Assembly Concurrent Resolution No. 23—Welcoming the exhibit entitled “Una Storia Segreta - The Secret Story” regarding the treatment of certain Italian Americans during World War II.

WHEREAS, During World War II, more than 600,000 Italian-born immigrants living in the United States were classified as “enemy aliens” because they were not American citizens; and

WHEREAS, The freedom of these immigrants and their families was hampered by the United States government with the imposition of measures that included requiring them to carry identification cards at all times, the seizure of personal property and restrictions on their travel; and

WHEREAS, More than 10,000 Italian Americans living on the West Coast were forced to leave their homes and businesses and were prohibited from entering coastal zones, and many of these evacuees relocated to Nevada where housing and jobs were available; and

WHEREAS, Another 50,000 Italian Americans who remained in their homes were subjected to harsh and unfair curfews; and

WHEREAS, During this time, thousands of Italian-American immigrants were arrested and hundreds were interned in military camps; and

WHEREAS, More than 500,000 Italian Americans performed exemplary service in the United States Armed Forces during World War II, and thousands sacrificed their lives in defense of the United States; and

WHEREAS, At the time, Italians were the largest foreign-born group in the United States, and today are the fifth largest group of immigrants in the United States, numbering approximately 15 million; and

WHEREAS, The impact of the wartime experience was devastating to Italian-American communities in the United States and its effects are still being felt; and

WHEREAS, A deliberate policy of the United States government ensured that the story of the treatment of Italian Americans during World War II was kept secret from the public, and even today many of the details surrounding these events remain classified and the full story remains unknown to the public; and

WHEREAS, The story of the treatment of Italian Americans during World War II needs to be told in order to acknowledge that these events happened, to remember those whose lives were unjustly disrupted and whose freedoms were violated, to help repair the damage to the Italian-American community, and to discourage the occurrence of similar injustices and violations of civil liberties in the future; and

WHEREAS, In March 1993, at a conference sponsored by the American Italian Historical Association's Western Regional Chapter, an exhibit to be known as "Una Storia Segreta" (A Secret Story) had its inception; and

WHEREAS, This exhibit unveils a secret history that has remained hidden for over 50 years because of the silence which was first imposed by the United States government and then adopted as a protective cover by those whose lives were affected; and

WHEREAS, Not only has the secret story concerning the Italian Americans during World War II been suppressed from historical accounts, but the Italian-American community itself has remained largely unaware of its existence; now, therefore, be it

RESOLVED BY THE ASSEMBLY OF THE STATE OF NEVADA, THE SENATE CONCURRING, That the members of the 71st session of the Nevada Legislature welcome the exhibit entitled "Una Storia Segreta" (A Secret Story) to the Las Vegas Art Museum where the exhibit will be open to the public from April 7 through April 29, 2001; and be it further

RESOLVED, That not only Italian Americans but all residents from the State of Nevada are encouraged to take advantage of the opportunity to view this exhibit which is sure to jog the memories and open the eyes of many, and promote greater awareness of the injustices endured by the many Italian Americans and their families living in this state; and be it further

RESOLVED, That the members of the Nevada Legislature wish to thank the members of the Augustus Society, a nonprofit organization of Las Vegas professional and lay men and women of Italian-American heritage, for sponsoring this exhibit; and be it further

RESOLVED, That the Chief Clerk of the Assembly prepare and transmit a copy of this resolution to Jim Donofrio from the Augustus Society who was responsible for and instrumental in bringing the exhibit to Las Vegas.

Assemblyman Dini moved the adoption of the resolution.

Remarks by Assemblymen Dini and Giunchigliani.

Assemblywoman Buckley requested that the following remarks be entered in the Journal.

ASSEMBLYMAN DINI:

Thank you, Mr. Speaker. I guess I was one of the lucky Italian boys during World War II. I grew up in the sheltered community of Yerington, where 25 to 30 percent of the people were of Italian descent. We didn't feel the effects of this banishment of Italians, this forcing of people to leave their homes and abandon their businesses and move to other areas, even into internment camps.

There is a great Italian heritage where I come from. My dad got his citizenship papers in 1934. He came here in 1911. He was very proud of that citizenship. I had fifteen cousins who served during World War II, throughout the world, in the armed forces of our country. We are a proud people. We are proud of what our people have accomplished—coming here as Italian immigrants, with no education, working hard, getting businesses, getting farms, being productive citizens of our country.

To hear this resolution come forth now, of the atrocities and discrimination against the Italian people, is something that is dear to my heart. I think we are really proud that they have come to Las Vegas for this exhibit—Una Storia Segreta, which means "A Secret Story." It was a secret to a lot of us of Italian descent. I think it is a tribute to the outstanding job that the Augustus

Society in Las Vegas is doing in bringing forth these types of historical events and historic mementos. They let the people in Nevada know what actually has happened in the history of our state and in the history of our country.

I want everyone to know that the Italian people are a proud people. They always appreciated the freedom in this country that they were offered. They came from Mussolini and his regime in Italy. It meant a lot to them to be recognized as Americans. I know that if you wanted to get into a fight with my dad, all you had to do was call him a “Wop,” and the fight was on. He was pretty tough. I never heard of him losing a fight. He grew up the hard way.

There is a lot of heritage involved in this and a lot of pride, and we present this resolution and we honor the Augustus Society for their efforts to bring this historic memento to our state. Thank you.

ASSEMBLYWOMAN GIUNCHIGLIANI:

Thank you, Mr. Speaker. I, too, rise in support of ACR 23. There are a few of us that are Italians in this body, in both houses. I’m the only one of us, I think, that was actually born in Italy. I support this resolution. I have worked and been to the many scholarship fund raisers that the Augustus Society has done in Las Vegas. It has really done a tremendous job for encouraging students to go on to higher education. But in addition to that, I appreciate this because I didn’t know this history. I think it’s time our textbooks reflect a great deal of the untold story as well. There are many people that contributed to our freedoms that are not reflected in our history books and this is just one more example of that. My “Nano”, which was my grandfather, fought in World War I. He came over as a young man and settled in Louisville, Kentucky. Somehow they got there, believe it or not.

I think one thing he always taught us was a sense of pride—of being an American, as well as being an Italian. Years later, he went back and reclaimed our property that had been taken by Mussolini. He did not care for that particular individual very much. This story will begin to educate, not only the Italian Americans who are unaware of this, but also our fellow Americans who are not aware of the contributions that were made, as well as the hidden truths and the sad part of this history. Thank you, Mr. Speaker.

Resolution adopted unanimously.

Assemblyman Dini moved that all rules be suspended and that Assembly Concurrent Resolution No. 23 be immediately transmitted to the Senate.

Motion carried unanimously.

WHEREAS, With their move to Nevada in 1978, Julian and Lillian Wallace brought with them their deep involvement in various organizations, including Julian's membership in the Fraternal Order of Knights of Pythias, an international fraternity in which Julian served as Chancellor Commander and whose principles of friendship, charity and benevolence he incorporated into his daily life; and

WHEREAS, Lifetime members of the City of Hope, Julian and Lillian Wallace worked as volunteers in many projects initiated to raise money for the life-saving work of the City of Hope National Medical Center whose mission is the prevention, treatment and cure of cancer and other life-threatening diseases through innovative research and patient care; and

WHEREAS, While many of the senior groups dissolved after the election, Julian and Lillian Wallace felt that an organization with the potential of Seniors United should not be discarded and took over the leadership which they would retain for the next 17 years, changing its focus to a political education organization dedicated to developing the political knowledge of seniors with forums for discussions and presentations of topical issues while challenging the members to recognize the strength of their collective voting power; and

WHEREAS, The team of Julian and Lillian Wallace has received numerous honors and awards for their achievements while directing the course of Seniors United including a recognition by Senator Harry Reid recorded in the Congressional Record of November 7, 1997, in which he paid tribute to "two Nevadans whose lives serve as an inspiration not only to all Nevadans but to this Nation and to this distinguished body" and he noted further that they "never hesitate to hold their elected officials' feet to the fire and demonstrate on a daily basis that an active and involved citizenry is definitely not a function of age."; and

WHEREAS, Never one to take retirement as a time to slow down, Julian Wallace also served on the Clark County Parks and Recreation Board, was active with the Retired and Senior Volunteer Program and was a delegate to the 1995 White House Conference on Aging, which was followed by a special invitation to the 1997 presidential inauguration; and

WHEREAS, The cheerful, positive demeanor and the ever-present smile of Julian Wallace will be missed by those who knew him and were drawn by the magnetic personality that made him irresistible to people of all ages; and

WHEREAS, Julian Wallace is survived by his wife, Lillian, who said of their 52 1/2 years together that "we enjoyed every minute of it," and by his brothers, Theodore of Los Angeles, California, and Martin Rock of Scottsdale, Arizona; now, therefore, be it

RESOLVED BY THE ASSEMBLY OF THE STATE OF NEVADA, THE SENATE CONCURRING, That the members of the 71st session of the Nevada Legislature extend their sincere condolences to Lillian Wallace on the loss of her loving husband and closest friend; and be it further

RESOLVED, That Julian Wallace will long be remembered for his commitment to the Pythian principles of "service to mankind" and "peace through understanding" and as a man who made everyone his friend; and be it further

RESOLVED, That the Chief Clerk of the Assembly prepare and transmit a copy of this resolution to Lillian, his beloved wife and partner for over half a century.

Assemblywoman Ohrenschall moved the adoption of the resolution.

Remarks by Assemblymen Ohrenschall, Buckley, Chowning, Manendo, Collins and Cegavske.

Assemblywoman Buckley requested that the following remarks be entered in the Journal.

ASSEMBLYWOMAN OHRENSCHALL:

Thank you, Mr. Speaker. Today, in this resolution, we mourn the passing of Julian Wallace, who was a great activist for the community in all areas. He was what they called "Asai Deke," a righteous man. He looked in many areas to try and cure problems. We are here also to rejoice in

the partnership of Julian and Lillian Wallace. They were a husband and wife team who, together, seemed to be able to accomplish miracles within the state. They managed to be the conscience of members of the political world. They interviewed, they went over and made things happen. They made sure seniors were well aware of what was going on. They were out there, speaking publicly, to really keep the community as a very good representative democracy. It will be a long time since we see another couple like them. I know Lillian misses her husband who has passed on, but she will now be the beam of light for us in inspiring the organization known as Seniors United, which they reshaped and brought into the world as an active and effective political organization, to keep on going.

ASSEMBLYWOMAN BUCKLEY:

Thank you, Mr. Speaker. I, too, rise in support of ACR 24. I had the pleasure of meeting Julian Wallace when I first decided to run for office. It's hard to express the impact that Julian and Lillian Wallace have had on so many of us who decide to throw our hats into the political ring. Through their organization, they were able to bring people together for discussion about true policy debates regardless of party. They have done so much to foster dialogue and discussion in our community. I think of all the things stated in the resolution and by my colleague from my neighboring Assembly district, the one thing I would like to mention to this body is a trait shared by both Julian and Lillian—Julian's spirit. He was always friendly, regardless of who was coming before him and what they were saying. He always had a way, too, of not becoming cynical of the political process. So many times, all of us get cynical about things we see. He never did. He believed that the right person could make a difference regardless of the circumstance. We will so sorely miss Julian and we are thrilled to be able to pay this tribute to his many achievements and to Lillian, his partner of so many years.

ASSEMBLYWOMAN CHOWNING:

Thank you, Mr. Speaker. I, too, stand in support of ACR 24. Julian Wallace is a wonderful example of how one person's voice, along with his partner of 52 and a half years, can make its way to the legislature and truly make a difference in terms of policy for our state. I honor him today and thank him for all his dedicated, non-partisan spirit. Thank you.

ASSEMBLYMAN MANENDO:

Thank you, Mr. Speaker. I, too, rise in support of ACR 24. Lillian and Julian Wallace resided in Assembly District 18, my district, for many years. Actually, I met them in 1990. They then moved to my colleague's district, Assembly District 8. They were very involved in the community. The work that they both have done in Dorothy Kidd Mobile Home Park, before they moved, their reputation was unbelievable. Everyone had such a high respect for them. Actually, when they were involved in the founding of Seniors United, they actually brought me on as a board member, because they wanted to get some young people involved and try to bring out some of the issues of Social Security and how that can affect the younger generation. He got me involved in that organization. I just want to rise in support because I'm going to miss my friend. Thank you.

ASSEMBLYMAN COLLINS:

Thank you, Mr. Speaker. I rise in support of this resolution. Back in 1992, when most folks didn't give me much chance of getting elected to the legislature, the Wallaces came and not only called, supported and encouraged me, but helped me with lists and campaign things and so forth. It made a big difference in helping me get started. They liked helping folks all the time and did that in so many ways, so I rise in support of this resolution as well.

ASSEMBLYWOMAN CEGAVSKE:

Thank you, Mr. Speaker. I, also, rise in support of ACR 24. It was a pleasure to know Julian and Lillian. They are wonderful people. My colleagues have expressed words for all of us. So, with that, I want to stand in support and wish Lillian well. Thank you.

MESSAGES FROM THE SENATE

SENATE CHAMBER, Carson City, April 18, 2001

To the Honorable the Assembly:

I have the honor to inform your honorable body that the Senate on this day adopted Senate Concurrent Resolution No. 34.

MARY JO MONGELLI

Assistant Secretary of the Senate

MOTIONS, RESOLUTIONS AND NOTICES

Senate Concurrent Resolution No. 34.

Assemblywoman Giunchigliani moved the adoption of the resolution.

Remarks by Assemblyman Giunchigliani, Goldwater and Carpenter.

Assemblywoman Buckley requested that the following remarks be entered in the Journal.

ASSEMBLYWOMAN GIUNCHIGLIANI:

Thank you, Mr. Speaker. I think many of the people in this room know one of my husband and my hobbies is traveling, not tourism. There is a huge difference. We usually land in a country and don't know where we're staying. His job is to drive while I find houses or places to rent. We've gone to Czechoslovakia behind the wall, illegally staying in homes; and to many other different places. The point I'm trying to make is the Consortium gives these youths, these young men and women, the ability to go to another country, live there; gives them a true taste and flavor. They know what kind of sheets they have. They know what the stores are like. They even know what kind of toilet paper they have. All of that helps give you a picture of what a culture and a society is.

This is a wonderful, remarkable program. I am so thrilled to know, from hearing the description, that it has actually grown from the Basque country and has expanded to 17 countries around the world. What it probably teaches, mostly, is for our youth to think globally and not locally.

I have the pleasure of knowing some of the individuals who have taught in the program and helped start it. I just found out my constituent, Ben Contime, was a participant in this and went to Chile under the Consortium program. We know now what makes Ben the challenge that he is in our districts, in how involved he is. I mean that kindly, of course. If I might, Mr. Speaker, I think it is a wonderful program and it's too bad more youths are not involved in this. But I commend the University for bringing forth this resolution.

ASSEMBLYMAN GOLDWATER:

Thank you, Mr. Speaker. I rise in support of SCR 34. I participated in this program and went to Italy. It gives you tremendous perspective and is a wonderful opportunity. Anyone who has children in college, it's no vacation. They grill you. They make you learn. They make you attend class. You learn about the culture of the place where you are and you don't think your whole world is Las Vegas, Nevada. I appreciate the work that they do. It does benefit a whole lot of people.

ASSEMBLYMAN CARPENTER:

Thank you, Mr. Speaker. I rise in support of SCR 34. Through the years, I've personally known many of the people who were involved with the Basque studies program. As we know, the Basques were greatly involved in the sheep business in Nevada and when I was in the sheep business, many of these people that were connected with the Basque studies program came and interviewed my herders and myself. I believe that history of the Basque sheepherders in Nevada has been recorded because of this program. Thank you.

704.110 Except as otherwise provided in NRS 704.075 or as otherwise provided by the commission pursuant to NRS 704.095 or 704.097:

1. Whenever there is filed with the commission any schedule stating a new or revised individual or joint rate or charge, or any new or revised individual or joint regulation or practice affecting any rate or charge, or any schedule resulting in a discontinuance, modification or restriction of service, the commission may, upon complaint or upon its own motion without complaint, at once, without answer or formal pleading by the interested utility, investigate or, upon reasonable notice, conduct a hearing concerning the propriety of the rate, charge, classification, regulation, discontinuance, modification, restriction or practice.

2. Pending the investigation or hearing and the decision thereon, the commission, upon delivering to the utility affected thereby a statement in writing of its reasons for the suspension, may suspend the operation of the schedule and defer the use of the rate, charge, classification, regulation, discontinuance, modification, restriction or practice . ~~{, but}~~ *If the rate,*

charge, classification, regulation, discontinuance, modification, restriction or practice is part of:

(a) A filing made pursuant to subsection 7, the suspension must not be effective for more than 90 days beyond the time when the rate, charge, classification, regulation, discontinuance, modification, restriction or practice would otherwise go into effect.

(b) Any other filing made pursuant to this section, the suspension must not be effective for more than 150 days beyond the time when the rate, charge, classification, regulation, discontinuance, modification, restriction or practice would otherwise go into effect.

3. Whenever there is filed with the commission any schedule stating an increased individual or joint rate or charge for service or equipment, the public utility shall submit with its application a statement showing the recorded results of revenues, expenses, investments and costs of capital for its most recent 12 months for which data were available when the application was prepared. During any hearing concerning the increased rates or charges determined by the commission to be necessary, the commission shall consider evidence in support of the increased rates or charges based upon actual recorded results of operations for the same 12 months, adjusted for increased revenues, any increased investment in facilities, increased expenses for depreciation, certain other operating expenses as approved by the commission and changes in the costs of securities which are known and are measurable with reasonable accuracy at the time of filing and which will become effective within 6 months after the last month of those 12 months, but no new rates or charges may be placed into effect until the changes have been experienced and certified by the utility to the commission. The commission shall also consider evidence supporting expenses for depreciation, calculated on an annual basis, applicable to major components of the public utility's plant placed into service during the recorded test period or the period for certification as set forth in the application. Adjustments to revenues, operating expenses and costs of securities must be calculated on an annual basis. Within 90 days after the filing with the commission of the certification required in this subsection, or before the expiration of any period of suspension ordered pursuant to subsection 2, whichever time is longer, the commission shall make such order in reference to those rates or charges as is required by this chapter. *An electric utility shall file a general rate application pursuant to this subsection at least once every 24 months.*

4. After full investigation or hearing, whether completed before or after the date upon which the rate, charge, classification, regulation, discontinuance, modification, restriction or practice is to go into effect, the commission may make such order in reference to the rate, charge, classification, regulation, discontinuance, modification, restriction or practice as would be proper in a proceeding initiated after the rate, charge, classification, regulation, discontinuance, modification, restriction or practice has become effective.

5. Except as otherwise provided in subsection 6, whenever a general rate application for an increased rate or charge for, or classification, regulation, discontinuance, modification, restriction or practice involving service or equipment has been filed with the commission, a public utility shall not submit another general rate application until all pending general rate applications for increases in rates submitted by that public utility have been decided unless, after application and hearing, the commission determines that a substantial financial emergency would exist if the other application is not permitted to be submitted sooner.

