Legislative Counsel's Digest:

~~[Sections 2-21 of this bill establish provisions relating to the use of covered digital platforms by minors who reside in this State. Section 4.5: (1) defines "covered digital platform" to refer to certain online applications, Internet websites and other online products, goods and services on which users may create, share and view user-generated content and interact with other users; and (2) excludes from that definition certain online applications, Internet websites and other online products, goods and services that are used primarily for other purposes. Sections 4.1, 4.3 and 4.7-11 define other certain terms, and section 3 establishes the applicability of those definitions to sections 2-21. Section 12 provides that the provisions of sections 2-21 do not apply to: (1) users of covered digital platforms who reside outside of this State; or (2) covered digital platforms that do not offer services to users who are located in this State.~~

~~Section 18 prohibits a covered digital platform from using the personal information of a minor user in an algorithmic recommendation system, except to prevent the covered digital platform from displaying or recommending to the minor user content or advertisements relating to certain prohibited products or services.~~

~~Section 19 requires a social media platform to, if requested by the parent or legal guardian of a minor user, disable on the account of a minor user one or more of the following features: (1) infinite scrolling; (2) the display of metrics, icons or emoticons which indicate certain interaction with the minor's content; (3) auto-play video; and (4) livestreaming. Section 20 requires a covered digital platform to either: (1) establish reasonable safeguards to limit the amount of time that minor users spend using the platform each day and the hours during which notifications are sent to minor users; or (2) refrain from sending notifications to a minor user during certain times of the day, which are typically reserved for sleep or for school. Section 20 also requires a covered digital platform to refrain from sending such notifications to a minor user during those times if requested by the parent or legal guardian of the minor user.]~~

The federal Children's Online Privacy Protection Act establishes certain requirements relating to the collection, use and disclosure of the personal information of children on the Internet. (15 U.S.C. §§ 6501 et seq.) Existing federal regulations adopted pursuant to that Act require certain operators of Internet websites to: (1) establish and maintain reasonable procedures to protect the confidentiality, security and integrity of personal information collected from children; and (2) obtain verifiable parental consent before the operator collects, uses or discloses any personal information of a child. (16 C.F.R. §§ 312.5, 312.8) **Sections 24-35** of this bill enact certain additional requirements relating to the collection and processing of personal data collected from children on the Internet by controllers. **Section 27** defines "controller" to mean any person who: (1) operates or provides any online service, product or feature targeted to persons in this State; and (2) determines the purpose and means of processing personal data. **Sections ~~[25, 26]~~ 25-26 and ~~[28-31]~~ 28-31.9** define certain other terms, and **section 24** establishes the applicability of those definitions to **sections 24-35**. **Section 32** exempts certain entities**~~[and]~~ , ~~[and]~~** types of data **and activities** from the requirements of **sections 24-35**.

Section 32.5 requires a controller that is in possession of de-identified data to take certain actions with respect to such data, including committing to not re-identify such data and contractually obligating any person to which the controller provides such data to comply with the requirements of section 32.5.

Section 33 requires a controller to, before processing personal data from a ~~[person whom the controller knows to be a]~~ **known** child**~~[.]~~ ~~[,]~~ or collecting the precise geolocation data of such a child,** obtain verifiable consent from the parent or legal guardian of the child in accordance with the federal Children's Online Privacy Protection Act. **Section 33** prohibits a controller from processing the personal data of a ~~[person whom the controller knows to be a]~~ **known** child for the purposes of: (1) providing targeted advertising to the child; (2) ~~[selling]~~ **the sale of** the personal data of the child; or (3) profiling the child**~~[.]~~ for certain purposes. Section 33** additionally prohibits a controller from processing the personal data or collecting the precise geolocation data of a known child unless such processing or collection, as applicable, is reasonably necessary and limited in duration to enable the controller to provide the online service, product or feature. **Section 33** further requires a controller that collects the precise geolocation data of a known child to, during all times that the controller is collecting such data, provide an indication to the child that such collection is occurring. Finally, **section 33** requires a controller, if the controller seeks to collect the personal data of a known child with the intent to further process such data, to disclose to the child the purposes of such additional processing. **Section 33** prohibits a controller from further processing such data for a purpose other than the purpose disclosed to the child, unless that purpose is necessary for carrying out and compatible with the purpose disclosed to the child.

Section 34 requires a controller that offers any online service, product or feature that is directed at children to conduct and retain a data protection assessment for each processing activity in which the controller engages. **Section 34** also requires, in certain circumstances, a controller to provide a data protection assessment prepared by the controller to the Attorney General. **Sections 34 and 36** of this bill provide for the confidentiality of the information contained within a data protection assessment that is provided to the Attorney General. **Section 34 also provides that, by disclosing to the Attorney General or the Office of the Attorney General a data protection assessment as required by section 34, a controller does not waive certain evidentiary privileges that would otherwise be applicable to the information contained within the data protection assessment.**

Existing law provides that a variety of actions constitute deceptive trade practices. (NRS 100.180, 111.2397, 118A.275, 202.24935, 205.377, 226.600, 228.620, 370.695, 597.7642, 597.818, 597.997, 603.170, 603A.260, 603A.550, 604B.910, 676A.770; chapter 598 of NRS) Existing law authorizes a court or the Director of the Department of Business and Industry to impose a civil penalty of not more than $25,000 for each violation upon a person who has engaged in a deceptive trade practice directed toward a minor. (NRS 598.09735) In addition, existing law provides that when the Commissioner of Consumer Affairs or the Director has cause to believe that a person has engaged or is engaging in any deceptive trade practice, the Commissioner or Director may request that the Attorney General represent him or her in instituting an appropriate legal proceeding, including an application for an injunction or temporary restraining order. (NRS 598.0979) Existing law requires a person who violates a court order or injunction resulting from a complaint brought by the Commissioner, the Director, the district attorney of any county of this State or the Attorney General to pay a civil penalty of not more than $10,000 for each violation. Furthermore, if a court finds that a person has willfully engaged in a deceptive trade practice, the person who committed the violation: (1) may be required to pay an additional civil penalty not more than $15,000 for each violation; and (2) is guilty of a felony or misdemeanor, depending on the value of the property or services lost as a result of the deceptive trade practice. (NRS 598.0999) ~~[Section 21 makes a violation of sections 2-21 a deceptive trade practice.]~~ **Section 35** requires the Attorney General, upon determining that a controller has violated or is violating any provision of **sections 24-35**, to provide the controller written notice of the alleged violation. **Section 35** makes it a deceptive trade practice for a controller to fail to remedy a violation of **sections 24-35** within 30 days after receiving written notice of the violation from the Attorney General. **Section 35 grants the Attorney General the exclusive authority to enforce the requirements of sections 24-35 and further provides that those sections do not create a private right of action.**

AN ACT relating to housing; revising the Windsor Park Environmental Justice Act; clarifying the boundaries of the Windsor Park neighborhood for the purposes of determining eligibility to participate in the program established by the Act; revising certain requirements to be eligible to acquire a new single-family residence under the Act; authorizing certain owners of vacant lots in the Windsor Park neighborhood to exchange the vacant lot under the program; revising provisions governing the property taxes levied on a single-family residence acquired under the Act; revising provisions governing real property transfer taxes imposed on the transfer of such a residence; revising provisions governing the development of a park to memorialize the residents of the Windsor Park neighborhood; revising provisions governing the use of certain money for the purposes of the Act; extending the reversion date of appropriations made for the purposes of the Act; making an appropriation; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law contains the Windsor Park Environmental Justice Act, which establishes a program for the relocation of persons residing in the Windsor Park neighborhood of the City of North Las Vegas whose residences have been damaged by the sinking of the ground beneath the residences. (Chapter 531, Statutes of Nevada 2023, at page 3538) Under the Act, the Housing Division of the Department of Business and Industry is required to establish and administer a program by which the owner of a single-family residence in the Windsor Park neighborhood who owns the residence on July 1, 2023, may exchange the residence in the Windsor Park neighborhood for a new residence constructed in accordance with the Act. (Section 9 of chapter 531, Statutes of Nevada 2023, at page 3540) This bill makes revisions to the Act.

Section 1 of this bill clarifies the boundaries of the Windsor Park neighborhood for the purposes of determining the owners of single-family residences or vacant lots who are eligible to participate in the program.

Section 2 of this bill: (1) requires that to be eligible to participate in the program, an owner of a single-family residence or vacant lot in the Windsor Park neighborhood must have owned that single-family residence or lot on

December 31, 2023, rather than July 1, 2023; (2) authorizes a person who is the owner of a vacant lot in the Windsor Park neighborhood and who was the owner, or is the descendant of the former owner, of a single-family residence on that vacant lot in the Windsor Park neighborhood to participate in the program by exchanging the vacant lot for another vacant lot in an area as near as reasonably practicable to the Windsor Park neighborhood; (3) authorizes a person who resides in the Windsor Park neighborhood to establish that he or she is the owner of a single-family residence or a vacant lot in the Windsor Park neighborhood and, thus, eligible to participate in the program, by executing an affidavit, under penalty of perjury, and presenting certain other documentation to establish inheritance of the property; (4) provides that until July 1, 2057, a single-family residence acquired pursuant to the Act is entitled to an abatement of a certain amount of property taxes levied on the single-family residence; (5) provides an exemption from taxes on the transfer of real property for certain transfers of a single-family residence pursuant to the Act; (6) **requires the Housing Division to file for record a certificate creating a lien on the single-family residence acquired pursuant to the Act to secure repayment of the amount of assistance provided by the Housing Division to pay off any existing mortgage on the single-family residence in the Windsor Park neighborhood if the new residence is sold within 5 years after the time of the filing of the certificate; (7) limits the amount of assistance provided to pay off a mortgage on a single-family residence in the Windsor Park neighborhood to the pay off amount on May 25, 2025; and (8)** requires the entity selected to develop and construct a single-family residence pursuant to the Act to be engaged to perform certain additional work related to the project, without formal bidding under existing state law, including, without limitation, demolishing the homes in the Windsor Park neighborhood for the purposes of creating the park required under the Act.

Section 3 of this bill: (1) requires that in addition to transferring the proceeds of certain bonds to the Division, the City is required to transfer the interest on those proceeds to the Division for the purposes of the program; and (2) removes the requirement for the Division to pay moving expenses and restitution to owners of single-family residences in the Windsor Park neighborhood from certain Community Development Block Grant funds transferred to the Division and, instead, authorizes those funds to be used by the Division to pay relocation expenses for certain owners and tenants.

Section 4 of this bill provides that money appropriated from the State General Fund for the purposes of the Act reverts at the end of the 2025-2027 biennium rather than at the end of the 2023-2025 biennium.

Section 4.5 of this bill appropriates $26,000,000 from the State General Fund to the Housing Division for the purposes of the Act.

Any agreement for the demolition of the residences pursuant to this subsection is exempt from the provisions of state law governing the award of a contract by governmental entities, and any payments pursuant to such an agreement must be paid entirely from money appropriated by the Legislature for that purpose. Assembly Bill No. 188.

The following Senate amendment was read:

Amendment No. 980.

AN ACT relating to the Public Employees' Benefits Program; requiring the Board of the Public Employees' Benefits Program to report certain information relating to the costs of health insurance for certain retirees; revising provisions relating to the subsidy paid for certain health and welfare benefits for certain state employees who have retired with state service; revising requirements for certain retired public officers and employees to reinstate insurance under the Program; **revising provisions relating to certain subsidies paid to the Program for the 2025-2027 biennium;** requiring the Joint Interim Standing Committee on Government Affairs to conduct an interim study on the Program; **making an appropriation;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Office of Finance to establish an assessment to pay for a portion of the costs of the premiums or contributions for the Public Employees' Benefits Program on behalf of persons who were initially hired before January 1, 2012, and have retired with state service, which must be: (1) deposited in the State Retirees' Health and Welfare Benefits Fund to pay a

portion of the current and future health and welfare benefits of those retirees; and (2) based upon a base amount approved by the Legislature each session. Existing law also requires that, for retirees who receive health coverage through Medicare, the portion paid to the Program from the Retirees' Fund on behalf of these retirees must be: (1) for persons who retired before January 1, 1994, the base funding level defined by the Legislature multiplied by 15; and (2) for persons who retired on or after January 1, 1994, the base funding level multiplied by the years of service of the person, excluding service purchased, up to a maximum of 20 years. (NRS 287.046) **Section 1** of this bill requires the Board of the Program to report, before August 31 of every even-numbered year, to the Governor and the Interim Retirement and Benefits Committee of the Legislature the typical full cost for such retirees to obtain actuarially comparable health insurance as state retirees enrolled in the plan offered by the Program.

If the Board pays the subsidy for retirees enrolled in the federal TRICARE program or Medicare into a health reimbursement arrangement, **section 3** of this bill prohibits the Board, unless otherwise required by federal law, from: (1) establishing limits on the yearly balance of a health reimbursement arrangement for a person who is enrolled in Medicare that is less than the total amount of the subsidy paid by the Board in the immediately preceding 5 fiscal years; and (2) reverting money in a health reimbursement arrangement to the Retirees' Fund unless the retiree has died or, for more than 2 consecutive years, elected coverage other than coverage provided through TRICARE, Medicare or the plan offered by the Program.

Under existing law, a retired public officer or employee or the surviving spouse of a retired public officer or employee who is deceased may reinstate any insurance under the Program, except life insurance, if the public officer or employee did not have more than one period during which the retired public officer or employee was not covered by insurance under the Program on or after the later of October 1, 2011, or the date of retirement of the public officer or employee, and the officer or employee retired from: (1) a participating state or local governmental agency under certain circumstances or was enrolled in the retirement program established by the Board of Regents of the University of Nevada for professional staff of the Nevada System of Higher Education; or (2) a nonparticipating local governmental agency, under certain circumstances. (NRS 287.046) To reinstate insurance, the public officer or employee or surviving spouse must provide written notice to the Program not later than 31 days before the commencement of the plan year. (NRS 287.0475) **Section 4** of this bill: (1) removes the prohibition that the retired public officer or employee not have more than one period during which he or she was not covered by insurance under the Program to reinstate insurance; and (2) instead provides that if a person has more than one period during which he or she was not covered by insurance under the Program, the Board may require the person to provide evidence of continuous coverage provided under another health

insurance plan during any period other than the first period in which he or she was not covered to reinstate insurance under the Program.

Section 4 also: (1) authorizes the public officer or employee or surviving spouse to reinstate coverage during any open enrollment period for the plan of insurance; and (2) provides that the retired public officer or employee is eligible, upon reinstatement, to receive the subsidy provided for certain retired employees.

Existing law establishes for the 2025-2027 biennium the share of the cost of qualified medical expenses for individual Medicare insurance plans through the Program that is required to be paid by the State and local governments for retired public officers and employees. (Chapter 57, Statutes of Nevada 2025) Section 4.1 of this bill increases those amounts for Fiscal Year 2026-2027. Section 4.3 of this bill makes an appropriation to pay for the increases.

Section 4.5 of this bill requires the Joint Interim Standing Committee on Government Affairs to conduct a study during the 2025-2026 interim concerning the Public Employees' Benefits Program.

Section 2 of this bill applies certain definitions in existing law relating to the Program to the provisions of **section 1**.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 287 of NRS is hereby amended by adding thereto a new section to read as follows:

Existing law defines "official establishment" to mean, with certain exceptions, an establishment in this State which on a commercial basis slaughters for hire any meat animal, game mammal, poultry or game bird for human consumption and which has been inspected and approved by the State Quarantine Officer. (NRS 583.375) Under existing law, a custom processing establishment and mobile processing unit slaughter or process livestock or poultry for or upon request by the owner or person in lawful possession of the livestock or poultry. (NRS 583.277, 583.357) Existing law requires the State Quarantine Officer to adopt regulations, consistent with federal law, providing a process for a person to obtain a license to operate a custom processing establishment or a mobile processing unit in this State. When a person is issued a license to operate a custom processing facility or mobile processing unit pursuant to these regulations, existing law provides that the custom processing facility or mobile processing unit shall be deemed an official establishment for the purposes of certain provisions governing the inspection of meat and poultry. (NRS 583.454) **Section 3** of this bill requires the State Quarantine Officer to adopt regulations providing a process for a person to obtain a license to operate a mobile processing unit which must authorize a mobile processing unit to perform custom processing and operate as an official establishment and slaughter certain animals on a commercial basis for interstate commerce. **Section 3** also requires the Officer to adopt regulations to authorize a custom

processing establishment or mobile processing unit to slaughter certain animals on a commercial basis for intrastate sale.

Section 1.5 of this bill revises the definition of "custom processing establishment" to: (1) remove the requirement that the facility be fixed; and (2) provide that a custom processing establishment is licensed in accordance with the regulations adopted by the Officer to perform custom processing or slaughter certain animals for human consumption on a commercial basis in intrastate commerce. **Section 1.7** of this bill revises the definition of "mobile processing unit" to provide that a mobile processing unit is licensed in accordance with the regulations adopted by the Officer to perform custom processing or slaughter certain animals for human consumption on a commercial basis for interstate or intrastate commerce.

Section 1 of this bill defines "custom processing" as the slaughter, skinning and preparation of livestock and poultry upon request of the owner or person in lawful possession of the livestock or poultry and for consumption by the owner or person. **Section 1.3** of this bill applies certain definitions in existing law and **section 1** relating to the inspection of meat and poultry to the provisions of this bill.

Assembly Bill No. 352.

The following Senate amendment was read:

Amendment No. 924.

AN ACT relating to businesses; requiring a person who wishes to conduct a cottage cosmetics operation to apply to the State Department of Agriculture for a license; setting forth requirements and fees relating to a cottage cosmetics operation; exempting a cottage cosmetics operation from certain licensing requirements; revising and reorganizing certain provisions governing cottage food establishments; requiring a person who wishes to conduct a cottage food operation to apply to the Department; revising certain provisions governing craft food operations; revising provisions governing farm-to-fork events; applying certain provisions governing food delivery service platforms to the delivery of food items from a cottage food operation; providing a penalty; providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the Commissioner of Food and Drugs is required to adopt regulations for the licensing of every person who manufactures, compounds, processes or packages drugs, devices or cosmetics in this State. (NRS 585.245) **Section 20** of this bill exempts, with certain exceptions, cottage cosmetics operations from the provisions of law governing the licensing, regulation, fees and inspection of such persons by the Commissioner.

Section 4 of this bill defines the term "cottage cosmetics operation" to mean a natural person: (1) who manufactures or prepares cosmetics in his or her private home or in a kitchen that is not otherwise required by law to be inspected for the preparation of a cosmetic, for sale to a natural person; and (2) whose gross sales of such cosmetics are not more than $100,000 per year. **Section 3** of this bill defines the term "cosmetic." **Sections 5 and 6** of this bill define certain other terms relating to cottage cosmetics operations. **Section 2** of this bill applies these definitions to the provisions of **sections 2-11.5** of this bill.

Section 7 requires a person who wishes to conduct a cottage cosmetics operation to apply to the State Department of Agriculture for a license to conduct a cottage cosmetics operation and prescribes certain requirements for such an application. **Section 7** authorizes the Department to: (1) charge certain fees for the issuance and renewal of a license to conduct a cottage cosmetics operation; and (2) inspect a cottage cosmetics operation for certain purposes and charge a fee for the inspection if the cottage cosmetics operation produced an adulterated or misbranded cosmetic or was the source of an outbreak of illness caused by a contaminated cosmetic. **Section 7** also requires the Department to maintain a registry of each person who holds an active license to conduct a cottage cosmetics establishment. **Section 10** requires the Director of the Department to adopt certain regulations governing cottage cosmetics operations.

Section 11 of this bill authorizes the Director to impose a civil penalty of not more than $500 for a violation of the provisions of **sections 2-11.5**. **Section 21** of this bill provides that the civil penalty is an exception to the criminal penalties imposed for other violations of the provisions relating to food, drugs and cosmetics.

Section 11.5: (1) prohibits certain entities from adopting an ordinance or other regulation that prohibits a natural person from operating a cottage cosmetics operation; and (2) provides that the provisions of **sections 2-11.5** do not prohibit certain entities from regulating the time, place or manner of a cottage cosmetics operation, provided that such regulations do not unreasonably restrict or prohibit a person from conducting a cottage cosmetics operation.

Existing law sets forth certain requirements for a food establishment that prepares food intended for human consumption. (NRS 446.0145-446.945) Existing law exempts a cottage food operation from such requirements and requires a person who wishes to conduct a cottage food operation to register with a certain health authority. (NRS 446.866) **Section 16** of this bill instead requires a person who wishes to conduct a cottage food operation to apply to the Department for a license to conduct a cottage food operation. **Sections 14-16** of this bill revise and reorganize the existing provisions governing cottage food operations into new sections of the Nevada Revised Statutes. **Section 28** of this bill repeals an existing provision governing cottage food operations made redundant by **section 16**. **Section 14** revises the definition of "cottage food operation" to apply to a natural person who manufactures or prepares food items in his or her private home or in a kitchen that is not otherwise required by law to be inspected for the purposes of preparing a food item, for sale and whose gross sales of such food items are not more than $100,000 per calendar year. **Section 15** revises the definition of "food item" to include, certain food items.

Additionally, **section 16** authorizes a cottage food operation to: (1) sell food items via a transaction by telephone or via the Internet; and (2) fulfill a transaction in person, by mail or through a food delivery service platform.

Section 26 of this bill makes a cottage food operation a "food dispensing establishment," thereby applying the provisions governing the food delivery service platforms to the delivery of food items from a cottage food operation. **Section 16** authorizes the Department to charge certain fees for the issuance and renewal of a license to conduct a cottage food operation. **Section 16** further requires the Department to maintain a registry of each person who holds an active license to conduct a cottage food operation. **Section 19** of this bill requires the Director of the Department to adopt certain regulations governing cottage food operations.

Section 19.5 of this bill: (1) prohibits certain entities from adopting an ordinance or other regulation that prohibits a person from preparing food in a cottage operation; and (2) provides that the provisions of **sections 12-19.5** do not prohibit certain entities from regulating the time, place or manner of a cottage food operation, provided that such regulations do not unreasonably restrict or prohibit a person from conducting a cottage food operation.

Section 23 of this bill revises the definition of "food establishment" to reflect the reorganization of provisions governing cottage food operations.

Existing federal law requires each state to adopt procedures to ensure that applicants for certain licenses and certificates comply with child support obligations. (42 U.S.C. § 666) **Sections 8, 9, 17 and 18** enact such procedures as applicable to an applicant for a license to conduct a cottage cosmetics operation and an applicant for a license to conduct a cottage food operation in order to comply with federal law.

Existing law provides that the penalty for a violation of any provision of existing law relating to agricultural products and seeds is a civil penalty of not more than $500 for each violation. (NRS 587.900) This penalty applies to **sections 12-19.5** of this bill.

Existing law exempts a farm from certain provisions governing food establishments for the purposes of holding a farm-to-fork event under certain conditions. (NRS 446.868) **Section 24** of this bill authorizes a farm holding such an event to serve certain food items provided that: (1) any livestock or game animal that is served at the event is butchered and processed on the farm in accordance with certain provisions of law or was inspected and approved under a certain inspection program; and (2) certain other food items served at the farm-to-fork event are sourced from certain facilities or was inspected and approved under a certain inspection program. **Section 24** also exempts: (1) a farm from certain provisions governing food establishments provided that the farm holds four events or less in a month; and (2) a farm that holds more than four events during a harvest or holiday season from such provisions. **Section 25** of this bill prohibits the Department from charging a fee for the registration of a farm to hold farm-to-fork events when the annual revenue of the farm for the preceding calendar year was less than $100,000.

Existing law sets forth certain requirements for a craft food operation in which a person manufactures or prepares acidified foods in certain kitchens and whose gross sales of such foods are not more than $35,000 per calendar

year and authorizes the Department to adopt certain regulations governing such operations. (NRS 587.691-587.699) **Section 21.2** of this bill increases the amount of gross sales that a craft food operation may have to not more than $100,000 per calendar year.

