Amendment adopted.

Bill ordered reprinted, engrossed, and to third reading.

Assembly Bill No. 520.

Bill read second time.

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 458.

AN ACT relating to adoption; requiring background investigations of certain persons who operate or provide services to children at a child-placing agency; requiring the maintenance of certain records of such background investigations; authorizing the disclosure of information from the State Register for Adoptions to certain persons without the consent of the natural parent under extenuating circumstances; authorizing certain persons to attend an adoption hearing by a remote technology system under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law: (1) requires certain persons who work with children or reside in certain homes or facilities that provide services to children to undergo a background investigation; (2) prohibits a person who has been convicted of certain crimes from working or residing in such a home or facility; and (3) requires certain homes and facilities to maintain records of background investigations. (NRS 62B.260-62B.280, 424.031-424.034, 432A.170-432A.1755, 433B.183-433B.187, 449.122-449.125) Existing law defines "child-placing agency" to mean a nonprofit corporation that places children for adoption or permanent free care. (NRS 127.220) Existing regulations: (1) require an applicant for a license to operate a child-placing agency or an employee, volunteer or independent contractor of a child-placing agency to undergo a background investigation; and (2) prohibit the director of adoption

of a child-placing agency from allowing a person to provide services to children if the Division of Child and Family Services has, based on the criminal history of the person, deemed the person to be unacceptable to provide services to children. (NAC 127.140)

Sections 2-5 of this bill: (1) codify such requirements governing child-placing agencies into existing law similarly to the manner in which the requirements governing background investigations of the personnel of other homes or facilities that provide services to children are codified; and (2) additionally require such background investigations to be conducted every 5 years. Specifically, **section 2** requires the Division to: (1) investigate the background and personal history of every initial applicant for a license to operate a child-placing agency and every employee, volunteer or independent contractor of a child-placing agency; and (2) repeat such investigations every 5 years. **Sections 3 and 11** of this bill prescribe the procedure for conducting such an investigation. **Section 3** authorizes the Division to deny an application for a license to operate a child-placing agency or suspend or revoke such a license if the Division determines that the applicant or licensee, as applicable: (1) has a ~~[criminal]~~ **substantiated** history ~~[or a history of child abuse and neglect]~~ **of maltreating a child** that renders the person unacceptable to provide services to children; or (2) has allowed an employee, volunteer or independent contractor who has such a history or has not undergone such a background investigation to provide services to children. **Section 4** prohibits an employee, volunteer or independent contractor of a child-placing agency from providing services to children under such circumstances. **Section 4** also requires an applicant for a license to operate a child-placing agency or the holder of such a license to give an employee, independent contractor or volunteer who believes that the information resulting from an investigation of his or her background and criminal history is incorrect 30 days to correct the information. **Section 2** requires the Division to prescribe by regulation the conditions under which the Division may deem a person to have a ~~[criminal history or a history of child abuse and neglect]~~ **substantiated history of maltreating a child** that renders the person unacceptable to provide services to children. **Section 5** requires an applicant for a license to operate a child-placing agency or the holder of such a license to maintain records of certain information relating to background investigations of employees, volunteers and independent contractors and make such records available to the Division upon request. **Sections 7 and 9** of this bill prohibit a court from entering an order of adoption and declare any order of adoption so entered to be void if the adoption was facilitated by a child-placing agency that has failed to comply with **sections 2-5**. **Section 10** of this bill makes certain definitions applicable to **sections 2-5**.

Existing law requires the Division to maintain the State Register for Adoptions to provide information to identify adults who were adopted and certain relatives of such adults. Existing law authorizes the Division to release certain information from the State Register to adopted persons and their

relatives if: (1) the natural parent of the adopted person has consented to the release; and (2) the adopted person has not requested to restrict the release of the information. (NRS 127.007) **Section 6** of this bill authorizes the Division to release such information without the written consent of the natural parent if the Division determines that extenuating circumstances exist to justify the release of the information.

Existing law authorizes the prospective adoptive parents to attend a court hearing concerning the adoption by telephone instead of in person if: (1) the prospective adoptive parents reside in another state or jurisdiction; (2) the child who is the subject of the hearing is in the custody of an agency which provides child welfare services or a child-placing agency; and (3) a representative of the agency responsible for supervising the child in the state where the child will be placed attends the hearing by telephone. (NRS 127.145) **Section 8** of this bill additionally authorizes the prospective adoptive parents and the representative of the agency responsible for supervising the child to attend a court hearing concerning the adoption by any other remote technology system under such circumstances.

(42 U.S.C. § 18022(b)) **Sections 12, 15, ~~[26,]~~ 29, 41, 42, 51, 56, 64, 71, 78, 81, 94, 100 and 112** of this bill align Nevada law with federal law in this manner and require public and private policies of health insurance to include coverage for such care.

Existing federal regulations prohibit certain health care entities from discriminating on the basis of race, color, national origin, sex, age or disability. (45 C.F.R. §§ 92.101, 92.206, 92.208, 92.209) Existing law prohibits public and private policies of health insurance from discriminating against any person with respect to participation or coverage under the policy on the basis of actual or perceived gender identity or expression. (NRS 287.010, 287.04335, 422.2701, 608.1555, 689A.033, 689B.0675, 689C.1975, 689C.425, 695A.198, 695B.3167, 695C.050, 695C.204, 695G.415) **Sections 6, 28, 43, 58, 72, 87, 102 and 113** of this bill additionally prohibit public and private policies of health insurance, including Medicaid, from discriminating against any person on the basis of actual or perceived race, color, national origin, sex, age or disability. **Section 119** of this bill similarly prohibits a provider of health care from discriminating against a person on the basis of those characteristics, as well as gender identity or expression. **Section 119** also authorizes a board, agency or other entity in this State that licenses, certifies or regulates a provider of health care to: (1) adopt regulations prescribing the types of discrimination that are prohibited; and (2) discipline a provider of health care that violates **section 119**.

Existing law prohibits an insurer that offers or issues a policy of group health insurance from penalizing a provider of health care who provides the following benefits that such an insurer is required to cover: (1) certain counseling and screenings; (2) smoking cessation programs; (3) certain federally recommended vaccinations; (4) federally recommended well-woman preventative visits; and (5) care in a hospital for a prescribed length of time after a birth. (NRS 689B.03785, 689B.520) Sections 27 and 29 remove that prohibition, thereby authorizing such an insurer to penalize a provider of health care for providing such benefits and the additional benefits added by those sections. Section 104 exempts health plans for retirees from local government employment from: (1) the requirements of this bill; and (2) certain provisions of existing law requiring group health insurance plans to provide certain coverage and prohibiting such plans from engaging in certain discrimination. (NRS 689B.0314, 689B.0315, 689B.0316, 689B.0367 and 689B.0675)

Section 88 of this bill authorizes the Commissioner of Insurance to suspend or revoke the certificate of a health maintenance organization that fails to provide the coverage required by **sections 74-78**. The Commissioner would also be authorized to take such action against other private health insurers who fail to provide the coverage required by this bill. (NRS 680A.200) **Section 103** of this bill requires the Director of the Department of Health and Human

Services to administer the provisions of **sections 109-112** in the same manner as other provisions relating to Medicaid.

SECOND READING AND AMENDMENT

Assembly Bill No. 497.

Bill read second time.

The following amendment was proposed by the Committee on Legislative Operations and Elections:

Amendment No. 385.

AN ACT relating to campaign finance; authorizing a committee for political action to use money in its campaign finance account for certain purposes; clarifying that nonprofit organizations or corporations are not a committee for political action for purposes of campaign finance requirements; revising provisions relating to the disposal of unspent campaign contributions; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires every committee for political action to, not later than 1 week after receiving contributions the sum of which, in the aggregate is $1,000 or more, open and maintain a separate account in a financial institution located in the United States for the deposit of any contributions received. (NRS 294A.130) **Section 1** of this bill authorizes a committee for political action to use money in the account for certain purposes.

Section 2 of this bill revises the definition of a "committee for political action" to exclude from the definition any nonprofit organization or nonprofit corporation duly organized under federal law or under the laws of this State, any other state, the District of Columbia or any territory of the United States.

Existing law governs the disposition of unspent campaign contributions by a candidate or former public officer. Under existing law, a candidate who is elected to office may use unspent contributions in the candidate's next election, but a candidate who is defeated is required to dispose of unspent contributions. (NRS 294A.160) **Section 3** of this bill authorizes a candidate who is defeated to use unspent contributions in the candidate's next election. If, within 4 years, such a candidate doesn't file a declaration of candidacy or appear on an official ballot at any election, **section 3** requires the defeated candidate to dispose of unspent contributions.

Existing law authorizes certain former public officers who resigned or did not run for reelection to use unspent contributions in a future election. In such a circumstance, existing law requires such unspent contributions to be disposed of within 4 years if the former public officer does not file a declaration of candidacy or appear on the ballot. (NRS 294A.160) **Section 3** of this bill instead requires any former public officer to dispose of unspent contributions not later than ~~[the 15th day of the second month]~~ **15 days** after **the 4-year period immediately following** leaving office.

Section 4 of this bill requires any candidate who was defeated and any former officer who resigned or did not run for reelection who have unspent contributions, and for whom the time period in which he or she

is required to dispose of such contributions has yet to expire, to dispose of such contributions not later than 4 years from the effective date of this bill.

SECOND READING AND AMENDMENT

Assembly Bill No. 48.

Bill read second time.

The following amendment was proposed by the Committee on Education:

Amendment No. 157.

AN ACT relating to education; **requiring a school administrator or his or her designee to conduct an initial screening and assessment of a report of discrimination based on race, bullying or cyber-bullying to determine whether to take certain actions;** authorizing the board of trustees of a school district to assign a pupil who is a perpetrator of discrimination based on race, bullying or cyber-bullying to another school if his or her parent or guardian requests such an assignment; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law: (1) prohibits discrimination based on race, bullying ~~[and]~~ **or** cyber-bullying on the premises of a school, at an activity sponsored by a school or on any school bus; and (2) establishes various provisions governing the protocol for addressing violations of such prohibitions. (NRS 388.135-388.137) Under existing law, after such a violation is reported to an administrator or his or her designee, the administrator or his or her designee is required to begin an investigation into the reported violation. If the findings of such an investigation show that a violation occurred, existing law requires the administrator or his or her designee to make recommendations concerning disciplinary action or other measures to be imposed against the pupil who was the perpetrator of the violation. Additionally, existing law requires the board

of trustees of a school district to assign a pupil who is a victim of discrimination based on race, bullying or cyber-bullying to another school in the district if his or her parent or guardian requests the assignment. (NRS 388.1351) **Existing law additionally authorizes an administrator to recommend disciplinary action against a person who submits a report of discrimination based on race, bullying or cyber-bullying that the administrator determines is false and made with malice, intentional misconduct, gross negligence, or intentional or knowing violation of the law. (NRS 388.137)**

This bill requires the administrator or his or her designee upon receipt of a report of discrimination based on race, bullying or cyber-bullying to, in accordance with any procedures prescribed by the Department of Education for such purposes, immediately screen and assess the report to determine whether based on the facts included in the report such discrimination likely occurred. If the administrator or designee determines that such discrimination has occurred, the administrator or designee shall take the actions and begin the investigation required in existing law. If the administrator or designee determines that the facts included in the report do not suggest that such discrimination has likely occurred, the administrator or designee shall, unless such a person determines that a report is false and submitted in violation of the law, adhere to any policies prescribed by the Department for handling such a report. This bill ~~[:]~~ **additionally:** (1) authorizes the board of trustees of a school district to assign a pupil who is a perpetrator of discrimination based on race, bullying or cyber-bullying to another school in the district at the request of his or her parent or guardian; and (2) prohibits the victim and perpetrator from being assigned to the same school if both pupils are assigned to a new school as a result of the violation.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 388.1351 is hereby amended to read as follows:

388.1351 1. Except as otherwise provided in NRS 388.13535, a teacher, administrator, coach or other staff member who witnesses a violation of NRS 388.135 or receives information that a violation of NRS 388.135 has occurred shall report the violation to the administrator or his or her designee as soon as practicable, but not later than a time during the same day on which the teacher, administrator, coach or other staff member witnessed the violation or received information regarding the occurrence of a violation.

2. Except as otherwise provided in this subsection, upon receiving a report required by subsection 1, the administrator or designee shall immediately ***, in accordance with any relevant procedures prescribed by the Department for such purposes, screen and assess the report to determine whether the facts included in the report suggest that a violation of NRS 388.135 has likely occurred. If the administrator or designee determines that:***

(a) A violation of NRS 388.135 has likely occurred, the administrator or designee shall take any necessary action to stop the discrimination based on race, bullying or cyber-bullying and ensure the safety and well-being of the reported victim or victims of the discrimination based on race, bullying or cyber-bullying and shall begin an investigation into the report. If the administrator or designee does not have access to the reported victim of the alleged violation of NRS 388.135, the administrator or designee may wait until the next school day when he or she has such access to take the action required by this subsection.

(b) The facts included in the report do not suggest that a violation of NRS 388.135 has likely occurred, the administrator or designee shall adhere to any policies or procedures prescribed by the Department for handling such a report.

3. The investigation conducted pursuant to ***paragraph (a) of*** subsection 2 must include, without limitation:

(a) Except as otherwise provided in ~~[subsection]~~ ***subsections 2 and*** 4, notification provided by telephone, electronic mail or other electronic means or provided in person, of the parents or guardians of all pupils directly involved in the reported discrimination based on race, bullying or cyber-bullying, as applicable, either as a reported aggressor or a reported victim of the discrimination based on race, bullying or cyber-bullying. The notification must be provided:

(1) If the discrimination based on race, bullying or cyber-bullying is reported before the end of school hours on a school day, before the school's administrative office closes on the day on which the discrimination based on race, bullying or cyber-bullying is reported; or

(2) If the discrimination based on race, bullying or cyber-bullying was reported on a day that is not a school day, or after school hours on a school day, before the school's administrative office closes on the school day following the day on which the discrimination based on race, bullying or cyber-bullying is reported.

(b) Interviews with all pupils whose parents or guardians must be notified pursuant to paragraph (a) and with all such parents and guardians.

4. If the contact information for the parent or guardian of a pupil in the records of the school is not correct, a good faith effort to notify the parent or guardian shall be deemed sufficient to meet the requirement for notification pursuant to paragraph (a) of subsection 3.

5. Except as otherwise provided in this subsection, an investigation required by this section must be completed, to the greatest extent practicable, within 5 school days after the administrator or designee receives a report required by subsection 1. If extenuating circumstances prevent the administrator or designee from completing the investigation required by this section within 5 school days after making a good faith effort, 2 additional school days may be used to complete the investigation.

6. An administrator or designee who conducts an investigation required by this section shall complete a written report of the findings and conclusions of the investigation. ~~[If]~~ ***Except as otherwise provided in paragraph (b) of subsection 11, if*** a violation is found to have occurred:

(a) The report must include recommendations concerning the imposition of disciplinary action or other measures to be imposed as a result of the violation, in accordance with the policy governing disciplinary action adopted by the governing body. Subject to the provisions of the Family Educational Rights and Privacy Act of 1974, 20 U.S.C. § 1232g, and any regulations adopted pursuant thereto, the report must be made available, not later than 24 hours after the completion of the written report, to all parents or guardians who must be notified pursuant to paragraph (a) of subsection 3 as part of the investigation; and

(b) Any action taken after the completion of the investigation to address the discrimination based on race, bullying or cyber-bullying must be based on restorative disciplinary practices and carried out in a manner that causes the least possible disruption for the victim or victims. When necessary, the administrator or designee shall give priority to ensuring the safety and well-being of the victim or victims over any interest of the perpetrator or perpetrators when determining the actions to take.

7. If a violation is found not to have occurred, information concerning the incident must not be included in the record of the reported aggressor.

8. Not later than 10 school days after receiving a report required by subsection 1, the administrator or designee shall meet with each reported victim of the discrimination based on race, bullying or cyber-bullying to inquire about the well-being of the reported victim and to ensure that the reported discrimination based on race, bullying or cyber-bullying, as applicable, is not continuing.

9. To the extent that information is available, the administrator or designee shall provide a list of any resources that may be available in the community to assist a pupil to each parent or guardian of a pupil to whom notice was provided pursuant to this section as soon as practicable. Such a list may include, without limitation, resources available at no charge or at a reduced cost and may be provided in person or by electronic or regular mail. If such a list is provided, the administrator or designee, or any employee of the school or the school district is not responsible for providing such resources to the pupil or ensuring the pupil receives such resources.

10. The parent or guardian of a pupil involved in the reported violation of NRS 388.135 may appeal a disciplinary decision of the administrator or designee, made against the pupil as a result of the violation, in accordance with the policy governing disciplinary action adopted by the governing body. Not later than 30 days after receiving a response provided in accordance with such a policy, the parent or guardian may submit a complaint to the Department. The Department shall consider and respond to the complaint pursuant to procedures and standards prescribed in regulations adopted by the Department.

11. Amendment No. 538.

AN ACT relating to energy; ~~[requiring]~~ **authorizing the board of county commissioners of a county to require applicants for a partial abatement of certain taxes imposed on certain renewable energy facilities to reimburse the county for costs incurred by the county to participate in the preparation of a federal environmental impact statement; authorizing** the Director of the Office of Energy within the Office of the Governor to ~~[consider certain written comments of a board of county commissioners upon receipt of an application for]~~ **condition approval of such** a partial abatement ~~[of certain taxes by certain renewable energy facilities;]~~ **on compliance with the requirement to pay such a reimbursement; prohibiting a county from taking certain actions with respect to a renewable energy facility that the**

county has approved or recommended approval for a partial abatement; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes certain renewable energy facilities to apply to the Director of the Office of Energy within the Office of the Governor for a partial abatement of certain sales and use taxes and property taxes. As soon as practicable after the Director receives such an application, existing law requires the Director to forward a copy of the application to certain persons and entities, including the board of county commissioners. (NRS 701A.360) **Under existing law, the Director is prohibited from approving the application unless the application is: (1) approved by the board of county commissioners; or (2) deemed approved by the board of county commissioners because the board of county commissioners has not approved or disapproved the application within a certain period after the board of county commissioners receives from the Director a copy of the application. (NRS 701A.365)**

Section 1 of this bill ~~[requires that, in addition to any other requirement set forth in existing law, the Director: (1) provide]~~ **authorizes** the board of county commissioners of ~~[the]~~ **a** county ~~[in which the facility will be located an opportunity to submit written comments on the application; and (2) consider any written comments received from the board of county commissioners when determining whether to approve or deny the application.]~~ **, unless an alternative cost recovery mechanism has been adopted by the county, to require an applicant for a partial abatement of certain taxes imposed on a renewable energy facility located on federal land within the county to reimburse the county for actual administrative and operational costs incurred by the county, in an amount not to exceed $50,000, to participate in the preparation of an environmental impact statement required with respect to the facility pursuant to the National Environmental Policy Act of 1969, 42 U.S.C. §§ 4321 et seq. Under section 1: (1) the applicant is authorized to require that the county provide documentation of the actual costs for which the county is seeking reimbursement; and (2) the county is authorized to require the applicant to prepay the anticipated amount of such costs, with the county refunding the amount of any prepayment that exceeds the actual costs for which the county is seeking reimbursement. Section 2.5 of this bill authorizes the Director to condition approval of the application for the partial abatement on the compliance of the applicant with the requirements of section 1. Section 2.5 also prohibits a board of county commissioners from: (1) imposing certain requirements for the applicant to obtain a special use permit for the facility that would reasonably and foreseeably result in the development or operation of the facility becoming financially or operationally impractical or impossible; or (2) applying to the facility any moratorium on the construction or operation of a renewable energy facility.**

Section 2 of this bill applies the definitions in existing law relating to the partial abatement of certain taxes for certain renewable energy projects to the provisions of **section 1**.

Sections 4, 12 and 54 of this bill revise provisions relating to the confidentiality of certain information obtained by the Board. Existing law authorizes the Governor or his or her designee to enter into one or more agreements with tribal governments concerning cannabis. (NRS 223.250) **Sections 52 and 53** of this bill provide that certain information received by a governmental entity **from a tribal government or a facility engaged in**

cannabis activities operating on tribal land pursuant to the terms of such an agreement **remains the property of the tribal government,** does not constitute a public record and ~~[is]~~ **must be kept** confidential ~~[.]~~ **by the governmental entity.**

Sections 2, 7, 33, 34, 37 and 38 of this bill establish a standardized definition of the term "local governmental jurisdiction" for the purposes of provisions governing the medical and adult use of cannabis.

Existing law prohibits the production, distribution and sale of any synthetic cannabinoid. (NRS 453.572, 557.255, 678B.525) **Section 10** of this bill revises the definition of "synthetic cannabinoid" to: (1) specify that any cannabinoid that is either produced artificially or not obtained directly without the use of ~~[chemicals]~~ **a chemical reagent** from a plant of the genus *Cannabis* constitutes a synthetic cannabinoid; and (2) exclude ~~[delta-9-tetrahydrocannabinol]~~ **THC** produced using certain processes.

Existing law requires a cannabis establishment to use an inventory control system. (NRS 678B.210, 678B.250, 678C.430) Existing law sets forth certain requirements for the operation of such a system by a medical cannabis establishment. (NRS 678B.430) **Sections 27, 31, 32, 35 and 45** of this bill revise those requirements and additionally apply the requirements to the operation of such a system by an adult-use cannabis establishment. **Sections 45 and 49** of this bill revise requirements for a dual licensee concerning the reporting of inventory.

~~[Existing law authorizes a medical cannabis establishment to: (1) transport medical cannabis to another cannabis establishment or between the buildings of the medical cannabis establishment; and (2) enter into a contract with a third party to provide such transportation. (NRS 678C.460) Existing law, with certain exceptions, prohibits an adult-use cannabis establishment from transporting cannabis or cannabis products to an adult-use cannabis retail store unless the adult-use cannabis establishment holds an adult-use cannabis establishment license for an adult-use cannabis distributor. (NRS 678D.410, 678D.440) Section 46 of this bill eliminates the authorization for a medical cannabis establishment to transport cannabis or cannabis products and to enter into a contract with a third party to transport cannabis or cannabis products. Section 28 of this bill instead prohibits, with certain exceptions, any cannabis establishment from transporting cannabis or cannabis products to another cannabis establishment or between the buildings of a cannabis establishment unless the cannabis establishment holds an adult-use cannabis establishment license for an adult-use cannabis distributor. Section 50 of this bill authorizes an adult-use cannabis distributor to transport cannabis and cannabis products between a cannabis establishment and another cannabis establishment or between the buildings of a cannabis establishment. Section 8 of this bill revises the definition of "adult-use cannabis distributor" to reflect the authorizations set forth in section 50.]~~

Existing law sets forth procedures by which a health authority, upon finding a condition in the operation of a food establishment constituting a substantial

hazard to the public health, may issue an order to the holder of the permit to operate the food establishment that may require the immediate suspension of the permit and discontinuance of all food operations. (NRS 446.880) **Section 30** of this bill sets forth similar procedures by which an agent of the Board may issue such an order to the holder of a cannabis establishment license if the agent finds a condition in the operation of the cannabis establishment which constitutes a substantial hazard to the public health. **Section 30** sets forth certain conditions under which such an order may not order the immediate suspension of the license and the immediate discontinuance of the operations of the cannabis establishment. **Section 29** of this bill defines "substantial hazard to the public health" to include certain specified conditions. **Section 29** additionally requires the Board to adopt certain regulations concerning substantial hazards to the public health which may exist at a cannabis establishment.

Existing law requires an applicant for a medical cannabis establishment license or adult-use cannabis establishment license to submit to the Board the physical address of the proposed cannabis establishment, which, among other requirements, must not be within a certain distance of a public or private school or community facility. (NRS 678B.210, 678B.250) **Sections 32 and 35** establish definitions of "public school" and "private school" and revise the definition of "community facility."

Section 36 of this bill revises certain requirements for cannabis independent testing laboratories.

Existing law deems the issuance of a license by the Board to be conditional in certain local governmental jurisdictions until the cannabis establishment is in compliance with applicable local governmental ordinances or rules and the local government has issued a business license for the operation of the establishment. (NRS 678B.320) **Section 37** additionally deems the issuance of such a license to be conditional until the cannabis establishment satisfies an inspection conducted by the Board.

Existing law prohibits a cannabis establishment from dispensing or selling cannabis or cannabis products from a vending machine or allowing such a vending machine to be installed on the premises of the cannabis establishment. (NRS 678B.510) **Section 39** of this bill ~~[authorizes a cannabis establishment to engage in such activities upon the approval of the Board.]~~ **removes that prohibition.** **Section 39** additionally revises the procedures that the operating documents of a cannabis establishment are required to include.

~~[Existing law authorizes a medical cannabis production facility to: (1) acquire hemp or a commodity or product made using hemp from a grower or handler registered by the State Department of Agriculture; and (2) use hemp or a commodity or product made using hemp to manufacture medical cannabis products. (NRS 687C.410) Sections 40 and 43 of this bill instead authorize any cannabis production facility to: (1) acquire hemp from any source approved by the Board; (2) use hemp to manufacture cannabis products; and (3) sell to a cannabis sales facility a cannabis product that contains hemp. Section 40~~

~~additionally authorizes a cannabis sales facility to acquire hemp or a commodity or product made using hemp from any source approved by the Board and to sell hemp or any cannabis product that contains hemp, in addition to any commodity or product made using hemp.]~~

Section 40 of this bill revises certain restrictions on advertising engaged in and packaging used by a cannabis establishment.

Existing law prohibits a person from selling, offering to sell, appearing to sell or advertising the sale of cannabis or cannabis products unless the person holds an adult-use cannabis establishment license or medical cannabis establishment license. (NRS 678B.530) **Section 41** of this bill prohibits those actions only if the person does not have the appropriate type of license and additionally prohibits a person from advertising as a cannabis sales facility or cannabis consumption lounge without the appropriate type of license.

Existing law exempts an employee of the State Department of Agriculture from state prosecution for certain offenses relating to cannabis under certain circumstances. (NRS 678B.600) **Section 42** of this bill expands that exemption to also include an employee of the Board and an attorney who represents the Department or the Board.

Existing law provides an exemption from state prosecution for the possession, delivery and production of cannabis for: (1) a person who holds a valid registry identification card or letter of approval; and (2) a person who is 21 years of age or older. However, under existing law, that exemption is subject to certain limitations. For example, with respect to usable cannabis, the exemption applies only to the extent that a person does not, at any one time, possess, deliver or produce more than 2.5 ounces of usable cannabis. (NRS 678C.200, 678D.200) Existing law also prohibits a cannabis sales facility from selling to a person, in any one transaction, more than 2.5 ounces of usable cannabis. (NRS 678B.550) **Sections 3, 7 and 56** of this bill revise the definition of "usable cannabis" to exclude the seeds of a plant of the genus plant *Cannabis* and ~~[applies]~~ **apply** this definition throughout the provisions of existing law governing the medical and adult use of cannabis. **Section 47** of this bill makes a conforming change to eliminate a reference to a provision that has been repealed in **section 56**.

Existing law requires a medical cannabis establishment to maintain an electronic verification system. (NRS 678B.210, 678C.420) **Section 9** of this bill changes the name of such a system to an electronic verification and authentication system. **Section 44** of this bill revises requirements concerning the operation of such a system.

Existing law requires an adult-use cannabis product to be sold in a single package. (NRS 678D.420) **Section 48** of this bill revises requirements concerning the amount of usable cannabis **, concentrated cannabis** or THC that a single package may contain.

Existing law, with certain exceptions, prohibits smoking in any form within indoor places of employment. (NRS 202.2483) **Section 51** of this bill clarifies that the smoking of cannabis in a cannabis consumption lounge in accordance

with the provisions of existing law governing the medical and adult-use of cannabis is not prohibited.

Witnesses entitled to fees or mileage who attend hearings at points so far removed from their residences as to prohibit return thereto from day to day are entitled, in addition to witness fees and in lieu of mileage, to the per diem compensation for subsistence and transportation authorized for state officers and employees for each day of actual attendance and for each day necessarily occupied in traveling to and from the hearings. Any relevant evidence that is not immaterial or unduly repetitious may be admitted and is sufficient in itself to support a finding if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule which might make improper the admission of such evidence over objection in a civil action.

(b) Unless the opposing party, within 7 days after such service, mails or delivers to the proponent a request to cross-examine the affiant, the opposing party's right to cross-examine the affiant is waived and the affidavit, if introduced in evidence, must be given the same effect as if the affiant had testified orally. If an opportunity to cross-examine an affiant is not afforded after request therefor is made in accordance with this paragraph, the affidavit may be introduced in evidence, but must be given only the same effect as other hearsay evidence.

Sec. 22. NRS 678A.600 is hereby amended to read as follows:

678A.600 1. If the ~~[Board]~~ ***hearing officer*** finds that a licensee or registrant has violated a provision of this title or any regulation adopted pursuant thereto, the ~~[Board]~~ ***hearing officer*** may:

Any such copies, abstracts or memoranda may be used to supply the general public with copies, abstracts or memoranda of the records or may be used in any other way to the advantage of the governmental entity or of the general public. This section does not supersede or in any manner affect the federal laws governing copyrights or enlarge, diminish or affect in any other manner the rights of a person in any written book or record which is copyrighted pursuant to federal law.

2. A governmental entity may not reject a book or record which is copyrighted solely because it is copyrighted.

3. A governmental entity that has legal custody or control of a public book or record shall not deny a request made pursuant to subsection 1 to inspect or copy or receive a copy of a public book or record on the basis that the requested public book or record contains information that is confidential if the governmental entity can redact, delete, conceal or separate, including, without limitation, electronically, the confidential information from the information included in the public book or record that is not otherwise confidential.

4. If requested, a governmental entity shall provide a copy of a public record in an electronic format by means of an electronic medium. Nothing in this subsection requires a governmental entity to provide a copy of a public record in an electronic format or by means of an electronic medium if:

(a) The public record:

(1) Was not created or prepared in an electronic format; and

(2) Is not available in an electronic format; or

(b) Providing the public record in an electronic format or by means of an electronic medium would:

(1) Give access to proprietary software; or

(2) Require the production of information that is confidential and that cannot be redacted, deleted, concealed or separated from information that is not otherwise confidential.

5. An officer, employee or agent of a governmental entity who has legal custody or control of a public record:

(a) Shall not refuse to provide a copy of that public record in the medium that is requested because the officer, employee or agent has already prepared or would prefer to provide the copy in a different medium.

(b) Except as otherwise provided in NRS 239.030, shall, upon request, prepare the copy of the public record and shall not require the person who has requested the copy to prepare the copy himself or herself.

Sec. 54. NRS 239.0115 is hereby amended to read as follows:

239.0115 1. Except as otherwise provided in this subsection and subsection 3, notwithstanding any provision of law that has declared a public book or record, or a part thereof, to be confidential, if a public book or record has been in the legal custody or control of one or more governmental entities for at least 30 years, a person may apply to the district court of the county in which the governmental entity that currently has legal custody or control of the public book or record is located for an order directing that governmental entity to allow the person to inspect or copy the public book or record, or a part thereof. If the public book or record pertains to a natural person, a person may not apply for an order pursuant to this subsection until the public book or record has been in the legal custody or control of one or more governmental entities for at least 30 years or until the death of the person to whom the public book or record pertains, whichever is later.

2. There is a rebuttable presumption that a person who applies for an order as described in subsection 1 is entitled to inspect or copy the public book or record, or a part thereof, that the person seeks to inspect or copy.

3. The provisions of subsection 1 do not apply to any book or record:

(a) Declared confidential pursuant to NRS 463.120 ~~,~~ ***or 678A.470.***

(b) Containing personal information pertaining to a victim of crime that has been declared by law to be confidential.

Sec. 55. The amendatory provisions of sections 5, 6 and 13 to 23, inclusive, of this act apply to any judicial or administrative proceedings commenced on or after the effective date of this act.

Sec. 56. NRS 678C.060, 678C.100 ~~[,]~~ **and** 678D.040 ~~[and 678D.410]~~ are hereby repealed.

Sec. 57. This act becomes effective upon passage and approval.

Finally, **section 1** requires the Board to prescribe the terms and conditions of ~~[second look parole]~~ **release** for ~~[each]~~ **a** person ~~[to]~~ **for** whom ~~[the Board grants]~~ **a** second look ~~[parole]~~ **review was conducted** and provides that any such person is under the supervision of the Division of Parole and Probation of the Department of Public Safety. **Section 2** of this bill makes a conforming change to make certain existing definitions applicable to **section 1**.

Existing law makes a prisoner who was sentenced for certain offenses that were committed when he or she was less than 18 years of age eligible for parole after the prisoner has served: (1) 15 calendar years of incarceration, if the prisoner is incarcerated for having been convicted of an offense that did not result in the death of a victim; or (2) 20 calendar years of incarceration, if the prisoner is incarcerated for having been convicted of an offense that resulted in the death of only one victim. (NRS 213.12135) **Section 3** of this bill makes a prisoner eligible for parole under these conditions when the prisoner was sentenced for an offense that was committed when he or she was less than 25 years of age, rather than 18 years of age.

Section 4 of this bill provides that the amendatory provisions of **sections 1 and 3** apply to an offense committed before, on or after January 1, 2026.

or credit to any company, association or corporation, except corporations formed for educational or charitable purposes.

(b) In *Employers Insurance Company of Nevada v. State Board of Examiners*, 117 Nev. 249, 258 (2001), the Nevada Supreme Court held that the State loans its credit in violation of Section 9 of Article 8 of the Nevada Constitution only when the State acts as a surety or guarantor for the debts of a company, corporation or association.

(c) In *Lawrence v. Clark County*, 127 Nev. 390, 405 (2011), the Nevada Supreme Court held that the State does not donate, loan or "gift" its money in violation of Section 9 of Article 8 of the Nevada Constitution when the State dispenses state funds for public purposes and the State receives a valuable benefit or fair consideration in exchange for the dispensation of the state funds.