6. A public utility may ~~not~~ file an application to recover the increased cost of purchased fuel, purchased power, or natural gas purchased for resale ~~[more often than]~~ once every 30 days. *The provisions of this subsection do not apply to an electric utility using deferred accounting pursuant to section 19 of this act.*

7. *Whenever an electric utility using deferred accounting pursuant to section 19 of this act files an application to clear its deferred accounts and to change one or more of its rates or charges based upon changes in the costs for purchased fuel or purchased power, the commission, after a public hearing and by an appropriate order:*

(a) Shall allow the electric utility to clear its deferred accounts by refunding any credit balance or recovering any debit balance over a period not to exceed 3 years, as determined by the commission.

(b) Shall not allow the electric utility to recover any debit balance, or portion thereof, in an amount that would result in a rate of return during the period of recovery that exceeds the rate of return authorized by the commission in the most recently completed rate proceeding for the electric utility.

8. *Whenever an electric utility files an application to clear its deferred accounts pursuant to subsection 7 while a general rate application is pending, the electric utility shall:*

Sec. 33. The public utilities commission of Nevada shall:

1. Amend, modify, supplement, annul or vacate any order or directive issued by the commission before the effective date of this act that authorizes or requires an electric utility to dispose of any generation asset, if such disposal would violate the provisions of this act;

2. Take all appropriate action to request that the Federal Energy Regulatory Commission and any other officer, agency or department of the Federal Government:

(a) Not issue any order or directive that authorizes or requires an electric utility to dispose of any generation asset, if such an order or directive could be interpreted as being in conflict with or preempting the provisions of this act; and

(b) Amend, modify, supplement, annul or vacate any order or directive issued before, on or after the effective date of this act that authorizes or requires an electric utility to dispose of any generation asset, if such an order or directive could be interpreted as being in conflict with or preempting the provisions of this act;

3. If any action taken pursuant to subsection 2 is unsuccessful, take all appropriate legal action to challenge any order or directive issued by the Federal Energy Regulatory Commission or any other officer, agency or department of the Federal Government that authorizes or requires an electric utility to dispose of any generation asset, if such an order or directive could be interpreted as being in conflict with or preempting the provisions of this act; and

4. Take any other action or issue any other orders necessary to carry out the provisions of this act.

Sec. 34. As used in this section and sections 35 and 36 of this act, unless the context otherwise requires:

1. "Affiliate" means an entity that, directly or indirectly through one or more intermediaries, controls, is controlled by or is under common control with another entity.

2. "Commission" means the public utilities commission of Nevada.

3. "Comprehensive energy plan" means the application to adopt a comprehensive energy plan, designated in the records of the commission as Docket No. 01-1045, and all amendments and modifications to the application or the plan.

4. "Deferred account" means any account that is used to carry out deferred accounting pursuant to section 19 of this act.

5. "Electric utility" has the meaning ascribed to it in section 19 of this act.

6. "Electric utility holding company" means:

(a) An entity which is incorporated or organized under the laws of this state and which holds a controlling interest in an electric utility; and

(b) A successor in interest to any entity described in paragraph (a).

7. "Electric utility that primarily serves densely populated counties" means an electric utility that, with regard to the provision of electric service, derives more of its annual gross operating revenue in this state from customers located in counties whose population is 400,000 or more than it does from customers located in counties whose population is less than 400,000.

8. "Electric utility that primarily serves less densely populated counties" means an electric utility that, with regard to the provision of electric service, derives more of its annual gross operating revenue in this state from customers located in counties whose population is less than 400,000 than it does from customers located in counties whose population is 400,000 or more.

Sec. 35. Except as otherwise provided in section 36 of this act and notwithstanding the provisions of any other specific statute to the contrary:

1. An electric utility shall not file an application for a fuel and purchased power rider on or after the effective date of this act.

2. Each application for a fuel and purchased power rider filed by an electric utility which is pending with the commission on the effective date of this act and which the electric utility did not place into effect before or on April 1, 2001, is void and unenforceable and is not valid for any purpose after April 1, 2001.

3. If, before March 1, 2001, an electric utility incurred any costs for fuel or purchased power, including, without limitation, any costs for fuel or purchased power recorded or carried on the books and records of the electric utility, and those costs were not recovered or could not be recovered pursuant to a fuel and purchased power rider placed into effect by the electric utility before March 1, 2001, the electric utility is not entitled, on or after March 1, 2001, to recover any of those costs for fuel or purchased power from customers, and the commission shall not allow the electric utility to recover any of those costs for fuel or purchased power from customers.

4. Except as otherwise provided in this section, on and after the effective date of this act:

(a) The commission shall not take any further action on the comprehensive energy plan, and each electric utility that jointly filed the comprehensive energy plan shall be deemed to have withdrawn the comprehensive energy plan;

(b) The rates that each electric utility placed into effect on March 1, 2001, pursuant to the comprehensive energy plan shall be deemed to be a component of the electric utility's rates for fuel and purchased power; and

(c) The revenues collected by each electric utility before April 1, 2001, from the rates that each electric utility placed into effect on March 1, 2001, pursuant to the comprehensive energy plan shall be deemed to be a credit in the electric utility's deferred accounts.

5. On or before October 1, 2001, each electric utility that primarily serves densely populated counties shall file a general rate application pursuant to subsection 3 of NRS 704.110, as amended by this act. On or before December 1, 2001, each electric utility that primarily serves densely populated counties shall file an application to clear its deferred accounts pursuant to subsection 7 of NRS 704.110, as amended by this act. After such an electric utility files the application to clear its deferred accounts, the commission shall investigate and determine whether the rates that the electric utility placed into effect on March 1, 2001, pursuant to the comprehensive energy plan are just and reasonable and reflect prudent business practices. On the date on which the commission issues a final order on the general rate application, the commission shall issue a final order on the electric utility's application to clear its deferred accounts. The total rates to provide electric service that were in effect on April 1, 2001, for the electric utility must remain in effect until the date on which the commission issues a final order on the general rate application. The commission shall not adjust the rates of the electric utility during this period unless such an adjustment is absolutely necessary to avoid rates that are confiscatory under the Constitution of the United States or the constitution of this state. The commission:

(a) May make such an adjustment only to the extent that it is absolutely necessary to avoid an unconstitutional result; and

(b) Shall not, in any proceedings concerning such an adjustment, approve any rate or grant any relief that is not absolutely necessary to avoid an unconstitutional result.

After the electric utility files the general rate application that is required by this subsection, the electric utility shall file general rate applications in accordance with subsection 3 of NRS 704.110, as amended by this act. After the electric utility files the application to clear its deferred accounts that is required by this subsection, the electric utility shall file applications to clear its deferred accounts in accordance with section 19 of this act and subsection 7 of NRS 704.110, as amended by this act.

6. On or before December 1, 2001, each electric utility that primarily serves less densely populated counties shall file a general rate application pursuant to subsection 3 of NRS 704.110, as amended by this act. On or

before February 1, 2002, each electric utility that primarily serves less densely populated counties shall file an application to clear its deferred accounts pursuant to subsection 7 of NRS 704.110, as amended by this act. After such an electric utility files the application to clear its deferred accounts, the commission shall investigate and determine whether the rates that the electric utility placed into effect on March 1, 2001, pursuant to the comprehensive energy plan are just and reasonable and reflect prudent business practices. On the date on which the commission issues a final order on the general rate application, the commission shall issue a final order on the electric utility's application to clear its deferred accounts. The total rates to provide electric service that were in effect on April 1, 2001, for the electric utility must remain in effect until the date on which the commission issues a final order on the general rate application. The commission shall not adjust the rates of the electric utility during this period unless such an adjustment is absolutely necessary to avoid rates that are confiscatory under the Constitution of the United States or the constitution of this state. The commission:

(a) May make such an adjustment only to the extent that it is absolutely necessary to avoid an unconstitutional result; and

(b) Shall not, in any proceedings concerning such an adjustment, approve any rate or grant any relief that is not absolutely necessary to avoid an unconstitutional result.

After the electric utility files the general rate application that is required by this subsection, the electric utility shall file general rate applications in accordance with subsection 3 of NRS 704.110, as amended by this act. After the electric utility files the application to clear its deferred accounts that is required by this subsection, the electric utility shall file applications to clear its deferred accounts in accordance with section 19 of this act and subsection 7 of NRS 704.110, as amended by this act.

Sec. 36. Notwithstanding the provisions of any other specific statute to the contrary:

1. If, on or after January 1, 1999, and before the effective date of this act, an electric utility holding company entered into any transaction to acquire a controlling interest in a public utility that provides electric service primarily to customers located outside of this state, the electric utility holding company shall not carry out the transaction unless, on or after the effective date of this act:

(a) The electric utility holding company files with the commission an application for authorization of the transaction; and

(b) The commission issues a written order that authorizes the transaction. The commission shall not authorize the transaction unless the commission finds that the transaction will be in the public interest. The commission may base its authorization of the transaction upon such terms, conditions or modifications as the commission deems appropriate.

2. If the commission authorizes a transaction described in subsection 1 and, before July 1, 2003, the electric utility holding company acquires a controlling interest in such a public utility, or any affiliate thereof, pursuant to the transaction:

(a) Each electric utility in which the electric utility holding company holds a controlling interest shall not use deferred accounting pursuant to section 19 of this act on or after the date on which the electric utility holding company acquires a controlling interest in the public utility, or any affiliate thereof;

(b) Not later than 90 days after that date, each such electric utility shall file one final application to clear the remaining balance in its deferred accounts pursuant to subsection 7 of NRS 704.110, as amended by this act;

(c) For each such electric utility, the commission shall not carry out the provisions of section 35 of this act concerning deferred accounting and deferred accounts; and

(d) The commission shall carry out the remaining provisions of section 35 of this act, including, without limitation, the commission's investigation and determination whether the rates that each electric utility placed into effect on March 1, 2001, pursuant to the comprehensive energy plan are just and reasonable and reflect prudent business practices.

3. Any transaction that violates the provisions of this section is void and unenforceable and is not valid for any purpose.

Sec. 37. Any license issued to an alternative seller pursuant to NRS 704.977 is void on and after the effective date of this act.

Sec. 38. 1. The provisions of this act are hereby declared to be severable.

2. If any provision of this act is held invalid, or if the application of any such provision to any person, thing or circumstance is held invalid, such invalidity does not affect any other provision of this act that can be given effect without the invalid provision or application.

Sec. 39. This act becomes effective upon passage and approval.”.

Amend the text of repealed sections by adding the text of section 127 of Senate Bill No. 29 of this session.

Amend the bill as a whole by deleting the preamble and adding a new preamble, immediately preceding the enacting clause, to read as follows:

“WHEREAS, In 1997, the legislature enacted comprehensive legislation designed to prepare the electric industry in this state for retail competition; and

WHEREAS, In 1999, the legislature enacted additional legislation delaying the onset of such competition until March 1, 2000, unless a determination was made that a later date was necessary to protect the public interest; and

WHEREAS, On several occasions, a determination has been made that commencement of retail competition in the electric industry is not yet in the public interest of this state; and

WHEREAS, Many residents of this state are senior citizens whose health is especially vulnerable to extreme heat and extreme cold and who rely on electricity to provide safe temperatures in their homes; and

WHEREAS, In arid regions of this state, there are many population centers that cannot be sustained without electricity to pump potable drinking water; and

WHEREAS, Several of the major industries in this state are particularly dependent upon electricity; and

WHEREAS, Under present market conditions in the electric industry, comprehensive and effective regulation of electric utilities in this state is vital to the economy of this state and is essential to protect the health, safety and welfare of the residents of this state; and

WHEREAS, Until present market conditions have changed and adequate mechanisms have been developed to allow this state to adjust its comprehensive regulation of electric utilities in Nevada, this state has a compelling interest in continuing its comprehensive regulation of electric utilities to protect the consumers in this state, to safeguard the economy of this state and to ensure that the electric utilities in this state provide adequate and reliable electric service at just and reasonable prices; and

WHEREAS, As part of its comprehensive regulation of electric utilities in Nevada, this state has traditionally exercised its inherent jurisdiction over electric generation assets which have been dedicated to serve the public convenience and necessity in Nevada and which are used and useful for the convenience of the public in Nevada; and

WHEREAS, To control volatility in the price of electricity in the retail market and to ensure that the electric utilities in this state have necessary and sufficient resources to provide adequate and reliable electric service under present market conditions, this state must retain its traditional jurisdiction and control over electric generation assets until other mechanisms are available to accomplish these goals; and

WHEREAS, In recent years, the western United States has experienced a severe and ongoing crisis in the electric industry marked by critical shortages in the supply of electricity and extreme volatility in the price of electricity in the wholesale and retail markets; and

WHEREAS, The severe and ongoing crisis in the electric industry in the western United States is both an immediate threat and a continuing danger to the economy of this state and to the health, safety and welfare of the residents of this state; and

WHEREAS, Until the severe and ongoing crisis in the electric industry in the western United States has sufficiently abated, this state must maintain its comprehensive regulation over electric utilities and its traditionally broad jurisdiction and control over electric generation assets to promote stability and predictability in the electric industry, to foster confidence in the financial markets, to ensure that consumers have adequate and reliable electric service

and to protect the public from unjust and unreasonable utility rates; now, therefore.”.

Amend the title of the bill by deleting the fourth through sixth lines and inserting: “of such assets after that period; requiring certain electric utilities to use deferred accounting under certain circumstances; repealing provisions pertaining to the competitive provision of retail electric service; requiring the public utilities commission of Nevada to take certain actions to carry out the provisions of this act; establishing certain requirements and making various changes relating to the rates charged by certain electric utilities; requiring certain entities to obtain approval from the commission before carrying out certain transactions; and”.

MOTIONS, RESOLUTIONS AND NOTICES

Senate Concurrent Resolution No. 35.

Assemblyman Dini moved the adoption of the resolution.

Remarks by Assemblymen Dini and Anderson.

Assemblywoman Buckley requested that the following remarks be entered in the Journal.

ASSEMBLYMAN DINI:

This resolution honors one of the all-time greats in our nation’s history, Buzz Aldrin, a man who has served the nation well. A graduate of West Point, he served in the Korean War flying F-86 Sabre jets in 66 combat missions; and served as an Aerial Gunnery Instructor at our own Nellis Air Force Base in Las Vegas. He flew F-100 aircraft as a flight commander with the 36th Tactical Fighter Wing at Bittsburg, Germany, and numerous other achievements. It was his assignment with the National Aeronautics and Space Administration (NASA) that he became a household name.

Those of us who are old enough to remember as far back as 1969 can no doubt remember exactly where we were and what we were doing on July 20th of that year when the world’s news media was focused on the Apollo XI. We listened to our radios and watched on television.

We saw history being made as man took his first step onto the surface of the moon. Buzz Aldrin was one of those men. We will never forget the emotion and pride that we felt when the flag of the United States was placed on that desolate untouched surface.

Western Nevada Community College will soon start construction of the new Jack C. Davis Observatory. When they came to me and requested my help in bringing Buzz Aldrin to our community to speak at a fundraiser, I thought, "What better project could we have than to bring this distinguished American to our area? To give our children the opportunity to personally meet this man who had achieved this unreachable dream? To let them hear from him that "Reaching for the Stars" is attainable?

I am proud of all the students who participated in the essay contest. Many of them are from my own district. I am especially proud of a young girl from Yerington, Jaceth Salido, who took first place in her section of that contest. I just wanted to say I am honored and pleased to be able to present this resolution to this House.

ASSEMBLYMAN ANDERSON:

Thank you, Mr. Speaker. I rise in support. As a high school teacher, I see in my classroom every day the kind of students who need to be encouraged to reach for the stars. Colonel Aldrin has been that kind of model for me as a teacher. I believe he continues to be that kind of model for the young people of our nation. It is his example that inspires all of us. I wanted to make sure I could rise in support of the work of Speaker Emeritus Dini in bringing Mr. Aldrin here and honoring this great gentleman.

Resolution adopted unanimously.

IN JOINT SESSION

At 5:31 p.m.

President of the Senate presiding.

Mr. Speaker welcomed Representative Berkley and invited her to deliver her message.

Shelley Berkley, United States Representative, delivered her message as follows:

Lieutenant Governor Hunt, Speaker Perkins, Majority Leader Raggio, Minority Leader Titus, esteemed members of the legislature, guests, and friends. It is a great pleasure for me to be here today. I am particularly delighted to have shared the podium with our true American hero Buzz Aldrin. I am also saddened that my friend, Jan Evans, isn't here to participate in the legislature. She was a mentor and a dear friend of mine, and I miss her very much. I know that everybody in this body misses her.

Nearly two decades ago I served in the Nevada State Assembly. To give you some perspective of time, back in those days my son Max was 6 months old when I brought him here to serve along with me. Max, for those of you who remember him, is now finishing his freshman year in college. It is extraordinary to be here without him. I wanted to give you some perspective of where my family has come and how we got our start right here in this Assembly body.

For those of us who were here back then or for those who grew up in Nevada, we have seen incredible growth and progress in our state. We have seen our population double and redouble throughout the '80s and the '90s and into the 21st Century. We have much to be proud of; our economy and our quality of life ranks among the best in our nation. You, as the elected leaders of our state, must take the credit because the credit goes to you. You do a remarkable job guiding this state, even though and in spite of the fact that your pay is low, your hours are long, you have virtually no support staff, and you have a very short span of time in which to complete your work. I admire what you do. I am honored to know you, and I am honored to work with you on behalf of the people of the State of Nevada. I also know that this is crunch time and I respect your time. I am going to try to be mercifully short in my comments. That is extraordinarily difficult for me because I have a lot of issues I would love to share with you. In the interest of time and knowing how valuable it is at this juncture of the Session, I am going to concentrate on four issues I believe are particularly relevant to our state and the people we collectively represent. The four issues I am going to address and share are the issues of the NCAA legislation, transportation issues, education issues, and energy and Yucca Mountain.

Let me first start with the NCAA. Last Congressional Session the NCAA, through Senator John McCain, Congressman Romer, and Lindsay Graham of South Carolina, introduced a piece of Legislation that would make it illegal to bet on collegiate sports in this country. The only problem with that legislation is that the State of Nevada is the only state in the nation that allows legal betting on collegiate sports. To put this in perspective, 380 billion dollars is bet illegally in this country through bookies and on our college campuses. Two billion is bet legally in the State of Nevada in our casinos, where you have to be 21 and present on the property in the casino in order to place that bet. The very notion that outlawing legal gambling in the State of Nevada would somehow magically eliminate the 380 billion that is bet illegally in this country is preposterous. It is almost like outlawing aspirin and saying it is going to get to the illegal drug trade in this nation.

