Section 3 of this bill provides that it is unlawful for a person to possess used utility wire unless the person is a certain type of business that may reasonably generate, possess or sell used utility wire or the person possesses documentation proving lawful ownership or possession. **Section 4** of this bill prohibits a person from purchasing used utility wire for any purpose unless the seller is a business that may reasonably generate, possess or sell used utility wire or the seller establishes lawful ownership or possession of the used utility wire by providing certain documentation. **Section 5** of this bill provides that a person who commits the offense created by **section 3** or who violates the provisions of **section 4** is guilty of a degree of felonious conduct consistent with the ~~[value]~~ **weight** of used utility wire involved in the crime.

Existing law provides that, under certain circumstances, a person may not sue any political subdivisions for any injury, wrongful death or other damage incurred by the person while committing certain crimes. Section 5.5 of this bill revises the list of crimes to include the new crime created by section 1.

Existing law provides certain restrictions on the purchase or receipt by a junk dealer of metallic wire that has been burned in whole or in part to remove insulation. (NRS 647.035) **Sections 14 and 15** of this bill make these restrictions apply instead to the purchase or receipt by a junk dealer of used utility wire.

Existing law provides certain restrictions on the sale and purchase of scrap metal and used catalytic converters in this State. (NRS 647.092-647.099) **Sections 12 and 13** of this bill exclude used utility wire from the definition of "scrap metal" but include persons who purchase, trade, barter or otherwise receive used utility wire in the definition of "scrap metal processor." **Section 8** of this bill prohibits a scrap metal processor from purchasing or receiving used utility wire from any person other than certain businesses that may reasonably generate, possess or sell used utility wire and persons who provide documentation to establish lawful ownership or possession of used utility wire. **Section 10** of this bill provides certain restrictions on the manner by which a scrap metal processor may purchase used utility wire that are substantially similar to the restrictions under existing law on the manner by which a scrap metal processor may purchase a used catalytic converter.

Existing law requires a scrap metal processor to maintain certain records of purchases of scrap metal and used catalytic converters. (NRS 647.094, 647.0943) **Section 9** of this bill requires a scrap metal processor to maintain records of purchases of used utility wire that are substantially similar to the records that it must maintain under existing law for purchases of used catalytic

converters. **Section 9** requires a scrap metal processor to maintain these records for a period of not less than 3 years. **Section 9** also requires a scrap metal processor to make available to a local law enforcement agency on demand all the used utility wire that it purchases and the records of those purchases.

Existing law authorizes a local law enforcement agency to establish an electronic reporting system or to utilize an existing electronic reporting system to receive information relating to the purchase of scrap metal or used catalytic converters by a scrap metal processor that transacts business within the jurisdiction of the local law enforcement agency. If a law enforcement agency establishes or uses such a system, existing law requires each scrap metal processor that transacts business within the jurisdiction of the local law enforcement agency to submit electronically to the local law enforcement agency certain information relating to each purchase of scrap metal and catalytic converters from certain persons. (NRS 647.0945) **Section 16** of this bill requires each scrap metal processor to submit electronically to the local law enforcement agency certain additional information if the scrap metal processor purchases used utility wire.

Section 17 of this bill provides that a person who violates any provision of **section 8, 9 or 10** is guilty of a misdemeanor.

Section 7 of this bill defines "used utility wire" for the purposes of **sections 8-16**.

The following amendment was proposed by the Committee on Growth and Infrastructure:

Amendment No. 3.

AN ACT relating to transportation; revising the minimum dollar amount of transportation network company insurance that a transportation network company, a driver or a monitored autonomous vehicle provider is required to maintain under certain circumstances; **defining certain terms related to delivery network companies;** providing that certain delivery network companies are not vicariously liable for any acts or omissions of a driver who provides delivery services for the delivery network company; providing that a transportation network company is not vicariously liable for any acts or omissions of a driver who provides transportation services for the transportation network company; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law sets forth various provisions governing transportation network companies which enter into agreements with one or more drivers to receive connections to potential passengers from the company in exchange for the payment of a fee by the driver to the company. (Chapter 706A of NRS) Existing law requires a transportation network company or driver to continuously provide, during any period in which the driver is providing transportation services, transportation network company insurance for the payment of liabilities arising from the operation of a motor vehicle by the driver. Existing law sets forth certain minimum amounts of coverage that are required to be provided by a transportation network company or driver for the periods in which the driver is providing transportation services and for the periods in which a driver is logged into the digital network or software application service of the transportation network company and available to receive requests for transportation services but is not otherwise providing transportation services. (NRS 690B.470) **Section 1** of this bill reduces the minimum amount of transportation network company insurance required to be maintained while a driver is providing transportation services from an amount of not less than $1,500,000 to an amount of not less than $1,000,000.

Section 3 of this bill provides that a transportation network company is not vicariously liable for any act or omission of a driver or passenger that harms a person or property under any theory of liability or duty of care.

Existing law requires every monitored autonomous vehicle provider to continuously provide transportation network company insurance in an amount of not less than $1,500,000 during any period in which the monitored

autonomous vehicle provider is operating a monitored autonomous vehicle, regardless of whether the provider is providing transportation services. (NRS 690B.470) **Section 1** reduces the minimum amount of transportation network company insurance required to be maintained to an amount of not less than $1,000,000.

Section 2.3 of this bill defines "delivery network company" to mean certain entities that operate in this State and use a digital network to connect a customer to a driver for the purpose of providing delivery services. Sections 2.2 and 2.4-2.8 of this bill define certain other terms relating to delivery network companies. **Section** ~~[2]~~ **2.9** of this bill provides that a delivery network company ~~[which uses a digital network to connect a customer to a driver for the purpose of providing delivery services]~~ is not vicariously liable for any act or omission of a driver that harms a person or property under any theory of liability or duty of care. ~~[Section 2 defines "delivery services" to mean the delivery of an item by a person through the use of a digital network of a delivery network company to a customer located within 50 miles of the pick-up location of the item.]~~ **Section** ~~[2]~~ **2.9** further provides that a delivery network company shall be deemed to not control, direct or manage a driver or the personal ~~[motor]~~ vehicle of a driver. SECOND READING AND AMENDMENT

Assembly Bill No. 3.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 285.

SUMMARY— ~~[Increases the monetary threshold for mandatory nonbinding arbitration in civil actions.]~~ **Revises provisions relating to alternative dispute resolution.** (BDR 3-472)

AN ACT relating to civil actions; ~~[increasing the monetary threshold for mandatory nonbinding arbitration in civil actions;]~~ **revising provisions relating to alternate dispute resolution for certain civil actions;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires, with certain exceptions, civil actions for damages that do not exceed $50,000 per plaintiff to be submitted to nonbinding arbitration. (NRS 38.250, 38.255) **Section** ~~[1]~~ **1.5** of this bill increases the monetary threshold for mandatory nonbinding arbitration in civil actions to $100,000 per plaintiff. **Section 2** of this bill makes a conforming change to reflect that the monetary threshold for mandatory nonbinding arbitration is increased to $100,000 per plaintiff by **section** ~~[1.]~~ **1.5.**

Existing law requires the Supreme Court to adopt rules to provide for the establishment of a program of arbitration, and such rules must include, for example: (1) provisions for the payment of fees to an arbitrator who is appointed to hear a case and who must be compensated at a rate of $100 per hour, to a maximum of $1,000 per case, unless otherwise authorized by the arbitration commissioner for good cause shown; (2) guidelines for the award of attorney's fees; and (3) exclusion of certain types of actions from the program, such as class actions, probate actions and actions involving domestic relations. (NRS 38.255) Section 2 revises the requirements for the rules adopted by the Supreme Court to: (1) increase the rate of compensation for an arbitrator to $150 per hour, to a maximum of $2,000 per case; (2) authorize an arbitrator to award to a prevailing party attorney's fees in an amount not to exceed $15,000, as provided by specific statute or court rule, and fees, costs and interest in an amount not to exceed $15,000, as provided by specific statute or court rule; (3) exclude additional types of actions from the program; and (4) provide that, based upon the amount of the arbitration award, a trial

anew after an arbitration must be conducted either in district court or as a short trial.

Existing law provides that the Supreme Court may authorize the use of settlement conferences and other alternative methods of resolving disputes, including, without limitation, a short trial. If the Supreme Court authorizes the use of an alternative method of resolving disputes, the Supreme Court is required to adopt rules and procedures to govern the use of any such method. (NRS 38.258) Section 3 of this bill provides that if the Supreme Court authorizes the use of a short trial, in addition to any other appropriate provisions, the rules and procedures governing a short trial must authorize the short trial judge to award to the prevailing party attorney's fees in an amount not to exceed $15,000, as provided by specific statute or court rule.

Existing law provides that if an action is submitted to arbitration and, after arbitration, a party requests a trial anew before a jury: (1) the written findings made by the arbitrator or the panel of arbitrators must be admitted at trial; and (2) the court is required to give a specific instruction to the jury. (NRS 38.259) Section 4 of this bill removes such requirements.

Sections 1, 1.5 and 3 make a conforming change to apply the definition of the term "short trial" to the provisions of this bill.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. **Chapter 38 of NRS is hereby amended by adding thereto a new section to read as follows:**

~~[Section 1.]~~ ***Sec. 1.5.*** NRS 38.250 is hereby amended to read as follows:

38.250 1. Except as otherwise provided in NRS 38.310:

(a) All civil actions filed in district court for damages, if the cause of action arises in the State of Nevada and the amount in issue does not exceed ~~[$50,000]~~ ***$100,000*** per plaintiff, exclusive of attorney's fees, interest and court costs, must be submitted to nonbinding arbitration in accordance with the provisions of NRS 38.250 to 38.259, inclusive, unless the parties have agreed or are otherwise required to submit the action to an alternative method of resolving disputes established by the Supreme Court pursuant to NRS 38.258, including, without limitation, a settlement conference, mediation or a short trial.

(b) A civil action for damages filed in justice court may be submitted to binding arbitration or to an alternative method of resolving disputes, including, without limitation, a settlement conference or mediation, if the parties agree to the submission.

2. An agreement entered into pursuant to this section must be:

(a) Entered into at the time of the dispute and not be a part of any previous agreement between the parties;

(b) In writing; and

(c) Entered into knowingly and voluntarily.

➥ An agreement entered into pursuant to this section that does not comply with the requirements set forth in this subsection is void.

~~[3. As used in this section, "short trial" means a trial that is conducted, with the consent of the parties to the action, in accordance with procedures designed to limit the length of the trial, including, without limitation, restrictions on the amount of discovery requested by each party, the use of a jury composed of not more than eight persons and a specified limit on the amount of time each party may use to present the party's case.]~~

Sec. 2. NRS 38.255 is hereby amended to read as follows:

38.255 1. The rules adopted by the Supreme Court pursuant to NRS 38.253 to provide guidelines for the establishment by a district court of a program must include provisions for a:

(a) Mandatory program for the arbitration of civil actions pursuant to NRS 38.250.

(b) Voluntary program for the arbitration of civil actions if the cause of action arises in the State of Nevada and the amount in issue exceeds ~~[$50,000]~~ ***$100,000*** per plaintiff, exclusive of attorney's fees, interest and court costs.

(c) Voluntary program for the use of binding arbitration in all civil actions.

2. The rules must provide that the district court of any judicial district whose population is 100,000 or more:

(a) Shall establish programs pursuant to paragraphs (a), (b) and (c) of subsection 1.

(b) May set fees and charge parties for arbitration if the amount in issue exceeds ~~[$50,000]~~ ***$100,000*** per plaintiff, exclusive of attorney's fees, interest and court costs.

Legislative Counsel's Digest:

Existing law regulates various activities relating to manufactured homes, mobile homes, manufactured buildings, commercial coaches and factory-built housing. (Chapter 489 of NRS) **Sections** ~~[1]~~ **1.3 and 24-28** of this bill make the requirements and prohibitions in existing law relating to trip permits applicable to manufactured buildings. (NRS 489.122, 489.611-489.661) ~~[Sections]~~ **Section 2** ~~[and 9]~~ of this bill ~~[make]~~ **makes** certain provisions in

existing law relating to the issuance of certificates and labels of compliance applicable to manufactured buildings. (NRS 489.241, 489.461) **Sections 3 and 14-18** of this bill make the requirements in existing law relating to regulations governing certain sales and the issuance of certificates of title by the Housing Division of the Department of Business and Industry applicable to manufactured buildings. (NRS 489.272, 489.531-489.581) **Sections 4-6** of this bill make the enforcement authority of the Division in existing law relating to notice of violations, orders to vacate and orders to stop work applicable to manufactured buildings. (NRS 489.291, 489.295, 489.297) **Section 8** of this bill makes the provisions relating to advance fees in existing law applicable to sales of manufactured buildings and factory-built housing. (NRS 489.426)

Existing law authorizes, in certain circumstances, and requires, upon receiving a complaint, the Administrator of the Division to investigate certain actions of a licensee or other person suspected to violate any provision of existing law regulating various activities relating to manufactured homes, mobile homes, manufactured buildings, commercial coaches and factory-built housing and take certain disciplinary action. (NRS 489.431) Section 8.5 of this bill: (1) provides, with certain exceptions, that the documents, files and communications made or received relating to such an investigation are confidential and not a public record; and (2) requires the Administrator, to the extent feasible, to communicate or cooperate with a licensing board or any other agency conducting an investigation relating to such acts. Section 39.7 of this bill makes a conforming change to indicate that such records are not public records.

Existing law creates the Account for Housing Inspection and Compliance in the State General Fund and requires that this Account be administered by the Division. (NRS 319.169) Under existing law, a person is required to obtain a license from the Division to engage in the business of a dealer, distributor, manufacturer, general serviceperson, specialty serviceperson, salesperson or certain managing employee in connection with the sale, lease, distribution, alteration, repair, remodeling or manufacture of a manufactured home, mobile home, manufactured building or commercial coach or factory-built housing. (NRS 489.311, 489.341) Existing law provides a procedure pursuant to which certain persons who obtain judgments against such licensees for acts of fraud, misrepresentation or deceit made in connection with their licenses are authorized to make a claim for payment from the Account of any unpaid damages, subject to certain monetary limitations. (NRS 489.4971-489.4989) **Sections 10 and 11** of this bill clarify that an eligible claimant for such a payment is not only a purchaser of a manufactured home, mobile home, manufactured building or commercial coach or factory-built housing but any person who entered into an agreement for the sale, purchase, lease, distribution, alteration, repair, remodeling or manufacture of such housing. **Sections 10 and 11** also expand the actions regarding which such claims are authorized to be made to include any action against a licensee in which

damages are recovered for an act or omission of the licensee that violates the laws governing manufactured homes, mobile homes, manufactured buildings, commercial coaches and factory-built housing. Additionally, **sections 10 and 11** reorganize the existing procedure for making a claim for payment from the Account. **Section 7** of this bill makes a conforming change to refer to a provision that has been renumbered by **section 10**. (NRS 489.325)

Existing law sets forth certain requirements concerning the sale of a new, used or rebuilt manufactured home, mobile home, manufactured building or commercial coach or new, used or rebuilt factory-built housing. (NRS 489.501, 489.511, 489.521) If such a sale is conducted by a dealer, existing law requires the dealer to complete a report of sale in a form prescribed by the Division and submit the report of sale and certain other documents to the Division within certain time periods after the sale. (NRS 489.501, 489.511) ~~[In addition to the report of sale and other documents, sections]~~ **Sections 12 and 13** of this bill require ~~[a dealer to submit]~~ **that the report of sale submitted** to the Division ~~[within certain time periods after the sale the completed contract for sale prescribed by the Administrator of the Division.]~~ **be completed.**

Sections 19-23 of this bill make the provisions in existing law relating to the issuance of labels and certificates of installation applicable to manufactured buildings and commercial coaches. (NRS 489.591-489.5965) **Section 29** of this bill makes the exemption of a dealer from property taxes for inventory in existing law applicable to the dealer's inventory of manufactured buildings and factory-built housing. (NRS 489.711) **Section 30** of this bill makes the requirements for offers to sell, buy or lease used manufactured homes, mobile homes and commercial coaches applicable to such offers for used manufactured buildings and factory-built housing. (NRS 489.715) **Section 31** of this bill expands the forms of contracts in existing law that the Administrator is required to prescribe for use by a dealer to include contracts for the sale or listing for sale of a manufactured building or factory-built housing. (NRS 489.7152)

Existing law: (1) authorizes the Division to investigate and audit any financial account related to the business of a dealer or distributor of a manufactured home, mobile home, manufactured building or commercial coach or factory-built housing to investigate potential insolvency or to administer or enforce any law; and (2) requires the Administrator to adopt regulations prescribing the scope of such an audit. (NRS 489.7235) Instead of investigating for potential insolvency, **section 32** of this bill authorizes the Division to investigate whether the dealer or distributor violated laws governing manufactured homes, mobile homes, manufactured buildings, commercial coaches and factory-built housing. **Section 32** also broadens the authority of the Division for adoption of the regulations to include the investigation and other related matters.

Sections 33 and 35 of this bill expand the prohibition in existing law against a dealer commingling his or her money with money or other property of a seller or purchaser of a manufactured home or mobile home to apply to sales or

purchases of manufactured buildings, commercial coaches and factory-built housing. (NRS 489.727, 489.821) **Section 34** of this bill expands the prohibition against manufacturing a manufactured home, mobile home ~~[, travel trailer]~~ or commercial coach unless the components and system are constructed or assembled according to certain standards to include manufactured buildings and factory-built housing. (NRS 489.801)

~~[Existing law sets forth certain rights and obligations of the owner or lessor of a manufactured home lot within a manufactured home park or the owner or lessor of such a park. (NRS 118B.065-118B.185) Existing law defines such an owner or lessor as a "landlord." (NRS 118B.014) Existing law defines the owner of a manufactured home which is located on a manufactured home lot in a manufactured home park as a "tenant." (NRS 118B.0185) Section 36 of this bill establishes the rights of the landlord to access the lot of a tenant. Section 36 is modeled on the rights of a landlord to access the dwelling unit of a tenant in the Residential Landlord and Tenant Act. (NRS 118A.330)~~

~~Existing law prohibits certain retaliatory conduct by a landlord against a tenant, including terminating a tenancy, refusing to renew a tenancy, increasing rent or decreasing services, or bringing or threatening to bring an action for possession of a manufactured home lot because the tenant has complained to the landlord concerning a violation of certain provisions of existing law. (NRS 118B.210) Section 39 of this bill also prohibits such retaliatory conduct by a landlord against a tenant who complains about a violation of section 36.]~~

Existing law requires a landlord **of a manufactured home lot or manufactured home park** to: (1) provide certain written disclosures to each tenant, including certain contact information for the **manufactured home** park owner, manager, assistant manager and person authorized to receive service of process for the landlord; and (2) post or provide to each tenant the office hours or the landlord's availability at the park. (NRS 118B.080) **Section 37** of this bill **revises such disclosure requirements to mandate certain contact information for the representative of the manufactured home park instead of the manager or assistant manager and** adds to such disclosure requirements an electronic mail address **, if available,** for ~~[such persons and]~~ **the manufactured home park and the person authorized to receive service of process for the landlord.** **Section 37** requires that the office hours be during regular business hours. **Section 37** also requires that the manager or assistant manager of a manufactured home park consisting of 75 or more lots: (1) be available at the park location for a minimum of 8 hours each week during regular business hours; and (2) post such hours.

Existing law authorizes a landlord or his or her agent or employee to require a tenant to landscape and maintain the tenant's lot if the landlord advises the tenant in writing of reasonable requirements for landscaping. (NRS 118B.120) **Section 38** of this bill changes the authority of the landlord regarding landscaping to only allow the landlord **, with certain exceptions,** to require the tenant to reasonably maintain the tenant's lot to control weeds and any

grass or other vegetation and only if the landlord had provided the tenant with 30 days' advance written notice of the requirement.

Existing law sets forth various requirements and restrictions relating to a mobile home park. (NRS 461A.215-461A.237) **Section 40** of this bill requires a ~~[seller or transferor]~~ **purchaser or transferee** of a mobile home park to notify the Division of the sale or transfer of the park, in a form prescribed by the Division, within 10 business days after the sale or transfer.

Section 40.5 of this bill repeals the definition of the term "travel trailer," which has the effect of eliminating the applicability to travel trailers of the provisions of law regulating various activities relating to manufactured homes, mobile homes, manufactured buildings, commercial coaches and factory-built housing. Sections 1-1.2, 1.4-2, 9, 28.5, 34-35 and 39.3 of this bill make conforming changes as a result of the elimination of the term.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 154.

AN ACT relating to unfair trade practices; revising the list of activities that constitute an unlawful contract, combination or conspiracy in restraint of trade

to include manipulating the price of an essential good or service in this State; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The Nevada Unfair Trade Practice Act sets forth various activities that constitute an unlawful contract, combination or conspiracy in restraint of trade and authorizes the Attorney General to investigate and take certain actions against persons who engage in such activities, which may include, without limitation, criminal prosecution and the imposition of civil penalties. (Chapter 598A of NRS) Existing law makes it a category D felony to engage in such activities. (NRS 598A.280) This bill includes among the activities that constitute an unlawful contract, combination or conspiracy in restraint of trade manipulating the price of an essential good or service in this State. This bill defines "essential good or service" to mean any good or service ~~[: (1) that]~~ **which** is needed on a daily or recurring basis for the livelihood of a person ~~[, including, without limitation, food, medicine or shelter; and (2) the price for which results in the person paying more than $750 for the good or service over a 30-day period or $9,000 for the good or service over a 1-year period. Under]~~ **and which falls within certain specified categories of goods and services. Section 1 of** this bill ~~[,]~~ **provides that** a person manipulates the price of an essential good or service when the person, alone or in concert with others, ~~[intentionally]~~ **knowingly** engages in any ~~[fraudulent or]~~ deceptive ~~[conduct]~~ **trade practice** which is intended to and does cause the price of an essential good or service in this State ~~[, as compared to the price of comparable essential goods or services readily available in the 24 months immediately preceding the conduct,]~~ to increase in a manner that **: (1)** does not reflect the basic forces of supply and demand ~~[.]~~ **; and (2) results in a person paying, over a 1-year period, an amount for the good or service which represents a percentage increase over the amount paid by the person over the immediately preceding year that is equal to or greater than the average percentage increase for the most recent 5-year average annual percentage change for the category of good or service, as set forth in the Personal Consumption Expenditures by State (SAPCE3) for the State of Nevada as published by the Bureau of Economic Analysis of the United States Department of Commerce. Section 1 sets forth certain exceptions from the prohibition against manipulating the price of an essential good or service.**

Existing law, with certain exceptions, authorizes a person who is injured or damaged, or threatened with injury or damage, by a violation of the Nevada Unfair Trade Practice Act to bring an action to obtain certain relief. (NRS 598A.210) Sections 1 and 2 of this bill provide that the provisions relating to the manipulation of an essential good or service do not establish a private right of action against any person.

The following amendment was proposed by the Committee on Education:

Amendment No. 161.

AN ACT relating to educational personnel; authorizing a person who holds a license to teach in ~~[certain states]~~ **another state** to be hired as a teacher in this State **on a certain provisional basis** if he or she satisfies certain requirements; ~~[authorizing a person to simultaneously enroll in multiple programs for an alternative route to licensure;]~~ requiring the Commission on

Professional Standards in Education to prescribe certain regulations concerning the licensure of teachers, **school counselors,** school nurses and school social workers; **requiring the Department of Education to waive certain fees for licensure for certain substitute teachers; eliminating the authority of the State Board of Education to disapprove of regulations adopted by the Commission;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law creates the Commission on Professional Standards in Education and requires the Commission to prescribe regulations for licensing teachers and other educational personnel. (NRS 391.011, 391.019) Under existing law, such regulations are required to provide for the reciprocal licensure of educational personnel from other states. (NRS 391.032) **Section 1** of this bill ~~[requires the Commission to compile a list of states in which the requirements and qualifications to obtain a license to teach are equivalent to the requirements and qualifications to obtain a license to teach in this State. Section 1 additionally]~~ authorizes the board of trustees of a school district or the governing body of a charter school to employ as a teacher **, on a provisional basis not to exceed 1 year,** a person not licensed as a teacher in this State if the person: (1) holds a license in good standing from ~~[a state included on the list compiled by the Commission;]~~ **another state;** (2) has submitted an application to receive a license to teach in this State; and (3) has completed the background investigation the employing school district is required to conduct.

Section 2 of this bill requires that the regulations adopted by the Commission also ~~[prescribe qualifications for a person who holds certain licenses to teach to receive a license to teach elementary education without repeating previously completed requirements or satisfying additional requirements. Section 2 additionally requires such regulations to]~~ prescribe qualifications for a person to use work experience or a license in an area of career and technical education to receive an endorsement in career and technical education without repeating certain requirements. **Additionally, section 2 requires such regulations to authorize a person who is employed by a public school to provide support and other services relating to school counseling and is enrolled in a program that would allow the person to obtain a license or endorsement as a school counselor to simultaneously complete any required internship or practicum hours for the purpose of obtaining such a license or endorsement.** **Section 2** also requires such regulations to authorize a person to serve as a school nurse or school social worker without the applicable endorsement if the person: (1) has applied for such an endorsement ~~[but the endorsement has not yet been approved or denied;]~~ **and is awaiting the issuance or denial of the endorsement;** and (2) holds certain valid licenses issued by the State Board of Nursing or the Board of Examiners for Social Workers, as applicable. **Section 4** of this bill makes a

conforming change to authorize such a registered nurse to be employed as a school nurse without an endorsement as a school nurse.

~~[Existing law requires the Commission to prescribe regulations that set forth the qualifications for licensing teachers through an alternative route to licensure. (NRS 391.019) Section 2 requires such regulations to authorize a person to simultaneously enroll in multiple programs for an alternative route to licensure.]~~

Section 3 of this bill requires a reduction in the fee for a license to teach for certain applicants who are substitute teachers.

Existing law authorizes the State Board of Education to disapprove of any regulation that is adopted by the Commission on Professional Standards in Education. (NRS 391.027) Section 4.5 of this bill eliminates the authority of the State Board to take such an action. Sections 2, 2.3 and 2.7 of this bill make conforming changes to remove references to this authority in other provisions of law.

Section 1. Chapter 391 of NRS is hereby amended by adding thereto a new section to read as follows:

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 235.

~~[CONTAINS UNFUNDED MANDATE (§ 20)~~
~~(Not Requested by Affected Local Government)]~~

AN ACT relating to insurance; requiring the Commissioner of Insurance to establish programs to inform providers of health care and insureds under health insurance policies of certain information relating to the payment of claims; revising provisions governing the payment of claims under policies of health insurance; establishing certain administrative penalties; requiring a health carrier to provide certain information to participating providers of health care and covered persons; requiring a health carrier to establish certain procedures for challenging the denial of a claim; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

In most cases, existing law requires the administrators of health insurance plans and certain health insurers, including the Public Employees' Benefits Program, to approve or deny a claim within 30 days after the insurer receives the claim. If the administrator or insurer approves the claim, existing law requires the administrator or insurer to pay the claim within 30 days after the claim is approved. If the administrator or insurer requires additional information to determine whether to approve or deny the claim, existing law requires the administrator or insurer to notify the claimant of its request for additional information within 20 days after the administrator or insurer receives the claim. If the administrator or insurer approves the claim after receiving such additional information from the claimant, existing law requires the administrator or insurer to pay the claim within 30 days after receiving such information. Existing law requires an administrator or insurer that fails to pay a claim within the required time period to pay interest on the claim at a prescribed rate. (NRS 287.04335, 683A.0879, 689A.410, 689B.255, 689C.335, 695A.188, 695B.2505, 695C.185, 695D.215, 695F.090)

Sections 2, 5, 8-11, 14 ~~[,]~~ **and 16** ~~[, 20 and 22]~~ of this bill replace those requirements with uniform requirements governing the time periods for the payment of health insurance claims that apply to administrators of health

insurance plans and all ~~[public and]~~ private health insurers in this State ~~[, including Medicaid, insurance for employees of local governments]~~ and the Public Employees' Benefits Program. Specifically, **sections 2, 5, 8-11, 14 ~~[,]~~ and 16 ~~[, 20 and 22]~~** require each such administrator or insurer to approve or deny a claim and, if the claim is approved, pay the claim within: (1) ~~[fifteen working]~~ **twenty-one** days after receiving the claim, if the claim is submitted electronically; or (2) thirty ~~[working]~~ days after receiving the claim, if the claim is not submitted electronically. **Sections 2, 5, 8-11, 14 ~~[,]~~ and 16 ~~[, 20 and 22]~~** require an administrator or insurer that needs additional information to determine whether to approve or deny a claim to request such information within 20 working days after receiving the claim. If, after receiving such additional information, the administrator or insurer approves the claim, **sections 2, 5, 8-11, 14 ~~[,]~~ and 16 ~~[, 20 and 22]~~** require the administrator or insurer, as applicable, to pay the claim within: (1) ~~[fifteen working]~~ **twenty-one** days after receiving the additional information, if the additional information is submitted electronically; or (2) thirty ~~[working]~~ days after receiving the additional information, if the additional information is not submitted electronically. **Sections 2, 5, 8-11, 14 and 16 prohibit an administrator or insurer from denying a claim without a reasonable basis for doing so. Sections 2, 5, 8-11, 14 ~~[,]~~ and 16 ~~[, 20 and 22]~~** require an administrator or ~~[health]~~ insurer to annually report to the Commissioner of Insurance certain information relating to compliance with those requirements. **Section 25** of this bill repeals certain provisions applicable to health maintenance organizations that are no longer necessary because existing law makes the provisions of **section 16** applicable to all managed care organizations, including health maintenance organizations. (NRS 695C.055) **Sections 13 and 18** of this bill update references to a section repealed by **section 25** with a reference to **section 16**.

Existing law authorizes the Commissioner to: (1) impose an administrative penalty upon determining that the administrator of a health insurance plan or certain health insurers are not in substantial compliance with the provisions of existing law governing the schedule for paying claims; and (2) suspend or revoke the certificate of registration or authority of such an administrator or insurer upon a second or subsequent determination that such an administrator or insurer is not in substantial compliance with those provisions. (NRS 287.04335, 683A.0879, 689A.410, 689B.255, 689C.335, 695B.2505, 695C.185, 695F.090) **Sections 10, 14 and 16** of this bill extend those penalties to apply to fraternal benefit societies, issuers of plans for dental care and managed care organizations. **Sections 2, 5, 8-11, 14 and 16** additionally authorize the Commissioner to: (1) impose an administrative penalty upon determining that the administrator of a health insurance plan or a health insurer has failed to approve or deny a claim or pay an approved claim within 60 working days after receiving the claim; and (2) suspend or revoke the certificate of registration or authority of an administrator or insurer upon a second or subsequent such determination. ~~[Section 19 of this bill makes a~~

~~conforming change to require the Director of the Department of Health and Human Services to administer the provisions of section 22 in the same manner as other provisions governing Medicaid.]~~

Existing law requires certain health insurers to provide certain notice to an insured within 10 days after denying coverage. (NRS 689A.755, 689B.0295, 695B.400, 695G.230) **Sections 2, 6, 7, 9, 10, 12, 14, 15** ~~[, 17,]~~ **and 18** ~~[, 20 and 22]~~ of this bill require ~~[all public and private]~~ health insurers and administrators of health insurance plans to provide notice of the denial of a claim within ~~[30 working days]~~ **21 days** after receiving all information necessary to make a determination concerning the claim ~~[.]~~ **if the information is submitted electronically, or if the information is not received electronically, within 30 days after receiving the necessary information.** **Sections 2, 6, 7, 9, 10, 12, 14, 15** ~~[, 17,]~~ **and 18** ~~[, 20 and 22 of this bill]~~ also require the inclusion of certain additional information in such a notice. **Sections 10, 14 and 16** make certain other provisions relating to the payment of claims that currently apply to most health insurers also apply to fraternal benefit societies, organizations for dental care and managed care organizations so that the requirements governing the payment of claims are uniform for all health insurers.

Existing law requires a health carrier which offers or issues a network plan to notify each participating provider of health care in the network of the responsibilities of the provider of health care with respect to any applicable administrative policies and programs of the health carrier. (NRS 687B.730) ~~[Sections]~~ **Section 3** ~~[and 22]~~ of this bill additionally ~~[require]~~ **requires** such a health carrier ~~[or the Medicaid Program]~~ to provide to each participating provider of health care and each covered person at least annually an explanation of the process by which the health carrier ~~[or Medicaid, as applicable,]~~ will provide remittances to or pay claims submitted by participating providers of health care.

Existing law requires a health carrier which offers or issues a network plan to establish procedures for the resolution of disputes between the health carrier and a participating provider of health care. (NRS 687B.820) **Section 4** of this bill requires those procedures to include an efficient process by which a participating provider of health care may challenge the denial by a health carrier of a claim. ~~[Section 22 imposes a similar requirement on the Medicaid program. Sections 20 and 21 of this bill make the provisions of sections 3 and 4 applicable to local governments that provide health insurance for their employees and the Public Employees' Benefits Program, respectively.]~~ **Section 1** of this bill requires the Division of Insurance of the Department of Business and Industry to establish and carry out certain programs to facilitate public knowledge and use of the provisions of this bill.

WHEREAS, Ensuring timely reimbursement for providers of health care will enhance the business environment in this State for providers of health care and improve access to health care for residents of this State; and

WHEREAS, Prompt payment of claims by health insurers will create a more stable and attractive landscape for new medical practices, thereby improving the health care infrastructure of this State; and

WHEREAS, Delayed payments by insurers have a disproportionate negative effect on minority communities, whose residents are less likely to have the means to pay out of pocket for health care services; now, therefore,

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 679B.550 is hereby amended to read as follows:

679B.550 The Division shall:

1. Establish a toll-free telephone service for receiving inquiries and complaints from consumers of health care in this State concerning health care plans;

Amendment No. 108.