(d) In *McLaughlin v. Housing Authority of the City of Las Vegas*, 68 Nev. 84, 93 (1951), and *Lawrence v. Clark County*, 127 Nev. 390, 399 (2011), the Nevada Supreme Court held that when the Legislature authorizes a state agency to dispense state funds:

(1) The courts will carefully examine whether the Legislature made an informed and appropriate finding that the dispensation of the state funds serves a public purpose and the State receives a valuable benefit or fair compensation in exchange for the dispensation;

(2) The courts will give great weight and due deference to the Legislature's finding, and the courts will uphold the Legislature's finding unless it clearly appears to be erroneous and without reasonable foundations; and

(3) The courts will closely examine whether the dispensing state agency reviews all facts, figures and necessary information when making the dispensation, and when the state agency has done so, it will not be second-guessed by the courts.

2. The Legislature hereby further finds and declares that:

(a) The program developed and carried into effect pursuant to section 11 of this act will not result in the State acting as a surety or guarantor of the debts of an air carrier receiving a grant of money.

(b) The purpose of section 11 of this act is to develop and carry into effect a state program to encourage air carriers to resume, retain or enhance the provision of commercial air service to and from small hub airports, nonhub airports and large hub airports that serve rural communities in this State.

(c) The provisions of section 11 of this act are intended to serve an important public purpose and ensure that the State receives valuable benefits and fair consideration in exchange for each grant of money from the program because:

(1) The program requires the dispensing state agency to review all facts, figures and necessary information when making each grant of

money from the program to determine whether the grant will provide economic benefit to the State;

(2) The provision of air transportation service to and from small hub airports and nonhub airports enables the citizens and businesses of this State to travel more efficiently, and at lower cost, to and from the rural communities in this State; and

(3) The dispensing state agency may not make a grant of money from the program unless the agency receives a commitment from the air carrier receiving the grant to commence or continue air service to a designated small hub airport, nonhub airport or large hub airport that services small hub airports and nonhub airports.

3. As used in this section, "air carrier" has the meaning ascribed to it in section 4 of this act.

Sec. 18. **The Legislative Counsel shall, in preparing supplements to the Nevada Administrative Code, appropriately change any references to an officer, agency or other entity whose name is changed or whose responsibilities are transferred pursuant to the provisions of this act to refer to the appropriate officer, agency or other entity.**

Sec. 19. **1. Any administrative regulations adopted by an officer or an agency whose name has been changed or whose responsibilities have been transferred pursuant to the provisions of this act to another officer or agency remain in force until amended by the officer or agency to which the responsibility for the adoption of the regulations has been transferred.**

2. Any contracts or other agreements entered into by an officer or agency whose name has been changed or whose responsibilities have been transferred pursuant to the provisions of this act to another officer or agency are binding upon the officer or agency to which the responsibility for the administration of the provisions of the contract or other agreement has been transferred. Such contracts and other agreements may be enforced by the officer or agency to which the responsibility for the enforcement of the provisions of the contract or other agreement has been transferred.

3. Any action taken by an officer or agency whose name has been changed or whose responsibilities have been transferred pursuant to the provisions of this act to another officer or agency remains in effect as if taken by the officer or agency to which the responsibility for the enforcement of such actions has been transferred.

Sec. 20. **Notwithstanding the amendatory provisions of sections 12 and 23 of this act, any person who, on July 1, 2025, was appointed to serve on the Nevada Air Service Development Commission created by NRS 231.680, as that section existed on June 30, 2025, may continue to serve in that capacity until his or her term would ordinarily expire pursuant to subsection 3 of NRS 231.680, as that section existed on June 30, 2025.**

Sec. 21. **On July 1, 2025, the State Controller shall transfer any unexpended balance in the Nevada Air Service Development Fund created**

by NRS 231.690, as that section existed on June 30, 2025, to the Nevada Aerospace Development Fund created by section 10 of this act.

SUMMARY—Revises provisions governing the ~~[salary of]~~ members of the board of trustees of ~~[certain]~~ school districts. (BDR 34-689)

CONTAINS UNFUNDED MANDATE ~~[(§ 1)]~~ **(§ 5)**
(NOT REQUESTED BY AFFECTED LOCAL GOVERNMENT)

AN ACT relating to education; **revising provisions governing the duties, rights and responsibilities of appointed members of the board of trustees of a school district; enacting provisions governing term limits for trustees;** revising provisions governing the salaries of the members of the board of trustees of a school district in certain counties; **prohibiting a board of**

trustees from conducting certain business during a meeting designated as a work session or workshop; authorizing a trustee to solicit gifts or bequests on behalf of and for the school district; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the board of trustees of a school district in which more than 75,000 pupils are enrolled (currently only the Clark County School District) is composed of 11 members, of whom: (1) seven voting members are elected from election districts established by the board of trustees; (2) one nonvoting member is appointed by the board of county commissioners of the county in which the school district is located; and (3) three nonvoting members are appointed by the governing bodies of the three most populous incorporated cities in the county in which the school district is located, with each governing body appointing one member. Existing law prohibits a nonvoting member from voting on the election of officers of the board of trustees or serving as an officer of the board of trustees. (NRS 386.165) Section 1 of this bill provides that the appointed members of the board of trustees of a school district in which more than 75,000 pupils are enrolled have the same duties, rights and responsibilities as the members of the board of trustees who are elected to the office. Section 1 prohibits a board of trustees from adopting a policy, bylaw or practice or otherwise restricting or curtailing the duties, rights or responsibilities of a member based on whether the member was elected or appointed to office. Section 3 of this bill authorizes appointed members of a board of trustees to participate in the appointment of a member to fill a vacancy among the elected members of the board of trustees. Section 4 of this bill authorizes appointed members of a board of trustees to serve as officers of the board of trustees.

The Nevada Constitution prohibits, with certain exceptions, a person from being elected to any state office or local governing body if he or she has served in that office, or at the expiration of his or her current term if he or she is so serving, will have served, 12 years or more. (Nev. Const. Art. 15, § 3) Section 2 of this bill prohibits a person, elected or appointed, from serving as a trustee for any school district or combination of school districts for 12 years or more.

Existing law establishes the salaries for the members of the board of trustees of school districts based on the population of the county in which the school district is located. Under existing law, the salary of a member of the board of trustees of a school district in a county whose population is 100,000 or more (currently Clark and Washoe Counties) is $750 per month. (NRS 386.320) **Section ~~11~~ 5** of this bill increases the salary of ~~a~~ **an elected** member of the board of trustees of a school district in a county whose population is 700,000 or more (currently only the Clark County School District) to an amount equal to the base salary of a county commissioner of that county. Existing law establishes the base salary of such a county commissioner as an amount equal

to 112.551 percent of the amount of the base annual salary for a county commissioner that was in effect on January 1, 2015. (NRS 245.043) **Section 5 authorizes the board of county commissioners in a county whose population is less than 700,000 (currently all counties other than Clark County), or an appointing authority of an appointed member of a board of trustees in a county whose population is 700,000 or more (currently only Clark County), to provide additional compensation for a member of the board of trustees such that the salary of the member is equal to the salary of a county commissioner in that county. Section 5 requires the salary of a member of the board of trustees to be paid from the funds of the school district, except that any additional compensation authorized to be paid by the board of county commissioners or an appointing authority must be paid from the funds of that entity.**

Section ~~[2]~~ 8 of this bill limits the salary increase **~~[pursuant to]~~ authorized in section ~~[1 to]~~ 5 for the elected** members of the boards of trustees of **~~[the]~~ a** school district **in a county whose population is 700,000 or more to those members** who were elected **~~[or appointed]~~** to a term of office that begins on or after January 1, 2027, including members who are reelected **~~[or reappointed]~~** to a term of office that begins on or after that date. **Section 8 prohibits the salary of an appointed member of the board of trustees of a school district in a county whose population is 700,000 or more from being increased by the appointing authority without the consent of the member during any term that is being served on January 1, 2027. Section 9 of this bill prohibits a school district from reducing the compensation for teachers and other educational personnel and support staff to fund the increase in compensation for elected members of a board of trustees required by section 5.**

Section 6 of this bill prohibits a board of trustees from conducting certain business related to the members of the board of trustees and their duties at a meeting that has been designated as a work session or workshop. Section 6 also requires appointed members to be included in the membership of a board of trustees for the purposes of calculating the existence of a quorum for the transaction of business.

Existing law authorizes a board of trustees to accept on behalf of and for the school district certain gifts or bequests of money or property. (NRS 386.390) Section 7 of this bill, subject to certain limitations, authorizes a member of the board of trustees to solicit such a gift or bequest on behalf of and for the school district.

JOINT SPONSOR: SENATOR FLORES

AN ACT relating to interscholastic activities; prohibiting the Nevada Interscholastic Activities Association from retaliating against a school or person for certain activities; prohibiting athletic recruitment; revising provisions governing certain hearings and appeals conducted by the Association; revising provisions governing the eligibility of pupils who transfer schools to participate and practice in a sanctioned sport or other interscholastic activity or event; **revising requirements relating to the adoption of regulations by the Association;** providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the Nevada Interscholastic Activities Association controls, supervises and regulates all interscholastic athletic events and other interscholastic events in public schools and governs, among other matters, the eligibility and participation of certain pupils in interscholastic activities and events. (NRS 385B.050, 385B.060, 385B.130) **Existing law requires the Association to adopt rules and regulations in the same manner provided for state agencies by the Nevada Administrative Procedure Act. (Chapter 233B of NRS, NRS 385B.060) Existing regulations establish certain procedures for classifying and aligning the schools within the Association into leagues or regions, which, in part, require the Board of Control of the Association to determine the classification and alignment of each school by majority vote after conducting a public hearing. (NAC 385B.250)**

Section 4.5 of this bill: (1) clarifies that the adoption, repeal or amendment of any policy, practice, rule or regulation concerning or affecting pupils, public schools or school districts be accomplished by rule or regulation in conformity with the Nevada Administrative Procedure Act; and (2) requires any change to the classification or alignment of a school or the creation of a new conference, class, region or league be accomplished by regulation. **Section 2** of this bill prohibits the Association from taking certain adverse action against a school or person who advocates for or against a policy in certain circumstances. ~~[Sections 7 and 9 of this bill prohibit the Association and any school district or school from considering or authorizing the consideration of the zone of attendance in which a pupil resides in determining whether the pupil is eligible to participate in an interscholastic activity or event.]~~

Section 3 of this bill: (1) prohibits athletic recruitment; (2) requires the Association to investigate and, under certain circumstances, hold a hearing on a complaint alleging a violation of that prohibition; and (3) sets forth the penalties for such a violation, including providing that a pupil who enrolls in a school because of athletic recruitment is ineligible to participate and practice in a sanctioned sport at the school. **Sections 7 and 8** of this bill make conforming changes to clarify that certain automatic eligibility for a sanctioned sport does not apply to a pupil who enrolled in or transferred to a school because of athletic recruitment.

Under existing regulations, any pupil who transfers to another school is presumed ineligible to participate in any sanctioned sport at the school to which the pupil transfers for 180 school days and a pupil may rebut that presumption to become immediately eligible to participate in certain circumstances. (NAC 385B.716) However, existing law provides that a pupil who is the child of a military family and transferred schools pursuant to the Interstate Compact on Educational Opportunity for military children, which is an interstate compact that establishes a framework to facilitate the transfer of children in military families between schools, is immediately eligible to participate and practice in any sanctioned sport or other interscholastic activity or event at the school to which the pupil transfers. (NRS 385B.130, 388F.010) **Section 7** additionally provides that, regardless of his or her zone of attendance, a pupil is immediately eligible to participate and practice in any sanctioned sport or other interscholastic activity or event at the school to which the pupil transfers if he or she: (1) transfers to a school that uses a lottery system to determine which pupils may enroll; or (2) transfers before enrolling in grade 10. **Section 9** of this bill makes a conforming change to prohibit schools from adopting regulations, rules, policies, procedures or requirements that are more restrictive than those prescribed by the Association pursuant to **section 7**.

Section 4 of this bill authorizes a pupil who transfers schools for certain reasons and seeks to be immediately eligible to participate in any sanctioned sport or interscholastic activity or event to submit a request for a waiver to the

Association. **Section 4** additionally: (1) prescribes certain requirements governing the supporting documentation for such a request; and (2) requires the Association to provide for procedures for reviewing such a request.

Existing law authorizes a pupil or school that is aggrieved by a final decision or order made pursuant to a regulation adopted by the Association to appeal such a decision to a hearing officer appointed by the Executive Director of the Association. Existing law additionally sets forth certain procedural requirements for filing such an appeal. (NRS 385B.100) **Section 6** of this bill: (1) sets forth the time period within which such a hearing must be conducted; (2) authorizes a pupil or school to appeal a decision or order made by the hearing officer to the ~~[State Board of Education;]~~ **school district within which the pupil is enrolled or the school is located** and (3) authorizes the Association to grant an appeal without appointing a hearing officer in certain circumstances. **Section 5** of this bill provides that, in addition to a decision of the Association or a designee of the Association that is authorized to make final decisions on disputes on behalf of the Association, a decision of ~~[the State Board]~~ **a school district or its designee** on an appeal filed pursuant to **section 6** must not be stayed by a court pending final judgment on the matter.

Section 10 of this bill requires the Association to amend its rules and regulations as necessary to conform with the provisions of **sections 1-9** of this bill before ~~[June 30,]~~ **July 1,** 2026.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 385B of NRS is hereby amended by adding thereto the provisions set forth as sections 2, 3 and 4 of this act.

Sec. 2. ***The Nevada Interscholastic Activities Association shall not penalize, retaliate against or otherwise take any adverse action against a school or person for advocating for or against any policy including, without limitation, by communicating with a member of the Legislative Branch, as defined in NRS 218H.090, testifying before a legislative committee or communicating data, views or arguments on a policy to a public body, as defined in NRS 241.015.***

Sec. 3. ***1. A school or any person or organization associated with a school, including, without limitation, administration, staff, coaches, pupils, parents or clubs for supporters, shall not engage in athletic recruitment. Any violation of this subsection by a person or organization associated with a school shall be deemed to be a violation by the school.***

2. A pupil shall not transfer to or otherwise enroll in a school as the result of athletic recruitment. A pupil who violates this section is ineligible to participate in and practice in a sanctioned sport at that school.

3. Any person who believes that a violation of this section has occurred may file a complaint with the Nevada Interscholastic Activities Association. The Nevada Interscholastic Activities Association shall investigate such a complaint. If the Nevada Interscholastic Activities Association determines,

after an investigation, that the complaint is not meritless, the Nevada Interscholastic Activities Association shall hold a hearing on the complaint in accordance with procedures established by regulation of the Nevada Interscholastic Activities Association.

4. ~~[For the purposes of subsection 3 and any hearing held pursuant thereto, any evidence that a pupil has moved to a residence owned, leased or provided by or otherwise associated with a person or organization associated with a school is prima facie evidence that the school has engaged in athletic recruitment.~~

~~5.]~~ If, after conducting a hearing pursuant to subsection 3, the Nevada Interscholastic Activities Association determines that a school has engaged in athletic recruitment, the Nevada Interscholastic Activities Association shall impose the following penalties:

(a) For the first violation, the school must be placed on probation and any coach or member of his or her staff who was involved in the athletic recruitment must be suspended for not less than 10 games;

(b) For the second violation, any coach or member of his or her staff who was involved in the athletic recruitment must be suspended for not less than 1 school year; and

(2) Initiating or engaging in persuasive interviews or communications with the pupil.

(b) "Social media" means any electronic service or account or electronic content including, without limitation, videos, photographs, blogs, video blogs, podcasts, instant and text messages, live chat, mobile applications, online services or Internet website profiles.

Sec. 4. *1. A pupil who transfers from a school to another school is immediately eligible to participate and practice in any sanctioned sport or other interscholastic activity or event at the school to which the pupil transfers if the pupil, or a parent or legal guardian of the pupil, submits to the Nevada Interscholastic Activities Association a request for a waiver of any period of ineligibility based on transferring schools, the Nevada Interscholastic Activities Association approves the request pursuant to this section and the pupil is otherwise eligible to participate and practice in the*

sanctioned sport or other interscholastic activity or event. If the Nevada Interscholastic Activities Association does not take action on a request submitted pursuant to this section within 30 days after the request is submitted, the request shall be deemed approved.

2. The Nevada Interscholastic Activities Association shall approve a request submitted pursuant to subsection 1 if the pupil, or the parent or legal guardian of the pupil, establishes by a preponderance of the evidence that the pupil transferred to the school because:

(a) Of the order or decree of a court of competent jurisdiction that directly or indirectly results in the pupil transferring schools, including, without limitation, any order issued pursuant to chapter 432B of NRS.

(e) The pupil is in the custody of an agency which provides child welfare services, as defined in NRS 432B.030, and changes residences as a result of a change related to his or her placement.

(f) The pupil is a homeless pupil, as determined by a school pursuant to NRS 388.208, and has changed residences.

(g) The parent or legal guardian was discharged or released from the uniformed service under conditions other than dishonorable and the pupil is returning to the school in which the pupil was previously enrolled or is transferring to a school in a school district in which the pupil's parent or legal guardian resides.

(h) The pupil was required by the board of trustees of a school district to transfer, and the decision of the board of trustees was not disciplinary.

(i) The transfer is in the best interest of the pupil because of a mental health or emotional condition, as documented by a letter from:

(b) The testimony of witnesses or law enforcement.

4. The review procedures must include, without limitation:

(a) The review of a request submitted pursuant to subsection 1 by the Executive Director, or such staff of the Nevada Interscholastic Activities Association as the Executive Director may designate and the approval of such a request, without a hearing before a hearing officer pursuant to NRS 385B.100, if the request and documentation submitted with the request establish by a preponderance of the evidence that the pupil is eligible for the waiver pursuant to subsection 2.

(b) Upon the filing of a written appeal with the Executive Director pursuant to NRS 385B.100, the review by a hearing officer appointed pursuant to NRS 385B.100 of a decision denying a request submitted pursuant to subsection 1 and the conduct of a hearing before that hearing officer not later than 60 days after the date on which the Nevada Interscholastic Activities Association received the request pursuant to subsection 1.

Amendment No. 202.

SUMMARY—Revises provisions relating to the sealing of **certain** records**.** ~~[for summary evictions.]~~ (BDR 3-843)

AN ACT relating to evictions; requiring the automatic sealing of certain eviction case court files under certain circumstances; revising the circumstances under which a court is authorized to seal certain eviction case

court files; **requiring the automatic sealing of certain case court files related to unjustified lockouts under certain circumstances;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for the automatic sealing of certain eviction case court files relating to an action for summary eviction. (NRS 40.2545) **Section 1** of this bill expands the circumstances under which an eviction case court file related to an action for summary eviction is sealed automatically by providing for the automatic sealing of any such file: (1) upon motion of the tenant, if ~~[the court finds that]~~ the landlord does not ~~[oppose]~~ **file a timely response opposing** the motion; or (2) if an appeal taken by a party to the action is resolved in certain ways.

Existing law authorizes a court to seal an eviction case court file under certain circumstances, including, without limitation, upon motion by the tenant, if the court finds that sealing the eviction case court file is in the interests of justice and those interests are not outweighed by the public's interest in knowing about the contents of the eviction case court file. (NRS 40.2545) **Section 1** provides that the filing of a motion to seal an eviction case court file more than 1 year after the date on which the eviction order is entered creates a rebuttable presumption that sealing the eviction case court file is in the interests of justice.

Existing law authorizes an occupant locked out of a dwelling by the owner or an authorized representative of the owner to recover possession of the dwelling by filing a verified complaint for reentry in justice court. Under existing law, if an occupant files such a complaint, the court is required to hold a trial and, if the court finds that the lockout was unjustified, issue a writ of restitution to restore possession of the dwelling to the occupant. (NRS 40.416) Section 1.5 of this bill provides for the automatic sealing of the case court file relating to a verified complaint for reentry if the court finds that the lockout was unjustified and certain conditions are met.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 40.2545 is hereby amended to read as follows:

40.2545 1. If a court grants an action for summary eviction pursuant to NRS 40.253 during the COVID-19 emergency, the court shall automatically seal the eviction case court file.

2. In addition to the provisions for the automatic sealing of an eviction case court file pursuant to subsection 1, in any action for summary eviction pursuant to NRS 40.253, 40.254 or 40.2542, the eviction case court file is sealed automatically and not open to inspection:

(a) Upon the entry of a court order which dismisses the action for summary eviction;

(b) ***Upon motion of the tenant*** ***, ~~[and decision by the court]~~*** ***if ~~[the court finds that]~~*** ***the landlord does not ~~[oppose]~~*** ***file a response opposing the motion ~~[,]~~*** ***within 7 judicial days after the date of service of the motion;***

(c) Ten judicial days after the entry of a court order which denies the action for summary eviction; ~~[or~~

~~(c)]~~ ***(d)*** Thirty-one days after the tenant has filed an affidavit described in subsection 3 of NRS 40.253 or subsection 3 of NRS 40.2542, if the landlord has failed to file an affidavit of complaint pursuant to subsection 5 of NRS 40.253 or subsection 5 of NRS 40.2542 within 30 days after the tenant filed the affidavit ~~[.]~~ ***; or***

(e) If an appeal is taken, upon a district court ~~[, the Court of Appeals or the Supreme Court of Nevada, whichever has]~~ with jurisdiction over the matter ~~[,]~~ rendering a decision that:

(1) Upholds an order which dismisses an action for summary eviction;

(2) Upholds an order which denies an action for summary eviction; or

(3) Remands the case to the court from which the appeal was taken for the entry of an order which:

(I) Dismisses an action for summary eviction; or

(II) Denies an action for summary eviction.

3. In addition to the provisions for the automatic sealing of an eviction case court file pursuant to subsections 1 and 2, the court may order the sealing of an eviction case court file for an action for summary eviction pursuant to NRS 40.253, 40.254 or 40.2542:

(a) Upon the filing of a written stipulation by the landlord and the tenant to set aside the order of eviction and seal the eviction case court file; or

(b) Upon motion of the tenant and decision by the court if the court finds that:

(1) The eviction should be set aside pursuant to Rule 60 of the Justice Court Rules of Civil Procedure; or

(2) Sealing the eviction case court file is in the interests of justice and those interests are not outweighed by the public's interest in knowing about the contents of the eviction case court file, after considering, without limitation, the following factors:

(I) Circumstances beyond the control of the tenant that led to the eviction;

(II) Other extenuating circumstances under which the order of eviction was granted; and

(III) The amount of time that has elapsed between the granting of the order of eviction and the filing of the motion to seal the eviction case court file. ***For the purposes of this subparagraph, if the filing of the motion to seal the eviction case court file occurs more than 1 year after the date on which the eviction order is entered, there is a presumption that sealing the eviction case court file is in the interests of justice and those interests are not outweighed by the public's interest in knowing about the contents of the***

eviction case court file unless the presumption is rebutted by clear and convincing evidence to the contrary.

4. If the court orders the eviction case court file sealed pursuant to this section, all proceedings recounted in the eviction case court file shall be deemed never to have occurred.

5. Except as otherwise provided in this subsection, a notice to surrender must not be made available for public inspection by any person or governmental entity, including, without limitation, by a sheriff or constable. This subsection does not:

(a) Apply to a notice to surrender which has been filed with a court and which is part of an eviction case court file that has not been sealed pursuant to this section.

(b) Prohibit the service of a notice to surrender pursuant to NRS 40.280, and such service of a notice to surrender shall be deemed not to constitute making the notice to surrender available for public inspection as described in this subsection.

6. ***Any order issued by the court pursuant to this section must include the basis for the decision of the court.***

7. As used in this section:

(a) "COVID-19 emergency" means the period of time:

(1) Beginning on March 12, 2020, the date on which the Governor issued the Declaration of Emergency for COVID-19; and

(2) Ending on the date on which the Governor terminates the emergency described in the Declaration [May 20, 2022].

(b) "Eviction case court file" means all records relating to an action for summary eviction which are maintained by the court, including, without limitation, ***records maintained by a justice court or district court,*** the affidavit of complaint and any other pleadings, proof of service, findings of the court, any order made on motion as provided in Nevada Rules of Civil Procedure, Justice Court Rules of Civil Procedure ***, District Court Rules*** and local rules of practice and all other papers, records, proceedings and evidence, including exhibits and transcript of the testimony.

Sec. 1.5. **NRS 40.416 is hereby amended to read as follows:**

40.416 1. If the owner of a dwelling or an authorized representative of the owner locks an occupant out of the dwelling pursuant to NRS 40.412, the occupant may recover possession of the dwelling as provided in this section.

2. The occupant must file with the justice court of the township in which the dwelling is located a verified complaint for reentry, specifying:

(a) The facts of the lockout by the owner of the dwelling or the authorized representative of the owner; and

(b) The legal basis upon which reentry into the dwelling is warranted.

Assembly Bill No. 245.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 400.

AN ACT relating to firearms; prohibiting a person who is less than 21 years of age from possessing certain firearms; making it unlawful to aid or knowingly permit a person who is less than 21 years of age to possess a firearm under certain circumstances; **prohibiting the sale or barter of certain firearms to a person who is less than 21 years of age;** revising provisions relating to the storage of a firearm; revising provisions relating to the handling, possession or control of a firearm by certain children; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law prohibits a child ~~[under the age of]~~ **who is less than** 18 years **of age** from handling, possessing or controlling a firearm under certain circumstances. (NRS 202.300) **Section 1** of this bill makes it a gross misdemeanor for a person who is less than 21 years of age to **handle,** possess or control a: (1) semiautomatic shotgun; or (2) semiautomatic centerfire rifle.

Existing law provides that a person does not aid or knowingly permit a child to handle, possess or control a firearm if the firearm was stored in a securely locked container or at a location which a reasonable person would have believed to be secure. Under existing law, a person who aids or knowingly permits a child to handle, possess or control a firearm is guilty of: (1) for the first offense, a misdemeanor; (2) for a first offense, if the person knows or has reason to know that there is a substantial risk that the child will use the firearm to commit a violent act, a category C felony; and (3) for a second or any subsequent offense, a category B felony punishable by imprisonment in the state prison for a minimum term of not less than 1 year and a maximum term of not more than 6 years. (NRS 202.300) **Section 1**: (1) provides the same penalties for a person who aids or knowingly permits a person who is less than 21 years of age to handle, possess or control certain firearms; and (2) includes similar provisions concerning the circumstances in which a person does not aid or knowingly permit a person who is less than 21 years of age to handle, possess or control such firearms.

Existing law makes it a misdemeanor for a person to negligently store or leave a firearm at a location under his or her control if the person knows or has reason to know that there is a substantial risk that a child, who is otherwise prohibited from handling, possessing or controlling a firearm, may obtain the firearm. (NRS 202.300) **Section 1** adds a similar provision imposing the same penalty for a person who negligently stores or leaves a firearm at a similar location from which a person who is less than 21 years of age may obtain the firearm.

Existing law authorizes a child who is 14 years of age or older and who, among other requirements, has a valid hunting license, to handle, possess or control a: (1) rifle or shotgun; or (2) firearm capable of being concealed upon the person. However, existing law provides that the rifle or shotgun must not be a fully automatic firearm. (NRS 202.300) **Section 3** of this bill prohibits a child who is 14 years of age or older from handling, possessing or controlling a semiautomatic shotgun or semiautomatic centerfire rifle.

Under certain circumstances, existing law authorizes a child who is 14 years of age or older to handle, possess or control a rifle or shotgun that is not a fully automatic firearm at his or her residence. (NRS 202.300) **Section 3**: (1) provides that the rifle or shotgun must not be a semiautomatic shotgun or semiautomatic centerfire rifle; and (2) requires that the rifle or shotgun, while not in use, must remain unloaded and stored in a securely locked container under the possession of certain persons.

Existing law provides that a person who barters or sells a pistol, revolver or firearm capable of being concealed to a child who is less than 18 years of age, with reckless disregard of the age of the child or with knowledge or reason to know that the child is less than 18 years of age, is guilty of a category B felony punishable by imprisonment in the state prison for a minimum term of not less than 1 year and a maximum term of not more than 6 years, and may be further punished by a fine of not more than $5,000. (NRS 202.310) Section 3.5 of this bill provides that a person who sells or barters a semiautomatic centerfire rifle or semiautomatic shotgun to a person who is less than 21 years of age, with reckless disregard of the age of the person or with knowledge or reason to know that the person is less than 21 years of age, is guilty of a category B felony and is subject to the same penalties.

Section 2 of this bill applies certain definitions prescribed by existing law to **section 1**.

Assembly Bill No. 276.

Bill read second time.

The following amendment was proposed by the Committee on Revenue:

Amendment No. 469.

AN ACT relating to taxation; increasing and providing for the adjustment of the gross revenue threshold above which the gross revenue of a business entity is subject to the commerce tax; **prohibiting the payment of interest on an overpayment of commerce tax resulting from the use of a gross revenue threshold other than the adjusted threshold calculated and published by the Department of Taxation;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law imposes an annual commerce tax on each business entity whose Nevada gross revenue in a fiscal year exceeds $4,000,000, with the rate of commerce tax based on the industry in which the business entity is primarily engaged. Existing law imposes the tax only on the portion of the Nevada gross revenue of a business entity that is in excess of $4,000,000. (NRS 363C.200, 363C.300-363C.560) **Sections 4 and 6** of this bill eliminate the $4,000,000 Nevada gross revenue threshold and replace it with a revenue threshold that is calculated on an annual basis. **Section 4** provides the method for calculating the revenue threshold for a taxable year. For the taxable year beginning on

July 1, 2025, **section 4** sets the revenue threshold at $4,000,000 plus an additional amount that is determined by multiplying $4,000,000 by the average 12-month percentage increase in the Consumer Price Index for All Urban Consumers, West Region (All Items) for the 3 calendar years immediately preceding July 1, 2025. For all subsequent taxable years, **section 4** provides that the revenue threshold is: (1) the same as the previous taxable year, if the average 12-month change in the Consumer Price Index for All Urban Consumers, West Region (All Items) for the previous 3 calendar years is negative; or (2) increased from the previous taxable year by an amount equal to the revenue threshold from the previous taxable year multiplied by the average 12-month percentage increase in Consumer Price Index for All Urban Consumers, West Region (All Items) for the previous 3 calendar years, if the average 12-month percentage change for that period was positive. **Under section 4, the revenue threshold calculated for each taxable year must be rounded to the nearest $100,000. Section 6** requires a business entity whose Nevada gross revenue in a taxable year exceeds the revenue threshold calculated as described in **section 4** to file a return for that taxable year and excuses all business entities whose Nevada gross revenue is equal to or less than the revenue threshold from the requirement to file such a return for that taxable year. **Sections 2, 3 and 5** of this bill define the terms "consumer price inflation index" and "revenue threshold" for the purposes of the provisions governing the commerce tax. **Sections 7-33** of this bill make conforming changes to provisions governing the calculation of the commerce tax owed by a business entity to reflect that any Nevada gross revenue of a business entity that is equal to or below the revenue threshold is excluded from the calculation of the commerce tax.

Under existing law, a business entity that overpays the commerce tax is entitled to a refund of the amount of the overpayment if, with certain exceptions, the business entity claims the refund within a certain period. (NRS 363C.600) With certain exceptions, existing law requires such a business entity to be paid interest on any overpayment of any amount of the commerce tax at a rate specified in existing law. However, the Department of Taxation is prohibited from paying interest to a business entity if the Department determines that any overpayment has been made intentionally or by reason of carelessness. (NRS 363C.620) Section 33.5 of this bill prohibits the Department from paying interest on such an overpayment of the commerce tax because a business entity uses a revenue threshold to calculate the amount of commerce tax it owes other than the revenue threshold calculated by the Department and published pursuant to section 4.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 363C of NRS is hereby amended by adding thereto the provisions set forth as sections 2, 3 and 4 of this act.

Sec. 2. ***"Consumer price inflation index" means the Consumer Price Index for All Urban Consumers, West Region (All Items), as published by the United States Department of Labor or, if that index ceases to be published by the United States Department of Labor, the published index selected by the Department of Taxation pursuant to subsection 11 of NRS 361.091.***

Sec. 3. ***"Revenue threshold" means the amount described in subsection 1 of section 4 of this act for a given taxable year.***

Sec. 4. ***1. The revenue threshold is:***

(a) For the taxable year beginning on July 1, 2025, $4,000,000 plus the product of $4,000,000 multiplied by the average 12-month percentage increase in the consumer price inflation index for the 3 calendar years immediately preceding the taxable year beginning on July 1, 2025. The revenue threshold calculated pursuant to this paragraph must be rounded to the nearest $100,000.

(b) For each subsequent taxable year:

(1) If the average 12-month percentage change in the consumer price inflation index for the 3 calendar years immediately preceding the taxable year for which the revenue threshold is being calculated is positive, the revenue threshold for the immediate preceding taxable year plus the product of the revenue threshold for the immediately preceding taxable year multiplied by the average percentage increase in the consumer price inflation index for the 3 calendar years immediately preceding the taxable year for which the revenue threshold is being calculated. A revenue threshold calculated pursuant to this subparagraph must be rounded to the nearest $100,000.

(2) If the average 12-month percentage change in the consumer price inflation index for the 3 calendar years immediately preceding the taxable year for which the revenue threshold is being calculated is negative, an amount equal to the revenue threshold for the immediately preceding taxable year. A revenue threshold calculated pursuant to this subparagraph must be rounded to the nearest $100,000.

Bill ordered reprinted, engrossed, and to third reading.

Assembly Bill No. 296.

Bill read second time.

The following amendment was proposed by the Committee on Growth and Infrastructure:

Amendment No. 318.