Originally we had a very, very hard time with this legislation. Had it gotten to the floor of either the House or the Senate last Session, I believe this legislation would have passed. I can share with you that when I testified in front of Senator McCain's committee on the Senate side I commented, "If you want to see illegal sports betting all you have to do is go down to the cloak room of the House of Representatives and you can see all the illegal sports betting that you would ever want to see." At that time Senator McCain stopped my testimony and admonished me that I ought not say those things. Sometimes the truth hurts and that statement is the truth. This year we knew what was coming so we preempted their attack on us by introducing legislation to get at the problem of illegal gambling on collegiate sports in this country. Senator Reid and Senator Bryan introduced legislation on the Senate side and Congressman Gibbons and I introduced compatible legislation on the House side. First, it asks for a study through the Justice Department so that we actually know what the problem is, if any, before we start legislating. Second, it doubles the penalties on illegal sports betting on collegiate sports, and third, and I think most significant, it makes the NCAA and the member institutions responsible for what happens on college campuses. The NCAA has been derelict in its duty in enforcing anti gaming rules and regulations in the member institutions.

They are not protecting our student athletes; they are not protecting the students on these campuses. To blame the State of Nevada for their shortcomings, I think is a tragedy and a mistake. If the legislation passes eliminating collegiate betting, it may in fact eliminate the two billion dollars bet legally in the State of Nevada, but it will not do one thing to eliminate the illegal gambling that is rampant on our college campuses and on almost every street corner throughout the United States in every major metropolitan area. On the House side, Representative Gibbons and I have been able to get 90 original co-sponsors on our legislation. Hearings have not been scheduled in the House Judiciary Committee. On the Senate side, Senator McCain will be starting his hearings as soon as we get back from our spring recess. We are scheduled to start in the Senate on April 26th. These hearings are going to receive great publicity across the United States and will be on CNN and CSPAN. This is big news in our country and we are going to work very hard to make sure that the Federal Government does not intrude on the most well-regulated and well-taxed industry in the State of Nevada. It is well run and they have no business being here. If I thought for a minute the legislation would help our kids one bit I would be for it. Let me mention one other thing about the hypocrisy and sanctimoniousness of the NCAA. The NCAA signed a 6 billion dollar contract with CBS in order to broadcast the final four games in the NCAA tournament. Let me suggest to them, as I have on many occasions, let them take a part of that 6 billion dollars, I'm talking with a "b," 6 billion, and plow it back into programs on our college campuses. Let these kids know that gambling is wrong, they shouldn't be doing it, and if they are they will be punished. It is the NCAA and the member institutions that need to step up to the plate and stop blaming the State of Nevada for their shortcomings.

Let me speak briefly about transportation. As the fastest growing state in the United States, with many of our communities ranking in the top 1 percent of fast growing communities in the United States, there is probably no more important issue than transportation. All of your constituents are complaining about it and I know mine are as well. I sit on the Transportation Committee and I sit on the Ground Transportation Subcommittee and the Aviation Subcommittee, which gives me a great vantage point and gives me the ability to bring needed dollars back to the State of Nevada. I do not want to talk about what we were able to do last Congressional Session, but I would like to be forward thinking and let you know that we worked very, very closely with NDOT, RTC, and McCarran Airport as a tight knit team to be sure that all of our needs were met.

I would like to share with you some of the programs for which we are requesting Federal funding this session. We are going to fight for them and get as many projects done as we possibly can. We are requesting Federal funding for a freeway and arterial system for transportation called the FAST system. That will be the focal point in monitoring, collection, and dissemination of all Las Vegas Valley transportation. We are also requesting funding for widening US 95 in Northwest Las Vegas. US 95 in Northwest Las Vegas is the most congested freeway in Nevada. The overall project will widen US 95 in Northwest Las Vegas to five lanes in each direction from the Spaghetti Bowl to Rainbow and three lanes in each direction from

Rainbow to Craig Road plus make a number of surface street improvements. This is very critical to our communities. Not only does good transportation flow improve everybody's quality of life because you are not stuck in traffic for hours when you would rather be on the soccer field with your kids, but it also helps with pollutants so that your car is not idling minute after minute, hour after hour on our streets. We are also requesting funding to widen Saint Rose Parkway and I-15 interchange in Henderson, Nevada. This project in Henderson proposes to widen the existing two-lane facility to an eight-lane divided arterial with managed access.

We are also asking for funding for implementation of the bus-rapid transit project in the Las Vegas Boulevard north corridor. Why is that important—this corridor is the third busiest in our CAT system. It is crowded with 8000 passengers per day, crowded to capacity for a 13-hour peak period. We are going to purchase five new vehicles with the hope of an additional five after that. Additionally along with the funds we are requesting for the buses we are asking for an additional 2 million dollars in order to have intelligent transportation, which is the software to implement it so the buses will work. It is a very important project and will help us get the congestion off the southern Nevada highways. Finally we are requesting more federal dollars to complete the southern beltway in Henderson. This project will go from Stephanie to I-515 with a new interchange proposed for I-515, Lake Mead, and Henderson. Those are very important projects for us and we will continue to fight and make sure we get them all. The problem we have had for years and years is that the federal dollars that we send to Washington don't come back this way. It is a problem that all of the growth areas, particularly in the western United States, have. We are finally uniting together as a Western States Caucus to make sure we get our fair share of federal funding when it comes to transportation dollars.

When it comes to aviation we had great success in the last Session. We passed legislation, which helped all of the airports in the State of Nevada. We were able to get direct flights from Las Vegas to London to continue bringing people from abroad. We added four slots at McCarran Airport to go from Las Vegas to Washington DC. We were able to get started on the Ivanpah Airport as well. This took the concerted effort of the four delegation members working in conjunction with each other, putting aside partisan politics, to make sure that we would bring home the much needed dollars for the State of Nevada. There are other issues and funds we are asking for in this Session that are very, very important. We are requesting funding for improvement projects in the FAA budget for McCarran Airport as well as the smaller airports in the McCarran Airport system. McCarran Airport now serves 37 million passengers a year. It is the seventh busiest airport in the world. We need to make sure we have the resources necessary to continue the expansion and to continue serving safely.

We are requesting 2 million dollars for a global positioning satellite. This is an augmentation system that will enable the Federal Aviation Administration to establish global positioning satellite instruments for the approach and departure procedures at each of our Las Vegas Valley airports. We are also requesting \$300,000 for an automatic surface observation system for the Henderson Executive Airport. At this time we are worried about the need to continue to upgrade in order to continue to provide safe aviation services to the people that fly out of the Henderson Airport. This is very, very important. We are also requesting money to construct a new air traffic control tower at McCarran Airport. The old tower is outdated and could not possibly serve the 37 million visitors that we have. Currently there are air traffic controller blind spots and we need to eliminate those by building this new tower. We are also requesting money for the North Las Vegas Airport so we can make sure their aircraft movement area sensor keeps up with the 21st Century technology. These are very important issues for the state and this community because they provide safety, not only for our own families, but people who live here in Nevada and the several million people that come to Nevada every year to enjoy our wholesome family entertainment.

Let me go on to education issues. There are many things we are doing on the Federal level, but I am going to concentrate on after school programs. There isn't a state in the United States that needs these after school programs more than we do. Why is that—because we have one of the highest drop out rates in the nation; we have a preponderance of single parent households. Without people at home to supervise these kids after school, they come home to empty houses. We have many, many latchkey kids. Ask Metro or any of our police departments and you will find the highest time for juvenile crime is between 3:00 p.m. and 6:00 p.m. Why? Because our

kids are home unsupervised. If we can provide a wholesome environment for these kids to get a little extra tutoring, help with homework, recreational activities, and a nutritional snack right on the school premises I think we have done a very important thing. We also have a very large non-English speaking population in this state. If we can help these kids by keeping them in school, keeping them interested, and giving additional tutoring I think we will be doing something very important for our children.

There isn't a state in the nation that needs these after school programs, summer school programs, drop out prevention programs more than we do. I don't think for a minute that Federal funding and the Federal government can possibly take the place of parental involvement, local control, or a state legislature that prioritizes education. I do know that with the programs we have been able to get funding for over the past two years we have been able to provide after school programs in a cluster school group, which means that we follow these kids from the 1st grade to the 12th grade.

Last session we received a \$640,000 grant from the Federal government to create after school programs. Yesterday I had the opportunity to go to Roy Martin Middle School and what I saw was absolutely amazing and should make us all proud. After school these kids are staying they are getting help with their math homework, they are learning computers, and most of these kids don't have computers at home. They need the extra time on the computers in school so they learn how to access this technology. Let's face it, the education you and I received was wonderful for the lives we are leading, but it is obsolete for the lives that our children and our children's children are going to be leading. This is a high tech world that we are living in and these kids need to have access to those computers. Let me tell you about another program, which in and of itself didn't seem like much, but it is just extraordinary. I walked into one of these classrooms and the teacher was playing Taboo with the kids. There were about 20 kids there, why—because these kids come from non-English speaking families. They are learning to improve their vocabulary and enjoying themselves as well—what an incredibly extraordinarily simple but wonderful program to have. There is a group of kids at Roy Martin Middle School that are very talented, they play instruments and have created an after school Mariachi band. A Mariachi band at Roy Martin Middle School serenaded me. How terrific to be educating these kids, opening their minds, and giving them an opportunity for their talents to blossom. We need to keep these kids in school—that's what after school programs do and that is why they are so important and that is why we are going to continue to fight for them. This after school program does one other thing—starting at 6:00 p.m. it becomes a school for their parents to come and learn English—that is the value of an after school program and again we will continue to fight for those programs so that every child can enjoy a piece of the American dream.

Energy and Yucca Mountain—Twenty-five years ago when I was in law school I remember idling in line at the gas station waiting for my turn to get \$5 of gas because of the energy crisis. I cannot believe that in twenty-five years this country has not developed a national energy policy so that we could avoid these continual energy crises, which are going to continue to get worse in this country. I am appalled at the fact that we are still relying on fossil fuel energy and foreign oil in order to feed the energy addiction of this nation. I am particularly pleased that you just passed legislation regarding renewables, mandating that the utility companies look to the renewables to get an increasing percentage of the energy we are going to use in the State of Nevada. This is forward thinking, you ought to be applauded.

I have co-sponsored legislation in Congress that is going to be compatible with your legislation. It will provide tax breaks and tax credits so that companies that concentrate on renewable energy sources are going to be able to do that and provide it for our utility companies so they can keep the lights on in our state, our community, and in our homes. I do not believe that drilling in the Arctic or drilling in the pristine areas of Alaska is the way to go. All it will do is add a few more months of fuel to our nation's needs. What we need to do is be forward thinking and looking into the future. Conservation—we talked about it for years and years and when energy became cheap for a while we all forgot the conservation. We need to go into renewable, we need to go into conservation, and I believe the technology in this nation is going to give us the opportunity, over the next decade, to come up with new sources of energy. We must do this.

It is inconceivable to me that this nation is even entertaining the notion of increasing nuclear energy supplies. How in the world could we be talking about building new nuclear reactors and increasing nuclear energy when we have never figured out a way of dealing with the by-product of nuclear energy—nuclear waste—the most toxic substance known to mankind. It is extraordinary to me that this is even being suggested in our nation's capital. What worries me tremendously is that the DOE budget has a 14 percent increase in the Yucca Mountain funding. That is an ominous sign and I will fight that with every breath of my body because the people of the State of Nevada do not want to be the nuclear dump for the rest of this nation. The very notion that we are suggesting that 77,000 tons of toxic nuclear material is going across 43 states before it gets to this state to be buried in a giant hole in Nevada's desert is ridiculous. We know there are ground water problems, seismic and volcanic activity which could result in catastrophic consequences when it comes to the health and welfare of our families, the health of our environment, and the health of our economy. If anybody doesn't think that one accident would turn Las Vegas into a ghost town, I would beg to differ with them. People aren't going to come and spend their disposable income at a destination resort area if they think they are going to be polluted by nuclear waste. This is a fight, this is a hill to die for, and I cannot tell you how happy I am that this legislature has taken an extremely strong stand against Yucca Mountain and putting the nuclear repository here in our backyard. Thank you for your support.

The DOE's budget request for the Yucca Mountain project is up, as I said, 14 percent this year. This request describes plans to begin the design work for the dump and logistics for shipping nuclear waste to Nevada. This budget request is predicated in clear language on an assumption that Yucca will be approved. This approval is despite the fact that Yucca Mountain does not meet the standards required by law. It has been proven unsafe, clearly unable to contain radiation. I am hopeful however, that the Nevada delegation will again be able to prevail. We have the facts on our side; we were able to stop interim storage last year. I expect to make more progress this year convincing my colleagues that Yucca Mountain is not the solution to the nuclear waste problem in this nation and that tens of millions of people around this country are also threatened by highway and rail shipments of nuclear waste. That is why it is vitally important that this Nevada Legislature and our local governments continue to send a unified and clear message to Washington. No high level nuclear waste in Nevada. I commend you again for your strong voice against Yucca Mountain, and I encourage you to provide the resources to educate people in other states about the dangers of nuclear waste transportation and to fight this in the courts.

I want to thank you for giving me this opportunity to share some thoughts with you. I realize it is very late in the Session and you have much to do so I am particularly grateful to you for listening so quietly and patiently. Thank you all for the work you do. I love representing this state and I am very, very proud to count myself among you. Thank you very much.

Remarks by Assemblyman de Braga.

Assemblywoman Buckley requested that the following remarks be entered in the Journal.

ASSEMBLYWOMAN DE BRAGA:

Thank you, Mr. Speaker. An article written not too long ago by Rollan Melton described Harold Fitz as being the very image of a curmudgeon—but a curmudgeon who is really a very warm and caring person. Throughout his very long life, Harold never stopped learning and his passion for politics and world affairs never weakened. He and my father were friends, but they argued incessantly whenever they were together. Interestingly, in the last few months of Harold’s life, he and my father were in the same assisted living home. On more than one occasion, their political discussions reached such a heated level that they had to be separated by a staff member.

Harold was known as “Mr. Democrat” in Churchill County—but he referred to himself as a “damn conservative Democrat” who frequently voted for Republicans. During his first year in the Nevada Legislature, which was 1959, he was chairman of the committee to remodel the Governor’s Mansion. There wasn’t enough money to furnish or carpet the mansion. When then Governor and Mrs. Grant Sawyer moved in, they had to sit on boxes. But, that didn’t last too long after Harold took control. In a short time, the mansion was completed and at no expense to the taxpayers.

Interesting to note that Harold served on many legislative committees that no longer exist in the same form, including: Agriculture and Irrigation, State Libraries, Livestock, and Military and Indian Affairs.

Harold and his wife of 72 years, Suse, were, throughout their lives, wonderful neighbors who gave generously of their time and their assets to make others’ lives easier. Their contributions to their community and to education are legend. And, most of them are listed in the resolution. I just want to add that it has been my great pleasure to be associated with the Fitz family over the years and to be able to memorialize someone who has done so much for so many.

Resolution adopted unanimously.

Assemblyman de Braga moved that all rules be suspended and that Assembly Concurrent Resolution No. 25 be immediately transmitted to the Senate.

Motion carried unanimously.

By Assemblymen Ohrenschall, Anderson, Angle, Arberry, Bache, Beers, Berman, Brower, Brown, Buckley, Carpenter, Cegavske, Chowning, Claborn, Collins, de Braga, Dini, Freeman, Gibbons, Giunchigliani, Goldwater, Gustavson, Hettrick, Humke, Koivisto, Lee, Leslie, Manendo, Marvel, McClain, Mortenson, Neighbors, Nolan, Oceguela, Parks, Parnell, Perkins, Price, Smith, Tiffany, Von Tobel and Williams; Senators Titus, Amodei, Care, Carlton, Coffin, Jacobsen, James, Mathews, McGinness, Neal, O’Connell, O’Donnell, Porter, Raggio, Rawson, Rhoads, Schneider, Shaffer, Townsend, Washington and Wiener:

Assembly Concurrent Resolution No. 26—Commending the musical group R.E.M. for encouraging the prevention of teen suicide in one of their songs.

WHEREAS, Suicide is the eighth leading cause of death in the United States and the third leading cause of death among teenagers 15 to 19 years of age; and

WHEREAS, The national suicide rate has more than tripled in the last four decades, a tragedy in itself and a source of devastation to millions of family members and loved ones; and

WHEREAS, The alarming prevalence of suicide in the United States has even caused the Surgeon General in 1999 to publicly recognize suicide as a public health problem; and

WHEREAS, According to the National Center for Health Statistics, Nevada has the highest rate of suicide per capita in this country; and

WHEREAS, In 1999, 20 percent of high school students reported having seriously considered or having attempted suicide during the previous 12 months, and 8 percent of those who seriously considered suicide actually attempted suicide; and

WHEREAS, Teen suicide is one of the most disruptive and tragic events a community can experience as it mourns society's loss of the unique contribution that could have been made by that particular person; and

WHEREAS, The greatest tragedy is that research shows us that 95 percent of all teen suicides are preventable; and

WHEREAS, It is morally imperative that the residents of this state do all that is possible to aid in the prevention of teen suicide and assist depressed or despondent youth to gain a healthy perspective of their problems; and

WHEREAS, In 1992, the musical group R.E.M. produced a song, "Everybody Hurts," to make others aware that everybody feels pain and gets depressed, but that a person can get through the pain and depression without resorting to suicide and

WHEREAS, R.E.M. used the medium of rock and roll music to reach out to troubled teenagers worldwide in a positive and effective way with the message "hold on"; now, therefore, be it

RESOLVED BY THE ASSEMBLY OF THE STATE OF NEVADA, THE SENATE CONCURRING, That the musical group R.E.M. is hereby commended for addressing this issue directly and for effectively suggesting a different perspective to persons who are contemplating suicide; and be it further

RESOLVED, That the residents of the State of Nevada take notice of the alarming prevalence of teen suicide in the State of Nevada and do all they can to help others hold on to life; and be it further

RESOLVED, That the Chief Clerk of the Assembly prepare and transmit a copy of this resolution to the musical group R.E.M.

Assemblywoman Ohrenscha11 moved the adoption of the resolution.

Remarks by Assemblywoman Ohrenscha11.

Assemblyman Carpenter requested that the following remarks be entered in the Journal.

ASSEMBLYWOMAN OHRENSCHALL:

Thank you, Mr. Speaker. The problem of teen suicide is one that is ripping the whole country apart. In Nevada, we have the highest per capita rate of teen suicide in the entire United States. We have not given enough; to look to young people and having youths speak to youth. This song, through R.E.M., does that. I hope that it will be the beginning of a burgeoning public/private partnership, that will provide centers for young people to go to, where they can feel that they have a certain amount of privacy, to discuss things that are happening.

The bill started when I was precinct walking. I knocked on a door and met a young lady who told me she was not interested in voting because she did not see that the Nevada Legislature had any relevance to her life. As we continued to talk, she told me about a period of depression she had suffered and the effect this song had had on her. She told me that R.E.M. had done more for her because it had saved her life with this song, "Everybody Hurts," than she could possibly conceive the Nevada Legislature could do. She said she did not think that the Nevada Legislature could really understand what young people go through. I told her, at that time, that I felt that we could and that we would introduce a resolution, commending the group, as a sign to her and

other teens that this state wants to invest in our youth and to save them. I would like to, with your permission, to just read a very small part of the lyrics so that the Assembly can understand.