AN ACT relating to providers of health care; revising requirements for continuing education and training for certain providers of health care; requiring the Board of Medical Examiners to require a physician assistant on inactive status to pay a biennial registration fee; ~~[increasing]~~ **revising** the ~~[maximum amount of certain]~~ **provisions relating to** fees charged and collected by the Board; requiring the Board, if authorized by a licensee, to provide to an employer of the licensee or an entity credentialing the licensee certain documents and information; **setting forth certain grounds for the State Board of Osteopathic Medicine to initiate disciplinary action against a licensee or deny licensure to an applicant; revising requirements for the issuance by the Board of a license to practice osteopathic medicine;** providing for the biennial renewal of certain licenses issued by the ~~[State]~~ Board **;** ~~[of Osteopathic Medicine;]~~ establishing and revising certain fees charged by the Board; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires certain providers of health care licensed by the Board of Medical Examiners and the State Board of Osteopathic Medicine to complete certain continuing education as a condition to the renewal of the license. ~~[Existing law sets forth certain courses of instruction and training that each Board must require certain licensees to complete, including, among other courses and training, a course of instruction on evidence based suicide prevention and awareness and training in the screening, brief intervention and referral to treatment approach to substance use disorder.]~~ (NRS 630.253, 633.471) ~~[Additionally, existing law requires each Board to require a physician, osteopathic physician and physician assistant who is registered to dispense controlled substances to complete at least 2 hours of training relating specifically to persons with substance use and other addictive disorders and the prescribing of opioids during each period of licensure. (NRS 630.2535, 633.473) Sections]~~ **Section 1** ~~[, 12 and 21]~~ of this bill ~~[eliminate]~~ **eliminates** provisions requiring ~~[each]~~ **the** Board **of Medical Examiners** to require the completion of ~~[certain specified courses]~~ **a course** of instruction ~~[and training. Sections 1 and 12 maintain the requirement for certain licensees to complete continuing education but, rather than requiring each Board to require the completion of certain specified courses and training, sections 1 and 12 require each Board to encourage each licensee to complete courses of instruction in, among other subjects: (1) evidence based suicide prevention and awareness; (2) the screening, brief intervention and referral to treatment approach to substance use disorder; (3) the prescribing of opioids; and (4) care for persons with an addictive disorder. Sections 5 and 19 of this bill eliminate provisions making the failure of a licensee to complete training relating to persons with substance use and other addictive disorders and the prescribing of opioids grounds for initiating disciplinary action by the Board of Medical Examiners~~

~~and the State Board of Osteopathic Medicine, respectively.]~~ **relating to the medical consequences of an act of terrorism that involves the use of a weapon of mass destruction. Section 12 ~~[additionally]~~ of this bill** increases, from 35 to 40, the number of hours of continuing medical education certain providers of health care licensed by the State Board of Osteopathic Medicine are required to complete during each period of licensure.

Existing law requires the Board of Medical Examiners to adopt regulations regarding the licensure of a physician assistant. (NRS 630.275) Existing law establishes a biennial registration fee for a physician assistant licensed by the Board. (NRS 630.268) Under existing law, the Board is required to exempt a physician assistant on inactive status from paying the biennial registration fee. (NRS 630.255) **Section 2** of this bill eliminates that exception. **Section 4** of this bill instead requires the Board to require a physician assistant on inactive status to pay a fee for biennial registration. **Section 3** of this bill sets forth the maximum amount of that fee.

Section 3 ~~[additionally increases]~~ revises provisions setting forth the maximum amount of ~~[the]~~ **various** fees ~~[for: (1) biennial registration for a physician from $800 to $1,200; and (2) biennial registration for a physician who is on inactive status from $400 to $600.]~~ **charged by the Board. Section 3 increases the maximum amount of certain fees, removes certain fees and establishes the maximum amount of a fee the Board is required to charge for certain services provided by the Board.**

Existing law authorizes the Board to keep certain information confidential, including, among other information, any statement, evidence, credential or other proof submitted in support of or to verify the contents of an application for a license. (NRS 630.336) **Section 6** of this bill requires the Board, if authorized by a licensee, to provide to an employer of the licensee or an entity credentialing the licensee copies of any documents or other information obtained by the Board during the application process for the issuance of the license of the licensee, including, without limitation, copies of documents and other information verifying the completion by the licensee of any educational program related to licensure and verifying certain other matters concerning the licensee.

Existing law sets forth the requirements for the issuance by the State Board of Osteopathic Medicine of a license to practice osteopathic medicine, including, among other requirements, the requirement that an applicant must: (1) have graduated from a school of osteopathic medicine before 1995 and completed a hospital internship or certain postgraduate training; (2) have completed 3 years, or such other length of time as required by certain programs of postgraduate medical education as a resident in the United States or Canada; or (3) be a resident who is enrolled in a postgraduate training program in this State, have completed 24 months of the program and have committed, in writing, that he or she will complete the program. (NRS 633.311) Section 6.7 of this bill revises the requirements for a person who is a resident enrolled in a postgraduate

training program to obtain a license to allow a license to be issued to a resident who is enrolled in a postgraduate training program in the United States or Canada that is approved by the Board or certain other organizations who has completed 24 months of the program and who has committed, in writing, that he or she will complete the program. Section 6.7 also provides that if, after issuing a license to practice osteopathic medicine, the Board obtains information that differs from the information provided by the applicant or otherwise received by the Board, the Board may take certain action against the applicant.

Section 6.3 of this bill provides that obtaining, maintaining or renewing or attempting to obtain, maintain or renew a license to practice osteopathic medicine by bribery, fraud or misrepresentation or by any false, misleading, inaccurate or incomplete statement constitutes grounds for the Board to initiate disciplinary action against a licensee and to deny licensure to an applicant.

Existing law, with certain exceptions, provides for the annual renewal of a license to practice osteopathic medicine issued by the State Board of Osteopathic Medicine and sets forth a renewal date for such a license as January 1 of each calendar year. (NRS 633.471) **Section 12** instead provides, with certain exceptions, for the biennial renewal of such a license and establishes the renewal date for such a license as December 31 of each even-numbered year.

Existing regulations provide for the annual renewal of a license as a physician assistant issued by the Board. (NAC 633.285) **Sections 9 and 10** of this bill instead provide for the biennial renewal of such a license and establish the renewal date as December 31 of each odd-numbered year. Existing law provides for the biennial renewal of a license as an anesthesiologist assistant issued by the Board. (NRS 633.4254) **Section 7** of this bill establishes a renewal date for such a license as December 31 of each odd-numbered year.

Section 20 of this bill sets forth certain requirements for the renewal of certain licenses issued by the Board which are held by a licensee on December 31, 2025.

Existing law sets forth procedures by which a person may be simultaneously licensed as a physician assistant or anesthesiologist assistant by the Board of Medical Examiners and the State Board of Osteopathic Medicine. (NRS 630.2677, 630.26835, 630.2684, 630.26845, 630.2735, 630.2755, 633.4256, 633.4258, 633.426, 633.4332, 633.438, 633.4718) Under existing law, a person who is licensed as a physician assistant or anesthesiologist assistant by the State Board of Osteopathic Medicine and who wishes to be simultaneously licensed by both the Board of Medical Examiners and the State Board of Osteopathic Medicine is required to: (1) apply to the Board of Medical Examiners for a license to practice as a physician assistant or anesthesiologist assistant, as applicable; (2) pay all applicable fees, including the fee payable to the Board of Medical Examiners for an application for and the issuance of a simultaneous license as a physician assistant or anesthesiologist assistant, as

applicable, and the annual simultaneous registration fee for a physician assistant or biennial simultaneous registration fee for an anesthesiologist assistant, as applicable, payable to the State Board of Osteopathic Medicine; and (3) if the person is applying for simultaneous licensure while renewing his or her license, apply to renew his or her license and indicate in the application that he or she wishes to hold a simultaneous license. (NRS 633.426, 633.438, 633.4718) **Sections 8, 11 and 15** of this bill instead require such a person to pay to the State Board of Osteopathic Medicine a biennial simultaneous license renewal fee, rather than an annual or biennial simultaneous license registration fee. **Section 14** of this bill similarly eliminates a reference to the biennial registration of a license.

Existing law requires the State Board of Osteopathic Medicine to: (1) maintain a list of each licensed osteopathic physician and physician assistant and certain training that each such licensee has received; and (2) update the list at least annually with information received from licensees who renewed their licenses during the preceding year. (NRS 633.4715) **Section 13** of this bill requires the Board to instead update the list at least biennially with such information from licensees who renewed their licenses during the preceding biennium. **Sections 16 and 17** of this bill revise certain other procedures and requirements relating to licensure to account for the change from an annual to a biennial period of licensure for certain osteopathic physicians and physician assistants.

Existing law sets forth a list of maximum fees to be charged and collected by the Board. (NRS 633.501) **Section 18** of this bill: (1) revises the descriptions of certain fees; (2) increases the amount of certain fees to account for the change from an annual to a biennial period of licensure for certain osteopathic physicians and physician assistants; and (3) establishes a biennial license renewal fee and a biennial simultaneous license renewal fee for an anesthesiologist assistant.

Assembly Bill No. 65.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 394.

AN ACT relating to guardianship; revising provisions relating to certain investigative services provided during a guardianship proceeding; prohibiting a governmental entity from charging a fee for providing a copy of certain documents relating to a guardianship proceeding; revising provisions relating to service of process of a citation and petition in a guardianship proceeding; changing the name of the State Guardianship Compliance Office to the State Guardianship Office; changing the title of the State Guardianship Compliance Officer to the State Guardianship Officer; revising the powers of the Officer; authorizing a court to appoint or extend the appointment of a guardian for a

protected minor or proposed protected minor seeking status as a special immigrant juvenile with the United States Citizenship and Immigration Services of the Department of Homeland Security under certain circumstances; **revising certain notice requirements for minor guardianship proceedings;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law creates the State Guardianship Compliance Office to provide certain services relating to guardianship proceedings. Existing law also: (1) creates the position of State Guardianship Compliance Officer within the Office; and (2) authorizes the Officer to hire two accountants and two investigators to provide certain services to district courts. (NRS 159.341) **Section 3** of this bill changes the: (1) name of the State Guardianship Compliance Office to the State Guardianship Office; and (2) title of the State Guardianship Compliance Officer to the State Guardianship Officer. **Section 3** also expands the authority of the Officer to hire accountants and investigators by authorizing the Officer, within the limits of legislative appropriation, to hire such accountants and investigators as the Officer deems necessary.

Existing law authorizes the court, after the filing of a petition in a guardianship proceeding, to appoint one or more investigators to perform certain duties related to the proceeding. (NRS 159.046, 159A.046) Existing law likewise authorizes an investigator employed by the Office to provide investigative services to the district courts during the administration of guardianship proceedings. (NRS 159.341) ~~[Sections 1, 3 and 6 of this bill expand the authority of an investigator appointed by the court or employed by the Office, as applicable, by authorizing any such investigator to: (1) obtain a complete set of the fingerprints of certain persons and written permission for the investigator to obtain certain information concerning the criminal history of the person; and (2) forward the fingerprints to the Central Repository for Nevada Records of Criminal History for its report on the criminal history of the person and for submission to the Federal Bureau of Investigation for its report.]~~ **Sections 1, 3 and 6** ~~[also:]~~ **of this bill:** (1) prohibit a governmental entity, including a court, from charging a fee for providing a copy of any document requested by an investigator in connection with an investigation; and (2) make various other changes relating to an investigation.

Existing law: (1) authorizes the court in an adult guardianship proceeding to appoint or extend the appointment of a guardian for a protected person or proposed protected person seeking status as a special immigrant juvenile with the United States Citizenship and Immigration Services of the Department of Homeland Security under certain circumstances; and (2) provides for the termination of any such guardianship on or before the date on which the protected person reaches 21 years of age. (NRS 159.191, 159.343) **Sections 4 and 8** of this bill likewise: (1) authorize the court in a minor guardianship proceeding to appoint or extend the appointment of a guardian for a protected minor or proposed protected minor seeking status as a special immigrant

juvenile; and (2) provide for the termination of any such guardianship on or before the date on which the protected minor reaches 21 years of age. **Section 5** of this bill makes a conforming change to the relevant definition of "minor."

Existing law requires a person who files a petition in a minor guardianship proceeding to notify the Director of the Department of Health and Human Services of the time and place of the hearing on the petition if the protected minor has received or is receiving benefits from Medicaid. (NRS 159A.034) Section 5.5 of this bill eliminates this requirement.

Existing law: (1) requires service of a copy of a petition for the appointment of a guardian and the citation issued pursuant to any such petition on certain persons; and (2) prescribes the procedure for the service of process on such persons. (NRS 159.0475, 159A.0475) **Sections 2 and 7** of this bill revise the procedure for such service of process by authorizing: (1) service by certain methods set forth in the Nevada Rules of Civil Procedure under certain circumstances; and (2) the court to waive a requirement that service of the citation be made by publication under certain circumstances.

Assembly Bill No. 72.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 229.

AN ACT relating to public affairs; authorizing the Secretary of State to adopt a code of professional responsibility for notaries public; ~~[prohibiting a notary public from performing a notarial act under certain circumstances;]~~ **authorizing a notarial officer to refuse to perform a notarial act under certain circumstances;** revising the procedure for filing cash bonds or surety bonds covering document preparation services; prohibiting a registrant to engage in the business of a document preparation service from engaging in such business for **or under** an entity that is not covered by such a bond; providing that certain information and documents obtained during an investigation of a document preparation service is confidential; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the Secretary of State to adopt regulations: (1) prescribing the procedure for the appointment and mandatory training of a notary public; and (2) establishing procedures for the notarization of digital

and electronic signatures. (NRS 240.017) **Section 2** of this bill additionally authorizes the Secretary of State to adopt regulations establishing a code of professional responsibility for notaries public. **Section 4** of this bill authorizes the Secretary of State to impose certain sanctions against a notary public who violates any regulation adopted pursuant to the provisions of existing law governing notaries public, including, without limitation, any code of professional responsibility adopted pursuant to **section 2**. In addition, under existing law, a person who willfully violates such a code would be guilty of a category D felony if irreparable harm results. (NRS 240.175)

Existing law prohibits certain acts by a notary public. (NRS 240.075) **Section 3** of this bill ~~[additionally prohibits]~~ **authorizes** a ~~[notary public from performing]~~ **notarial officer to refuse to perform** a notarial act if the notary ~~[public has reason to believe that the person whose signature is to be acknowledged, sworn to or witnessed or attested does not know or understand the act he or she is performing or the effect of that act. Under existing law, a person who violates that prohibition would be subject to administrative sanctions. Under existing law, if a person willfully violates that prohibition and irreparable harm results, the person would be guilty of a category D felony. (NRS 240.175)]~~ **officer is not satisfied that: (1) the person executing the document is competent or has capacity to execute the document; or (2) the persons signature is not knowingly and voluntarily made. Section 3 further authorizes a notarial officer to refuse to perform a notarial act under other circumstances where such refusal is not prohibited.**

Existing law authorizes an electronic notary public to perform electronic notarial acts using audio-video communication if the electronic notary public is physically present in the State. (NRS 240.198, 240.1993) **Section 5** of this bill clarifies that an electronic notary public is prohibited from performing an electronic notarial act unless he or she is present in the State. Under existing law, the Secretary of State would be authorized to impose sanctions against a notary public who violates the provisions of **section 5**. (NRS 240.150)

Existing law generally requires a person who is registered to provide document preparation services to file with the Secretary of State a cash bond or surety bond to indemnify persons injured by certain acts or omissions by the registrant. (NRS 240A.120) However, existing law: (1) authorizes a business entity that has one or more employees who perform document preparation services to file such a bond on behalf of all such employees; and (2) exempts the employees of a business entity that files such a bond from the requirement to file their own bonds. (NRS 240A.123) **Section 5.3-5.7 of this bill authorize a registrant who performs document preparation services under more than one business entity to file one bond for each such business entity and establish the amount of such a bond on the number of business entities under which the registrant performs document preparation services. Section 8** of this bill ~~[requires each registrant who files a bond on behalf of himself or herself to file a separate bond for each entity under which he or she performs document preparation services, thereby~~

~~prohibiting such~~ **makes a conforming change to allow** a registrant ~~from performing~~ **to perform** document preparation services ~~for~~ **under** multiple entities under one bond. ~~Section~~ **Sections 9 and 9.5** of this bill ~~removes the discretion for a business entity that employs one or more persons who provide document preparation services to not file a cash or surety bond on behalf of such employees if each employee instead files such a bond on his or her own behalf. Section 9 thereby requires each such~~ **authorize a** business entity to file such a bond on behalf of its ~~employees,~~ **independent contractors** who provide document preparation services.

Sections 6 and 7 of this bill require an applicant for the issuance or renewal of registration as a document preparation service to provide ~~: (1)~~ a list of each entity under which the applicant intends to ~~provide~~ **perform** document preparation services ~~; and (2) for each such entity, proof that the required bond has been filed.~~ **during the following calendar year. Section 10** of this bill prohibits a registrant from engaging in the business of a document preparation service for **or under** any entity for which a bond has not been filed. Under existing law, a registrant who violates that prohibition would be subject to certain administrative sanctions. (NRS 240A.270) Additionally, a registrant who willfully violates that prohibition ~~or a business entity that willfully fails to file a bond where required by section 9~~ is subject to certain criminal penalties. (NRS 240A.290)

Existing law authorizes the Secretary of State to conduct or cause to be conducted an investigation if the Secretary of State obtains information that a provision of law, regulation or order relating to document preparation services has been violated. (NRS 240A.260) **Sections 1 and 11** of this bill make information and documents obtained by or filed with the Secretary of State in connection with an investigation confidential.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

A registrant who performs document preparation services under a sole proprietorship or more than one business entity may file with the Secretary of State a cash bond or surety bond on behalf of the sole proprietorship or each business entity under which the registrant performs document preparation services. Any such bond must be for the applicable amount set forth in section 5.7 of this act.***

2. A cash or surety bond filed pursuant to subsection 1 must be approved as to form by the Attorney General and conditioned to provide:

(a) Indemnification to a client or any other person who is determined in an action or proceeding to have suffered damage as a result of:

(1) An act or omission of the registrant or the sole proprietorship or business entity which violates a provision of this chapter or a regulation or order adopted or issued pursuant thereto;

(2) A wrongful failure or refusal by the registrant or the sole proprietorship or business entity to provide services in accordance with a contract entered into pursuant to NRS 240A.190;

(3) The fraud, dishonesty, negligence or other wrongful conduct of the registrant or the sole proprietorship or business entity; or

(4) An act or omission of the registrant or the sole proprietorship or business entity in violation of any other federal or state law for which the return of fees, an award of damages or the imposition of sanctions have been awarded by a court of competent jurisdiction in this State; or

(b) Payment to the Secretary of State for any civil penalty or award of attorney's fees or costs of suit owing and unpaid by the registrant or the sole proprietorship or business entity to the Secretary of State pursuant to this chapter.

3. No part of a bond filed pursuant to this section may be withdrawn while the registration of the registrant who performs document preparation services under the sole proprietorship or business entity remains in effect, or while a proceeding to suspend or revoke the registration is pending.

4. If a surety bond is filed pursuant to subsection 1:

(a) Except as otherwise provided in subsection 5, the bond must be executed by the registrant and by a surety company qualified and authorized to do business in this State.

(b) The bond must cover the period of registration of the registrant, except when the surety is released in accordance with this section.

(c) The surety shall pay any final, nonappealable judgment of a court of this State that has jurisdiction, upon receipt of written notice that the judgment is final.

(d) The bond may be continuous, but regardless of the duration of the bond, the aggregate liability of the surety does not exceed the penal sum of the bond.

(e) If the penal sum of the bond is exhausted, the surety shall give written notice to the Secretary of State and the registrant within 30 days after its exhaustion.

(f) The surety may be released after giving 30 days' written notice to the Secretary of State and the registrant, but the release does not discharge or otherwise affect any claim resulting from an act or omission which is alleged to have occurred while the bond was in effect.

5. Except as otherwise provided in this subsection, if a cash bond is filed pursuant to subsection 1, the Secretary of State may retain the bond until the expiration of 3 years after the date the registrant has ceased to do business under the sole proprietorship or each business covered under the bond, or 3 years after the date of the expiration or revocation of the registration of the registrant, to ensure that there are no outstanding claims against the bond. A court of competent jurisdiction may order the return of the bond, or any part of the bond, at an earlier date upon evidence satisfactory to the court that there are no outstanding claims against the bond or that the part of the bond retained by the Secretary of State is sufficient to satisfy any outstanding claims. Interest on a cash bond filed pursuant to subsection 1 must accrue to the account of the depositor.

6. The registration of a registrant who performs document preparation services under a sole proprietorship or more than one business entity is suspended by operation of law when the registrant is no longer covered by a bond or the penal sum of the bond is exhausted. If the Secretary of State receives notice pursuant to subsection 4 that the penal sum of a surety bond is exhausted or that the surety is being released, the Secretary of State shall immediately notify the registrant covered under the bond in writing that their registration is suspended by operation of law until another bond is filed in the same manner and amount as the former bond.

7. The Secretary of State may reinstate the registration of a registrant whose registration has been suspended pursuant to subsection 6 if, before the current term of the registration expires, the registrant files with the Secretary of State a new bond meeting the requirements of this section or the registrant files with the Secretary of State a new bond meeting the requirements of NRS 240A.120 or NRS 240A.123 and 240.125.

(5) Instructions on the manner in which the document preparation service or other person may respond to the notice.

6. Any determination by the Secretary of State that a provision of this chapter or a regulation or order adopted or issued pursuant thereto has been violated by a registrant or another person and the imposition of any penalty by the Secretary of State pursuant to this section is a public record.

7. Except as otherwise necessary to refer an alleged violation for the commencement of a civil action or prosecution pursuant to paragraph (d) or (e), respectively, of subsection 3, information and documents obtained by or filed with the Secretary of State in connection with an investigation

Legislative Counsel's Digest:

Existing law requires the State Department of Conservation and Natural Resources to make grants to state agencies, local governments, water conservancy districts, conservation districts and certain nonprofit organizations to protect, preserve and obtain the benefits of the property and natural and cultural resources of this State and requires the Director to adopt regulations to make such grants. (Section 2 of Assembly Bill No. 84, chapter 480, Statutes of Nevada 2019, at page 2861) Existing regulations establish the Nevada Conservation and Recreation Program to make such grants. (LCB File No. R025-22) **Section 8** of this bill creates the Program in statute. **Section 8** further provides that the Program consists of a grant program to make such grants and the Nevada Voluntary Water Rights Retirement Program. **Section 14** of this bill provides that the Program ~~[and the Advisory Committee are]~~ **is** within the Department. **Section 13** of this bill applies the definitions in existing law relating to the Department to the provisions of **sections ~~[8-12.]~~ 8-10 of this bill.**

Under existing law, any person who wishes to appropriate public waters, or to change the place of diversion, manner of use or place of use of water already appropriated, must apply to the State Engineer for a permit to do so. (NRS 533.325) Existing law further provides that all underground waters within the boundaries of the State are subject to appropriation for beneficial use only under the laws of this State relating to the appropriation and use of water. (NRS 534.020) **Section 9** ~~[of this bill]~~ creates the Account for Retiring Water Rights, to be administered by the Director of the State Department of Conservation and Natural Resources, and requires that the money in the Account only be used for the purchase of ~~[water]~~ **vested or certificated groundwater** rights for certain purposes. **Section 10** ~~[of this bill]~~ establishes the Nevada Voluntary Water Rights Retirement Program in the Nevada Conservation and Recreation Program, to be administered by the Director, and establishes requirements for**: (1)** the purchase and retirement of ~~[water]~~ **vested or certificated groundwater** rights ~~[.]~~ **; and (2) the acceptance of donations of groundwater rights.** **Section 10** also prohibits the Director from accepting **donations and** applications for the purchase and retirement of ~~[water]~~ **such groundwater**

rights after June 30, 2035. **Section 21 of this bill makes conforming changes to reflect that the Director may not accept applications or donations after that date.**

Section 4 of this bill: (1) requires the State Engineer to retire **all vested or certificated** water rights purchased by **or donated to** the Nevada Voluntary Water Rights Retirement Program; and (2) prohibits the State Engineer from retiring any ~~[water]~~ **groundwater** rights from the Program ~~[after]~~ **unless the purchase or donation of the groundwater right was approved by the Director on or before** June 30, 2035.

~~[Section 11 of this bill establishes the Advisory Committee for the Nevada Voluntary Water Rights Retirement Program within the Department and requires the Advisory Committee to consult with the Director regarding the provisions of sections 10 and 12 of this bill.~~

~~Section 12 requires the Director to adopt regulations necessary to carry out the provisions of sections 8-12. Section 24 of this bill requires the Director to adopt these regulations by July 1, 2026.]~~

Sections 1-3 of this bill prohibit the appropriation of water for which the rights have been retired pursuant to the Nevada Voluntary Water Rights Retirement Program.

Section 25 of this bill provides for the provisions relating to the Account ~~[, Advisory Committee and regulations]~~ set forth in ~~[sections]~~ **section 9 [**~~, 11, 12 and 14~~**]** to expire on June 30, 2035. ~~[Sections 15 and]~~ **Section 21** of this bill ~~[make]~~ **makes a** conforming ~~[changes]~~ **change** to reflect the expiration of these provisions.

Under existing law, the State Engineer may issue temporary permits to appropriate groundwater in certain designated areas which may be revoked under certain circumstances. In areas where these temporary permits have been issued, the State Engineer is required to prohibit the drilling of wells for domestic use if water can be furnished by a public entity presently engaged in furnishing water to the inhabitants of the area. (NRS 534.120) **Sections 5, 6, 16 and 22** of this bill revise references to these temporary permits to revocable permits.

Section 23 of this bill deems any such existing and valid temporary permit issued by the State Engineer pursuant to existing law before July 1, 2025, to be a revocable permit. **Section 5** also requires the State Engineer to prohibit the drilling of wells for domestic use if a property is within 1,250 feet of a service line of a public entity presently engaged in furnishing water to the inhabitants of the area.

Existing law establishes a program to provide grants of money to purveyors of water and eligible recipients to pay for certain costs related to water conservation and capital improvements to water systems. Under this program, eligible recipients may receive grants of money to pay the cost of improvements to conserve water. (NRS 349.981) **Section 16** includes in the types of improvements for which an eligible recipient could receive a grant: (1) the removal and replacement of grass with water-efficient landscaping,

under certain circumstances; and (2) the permanent retirement of groundwater rights for certain purposes.

Existing law requires certain recipients of a grant of money from this program to provide an amount of money determined by the Board for Financing Water Projects that will be used for the same purpose as the grant **[.] and which must be based upon the average household income of the customers of the recipient.** (NRS 349.983) **Section 17** of this bill **instead** requires ~~[all recipients of a grant of money from this program to provide an]~~ **the** amount of money ~~[determined by the Board that will be used for the same purpose as the grant.]~~ **provided by a recipient to be based upon the median household income of the customers of the recipient.**

Existing law authorizes a district board of health to create a voluntary financial assistance program to pay 100 percent of the costs for property owners with an existing septic system whose property is served by a municipal water system to connect to the community sewerage disposal system. (NRS 439.3672) **Section 18** of this bill establishes certain requirements for a property owner to be eligible to receive financial assistance from this program.

Existing law sets forth a legislative declaration relating to the right of the people of this State to clean water and certain policies of this State related to this right to clean water. (NRS 445A.305) **Section 19** of this bill sets forth the policy of this State to encourage and promote water reuse in an appropriate manner that is consistent with public health.

Existing state law requires the State Environmental Commission to establish water quality standards at a level designed to protect and ensure a continuation of the designated beneficial use or uses for the stream segment or other body of surface water that have been determined applicable by the Commission. (NRS 445A.520) Existing federal law authorizes a state to establish a variance in the water quality standard from the water quality standard determined to protect and ensure a continuation of the designated beneficial use or uses if the state determines that compliance with this standard is not feasible for certain reasons. (40 C.F.R. § 131.14) **Section 20** of this bill authorizes the Commission to establish a water quality standard variance in accordance with federal law.

The Conservation of Colorado River Water Act establishes certain provisions relating to conserving the waters of the Colorado River, including requiring certain parcels of property which use such waters to participate in an irrigation water efficiency monitoring program. (Chapter 364, Statutes of Nevada 2021, at page 2179) The Act requires the Board of Directors of the Southern Nevada Water Authority to: (1) establish deadlines for an owner of such a parcel of property to begin participating in the program; and (2) notify the owner that he or she is required to participate by not later than January 1, 2025. (Section 30 of chapter 210, Statutes of Nevada 2023, at page 1283) Section 21.5 of this bill instead requires the Board of Directors to notify the owner not less than 1 year before the program is established.

Section 21.3 of this bill authorizes the Southern Nevada Water Authority or a member agency thereof that charges an excessive use fee to residential customers to use the proceeds of the fee for certain programs to assist customers of the Authority or member agency.

Existing law authorizes the Southern Nevada Water Authority to create an Advisory Committee for the Management of Groundwater in the Las Vegas Valley Groundwater Basin. If a member appointed to the Committee resigns or is unable to serve, the Board of Directors is required to appoint a person to fill the vacancy not later than 90 days after the vacancy occurs. (Section 8 of chapter 572, Statutes of Nevada 1997, as last amended by chapter 517, Statutes of Nevada 2017, at page 3507) Section 21.7 of this bill removes the requirement for the Board of Directors to fill the vacancy not later than 90 days after the vacancy occurs.

(c) The applicant provides proof satisfactory to the State Engineer of the applicant's:

(1) Intention in good faith to construct any work necessary to apply the water to the intended beneficial use with reasonable diligence; and

➥ If a previous application for a similar use of water within the same basin has been rejected on those grounds, ~~***[any such ground,]***~~ the new application may be denied without publication.

3. In addition to the criteria set forth in subsections 1 and 2, in determining whether an application for an interbasin transfer of groundwater must be rejected pursuant to this section, the State Engineer shall consider:

(a) Whether the applicant has justified the need to import the water from another basin;

(b) If the State Engineer determines that a plan for conservation of water is advisable for the basin into which the water is to be imported, whether the

applicant has demonstrated that such a plan has been adopted and is being effectively carried out;

(c) Whether the proposed action is environmentally sound as it relates to the basin from which the water is exported;

(d) Whether the proposed action is an appropriate long-term use which will not unduly limit the future growth and development in the basin from which the water is exported; and

6. Except as otherwise provided in this subsection and subsection 10, the State Engineer shall approve or reject, within 6 months after the final date for filing a protest, an application filed to change the point of diversion of water already appropriated when the existing and proposed points of diversion are on the same property for which the water has already been appropriated under the existing water right or the proposed point of diversion is on real property that is proven to be owned by the applicant and is contiguous to the place of use of the existing water right. The State Engineer may postpone action on the application pursuant to subsection 4.

7. If the application is rejected, the applicant may take no steps toward the prosecution of the proposed work or the diversion and use of the public water while the rejection continues in force.

9. If a person is the successor in interest of an owner of a water right or an owner of real property upon which a domestic well is located and if the former owner of the water right or real property on which a domestic well is located had previously filed a written protest against the granting of an application, the successor in interest must be allowed to pursue that protest in the same manner as if the successor in interest were the former owner whose interest he or she succeeded. If the successor in interest wishes to pursue the protest, the successor in interest must notify the State Engineer in a timely manner on a form provided by the State Engineer.

Amendment No. 236.

AN ACT relating to trade practices; prohibiting a food delivery service platform provider from facilitating an online food order involving a food dispensing establishment ~~[unless the operator of the food dispensing establishment]~~ **who** has **not** obtained ~~[the]~~ **certain** required ~~[permit to operate the food dispensing establishment issued by the health authority;]~~ **licenses; prohibiting such a food dispensing establishment from accepting an online food order; requiring a food delivery service platform provider to remove such a food dispensing establishment from the food delivery service platform of the provider under certain circumstances;** providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law sets forth various requirements and restrictions concerning food delivery service platforms, which existing law defines to mean an Internet website, online service or mobile application which allows users to purchase food from multiple food dispensing establishments and arrange for the same-day delivery or same-day pickup of such food. (NRS 597.7625-597.7642) Existing law designates a person who operates such a platform as a food delivery service platform provider. (NRS 597.7628) Existing law defines "food dispensing establishment" to mean, in general, a food establishment that prepares and serves food intended for immediate consumption. (NRS 597.7629) ~~[Existing law prohibits, with certain exceptions, a person from operating a food establishment unless the person possesses a valid permit issued to the person by the health authority. (NRS 446.870)]~~

Under existing law, a food delivery service platform provider is prohibited from facilitating an online food order involving a food dispensing establishment, including, without limitation, arranging for the same-day delivery or same-day pickup of food prepared by a food dispensing establishment, unless the food delivery service platform provider has entered into a written agreement with the food dispensing establishment authorizing such activities. (NRS 597.7635) ~~[Although no penalty is specifically provided for violating that prohibition, existing law provides that whenever the performance of any act is prohibited by any statute, and no penalty for the violation of such statute is imposed, a person who commits that act is guilty of a misdemeanor. (NRS 193.151)]~~

This bill prohibits a food delivery service platform provider from facilitating an online food order involving a food dispensing establishment unless ~~[the operator of]~~ the food dispensing establishment has obtained ~~[the required permit to operate]~~ **any business license required by the local government in which** the food dispensing establishment ~~[issued by the health authority.]~~ **is located which authorizes the food dispensing establishment to conduct business at the address at which the food dispensing establishment prepares the online food order.**

This bill also prohibits a food dispensing establishment from accepting an online food order facilitated by a food delivery service platform provider unless the food dispensing establishment has obtained any business license required by the local government in which the food dispensing establishment is located which authorizes the food dispensing establishment to conduct business at the address at which the food dispensing establishment prepares the online food order. Under this bill, a food dispensing establishment who violates this prohibition or provides to the food delivery service platform provider false or misleading information regarding the business license of the food dispensing establishment is subject to a civil penalty not to exceed $100 for each online food order which the food dispensing establishment fills in violation of the prohibition.