AN ACT relating to motor vehicles; requiring the Department of Motor Vehicles to contract with a person who makes installment loans to pay the fees and taxes due for the initial or renewal registration of a vehicle; **prescribing certain requirements for such installment loans;** authorizing the Director of the Department to authorize the use of digital license plates; providing requirements governing the use of digital license plates; **revising the applicability of certain provisions governing installment lenders to a lender who contracts with the Department;** extending the pilot program to gather data about annual vehicle miles traveled by certain vehicles registered in this State; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the Department of Motor Vehicles to establish electronic branch offices consisting of an Internet website or software application through which the Department may conduct transactions that have been designated by the Director of the Department as suitable to be conducted through electronic means. (NRS 481.055) If the Department provides the ability to register or renew the registration of a vehicle through such an electronic branch office, **section 1** of this bill requires the Department to contract with a person who is licensed in this State to make installment loans to allow the person, through the electronic branch office, to offer installment loans to vehicle owners to pay the applicable fees and taxes that are due for the initial or renewal registration of a vehicle. **Section 1: (1) requires the person to furnish to the Department the entire amount of the fees and taxes owed by vehicle owners for the registration and renewal of registration; (2) prohibits such a person from charging interest on an installment loan or collecting an initial installment fee in excess of $10 or a monthly installment fee in excess of $5 each month; and (3) prohibits the making of loans less than $250.**

Existing law requires the Department to furnish license plates to every owner whose vehicle is registered and sets forth the manner in which such license plates must be displayed on a vehicle. (NRS 482.265) **Section 2** of this bill authorizes the Director to permit the use of digital license plates by a person who otherwise complies with the requirements for registration and licensing. **Section 2** requires a digital license plate to: (1) display the license plate code assigned to the vehicle and evidence of valid registration at all times; (2) meet certain requirements for visibility; (3) be displayed on a digital

license plate device that has been approved by the Department and purchased from a vendor approved by the Department; and (4) display only information and images required or authorized by the Department. **Section 2** requires the Department to adopt regulations relating to the issuance and use of digital license plates, including the personally identifiable information that may be stored on a digital license plate or digital license plate device. **Section 2** authorizes the Department to take certain additional actions with respect to digital license plates, including: (1) approving banner messages to appear on the bottom of a digital license plate; (2) restricting the types or classes of vehicles for which a digital license plate may be used; (3) authorizing the sale or resale of digital license plate devices; and (4) authorizing digital license plates to replicate the appearance of certain special license plates or personalized prestige license plates. **Section 2 prohibits the Department from charging a fee for digital license plates that exceeds the fee charged for a conventional plate of the same type.** **Section 3** of this bill provides that the Department is not required to furnish license plates to a person who applies to use a digital license plate and authorizes the Department to require the return of license plates which were previously issued for the vehicle.

Existing law requires the Director to utilize the facility for the production of license plates which is located at the Department of Corrections to produce all license plates required by the Department. (NRS 482.267) **Section 4** of this bill creates an exception from this requirement for the use of digital license plates.

Section 5 of this bill requires a digital license plate device, which is an electronic device capable of displaying a digital license plate, to be attached to the rear of a motor vehicle. If a digital license plate has been authorized for use, **section 5** also excuses the requirement to attach a license plate to the front of the vehicle.

Existing law establishes a procedure for the licensing of persons engaged in the business of making and collecting on installment loans. (Chapter 675 of NRS) Section 5.3 of this bill authorizes a person who contracts with the Department to make loans to apply for a license for a place of business located outside this State. Section 5.7 of this bill additionally authorizes such a person to conduct the business of making loans within any office, suite, room or place of business in which any other business is solicited or engaged in.

Existing law requires the Department to conduct a pilot program to gather data on the annual vehicle miles traveled by certain vehicles registered in this State. (NRS 482.2175) As part of the pilot program, existing law requires the owners of certain motor vehicles to report the mileage shown on the odometer of the motor vehicle and certain other information required by the Department at the time of initial registration, renewal of registration and transfer of registration, if applicable. (NRS 482.2177) Under existing law, the provisions providing for the pilot program expire by limitation on December 31, 2026. (Section 7 of chapter 498, Statutes of Nevada 2019, at page 3006) **Section 6**

of this bill eliminates the provision of law providing for the expiration of the pilot program, thereby requiring the continuation of the pilot program beyond December 31, 2026.

The following amendment was proposed by the Committee on Judiciary:
Amendment No. 226.

AN ACT relating to judiciary; replacing the term "master" with "judicial officer" when used to refer to judicial officers who perform certain duties; prescribing a procedure for the transfer of child welfare proceedings to a different court within this State; requiring the appointment of an attorney to represent certain parties during a child welfare proceeding in certain circumstances; revising the compensation that an appointed attorney in certain proceedings is entitled to receive; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the appointment of a master or special master to perform certain limited duties in certain proceedings, including family law, juvenile justice and traffic proceedings and certain proceedings in a justice or municipal court. (NRS 3.2201, 3.405, 4.357, 5.0245, 33.019, 62B.020, 62B.030, 126.111, 129.080, 159A.0615, 425.381, 432B.455) **Sections 3-24, 31-35, 40, 42-47, 52-63**, **65, 66, 69-71 and 79** of this bill replace the term "master" with the term "judicial officer" when used to refer to a judicial official who performs those duties. **Sections 1, 26, 38 and 67** of this bill define the term "judicial officer" for certain purposes and **sections 2, 28, 39 and 68** of this bill establish the applicability of those definitions. **Sections 32, 42, 43, 46-48, 54 and 70** of this bill authorize a court to designate a different title to a person appointed as a judicial officer so long as the title does not include the term "master." **Section 4** makes an additional clarifying change regarding the appointment of judicial officers. **Sections 37, 41, 48, 50, 51 and 72-78** of this bill make various other changes so that a judicial officer retains all of the duties, privileges and protections that such a person currently has while functioning under the title "master."

Existing law establishes procedures for the transfer of proceedings involving the legal or physical custody of a child, including child welfare proceedings, to a court of another state. (NRS 125A.315, 125A.355, 125A.365) **Section 27** of this bill similarly establishes a procedure for the transfer of child welfare proceedings to a different court in this State. **Section 27** requires: (1) the originating court and the receiving court to hold a joint hearing on the potential transfer; and (2) both courts to conclude that the transfer would be in the best interests of the child who is the subject of the proceedings before the transfer may occur. **Section 36** of this bill makes a conforming change to include a reference to **section 27** where appropriate. **Sections 29 and 49** of this bill

prohibit a person from invoking certain privileges during a proceeding concerning such a transfer.

Existing law: (1) authorizes an attorney to represent a parent or other person responsible for the welfare of a child who is alleged to have abused or neglected the child at all stages of child welfare proceedings concerning the child; and (2) requires a court to appoint an attorney to represent a child who is alleged to have been abused or neglected at all stages of such proceedings. An appointed attorney is entitled to the same compensation and payment for expenses as an attorney, other than a public defender, selected to represent or defend a defendant at any stage of a criminal proceeding. (NRS 432B.420) **Section 30** of this bill provides that any parent or **other** person responsible for the welfare of a child who is taken into protective custody may be represented during ~~[~~~the child welfare proceedings,~~]~~ **a hearing on protective custody,** regardless of whether the parent is alleged to have abused or neglected the child. If a petition is filed alleging that a child is in need of protection, **section 30 : (1)** requires the court to appoint an attorney to represent the parent or **other** person responsible for the welfare of a child who is allegedly responsible for the child being **in** need of protection upon determining that the parent or other person is indigent, except in certain circumstances ~~[.]~~ **; and (2) authorizes the court to appoint an attorney to represent a parent or other person responsible for the welfare of the child who is not allegedly responsible for the child being in need of protection if the court determines that the parent or other person is indigent and appointment of an attorney is in the best interest of the child.** **Section 30** also provides that an attorney who is appointed to represent a parent or other person responsible for the welfare of a child or a child in a child welfare proceeding is, except in certain circumstances, entitled to compensation and payment for expenses for all reasonable time and expenses spent on the case at a rate not less than the rate an attorney in the same jurisdiction receives for representing a person charged with a misdemeanor.

Existing law authorizes a court to appoint an attorney to represent a child and an indigent parent of a child during any proceeding for terminating or restoring parental rights. Existing law also requires a court to appoint an attorney to represent a child in such a proceeding if the child has been placed outside the home because he or she was deemed to be in need of protection. Such an appointed attorney is entitled to the same compensation and payment for expenses as an attorney, other than a public defender, selected to represent or defend a defendant at any stage of a criminal proceeding. (NRS 128.100) **Section 64** of this bill provides that such an appointed attorney is entitled to compensation and payment for expenses for all reasonable time and expenses spent on the case at a rate not less than the rate an attorney in the same jurisdiction receives for representing a person charged with a felony.

A record of the proceeding or any portion thereof must

be kept if any party requests or the court orders. Strict rules of evidence need not be observed, but those prescribed in NRS 233B.123 apply.

3. Upon refusal of any witness, including a party, to testify under oath or produce evidence, the court may order the witness to testify under oath and produce evidence concerning all relevant facts. If the refusal is upon the ground that the witness's testimony or evidence might tend to incriminate the witness, the court may grant the witness immunity from prosecution for all criminal offenses shown in whole or in part by testimony or evidence the witness is required to produce, except for perjury committed in his or her testimony. The refusal of a witness who has been granted immunity to obey an order to testify or produce evidence is a civil contempt of the court.

Sec. 61. NRS 126.121 is hereby amended to read as follows:

126.121 1. The court may, and shall upon the motion of a party, order the mother, child, alleged father or any other person so involved to submit to one or more tests for the typing of blood or taking of specimens for genetic identification to be made by a designated person, by qualified physicians or by other qualified persons, under such restrictions and directions as the court or judge deems proper. Whenever such a test is ordered and made, the results of the test must be received in evidence and must be made available to a judge, ~~[master]~~ ***judicial officer appointed by the court*** or referee conducting a hearing pursuant to NRS 126.111. The results of the test and any sample or specimen taken may be used only for the purposes specified in this chapter. Unless a party files a written objection to the result of a test at least 30 days before the hearing at which the result is to be received in evidence, the result is admissible as evidence of paternity without foundational testimony or other proof of authenticity or accuracy. The order for such a test also may direct that the testimony of the experts and of the persons so examined may be taken by deposition or written interrogatories.

2. If any party refuses to submit to or fails to appear for a test ordered pursuant to subsection 1, the court may presume that the result of the test would be adverse to the interests of that party or may enforce its order if the rights of others and the interests of justice so require.

3. The court, upon reasonable request by a party, shall order that independent tests for determining paternity be performed by other experts or qualified laboratories.

4. In all cases, the court shall determine the number and qualifications of the experts and laboratories.

126.141 1. On the basis of the information produced at the pretrial hearing, the judge, ~~[master]~~ ***judicial officer appointed by a court*** or referee conducting the hearing shall evaluate the probability of determining the existence or nonexistence of the father and child relationship in a trial and whether a judicial declaration of the relationship would be in the best interest of the child. On the basis of the evaluation, an appropriate recommendation for settlement must be made to the parties, which may include any of the following:

(a) That the action be dismissed with or without prejudice.

(b) That the matter be compromised by an agreement among the alleged father, the mother and the child, in which the father and child relationship is not determined but in which a defined economic obligation, fully secured by payment or otherwise, is undertaken by the alleged father in favor of the child and, if appropriate, in favor of the mother, subject to approval by the judge, ~~[master]~~ ***judicial officer*** or referee conducting the hearing. In reviewing the obligation undertaken by the alleged father in a compromise agreement, the judge, ~~[master]~~ ***judicial officer*** or referee conducting the hearing shall consider the best interest of the child, discounted by the improbability, as it appears to him or her, of establishing the alleged father's paternity or nonpaternity of the child in a trial of the action. In the best interest of the child, the court may order that the alleged father's identity be kept confidential. In that case, the court may designate a person or agency to receive from the alleged father and disburse on behalf of the child all amounts paid by the alleged father in fulfillment of obligations imposed on the alleged father.

(c) That the alleged father voluntarily acknowledge his paternity of the child.

2. If the parties accept a recommendation made in accordance with subsection 1, judgment may be entered accordingly.

3. If a party refuses to accept a recommendation made under subsection 1 and blood tests or tests for genetic identification have not been taken, the court shall require the parties to submit to blood tests or tests for genetic identification, if practicable. Thereafter the judge, ~~[master]~~ ***judicial officer*** or referee shall make an appropriate final recommendation. If a party refuses to accept the final recommendation, the action must be set for trial.

4. The guardian ad litem may accept or refuse to accept a recommendation under this section.

5. The pretrial hearing may be terminated and the action set for trial if the judge, ~~[master]~~ ***judicial officer*** or referee conducting the hearing finds unlikely

that all parties would accept a recommendation he or she might make under subsection 1 or 3.

Sec. 63. NRS 126.143 is hereby amended to read as follows:

126.143 After an action is set for trial pursuant to NRS 126.141, the judge, ~~[master]~~ ***judicial officer appointed by a court*** or referee shall, upon the motion of a party, issue an order providing for the temporary support of the child pending the resolution of the trial if the judge, ~~[master]~~ ***judicial officer*** or referee determines that there is clear and convincing evidence that the party against whom the order is issued is the father of the child.

Sec. 64. NRS 128.100 is hereby amended to read as follows:

128.100 1. Except as otherwise provided in subsection 2, in any proceeding for terminating parental rights, or any rehearing or appeal thereon, or any proceeding for restoring parental rights, the court may appoint an attorney to represent the child as his or her counsel. If the child is represented by an attorney, the attorney has the same authority and rights as an attorney representing a party to the proceedings.

2. In any proceeding for the termination of parental rights to a child who has been placed outside of his or her home pursuant to chapter 432B of NRS, or any rehearing or appeal thereon, or any proceeding for restoring parental rights to such a child, the court shall appoint an attorney to represent the child as his or her counsel. Each attorney appointed under the provisions of this section is entitled to the same compensation and expenses ~~[from the county as provided in NRS 7.125 and 7.135]~~ for ***all time reasonably spent on the proceedings and payment for all expenses reasonably incurred from the proceedings, including, without limitation, time spent and expenses incurred for preparation, hearings and meetings. Such compensation must be paid at a rate not less than the lowest rate paid to*** attorneys appointed to represent persons charged with ~~[crimes.]~~ ***a felony in the same jurisdiction.***

The following amendment was proposed by the Committee on Revenue:

Amendment No. 374.

AN ACT relating to taxation; providing for the imposition, collection, administration and enforcement of taxes on the sale or transfer of a controlling

interest in an entity which possesses an interest in real property in this State; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law imposes several taxes, known as real property transfer taxes, on each deed by which lands, tenements or other realty are assigned, transferred or otherwise conveyed to, or vested in, another person, or land sale installment contract, if the consideration or value of the interest or property conveyed exceeds $100. The amount of the real property transfer taxes owed is required to be computed on the basis of the value of the transferred real property. (NRS 375.020, 375.023, 375.026) Existing law provides for the disposition and use of the proceeds of the real property transfer taxes for specific purposes, including: (1) deposit in the State General Fund; (2) deposit in the Account for Affordable Housing; (3) deposit in the Local Government Tax Distribution Account for credit to the accounts of each county; (4) deposit in the county school district's fund for capital projects, with respect to proceeds collected in a county whose population is 700,000 or more; and (5) transmittal to the State Treasurer for use by the Division of Plant Health and Compliance of the State Department of Agriculture. (NRS 375.023, 375.026, 375.070)

Section 8 of this bill imposes taxes on the sale or transfer of a controlling interest in an entity which possesses, directly or indirectly, an interest in real property in this State when the value of the real property interest exceeds $100. **Section 8** imposes the taxes at the same rate as the existing real property transfer taxes and requires the taxes to be computed based on the value of the entity's interest in the real property, which corresponds to the estimated fair market value of the real property. **Section 9** of this bill requires the person who ~~[conveys]~~ **receives** a controlling interest in an entity which is subject to the tax to file a return and remit the tax to the ~~[Department of Taxation]~~ **county recorder of each county in which the entity has a controlling interest in real property** on or before the last day of the month immediately following the month in which the sale or transfer was made. ~~[Section 10 of this bill authorizes the Department to extend the time within which the tax is required to be paid, upon application and for good cause shown.]~~ **Section 11** of this bill requires the ~~[Department]~~ **county recorder** to ~~[deposit]~~ **dispose of** the ~~[taxes, interest and penalties collected in the Controlling Interest Transfer Tax Account and requires the State Controller to dispose of those taxes, interest and penalties]~~ **proceeds of the tax** in the same manner as the corresponding real property transfer taxes. **Sections 11 and 25.5 authorize the county recorder to deduct and withhold from the tax required to be transmitted to the State Controller for deposit in the State General Fund: (1) for the first 5 years after the effective date of this bill, 2 percent of those taxes to reimburse the county for the cost of collecting the tax; and (2) for each year thereafter, 1 percent of those taxes.** **Section 12** of this bill exempts certain transfers of the controlling interest in an entity from the taxes imposed by **section 8**. **Section 23** of this bill makes it a misdemeanor to willfully falsely declare the estimated fair market value of real property on a return filed

pursuant to **section 9** ~~[.]~~ **and requires the payment of any additional tax required plus a penalty of 25 percent of that amount.**

Sections 2.5, 3 and 4 of this bill define the terms **"controlling interest,"** "estimated fair market value" and "taxpayer," respectively, for the purposes of the provisions governing the taxes imposed by **section 8**.

Section 25 of this bill requires money from the taxes imposed by **section 8** which is received by the Division of Plant Health and Compliance to be allocated for disbursement to each county in proportion to the money collected with respect to real property in that county: (1) for use by the State Department of Agriculture for programs on the exclusion, detection and control of invasive species and endemic pests and weeds; and (2) to make grants to local governments and nonprofit organizations for the control or management of such species, pests and weeds.

Sections ~~[5-7, 13-22 and 24]~~ **5-5.7, 10.5, and 24.1-24.18** of this bill provide for the administration and enforcement of the taxes imposed by **section 8** ~~[.]~~ **in, to the extent applicable, the same manner as the real property transfer taxes.**

Sec. 24.1. The county recorder shall:

1. Conduct and apply audits and other procedures for enforcement as uniformly as is feasible.

2. Collect any tax that is due pursuant to the provisions of this chapter in an equitable manner so that every taxpayer pays the full amount imposed by law.

Sec. 24.2. 1. The county recorder may audit all records relating to the collection and calculation of any tax imposed by this chapter. If the county recorder deems it necessary to conduct an audit, the audit must be completed within 3 years after the date the relevant return was filed.

2. The county recorder may issue subpoenas to require the production of documents necessary to determine the amount of the tax due pursuant to this chapter or to determine whether a person qualifies for an exemption from taxes pursuant to this chapter. The county recorder may have the subpoenas served, and upon application of the district attorney, to any court of competent jurisdiction, enforced in the manner provided by law for the service and enforcement of subpoenas in a civil action.

Sec. 24.3. 1. If an audit is conducted by the county recorder pursuant to the provisions of this chapter, the date on which the audit will be completed must be included in the notice to the taxpayer that the audit will be conducted.

2. The date on which the audit will be completed may be extended by the county recorder if the county recorder gives prior written notice of the extension to the taxpayer. The notice must include an explanation of the reason or reasons that the extension is required.

3. If, after the audit, the county recorder determines that delinquent taxes are due, interest and penalties may not be imposed for the period of the extension if the taxpayer did not request the extension or was not otherwise the cause of the extension.

Sec. 24.4. Any amount determined to be refundable by the county recorder after an audit must be refunded to the taxpayer.

Sec. 24.5. 1. If any tax imposed pursuant to this chapter is not paid when due, the county may, within 4 years after the date that the tax was due, record a certificate in the office of the county recorder which states:

(a) The amount of the tax and any interest or penalties due;

(b) The name and address of the person who is liable for the amount due as they appear on the records of the county; and

(c) That the county recorder has complied with all procedures required by law for determining the amount due.

2. From the time of the recording of the certificate, the amount due, including interest and penalties, constitutes a demand for payment.

Sec. 24.6. 1. If a person is delinquent in the payment of any tax imposed by this chapter or has not paid the amount of a deficiency determination, the county may bring an action in a court of this State, a court of a county of any other state or a court of the United States that has competent jurisdiction to collect the delinquent or deficient amount, penalties and interest. The action:

(a) May not be brought if the decision that the payment is delinquent or that there is a deficiency determination is on appeal to a hearing officer pursuant to section 24.17 of this act.

(b) Must be brought not later than 4 years after the payment became delinquent or the determination became final.

2. The district attorney shall prosecute the action. The provisions of the Nevada Revised Statutes, Nevada Rules of Civil Procedure and Nevada Rules of Appellate Procedure relating to service of summons, pleadings,

proofs, trials and appeals are applicable to the proceedings. In the action, a writ of attachment may issue. A bond or affidavit is not required before an attachment may be issued.

3. In an action, a certificate by the county recorder showing the delinquency is prima facie evidence of:

(a) The determination of the tax or the amount of the tax;

(b) The delinquency of the amounts; and

(c) The compliance by the county recorder with all the procedures required by law relating to the computation and determination of the amounts.

Sec. 24.7. In an action relating to a tax imposed pursuant to this chapter, process must be served:

1. In accordance with the requirements for service of process set forth in the Nevada Rules of Civil Procedure; or

2. By serving the taxpayer at their place of residence in this State or their last known address.

Sec. 24.8. A lien may, within 5 years after the date of the judgment or within 5 years after the last extension of the lien in a manner provided in this chapter, be extended by recording in the office of the county recorder a certified copy of the judgment, and from the time of that recording, the lien must be extended upon the property in that county for 5 years unless sooner released or otherwise discharged.

Sec. 24.9. 1. The county or its authorized representative may issue a warrant for the enforcement of a lien and for the collection of any delinquent tax that is administered pursuant to this chapter:

(a) Within 4 years after the person is delinquent in the payment of the tax; or

(b) Within 5 years after the last recording of a certificate copy constituting a lien for the tax.

2. The warrant must be directed to a sheriff or constable and has the same effect as a writ of execution.

3. The warrant must be levied and the sale made pursuant to the warrant in the same manner and with the same effect as a levy of and a sale pursuant to a writ of execution.

Sec. 24.10. The county may pay or advance to the sheriff or constable the same fees, commissions and expenses or acting upon the warrant as are provided by law for acting upon a writ of execution. The county must approve the fees for publication in a newspaper. Approval from a court is not required for the publication.

Sec. 24.11. 1. The amounts, including interest and penalties, required to be paid by any person pursuant to this chapter must be satisfied first if:

(a) The person is insolvent;

(b) The person makes a voluntary assignment of his or her assets;

(c) The estate of the person in the hands of executors, administrators or heirs, before distribution, is insufficient to pay all the debts due from the deceased; or

(d) The estate and effects of an absconding, concealed or absent person required to pay any amount by force of such revenue act are levied upon by process of law.

2. This section does not give the county recorder a preference over:

(a) Any recorded lien that attached before the date when the amounts required to be paid became a lien; or

(b) Any costs of administration, funeral expenses, expenses of personal illness, family allowances or debts preferred pursuant to federal law or wages as provided in NRS 147.195.

Sec. 24.12. A certificate by the county recorder stating that real property has been released from a lien imposed pursuant to this chapter is conclusive evidence that the property has been released.

Sec. 24.13. If an officer or employee of the county recorder determines that a taxpayer is entitled to an exemption or has been taxed more than is required by law, he or she shall give written notice of that determination to the taxpayer. The notice must:

1. Be given within 30 days after the officer or employee makes his or her determination or, if the determination is made as a result of an audit, within 30 days after the completion of the audit; and

2. If appropriate, include instructions indicating the manner in which the taxpayer may petition for a refund of any overpayment.

Sec. 24.14. A taxpayer is entitled to receive on any overpayment of any tax imposed by this chapter a refund together with interest at a rate determined pursuant to NRS 17.130. No interest is allowed on a refund of any penalties or interest on the tax that is paid by a taxpayer.

Sec. 24.15. The county recorder shall provide a taxpayer with a response to any written request submitted by the taxpayer that relates to a tax imposed by this chapter within 30 days after the county treasurer receives the request.

Sec. 24.16. 1. After reviewing a petition for a refund, the county recorder or his or her designee shall approve or disapprove the refund. If the county recorder approves the refund, he or she shall grant the refund to the taxpayer.

2. If the county recorder denies a refund, the petitioner may file a written notice of appeal to the county recorder within 45 days after the date the county recorder decides to deny the petition. If notice is not received by the county recorder within 45 days after his or her decision to deny the petition, the decision of the county recorder is final.

3. If the county recorder receives a timely notice of appeal pursuant to subsection 2, he or she shall set a date for a hearing before a hearing officer and notify the parties of the date, place and time of the hearing.

Sec. 24.17. 1. Any person who is aggrieved by a decision of the county recorder made pursuant to this chapter may appeal the decision by filing a notice of appeal with the county recorder within 30 days after service of the decision upon that person.

2. A hearing officer, appointed by the county, may review any decision made by the county recorder and may reverse, affirm or modify any decision of the county recorder. A hearing officer appointed pursuant to this section must not be an employee of the county recorder's office. A decision of a hearing officer is a final decision for purposes of judicial review.

3. Service of a decision made by the county recorder or a hearing officer pursuant to this chapter must be made personally or by certified mail. If service is made by certified mail:

(a) The decision must be enclosed in an envelope that is addressed to the taxpayer at his or her address as it appears on the declaration of value or in the records of the county.

(b) It is deemed to be complete at the time the appropriately addressed envelope containing the decision is deposited with the United States Postal Service.

4. All decisions of the county recorder made pursuant to this chapter are final unless appealed.

5. A county recorder or local government that is a party and is aggrieved by the decision of the hearing officer may seek judicial review of the decision in the district court of that county.

Sec. 24.18. 1. The county recorder may waive any tax, penalty and interest owed by the taxpayer pursuant to this chapter, other than the tax imposed by subsection 2 of section 8, if the taxpayer meets the criteria adopted by regulation. If a waiver is granted pursuant to this subsection, the county shall prepare and maintain on file a statement that contains:

(a) The reason for the waiver;

(b) The amount of the tax, penalty and interest owed by the taxpayer; and

(c) The amount of the tax, penalty and interest waived by the county.

2. If the county recorder or a designated hearing officer finds that the failure of a person to make a timely payment of any tax imposed is the result of circumstances beyond his or her control and occurred despite the exercise of ordinary care and without intent to avoid such payment, the county recorder may relieve the person of all or part of any interest or penalty or both.

3. If a person proves to the satisfaction of the county recorder that the person has in good faith remitted the tax in reliance upon written advice provided by an officer or employee of the county recorder, an opinion of the district attorney or Attorney General or the written results of an audit of the taxpayer's records conducted by the county recorder, the county recorder may not require the taxpayer to pay delinquent taxes, penalties or interest if the county recorder determines after the completion of a subsequent audit that the taxes the taxpayer remitted were deficient.

Sec. 25. NRS 561.355 is hereby amended to read as follows:

Assembly Bill No. 377.

Bill read second time.

The following amendment was proposed by the Committee on Revenue:

Amendment No. 264.

AN ACT relating to real property; requiring the Nevada Tax Commission to include in the form prescribed for the declaration of value of real property a section in which a property owner is authorized to claim certain partial abatements of property taxes; **prescribing the manner in which a property owner is required to claim such partial abatements;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes partial abatements of property taxes for real property that is: (1) a single-family residence which is the primary residence of the owner; or (2) a residential rental dwelling that qualifies based on the amount of rent collected from the tenants. (NRS 361.4723, 361.4724) Existing law requires a person who files with a county recorder a deed evidencing a transfer of title of real property or a land sale installment contract to also provide the county recorder with a declaration of value of the real property made on a form prescribed by the Nevada Tax Commission. The county recorder is prohibited from charging or collecting any fee for recording the form. (NRS 375.060) ~~[This]~~ **Section 3 of this** bill requires the Nevada Tax Commission to include a section in that form in which a property owner is authorized to claim a partial abatement of property taxes for a single-family residence which is the primary residence of the owner or for a qualified residential rental dwelling.

Existing regulations require an owner of a single-family residence which is the primary residence of the owner to claim the partial abatement of property taxes on the single-family residence by submitting a claim for the partial abatement to the county assessor. (NAC 361.606) Section 1 of this bill additionally authorizes such a partial abatement to be claimed on the form for a declaration of value prescribed by the Nevada Tax Commission and provided to the county recorder with a deed evidencing a transfer of title to the single-family residence.

Existing regulations require the owner of a residential rental dwelling that qualifies for a certain partial abatement of property taxes based on the amount of rent collected from the tenants of the property to claim the partial abatement by annually filing a claim with the county assessor of the county in which the property is located not later than June 15 of each year. Under existing regulations, the claim must be accompanied by an affidavit concerning the amount of rent charged to the tenants of the property. (NAC 361.607) Section 2 of this bill additionally authorizes a claim for this partial abatement of property taxes to be made on a declaration of value form prescribed by the Nevada Tax Commission and provided to the county recorder with a deed evidencing the transfer of title to the property.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. **NRS 361.4723 is hereby amended to read as follows:**

361.4723 The Legislature hereby finds and declares that an increase in the tax bill of the owner of a home by more than 3 percent over the tax bill of that homeowner for the previous year constitutes a severe economic hardship within the meaning of subsection 10 of Section 1 of Article 10 of the Nevada Constitution. The Legislature therefore directs a partial abatement of taxes for such homeowners as follows:

1. Except as otherwise provided in or required to carry out the provisions of subsection 2 and NRS 361.4725 to 361.4729, inclusive, the owner of a single-family residence which is the primary residence of the owner is entitled to a partial abatement of the ad valorem taxes levied in a county on that property each fiscal year equal to the amount by which the product of the combined rate of all ad valorem taxes levied in that county on the property for that fiscal year and the amount of the assessed valuation of the property which is taxable in that county for that fiscal year, excluding any increase in the assessed valuation of the property from the immediately preceding fiscal year as a result of any improvement to or change in the actual or authorized use of the property, exceeds the sum obtained by adding:

(a) The amount of all the ad valorem taxes:

(1) Levied in that county on the property for the immediately preceding fiscal year; or

(2) Which would have been levied in that county on the property for the immediately preceding fiscal year if not for any exemptions from taxation that applied to the property for that prior fiscal year but do not apply to the property for the current fiscal year,

➥ whichever is greater; and

(b) Three percent of the amount determined pursuant to paragraph (a).

2. The provisions of subsection 1 do not apply to any property for which:

(a) No assessed valuation was separately established for the immediately preceding fiscal year; or

(b) The provisions of subsection 1 of NRS 361.4722 provide a greater abatement from taxation.

3. Except as otherwise required to carry out the provisions of NRS 361.4732 and any regulations adopted pursuant to NRS 361.4733, the amount of any reduction in the ad valorem taxes levied in a county for a fiscal year as a result of the application of the provisions of subsection 1 must be deducted from the amount of ad valorem taxes each taxing entity would otherwise be entitled to receive for that fiscal year in the same proportion as the rate of ad valorem taxes levied in the county on the property by or on behalf of that taxing entity for that fiscal year bears to the combined rate of all ad valorem taxes levied in the county on the property by or on behalf of all taxing entities for that fiscal year.

4. The Nevada Tax Commission shall adopt such regulations as it deems appropriate to carry out this section, including, without limitation, regulations providing a methodology for applying the partial abatement provided pursuant to subsection 1 to a parcel of real property of which only a portion qualifies as a single-family residence which is the primary residence of the owner and the remainder is used in another manner.

5. The owner of a single-family residence does not become ineligible for the partial abatement provided pursuant to subsection 1 as a result of:

(a) The operation of a home business out of a portion of that single-family residence; or

(b) The manner in which title is held by the owner if the owner occupies the residence, including, without limitation, if the owner has placed the title in a trust for purposes of estate planning.

6. ***A claim for a partial abatement of property taxes pursuant to this section must be submitted:***

(a) On a form provided by the county assessor of the county in which the property is located in accordance with regulations adopted by the Nevada Tax Commission; or

(b) If a partial abatement of property taxes pursuant to this section is claimed on the form for a declaration of value prescribed by the Nevada Tax Commission pursuant to NRS 375.060, on the form prescribed by the Nevada Tax Commission pursuant to NRS 375.060.

7. For the purposes of this section:

(a) "Primary residence of the owner" means a residence which:

(1) Is designated by the owner as the primary residence of the owner in this State, exclusive of any other residence of the owner in this State; and

(2) Is not rented, leased or otherwise made available for exclusive occupancy by any person other than the owner of the residence and members of the family of the owner of the residence.

(b) "Single-family residence" means a parcel or other unit of real property or unit of personal property which is intended or designed to be occupied by one family with facilities for living, sleeping, cooking and eating.

(c) "Unit of personal property" includes, without limitation, any:

(1) Mobile or manufactured home, whether or not the owner thereof also owns the real property upon which it is located; or

(2) Taxable unit of a condominium, common-interest community, planned unit development or similar property,

➥ if classified as personal property for the purposes of this chapter.

(d) "Unit of real property" includes, without limitation, any taxable unit of a condominium, common-interest community, planned unit development or similar property, if classified as real property for the purposes of this chapter.

