Assembly Bill No. 163.

Bill read third time.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 826.

AN ACT relating to mental health; ratifying and entering into the Counseling Compact; authorizing the sharing of certain information with the coordinated database and reporting system created by the Compact; providing licensed professional counselors practicing in this State under the Compact with the same legal status as clinical professional counselors who are licensed in this State; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law regulates the practice of licensed professional counselors, known as clinical professional counselors, in this State. (Chapter 641A of NRS) **Section 1** of this bill ratifies and enters into the Counseling Compact, which is an interstate compact that allows a person who is licensed as a licensed professional counselor in a state that is a member of the Compact to practice as a licensed professional counselor in other states that are members of the Compact. In order to practice as a licensed professional counselor under the Compact, the Compact requires a licensed professional counselor to: (1) hold a license in his or her home state; (2) have a valid social security number or National Practitioner Identifier; (3) notify the Counseling Compact Commission, a joint public agency established by the Compact, that he or she is seeking to practice under the Compact in another state; (4) have had no encumbrances or restrictions placed against any license or authority to practice under the Compact within the previous 2 years; (5) pay any applicable fees; (6) meet any requirements for continuing education established by his or her home state; (7) meet any requirement in the state in which he or she seeks to practice under the Compact to pass an assessment of his or her knowledge of the applicable laws and rules of that state; and (8) report any adverse action taken against him or her or any encumbrance or restriction placed upon him or her in a non-member state within 30 days after the date of the adverse action or the placement of the encumbrance or restriction, as applicable. The Compact also requires a member state to authorize a professional counselor who is licensed in a member state to provide counseling services via telehealth to a patient located in any member state under rules prescribed by the Commission. The Compact authorizes a member state to take certain adverse actions against a licensed professional counselor practicing within that member state under the Compact. The Compact requires the Commission, among other duties, to: (1) establish bylaws; (2) make rules that facilitate and coordinate implementation and administration of the Compact; (3) hold meetings, which may be closed to the public under certain conditions; (4) develop, maintain and use a coordinated database and reporting system; and (5) resolve disputes related to the Compact among states that are members of the Compact. The Commission is additionally authorized to levy and collect an annual assessment from each state that is a member of the Compact.

Section 2 of this bill authorizes the Board of Examiners for Marriage and Family Therapists and Clinical Professional Counselors to disclose certain investigatory information to the Commission and the coordinated database and reporting system when required by the Compact. **Sections 1 and 4** of this bill provide for the confidentiality of certain information disclosed to the Board from the coordinated database and reporting system.

Section 3 of this bill deems practicing as a licensed professional counselor under the Compact to be equivalent to practicing as a clinical professional counselor under a license issued by the Board.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 641A of NRS is hereby amended by adding thereto a new section to read as follows:

Notwithstanding the foregoing, in the event the Commission exercises its Rulemaking authority in a manner that is beyond the scope of the purposes of the Compact, or the powers granted hereunder, then such an action by the Commission shall be invalid and have no force or effect.

B. The Commission shall exercise its Rulemaking powers pursuant to the criteria set forth in this Section and the Rules adopted thereunder. Rules and amendments shall become binding as of the date specified in each Rule or amendment.

C. If a majority of the legislatures of the Member States rejects a Rule, by enactment of a statute or resolution in the same manner used to adopt the Compact within four (4) years of the date of adoption of the Rule, then such Rule shall have no further force and effect in any Member State.

D. Rules or amendments to the Rules shall be adopted at a regular or special meeting of the Commission.

E. Prior to promulgation and adoption of a final Rule or Rules by the Commission, and at least thirty (30) days in advance of the meeting at which the Rule will be considered and voted upon, the Commission shall file a Notice of Proposed Rulemaking:

1. On the website of the Commission or other publicly accessible platform; and

2. On the website of each Member State Professional Counseling Licensing Board or other publicly accessible platform or the publication in which each State would otherwise publish proposed Rules.

F. The Notice of Proposed Rulemaking shall include:

1. The proposed time, date, and location of the meeting in which the Rule will be considered and voted upon;

2. The text of the proposed Rule or amendment and the reason for the proposed Rule;

3. A request for comments on the proposed Rule from any interested person; and

4. The manner in which interested persons may submit notice to the Commission of their intention to attend the public hearing and any written comments.

G. Prior to adoption of a proposed Rule, the Commission shall allow persons to submit written data, facts, opinions, and arguments, which shall be made available to the public.

H. The Commission shall grant an opportunity for a public hearing before it adopts a Rule or amendment if a hearing is requested by:

1. At least twenty-five (25) persons;

2. A State or federal governmental subdivision or agency; or

3. An association having at least twenty-five (25) members.

I. If a hearing is held on the proposed Rule or amendment, the Commission shall publish the place, time, and date of the scheduled public

hearing. If the hearing is held via electronic means, the Commission shall publish the mechanism for access to the electronic hearing.

1. All persons wishing to be heard at the hearing shall notify the executive director of the Commission or other designated member in writing of their desire to appear and testify at the hearing not less than five (5) business days before the scheduled date of the hearing.

2. Hearings shall be conducted in a manner providing each person who wishes to comment a fair and reasonable opportunity to comment orally or in writing.

3. All hearings will be recorded. A copy of the recording will be made available on request.

4. Nothing in this Section shall be construed as requiring a separate hearing on each Rule. Rules may be grouped for the convenience of the Commission at hearings required by this Section.

J. Following the scheduled hearing date, or by the close of business on the scheduled hearing date if the hearing was not held, the Commission shall consider all written and oral comments received.

K. If no written notice of intent to attend the public hearing by interested parties is received, the Commission may proceed with promulgation of the proposed Rule without a public hearing.

L. The Commission shall, by majority vote of all members, take final action on the proposed Rule and shall determine the effective date of the Rule, if any, based on the Rulemaking record and the full text of the Rule.

M. Upon determination that an emergency exists, the Commission may consider and adopt an emergency Rule without prior notice, opportunity for comment, or hearing, provided that the usual Rulemaking procedures provided in the Compact and in this Section shall be retroactively applied to the Rule as soon as reasonably possible, in no event later than ninety (90) days after the effective date of the Rule. For the purposes of this provision, an emergency Rule is one that must be adopted immediately in order to:

1. Meet an imminent threat to public health, safety, or welfare;

2. Prevent a loss of Commission or Member State funds;

3. Meet a deadline for the promulgation of an administrative Rule that is established by federal law or Rule; or

4. Protect public health and safety.

N. The Commission or an authorized committee of the Commission may direct revisions to a previously adopted Rule or amendment for purposes of correcting typographical errors, errors in format, errors in consistency, or grammatical errors. Public notice of any revisions shall be posted on the website of the Commission. The revision shall be subject to challenge by any person for a period of thirty (30) days after posting. The revision may be challenged only on grounds that the revision results in a material change to a Rule. A challenge shall be made in writing and delivered to the chair of the Commission prior to the end of the notice period. If no challenge is made, the revision will take effect without further action. If the revision is

challenged, the revision may not take effect without the approval of the Commission.

SECTION 12. OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT

A. Oversight

1. The executive, legislative, and judicial branches of State government in each Member State shall enforce this Compact and take all actions necessary and appropriate to effectuate the Compact's purposes and intent. The provisions of this Compact and the Rules promulgated hereunder shall have standing as statutory law.

2. All courts shall take judicial notice of the Compact and the Rules in any judicial or administrative proceeding in a Member State pertaining to the subject matter of this Compact which may affect the powers, responsibilities, or actions of the Commission.

3. The Commission shall be entitled to receive service of process in any such proceeding and shall have standing to intervene in such a proceeding for all purposes. Failure to provide service of process to the Commission shall render a judgment or order void as to the Commission, this Compact, or promulgated Rules.

B. Default, Technical Assistance, and Termination

1. If the Commission determines that a Member State has defaulted in the performance of its obligations or responsibilities under this Compact or the promulgated Rules, the Commission shall:

a. Provide written notice to the defaulting State and other Member States of the nature of the default, the proposed means of curing the default and/or any other action to be taken by the Commission; and

b. Provide remedial training and specific technical assistance regarding the default.

C. If a State in default fails to cure the default, the defaulting State may be terminated from the Compact upon an affirmative vote of a majority of the Member States, and all rights, privileges and benefits conferred by this Compact may be terminated on the effective date of termination. A cure of the default does not relieve the offending State of obligations or liabilities incurred during the period of default.

D. Termination of membership in the Compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the Commission to the governor, the majority and minority leaders of the defaulting State's legislature, and each of the Member States.

E. A State that has been terminated is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination, including obligations that extend beyond the effective date of termination.

F. The Commission shall not bear any costs related to a State that is found to be in default or that has been terminated from the Compact, unless agreed upon in writing between the Commission and the defaulting State.

G. The defaulting State may appeal the action of the Commission by petitioning the U.S. District Court for the District of Columbia or the federal district where the Commission has its principal offices. The prevailing member shall be awarded all costs of such litigation, including reasonable attorney's fees.

H. Dispute Resolution

1. Upon request by a Member State, the Commission shall attempt to resolve disputes related to the Compact that arise among Member States and between member and non-Member States.

2. The Commission shall promulgate a Rule providing for both mediation and binding dispute resolution for disputes as appropriate.

I. Enforcement

1. The Commission, in the reasonable exercise of its discretion, shall enforce the provisions and Rules of this Compact.

2. By majority vote, the Commission may initiate legal action in the United States District Court for the District of Columbia or the federal district where the Commission has its principal offices against a Member State in default to enforce compliance with the provisions of the Compact and its promulgated Rules and bylaws. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing member shall be awarded all costs of such litigation, including reasonable attorney's fees.

3. The remedies herein shall not be the exclusive remedies of the Commission. The Commission may pursue any other remedies available under federal or State law.

SECTION 13. DATE OF IMPLEMENTATION OF THE COUNSELING COMPACT COMMISSION AND ASSOCIATED RULES, WITHDRAWAL, AND AMENDMENT

A. The Compact shall come into effect on the date on which the Compact statute is enacted into law in the tenth Member State. The provisions, which become effective at that time, shall be limited to the powers granted to the Commission relating to assembly and the promulgation of Rules. Thereafter, the Commission shall meet and exercise Rulemaking powers necessary to the implementation and administration of the Compact.

B. Any State that joins the Compact subsequent to the Commission's initial adoption of the Rules shall be subject to the Rules as they exist on the date on which the Compact becomes law in that State. Any Rule that has been previously adopted by the Commission shall have the full force and effect of law on the day the Compact becomes law in that State.

C. Any Member State may withdraw from this Compact by enacting a statute repealing the same.

1. A Member State's withdrawal shall not take effect until six (6) months after enactment of the repealing statute.

2. Withdrawal shall not affect the continuing requirement of the withdrawing State's Professional Counseling Licensing Board to comply with the investigative and Adverse Action reporting requirements of this act prior to the effective date of withdrawal.

D. Nothing contained in this Compact shall be construed to invalidate or prevent any Professional Counseling licensure agreement or other cooperative arrangement between a Member State and a non-Member State that does not conflict with the provisions of this Compact.

E. This Compact may be amended by the Member States. No amendment to this Compact shall become effective and binding upon any Member State until it is enacted into the laws of all Member States.

SECTION 14. CONSTRUCTION AND SEVERABILITY

This Compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this Compact shall be severable and if any phrase, clause, sentence or provision of this Compact is declared to be contrary to the constitution of any Member State or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this Compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this Compact shall be held contrary to the constitution of any Member State, the Compact shall remain in full force and effect as to the remaining Member States and in full force and effect as to the Member State affected as to all severable matters.

SECTION 15. BINDING EFFECT OF COMPACT AND OTHER LAWS

A. A Licensee providing Professional Counseling services in a Remote State under the Privilege to Practice shall adhere to the laws and regulations, including scope of practice, of the Remote State.

B. Nothing herein prevents the enforcement of any other law of a Member State that is not inconsistent with the Compact.

C. Any laws in a Member State in conflict with the Compact are superseded to the extent of the conflict.

D. Any lawful actions of the Commission, including all Rules and bylaws properly promulgated by the Commission, are binding upon the Member States.

E. All permissible agreements between the Commission and the Member States are binding in accordance with their terms.

F. In the event any provision of the Compact exceeds the constitutional limits imposed on the legislature of any Member State, the provision shall be ineffective to the extent of the conflict with the constitutional provision in question in that Member State.

Sec. 2. NRS 641A.191 is hereby amended to read as follows:

2. The complaint or other document filed by the Board to initiate disciplinary action and all documents and information considered by the Board when determining whether to impose discipline are public records.

3. This section does not prohibit the Board from communicating or cooperating with any other licensing board or agency or any agency which is investigating a licensee, including a law enforcement agency.

Except as otherwise expressly provided in a particular statute or required by the context, privilege to practice as a licensed professional counselor in this State under the Counseling Compact ratified and entered into in section 1 of this act shall be deemed to be equivalent to a license to practice as a clinical professional counselor issued by the Board of Examiners for Marriage and Family Therapists and Clinical Professional Counselors pursuant to chapter 641A of NRS.

AN ACT relating to medical debt; prohibiting collection agencies and certain entities that provide health care from reporting medical debt to a consumer reporting agency in certain circumstances; prohibiting certain actions by certain entities that provide health care and collection agencies to collect a medical debt; providing requirements for engaging in extraordinary collection actions to collect a medical debt; ~~[authorizing the Commissioner of Financial Institutions to institute legal proceedings against violators;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides requirements governing the collection of medical debt by a collection agency, including a requirement to provide certain notice to a medical debtor before taking action to collect and prohibiting certain actions to collect a medical debt. (NRS 649.366, 649.368) **Section 13** of this bill prohibits a health care entity, which includes a medical facility, provider of health care or provider of emergency medical services, or a collection agency from reporting a medical debt to a consumer reporting agency unless the health care entity or collection agency issued an offer to the consumer to enter into a payment plan to satisfy the medical debt. **Section 13**: (1) establishes a procedure for the issuance of such an offer; (2) prohibits a health care entity or collection agency from reporting medical debt to a consumer reporting agency if the consumer enters into a payment plan and complies with the terms and conditions of the plan; (3) provides that any portion of the medical debt that is reported to a consumer reporting agency in violation of **section 13** shall be void; ~~[and]~~ (4) requires ~~[the Commissioner of Financial Institutions to adopt~~

~~regulations to carry out the provisions of section 13.~~] **a health care entity or collection agency that enters into a payment plan with a consumer to provide to the consumer a written copy of the payment plan; and (5) prescribes requirements for a payment plan. Except in certain circumstances, section 13.7 of this bill prohibits a health care entity or collection agency from placing a payment plan into default, accelerating a payment plan or otherwise cancelling a payment plan unless certain requirements are met.**

Section 13.3 of this bill: (1) requires a health care entity or collection agency that receives a payment to furnish to the consumer a receipt for the payment; and (2) prescribes requirements for such receipts.

Sections 14 and 19 of this bill prohibit a health care entity or collection agency from engaging in certain actions, or threatening to engage in certain actions, to collect a medical debt, including: (1) causing the arrest of a consumer; (2) obtaining a lien or foreclosing on real property of a consumer that includes the consumer's primary residence; (3) garnishing ~~[the wages of a consumer or]~~ any refund of federal income taxes due to a consumer; or (4) garnishing, attaching or seizing the bank account of a consumer.

Section 15 of this bill prohibits a health care entity or collection agency from engaging in extraordinary collection actions until at least 180 days after the first bill for a medical debt is sent to a consumer and requires a notice that includes certain information to be sent to the consumer at least 30 days before any extraordinary collection action is taken. **Section 6** of this bill defines the term "extraordinary collection action" to mean: (1) selling a medical debt to a collection agency; (2) deferring, denying or requiring payment before providing medically necessary care; or (3) any action that requires a legal or judicial process except for placing a lien on third party settlements. **Section 15** prohibits a health care entity or collection agency from engaging in extraordinary collection actions during a state of emergency, declaration of disaster or public health emergency or other health event with respect to the geographic area in which a consumer resides.

Section 16 of this bill provides additional requirements for the collection of medical debts incurred for medical services, products or devices provided by a ~~[medical facility,]~~ **health care entity,** including: (1) a prohibition on engaging in extraordinary collection actions unless such actions are described in the billing and collection policy of the ~~[medical facility;]~~ **health care entity;** (2) a requirement to reverse any extraordinary collection actions if it is determined that the consumer is eligible for financial assistance that eliminates or would have eliminated the debt; and (3) requiring a consumer to be refunded within 60 days if, after the application of any financial assistance, a consumer had paid an amount in excess of the amount of the medical debt.

Section 17 of this bill provides that the protections provided by **sections 13-16** cannot be waived.

~~[Section 18 of this bill authorizes the Commissioner of Financial Institutions to institute legal proceedings against a person who has willfully violated, is~~

~~violating or is about to violate the provisions of sections 2-18 of this bill. Section 18 authorizes a district court to grant certain remedies in such a proceeding.~~]

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 828.

AN ACT relating to governmental administration; revising provisions relating to the adoption of regulations by certain agencies of the Executive Department of the State Government; revising provisions relating to the adoption by a governing body of a local government of certain ordinances or the taking of certain actions relating to fees paid by businesses; revising provisions relating to impact fees; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The Nevada Administrative Procedure Act establishes procedural requirements for the adoption of administrative regulations by agencies, officers and employees of the Executive Department of the State Government, with certain exceptions. (NRS 233B.010-233B.120) Under the Act, such state agencies, officers and employees are required to take certain actions to determine the impact of a proposed regulation on for-profit businesses that employ less than 150 employees before adopting a regulation that is likely to impose a direct and significant economic burden upon such a small business

or that directly restricts the formation, operation or expansion of such a small business. (NRS 233B.0382, 233B.0608) The Act further requires that after such actions are taken, the state agency, officer or employee is required to prepare a small business impact statement and prescribes the information required to be included in the statement. (NRS 233B.0608, 233B.0609) The Act also requires that an agency, before holding an initial public hearing on a proposed regulation, conduct at least one workshop to solicit comments from interested persons on one or more general topics to be addressed in the regulation. (NRS 233B.061) Existing law also establishes procedural requirements for the adoption by a local government of a rule, which is defined in existing law to mean an ordinance and, with certain exceptions, an action taken that imposes, increases or changes the basis for the calculation of a fee that is paid by a for-profit business. (NRS 237.030-237.150) One of the procedural prerequisites for the adoption by a local government of such a rule that is likely to impose a direct and significant economic burden upon a business or directly restricts the formation, operation or expansion of a business is the notification of chambers of commerce and trade associations of the proposed rule. (NRS 237.080) Existing law requires inclusion in the business impact statement prepared by the local government regarding such a proposed rule: (1) the number of businesses likely to be affected by the proposed rule; and (2) a list of the chambers of commerce and trade associations notified of the proposed rule. (NRS 237.090) **Section 1** of this bill imposes the same prerequisite of notifying chambers of commerce and trade associations on a state agency, officer or employee subject to the Nevada Administrative Procedure Act, in determining the impact of a proposed regulation on small businesses, insofar as is practicable. **Section 2** of this bill similarly requires the state agency, officer or employee to include in the small business impact statement for the proposed regulation the total number of small businesses likely to be affected by the proposed regulation and a list of any chambers of commerce and trade associations notified pursuant to **section 1**. **Section 2.5** of this bill requires an agency to notify by electronic mail chambers of commerce, trade associations or owners and officers of businesses which are likely be affected by a proposed regulation of the time and place set for a workshop to solicit comments from interested persons on one or more general topics to be addressed in the regulation. **Section 2.5** also requires an agency to maintain an electronic mailing list of local chambers of commerce, trade associations and owners and officers of businesses and to update the list not later than January 31 of each year.

Under existing law, a local government is not required to comply with the procedural requirements for adopting a rule if the local government is taking action that imposes, increases or changes the basis for the calculation of an impact fee or sales and use taxes. (NRS 237.060) **Section 3** of this bill eliminates these exemptions, thereby requiring a local government to comply with those procedural requirements with respect to a proposed rule that imposes, increases or changes the basis for the calculation of an impact fee or

sales and use taxes. ~~[Section 3 also clarifies that, for purposes of the procedural requirements for adopting a rule, a "rule" is either: (1) an ordinance by the adoption of which the governing body of a local government exercises legislative powers; or (2) an action taken by the governing body of a local government that imposes, increases or changes the basis for the calculation of a fee that is paid in whole or in substantial part by businesses. (See, e.g., Castellanos v. City of Reno, 629 F. Supp. 3d 1031, 1042 (D. Nev. 2022) (construing NRS 237.060 "as disjunctive because the alternative is contrary to common sense and the law's purpose"))]~~

Existing law further provides that any action of a local government to adopt a proposed rule in violation of the requirements for adopting such a rule is void. (NRS 237.140) **Section 4** of this bill clarifies that any such action is also unenforceable.

Existing law authorizes local governments to impose by ordinance impact fees to pay the cost of constructing a capital improvement or facility expansions necessitated or attributable to certain new development. (NRS 278B.160) Under existing law, a local government that wishes to impose an impact fee is required to set a public hearing to consider the land use assumptions and to provide certain notice of such a public hearing. (NRS 278B.180) **Section 5** of this bill requires copies of such notice be provided, insofar as is practicable, to chambers of commerce and trade associations whose members are owners or officers of businesses that are likely to be affected by the proposed impact fee.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

2. The director, executive head or other person who is responsible for the agency shall sign the small business impact statement certifying that, to the best of his or her knowledge or belief, the information contained in the statement was prepared properly and is accurate.

The agency

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 833.

AN ACT relating to governmental administration; creating the Nevada Attainable Housing Account and setting forth the allowable uses of money in the Account; requiring an eligible entity to provide or secure certain matching funds as a condition of receiving money from the Account; requiring the Administrator of the Housing Division of the Department of Business and Industry to adopt annually an allocation plan for attainable housing; requiring the Division to submit a report to the Interim Finance Committee relating to the Account; creating and setting forth the duties of the Nevada Attainable Housing Council; authorizing the Division to establish programs for the reporting of rental payments to credit reporting agencies; revising provisions governing the sale, lease or conveyance of certain real property by the governing body of a county or city; requiring the governing body of a county or city to adopt certain expedited processes relating to attainable housing; revising provisions relating to the tiers of affordable housing; requiring, under certain circumstances, the State Contractors' Board to issue licenses by endorsement or provisional licenses to certain persons to perform work on attainable housing projects in certain rural areas; requiring, under certain circumstances, the State Contractors' Board to waive certain fees relating to contractor's licenses in certain rural areas; making various other changes

relating to housing; making an appropriation; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law charges the Housing Division of the Department of Business and Industry with certain duties relating to low-income housing and affordable housing. (Chapter 319 of NRS) **Section 9** of this bill creates the Nevada Attainable Housing Account in the State General Fund, to be administered by the Division. **Section 10** of this bill authorizes the Division to distribute money in the Account to eligible entities for certain expenditures relating to attainable housing. **Section 50** of this bill appropriates ~~[$150,000,000]~~ **$133,000,000** to the Account.

Section 11 of this bill requires the Administrator of the Division to adopt an annual allocation plan for disbursing money from the Account. **Section 50.5** of this bill requires the Division to include in the initial allocation plan adopted pursuant to **section 11** certain allocations of money from the Account for certain purposes authorized by **section 10**.

Section 22 of this bill exempts the Division from complying with the provisions of the Administrative Procedures Act in adopting the annual allocation plan.

Section 12 of this bill requires that an eligible entity provide or secure matching funds in an amount not less than the amount of the money awarded to the eligible entity from the Account.

Section 14.5 of this bill requires the Division to submit a report of certain information to the Interim Finance Committee at the last meeting of each fiscal year and the last meeting of each calendar year relating to the Account.

Section 15 of this bill: (1) creates the Nevada Attainable Housing Council to provide oversight and strategic guidance for the administration and allocation of the Account; and (2) sets forth the membership of the Council.

Section 16 of this bill requires the Division to establish procedures to ensure that any member of the Council discloses any direct or indirect financial interest in any attainable housing project or eligible entity that applies for or receives funding from the Account.

Section 17 of this bill requires the Council to: (1) review and comment on certain housing reports; and (2) provide recommendations to the Division regarding the allocation and use of money from the Account.

Existing law authorizes, with certain exceptions, the Division to: (1) establish certain funds or accounts; and (2) invest or deposit its money, but does not require the Division to keep any of its money in the State Treasury. (NRS 319.170) **Section 18** of this bill creates an additional exception to these provisions for the Account created by **section 9**.

Sections 2-8 of this bill define certain terms relating to the provisions of **sections 2-17**.

Sections 19 and 20 of this bill authorize the Division to establish a program for the reporting of rental payments to a credit reporting agency.

Existing law sets forth certain procedures for a board of county commissioners or governing body of a city to sell or lease real property. (NRS 244.281, 268.061) **Sections 23 and 26** of this bill require, before approving the sale or lease of real property for the development of attainable housing, in addition to other procedures, the board or governing body to evaluate the capacity and commitment of the developer to provide long-term benefits to the county in a manner that promotes transparency and does not interfere with equitable competition. **Sections 23 and 26** also require the developer to submit certain information to the board or governing body.

Existing law authorizes a nonprofit organization to submit to a board of county commissioners or governing body of a city an application for conveyance of certain property that is owned by the county or city, as applicable. The board or governing body may approve such an application if the nonprofit organization demonstrates that the organization or its assignee will use the property to develop affordable housing. (NRS 244.287, 268.058) **Sections 24 and 25** of this bill: (1) instead authorize the board or governing body to approve such an application for attainable housing; and (2) require an application to include certain information.

Existing law establishes three tiers of affordable housing for various purposes in existing law and defines "affordable housing" as housing that falls within any of the three tiers. (NRS 232.860, 244.189, 244.287, 268.058, 268.190, 278.0105, 279.385, 279A.020, 279B.020, 315.9625, 319.042) **Section 33** of this bill revises the term "affordable housing" to be "attainable housing."

Under existing law, the tiers are based on both household income and the costs of housing as a percentage of that income. With respect to household income: (1) "tier one affordable housing" is housing for a household which has a total monthly gross income that is equal to not more than 60 percent of the median monthly gross household income for the county in which the housing is located, which is commonly known as the area median household income; (2) "tier two affordable housing" is housing for a household which has a total monthly gross income that is equal to more than 60 percent but not more than 80 percent of the area median household income; and (3) "tier three affordable housing" is housing for a household which has a total monthly gross income that is equal to more than 80 percent but not more than 120 percent of the area median household income. In addition, with respect to the costs of housing, affordable housing under existing law is housing that costs not more than 30 percent of the total monthly gross household income of the household with an income at the maximum percentage of the area median household income for the tier. (NRS 278.01902, 278.01904, 278,01906) **Section 29** of this bill creates a new tier of affordable housing, to be known as "tier four affordable housing," that addresses housing for a household that has a total monthly gross income that is equal to not more than 120 percent but not more than 150 percent of the area median household income.

Existing law sets forth an approval process for the subdivision of land that requires a subdivider to submit a tentative map to the planning commission or governing body of a county or city, as applicable. (NRS 278.330) Existing law also requires the tentative map to be forwarded to certain state agencies and local governments for review. (NRS 278.335) **Section 31** of this bill requires each reviewing agency to adopt a process for the expedited review of and comment on a tentative map that includes attainable housing.

Existing law requires the governing body of each county and city, on or before July 1, 2024, to enact by ordinance an expedited process for the consideration and approval of projects for affordable housing. (Section 12 of Assembly Bill No. 213, chapter 200, Statutes of Nevada 2023, at p. 1171) **Section 30** of this bill requires the governing body of each county and the governing body of each city to adopt an expedited process for the consideration and approval of projects for attainable housing.

Section 32 of this bill applies the definitions of certain terms relating to planning and zoning to **sections 29-31**.

Sections 34-36 of this bill, respectively, revise the definitions of "tier one affordable housing," "tier three affordable housing" and "tier two affordable housing" to provide that the costs of such housing may be offset by certain energy cost savings.

Existing law requires the governing body of certain cities and counties to adopt at least 6 of 12 specified measures in implementing a plan for maintaining and developing affordable housing, which may include a measure to reduce or subsidize impact fees, fees for the issuance of building permits and fees imposed for the purpose for which an enterprise fund was created. (NRS 278.235) **Section 37** of this bill authorizes that the governing body of such a county or city include a measure to also reimburse such fees.

Existing law sets forth the requirements for obtaining a contractor's license from the State Contractors' Board. (Chapter 624 of NRS) **Section 39** of this bill requires, under certain circumstances, the Board to issue a contractor's license by endorsement to certain applicants who will perform work on an attainable housing project in certain rural areas.

Section 40 of this bill provides that, if the Director of the Department of Business and Industry determines that there is a shortage of skilled labor or licensed contractors in a rural area that is adversely impacting the availability of attainable housing for essential workers who are employed in the area, the Director may issue a declaration of such shortage for not more than 3 years. Upon such a declaration, the Board is required to implement a process to issue provisional contractors' licenses to certain applicants who will perform work on an attainable housing project in certain rural areas.