Finally, this bill requires a food delivery service platform provider to remove a food dispensing establishment from the platform of the food delivery service platform provider if the food delivery service platform provider receives specific, verifiable information that the food dispensing establishment has accepted an online food order in violation of the provisions of this bill or has provided to the food delivery service platform provider false or misleading information regarding the business license of the food dispensing establishment. This bill ~~[specifically]~~ provides that a food delivery service platform provider who ~~[violates that prohibition or the prohibition against facilitating an online food order without the written agreement with the food dispensing establishment required under existing law is guilty of a misdemeanor.]~~ **fails to remove the food dispensing establishment from the platform of the food delivery service platform provider is subject to a civil penalty not to exceed $500 for each day that the food dispensing establishment remains on the platform after the 10th day after the food delivery service platform provider receives the information.**

2. A temporary or extended order must not be granted to the applicant or the adverse party unless the applicant or the adverse party has requested the order and has filed a verified application that an act of domestic violence has occurred or there exists a threat of domestic violence. ***An applicant for an extended order shall indicate in the application whether the applicant is requesting the Office of the Attorney General to provide a Hope Card to the applicant in accordance with the provisions of section 1 of this act if the court grants the extended order.*** If the applicant reasonably believes that disclosing his or her address and contact information in the application would jeopardize his or her safety, the applicant may decline to disclose his or her address and contact information in the application. The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 67.

AN ACT relating to optometry; providing that a license to practice optometry issued by the Nevada State Board of Optometry is a revocable privilege; establishing procedures by which the Board may summarily suspend a license to practice optometry; ~~[prohibiting a court from staying certain orders of the Board;]~~ specifying the substances which may be prescribed by an optometrist who holds a certificate to administer and prescribe pharmaceutical agents; increasing the number of members which constitute the Board; revising the requirements for the issuance of a license by endorsement; revising provisions governing the issuance of certain certificates by the Board; **revising the circumstances under which certain optometrists are authorized to prescribe controlled substances;** revising provisions relating to investigations conducted by the Board; clarifying that the practice of optometry includes optometric telemedicine; establishing certain circumstances under which a licensee is not required to report certain events to the Board; establishing certain provisions governing the temporary ownership of an optometry practice of a licensee who is permanently incapacitated; revising provisions governing the issuance of citations; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law governs the practice of optometry, including, without limitation, the licensing of optometrists by the Nevada State Board of Optometry. (Chapter 636 of NRS) **Section 2** of this bill provides that: (1) the purpose of licensing optometrists is to protect the public health and safety and general welfare of the people of this State; and (2) any license issued by the Board is a revocable privilege.

Section 3 of this bill establishes procedures by which the Board may summarily suspend the license of a licensee to practice optometry under certain circumstances.

~~[Section 4 of this bill prohibits a court from staying an order of the Board suspending the license of a licensee pending proceedings for disciplinary action.]~~

Section 5 of this bill revises the definition of the term "pharmaceutical agent" for the purposes of provisions governing the practice of optometry to specify that the term includes ~~[certain non-analgesic drugs.]~~ **any drug subject to certain provisions restricting the prescription of controlled substances or added to schedule III, schedule IV or schedule V by the State Board of Pharmacy by regulation.**

Section 6 of this bill increases the number of members of the **Nevada State** Board **of Optometry** from four members to five.

Existing law requires the Governor to appoint to the Board: (1) three members who are licensed to practice optometry in this State and are actually engaged in that practice; and (2) one member who is a representative of the general public. (NRS 636.035) **Section 7** of this bill increases the number of members who are licensees who the Governor must appoint from three members to four members.

Existing law authorizes the Board to issue a license by endorsement to certain persons who hold a corresponding valid, active and unrestricted license to engage in the practice of optometry in the District of Columbia or any state or territory of the United States and who meet certain other requirements. (NRS 636.206) **Section 8** of this bill requires an applicant for a license by endorsement to submit to the Board with his or her application proof satisfactory to the Board that the applicant has passed each part of the comprehensive national optometry examination administered by the National Board of Examiners in Optometry or its successor as a prerequisite to the issuance of the applicant's corresponding, valid, active and unrestricted license from the other jurisdiction.

Existing law requires the Board to adopt regulations which prescribe the requirements for certification to administer and prescribe certain pharmaceutical agents and sets forth certain requirements for inclusion in those regulations. (NRS 636.287) **Section 9** of this bill eliminates the requirement that an applicant for certification have successfully completed not fewer than 40 hours of clinical training in administering and prescribing pharmaceutical

agents in a training program which is conducted by an ophthalmologist and approved by the Board.

Existing law prohibits an optometrist who is certified to administer and prescribe certain pharmaceutical agents from prescribing a controlled substance unless certain conditions are satisfied, including, without limitation, the requirement that the optometrist prescribes the controlled substance in an amount that does not exceed 90 morphine milligram equivalents per day and will not last more than 72 hours. (NRS 636.2882) Section 9.5 of this bill specifies that this requirement is applicable only to the prescription of a narcotic opioid analgesic.

Existing law requires the Board to adopt regulations that prescribe the requirements for the issuance of a certificate to treat persons diagnosed with glaucoma. Existing law requires those requirements to include, among other requirements, proof that each optometrist who applies for such a certificate has treated at least 15 persons who were diagnosed with glaucoma by an ophthalmologist licensed in this State. (NRS 636.2893) **Section 10** of this bill revises that requirement to specify that such persons diagnosed with glaucoma must have been diagnosed by an ophthalmologist licensed in this State, the District of Columbia or any other state or territory of the United States.

Existing law requires the Board to cause any complaint filed with the Board to be investigated if the Executive Director of the Board determines the complaint is not frivolous and alleges on or more grounds for disciplinary action. (NRS 636.305) **Section 11** of this bill authorizes the Board to issue orders to aid such an investigation, including, without limitation, an order compelling a licensee to appear before the Board or an investigative committee of the Board.

Existing law provides that a person who is licensed to practice optometry pursuant to chapter 636 of NRS is authorized and entitled to practice optometry in this State subject to the provisions of that chapter. (NRS 636.345) **Section 12** of this bill clarifies that the practice of optometry includes optometric telemedicine.

Existing law authorizes an assistant in any setting where optometry is practiced to perform certain activities if the assistant acts under the direct supervision of a licensed optometrist. (NRS 636.346) **Section 13** of this bill clarifies that an assistant is authorized to perform those same activities under the direct supervision of a licensed optometrist in any setting where optometric telemedicine is practiced.

Existing law requires a licensee to report to the Board within 30 days the revocation, suspension or surrender of, or any disciplinary action taken against, a license, certificate or registration to practice any occupation or profession issued by any other jurisdiction. (NRS 636.371) **Section 14** of this bill provides an exception to this duty, providing that a licensee is not required to report to the Board an administrative fine imposed by a regulatory board or other equivalent administrative body of any other jurisdiction if: (1) the National Practitioner Data Bank contains no corresponding report of the

administrative fine; and (2) the regulatory board or other administrative body that imposed the fine did not issue an order of formal disciplinary action relating to the act or acts which served as the basis for the fine.

Existing law authorizes a surviving family member of a licensed optometrist who died and was the sole owner of an optometry practice to own the practice without holding a license to practice optometry in this State for not more than 1 year after the death of the licensed optometrist. (NRS 636.398) **Section 15** of this bill authorizes a guardian or guardian ad litem who is appointed for a licensed optometrist who is permanently incapacitated and was the sole owner of an optometry practice to own the practice without holding a license to practice optometry in this State for not more than 1 year after the appointment of guardianship.

Existing law authorizes the Board to issue a citation to a licensee or other person who violates certain provisions of law governing the practice of optometry. (NRS 636.420) **Section 16** of this bill authorizes the issuance of a citation only for violations not involving: (1) the care of a patient; or (2) unethical or unprofessional conduct. **Section 16** also provides that the issuance of a citation and the imposition of an administrative fine against a licensee for certain violations: (1) do not constitute formal disciplinary action by the Board; and (2) must not be reported to the National Practitioner Data Bank.

Bill read second time.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 445.

AN ACT relating to pharmacy; authorizing a registered pharmacist to prescribe drugs and devices to treat certain health conditions ~~[;]~~ **and dispense a refill without the authorization of a practitioner, other than a pharmacist, under certain circumstances;** authorizing a registered pharmacist to administer drugs; authorizing a registered pharmacist to engage in certain activity relating to laboratories and laboratory testing; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes, under certain conditions, a pharmacist to dispense a self-administered hormonal contraceptive without a prescription and prescribe and dispense a drug for the medication-assisted treatment of opioid use disorder. (NRS 639.28078, 639.28079) **Section 1** of this bill authorizes a registered pharmacist to prescribe and dispense drugs and devices for the treatment of health conditions that: (1) have been previously diagnosed; (2) are self-limiting; **or** (3) are **acute conditions** diagnosed after the performance of certain tests **.** ~~[, or (4)]~~ **Section 1 additionally authorizes a registered pharmacist to dispense a one-time refill of a prescription without the authorization of a practitioner, other than a pharmacist, if the drug was previously prescribed to the patient and losing access to the drug would** threaten the health of the patient. **Section 1** additionally prohibits a registered pharmacist from ~~[prescribing:]~~ **taking such action with regard to: (1)** drugs and devices not approved by the United States Food and Drug Administration ~~[.]~~ **; (2) controlled substances that are not opioids, except in certain clinical settings; and (3) controlled substances that are an opioid except in accordance with the protocols for prescribing and dispensing a drug for medication-assisted treatment. (NRS 639.28079) Section 1** also authorizes the State Board of Pharmacy to adopt regulations establishing: (1) the scope of the ability of a registered pharmacist to prescribe drugs and devices ~~[.]~~ **and dispense refills without the authorization of another type of practitioner;** (2) the standard of care required of a registered pharmacist who ~~[prescribes drugs and devices;]~~ **engages in such activities;** and (3) the requirements for adequate liability insurance for registered pharmacists who engage in such activities. **Section 2** of this bill provides that prescribing and dispensing drugs and devices **and dispensing refills** pursuant to **section 1** constitutes the practice of pharmacy. **Sections 3, 10-13 and 15** of this bill make additional changes necessary to authorize a registered pharmacist to prescribe and dispense drugs and devices **and dispense refills without the authorization of another type of practitioner** pursuant to **section 1**. The Board would be authorized to suspend or revoke the registration of a pharmacist who prescribes or dispenses a drug or device **or dispenses a refill** without ~~[complying]~~ **the authorization of another type of practitioner and fails to comply** with the provisions of **section 1** or the regulations adopted pursuant thereto. (NRS 639.210)

Existing law includes within the practice of pharmacy the performance or supervision of activities associated with manufacturing, compounding, labeling, dispensing and distributing a drug. (NRS 629.0124) **Section 2** additionally includes the performance or supervision of activities associated with administering a drug, thereby authorizing a registered pharmacist to perform or supervise such activities. **Sections 14, 16 and 17** of this bill accordingly provide general authorization for a registered pharmacist to possess and administer controlled substances and dangerous drugs.

Existing law requires the Board to adopt regulations governing the manipulation of a person for the collection of specimens by a registered pharmacist that: (1) require the pharmacist to use only a fingerstick or oral or nasal swab to collect the specimens; and (2) set forth the procedures and requirements the pharmacist is required to follow when manipulating a person for the collection of a specimen. (NRS 639.0747) **Section 4** of this bill removes the requirement that a pharmacist use only a fingerstick or oral or nasal swab to collect a specimen, thereby authorizing a pharmacist to collect a specimen using any method available for the collection of the specimen.

Existing law authorizes a registered pharmacist or a registered intern pharmacist to: (1) perform a home blood glucose test; and (2) order and perform laboratory tests that are necessary for therapy that uses a drug approved by the United States Food and Drug Administration for preventing the acquisition of human immunodeficiency virus. (NRS 639.2808, 639.28085) **Section 5** of this bill additionally authorizes a registered pharmacist to: (1) order laboratory tests that are necessary for any drug therapy or that otherwise facilitate the care of a patient within the authorized scope of practice of the pharmacist; and (2) perform certain other laboratory tests determined by the Federal Government to be simple laboratory examinations and procedures that have an insignificant risk of an erroneous result. (42 U.S.C. 263a(d)(3); 42 C.F.R. Part 493, Subpart A) **Section 5** also authorizes the State Board of Pharmacy to adopt regulations to authorize registered intern pharmacists to order and perform such laboratory tests. **Section 2** provides that ordering and performing such laboratory tests constitutes the practice of pharmacy. **Sections 2 and 6** of this bill remove duplicative provisions from existing law. **Sections 8, 9 and 18-24** of this bill make conforming changes so that requirements for insurance coverage of certain services performed by registered pharmacists are not changed by this bill.

Existing law requires the State Board of Health to adopt regulations for the certification and licensure of laboratory directors. (NRS 652.125) Existing regulations define an exempt laboratory to be a laboratory that: (1) conducts only certain microscopy tests and tests determined by the Federal Government to be simple laboratory examinations and procedures that have an insignificant risk of an erroneous result; and (2) does not perform only tests for human immunodeficiency virus. (42 U.S.C. ~~[263a(d)(3);]~~ **493.19;** 42 C.F.R. Part 493, Subpart A; NAC 652.072) **Section 7** of this bill requires regulations of the Board to authorize a registered pharmacist to serve as the laboratory director of an exempt laboratory.

Assembly Bill No. 192.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 134.

AN ACT relating to real property; enacting the Uniform Easement Relocation Act; enacting the Uniform Mortgage Modification Act; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Sections 2-32 of this bill enact the Uniform Easement Relocation Act promulgated by the Uniform Law Commission in 2020. **Sections 34-50** of this bill enact the Uniform Mortgage Modification Act promulgated by the Uniform Law Commission in 2024.

Generally, the Uniform Easement Relocation Act allows the owner of real property burdened by certain types of easements to seek judicial approval to relocate an easement if the relocation does not materially impair the utility of the easement to the easement holder or the physical condition, use or value of the benefitted property. **Sections 4-21** define certain terms for the purposes of the Act. **Section 22** prohibits relocation under the Act of an easement: (1) where the holder is a publicly regulated or publicly owned utility ~~[,]~~ **or a public entity;** (2) which has been set aside for certain conservation purposes; (3) **which is associated with a public road; (4)** which is a negative easement that imposes a duty not to engage in a specified use of the property; ~~[or (4)]~~ **(5)** if the proposed location encroaches on certain land or interferes with the use or enjoyment or certain other easements ~~[.]~~ **; or (6) which is created by a declaration of a common-interest community.**

Section 24: (1) requires a property owner who wishes to relocate an easement under the Act to file a civil action and serve a summons and complaint on the easement holder and certain other interested persons; and (2) sets forth the required contents of such a complaint. **Sections 23 and 25** set forth: (1) the factors a court must consider before approving the relocation of an easement under the Act; and (2) the required contents of a court order approving such a relocation. If the court approves the relocation of an easement, **section 27** requires all parties to the civil action to act in good faith to facilitate relocation. **Section 26** requires the property owner seeking to relocate an easement to bear all reasonable expenses of the relocation.

Before proceeding with the relocation of an easement which has been approved by a court, **section 25** requires the property owner to record **: (1)** a

certified copy of the court order approving the relocation in the land records of each jurisdiction where the property is located **[.] ; and (2) if the easement was established by the recording of certain recorded maps, a certificate of amendment to any such map. Section 28** deems such an easement relocated upon recording of the certified court order **[.] and any certificate of amendment which is required.**

If the relocation requires the construction of an improvement as a condition for relocation, **section 28** authorizes the easement holder to continue to use the existing easement according to the terms of the court order until the property owner sends certain required notice that the easement holder is able to enter, use and enjoy the easement in the new location. Specifically, once the relocation is substantially complete and the easement holder is able to enter, use and enjoy the easement in the new location, **section 28** requires the property owner relocating the easement to: (1) execute an affidavit certifying that the easement has been relocated **[,] in accordance with the order;** (2) record the affidavit in the land records of each jurisdiction in which the property is located; and (3) send a copy of the recorded affidavit by certified mail to the easement holder and **all** parties to the civil action.

Sections 29 and 30 provide that: (1) the Act does not affect any other method of relocating an easement which is permitted under existing law; and (2) the right of a property owner to relocate an easement under the Act with court approval may not be waived, excluded or restricted by agreement even in circumstances where the instrument which created the easement contains certain restrictions. **Section 29** also provides that a relocation under the Act does not constitute a new transfer or grant of an interest in property, and thus is not a breach or default of certain existing agreements.

Generally, the Uniform Mortgage Modification Act establishes safe harbor provisions for several common categories of modifications which are not prejudicial to junior interest holders and which do not affect the priority of the mortgage. Modifications which are outside the scope of the Act remain governed by existing law applicable to those modifications. **Sections 36-46** define certain terms for the purposes of the Act. **Sections 47 and 48** establish the types of modifications to which the Act does and does not apply. **Section 48** provides that, for a modification to which the Act applies: (1) the mortgage continues to secure the obligation as modified; (2) the priority of the mortgage is not affected by the modification; (3) the mortgage retains its priority even if the modification is not recorded in the land records of a jurisdiction in which the property is located; and (4) the modification is not a novation.

Section 48 also establishes the categories of modifications to which the Act applies, which include: (1) an extension of the maturity date of the obligation; (2) a decrease in the interest rate; (3) certain changes in the methods of calculating interest which do not result in an increase as calculated on the date the modification becomes effective; (4) a capitalization of interest or other unpaid monetary obligations; (5) a forgiveness, forbearance or other reduction of a secured debt or other monetary obligation; (6) a modification of a

requirement for maintaining certain escrow or reserve accounts; (7) a modification of a requirement for acquiring or maintaining insurance; (8) a modification of an existing condition to advance funds; (9) a modification of a financial covenant; and (10) a modification of the payment amount or schedule resulting from another modification to which the Act applies.

Section 47 provides that the Act does not affect existing law governing the required content of a mortgage, statutes of limitation, recording, priority of certain liens, certain electronic transactions or the priority of certain future advances. **Section 47** also excludes certain modifications from the Act.

Sections 31 and 49 require a court to consider the uniformity of law among jurisdictions that enact the Uniform Easement Relocation Act or the Uniform Mortgage Modification Act in applying and construing the provisions of those Acts. **Sections 32 and 50** clarify the relation of the Uniform Easement Relocation Act and the Uniform Mortgage Modification Act to the federal Electronic Signatures in Global and National Commerce Act. (15 U.S.C. §§ 7001 et seq.)

Amendment No. 276.

AN ACT relating to cannabis; ~~[creating the Social Equity Liaison within the Cannabis Compliance Board;]~~ revising certain requirements relating to the **packaging,** labeling and delivery of cannabis and cannabis products; authorizing certain persons to enter into a joint-venture agreement with certain cannabis establishments; revising provisions relating to cannabis consumption lounges; ~~[authorizing a cannabis production facility to produce and sell non-infused pre-rolls;]~~ prohibiting the **Cannabis Compliance** Board from imposing certain requirements on cannabis establishments; revising the definition of "usable cannabis"; revising provisions relating to the seizure and destruction of cannabis; revising provisions relating to certain taxes imposed on sales of cannabis and cannabis products; authorizing the Department of Taxation to impose an administrative fine upon a person who engages in the unlicensed sale of cannabis or cannabis products; revising the ~~[responsibilities]~~ **powers** of the Investigation Division of the Department of Public Safety; ~~[exempting an employee of a cannabis sales facility from certain training requirements;]~~ requiring the Board and the Nevada Gaming Control Board to prepare a report concerning certain issues relating to cannabis and gaming; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for the licensure and regulation of persons and establishments involved in the cannabis industry in this State by the Cannabis Compliance Board. (Title 56 of NRS) ~~[Section 1 of this bill creates the Social Equity Liaison within the Board. Section 1 requires the Executive Director of the Board to appoint a person to serve in the position of Social Equity Liaison and sets forth the duties of that position.]~~

Existing law authorizes the Board to adopt regulations setting forth requirements relating to the packaging and labeling of cannabis and cannabis products. (NRS 678A.450) **Section 2** of this bill prohibits those requirements from requiring **: (1)** a package of cannabis or cannabis products which is sold at wholesale to contain any label **or tag** other than a label **or tag** necessary for the functionality of any computer software used for the seed-to-sale tracking of cannabis adopted by the Board ~~.~~ **; and (2) a cannabis establishment to include any information on the label for any cannabis or a cannabis product that is already included on the packaging for the cannabis or cannabis product. Section 9 of this bill revises requirements concerning the labeling of cannabis products for the purpose of allowing information required to be included on a label to instead be included on packaging. Sections 1.3 and 1.5 of this bill define the terms "label" and "packaging" for the purposes of the provisions of existing law governing the medical and adult use of cannabis. Section 1.7 of this bill makes a conforming change to apply the definitions set forth in sections 1.3 and 1.5 to the provisions of existing law governing the medical and adult use of cannabis.**

Existing law prohibits a person from engaging in the business of an adult-use or medical cannabis establishment unless the person holds an adult-use or medical cannabis establishment license, as applicable, issued by the Board. (NRS 678B.210, 678B.250) **Sections 5-7** of this bill provide an exception from that prohibition for certain cannabis-related businesses operated pursuant to a joint-venture agreement with a licensed cannabis cultivation facility or cannabis production facility. **Section 5** authorizes a person who does not hold a license issued by the Board and who has been adversely affected by provisions of previous laws which criminalized activities relating to cannabis to enter into such a joint-venture agreement with such a cannabis establishment to operate a cannabis-related business on the premises of the establishment. **Section 5**: (1) authorizes such a business to engage in any activity in which the cannabis cultivation facility or cannabis production facility that is a party to the joint-venture agreement is authorized to engage; and (2) sets forth various requirements for such a joint-venture agreement and the operation of such a business. **Sections 12 and 17** of this bill provide an exception from state prosecution for certain crimes relating to cannabis for a person who has entered into a joint-venture agreement that has been approved by the Board pursuant to **section 5**. **Section 16** of this bill provides that the fact that a person has entered into such an agreement does not, alone: (1) constitute probable cause

to search the person or the person's property; or (2) subject the person or the person's property to inspection.

~~[Existing law imposes certain excise taxes on certain wholesale and retail sales of cannabis and cannabis products. (NRS 372A.290) Section 23 of this bill exempts from those excise taxes any sale of cannabis or a cannabis product that was produced by a business operating pursuant to a joint venture agreement pursuant to section 5.]~~

Existing law requires an applicant for an adult-use cannabis establishment license to submit to the Board, among other things, evidence that the applicant controls certain liquid assets. (NRS 678B.250) **Section 7** exempts from that requirement a social equity applicant who is applying for the issuance of an adult-use cannabis establishment license for an independent cannabis consumption lounge. **Section 8** of this bill removes provisions requiring the Board to set forth certain restrictions on the transfer of an adult-use cannabis establishment license for an independent cannabis consumption lounge.

~~[Section 9 of this bill authorizes a cannabis production facility to produce and sell to a cannabis sales facility a non-infused pre-roll.]~~

Existing law requires the Board to adopt certain regulations to carry out the provisions of existing law governing the licensing and control of cannabis. (NRS 678B.650) **Section 10** of this bill prohibits those regulations from requiring: (1) a cannabis sales facility to maintain a visitor's log; and (2) a cannabis establishment to maintain records concerning sales transactions for more than 3 years. **Section 10** additionally requires those regulations to allow certain ~~[employees]~~ **agents** of a cannabis establishment to conduct a quarterly inventory, if such a quarterly inventory is required by the Board. **Sections 13-15** of this bill make conforming changes to refer to provisions that have been renumbered by **section 10**.

Section 11 of this bill revises the definition of "usable cannabis" to exclude the seeds of a plant of the genus *Cannabis*.

Existing law authorizes a cannabis sales facility to contract with a third party or intermediary business to deliver cannabis or cannabis products. (NRS 678C.440, 678D.430) **Section 4** of this bill authorizes a cannabis sales facility or a third party or intermediary business with whom the cannabis sales facility has contracted to deliver cannabis or cannabis products to a consumer at any location so long as the location is not ~~[within a certain distance from]~~ **on the property of** a school, community facility **or airport** or **, with certain exceptions, within a certain distance from a** gaming establishment. **Section 4** additionally prohibits the Board from requiring a vehicle used for such deliveries to be inspected by the Board before making such a delivery.

Existing law authorizes a law enforcement agency to destroy marijuana that has been seized from a defendant without prior court approval under certain circumstances. (NRS 52.400) **Section 18** of this bill specifies that the Board constitutes a law enforcement agency for the purposes of that authorization.

Existing law imposes upon each retailer a sales tax measured by the gross receipts of the retailer from the retail sale of tangible personal property in this

State. (NRS 372.105, 374.110, 374.111) **Sections 19 and 25** of this bill clarify that the provisions of existing law governing the imposition, collection and remittance of the sales taxes apply to a retailer who makes a retail sale of cannabis or cannabis products regardless of whether the retailer holds a license issued by the Board.

Section 20 of this bill authorizes the Department of Taxation to impose upon any person who does not hold a license issued by the Board and who sells cannabis or a cannabis product an administrative fine in the amount of the excise tax on cannabis for which the person would have been liable had the person engaged in the sale as an adult-use cannabis cultivation facility or adult-use cannabis retail store. **Sections 21, 22 and 24** of this bill make conforming changes to provide that the definitions in existing law apply to **section 20** and to clarify that certain provisions of existing law apply to **section 20**.

Existing law sets forth the primary functions and responsibilities of the Investigation Division of the Department of Public Safety. (NRS 480.140) **Section 26** of this bill ~~[makes]~~ **additionally authorizes** the Division ~~[primarily responsible]~~ **to collaborate with the Board and other state and local agencies** for the enforcement of criminal laws relating to unlicensed cannabis activities.

~~[Existing law requires employees of a cannabis establishment to complete certain training courses relating to occupational health and safety. (NRS 618.9940-618.9950) Section 27 of this bill excludes a cannabis sales facility from the definition of the term "cannabis establishment" for the purposes of the provisions of existing law governing those requirements, thereby exempting an employee of a cannabis sales facility from those requirements.]~~

Section 28 of this bill requires the Board and the Nevada Gaming Control Board, on or before December 31, 2026, to jointly prepare and submit a report concerning the relationship between the gaming industry and the cannabis industry in this State to the Governor and the Director of the Legislative Counsel Bureau.

Sec. 74. ***1. In addition to the requirements set forth in NRS 127A.110, a petition for adoption of a child must contain:***

(a) A declaration under penalty of perjury and documentation, as described by the regulations adopted by the Division pursuant to section 89 of this act, of the petitioners' good faith efforts described in subsection 1 of NRS 125E.210 to determine whether there is reason to know that the child is an Indian child;

3. If the petitioner has reason to know that the child is an Indian child, within 30 days after filing the petition, the petitioner shall:

(a) Serve copies of the petition by registered or certified mail, return receipt requested, together with the notice of proceeding in the form required under subsection 3 of NRS 125E.220, to:

(1) Each tribe of which the Indian child may be a member or in which the Indian child may be eligible for membership;

(b) File a declaration of compliance with the court, including a copy of each notice sent, together with any return receipts or other proof of service.

Sec. 75. 1. A petition for adoption of a child must be filed with the clerk of the court.

2. Unless waived by the court, the agency which provides child welfare services shall make a post-placement investigation and report as provided in this section.

3. The agency which provides child welfare services shall, not less than 14 days before the date of the hearing for adoption finalization, submit to the court a written report regarding the results of the condition of the child and suitability of the home of the prospective adoptive parent or parents, which must contain, without limitation, a specific recommendation for or against approval of the petition and a statement of whether the child is a known Indian child, and shall furnish to the court any other information regarding the child or proposed home which is required by the court. The court, on good cause shown, may extend the time, designating a time certain, within which to submit the report. The agency which provides child welfare services may waive this report for a prospective adoptive parent who is related to the child within the third degree of consanguinity.

4. If the court is dissatisfied with the report submitted by the agency which provides child welfare services, the court may order an independent home study to be conducted and a report submitted by an agency selected by the court. The costs of the investigation and report may be assessed against the petitioner.

Sec. 76. Notice of the filing of a petition for adoption of a child must be provided to all legal custodians or guardians of the child who are not a parent of the child.

Sec. 77. The report of the agency which provides child welfare services must not be made a matter of public record, but must be given in writing and in confidence to the district judge before whom the matter is pending. If the recommendation of the agency which provides child welfare services is adverse, the district judge, before denying the petition, shall give the petitioner an opportunity to rebut the findings and recommendation of the report of the agency which provides child welfare services.

Sec. 78. 1. Except as otherwise provided in subsection 2, the prospective adoptive parent or parents, child to be adopted, representative of the agency which provides child welfare services and counsel for the parties may attend by telephone or video appearance, in lieu of attending in person, any hearings held by the court concerning a petition for adoption.

2. The court may waive the attendance of a child to be adopted for good cause shown.

Sec. 79. 1. If the court finds that the best interest of the child warrants the granting of the petition, an order of adoption must be made and filed, ordering that henceforth the child is the child of the petitioners. When determining whether the best interest of the child warrants the granting of a petition, the court shall give strong consideration to the emotional bond between the child and the prospective adoptive parent. A copy of the order must be sent to the Division by the petitioners within 7 days after the order is issued. In the order, the court may change the name of the child, if desired.

2. Except as otherwise provided in this subsection, an order of adoption may not be made until 6 months after the placement of child with the petitioners.

3. If the court is not satisfied that the proposed adoption is in the best interest of the child, the court shall deny the petition and custody of the child shall remain with the agency which provides child welfare services. The court shall not deny a petition solely because the petitioner:

(a) Is deaf, is blind or has another physical disability; or

(b) Is the holder of a valid registry identification card.

4. After a petition for adoption has been granted, there is a presumption that remaining in the home of the adopting parent is in the best interest of the child.

Sec. 80. 1. An order entered pursuant to section 79 of this act must include:

(a) A finding that the petitioner complied with the inquiry requirements under subsection 1 of NRS 125E.210 to determine whether there is reason to know that the child is an Indian child; and

(g) A finding that the petitioner complied with the notice requirements under subsection 2 of NRS 125E.220;

(h) If the adoptive placement and the parents entered into a postadoptive contact agreement or the adoptive placement and the Indian child's tribe has entered into an agreement that requires the adoptive placement to maintain connection between the child and the child's tribe, the terms of the agreement; and

(i) A finding that the adoptive placement complies with the placement preferences under NRS 125E.350 or, if the placement does not comply with the placement preferences under NRS 125E.350, a finding upon the petitioner's motion under subsection 3 of NRS 125E.350 that good cause exists for placement contrary to the placement preferences.

3. For each finding or determination made under this section, the court must provide a description of the facts upon which the finding or determination is based.

4. Upon entry of the order of adoption of an Indian child, the court shall provide to the United States Bureau of Indian Affairs copies of the order entered pursuant to section 79 of this act, any affidavit signed by a consenting parent requesting anonymity, and all other required information in accordance with 25 C.F.R. § 23.140.

Sec. 81. 1. Except as otherwise provided in subsection 3, the agency which provides child welfare services shall provide the prospective adoptive parents of a child with a report which includes:

(a) A copy of any medical records of the child which are in the possession of the agency which provides child welfare services.

(b) Any information obtained by the agency which provides child welfare services during interviews of the parent regarding:

(1) The medical and sociological history of the child and the parents of the child; and

(2) Any behavioral, emotional or psychological problems that the child may have. Information regarding any behavioral, emotional or psychological problems that the child may have must be discussed in accordance with policies established by an agency which provides child welfare services pursuant to regulations adopted by the Division for the disclosure of such information.

(c) Written information regarding any subsidies, assistance and other services that may be available to the child if it is determined pursuant to section 85 of this act that the child has any special needs.

2. The agency which provides child welfare services shall obtain from the prospective adoptive parents written confirmation that the prospective adoptive parents have received the report required pursuant to subsection 1.

3. The report required pursuant to subsection 1 must exclude any information that would lead to the identification of the parent.

4. The Division shall adopt regulations specifying the procedure and format for the provision of information pursuant to this section, which may include the provision of a summary of certain information. If a summary is provided pursuant to this section, the prospective adoptive parents of the child may also obtain the information set forth in subsection 1.

Sec. 82. 1. After an order of adoption has been entered, the court shall direct the petitioner or the attorney of the petitioner to prepare a report of adoption on a form prescribed and furnished by the State Registrar of Vital Statistics or the equivalent office in the state that issued the birth certificate. The report must:

(a) Identify the original certificate of birth of the person adopted;

(b) Provide sufficient information to prepare a new certificate of birth for the person adopted;

(c) Identify the order of adoption; and

(d) Be certified by the clerk of the court.

2. The agency which provides child welfare services shall provide the petitioner or the attorney with any factual information which will assist in the preparation of the report required in subsection 1.

3. If an order of adoption is amended or annulled, the petitioner or the attorney of the petitioner shall prepare a report to the State Registrar of Vital Statistics or the equivalent office in the state that issued the birth certificate, which includes sufficient information to identify the original order of adoption and the provisions of that order which were amended or annulled.

4. The petitioner or the attorney of the petitioner shall forward all reports required by the provisions of this section to the State Registrar of Vital Statistics or the equivalent office in the state in which the birth certificate was issued not later than the 30 days after the date in which the order was entered, or more frequently if requested by the State Registrar of Vital Statistics, together with any related material the State Registrar of Vital Statistics may require.

Sec. 83. 1. A placing parent of a child may not bring an action to set aside an adoption after a petition for adoption has been granted, unless a court of competent jurisdiction has previously, in a separate action:

(a) Set aside the specific consent to adoption;

(b) Set aside the relinquishment of the child for adoption; or

(c) Reversed an order terminating the parental rights of the placing parent.

2. After a petition for adoption has been granted, there is a presumption for the purposes of this chapter that remaining in the home of the adoptive parents is in the best interest of the child.

Sec. 84. 1. Except as otherwise provided in sections 91 to 96, inclusive, of this act, in a proceeding for adoption of a child, the court may grant a reasonable right to visit to:

(a) A sibling of the child if the child is in the custody of the agency which provides child welfare services and a similar right has been granted previously pursuant to NRS 432B.580; and

(b) Certain relatives of the child only if a similar right had been granted previously pursuant to NRS 125C.050.

2. The agency which provides child welfare services shall provide the court which is conducting the adoption proceedings with a copy of any order for visitation with a sibling of the child that was issued pursuant to NRS 432B.580.

3. The court may not grant a right to visit the child to any person other than as specified in subsection 1.

Sec. 85. 1. The agency which provides child welfare services may consent to the adoption of a child under 18 years of age with special needs due to race, age or physical or mental problems who is in the custody of the agency which provides child welfare services by proposed adoptive parents when, in the judgment of the agency which provides child welfare services, it would be in the best interest of the child to be placed in that adoptive home.

2. The agency which provides child welfare services shall in a timely and diligent manner:

(a) Schedule any evaluations necessary to identify any special needs the child may have.