Sec. 2. **NRS 361.4724 is hereby amended to read as follows:**

361.4724 The Legislature hereby finds and declares that many Nevadans who cannot afford to own their own homes would be adversely affected by large unanticipated increases in property taxes, as those tax increases are passed down to renters in the form of rent increases and therefore the benefits of a charitable exemption pursuant to subsection 8 of Section 1 of Article 10 of the Nevada Constitution should be afforded to those Nevadans through an abatement granted to the owners of residential rental dwellings who charge rent that does not exceed affordable housing standards for low-income housing. The Legislature therefore directs a partial abatement of taxes for such owners as follows:

1. Except as otherwise provided in or required to carry out the provisions of subsection 2 and NRS 361.4725 to 361.4729, inclusive, if the amount of rent collected from each of the tenants of a residential dwelling does not exceed the fair market rent for the county in which the dwelling is located, as most recently published by the United States Department of Housing and Urban Development, the owner of the dwelling is entitled to a partial abatement of the ad valorem taxes levied in a county on that property for each fiscal year equal to the amount by which the product of the combined rate of all ad valorem taxes levied in that county on the property for that fiscal year and the amount of the assessed valuation of the property which is taxable in that county for that fiscal year, excluding any increase in the assessed valuation of the property from the immediately preceding fiscal year as a result of any improvement to or change in the actual or authorized use of the property, exceeds the sum obtained by adding:

(a) The amount of all the ad valorem taxes:

(1) Levied in that county on the property for the immediately preceding fiscal year; or

(2) Which would have been levied in that county on the property for the immediately preceding fiscal year if not for any exemptions from taxation that applied to the property for that prior fiscal year but do not apply to the property for the current fiscal year,

➥ whichever is greater; and

(b) Three percent of the amount determined pursuant to paragraph (a).

2. The provisions of subsection 1 do not apply to:

(a) Any hotels, motels or other forms of transient lodging;

(b) Any property for which no assessed valuation was separately established for the immediately preceding fiscal year; and

(c) Any property for which the provisions of subsection 1 of NRS 361.4722 provide a greater abatement from taxation.

3. Except as otherwise required to carry out the provisions of NRS 361.4732 and any regulations adopted pursuant to NRS 361.4733, the amount of any reduction in the ad valorem taxes levied in a county for a fiscal year as a result of the application of the provisions of subsection 1 must be deducted from the amount of ad valorem taxes each taxing entity would otherwise be entitled to receive for that fiscal year in the same proportion as the rate of ad valorem taxes levied in the county on the property by or on behalf of that taxing entity for that fiscal year bears to the combined rate of all ad valorem taxes levied in the county on the property by or on behalf of all taxing entities for that fiscal year.

4. ***A claim for a partial abatement of property taxes pursuant to this section must be submitted:***

(a) In the manner prescribed by regulations adopted by the Nevada Tax Commission; or

(b) If a partial abatement of property taxes pursuant to this section is claimed on the form for a declaration of value prescribed by the Nevada Tax Commission pursuant to NRS 375.060, on the form prescribed by the Nevada Tax Commission pursuant to NRS 375.060.

5. The Nevada Tax Commission shall adopt such regulations as it deems appropriate to carry out this section.

~~[Section 1.]~~ ***Sec. 3.*** NRS 375.060 is hereby amended to read as follows:

375.060 1. Each deed evidencing a transfer of title of real property or land sale installment contract that is presented for recordation to the county recorder must be accompanied by a declaration of value made on a form prescribed by the Nevada Tax Commission.

2. ***The Nevada Tax Commission shall include in the form prescribed pursuant to subsection 1 a section in which the property owner may claim a partial abatement from taxation provided pursuant to NRS 361.4723 or 361.4724.***

AN ACT relating to education; ~~[~~requiring the State Board of Education to approve at least two~~]~~ **revising provisions governing the** assessments which may be used to assess the literacy of pupils enrolled in an elementary school; **authorizing the Department of Education to prescribe requirements relating to the collection and reporting of the results of such assessments; authorizing the Department to prescribe the assessments used to assess literacy under certain circumstances;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the board of trustees of a school district or the governing body of a charter school to prepare a plan to improve the literacy of pupils enrolled in an elementary school. Such a plan must include procedures to assess the proficiency of a pupil in reading during each grade level of elementary school, as is determined to be necessary, by using assessments that have been approved by the State Board of Education by regulation. 388.157 1. The board of trustees of each school district and the governing body of each charter school shall prepare a plan to improve the literacy of pupils enrolled in an elementary school. Such a plan must include, without limitation:

(a) A program to provide intervention services and intensive instruction to pupils who have been identified as deficient in the subject area of reading to ensure that those pupils achieve adequate proficiency in the requisite reading skills and reading comprehension skills necessary to perform at a level determined by a statewide assessment to be within a level determined by the State Board for a pupil enrolled in the same grade in which the pupil is enrolled. Such a program must include, without limitation, regularly scheduled reading sessions in small groups and specific instruction designed to target any area of reading in which the pupil demonstrates a deficiency, including, without limitation, phonological and phonemic awareness, decoding skills, reading fluency and vocabulary and reading comprehension strategies;

Amendment No. 319.

SUMMARY— ~~[Authorizes]~~ **Creates a pilot program authorizing** the installation and use of automated traffic enforcement systems in temporary traffic control zones. (BDR 43-184)

AN ACT relating to public safety; **creating a pilot program** authorizing the Department of Transportation, a local authority and a regional transportation commission to allow the installation and use of an automated traffic enforcement system to enforce certain provisions of law; requiring a peace officer of a traffic enforcement agency having jurisdiction over the location of an automated traffic enforcement system to review certain evidence detected by the automated traffic enforcement system before a citation is issued; establishing requirements relating to the issuance of a civil infraction citation based on evidence detected by an automated traffic enforcement system; creating a rebuttable presumption that the registered owner of a vehicle is the driver of the vehicle at the time of a violation detected by an automated traffic enforcement system; **requiring the Department to annually compile and submit certain information to the Director of the Legislative Counsel Bureau;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law prohibits a governmental entity or any agent thereof from using photographic, video or digital equipment to gather evidence in order to issue a traffic citation or civil infraction citation, unless the equipment is: (1) a portable camera or event recording device worn or held by a peace officer; (2) installed within a vehicle or facility of a law enforcement agency; or (3) privately owned by a nongovernmental entity. (NRS 484A.600) **Sections** ~~[2 and 3]~~ **2.1-2.7** of this bill ~~[create]~~ **provide** an exception to this prohibition ~~[,]~~ **and create a pilot program** authorizing the Department of Transportation, a local authority and a regional transportation commission to allow for the installation and use of an automated traffic enforcement system to enforce ~~[provisions of law governing the]~~ **certain** speed limits in temporary traffic control zones under certain circumstances. **Section 2.2 sets forth the**

conditions for the installation and use of an automated traffic enforcement system and requires an entity which installs such a system to, among other things, carry out a public information campaign before commencing any enforcement.

Section ~~[2]~~ 2.3 requires a peace officer of a traffic enforcement agency with jurisdiction over the location of the automated traffic enforcement system to review the evidence of a violation detected by an automated traffic enforcement system before a **civil infraction** citation is issued. **Section ~~[2]~~ 2.3** also establishes requirements for the contents and delivery of a civil infraction citation issued based upon evidence collected by an automated traffic enforcement system. ~~[Section 2]~~ **Finally, section 2.3** creates a rebuttable presumption that the registered owner of a vehicle is the driver of the vehicle at the time of a violation detected by an automated traffic enforcement system and provides a method for rebutting this presumption. ~~[Finally, section 2]~~

Section 2.4 establishes requirements for the storage and transmission of any photograph, recorded image or data created by an automated traffic enforcement system. Section 2.4 also prohibits any entity who manufactures, maintains, produces or provides an automated traffic enforcement system or related services for sale or lease to this State or any political subdivision of this State from contracting to receive payment on the basis of the number of citations issued.

Section 2.6 provides that a violation detected by an automated traffic enforcement system is not a moving traffic violation but is punishable by a civil penalty ~~[,]~~ **not to exceed $200. Section 2.6 also requires that any funds collected from such civil infractions in excess of the cost and maintenance of the automated traffic enforcement systems be apportioned by the board of county highway commissioners for certain expenses.**

Section 2.7 requires the Department, a local authority and a regional transportation commission who authorize the installation and use of an automated traffic enforcement system to annually compile certain information and report it to the Director of the Legislative Counsel Bureau for transmittal to the Joint Interim Standing Committee on Growth and Infrastructure.

Sections 1, 4 and 5 of this bill make conforming changes to: (1) exclude traffic violations detected by an automated traffic enforcement system from the assessment of demerit points; and (2) provide for the issuance of civil infraction citations for violations detected by an automated traffic enforcement system. **Section 5 of this bill also extends the time to respond to such a citation to 120 days.**

Existing law provides that before a hearing to contest the determination that a person has committed a civil infraction, the person is required to post a bond equal to the amount of the full payment of the monetary penalty, the administrative assessment and any fees specified in the civil infraction citation. (NRS 484A.7041) Section 6 of this bill limits the amount of a bond for a civil infraction citation issued for a violation

described in section 2.2 to an amount not to exceed $100. Section 8 of this bill provides that the pilot program expires by limitation on June 30, 2029.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 483.473 is hereby amended to read as follows:

483.473 1. As used in this section, "traffic violation" means conviction of a moving traffic violation in any municipal court, justice court or district court in this State or a finding by any municipal court or justice court in this State that a person has committed a civil infraction pursuant to NRS 484A.703 to 484A.705, inclusive. The term includes a finding by a juvenile court that a child has violated a traffic law or ordinance other than one governing standing or parking. The term does not include ~~[a]~~ ***:***

(a) A conviction or a finding by a juvenile court of a violation of the speed limit posted by a public authority under the circumstances described in subsection 1 of NRS 484B.617 ~~[.]~~ ***; or***

(b) A civil infraction citation issued pursuant to NRS 484A.7035 for a violation ~~[detected by an automated traffic enforcement system, pursuant to]~~ described in section ~~[2]~~ 2.2 of this act.

2. The Department shall establish a uniform system of demerit points for various traffic violations occurring within this State affecting the driving privilege of any person who holds a driver's license issued by the Department and persons deemed to have future driving privileges pursuant to NRS 483.447. The system must be based on the accumulation of demerits during a period of 12 months.

3. The system must be uniform in its operation, and the Department shall set up a schedule of demerits for each traffic violation, depending upon the gravity of the violation, on a scale of one demerit point for a minor violation of any traffic law to eight demerit points for an extremely serious violation of the law governing traffic violations. If a conviction of two or more traffic violations committed on a single occasion is obtained, points must be assessed for one offense or civil infraction, and if the point values differ, points must be assessed for the offense or civil infraction having the greater point value. Details of the violation must be submitted to the Department by the court where the conviction or finding is obtained. The Department may provide for a graduated system of demerits within each category of violations according to the extent to which the traffic law was violated.

Sec. 2. Chapter 484A of NRS is hereby amended by adding thereto ~~[a new section to read as follows:]~~ **the provisions set forth as sections 2.1 to 2.7, inclusive, of this act.**

Sec. 2.1. As used in sections 2.1 to 2.7, inclusive, of this act, unless the context otherwise requires, "automated traffic enforcement system" means a manned or unmanned stationary electronic or digital system which creates a photograph or other recorded image of a vehicle and vehicle license plate which is used as evidence of a violation of a traffic law by the driver of the

vehicle. Such a photograph or other recorded image must not reveal the face of the driver or any other passenger in the vehicle.

Sec. 2.2. 1. The Department of Transportation, a local authority and a regional transportation commission as defined in NRS 482.1825 may , except as otherwise provided in subsection 3, authorize the installation and use of an automated traffic enforcement system to enforce any rate of speed which is 10 miles per hour or more over the posted speed limit:

(a) In an area designated as a temporary traffic control zone in which construction, maintenance or repair of a highway is conducted; and

(b) At a time when the workers who are performing the construction, maintenance or repair of the highway are present.

2. An automated traffic enforcement system must be accompanied by warning signs installed at the entry point of the temporary traffic control zone. The Department shall adopt regulations setting forth standards for such warning signs, including, without limitation:

(a) A statement that an automated traffic enforcement system is in use;

(b) A statement of the speed limit; and

(c) A display which alerts drivers of their current speed.

3. Before commencing any enforcement, including the issuance of a civil infraction citation pursuant to NRS 484A.7035 for a violation described in this section, the Department, a local authority or a regional transportation commission as defined in NRS 482.1825 that installs an automated traffic enforcement system shall establish and carry out a public information campaign to:

(a) Raise public awareness of the proposed use of an automated traffic enforcement system not less than 30 days before commencing any enforcement; and

(b) Inform the public of the date upon which enforcement will begin.

Sec. 2.3. 1. Before a civil infraction citation is issued pursuant to NRS 484A.7035 for a violation described in ~~[subsection 1,]~~ section 2.2 of this act, the evidence of the violation from the automated traffic enforcement system must be reviewed for accuracy by a peace officer of a traffic enforcement agency with jurisdiction over the location of the automated traffic enforcement system.

~~[3. 4]~~

2. If after reviewing the evidence described in subsection 1, the peace officer determines that a violation described in section 2.2 of this act occurred, the peace officer shall cause a civil infraction citation to be issued pursuant to NRS 484A.7035 . ~~[for a violation described in subsection 1]~~ The citation must be sent by the traffic enforcement agency described in subsection 1 or its designee by first class mail to the address listed with the Department of ~~[Transportation]~~ Motor Vehicles for the registered owner of the vehicle identified by the automated traffic enforcement system.

3. A manual or automated record prepared by a traffic enforcement agency described in subsection 1 or its designee in the ordinary course of

business shall be prima facie evidence of mailing and service, and is admissible in any hearing as to the facts contained in the civil infraction citation.

4. In addition to the information required pursuant to subsection 1 of NRS 484A.7035, a civil infraction citation issued pursuant to NRS 484A.7035 for a violation described in ~~[subsection 1]~~ section 2.2 of this act must include:

(b) An image taken by the automated traffic enforcement system showing the vehicle and vehicle license plate involved in the violation or the address of the Internet website on which such an image may be viewed; and

5. The registered owner of a vehicle is presumed to be the driver of the vehicle at the time of a violation described in ~~[subsection 1]~~ section 2.2 of this act was detected by an automated traffic enforcement system. Such an inference may be rebutted if the registered owner of the vehicle presents as evidence at a hearing held pursuant to subsection 3 of NRS 484A.704, an affidavit stating:

(a) The name and address of the person having care, custody and control of the vehicle at the time of the violation; or

(b) That the vehicle was, at the time of the violation, stolen. Such an affidavit must be accompanied by evidence that supports the affidavit, including, without limitation, a police report or an insurance report.

Sec. 2.4. 1. Any photograph, recorded image or data created by an automated traffic enforcement system:

(b) May not be sold, transferred or otherwise transmitted by any other entity or organization except pursuant to a court order.

2. Any entity that manufactures, maintains, produces or provides an automated traffic enforcement system or related services for sale or lease to this State or any political subdivision of this State shall not contract to receive payment on the basis of the number of civil infraction citations issued pursuant to NRS 484A.7035 for a violation described in section 2.2 of this act.

Sec. 2.5. ~~[6.]~~ The provisions of ~~[this section]~~ sections 2.1 to 2.7, inclusive, of this act do not prohibit a peace officer from issuing a citation for a violation of any law of this State at the place where an automated traffic enforcement system is installed and in use if the peace officer witnesses a violation. A person who is issued a citation by a peace officer pursuant to this subsection must not be issued a civil infraction citation based on evidence from the automated traffic enforcement system for the same violation for which the peace officer issued the person the citation.

Sec. 2.6. ~~***[7.]***~~ ***1. A violation described in*** ~~***[subsection 1]***~~ ***section 2.2 of this act for which a civil infraction citation is issued pursuant to NRS 484A.7035:***

~~8. As used in this section, "automated traffic enforcement system" means a stationary electronic or digital system which creates a photograph or other recorded image of a vehicle and vehicle license plate which is used as evidence of a violation of a traffic law by the driver of the vehicle. Such a photograph or other recorded image must not reveal the face of the driver or any other passenger in the vehicle.~~***]***, ***not to exceed $200.***

2. Any money collected as a civil penalty pursuant to subsection 1 must be accounted for separately in the county or city treasury or State General Fund, as applicable, must be credited to the traffic enforcement agency with jurisdiction over the location of the automated traffic enforcement system and must be used to defray the cost of installing and operating the automated traffic enforcement system, including, without limitation, the costs of administering the provisions of sections 2.1 to 2.7 of this act. Any remaining funds may be apportioned by the board of county highway commissioners to the road funds of the county, as applicable, to be expended as described in NRS 403.470.

Sec. 2.7. 1. Each local authority and regional transportation commission as defined in NRS 482.1825 that authorizes the installation and use of an automated traffic enforcement system pursuant to sections 2.1 to 2.7, inclusive, of this act, shall prepare and file a report annually with the Department of Transportation that includes, without limitation, the following information relating to the immediately preceding year:

2. If a person receiving a civil infraction citation does not contest the determination that the person has committed the civil infraction set forth in the citation, the person must respond to the citation by indicating that the person does not contest the determination and submitting full payment of the monetary penalty, the administrative assessment and any fees to the court

specified in the citation, or its traffic violations bureau, in person, by mail or through the Internet or other electronic means.

3. If a person receiving a civil infraction citation wishes to contest the determination that the person has committed the civil infraction set forth in the citation, the person must respond by requesting in person, by mail or through the Internet or other electronic means a hearing for that purpose. The court shall notify the person in writing of the time, place and date of the hearing, but the date of the hearing must not be earlier than 9 calendar days after the court provides notice of the hearing.

4. Except as otherwise provided in this subsection, not less than 30 days before the deadline for a person to respond to a civil infraction citation, the court must send to the address or electronic mail address of the person, as indicated on the civil infraction citation issued to the person, a reminder that the person must respond to the civil infraction citation within 90 ***or 120*** calendar days ***, as applicable under subsection 1,*** after the date on which the civil infraction citation is issued. If the person agreed to receive communications relating to the civil infraction by text message, the court may send such a notice to the telephone number of the person as indicated on the civil infraction citation. If the person does not respond to the civil infraction citation in the manner specified by subsection 2 or 3 within 90 ***or 120*** calendar days ***, as applicable under subsection 1,*** after the date on which the civil infraction citation is issued, the court must enter an order pursuant to NRS 484A.7043 finding that the person committed the civil infraction and assessing the monetary penalty and administrative assessments prescribed for the civil infraction. A person who has been issued a civil infraction citation and who fails to respond to the civil infraction citation as required by this section may not appeal an order entered pursuant to this section.

5. If any person issued a civil infraction citation fails to appear at a hearing requested pursuant to subsection 3, the court must enter an order pursuant to NRS 484A.7043 finding that the person committed the civil infraction and assessing the monetary penalty and administrative assessments prescribed for the civil infraction. A person who has been issued a civil infraction citation and who fails to appear at a hearing requested pursuant to subsection 3 may not appeal an order entered pursuant to this subsection.

6. In addition to any other penalty imposed, any person who is found by the court to have committed a civil infraction pursuant to subsection 5 shall pay the witness fees, per diem allowances, travel expenses and other reimbursement in accordance with NRS 50.225.

7. If a court has established a system pursuant to NRS 484A.615, any person issued a civil infraction citation may, if authorized by the court, use the system to perform any applicable actions pursuant to this section.

Sec. 6. **NRS 484A.7041 is hereby amended to read as follows:**

484A.7041 1. If, pursuant to subsection 3 of NRS 484A.704, a person receiving a civil infraction citation requests a hearing to contest the

determination that the person has committed the civil infraction set forth in the citation, the hearing must be conducted in accordance with this section.

2. Any bond posted or cash deposited with the court pursuant to this subsection must be forfeited upon the court's finding that the person committed the civil infraction. Any person whom the court determines is unable to pay the costs of defending the action or is a client of a program for legal aid in accordance with NRS 12.015 must not be required to post a bond or deposit cash with the court in accordance with this subsection.

3. The person who requested the hearing may, at his or her expense, be represented by counsel, and a city attorney or district attorney, in his or her discretion and as applicable, may represent the plaintiff.

4. A hearing conducted pursuant to this section must be conducted by the court without a jury. In lieu of the personal appearance at the hearing by the peace officer who issued the civil infraction citation, the court may consider the information contained in the civil infraction citation and any other written statement submitted under oath by the peace officer. If the court has established a system pursuant to NRS 484A.615, the peace officer may, if authorized by the court, use the system to submit such a statement. The person named in the civil infraction citation may subpoena witnesses, including, without limitation, the peace officer who issued the citation, and has the right to present evidence and examine witnesses present in court.

5. After consideration of the evidence and argument, the court shall determine whether a civil infraction was committed by the person named in the civil infraction citation. The court must find by a preponderance of the evidence that the person named in the civil infraction citation committed a civil infraction. If it has not been established by a preponderance of the evidence that the infraction was committed by the person named in the citation, the court must enter an order dismissing the civil infraction citation in the court's records. If it has been established by a preponderance of the evidence that the infraction was committed, the court must enter in the court's records an order pursuant to NRS 484A.7043.

6. An appeal from the court's determination or order may be taken in the same manner as any other civil appeal from a municipal court or justice court, as applicable, except that:

(a) The notice of appeal must be filed not later than 7 calendar days after the court enters in the court's records an order pursuant to NRS 484A.7043;

(b) If the appellant is the person charged with the civil infraction, any bond required to be given by the appellant in order to secure a stay of execution of the order of the court during the pendency of the appeal must equal the amount of the monetary penalty and administrative assessments which the court has ordered the appellant to pay pursuant to NRS 484A.7043. Any bond must be forfeited if the order of the court is affirmed on appeal; and

(c) If a prosecuting attorney does not represent the plaintiff during the proceedings in the justice court or municipal court, the appellate court shall review the record and any arguments presented by the person charged with the civil infraction and render a decision.

Sec. 7. **The provisions of subsection 1 of NRS 218D.380 do not apply to any provision of this act which adds or revises a requirement to submit a report to the Legislature.**

Assembly Bill No. 403.

Bill read second time.

The following amendment was proposed by the Committee on Revenue:

Amendment No. 368.

AN ACT relating to taxes on retail sales; providing for the submission to the voters of the question of whether the Sales and Use Tax Act of 1955 should be amended to exempt from the taxes the amount of any allowance against the selling price given by a retailer for the value of a used portable electronic taken in trade on the purchase of another portable electronic under certain circumstances; providing for the same exemption from certain analogous taxes if the voters approve this amendment to the Sales and Use Tax Act of 1955; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The nonadministrative provisions of the Sales and Use Tax Act of 1955 (part of chapter 372 of NRS) were approved by the voters by a referendum and therefore may not be amended, annulled, repealed, set aside, suspended or in any way made inoperative except by the direct vote of the people. (Nev. Const. Art. 19, § 1)

Sections 2-9 of this bill require the submission of a question to the voters at the 2026 General Election of whether the Sales and Use Tax Act of 1955 should be amended to provide an exemption for the amount of any allowance against the selling price given by a retailer for the value of a used portable electronic taken in trade on the purchase of another portable electronic, if the amount of the allowance is **known and provided in full to the customer at the time of purchase and** stated on the sales receipt and the trade-in and purchase occur as part of a single, contemporaneous transaction. **Sections 10-13** of this bill

amend the Local School Support Tax Law (chapter 374 of NRS) to provide an identical exemption. These tax exemptions become effective on January 1, 2027, and expire by limitation on December 31, 2050, only if the voters approve the amendment to the Sales and Use Tax Act of 1955 at the General Election in 2026.

Any amendment to the Local School Support Tax Law also applies to other sales and use taxes imposed under existing law. (NRS 354.705, 374A.020, 376A.060, 377.040, 377A.030, 377B.110, 543.600 and various special and local acts) Therefore, if the voters approve the exemption proposed by this bill, from January 1, 2027, through December 31, 2050, the exemption will apply to all sales and use taxes currently contemplated under existing law.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. The Legislature hereby finds that each exemption provided by this act from any excise tax on the sale, storage, use or consumption of tangible personal property sold at retail:

1. Will achieve a bona fide social or economic purpose and that the benefits of the exemption are expected to exceed any adverse effect of the exemption on the provision of services to the public by the State or a local government that would otherwise receive revenue from the tax from which the exemption would be granted; and

2. Will not impair adversely the ability of the State or a local government to pay, when due, all interest and principal on any outstanding bonds or any other obligations for which revenue from the tax from which the exemption would be granted was pledged.

Sec. 2. At the General Election on November 3, 2026, a proposal must be submitted to the registered voters of this State to amend the Sales and Use Tax Act, which was enacted by the 47th Session of the Legislature of the State of Nevada and approved by the Governor in 1955, and subsequently approved by the people of this State at the General Election held on November 6, 1956.

Sec. 3. At the time and in the manner provided by law, the Secretary of State shall transmit the proposed act to the several county clerks, and the county clerks shall cause it to be published and posted as provided by law.

Sec. 4. The proclamation and notice to the voters given by the county clerks pursuant to law must be in substantially the following form:

Amendment No. 389.

~~[CONTAINS UNFUNDED MANDATE (§ 1)~~
~~(NOT REQUESTED BY AFFECTED LOCAL GOVERNMENT)]~~

AN ACT relating to health; ~~[requiring a public school to provide certain information relating to mental health to pupils;]~~ prohibiting certain uses of artificial intelligence in public schools; ~~[requiring that a pupil be allowed credit or promotion to the next higher grade despite absences from school in certain circumstances; deeming certain absences from school to be approved absences;]~~ imposing certain restrictions relating to the marketing and programming of artificial intelligence systems; prohibiting certain persons from representing themselves as qualified to provide mental or behavioral health care; imposing certain restrictions relating to the use of artificial intelligence by providers of mental or behavioral health care; providing civil penalties; and providing other matters properly relating thereto.

(NRS 391.293, 391.294, 391.296) **Section 2** of this bill prohibits a public school from using artificial intelligence to perform the functions and duties of a school counselor, school psychologist or school social worker which relate to the mental health of pupils.

(NRS 392.122) Existing law excuses a child from those attendance requirements when satisfactory written evidence, including a certificate from certain providers of health care, is presented to the board of trustees of the school district in which the child resides that the child's physical or mental condition or behavioral health is such as to prevent or render inadvisable the child's attendance at school or his or her application to study. (NRS 392.050) Section 3 of this bill additionally excuses a child from attendance for the dates immediately preceding and immediately following any date or dates to which a certificate from a provider of health care applies.~~

~~Existing law deems as a truant a pupil who is absent from school without the approval of a teacher or principal of the school, unless the pupil is absent: (1) because the pupil is physically or mentally unable to attend school; or (2) for the observance of a religious holiday. (NRS 391.130) A day on which a pupil is absent for those reasons must be: (1) deemed as approved, with certain~~

~~exceptions; and (2) credited towards the minimum number of days that a pupil must be in attendance to obtain credit or be promoted to the next higher grade, if the pupil has completed course-work requirements. (NRS 392.122, 392.130) Section 6 of this bill provides that a pupil is not a truant if the pupil is absent from school: (1) for the bereavement of the death of an immediate family member; (2) because the pupil is experiencing distress relating to bullying; or (3) for certain other mental or behavioral health reasons. Section 6 requires the parent or legal guardian or other person having control or charge of a pupil who is absent from school for those reasons to notify the teacher or principal of the school within 3 days after the absence. Section 6 then deems those absences as approved, except that only a certain amount of absences for each reason may be approved within 1 school year. Section 5 of this bill requires those days on which the pupil was absent under those circumstances to be credited towards the minimum number of days that the pupil must be in attendance to obtain credit or be promoted to the next higher grade, if the pupil has completed course-work requirements. Section 4 of this bill provides that an absence that is approved under those circumstances is not considered an absence that a school is required to indicate on a report card issued to a pupil. Section 5 prohibits the denial of credit to a pupil or the promotion of a pupil to the next higher grade because the pupil did not attend school for the minimum number of days required if: (1) the pupil has earned at least a weighted 3.0 grade point average, on a 4.0 grading scale, for the school year; and (2) the absences, without which would otherwise allow the pupil to receive credit or be promoted to the next grade, were caused by or relate to bullying or physical, mental or behavioral health.]~~

Existing law: (1) regulates the practice and requires the licensure of certain mental health professionals, including psychiatrists, psychologists, marriage and family therapists, clinical professional counselors, registered nurses, social workers, alcohol and drug counselors and problem gambling counselors; and (2) prohibits unlicensed persons from engaging in the practices of those professions. (Chapters 630, 632, 633 and 641-641C of NRS) **Section 7** of this bill prohibits, with certain exceptions, an artificial intelligence provider from offering to users in this State an artificial intelligence system that is specifically programmed to provide a user with a service or an experience that would constitute the practice of professional mental or behavioral health care if provided by a natural person. **Section 7** also prohibits, with certain exceptions, an artificial intelligence provider or a natural person who is not licensed to practice professional mental or behavioral health care from making certain representations that would lead a person to believe that the provider, the artificial intelligence system operated by the provider or the natural person is capable of or qualified to provide mental or behavioral health care. **Section 8** of this bill imposes certain restrictions and prohibitions on the use of an artificial intelligence system by a licensed provider of mental and behavioral health care.

The following amendment was proposed by the Committee on Growth and Infrastructure:

Amendment No. 93.

ASSEMBLYMEMBERS CARTER **,** [~~AND~~] GOULDING **; AND DICKMAN**

AN ACT relating to motor vehicles; revising provisions governing the disposition of certain vehicles abandoned on public or private property; revising [~~the value of a vehicle for which a~~] **provisions governing the issuance of** junk [~~certificate may be issued~~] **certificates** by the Department of Motor Vehicles; **revising provisions governing lists of operators of tow cars used by law enforcement agencies;** prohibiting the operator of a tow car from falsely reporting the location of the operator or tow car to a law enforcement agency for certain purposes; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law: (1) authorizes certain persons and law enforcement agencies to request the removal of a vehicle that has been abandoned on public or private property; and (2) requires the person who requests such a removal to inquire into whether the vehicle was stolen and the identity of the vehicle's owner. (NRS 487.230, 487.235) Existing law requires a person who removed an abandoned vehicle to notify the registered owner and any person having a security interest in the vehicle by registered or certified mail that the vehicle has been removed and will be junked, dismantled or otherwise disposed of

unless the owner or the person having the security interest responds and pays the costs of removal. (NRS 487.250) Existing law additionally requires a tow operator to notify the registered and legal owner of a vehicle if the vehicle was towed and placed in storage at the request of someone other than the owner or the owner's authorized agent. (NRS 706.4479)

Existing law authorizes the Department of Motor Vehicles to issue a junk certificate to a tow operator or automobile wrecker for a vehicle that: (1) has been discarded or abandoned; (2) has been ruined, wrecked, dismantled or rendered inoperative; (3) is unfit for further use in accordance with the vehicle's original purpose; (4) is unregistered or is not reclaimed by the registered owner or person having a security interest in the vehicle within a certain period of time; and (5) has value principally as scrap which does not exceed $200. (NRS 487.260) **Section 4** of this bill increases the value of a vehicle for which a junk certificate may be issued to include a vehicle which has value principally as scrap which does not exceed $500. **Section 4 authorizes the Department to issue a junk certificate for a vehicle that is appraised as a junk vehicle by an automobile wrecker or tow operator in accordance with regulations prescribed by the Department.** **Sections 1 and 2** of this bill authorize certain persons, with respect to an abandoned, unregistered vehicle which appears likely to be appraised as a junk vehicle and for which the identity of the owner is not known or readily ascertainable, to affix to the vehicle a notice that if the abandoned vehicle is not removed from the public or private property within ~~[5]~~ **7** days, the vehicle is subject to being junked, dismantled or otherwise disposed of. **Sections 1 and 2 require the notice to include certain information, including that the owner of the vehicle may request an expedited hearing in the local justice court to contest the classification of the vehicle as an abandoned junk vehicle.** If ~~[this]~~ **the** notice is affixed to ~~[an]~~ **certain** unregistered ~~[vehicle]~~ **vehicles** which ~~[is]~~ **are** appraised as ~~[a]~~ junk ~~[vehicle,]~~ **vehicles, sections 1-5** of this bill excuse the person or law enforcement agency that authorized the removal of the vehicle and the tow operator who removed the vehicle from other provisions requiring such persons to make inquiries into the identity of the owner of the vehicle and provide the owner with certain notice regarding the removal of the vehicle. **Section 4** requires the person or law enforcement agency that authorized the removal of the vehicle to provide the contact information of the automobile wrecker or tow operator who removed the vehicle if contacted by the vehicle's owner. ~~[Section 4 authorizes an automobile wrecker or tow operator who receives a junk certificate for an abandoned vehicle to which such a notice has been affixed to dispose of the vehicle not earlier than 48 hours after the vehicle arrives and is registered at the place of storage.]~~

Existing law prohibits a law enforcement agency that maintains and uses a list of tow cars which are called by that agency to provide towing from including an operator of a tow car on that list unless the operator meets certain requirements. **Existing law prohibits the Nevada Highway Patrol from removing an operator of a tow car from the list used by the Nevada**

Highway Patrol solely on the ground that the operator is insured under the same policy of insurance as one other operator of a tow car who is included on the list and operates in the same geographical area. (NRS 706.4485)

Section 6 of this bill **: (1) expands the applicability of this prohibition to all law enforcement agencies; and (2)** prohibits an operator of a tow car from using any software, device or other means to falsely report the location of the operator or tow car to a law enforcement agency **or any agent of a law enforcement agency** for the purpose of securing a request from the law enforcement agency to provide towing services. **Section 6 requires a law enforcement agency to remove an operator of a tow car from the list used by the law enforcement agency for 1 year if the operator violates that prohibition.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 487.230 is hereby amended to read as follows:

At the request of the owner or person in possession or control of private property who has reason to believe that a vehicle has been abandoned on his or her property, the vehicle may be removed by the operator of a tow car or an automobile wrecker from that private property.

2. ~~[A]~~ ***Except as otherwise provided in NRS 487.260, a*** person who authorizes the removal of an abandoned vehicle pursuant to subsection 1 shall:

(a) Have the vehicle taken to the nearest garage or other place designated for storage by:

(1) The state agency or political subdivision making the request if the vehicle is removed from public property.

(2) The owner or person in possession or control of the property if the vehicle is removed from private property.

(b) Make all practical inquiries to ascertain if the vehicle is stolen by checking the license plate number, vehicle identification number and other available information which will aid in identifying the registered and legal

owner of the vehicle and supply the information to the person who is storing the vehicle.

