Assembly Bill No. 287.

Bill read second time.

The following amendment was proposed by the Committee on Legislative Operations and Elections:

Amendment No. 99.

AN ACT relating to elections; revising the circumstances under which a candidate defeated at certain elections **or a voter** may demand a recount; requiring, under certain circumstances, that a recount for certain elections be conducted; **requiring certain costs for certain recounts to be repaid from the Reserve for Statutory Contingency Account;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes, under certain circumstances, a candidate defeated at certain elections to demand and receive a recount of the vote for the office

for which he or she is a candidate if he or she deposits the estimated costs for the recount. (NRS 293.403) **Section 1** of this bill instead: (1) authorizes a defeated candidate to demand a recount in certain elections if the difference between the highest number of votes cast for a candidate for the office and the number of votes cast for the defeated candidate who demands the recount is 5 percent or less; and (2) reorganizes the provisions of existing law that set forth how the estimated costs of the recount are determined. **Section 1** additionally requires, with certain exceptions, a recount of the vote for an office to be conducted, at no cost to any candidate, if the difference between the highest number of votes cast for a candidate for the office and the next highest number of votes cast for a candidate for the office is 0.25 percent or less. Such a recount is not required to be conducted if the format of the ballot allowed a voter to select more than one candidate for the office, unless the difference between the number of votes cast in the election for the candidate with the lowest number of votes who won the election and the next highest number of votes cast for a candidate for the office is 0.25 percent or less.

Existing law authorizes a voter at an election to demand and receive a recount of the vote for a ballot question if the registered voter deposits the estimated costs of the recount. (NRS 293.403) **Section 1**: (1) ~~[eliminates the authority of]~~ **instead authorizes** a voter to demand and receive a recount of the vote for a ballot question ~~[;]~~ **only if the difference between the results of the ballot question being approved or disapproved is 5 percent or less;** and (2) ~~[provides instead that]~~ **additionally requires** a recount of the vote for a ballot question ~~[must]~~ **to** be conducted if the difference between the results of the ballot question being approved or disapproved is 0.25 percent or less. ~~[Section 1 further provides that no voter is required to pay the costs of such a recount.]~~

Sections 2-5 of this bill make conforming changes to account for the changes to the recount process made pursuant to **section 1**.

Existing law: (1) requires, under certain circumstances, the State Board of Examiners to repay the allowable costs from the Reserve for Statutory Contingency Account to each county for a recount that concerns an office or ballot question for which voting is statewide; and (2) sets forth a process for the review, submission and approval of such costs. If a recount of the vote for an office or ballot question for which voting is statewide is required pursuant to section 1, rather than demanded, section 3 requires: (1) the clerk of each county to submit a statement of its costs in the recount to the Secretary of State for review and approval; (2) the Secretary of State to submit such statements to the State Board of Examiners; and (3) the State Board of Examiners to repay the allowable costs from the Reserve for Statutory Contingency Account to the respective counties.

Remarks by Assemblymember Mosca.

Amendment adopted.

The following amendment was proposed by Assemblymember Mosca:

Amendment No. 123.

AN ACT relating to elections; revising the circumstances under which a candidate defeated at certain elections may demand a recount; requiring, under certain circumstances, that a recount for certain elections be conducted; **creating the Voter Access Grant Program and the Account for the Voter Access Grant Program;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes, under certain circumstances, a candidate defeated at certain elections to demand and receive a recount of the vote for the office for which he or she is a candidate if he or she deposits the estimated costs for the recount. (NRS 293.403) **Section 1** of this bill instead: (1) authorizes a defeated candidate to demand a recount in certain elections if the difference between the highest number of votes cast for a candidate for the office and the number of votes cast for the defeated candidate who demands the recount is 5 percent or less; and (2) reorganizes the provisions of existing law that set forth how the estimated costs of the recount are determined. **Section 1** additionally requires, with certain exceptions, a recount of the vote for an office to be conducted, at no cost to any candidate, if the difference between the highest number of votes cast for a candidate for the office and the next highest number of votes cast for a candidate for the office is 0.25 percent or less. Such a recount is not required to be conducted if the format of the ballot allowed a voter to select more than one candidate for the office, unless the difference between the number of votes cast in the election for the candidate with the lowest number of votes who won the election and the next highest number of votes cast for a candidate for the office is 0.25 percent or less.

Existing law authorizes a voter at an election to demand and receive a recount of the vote for a ballot question if the registered voter deposits the estimated costs of the recount. (NRS 293.403) **Section 1**: (1) eliminates the authority of a voter to demand and receive a recount of the vote for a ballot question; and (2) provides instead that a recount of the vote for a ballot question must be conducted if the difference between the results of the ballot question being approved or disapproved is 0.25 percent or less. **Section 1** further provides that no voter is required to pay the costs of such a recount.

Sections 2-5 of this bill make conforming changes to account for the changes to the recount process made pursuant to **section 1**.

Existing law requires the Secretary of State to serve as the Chief Officer of Elections for this State and to be responsible for the execution and enforcement of the provisions of the Nevada Revised Statutes and all other provisions of state and federal law relating to elections. (NRS 293.124) Section 7 of this bill requires the Secretary of State to establish and administer the Voter Access Grant Program to provide grants of money from the Account for the Voter Access Grant Program created by section 8 of this bill to eligible entities to support the administration of elections and improve voter access. For the purpose of providing such grants, an

The following amendment was proposed by the Committee on Legislative Operations and Elections:

Amendment No. 94.

CONTAINS UNFUNDED MANDATE (§§ 1 ~~(),~~ **, 2, 4.5)**
(NOT REQUESTED BY AFFECTED LOCAL GOVERNMENT)

AN ACT relating to elections; requiring a county clerk in certain counties to establish a certain number of locations for a voter to return his or her mail ballot in a mail ballot drop box during the period between the last day for early voting and the day of a general election; authorizing the county clerk in certain counties to establish such locations; authorizing a person, under certain circumstances, to return a mail ballot to a mail ballot drop box established at such a location on behalf of a voter; **requiring mail ballot drop boxes to be monitored and secured; requiring the Secretary of State to establish requirements for monitoring and securing mail ballot drop boxes;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law: (1) requires a general election to be held on the first Tuesday after the first Monday of November in each even-numbered year; and (2) provides that the period for early voting by personal appearance begins the third Saturday preceding a general election and extends through the Friday before election day. (NRS 293.12755, 293.3568) Existing law further requires each county clerk to ~~[:]~~ **establish:** (1) ~~[establish]~~ a certain number of polling places where a person can vote during the period for early voting by personal appearance and on the day of the general election; and (2) ~~[requires each county clerk to establish]~~ a ballot drop box at every polling place in the county, including, without limitation, a polling place for early voting. (NRS 293.269921, 293.2731, 293.3564)

Section 1 of this bill requires each county clerk in certain counties to, for the period beginning on the day after the last day for early voting by personal appearance and ending on the day before the day of the general election, establish a certain number of locations where a voter may return his or her mail ballot in a mail ballot drop box and requires such locations to be open for at least 7 hours each day during that period for certain counties. Specifically, in a county whose population is 700,000 or more (currently only Clark County), a county clerk is required to establish 10 such locations, and in a county whose population is 100,000 or more but less than 700,000 (currently only Washoe County), a county clerk is required to establish 5 such locations. **Section 1** further authorizes a county clerk in a county whose population is less than

100,000 (currently all counties other than Clark and Washoe Counties) to establish any number of such locations and prescribe the hours for such locations to be open. **Section 2** of this bill provides that a mail ballot dropped in a mail ballot drop box pursuant to **section 1** counts as a vote in the general election. **Section 4** of this bill makes a conforming change to make certain provisions relating to mail ballots generally applicable to **section 1**.

Existing law requires a ballot drop box to meet certain requirements, including a requirement for the ballot drop box to be made available for use during the hours when the office of the county or city clerk or the polling place is open for business or voting, as applicable. (NRS 293.269921, 293C.26321) Sections 2 and 4.5 of this bill require a ballot drop box to be: (1) monitored at all times during such a period; and (2) secured during any period of time in which the ballot drop box is not available for use. Sections 2 and 4.5 additionally require the Secretary of State to adopt regulations to establish requirements for monitoring and securing ballot drop boxes.

Existing law authorizes, at the request of a voter whose mail ballot has been prepared by or on behalf of the voter, a person authorized by the voter to return the mail ballot on behalf of the voter by mail or personal delivery to the county clerk, or any ballot drop box established in the county by the county clerk. (NRS 293.269923) **Section 3** of this bill additionally authorizes a person, under such circumstances, to return a mail ballot on behalf of a voter by returning the mail ballot to a mail ballot drop box established pursuant to **section 1**.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

the lease of certain real property to Washoe County; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

(Chapter 52, Statutes of Nevada 1977, at pages 123-26; chapter 561, Statutes of Nevada 1997, at pages 2726-28) **Section 10** of this bill terminates the lease for that real property which is owned by the State of Nevada and leased to Washoe County. **Section 14** of this bill repeals the chapters of Statutes of Nevada that are related to the lease of this real property to Washoe County. **Section 9** of this bill sets forth a legislative declaration relating to the legislative history of the lease of that real property and the reasons for terminating the lease.

Section 11 of this bill requires the Administrator of the Division of State Lands of the State Department of Conservation and Natural Resources, as ex officio State Land Registrar, to enter into an agreement to lease to Washoe County the real property in use as a county public building complex. **Section 11** requires that, as part of the agreement, Washoe County must survey and generate a legal description for the portion of the real property in use by Washoe County.

Section 12 of this bill provides that, following the termination of the lease, the State Department of Agriculture is responsible for the operation and maintenance of the portion of the real property that is not ~~[transferred]~~ **leased** to Washoe County, which shall be referred to as the Nevada State Fairgrounds.

Sections 5 and 12 of this bill require the Director of the State Department of Agriculture to establish a state fairground, to be known as the Nevada State Fairgrounds, on the portion of the real property not leased to Washoe County. **Section 5** requires the Department to develop, maintain, operate and promote the use of the Nevada State Fairgrounds and any facilities located thereon. **Section 12** further provides that the Nevada State Fairgrounds are subject to the trust imposed on that real property.

Section 6 of this bill creates the Account for the Maintenance and Operation of the Nevada State Fairgrounds in the State General Fund ~~[with]~~ **and requires that** the money in the Account ~~[to]~~ be used to develop, maintain, operate and promote the use of the Nevada State Fairgrounds and any facilities located thereon.

Sections 3 and 4 of this bill define "Department" and ~~["Director",]~~ **"Director,"** respectively. **Section 2** of this bill applies those definitions to the provisions of **sections 5 and 6** and certain provisions of existing law relating to fairs and exhibits. (Chapter 551 of NRS) **Section 7** of this bill revises certain references to the Department and Director consistent with the definitions.

Existing law requires the Nevada Junior Livestock Show Board to review the uses of the real property leased to Washoe County for use as a fairground

and any physical improvements or changes to the facilities at the fairground. (NRS 563.080) **Section 8** of this bill instead requires the Board to review any physical improvements or changes to the Nevada State Fairgrounds.

SEC. 2. This act shall become effective upon passage and approval.

Chapter 52, Statutes of Nevada 1977:

SECTION 1. The legislature finds that:

1. By the provisions of chapter XXVII, Statutes of Nevada 1887, the Nevada state agricultural society, a state institution, was empowered to expend appropriated moneys for the purpose of purchasing and improving fairgrounds, the title of such acquired property to be vested in the State of Nevada for the sole use and benefit of the State of Nevada.

2. On March 9, 1889, the Nevada state agricultural society caused the NE 1/4 SW 1/4 and SE 1/4 NW 1/4 of section 1, T. 19 N., R. 19 E., M.D.B. & M., in Washoe County, Nevada, to be conveyed to the State of Nevada in pursuance of chapter XXVII, Statutes of Nevada 1887.

3. On May 1, 1951, the state board of agriculture, pursuant to chapter 251, Statutes of Nevada 1951, leased the property described in subsection 2 (approximately 80 acres less a described area of 2.904 acres) to Washoe County, Nevada, for 50 years with the express provision that the lessee "recognizes the trust imposed by Chapter XXVII, Statutes of Nevada 1887, *

* * and agrees to manage, control and properly maintain the said property subject to said trust."

4. On August 3, 1971, an amendment made pursuant to chapter 295, Statutes of Nevada 1971, extended the term of the May 1, 1951, lease to March 21, 2050, upon the same terms.

5. The limited building expansion capacity of Washoe County coupled with the growth of the county dictate the necessity for providing more than double the county's building space within the next 15 years, and long-term growth envisaged can only be accommodated through the construction of additional facilities in a location that allows sufficient area for planned expansion.

6. A portion of the premises leased by the State of Nevada to Washoe County on May 1, 1951, provides an excellent site for the construction of a county building complex, having accessibility to the developing highway transportation system, proximity to the citizens of the cities of Reno and Sparks and the availability of free public parking.

7. On September 2, 1972, Washoe County executed a lease with the Nevada State Fair, Inc., a nonprofit corporation, by the terms of which the Washoe County fairgrounds were leased to the Nevada State Fair, Inc., for 25 years for a nominal rent for the purpose of conducting the annual Nevada State Fair; that such lease was amended on September 5, 1975, specifically exempting 13.503 acres from the original lease and reserving such parcel for the exclusive use of Washoe County, subject to compatible use by the Nevada State Fair, Inc., on official fair days.

8. In addition to its public building requirements, Washoe County needs a senior citizens service center or a community focal point on aging where older persons as individuals or in groups can come together for services and activities which enhance their dignity, support their independence and encourage their involvement in and with the community; that the registered voters of Washoe County, Nevada, at a special election held September 14, 1976, recognized the need for constructing and maintaining a senior citizens service center by approving the issuance and sale of Washoe County's general obligation bonds in an amount not to exceed $1,500,000 for the construction and equipping of such a center by a vote of 18,385 to 6,212; that for the reasons stated in subsection 6 construction and operation of the senior citizens service center on a portion of the Washoe County fairgrounds is desirable.

SEC. 2. 1. Upon the effective date of this act the administrator of the division of state lands of the state department of conservation and natural resources, as ex officio state land registrar, is directed forthwith to execute an amended lease with Washoe County, Nevada, without consideration other than the fencing and beautification herein required, whereby the real property described in section 3 of this act shall be exempt from any trust imposed by the statutes enumerated in section 1 of this act and shall be made immediately available for use by Washoe County during the term of the existing lease expiring March 21, 2050, for the purposes of constructing and maintaining

thereon a county public building complex, including but not limited to public buildings related to health, welfare, finance, administration and aging functions. Washoe County shall agree in such amended lease to erect during fiscal year 1977-1978 a good and substantial fence and other beautification on the west side of Sutro Street in Reno, Nevada, from Oddie Boulevard south to the north boundary line of the parcel proposed to be utilized as a site for the senior citizens service center.

2. The amended lease directed to be executed by subsection 1 shall not affect the term of the lease from the State of Nevada to Washoe County, which term expires, unless otherwise directed by the legislature, on March 21, 2050; and as provided in subsection 2 of chapter 295, Statutes of Nevada 1951, upon the expiration of the term of the lease on March 21, 2050, the property and all improvements thereon shall revert to the State of Nevada.

SEC. 3. The real property to be exempt from any trust imposed by the statutes enumerated in section 1 of this act and to be made immediately available for use by Washoe County as specified in section 2 of this act is described as follows:

All that real property situate in the City of Reno, County of Washoe, State of Nevada, being all that portion of the Southwest quarter of Section 1, Township 19 North, Range 19 East, M.D.B. & M., described as follows:

Beginning at the Southeast corner of the Nevada National Guard parcel as situated on the Washoe County Fairgrounds, said point bearing South 44º33′52″ West 1,044.32 feet from a Washoe County brass cup representing the Center of Section 1, Township 19 North, Range 19 East, M.D.B. & M.; thence North 88º11′36″ West along the Southerly line of said National Guard parcel 288.02 feet (Record 288.00 feet) to Southwest Corner of said National Guard parcel; thence North 1º48′24″ East along the West line of said National Guard parcel 152.49 feet; thence North 88º16′06″ West 300.65 feet to a point on the Easterly line of Wells Avenue; thence South 1º43′54″ West along the said Easterly line of Wells Avenue 601.69 feet to the Northerly line of East Ninth Street as shown on the Leete's Syndicate Addition; thence South 89º16′47″ East along said Northerly line of East Ninth Street 1,272.65 feet to a point on the West line of Sutro Street as described in Document No. 366638, at Book 895, page 509, filed for record on June 5, 1975, Official Records of Washoe County, Nevada; thence North 0º33′14″ East along said Westerly line of Sutro Street 324.45 feet; thence North 89º26′46″ West 100.00 feet; thence North 0º33′14″ East 70.00 feet; thence North 89º39′30″ West 366.93 feet; thence North 44º38′30″ West 262.89 feet; thence North 88º11′36″ West 18.60 feet to a point on the East line of said National Guard parcel; thence South 1º48′24″ West along said East line 138.46 feet to the true point of beginning.

SEC. 4. This act shall become effective upon passage and approval.

Chapter 561, Statutes of Nevada 1997:

Section 1. The Legislature finds that:

1. By the provisions of chapter XXVII, Statutes of Nevada 1887, the Nevada state agricultural society, a state institution, was empowered to expend

appropriated money to purchase and improve fairgrounds, the title of such acquired property to be vested in the State of Nevada for the sole use and benefit of the State of Nevada.

2. On March 9, 1889, the Nevada state agricultural society caused the NE 1/4 SW 1/4 and SE 1/4 NW 1/4 of Section 1, T. 19 N., R. 19 E., M.D.B. & M., in Washoe County, Nevada, to be conveyed to the State of Nevada in pursuance of chapter XXVII, Statues of Nevada 1887.

3. On May 1, 1951, the state board of agriculture, pursuant to chapter 251, Statutes of Nevada 1951, leased the property described in subsection 2 (approximately 80 acres less a described area of 2.904 acres) to Washoe County, Nevada, for 50 years with the express provision that the lessee "recognized the trust imposed by Chapter XXVII, Statutes of Nevada 1887, * * * and agrees to manage, control and properly maintain the said property subject to said trust."

4. On August 3, 1971, an amendment made pursuant to chapter 295, Statutes of Nevada 1971, extended the term of the May 1, 1951, lease to March 21, 2050, upon the same terms.

6. A portion of the premises leased by the State of Nevada to Washoe County on May 1, 1951, provides an excellent site for the construction of a county building complex, having accessibility to the developing highway transportation system, proximity to the residents of the cities of Reno and Sparks and the availability of free public parking.

7. On September 2, 1972, Washoe County executed a lease with the Nevada State Fair, Inc., a nonprofit corporation, by the terms of which the Washoe County fairgrounds were leased to the Nevada State Fair, Inc., for 25 years for a nominal rent for the purpose of conducting the annual Nevada State Fair; that such lease was amended on September 5, 1975, specifically exempting 13.503 acres from the original lease and reserving such parcel for the exclusive use of Washoe County, subject to compatible use by the Nevada State Fair, Inc., on official fair days.

8. In addition to its administrative building and senior citizen center constructed on the 13.503 acres subject to the lease executed on September 2, 1972, described above, Washoe County needs a regional emergency operations center, regional dispatch center and additional parking for these and the other facilities at this location and for the reasons stated in subsection 6, construction and operation of a regional emergency operation facility, regional dispatch center and additional parking on a portion of the Washoe County fairgrounds is desirable.

AN ACT relating to housing; revising provisions relating to discrimination in housing; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing federal law prohibits certain discriminatory practices relating to housing based on race, color, religion, sex, handicap, familial status or national origin. (42 U.S.C. §§ 3601 et seq.) Under certain circumstances, existing federal regulations provide that housing discrimination may be established based on the discriminatory effect of a practice, even if the practice was not motivated by a discriminatory intent. (24 C.F.R. § 100.500) This is commonly known as the "disparate impact standard."

The Nevada Fair Housing Law: (1) prohibits discrimination in housing on the basis of race, religious creed, color, national origin, disability, sexual orientation, gender identity or expression, ancestry, familial status or sex; and (2) provides a process and remedies to enforce the Nevada Fair Housing Law if a person engages in such discrimination, including the authority to file a complaint with the Nevada Equal Rights Commission and to commence an action in any district court to obtain an injunction and civil damages. (NRS 118.010-118.120) This bill adopts the disparate impact standard for purposes of the Nevada Fair Housing Law.

Section 1 of this bill provides that liability may be established for a discriminatory housing practice if: (1) the practice was motivated by a discriminatory intent; or (2) with certain exceptions, the practice was not motivated by a discriminatory intent but the practice actually or predictably results in a ~~[disparate impact]~~ **discriminatory effect** on a group of persons or creates, increases, reinforces or perpetuates segregated housing patterns because of race, religious creed, color, national origin, disability, sexual

orientation, gender identity or expression, ancestry, familial status or sex. **Section 1** further provides that there is no liability for a discriminatory housing practice based on the disparate impact standard if, based on evidence that is not hypothetical or speculative: (1) the practice is necessary to achieve one or more substantial, legitimate and nondiscriminatory interests of the respondent; and (2) the interests of the respondent could not be served by another practice that has a less discriminatory effect. **Section 1** also provides that the complainant must establish that a challenged practice caused or predictably will cause a ~~[disparate impact.]~~ **discriminatory effect.** If the claimant meets such burden of proof, the respondent has the burden of proving that the challenged practice is necessary to achieve one or more substantial, legitimate and nondiscriminatory interests of the respondent. If the respondent meets his or her burden of proof, the complainant may still prevail upon proving that the substantial, legitimate and nondiscriminatory interests supporting the challenged practice could be served by another practice that has a less discriminatory effect.

Section 2 of this bill makes a conforming change to include **section 1** in the Nevada Fair Housing Law.

Section 3 of this bill applies the definitions in existing law relating to discrimination in housing to the provisions of **section 1**.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 118 of NRS is hereby amended by adding thereto a new section to read as follows:

1. Except as otherwise provided in this section, liability may be established for a discriminatory housing practice if:

(a) The practice was motivated by a discriminatory intent; or

(b) Except as otherwise provided in this section, the practice was not motivated by a discriminatory intent but the practice actually or predictably results in a ~~[disparate impact]~~ discriminatory effect on a group of persons or creates, increases, reinforces or perpetuates segregated housing patterns because of race, religious creed, color, national origin, disability, sexual orientation, gender identity or expression, ancestry, familial status or sex.

2. There is no liability for a discriminatory housing practice pursuant to paragraph (b) of subsection 1 if, based on evidence that is not hypothetical or speculative:

(a) The practice is necessary to achieve one or more substantial, legitimate and nondiscriminatory interests of the respondent; and

(b) The interests of the respondent described in paragraph (a) could not be served by another practice that has a less discriminatory effect.

3. For purposes of paragraph (b) of subsection 1, the complainant must establish that a challenged practice caused or predictably will cause a ~~[disparate impact.]~~ discriminatory effect. If the complainant meets such burden of proof, the respondent has the burden of proving that the

challenged practice is necessary to achieve one or more substantial, legitimate and nondiscriminatory interests of the respondent. If the respondent meets his or her burden of proof, the complainant may still prevail upon proving that the substantial, legitimate and nondiscriminatory interests supporting the challenged practice could be served by another practice that has a less discriminatory effect.

4. As used in this section:

(a) "Complainant" means a person by whom, or on whose behalf:

(1) A complaint is filed with the Commission pursuant to NRS 118.110; or

(2) An action is commenced pursuant to NRS 118.120.

(b) "Respondent" means a person against whom:

(1) A complaint is filed with the Commission pursuant to NRS 118.110; or

(2) An action is commenced pursuant to NRS 118.120.

Sec. 2. NRS 118.010 is hereby amended to read as follows:

118.010 The provisions of NRS 118.010 to 118.120, inclusive, ***and section 1 of this act*** may be cited as the Nevada Fair Housing Law.

Sec. 3. NRS 118.030 is hereby amended to read as follows:

118.030 As used in NRS 118.010 to 118.120, inclusive, ***and section 1 of this act,*** unless the context otherwise requires, the words and terms defined in NRS 118.040 to 118.093, inclusive, have the meanings ascribed to them in those sections.

MESSAGE TO THE LEGISLATURE OF NEVADA
EIGHTY-THIRD SESSION, 2025

Thanks Mr. Speaker, [Madam] President pro Tem[pore], Lieutenant Governor, thank you Court Members. Thank you all for carrying on this tradition. It is no secret that when I was sitting where you are, I would always take that seat over there because when everybody was looking at the person walking in, I would go out that door and go do something that I thought was more important than listening to the federal delegation people. It was Democrats and Republicans, so it was not a partisan thing, [it was] very bipartisan. I am sure it will be a great speech and everybody will have a good time. Which is why I have tried, when I am now on the other end of that, to be respectful of your time and concentrate on working on issues together that are ones that concern us all. So, I will make no secret of it—tonight, I am looking to break my previous record in the length of this little chat that we have. If there is anybody that is upset with hearing that, would you please raise your hand, now. The record should reflect that no hands were in the air.

I just want to say this, things continue to evolve the way that they evolve. Information flows in the way it flows, from the sources that it flows. Everybody is having a good time with their talking

points, with their messaging, with their accusations, with their whatever. I can assure you that as we go into the next 60 days, which is that reconciliation process where you actually write the bills that actually fund those issues that people are concerned about, I will take that very seriously as an advocate for Nevada. While we will always be able to find time for who is a great democrat, and who is a great republican, and all that other sort of stuff, I am not here to tell you that that is going to change or we ought to do better and all that other sort of stuff. I will tell you this, we have taken a deep dive into what is about 30 percent of the state's budget and that is that thing called Medicaid—maybe some of you have heard about it. Maybe you guys are having some meetings about funding, and those folks on Ways and Means and Senate Finance—who I used to refer to as the money geeks when I was here—I can tell you that you have got a great public servant in Stacie Weeks [Nevada Medicaid Administrator]. I do not know who found her and God knows I am not a personnel—that is what we used to call HR [Human Resources] in the old days—I am not a personnel whiz-bang, but whatever you folks are paying her and whoever picked her, nice job. You have a very good expert handling that stuff for you. So, I can tell you some things right now that are off the table; nobody is going to touch the traditional Medicaid population. I do not care what your news source is, I can tell you we have been talking with the chairman of the committee in the House that is looking for ways to come up with that [$]880 billion.

Let me give you another interesting fact, that if every other state spent at the level of Nevada, you would have your $880 billion right away. Why am I telling you that? I am telling you that because before we let anybody come to our doorstep—we will do our part—but before they come to our doorstep, you better go—as you folks all know—if you are looking to cut, you have got to where the money is. So, why do you not go to those states that are spending a heck of a lot more in their programs than we are in ours before you ask Nevadans to sacrifice? Interesting concept. We are excited about how it is gone so far. We know that about 30 percent of the budget is in that. So, we will be in frequent contact with you and any of your offices here that want to be in that frequent contact. We are obviously in frequent contact with the Executive Branch. I am looking forward to coming out on that in a fully transparent way and saying, "Here is how that dog is going to hunt," if you will, for those of you shotgunners in the crowd. There are other issues where something was cut, something was paused, something was delayed. If you do not know what is going on with something, if you do not call us and say, here is the grant, here is the program, here is where it was supposed to go, then all I am going to say is, I wish you would. Part of our job, what you pay us for, is to run those down. If they have made a mistake, and there have been mistakes made, it is our job to unmistake that and be as supportive of what is going on here in our hometowns and our home areas, as possible. So, I look forward to working with anybody and everybody that has one of those issues. We happen to be in a unique position where when you call somebody up whether they are in government formally or out—and by the way, just one real quick thing, I am getting close to the end. So, do not worry.

You know, down the street we have a gaming establishment that has been around for a long time. It is called the [Carson City] Nugget. You have a Nugget in Las Vegas [Golden Nugget Las Vegas Hotel and Casino], there are Nuggets all over. There is a Nugget in Sparks [Nugget Casino Resort]. No offense to you of French lineage in the crowd, but we call it the Nugget. We do not call it the *nu-gé*. See where I am going here? I am a product of public education in Nevada. I know that the school districts do not like me saying that, but I had a class called Phonics, a million years ago. It is doggy—DOGE [Department of Government Efficiency], doggy, not *dōge* or the *nu-gé* or whatever. You say it however you like, I am just telling you, us old people that are a product of phonics, are calling it doggy. They have made some mistakes and where they do, it is our job to say, if you are trying to get rid of this or that, that is fine, but you missed on this. We have had success with that. We do it in a mature manner. We do not go punch somebody in the nose and then tell them we want to, basically, beat God into them or something like that. Nonetheless, if you have got an example, anything from A to Z, let us know and we will take it on and report back to you.

With that, what is the unofficial time stamp? This may be a new record. Listen, thank you all very much. Good luck. Thank you for being involved in public service, and we look forward to working with you. Welcome to spring in western Nevada. I yield back, Mr. Speaker.

JOINT SPONSORS: SENATORS SCHEIBLE; CANNIZZARO, DONDERO LOOP, NGUYEN AND OHRENSCHALL

WHEREAS, On January 6, 2021, a mob violently overpowered the U.S. Capitol Police and breached the U.S. Capitol, disrupting the peaceful transfer of power; and

WHEREAS, This insurrection was not only an attack on the U.S. Capitol, but on the rule of law, the values of American democracy and the U.S. Constitution, which are the very foundations of the American Republic; and

WHEREAS, The U.S. Capitol Police, alongside other law enforcement agencies, demonstrated heroism and unwavering courage, professionalism and commitment to their duties while protecting members of Congress and others within the U.S. Capitol during the attack, which resulted in traumatic injuries to at least 140 law enforcement officers in the line of duty; and

WHEREAS, President Donald Trump's granting of pardons and commutations on January 20, 2025, to the roughly 1,500 criminals involved in the attack is an act of betrayal not only to the law enforcement officers who risked their lives on January 6, 2021, but to all U.S. citizens; and

WHEREAS, Among those criminals was one who assaulted D.C. Metropolitan Police Department Officer Noah Rathbun with a flagpole, another who repeatedly pressed a stun gun into the neck of D.C. Metropolitan Police Department Officer Michael Fanone and another who sprayed multiple law enforcement officers with bear spray; and

WHEREAS, The International Association of Chiefs of Police and the Fraternal Order of Police jointly condemned these presidential pardons and commutations, emphasizing that crimes against law enforcement officers are attacks on society and undermine the rule of law and that failure to hold perpetrators of violent crimes against law enforcement officers accountable may embolden others to commit similar acts of violence; now, therefore, be it

RESOLVED BY THE ASSEMBLY AND SENATE OF THE STATE OF NEVADA, JOINTLY, That the members of the 83rd session of the Nevada Legislature condemn the attack on the U.S. Capitol on January 6, 2021, including the assault on law enforcement officers, and denounce the use of presidential pardons and commutations to absolve the participants in the riot; and be it further

RESOLVED, That the Chief Clerk of the Assembly prepare and transmit a copy of this resolution to the President of the United States, the President Pro Tempore of the United States Senate, the Speaker of the United States House of Representatives and the members of the Nevada Congressional Delegation; and be it further

RESOLVED, That this resolution becomes effective upon passage.

The term of office of each business court judge who succeeds himself or herself is 6 years, and that term begins on the first Monday of January next following the general election at which the business court judge was chosen to succeed himself or herself. Assembly Bill No. 60.

Bill read second time.

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 19.

AN ACT relating to behavioral health; requiring the certification of a natural person who holds himself or herself out as a certified prevention specialist; prohibiting a minor from providing or supervising the provision of peer recovery support services **;** ~~[in most circumstances; authorizing certain minors to serve as peer recovery support specialist interns;]~~ authorizing the imposition of civil penalties for certain violations; prohibiting the employment or retention as an independent contractor of a natural person to serve as a certified prevention specialist in a position where the natural person has regular and substantial contact with minors if the natural person has been found to have engaged in certain conduct; requiring a certified prevention specialist to report certain information; requiring a substance use disorder prevention coalition to employ or enter into contracts with certified prevention specialists for certain purposes; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

In general, existing law requires an adult to be certified as a peer recovery support specialist or peer recovery support specialist supervisor by the Nevada Certification Board or, if that Board ceases issuing such certificates, the Division of Public and Behavioral Health of the Department of Health and Human Services, in order to provide peer recovery support services or supervise the provision of such services, as applicable, for compensation as a regular part of his or her job duties. However, existing law authorizes an adult who is not a peer recovery support specialist to provide peer recovery support services as a regular part of his or her job duties while serving as a peer recovery support specialist intern if the Nevada Certification Board or the Division, as applicable, has established conditions authorizing such internships. (NRS 433.631) **Section 7** of this bill additionally ~~[imposes a~~

~~general prohibition on~~] **prohibits** a minor **from** providing or supervising the provision of peer recovery support services for compensation as a regular part of his or her job duties. ~~[However, section 7 authorizes a minor who is at least 16 years of age to provide such services for compensation as a regular part of his or her job duties while serving as a peer recovery support specialist intern if the Nevada Certification Board or the Division, as applicable, has established conditions authorizing such internships.]~~ **Sections 7 , 8 and 13** of this bill authorize the Division to impose a civil penalty or bring an action for an injunction against a minor who: (1) provides peer recovery support services~~; [and is not a peer recovery support specialist intern;]~~ or (2) supervises the provision of peer recovery support services. **Sections 4-6, 14 and 15** of this bill make various conforming changes to: (1) reflect that the provisions of law governing peer recovery support services apply to both adults and minors; and (2) clarify that those provisions of law apply only to natural persons. **Section 25** of this bill repeals a definition that is no longer used, and **section 2** of this bill eliminates a reference to that definition.

