right to request, receive, examine, copy or consent to the disclosure of the information.

3. A power of attorney for health care may provide that the power of an agent under subsection 2 commences upon appointment.

4. If no other person is authorized to do so, an agent or default surrogate may apply for public or private health insurance and benefits on behalf of the individual. An agent or default surrogate who may apply for insurance and benefits does not, solely by reason of the power, have a duty to apply for the insurance or benefits.

5. An agent or default surrogate may not consent to voluntary admission of the individual to a facility for mental health treatment unless:

(a) Voluntary admission is specifically authorized by the individual in an advance health-care directive in a record; and

(b) The admission is for not more than the maximum of the number of days specified in the directive or 72 hours, including weekends and holidays, whichever is less.

6. Except as otherwise provided in subsection 7, an agent or default surrogate may not consent to the placement of the individual in a nursing home if the placement is intended to be for more than 100 days if:

(a) An alternative living arrangement is reasonably feasible;

(b) The individual objects to the placement; or

(c) The individual is not terminally ill.

7. If specifically authorized by the individual in an advance health-care directive in a record, an agent or default surrogate may consent to the placement of the individual in a nursing home for more than 100 days even if:

(a) An alternative living arrangement is reasonably feasible;

(b) The individual objects to the placement; and

(c) The individual is not terminally ill.

Sec. 43. *1. If an individual has a long-term disability requiring routine treatment by artificial nutrition, hydration or mechanical ventilation and the individual has a history of using the treatment without objection, an agent or default surrogate may not consent to withhold or withdraw the treatment unless:*

(a) The treatment is not necessary to sustain the individual's life or maintain the individual's well-being;

(b) The individual has expressly authorized the withholding or withdrawal in a health care instruction that has not been revoked; or

(c) The individual has experienced a major reduction in health or functional ability from which the individual is not expected to recover, even with other appropriate treatment, and the individual has not:

(1) Given a direction inconsistent with withholding or withdrawal; or

(2) Communicated, by verbal or nonverbal expression, a desire for artificial nutrition, hydration or mechanical ventilation.

2. A default surrogate may not make a health care decision if, under other law of this State, the decision:

(a) May not be made by a guardian; or

(b) May be made by a guardian only if the court appointing the guardian specifically authorizes the guardian to make the decision.

Sec. 44. *1. An individual in a power of attorney for health care may appoint two or more individuals as co-agents. Unless the power of attorney provides otherwise, each co-agent may exercise independent authority.*

2. An individual in a power of attorney for health care may appoint one or more individuals to act as alternate agents if a predecessor agent resigns, dies, becomes disqualified, is not reasonably available or is otherwise unwilling or unable to act as agent.

3. Unless the power of attorney provides otherwise, an alternate agent has the same authority as the original agent:

(a) At any time the original agent is not reasonably available or is otherwise unwilling or unable to act, for the duration of the unavailability, unwillingness or inability to act; or

(b) If the original agent and all other predecessor agents have resigned or died or are disqualified from acting as agent.

Sec. 45. *1. A responsible health care professional who is aware that an individual has been found to lack capacity to make a decision shall make a reasonable effort to determine if the individual has a surrogate.*

2. If possible before implementing a health care decision made by a surrogate, a responsible health care professional as soon as reasonably feasible shall communicate to the individual the decision made and the identity of the person making the decision.

3. A responsible health care professional who makes or is informed of a finding that an individual lacks capacity to make a health care decision or no longer lacks capacity, or that other circumstances exist that affect a health care instruction or the authority of a surrogate, as soon as reasonably feasible, shall:

(a) Document the finding or circumstance in the medical record of the individual; and

(b) If possible, communicate to the individual and the surrogate of the individual the finding or circumstance and that the individual may object under subsection 3 of section 30 of this act to the finding under subsection 2 of section 29 of this act.

4. A responsible health care professional who is informed that an individual has created or revoked an advance health-care directive, or that a surrogate for an individual has been appointed, designated or disqualified, shall:

(a) Document the information as soon as reasonably feasible in the medical record of the individual; and

(b) If evidence of the directive, revocation, appointment, designation or disqualification is in a record, request a copy and, on receipt, cause the copy to be included in the medical record of the individual.