3. If:

(a) The vehicle appears likely to be appraised as a junk vehicle;

(b) The vehicle is not registered with the Department ~~[or]~~ and it is not readily ascertainable whether the vehicle is registered in any other state; and

(c) The identity of the owner of the vehicle is not known or readily ascertainable,

➥ an operator of a tow car, an automobile wrecker or, in the case of a vehicle abandoned on public property, a state agency or political subdivision, may, before the removal of a vehicle pursuant to this section, affix a notice to the vehicle stating that the vehicle, if not removed from the property within ~~[5]~~ 7 days, is subject to being junked, dismantled or otherwise disposed of without further notice. The notice must state the date and time that the notice was affixed to the vehicle ~~.~~ and that the owner of the vehicle may, at any time before the vehicle is removed from the property, request an expedited hearing in the justice court of the township where the property on which the vehicle was purportedly abandoned is located to contest the classification of the vehicle as an abandoned junk vehicle.

4. As used in this section, "junk vehicle" has the meaning ascribed to it in NRS 487.260.

Sec. 2. NRS 487.235 is hereby amended to read as follows:

487.235 1. ~~[If]~~ ***Except as otherwise provided in NRS 487.260, if*** a sheriff's office or other law enforcement agency discovers that, or receives notification that, a vehicle has been abandoned on public lands, the sheriff's office or other law enforcement agency shall:

(a) Make all practical inquiries to ascertain if the vehicle is stolen by checking the license plate number, vehicle identification number and other available information which will aid in identifying the owner of the vehicle; and

(b) If the vehicle has not been reported as stolen and the sheriff's office or other law enforcement agency is able to determine the identity of the owner of the vehicle, notify the Department of those facts.

2. Upon the receipt of a notice from a sheriff's office or other law enforcement agency pursuant to paragraph (b) of subsection 1 and if the registration of the vehicle has not expired, the Department shall send by registered or certified mail, return receipt requested, a written notice to the owner of the vehicle stating that the owner must remove or cause the vehicle to be removed from the public lands within 30 days after the date on which the notice was sent.

3. If an owner receives a notice pursuant to subsection 2, the owner may submit to the Department an affidavit which states that the owner has taken action which meets the requirements of paragraph (a) or (b) of subsection 2 of NRS 487.220. If the owner submits such an affidavit, the Department:

(a) Shall maintain a record of the affidavit; and

(b) Shall not suspend the registration of each vehicle currently registered to that owner as otherwise required by subsection 4.

4. If an owner:

(a) Receives a notice pursuant to subsection 2;

(b) Fails to remove or cause the vehicle to be removed within the 30-day period set forth in that notice; and

(c) Does not submit an affidavit as described in subsection 3,

➥ the Department shall suspend the registration of each vehicle currently registered to the owner pursuant to chapter 482 of NRS. For the purposes of this subsection, the determination of the sheriff's office or other law enforcement agency that notified the Department pursuant to paragraph (b) of subsection 1 is conclusive as to whether the abandoned vehicle was removed within the 30-day period.

5. If the registration of a vehicle is suspended pursuant to subsection 4, the Department shall reinstate the registration upon receipt from the registered owner of the vehicle of:

(a) An affidavit setting forth that the registered owner caused the removal and disposition of, or proof that the registered owner paid the cost of removal and disposition of, the vehicle discovered abandoned upon public lands; and

(b) If applicable, proof that the registered owner redeemed any lien placed pursuant to NRS 487.270 on the vehicle discovered abandoned on public lands.

6. ***If a vehicle has been abandoned on public lands and:***

(b) The vehicle is not registered with the Department ~~[or]~~ and it is not readily ascertainable whether the vehicle is registered in any other state; and

(c) The identity of the owner of the vehicle is not known or readily ascertainable,

➥ the sheriff's office or other law enforcement agency, an operator of a tow car or an automobile wrecker may, before the removal of the vehicle, affix a notice to the vehicle stating that the vehicle, if not removed from the property within ~~[5]~~ 7 days, is subject to being junked, dismantled or otherwise disposed of without further notice. The notice must state the date and time that the notice was affixed to the vehicle ~~.~~ and state that the owner of the vehicle may, at any time before the vehicle is removed from the property, request an expedited hearing in the justice court of the township where the property on which the vehicle was purportedly abandoned is located to contest the classification of the vehicle as an abandoned junk vehicle.

7. If a sheriff's office or other law enforcement agency is notified by a person or another governmental entity that a vehicle has been abandoned on public lands, the sheriff's office or other law enforcement agency shall, insofar as practicable and authorized by law, inform the person or entity making such notification of the actions taken by the sheriff's office or other law enforcement agency pursuant to this section.

(a) A description of the vehicle.

(b) The appraised value of the vehicle.

(c) A statement as to whether the vehicle will be junked, dismantled or otherwise disposed of.

2. ~~[The]~~ ***Except as otherwise provided in NRS 487.260, the*** person who removed the vehicle must notify the registered owner and any person having a security interest in the vehicle by registered or certified mail that the vehicle has been removed and will be junked or dismantled or otherwise disposed of unless the registered owner or the person having a security interest in the vehicle responds and pays the costs of removal.

3. Failure to reclaim within 15 days after notification a vehicle appraised at $500 or less constitutes a waiver of interest in the vehicle by any person having an interest in the vehicle.

4. If all recorded interests in a vehicle appraised at $500 or less are waived, either as provided in subsection 3 or by written disclaimer by any person having an interest in the vehicle, the state agency, except as otherwise provided in subsection 3 of NRS 487.100, shall issue a salvage title pursuant to NRS 487.810 to the automobile wrecker who towed the vehicle or to whom the vehicle may have been delivered, or a certificate of title to the garage owner if the garage owner elects to retain the vehicle and the vehicle is equipped as required by chapter 484D of NRS.

Legislative Counsel's Digest:

Existing law makes it unlawful to drive a vehicle in an unauthorized speed contest or in an unauthorized trick driving display on a highway or premises to which the public has access. (NRS 484B.653) **Section 3** of this bill provides that if a peace officer, while investigating an act that may constitute driving in an unauthorized speed contest or in an unauthorized trick driving display, has reasonable cause to believe that the vehicle used or suspected of being used in the unauthorized speed contest or unauthorized trick driving display fails to comply with certain requirements related to vehicle equipment or is unsafe under certain circumstances, the peace officer must inspect the vehicle to determine whether those conditions exist. **Section 3** authorizes the peace officer to issue a citation to the registered owner of the vehicle if the peace officer determines from the inspection that the conditions exist.

Existing law provides that a court may, in addition to certain other penalties, order the impoundment of a vehicle used in the commission of certain offenses related to unauthorized speed contests or unauthorized trick driving displays. (NRS 484B.653) **If a court issues an order for impoundment, section 5 of this bill also requires the court to issue an order requiring the Department of Motor Vehicles to rescind and cancel the registration of the vehicle unless the registered owner completes an inspection of the vehicle in the manner prescribed by section 1 of this bill. ~~[Section 4 of this bill requires the Department, upon receipt of the copy of the order for impoundment, to cause a peace officer or inspector of the Department to travel to the place of impoundment to view the vehicle. Section 4 provides that if a peace officer or an inspector of the Department has reasonable cause to believe that the impounded vehicle fails to comply with certain requirements related to vehicle equipment or is unsafe under certain circumstances, the peace officer or inspector of the Department must inspect the impounded vehicle to determine whether those conditions exist. Section 4 authorizes the peace officer or inspector of the Department to issue a citation or notice of violation to the registered owner of the vehicle if the peace officer or inspector of the Department determines from the inspection that the conditions exist.]~~

Existing law requires the Department to rescind and cancel the registration of a vehicle if the registered owner of the vehicle is issued a citation or notice of violation for failure to comply with certain requirements concerning emissions and the owner does not provide proof to the Department that the condition has been corrected within 30 days after the issuance of the citation or notice of violation. (NRS 482.460) **Section 1** ~~[of this bill]~~ additionally requires the Department to rescind and cancel the registration of a vehicle if the registered owner of the vehicle **: (1)** is issued a citation or notice of a violation pursuant to **section 3** ~~[or 4]~~ and the owner does not provide proof to the Department that the condition has been corrected within 30 days after the issuance of the citation or notice of violation ~~[.]~~ **; or (2) is the subject of an order of impoundment and order for rescission and cancellation of registration pursuant to section 5 and the owner does not prove through an inspection of the vehicle that the vehicle complies with certain requirements related to vehicle equipment or is otherwise not in an unsafe condition within 30 days of the last date of impound.**

Finally, section 1 authorizes the Department to extend the time by which the registered owner must provide the specified proof to the Department before the rescission and cancellation of the registration.

Assembly Bill No. 449.

Bill read second time.

The following amendment was proposed by the Committee on Growth and Infrastructure:

Amendment No. 209.

AN ACT relating to public utilities; revising provisions governing certain procedures or methodologies for changing rates or ~~[charges]~~ **fees** for certain public utilities; revising provisions authorizing certain public utilities to submit letters of advice for certain proposed changes in schedules of rates or services in lieu of filing an application with the Public Utilities Commission of Nevada; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Public Utilities Commission of Nevada to adopt regulations which provide simplified procedures or methodologies for a change of rates for those public utilities which furnish water or services for the disposal of sewage, or both, and which: (1) serve 3,000 or fewer persons; and (2) had during the immediately preceding 12-month period gross sales for water or services for the disposal of sewage amounting to $2,000,000 or less. Existing law also requires the regulations adopted by the Commission to authorize public utilities that satisfy those requirements to file letters of advice to change rates based on a nationally recognized inflation index approved by the Commission. (NRS 704.095) **Section 1** of this bill instead requires the regulations adopted by the Commission to provide for simplified procedures or methodologies for a change of any rates or ~~[charges, including, without limitation, rates for furnishing water or services for the disposal of sewage, or both, connection fees, fees to expand capacity for the storage of water and fees to expand capacity for plants for the treatment of wastewater or effluent]~~ for public utilities which furnish water or services for the disposal of sewage, or both, and which: (1) serve 4,000 or fewer persons; and (2) had during the immediately preceding 12-month period gross sales for water or services for the disposal of sewage amounting to $4,000,000 or less. **In addition to providing for the filing of letters of advice to change rates based on an approved nationally recognized inflation index, section 1 requires those regulations to provide for the filing of letters of advice to change fees, as authorized by the Commission, based on such an index.**

Existing law generally requires a public utility to submit an application and obtain the approval of the Commission for a change in any schedule of rates or services. (NRS 704.110) However, existing law authorizes a public utility to submit a letter of advice in lieu of filing an application with the Commission if, among other criteria, the proposed change does not change any rate or will result in an increase in annual gross operating revenue in an amount that does not exceed $15,000. Existing law additionally sets forth various requirements for the submission of a letter of advice in lieu of an application by a small-scale provider of last resort. (NRS 704.100) **Section 2** of this bill authorizes a public utility other than a small-scale provider of last resort to submit a letter of advice if the proposed change does not change any rate or will result in an increase in annual gross operating revenue in an amount that does not exceed $100,000. **Section 2** maintains the requirements for the use of a letter of advice by a small-scale provider of last resort provided under existing law.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 704.095 is hereby amended to read as follows:

704.095 1. The Commission shall adopt regulations which provide simplified procedures or methodologies for a change of ***any*** rates ***or ~~[charges]~~ fees*** for those public utilities which furnish water or services for the disposal of sewage, or both, to persons within this State for compensation, and which:

(b) Had during the immediately preceding 12-month period gross sales for water or services for the disposal of sewage amounting to ~~[~~$2,000,000~~]~~ ***$4,000,000*** or less. If a public utility furnishes both water and services for the disposal of sewage, its gross sales for each service must be considered separately for determining whether the public utility qualifies under this paragraph for either service.

2. The regulations adopted by the Commission pursuant to subsection 1 must provide, without limitation, for the filing of letters of advice to change rates ~~[:~~

~~*(a) Rates for furnishing water or services for the disposal of sewage, or both;*~~

~~*(b) Connection fees;*~~

~~*[3. As used in this section, "connection fee" means the charge for establishing service to a customer, defined in the tariff of the utility as the installation or service connection fee.]*~~

Sec. 2. NRS 704.100 is hereby amended to read as follows:

704.100 1. Except as otherwise provided in NRS 704.075, 704.68861 to 704.68887, inclusive, 704.7865 and 704.7867, or as may otherwise be provided by the Commission pursuant to NRS 704.095, 704.097 or 704.7621:

(a) A public utility shall not make changes in any schedule, unless the public utility:

(1) Files with the Commission an application to make the proposed changes and the Commission approves the proposed changes pursuant to NRS 704.110; or

(2) Files the proposed changes with the Commission using a letter of advice in accordance with the provisions of paragraph (f) or (g).

(b) A public utility shall adjust its rates on a quarterly basis between annual rate adjustment applications pursuant to subsection 8 of NRS 704.110 based on changes in the public utility's recorded costs of natural gas purchased for resale.

(c) An electric utility shall, between annual deferred energy accounting adjustment applications filed pursuant to NRS 704.187, adjust its rates on a quarterly basis pursuant to subsection 10 of NRS 704.110.

(d) A public utility shall post copies of all proposed schedules and all new or amended schedules in the same offices and in substantially the same form, manner and places as required by NRS 704.070 for the posting of copies of schedules that are currently in force.

(e) A public utility may not set forth as justification for a rate increase any items of expense or rate base that previously have been considered and disallowed by the Commission, unless those items are clearly identified in the application and new facts or considerations of policy for each item are advanced in the application to justify a reversal of the prior decision of the Commission.

(f) Except ~~[as otherwise provided in paragraph (g),]~~ ***for a public utility that is a small-scale provider of last resort,*** if the proposed change in any schedule does not change any rate or will result in an increase in annual gross operating revenue in an amount that does not exceed ~~[$15,000:]~~ ***$100,000:***

(1) The public utility may file the proposed change with the Commission using a letter of advice in lieu of filing an application; and

(2) The Commission shall determine whether it should dispense with a hearing regarding the proposed change.

➥ A letter of advice filed pursuant to this paragraph must include a certification by the attorney for the public utility or an affidavit by an authorized representative of the public utility that to the best of the signatory's knowledge, information and belief, formed after a reasonable inquiry, the proposed change in schedule does not change any rate or result in an increase in the annual gross operating revenue of the public utility in an amount that exceeds ~~[$15,000.]~~ ***$100,000.***

(g) If the applicant is a small-scale provider of last resort and the proposed change in any schedule will result in an increase in annual gross operating revenue in an amount that does not exceed $50,000 or 10 percent of the applicant's annual gross operating revenue, whichever is less:

(1) The small-scale provider of last resort may file the proposed change with the Commission using a letter of advice in lieu of filing an application if the small-scale provider of last resort:

(I) Includes with the letter of advice a certification by the attorney for the small-scale provider of last resort or an affidavit by an authorized representative of the small-scale provider of last resort that to the best of the signatory's knowledge, information and belief, formed after a reasonable inquiry, the proposed change in schedule does not change any rate or result in an increase in the annual gross operating revenue of the small-scale provider of last resort in an amount that exceeds $50,000 or 10 percent, whichever is less;

(II) Demonstrates that the proposed change in schedule is required by or directly related to a regulation or order of the Federal Communications Commission; and

(III) Except as otherwise provided in subsection 2, files the letter of advice not later than 5 years after the Commission has issued a final order on a general rate application filed by the applicant in accordance with subsection 3 of NRS 704.110; and

(2) The Commission shall determine whether it should dispense with a hearing regarding the proposed change.

➥ Not later than 10 business days after the filing of a letter of advice pursuant to subparagraph (1), the Regulatory Operations Staff of the Commission or any other interested party may file with the Commission a request that the Commission order an applicant to file a general rate application in accordance with subsection 3 of NRS 704.110. The Commission may hold a hearing to consider such a request.

(h) In making the determination pursuant to paragraph (f) or (g), the Commission shall first consider all timely written protests, any presentation that the Regulatory Operations Staff of the Commission may desire to present, the application of the public utility and any other matters deemed relevant by the Commission.

2. An applicant that is a small-scale provider of last resort may submit to the Commission a written request for a waiver of the 5-year period specified in sub-subparagraph (III) of subparagraph (1) of paragraph (g) of subsection 1. The Commission shall, not later than 90 days after receipt of such a request, issue an order approving or denying the request. The Commission may approve the request if the applicant provides proof satisfactory to the Commission that the applicant is not earning more than the rate of return authorized by the Commission and that it is in the public interest for the Commission to grant the request for a waiver. The Commission shall not approve a request for a waiver if the request is submitted later than 7 years after the issuance by the Commission of a final order on a general rate application filed by the applicant in accordance with subsection 3 of NRS 704.110. If the Commission approves a request for a waiver submitted pursuant to this subsection, the applicant shall file the letter of advice pursuant to subparagraph (1) of paragraph (g) of subsection 1 not earlier than 120 days after the date on which the applicant submitted the request for a waiver pursuant to this subsection, unless the order issued by the Commission approving the request for a waiver specifies a different period for the filing of the letter of advice.

3. As used in this section, "electric utility" has the meaning ascribed to it in NRS 704.187.

5. As used in this section:

(a) "Cost-sharing adjustment mechanism" means a mechanism that shares the risk of purchased fuel and purchased power costs between an electric utility and its customers.

(b) ~~["Deadband" means a range around a performance target within which the performance of an electric utility is deemed reasonable, for which performance the electric utility does not receive a reward or penalty and which recognizes the inherent uncertainty or margin of error in measuring and calculating a given benchmark or baseline.~~

~~(c)]~~ "Electric utility" has the meaning ascribed to it in NRS 704.187.

Sec. 1.7. Notwithstanding any other provision of law, if the Commission determines that a utility has charged a customer more than any applicable rate or tariff allows, the utility shall refund to the customer, with interest, the full amount of any overcharge.

Sec. 2. NRS 704.110 is hereby amended to read as follows:

704.110 Except as otherwise provided in NRS 704.075, 704.68861 to 704.68887, inclusive, and 704.7865, or as may otherwise be provided by the Commission pursuant to NRS 704.095, 704.097 or 704.7621:

1. If a public utility files with the Commission an application to make changes in any schedule, including, without limitation, changes that will result in a discontinuance, modification or restriction of service, the Commission shall investigate the propriety of the proposed changes to determine whether to approve or disapprove the proposed changes. If an electric utility files such an application and the application is a general rate application or an annual

deferred energy accounting adjustment application, the Consumer's Advocate shall be deemed a party of record.

2. Except as otherwise provided in ***this subsection and*** subsection 3, if a public utility files with the Commission an application to make changes in any schedule, the Commission shall, not later than 210 days after the date on which the application is filed, issue a written order approving or disapproving, in whole or in part, the proposed changes. ***If the public utility is an electric utility, the Commission may, upon good cause, extend by not more than 90 days the time to act upon the application.***

3. If a public utility files with the Commission a general rate application, the public utility shall submit with its application a statement showing the recorded results of revenues, expenses, investments and costs of capital for its most recent 12 months for which data were available when the application was prepared . ***[, including, without limitation, the results of any cost-sharing adjustment mechanism pursuant to section 1 of this act, if applicable.]*** Except as otherwise provided in subsection 4, in determining whether to approve or disapprove any increased rates, the Commission shall consider evidence in support of the increased rates based upon actual recorded results of operations for the same 12 months, adjusted for increased revenues, any increased investment in facilities, increased expenses for depreciation, certain other operating expenses as approved by the Commission and changes in the costs of securities which are known and are measurable with reasonable accuracy at the time of filing and which will become effective within 6 months after the last month of those 12 months, but the public utility shall not place into effect any increased rates until the changes have been experienced and certified by the public utility to the Commission and the Commission has approved the increased rates. The Commission shall also consider evidence supporting expenses for depreciation, calculated on an annual basis, applicable to major components of the public utility's plant placed into service during the recorded test period or the period for certification as set forth in the application. Adjustments to revenues, operating expenses and costs of securities must be calculated on an annual basis. Within 90 days after the date on which the certification required by this subsection is filed with the Commission, or within the period set forth in subsection 2, whichever time is longer, the Commission shall make such order in reference to the increased rates as is required by this chapter. The following public utilities shall each file a general rate application pursuant to this subsection based on the following schedule:

(a) An electric utility that primarily serves less densely populated counties shall file a general rate application:

(1) Not later than 5 p.m. on or before the first Monday in June 2019; and

(2) At least once every 36 months thereafter or on a date specified in an alternative rate-making plan approved by the Commission pursuant to NRS 704.7621.

(b) An electric utility that primarily serves densely populated counties shall file a general rate application:

(1) Not later than 5 p.m. on or before the first Monday in June 2020; and

(2) At least once every 36 months thereafter or on a date specified in an alternative rate-making plan approved by the Commission pursuant to NRS 704.7621.

(c) A public utility that furnishes water for municipal, industrial or domestic purposes or services for the disposal of sewage, or both, which had an annual gross operating revenue of $2,000,000 or more for at least 1 year during the immediately preceding 3 years and which had not filed a general rate application with the Commission on or after July 1, 2005, shall file a general rate application on or before June 30, 2008, and at least once every 36 months thereafter unless waived by the Commission pursuant to standards adopted by regulation of the Commission. If a public utility furnishes both water and services for the disposal of sewage, its annual gross operating revenue for each service must be considered separately for determining whether the public utility meets the requirements of this paragraph for either service.

(d) A public utility that furnishes water for municipal, industrial or domestic purposes or services for the disposal of sewage, or both, which had an annual gross operating revenue of $2,000,000 or more for at least 1 year during the immediately preceding 3 years and which had filed a general rate application with the Commission on or after July 1, 2005, shall file a general rate application on or before June 30, 2009, and at least once every 36 months thereafter unless waived by the Commission pursuant to standards adopted by regulation of the Commission. If a public utility furnishes both water and services for the disposal of sewage, its annual gross operating revenue for each service must be considered separately for determining whether the public utility meets the requirements of this paragraph for either service.

➥ The Commission shall adopt regulations setting forth standards for waivers pursuant to paragraphs (c) and (d) and for including the costs incurred by the public utility in preparing and presenting the general rate application before the effective date of any change in rates.

4. In addition to submitting the statement required pursuant to subsection 3, a public utility may submit with its general rate application a statement showing the effects, on an annualized basis, of all expected changes in circumstances . ~~[, including, without limitation, the results of any cost-sharing adjustment mechanism pursuant to section 1 of this act, if applicable.]~~ If such a statement is filed, it must include all increases and decreases in revenue and expenses which may occur within 210 days after the date on which its general rate application is filed with the Commission if such expected changes in circumstances are reasonably known and are measurable with reasonable accuracy. If a public utility submits such a statement, the public utility has the burden of proving that the expected changes in circumstances set forth in the statement are reasonably known and are measurable with reasonable accuracy. The Commission shall consider expected changes in circumstances to be reasonably known and measurable with reasonable accuracy if the expected changes in circumstances consist of

specific and identifiable events or programs rather than general trends, patterns or developments, have an objectively high probability of occurring to the degree, in the amount and at the time expected, are primarily measurable by recorded or verifiable revenues and expenses and are easily and objectively calculated, with the calculation of the expected changes relying only secondarily on estimates, forecasts, projections or budgets. If the Commission determines that the public utility has met its burden of proof:

(a) The Commission shall consider the statement submitted pursuant to this subsection and evidence relevant to the statement, including all reasonable projected or forecasted offsets in revenue and expenses that are directly attributable to or associated with the expected changes in circumstances under consideration, in addition to the statement required pursuant to subsection 3 as evidence in establishing just and reasonable rates for the public utility; and

(b) The public utility is not required to file with the Commission the certification that would otherwise be required pursuant to subsection 3.

5. If a public utility files with the Commission an application to make changes in any schedule and the Commission does not issue a final written order regarding the proposed changes within the time required by this section, the proposed changes shall be deemed to be approved by the Commission.

6. If a public utility files with the Commission a general rate application, the public utility, or a public utility affiliated with the public utility through common ownership, shall not file with the Commission another general rate application until all pending general rate applications filed by that public utility have been decided by the Commission unless, after application and hearing, the Commission determines that a substantial financial emergency would exist if the public utility or its affiliate is not permitted to file another general rate application sooner. The provisions of this subsection do not prohibit a public utility from filing with the Commission, while a general rate application is pending, an application to recover the increased cost of purchased fuel, purchased power, or natural gas purchased for resale pursuant to subsection 7, a quarterly rate adjustment pursuant to subsection 8 or 10, any information relating to deferred accounting requirements pursuant to NRS 704.185 or an annual deferred energy accounting adjustment application pursuant to NRS 704.187, if the public utility is otherwise authorized to so file by those provisions.

7. A public utility may file an application to recover the increased cost of purchased fuel, purchased power, or natural gas purchased for resale once every 30 days. The provisions of this subsection do not apply to:

(a) An electric utility which is required to adjust its rates on a quarterly basis pursuant to subsection 10; or

(b) A public utility which purchases natural gas for resale and which adjusts its rates on a quarterly basis pursuant to subsection 8.

8. A public utility which purchases natural gas for resale must request approval from the Commission to adjust its rates on a quarterly basis between annual rate adjustment applications based on changes in the public utility's

recorded costs of natural gas purchased for resale. A public utility which purchases natural gas for resale and which adjusts its rates on a quarterly basis may request approval from the Commission to make quarterly adjustments to its deferred energy accounting adjustment. The Commission shall approve or deny such a request not later than 120 days after the application is filed with the Commission. The Commission may approve the request if the Commission finds that approval of the request is in the public interest. If the Commission approves a request to make quarterly adjustments to the deferred energy accounting adjustment of a public utility pursuant to this subsection, any quarterly adjustment to the deferred energy accounting adjustment must not exceed 2.5 cents per therm of natural gas. If the balance of the public utility's deferred account varies by less than 5 percent from the public utility's annual recorded costs of natural gas which are used to calculate quarterly rate adjustments, the deferred energy accounting adjustment must be set to zero cents per therm of natural gas.

9. If the Commission approves a request to make any rate adjustments on a quarterly basis pursuant to subsection 8:

(a) The public utility shall file written notice with the Commission before the public utility makes a quarterly rate adjustment. A quarterly rate adjustment is not subject to the requirements for notice and a hearing pursuant to NRS 703.320 or the requirements for a consumer session pursuant to subsection 1 of NRS 704.069.

(b) The public utility shall provide written notice of each quarterly rate adjustment to its customers by including the written notice with a customer's regular monthly bill or by electronic transmission pursuant to NRS 704.188. The public utility shall begin providing such written notice to its customers not later than 30 days after the date on which the public utility files its written notice with the Commission pursuant to paragraph (a). The written notice required by this paragraph:

(1) Must be printed separately, if included with the customer's regular monthly bill, or the subject line of the electronic transmission must indicate that notice of a quarterly rate adjustment is included, if provided by electronic transmission pursuant to NRS 704.188; and

(2) Must include the following in clear and bold text:

(I) The total amount of the increase or decrease in the public utility's revenues from the rate adjustment, stated in dollars and as a percentage;

(II) The amount of the monthly increase or decrease in charges for each class of customer or class of service, stated in dollars and as a percentage;

(III) A statement that customers may send written comments or protests regarding the rate adjustment to the Commission;

(IV) A statement that the transactions and recorded costs of natural gas which are the basis for any quarterly rate adjustment will be reviewed for reasonableness and prudence in the next proceeding held by the Commission to review the annual rate adjustment application pursuant to paragraph (d); and

(V) Any other information required by the Commission.

(c) The public utility shall file an annual rate adjustment application with the Commission. The annual rate adjustment application is subject to the requirements for notice and a hearing pursuant to NRS 703.320 and the requirements for a consumer session pursuant to subsection 1 of NRS 704.069.

(d) The proceeding regarding the annual rate adjustment application must include a review of each quarterly rate adjustment and the transactions and recorded costs of natural gas included in each quarterly filing and the annual rate adjustment application. There is no presumption of reasonableness or prudence for any quarterly rate adjustment or for any transactions or recorded costs of natural gas included in any quarterly rate adjustment or the annual rate adjustment application, and the public utility has the burden of proving reasonableness and prudence in the proceeding.

(e) The Commission shall not allow the public utility to recover any recorded costs of natural gas which were the result of any practice or transaction that was unreasonable or was undertaken, managed or performed imprudently by the public utility, and the Commission shall order the public utility to adjust its rates if the Commission determines that any recorded costs of natural gas included in any quarterly rate adjustment or the annual rate adjustment application were not reasonable or prudent.

10. An electric utility shall adjust its rates ~~*[, in compliance with section 1 of this act,]*~~ on a quarterly basis based on changes in the electric utility's recorded costs of purchased fuel or purchased power. In addition to adjusting its rates on a quarterly basis, an electric utility may request approval from the Commission to make quarterly adjustments to its deferred energy accounting adjustment . ~~*[in compliance with section 1 of this act.]*~~ The Commission shall approve or deny such a request not later than 120 days after the application is filed with the Commission. The Commission may approve the request if the Commission finds that approval of the request is in the public interest. If the Commission approves a request to make quarterly adjustments to the deferred energy accounting adjustment of an electric utility pursuant to this subsection, any quarterly adjustment to the deferred energy accounting adjustment must not exceed 0.25 cents per kilowatt-hour of electricity. If the balance of the electric utility's deferred account varies by less than 5 percent from the electric utility's annual recorded costs for purchased fuel or purchased power which are used to calculate quarterly rate adjustments, the deferred energy accounting adjustment must be set to zero cents per kilowatt-hour of electricity.

11. A quarterly rate adjustment filed pursuant to subsection 10 ~~*[must comply with section 1 of this act and]*~~ is subject to the following requirements:

(a) The electric utility shall file written notice with the Commission on or before August 15, 2007, and every quarter thereafter of the quarterly rate adjustment to be made by the electric utility for the following quarter. The first quarterly rate adjustment by the electric utility will take effect on October 1, 2007, and each subsequent quarterly rate adjustment will take effect every quarter thereafter. The first quarterly adjustment to a deferred energy accounting adjustment must be made pursuant to an order issued by the

Commission approving the application of an electric utility to make quarterly adjustments to its deferred energy accounting adjustment. A quarterly rate adjustment is not subject to the requirements for notice and a hearing pursuant to NRS 703.320 or the requirements for a consumer session pursuant to subsection 1 of NRS 704.069.

(b) The electric utility shall provide written notice of each quarterly rate adjustment to its customers by including the written notice with a customer's regular monthly bill or by electronic submission pursuant to NRS 704.188. The electric utility shall begin providing such written notice to its customers not later than 30 days after the date on which the electric utility files a written notice with the Commission pursuant to paragraph (a). The written notice required by this paragraph:

(1) Must be printed separately, if included with the customer's regular monthly bill, or the subject line of the electronic transmission must indicate that notice of a quarterly rate adjustment is included, if provided by electronic transmission pursuant to NRS 704.188; and

(2) Must include the following in clear and bold text:

(I) The total amount of the increase or decrease in the electric utility's revenues from the rate adjustment, stated in dollars and as a percentage;

(II) The amount of the monthly increase or decrease in charges for each class of customer or class of service, stated in dollars and as a percentage;

(III) A statement that customers may send written comments or protests regarding the rate adjustment to the Commission;

(IV) A statement that the transactions and recorded costs of purchased fuel or purchased power which are the basis for any quarterly rate adjustment will be reviewed for reasonableness and prudence in the next proceeding held by the Commission to review the annual deferred energy accounting adjustment application pursuant to paragraph (d); and

(V) Any other information required by the Commission.

(c) The electric utility shall file an annual deferred energy accounting adjustment application pursuant to NRS 704.187 ~~*[and in compliance with section 1 of this act]*~~ with the Commission. The annual deferred energy accounting adjustment application is subject to the requirements for notice and a hearing pursuant to NRS 703.320 and the requirements for a consumer session pursuant to subsection 1 of NRS 704.069. ~~*[The annual deferred energy accounting adjustment application must contain the calculations and a justification which supports any cost-sharing adjustment made pursuant to section 1 of this act, including, without limitation:*~~

~~*(1) The forecasted quarterly rates and actual quarterly rates;*~~

~~*(2) The quarterly amount of any cost-sharing adjustments and the annual cumulative amount of any cost-sharing adjustments; and*~~

~~*(3) The calculation of any cap on the annual cumulative amount of any cost-sharing adjustments.]*~~

(d) The proceeding regarding the annual deferred energy accounting adjustment application must include a review of each quarterly rate adjustment

and the transactions and recorded costs of purchased fuel and purchased power included in each quarterly filing and the annual deferred energy accounting adjustment application. There is no presumption of reasonableness or prudence for any quarterly rate adjustment or for any transactions or recorded costs of purchased fuel and purchased power included in any quarterly rate adjustment or the annual deferred energy accounting adjustment application, and the electric utility has the burden of proving reasonableness and prudence in the proceeding.

(e) The Commission shall not allow the electric utility to recover any recorded costs of purchased fuel and purchased power which were the result of any practice or transaction that was unreasonable or was undertaken, managed or performed imprudently by the electric utility, and the Commission shall order the electric utility to adjust its rates if the Commission determines that any recorded costs of purchased fuel and purchased power included in any quarterly rate adjustment or the annual deferred energy accounting adjustment application were not reasonable or prudent.

12. If an electric utility files an annual deferred energy accounting adjustment application pursuant to subsection 11 and NRS 704.187 while a general rate application is pending, the electric utility shall:

(a) Submit with its annual deferred energy accounting adjustment application information relating to the cost of service and rate design; and

(b) Supplement its general rate application with the same information, if such information was not submitted with the general rate application.

13. A utility facility identified in a 3-year plan submitted pursuant to NRS 704.741 and accepted by the Commission for acquisition or construction pursuant to NRS 704.751 and the regulations adopted pursuant thereto, or the retirement or elimination of a utility facility identified in an emissions reduction and capacity replacement plan submitted pursuant to NRS 704.7316 and accepted by the Commission for retirement or elimination pursuant to NRS 704.751 and the regulations adopted pursuant thereto, shall be deemed to be a prudent investment. The utility may recover all just and reasonable costs of planning and constructing, or retiring or eliminating, as applicable, such a facility. For the purposes of this subsection, a plan or an amendment to a plan shall be deemed to be accepted by the Commission only as to that portion of the plan or amendment accepted as filed or modified with the consent of the utility pursuant to NRS 704.751.