Sections 3, 7 and 8 of this bill prohibit a natural person from holding himself or herself out as a certified prevention specialist unless he or she is certified as such by the Nevada Certification Board or, if that Board ceases to certify certified prevention specialists, peer recovery support specialists or peer recovery support specialist supervisors, the Division. **Section 1** of this bill defines "certified prevention specialist" to mean a natural person who: (1) holds such certification; and (2) **supervises, reviews and** implements evidence-based programs **, policies, practices** and other ~~[evidence-based]~~ **culturally relevant** interventions in schools or communities to prevent or reduce the harms caused by substance ~~[misuse,]~~ **use,** substance use disorder and other behavioral health disorders or address systemic barriers to wellness. **Section 2** of this bill makes conforming changes to indicate the applicability of that definition. **Sections 7 and 13** authorize the Division to impose a civil penalty or bring an action for an injunction against a natural person who holds himself or herself out as a certified prevention specialist without being certified as such. **Sections 9-12, 14-17 and 19-23** of this bill make various changes so that certified prevention specialists are treated similarly to peer recovery support specialists and peer recovery support specialist supervisors for purposes related to: (1) regulation, certification and background checks; (2) mandatory reporting of certain crimes and violations; and (3) exemption from the applicability of provisions of law governing certain other professions that provide behavioral health services.

Existing law: (1) provides for the certification of substance use disorder prevention coalitions; (2) requires a certified substance use disorder prevention coalition to perform certain duties relating to the prevention of substance misuse and substance use disorder; and (3) requires the Division to collaborate with and utilize certified substance use disorder prevention coalitions as the primary local and regional entities to coordinate programs and strategies for the prevention of substance use disorders in this State. (NRS 458.033)

Section 18 of this bill requires a substance use disorder prevention coalition to employ or enter into contracts with certified prevention specialists as necessary to perform the duties of the coalition.

Amendment No. 195.

AN ACT relating to counties; revising the process for appointing certain members to the county fair and recreation board of certain counties; requiring the members of the board to elect any member as Chair of the board; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes a county fair and recreation board in any county whose population is 100,000 or more and less than 700,000 (currently **only** Washoe County). The board must consist of nine members, including one member appointed by the board of county commissioners, one member appointed by the governing body of the largest incorporated city in the county (currently the City of Reno) and one member appointed by the governing body of the next largest incorporated city in the county (currently the City of Sparks). Those three members must appoint the remaining six members who represent certain interests and establishments from certain lists of nominees. If those three members find the nominees on a list of nominees unacceptable, the three members are required to request a new list of nominees. (NRS 244A.601) This bill instead requires the members of the board, including each member of the board, to **: (1) appoint the six members who represent certain interests and establishments; and (2)** request a new list of nominees.

Existing law further requires the members of the board to elect a Chair from among the three members appointed by the board of county commissioners and the governing bodies of the two largest incorporated cities in the county, respectively. (NRS 244A.601) This bill instead requires the members of the board to elect a Chair from among its members.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 244A.601 is hereby amended to read as follows:

244A.601 1. In any county whose population is 100,000 or more, and less than 700,000, the county fair and recreation board consists of nine members who are appointed as follows:

(a) One member by the board of county commissioners.

(b) One member by the governing body of the largest incorporated city in the county.

(c) One member by the governing body of the next largest incorporated city in the county.

(d) Except as otherwise provided in subsection 3, six members by the members ~~[appointed pursuant to paragraphs (a), (b) and (c).]~~ ***of the board.*** The members ~~[entitled]~~ ***appointed pursuant*** to ~~[vote shall select:]~~ ***this paragraph must include:***

(1) One member who is a representative of air service interests from a list of nominees submitted by the airport authority of the county. The nominees must not be elected officers.

(2) One member who is a representative of interests relating to tourism or other commercial interests or the resort hotel business from a list of nominees submitted by the chamber of commerce of the largest incorporated city in the county.

(3) One member who is a representative of other business or commercial interests, including gaming establishments, from a list of nominees submitted by a visitor's bureau, other than a county fair and recreation board or a bureau created by such a board, that is authorized by law to receive a portion of the tax on transient lodging, if any. If no such bureau exists in the county, the nominations must be made by the chamber of commerce of the third largest township in the county.

(4) Three members who are representatives of the association of gaming establishments whose membership collectively paid the most gross revenue fees to the State pursuant to NRS 463.370 in the county in the preceding year, from a list of nominees submitted by the association. If there is no such association, the three appointed members must be representative of gaming.

➥ If the members ~~[entitled to vote]~~ ***of the board*** find the nominees on a list of nominees submitted pursuant to this paragraph unacceptable, they shall request a new list of nominees.

2. The members of the board shall elect a Chair from among ~~[the]~~ ***its*** members **.** ~~[appointed pursuant to paragraphs (a), (b) and (c) of subsection 1.]~~

3. The terms of members appointed pursuant to paragraphs (a), (b) and (c) of subsection 1 are coterminous with their terms of office. The members appointed pursuant to paragraph (d) of subsection 1 must be appointed for 2-year terms. Any vacancy occurring on the board must be filled by the authority entitled to appoint the member whose position is vacant. Each member appointed pursuant to paragraph (d) of subsection 1 may succeed himself or herself only once.

4. If a member ceases to be engaged in the business or occupation which he or she was appointed to represent, he or she ceases to be a member, and another person engaged in that business or occupation must be appointed for the unexpired term.

5. Any member appointed by the board of county commissioners or a governing body of a city must be a member of the appointing board or body.

Amendment No. 196.

ASSEMBLYMEMBERS LA RUE HATCH, ANDERSON, CARTER , ~~[AND]~~ MILLER **; AND HUNT**

AN ACT relating to public employees; revising the scope of the mandatory subjects of collective bargaining to include the ratio of pupils per licensed teacher for each classroom and the ratio of pupils per each type of specialized instructional support personnel in public schools; revising the requirement that a school district consider the recommendations developed by the State Board of Education when establishing the ratio of pupils per licensed teacher and specialized instructional support personnel; revising provisions concerning the development of a plan to improve set ratios of pupils to specialized instructional support personnel in certain school districts; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law sets forth the mandatory subjects of bargaining that are subject to negotiation with a recognized employee organization for the purposes of a collective bargaining agreement. (NRS 288.150) **Section 1** of this bill revises the scope of mandatory subjects of bargaining to include the ratio of pupils per licensed teacher for each classroom and the ratio of pupils per each type of specialized instructional support personnel in public schools.

Existing law requires the board of trustees of each school district to consider the recommendations developed by the State Board of Education when establishing the ratio of pupils per licensed teacher or specialized instructional support personnel in the school district. (NRS 388.890) **Section 2** of this bill creates an exception to this requirement for when a school district is bound to a ratio of pupils per licensed teacher or specialized instructional support personnel set by a collective bargaining agreement. **Section 3** of this bill makes conforming changes to a provision relating to the development of a plan to improve the set ratio of pupils to specialized instructional support personnel in certain school districts.

Any provision of a collective bargaining agreement negotiated pursuant to this chapter which differs from or conflicts in any way with the provisions of NRS 245.063, 268.4069 or 391.1605 is unenforceable and void.

5. If the local government employer is a school district, any money appropriated by the State to carry out increases in salaries or benefits for the employees of the school district is subject to negotiations with an employee organization.

6. Notwithstanding the provisions of any collective bargaining agreement negotiated pursuant to this chapter, a local government employer is entitled to:

(a) Reopen a collective bargaining agreement for additional, further, new or supplementary negotiations relating to compensation or monetary benefits during a period of fiscal emergency. Negotiations must begin not later than 21 days after the local government employer notifies the employee organization that a fiscal emergency exists. (2) If the local government employer has budgeted an unreserved ending fund balance in its general fund for the current fiscal year in an amount equal to 4 percent or less of the actual expenditures from the general fund for the last preceding fiscal year, and the local government employer has provided a written explanation of the budgeted ending fund balance to the Department of Taxation that includes the reason for the ending fund balance and the manner in which the local government employer plans to increase the ending fund balance.

(b) Take whatever actions may be necessary to carry out its responsibilities in situations of emergency such as a riot, military action, natural disaster or civil disorder. Those actions may include the suspension of any collective bargaining agreement for the duration of the emergency.

➥ Any action taken under the provisions of this subsection must not be construed as a failure to negotiate in good faith.

7. The provisions of this chapter, including, without limitation, the provisions of this section, recognize and declare the ultimate right and responsibility of the local government employer to manage its operation in the most efficient manner consistent with the best interests of all its citizens, its taxpayers and its employees.

8. If the sponsor of a charter school reconstitutes the governing body of a charter school pursuant to NRS 388A.330, the new governing body may terminate the employment of any teachers or other employees of the charter school, and any provision of any agreement negotiated pursuant to this chapter that provides otherwise is unenforceable and void.

9. The board of trustees of a school district in which a school is designated as a turnaround school pursuant to NRS 388G.400 or the principal of such a school, as applicable, may take any action authorized pursuant to NRS 388G.400, including, without limitation:

The board of trustees of a school district or the governing body of a charter school or university school for profoundly gifted pupils may use a substantiated report of the abuse or neglect of a child or a violation of NRS 201.540, 201.553, 201.560, 392.4633 or 394.366 obtained from the Statewide Central Registry for the Collection of Information Concerning the Abuse or Neglect of a Child established by NRS 432.100 or an equivalent registry maintained by a governmental agency in another jurisdiction for the purposes authorized by NRS 388A.515, 388C.200, 391.033, 391.104 or 391.281, as applicable. Such purposes may include, without limitation, making a determination concerning the assignment, discipline or termination of an employee. Any provision of any agreement negotiated pursuant to this chapter which conflicts with the provisions of this subsection is unenforceable and void.

12. This section does not preclude, but this chapter does not require, the local government employer to negotiate subject matters enumerated in subsection 3 which are outside the scope of mandatory bargaining. The local government employer shall discuss subject matters outside the scope of mandatory bargaining but it is not required to negotiate those matters.

13. Contract provisions presently existing in signed and ratified agreements as of May 15, 1975, at 12 p.m. remain negotiable.

A meeting that is closed pursuant to a specific statute may only be closed to the extent specified in the statute allowing the meeting to be closed. All other portions of the meeting must be open and public, and the public body must comply with all other provisions of this chapter to the extent not specifically precluded by the specific statute. Public officers and employees responsible for these meetings shall make reasonable efforts to assist and accommodate persons with physical disabilities desiring to attend ~~[.]~~ ***, including, without limitation, providing at public meetings:***

(b) Communication Access Realtime Translation.

2. If any portion of a meeting is open to the public, the public officers and employees responsible for the meeting must make reasonable efforts to ensure the facilities for the meeting are large enough to accommodate the anticipated number of attendees. No violation of this chapter occurs if a member of the public is not permitted to attend a public meeting because the facilities for the meeting have reached maximum capacity if reasonable efforts were taken to accommodate the anticipated number of attendees. Nothing in this subsection requires a public body to incur any costs to secure a facility outside the control or jurisdiction of the public body or to upgrade, improve or otherwise modify an existing facility to accommodate the anticipated number of attendees.

3. Except in an emergency, written notice of all meetings must be given at least 3 working days before the meeting. The notice must include:

(a) The time, place and location of the meeting. If the meeting is held using a remote technology system pursuant to NRS 241.023 and has no physical location, the notice must include information on how a member of the public may:

(d) An agenda consisting of:

(1) A clear and complete statement of the topics scheduled to be considered during the meeting.

(2) A list describing the items on which action may be taken and clearly denoting that action may be taken on those items by placing the term "for possible action" next to the appropriate item or, if the item is placed on the agenda pursuant to NRS 241.0365, by placing the term "for possible corrective action" next to the appropriate item.

(3) Periods devoted to comments by the general public, if any, and discussion of those comments.

(4) If any portion of the meeting will be closed to consider the character, alleged misconduct or professional competence of a person, the name of the person whose character, alleged misconduct or professional competence will be considered.

(5) If, during any portion of the meeting, the public body will consider whether to take administrative action regarding a person, the name of that person.

(6) Notification that:

(I) Items on the agenda may be taken out of order;

(II) The public body may combine two or more agenda items for consideration; and

(III) The public body may remove an item from the agenda or delay discussion relating to an item on the agenda at any time.

(7) Any restrictions on comments by the general public. Any such restrictions must be reasonable and may restrict the time, place and manner of the comments, but may not restrict comments based upon viewpoint.

(8) If the meeting is being held using a remote technology system pursuant to NRS 241.023 and does not have a physical location designated for the meeting where members of the general public are permitted to attend and

participate, clear and complete instructions for a member of the general public to be able to call in to the meeting to provide public comment, including, without limitation, a telephone number and any necessary identification number of the meeting or other access code.

4. Minimum public notice is:

(b) Posting the notice on the official website of the State pursuant to NRS 232.2175 not later than 9 a.m. of the third working day before the meeting is to be held, unless the public body is unable to do so because of technical problems relating to the operation or maintenance of the official website of the State.

(c) Providing a copy of the notice to any person who has requested notice of the meetings of the public body. A request for notice lapses 6 months after it is made. The public body shall inform the requester of this fact by enclosure with, notation upon or text included within the first notice sent. The notice must be:

6. Notice posted pursuant to this subsection is supplemental to and is not a substitute for the minimum public notice required pursuant to subsection 4. The inability of a public body to post notice of a

meeting pursuant to this subsection as a result of technical problems with its website shall not be deemed to be a violation of the provisions of this chapter.

7. Upon any request, a public body shall provide, at no charge, at least one copy of:

(a) An agenda for a public meeting;

(b) A proposed ordinance or regulation which will be discussed at the public meeting; and

8. Unless it must be made available at an earlier time pursuant to NRS 288.153, a copy of supporting material required to be provided upon request pursuant to paragraph (c) of subsection 7 must be:

(a) If the supporting material is provided to the members of the public body before the meeting, made available to the requester at the time the material is provided to the members of the public body; or

(b) If the supporting material is provided to the members of the public body at the meeting, made available at the meeting to the requester at the same time the material is provided to the members of the public body.

➥ If the requester has agreed to receive the information and material set forth in subsection 7 by electronic mail, the public body shall, if feasible, provide the information and material by electronic mail.

9. Unless the supporting material must be posted at an earlier time pursuant to NRS 288.153, and except as otherwise provided in subsection 11, the governing body of a county or city whose population is 52,000 or more shall post the supporting material described in paragraph (c) of subsection 7 to its website not later than the time the material is provided to the members of the governing body or, if the supporting material is provided to the members of the governing body at a meeting, not later than 24 hours after the conclusion of the meeting. Such posting is supplemental to the right of the public to request the supporting material pursuant to subsection 7. The inability of the governing body, as a result of technical problems with its website, to post supporting material pursuant to this subsection shall not be deemed to be a violation of the provisions of this chapter.

10. Except as otherwise provided in subsection 11, a public body may provide the public notice, information or supporting material required by this section by electronic mail. Except as otherwise provided in this subsection, if a public body makes such notice, information or supporting material available by electronic mail, the public body shall inquire of a person who requests the notice, information or supporting material if the person will accept receipt by electronic mail. Amendment No. 313.

AN ACT relating to health care; revising provisions concerning medical certificates of death of persons who self-administer a medication that is designed to end the life of the person; authorizing a physician or advanced practice registered nurse to prescribe a medication that is designed to end the life of a patient under certain circumstances; prohibiting persons other than a

patient from administering a medication that is designed to end the life of the patient; imposing requirements relating to the medical records of a patient who requests a medication that is designed to end the life of the patient; providing immunity to certain providers of health care and health care facilities for certain actions relating to prescribing or dispensing a medication that is designed to end the life of a patient; authorizing the owner or operator of a health care facility to prohibit the provision of certain services relating to a medication that is designed to end the life of a patient; prohibiting a person from including certain provisions in a will, contract, agreement or policy of life insurance; prohibiting certain actions on a policy of life insurance because the insured requested or revoked a request for a medication that is designed to end the life of the insured; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes a patient who has been diagnosed with a terminal condition to refuse life-resuscitating or life-sustaining treatment in certain circumstances. (NRS 449A.400-449A.581, 450B.400-450B.590) **Sections 5-33** of this bill authorize a patient, under certain circumstances, to self-administer a medication that is designed to end the life of the patient. **Section 14** defines "practitioner" to mean a physician, osteopathic physician or advanced practice registered nurse. **Sections 6-13, 15 and 16** define other relevant terms. **Section 17** authorizes a patient to request that his or her attending practitioner prescribe a medication that is designed to end his or her life if the patient: (1) is at least 18 years of age; (2) has been diagnosed with a terminal condition by at least two practitioners; (3) has made an informed and voluntary decision to end his or her own life; (4) is mentally capable of making such a decision; and (5) is not requesting the medication because of coercion, deception or undue influence. **Section 18** prescribes certain requirements concerning the manner in which a patient may request a medication that is designed to end the life of the patient, including that the patient make two verbal requests and one written request for the medication, and that the written request for the medication be signed by a witness. **Section 19** prescribes the form for the written request for the medication. **Section 20** imposes certain requirements before a practitioner is authorized to prescribe a medication that is designed to end the life of a patient, including that the practitioner: (1) inform the patient of his or her right to revoke a request for the medication at any time; (2) determine and verify that the patient meets the requirements for making such a request; (3) discuss certain relevant factors with the patient, including the diagnosis and prognosis of the patient and alternative options for care; (4) refer the patient to a consulting practitioner who can confirm the diagnosis, prognosis and mental capability of the patient and that the patient has not been coerced or unduly influenced; and (5) instruct the patient against self-administering the medication in public. **Section 21** requires a practitioner who determines that a patient who has requested a prescription for a medication that is designed to end his or her life may not be mentally capable

to refer the patient to a qualified mental health professional and to receive confirmation about the patient's mental capability.

Section 22: (1) prescribes procedures for the issuance of a prescription for a medication that is designed to end the life of the patient; and (2) provides that only an attending practitioner or a pharmacist may dispense such a medication. **Section 22.5 of this bill prescribes the manner in which the attending practitioner may bill the patient or the insurer of the patient for diagnosing the condition of the patient and prescribing the medication.** **Section 23** prohibits an attending practitioner from prescribing a medication that is designed to end the life of a patient based solely on the age or disability of the patient. **Section 24** requires certain providers of health care to include certain information concerning requests and prescriptions for and the dispensing of a medication that is designed to end the life of a patient in the medical record of the patient. If a patient who has requested a medication that is designed to end the life of a patient transfers care to another practitioner or health care facility, **sections 24 and 31** require the practitioner or health care facility that previously provided care to the patient to forward the patient's medical records to the new practitioner or health care facility. **Section 27** prescribes certain information that must be reported by an attending practitioner to the Division of Public and Behavioral Health of the Department of Health and Human Services relating to a patient who has been prescribed or self-administered such a medication. **Section 28** requires the Division to compile an annual report concerning the implementation of the provisions of this bill authorizing a patient to request a prescription for a medication that is designed to end the life of the patient. **Sections 27, 40 and 43** of this bill provide that such information is otherwise confidential when reported to the Division.

Section 25 authorizes a patient, at any time, to revoke a request for a medication that is designed to end his or her life. **Sections 26 and 35** of this bill provide that only the patient to whom a medication that is designed to end his or her life is prescribed may administer the medication. **Section 26** establishes requirements for the disposal of any unused portion of the medication.

Section 33 makes certain persons exempt from professional discipline and immune from civil and criminal penalties and provides that such persons do not violate any applicable standard of care for taking actions authorized by this bill to assist a patient in acquiring a medication that is designed to end the life of the patient. **Section 33.3 of this bill requires a person who administers emergency medical services to treat a prescription for a medication that is designed to end the life of a patient as a written do-not-resuscitate order for the purpose of withholding life-sustaining treatment.** **Section 33.6 of this bill requires a person who administers emergency medical services who responds to a person who has self-administered a medication that is designed to end his or her life to indicate "medical aid in dying" in any report concerning the incident.** **Section 33.1 of this bill makes a**

conforming change to include a patient who has self-administered a medication designed to end his or her life in the definition of "qualified patient" for the purpose of provisions governing the withholding of life-sustaining treatment. **Section 29** provides that a death resulting from the self-administration of a medication that is designed to end the life of a patient is not mercy killing, euthanasia, assisted suicide, suicide or homicide when done in accordance with the provisions of this bill, and **section 2** of this bill requires a death certificate to list the terminal condition of the patient as the cause of death of the patient. **However, section 1.5 of this bill requires a death certificate to include a box that may be marked to indicate that a patient died from the self-administration of a medication that is designed to end the life of a patient, and section 2 requires the death certificate of such a patient to indicate that the patient died in that manner through a mark in that box.** **Sections 1 and 3** of this bill provide that a coroner, coroner's deputy or local health officer is not required to certify the cause of such a death. **Section 42** of this bill: (1) authorizes a coroner to make an appropriate investigation after discovering that a person has self-administered a medication designed to end the life of the person, to the extent necessary to determine the cause of the terminal condition with which the person was diagnosed; and (2) requires a coroner to cease such an investigation after determining that the terminal condition resulted from a natural cause. **Section 41** of this bill makes a conforming change to revise certain internal references.

Sections 30 and 38 of this bill prohibit a person from preventing or requiring a person to make or revoke a request for a medication that is designed to end the life of the person as a condition to receiving health care or as a condition in an agreement, contract or will.

Section 31 clarifies that a practitioner is not required to prescribe a medication that is designed to end the life of a patient and remains responsible for treating the patient's pain. However, if a patient who is diagnosed with a terminal condition requests information concerning the prescription and self-administration of a medication that is designed to end the life of the patient, **section 31** requires a practitioner to provide that information or facilitate the transfer of the patient to another provider of health care. **Section 31** also provides that a pharmacist is not required to fill a prescription for or dispense such a medication. **Section 32** authorizes the owner or operator of a health care facility to prohibit an employee or independent contractor of the health care facility or any person who provides services on the premises of the health care facility from providing any services relating to prescribing a medication that is designed to end the life of a patient while acting within the scope of his or her employment or contract with the facility or while on the premises of the facility. **Section 33** prohibits a health care facility or provider of health care from taking certain actions against an employee or independent contractor who: (1) provides accurate, scientific information concerning end-of-life care to a patient; or (2) facilitates the prescription or self-administration of a medication that is designed to end the life of the patient. **Sections 34-37** of this

bill make conforming changes to clarify that a practitioner or pharmacist is authorized to dispense a medication that is designed to end the life of a patient that is a controlled substance or dangerous drug and a patient may self-administer such a medication in accordance with other provisions governing medications designed to end the life of a patient.

Section 39 of this bill provides that a proposed protected person shall not be deemed to be in need of a general or special guardian solely because the proposed protected person requested a medication that is designed to end his or her life or revoked such a request.

Sections 44 and 45 of this bill prohibit insurers from conditioning life insurance benefits, group life insurance benefits or the payment of claims on whether the insured makes, fails to make or revokes a request for a medication that is designed to end the life of the insured or self-administers such a medication. **Section 46** of this bill makes a conforming change to reflect this prohibition on a policy of group life insurance.

The following amendment was proposed by the Committee on Growth and Infrastructure:

Amendment No. 211.

ASSEMBLY JOINT RESOLUTION—Urging the Federal Government to maintain the moratorium on the testing of explosive nuclear weapons.

WHEREAS, The **State of Nevada and its citizens have long contributed to the national security of the** United States ~~[Congress approved a moratorium on the underground testing of explosive nuclear weapons in 1992,]~~ **by hosting the Nevada National Security Site, formerly the Nevada Test Site, where a total of 100 atmospheric tests and 828 underground tests were conducted;** and

WHEREAS, ~~[The]~~ **After sustained advocacy by Nevadans, the era of explosive nuclear testing in the** United States ~~[signed the Comprehensive Nuclear Test-Ban Treaty in 1996, but has not yet ratified the treaty;]~~ **ended in 1992 when a moratorium on underground nuclear testing was passed by bipartisan majorities in the United States Congress and signed into law by President George H.W. Bush, and the moratorium has been voluntarily upheld by every president for over 30 years;** and

WHEREAS, ~~[There have been no test explosions of nuclear weapons in Nevada for over thirty years;]~~ **Former national security officials and other Washington-based research organizations have recently called for renewed explosive nuclear testing which, if adopted, would occur underground at the Nevada National Security Site in Nye County, just 65 miles from Las Vegas, Nevada, and would introduce environmental, health and economic risks to all Nevadans;** and

WHEREAS, ~~[The]~~ **When the Federal Government first selected the** Nevada ~~[National Security]~~ **Test** Site ~~[, where resumption of the underground]~~ **for nuclear** testing ~~[of explosive nuclear weapons would occur, is located approximately 65 miles northwest of Las Vegas, Nevada;]~~ **, an estimated 57,000 people lived in Clark County and the five nearby rural counties, whereas today these counties are home to more than 2.3 million people;** and

WHEREAS, ~~[The improper underground]~~ **Underground** testing of explosive nuclear weapons could ~~[vent and disperse a large amount of]~~ **inadvertently release** radioactive material into the air, as ~~[it did in]~~ **has happened in the past with at least 32 venting accidents from underground tests at the**

Nevada Test Site, including the 1970 ~~[when an underground test vented 80,000 curies]~~ **Baneberry incident, which released a significant amount** of radioactive ~~[contamination]~~ **material** across a widespread area of the western United States ~~[,]~~ and **exposed 86 Nevada Test Site workers to high levels of radiation; and**

WHEREAS, ~~[Radioactive material from previous nuclear tests is still present in the groundwater of some areas of the Nevada National Security Site, and the resumption of underground testing of explosive nuclear weapons could contaminate the groundwater even further with radioactive material;]~~ **More than 32,000 "Downwinder" claims have been filed as a result of atmospheric testing, and more than 27,000 claims have been filed under the Energy Employees Occupational Illness Compensation Program Act by former Nevada Test Site employees and contractors, demonstrating the impact of nuclear testing on the health of Nevadans;** and

WHEREAS, Exposure to radiation ~~[through the air or groundwater can pose adverse]~~ **from resumed testing of explosive nuclear weapons could result in negative chronic** health effects **to the local population** over time, including cancer **, heart disease, neurological disorders, autoimmune disorders** and ~~[other illnesses;]~~ **thyroid disease;** and

WHEREAS, ~~[The]~~ **Previous** underground testing of explosive nuclear weapons ~~[could cause]~~ **caused** tremors in Las Vegas ~~[, Nevada,]~~ **registering as high as 5.7 on the Richter scale,** which ~~[would resemble a major earthquake;]~~ **rattled residents and visitors, underscoring that resumed testing could pose significant risks to the infrastructure, buildings and, ultimately, economy of Nevada, including its tourism and real estate industries;** and

WHEREAS, ~~[The resumption of the testing of]~~ **Resumed** explosive nuclear ~~[weapons]~~ **testing** would ~~[risk the local Nevada economy by frightening residents and tourists alike;]~~ **further contaminate local groundwater sources, as evidenced by the environmental reports of the National Nuclear Security Administration indicating radioactive materials in groundwater from previous testing and the known effectiveness of groundwater in dispersing radioactive contamination into the surrounding environment;** and

WHEREAS, ~~[When the]~~ **There is no technical or military requirement to resume nuclear testing, as the Directors of the Los Alamos, Sandia and Lawrence Livermore National Laboratories and the Commander of** United States ~~[first began testing explosive]~~ **Strategic Command, along with the Secretaries of Defense and Energy, have annually affirmed the safety, security, reliability and performance of** nuclear weapons ~~[at the Nevada Test Site in the 1950s, there was an estimated population in Clark County of 50,000 people. Today there are estimated to be around 2,300,000 people in Clark County, which means there are now far more people who could potentially experience adverse impacts from this]~~ **for over 25 years and have**

consistently determined there is no technical or military requirement to resume testing; and

WHEREAS, ~~[Over 72 percent of Nevada voters oppose the resumption of underground testing of explosive nuclear weapons;]~~ **No country other than North Korea has conducted an explosive nuclear test this century, and 187 countries, including the United States, every NATO and United States Pacific ally, Russia and China, are signatories to the 1996 Comprehensive Nuclear Test Ban Treaty;** and

WHEREAS, Resumption of the ~~[underground]~~ testing of explosive nuclear weapons ~~[in]~~ **would undermine the national security of** the United States ~~[could lead]~~ **by encouraging Russia, China and** other countries to resume the testing of nuclear weapons **~~[, causing a new]~~ and improve their** nuclear ~~[arms race,]~~ **arsenals; and**

WHEREAS, The United States has extensive data from having conducted more nuclear tests than any other country, which fuels today's powerful science-based stockpile stewardship program with cutting edge diagnostic, modeling and computing capabilities that are second to none; and

WHEREAS, Polling conducted by the University of Maryland in 2024 found that more than two-thirds of Nevada Republicans and Democrats favor continuing to abide by the moratorium on nuclear testing; now, therefore, be it

RESOLVED BY THE ASSEMBLY AND SENATE OF THE STATE OF NEVADA, JOINTLY, That the ~~[United States should]~~ **members of the 83rd Session of the Nevada Legislature hereby urge the Federal Government to** maintain ~~[and renew its commitment to]~~ the moratorium on the testing of explosive nuclear weapons **;** ~~[in this country;]~~ and be it further

~~[Resolved, That the United States, in alignment with its signing of the Comprehensive Nuclear Test Ban Treaty, should not resume the testing of explosive nuclear weapons at the Nevada National Security Site; and be it further]~~

RESOLVED, That the Chief Clerk of the Assembly prepare and transmit a copy of this resolution to the President of the United States, the Vice President of the United States as the presiding officer of the Senate, the Speaker of the House of Representatives, **the United States Secretary of State, the United States Secretary of Defense,** the United States Secretary of Energy**, the Under Secretary for the National Nuclear Security Administration** and each member of the Nevada Congressional Delegation; and be it further

SECOND READING AND AMENDMENT

Assembly Bill No. 20.

Bill read second time.

The following amendment was proposed by the Committee on Growth and Infrastructure:

Amendment No. 44.

AN ACT relating to the Department of Motor Vehicles; authorizing the imprinting of individualized symbols or codes for different medical conditions on driver's licenses or identification cards; ~~[providing for the use of electronic mail for certain communications]~~ **revising the manner in which the Department communicates certain information** concerning liability insurance; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the Department of Motor Vehicles to adopt regulations establishing a program for the imprinting of a symbol indicating a medical condition on a driver's license or identification card. If such a program is adopted, existing law: (1) requires the Department to adopt a single symbol to indicate that a person has a medical condition; and (2) prohibits the Department from adopting individualized symbols for different medical conditions. (NRS 483.3485, 483.863) **Sections 1 and 2** of this bill authorize the Department to adopt individualized symbols or codes for different medical conditions in addition to adopting the required single symbol to indicate that a person has a medical condition.

Existing law requires the Department to mail to the registered owner of a motor vehicle a request for information regarding the liability insurance covering the motor vehicle, if the Department is unable to verify that the motor vehicle is covered by a policy of liability insurance. If the Department does not receive the requested information, existing law requires the Department to suspend the registration of the motor vehicle after sending a notice of suspension of registration by certified mail. (NRS 485.317) **Section 3** of this bill ~~[additionally authorizes]~~ **requires** the Department to send a request for information regarding liability insurance coverage by electronic ~~[mail,]~~ **notification,** if the registered owner has elected to receive information from the Department by electronic ~~[mail.]~~ **notification. Section 3** also requires the Department to send a notice of suspension of registration by electronic ~~[mail,]~~ **notification,** if the registered owner has elected to receive information from the Department by electronic ~~[mail,]~~ **notification,** in addition to sending the notice by certified mail ~~[.]~~ **or a mail service that requires the signature of the recipient and confirmation of delivery.**

(a) Shall not refuse to provide a copy of that public record in the medium that is requested because the officer, employee or agent has already prepared or would prefer to provide the copy in a different medium.

(b) Except as otherwise provided in NRS 239.030, shall, upon request, prepare the copy of the public record and shall not require the person who has requested the copy to prepare the copy himself or herself.

ASSEMBLYMEMBERS HIBBETTS, YUREK **,** ~~[AND]~~ D'SILVA **AND MONROE-MORENO**

JOINT SPONSORS: SENATOR DOÑATE

AN ACT relating to public employees; revising the definition of "police officer" for the purposes of certain benefits and exemptions; ~~[specifying that the use of certain designations by the Department of Public Safety or a division or officer of the Department does not exclude certain persons employed by the Department from the definition of "police officer" for the purposes of certain benefits and exemptions;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law defines "police officer" to include various law enforcement officers of this State for the purposes of certain provisions relating to eligibility for benefits under the Nevada Occupational Diseases Act. (NRS 617.135) ~~[Among the law enforcement officers included in the definition of "police officer" are certain specified employees of the Department of Public Safety. (NRS 617.135) Existing law authorizes the Director of the Department of Public Safety to authorize: (1) the Department to use certain designations to identify itself; and (2) the divisions of the Department and the officers and employees of the Department to use certain designations to identify themselves. (NRS 480.150) Section 1 of this bill provides that the use of such a designation does not exclude from the definition of "police officer" any person employed by the Department of Public Safety who is included in the definition of "police officer" under existing law.]~~

Section 1 of this bill ~~[also]~~ expands the definition of "police officer" to include: (1) a school police officer employed or appointed by the board of trustees of a school district; (2) a juvenile probation officer; (3) a bailiff or deputy marshal of a municipal court; (4) a marshal or deputy marshal of a city or town; and (5) all category I**, II and III** peace officers. Furthermore, because

various other provisions of the Nevada Revised Statutes reference "police officer" as that term is defined in the Act, this bill makes applicable to all category I**, II and III** peace officers, school police officers employed or appointed by the board of trustees of a school district, juvenile probation officers, bailiffs and deputy marshals of municipal courts and marshals and deputy marshals of cities or towns: (1) industrial insurance coverage for police officers; (2) exemption from service as grand or trial jurors; (3) compensation for police officers with temporary disabilities; and (4) eligibility for certain programs of group insurance or other medical or hospital service for the surviving spouse or any surviving child of a police officer or firefighter. Amendment No. 104.