Section 21.4 of this bill authorizes a craft food operation to sell acidified foods in a transaction by telephone or via the Internet and requires that the sale be fulfilled in person. **Section 21.6** of this bill eliminates the requirements that an acidified food be produced by a person who: (1) maintains a log and supporting documentation concerning the canning date for each batch of acidified foods produced by the person; and (2) uses only certain canning recipes. **Section 21.8** of this bill eliminates the authority of the Department to charge a fee to a person who produces acidified food for a course of training and an examination.

ASSEMBLYMEMBER WATTS

JOINT SPONSOR: SENATOR TAYLOR

AN ACT relating to higher education; revising provisions governing certain waivers of fees provided by the Board of Regents of the University of Nevada; revising the criteria of eligibility for a waiver of fees by the Board of Regents for **certain** persons who are or were unaccompanied for a certain period of time; revising the criteria of eligibility for a waiver of fees by the Board of Regents for certain Native American students; providing for the continuity of waivers previously provided ~~[to]~~ **for** certain **Native American** students **;** ~~[who are identified as homeless or unaccompanied pupils;]~~ repealing certain provisions requiring the Chancellor of the Nevada System of Higher Education to cause to be analyzed certain natural materials upon the request of a resident of this State; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes, or in certain cases, requires the Board of Regents of the University of Nevada to grant a waiver of the payment of certain fees, including registration and laboratory fees, assessed against certain students. Existing law generally requires those students who are granted a waiver by the Board of Regents to maintain a cumulative grade point average of 2.0 on a 4.0 grading scale and prescribes certain other qualifications of eligibility for each such waiver. (NRS 396.544, 396.5442, 396.5443, 396.5445, 396.5446, 396.5448, 396.5449) **Sections 1.1-1.8** of this bill standardize provisions and qualifications for each waiver that the Board of Regents may grant to certain students. Specifically, **sections 1.1-1.4 and 1.6** require the amount of each waiver to be equal to the full balance of registration fees, laboratory fees and all other mandatory fees assessed against a student after all scholarships, grants and other financial assistance, not including loans, to which the student is entitled for that semester are applied to the balance of such fees owed by the student for the semester. **Section 1.5** establishes a similar requirement for a waiver of not less than half of all registration fees, laboratory fees and all other mandatory fees that the Board of Regents may waive for a veteran enrolled in certain graduate programs. (NRS 396.5446) **Sections 1.1-1.8** require each student seeking a waiver to, for each year for which the student seeks a waiver, complete: (1) the Free Application for Federal Student Aid; or (2) an alternative form for financial aid provided by the school in which the student is enrolled, if the student is ineligible under federal law to complete the Free Application for Federal Student Aid. **Sections 1.1-1.8** also replace requirements that each student maintain a certain cumulative grade point average with a requirement that a student to whom a waiver is granted meet satisfactory academic progress, as determined by the school in which the student is enrolled.

Existing law authorizes the Board of Regents to grant a waiver of registration fees and laboratory fees for a person who is identified as a homeless or unaccompanied pupil. (NRS 396.5448). **Section** ~~[1.7]~~ **1.6** of this bill requires, rather than authorizes, the Board of Regents to grant the waiver

and revises the criteria that a person is required to meet to qualify for the waiver. Assemblymember Jauregui moved that the Assembly concur in Senate Amendment No. 996 to Assembly Bill No. 397.

Motion carried by a constitutional majority.

Bill ordered to enrollment.

Assembly Bill No. 460.

The following Senate amendment was read:

Amendment No. 952.

AN ACT relating to child welfare; establishing a form by which a parent or guardian may request to nominate a guardian of a minor; authorizing the filing of such a form in the Nevada Lockbox; removing the authority of the Secretary of State to charge and collect a fee for filing a form in the Nevada Lockbox; creating a presumption that temporary guardianship is in the best interest of a minor in certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes any person requesting to nominate another person to be appointed as his or her guardian to complete a form requesting to nominate a guardian. (NRS 159.0753) Existing law also authorizes the Secretary of State to establish and maintain the Nevada Lockbox, which is an electronic registry where a person may register a form requesting to nominate a guardian, among other documents. (NRS 225.360) **Section 1** of this bill authorizes a parent or guardian of a minor who wishes to request to nominate another person to be appointed as the guardian for the minor to complete a form requesting to nominate a guardian of the minor. **Section 1** clarifies that a person nominated to be a guardian of a minor is required to obtain appointment from a court before exercising the power of a guardian. **Section 3** of this bill requires a court to consider a form requesting to nominate a guardian of a minor in determining which person is most suitable to be the guardian for the minor. **Section 4** of this bill includes a form requesting to nominate a guardian of a minor in the list of documents that may be submitted for inclusion in the Nevada Lockbox. **Sections 4.5 and 5.5** of this bill remove the authority of the Secretary of State to charge and collect a fee for the registration of a will or other document in the Nevada Lockbox. **Section 5** of this bill authorizes the Secretary of State to provide access to the lockbox when required by a court,

hospital, law enforcement agency or other entity that needs to determine whether a person has designated a guardian for a minor. **Section 7** of this bill makes a conforming change to indicate the proper placement of **section 1** in the Nevada Revised Statutes.

Existing law establishes a procedure by which a petitioner may request the appointment of a temporary guardian for the person or estate, or both, of a proposed protected minor in circumstances where it is not feasible or would be harmful to notify the persons and entities who are normally entitled to notice of a guardianship hearing. Existing law presumes that temporary guardianship is in the best interest of the minor if no parent has had the care, custody and control of the minor for the immediately preceding 6 months. (NRS 159A.053) **Section 2** of this bill creates an additional presumption that a temporary guardianship is in the best interest of the proposed protected minor ~~[if]~~ **during a period of time in which** no parent has the care, custody and control of the minor due to one or both parents being separated from the minor due to a federal immigration order.

5. The person nominated for appointment as the guardian of a minor pursuant to this section must file a petition and obtain an appointment from the court before exercising the powers of a guardian.

6. The Secretary of State may adopt any regulations necessary to carry out the provisions of this section.

Sec. 2. NRS 159A.053 is hereby amended to read as follows:

159A.053 1. A petitioner may request that the court appoint a temporary guardian for the person or the estate, or both, of a proposed protected minor by filing a verified petition.

2. The petition must state facts which establish good cause for the appointment of a temporary guardian and which show that:

(a) The petitioner has tried in good faith to notify the persons entitled to notice pursuant to NRS 159A.047 by telephone or in writing before the filing of the petition;

(b) The proposed protected minor would be exposed to an immediate risk of physical, emotional or financial harm if the petitioner were to provide notice to the persons entitled to notice pursuant to NRS 159A.047 before the court determines whether to appoint a temporary guardian; or

(c) Giving notice to the persons entitled to notice pursuant to NRS 159A.047 is not feasible under the circumstances.

3. A petition which seeks an ex parte appointment of a temporary guardian must be accompanied by an affidavit which explains the emergency that requires a temporary guardian to be appointed before a hearing.

4. ~~[If no parent of the proposed protected minor has had the care, custody and control of the minor for the 6 months immediately preceding the petition,~~

~~*or one or both parents have been separated from the minor due to a federal immigration order leading to no parent having the care, custody and control of the minor, temporary*~~] ***Temporary*** guardianship of the person of ~~[the]~~ ***a proposed protected*** minor is presumed to be in the best interest of the minor ~~[.]~~ ***:***

(a) If no parent of the minor has had the care, custody and control of the minor for the 6 months immediately preceding the petition; or

(b) During a period of time in which no parent has the care, custody and control of the minor because one or both parents are separated from the minor due to a federal immigration order.

5. The court may, upon that petition or other showing as it may require, appoint a temporary guardian of the person or the estate, or both, of the proposed protected minor.

6. Except as otherwise provided in subsection 7, after the appointment of a temporary guardian, the petitioner shall attempt in good faith to notify the persons entitled to notice pursuant to NRS 159A.047, including, without limitation, notice of any hearing to extend the temporary guardianship. If the petitioner fails to make such an effort, the court may terminate the temporary guardianship.

7. If, before the appointment of a temporary guardian, the court was satisfied that giving notice to the persons entitled to notice pursuant to NRS 159A.047 was not feasible under the circumstances or determined that such notice was not required pursuant to paragraph (b) or (c) of subsection 2, the petitioner shall notify the persons entitled to notice pursuant to NRS 159A.047 without undue delay, but not later than 48 hours after the appointment of the temporary guardian or not later than 48 hours after the petitioner discovers the existence, identity and location of the persons entitled to notice pursuant to that section. If the petitioner fails to provide such notice, the court may terminate the temporary guardianship.

8. Not later than 10 days after the date of an ex parte appointment of a temporary guardian pursuant to subsection 5, the court shall hold a hearing to determine the need to extend the temporary guardianship. Except as otherwise provided in subsection 9, if the court finds by clear and convincing evidence that the protected minor continues to be in need of a temporary guardian, the court may, pursuant to subsection 10, extend the temporary guardianship until a general guardian is appointed.

9. The court may not extend a temporary guardianship pursuant to subsection 8 beyond the initial period of 10 days unless the petitioner demonstrates that:

(a) The provisions of NRS 159A.0475 have been satisfied; or

(b) Notice by publication pursuant to the Nevada Rules of Civil Procedure is currently being undertaken.

10. The court may extend the temporary guardianship, for good cause shown, for not more than two successive 60-day periods, unless extraordinary circumstances necessitate a longer duration for the temporary guardianship.

11. If for any reason a guardian who is appointed for a protected minor cannot perform the duties of a guardian, the court may, upon a petition filed to request temporary guardianship for the minor, appoint a temporary guardian to exercise the powers of a guardian until another guardian is appointed for the minor.

Sec. 3. NRS 159A.061 is hereby amended to read as follows:

159A.061 1. The parents of a proposed protected minor, or either parent, if qualified and suitable, are preferred over all others for appointment as guardian for the person or estate or person and estate of the proposed protected minor. The appointment of a parent as guardian for the person or estate of a proposed protected minor must not conflict with a valid order for custody of the proposed protected minor.

2. Except as otherwise provided in subsection 4, if a parent of a proposed protected minor files a petition seeking appointment as guardian for the proposed protected minor, the parent is presumed to be suitable to serve as guardian for the proposed protected minor.

3. In determining whether the parents of a proposed protected minor, or either parent, or any other person who seeks appointment as guardian for the proposed protected minor is qualified and suitable, the court shall consider, if applicable and without limitation:

(a) Which parent has physical custody of the proposed protected minor;

(b) The ability of the parents, parent or other person to provide for the basic needs of the proposed protected minor, including, without limitation, food, shelter, clothing and medical care, taking into consideration any special needs of the proposed protected minor;

(c) Whether the parents, parent or other person has engaged in the habitual use of alcohol or any controlled substance during the previous 6 months, except the use of cannabis in accordance with the provisions of chapter 678C of NRS;

(d) Whether the parents, parent or other person has been convicted of a crime of moral turpitude, a crime involving domestic violence or a crime involving the abuse, neglect, exploitation, isolation or abandonment of a child, his or her spouse, his or her parent or any other adult;

(e) Whether the parents, parent or other person has been convicted in this State or any other jurisdiction of a felony; and

(f) Whether the parents, parent or other person has engaged in one or more acts of domestic violence against the proposed protected minor, a parent of the proposed protected minor or any other person who resides with the proposed protected minor.

4. A parent of a proposed protected minor is presumed to be unsuitable to care for the proposed protected minor if:

(a) The parent is unable to provide for any or all of the basic needs of the proposed protected minor, including, without limitation:

(1) Food;

(2) Shelter;

(3) Clothing;

(4) Medical care; and

(5) Education;

(b) Because of action or inaction, the parent poses a significant safety risk of either physical or emotional danger to the proposed protected minor; or

(c) The proposed protected minor has not been in the care, custody and control of the parent for the 6 months immediately preceding the filing of the petition. The presumption created by this paragraph is a rebuttable presumption.

5. Subject to the preference set forth in subsection 1 and except as otherwise provided in subsection 7, the court shall appoint as guardian the qualified person who is most suitable and is willing to serve.

6. In determining which qualified person is most suitable, the court shall, in addition to considering any applicable factors set forth in subsections 2, 3 and 4, give consideration, among other factors, to:

(a) Any nomination of a guardian for the proposed protected minor contained in a will ***, a form requesting to nominate a guardian of a minor that is executed in accordance with section 1 of this act*** or other written instrument executed by a parent of the proposed protected minor.

(b) Any request made by the proposed protected minor, if he or she is 14 years of age or older, for the appointment of a person as guardian for the proposed protected minor.

(c) The relationship by blood or adoption of the proposed guardian to the proposed protected minor. In considering preferences of appointment, the court may consider relatives of the half blood equally with those of the whole blood. The court may consider relatives in the following order of preference:

(1) Parent.

(2) Adult sibling.

(3) Grandparent.

(4) Uncle or aunt.

(d) Any recommendation made by a master of the court or special master pursuant to NRS 159A.0615.

(e) Any recommendation made by:

(1) An agency which provides child welfare services, an agency which provides child protective services or a similar agency; or

(2) A guardian ad litem or court appointed special advocate who represents the proposed protected minor.

(f) Any request for the appointment of any other interested person that the court deems appropriate.

7. The court may award temporary guardianship pursuant to this section, supported by findings of suitability, pending a trial or evidentiary hearing if that appointment is supported by findings.

8. Notwithstanding the presumption set forth in subsection 4, in the event of competing petitions for the appointment of guardianship of a proposed protected minor, any finding of unsuitability of a parent of the proposed

protected minor must be found by clear and convincing evidence after a hearing on the merits or an evidentiary hearing.

9. In determining whether to appoint a guardian of the person or estate of a proposed protected minor and who should be appointed, the court must always act in the best interests of the proposed protected minor.

10. A court shall not refuse to appoint a person as a guardian of the person or estate of a proposed protected minor solely because the person:

11. As used in this section:

Assembly Bill No. 515.

The following Senate amendment was read:

Amendment No. 985.

AN ACT relating to the protection of children; revising provisions relating to certain categorical grants to fund the adoption assistance program; providing for a study of and the development of a plan for reinvesting certain money; making appropriations; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing federal law requires each child welfare agency to calculate savings realized from expanded eligibility for children under Title IV-E of the Social Security Act, known as "adoption savings," and reinvest an equal amount in the state's child welfare system. (42 U.S.C. § 673(a)(8)(D)) Existing law requires the Division of Child and Family Services of the Department of Health and Human Services to provide a categorical grant to each agency which provides child welfare services in a county whose population is 100,000 or more (currently Clark and Washoe Counties) for each fiscal year for its adoption assistance program. Existing law requires the Division to base the amount of such a categorical grant on the estimated cost of the projected growth in the adoption assistance program. (NRS 432B.219)

Under existing law, any money remaining from such a categorical grant that has not been used or committed for expenditure by the agency by the end of the fiscal year reverts to the State General Fund in most cases. However, existing law provides that the portion of such money remaining at the end of a fiscal year that is identified as adoption savings does not revert until the end of the immediately following fiscal year. Existing law authorizes the agency which provides child welfare services that received the categorical grant to use that money for any costs of providing child welfare services without restriction during that fiscal year. (NRS 432B.219) **Section 1** of this bill instead provides that money awarded through such a categorical grant never reverts to the State General Fund, regardless of whether the money is identified as adoption savings. Additionally, **section 1** requires an agency which provides child welfare services to continue to use such money for the costs of providing child welfare services ~~[. If the money is identified as adoption savings, section 1 requires the money to be used]~~ in a manner consistent with **the requirements and restrictions imposed by** federal law. **Section 2** of this bill defines "Division" for the purposes of **sections 3, 4 and 5** of this bill to refer to the Division of Child and Family Services of the Department of Health and Human Services. **Sections 3 and 4** appropriate to the Division certain unexpended adoption savings for expenditure in accordance with federal law to provide child welfare services. **Section 5** requires the Division and other agencies which provide child welfare services in this State to study and develop a plan for reinvesting unexpended adoption savings.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 432B.219 is hereby amended to read as follows:

432B.219 1. The Division of Child and Family Services shall provide a categorical grant to each agency which provides child welfare services for each fiscal year for its adoption assistance program to the extent that money has been appropriated to the Division for that purpose. Existing law requires the treasurer of the board to keep strict and accurate accounts of all money received by and disbursed for and on behalf of the district in permanent records. (NRS 318.085) Section 1

provides that this information includes all audits and financial statements of the district.

Section 1 also provides that all records of the board's actions, including, without limitation, minutes, budgets, audits and financial statements, must be: (1) published on the Internet website maintained by the board; or (2) provided to the county in which the district is located for publication on the Internet website of the county.

Existing law further sets the maximum compensation of a member of a board of a district to not more than: (1) $6,000 per year; or (2) $9,000 per year if the board of a district has been granted certain powers relating to acquiring sanitary sewer improvements, collection and disposal of garbage and refuse and supply, storage and distribution of water for private and public purposes. (NRS 318.085) **Section 1** ~~[of this bill]~~ increases the compensation each member of a board of a district granted such powers may receive from not more than $9,000 per year to not more than $14,500 per year.

Existing law gives the board of a district created wholly or in part for acquiring television maintenance facilities certain powers. (NRS 318.1192) Section 3 of this bill requires the board of such a district to submit an annual report to the board of county commissioners of the county in which the district is located that sets forth, without limitation: (1) the budget and expenditures of the district; (2) the status of the equipment of the district; (3) the status of any license held by the district; (4) a recommendation as to whether the continuation of the district is necessary; and (5) any information necessary for the board of county commissioners to review the work of the board and determine whether the board is achieving its statutory purpose.

Existing law authorizes certain special districts, including general improvement districts, with annual total expenditures of less than $300,000 to petition the Department of Taxation for exemption from the requirements of the Local Government Budget and Finance Act (NRS 354.470-354.626) for the filing of certain budget documents and audit reports. Existing law further provides that if an exemption is granted by the Department, the special district is exempt from all publication requirements of the Local Government Budget and Finance Act, except that the Department of Taxation by regulation shall require an annual publication of a notice of budget adoption and filing. (NRS 354.475) Section 4 of this bill provides that if a petition filed by a general improvement district is granted by the Department, the board of the general improvement district is exempt from all publication requirements of the Local Government Budget and Finance Act but is required publish the district's budget, financial statements and audits that are required by section 1.

Existing law authorizes the Housing Division of the Department of Business and Industry to issue transferable tax credits, which are authorized to be taken against certain state taxes, to the sponsor of a

project for the acquisition, development, construction, improvement, expansion, reconstruction or rehabilitation of a qualified low-income housing project, as defined by existing federal law. (NRS 360.860-360.870; 26 U.S.C. § 42(g)) Under existing law, to be issued transferable tax credits, the project sponsor is required to: (1) apply to, and obtain from, the Division a reservation of an amount of transferable tax credits; (2) close the project within a certain period after obtaining a reservation of transferable tax credits by acquiring title to the project site, entering into an agreement with a licensed contractor to construct the project and obtaining certain financing for the project; and (3) submit to the Division a final application for the issuance of transferable tax credits not less than 45 days before the project closes. A project sponsor that is issued transferable tax credits is authorized to transfer the credits to another entity, which may transfer those transferable tax credits to one or more of its subsidiaries or affiliates. (NRS 360.867)

Section 5 of this bill: (1) requires, with certain exceptions, a final application for the issuance of transferable tax credits to be submitted not less than 15 days before the closing of the project rather than not less than 45 days before the closing of the project; (2) authorizes a project sponsor to demonstrate the acquisition of the land to close the project by entering into a long-term ground lease for the project site; and (3) authorizes a project sponsor to transfer transferable tax credits to a member or partner of the project sponsor to any other entity, who may then transfer the transferable tax credits to another entity.

Sec. 5. **NRS 360.867 is hereby amended to read as follows:**

360.867 1. On behalf of a project, the project sponsor may apply to the Division for a certificate of eligibility for transferable tax credits which may be applied to:

(a) Any tax imposed by chapter 363A or 363B of NRS;

(b) The gaming license fees imposed by the provisions of NRS 463.370;

(c) Any tax imposed by chapter 680B of NRS; or

(d) Any combination of the fees and taxes described in paragraphs (a), (b) and (c).

2. To apply for a certificate of eligibility for transferable tax credits, the project sponsor must:

(a) Submit an application on a form prescribed by the Division; and

(b) Comply with the requirements to obtain an allocation of federal low-income housing tax credits which are set forth in the qualified allocation plan.

3. The Division shall:

(a) Review each application for a certificate of eligibility for transferable tax credits submitted pursuant to subsection 2 and any supporting documents to determine whether the requirements for eligibility for a reservation of transferable tax credits are met and the amount of transferable tax credit threshold points awarded to the project;

(b) Determine the amount of transferable tax credits for which the project may be eligible, which amount must equal the amount determined by the Division to be necessary to make the project financially feasible after considering all other sources of financing for the project; and

(c) Reserve the amount of transferable tax credits for which each project is determined to be eligible pursuant to paragraph (b) in the order of the amount of transferable tax credit threshold points awarded to each such project pursuant to paragraph (a) until a reservation is made for each project or the amount of transferable credits reserved for the fiscal year is equal to the amount of transferable tax credits which the Division is authorized to approve for the fiscal year pursuant to NRS 360.868, whichever occurs first. If the amount of transferable tax credits reserved for the fiscal year reaches the amount of transferable tax credits which the Division is authorized to approve for the fiscal year pursuant to NRS 360.868 before each eligible project is reserved the full amount of transferable tax credits for which it is determined to be eligible pursuant to paragraph (b), the Division may take any action that the Division determines will ensure the maximum development of affordable housing in this State, including, without limitation, proportionally reducing the reservation of each project for which transferable tax credits are reserved or reserving for the last project to receive a reservation of transferable tax credits an amount of transferable tax credits that is less than the full amount of transferable tax credits for which the project was determined to be eligible pursuant to paragraph (b).

4. If the Division reserves transferable tax credits for a project pursuant to subsection 3, the Division shall provide written notice of the reservation which identifies the amount of the tax credits reserved for the project to:

(a) The project sponsor;

(b) The Department;

(c) The Nevada Gaming Control Board;

(d) The Office of Finance; and

(e) The Fiscal Analysis Division of the Legislative Counsel Bureau.

5. The Division:

(a) Shall terminate a reservation of transferable tax credits if the project for which the reservation is awarded is not closed within the period specified in paragraph (a) of subsection 6 unless, before the expiration of that period, the Division receives from the project sponsor a written request for an extension of not more than 45 days. The Division may grant only one extension pursuant to this paragraph and, if the project is not closed before the expiration of the extension period, the Division must terminate the reservation of transferable

tax credits. A request for an extension submitted pursuant to this paragraph must be accompanied by proof satisfactory to the Division that:

(1) The requirements for financing the project have been substantially completed;

(2) The delay in closing was the result of circumstances that could not have been anticipated by and were outside the control of the project sponsor at the time the application was submitted by the project sponsor; and

(3) The project will be closed not later than 45 days after the Division receives the request.

(b) May terminate a reservation of transferable tax credits if the Division determines that any event, circumstance or condition occurs for which a reservation of federal low-income housing tax credits may be terminated. If transferable tax credits are terminated pursuant to this paragraph, the Division may issue a reservation for the amount of transferable tax credits terminated to other projects eligible for transferable tax credits in the order of the amount of transferable tax credit threshold points awarded to each such project pursuant to paragraph (a) of subsection 3.

6. Except as otherwise provided in this section, to be issued transferable tax credits:

(a) Not later than 270 days after the Division provides written notice of the reservation of transferable tax credits pursuant to subsection 4, the project sponsor must demonstrate to the Division that the project has been closed by providing proof satisfactory to the Division that the project sponsor has:

(1) Purchased and holds title in fee simple to ***, or has entered into a long-term ground lease for,*** the project site in the name of the project sponsor.

(2) Entered into a written agreement with a contractor who is licensed in this State to begin construction.

(3) Obtained adequate financing for the construction of the project. The applicant must provide written commitments or contracts from third parties.