5. Except as provided in subsections 6 and 7, a health care professional or health care institution providing health care to an individual shall comply with:

(a) A health care instruction given by the individual regarding the health care of the individual;

(b) A reasonable interpretation by the surrogate of the individual of an instruction given by the individual; and

(c) A health care decision for the individual made by the surrogate of the individual in accordance with sections 41 and 42 of this act to the same extent as if the decision had been made by the individual at a time when the individual had capacity.

6. A health care professional or a health care institution may refuse to provide care consistent with a health care instruction or health care decision if:

(a) The instruction or decision is contrary to a policy of the health care institution providing health care to the individual that is expressly based on reasons of conscience and the policy was timely communicated to the individual or to the surrogate of the individual;

(b) The care would require care that is not available to the professional or institution; or

(c) Compliance with the instruction or decision would:

(1) Require the professional to provide care that is contrary to the professional's religious belief or moral conviction if other law permits the professional to refuse to provide the care;

(2) Require the professional or institution to provide care that is contrary to generally accepted health care standards applicable to the professional or institution; or

(3) Violate a court order or other law.

7. A health care professional or health care institution that refuses to provide care under subsection 6 shall:

(a) As soon as reasonably feasible, inform the individual, if possible, and the surrogate of the individual of the refusal;

(b) Immediately make a reasonable effort to transfer the individual to another health care professional or health care institution that is willing to comply with the instruction or decision; and

(c) Either:

(1) If the care is refused under paragraph (a) or (b) of subsection 6, provide life-sustaining care and care needed to keep or make the individual comfortable, consistent with accepted medical standards to the extent feasible, until a transfer is made; or

(2) If the care is refused under paragraph (c) of subsection 6, provide life-sustaining care and care needed to keep or make the individual comfortable, consistent with accepted medical standards, until a transfer is made or, if the professional or institution reasonably believes that a transfer cannot be made, for at least 10 days after the refusal.

Sec. 46. *1. A guardian may refuse to comply with or revoke the individual's advance health-care directive only if the court appointing the guardian expressly orders the noncompliance or revocation.*

2. Unless a court orders otherwise, a health care decision made by an agent appointed by an individual subject to guardianship prevails over a decision of the guardian appointed for the individual.

Sec. 47. *1. A health care professional or health care institution acting in good faith is not subject to civil or criminal liability or to discipline for unprofessional conduct for:*

(a) Complying with a health care decision made for an individual by another person if compliance is based on a reasonable belief that the person has authority to make the decision for an individual, including, without limitation, a decision to withhold or withdraw health care;

(b) Refusing to comply with a health care decision made for an individual by another person if the refusal is based on a reasonable belief that the person lacked authority or capacity to make the decision;

(c) Complying with an advance health-care directive based on a reasonable belief that the directive is valid;

(d) Refusing to comply with an advance health-care directive based on a reasonable belief that the directive is not valid, including, without limitation, a reasonable belief that the directive was not made by the individual or, after its creation, was substantively altered by a person other than the individual who created it;

(e) Determining that an individual who might otherwise be authorized to act as an agent or default surrogate is not reasonably available; or

(f) Complying with an individual's direction under subsection 4 of section 34 of this act.

2. An agent or default surrogate, or an individual with a reasonable belief that the individual is an agent or a default surrogate, is not subject to civil or criminal liability or to discipline for unprofessional conduct for a health care decision made in a good faith effort to comply with the provisions of section 41 of this act.

Sec. 48. *1. A person shall not:*

(a) Intentionally falsify, in whole or in part, an advance health-care directive;

(b) For the purpose of frustrating the intent of the individual who created an advance health-care directive or with knowledge that doing so is likely to frustrate the intent:

(1) Intentionally conceal, deface, obliterate or delete the directive or a revocation of the directive without consent of the individual who created or revoked the directive; or

(2) Intentionally withhold knowledge of the existence or revocation of the directive from a responsible health care professional or health care institution providing health care to the individual who created or revoked the directive;

(c) Coerce or fraudulently induce an individual to create, revoke or refrain from creating or revoking an advance health-care directive or a part of a directive; or

(d) Require or prohibit the creation or revocation of an advance health-care directive as a condition for providing health care.

2. An individual who is the subject of conduct prohibited by subsection 1, or the estate of the individual, has a cause of action against a person that violates subsection 1 for statutory damages of $25,000 or actual damages resulting from the violation, whichever is greater.

3. Subject to subsection 4, an individual who makes a health care instruction, or the estate of the individual, has a cause of action against a health care professional or health care institution that intentionally violates section 45 of this act for statutory damages of $50,000, or actual damages resulting from the violation, whichever is greater.