(b) If it determines that the child has any special needs:

(1) Notify the prospective adoptive parents:

(I) That they may be eligible for a grant of financial assistance pursuant to this section; and

(II) The manner in which to apply for such financial assistance; and

(2) Assist the prospective adoptive parents in applying for and satisfying any other prerequisites necessary to obtain a grant of financial assistance pursuant to this section and any other relevant subsidies and services which may be available.

3. The agency which provides child welfare services may grant financial assistance for attorney's fees in the adoption proceeding, for maintenance and for preexisting physical or mental conditions to the adoptive parents of a child with special needs out of money provided for that purpose if the head of the agency which provides child welfare services or the designee has reviewed and approved in writing the grant of financial assistance.

4. The grant of financial assistance must be limited, both as to amount and duration, by agreement in writing between the agency which provides child welfare services and the prospective adoptive parents. Such an agreement must not become effective before the entry of the order of adoption.

5. Any grant of financial assistance must be reviewed and evaluated at least once annually by the agency which provides child welfare services. The evaluation must be presented for approval to the head of the agency which provides child welfare services or the designee. Financial assistance must be discontinued immediately upon written notification to the adoptive parents by the agency which provides child welfare services that continued assistance is denied.

6. All financial assistance provided under this section ceases immediately when the child:

(a) Reaches 18 years of age, if the child is not enrolled in school, or 19 years of age, if the child is enrolled in school;

(b) Graduates from high school, if the child is at least 18 years of age;

(c) Becomes self-supporting;

(d) Is emancipated; or

(e) Dies.

7. Neither a grant of financial assistance pursuant to this section nor any discontinuance of such assistance affects the legal status or respective obligations of any party to the adoption.

8. A court shall waive all court costs of the prospective adoptive parents in an adoption proceeding for a child with special needs if the agency which

provides child welfare services consents to the adoption of such a child pursuant to this section.

9. The Division, in consultation with each agency which provides child welfare services, shall adopt regulations regarding eligibility for and the procedures for applying for a grant of financial assistance pursuant to this section.

Sec. 86. 1. A petition to vacate an order of adoption of an Indian child under this chapter may be filed in a court of competent jurisdiction by a parent who consented to the adoption.

2. Upon the filing of a petition under this section, the court shall set a time for a hearing on the petition and provide notice of the petition and hearing to each party to the adoption proceeding and to the Indian child's tribe.

3. After a hearing on the petition, the court shall vacate the order of adoption if:

(a) The petition is filed not later than 2 years following the date of the order; and

(b) The court finds by clear and convincing evidence that the parent's consent was obtained through fraud or duress.

4. When the court vacates an order of adoption under this section, the court shall also order that the parental rights of the parent whose consent the court found was obtained through fraud or duress be restored. The order restoring parental rights under this section must include a plan for the physical custody of the Indian child, whether the Indian child will be placed with an agency which provides child welfare services or with the parent.

Sec. 87. 1. If an order of adoption of an Indian child under this chapter is vacated, the court vacating the order must notify, by registered or certified mail with return receipt requested, the Indian child's former parents, prior Indian custodian, if any, and Indian tribe and the appropriate agency which provides child welfare services.

2. The notice required under subsection 1 must:

(a) Include the Indian child's current name and any former names as reflected in the court record;

(b) Inform the recipient of the right to move the court for the return of custody of and restoration of parental rights to the Indian child, if appropriate, under this section;

(c) Provide sufficient information to allow the recipient to participate in any scheduled hearings; and

(d) Be sent to the last known address in the court record.

3. An Indian child's former parent or prior Indian custodian may waive notice under this section by executing a waiver of notice in person before the court and filing the waiver with the court. The waiver must clearly set out any conditions to the waiver. Before the execution of the waiver, the court must explain to the former parent or prior Indian custodian, on the record in detail and in the language of the former parent or prior Indian custodian:

(a) The former parent's right to legal counsel, if applicable;

(b) The terms and consequences of the waiver; and

(c) How the waiver may be revoked.

4. After execution of the waiver pursuant to subsection 3, the court shall certify that it provided the explanation as required under subsection 3 and that the former parent or prior Indian custodian fully understood the explanation.

5. At any time before the entry of an order of adoption of an Indian child, the former parent or prior Indian custodian may revoke a waiver executed by the former parent or prior Indian custodian pursuant to subsection 3 by filing a written revocation with the court or by making a statement of revocation on the record in a proceeding for the adoption of the Indian child.

6. If an order of adoption of an Indian child under this chapter is vacated other than as provided in NRS 125E.360, an Indian child's former parent or prior Indian custodian may intervene in the proceeding and move the court for the Indian child to be returned to the custody of the former parent or prior Indian custodian and for the parental rights to the Indian child to be restored. The moving party shall provide by registered or certified mail, return receipt requested, notice of the motion for the Indian child to be returned to the custody of the former parent or prior Indian custodian and the time set for filing objections to the motion, together with notice of proceeding in the form required under subsection 3 of NRS 125E.220 to:

(a) The agency which provides child welfare services in the county in which the order was vacated;

(b) Each tribe of which the child may be a member or in which the Indian child may be eligible for membership;

(c) The child's parents;

(d) The child's Indian custodian, if applicable; and

(e) The appropriate Regional Director of the United States Bureau of Indian Affairs listed in 25 C.F.R. § 23.11(b), if the identity or location of the child's parents cannot be ascertained.

➥ The petitioner shall file a declaration of compliance, including a copy of each notice sent under this subsection, together with any return receipts or other proof of service.

7. Upon the filing of an objection to a motion made pursuant to subsection 6, the court shall fix the time for hearing on objections.

8. The court shall order the Indian child to be returned to the custody of the former parent or prior Indian custodian or restore the parental rights to the Indian child unless the court finds, by clear and convincing evidence, that the return of custody or restoration of parental rights is not in the child's best interests, as described in NRS 125E.230. If the court orders the Indian child to be returned to the custody of the former parent or prior Indian custodian, the court's order must include a transition plan for the physical custody of the child, which may include protective supervision.

9. As used in this section:

(a) "Former parent" means a person who was previously the parent of an Indian child subject to an order of adoption under this chapter and whose parental rights have not been restored under section 86 of this act.

(b) "Prior Indian custodian" means a person who was previously the custodian of an Indian child subject to an order of adoption of the child under this chapter.

Sec. 88. 1. Notwithstanding any other provision of law, if an Indian child's tribe or the United States Secretary of the Interior requests access to the adoption records of an Indian child, the court must make the records available not later than 14 days following the date of the request.

2. The records made available under subsection 1 must, at a minimum, include the petition, all substantive orders entered in the adoption proceedings, the complete record of the placement finding and, if the placement departs from the placement preference under NRS 125E.350, detailed documentation of the efforts to comply with the placement preferences.

Sec. 89. 1. In a proceeding for the adoption of a child, within 90 days after service of a petition upon the appropriate agency which provides child welfare services as required pursuant to section 74 of this act, the agency shall file with the court an ICWA compliance report, which must reflect the agency's view of the petition and advise the court on whether the documentation submitted by the petitioner is sufficient and complete for the court to make the findings required pursuant to subsection 2. Nothing in this section requires the agency to make a determination of law regarding the documentation provided by the petitioner.

2. Upon receiving an ICWA compliance report, the court shall order the matter to proceed if the court finds that the petitioner satisfied the inquiry requirement under subsection 1 of NRS 125E.210 and, if applicable, the notice requirements under subsection 2 of NRS 125E.220. If the court finds that:

(a) Subject to the procedures under subsection 3 of NRS 125E.210, the child is an Indian child, the court's order under this subsection must include a finding regarding whether the proposed adoptive placement complies with the preferences under NRS 125E.350. If the court finds that the proposed adoptive placement does not comply with such preferences or that the documentation provided by the petitioner is insufficient for the court to make a finding, the court shall direct the petitioner to amend the petition to cure the deficiency or file a motion under subsection 3 of NRS 125E.350 for authority to make the placement contrary to the placement preferences under NRS 125E.350.

(b) The petitioner failed to satisfy the inquiry requirements under subsection 1 of NRS 125E.210 or, if applicable, the notice requirements under subsection 2 of NRS 125E.220, or if the documentation supplied by the petitioner is insufficient for the court to make those findings, the court shall direct the petitioner to cure the inquiry or notice deficiency and file an

amended petition. If the court directs the petitioner to file an amended petition pursuant to this subsection or a motion and the petitioner fails to do so within a reasonable amount of time, the court shall order the petitioner to appear and show cause why the court should not dismiss the petition.

3. The Division shall adopt regulations providing a nonexhaustive description of the documentation that the petitioners or moving parties in proceedings under this chapter may submit to the court to document compliance with the inquiry requirements under subsection 1 of NRS 125E.210 and the notice requirements under subsection 2 of NRS 125E.220 and the placement preferences under NRS 125E.350, including, without limitation:

(a) Descriptions of the consultations the petitioner or moving party made with the persons described in subsection 1 of NRS 125E.210 and subsection 3 of NRS 125E.220 and the responses the petitioner or moving party obtained;

(b) Descriptions of any oral responses and copies of any written responses the petitioner or moving party obtained from the persons described in subsection 1 of NRS 125E.210 and subsection 3 of NRS 125E.220;

(c) Copies of any identification cards or other records indicating the membership of the child or the child's parent in an Indian tribe;

(d) Copies of any tribal court records regarding the Indian child;

(e) Any reports, declarations or testimony on the record documenting the due diligence of the petitioner or moving party to identify and work with all of the tribes of which the petitioner or moving party has reason to know that the child may be a member or in which the child may be eligible for membership; and

(f) The declaration of compliance regarding the notices the petitioner sent, as described in section 74 of this act.

4. The Division shall adopt any other regulations for the preparation of ICWA compliance reports that are necessary for agencies which provide child welfare services to carry out their duties under this chapter.

5. The court administrator may prepare and make available to the public forms and information to assists petitioners to comply with the requirements under this section and NRS 125E.210, 125E.220, 125E.350 and section 74 of this act and any related rules or regulations, including, without limitation:

(a) Forms of petitions required under section 74 of this act, motions to request a deviation from the placement preferences under subsection 3 of NRS 125E.350 and notices required under subsection 3 of NRS 125E.220;

(b) Worksheets and checklists to assist petitioners with the inquiry required under subsection 1 of NRS 125E.210 and the notices required under subsection 1 of NRS 125E.220, and assessing whether proposed adoptive placements satisfy the preferences under NRS 125E.350.

6. The court administrator may design and offer trainings to courts having jurisdiction over adoption matters regarding applications of chapter 125E of NRS, and sections 64, 74, 80 and 86 to 96, inclusive, of this act, to

adoptions of minor children, including, without limitation, identifying when there is reason to know that the child is an Indian child and making findings regarding the sufficiency of inquiry and notice of the appropriateness of adoptive placements.

7. As used in this section, "ICWA compliance report" means a written report prepared by an agency which provides child welfare services concerning compliance with the Indian Child Welfare Act of 1978, 25 U.S.C. §§ 1901 et seq.

Sec. 90. 1. If the court determines that tribal customary adoption is in the best interest, as described in NRS 125E.230, of a ward who is an Indian child and the Indian child's tribe consents to the tribal customary adoption:

(a) The appropriate agency which provides child welfare services shall provide the Indian child's tribe and the proposed tribal customary adoptive parents with a written report on the Indian child, including, without limitation, to the extent not otherwise prohibited by state or federal law, the medical background, if known, of the Indian child's parents, and the Indian child's educational information, developmental history and medical background, including all known diagnostic information, current medical reports and any psychological evaluations.

(b) The court shall accept a tribal customary adoptive home study conducted by the Indian child's tribe if the home study:

(1) Includes federal criminal background checks, including reports of child abuse, that meet the standards applicable under the laws of this State for all other proposed adoptive placements;

(2) Uses the prevailing social and cultural standards of the Indian child's tribe as the standards for evaluation of the proposed adoptive placement;

(3) Includes an evaluation of the background, safety and health information of the proposed adoptive placement, including the biological, psychological and social factors of the proposed adoptive placement and assessment of the commitment, capability and suitability of the proposed adoptive placement to meet the Indian child's needs; and

(4) Except where the proposed adoptive placement is in the Indian child's current foster care placement, is completed before the placement of the Indian child in the proposed adoptive placement.

(c) Notwithstanding subsection 2, the court may not accept the tribe's order or judgment of tribal customary adoption if any adult living in the proposed adoptive placement has a felony conviction for child abuse or neglect, spousal abuse, crimes against a child, including, child pornography, or a crime involving violence. The Division shall, by regulation, define "crime involving violence" for the purpose of this paragraph. The definition must include rape, sexual assault and homicide, but must not include other physical assault or battery.

2. The court shall accept an order or judgment for tribal customary adoption that is filed by the Indian child's tribe if:

(a) The court determines that tribal customary adoption is an appropriate permanent placement option for the Indian child;

(b) The court finds that the tribal customary adoption is in the Indian child's best interest, as described in NRS 125E.230; and

(c) The order or judgment:

(1) Includes a description of the modification of the legal relationship of the Indian child's parents or Indian custodian and the Indian child, including any contact between the Indian child and the Indian child's parents or Indian custodian, responsibilities of the Indian child's parents or Indian custodian and the rights of inheritance of the parents and Indian child;

(2) Includes a description of the Indian child's legal relationship with the tribe; and

(3) Does not include any child support obligations from the Indian child's parents or Indian custodian.

➥ The court shall afford full faith and credit to a tribal customary adoption order or judgment that is accepted under this subsection.

3. A tribal customary adoptive parent is not required to file a petition for adoption when the court accepts a tribal customary adoption order or judgment under subsection 2. The clerk of the court may not charge or collect a fee for a proceeding under this subsection.

4. After accepting a tribal customary adoption order or judgment under subsection 2, the court that accepted the order or judgment shall proceed as provided in section 79 of this act and enter an order of adoption. In addition to the requirements under section 80 of this act, the order of adoption must include a statement that any parental rights or obligations not specified in the order are transferred to the tribal customary adoptive parents and a description of any parental rights or duties retained by the Indian child's parents, the rights of inheritance of the parents and the Indian child and the Indian child's legal relationship with the child's tribe.

5. A tribal customary adoption under this section does not require the consent of the Indian child or the child's parents.

6. Upon the court's entry of an order of adoption under this section, the court's jurisdiction over the Indian child terminates.

7. Any parental rights or obligations not specifically retained by the Indian child's parents in the order of adoption are conclusively presumed to transfer to the tribal customary adoptive parents.

8. This section remains operative only to the extent that compliance with the provisions of this section do not conflict with federal law as a condition of receiving funding under Title IV-E of the Social Security Act, 42 U.S.C. §§ 601 et seq.

9. The Division shall adopt regulations requiring that any report regarding a ward who is an Indian child that an agency which provides child welfare services submits to the court, including any home studies, placement reports or other reports required by law must address tribal customary

adoptions as a permanency option. The Supreme Court may adopt rules necessary for the court process to implement the provisions of this section, and the court administrator may prepare necessary forms for the implementation of this section.

10. As used in this section, "tribal customary adoption" means the adoption of an Indian child, by and through the tribal custom, traditions or law of the child's tribe, and which may be effected without the termination of parental rights.

Sec. 91. 1. The parent or parents and the prospective adoptive parent or parents of a child to be adopted may enter into an enforceable agreement that provides for postadoptive contact between:

(a) The child and the parent or parents;

(b) The adoptive parent or parents and the parent or parents; or

(c) Any combination thereof.

2. An agreement that provides for postadoptive contact is enforceable if:

(b) The agreement is incorporated into an order of adoption;

(c) The agreement is signed by a parent or parents before:

(1) The termination or voluntary relinquishment of the parental rights of the parent or parents; or

(d) In the case of an agreement that concerns a child who was in the custody of an agency which provides child welfare services before being adopted:

(1) The agency which provides child welfare services has determined that the agreement is in the best interest of the child; or

(2) The court has determined, after a hearing, that the agreement is in the best interest of the child.

3. The identity of a parent is not required to be included in an agreement that provides for postadoptive contact. If such information is withheld, an agent who may receive service of process for the parent must be provided in the agreement.

4. A parent or adoptive parent who enters into an agreement that provides for postadoptive contact shall include in the agreement an address at which the parent or adoptive parent may receive service of a petition filed pursuant to section 94 of this act unless the parent or adoptive parent elects to receive service by alternate means through electronic mail rather than certified or registered mail, in which case, the electronic mail address must be included in the agreement. If a parent or adoptive parent refuses or fails to include such an address in an agreement that provides for postadoptive contact, the court may, on the date on which the court enters an order of adoption which incorporates the agreement, order the agency which provides child welfare services to provide the court with the contact

information of the parent or adoptive parent who refused or failed to include the address. If a court so orders, the court shall:

(a) Append the address to the agreement for postadoptive contact; and

(b) Make the address available to any party to the agreement who wishes to file a petition pursuant to section 94 of this act.

5. If a parent or adoptive parent changes the address that was included in an agreement that provides for postadoptive contact pursuant to subsection 4, the parent shall file with the clerk of the court notice of the change of address within 15 days after the change of address.

6. A court that enters an order of adoption which incorporates an agreement that provides for postadoptive contact shall retain jurisdiction to enforce, modify or terminate the agreement that provides for postadoptive contact until:

(a) The child reaches 18 years of age;

(b) The child becomes emancipated; or

(c) The agreement is terminated.

7. The establishment of an agreement that provides for postadoptive contact does not affect the rights of an adoptive parent as the legal parent of the child as set forth in section 38 of this act.

Sec. 92. 1. Each prospective adoptive parent of a child to be adopted who enters into an agreement that provides for postadoptive contact pursuant to section 91 of this act shall notify the court responsible for entering the order of adoption of the child of the existence of the agreement as soon as practicable after the agreement is established, but not later than the time at which the court enters the order of adoption of the child.

2. Each:

(a) Director or other authorized representative of the agency which provides child welfare services involved in the adoption proceedings concerning the child; and

(b) Attorney representing a prospective adoptive parent, the child and the agency which provides child welfare services in the adoption proceedings concerning the child,

➥ shall, as soon as practicable after obtaining actual knowledge that the prospective adoptive parent or parents of the child and the parent or parents of the child have entered into an agreement that provides for postadoptive contact pursuant to section 91 of this act, notify the court responsible for entering the order of adoption of the child of the existence of the agreement.

Sec. 93. 1. Before a court may enter an order of adoption of a child, the court must address:

(a) Except as otherwise provided in subsection 2, each prospective adoptive parent of the child to be adopted;

(b) Each director or other authorized representative of the agency which provides child welfare services involved in the adoption proceedings concerning the child; and

(c) Each attorney representing a prospective adoptive parent, the child and the agency which provides child welfare services in the adoption proceedings concerning the child,

➥ and inquire whether the person has actual knowledge that the prospective adoptive parent or parents of the child and parent or parents of the child have entered into an agreement that provides for postadoptive contact pursuant to section 91 of this act.

2. If the court determines that the prospective adoptive parent or parents and the parent or parents have entered into an agreement that provides for postadoptive contact, the court shall:

(a) Order the prospective adoptive parent or parents to provide a copy of the agreement to the court; and

(b) Incorporate the agreement into the order of adoption.

Sec. 94. 1. A parent who has entered into an agreement that provides for postadoptive contact pursuant to section 91 of this act may, for good cause shown:

(a) Petition the court that entered the order of adoption of the child to prove the existence of the agreement that provides for postadoptive contact and to request that the agreement be incorporated into the order of adoption; and

(b) During the period set forth in subsection 2 of section 95 of this act, petition the court that entered the order of adoption of the child to enforce the terms of the agreement that provides for postadoptive contact if the agreement complies with the requirements of subsection 2 of section 91 of this act.

2. An adoptive parent who has entered into an agreement that provides for postadoptive contact pursuant to section 91 of this act may:

(a) During the period set forth in subsection 2 of section 95 of this act, petition the court that entered the order of adoption of the child to enforce the terms of the agreement that provides for postadoptive contact if the agreement complies with the requirements of subsection 2 of section 91 of this act; and

(b) Petition the court that entered the order of adoption of the child to modify or terminate the agreement that provides for postadoptive contact in the manner set forth in section 96 of this act.

3. A petition filed pursuant to this section must be:

(a) Filed under the same case number as the proceeding for adoption;

(b) Served by the parent or adoptive parent who filed the petition using certified or registered mail with return receipt requested, or if elected by any of the parties to the postadoptive contact agreement to receive service by alternate means through electronic mail, upon each other parent or adoptive parent, as applicable, who has entered into the agreement that provides for postadoptive contact at the address provided pursuant to subsection 4 or 5 of section 91 of this act; and

(c) Heard by:

(1) If available, the judge who issued the order of adoption of the child;

(2) If the judge described in subparagraph (1) is unavailable and if a family court has been established in the judicial district, a judge of the family court; or

(3) If the judge described in subparagraph (1) is unavailable and if a family court has not been established in the judicial district, any district judge of the judicial district.

Sec. 95. 1. Failure to comply with the terms of an agreement that provides for postadoptive contact entered into pursuant to section 91 of this act may not be used as a ground to:

(a) Set aside an order of adoption;

(b) Revoke, nullify or set aside a valid specific consent to adoption or relinquishment; or

(c) Except as otherwise provided in NRS 41.509, award any civil damages to a party to the agreement.

2. Any action to enforce the terms of an agreement that provides for postadoptive contact must be commenced not later than 120 days after the date on which the agreement was breached.

Sec. 96. 1. An agreement that provides for postadoptive contact entered into pursuant to section 91 of this act may only be modified or terminated by an adoptive parent petitioning the court that entered the order which included the agreement. The court may grant a request to modify or terminate the agreement only if:

(a) The adoptive parent petitioning the court for the modification or termination establishes that:

(1) A change in circumstances warrants the modification or termination; and

(2) The contact provided for in the agreement is no longer in the best interest of the child; or

(b) Each party to the agreement consents to the modification or termination.

2. If an adoptive parent petitions the court for a modification or termination of an agreement pursuant to this section:

(a) There is a presumption that the modification or termination is in the best interest of the child; and

(b) The court may consider the wishes of the child involved in the agreement.

3. Any order issued pursuant to this section to modify an agreement that provides for postadoptive contact:

(a) May limit, restrict, condition or decrease contact between the parties involved in the agreement; and

(b) May not expand or increase the contact between the parties involved in the agreement or place any new obligation on an adoptive parent.

Sec. 97. As used in sections 97 to 105, inclusive, of this act, unless the context otherwise requires, "person" includes a hospital.

Sec. 98. 1. The Division shall:

(a) Establish reasonable minimum standards for child-placing agencies.

(b) In consultation with each agency which provides child welfare services, adopt:

(1) Regulations concerning the operation of an agency which provides child welfare services.

(2) Regulations establishing the procedure to be used by an agency which provides child welfare services in placing children for adoption, which must allow the parent or parents and the prospective adoptive parent or parents to determine, by mutual agreement, the amount of identifying information that will be communicated concerning each of them.

(3) Any other regulations necessary to carry out its powers and duties regarding the adoption of children or the placement of children for adoption, including, without limitation, such regulations necessary to ensure compliance with the provisions of this chapter and any regulations adopted pursuant thereto.

2. Each agency which provides child welfare services shall conform to the standards established and the regulations adopted pursuant to subsection 1.

Sec. 99. 1. Except as otherwise provided in this section:

(a) In a county whose population is less than 100,000, the Division shall, in accordance with NRS 432.014; and

(b) In a county whose population is 100,000 or more, the board of the county commissioners of the county shall, by ordinance,

➥ charge reasonable fees for the services provided by an agency which provides child welfare services in placing, arranging the placement of or assisting in the placing or arranging the placement of any child for adoption and for conducting any investigation required by section 100 of this act.

2. The fees charged for those services must vary based on criteria developed by the Division and board of county commissioners but must not exceed the usual and customary fees that child-placing agencies in the area where the services provided, or in a similar geographic area, would charge for those services. The Division and board of county commissioners shall not discriminate between adoptions made through an agency and specific adoptions in setting their fees.

3. A fee must not be charged for services related to adoption of a child with special needs.

4. An agency which provides child welfare services may waive or reduce any fee charged pursuant to this section if the agency which provides child welfare services determines that the adoptive parents are not able to pay the fee or the needs of the child require a waiver or reduction of the fee.

5. Any money collected by an agency which provides child welfare services in a county whose population is less than 100,000 pursuant to this section must be accounted for in the appropriate account of the Division and may be used only to pay for the costs of any adoptive or postadoptive services

provided by any agency which provides child welfare services in a county whose population is less than 100,000.

6. Any money collected by an agency which provides child welfare services in a county whose population is 100,000 or more pursuant to this section must be deposited in the county treasury for the credit of the agency which provides child welfare services and may be used only to pay for the costs of any adoption or postadoptive services provided by the agency which provides child welfare services.

Sec. 100. 1. The agency which provides child welfare services shall complete a home study that investigates the medical, mental, financial and moral backgrounds of the prospective adoptive parents to determine the suitability of the home for placement of the child for adoption. The investigation must also embrace any other relevant factor relating to the qualifications of the prospective adoptive parent or parents.

2. If the placement is to be made in a home outside of this State, the agency which provides child welfare services must receive a copy of a report, completed by the appropriate authority, of an investigation of the home and the medical, mental, financial and moral backgrounds of the prospective adoptive parent or parents to determine the suitability of the home for placement of the child for adoption.

Sec. 101. 1. A prospective adoptive parent who is subject to a home study by the agency which provides child welfare services must submit as part of the investigation a complete set of fingerprints and written permission authorizing the agency which provides child welfare services to forward those fingerprints to the Central Repository for Nevada Records of Criminal History for submission to the Federal Bureau of Investigation.

2. The agency which provides child welfare services may exchange with the Central Repository or the Federal Bureau of Investigation any information respecting the fingerprints submitted.

3. When a report from the Federal Bureau of Investigation is received by the Central Repository, it shall immediately forward a copy of the report to the agency which provides child welfare services that submitted the fingerprints.

4. Any fees for fingerprinting and submission to the Central Repository and the Federal Bureau of Investigation must be paid by the prospective adoptive parent, except that:

(a) In a county whose population is less than 100,000, the Division may adopt regulations providing for the payment of those fees by the Division; or

(b) In a county whose population is 100,000 or more, the board of county commissioners may provide by ordinance for the payment of those fees by the agency which provides child welfare services.

Sec. 102. 1. The Division, in consultation with each agency which provides child welfare services, shall adopt regulations setting forth the criteria to be used by an agency which provides child welfare services for

determining whether a prospective adoptive home is suitable or unsuitable for the placement of a child for adoption.

2. Upon the completion of a home study conducted by an agency which provides child welfare services pursuant to section 100 of this act, the agency which provides child welfare services shall inform the prospective adoptive parent or parents of the results of the home study. If, pursuant to the home study, a determination is made that a prospective adoptive home is unsuitable for placement or detrimental to the interest of the child, the agency which provides child welfare services shall provide the prospective adoptive parent or parents with an opportunity to review and respond to the home study with the agency which provides child welfare services before the issuance of the results of the home study. Except as otherwise provided in NRS 239.0115, the identity of those persons who are interviewed or submit information concerning the home study must remain confidential.

3. An agency which provides child welfare services shall not determine that a prospective adoptive home is unsuitable for placement or detrimental to the interest of the child solely because the prospective adoptive parent or parents:

(a) Are deaf, are blind or have another physical disability; or

(b) Are the holders of a valid registry identification card.

Sec. 103. 1. Whenever the agency which provides child welfare services believes that anyone has violated or is about to violate any of the provisions of this chapter, in addition to any other penalty or remedy provided:

(a) The agency which provides child welfare services may petition the appropriate district court for an order to restrain and enjoin the violation or threatened violation of any of the provisions of this chapter, or to compel compliance with the provisions of this chapter; and

(b) The court shall, if a child has been or was about to be placed in a prospective adoptive home in violation of the provisions of this chapter prohibit the placement if the child was about to be so placed, or order the removal of the child if the child was so placed within 6 months before the filing of the petition by the agency which provides child welfare services.

2. Whenever the agency which provides child welfare services believes that a person has received for the purpose of adoption a child not related by blood, and the required written notice has not been given, if the agency which provides child welfare services does not proceed pursuant to subsection 1, it shall make an investigation. Upon completion of the investigation, if the home is found suitable for the child, the prospective adoptive parents must be allowed 6 months from the date of completion of the investigation to file a petition for adoption. If a petition for adoption is not filed within that time a license as a foster home must thereafter be issued pursuant to NRS 424.030 if the home meets the established standards. If, in the opinion of the agency which provides child welfare services, the placement is detrimental to the interest of the child, the agency which

provides child welfare services shall file an application with the district court for an order for the removal of the child from the home.

Sec. 104. An agency which provides child welfare services shall, to the extent practicable, give preference to the placement of a child for adoption together with the siblings of the child.

Sec. 105. 1. If a child who is in the custody of an agency which provides child welfare services is placed for adoption, the agency must provide the court which is conducting the adoption proceedings with a copy of any order for visitation with a sibling of the child that was issued pursuant to NRS 432B.580.

2. The court shall incorporate an order for visitation provided to the court pursuant to subsection 1 into the order of adoption unless, not later than 30 days after notice of the filing of the petition for adoption is provided to all legal custodians or guardians of the child who are required to be provided with such notice pursuant to section 76 of this act, any interested party in the adoption, including, without limitation, the prospective adoptive parent, the adoptive child, a sibling of the adoptive child, the agency which provides child welfare services petitions the court to exclude the order of visitation with a sibling from the order of adoption or amend the order for visitation before including the order in the order of adoption.

3. The hearing on a petition submitted pursuant to subsection 2 must be held on the same date as the hearing on the petition for adoption. Any interested party is entitled to participate in the hearing. The clerk of the court shall give written notice of the time and place of the hearing to the prospective adoptive parent, the adoptive child, a sibling of the adoptive child, the attorney for the adoptive child or a sibling of the adoptive child and the agency which provides child welfare services. Upon the petition of a sibling requesting the inclusion of an order for visitation in the order of adoption, the court may require the agency which provides child welfare services to provide the clerk of the court with the contact information of the prospective adoptive parent, the adoptive child and the attorney for the adoptive child. If so ordered, the agency which provides child welfare services must provide such contact information under seal.

4. The sole consideration of the court in making a determination concerning visitation with a sibling pursuant to this section is the best interest of the child. If a petition is submitted pursuant to subsection 2, the court must not enter an order of adoption until the court has made a determination concerning visitation with a sibling.

5. If an order for visitation with a sibling is included in an order of adoption, the court shall, upon the request of a party to the order, provide to the party the case number of the adoption proceeding and any documents or records necessary to enforce, modify or terminate the order.

6. A party to an order for visitation may petition for enforcement of the order at any time while the order is in effect. A person who fails to comply with the order is in contempt of court. If a party to an order for visitation

withholds the contact information of any person in violation of the order, the court may order the agency which provides child welfare services to provide such contact information to the court under seal.

(c) That at any time before the entry of the order of adoption, the parent may withdraw consent for any reason and petition the court to have the child returned.

4. After the execution of a parent's consent under subsection 2, the court shall certify that the court made the explanation under subsection 3 and that the parent fully understood the explanation.

5. At any time before the entry of an order of adoption, an Indian child's parent may withdraw the parent's consent under this section. The withdrawal of consent must be made by filing the written withdrawal with the court or by making a statement of withdrawal on the record in the adoption proceeding. Upon entry of the withdrawal of consent, the court must promptly notify the person or entity that arranged the adoptive placement to regain custody and control of the Indian child. A parent who withdraws consent may petition the court for the return of the child.

6. As used in this section, "parent" has the meaning ascribed to it in NRS 125E.130.

Sec. 128. 1. The following agencies may accept relinquishments for adoption of children from parents and guardians in this State:

(a) An agency which provides child welfare services in its own capacity or on behalf of a child-placing agency authorized under the laws of another state to accept relinquishments and make placements; or

Sec. 130. 1. Any or all of the attesting witnesses to any relinquishment may make and sign an affidavit before any person authorized to administer oaths in this State, stating such facts as they would be required to testify to in court to prove the due execution of the relinquishment. The affidavit must be written on the relinquishment or, if that is impracticable, on some paper attached thereto. The sworn statement of any witness so taken must be accepted by the court in any action or proceeding relating to the validity or due execution of the relinquishment as if it had been taken before the court.

Sec. 132. If a person to whom a specific consent to adopt a child is given for an adoption pursuant to section 129 of this act has, at the time the specific consent is executed, legal custody over the child, the person is legally responsible for the child and shall provide for the care, support and maintenance of the child until a court holds a hearing to enter an order of adoption or to deny the petition pursuant to the laws of this State or another state.

Sec. 133. 1. If a prospective adoptive parent or parents determine that an adoption cannot or should not proceed, the adoptive parent or parents, as applicable, may:

2. The declaration surrendering the adoptive placement pursuant to subsection 1 must:

(b) Give notice to all parents of the child, the court of competent jurisdiction and the child-placing agency, if applicable.

3. 4. An adoptive placement may not be surrendered after an order finalizing the adoption has been entered by the court.

Sec. 134. 1. All specific consents to adoption and relinquishments executed in this State by the parent who gave birth to a child before the birth of the child or within 72 hours after the birth of the child are invalid.

2. A specific consent to adoption or relinquishment may be executed by a parent who does not give birth to the child before the birth of a child if the parent is not married to the parent who gave birth to the child.

3. A minor parent may execute a specific consent to adoption or relinquishment without notifying or obtaining the consent of the parent or parents of the minor.

4. A specific consent to adoption or relinquishment cannot be revoked or nullified by the executing parent.

5. A specific consent to adoption or relinquishment executed by a minor parent cannot be revoked or nullified based upon the minor parent becoming an adult.

6. A specific consent to adoption or relinquishment can become invalid if:

(d) The specific consent to adoption or relinquishment was obtained under fraud, duress or undue influence and the action to void the specific consent to adoption or relinquishment is brought not later than 30 days after the execution.

Sec. 135. The execution of a specific consent to adoption or relinquishment by a parent shall not be necessary:

1. Where parental rights have been terminated by an order of a court of competent jurisdiction;

2. Upon the death of the parent, as evidenced by a certificate of death or other evidence deemed sufficient by the court; or

3. Upon the termination of the parental rights of the parent through operation of law by a birth father registry operated in another state.