(4) Executed a written commitment for a loan for permanent financing for the construction of the project in an amount that ensures the financial feasibility of the project. The commitment may be subject to the condition that the construction is completed and the project is appraised for an amount sufficient to justify the loan in accordance with the requirements of the lender for credit. If the project is a rural development project that receives loans or grants from the United States Department of Agriculture, the applicant must provide a form approved by the Division that indicates that money has been obligated for the construction of the project before the expiration of the period. An advance of that money is not required before the expiration of the period.

(b) Not less than ~~[45]~~ ***15*** days before the project is closed, the project sponsor must submit to the Division a final application for transferable tax credits on a form provided by the Division and such other information as the Division deems necessary to determine whether the project qualifies for the issuance of transferable tax credits. Upon receipt of a final application pursuant to this paragraph, the Division shall complete a review of the project and the

project sponsor. If, after such review, the Division determines that the project complies with the requirements upon which transferable tax credits were reserved pursuant to this section and a declaration of restrictive covenants and conditions will be recorded in the office of the county recorder for the county in which the project is located:

(1) The Division shall:

(I) Determine the appropriate amount of transferable tax credits for the project, which must be the amount the Division determines is necessary to make the project financially feasible after all other sources of funding are allocated and paid toward the final cost of the project and may not exceed the amount of transferable tax credits reserved for the project pursuant to this section; and

(II) Notify the project sponsor that the transferable tax credits will be issued;

(2) Within 30 days after the receipt of the notice, the project sponsor shall make an irrevocable declaration of the amount of transferable tax credits that will be applied to each fee or tax set forth in subsection 1, thereby accounting for all of the credits which will be issued; and

(3) Upon receipt of the declaration described in subparagraph (2), the Division shall issue transferable tax credits to the project sponsor in the amount approved by the Division. ***The project sponsor may transfer the transferable tax credits to a member or partner of the project sponsor or to any other entity.*** The project sponsor shall notify the Division upon transferring any transferable tax credits. An entity to which a project sponsor transfers any transferable tax credits may transfer those transferable tax credits to one or more of its subsidiaries or affiliates and shall notify the Division upon making any such transfer. The Division shall notify the Department of Taxation, the Office of Finance, the Fiscal Analysis Division of the Legislative Counsel Bureau and the Nevada Gaming Control Board of all transferable tax credits issued, segregated by each fee or tax set forth in subsection 1, and of all transferable tax credits transferred, segregated by each fee or tax set forth in subsection 1.

7. Upon completion of the project, the project sponsor shall submit to the Division a certification of costs on a form provided by the Division and such other information as the Division deems necessary to determine the final cost of the project. If, based upon the final cost of the project indicated in the certification of costs, the Division determines that the amount of transferable tax credits issued by the Division to the project sponsor is greater than the amount of transferable tax credits to which the project sponsor is entitled:

(a) The Division shall notify the project sponsor, the Department of Taxation, the Office of Finance, the Fiscal Analysis Division of the Legislative Counsel Bureau and the Nevada Gaming Control Board that the project sponsor is required to repay the portion of the transferable tax credits to which the project sponsor is not entitled. The notice must specify the amount of transferable tax credits that the project sponsor is required to repay.

(b) The project sponsor shall repay to the Department of Taxation or the Nevada Gaming Control Board, as applicable, the portion of the transferable tax credits to which the project sponsor is not entitled.

8. The project sponsor may submit a request to the Administrator of the Division to protect from disclosure any information in the application which, under generally accepted business practices, would be considered a trade secret or other confidential proprietary information of the business. After consulting with the business, the Administrator of the Division shall determine whether to protect the information from disclosure. The decision of the Administrator of the Division is final and is not subject to judicial review. If the Administrator of the Division determines to protect the information from disclosure, the protected information:

(a) Is confidential proprietary information of the business;

(b) Is not a public record;

(c) Must be redacted by the Administrator of the Division from any copy of the application that is disclosed to the public; and

(d) Must not be disclosed to any person who is not an officer or employee of the Division unless the lead participant consents to the disclosure.

9. The Division may adopt any regulations necessary to carry out the provisions of NRS 360.860 to 360.870, inclusive.

10. The Nevada Tax Commission and the Nevada Gaming Commission:

(a) Shall adopt regulations prescribing the manner in which transferable tax credits described in this section will be administered.

(b) May adopt any other regulations that are necessary to carry out the provisions of NRS 360.860 to 360.870, inclusive.

Amendment No. CA2

AN ACT relating to governmental administration; revising provisions relating to the timing of when an annual meeting of a debt management commission must occur; revising the hours the office of the county treasurer is required to be kept open; revising the contents of a notice of delinquent taxes; **revising provisions relating to certain fees imposed by certain counties and cities on the construction of a structure or the grading of land for certain purposes;** revising provisions relating to certain property held in trust by the county treasurer; eliminating the requirement that a school associate superintendent provide a quarterly report to the governing body of a county within a local school precinct; revising the notice requirements relating to applications for certain franchises; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law creates a debt management commission in each county of this State and requires a commission to review and vote on proposals of a municipality to incur certain debts, levy a special elective tax, issue certain bonds or enter into an installment-purchase agreement with a term of more than 10 years. Existing law also requires a commission to review and vote on proposals by general improvement districts to issue medium-term obligations, borrow money or issue certain securities, among certain other duties and responsibilities. (NRS 350.0115, 350.014) Existing law requires a debt management commission to meet annually in August and at the call of the chair for certain purposes, in addition to certain other meetings. (NRS 350.012) **Section 2** of this bill eliminates the requirement that the annual meeting be held in August. **Sections 1 and 3** of this bill make conforming changes to remove references to the annual meeting being held in August.

Existing law authorizes the board of county commissioners in a county whose population is 700,000 or more (currently only Clark County) and which is home to a species or subspecies that has been declared endangered or threatened pursuant to federal law to: (1) impose a fee on the construction of a structure or the grading of land in the

unincorporated areas of the county; (2) deposit the money collected from the fee into an enterprise fund; and (3) use the money from the fee to fund an area or zone for the preservation of the endangered or threatened species or subspecies. (NRS 244.386) Existing law also allows the governing body of a city to: (1) impose a similar fee if the county in which the city is located has created such an enterprise fund; (2) deposit the fee into the enterprise fund; and (3) use the money collected from the fee to take certain measures to conserve the endangered or threatened species or subspecies. (NRS 268.4413, 268.4415). Sections 3.3, 3.7 and 3.9 of this bill allow the money collected from such fees to also be used for the establishment of plans and programs for the conservation of the habitat and ecosystems in certain areas or zones. Sections 3.3 and 3.7 require any such fee collected to be based upon an economic analysis of the cost to carry out such a plan or program for habitat and ecosystem conservation. Section 3.3 also authorizes a board of county commissioners that imposes such a fee to adjust the fee for inflation beginning in Fiscal Year 2026-2027.

Existing law requires, subject to certain exceptions, sheriffs, county recorders and county auditors, county clerks, county assessors and county treasurers to keep open the county office and branch offices, if any, on all days except Sundays and nonjudicial days from 9 a.m. to 12 p.m., and on all days except Sundays, nonjudicial days and Saturdays from 1 p.m. to 5 p.m. Existing law also authorizes the board of county commissioners of any county to designate or authorize deviation from the days and hours, but requires each office to be kept open for not less than 40 hours during each week. (NRS 245.040) Existing law establishes that the county treasurers are tax receivers for the county. (NRS 361.475) **Section 3.5** of this bill provides that the county office and branch offices, if any, of the county treasurer may not close earlier than 5 p.m. on any business day but may close later than 5 p.m.

Existing law requires the tax receiver of the county to mail notice of delinquent taxes to certain persons. The notice of delinquency must state certain information including that if the amount of delinquent taxes is not paid, the tax receiver will, at 5 p.m. on the first Monday in June of the current year, issue a certificate authorizing the county treasurer to hold the property. (NRS 361.5648) **Section 4** of this bill provides instead that the notice of delinquency must state that if the amount of delinquent taxes is not paid, the tax receiver will, at the close of business of the tax receiver of the county on the first Monday in June of the current year, issue a certificate authorizing the county treasurer to hold the property.

Existing law requires the tax receiver to make out a trustee's certificate that describes each property on which delinquent taxes, penalties, interest and costs have not been paid. The trustee's certificate authorizes the county treasurer to hold each property for a certain period of time. (NRS 361.570) When the time allowed by law for the redemption of a property described in a certificate has expired and no redemption has been made, the tax receiver who issued the

certificate is required to execute and deliver to the county treasurer a deed of the property. Upon obtaining such a deed, the county treasurer is required to hold the property in trust until it is sold or otherwise disposed of. Existing law provides that during certain periods or not later than 5 p.m. on the third business day before the day of the sale by a county treasurer, certain persons are entitled to have the property reconveyed upon the receipt by the county treasurer of payment of the delinquent taxes and certain costs. (NRS 361.585) **Section 5** of this bill provides instead that during certain periods or not later than the close of business of the county treasurer on the third business day before the day of the sale by a county treasurer, certain persons are entitled to have the property reconveyed upon the receipt by the county treasurer of payment of the delinquent taxes and certain costs.

Existing law authorizes, under certain circumstances, the county treasurer to sell property held in trust because of delinquent taxes. Upon payment, the county treasurer is required, with certain exceptions, to issue a quitclaim deed to the purchaser. Existing law provides an exception to this requirement to issue a quitclaim deed under certain circumstances, if, not later than 5 p.m. on the third business day immediately preceding the day of the sale by the county treasurer, a municipality provides the county treasurer with an affidavit that meets certain requirements. (NRS 361.595) **Section 6** of this bill provides instead that, under certain circumstances, the county treasurer may not issue the quitclaim deed if, not later than the close of business of the county treasurer on the third business day immediately preceding the day of the sale by the county treasurer, a municipality provides the county treasurer with an affidavit that meets certain requirements.

Existing law requires the superintendent of schools in a school district in this State which has more than 100,000 pupils enrolled in its public schools (currently the Clark County School District) to assign a school associate superintendent to oversee one or more local school precincts. (NRS 388G.620) Existing law prescribes the duties of a school associate superintendent, including requiring a school associate superintendent to provide a report in person, not less than quarterly, to the governing body of each city and county within which a local school precinct to which he or she is assigned to oversee is located. (NRS 388G.630) **Section 7** of this bill eliminates the requirement to report to a county.

Exiting law authorizes a board of county commissioners to grant a franchise to construct, install, operate, and maintain street railways, electric light, heat and power lines, gas and water mains and telephone lines, among certain other things. (NRS 709.050) Any person or entity desiring a franchise is required to file an application in writing with the board of county commissioners wherein the franchise is to be exercised. (NRS 709.060) Notice of such an application is required to be given at the next regular meeting of the board and is required to be: (1) published once each week for 4 consecutive weeks in a newspaper of general circulation published in the county, subject to certain exceptions; and (2) posted in three public places nearest where the application will take

effect, and if more than one unincorporated town is affected, posted in three public places in each of the unincorporated towns. (NRS 709.070) **Section 8** of this bill revises such requirements to post the notice from three places to one place if more than one unincorporated town is affected by reducing the postings required in public places in each of the unincorporated towns.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

ASSEMBLYMEMBER JAUREGUI:

I know we recently adopted another Assembly resolution granting the leave to show our appreciation, but this one officially expresses and recognizes the Assembly staff of the 83rd Legislative Session. They are the unsung heroes of everything we do here in this Chamber. We could not do our work without them; the late nights, making sure that we have all of the documents and everything we need to run an efficient Floor. Please join me in showing them our appreciation and supporting this resolution.

Assembly Resolution No. 7—Expressing appreciation to the staff of the Legislative Counsel Bureau for their service during the 83rd Session of the Nevada Legislature.

Remarks by Assemblymember Monroe-Moreno.

ASSEMBLYMEMBER MONROE-MORENO:

You all know that the work that we do is tiresome, and it is hard, and it is long. But the work that our fiscal staff, our legal staff, the sergeant at arms, our security, [and] our LCB police do, it starts long before we ever get in these seats. We could not do the work that we do if it were not for them; they make us all look good. I want to thank them for the long hours that they put in before the session ever begins. Getting the Ways and Means and Senate Finance Committee ready, making sure that all the name plates and everything are where they are supposed to be. Some people say that, as a Ways and Means Chair, I make miracles happen; I could not do those miracles if it were not for our legal staff, and especially, our fiscal staff. Thank you for making us all look good, and thank you for making me look good, and making this job a lot easier than it could be. We appreciate you more than you will ever know.

SENATORS NGUYEN, STONE, TITUS; BUCK, CRUZ-CRAWFORD, DALY, KRASNER, OHRENSCHALL AND SCHEIBLE

JOINT SPONSORS: ASSEMBLYMEMBERS JAUREGUI AND KASAMA

AN ACT relating to insurance; requiring health insurers, pharmacy benefit managers and the Commissioner of Insurance to prepare certain reports; expanding the scope of certain provisions relating to pharmacy benefit

managers; prohibiting pharmacy benefit managers from engaging in certain practices; requiring pharmacy benefit managers to make certain disclosures; imposing requirements relating to the compensation of pharmacy benefit managers; revising requirements relating to the collection of certain medical debt; providing civil and criminal penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires a pharmacy benefit manager, which is an entity that manages a pharmacy benefits plan, to obtain a certificate of registration as an insurance administrator from the Commissioner of Insurance and comply with the requirements that apply to insurance administrators generally. (NRS 683A.025, 683A.08522-683A.0893) Existing law additionally imposes certain requirements specifically regulating the operation of pharmacy benefit managers. (NRS 683A.171-683A.179) Existing law defines "pharmacy benefits plan" to refer to insurance coverage of prescription drugs. (NRS 683A.175) **Section 21** of this bill expands the scope of that definition to also refer to insurance coverage of pharmacist services. **Section 21** thereby expands the scope of provisions governing pharmacy benefit managers to also apply to entities that manage such coverage. **Sections 3-14** of this bill define certain other terms relevant to pharmacy benefit managers, and **section 20** of this bill establishes the applicability of those definitions. **Section 15** of this bill prohibits a pharmacy benefit manager that manages a pharmacy benefits plan which provides coverage through a network from requiring a person to use a pharmacy affiliated with the pharmacy benefit manager if there are other, nonaffiliated pharmacies in the network. **Section 15** additionally prohibits a pharmacy benefit manager from engaging in certain practices which are intended to steer or have the effect of steering a person towards an affiliated pharmacy instead of a nonaffiliated pharmacy in the network. **Section 15** also prohibits a pharmacy benefit manager from discriminating against a nonaffiliated pharmacy.

Section 16 of this bill requires a pharmacy benefit manager to disclose to a third party insurer for which the pharmacy benefit manager manages a pharmacy benefits plan: (1) the amounts and types of fees that the pharmacy benefit manager charges the third party insurer for managing the plan or otherwise receives from other entities, including rebates, in connection with managing the plan; and (2) certain information relating to the clinical efficacy and evidence regarding the inclusion or exclusion of certain drugs in a formulary. **Section 16** additionally requires a pharmacy benefit manager to make certain contracts available for inspection by the Commissioner.

Sections 25, 27-32, 35 and 36 of this bill require certain third party insurers to calculate any cost-sharing obligation for a prescription drug assessed against an insured for the prescription drug: (1) based on the net price that the third party insurer or a pharmacy benefit manager with which the insurer has contracted pays for the drug; and (2) at the point-of-sale. **Section 26** of this bill authorizes the Commissioner to require a domestic insurer that issues a policy

of individual health insurance to a person residing in another state to meet the requirements of **section 25** in certain circumstances. **Sections 33 and 37** of this bill indicate that the requirements of **sections 32 and 36**, respectively, are inapplicable to: (1) coverage provided by a managed care organization to recipients of Medicaid because existing law imposes similar requirements of the Medicaid program; and (2) coverage provided by a managed care organization to members of the Public Employees' Benefits Program. (NRS 422.4053) **Section 41** of this bill makes the requirements of **section 36** inapplicable to coverage provided by the Public Employees' Benefits Program to its members. **Section 34** of this bill authorizes the Commissioner to suspend or revoke the certificate of a health maintenance organization that fails to comply with the requirements of **section 32**. The Commissioner would also be authorized to take such action against other third party insurers who fail to comply with the requirements of **sections 25, 27-32, 35 and 36**. (NRS 680A.200)

Section 17 of this bill prohibits a pharmacy benefit manager from: (1) unreasonably obstructing or interfering with the ability of a covered person to timely access a prescription drug at certain pharmacies; (2) agreeing to exclusively cover certain drugs; (3) restricting the ability of a nonaffiliated pharmacy to contract with certain entities; and (4) making or disseminating a false or misleading statement or advertisement. **Section 24** of this bill additionally prohibits a pharmacy benefit manager from engaging in certain practices while doing business with pharmacies.

Section 19 of this bill requires a pharmacy benefit manager to submit to the Commissioner an annual report detailing certain business practices of the pharmacy benefit manager as well as certain information regarding pricing and rebates relating to the prescription drugs administered by the pharmacy benefit manager. **Section 1** of this bill requires third party insurers that provide coverage for prescription drugs to submit a similar report to the Commissioner relating to the pricing of prescription drugs. **Section 39** of this bill provides for the confidentiality of the information contained in those reports. **Sections 1 and 19** require the Commissioner to compile, submit to the Legislature and publish on the Internet biennial reports on the impact of the cost of prescription drugs on health insurance premiums in this State and the overall impact of pharmacy benefit managers on the cost of prescription drugs in this State, based on the reports submitted by third party insurers and pharmacy benefit managers, respectively. Additionally, **section 18** of this bill requires the Commissioner to publish on the Internet certain consumer complaints made against pharmacy benefit managers.

Existing law exempts certain federally regulated insurance coverage of prescription drugs provided by employers for their employees from requirements governing pharmacy benefit managers except where the pharmacy benefit manager is required by contract to comply with those requirements. (NRS 683A.177) **Section 22** of this bill provides that such federally regulated coverage provided by employers for their employees is also

exempt from the requirements of this bill governing pharmacy benefit managers, unless required by contract to comply with those requirements. Additionally, **sections 21.5 and 22** of this bill exempt coverage of prescription drugs provided by the Public Employees' Benefits Program, insurance plans for local government employees and Medicaid managed care organizations from the requirements of this bill governing pharmacy benefit managers.

Existing law provides that a pharmacy benefit manager has an obligation of good faith and fair dealing toward a third party insurer or pharmacy when performing duties pursuant to a contract to which the pharmacy benefit manager is a party. (NRS 683A.178) **Section 23** of this bill provides that a pharmacy benefit manager also has a fiduciary duty to persons covered by a third party insurer for which the pharmacy benefit manager provides pharmacy benefit services. **Section 23** also: (1) prohibits a pharmacy benefit manager from engaging in an activity that may interfere with the duties and obligations of the pharmacy benefit manager towards third party insurers, pharmacies and covered persons; and (2) authorizes a third party insurer to audit the books and records of a pharmacy benefit manager for certain purposes.

Section 18 provides that a pharmacy benefit manager that violates provisions of law governing pharmacy benefit managers, including **sections 3-24**, is subject to a civil penalty of not less than $1,000 but not more than $7,500 for each violation.

Additionally, any violation of **sections 3-24** would be a misdemeanor. (NRS 683A.490)

If enacted, **sections 13-15** of Assembly Bill No. 343 (A.B. 343) of this session will require a hospital to publish certain information about its prices. **Section 17** of A.B. 343 prohibits a hospital from taking certain action to collect medical debt while the hospital is not in compliance with those requirements or certain similar federal requirements. (45 C.F.R. §§ 180.40, 180.50, 180.60) **Section 41.5** of this bill narrows the applicability of that prohibition to only apply to certain medical debt to which the failure to publish accurate pricing information is directly relevant. **Section 41.7** of this bill makes a conforming change to A.B. 343 to reflect the revisions made by **section 41.5**.

9. If the Department receives a copy of an order requiring a person to install an ignition interlock device in a motor vehicle pursuant to NRS 484C.460, the Department shall issue an ignition interlock privilege to the person after he or she submits proof of compliance with the order. A person who is required to install an ignition interlock device pursuant to NRS 484C.210 or 484C.460 shall install the device not later than 14 days after the date on which the order was issued. Remarks by Assemblymember Hansen.

ASSEMBLYMEMBER HANSEN:

I rise in respectful opposition to Senate Bill No. 217. Let me first say that in vitro fertilization, IVF, has brought immeasurable joy to countless families; families who longed for children and were blessed with that gift through the miracles of modern medicine. It is a powerful technology and when practiced with ethical standards and a respect for life, can be a profound good. As someone who is both deeply pro-life and committed to thoughtful policy making, and the grandmother of some IVF babies that are my lovely grandchildren—I want to affirm that however, Senate Bill No. 217 has serious problems; not with the goal of supporting families seeking fertility treatment, but with how it redefines the moral and scientific foundation of human life, undermines accountability, and poses long term risk to both public and private insurance systems. For these reasons, I respectfully urge my colleagues to vote "no" on Senate Bill No. 217.

UNFINISHED BUSINESS

Assembly Bill No. 376.

The following Senate amendment was read:

Amendment No. 930.

ASSEMBLYMEMBERS O'NEILL, GRAY, DICKMAN, DELONG; AND GALLANT

JOINT SPONSOR: SENATOR BUCK

AN ACT relating to insurance; requiring the Commissioner of Insurance to establish and administer the Regulatory Experimentation Program for Insurance Product Innovation; setting forth requirements for the operation of the Program; authorizing certain property insurers to file a proposed increase in a rate for certain lines of insurance through a program of flex-rated filing; revising requirements relating to insurance coverage for the peril of wildfire; revising certain requirements for reciprocal insurers; revising provisions relating to captive insurers; revising requirements relating to insurance coverage for common-interest communities; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Commissioner of Insurance to regulate insurance in this State and enforce the provisions of the Nevada Insurance Code. (NRS 679B.120) **Section 9** of this bill requires the Commissioner to establish and administer the Regulatory Experimentation Program for Insurance Product Innovation, which is a 4-year program to enable an authorized insurer who offers at least one insurance product that provides property insurance coverage for real or personal property located in this State outside of the Program to test a qualified insurance product in this State without complying with certain provisions of the Nevada Insurance Code or certain regulations adopted pursuant thereto that would otherwise be required outside of the Program. **Section 7** of this bill defines "qualified insurance product" to mean an insurance product that provides property insurance coverage for real or personal property located in this State.

Section 12 of this bill sets forth the process by which an authorized insurer may apply to participate in the Program. **Section 12** requires the application of the applicant to include, among other information, an explanation of any exemption from the provisions of the Nevada Insurance Code or the regulations adopted pursuant thereto that the applicant is requesting. **Section 13** of this bill requires the Commissioner to approve or deny an application within 90 days after the completed application is received. **Section 14** of this bill requires the Commissioner to provide written notice of the approval or denial of an application. Under **section 15** of this bill, if an application is approved, the qualified insurance product offered or provided through the Program, with certain exceptions, is exempt from the provisions of the Nevada Insurance Code and the regulations adopted pursuant thereto for which an exemption was requested in the application to participate in the Program. **Section 15** also limits the period of testing for a qualified insurance product under the Program to 36 months, with one extension of not more than 12 months if approved by the Commissioner.

Section 10 of this bill requires the Commissioner to adopt regulations to carry out the Program.

Section 11 of this bill requires certain disclosures to be provided before providing a consumer a qualified insurance product through the Program.

Section 16 of this bill sets forth certain requirements relating to the retention of records and reporting by a participant in the Program. **Sections 17 and 26** of this bill set forth certain requirements concerning the confidentiality and disclosure of records relating to the Program.

Section 18 of this bill requires the Commissioner to submit a report to the Legislature concerning the Program on or before January 1, 2029.

Sections 19 and 20 of this bill authorize the Commissioner to take certain actions against a participant in the Program who commits certain violations or engages in any act or omission that the Commissioner determines is inconsistent with the health, safety or welfare of consumers or the public generally.

Sections 3-8 of this bill define certain words and terms relating to the Program.