4. A person who administers emergency medical services, as defined in NRS 450B.460, is not liable under subsection 3 for a violation of subsection 5 of section 45 of this act if:

(a) The violation occurs in the course of providing care to an individual experiencing a health condition for which the professional reasonably believed the care was appropriate to avoid imminent loss of life or serious harm to the individual;

(b) The failure to comply is consistent with accepted standards of the profession of the person who administers emergency medical services; and

(c) The provision of care does not begin in a health care institution in which the individual resides or was receiving care.

5. In an action under this section, a prevailing plaintiff may recover reasonable attorney's fees, court costs and other reasonable litigation expenses.

6. A cause of action or remedy under this section is in addition to any cause of action or remedy under other law.

Sec. 49. *1. A physical or electronic copy of an advance health-care directive, revocation of an advance health-care directive or appointment, designation or disqualification of a surrogate has the same effect as the original.*

2. An individual may create a certified physical copy of an advance health-care directive in electronic form or revocation of an advance health-care directive that is in electronic form by affirming under penalty of perjury that the physical copy is a complete and accurate copy of the directive or revocation.

Sec. 50. *1. On petition of an individual, the surrogate of an individual, a health care professional or health care institution providing health care to the individual, or a person interested in the welfare of the individual, the court may:*

(a) Enjoin implementation of a health care decision made by an agent or default surrogate on behalf of the individual, on a finding that the decision is inconsistent with section 41 or 42 of this act;

(b) Enjoin an agent from making a health care decision for the individual, on a finding that the individual's appointment of the agent has been revoked or the agent:

(1) Is disqualified under subsection 2 of section 33 of this act;

(2) Is unable or unwilling to comply with section 41 of this act; or

(3) Poses a danger to the individual's well-being;

(c) Enjoin another individual from acting as a default surrogate, on a finding that the other individual acting as a default surrogate did not comply with section 36 of this act or the other individual:

(1) Is disqualified under section 38 of this act;

(2) Is unable or unwilling to comply with section 41 of this act; or

(3) Poses a danger to the first individual's well-being; or

(d) Order implementation of a health care decision made:

(1) By and for the individual; or

(2) By an agent or default surrogate who is acting in compliance with the powers and duties of the agent or default surrogate.

2. For the purposes of NRS 162A.710, 162A.715, 162A.733, 162A.736, 162A.755 and 162A.855 and sections 3 to 52, inclusive, of this act, advocating for the withholding or withdrawal of health care or mental health care from an individual is not itself evidence that an agent or default surrogate, or a potential agent or default surrogate, poses a danger to the individual's well-being.

3. A proceeding under this section is governed by chapter 159 of NRS.

Sec. 51. ***1. The provisions of NRS 162A.710, 162A.715, 162A.733, 162A.736, 162A.755 and 162A.855 and sections 3 to 52, inclusive, of this act do not authorize mercy killing, assisted suicide or euthanasia.***

3. The death of an individual caused by withholding or withdrawing health care in accordance with NRS 162A.710, 162A.715, 162A.733, 162A.736, 162A.755 and 162A.855 and sections 3 to 52, inclusive, of this act does not constitute a suicide or homicide or legally impair or invalidate a policy of insurance or an annuity providing a death benefit, notwithstanding any term of the policy or annuity to the contrary.

4. The provisions of NRS 162A.710, 162A.715, 162A.733, 162A.736, 162A.755 and 162A.855 and sections 3 to 52, inclusive, of this act do not create a presumption concerning the intention of an individual who has not created an advance health-care directive.

SECOND READING AND AMENDMENT

Assembly Bill No. 499.

Bill read second time.

The following amendment was proposed by the Committee on Legislative Operations and Elections:

Amendment No. 386.