Sec. 136. 1. A petition for adoption of a child may be filed at any time after placement with the petitioners.

2. The petition for adoption must state, in substance, the following:

Sec. 138. 1. Except as otherwise provided in subsection 2, the prospective adoptive parent or parents, child to be adopted, representative of the child-placing agency and counsel for the parties may attend by telephone or video appearance in lieu of attending in person, any hearings held by the court concerning the petition for adoption.

2. The court may waive the attendance of a child to be adopted for good cause shown.

Sec. 139. If the court finds that the best interest of the child warrants the granting of the petition, an order of adoption must be made and filed, ordering that henceforth the child is the child of the petitioners. In the order the court may change the name of the child, if desired.

Sec. 140. 1. An order entered pursuant to 139 of this act must include:

(a) A finding that the petitioner complied with the inquiry requirements under subsection 1 of NRS 125E.210 to determine whether there is reason to know that the child is an Indian child; and

(b) A finding that the child is or is not an Indian child.

2. In an adoption of an Indian child, the order must include:

3. For each finding or determination made under this section, the court must provide a description of the facts upon which the finding or determination is based.

4. Upon entry of the order of adoption of an Indian child, the court shall provide to the United States Bureau of Indian Affairs copies of the order entered pursuant to section 139 of this act, any affidavit signed by a consenting parent requesting anonymity, and all other required information in accordance with 25 C.F.R. § 23.140.

Sec. 141. 1. After an order of adoption has been entered, the court shall direct the petitioner or the attorney of the petitioner to prepare a report of adoption on a form prescribed and furnished by the State Registrar of

Vital Statistics or the equivalent office in the state that issued the birth certificate. The report may:

(a) Identify the original certificate of birth of the person adopted;

(b) Provide sufficient information to prepare a new certificate of birth for the person adopted;

(c) Identify the order of adoption; and

(d) Be certified by the clerk of the court.

2. If an order of adoption is amended or annulled, the petitioner or the attorney of the petitioner shall prepare a report to the State Registrar of Vital Statistics, which includes sufficient information to identify the original order of adoption and the provisions of that order which were amended or annulled.

Sec. 142. 1. A placing parent of a child may not bring an action to set aside an adoption after a petition for adoption has been granted, unless a court of competent jurisdiction has previously, in a separate action:

(a) Set aside the specific consent to adoption;

(b) Set aside the relinquishment of the child for adoption; or

(c) Reversed an order terminating the parental rights of the placing parent.

2. After a petition for adoption has been granted, there is a presumption for the purposes of this chapter that remaining in the home of the adoptive parents is in the best interest of the child.

Sec. 143. 1. The child-placing agency may consent to the adoption of a child under 18 years of age with special needs due to race, age or physical or mental problems who is in the custody of the child-placing agency by proposed adoptive parents when, in the judgment of the child-placing agency, it would be in the best interest of the child to be placed in that adoptive home.

2. The child-placing agency shall in a timely and diligent manner:

(a) Schedule any evaluations necessary to identify any special needs the child may have.

(b) If it determines that the child has any special needs:

(1) Notify the prospective adoptive parents:

(I) That they may be eligible for a grant of financial assistance pursuant to this section; and

(II) The manner in which to apply for such financial assistance; and

(2) Assist the prospective adoptive parents in applying for and satisfying any other prerequisites necessary to obtain a grant of financial assistance pursuant to this section and any other relevant subsidies and services which may be available.

3. All financial assistance provided under this section ceases immediately when the child:

(a) Reaches 18 years of age, if the child is not enrolled in school, or 19 years of age, if the child is enrolled in school;

(b) Graduates from high school, if the child is at least 18 years of age;

(c) Becomes self-supporting;

(d) Is emancipated; or

(e) Dies.

4. Neither a grant of financial assistance pursuant to this section nor any discontinuance of such assistance affects the legal status or respective obligations of any party to the adoption.

5. A court shall waive all court costs of the proposed adoptive parents in an adoption proceeding for a child with special needs if the child-placing agency consents to the adoption of such a child pursuant to this section.

6. The Division, in consultation with each agency which provides child welfare services, shall adopt regulations regarding eligibility for and the procedures for applying for a grant of financial assistance pursuant to this section.

Sec. 144. 1. A petition to vacate an order of adoption of an Indian child under this chapter may be filed in a court of competent jurisdiction by a parent who consented to the adoption.

2. Upon the filing of a petition under this section, the court shall set a time for a hearing on the petition and provide notice of the petition and hearing to each party to the adoption proceeding and to the Indian child's tribe.

3. After a hearing on the petition, the court shall vacate the order of adoption if:

(a) The petition is filed not later than 2 years following the date of the order; and

(b) The court finds by clear and convincing evidence that the parent's consent was obtained through fraud or duress.

4. When the court vacates an order of adoption under this section, the court shall also order that the parental rights of the parent whose consent the court found was obtained through fraud or duress be restored. The order restoring parental rights under this section must include a plan for the physical custody of the Indian child, whether the Indian child will be placed with an agency which provides child welfare services or with the parent.

Sec. 145. 1. If an order of adoption of an Indian child under this chapter is vacated, the court vacating the order must notify, by registered or certified mail with return receipt requested, the Indian child's former parents, prior Indian custodian, if any, and Indian tribe and the appropriate child-placing agency.

2. The notice required under subsection 1 must:

(a) Include the Indian child's current name and any former names as reflected in the court record;

(b) Inform the recipient of the right to move the court for the return of custody of and restoration of parental rights to the Indian child, if appropriate, under this section;

(c) Provide sufficient information to allow the recipient to participate in any scheduled hearings; and

(d) Be sent to the last known address in the court record.

3. An Indian child's former parent or prior Indian custodian may waive notice under this section by executing a waiver of notice in person before the court and filing the waiver with the court. The waiver must clearly set out any conditions to the waiver. Before the execution of the waiver, the court must explain to the former parent or prior Indian custodian, on the record in detail and in the language of the former parent or prior Indian custodian:

(a) The former parent's right to legal counsel, if applicable;

(b) The terms and consequences of the waiver; and

(c) How the waiver may be revoked.

4. After execution of the waiver pursuant to subsection 3, the court shall certify that it provided the explanation as required under subsection 3 and that the former parent or prior Indian custodian fully understood the explanation.

5. At any time before the entry of an order of adoption of an Indian child, the former parent or prior Indian custodian may revoke a waiver executed by the former parent or prior Indian custodian pursuant to subsection 3 by filing a written revocation with the court or by making a statement of revocation on the record in a proceeding for the adoption of the Indian child.

6. If an order of adoption of an Indian child under this chapter is vacated other than as provided in NRS 125E.360, an Indian child's former parent or prior Indian custodian may intervene in the proceeding and move the court for the Indian child to be returned to the custody of the former parent or prior Indian custodian and for the parental rights to the Indian child to be restored. The moving party shall provide by registered or certified mail, return receipt requested, notice of the motion for the Indian child to be returned to the custody of the former parent or prior Indian custodian and the time set for filing objections to the motion, together with notice of proceeding in the form required under subsection 3 of NRS 125E.220 to:

(a) The agency which provides child welfare services in the county in which the order was vacated;

(b) Each tribe of which the child may be a member or in which the Indian child may be eligible for membership;

(c) The child's parents;

(d) The child's Indian custodian, if applicable; and

(e) The appropriate Regional Director of the United States Bureau of Indian Affairs listed in 25 C.F.R. § 23.11(b), if the identity or location of the child's parents cannot be ascertained.

➥ The petitioner shall file a declaration of compliance, including a copy of each notice sent under this subsection, together with any return receipts or other proof of service.

7. Upon the filing of an objection to a motion made pursuant to subsection 6, the court shall fix the time for hearing on objections.

8. The court shall order the Indian child to be returned to the custody of the former parent or prior Indian custodian or restore the parental rights to

the Indian child unless the court finds, by clear and convincing evidence, that the return of custody or restoration of parental rights is not in the child's best interests, as described in NRS 125E.230. If the court orders the Indian child to be returned to the custody of the former parent or prior Indian custodian, the court's order must include a transition plan for the physical custody of the child, which may include protective supervision.

9. As used in this section:

(a) "Former parent" means a person who was previously the parent of an Indian child subject to an order of adoption under this chapter and whose parental rights have not been restored under section 144 of this act.

(b) "Prior Indian custodian" means a person who was previously the custodian of an Indian child subject to an order of adoption of the child under this chapter.

Sec. 146. 1. Notwithstanding any other provision of law, if an Indian child's tribe or the United States Secretary of the Interior requests access to the adoption records of an Indian child, the court must make the records available not later than 14 days following the date of the request.

2. The records made available under subsection 1 must, at a minimum, include the petition, all substantive orders entered in the adoption proceedings, the complete record of the placement finding and, if the placement departs from the placement preference under NRS 125E.350, detailed documentation of the efforts to comply with the placement preferences.

Sec. 147. 1. The parent or parents and the prospective adoptive parent or parents of a child to be adopted may enter into an enforceable agreement that provides for postadoptive contact between:

(a) The child and the parent or parents;

(b) The adoptive parent or parents and the parent or parents; or

(c) Any combination thereof.

2. An agreement that provides for postadoptive contact is enforceable if:

(a) The agreement is in writing and signed by the parties;

(b) The agreement is incorporated into an order of adoption; and

(c) The agreement is signed by the parent or parents before:

(1) The termination or voluntary relinquishment of the parental rights of the parent or parents; or

(2) The execution of a specific consent to adoption or relinquishment.

3. The identity of a parent is not required to be included in an agreement that provides for postadoptive contact. If such information is withheld, an agent who may receive service of process for the parent must be provided in the agreement.

4. A parent or adoptive parent who enters into an agreement that provides for postadoptive contact shall include in the agreement an address at which the parent or adoptive parent may receive service of a petition filed pursuant to section 150 of this act unless the parent or adoptive parent elects to receive service by alternate means through electronic mail rather than

certified or registered mail, in which case, the electronic mail address must be included in the agreement. If a parent or adoptive parent refuses or fails to include such an address in an agreement that provides for postadoptive contact, the court may, on the date on which the court enters an order of adoption which incorporates the agreement, order the child-placing agency to provide the court with the contact information of the parent or adoptive parent who refused or failed to include the address. If a court so orders, the court shall:

(a) Append the address to the agreement for postadoptive contact; and

(b) Make the address available to any party to the agreement who wishes to file a petition pursuant to section 150 of this act.

5. If a parent or adoptive parent changes the address that was included in an agreement that provides for postadoptive contact pursuant to subsection 4, the parent shall file with the clerk of the court notice of the change of address within 15 days after the change of address.

6. A court that enters an order of adoption which incorporates an agreement that provides for postadoptive contact shall retain jurisdiction to enforce, modify or terminate the agreement that provides for postadoptive contact until:

(a) The child reaches 18 years of age;

(b) The child becomes emancipated; or

(c) The agreement is terminated.

7. The establishment of an agreement that provides for postadoptive contact does not affect the rights of an adoptive parent as the legal parent of the child as set forth in section 38 of this act.

Sec. 148. 1. Each prospective adoptive parent of a child to be adopted who enters into an agreement that provides for postadoptive contact pursuant to section 147 of this act shall notify the court responsible for entering the order of adoption of the child of the existence of the agreement as soon as practicable after the agreement is established, but not later than the time at which the court enters the order of adoption of the child.

2. Each:

(a) Director or other authorized representative of the child-placing agency involved in the adoption proceedings concerning the child; and

(b) Attorney representing a prospective adoptive parent, the child and the child-placing agency in the adoption proceedings concerning the child,

➥ shall, as soon as practicable after obtaining actual knowledge that the prospective adoptive parent or parents of the child and the parent or parents of the child have entered into an agreement that provides for postadoptive contact pursuant to section 147 of this act, notify the court responsible for entering the order of adoption of the child of the existence of the agreement.

Sec. 149. 1. Before a court may enter an order of adoption of a child, the court must address:

(a) Except as otherwise provided in subsection 2, each prospective adoptive parent of the child to be adopted;

(b) Each director or other authorized representative of the child-placing agency involved in the adoption proceedings concerning the child; and

(c) Each attorney representing a prospective adoptive parent, the child and the child-placing agency in the adoption proceedings concerning the child,

➥ and inquire whether the person has actual knowledge that the prospective adoptive parent or parents of the child and parent or parents of the child have entered into an agreement that provides for postadoptive contact pursuant to section 147 of this act.

2. The court may for purposes of subsection 1 address a prospective adoptive parent described in section 138 of this act by telephone or video conference.

3. If the court determines that the prospective adoptive parent or parents and the parent or parents have entered into an agreement that provides for postadoptive contact, the court shall:

(a) Order the prospective adoptive parent or parents to provide a copy of the agreement to the court; and

(b) Incorporate the agreement into the order of adoption.

Sec. 150. 1. A parent who has entered into an agreement that provides for postadoptive contact pursuant to section 147 of this act may, for good cause shown:

(a) Petition the court that entered the order of adoption of the child to prove the existence of the agreement that provides for postadoptive contact and to request that the agreement be incorporated into the order of adoption; and

(b) During the period set forth in subsection 2 of section 151 of this act, petition the court that entered the order of adoption of the child to enforce the terms of the agreement that provides for postadoptive contact if the agreement complies with the requirements of subsection 2 of section 147 of this act.

2. An adoptive parent who has entered into an agreement that provides for postadoptive contact pursuant to section 147 of this act may:

(a) During the period set forth in subsection 2 of section 151 of this act, petition the court that entered the order of adoption of the child to enforce the terms of the agreement that provides for postadoptive contact if the agreement complies with the requirements of subsection 2 of section 147 of this act; and

(b) Petition the court that entered the order of adoption of the child to modify or terminate the agreement that provides for postadoptive contact in the manner set forth in section 152 of this act.

3. A petition filed pursuant to this section must be:

(a) Filed under the same case number as the proceeding for adoption;

(b) Served by the parent or adoptive parent who filed the petition using certified or registered mail with return receipt requested, or if elected by any of the parties to the postadoptive contact agreement to receive service by

alternate means through electronic mail, upon each other parent or adoptive parent, as applicable, who has entered into the agreement that provides for postadoptive contact at the address provided pursuant to subsection 4 or 5 of section 147 of this act; and

(c) Heard by:

(1) If available, the judge who issued the order of adoption of the child;

(2) If the judge described in subparagraph (1) is unavailable and if a family court has been established in the judicial district, a judge of the family court; or

(3) If the judge described in subparagraph (1) is unavailable and if a family court has not been established in the judicial district, any district judge of the judicial district.

Sec. 151. 1. Failure to comply with the terms of an agreement that provides for postadoptive contact entered into pursuant to section 147 of this act may not be used as a ground to:

(a) Set aside an order of adoption;

(b) Revoke, nullify or set aside a valid specific consent to adoption or relinquishment; or

(c) Except as otherwise provided in NRS 41.509, award any civil damages to a party to the agreement.

2. Any action to enforce the terms of an agreement that provides for postadoptive contact must be commenced not later than 120 days after the date on which the agreement was breached.

Sec. 152. 1. An agreement that provides for postadoptive contact entered into pursuant to section 147 of this act may only be modified or terminated by an adoptive parent petitioning the court that entered the order which included the agreement. The court may grant a request to modify or terminate the agreement only if:

(a) The adoptive parent petitioning the court for the modification or termination establishes that:

(1) A change in circumstances warrants the modification or termination; and

(2) The contact provided for in the agreement is no longer in the best interest of the child; or

(b) Each party to the agreement consents to the modification or termination.

2. If an adoptive parent petitions the court for a modification or termination of an agreement pursuant to this section:

(a) There is a presumption that the modification or termination is in the best interest of the child; and

(b) The court may consider the wishes of the child involved in the agreement.

3. Any order issued pursuant to this section to modify an agreement that provides for postadoptive contact:

(a) May limit, restrict, condition or decrease contact between the parties involved in the agreement; and

(b) May not expand or increase the contact between the parties involved in the agreement or place any new obligation on an adoptive parent.

Sec. 153. 1. Except as otherwise provided in subsection 3, it is unlawful for any person to pay or offer to pay money or anything of value to the parent of a child in return for the parent's placement of the child for adoption, for the execution of a specific consent to adoption or relinquishment or for the cooperation in the adoption of the child.

Sec. 230. **NRS 432B.393 is hereby amended to read as follows:**

432B.393 1. Except as otherwise provided in this section, an agency which provides child welfare services shall make reasonable efforts to preserve and reunify the family of a child:

(a) Before the placement of the child in foster care, to prevent or eliminate the need to remove the child from the home; and

(b) To make it possible for the safe return of the child to the home.

2. In determining the reasonable efforts required by subsection 1, the health and safety of the child must be the paramount concern. The agency which provides child welfare services may make reasonable efforts to place the child for adoption or with a legal guardian concurrently with making the reasonable efforts required pursuant to subsection 1. If the court determines that continuation of the reasonable efforts required by subsection 1 is inconsistent with the plan for the permanent placement of the child, the agency which provides child welfare services shall make reasonable efforts to place the child in a timely manner in accordance with that plan and to complete whatever actions are necessary to finalize the permanent placement of the child.

3. An agency which provides child welfare services is not required to make the reasonable efforts required by subsection 1 if the court finds that:

(a) A parent or other person responsible for the child's welfare has:

(1) Committed, aided or abetted in the commission of, or attempted, conspired or solicited to commit murder or voluntary manslaughter;

(2) Caused the abuse or neglect of the child, or of another child of the parent or other person responsible for the child's welfare, which resulted in substantial bodily harm to the abused or neglected child;

(3) Caused the abuse or neglect of the child, a sibling of the child or another child in the household, and the abuse or neglect was so extreme or repetitious as to indicate that any plan to return the child to the home would result in an unacceptable risk to the health or welfare of the child; or

(4) Abandoned the child for 60 or more days, and the identity of the parent of the child is unknown and cannot be ascertained through reasonable efforts;

(b) A parent of the child has, for the previous 6 months, had the ability to contact or communicate with the child and made no more than token efforts to do so;

(c) The parental rights of a parent to a sibling of the child have been terminated by a court order upon any basis other than the execution of a voluntary relinquishment of those rights by a natural parent, and the court order is not currently being appealed;

(d) The child or a sibling of the child was previously removed from the home, adjudicated to have been abused or neglected, returned to the home and subsequently removed from the home as a result of additional abuse or neglect;

(e) The child is less than 1 year of age, the father of the child is not married to the mother of the child and the father of the child:

(1) Has failed within 60 days after learning of the birth of the child, to visit the child, to commence proceedings to establish his paternity of the child or to provide financial support for the child; or

(2) Is entitled to seek custody of the child but fails to do so within 60 days after learning that the child was placed in foster care;

(f) The child was delivered to a provider of emergency services pursuant to NRS 432B.630;

(g) The child, a sibling of the child or another child in the household has been sexually abused or has been subjected to neglect by pervasive instances of failure to protect the child from sexual abuse; or

(h) A parent of the child is required to register as a sex offender pursuant to the provisions of chapter 179D of NRS or the provisions of the federal Adam Walsh Child Protection and Safety Act of 2006, 34 U.S.C. §§ 20901 et seq.

4. Except as otherwise provided in subsection 6, for the purposes of this section, unless the context otherwise requires, "reasonable efforts" have been made if an agency which provides child welfare services to children with legal custody of a child has exercised diligence and care in arranging appropriate, accessible and available services that are designed to improve the ability of a family to provide a safe and stable home for each child in the family, with the health and safety of the child as its paramount concerns. The exercise of such diligence and care includes, without limitation, obtaining necessary and

appropriate information concerning the child for the purposes of NRS 127.152, 127.410 and 424.038 ***, and section 81 of this act,*** and, if necessary, creating an in-home safety plan for the protection of the child.

5. In determining whether reasonable efforts have been made pursuant to subsection 4, the court shall:

(a) Evaluate the evidence and make findings based on whether a reasonable person would conclude that reasonable efforts were made;

(b) Consider any input from the child;

(c) Consider the efforts made and the evidence presented since the previous finding of the court concerning reasonable efforts;

(d) Consider the diligence and care that the agency is legally authorized and able to exercise, including, without limitation, the efforts to create an in-home safety plan;

(e) Recognize and take into consideration the legal obligations of the agency to comply with any applicable laws and regulations;

(f) Base its determination on the circumstances and facts concerning the particular family or plan for the permanent placement of the child at issue;

(g) Consider whether any of the efforts made were contrary to the health and safety of the child;

(h) Consider the efforts made, if any, to prevent the need to remove the child from the home and to finalize the plan for the permanent placement of the child;

(i) Consider whether the provisions of subsection 6 are applicable; and

(j) Consider any other matters the court deems relevant.

6. An agency which provides child welfare services may satisfy the requirement of making reasonable efforts pursuant to this section by taking no action concerning a child or making no effort to provide services to a child if it is reasonable, under the circumstances, to do so.

7. In determining whether reasonable efforts are not required pursuant to subsection 3 or whether reasonable efforts have been made pursuant to subsection 4, the court shall ensure that each determination is:

(a) Made by the court on a case-by-case basis;

(b) Based upon specific evidence; and

(c) Expressly stated by the court in its order.

8. As used in this section, "in-home safety plan" means a plan created by an agency which provides child welfare services to ensure the protection of a child in ~~[his or her]~~ ***the*** home, including, without limitation, determining any vulnerabilities of the child, managing any potential threats to the safety of the child and determining the capacity of the person responsible for the welfare of the child to care for the child.

Sec. 231. **NRS 432B.397 is hereby amended to read as follows:**

432B.397 1. The agency which provides child welfare services for a child that is taken into custody pursuant to this chapter shall make all necessary inquiries in accordance with subsection 1 of NRS 125E.210 to determine

whether there is reason to know that the child is an Indian child. The agency shall report that determination to the court.

2. An agency which provides child welfare services pursuant to this chapter shall provide training for its personnel regarding the requirements of the Indian Child Welfare Act, chapter 125E of NRS and NRS 127.041, ~~[127.115,]~~ 127.151~~ , [and]~~ 127.1861 ~~[to 127.1869, inclusive.]~~ ***, 127.1863 and 127.1865, and sections 64, 74, 80 and 86 to 90, inclusive, and sections 127, 140, 144, 145 and 146 of this act.***

Sec. 232. **NRS 432B.580 is hereby amended to read as follows:**

432B.580 1. Except as otherwise provided in this section and NRS 432B.513, if a child is placed pursuant to NRS 432B.550 other than with a parent, the placement must be reviewed by the court at least semiannually, and within 90 days after a request by a party to any of the prior proceedings. Unless the parent, guardian or the custodian objects to the referral, the court may enter an order directing that the placement be reviewed by a panel appointed pursuant to NRS 432B.585.

2. An agency acting as the custodian of the child shall, before any hearing for review of the placement of a child, submit a report to the court, or to the panel if it has been designated to review the matter, which includes:

(a) An evaluation of the progress of the child and the family of the child and any recommendations for further supervision, treatment or rehabilitation.

(b) Information concerning the placement of the child in relation to the child's siblings, including, without limitation:

(1) Whether the child was placed together with the siblings;

(2) Any efforts made by the agency to have the child placed together with the siblings;

(3) Any actions taken by the agency to ensure that the child has contact with the siblings; and

(4) If the child is not placed together with the siblings:

(I) The reasons why the child is not placed together with the siblings; and

(II) A plan for the child to visit the siblings, which must be presented at the first hearing to occur after the siblings are separated and approved by the court. The plan for visitation must be updated as necessary to reflect any change in the placement of the child or a sibling, including, without limitation, any such change that occurs after the termination of parental rights to the child or a sibling or the adoption of a sibling.

(c) Information concerning the child's education, including:

(1) A copy of any academic plan or individual graduation plan developed for the child pursuant to NRS 388.155, 388.165, 388.205 or 388.227;

(2) The grade and school in which the child is enrolled;

(3) The name of each school the child attended before enrolling in the school in which he or she is currently enrolled and the corresponding dates of attendance;

(4) Whether the child has not completed or passed any course of instruction that the child should have completed or passed by the time the report is submitted, which has resulted in the child having a deficiency in credits;

(13) Whether a request that the child receive special education services has been made and, if so, the outcome of such a request.

(d) A copy of any explanations regarding medication that has been prescribed for the child that have been submitted by a foster home pursuant to NRS 424.0383.

3. Except as otherwise provided in this subsection, a copy of the report submitted pursuant to subsection 2 must be given to the parents, the guardian ad litem and the attorney, if any, representing the parent or the child. If the child was delivered to a provider of emergency services pursuant to NRS 432B.630 and the parent has not appeared in the action, the report need not be sent to that parent.

4. After a plan for visitation between a child and the siblings of the child submitted pursuant to subparagraph (4) of paragraph (b) of subsection 2 has been approved by the court, the agency which provides child welfare services must request the court to issue an order requiring the visitation set forth in the plan for visitation. Upon the issuance of such an order, the court shall provide each sibling of the child with the case number of the proceeding for the purpose of allowing the sibling to petition the court for visitation or enforcement of the order for visitation. If a person refuses to comply with or disobeys an order issued pursuant to this subsection, the person may be punished as for a contempt of court.

5. The court or the panel shall hold a hearing to review the placement, unless the parent, guardian or custodian files a motion with the court to dispense with the hearing. If the motion is granted, the court or panel may make its determination from any report, statement or other information submitted to it.

6. Except as otherwise provided in subsection 7 and subsection 5 of NRS 432B.520, notice of the hearing must be filed with the court and must be given by first-class mail or any other means agreed upon in writing between the agency which provides child welfare services and the recipient of the notice to:

(a) All the parties to any of the prior proceedings;

(b) Any persons planning to adopt the child;

(c) A sibling of the child, if known, who has been granted a right to visitation of the child pursuant to this section or ~~[~~NRS 127.171~~]~~ ***section 84 of this act*** and his or her attorney, if any;

(d) Any other relatives of the child or providers of foster care who are currently providing care to the child; and

(e) The educational decision maker appointed for the child pursuant to NRS 432B.462.

7. The notice of the hearing required to be filed and given pursuant to subsection 6:

(a) Must include a statement indicating that if the child is placed for adoption the right to visitation of the child is subject to the provisions of ~~[~~NRS 127.171;~~]~~ ***or section 84 of this act.***

(c) Need not be given to a parent whose rights have been terminated pursuant to chapter 128 of NRS or who has voluntarily relinquished the child for adoption pursuant to NRS 127.040 ~~[~~,~~]~~ ***and sections 63 and 126 of this act;*** and

(d) Need not be given to a parent who delivered a child to a provider of emergency services pursuant to NRS 432B.630.

8. The court or panel may require the presence of the child at the hearing and shall provide to each person to whom notice was given pursuant to subsection 6 a right to be heard at the hearing.

9. The court or panel shall, after considering the report provided in subsection 2 and any other relevant evidence, determine based on a preponderance of the evidence:

(e) Whether the child is making adequate academic progress and receiving the educational services or supports necessary to ensure the academic success of the child.

10. If the child is placed in a qualified residential treatment program, the determination pursuant to paragraph (a) of subsection 9 must include, without

limitation, a finding on each factor prescribed by subsection 4 of NRS 432B.575.

11. The provision of notice and a right to be heard pursuant to this section does not cause any person planning to adopt the child, any sibling of the child or any other relative, any adoptive parent of a sibling of the child or a provider of foster care to become a party to the hearing.

12. As used in this section, "individualized education program" has the meaning ascribed to it in 20 U.S.C. § 1414(d)(1)(A).

Sec. 233. **NRS 440.310 is hereby amended to read as follows:**

AN ACT relating to business entities; revising provisions relating to notice or other communications by business entities; making a conforming change relating to fiduciary duties owed by directors and officers of a corporation; revising provisions governing voting relating to the approval of a reverse stock split of a corporation; removing certain provisions governing the issuance of shares of a corporation; making changes to certain approvals by a board of directors; clarifying provisions relating to voting agreements by stockholders; revising provisions governing the amendment of articles of incorporation after issuance of stock; revising certain terms relating to business entities; revising provisions relating to the last known address of members and managers of a limited-liability company and the dissolution of a limited-liability company; establishing a process by which a corporation may reorganize through the formation of a holding corporation; revising provisions relating to the approval of a plan of merger, conversion or exchange of a domestic corporation and the

conversion of a domestic entity into a foreign entity; revising provisions governing the right of a stockholder to dissent from certain corporate actions; **making various other changes relating to business entities;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law sets forth various provisions governing business entities, including private corporations and limited-liability companies. (Chapters 78 and 86 of NRS) This bill makes various changes to business entities.

Section 1 of this bill clarifies that the inclusion of certain materials provided with a notice or other communication by a business entity are deemed to be part of the notice or communication. **Section 1.5 of this bill authorizes the articles of incorporation of a corporation to require certain internal actions to be tried before a judge and not a jury.** **Section 2** of this bill makes a conforming change relating to the fiduciary duties of directors and officers of a private corporation for consistency within existing law.

Sections 3 and 4 of this bill require that votes relating to the approval of a reverse stock split be approved by the vote of the relevant stockholders of such a class or series of stock. **Sections 5 and 9** of this bill remove the phrase "share dividend" from provisions governing the issuance of shares of a private corporation. **Section 5.5 of this bill sets forth provisions relating to the fiduciary duties of certain stockholders of a corporation, limits the individual liability of a stockholder of a corporation under certain circumstances and defines certain terms for such purposes.**

Section 6 of this bill authorizes a board of directors of a private corporation to take certain actions in final form or such preliminary form as the directors deem appropriate in their business judgment.

Section 7 of this bill: (1) provides that voting agreements entered into by stockholders may include a private corporation; and (2) makes conforming changes authorizing the reference in such an agreement to facts or events outside of the agreement as provided in existing law. **Section 8** of this bill: (1) provides that a proposed amendment to the articles of incorporation of a private corporation after the issuance of stock that designates one or more new series of an existing class does not adversely alter or change the preferences or rights of the existing series; and (2) authorizes a publicly traded corporation to amend its articles of incorporation to increase or decrease the shares it is authorized to issue through a stockholder vote.

Section 11 of this bill clarifies the notice required if the approval of a dissolution of a corporation was obtained by written consent and replaces the phrase "certificate of dissolution" with "articles of dissolution" for purposes of provisions relating to the dissolution of a corporation. **Sections 10-12, 15 and 18-21** of this bill make conforming changes to reference "articles of dissolution" for purposes of provisions relating to the dissolution of a corporation or a limited-liability company, as applicable. **Section 13** of this bill makes a conforming change to replace "certificate of dissolution" with

"record of dissolution." **Section 16** of this bill provides an effective date and time for filing the articles of dissolution of a limited-liability company.

Sections 14 and 17 of this bill provide for either the residence or business address of members and managers of a limited-liability company to be listed for certain records.

Section 22 of this bill establishes a new process by which a corporation may: (1) reorganize through the formation of a holding corporation; and (2) issue stockholders shares in the new holding corporation in exchange for their previous shares. **Section 23** of this bill: (1) revises the steps required for a board of directors to approve a plan of merger, conversion or exchange; and (2) removes provisions of existing law which allowed for the board to cancel a proposed meeting to consider or remove a plan of merger, conversion or exchange. **Section 24** of this bill makes a conforming change relating to voting for purposes of the new process of reorganization into a holding corporation.

Section 25 of this bill makes a technical change relating to one domestic entity converting into one foreign entity.

Section 26 of this bill provides that the right to dissent is the exclusive remedy for stockholders who have the ability to dissent from a particular corporate action.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 75.150 is hereby amended to read as follows:

75.150 1. Except as otherwise provided by specific statute:

(a) Any notice or other communication described in this title may be given or sent by any method of delivery ~~[;]~~ and ***each agreement, instrument, certificate or other document enclosed with, or annexed or appended to, such notice or other communication shall be deemed part of the notice or communication solely for purposes of determining whether notice was duly given under this title and the organic rules of the entity giving or sending the notice or other communication; and***

7. Except as otherwise provided by specific statute, any notice or other communication, if in a comprehensible form or manner, is effective at the earliest of the following:

(a) If in a physical form, when it is left at:

(1) The address of a stockholder, member, partner or other owner of an entity, whichever is applicable, as it appears upon the records of the entity;

(2) The residence or usual place of business of a director, manager or general partner, whichever is applicable;

(3) The entity's principal place of business; or

(4) If to a recipient other than a stockholder, director, member, partner or other owner of an entity or an entity, such person's residence or usual place of business;

(b) If mailed by United States mail postage prepaid and correctly addressed to a stockholder, member, partner or other owner of an entity, upon deposit in the United States mail;

(c) If mailed by United States mail postage prepaid and correctly addressed to a recipient other than a stockholder, member, partner or other owner of an entity, the earliest of:

(1) If sent by registered or certified mail, return receipt requested, the date shown on the return receipt signed by or on behalf of the addressee; or

(2) Five days after it is deposited in the United States mail;

(d) If an electronic transmission, when it is received as provided in subsection 4; and

(e) If oral, when communicated.

➥ In the absence of fraud, an affidavit of the secretary of the entity or the transfer agent or any other agent of the entity that the notice has been given by a form of electronic transmission is prima facie evidence of the facts stated in the affidavit.

8. A notice or other communication may be in the form of an electronic transmission that cannot be directly reproduced in paper form by the recipient

through an automated process used in conventional commercial practice only if:

(a) The electronic transmission is otherwise retrievable in perceivable form; and

(b) The sender and the recipient have consented in writing to the use of such form of electronic transmission.

9. If any provision of this title prescribes requirements for notices or other communication in particular circumstances, those requirements govern. If the organic rules of an entity prescribe requirements for notices or other communications, not inconsistent with this section or other provisions of this title, those requirements govern. The organic rules of an entity may authorize, require or prohibit delivery of notices of meetings of directors, managers, members, partners or other owners of the entity by electronic transmission.

10. In the event that any provisions of this section are deemed to modify, limit or supersede the federal Electronic Signatures in Global and National Commerce Act, 15 U.S.C. §§ 7001 et seq., the provisions of this section shall be deemed to control to the maximum extent permitted by section 102(a)(2) of that Act, 15 U.S.C. § 7002(a)(2).

11. As used in this section:

(a) "Entity" has the meaning ascribed to it in NRS 77.060.

(b) "Organic law" has the meaning ascribed to it in NRS 77.170.

(c) "Organic rules" has the meaning ascribed to it in NRS 77.180.