Sections 41 and 42 of this bill exempt the license by endorsement issued pursuant to **section 39** or a provisional license issued pursuant to **section 40** from certain licensing requirements and the expiration date that generally apply to contractors' licenses. **Sections 42-46** of this bill exempt applicants for a new contractor's license and existing licensed contractors in rural areas from

any application, license or renewal fee or certain other fees relating to a contractor's license under circumstances where the Director of the Department of Business and Industry has issued a declaration of shortage pursuant to **section 40**.

Sections 48 and 49 of this bill require the Board to: (1) adopt regulations to carry out the provisions of **sections 39 and 40**, respectively, before January 1, 2026; and (2) submit a report to the Governor and Director of the Legislative Counsel Bureau that includes a recommendation as to whether the requirements to issue such licenses by endorsement and provisional licenses, as required by **sections 39 and 40**, should be continued, modified or terminated.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 824.

AN ACT relating to insurance; requiring the Commissioner of Insurance to establish programs to inform providers of health care and insureds under health insurance policies of certain information relating to the payment of claims; revising provisions governing the payment of claims under policies of health insurance; establishing certain administrative penalties; requiring a health carrier to provide certain information to participating providers of health care and covered persons; requiring a health carrier to establish certain procedures for challenging the denial of a claim; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

In most cases, existing law requires the administrators of health insurance plans and certain health insurers ~~[~~, including the Public Employees' Benefits Program,~~]~~ to approve or deny a claim within 30 days after the insurer receives the claim. If the administrator or insurer approves the claim, existing law requires the administrator or insurer to pay the claim within 30 days after the claim is approved. If the administrator or insurer requires additional

information to determine whether to approve or deny the claim, existing law requires the administrator or insurer to notify the claimant of its request for additional information within 20 days after the administrator or insurer receives the claim. If the administrator or insurer approves the claim after receiving such additional information from the claimant, existing law requires the administrator or insurer to pay the claim within 30 days after receiving such information. Existing law requires an administrator or insurer that fails to pay a claim within the required time period to pay interest on the claim at a prescribed rate. (NRS 287.04335, 683A.0879, 689A.410, 689B.255, 689C.335, 695A.188, 695B.2505, 695C.185, 695D.215, 695F.090)

Sections 2, 5, 8-11, 14 and 16 of this bill replace those requirements with uniform requirements governing the time periods for the payment of health insurance claims that apply to administrators of health insurance plans and all private health insurers in this State. ~~[and the Public Employees' Benefits Program.]~~ Specifically, **sections 2, 5, 8-11, 14 and 16** require each such administrator or insurer to approve or deny a claim and, if the claim is approved, pay the claim within: (1) twenty-one days after receiving the claim, if the claim is submitted electronically; or (2) thirty days after receiving the claim, if the claim is not submitted electronically. **Sections 2, 5, 8-11, 14 and 16** require an administrator or insurer that needs additional information to determine whether to approve or deny a claim to request such information within 20 working days after receiving the claim. If, after receiving such additional information, the administrator or insurer approves the claim, **sections 2, 5, 8-11, 14 and 16** require the administrator or insurer, as applicable, to pay the claim within: (1) twenty-one days after receiving the additional information, if the additional information is submitted electronically; or (2) thirty days after receiving the additional information, if the additional information is not submitted electronically. **Sections 2, 5, 8-11, 14 and 16** prohibit an administrator or insurer from denying a claim without a reasonable basis for doing so. **Sections 2, 5, 8-11, 14 and 16** require an administrator or insurer to annually report to the Commissioner of Insurance certain information relating to compliance with those requirements. **Section 25** of this bill repeals certain provisions applicable to health maintenance organizations that are no longer necessary because existing law makes the provisions of **section 16** applicable to all managed care organizations, including health maintenance organizations. (NRS 695C.055) **Sections 13 and 18** of this bill update references to a section repealed by **section 25** with a reference to **section 16**.

Existing law authorizes the Commissioner to: (1) impose an administrative penalty upon determining that the administrator of a health insurance plan or certain health insurers are not in substantial compliance with the provisions of existing law governing the schedule for paying claims; and (2) suspend or revoke the certificate of registration or authority of such an administrator or insurer upon a second or subsequent determination that such an administrator or insurer is not in substantial compliance with those provisions. (NRS

287.04335, 683A.0879, 689A.410, 689B.255, 689C.335, 695B.2505, 695C.185, 695F.090) **Sections 10, 14 and 16** of this bill extend those penalties to apply to fraternal benefit societies, issuers of plans for dental care and managed care organizations. **Sections 2, 5, 8-11, 14 and 16** additionally authorize the Commissioner to: (1) impose an administrative penalty upon determining that the administrator of a health insurance plan or a health insurer has failed to approve or deny a claim or pay an approved claim within 60 working days after receiving the claim; and (2) suspend or revoke the certificate of registration or authority of an administrator or insurer upon a second or subsequent such determination.

Existing law requires certain health insurers to provide certain notice to an insured within 10 days after denying coverage. (NRS 689A.755, 689B.0295, 695B.400, 695G.230) **Sections 2, 6, 7, 9, 10, 12, 14, 15 and 18** of this bill require health insurers and administrators of health insurance plans to provide notice of the denial of a claim within 21 days after receiving all information necessary to make a determination concerning the claim if the information is submitted electronically, or if the information is not received electronically, within 30 days after receiving the necessary information. **Sections 2, 6, 7, 9, 10, 12, 14, 15 and 18** also require the inclusion of certain additional information in such a notice. **Sections 10, 14 and 16** make certain other provisions relating to the payment of claims that currently apply to most health insurers also apply to fraternal benefit societies, organizations for dental care and managed care organizations so that the requirements governing the payment of claims are uniform for all health insurers. **Sections 2, 12.5, 17.5 and 18.5 of this bill exempt coverage under Medicaid, the Children's Health Insurance Program and the Public Employees' Benefits Program from the requirements of sections 2, 8, 13, 16 and 18.**

Existing law requires a health carrier which offers or issues a network plan to notify each participating provider of health care in the network of the responsibilities of the provider of health care with respect to any applicable administrative policies and programs of the health carrier. (NRS 687B.730) **Section 3** of this bill additionally requires such a health carrier to provide to each participating provider of health care and each covered person at least annually an explanation of the process by which the health carrier will provide remittances to or pay claims submitted by participating providers of health care. **Section 3 exempts coverage by managed care organizations under Medicaid, the Children's Health Insurance Program and the Public Employees' Benefits Program from all such notification requirements.**

Existing law requires a health carrier which offers or issues a network plan to establish procedures for the resolution of disputes between the health carrier and a participating provider of health care. (NRS 687B.820) **Section 4** of this bill requires those procedures to include an efficient process by which a participating provider of health care may challenge the denial by a health carrier of a claim. **Section 4 exempts coverage by managed care organizations under Medicaid, the Children's Health Insurance Program**

and the Public Employees' Benefits Program from the requirement to establish such procedures. **Section 1** of this bill requires the Division of Insurance of the Department of Business and Industry to establish and carry out certain programs to facilitate public knowledge and use of the provisions of this bill.

WHEREAS, Ensuring timely reimbursement for providers of health care will enhance the business environment in this State for providers of health care and improve access to health care for residents of this State; and

WHEREAS, Prompt payment of claims by health insurers will create a more stable and attractive landscape for new medical practices, thereby improving the health care infrastructure of this State; and

WHEREAS, Delayed payments by insurers have a disproportionate negative effect on minority communities, whose residents are less likely to have the means to pay out of pocket for health care services; now, therefore,

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Amendment No. 820.

AN ACT relating to economic development; enacting the Nevada Studio Infrastructure Jobs and Workforce Training Act; requiring the Office of Economic Development to enter into a development agreement to establish certain criteria for the development of infrastructure for the production of motion pictures and other qualified productions **~~[,]~~ and other new capital investment in this State; establishing certain penalties if the development does not meet certain requirements for new capital investment and expenditures for the production of motion pictures and other qualified productions;** establishing requirements for a production company located at such a development to be eligible for film infrastructure transferable tax credits for qualified productions produced at the development; providing for the calculation of the amount of film infrastructure transferable tax credits; **requiring the creation of a production studio entertainment district;** revising provisions governing noninfrastructure transferable tax credits for motion pictures and other qualified productions produced in this State; authorizing an additional amount of noninfrastructure transferable tax credits; establishing the Account for Nevada Film, Media and Related Technology Education and Vocational Training and a board to approve distributions from the Account; providing for the distribution of money from the Account to certain entities and organizations that provide education and vocational training to develop a workforce for the production of qualified productions in this State; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes a program for the issuance of transferable tax credits by the Office of Economic Development to the production company of a motion picture or other qualified production, based upon qualified direct production expenditures made for the purchase of personal property or services from a Nevada business. (NRS 360.758-360.7598) This bill revises provisions governing these transferable tax credits and enacts the Nevada Studio Infrastructure Jobs and Workforce Training Act to authorize film infrastructure

transferable tax credits for qualified productions produced at the site of the Summerlin Production Studios Project.

Sections 1-16 of this bill enact the Nevada Studio Jobs and Workforce Training Act, which provides film infrastructure transferable tax credits for production companies located within the Summerlin Production Studios Project, as defined in **section 8**. **Section 9** requires the Office of Economic Development to enter into a development agreement with the lead participant of the Project to establish **: (1)** certain criteria that the Project is required to satisfy in exchange for production companies located at the Project to be eligible for film infrastructure transferable tax credits **[.]** **; and (2) certain requirements for new capital investment in this State and the generation of qualified direct production expenditures in this State, which the Project must meet, with certain exceptions, to avoid penalties specified in section 9.** **Section 10** of this bill: (1) authorizes production companies located at the Project to apply, on or after **[**October 1, 2025,**]** **June 1, 2026,** to the Office for film infrastructure transferable tax credits for qualified productions produced, in whole or in part, at the Project; and (2) authorizes such credits to be used against the modified business tax, insurance premium tax or gaming license fee, or any combination of these taxes and fees. **Section 11** establishes the qualified production expenditures which are the basis for calculating the amount of film infrastructure transferable tax credits, including, without limitation **[.]** **: (1)** purchases and **[**rental**]** **rentals** of property or services from a Nevada business **[.]** **; (2)** wages and fringe benefits paid to employees who are Nevada residents **[**for**]** **or other personnel who perform** services **in this State** on the qualified production **[.]** **; (3)** certain **[**fees**]** **compensation** paid to producers **in their capacity as producers;** and **(4)** amounts paid to personal service corporations for the services of certain persons on the qualified production. **Section 12** of this bill provides that the base amount of film infrastructure transferable tax credits is 30 percent of the amount of qualified direct production expenditures calculated under **section 11**, with certain reductions if the production company does not satisfy certain criteria for employing Nevada residents as below-the-line personnel or employing or offering training or work opportunities to members of traditionally underrepresented groups. **Section 13**: (1) limits the total amount of film infrastructure transferable tax credits issued pursuant to **sections 1-16** to **[**$80,000,000**]** **$95,000,000** for each fiscal year beginning on or after July 1, 2028; and (2) prohibits the approval of an application for film infrastructure transferable tax credits if the application is submitted in a fiscal year that begins **[**more than 15 years after the Project satisfies the capital investment requirements set forth in the development agreement entered into pursuant to section 9.**]** **on or after July 1, 2043.** **Section 14** requires a production company to **: (1)** commence principal photography within a certain period of time after the Office **[**issues a decision on the**]** **approves an** application for a certificate of eligibility for film infrastructure transferable tax credits **[.]** **; (2)** complete the qualified production within 18 months after the date of commencement of

principal photography **, except that the Office may extend this period for not more than 6 months;** and **(3)** submit certain required information within the required period. **Section 15** requires a production company to repay film infrastructure transferable tax credits under certain circumstances. **Section 15.7 of this bill requires the lead participant in the Project to submit certain reports to the Governor, the Legislature and the Office, and requires the Office to post such reports on its Internet website.** **Section 16** requires certain reports to be made to the Legislature concerning film infrastructure transferable tax credits.

Sections 17-25 of this bill make various changes to the existing law governing the noninfrastructure transferable tax credits for motion picture and other qualified productions. (NRS 360.758-360.7598) **Section 17** changes references to "extras" in a qualification production to "background actors." **Section 18**: (1) provides that digital media productions are qualified productions for the purposes of eligibility for film infrastructure transferable tax credits and noninfrastructure transferable tax credits; and (2) clarifies that media productions solely produced for social media are not eligible for such transferable tax credits. **Section 19** revises the criteria to be eligible for noninfrastructure transferable tax credits to be the same as the criteria for film infrastructure transferable tax credits by: (1) **removing the requirement that a certain percentage of direct production expenditures be incurred in this State and, instead,** requiring **that** at least 50 percent of the total principal photography days ~~[to]~~ take place in this State ~~[rather than requiring a certain percentage of direct production expenditures to be incurred in this State;]~~ **or a certain amount of qualified direct production expenditures be incurred in this State;** and (2) requiring a production company to have a workforce plan that establishes certain goals and provide to the Office a final assessment of whether the production company met or made a good faith effort to meet those goals. **Section 20** revises the expenditures and costs that may serve as a basis for noninfrastructure transferable tax credits. **Section 21**: (1) increases the base amount of transferable tax credits from 15 percent of the qualified direct production expenditures to 30 percent of the qualified direct production expenditures, for an application submitted in each fiscal year beginning on or after July 1, 2028, and ending before July 1, 2043; and (2) provides for certain reductions to that base amount during that period. **Section 22** makes certain provisions of existing law relating to the calculation of noninfrastructure transferable tax credits inapplicable for period beginning on July 1, 2028, and ending on June 30, 2043. **Section 23** temporarily increases from $10,000,000 to $25,000,000 the total amount of noninfrastructure transferable tax credits for motion picture and other qualified productions that may be issued under the existing program for each fiscal year beginning on or after July 1, 2028, until June 30, 2043. **Sections 24 and 25** make conforming changes so that noninfrastructure transferable tax credits are administered and reported in the same manner as film infrastructure transferable tax credits.

Section 15.3 of this bill requires the Clark County Board of County Commissioners to create a production studio entertainment district for the purpose of enhancing early childhood education opportunities, including prekindergarten, for children in the Clark County School District. Under section 15.3, the boundaries of the district are required to be entirely within the unincorporated areas of Clark County and include only parcels of land that are located within the boundaries of the Summerlin Production Studios Project other than parcels on which a business holding a gaming license is located. Section 15.3 requires certain taxes on transient lodging, certain property taxes and certain sales and use taxes imposed in the district to be pledged and distributed to the Clark County School District and used by the Clark County School District solely for the purposes of prekindergarten programs in the Clark County School District. Finally, section 15.3 requires the Clark County School District to submit annual reports to the Office concerning the use of money distributed to Clark County School District under section 15.3.

Sections 26-33 of this bill establish a program to provide grants to certain organizations that provide education and vocational training for workforce development for the production of motion pictures and other qualified productions. **Section 31** establishes the Account for Nevada Film, Media and Related Technology Education and Vocational Training for the purpose of allocating money to certain entities and organizations that provide education and vocational training for such workforce development. **Sections 10 and 19** require a production company that is issued transferable tax credits for a qualified production to pay to the Office an amount of money equal to 1 percent of the amount of transferable tax credits issued to the qualified production, and requires the Office to deposit that money with the State Treasurer for credit to the Account. **Section 32** creates and provides for the composition of the Board for Nevada Film, Media and Related Technology Education and Vocational Training within the Office of Economic Development. **Section 33**: (1) requires the Board to establish the procedure for a person or entity to apply for a grant of money from the Account, the criteria to be used to determine whether to approve an application for a grant from the Account to an applicant and the requirements for reports by recipients of such grants concerning the use of the grants; (2) prohibits the making of a grant from the Account unless the Board approves the application for the grant; and (3) requires a recipient of a grant from the Account to adopt and implement a community benefits program that satisfies certain requirements.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Sections 1 to 16, inclusive, of this act may be cited as the Nevada Studio Infrastructure Jobs and Workforce Training Act.

Sec. 2. 1. The Legislature hereby finds and declares that:

(a) The Las Vegas Metropolitan Area is the largest metropolitan area in this State and has a site available to be developed to create large-scale facilities for the location of companies that produce motion pictures **, television programs** and other qualified productions in this State**. ~~[~~, which~~]~~ The establishment of such a studio campus** will create jobs in ~~[~~that industry in this State~~]~~ **Nevada's creative industries** and diversify the economy of this State.

(b) ~~[~~Because the~~]~~ **The** Las Vegas Metropolitan Area ~~[~~is appropriate and suitable for the development of a large-scale project to develop large-scale facilities for the location of companies that produce motion pictures and other qualified productions and has all the special attributes, conditions and resources that are essential to support such facilities,~~]~~ **possesses unique geographic, economic and resource advantages that make it especially suitable for a project of this magnitude. Because of these unique local conditions,** it is necessary to enact a law of local and special application to promote**~~[~~, develop~~]~~** and secure the ~~[~~advantages of the local and special characteristics and circumstances within the Las Vegas Metropolitan Area, which are found nowhere else in this State, and to~~]~~ **benefits of a large-scale film and media production development in Southern Nevada for the** benefit ~~[~~the residents~~]~~ of the entire State.

(c) ~~[~~Therefore, given that~~]~~ **Because of these special characteristics and circumstances in Southern Nevada, a general law cannot be made applicable to achieve the purposes of this Act and** a law of local and special application is necessary to promote**~~[~~, develop~~]~~** and secure the advantages of the local and special characteristics and circumstances within the Las Vegas ~~[~~area, which are found nowhere else within this State, and given that such a law is necessary to benefit the residents of that local and special area, a general law cannot be made applicable to the purposes, objects, powers, rights, privileges, immunities, liabilities, duties and disabilities set forth in this Act.~~]~~ **Metropolitan Area.**

2. **The Legislature further finds and declares that the content production industry has presented an ambitious and visionary plan for all of Southern Nevada, which leverages the region's unique geographic assets, economic capabilities and infrastructural advantages. The industry's vision will promote the generation of thousands of high-quality, high-paying jobs, billions of dollars in incremental capital investments and billions more in new economic output and ongoing spending. This plan transcends the development of a mere studio complex, proposing instead a dynamic production campus that is intended to serve as the nucleus for a robust, sustainable industrial cluster. The Legislature recognizes that realizing this vision depends fundamentally upon a collaborative public-private partnership, wherein the State's commitment, provided through transferable tax credits, creates leverage that significantly multiplies the benefits accruing to this State. In entering this partnership, the Legislature affirms its clear and unwavering expectation that if the industry benefits from the State's contribution of**

transferable tax credits, the industry's promises will be fulfilled, the outcomes articulated by the industry will be met or exceeded, and the anticipated economic, fiscal and social benefits driven by the industry will be fully realized.

3. The Legislature further finds and declares that ~~[, as a result of the construction of large-scale facilities for the production of motion pictures and other qualified productions in this State and the direct, indirect and induced economic benefits of such productions in this State,]~~ the enactment of this Act will achieve a bona fide **public** social ~~[or]~~ **and** economic purpose**.** ~~[and the economic benefits of the issuance of the transferable tax credits to encourage the location of large-scale facilities for the production of motion pictures and other qualified productions in this State are expected to exceed any adverse effect of the transferable tax credits on the revenue raised for the provision of services to the public by the State or a local government.]~~ **The public investment made through the film infrastructure transferable tax credits is intended to yield substantial benefits in employment, workforce development and economic growth, and the overall economic benefits expected to accrue from incremental investment and the ongoing operations of the project will exceed any adverse effect on public revenues from those tax incentives. This Act, therefore, serves the public interest by fostering significant new private investment, creating enduring jobs and educational opportunities, and positioning Nevada as a leader in the content creation industry while ensuring that the long-term gains to the economy more than outweigh the State's investment in the project.**

Sec. 2.5. **It is the intent of the Legislature, in enacting this Act, to:**

1. Promote the diversification of the economy of this State by cultivating a thriving hub for content creation and production in Nevada, which will establish Nevada as a nationally recognized center for film, television and digital media production, thereby broadening Nevada's economic base beyond its traditional industries and enhancing the State's prominence in the creative economy.

2. Provide an anchor for a new creative sector in Southern Nevada through partnerships with global film and media companies to develop and operate facilities for the production of film, television and digital media productions and the involvement of studio partners as anchor tenants to bring world-class expertise, innovative technologies and global market access that will accelerate the growth of a robust content creation industry in Southern Nevada.

3. Support and promote workforce development in this State by establishing and supporting education and vocational training programs to prepare Nevada's workforce for high-wage careers in film, television and digital media production, equip Nevada's residents with in-demand skills and create pathways into the industry, thereby generating thousands of new jobs for Nevadans and building a skilled talent pool that sustains the State's creative sector for the long term.

Sec. 3. As used in sections 1 to 16, inclusive, of this act, unless the context otherwise requires, the words and terms defined in NRS 360.7581 to 360.7586, inclusive, as amended by sections 17 and 18 of this act, have the meanings ascribed to them in those sections, and the words and terms defined in sections 4 to 8, inclusive, of this act have the meanings ascribed to them in those sections.

"Capital investment" means all costs and expenses incurred by the participants in the Project only in connection with the acquisition of the land for the Project and the acquisition, construction, installation and equipping of the facilities, buildings, structures and other infrastructure at the Project for the production of qualified productions at the Project.

Sec. 5. "Lead participant" means the person designated by the participants in the Project as the lead participant for the Project.

Sec. 7. "Office" means the Office of Economic Development within the Office of the Governor.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 839.

AN ACT relating to public employees; requiring the Governor to include certain information relating to collective bargaining agreements in the biennial proposed executive budget; revising certain deadlines relating to the negotiation, mediation and arbitration of collective bargaining agreements with the Executive Department of the State Government; **making appropriations;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the Governor may, notwithstanding the provisions of any collective bargaining agreement, include in the biennial proposed executive budget of the State any amount of money the Governor deems appropriate for salaries, wage rates or any other form of direct monetary compensation for employees. (NRS 288.510) **Section 1** of this bill requires the

Governor, to the extent practicable, to include in the biennial proposed executive budget, any amount of money to be paid as agreed upon in a collective bargaining agreement. **Section 1** also requires that if the Governor determines it is impracticable to include such money in the biennial proposed executive budget, he or she must submit a report stating the reason for such a determination to the Legislature on the same day the budget is submitted.

Under existing law, certain groups of employees in the classified service of the Executive Department of State Government are authorized to engage in collective bargaining with the Executive Department concerning wages, hours and other terms and conditions of employment for such employees. (NRS 288.400-288.630) In general, a collective bargaining agreement for such a group of employees must begin on July 1 of an odd-numbered year and must end on June 30 of the next odd-numbered year. (NRS 288.550)

Under existing law, the Governor is required to designate a representative to conduct negotiations concerning collective bargaining agreements on behalf of the Executive Department and negotiations between the representative of the Executive Department and the exclusive representative of a bargaining unit are required to begin within 60 days after one party notifies the other party of the desire to negotiate or on or before October 1 of each even-numbered year, whichever is earlier. (NRS 288.565) **Section 1.5** of this bill requires such negotiations to begin: (1) on or before April 1, rather than October 1, of each even-numbered year; and (2) within 60 days after an exclusive representative is designated for an unrepresented bargaining unit.

Under existing law, either the representative of the Executive Department or the exclusive representative of a bargaining unit are authorized to request a mediator if the parties do not reach a collective bargaining agreement within 120 days after beginning negotiations or on or before February 1 of an odd-numbered year, whichever is earlier, unless the parties agree to a later date. (NRS 288.570) **Section 2** of this bill authorizes parties who do not reach an agreement to request a mediator: (1) after at least six meetings of negotiations or on or before September 5 of an even-numbered year when one of the parties is a bargaining unit with an existing collective bargaining agreement; or (2) after at least eight meetings of negotiations or 90 days after the parties begin negotiating, whichever is earlier, when one of the parties is a bargaining unit negotiating to enter a collective bargaining agreement for the first time.

Under existing law, if the representative of the Executive Department and the exclusive representative of a bargaining unit do not reach a collective bargaining agreement through mediation within 10 days after the appointment of a mediator, mediation is required to cease and the parties are required to begin arbitration proceedings on or before February 15 unless the parties agree to a later date. The arbitrator is then required to render a decision on or before March 5. (NRS 288.575) **Section 3** of this bill: (1) requires arbitration proceedings to begin on or before September 15, rather than February 15; and (2) requires the arbitrator to render a decision on or before December 5, rather

than March 5. **Section 3** also eliminates the authority for the parties to agree to a later deadline for the decision of the arbitrator.

Under existing law, the Economic Forum, a panel of appointed economic and financial experts, prepares a written report of its projections of economic indicators and an estimate of future state revenue for the Governor and Legislature on or before December 3 of each even-numbered year. (NRS 353.228) **Section 4** of this bill requires that such a report instead be prepared by November 15 of each even-numbered year.

Section 4.3 of this bill makes an appropriation to the Division of Human Resource Management of the Department of Administration for certain personnel, travel, operating and information services costs.

Section 4.7 of this bill makes an appropriation to the Office of the Governor for certain personnel, operating, equipment and information services costs.

Legislative Counsel's Digest:

financial incentives of an electric utility with the interest of the customers of the electric utility, including, without limitation:

(1) A cost-sharing percentage that is high enough to incentivize the electric utility to keep the costs of purchased fuel and purchased power low, but not low enough that the electric utility is exposed to unreasonable levels of risk and volatility.

(2) Whether a cost-sharing adjustment mechanism is symmetrical or asymmetrical.

(3) Whether to use a straight-sharing method or a sharing-band method.

(4) Whether to use a forecasted estimate of costs or historic information concerning costs.

(5) Options to improve the transparency of any forecasted estimate of costs, including the use of a forward price index and providing access to forecasted estimates to interveners in proceedings of the Commission who sign nondisclosure agreements.

(6) Implications of the inclusion of costs for purchased fuel and purchased power on the participation of an electric utility in real time and day-ahead markets.

(e) Examine existing practices ~~[for integrated resource planning]~~ and evaluate options that reduce load and mitigate volatility in the cost of natural gas, including, without limitation, demand-side management programs which are cost effective, demand response and load shifting.

2. Before the submission of the report required by subsection 3, the Commission shall submit periodic reports on the progress of each investigatory docket opened pursuant to subsection 1 to the Director of the Legislative Counsel Bureau for transmittal to the Joint Interim Standing Committee on Growth and Infrastructure.

3. On or before July 1, 2026, the Commission shall submit a report on the outcomes of each investigatory docket opened pursuant to subsection 1, including, without limitation, the status of any regulations adopted or considered as a result of the investigatory docket, to the Director of the Legislative Counsel Bureau for transmittal to the Legislative Commission.

4. If the Commission finds it is in the public interest, as a result of the investigatory docket opened pursuant to subsection 1, the Commission may adopt regulations to establish a cost-sharing adjustment mechanism.

5. As used in this section:

(a) "Cost-sharing adjustment mechanism" means a mechanism that shares the risk of purchased fuel and purchased power costs between an electric utility and its customers.

(b) "Electric utility" has the meaning ascribed to it in NRS 704.187.

Sec. 1.7. *Notwithstanding any other provision of law, if the Commission determines that a utility has charged a customer more than any applicable rate or tariff allows, the utility shall refund to the customer, with interest, the full amount of any overcharge.*

Sec. 2. NRS 704.110 is hereby amended to read as follows:

704.110 Except as otherwise provided in NRS 704.075, 704.68861 to 704.68887, inclusive, and 704.7865, or as may otherwise be provided by the Commission pursuant to NRS 704.095, 704.097 or 704.7621:

1. If a public utility files with the Commission an application to make changes in any schedule, including, without limitation, changes that will result in a discontinuance, modification or restriction of service, the Commission shall investigate the propriety of the proposed changes to determine whether to approve or disapprove the proposed changes. If an electric utility files such an application and the application is a general rate application or an annual deferred energy accounting adjustment application, the Consumer's Advocate shall be deemed a party of record.

2. Except as otherwise provided in ***this subsection and*** subsection 3, if a public utility files with the Commission an application to make changes in any schedule, the Commission shall, not later than 210 days after the date on which the application is filed, issue a written order approving or disapproving, in whole or in part, the proposed changes. ***If the public utility is an electric utility, the Commission*** ~~***[may, upon good cause, extend by]***~~ ***shall, not*** ~~***[more]***~~ ***later than*** ~~***[90]***~~ ***300 days after the*** ~~***[time to act upon]***~~ ***date on which the application*** ~~***[.]***~~ ***is filed, issue a written order approving or disapproving, in whole or in part, the proposed changes.***

3. If a public utility files with the Commission a general rate application, the public utility shall submit with its application a statement showing the recorded results of revenues, expenses, investments and costs of capital for its most recent 12 months for which data were available when the application was prepared. Except as otherwise provided in subsection 4, in determining whether to approve or disapprove any increased rates, the Commission shall consider evidence in support of the increased rates based upon actual recorded results of operations for the same 12 months, adjusted for increased revenues, any increased investment in facilities, increased expenses for depreciation, certain other operating expenses as approved by the Commission and changes in the costs of securities which are known and are measurable with reasonable accuracy at the time of filing and which will become effective within 6 months after the last month of those 12 months, but the public utility shall not place into effect any increased rates until the changes have been experienced and certified by the public utility to the Commission and the Commission has approved the increased rates. The Commission shall also consider evidence supporting expenses for depreciation, calculated on an annual basis, applicable to major components of the public utility's plant placed into service during the recorded test period or the period for certification as set forth in the application. Adjustments to revenues, operating expenses and costs of securities must be calculated on an annual basis. Within 90 days after the date on which the certification required by this subsection is filed with the Commission, or within the period set forth in subsection 2, whichever time is longer, the Commission shall make such order in reference to the increased rates as is required by this

chapter. The following public utilities shall each file a general rate application pursuant to this subsection based on the following schedule:

(a) An electric utility that primarily serves less densely populated counties shall file a general rate application:

(1) Not later than 5 p.m. on or before the first Monday in June 2019; and

(2) At least once every 36 months thereafter or on a date specified in an alternative rate-making plan approved by the Commission pursuant to NRS 704.7621.