AN ACT relating to elections; requiring each county clerk to establish and maintain a voter services portal on the Internet website of the office of the county clerk; **requiring the county clerk to include certain information relating to the voter services portal on any communication to a registered voter;** requiring the Department of Motor Vehicles to submit electronically to each county clerk certain information relating to each person who has a driver's license or identification card issued by the Department; requiring the county clerk to include certain information received from the Department in the centralized, top-down database that is established by the Secretary of State for purposes of creating the statewide voter registration list; requiring certain information to be included on the return envelope for a mail ballot; revising provisions relating to signature curing for mail ballots; providing that certain information on the statewide voter registration list relating to a voter is confidential and not a public record; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 2 of this bill requires each county clerk to establish and maintain a voter services portal on the Internet website of the office of the county clerk, which must allow any registered voter in the county to: (1) review his or her voter registration information; (2) print any form necessary to update his or her voter registration information; (3) view his or her sample ballot; and (4) obtain the location of any polling place where the registered voter may vote or deliver a mail ballot to a ballot drop box. **Section 2** further **: (1)** authorizes a county clerk to request the assistance of the Secretary of State to establish and maintain the voter services portal ~~.~~ **; and (2) requires the county clerk to include on any communication to a registered voter a two-dimensional barcode, commonly known as a QR code, or another machine-readable code used for storing the Internet address for the voter services portal created by the county clerk pursuant to section 2.**

Existing law requires, with certain exceptions, the county or city clerk to send to each active registered voter certain information relating to voting by mail, including a mail ballot and a return envelope. (NRS 293.269913,

293C.26312) **Sections 4 and 8** of this bill require the return envelope for a mail ballot to include: (1) a space for the voter to voluntarily write certain identifying information; and (2) a QR code or other machine-readable code that directs a voter to the voter services portal on the Internet website of the office of the county clerk.

Existing law requires: (1) the Secretary of State to establish and maintain a centralized, top-down database that collects and stores information relating to the preregistration of persons and the registration of electors from all the counties in this State; and (2) each county clerk to use the database to collect and maintain all records of preregistration and registration to vote. Under existing law, the Secretary of State is required to: (1) use the voter registration information collected in the database to create the official statewide voter registration list, which serves as the single method for storing and managing the official list of registered voters in this State; and (2) enter into a cooperative agreement with the Department of Motor Vehicles to match information in the database of the statewide voter registration list with information in the appropriate database of the Department to verify the accuracy of the information in an application to register to vote. (NRS 293.675)

Section 3 of this bill requires the Department of Motor Vehicles, on a regular basis, to submit electronically to each county clerk certain information relating to each person who has a driver's license or identification card issued by the Department. **Section 3** further requires the county clerk to: (1) match such information to registered voters in the county; (2) electronically enter into the centralized, top-down database such information for each registered voter in the county as soon as practicable after matching the information to registered voters in the county; (3) identify any person who is a registered voter in the county and does not have a driver's license or identification card; and (4) indicate in the database whether each registered voter in the county has a driver's license or identification card issued by the Department. **Section 7** of this bill requires the information submitted to the county clerk by the Department to be included on the statewide voter registration list.

Existing law provides that certain information relating to a registered voter is confidential and not a public record. (NRS 293.558) **Section 6** of this bill provides that the information submitted to the county clerk by the Department pursuant to **section 3** is also confidential and not a public record.

Existing law requires a voter who votes by mail to affix his or her signature in the space provided on the return envelope of a mail ballot and the county clerk or city clerk to check the signature to verify the identity of the voter. (NRS 293.269917, 293.269927, 293C.26316, 293C.26327) Existing law provides that if the county clerk or city clerk determines when checking the signature used for the mail ballot that the voter failed to affix his or her signature or failed to affix it in the manner required by law or that there is a reasonable question of fact as to whether the signature used for the mail ballot matches the signature of the voter, the clerk is required to contact the voter and advise the voter of the procedures to provide a signature or a confirmation, as

applicable. For the mail ballot to be counted, the voter must provide a signature or a confirmation, as applicable, not later than 5 p.m. on the sixth day following the election. (NRS 293.269927, 293C.26327) **Sections 5 and 9** of this bill make various changes to the signature curing process. First, **sections 5 and 9** provide that if the voter included on the return envelope the last four digits of the voter's driver's license, the last four digits of the voter's social security number or the voter's voter identification number and such information is confirmed by the clerk to be accurate, the voter is entitled to cast the ballot and the signature is not required to be verified. If the voter did not include such information on the return envelope or the information provided on the return envelope is not accurate, the clerk or an employee in the office of the clerk is required to check the signature. Second, **sections 5 and 9** require that: (1) the county clerk and city clerk ensure that employees are available by telephone **until at least 7 p.m.** on evenings and weekends during the signature curing period; and (2) any voicemail message or hold message used by the office of the clerk provides instructions on how a voter may provide a signature or a signature confirmation. Finally, **sections 5 and 9** authorize a voter to confirm his or her signature on the return envelope by electronic mail or text message.