Under existing law, with certain exceptions, insurers and certain rate service organizations are required to file with the Commissioner all rates and proposed increases thereto, as well as the forms of policies to which the rates apply, supplementary rate information and any changes or amendments to the rates. Existing law requires that such a filing be filed not less than 30 days before the proposed effective date of the filing, with certain exceptions. (NRS 686B.070) Existing law sets forth procedures by which the Commissioner is required to approve or disapprove a proposed increase or decrease in a rate for any kind or line of insurance, other than certain health plans. (NRS 686B.110)

Sections 20.3 and 21 of this bill provide an alternative method by which certain insurers may make a filing for a proposed increase in a rate for certain types of insurance. **Section 20.3** requires the Commissioner to establish a program of flex-rated filing to allow an insurer that issues certain lines of property insurance to make a filing for that line of insurance if the proposed increase does not exceed certain thresholds established by the Commissioner and certain other requirements are met. **Section 20.3** sets forth certain requirements for making a filing for a proposed increase in a rate to qualify to be filed under the program of flex-rated filing. If the Commissioner finds, within 15 days after the filing is made, that the filing fails to meet such requirements, **section 20.3** authorizes the Commissioner to treat the filing in the same manner as other proposed increases in a rate filed outside the program of flex-rated filing. If the Commissioner does not make such a determination within that time, the filing is deemed to be approved. **Section 20.5** of this bill applies the definitions set forth under existing law governing rate filings to the provisions of **section 20.3**. **Section 20.7** of this bill excludes property insurance for business and commercial risks from the provisions of **section 20.3**.

Section 25.1 of this bill authorizes an insurer that issues a policy of property insurance to exclude the peril of wildfire from the coverage provided under the

policy. **Section 25.1** additionally authorizes an insurer to issue a policy of property insurance that solely covers the peril of wildfire.

Existing law sets forth various requirements and restrictions for the operation of a reciprocal insurer. (Chapter 694B of NRS) Existing law sets forth certain rules that the Commissioner is required to apply in determining the financial condition of a reciprocal insurer, including rules concerning the computation of reserves. (NRS 694B.150) **Section 25.3** of this bill revises those rules concerning reserves to require instead that the reserves of a reciprocal insurer be maintained as required by **section 25.2** of this bill. **Section 25.2** requires a reciprocal insurer at all times to maintain an unearned premium reserve in a certain amount and sets forth the manner in which that amount must be calculated. If, at any time, the amount of the unearned premium reserve maintained by a reciprocal insurer is less than $100,000, **section 25.2** requires the reciprocal insurer to maintain cash or securities acceptable to the Commissioner in an amount that, when added to the amount of the unearned premium reserve maintained, equals not less than $100,000.

Existing law provides for the licensure and regulation of captive insurers. (Chapter 694C of NRS) **Section 25.5** of this bill removes provisions prohibiting a captive insurer from directly providing homeowners' insurance coverage. **Section 25.5** authorizes an association captive insurer to insure the risks of individual homeowners who combine into an association for the purpose of procuring homeowners' insurance or the risks of individual units' owners in a common-interest community so long as the association captive insurer is owned by the association created by the homeowners or the unit-owners' association, as applicable. **Sections 25.4 and 25.5** of this bill authorize a sponsored captive insurer to insure the risks of individual homeowners who elect to become a participant of a protected cell of a sponsored captive insurer.

Existing law requires a unit-owners' association in a common-interest community to maintain certain insurance coverage, including property insurance on the common elements of the community. ~~[(NRS 116.3113) Section 25.6 of this bill removes provisions which require]~~ **Existing law requires** such property insurance for buildings with units divided by certain boundaries to include the units to the extent reasonably available. **(NRS 116.3113) Section** ~~[25.7 of this bill makes a conforming change to eliminate a reference to provisions removed in section]~~ **25.6** ~~[.]~~ **of this bill provides that the requirement concerning the inclusion of the units in the property insurance coverage does not apply to property insurance maintained by an association which covers the peril of wildfire and which coordinates with or subrogates individual policies of property insurance maintained by the units' owners that cover the peril of wildfire.**

1. The Commissioner shall establish a program of flex-rated filing to allow an insurer that issues a line of property insurance that provides coverage for real property to make a filing for a proposed increase in a rate for that line of insurance under the program, in lieu of making a filing pursuant to NRS 686B.070, if the proposed increase does not exceed either of the flex-rated filing thresholds established by the Commissioner and all other requirements of this section are met.

2. To qualify for filing under the program of flex-rated filing established pursuant to this section:

(a) The filing must be limited solely to a proposed increase in a rate and must not contain changes to any supplementary rate information;

(b) The proposed increase in the rate must not exceed either of the flex-rated filing thresholds which are in effect at the time the filing is made;

(c) The proposed increase must not take effect for any existing policyholder that will be affected by the proposed increase until the date on which the policy of the policyholder is renewed; and

(d) The date on which the first existing policyholder will be affected by the proposed increase must be not earlier than 45 days after the date on which the filing is made.

3. An insurer may not make a filing for a proposed increase in a rate under the program of flex-rated filing established pursuant to this section if:

4. The Commissioner shall review each proposed increase in a rate filed under the program of flex-rated filing established pursuant to this section. If the Commissioner, within 15 days after the date on which the filing is made, finds that a proposed increase does not comply with the provisions of subsection 2 or 3 or subsection 1 of NRS 686B.050, the Commissioner shall provide notice to the insurer and subsequently treat the filing as if it were

filed pursuant to NRS 686B.070. If the Commissioner has not provided the notice to the insurer within 15 days after the date on which the filing is made, the filing shall be deemed to be approved.

5. On or before June 1, 2026, the Commissioner shall establish the maximum percentage of overall rate impact and the maximum percentage of individual rate disruption for a filing for a proposed increase in a rate to qualify for filing under the program of flex-rated filing established pursuant to this section. For the purposes of this section, the filing of a proposed increase in a rate under the program of flex-rated filing established pursuant to this section shall be deemed to be made on the date on which it is submitted to the Commissioner using the System for Electronic Rates and Forms Filing developed and implemented by the National Association of Insurance Commissioners or any successor system.

Assembly Bill No. 381.

The following Senate amendment was read:

Amendment No. 963.

AN ACT relating to animals; revising provisions governing the seizure of animals under certain circumstances; ~~[revising provisions governing acts constituting torture or cruelty to animals;]~~ revising certain penalties and remedies for acts of animal cruelty; ~~[authorizing a court to issue a temporary restraining order against a person who commits certain acts of animal cruelty;]~~ revising certain provisions governing the ownership and care of animals

treated cruelly; **revising provisions relating to immunity from civil liability for certain actions taken to protect or remove a pet from a motor vehicle under certain circumstances;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Under existing law, "torture" of or "cruelty" to an animal includes every act, omission or neglect, whereby unjustifiable physical pain, suffering or death is caused or permitted. (NRS 574.050) Section 2 of this bill separates the definition of "torture" of and "cruelty" to animals to provide that: (1) "cruelty" includes every act, omission or neglect, whereby unjustifiable physical pain, suffering or death of an animal is caused or permitted; and (2) "torture" means every act taken to inflict on or prolong pain, suffering or death to an animal.~~

~~Section 1.6 of this bill authorizes a court to issue a temporary restraining order against a person charged with committing certain unlawful acts of animal cruelty.]~~

Existing law requires certain officers to: (1) take possession of an animal which is being treated cruelly ~~[;]~~ **and provide the animal with shelter and care or, with the permission of the owner, humanely destroy the animal;** and (2) give to the owner a notice containing certain information. **(NRS 574.055) Section 3 of this bill also authorizes an officer that takes possession of an animal to destroy the animal in a humane manner if: (1) the officer obtains an order from a court; or (2) a licensed veterinarian, veterinarian technician or euthanasia technician examines the animal and recommends that the animal be humanely destroyed.**

Upon proof that proper notice has been given, existing law authorizes a court of competent jurisdiction to order the animal sold at auction, humanely destroyed or continued in the care of the officer. (NRS 574.055) ~~[Sections 1.2 and]~~ **Section** 3 ~~[of this bill reorganize these provisions. Section 1.2 further requires that, in a county whose population is 100,000 or more (currently Clark and Washoe Counties), if an officer takes possession of an animal being treated cruelly and determines that immediate humane euthanasia of the animal may be necessary, a licensed veterinarian must examine the animal and recommend the humane euthanasia of the animal before the humane euthanasia may proceed. Section 14 of this bill makes a conforming change to provide that a pet removed from a motor vehicle under certain circumstances is an animal being treated cruelly for the purposes of taking possession of the animal under section 1.2.~~

~~Section 3]~~ removes the authorization for a court to order the animal sold at auction.

Existing law provides that, with certain exceptions, the seizure and disposition of an animal which an officer discovers is being treated cruelly does not apply to any animal which is located on land being employed for an agricultural use. (NRS 574.055) **Section 3** removes this exception.

Existing law provides that a person who engages in certain acts of torture or cruelty to animals is guilty of a misdemeanor for a first offense, except if the

person: (1) willfully and maliciously engages in such an act, the person is guilty of a category D felony; or (2) commits the act to threaten, intimidate or terrorize another person, the person is guilty of a category C felony. (NRS 574.100) **Section ~~[1.4]~~ 4** of this bill provides instead that ~~[certain acts related to torture or the unjustifiable maiming, mutilating or killing of certain animals is subject to enhanced penalties as follows: (1) a knowing or reckless violation is a category D felony; (2)]~~ a willful and malicious violation ~~[is a category C felony ; (3)]~~ **where the act causes the death of the animal and** committing the act to threaten, intimidate or terrorize another person ~~[is]~~ **are both** a category B felony, punishable by imprisonment in the state prison for a minimum term of 1 year and a maximum term of 6 years. ~~[Additionally, section 1.4 provides that the following willful and malicious violations are subject to enhanced penalties: (1) restraining a dog in certain manners is, with certain exceptions, a gross misdemeanor; (2) abandoning an animal in certain circumstances is a category C felony; and (3) committing certain acts of animal cruelty to an animal which causes the death of the animal is a category B felony, punishable by imprisonment in the state prison for a minimum term of 1 year and a maximum term of 6 years and a fine of not more than $10,000.~~

~~Sections 10, 12, 13 and 15, respectively, of this bill provide that a person who has received an enhanced sentence for such acts of animal cruelty: (1) may not receive a deferred judgment from the court; (2) is subject to a maximum period of probation or suspension of a sentence of 60 months; (3) is not eligible for the Division of Parole and Probation of the Department of Public Safety to petition a court to recommend the early discharge of the person from probation; and (4) is not eligible to have certain credits deducted from the minimum term or minimum aggregate term imposed by his or her sentence of judgment.]~~

Existing law prohibits the owner, possessor or person in charge or custody of a maimed, diseased, disabled or infirm animal from abandoning the animal, leaving the animal to die in certain public places or allowing the animal to lie in certain public places for more than 3 hours after the person receives notice that the animal is left disabled. A violation of this prohibition is a misdemeanor. (NRS 574.110) Existing law also prohibits a person from abandoning an animal in any other circumstance, with certain exceptions for feral cats. A violation of this prohibition is a misdemeanor that is subject to certain enhanced penalties under certain circumstances. (NRS 574.100) Section 4 ~~[of this bill provides that it is an affirmative defense to a violation of certain acts of animal cruelty if the person reasonably believes that the person was engaging in the reasonable discipline of the animal.]~~ prohibits the abandonment of an animal in all circumstances, with certain exceptions for feral cats. Section 15.5 of this bill repeals the existing law relating to the abandonment of a maimed, diseased, disabled or infirm animal. As a result of this change, the abandonment of an animal, regardless of the health of the animal, is subject to the same penalties and penalty enhancements.

Existing law provides that a person who engages in certain acts of torture of or cruelty to a police animal is guilty of: (1) a category D felony if the police animal is not totally disabled or killed; and (2) a category C felony if the police animal is totally disabled or killed. (NRS 574.105) **Section 5** of this bill increases these penalties to a ~~[category C felony if the police animal is not totally disabled or killed and a]~~ category B felony if the police animal is totally disabled or killed~~.~~

~~Existing law prohibits the owner, possessor or person in charge or custody of a maimed, diseased, disabled or infirm animal from abandoning the animal, leaving the animal to die in certain public places or allowing the animal to lie in certain public places for more than 3 hours after the person receives notice that the animal is left disabled. A violation of this prohibition is a misdemeanor. (NRS 574.110) Section 5.5 of this bill instead prohibits the intentional abandonment or leaving to die of any animal, including a maimed, diseased, disabled or infirm animal, by such a person and makes a violation of this prohibition a gross misdemeanor.]~~ **, punishable by imprisonment in the state prison for a minimum term of not less than 1 year and a maximum term of not more than 6 years.**

Existing law sets forth the applicability of certain provisions relating to cruelty to animals. Existing law requires, if a child is adjudicated delinquent for an unlawful act that involves cruelty to or torture of an animal, the juvenile court to order the child to participate in counseling or other psychological treatment. (NRS 202.487) Section 14 of this bill provides that a person who is immune from civil liability for taking such actions is also immune from criminal liability. Section 14 also authorizes any other person to whom existing law does not grant immunity from civil liability to use any reasonable means necessary to protect a pet left unattended and to remove the pet from the motor vehicle without incurring civil or criminal liability if the person: (1) determines that the motor vehicle is locked or there is no other reasonable way to protect the pet or remove the pet from the vehicle; (2) reports the violation to a law enforcement agency or certain other governmental entities; (3) remains with the pet until informed that his or

AN ACT relating to economic development; authorizing the creation of an industrial park in a contiguous area that meets certain requirements; authorizing the creation of a tax increment area and the issuance of bonds and other securities for certain projects within an inland port or industrial park; requiring the designation of a teacher or other licensed educational personnel to coordinate career pathways programs at each high school which offers such programs; creating the Career Pathways Oversight Committee; requiring the appointment of a Career Pathways Oversight Coordinator; revising provisions governing the Teacher Academy College Pathway Program; revising provisions governing the program for reimbursement of tuition and fees paid by teachers who completed the Program; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law sets forth the Inland Port Authority Act, which authorizes one or more boards of county commissioners of a county or governing bodies of an incorporated city to apply to the Office of Economic Development to create, operate and maintain an inland port and inland port authority in a contiguous area that includes certain transportation infrastructure and no residential property. (NRS 277B.150) **Sections 8-15, 17 and 18** of this bill revise the Inland Port Authority Act to additionally authorize the creation, operation and maintenance of an industrial park and an industrial park authority and makes the existing provisions of the Act applicable to industrial parks and industrial park authorities. **Section 8** provides that the Act may now be known and cited as the Inland Port and Industrial Park Authority Act. **Section 2** of this bill defines the term "industrial park." **Section 11** requires any area designated as an "industrial park" to include only property that includes or is adjacent to an inland port.

Section 5 of this bill authorizes a participating entity in an inland port or industrial park to adopt an ordinance creating a tax increment area consisting of all or part of the inland port or industrial park for the purpose of creating a special account for the payment of bonds or other securities issued to defray the cost of certain projects within the inland port or industrial park. If a participating entity designates such a tax increment area, **section 5** provides for the allocation of a portion of the taxes levied upon taxable property in the tax increment area each year to pay the bond requirements of loans, money advanced to, or indebtedness incurred by the municipality to finance or refinance the project. **Section 5.5 of this bill provides for the payment of**

prevailing wage with respect to work performed in relation to an undertaking that receives an allocation of tax revenue pursuant to section 5. **Section 7** of this bill authorizes the issuance of such bonds or securities by counties or incorporated cities that have created an inland port or industrial park. **Section 4** of this bill sets forth the projects of an inland port or industrial park which may be undertaken using the funding generated by the tax increment area. **Section 3** of this bill defines the term "municipality" for the purposes of the Inland Port and Industrial Park Authority Act. **Section 9** of this bill applies the new definitions created by this bill to the existing provisions of the Inland Port and Industrial Park Authority Act.

Sections 6 and 20 of this bill exempt a tax increment area created pursuant to **section 5** from certain limits on revenue from taxes ad valorem.

Section 12 authorizes the Office to initiate the creation of an inland port or industrial park and authority with the approval of the Board of Economic Development.

Existing law requires an inland port authority to be governed by a board of directors and sets forth the composition of such a board. (NRS 277B.200) **Section 16** of this bill adds an additional director to the board if none of the participating entities in the authority is a city and requires this director to be appointed by the Governor.

Existing law: (1) requires each large school district, meaning a school district in this State which has more than 100,000 pupils enrolled in its public schools (currently the Clark County School District), to offer a Teacher Academy College Pathway Program at every high school in the school district with 250 or more pupils enrolled to enable pupils in grades 9 to 12 to prepare for employment as professionals in K-12 education; and (2) authorizes a large school district, or a school district which is not a large school district, to offer the Program at other high schools. (NRS 388.223) **Section 25** of this bill excludes specialty schools from the high schools at which a large school district is required to offer the Program. **Section 25** requires a school district to offer dual credit courses at each high school which offers the Program in subjects which align with the requirements to obtain a bachelor's degree in education and in sufficient quantity to allow a pupil to obtain at least 12 units of college credit. **Section 25** authorizes a school district to apply to the State Board of Education for an exemption from the requirement to offer certain internships and dual credit courses as part of the Program at a high school which is not located in an incorporated city if the school district can demonstrate that the location of the high school makes providing such internships or courses impracticable.

Section 25 authorizes a high school pupil, or a parent or legal guardian of such a pupil, who is aggrieved by a final decision regarding the implementation of the Program made by an administrator of the high school or the board of trustees to request a hearing for reconsideration of the decision by the board of trustees.

Existing law requires a school district to ensure that each high school which offers the Program is staffed by a full-time employee who is a licensed teacher or administrator who is responsible for implementing the Program. (NRS 388.223) **Section 25** replaces this requirement with a requirement for a school district to ensure that at least one licensed teacher be assigned full-time to implement and teach the Program at each high school which offers the Program if more than two class periods in the Program will be offered at the high school.

Section 25 requires that for a pupil to complete the Program, the pupil must: (1) complete at least 2 academic years in a program of career and technical education in the area of teaching or in approved dual credit courses in the area of teaching; and (2) participate in at least 15 hours of paid or unpaid work-based learning which is relevant to the field of teaching.

Existing law requires the State Treasurer to establish a program to provide reimbursement for tuition charges, registration fees, laboratory fees and any other mandatory fee paid to an institution within the Nevada System of Higher Education by a person who: (1) completed the Program; and (2) has worked as a full-time, licensed teacher at a public school in this State for at least 3 consecutive school years. Under existing law, the State Treasurer is authorized to provide a partial reimbursement to persons who have completed the Program and who have worked as a full-time, licensed teacher at a public school in this State for 1 year or 2 consecutive years. (NRS 226.420) **Section 19** of this bill requires the Program to be established in coordination with the Department of Education, and additionally requires that to be eligible for such a reimbursement or partial reimbursement, a person must have completed the application for federal student aid and have successfully completed at an institution in the Nevada System of Higher Education a program to become a licensed teacher. **Section 19** also authorizes a person who was not able to complete the Program because of circumstances beyond the control of that person to obtain the reimbursement or partial reimbursement from the State Treasurer, if the person meets the other requirements for such a reimbursement or partial reimbursement. Finally, **section 19** provides that student education loans are not a form of financial aid or financial assistance that may be applied to reduce the reimbursement or partial reimbursement received from the State Treasurer.

Existing law requires the Governor's Office of Workforce Innovation to: (1) establish and administer a Career Pathways Demonstration Program; and (2) establish a program for work-based learning opportunities outside of school for pupils enrolled in grades 7 to 12, in coordination with the Department of Education. (NRS 232.985, 232.990) **Sections 22 and 23** of this bill designate these programs, as well as the Teacher Academy College Pathway Program, as career pathways programs. **Section 22** requires a school district which offers a career pathways program at a high school to designate a teacher or other licensed educational personnel, including, without limitation a school counselor, at the high school to coordinate career pathways programs.

Section 23 creates within the Department of Education a Career Pathways Oversight Committee and requires the Committee to: (1) establish metrics to measure the success of the career pathways programs; (2) evaluate the progress and success of the career pathways programs; (3) evaluate programs for dual credit provided by the Nevada System of Higher Education; (4) report certain findings to the State Board and the Joint Interim Standing Committee on Education; and (5) identify state agencies with the jurisdiction and expertise to oversee, implement and regulate the career pathways programs for different industries. **Section 23** requires the Superintendent of Public Instruction to appoint an employee of the Department to act as the Career Pathways Oversight Coordinator to provide certain technical support and assistance in implementing career pathways programs.

Sec. 5. ***1. If an inland port or industrial park is created by one participating entity, the participating entity, on behalf of the county or incorporated city in which the inland port or industrial park is located, may adopt an ordinance creating a tax increment area within the inland port or industrial park consisting of all or any portion of the inland port or***

industrial park for the purpose of creating a special account for the payment of bonds or securities issued or loans, money advanced or indebtedness incurred to defray the costs of an undertaking, as supplemented by the Local Government Securities Law.

2. If an inland port or industrial park is created by two or more participating entities, the participating entities may enter into an interlocal or cooperative agreement for the ordering of an undertaking whose boundaries encompass all or part of the inland port or industrial park and the creation of a tax increment area and the tax increment account pertaining thereto. A tax increment area created pursuant to this subsection must be administered as provided in the interlocal or cooperative agreement, notwithstanding any provision of this section to the contrary. If the participating entities enter into an interlocal or cooperative agreement pursuant to this subsection, the participating entities may, in accordance with the procedures set forth in the interlocal or cooperative agreement:

(b) Enter into contracts for the undertaking; and

(c) Issue bonds or otherwise finance the cost of the undertaking.

➥ The amount of taxes to be allocated to a tax increment account pursuant to subsection 5 must be computed separately for the original tax increment area and each addition of land thereto.

4. A participating entity shall not adopt an ordinance creating a tax increment area pursuant to this section unless:

(a) The board has determined that the undertaking described in the ordinance is necessary or desirable to further the purposes of the inland port or industrial park.

(b) The participating entity makes a finding at a public hearing that the undertaking will benefit the inland port or industrial park.

5. After the effective date of the ordinance adopted pursuant to subsection 1, any taxes levied upon taxable property in the tax increment area each year by or for the benefit of the State, the municipality and any public body must be divided as follows:

(a) That portion of the taxes that would be produced by the rate upon which the tax is levied each year by or for each of those taxing agencies upon the total sum of the assessed value of the taxable property in the tax increment area as shown upon the last equalized assessment roll used in

connection with the taxation of the property by the taxing agency, must be allocated to, and when collected must be paid into, the funds of the respective taxing agencies as taxes by or for the taxing agencies on all other property are paid.

(b) Except as otherwise provided in this section, the portion of the taxes levied each year in excess of the amount determined pursuant to paragraph (a) must be allocated to, and when collected must be paid into, the tax increment account pertaining to the undertaking to pay the bond requirements of loans, money advanced to, or indebtedness, whether funded, refunded, assumed or otherwise, incurred by the municipality to finance or refinance, in whole or in part, the undertaking. Unless the total assessed valuation of the taxable property in the tax increment area exceeds the total assessed value of the taxable property in the tax increment area as shown by the last equalized assessment roll referred to in this subsection, all of the taxes levied and collected upon the taxable property in the tax increment area must be paid into the funds of the respective taxing agencies. When the loans, advances and indebtedness, if any, and interest thereon, have been paid, all money thereafter received from taxes upon the taxable property in the tax increment area must be paid into the funds of the respective taxing agencies as taxes on all other property are paid.

6. The portion of the taxes levied each year in excess of the amount determined pursuant to paragraph (a) of subsection 5 which is attributable to any tax rate levied by a taxing agency:

(a) To produce revenue in an amount sufficient to make annual repayments of the principal of, and the interest on, any bonded indebtedness that was approved by a majority of the registered voters within the area of the taxing agency voting upon the question, must be allocated to, and when collected must be paid into, the debt service fund of that taxing agency.

(b) In excess of any tax rate of that taxing agency applicable to the last taxation of the property before the effective date of the ordinance, if that additional rate was approved by a majority of the registered voters within the area of the taxing agency voting upon the question, must be allocated to, and when collected must be paid into, the appropriate fund of that taxing agency.