14. In regard to any rate or schedule approved or disapproved pursuant to this section, the Commission may, after a hearing:

(a) Upon the request of the utility, approve a new rate but delay the implementation of that new rate:

(1) Until a date determined by the Commission; and

(2) Under conditions as determined by the Commission, including, without limitation, a requirement that interest charges be included in the collection of the new rate; and

(b) Authorize a utility to implement a reduced rate for low-income residential customers.

15. The Commission may, upon request and for good cause shown, permit a public utility which purchases natural gas for resale or an electric utility to make a quarterly adjustment to its deferred energy accounting adjustment in excess of the maximum allowable adjustment pursuant to subsection 8 or 10.

16. A public utility which purchases natural gas for resale or an electric utility that makes quarterly adjustments to its deferred energy accounting adjustment pursuant to subsection 8 or 10 may submit to the Commission for approval an application to discontinue making quarterly adjustments to its deferred energy accounting adjustment and to subsequently make annual adjustments to its deferred energy accounting adjustment. The Commission may approve an application submitted pursuant to this subsection if the Commission finds that approval of the application is in the public interest.

17. As used in this section:

(a) "Deferred energy accounting adjustment" means the rate of a public utility which purchases natural gas for resale or an electric utility that is calculated by dividing the balance of a deferred account during a specified period by the total therms or kilowatt-hours which have been sold in the geographical area to which the rate applies during the specified period, not including kilowatt-hours sold pursuant to an expanded solar access program established pursuant to NRS 704.7865.

(b) "Electric utility" has the meaning ascribed to it in NRS 704.187.

(c) "Electric utility that primarily serves densely populated counties" means an electric utility that, with regard to the provision of electric service, derives more of its annual gross operating revenue in this State from customers located in counties whose population is 700,000 or more than it does from customers located in counties whose population is less than 700,000.

(d) "Electric utility that primarily serves less densely populated counties" means an electric utility that, with regard to the provision of electric service, derives more of its annual gross operating revenue in this State from customers located in counties whose population is less than 700,000 than it does from customers located in counties whose population is 700,000 or more.

Sec. 3. ~~[NRS 704.736 is hereby amended to read as follows:~~

~~— 704.736 The application of NRS 704.736 to 704.754, inclusive, *and section 1 of this act* is limited to any public utility in the business of supplying electricity which has an annual operating revenue in this state of $2,500,000 or more.]~~ **(Deleted by amendment.)**

~~(c) A comparison of a diverse set of scenarios of the best combination of sources of supply to meet the demands or the best methods to reduce the demands, which must include:~~

~~(1) At least one scenario of low carbon dioxide emissions that:~~

~~(I) Uses sources of supply that result in, by 2050, an amount of energy production from zero carbon dioxide emission resources that equals the forecasted demand for electricity by customers of the utility;~~

~~(II) Includes the deployment of distributed generation; and~~

~~(III) If the plan is submitted on or before June 1, 2027, uses sources of supply that result in, by the year 2030, an 80 percent reduction in carbon dioxide emissions from the generation of electricity to meet the demands of customers of the utility as compared to the amount of such emissions in the year 2005.~~

~~(2) At least one scenario that provides for the construction or acquisition of energy resources through contract or ownership to be placed into service to~~

~~close an open position utilizing dedicated energy resources in this State and dedicated energy resources delivered through firm transmission. A significant share of the renewable energy facilities and energy storage systems included in the scenario must be owned by the utility.~~

~~** A requirement to include a particular scenario in the plan pursuant to this paragraph, or the compliance of a utility with such a requirement, shall not be construed as indicating a preference by the Commission or the utility for a particular scenario.~~

~~(d) An analysis of the effects of the requirements of NRS 704.766 to 704.776, inclusive, on the reliability of the distribution system of the utility or utilities and the costs to the utility or utilities to provide electric service to all customers. ~~*(g) A cost-sharing adjustment mechanism and information concerning the financial strategy of the utility as required by section 1 of this act.*~~

~~4. For each scenario considered pursuant to subsection 3, the plan must include, without limitation:~~

~~(a) For each energy resource proposed:~~

~~(1) A description of each energy resource to be constructed, acquired or contracted for by the utility, including, without limitation, the location of the energy resource, the technology to be used by the energy resource to generate electricity, the anticipated capacity of the energy resource and the anticipated date by which the energy resource will be placed into service;~~

~~(2) The cost of constructing or acquiring, operating and maintaining the energy resource or, if the energy resource is contracted for by the utility, the price of the energy to be supplied by the energy resource;~~

~~(3) Whether the energy resource will be owned by the utility or utilized by the utility pursuant to a contract with a third party; and~~

~~(4) Any other information required by the Commission to evaluate the prudence of the scenario.~~

~~(b) An evaluation of the impact that the implementation of the scenario will have on:~~

Amendment No. 470.

~~[ASSEMBLYMEMBER]~~ **ASSEMBLYMEMBERS** ANDERSON **AND CONSIDINE**

JOINT SPONSOR: SENATOR NEAL

AN ACT relating to taxation; providing for the imposition, administration, collection and enforcement of a tax on certain digital products electronically transferred to a purchaser; ~~[decreasing the Nevada gross revenue threshold at which certain business entities engaged in business in this State are required to pay the commerce tax; eliminating an exemption from the tax on live entertainment for athletic events conducted by certain professional sports teams;]~~ **prohibiting the issuance and use of certain transferable tax credits if money is transferred or allocated from the Account to Stabilize the Operation of the State Government; stating the intent of the Legislature to review the transferable tax credits which the State is authorized to issue under certain circumstance;** providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Sections 24 and 33 of this bill impose a tax on a retail sale in this State of specified digital products electronically transferred to a person and on the use of specified digital products electronically transferred to a person in a transaction in this State for which the tax was not collected at the time of sale. **Section 23** of this bill establishes requirements for determining the place where a sale of specified digital products takes place for the purpose of the tax. Under **sections 24 and 33**, the rate of the tax is the same as the sales and use tax rate imposed in the county in which the sale of the specified digital products takes place, as determined pursuant to **section 23**. Under **section 100** of this bill, the requirement to impose, collect and remit the tax is imposed on a retailer who does not maintain a place of business in this State if, in the immediately preceding calendar year or the current calendar year, the retailer had more than $100,000 of gross revenue from certain transactions that took place in this State or 200 or more such transactions that took place in this State. **Sections 2-22, 25-32, 34-99 and 101-127** of this bill provide for the administration, collection and enforcement of the tax in the same manner as the sales and use tax.

Section 94 requires a person who directly or indirectly facilitates retail sales of specified digital products to collect and remit the tax if, in the immediately preceding calendar year or the current calendar year, the facilitator had more than $100,000 of gross receipts from certain transactions made to customers in this State or made or facilitated 200 or more transactions, on its own behalf or on behalf of a seller, unless the facilitator enters into an agreement with a seller whereby the seller agrees to assume responsibility for the collection and imposition of the tax. **Section 95** provides that such a facilitator is not liable for the payment of the tax under certain circumstances.

Section 96 requires certain persons who receive a fee in exchange for listing or advertising a product for a seller but do not collect money or other consideration from a customer to impose, collect and remit the tax if 200 or more retail sales to customers in this State result from referrals made by the person or the cumulative gross receipts of sales resulting from such referrals exceed $100,000, unless the person complies with certain notice requirements and makes a monthly report to the Department of Taxation.

~~[Existing law imposes an annual commerce tax on each business entity whose Nevada gross revenue in a fiscal year exceeds $4,000,000, with the rate of commerce tax based on the industry in which the business entity is primarily engaged. (NRS 363C.200, 363C.300-363C.560) Section 128 of this bill decreases the Nevada gross revenue threshold at which the commerce tax is imposed upon a business entity from $4,000,000 earned in a fiscal year to $3,500,000 earned in a fiscal year. Sections 129-155 of this bill make conforming changes to reflect the decrease in the Nevada gross revenue threshold from $4,000,000 to $3,500,000 for the purpose of calculating the rate of the commerce tax for certain industries in which a business entity is primarily engaged.~~

~~Existing law provides for the imposition of an excise tax on admission to certain facilities where live entertainment is provided. (Chapter 368A of NRS) Existing law exempts from the excise tax an athletic contest, event or exhibition conducted by a professional team based in this State and in which the team participates. (NRS 368A.200) Section 156 of this bill eliminates the exemption from the excise tax on live entertainment for such athletic contests, events or exhibitions.]~~

Existing law creates the Account to Stabilize the Operation of State Government, also known as the Rainy Day Fund, and authorizes the Director of the Office of Finance in the Office of the Governor to request a transfer of money from the Account to the State General Fund if: (1) the total actual revenue of the State falls short by 5 percent or more of the total anticipated revenue for the biennium in which the transfer will be made, as determined by the Legislature or the Interim Finance Committee; or (2) the Legislature or Interim Finance Committee and the Governor declare that a fiscal emergency exists. The Legislature may also allocate money from the Account directly. (NRS 353.288) Section 157.3 of this bill prohibits the issuance of transferable tax credits or the application of transferable tax credits to state or local taxes during any fiscal year in which a transfer or allocation is made from the Account by the Interim Finance Committee or during a fiscal emergency by the Legislature. Section 157.3 limits this prohibition to transferable tax credits authorized by state legislation that is enacted on or after the effective date of section 157.3.

Existing law requires the Governor, on or before July 1 of each even-numbered year, to impanel and Economic Forum consisting of economic and financial experts appointed by the Governor to provide an estimate

of the revenue that will be collected by the State for general, unrestricted uses during the subsequent biennium and make such projections for economic indicators as the Economic Forum deems necessary to ensure that this estimate is accurate. (NRS 353.226, 353.228) Section 157.7 of this bill provides that, if the Economic Forum forecasts that such revenue in the subsequent biennium will be less than in the then-current biennium and that the reduction in revenue exceeds 7 percent, it is the intent of the Legislature to review any transferable tax credits which the State is authorized to issue and consider if the amount of such credits should be reduced.

Section 160 of this bill establishes ~~[July 1, 2025, as the effective date of the provisions of this bill relating to commerce tax and the live entertainment tax, and establishes]~~ January 1, 2026, as the effective date of the provisions of this bill**.** ~~[relating to the imposition of a tax on the retail sale of specified digital goods.]~~

Sec. 35. *Every retailer maintaining a place of business in this State and making sales of specified digital products for use in this State, not exempted by this chapter, shall, at the time of making the sales or, if the use of the specified digital products is not then taxable hereunder, at the time the use becomes taxable, collect the tax from the purchaser and give to the purchaser a receipt therefor in the manner and form prescribed by the Nevada Tax Commission.*

(a) The organization must give a copy of its letter of exemption to the retailer from whom the organization purchases the product; and

(b) The retailer must retain and present upon request a copy of the letter of exemption.

4. The Department shall adopt such regulations as are necessary to carry out the provisions of this section.

Sec. 56. ***If a purchaser certifies in writing to a seller that the specified digital products purchased will be used in a manner or for a purpose entitling the seller to regard the gross receipts from the sale as exempted by this chapter from the computation of the amount of the taxes imposed by this chapter, and uses the specified digital products in some other manner or for some other purpose, the purchaser shall be liable for payment of the tax as if the purchaser were a retailer making a retail sale of the specified digital products at the time of such use, and the cost of the specified digital products to the purchaser shall be deemed the gross receipts from such retail sale.***

Sec. 57. ***A retailer shall hold the amount of all taxes collected pursuant to this chapter in a separate account in trust for the State.***

Sec. 58. ***Except as otherwise provided in section 65 of this act or required by the Department pursuant to NRS 360B.200, the taxes imposed by this chapter are due and payable to the Department monthly on or before the last day of the month next succeeding each month.***

Sec. 59. ***Except as otherwise required by the Department pursuant to NRS 360B.200:***

1. On or before the last day of the month following each reporting period, a return for the preceding period must be filed with the Department in such form and manner as the Department may prescribe. Any return required to be filed by this section must be combined with any return required to be filed pursuant to the provisions of chapters 372 and 374 of NRS.

2. For purposes of:

(a) The tax imposed by section 24 of this act, a return must be filed by each seller.

(b) The tax imposed by section 33 of this act, a return must be filed by each retailer maintaining a place of business in the State and by each person purchasing specified digital products, the use of which is subject to the use tax, who has not paid the use tax due.

3. Unless filed electronically, returns must be signed by the person required to file the return or by his or her authorized agent but need not be verified by oath.

Sec. 60. ***1. Except as otherwise required by the Department pursuant to NRS 360B.200:***

(a) For the purposes of the tax imposed by section 24 of this act:

(1) The return must show the gross receipts of the seller during the preceding reporting period.

(2) The gross receipts must be segregated and reported separately for each county to which a sale of specified digital products pertains.

(3) A sale pertains to the county in this State in which the retail sale of specified digital products takes place as determined pursuant to section 23 of this act.

(b) For purposes of the tax imposed by section 33 of this act:

(1) In the case of a return filed by a retailer, the return must show the total sales price of the specified digital products purchased by the retailer, the use of which specified digital products became subject to the use tax during the preceding reporting period.

(2) The sales price must be segregated and reported separately for each county to which a purchase of specified digital products pertains.

(3) If the specified digital products were:

(I) Brought into this State by the purchaser or his or her agent or designee, the sale pertains to the county in this State in which the property is or will be first used, stored or otherwise consumed.

(II) Not brought into this State by the purchaser or his or her agent or designee, the sale pertains to the county in this State in which the property was delivered to the purchaser or his or her agent or designee.

2. In the case of a return filed by a purchaser, the return must show the total sales price of the specified digital products purchased by the purchaser, the use of which became subject to the tax imposed by section 24 of this act during the preceding reporting period and indicate the county in this State in which the specified digital products were first used, stored or consumed.

3. The return must also show the amount of the taxes for the period covered by the return and such other information as the Department deems necessary for the proper administration of this chapter.

4. Except as otherwise provided in subsection 5, upon determining that a retailer has filed a return which contains one or more violations of the provisions of this section, the Department shall:

(a) For the first return of any retailer which contains one or more violations, issue a letter of warning to the retailer which provides an explanation of the violation or violations contained in the return.

(b) For the first or second return, other than a return described in paragraph (a), in any calendar year which contains one or more violations, assess a penalty equal to the amount of the tax which was not reported or was reported for the wrong county or $1,000, whichever is less.

(c) For the third and each subsequent return in any calendar year which contains one or more violations, assess a penalty of three times the amount of the tax which was not reported or was reported for the wrong county or $3,000, whichever is less.

5. For the purposes of subsection 4, if the first violation of this section by any retailer was determined by the Department through an audit which covered more than one return of the retailer, the Department shall treat all returns which were determined through the same audit to contain a violation or violations in the manner provided in paragraph (a) of subsection 4.

Sec. 61. *In determining the amount of taxes due pursuant to this chapter:*

1. The amount due must be computed to the third decimal place and rounded to a whole cent using a method that rounds up to the next cent if the numeral in the third decimal place is greater than 4.

2. A retailer may compute the amount due on a transaction on the basis of each item involved in the transaction or a single invoice for the entire transaction.

Sec. 62. *1. If a retailer is unable to collect all or part of the sales price of a sale, the retailer is entitled to receive a deduction from his or her taxable sales for that bad debt.*

2. Any deduction that is claimed pursuant to this section may not include interest.

3. The amount of any deduction claimed must equal the amount of a deduction that may be claimed pursuant to section 166 of the Internal Revenue Code, 26 U.S.C. § 166, for that sale minus:

(a) Any finance charge or interest charged as part of the sale;

(b) Any tax imposed by this chapter charged on the sales price;

(c) Any amount not paid on the sales price because the specified digital product that was sold was not delivered until the full sales price is paid; and

(d) Any expense incurred in attempting to collect the bad debt.

4. A bad debt may be claimed as a deduction on the return that covers the period during which the bad debt is written off in the business records of the retailer that are maintained in the ordinary course of the retailer's business and is eligible to be claimed as a deduction pursuant to section 166 of the Internal Revenue Code, 26 U.S.C. § 166, or if the retailer is not required to file a federal income tax return, would be eligible to be claimed as a deduction pursuant to section 166 of the Internal Revenue Code, 26 U.S.C. § 166.

5. If a bad debt for which a deduction has been claimed is subsequently collected in whole or in part, the tax on the amount so collected must be reported on the return that covers the period in which the collection is made.

6. If the amount of the bad debt is greater than the amount of the taxable sales reported for the period during which the bad debt is claimed as a deduction, a claim for a refund may be filed pursuant to sections 69 to 87,

inclusive, of this act except that the time within which the claim may be filed begins on the date on which the return that included the deduction was filed.

7. If the retailer has contracted with a certified service provider for the remittance of the tax due under this chapter, the service provider may, on behalf of the retailer, claim any deduction to which the retailer is entitled pursuant to this section. The service provider shall credit or refund the full amount of any deduction or refund received pursuant to this section to the retailer.

8. For the purposes of reporting a payment received on a bad debt for which a deduction has been claimed, the payment must first be applied to the sales price of the specified digital products sold and the tax due thereon, and then to any interest, service charge or other charge that was charged as part of the sale.

9. If the records of a retailer indicate that a bad debt may be allocated among other states that are members of the Streamlined Sales and Use Tax Agreement, the retailer may allocate the bad debt among those states.

10. A retailer who assigns a debt to an entity which is part of an affiliated group that includes the retailer may claim any deduction or refund to which the retailer would otherwise be entitled pursuant to this section, notwithstanding:

(a) The assignment of the debt to the entity;

(b) That the debt is written off as a bad debt in the business records of the entity which are maintained in the ordinary course of the entity's business; and

(c) That the bad debt is or would be eligible to be claimed by the entity as a deduction pursuant to section 166 of the Internal Revenue Code, 26 U.S.C. § 166.

11. Except as otherwise provided in subsection 12, upon determining that a retailer has filed a return which contains one or more violations of the provisions of this section, the Department shall:

(a) For the first return of any retailer which contains one or more violations, issue a letter of warning to the retailer which provides an explanation of the violation or violations contained in the return.

(b) For the first or second return, other than a return described in paragraph (a), in any calendar year which contains one or more violations, assess a penalty equal to the amount of the deduction claimed or $1,000, whichever is less.

(c) For the third and each subsequent return in any calendar year which contains one or more violations, assess a penalty of three times the amount of the deduction claimed or $3,000, whichever is less.

12. For the purposes of subsection 11, if the first violation of this section by any retailer was determined by the Department through an audit which covered more than one return of the retailer, the Department shall treat all returns which were determined through the same audit to contain a violation or violations in the manner provided in paragraph (a) of subsection 11.

13. As used in this section:

(a) "Affiliated group" means:

(1) An affiliated group as defined in section 1504(a) of the Internal Revenue Code, 26 U.S.C. § 1504(a); or

(b) "Bad debt" means a debt that may be deducted pursuant to section 166 of the Internal Revenue Code, 26 U.S.C. § 166.

(c) "Certified service provider" has the meaning ascribed to it in NRS 360B.060.

Sec. 63. *1. Except as otherwise provided in subsection 2, if the taxes imposed by this chapter are paid in accordance with section 58 of this act, a taxpayer may deduct and withhold from the taxes otherwise due from the taxpayer 0.25 percent of those taxes as reimbursement for the cost of collecting the tax.*

2. The regulations adopted by the Nevada Tax Commission pursuant to NRS 360B.110 may authorize the deduction and withholding from the taxes otherwise due from a taxpayer such other amounts as are required to carry out the Streamlined Sales and Use Tax Agreement.

Sec. 64. *1. Except as otherwise authorized or required by the Department, the person required to file a return shall deliver the return together with a remittance of the amount of the tax due to the Department.*

2. The Department shall provide for the acceptance of credit cards, debit cards or electronic transfers of money for the payment of the tax due in the manner prescribed pursuant to NRS 360.092.

Sec. 65. *1. Except as otherwise provided in this section or required by the Department pursuant to NRS 360B.200, the reporting and payment period of:*

(a) A taxpayer whose taxable sales do not exceed $10,000 per month is a calendar quarter.

(b) A taxpayer who files reports on a quarterly basis in accordance with paragraph (a) and:

(1) From whom no tax is due pursuant to this chapter for the immediately preceding three quarterly reporting periods; or

(2) Whose taxable sales do not exceed a total amount of $1,500 for the immediately preceding four quarterly reporting periods,

➥ is 12 calendar months, unless the taxable sales of the taxpayer exceed a total amount of $1,500 for such a 12-month reporting and payment period or $10,000 for a calendar month.

2. The Department, if it deems this action necessary to ensure payment to or facilitate the collection by the State of the amount of taxes, may require returns and payment of the amount of taxes for periods other than calendar months or quarters, depending upon the principal place of business of the seller, retailer or purchaser, as the case may be, or for other than monthly, quarterly or annual periods.

Sec. 66. *For the purposes of the tax imposed by section 24 of this act, gross receipts from rentals or leases of specified digital products must be reported and the tax paid in accordance with such regulations as the Department may prescribe.*

Sec. 67. *The Department for good cause may extend for not to exceed 1 month the time for making any return or paying any amount required to be paid under this chapter.*

Sec. 68. *1. The Department, whenever it deems it necessary to ensure compliance with this chapter, may require any person subject to the chapter to place with it such security as the Department may determine. The Department shall fix the amount of the security which, except as otherwise provided in subsection 2, may not be greater than twice the estimated average tax due quarterly of persons filing returns for quarterly periods, three times the estimated average tax due monthly of persons filing returns for monthly periods or four times the estimated average tax due annually of persons filing returns for annual periods, determined in such a manner as the Department deems proper.*

2. In the case of persons who are habitually delinquent in their obligations under this chapter, the amount of the security may not be greater than three times the average actual tax due quarterly of persons filing returns for quarterly periods, five times the average actual tax due monthly of persons filing returns for monthly periods or seven times the average actual tax due annually of persons filing returns for annual periods.

3. The limitations provided in this section apply regardless of the type of security placed with the Department.

4. The amount of the security may be increased or decreased by the Department subject to the limitations provided in this section.

5. The Department may sell the security at public auction if it becomes necessary to recover any tax or any amount required to be collected, or interest or penalty due. Notice of the sale may be served upon the person who placed the security personally or by mail. If the notice is served by mail, service must be made in the manner prescribed for service of a notice of a deficiency determination and must be addressed to the person at his or her address as it appears in the records of the Department. Security in the form of a bearer bond issued by the United States or the State of Nevada which has a prevailing market price may be sold by the Department at a private sale at a price not lower than the prevailing market price.

6. Upon any sale any surplus above the amounts due must be returned to the person who placed the security.

Sec. 69. *1. If the Department determines that any amount, penalty or interest has been paid more than once or has been erroneously or illegally collected or computed, the Department shall set forth that fact in the records of the Department and certify to the State Board of Examiners the amount collected in excess of the amount legally due and the person from whom it was collected or by whom paid. If approved by the State Board of Examiners,*

the excess amount collected or paid must, after being credited against any amount then due from the person in accordance with NRS 360.236, be refunded to the person, or his or her successors, administrators or executors.

2. Any overpayment of the tax imposed by section 33 of this act by a purchaser to a retailer who is required to collect the tax and who gives the purchaser a receipt therefor pursuant to sections 33 to 43, inclusive, of this act must be credited or refunded by the State to the purchaser, subject to the requirements of NRS 360.236.

Sec. 70. *Except as otherwise provided in NRS 360.235 and 360.395 and section 62 of this act:*

1. No refund may be allowed unless a claim for it is filed with the Department within 3 years after the last day of the month following the close of the period for which the overpayment was made.

2. No credit may be allowed after the expiration of the period specified for filing claims for refund unless a claim for credit is filed with the Department within that period, or unless the credit relates to a period for which a waiver is given pursuant to NRS 360.355.

Sec. 71. *No credit or refund of any amount paid pursuant to sections 33 to 43, inclusive, of this act may be allowed on the ground that the use of the specified digital products is exempted pursuant to section 53 of this act, unless the person who paid the amount reimburses the vendor of the specified digital products for the amount of the tax imposed by section 24 of this act upon the vendor of the specified digital products with respect to the sale of the specified digital products and paid by the vendor to the State.*

Sec. 72. *Every claim must be in writing and state the specific grounds upon which the claim is founded.*

Sec. 73. *Failure to file a claim within the time prescribed in section 70 of this act constitutes a waiver of any demand against the State on account of overpayment.*

Sec. 74. *Within 30 days after disallowing any claim in whole or in part, the Department shall serve notice of its action on the claimant in the manner prescribed for service of notice of a deficiency determination.*

Sec. 75. *Except as otherwise provided in NRS 360.320 or any other specific statute, interest must be paid upon any overpayment of any amount of tax at the rate set forth in, and in accordance with the provisions of, NRS 360.2937.*

Sec. 76. *If the Department determines that any overpayment has been made intentionally or by reason of carelessness, it shall not allow any interest thereon.*

Sec. 77. *No injunction or writ of mandate or other legal or equitable process shall issue in any suit, action or proceeding in any court against the State, a county or any officer thereof to prevent or enjoin the collection under this chapter of any tax or any amount of tax required to be collected.*

Sec. 78. *No suit or proceeding shall be maintained in any court for the recovery of any amount alleged to have been erroneously or illegally*

determined or collected unless a claim for refund or credit has been duly filed.

Sec. 79. *1. Within 90 days after a final decision upon a claim filed pursuant to this chapter is rendered by the Nevada Tax Commission, the claimant may bring an action against the Department on the grounds set forth in the claim in a court of competent jurisdiction in Carson City, the county of this State where the claimant resides or maintains his or her principal place of business or a county in which any relevant proceedings were conducted by the Department, for the recovery of the whole or any part of the amount with respect to which the claim has been disallowed.*

2. Failure to bring an action within the time specified constitutes a waiver of any demand against the State on account of alleged overpayments.

Sec. 80. *If the Department fails to mail notice of action on a claim within 6 months after the claim is filed, the claimant may consider the claim disallowed and file an appeal with a hearing officer within 45 days after the last day of the 6-month period. If the claimant is aggrieved by the decision of the hearing officer on appeal, the claimant may, pursuant to the provisions of NRS 360.245, appeal the decision to the Nevada Tax Commission. If the claimant is aggrieved by the decision of the Commission on appeal, the claimant may, within 45 days after the decision is rendered, bring an action against the Department on the grounds set forth in the claim for the recovery of the whole or any part of the amount claimed as an overpayment.*

Sec. 81. *1. If judgment is rendered for the plaintiff, the amount of the judgment must first be credited as follows:*

(a) If the judgment is for a refund of tax imposed by section 24 of this act, it must be credited on any amount of tax due from the plaintiff pursuant to this chapter.

(b) If the judgment is for a refund of the tax imposed by section 33 of this act, it must be credited on any amount of that tax due from the plaintiff pursuant to this chapter.

2. The balance of the judgment must be refunded to the plaintiff.

Sec. 82. *In any judgment, interest shall be allowed at the rate of 3 percent per annum upon the amount found to have been illegally collected from the date of payment of the amount to the date of allowance of credit on account of the judgment, or to a date preceding the date of the refund warrant by not more than 30 days, the date to be determined by the Department.*

Sec. 83. *A judgment shall not be rendered in favor of the plaintiff in any action brought against the Department to recover any amount paid when the action is brought by or in the name of an assignee of the person paying the amount or by any person other than the person who paid the amount.*

Sec. 84. *The Department may recover any refund or part of it which is erroneously made and any credit or part of it which is erroneously allowed*

in an action brought in a court of competent jurisdiction in Carson City or Clark County in the name of the State of Nevada.

Sec. 85. *The action must be tried in Carson City or Clark County unless the court, with the consent of the Attorney General, orders a change of place of trial.*

Sec. 86. *The Attorney General shall prosecute the action, and the provisions of NRS, the Nevada Rules of Civil Procedure and the Nevada Rules of Appellate Procedure relating to service of summons, pleadings, proofs, trials and appeals are applicable to the proceedings.*

Sec. 87. *1. If any amount in excess of $25 has been illegally determined, either by the person filing the return or by the Department, the Department shall certify this fact to the State Board of Examiners, and the latter shall authorize the cancellation of the amount upon the records of the Department.*

2. If an amount not exceeding $25 has been illegally determined, either by the person filing a return or by the Department, the Department, without certifying this fact to the State Board of Examiners, shall authorize the cancellation of the amount upon the records of the Department.

Sec. 88. *This chapter must be administered in accordance with the provisions of chapter 360B of NRS.*

Sec. 89. *1. The provisions of this chapter relating to:*

(b) The collection and remittance of the tax imposed by section 33 of this act apply to every retailer whose activities have a sufficient nexus with this State to satisfy the requirements of the United States Constitution.

2. In administering the provisions of this chapter, the Department shall construe the terms "seller," "retailer" and "retailer maintaining a place of business in this State" in accordance with the provisions of subsection 1.

Sec. 90. *As used in sections 90 to 97, inclusive, of this act, unless the context otherwise requires, the words and terms defined in sections 91, 92 and 93 of this act have the meanings ascribed to them in those sections.*

Sec. 91. *"Affiliate" means a person who directly or indirectly owns or controls, is owned or controlled by, or is under common ownership or control with, another person. For the purposes of this section, control shall be presumed to exist if any person directly or indirectly owns, controls, holds with the power to vote or holds proxies representing 10 percent or more of the voting securities of any other person. This presumption may be rebutted by a showing that control does not exist in fact.*

Sec. 92. *1. "Marketplace facilitator" means a person, including any affiliate of the person, who:*

(1) Lists, makes available or advertises specified digital products for sale by a marketplace seller in a marketplace owned, operated or controlled by the person;

A provider of direct broadcast satellite services or cable operator is not a marketplace facilitator with respect to a software application of a marketplace seller which may be accessed through the digital platform owned, operated or controlled by the provider of direct broadcast satellite services or cable operator for no additional charge.

Sec. 93. *"Marketplace seller" means:*

1. A seller who makes retail sales through any physical or electronic marketplace owned, operated or controlled by a marketplace facilitator, even if such seller would not have been required to collect and remit the sales tax or use tax had the sale not been made through such marketplace; or

Sec. 94. *1. Except as otherwise provided in this section and section 95 of this act, the provisions of this chapter relating to the imposition, collection and remittance of the tax imposed by section 24 of this act, and the collection and remittance of the tax imposed by section 33 of this act, apply to a marketplace facilitator during a calendar year in which or during a calendar year immediately following any calendar year in which:*

2. The provisions of this chapter relating to the imposition, collection and remittance of the tax imposed by section 24 of this act and the collection and remittance of the tax imposed by section 33 of this act do not apply to a marketplace facilitator described in subsection 1 if:

(a) The marketplace facilitator and the marketplace seller have entered into a written agreement whereby the marketplace seller assumes responsibility for the collection and remittance of the tax imposed by section 24 of this act, and the collection and remittance of the tax imposed by section 33 of this act, for retail sales made by the marketplace seller through the marketplace facilitator; and

(b) The marketplace seller has obtained a permit pursuant to section 27 of this act or registered pursuant to NRS 360B.200.

➥ Upon request of the Department, a marketplace facilitator shall provide to the Department a report containing the name of each marketplace seller with whom the marketplace facilitator has entered into an agreement pursuant to this subsection and such other information as the Department determines is necessary to ensure that each marketplace seller with whom the marketplace facilitator has entered into an agreement pursuant to this subsection has obtained a permit pursuant to section 27 of this act or registered pursuant to NRS 360B.200.

3. Except as otherwise provided in this section and section 95 of this act, the provisions of subsection 1 apply regardless of whether:

(b) The marketplace seller for whom a marketplace facilitator makes or facilitates a retail sale was required to register with the Department pursuant to NRS 360B.200 or obtain a permit pursuant to section 27 of this act; or

(c) The amount of the sales price of a retail sale will ultimately accrue to or benefit the marketplace facilitator, the marketplace seller or any other person.

Sec. 95. *1. (a) The marketplace facilitator provides proof satisfactory to the Department that the marketplace facilitator has made a reasonable effort to obtain accurate information from the marketplace seller about the retail sale; and

(b) The failure to collect and remit the correct tax on the retail sale was due to incorrect information provided to the marketplace facilitator by the marketplace seller.

2. Except as otherwise provided in subsection 3, in administering the provisions of this chapter, the Department shall not hold a marketplace facilitator liable for the payment of any tax imposed by this chapter which is attributable to a retail sale made or facilitated on behalf of a marketplace seller who is not an affiliate of the marketplace facilitator if the marketplace facilitator provides proof satisfactory to the Department that:

(a) The retail sale was made before January 1, 2026;

(b) The retail sale was made through a marketplace of the marketplace facilitator; and

(c) The failure to collect the tax imposed by section 24 of this act and the tax imposed by section 33 of this act was due to an error other than an error in sourcing the retail sale.

3. The relief from liability provided pursuant to subsection 2 for the 2026 and 2027 calendar years, respectively, must not exceed 5 percent of the total tax imposed by sections 24 and 33 of this act owed for the calendar year on the cumulative gross receipts of the marketplace facilitator from retail sales made or facilitated by the marketplace facilitator for one or more marketplace sellers to customers in this State.

4. If a marketplace facilitator is relieved of liability for the collection and remittance of any amount of the tax imposed by section 24 of this act or the tax imposed by section 33 of this act pursuant to subsection 1, the marketplace seller or purchaser, as applicable, is liable for the payment of such uncollected, unpaid or unremitted tax.

5. To the extent that a marketplace facilitator is relieved of liability for the collection and remittance of any tax pursuant to subsections 2 and 3, the marketplace seller for whom the marketplace facilitator made or facilitated the retail sale giving rise to the tax is also relieved of such liability.