Some of the lyrics:

“When the day is long, and the night, the night is yours alone; when you’re sure you have had enough of this life, well, hang on. Don’t let yourself go. Everybody cries. And everybody hurts, sometimes. Sometimes everything is wrong. Now it’s time to sing along. When your day is night alone, hold on, hold on. If you feel like letting go, hold on. When you think you’ve had too much of this life, well, hang on. Everybody hurts. Don’t throw your hand. Oh no, don’t throw your hand. If you feel like you are alone—No! No! No! You are not alone. If you are on your own in this life, the days and nights are long, when you think you have had too much of this life to hang on. Well, everybody hurts sometimes. Everybody cries. And everybody hurts sometimes. And everybody hurts sometimes. So hold on, hold on.”

It goes on with that theme of holding on. It’s inspired many people. It’s been credited by celebrities, too, in moments of crisis with helping them to avoid possibility of suicide. We all know suicide is a permanent solution to a temporary problem. Mr. Speaker, with your permission, I would like to add a letter from the Honorable Harry Reid, concerning this issue. It is dated April 3, 2001:

“Thank you for your efforts to increase awareness about the problem of teen suicide. Your resolution recognizes the influential role of musicians and other celebrities play in the lives of teens today. R.E.M. is to be commended for reaching out through their music to troubled teens. As you know, I have been working at the Federal level for many years, to increase awareness about suicide and to establish a national suicide prevention strategy. Effective efforts to combat suicide will involve coordination on local, state and Federal levels. I look forward to working with you. Again, thank you for your leadership on this issue. Please do not hesitate to contact me if I can be of assistance.”

I wish to commend our Assembly and our Senate for taking the leadership, not in Nevada, but nationally, in highlighting the problem and beginning to work on solutions. Thank you, Mr. Speaker.

Sec. 1.130 Wards: Creation; boundaries.

1. The city must be divided into six wards upon the approval of the voters. Thereafter, the wards may be increased:

(a) By the city council if it determines that an increase is necessary; or

(b) Upon approval of a question proposing an increase to a specific number of wards by a majority of the voters voting on the question. Such a question must be submitted to the voters on the ballot at a general election ~~for general city election~~ if the city council votes for the submission of the question on its own motion or if a petition signed by a number of registered voters of the city equal to 15 percent or more of the number of voters who voted at the last preceding general election is submitted to the city council requesting an increase to a specific number of wards.

The wards must be as nearly equal in population as can conveniently be provided, and the territory which comprises each ward must be contiguous.

2. The boundaries of the wards must be established and changed by ordinance. The boundaries of the wards must be changed whenever the population, as determined by the last preceding national census of the Bureau of the Census of the United States Department of Commerce, in any ward exceeds the population in any other ward by more than 5 percent. The boundaries of the wards may be changed to include territory which has been annexed and whenever the population in any ward exceeds the population in any other ward by more than 5 percent by any measure which is found reliable by the city council.

3. *The office of an additional councilman created as a result of an increase in the number of wards pursuant to subsection 1 must be filled initially at the general city election immediately following:*

(a) *The date on which the city council determined that an increase in the number of wards was necessary pursuant to paragraph (a) of subsection 1; or*

(b) *The general election at which the question proposing the increase in wards is approved by the voters pursuant to paragraph (b) of subsection 1. Such an office must not be filled initially by appointment.”.*

Amend the title of the bill to read as follows:

“AN ACT relating to the charter of the City of Las Vegas; providing that the office of an additional councilman created as the result of an increase in the number of wards must be filled initially by election; and providing other matters properly relating thereto.”.

GENERAL FILE AND THIRD READING

Assembly Bill No. 500.

Bill read third time.

Remarks by Assemblymen Williams, Brower, Gibbons and Chowning.

Assemblywoman Buckley requested that the following remarks be entered in the Journal.

ASSEMBLYMAN WILLIAMS:

Thank you, Mr. Speaker. AB 500 relates to racial profiling and statistical study concerning traffic stops. The bill amends Chapter 289 of the Nevada Revised Statutes to state that a peace officer shall not engage in racial profiling, which is defined as reliance by a peace officer upon race, ethnicity or national origin of a person as a factor in initiating action. The act further directs the Office of the Attorney General to conduct a study of traffic stops by Nevada Highway Patrol, local law enforcement agencies and counties whose population is 100,000 or more. To carry out the study, the AG shall do so based upon recommendations by DMV, Public Safety heads and also law enforcement agencies who will be affected by this particular act.

I would submit, Mr. Speaker, to my colleagues today, that it is very difficult to imagine any activity that is more American than driving a car. We, as Americans, have always treasured our cars and we've always looked at driving in our cars as part of the American dream. Today we use our cars for almost everything. We use them for our offices, for entertainment, for educational excursions, and even for eateries. Therefore, it should be no surprise to us that when this activity is compromised there would be public outrage. Unfortunately, the compromises of driving forced upon a select group can sometimes go unnoticed. So, I would submit to you, Mr. Speaker, that statistics throughout the nation, surrounding what is commonly known as "DWB" or "Driving While Black" or "Driving With Blacks," has produced some startling statistics in America.

Currently, case studies indicate that 82 percent of all cars that are stopped by law enforcement, of African Americans, are illegally searched. You will also find that from a poll that was done by the Justice Department that 56 percent of white Americans and 77 percent of African Americans feel that racial profiling is widespread and should be addressed by our nation.

Currently, when traffic stops occur, African Americans, Hispanics and others who are considered "minorities" are stopped, on average, for 12.5 minutes. This is in contrast to only 4.6 minutes when it comes to whites. For many African Americans, and I would also add Hispanic and other minorities throughout our nation, the emotional cost of "DWB" is profound. Many people who are stopped or become subject of these stops suffer depression. Many of them miss work because of this depression. I would submit, Mr. Speaker, that the most painful and devastating experience of all of these is when African American parents instruct their children that when, not if, they are stopped by law enforcement and police officers, to do certain things that, as a result, will cause a very negative, devastating oppression of law enforcement. I would agree, I think most people here would agree, that such is something that our society can not tolerate.

This particular piece of legislation, as mentioned in committee, has no intentions of being punitive to law enforcement. It is one we hope will enhance the perception of law enforcement and give law enforcement the cooperation and respect that it deserves. By the same token, it will give our communities and drivers throughout our nation the respect and type of relationships we think our country deserves.

Mr. Speaker, I would like to also commend our current President, George W. Bush, for making, in his very first speech to Congress, the suggestion that our country look at racial profiling, and make that one of our number one priorities. As a result, our new Attorney General Ashcroft, on four different occasions, said that racial profiling should be an issue that America should address. As a result, there are a number of bills in Congress that address this issue. One in particular, that compromises highway funds to states if states do not look at this issue and start to move in a direction to eliminate this.

I would very proudly and gladly like to commend and recognize my intern for this session, Noah Fischer, who selected this bill as his project for the session and has done an outstanding job. I would also like to thank the chairman of the Judiciary committee, as well as members of the committee. More importantly, all of law enforcement who came to the table agreed that we should not debate whether racial profiling happens, but debate how we in Nevada will make sure it is eliminated in our particular state. I would also commend our own Attorney General,

Frankie Sue Del Papa, who came to us before we went to her, and said this was something she understood and she looked forward to working with law enforcement to eliminate it. I would suggest and urge my colleagues to vote positively on this bill. Thank you very much.

ASSEMBLYMAN BROWER:

Thank you, Mr. Speaker. I rise in support of AB 500. Let me just briefly commend my friend from District 6 for bringing this bill to this body this session. I also want to commend, as my friend has, law enforcement agencies from around the state and the Attorney General. As this body well knows, I think, in other states in our country, this issue has not been so easy to deal with. There have been intense arguments, there have been floor fights in legislatures, there have even been vetoes by governors. But here, at least so far in Nevada, there has been nothing but cooperation as my colleague has pointed out. I urge your support and thank my colleague once again for bringing this to our attention. Thank you, Mr. Speaker.

ASSEMBLYWOMAN GIBBONS:

Thank you, Mr. Speaker. I, too, rise in support of AB 500 and salute my colleague and his intern for bringing this forth. They have done a marvelous job. I am just very saddened that this bill has to be brought forth and in the 21st Century but such as it is. I am very happy this body has chosen to do something.

ASSEMBLYWOMAN CHOWNING:

Thank you, Mr. Speaker. I rise in strong support of AB 500 and I commend my colleague from District 6 for bringing it forward. I would like to point out to the body that some of the items that have to be included in the study on page 2, include, along with race, ethnicity, gender and approximate age, as well as a statement whether the immigration status of the driver was questioned. Unfortunately, that is a part of the study. Unfortunately, that too many times occurs. I would also like to commend all of the excellent officers that we have, who do not engage in this type of practice. It is because there are these practices occurring that our nation is putting attention to this. So, again, I stand in strong support of AB 500.

Give them, and the support staff that makes their work possible, respite that all may then return to the fray refreshed for the work and decisions that lie ahead.

AMEN.

Amend the bill as a whole by deleting sections 3 through 13, renumbering sections 14 through 16 as sections 3 through 5 and adding new sections designated sections 6 through 9, following sec. 16, to read as follows:

"Sec. 6. NRS 293.1277 is hereby amended to read as follows:

293.1277 1. If the secretary of state finds that the total number of signatures submitted to all the county clerks is 100 percent or more of the number of registered voters needed to declare the petition sufficient, he shall immediately so notify the county clerks. Within 9 days, excluding Saturdays, Sundays and holidays, after notification, each of the county clerks shall determine the number of registered voters who have signed the documents submitted in his county.

2. If more than 500 names have been signed on the documents submitted to him, a county clerk shall examine the signatures by sampling them at random for verification. The random sample of signatures to be verified must be drawn in such a manner that every signature which has been submitted to the county clerk is given an equal opportunity to be included in the sample. The sample must include an examination of at least 500 or 5 percent of the signatures, whichever is greater.

3. In determining from the records of registration the number of registered voters who signed the documents, the county clerk may use the signatures contained in the file of applications to register to vote. If the

county clerk uses that file, he shall ensure that every application in the file is examined, including any application in his possession which may not yet be entered into his records. The county clerk shall rely only on the appearance of the signature and the address and date included with each signature in making his determination.

4. Except as otherwise provided in subsection 6, upon completing the examination, the county clerk shall immediately attach to the documents a certificate properly dated, showing the result of his examination and transmit the documents with the certificate to the secretary of state. A copy of this certificate must be filed in the clerk's office. *When the county clerk transmits the certificate to the secretary of state, the county clerk shall notify the secretary of state of the number of requests to remove a name received by the county clerk pursuant to NRS 295.055 or 306.015.*

5. A person who submits a petition to the county clerk which is required to be verified pursuant to NRS 293.128, 293.165, 293.172, 293.200, 295.056, 298.109, 306.035 or 306.110 must be allowed to witness the verification of the signatures. A public officer who is the subject of a recall petition must also be allowed to witness the verification of the signatures on the petition.

6. For any petition containing signatures which are required to be verified pursuant to the provisions of NRS 293.165, 293.200, 306.035 or 306.110 for any county, district or municipal office within one county, the county clerk shall not transmit to the secretary of state the documents containing the signatures of the registered voters.

7. The secretary of state may by regulation establish further procedures for carrying out the provisions of this section.

Sec. 7. NRS 293.1278 is hereby amended to read as follows:

293.1278 1. If the certificates received by the secretary of state from all the county clerks establish that the number of valid signatures is less than 90 percent of the required number of registered voters, the petition shall be deemed to have failed to qualify, and the secretary of state shall immediately so notify the petitioners and the county clerks.

2. If those certificates establish that the ~~petitioners have~~ *number of valid signatures is equal to or more than the sum of 100 percent of the number of registered voters needed to make the petition sufficient [] plus the total number of requests to remove a name received by the county clerks pursuant to NRS 295.055 or 306.015*, the petition shall be deemed to qualify as of the date of receipt by the secretary of state of *those certificates* , ~~[showing the petition to have reached 100 percent,]~~ and the secretary of state shall immediately so notify the petitioners and the county clerks.

3. *If the certificates establish that the petitioners have 100 percent or more of the number of registered voters needed to make the petition sufficient but the petition fails to qualify pursuant to subsection 2, each county clerk who received a request to remove a name pursuant to NRS 295.055 or 306.015 shall remove each name as requested, amend the certificate, and transmit the amended certificate to the secretary of state. If the amended*

certificates establish that the petitioners have 100 percent or more of the number of registered voters needed to make the petition sufficient, the petition shall be deemed to qualify as of the date of receipt by the secretary of state of the amended certificates, and the secretary of state shall immediately so notify the petitioners and the county clerks.

Sec. 8. NRS 293.1279 is hereby amended to read as follows:

293.1279 1. If the statistical sampling shows that the number of valid signatures filed is 90 percent or more , but less than *the sum of* 100 percent of the number of signatures of registered voters needed to declare the petition sufficient ~~and~~ *plus the total number of requests to remove a name received by the county clerks pursuant to NRS 295.055 or 306.015*, the secretary of state shall order the county clerks to examine the signatures for verification. The county clerks shall examine the signatures for verification until they determine that 100 percent of the number of signatures of registered voters needed to declare the petition sufficient are valid. *If the county clerks received a request to remove a name pursuant to NRS 295.055 or 306.015, the county clerks may not determine that 100 percent of the number of signatures of registered voters needed to declare the petition sufficient are valid until they have removed each name as requested pursuant to NRS 295.055 or 306.015.*

2. If the statistical sampling shows that the number of valid signatures filed in any county is 90 percent or more but less than *the sum of* 100 percent of the number of signatures of registered voters needed to constitute 10 percent of the number of voters who voted at the last preceding general election in that county ~~and~~ *plus the total number of requests to remove a name received by the county clerk in that county pursuant to NRS 295.055 or 306.015*, the secretary of state may order the county clerk in that county to examine every signature for verification. *If the county clerk received a request to remove a name pursuant to NRS 295.055 or 306.015, the county clerk may not determine that 100 percent or more of the number of signatures of registered voters needed to constitute 10 percent of the number of voters who voted at the last preceding general election in that county are valid until he has removed each name as requested pursuant to NRS 295.055 or 306.015.*

3. Within 12 days, excluding Saturdays, Sundays and holidays, after receipt of such an order, the clerk shall determine from the records of registration what number of registered voters have signed the petition. If necessary, the board of county commissioners shall allow the county clerk additional assistants for examining the signatures and provide for their compensation. In determining from the records of registration what number of registered voters have signed the petition, the clerk may use any file or list of registered voters maintained by his office or facsimiles of voters' signatures. The county clerk may rely on the appearance of the signature and the address and date included with each signature in determining the number of registered voters that signed the petition.

4. Except as otherwise provided in subsection 5, upon completing the examination, the county clerk shall immediately attach to the documents of the petition an amended certificate properly dated, showing the result of the examination and shall immediately forward the documents with the amended certificate to the secretary of state. A copy of the amended certificate must be filed in the county clerk's office.

5. For any petition containing signatures which are required to be verified pursuant to the provisions of NRS 293.165, 293.200, 306.035 or 306.110 for any county, district or municipal office within one county, the county clerk shall not forward to the secretary of state the documents containing the signatures of the registered voters.

6. Except for a petition to recall a county, district or municipal officer, the petition shall be deemed filed with the secretary of state as of the date on which he receives certificates from the county clerks showing the petition to be signed by the requisite number of voters of the state.

7. If the amended certificates received from all county clerks by the secretary of state establish that the petition is still insufficient, he shall immediately so notify the petitioners and the county clerks. If the petition is a petition to recall a county, district or municipal officer, the secretary of state shall also notify the officer with whom the petition is to be filed.

Sec. 9. NRS 293.12795 is hereby amended to read as follows:

293.12795 1. If an appeal is based upon the results of the verification of signatures on a petition performed pursuant to NRS 293.1277 or 293.1279, the secretary of state shall:

(a) If he finds for the appellant, order the county clerk to recertify the petition, including as verified signatures all contested signatures which the secretary of state determines are valid. *If the county clerk has not yet removed each name as requested pursuant to NRS 295.055 or 306.015, the county clerk shall do so before recertifying the petition.*

(b) If he does not find for the appellant, notify the appellant and the county clerk that the petition remains insufficient.

2. If the secretary of state is unable to make a decision on the appeal based upon the documents submitted to him, the secretary of state may order the county clerk to reverify the signatures.

3. The decision of the secretary of state is a final decision for the purposes of judicial review. The decision of the secretary of state may only be appealed in the first judicial district court.”.

(c) Take any action necessary to prevent a mechanic's lien from being obtained on the property of the claimant on which the repairs are being made, to remove such a mechanic's lien if one is obtained, and to indemnify

the claimant against any expenses incurred by the claimant concerning such a mechanic's lien; and

(d) Provide to the claimant a written report of each repair made, the method used to make the repair and the parts replaced in making such repairs.

4. The claimant shall allow the contractor a reasonable opportunity to make repairs pursuant to subsection 2.

5. If the claimant is not satisfied with the repairs made pursuant to subsection 2 or NRS 40.672 or the contractor does not make the repairs within the time set forth in subsection 2 or within the time agreed to in writing by the claimant and the contractor, the claimant may commence an action governed by NRS 40.600 to 40.695, inclusive, against the contractor for a constructional defect or any damages or injuries that were specified in the notice provided to the contractor pursuant to subsection 1.

6. 7. Nothing in this section affects the ability of claimants to maintain a class action for constructional defects against a contractor.”.

Amend sec. 6, page 3, by deleting lines 21 through 44 and inserting: “*action for the professional negligence of a design professional, including, without limitation, an action filed pursuant to NRS 40.600 to 40.695, inclusive, and sections 2, 3 and 4 of this act, concurrently with the service of the first pleading in an action, the attorney for the complainant shall file an affidavit with the court stating that the attorney:*

Except as otherwise provided in subsection 4, the department shall certify monthly to the state board of examiners the amount of the basic and supplemental governmental services taxes collected for each county by the department and its agents during the preceding month, and that money must be distributed monthly as provided in this section.

2. Any supplemental governmental services tax collected for a county must be distributed only to the county, to be used as provided in NRS 371.045 and 371.047.

3. The distribution of the basic governmental services tax within a county must be made to local governments, special districts and enterprise districts pursuant to the provisions of NRS 360.680 and 360.690. The distribution of the basic governmental services tax must be made to the county school district within the county before the distribution of the basic governmental services tax pursuant to the provisions of NRS 360.680 and 360.690 and in the same ratio as all property taxes were levied in the county in the previous fiscal year, but the State of Nevada is not entitled to share in that distribution. For the purpose of calculating the amount of the basic governmental services tax to be distributed to the county school district, the taxes levied by each local government, special district and enterprise district are the product of its certified valuation, determined pursuant to subsection 2 of NRS 361.405, and its tax rate, established pursuant to NRS 361.455 for the fiscal year beginning on July 1, 1980, except that the tax rate for school districts, including the rate attributable to a district’s debt service, is the rate established pursuant to NRS 361.455 for the fiscal year beginning on July 1,

4. An amount equal to any basic governmental services tax distributed to a redevelopment agency in the fiscal year 1987-1988 must continue to be distributed to that agency as long as it exists but must not be increased.