(b) An electric utility that primarily serves densely populated counties shall file a general rate application:

(1) Not later than 5 p.m. on or before the first Monday in June 2020; and

(2) At least once every 36 months thereafter or on a date specified in an alternative rate-making plan approved by the Commission pursuant to NRS 704.7621.

(c) A public utility that furnishes water for municipal, industrial or domestic purposes or services for the disposal of sewage, or both, which had an annual gross operating revenue of $2,000,000 or more for at least 1 year during the immediately preceding 3 years and which had not filed a general rate application with the Commission on or after July 1, 2005, shall file a general rate application on or before June 30, 2008, and at least once every 36 months thereafter unless waived by the Commission pursuant to standards adopted by regulation of the Commission. If a public utility furnishes both water and services for the disposal of sewage, its annual gross operating revenue for each service must be considered separately for determining whether the public utility meets the requirements of this paragraph for either service.

(d) A public utility that furnishes water for municipal, industrial or domestic purposes or services for the disposal of sewage, or both, which had an annual gross operating revenue of $2,000,000 or more for at least 1 year during the immediately preceding 3 years and which had filed a general rate application with the Commission on or after July 1, 2005, shall file a general rate application on or before June 30, 2009, and at least once every 36 months thereafter unless waived by the Commission pursuant to standards adopted by regulation of the Commission. If a public utility furnishes both water and services for the disposal of sewage, its annual gross operating revenue for each service must be considered separately for determining whether the public utility meets the requirements of this paragraph for either service.

➥ The Commission shall adopt regulations setting forth standards for waivers pursuant to paragraphs (c) and (d) and for including the costs incurred by the public utility in preparing and presenting the general rate application before the effective date of any change in rates.

4. In addition to submitting the statement required pursuant to subsection 3, a public utility may submit with its general rate application a statement showing the effects, on an annualized basis, of all expected changes in circumstances. If such a statement is filed, it must include all increases and decreases in revenue and expenses which may occur within 210 days after the

date on which its general rate application is filed with the Commission if such expected changes in circumstances are reasonably known and are measurable with reasonable accuracy. If a public utility submits such a statement, the public utility has the burden of proving that the expected changes in circumstances set forth in the statement are reasonably known and are measurable with reasonable accuracy. The Commission shall consider expected changes in circumstances to be reasonably known and measurable with reasonable accuracy if the expected changes in circumstances consist of specific and identifiable events or programs rather than general trends, patterns or developments, have an objectively high probability of occurring to the degree, in the amount and at the time expected, are primarily measurable by recorded or verifiable revenues and expenses and are easily and objectively calculated, with the calculation of the expected changes relying only secondarily on estimates, forecasts, projections or budgets. If the Commission determines that the public utility has met its burden of proof:

(a) The Commission shall consider the statement submitted pursuant to this subsection and evidence relevant to the statement, including all reasonable projected or forecasted offsets in revenue and expenses that are directly attributable to or associated with the expected changes in circumstances under consideration, in addition to the statement required pursuant to subsection 3 as evidence in establishing just and reasonable rates for the public utility; and

(b) The public utility is not required to file with the Commission the certification that would otherwise be required pursuant to subsection 3.

5. If a public utility files with the Commission an application to make changes in any schedule and the Commission does not issue a final written order regarding the proposed changes within the time required by this section, the proposed changes shall be deemed to be approved by the Commission.

6. If a public utility files with the Commission a general rate application, the public utility, or a public utility affiliated with the public utility through common ownership, shall not file with the Commission another general rate application until all pending general rate applications filed by that public utility have been decided by the Commission unless, after application and hearing, the Commission determines that a substantial financial emergency would exist if the public utility or its affiliate is not permitted to file another general rate application sooner. The provisions of this subsection do not prohibit a public utility from filing with the Commission, while a general rate application is pending, an application to recover the increased cost of purchased fuel, purchased power, or natural gas purchased for resale pursuant to subsection 7, a quarterly rate adjustment pursuant to subsection 8 or 10, any information relating to deferred accounting requirements pursuant to NRS 704.185 or an annual deferred energy accounting adjustment application pursuant to NRS 704.187, if the public utility is otherwise authorized to so file by those provisions.

7. A public utility may file an application to recover the increased cost of purchased fuel, purchased power, or natural gas purchased for resale once every 30 days. The provisions of this subsection do not apply to:

(a) An electric utility which is required to adjust its rates on a quarterly basis pursuant to subsection 10; or

(b) A public utility which purchases natural gas for resale and which adjusts its rates on a quarterly basis pursuant to subsection 8.

8. A public utility which purchases natural gas for resale must request approval from the Commission to adjust its rates on a quarterly basis between annual rate adjustment applications based on changes in the public utility's recorded costs of natural gas purchased for resale. A public utility which purchases natural gas for resale and which adjusts its rates on a quarterly basis may request approval from the Commission to make quarterly adjustments to its deferred energy accounting adjustment. The Commission shall approve or deny such a request not later than 120 days after the application is filed with the Commission. The Commission may approve the request if the Commission finds that approval of the request is in the public interest. If the Commission approves a request to make quarterly adjustments to the deferred energy accounting adjustment of a public utility pursuant to this subsection, any quarterly adjustment to the deferred energy accounting adjustment must not exceed 2.5 cents per therm of natural gas. If the balance of the public utility's deferred account varies by less than 5 percent from the public utility's annual recorded costs of natural gas which are used to calculate quarterly rate adjustments, the deferred energy accounting adjustment must be set to zero cents per therm of natural gas.

9. If the Commission approves a request to make any rate adjustments on a quarterly basis pursuant to subsection 8:

(a) The public utility shall file written notice with the Commission before the public utility makes a quarterly rate adjustment. A quarterly rate adjustment is not subject to the requirements for notice and a hearing pursuant to NRS 703.320 or the requirements for a consumer session pursuant to subsection 1 of NRS 704.069.

(b) The public utility shall provide written notice of each quarterly rate adjustment to its customers by including the written notice with a customer's regular monthly bill or by electronic transmission pursuant to NRS 704.188. The public utility shall begin providing such written notice to its customers not later than 30 days after the date on which the public utility files its written notice with the Commission pursuant to paragraph (a). The written notice required by this paragraph:

(1) Must be printed separately, if included with the customer's regular monthly bill, or the subject line of the electronic transmission must indicate that notice of a quarterly rate adjustment is included, if provided by electronic transmission pursuant to NRS 704.188; and

(2) Must include the following in clear and bold text:

(I) The total amount of the increase or decrease in the public utility's revenues from the rate adjustment, stated in dollars and as a percentage;

(II) The amount of the monthly increase or decrease in charges for each class of customer or class of service, stated in dollars and as a percentage;

(III) A statement that customers may send written comments or protests regarding the rate adjustment to the Commission;

(IV) A statement that the transactions and recorded costs of natural gas which are the basis for any quarterly rate adjustment will be reviewed for reasonableness and prudence in the next proceeding held by the Commission to review the annual rate adjustment application pursuant to paragraph (d); and

(V) Any other information required by the Commission.

(c) The public utility shall file an annual rate adjustment application with the Commission. The annual rate adjustment application is subject to the requirements for notice and a hearing pursuant to NRS 703.320 and the requirements for a consumer session pursuant to subsection 1 of NRS 704.069.

(d) The proceeding regarding the annual rate adjustment application must include a review of each quarterly rate adjustment and the transactions and recorded costs of natural gas included in each quarterly filing and the annual rate adjustment application. There is no presumption of reasonableness or prudence for any quarterly rate adjustment or for any transactions or recorded costs of natural gas included in any quarterly rate adjustment or the annual rate adjustment application, and the public utility has the burden of proving reasonableness and prudence in the proceeding.

(e) The Commission shall not allow the public utility to recover any recorded costs of natural gas which were the result of any practice or transaction that was unreasonable or was undertaken, managed or performed imprudently by the public utility, and the Commission shall order the public utility to adjust its rates if the Commission determines that any recorded costs of natural gas included in any quarterly rate adjustment or the annual rate adjustment application were not reasonable or prudent.

10. An electric utility shall adjust its rates on a quarterly basis based on changes in the electric utility's recorded costs of purchased fuel or purchased power. In addition to adjusting its rates on a quarterly basis, an electric utility may request approval from the Commission to make quarterly adjustments to its deferred energy accounting adjustment. The Commission shall approve or deny such a request not later than 120 days after the application is filed with the Commission. The Commission may approve the request if the Commission finds that approval of the request is in the public interest. If the Commission approves a request to make quarterly adjustments to the deferred energy accounting adjustment of an electric utility pursuant to this subsection, any quarterly adjustment to the deferred energy accounting adjustment must not exceed 0.25 cents per kilowatt-hour of electricity. If the balance of the electric utility's deferred account varies by less than 5 percent from the electric utility's annual recorded costs for purchased fuel or purchased power which are used

to calculate quarterly rate adjustments, the deferred energy accounting adjustment must be set to zero cents per kilowatt-hour of electricity.

11. A quarterly rate adjustment filed pursuant to subsection 10 is subject to the following requirements:

(a) The electric utility shall file written notice with the Commission on or before August 15, 2007, and every quarter thereafter of the quarterly rate adjustment to be made by the electric utility for the following quarter. The first quarterly rate adjustment by the electric utility will take effect on October 1, 2007, and each subsequent quarterly rate adjustment will take effect every quarter thereafter. The first quarterly adjustment to a deferred energy accounting adjustment must be made pursuant to an order issued by the Commission approving the application of an electric utility to make quarterly adjustments to its deferred energy accounting adjustment. A quarterly rate adjustment is not subject to the requirements for notice and a hearing pursuant to NRS 703.320 or the requirements for a consumer session pursuant to subsection 1 of NRS 704.069.

(b) The electric utility shall provide written notice of each quarterly rate adjustment to its customers by including the written notice with a customer's regular monthly bill or by electronic submission pursuant to NRS 704.188. The electric utility shall begin providing such written notice to its customers not later than 30 days after the date on which the electric utility files a written notice with the Commission pursuant to paragraph (a). The written notice required by this paragraph:

(1) Must be printed separately, if included with the customer's regular monthly bill, or the subject line of the electronic transmission must indicate that notice of a quarterly rate adjustment is included, if provided by electronic transmission pursuant to NRS 704.188; and

(2) Must include the following in clear and bold text:

(I) The total amount of the increase or decrease in the electric utility's revenues from the rate adjustment, stated in dollars and as a percentage;

(II) The amount of the monthly increase or decrease in charges for each class of customer or class of service, stated in dollars and as a percentage;

(III) A statement that customers may send written comments or protests regarding the rate adjustment to the Commission;

(IV) A statement that the transactions and recorded costs of purchased fuel or purchased power which are the basis for any quarterly rate adjustment will be reviewed for reasonableness and prudence in the next proceeding held by the Commission to review the annual deferred energy accounting adjustment application pursuant to paragraph (d); and

(V) Any other information required by the Commission.

(c) The electric utility shall file an annual deferred energy accounting adjustment application pursuant to NRS 704.187 with the Commission. The annual deferred energy accounting adjustment application is subject to the requirements for notice and a hearing pursuant to NRS 703.320 and the requirements for a consumer session pursuant to subsection 1 of NRS 704.069.

(d) The proceeding regarding the annual deferred energy accounting adjustment application must include a review of each quarterly rate adjustment and the transactions and recorded costs of purchased fuel and purchased power included in each quarterly filing and the annual deferred energy accounting adjustment application. There is no presumption of reasonableness or prudence for any quarterly rate adjustment or for any transactions or recorded costs of purchased fuel and purchased power included in any quarterly rate adjustment or the annual deferred energy accounting adjustment application, and the electric utility has the burden of proving reasonableness and prudence in the proceeding.

(e) The Commission shall not allow the electric utility to recover any recorded costs of purchased fuel and purchased power which were the result of any practice or transaction that was unreasonable or was undertaken, managed or performed imprudently by the electric utility, and the Commission shall order the electric utility to adjust its rates if the Commission determines that any recorded costs of purchased fuel and purchased power included in any quarterly rate adjustment or the annual deferred energy accounting adjustment application were not reasonable or prudent.

12. If an electric utility files an annual deferred energy accounting adjustment application pursuant to subsection 11 and NRS 704.187 while a general rate application is pending, the electric utility shall:

(a) Submit with its annual deferred energy accounting adjustment application information relating to the cost of service and rate design; and

(b) Supplement its general rate application with the same information, if such information was not submitted with the general rate application.

13. A utility facility identified in a 3-year plan submitted pursuant to NRS 704.741 and accepted by the Commission for acquisition or construction pursuant to NRS 704.751 and the regulations adopted pursuant thereto, or the retirement or elimination of a utility facility identified in an emissions reduction and capacity replacement plan submitted pursuant to NRS 704.7316 and accepted by the Commission for retirement or elimination pursuant to NRS 704.751 and the regulations adopted pursuant thereto, shall be deemed to be a prudent investment. The utility may recover all just and reasonable costs of planning and constructing, or retiring or eliminating, as applicable, such a facility. For the purposes of this subsection, a plan or an amendment to a plan shall be deemed to be accepted by the Commission only as to that portion of the plan or amendment accepted as filed or modified with the consent of the utility pursuant to NRS 704.751.

14. In regard to any rate or schedule approved or disapproved pursuant to this section, the Commission may, after a hearing:

(a) Upon the request of the utility, approve a new rate but delay the implementation of that new rate:

(1) Until a date determined by the Commission; and

(2) Under conditions as determined by the Commission, including, without limitation, a requirement that interest charges be included in the collection of the new rate; and

(b) Authorize a utility to implement a reduced rate for low-income residential customers.

15. The Commission may, upon request and for good cause shown, permit a public utility which purchases natural gas for resale or an electric utility to make a quarterly adjustment to its deferred energy accounting adjustment in excess of the maximum allowable adjustment pursuant to subsection 8 or 10.

16. A public utility which purchases natural gas for resale or an electric utility that makes quarterly adjustments to its deferred energy accounting adjustment pursuant to subsection 8 or 10 may submit to the Commission for approval an application to discontinue making quarterly adjustments to its deferred energy accounting adjustment and to subsequently make annual adjustments to its deferred energy accounting adjustment. The Commission may approve an application submitted pursuant to this subsection if the Commission finds that approval of the application is in the public interest.

17. As used in this section:

(a) "Deferred energy accounting adjustment" means the rate of a public utility which purchases natural gas for resale or an electric utility that is calculated by dividing the balance of a deferred account during a specified period by the total therms or kilowatt-hours which have been sold in the geographical area to which the rate applies during the specified period, not including kilowatt-hours sold pursuant to an expanded solar access program established pursuant to NRS 704.7865.

(b) "Electric utility" has the meaning ascribed to it in NRS 704.187.

(c) "Electric utility that primarily serves densely populated counties" means an electric utility that, with regard to the provision of electric service, derives more of its annual gross operating revenue in this State from customers located in counties whose population is 700,000 or more than it does from customers located in counties whose population is less than 700,000.

(d) "Electric utility that primarily serves less densely populated counties" means an electric utility that, with regard to the provision of electric service, derives more of its annual gross operating revenue in this State from customers located in counties whose population is less than 700,000 than it does from customers located in counties whose population is 700,000 or more.

The following Senate amendment was read:

Amendment No. 686.

AN ACT relating to energy; authorizing the users of a solar-powered affordable housing system to participate in net metering; exempting the owner or operator of a solar-powered affordable housing system from certain provisions of law; requiring the owner or landlord of a qualified multifamily affordable housing property to notify residents and new tenants of certain information relating to a solar-powered affordable housing system; making certain provisions governing public works applicable to contracts for construction work related to certain solar-powered affordable housing systems; establishing requirements for a tariff or contract relating to a solar-powered affordable housing system; revising provisions governing the administration of net metering; revising provisions relating to an expanded solar access program which certain electric utilities are required to offer; revising certain contractual requirements for an agreement for the purchase or lease of a solar-powered affordable housing system; imposing various requirements and restrictions on a contractor who performs work concerning a residential photovoltaic system used to produce electricity on a qualified multifamily affordable housing property; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires each electric utility in this State to offer net metering to customer-generators operating in the service area of the utility. (NRS 704.773) Existing law defines "net metering" to mean measuring the difference between the electricity supplied by a utility and the electricity generated by certain customers which is fed back to the utility. (NRS 704.769) **Sections 13 and 14** of this bill authorize the users of a solar-powered affordable housing system to participate in net metering. **Sections 2-8** of this bill define certain terms related to solar-powered affordable housing systems. **Section 11** of this bill excludes persons who own or operate a solar-powered affordable housing system from the definition of "public utility." **Section 12** of this bill makes a conforming change to make the definitions set forth in **sections 2-8** applicable to the provisions of existing law governing net metering.

Sections 15 and 16 of this bill revise existing provisions governing net metering to provide for the administration of net metering with respect to solar-powered affordable housing systems, including the measuring of net electricity produced or consumed and the awarding of credit for excess electricity produced by a solar-powered affordable housing system. **Sections 9 and 10** of

this bill establish certain requirements for any tariff or contract which relates to a solar-powered affordable housing system. **Section 9.3** of this bill requires an application to qualify for the tariff submitted to the utility by an owner or operator of a solar-powered affordable housing system to include certain supporting documentation which shows that the system is part of a qualified multifamily affordable housing property. **Section 9.7** of this bill requires the owner of a solar-powered affordable housing system, in the initial application for the tariff which the owner submits to the utility, to inform the utility of the proper allocation of capacity and its associated production to customer-generators of the system. **Section 18** of this bill provides that, with certain exceptions, certain provisions governing the rates charged for the provision of electric service by the landlord of a manufactured home park or mobile home park or owner of a company town do not apply to the owner or operator of a solar-powered affordable housing system.

Section 10.3 of this bill requires the owner or landlord of a qualified multifamily affordable housing property to notify residents and new tenants of certain information relating to a solar-powered affordable housing system that is on the premises or to be installed on the premises.

Section 10.7 of this bill provides that certain provisions governing public works apply to any contract for construction work related to a solar-powered affordable housing system financed in whole or in part by a state or local government, even if the construction work does not qualify as a public work.

Existing law requires: (1) certain electric utilities in this State to offer an expanded solar access program to residential customers and to certain nonresidential customers who consume less than 10,000 kilowatt-hours of electricity per month; (2) the Public Utilities Commission of Nevada to adopt certain regulations for the implementation of the expanded solar access program; and (3) an electric utility to submit a plan for the implementation of the expanded solar access program. Under existing law, the customers who are eligible to participate in an expanded solar access program are: (1) low-income residential customers; (2) certain disadvantaged businesses and nonprofit organizations; and (3) certain residential customers who cannot install solar resources on the premises of the customer. In implementing the expanded solar access program, an electric utility is required to: (1) make use of at least a certain number of community-based solar resources; and (2) provide participating low-income residential customers with a lower rate. (NRS 704.7865)

Section 17 of this bill: (1) revises the criteria for eligibility so that only low-income residential customers are eligible to participate in an expanded solar access program; and (2) requires customers who are supported with certain funding from the Nevada Clean Energy Fund to comply with certain requirements. **Section 17** also authorizes such a participating customer to remain continuously enrolled in the program without having to reapply. For community-based solar resources, **section 17**: (1) increases the maximum nameplate capacity from not more than 1 megawatt to not more than 5

megawatts; (2) requires a process for open bidding or requests for proposals for the selection of sites; (3) requires prioritizing the selection of sites that provide resiliency for the electric grid and benefits for the community; and (4) requires construction of additional community-based solar resources in proportion to increased participation in the expanded solar access program.

Existing law: (1) imposes certain requirements on solar installation companies that sell and install distributed generation systems in this State; (2) prescribes certain contractual requirements for an agreement for the purchase or lease of a distributed generation system and a power purchase agreement; and (3) provides that the violation of those provisions relating to distributed generation systems constitutes a deceptive trade practice. (NRS 598.9801-598.9822) **Sections 1 and 19-25** of this bill make these provisions applicable to solar-powered affordable housing systems.

Existing law: (1) prohibits a person from performing any work on, or providing a bid for or executing a contract to perform such work on, a residential photovoltaic system used to produce electricity on a single-family residence unless the person holds a license issued by the State Contractors' Board or is an employee of such a person; (2) imposes certain requirements on contractors who perform work on such systems; (3) establishes requirements for contracts for such work; (4) prohibits or limits certain practices related to such work and contracts; and (5) authorizes certain penalties and disciplinary action for violations of these provisions. (NRS 624.830-624.895) **Sections 23, 26 and 29-35** of this bill make these provisions applicable to a residential photovoltaic system, including a solar-powered affordable housing system, located on a qualified multifamily affordable housing property.

Section 28 of this bill requires a general building contractor, in the case of a contract for work concerning a residential photovoltaic system to produce electricity on a qualified multifamily affordable housing property, to provide to the owner of the property certain information relating to subcontractors on the project, certain persons who furnished material for the project and liens.

Existing law authorizes the State Contractors' Board to require a contractor who performs work concerning a residential photovoltaic system used to produce electricity to obtain performance and payment bonds if the contractor: (1) is determined by the Board to have committed certain violations; (2) enters into a contract that is later found to be void and unenforceable against an owner; or (3) has five valid complaints filed against him or her with the Board within a 15-day period. (NRS 624.270) **Sections 23 and 28** make this provision applicable to a contractor who performs work on a solar-powered affordable housing system located on a qualified multifamily affordable housing property.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 701.540 is hereby amended to read as follows:

701.540 The Legislature hereby declares that each natural person who is a resident of this State has the right to:

1. Generate, consume and export renewable energy and reduce his or her use of electricity that is obtained from the grid.

2. Use technology to store energy at his or her residence.

3. If the person generates renewable energy pursuant to subsection 1, or stores energy pursuant to subsection 2, or any combination thereof, be allowed to connect his or her system that generates renewable energy or stores energy, or any combination thereof, with the electricity meter on the customer's side that is provided by an electric utility or any other person named and defined in chapters 704, 704A and 704B of NRS:

(a) In a timely manner;

(b) In accordance with requirements established by the electric utility to ensure the safety of utility workers; and

(c) After providing written notice to the electric utility providing service in the service territory and installing a nomenclature plate on the electrical meter panel indicating that a system that generates renewable energy or stores energy, or any combination thereof, is present if the system:

(1) Is not used for exporting renewable energy past the electric utility meter on the customer's side; and

(2) Meets all applicable state and local safety and electrical code requirements.

4. Fair credit for any energy exported to the grid.

5. Consumer protections in contracts for renewable energy pursuant to NRS 598.9801 to 598.9822, inclusive ~~.~~ ***, and sections 20 and 21 of this act.***

6. Have his or her generation of renewable energy given priority in planning and acquisition of energy resources by an electric utility.

7. Except as otherwise provided in NRS 704.7725 or 704.7732, remain within the existing broad rate class to which the resident would belong in the absence of a net metering system or a system that generates renewable energy or stores energy, or any combination thereof, without any fees or charges that are different than the fees and charges assessed to customers of the same rate class, regardless of the technologies on the customer's side of the electricity meter, including, without limitation, energy production, energy savings, energy consumption, energy storage or energy shifting technologies, provided that such technologies do not compromise the safety and reliability of the utility grid.

Sec. 1.5. Chapter 704 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 10.7, inclusive, of this act.

(b) The customer-generator sells or transfers his or her interest in the contiguous property,

➥ the net metering system ceases to be eligible to participate in net metering.

7. A utility shall assess against a customer-generator:

Sec. 16. NRS 704.775 is hereby amended to read as follows:

704.775 1. The billing period for net metering must be a monthly period.

2. The net energy measurement must be calculated in the following manner:

(a) The utility shall measure, in kilowatt-hours, the net electricity produced or consumed during the billing period ~~[,]~~ ***:***

(1) For a net metering system that serves only one meter, in accordance with normal metering practices.

(2) For a solar-powered affordable housing system that serves multiple meters, by measuring the total generation output of the solar-powered affordable housing system using a production meter. The utility shall, for capacity allocations, calculate the total kilowatt-hour output associated with each user's allocated share of the solar-powered affordable housing system's production and deduct the allocated total kilowatt-hour output from each user's total measured consumption.

(b) If the electricity supplied by the utility exceeds the electricity generated by the customer-generator ***, or the customer-generator's allocated share of the electricity generated by a solar-powered affordable housing system,*** which is fed back to the utility during the billing period, the customer-generator must be billed for the net electricity supplied by the utility.

(c) Except as otherwise provided in NRS 704.7732, if the electricity generated by the customer-generator ***, or the customer-generator's allocated share of the electricity generated by a solar-powered affordable housing system,*** which is fed back to the utility exceeds the electricity supplied by the utility during the billing period:

(1) Neither the utility nor the customer-generator is entitled to compensation for the electricity provided to the other during the billing period.

(2) The excess electricity which is fed back to the utility during the billing period is carried forward to the next billing period as an addition to the kilowatt-hours generated by the customer-generator in that billing period. If the customer-generator is billed for electricity pursuant to a time-of-use rate schedule, the excess electricity carried forward must be added to the same time-of-use period as the time-of-use period in which it was generated unless the subsequent billing period lacks a corresponding time-of-use period. In that case, the excess electricity carried forward must be apportioned evenly among the available time-of-use periods.

(3) Excess electricity may be carried forward to subsequent billing periods indefinitely, but a customer-generator is not entitled to receive compensation for any excess electricity that remains if:

(I) The net metering system ceases to operate or is disconnected from the utility's transmission and distribution facilities;

(II) The customer-generator ceases to be a customer of the utility at the premises served by the net metering system; or

(III) The customer-generator transfers the net metering system to another person.

(4) The value of the excess electricity must not be used to reduce any other fee or charge imposed by the utility.

3. If the cost of purchasing and installing a net metering system was paid for:

(a) In whole or in part by a utility, the electricity generated by the net metering system shall be deemed to be electricity that the utility generated or

Sec. 18. NRS 704.940 is hereby amended to read as follows:

704.940 1. In a manufactured home park, mobile home park or company town where the landlord or owner is billed by a gas or electric utility or an alternative seller and in turn charges the tenants or occupants of the dwellings for the service provided by the utility or alternative seller, and the park or town:

(a) Is equipped with individual meters for each lot, the landlord or owner shall not charge a tenant or occupant for that service at a rate higher than the rate paid by the landlord or owner.

(b) Is not equipped with individual meters for each lot, the landlord or owner shall prorate the cost of the service equally among the tenants of the park or occupants of the dwellings who use the service, but the prorated charges must not exceed in the aggregate the cost of the service to the landlord or owner.

2. In a manufactured home park, mobile home park or company town that:

(a) Is equipped with individual water meters for each lot, the individual meters must be read and billed by the purveyor of the water.

(b) Is not equipped with individual water meters for each lot and the landlord or owner is billed by the purveyor of the water and in turn charges the tenants or occupants of the dwellings for the service provided by the purveyor, the landlord or owner shall prorate the cost of the service equally among the tenants of the park or occupants of the dwellings who use the service, but the prorated charges must not exceed in the aggregate the cost of the service to the landlord or owner.

➥ The landlord or owner of a manufactured home park or mobile home park that converts from a master-metered water system to individual water meters for each mobile home lot shall not charge or receive any fee, surcharge or rent increase to recover from the landlord's or owner's tenants the costs of the conversion. The owner of a company town that is not equipped with individual water meters shall not convert from the master-metered water system to individual water meters.

3. To the extent that the cost of providing a utility service to the common area of a manufactured home park, mobile home park or company town can be identified, the landlord or owner may not recover the cost of the utility service provided to the common area by directly charging a tenant or the occupant of a dwelling for those services.

4. The landlord of a manufactured home park or mobile home park or owner of a company town may assess and collect a charge to reimburse the landlord or owner for the actual cost of the service charge the landlord or owner is required to pay to a water utility serving the park or town. If the landlord or owner collects such a charge, the landlord or owner shall prorate the actual cost of the service charge to the tenants or occupants of dwellings who use the service. The landlord or owner shall not collect more than the aggregate cost of the service to the landlord or owner.