(c) Pursuant to NRS 387.3285 or 387.3287, if that rate was approved by a majority of the registered voters within the area of the taxing agency voting upon the question, must be allocated to, and when collected must be paid into, the appropriate fund of the taxing agency.

Sec. 5.5. The provisions of NRS 338.013 to 338.090, inclusive, apply to any construction work to be performed under any contract or other agreement related to any undertaking pursuant to this chapter. With respect to the undertaking, the participating entity, the owner of any property within a tax increment area created pursuant to this chapter, the developer, any contractor who is awarded the contract or enters into the agreement to perform the construction work and any subcontractor who performs any portion of the construction work related to such an undertaking shall comply with the provisions of NRS 338.013 to 338.090, inclusive, in the same manner as if the participating entity had undertaken the undertaking or had awarded the contract.

Sec. 7. *1. To defray in whole or in part the cost of any undertaking, a participating entity may issue the following securities:*

(a) Notes;

(b) Warrants;

(c) Interim debentures;

(d) Bonds; and

(e) Temporary bonds.

3. Securities issued pursuant to this section:

(a) Must be made payable from tax proceeds accounted for in the tax increment account maintained by the participating entity pursuant to section 5 of this act; and

(b) May, at the option of the participating entity and if otherwise so authorized by law, be made payable from the taxes levied by the participating entity against all taxable property within the boundaries of the participating entity.

➥ A participating entity may also issue general obligation securities other than the ones authorized by this chapter that are made payable from taxes without also making the securities payable from any net pledged revenues or

tax proceeds accounted for in the tax increment account maintained by the participating entity pursuant to section 5 of this act.

4. Any securities payable only in the manner provided in either paragraph (a) of subsection 3 or in both subsection 2 and paragraph (a) of subsection 3:

(b) While they are outstanding, do not exhaust the debt incurring power of the participating entity; and

(c) May be issued under the provisions of the Local Government Securities Law without any compliance with the provisions of NRS 350.020 to 350.070, inclusive, except as otherwise provided in the Local Government Securities Law, only after the issuance of municipal bonds is approved under the provisions of NRS 350.011 to 350.0165, inclusive.

5. Any securities payable from taxes in the manner provided in paragraph (b) of subsection 3, regardless of whether they are also payable in the manner provided in paragraph (a) of subsection 3 or in both subsection 2 and paragraph (a) of subsection 3:

(a) Are general obligations of the participating entity and are in their issuance subject to such debt limitation;

(b) While they are outstanding, do exhaust the power of the participating entity to incur debt; and

(c) May be issued under the provisions of the Local Government Securities Law only after the issuance of municipal bonds is approved under the provisions of:

(1) NRS 350.011 to 350.0165, inclusive; or

(2) NRS 350.020 to 350.070, inclusive,

➥ except for the issuance of notes or warrants under the Local Government Securities Law that are payable out of the revenues for the current year and are not to be funded with the proceeds of interim debentures or bonds in the absence of such bond approval under the two acts designated in subparagraphs (1) and (2).

Legislative Counsel's Digest:

Existing law requires, under certain circumstances, a person to provide certain information to vote in person, which may include depending on the circumstances, the voter's signature, proof of residency and identify, answering questions covering the voter's personal data or providing additional personal data. (NRS 293.2725, 293.277, 293.285, 293.303, 293.3081, 293.3082, 293.3085, 293.3585, 293.541, 293C.270, 293C.275, 293C.292, 293C.3035, 293C.3585) Section 1.4 of this bill requires that, in order to vote in person in any election, a registered voter verify his or her

identity by presenting certain forms of photo identification. If a registered voter does not have a form of photo identification, section 1.4 authorizes the registered voter to cast a provisional ballot. Sections 5.28-5.32 of this bill require such a voter to provide photo identification not later than 5 p.m. on the Friday following election day in order for such a provisional ballot to be counted.

Sections 5.14-5.24 and 9.12-9.2 of this bill make conforming changes to the requirement that voters present photo identification to vote in person, including eliminating existing requirements for the signatures of voters to be verified for in person voting.

Sections 5.26 and 9.22 of this bill apply the requirement for voters to show photo identification to voting at polling places established as vote centers.

Sections 5.34, 5.36, 9.24 and 9.26 of this bill apply the requirement for voters to show photo identification to the period for early voting.

Section 1.6 of this bill requires the Department of Motor Vehicles to issue an identification card at no charge to certain registered voters who are experiencing a financial hardship.

Section 1.8 of this bill requires the Secretary of State to issue a digital identification card at no charge to a registered voter. Section 9.5 provides that the Secretary of State is not required to issue such digital identification cards until January 1, 2028.

Existing law: (1) requires a general election to be held on the first Tuesday after the first Monday of November in each even-numbered year; and (2) provides that the period for early voting by personal appearance begins the third Saturday preceding a general election and extends through the Friday before election day. (NRS 293.12755, 293.3568) Existing law further requires each county clerk to establish: (1) a certain number of polling places where a person can vote during the period for early voting by personal appearance and on the day of the general election; and (2) a ballot drop box at every polling place in the county, including a polling place for early voting. (NRS 293.269921, 293.2731, 293.3564) Section 1.84 of this bill: (1) requires each county clerk in certain counties to, for the period beginning on the day after the last day for early voting by personal appearance and ending on the day before the day of the general election, establish a certain number of locations where a voter may return his or her mail ballot in a mail ballot drop box; and (2) requires such locations to be open for at least 7 hours each day, but not more than 12 hours each day, during that period. Specifically, in a county whose population is 700,000 or more (currently only Clark County), a county is required to establish 10 such locations, and in a county whose population is 100,000 or more but less than 700,000 (currently only Washoe County), a county clerk is required to establish 5 such locations. Section 1.84 further authorizes a county clerk in a county whose population is less than 100,000 (currently all counties other than Clark

and Washoe Counties) to establish any number of such locations and prescribe the hours for such locations to be open. Each location that is established by a county clerk pursuant to section 1.84 must be at a polling place that is used for early voting by personal appearance or a polling place for voting in person on the day of the election.

Section 4.6 of this bill provides that a mail ballot dropped in a mail ballot drop box pursuant to section 1.84 counts as a vote in the general election. Section 4.8 of this bill makes a conforming change to make certain provisions relating to mail ballots generally applicable to section 1.84.

Existing law requires a ballot drop box to meet certain requirements, including a requirement for the ballot drop box to be made available for use during the hours when the office of the county or city clerk or the polling place is open for business or voting, as applicable. (NRS 293.269921, 293C.26321) Sections 4.6 and 8.7 of this bill require a ballot drop box to be: (1) monitored at all times during such a period; and (2) secured during any period of time in which the ballot drop box is not available for use. Sections 4.6 and 8.7 additionally require the Secretary of State to adopt regulations to establish requirements for monitoring and securing ballot drop boxes.

Existing law authorizes, at the request of a voter whose mail ballot has been prepared by or on behalf of the voter, a person authorized by the voter to return the mail ballot on behalf of the voter by mail or personal delivery to the county clerk, or any ballot drop box established in the county by the county clerk. (NRS 293.269923) Section 4.7 of this bill additionally authorizes a person, under such circumstances, to return a mail ballot on behalf of a voter by returning the mail ballot to a mail ballot drop box established pursuant to section 1.84.

Section 2 of this bill requires ~~[each county clerk]~~ **the Secretary of State** to establish and maintain a voter services portal on the Internet website of the ~~[office of the county clerk,]~~ **Office of the Secretary of State,** which must allow any registered voter in the ~~[county]~~ **State** to: (1) review his or her voter registration information; (2) print any form necessary to update his or her voter registration information; (3) view his or her sample ballot; and (4) obtain the location of any polling place where the registered voter may vote or deliver a mail ballot to a ballot drop box. **Section 2** further ~~[: (1) authorizes a county clerk to request the assistance of the Secretary of State to establish and maintain the voter services portal; and (2)]~~ requires the county clerk to include on any communication to a registered voter a two-dimensional barcode, commonly known as a QR code, or another machine-readable code used for storing the Internet address for the voter services portal created by the ~~[county clerk pursuant to section 2.]~~ **Secretary of State.**

Existing law requires, with certain exceptions, the county or city clerk to send to each active registered voter certain information relating to voting by mail, including a mail ballot **,** ~~[and]~~ a return envelope ~~[.]~~ **and instructions.**

(NRS 293.269913, 293C.26312) **Sections 4 and 8** of this bill require the return envelope for a mail ballot to include: (1) a space for the voter to ~~[voluntarily]~~ write certain identifying information; and (2) a QR code or other machine-readable code that directs a voter to the voter services portal on the Internet website of the ~~[office of the county clerk.]~~ **Office of the Secretary of State. Sections 4 and 8 also require the instructions include: (1) an explanation that the voter must write on the return envelope an identifying number; and (2) the QR code or other machine-readable code that directs a voter to the voter services portal.**

Existing law requires the Secretary of State to prescribe the form of all envelopes in which mail ballots are sent to voters and return envelopes. (NRS 293.269913, 293C.26312) Sections 4 and 8 require that the design of all envelopes used by the county or city clerk to send mail ballots to registered voters and return envelopes must be submitted to and approved by the Secretary of State prior to use in any election.

Existing law requires: (1) the Secretary of State to establish and maintain a centralized, top-down database that collects and stores information relating to the preregistration of persons and the registration of electors from all the counties in this State; and (2) each county clerk to use the database to collect and maintain all records of preregistration and registration to vote. Under existing law, the Secretary of State is required to: (1) use the voter registration information collected in the database to create the official statewide voter registration list, which serves as the single method for storing and managing the official list of registered voters in this State; and (2) enter into a cooperative agreement with the Department of Motor Vehicles to match information in the database of the statewide voter registration list with information in the appropriate database of the Department to verify the accuracy of the information in an application to register to vote. (NRS 293.675)

Section 3 of this bill requires the Department of Motor Vehicles, on a regular basis, to submit electronically to ~~[each county clerk]~~ **the Secretary of State** certain information relating to each person who has a driver's license or identification card issued by the Department. **Section 3** further requires the ~~[county clerk]~~ **Secretary of State** to: (1) match such information to registered voters **;** ~~[in the county;]~~ (2) electronically enter into the centralized, top-down database such information for each registered voter ~~[in the county]~~ as soon as practicable after matching the information to registered voters **;** ~~[in the county;]~~ (3) identify any person who is a registered voter ~~[in the county]~~ and does not ~~[have]~~ **possess** a driver's license or identification card; and (4) indicate in the database whether each registered voter ~~[in the county has]~~ **possesses** a driver's license or identification card issued by the Department. **Section 7** of this bill requires the information submitted to the ~~[county clerk]~~ **Secretary of State** by the Department to be included on the statewide voter registration list.

Existing law provides that certain information relating to a registered voter is confidential and not a public record. (NRS 293.558) **Section 6** of this bill

provides that the information submitted to the ~~[county clerk]~~ **Secretary of State** by the Department pursuant to **section 3** is also confidential and not a public record.

Existing law requires a voter who votes by mail to affix his or her signature in the space provided on the return envelope of a mail ballot and the county clerk or city clerk to check the signature to verify the identity of the voter. (NRS 293.269917, 293.269927, 293C.26316, 293C.26327) **Sections 4.5 and 8.5 of this bill require that a voter who votes by mail ballot to also write on the return envelope: (1) the last four digits of his voter's driver's license issued by the Department of Motor Vehicles; (2) if the voter does not possess a driver's license issued by the Department of Motor Vehicles, the last four digits of the voter's social security number; or (3) if the voter does not possess a driver's license issued by the Department of Motor Vehicles or a social security number, the voter identification number of the voter.**

Existing law provides that if the county clerk or city clerk determines when checking the signature used for the mail ballot that the voter failed to affix his or her signature or failed to affix it in the manner required by law or that there is a reasonable question of fact as to whether the signature used for the mail ballot matches the signature of the voter, the clerk is required to contact the voter and advise the voter of the procedures to provide a signature or a confirmation, as applicable. For the mail ballot to be counted, the voter must provide a signature or a confirmation, as applicable, not later than 5 p.m. on the sixth day following the election. (NRS 293.269927, 293C.26327) **Sections 5 and 9** of this bill make various changes to the ~~[signature]~~ curing process. ~~[.]~~ **for mail ballots.** First, **sections 5 and 9** provide that ~~[if the voter included on the return envelope the last four digits of the voter's driver's license, the last four digits of the voter's social security number or the voter's voter identification number and such information is confirmed by the clerk to be accurate, the voter is entitled to cast the ballot and the signature is not required to be verified.]~~ **the clerk is required to check the return envelope to determine whether the voter included on the return envelope his or her signature and the identifying number that is required pursuant to section 4.5 or 8.5, as applicable.** If the ~~[voter did]~~ **return envelope does** not include ~~[such information on the return envelope or the information provided on the return envelope is not accurate, the clerk or an employee in the office of the clerk is required to check the]~~ **a** signature ~~[. If the return envelope includes a signature and identifying number, the clerk is required to check the voter's signature. If the signature is verified, the voter is entitled to cast the mail ballot and the identifying number is not required to be verified. If the voter's signature cannot be verified, the clerk is required to check the identifying number included on the return envelope. If the clerk verifies the identifying number, the voter is entitled to cast the mail ballot. If the clerk is able to verify neither the signature nor the identifying**

number, the clerk is required to contact the voter. Further, **sections 5 and 9** require that: (1) **with certain exception,** the county clerk and city clerk ensure that employees are available by telephone until at least 7 p.m. on evenings and weekends during the ~~[signature]~~ curing period; and (2) any voicemail message or hold message used by the office of the clerk provides instructions on how a voter may provide a signature **, an identifying number** or a ~~[signature]~~ confirmation. Finally, **sections 5 and 9** authorize a voter to confirm his or her signature **or identifying number** on the return envelope by electronic mail or text message.

Sections 5.38 and 9.28 of this bill revise the standards for counting votes in an election in which a mechanical voting system is used.

Section 9.6 of this bill provides that the requirement that a registered voter verify his or her identify by presenting a form of photo identification to vote in person and the requirement that a registered voter include an identifying number on a mail ballot: (1) do not apply to any election held before the 2026 primary election; and (2) apply to the 2026 primary election and every election held thereafter.

The following Senate amendment was read:

Amendment No. 921.

AN ACT relating to criminal procedure; revising provisions governing the commitment and release of incompetent criminal defendants; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that if a court dismisses the proceedings against a defendant who is charged with any category A felony or certain category B felonies because the court finds that the defendant is incompetent with no substantial probability of attaining competence in the foreseeable future, the prosecuting attorney is authorized to file a motion with the court for a hearing to determine whether to commit the person to the custody of the Administrator of the Division of Public and Behavioral Health of the Department of Health and Human Services. (NRS 178.461) **Section 1.5** of this bill limits this authority by allowing the prosecuting attorney to file such a motion only if the person was previously ordered to receive treatment to competency in an attempt to cause the person to attain competency to stand trial or receive pronouncement of judgment for a felony charge that was dismissed. **Section 1.5** also requires the prosecuting attorney to serve the motion upon the Division.

Existing law requires a prosecuting attorney who files a motion for a hearing to determine whether to commit a person to the custody of the Administrator to request from the Division a comprehensive risk assessment which indicates whether the person requires the level of security provided by a forensic facility. (NRS 178.461) **Section 1.5** instead requires the prosecuting attorney to include a request for an order directing the Division to complete a comprehensive risk assessment in the motion for a hearing. **Section 1.5** also ~~[: (1)]~~ requires the court ~~[to hold a hearing to determine whether]~~ to issue ~~[such]~~ an ~~[order; and (2) provides that if the court determines such an order should be issued, the court must file the]~~ order **directing the Division to complete a comprehensive risk assessment** not later than 5 judicial days after the date

~~[of]~~ **on which** the ~~[hearing. Section 1 of this bill makes a conforming change to refer to provisions that have been renumbered by section 1.5.]~~ **motion is filed.**

Existing law authorizes the Division or a person committed to the custody of the Administrator of the Division to petition the committing court for conditional release. If a person is granted conditional release, the court is required to: (1) periodically review the eligibility of the person for discharge from conditional release; and (2) discharge the person from conditional release if, upon review, the court finds by clear and convincing evidence that the person no longer poses a danger to himself or herself or others. (NRS 178.463) **Section 2** of this bill provides that when a person is discharged from conditional release, the State and any of its agents or employees are not liable for: (1) any debts, contractual obligations or medical expenses incurred by the person; or (2) any damages caused by the actions of the person.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Amendment No. 977.

SUMMARY—Revises provisions ~~[governing the Department of Taxation.]~~ **relating to taxation.** (BDR 32-1130)

AN ACT relating to ~~[governmental administration;]~~ **taxation;** authorizing the Department of Taxation to deliver by electronic means notices, decisions and other written communications under certain circumstances; **authorizing the Board of Economic Development to deny an application for an abatement, partial abatement or transferable tax credits under certain circumstances;** revising the manner in which the Department determines the industry in which a business is engaged for the purposes of the commerce tax; revising the due date for the payment of sales and use taxes; **authorizing businesses that recycle certain materials or produce certain fuels from recycled materials to apply to the Office of Economic Development for a partial abatement of certain taxes;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section ~~[1]~~ 1.3 of this bill authorizes the Department of Taxation to deliver by electronic means any notice, decision or other written communication that the Department is required to provide to a person under existing law, unless: (1) the person has opted out of receiving such notices, decisions or written communications by electronic means; or (2) another provision of law specifies the means by which the Department is required to send such a notice, decision or written communication. Under **section ~~[1,]~~ 1.3,** the electronic means by which the Department may send notices, decisions and other written

communications are: (1) delivery to a secure account of a person who has registered for an account with an electronic system maintained by the Department; (2) delivery to an electronic mail address at which a person has agreed to receive notices, decisions and other written communications from the Department; and (3) posting a notice, decision or other written communication on an electronic network or Internet website maintained by the Department that is accessible to a person via the Internet or a mobile application and delivering a separate notice of such posting to the electronic mail address of the person. **Sections 2 and 3** of this bill clarify that the Department is required to continue to provide notice by personal service or by mail of determinations of deficiency in the payment of taxes or the suspension or revocation of certain permits issued by the Department. (NRS 360.350, 360.5975)

Existing law authorizes the Office of Economic Development to approve transferable tax credits and abatements or partial abatements of certain property taxes, business taxes and sales and use taxes for certain businesses in certain circumstances. (NRS 231.1555, 274.310, 274.320, 274.330, 360.750, 360.753, 360.754, 360.759, 360.889, 360.945) Section 1.5 of this bill authorizes the Board of Economic Development to deny, or approve for a lesser amount, an application for an abatement, partial abatement or transferable tax credits if the Board determines that approving the full amount applied for is not in the best interests of the State. Section 1.5 lists certain factors that the Board may consider in determining whether granting the full amount applied for is in the best interests of the State.

Existing law authorizes the Office to approve a partial abatement from the taxes imposed on real property for a business that: (1) engages in the primary trade of preparing, fabricating, manufacturing or otherwise processing raw material or an intermediate product using a certain percentage of recycled materials or includes as a primary component a facility for the generation of electricity from recycled material; and (2) has as its primary purpose the conservation of energy or the substitution of other sources of energy for fossil fuel sources of energy. (NRS 701A.210) Section 7.5 of this bill authorizes the Office to grant such a partial abatement of property taxes to a business that: (1) includes as a primary component a facility for the production of biofuels, biomass or other primary fuels from recycled material to produce energy; or (2) primarily engages in the recycling or repurposing of materials that were used to produce or store renewable energy, including, without limitation, materials used in solar panels or waste materials resulting from the extraction of minerals.

Existing law imposes a commerce tax on the Nevada gross revenue of certain business entities whose Nevada gross revenue exceeds $4,000,000 in a taxable year, at a rate that is based on the industry in which a business entity is engaged. (Chapter 363C of NRS) **Section 13** of this bill repeals the provision

of existing law that provides that for the purpose of determining the commerce tax rate of a business entity, the industry in which a business entity is engaged is determined based on the 2012 edition of the North American Industry Classification System ("NAICS") published by the Bureau of the Census of the United States Department of Commerce. (NRS 363C.060) **Section 4** of this bill instead provides that the industry in which a business entity is engaged is determined based on the most recent edition of the NAICS. **Section 5** of this bill updates certain NAICS codes in the publishing, software and data processing business categories to reflect the 2022 version of the NAICS, which is the most recent version published by the Bureau of the Census. (NRS 363C.430) **Section 14** of this bill provides that the changes made by **sections 4, 5 and 13** apply only to taxable years commencing on or after July 1, 2025, thereby prohibiting retroactive application of the changes made by those sections to previous taxable years.

Under existing law, with certain exceptions, a person required to pay sales or use tax is required to remit such taxes to the Department on or before the last day of the month after the tax was imposed. (NRS 372.355, 374.360) **Sections 6 and 7** of this bill revise the due date for remitting such taxes by requiring sales or use tax to be remitted to the Department on or before the 20th day of the month after the tax was imposed. **Sections 14 and 15** of this bill provide that the change to the due date for remitting sales and use taxes to the Department applies only to a taxable period beginning on or after January 1, 2026, thereby prohibiting retroactive application of the change to such due date to taxable periods beginning before January 1, 2026.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 360 of NRS is hereby amended by adding thereto ~~[a new section to read as follows:]~~ **the provisions set forth as sections 1.3 and 1.5 of this act.**

Sec. 1.3. 1. Except as otherwise provided by specific statute, the Department may deliver by electronic means any notice, decision or other written communication which the Department is required to provide to a person pursuant to this title if the notice, decision or other written communication delivered by the Department through electronic means contains or is accompanied by information from which the person can determine the date on which the Department sent the notice, decision or other written communication.

2. The Department shall allow a person, at any time, to opt out of receiving notices, decisions and written communications from the Department through electronic means. Except as otherwise provided by specific statute, if a person opts out of receiving such notices, decisions and written communications through electronic means, the Department shall send such notices, decisions and written communications by mail addressed

Sec. 1.5. 1. (a) Deny the application; or

(b) Approve the application but for a lesser amount, or otherwise place conditions on the approval of the abatement, partial abatement or transferable tax credits.

2. In determining whether granting the full amount of an abatement, partial abatement or transferable tax credits is in the best interests of the State for the purposes of subsection 1, the Board of Economic Development may consider the following factors, with respect to the business that is the subject of the application:

(a) The projected water consumption of the business, particularly if the business is or will be located in a region with limited water resources, with the goal of promoting the sustainable use of the water supplies in this State.

Sec. 2. NRS 360.350 is hereby amended to read as follows:

published by the Bureau of the Census of the United States Department of Commerce.

2. The Department shall review each new edition of the North American Industry Classification System published by the Bureau of the Census of the United States Department of Commerce after July 1, 2025. If the Department determines that the adoption of the new edition would cause a business entity to be categorized in a different business category set forth in NRS 363C.310 to 363C.550, inclusive, or would cause a business entity categorized in the unclassified business category pursuant to NRS 363C.560 to be categorized in a business category set forth in NRS 363C.310 to 363C.550, inclusive:

Legislative Counsel's Digest:

Existing law charges the Housing Division of the Department of Business and Industry with certain duties relating to low-income housing and affordable housing. (Chapter 319 of NRS) **Section 9** of this bill creates the Nevada Attainable Housing Account in the State General Fund, to be administered by the Division. **Section 10** of this bill authorizes the Division to distribute money in the Account to eligible entities for certain expenditures relating to attainable housing. **Section 50** of this bill appropriates $133,000,000 to the Account.

Section 11 of this bill requires the Administrator of the Division to adopt an annual allocation plan for disbursing money from the Account. **Section 50.5** of this bill requires the Division to include in the initial allocation plan adopted pursuant to **section 11** certain allocations of money from the Account for certain purposes authorized by **section 10**.

Section 22 of this bill exempts the Division from complying with the provisions of the Administrative Procedures Act in adopting the annual allocation plan.

Section 12 of this bill requires that an eligible entity provide or secure matching funds in an amount not less than the amount of the money awarded to the eligible entity from the Account.

Section 14.5 of this bill requires the Division to submit a report of certain information to the Interim Finance Committee at the last meeting of each fiscal year and the last meeting of each calendar year relating to the Account.