Sec. 1.5. **NRS 78.046 is hereby amended to read as follows:**

78.046 1. The articles of incorporation or bylaws of a corporation may require, to the extent not inconsistent with any applicable jurisdictional requirements and the laws of the United States, that any, all or certain:

(a) Concurrent jurisdiction actions must be brought solely or exclusively in the court or courts specified in the requirement; and

(b) Internal actions must be brought solely or exclusively in the court or courts specified in the requirement, which must include at least one court in this State.

2. Unless otherwise expressly set forth in the articles of incorporation or bylaws, any requirement described in subsection 1 must not be interpreted as prohibiting any corporation from consenting, or requiring any corporation to consent, to any alternative forum in any instance.

3. The provisions of this section do not create or authorize any cause of action against a corporation**,** ~~[or]~~ its directors or officers~~.~~ ~~[.]~~ ***or any controlling stockholder.***

4. ***The articles of incorporation of a corporation may require, to the extent not inconsistent with any applicable laws of the United States, that any, all or certain internal actions to be tried in any court of this State must be tried before the presiding judge as the trier of fact and not before a jury. Upon and during its effectiveness, any such requirement must conclusively operate as a waiver of the right to trial by jury by each party to any internal action to which such requirement applies. Nothing in this section or any***

such requirement shall be construed as to limit or otherwise affect any right to a jury trial in any action, suit or proceeding that is not an internal action.

5. As used in this section:

(a) "Concurrent jurisdiction action" means any action, suit or proceeding against the corporation or any of its directors or officers, that:

(1) Asserts a cause of action under the laws of the United States;

(2) Could be properly commenced in either a federal forum or a forum of this State or any other state; and

(3) Is brought by or in the name or on behalf of:

(I) The corporation;

(II) Any stockholder of the corporation; or

(III) Any subscriber for, or purchaser or offeree of, any shares or other securities of the corporation.

(b) ***"Controlling stockholder" has the meaning ascribed to it in NRS 78.240.***

(c) "Court" means any court of:

(1) This State, including, without limitation, those courts in any county having a business court, as that term is defined in NRS 13.050;

(2) A state other than this State; or

(3) The United States.

~~[(c)]~~ ***(d)*** "Internal action" means any action, suit or proceeding:

(1) Brought in the name or right of the corporation or on its behalf, including, without limitation, any action subject to NRS 41.520;

(2) For or based upon any breach of any fiduciary duty owed by any director, officer ~~[, employee]~~ or ~~[agent]~~ ***controlling stockholder*** of the corporation in such capacity; or

(3) Arising pursuant to, or to interpret, apply, enforce or determine the validity of, any provision of this title, the articles of incorporation, the bylaws or any agreement entered into pursuant to NRS 78.365 to which the corporation is a party or a stated beneficiary thereof.

Sec. 2. NRS 78.138 is hereby amended to read as follows:

78.138 1. The fiduciary duties of directors and officers are to exercise their respective powers in good faith ***, on an informed basis*** and with a view to the interests of the corporation.

2. In exercising their respective powers, directors and officers may, and are entitled to, rely on information, opinions, reports, books of account or statements, including financial statements and other financial data, that are prepared or presented by:

(a) One or more directors, officers or employees of the corporation reasonably believed to be reliable and competent in the matters prepared or presented;

(b) Counsel, public accountants, financial advisers, valuation advisers, investment bankers or other persons as to matters reasonably believed to be within the preparer's or presenter's professional or expert competence; or

(c) A committee on which the director or officer relying thereon does not serve, established in accordance with NRS 78.125, as to matters within the committee's designated authority and matters on which the committee is reasonably believed to merit confidence,

➥ but a director or officer is not entitled to rely on such information, opinions, reports, books of account or statements if the director or officer has knowledge concerning the matter in question that would cause reliance thereon to be unwarranted.

3. Except as otherwise provided in subsection 1 of NRS 78.139, directors and officers, in deciding upon matters of business, are presumed to act in good faith, on an informed basis and with a view to the interests of the corporation. A director or officer is not individually liable for damages as a result of an act or failure to act in his or her capacity as a director or officer except as described in subsection 7.

4. Directors and officers, in exercising their respective powers with a view to the interests of the corporation, may:

(a) Consider all relevant facts, circumstances, contingencies or constituencies, which may include, without limitation, one or more of the following:

(1) The interests of the corporation's employees, suppliers, creditors or customers;

(2) The economy of the State or Nation;

(3) The interests of the community or of society;

(4) The long-term or short-term interests of the corporation, including the possibility that these interests may be best served by the continued independence of the corporation; or

(5) The long-term or short-term interests of the corporation's stockholders, including the possibility that these interests may be best served by the continued independence of the corporation.

(b) Consider or assign weight to the interests of any particular person or group, or to any other relevant facts, circumstances, contingencies or constituencies.

5. Directors and officers are not required to consider, as a dominant factor, the effect of a proposed corporate action upon any particular group or constituency having an interest in the corporation.

6. The provisions of subsections 4 and 5 do not create or authorize any causes of action against the corporation or its directors or officers.

7. Except as otherwise provided in NRS 35.230, 90.660, 91.250, 452.200, 452.270, 668.045 and 694A.030, or unless the articles of incorporation or an amendment thereto, in each case filed on or after October 1, 2003, provide for greater individual liability, a director or officer is not individually liable to the corporation or its stockholders or creditors for any damages as a result of any act or failure to act in his or her capacity as a director or officer unless:

(a) The presumption established by subsection 3 has been rebutted; and

(b) It is proven that:

(1) The director's or officer's act or failure to act constituted a breach of his or her fiduciary duties as a director or officer; and

(2) Such breach involved intentional misconduct, fraud or a knowing violation of law.

8. This section applies to all cases, circumstances and matters, including, without limitation, any change or potential change in control of the corporation unless otherwise provided in the articles of incorporation or an amendment thereto.

Sec. 3. NRS 78.2055 is hereby amended to read as follows:

78.2055 1. Unless otherwise provided in the articles of incorporation, a corporation that desires to decrease the number of issued and outstanding shares of a class or series held by each stockholder of record at the effective date and time of the change without correspondingly decreasing the number of authorized shares of the same class or series may do so if:

(a) The board of directors adopts a resolution setting forth the proposal to decrease the number of issued and outstanding shares of a class or series; and

(b) If the corporation is:

(1) A publicly traded corporation, the proposal is approved by the stockholders of the affected class or series, regardless of limitations or restrictions on the voting power of the affected class or series; or

(2) Not a publicly traded corporation, the proposal is approved by the vote of stockholders holding a majority of the voting power of the affected class or series,

➥ or such greater proportion as may be provided in the articles of incorporation, regardless of limitations or restrictions on the voting power of the affected class or series.

2. If the proposal required by subsection 1 is approved by the stockholders entitled to vote, the corporation may reissue its stock in accordance with the proposal after the effective date and time of the change.

3. Except as otherwise provided in this subsection ~~[,]~~ ***and unless the articles of incorporation require a greater proportion,*** if a proposed decrease in the number of issued and outstanding shares of any class or series would adversely alter or change any preference, or any relative or other right given to any other class or series of outstanding shares, then the decrease must be approved **,** ~~[by the vote,]~~ in addition to any vote otherwise required ~~[, of]~~ ***:***

(a) If the corporation is a publicly traded corporation, by the vote of the stockholders of each class or series whose preference or rights are adversely affected by the decrease; or

(b) If the corporation is not a publicly traded corporation, by the holders of shares representing a majority of the voting power of each class or series whose preference or rights are adversely affected by the decrease,

➥ ~~[or such greater proportion as may be provided in the articles of incorporation,]~~ regardless of limitations or restrictions on the voting power of the adversely affected class or series. The decrease does not have to be approved by the vote of the holders of shares representing a majority of the

voting power of each class or series whose preference or rights are adversely affected by the decrease if the articles of incorporation specifically deny the right to vote on such a decrease.

4. If any proposed corporate action pursuant to this section would result in only money being paid or scrip being issued to stockholders who:

(a) Before the decrease in the number of shares becomes effective, in the aggregate hold 1 percent or more of the outstanding shares of the affected class or series; and

(b) Would otherwise be entitled to receive a fraction of a share in exchange for the cancellation of all their outstanding shares,

➥ any stockholder who is obligated, as a result of the corporate action taken pursuant to this section, to accept money or scrip rather than receive a fraction of a share in exchange for the cancellation of all the stockholder's outstanding shares, may dissent in accordance with the provisions of NRS 92A.300 to 92A.500, inclusive, and obtain payment of the fair value of the fraction of a share to which the stockholder would otherwise be entitled.

Sec. 4. NRS 78.207 is hereby amended to read as follows:

78.207 1. Unless otherwise provided in the articles of incorporation, a corporation that desires to change the number of shares of a class or series, if any, of its authorized stock by increasing or decreasing the number of authorized shares of the class or series and correspondingly increasing or decreasing the number of issued and outstanding shares of the same class or series held by each stockholder of record at the effective date and time of the change, may, except as otherwise provided in subsections 2 and 3, do so by a resolution adopted by the board of directors, without obtaining the approval of the stockholders. The resolution may also provide for a change of the par value, if any, of the same class or series of the shares increased or decreased. After the effective date and time of the change, the corporation may issue its stock in accordance therewith.

2. A proposal to increase or decrease the number of authorized shares of any class or series, if any, that includes provisions pursuant to which only money will be paid or scrip will be issued to stockholders who:

(a) Before the increase or decrease in the number of shares becomes effective, in the aggregate hold 10 percent or more of the outstanding shares of the affected class or series; and

(b) Would otherwise be entitled to receive a fraction of a share in exchange for the cancellation of all their outstanding shares,

➥ must be approved by the vote of stockholders holding a majority of the voting power of the affected class or series, or such greater proportion as may be provided in the articles of incorporation, regardless of limitations or restrictions on the voting power thereof.

3. Except as otherwise provided in this subsection ~~[,]~~ ***and unless the articles of incorporation require a greater proportion,*** if a proposed increase or decrease in the number of authorized shares of any class or series would adversely alter or change any preference or any relative or other right given to

any other class or series of outstanding shares, then the increase or decrease must be approved ***,*** ~~[by the vote,]~~ in addition to any vote otherwise required ~~[, of]~~ ***:***

(a) If the corporation is a publicly traded corporation, by the vote of stockholders of each class or series whose preference or rights are adversely affected by the increase or decrease; and

(b) If the corporation is not a publicly traded corporation, by the holders of shares representing a majority of the voting power of each class or series whose preference or rights are adversely affected by the increase or decrease,

➥ regardless of limitations or restrictions on the voting power thereof. The increase or decrease does not have to be approved by the vote of the holders of shares ~~[representing a majority of the voting power in each]~~ ***of any*** class or series whose preference or rights are adversely affected by the increase or decrease if the articles of incorporation specifically deny the ***holders of shares of such class or series the*** right to vote on such an increase or decrease.

4. If any proposed corporate action pursuant to this section would result in only money being paid or scrip being issued to stockholders who:

(a) Before the increase or decrease in the number of shares becomes effective, in the aggregate hold 1 percent or more of the outstanding shares of the affected class or series; and

(b) Would otherwise be entitled to receive a fraction of a share in exchange for the cancellation of all of their outstanding shares,

➥ any stockholder who is obligated, as a result of the corporate action taken pursuant to this section, to accept money or scrip rather than receive a fraction of a share in exchange for the cancellation of all the stockholder's outstanding shares, may dissent in accordance with the provisions of NRS 92A.300 to 92A.500, inclusive, and obtain payment of the fair value of the fraction of a share to which the stockholder would otherwise be entitled.

Sec. 5. NRS 78.215 is hereby amended to read as follows:

78.215 1. A corporation may issue and dispose of its authorized shares for such consideration as may be prescribed in the articles of incorporation or, if no consideration is so prescribed, then for such consideration as may be fixed by the board of directors.

2. If a consideration is prescribed for shares without par value, that consideration must not be used to determine the fees required for filing articles of incorporation pursuant to NRS 78.760.

3. Unless the articles of incorporation provide otherwise ~~[,]~~ ***and except as otherwise provided by subsection 4,*** shares may be issued pro rata and without consideration to the corporation's stockholders or to the stockholders of one or more classes or series. ~~[An issuance of shares under this subsection is a share dividend.]~~

4. Shares of one class or series may not be issued ~~[as a share dividend]~~ ***pursuant to subsection 3*** in respect of shares of another class or series unless:

(a) The articles of incorporation so authorize;

(b) A majority of the votes entitled to be cast by the class or series to be issued approve the issue; or

(c) There are no outstanding shares of the class or series to be issued.

5. If the board of directors does not fix the record date for determining stockholders entitled to ~~[a share dividend,]~~ ***shares issued pursuant to subsection 3,*** it is the date the board of directors authorizes the ~~[share dividend.]~~ ***issuance.***

Sec. 5.5. **NRS 78.240 is hereby amended to read as follows:**

78.240 ***1.*** The shares of stock in every corporation shall be personal property and shall be transferable on the books of the corporation, in such manner and under such regulations as may be provided in the ***articles of incorporation or*** bylaws, and as provided in ***this title and*** chapters 104 to 104C, inclusive, of NRS.

2. Except to the extent set forth in subsection 3:

(a) The holder of any share of stock in a corporation, regardless of the holder's relative beneficial ownership of shares or relative voting power, may, and shall be entitled to, exercise or withhold the voting power of such share in the holder's personal interest and without regard to any other person or interest; and

(b) No stockholder of a corporation, in such person's capacity as a stockholder and regardless of the stockholder's relative beneficial ownership of share or relative voting power, shall have any fiduciary duty to the corporation or any other stockholder.

3. The only fiduciary duty of a controlling stockholder of a corporation, in such person's capacity as a stockholder, is to refrain from exerting undue influence over any director or officer of the corporation with the purpose and proximate effect of inducing a breach of fiduciary duty by such director or officer:

(a) For which breach the director or officer is liable pursuant to NRS 78.138; and

(b) Which breach:

(1) Directly relates to the initiation, evaluation, negotiation, authorization or approval by the board of directors, or a committee thereof, of a contract or transaction to which the controlling stockholder or any of its affiliates or associates is a party or in which the controlling stockholder or any of its affiliates or associates has a material and nonspeculative financial interest; and

(2) Results in material, nonspeculative and non-ratable financial benefit to the controlling stockholder, which benefit excludes, and results in a material and nonspeculative detriment to the other stockholders generally.

➥ The exercise or withholding of voting power by a controlling stockholder, or the indication or implication by a controlling stockholder as to whether or to what extent such voting power may be exercised or withheld, does not, by itself, constitute or indicate a breach of the fiduciary duty imposed by this subsection.

4. A controlling stockholder is presumed to have not breached the fiduciary duty imposed by subsection 3 with respect to a contract or other transaction if such contract or transaction has been authorized or approved by:

(a) A committee of the board of directors consisting of only disinterested directors; or

(b) The board of directors in reliance on the recommendation of a committee of the board of directors consisting of only disinterested directors.

5. A stockholder of a corporation is not individually liable to the corporation or its stockholders or creditors for any damages as a result of any act or failure to act in such person's capacity as a stockholder unless:

(a) The stockholder is a controlling stockholder;

(b) The presumption established by subsection 4 has been rebutted; and

(c) It is proven that the stockholder's act or failure to act constituted a breach of the stockholder's fiduciary duty imposed by subsection 3.

6. As used in this section:

(a) "Affiliate" has the meaning ascribed to it in NRS 78.412.

(b) "Associate" has the meaning ascribed to it in NRS 78.413.

(c) "Beneficial ownership" means being the beneficial owner of shares. As used in this paragraph, "beneficial owner" has the meaning ascribed to it in NRS 78.414.

(d) "Controlling stockholder" means a stockholder of a corporation having the voting power, by virtue of such stockholder's relative beneficial ownership of shares or otherwise pursuant to the articles of incorporation, to elect at least a majority of the corporation's directors.

(e) "Disinterested director," when used with respect to a contract or transaction, includes, without limitation, a director of a corporation who:

(1) Individually, or with or through any of the director's affiliates or associates other than the corporation, neither has a material and nonspeculative financial interest in, nor is a party to, the contract or transaction; and

(2) Would satisfy the independence standards, without regard to any financial literacy of financial expert qualifications, required to serve on an audit committee of a board of directors of a non-investment company issuer pursuant to section 10A(m) of the Securities Exchange Act, 15 U.S.C. § 78j-1(m) and Rule 10A-3 thereunder, 17 C.F.R. § 240.10A-3 and the rules of the national securities exchange, if any, on which any shares of the corporation's stock are listed for trading.

Sec. 6. NRS 78.315 is hereby amended to read as follows:

78.315 1. Unless the articles of incorporation or the bylaws provide for a greater or lesser proportion, a majority of the board of directors of the corporation then in office, at a meeting duly assembled, is necessary to constitute a quorum for the transaction of business, and the act of directors holding a majority of the voting power of the directors, present at a meeting at which a quorum is present, is the act of the board of directors.

2. Unless otherwise restricted by the articles of incorporation or bylaws, any action required or permitted to be taken at a meeting of the board of directors or of a committee thereof may be taken without a meeting if, before or after the action, a written consent thereto is signed by all the members of the board or of the committee, except that such written consent is not required to be signed by:

(a) A common or interested director who abstains in writing from providing consent to the action. If a common or interested director abstains in writing from providing consent:

(1) The fact of the common directorship, office or financial interest must be known to the board of directors or committee before a written consent is signed by all the members of the board of the committee.

(2) Such fact must be described in the written consent.

(3) The board of directors or committee must approve, authorize or ratify the action in good faith by unanimous consent without counting the abstention of the common or interested director.

(b) A director who is a party to an action, suit or proceeding who abstains in writing from providing consent to the action of the board of directors or committee. If a director who is a party to an action, suit or proceeding abstains in writing from providing consent on the basis that he or she is a party to an action, suit or proceeding, the board of directors or committee must:

(1) Make a determination pursuant to NRS 78.7502 that indemnification of the director is proper under the circumstances.

(2) Approve, authorize or ratify the action of the board of directors or committee in good faith by unanimous consent without counting the abstention of the director who is a party to an action, suit or proceeding.

3. Unless otherwise restricted by the articles of incorporation or bylaws, members of the board of directors or the governing body of any corporation, or of any committee designated by such board or body, may participate in a meeting of the board, body or committee through electronic communications, videoconferencing, teleconferencing or other available technology if the corporation has implemented reasonable measures to:

(a) Verify the identity of each person participating through such means as a director or member of the governing body or committee, as the case may be; and

(b) Provide the directors or members a reasonable opportunity to participate in the meeting and to vote on matters submitted to the directors or members, as the case may be, including an opportunity to communicate and to read or hear the proceedings of the meeting in a substantially concurrent manner with such proceedings.

4. Participation in a meeting pursuant to subsection 3 constitutes presence in person at the meeting.

5. Whenever this title expressly requires the board of directors to approve or take other action with respect to any agreement, instrument, certificate or other document, including, without limitation, any agreement,

instrument, certificate or other document required to be filed with the Secretary of State, the directors may approve, adopt or otherwise act upon such agreement, instrument, certificate or other document in final form or such preliminary form as the directors deem appropriate in their business judgment.

Sec. 7. NRS 78.365 is hereby amended to read as follows:

78.365 1. A stockholder, by agreement in writing, may transfer his or her stock to a voting trustee or trustees for the purpose of conferring the right to vote the stock for a period not exceeding 15 years upon the terms and conditions therein stated. Any certificates of stock so transferred must be surrendered and cancelled and new certificates for the stock issued to the trustee or trustees in which it must appear that they are issued pursuant to the agreement, and in the entry of ownership in the proper books of the corporation that fact must also be noted, and thereupon the trustee or trustees may vote the stock so transferred during the terms of the agreement. A duplicate of every such agreement must be filed in the registered office of the corporation and at all times during its terms be open to inspection by any stockholder or his or her attorney.

2. At any time within the 2 years next preceding the expiration of an agreement entered into pursuant to the provisions of subsection 1, or the expiration of an extension of that agreement, any beneficiary of the trust may, by written agreement with the trustee or trustees, extend the duration of the trust for a time not to exceed 15 years after the scheduled expiration date of the original agreement or the latest extension. An extension is not effective unless the trustee, before the expiration date of the original agreement or the latest extension, files a duplicate of the agreement providing for the extension in the registered office of the corporation. An agreement providing for an extension does not affect the rights or obligations of any person not a party to that agreement. An agreement entered into pursuant to the provisions of subsection 1 is not invalidated by the fact that, by its terms, its duration is more than 15 years, but its duration shall be deemed amended to conform with the provisions of this section.

3. An agreement between two or more stockholders, ***or between the corporation and one or more stockholders,*** if in writing and signed by each ~~[stockholder]~~ ***party*** to be bound thereby, may provide that in exercising any voting rights, the stock held by each such stockholder must be voted:

(a) Pursuant to the provisions of the agreement;

(b) As ~~[they]~~ ***the parties to the agreement*** may subsequently agree; ~~[or]~~

(c) In accordance with a procedure ~~[agreed upon.]~~ ***specified in the agreement; or***

(d) In a manner dependent upon any fact or event which may be ascertained outside of the agreement if the manner in which a fact or event may operate upon the exercise of the voting rights is stated in the agreement. As used in this paragraph, "fact or event" includes, without limitation, the existence of a fact or an occurrence of an event, including, without

limitation, a determination or action by a person, the corporation itself or any government, governmental agency or political subdivision of a government.

4. An agreement pursuant to the provisions of subsection 3 is valid and enforceable against the transferee of a stockholder party to the agreement only:

(a) If and to the extent that the transferee agrees in writing to be bound by the agreement; or

(b) If the agreement expressly provides that it is enforceable against the transferee of a stockholder party to the agreement and:

(1) The transferee had actual knowledge of the existence of the agreement before the transfer; or

(2) The existence of the agreement is noted conspicuously on the front or back of the stock certificate or is contained in the written statement of information required by subsection 5 of NRS 78.235.

5. An agreement pursuant to the provisions of subsection 3, or an amendment thereto or an extension thereof, in each case entered into before October 1, 2021, is not:

(a) Effective for a term of more than 15 years, but at any time within the 2 years next preceding the expiration of the agreement the parties thereto may extend its duration for such period as is stated in the extension; and

(b) Invalidated by the fact that by its terms its duration is more than 15 years, but its duration shall be deemed amended to conform with the provisions of this section.

Sec. 8. NRS 78.390 is hereby amended to read as follows:

78.390 1. Except as otherwise provided in subsection 8 or in NRS 77.340 or 78.209 or chapter 92A of NRS, every amendment to the articles of incorporation must be made ***and approved*** in the following manner:

(a) The board of directors must adopt a resolution setting forth the amendment proposed and submit the proposed amendment to the stockholders for approval ~~[~~.

~~(b) If~~~~]~~ ***and if the corporation is:***

(1) A publicly traded corporation and the amendment proposed relates solely to an increase or decrease in the number of shares the corporation is authorized to issue, the stockholders of the affected class or series, regardless of limitations or restrictions on the voting power of the affected class or series, must approve the proposed amendment; or

(2) Not a publicly traded corporation, or is a publicly traded corporation but the amendment proposed does not relate solely to an increase or decrease in the number of shares the corporation is authorized to issue, the stockholders holding shares in the corporation representing at least a majority of the voting power, or such greater proportion of the voting power as may be required in the case of a vote by classes or series, as provided in subsections 2 and 4, or as may be required by the provisions of the articles of incorporation, ~~[have approved]~~ ***must approve the proposed amendment.***

➥ ***Upon the approval of*** the ***proposed*** amendment ~~[.]~~ ***by the stockholders as provided in this subsection,*** an officer of the corporation shall sign a certificate setting forth the amendment, or setting forth the articles of incorporation as amended, and the vote by which the amendment was adopted.

~~[(c)]~~ ***(b)*** The certificate so signed must be filed with the Secretary of State.

(c) An amendment adopted pursuant to this subsection that would have the effect of decreasing the number of shares of a class or series of shares the corporation is authorized to issue below the number of shares of such class or series then issued and outstanding shall be void and of no effect.

2. Except as otherwise provided in this subsection, if any proposed amendment would adversely alter or change any preference or any relative or other right given to any class or series of outstanding shares, then, in addition to any approval otherwise required, the amendment must be approved by the holders of shares representing a majority of the voting power of each class or series adversely affected by the amendment regardless of limitations or restrictions on the voting power thereof. The amendment does not have to be approved by the holders of shares ~~[representing a majority of the voting power]~~ of ~~[each]~~ ***any*** class or series whose preference or rights are adversely affected by the amendment if the articles of incorporation specifically deny the ***holders of such class or series the*** right to vote on such an amendment. ***Except as otherwise provided in the articles of incorporation, a proposed amendment that designates one or more new series of an existing class as having any preference or any relative or other right that has higher or equal seniority to the corresponding preference or relative or other right of an existing series of the same class does not, solely by virtue of the higher or equal seniority of the preference or right of the proposed new series, constitute an amendment that would adversely alter or change the preference or rights of the existing series.***

3. Provision may be made in the articles of incorporation requiring, in the case of any specified amendments, approval by a larger proportion of the voting power of stockholders than that required by this section.

4. Different series of the same class of shares do not constitute different classes of shares for the purpose of voting by classes except when the series is adversely affected by an amendment in a different manner than other series of the same class.

5. The board of directors may, by resolution, abandon the proposed amendment without further action by the stockholders if the resolution of the stockholders approving the proposed amendment authorizes the board of directors to do so. (e) The plan of merger for the restructuring merger requires that the directors and officers of the constituent corporation are the only directors and officers, respectively, of the holding corporation at the effective time of the restructuring merger;

(f) The organizational documents of the holding corporation and the surviving company, in each case for a period of not less than 2 years after the effective time of the restructuring merger, contain provisions requiring, by specific reference to this section, that:

(1) At least a majority of the voting power of the governing body of the surviving company will be comprised of individuals then serving as a director of the holding corporation, unless the surviving company is a limited-liability company managed by its members and the holding corporation then holds at least a majority of the voting power of the owner's interests of the surviving company;

(2) If the surviving company is a limited-liability company, either:

(I) The surviving company will be managed by its members and the holding corporation then holds at least a majority of the voting power of the owner's interests of the surviving company; or

(II) The surviving company will be managed by one or more managers and the organizational documents of the surviving company expressly provide that each such ~~[a]~~ manager shall be subject to non-waivable fiduciary duties identical to those of a director of a domestic corporation and the benefit of the entitlements, presumptions and protections afforded to such directors under chapter 78 of NRS;

(III) Any sale, exchange, transfer or other disposition of the owner's interests of the surviving company holding greater than a majority of the voting power of such owner's interests with respect to the election of the governing body of the surviving company, provided that no approval pursuant to this sub-subparagraph will be required in connection with the mortgage or pledge of such owner's interests made in good faith and not in circumvention of any other approval required pursuant to this subparagraph; or

(IV) Dissolution or other termination of the existence of the surviving company; and

(4) The provisions of subparagraph (3) shall not be construed to require the approval of the stockholders of the holding corporation to elect or remove any member of the governing body of the surviving entity; and

(g) The board of directors of the constituent corporation determines in good faith that the stockholders of the constituent corporation would not reasonably be expected to recognize gain or loss for United States federal income tax purposes by reason of giving effect to the restructuring merger.

9. Unless otherwise provided in the articles of incorporation or bylaws of a domestic corporation, a plan of merger, conversion or exchange may contain a provision that permits amendment of the plan of merger, conversion or exchange at any time after the stockholders of the domestic corporation approve the plan of merger, conversion or exchange, but before the articles of merger, conversion or exchange become effective, without obtaining the approval of the stockholders of the domestic corporation for the amendment if the amendment does not:

(a) Alter or change the manner or basis of exchanging an owner's interest to be acquired for owner's interests, rights to purchase owner's interests, or other securities of the acquiring entity or any other entity, or for cash or other property in whole or in part; or

(b) Alter or change any of the terms and conditions of the plan of merger, conversion or exchange in a manner that adversely affects the stockholders of the domestic corporation.

92A.133 1. Unless otherwise expressly required by the articles of incorporation, no ***submission to, and no*** vote of ***,*** the stockholders of a domestic corporation is ~~*[are]*~~ necessary to authorize a merger in which the domestic corporation is a constituent entity if the plan of merger expressly permits or requires the merger to be effected under this section and:

(a) The ownership threshold requirement is satisfied without any offer, subject to the provisions of subsection 2; or

(b) The ownership threshold requirement is satisfied in whole or in part by way of an offer and:

(1) The domestic corporation has been a publicly traded corporation at all times during the period between:

(I) The date of the commencement of the offer or the date of the adoption of the plan of merger by the board of directors of the domestic corporation, whichever is earlier; and

(II) The effective date of the merger; and

(2) The plan of merger requires that:

(I) The merger must be effected as soon as practicable following the consummation of the offer if the merger is effected under this section; and

(II) Each outstanding share of each class or series of stock of the domestic corporation that is the subject of, and not irrevocably accepted for purchase or exchange in, the offer must be converted in such merger into, or into the right to receive, the same amount and kind of cash, property, rights or securities to be paid for shares of such class or series of stock of the domestic corporation irrevocably accepted for purchase or exchange in the offer. The plan of merger may expressly provide that the requirements of this sub-subparagraph must not apply to specified categories of excluded shares.

2. If a merger pursuant to this section is to be effectuated without any offer:

(a) The ownership threshold requirement must be satisfied without counting the voting power of any shares of the stock of the domestic corporation acquired from the domestic corporation, or any of the directors, officers, affiliates or associates thereof, within the 6 months immediately preceding the adoption of the plan of merger by the board of directors of the domestic corporation;

(b) The domestic corporation must provide notice of the merger to all of its stockholders not less than 30 days before the effective date of the merger; and

(c) The domestic corporation must have been a publicly traded corporation at all times during the period between the date of the adoption of the plan of merger by the board of directors of the domestic corporation and the effective date of the merger.

3. This section does not apply to circumvent or contravene the provisions of NRS 78.378 to 78.3793, inclusive, or NRS 78.411 to 78.444, inclusive.

4. As used in this section:

(a) "Affiliate" has the meaning ascribed to it in NRS 78.412.

(b) "Associate" has the meaning ascribed to it in NRS 78.413.

(c) "Consummation" means the irrevocable acceptance for purchase or exchange of shares tendered pursuant to an offer.

(d) "Excluded shares" means:

(II) The constituent entity making the offer;

(III) Any person who owns, directly or indirectly, all of the outstanding equity interests of the constituent entity making the offer; or

(IV) Any direct or indirect wholly owned subsidiary of any of the foregoing.

(e) "Offer" means an offer made by the other constituent entity in the merger for all of the outstanding shares of each class or series of stock of the domestic corporation listed on a national securities exchange, on the terms provided in the plan of merger that, absent this section, would be entitled to vote on the approval of the plan of merger. The other constituent entity in the merger may, but is not required to, engage in the consummation of separate offers for separate classes or series of the stock of the domestic corporation. An offer may, but is not required to:

(1) Exclude any excluded shares; and

(2) Be conditioned on the tender of a minimum number or proportion of shares of any class or series of the stock of the domestic corporation.

(f) "Owned affiliate" means, with respect to a constituent entity, any other person who owns, directly or indirectly, all of the outstanding equity interests of the constituent entity, or any direct or indirect wholly owned subsidiary of the constituent entity or other person.

For the purposes of this paragraph, shares are received:

(1) If the shares are certificated shares, upon physical receipt by the agent or depositary of a stock certificate with an executed letter of transmittal or other instrument of transfer;

(2) If the shares are uncertificated shares held of record by a clearing corporation as nominee, upon transfer into the account of the agent or depositary by way of an agent's message; and

(3) If the shares are uncertificated shares held of record by a person other than a clearing corporation as nominee, upon physical receipt by the agent or depositary of an executed letter of transmittal or other instrument of transfer.

(h) "Publicly traded corporation" means a domestic corporation that has a class or series of voting shares which is a covered security under section 18(b)(1)(A) or (B) of the Securities Act of 1933, 15 U.S.C. § 77r(b)(1)(A) or (B), as amended.

(i) "Rollover shares" means any shares of any class or series of the capital stock of the domestic corporation that are the subject of a written agreement requiring such shares to be contributed or otherwise transferred to the other constituent entity in the merger or any of the owned affiliates of the other constituent entity in exchange for shares or other equity interest in the other constituent entity or any of its owned affiliates. Shares must cease to be rollover shares if, as of the effective time of the merger, the shares have not been contributed or otherwise transferred pursuant to the written agreement.

(a) Consummation of a plan of merger to which the domestic corporation is a constituent entity:

(1) If approval by the stockholders is required for the merger by ~~[NRS 92A.120 to 92A.160, inclusive,]~~ ***this chapter*** or the articles of incorporation, regardless of whether the stockholder is entitled to vote on the plan of merger;

Legislative Counsel's Digest:

Existing law authorizes certain health insurers to require prior authorization before an insured may receive coverage for health and dental care in certain circumstances. If an insurer requires prior authorization, existing law requires the insurer to: (1) file its procedure for obtaining prior authorization with the

Commissioner of Insurance for approval; and (2) respond to a request for prior authorization within 20 days after receiving the request. (NRS 687B.225) This bill establishes additional requirements relating to the use of prior authorization for health and dental care by health insurers, including ~~[Medicaid, the Children's Health Insurance Program and]~~ insurance for public employees~~ [.]~~ **as well as specific requirements relating to prior authorization under Medicaid and the Children's Health Insurance Program (CHIP).**

Specifically, **sections 19 and 34** of this bill require that a procedure for obtaining prior authorization includes: (1) a list of the ~~[specific goods]~~ **items** and services for which the insurer requires prior authorization; and (2) the clinical review criteria used by the insurer to evaluate requests for prior authorization. **Sections 19 and 34** also require an insurer to publish its procedure for obtaining prior authorization on its Internet website**.** ~~[and update that website as necessary to account for any changes in the procedure.]~~ **Sections 19 and 34** prohibit an insurer from denying a claim for payment for medical or dental care because of the failure to obtain prior authorization if the insurer's procedures for obtaining prior authorization in effect on the date that the care was provided did not require prior authorization for that care.