5. The department shall make distributions of the basic governmental services tax directly to county school districts.

6. As used in this section:

(a) "Enterprise district" has the meaning ascribed to it in NRS 360.620.

(b) "Local government" has the meaning ascribed to it in NRS 360.640.

(c) "Special district" has the meaning ascribed to it in NRS 360.650.

Sec. 8. 1. The amendatory provisions of section 7 of this act do not apply to modify, directly or indirectly, any taxes levied or revenues pledged in such a manner as to impair adversely any outstanding obligations of a local government, special district or enterprise district, including, without limitation, bonds, medium-term financing, letters of credit and any other financial obligation, until all such obligations have been discharged in full or provision for their payment and redemption has been fully made.

2. As used in this section:

1. On or before August 1, November 1, February 1 and May 1 of each year, the superintendent of public instruction shall ~~[-except as otherwise provided in subsections 2 and 3,]~~ apportion the state distributive school account in the state general fund among the several county school districts and charter schools in amounts approximating one-fourth of their respective yearly apportionments less any amount set aside as a reserve. The apportionment to a school district, computed on a yearly basis, equals the difference between the basic support and the local funds available pursuant to NRS 387.1235, minus all the funds attributable to pupils who reside in the county but attend a charter school. No apportionment may be made to a school district if the amount of the local funds exceeds the amount of basic support. If the apportionment per pupil to a charter school is more than the amount to be apportioned to the school district in which a pupil who is enrolled in the charter school resides, the school district in which the pupil resides shall pay the difference directly to the charter school.

2. The governing body of a charter school may submit a written request to the superintendent of public instruction to receive, in the first year of operation of the charter school, an apportionment 30 days before the apportionment is required to be made pursuant to subsection 1. INCOME RANGE			MAXIMUM AMOUNT
<i>If the Parent's Gross Annual Income is Over</i>		<i>But Not Over</i>	<i>The Maximum Amount the Parent May Be Required to Pay Pursuant to Paragraph (c) of Subsection 1 Is</i>
\$0	-	\$50,000	\$500
50,000	-	75,000	550
75,000	-	100,000	600
100,000	-	125,000	650
125,000	-	150,000	700
150,000	-	175,000	750

If a parent's gross annual income is more than \$175,000, the maximum amount the parent may be required to pay pursuant to paragraph (c) of subsection 1 is \$800.

3. *The amounts set forth in subsection 2 for each income range and the corresponding amount of the obligation for support must be adjusted on January 1 for each calendar year in an amount corresponding to the percentage of increase or decrease in the Consumer Price Index (All Items) published by the United States Department of Labor for the preceding calendar year. On or before December 15 of each year, the office of court administrator shall determine the amount of the increase or decrease required by this subsection, establish the adjusted amounts in effect beginning on January 1 of the succeeding calendar year and notify each district court of the adjusted amounts.*

4. *A court may provide in its order that a parent is required to pay the maximum amount for an obligation for support as determined pursuant to subsections 1 and 2 and increased each year pursuant to subsection 3. 5.”.

Amend the bill as a whole by adding a new section designated sec. 2, following section 1, to read as follows:

“Sec. 2. NRS 125B.080 is hereby amended to read as follows:

125B.080 Except as otherwise provided in NRS 425.450:

1. A court of this state shall apply the appropriate formula set forth in ~~paragraph (b) of subsection 1 of~~ NRS 125B.070 to:

(a) Determine the required support in any case involving the support of children.

(b) Any request filed after July 1, 1987, to change the amount of the required support of children.

2. If the parties agree as to the amount of support required, the parties shall certify that the amount of support is consistent with the appropriate formula set forth in ~~paragraph (b) of subsection 1 of~~ NRS 125B.070. If the amount of support deviates from the formula, the parties must stipulate sufficient facts in accordance with subsection 9 which justify the deviation to the court, and the court shall make a written finding thereon. Any inaccuracy or falsification of financial information which results in an inappropriate award of support is grounds for a motion to modify or adjust the award.

3. If the parties disagree as to the amount of the *gross annual income* or gross monthly income of either party, the court shall determine the amount and may direct either party to furnish financial information or other records, including income tax returns for the preceding 3 years. Once a court has established an obligation for support by reference to a formula set forth in ~~paragraph (b) of subsection 1 of~~ NRS 125B.070, any subsequent modification or adjustment of that support, except for any modification or adjustment made pursuant to *subsections 3 and 4 of NRS 125B.070* or NRS

425.450 or as a result of a review conducted pursuant to subsection 1 of NRS 125B.145, must be based upon changed circumstances.

4. Notwithstanding the formulas set forth in ~~paragraph (b) of subsection 1 of~~ NRS 125B.070, the minimum amount of support that may be awarded by a court in any case is \$100 per month per child, unless the court makes a written finding that the obligor is unable to pay the minimum amount. Willful underemployment or unemployment is not a sufficient cause to deviate from the awarding of at least the minimum amount.

5. It is presumed that the basic needs of a child are met by the formulas set forth in ~~paragraph (b) of subsection 1 of~~ NRS 125B.070. This presumption may be rebutted by evidence proving that the needs of a particular child are not met by the applicable formula.

6. If the amount of the awarded support for a child is greater or less than the amount which would be established under the applicable formula, the court shall:

(a) Set forth findings of fact as to the basis for the deviation from the formula; and

(b) Provide in the findings of fact the amount of support that would have been established under the applicable formula.

7. Expenses for health care which are not reimbursed, including expenses for medical, surgical, dental, orthodontic and optical expenses, must be borne equally by both parents in the absence of extraordinary circumstances.

8. If a parent who has an obligation for support is willfully underemployed or unemployed to avoid an obligation for support of a child, that obligation must be based upon the parent's true potential earning capacity.

9. The court shall consider the following factors when adjusting the amount of support of a child upon specific findings of fact:

(a) The cost of health insurance;

(b) The cost of child care;

(c) Any special educational needs of the child;

(d) The age of the child;

(e) The responsibility of the parents for the support of others;

(f) The value of services contributed by either parent;

(g) Any public assistance paid to support the child;

(h) Any expenses reasonably related to the mother's pregnancy and confinement;

(i) The cost of transportation of the child to and from visitation if the custodial parent moved with the child from the jurisdiction of the court which ordered the support and the noncustodial parent remained;

(j) The amount of time the child spends with each parent;

(k) Any other necessary expenses for the benefit of the child; and

(l) The relative income of both parents.”.

Amend the title of the bill to read as follows:

“AN ACT relating to child support; increasing the maximum monthly amount that certain parents may be required to pay for support of a child; requiring the office of court administrator to adjust annually the amount of such payments based on the consumer price index; authorizing the court to order a parent to pay the maximum amount for an obligation for support of a child as adjusted annually by the office of court administrator; and providing other matters properly relating thereto.”.

4. The commission may adopt regulations that establish a system of renewable energy credits that may be used by a provider to comply with its portfolio standard.

5. Except as otherwise provided in subsection 6, each provider shall comply with its portfolio standard during each calendar year.

6. If, during any calendar year, a provider is unable to comply with its portfolio standard through the generation of electricity from its own renewable energy systems or, if applicable, through the use of renewable energy credits, the provider shall take actions to acquire electricity from renewable energy systems owned, operated or controlled by other parties. The actions taken by the provider must include making requests for proposals or taking other appropriate actions to solicit and enter into contracts with other parties. If, based upon the responses to the actions taken by the provider, the commission determines that there is not or will not be a sufficient supply of electricity from such renewable energy systems made available to the provider during a calendar year, the commission shall exempt the provider, for that calendar year, from the remaining requirements of its portfolio standard or from any appropriate portion thereof, as determined by the commission.

commission. The report must be submitted in a format approved by the commission.

3. The commission may adopt regulations that require providers to submit to the commission additional reports during each calendar year.

4. Each annual report and each additional report must include clear and concise information that sets forth:

TEXT OF REPEALED SECTION

704.989 Renewable energy resources: Portfolio standards; report; exceptions.

1. The commission shall establish portfolio standards for domestic energy that set forth the minimum percentage of the total amount of electricity sold by an electric utility to its retail customers in this state during each calendar year that must be derived from renewable energy resources. The portfolio standards must:

(a) On January 1, 2001, be set at two-tenths of 1 percent of the total amount of electricity sold by the electric utility to its retail customers in this state during the immediately preceding calendar year.

(b) On January 1 of each successive odd-numbered year, be increased by two-tenths of 1 percent of the total amount of electricity sold by the electric utility to its retail customers in this state during the immediately preceding calendar year until the portfolio standards reach a total of 1 percent of the total amount of electricity sold by the electric utility to its retail customers in this state during the immediately preceding calendar year.

(c) Be derived from not less than 50 percent renewable energy resources.

(d) Be derived from not less than 50 percent solar renewable energy systems.

(e) Be based on renewable energy credits, if applicable.

2. Each electric utility shall comply with the portfolio standards established by the commission pursuant to this section. At the end of each calendar year, each electric utility shall submit a report, in a format approved by the commission, of the quantity of renewable energy and credits, if applicable, that the electric utility generated, purchased, sold and traded to meet the portfolio standards.

3. In establishing the portfolio standards pursuant to this section, the commission may establish a system of credits pursuant to which an electric utility may comply with the provisions of this section. A system of credits must provide that:

(a) Credits are issued for renewable energy resources for each kilowatt hour of energy which it produces; and

(b) Holders of credits may trade or sell the credits to other parties.

4. For the purposes of this section, if, on January 1, 1997, at least 9 percent of the total amount of electricity sold by an electric utility to its retail customers in this state during the immediately preceding calendar year was derived from renewable energy resources, the electric utility shall be deemed to be in compliance until January 1, 2005, with the portfolio standards established by the commission pursuant to this section. Between January 1, 2005, and December 31, 2009, such an electric utility shall have one-half of 1 percent of the total amount of electricity sold to its retail customers in this state, increased in annual increments of one-tenth of 1 percent during each calendar year of that period, derived from solar energy resources for full compliance with the portfolio standards established by the commission pursuant to this section.

5. In addition to the report required by subsection 2, each electric utility shall submit a report, in a format approved by the commission, that provides information relating to the compliance by the electric utility with the requirements of this section. Such reports must be made at least annually, unless the commission by regulation determines that such reports must be made more frequently than annually, and must include clear and concise information that sets forth:

THE SEVENTY-NINTH DAY

CARSON CITY (Tuesday), April 24, 2001

Assembly called to order at 10:46 a.m.

Mr. Speaker presiding.

Roll called.

All present except Assemblywoman Ohrenschall, who was excused.

Prayer by the Chaplain, Reverend Luther Dupree.

Father God, in the name of Jesus Christ of Nazareth we pray. We pray now, God, that you would look on us as we come together in this Assembly for the 71st Assembly Legislative Session. We ask that You would bless, guide, and lead us in the precious name of Jesus. For Your Word says trust in the Lord with all thine heart and lean not unto thine own understanding. In all of our ways acknowledge You, and You shall direct our path. You instruct us further to be not wise in our own conceit or in our own eyes, but fear the Lord and depart from evil for it shall be health to our navel and marrow to our bones. We ask You to bless everyone who is represented here, the children that have come from schools around the area. We pray that You would bless and give us legislative laws that will better our children and the school classes where they sit, where now they are dodging guns and weapons of war in the classroom setting. Give us laws to legislate better situations for them, that they might grow up in the knowledge and wisdom of God. For You said, "Blessed is the man that walketh not in the counsel of the godly, nor standeth in the way of sinners, nor sit in the seat of the scornful. But our delight is in Your law, and in Your law do we meditate day and night." You further state, "Let every soul be subject unto the higher powers. For there is no power but of God: the powers that be are ordained of God. Whosoever therefore resisteth the power, resisteth the ordinance of God." But as Amos said, "We pray God that You would let judgment, or righteousness, or justice run down like water, and righteousness as a mighty stream." Lord, these blessings we ask in thy precious name. Thank God.

AMEN.

Pledge of allegiance to the Flag.

Assemblywoman Buckley moved that further reading of the Journal be dispensed with, and the Speaker and Chief Clerk be authorized to make the necessary corrections and additions.

Motion carried.

A new card or device must be issued upon enrollment and updated as required to comply with the provisions of this section. A card or device may be updated for not more than 1 year by issuing a sticker or other technology approved by the commissioner in lieu of replacing the card or device.

3. An identification card or other device that is issued or reissued to an insured pursuant to this section must:

(a) Contain information regarding coverage; and

(b) Conform to the requirements approved by the commissioner, in effect at the time the card or device is issued or reissued.

Sec. 8. The provisions of section 7 of this act do not apply to the division of health care financing and policy of the department of human resources or a person providing prescription drug benefits in a health care program provided by contract with the division until the division becomes capable of producing a card or other device that meets the requirements of that section. The director of the department of human resources shall issue an order requiring compliance with section 7 of this act when the division produces such a card or device.

Sec. 9. 1. This section becomes effective upon passage and approval.

ASSEMBLY PROCEEDINGS	909

THE EIGHTIETH DAY

CARSON CITY (Wednesday), April 25, 2001

Assembly called to order at 10:39 a.m.

Mr. Speaker presiding.

Roll called.

All present except Assemblywoman Freeman, who was excused.

Prayer by the Chaplain, Reverend Luther Dupree.

Heavenly, Precious Father, in the name of Jesus, we come in humble submission to thee, Almighty God, who rules the heavens and the earth. Lord, you declared that the earth is the Lord's, and the fullness thereof; the world and they that dwell therein. I exhort, therefore, that, first of all, supplications, prayers, intercessions, and giving of thanks be made for all men; for kings; and for all that are in authority; that we may lead a quiet and peaceable life in all godliness and honesty. So, Lord, we pray Your guidance and protection on all of the men and women in this legislative session. Guide their minds and their hearts as they contemplate laws that will affect us and the society in which we live. Laws that will affect not only us, but our children, and our children's children. I pray that it will not be about Republicans, Democrats or party lines, but for the betterment of mankind everywhere. Now, God, I thank You for this day, for it is a day that You have made, and we should rejoice and be glad in it.

AMEN.

Pledge of allegiance to the Flag.

Assemblywoman Buckley moved that further reading of the Journal be dispensed with, and the Speaker and Chief Clerk be authorized to make the necessary corrections and additions.

Assemblywoman Buckley moved the adoption of the resolution.

Remarks by Assemblymen Buckley, Hettrick, Giunchigliani, Price, Smith and Mr. Speaker.

Assemblyman Parks requested that the following remarks be entered in the Journal.

ASSEMBLYWOMAN BUCKLEY:

Thank you, Mr. Speaker. How do you thank such a diverse, talented group of individuals? In our effort to serve the public and our constituents within our 120-day session, we are often rushed and fail to acknowledge the many people who make our operations work on a day-to-day basis. To the people we see every day—our Front Desk staff, our Sergeant at Arms staff, our own personal secretaries, our committee secretaries—and even to those who we see less of, such as those who work behind the scenes in clerical positions, in the bill room, in copying rooms—we offer our sincere appreciation to you on this professional staff day.

We especially want to acknowledge Nancy Dickson, who can't be with us today. We send our thanks and appreciation to Nancy. We also want to send a special thanks to all of those who are returning to the Legislature. The fact that you know us and that you work with us and come back—we're amazed. We know it doesn't speak well of us, but of you. For all of you who come back and give us your expertise, session after session, knowing all of our faults, because you want to serve us and the State of Nevada, we sincerely thank you. We are glad that we have this day while we are in session, so we can take a moment and acknowledge you when we should be doing it every day.

ASSEMBLYMAN HETTRICK:

Thank you, Mr. Speaker. I, too, want to rise in support of AR 11. The Majority Floor Leader expressed very well the appreciation we have for the staff that works in this building. I see familiar faces over there as I speak. The work which is done by the staff is truly not appreciated by the people who don't work in this building. But those of us who work in this building see the labor of love that these people put in. So much of it is done behind the scenes, without recognition of any kind. We simply can't express well enough to all of you, that we do understand what you do and how good you make us look and the amount of effort you put in that goes unrecognized by the general public. We want you to know that we truly appreciate the work you do. You make us look better. I don't know if you can make us look good. But you make us look better every day. We really do appreciate that.

In particular, I want to mention the bill room folks who just labor away early in the morning. No one sees them—they are generally in their room with the door closed. Nobody realizes that every single day these bill books on our desk are completely updated with every single reprint, in numerical order, put back so we can use them to function. The Constitution requires that the bills be back here in writing so we can view them if we need to and deal with them. Most people don't know the bill room even exists. I want to recognize their efforts as well as everyone else

that tolls behind the scenes. Each of you, please know how much it means to us the work you do here and the effort you put in on our behalf. Thank you, Mr. Speaker.

ASSEMBLYWOMAN GIUNCHIGLIANI:

Thank you, Mr. Speaker. I, too, rise in support of AR 11. I think, maybe, the real fact of the matter is that you are not under appreciated, but you are the real bosses. We would not be successful in any way, shape or form if it wasn't for all of you. I just have a question, by a show of hands, how many of you are state employees and will be going back to another position or came from one in the first place? Well, the check will be in the mail. So, we might at least be able to do a little thank you to some of you for a salary increase. For the others, hang in there with us; it will be over sooner or later. We do appreciate everything you do.

Mr. Speaker requested the privilege of the Chair for the purpose of making the following remarks.

I will offer my gratitude as well. I think back to the welcome we had on the 2nd of January and the discussion we had then and what a big family we all became because of the 120-day session. I still believe that is true. There are always disagreements, but any family members can disagree. The Lord knows I fight with my sisters, like they are sisters. I think that is what happens here as well, but with in excess of 1200 or so bills we have to process, the thousands of phone calls, the e-mails, the letters. All the appointments each and every member of this body has to go through in order for us to accomplish some of the major issues for our state, whether it's our energy crisis, the budget, taxes, reapportionment at some point in time, education, that is so important to our state. It's you folks that get this job done. We could not do it and I think the citizens of the State of Nevada owe you a great debt of gratitude.

ASSEMBLYMAN PRICE:

Thank you, Mr. Speaker, to you and through you, to our extended family. I have to tell you, like all of us, I am appreciative of everything that is done on our behalf. Over the years I have had the opportunity, as some of the other legislators have, to visit other legislatures around the country and look at their operation. I can tell you, honestly, there is not a House, Senate or Legislature in this country that is served better and more lovingly than we are, right here. It even goes to people out of the room here, right now. For example, the people who stay up all night at the printing office, reprinting everything so that it's back here in our bill books. The work that goes on around us is just incredible. I, along with every other member of this body, want to extend our loving and most sincere thanks.

ASSEMBLYWOMAN SMITH:

Thank you, Mr. Speaker. I, too, rise in support of AR 11. As a new member of the Assembly, I am certain that my two freshman colleagues would join me in saying that I am absolutely amazed at the staff. I had no idea we would be so well cared for and have so much assistance available to us. So, as a new person here, I want to thank everyone sincerely for all the work you do.

Resolution adopted unanimously.

Mr. Speaker announced if there were no objections, the Assembly would recess subject to the call of the Chair.