6. Nothing in this section shall be construed to relieve any person of liability for collecting but failing to remit to the Department any tax imposed by this chapter.

Sec. 96. *1. The Department may provide by regulation that, except as otherwise provided in this section, the provisions of this chapter relating to the imposition, collection and remittance of the tax imposed by section 24 of this act and the collection and remittance of the tax imposed by section 33 of this act apply to a referrer during a calendar year in which, or during a calendar year immediately following any calendar year in which:*

(a) The cumulative gross receipts from retail sales of tangible personal property and specified digital products to customers in this State resulting from referrals from a platform of the referrer are in excess of $100,000; or

(b) There are 200 or more separate retail sales transactions involving sales of tangible personal property or specified digital products to customers in this State resulting from referrals from a platform of the referrer.

2. Any regulations adopted by the Department pursuant to subsection 1 must provide that the provisions of this chapter relating to the imposition, collection and remittance of the tax imposed by section 24 of this act, and the collection and remittance of the tax imposed by section 33 of this act do not apply to a referrer described in subsection 1 if the referrer:

(a) Posts a conspicuous notice on each platform of the referrer that includes all of the following:

(1) A statement that tax imposed by sections 24 and 33 of this act is due on certain purchases;

(2) A statement that the marketplace seller from whom the person is purchasing on the platform may or may not collect and remit the tax imposed by sections 24 and 33 of this act on a purchase;

(3) A statement that Nevada requires the purchaser to pay the tax imposed by sections 24 and 33 of this act and file a return for such taxes if the tax imposed by sections 24 and 33 of this act is not collected at the time of the sale by the marketplace seller;

(4) Information informing the purchaser that the notice is provided under the requirements of this section; and

(5) Instructions for obtaining additional information from the Department regarding whether and how to remit the tax imposed by sections 24 and 33 of this act;

(b) The referrer provides a monthly notice to each marketplace seller to whom the referrer made a referral of a potential customer located in this State during the previous calendar year, which monthly notice shall contain all of the following:

(1) A statement that Nevada imposes the tax imposed by sections 24 and 33 of this act on retail sales in this State;

(2) A statement that a marketplace facilitator or other retailer making retail sales in this State must collect and remit the tax imposed by sections 24 and 33 of this act; and

(3) Instructions for obtaining additional information from the Department regarding the collection and remittance of the tax imposed by sections 24 and 33 of this act; and

(c) The referrer provides the Department with periodic reports in an electronic format and in the manner prescribed by the Department, which reports contain all of the following:

(1) A list of marketplace sellers who received a notice from the referrer pursuant to paragraph (b);

(2) A list of marketplace sellers that collect and remit the tax imposed by sections 24 and 33 of this act and that list or advertise the marketplace seller's products for sale on a platform of the referrer; and

(3) An affidavit signed under penalty of perjury from an officer of the referrer affirming that the referrer made reasonable efforts to comply with the applicable notice and reporting requirements of this subsection.

3. Any regulations adopted by the Department pursuant to subsection 1 must provide that in administering the provisions of this chapter, the Department shall construe the terms "seller," "retailer" and "retailer maintaining a place of business in this State" in accordance with the provisions of this section.

4. Any regulations adopted by the Department pursuant to subsection 1 must apply only to referrals by a referrer and shall not preclude the applicability of other provisions of this chapter to a person who is a referrer and is also a retailer, a marketplace facilitator or a marketplace seller.

5. As used in this section:

(a) "Platform" means an electronic or physical medium, including, without limitation, an Internet site or catalog, that is owned, operated or controlled by a referrer.

(b) "Referral" means the transfer through telephone, Internet link or other means by a referrer of a potential customer to a retailer or seller who advertises or lists specified digital products for sale on a platform of the referrer.

(c) "Referrer":

(1) Means a person who does all of the following:

(I) Contracts or otherwise agrees with a retailer, seller or marketplace facilitator to list or advertise for sale specified digital products of the retailer, seller or marketplace facilitator on a platform, provided such listing or advertisement identifies whether or not the retailer, seller or marketplace facilitator collects the tax imposed by sections 24 and 33 of this act;

(II) Receives a commission, fee or other consideration from the retailer, seller or marketplace facilitator for the listing or advertisement;

(III) Provides referrals to a retailer, seller or marketplace facilitator, or an affiliate of a retailer, seller or marketplace facilitator; and

(IV) Does not collect money or other consideration from the customer for the transaction.

(2) Does not include:

(I) A person primarily engaged in the business of printing or publishing a newspaper; or

(II) A person who does not provide the retailer's, seller's or marketplace facilitator's shipping terms and who does not advertise whether a retailer, seller or marketplace facilitator collects the tax imposed by sections 24 and 33 of this act.

Sec. 97. *1. Nothing in sections 90 to 97, inclusive, of this act shall be construed to create any remedy or private right of action against a marketplace facilitator.*

2. A marketplace facilitator that is required to collect taxes imposed by this chapter is immune from civil liability for claims arising from or related to the overpayment of taxes imposed by this chapter if the marketplace facilitator acted in good faith and without malicious intent.

3. Nothing in this section applies to or otherwise limits:

(a) Any claim, action, mandate, power, remedy or discretion of the Department, or an agent or designee of the Department.

(b) The right of a taxpayer to seek a refund pursuant to sections 69 to 87, inclusive, of this act.

Sec. 98. *1. Except as otherwise provided in this section, it is presumed that the provisions of this chapter relating to the imposition, collection and remittance of the tax imposed by section 24 of this act, and the collection and remittance of the tax imposed by section 33 of this act, apply to a retailer if:*

(a) The retailer is part of a controlled group of corporations that has a component member, other than a common carrier acting in its capacity as such, that has physical presence in this State; and

(b) The component member with physical presence in this State:

(1) Sells a similar line of products or services as the retailer and does so under a business name that is the same or similar to that of the retailer;

(2) Maintains an office, distribution facility, warehouse or storage place or similar place of business in this State to facilitate the delivery of products or services sold by the retailer to the retailer's customers;

(3) Uses trademarks, service marks or trade names in this State that are the same or substantially similar to those used by the retailer;

(4) Delivers, installs, assembles or performs maintenance services for the retailer's customers within this State;

(5) Facilitates the retailer's delivery of products or services to customers in this State by allowing the retailer's customers to pick up or receive products or services sold by the retailer at an office, distribution facility, warehouse, storage place or similar place of business maintained by the component member in this State; or

(6) Conducts any other activities in this State that are significantly associated with the retailer's ability to establish and maintain a market in this State for the retailer's products or services.

2. A retailer may rebut the presumption set forth in subsection 1 by providing proof satisfactory to the Department that, during the calendar year in question, the activities of the component member with physical presence in this State are not significantly associated with the retailer's ability to establish or maintain a market in this State for the retailer's products or services.

3. In administering the provisions of this chapter, the Department shall construe the terms "seller," "retailer" and "retailer maintaining a place of business in this State" in accordance with the provisions of this section.

4. As used in this section:

(a) "Component member" has the meaning ascribed to it in section 1563(b) of the Internal Revenue Code, 26 U.S.C. § 1563(b), and includes any entity that, notwithstanding its form of organization, bears the same ownership relationship to the retailer as a corporation that would qualify as

a component member of the same controlled group of corporations as the retailer.

(b) "Controlled group of corporations" has the meaning ascribed to it in section 1563(a) of the Internal Revenue Code, 26 U.S.C. § 1563(a), and includes any entity that, notwithstanding its form of organization, bears the same ownership relationship to the retailer as a corporation that would qualify as a component member of the same controlled group of corporations as the retailer.

Sec. 99. *1. Except as otherwise provided in this section, it is presumed that the provisions of this chapter relating to:*

(a) The imposition, collection and remittance of the tax imposed by section 24 of this act; and

(b) The collection and remittance of the tax imposed by section 33 of this act,

➥ apply to every retailer who enters into an agreement with a resident of this State under which the resident, for a commission or other consideration based upon the sale of specified digital products by the retailer, directly or indirectly refers potential customers, whether by a link on an Internet website or otherwise, to the retailer, if the cumulative gross receipts from sales by the retailer to customers in this State who are referred to the retailer by all residents with this type of an agreement with the retailer is in excess of $10,000 during the preceding four quarterly periods ending on the last day of March, June, September and December.

2. A retailer may rebut the presumption set forth in subsection 1 by providing proof satisfactory to the Department that each resident with whom the retailer has an agreement did not engage in any activity in this State that was significantly associated with the retailer's ability to establish or maintain a market in this State for the retailer's products or services during the preceding four quarterly periods ending on the last day of March, June, September and December. Such proof may consist of the sworn written statements of each resident with whom the retailer has an agreement stating that the resident did not engage in any solicitation in this State on behalf of the retailer during the preceding four quarterly periods ending on the last day of March, June, September and December, if the statements were obtained from each resident and provided to the Department in good faith.

3. In administering the provisions of this chapter, the Department shall construe the terms "seller," "retailer" and "retailer maintaining a place of business in this State" in accordance with the provisions of this section.

Sec. 100. *1. The provisions of this chapter relating to the imposition, collection and remittance of the tax imposed by section 24 of this act, and the collection and remittance of the tax imposed by section 33 of this act apply to a retailer who does not maintain a place of business in this State if, in the immediately preceding calendar year or the current calendar year:*

(a) The gross revenue of the retailer from the retail sale of tangible personal property or specified digital products, or the total gross revenue of

the retailer from the retail sale of tangible personal property and specified digital products, in transactions that took place in this State, as determined pursuant to NRS 360B.350 to 360B.375, inclusive, or section 23 of this act, as applicable, is greater than $100,000.

(b) The retailer had 200 or more transactions that took place in this State, as determined pursuant to NRS 360B.350 to 360B.375, inclusive, or section 23 of this act, as applicable, in which tangible personal property or specified digital products were sold at retail.

2. In administering the provisions of this chapter, the Department shall construe the terms "seller," "retailer" and "retailer maintaining a place of business in this State" in accordance with the provisions of subsection 1.

Sec. 101. *1. The Department shall enforce the provisions of this chapter and may adopt regulations relating to the administration and enforcement of this chapter.*

2. The Department may prescribe the extent to which any regulation may be applied without retroactive effect.

Sec. 102. *In administering the provisions of section 49 of this act, the Department shall apply the exemption for the sale of specified digital products to the State of Nevada, its unincorporated agencies and instrumentalities to include all specified digital products that are sold to:*

1. A member of the Nevada National Guard who is engaged in full-time National Guard duty, as defined in 10 U.S.C. § 101(d)(5), and has been called into active service.

2. A relative of a member of the Nevada National Guard eligible for the exemption pursuant to subsection 1 who:

(a) Resides in the same home or dwelling in this State as the member; and

(b) Is related by blood, adoption or marriage within the first degree of consanguinity or affinity to the member.

3. A relative of a deceased member of the Nevada National Guard who was engaged in full-time National Guard duty, as defined in 10 U.S.C. § 101(d)(5), and who was killed while performing his or her duties as a member of the Nevada National Guard during a period when the member was called into active service. To be eligible under this subsection, the relative must be a person who:

(a) Resided in the same house or dwelling in this State as the deceased member; and

(b) Was related by blood, adoption or marriage within the first degree of consanguinity or affinity to the deceased member.

Sec. 103. *1. A person who wishes to claim an exemption pursuant to section 102 of this act must file an application with the Department to obtain a letter of exemption. The application must be on a form and contain such information as is required by the Department.*

2. If the Department determines that a person is eligible for the exemption provided pursuant to section 102 of this act, the Department shall issue a letter of exemption to the person. A letter of exemption issued to a

member of the Nevada National Guard described in subsection 1 of section 102 of this act or a relative of a member described in subsection 2 of section 102 of this act expires on the date on which the person no longer meets the qualifications for eligibility. A letter of exemption issued to a relative of a deceased member of the Nevada National Guard described in subsection 3 of section 102 of this act expires on the date 3 years after the date of the death of the member.

3. To claim an exemption pursuant to section 102 of this act for the sale of specified digital products to such a person:

(a) The person must provide a copy of the letter of exemption to the retailer from whom the person purchases the specified digital products; and

(b) The retailer must retain and present upon request a copy of the letter of exemption to the Department.

4. The Department shall adopt such regulations as are necessary to carry out the provisions of this section.

Sec. 104. *The Department may employ accountants, auditors, investigators, assistants and clerks necessary for the efficient administration of this chapter, and may delegate authority to its representatives to conduct hearings, adopt regulations or perform any other duties imposed by this chapter.*

Sec. 105. *1. Notwithstanding any other provision of law, any broadcaster, printer, outdoor advertising firm, advertising distributor or publisher which broadcasts, publishes, displays or distributes paid commercial advertising in this State which is intended to be disseminated primarily to persons located in this State and is only secondarily disseminated to bordering jurisdictions, including advertising appearing exclusively in a Nevada edition or section of a national publication, must be regarded, for the purposes set forth in subsection 2 only, as the agent of the person or entity placing the advertisement, and as a retailer maintaining a place of business in this State.*

2. The agency created by this section is solely for the purpose of the proper administration of this chapter, to prevent evasion of the tax imposed by section 33 of this act and the duty to collect that tax, and to provide a presence in Nevada for the collection of the tax imposed by section 33 of this act by and from advertisers and sellers who do not otherwise maintain a place of business in this State. The agent has no responsibility to report, or liability to pay, any tax imposed under this chapter and is not restricted by the provisions of this chapter from accepting advertisements from advertisers or sellers who do not otherwise maintain a place of business in this State.

Sec. 106. *1. Every seller, every retailer and every person storing, using or otherwise consuming in this State specified digital products purchased from a retailer shall keep records, receipts, invoices and other pertinent papers in such form as the Department may require.*

2. Every seller, retailer or person who files the returns required under this chapter shall keep the records for not less than 4 years from their making unless the Department in writing sooner authorizes their destruction.

3. Every seller, retailer or person who fails to file the returns required under this chapter shall keep the records for not less than 8 years from their making unless the Department in writing sooner authorizes their destruction.

Sec. 107. *1. The Department, or any person authorized in writing by the Department, may examine the books, papers, records and equipment of any person selling specified digital products and any person liable for the tax imposed by section 33 of this act and may investigate the character of the business of the person to verify the accuracy of any return made or, if no return is made by the person, to ascertain and determine the amount required to be paid.*

2. Any person selling or purchasing specified digital products in this State who:

(a) Is required to:

(1) Obtain a permit pursuant to section 27 of this act or register pursuant to NRS 360B.200; or

(2) File a return pursuant to subsection 2 of section 59 of this act; and

(b) Keeps outside of this State his or her records, receipts, invoices and other documents relating to sales the person has made or the tax imposed by section 33 of this act due this State,

➥ shall pay to the Department an amount equal to the allowance provided for state officers and employees generally while traveling outside of the State for each day or fraction thereof during which an employee of the Department is engaged in examining those documents, plus any other actual expenses incurred by the employee while he or she is absent from his or her regular place of employment to examine those documents.

Sec. 108. *In its administration of the tax imposed by section 33 of this act, the Department may require the filing of reports by any person or class of persons having in their possession or custody information relating to sales of specified digital products, the use of which is subject to the tax. The report must:*

1. Be filed when the Department requires.

2. Set forth the names and addresses of purchasers of the specified digital products, the sales price of the specified digital products, the date of sale and such other information as the Department may require.

Sec. 109. *Any retailer or other person who fails or refuses to furnish any return required to be made, or who fails or refuses to furnish a supplemental return or other data required by the Department, or who renders a false or fraudulent return shall be fined not more than $500 for each offense.*

Sec. 110. *Any person required to make, render, sign or verify any report who makes any false or fraudulent return, with intent to defeat or evade the determination of an amount due required by law to be made, is guilty of a gross misdemeanor and shall for each offense be fined not less than $300 nor more than $5,000, or be imprisoned for not more than 364 days in the county jail, or be punished by both fine and imprisonment.*

Sec. 111. *Any violation of this chapter, except as otherwise provided, is a misdemeanor.*

Sec. 112. *Any prosecution for violation of any of the penal provisions of this chapter must be instituted within 3 years after the commission of the offense.*

Sec. 113. *In the determination of any case arising under this chapter, the rule of res judicata is applicable only if the liability involved is for the same period as was involved in another case previously determined.*

Sec. 114. *1. All fees, taxes, interest and penalties imposed and all amounts of tax required to be paid to the State under this chapter must be paid to the Department in the form of remittances payable to the Department.*

2. Except as otherwise provided in subsection 3, the Department shall deposit the payments in the State Treasury to the credit of each account in the State General Fund to which is credited a tax imposed upon sales at retail of tangible personal property and use tax due on the purchase of tangible personal property for use in this State, in the proportion that would be credited to each account if the fees, taxes, interest and penalties imposed or required to be paid to the State under this chapter were a tax upon sales at retail of tangible personal property or use tax due on the purchase of tangible personal property for use in this State.

3. The payments pursuant to this chapter which, in the absence of this subsection, would be allocated pursuant to NRS 377.055 and 377.057 must instead be distributed to the county to which the underlying retail sale of specified digital products is deemed to take place pursuant to section 23 of this act.

Sec. 115. *The money in the accounts described in subsection 2 of section 114 of this act may, upon order of the State Controller, be used for refunds under this chapter.*

Sec. 116. *The remedies of the State provided for in this chapter are cumulative, and no action taken by the Department or the Attorney General constitutes an election by the State to pursue any remedy to the exclusion of any other remedy for which provision is made in this chapter.*

Sec. 117. *The imposition of taxes by this chapter, the categories of transactions upon which taxes are imposed and the specification of exemptions are exclusive. The Nevada Tax Commission and the Department shall not construe any provision of this chapter to authorize the imposition of a tax imposed by this chapter upon any transaction not expressly made taxable by this chapter.*

Sec. 118. NRS 360.261 is hereby amended to read as follows:

360.261 Not later than 30 days after the Department or the Nevada Tax Commission makes a finding or ruling, or enters into an agreement with a retailer providing, that the provisions of chapters 372 and 374 of NRS ***and sections 2 to 117, inclusive, of this act*** relating to the imposition, collection and remittance of ~~[~~the sales~~]~~ ***a*** tax ~~[~~, and the collection and remittance of the use tax,~~]~~ do not apply to the retailer, despite the presence in this State of an office, distribution facility, warehouse or storage place or similar place of business which is owned or operated by the retailer or an affiliate of the retailer, whether the finding, ruling or agreement is written or oral and whether the finding, ruling or agreement is express or implied, the Department shall submit a report of the finding, ruling or agreement to the Director of the Legislative Counsel Bureau for transmittal to:

3. The interest must be paid:

(c) Reasonable estimates of the amount.

2. One or more deficiency determinations may be made with respect to the amount due for one or for more than one period.

3. In making its determination of the amount required to be paid, the Department shall impose interest on the amount of tax determined to be due, calculated at the rate and in the manner set forth in NRS 360.417, unless a different rate of interest is specifically provided by statute.

4. The Department shall impose a penalty of 10 percent in addition to the amount of a determination that is made in the case of the failure of a person to file a return with the Department.

5. When a business is discontinued, a determination may be made at any time thereafter within the time prescribed in NRS 360.355 as to liability arising out of that business, irrespective of whether the determination is issued before the due date of the liability.

The amount of any penalty imposed must be based on a graduated schedule adopted by the Nevada Tax Commission which takes into consideration the length of time the tax or fee remained unpaid.

Sec. 122. NRS 360.510 is hereby amended to read as follows:

360.510 1. If any person is delinquent in the payment of any tax or fee administered by the Department or if a determination has been made against the person which remains unpaid, the Department may:

(a) Not later than 3 years after the payment became delinquent or the determination became final; or

(b) Not later than 6 years after the last recording of an abstract of judgment or of a certificate constituting a lien for tax owed,

➥ give a notice of the delinquency and a demand to transmit personally or by registered or certified mail to any person, including, without limitation, any officer or department of this State or any political subdivision or agency of this State, who has in his or her possession or under his or her control any credits or other personal property belonging to the delinquent, or owing any debts to the delinquent or person against whom a determination has been made which remains unpaid, or owing any debts to the delinquent or that person. 3. After receiving the demand to transmit, the person notified by the demand may not transfer or otherwise dispose of the credits, other personal property, or debts in his or her possession or under his or her control at the time the person received the notice until the Department consents to a transfer or other disposition.

4. Every person notified by a demand to transmit shall, within 10 days after receipt of the demand to transmit, inform the Department of and transmit to the Department all such credits, other personal property or debts in his or her possession, under his or her control or owing by that person within the time and in the manner requested by the Department. 6. If the notice of the delinquency seeks to prevent the transfer or other disposition of a deposit in a bank or credit union or other credits or personal property in the possession or under the control of a bank, credit union or other depository institution, the notice must be delivered or mailed to any branch or office of the bank, credit union or other depository institution at which the deposit is carried or at which the credits or personal property is held.

7. AN ACT relating to education; ~~[providing for the development, review and updating of athletic]~~ **requiring an** emergency ~~[action plans]~~ **operations plan development committee** for ~~[use by]~~ public and private ~~[high]~~ schools ~~[in responding to serious or life-threatening injuries sustained by pupils participating in certain school athletic activities;]~~ **to create a plan for responding to certain medical emergencies relating to the heart; authorizing the board of trustees of a school district, the governing body of a charter school or the governing body of a private school to include a physician or other medical professional as a member of such a committee;** establishing requirements for certain training and certification for coaches, managers and ~~[other persons associated with such school athletic activities; establishing requirements for maintaining an automated external defibrillator at each public or private high school in this State for use during the school day or during certain school athletic activities;]~~ **athletic trainers;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Existing law requires the board of trustees of each school district in a county whose population is 100,000 or more (currently Clark County School District and Washoe County School District) to provide at least one automated external defibrillator at each high school within the school district. (NRS 450B.600) Existing law additionally authorizes: (1) the board of trustees of each school district in a county whose population is 100,000 or more to provide an automated external defibrillator in each school in the school district, other than a high school, and at each athletic facility maintained by the school district that is in a separate location from a public school; and (2) the board of trustees of any other school district to provide an automated external defibrillator in each school in the school district and at each athletic facility maintained by the school district that is in a separate location from a public school. (NRS 450B.620) Section 6 of this bill: (1) extends to all public and private high schools in this State the requirement to maintain an automated external defibrillator and requires an automated external defibrillator to be accessible during the school day and during all school athletic activities; and (2) requires each coach, manager or other person who is associated with such a school

~~athletic activity to complete training in the operation and use of an automated external defibrillator. Under section 6, a school athletic activity is: (1) an interscholastic activity or event governed by the Nevada Interscholastic Activities Association or any other interscholastic athletic activity or event involving an organized athletic game or competition against another team, club or entity; or (2) any practice or preparation for any such interscholastic activity or event. ~~Sections 2 and 4 of this bill require the establishment of athletic emergency action plans for use by public and private high schools in responding to serious or life-threatening injuries sustained by pupils participating in school athletic activities. Under section 2, the board of trustees of each school district and the governing body of each charter school is required to develop a model for such a plan and provide the model to each principal of a high school or charter high school. Section 2 requires the principal of each high school or charter high school to use the model to develop a site-specific plan for the high school or charter high school, as applicable, that satisfies certain minimum requirements, including, without limitation: (1) identifying the personnel in each school who are responsible for carrying out the plan; (2) identifying providers of health care who may provide medical care during the activities; (3) identifying equipment and supplies that may be needed to respond to a medical emergency at such activities; (4) describing procedures to be followed after a serious or life-threatening injury; and (5) providing contact information for emergency medical services and directions to assist emergency medical personnel in accessing the location of the activity. Finally, section 2 requires each coach, manager or other person who is associated with a school athletic activity to attend training on the athletic emergency action plan for his or her school, which must include, without limitation, a rehearsal of actions required under the plan to respond to a serious or life-threatening injury to a pupil participating in a school athletic activity. Section 4 requires the governing body of a private school that operates as a high school to develop an athletic emergency action plan for the school and imposes the same requirements related to such a plan as are set forth in section 2 for public schools.~~

Existing law requires the board of trustees of each school district to establish a plan for teachers and other licensed educational personnel in the school district who teach or supervise pupils in physical education to obtain training and certification in the administration of cardiopulmonary resuscitation. (NRS 391.092) Existing regulations require coaches of a school team participating in an interscholastic activity or event governed by the Nevada Interscholastic Activities Association to be certified in cardiopulmonary resuscitation and to complete certain training in administering first aid. (NAC 385B.798) **Section ~~1~~ 1.5** of this bill requires each coach, manager or ~~other person who is associated with any school athletic activity~~ **athletic trainer** in a school district to obtain training and certification in the administration of cardiopulmonary

resuscitation. **Section 5** of this bill applies this requirement to each coach, manager or ~~[person who is associated with any school athletic activity or event]~~ **athletic trainer** at a private school.

Existing law requires the board of trustees of each school district, the governing body of each charter school and the governing body of each private school to establish an emergency operations plan development committee to develop a plan for responding to certain emergencies in each school. (NRS 388.241, 388.243, 394.1685, 394.1687) Sections 1.3 and 8.7 of this bill require a plan developed by such a committee for a public school or private school, respectively, to include a plan for immediately responding to an emergency involving the heart, including, without limitation, a person in cardiac arrest. Amendment No. 471.

SUMMARY—[~~Revises provisions governing~~] **Requires the Joint Interim Standing Committee on Revenue to conduct a study concerning the application of** the commerce tax ~~[.]~~ **to certain entities.** (BDR 32-167)

AN ACT relating to taxation; requiring **the Joint Interim Standing Committee on Revenue to conduct a study during the 2025-2026 interim on the advisability and feasibility of treating** certain business entities ~~[to be treated]~~ as a ~~[combined taxpayer group]~~ **single entity** for the purposes of the commerce tax; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law imposes an annual commerce tax on each business entity engaged in business in this State whose Nevada gross revenue in a fiscal year exceeds $4,000,000 at a rate that is based on the industry in which the business entity is primarily engaged. (NRS 363C.200) ~~[Section 3 of this bill requires~~

~~that certain business entities that are primarily engaged in the business of renting real property located in this State to other persons be treated as a single business entity for the purposes of the commerce tax. Section 2 of this bill refers to such a group as a "combined taxpayer group," and section 4 of this bill applies that definition to the provisions of law governing the commerce tax. Under sections 3 and 5 of this bill, for a combined taxpayer group, the applicability of the commerce tax, and the amount of the commerce tax owed, would be determined based on the combined Nevada gross revenue of each business entity that is treated as a member of the combined taxpayer group. Sections 6 and 7 of this bill make the provisions of this bill applicable only to a taxable year that begins on or after July 1, 2025.~~ **Existing law creates the Joint Interim Standing Committee on Revenue and authorizes a Joint Interim Standing Committee, including the Joint Interim Standing Committee on Revenue, to conduct studies directed by the Legislature or the Legislative Commission, within the limits of the Committee's budget. (NRS 218E.320, 218E.330) This bill requires the Joint Interim Standing Committee on Revenue to conduct a study during the 2025-2026 interim concerning the advisability and feasibility of treating as a single entity for the purposes of the commerce tax certain business entities that are primarily engaged in the business of renting real property located in this State to another person. This bill requires the Committee to submit a report of the results of the study and any recommendations for legislation to the Director of the Legislative Counsel Bureau for transmittal to the 84th Session of the Nevada Legislature.**

Assembly Bill No. 458.

The following amendment was proposed by the Committee on Growth and Infrastructure:

Amendment No. 321.

AN ACT relating to energy; authorizing the users of a solar-powered affordable housing system to participate in net metering; exempting the owner or operator of a solar-powered affordable housing system from certain provisions of law; **requiring the owner or landlord of a qualified multifamily affordable housing property to notify residents and new tenants of certain information relating to a solar-powered affordable housing system; making certain provisions governing public works applicable to contracts for construction work related to certain solar-powered affordable housing systems;** establishing requirements for a tariff or contract relating to a solar-powered affordable housing system; revising provisions governing the administration of net metering; revising provisions relating to an expanded solar access program which certain electric utilities are required to offer; **revising certain contractual requirements for an agreement for the purchase or lease of a solar-powered affordable housing system; imposing various requirements and restrictions on a contractor who performs work concerning a residential photovoltaic system used to produce electricity on a qualified multifamily affordable housing property;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires each electric utility in this State to offer net metering to customer-generators operating in the service area of the utility. (NRS 704.773) Existing law defines "net metering" to mean measuring the difference between the electricity supplied by a utility and the electricity generated by certain customers which is fed back to the utility. (NRS 704.769) **Sections 13 and 14** of this bill authorize the users of a solar-powered affordable housing system to participate in net metering. **Sections 2-8** of this bill define certain terms related to solar-powered affordable housing systems. **Section 11** of this bill excludes persons who own or operate a solar-powered affordable housing system from the definition of "public utility." **Section 12** of this bill makes a conforming change to make the definitions set forth in **sections 2-8** applicable to the provisions of existing law governing net metering.

Sections 15 and 16 of this bill revise existing provisions governing net metering to provide for the administration of net metering with respect to solar-powered affordable housing systems, including the measuring of net electricity produced or consumed and the awarding of credit for excess electricity produced by a solar-powered affordable housing system. **Sections 9 and 10** of this bill establish certain requirements for any tariff or contract which relates to a solar-powered affordable housing system. **Section 9.3 of this bill requires an application to qualify for the tariff submitted to the utility by an owner or operator of a solar-powered affordable housing system to include certain supporting documentation which shows that the system is part of a qualified multifamily affordable housing property. Section 9.7 of this bill requires the owner of a solar-powered affordable housing system, in the initial application for the tariff which the owner submits to the utility, to inform the utility of the proper allocation of capacity and its associated production to customer-generators of the system.** **Section 18** of this bill provides that, with certain exceptions, certain provisions governing the rates charged for the provision of electric service by the landlord of a manufactured home park or mobile home park or owner of a company town do not apply to the owner or operator of a solar-powered affordable housing system.

Section 10.3 of this bill requires the owner or landlord of a qualified multifamily affordable housing property to notify residents and new tenants of certain information relating to a solar-powered affordable housing system that is on the premises or to be installed on the premises.

Section 10.7 of this bill provides that certain provisions governing public works apply to any contract for construction work related to a solar-powered affordable housing system financed in whole or in part by a state or local government, even if the construction work does not qualify as a public work.

Existing law requires: (1) certain electric utilities in this State to offer an expanded solar access program to residential customers and to certain nonresidential customers who consume less than 10,000 kilowatt-hours of

electricity per month; (2) the Public Utilities Commission of Nevada to adopt certain regulations for the implementation of the expanded solar access program; and (3) an electric utility to submit a plan for the implementation of the expanded solar access program. Under existing law, the customers who are eligible to participate in an expanded solar access program are: (1) low-income residential customers; (2) certain disadvantaged businesses and nonprofit organizations; and (3) certain residential customers who cannot install solar resources on the premises of the customer. In implementing the expanded solar access program, an electric utility is required to: (1) make use of at least a certain number of community-based solar resources; and (2) provide participating low-income residential customers with a lower rate. (NRS 704.7865)

Section 17 of this bill: (1) revises the criteria for eligibility so that only low-income residential customers are eligible to participate in an expanded solar access program; and (2) ~~[adds certain rate reductions for such]~~ **requires** customers who are supported with certain funding from the Nevada Clean Energy Fund **~~[.]~~ to comply with certain requirements. Section 17** also authorizes such a participating customer to remain continuously enrolled in the program without having to reapply. For community-based solar resources, **section 17**: (1) increases the maximum nameplate capacity from not more than 1 megawatt to not more than 5 megawatts; (2) requires a process for open bidding or requests for proposals for the selection of sites; (3) requires prioritizing the selection of sites that provide resiliency for the electric grid and benefits for the community; and (4) requires construction of additional community-based solar resources in proportion to increased participation in the expanded solar access program.

Existing law: (1) imposes certain requirements on solar installation companies that sell and install distributed generation systems in this State; (2) prescribes certain contractual requirements for an agreement for the purchase or lease of a distributed generation system and a power purchase agreement; and (3) provides that the violation of those provisions relating to distributed generation systems constitutes a deceptive trade practice. (NRS 598.9801-598.9822) Sections 1 and 19-25 of this bill make these provisions applicable to solar-powered affordable housing systems.

Existing law: (1) prohibits a person from performing any work on, or providing a bid for or executing a contract to perform such work on, a residential photovoltaic system used to produce electricity on a single-family residence unless the person holds a license issued by the State Contractors' Board or is an employee of such a person; (2) imposes certain requirements on contractors who perform work on such systems; (3) establishes requirements for contracts for such work; (4) prohibits or limits certain practices related to such work and contracts; and (5) authorizes certain penalties and disciplinary action for violations of these provisions. (NRS 624.830-624.895) Sections 23, 26 and 29-35 of this bill

make these provisions applicable to a residential photovoltaic system, including a solar-powered affordable housing system, located on a qualified multifamily affordable housing property.

Section 28 of this bill requires a general building contractor, in the case of a contract for work concerning a residential photovoltaic system to produce electricity on a qualified multifamily affordable housing property, to provide to the owner of the property certain information relating to subcontractors on the project, certain persons who furnished material for the project and liens.

Existing law authorizes the State Contractors' Board to require a contractor who performs work concerning a residential photovoltaic system used to produce electricity to obtain performance and payment bonds if the contractor: (1) is determined by the Board to have committed certain violations; (2) enters into a contract that is later found to be void and unenforceable against an owner; or (3) has five valid complaints filed against him or her with the Board within a 15-day period. (NRS 624.270) Sections 23 and 28 of this bill make this provision applicable to a contractor who performs work on a solar-powered affordable housing system located on a qualified multifamily affordable housing property.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

(2) For a solar-powered affordable housing system that serves multiple meters, by measuring the total generation output of the solar-powered affordable housing system using a production meter. The utility shall, for capacity allocations, calculate the total kilowatt-hour output associated with each user's allocated share of the solar-powered affordable housing system's production and deduct the allocated total kilowatt-hour output from each user's total measured consumption.