Section 15 of this bill: (1) creates the Nevada Attainable Housing Council to provide oversight and strategic guidance for the administration and allocation of the Account; and (2) sets forth the membership of the Council.

Section 16 of this bill requires the Division to establish procedures to ensure that any member of the Council discloses any direct or indirect financial interest in any attainable housing project or eligible entity that applies for or receives funding from the Account.

Section 17 of this bill requires the Council to: (1) review and comment on certain housing reports; and (2) provide recommendations to the Division regarding the allocation and use of money from the Account.

Existing law creates the position of Housing Advocate within the Division and establishes the duties for the position, which include providing information and assistance to persons who reside in affordable housing and manufactured housing. (NRS 319.141) Section 17.3 of this bill renames the position of Housing Advocate as the Housing Liaison.

Existing law requires the Division to create and maintain a statewide low-income housing database. The database is required to include certain information relating to low-income housing, including compilations and analysis of demographic, economic and housing data from a variety of sources. (NRS 319.143) Section 17.6 of this bill requires the inclusion of any survey conducted by the Division in the database. Section 17.6 also revises the data that is required to be included in the database by: (1) changing the measure for determining the number of households in various population groups experiencing high housing costs from 50 percent to 30 percent of household income; (2) increasing from 2 years to 3 years the length of the planning period for identifying when subsidized units are forecast to convert to market-rate units; and (3) adding information regarding certain multi-family residential housing. Section 17.6 further requires the Division, on or before December 31 of each year, to analyze the data in the database and prepare and post on its website a report of its analysis.

Existing law authorizes, with certain exceptions, the Division to: (1) establish certain funds or accounts; and (2) invest or deposit its money, but does not require the Division to keep any of its money in the State Treasury. (NRS 319.170) **Section 18** of this bill creates an additional exception to these provisions for the Account created by **section 9**.

Existing law creates the Account for Affordable Housing in the State General Fund, which is required to be administered by the Division, and prescribes the distribution and use of money in the Account. (NRS 319.500, 319.510) Under existing law, the costs to create and maintain the statewide low-income housing database are required to be paid from the Account up to a maximum of $175,000 per year. (NRS 319.143, 319.510) Sections 17.6 and 18.5 of this bill: (1) require payment from the Account of the costs to prepare the new annual report required by section 17.6; and (2) change the maximum annual amount authorized from the Account for the payment of costs related to the database from the fixed amount of $175,000 to not more than 6 percent of the money deposited in the Account in each fiscal year.

Existing law also authorizes the Division to expend not more than $40,000 per year or an amount equal to 6 percent of money received pursuant to the federal HOME Investment Partnerships Act, whichever is greater, as reimbursement for administering the Account and that

federal money. (NRS 319.510; 42 U.S.C. §§ 12701 et seq.) Section 18.5: (1) eliminates the authority of the Division to receive reimbursement from the Account for administering that federal money; and (2) changes the maximum amount authorized from the Account as reimbursement for administering the Account to not more than 6 percent of the money deposited in the Account in each fiscal year.

Existing law requires the Division to distribute a certain portion of the remaining money in the Account to the Division of Welfare and Supportive Services of the Department of Health and Human Services for a program to provide emergency assistance to needy families with children. (NRS 319.510) Section 18.5 eliminates this required distribution to the Division for this program, but specifically authorizes the use of money in the Account for the same purpose. With the elimination of this distribution to the Division, all of the remaining money in the Account will effectively be distributed to the other authorized recipients in existing law, which are certain charitable organizations, housing authorities and local governments for the acquisition, construction and rehabilitation of affordable housing for eligible families, subject to certain requirements. One such eligibility requirement in existing law is that not less than 15 percent of the units acquired, constructed or rehabilitated be affordable to persons whose income is at or below the federally designated level signifying poverty. (NRS 319.510) Section 18.5: (1) changes the income level for that requirement to be at or below 30 percent of the median monthly gross household income for the applicable county; and (2) clarifies that the money is authorized to be distributed to one or more of the types of entities that are eligible recipients. Section 18.5 also eliminates the eligibility requirement in existing law that a local government sponsor such a project.

Sections 2-8 of this bill define certain terms relating to the provisions of **sections 2-17**.

Sections 19 and 20 of this bill authorize the Division to establish a program for the reporting of rental payments to a credit reporting agency.

Existing law sets forth certain procedures for a board of county commissioners or governing body of a city to sell or lease real property. (NRS 244.281, 268.061) **Sections 23 and 26** of this bill require, before approving the sale or lease of real property for the development of attainable housing, in addition to other procedures, the board or governing body to evaluate the capacity and commitment of the developer to provide long-term benefits to the county in a manner that promotes transparency and does not interfere with equitable competition. **Sections 23 and 26** also require the developer to submit certain information to the board or governing body.

Existing law authorizes a nonprofit organization to submit to a board of county commissioners or governing body of a city an application for conveyance of certain property that is owned by the county or city, as applicable. The board or governing body may approve such an application if

the nonprofit organization demonstrates that the organization or its assignee will use the property to develop affordable housing. (NRS 244.287, 268.058) **Sections 24 and 25** of this bill: (1) instead authorize the board or governing body to approve such an application for attainable housing; and (2) require an application to include certain information.

Existing law establishes three tiers of affordable housing for various purposes in existing law and defines "affordable housing" as housing that falls within any of the three tiers. (NRS 232.860, 244.189, 244.287, 268.058, 268.190, 278.0105, 279.385, 279A.020, 279B.020, 315.9625, 319.042) **Section 33** of this bill revises the term "affordable housing" to be "attainable housing."

Under existing law, the tiers are based on both household income and the costs of housing as a percentage of that income. With respect to household income: (1) "tier one affordable housing" is housing for a household which has a total monthly gross income that is equal to not more than 60 percent of the median monthly gross household income for the county in which the housing is located, which is commonly known as the area median household income; (2) "tier two affordable housing" is housing for a household which has a total monthly gross income that is equal to more than 60 percent but not more than 80 percent of the area median household income; and (3) "tier three affordable housing" is housing for a household which has a total monthly gross income that is equal to more than 80 percent but not more than 120 percent of the area median household income. In addition, with respect to the costs of housing, affordable housing under existing law is housing that costs not more than 30 percent of the total monthly gross household income of the household with an income at the maximum percentage of the area median household income for the tier. (NRS 278.01902, 278.01904, 278,01906) **Section 29.5 of this bill creates a new tier of affordable housing, to be known as "tier one affordable housing," that addresses housing for a household that has a total monthly gross income that is equal to not more than 30 percent of the area median household income. As a result of the creation of this new tier of affordable housing, section 34 of this bill renames "tier one affordable housing" in existing law as "tier two affordable housing" and changes the percentage range for median income for that tier to more than 30 percent but not more than 60 percent of the area median household income. Section 36 of this bill renames "tier two affordable housing" in existing law for which the percentage range for median income is more than 60 percent, but not more than 80 percent of the area median household income, as "tier three affordable housing." Section 35 of this bill renames "tier three affordable housing" in existing law, for which the percentage range for median income is more than 80 percent but not more than 120 percent of the area median household income, as "tier four affordable housing."**

Section 29 of this bill creates a new tier of affordable housing, to be known as "tier ~~[four]~~ **five** affordable housing," that addresses housing for a household

that has a total monthly gross income that is equal to not more than 120 percent but not more than 150 percent of the area median household income.

Section 37.5 of this bill makes a conforming change to reflect the changes in the tiers.

Existing law sets forth an approval process for the subdivision of land that requires a subdivider to submit a tentative map to the planning commission or governing body of a county or city, as applicable. (NRS 278.330) Existing law also requires the tentative map to be forwarded to certain state agencies and local governments for review. (NRS 278.335) **Section 31** of this bill requires each reviewing agency to adopt a process for the expedited review of and comment on a tentative map that includes attainable housing.

Existing law requires the governing body of each county and city, on or before July 1, 2024, to enact by ordinance an expedited process for the consideration and approval of projects for affordable housing. (Section 12 of Assembly Bill No. 213, chapter 200, Statutes of Nevada 2023, at p. 1171) **Section 30** of this bill requires the governing body of each county and the governing body of each city to adopt an expedited process for the consideration and approval of projects for attainable housing.

Section 32 of this bill applies the definitions of certain terms relating to planning and zoning **and the newly defined terms in sections 29 and 29.5** to **sections 29-31**.

Sections 34-36 of this bill, respectively, revise the definitions of "tier one affordable housing," "tier three affordable housing" and "tier two affordable housing" to provide that the costs of such housing may be offset by certain energy cost savings.

Existing law requires the governing body of certain cities and counties to adopt at least 6 of 12 specified measures in implementing a plan for maintaining and developing affordable housing, which may include a measure to reduce or subsidize impact fees, fees for the issuance of building permits and fees imposed for the purpose for which an enterprise fund was created. (NRS 278.235) **Section 37** of this bill authorizes that the governing body of such a county or city include a measure to also reimburse such fees.

Existing law requires the governing body of certain cities or counties to submit to the Division annual progress reports relating to affordable housing. (NRS 278.235) Existing law requires: (1) the inclusion of these reports in the statewide low-income housing database; and (2) the Division to compile and post these reports on its Internet website. (NRS 278.235, 319.143) Section 37 moves the deadline for: (1) the submission of the reports to the Division from July 15 to March 15; and (2) the posting of the compilation of the reports by the Division from August 15 to April 15. The new deadlines apply starting in 2026, as section 49.5 of this bill requires: (1) the governing body of a city or county to submit the 2025 report to the Division on or before July 15, 2025; and (2) the Division to compile the reports and post the compilation on the Internet website of the Division on or before August 15, 2025.

Existing law sets forth the requirements for obtaining a contractor's license from the State Contractors' Board. (Chapter 624 of NRS) **Section 39** of this bill requires, under certain circumstances, the Board to issue a contractor's license by endorsement to certain applicants who will perform work on an attainable housing project in certain rural areas.

Section 40 of this bill provides that, if the Director of the Department of Business and Industry determines that there is a shortage of skilled labor or licensed contractors in a rural area that is adversely impacting the availability of attainable housing for essential workers who are employed in the area, the Director may issue a declaration of such shortage for not more than 3 years. Upon such a declaration, the Board is required to implement a process to issue provisional contractors' licenses to certain applicants who will perform work on an attainable housing project in certain rural areas.

Sections 41 and 42 of this bill exempt the license by endorsement issued pursuant to **section 39** or a provisional license issued pursuant to **section 40** from certain licensing requirements and the expiration date that generally apply to contractors' licenses. **Sections 42-46** of this bill exempt applicants for a new contractor's license and existing licensed contractors in rural areas from any application, license or renewal fee or certain other fees relating to a contractor's license under circumstances where the Director of the Department of Business and Industry has issued a declaration of shortage pursuant to **section 40**.

Sections 48 and 49 of this bill require the Board to: (1) adopt regulations to carry out the provisions of **sections 39 and 40**, respectively, before January 1, 2026; and (2) submit a report to the Governor and Director of the Legislative Counsel Bureau that includes a recommendation as to whether the requirements to issue such licenses by endorsement and provisional licenses, as required by **sections 39 and 40**, should be continued, modified or terminated.

Section 49.7 of this bill requires the issuance of not more than $50,000,000 in general obligation bonds to provide certain loans for the development or construction of certain projects. Section 37.2 makes a conforming change.

DEAR SPEAKER YEAGER:

I am forwarding to you, for filing within the time limit set forth in the Nevada Constitution and without my approval, Assembly Bill 82 ("AB 82") which is titled as follows:

Currently, there is no need to codify additional days into law. There is already an administrative process to request that a day, week, or month be proclaimed by the Governor. I encourage the bill sponsor to request a proclamation from my Office in advance of each of the holidays proposed in this bill. Please go to the following website to make your request.

Governor's message stating his objections is as follows:

OFFICE OF THE GOVERNOR

June 2, 2025

THE HONORABLE STEVE YEAGER, SPEAKER OF THE NEVADA STATE ASSEMBLY, 401 South Carson Street, Carson City, Nevada 89701

RE: Assembly Bill 140 of the 83rd Legislative Session

DEAR SPEAKER YEAGER:

I am forwarding to you, for filing within the time limit set forth in the Nevada Constitution and without my approval, Assembly Bill 140 ("AB 140"), which is titled as follows:

AN ACT relating to driver authorization cards; revising provisions governing the renewal of driver authorization cards; and providing other matters properly relating thereto.

As stated, a legitimate rationale supporting AB 140 is that it would ensure regulatory alignment and administrative consistency with respect to Drivers Authorization Cards ("DACs") and driver's licenses. However, that justification does not address overriding considerations that more frequent renewals are more appropriate for DACs.

DACs were created by SB 303 of the 77th legislative session. During the bill presentation before the Assembly Committee on Transportation, the bill's sponsor, Democratic Majority Floor Leader Denis said, "[w]ith the implementation of the Real ID Act, the requirements to get a driver's license have become rigorous, and with good reason ...] as you will see, the DAC being proposed is compliant with the Real ID Act, but it is not a Real ID. Holders will not be able to use it to board planes or to use it to gain access to any federal or state services. SB 303 creates the DAC that is good for one year, and can be obtained using different types of documentation than the real ID." Notwithstanding the legislature's creation of yet another extension to the renewal period for DACs, it is notable that in acknowledging the purpose of DACs, the bill sponsor clearly explained that DACs are not driver's licenses. Moreover, the sponsor later provided, "we understand that there are public safety concerns related to establishing the identity of foreign citizens who apply for a DAC." Those public safety concerns remain today. Relatedly, the evolving landscape of federal authority in this space makes it imprudent to sign AB 140. Finally, the initial purported intent for DACs was, generally stated, to ensure that undocumented immigrants could obtain car insurance. Considering that the majority of car insurance policies last for one year, it is puzzling how this renewal period extension would better serve the insurance related purpose of DACs.

Driver's licenses are different than DACs, and they should continue to be treated as such. Because this bill would further obfuscate the distinction between driver's licenses and DACs, I cannot support it.

For these reasons, I veto this bill and return it without my signature or approval.

THE HONORABLE STEVE YEAGER, SPEAKER OF THE NEVADA STATE ASSEMBLY, 401 South Carson Street, Carson City, Nevada 89701

RE: Assembly Bill 144 of the 83rd Legislative Session

DEAR SPEAKER YEAGER:

I am forwarding to you, for filing within the time limit set forth in the Nevada Constitution and without my approval, Assembly Bill 144 ("AB 144"), which is titled as follows:

> AN ACT relating to days of observance; establishing the second Monday in October of each year as "Indigenous Peoples Day" in the State of Nevada; and providing other matters properly relating thereto.

It is important that the State of Nevada observes one day each year to remember the remarkable accomplishments of Nevada's indigenous community and that community's cultural and historical significance in Nevada.

Under current law, we annually celebrate the rich history of Native Americans on August 9th. For the annual proclamation commemorating Indigenous Peoples Day, my office may well include the additional content proposed in this bill in future years. That said, it is better for Indigenous Peoples Day to fall on a day where there are no other holidays so it can continue to receive Nevadans' undivided recognition.

For these reasons, I veto this bill and return it without my signature or approval.

THE HONORABLE STEVE YEAGER, SPEAKER OF THE NEVADA STATE ASSEMBLY, 401 South Carson Street, Carson City, Nevada 89701

RE: Assembly Bill 155 of the 83rd Legislative Session

DEAR SPEAKER YEAGER:

I am forwarding to you, for filing within the time limit set forth in the Nevada Constitution and without my approval, Assembly Bill 155 ("AB 155"), which is titled as follows:

> AN ACT relating to public employees; revising the scope of the mandatory subjects of collective bargaining to include the ratio of pupils per licensed teacher for each classroom and the ratio of pupils per each type of specialized instructional support personnel in public schools; revising the requirement that a school district consider the recommendations developed by the State Board of Education when establishing the ratio of pupils per licensed teacher and specialized instructional support personnel; revising provisions concerning the development of a plan to improve set ratios of pupils to

specialized instructional support personnel in certain school districts; and providing other matters properly relating thereto.

Decreasing class sizes plays a critical role in improving Nevada's education system. That said, while AB 155 is admirably well-intended, it would lead to untenable results. First, nothing in current law prohibits teachers' unions from raising concerns regarding class sizes during collective bargaining. Second, if teachers' unions were able to successfully bargain to decrease class sizes, it is unclear how school districts could feasibly execute that contract provision. Would school districts be required, under the terms of a collective bargaining agreement, to build new schools, create new transportation routes, and hire more teachers? If a district knew it could not afford the infrastructural requirements of a new school, will it be argued that any negotiations related to a new building were held in bad faith because the district could not have had a genuine intent to reach a mutually acceptable agreement? If a district was unable to complete construction on a new building during the contract period, might it face legal challenge for failing to decrease class sizes during the term of the agreement? What if a district did complete construction on a new school but was unable, through no fault of its own, to hire sufficient teachers and staff to fill that school, so it could not decrease class sizes? Might the district still face legal challenge because it failed to perform its end of the bargain by decreasing class sizes?

This bill leaves too many questions, including some implicating potential legal challenges, unanswered. Nevada families cannot risk their school districts diverting critical funding toward litigation that would be better spent in classrooms. I cannot support AB 155.

For these reasons, I veto this bill and return it without my signature or approval.

OFFICE OF THE GOVERNOR

June 2, 2025

THE HONORABLE STEVE YEAGER, SPEAKER OF THE NEVADA STATE ASSEMBLY, 401 South Carson Street, Carson City, Nevada 89701

RE: Assembly Bill 201 of the 83rd Legislative Session

DEAR SPEAKER YEAGER:

I am forwarding to you, for filing within the time limit set forth in the Nevada Constitution and without my approval, Assembly Bill 201 ("AB 201"), which is titled as follows:

AN ACT relating to evictions; requiring the automatic sealing of certain eviction case court files under certain circumstances; revising the circumstances under which a court is authorized to seal certain eviction case court files; requiring the automatic sealing of certain case court files related to unjustified lockouts under certain circumstances; and providing other matters properly relating thereto.

AB 201 is a heavy-handed attempt at addressing a delicate issue that erodes judicial discretion related to eviction case file sealing almost entirely. Under current law, a judge balances the sealing of eviction-related case files with the public's interest in knowing the contents of those files. Through this balance, the judge can thoughtfully consider the circumstances surrounding each eviction and decide, in that specific instance, whether those circumstances warrant the privilege of record sealing. Since eviction matters often involve intricate factual analysis and reflection, it is unclear how the legislature can make that determination more precisely than the judge presiding over the matter.

Unfortunately, AB 201 would likely lead to less available, affordable housing for Nevada families. This bill would inhibit residential lessors' ability to accurately assess the risk of renters

because it deprives the lessor of information necessary to make informed business decisions. In so doing, it would cause lessors to perceive an increased risk associated with rental agreements and a corresponding rent increase may, unfortunately, follow. Even if lessors chose not to increase rent to compensate for increased risk, this bill would still probably lead to more blanket rejections of applicants with unclear histories. Critically, even if blanket rejections did not follow AB 201, it may cause lessors to be more dependent on credit scores which would have a disproportionately negative impact on young and low-income Nevadans.

Since this bill would eviscerate judicial discretion related to eviction case file sealing, deprive the public of critical information, and generally exacerbate affordable housing concerns, I cannot support it.

For these reasons, I veto this bill and return it without my signature or approval.

DEAR SPEAKER YEAGER:

I am forwarding to you, for filing within the time limit set forth in the Nevada Constitution and without my approval, Assembly Bill 205 ("AB 205"), which is titled as follows:

> AN ACT relating to education; revising provisions governing consent to participate in a course or unit of instruction concerning the human immunodeficiency virus, the human reproductive system, related communicable diseases and sexual responsibility; revising requirements for forms used to refuse authorization for a pupil to participate in such a course or unit of a course; and providing other matters properly relating thereto.

Parents should be empowered to make important decisions related to their children's education—particularly when the subject matter involves sensitive and deeply personal topics like sex education. An opt-in approach to sex education ensures that parents are fully informed about the content their children will encounter and gives them the opportunity to prepare for those discussions at home. This is often the first time many parents engage in serious, sex-related conversations with their children, and being informed can help them approach these conversations thoughtfully and confidently. Requiring opt-in participation also encourages meaningful planning and dialogue between parents, allowing them to consult with family, friends, or their faith community as they determine how best to support their children.

Critically, requiring active parental consent respects the diverse values held by families across the state and promotes trust between schools and communities. It reinforces the principle that schools and parents are partners in education—not substitutes for one another.

Parents should remain the primary decision makers in their children's education. Since AB 205 would undermine parents' ability to make informed choices about their children's education, I cannot support it.

For these reasons, I veto this bill and return it without my signature or approval.

THE HONORABLE STEVE YEAGER, SPEAKER OF THE NEVADA STATE ASSEMBLY, 401 South Carson Street, Carson City, Nevada 89701

RE: Assembly Bill 223 of the 83rd Legislative Session

DEAR SPEAKER YEAGER:

I am forwarding to you, for filing within the time limit set forth in the Nevada Constitution and without my approval, Assembly Bill 223 ("AB 223"), which is titled as follows:

> AN ACT relating to real property; authorizing a tenant whose landlord fails to remedy a failure to maintain a dwelling unit in a habitable condition to file a verified complaint for expedited relief; revising certain provisions relating to the content of written rental agreements; revising provisions relating to the payment of rent; revising provisions relating to requirements for habitability; revising provisions relating to the remedies a tenant is authorized to pursue if a landlord fails to remedy certain breaches or failures relating to habitability; providing that certain items and services constitute essential items and services for purposes of such provisions; revising the amounts which a tenant is authorized to recover from a landlord who takes certain unlawful actions or fails to make required disclosures; requiring a landlord to, under certain circumstances, provide a tenant who has terminated a rental agreement with a reasonable length of time to gather his or her belongings; and providing other matters properly relating thereto.

AB 223 needlessly disrupts a well-established balance in Nevada law which provides adequate tenant protections while also ensuring lessors maintain safe, quality housing.

Nevadans need safe, affordable housing and a change to existing law as far-reaching and insensitive to scheduling realities as this bill would only serve to destabilize Nevada's rental market.

Specifically, AB 223 would require that a lessor remedy certain tenant issues within 48 hours after receiving notice, excluding weekends and holidays. This onerous requirement would, in certain instances, be impossible for lessors to comply with. Suppose a tenant has an issue and the local repairperson cannot schedule the repair until 5 days after the lessor received notice of the outage. Under current law, the lessor could schedule that repair appointment and use her best efforts to remedy the defect in the meantime with minimal worry that she may be exposed to legal liability. Under AB 223, however, if the lessor could not find someone to do the repair, they would have to do it themselves. To be clear, they would not have to attempt to do the repair. They would not have to use their best efforts to complete the repair or otherwise have it completed. No. The lessor would have to repair the habitability defect or could be sued.

It is also important to note, AB 223 lacks sufficient specificity regarding the cause of the habitability concern. Under the provisions of this bill, a tenant's own negligence may cause the defective condition, and the lessor would still be required to remedy that condition unless she could show by clear and convincing evidence the defect was caused by the tenant.

In short, since AB 223 would create fundamental unfairness in the lessor-lessee relationship, I cannot support it.

For these reasons, I veto this bill and return it without my signature or approval.

DEAR SPEAKER YEAGER:

I am forwarding to you, for filing within the time limit set forth in the Nevada Constitution and without my approval, Assembly Bill 237 ("AB 237"), which is titled as follows:

> AN ACT relating to counties; authorizing any county in this State to create the office of registrar of voters; and providing other matters properly relating thereto.

AB 237 is an unnecessary piece of legislation. Under current law, in counties with populations of less than 100,000, every four years the people come together to elect a Clerk they trust to run their elections. County Clerks from many of the counties implicated by this bill indicated that they need better access to supportive resources for elections. Creating a separate office in counties to duplicate tasks currently managed by county clerks would necessarily divide resources. This division of resources would only serve to exacerbate those clerks' resource concerns at the taxpayer's expense.

Since AB 237 would intensify existing resource concerns and deprive the people of the opportunity to choose their elections official, I cannot support it.