Assemblyman Bache moved the adoption of the amendment.

Remarks by Assemblyman Bache.

Assemblyman Bache requested that his remarks be entered in the Journal.

ASSEMBLYMAN BACHE:

Thank you, Mr. Speaker. The amendment addresses a practice by some public bodies that evades the spirit of the open meeting law. The loophole they use to get around the open meeting law was they would not gather as a quorum but would conduct a series of smaller gatherings, where a quorum was not present. The cumulative effect of the series of gatherings was that a quorum had actually participated. The first change contained in this amendment is to state clearly that a series of these smaller gatherings will be considered a meeting under the open meeting law if, 1) the cumulative number of members equals a quorum, and 2) the intent of holding the series of gatherings was to deliberate toward a decision or take action on a matter. This will apply to a series of gatherings between a public body and its attorney, even when potential or existing litigation is discussed.

It does not, however, prevent attorneys from putting sensitive material in a confidential memorandum to inform members of the public body. It is important to note that the committee specifically decided not to include a broad, artificial definition of the word “deliberate” for this provision. That means that the plain dictionary meaning will apply, which is “to weigh in the mind; to ponder or examine in order to form an opinion; to consider the reasons for and against.” It does not include the mere gathering of facts.

The second part of the amendment is to require the more specific and personal notice be given to persons in two circumstances: if the public body is going to be considering whether to take administrative action against the person or if the public body is going to be considering whether to acquire the person’s property by eminent domain. In those cases, the person must be given personal notice and not be expected to learn about the upcoming meeting in the newspaper with the general public.

Bill read second time.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 609.

Amend the bill as a whole by deleting sections 1 through 12 and adding new sections designated sections 1 through 17, following the enacting clause, to read as follows:

“Section 1. Chapter 118B of NRS is hereby amended by adding thereto the provisions set forth as sections 2, 3 and 4 of this act.

Sec. 2. “*Corporate cooperative park*” means a mobile home park owned by a nonprofit cooperative corporation formed pursuant to chapter 81 of NRS that is wholly owned or controlled by the tenants of the park.

Sec. 3. 1. *The landlord of a mobile home park may require that a person submit a written application to and receive written consent from the landlord before the person moves or causes to be moved a mobile home or recreational vehicle into the mobile home park. The landlord shall not unreasonably withhold his consent.*

2. *If the landlord of a mobile home park requires written consent pursuant to subsection 1, the landlord shall post and maintain a sign that is clearly readable at the entrance to the mobile home park which advises the reader of the consent that is required before a person may move or cause to be moved a mobile home or recreational vehicle into the mobile home park.*

3. *If a person moves or causes to be moved a mobile home or recreational vehicle into the mobile home park without the written consent of the landlord, if the landlord requires such consent pursuant to subsection 1, the landlord of that mobile home park may:*

(a) *After providing at least 5 days' written notice to the person, bring an action for an unlawful detainer in the manner prescribed in chapter 40 of NRS; or*

(b) *Require the person to sign a rental agreement. If the person refuses to sign the rental agreement within 5 days after such a request, the landlord may, after providing at least 5 days' written notice to the person, bring an action for an unlawful detainer in the manner provided in chapter 40 of NRS.*

4. *For the purposes of NRS 40.251, a person who moves or causes to be moved a mobile home or recreational vehicle into a mobile home park without the written consent of the landlord, if the landlord requires such consent pursuant to subsection 1, shall be deemed a tenant at will and a lessee of the mobile home park.*

5. *The provisions of this section do not apply to a corporate cooperative park.*

Sec. 4. 1. *The landlord of a mobile home park shall post in a conspicuous and readily accessible place in the community or recreational facility in the mobile home park, at or near the entrance of the mobile home park or other common area in the mobile home park, a current report on the quality of the water that is supplied to the mobile home park.*

2. *Except as otherwise provided in subsection 3, the report must be obtained from the community water system that is the supplier of water to the mobile home park. Except as otherwise provided in subsection 4, the landlord shall post the report at least once each year and at such other times as the community water system may provide an updated report to the landlord.*

3. *If a mobile home park is not a community water system and does not otherwise obtain water from a community water system, the landlord of the mobile home park shall annually cause the water that is provided to the tenants of the mobile home park to be tested in accordance with the standards adopted pursuant to NRS 445A.855. The test must be performed by a laboratory certified by the health division of the department of human resources pursuant to NRS 445A.863.*

4. *Upon receipt of the results of a test performed pursuant to subsection 3, the landlord shall prepare or cause to be prepared a report on the quality of the water that is supplied to the tenants of the mobile home park. The report must be accurately based upon the results of the test and prepared in accordance with the standards adopted by the state board of health pursuant to NRS 445A.855 for similar reports by community water systems. The landlord shall post a copy of the most current report in accordance with subsection 1 and shall deliver a copy of each such report to the health division of the department of human resources or the health authority as that term is defined in NRS 445A.820.*

5. *As used in this section, "community water system" has the meaning ascribed to it in NRS 445A.808.*

Sec. 5. NRS 118B.010 is hereby amended to read as follows:

118B.010 As used in this chapter, unless the context otherwise requires, the words and terms defined in NRS 118B.011 to 118B.0195, inclusive, *and section 2 of this act* have the meanings ascribed to them in those sections.

Sec. 6. NRS 118B.060 is hereby amended to read as follows:

118B.060 1. Any payment, deposit, fee ~~[-]~~ or other charge which is required by the landlord in addition to periodic rent, utility charges or service fees and is collected as prepaid rent or a sum to compensate for any tenant default is a “deposit” governed by the provisions of this section.

2. The landlord shall maintain a separate record of the deposits.

3. Except as otherwise provided in subsection 4:

(a) All deposits are refundable, and upon termination of the tenancy, or if the deposit is collected as a sum to compensate for a tenant default, not more than 5 years after the landlord receives the deposit, the landlord may claim from a deposit only such amounts as are reasonably necessary to remedy tenant defaults in the payment of rent, utility charges or service fees and to repair damage to the park caused by the tenant. The landlord shall provide the tenant with an itemized written accounting of the disposition of the deposit.

(b) Any refund must be sent to the tenant within 21 days after the tenancy is terminated.

4. Each deposit collected as a sum to compensate for a tenant default must be refunded to the tenant not more than 5 years after the landlord receives the deposit or upon the termination of the tenancy, whichever is earlier. The refund must include interest at the rate of 5 percent per year, compounded annually, for the entire period during which the deposit was held by the landlord.

5. Upon termination of the landlord’s interest in the mobile home park, the landlord shall transfer to his successor in interest that portion of the deposit remaining after making any deductions allowed pursuant to this section or refund that portion to the tenant.

6. If the former landlord fails to transfer that portion of the deposit remaining to the successor in interest or refund it to the tenant at the time the successor in interest takes possession, the successor becomes jointly and severally liable with the former landlord for refunding to the tenant that portion of the deposit to which he is entitled.

7. If the former landlord fails to transfer or refund the deposit, the tenant may not be required to pay another deposit until the successor in interest refunds the deposit to the tenant or provides him with an itemized written accounting of the statutorily authorized disposition of the deposit.

8. The claim of the tenant to any deposit to which he is entitled by law takes precedence over the claim of any creditor of the landlord.

9. *The provisions of this section do not apply to a corporate cooperative park.*

Sec. 7. NRS 118B.120 is hereby amended to read as follows:

118B.120 1. The landlord or his agent or employee may:

(a) Require that the tenant landscape and maintain the tenant's lot if the landlord advises the tenant in writing of reasonable requirements for the landscaping.

(b) If the tenant does not comply with the provisions of paragraph (a), maintain the tenant's lot and charge the tenant a service fee for the actual cost of that maintenance.

(c) Require that the mobile home be removed from the park if it is unoccupied for more than 90 consecutive days and the tenant or dealer is not making good faith and diligent efforts to sell it.

2. The landlord shall maintain, in the manner required for the other tenants, any lot on which is located a mobile home within the park which has been repossessed, abandoned or held for rent or taxes. The landlord is entitled to reimbursement for the cost of that maintenance from the reposessor or lien holder or from the proceeds of any sale for taxes, as the case may be.

3. The landlord shall trim all the trees located within the park and dispose of the trimmings from those trees absent a voluntary assumption of that duty by the tenant for trees on the tenant's lot.

4. For the purposes of this section, a mobile home shall be deemed to be abandoned if:

(a) It is located on a lot in a mobile home park, *other than a corporate cooperative park*, for which no rent has been paid for at least 60 days;

(b) It is unoccupied; and

(c) The manager of the mobile home park reasonably believes it to be abandoned.

Sec. 8. NRS 118B.140 is hereby amended to read as follows:

118B.140 ~~{The}~~

1. *Except as otherwise provided in subsection 2, the landlord or his agent or employee shall not:*

~~{1.}~~ (a) Require a person to purchase a mobile home from him or any other person as a condition to renting a mobile home lot to the purchaser or give an adjustment of rent or fees, or provide any other incentive to induce the purchase of a mobile home from him or any other person.

~~{2.}~~ (b) Charge or receive:

~~{(a)}~~ (1) Any entrance or exit fee for assuming or leaving occupancy of a mobile home lot.

~~{(b)}~~ (2) Any transfer or selling fee or commission as a condition to permitting a tenant to sell his mobile home or recreational vehicle within the mobile home park even if the mobile home or recreational vehicle is to remain within the park, unless the landlord is licensed as a dealer of mobile homes pursuant to NRS 489.311 and has acted as the tenant's agent in the sale pursuant to a written contract.

~~{(c)}~~ (3) Any fee for the tenant's spouse or children.

~~{(d)}~~ (4) Any fee for pets kept by a tenant in the park. If special facilities or services are provided, the landlord may also charge a fee reasonably

related to the cost of maintenance of the facility or service and the number of pets kept in the facility.

~~[(e)]~~ (5) Any additional service fee unless the landlord provides an additional service which is needed to protect the health and welfare of the tenants, and written notice advising each tenant of the additional fee is sent to the tenant 90 days in advance of the first payment to be made, and written notice of the additional fee is given to prospective tenants on or before commencement of their tenancy. A tenant may only be required to pay the additional service fee for the duration of the additional service.

~~[(f)]~~ (6) Any fee for a late monthly rental payment within 4 days after the date the rental payment is due or which exceeds \$5 for each day, excluding Saturdays, Sundays and legal holidays, which the payment is overdue, beginning on the day after the payment was due. Any fee for late payment of charges for utilities must be in accordance with the requirements prescribed by the public utilities commission of Nevada.

~~[(g)]~~ (7) Any fee, surcharge or rent increase to recover from his tenants the costs resulting from converting from a master-metered water system to individual water meters for each mobile home lot.

~~[(h)]~~ (8) Any fee, surcharge or rent increase to recover from his tenants any amount that exceeds the amount of the cost for a governmentally mandated service or tax that was paid by the landlord.

2. *Except for the provisions of subparagraphs (3), (4), (6) and (8) of paragraph (b) of subsection 1, the provisions of this section do not apply to a corporate cooperative park.*

Sec. 9. NRS 118B.150 is hereby amended to read as follows:

118B.150 ~~[The]~~

1. *Except as otherwise provided in subsection 2, the landlord or his agent or employee shall not:*

~~[(1)]~~ (a) Increase rent or additional charges unless:

~~[(a)]~~ (1) The rent charged after the increase is the same rent charged for mobile homes of the same size or lots of the same size or of a similar location within the park, *including, without limitation, mobile homes and lots which are held pursuant to a long-term lease*, except that a discount may be selectively given to persons who:

~~[(1)]~~ (I) Are handicapped;

~~[(2)]~~ (II) Are 55 years of age or older;

~~[(3)]~~ (III) Are long-term tenants of the park if the landlord has specified in the rental agreement or lease the period of tenancy required to qualify for such a discount;

~~[(4)]~~ (IV) Pay their rent in a timely manner; or

~~[(5)]~~ (V) Pay their rent by check, money order or electronic means;

~~[(b)]~~ (2) Any increase in additional charges for special services is the same amount for each tenant using the special service; and

~~[(c)]~~ (3) Written notice advising a tenant of the increase is received by the tenant 90 days before the first payment to be increased and written notice of

the increase is given to prospective tenants before commencement of their tenancy. In addition to the notice provided to a tenant pursuant to this ~~[paragraph,]~~ *subparagraph*, if the landlord or his agent or employee knows or reasonably should know that the tenant receives assistance from the fund created pursuant to NRS 118B.215, the landlord or his agent or employee shall provide to the administrator written notice of the increase 90 days before the first payment to be increased.

~~{2-}~~ (b) Require a tenant to pay for an improvement to the common area of a mobile home park unless the landlord is required to make the improvement pursuant to an ordinance of a local government.

~~{3-}~~ (c) Require a tenant to pay for a capital improvement to the mobile home park unless the tenant has notice of the requirement at the time he enters into the rental agreement. A tenant may not be required to pay for a capital improvement after the tenant enters into the rental agreement unless the tenant consents to it in writing or is given 60 days' notice of the requirement in writing. The landlord may not establish such a requirement unless a meeting of the tenants is held to discuss the proposal and the landlord provides each tenant with notice of the proposal and the date, time and place of the meeting not less than 60 days before the meeting. The notice must include a copy of the proposal. A notice in a periodic publication of the park does not constitute notice for the purposes of this ~~{subsection. 4-}~~ *paragraph*.

(d) Require a tenant to pay his rent by check or money order.

~~{5-}~~ (e) Require a tenant who pays his rent in cash to apply any change to which he is entitled to the next periodic payment that is due. The landlord or his agent or employee shall have an adequate amount of money available to provide change to such a tenant.

~~{6-}~~ (f) Prohibit or require fees or deposits for any meetings held in the park's community or recreational facility by the tenants or occupants of any mobile home or recreational vehicle in the park to discuss the park's affairs, or any political or social meeting sponsored by a tenant, if the meetings are held at reasonable hours and when the facility is not otherwise in use, or prohibit the distribution of notices of those meetings.

~~{7-}~~ (g) Interrupt, with the intent to terminate occupancy, any utility service furnished the tenant except for nonpayment of utility charges when due. Any landlord who violates this ~~{subsection}~~ *paragraph* is liable to the tenant for actual damages.

~~{8-}~~ (h) Prohibit a tenant from having guests, but he may require the tenant to register the guest within 48 hours after his arrival, Sundays and legal holidays excluded, and if the park is a secured park, a guest may be required to register upon entering and leaving.

~~{9-}~~ (i) Charge a fee for a guest who does not stay with the tenant for more than a total of 60 days in a calendar year. The tenant of a mobile home lot who is living alone may allow one other person to live in his home without paying an additional charge or fee, unless such a living arrangement

constitutes a violation of chapter 315 of NRS. No agreement between a tenant and his guest alters or varies the terms of the rental contract between the tenant and the landlord, and the guest is subject to the rules and regulations of the landlord.

~~{10.}~~ (j) Prohibit a tenant from erecting a fence along the perimeter of the tenant's lot if the fence complies with any standards for fences established by the landlord, including limitations established for the height of fences, the materials used for fences and the manner in which fences are to be constructed.

~~{11.}~~ (k) Prohibit any tenant from soliciting membership in any association which is formed by the tenants who live in the park. As used in this ~~{subsection,}~~ paragraph, "solicit" means to make an oral or written request for membership or the payment of dues or to distribute, circulate or post a notice for payment of those dues.

~~{12.}~~ (l) Prohibit a public officer , ~~{or}~~ candidate for public office *or the representative of a public officer or candidate for public office* from walking through the park to talk with the tenants ~~{-}~~ *or distribute political material*.

~~{13.}~~ (m) If a tenant has voluntarily assumed responsibility to trim the trees on his lot, require the tenant to trim any particular tree located on the lot or dispose of the trimmings unless a danger or hazard exists.

2. *The provisions of paragraphs (a), (b), (c), (j) and (m) of subsection 1 do not apply to a corporate cooperative park.*

3. *As used in this section, "long-term lease" means a rental agreement or lease the duration of which exceeds 12 months.*

Sec. 10. NRS 118B.153 is hereby amended to read as follows:

118B.153 ~~{The}~~

1. *Except as otherwise provided in subsection 2, the amount of rent charged a tenant for a service, utility or amenity upon moving into the mobile home park must be reduced proportionately when the service, utility or amenity is decreased or eliminated by the landlord. The landlord may not increase the rent to recover the lost revenue.*

2. *The provisions of this section do not apply to a corporate cooperative park.*

Sec. 11. NRS 118B.160 is hereby amended to read as follows:

118B.160 ~~{The}~~

1. *Except as otherwise provided in subsection 2, the landlord or his agent or employee shall not:*

~~{1.}~~ (a) Deny any tenant the right to sell his mobile home or recreational vehicle within the park or require the tenant to remove the mobile home or recreational vehicle from the park solely on the basis of the sale, except as otherwise provided in NRS 118B.170.

~~{2.}~~ (b) Prohibit any tenant desiring to sell his mobile home or recreational vehicle within the park from advertising the location of the home or vehicle and the name of the mobile home park or prohibit the tenant from

displaying at least one sign of reasonable size advertising the sale of the home or vehicle.

~~{3-}~~ (c) Require that he be an agent of an owner of a mobile home or recreational vehicle who desires to sell the home or vehicle.

~~{4-}~~ (d) Unless subleasing of lots is prohibited by a rental agreement or lease, prohibit a tenant from subleasing his mobile home lot if the prospective subtenant meets the general requirements for tenancy in the park.

~~{5-}~~ (e) Require a tenant to make any additions to his mobile home unless those additions are required by an ordinance of a local government.

~~{6-}~~ (f) Purchase a mobile home within the park if he has denied:

~~{(a)}~~ (1) A tenant the right to sell that mobile home; or

~~{(b)}~~ (2) A prospective buyer the right to purchase that mobile home.

2. *The provisions of this section do not apply to a corporate cooperative park.*

Sec. 12. NRS 118B.170 is hereby amended to read as follows:

118B.170 1. The landlord may require approval of a prospective buyer and tenant before the sale of a tenant's mobile home or recreational vehicle, if the mobile home or vehicle will remain in the park. The landlord shall consider the record, if any, of the prospective buyer and tenant concerning the payment of rent. The landlord shall not unreasonably withhold his consent.

2. If a tenant sells his mobile home or recreational vehicle, the landlord may require that the mobile home or recreational vehicle be removed from the park if it is deemed by the park's written rules or regulations in the possession of the tenants to be in a run-down condition or in disrepair or does not meet the safety standards set forth in NRS 461A.120. If the mobile home must be inspected to determine compliance with the standards, the person requesting the inspection shall pay for it.

3. If the landlord requires the approval of a prospective buyer and tenant, he shall post and maintain a sign which is clearly readable at the entrance to the park which advises the reader that before a mobile home in the park is sold, the prospective buyer must be approved by the landlord.