~~[ASSEMBLYMEMBER]~~ **ASSEMBLYMEMBERS** NADEEM **, NGUYEN, D'SILVA, GONZÁLEZ, MILLER, TORRES-FOSSETT; JACKSON, MONROE-MORENO AND MOSCA**

JOINT SPONSOR: SENATOR NGUYEN

AN ACT relating to elections communications; prohibiting a person **~~[~~**, ~~during any speech or other communication made in the course of his or her political campaign,]~~ from making certain statements which threaten ~~[the life of any other]~~ **or intimidate a candidate for public office; authorizing a** person **~~[~~**,~~]~~ **to notify the Secretary of State of a violation of such a prohibition; requiring the Secretary of State to take certain actions upon the receipt of such notice;** providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[The United States Supreme Court has held that: (1) a "true threat" is an unprotected category of communication which subjects a person to the fear of violence and to the many kinds of disruption that fear engenders; and (2) the First Amendment of the United States Constitution requires a speaker who communicates a true threat to act recklessly when making such a statement. (Counterman v. Colorado, 600 U.S. 66, 74-81 (2023)) The Supreme Court has further held that a person acts recklessly when he or she "consciously disregards a substantial and unjustifiable risk that the conduct will cause harm to another." (Counterman, 600 U.S. at 79 (quoting Voisine v. U.S., 579 U.S. 686, 691 (2016)))]~~

Existing law provides that a person is guilty of harassment if he or she, without lawful authority, knowingly makes certain threats and, by words or conduct, places the person threatened in reasonable fear that the threat will be carried out. Existing law further provides that a person who is guilty of harassment is: (1) for the first offense, guilty of a misdemeanor; and (2) for the second or any subsequent offense, guilty of a gross misdemeanor. (NRS 200.571)

~~[This]~~ **Section 2 of this** bill prohibits a person from, ~~[during any speech]~~ **directly** or ~~[other communication made in]~~ **indirectly addressing any threat or intimidation to a candidate for public office if** the ~~[course of his]~~ **person knows** or ~~[her political campaign, threatening]~~ **has reason to know that** the ~~[life of any other person:]~~ **threat or intimidation communicates the intent, either immediately or in the future, to cause or induce another to cause:** (1) ~~[with conscious disregard for the substantial and unjustifiable risk:]~~ **bodily injury to the candidate or another who the person who knows or has reason to know is a family member** of ~~[harm to another caused by his or her speech]~~ **the candidate;** or ~~[communication; and]~~ (2) ~~[in a manner which places the person who is]~~ **physical damage to** the ~~[subject]~~ **property** of the ~~[threat in reasonable fear that the threat will be carried out. This bill]~~ **candidate or another who the person knows or has reason to know is a family member of the candidate. Section 2** further provides that a person who violates the provisions of ~~[this bill]~~ **section 2** is: (1) for the first offense, guilty of a

misdemeanor; and (2) for the second or any subsequent offense, guilty of a gross misdemeanor.

Section 3 of this bill authorizes a person who believes that the provisions of section 2 have been violated to notify the Secretary of State in writing of the alleged violation. Upon receipt of such notice, section 3 requires the Secretary of State to conduct an investigation and, if the Secretary of State determines that reasonable suspicion exists that a violation has occurred, requires the Secretary of State to, as soon as practicable, refer the matter to the Attorney General for a determination of whether to institute proceedings to enforce the provisions of section 2. Section 3 further requires the Secretary of State to, within 30 days after the receipt of a notice of an alleged violation, issue a written report to the candidate who is the subject of the threat or intimidation that includes: (1) a description of the alleged violation; (2) the results of the investigation undertaken; and (3) whether the Secretary of State referred the matter to the Attorney General.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 293 of NRS is hereby amended by adding thereto ~~[a new section to read as follows:]~~ **the provisions set forth as sections 2 and 3 of this act.**

Sec. 2. 1. A person shall not ~~[, during any speech]~~ directly or ~~[other communication made in]~~ indirectly address any threat or intimidation to a candidate for public office if the ~~[course of his]~~ person knows or ~~[her political campaign, threaten]~~ has reason to know that the threat or intimidation communicates the ~~[life of any other person:]~~ intent, either immediately or in the future, to cause or induce another to cause:

(a) ~~[With conscious disregard for the substantial and unjustifiable risk]~~ Bodily injury to the candidate or another who the person knows or has reason to know is a family member of ~~[harm to another caused by his or her speech]~~ the candidate; or ~~[communication; and]~~

(b) ~~[In a manner which places the person who is]~~ Physical damage to the ~~[subject]~~ property of the ~~[threat in reasonable fear that the threat will be carried out.]~~ candidate or another who the person knows or has reason to know is a family member of the candidate.

2. Nothing in this section shall be construed as to prohibit a person from engaging in any constitutionally protected exercise of free speech, including political hyperbole.

3. A person who violates the provisions of subsection 1:

(a) For the first offense, is guilty of a misdemeanor.

(b) For the second or any subsequent offense, is guilty of a gross misdemeanor.

Sec. 3. 1. A person who believes that the provisions of section 2 of this act have been violated may notify the Secretary of State in writing of the alleged violation.

2. Upon receipt of a notice of an alleged violation pursuant to subsection 1, the Secretary of State shall conduct an investigation and if the Secretary of State determines that reasonable suspicion exists that a violation of section 2 of this act has occurred, the Secretary of State shall, as soon as practicable, refer the matter to the Attorney General for a determination of whether to institute proceedings in a court of competent jurisdiction to enforce the provisions of section 2 of this act.

3. The Secretary of State shall, within 30 days after the receipt of a notice of an alleged violation pursuant to subsection 1, issue a written report to the candidate who is the subject of the threat or intimidation that includes:

(a) A description of the alleged violation;

SUMMARY—Creates the ~~[Office of]~~ Public Records ~~[Ombudsman in the Executive Department of State Government.]~~ **Task Force.** (BDR ~~[19-400)]~~ **S-400)**

AN ACT relating to public records; creating the ~~[Office of]~~ Public Records ~~[Ombudsman in the Executive Department of State Government; setting forth the powers and duties of the Ombudsman; authorizing a person to file a complaint with the Ombudsman; revising provisions governing judicial relief for actions relating to public records;]~~ **Task Force; setting forth the membership and duties of the Task Force;** and providing other matters properly relating thereto.

~~If a request for inspection, copying or copies of a public book or record is denied or unreasonably delayed, or if the person making the request believes that the fee charged by the governmental entity is excessive or improper, existing law authorizes a requester to apply to a district court for an order permitting the requester to make or receive a copy of the book or record or providing relief relating to the amount of the fee. ~~[ASSEMBLYMEMBER]~~ **ASSEMBLYMEMBERS** MONROE-MORENO **, HIBBETTS AND MOORE**

AN ACT relating to employment; revising provisions relating to the employment of children; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The federal Fair Labor Standards Act and existing state law establish certain standards relating to the employment of children. (29 U.S.C. § 212, 29 C.F.R. Part 570; chapter 609 of NRS) When such federal and state standards are

different, the standards that provide the most protection to children apply. (29 U.S.C. § 218) With certain exceptions, both existing federal and state law restrict the daily and weekly number of hours worked in authorized employment by children who are 14 and 15 years of age. (29 C.F.R. § 570.35; NRS 609.240) **In part, existing state law prohibits children who are 14 and 15 years of age from being employed, subject to certain exceptions, more than 48 hours in any 1 week. (NRS 609.240) Section 2 of this bill reduces the maximum allowable number of weekly work hours under this prohibition to 40 hours in any 1 week.** With the exception of working as certain messengers, existing state law does not place restrictions on the times of day worked in authorized employment by children who are 14 years of age and older and under 18 years of age. (NRS 609.230, 609.240) However, existing federal law limits the times of day worked in authorized employment by children who are 14 and 15 years of age to 7 a.m. to 7 p.m., except between June 1 and Labor Day when the evening hours are extended to 9 p.m. (29 C.F.R. § 570.35) **Section 2** ~~[of this bill]~~ prohibits, with certain exceptions, work between ~~[10]~~ **11** p.m. and ~~[5]~~ **6** a.m. on any night immediately preceding a school day by a child who is: (1) enrolled in high school ~~[,]~~ **at a public or private school;** (2) 16 years of age or older and under 19 years of age; and (3) not emancipated. **Section 2 exempts from this time restriction the employment of a child as a lifeguard, employee of an arcade or stage or theatrical performer. Section 2** authorizes a school district **or other governing body of the high school** or juvenile court to grant an exemption from this time restriction in certain circumstances.

A person who violates the prohibitions relating to the employment of children: (1) is guilty of a misdemeanor, which is punishable by imprisonment in the county jail for not more than 6 months, or by a fine of not more than $1,000, or by both fine or imprisonment; and (2) may be liable for certain civil penalties. (NRS 193.150, 609.650, 609.652) These penalties apply to persons who violate the **maximum allowable number of weekly work hours or** time restrictions in **section 2**.

Existing law requires every employer in this State to conspicuously post on the premises where any person is employed a printed abstract, furnished by the Labor Commissioner, of the provisions relating to compensation, wages and hours of employment. (NRS 608.013) **Section 1** of this bill requires the Labor Commissioner to prepare an abstract of the provisions relating to the employment of children and post the abstract to the Internet website maintained by the Office of Labor Commissioner. **Section 1** also requires the Labor Commissioner to include the abstract relating to the employment of children in a two-dimensional bar code, commonly known as a QR code, or other machine-readable bar code used for storing an Internet address, in the abstract relating to compensation, wages and hours of employment that the Labor Commissioner is required to furnish to every employer in this State.

Bill read second time.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 251.

AN ACT relating to housing; requiring the governing body of each county and city to adopt an ordinance to authorize ~~[a person to apply for a permit to construct]~~ **by-right** a multifamily housing development or mixed-use development **that includes a residential use** on property zoned for commercial use; declaring void certain county or city ordinances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1 of this bill requires each governing body of a county or city to adopt an ordinance that authorizes ~~[a person to apply for a permit to construct]~~ **by-right** a multifamily housing development or mixed-use development **that includes a residential use** on property zoned for commercial use. **Section 1** further ~~[requires such an ordinance to set forth an expedited process for the approval of the application and any appeal of the denial of such an application.]~~ **provides that property zoned for commercial use does not include property zoned for industrial use.** **Section 5** of this bill declares void any ordinance, regulation or rule of a county or city which conflicts with the provisions of this bill.

Existing law authorizes the governing body of a county or city to divide the county, city or region into zoning districts of such number, shape and area as are best suited to carry out certain purposes. Within a zoning district, the governing body may regulate and restrict the erection, construction, reconstruction, alteration, repair or use of buildings, structures or land. (NRS 278.250) **Section 4** of this bill creates an exception to account for the requirement that the governing body of a county or city adopt an ordinance to

authorize ~~[a person to apply for a permit to construct]~~ **by-right** a multifamily housing development or mixed-use development **that includes a residential use** on property zoned for commercial use pursuant to **section 1**.

Existing law requires that an action or proceeding seeking judicial relief or review from or with respect to any final action, decision or order of any governing body of a county or city be commenced within 25 days after the date of filing of notice of the final action, decision or order with the clerk or secretary of the governing body. (NRS 278.0235) **Section 3** of this bill applies these provisions to **section 1**.

Section 2 of this bill makes a conforming change to apply the definitions of certain terms relating to planning and zoning to **section 1**.

Legislative Counsel's Digest:

Existing law requires the Medicaid program to cover: (1) counseling and support for breastfeeding; (2) supplies for breastfeeding until the child's first birthday; and (3) lactation consultation and support. (NRS 651.070) Existing law defines the term "place of public accommodation" to mean any establishment or place to which the public is invited or which is intended for public use, including inns, hotels, motels, restaurants, bars, gasoline stations, theaters, convention centers, bakeries, grocery stores, laundromats, museums, libraries, parks, zoos, nurseries, private and public schools or universities, day care centers, senior citizen centers, gymnasiums, health spas and bowling alleys. (NRS 651.050; *Clark County Sch. Dist. v. Buchanan*, 112 Nev. 1146 (1996)) **Section 4** of this bill prohibits a place of public accommodation **, except if required by law, regulation or ordinance to restrict the access of a minor to the place of public accommodation,** from: (1) denying the full and equal enjoyment of the goods, services, facilities, privileges, advantages and accommodations of any place of public accommodation to a person because the person is breastfeeding a child; or (2) publishing a statement, advertisement, notice or sign that conflicts with that prohibition. **Section 5** of this bill makes the definition of "place of public accommodation" in existing law apply to **section 4**. **Section 6** of this bill clarifies that those prohibitions do not apply to certain private establishments that are not places of public accommodation. **Section 7** of this bill makes certain actions that violate **section 4** misdemeanors, and **section 8** of this bill authorizes a victim of such a violation to file a civil action. **Section 9** of this bill authorizes a county or incorporated city to adopt an ordinance that protects the rights protected by **section 4**, with certain limitations. **Section 10** of this bill authorizes a victim of a violation of **section 4** to file a complaint with the Nevada Equal Rights Commission, and **section 3** of this bill authorizes the Commission to order its Administrator to investigate and hold hearings on such

a complaint. The Commission would also be authorized to: (1) hold an informal meeting to attempt to settle a dispute over an alleged violation of **section 4**; and (2) after a formal public hearing, order the place of public accommodation to cease and desist from activity that violates **section 4** and take corrective action. (NRS 233.170) **Section 2** of this bill makes a conforming change to include preventing discrimination against persons who are breastfeeding children within the purposes of the Commission. **Section 1.5 of this bill provides that it is not an unlawful discriminatory practice in public accommodations to enforce a law, regulation or ordinance restricting a minor from entering or remaining in the place of public accommodation.**

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 43.

AN ACT relating to professional regulation; revising provisions relating to certain examinations required for licensure as a professional engineer or professional land surveyor; revising the circumstances under which the State Board of Professional Engineers and Land Surveyors may waive certain examinations for certain applicants for licensure; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires an applicant for licensure as a professional engineer to pass: (1) an examination on the fundamentals of engineering or receive a waiver of that requirement; and (2) an examination on the principles and practices of engineering that must cover the discipline of engineering in which the applicant is applying for licensure. Existing law prohibits an applicant from taking the examination on the principles and practices of engineering unless the applicant has passed the examination on the fundamentals of engineering or received a waiver of that requirement. Existing law authorizes the State Board of Professional Engineers and Land Surveyors to waive the examination on the fundamentals of engineering if the applicant: (1) has graduated from an engineering curriculum that is approved by the Board; and (2) has 15 or more years of experience in engineering. (NRS 625.183, 625.193)

Sections 1 and 2 of this bill remove the requirement that an applicant must pass the examination on the fundamentals of engineering or receive a waiver of that requirement before taking the examination on the principles and practices of engineering. **Section 2** revises the years of experience required to waive the examination on the fundamentals of engineering from 15 years of experience in engineering to ~~[8]~~ **10** years of active experience in engineering.

Existing law requires an applicant for licensure as a professional land surveyor to pass: (1) an examination on the fundamentals of land surveying or receive a waiver of that requirement; and (2) an examination on the principles and practices of land surveying. Existing law prohibits an applicant from taking the examination on the principles and practices of land surveying unless the applicant: (1) is a graduate of a land-surveying curriculum of 4 or more years that is approved by the Board; and (2) has passed the examination on the fundamentals of land surveying or received a waiver of that requirement. Existing law: (1) authorizes the Board to waive the examination on the fundamentals of land surveying if the applicant has 15 or more years of experience in land surveying; and (2) requires the Board to consider graduation from a land-surveying curriculum that is approved by the Board to be equivalent to 4 years of experience for purposes of the waiver. (NRS 625.270, 625.280)

Sections 3 and 4 of this bill remove the requirements that an applicant must be a graduate of a land-surveying curriculum that is approved by the Board and pass the examination on the fundamentals of land surveying or receive a waiver of that requirement before taking the examination on the principles and practices of land surveying. **Section 4** revises the requirements to waive the examination on the fundamentals of land surveying by: (1) adding a requirement that an applicant be a graduate of a land-surveying curriculum that is approved by the Board; (2) revising the years of experience required from 15 years of experience in land surveying to ~~[8]~~ **10** years of active experience in land surveying; and (3) removing the requirement for the Board to consider graduation from a land-surveying curriculum that is approved by the Board to be equivalent to 4 years of experience.

Existing law sets forth certain requirements for the content and administration of examinations on the fundamentals of engineering or land surveying and the principles and practices of engineering or land surveying. (NRS 625.193, 625.280) **Sections 2 and 4** remove those requirements and instead require applicants for licensure to pass an applicable examination administered by the National Council of Examiners for Engineering and Surveying or its successor organization or another equivalent examination that is approved by the Board.

(NRS 287.010, 287.04335, 422.2717-422.27248, 689A.04033-689A.0465, 689B.0303-689B.0379, 689C.1652-689C.169, 689C.194-689C.195, 689C.425, 695A.184-695A.1875, 695A.265, 695B.1901-695B.1948, 695C.050, 695C.1691-695C.176, 695G.162-695G.177) Existing law also requires employers to provide certain benefits for health care to employees, including the coverage required of health insurers, if the employer provides health benefits for its employees. (NRS 608.1555) **Sections 1, 3-9, 11 and 13-15** of this bill require certain public and private policies of health insurance and health care plans, including Medicaid, to include coverage for screening for and the assessment and diagnosis of attention deficit hyperactivity disorder, fetal alcohol spectrum disorders, intellectual disabilities and specific learning disabilities for persons covered by the policy under the age of 18 years or, if enrolled in high school, until the person reaches the age of 22 years. **Section 2** of this bill authorizes the Commissioner of Insurance to require certain policies of insurance issued by a domestic insurer to a person residing in another state to include such coverage. **Section 10** of this bill authorizes the Commissioner to suspend or revoke the certificate of a health maintenance organization that fails to comply with the requirements of **section 8**. The Commissioner would also be authorized under existing law to take such action against other health insurers who fail to comply with the requirements of **sections 1, 3-7 and 11** of this bill. (NRS 680A.200) **Section 12** of this bill makes a conforming change to require the Director of the Department of Health and Human Services to administer the provisions of **section 15** in the same manner as other provisions relating to Medicaid.

Amendment No. 259.

AN ACT relating to water; revising provisions relating to the establishment, membership and duties of a groundwater board; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes a board of county commissioners to recommend to the State Engineer that the State Engineer establish a groundwater board in an area designated as a groundwater basin by the State Engineer. If the State Engineer directs the establishment of a groundwater board, the Governor is required to appoint seven members to serve on the groundwater board. Existing law authorizes the Governor to dissolve the groundwater board if the Governor determines that the future activities of the board are likely to be insubstantial. (NRS 534.035) **Section 1** of this bill authorizes a board of county commissioners to request or boards of county commissioners to jointly request that the State Engineer establish a groundwater board. If ~~[requested,]~~ **the State Engineer establishes a groundwater board, section 1**: (1) requires the State Engineer to appoint seven members to the groundwater board; and (2) authorizes a board of county commissioners or boards of county commissioners, as applicable, to appoint a nonvoting member to the groundwater board. **Section 1** additionally provides that the groundwater board: (1) must be dissolved after 4 years, unless the State Engineer approves a request from the board of county commissioners or boards of county commissioners, as applicable, to continue the board; and (2) may be dissolved by a majority vote of the groundwater board. **Section 1** further provides that only one groundwater board may be established for a designated groundwater basin.

Section 1 also requires the State Engineer to consider the written advice and recommendations of the groundwater board on reducing overpumping in the designated groundwater basin.

Section 1 also authorizes the board of county commissioners or boards of county commissioners, as applicable, to submit a list of names of persons who are eligible for appointment to the groundwater board to the State Engineer, who may appoint members to the groundwater board from the list.

Existing law requires: (1) the State to pay certain expenses of a groundwater board such as per diem and travel allowances for board members and expenses for consultants employed by a groundwater board; and (2) the State Engineer to determine and certify the budget of a groundwater board for paying such expenses. (NRS 534.035, 534.040) **Sections 1 and 2** of this bill eliminate these provisions and provide that members serve without compensation.

Except as otherwise provided in subsection 2, in designated areas within which the use of groundwater is predominantly for agricultural purposes, any special assessment levied pursuant to this section must be charged against each water user who has a permit to appropriate water or a perfected water right, and the charge against each water user must be based upon the proportion which his or her water right bears to the aggregate water rights in the designated area. 7. ~~[Upon determination and certification by the State Engineer of the amount to be budgeted for the current or ensuing fiscal year for the purpose of paying the per diem and travel allowances of the groundwater board and employing consultants or other help needed to fulfill its responsibilities, the State Controller shall transfer that amount to a separate operating account for that fiscal year for the groundwater basin. Claims against the account must be approved by the groundwater board and paid as other claims against the State are paid.]~~ The State Engineer may use money in a particular basin well account to support an activity outside the basin in which the money is collected if the activity bears a direct relationship to the responsibilities or activities of the State Engineer regarding the particular groundwater basin.

The following amendment was proposed by the Committee on Education:

Amendment No. 168.

AN ACT relating to education; requiring the inclusion of certain information regarding pupil achievement in annual reports of accountability submitted by the boards of trustees of school districts, the sponsors of charter schools and the State Board of Education; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the boards of trustees of school districts, the sponsors of charter schools and the State Board of Education to prepare and publicly disseminate annual reports of accountability for the quality of schools and the educational achievement of pupils. (NRS 385A.070, 385A.400) **Such annual reports of accountability are required to include certain information concerning the results of pupils on criterion-referenced examinations and the college and career readiness assessment. (NRS 385A.200, 385A.410)** Existing law prohibits a separate reporting for a group of pupils if the number of pupils in that group is insufficient to yield statistically reliable information or the results would reveal personally identifiable information about an individual pupil. (NRS 385A.070, 385A.400) **Sections 1 and 2** of this bill

require that, unless the existing prohibition on separate reporting for a group of pupils applies, the boards of trustees of school districts, the sponsors of charter schools and the State Board of Education must include within annual reports of accountability information on pupil achievement among ~~[: (1)]~~ pupils who have accrued ~~[10 or]~~ more **than 10** absences ~~[within the school year; and (2) pupils whose instruction in a core academic subject during the school year involved at least 4 consecutive weeks of instruction provided by someone other than a licensed teacher.]~~ **before the first day of the period prescribed by the State Board for the administration of criterion-referenced examinations or the college and career readiness assessment at the school of the pupil, whichever is earlier.** Under **sections 1 and 2**, this information is required to be ~~[reported separately by gender and]~~ reported separately by certain ~~[other]~~ pupil characteristics.

~~[ASSEMBLYMEMBER]~~ **ASSEMBLYMEMBERS** YEAGER **; AND DELONG**

AN ACT relating to public financial administration; revising provisions governing the program administered by a corporation for public benefit to provide private equity funding and venture capital investments to certain businesses; **revising provisions relating to certain financing information that is required to be provided to certain small businesses by the Office of Economic Development;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the State of Nevada is prohibited from donating or loaning state money or credit, or subscribing to or being interested in the stock of any company, association or corporation, except a corporation that is formed for educational or charitable purposes. (Nev. Const. Art. 8, § 9) Existing law requires the State Treasurer to form an independent corporation for public benefit, the purpose of which is to act as a limited partner of limited partnerships or a shareholder or member of limited-liability companies that provide private equity funding to businesses that are located in this State or seeking to locate to this State and engage primarily in certain industries. (NRS 355.270) Under existing law, the State Treasurer is prohibited from making certain investments of money in the State Permanent School Fund unless the State Treasurer obtains a judicial determination that such an investment does not violate the prohibition in the Nevada Constitution against the State of Nevada donating or loaning state money or credit, or subscribing to or being interested in the stock of any company, association or corporation, except a corporation that is formed for educational or charitable purposes. (Nev. Const. Art. 8, § 9; NRS 355.060) Upon obtaining a judicial determination that an investment does not violate the Nevada Constitution, existing law authorizes the State Treasurer to transfer up to $75,000,000 from the State Permanent School Fund to the corporation for public benefit and requires the corporation by agreement to provide more than 50 percent of all private equity funding to businesses engaged in specified industries that are located or seeking to locate

in Nevada. (NRS 355.280) Existing law authorizes the money transferred from the State Permanent School Fund to the corporation for public benefit to be used to make venture capital investments. (NRS 355.275)

Sections 2 and 4 of this bill eliminate the restriction that the businesses in which the corporation for public benefit is authorized to invest engage primarily in certain industries. **Section 1** of this bill instead requires that the business be engaged in an industry that is consistent with the State Plan for Economic Development, which the Executive Director of the Office of Economic Development within the Office of the Governor is required to develop under existing law. (NRS 231.053) **Section 1** also: (1) clarifies the circumstances in which a business is located or seeking to locate in Nevada; and (2) requires that the businesses be seeking early-stage or middle-stage investments to commence or expand operations. **Section 5** of this bill makes a conforming change relating to the revised criteria for eligible businesses. **Section 2** also provides that, in addition to the money transferred from the State Permanent School Fund, any other money received by the corporation for public benefit is authorized to be used for venture capital investments.

Existing law establishes the board of directors of the corporation for public benefit and requires the board to consist of the Chancellor of the Nevada System of Higher Education, the State Treasurer, five members from the private sector who have at least 10 years of experience in certain fields appointed by the Governor and legislative leadership and certain additional members who are required to be approved by a majority of certain board members. (NRS 355.270) **Section 2**: (1) replaces the Chancellor of the Nevada System of Higher Education on the board with the Executive Director of the Office of Economic Development; and (2) changes the experience required for the five appointed members from at least 10 years of experience in certain fields to demonstrated experience in those fields.

Existing law authorizes the corporation for public benefit to place investments through the use or assistance of external asset managers ~~[and]~~ **or** private equity investment firms. (NRS 355.275) Existing law also references the board contracting with venture capital investment firms. (NRS 355.270) **Section 3** of this bill: (1) authorizes a corporation for public benefit to invest directly in eligible businesses; and (2) clarifies that the board is authorized to place investments though the use or assistance of venture capital investment firms. **Section 3** also requires the corporation for public benefit to ensure that private equity money and venture capital investments made directly by the corporation or by external asset managers and private equity or venture capital investment firms are provided in a manner that: (1) ensures diversification among the recipient businesses; (2) gives priority to eligible businesses that meet specified criteria; (3) allows businesses to create new job opportunities; and (4) supports new, emerging and expanding businesses in this State.

Existing law authorizes the State Treasurer to adopt regulations which include criteria for determining eligibility for and use of private equity funding, subject to certain limitations. (NRS 355.285) **Section 5** of this bill

expands that specific regulatory authority to also address such criteria for venture capital investments.

Sections 6-9 of this bill revise obsolete references to the provisions governing the program administered by the corporation for public benefit to provide private equity funding and venture capital investments to specified businesses.

Existing law: (1) provides for the certification of eligible businesses as local emerging small businesses by the Office of Economic Development; and (2) requires the Office to provide to such businesses certain information concerning public and private programs to provide financing to small businesses and the criteria for obtaining financing through such programs. (NRS 231.14055) Section 8 of this bill revises the scope of the financing programs concerning which the Office is required to provide information to local emerging small businesses to public and private programs that are active or funded, or both, at the time the application for certification of a business is received by the Office.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 355 of NRS is hereby amended by adding thereto a new section to read as follows:

1. To be eligible to receive private equity funding or a venture capital investment from the corporation for public benefit pursuant to this section and NRS 355.250 to 355.285, inclusive, a business must:

Assembly Bill No. 530.

Bill read second time.

The following amendment was proposed by the Committee on Growth and Infrastructure:

Amendment No. 210.

AN ACT relating to taxation; revising provisions governing the effectuation of additional annual increases in certain taxes imposed on fuels for motor vehicles in certain larger counties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes counties to impose certain taxes on motor vehicle fuels and special fuels used in motor vehicles. (Chapter 373 of NRS) Existing law authorizes the board of county commissioners of a county whose population is 700,000 or more (currently only Clark County) to impose, upon

approval by a two-thirds majority of the members of the board, additional taxes on motor vehicle fuel and various special fuels used in motor vehicles and to provide for annual increases in those taxes based on a certain measure of increases in the cost of highway and street construction. Existing law provides that, for the period beginning on January 1, 2027, additional annual increases in these taxes may not be effectuated unless a majority of the voters in the county at the general election in November 2026 authorize the board of county commissioners to continue to provide for the annual increases. (NRS 373.0663)

Instead of requiring the approval of a majority of the voters in the county to continue to provide for the annual increases on and after January 1, 2027, this bill authorizes the continued imposition of additional increases in these taxes if the board of county commissioners, on or before December 31, 2026, adopts an ordinance approved by a two-thirds majority of the board authorizing the effectuation of such annual increases. This bill provides that, if the board of county commissioners does not adopt such an ordinance on or before December 31, 2026, the board is prohibited from imposing any additional annual increases in these taxes. This bill also provides that, for the period beginning on January 1, 2037, additional annual increases in these taxes may not be effectuated unless a majority of the voters in the county at the general election in November 2036 authorize the board of county commissioners to continue to provide for the annual increases.

Assembly Bill No. 58.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 172.

AN ACT relating to gaming; revising the definitions of certain terms related to gaming; providing for the administrative approval of games or gambling games by the Chair of the Nevada Gaming Control Board; revising the types of games that may be exposed by gaming establishments; making a technical correction to refer to a race book and sports pool for the purposes of licensing an establishment to operate interactive gaming; removing and repealing provisions governing cash access and wagering instrument service providers; removing and repealing provisions governing global risk management; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law defines certain terms for the purposes of provisions relating to gaming. (NRS 463.013-463.01967) ~~[Section 1 of this bill removes dice, playing cards and devices for weighing or counting money from the definition of the term "associated equipment."]~~ **Section 4** of this bill adds a person who sells and provides management, or consultation or instruction in the

management, of risks associated with wagering pools for a race or sporting event or any other event for which a wager may be accepted to the definition of the term "information service."

Existing law: (1) prohibits, in general, a gaming licensee from offering a game or gambling game for play if the game or gambling game has not received a recommendation from the Nevada Gaming Control Board or an approval from the Nevada Gaming Commission; and (2) requires the Commission to adopt regulations governing the approval of games or gambling games. (NRS 463.164) **Section 6** of this bill instead prohibits a gaming licensee from offering a game or gambling game for play if the game or gambling game has not been administratively approved by the Chair of the Board in accordance with regulations adopted by the Commission governing such administrative approval. **Section 2** of this bill makes a conforming change to refer to such regulations and administrative approval of a game or gambling game.

Existing law prohibits the Commission from approving a license for an establishment to operate interactive gaming unless certain conditions are met. (NRS 463.750) **Section 8** of this bill makes a technical correction to refer to a race book and sports pool for purposes of such licensure.

Existing law authorizes the Commission to provide by regulation for the licensing of service providers, who generally: (1) perform certain services on behalf of another licensed person who conducts nonrestricted gaming operations or an establishment licensed to operate interactive gaming; or (2) provide services or devices which patrons of licensed establishments use to obtain cash or wagering instruments. (NRS 463.01395, 463.0157, 463.160, 463.677) **Section 11** of this bill repeals the term "cash access and wagering instrument service provider." **Sections 3, 5 and 7** of this bill make conforming changes to remove provisions of existing law relating to cash access and wagering instrument service providers. **Section 7** also removes system-based and system-supported games from the list of certain games that may be exposed by licensed gaming establishments.

Existing law requires the Commission to adopt regulations relating to global risk management, which is defined as the operation, by a person who has been issued a license to operate a race book or sports pool, of certain risk management services between and among various jurisdictions through communications technology for the purposes of the management, or consultation or instruction in the management, of wagering pools and the transmission of information relating to wagering pools or other similar information. (NRS 463.810, 463.820) **Section 11** repeals the provisions of existing law governing global risk management, and **section 4** adds certain activities previously included in the definition of "global risk management" to the definition of "information service." **Sections 9 and 10** of this bill make conforming changes to remove references to global risk management in existing law.

Assembly Bill No. 64.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 194.

AN ACT relating to public meetings; revising the definition of "meeting" for purposes of the Open Meeting Law; ~~[requiring that each speaker during a period devoted to public comment be allowed a minimum time to provide~~

~~public comment;~~] authorizing, under certain circumstances, a public body to refuse to accept certain public comment relating to a contested case; revising provisions relating to requirements for meetings conducted by means of a remote technology system; revising provisions relating to privilege for certain statements and testimony made at a public meeting; revising provisions relating to the applicability of certain provisions of the Open Meeting Law to certain proceedings; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The Open Meeting Law requires that meetings of public bodies be open to the public, with limited exceptions set forth specifically in statute. (NRS 241.020) Existing law defines the term "meeting" for purposes of the Open Meeting Law and provides that the term does not include certain gatherings by members of a public body to receive information from the attorney employed or retained by the public body regarding potential or existing litigation involving a matter over which the public body has supervision, control, jurisdiction or advisory power and to deliberate toward a decision on the matter, or both. (NRS 241.015) **Section 1** of this bill provides instead that a "meeting" does not include certain gatherings by members of a public body to: (1) receive legal advice from the attorney employed or retained by the public body regarding a matter over which the public body has supervision, control, jurisdiction or advisory power; and (2) deliberate on the matter, provided such deliberation is limited to the legal advice.