~~[Sections]~~ **Section 12.5 of this bill requires insurers, other than those covering recipients of Medicaid and CHIP, which employ or utilize an artificial intelligence system or automated decision tool to process requests for prior authorization to transmit a notice to each insured that: (1) discloses the insurer's use of the system or tool to process requests for prior authorization; and (2) describes certain aspects of the system or tool. Section 12.5 also prohibits an insurer from using an artificial intelligence system or automated decision tool to made an adverse determination on a request for prior authorization, or to terminate, reduce or modify a previously approved request for prior authorization, unless that action is independently reviewed by a physician or dentist, as applicable, who possesses certain qualifications.**

Section 19 ~~[and 35 of this bill revise the period for insurers to take action on a request for prior authorization by requiring]~~ **requires** an insurer **, other than an insurer covering recipients of Medicaid or CHIP,** to approve or make an adverse determination on ~~[such]~~ a request~~ [,]~~ **for prior authorization,** or request additional, medically relevant information within: (1) ~~[five]~~ **7** days after receiving the request, for medical or dental care that is not urgent; or (2) ~~[twenty-four]~~ **48** hours after receiving the request, for care that is urgent. **Section 35 of this bill requires entities providing coverage under Medicaid or CHIP, including Medicaid managed care organizations, to approve, make an adverse determination on or request additional, medically relevant information for any request for prior authorization, except for requests for prescription drugs and certain other services, within 7 days after receiving the request. Sections 13 and 36** of this bill require any adverse determination on a request for prior authorization to be made by ~~[a]~~

~~licensed physician or, for a request relating to dental care, a dentist, who has certain qualifications. Sections~~ **certain authorized providers of health care. Section 13** ~~[and 36 require]~~ **requires** an insurer ~~[, in]~~ **, other than those covering recipients of Medicaid or CHIP, to, in** certain circumstances, ~~[to]~~ allow the provider of health care who requested the prior authorization **, or certain colleagues of the provider,** to discuss the issues involved in the request with the physician or dentist who is responsible for making a determination on the request. **Sections 13 and 36** require an insurer, upon making an adverse determination on a request for prior authorization, to transmit certain information to the insured to whom the request pertains, including information relating to the right of the insured to appeal the adverse determination. ~~[Sections]~~ **Section 13** ~~[and 36 further require:]~~ **requires:** (1) an insurer **, other than those covering recipients of Medicaid or CHIP,** to establish a process for appeals that provides for the timely resolution of appeals submitted by insureds; and (2) a decision upholding an adverse determination on an appeal submitted by an insured to be made by a physician or dentist who has qualifications beyond those required of a physician or dentist who evaluates initial requests for prior authorization.

~~[Sections]~~ **Section 36 establishes certain other requirements for appeals of adverse determinations pertaining to recipients of Medicaid and CHIP.**

Section 14 ~~[and 37]~~ of this bill: (1) ~~[provide]~~ **provides** that a request for prior authorization that has been approved by ~~[the]~~ **an** insurer **, other than an insurer covering recipients of Medicaid or CHIP,** remains valid for 12 **months, if the approval is for a continuous course of care relating to a chronic or long-term condition, or 6** months ~~[,]~~ **for other medical or dental care;** and (2) ~~[require]~~ **requires such** an insurer, for the first 90 days of the coverage period for a new insured, to honor a request for prior authorization that has been approved by the previous insurer of the new insured, under certain circumstances. ~~[Sections 14 and]~~ **Section 37** ~~[prohibit an insurer from denying or imposing additional limits on a request for prior authorization that the insurer has previously approved if the care at issue in the request is provided within 90 business days after the date on which the insurer receives the request and certain other requirements are met.]~~ **of this bill provides that a request for prior authorization approved for recipients of Medicaid and CHIP remains valid for 12 months after approval, unless federal law provides for a different amount of time.**

Sections 15 and 38 of this bill prohibit an insurer from requiring prior authorization for covered emergency services. **Sections 15 and 38** also prohibit an insurer from requiring that an insured or provider of health care notify the insurer earlier than the end of the business day following the date of admission or the date on which the emergency services are provided. ~~[Finally, sections 15 and]~~ **Additionally, section 38**: (1) ~~[prohibit an insurer]~~ **prohibits an insurer covering recipients of Medicaid and CHIP** from denying coverage for covered medically necessary emergency services; and (2)

~~[~~establish~~]~~ **establishes** a presumption of **such** medical necessity under certain conditions.

Sections 3-12 and ~~[~~27-33~~]~~ **27-32** of this bill define certain terms relating to the process of obtaining and processing requests for prior authorization, and **sections 2 and 26** of this bill establish the applicability of those definitions. ~~[~~Sections~~]~~ **Section 16** ~~[~~and 39~~]~~ of this bill provide that if an insurer **, other than an insurer covering recipients of Medicaid or CHIP,** violates any provision of section ~~[~~13-15,~~]~~ **12.5-15 or 19** ~~[~~or 34-38~~]~~ with respect to a particular request for prior authorization, that the request is deemed approved. **Sections 16 and 39** ~~[~~also~~]~~ **of this bill** clarify that nothing in any provision of **section** ~~[~~13-15,~~]~~ **12.5-15, 19 or 34-38** require an insurer to provide coverage: (1) for care that the insurer does not cover, regardless of the medical necessity of the care; or (2) to persons to whom the insured is not obligated to provide coverage.

~~[~~Sections~~]~~ **Section 17** ~~[~~and 40~~]~~ of this bill ~~[~~require~~]~~ **requires** an insurer **, other than an insurer covering recipients of Medicaid or CHIP,** to annually publish on its Internet website **and submit to the Commissioner of Insurance** certain information relating to requests for prior authorization that have been processed by the insurer during the immediately preceding year. ~~[~~Sections 18 and 41 of this bill additionally require an insurer to publish an annual report of certain information relating to requests for prior authorization processed by the insurer during the immediately preceding year.~~]~~ **Section 17 additionally requires the Commissioner to biennially transmit to the Legislature the data collected from insurers for the biennium and a report summarizing the data. Sections 40 and 41 of this bill impose similar reporting requirements on entities providing coverage for recipients and CHIP relating to requests for prior authorization received by those entities.**

Section 20 of this bill requires a nonprofit hospital and medical or dental service corporation to comply with **sections** ~~[~~2-18.~~]~~ **2-17. Section 21** of this bill requires the Director of the Department of Health and Human Services to administer the provisions of **sections** ~~[~~25-41~~]~~ **26-41** of this bill in the same manner as other provisions governing Medicaid. **Sections 22, 23 and 44** of this bill require plans of self-insurance for employees of local governments, the Public Employees' Benefits Program and plans of self-insurance for private employers, respectively, to comply with the requirements of **sections 2-19** of this bill to the extent applicable. ~~[~~Section 25 provides~~]~~ **Sections 12.2 and 34 of this bill provide** that a managed care organization that provides services to recipients of Medicaid or the Children's Health Insurance Program is ~~[~~not~~]~~ subject to **the requirements of sections 26-41**, ~~[~~but must~~]~~ **and is not required to** comply with **sections 2-19**. **Section 42** of this bill requires the policies and procedures for coverage for prescription drugs under Medicaid to comply with **sections 26-41**. **Section 47.5 of this bill repeals provisions establishing certain requirements relating to prior authorization for dental care which sections 2-19 make redundant.**

2. Except as otherwise provided in this this subsection, if a health carrier approves a request for prior authorization for a continuous course of treatment that relates to a chronic or long-term condition which is specifically identified in the request for prior authorization, the approval remains valid until 12 months after the date on which the health carrier approved the request. A health carrier may require additional prior authorization for medical or dental care that represents a substantial deviation from the course of treatment indicated in the previous request for prior authorization that was approved by the health carrier.

3. A health carrier shall not revoke or impose an additional limit, condition or restriction on a request for prior authorization that the health carrier has previously approved unless:

Emergency services are presumed to be medically necessary if, within 72 hours after an insured is admitted to receive emergency services, the insured's provider of health care transmits to the health carrier a certification, in writing, that the condition of the insured required emergency services. The health carrier may rebut that presumption by establishing, by clear and convincing evidence, that the emergency services were not medically necessary.~~

Amendment adopted.

Bill ordered reprinted, engrossed, and to third reading.

Assembly Bill No. 309.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 401.

AN ACT relating to orders for protection; requiring certain temporary orders for protection against domestic violence to include certain information; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law: (1) authorizes a court to grant a temporary order for protection against domestic violence with or without notice to the adverse party; and (2) provides that an extended order for protection against domestic violence may only be granted after notice to the adverse party and a hearing on the application. Under existing law, if a court grants a temporary order for protection against domestic violence against an alleged perpetrator of domestic violence who is in custody at the time the court grants the order: (1) upon approval of the court, the signed order may be transmitted to the facility holding the alleged perpetrator; and (2) if such an order is received by the facility holding the alleged perpetrator while the alleged perpetrator is still in

custody, the order must be served upon the alleged perpetrator before the alleged perpetrator is released from the facility. (NRS 33.020)

Section 1 of this bill requires that certain temporary orders for protection against domestic violence served upon an alleged perpetrator who is in custody advise the person that if the person is still in custody on the date of the hearing on the application for an extended order for protection against domestic violence, the person may contest the application by filing ~~[an affidavit]~~ **a written response** with the court which ~~[states the reasons why]~~ **consists solely of a statement indicating whether** the ~~[court should not grant the]~~ **person contests the issuance of an** extended order. **Section 1** also requires that such temporary orders notify the person that if the person does not file ~~[an affidavit]~~ **a written response** within the time specified in the temporary order and the person is still in custody on the date of the hearing on the application for an extended order for protection against domestic violence, the court may: (1) hold the hearing in the absence of the incarcerated person; and (2) grant the extended order without further input from the incarcerated person.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 33.030 is hereby amended to read as follows:

33.030 1. The court by a temporary order may:

(a) Enjoin the adverse party from threatening, physically injuring or harassing the applicant or minor child, either directly or through an agent;

(b) Exclude the adverse party from the applicant's place of residence;

(c) Prohibit the adverse party from entering the residence, school or place of employment of the applicant or minor child and order the adverse party to stay away from any specified place frequented regularly by them;

(d) If it has jurisdiction under chapter 125A of NRS, grant temporary custody of the minor child to the applicant;

(e) Enjoin the adverse party from physically injuring, threatening to injure or taking possession of any animal that is owned or kept by the applicant or minor child, either directly or through an agent;

(f) Enjoin the adverse party from physically injuring or threatening to injure any animal that is owned or kept by the adverse party, either directly or through an agent; and

(g) Order such other relief as it deems necessary in an emergency situation.

(4) Pay all costs and fees incurred by the applicant in bringing the action; and

(5) Pay monetary compensation to the applicant for lost earnings and expenses incurred as a result of the applicant attending any hearing concerning an application for an extended order.

3. If an extended order is issued by a justice court, an interlocutory appeal lies to the district court, which may affirm, modify or vacate the order in question. The appeal may be taken without bond, but its taking does not stay the effect or enforcement of the order.

Legislative Counsel's Digest:

~~[Existing law sets forth the duties of the State Treasurer, including establishing, by regulation, a program to provide reimbursement for tuition charges, registration fees, laboratory fees and other mandatory fees paid to an institution within the Nevada System of Higher Education by a person who: (1) completed a Teacher Academy College Pathway Program; and (2) has, with certain exceptions, worked as a full-time, licensed teacher at a public school in this State for at least 3 consecutive school years. (NRS 226.420)~~

~~Section 2 of this bill requires the State Treasurer to also establish by regulation a program to provide: (1) reimbursement for tuition charges, registration fees, laboratory fees, examination fees, licensure fees or certification fees and any other fees paid to an institution within the Nevada System of Higher Education or to a professional or occupational licensing board or regulatory body of this State by a person who is in financial need and preparing for employment in professions in K-12 education or health care; and (2) grants to certain hospitals to create, expand or fund programs where the hospital coordinates with a secondary school to provide work-based learning opportunities for students. Section 3 of this bill creates the Nevada Education and Health Care Pathways Account and requires money in the Account to be used to carry out the program established pursuant to section 2. Section 4 of this bill makes an appropriation of $10,000,000 to the Account.]~~

Existing law creates the Governor's Office of Workforce Innovation within the Department of Employment, Training and Rehabilitation and prescribes the duties of the Office and its Executive Director, which include, without limitation, defining career pathways and identifying priority career pathways for secondary and postsecondary education. (NRS 232.965, 232.975) Under existing law, the Governor's Office of Workforce Innovation is required to establish and administer a Career Pathways Demonstration Program. Pursuant to the Program, the Office is required to identify not more than three priority industries, including K-12 education, for the development and implementation of career pathways and to take certain steps to implement the Program, including, without limitation, establishing measurable objectives for the outcomes of the Program and implementing a competitive process to select proposals for career pathway projects. (NRS 232.985) Section 3.5 of this bill requires one of the priority industries for the purposes of the Program to be health care.

Existing law: (1) requires each large school district in this State, meaning any school district which has more than 100,000 pupils enrolled in its public schools (currently only the Clark County School District), to offer a Teacher Academy College Pathway Program at every high school in the school district with 250 or more pupils enrolled to enable pupils in grades 9 to 12 to prepare for employment in professions in K-12 education; (2) authorizes a large school district to offer the Program at high schools with fewer than 250 pupils; and (3) authorizes a school

district which is not a large school district to offer the Program at high schools in the school district. (NRS 388.223) Section 3.7 of this bill enacts similar provisions to establish a Health Care Workforce Pathway Program.

Existing law requires the State Treasurer to establish a program to provide reimbursement for tuition charges, registration fees, laboratory fees and any other mandatory fees paid to an institution within the Nevada System of Higher Education by a person who completed the Teacher Academy College Pathway Program and who worked as a full-time, licensed teacher for at least 3 consecutive school years at a public school in this State. Under existing law, the State Treasurer is authorized to provide partial reimbursement for such tuition charges and fees to a person who completed the Teacher Academy College Pathway Program and who has worked as a full-time, licensed teacher for 1 year or 2 consecutive years. (NRS 226.420) Section 3.1 of this bill authorizes the State Treasurer to provide similar reimbursements to persons who complete the Health Care Workforce Pathway Program and who work in this State in the field of health care for a certain period. Section 3.3 of this bill renames the Nevada Grown Educator Account as the Nevada Grown Educator and Health Care Workforce Account to reflect that the Account will be used to carry out the Teacher Academy College Pathway Program and the Health Care Workforce Pathway Program established pursuant to section 3.7.

Existing law authorizes the Board of Regents of the University of Nevada to: (1) enter into an agreement with a school district to assist in the implementation of the Teacher Academy College Pathway Program; and (2) establish a program to identify pupils who have completed the Teacher Academy College Pathway Program, or who are expected to complete the Program by the end of grade 12, and who wish to apply for admission to an institution within the Nevada System of Higher Education, and inform such pupils of the institutions within the System where such pupils may qualify for admission. (NRS 396.1219) Section 3.9 of this bill extends similar authority to the Board of Regents to enter into an agreement with a school district to assist in the implementation of the Health Care Workforce Pathway Program established pursuant to section 3.7.

Legislative Counsel's Digest:

Existing law provides for the licensure and regulation of physicians, physician assistants, anesthesiologist assistants, practitioners of respiratory care and perfusionists by the Board of Medical Examiners. (Chapter 630 of NRS) **Sections 11 and 14** of this bill revise provisions governing examinations that are necessary for licensure as a physician. **Section 14** also increases the amount of the fine that the Board may impose on an applicant for a license as a physician who submits false information in connection with the application.

Section 21 of this bill requires each licensee of the Board to maintain a permanent electronic mail address for communication with the Board.

Existing law prescribes separate qualifications for licensure for: (1) persons who received their medical education in the United States or Canada; and (2) persons who received their medical education in other foreign countries. (NRS 630.160, 630.170, 630.195, 630.263, 630.264, 630.265) Existing law also requires a physician to have completed certain residencies in ophthalmology in the United States or Canada in order to perform laser surgery or intense pulsed light therapy on the globe of the eye. (NRS 630.371) **Sections 4, 5, 8, 14, 19, 26-28 and 64** of this bill make various changes so that persons who received their medical education in the United Kingdom, Australia or

New Zealand, and other foreign countries whose standards for medical education are determined to be equivalent by the Board, are treated identically to persons who received their medical education in the United States or Canada for those purposes.

Existing law requires: (1) an applicant for a license to practice medicine to hold certain certifications or have completed or be enrolled in certain progressive postgraduate education; and (2) a physician who performs certain procedures on the eye to have completed certain progressive postgraduate education in ophthalmology. (NRS 630.160, 630.371) **Section 6** of this bill prescribes the manner in which the Board must determine whether postgraduate education is progressive for those purposes. **Section 14** revises the amount of progressive postgraduate education that a resident physician must have completed in order to be eligible for a license.

Existing law authorizes a practitioner of respiratory care to perform certain laboratory tests without obtaining certification as an assistant in a medical laboratory. (NRS 652.210) **Sections 9 and 82** of this bill authorize a practitioner of respiratory care to perform certain moderate complexity tests without obtaining such certification if: (1) the practitioner of respiratory care has been trained to perform the test; and (2) the test is within the scope of practice of a practitioner of respiratory care.

Sections 15, 16 and 84 of this bill revise and simplify provisions governing licensure by endorsement as a physician by: (1) eliminating expedited licensure by endorsement, except for certain persons affiliated with the Armed Forces of the United States; and (2) making certain revisions relating to the qualifications for licensure by endorsement. **Sections 17, 18, 20, 23 and 30** of this bill eliminate references to a section repealed by **section 84**.

Existing law authorizes the Board to require a licensee who has not practiced in more than 24 consecutive months to take the same examination to test competency as that given to applicants for a license. (NRS 630.257) **Section 22** of this bill revises this provision to apply to inactive licensees and applicants for a license who have not actively practiced in more than 24 consecutive months. **Section 22** also authorizes the Board to require such a person to demonstrate his or her competency in a manner other than by taking an examination. **Sections 16, 28, 36, 40 and 41** of this bill make conforming changes to add references to those requirements where appropriate.

Existing law provides for the issuance of various special licenses to practice medicine. (NRS 630.258-630.266) **Section 23** removes the requirement that the Board automatically issue a special volunteer license, which authorizes certain retired physicians to continue practicing on a volunteer basis, to a person who possesses the required qualifications for such a license. **Section 24** of this bill eliminates the specific statutory requirements for licensure from which a person applying for licensure as an administrative physician is exempt and instead requires the Board to adopt regulations prescribing the requirements from which such an applicant is exempt. **Section 25** of this bill eliminates a special license that allows a licensed physician of another state to

come into this State to care for a specific patient in association with a physician licensed in this State. **Sections 1 and 25** of this bill revise the name of a special purpose license, which allows an out-of-state physician to provide certain medical services to patients in this State electronically, telephonically or by fiber optics, to instead be called a telemedicine license.

Existing law establishes fees for the issuance and renewal of a license as a physician assistant or anesthesiologist assistant who is simultaneously licensed by the Board of Medical Examiners and the State Board of Osteopathic Medicine that are one-half of the amount of the standard fees for the issuance and renewal of such a license, meaning that such a person is required to pay one-half of the standard licensure fees to each of those boards. (NRS 630.268, 633.501) If a person who pays such a reduced fee to one of those boards fails to also pay the required fee to the other board within 12 months, **sections 29, 31-33, 38, 42 and 76-81** of this bill require the person to pay to the board to whom the person has paid a fee the difference between the reduced fee and the standard fee. **Sections 12, 13 and 73-75** of this bill require the Board of Medical Examiners and the State Board of Osteopathic Medicine to share information as necessary to enforce that requirement. **Section 30** eliminates certain fees charged by the Board of Medical Examiners.

Section 10 of this bill exempts certain students who engage in the supervised practice of perfusion from the requirement to be licensed by the Board of Medical Examiners. **Sections 34-37 and 84** of this bill remove a requirement that an applicant for a license as a perfusionist pass an examination given by the American Board of Cardiovascular Perfusion, or its successor organization, and instead require such an applicant to be certified by that organization. **Section 39** of this bill eliminates a provision prohibiting the Board from requiring a physician assistant to be certified by a nationally recognized organization for the accreditation of physician assistants to satisfy applicable continuing education requirements. **Sections 40 and 41** revise the conditions under which the Board may deny an application for licensure by endorsement as a physician assistant. **Section 43** of this bill eliminates certain educational qualifications for licensure as a practitioner of respiratory care.

Sections 44 and 45 of this bill clarify certain grounds for discipline against a licensee of the Board. **Section 45** also authorizes the Board to discipline a licensee who fails to cooperate with an investigation of the Board. **Sections 46-49, 52 and 62** of this bill revise certain provisions regarding the provision to the Board of information relating to certain licensees, the examination to determine the fitness of certain licensees and the removal of limitations or suspensions of licenses to be applicable to all licensees of the Board. **Section 46** provides that certain reports filed by an insurer relating to malpractice actions are public records. **Section 51** of this bill provides that the Board is not required to review a complaint that is not within the jurisdiction of the Board.

Existing law refers to the document that the Board files to initiate a formal disciplinary proceeding as a formal complaint. (NRS 630.311) However, existing law regarding the procedure of licensing boards generally refers to

such a document as a charging document. (NRS 622A.300) **Sections 3, 50, 51, 54, 56, 57 and 59** of this bill standardize terminology so that such a document is referred to as a charging document. **Section 50** also requires that a charging document for charges against a physician assistant, anesthesiologist assistant, perfusionist or practitioner of respiratory care be filed by the Board.

Section 57 removes a requirement that the Board hold a hearing on a report from the Attorney General that a licensee has violated certain laws prohibiting industrial insurance fraud. **Section 49** instead requires the Board to treat such a report like a complaint, meaning that the Board would conduct an initial investigation before deciding whether to proceed with disciplinary proceedings. (NRS 630.311)

In certain circumstances that create doubt about the fitness of a physician, physician assistant, practitioner of respiratory care or perfusionist to practice, existing law authorizes the Board to require such a licensee to undergo certain examinations to determine his or her fitness to practice. (NRS 630.318) **Section 52**: (1) makes this provision additionally applicable to anesthesiologist assistants; and (2) provides that the failure to submit to such an examination is grounds for the summary suspension of a license pending further disciplinary proceedings.

Existing law authorizes the Board to summarily suspend a license pending further disciplinary proceedings if the Board determines that the health, safety or welfare of the public or any patient is at risk of imminent or continued harm. (NRS 630.326) **Section 54**: (1) additionally authorizes the Board to restrict the practice of a licensee without suspending his or her license under such circumstances; and (2) removes a requirement that the Board hold a hearing on the summary suspension of a license within 60 days after the summary suspension. **Sections 55 and 61** of this bill authorize a court to stay an order of the Board suspending a license if the suspension is not a summary suspension. **Section 55** also prohibits a court from staying an order of the Board summarily restricting the practice of a licensee. **Section 84** eliminates a duplicative provision authorizing the summary suspension of a licensee's authority to prescribe and dispense controlled substances for certain violations related to such prescribing and dispensing, and **section 53** of this bill eliminates a reference to that provision.

Section 56: (1) makes revisions relating to collaboration between the Board and other governmental entities investigating a person; and (2) authorizes the Board, with authorization from a licensee, to cooperate with the employer of a licensee or any other person or entity responsible for credentialing a licensee. **Section 57** removes certain procedural requirements governing hearings conducted by the Board. **Section 58** of this bill revises requirements governing service of process in proceedings before the Board. **Section 59** removes a requirement that the Board allow a complainant to participate in disciplinary proceedings. **Section 60** of this bill removes the ability for any person other than the respondent or a witness to be held in contempt for certain conduct in a disciplinary proceeding. **Section 62** removes authorization for a person

whose license has been revoked by the Board to reinstate his or her license without applying for a new license.

Existing law prohibits the Board from investigating or disciplining a physician for: (1) disclosing to a governmental entity a violation of any law, rule or regulation by an applicant for a license to practice medicine or a physician; or (2) cooperating with a governmental entity that is conducting an investigation, hearing or inquiry into such a violation. (NRS 630.364) **Section 63** of this bill: (1) makes this provision applicable to all licensees of the Board; and (2) requires the disclosure or cooperation to be in good faith for the immunity from investigation or discipline to apply.

Existing law prohibits a physician from administering or supervising the administration of general anesthesia, moderate sedation or deep sedation: (1) in an office or facility that does not hold certain permits; or (2) outside of this State. (NRS 630.373) **Section 65** of this bill makes this prohibition also applicable to: (1) physician assistants and anesthesiologist assistants; and (2) administering or supervising the administration of tumescent anesthesia, except where authorized by regulation of the Board. **Sections 7, 68 and 72** of this bill require a physician, physician assistant, advanced practice registered nurse or osteopathic physician who performs a physical examination of a person who is ~~[19]~~ **at least 12** years of age ~~[or younger]~~ **but not more than 18 years of age** to screen the person for certain health conditions.

Existing law authorizes: (1) an unlicensed medical assistant to perform clinical tasks under the supervision of a physician, osteopathic physician or physician assistant in accordance with regulations adopted by the Board of Medical Examiners or the State Board of Osteopathic Medicine, as appropriate; and (2) those boards to discipline a physician, osteopathic physician or physician assistant who fails to adequately supervise a medical assistant. (NRS 630.0129, 630.138, 630.306, 633.075, 633.293, 633.511) **Sections 67, 70 and 71** of this bill similarly authorize: (1) an unlicensed medical assistant to perform clinical tasks under the supervision of a registered nurse in accordance with regulations of the State Board of Nursing; and (2) the State Board of Nursing to discipline a registered nurse who fails to adequately supervise a medical assistant. **Section 69** of this bill establishes the applicability of the definition of "medical assistant" set forth in **section 67**.

Assembly Bill No. 334.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 475.

AN ACT relating to health care; revising provisions governing the qualifications of applicants for a license by endorsement as a dental hygienist; ~~[revising the scope of practice of expanded function dental assistants and~~

~~dental hygienists who have a special endorsement to practice restorative dental hygiene;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for the licensure and regulation of dental hygienists and expanded function dental assistants in this State by the Board of Dental Examiners of Nevada. (Chapter 631 of NRS) Existing law further: (1) requires a regulatory body to adopt regulations providing for the issuance of a license by endorsement to engage in an occupation or profession in this State to a natural person who is licensed to practice that profession in another state; and (2) sets forth certain minimum requirements for obtaining a license by endorsement. Existing law authorizes a regulatory body to require an applicant for such a license by endorsement to submit proof that the applicant has engaged in the occupation or profession for which the applicant is seeking a license by endorsement for a period of time specified by the regulatory body. (NRS 622.530)

Under existing regulations, a person applying for licensure by endorsement as a dental hygienist, in addition to certain other requirements, is required to have actively practiced dental hygiene for the 5 years immediately preceding the date of submission of the application. (NAC 631.030) **Section 4** of this bill declares this provision of regulation void, and **sections 1 and 2** of this bill prohibit the Board from adopting regulations that require an applicant for licensure by endorsement to practice dental hygiene to have practiced dental hygiene in another state for a specified period of time immediately preceding submission of the application for licensure by endorsement. Thus, **sections 1, 2 and 4** have the effect of removing the requirement that an applicant for licensure by endorsement to practice dental hygiene have practiced in another state for 5 years immediately preceding the date of submission of an application for such licensure.

~~[Existing law authorizes an expanded function dental assistant or dental hygienist with a special endorsement to practice restorative dental hygiene to use an ultrasonic scaling unit only for the removal of bonding agents. (NRS 631.3129) Section 3 of this bill removes the limitation on the use of an ultrasonic scaling unit by an expanded function dental assistant or dental hygienist with a special endorsement to practice restorative dental hygiene, thereby authorizing such a person to use an ultrasonic scaling unit without limitation. Section 3 also authorizes such a person to perform coronal scaling.]~~

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 622.530 is hereby amended to read as follows:

(1) Has achieved a passing score on a nationally recognized, nationally accredited or nationally certified examination or other examination approved by the regulatory body;

(c) If the regulatory body requires the filing and maintenance of a bond as a requirement for the issuance of a license, 15 days after the filing of the bond with the regulatory body,

➥ whichever occurs later.

5. A license by endorsement to engage in an occupation or profession in this State issued pursuant to this section may be issued at a meeting of the regulatory body or between its meetings by the presiding member of the regulatory body and the executive head of the regulatory body. Such an action shall be deemed to be an action of the regulatory body.

6. A regulatory body may deny an application for licensure by endorsement if:

(a) An applicant willfully fails to comply with the provisions of paragraph (g) of subsection 2; or

(b) The report from the Federal Bureau of Investigation indicates that the applicant has been convicted of a crime that would be grounds for taking disciplinary action against the applicant as a licensee and the regulatory body has not previously taken disciplinary action against the licensee based on that conviction.

7. The provisions of this section are intended to supplement other provisions of statute governing licensure by endorsement. If any provision of statute conflicts with this section, the other provision of statute prevails over this section to the extent that the other provisions provide more specific requirements relating to licensure by endorsement.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 402.

AN ACT relating to juvenile justice; granting the juvenile court limited jurisdiction over certain persons who are 21 years of age or older; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law grants the juvenile court limited jurisdiction over a person who is 21 years of age or older if: (1) the person is charged with the commission of a delinquent act that occurred when the person was at least 16 years of age but less than 18 years of age; (2) the delinquent act would have been a category A or B felony if committed by an adult; and (3) certain other requirements are

met. (NRS 62B.335) The Nevada Supreme Court has held that existing law does not grant any court in this State jurisdiction over a person who is 21 years of age or older who is charged with the commission of certain delinquent acts that occurred when the person was less than 16 years of age. (*Zalyaul v. State*, 138 Nev. 760 (2022)) **Section 1** of this bill addresses this jurisdictional gap by granting the juvenile court limited jurisdiction over a person who is 21 years of age or older if ~~[: (1)]~~ **a petition charging** the person ~~[is charged]~~ with the commission of ~~[a]~~ **certain** delinquent ~~[act]~~ **acts** that occurred when the person was ~~[less than 16 years of age; (2) the delinquent act would have been a category A or B felony if committed by an adult;]~~ **at least 13 years of age but less than 18 years of age is filed** and ~~[(3)]~~ certain other requirements are met. ~~[Section 1 also grants the juvenile court limited jurisdiction over a person who is 21 years of age or older if: (1) the person is charged with the commission of a delinquent act that occurred when the person was at least 16 years of age but less than 18 years of age; (2) the delinquent act would have been a category A or B felony if committed by an adult; and (3) certain other requirements are met.]~~

In general, existing law requires the juvenile court to hold a hearing to determine whether the case of a person over whom the juvenile court has limited jurisdiction should be: (1) dismissed; or (2) transferred from the juvenile court to the district court for criminal proceedings. (NRS 62B.335) By granting the juvenile court limited jurisdiction over a person who is 21 years of age or older who is charged with the commission of a delinquent act that occurred when the person was less than 18 years of age, **section 1** requires the juvenile court to hold a hearing to determine whether the case of any such person should be dismissed or transferred to the district court for criminal proceedings.

Section 2 of this bill makes the amendatory provisions of **section 1** applicable to offenses committed ~~[before,]~~ on or after ~~[the effective date of this bill.]~~ **October 1, 2013.**

Assembly Bill No. 396.

Bill read second time.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 250.

AN ACT relating to housing; requiring the governing body of certain counties and cities to adopt an ordinance to authorize the owner of certain residential properties to add accessory dwelling units to the property; setting forth certain requirements for the ordinance; providing that if the governing body of certain counties and cities does not adopt such an ordinance by January 1, 2026, accessory dwelling units are authorized on any parcel zoned for residential use without restriction; revising provisions relating to the amendment of a declaration or the termination of a common-interest community; requiring proof of certain insurance policies be furnished in a resale package to a purchaser of a unit in a common-interest community; increasing the fine that may be imposed by the Commission for Common-Interest Communities and Condominium Hotels for certain violations; making various other changes relating to common-interest communities; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1 of this bill requires each governing body of a county whose population is 100,000 or more (currently Clark and Washoe Counties) and each governing body of a city whose population is 60,000 or more (currently the Cities of Las Vegas, Henderson, North Las Vegas, Reno and Sparks) to adopt an ordinance that authorizes the owner of a residential property to apply to add an accessory dwelling unit to the residential property. **Section 1 provides that any such ordinance does not apply in a region in a county or city for which there has been created by interstate compact a regional planning agency and the regional plan adopted by the regional planning agency calls for the regulation of housing.** **Section 1** further requires the ordinance to authorize, under certain circumstances, an additional accessory dwelling unit to the residential property. **Section 1** also sets forth various requirements for the ordinance, including that the ordinance set forth an expedited process for the approval of the application and any appeal of the denial of such an application. **Section 1** further limits provisions of the ordinance, including by prohibiting the ordinance from placing certain conditions on the approval of the accessory dwelling unit.

Section 11 of this bill provides that **: (1) if, before January 1, 2026, the governing body of a county whose population is 100,000 or more or the governing body of a city whose population is 60,000 or more has adopted an ordinance that is consistent with section 1, the governing body is not**

required to adopt another ordinance relating to accessory dwelling units pursuant to section 1; and (2) if the governing body of a county whose population is 100,000 or more ~~[(currently Clark and Washoe Counties)]~~ or the governing body of a city whose population is 60,000 or more ~~[(currently the Cities of Las Vegas, Henderson, North Las Vegas, Reno and Sparks)]~~ does not adopt an ordinance that ~~[meets the requirements of]~~ **is consistent with section 1** before January 1, 2026, accessory dwelling units are authorized on any parcel zoned for residential use without restriction.

~~[Section 12 of this bill provides that any ordinance adopted by the governing body of a county or city before, on or after January 1, 2026, that conflicts with section 1 is void and unenforceable.]~~

Existing law authorizes the governing body of a county or city to divide the county, city or region into zoning districts of such number, shape and area as are best suited to carry out certain purposes. Within a zoning district, the governing body is authorized to regulate and restrict the erection, reconstruction, alteration, repair or use of buildings, structures or land. (NRS 278.250) **Section 4** of this bill creates an exception to account for the requirement that the governing body of certain counties and cities adopt an ordinance to allow the addition of an accessory dwelling unit pursuant to **section 1**.

Existing law requires that an action or proceeding seeking judicial relief or review from or with respect to any final action, decision or order of any governing body of a county or city be commenced within 25 days after the date of filing of notice of the final action, decision or order with the clerk or secretary of the governing body. (NRS 278.0235) **Section 3** of this bill applies these provisions to **section 1**.