4. If the landlord requires the approval of a prospective buyer and tenant of a mobile home or recreational vehicle and the mobile home or recreational vehicle is sold without the approval of the landlord, the landlord may:

(a) After providing at least ~~{10}~~ 5 days' written notice to the buyer and tenant, bring an action for an unlawful detainer in the manner prescribed in chapter 40 of NRS; or

(b) Require the buyer and tenant to sign a rental agreement. If the buyer and tenant refuse to sign the rental agreement within 5 days after such a request, the landlord may, after providing at least ~~{10}~~ 5 days' written notice to the buyer and tenant, bring an action for an unlawful detainer in the manner provided in chapter 40 of NRS.

REMARKS FROM THE FLOOR

Assemblyman Parks requested that the following remarks be entered in the Journal.

ASSEMBLYWOMAN CEGAVSKE:

Mr. Speaker, I would like to read a press release that was just issued this morning. "Sports history was made last night when a ragged and badly wounded contingent of Republican athletes literally beat the socks off a large, healthy, almost all male Democratic team. In spite of the fact that "Slam Dunk" Washington had to be carried from the court after a vicious and unwarranted Democrat attack, the remaining Rs more than made up for the loss. It was the female members that carried the game for the Rs. Barb "The Bird" Cegavske twice stole the ball from a taller, stronger "Shaq" Perkins, star forward for the Ds. Leading in assists for the Rs was "Magic" Von Tobel whose presence in shorts easily distracted the male-dominated D team. The Rs unrelenting full court press kept the seriously out of shape Ds constantly substituting players to insure that those who were in the game were still capable of breathing.

A standout for the Ds was "Air Arberry" who is reported to have a vertical jump of close to 3 inches. However, "Amazing" Amodei baffled him with bull and was able to talk him nearly to death and, thereby, held him to less than 2 points for the night. On the injured list was "Marvelous" Manendo. Although it was, at times, unclear as to what game he was playing, he did so with sufficient intensity that he hurt a leg and was forced to limp from the court.

To his credit, Coach “Desperate” Dini did what he could with what he had to work with, which wasn’t much. “Loping” John Lee—who is said to have played college ball, did not live up to his reputation. When questions arose about his prior academic accomplishments, a former professor told reporters that Lee made straight As in college, but added that his Bs were a little crooked.

The game clearly established who are the champions for the entire civilized world in the Nevada Legislative League. Even so, it was marked with cheating, illegal players and discrimination on the part of officials. “Cowboy” Collins literally lassoed “The Bird” and threw her to the ground in a highly unusual defensive maneuver. Referees claimed not to have seen this and no foul was called.

Comic relief was provided by “Goofy” Goldwater. In a move he learned in his brief stint with the Searchlight Globetrotters, he tried to tickle an opponent into dropping the ball. The Rs Coach, “Killer” Guinn, then invoked a little used NBA rule that has nothing to do with basketball but does address inappropriate physical contact. Color commentator “Rowdy” Ralston was evicted from the game for politically incorrect comments that were demeaning to Republicans and might have weakened the morale of less dedicated players.” Clearly biased referees also allowed illegal points to be earned by “Ace” Ocegüera who shot a three pointer while sitting on the bench. Although the R’s protested this gave the Ds an extra man on court, their complaints were totally ignored.

Against almost insurmountable odds, the Rs established their athletic supremacy in this court by winning the game 63-51, including the Ds 16 illegal points.

Mr. Speaker, on behalf of the team, support staff and ringers, I accept this magnificent trophy, humbly realizing that we might not have been able to accomplish this incredible feat if we had been up against Democratic players who had a clue about the game. Thank you, Mr. Speaker.

(1) Sets forth the provisions of paragraph (b);

(2) States that complaints concerning the charges for a tour may be directed to the division; and

(3) Provides a telephone number for the division.

(d) The failure of a tour broker or tour operator to comply with a provision of this section constitutes a deceptive trade practice for the purposes of NRS 598.0903 to 598.0999, inclusive.

2. The requirements set forth in subsection 1 do not apply with respect to:

(a) A tour that is conducted in its entirety on a charter bus; or

(b) If a tour is not conducted in its entirety on a charter bus, that part of the tour which is conducted on a charter bus.

Sec. 10. The provisions of sections 11, 12 and 13 of this act do not apply to a tour broker whose business is confined to advertising, or a tour operator whose business is confined to advertising and conducting, tours that:

1. Originate in a county other than a county whose population is 400,000 or more;

2. Do not include some manner of motorized conveyance; or

3. Are conducted in their entirety on charter buses.

Sec. 11. 1. Each tour broker and tour operator shall deposit with the division:

(a) A bond executed by a corporate surety approved by the commissioner and licensed to do business in this state;

(b) An irrevocable letter of credit for which the tour broker or tour operator is the obligor, issued by a bank whose deposits are federally insured; or

(c) A certificate of deposit in a financial institution which is doing business in this state and which is federally insured or insured by a private insurer approved pursuant to NRS 678.755. The certificate of deposit may be withdrawn only on the order of the commissioner, except that the interest may accrue to the tour broker or tour operator.

2. The term of the bond, letter of credit or certificate of deposit, or any renewal thereof, must be not less than 1 year.

3. Except as otherwise provided in subsection 8, the amount of the bond, letter of credit or certificate of deposit, or any renewal thereof, must be \$10,000.

4. If the tour broker or tour operator deposits a bond, the tour broker or tour operator shall keep accurate records of the bond and the payments made on the premium. The records must be open to inspection by the division during business hours. The tour broker or tour operator shall notify the division not later than 30 days before the date of expiration of the bond and provide written proof of the renewal of the bond to the division.

5. The commissioner may reject any bond, letter of credit or certificate of deposit which fails to conform to the requirements of this chapter.

6. A tour broker or tour operator may change the form of security which he has deposited with the division. If the tour broker or tour operator changes the form of the security, the commissioner may retain for not more than 1 year any portion of the security previously deposited by the tour broker or tour operator as security for claims arising during the time the previous security was in effect.

7. If the amount of the bond, letter of credit or certificate of deposit falls below the amount required by this section, the tour broker or tour operator shall, within 30 days, increase the amount of the bond, letter or credit or certificate of deposit to the amount required by this section.

8. If the commissioner determines that the business of a tour broker or tour operator involves tours conducted on charter buses, the commissioner shall reduce the amount of security otherwise required pursuant to subsection 3 in proportion to the percentage of the business of the tour broker or tour operator involving tours conducted on charter buses.

Sec. 12. 1. The security required to be deposited by a tour broker or tour operator pursuant to section 11 of this act must be held in trust for consumers injured by:

(a) The bankruptcy of the tour broker or tour operator; or

(b) The tour broker's or tour operator's breach of any agreement entered into in his capacity as a tour broker or tour operator.

2. A consumer so injured may bring and maintain an action in any court of competent jurisdiction to recover against the security.

3. *The division may bring an action for interpleader against all claimants upon the security. If the division brings such an action, the division shall publish notice of the action at least once each week for 2 weeks in a newspaper of general circulation in the county in which the tour broker or tour operator has its principal place of business. The division may deduct its costs of the action, including the costs of the publication of the notice, from the amount of the security. All claims against the security have equal priority. If the security is insufficient to pay all the claims in full, the claims must be paid pro rata. If the tour broker or tour operator has posted a bond with the division, the surety is then relieved of all liability under the bond.*

4. *The division may, in lieu of bringing an action for interpleader pursuant to subsection 3, conduct a hearing to determine the distribution of the security to claimants. The division shall adopt regulations to provide for adequate notice and the conduct of the hearing. If the tour broker or tour operator has posted a bond with the division, distribution pursuant to this subsection relieves the surety of all liability under the bond.*

Sec. 13. 1. *If no claims have been filed against the security deposited with the division pursuant to section 11 of this act within 6 months after the tour broker or tour operator ceases to operate, the commissioner shall release the security to the tour broker or tour operator and shall not audit any claims filed against the security thereafter by consumers.*

2. *If one or more claims have been filed against the security within 6 months after the tour broker or tour operator ceases to operate, the proceeds must not be released to the tour broker or tour operator or distributed to any consumer earlier than 1 year after the tour broker or tour operator ceases to operate.*

3. *For the purposes of this section, the commissioner shall determine the date on which a tour broker or tour operator ceases to operate.*

Sec. 14. NRS 598.0999 is hereby amended to read as follows:

ASSEMBLYMAN BACHE:

Thank you, Mr. Speaker. This bill adds to the definition of meeting, any series of gathering of members of a public body at which (1) less than a quorum is present at any individual gathering, (2) the members of the public body attending the gathering collectively constitute a quorum, and (3) the series of gatherings was held with the intent to deliberate towards a decision to take action or any matter of which the public body has jurisdiction. The measure specifies that the term meeting includes "without limitation such a series of gatherings between individual members of a public body and its attorney, regarding potential or existing litigation involving the public body if the gathering were held with the intent to deliberate towards a decision or take action regarding the litigation." Finally, AB 225 creates an additional notice requirement under the open meeting law before a public body considers taking an administrative action against a person or requiring real property from a person through imminent domain. It must personally deliver written notice to that person at least five working days before the meeting or send notice by certified mail to the last-known address of the person at least 21 working days before the meeting.

ASSEMBLYMAN CARPENTER:

Thank you, Mr. Speaker. I rise in support of AB 225. The first part of this bill adds something that has been lacking in the open meeting law for a long time, and I think this will go a long way towards protecting our citizens.

ASSEMBLYWOMAN BUCKLEY:

Thank you, Mr. Speaker. I, also, rise in support of AB 225. At a time when citizens are more and more skeptical of government, I think this goes a long way towards ensuring government decisions are conducted in the public. I want to commend my colleague from Assembly District 24, who is not with us today, whose hard work made this bill come to the floor today.

ASSEMBLYWOMAN GIBBONS:

Thank you, Mr. Speaker. I, too, rise in support of AB 225. I rise in support of my colleague from Assembly District 24. She worked so hard on this bill and to be honest with you, I found her to be so courageous in putting forth this legislation, not allowing people to take it apart and make it a piece of legislation not really worthy. I urge this body to wholeheartedly support it and I'm sorry my colleague is not hear to speak on this bill.

SECOND READING AND AMENDMENT

Assembly Bill No. 457.

Bill read second time.

The following amendment was proposed by the Committee on Taxation:

Amendment No. 432.

Amend the bill as a whole by deleting sections 1 through 8 and adding new sections designated sections 1 through 6, following the enacting clause, to read as follows:

“Section 1. The Legislature hereby finds and declares that a general law cannot be made applicable for the provisions of this act because of the economic and geographic diversity of the local governments of this state, the unusual growth patterns in certain of those local governments and the special conditions experienced in certain counties related to the need to provide basic services.

Sec. 2. Notwithstanding the provisions of chapter 482 of NRS to the contrary:

1. For the fiscal year beginning on July 1, 2001, one-half of all money received or collected by the Department of Motor Vehicles and Public Safety for the basic governmental services tax for:

(a) Vehicles not subject to the provisions of chapter 706 of NRS and not engaged in interstate or intercounty operation, for Clark, Douglas and Washoe counties and Carson City must be deposited in the state distributive school account after the portion of those tax proceeds required by NRS 482.181 has been distributed to the school districts in those counties.

(b) Vehicles subject to the provisions of chapter 706 of NRS and engaged in interstate or intercounty operation that would otherwise be distributed to Clark, Douglas and Washoe counties and Carson City pursuant to subsection 6 of NRS 482.180 must be deposited in the state distributive school account after the portion of those tax proceeds required by NRS 482.181 has been distributed to the school districts in those counties.

2. For the fiscal year beginning on July 1, 2002, all money received or collected by the Department of Motor Vehicles and Public Safety for the basic governmental services tax for:

(a) Vehicles not subject to the provisions of chapter 706 of NRS and not engaged in interstate or intercounty operation, for Clark, Douglas and Washoe counties and Carson City must be deposited in the state distributive school account after the portion of those tax proceeds required by NRS 482.181 has been distributed to the school districts in those counties.

(b) Vehicles subject to the provisions of chapter 706 of NRS and engaged in interstate or intercounty operation that would otherwise be distributed to Clark, Douglas and Washoe counties and Carson City pursuant to subsection

6 of NRS 482.180 must be deposited in the state distributive school account after the portion of those tax proceeds required by NRS 482.181 has been distributed to the school districts in those counties.

Sec. 3. Notwithstanding the provisions of chapter 354 of NRS to the contrary:

1. In addition to the allowed revenue from taxes ad valorem determined pursuant to NRS 354.59811, each local government whose revenue from the basic governmental services tax is reduced as a direct result of the provisions of section 2 of this act may levy a property tax on all taxable property within the boundaries of the local government, for the fiscal year in which the revenue will be reduced, at a rate not to exceed the rate necessary to produce an amount of revenue equal to the revenue that the local government estimates would have been received from the basic governmental services tax in that fiscal year but for the provisions of section 2 of this act.

2. The revenue received by a local government from the property tax levied pursuant to subsection 1 must be deposited in the general fund of the local government.

Sec. 4. Notwithstanding the provisions of NRS 377.080 to the contrary, each local government whose revenue from the basic governmental services tax is reduced as a direct result of the provisions of section 2 of this act shall, if any portion of that revenue is pledged for payment of a general obligation bond pursuant to NRS 377.080, pledge an additional percentage of the revenue from NRS 360.680, 360.690 and 360.700 to be substituted for the pledge of revenue that is redistributed pursuant to section 2 of this act in an amount necessary to avoid an impairment of the underlying bond contract pursuant to which the revenue was pledged. To carry out the provisions of this subsection, the percentage of revenue pledged may exceed the 15 percent allowed by NRS 377.080.

Sec. 5. 1. Money deposited in the state distributive school account pursuant to section 2 of this act must be accounted for separately and distributed monthly among the several county school districts by the superintendent of public instruction in the same proportion that the total salaries paid to all educational personnel in the county bears to the total salaries paid to all educational personnel in all counties. The money must be deposited in the county school district fund.

2. On or before June 1, 2001, and June 1, 2002, the superintendent of public instruction shall determine the estimated percentage of increase in the salaries of all educational personnel in all the counties that could be fully funded by the money he estimates will be distributed during the fiscal year beginning on the next July 1. The estimated percentage of increase may not exceed 2 percent per year.

3. Each school district shall use the money distributed pursuant to subsection 1 to increase the salaries of the educational personnel in the district by the percentage of increase determined by the superintendent of public instruction pursuant to subsection 2 for the year for which the

percentage was established. Each school district may use any revenue not necessary to fund the salary increases for expenses relating to the recruitment of educational personnel.

Sec. 6. This act becomes effective upon passage and approval and expires by limitation on July 1, 2003.”.

Amend the title of the bill to read as follows:

“AN ACT relating to taxation; temporarily revising the provisions governing the distribution of a portion of the basic governmental services tax revenue to increase the amount allocated for educational purposes; allowing an increase in the amount of revenue from taxes ad valorem that certain larger counties may receive to offset the reduction in revenue resulting from the reallocation; and providing other matters properly relating thereto.”.

Amend the summary of the bill to read as follows:

A converting mutual may, by not less than a two-thirds vote of the members of its board of directors and with the approval of the commissioner, abandon the plan of conversion at any time before the issuance of the certificate of authority by the commissioner pursuant to section 188 of this act. Upon abandonment, all rights and obligations arising out of the plan of conversion terminate and the converting mutual shall continue to conduct its business as a domestic mutual insurer or a mutual insurance holding company as though no plan of conversion had ever been adopted.

Sec. 188. 1. The commissioner shall:

(a) Enter a final order approving the application to convert to a stock insurer within 10 days after receiving a valid certification from the converting mutual setting forth the vote and certifying that the plan of conversion was approved by not less than two-thirds of the policyholders voting in person or by proxy on the plan of conversion; and

4. Upon issuance of the certificate of authority, the articles of incorporation of the insurer shall be deemed to be amended in compliance with NRS 692B.030.

Sec. 189. Any person aggrieved by a final order of the commissioner issued pursuant to sections 174 to 202, inclusive, of this act may petition for judicial review in the manner provided by chapter 233B of NRS.

Sec. 190. In determining whether a plan of conversion meets the requirements of sections 174 to 202, inclusive, of this act, or with regard to any other matters relating to the development of a plan of conversion, the commissioner may engage the services of experts. All reasonable costs related to the review of a plan of conversion or such other matters, including those costs attributable to the use of experts, must be paid by the converting mutual filing the application or initiating discussions with the commissioner about such matters.

Sec. 191. 1. Except as otherwise provided in subsection 2, all information and documents obtained by or disclosed to the commissioner or any other person in the course of preparing, filing and processing an application of a converting mutual, other than information and documents distributed to policyholders in connection with the meeting of policyholders pursuant to section 186 of this act or filed or submitted as evidence in connection with the public hearing pursuant to section 184 of this act, are confidential and not subject to subpoena, and must not be made public by the commissioner, the National Association of Insurance Commissioners or any other person, except to insurance departments of other states, without the prior written consent of the insurer to which such information and documents pertain.

2. If the commissioner, after giving the insurer and its affiliates who would be affected notice and opportunity to be heard, determines that the interests of policyholders, shareholders or the public will be best served by the publication of such information and documents, the commissioner may publish all or any part thereof in such a manner as he determines appropriate.

Sec. 192. Whenever it appears to the commissioner that any person or any director, officer, employee or agent of the person has committed or is about to commit a violation of any provision of sections 174 to 202, inclusive, of this act or of any regulation or order of the commissioner relating thereto, the commissioner may apply to the First Judicial District Court in and for Carson City for an order enjoining the person, director, officer, employee or agent from violating or continuing to violate any provision of sections 174 to 202, inclusive, of this act or any such regulation or order, and for such other equitable relief as the nature of the case and the interest of the policyholders, creditors and shareholders of the insurer, or the public, may require.

Sec. 193. The corporate existence of a converting mutual pursuant to sections 174 to 202, inclusive, of this act does not terminate, and the new

stock insurer shall be deemed to be a continuation of the converting mutual and to have been organized on the date the converting mutual was originally organized.

Sec. 194. The provisions of sections 174 to 202, inclusive, of this act do not prohibit the inclusion in the plan of conversion of provisions under which members of the board of directors, officers, employees or agents of the new stock insurer, and persons acting as trustees of employee stock ownership plans or other employee benefit plans may be entitled to purchase for cash capital stock of the new stock insurer at the same price initially issued by the new stock insurer under the plan of conversion, except that no such purchase may be made while any shares of capital stock are held in a trust established pursuant to the plan of conversion.

Sec. 195. 1. No director, officer, employee or agent of the converting mutual, or any other person, may receive any fee, commission or other valuable consideration, other than his usual regular salary and compensation, for aiding, promoting or assisting in a plan of conversion except as set forth in the plan of conversion approved by the commissioner.

2. Subsection 1 does not prohibit a management incentive compensation program that is contained in the plan of conversion and approved by the commissioner to be adopted upon conversion to the new stock insurer or prohibit such a program to be adopted later by the new stock insurer.

3. Subsection 1 does not prohibit the payment of reasonable fees and compensation to attorneys, accountants, actuaries and investment bankers for services performed in the independent practice of their professions if the person is also a member of the board of directors of the converting mutual.