Existing law requires a public body to take comments by the general public at certain times during a meeting. (NRS 241.021) Existing law further requires a public body to provide notice of all meetings at least 3 working days before the meeting which must include certain information, including any restrictions on comments by the general public. (NRS 241.020) ~~[Section 3 of this bill provides that during each period devoted to public comment, each speaker must be allowed to provide at least 3 minutes of public comment.~~

~~Section 2 of this bill makes a conforming change to provide that any restriction relating to public comment on the agenda must be consistent with section 3.~~ **Section 3** ~~[additionally]~~ **of this bill** authorizes a public body to refuse to accept public comment relating to issues of fact or law in a contested case which is before the public body until after that case has reached a final decision and any petition for judicial review is concluded. **Section 2 of this bill makes a conforming change to provide that any restriction relating to public comment must be consistent with section 3.**

With certain exceptions, existing law authorizes a public body to conduct a meeting by means of a remote technology system but prohibits a public body from holding a meeting to consider a contested case or a regulation by means of a remote technology system unless there is a physical location for the meeting where members of the general public are permitted to attend and participate. (NRS 241.023) **Section 4** of this bill prohibits instead a public body from holding a meeting by means of a remote technology system unless there is a physical location for the meeting where members of the general

public are permitted to attend and participate if, at the meeting, the public body will adjudicate certain contested cases or hold a workshop or a hearing on a regulation.

Existing law further requires that if a meeting is conducted using a remote technology system, clear and complete instructions for a member of the general public to be able to call in to the meeting to provide public comment must be read verbally before the first period of the day devoted to public comment. (NRS 241.023) **Section 4** provides instead that such a requirement applies if the meeting is conducted using a remote technology system and a physical location is not designated for the meeting where members of the general public are permitted to attend and participate.

Existing law provides certain privileges for statements and testimony made at a public meeting, including an authorization, subject to a qualified privilege, for a witness who is testifying before a public body to publish defamatory matter as a part of a public meeting. (NRS 241.0353) **Section 5** of this bill provides instead that: (1) a witness who, subject to certain penalties relating to perjury, testifies under oath before a public body may publish defamatory matter as part of a public meeting; and (2) in general, no provision of the Open Meeting Law shall be construed to affect any civil cause of action for defamation, libel, slander or any similar cause of action arising from defamatory statements made by a member of the public while he or she provides public comment to a public body.

Existing law provides that: (1) certain requirements of the Open Meeting Law do not apply to proceedings relating to an investigation conducted to determine whether to proceed with disciplinary action against a licensee unless the licensee requests that the proceedings be conducted in such a manner; and (2) if the regulatory body decides to proceed with disciplinary action against the licensee, all proceedings that are conducted after that decision and are related to that disciplinary action are subject to such provisions of the Open Meeting Law. (NRS 622.320) A "licensee" is a person who holds any license, certificate, registration, permit or similar type of authorization issued by a regulatory body which has authority to regulate certain occupations or professions. (NRS 622.040, 622.060) **Section 6** of this bill provides instead that: (1) the provisions of the Open Meeting Law which require a meeting to be noticed and open to the public do not apply to such proceedings unless the licensee requests that such proceedings be conducted pursuant to those provisions; and (2) if the regulatory body decides to proceed with disciplinary action against the licensee, all proceedings that are conducted after that decision and are related to that disciplinary action are subject to all provisions of the Open Meeting Law.

Except as otherwise provided by specific statute, all meetings of public bodies must be open and public, and all persons must be permitted to attend any meeting of these public bodies at a physical location or by means of a remote technology system. A meeting that is closed pursuant to a specific statute may only be closed to the extent specified in the statute allowing the meeting to be closed. Nothing in this subsection requires a public body to incur any costs to secure a facility outside the control or jurisdiction of the public body or to upgrade, improve or otherwise modify an existing facility to accommodate the anticipated number of attendees.

3. Except in an emergency, written notice of all meetings must be given at least 3 working days before the meeting. The notice must include:

(a) The time, place and location of the meeting. If the meeting is held using a remote technology system pursuant to NRS 241.023 and has no physical location, the notice must include information on how a member of the public may:

(7) Any restrictions on comments by the general public. Any such restrictions must be reasonable ***and consistent with NRS 241.021*** and may restrict the time, place and manner of the comments, but may not restrict comments based upon viewpoint.

(8) If the meeting is being held using a remote technology system pursuant to NRS 241.023 and does not have a physical location designated for

the meeting where members of the general public are permitted to attend and participate, clear and complete instructions for a member of the general public to be able to call in to the meeting to provide public comment, including, without limitation, a telephone number and any necessary identification number of the meeting or other access code.

(c) Providing a copy of the notice to any person who has requested notice of the meetings of the public body. A request for notice lapses 6 months after it is made. The public body shall inform the requester of this fact by enclosure with, notation upon or text included within the first notice sent. The notice must be:

5. For each of its meetings, a public body shall document in writing that the public body complied with the minimum public notice required by paragraph (a) of subsection 4. The documentation must be prepared by every person who posted a copy of the public notice and include, without limitation:

(a) The date and time when the person posted the copy of the public notice;

(b) The address of the location where the person posted the copy of the public notice; and

(c) The name, title and signature of the person who posted the copy of the notice.

6. Notice posted pursuant to this subsection is supplemental to and is not a substitute for the minimum public notice required pursuant to subsection 4. The inability of a public body to post notice of a

meeting pursuant to this subsection as a result of technical problems with its website shall not be deemed to be a violation of the provisions of this chapter.

7. Upon any request, a public body shall provide, at no charge, at least one copy of:

➥ If the requester has agreed to receive the information and material set forth in subsection 7 by electronic mail, the public body shall, if feasible, provide the information and material by electronic mail.

9. Unless the supporting material must be posted at an earlier time pursuant to NRS 288.153, and except as otherwise provided in subsection 11, the governing body of a county or city whose population is 52,000 or more shall post the supporting material described in paragraph (c) of subsection 7 to its website not later than the time the material is provided to the members of the governing body or, if the supporting material is provided to the members of the governing body at a meeting, not later than 24 hours after the conclusion of the meeting. Such posting is supplemental to the right of the public to request the supporting material pursuant to subsection 7. The inability of the governing body, as a result of technical problems with its website, to post supporting material pursuant to this subsection shall not be deemed to be a violation of the provisions of this chapter.

10. Except as otherwise provided in subsection 11, a public body may provide the public notice, information or supporting material required by this section by electronic mail. 12. As used in this section, "emergency" means an unforeseen circumstance which requires immediate action and includes, but is not limited to:

(a) Disasters caused by fire, flood, earthquake or other natural causes; or

(b) Any impairment of the health and safety of the public.

Sec. 3. NRS 241.021 is hereby amended to read as follows:

241.021 1. Except as otherwise provided in this section, comments by the general public must be taken by a public body:

(b) After each item on the agenda on which action may be taken is discussed by the public body, but before the public body takes action on the item.

2. Regardless of whether a public body takes comments from the general public pursuant to paragraph (a) or (b) of subsection 1, the public body must allow the general public to comment on any matter that is not specifically

included on the agenda as an action item at some time before adjournment of the meeting. No action may be taken upon a matter raised during a period devoted to comments by the general public until the matter itself has been specifically included on an agenda as an item upon which action may be taken pursuant to subparagraph (2) of paragraph (d) of subsection 3 of NRS 241.020.

3. The provisions of subsections 1 and 2 do not prohibit a public body from taking comments by the general public in addition to what is required pursuant to subsection 1 or 2.

4. If the agenda for a meeting authorizes the continuation of the meeting of a public body to one or more other calendar days, the public body must have a period devoted to comments by the general public:

The public body shall be deemed to have complied with the requirements of this paragraph if the public body provides the person with a web-based link and a telephone number, in case of technical difficulties, that allows the person in real time to attend and participate in the meeting. Nothing in this paragraph requires a public body to provide a person with technical support to address the person's individual hardware, software or other technical issues.

(a) Members of the public body and members of the public present at the physical location of the meeting can hear or observe each member attending by a remote technology system; and

(b) Each member of the public body in attendance can participate in the meeting.

4. Amendment No. 260.

AN ACT relating to wildlife; authorizing the management of designated invertebrates by the Board of Wildlife Commissioners and the Department of Wildlife; **requiring the Department to coordinate with the State Department of Agriculture in preparing the State Wildlife Action Plan;** revising the definition of "wildlife" to include designated invertebrates; establishing a wildlife classification for designated invertebrates; requiring the listing of designated invertebrates as a fully protected species under certain circumstances; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes certain provisions governing the management of wildlife in this State by the Board of Wildlife Commissioners, commonly known as the "Commission," and the Department of Wildlife. (Chapter 501 of NRS) This bill expands the wildlife managed by the Commission and Department to include designated invertebrates. As a result of the inclusion of designated invertebrates, certain fees and penalties that apply to violations of certain provisions of existing law relating to wildlife will also apply to violations related to designated invertebrates. (*See*, *e.g.*, NRS 501.385, 502.240, 504.295)

Section 2 of this bill defines "designated invertebrate" to mean any ~~[nonpest]~~ species of invertebrate designated as a species of greatest conservation need in the State Wildlife Action Plan ~~[.]~~ **, not including pests, as defined in section 2.5 of this bill.** **Section 3** of this bill defines "State Wildlife Action Plan." **Section 5** of this bill revises the definition of "wildlife" to include designated invertebrates.

Section 3.5 of this bill requires the Department, in preparing the State Wildlife Action Plan, to coordinate with the State Department of Agriculture and consider the Nevada Managed Pollinator Protection Plan prepared by the State Department of Agriculture.

Section 4 of this bill applies the definitions in **sections 2 , 2.5 and 3** to the provisions of existing law that govern wildlife.

Existing law requires: (1) wildlife to be classified into certain categories; and (2) the Commission to place each species of wildlife in a classification by regulation. (NRS 501.110) **Section 6** of this bill establishes a classification for designated invertebrates.

Existing law provides that if the Commission determines that the existence of a species or subspecies of native fish, wildlife and other fauna is endangered and its survival requires assistance, the Commission must place the animal on the list of fully protected species and the animal may not be captured, removed or destroyed except by means of a special permit issued by the Department. (NRS 503.585) **Sections 7 and 8** of this bill provide for the placement of designated invertebrates on the list of fully protected species.

Existing law: (1) requires the Commission and Director of the Department to carry out a program for conserving, protecting, restoring and propagating selected species of native fish, wildlife and other vertebrates and their habitats which are threatened with extinction and destruction; and (2) authorizes the Director to cooperate and enter into agreements with other states, counties and legal entities in carrying out the program. (NRS 503.587, 503.589) **Sections 9 and 10** of this bill require the Commission and Director to include designated invertebrates in the program.

Amendment No. 231.

SUMMARY— ~~[Revises provisions relating to housing.]~~ **Provides an exemption from property taxation for accessory dwelling units rented or leased to certain tenants.** (BDR ~~[22-694)]~~ **32-694)**

~~[CONTAINS UNFUNDED MANDATE (§ 1)~~
~~(Not Requested by Affected Local Government)]~~

AN ACT relating to housing; ~~[requiring the governing body of certain counties and cities to adopt an ordinance to authorize the owner of certain historic residential properties to add an]~~ **providing an exemption from property taxation for** accessory dwelling ~~[unit to the property; setting forth certain requirements for the ordinance;]~~ **units rented or leased to tenants receiving certain tenant-based housing assistance;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Section 1 of this bill requires the governing body of a county whose population is 100,000 or more (currently Clark and Washoe Counties) or the governing body of a city whose population is 60,000 or more (currently the Cities of Las Vegas, Henderson, North Las Vegas, Reno and Sparks) to adopt an ordinance that authorizes the owner of any historic residential property to apply to add an accessory dwelling unit to the historic residential property. Section 1 further requires such ordinance to: (1) set forth an expedited process for the approval of the application and any appeal of the denial of such an application; (2) require that an accessory dwelling unit that is added to a historic residential property meet all applicable building codes, housing codes and any other codes regulating the health or safety of occupants of real property; (3) require that the owner of an accessory dwelling unit that is added to a historic residential property pursuant to the ordinance use the accessory dwelling unit for family members or long-term rental housing; and (4) prohibit the owner of the accessory dwelling unit from renting the accessory dwelling unit as transient lodging or any other short-term housing or from accepting for the payment of rent for the unit any financial assistance received under the Housing Choice Voucher Program, commonly known as "section 8 vouchers." For purposes of section 1, a "historic residential property" means a property: (1) that is located in an area of the county or city, as applicable, zoned for single-family residential use; (2) that is not located within a common-interest~~

Within a zoning district, the governing body may regulate and restrict the erection, construction, reconstruction, alteration, repair or use of buildings, structures or land. (NRS 278.250) Section 4 of this bill creates an exception to account for the requirement that the governing body of certain counties and cities adopt an ordinance to allow the addition of an accessory dwelling unit to a historic residential property pursuant to section 1.~~

~~— Existing law requires that an action or proceeding seeking judicial relief or review from or with respect to any final action, decision or order of any governing body of a county or city be commenced within 25 days after the date of filing of notice of the final action, decision or order with the clerk or secretary of the governing body. (NRS 278.0235) Section 3 of this bill applies these provisions to section 1.~~

~~— Section 2 of this bill makes a conforming change to apply the definitions of certain terms relating to planning and zoning to section 1.~~] **Existing federal law authorizes the Secretary of the United States Department of Housing and Urban Development to provide assistance to public housing agencies for tenant-based assistance through the Housing Choice Voucher Program. Assembly Bill No. 213.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 279.

CONTAINS UNFUNDED MANDATE ~~[(§§ 2–5)]~~ **(§§ 2, 3-5)**

(NOT REQUESTED BY AFFECTED LOCAL GOVERNMENT)

AN ACT relating to governmental administration; **requiring certain persons who qualify for certain preferences in bidding on a public work to certify, under certain conditions, that the persons will ensure that any nonstandard good or material procured for the public work is custom fabricated in this State;** requiring the payment of prevailing wages to workers who perform custom fabrication on a public work or for certain performance contracts of local governments or state agencies; requiring the payment of prevailing wages to workers who perform custom fabrication on any project financed or otherwise undertaken by the Tahoe-Douglas Visitor's Authority; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, every contract to which a public body of this State is a party, requiring the employment of skilled mechanics, skilled workers, semiskilled mechanics, semiskilled workers or unskilled labor in the performance of a public work, must contain in express terms the hourly and daily rate of wages to be paid to each of the classes of mechanics and workers. The hourly and daily rate of wages must not be less than the prevailing wage in the region in which the public work is located, as determined by the Labor Commissioner. (NRS 338.020) **Section 2** of this bill provides that workers who perform custom fabrication on a public work must also be paid such a prevailing wage. **Section 1** of this bill: (1) defines the term "custom fabrication"; (2) defines the term "nonstandard good or material"; and (3) revises the definition of "worker" to include a worker who performs custom fabrication.

Under existing law, performance contracts for certain operating cost-savings measures entered into by local governments and state agencies must contain in express terms the hourly and daily rate of wages to be paid to each class of mechanics and workers. Such wages must not be less than the prevailing wage in the region in which the local government or state agency is located. (NRS

332.390, 333A.120) Similar to **section 1, sections 3 and 4** of this bill, respectively, provide that workers who perform custom fabrication must also be paid such a prevailing wage.

The Tahoe-Douglas Visitor's Authority Act requires the payment of prevailing wages on any project financed or otherwise undertaken by the Tahoe-Douglas Visitor's Authority that requires the employment of certain workers even if the project does not qualify as a public work. (Section 33 of chapter 375, Statutes of Nevada 2019, at page 2364) **Section 5** of this bill provides that workers who perform custom fabrication on such a project must also be paid prevailing wages.

Section 6 of this bill provides that the requirement to pay prevailing wage to workers who perform custom fabrication does not apply to a public works contract or performance contract awarded before January 1, 2026.

Existing law provides that as a condition of receiving certain preferences in bidding on a public work, a contractor, an applicant or a design-build team is required to submit to the public body sponsoring or financing the public work, a signed affidavit which makes certain certifications. (NRS 338.0117) Section 1.5 of this bill requires an additional certification that if the public work requires the procurement of any nonstandard good or material and is located in a county whose population is 100,000 or more (currently Clark and Washoe Counties), the contractor, applicant or design-build team and any subcontractor engaged on the public work will: (1) ensure that each nonstandard good or material is custom fabricated in this State; and (2) maintain and make available for inspection certain records concerning each nonstandard good or material procured for the public work. Sections 2.3 and 2.7 of this bill make conforming changes to refer to provisions that have been renumbered in section 1.5.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

(2) The governmental services tax imposed pursuant to chapter 371 of NRS on the vehicles used in the operation of his or her business in this State of not less than $5,000 for each consecutive 12-month period for 60 months immediately preceding the submission of the affidavit from the certified public accountant; or

(3) Any combination of such sales and use taxes and governmental services tax; or

(b) Acquired, by purchase, inheritance, gift or transfer through a stock option plan, all the assets and liabilities of a viable, operating construction firm that possesses a:

(1) License as a general contractor pursuant to the provisions of chapter 624 of NRS; and

(2) Certificate of eligibility to receive a preference in bidding on public works.

4. The State Contractors' Board shall issue a certificate of eligibility to receive a preference in bidding on public works to a specialty contractor who is licensed pursuant to the provisions of chapter 624 of NRS and submits to the Board an affidavit from a certified public accountant setting forth that the specialty contractor has, while licensed as a specialty contractor in this State:

(a) Paid directly, on his or her own behalf:

(1) The sales and use taxes pursuant to chapters 372, 374 and 377 of NRS on materials used for construction in this State, including, without limitation, construction that is undertaken or carried out on land within the boundaries of this State that is managed by the Federal Government or is on an Indian reservation or Indian colony, of not less than $5,000 for each consecutive 12-month period for 60 months immediately preceding the submission of the affidavit from the certified public accountant;

(2) The governmental services tax imposed pursuant to chapter 371 of NRS on the vehicles used in the operation of his or her business in this State of not less than $5,000 for each consecutive 12-month period for 60 months immediately preceding the submission of the affidavit from the certified public accountant; or

(3) Any combination of such sales and use taxes and governmental services tax; or

(b) Acquired, by purchase, inheritance, gift or transfer through a stock option plan, all the assets and liabilities of a viable, operating construction firm that possesses a:

(1) License as a specialty contractor pursuant to the provisions of chapter 624 of NRS; and

(2) Certificate of eligibility to receive a preference in bidding on public works.

5. For the purposes of complying with the requirements set forth in paragraph (a) of subsection 3 and paragraph (a) of subsection 4, a contractor shall be deemed to have paid:

(a) Sales and use taxes and governmental services taxes paid in this State by an affiliate or parent company of the contractor, if the affiliate or parent company is also a general contractor or specialty contractor, as applicable; and

(b) Sales and use taxes paid in this State by a joint venture in which the contractor is a participant, in proportion to the amount of interest the contractor has in the joint venture.

6. A contractor who has received a certificate of eligibility to receive a preference in bidding on public works from the State Contractors' Board pursuant to subsection 3 or 4 shall, at the time for the renewal of his or her contractor's license pursuant to NRS 624.283, submit to the Board an affidavit from a certified public accountant setting forth that the contractor has, during the immediately preceding 12 months, paid the taxes required pursuant to paragraph (a) of subsection 3 or paragraph (a) of subsection 4, as applicable, to maintain eligibility to hold such a certificate.

7. A contractor who fails to submit an affidavit to the Board pursuant to subsection 6 ceases to be eligible to receive a preference in bidding on public works unless the contractor reapplies for and receives a certificate of eligibility pursuant to subsection 3 or 4, as applicable.

8. If a contractor holds more than one contractor's license, the contractor must submit a separate application for each license pursuant to which the contractor wishes to qualify for a preference in bidding. Upon issuance, the certificate of eligibility to receive a preference in bidding on public works becomes part of the contractor's license for which the contractor submitted the application.

9. If a contractor who applies to the State Contractors' Board for a certificate of eligibility to receive a preference in bidding on public works:

(a) Submits false information to the Board regarding the required payment of taxes, the contractor is not eligible to receive a preference in bidding on public works for a period of 5 years after the date on which the Board becomes aware of the submission of the false information; or

(b) Is found by the Board to have, within the preceding 5 years, materially breached a contract for a public work for which the cost exceeds $5,000,000, the contractor is not eligible to receive a preference in bidding on public works.

10. If any federal statute or regulation precludes the granting of federal assistance or reduces the amount of that assistance for a particular public work because of the provisions of subsection 2, those provisions do not apply insofar as their application would preclude or reduce federal assistance for that work.

11. If a bid is submitted by two or more contractors as a joint venture or by one of them as a joint venturer, the bid may receive a preference in bidding only if both or all of the joint venturers separately meet the requirements of subsection 2.

12. The State Contractors' Board shall adopt regulations and may assess reasonable fees relating to the certification of contractors for a preference in bidding on public works.

13. A person who submitted a bid on the public work or an entity who believes that the contractor who was awarded the contract for the public work wrongfully holds a certificate of eligibility to receive a preference in bidding on public works may challenge the validity of the certificate by filing a written objection with the local government to which the contractor has submitted a bid on a contract for the construction of a public work. A written objection authorized pursuant to this subsection must:

(a) Set forth proof or substantiating evidence to support the belief of the person or entity that the contractor wrongfully holds a certificate of eligibility to receive a preference in bidding on public works; and

(b) Be filed with the local government not later than 3 business days after the opening of the bids by the local government or its authorized representative.

14. If a local government receives a written objection pursuant to subsection 13, the local government shall determine whether the objection is accompanied by the proof or substantiating evidence required pursuant to paragraph (a) of that subsection. If the local government determines that the objection is not accompanied by the required proof or substantiating evidence, the local government shall dismiss the objection and the local government or its authorized representative may proceed immediately to award the contract. If the local government determines that the objection is accompanied by the required proof or substantiating evidence, the local government shall determine whether the contractor qualifies for the certificate pursuant to the provisions of this section and the local government or its authorized representative may proceed to award the contract accordingly.

Amendment No. 46.

[ASSEMBLYMEMBER] ASSEMBLYMEMBERS CONSIDINE **; ANDERSON, KARRIS, MOSCA, ROTH AND WATTS**

AN ACT relating to real property; authorizing a tenant whose landlord fails to remedy a failure to maintain a dwelling unit in **a** habitable condition to file a verified complaint for expedited relief; revising certain provisions relating to the content **[and form]** of written rental agreements; revising provisions relating to the **[acceptance and]** payment of rent; revising provisions relating to requirements for habitability; revising provisions relating to the remedies a tenant is authorized to pursue if a landlord fails to remedy certain breaches or failures relating to habitability; providing that certain items and services constitute essential items and services for purposes of such provisions; revising the amounts which a tenant is authorized to recover from a landlord who takes certain unlawful actions or fails to make required disclosures; requiring a landlord to, under certain circumstances, provide a tenant who has terminated a rental agreement with a reasonable length of time to gather his or her belongings; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

[Sections 2 and] Section 3 of this bill **[define] defines** the **[terms "actual damages" and "diminution] term "loss** of **[the value of a dwelling unit"] value"** for purposes of the provisions set forth in existing law governing the relationship between landlords and tenants. (Chapter 118A of NRS)

Existing law requires a written rental agreement to contain provisions relating to certain subjects, including **[, without limitation: (1) the amount of rent and the manner and time of its payment; (2) fees which are required and the purposes for which they are required; and (3)]** certain information concerning the contact information of the landlord or his or her authorized

representative. (NRS 118A.200) **Section 6** of this bill ~~[: (1) requires such provisions relating to rent to include information concerning the requirements set forth in sections 7 and 8 of this bill; and (2)]~~ requires the electronic mail address of the landlord or his or her authorized representative to be included in ~~[certain]~~ **such** provisions. ~~[Section 6 additionally requires: (1) the provision relating to fees to instead require information concerning any fees which are required to be paid or may be incurred by a tenant and the purposes for which they are required or reasons that they may be incurred; and (2) such information to be listed on a single sheet of paper immediately after certain information that existing law requires to be on the first page of the written rental agreement.]~~

Existing law provides that the absence of a written agreement raises certain disputable presumptions, including a presumption that maintenance and waste removal services are provided without charge to the tenant. (NRS 118A.200) **Section 6** additionally includes the provision of utility services at no charge to the tenant in such a presumption.

Existing law sets forth certain provisions governing the payment of rent by a tenant and the delivery of certain signed written receipts to a tenant. (NRS 118A.210, 118A.250) ~~[Section 7 requires a landlord to accept, at no charge to the tenant, at least one of the following methods of payment for rent: (1) money order; (2) personal check; (3) cashier's check; or (4) cash.]~~ **Section 8 of this bill** requires a landlord to provide a written receipt to a tenant upon the receipt of ~~[any]~~ **each** payment of rent.

Existing law requires a landlord, at all times during a tenancy, to maintain a dwelling unit in **a** habitable condition and provides that a dwelling unit is not habitable if it violates provisions of certain housing or health codes or if it substantially lacks certain things, including floors, walls, ceilings, stairways and railings which are maintained in good repair. (NRS 118A.290) **Section 9** of this bill additionally provides that a dwelling unit is not habitable if it substantially lacks: (1) doors and windows which are maintained in good repair; (2) effective measures in place to control the presence of rodents, insects and vermin; (3) effective measures in place to prevent exposure to unsafe levels of radon, lead paint, asbestos, toxic mold and other hazardous substances; (4) in the dwelling unit and any other part of the areas on the premises under the landlord's control, locks which are **maintained** in good repair on all exterior doors and all windows which are capable of being opened; and (5) safety equipment which is required by law to be included in the dwelling unit maintained in good working order.

Existing law requires, if a landlord fails to comply with a rental agreement, a tenant to deliver a written notice to the landlord specifying the acts and omissions constituting the breach and stating that the rental agreement will be terminated. Existing law further authorizes, if the landlord fails to remedy the breach or make a reasonable effort to do so within 14 days after receipt of the notice, a tenant to: (1) terminate the rental agreement immediately; (2) recover actual damages; and (3) apply to the court for such relief as the court deems

proper under the circumstances. (NRS 118A.350) **Section 10** of this bill authorizes the tenant to terminate the rental agreement without incurring any fee which is assessed by the landlord for the early termination of a rental agreement and authorizes the tenant to additionally provide the landlord with written notice of the intent of the tenant to terminate the rental agreement on a date which is not later than 60 days after the date the notice is provided to the landlord. **Sections 11 and 12** of this bill similarly authorize tenants whose landlords have failed to maintain a dwelling unit in a habitable condition or supply essential items and services to terminate a rental agreement in this manner. (NRS 118A.355, 118A.380)

Existing law further prohibits a tenant from taking certain remedial actions if the breach is remediable and the landlord adequately remedies the breach or uses his or her best efforts to remedy the breach within 14 days after receipt of the notice. (NRS 118A.350) **Section 10** instead provides that a tenant is prohibited from taking such remedial actions if the breach is remediable and the landlord remedies the breach within the prescribed time. Existing law additionally prohibits a tenant from taking such remedial actions unless the tenant has provided the landlord with certain notice but authorizes the tenant to recover actual damages without such notice if the landlord: (1) admits to the court that the landlord had knowledge of the condition constituting the breach; or (2) has received written notice of that condition from a governmental agency authorized to inspect for violations of building, housing or health codes. (NRS 118A.350) **Section 10** instead authorizes the tenant to recover actual damages without providing such notice if the landlord: (1) received written notice of that condition from such a governmental agency; or (2) had actual knowledge of the condition constituting the breach. **Sections 11 and 12** similarly, for tenants whose landlords have failed to maintain a dwelling unit in a habitable condition or supply essential items and services: (1) remove language which would prohibit such tenants from taking certain remedial actions if the landlord has failed to adequately remedy the failure or used his or her best efforts to remedy the concern; and (2) revise the circumstances under which a tenant is authorized to take certain remedial actions without providing notice. (NRS 118A.355, 118A.380)

Existing law authorizes a tenant whose landlord has failed to maintain a dwelling unit in a habitable condition to take certain remedial actions if a landlord fails to adequately remedy the failure or use his or her best efforts to remedy the failure within a certain period of time. (NRS 118A.355) **Section 4** of this bill authorizes a tenant, in addition to such remedial actions, to file a verified complaint for expedited relief with the court ~~[within 15 judicial days after the failure of the landlord to remedy the failure]~~ and sets forth procedures relating to the filing, hearing and disposition of such a verified complaint. **Section 4** also: (1) authorizes a tenant who files such a verified complaint to withhold any rent that becomes due without incurring late fees, charges for notice or certain other charges until the landlord has remedied the failure; (2) authorizes the court to order that such rent be placed into an escrow account

which is maintained or approved by the court; and (3) requires the payment of all costs and official fees for any tenant who files such a verified complaint to be deferred and later assessed against the party that does not prevail. **Section 17** of this bill authorizes a tenant to provide a copy of the notice provided to a landlord to a district board of health for purposes of certain provisions relating to the inspection of and administrative proceedings concerning health hazards, in addition to any remedy provided in **section 4**.

Existing law further requires justice courts to establish by local rule a mechanism by which tenants that withhold rent under such circumstances may deposit such rent into an escrow account maintained or approved by the court. (NRS 118A.355) **Section 11**: (1) requires such rules to additionally provide for the deposit of rent withheld pursuant to **section 4**; and (2) prohibits a court from releasing any money deposited into such accounts until the time period to file an appeal has run.

Existing law authorizes, under certain circumstances, a tenant to withhold any rent that becomes due without incurring certain charges until the landlord has remedied, or has attempted in good faith to remedy, certain failures to maintain a dwelling in a habitable condition. Existing law further provides that a tenant who takes such actions does not have a defense to an eviction unless the tenant has deposited the withheld rent into an escrow account maintained or approved by the court. (NRS 118A.355) Section 11 instead provides that a tenant does not have such a defense unless: (1) he or she has deposited the withheld rent minus any applicable loss of value, into such an escrow account; or (2) the court determines, at the time of the hearing, that the tenant has otherwise retained or is capable of paying the withheld rent minus any applicable loss of value.

Existing law additionally prohibits a tenant whose landlord has failed to maintain a dwelling unit in a habitable condition from taking certain remedial actions if the condition was caused by the tenant's own deliberate or negligent act or omission or that of a member of his or her household or other person on the premises with his or her consent. (NRS 118A.355) **Section 11** prohibits such a tenant from taking such remedial actions, including filing a verified complaint for expedited relief pursuant to **section 4**, if the condition was proven, by clear and convincing evidence, to have been caused by the tenant's own deliberate or negligent act or omission or that of a member of his or her household or other person on the premises with his or her consent who is not another tenant, or guest thereof, ~~[who is]~~ on the premises pursuant to a separate rental agreement. **Section 12** similarly prohibits a tenant whose landlord has willfully or negligently failed to supply essential items or services from taking certain remedial actions under such circumstances. (NRS 118A.380)

Existing law authorizes a tenant to take certain remedial actions if his or her landlord willfully or negligently fails to supply essential items or services and by doing so, caused the premises to become unfit for habitation. Existing law further provides a nonexhaustive list of certain items and services which

constitute essential items or services, including, heat, air-conditioning, running water, hot water, electricity, gas and a functioning door lock. (NRS 118A.380) **Section 12** includes in such a list a functioning window lock and functional safety equipment.

Existing law authorizes a tenant to take certain actions and recover actual damages or an amount not greater than $2,500 which is fixed by a court, or both, if a landlord: (1) unlawfully removes the tenant from the premises or excludes the tenant by blocking or attempting to block the tenant's entry upon the premises; (2) willfully interrupts or causes or permits the interruption of any essential item or service required by the rental agreement or by law; or (3) recovers possession of the dwelling unit under certain other circumstances which are prohibited by existing law. (NRS 118A.390) **Section 13** of this bill: (1) revises the monetary amount that a tenant is authorized to recover by instead providing that the tenant is authorized to recover an amount which is three times the periodic rent or the tenant's actual damages, whichever is greater; and (2) additionally authorizes such remedial measures in circumstances where a landlord negligently interrupts or causes or permits the interruption of any essential item or service required by the rental agreement or by law. **Section 15** of this bill makes a conforming change to make the revisions made by **section 13** inapplicable to provisions governing liability of a landlord who unlawfully retains the household goods or personal property of a tenant. (NRS 118A.520) **Section 16** of this bill makes a conforming change to require certain notices provided to a tenant to include notice of the ability of the tenant to seek relief if a landlord negligently interrupts or causes or permits the interruption of any essential item or service required by the rental agreement or by law. (NRS 40.253)

Section 13: (1) requires a landlord to provide a tenant who terminates his or her rental agreement under certain circumstances to provide the tenant with a reasonable length of time to gather his or her belongings; (2) provides that a landlord who was provided notice by a tenant which specified the willful or negligent failure to supply essential items or services and failed to remedy the breach is presumed to have negligently caused the interruption of **the** essential items ~~[and]~~ **or** services; and (3) provides that a landlord may overcome such a presumption by showing clear and convincing evidence that the restoration could not be accomplished within the notice period. Finally, **section 13** ~~[extends]~~ **removes** the ~~[length of time]~~ **requirement** for a tenant to file certain verified complaints for expedited relief with the court ~~[from]~~ 5 judicial days after the last date of the unlawful act by the landlord**.** ~~[to 15 judicial days after the last date on which the unlawful conduct of the landlord occurred.]~~ (NRS 118A.390)

Existing law: (1) requires a landlord, or any person authorized to enter into a rental agreement on his or her behalf, to disclose certain information to a tenant in writing before the commencement of a tenancy or to post such information in certain areas; and (2) authorizes a tenant to recover actual damages or $25, whichever is greater, after a demand if the landlord fails to

make such disclosures or postings. (NRS 118A.260, 118A.270, 118A.410) **Section 14** of this bill instead provides that a tenant is authorized to recover actual damages or an amount equal to ~~[1 month]~~ **5 percent** of **the periodic** rent, whichever is greater, under such circumstances.