(a) Contact the voter;

(b) Allow the voter to provide a signature or a confirmation that the signature used for the mail ballot belongs to the voter, as applicable; and

(c) After a signature or a confirmation is provided, as applicable, ensure the mail ballot is delivered to the mail ballot central counting board.

(a) Answering questions from the county clerk covering the personal data which is reported on the application to register to vote;

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 453.

AN ACT relating to the protection of children; revising provisions relating to certain categorical grants to fund the adoption assistance program; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing federal law requires each child welfare agency to calculate savings realized from expanded eligibility for children under Title IV-E of the Social Security Act, known as "adoption savings," and reinvest an equal amount in the state's child welfare system. (42 U.S.C. § 673(a)(8)(D)) Existing law requires the Division of Child and Family Services of the Department of Health and Human Services to provide a categorical grant to each agency which provides child welfare services in a county whose population is 100,000 or more (currently Clark and Washoe Counties) for each fiscal year for its adoption assistance program. Existing law requires the Division to base the amount of such a categorical grant on the estimated cost of the projected growth in the adoption assistance program. (NRS 432B.219) This bill requires the Division to additionally base the amount of such a categorical grant on the adoption savings calculated for the immediately preceding fiscal year pursuant to federal law.

Under existing law, any money remaining from such a categorical grant that has not been used or committed for expenditure by the agency by the end of the fiscal year reverts to the State General Fund in most cases. However, existing law provides that the portion of such money remaining at the end of a fiscal year that is identified as adoption savings does not revert until the end of the immediately following fiscal year. Existing law authorizes the agency which provides child welfare services that received the categorical grant to use that money for any costs of providing child welfare services without restriction during that fiscal year. (NRS 432B.219) This bill authorizes an agency which provides child welfare services to continue to use such money for any such costs **in a manner consistent with federal law** for an additional fiscal year before the money reverts to the State General Fund.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 432B.219 is hereby amended to read as follows:

432B.219 1. The Division of Child and Family Services shall provide a categorical grant to each agency which provides child welfare services for each fiscal year for its adoption assistance program to the extent that money has been appropriated to the Division for that purpose. The amount of the grant must be based upon ~~[the]~~ ***:***

(a) The estimated cost of the projected growth in the adoption assistance program ~~[.]~~ ***; and***

(b) The amount identified as savings pursuant to the calculation required under 42 U.S.C. § 673(a)(8)(A), reported at the end of the immediately preceding fiscal year.

2. The amount of the grant awarded pursuant to subsection 1 must be determined for 2 years beginning on July 1 of each odd-numbered year and allocated each fiscal year.

3. Except as otherwise provided in subsection 4:

(a) An agency which provides child welfare services that receives a grant pursuant to subsection 1 must use the money allocated only for costs associated with the adoption assistance program.

(b) Any money from the grant awarded pursuant to subsection 1 that has not been used or committed for expenditure by the agency which provides child welfare services by the end of the fiscal year reverts to the State General Fund.

4. The portion of any money remaining at the end of a fiscal year from a grant awarded pursuant to subsection 1 that is identified as savings pursuant to the calculation required under 42 U.S.C. § ~~[673(a)(8)(D)(ii)]~~ ***673(a)(8)(A)*** does not revert to the State General Fund and may be carried forward to the next ***2*** fiscal ~~[year]~~ ***years*** and used for any costs of providing child welfare services ~~[without restriction.]~~ ***in a manner that is consistent with the requirements and restrictions set forth in 42 U.S.C. § 673(a)(8)(D).*** Any such money identified as savings that has not been used or committed for

expenditure by the agency which provides child welfare services by the end of the ***second*** fiscal year to which the money was carried forward reverts to the State General Fund.

Sec. 2. This act becomes effective on July 1, 2025.

Assemblymember Brown-May moved the adoption of the amendment.

Amendment adopted.

Bill ordered reprinted, engrossed, and to third reading.

Assembly Bill No. 519.

Bill read second time.

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 451.