For these reasons, I veto this bill and return it without my signature or approval.

OFFICE OF THE GOVERNOR

June 2, 2025

THE HONORABLE STEVE YEAGER, SPEAKER OF THE NEVADA STATE ASSEMBLY, 401 South Carson Street, Carson City, Nevada 89701

RE: Assembly Bill 244 of the 83rd Legislative Session

DEAR SPEAKER YEAGER:

I am forwarding to you, for filing within the time limit set forth in the Nevada Constitution and without my approval, Assembly Bill 244 ("AB 244"), which is titled as follows:

> AN ACT relating to food dispensing establishments; prohibiting certain food dispensing establishments from selling, preparing, providing or transporting food or beverages using disposable foodware containers made from polystyrene foam; providing civil penalties; and providing other matters properly relating thereto.

AB 244 is problematic for several reasons. First, the bill is ambiguous regarding which businesses it applies to. Section 3 specifies that the bill targets "food dispensing establishments with 10 or more locations operating in this state," yet Section 5 removes the 10-location threshold entirely. This inconsistency could create confusion and uncertainty for businesses trying to determine whether they are subject to the bill's provisions.

Beyond this issue, the bill raises several significant policy concerns. Most notably, banning polystyrene would lead to higher costs for Nevadans. The bill would trigger at least two immediate price increases. Alternatives to polystyrene, such as biodegradable containers and paper-based products, are generally more expensive. As a result, prohibiting certain food service establishments from using polystyrene would directly raise their packaging costs. These increased expenses would not be confined to business owners; they are often passed on to consumers, leading to higher prices for everyday goods and services.

AB 244 also raises general enforcement concerns. When the government imposes a ban on a specific product, ensuring compliance can place a considerable burden on regulatory agencies and may result in inconsistent application of the law. While the fiscal notes from local governments suggest that the financial impact of implementing AB 244 would be minimal, this perspective overlooks broader implications. Is it truly wise to redirect law enforcement officers or public health officials away from their essential duties to enforce a polystyrene ban? Alternatively, the fiscal notes could reflect a belief that the bill would apply to only a limited number of establishments, and thus the enforcement burden may be inherently low—but this would suggest that the bill itself is an unnecessary regulation that restricts consumer choice without meaningful impact.

On the issue of consumer choice, it's important to recognize that polystyrene offers practical advantages over many alternatives. It is more durable and provides superior insulation compared to other single-use containers. Take, for example, a Nevada rancher working long hours in the sun, with a soda in the cupholder of her truck. She may be far from the nearest food service establishment for most of the day. In a biodegradable paper cup, that drink would become watered down within a few hours. In contrast, a polystyrene cup could keep it colder for longer, allowing her to enjoy a still-icy, refreshing beverage later in the day. For consumers like her, the performance of polystyrene isn't a minor detail—it's a meaningful part of daily life in a demanding environment.

For these reasons, I veto this bill and return it without my signature or approval.

DEAR SPEAKER YEAGER:

I am forwarding to you, for filing within the time limit set forth in the Nevada Constitution and without my approval, Assembly Bill 245 ("AB 245"), which is titled as follows:

> AN ACT relating to firearms; prohibiting a person who is less than 21 years of age from possessing certain firearms; making it unlawful to aid or knowingly permit a person who is less than 21 years of age to possess a firearm under certain circumstances; prohibiting the sale or barter of certain firearms to a person who is less than 21 years of age; revising provisions relating to the storage of a firearm; revising provisions relating to the handling, possession or control of a firearm by certain children; providing penalties; and providing other matters properly relating thereto.

Last session, I vetoed Assembly Bill 355 which was strikingly similar to this bill. In some ways, this bill goes even further than last session's bill by also making it a Category B felony to

sell or barter a firearm to a person under the age of 21. Additionally, this bill is facially overbroad because, among other reasons, it would prohibit the most commonly used firearm for waterfowl hunting—semi-automatic shotguns—from use by young people who enjoy a much safer and easier shooting experience when they use a semi-automatic weapon.

Finally, the United States Supreme Court precedent on which my previous veto message was based has not been disturbed. As stated two years ago, "were this bill to become law, it is unlikely it would pass constitutional muster."

For these reasons, I veto this bill and return it without my signature or approval.

THE HONORABLE STEVE YEAGER, SPEAKER OF THE NEVADA STATE ASSEMBLY, 401 South Carson Street, Carson City, Nevada 89701

Re: Assembly Bill 280 of the 83rd Legislative Session

DEAR SPEAKER YEAGER:

I am forwarding to you, for filing within the time limit set forth in the Nevada Constitution and without my approval, Assembly Bill 280 ("AB 280"), which is titled as follows:

> AN ACT relating to real property; requiring, under certain circumstances, a landlord who collects from a prospective tenant any fee to apply to rent a dwelling unit to return such fees; prohibiting a landlord from collecting certain application fees for a minor in the household of a prospective tenant;

requiring any written agreement for the use and occupancy of a dwelling unit or premises to contain separate appendices relating to fees and tenant rights; making it unlawful for a landlord or certain other persons to charge a tenant certain fees; temporarily prohibiting a landlord from entering into a rental agreement with certain existing tenants that increases the rent due from the tenant by more than a certain amount; and providing other matters properly relating thereto.

While protecting tenants is undeniably important, AB 280 imprecisely approaches this issue. Its broad requirements and restrictions would likely create burdens on property owners and complicate the rental process for both parties. The extensive information mandated in rental agreements under this bill has the potential to overwhelm tenants and landlords alike, making it more difficult to fully comprehend the terms. Rather than promoting clarity, this complexity could lead to confusion and, in some cases, even increase the likelihood of rental disputes. A more streamlined approach would ensure that both parties understand their rights and obligations without the risk of unnecessary misunderstandings.

Additionally, the rent control provisions in AB 280, though well-intentioned, are likely to undermine housing affordability over time. Although AB 280 targets a specific population group, its implementation could trigger ripple effects that disrupt the rental market as a whole. By prohibiting landlords from increasing rent by more than 5% for certain tenants, the bill may inadvertently encourage preemptive rent hikes before the cap takes effect— making housing less attainable in the short term. In the long run, potentially as soon as this biennium, the cap could discourage investment in rental properties, especially as owners struggle with rising costs while being unable to adjust rents to match. Additionally, AB 280's restriction on fees could reduce property owners' ability to charge for incidental costs, which might lead to higher initial rent or other hidden costs. This could lead to a decline in housing quality and availability, disproportionately affecting the very populations the bill aims to protect.

Since AB 280 would introduce unnecessary and confusing disclosure requirements while also paving the way for unintended consequences that would disrupt the rental market, I cannot support it.

For these reasons, I veto this bill and return it without my signature or approval.

> AN ACT relating to libraries; providing that library staff are immune from criminal or civil liability for certain good faith acts relating to providing access to or assisting pupils or library patrons in accessing library materials; and providing other matters properly relating thereto.

AB 445 is untenable due to its vague and overly broad language. The bill grants immunity to library staff for actions taken in "good faith" to "provide access to or assist pupils in accessing library materials." However, it fails to define what constitutes "good faith" or offer any guidance on its application. This ambiguity creates an unworkable legal standard. In situations where a staff member's actions are questionable or controversial, courts would be left with little more than subjective judgment to determine whether the staff member should be immune from liability.

Moreover, the bill undermines existing and appropriate oversight mechanisms. Many schools have established policies governing the materials available to students, often tailored to age, educational level, and developmental appropriateness. By granting immunity to library staff, the bill could weaken the authority of elected school boards and parents in making decisions about what is suitable for students to access.

Additionally, this bill could reduce the incentive for libraries to implement training programs and standards that guide staff in making responsible, well-informed decisions about the materials they provide. The lack of accountability created by legal immunity could lead to inadequate consideration of the needs and protections of students.

Given that AB 445 establishes an unclear legal standard that would lead to unpredictable outcomes and undermines critical safeguards that help families trust the materials made available in libraries, I cannot support this bill.

For these reasons, I veto this bill and return it without my signature or approval.

> AN ACT relating to housing; revising provisions relating to discrimination in housing; and providing other matters properly relating thereto.

Housing discrimination claims across the United States, including in Nevada, are governed by the federal Fair Housing Act—a well-established framework that has evolved over time through regulatory updates and judicial interpretation. The current applicable federal regulation, 24 CFR S 100.500, aligns with the principles reflected in AB 480. For the benefit of all Nevadans, it is prudent that state law remains consistent with federal law in this area.

When state and federal standards diverge, confusion and inefficiencies can follow. For example, if a housing discrimination claim under state law applies a different standard than one under federal law, litigants—such as local governments—could be forced to defend the same land use or zoning decision in both federal and state courts. This duplication would inevitably lead to delays, increased litigation costs, and inconsistent outcomes.

That said, codifying a specific federal regulation into state statute is shortsighted. Federal regulations can change and locking current federal language into Nevada law risks creating a permanent divergence if those federal rules are updated.

Due to the potential for future conflicts with federal authority, I cannot support AB 480.

For these reasons, I veto this bill and return it without my signature or approval.

AB 490 is flawed in that it inherently diminishes the value of learned expertise by judges routinely tasked with handling matters of a certain type. Historically, judges in the First Judicial District have reviewed matters like those in this bill and it is most appropriate to continue that practice to ensure these matters are presided over by judges accustomed to their unique challenges. Moreover, the proposition that a court's ability to continue reviewing certain matters should be conditioned upon its implementation of an electronic filing and storage system raises separation of powers concerns.

Since AB 490 would deprive Nevadans of the expertise that only repetitious, specific experience can provide and also implicates constitutional concerns, I cannot support it.

II. SESSIONS AND MEETINGS

Rule No. 10. Time of Meeting.

The Assembly shall meet each day at 11:30 a.m., unless the Assembly adjourns to some other hour.

[Statutes of Nevada 1975, 1857; A 2013, 3899]

Rule No. 11. Open Meetings.

All meetings of the Assembly and its committees must be open to the public.

[Statutes of Nevada 1975, 1907; A 1999, 3835; 2001, 3296]

Rule No. 12. Convening of the Assembly between Legislative Sessions.

1. The Assembly may be convened at any time between sessions of the Legislature upon a petition signed by a majority of the members elected to the Assembly to consider and take action on any matter that is solely and exclusively within the constitutional or inherent powers of the Assembly, including, without limitation, any matter that may be considered and acted on by the Assembly pursuant to its plenary and exclusive constitutional powers under Article 4, Section 6 of the Nevada Constitution or pursuant to its inherent powers of institutional self-protection and self-preservation to govern, control and regulate its membership and its internal organization, affairs and management.

2. A petition convening the Assembly pursuant to this Rule must specify the matter that will be considered or acted on by the Assembly, indicate a date for the Assembly to convene and be transmitted to the Chief Clerk of the Assembly. Upon receipt of one or more substantially similar petitions signed, in the aggregate, by a majority of the members elected to the Assembly, the Chief Clerk shall notify all members of the Assembly that the Assembly will be convened pursuant to this Rule and the date on which the Assembly will be convened.

3. The Assembly hereby finds and declares that:

(a) The Nevada Constitution invests each House of the Legislature with certain plenary and exclusive constitutional powers which may be exercised only by that House and which cannot be usurped, infringed or impaired by the other House or by any other branch of Nevada's State Government. (*Heller v. Legislature*, 120 Nev. 456 (2004); *Commission on Ethics v. Hardy*, 125 Nev. 285 (2009); *Mason's Manual of Legislative Procedure* §§ 2-3 & 560-564 (2010) (*Mason's Manual*))

(b) Article 4, Section 6 of the Nevada Constitution invests each House with plenary and exclusive constitutional powers to govern, control and

regulate its membership and its internal organization, affairs and management, expressly providing that: "Each House shall judge of the qualifications, elections and returns of its own members, choose its own officers (except the President of the Senate), determine the rules of its proceedings and may punish its members for disorderly conduct, and with the concurrence of two thirds of all the members elected, expel a member."

(c) In addition to its plenary and exclusive constitutional powers, each House possesses certain inherent powers of institutional self-protection and self-preservation to govern, control and regulate its membership and its internal organization, affairs and management. (*In re Chapman*, 166 U.S. 661, 668 (1897); *Mason's Manual* § 2; Luther S. Cushing, *Elements of the Law & Practice of Legislative Assemblies* § 533 (1856) (*Cushing's Legislative Assemblies*))

(d) The inherent powers of each House are considered "so essential to the authority of a legislative assembly, that it cannot well exist without them; and they are consequently entitled to be regarded as belonging to every such assembly as a necessary incident." (*Cushing's Legislative Assemblies* § 533)

(e) The inherent powers of each House authorize it to take all necessary and proper institutional actions that are "recognized by the common parliamentary law." (*Cushing's Legislative Assemblies* § 684)

(f) Thus, it is well established that each House is "vested with all the powers and privileges which are necessary and incidental to a free and unobstructed exercise of its appropriate functions. These powers and privileges are derived not from the Constitution; on the contrary, they arise from the very creation of a legislative body, and are founded upon the principle of self-preservation." (*Ex parte McCarthy*, 29 Cal. 395, 403 (1866))

If the point of order be sustained by the presiding officer, the member shall not be allowed to proceed; but if it be not sustained, then the member shall be permitted to go on. Every such decision from the presiding officer shall be subject to an appeal to the House; but no

discussion of the question of order shall be allowed unless an appeal be taken from the decision of the presiding officer.

[Statutes of Nevada 1973, 1886; A 1993, 2913; 1995, 2847; 1997, 3540]

2. Before entering the Assembly Chambers, any person who possesses a portable electronic communication device, such as a pager or telephone, that emits an audible alert, such as a ringing or beeping sound, to signal an incoming message or call, shall turn the audible alert off. A device that contains a nonaudible alert, such as a silent vibration, may be operated in a nonaudible manner within the Assembly Chambers.

1. The Select Committee on Ethics consists of:

(a) Two members of the Assembly appointed by the Speaker from the majority political party;

(b) One member of the Assembly appointed by the Minority Leader from the minority political party; and

(c) Three qualified electors of the State, two of whom are appointed by the Speaker and one who is appointed by the Minority Leader, and none of whom is a present member of the Legislature or employed by the State of Nevada.

2. The Speaker shall appoint the Chair and Vice Chair of the Committee. The Vice Chair shall serve as the acting Chair if the Chair is unable to serve for any reason during the consideration of a specific question.

3. The Speaker shall appoint an alternate member with the qualifications set forth in paragraph (a) of subsection 1 and an alternate member with the qualifications set forth in paragraph (c) of subsection 1. The Minority Leader shall appoint an alternate member with the qualifications set forth in paragraph (b) of subsection 1 and an alternate member with the qualifications set forth in paragraph (c) of subsection 1. If a member of the Committee is unable to serve for any reason during the consideration of a specific question, the alternate appointed with the qualifications from the same paragraph in subsection 1 shall serve as a member of the Committee during the consideration of the specific question.

4. A member of the Committee is disqualified to serve during the consideration of a specific question if:

(a) The member is the requester of advice concerning the question of ethics or conflict of interest, or the member is the subject of the complaint concerning the specific question; or

(b) A reasonable person in the member's situation could not exercise independent judgment on the matter in question.

5. The members of the Committee shall perform any duty required in the period between the time of their appointment after the general election and the organization of the next succeeding regular session, or until the Speaker or the Speaker Designate or the Minority Leader or Minority Leader Designate appoint new members to the Committee, whichever occurs first.

6. The tenure of the members of the Committee shall extend during the interim between regular sessions of the Legislature.

7. The Committee:

(a) May hear requests brought by members of the Assembly for advice on specific questions of potential breaches of ethics and conflicts of interest; and

(b) Shall hear complaints brought by members of the Assembly and others on specific questions of alleged breaches of ethics and conflicts of interest, including, without limitation, alleged breaches of the Legislative Code of Ethical Standards in the Joint Standing Rules.

8. All proceedings held by the Committee to consider the character, alleged misconduct, professional competence or physical or mental health of any person on matters of ethics or conflicts of interest and all materials related to those proceedings are confidential, unless the person who is the subject of the proceedings requests a public hearing or discloses the content of the proceedings or materials.

9. An individual may file a complaint which alleges a breach of ethics or a conflict of interest, including, without limitation, an alleged breach of the Legislative Code of Ethical Standards in the Joint Standing Rules. If the alleged breach of ethics or conflict of interest involves the conduct of more than one person, separate complaints must be filed regarding each person. A complaint must be:

(a) Made in writing on a form provided by the Legislative Counsel;

(b) Signed and verified under penalty of perjury by the individual making the allegation; and

(c) Filed with the Legislative Counsel who shall review the complaint and any other relevant information and consult with the Chair of the Committee or, if the Chair is the subject of the complaint, with the Vice Chair, to evaluate whether the Committee has jurisdiction and whether an

investigation is warranted in the matter. If it is determined that the Committee:

(1) Does not have jurisdiction or that an investigation is not warranted in the matter, the Legislative Counsel shall send written notice of the determination to the individual who filed the complaint.

(2) Has jurisdiction and an investigation is warranted in the matter, the Legislative Counsel shall send written notice of the determination and a copy of the complaint to the person who is the subject of the complaint.

10. Each Legislator is subject, at all times, to the Legislative Code of Ethical Standards in the Joint Standing Rules and, in addition, must determine whether he or she has a conflict of interest upon any matter in question before the Legislator. In determining whether the Legislator has such a conflict of interest, the Legislator should consider whether the independence of judgment of a reasonable person in his or her situation upon the matter in question would be materially affected by the Legislator's:

(a) Acceptance of a gift or loan;

(b) Private economic interest; or

(c) Commitment to a member of his or her household or immediate family.

➥ In interpreting and applying the provisions of this subsection, it must be presumed that the independence of judgment of a reasonable person in the Legislator's situation would not be materially affected by the Legislator's private economic interest or the Legislator's commitment to a member of his or her household or immediate family where the resulting benefit or detriment accruing to the Legislator, or if the Legislator has a commitment to a member of his or her household or immediate family, accruing to those other persons, is not greater than that accruing to any other member of the general business, profession, occupation or group that is affected by the matter.

11. Except as otherwise provided in subsection 12, if a Legislator knows he or she has a conflict of interest pursuant to subsection 10, the Legislator shall make a general disclosure of the conflict of interest on the record in a meeting of a committee or on the floor of the Assembly, as applicable. Such a disclosure must be entered:

(a) If the Legislator makes the disclosure in a meeting of a committee, in the minutes for that meeting.

(b) If the Legislator makes the disclosure on the floor of the Assembly, in the Journal.

12. If, on one or more prior occasions during the current session of the Legislature, a Legislator has made a general disclosure of a conflict of interest on the record in a meeting of a committee or on the floor of the

Assembly, the Legislator is not required to make that general disclosure at length again regarding the same conflict of interest if, when the matter in question arises on subsequent occasions, the Legislator makes a reference on the record to the previous disclosure.

13. In determining whether to abstain from voting upon, advocating or opposing a matter concerning which a Legislator has a conflict of interest pursuant to subsection 10, the Legislator should consider whether:

(a) The conflict impedes his or her independence of judgment; and

(b) His or her interest is greater than the interests of an entire class of persons similarly situated.

14. The provisions of this Rule do not under any circumstances and regardless of any conflict of interest:

(a) Prohibit a Legislator from requesting or introducing a legislative measure; or

(b) Require a Legislator to take any particular action before or while requesting or introducing a legislative measure.

15. If a Legislator who is a member of a committee declares on the record when a vote is to be taken by the committee that he or she will abstain from voting because of the requirements of this Rule, the necessary quorum to act upon and the number of votes necessary to act upon the matter is reduced as though the Legislator abstaining were not a member of the committee.

16. The standards and procedures set forth in this Rule which govern whether and to what extent a member of the Assembly has a conflict of interest, should disclose a conflict of interest or should abstain from voting upon, advocating or opposing a matter concerning which the member has a conflict of interest pursuant to subsection 10:

(a) Are exclusive and are the only standards and procedures that apply to members of the Assembly with regard to such matters; and

(b) Supersede and preempt all other standards and procedures with regard to such matters,

➥ except that this subsection does not exempt any members of the Assembly from the Legislative Code of Ethical Standards in the Joint Standing Rules.

17. For purposes of this Rule, "immediate family" means a person who is related to the Legislator by blood, adoption or marriage within the first degree of consanguinity or affinity.

[Statutes of Nevada 1977, 1706; A 1987, 2325, 2336; 1995, 2847; 1997, 3540; 2009, 3143; 2011, 3794; 2013, 3900; 2014, 28th Special Session, 38; 2019, 4538]

The next rule is 30.

1. The presiding officer shall declare all votes, but the yeas and nays must be taken when called for by three members present, and the names of those calling for the yeas and nays must be entered in the Journal by the Chief Clerk.

2. The presiding officer shall call for yeas and nays by a division or by a roll call, either electronic or oral.

3. When taking the yeas and nays on any proposal, the electronic roll call system may be used, and when so used shall have the force and effect of any roll call under these rules.

To assist the committee in making its determination, the chair shall take, direct or require any reasonable actions to provide the parties with notice and an opportunity to submit written arguments to the committee limited to the issue of whether the contestant complied with all requirements to bring and maintain the contest.

5. If the committee determines that the contestant complied with all requirements to bring and maintain the contest, the committee shall review the merits of the contest pursuant to this Rule. If the committee determines that the contestant did not comply with all requirements to bring and maintain the contest, the committee shall report to the Assembly its recommendation that the Assembly should not take further action on the contest and that the Assembly should dismiss the contest with prejudice. As soon as practicable after receiving the committee's report, the Assembly shall vote on whether to accept or reject the committee's recommendation without amendment. If the Assembly accepts the committee's recommendation, the Speaker shall declare that the Assembly shall not take further action on the contest and that the Assembly dismisses the contest with prejudice. If the Assembly rejects the committee's recommendation, the Speaker shall declare that the Assembly returns the contest to the committee with directions to review the merits of the contest pursuant to this Rule.

6. If the committee reviews the merits of the contest pursuant to this Rule, the committee may conduct any reasonable hearings or other proceedings to receive any evidence and arguments from the parties regarding the merits of the contest. The committee shall keep written minutes of any hearings that are conducted.

7. To the extent possible, the merits of the contest must be presented and submitted to the committee upon depositions and any written or oral arguments as the chair may order. If, at any hearings or other proceedings, any oral statements are made that purport to establish matters of fact, the statements must be made under oath. Strict rules of evidence do not apply in any hearings or other proceedings, but the chair may admit or exclude any evidence based on the rules of evidence.

8. A party may take the deposition of any witness at any time after the statement of contest is filed with the Secretary of State, but the chair may establish reasonable limitations and deadlines regarding any depositions. Before taking a deposition, a party must provide at least 5 days' notice to the prospective deponent and the other party.

9. To prevail on the merits of the contest, the contestant has the burden of proving that, based on one or more of the grounds set forth in NRS 293.410, there were sufficient irregularities in the election of such a

substantial nature as to establish that the result of the election was changed thereby.

10. If the committee reviews the merits of the contest pursuant to this Rule, the committee shall report to the Assembly its findings and its recommendation on which party should be declared elected, unless the committee declines to make such a recommendation in its report. As soon as practicable after receiving the committee's report, the Assembly shall vote on whether to accept or reject the committee's recommendation without amendment, if such a recommendation is made. If the Assembly accepts the committee's recommendation, the Speaker shall declare the recommended party elected. If the Assembly rejects the committee's recommendation or if the committee did not make such a recommendation, the Assembly shall vote on which party should be declared elected, and the Speaker shall declare the party elected after the vote.

Rule No. 110. Second Reading and Amendment of Bills.

1. All bills must be read the second time on the first legislative day after which they are reported by committee, unless a different day is designated by motion. Upon second reading, Assembly bills reported without amendments shall be placed on the General File and Senate bills reported without amendments shall be placed on the General File. Committee amendments reported with bills shall be considered upon their second reading or third reading, as appropriate, and such amendments may be adopted by a majority vote of the members present. Any amendment which is numbered and made available to all members must be moved and voted upon by number. Assembly bills so amended must be reprinted, then engrossed or reengrossed, as applicable, and placed on the General File. Senate bills so amended must be reprinted, then engrossed or reengrossed, as applicable, and placed on the General File.