(b) If the electricity supplied by the utility exceeds the electricity generated by the customer-generator ***, or the customer-generator's allocated share of the electricity generated by a solar-powered affordable housing system,***

which is fed back to the utility during the billing period, the customer-generator must be billed for the net electricity supplied by the utility.

(c) Except as otherwise provided in NRS 704.7732, if the electricity generated by the customer-generator ***, or the customer-generator's allocated share of the electricity generated by a solar-powered affordable housing system,*** which is fed back to the utility exceeds the electricity supplied by the utility during the billing period:

(1) Neither the utility nor the customer-generator is entitled to compensation for the electricity provided to the other during the billing period.

(2) The excess electricity which is fed back to the utility during the billing period is carried forward to the next billing period as an addition to the kilowatt-hours generated by the customer-generator in that billing period. If the customer-generator is billed for electricity pursuant to a time-of-use rate schedule, the excess electricity carried forward must be added to the same time-of-use period as the time-of-use period in which it was generated unless the subsequent billing period lacks a corresponding time-of-use period. In that case, the excess electricity carried forward must be apportioned evenly among the available time-of-use periods.

(3) Excess electricity may be carried forward to subsequent billing periods indefinitely, but a customer-generator is not entitled to receive compensation for any excess electricity that remains if:

(I) The net metering system ceases to operate or is disconnected from the utility's transmission and distribution facilities;

(II) The customer-generator ceases to be a customer of the utility at the premises served by the net metering system; or

(III) The customer-generator transfers the net metering system to another person.

(4) The value of the excess electricity must not be used to reduce any other fee or charge imposed by the utility.

3. If the cost of purchasing and installing a net metering system was paid for:

(a) In whole or in part by a utility, the electricity generated by the net metering system shall be deemed to be electricity that the utility generated or acquired from a renewable energy system for the purposes of complying with its portfolio standard pursuant to NRS 704.7801 to 704.7828, inclusive.

(b) Entirely by a customer-generator, ***including, without limitation, a customer-generator that is the owner of a solar-powered affordable housing system,*** the Commission shall issue to the customer-generator portfolio energy credits for use within the system of portfolio energy credits adopted by the Commission pursuant to NRS 704.7821 and 704.78213 equal to the electricity generated by the net metering system.

4. A bill for electrical service is due at the time established pursuant to the terms of the contract between the utility and the customer-generator.

Sec. 18. NRS 704.940 is hereby amended to read as follows:

704.940 1. In a manufactured home park, mobile home park or company town where the landlord or owner is billed by a gas or electric utility or an alternative seller and in turn charges the tenants or occupants of the dwellings for the service provided by the utility or alternative seller, and the park or town:

(a) Is equipped with individual meters for each lot, the landlord or owner shall not charge a tenant or occupant for that service at a rate higher than the rate paid by the landlord or owner.

(b) Is not equipped with individual meters for each lot, the landlord or owner shall prorate the cost of the service equally among the tenants of the park or occupants of the dwellings who use the service, but the prorated charges must not exceed in the aggregate the cost of the service to the landlord or owner.

2. In a manufactured home park, mobile home park or company town that:

(a) Is equipped with individual water meters for each lot, the individual meters must be read and billed by the purveyor of the water.

(b) Is not equipped with individual water meters for each lot and the landlord or owner is billed by the purveyor of the water and in turn charges the tenants or occupants of the dwellings for the service provided by the purveyor, the landlord or owner shall prorate the cost of the service equally among the tenants of the park or occupants of the dwellings who use the service, but the prorated charges must not exceed in the aggregate the cost of the service to the landlord or owner.

➥ The landlord or owner of a manufactured home park or mobile home park that converts from a master-metered water system to individual water meters for each mobile home lot shall not charge or receive any fee, surcharge or rent increase to recover from the landlord's or owner's tenants the costs of the conversion. The owner of a company town that is not equipped with individual water meters shall not convert from the master-metered water system to individual water meters.

3. To the extent that the cost of providing a utility service to the common area of a manufactured home park, mobile home park or company town can be identified, the landlord or owner may not recover the cost of the utility service provided to the common area by directly charging a tenant or the occupant of a dwelling for those services.

4. The landlord of a manufactured home park or mobile home park or owner of a company town may assess and collect a charge to reimburse the landlord or owner for the actual cost of the service charge the landlord or owner is required to pay to a water utility serving the park or town. If the landlord or owner collects such a charge, the landlord or owner shall prorate the actual cost of the service charge to the tenants or occupants of dwellings who use the service. The landlord or owner shall not collect more than the aggregate cost of the service to the landlord or owner.

5. The landlord may assess and collect a service charge from the tenants of the park for the provision of gas and electric utility services, but the amount of the charge must not be more than the tenants would be required to pay the utility or alternative seller providing the service. The landlord shall:

(a) Keep the money from the service charges in a separate account and expend it only for federal income taxes which must be paid as a result of the collection of the service charge, for preventive maintenance or for repairing or replacing utility lines or equipment when ordered or granted permission to do so by the Commission; and

(b) Retain for at least 3 years a complete record of all deposits and withdrawals of money from the account and file the record with the Commission on or before March 30 of each year.

6. Money collected by the landlord or owner for service provided by a utility or an alternative seller to the tenants of a manufactured home park or mobile home park or occupants of the dwellings may not be used to maintain, repair or replace utility lines or equipment serving the common area of the manufactured home park, mobile home park or company town.

7. The owner of a company town who provides a utility service directly to the occupants of the town may charge the occupants their pro rata share of the owner's cost of providing that service. Where meters are available, the pro rata share must be based on meter readings. Where meters are not available, the owner shall determine a fair allocation which must be explained in detail to the Commission in the reports required by NRS 704.960. The Commission may modify the allocation in accordance with its regulations if it determines the owner's method not to be fair. The Commission shall adopt regulations governing the determination of the costs which an owner of a company town may recover for providing a utility service directly to the occupants of that town and the terms and conditions governing the provision of that service.

8. The landlord or owner shall itemize all charges for utility services on all bills for rent or occupancy. The landlord or owner may pass through to the tenant or occupant any increase in a rate for a utility service and shall pass through any decrease in a charge for a utility service as it becomes effective.

9. The landlord or owner shall retain for at least 3 years a copy of all billings for utility services made to the tenants or the occupants of the landlord's or owner's dwellings and shall make these records available upon request to the Commission for verification of charges made for utility services.

10. A landlord whose interest in a manufactured home park or mobile home park terminates for any reason shall transfer to the landlord's successor in interest any balance remaining in the account for service charges for utilities. Evidence of the transfer must be filed with the Commission.

11. The Commission may at any time examine all books and records which relate to the landlord's or owner's purchase of or billing for a service provided by a utility or an alternative seller if the landlord or owner is charging the tenants of the manufactured home park or mobile home park or occupants of the dwellings for that service.

12. The provisions of this section do not apply to a landlord or owner who is the owner or operator of a solar-powered affordable housing system, as defined in section 8 of this act, except that:

(a) If the owner of a solar-powered affordable housing system is the landlord of a qualified multifamily affordable housing property, as defined in section 7 of this act, in which the tenant units are equipped with individual meters, the owner of the solar-powered affordable housing system must follow any applicable federal laws or regulations to ensure that the owner of the solar-powered affordable housing system does not charge a tenant or

occupant for utility service at a rate that is higher than the rate paid by the owner of the solar-powered affordable housing system.

(b) A landlord who is the owner or operator of a solar-powered affordable housing system shall ensure that the financial benefits of the electricity produced by the solar-powered affordable housing system are allocated among the tenant units in a manner that is equitable as required by NRS 704.773 and section 9 of this act.

Amendment No. 206.

AN ACT relating to child welfare; establishing a form by which a parent or guardian may request to nominate a guardian of a minor; authorizing the filing of such a form in the Nevada Lockbox; **removing the authority of the Secretary of State to charge and collect a fee for filing a form in the Nevada Lockbox;** creating a presumption that temporary guardianship is in the best interest of a minor in certain circumstances; ~~[authorizing certain additional persons to receive supportive assistance through the program to provide such assistance to certain relatives who provide care for and obtain legal guardianship of a child; making an appropriation to a program to support pupils affected by trauma;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes any person requesting to nominate another person to be appointed as his or her guardian to complete a form requesting to nominate a guardian. (NRS 159.0753) Existing law also authorizes the Secretary of State to establish and maintain the Nevada Lockbox, which is an electronic registry where a person may register a form requesting to nominate a guardian, among other documents. (NRS 225.360) **Section 1** of this bill authorizes a parent or guardian of a minor who wishes to request to nominate another person to be appointed as the guardian for the minor to complete a

form requesting to nominate a guardian of the minor. **Section 1** clarifies that a person nominated to be a guardian of a minor is required to obtain appointment from a court before exercising the power of a guardian. **Section 3** of this bill requires a court to consider a form requesting to nominate a guardian of a minor in determining which person is most suitable to be the guardian for the minor. **Section 4** of this bill includes a form requesting to nominate a guardian of a minor in the list of documents that may be submitted for inclusion in the Nevada Lockbox. **Sections 4.5 and 5.5 of this bill remove the authority of the Secretary of State to charge and collect a fee for the registration of a will or other document in the Nevada Lockbox.** **Section 5** of this bill authorizes the Secretary of State to provide access to the lockbox when required by a court, hospital, law enforcement agency or other entity that needs to determine whether a person has designated a guardian for a minor. **Section 7** of this bill makes a conforming change to indicate the proper placement of **section 1** in the Nevada Revised Statutes.

Existing law establishes a procedure by which a petitioner may request the appointment of a temporary guardian for the person or estate, or both, of a proposed protected minor in circumstances where it is not feasible or would be harmful to notify the persons and entities who are normally entitled to notice of a guardianship hearing. Existing law presumes that temporary guardianship is in the best interest of the minor if no parent has had the care, custody and control of the minor for the immediately preceding 6 months. (NRS 159A.053) **Section 2** of this bill creates an additional presumption that a temporary guardianship is in the best interest of the proposed protected minor if no parent has the care, custody and control of the minor due to one or both parents being separated from the minor due to a federal immigration order.

~~[Existing law requires the Department of Health and Human Services to establish and administer a program to provide supportive assistance to qualifying relatives of children who provide care for and obtain the legal guardianship of those children, if the relative meets certain requirements, including, having attained a minimum age set by the Department. (NRS 422A.650) Section 6 of this bill authorizes a relative who has not attained that minimum age to receive supportive assistance through the program if the person is the legal guardian of a child who has been separated from one or both parents due to a federal immigration order.~~

~~Section 8 of this bill makes an appropriation to the Department of Education for the Nevada Trauma Recovery Grant Project for supporting pupils affected by trauma through the delivery of clinical trauma-specific interventions.]~~

4. The Secretary of State shall make the form established in subsection 3 available on the Internet website of the Secretary of State.

5. The person nominated for appointment as the guardian of a minor pursuant to this section must file a petition and obtain an appointment from the court before exercising the powers of a guardian.

6. The Secretary of State may adopt any regulations necessary to carry out the provisions of this section.

Sec. 2. NRS 159A.053 is hereby amended to read as follows:

159A.053 1. A petitioner may request that the court appoint a temporary guardian for the person or the estate, or both, of a proposed protected minor by filing a verified petition.

2. The petition must state facts which establish good cause for the appointment of a temporary guardian and which show that:

(a) The petitioner has tried in good faith to notify the persons entitled to notice pursuant to NRS 159A.047 by telephone or in writing before the filing of the petition;

(b) The proposed protected minor would be exposed to an immediate risk of physical, emotional or financial harm if the petitioner were to provide notice to the persons entitled to notice pursuant to NRS 159A.047 before the court determines whether to appoint a temporary guardian; or

(c) Giving notice to the persons entitled to notice pursuant to NRS 159A.047 is not feasible under the circumstances.

3. A petition which seeks an ex parte appointment of a temporary guardian must be accompanied by an affidavit which explains the emergency that requires a temporary guardian to be appointed before a hearing.

4. If no parent of the proposed protected minor has had the care, custody and control of the minor for the 6 months immediately preceding the petition ~~[.]~~ ***or one or both parents have been separated from the minor due to a federal immigration order leading to no parent having the care, custody and control of the minor,*** temporary guardianship of the person of the minor is presumed to be in the best interest of the minor.

5. The court may, upon that petition or other showing as it may require, appoint a temporary guardian of the person or the estate, or both, of the proposed protected minor.

6. Except as otherwise provided in subsection 7, after the appointment of a temporary guardian, the petitioner shall attempt in good faith to notify the persons entitled to notice pursuant to NRS 159A.047, including, without limitation, notice of any hearing to extend the temporary guardianship. If the petitioner fails to make such an effort, the court may terminate the temporary guardianship.

7. If, before the appointment of a temporary guardian, the court was satisfied that giving notice to the persons entitled to notice pursuant to NRS 159A.047 was not feasible under the circumstances or determined that such notice was not required pursuant to paragraph (b) or (c) of subsection 2, the petitioner shall notify the persons entitled to notice pursuant to NRS 159A.047 without undue delay, but not later than 48 hours after the appointment of the temporary guardian or not later than 48 hours after the petitioner discovers the existence, identity and location of the persons entitled to notice pursuant to that section. If the petitioner fails to provide such notice, the court may terminate the temporary guardianship.

8. Not later than 10 days after the date of an ex parte appointment of a temporary guardian pursuant to subsection 5, the court shall hold a hearing to

determine the need to extend the temporary guardianship. Except as otherwise provided in subsection 9, if the court finds by clear and convincing evidence that the protected minor continues to be in need of a temporary guardian, the court may, pursuant to subsection 10, extend the temporary guardianship until a general guardian is appointed.

9. The court may not extend a temporary guardianship pursuant to subsection 8 beyond the initial period of 10 days unless the petitioner demonstrates that:

(a) The provisions of NRS 159A.0475 have been satisfied; or

(b) Notice by publication pursuant to the Nevada Rules of Civil Procedure is currently being undertaken.

10. The court may extend the temporary guardianship, for good cause shown, for not more than two successive 60-day periods, unless extraordinary circumstances necessitate a longer duration for the temporary guardianship.

11. If for any reason a guardian who is appointed for a protected minor cannot perform the duties of a guardian, the court may, upon a petition filed to request temporary guardianship for the minor, appoint a temporary guardian to exercise the powers of a guardian until another guardian is appointed for the minor.

Sec. 3. NRS 159A.061 is hereby amended to read as follows:

159A.061 1. The parents of a proposed protected minor, or either parent, if qualified and suitable, are preferred over all others for appointment as guardian for the person or estate or person and estate of the proposed protected minor. The appointment of a parent as guardian for the person or estate of a proposed protected minor must not conflict with a valid order for custody of the proposed protected minor.

2. Except as otherwise provided in subsection 4, if a parent of a proposed protected minor files a petition seeking appointment as guardian for the proposed protected minor, the parent is presumed to be suitable to serve as guardian for the proposed protected minor.

3. In determining whether the parents of a proposed protected minor, or either parent, or any other person who seeks appointment as guardian for the proposed protected minor is qualified and suitable, the court shall consider, if applicable and without limitation:

(a) Which parent has physical custody of the proposed protected minor;

(b) The ability of the parents, parent or other person to provide for the basic needs of the proposed protected minor, including, without limitation, food, shelter, clothing and medical care, taking into consideration any special needs of the proposed protected minor;

involving the abuse, neglect, exploitation, isolation or abandonment of a child, his or her spouse, his or her parent or any other adult;

(e) Whether the parents, parent or other person has been convicted in this State or any other jurisdiction of a felony; and

(f) Whether the parents, parent or other person has engaged in one or more acts of domestic violence against the proposed protected minor, a parent of the proposed protected minor or any other person who resides with the proposed protected minor.

4. A parent of a proposed protected minor is presumed to be unsuitable to care for the proposed protected minor if:

(a) The parent is unable to provide for any or all of the basic needs of the proposed protected minor, including, without limitation:

(1) Food;

(2) Shelter;

(3) Clothing;

(4) Medical care; and

(5) Education;

(b) Because of action or inaction, the parent poses a significant safety risk of either physical or emotional danger to the proposed protected minor; or

(c) The proposed protected minor has not been in the care, custody and control of the parent for the 6 months immediately preceding the filing of the petition. The presumption created by this paragraph is a rebuttable presumption.

5. Subject to the preference set forth in subsection 1 and except as otherwise provided in subsection 7, the court shall appoint as guardian the qualified person who is most suitable and is willing to serve.

6. In determining which qualified person is most suitable, the court shall, in addition to considering any applicable factors set forth in subsections 2, 3 and 4, give consideration, among other factors, to:

(a) Any nomination of a guardian for the proposed protected minor contained in a will ***, a form requesting to nominate a guardian of a minor that is executed in accordance with section 1 of this act*** or other written instrument executed by a parent of the proposed protected minor.

(b) Any request made by the proposed protected minor, if he or she is 14 years of age or older, for the appointment of a person as guardian for the proposed protected minor.

(c) The relationship by blood or adoption of the proposed guardian to the proposed protected minor. The court may consider relatives in the following order of preference:

(2) Adult sibling.

(3) Grandparent.

(4) Uncle or aunt.

(d) Any recommendation made by a master of the court or special master pursuant to NRS 159A.0615.

(e) Any recommendation made by:

(2) A guardian ad litem or court appointed special advocate who represents the proposed protected minor.

(f) Any request for the appointment of any other interested person that the court deems appropriate.

7. The court may award temporary guardianship pursuant to this section, supported by findings of suitability, pending a trial or evidentiary hearing if that appointment is supported by findings.

8. Notwithstanding the presumption set forth in subsection 4, in the event of competing petitions for the appointment of guardianship of a proposed protected minor, any finding of unsuitability of a parent of the proposed protected minor must be found by clear and convincing evidence after a hearing on the merits or an evidentiary hearing.

9. In determining whether to appoint a guardian of the person or estate of a proposed protected minor and who should be appointed, the court must always act in the best interests of the proposed protected minor.

10. A court shall not refuse to appoint a person as a guardian of the person or estate of a proposed protected minor solely because the person:

Legislative Counsel's Digest:

Existing law sets forth the Inland Port Authority Act, which authorizes one or more boards of county commissioners of a county or governing bodies of an incorporated city to apply to the Office of Economic Development to create, operate and maintain an inland port and inland port authority in a contiguous area that includes certain transportation infrastructure and no residential property. (NRS 277B.150) **Sections 8-15, 17 and 18** of this bill revise the Inland Port Authority Act to additionally authorize the creation, operation and maintenance of an industrial park and an industrial park authority and makes the existing provisions of the Act applicable to industrial parks and industrial park authorities. **Section 8** provides that the Act may now be known and cited as the Inland Port and Industrial Park Authority Act. **Section 2** of this bill defines the term "industrial park." **Section 11 requires any area designated as an "industrial park" to include only property that includes or is adjacent to an inland port.**

Section 5 of this bill authorizes a participating entity in an inland port or industrial park to adopt an ordinance creating a tax increment area consisting of all or part of the inland port or industrial park for the purpose of creating a special account for the payment of bonds or other securities issued to defray the cost of certain projects within the inland port or industrial park. If a participating entity designates such a tax increment area, **section 5** provides for the allocation of a portion of the taxes levied upon taxable property in the tax increment area each year to pay the bond requirements of loans, money advanced to, or indebtedness incurred by the municipality to finance or refinance the project. **Section 7** of this bill authorizes the issuance of such bonds or securities by counties or incorporated cities that have created an inland port or industrial park. **Section 4** of this bill sets forth the projects of an inland port or industrial park which may be undertaken using the funding generated by the tax increment area. **Section 3** of this bill defines the term "municipality" for the purposes of the Inland Port and Industrial Park Authority Act. **Section 9** of this bill applies the new definitions created by this bill to the existing provisions of the Inland Port and Industrial Park Authority Act.

Sections 6 and 20 of this bill exempt a tax increment area created pursuant to **section 5** from certain limits on revenue from taxes ad valorem.

Section 12 authorizes the Office to initiate the creation of an inland port or industrial park and authority with the approval of the Board of Economic Development.

Existing law requires an inland port authority to be governed by a board of directors and sets forth the composition of such a board. (NRS 277B.200) **Section 16** of this bill adds an additional director to the board if none of the participating entities in the authority is a city and requires this director to be appointed by the Governor.

Existing law **: (1)** requires each large school district, meaning a school district in this State which has more than 100,000 pupils enrolled in its public schools (currently the Clark County School District), to offer a Teacher Academy College Pathway Program at every high school in the school district with 250 or more pupils enrolled to enable pupils in grades 9 to 12 to prepare for employment as professionals in K-12 education **;** and **(2)** authorizes a large school district, or a school district which is not a large school district, to offer the Program at other high schools. (NRS 388.223) **Section 25** of this bill excludes specialty schools from the high schools at which a large school district is required to offer the Program. **Section 25** requires a school district to offer dual credit courses at each high school which offers the Program in subjects which align with the requirements to obtain a bachelor's degree in education and in sufficient quantity to allow a pupil to obtain at least ~~[2]~~ **12** units of college credit. **Section 25** authorizes a school district to apply to the State Board of Education for an exemption from the requirement to offer certain internships and dual credit courses as part of the Program at a high school which is not located in an incorporated city if the school district can demonstrate that the location of the high school makes providing such internships or courses impracticable.

Section 25 authorizes a high school pupil, or a parent or legal guardian of such a pupil, who is aggrieved by a final decision regarding the implementation of the Program made by an administrator of the high school or the board of trustees to request a hearing for reconsideration of the decision by the board of trustees.

Existing law requires a school district to ensure that each high school which offers the Program is staffed by a full-time employee who is a licensed teacher or administrator who is responsible for implementing the Program. (NRS 388.223) **Section 25** replaces this requirement with a requirement for a school district to ensure that at least one licensed teacher ~~[is]~~ **be** assigned full-time to implement and teach the Program at each high school which offers the Program ~~[.]~~ **if more than two class periods in the Program will be offered at the high school.**

Section 25 requires **that for** a pupil ~~[,]~~ to complete the Program, ~~[to:]~~ **the pupil must:** (1) complete at least 2 ~~[units of college credit in certain courses and internships or complete]~~ **academic years in** a program of career and technical education in the area of teaching; and (2) participate in at least 15 hours of paid or unpaid work-based learning which is relevant to the field of teaching.

Existing law requires the Superintendent of Public Instruction to establish certain State Seals, including the State Seal of Biliteracy, the State Seal of Civics and the State Seal of STEM, which may be affixed to the diploma and noted on the transcript of a pupil to recognize that the pupil has met certain requirements. (NRS 388.591, 388.5933, 388.594) **Section 24** of this bill requires the Superintendent of Public Instruction to create a State Seal of Teacher Training and requires each board of trustees of a school district that

offers the Program to affix the Seal to the diploma of and note the receipt of the Seal on the transcript of each pupil who completes the Program.

~~[Existing law requires the Board of Regents of the University of Nevada to waive the payment of registration fees, laboratory fees and any other mandatory fees assessed each semester against certain students. (NRS 396.5443, 396.5449) Section 26 of this bill requires the Board of Regents to waive the payment of registration fees, laboratory fees and any other mandatory fees assessed each semester for a course of dual credit which a high school pupil enrolls in as part of the Program, for the first 12 credit hours of such courses in which a high school pupil enrolls. Section 26 requires the Board of Regents to grant a waiver of the payment of any application or admission fee for an undergraduate program assessed against a person who has completed the Program.]~~

Existing law requires the State Treasurer to establish a program to provide reimbursement for tuition charges, registration fees, laboratory fees and any other mandatory fee paid to an institution within the Nevada System of Higher Education by a person who: (1) completed the Program; and (2) has worked as a full-time, licensed teacher at a public school in this State for at least 3 consecutive school years. **Under existing law, the State Treasurer is authorized to provide a partial reimbursement to persons who have completed the Program and who have worked as a full-time, licensed teacher at a public school in this State for 1 year or 2 consecutive years.** (NRS 226.420) **Section 19** of this bill ~~[removes the requirement for a person to have worked as a full-time, licensed teacher at a public school for at least 3 consecutive school years to receive such reimbursement and, instead, authorizes the State Treasurer to provide]~~ **additionally requires that to be eligible for** such **a** reimbursement ~~[to anyone who has completed the Program and]~~ **or partial reimbursement, a person must have** completed the application for federal student aid. ~~[.~~

~~Section 27 of this bill authorizes a phased-in implementation of the Program by requiring a large school district to provide the Program at an increasing number of high schools with 250 or more pupils enrolled until August 1, 2033, by which date every high school in the school district with 250 or more pupils enrolled, other than high schools which are exempt, must provide the Program.]~~ **and have successfully completed at an institution in the Nevada System of Higher Education a program to become a licensed teacher. Section 19 also authorizes a person who was not able to complete the Program because of circumstances beyond the control of that person to obtain the reimbursement or partial reimbursement from the State Treasurer, if the person meets the other requirements for such a reimbursement or partial reimbursement. Finally, section 19 provides that student education loans are not a form of financial aid or financial assistance that may be applied to reduce the reimbursement or partial reimbursement received from the State Treasurer.**

Existing law requires the Governor's Office of Workforce Development to: (1) establish and administer a Career Pathways Demonstration Program; and (2) establish a program for work-based learning opportunities outside of school for pupils enrolled in grades 7 to 12, in coordination with the Department of Education. (NRS 232.985) **Sections 22 and 23** of this bill designate these programs, as well as the Teacher Academy College Pathway Program, as career pathways programs. **Section 22** requires a school district which offers a career pathways program at a high school to: (1) offer career exploration opportunities in certain priority industries to pupils at each middle school or junior high school which feeds into the high school; and (2) designate a ~~[full-time staff member]~~ **teacher or other licensed educational personnel, including, without limitation a school counselor,** at the high school to coordinate career pathways programs.

Section 23 creates within the Department of Education a Career Pathways Oversight Committee and requires the Committee to: (1) establish metrics to measure the success of the career pathways programs; (2) evaluate the progress and success of the career pathways programs; (3) evaluate programs for dual credit provided by the Nevada System of Higher Education; and (4) report ~~[its]~~ **certain** findings to the State Board and the Joint Interim Standing Committee on ~~[Education.]~~ **; and (5) identify state agencies with the jurisdiction and expertise to oversee, implement and regulate the career pathways programs for different industries.** **Section 23** requires the Superintendent of Public Instruction to appoint an employee of the Department to act as the Career Pathways Oversight Coordinator to provide certain technical support and assistance in implementing career pathways programs.

Sec. 5. *1. If an inland port or industrial park is created by one participating entity, the participating entity, on behalf of the county or incorporated city in which the inland port or industrial park is located, may adopt an ordinance creating a tax increment area within the inland port or industrial park consisting of all or any portion of the inland port or industrial park for the purpose of creating a special account for the payment of bonds or securities issued or loans, money advanced or indebtedness incurred to defray the costs of an undertaking, as supplemented by the Local Government Securities Law.*

2. If an inland port or industrial park is created by two or more participating entities, the participating entities may enter into an interlocal or cooperative agreement for the ordering of an undertaking whose boundaries encompass all or part of the inland port or industrial park and the creation of a tax increment area and the tax increment account pertaining thereto. A tax increment area created pursuant to this subsection must be administered as provided in the interlocal or cooperative agreement, notwithstanding any provision of this section to the contrary. If the participating entities enter into an interlocal or cooperative agreement pursuant to this subsection, the participating entities may, in accordance with the procedures set forth in the interlocal or cooperative agreement:

(b) Enter into contracts for the undertaking; and

(c) Issue bonds or otherwise finance the cost of the undertaking.

➥ The amount of taxes to be allocated to a tax increment account pursuant to subsection 5 must be computed separately for the original tax increment area and each addition of land thereto.

4. A participating entity shall not adopt an ordinance creating a tax increment area pursuant to this section unless:

(a) The board has determined that the undertaking described in the ordinance is necessary or desirable to further the purposes of the inland port or industrial park.

(b) The participating entity makes a finding at a public hearing that the undertaking will benefit the inland port or industrial park.

5. After the effective date of the ordinance adopted pursuant to subsection 1, any taxes levied upon taxable property in the tax increment area each year by or for the benefit of the State, the municipality and any public body must be divided as follows:

(a) That portion of the taxes that would be produced by the rate upon which the tax is levied each year by or for each of those taxing agencies upon the total sum of the assessed value of the taxable property in the tax increment area as shown upon the last equalized assessment roll used in connection with the taxation of the property by the taxing agency, must be allocated to, and when collected must be paid into, the funds of the respective taxing agencies as taxes by or for the taxing agencies on all other property are paid.

(b) Except as otherwise provided in this section, the portion of the taxes levied each year in excess of the amount determined pursuant to paragraph (a) must be allocated to, and when collected must be paid into, the tax increment account pertaining to the undertaking to pay the bond requirements of loans, money advanced to, or indebtedness, whether funded, refunded, assumed or otherwise, incurred by the municipality to finance or refinance, in whole or in part, the undertaking. Unless the total assessed valuation of the taxable property in the tax increment area exceeds the total assessed value of the taxable property in the tax increment area as shown by the last equalized assessment roll referred to in this subsection, all of the taxes levied and collected upon the taxable property in the tax increment area must be paid into the funds of the respective taxing agencies. When the loans, advances and indebtedness, if any, and interest thereon, have been paid, all money thereafter received from taxes upon the taxable property in the tax increment area must be paid into the funds of the respective taxing agencies as taxes on all other property are paid.

6. The portion of the taxes levied each year in excess of the amount determined pursuant to paragraph (a) of subsection 5 which is attributable to any tax rate levied by a taxing agency:

(a) To produce revenue in an amount sufficient to make annual repayments of the principal of, and the interest on, any bonded indebtedness that was approved by a majority of the registered voters within the area of the taxing agency voting upon the question, must be allocated to, and when collected must be paid into, the debt service fund of that taxing agency.

(b) In excess of any tax rate of that taxing agency applicable to the last taxation of the property before the effective date of the ordinance, if that additional rate was approved by a majority of the registered voters within the

area of the taxing agency voting upon the question, must be allocated to, and when collected must be paid into, the appropriate fund of that taxing agency.

(c) Pursuant to NRS 387.3285 or 387.3287, if that rate was approved by a majority of the registered voters within the area of the taxing agency voting upon the question, must be allocated to, and when collected must be paid into, the appropriate fund of the taxing agency.

9. As used in this section, the term "last equalized assessment roll" means the assessment roll in existence on the 15th day of March immediately preceding the effective date of the ordinance.

Sec. 6. *The allowed revenue from taxes ad valorem determined pursuant to NRS 354.59811 does not apply to a tax increment area created pursuant to this chapter.*

(a) Notes;

(b) Warrants;

(c) Interim debentures;

(d) Bonds; and

(e) Temporary bonds.

2. Any net revenues derived from the operation of an undertaking supported by the issuance of securities pursuant to this section must be pledged for the payment of the securities. The securities must be made payable from any such net pledged revenues as the bond requirements become due from time to time by the bond ordinance, trust indenture or other proceedings that authorize the issuance of the securities or otherwise pertain to their issuance.

3. Securities issued pursuant to this section:

(a) Must be made payable from tax proceeds accounted for in the tax increment account maintained by the participating entity pursuant to section 5 of this act; and

(b) May, at the option of the participating entity and if otherwise so authorized by law, be made payable from the taxes levied by the participating entity against all taxable property within the boundaries of the participating entity.

➥ A participating entity may also issue general obligation securities other than the ones authorized by this chapter that are made payable from taxes

without also making the securities payable from any net pledged revenues or tax proceeds accounted for in the tax increment account maintained by the participating entity pursuant to section 5 of this act.

4. Any securities payable only in the manner provided in either paragraph (a) of subsection 3 or in both subsection 2 and paragraph (a) of subsection 3:

(a) Are special obligations of the participating entity and are not in their issuance subject to any debt limitation imposed by law;

(c) May be issued under the provisions of the Local Government Securities Law without any compliance with the provisions of NRS 350.020 to 350.070, inclusive, except as otherwise provided in the Local Government Securities Law, only after the issuance of municipal bonds is approved under the provisions of NRS 350.011 to 350.0165, inclusive.

(1) NRS 350.011 to 350.0165, inclusive; or

(2) NRS 350.020 to 350.070, inclusive,

➥ except for the issuance of notes or warrants under the Local Government Securities Law that are payable out of the revenues for the current year and are not to be funded with the proceeds of interim debentures or bonds in the absence of such bond approval under the two acts designated in subparagraphs (1) and (2).

~~Existing law authorizes the Board of Regents to appoint researchers to develop a climate survey on power-based violence designed to be administered at institutions within the System. (NRS 396.142) If the Board of Regents requires administration of the survey, existing law additionally sets forth: (1) requirements for the contents and offering of the survey; and (2) the duties of the Board of Regents in storing and disseminating the responses to the survey. (NRS 396.1425, 396.143) Under existing law, the Board of Regents is authorized to: (1) prohibit an institution within the System from subjecting a complainant, reporting party or witness who reports an alleged incident of power-based violence to disciplinary proceedings for certain violations of policies on student conduct; and (2) require an institution within the System to review such disciplinary action to determine if there is a connection between the alleged incident of power-based violence and the misconduct that led to such disciplinary action. (NRS 396.151) Section 18 of this bill similarly authorizes the board of trustees of each school district to prohibit a school within the school district from subjecting a complainant, reporting party or witness who reports an alleged incident of harassment to disciplinary proceedings under certain circumstances. Section 22: (1) defines the term "harassment" for the purposes of provisions relating to harassment at institutions within the System; and (2) includes incidents of power-based violence as incidents of harassment. Sections 37-41 of this bill replace the term "power-based violence" with "harassment," thereby: (1) authorizing the Board of Regents to appoint researchers to develop a climate survey on harassment; and (2) applying the provisions of those sections to incidents of harassment, as defined in section 22.]~~