AN ACT relating to health care; establishing separate provisions for the licensing or certification, regulation and discipline of agencies to provide personal care services in the home, employment agencies that contract to provide certain nonmedical services and intermediary service organizations; enacting provisions to facilitate the collecting of certain debts from applicants for certain licenses; imposing certain requirements as an applicant for a certificate to operate an intermediary service organization; **revising the training requirements for certain caregivers who receive reimbursement through Medicaid; authorizing a family member to serve as the personal care assistant for a recipient of Medicaid under certain circumstances;** providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for the licensure and regulation of various types of medical facilities and facilities for the dependent by the Division of Public and Behavioral Health of the Department of Health and Human Services. (Chapter 449 of NRS) Existing law requires an agency to provide personal care services in the home to be licensed by the Division as a facility for the dependent. (NRS 449.0045, 449.030) Existing law requires an employment agency that contracts with persons in this State to provide nonmedical services related to personal care to elderly persons or persons with disabilities in the home to obtain a license from the State Board of Health. (NRS 449.03005) Existing law requires an intermediary service organization to obtain a certificate from the Division. (NRS 449.431) Existing law requires the Board to adopt regulations governing agencies to provide personal care services in the home, employment agencies that contract to provide nonmedical services related to personal care to elderly persons and persons with disabilities and intermediary service organizations. (NRS 449.03005, 449.0302, 449.4309)

This bill transfers the provisions of law governing agencies to provide personal care services in the home, employment agencies that contract to provide nonmedical services related to personal care to elderly persons or persons with disabilities in the home and intermediary service organizations from the chapter of the Nevada Revised Statutes that generally governs

medical facilities and facilities for the dependent to a new chapter in the Nevada Revised Statutes without changing the current substantive provisions that govern such agencies and organizations. **Sections 2-19, 24-49, 51-60, 69-79 and 81-90** of this bill create a new chapter consisting of provisions for the licensure and regulation of such entities in a manner **substantially** identical to the manner in which those entities are licensed and regulated under existing law. **Sections 94, 96-104 and 150** of this bill eliminate provisions governing those entities from the chapter of the Nevada Revised Statutes that regulates medical facilities and facilities for the dependent. **Sections 93, 111, 113, 117, 118, 120-123, 126-133, 138 and 146** of this bill eliminate references to sections repealed by **section 150**. **Sections 91, 92, 95 and 105-146** of this bill make various conforming changes so that the legal status of agencies to provide personal care services in the home, employment agencies that contract to provide nonmedical services related to personal care to elderly persons or persons with disabilities in the home and intermediary service organizations is not changed by this bill.

Existing federal law requires each state to adopt procedures to ensure that applicants for certain licenses and certificates comply with child support obligations, including by requiring an applicant for such a license to provide his or her social security number. (42 U.S.C. § 666) **Sections 20, 21 and 50** of this bill enact such procedures as applicable to an applicant for the issuance or renewal of a license to operate an agency to provide personal care services in the home or an employment agency that contracts to provide nonmedical services related to personal care to elderly persons or persons with disabilities in the home in order to comply with federal law. **Section 23** of this bill establishes alternate provisions for such an applicant who does not have a social security number. **Section 22** of this bill also requires an applicant for the renewal of such a license to provide certain information for the purpose of identifying persons who owe certain debts to the State. **Sections 65, 69, 74 and 76** of this bill establish similar provisions for intermediary service organizations, which were carried over from existing law. (NRS 449.4312, 449.4313, 449.4315, 449.432, 449.4322)

Existing law requires: (1) an agency to provide personal care services in the home to file with the Administrator of the Division a surety bond or a substitute for a surety bond; and (2) an applicant for a license to operate an agency to provide personal care services in the home to undergo a criminal background check. (NRS 449.065, 449.067, 449.122) **Sections 67, 68 and 80** of this bill impose similar requirements on intermediary service organizations.

Existing law requires: (1) the Department to apply for a home and community-based services waiver to include structured family caregiving for certain persons as medical assistance under Medicaid; and (2) a caregiver providing care under that waiver to complete training required by the Aging and Disability Services Division of the Department. (NRS 422.3965) Sections 30 and 122 of this bill instead require such a caregiver to complete the same training that is required for unlicensed caregivers

who provide care for an agency to provide personal care services in the home.

Existing law requires the Director of the Department to include in the State Plan for Medicaid authorization for a recipient of Medicaid to be deemed a provider of services for the purposes of allowing the recipient to receive reimbursement for personal care services covered by Medicaid and using that money to pay for services provided by a personal care assistant or an agency to provide personal care services in the home. (NRS 422.272407). Section 120 of this bill authorizes a family member of a recipient of Medicaid to serve as a personal care assistant for a recipient of Medicaid if the family member: (1) completes the training required by section 30 for certain other caregivers; and (2) receives authorization from a provider of health care.