2. Any member may move to amend a bill during its second or third reading, and such a motion to amend may be adopted by a majority vote of the members present. Bills so amended on second reading must be treated the same as bills with committee amendments. Any bill so amended upon the General File must be reprinted and then engrossed or reengrossed, as applicable. A member who moves to amend a bill during its second reading must limit his or her remarks to an explanation of the amendment. If the member desires to speak on the importance of the amendment, the member must request permission to speak under Order of Business 15 of Assembly Standing Rule No. 120.

3. The reprinting of amended bills may be dispensed with upon a majority vote of the members present.

4. It shall not be in order to consider an amendment that removes all sponsors of a bill or resolution.

[Statutes of Nevada 1975, 1915; A 1997, 3552; 1999, 3844; 2009, 3153; 2011, 3809; 2013, 3916]

Rule No. 111. Consent Calendar.

1. A standing committee may by unanimous vote of the members present report a bill with the recommendation that it be placed on the Consent Calendar. The question of recommending a bill for the Consent Calendar may be voted upon in committee only after the bill has been recommended for passage and only if no amendment is recommended.

2. The Chief Clerk shall maintain a list of bills recommended for the Consent Calendar. The list must be printed in the Daily History and must include the summary of each bill, and the date the bill is scheduled for consideration on final passage.

3. At any time before the presiding officer calls for a vote on the passage of the Consent Calendar, a member may give written notice to the Chief Clerk or state orally from the floor of the Assembly in session that he or she requests the removal of a particular bill from the Consent Calendar. If a member so requests, the Chief Clerk shall remove the bill from the Consent Calendar and transfer it to the Second Reading File or General File, as appropriate. A bill removed from the Consent Calendar may not be restored to that Calendar.

4. During floor consideration of the Consent Calendar, members may ask questions and offer explanations relating to the respective bills.

5. When the Consent Calendar is brought to a vote, the bills remaining on the Consent Calendar must be read by number and summary and the vote must be taken on their final passage as a group.

2. A member who moves to amend a bill or initiative petition during its third reading must limit his or her remarks to an explanation of the amendment. If the member desires to speak on the importance of the amendment, the member must request permission to speak under Order of Business 15 of Assembly Standing Rule No. 120.

Rule No. 115. Reconsideration of Vote on Bill.

1. A motion to reconsider a final vote on a bill, resolution or initiative petition shall be in order only on the day on which the final vote is taken, and the vote on such a motion to reconsider must be taken on the same day. The motion to reconsider can be made only by a member who voted with the prevailing side.

2. A motion to reconsider a vote on an amendment to a pending proposal must be made at once and can be made only by a member who voted with the prevailing side.

3. A motion to reconsider shall have precedence over every other motion, including a motion to adjourn, if the motion is to reconsider a final vote on a bill, resolution or initiative petition. If the motion to reconsider is for any other action, the motion has precedence over every other motion,

except a motion to adjourn or to fix the time to adjourn; and when the Assembly adjourns while a motion to reconsider is pending, the right to move a reconsideration shall continue to the next day of sitting.

E. REMOTE-TECHNOLOGY SYSTEMS

Rule No. 121. Reserved.

Rule No. 122. Reserved.

Rule No. 123. Reserved.

Rule No. 124. Reserved.

Rule No. 125. Reserved.

Rule No. 126. Authorized Use of Remote-Technology Systems in Exceptional Circumstances.

1. As used in this Rule, "remote-technology system" means any system or other means of communication that is:

(a) Approved by the Speaker and uses any electronic, digital or other similar technology to enable a member of the Assembly from a remote location to attend, participate, vote and take any other action in any proceedings of the Assembly or the Committee of the Whole even though the member is not physically present within the Assembly Chambers or at a meeting of the Committee of the Whole.

(b) Approved by the chair of a committee, other than the Committee of the Whole, and uses any electronic, digital or other similar technology to enable a member of the Assembly from a remote location to attend, participate, vote and take any other action in any proceedings of the committee even though the member is not physically present at a meeting of the committee.

2. Upon request by a member of the Assembly:

(a) The Speaker may authorize the member to use a remote-technology system to attend, participate, vote and take any other action in any proceedings of the Assembly or the Committee of the Whole if the Speaker determines that exceptional circumstances warrant such use by the member. If the Speaker grants such authorization, it must be entered in the Journal of the Assembly.

(b) The chair of a committee, other than the Committee of the Whole, with the approval of the Speaker, may authorize the member to use a remote-technology system to attend, participate, vote and take any other action in any proceedings of the committee if the chair and the Speaker determine that exceptional circumstances warrant such use by the member. If the chair grants such authorization, it must be entered in the records of the committee.

3. If a member of the Assembly uses a remote-technology system to attend, participate, vote and take any other action in any proceedings pursuant to this Rule, the member shall be deemed to be present and in attendance at the proceedings for all purposes.

4. For the purposes of voting in proceedings of:

(a) The Assembly or the Committee of the Whole, the Chief Clerk of the Assembly or an authorized assistant shall call the roll of each member who is authorized to use a remote-technology system for the proceedings and, in accordance with the procedures of the Assembly, cause the member's vote to

be entered into the record for the purposes of the Journal of the Assembly or the records of the Committee of the Whole, as applicable.

(b) A committee, other than the Committee of the Whole, the committee secretary shall call the roll of each member who is authorized to use a remote-technology system for the proceedings and, in accordance with the procedures of the committee, cause the member's vote to be entered into the record for the purposes of the records of the committee.

5. Except as otherwise provided in subsection 7 of Assembly Standing Rule No. 55, this Rule supersedes, takes precedence and controls over any other rule, provision or principle of law to the extent of any conflict with this Rule.

6. The Assembly hereby finds and declares that:

(a) The Nevada Constitution invests each House of the Legislature with certain plenary and exclusive constitutional powers which may be exercised only by that House and which cannot be usurped, infringed or impaired by the other House or by any other branch of Nevada's State Government. (*Heller v. Legislature*, 120 Nev. 456 (2004); *Commission on Ethics v. Hardy*, 125 Nev. 285 (2009); *Mason's Manual of Legislative Procedure* §§ 2-3 & 560-564 (2010) (*Mason's Manual*))

(b) Section 6 of Article 4 of the Nevada Constitution invests each House with plenary and exclusive constitutional powers to determine the rules of its proceedings and to govern, control and regulate its membership and its internal organization, affairs and management, expressly providing that: "Each House shall judge of the qualifications, elections and returns of its own members, choose its own officers (except the President of the Senate), determine the rules of its proceedings and may punish its members for disorderly conduct, and with the concurrence of two thirds of all the members elected, expel a member."

(c) In addition to its plenary and exclusive constitutional powers, each House possesses certain inherent powers of institutional self-protection and self-preservation to govern, control and regulate its membership and its internal organization, affairs and management. (*In re Chapman*, 166 U.S. 661, 668 (1897); *Mason's Manual* § 2; Luther S. Cushing, *Elements of the Law & Practice of Legislative Assemblies* § 533 (1856) (*Cushing's Legislative Assemblies*))

(d) The inherent powers of each House are considered "so essential to the authority of a legislative assembly, that it cannot well exist without them; and they are consequently entitled to be regarded as belonging to every such assembly as a necessary incident." (*Cushing's Legislative Assemblies* § 533)

(e) The inherent powers of each House authorize it to take all necessary and proper institutional actions that are "recognized by the common parliamentary law." (*Cushing's Legislative Assemblies* § 684)

(f) Thus, it is well established that each House is "vested with all the powers and privileges which are necessary and incidental to a free and unobstructed exercise of its appropriate functions. These powers and privileges are derived not from the Constitution; on the contrary, they arise from the very creation of a legislative body, and are founded upon the principle of self-preservation." (*Ex parte McCarthy*, 29 Cal. 395, 403 (1866))

(g) Under the Nevada Constitution, there are no constitutional provisions establishing a particular method for determining whether a member of either House is present at legislative proceedings.

(h) The United States Supreme Court has held that when there are no constitutional provisions establishing a particular method for determining whether a member of a legislative house is present at legislative proceedings, "it is therefore within the competency of the house to prescribe any method which shall be reasonably certain to ascertain the fact." (*United States v. Ballin*, 144 U.S. 1, 6 (1892))

(i) The United States Supreme Court has also held that when a legislative house adopts a rule establishing a reasonable method for determining whether a member is present at legislative proceedings, that rule must be given great deference by the courts because:

> Neither do the advantages or disadvantages, the wisdom or folly, of such a rule present any matters for judicial consideration. With the courts the question is only one of power. The constitution empowers each house to determine its rules of proceedings. It may not by its rules ignore constitutional restraints or violate fundamental rights, and there should be a reasonable relation between the mode or method of proceeding established by the rule and the result which is sought to be attained. But within these limitations all matters of method are open to the determination of the house, and it is no impeachment of the rule to say that some other way would be better, more accurate, or even more just. It is no objection to the validity of a rule that a different one has been prescribed and in force for a length of time. The power to make rules is not one which once exercised is exhausted. It is a continuous power, always subject to be exercised by the house, and, within the limitations suggested, absolute and beyond the challenge of any other body or tribunal.

(*United States v. Ballin*, 144 U.S. 1, 5 (1892))

7. The Assembly hereby exercises its constitutional and inherent powers and privileges and adopts this Rule to:

(a) Govern, control and regulate its membership and its internal organization, affairs and management;

(b) Ensure its institutional self-protection and self-preservation; and

(c) Establish a reasonable method for determining whether a member of the Assembly is present at legislative proceedings during exceptional circumstances.

X. SPECIAL SESSIONS

Rule No. 142. Request for Drafting of Bills, Resolutions or Amendments.

1. Except as otherwise provided in subsections 2 and 3, the Legislative Counsel shall not honor a request for the drafting of a bill or resolution to be introduced in the Assembly during a special session, or an amendment to a bill or resolution, unless it is submitted by the Speaker, the Committee of the Whole, such other committees as the Speaker may appoint for a special session, or a conference committee.

2. The standing Committee on Legislative Operations and Elections may request the drafting of three Assembly resolutions and one Assembly concurrent resolution necessary to establish the rules, staffing, operation and organization of the Assembly and the Legislature for a special session.

3. The Speaker may request the drafting of five bills for a special session without seeking the approval of the Assembly.

Rule No. 1. Procedure Concerning.

1. In every case of an amendment of a bill, or joint or concurrent resolution, agreed to in one House, dissented from in the other, and not receded from by the one making the amendment, each House may appoint a committee to confer with a like committee to be appointed by the other; and, if appointed, the committee shall meet publicly at a convenient hour to be agreed upon by their respective chairs and announced publicly, and shall confer upon the differences between the two Houses as indicated by the amendments made in one and rejected in the other and report as early as convenient the result of their conference to their respective Houses.

1. The Legislature hereby declares that it is the policy of the Legislature to prohibit any conduct, whether intentional or unintentional, which results in sexual harassment or other unlawful harassment based upon any other protected category. The Legislature intends to maintain a working environment which is free from sexual harassment and other unlawful harassment. Each Legislator is responsible to conduct himself or herself in a manner which will ensure that others are able to work in such an environment.

2. In accordance with Title VII of the Civil Rights Act of 1964, 42 U.S.C. §§ 2000e et seq., for the purposes of this Rule, "sexual harassment" means unwelcome sexual advances, requests for sexual favors, and other verbal, visual or physical conduct of a sexual nature when:

(b) Submission to or rejection of such conduct by a person is used as the basis for employment decisions affecting the person; or

(c) Such conduct has the purpose or effect of unreasonably interfering with a person's work performance or creating an intimidating, hostile or offensive working environment.

3. Each Legislator must exercise his or her own good judgment to avoid engaging in conduct that may be perceived by others as sexual harassment.

The following noninclusive list provides illustrations of conduct that the Legislature deems to be inappropriate:

(a) Verbal conduct such as epithets, derogatory comments, slurs or unwanted sexual advances, invitations or comments;

4. In addition to other prohibited conduct, a complaint may be brought pursuant to this Rule for engaging in conduct prohibited by Joint Standing Rule No. 37 when the prohibited conduct is based on or because of the gender or other protected category of the person.

5. Retaliation against a person for engaging in protected activity is prohibited. Retaliation occurs when an adverse action is taken against a person which is reasonably likely to deter the person from engaging in the protected activity. Protected activity includes, without limitation:

(a) Opposing conduct that the person reasonably believes constitutes sexual harassment or other unlawful harassment;

(b) Filing a complaint about the conduct; or

(c) Testifying, assisting or participating in any manner in an investigation or other proceeding related to a complaint of sexual harassment or other unlawful harassment.

7. The Speaker of the Assembly, the Majority Leader of the Senate or the Director of the Legislative Counsel Bureau, as appropriate, shall cause a discreet and impartial investigation to be conducted and may, when deemed

necessary and appropriate, assign the complaint to a committee consisting of Legislators of the appropriate House.

8. The appropriate persons will be informed when any such action is taken. The Legislature will also take any action necessary to deter any future harassment.

9. The Legislature encourages a Legislator to report any incident of sexual harassment, other unlawful harassment, retaliation or other conduct inconsistent with this policy immediately so that the complaint can be quickly and fairly resolved.

10. All Legislators are responsible for adhering to the provisions of this policy. The prohibitions against engaging in sexual harassment and other unlawful harassment which are set forth in this Rule also apply to employees, Legislators, lobbyists, vendors, contractors, customers and any other visitors to the Legislature.

11. The Legislative Counsel Bureau shall establish a reporting system which allows a person to submit a complaint of a violation of this Rule with or without identifying himself or herself. (b) The reporting system established pursuant to subsection 11 of Joint Standing Rule No. 20.

➥ Such a complaint must include the details of the incident or incidents alleged, the names of the persons involved and the names of any witnesses. Unless the Legislative Counsel is the subject of the complaint, the Legislative Counsel must be informed upon receipt of a complaint.

4. If a person encounters conduct by a lobbyist which he or she believes is sexual harassment, other unlawful harassment, retaliation or otherwise inconsistent with this policy, the person may file a complaint in the manner listed in subsection 3, or may submit a complaint in accordance with the reporting system established pursuant to subsection 11 of Joint Standing Rule No. 20.

ACCREDITATION OF NEWS MEDIA

Rule No. 25. Procedures and Standards for Accreditation; Disqualifications; Definition of "Bona Fide News Medium."

1. If a person is accredited as a member of a bona fide news medium in accordance with the requirements in this Rule, the person may be granted the privilege of accessing any areas designated for members of a bona fide news medium on the floor or in the chambers of the Senate and Assembly, subject to the approval, regulation and supervision of the Majority Leader of the Senate and the Speaker of the Assembly.

2. If a person wants to be considered for accreditation as a member of a bona fide news medium, the person must complete and file an application for accreditation with the Director of the Legislative Counsel Bureau. The application must include:

(a) The person's full name, telephone number and electronic mail address and a copy of a driver's license or other photo identification deemed sufficient by the Director to identify the person.

(b) The name of each bona fide news medium that the person works for or represents and the business address, telephone number and electronic mail address of each such bona fide news medium.

(c) Documentary or other evidence deemed sufficient by the Director to establish that the person works for or represents a bona fide news medium. Such evidence may include a copy of an identification badge issued by a bona fide news medium or, in the absence of such an identification badge, any other evidence deemed sufficient by the Director to establish that the person works for or represents a bona fide news medium.

(d) Any other information or evidence that the Director determines is necessary to carry out the provisions of this Rule.

3. In addition to the requirements of subsection 2, the application must include:

(a) A declaration that the person is not registered as a lobbyist pursuant to chapter 218H of NRS and, to the best of the person's knowledge and belief at that time, does not intend to register as a lobbyist or engage in any lobbying activities that would require the person to register as a lobbyist during any regular or special session pursuant to chapter 218H of NRS.

(b) An acknowledgment that, if the person is accredited as a member of a bona fide news medium and thereafter registers as a lobbyist or engages in any lobbying activities that would require the person to register as a lobbyist during any regular or special session pursuant to chapter 218H of NRS,

regardless of whether the person properly registers or fails to register as a lobbyist as required by that chapter, the person shall be deemed to have forfeited the person's accreditation, and the person must return the person's identification badge as a member of a bona fide news medium to the Legislative Counsel Bureau.

4. When any applications are filed pursuant to this Rule, the Director shall, as soon as reasonably practicable:

(a) Review the applications for compliance with the requirements in this Rule and prepare lists naming the persons whose applications the Director has made a preliminary determination and recommendation that the applications comply with the requirements in this Rule;

(b) Submit such lists to the Secretary of the Senate and the Chief Clerk of the Assembly for review and approval by the Majority Leader of the Senate and the Speaker of the Assembly; and

(c) Prepare identification badges for the persons named in such lists.

5. The applications of the persons named in such lists and their accreditation as members of a bona fide news medium shall be deemed approved by the Majority Leader of the Senate and the Speaker of the Assembly if their names are read or entered into the Journals of the Senate and Assembly.

6. Any decisions to approve, deny, suspend or revoke the accreditation of a member of a bona fide news medium, or discipline such a member for violations of any rules or policies, is at the sole discretion of the Majority Leader of the Senate and the Speaker of the Assembly.

7. The Legislative Counsel Bureau shall act as the administrative liaison between any applicants or accredited members of a bona fide news medium and the Senate and Assembly for purposes of accepting and processing applications for accreditation, preparing and regulating identification badges and administering any other matters necessary to carry out the provisions of this Rule, but such actions by the Legislative Counsel Bureau do not affect the authority of the Senate and Assembly to govern their own chambers or otherwise determine privileges of the floor.

8. A person is disqualified and barred from being accredited as a member of a bona fide news medium if the person registers as a lobbyist or engages in any lobbying activities that would require the person to register as a lobbyist during any regular or special session pursuant to chapter 218H of NRS, regardless of whether the person properly registers or fails to register as a lobbyist as required by that chapter. If a person is accredited as a member of a bona fide news medium and thereafter registers as a lobbyist or engages in any lobbying activities that would require the person to register as a lobbyist during any regular or special session pursuant to chapter 218H of NRS, regardless of whether the person properly registers or fails to register as a lobbyist as required by that chapter, the person shall be deemed to have

forfeited the person's accreditation, and the person must return the person's identification badge as a member of a bona fide news medium to the Legislative Counsel Bureau.

9. As used in this Rule, "bona fide news medium" means a commercial or non-profit news outlet providing:

(a) Print journalism, such as newspapers or magazines;

(b) Broadcast journalism, such as radio or television;

(c) Wire or news services for redistribution to other news organizations; or

(d) Online news services using electronic dissemination rather than conventional print or broadcast distribution.

LEGISLATIVE CODE OF ETHICAL STANDARDS

Rule No. 30. Short Title; Applicability; Relation to Other Ethical Standards.

1. Joint Standing Rules Nos. 30 to 39, inclusive, may be cited as the Legislative Code of Ethical Standards.

2. The Legislative Code of Ethical Standards applies to:

(a) All Legislators at all times.

(b) All members of legislative staff when performing or exercising their legislative assignments, tasks, duties, responsibilities or powers.

(c) All lobbyists when they:

3. The Legislative Code of Ethical Standards is intended to supplement all other ethical standards recognized by rules and laws governing ethics and does not limit the application of such other ethical standards but is cumulative thereto, so that the application or attempted application of any one of the ethical standards does not bar the application or attempted application of any other, except in circumstances where Section 6 of Article 4 of the Nevada Constitution invests each House with plenary and exclusive constitutional powers.

4. The Legislative Code of Ethical Standards does not create any private right of action or enforceable legal rights in any person.

2. The Legislative Code of Ethical Standards must be construed:

(a) Liberally to carry out and achieve its purposes; and

(b) Strictly against any person alleging that his or her conduct is not subject to its provisions, so that any doubt or uncertainty as to the application of its provisions must be resolved against such a person and in favor of removing unethical behavior from the legislative process.

2. Each Legislator, member of legislative staff or lobbyist has a solemn and unerring responsibility and duty to do everything in his or her power to:

(a) Behave properly, appropriately and honorably with each other and with members of the public who participate in the legislative process; and

3. Each Legislator, member of legislative staff or lobbyist shall not engage in or attempt, offer, or agree to engage in, or assist or induce another person to engage in:

(a) Any conduct that creates the appearance of impropriety; or

2. If the complaint alleges an ethical breach by or against a Legislator or the ethical breach otherwise involves a particular Legislator, the complaint must be filed with the Legislator's House, even if the complaint also alleges an ethical breach by or against a member of legislative staff or a lobbyist.

[Statutes of Nevada 2017, 4605; A 2019, 4532]

Rule No. 39. Authority of Senate and Assembly to Adopt Ethical Standards, Require Training and Prohibit and Sanction Ethical Breaches.

1. The Senate and Assembly hereby find and declare that:

(a) Section 6 of Article 4 of the Nevada Constitution invests each House with plenary and exclusive constitutional powers to govern, control and regulate its membership and its internal organization, affairs and management, expressly providing that: "Each House shall judge of the qualifications, elections and returns of its own members, choose its own officers (except the President of the Senate), determine the rules of its proceedings and may punish its members for disorderly conduct, and with the concurrence of two thirds of all the members elected, expel a member." (*Heller v. Legislature*, 120 Nev. 456 (2004); *Commission on Ethics v. Hardy*, 125 Nev. 285 (2009); *Mason's Manual of Legislative Procedure* §§ 2-3 and 560-564 (2010) (*Mason's Manual*))

(b) Section 7 of Article 4 of the Nevada Constitution invests each House with plenary and exclusive constitutional powers to govern, control and regulate any person who is not a member but who is guilty of disrespect to the House by disorderly or contemptuous behavior in its presence, and each House also has inherent powers, according to the common parliamentary law, to prohibit and sanction all offensive behavior committed against it by any person who is not a member. (*Mason's Manual* §§ 805-806; Luther S. Cushing, *Elements of the Law & Practice of Legislative Assemblies* §§ 690-695 (1856) (*Cushing's Legislative Assemblies*))

(c) In addition to its other powers, each House possesses certain inherent powers of institutional self-protection and self-preservation to govern, control and regulate its membership and its internal organization, affairs and management. (*In re Chapman*, 166 U.S. 661, 668 (1897); *Mason's Manual* § 2; *Cushing's Legislative Assemblies* § 533)

(d) The inherent powers of each House are considered "so essential to the authority of a legislative assembly, that it cannot well exist without them; and they are consequently entitled to be regarded as belonging to every such assembly as a necessary incident." (*Cushing's Legislative Assemblies* § 533)

(e) The inherent powers of each House authorize it to take all necessary and proper institutional actions that are "recognized by the common parliamentary law." (*Cushing's Legislative Assemblies* § 684)

(f) Thus, it is well established that each House is "vested with all the powers and privileges which are necessary and incidental to a free and unobstructed exercise of its appropriate functions. These powers and privileges are derived not from the Constitution; on the contrary, they arise from the very creation of a legislative body, and are founded upon the principle of self-preservation." (*Ex parte McCarthy*, 29 Cal. 395, 403 (1866))

2. The Senate and Assembly hereby exercise their constitutional and inherent powers and privileges and adopt the Legislative Code of Ethical Standards in the Joint Standing Rules to:

(a) Establish ethical standards to regulate the behavior and conduct of persons who participate in the legislative process; and

(b) Prohibit and sanction ethical breaches.

3. The Majority Leader of the Senate and the Speaker of the Assembly, respectively, may require Legislators to attend training relating to the ethical standards required, and the behaviors prohibited, by the Legislative Code of Ethical Standards and sanction a Legislator for failure to attend such a training.

Rule No. 40. Continuation of Joint Standing Rules During the Interim Between Regular Sessions.

The Joint Standing Rules set forth herein shall remain in full force and effect throughout the interim between regular sessions of the Legislature and until new Joint Standing Rules of the Senate and Assembly are adopted as part of the organization of a newly-constituted Legislature at the commencement of a session, unless a conflict exists with a rule adopted by the Senate and Assembly for a special session occurring between regular sessions.