5. The landlord may assess and collect a service charge from the tenants of the park for the provision of gas and electric utility services, but the amount of the charge must not be more than the tenants would be required to pay the utility or alternative seller providing the service. The landlord shall:

(a) Keep the money from the service charges in a separate account and expend it only for federal income taxes which must be paid as a result of the collection of the service charge, for preventive maintenance or for repairing or replacing utility lines or equipment when ordered or granted permission to do so by the Commission; and

(b) Retain for at least 3 years a complete record of all deposits and withdrawals of money from the account and file the record with the Commission on or before March 30 of each year.

6. Money collected by the landlord or owner for service provided by a utility or an alternative seller to the tenants of a manufactured home park or mobile home park or occupants of the dwellings may not be used to maintain, repair or replace utility lines or equipment serving the common area of the manufactured home park, mobile home park or company town.

7. The owner of a company town who provides a utility service directly to the occupants of the town may charge the occupants their pro rata share of the owner's cost of providing that service. Where meters are available, the pro rata share must be based on meter readings. Where meters are not available, the owner shall determine a fair allocation which must be explained in detail to the Commission in the reports required by NRS 704.960. The Commission may modify the allocation in accordance with its regulations if it determines the owner's method not to be fair. The Commission shall adopt regulations governing the determination of the costs which an owner of a company town may recover for providing a utility service directly to the occupants of that town and the terms and conditions governing the provision of that service.

8. The landlord or owner shall itemize all charges for utility services on all bills for rent or occupancy. The landlord or owner may pass through to the tenant or occupant any increase in a rate for a utility service and shall pass through any decrease in a charge for a utility service as it becomes effective.

9. The landlord or owner shall retain for at least 3 years a copy of all billings for utility services made to the tenants or the occupants of the landlord's or owner's dwellings and shall make these records available upon request to the Commission for verification of charges made for utility services.

10. A landlord whose interest in a manufactured home park or mobile home park terminates for any reason shall transfer to the landlord's successor in interest any balance remaining in the account for service charges for utilities. Evidence of the transfer must be filed with the Commission.

11. The Commission may at any time examine all books and records which relate to the landlord's or owner's purchase of or billing for a service provided by a utility or an alternative seller if the landlord or owner is charging the tenants of the manufactured home park or mobile home park or occupants of the dwellings for that service.

12. The provisions of this section do not apply to a landlord or owner who is the owner or operator of a solar-powered affordable housing system, as defined in section 8 of this act, except that:

(a) If the owner of a solar-powered affordable housing system is the landlord of a qualified multifamily affordable housing property, as defined in section 7 of this act, in which the tenant units are equipped with individual meters, the owner of the solar-powered affordable housing system must follow any applicable federal laws or regulations to ensure that the owner of the solar-powered affordable housing system does not charge a tenant or

occupant for utility service at a rate that is higher than the rate paid by the owner of the solar-powered affordable housing system.

(b) A landlord who is the owner or operator of a solar-powered affordable housing system shall ensure that the financial benefits of the electricity produced by the solar-powered affordable housing system are allocated among the tenant units in a manner that is equitable as required by NRS 704.773 and section 9 of this act.

Unless released earlier pursuant to subsection 5, any cash deposit may be withdrawn 2 years after termination of the license in connection with which it was established, or 2 years after completion of all work authorized by the Board after termination of the license, whichever occurs later, if there is no outstanding claim against it.

5. After a licensee has acted in the capacity of a licensed contractor in the State of Nevada for not less than 5 consecutive years, the Board may relieve the licensee of the requirement of filing a bond or establishing a cash deposit if evidence supporting such relief is presented to the Board. The Board may at any time thereafter require the licensee to file a new bond or establish a new cash deposit as provided in subsection 4:

(a) If evidence is presented to the Board supporting this requirement;

(b) Pursuant to subsection 6, after notification of a final written decision by the Labor Commissioner; or

(c) Pursuant to subsection 7.

(a) Except as otherwise provided in this subsection, a performance bond in an amount equal to not less than 50 percent of the amount of the contract, conditioned upon the faithful performance of the contract in accordance with the plans, specifications and conditions set forth in the contract. The performance bond must be solely for the protection of the owner of the property to be improved.

(b) Except as otherwise provided in this subsection, a payment bond in an amount equal to not less than 50 percent of the amount of the contract. The payment bond must be solely for the protection of persons supplying labor or materials to the contractor, or to any of his or her subcontractors, in carrying out the provisions of the contract.

➥ A bond required pursuant to this subsection must be provided by a person whose long-term debt obligations are rated "A" or better by a nationally recognized rating agency. The contractor shall maintain the bond for the period required by the Board. The contractor shall furnish to the building department of the city or county, as applicable, in which the work will be carried out, a copy of any bond. Amendment No. 600.

AN ACT relating to traffic laws; authorizing a school district to install and use a school bus infraction detection system on school buses to enforce certain provisions of law; requiring a peace officer of a traffic enforcement agency having jurisdiction over the location in which such school buses operate to review certain evidence detected by the school bus infraction detection system before a civil infraction citation is issued; establishing requirements relating to the issuance of a civil infraction citation based on evidence detected by a school bus infraction detection system; **requiring the destruction of any photograph or recorded image produced by a school bus infraction detection system after a certain period of time;** establishing certain requirements for a hearing relating to a civil infraction citation issued for a violation detected by a school bus infraction detection system; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law prohibits a governmental entity or its agents from using photographic, video or digital equipment to gather evidence in order to issue a traffic citation or civil infraction citation unless the equipment is: (1) a portable camera or event recording device worn or held by a peace officer; (2) installed within a vehicle or facility of a law enforcement agency; or (3) privately owned by a nongovernmental entity. (NRS 484A.600) **Sections 2 and 3** of this bill create an exception to this prohibition, authorizing the board of trustees of a school district to allow for the installation and use of a school bus infraction

detection system in school buses owned by the school district to enforce existing provisions of law prohibiting a driver of any vehicle from overtaking or passing a school bus which: (1) has stopped to receive or discharge any pupil; and (2) is displaying a flashing red light signal visible from the front and rear. (NRS 484B.353) **Section 2** requires a peace officer of a traffic enforcement agency with jurisdiction over the location in which any school bus equipped with such a system operates to review the evidence of such a violation recorded by the system before a civil infraction citation is issued. **Section 2** further: (1) requires a school district that has not previously installed and used a school bus infraction detection system to conduct a public awareness campaign for not less than 30 days after the system is placed into use; (2) **requires the destruction of any photograph or recorded image produced by a school bus infraction detection system after a certain period of time; (3)** establishes certain requirements for a hearing for a citation issued pursuant to **section 2**; ~~[(3)]~~ **(4)** applies an existing fine structure to a citation issued pursuant to **section 2**; ~~[(4)]~~ **(5)** requires a school district to use any fines collected pursuant to **section 2** for certain purposes; and ~~[(5)]~~ **(6)** requires each school district that installs such a system to prepare and submit an annual report to the Legislature relating to the school bus infraction detection system. **Sections 1 and 2** of this bill provide that a violation detected by a school bus infraction detection system is not a moving traffic violation.

Sections 1 and 4-6 of this bill make conforming changes to: (1) exclude traffic violations detected by a school bus infraction detection system from the assessment of demerit points; and (2) provide for the issuance of civil infraction citations for violations detected by a school bus infraction detection system.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 483.473 is hereby amended to read as follows:

483.473 1. As used in this section, "traffic violation" means conviction of a moving traffic violation in any municipal court, justice court or district court in this State or a finding by any municipal court or justice court in this State that a person has committed a civil infraction pursuant to NRS 484A.703 to 484A.705, inclusive. The term includes a finding by a juvenile court that a child has violated a traffic law or ordinance other than one governing standing or parking. The term does not include ~~[a]~~ ***:***

(a) A conviction or a finding by a juvenile court of a violation of the speed limit posted by a public authority under the circumstances described in subsection 1 of NRS 484B.617 ~~[.]~~ ***; or***

(b) A citation issued for a violation detected by a school bus infraction detection system pursuant to section 2 of this act.

2. The Department shall establish a uniform system of demerit points for various traffic violations occurring within this State affecting the driving privilege of any person who holds a driver's license issued by the Department

and persons deemed to have future driving privileges pursuant to NRS 483.447. The system must be based on the accumulation of demerits during a period of 12 months.

3. The system must be uniform in its operation, and the Department shall set up a schedule of demerits for each traffic violation, depending upon the gravity of the violation, on a scale of one demerit point for a minor violation of any traffic law to eight demerit points for an extremely serious violation of the law governing traffic violations. If a conviction of two or more traffic violations committed on a single occasion is obtained, points must be assessed for one offense or civil infraction, and if the point values differ, points must be assessed for the offense or civil infraction having the greater point value. Details of the violation must be submitted to the Department by the court where the conviction or finding is obtained. The Department may provide for a graduated system of demerits within each category of violations according to the extent to which the traffic law was violated.

Sec. 2. Chapter 484A of NRS is hereby amended by adding thereto a new section to read as follows:

1. A board of trustees of a school district may authorize the installation and use of a school bus infraction detection system in school buses owned by the school district to enforce the provisions of NRS 484B.353.

2. The board of trustees of a school district that authorizes the installation and use of a school bus infraction detection system:

(a) May enter into a contractual agreement with a third party vendor to install and administer such a school bus infraction detection system; and

(b) Shall enter into an agreement with a traffic enforcement agency with jurisdiction over the location in which any school bus equipped with a school bus infraction detection system operates to review the evidence of any alleged infraction of NRS 484B.353 recorded by the school bus infraction detection system.

3. If a school district has not previously installed and used a school bus infraction detection system the school district shall, for not less than 30 days after a school bus infraction detection system is placed into use by the school district:

(a) Conduct a public awareness campaign regarding the use of school bus infraction detection systems within the school district; and

(b) Notify the public of the specific date on which a violation detected by the school bus infraction detection system will become enforceable.

4. If, during the period the public awareness campaign described in subsection 3 is conducted, a peace officer of a traffic enforcement agency determines from evidence recorded by a school bus infraction detection system that a person has violated NRS 484B.353, the peace officer may issue only a warning.

5. If, after reviewing the evidence recorded by a school bus infraction detection system, a peace officer of a traffic enforcement agency determines that a violation of NRS 484B.353 occurred in a location over which the

traffic enforcement agency has jurisdiction, the peace officer shall cause a civil infraction citation to be issued pursuant to NRS 484A.7033 for the violation to be sent by the traffic enforcement agency or its designee by first class mail to the address listed with the Department for the registered owner of the vehicle identified by the school bus infraction detection system. A manual or automated record prepared by the ~~[law]~~ traffic enforcement agency or its designee evidencing that the citation was mailed is prima facie evidence of service and shall be admissible in any hearing as to the facts contained in the civil infraction citation.

6. In addition to the information required by subsection 1 of NRS 484A.7035, a civil infraction citation issued pursuant to NRS 484A.7033 for a violation described in subsection 5 must include:

(a) The date and time of the violation;

(b) A photograph or other recorded image produced by the school bus infraction detection system, or the address of the Internet website on which such an image may be viewed, showing:

(1) The vehicle involved in the violation;

(2) If a stop arm was installed on the school bus, that the stop arm was extended at the time of the violation; and

(3) An electronic indicator evidencing that the flashing red light signals of the bus were activated at the time of the violation; and

(c) A statement summarizing the provisions of subsection 8.

7. To the extent practicable, a school bus infraction detection system shall not record images of the occupants of a motor vehicle at the time in which the images are recorded by the system. A civil infraction citation issued pursuant to this section may not be dismissed because a recorded video or digital image includes images of the occupants of the motor vehicle.

8. The registered owner of a vehicle is presumed to be the driver of the vehicle at the time of a violation of NRS 484B.353 which was recorded by a school bus infraction detection system. This presumption may be rebutted if the registered owner of the vehicle submits an affidavit to the traffic enforcement agency or its designee or presents an affidavit as evidence at a hearing held pursuant to subsection 3 of NRS 484A.704 stating under penalty of perjury:

(a) The name and address of the person having care, custody and control of the vehicle at the time of the violation; or

(b) That the vehicle was, at the time of the violation, stolen.

9. An affidavit presented as evidence pursuant to paragraph (b) of subsection 8 must contain evidence that supports the affidavit, including, without limitation, a police report or an insurance report.

10. Photographs or other recorded images produced by a school bus infraction detection system shall be deemed prima facie evidence of a violation of NRS 484B.353 and are admissible at any hearing for a citation issued for a violation detected by a school bus infraction detection system pursuant to this section without further authentication. In any hearing for a

citation issued for a violation detected by a school bus infraction detection system, there is a rebuttable presumption that:

(a) At the time in which a violation of NRS 484B.353 was detected by a school bus infraction detection system, the school bus was marked and equipped with signs and signals as required by law; and

(b) Where recorded images from a school bus infraction detection system show the activation of a stop arm or flashing red light signals, the school bus was stopped to receive or discharge a pupil and was displaying a flashing red light signal visible from the front and rear of the school bus.

11. Any photograph or recorded image produced by a school bus infraction detection system must be destroyed not later than 90 days after:

(a) If a peace officer of a traffic enforcement agency does not cause to be issued a civil infraction citation pursuant to subsection 5 in connection with the photograph or recorded image, the date on which the photograph or recorded image was produced; or

(b) If a peace officer of a traffic enforcement agency causes to be issued a civil infraction citation pursuant to subsection 5 in connection with the photograph or recorded image, the date on which:

(1) The person receiving the civil infraction citation submits, pursuant to subsection 2 of NRS 484A.704, full payment of the monetary penalty, the administrative assessment and any fees to the court specified in the citation;

(2) The court enters an order dismissing the civil infraction citation in the court's records; or

(3) The court enters an order pursuant to NRS 484A.7043 finding that the person committed the civil infraction and assessing the monetary penalty and administrative assessments prescribed for the civil infraction.

12. The provisions of this section do not prohibit a peace officer from issuing a traffic citation for a violation of any law of this State for which evidence is recorded by a school bus infraction detection system if the peace officer personally witnesses a violation. A person who is issued a traffic citation by a peace officer pursuant to this subsection must not be issued a civil infraction citation based on evidence recorded by the school bus infraction detection system for the same violation for which the peace officer issued the person the traffic citation.

~~[12.]~~ 13. Except as otherwise provided in this section, a hearing on a civil infraction citation issued pursuant to this section shall be conducted in accordance with NRS 484A.7041.

~~[13.]~~ 14. A violation of NRS 484B.353 for which a civil infraction citation is issued pursuant to NRS 484A.7033 for a violation described in subsection 5:

(a) Is not a moving traffic violation under NRS 483.473; and

(b) Is punishable by an administrative fine in an amount set by the local authority, but not less than the fine imposed pursuant to NRS 484B.353.

~~[14.]~~ 15. Notwithstanding any other provision of law, all administrative fines assessed and collected for a violation of NRS 484B.353 through the use

of a school bus infraction detection system must be collected and remitted to the school district in which the violation occurred. The school district shall use the fines collected by this section to:

(a) Install, maintain or operate the school bus infraction detection systems on school buses;

(b) Compensate a third party vendor to install, operate or maintain the school bus infraction detection systems on school buses;

(c) Support any other infrastructure or program that increases the safety of transportation services for students; or

(d) Pay costs associated with the enforcement of violations detected by a school bus infraction detection system.

~~[15.]~~ 16. On or before January 31 of each year, each school district which uses a school bus infraction detection system shall prepare and submit a report to the Legislature for the immediately preceding year which includes, without limitation:

(a) The number of citations issued through the use of school bus infraction detection systems;

(b) The total amount of revenue collected as a result of such citations; and

(c) Any data related to the effectiveness of the use of school bus infraction detection systems in reducing the number of violations of NRS ~~[484B.353.]~~ 484B.353.

16. 17. As used in this section, "school bus infraction detection system" means an electronic or digital system which produces a photograph or other recorded image of a vehicle which is used as evidence of a violation of NRS 484B.353 by the driver of the vehicle.

Sec. 3. NRS 484A.600 is hereby amended to read as follows:

484A.600 ~~[A]~~ ***Except as otherwise provided in section 2 of this act, a*** governmental entity and any agent thereof shall not use photographic, video or digital equipment for gathering evidence to be used for the issuance of a traffic citation or civil infraction citation pursuant to NRS 484A.7035 for a violation of chapters 484A to 484E, inclusive, of NRS unless the equipment is a portable camera or event recording device worn or held by a peace officer, the equipment is otherwise installed temporarily or permanently within a vehicle or facility of a law enforcement agency or the equipment is privately owned by a nongovernmental entity.

This information must be maintained in a record for offenses kept at the traffic enforcement agency which employs that officer.

2. Whenever a police officer stops a driver of a motor vehicle for any violation of chapters 484A to 484E, inclusive, of NRS and requests information from a traffic enforcement agency concerning that person's record of prior offenses, the police officer shall compare not only the driver's name but also the number of his or her driver's license and physical description with any information obtained from the agency as a result of the request. If the information received from the agency indicates that the driver's name is on an outstanding warrant for a prior offense, the officer shall not arrest the driver for that prior offense unless the additional information used for comparison also connects the driver with that prior offense.

Sec. 4.5. NRS 484A.703 is hereby amended to read as follows:

484A.703 1. ~~[Every]~~ ***Except for a citation issued for a violation detected by a school bus infraction detection system pursuant to section 2 of this act, every*** traffic enforcement agency in this State shall provide in appropriate form civil infraction citations containing notice of the civil infraction which must meet the requirements of NRS 484A.703 to 484A.705, inclusive, and be:

(a) Issued in books; or

(b) Available through an electronic device used to prepare such citations.

2. The chief administrative officer of each traffic enforcement agency is responsible for the issuance of such books and electronic devices and shall maintain a record of each book, each electronic device and each civil infraction citation issued to individual members of the traffic enforcement agency. The chief administrative officer shall require and retain a receipt for every book and electronic device that is issued.

Sec. 5. NRS 484A.704 is hereby amended to read as follows:

484A.704 1. Any person who receives a civil infraction citation pursuant to NRS 484A.7035 or 484A.7049 ***or section 2 of this act*** shall respond to the citation as provided in this section not later than 90 calendar days after the date on which the citation is issued.

2. If a person receiving a civil infraction citation does not contest the determination that the person has committed the civil infraction set forth in the citation, the person must respond to the citation by indicating that the person does not contest the determination and submitting full payment of the monetary penalty, the administrative assessment and any fees to the court specified in the citation, or its traffic violations bureau, in person, by mail or through the Internet or other electronic means.

The following Senate amendments were read:

Amendment No. 681.

AN ACT relating to governmental administration; establishing a limit on contributions to the campaign of a candidate in certain special elections; ~~[requiring certain candidates, public officers or former public officers to notify the Secretary of State when all unspent campaign contributions have been disposed of;]~~ requiring **, with certain exceptions,** a candidate to file a notice of intent to file for candidacy with the Secretary of State; revising provisions relating to the personal use of contributions or unspent contributions; revising provisions relating to the investigation and enforcement of provisions of law relating to campaign finance and financial disclosure statements; **providing that a labor union and certain corporations and business organizations are not a committee for political action for purposes of campaign finance requirements; requiring such entities to report certain expenditures;** making various other changes relating to campaign finance; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law sets forth limitations on making, soliciting and accepting a campaign contribution for a primary election, a general election or a special election to recall a public officer. (Nev. Const. Art. 2, § 10; NRS 294A.100, 294A.115) **Section 6.5** of this bill clarifies that these limits apply regardless of the number of candidates for the office at the primary or general election.

Section 2.5 of this bill: (1) establishes a contribution limit of $5,000 for a special election that is not a special election to recall a public officer; and (2) sets forth the period during which such contributions may be made, solicited or accepted.

Existing law provides that, except in certain circumstances, certain corporations and business organizations as well as labor unions are excluded from the definition of a "committee for political action." (NRS 294A.0055) Section 6.3 of this bill revises the definition of a "committee for political action" to remove such exceptions, thereby excluding such entities from being considered a committee for political action under any circumstances.

Existing law requires certain persons, committees for political action and political parties to report certain independent expenditures or other expenditures. (NRS 249A.210) Section 10.3 of this bill requires any entity excluded from the definition of "committee for political action" pursuant to section 6.3 that makes certain expenditures in excess of $1,000 to report such expenditures.

Under existing law, it is unlawful for: (1) a candidate to spend money received as a contribution for the candidate's personal use; or (2) a public officer to spend unspent contributions for the public officer's personal use. (NRS 294A.160) **Section 8.5** of this bill clarifies that these provisions do not prohibit a candidate or public officer from using contributions or unspent contributions, as applicable, to pay for any ordinary and necessary expense that is incurred in connection with the duties of a campaign or public office, as applicable.

Existing law requires every candidate, not later than 1 week after receiving minimum contributions of $100, to open and maintain a separate account in a financial institution located in the United States for the deposit of any contributions received. (NRS 294A.130) **Section 7** of this bill requires every candidate **, except a public officer running for reelection,** to also file with the Secretary of State a notice of intent to file for candidacy.

Under existing law, if it appears that the provisions of law relating to campaign finance have been violated, the Secretary of State may: (1) conduct an investigation concerning the alleged violation and cause the appropriate proceedings to be instituted and prosecuted in the First Judicial District Court; or (2) refer the alleged violation to the Attorney General for investigation. The Attorney General is required to investigate and institute and prosecute the appropriate proceedings in the First Judicial District Court. (NRS 294A.410) **Section 11** of this bill: (1) eliminates provisions relating to instituting any such proceedings in the First Judicial District Court; ~~[and]~~ (2) authorizes the Office of the Secretary of State to conduct an investigation ~~[.]~~ **; (3) requires a person who receives a notice of an alleged violation to submit a response to the Office of the Secretary of State within 15 calendar days after receiving the notice; and (4) authorizes the Office of the Secretary of State to bring the**

matter before a hearing officer upon the expiration of such a period of time if the person does not submit such a response.

Existing law authorizes a person who believes that any provisions of law relating to campaign finance have been violated to notify the Secretary of State, in writing, of the alleged violation. Under certain circumstances, the Secretary of State may conduct an investigation of the alleged violation. (NRS 294A.410) **Section 11** provides instead that the Office of the Secretary of State may conduct such an investigation.

Existing law authorizes, under certain circumstances, the Secretary of State to cause proceedings to be instituted in the First Judicial District Court to recover certain civil penalties for certain violations of provisions relating to campaign finance. (NRS 294A.420) **Section 12** of this bill provides instead that the Secretary of State may, after notice and a hearing, impose certain administrative fines for certain violations relating to campaign finance.

Section 4.5 of this bill sets forth certain powers and duties of the Secretary of State or certain officers or employees designated by the Secretary of State relating to investigations or proceedings relating to campaign finance. **Section 4.5 also requires the Secretary of State or certain officers or employees designated by the Secretary of State to provide certain notice by certified mail to a person to whom the Secretary of State or such an officer or employee intends to issue a subpoena for certain records.**

Sections 12 and 13.5 of this bill authorize the Secretary of State, for good cause, to reduce certain administrative fines and civil penalties relating to campaign finance and statements of financial disclosure. **Sections 12 and 13.5** also: (1) authorize the Secretary of State to enter into payment agreements relating to administrative fines and civil penalties; and (2) require the Secretary of State to maintain on the Internet website of the Office of the Secretary of State a list of persons who have not paid within 90 days any such administrative fine or civil penalty. **Section 10.5** of this bill makes a conforming change to provide that the Secretary of State may impose an administrative fine for certain violations.

Assemblymember Mosca moved that the Assembly concur in Senate Amendment No. 681 to Assembly Bill No. 79.

Motion carried by a constitutional majority.

Amendment No. 776.

AN ACT relating to governmental administration; establishing a limit on contributions to the campaign of a candidate in certain special elections; requiring, with certain exceptions, a candidate to file a notice of intent to file for candidacy with the Secretary of State; revising provisions relating to the personal use of contributions or unspent contributions; revising provisions relating to the investigation and enforcement of provisions of law relating to campaign finance and financial disclosure statements; providing that a labor union and certain corporations and business organizations are not a committee for political action for purposes of campaign finance requirements; requiring such entities to report certain expenditures; making various other changes relating to campaign finance; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law sets forth limitations on making, soliciting and accepting a campaign contribution for a primary election, a general election or a special election to recall a public officer. (Nev. Const. Art. 2, § 10; NRS 294A.100, 294A.115) **Section 6.5** of this bill clarifies that these limits apply regardless of the number of candidates for the office at the primary or general election.

Section 2.5 of this bill: (1) establishes a contribution limit of $5,000 for a special election that is not a special election to recall a public officer; and (2) sets forth the period during which such contributions may be made, solicited or accepted.

Existing law provides that, except in certain circumstances, certain corporations and business organizations as well as labor unions are excluded from the definition of a "committee for political action." (NRS 294A.0055)

Section 6.3 of this bill revises the definition of a "committee for political action" to remove such exceptions, thereby excluding such entities from being considered a committee for political action under any circumstances.

Existing law requires certain persons, committees for political action and political parties to report certain independent expenditures or other expenditures. (NRS 249A.210) **Section 10.3** of this bill requires any entity excluded from the definition of "committee for political action" pursuant to **section 6.3** that makes certain expenditures in excess of $1,000 to report such expenditures.

Under existing law, it is unlawful for: (1) a candidate to spend money received as a contribution for the candidate's personal use; or (2) a public officer to spend unspent contributions for the public officer's personal use. (NRS 294A.160) **Section 8.5** of this bill clarifies that these provisions do not prohibit a candidate or public officer from using contributions or unspent contributions, as applicable, to pay for any ordinary and necessary expense that is incurred in connection with the duties of a campaign or public office, as applicable.

Existing law requires every candidate, not later than 1 week after receiving minimum contributions of $100, to open and maintain a separate account in a financial institution located in the United States for the deposit of any contributions received. (NRS 294A.130) **Section 7** of this bill requires every candidate, except a public officer running for reelection, to also file with the Secretary of State a notice of intent to file for candidacy.

Under existing law, if it appears that the provisions of law relating to campaign finance have been violated, the Secretary of State may: (1) conduct an investigation concerning the alleged violation and cause the appropriate proceedings to be instituted and prosecuted in the First Judicial District Court; or (2) refer the alleged violation to the Attorney General for investigation. The Attorney General is required to investigate and institute and prosecute the appropriate proceedings in the First Judicial District Court. (NRS 294A.410) **Section 11** of this bill: (1) eliminates provisions relating to instituting any such proceedings in the First Judicial District Court; (2) authorizes the Office of the Secretary of State to conduct an investigation; (3) requires a person who receives a notice of an alleged violation to submit a response to the Office of the Secretary of State within 15 calendar days after receiving the notice ~~[.]~~ **, subject to certain exceptions;** and (4) authorizes the Office of the Secretary of State to bring the matter before a hearing officer upon the expiration of such a period of time if the person does not submit such a response.

Existing law authorizes a person who believes that any provisions of law relating to campaign finance have been violated to notify the Secretary of State, in writing, of the alleged violation. Under certain circumstances, the Secretary of State may conduct an investigation of the alleged violation. (NRS 294A.410) **Section 11** provides instead that the Office of the Secretary of State may conduct such an investigation.

Existing law authorizes, under certain circumstances, the Secretary of State to cause proceedings to be instituted in the First Judicial District Court to recover certain civil penalties for certain violations of provisions relating to campaign finance. (NRS 294A.420) **Section 12** of this bill provides instead that the Secretary of State may, after notice and a hearing, impose certain administrative fines for certain violations relating to campaign finance.

Section 4.5 of this bill sets forth certain powers and duties of the Secretary of State or certain officers or employees designated by the Secretary of State relating to investigations or proceedings relating to campaign finance. **Section 4.5** also requires the Secretary of State or certain officers or employees designated by the Secretary of State to provide certain notice by certified mail to a person ~~[to whom]~~ **who is the subject of an investigation or proceeding if** the Secretary of State or such an officer or employee intends to issue a subpoena for certain records ~~[.]~~ **to permit such a person to object to and seek issuance of a protective order against the subpoena.**

Sections 12 and 13.5 of this bill authorize the Secretary of State, for good cause, to reduce certain administrative fines and civil penalties relating to campaign finance and statements of financial disclosure. **Sections 12 and 13.5** also: (1) authorize the Secretary of State to enter into payment agreements relating to administrative fines and civil penalties; and (2) require the Secretary of State to maintain on the Internet website of the Office of the Secretary of State a list of persons who have not paid within 90 days any such administrative fine or civil penalty. **Section 10.5** of this bill makes a conforming change to provide that the Secretary of State may impose an administrative fine for certain violations.

Motion carried by a constitutional majority.

Bill ordered to enrollment.

Assembly Bill No. 497.

The following Senate amendment was read:

Amendment No. 642.

AN ACT relating to campaign finance; authorizing a committee for political action to use money in its campaign finance account for certain purposes; ~~[clarifying]~~ **providing** that ~~[nonprofit]~~ **a labor union and certain business** organizations ~~[or]~~ **and** corporations are not a committee for political action for purposes of campaign finance requirements; revising provisions relating to the

disposal of unspent campaign contributions; **requiring certain persons that are not committees for political action to report certain expenditures;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires every committee for political action to, not later than 1 week after receiving contributions the sum of which, in the aggregate is $1,000 or more, open and maintain a separate account in a financial institution located in the United States for the deposit of any contributions received. (NRS 294A.130) **Section 1** of this bill authorizes a committee for political action to use money in the account for certain purposes.