Section 5 of this bill makes a conforming change to indicate the placement of ~~[sections 2 and]~~ **section 3** in the Nevada Revised Statutes.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 118A of NRS is hereby amended by adding thereto the provisions set forth as sections 2, 3 and 4 of this act.

Sec. 3. ~~*[“Diminution]*~~ ***“Loss*** *of* ~~*[the value of a dwelling unit”]*~~ ***value”*** *means a portion of the rent of a dwelling unit which* ~~*[reflects, as determined by the court with or without expert testimony,]*~~ **:**

Before or at the scheduled hearing, the tenant must provide to the court proof that the landlord has been properly served with a copy of the verified complaint. (a) Order the landlord to remedy each failure specified in the verified complaint;

(b) Award actual damages; and

(c) Enjoin the landlord from unlawfully removing the tenant from the dwelling unit or excluding the tenant by blocking or attempting to block the tenant's entry upon the dwelling unit and, if the circumstances so warrant:

(2) Abate the rent owed by the tenant in total or in part, in addition to any amount of rent owed which is reduced pursuant to subsection 5.

5. If a tenant has withheld rent pursuant to subsection 1, the court shall determine the amount of rent that the tenant owes to the landlord during the period of time in which one or more failures specified in the verified complaint exist by subtracting the ~~[diminution]~~ loss of ~~[the]~~ value ~~[of the dwelling unit]~~ from the rent owed by the tenant pursuant to the rental agreement. The court may order that any such rent which is currently owed by the tenant or will be owed by the tenant be placed into an escrow account which is maintained or approved by the court. A landlord is not eligible to receive any money placed into an escrow account pursuant to this subsection until the landlord submits to the court evidence that the failure has been remedied.

6. The payment of all costs and fees must be deferred for any tenant who files a verified complaint for expedited relief pursuant to this section. After any hearing and not later than the final disposition of the filing or order, the court shall assess the costs and fees against the party that does not prevail, except that the court may reduce or waive the costs and fees, as justice may require.

(a) There are rebuttable presumptions in NRS 205.0813 and 205.0817 that the tenant does not have lawful occupancy of the dwelling unless the agreement:

(1) Is notarized or is signed by an authorized agent of the landlord who at the time of signing holds a permit to engage in property management pursuant to chapter 645 of NRS; and

(2) Includes the current address ***, electronic mail address*** and telephone number of the landlord or his or her authorized representative; and

4. Except as otherwise provided in subsection 5, the landlord shall not require a tenant to pay any fee or other charge for the performance of any repairs, maintenance tasks or other work for which the landlord has a duty under subsection 1 to perform, including, without limitation, any fee or other

(b) If the landlord's inability to ~~[adequately]~~ remedy the failure ~~[or use his or her best efforts to remedy the failure]~~ within 14 days is due to the tenant's refusal to allow lawful access to the dwelling unit as required by the rental agreement or this chapter.

3. If the rental agreement is terminated, the landlord shall return all prepaid rent and any security deposit recoverable by the tenant under this chapter.

4. A tenant may not proceed under this section ***or section 4 of this act*** unless the tenant has given notice as required by subsection 1, except that the tenant may, without giving that notice:

~~(d)]~~ ***(e) Proceed under NRS 118A.390; or***

(f) Procure other housing which is comparable during the landlord's noncompliance, and the rent for the original premises fully abates during this period. The tenant may recover the actual and reasonable cost of that other housing which is in excess of the amount of rent which is abated.

2. If the tenant proceeds under this section, the tenant may not proceed under NRS 118A.350 and 118A.360 as to that breach.

3. The rights of the tenant under this section do not arise until the tenant has given written notice as required by subsection 1, except that the tenant may, without having given that notice:

(a) Recover damages as authorized under paragraph (b) of subsection 1 if the landlord:

(1) ~~[Admits to the court that the landlord had]~~ ***Had actual*** knowledge of the lack of such essential items or services; or

(2) Has received written notice of the uninhabitable condition caused by such a lack from a governmental agency authorized to inspect for violations of building, housing or health codes.

(b) Withhold rent under paragraph ~~[(c)]~~ ***(d)*** of subsection 1 if the landlord:

(1) Has received written notice of the condition constituting the breach from a governmental agency authorized to inspect for violations of building, housing or health codes; and

(2) Fails to remedy ~~[or attempt in good faith to remedy]~~ the breach within the time prescribed in the written notice of that condition from the governmental agency.

4. The rights of the tenant under paragraph ~~[(c)]~~ ***(d)*** of subsection 1 do not arise unless the tenant is current in the payment of rent at the time of giving written notice pursuant to subsection 1.

5. If such a condition was ***proven by clear and convincing evidence to be*** caused by the deliberate or negligent act or omission of the tenant, a member of his or her household or other person on the premises with his or her consent ~~[,]~~ ***who is not another tenant, or guest thereof, ~~[who is]~~ on the premises pursuant to a separate rental agreement,*** the tenant has no rights under this section.

Sec. 13. NRS 118A.390 is hereby amended to read as follows:

118A.390 1. If the landlord unlawfully removes the tenant from the premises or excludes the tenant by blocking or attempting to block the tenant's entry upon the premises, willfully ***or negligently*** interrupts or causes or permits the interruption of any essential item or service required by the rental agreement or this chapter or otherwise recovers possession of the dwelling unit in violation of NRS 118A.480, the tenant may recover immediate possession pursuant to subsection 4, proceed under NRS 118A.380 or terminate the rental agreement and, in addition to any other remedy, recover ***an amount which is three times the periodic rent or*** the tenant's actual damages, ~~[receive an amount not]~~ ***whichever is*** greater ***.*** ~~[than $2,500 to be fixed by the court, or both.]~~

3. If the rental agreement is terminated pursuant to subsection 1, the landlord shall ~~[return]~~ ***:***

(a) Provide the tenant with a reasonable length of time to gather his or her belongings; and

(b) Return all prepaid rent and any security deposit recoverable under this chapter.

4. Except as otherwise provided in subsection 5, the tenant may recover immediate possession of the premises from the landlord by filing a verified complaint for expedited relief for the unlawful removal or exclusion of the tenant from the premises, the willful ***or negligent*** interruption of any essential item or service or the recovery of possession of the dwelling unit in violation of NRS 118A.480.

5. A verified complaint for expedited relief ~~[:~~

~~(a) Must be filed with the court within 5~~ ***15*** judicial days after the ~~***last***~~ date of ~~***on which***~~ the unlawful act by ~~***conduct of***~~ the landlord, ~~***occurred,***~~ and the verified complaint must be dismissed if it is not timely filed. If the verified complaint for expedited relief is dismissed pursuant to this paragraph, the tenant retains the right to pursue all other available remedies against the landlord.

~~(b) May]~~ ***may*** be consolidated with any action for summary eviction or unlawful detainer that is already pending between the landlord and tenant.

6. The court shall conduct a hearing on the verified complaint for expedited relief not later than 3 judicial days after the filing of the verified complaint for expedited relief. Before or at the scheduled hearing, the tenant

must provide proof that the landlord has been properly served with a copy of the verified complaint for expedited relief. Upon the hearing, if it is determined that the landlord has violated any of the provisions of subsection 1, the court may:

(a) Order the landlord to restore to the tenant the premises or essential items or services, or both;

(b) Award damages pursuant to subsection 1; and

(c) Enjoin the landlord from violating the provisions of subsection 1 and, if the circumstances so warrant, hold the landlord in contempt of court.

7. The payment of all costs and official fees must be deferred for any tenant who files a verified complaint for expedited relief. After any hearing and not later than final disposition of the filing or order, the court shall assess the costs and fees against the party that does not prevail, except that the court may reduce them or waive them, as justice may require.

Sec. 14. NRS 118A.410 is hereby amended to read as follows:

118A.410 After a demand by the tenant, if a landlord fails to disclose as provided in NRS 118A.260 or NRS 118A.270, the tenant may recover actual damages or ~~[~~$25,~~]~~ ***an amount equal to*** ~~***[one month's]***~~ ***5 percent of the periodic rent,*** whichever is greater.

Sec. 15. NRS 118A.520 is hereby amended to read as follows:

2. Distraint for rent is abolished.

3. A landlord who retains the household goods or other personal property of a tenant in violation of this section is liable to the tenant for ***actual*** damages ~~[as provided in NRS 118A.390.]~~ ***or statutory damages in an amount not greater than $2,500, to be fixed by the court, or both. (c) The degree of harm to the tenant caused by the landlord's conduct.

Sec. 16. NRS 40.253 is hereby amended to read as follows:

40.253 1. Except as otherwise provided in subsection 12, in addition to the remedy provided in NRS 40.2512 and 40.290 to 40.420, inclusive, when the tenant of any dwelling, apartment, mobile home or recreational vehicle with periodic rent reserved by the month or any shorter period is in default in payment of the rent, the landlord or the landlord's agent may cause to be served a notice in writing, requiring in the alternative the payment of the rent or the surrender of the premises:

(a) Before the close of business on the seventh judicial day following the day of service; or

(b) If the landlord chooses not to proceed in the manner set forth in paragraph (a) and the rent is reserved by a period of 1 week or less and the

tenancy has not continued for more than 45 days, at or before noon of the fourth full day following the day of service.

➥ As used in this subsection, "day of service" means the day the landlord or the landlord's agent personally delivers the notice to the tenant. If personal service was not so delivered, the "day of service" means the day the notice is delivered, after posting and mailing pursuant to subsection 2, to the sheriff or constable for service if the request for service is made before noon. If the request for service by the sheriff or constable is made after noon, the "day of service" shall be deemed to be the day next following the day that the request is made for service by the sheriff or constable.

2. A landlord or the landlord's agent who serves a notice to a tenant pursuant to paragraph (b) of subsection 1 shall attempt to deliver the notice in person in the manner set forth in subsection 2 of NRS 40.2542. If the notice cannot be delivered in person, the landlord or the landlord's agent:

(a) Shall post a copy of the notice in a conspicuous place on the premises and mail the notice by overnight mail; and

(b) After the notice has been posted and mailed, may deliver the notice to the sheriff or constable for service in the manner set forth in subsection 1 of NRS 40.280. The sheriff or constable shall not accept the notice for service unless it is accompanied by written evidence, signed by the tenant when the tenant took possession of the premises, that the landlord or the landlord's agent informed the tenant of the provisions of this section which set forth the lawful procedures for eviction from a short-term tenancy. Upon acceptance, the sheriff or constable shall serve the notice within 48 hours after the request for service was made by the landlord or the landlord's agent.

3. A notice served pursuant to subsection 1 or 2 must:

(a) Identify the court that has jurisdiction over the matter; and

(b) Advise the tenant:

(1) Of the tenant's right to contest the matter by filing, within the time specified in subsection 1 for the payment of the rent or surrender of the premises, an affidavit with the court that has jurisdiction over the matter stating that the tenant has tendered payment or is not in default in the payment of the rent;

(2) That if the court determines that the tenant is guilty of an unlawful detainer, the court may issue a summary order for removal of the tenant or an order providing for the nonadmittance of the tenant, directing the sheriff or constable of the county to post the order in a conspicuous place on the premises not later than 24 hours after the order is received by the sheriff or constable. The sheriff or constable shall remove the tenant not earlier than 24 hours but not later than 36 hours after the posting of the order; and

(3) That, pursuant to NRS 118A.390, a tenant may seek relief if a landlord unlawfully removes the tenant from the premises or excludes the tenant by blocking or attempting to block the tenant's entry upon the premises or willfully ***or negligently*** interrupts or causes or permits the interruption of an essential service required by the rental agreement or chapter 118A of NRS.

4. If the tenant files such an affidavit at or before the time stated in the notice, the landlord or the landlord's agent, after receipt of a file-stamped copy of the affidavit which was filed, shall not provide for the nonadmittance of the tenant to the premises by locking or otherwise.

5. Upon noncompliance with the notice:

(a) The landlord or the landlord's agent may apply by affidavit of complaint for eviction to the justice court of the township in which the dwelling, apartment, mobile home or recreational vehicle are located or to the district court of the county in which the dwelling, apartment, mobile home or recreational vehicle are located, whichever has jurisdiction over the matter. The court may thereupon issue an order directing the sheriff or constable of the county to post the order in a conspicuous place on the premises not later than 24 hours after the order is received by the sheriff or constable. The sheriff or constable shall remove the tenant not earlier than 24 hours but not later than 36 hours after the posting of the order. The affidavit must state or contain:

(1) The date the tenancy commenced.

(2) The amount of periodic rent reserved.

(3) The amounts of any cleaning, security or rent deposits paid in advance, in excess of the first month's rent, by the tenant.

(4) The date the rental payments became delinquent.

(5) The length of time the tenant has remained in possession without paying rent.

(6) The amount of rent claimed due and delinquent.

(7) A statement that the written notice was served on the tenant in accordance with NRS 40.280.

(8) A copy of the written notice served on the tenant.

(9) A copy of the signed written rental agreement, if any.

(b) Except when the tenant has timely filed the affidavit described in subsection 3 and a file-stamped copy of it has been received by the landlord or the landlord's agent, and except when the landlord is prohibited pursuant to NRS 118A.480, the landlord or the landlord's agent may, in a peaceable manner, provide for the nonadmittance of the tenant to the premises by locking or otherwise.

6. Upon the filing by the tenant of the affidavit permitted in subsection 3, regardless of the information contained in the affidavit, and the filing by the landlord of the affidavit permitted by subsection 5, the justice court or the district court shall hold a hearing, after service of notice of the hearing upon the parties, to determine the truthfulness and sufficiency of any affidavit or notice provided for in this section. If the court determines that there is no legal defense as to the alleged unlawful detainer and the tenant is guilty of an unlawful detainer, the court may issue a summary order for removal of the tenant or an order providing for the nonadmittance of the tenant. If the court determines that there is a legal defense as to the alleged unlawful detainer, the court shall refuse to grant either party any relief, and, except as otherwise provided in this subsection, shall require that any further proceedings be

conducted pursuant to NRS 40.290 to 40.420, inclusive. The issuance of a summary order for removal of the tenant does not preclude an action by the tenant for any damages or other relief to which the tenant may be entitled. If the alleged unlawful detainer was based upon subsection 5 of NRS 40.2514, the refusal by the court to grant relief does not preclude the landlord thereafter from pursuing an action for unlawful detainer in accordance with NRS 40.251.

7. The tenant may, upon payment of the appropriate fees relating to the filing and service of a motion, file a motion with the court, on a form provided by the clerk of the court, to dispute the amount of the costs, if any, claimed by the landlord pursuant to NRS 118A.460 for the inventory, moving and storage of personal property left on the premises. The motion must be filed within 20 days after the summary order for removal of the tenant or the abandonment of the premises by the tenant, or within 20 days after:

(a) The tenant has vacated or been removed from the premises; and

(b) A copy of those charges has been requested by or provided to the tenant, ➥ whichever is later.

8. Upon the filing of a motion pursuant to subsection 7, the court shall schedule a hearing on the motion. The hearing must be held within 10 days after the filing of the motion. The court shall affix the date of the hearing to the motion and order a copy served upon the landlord by the sheriff, constable or other process server. At the hearing, the court may:

(a) Determine the costs, if any, claimed by the landlord pursuant to NRS 118A.460 and any accumulating daily costs; and

(b) Order the release of the tenant's property upon the payment of the charges determined to be due or if no charges are determined to be due.

9. The tenant may, upon payment of the appropriate fees relating to the filing and service of a motion, file a motion with the court on a form provided by the clerk of court to dispute the reasonableness of the actions of a landlord pursuant to subsection 3 of NRS 118A.460. Amendment No. 156.

~~[ASSEMBLYMEMBER]~~ **ASSEMBLYMEMBERS** CONSIDINE **; AND ANDERSON**

AN ACT relating to health care; prohibiting certain actions related to pricing and reimbursement for certain drugs; creating a cause of action for violating such prohibitions; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing federal law establishes the Medicare program, which is a public health insurance program for persons 65 years of age and older and specified persons with disabilities who are under 65 years of age. (42 U.S.C. §§ 1395 et seq.) Existing federal law requires the United States Secretary of Health and Human Services to negotiate with the manufacturers of certain drugs and to establish the maximum fair price for certain drugs, which is the maximum price at which such drugs may be sold to a recipient of Medicare. (42 U.S.C. §§ 1320f-2, 1320f-3) Existing federal law requires the Secretary of Health and Human Services to publish those maximum fair prices. (42 U.S.C. § 1320f-4) **Section 1** of this bill prohibits a person or entity that: (1) purchases a drug which is subject to a maximum fair price in this State from paying a price that is higher than the maximum fair price; or (2) seeks reimbursement for a drug subject to a maximum fair price which is delivered, dispensed or administered to a person in this State from seeking reimbursement at a rate which is higher than the maximum fair price. **Section 1 exempts from such prohibitions certain providers of health coverage under federal law but prescribes a procedure by which such a provider of health coverage may elect to be subject to the provisions of section 1.**

Existing law: (1) prohibits certain trade practices which are deemed to be deceptive trade practices; and (2) provides for the enforcement of the prohibition on engaging in deceptive trade practices, including by prescribing criminal penalties to be imposed against a person who engages in a deceptive trade practice. (NRS 598.0903-598.0999) **Section 1** makes it a deceptive trade practice for any person to violate the prohibition on purchasing or seeking reimbursement for a drug at a price higher than the maximum fair price. **Sections 1 and 3** of this bill provide that a person who violates the provisions of **section 1** is not subject to any criminal penalty set forth in existing law for engaging in a deceptive trade practice, meaning such a person is subject only

to the various civil enforcement measures, including civil penalties, set forth in existing law for engaging in a deceptive trade practice. (NRS 598.097-598.0999)

Existing law authorizes any person who is a victim of consumer fraud, including a deceptive trade practice, to bring a civil action. (NRS 41.600) **Section 2** of this bill provides that a violation of **section 1** constitutes consumer fraud, and **sections 1 and 2** authorize a victim of such a violation to bring a civil action.

WHEREAS, In the 2019 Legislative Session, Senate Bill No. 276 directed the Legislative Commission to appoint a committee to conduct an interim study concerning the cost of prescription drugs in this State and the impact of rebates, reductions in price and other remuneration from manufacturers on prescription drug prices; and

WHEREAS, In reporting on the findings of the Committee to Conduct an Interim Study Concerning the Costs of Prescription Drugs, LCB Bulletin No. 21-9, published in January 2021, stated that "[i]n 2018, Americans paid an average of $1,229 for prescription drugs, the highest amount per capita in any developed country in the world"; and

WHEREAS, LCB Bulletin No. 21-9 also stated that "[i]ncreasing drug prices disproportionately affect uninsured and underinsured patients, while insured patients covered by high-deductible, commercial, or government-sponsored health insurance plans tend to pay more through premium and co-pay increases"; and

WHEREAS, The Nevada Spending and Government Efficiency Commission noted in its final report, "Final Report of the Nevada Spending and Government Efficiency Commission to Governor Jim Gibbons," published January 7, 2010, that the State of Nevada would realize significant savings on Medicaid, mental health, corrections and other programs if the cost of prescription drugs were better controlled; and

WHEREAS, Excessive prices negatively affect the ability of residents of this State to obtain prescription drugs, thereby endangering the health and safety of such residents; and

WHEREAS, Excessive prices of prescription drugs threaten the economic well-being of residents of this State, thereby inhibiting their ability to pay for necessary and essential goods and services including housing, food and utilities; and

WHEREAS, Excessive costs of prescription drugs contribute significantly to increasing costs of health care and health insurance that threaten the ability of residents of this State to obtain affordable health coverage and maintain or achieve good health; and

WHEREAS, Excessive costs of prescription drugs contribute significantly to rising costs for health care provided and paid for through health insurance programs for public employees, including employees of the State, municipalities, counties, school districts and institutions for higher education

and retirees whose health costs are funded by taxpayer dollars, thereby threatening the ability of the State and local governments to fund other programs necessary for the public good and safety, such as public safety, police, fire and education; and

WHEREAS, To protect residents of this State from the negative effects from excessive costs of prescription drugs, and to protect the safety, health and economic well-being of Nevadans, the Legislature finds that legislation regarding affordable access to prescription drugs is necessary for residents of this State to achieve and maintain good health; now, therefore,

Amendment No. 204.

AN ACT relating to records of criminal history; ~~[requiring a court to order certain records of criminal history sealed under certain circumstances;]~~ eliminating the authority for a court to consider a proceeding for which records have been sealed in determining whether to grant a petition to seal records relating to a conviction of another offense; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Existing law authorizes a person who was arrested for alleged criminal conduct to file a petition for the sealing of certain records relating to the arrest if: (1) the charges are dismissed; or (2) the person is acquitted of the charges. (NRS 179.255) Section 1 of this bill removes the requirement for such a person to file a petition and instead requires the court in which the charges were dismissed or the acquittal was entered, as applicable, to order the sealing of the records. Section 1 also provides that if a person has been arrested for alleged criminal conduct and the prosecuting attorney having jurisdiction declines prosecution of the charges, the person may petition the court having jurisdiction in which the charges are declined for prosecution: (1) any time~~

~~after the applicable statute of limitations has run; (2) any time 8 years after the arrest; or (3) pursuant to a stipulation between the parties.~~**]**

Under existing law, if a court orders a record sealed, the proceedings recounted in the record are deemed never to have occurred for most purposes. (NRS 179.285) Although existing law generally deems a proceeding for which records have been sealed never to have occurred, existing law authorizes a court to consider any such proceeding in determining whether to grant a petition to seal records relating to a conviction of another offense. (NRS 179.295) **Section 2** of this bill eliminates this authorization and instead prohibits a court from considering any such proceeding in determining whether to grant a petition to seal records relating to a conviction of another offense.

Amendment No. 146.

AN ACT relating to victims of crime; revising certain ~~[requirements for receiving compensation from]~~ **provisions relating to** the Fund for the

Compensation of Victims of Crime; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes certain victims of crime to apply for and receive payment of compensation from the Fund for the Compensation of Victims of Crime under certain circumstances. Existing law authorizes the Director of the Department of Health and Human Services **or a person designated by the Director** to waive the limitation on the time for filing an application for compensation from the Fund for good cause shown if the injury or death for which compensation is claimed was the result of an incident or offense that was reported to the police within 5 days ~~[of]~~ **after** its occurrence or within 5 days ~~[of]~~ **after** the time when a report could reasonably have been made. (NRS 217.100) ~~[This bill]~~ **Section 1** removes the condition that to be eligible for the waiver, the incident or offense that caused the injury or death for which compensation is claimed be reported to the police, thereby authorizing the Director **or a person designated by the Director** to waive the limitation on the time for filing an application for any good cause shown.

Existing law requires an application for compensation from the Fund to be accompanied by certain medical records that document the injury for which compensation is claimed. (NRS 217.100) ~~[This bill expands the types of documents]~~ **Section 1 removes this requirement and instead provides** that the applicant may ~~[provide to]~~ **prove eligibility for compensation from the Fund by submitting certain documentary** evidence **of** the injury **or death** for which compensation is claimed.

Existing law prohibits an award of compensation from the Fund under certain circumstances, including compensation to a victim of crime who fails to cooperate with a law enforcement agency. (NRS 217.220) Section 2 of this bill removes the prohibition against the award of compensation from the Fund to a victim of a crime who fails to cooperate with a law enforcement agency.

The following amendment was proposed by the Committee on Education:

Amendment No. 164.

AN ACT relating to education; revising provisions governing the submission of data and metrics on the performance and progress of pupils; revising provisions governing the automated system of accountability information for Nevada; requiring the Commission on ~~[School Funding]~~ **Innovation and Excellence in Education** to review and make recommendations concerning reports on pupil achievement and the financial accountability of school districts; requiring the Commission to create a framework for such reports and collaborate with the Department of Education to create a centralized repository of such reports; revising requirements for publishing a list of expenditures of county school districts; revising provisions governing the ratios of pupils to licensed teachers; removing the requirement for a school district to prepare a summary of certain fiscal reports; repealing the requirement for the Department to recommend a minimum amount to be spent by public schools on textbooks and other instructional supplies; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Superintendent of Public Instruction to: (1) establish certain metrics of performance for public schools for each grade; and (2) on or before October 1 of each year, report data relating to each metric to the Governor, the State Board of Education and the Director of the Legislative Counsel Bureau for transmission to the Joint Interim Standing Committee on Education. (NRS 385A.080) In addition, existing law requires: (1) the Commission on School Funding to review the academic progress made by pupils in each public school since the implementation of the Pupil-Centered Funding Plan and use certain metrics in performing that review; and (2) each school district and charter school to submit to the Commission a quarterly report of data and metrics collected by the school district or charter school to identify areas of improvement in academic performance and the progress of pupils. (NRS 387.12463) **Section 5** of this bill removes the requirement for each school district and charter school to submit to the Commission a quarterly

report of such data and metrics and, instead, requires the Commission to conduct an annual review of data and metrics to identify how funding from the Pupil-Centered Funding Plan is being used to improve the academic performance and progress of pupils. Under **section 5**: (1) the annual review may include, without limitation, a review of data and metrics submitted to the Commission by school districts and charter schools and data and metrics previously reported to the Superintendent of Public Instruction or the Department of Education; and (2) data and metrics previously reported by school districts and charter schools to the Superintendent of Public Instruction or the Department are not required to also be submitted to the Commission. Finally, **section 1** of this bill similarly requires that, to the greatest extent possible, the Superintendent of Public Instruction use information previously submitted to the Superintendent or the Department to prepare reports of data concerning metrics of performance for public schools and to avoid duplicative requests for information.

Existing law requires the Department to establish and maintain an automated system of accountability information for Nevada that has the capacity to provide and report certain information concerning pupils in this State. (NRS 385A.800) To carry out the automated system of accountability, the Superintendent of Public Instruction is required to prescribe a uniform program throughout this State for the collection, maintenance and transfer of data, which must include standardized software, and each school district is required to adopt and maintain that uniform program, including, without limitation, by providing electronic data concerning pupils as required by the Superintendent. (NRS 385A.810, 385A.820) **Sections 2 and 3** of this bill clarify that this uniform program must include the collection, validation and maintenance of electronic records concerning pupils and the transfer of data to the Department from electronic records maintained by each school district, sponsor of a charter school and university school for profoundly gifted pupils in this State. **Section 3 authorizes the Superintendent of Public Instruction to deduct money from certain apportionments from the State Education Fund otherwise owed to a school district, charter school or university school for profoundly gifted pupils to compensate the Department for costs to collect, validate and maintain electronic records concerning pupils and financial accountability information as necessary to report on pupil achievement and financial accountability on behalf of the school district, charter school or university school for profoundly gifted pupils.**

Existing law requires the Commission on ~~[School Funding to review the academic progress made by pupils in each public school since the implementation of the Pupil-Centered Funding Plan and make recommendations to the Department, school districts and charter schools to improve the reporting, tracking, monitoring, analyzing and dissemination of data relating to pupil achievement and financial accountability.]~~ **Innovation and Excellence in Education to develop a statewide vision and implementation plan to improve the public education system in this State.**

(NRS ~~[387.12463)]~~ **385.920) Section 4** of this bill additionally requires the Commission to: (1) review the reporting, tracking, monitoring, analyzing and dissemination of data relating to pupil achievement to identify **and recommend the elimination of** reporting requirements that are redundant or do not **effectively** provide ~~[meaningful information]~~ **measurable and informative data with which** to assess and ~~[develop]~~ **improve** educational programs and priorities in this State; and (2) ~~[include in the]~~ **present any** recommendations made by the Commission to the ~~[Governor and the Legislature under existing law recommendations for the elimination of such reporting requirements or the amending of reporting requirements to enhance the effectiveness and alignment of the reporting with the educational programs and priorities of this State. (NRS 387.12463)]~~ **Joint Interim Standing Committee on Education and annually transmit such recommendations to the Governor and the Legislature. Section 4** also requires the Commission to: (1) collaborate with the Department of Education to **gather input on the reporting, tracking, monitoring, analyzing and dissemination of data relating to pupil achievement and financial accountability; (2) collaborate with the Department to** establish a centralized repository of all reports of data relating to pupil achievement and financial accountability and make the repository easily accessible on the Internet website of the Department; and ~~[(2)]~~ **(3)** develop a framework for the reporting of data relating to pupil achievement and financial accountability that ensures that data reported to the Department identifies areas of proficiency and growth of pupils in this State, identifies gaps in achievement among groups of pupils in this State and provides clear, actionable data to enable the development of policies and practices to improve educational outcomes in this State.

Section 6 this bill: (1) repeals the requirement for the board of trustees of a county school district to publish a quarterly expenditure report for the school district in a newspaper that meets certain requirements; and (2) instead requires the board of trustees of a county school district to publish the quarterly expenditure report on the Internet website of the county school district. (NRS 387.320)

Existing law prohibits the ratio of pupils per licensed teacher in certain classes from exceeding certain ratios during each school quarter of a school year. (NRS 388.700) Existing law requires the board of trustees of each school district to report to the Department, on a quarterly basis, the average daily enrollment of pupils and the ratio of pupils per licensed teacher for certain grade levels. (NRS 388.725) If the ratio of pupils per licensed teacher at one or more elementary schools in a school district exceeds the ratio prescribed by statute during any quarter of a school year, existing law requires the school district to request a variance from the State Board for each such school for the subsequent quarter. (NRS 388.700) **Section 7** of this bill provides that: (1) the prohibition against exceeding the prescribed ratio of pupils per licensed teacher in certain classes is measured for the entire school year rather than each school quarter of a school year; and (2) a school district is required to request

a variance only if the ratio measured for one or more elementary schools for the entire school year exceeds the prescribed ratio. **Section 9** of this bill requires annual reports, rather than quarterly reports, regarding the average daily enrollment of pupils and the ratio of pupils per licensed teacher for certain grade levels. **Section 8** of this bill makes a conforming change to remove references to such quarterly reports.

Existing law requires the governing body of each local government to: (1) submit a fiscal report of the local government to the Department of Taxation in accordance with the requirements prescribed by the Committee on Local Government Finance; and (2) publish a summary of the fiscal report in a newspaper that meets certain requirements. Under existing regulations, the summary of the fiscal report published in a newspaper is: (1) required to contain certain information concerning the revenues and expenditures of the general fund of the local government and any proprietary fund of the local government; and (2) authorized to contain such information for any other fund of the local government. **Section 10** of this bill eliminates the requirement for the board of trustees of a county school district to prepare and publish a summary of the fiscal report of the county school district.

Section 11 of this bill repeals the requirement for the Department, in consultation with the Budget Division of the Office of Finance and the Fiscal Analysis Division of the Legislative Counsel Bureau, to: (1) recommend a minimum amount of money to be spent during each fiscal year of the biennium on textbooks, instructional supplies, instructional software and instructional hardware by school districts, charter schools and university schools for profoundly gifted pupils; and (2) publish a report concerning school districts, charter schools and university schools for profoundly gifted pupils that did not spend the recommended minimum amount. (NRS 387.206, 387.2062)

TEXT OF REPEALED SECTIONS

387.206 Recommended minimum expenditure by school districts, charter schools and university schools for profoundly gifted pupils for textbooks, instructional supplies, instructional software and instructional hardware.

1. On or before August 1 of each odd-numbered year, the Department, in consultation with the Budget Division of the Office of Finance and the Fiscal Analysis Division of the Legislative Counsel Bureau, shall determine a recommended minimum amount of money to be expended during each fiscal year of a biennium for textbooks, instructional supplies, instructional software and instructional hardware by all school districts, charter schools and university schools for profoundly gifted pupils. The amount must be determined by increasing the amount that was established for the Fiscal Year 2004-2005 by the percentage of the change in enrollment between Fiscal Year 2004-2005 and the fiscal year for which the amount is being established, plus any inflationary adjustment approved by the Legislature after Fiscal Year 2004-2005.

2. The Department, in consultation with the Budget Division of the Office of Finance and the Fiscal Analysis Division of the Legislative Counsel Bureau, shall develop or revise, as applicable, a formula for determining the minimum amount of money that each school district, charter school and university school for profoundly gifted pupils is recommended to expend each fiscal year for textbooks, instructional supplies, instructional software and instructional hardware. The sum of all of the minimum amounts determined pursuant to this subsection must be equal to the combined minimum amount determined pursuant to subsection 1. The formula must be used only to develop expenditure recommendations and must not be used to alter the yearly apportionment from the State Education Fund to school districts, charter schools or university schools for profoundly gifted pupils.

3. Upon approval of the formula pursuant to subsection 2, the Department shall provide written notice to each school district, charter school and university school for profoundly gifted pupils on or before August 15 of each odd-numbered year that sets forth the recommended minimum combined amount of money that the school district, charter school and university school for profoundly gifted pupils may expend for textbooks, instructional supplies, instructional software and instructional hardware for each fiscal year of a biennium.

387.2062 Report concerning failure to comply with recommended minimum expenditure.

1. On or before January 1 of each year, the Department shall determine whether each school district, charter school and university school for profoundly gifted pupils has expended, during the immediately preceding fiscal year, the recommended minimum amount of money set forth in the

notice provided pursuant to subsection 3 of NRS 387.206. In making this determination, the Department shall use the report submitted by:

(a) The school district pursuant to NRS 387.303.

(b) The charter school pursuant to NRS 388A.345.