Section 147 of this bill requires the Legislative Counsel to move regulations specifically relating to such entities to a new chapter of the Nevada Administrative Code that corresponds to the new chapter of the Nevada Revised Statutes created by **sections 2-90**. **Section 147** also: (1) requires the Board to adopt new regulations to replace other regulations relating to those entities that remain in the chapter of the Nevada Administrative Code governing medical facilities and facilities for the dependent; and (2) provides that those existing regulations remain in effect until the Board adopts new regulations to replace them. **Section 148** of this bill clarifies that this bill does not affect the validity of: (1) licenses or certificates to operate agencies to provide personal care services in the home, employment agencies that contract to provide nonmedical services related to personal care to elderly persons or persons with disabilities in the home and intermediary service organizations; (2) certain training completed by the operators, employees and contractors of such entities; or (3) disciplinary actions taken against such entities.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Title 40 of NRS is hereby amended by adding thereto a new chapter to consist of the provisions set forth as sections 2 to 90, inclusive, of this act.

Sec. 2. ***As used in this chapter, unless the context otherwise requires, the words and terms defined in sections 3 to 7, inclusive, of this act have the meanings ascribed to them in those sections.***

Sec. 3. ***1. "Agency to provide personal care services in the home" means any person, other than a natural person, which provides services authorized pursuant to section 52 of this act to elderly persons or persons with disabilities in the home.***

2. The term does not include:

(a) An independent contractor who provides nonmedical services specified in section 52 of this act without the assistance of employees;

(b) An organized group of persons composed of the family and friends of a person needing nonmedical services related to personal care that employs or contracts with persons to provide such nonmedical services for the person if:

(1) The organization of the group of persons is set forth in a written document that is made available for review by the Division upon request; and

(2) The services are provided to only one person or one family who resides in the same residence;

(c) An intermediary service organization; or

(d) A person or agency that contracts with the Aging and Disability Services Division of the Department of Health and Human Services to provide temporary respite services.

3. As used in this section:

4. A surety on any bond filed pursuant to this section may be released after the surety gives 30 days' written notice to the Administrator of the Division of Public and Behavioral Health, but the release does not discharge or otherwise affect any claim filed by an older patient for property damaged as a result of any act or failure to act by the intermediary service

organization to protect the property of the older patient alleged to have occurred while the bond was in effect.

5. A certificate is suspended by operation of law when the intermediary service organization is no longer covered by a surety bond as required by this section or by a substitute for the surety bond pursuant to section 68 of this act. The Administrator of the Division of Public and Behavioral Health shall give the intermediary service organization at least 20 days' written notice before the release of the surety or the substitute for the surety, to the effect that the certificate will be suspended by operation of law until another surety bond or substitute for the surety bond is filed in the same manner and amount as the bond or substitute being terminated.

With the approval of the Administrator of the Division of Public and Behavioral Health, the depositor may substitute other suitable obligations for those deposited, which must be assigned to the Aging and Disability Services Division of the Department of Health and Human Services and are negotiable only upon approval by the Administrator of the Aging and Disability Services Division.

3. Any interest or dividends earned on the deposit accrue to the account of the depositor.

2. Not later than 90 days after a petition is submitted to the Division pursuant to subsection 1, the Division shall inform the person of the determination of the Division of whether the person's criminal history will disqualify the person from obtaining a certificate. The Division is not bound by its determination of disqualification or qualification and may rescind such a determination at any time.

3. The Division may provide instructions to a person who receives a determination of disqualification to remedy the determination of disqualification. A person may resubmit a petition pursuant to subsection 1 not earlier than 6 months after receiving instructions pursuant to this subsection if the person remedies the determination of disqualification.

2. Each reapplication for an intermediary service organization must include, without limitation, a statement that the organization is in compliance with the provisions of sections 80 to 85, inclusive, of this act.

Sec. 74. *1. In addition to any other requirements set forth in sections 59 to 90, inclusive, of this act, an applicant for the renewal of a certificate as an intermediary service organization must indicate in the application submitted to the Division whether the applicant has a state business license. Sec. 78. ***1. Money received from the certification of intermediary service organizations:***

(a) Must be forwarded to the State Treasurer for deposit in the State Treasury;