Existing law provides that, except in certain circumstances, certain corporations and other business organizations as well as labor unions are excluded from the definition of a "committee for political action." (NRS 294A.0055) Section 2 of this bill revises the definition of a "committee for political action" to exclude from the definition **: (1)** any nonprofit organization or nonprofit corporation duly organized under federal law or under the laws of this State, any other state, the District of Columbia or any territory of the United States ~~[.]~~ **; (2) all individual corporations and business organizations that have filed certain organizational information with the Secretary of State; and (3) all labor unions.**

Existing law requires certain persons, committees and political parties to report certain independent expenditures or other expenditures. (NRS 294A.210) Section 3.5 of this bill requires any entity excluded from the definition of "committee for political action" pursuant to section 2 that makes certain expenditures in excess of $1,000 to report such expenditures.

Existing law governs the disposition of unspent campaign contributions by a candidate or former public officer. Under existing law, a candidate who is elected to office may use unspent contributions in the candidate's next election, but a candidate who is defeated is required to dispose of unspent contributions. (NRS 294A.160) **Section 3** of this bill authorizes a candidate who is defeated to use unspent contributions in the candidate's next election. If, within 4 years, such a candidate doesn't file a declaration of candidacy or appear on an official ballot at any election, **section 3** requires the defeated candidate to dispose of unspent contributions.

Existing law authorizes certain former public officers who resigned or did not run for reelection to use unspent contributions in a future election. In such a circumstance, existing law requires such unspent contributions to be disposed of within 4 years if the former public officer does not file a declaration of candidacy or appear on the ballot. (NRS 294A.160) **Section 3** of this bill instead requires any former public officer to dispose of unspent contributions not later than 15 days after the 4-year period immediately following leaving office.

Section 4 of this bill requires any candidate who was defeated and any former officer who resigned or did not run for reelection who have unspent

contributions, and for whom the time period in which he or she is required to dispose of such contributions has yet to expire, to dispose of such contributions not later than ~~[4 years from the effective date of this bill.]~~ **October 1, 2029.**

Assembly Bill No. 496.

The following Senate amendment was read:

Amendment No. 641.

AN ACT relating to elections; requiring county and city clerks and the Secretary of State to post on the Internet certain information relating to mail ballots and provisional ballots; requiring each county clerk to post monthly on the Internet an alphabetical listing of all registered voters in the county; requiring certain information to be included on the return envelopes for mail ballots; revising provisions relating to access to information concerning provisional ballots; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes a county clerk to cause to be published in a newspaper circulated in the county an alphabetical listing of all registered

voters. (NRS 293.557) **Section 3** of this bill requires, on the first business day of each month, each county clerk to publish on the Internet website of the county clerk an alphabetical listing of all registered voters in the county. **Section 3** further requires that the county clerk ensure that the alphabetical listing may be downloaded by any person free of charge. **Section 6** of this bill makes a conforming change to require the county clerk to include the identification number of a registered voter on the list required by **section 3**, similar to the inclusion of the identification number on other lists of registered voters made available for public inspection.

Existing law requires, with certain exceptions, the county or city clerk to send to each active registered voter certain information relating to voting by mail, including a mail ballot and a return envelope. (NRS 293.269913, 293C.26312) **Sections 4 and 9** of this bill require that the return envelope include ~~[: (1) the initials of the voter in print; and (2)]~~ a space for the voter to write his or her telephone number for purposes of contacting the voter, if necessary, for signature curing or verification.

Sections 2 and 8 of this bill require each county and city clerk, respectively, to post on the Internet website of the county or city clerk, as applicable, certain information relating to mail ballots and provisional ballots starting on the day after the period of early voting by personal appearance begins and ending on the day after the election results are canvassed. **Sections 2 and 8** also require the Secretary of State to post on the Internet website of the Secretary of State**: (1)** a compilation of such information ~~[.]~~ **; and (2) an estimate of the total number of mail ballots that are in the custody of the United States Postal Service. Sections 2 and 8 further require the Secretary of State to adopt by regulation the: (1) specific categories of defects in signatures that require curing by registered voters; and (2) process for reporting the information relating to provisional ballots that is required to be reported by the county and city clerks.**

Existing federal law requires that access to information about an individual provisional ballot be restricted to the individual who cast the ballot. (52 U.S.C. § 21082) Existing state law requires that access to information concerning a provisional ballot be restricted to the person who cast the ballot. (NRS 293.3086, 293.5882) **Sections 5 and 7** of this bill revise these provisions to specify that access to information concerning an individual provisional ballot must be restricted.

The following Senate amendment was read:

Amendment No. 621.

AN ACT relating to public financial administration; revising the hours the office of the county treasurer is required to be kept open; requiring certain money from the sale of property for delinquent taxes to be accounted for separately in a county general fund and used to pay for the acquisition and improvement of technology used in the office of the county treasurer; revising the contents of a notice of delinquent taxes; revising provisions relating to certain property held in trust by a county treasurer; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires, subject to certain exceptions, sheriffs, county recorders and county auditors, county clerks, county assessors and county treasurers to keep open the county office and branch offices, if any, on all days except Sundays and nonjudicial days from 9 a.m. to 12 p.m., and on all days except Sundays, nonjudicial days and Saturdays from 1 p.m. to 5 p.m. Existing law also authorizes the board of county commissioners of any county to designate or authorize deviation from the days and hours, but requires each office to be kept open for not less than 40 hours during each week. (NRS 245.040) Existing law establishes that the county treasurers are tax receivers for the county. (NRS 361.475) **Section 1** of this bill provides that the county office and branch offices, if any, of the county treasurer must not close earlier than 5 p.m. **on any business day** but may close later than 5 p.m.

Existing law requires the tax receiver of a county to mail notice of delinquent taxes to certain persons. The notice of delinquency must state certain

information, including that if the amount of delinquent taxes is not paid, the tax receiver will, at 5 p.m. on the first Monday in June of the current year, issue a certificate authorizing the county treasurer to hold the property. (NRS 361.5648) **Section 2** of this bill provides instead that the notice of delinquency must state that if the amount of delinquent taxes is not paid, the tax receiver will, at the close of business of the tax receiver of the county on the first Monday in June of the current year, issue a certificate authorizing the county treasurer to hold the property.

Existing law requires the tax receiver to make out a trustee's certificate that describes each property on which delinquent taxes, penalties, interest and costs have not been paid. The trustee's certificate authorizes the county treasurer to hold each property for a certain period of time. (NRS 361.570) When the time allowed by law for the redemption of a property described in the certificate has expired and no redemption has been made, the tax receiver who issued the certificate is required to execute and deliver to the county treasurer a deed of the property. Upon obtaining such a deed, the county treasurer is required to hold the property in trust until it is sold or otherwise disposed of. Existing law provides that during certain periods or not later than 5 p.m. on the third business day before the day of the sale by a county treasurer, certain persons are entitled to have the property reconveyed upon the receipt by the county treasurer of payment of the delinquent taxes and certain costs. (NRS 361.585) **Section 3** of this bill provides instead that during certain periods or not later than the close of business of the county treasurer on the third business day before the day of the sale by a county treasurer, certain persons are entitled to have the property reconveyed upon the receipt by the county treasurer of payment of the delinquent taxes and certain costs.

Existing law authorizes, under certain circumstances, the county treasurer to sell property held in trust because of delinquent taxes. Upon payment, the county treasurer is required, with certain exceptions, to issue a quitclaim deed to the purchaser. Existing law provides an exception to this requirement to issue a quitclaim deed under certain circumstances, if, not later than 5 p.m. on the third business day immediately preceding the day of the sale by the county treasurer, a municipality provides the county treasurer with an affidavit that meets certain requirements. (NRS 361.595) **Section 4** of this bill provides instead that, under certain circumstances, the county treasurer may not issue the quitclaim deed if, not later than the close of business of the county treasurer on the third business day immediately preceding the day of the sale by the county treasurer, a municipality provides the county treasurer with an affidavit that meets certain requirements.

Under existing law, if the county treasurer sells property held in trust because of delinquent taxes, the county treasurer is required to pay certain costs and taxes from the excess proceeds from the sale and then pay into the county general fund: (1) the first $300 of the excess proceeds; (2) 10 percent of the next $10,000 of the excess proceeds; and (3) the amount remaining to be held separately for a certain period of time, and if not claimed by certain

persons who had a secured interest in the property, then into the county general fund. (NRS 361.610) **Section 5** of this bill provides that of the amount remaining to be held separately for a certain period of time, and if not claimed, 5 percent of the total amount remaining must be accounted for separately in the county general fund pursuant to **section 1.5** of this bill. The money in the account is only authorized to be used to acquire technology or improve technology used in the office of the county treasurer. **Section 1.5** also requires the county treasurer to submit an annual report to the board of county commissioners by July 1 setting forth the projected expenditure of money in the account for the following fiscal year. **Section 1.5** also authorizes a board of county commissioners to revert 50 percent of any balance of unexpended or unencumbered money after 3 years.

Existing law sets forth certain procedures allowing a person to make a claim for the excess proceeds from the sale by the county treasurer of property held in trust because of delinquent taxes, including, without limitation, requiring certain indeterminable claims to be submitted to mediation, and if mediation is unsuccessful, then requiring the county treasurer to conduct a hearing or file an action for interpleader. (NRS 361.610) **Section 5** eliminates conducting a hearing as a method for determining certain indeterminable claims, instead requiring the county treasurer to file an action for interpleader following any unsuccessful mediation. Existing law authorizes a person to enter into an agreement to locate, deliver, recover or assist in the recovery of excess proceeds by certain persons. However, if the agreement is entered into by a natural person who occupied the property as his or her primary residence at the time of the sale, any such agreement must not provide for a fee of more than 10 percent of the remaining excess proceeds due that person. (NRS 361.610) **Section 5** removes the limitation that the property must have been occupied by a natural person as his or her primary residence at the time of sale and instead applies the 10 percent cap to the fee of: (1) any natural person; and (2) certain persons who are otherwise authorized by power of attorney, assignment or any other legal instrument by another person to file a claim with and collect from the county treasurer any property owed to the person.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 245.040 is hereby amended to read as follows:

245.040 1. Sheriffs, county recorders and county auditors, county clerks, county assessors and county treasurers shall keep an office at the county seat of their county which, except as otherwise provided in subsections 3 and 4, must be kept open on all days except Sundays and nonjudicial days from 9 a.m. to 12 m., and on all days except Sundays, nonjudicial days and Saturdays from 1 p.m. to 5 p.m. for the transaction of public business, but nothing contained in this subsection interferes with a duty now required of a public officer under the election laws of this State. County clerks shall keep their offices open on all election days during the hours when the polls are open for

voting but may, with the consent of the district judge of the county, close their offices for all purposes except election business and the issuance of marriage licenses on any day on which the primary or general election is held.

2. ~~[Notwithstanding]~~ ***Except as otherwise provided in subsection 5 and notwithstanding*** the provisions of subsection 1, the board of county commissioners of any county may, by an order regularly made and entered in the records of its proceedings, designate the days and hours during which the offices of the sheriff, county recorder and county auditor, county clerk, county assessor and county treasurer must be kept open for the transaction of public business. An order so made and entered must require each office to be kept open for not less than 40 hours during each week, and must not prevent the county clerk from closing his or her office for all purposes except election business and the issuance of marriage licenses on primary and general election days as provided in subsection 1.

3. The board of county commissioners may authorize a county officer to rent, equip and operate, at public expense, one or more branch offices in the county. The branch office may be kept open for the transaction of public business on the days and during the hours specified in subsections 1 and 2 or on such days and during such hours as determined by the board. The provisions of this subsection do not preempt any other statutory provisions which require certain duties to be performed at the county seat.

4. Any county office may deviate from the hours of operation required pursuant to this section if the board of county commissioners approves the plan for the deviation submitted by the office, except that no such deviation may conflict with the election laws of this State. Such a plan must be fiscally neutral or result in cost savings.

5. ***The board of county commissioners of any county shall not designate or approve the county office or branch offices, if any, of the county treasurer to close earlier than 5 p.m. for the transaction of business on*** ~~***[all days except Saturdays, Sundays and nonjudicial days.]***~~ ***any business day. Nothing in this subsection shall be construed to prohibit the offices from closing later than 5 p.m.***

6. A county officer who violates the provisions of this section is guilty of a misdemeanor, and if an officer mentioned in subsection 1 absents himself or herself from office, except:

(a) When called away from his or her office by official duties;

(b) When expressly permitted so to do by the board of county commissioners or a majority of the members thereof in writing; or

(c) When he or she makes provision to leave his or her office open for the transaction of public business on the days and during the hours prescribed by this section and in charge of a deputy qualified to act in the county officer's absence,

➥ there must be withheld from the county officer's monthly salary that proportion thereof as the number of days of absence bears to the number of days of the month in which the absence occurs. The money must be withheld

from payment of salary to the officer for the next succeeding month by order of the board of county commissioners, but such an order must not be made without first giving the officer affected reasonable notice and an opportunity to appear before the board and defend the charge against him or her.

Sec. 1.5. Chapter 249 of NRS is hereby amended by adding thereto a new section to read as follows:

1. Any money received by the county treasurer pursuant to paragraph (a) of subsection ~~[3]~~ 4 of NRS 361.610 must be accounted for separately in the county general fund.

2. Money in the account:

(a) May only be used to acquire technology for or improve the technology used in the office of the county treasurer, including, without limitation, the payment of any costs associated with acquiring or improving technology for converting or archiving records, purchasing hardware or software, maintaining the technology, training employees in the operation of the technology and contracting for professional services relating to the technology; and

(b) Must not be used to replace or supplant any money available from other sources to acquire technology for or improve technology used in the office of the county treasurer.

3. Any money remaining in the account at the end of a fiscal year does not revert to the county general fund, and the balance in the account must be carried forward to the next fiscal year.

4. The money in the account must be invested as other county funds are invested. All interest earned on the deposit or investment of the money in the account, after deducting any applicable charges, must be credited to the account. Claims against the account must be paid as other claims against the county are paid.

5. On or before July 1 of each year, the county treasurer shall submit a report to the board of county commissioners setting forth the projected expenditure of money in the account for the following fiscal year.

6. Fifty percent of any balance of unexpended or unencumbered money remaining in the account after 3 years shall be deemed dormant and subject to transfer at the discretion of and order by a board of county commissioners pursuant to NRS 354.150.

Sec. 2. NRS 361.5648 is hereby amended to read as follows:

361.5648 1. Within 30 days after the first Monday in March of each year, with respect to each property on which the tax is delinquent, the tax receiver of the county shall mail notice of the delinquency by first-class mail to:

(a) The owner or owners of the property;

(b) The person or persons listed as the taxpayer or taxpayers on the tax rolls, at their last known addresses, if the names and addresses are known;

(c) Each holder of a recorded security interest if the holder has made a request in writing to the tax receiver for the notice, which identifies the secured

property by the parcel number assigned to it in accordance with the provisions of NRS 361.189; and

(d) Each assignee of a tax lien on the property, if the assignee has made a request in writing to the tax receiver for the notice described in paragraph (c).

2. The notice of delinquency must state:

(a) The name of the owner of the property, if known.

(b) The description of the property on which the taxes are a lien.

(c) The amount of the taxes due on the property and the penalties and costs as provided by law.

(d) That if the amount is not paid by or on behalf of the taxpayer or his or her successor in interest, the tax receiver will, at ~~[5 p.m.]~~ ***the close of business of the tax receiver of the county*** on the first Monday in June of the current year, issue to the county treasurer, as trustee for the State and county, a certificate authorizing the county treasurer to hold the property, subject to redemption within 2 years, or within 1 year if the property is determined to be abandoned pursuant to NRS 361.567, after the date of the issuance of the certificate, by payment of the taxes and accruing taxes, penalties and costs, together with interest on the taxes at the rate of 10 percent per annum, assessed monthly, from the date due until paid as provided by law, except as otherwise provided in NRS 360.232 and 360.320, and that redemption may be made in accordance with the provisions of chapter 21 of NRS in regard to real property sold under execution.

3. Within 30 days after mailing the original notice of delinquency, the tax receiver shall issue his or her personal affidavit to the board of county commissioners affirming that due notice has been mailed with respect to each parcel. The affidavit must recite the number of letters mailed, the number of letters returned and the number of letters finally determined to be undeliverable. Until the period of redemption has expired, the tax receiver shall maintain detailed records which contain such information as the Department may prescribe in support of the affidavit.

4. A second copy of the notice of delinquency must be sent by certified mail, not less than 60 days before the expiration of the period of redemption as stated in the notice.

5. The cost of each mailing must be charged to the delinquent taxpayer.

6. A county and its officers and employees are not liable for any damages resulting from failure to provide actual notice pursuant to this section if the county, officer or employee, in determining the names and addresses of persons with an interest in the property, relies upon a preliminary title search from a company authorized to provide title insurance in this State.

Sec. 3. NRS 361.585 is hereby amended to read as follows:

361.585 1. When the time allowed by law for the redemption of a property described in a certificate has expired and no redemption has been made, the tax receiver who issued the certificate, or his or her successor in office, shall execute and deliver to the county treasurer a deed of the property

in trust for the use and benefit of the State and county and any officers having fees due them.

2. The county treasurer and his or her successors in office, upon obtaining a deed of any property in trust under the provisions of this chapter, shall hold that property in trust until it is sold or otherwise disposed of pursuant to the provisions of this chapter.

3. Notwithstanding the provisions of NRS 361.595 or 361.603, at any time during the 90-day period specified in NRS 361.603, or not later than ~~[5 p.m.]~~ ***the close of business of the county treasurer*** on the third business day before the day of the sale by a county treasurer, as specified in the notice required by NRS 361.595, of any property held in trust by him or her by virtue of any deed made pursuant to the provisions of this chapter, any person specified in subsection 4 is entitled to have the property reconveyed upon the receipt by the county treasurer of payment by or on behalf of that person of an amount equal to the taxes accrued, together with any costs, penalties and interest legally chargeable against the property. A reconveyance may not be made after expiration of the 90-day period specified in NRS 361.603.

4. Property may be reconveyed pursuant to subsection 3 to one or more of the persons specified in the following categories, or to one or more persons within a particular category, as their interests may appear of record:

(h) The successor in interest of any person specified in this subsection.

(i) A municipality that holds a lien against the property.

5. The provisions of this section apply to land held in trust by a county treasurer on or after April 17, 1971.

Sec. 4. NRS 361.595 is hereby amended to read as follows:

361.595 1. Any property held in trust by any county treasurer by virtue of any deed made pursuant to the provisions of this chapter may be sold and conveyed in the manner prescribed in this section and in NRS 361.603 or conveyed without sale as provided in NRS 361.604.

2. If the property is to be sold, the board of county commissioners may make an order, to be entered on the record of its proceedings, directing the county treasurer to sell the property particularly described therein, after giving notice of sale, for a total amount not less than the amount of the taxes, costs, penalties and interest legally chargeable against the property as stated in the order.

3. Except as otherwise provided in subsection 4, notice of the sale must specify the day, time and place of the sale and be:

(a) Posted in at least three public places in the county, including one at the courthouse and one on the property, not less than 20 days before the day of sale or, in lieu of such a posting, by publication of the notice at least once a week for 4 consecutive weeks by four weekly insertions in some newspaper published within the county, the first publication being at least 22 days before the day of the sale, if the board of county commissioners so directs.

(b) Mailed by certified mail, return receipt requested, not less than 90 days before the day of the sale, to the owner of the parcel as shown on the tax roll and to any person or governmental entity that appears in the records of the county to have a lien or other interest in the property. 4. If, pursuant to NRS 361.567, the tax receiver has elected to use an expedited procedure for the sale of the property and the requirements of NRS 361.567 were met, notice of the sale must specify the day, time and place of the sale and be:

(a) Posted in at least three public places in the county, including one at the courthouse and one on the property, not less than 20 days before the day of sale or, in lieu of such a posting, by publication of the notice at least once a week for 4 consecutive weeks by four weekly insertions in some newspaper published within the county, the first publication being at least 22 days before the day of the sale, if the board of county commissioners so directs.

(b) Mailed by certified mail, return receipt requested, not less than 45 days before the day of the sale, to the owner of the parcel as shown on the tax roll and to any person or governmental entity that appears in the records of the county to have a lien or other interest in the property. If the receipt is returned unsigned, the county treasurer must make a reasonable attempt to locate and notify the owner or other person or governmental entity before the sale.

5. Except as otherwise provided in subsection 6, the county treasurer shall make, execute and deliver to any purchaser, upon payment to the county treasurer, as trustee, of a consideration not less than that specified in the order, a quitclaim deed, discharged of any trust of the property mentioned in the order.

6. (a) The municipality sold the property or the property was stricken off to the municipality pursuant to NRS 271.560; and

(b) A certificate of sale for the property was issued to the purchaser pursuant to NRS 271.570 or to the municipality pursuant to NRS 271.560,

➥ the county treasurer may not issue the quitclaim deed described in subsection 5 unless the person who purchased the property from the county

pays to the municipality any amount owed pursuant to the certificate of sale issued pursuant to NRS 271.560 and 271.570 and the municipality provides an affidavit signed by the treasurer of the municipality stating that such amounts have been paid. If the purchaser does not pay the amount owed to the municipality within 20 days after the sale of the property by the county, the sale of the property by the county is void and the county treasurer may retain for administrative costs not more than 10 percent of the purchase amount paid by the purchaser.

7. Before delivering a deed, the county treasurer shall record the deed at the expense of the purchaser.

8. All deeds issued pursuant to this section, whether issued before, on or after July 1, 1955, are primary evidence:

(a) Of the regularity of all proceedings relating to the order of the board of county commissioners, the notice of sale and the sale of the property;

(b) That if, pursuant to NRS 361.567, the tax receiver has elected to use an expedited procedure for the sale of the property, the property is abandoned; and

(c) That, if the real property was sold to pay taxes on personal property, the real property belonged to the person liable to pay the tax.

9. No deed may be executed and delivered by the county treasurer until he or she files at the expense of the purchaser, with the clerk of the board of county commissioners, proper affidavits of posting and of publication of the notice of sale, as the case may be, together with his or her return of sale, verified, showing compliance with the order of the board of county commissioners, which constitutes primary evidence of the facts recited therein.

11. The board of county commissioners shall provide its clerk with a record book in which must be indexed the name of each purchaser, together with the date of sale, a description of the property sold, a reference to the book and page of the minutes of the board of county commissioners where the order of sale is recorded, and the file number of the affidavits and return.

Sec. 5. NRS 361.610 is hereby amended to read as follows:

361.610 1. Assemblymember Considine moved that the Assembly concur in Senate Amendment No. 736 to Assembly Bill No. 478.

Motion carried by a constitutional majority.

Bill ordered to enrollment.

Assembly Bill No. 39.

The following Senate amendment was read:

Amendment No. 772.

AN ACT relating to charter schools; revising provisions governing the membership of the State Public Charter School Authority; revising provisions establishing the local educational agency that is responsible for performing certain functions with respect to charter schools; clarifying requirements for certain information to be included in an application to renew the charter contract of a charter school; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law creates the State Public Charter School Authority for the purpose of, among other duties: (1) sponsoring charter schools; and (2) providing oversight to the charter schools it sponsors. (NRS 388A.150) Existing law further establishes that the Authority consists of nine members, the manner of appointing those members and the qualifications of those members. (NRS 388A.153) **Section 1** of this bill provides that the nine members appointed under existing law are the voting members of the Authority and that the voting members must be at least 21 years of age. **Section 1** also establishes the requirements governing the members of the Authority that apply to all members, including voting and nonvoting members, and the requirements that apply only to voting members. **Section 2** of this bill

makes a conforming change to clarify that only voting members of the Authority are required to complete certain training required by existing law. (NRS 388A.155) **Section 3** of this bill makes a conforming change to clarify that a majority of the voting members, rather than all members: (1) is authorized to call a meeting of the Authority; and (2) constitutes a quorum to enable the Authority to exercise its power and authority. (NRS 388A.156)

Under existing law, the number of members of the Authority who may be teachers or administrators employed by a charter school or charter management organization in this State is limited to two members. (NRS 388A.153) **Section 1** revises the qualifications for a teacher or administrator employed by a charter school or charter management organization to be eligible to serve as a member of the Authority by: (1) removing the requirement that the charter school or charter management organization employing the teacher or administrator must not have ever received an annual rating established as one of the three lowest ratings of performance pursuant to the statewide system of accountability for public schools; and (2) instead, requiring that the charter school at which the teacher or administrator is employed must be in good standing according to the performance framework set forth in its charter contract.

Existing law prohibits a member of the Authority, other than a member who is a teacher or administrator employed by a charter school or charter management organization, from being actively engaged in business with or holding certain interests relating to charter schools. (NRS 388A.153) Under existing law, a charter school is defined as a charter school organized under the laws of this State. (NRS 385.007) **Section 1** ~~[clarifies]~~ **provides** that the prohibition against a member of the Authority being actively engaged in business with or holding certain interests relating to charter schools ~~[only prohibits engaging in business with or holding certain interests relating to a charter school in this State.]~~ **includes, without limitation, such an engagement in business or interest in: (1) an educational management organization providing support or operations to a charter school; or (2) a charter management organization operating a charter school.**

Existing law deems the Authority to be a local educational agency that is responsible under state and federal law for: (1) providing a free and appropriate public education to each pupil enrolled in a charter school sponsored by the Authority; (2) the provision of special education and related services by a charter school; and (3) directing money available from certain federal and state grant programs to charter schools sponsored by the Authority, a college or university within the Nevada System of Higher Education or a city or county. (NRS 388A.159) **Section 4** of this bill removes the requirement for a college or university within the System, or a city or county, that sponsors a charter school to enter into an agreement with the Authority for the provision of any necessary functions of a local educational agency. Instead, **section 4** deems a college or university within the System, or a city or county, to be a local educational agency, thereby making the college or university, or city or county,

responsible for performing the functions of a local educational agency under state and federal law for the charter schools it sponsors.

Under existing law, the governing body of a charter school seeking to renew its charter contract is required to submit an application for renewal to the sponsor of the charter school on or before October 15 of the final school year in which the charter school is authorized to operate. Existing law requires the application for renewal to include, without limitation, any information or data that: (1) the governing body of the charter school determines supports the renewal of the charter contract; and (2) is in addition to the information contained in the required performance report previously submitted to the governing body by the sponsor and any written response to that report. (NRS 388A.285) **Section 5** of this bill clarifies that any information or data to support the renewal of the charter contract is information or data other than the previously submitted performance report and any written response to that report.

Amendment No. 588.

AN ACT relating to behavioral health; requiring the certification of a natural person who holds himself or herself out as a certified prevention specialist; prohibiting a minor from providing or supervising the provision of peer recovery support services; authorizing the imposition of civil penalties for certain violations; prohibiting the employment or retention as an independent contractor of a natural person to serve as a certified prevention specialist in a position where the natural person has regular and substantial contact with minors if the natural person has been found to have engaged in certain conduct; requiring a certified prevention specialist to report certain information; requiring a substance use disorder prevention coalition to employ or enter into contracts with certified prevention specialists for certain purposes; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

In general, existing law requires an adult to be certified as a peer recovery support specialist or peer recovery support specialist supervisor by the Nevada Certification Board or, if that Board ceases issuing such certificates, the Division of Public and Behavioral Health of the Department of Health and Human Services, in order to provide peer recovery support services or supervise the provision of such services, as applicable, for compensation as a regular part of his or her job duties. However, existing law authorizes an adult who is not a peer recovery support specialist to provide peer recovery support services as a regular part of his or her job duties while serving as a peer recovery support specialist intern if the Nevada Certification Board or the Division, as applicable, has established conditions authorizing such

internships. (NRS 433.631) **Section 7** of this bill additionally prohibits a minor from providing or supervising the provision of peer recovery support services for compensation as a regular part of his or her job duties. **Sections 7, 8 and 13** of this bill authorize the Division to impose a civil penalty or bring an action for an injunction against a minor who: (1) provides peer recovery support services; or (2) supervises the provision of peer recovery support services. **Sections 4-6, 14 and 15** of this bill make various conforming changes to: (1) reflect that the provisions of law governing peer recovery support services apply to both adults and minors; and (2) clarify that those provisions of law apply only to natural persons. **Section 25** of this bill repeals a definition that is no longer used, and **section 2** of this bill eliminates a reference to that definition.