(c) The university school for profoundly gifted pupils pursuant to NRS 388C.250.

2. Except as otherwise provided in subsection 3, if the Department determines that a school district, charter school or university school for profoundly gifted pupils, as applicable, has not expended the recommended minimum amount of money set forth in the notice or the revised notice, as applicable, provided pursuant to subsection 3 of NRS 387.206, the Department shall publish a report on an Internet website maintained by the Department which identifies the difference between the actual combined expenditure for textbooks, instructional supplies, instructional software and instructional hardware and the minimum recommended combined expenditure set forth in the notice provided pursuant to subsection 3 of NRS 387.206.

3. If the actual enrollment of pupils in a school district, charter school or university school for profoundly gifted pupils is less than the enrollment included in the projections used in the biennial budget of the school district submitted pursuant to NRS 387.303, the budget of the charter school submitted pursuant to NRS 388A.345 or the report of the university school for profoundly gifted pupils submitted pursuant to NRS 388C.250, as applicable, the recommended expenditure for textbooks, instructional supplies, instructional software and instructional hardware pursuant to NRS 387.206 must be reduced proportionately.

AN ACT relating to public works; revising provisions relating to the compliance of a contractor or subcontractor with certain requirements relating to apprentices on a public work; revising requirements relating to identifying numbers for public works; revising provisions relating to the imposition of penalties for certain violations; revising provisions relating to the period within which a person is disqualified from being awarded a contract for a public work in certain circumstances; revising provisions relating to the investigation of certain possible violations; creating the Public Works Compliance Division within the Office of Labor Commissioner and prescribing its duties; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law sets forth the requirements for the State and its political subdivisions to award a contract for the new construction, repair or reconstruction of specified projects that are financed in whole or in part from public money, known as public works. (Chapter 338 of NRS) Existing law creates the Office of Labor Commissioner and requires the Labor Commissioner to enforce specified provisions relating to employment on public works. (NRS 338.010-338.130, 607.010) Existing law requires contractors or subcontractors engaged on public works to use apprentices for a certain percentage of the total hours performed on a public work, depending on certain conditions related to the public work, and to report certain

information regarding the public works for the previous year to the Labor Commissioner, except identifying information about a public work or an apprentice or employee. Existing law further requires a contractor or subcontractor on a public work to maintain and provide to the Labor Commissioner any supporting documentation to show that the contractor or subcontractor made a good faith effort to comply with the apprenticeship requirement. Such a good faith effort includes submitting to an apprenticeship program a request for an apprentice: (1) not earlier than 10 days before the contractor or subcontractor is scheduled to begin work on the public work; and (2) if a contractor or subcontractor does not work continuously on a public work, not earlier than 10 days before the contractor or subcontractor is scheduled to resume work on the public work. (NRS 338.01165) **Section 1** of this bill removes the 10-day time limitation on requesting an apprentice, thereby allowing for an apprentice to be requested by a contractor or subcontractor at any time before work on a public work is scheduled to begin or resume. **Section 1** also removes the exception for not reporting identifying information about a public work, thereby requiring the reporting of such information to the Labor Commissioner.

Existing law, in part, requires a public body that undertakes a public work to: (1) request an identifying number with a designation of the work and include the number in any advertisement or other type of solicitation; and (2) report to the Labor Commissioner the award of a contract within 10 days after the award and subsequently report the completion of the work under the contract. (NRS 338.013) **Section 2** of this bill requires that a public body request such an identifying number not less than ~~[10]~~ **3 business** days before any advertisement or other type of solicitation for the public work is published or made, as applicable. **Section 2** also ~~[imposes]~~ **authorizes** a penalty for each calendar day or portion thereof that a public body is not in compliance with the reporting requirements.

~~[Existing law authorizes the Labor Commissioner to impose an administrative penalty, in addition to any other remedy or penalty authorized by law, if any person, including, without limitation, a public body, violates certain provisions relating to public works in the amount of not more than $5,000 for each such violation. (NRS 338.015) Section 3 of this bill limits the existing maximum penalty to the first violation and authorizes the imposition of an administrative penalty of not less than $5,000 for each subsequent violation.]~~

Under existing law, if an administrative penalty is imposed against a person for a violation of certain provisions relating to public works, the Labor Commissioner is authorized to prohibit the person from being awarded a contract for a public work: (1) for the first offense, for a period of 3 years after the date of the imposition of the administrative penalty; and (2) for the second or subsequent offense, for a period of 5 years after the date of the imposition of the administrative penalty. (NRS 338.017) **Section 4** of this bill instead provides for the issuance of a warning for the first offense and revises the

duration of the period of the disqualification as follows: (1) for the second offense, a period of 180 days after the date of the imposition of the administrative penalty; (2) for the third offense, a period of 1 year after the date of the imposition of the administrative penalty; and (3) for the fourth or subsequent offense, a period of 3 years after the date of the imposition of the administrative penalty.

Existing law requires any public body awarding a contract for a public work to investigate possible violations of certain laws relating to public works and determine whether a violation has been committed and inform the Labor Commissioner of any such violations. (NRS 338.070) **Section 5** of this bill requires a public body, within ~~[30]~~ **90** days after substantial completion of a contract for a public work, to: (1) conduct an investigation and make a determination regarding any violation; or (2) refer the matter to the Public Works Compliance Division, which is created within the Office of Labor Commissioner in **section 8** of this bill. **Section 7** of this bill requires the Division to: (1) investigate possible violations of certain laws relating to public works at the direction of the Labor Commissioner or upon receipt of a referral from a public body; (2) submit to the Labor Commissioner a written report concerning such an investigation and, if applicable, provide a copy of the report to the referring public body upon completion of the investigation; and (3) perform any other duties related to the enforcement of certain provisions relating to public works, as directed by the Labor Commissioner. **Sections 9 and 10** of this bill make conforming changes related to the creation of the Division.

Existing law requires a public body to withhold and retain from payments to a contractor on a public work sums that are forfeited as a result of the violation of certain laws relating to public works. Existing law also prohibits any sums from being withheld, retained or forfeited, except from the final payment, without a full investigation being made by the awarding public body. (NRS 338.070) **Section 5** requires a public body who refers the investigation of possible offenses to the Division to withhold and retain all sums believed to be forfeited by the violation of such laws until an investigation has been completed by the Division and the Labor Commissioner has determined if any violations were committed. **Section 5** authorizes the Labor Commissioner to impose against a public body that fails to investigate possible violations of certain laws relating to a public work or refer possible violations to the Public Works Compliance Division within the prescribed time period: (1) a fee of $1,000 for each contractor or subcontractor found to be in violation of such provisions; and (2) an administrative penalty of $2,000 for each contractor or subcontractor found to be in violation of such provisions. **Section 5 also prohibits a public body from withholding from any contractor or subcontractor engaged on a public work any amount due to the contractor or subcontractor in order to recover any fee or penalty assessed against the public body by the Labor Commissioner pursuant to section 5.**

~~[Existing law requires that a person found to have willfully and repeatedly failed to pay the prevailing wage required by law be required to pay certain damages to each affected worker. (NRS 338.090) Section 6 of this bill removes the requirement of willfulness, thus making the penalty applicable to a person who repeatedly fails to pay the prevailing wage.]~~

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 338.01165 is hereby amended to read as follows:

338.01165 1. 3. On or after January 1, 2021, the Labor Commissioner, in collaboration with the State Apprenticeship Council, may adopt regulations to increase the percentage of total hours of labor required to be performed by an apprentice pursuant to subsection 1 or 2 by not more than 2 percentage points.

in that craft or type of work within the 3 years immediately preceding the request from the contractor or subcontractor. Such a person:

The requirement for the submission of an additional request in this subparagraph does not apply whenever a contractor or subcontractor has one or more apprentices employed for that apprenticed craft or type of work.

(b) Does not make a good faith effort to comply with subsection 1 or 2, as applicable, as determined by the Labor Commissioner, if the contractor or subcontractor is required to enter into an apprenticeship agreement pursuant to subsection 16 and refuses to do so.

8. The supporting documentation required pursuant to subsection 7 may include, without limitation:

(a) Documentation of the submission by the contractor or subcontractor of one or more requests, as applicable, pursuant to subsection 7; and

(b) Documentation that the apprenticeship program denied such a request, did not respond to such a request or responded that the program was unable to provide the requested apprentice.

9. The contractor or subcontractor and the apprenticeship program shall coordinate the starting date for any apprentice provided by the program.

10. On or before February 15 of each year, a contractor or subcontractor engaged in vertical or horizontal construction, as applicable, who employs a worker on one or more public works pursuant to NRS 338.040 shall report to the Labor Commissioner, on the form prescribed by the Labor Commissioner, the following information regarding those public works for the previous calendar year:

11. The information required to be reported pursuant to subsection 10 must not include any identifying information about ~~[a public work or]~~ an apprentice or employee.

12. If the Labor Commissioner, on his or her own initiative or based on a complaint, makes a determination based on the information submitted pursuant to subsection 10 that a contractor or subcontractor did not make a good faith effort to comply with the provisions of subsection 1 or 2, as applicable, the Labor Commissioner shall notify the contractor or subcontractor in writing of the determination and:

(a) Except as otherwise provided in paragraph (b), shall assess a penalty as follows:

(1) If the apprentice utilization rate by the contractor or subcontractor on vertical construction of a public work is:

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 377.

~~[ASSEMBLYMEMBER]~~ **ASSEMBLYMEMBERS** YEAGER **; CONSIDINE, DICKMAN, D'SILVA, GALLANT, GOULDING AND KASAMA**

AN ACT relating to public employment; requiring an appointing authority to recognize relevant employment experience obtained in the Federal Government as equivalent to employment experience obtained in the government of this State for certain purposes; prohibiting, with certain exceptions, an appointing authority from requiring an applicant for a position of employment in the classified or unclassified service of the State to have obtained a bachelor's degree as a condition precedent to employment; requiring the Administrator of the Division of Human Resource Management of the Department of Administration to take certain actions with respect to the master classification plan for all positions in the classified service of the State; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law sets forth various requirements and procedures governing the employment of persons in the classified and unclassified service of this State. (Chapter 284 of NRS) Existing law requires the Administrator of the Division of Human Resource Management of the Department of Administration to prepare, maintain and revise a master classification plan for all positions in the classified service, based on similarity of duties and responsibilities, so that the same qualifications may reasonably be required for, and the same schedule of pay may be equitably applied to, all positions in the same class. (NRS 284.160) **Section 4** of this bill requires the Administrator, in determining the qualifications that may be reasonably required for all positions in the same class, to allow a person to substitute equivalent employment experience obtained in the Federal Government for any employment experience required to be obtained in the government of this State.

Existing law requires an appointing authority, with respect to positions in the classified service of the State, to recruit, evaluate, select, manage and promote employees through open competition on the basis of knowledge, skills and ability and without regard to certain characteristics of an applicant or employee. (NRS 284.210) **Section 5** of this bill specifies that the

requirement applies, without limitation, to the recruitment, evaluation, selection, management and promotion of an employee through the making of any determination that affects the pay of an employee. **Sections 2 and 5** of this bill additionally require an appointing authority, with respect to positions in the classified and unclassified service, to recruit, evaluate, select, manage and promote employees, including, without limitation, through the making of any determination that affects the pay of an employee, in a manner which recognizes relevant employment experience obtained by an applicant or employee in the Federal Government as equivalent to employment experience obtained in the government of this State.

Section 3 of this bill prohibits, with certain exceptions, an appointing authority from requiring an applicant for a position in the classified or unclassified service to have obtained a bachelor's degree as a condition precedent to employment. **Section 3** provides an exception from that prohibition if the appointing authority makes certain determinations. Because **section 3** prohibits an appointing authority from requiring an applicant to have obtained a bachelor's degree except under certain limited circumstances, **section 4** eliminates provisions of existing law which require the Administrator to conduct certain periodic reviews of classes of positions in the classified service which require a person to hold a bachelor's degree. (NRS 284.160)

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 284 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 and 3 of this act.

Sec. 2. ***In relation to positions in the unclassified service, each appointing authority shall recruit, evaluate, select, manage and promote employees, including, without limitation, through the making of any determination that affects the pay of an employee, in a manner which recognizes relevant employment experience obtained by an applicant or employee in the Federal Government as equivalent to employment experience obtained in the government of this State.***

Sec. 3. ***1. Except as otherwise provided in subsection 2, an appointing authority shall not require an applicant for a position of employment in the classified or unclassified service of the State to have obtained a bachelor's degree as a condition precedent to employment.***

2. The provisions of subsection 1 do not apply if the appointing authority determines that the knowledge, skills or abilities required for the position for which the applicant is applying may only be obtained through a course of study in pursuit of and that culminates in the award of a bachelor's degree.

Sec. 4. NRS 284.160 is hereby amended to read as follows:

284.160 1. The Administrator shall prepare, maintain and revise as necessary a master classification plan for all positions in the classified service, based upon similarity of duties and responsibilities, so that the same

qualifications may reasonably be required for, and the same schedule of pay may be equitably applied to, all positions in the same class.

2. In determining the qualifications that may be reasonably required for all positions in the same class pursuant to subsection 1, the Administrator shall ~~[periodically review each class of positions in the classified service which require a person to hold a bachelor's degree and, whenever the Administrator deems it necessary for the efficiency of the public service, revise the qualifications to]~~ allow a person to substitute equivalent ***employment*** experience ~~[or skills in lieu of a bachelor's degree.]~~ ***obtained in the Federal Government for any employment experience required to be obtained in the government of this State.***

3. The Administrator shall review annually the classification plan of each appointing authority using the audit function developed and implemented pursuant to NRS 284.107.

4. Subject to the provisions of subsection 5, with the approval of the Administrator, an appointing authority may make changes in the classification of positions within its agency whenever the appointing authority deems it necessary for the efficiency of the public service.

5. The classification plan and changes therein are subject to approval by the Commission, except that the Administrator, at the request of an appointing authority, may make a change in the classification plan without the prior approval of the Commission if:

(a) The Administrator deems it necessary for the efficiency of the public service;

(b) The change is not proposed in conjunction with an occupational study; and

(c) The Administrator, at least 20 working days before acting upon the proposed change:

(1) Provides written notice of the proposal to each member of the Commission, to all departments and to any head of an employees' organization who requests notice of such proposals; and

(2) Posts a written notice of the proposal in each of the principal offices of the Division.

➥ Any occupational study conducted by the Division in connection with the preparation, maintenance or revision of the classification plan must be approved by the Commission.

6. If no written objection to the proposed change to the classification plan is received by the Administrator before the date it is scheduled to be acted upon, the Administrator may effect the change. The Administrator shall report to the Commission any change in the classification plan made without its approval at the Commission's next succeeding regular meeting.

7. If a written objection is received before the date the proposed change is scheduled to be acted upon, the Administrator shall place the matter on the agenda of the Commission for consideration at its next succeeding regular meeting.

Sec. 5. NRS 284.210 is hereby amended to read as follows:

284.210 In relation to positions in the classified service, each appointing authority shall, consistent with the regulations adopted by the Commission pursuant to NRS 284.205, recruit, evaluate, select, manage and promote employees ***, including, without limitation,*** through ***the making of any determination that affects the pay of an employee:***

1. Through open competition on the basis of knowledge, skills and ability and without regard to an applicant's or employee's religious or political opinions or affiliations, race, sex, sexual orientation, gender identity or expression, age or disability.

2. In a manner which recognizes relevant employment experience obtained by an applicant or employee in the Federal Government as equivalent to employment experience obtained in the government of this State.

Amendment No. 533.

SUMMARY—Revises provisions ~~[related to courts.]~~ **relating to the venue for certain proceedings.** (BDR ~~[0-870)]~~ **24-870)**

AN ACT relating to courts; ~~[providing that]~~ **revising provisions relating to the venue for** certain proceedings **;** ~~[and causes of action may be brought in a qualified judicial district;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the First Judicial District Court has **exclusive** jurisdiction conferred by statute over certain proceedings, including, without limitation, **judicial review of** final decisions made by the Secretary of State~~,~~ ~~Department of Transportation or Commissioner of Insurance. (NRS 294A.420, 485.290, 693A.665) Existing law also confers the First Judicial District Court with jurisdiction over certain causes of action, including, without limitation, certain criminal petitions and certain disputes related to property. (NRS 34.738, 120A.525, 485.290) Section 2 of this bill provides that the jurisdiction conferred by statute to the First Judicial District Court over a cause of action or other proceeding is also conferred by statute to any qualified judicial district. Section 3 of this bill provides that any district court in a judicial district is a qualified judicial district if it has: (1) three or more district judges; (2) an electronic filing, storage and reproduction process; and (3) electronic access to its documents and hearings.~~ **relating to: (1) the designation of certain public buildings for use in gathering signatures on a petition for initiative or referendum that proposes a constitutional amendment or statewide measure; and (2) the verification of signatures on such a petition. (NRS 293.127565, 293.12795) Existing law also provides that whether such an initiative or referendum embraces but one subject and matters necessarily connected therewith and pertaining thereto, and the description of the effect of such an initiative or referendum may be challenged by filing a complaint in the First Judicial District Court. (NRS 295.061)**

Sections 4-6 of this bill provide that instead of being limited to being filed only in the First Judicial District Court, such petitions for judicial review or complaints, as applicable, may be filed in a qualified district court, which is defined as: (1) the First Judicial District Court, but only if the First Judicial District Court has established and maintains an electronic filing, storage and reproduction process and electronic access to its documents and hearings; or (2) any district court which has at least five district judges and which has established and maintains an electronic filing, storage and reproduction process and electronic access to its documents and hearings.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

(b) On an annual basis, submit to the Secretary of State and the county clerk for the county in which the building is located a notice of the area at the building designated for the gathering of signatures on a petition. The Secretary of State and the county clerks shall make available to the public a list of the areas at public buildings designated for the gathering of signatures on a petition.

2. 293.12795 1. If an appeal is based upon the results of the verification of signatures on a petition performed pursuant to NRS 293.1277 or 293.1279, the Secretary of State shall:

(a) If the Secretary of State finds for the appellant, order the county clerk to recertify the petition, including as verified signatures all contested signatures which the Secretary of State determines are valid. If the county clerk has not yet removed each name as requested pursuant to NRS 295.055 or pursuant to NRS 306.015 for a petition to recall a public officer who holds a statewide office, the county clerk shall do so before recertifying the petition.

(b) If the Secretary of State does not find for the appellant, notify the appellant and the county clerk that the petition remains insufficient.

Remarks by Assemblymembers La Rue Hatch, Gurr, and Hafen

ASSEMBLYMEMBER LA RUE HATCH:

Assembly Bill 81 will enact Permanent Standard Time in Nevada.

ASSEMBLYMEMBER GURR:

I am in opposition to the bill. Many of my constituents in the northern part of the state, especially in the northeastern corner, they all like to lock the clock, but on daylight savings time, not on standard. Many of them do not want to wake up at 3:30 in the morning, with the sun coming up, and do not want to go to bed at seven o'clock at night when they could be out on a golf course. I understand that in the south that is not that big a deal, with all the neon and everything, but in the north, we do not have that much neon out in the rural areas. So, truthfully, we all want to lock the clock, but we want to lock it on daylight savings time; restaurants, outdoor restaurants, golf courses, you know, any outdoor activity—baseball games, they would have to pay more for their lights at night. So, there are many, many people out there that are in opposition to locking the clock on standard time, not to locking the clock, but on standard time.

ASSEMBLYMEMBER HAFEN:

I want to thank the bill sponsor for bringing this bill, first and foremost, not because I golf, because I clearly do not, but because we all agree that we really do need to stop changing time. It is bad for our health. I will be voting no because, like my colleague from Elko, I agree we should

stay on daylight savings time. I do appreciate though the efforts by my colleague, but I do want to stay on daylight savings time.

ASSEMBLYMEMBER LA RUE HATCH:

I rise in support of Assembly Bill 81. This is, I think, about as bipartisan a bill as we can get. We have equal numbers of Republican and Democratic cosponsors. We also have equal numbers of Senators and Assembly members which I think is even more rare to have on these bills. This is a bill which will save lives. That is what we are talking about. When we change the clocks, people die. There are increased heart attacks, car accidents, and strokes. While I appreciate my colleagues' concerns, I do think that this is a bill that will improve the quality of life, will save lives, and will not cost us a dollar. I will point out that the states that are on Permanent Standard Time, Hawaii and Arizona, they continue to have golf, and baseball games, and recreational activities in the evening. So, I urge my colleagues to vote for this measure as it is the only way that we are allowed to stop changing the clock because the feds [federal government] will not allow permanent daylight savings time.

ASSEMBLYMEMBER MOSCA:

Assembly Bill 83 requires the Governor to annually proclaim October 25 to be "Larry Itliong Day" in the state of Nevada. This is a bill that came directly from a bipartisan group of Filipino Americans who are proud Nevadans. The Filipino community is the largest AANHPI [Asian Americans, Native Hawaiians, and Pacific Islanders] group in our state and the AANHPI community is the fastest growing; from serving as our nurses who take care of us, to our teachers who teach us, to our small business owners who feed us, we are so proud of the Fil-Am [Filipino American] community in Nevada. This was their direct ask, this bill, to make sure that Nevadans knew about our most famous Filipino American that so many people do not know about. I thank you for helping Nevadans learn about the Filipino American contribution to this country and I urge my colleagues to vote for Assembly Bill 83.

Remarks by Assemblymembers Miller and Nadeem.

ASSEMBLYMEMBER MILLER:

Assembly Bill 278 designates the month of July of each year as "Muslim American Heritage Month" in the state of Nevada and requires the Governor to annually issue a proclamation encouraging its observance.

There are about 3.5 [million] Muslims in the United States and about 1.9 billion worldwide. That is about 1 in 4 people. Whereas, with roots in at least 77 different countries that primarily identify as White, Black, Arab, and Asian, with 57 of those countries being a majority Muslim nations. Muslim Americans are an extremely diverse population—a tapestry of ethnic, racial, linguistic, social, and economic groups. Yet, with being the second largest faith in the world, Islam is still a faith that, for the most part in the United States, is not fully understood—rendering the community and its proud determined resilient members feeling mostly invisible.

I was honored when I was asked to sponsor this bill. It is time for us to acknowledge and celebrate our Muslims here in Nevada by recognizing July as Muslim American Heritage Month to celebrate the heritage, culture, and contributions of Muslim Americans here in Nevada. Also, to join in with a dozen other states and countless other local governments that have also proclaimed the same. Muslim Americans are a central component of Nevada's diverse fabric. In proclaiming July as Muslim American Heritage Month, we are encouraging people and stakeholders across Nevada to shine a light on the invaluable contributions they make to this state and this country while also acknowledging the painful history and religious discrimination that have often characterized them. This bill provides a space for this recognition, celebration, and acknowledgement. I urge your support today, to vote today, to let your fellow Nevadans know that you see and embrace them.

ASSEMBLYMEMBER NADEEM:

Celebrating Muslim Heritage Month will foster community strength and unity among Muslims and other communities. It will emphasize the importance of charity and social responsibility, encouraging acts of kindness and support for the less fortunate. Such months are critical in preserving traditions, teachings, and cultural identities, especially for younger generations. As the first Muslim elected in the history of Nevada Legislature, on behalf of Muslim community, I want to convey the community gratefulness to the main sponsor of the bill. Thank you so much. This important milestone has been very much appreciated and welcomed among Muslim community and they highly appreciate the leadership of our amazing Speaker.

Remarks by Assemblymembers Dalia and Orentlicher.

ASSEMBLYMEMBER DALIA:

Assembly Bill 346 authorizes certain patients who suffer from a terminal condition that, according to reasonable medical judgment, will result in death within six months, to self-administer a medication designed to end the patient's life. The bill outlines requirements concerning the manner in which a patient may request, and a practitioner may prescribe and dispense, such a medication. Only the patient to whom such a medication is prescribed may administer it, and the patient may revoke a request for such a medication at any time. It further prohibits a person from preventing or requiring a patient to make or revoke a request for life-ending medication as a condition for receiving health care or as a contract term.

ASSEMBLYMEMBER ORENTLICHER:

I stand in support of this bill. Fortunately, we do not have to be the first state to legalize aid in dying; Oregon did that more than 25 years ago. As a result, we have more than 25 years of experience in Oregon and other states with this practice. What we have learned is that it is a vital last resort for dying patients—they have to be terminally ill—for them to relieve serious and intolerable suffering. Fortunately, this bill includes very strict safeguards so we will not have the problems we have seen in other countries. Please support this to make sure that people—they know they are going to die—at least they can relieve their suffering.

MESSAGE TO THE LEGISLATURE OF NEVADA
EIGHTY-THIRD SESSION, 2025

Thank you, everyone. It is good to be here in Carson City. It is a beautiful—the windows are small—but it is a beautiful view to see the trees and the blue sky and to be here today, with all

of you. I want to start out by thanking Majority Leader Cannizzaro, Speaker Yeager—for the opportunity to address all of you, the Nevada Legislature, today. I would also like to recognize and thank everyone who is here today. Minority leaders, Titus and Hafen, the members of the Legislature, the Justices of the Supreme Court, the LCB [Legislative Counsel Bureau] staff, who serve Nevadans day in and day out in the Legislature. I also want to say, that I am honored, and I am grateful that Nevadans have put their trust in me to represent them in the United States Senate for six more years, thank you.

Since the last time I spoke here, a lot has changed in Washington [D.C.], but there is something that has not changed, and will not change, and it is my commitment to always put Nevada first. I have built a record as one of the most bipartisan, independent, and effective U.S. Senators because I focus on getting things done for our state. Agree where you can and fight where you must so no matter who is in the White House or who is in control in Congress, I will do everything I can to deliver for Nevada families who work hard every day. They count on me, and they count on all of you. Like I said, some of you know, my motto has always been, "Agree where you can and fight where you must." I continue every day to look for agreement with my colleagues across the aisle because there are a lot of harmful actions that we have to fight against. It is no secret that the chaos and cruelty being inflicted by Donald Trump and Elon Musk are having a direct impact on families right here in Nevada. I have heard directly from thousands of Nevadans who are worried every day about what is happening. I just had two women in tears when I was at lunch before I got here in Carson City. I know I do not have to tell any of you this, prices of everyday items; still too high, affordable housing; still too hard to find, childcare, health care; still too difficult to access.

What do Nevadans want? We all know the answer to this. Nevadans are practical. They are pragmatic and they want solutions. They want stability. They want us to work together to tackle rising costs, to create better-paying jobs, to protect our freedoms and opportunities that define our state. I can tell you what they do not want. They do not want the reckless actions that this new administration is taking: the funding cuts, the mass firings, the economic chaos. These actions have put millions of dollars that our state depends on, which all of you are working on and depending on as you do our budgets. They are putting it all at risk, every single bit of it. These actions have led to many Nevadans losing their jobs. They are jeopardizing the jobs of veterans, who were hired by the federal government to help and serve our veterans, our local communities. The firings here in Nevada have hurt the ability for seniors to access Medicare and Social Security benefits. It hurts families and their access to Medicaid for their children. It hurts our veterans and their access to their VA [Veterans Affairs] benefits, their mental health benefits, and their health care. Elon Musk, he has even cut staffing to the veterans' assistance hotline. Think about that for a minute. Think about that there is no one to answer that call for a veteran in crisis. Well, we do not want to think about the consequences of that unanswered phone call. This is no way to run a country. It is no way to treat the men and women who risk their lives to protect our freedoms. We should be doing everything we can to honor their service, to recognize their sacrifice, and make sure that they can access every benefit that is owed to them—that they earned. That we sit here free, able to do what we do, is because they put their lives on the line, and I want those calls to be answered at the veterans' hotline and I know you all do too. Earlier this year, I helped introduce bipartisan bills to help veterans access their VA benefits more easily, to increase veterans' awareness, things like the VA home loan program for those who were injured while fighting to protect all of us. The least we could do is ensure that they all have full benefits. Current red tape is currently preventing 50,000 combat injured veteran retirees from receiving both their retirement pay through the [U.S.] Department of Defense, and their disability payments through the VA. Well, that is wrong. They earned it. They deserved it. I helped introduce a bill with my colleagues on both sides of the aisle because veterans come from all over this great country to fix and repeal the offsets that are currently in place. I am proud of that bill and hope that we can pass it.

Now, at a time when families are seeing their budgets tighten, I am working across party lines to eliminate taxes on military retirement pay so our veterans can keep more of their money. Military families, well, they are not the only ones being squeezed by higher prices because when costs go up, they hurt all Nevadans. This is why Nevadans that I have talked to are worried about the Trump tariffs. These tariffs, they are essentially a national sales tax. They are going to raise the cost of everything you buy: your groceries, your gas, your medications—not to mention

construction materials, which will make housing even more expensive. Interest rates go up, prices go up, everything goes up and up. This is the complete opposite of what I believe we should be doing right now. We should be finding ways, every way we can, to lower costs. That is why I took action to help stop the Kroger and Albertson's mega merger that would have raised those grocery prices for Nevada families. It is why I introduced bipartisan legislation to lower housing costs by helping to train and grow our housing construction workforce—those houses do not build themselves. I have introduced a bill to crack down on corporations that buy up housing and jack up prices for families. I know you are working on it too. It is also why I have introduced bipartisan legislation to help lower the cost of childcare. We have a little one here today, five years old, but we need to provide relief for working families. Just last week, I helped introduce legislation to provide those hardworking Nevada families with a much-needed tax cut and expand the child tax credit. This is in addition to the bipartisan bill I helped introduce to eliminate taxes on tips and allow working families to keep more of their paychecks. I am doing all of this because we should be providing relief for our Nevada families, for people who work hard and play by the rules. We should not be giving more tax breaks to billionaires who, frankly, do not need the money.

Sweeping tariffs, on the other hand, they do a lot more harm to our state. In addition to just squeezing our family's budgets, they do a lot more harm, because when prices go up, people spend less, when people spend less, what does that mean? They travel less, and suddenly, they do not plan their Nevada vacation. We know that tourism is down over last year, international tourism going down, all of it. When people have to tighten their belts, it is a luxury to go on vacation. The tourist destinations in Nevada are going to suffer. That means our economy suffers, everyone suffers at their job level, then they do not go out—back home to their neighborhood—go out to eat, buy a new pair of gym shoes, whatever it is, it hits everyone. We are going to get it from both sides. Like I said, international travel [is] down. I do not expect that to be going up anytime soon. A recent report estimates, as a result, up to 14,000 jobs in hospitality could be at risk because of the decrease in tourism. We know Nevada tourism, of course I do not have to tell you, tourism [is the] top business in our state, but small businesses make up over 99 percent of the rest of those businesses. I am hearing from small business owners who are already feeling, I do not want to say seeing, they are feeling it. They are feeling the impacts of the reckless tariffs, and they are worried. Nevadans, like Isaac, who wrote into my office asking me to take action to stop the devastating tariffs. Isaac is a founder of a small business in Reno, up here. He designs innovative cycling and protective gear. As we look out to the outdoor recreation that is so important to this economy up here, we know his business does well. I am going to quote what he wrote to me. He wrote this, "We maintain a small production facility in Reno. These duties will force us to raise retail prices by 37 percent and we do not believe our customers can accept that. This policy will wipe us out entirely." So small business, like Isaac, gone. Maybe you know Isaac, maybe you go cycling, maybe he is a neighbor, friend, goes to your church—his business is gone. That is exactly why I am fighting back. I recently helped pass legislation overturning Trump's tariffs on Canada, which is Nevada's largest trading partner—Canada. That was bipartisan legislation we voted to pass, by the way. I also helped introduce a bill to require the United States International Trade Commission to investigate how Trump's recent tariffs will impact the American people and make that information public. I am leading the charge in the [U.S.] Senate and making sure the administration knows how destructive the tariffs are for small businesses, like Isaac's and the thousands who have written into us. I am going to continue fighting against these reckless, just across the board tariffs, just across the board on virtually every nation. We need to support legislation to overturn them. What keeps Nevada families up at night, does not stop with the tariffs.