Section 2 of this bill makes a conforming change to apply the definitions of certain terms relating to planning and zoning to **section 1**.

Existing law sets forth certain requirements for the amendment of a declaration of a common-interest community, including that every amendment to the declaration must, with certain exceptions, be indexed in the grantee's index in the name of the common-interest community and the association and in the grantor's index in the name of the parties executing the amendment. (NRS 116.2117) **Section 5** of this bill eliminates the exception for an amendment for the relocation of boundaries between adjoining units. (NRS 116.2112)

Section 5 also authorizes an association to amend a declaration to restrict the leasing of residential units to the extent that the restriction is reasonably designed to meet certain underwriting requirements.

Existing law sets forth the requirements for terminating a common-interest community. (NRS 116.2118) **Section 6** of this bill amends the voting requirements for terminating a common-interest community.

Sections 7 and 8 of this bill revise provisions relating to prohibiting or restricting a unit owner from renting or leasing his or her unit.

Existing law requires a unit's owner or his or her authorized agent, at the expense of the unit's owner, to furnish to a purchaser a resale package containing certain information. (NRS 116.4109) **Section 9** of this bill requires that a resale package also contain proof of the insurance policies that an association is required to carry.

Existing law authorizes, under certain circumstances, the Commission for Common-Interest Communities and Condominium Hotels to impose an administrative fine of not more than $1,000 for certain violations. (NRS 116.785) **Section 10** of this bill increases the administrative fine to not more than $5,000.

Sec. 5. NRS 116.2117 is hereby amended to read as follows:

116.2117 1. Except as otherwise provided in NRS 116.21175, and except in cases of amendments that may be executed by a declarant under subsection 5 of NRS 116.2109 or NRS 116.211, or by the association under NRS 116.1107, 116.2106, subsection 3 of NRS 116.2108, subsection 1 of NRS 116.2112 or NRS 116.2113, or by certain units' owners under subsection 2 of NRS 116.2108, subsection 1 of NRS 116.2112, subsection 2 of NRS 116.2113 or subsection 2 of NRS 116.2118, and except as otherwise limited by subsections 4, 6, 7 and 8, the declaration, including any plats, may be amended only by vote or agreement of units' owners of units to which at least a majority of the votes in the association are allocated, unless the declaration specifies a different percentage for all amendments or for specified subjects of amendment. If the declaration requires the approval of another person as a condition of its effectiveness, the amendment is not valid without that approval.

2. No action to challenge the validity of an amendment adopted by the association pursuant to this section may be brought more than 1 year after the amendment is recorded.

3. Every amendment to the declaration must be recorded in every county in which any portion of the common-interest community is located and is effective only upon recordation. An amendment ~~[, except an amendment pursuant to NRS 116.2112,]~~ must be indexed in the grantee's index in the name of the common-interest community and the association and in the grantor's index in the name of the parties executing the amendment.

4. Except to the extent expressly permitted or required by other provisions of this chapter, no amendment may change the boundaries of any unit or change the allocated interests of a unit in the absence of unanimous consent of only those units' owners whose units are affected and the consent of a majority of the owners of the remaining units ~~[.]~~ ***, including a majority of the votes allocated to units not owned by the declarant.***

5. Amendments to the declaration required by this chapter to be recorded by the association must be prepared, executed, recorded and certified on behalf of the association by any officer of the association designated for that purpose or, in the absence of designation, by the president of the association.

6. ~~[An]~~ ***Except as otherwise provided in subsection 9, an*** amendment to the declaration which prohibits or materially restricts the permitted uses of a unit or the number or other qualifications of persons who may occupy units may not be enforced against a unit's owner who was the owner of the unit on the date of the recordation of the amendment as long as the unit's owner remains the owner of that unit.

7. A provision in the declaration creating special declarant's rights that have not expired may not be amended without the consent of the declarant.

8. If any provision of this chapter or of the declaration requires the consent of a holder of a security interest in a unit, or an insurer or guarantor of such interest, as a condition to the effectiveness of an amendment to the declaration, that consent is deemed granted if:

(a) The holder, insurer or guarantor has not requested, in writing, notice of any proposed amendment; or

(b) Notice of any proposed amendment is required or has been requested and a written refusal to consent is not received by the association within 60 days after the association delivers notice of the proposed amendment to the holder, insurer or guarantor, by certified mail, return receipt requested, to the address for notice provided by the holder, insurer or guarantor in a prior written request for notice.

9. An association may amend a declaration to restrict the leasing of residential units to the extent that the restriction is reasonably designed to meet underwriting requirements of:

(a) Institutional lenders that regularly make loans secured by first mortgages on units in common-interest communities or regularly purchase such mortgages; or

(b) Insurance companies that issue insurance policies to associations or units in a common-interest community.

Sec. 6. NRS 116.2118 is hereby amended to read as follows:

116.2118 1. Except in the case of a taking of all the units by eminent domain, in the case of foreclosure against an entire cooperative of a security interest that has priority over the declaration, or in the circumstances described in NRS 116.2124, a common-interest community may be terminated only by agreement of units' owners to whom at least 80 percent of the votes in the association are allocated, ~~[or any larger percentage the declaration specifies,]~~

including at least 80 percent of the votes allocated to units that are not owned by the declarant, and with any other approvals required by the declaration. ***The declaration may require a larger percentage of the total votes in the association for approval, but termination requires approval by at least 80 percent of the votes allocated to units not owned by the declarant.*** The declaration may specify a smaller percentage only if all of the units are restricted exclusively to nonresidential uses.

2. An agreement to terminate must be evidenced by the execution of an agreement to terminate, or ratifications thereof, in the same manner as a deed, by the requisite number of units' owners. The agreement must specify a date after which the agreement will be void unless it is recorded before that date. An agreement to terminate and all ratifications thereof must be recorded in every county in which a portion of the common-interest community is situated and is effective only upon recordation.

3. In the case of a condominium or planned community containing only units having horizontal boundaries described in the declaration, an agreement to terminate may provide that all of the common elements and units of the common-interest community must be sold following termination. If, pursuant to the agreement, any real estate in the common-interest community is to be sold following termination, the agreement must set forth the minimum terms of the sale.

4. In the case of a condominium or planned community containing any units not having horizontal boundaries described in the declaration, an agreement to terminate may provide for sale of the common elements, but it may not require that the units be sold following termination, unless the declaration as originally recorded provided otherwise or all the units' owners consent to the sale.

5. The association, on behalf of the units' owners, may contract for the sale of real estate in a common-interest community, but the contract is not binding on the units' owners until approved pursuant to subsections 1 and 2. If any real estate is to be sold following termination, title to that real estate, upon termination, vests in the association as trustee for the holders of all interests in the units. Thereafter, the association has all powers necessary and appropriate to effect the sale. Until the sale has been concluded and the proceeds thereof distributed, the association continues in existence with all powers it had before termination. Proceeds of the sale must be distributed to units' owners and lienholders as their interests may appear, in accordance with NRS 116.21183 and 116.21185. Unless otherwise specified in the agreement to terminate, as long as the association holds title to the real estate, each unit's owner and his or her successors in interest have an exclusive right to occupancy of the portion of the real estate that formerly constituted the unit. During the period of that occupancy, each unit's owner and his or her successors in interest remain liable for all assessments and other obligations imposed on units' owners by this chapter or the declaration.

6. In a condominium or planned community, if the real estate constituting the common-interest community is not to be sold following termination, title to the common elements and, in a common-interest community containing only units having horizontal boundaries described in the declaration, title to all the real estate in the common-interest community, vests in the units' owners upon termination as tenants in common in proportion to their respective interests as provided in NRS 116.21185, and liens on the units shift accordingly. While the tenancy in common exists, each unit's owner and his or her successors in interest have an exclusive right to occupancy of the portion of the real estate that formerly constituted the unit.

7. Following termination of the common-interest community, the proceeds of a sale of real estate, together with the assets of the association, are held by the association as trustee for units' owners and holders of liens on the units as their interests may appear.

Sec. 7. NRS 116.31065 is hereby amended to read as follows:

116.31065 The rules adopted by an association:

1. Must be reasonably related to the purpose for which they are adopted.

2. Must be sufficiently explicit in their prohibition, direction or limitation to inform a person of any action or omission required for compliance.

3. Must not be adopted to evade any obligation of the association.

4. ~~[~~Must~~]~~ ***Except as otherwise provided in subsection 1 of NRS 116.335, must*** be consistent with the governing documents of the association and must not arbitrarily restrict conduct or require the construction of any capital improvement by a unit's owner that is not required by the governing documents of the association.

5. Must be uniformly enforced under the same or similar circumstances against all units' owners. Any rule that is not so uniformly enforced may not be enforced against any unit's owner.

6. May be enforced by the association through the imposition of a fine only if the association complies with the requirements set forth in NRS 116.31031.

Sec. 8. NRS 116.335 is hereby amended to read as follows:

116.335 1. ~~[~~Unless, at the time a unit's owner purchased his or her unit,~~]~~ ***If*** the declaration ~~[~~prohibited the unit's owner from renting or leasing his or her unit,~~]~~ ***authorizes*** the association ~~[~~may not~~]~~ ***to*** prohibit ***or restrict*** the unit's owner from renting or leasing his or her unit ~~[~~.~~]~~ ***, or contains a provision establishing a maximum number or percentage of units in the common-interest community which may be rented or leased, the association may adopt rules and regulations to prohibit or restrict the renting or leasing of residential units to the extent that the restriction is reasonably related to meet underwriting requirements of:***

(a) Institutional lenders that regularly make loans secured by first mortgages on units in common-interest communities or regularly purchase such mortgages; or

(b) Insurance companies that issue insurance policies to associations or units in a common-interest community.

2. ~~[Unless, at the time a unit's owner purchased his or her unit, the declaration required the unit's owner to secure or obtain any approval from the association in order to rent or lease his or her unit, an association may not require the unit's owner to secure or obtain any approval from the association in order to rent or lease his or her unit.~~

~~3. If a declaration contains a provision establishing a maximum number or percentage of units in the common-interest community which may be rented or leased, that provision of the declaration may not be amended to decrease that maximum number or percentage of units in the common-interest community which may be rented or leased.~~

3. Notwithstanding any other provision of law or the declaration to the contrary:

(a) If a unit's owner is prohibited from renting or leasing a unit because the maximum number or percentage of units which may be rented or leased in the common-interest community have already been rented or leased, the unit's owner may seek a waiver of the prohibition from the executive board based upon a showing of economic hardship, and the executive board may grant such a waiver and approve the renting or leasing of the unit.

(b) If the declaration contains a provision establishing a maximum number or percentage of units in the common-interest community which may be rented or leased, in determining the maximum number or percentage of units in the

Sec. 9. NRS 116.4109 is hereby amended to read as follows:

116.4109 1. Except in the case of a sale in which delivery of a public offering statement is required, or unless exempt under subsection 2 of NRS 116.4101, a unit's owner or his or her authorized agent shall, at the expense of the unit's owner, furnish to a purchaser a resale package containing all of the following:

If the purchaser elects to cancel a contract pursuant to this subsection, the purchaser must hand deliver the notice of cancellation to the unit's owner or his or her authorized agent, mail the notice of cancellation by prepaid United States mail to the unit's owner or his or her authorized agent or deliver the notice of cancellation by electronic transmission to the unit's owner or his or her authorized agent. Cancellation is without penalty, and all payments made by the purchaser before cancellation

must be refunded promptly. If the purchaser has accepted a conveyance of the unit, the purchaser is not entitled to:

(a) Cancel the contract pursuant to this subsection; or

(b) Damages, rescission or other relief based solely on the ground that the unit's owner or his or her authorized agent failed to furnish the resale package, or any portion thereof, as required by this section.

3. Within 10 calendar days after receipt of a written request by a unit's owner or his or her authorized agent, the association shall furnish all of the following to the unit's owner or his or her authorized agent for inclusion in the resale package:

4. If the association furnishes the documents and certificate pursuant to subsection 3:

(a) The unit's owner or his or her authorized agent shall include the documents and certificate in the resale package provided to the purchaser, and neither the unit's owner nor his or her authorized agent is liable to the purchaser for any erroneous information provided by the association and included in the documents and certificate.

(b) The association may charge the unit's owner a reasonable fee to cover the cost of preparing the certificate furnished pursuant to subsection 3. Such a fee must be based on the actual cost the association incurs to fulfill the requirements of this section in preparing the certificate and must not exceed $185, except that if a unit's owner or an authorized agent thereof requests that the certificate be furnished sooner than 3 business days after the date of the request, the association may charge a fee, which must not exceed $100, to expedite the preparation of the certificate. The amount of the fee may increase, on an annual basis, by a percentage equal to the percentage of increase in the Consumer Price Index (All Items) published by the United States Department of Labor for the preceding calendar year, but must not increase by more than 3 percent each year.

(c) The other documents furnished pursuant to subsection 3 must be provided in electronic format to the unit's owner. If the association is unable to provide such documents in electronic format, the association may charge the unit's owner a reasonable fee, not to exceed 25 cents per page for the first 10 pages, and 10 cents per page thereafter, to cover the cost of copying.

(d) Except for the fees allowed pursuant to paragraphs (b) and (c), the association may not charge the unit's owner any other fees for preparing or furnishing the documents and certificate pursuant to subsection 3.

5. Neither a purchaser nor the purchaser's interest in a unit is liable for any unpaid assessment or fee greater than the amount set forth in the documents and certificate prepared by the association. If the association fails to furnish

the documents and certificate within the 10 calendar days allowed by this section, the purchaser is not liable for the delinquent assessment. A resale package provided to a unit's owner or his or her authorized agent pursuant to this section remains effective for 90 calendar days.

6. Upon the request of a unit's owner or his or her authorized agent, or upon the request of a purchaser to whom the unit's owner has provided a resale package pursuant to this section or his or her authorized agent, the association shall make the entire study of the reserves of the association which is required by NRS 116.31152 reasonably available for the unit's owner, purchaser or authorized agent to inspect, examine, photocopy and audit. The study must be made available at the business office of the association or some other suitable location within the county where the common-interest community is situated or, if it is situated in more than one county, within one of those counties.

7. A unit's owner, the authorized agent of the unit's owner or the holder of a security interest on the unit may request a statement of demand from the association. Not later than 10 calendar days after receipt of a written request from the unit's owner, the authorized agent of the unit's owner or the holder of a security interest on the unit for a statement of demand, the association shall furnish a statement of demand to the person who requested the statement and provide a copy of the statement to any other interested party. The association may charge a fee of not more than $165 to prepare and furnish a statement of demand pursuant to this subsection and an additional fee of not more than $100 to furnish a statement of demand within 3 business days after receipt of a written request for a statement of demand. The amount of the fees for preparing and furnishing a statement of demand and the additional fee for furnishing a statement of demand within 3 business days may increase, on an annual basis, by a percentage equal to the percentage of increase in the Consumer Price Index (All Items) published by the United States Department of Labor for the preceding calendar year, but must not increase by more than 3 percent each year. The statement of demand:

(a) Must set forth the amount of the monthly assessment for common expenses and any unpaid obligation of any kind, including, without limitation, management fees, transfer fees, fines, penalties, interest, collection costs, foreclosure fees and attorney's fees currently due from the selling unit's owner; and

(b) Remains effective for the period specified in the statement of demand, which must not be less than 15 business days after the date of delivery by the association to the unit's owner, the authorized agent of the unit's owner or the holder of a security interest on the unit, whichever is applicable.

➥ As used in this subsection, "interested party" includes the unit's owner selling the unit and the prospective purchaser of the unit.

8. In preparing, copying, furnishing or expediting or otherwise providing any document or other item pursuant to this section, an association, or entity related to or acting on behalf of an association, shall not charge a unit's owner,

the authorized agent of a unit's owner, a purchaser or, pursuant to subsection 7, the holder of a security interest on a unit, any fee:

(a) Not authorized in this section; or

(b) In an amount which exceeds any limit set forth in this section.

9. If the association becomes aware of an error in a statement of demand furnished pursuant to subsection 7 during the period in which the statement of demand is effective but before the consummation of a resale for which a resale package was furnished pursuant to subsection 1, the association must deliver a replacement statement of demand to the person who requested the statement of demand. Unless the person who requested the statement of demand receives a replacement statement of demand, the person may rely upon the accuracy of the information set forth in the statement of demand provided by the association for the resale. Payment of the amount set forth in the statement of demand constitutes full payment of the amount due from the selling unit's owner.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 476.

AN ACT relating to alcoholic beverages; ~~[revising the definition of "special event" for the purposes of certain provisions governing brew pubs;]~~ authorizing a person who operates a brew pub to engage in certain activities concerning the ~~[transport, storage and]~~ sale of ~~[malt]~~ **alcoholic** beverages; ~~[revising provisions governing the possession, sale and transportation of liquor;]~~ **requiring payment from a retail liquor store to a wholesale dealer for delivery of certain alcoholic beverages to be made by electronic funds transfer; requiring certain persons manufacturing liquor to preserve certain records for inspection and audit by the Department of Taxation;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for the licensure and operation of brew pubs in this State. (NRS 369.180, 597.230) Existing law authorizes a person who operates one or more brew pubs to sell at retail malt beverages that are: (1) manufactured on or off the premises of any of the brew pubs for consumption on the premises; and (2) manufactured and sealed in packages on the premises of any of the brew pubs for consumption off the premises. (NRS 597.230) **Section 2** of this bill additionally authorizes a person who operates one or more brew pubs to sell at retail ~~[malt]~~ **any other alcoholic** beverages ~~[that are: (1) manufactured on or off the premises of any of the brew pubs for consumption at not more than three other locations operated by the person; and (2) manufactured on the premises of any of the brew pubs and which are sealed in packages at not more than three other locations operated by the person for consumption off the premises.]~~ **if the person who operates such a brew pub has obtained any license or permit required to sell alcoholic beverages at retail in the jurisdiction in which the brew pub is located and purchases all such alcoholic beverages from a licensed wholesaler. Section 2** also authorizes such a person to ~~[transport]~~ **sell alcoholic beverages, including, without limitation,** malt beverages ~~[to and store malt beverages]~~ **manufactured on or off the premises of one or more of the brew pubs** at ~~[any other location operated by the person for the purpose of conducting such sales.]~~ **, with certain exceptions, not more than two retail liquor store locations under the common control of the person if: (1) the person has obtained any license or permit required to sell alcoholic beverages at retail in the jurisdiction in which the retail liquor store location is located; (2) the person purchases all such alcoholic beverages from a licensed wholesaler; (3) the retail liquor store is not located closer than 1,000 feet to a gaming establishment; and (4) the retail liquor store location is located within the same county as the brew pub, with certain exceptions. As an exception to the limit of two retail liquor store locations set forth in section 2, section 6 provides that a person who, on March 31, 2025, holds a license to operate a brew pub and any license or permit to operate three retail liquor store locations under the common control of the person is authorized to engage in the activities authorized by section 2 at the third location so long as the license for that location is not transferred to another person or location.**

Existing law **: (1) prohibits a person who operates one or more brew pubs from manufacturing more than 40,000 barrels of malt beverages for all the brew pubs the person operates in this State in a calendar year; and (2)** authorizes ~~[a]~~ **the** person ~~[who operates a brew pub]~~ to ~~[transport]~~ **manufacture and sell 20,000 barrels of** malt beverages **for all the brew pubs the person operates in this State provided such barrels are sold** to a ~~[licensed retailer, other than a person who operates a brew pub, for the purpose of selling the malt beverages at a special event in]~~ **wholesaler located outside of** this State. (NRS 597.230) **Section 2 instead** authorizes ~~[a]~~ **the** person ~~[who~~

~~operates a brew pub]~~ to ~~[transport]~~ **sell the 20,000 barrels of** malt beverages **either** to ~~[another person who operates a brew pub for the purpose of selling the malt beverages at a special event in]~~ **a wholesaler located outside of** this State~~.~~ **.**

~~Existing law defines a special event as an event that lasts not longer than 1 calendar day and occurs at a farmers' market or at an event designated as a county fair. (NRS 597.200) Section 1 of this bill revises that definition to instead define a special event as an event that lasts not longer than 3 calendar days and for which a permit has been issued by the local government where the event is conducted.~~

~~Existing law prohibits, with certain exceptions, a person from offering, keeping or possessing for sale, furnishing or selling, or soliciting the purchase or sale of any liquor in this State, or transporting or importing or causing to be transported or imported any liquor in or into this State for delivery, storage, use or sale unless the person complies with the relevant provisions of law, holds the appropriate license, permit or certificate and meets certain other requirements. Existing law provides certain exceptions from that prohibition, including, among others, for a person who enters this State with 1 gallon or less of alcoholic beverage per month from another state for his or her own household or personal use. (NRS 369.490) Section 3 of this bill revises that exception to instead exempt a person who causes to be shipped in or into this State 1 gallon or less of alcoholic beverage per month for his or her own household or personal use.~~ **or, where allowable pursuant to applicable law, to persons residing in states outside of this State. Finally, section 2 requires a person who operates a brew pub and one or more commonly controlled retail liquor store locations to comply with certain requirements of the Department of Taxation relating to the recordkeeping and reporting of manufacturing, purchases and receipts of liquor with respect to the brew pub and each retail liquor store location.**

Existing law requires all persons obtaining liquor under any license or permit and all retail liquor dealers to preserve for inspection and audit by the Department of Taxation and its agents, for a period of 4 years, all invoices and lists of liquors purchased or received, specifying certain information relating to those purchases and receipts. (NRS 369.520) Section 5 of this bill additionally imposes such recordkeeping requirements on all persons manufacturing liquor.

Existing law prohibits a wholesale dealer from selling liquor to a retail liquor store under certain circumstances relating to the timing of payments for the delivery of that liquor. (NRS 369.485) Section 4 of this bill: (1) requires payment from a retail liquor store to a wholesale dealer for the delivery of beer, wine or distilled spirits to be made by electronic funds transfer; (2) requires the wholesale dealer to initiate the electronic funds transfer by initiating the withdrawal of funds from the bank account of the retail liquor store; (3) requires the electronic funds transfer to be completed not later than the expiration of the 30th day after the date

of delivery of the beer, wine or distilled spirits; and (4) prohibits a wholesale dealer from paying or being required to pay, directly or indirectly, any fees incurred by the retail liquor store for such an electronic funds transfer.

Amendment No. 404.

SUMMARY—Revises provisions concerning access to certain library materials. ~~[in public schools.]~~ (BDR 34-925)

AN ACT relating to education; prohibiting the board of trustees of a school district, the governing body of a charter school , ~~[or]~~ a school employee **or a volunteer and certain persons affiliated with a public library** from limiting access to library materials ~~[by pupils]~~ under certain circumstances; **authorizing the Board of Regents of the University of Nevada to adopt a policy containing such a prohibition;** prohibiting certain actions against ~~[the members of the board of trustees of a school district, the members of the governing body of a charter school, school employees, pupils and]~~ certain ~~[other]~~ persons which are intended to limit access to library materials ; ~~[by pupils;]~~ providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes a district attorney or city attorney to file a complaint in the district court to have an item or material declared obscene and to enjoin owner and possessor of the item or material from selling, renting, exhibiting, reproducing, manufacturing or distributing it. (NRS 201.241) For these purposes, "obscenity" is defined in existing law as any item, material or performance which: (1) an average person applying contemporary community standards would find, taken as a whole, appeals to prurient interest; (2) taken as a whole, lacks serious literary artistic, political or scientific value; and (3) depicts or describes in a patently offensive way certain sexual acts, excretory functions, sadism or masochism or lewdly exhibits the genitals. (NRS 201.235) **Section 2** of this bill: (1) prohibits the board of trustees of a school district, the governing body of a charter school , ~~[or]~~ a school employee **or a volunteer** from taking certain actions which limit the access of pupils to

library materials of a school library; and (2) sets forth certain circumstances in which access to library materials may be restricted for reasons unrelated to the content of such materials. **Section 2** additionally authorizes a person **who meets certain requirements and** who objects to the inclusion of any library material in the collection of a school library to petition a court for the removal of the material and authorizes a court to order the removal of such material if the court determines that the material is obscene, based on a definition of obscenity which is substantially similar to the definition of obscenity in existing law. **Section 3.7 of this bill creates similar provisions governing access to materials in a public library.**

The Nevada Constitution requires the Nevada Legislature to provide for the establishment of a State University that is controlled by a Board of Regents whose duties are prescribed by law. (Nev. Const. Art. 11, § 4) Section 3.2 of this bill authorizes the Board of Regents to adopt a policy that prohibits an institution within the Nevada System of Higher Education or an employee of such an institution from limiting the access of students and employees to any library materials of a library at such an institution. Section 3.2 additionally provides requirements that are similar to those set forth in section 2 with which such a policy must comply.

Section 3 of this bill makes it a crime, punishable as a category E felony, for any person to use or threaten or attempt to use any force, intimidation, coercion, violence, restraint or undue influence with the intent to: (1) prevent a pupil from using or accessing library materials; or (2) induce or compel the board of trustees of a school district, the governing body of a charter school **,** ~~[or]~~ a school employee **or a volunteer** to violate the provisions of **section 2**. **Section 3** further makes it a crime, punishable as a category E felony, for any person to disseminate any personal identifying information or sensitive information of a member of the board of trustees of a school district, a member of the governing body of a charter school, a school employee **, a volunteer** or a pupil without consent, knowing that the member, employee **, volunteer** or pupil could be identified by such information, if: (1) the person disseminates such personal identifying information or sensitive information in retaliation for the victim accessing or allowing a pupil to access library materials from a school library with the intent to aid, assist, encourage, facilitate, further or promote any criminal offense which would be reasonably likely to cause death, bodily injury or stalking or with the intent to cause harm to the member, school employee **, volunteer** or pupil and with knowledge of or reckless disregard for the reasonable likelihood that the dissemination of the information may cause death, bodily injury or stalking; and (2) the dissemination of the personal identifying information or sensitive information would cause a reasonable person to fear the death, bodily injury or stalking of himself or herself or a close relation or causes the death, bodily injury or stalking of the victim whose information was disseminated or a close relation of the victim. **Sections 3.3 and 3.8 of this bill create similar protections for a member of the Board of Regents, an employee of an institution within the System or a student and**

a member of a governing body of a public library or a library employee, respectively.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Legislative Counsel's Digest:

The State Engineer, an appointee of the Director of the State Department of Conservation and Natural Resources, manages the appropriation of water in this State. (Title 48 of NRS) Section 1 of this bill requires the State Engineer to prepare and submit a biennial report to the Director of the Legislative Counsel Bureau for transmittal to the Legislative Commission relating to certain applications to appropriate

water that have been pending a final decision by the State Engineer for 2 or more years.

Under existing law, the State Engineer is authorized to make such reasonable rules and regulations as may be necessary for the proper and orderly execution of the powers conferred upon him or her by law, including regulations governing the practice and procedure in all contests before the Office of the State Engineer. (NRS 532.120) **Section ~~[1]~~ 1.5** of this bill requires the State Engineer to adopt regulations: (1) governing hearings before the Office **~~[,]~~ , which must include rules governing expert testimony;** and (2) to establish a pre-application ~~[review]~~ process for purposes of the provisions governing underground water and wells, the adjudication of vested water rights and the appropriation of public water, which must include procedures ~~[to submit an application for review for potential issues prior to the filing of the application and]~~ **for a prospective applicant** to meet with the State Engineer or his or her designee at the request of ~~[a]~~ **the** potential applicant ~~[.]~~ **to review the prospective application and identify any potential barriers to approval of the application.** (Chapters 533 and 534 of NRS)

~~[Under existing law, any person who wishes to appropriate water for beneficial use in Nevada, or change the place of diversion, manner of use or place of use of water already appropriated, is required to first apply for a permit to do so. (NRS 533.325) Existing law requires the State Engineer to publish notice of such an application in certain newspapers of general publication and on the Internet website of the Division of Water Resources of the State Department of Conservation and Natural Resources. (NRS 533.360) Any interested person may file a written protest against the granting of such an application with the State Engineer and the State Engineer may hold a hearing regarding such a protest. (NRS 533.365) The State Engineer is generally required to approve or reject the application within 2 years, unless authorized to postpone taking action for certain reasons specified by law. (NRS 533.370) Section 3 of this bill: (1) requires, with certain exceptions, the State Engineer to issue a preliminary determination on an application and any protest to the application within 150 days after the last publication of the notice of the application, and to provide notice of the preliminary determination to the applicant and each protestant, if any; (2) provides for an applicant or any protestant to file an objection to the preliminary determination within 30 days after issuance; (3) requires the State Engineer to give an applicant and any protestants notice of a filed objection within 15 days after filing; (4) requires, with certain exceptions, the State Engineer to hold a hearing regarding an objection within 120 days after receipt of the objection and to provide notice of the hearing; and (5) authorizes the State Engineer to postpone issuing a preliminary determination under certain conditions.~~

~~Section 5 of this bill applies the definition of "water already appropriated" to the provisions of section 3. Section 8 of this bill applies the requirements of section 3 to applications for reservoir permits, as applicable.~~

~~Section 4 of this bill requires the State Engineer to prepare and submit a biennial report to the Director of the Legislative Counsel Bureau for transmittal to the Legislative Commission relating to certain applications to appropriate water that have been pending before the State Engineer for 2 or more years.~~

~~Under existing law, the State Engineer must notify an applicant by certified mail of any written protest filed against the application and give notice of any hearing to be held on such a protest by certified mail to both the applicant and protestant. If the State Engineer holds a hearing regarding any filed protest, he or she must render a decision on the protested application not later than 240 days after: (1) the transcripts of the hearing become available; or (2) a date specified by the State Engineer for the filing of additional information. (NRS 533.365) Section 6 of this bill requires such notice to be provided by registered or certified mail. Section 6 also limits the deadline for the State Engineer to render a decision on a protest after a hearing to only those hearings on a protest to an application that seeks a temporary change of place of diversion, manner of use or place of use of water already appropriated.~~

~~Existing law sets forth the conditions of and manner in which the State Engineer shall approve or reject an application to appropriate water for beneficial use in Nevada, including requiring the State Engineer, with certain exceptions, to approve or reject each application within 2 years after the final date for filing a protest and to postpone taking action on an application in specific instances. Existing law requires the State Engineer to issue a written decision if a hearing is held regarding an application and that the decision include certain findings of fact and conclusions of law. (NRS 533.370) Section 7 of this bill requires the State Engineer, with certain exceptions, to approve or reject each application within 1 year after the issuance of a preliminary determination pursuant to section 3, if there was no objection filed to the preliminary determination, or within 240 days after a hearing is held on an objection to a preliminary determination or a protest. Section 7 also authorizes the State Engineer to postpone taking action on an application under certain circumstances. Section 7 further requires that if a hearing is held regarding an application, only the final decision by the State Engineer must be in writing.~~

~~Existing law sets forth the procedures for judicial review of certain orders and decisions of the State Engineer, including that a decision of the State Engineer is deemed prima facie correct and that the burden of proof is on the party appealing the decision. (NRS 533.450) Section 9 of this bill removes the presumption that the decision of the State Engineer is prima facie correct and sets forth the standard of review for a court to review the decision.~~

~~Under existing law, any person, including a governmental entity who may be adversely affected by a project for the recharge, storage and recovery of water, is authorized to file a written protest with the State Engineer against the granting of an application for a permit to operate such project. Existing law also requires the State Engineer, with certain exceptions, to approve or deny an application for such a permit within 1 year after the final date for filing a~~

~~protest. (NRS 534.270) Section 10 of this bill: (1) requires the State Engineer to issue a preliminary determination on such an application and any protest within 120 days after the last publication of the notice of the application and to provide notice of the preliminary determination to the applicant and protestant, if any; (2) provides for an applicant or any protestant to file an objection to the preliminary determination within 30 days after the issuance of the preliminary determination; (3) requires the State Engineer to give an applicant and any protestant notice of a filed objection within 15 days after filing; (4) requires, with certain exceptions, the State Engineer to hold a hearing regarding an objection within 120 days after receipt of the objection and to provide notice of the hearing; and (5) authorizes the State Engineer to postpone issuing a preliminary determination under certain circumstances. Section 10 further requires the State Engineer, with certain exceptions, to either approve or deny each application within 1 year after the issuance of a preliminary determination that is not objected to, or within 1 year after the date of the hearing held regarding an objection to a preliminary determination.]~~

Under existing law the State Engineer is exempt from the Nevada Administrative Procedure Act, which establishes procedural requirements for the adoption of regulations and the adjudication of contested cases. (Chapter 233B of NRS) **Section 11** of this bill makes the State Engineer subject to the Nevada Administrative Procedure Act for purposes of adopting regulations and certain provisions governing the adjudication of contested cases.

Legislative Counsel's Digest:

Existing law requires public and private policies of insurance to include certain coverage. (NRS 287.010, 287.04335, 422.2717-422.272428, 689A.04033-689A.0465, 689B.030-689B.0379, 689C.1652-689C.169,

(NRS 608.1555) **Sections 1, 3-9, 11 and 13-15** of this bill require public and private health plans, including Medicaid and insurance for state and local government employees, to provide coverage for certain procedures or services that are medically necessary to preserve fertility for an insured who has been diagnosed with breast or ovarian cancer if: (1) the cancer may directly or indirectly cause infertility; or (2) the insured is expected to receive medical treatment for the cancer and the treatment could directly or indirectly cause infertility. An insurer that is affiliated with a religious organization is not required to provide the coverage required by **sections 1, 3-8 and 11** if the insurer: (1) objects to providing the coverage on religious grounds; and (2) provides a written notice to insureds or prospective insureds disclosing that the insurer refuses to provide such coverage.

Section 2 of this bill authorizes the Commissioner of Insurance to require a policy of individual health insurance issued by a domestic insurer to a person residing in another state to contain the coverage required by **section 1** in certain circumstances. **Section 12** of this bill makes a conforming change to require the Director of the Department of Health and Human Services to administer the provisions of **section 15** in the same manner as other provisions relating to Medicaid.

Section 10 of this bill authorizes the Commissioner to suspend or revoke the certificate of a health maintenance organization that fails to provide the coverage required by **section 8**. The Commissioner is also authorized to take such action against other health insurers who fail to provide the coverage required by **sections 1, 3-8 and 11**. (NRS 680A.200)