Sections 3, 7 and 8 of this bill prohibit a natural person from holding himself or herself out as a certified prevention specialist unless he or she is certified as such by the Nevada Certification Board or, if that Board ceases to certify certified prevention specialists, peer recovery support specialists or peer recovery support specialist supervisors, the Division. **Section 1** of this bill defines "certified prevention specialist" to mean a natural person who: (1) holds such certification; and (2) supervises, reviews and implements evidence-based programs, policies, practices and other culturally relevant interventions in schools or communities to prevent or reduce the harms caused by substance use, substance use disorder and other behavioral health disorders or address systemic barriers to wellness. **Section 2** of this bill makes conforming changes to indicate the applicability of that definition. **Sections 7 and 13** authorize the Division to impose a civil penalty or bring an action for an injunction against a natural person who holds himself or herself out as a certified prevention specialist without being certified as such. **Sections 9-12, 14-17 and 19-23** of this bill make various changes so that certified prevention specialists are treated similarly to peer recovery support specialists and peer recovery support specialist supervisors for purposes related to: (1) regulation, certification and background checks; (2) mandatory reporting of certain crimes and violations; and (3) exemption from the applicability of provisions of law governing certain other professions that provide behavioral health services.

Existing law: (1) provides for the certification of substance use disorder prevention coalitions; (2) requires a certified substance use disorder prevention coalition to perform certain duties relating to the prevention of substance misuse and substance use disorder; and (3) requires the Division to collaborate with and utilize certified substance use disorder prevention coalitions as the primary local and regional entities to coordinate programs and strategies for the prevention of substance use disorders in this State. (NRS 458.033) **Section 18** of this bill requires a substance use disorder prevention coalition to employ or enter into contracts with certified prevention specialists as necessary to perform the duties of the coalition.

The following Senate amendment was read:

Amendment No. 749.

AN ACT relating to health care; requiring hospitals to publish certain information relating to the pricing of goods and services; prohibiting a hospital from collecting medical debt that accrued while the hospital was out of compliance with that requirement; prescribing a procedure for the correction of violations of that requirement; authorizing certain investigations, civil actions and the imposition of certain administrative sanctions; providing for the publication of certain information relating to violations; requiring certain health care entities to provide certain information before taking any action to collect a medical debt; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing federal regulations require a hospital to publish: (1) a list of standard charges for all items and services provided by the hospital; and (2) a consumer-friendly list of standard charges for a limited set of shoppable services, which are services provided by a hospital that can be scheduled by a consumer in advance. (45 C.F.R. §§ 180.20, 180.40-180.60) **Sections 13-15** of this bill codify similar requirements into Nevada law. Specifically, **section 13** requires a hospital to compile, publish and update annually a list of standard charges for all items and services provided by the hospital. **Section 14** requires a hospital to **maintain an online price-estimator tool or** compile, publish and update annually: (1) a list of shoppable services provided by the hospital; and (2) a list of the shoppable services that appear on a list of certain shoppable services specified by the Federal Government and that the hospital does not provide. **Section 15** requires a hospital to publish the ~~[lists]~~ **most current version of each list** required by **sections 13 and 14** on the most prominent publicly available Internet website maintained by the hospital**.** ~~[and requires those lists to remain available for at least 7 years after the date of initial publication.]~~ **Section 15** prescribes ~~[additional technical]~~ **certain** requirements governing the ~~[publication of]~~ **manner in which** those lists ~~[.]~~ **must be published.** **Section 16** of this bill requires a hospital to annually report to the Department of Health and Human Services concerning facility fees for outpatient services provided in off-campus facilities. **Section 16** requires the Department to publish those reports on a publicly available Internet website.

Section 17 of this bill prohibits a hospital from taking certain actions to collect a medical debt for goods or services provided to a patient while the hospital is not in compliance with the requirements of **sections 13-15** or the corresponding federal requirements. **Section 17** provides that such prohibited actions, when taken knowingly, constitute deceptive trade practices, thereby subjecting a hospital that commits such a violation to the civil and criminal penalties that may be imposed for deceptive trade practices generally. (Chapter 598 of NRS) **Section 17** also authorizes a medical debtor who is aggrieved by such a prohibited action to file a claim with the Bureau of Consumer Protection

in the Office of the Attorney General. **Section 24.5** of this bill requires the Governor's Consumer Health Advocate to assist patients with the filing of such claims. If the Bureau determines that a hospital has taken an action prohibited by **section 17** to collect a medical debt, **section 17** requires the hospital to cancel the debt and refund any portion of the debt that has been paid.

Sections 18-21 of this bill provide for the administrative enforcement of **sections 2-21**. Specifically, **section 18**: (1) authorizes any person or entity to file a complaint against a hospital that fails to comply with **sections 2-21**; and (2) requires the Department to monitor the compliance of hospitals with **sections 2-21**. **Section 19** prescribes a procedure for the correction of a violation of **sections 2-21**, and **section 20** requires the Department to impose administrative penalties against a hospital that commits such a violation. **Section 21** provides for the publication of certain documents relating to violations of **sections 2-21**. **Sections 21 and 25** of this bill provide that a complaint alleging such a violation and certain initial investigatory documents are confidential.

Section 22 of this bill requires certain health care entities, before taking any action to collect a medical debt, to provide: (1) the patient with an itemized statement of the medical debt and certain other information; and (2) the medical debtor with a receipt for each payment made on the debt. **Section 22** authorizes a patient or medical debtor who is aggrieved by a violation of those requirements to ~~[bring a civil action against the health care entity.]~~ **file a claim with the Bureau of Consumer Protection in the Office of the Attorney General. Section 24.5 requires the Governor's Consumer Health Advocate to assist patients with the filing of such claims. If the Bureau determines that a health care entity has taken an action to collect a medical debt where prohibited by section 22, section 22 requires the health care entity to cancel the debt and refund any portion of the debt that has been paid. Section 22 also provides that attempting to collect a debt under such prohibited circumstances constitutes a deceptive trade practice. Sections 3-12** of this bill define certain terms, and **section 2** of this bill establishes the applicability of those definitions. **Sections 23 and 27** of this bill make conforming changes to clarify the applicability of an existing definition.

SUMMARY—Revises provisions governing health care. (BDR ~~[13-156)]~~ **38-156)**

AN ACT relating to powers of attorney; ~~[enacting the provisions of the Uniform Health-Care Decisions Act that have not been enacted into law in this State; revising various provisions relating to powers of attorney for health care to conform with the Uniform Act;]~~ requiring the Department of Health and Human Services, acting through the Aging and Disability Services Division of the Department, to conduct a program to educate and inform residents of this State concerning planning for long-term care; **requesting the Guardianship Commission created by the Nevada Supreme Court to study and make recommendations relating to the Uniform Health-Care Decisions Act;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Existing law sets forth provisions governing durable powers of attorney for health care decisions. (NRS 162A.700-162A.870) Under existing law, a person may create an advance health care directive, which existing law defines as a power of attorney for health care, by using a form set forth in the Uniform Health-Care Decisions Act. (NRS 162A.715, 162A.855) Existing law also contains definitions from the Uniform Health-Care Decisions Act of "guardian," "health care" and "nursing home." This bill replaces other provisions of existing law relating to powers of attorney for health care with~~

~~the remaining provisions of the Uniform Health-Care Decisions Act that have been enacted into law.~~

~~— Section 28 of this bill provides that an individual has capacity to make health care decisions and make or revoke an advance health-care directive if the individual: (1) is willing and able to communicate a decision independently or with appropriate services, technological assistance, supported decision making or other reasonable accommodations; and (2) understands the nature and consequences of the action, including, with limitation, the risks and benefits of the action, or, if the individual is appointing an agent to make health care decisions for the individual, the individual recognizes the identity of the individual being appointed and understands the general nature of the relationship with the individual being appointed. Under section 29 of this bill, an individual is presumed to have capacity to make health care decisions and make or revoke an advance health-care directive, unless certain health care professionals or a court determine that the individual does not have such capacity. Sections 30 and 31 of this bill require certain notice of a finding that an individual lacks capacity, authorize an individual to object to the finding that the individual lacks capacity and authorize certain persons to petition the court to make a determination on whether the individual lacks capacity.~~

~~— Section 32 of this bill authorizes an individual to make a health care instruction which includes certain preferences regarding the health care of the individual.~~

~~— Section 33 of this bill sets forth the requirements to execute a power of attorney for health care and specifies who may not act as an agent to an individual who lacks capacity.~~

~~— Section 34 of this bill authorizes an individual to create an advance health-care directive that only addresses the mental health care of the individual. Section 35 of this bill sets forth the procedure to follow when an advance health-care directive that addresses only the mental health care of the individual conflicts with any other type of advance health-care directive.~~

~~— Section 36 of this bill sets forth the classes of persons who, in order of priority, may act as a default surrogate for an individual if the individual lacks capacity to make health care decisions and an agent or guardian has not been appointed or the agent or guardian of the individual is not willing or able to act or is not reasonably available. Section 37 of this bill sets forth the procedure a responsible health care professional is required to follow if two or more members of such a class assume authority to act as a default surrogate and the default surrogates disagree on a health care decision.~~

~~— Section 38 of this bill authorizes an individual to disqualify certain persons from acting as a default surrogate.~~

~~— Section 39 of this bill authorizes an individual, under certain circumstances, to revoke: (1) an appointment of an agent; (2) the designation of a default surrogate; or (3) a health care instruction. Section 39 also provides that: (1) a subsequent advance health-care directive revokes a prior advance health-care directive to the extent the two conflict; and (2) the appointment of a spouse or~~

~~domestic partner is revoked under certain circumstances involving annulment, divorce, dissolution of marriage, legal separation or termination of the domestic partnership.~~

~~Section 40 of this bill provides that: (1) an advance health care directive created outside of this State is valid in this State under certain circumstances; (2) a person may rely on an advance health care directive under certain circumstances; and (3) the directive may not be denied solely because the directive or the signature is in electronic form.~~

~~Section 41 of this bill provides that an agent or default surrogate has a fiduciary duty to an individual who lacks capacity and is required to make a health care decision in accordance with the direction of the individual in an advance health care directive.~~

~~Sections 42 and 43 of this bill set forth the powers and limitations of an agent or a default surrogate under an advance health care directive or court order.~~

~~Section 44 of this bill provides that under certain circumstances, two or more individuals are authorized to act as co-agents or alternate agents of an individual under an advance health care directive.~~

~~Section 45 of this bill sets forth the duties of a health care professional, a responsible health care professional and a health care institution.~~

~~Section 46 of this bill provides that: (1) a guardian may refuse to comply with or revoke the advance health care directive of the individual only if the court appointing the guardian expressly orders the noncompliance or revocation; and (2) a health care decision made by certain agents prevails over the decision of the guardian appointed for the individual, unless otherwise ordered by a court.~~

~~Section 47 of this bill provides that under certain circumstances, a health care professional, health care institution, an agent or default surrogate acting in good faith is not subject to civil or criminal liability or certain discipline.~~

~~Section 48 of this bill prohibits a person from taking certain actions concerning an advance health care directive. Section 48 additionally provides that an individual or the estate of the individual has a cause of action against a person that violates such prohibitions.~~

~~Section 49 of this bill provides that an electronic copy of an advance health care directive, a revocation of an advance health care directive or a designation or disqualification of a surrogate has the same effect as the original. Section 49 also establishes requirements for creating a certified physical copy of an advance health care directive that is in electronic form.~~

~~Section 50 of this bill provides that a court acting under this Uniform Act may only grant equitable relief, including, without limitation, a restraining order or injunction: (1) to prevent certain the implementation of a health care decision made by an agent or default surrogate that is inconsistent with the Act; (2) to prevent an agent or default surrogate from making a health care decision for an individual under certain circumstances; or (3) to order implementation of a health care decision.~~

~~— Section 51 of this bill provides that the Uniform Act does not authorize mercy killing, assisted suicide or euthanasia.~~

~~— Section 52 of this bill provides that in applying and construing the Uniform Act, a court is required to consider the promotion of uniformity of the law among jurisdictions that enact the Uniform Act.~~

~~— Sections 1, 53-59.5 and 61-79 of this bill make conforming changes to reflect the changes made in this bill and to remove and replace references to repealed sections.~~

Existing law requires the Aging and Disability Services Division of the Department of Health and Human Services to provide certain services to aging persons and persons with disabilities (Chapters 427A and 435 of NRS) Section 60 of this bill requires the Department**,** ~~**[**of Health and Human Services.**]**~~ through the ~~**[**Aging and Disability Services**]**~~ Division **,** ~~**[**of the Department,**]**~~ to conduct a program to educate and inform residents of this State concerning planning for long-term care.

Existing law sets forth provisions governing durable powers of attorney for health care decisions. (NRS 162A.700-162A.870) Under existing law, a person may create an advance health-care directive, which existing law defines as a power of attorney for health care, by using a form set forth in the Uniform Health-Care Decisions Act. (NRS 162A.715, 162A.855) Existing law also contains definitions from the Uniform Health-Care Decisions Act of "guardian," "health care" and "nursing home." Section 80.5 of this bill requests that the Guardianship Commission created by the Nevada Supreme Court: (1) examine the remaining provisions of the Uniform Act and the implementation of the Act in other jurisdictions; and (2) make recommendations to the Joint Interim Standing Committee on Health and Human Services concerning the potential enactment of the Uniform Act in this State.

~~Under Nevada law, a person may use this advance directive to provide consent or refuse to consent to future psychiatric care if the person later becomes incapable of making or communicating those decisions. By executing a durable power of attorney for health care as set forth in NRS [162A.700 to 162A.870, inclusive,] *162A.710, 162A.715, 162A.733, 162A.736, 162A.755 and 162A.855 and sections 3 to 52, inclusive, of*

~~***this act,*** the person may also appoint an agent to make decisions regarding psychiatric care for the person when incapable. A person is "incapable" for the purposes of this advance directive when in the opinion of two providers of health care, one of whom must be a physician or licensed psychologist and the other of whom must be a physician, a physician assistant, a licensed psychologist, a psychiatrist or an advanced practice registered nurse who has the psychiatric training and experience prescribed by the State Board of Nursing pursuant to NRS 632.120, the person currently lacks sufficient understanding or capacity to make or communicate decisions regarding psychiatric care. If a person is determined to be incapable, the person may be found capable when, in the opinion of the person's attending physician or an advanced practice registered nurse who has the psychiatric training and experience prescribed by the State Board of Nursing pursuant to NRS 632.120 and has an established relationship with the person, the person has regained sufficient understanding or capacity to make or communicate decisions regarding psychiatric care. This document becomes effective upon its proper execution and remains valid for a period of 2 years after the date of its execution unless revoked. Upon being presented with this advance directive, the physician or other provider of health care must make it a part of the person's medical record. The physician or other provider must act in accordance with the statements expressed in the advance directive when the person is determined to be incapable, except as otherwise provided in NRS 449A.636. The physician or other provider shall promptly notify the principal and, if applicable, the agent of the principal, and document in the principal's medical record any act or omission that is not in compliance with any part of an advance directive. A physician or other provider may rely upon the authority of a signed, witnessed, dated and notarized advance directive.~~

Assemblymember Brown-May moved that the Assembly concur in Senate Amendment No. 685 to Assembly Bill No. 461.

Motion carried by a constitutional majority.

Bill ordered to enrollment.

Assembly Bill No. 520.

The following Senate amendment was read:

Amendment No. 675.

AN ACT relating to adoption; requiring background investigations of certain persons who operate or provide services to children at a child-placing agency; ~~[requiring the maintenance of certain records of such background investigations;]~~ authorizing the disclosure of information from the State Register for Adoptions to certain persons without the consent of the natural parent under extenuating circumstances; authorizing certain persons to attend an adoption hearing by a remote- technology system under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law: (1) requires certain persons who work with children or reside in certain homes or facilities that provide services to children to undergo a background investigation; (2) prohibits a person who has been convicted of certain crimes from working or residing in such a home or facility; and (3) requires certain homes and facilities to maintain records of background investigations. (NRS 62B.260-62B.280, 424.031-424.034, 432A.170-432A.1755, 433B.183-433B.187, 449.122-449.125) Existing law defines

"child-placing agency" to mean a nonprofit corporation that places children for adoption or permanent free care. (NRS 127.220) Existing regulations: (1) require an applicant for a license to operate a child-placing agency or an employee, volunteer or independent contractor of a child-placing agency to undergo a background investigation; and (2) prohibit the director of adoption of a child-placing agency from allowing a person to provide services to children if the Division of Child and Family Services has, based on the criminal history of the person, deemed the person to be unacceptable to provide services to children. (NAC 127.140)

Sections ~~[2-5]~~ **2 and 3** of this bill: (1) codify such requirements governing child-placing agencies into existing law **:** ~~[similarly to the manner in which the requirements governing background investigations of the personnel of other homes or facilities that provide services to children are codified;]~~ and (2) additionally require such background investigations to be conducted every 5 years. Specifically, **section 2** requires the Division to: (1) investigate the background and personal history of every initial applicant for a license to operate a child-placing agency and every employee, volunteer or independent contractor of a child-placing agency; and (2) repeat such investigations every 5 years. ~~[Sections]~~ **Section 3** ~~[and 11 of this bill prescribe the procedure for conducting such an investigation. Section 3 authorizes the Division to deny an application for a license to operate a child-placing agency or suspend or revoke such a license if the Division determines that the applicant or licensee, as applicable: (1) has a substantiated history of maltreating a child that renders the person unacceptable to provide services to children; or (2) has allowed an employee, volunteer or independent contractor who has such a history or has not undergone such a background investigation to provide services to children. Section 4 prohibits an employee, volunteer or independent contractor of a child-placing agency from providing services to children under such circumstances. Section 4 also]~~ requires an applicant for a license to operate a child-placing agency ~~[or the holder of such a license to give an employee, independent contractor or volunteer who believes that the information resulting from an investigation of his or her background and criminal history is incorrect 30 days to correct the information.]~~ **and every employee, volunteer or independent contractor of the child-placing agency, for the purposes of an investigation pursuant to section 2, to submit to the Division: (1) a complete set of fingerprints; and (2) written permission authorizing the fingerprints to be submitted to the Federal Bureau of Investigation for a background check. Section 11 of this bill makes conforming changes to require the Central Repository for Nevada Records of Criminal History to conduct such background checks. Section 2** requires the Division to prescribe by regulation the conditions under which the Division may deem a person to have a substantiated history of maltreating a child that renders the person unacceptable to provide services to children. ~~[Section 5 requires an applicant for a license to operate a child-placing agency or the holder of such a license to maintain records of certain information~~

~~relating to background investigations of employees, volunteers and independent contractors and make such records available to the Division upon request. Sections~~] **Section 7** ~~[and 9]~~ of this bill ~~[prohibit]~~ **prohibits** a court from entering an order of adoption and declare any order of adoption so entered to be void if the adoption was facilitated by a child-placing agency that has failed to comply with **sections** ~~[2-5.]~~ **2 and 3. Section 9 of this bill indicates the proper placement of sections 2 and 3 in NRS. Section 10** of this bill makes certain definitions applicable to **sections** ~~[2-5.]~~ **2 and 3.**

Existing law requires the Division to maintain the State Register for Adoptions to provide information to identify adults who were adopted and certain relatives of such adults. Existing law authorizes the Division to release certain information from the State Register to adopted persons and their relatives if: (1) the natural parent of the adopted person has consented to the release; and (2) the adopted person has not requested to restrict the release of the information. (NRS 127.007) **Section 6** of this bill authorizes the Division to release such information without the written consent of the natural parent if the Division determines that extenuating circumstances exist to justify the release of the information.

Existing law authorizes the prospective adoptive parents to attend a court hearing concerning the adoption by telephone instead of in person if: (1) the prospective adoptive parents reside in another state or jurisdiction; (2) the child who is the subject of the hearing is in the custody of an agency which provides child welfare services or a child-placing agency; and (3) a representative of the agency responsible for supervising the child in the state where the child will be placed attends the hearing by telephone. (NRS 127.145) **Section 8** of this bill additionally authorizes the prospective adoptive parents and the representative of the agency responsible for supervising the child to attend a court hearing concerning the adoption by any other remote-technology system under such circumstances.

Assembly Bill No. 15.

The following Senate amendment was read:

Amendment No. 690.

AN ACT relating to Medicaid fraud; revising the authority of the Attorney General, acting through the Medicaid Fraud Control Unit, to issue subpoenas; setting forth procedures for the enforcement of such a subpoena; revising provisions governing certain actions for false or fraudulent claims; revising the penalties for failing to maintain certain records relating to Medicaid claims; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes the Medicaid Fraud Control Unit within the Office of the Attorney General as the agency responsible for the investigation and prosecution of violations or offenses relating to the State Plan for Medicaid. (NRS 228.410) In carrying out those duties and responsibilities, existing law authorizes the Attorney General, acting through the chief executive of the Medicaid Fraud Control Unit or his or her designee, to issue a subpoena for documents, records or materials. (NRS 228.411) **Section 1** of this bill additionally authorizes such a subpoena to compel a person to: (1) appear and be examined under oath; and (2) answer written interrogatories under oath. **Under section 1 the Attorney General is authorized to use any documents, records, materials, testimony or answers produced pursuant to such a subpoena in the course of a civil action involving Medicaid fraud, but prohibited from using those items in the course of a criminal action.** **Section 1** sets forth procedures by which the Attorney General may petition a court for the issuance of an order to compel compliance with such a subpoena.

Existing federal law provides financial incentives for states that enact laws establishing liability for false or fraudulent claims made to the State Plan for Medicaid. (42 U.S.C. § 1396h) To be eligible for these financial incentives, the laws of a state must contain provisions that are at least as effective at rewarding and facilitating certain qui tam actions for false or fraudulent claims as those described in the federal False Claims Act. (31 U.S.C. §§ 3729-3732) Existing federal law prohibits a private person from bringing a qui tam action against a person for false or fraudulent claims if the action is based upon allegations or transactions which are the subject of a civil suit or an administrative civil money penalty proceeding in which the Federal Government is already a party. (31 U.S.C. § 3730(e)(3)) Existing state law contains similar provisions, but prohibits a private plaintiff from maintaining, rather than bringing, a qui tam action for false or fraudulent claims if the action is based upon allegations or transactions that are the subject of a civil action or administrative proceeding for a monetary penalty to which the State or political subdivision is already a party. (NRS 357.080) **Section 2** of this bill revises that prohibition, consistent with federal law, to prohibit a person from bringing, rather than maintaining, such an action under those circumstances.

Existing law makes it a gross misdemeanor for a person to intentionally fail to maintain certain records relating to a claim for payment for goods or services pursuant to the State Plan for Medicaid. (NRS 422.570) **Section 3** of this bill instead makes the punishment for such an offense: (1) a misdemeanor if the amount of the claim was less than $650; and (2) a gross misdemeanor if the amount of the claim was $650 or more.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Legislative Counsel's Digest:

Under existing law, if, after a complaint is made alleging that a child is delinquent or in need of supervision, the district attorney files a petition with the juvenile court, the juvenile court may dismiss the petition without prejudice and refer the child to a probation officer for informal supervision if: (1) the child voluntarily admits participation in the acts alleged in the complaint; and (2) the district attorney gives written approval for the placement of the child under informal supervision, if any of the acts alleged in the complaint are unlawful acts that would have constituted a gross misdemeanor or felony if committed by an adult. 3. The report required pursuant to subsection 1 must exclude any information that would lead to the identification of the parent.

4. The Division shall adopt regulations specifying the procedure and format for the provision of information pursuant to this section, which may include the provision of a summary of certain information. If a summary is provided pursuant to this section, the prospective adoptive parents of the child may also obtain the information set forth in subsection 1.

Sec. 82. *1. (b) Set aside the relinquishment of the child for adoption; or

(c) Reversed an order terminating the parental rights of the placing parent.

3. As used in this section, "placing parent" means a parent who executed a specific consent to adoption or relinquishment pursuant to this chapter.

Sec. 84. ***1. Except as otherwise provided in sections 91 to 96, inclusive, of this act, in a proceeding for adoption of a child, the court may grant a reasonable right to visit to:***

2. The agency which provides child welfare services shall in a timely and diligent manner:

(a) Schedule any evaluations necessary to identify any special needs the child may have.

(b) If it determines that the child has any special needs:

(1) Notify the prospective adoptive parents:

(I) That they may be eligible for a grant of financial assistance pursuant to this section; and

(II) The manner in which to apply for such financial assistance; and

(2) Assist the prospective adoptive parents in applying for and satisfying any other prerequisites necessary to obtain a grant of financial assistance pursuant to this section and any other relevant subsidies and services which may be available.

3. The agency which provides child welfare services may grant financial assistance for attorney's fees in the adoption proceeding, for maintenance and for preexisting physical or mental conditions to the adoptive parents of a child with special needs out of money provided for that purpose if the head of the agency which provides child welfare services or the designee has reviewed and approved in writing the grant of financial assistance.

4. The grant of financial assistance must be limited, both as to amount and duration, by agreement in writing between the agency which provides child welfare services and the prospective adoptive parents. Such an agreement must not become effective before the entry of the order of adoption.

5. Any grant of financial assistance must be reviewed and evaluated at least once annually by the agency which provides child welfare services. The evaluation must be presented for approval to the head of the agency which provides child welfare services or the designee. 3. After a hearing on the petition, the court shall vacate the order of adoption if:

(a) The petition is filed not later than 2 years following the date of the order; and

(b) The court finds by clear and convincing evidence that the parent's consent was obtained through fraud or duress.

4. When the court vacates an order of adoption under this section, the court shall also order that the parental rights of the parent whose consent the court found was obtained through fraud or duress be restored. The order restoring parental rights under this section must include a plan for the physical custody of the Indian child, whether the Indian child will be placed with an agency which provides child welfare services or with the parent.

Sec. 87. *1. If an order of adoption of an Indian child under this chapter is vacated, the court vacating the order must notify, by registered or certified mail with return receipt requested, the Indian child's former parents, prior Indian custodian, if any, and Indian tribe and the appropriate agency which provides child welfare services.*

3. An Indian child's former parent or prior Indian custodian may waive notice under this section by executing a waiver of notice in person before the court and filing the waiver with the court. Before the execution of the waiver, the court must explain to the former parent or prior Indian custodian, on the record in detail and in the language of the former parent or prior Indian custodian:

➥ The petitioner shall file a declaration of compliance, including a copy of each notice sent under this subsection, together with any return receipts or other proof of service.

7. Upon the filing of an objection to a motion made pursuant to subsection 6, the court shall fix the time for hearing on objections.

8. The court shall order the Indian child to be returned to the custody of the former parent or prior Indian custodian or restore the parental rights to the Indian child unless the court finds, by clear and convincing evidence, that the return of custody or restoration of parental rights is not in the ~~[child's]~~ best ~~[interests.]~~ interest of the child, as described in NRS 125E.230. If the court orders the Indian child to be returned to the custody of the former parent or prior Indian custodian, the court's order must include a transition plan for the physical custody of the child, which may include protective supervision.

Nothing in this section requires the agency to make a determination of law regarding the documentation provided by the petitioner.***

2. Upon receiving an ICWA compliance report, the court shall order the matter to proceed if the court finds that the petitioner satisfied the inquiry requirements under subsection 1 of NRS 125E.210 and, if applicable, the notice requirements under subsection 2 of NRS 125E.220. If the court finds that:

(a) Subject to the procedures under subsection 3 of NRS 125E.210, the child is an Indian child, the court's order under this subsection must include a finding regarding whether the proposed adoptive placement complies with the preferences under NRS 125E.350. If the court finds that the proposed adoptive placement does not comply with such preferences or that the documentation provided by the petitioner is insufficient for the court to make a finding, the court shall direct the petitioner to amend the petition to cure the deficiency or file a motion under subsection 3 of NRS 125E.350 for authority to make the placement contrary to the placement preferences under NRS 125E.350.

(b) The petitioner failed to satisfy the inquiry requirements under subsection 1 of NRS 125E.210 or, if applicable, the notice requirements under subsection 2 of NRS 125E.220, or if the documentation supplied by the petitioner is insufficient for the court to make those findings, the court shall direct the petitioner to cure the inquiry or notice deficiency and file an amended petition. If the court directs the petitioner to file an amended petition pursuant to this subsection or a motion and the petitioner fails to do so within a reasonable amount of time, the court shall order the petitioner to appear and show cause why the court should not dismiss the petition.

3. The Division shall adopt regulations providing a nonexhaustive description of the documentation that the petitioners or moving parties in proceedings under this chapter may submit to the court to document compliance with the inquiry requirements under subsection 1 of NRS

125E.210 and the notice requirements under subsection 2 of NRS 125E.220 and the placement preferences under NRS 125E.350, including, without limitation:

(a) The appropriate agency which provides child welfare services shall provide the Indian child's tribe and the proposed tribal customary adoptive parents with a written report on the Indian child, including, without limitation, to the extent not otherwise prohibited by state or federal law, the medical background, if known, of the Indian child's parents, and the Indian child's educational information, developmental history and medical background, including all known diagnostic information, current medical reports and any psychological evaluations.

(b) The court shall accept a tribal customary adoptive home study conducted by the Indian child's tribe if the home study:

(1) Includes federal criminal background checks, including reports of child abuse, that meet the standards applicable under the laws of this State for all other proposed adoptive placements;

(2) Uses the prevailing social and cultural standards of the Indian child's tribe as the standards for evaluation of the proposed adoptive placement;

(3) Includes an evaluation of the background, safety and health information of the proposed adoptive placement, including the biological, psychological and social factors of the proposed adoptive placement and assessment of the commitment, capability and suitability of the proposed adoptive placement to meet the Indian child's needs; and

(4) Except where the proposed adoptive placement is in the Indian child's current foster care placement, is completed before the placement of the Indian child in the proposed adoptive placement.