We are seeing a full-scale attack in Congress on key programs that Nevadans rely on: Medicare, Medicaid, [and] Social Security. I am not telling you anything you do not know in this Chamber. More than 600,000 Nevadans depend on Medicare and this administration is going after this program with staffing cuts that threaten our seniors' ability to access the medical care that they need. Elon Musk is dismantling Social Security piece by piece, bit by bit, office by office, staff member by staff member. He is reducing all of the services. So, it makes it harder for seniors to access their benefits. We have deep rural communities. How are they going to get here in person, to an office where you might wait eight hours or months to get your care? That is not going to work in Nevada. How are we going to take care of our folks? I am focused on protecting Social Security and Medicare from these attacks. It does not stop there. Republicans in Congress just

passed a budget resolution, this last week, to cut Medicaid so that they can give more tax breaks to billionaires. I would like to see who wants to raise your hand if they think a billionaire needs more money, as opposed to a working family. I will not ask you that here, but that is what is happening. They are making these cuts to make more tax breaks for billionaires. I know many in this room, I know your hearts, and I know you know how important, how critical Medicaid is. It makes up a sizable portion of our state budget and we stand to lose more than half a billion dollars if Medicaid is cut, but it is more than just funding. It is a lifeline for families. It is a lifeline for moms and for children. I want to talk about my special guests in a moment because it is more than a number. It is more than a number that they are cutting; these are our friends, our family, our neighbors, our kids. Attempts to cut this important lifeline for children is going to put more than 300,000 children in Nevada at risk of losing their only source of health care coverage. Nevada children like Levi, who is being so good. Levi, can we applaud you? He is five years old. Thank you. You have been such a good boy. Levi is my guest along with his really incredible mother, Allison Marcus. They are here tonight because Medicaid has made a difference in their lives and I am going to, with their permission, I am going to share a little bit of Levi's story because sometimes we look at budgets and their numbers, you are trying to balance, and make all this work, but there are people behind every one of those numbers. When Levi was just three years old, and now he is five—he told me he was not four anymore, he is a full five; you know, that is really important when you are little—Levi was just three years old, and Allison noticed a strange mole behind his ear. So, she thought she was just going to go to the doctor; like all of us who are parents here, you go to the doctor. Oh, it is just a little thing, you got a bug bite, who knows, whatever, simple doctor's visit, but every parent's worst fear was realized when a biopsy came back and came back positive for Melanoma. Melanoma, not just a person who has been in the sun their whole life, it happens when you are three years old—skin cancer. They had to have further tests. His cancer spread. Levi and Allison, they have had to jump through hoop after hoop, in order to implement a care plan, treatments, medications, surgery, radiation. They had to repeatedly travel out of state to get special pediatric care—you have to go to hospitals where they know how to take care of young children. All the nights they spent in hospitals instead of their own bed. All the nights she probably stayed awake, making sure he was breathing. All the nights she spent watching, making sure he would wake up in the morning. No family should have to go through this, but Allison never gave up. She and Levi have shown awe-inspiring strength and resilience every step of the way. They refused to quit fighting this awful disease. The one thing they did not have to worry about on this journey was how they were going to pay for that care, how were they going to get to the doctor, how were they going to go for these treatments, how were they going to be cared for because they had Medicaid. So, thanks to Medicaid, she was able to be there for her son. [Medicaid] made sure they had not one out of pocket expense while dealing with some of the worst moments that any parent can go through. Not one out of pocket expense. It took that burden, that one extra stress right off her back. Today, Levi—I know he just told me his birthday is August 5, so he is going to be six, but today he is five years old, and we are glad to say, and we are going to give him another round of applause—he is in remission. Of course, he is going to continue to get watched and get cared for, but it is a success story, and it is a success story because she had Medicaid. That is why Medicaid matters, not just for Levi and his family, but for all the Levi's, for all the families in Nevada, across the country, story after story, after story, this is just one of them. I am sure many of you in this room can tell stories like this, as well. Medicaid makes the difference in their lives. It covered the medical care, covered travel expenses, just like it did for Allison and Levi. It is literally a lifeline. All of these children, every one of them, has a name and a family and I want everyone in Nevada and America to see these kids and see these families and know their names before they cut that budget. So shameful and immoral; I believe that Republicans want to cut this program to give tax breaks to the ultra-wealthy. In my heart, I cannot look at children like Levi, moms like Allison, and so many others who call us, and tell them they do not matter. So, I am going to stand up, I am going to fight back, I am going to say their names loudly; for all the patients, for all their families, for Levi and Allison, we will not let them become invisible and just another number on a page to take a red pen to cut them out, to give money to a person who literally does not need it; cannot spend all they have. Tell me if you had billions and billions of dollars, do you really need any more? Is Levi's life worth it. I can tell you why that is why I am fighting, that is who I am fighting for.

I am also going to fight back against Donald Trump's immoral, cruel, devastating attacks on our immigrant communities here in Nevada. You know, here in Nevada, I do not have to tell any of you, we are particularly vulnerable to immigration decisions coming out of Washington [D.C.]. We have the largest share of mixed-status families in the United States. They are our neighbors, they are our friends, they may even be our families. Right now, Nevada immigrant families, well, they are afraid. They are calling my office; I am sure they are calling you. They are being used as scapegoats by far-right extremists who are using the issues of immigration and border security to divide all of us. To divide all of us in every single way, instead of bringing us together to find solutions, they are dividing us. I know that we all agree that we need to have a secure border and humane and orderly process that treats people with dignity and respect while enforcing the laws. We are all in agreement on that. I know that we all agree that if you commit a crime, you have to be held accountable no matter what your immigration status. But instead of working with Democrats to secure our border, work on passing comprehensive immigration reform with permanent protections for DACA [Deferred Action for Childhood Arrivals] and TPS [Temporary Protected Status] recipients, which we have a lot of here in Nevada, the Trump administration is violating our *Constitution* to inflict as much fear, pain, and cruelty as possible on our immigrant communities. So many of these are families that play by the rules; they work hard, they pay taxes, they contribute to our state's economy every day. They are living in fear that their mom, their dad, their son or daughter is going to be snatched; snatched from the streets, a masked person just comes up, jumps out of a van, grabs someone—you have seen it on television—throws them in, moves them thousands of miles away. I am sitting here in front of the [Chief] Justice and that is not how it is supposed to work. No due process, no explanation, no way to reach them. I know there are a lot of lawyers in this room; you are at least allowed a phone call, right? Not trying to make light of it, but no due process. Then, they only later learn that their loved one has been sent to another country with no return in sight. Many of these parents, who want nothing but a better future for themselves and their kids, are making plans with teachers, with friends, with neighbors to take their children in the event that they are snatched and deported. People's rights are being violated. Their due process rights are being taken away and our *Constitution* is being deliberately trampled by this administration. In fact, one of the first actions Donald Trump took after being sworn in was to sign an executive order attempting to eliminate automatic U.S. citizenship for children born here. Again, this is unconstitutional. It is an unconstitutional action that is going to target mixed-status families who live and work every day in our communities by taking away their citizenship. Now, I am going to go off my speech for a second. I do not know about everybody here, but we are a nation of immigrants. Some of you might be first generation, some of you might be like me, second generation. Think about if you or your parent had their citizenship taken away. That is why I introduced the Born in the USA Act, to ensure that not a single penny goes towards implementing Trump's illegal order while the lawsuits play out in court. I am also pushing back against the administration's policies to separate families, and I have helped introduce a bill to prevent ICE [Immigration and Customs Enforcement] agents from carrying out immigration rates in sensitive locations, like schools, and churches, and hospitals. I am calling for congressional hearings on reports that the IRS [Internal Revenue Service] is going to turn over sensitive personal information to be used in immigration enforcement. Nevadans have my word, that as long as I am your Senator, I will fight back against cruel policies that hurt our community.

I pledge to you today that everyone in this Chamber also has my word that I will continue partnering with all of you to improve Nevadan's lives because we owe it to our communities to have a strong partnership between our federal and our state governments. It is the only way we can solve problems of the pressing issues that we are facing every single day. I know every one of you are getting calls—everybody does, right? And emails, we do not get letters as much. I do applaud your recent efforts to remove college degree requirements for jobs in state agencies, putting more people to work. As government officials, we need to support our workers and make it easier for people to access good paying jobs for skilled training. In the Senate, I have led and joined bills to support our nation's workforce and incentivize Nevadans to access career training programs in high demand industries. I look forward to partnering with all of you to make sure that Nevadans can access those good paying jobs, that they have the skills, they get trained, and we are building out for our future. That is what you all want. That is why you are all here. Another way to support our workers is by strengthening the right to form a union, collectively bargain. That is

why I helped introduce the Pro Act, once again. While all of you in this Legislature work to expand health care access in rural communities and tackle our doctor shortage, I want to tell you that in the [U.S.] Senate, I am doing the same thing. I have multiple bills to help bring more nurses, doctors, [and] dentists in underserved areas. I will point back to Allison for a second; through her journey, she has decided to go into nursing. So, she is in pre-nursing school. We are thousands of nurses short in Nevada. She has learned how important nursing is and soon enough, she will be joining that profession and caring for others, the way that people cared for her, she is paying it forward.

I will tell you about a couple of the bills I have, and I know I am going to partner with you on some of those. They are all bipartisan. The first one is called the Physicians for Underserved Areas Act. It is going to take the long overdue step of revising the graduate medical education process, to increase the likelihood of states with physician shortages, like we are, to get more medical residency slots. We do not have enough slots to take care of the people we have. We are going to fight to do that. I have another; actually, these bills are all bipartisan. Why? Because we are not the only state that has a physician shortage. So, we find our friends across the aisle; agree where you can and fight where you must. This is what we agree on. I have a bipartisan bill called the REDI [Resident Education Deferred Interest] Act. It is going to help increase the number of doctors and dentists, we never can forget the dentist because dental care is important too, in Nevada's underserved areas by allowing them to defer their student loan payments without interest until they complete their residencies and internships. They can go serve some of our rural communities. It is hard for them to get dentists and doctors out there, we know this, this is a benefit—everybody benefits. My bipartisan Spark Act, which I just introduced last week, is going to help increase the number of medical specialists in our rural communities. Finally, my Train More Nurses Act. We were lucky in the last few years; we have been able to fund a lot of programs in our community colleges and universities to build out our nursing training. Right? About 4,000 nurses short, like I said, but you need nurse educators to train the new nurses. The Train More Nurses Act does just that; makes new nurse educators. It passed the [U.S.] Senate unanimously, last Congress, and we are going to get it through again. That is going to help us address that nursing shortage because we can have all the space, but if we do not have the teachers, as you all know, it goes for nothing. We are hoping to get that through. So much to do there, health care, housing. We have to complement the efforts that we work on together to improve access and tackle our housing crisis by creating new legislation to help small home builders, or small local home builders, access financing to build affordable homes. I am going to continue to pass my Washoe County Lands Bill [Truckee Meadows Public Lands Management Act] so we actually have some land to build the homes on; make appropriate federal land available for housing, for economic development, while also permanently protecting sensitive landscapes, putting more land into tribal trusts. I am also continuing to work with local stakeholders to pass lands bills I have for Pershing County, Carson City, and building on the success of my Lander County Lands Bill [Lander County Management and Conservation Act] that was signed into law a couple of years ago. We continue to drive innovation in clean energy, and water conservation, and weather mitigation. Well, we can look both ways. We have drought, we have wildfires, we have energy concerns, all of that up here in Northern Nevada. I want to work to bring the federal dollars to prepare for the drought and wildfire season as well as advance our renewable energy. We got lithium, we got geothermal, wind, water, solar, and we need to recycle it so we can continue to use it in a smart way over and over again.

You know, all of us here in this Chamber, looking up, looking all around, all of us in this Chamber, we have an incredible honor. It is an incredible honor to win an election. It is an incredible honor to have that trust put in you to serve. We all know that, we know what it feels like; it is an incredible responsibility, but it is a privilege. You all ran and you are all here because the one thing we have in common is, we all love Nevada. Nevadans chose each and every one of you here for a reason. They are counting on all of us together, to support each other, and support success in our state. It does not always mean you agree on everything, but find the things you agree on and do those. People are counting on us. They sent us here to find the places we agree. Do that. Do not let it stop you. There is a lot to fight about in Washington [D.C.], sure, but there are a lot of places for agreement too, especially right here in Carson City. I think I just really want to leave you all with a call to action and something that my eight years now in the United States Congress I have really been using every single day, and it is shown in my work and work that I am

proud of. The call to action to this is to find all those places to work together to deliver for the Nevada families, for our home, for the Nevada we care about. I am not asking anyone to compromise your values. What I am asking you to do is value compromise. Find the places where you can agree and do that because babies are counting on you, seniors are counting on you, vets [veterans] are counting on you. Twelve things on the to do list? You can find six, do them. People will applaud you for that. You can argue about the other six, but trust me, they will send you back here and be proud. They will tell you how proud that makes them to see you do that. You do not have to compromise your values, just value some compromise where you can agree. People are counting on all of us to lead. They are looking to us in these tough times. I would say, everyone will look back, all times are tough. The old days were better than the new days. Right? We always look back with nostalgia. It is not easy, but it takes energy, it takes passion, it takes commitment, it takes caring—something I know that every person in this room has, or you would not have fought to be here. You could all be doing something else, but you chose to come here and do this. In Nevada we are not just Democrats and Republicans, I believe we are Nevadans first—in this room especially—we are Nevadans first. I want us to think about moving forward together with a common purpose with shared values and that unshakeable commitment to build a stronger, more prosperous, and just a better Nevada for all of us; for the Levi's, for our parents and grandparents, and all the kids in the future. I am so grateful to have you all as partners and to be here today to speak with all of you and thankful for your work. Thank you.

THE SEVENTY-FIFTH DAY

CARSON CITY (Friday), April 18, 2025

Assembly called to order at 12:07 p.m.

Mr. Speaker presiding.

Roll called.

All present except Assemblymembers Brown-May, Monroe-Moreno, and Torres-Fossett, who were excused.

Prayer by Pastor Paul Larson.

Holy One, You are known by many names and worshiped in many ways, but in every tradition that seeks You, we hear the call to justice, to liberation, and to love that breaks chains. On this day, we remember the suffering of the innocent. We recall the story of bondage and the journey to freedom. We witness again the cost of oppression and the promise of deliverance. In the shadow of the cross, we remember the One who stood with the poor, spoke truth to power, and bore violence rather than return it.

At the table of the Passover, we remember the people led out from slavery, the blood on the doorstep, the courage to leave behind empire for a promise of wholeness. Bless this Legislature with wisdom and humility. Let laws be shaped not by fear or gain, but by compassion, equity, and the needs of the most vulnerable.

God of mercy, God of freedom, make of us a people who remember, who repent, and who rise.

AMEN.

Pledge of Allegiance to the Flag.

Assemblymember Jauregui moved that further reading of the Journal be dispensed with and the Speaker and Chief Clerk be authorized to make the necessary corrections and additions.

SECOND READING AND AMENDMENT

Assembly Bill No. 63.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 393.

AN ACT relating to actions concerning persons; revising provisions relating to civil actions for wrongful conviction; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes a person who is not currently incarcerated for any offense to bring a civil action for his or her wrongful conviction against this State in a district court seeking damages or other relief. (NRS ~~[41.900)]~~ **41.900-41.970) Section 1** of this bill ~~[instead authorizes a person who is not currently in custody to bring such a civil action.]~~ **defines the term "incarcerated" for such purposes.**

Existing law also requires, among other things, that a person seeking such damages or other relief prove by a preponderance of the evidence that: (1) the person's conviction was reversed or vacated and his or her charges were dismissed; (2) the basis for reversing or vacating the conviction was not legal error that was unrelated to his or her innocence, and if a new trial was ordered, the person was found not guilty at the new trial or the person was not retried and his or her charges were dismissed; or (3) the person was pardoned by the State Board of Pardons Commissioners on the grounds that the person was innocent. (NRS 41.900) Section 1.5 of this bill makes technical changes relating to when a conviction is reversed or vacated.

If a person brings an action for wrongful conviction which results in the court entering a certificate of innocence, existing law requires the court to award monetary damages based upon the length of time for which the person was imprisoned and for which the person was on parole or required to register as a sex offender. Existing law additionally authorizes the court to award, in addition to monetary damages, reasonable attorney's fees, certain reimbursements and, subject to a limitation of $100,000 in a calendar year, payment for the cost of: (1) tuition, books and fees for the person to enroll in any course or academic program at an institution operated by the Nevada System of Higher Education; (2) participation in Medicare or Medicaid or a qualified health plan; (3) programs for reentry into the community; (4) counseling services; (5) housing assistance; and (6) programs for assistance for financial literacy. Finally, existing law also authorizes the court to award any other relief, which is not subject to the limitation of $100,000 in a calendar year. (NRS 41.950) **Section 2** of this bill makes any other relief awarded by the court subject to the limitation of $100,000 in a calendar year.

Section 3 of this bill clarifies that the amendatory provisions of this bill apply to an action for wrongful conviction that is filed on or after the effective date of this bill.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. **Chapter 41 of NRS is hereby amended by adding thereto a new section to read as follows:**

AN ACT relating to taxation; revising the amount of the tax on live entertainment that is required to be distributed to the Nevada Arts Council; **requiring the Nevada Arts Council to use a portion of such distributions to make grants to certain persons;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law imposes an excise tax on admission to any facility in this State where live entertainment is provided, at a rate of 9 percent of the admission

charge. Under existing law, the tax is required to be added to the purchase of the admission and paid by the purchaser at the time of purchase. (NRS 368A.200) If the live entertainment is provided at a licensed gaming establishment, the person licensed to conduct gaming at the establishment is required to pay the tax to the Nevada Gaming Control Board. If the live entertainment is not provided at a licensed gaming establishment, the person collecting the tax from purchasers is required to remit the tax to the Department of Taxation. (NRS 368A.110, 368A.140) Existing law requires the Board and the Department to deposit all taxes, interest and penalties received from the excise tax on live entertainment in the State Treasury for credit to the State General Fund, except that, on or before October 1 of each year, the Department is required to deposit $150,000 from the taxes, interest and penalties it receives in the State Treasury for credit to the Nevada Arts Council as a continuing appropriation. (NRS 368A.220) This bill revises the amount of the excise tax on live entertainment that is required to be deposited in the State Treasury for credit to the Nevada Arts Council by requiring that: (1) an amount equal to 1 percent of such taxes, and the interest and penalties on such taxes, received by the Board and the Department in the immediately preceding fiscal year be deposited in the State Treasury for credit to the Nevada Arts Council **;** ~~[as a continuing appropriation;]~~ and (2) any additional amount of such taxes, and the interest and penalties on such taxes, be deposited in the State Treasury for credit to the State General Fund. **This bill requires the Nevada Arts Council to use at least 90 percent of the amount of such taxes credited to the Nevada Arts Council to make grants to artists and local arts agencies in this State. This bill states the intent of the Legislature that the amount of such taxes credited to the Nevada Arts Council not be used to replace or supplant funding available from other sources.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 368A.220 is hereby amended to read as follows:

368A.220 1. Except as otherwise provided in this section:

(a) Each taxpayer who is a licensed gaming establishment shall file with the Board, on or before the 15th day of each month, a report showing the amount of all taxable receipts for the preceding month or the month in which the taxable events occurred. The report must be in a form prescribed by the Board.

(b) All other taxpayers shall file with the Department, on or before the last day of each month, a report showing the amount of all taxable receipts for the preceding month. The report must be in a form prescribed by the Department.

2. The Board or the Department, if it deems it necessary to ensure payment to or facilitate the collection by the State of the tax imposed by NRS 368A.200, may require reports to be filed not later than 10 days after the end of each calendar quarter.

3. Each report required to be filed by this section must be accompanied by the amount of the tax that is due for the period covered by the report.

(b) The State General Fund after the requirement of paragraph (a) has been satisfied.

5. It is the intent of the Legislature that money deposited in the State Treasury for credit to the Nevada Arts Council pursuant to this section not be used to replace or supplant funding available from other sources, including, without limitation, legislative appropriations.

6. As used in this section, "local arts agency" means a public or private nonprofit organization with the primary purpose of making arts and culture more accessible to the public by supporting local artists, art programming or local organizations focused on arts and culture.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 392.

ASSEMBLYMEMBER MARZOLA

JOINT SPONSOR: SENATOR CANNIZZARO

AN ACT relating to crimes; increasing the penalties for a customer who unlawfully engages in prostitution or solicitation therefor; requiring a peace officer to make an arrest with or without a warrant under certain circumstances; revising requirements for the automatic sealing of records in certain circumstances; **revising provisions relating to certain civil actions involving prostitution and solicitation for prostitution;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law prohibits a customer from engaging in prostitution or solicitation for prostitution except in a licensed house of prostitution. Existing law provides that a customer who violates such a prohibition: (1) for a first offense that involves an adult, is guilty of a misdemeanor, punishable by imprisonment in the county jail for not more than 6 months and by a fine of not less than $400 but not more than $1,000; (2) for a subsequent offense that involves an adult, is guilty of a gross misdemeanor, punishable by imprisonment in the county jail for not more than 364 days and by certain minimum fines; and (3) for any offense, is subject to a civil penalty of not less than $200 per offense. Additionally, existing law provides for the automatic sealing of records if a person is discharged and the proceedings against the person are dismissed upon the fulfillment of the terms and conditions of a court-ordered program for the treatment of persons who solicit prostitution. (NRS 201.354)

~~[This]~~ **Section 1 of this** bill: (1) requires a peace officer to arrest a person if the peace officer has probable cause to believe that the person has violated such a prohibition; (2) increases the minimum fine for a first offense to not less than $800; (3) increases the civil penalty for any offense to $600; and (4) authorizes a person to petition the court 2 years after the person is discharged and the proceedings against the person are dismissed for the sealing of all records relating to the discharge and dismissal.

Existing law generally provides that when a person suffers an injury as the proximate result of a wrongful act, the person who caused the injury is liable to the person injured for damages. (NRS 41.130) In general, existing law requires a civil action to recover damages for injuries arising from the wrongful act of another person to be commenced within 2 years after the date on which the wrongful act occurred. (NRS 11.190) Existing law exempts certain civil actions from this requirement, including a civil action to recover damages for sexual exploitation, if the sexual exploitation occurred when the plaintiff was less than 18 years of age. For purposes of this exemption, existing law defines sexual exploitation to include forcing, allowing or encouraging a child to solicit for or engage in prostitution. Therefore, under existing law, a civil action to recover damages for prostitution or solicitation for prostitution may be commenced at any time, if the prostitution or solicitation for prostitution occurred when the plaintiff was less than 18 years of age. (NRS 11.215, 432B.110)

Section 1.6 of this bill specifically authorizes a person who has suffered an injury as the proximate result of unlawful prostitution or solicitation for prostitution to bring a civil action to recover damages for injuries arising from the prostitution or solicitation for prostitution against the person convicted of the offense. Section 1.4 of this bill exempts a civil action brought pursuant to section 1.2 from the generally applicable 2-year statute of limitations prescribed by existing law. Section 1.2 of this

bill provides that a civil action brought pursuant to section 1.6 must be commenced within 20 years after the date on which the violation occurred, unless an exception applies. Section 1.4 exempts a civil action to recover damages for injuries arising from unlawful prostitution or solicitation for prostitution from the 20-year statute of limitations prescribed by section 1.2 if the prostitution or solicitation for prostitution occurred when the plaintiff was less than 18 years of age. Consistent with existing law, any such civil action may be commenced at any time. (NRS 11.215, 432B.110)

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 201.354 is hereby amended to read as follows:

201.354 1. It is unlawful for a customer to engage in prostitution or solicitation therefor, except in a licensed house of prostitution. ***Whether or not a warrant has been issued, a peace officer shall arrest a person if the peace officer has probable cause to believe that the person to be arrested has violated this section.***

2. Any person who violates subsection 1 by soliciting for prostitution:

(a) A child;

(b) A peace officer who is posing as a child; or

(c) A person who is assisting in an investigation on behalf of a peace officer by posing as a child,

➥ is guilty of soliciting a child for prostitution.

3. Except as otherwise provided in subsection 5, a person who violates this section:

(a) For a first offense, is guilty of a misdemeanor and shall be punished as provided in NRS 193.150, and by a fine of not less than ~~[$400.]~~ ***$800.***

(b) For a second offense, is guilty of a gross misdemeanor and shall be punished as provided in NRS 193.140, and by a fine of not less than $800.

(c) For a third or subsequent offense, is guilty of a gross misdemeanor and shall be punished as provided in NRS 193.140, and by a fine of not less than $1,300.

4. In addition to any other penalty imposed, the court shall order a person who violates subsection 1 to pay a civil penalty of not less than ~~[$200]~~ ***$600*** per offense. The civil penalty must be paid to the district attorney or city attorney of the jurisdiction in which the violation occurred. If the civil penalty imposed pursuant to this subsection:

(a) Is not within the person's present ability to pay, in lieu of paying the penalty, the court may allow the person to perform community service for a reasonable number of hours, the value of which would be commensurate with the civil penalty.

(b) Is not entirely within the person's present ability to pay, in lieu of paying the entire civil penalty, the court may allow the person to perform community service for a reasonable number of hours, the value of which would be commensurate with the amount of the reduction of the civil penalty.

5. A person who violates this section by soliciting a child for prostitution:

(a) For a first offense, is guilty of a category D felony and shall be punished as provided in NRS 193.130, and by a fine of not more than $5,000.

(b) For a second offense, is guilty of a category C felony and shall be punished as provided in NRS 193.130.

(c) For a third or subsequent offense, is guilty of a category B felony and shall be punished by imprisonment in the state prison for a minimum term of not less than 1 year and maximum term of not more than 6 years, and may be further punished by a fine of not more than $15,000. The court shall not grant probation to or suspend the sentence of a person punished pursuant to this paragraph.

6. Any civil penalty collected by a district attorney or city attorney pursuant to subsection 4 must be deposited in the county or city treasury, as applicable, to be used for:

(a) The enforcement of this section; and

(b) Programs of treatment for persons who solicit prostitution which are certified by the Division of Public and Behavioral Health of the Department of Health and Human Services.

➥ Not less than 50 percent of the money deposited in the county or city treasury, as applicable, pursuant to this subsection must be used for the enforcement of this section.

7. If a person who violates subsection 1 is ordered pursuant to NRS 4.373 or 5.055 to participate in a program for the treatment of persons who solicit prostitution, upon fulfillment of the terms and conditions of the program, the court may discharge the person and dismiss the proceedings against the person. If the court discharges the person and dismisses the proceedings against the person, a nonpublic record of the discharge and dismissal must be transmitted to and retained by the Division of Parole and Probation of the Department of Public Safety solely for the use of the courts in determining whether, in later proceedings, the person qualifies under this section for participation in a program of treatment for persons who solicit prostitution. Except as otherwise provided in this subsection, discharge and dismissal under this subsection is without adjudication of guilt and is not a conviction for purposes of employment, civil rights or any statute or regulation or license or questionnaire or for any other public or private purpose, but is a conviction for the purpose of additional penalties imposed for a second or subsequent conviction or the setting of bail. Discharge and dismissal restores the person discharged, in the contemplation of the law, to the status occupied before the proceedings. The person may not be held thereafter under any law to be guilty of perjury or otherwise giving a false statement by reason of failure to recite or acknowledge the proceedings in response to an inquiry made of the person for any purpose. Discharge and dismissal under this subsection may occur only once with respect to any person. A professional licensing board may consider a proceeding under this subsection in determining suitability for a license or liability to discipline for misconduct. Such a board is entitled for those

purposes to a truthful answer from the applicant or licensee concerning any such proceeding with respect to the applicant or licensee.

8. Except as limited by subsection 9, if a person is discharged and the proceedings against the person are dismissed pursuant to subsection 7, the ~~[court shall, without a hearing,]~~ ***person may petition the court for the sealing of all records relating to the discharge and dismissal 2 years after the date of the dismissal. The court may*** order sealed all documents, papers and exhibits in that person's record, minute book entries and entries on dockets, and other documents relating to the case in the custody of such other agencies and officers as are named in the court's order. The court shall cause a copy of the order to be sent to each agency or officer named in the order. Each such agency or officer shall notify the court in writing of its compliance with the order.

9. A professional licensing board is entitled, for the purpose of determining suitability for a license or liability to discipline for misconduct, to inspect and to copy from a record sealed pursuant to this section.

Sec. 1.2. **Chapter 11 of NRS is hereby amended by adding thereto a new section to read as follows:**

SUMMARY— ~~[Revises provisions]~~ **Requires the Chair of the Juvenile Justice Oversight Commission to solicit input regarding certain subjects** relating to juvenile justice. (BDR 5-1053)

AN ACT relating to juvenile justice; requiring ~~[a juvenile facility to create and maintain, for certain purposes, certain records relating to certain acts of violence committed by a child in the facility; revising provisions relating to the admission or placement of certain children in certain facilities under certain circumstances; requiring the Chief of the Youth Parole Bureau of the Division of Child and Family Services of the Department of Health and Human Services to perform certain duties relating to children who are paroled from certain facilities;]~~ **the Chair of the Juvenile Justice Oversight Commission to solicit input regarding certain subjects relating to juvenile justice;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Existing law authorizes the juvenile court to: (1) commit a child who is adjudicated delinquent to the custody of a regional facility for the treatment and rehabilitation of children or state facility for the detention of children; or (2) order a child to be placed in a facility for the detention of children for a violation of probation. (NRS 62E.525, 62E.710) Section 3 of this bill provides that if a child is adjudicated delinquent and committed by the juvenile court to a regional facility for the treatment and rehabilitation of children or state facility for the detention of children or ordered by the juvenile court to be placed in a facility for the detention of children for a violation of probation, the facility is required to: (1) create and maintain a written record documenting the commission of any act of serious violence that is committed by the child against the staff of the facility or another child in the facility; and (2) provide any such record to the juvenile court and all other appropriate authorities to be used for certain purposes. Section 1 of this bill defines the term "act of serious violence" to mean an act of violence committed by a child against the staff of the facility or another child in the facility that involves: (1) the use of a weapon by the child; or (2) a sustained attack or repeated attacks by the child upon the staff of the facility or another child in the facility.~~

~~Section 2 of this bill makes a conforming change to clarify that the definition of "act of serious violence" in section 1 applies to the provisions of existing law relating to juvenile justice. Section 4 of this bill makes a conforming change to clarify that the provisions of existing law relating to the disposition of a case involving a child who is adjudicated delinquent apply to section 3.~~

~~Existing law provides that before the juvenile court commits a delinquent child to the custody of a state facility for the detention of children, the juvenile court must find that: (1) appropriate alternatives that could satisfactorily meet the needs of the child do not exist in the community or were previously used to attempt to meet such needs and proved unsuccessful; and (2) the child poses a public safety risk based on the child's risk of reoffending, as determined by a risk assessment, any history of delinquency and the seriousness of the offense committed by the child. (NRS 62E.505) Section 5 of this bill requires the juvenile court also to consider any act of serious violence, as defined in section 1, committed by the child.~~

~~Existing law requires the Division of Child and Family Services of the Department of Health and Human Services to: (1) develop a length of stay matrix and establish release criteria for a state facility for the detention of children that are based on a child's risk of reoffending, as determined by a risk assessment for the child, the seriousness of the act for which the child was adjudicated delinquent and the child's progress in meeting treatment goals; and (2) use the matrix and release criteria in making release and discharge decisions. (NRS 62E.525) Section 6 of this bill requires the Division, in developing the length of stay matrix and establishing release criteria, also to consider any act of serious violence, as defined in section 1, committed by the child.~~

~~Existing law authorizes the Division to place a delinquent child who has been committed to the custody of the Division in certain facilities or public or private institutions or agencies located within or outside this State under certain circumstances, depending upon the age of the child. (NRS 63.440) Section 7 of this bill requires the Division, in adopting any statewide policy for the admission or placement of children, to consider certain specific factors, including, without limitation, whether the child: (1) has been adjudicated delinquent multiple times or otherwise had multiple cases disposed of; (2) has previously been adjudicated delinquent for acts that involve the use or threatened use of force or violence; (3) has committed any act of serious violence, as defined in section 1; and (4) does not appear to be benefiting from, or to be receptive to, the programs or treatment offered to the child or has otherwise demonstrated a desire not to modify his or her behavior in a positive manner.]~~

Existing law ~~[requires the Chief of the Youth Parole Bureau of the Division to perform certain duties, including: (1) supervising all children released on parole from a facility; (2) supervising all children released by other states for juvenile parole in this State pursuant to interstate compact; (3) furnishing to each child paroled a written statement of the conditions of the parole and instructions regarding those conditions; (4) keeping informed concerning the conduct and condition of all children and employees under the supervision of the Chief; and (5) coordinating the functions of the Chief with those of the superintendents of each facility. (NRS 63.710) Section 8 of this bill additionally requires the Chief to: (1) communicate and coordinate with local school districts and officials as necessary to ensure that each child paroled, if attending school, is attending school regularly and not in danger of becoming a habitual truant and is receiving any necessary and appropriate counseling or guidance offered by the school district; and (2) partner and coordinate with available organizations, entities and persons who offer programs for reentry, mentorship and other necessary services for children who are paroled.]~~ **establishes the Juvenile Justice Oversight Commission and requires the Commission to perform certain duties, which include, for example, developing and periodically updating a 5-year strategic plan that establishes policies and procedures for the Division of Child and Family Services of the Department of Health and Human Services and each department of juvenile services relating to the use of evidence-based practices in providing services to children subject to the jurisdiction of the juvenile court. (NRS 62B.600, 62B.615) Section 9 of this bill requires the Chair of the Commission to: (1) solicit input regarding certain subjects relating to juvenile justice; and (2) submit a report to the Legislature summarizing any actions performed during the previous year and setting forth any findings and recommendations regarding such subjects.**

Legislative Counsel's Digest:

Existing law establishes procedures relating to the appointment of guardians of minors and prescribes the powers and duties of the guardians. (Chapter 159A of NRS) Specifically, existing law requires a notice of a petition in a guardianship proceeding for a minor, the petition and a citation relating to the time and place of the hearing on the petition to be served on certain persons. (NRS 159A.034, 159A.047, 159A.0475) **Sections 3, 8 and 9** of this bill make various changes related to the persons who are required to be served with the notice, petition or citation.

Existing law prescribes the method of service related to certain petitions and citations required to be served in guardianship proceedings for minors. (NRS

159A.034, 159A.0475, 159A.052, 159A.053) **Sections 3, 9, 13 and 14** of this bill make various changes related to the method of service.

Existing law requires a petition for the appointment of a guardian for a minor to include certain information. (NRS 159A.044) Similarly, existing law sets forth the information that must be contained in a petition for the appointment of a temporary guardian of a minor. (NRS 159A.053) **Sections 4 and 14** of this bill revise the information that is required to be contained in the petition for the appointment of a guardian and a petition for the appointment of a temporary guardian, respectively.

Existing law requires a proposed guardian to file a proposed preliminary care plan and budget under certain circumstances. (NRS 159A.0445) **Section 5** of this bill: (1) expands the circumstances under which a proposed guardian may be required to file a proposed preliminary care plan and budget; and (2) requires the annual review and revision of the budget under certain circumstances.