(c) Notwithstanding subsection 2, the court may not accept the tribe's order or judgment of tribal customary adoption if any adult living in the proposed adoptive placement has a felony conviction for child abuse or neglect, spousal abuse, crimes against a child, including, child pornography, or a crime involving violence. The Division shall, by regulation, define "crime involving violence" for the purpose of this paragraph. The definition must include rape, sexual assault and homicide, but must not include other physical assault or battery.

2. The court shall accept an order or judgment for tribal customary adoption that is filed by the Indian child's tribe if:

(a) The court determines that tribal customary adoption is an appropriate permanent placement option for the Indian child;

(b) The court finds that the tribal customary adoption is in the ~~[Indian child's]~~ best interest ~~[,]~~ of the child, as described in NRS 125E.230; and

(c) The order or judgment:

(1) Includes a description of the modification of the legal relationship of the Indian child's parents or Indian custodian and the Indian child, including any contact between the Indian child and the Indian child's parents or Indian custodian, responsibilities of the Indian child's parents or Indian custodian and the rights of inheritance of the parents and Indian child;

➥ The court shall afford full faith and credit to a tribal customary adoption order or judgment that is accepted under this subsection.

3. A tribal customary adoptive parent is not required to file a petition for adoption when the court accepts a tribal customary adoption order or judgment under subsection 2. The clerk of the court may not charge or collect a fee for a proceeding under this subsection.

4. After accepting a tribal customary adoption order or judgment under subsection 2, the court that accepted the order or judgment shall proceed as provided in section 79 of this act and enter an order of adoption. In addition to the requirements under section 80 of this act, the order of adoption must include a statement that any parental rights or obligations not specified in the order are transferred to the tribal customary adoptive parents and a description of any parental rights or duties retained by the Indian child's parents, the rights of inheritance of the parents and the Indian child and the Indian child's legal relationship with the child's tribe.

5. A tribal customary adoption under this section does not require the consent of the Indian child or the child's parents.

6. Upon the court's entry of an order of adoption under this section, the court's jurisdiction over the Indian child terminates.

7. Any parental rights or obligations not specifically retained by the Indian child's parents in the order of adoption are conclusively presumed to transfer to the tribal customary adoptive parents.

8. This section remains operative only to the extent that compliance with the provisions of this section do not conflict with federal law as a condition of receiving funding under Title IV-E of the Social Security Act, 42 U.S.C. §§ 601 et seq.

9. The Division shall adopt regulations requiring that any report regarding a ward who is an Indian child that an agency which provides child welfare services submits to the court, including any home studies, placement reports or other reports required by law must address tribal customary adoptions as a permanency option. The Supreme Court may adopt rules necessary for the court process to implement the provisions of this section, and the court administrator may prepare necessary forms for the implementation of this section.

10. As used in this section, "tribal customary adoption" means the adoption of an Indian child, by and through the tribal custom, traditions or law of the child's tribe, and which may be effected without the termination of parental rights.

If a parent or adoptive parent refuses or fails to include such an address in an agreement that provides for postadoptive contact, the court may, on the date on which the court enters an order of adoption which incorporates the agreement, order the agency which provides child welfare services to provide the court with the contact information of the parent or adoptive parent who refused or failed to include the address. If a court so orders, the court shall:

(a) The child reaches 18 years of age;

Sec. 92. *1. Each prospective adoptive parent of a child to be adopted who enters into an agreement that provides for postadoptive contact pursuant to section 91 of this act shall notify the court responsible for entering the order of adoption of the child of the existence of the agreement as soon as practicable after the agreement is established, but not later than the time at which the court enters the order of adoption of the child.*

(b) Attorney representing a prospective adoptive parent, the child and the agency which provides child welfare services in the adoption proceedings concerning the child,

have entered into an agreement that provides for postadoptive contact pursuant to section 91 of this act.

2. If the court determines that the prospective adoptive parent or parents and the parent or parents have entered into an agreement that provides for postadoptive contact, the court shall:

(a) Order the prospective adoptive parent or parents to provide a copy of the agreement to the court; and

(b) During the period set forth in subsection 2 of section 95 of this act, petition the court that entered the order of adoption of the child to enforce the terms of the agreement that provides for postadoptive contact if the agreement complies with the requirements of subsection 2 of section 91 of this act.

2. An adoptive parent who has entered into an agreement that provides for postadoptive contact pursuant to section 91 of this act may:

(a) During the period set forth in subsection 2 of section 95 of this act, petition the court that entered the order of adoption of the child to enforce the terms of the agreement that provides for postadoptive contact if the agreement complies with the requirements of subsection 2 of section 91 of this act; and

(b) Petition the court that entered the order of adoption of the child to modify or terminate the agreement that provides for postadoptive contact in the manner set forth in section 96 of this act.

3. A petition filed pursuant to this section must be:

Sec. 95. *1. Failure to comply with the terms of an agreement that provides for postadoptive contact entered into pursuant to section 91 of this act may not be used as a ground to:*

(a) Set aside an order of adoption;

(b) Revoke, nullify or set aside a valid specific consent to adoption or relinquishment; or

(c) Except as otherwise provided in NRS 41.509, award any civil damages to a party to the agreement.

2. Any action to enforce the terms of an agreement that provides for postadoptive contact must be commenced not later than 120 days after the date on which the agreement was breached.

Sec. 96. *1. An agreement that provides for postadoptive contact entered into pursuant to section 91 of this act may only be modified or terminated by an adoptive parent petitioning the court that entered the order which included the agreement. The court may grant a request to modify or terminate the agreement only if:*

(1) A change in circumstances warrants the modification or termination; and

(2) The contact provided for in the agreement is no longer in the best interest of the child; or

(b) Each party to the agreement consents to the modification or termination.

2. If an adoptive parent petitions the court for a modification or termination of an agreement pursuant to this section:

3. Any order issued pursuant to this section to modify an agreement that provides for postadoptive contact:

(a) May limit, restrict, condition or decrease contact between the parties involved in the agreement; and

2. Each agency which provides child welfare services shall conform to the standards established and the regulations adopted pursuant to subsection 1.

Sec. 99. *1. Except as otherwise provided in this section:*

(a) In a county whose population is less than 100,000, the Division shall, in accordance with NRS 432.014; and

(b) In a county whose population is 100,000 or more, the board of the county commissioners of the county shall, by ordinance,

➥ charge reasonable fees for the services provided by an agency which provides child welfare services in placing, arranging the placement of or assisting in the placing or arranging the placement of any child for adoption and for conducting any investigation required by section 100 of this act.

2. The fees charged for those services must vary based on criteria developed by the Division and board of county commissioners but must not exceed the usual and customary fees that child-placing agencies in the area where the services provided, or in a similar geographic area, would charge for those services. The Division and board of county commissioners shall not discriminate between adoptions made through an agency and specific adoptions in setting their fees.

3. A fee must not be charged for services related to adoption of a child with special needs.

4. An agency which provides child welfare services may waive or reduce any fee charged pursuant to this section if the agency which provides child welfare services determines that the adoptive parents are not able to pay the fee or the needs of the child require a waiver or reduction of the fee.

5. Any money collected by an agency which provides child welfare services in a county whose population is less than 100,000 pursuant to this section must be accounted for in the appropriate account of the Division and may be used only to pay for the costs of any adoptive or postadoptive services provided by any agency which provides child welfare services in a county whose population is less than 100,000.

Sec. 100. *1. The agency which provides child welfare services shall complete a home study that investigates the medical, mental, financial and moral backgrounds of the prospective adoptive parents to determine the suitability of the home for placement of the child for adoption. The investigation must also embrace any other relevant factor relating to the qualifications of the prospective adoptive parent or parents.*

2. If the placement is to be made in a home outside of this State, the agency which provides child welfare services must receive a copy of a report, completed by the appropriate authority, of an investigation of the home and the medical, mental, financial and moral backgrounds of the prospective adoptive parent or parents to determine the suitability of the home for placement of the child for adoption.

Sec. 101. *1. A prospective adoptive parent who is subject to a home study by the agency which provides child welfare services must submit as part of the investigation a complete set of fingerprints and written permission authorizing the agency which provides child welfare services to forward those fingerprints to the Central Repository for Nevada Records of Criminal History for submission to the Federal Bureau of Investigation.*

2. The agency which provides child welfare services may exchange with the Central Repository or the Federal Bureau of Investigation any information respecting the fingerprints submitted.

3. When a report from the Federal Bureau of Investigation is received by the Central Repository, it shall immediately forward a copy of the report to the agency which provides child welfare services that submitted the fingerprints.

4. Any fees for fingerprinting and submission to the Central Repository and the Federal Bureau of Investigation must be paid by the prospective adoptive parent, except that:

(a) In a county whose population is less than 100,000, the Division may adopt regulations providing for the payment of those fees by the Division; or

(b) In a county whose population is 100,000 or more, the board of county commissioners may provide by ordinance for the payment of those fees by the agency which provides child welfare services.

Sec. 102. *1. The Division, in consultation with each agency which provides child welfare services, shall adopt regulations setting forth the criteria to be used by an agency which provides child welfare services for determining whether a prospective adoptive home is suitable or unsuitable for the placement of a child for adoption.*

2. Upon the completion of a home study conducted by an agency which provides child welfare services pursuant to section 100 of this act, the agency which provides child welfare services shall inform the prospective adoptive

parent or parents of the results of the home study. If, pursuant to the home study, a determination is made that a prospective adoptive home is unsuitable for placement or detrimental to the interest of the child, the agency which provides child welfare services shall provide the prospective adoptive parent or parents with an opportunity to review and respond to the home study with the agency which provides child welfare services before the issuance of the results of the home study. Except as otherwise provided in NRS 239.0115, the identity of those persons who are interviewed or submit information concerning the home study must remain confidential.

3. An agency which provides child welfare services shall not determine that a prospective adoptive home is unsuitable for placement or detrimental to the interest of the child solely because the prospective adoptive parent or parents:

(a) Are deaf, are blind or have another physical disability; or

(b) Are the holders of a valid registry identification card.

Sec. 103. *1. Whenever the agency which provides child welfare services believes that anyone has violated or is about to violate any of the provisions of this chapter, in addition to any other penalty or remedy provided:*

(a) The agency which provides child welfare services may petition the appropriate district court for an order to restrain and enjoin the violation or threatened violation of any of the provisions of this chapter, or to compel compliance with the provisions of this chapter; and

(b) The court shall, if a child has been or was about to be placed in a prospective adoptive home in violation of the provisions of this chapter ~~[prohibit]~~ :

(1) Prohibit the placement if the child was about to be so placed ; ~~[,]~~ or ~~[order]~~

(2) Order the removal of the child if the child was so placed within 6 months before the filing of the petition by the agency which provides child welfare services ~~[.]~~ and the court determines that it is in the best interest of the child for the child to be removed from the prospective adoptive home.

2. Whenever the agency which provides child welfare services believes that a person has received for the purpose of adoption a child not related by blood, and the required written notice has not been given, if the agency which provides child welfare services does not proceed pursuant to subsection 1, it shall make an investigation. Upon completion of the investigation, if the home is found suitable for the child, the prospective adoptive parents must be allowed 6 months from the date of completion of the investigation to file a petition for adoption. If a petition for adoption is not filed within that time a license as a foster home must thereafter be issued pursuant to NRS 424.030 if the home meets the established standards. If, in the opinion of the agency which provides child welfare services, the placement is detrimental to the interest of the child, the agency which

provides child welfare services shall file an application with the district court for an order for the removal of the child from the home.

Sec. 104. *An agency which provides child welfare services shall, to the extent practicable, give preference to the placement of a child for adoption together with the siblings of the child.*

Sec. 105. *1. If a child who is in the custody of an agency which provides child welfare services is placed for adoption, the agency must provide the court which is conducting the adoption proceedings with a copy of any order for visitation with a sibling of the child that was issued pursuant to NRS 432B.580.*

2. The court shall incorporate an order for visitation provided to the court pursuant to subsection 1 into the order of adoption unless, not later than 30 days after notice of the filing of the petition for adoption is provided to all legal custodians or guardians of the child who are required to be provided with such notice pursuant to section 76 of this act, any interested party in the adoption, including, without limitation, the prospective adoptive parent, the adoptive child, a sibling of the adoptive child, the agency which provides child welfare services petitions the court to exclude the order of visitation with a sibling from the order of adoption or amend the order for visitation before including the order in the order of adoption.

3. The hearing on a petition submitted pursuant to subsection 2 must be held on the same date as the hearing on the petition for adoption. Any interested party is entitled to participate in the hearing. The clerk of the court shall give written notice of the time and place of the hearing to the prospective adoptive parent, the adoptive child, a sibling of the adoptive child, the attorney for the adoptive child or a sibling of the adoptive child and the agency which provides child welfare services. Upon the petition of a sibling requesting the inclusion of an order for visitation in the order of adoption, the court may require the agency which provides child welfare services to provide the clerk of the court with the contact information of the prospective adoptive parent, the adoptive child and the attorney for the adoptive child. If so ordered, the agency which provides child welfare services must provide such contact information under seal.

4. The sole consideration of the court in making a determination concerning visitation with a sibling pursuant to this section is the best interest of the child. If a petition is submitted pursuant to subsection 2, the court must not enter an order of adoption until the court has made a determination concerning visitation with a sibling.

5. If an order for visitation with a sibling is included in an order of adoption, the court shall, upon the request of a party to the order, provide to the party the case number of the adoption proceeding and any documents or records necessary to enforce, modify or terminate the order.

6. A party to an order for visitation may petition for enforcement of the order at any time while the order is in effect. A person who fails to comply with the order is in contempt of court. If a party to an order for visitation

withholds the contact information of any person in violation of the order, the court may order the agency which provides child welfare services to provide such contact information to the court under seal.

When determining whether the best interest of the child warrants the granting of a petition that is filed by a prospective adoptive parent, the court shall give strong consideration to the emotional bond between the child and the prospective adoptive parent. 2. The notice required under subsection 1 must:

3. An Indian child's former parent or prior Indian custodian may waive notice under this section by executing a waiver of notice in person before the court and filing the waiver with the court. The waiver must clearly set out any conditions to the waiver. Before the execution of the waiver, the court must explain to the former parent or prior Indian custodian, on the record in detail and in the language of the former parent or prior Indian custodian:

(a) The former parent's right to legal counsel, if applicable;

(b) The terms and consequences of the waiver; and

(c) How the waiver may be revoked.

4. After execution of the waiver pursuant to subsection 3, the court shall certify that it provided the explanation as required under subsection 3 and that the former parent or prior Indian custodian fully understood the explanation.

5. At any time before the entry of an order of adoption of an Indian child, the former parent or prior Indian custodian may revoke a waiver executed by the former parent or prior Indian custodian pursuant to subsection 3 by filing a written revocation with the court or by making a statement of revocation on the record in a proceeding for the adoption of the Indian child.

6. If an order of adoption of an Indian child under this chapter is vacated other than as provided in NRS 125E.360, an Indian child's former parent or prior Indian custodian may intervene in the proceeding and move

The moving party shall provide by registered or certified mail, return receipt requested, notice of the motion for the Indian child to be returned to the custody of the former parent or prior Indian custodian and the time set for filing objections to the motion, together with notice of proceeding in the form required under subsection 3 of NRS 125E.220 to:

7. Upon the filing of an objection to a motion made pursuant to subsection 6, the court shall fix the time for hearing on objections.

8. The court shall order the Indian child to be returned to the custody of the former parent or prior Indian custodian or restore the parental rights to the Indian child unless the court finds, by clear and convincing evidence, that the return of custody or restoration of parental rights is not in the ~~[child's]~~ best ~~[interests.]~~ interest of the child, as described in NRS 125E.230. If the court orders the Indian child to be returned to the custody of the former parent or prior Indian custodian, the court's order must include a transition plan for the physical custody of the child, which may include protective supervision.

(a) The child reaches 18 years of age;

(b) The child becomes emancipated; or

(c) The agreement is terminated.

7. The establishment of an agreement that provides for postadoptive contact does not affect the rights of an adoptive parent as the legal parent of the child as set forth in section 38 of this act.

Sec. 148. *1. Each prospective adoptive parent of a child to be adopted who enters into an agreement that provides for postadoptive contact pursuant to section 147 of this act shall notify the court responsible for entering the order of adoption of the child of the existence of the agreement as soon as practicable after the agreement is established, but not later than the time at which the court enters the order of adoption of the child.*

(b) During the period set forth in subsection 2 of section 151 of this act, petition the court that entered the order of adoption of the child to enforce the terms of the agreement that provides for postadoptive contact if the agreement complies with the requirements of subsection 2 of section 147 of this act.

2. An adoptive parent who has entered into an agreement that provides for postadoptive contact pursuant to section 147 of this act may:

Sec. 230. NRS 432B.393 is hereby amended to read as follows:

432B.393 1. Except as otherwise provided in this section, an agency which provides child welfare services shall make reasonable efforts to preserve and reunify the family of a child:

(a) Before the placement of the child in foster care, to prevent or eliminate the need to remove the child from the home; and

(b) To make it possible for the safe return of the child to the home.

2. In determining the reasonable efforts required by subsection 1, the health and safety of the child must be the paramount concern. The agency

which provides child welfare services may make reasonable efforts to place the child for adoption or with a legal guardian concurrently with making the reasonable efforts required pursuant to subsection 1. If the court determines that continuation of the reasonable efforts required by subsection 1 is inconsistent with the plan for the permanent placement of the child, the agency which provides child welfare services shall make reasonable efforts to place the child in a timely manner in accordance with that plan and to complete whatever actions are necessary to finalize the permanent placement of the child.

3. An agency which provides child welfare services is not required to make the reasonable efforts required by subsection 1 if the court finds that:

(a) A parent or other person responsible for the child's welfare has:

(1) Committed, aided or abetted in the commission of, or attempted, conspired or solicited to commit murder or voluntary manslaughter;

(2) Caused the abuse or neglect of the child, or of another child of the parent or other person responsible for the child's welfare, which resulted in substantial bodily harm to the abused or neglected child;

(3) Caused the abuse or neglect of the child, a sibling of the child or another child in the household, and the abuse or neglect was so extreme or repetitious as to indicate that any plan to return the child to the home would result in an unacceptable risk to the health or welfare of the child; or

(4) Abandoned the child for 60 or more days, and the identity of the parent of the child is unknown and cannot be ascertained through reasonable efforts;

(b) A parent of the child has, for the previous 6 months, had the ability to contact or communicate with the child and made no more than token efforts to do so;

(c) The parental rights of a parent to a sibling of the child have been terminated by a court order upon any basis other than the execution of a voluntary relinquishment of those rights by a natural parent, and the court order is not currently being appealed;

(d) The child or a sibling of the child was previously removed from the home, adjudicated to have been abused or neglected, returned to the home and subsequently removed from the home as a result of additional abuse or neglect;

(e) The child is less than 1 year of age, the father of the child is not married to the mother of the child and the father of the child:

(1) Has failed within 60 days after learning of the birth of the child, to visit the child, to commence proceedings to establish his paternity of the child or to provide financial support for the child; or

(2) Is entitled to seek custody of the child but fails to do so within 60 days after learning that the child was placed in foster care;

(f) The child was delivered to a provider of emergency services pursuant to NRS 432B.630;

(g) The child, a sibling of the child or another child in the household has been sexually abused or has been subjected to neglect by pervasive instances of failure to protect the child from sexual abuse; or

(h) A parent of the child is required to register as a sex offender pursuant to the provisions of chapter 179D of NRS or the provisions of the federal Adam Walsh Child Protection and Safety Act of 2006, 34 U.S.C. §§ 20901 et seq.

4. Except as otherwise provided in subsection 6, for the purposes of this section, unless the context otherwise requires, "reasonable efforts" have been made if an agency which provides child welfare services to children with legal custody of a child has exercised diligence and care in arranging appropriate, accessible and available services that are designed to improve the ability of a family to provide a safe and stable home for each child in the family, with the health and safety of the child as its paramount concerns. The exercise of such diligence and care includes, without limitation, obtaining necessary and appropriate information concerning the child for the purposes of NRS 127.152, 127.410 and 424.038 ***, and section 81 of this act,*** and, if necessary, creating an in-home safety plan for the protection of the child.

5. In determining whether reasonable efforts have been made pursuant to subsection 4, the court shall:

(a) Evaluate the evidence and make findings based on whether a reasonable person would conclude that reasonable efforts were made;

(b) Consider any input from the child;

(c) Consider the efforts made and the evidence presented since the previous finding of the court concerning reasonable efforts;

(d) Consider the diligence and care that the agency is legally authorized and able to exercise, including, without limitation, the efforts to create an in-home safety plan;

(e) Recognize and take into consideration the legal obligations of the agency to comply with any applicable laws and regulations;

(f) Base its determination on the circumstances and facts concerning the particular family or plan for the permanent placement of the child at issue;

(g) Consider whether any of the efforts made were contrary to the health and safety of the child;

(h) Consider the efforts made, if any, to prevent the need to remove the child from the home and to finalize the plan for the permanent placement of the child;

(i) Consider whether the provisions of subsection 6 are applicable; and

(j) Consider any other matters the court deems relevant.

6. An agency which provides child welfare services may satisfy the requirement of making reasonable efforts pursuant to this section by taking no action concerning a child or making no effort to provide services to a child if it is reasonable, under the circumstances, to do so.

7. In determining whether reasonable efforts are not required pursuant to subsection 3 or whether reasonable efforts have been made pursuant to subsection 4, the court shall ensure that each determination is:

(a) Made by the court on a case-by-case basis;

(b) Based upon specific evidence; and

(c) Expressly stated by the court in its order.

8. As used in this section, "in-home safety plan" means a plan created by an agency which provides child welfare services to ensure the protection of a child in ~~[his or her]~~ ***the*** home, including, without limitation, determining any vulnerabilities of the child, managing any potential threats to the safety of the child and determining the capacity of the person responsible for the welfare of the child to care for the child.

Sec. 231. NRS 432B.397 is hereby amended to read as follows:

432B.397 1. The agency which provides child welfare services for a child that is taken into custody pursuant to this chapter shall make all necessary inquiries in accordance with subsection 1 of NRS 125E.210 to determine whether there is reason to know that the child is an Indian child. The agency shall report that determination to the court.

Except as otherwise provided in this section and NRS 432B.513, if a child is placed pursuant to NRS 432B.550 other than with a parent, the placement must be reviewed by the court at least semiannually, and within 90 days after a request by a party to any of the prior proceedings. Unless the parent, guardian or the custodian objects to the referral, the court may enter an order directing that the placement be reviewed by a panel appointed pursuant to NRS 432B.585.

2. An agency acting as the custodian of the child shall, before any hearing for review of the placement of a child, submit a report to the court, or to the panel if it has been designated to review the matter, which includes:

If the child was delivered to a provider of emergency services pursuant to NRS 432B.630 and the parent has not appeared in the action, the report need not be sent to that parent.

4. After a plan for visitation between a child and the siblings of the child submitted pursuant to subparagraph (4) of paragraph (b) of subsection 2 has

been approved by the court, the agency which provides child welfare services must request the court to issue an order requiring the visitation set forth in the plan for visitation. Upon the issuance of such an order, the court shall provide each sibling of the child with the case number of the proceeding for the purpose of allowing the sibling to petition the court for visitation or enforcement of the order for visitation. If a person refuses to comply with or disobeys an order issued pursuant to this subsection, the person may be punished as for a contempt of court.

5. The court or the panel shall hold a hearing to review the placement, unless the parent, guardian or custodian files a motion with the court to dispense with the hearing. If the motion is granted, the court or panel may make its determination from any report, statement or other information submitted to it.

Assembly Bill No. 283.

The following Senate amendment was read:

Amendment No. 609.

AN ACT relating to property; revising provisions relating to summary evictions; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

In general, existing law authorizes a landlord who seeks to recover possession of a premises from a tenant to do so by filing an unlawful detainer action or an action for summary eviction. (NRS 40.253, 40.254, 40.2542, 40.290-40.420) Existing law prescribes separate summary eviction procedures for the summary eviction of: (1) certain tenants who are not tenants of a commercial premises and who default in the payment of rent; (2) certain tenants who are guilty of unlawful detainer for reasons other than a default in the payment of rent; and (3) certain tenants of a commercial premises who default in the payment of rent. (NRS 40.253, 40.254, 40.2542)

In general, the summary eviction procedures prescribed by existing law require a landlord to provide certain written notice to a tenant: (1) informing the tenant that he or she must take certain action or surrender the premises on or before a date specified in the notice; and (2) advising the tenant of his or her right to contest the matter by filing an affidavit with the court that has jurisdiction over the matter. In so doing, the summary eviction procedures prescribed by existing law require a tenant who contests a summary eviction to file an affidavit in court concerning an action for summary eviction before a landlord is required to make any filing concerning the matter. If such an affidavit is filed, a hearing is held. If no such affidavit is filed, upon noncompliance of a tenant with the written notice, existing law authorizes: (1) the landlord to apply by affidavit of complaint for the summary eviction of the tenant; and (2) the court, without holding a hearing, to order the removal of the tenant within a prescribed period. (NRS 40.253, 40.254, 40.2542)

Section 20 of this bill repeals the summary eviction procedures prescribed by existing law for the summary eviction of: (1) certain tenants who are not tenants of a commercial premises and who default in the payment of rent; and (2) certain tenants who are guilty of unlawful detainer for reasons other than a default in the payment of rent. **Sections 2-6** of this bill reenact, reorganize and revise these procedures. **Section 2** establishes a new procedure for the summary eviction of certain tenants who are not tenants of a commercial premises and who default in the payment of rent. **Section 6** establishes a new procedure for the summary eviction of certain tenants who are guilty of unlawful detainer for reasons other than a default in the payment of rent.

The new procedures for summary eviction set forth in **sections 2 and 6** are similar to the procedures repealed by **section 20** except with regard to: (1) the required contents of a written notice; (2) certain requirements relating to filings made with the court; and (3) the period before the removal of a tenant. Instead of requiring a tenant who contests a summary eviction to file an affidavit in court before the landlord files a complaint, **sections 2 and 6** require the landlord, upon the expiration of certain notice provided to the tenant, to: (1) apply by affidavit of complaint for the summary eviction of the tenant; and (2) serve the tenant with a file-stamped copy of the affidavit of complaint and a copy of the summons. **Sections 2 and 6** additionally require the landlord to file with the court proof of service of the affidavit, summons and notice within

a prescribed period. **Sections 2 and 6** require the tenant to file an answer to the affidavit of complaint within 7 judicial days after the date of service. If a tenant files an answer within the prescribed period, a hearing is held. If no such answer is filed, **sections 2 and 6** authorize the court, without holding a hearing, to order the removal of the tenant within a prescribed period under certain circumstances. **Sections 7-18** of this bill make conforming changes relating to the repeal, revision and reorganization of the procedures for summary eviction.

Existing law requires a court that grants an action for summary eviction for a default in the payment of rent during the COVID-19 emergency to automatically seal the eviction case court file. (NRS 40.2545) **Section 9** removes requirements relating to the COVID-19 emergency. **Section 9** also requires a court to automatically seal the eviction case court file for an action for summary eviction brought pursuant to **section 2 or 6** under certain circumstances. **Section 19** of this bill makes the amendatory provisions of **sections 2-18** applicable to an action for summary eviction which accrues on or after October 1, 2025.

TEXT OF REPEALED SECTIONS

40.253 Unlawful detainer: Supplemental remedy of summary eviction and exclusion of tenant for default in payment of rent.

1. Except as otherwise provided in subsection 12, in addition to the remedy provided in NRS 40.2512 and 40.290 to 40.420, inclusive, when the tenant of any dwelling, apartment, mobile home or recreational vehicle with periodic rent reserved by the month or any shorter period is in default in payment of the rent, the landlord or the landlord's agent may cause to be served a notice in writing, requiring in the alternative the payment of the rent or the surrender of the premises:

(a) Before the close of business on the seventh judicial day following the day of service; or

(b) If the landlord chooses not to proceed in the manner set forth in paragraph (a) and the rent is reserved by a period of 1 week or less and the tenancy has not continued for more than 45 days, at or before noon of the fourth full day following the day of service.

➥ As used in this subsection, "day of service" means the day the landlord or the landlord's agent personally delivers the notice to the tenant. If personal service was not so delivered, the "day of service" means the day the notice is delivered, after posting and mailing pursuant to subsection 2, to the sheriff or constable for service if the request for service is made before noon. If the request for service by the sheriff or constable is made after noon, the "day of service" shall be deemed to be the day next following the day that the request is made for service by the sheriff or constable.

2. A landlord or the landlord's agent who serves a notice to a tenant pursuant to paragraph (b) of subsection 1 shall attempt to deliver the notice in person in the manner set forth in subsection 2 of NRS 40.2542. If the notice cannot be delivered in person, the landlord or the landlord's agent:

(a) Shall post a copy of the notice in a conspicuous place on the premises and mail the notice by overnight mail; and

(b) After the notice has been posted and mailed, may deliver the notice to the sheriff or constable for service in the manner set forth in subsection 1 of NRS 40.280. The sheriff or constable shall not accept the notice for service unless it is accompanied by written evidence, signed by the tenant when the tenant took possession of the premises, that the landlord or the landlord's agent informed the tenant of the provisions of this section which set forth the lawful procedures for eviction from a short-term tenancy. Upon acceptance, the sheriff or constable shall serve the notice within 48 hours after the request for service was made by the landlord or the landlord's agent.