Existing law authorizes a court to appoint an attorney to represent a protected minor or proposed protected minor in guardianship proceedings. (NRS 159A.045) **Section 6** of this bill provides that if a court appoints an attorney to represent a protected minor or proposed protected minor in a jurisdiction where there are certain established programs for legal services, the court must appoint an attorney from that program in those circumstances. **Section 6** also establishes provisions that address the scenario under which the program for legal services has insufficient funding to support the representation of each child who would otherwise qualify for the appointment of an attorney under the new procedures ~~.~~ **and requires such attorneys to comply with the Nevada Rules of Professional Conduct.** **Sections 7 and 10** of this bill make certain changes to reflect the procedures for the appointment of an attorney under **section 6**.

Section 11 of this bill deems a protected minor or proposed protected minor who is the subject of guardianship proceedings to be a party to the proceedings.

Existing law authorizes a court to determine that a petitioner is a vexatious litigant under certain circumstances. Existing law requires a proposed protected minor to attend a hearing for the appointment of a guardian unless certain evidence is shown to the court. (NRS 159A.0535) **Section 15** of this bill removes this requirement related to the

evidence and instead authorizes the court to waive the requirement for physical attendance or remote appearance for good cause shown.

Existing law establishes various procedures related to the issuance of orders for the appointment of a guardian and the burden of proof for the petitioner and certain other persons. (NRS 159A.055, 159A.0565, 159A.061) **Section 16** of this bill requires the petitioner to prove by clear and convincing evidence that the appointment of a guardian is in the best interests of the proposed protected minor. **Sections 16-18** of this bill also make various changes related to the issuance of such orders.

(NRS 159A.083) **Section 24** of this bill revises and expands the duties of a guardian of the estate related to investing, financial accounting, the expenditure of money and the management of certain other property. **Section 27** of this bill makes similar changes concerning the expenditure of money related to a guardian of a protected minor who is not a guardian of the estate of a protected minor. (NRS 159A.112) **Sections 19, ~~[26, 28-31]~~ 25-31, 36 and 39** of this bill make various other changes related to the estate of a protected minor.

Existing law authorizes a court to appoint another guardian when a guardian dies or is removed by an order of the court. (NRS 159A.187) **Section 34** of this bill requires the court to provide notice of the matter to an agency which provides child welfare services if a guardian dies or is removed and there is not a qualified guardian or temporary substitute guardian willing to serve.

Section 1 of this bill defines the term "agency which provides child welfare services" for the purposes of the provisions of law governing guardianships of minors. **Section 2** of this bill makes a conforming change to indicate that the definition applies to the existing provisions of law.

Sec. 39. NRS 159A.344 is hereby amended to read as follows:

159A.344 1. Any person, including, without limitation, a guardian or proposed guardian, who retains an attorney for the purposes of representing a party in a guardianship proceeding is personally liable for any attorney's fees and costs incurred as a result of such representation.

(c) An indication of whether any time billed, including, without limitation, any time spent traveling or waiting, benefited any clients of the attorney other than the protected minor and, if so, how many other clients benefited from such time; and

(d) Any other information considered relevant to a determination of whether attorney's fees are just, reasonable and necessary.

➥ Absent approval from all parties who have appeared in the proceeding, any supplemental requests for the payment of attorney's fees and costs cannot be augmented in open court and must be properly noticed in the same manner as the underlying petition requesting payment.

5. In determining whether attorney's fees are just, reasonable and necessary, the court may consider all the following factors:

(a) The written notice approved by the court pursuant to subsection 3.

(b) Whether the services conferred any actual benefit upon the protected minor or attempted to advance the best interests of the protected minor.

(c) The qualities of the attorney, including, without limitation, his or her ability, training, education, experience, professional standing and skill.

(f) The result of the work, including, without limitation, whether the attorney was successful and any benefits that were derived.

(g) The usual and customary fees charged in the relevant professional communities for each task performed, regardless of who actually performed the task. The court may only award:

(1) Compensation at an attorney rate for time spent performing services that require an attorney;

(2) Compensation at a paralegal rate for time spent performing paralegal services;

(3) Compensation at a fiduciary rate for time spent performing fiduciary services; and

(1) The value of the estate;

(2) The nature, extent and liquidity of the assets of the estate;

(3) The disposable net income of the estate;

6. The court shall not approve compensation for an attorney for:

(a) Time spent on internal business activities of the attorney, including, without limitation, clerical or secretarial support; or

(b) Time reported as a total amount of time spent on multiple tasks, rather than an itemization of the time spent on each task.

7. Any fees paid by a third party, including, without limitation, a trust of which the estate is a beneficiary, must be disclosed to and approved by the court.

8. In addition to any payment provided to a person pursuant to this section for the services of an attorney, a person may receive payment for ordinary costs and expenses incurred in the scope of the attorney's representation.

9. If two or more parties in a guardianship proceeding file competing petitions for the appointment of a guardian or otherwise litigate any contested issue in the guardianship proceeding, only the prevailing party may petition the court for payment of attorney's fees and costs from the guardianship estate pursuant to this section. If the court determines that there is no prevailing party, the court may authorize a portion of each party's attorney's fees and costs to be paid from the guardianship estate if the court determines that such fees and costs are just, reasonable and necessary given the nature of any issues in dispute.

10. If an attorney is appointed by the court in a guardianship proceeding, he or she may petition the court for compensation for his or her services from the guardianship estate in accordance with the procedure set forth in this section.

Sec. 40. NRS 159A.346 is hereby amended to read as follows:

The following amendment was proposed by the Committee on Growth and Infrastructure:

Amendment No. 409.

AN ACT relating to aviation; creating the Sustainable Aviation Fuel Incentive Fund and the Sustainable Aviation Fuel Incentive Program; making an appropriation; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law creates the Nevada Air Service Development Fund as a special revenue fund in the State Treasury and provides for the award of grants of money from the Nevada Air Service Development Fund to air carriers that meet certain requirements. (NRS 231.690-231.720) **Section 2** of this bill creates the Sustainable Aviation Fuel Incentive Fund in the State Treasury to be administered by the State Treasurer. **Section 3** of this bill creates the Sustainable Aviation Fuel Incentive Program to provide incentives of money to domestic air carriers for the purchase of sustainable aviation fuel **produced** in this State. **Section 4** of this bill makes an appropriation of $10,000,000 to the Fund for the Program.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 493 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 and 3 of this act.

Sec. 2. ***1. The Sustainable Aviation Fuel Incentive Fund is hereby created in the State Treasury as a special revenue fund.***

2. The Sustainable Aviation Fuel Incentive Fund is a continuing fund without reversion. The interest and income earned on the money in the Fund must, after deducting any applicable charges, be credited to the Fund. All claims against the Fund must be paid as other claims against the State are paid.

3. The State Treasurer shall administer the Fund. The money in the Fund must be used by the State Treasurer to carry out the Sustainable Aviation Fuel Incentive Program created pursuant to section 3 of this act.

4. The State Treasurer may apply for and accept gifts, grants, donations, bequests and any other source of money available under federal law and from private sources for deposit in the Fund to carry out the provisions of the Sustainable Aviation Fuel Incentive Program created by section 3 of this act.

Sec. 3. ***1. The Sustainable Aviation Fuel Incentive Program is hereby created for the purpose of providing incentives of money for the purchase of sustainable aviation fuel produced in this State.***

2. A domestic air carrier based in the United States is eligible to receive from the Program for the purchase of sustainable aviation fuel produced in this State an incentive [:

~~***(a) Of $1.75 per gallon for the purchase of sustainable aviation fuel produced outside of this State; and***~~

~~***(b) Of]*** ***of $2.50 per gallon*** ~~***[for the purchase of sustainable aviation fuel produced in this State.]***~~

3. A carrier that qualifies for an incentive from the Program pursuant to subsection 2 may obtain an incentive by submitting a claim to the State Treasurer. The State Treasurer shall review any claim submitted pursuant to

this subsection to confirm that the air carrier qualifies for an incentive from the Program.

4. The State Treasurer may adopt regulations to carry out the provisions of this section.

5. As used in this section:

(a) "Air carrier" means a person who provides commercial air transportation to passengers.

(b) "Sustainable aviation fuel" means liquid fuel that meets the criteria set forth in subsections (d) and (e) of 26 U.S.C. § 40B.

Sec. 4. There is hereby appropriated from the State General Fund to the Sustainable Aviation Fuel Incentive Fund created by section 2 of this act the sum of $10,000,000 to award incentives from the Sustainable Aviation Fuel Incentive Program created by section 3 of this act.

Sec. 5. 1. The Legislature hereby finds and declares that:

(a) Section 9 of Article 8 of the Nevada Constitution contains a provision commonly known as a "gift clause" which restricts the State under certain circumstances from donating or loaning the State's money or credit to any company, association or corporation, except corporations formed for educational or charitable purposes.

(b) In *Employers Insurance Company of Nevada v. State Board of Examiners*, 117 Nev. 249, 258 (2001), the Nevada Supreme Court held that the State loans its credit in violation of Section 9 of Article 8 of the Nevada Constitution only when "the State acts as a surety or guarantor for the debts of a company, corporation or association."

(c) In *Lawrence v. Clark County*, 127 Nev. 390, 399 (2011), the Nevada Supreme Court held that the State does not donate, loan or "gift" its money in violation of Section 9 of Article 8 of the Nevada Constitution when the State dispenses state funds for a public purpose and the State receives a valuable benefit or fair consideration in exchange for the dispensation of the state funds.

(d) In *State ex rel. Brennan v. Bowman*, 89 Nev. 330, 333 (1973), the Nevada Supreme Court held that legislation which promotes economic development and seeks to create, protect or enhance job opportunities "inures to the public benefit" and serves important public purposes because it assists in "relieving unemployment and maintaining a stable economy."

(e) In *Lawrence v. Clark County*, 127 Nev. 390, 399, 406 (2011), the Nevada Supreme Court adopted the public trust doctrine in this State, noting that the public possesses inviolable rights to the natural resources of the State and the State must serve as trustee of the public resources and finding that the "constitutional policy contained in the gift clause infers the people's intent to constrain the Legislature's ability to alienate public trust lands as well as public funds."

(f) Section 3 of Article 9 of the Nevada Constitution restricts the ability of the State to contract public debts, but makes an exception for "any and all contracts necessary, expedient or advisable for the protection and preservation of any of its property or natural resources, or for the purposes of obtaining the

benefits thereof," which further emphasizes the constitutionally mandated importance of the protection and preservation of the natural resources of this State.

(g) In *McLaughlin v. Housing Authority of the City of Las Vegas*, 68 Nev. 84, 93 (1951) and *Lawrence v. Clark County*, 127 Nev. 390, 399 (2011), the Nevada Supreme Court held that when the Legislature authorizes a state agency to dispense state funds, the courts will:

(1) Carefully examine whether the Legislature made an informed and appropriate finding that the dispensation of the state funds serves a public purpose and the State receives a valuable benefit or fair consideration in exchange for the dispensation;

(2) Give great weight and due deference to the Legislature's finding, and the courts will uphold the Legislature's "finding unless it clearly appears to be erroneous and without reasonable foundation;" and

(3) Closely examine whether the dispensing state agency reviews all facts, figures and necessary information when making the dispensation, and when the state agency has done so, it will not be second-guessed by the courts.

2. The Legislature hereby further finds and declares that:

(a) The release of greenhouse gases traps heat in the Earth's atmosphere, driving climate change.

(b) The United States Environmental Protection Agency has concluded that certain large subsonic jet aircraft and subsonic propeller driven airplanes that are used in all domestic and international flights originating in the United States are responsible for 10 percent of all greenhouse gas emissions from the transportation sector in the United States and 3 percent of all greenhouse gas emissions in the United States.

(c) According to the Federal Aviation Administration, about 10 percent of all aircraft emissions occur close to the surface of the Earth near ground level and most particulate matter that affects communities surrounding an airport are the result of emissions released during landing and takeoff.

(d) Climate change threatens the health, lives and safety of Nevada's residents, as well as Nevada's diverse ecosystems, wildlands and wildlife. Rising temperatures have increased the severity and length of droughts and the frequency and intensity of wildfires.

(e) Climate change threatens Nevada's economy. Rising temperatures, compounded by the urban heat island effect, will likely make summers in Southern Nevada dangerously hot, potentially deterring visitors and reducing the hours when it is safe to engage in outdoor activities, such as construction.

(f) Throughout this State, rising temperatures will impact public health by increasing heat stress on vulnerable populations and increasing air pollution from more frequent wildfires.

(g) The State of Nevada and its residents will benefit from the diversification and economic growth driven by a transition to a low-carbon emission aviation transportation sector.

3. The Legislature lastly finds and declares that:

(a) The state program developed and carried into effect pursuant to this act will not result in the State acting as a surety or guarantor of the debts of an air carrier receiving an incentive of money.

(b) The purpose of this act is to develop and carry into effect a state program to encourage the production and purchase of sustainable aviation fuel in this State for the purposes of:

(1) Developing the market and industry for sustainable aviation fuel in this State and promoting jobs and businesses in this State in the sustainable aviation fuel industry; and

(2) Reducing greenhouse gases emitted by domestic air carriers that operate in this State, specifically emissions occurring on takeoff and landing at airports in this State.

(c) The promotion and development of the sustainable fuel industry in this State is an important public purpose which incentivizes the development of business and industry in this State.

(d) The protection and preservation of the natural resources of this State by incentivizing the purchase of sustainable aviation fuel is an important public purpose which will limit the emissions of greenhouse gasses from air carriers operating in this State and thus lower the contributions air travel in this State make to climate change, which threatens the health, safety and welfare of the residents of this State and the economy of this State.

(e) The provisions of this act are intended to serve an important public purpose and ensure that the State receives valuable benefits and fair consideration in exchange for each incentive of money from the program because:

(1) The program requires the dispensing agency to review all facts, figures and necessary information when making each incentive of money from the program to ensure the incentive meets the requirements of the program;

(2) The promotion and development of the sustainable fuel industry in this State and the protection and preservation of the natural resources of this State are important public purposes that promote job growth in this State and protect the health, safety and welfare of the residents of this State; and

(3) The dispensing state agency may not make an incentive of money from the program unless the air carrier purchases sustainable aviation fuel in accordance with the requirements of the program.

Assembly Bill No. 487.

Bill read second time.

The following amendment was proposed by the Committee on Natural Resources:

Amendment No. 262.

AN ACT relating to animals; prohibiting a retail pet store from selling, offering to sell, bartering, auctioning or otherwise transferring ownership of any dog or cat; providing that ~~[a person who is responsible for the operation]~~ **an operator** of a retail pet store that ~~[knowingly]~~ commits such an act is guilty of a misdemeanor; ~~[providing, with certain exceptions, that a person who sells or attempts to sell, offers for adoption or transfers ownership of a dog or cat in certain locations is guilty of a misdemeanor;]~~ revising provisions governing the sale of dogs and cats; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law sets forth certain requirements for retailers and dealers who sell dogs or cats. (NRS 574.450-574.510) **Section 8** of this bill revises the term "retailer" to "retail pet store" and revises the definition for purposes of such requirements to mean a commercial establishment in the business of acquiring animals for resale **that sells** or ~~[selling food, supplies and other items for]~~ **offers to sell such** animals to consumers on the premises of the business. **Section 6** of this bill provides that the definition of "dealer" does not include a "retail pet store."

Section 2 of this bill prohibits a retail pet store from selling, offering to sell, bartering, auctioning or otherwise transferring ownership of any dog or cat. **Section 2** further: (1) provides that ~~[a person who is responsible for the operation]~~ **an operator** of a retail pet store ~~[who knowingly]~~ **that** violates this prohibition is guilty of a misdemeanor; and (2) authorizes the court to prohibit such a person from selling any dogs or cats that he or she is otherwise authorized to sell as a breeder or dealer for not more than 1 year. Finally, **section 2** provides that, for purposes of prosecuting a violation of **section 2**, each act that constitutes a violation is a separate offense.

Section 7.5 of this bill revises the definition of "operator" to specifically include a person responsible for the operation of a retail pet store.

Section 4 of this bill applies certain definitions concerning the care of animals to the provisions of ~~[sections]~~ **section 2** **.** ~~[and 3 of this bill.]~~ **Sections 5, 7 and 10-17** of this bill make conforming changes to remove references to retailers from certain provisions governing requirements for entities who sell dogs or cats. **Section 9** of this bill provides that the provisions of ~~[sections]~~ **section 2** ~~[and 3]~~ do not apply to certain activities.

~~[Section 3 provides that, with certain exceptions, a person who sells or attempts to sell, offers for adoption or transfers ownership of a dog or cat on any street, road or public place is guilty of a misdemeanor.]~~

Existing law provides, with certain exceptions, that a person who sells or attempts to sell, offers for adoption or transfers ownership of a live animal at a swap meet is guilty of a misdemeanor. Existing law, as an exception to such a prohibition, authorizes a person to perform such acts at a swap meet if it is conducted in a county or incorporated city in this State that has authorized, by an ordinance which meets certain requirements, such a sale and the person performs such acts in accordance with the ordinance. (NRS 574.550)

Section 18 of this bill instead prohibits a person from selling, attempting to sell or offering for adoption or transferring ownership of a dog or cat at a swap meet, without exception.

Legislative Counsel's Digest:

Existing law establishes provisions governing the reclamation of land subject to mining operations or exploration projects. (Chapter 519A of NRS) **Section 13** of this bill revises the definition of the term "reclamation" to include actions performed during or after an exploration project or mining operation to stabilize process fluids. **Sections 2-9** of this bill define certain terms relating to reclamation. **Section 14** of this bill revises the definition of the term "surety" to include an account held by or for the benefit of the Division of Environmental Protection of the State Department of Conservation and Natural Resources.

Section 10 of this bill authorizes the Division to issue ~~[a summary]~~ **an** order if the Division has reasonable cause to believe that a ~~[person]~~ **holder of a permit** is **violating or is** about to violate certain provisions of existing law relating to the reclamation of land.

Section 11 of this bill provides that **,** ~~[, upon the issuance of a notice of noncompliance or a summary order to a person holding a permit for an exploration project or mining operation,]~~ the Division ~~[has a]~~ **may** lien ~~[on]~~ all real and personal property **associated with a facility** of ~~[the person.]~~ **a holder of a permit for an exploration project or mining operation.**

Section 12 of this bill applies the definitions in existing law and **sections 2-9** governing reclamation to the provisions of **sections 10 and 11**.

Section 15 of this bill authorizes certain fees collected by the Division that are used to administer the provisions of existing law relating to reclamation to also be used to administer the provisions of **sections 2-11**.

Existing law requires an applicant for a permit to engage in a mining operation to, amongst other requirements, complete a checklist developed by the Division and file a plan for reclamation with the application. (NRS 519A.210, 519A.220) **Section 16** of this bill requires that the information requested by the checklist include a manual for the operation and maintenance of the fluid management system for the mining operation. **Section 17** of this bill requires a plan for reclamation to provide for the stabilization of process fluids.

Existing law provides that if an exploration project or a mining operation ~~[are]~~ **is** conducted on: (1) land administered by a federal agency, an approved federal plan of operations and surety that are consistent with certain requirements ~~[supersedes]~~ **supersede** certain requirements for a permit and bond or other surety; or (2) both public land and privately owned land, compliance with the approved federal plan of operations is sufficient if that

plan substantially provides for the reclamation and bond or other surety required by existing law. (NRS 519A.240) **Section 18** of this bill ~~[requires the Division to approve: (1) any parts of]~~ **provides that** a federal plan of operations and surety approved by a federal agency for an exploration project or a mining operation **supersede, if wholly** conducted on land administered by a federal agency **,** ~~[that include the stabilization of process fluids; and (2) a federal plan of operations and surety approved by a federal agency for an exploration project or a mining operation]~~ **or substitute, if partly** conducted on ~~[a site that includes both public and privately owned]~~ land ~~[.]~~ **administered by a federal agency, requirements in state law for a permit and bond or other surety if the applicant: (1) submits to the Division the federal plan of operations and an estimate of the costs of reclamation; and (2) remedies any inconsistencies identified by the Division between the federal plan of operations and the requirements of state law.**

Sections 19 and 20 of this bill apply certain disciplinary actions and criminal penalties to the provisions of **sections 2-11**.

Existing law requires the governing body of every municipality or district board of health of a health district to develop a plan to provide for a solid waste management system which provides for the management and disposal of solid waste. (NRS 444.510) Existing law defines the term "solid waste management system" as the entire process of storage, collection, transportation, processing, recycling and disposal of solid waste. (NRS 444.500) Section 28.3 of this bill revises the definition of "solid waste management system" to mean the entire process of storage, collection, transportation, processing, recycling or disposal of solid waste.

Existing law requires a solid waste management authority to issue permits to operate disposal sites. (NRS 444.553) Section 28.7 of this bill requires a solid waste management authority to also issue permits to operate solid waste management facilities. Section 32.1 of this bill requires the State Environmental Commission to adopt regulations concerning standards for the issuance, renewal, modification, suspension, revocation and denial of, and for the imposition of terms and conditions for, a permit to construct or operate a solid waste management facility. Section 22 of this bill defines the term "solid waste management facility" to mean any place that engages in any activity related to a solid waste management system. Section 23.5 of this bill authorizes the State Environmental Commission to adopt regulations establishing activities that are related to a solid waste management system and the places which constitute a solid waste management facility based on the activities performed at the place.

Existing law requires the owner or operator of a municipal solid waste landfill to obtain a permit from a solid waste management authority before constructing or operating the municipal solid waste landfill. The permit must

be conditioned upon all requirements necessary to ensure compliance with certain federal laws governing solid waste, including financial requirements for the owners and operators of municipal solid waste landfills. (NRS 444.465, 444.556) **Section** ~~[28 of this bill revises the definition of the term "municipal solid waste landfill" to exclude a landfill that receives waste from a very small quantity generator. Section 23 of this bill defines the term "very small quantity generator."~~

~~Section 29 of this bill requires the owner or operator of a solid waste management facility to also obtain a permit from a solid waste management authority. Sections 30-32]~~ **30** of this bill ~~[apply certain other requirements in existing law governing municipal]~~ **revises certain references to the term "municipal** solid waste ~~[landfills to solid waste management facilities.~~

Section 27 of this bill revises the definition of the term "disposal site" to include a solid waste management facility.]~~ **revises a reference to a sanitary landfill with a reference to a municipal solid waste landfill. Section 32 of this bill prohibits a municipal solid waste landfill from accepting hazardous waste from a very small quantity generator.**

Section 24 of this bill requires the ~~[State Environmental]~~ Commission to adopt regulations prescribing the requirements for an owner or operator of a municipal solid waste landfill or solid waste management facility to demonstrate financial responsibility.

Section 29 ~~[also]~~ **of this bill** provides that certain requirements for a permit relating to standards of care and financial responsibility may be satisfied by a plan for reclamation under certain circumstances.

Section 25 of this bill provides that ~~[, upon the issuance of an order or action taken by a solid waste management authority under existing law,]~~ the Division or solid waste management authority ~~[has a]~~ **may** lien ~~[on]~~ all real and personal property **associated with a municipal solid waste landfill or solid waste management facility** of ~~[the person who is the subject of the order or action.]~~ **an owner or operator of the municipal solid waste landfill or solid waste management facility.**

Section 26 of this bill applies the definitions in existing law and ~~[sections]~~ **section 22** ~~[and 23]~~ governing the collection and disposal of solid waste to the provisions of **sections 22-25**.

Existing law establishes provisions governing the disposal of hazardous waste through the **management of hazardous waste, which is defined as the systematic control of the** generation, collection, storage, transportation, processing, treatment, recovery and disposal of hazardous waste. (NRS 459.400-459.600) ~~[Sections 36, 38-45 and 47-52]~~ **Section 39** of this bill ~~[expand]~~ **revises: (1) the definition of the management of hazardous waste to mean the systematic control of the generation, collection, storage, transportation, recycling, processing, treatment, recovery or disposal of**

hazardous waste; and as a result: (2) expands the applicability of these requirements governing hazardous waste to include recycling as a method for the disposal of hazardous waste ~~[.]~~ **and any systematic control of the generation, collection, storage, transportation, recycling, processing, treatment, recovery or disposal of hazardous waste.**

Sections 36, 40, 44, 46-51, 52 and 53 of this bill remove references to specific activities constituting the management of hazardous waste. Sections 37.5, 38.5 and 40-41 of this bill revise certain definitions relating to the disposal of hazardous waste.

Sections 46 ~~[and 53-55]~~ **, 53 and 54** of this bill apply certain existing criminal and civil penalties and disciplinary actions to the ~~[recycling]~~ **management** of hazardous waste. ~~[As a result of the inclusion of recycling, certain existing fees and reimbursements relating to the management of hazardous waste also apply to the recycling of hazardous waste. (NRS 459.500, 459.512, 459.537, 459.548, 459.634)]~~

Section 34 of this bill defines the term "recycling" to mean the ~~[process]~~ **processing** of ~~[using]~~ hazardous waste to recover materials or produce a usable product. **Section 36 establishes that an additional purpose of the provisions of existing law governing the disposal of hazardous waste includes conserving resources of material and energy through the recycling or recovery of hazardous waste.**

Section 35 of this bill provides that ~~[upon the issuance of an order under certain provisions of existing law,]~~ the Department ~~[has a]~~ **may** lien ~~[on]~~ all real and personal property **associated with a facility for the management of hazardous waste** of the ~~[person who is the subject of the order.]~~ **owner, operator or holder of a permit of the facility.**

Section 37 of this bill applies the definitions in existing law and **section 34** governing the disposal of hazardous waste to the provisions of **sections 34 and 35**.

Existing law requires the Commission, through the Department, to develop a program to encourage the minimization of hazardous waste and the recycling or reuse of hazardous waste. (NRS 459.485) Section 43 of this bill removes the requirement that the program include the reuse of hazardous waste.

Existing law prohibits a person from constructing, substantially altering or operating a facility for the treatment, storage or disposal of hazardous waste or treating, storing or disposing of hazardous waste unless the person has first obtained a permit from the Department. (NRS 459.515) Section 46 provides that the person must only obtain a permit if the Commission has required by regulation that type of facility to obtain a permit. Section 47 requires the Commission to adopt regulations establishing the types of facilities for the management of hazardous waste which must obtain a permit.

Existing law requires the Commission to adopt regulations requiring the owner or operator of any facility for the treatment, storage or disposal

of hazardous waste to show his or her financial responsibility for the undertaking. (NRS 459.525) Section 48 requires the Commission to adopt regulations establishing the types of facilities for the management of hazardous waste which must show financial responsibility.

Existing law provides that certain provisions of existing law authorizing any authorized representative or employee of the Commission or Department to conduct certain inspections relating to hazardous substances and authorizing the Department to issue certain orders relating to hazardous substances do not apply in a county whose population is less than 55,000 (currently all counties except Clark County, Washoe County, Lyon County and Carson City). (NRS 459.558) Section 51.5 of this bill removes this exemption.

Existing law prohibits a person from transporting hazardous waste to a facility that has not been issued a permit to treat, store or dispose of hazardous waste. (NRS 459.590) Section 54.5 of this bill instead prohibits a person from transporting hazardous waste to a facility that has not been authorized to accept hazardous waste in accordance with certain regulations adopted by the Commission.

United States under certain circumstances. **Sections 27-29** of this bill authorize an applicant for certain types of licenses which require the applicant to hold a license in another state to satisfy this requirement by holding the required license in the District of Columbia or any state or territory of the United States. **Section 30** of this bill revises the procedures for issuing an expedited license by endorsement to practice audiology or speech-language pathology. Existing law authorizes the Board to issue a provisional license to practice audiology or speech-language pathology to certain applicants affiliated with the military who are awaiting a decision by the Board on an application for an expedited license by endorsement. (NRS 637B.204) **Section 39** of this bill repeals that authority, thereby making the procedures for issuing an expedited license by endorsement under **section 30** applicable to all applicants for such a license. **Sections 21 and 22** of this bill remove references to the repealed section.

Section 16 of this bill expands the activities that constitute the practice of speech-language pathology to include the use of stroboscopy, in addition to nasal endoscopy, for evaluating and treating certain disorders. Section 16 also revises terminology used to refer to certain procedures that currently constitute the practice of speech-language pathology.

Existing law authorizes a student who is pursuing a degree in speech-language pathology at certain institutions to engage in the unlicensed practice of speech-language pathology. (NRS 637B.080) Existing law authorizes the Board to issue a provisional license to engage in the practice of speech-language pathology to a person in the process of completing certain clinical fellowship requirements. (NRS 637B.201) **Section 3** of this bill defines the term "speech-language pathology provisional licensee" to refer to the holder of such a provisional license. **Section 26** of this bill makes a conforming change to appropriately substitute the term defined by **section 3**. **Section 9** of this bill authorizes the Board to issue a license as a speech-language pathology assistant and prescribes the qualifications for such a license. **Section 9** also requires the Board to adopt regulations governing the licensure and practice of speech-language pathology assistants. **Section 10** of this bill authorizes a speech-language pathology assistant, a speech-language pathology provisional licensee or a speech-language pathology student to engage in the practice of speech-language pathology only under the supervision of a supervising speech-language pathologist. **Section 18** of this bill makes a conforming change to reflect that a student engaged in the supervised practice of speech-language pathology is subject to regulation by the Board pursuant to **section 10**. **Sections 35-38** of this bill make conforming changes to clarify that a student who is engaging in the supervised practice of speech-language pathology pursuant to **section 10** is not engaging in the unauthorized practice of speech-language pathology. **Sections 2 and ~~[4-8]~~ 4-7** of this bill define certain other terms relating to the supervised practice of speech-language pathology and **section 12** of this bill establishes the applicability of those definitions.

Existing law exempts from licensure and regulation by the Board a person who practices audiology or speech-language pathology within the scope of ~~[a credential]~~ **certain credentials** issued by the Department of Education. (NRS 637B.080) **Section 18** ~~[eliminates that exemption, thereby requiring such a person to be subject to licensure and regulation by the Board.]~~ **limits the applicability of this exemption to a person who holds a current endorsement that is issued by the Department on or before September 30, 2026. Section 9** provides that a person ~~[who]~~ **is qualified for licensure as a speech-language pathology assistant if the person: (1)** holds ~~[certain credentials]~~ **an endorsement** issued by the Department on or before September 30, 2026, which ~~[allow]~~ **allows** the ~~[holder]~~ **person** to teach pupils with speech and language impairments ~~[is qualified for licensure as a speech-language pathology assistant.]~~ **; and (2) actively practices speech-language pathology within the scope of that endorsement at the school or school district where the person is employed. Section 38.3 of this bill requires that a person who holds such an endorsement, is employed by a school district and is subject to a collective bargaining agreement be classified in the same manner for purposes of the agreement as a licensed speech-language pathologist.**

Sections 24, 25 and 28 of this bill revise the qualifications required to obtain a license as a hearing aid specialist, a license as an apprentice to engage in the practice of fitting and dispensing hearing aids or a provisional license to engage in the practice of fitting and dispensing hearing aids.

Existing law authorizes the Board to grant an audiologist who wishes to engage in the practice of fitting and dispensing hearing aids an endorsement to engage in such practice as a dispensing audiologist. (NRS 637B.205) **Section 14** of this bill includes within the practice of audiology certain activities that substantially overlap with the practice of fitting and dispensing hearing aids, including ordering the use of hearing aids. **Section 15 of this bill expands the activities that constitute the practice of fitting and dispensing hearing aids to include ordering the use of hearing aids.** Accordingly, **section 39** repeals the separate endorsement for dispensing audiologists and **sections 17, 19, 20, 22, 23, 25, 27 and 31-33** of this bill make conforming changes to eliminate references to such endorsements and to dispensing audiologists.

Federal law requires the United States Food and Drug Administration to regulate over-the-counter hearing aids. (FDA Reauthorization Act of 2017 Pub. L. No. 115-52, § 709, 131 Stat. 1005, 1065–67) Federal law and regulations prohibit state or local governments from requiring the order, involvement or intervention of a licensed person for a consumer to access an over-the-counter hearing aid. (Pub. L. No. 115-52, § 709; 21 C.F.R. § 800.30) **Sections 13 and 34** of this bill prohibit the Board from regulating or restricting the provision of over-the-counter hearing aids unless a licensee violates federal law applicable to such devices. **Section 34** also updates certain references to related federal regulations.

In 2022, the federal Food and Drug Administration repealed a regulation that prohibited the sale of a hearing aid unless: (1) the person dispensing the hearing aid has received a written statement or waiver stating that the patient's hearing loss has been medically evaluated and the patient may be considered a candidate for a hearing aid; or (2) the patient waives the medical evaluation in writing. (87 FR 50755) **Section 32** removes conforming requirements from Nevada law governing the sale of hearing aids by catalog, mail or the Internet, thereby authorizing such sales without such a statement or waiver.

Legislative Counsel's Digest:

The federal Paul Wellstone and Pete Domenici Mental Health Parity and Addiction Equity Act of 2008 prohibits group health plans and health insurance issuers that provide benefits for mental health or substance use disorders from imposing less favorable benefit limitations on those benefits than on medical and surgical benefits. (NRS 687B.404) This bill requires the data request or the report to be submitted to the Commissioner in accordance with the System for Electronic Rate and Form Filing developed and implemented by the National Association of Insurance Commissioners.

Under existing law, any information provided to the Commissioner in the data request or report is confidential. (NRS 687B.404) This bill **instead** provides that ~~[only the]~~ **such information is a public record except for** personally identifiable information of a consumer ~~[that is provided by an insurer or other organization to]~~ **and any information determined by** the Commissioner ~~[in the data request or report is]~~ **to constitute a trade secret, which are** confidential. **This bill sets forth certain standards for the making of a determination by the Commissioner as to whether information provided to the Commissioner in the data request or report constitutes a trade secret.**