3. A notice served pursuant to subsection 1 or 2 must:

(a) Identify the court that has jurisdiction over the matter; and

(b) Advise the tenant:

(1) Of the tenant's right to contest the matter by filing, within the time specified in subsection 1 for the payment of the rent or surrender of the premises, an affidavit with the court that has jurisdiction over the matter stating that the tenant has tendered payment or is not in default in the payment of the rent;

(2) That if the court determines that the tenant is guilty of an unlawful detainer, the court may issue a summary order for removal of the tenant or an order providing for the nonadmittance of the tenant, directing the sheriff or constable of the county to post the order in a conspicuous place on the premises not later than 24 hours after the order is received by the sheriff or constable. The sheriff or constable shall remove the tenant not earlier than 24 hours but not later than 36 hours after the posting of the order; and

(3) That, pursuant to NRS 118A.390, a tenant may seek relief if a landlord unlawfully removes the tenant from the premises or excludes the tenant by blocking or attempting to block the tenant's entry upon the premises or willfully interrupts or causes or permits the interruption of an essential service required by the rental agreement or chapter 118A of NRS.

4. If the tenant files such an affidavit at or before the time stated in the notice, the landlord or the landlord's agent, after receipt of a file-stamped copy of the affidavit which was filed, shall not provide for the nonadmittance of the tenant to the premises by locking or otherwise.

5. Upon noncompliance with the notice:

(a) The landlord or the landlord's agent may apply by affidavit of complaint for eviction to the justice court of the township in which the dwelling, apartment, mobile home or recreational vehicle are located or to the district court of the county in which the dwelling, apartment, mobile home or recreational vehicle are located, whichever has jurisdiction over the matter. The court may thereupon issue an order directing the sheriff or constable of the county to post the order in a conspicuous place on the premises not later than 24 hours after the order is received by the sheriff or constable. The sheriff or constable shall remove the tenant not earlier than 24 hours but not later than 36 hours after the posting of the order. The affidavit must state or contain:

(1) The date the tenancy commenced.

(2) The amount of periodic rent reserved.

(3) The amounts of any cleaning, security or rent deposits paid in advance, in excess of the first month's rent, by the tenant.

(4) The date the rental payments became delinquent.

(5) The length of time the tenant has remained in possession without paying rent.

(6) The amount of rent claimed due and delinquent.

(7) A statement that the written notice was served on the tenant in accordance with NRS 40.280.

(8) A copy of the written notice served on the tenant.

(9) A copy of the signed written rental agreement, if any.

(b) Except when the tenant has timely filed the affidavit described in subsection 3 and a file-stamped copy of it has been received by the landlord or the landlord's agent, and except when the landlord is prohibited pursuant to NRS 118A.480, the landlord or the landlord's agent may, in a peaceable manner, provide for the nonadmittance of the tenant to the premises by locking or otherwise.

6. Upon the filing by the tenant of the affidavit permitted in subsection 3, regardless of the information contained in the affidavit, and the filing by the landlord of the affidavit permitted by subsection 5, the justice court or the district court shall hold a hearing, after service of notice of the hearing upon the parties, to determine the truthfulness and sufficiency of any affidavit or notice provided for in this section. If the court determines that there is no legal defense as to the alleged unlawful detainer and the tenant is guilty of an

unlawful detainer, the court may issue a summary order for removal of the tenant or an order providing for the nonadmittance of the tenant. If the court determines that there is a legal defense as to the alleged unlawful detainer, the court shall refuse to grant either party any relief, and, except as otherwise provided in this subsection, shall require that any further proceedings be conducted pursuant to NRS 40.290 to 40.420, inclusive. The issuance of a summary order for removal of the tenant does not preclude an action by the tenant for any damages or other relief to which the tenant may be entitled. If the alleged unlawful detainer was based upon subsection 5 of NRS 40.2514, the refusal by the court to grant relief does not preclude the landlord thereafter from pursuing an action for unlawful detainer in accordance with NRS 40.251.

7. The tenant may, upon payment of the appropriate fees relating to the filing and service of a motion, file a motion with the court, on a form provided by the clerk of the court, to dispute the amount of the costs, if any, claimed by the landlord pursuant to NRS 118A.460 for the inventory, moving and storage of personal property left on the premises. The motion must be filed within 20 days after the summary order for removal of the tenant or the abandonment of the premises by the tenant, or within 20 days after:

(a) The tenant has vacated or been removed from the premises; and

(b) A copy of those charges has been requested by or provided to the tenant, ➥ whichever is later.

8. Upon the filing of a motion pursuant to subsection 7, the court shall schedule a hearing on the motion. The hearing must be held within 10 days after the filing of the motion. The court shall affix the date of the hearing to the motion and order a copy served upon the landlord by the sheriff, constable or other process server. At the hearing, the court may:

(a) Determine the costs, if any, claimed by the landlord pursuant to NRS 118A.460 and any accumulating daily costs; and

(b) Order the release of the tenant's property upon the payment of the charges determined to be due or if no charges are determined to be due.

9. The tenant may, upon payment of the appropriate fees relating to the filing and service of a motion, file a motion with the court on a form provided by the clerk of court to dispute the reasonableness of the actions of a landlord pursuant to subsection 3 of NRS 118A.460. The motion must be filed within 5 days after the tenant has vacated or been removed from the premises. Upon the filing of a motion pursuant to this subsection, the court shall schedule a hearing on the motion. The hearing must be held within 5 days after the filing of the motion. The court shall affix the date of the hearing to the motion and order a copy served upon the landlord by the sheriff, constable or other process server. At the hearing, the court may:

(a) Order the landlord to allow the retrieval of the tenant's essential personal effects at the date and time and for a period necessary for the retrieval, as determined by the court; and

(b) Award damages in an amount not greater than $2,500.

10. In determining the amount of damages, if any, to be awarded under paragraph (b) of subsection 9, the court shall consider:

(a) Whether the landlord acted in good faith;

(b) The course of conduct between the landlord and the tenant; and

(c) The degree of harm to the tenant caused by the landlord's conduct.

11. A landlord shall not refuse to accept rent from a tenant that is submitted after the landlord or the landlord's agent has served or had served a notice pursuant to subsection 1 if the refusal is based on the fact that the tenant has not paid collection fees, attorney's fees or other costs other than rent, a reasonable charge for late payments of rent or dishonored checks, or a security deposit. As used in this subsection, "security deposit" has the meaning ascribed to it in NRS 118A.240.

12. Except as otherwise provided in NRS 118A.315, this section does not apply to:

(a) The tenant of a mobile home lot in a mobile home park or to the tenant of a recreational vehicle lot in an area of a mobile home park in this State other than an area designated as a recreational vehicle lot pursuant to the provisions of subsection 8 of NRS 40.215.

(b) A tenant who provides proof to the landlord that he or she is a federal worker, tribal worker, state worker or household member of such a worker during a shutdown.

13. As used in this section, "close of business" means the close of business of the court that has jurisdiction over the matter.

40.254 Unlawful detainer: Supplemental remedy of summary eviction and exclusion of tenant from certain types of property.

1. Except as otherwise provided by specific statute, in addition to the remedy provided in NRS 40.290 to 40.420, inclusive, when the tenant of a dwelling unit, part of a low-rent housing program operated by a public housing authority, a mobile home or a recreational vehicle is guilty of an unlawful detainer pursuant to NRS 40.250, 40.251, 40.2514 or 40.2516, the landlord or the landlord's agent may utilize the summary procedures for eviction as provided in NRS 40.253 except that written notice to surrender the premises must:

(a) Be given to the tenant in accordance with the provisions of NRS 40.280;

(b) Advise the tenant of the court that has jurisdiction over the matter; and

(c) Advise the tenant of the tenant's right to:

(1) Contest the notice by filing before the court's close of business on the fifth judicial day after the day of service of the notice an affidavit with the court that has jurisdiction over the matter stating the reasons why the tenant is not guilty of an unlawful detainer; or

(2) Request that the court stay the execution of the order for removal of the tenant or order providing for nonadmittance of the tenant for a period not exceeding 10 days pursuant to subsection 2 of NRS 70.010, stating the reasons why such a stay is warranted.

2. The affidavit of the landlord or the landlord's agent submitted to the justice court or the district court must state or contain:

(a) The date when the tenancy commenced, the term of the tenancy and, if any, a copy of the rental agreement. If the rental agreement has been lost or destroyed, the landlord or the landlord's agent may attach an affidavit or declaration, signed under penalty of perjury, stating such loss or destruction.

(b) The date when the tenancy or rental agreement allegedly terminated.

(c) The date when written notice to surrender was given to the tenant pursuant to the provisions of NRS 40.251, 40.2514 or 40.2516, together with any facts supporting the notice.

(d) The date when the written notice was given, a copy of the notice and a statement that notice was served in accordance with NRS 40.280 and, if applicable, a copy of the notice of change of ownership served on the tenant pursuant to NRS 40.255 if the property has been purchased as a residential foreclosure.

(e) A statement that the claim for relief was authorized by law.

3. If the tenant is found guilty of unlawful detainer as a result of the tenant's violation of any of the provisions of NRS 453.011 to 453.552, inclusive, except NRS 453.336, the landlord is entitled to be awarded any reasonable attorney's fees incurred by the landlord or the landlord's agent as a result of a hearing, if any, held pursuant to subsection 6 of NRS 40.253 wherein the tenant contested the eviction.

Assemblymember Miller moved that the Assembly concur in Senate Amendment No. 609 to Assembly Bill No. 283.

Motion carried by a constitutional majority.

Bill ordered to enrollment.

Assembly Bill No. 369.

The following Senate amendment was read:

Amendment No. 607.

AN ACT relating to domestic violence; revising provisions governing certain orders for protection against domestic violence; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that an order for protection against domestic violence issued by the court of another state, territory or Indian tribe within the United States is valid and must be accorded full faith and credit and enforced by the courts of this State as if it were issued by a court in this State. In enforcing such an order, a law enforcement officer is required to make an arrest for a violation of the order in the same manner that an officer would make an arrest for a violation of a temporary or extended order issued by a court of this State unless it is apparent to the officer that the order is not authentic on its face. In enforcing such an order, a law enforcement officer is authorized to rely on certain evidence. (NRS 33.085) This bill expands the type of evidence upon which a law enforcement officer may rely to include: (1) a hard copy or digital

image of an order for protection against domestic violence that has been provided to the officer; and (2) any statement by the person against whom the order is being enforced. This bill also creates a process for **a** law enforcement ~~[,]~~ **officer of this State,** when an otherwise valid order for protection against domestic violence **is** issued by the court of another state, territory or Indian tribe within the United States **but the officer** cannot ~~[be enforced because]~~ **confirm that** the respondent has ~~[not]~~ been notified or served with the order, to provide notice, attempt service and give reasonable opportunity for compliance before enforcing the order.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 33.085 is hereby amended to read as follows:

33.085 1. Except as otherwise provided in subsection 2, an order for protection against domestic violence issued by the court of another state, territory or Indian tribe within the United States, including, without limitation, any provisions in the order related to custody and support, is valid and must be accorded full faith and credit and enforced by the courts of this State as if it were issued by a court in this State, regardless of whether the order has been registered in this State, if the court in this State determines that:

(a) The issuing court had jurisdiction over the parties and the subject matter under the laws of the state, territory or Indian tribe in which the order was issued; and

(b) The adverse party was given reasonable notice and an opportunity to be heard before the order was issued or, in the case of an ex parte order, the adverse party was given reasonable notice and an opportunity to be heard within the time required by the laws of the issuing state, territory or tribe and, in any event, within a reasonable time after the order was issued.

2. If the order for protection against domestic violence issued by the court of another state, territory or Indian tribe is a mutual order for protection against domestic violence and:

(a) No counter or cross-petition or other pleading was filed by the adverse party; or

(b) A counter or cross-petition or other pleading was filed and the court did not make a specific finding of domestic violence by both parties,

➥ the court shall refuse to enforce the order against the applicant and may determine whether to issue its own temporary or extended order.

3. A law enforcement officer shall enforce an order for protection against domestic violence issued by the court of another state, territory or Indian tribe and shall make an arrest for a violation thereof in the same manner that a law enforcement officer would make an arrest for a violation of a temporary or extended order issued by a court of this State unless it is apparent to the officer that the order is not authentic on its face. An officer shall determine that an order is authentic on its face if the order contains:

(a) The names of the parties;

(b) Information indicating that the order has not expired; and

(c) Information indicating that the court which issued the order had legal authority to issue the order as evidenced by a certified copy of the order, a file-stamped copy of the order, an authorized signature or stamp of the court which issued the order or another indication of the authority of the court which issued the order.

➥ An officer may determine that any other order is authentic on its face.

4. In enforcing an order for protection against domestic violence issued by the court of another state, territory or Indian tribe or arresting a person for a violation of such an order, a law enforcement officer may rely upon:

(a) A ***hard*** copy ***or digital image*** of an order for protection against domestic violence that has been provided to the officer;

(b) An order for protection against domestic violence that is included in the Repository for Information Concerning Orders for Protection pursuant to NRS 33.095 or in any national crime information database;

(c) Oral or written confirmation from a law enforcement agency or court in the jurisdiction in which the order for protection against domestic violence was issued that the order is valid and effective; or

(d) An examination of the totality of the circumstances concerning the existence of a valid and effective order for protection against domestic violence, including, without limitation, the statement of a person protected by the order that the order remains in effect ~~[.]~~ ***and any statement by the person against whom the order is being enforced.***

5. ***If a law enforcement officer of this State determines that an otherwise valid order for protection against domestic violence was issued by the court of another state, territory or Indian tribe within the United States but cannot ~~[be enforced because]~~ confirm that the respondent has ~~[not]~~ been notified or served with the order, the officer shall:***

(a) Inform the respondent of the order, including, without limitation, by providing verbal notice of the terms of the order, which shall be deemed sufficient notice;

(b) Make a reasonable effort to serve the order upon the respondent; and

(c) Allow the respondent a reasonable opportunity to comply with the order before enforcing the order.

6. A law enforcement officer shall document any actions taken pursuant to subsection 5 and cooperate with the court in the jurisdiction in which the order was issued for proof of service.

7. The fact that an order has not been registered or included in the Repository for Information Concerning Orders for Protection in the Central Repository for Nevada Records of Criminal History pursuant to NRS 33.095 or in any national crime information database is not grounds for a law enforcement officer to refuse to enforce the terms of the order unless it is apparent to the officer that the order is not authentic on its face.

~~[6.]~~ ***8.*** A court or law enforcement officer who enforces an order for protection against domestic violence issued by the court of another state,

territory or Indian tribe based upon a reasonable belief that the order is valid or who refuses to enforce such an order based upon a reasonable belief that the order is not valid and the employer of such a law enforcement officer are immune from civil and criminal liability for any action taken or not taken based on that belief.

The following Senate amendment was read:

Amendment No. 622.

AN ACT relating to taxation; revising provisions governing the applications for a tax credit under the Nevada Educational Choice Scholarship Program; requiring a scholarship organization to use a donation for which a tax credit was received under the Program within a certain time after the application for the tax credit was approved; requiring a scholarship organization to be a domestic nonprofit corporation; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law imposes a payroll tax on: (1) financial institutions and on mining companies subject to the tax on the net proceeds of minerals, with the rate of the payroll tax set at 2 percent of the amount of the wages, as defined under existing law, paid by the financial institution or mining company during each calendar quarter in connection with its business activities; and (2) other business entities, with the rate of the payroll tax set at 1.475 percent of the amount of the wages, as defined under existing law but excluding the first $50,000 thereof, paid by the business entity during each calendar quarter in connection with business activities. (NRS 363A.030, 363A.130, 363B.110, 612.190) Existing law provides a credit against the payroll tax equal to an amount which must not exceed the amount of any donation of money which is made by a taxpayer to a scholarship organization that provides grants on behalf of pupils who are members of a household with a household income below a certain level to attend schools in this State, including private schools, chosen by the parents or legal guardians of those pupils. (NRS 363A.130, 363B.110, 388D.270) Existing law requires a scholarship organization, before accepting a donation on behalf of a taxpayer, to apply to the Department of Taxation for approval of the tax credit for the donation. Existing law requires the Department to approve or deny applications in the order in which the applications are received. (NRS 363A.139, 363B.119) **Sections 1 and 2** of this bill require applications for approval of the tax credits to be made between

May 1 and June 1 of each year and require the Department to review and approve applications on or before July 1 of each year. **Sections 1 and 2** require each application to include certain information, including information about the number of pupils meeting certain criteria who have applied to the scholarship organization for a grant for the upcoming school year and the cost to provide a grant to each such pupil. **Sections 1 and 2** require the Department to approve applications for the tax credit: (1) first, up to an amount that would allow every scholarship organization to make a grant to every pupil who applied for a grant and received a grant for the immediately preceding school year; (2) second, up to an amount that would allow every scholarship organization to make a grant to every pupil who applied for a grant and is the sibling of a pupil who received a grant for the immediately preceding school year; and (3) finally, up to an amount that would allow every scholarship organization to make a grant to every pupil who applied for a grant and is not in one of the previous two categories. If sufficient tax credits are not available to provide a grant to every pupil in a particular category, **sections 1 and 2** require the tax credits to be allocated among the scholarship organizations on a pro rata basis according to the number of pupils in that category who applied to the scholarship organization.

Sections 1 and 2 require a scholarship organization to expend the entire amount of any donation for which a taxpayer receives a tax credit not later than ~~[18]~~ **24** months after the date on which the application for the tax credit was approved by the Department. **Sections 1 and 2** require a scholarship organization that does not expend the entire amount of a donation within this time period to repay to the Department the tax credit that was allowed for the donation in an amount equal to the amount of the donation that was not expended.

Existing law authorizes one or more natural persons to associate to establish a nonprofit corporation under the laws of this State. (Chapter 82 of NRS) **Section 2.5** of this bill requires a scholarship organization to be a domestic nonprofit corporation.

Assembly Bill No. 535.

The following Senate amendment was read:

Amendment No. 624.

AN ACT relating to taxation; revising provisions governing the administration of the exemption from sales and use taxes for organizations created for religious, charitable or educational purposes; requiring the Department of Taxation to report to the Legislature certain information concerning applications for such an exemption; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law imposes upon each retailer a sales tax measured by the gross receipts of the retailer from the retail sale of tangible personal property in this State, and requires the retailer to collect the sales tax from the purchaser in a transaction to which the sales tax applies. (NRS 372.105, 372.110, 374.110, 374.111, 374.115) Existing law also imposes a use tax on the storage, use or other consumption in this State of tangible personal property purchased outside of this State from a retailer in a transaction that would have been subject to the sales tax in this State if it had occurred within this State. (NRS 372.185, 374.190, 374.191)

Existing law exempts from such taxes the gross receipts from the sale of any tangible personal property sold by or to a nonprofit organization created for religious, charitable or educational purposes. (NRS 372.326, 374.3306) Under existing law, among other requirements, an organization that claims this exemption is required to establish that the sole or primary purpose of the organization is to further certain specified purposes deemed to be religious, charitable or educational. (NRS 372.3261, 374.3306) **Sections 1 and 2** of this bill establish criteria for the Department of Taxation and the Nevada Tax

Commission to use to determine whether an organization satisfies ~~[that requirement,]~~ **the requirements to be exempt from sales and use taxes as a charitable organization,** including, without limitation, by the organization establishing that it: (1) operates exclusively for a purpose exempt under section 501(c)(3) of the Internal Revenue Code and is recognized as exempt by the Internal Revenue Service under the provision of that section; or (2) furthers at least one of certain specified purposes. **Sections 1.5 and 2.3** of this bill require the Department to: (1) provide to an organization that does not qualify for the exemption **as a religious, charitable or educational organization** a full explanation outlining the reasons why the organization does not qualify and the procedure to appeal such a determination; and (2) submit to the Legislature every odd-numbered year a report concerning applications for the tax exemption.

Amendment No. 591.

AN ACT relating to unemployment compensation; revising requirements for obtaining judicial review of a decision of the Board of Review concerning a claim for unemployment benefits; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes any party aggrieved by a decision of the Board of Review concerning a claim for unemployment benefits to obtain judicial

review of the decision by commencing an action in the district court of the county where the employment which is the basis of the claim was performed. Existing law requires, within 45 days after the commencement of the action, a petition to be served upon the Administrator of the Employment Security Division of the Department of Employment, Training and Rehabilitation at a designated office of the Administrator, unless the Administrator is the appellant, or upon such person as the Administrator may designate. (NRS 612.530)

~~[The Nevada Supreme Court has determined that the requirement that a petition be served within 45 days after the commencement of the action is mandatory and requires strict enforcement. (Nokley v. Empl't Sec. Div., No. 85045, 2023 WL 3441031, at **1 (Nev. May 12, 2023)) Section 1 of this bill codifies that determination into statute by specifically requiring strict compliance with that requirement and prohibiting its excusal by the court. Additionally, the Nevada Supreme Court has declined to address whether the requirement that a petition must be served within 45 days after the commencement of the action is a jurisdictional requirement. (Id.) Section 1 specifies that the requirement is jurisdictional by providing that the failure to comply with that requirement]~~ **Section 1 of this bill sets forth additional requirements and procedures concerning that petition. Section 1 specifies that service of the petition must comply with the requirements of existing law and the applicable provisions of the Nevada Rules of Civil Procedure for the service of a summons and complaint. If an appellant, within 45 days after the commencement of the action, fails to serve any petition upon the Administrator or his or her designee, including a petition that fails to comply with the requirements for the petition and the service of the petition, section 1 provides that the court is deprived of jurisdiction over the action and is required to dismiss the action upon the motion of the Administrator. If an appellant does serve a petition upon the Administrator or his or her designee within the required period, section 1 authorizes the Administrator to file a motion with the court to dismiss the action on the basis that the petition did not comply or was served in a manner that did not comply with the requirements for the petition. Section 1 requires the appellant to cure all deficiencies concerning the petition, if any, within 10 business days after the filing of the motion. Under section 1, the failure of the appellant to do so** deprives the court of jurisdiction over the action ~~[.]~~**, and the court is required to grant the motion to dismiss if the court determines that the petition was deficient and those deficiencies were not cured within the required period.**

Section 2 of this bill ~~[clarifies]~~ **provides** that the amendatory provisions of this bill apply to a petition for judicial review that is filed on or after the effective date of this bill.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 612.530 is hereby amended to read as follows:

612.530 1. Within 11 days after the decision of the Board of Review has become final, any party aggrieved thereby or the Administrator may secure judicial review thereof by commencing an action in the district court of the county where the employment which is the basis of the claim was performed for the review of the decision, in which action any other party to the proceedings before the Board of Review must be made a defendant.

2. In such action, a petition which need not be verified, but which must state the grounds upon which a review is sought, must, within 45 days after the commencement of the action, be served upon the Administrator at a designated office of the Administrator in Carson City, unless the Administrator is the appellant, or upon such person as the Administrator may designate, and such service shall be deemed completed service on all parties, but there must be left with the party so served as many copies of the petition as there are defendants, and the Administrator shall forthwith mail one such copy to each defendant. ***Service of a petition pursuant to this subsection must comply with the provisions of this subsection and the applicable provisions of the Nevada Rules of Civil Procedure for the service of a summons and complaint.***

4. If the appellant serves upon the Administrator, or upon such person as the Administrator may designate, a petition pursuant to subsection 2 within 45 days after the commencement of the action, the Administrator may, within 45 days after the receipt of the petition, file a motion with the court to dismiss the action on the basis that the petition did not comply or was served in a manner that did not comply with the requirements of subsection 2. Within 10 business days after the filing of the motion to dismiss, the appellant shall cure each deficiency concerning the petition, if any. The requirement to cure any deficiency concerning the petition within 10 business days after the filing of the motion to dismiss must be strictly complied with and may not be excused by the court. ~~[6. 7.]~~ ***8.*** An appeal may be taken from the decision of the district court to the appellate court of competent jurisdiction pursuant to the rules fixed by the Supreme Court of Nevada pursuant to Section 4 of Article 6 of the Nevada Constitution in the same manner, but not inconsistent with the provisions of this chapter, as is provided in civil cases.

~~[7. 8.]~~ ***9.*** It is not necessary, in any judicial proceeding under this section, to enter exceptions to the rulings of the Board of Review, and no bond may be required for entering the appeal.

Amendment No. 583.

AN ACT relating to employment; removing an exemption for employees covered under a valid collective bargaining agreement from provisions providing certain employees with the right to use sick leave to assist a member of the employee's immediate family with certain medical needs; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires a private employer that provides employees with sick leave to allow an employee to use accrued sick leave for an absence due to an illness, injury, medical appointment or other authorized medical need of a member of the employee's immediate family. Existing law exempts an employer from this requirement if the employee is covered under a valid collective bargaining agreement. (NRS 608.01975) **Section 1** of this bill eliminates the exemption, thereby making the requirement applicable to an employer even if the employee is covered under a valid collective bargaining agreement. **Section 1** also provides that the obligation of an employer to comply with a collective bargaining agreement, policy of the employer, employment contract or applicable local, state or federal law that provides the same or a more generous sick leave benefit ~~[or paid time off benefit]~~ is not diminished by the provisions of **section 1**. **Section 2** of this bill provides that the amendatory provisions of **section 1** do not apply during the current term of any collective bargaining agreement entered into before October 1, 2025, but do apply to any extension or renewal of such an agreement and to any collective bargaining agreement entered into on or after October 1, 2025.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 608.01975 is hereby amended to read as follows:

608.01975 1. Except as otherwise provided in this section, if an employer provides paid or unpaid sick leave for the use of his or her employees, the employer must allow an employee to use any accrued sick leave to assist a member of the immediate family of the employee who has an illness, injury, medical appointment or other authorized medical need to the same extent and under the same conditions that apply to the employee when taking such leave.

2. An employer may limit the amount of sick leave that an employee may use pursuant to subsection 1 to an amount which is equal to not less than the amount of sick leave that the employee accrues during a 6-month period.

3. The Labor Commissioner shall prepare a bulletin which clearly sets forth an explanation of the provisions of this section. Legislative Counsel's Digest:

Existing law sets forth certain requirements relating to a written rental agreement and requires any written agreement for the use and occupancy of a dwelling unit or premises to contain provisions relating to the amount of rent due and the manner and time of its payment. (NRS 118A.200) **Section 5** of this bill requires that, in each place where a landlord lists the amount of rent due under a rental agreement and in any reference to the amount of rent due in a written rental agreement, the rent must be set forth as a single figure representing the **maximum** total amount of periodic rent that includes the amount of any ~~[fixed,]~~ mandatory fees to be charged to the tenant in addition to the base rent. **Section 5** prohibits a landlord from charging a tenant an amount of periodic rent that exceeds the **maximum total** amount of rent due under the written rental agreement, as set forth in the manner required by **section 5**. **Section 5 also authorizes a landlord, under certain circumstances, to charge a monthly fee in an amount which is equal to the cost for the electric, natural gas or water service provided in the individual dwelling unit of the tenant that is not included in the single figure representing the maximum total amount of periodic rent due, subject to certain requirements.** **Section 4** of this bill requires a landlord or his or her agent, upon request, to provide a prospective tenant with a copy of the written rental agreement, if any, to which the prospective tenant would be subject if he or she were to become a tenant.

Section 2 of this bill requires a landlord or his or her agent to provide a tenant at least one method of paying rent or any other fee or charge which does not require the tenant to: (1) pay any fee or charge for using the method; or (2) provide information concerning a bank account of the tenant. **Section 2** also prohibits a landlord or his or her agent who allows a tenant to pay rent or any other fee or charge through an Internet website or online portal from charging the tenant a fee to make a payment through the Internet website or online portal in an amount that exceeds the amount of any fee charged by the operator of the

Internet website or online portal for the use of the Internet website or online portal. **Section 2** requires the amount of any fee to be charged to the tenant by the landlord or his or her agent for the use of an Internet website or online portal to make a payment to be separately identified in any written rental agreement.

Section 4.5 of this bill requires a landlord who collects from a prospective tenant any fee to apply to rent a dwelling unit to refund the fee if the landlord: (1) rents the dwelling unit to a different prospective tenant; and (2) does not conduct the activity for which the fee was collected. **Section 4.5** also prohibits a landlord from collecting an application fee, a fee to obtain a credit report or a fee to obtain a background check for a minor who is a member of the household of the prospective tenant.

Section 3 of this bill authorizes a tenant who is aggrieved by a violation of the requirements of **section 5** concerning the manner in which rent must be listed or referenced in a written rental agreement or the prohibition set forth in **section 5** on charging a tenant an amount of periodic rent that exceeds the amount of rent due under a written rental agreement to bring a civil action for such a violation. **Section 3** requires a court to award certain relief to a tenant who prevails in such an action.