Sec. 196. 1. Except as otherwise specifically provided in the plan of conversion, before and for a period of 5 years after the issuance of a certificate of authority to a new stock insurer pursuant to section 188 of this act, no person other than the new stock insurer may directly or indirectly offer to acquire or acquire in any manner the beneficial ownership of 5 percent or more of any class of a voting security of the new stock insurer or of any institution that owns a majority of the voting securities of the new stock insurer without the prior approval by the commissioner of an application for acquisition.

2. The commissioner shall not approve an application for acquisition filed pursuant to subsection 1 unless he finds that:

(a) The acquisition will not frustrate the plan of conversion as approved by the policyholders and the commissioner;

(b) The board of directors of the new stock insurer has approved the acquisition or extraordinary circumstances not contemplated in the plan of conversion have arisen which would warrant approval of the acquisition; and

(c) The acquisition is consistent with the purpose of sections 174 to 202, inclusive, of this act to permit conversions on terms and conditions that are fair and equitable to the policyholders.

3. *An application for acquisition filed pursuant to subsection 1 must describe in sufficient detail all information necessary for the approval of the application.*

4. *If any material change occurs in the facts set forth in an application for acquisition filed pursuant to subsection 1, an amendment setting forth the change, together with copies of all documents and other material relevant to the change, must be filed with the commissioner.*

5. *The commissioner may hold a public hearing on an application for acquisition filed pursuant to subsection 1. If the commissioner decides to hold a public hearing, the hearing must be held not later than 30 days after the person seeking to acquire securities files an application for acquisition with the commissioner pursuant to subsection 1. The commissioner shall give at least 20 days' notice of the hearing to the person filing the application for acquisition. The person filing the application for acquisition shall give not less than 7 days' notice of the hearing to the new stock insurer and to such other persons as may be designated by the commissioner. In connection with the hearing, the person filing the application for acquisition, the new stock insurer, any other person to whom notice of the hearing was given, and any other person whose interest may be affected may conduct discovery proceedings in the same manner as is allowed in the district court. All discovery proceedings must be concluded not later than 3 days before the commencement of the hearing. At the hearing the person filing the application for acquisition, the new stock insurer, any other person to whom notice of the hearing was given, and any other person whose interest may be affected may present evidence, examine and cross-examine witnesses, and offer oral and written arguments. If any acquisition referred to in the application for acquisition is proposed by means of a registration statement under the Securities Act of 1933, 15 U.S.C. §§ 77a et seq., in circumstances requiring the disclosure of similar information under the Securities Exchange Act of 1934, 15 U.S.C. §§ 78a et seq., or under a state law requiring similar registration or disclosure, the person required to file the statement may utilize such documents in furnishing the information required by the application for acquisition. The person filing the application shall serve the new stock insurer and any institution that owns a majority of the voting securities of the new stock insurer with a copy of the application for acquisition and any amendments thereto on the day the documents are filed with the commissioner.*

6. *The new stock insurer and any institution that owns a majority of the voting securities of the new stock insurer must be permitted to become parties to the hearing upon request.*

7. *The commissioner shall make a determination not later than 30 days after the conclusion of the hearing or, if no hearing is held, not later than 30 days after the date on which the application for acquisition is filed with the commissioner pursuant to subsection 1. Approval or disapproval of an application for acquisition must be by written order. Any person who is*

aggrieved by the order may petition for judicial review in the manner provided by chapter 233B of NRS.

8. The commissioner may retain, at the expense of the person filing an application for acquisition pursuant to subsection 1, any attorneys, actuaries, accountants and other experts who are not employees of the division as may be reasonably necessary to assist the commissioner in reviewing the application.

Sec. 197. 1. No security which is the subject of any agreement or arrangement regarding acquisition, or which is acquired or to be acquired, in contravention of section 196 of this act or of any regulation or order of the commissioner may be voted at any shareholders' meeting or may be counted for quorum purposes, and any action of the shareholders requiring the affirmative vote of a percentage of shares may be taken as though such securities were not issued and outstanding, but no action taken at any such meeting may be invalidated by the voting of such securities unless:

(a) The action would materially affect control of the new stock insurer or an institution that owns a majority of the voting securities of the new stock insurer; or

(b) A court of competent jurisdiction has so ordered.

2. If a new stock insurer or the commissioner has reason to believe that any security of the new stock insurer or an institution that owns a majority of the voting securities of the new stock insurer has been or is about to be acquired in contravention of sections 174 to 202, inclusive, of this act or of any regulation or order of the commissioner, the new stock insurer or the commissioner may apply to the First Judicial District Court in and for Carson City for an order to enjoin any offer or acquisition made in contravention of section 196 of this act or any regulation or order of the commissioner to enjoin the voting of any security so acquired, to void any vote of such a security already cast at any shareholders' meeting, and for such other equitable relief as the nature of the case and the interest of the policyholders, creditors and shareholders of the new stock insurer, or the public, may require.

Sec. 198. In any case where a person has acquired or is proposing to acquire any voting securities in violation of sections 174 to 202, inclusive, of this act or any regulation or order of the commissioner, the First Judicial District Court in and for Carson City may, upon the application of the commissioner or the new stock insurer, and on such notice as the court determines appropriate, seize or sequester any voting securities of the new stock insurer or an institution that owns a majority of the voting securities of the new stock insurer owned directly or indirectly by such a person and issue any order with respect thereto as the court determines appropriate to effectuate the provisions of sections 174 to 202, inclusive, of this act. Notwithstanding any other provision of law, for the purposes of sections 174 to 202, inclusive, of this act, the situs of the ownership of such securities shall be deemed to be in this state.

Sec. 199. *A person who offers to acquire or acquires a security in violation of subsection 1 of section 196 of this act may be required by the commissioner, after notice and hearing, to pay an administrative penalty of \$100 for each day that the person remains in violation, except that the aggregate penalty pursuant to this section may not exceed \$10,000.*

Sec. 200. *Any director or officer of a person, or an agent of the person, who knowingly violates or assents to or permits any officer or agent of the person to violate the requirements of section 196 of this act may be required by the commissioner, after notice and hearing, to pay, in his individual capacity, an administrative penalty of not more than \$5,000 per violation. In determining the amount of the penalty, the commissioner shall take into account the appropriateness of the penalty with respect to the gravity of the violation, the history of previous violations, and such other matters as the commissioner determines are required in the interest of justice.*

Sec. 201. 1. *If the commissioner has reason to believe that any person or any director, officer, employee or agent of the person is engaged in any conduct in violation of section 196 of this act, the commissioner may order the person to cease and desist immediately from engaging in any further such conduct. The order is permanent unless the person, not later than 20 days after receipt of the order, files a written request for a hearing with the commissioner.*

2. *If, after a hearing pursuant to subsection 1, the commissioner determines that such action is in the best interest of the policyholders, the creditors or the public, the commissioner may also order the person to void any contract entered into in violation of section 196 of this act.*

3. *An order of the commissioner pursuant to this section is a final decision in a contested case for the purpose of judicial review pursuant to chapter 233B of NRS.*

Sec. 203. *As used in sections 203 to 226, inclusive, of this act, unless the context otherwise requires, the words and terms defined in sections 204 to 207, inclusive, of this act have the meanings ascribed to them in those sections.*

Sec. 204. *“Intermediate stock holding company” means a holding company of which at least a majority of the voting securities are owned by a mutual insurance holding company and which directly owns all the voting securities of a reorganized stock insurer.*

Sec. 205. *“Mutual insurance holding company” means a holding company based on a mutual plan which at all times owns a majority of the voting securities of a single intermediate stock holding company or, if no such intermediate stock holding company exists, which owns a majority of the voting securities of a reorganized stock insurer.*

Sec. 206. *“Reorganized stock insurer” means a stock insurer subsidiary that results from a reorganization of a domestic mutual insurer pursuant to sections 203 to 226, inclusive, of this act.*

Sec. 207. *“Voting securities” means securities of any class or any ownership interest having voting power for the election of directors, trustees or management, other than securities having voting power only because of the occurrence of a contingency.*

Sec. 208. *A domestic mutual insurer may, by complying with sections 203 to 226, inclusive, of this act and obtaining the approval of the commissioner, reorganize by:*

1. Merging the membership interests of its policyholders into:

(a) A mutual insurance holding company formed for the purpose of the reorganization; or

(b) An existing mutual insurance holding company; and

2. Continuing the corporate existence of the mutual insurer as a stock insurer subsidiary of the mutual insurance holding company.

Sec. 209. *A domestic mutual insurer shall file with the commissioner for review and approval a proposed plan of reorganization that has been approved by a vote of not less than two-thirds of the members of the board of directors of the domestic mutual insurer. The proposed plan of reorganization must be accompanied by a nonrefundable fee of \$2,450. The plan of reorganization must include:*

The mutual insurer shall give notice not less than 30 days before the meeting, by first-class mail to the last known address of each policyholder, that the plan of reorganization will be voted upon at a regular or special meeting of the policyholders. The notice must include a brief description of the plan of reorganization, a statement that the commissioner has approved the plan of reorganization, and a written proxy permitting the policyholder to vote for or against the plan of reorganization. For the purposes of notice and voting, the policyholder of a policy of group insurance is the entity to which the group policy is issued and not any person covered under the group policy. A plan of reorganization is approved only if not less than two-thirds of the policyholders voting in person or by proxy at the meeting vote in favor of the plan of reorganization. Each policyholder is entitled to only one vote regardless of the number of policies owned by the policyholder. The commissioner shall supervise and direct the conducting of the vote on the plan of reorganization as necessary to ensure that the vote is fair and consistent with the requirements of this section.

2. If a mutual insurer complies substantially and in good faith with the notice requirements of this section, the mutual insurer's failure to give any policyholder the required notice does not impair the validity of any action taken pursuant to this section.

3. If the meeting of policyholders to vote upon the plan of reorganization is held coincident with the mutual insurer's annual meeting of policyholders, only one combined notice of meeting is required.

4. The form of any proxy must be filed with and approved by the commissioner.

5. For the purposes of notice and voting, a person is not a policyholder unless he was a policyholder of the mutual insurer on the date on which the plan of reorganization was initially approved by the board of directors of the mutual insurer.

Sec. 213. A mutual insurer may, by not less than a two-thirds vote of the members of its board of directors and with the approval of the commissioner,

abandon a plan of reorganization at any time before the issuance of the certificate of authority by the commissioner pursuant to section 214 of this act. Upon abandonment, all rights and obligations arising out of the plan of reorganization terminate and the mutual insurer shall continue to conduct its business as a domestic mutual insurer as though no plan of reorganization had ever been adopted.

Sec. 214. 1. The commissioner shall issue a certificate of authority to a reorganized stock insurer when the mutual insurer files with the commissioner a:

(a) Certificate stating that all the conditions set forth in the plan of reorganization have been satisfied, so long as the board of directors of the mutual insurer has not abandoned the plan of reorganization pursuant to section 213 this act.

(b) Certificate from the mutual insurer setting forth the vote and certifying that the plan of reorganization was approved by not less than two-thirds of the policyholders voting in person or by proxy on the plan of reorganization.

2. The reorganization is effective upon the issuance of a certificate of authority by the commissioner.

3. Upon issuance of the certificate of authority, the articles of incorporation of the mutual insurer shall be deemed to be amended in compliance with NRS 692B.030.

Sec. 215. Any person aggrieved by a final order of the commissioner issued pursuant to the provisions of sections 203 to 226, inclusive, of this act may petition for judicial review in the manner provided by chapter 233B of NRS.

Sec. 216. In determining whether a plan of reorganization meets the requirements of the provisions of sections 203 to 226, inclusive, of this act, or with regard to any other matters relating to the development of a plan of reorganization, the commissioner may engage the services of experts. All reasonable costs related to the review of a plan of reorganization or such other matters, including those costs attributable to the use of experts, must be paid by the mutual insurer filing the application or initiating discussions with the commissioner about such matters.

Sec. 217. 1. Except as otherwise provided in subsection 2, all information and documents obtained by or disclosed to the commissioner or any other person in the course of preparing, filing and processing an application to reorganize pursuant to section 209 of this act, other than information and documents distributed to policyholders in connection with the meeting of policyholders pursuant to section 212 of this act or filed or submitted as evidence in connection with the public hearing pursuant to section 210 of this act, are confidential and not subject to subpoena, and must not be made public by the commissioner, the National Association of Insurance Commissioners or any other person, except to insurance

departments of other states, without the prior written consent of the insurer to which such information and documents pertain.

2. If the commissioner, after giving the insurer and its affiliates who would be affected notice and opportunity to be heard, determines that the interests of policyholders, shareholders or the public will be best served by the publication of such information and documents, the commissioner may publish all or any part thereof in such a manner as he determines appropriate.

Sec. 218. The corporate existence of a mutual insurer reorganizing pursuant to sections 203 to 226, inclusive, of this act does not terminate, and the reorganized stock insurer shall be deemed to be a continuation of the mutual insurer and to have been organized on the date on which the mutual insurer was originally organized.

Sec. 219. 1. All the initial shares of the capital stock of a reorganized stock insurer must be issued to the mutual insurance holding company or to a single intermediate stock holding company.

2. Policyholders of a domestic mutual insurer that has been reorganized are members of the mutual insurance holding company and their voting rights must be determined in accordance with the articles of incorporation and bylaws of the mutual insurance holding company. The mutual insurance holding company shall provide its members with the same membership rights as were provided to policyholders of the mutual insurer immediately before reorganization. The reorganization must not reduce, limit or otherwise affect the number or identity of the policyholders who may become members of the mutual insurance holding company or secure for managerial personnel any unfair advantage through or connected with the reorganization.

3. A mutual insurance holding company or an intermediate stock holding company formed pursuant to sections 203 to 226, inclusive, of this act:

- (a) Must not be authorized to transact the business of insurance;*
- (b) Is subject to the jurisdiction of the commissioner, who shall ensure that policyholder interests are protected; and*
- (c) Shall be deemed to be an insurer for the purposes of chapter 696B of NRS.*

4. An intermediate stock holding company formed pursuant to sections 203 to 226, inclusive, of this act shall be deemed to be a mutual insurance holding company subject to the provisions of sections 174 to 202, inclusive, of this act.

5. A mutual insurance holding company formed pursuant to sections 203 to 226, inclusive, of this act:

- (a) Shall not issue stock.*
- (b) Shall invest in insurers not less than 50 percent of its net worth as determined by generally accepted accounting practices.*

6. The aggregate pledges and encumbrances of the assets of a mutual insurance holding company must not affect more than 49 percent of the

mutual insurance holding company's stock in an intermediate stock holding company or a reorganized stock insurer.

7. *If any proceeding under chapter 696B of NRS is brought against a reorganized stock insurer, the mutual insurance holding company and intermediate stock holding company must be named parties to the proceeding. All the assets of the mutual insurance holding company and the intermediate stock holding company shall be deemed assets of the estate of the reorganized stock insurer to the extent necessary to satisfy claims against the reorganized stock insurer.*

8. *No distribution to members of a mutual insurance holding company may occur without the prior written approval of the commissioner. The commissioner may give such approval only if he is satisfied that the distribution is fair and equitable to policyholders as members of the mutual insurance holding company.*

9. *No solicitation for the sale of the stock of an intermediate stock holding company or a reorganized stock insurer may be made without the prior written approval of the commissioner.*

10. *A mutual insurance holding company or an intermediate stock holding company may not voluntarily dissolve without the approval of the commissioner.*

Sec. 220. *Nothing contained in sections 203 to 226, inclusive, of this act prohibits a mutual insurance holding company from converting to a domestic stock insurance company pursuant to sections 174 to 202, inclusive, of this act.*

Sec. 221. *A membership interest in a mutual insurance holding company does not constitute a security under the laws of this state.*

Sec. 222. 1. *No director, officer, employee or agent of the mutual insurer, or any other person, may receive any fee, commission or other valuable consideration, other than his usual regular salary and compensation, for aiding, promoting or assisting in a plan of reorganization except as set forth in the plan of reorganization approved by the commissioner.*

2. *Subsection 1 does not prohibit a management incentive compensation program that is contained in the plan of reorganization and approved by the commissioner to be adopted upon reorganization to the reorganized stock insurer or prohibit such a program to be adopted later by the reorganized stock insurer.*

3. *Subsection 1 does not prohibit the payment of reasonable fees and compensation to attorneys, accountants, actuaries and investment bankers for services performed in the independent practice of their professions if the person is also a member of the board of directors of the mutual insurer.*

Sec. 223. 1. *A mutual insurance holding company shall file with the commissioner, by March 1 of each year, an annual statement consisting of an income statement, balance sheet and cash flows prepared in accordance with generally accepted accounting practices and a confidential statement*

disclosing any intention to pledge, borrow against, alienate, hypothecate or in any way encumber the assets of the mutual insurance holding company.

2. A mutual insurance holding company shall, on or before June 1 of each year, file with the commissioner in a form approved by the commissioner a financial statement as of December 31 of the preceding calendar year that is certified by a certified public accountant.

Sec. 224. The commissioner may order the production of any records, books or other information and papers in the possession of a mutual insurance holding company or its affiliates as is reasonably necessary to ascertain the financial condition of the reorganized stock insurer or to determine compliance with this Title.

Sec. 225. Whenever it appears to the commissioner that any person or any director, officer, employee or agent of the person has committed or is about to commit a violation of any provision of sections 203 to 226, inclusive, of this act or of any regulation or order of the commissioner relating thereto, the commissioner may apply to the First Judicial District Court in and for Carson City for an order enjoining the person, director, officer, employee or agent from violating or continuing to violate any provision of sections 203 to 226, inclusive, of this act or any such regulation or order, and for such other equitable relief as the nature of the case and the interest of the policyholders, creditors and shareholders of the insurer, or the public, may require.

Assembly Concurrent Resolution No. 27—Designating April 28, 2001 as Workers Memorial Day in Nevada.

WHEREAS, Since 1989, April 28 has been observed as Workers Memorial Day by the American Federation of Labor and Congress of Industrial Organizations; and

WHEREAS, This date is significant in that it is the anniversary of the enactment of the Occupational Safety and Health Act of 1970, and trade unionists around the globe now mark April 28 as an “International Day of Mourning”; and

WHEREAS, Workers Memorial Day is not only a time to remember the workers who have succumbed to an occupational disease or been injured or killed on the job, but a time to renew the commitment to prevent these tragedies in the future by supporting needed protections and defending the promise of safe jobs for all workers; and

WHEREAS, The theme for Workers Memorial Day for this year is “Mourn for the Dead. Fight for the Living. Stop the Pain”; and

WHEREAS, Decades of struggle by workers and their unions have resulted in significant improvements in working conditions, but the toll of workplace injuries, illness and deaths remains too high as, each year, more than 60,000 workers die from job-related injuries and illnesses and another 6 million are injured; and

WHEREAS, Too often these tragedies and the devastation they cause for these workers, their families and co-workers are quickly forgotten; now, therefore, be it

RESOLVED BY THE ASSEMBLY OF THE STATE OF NEVADA, THE SENATE CONCURRING, That the 71st session of the Nevada Legislature hereby designates April 28, 2001, as Workers Memorial Day, a day to honor and remember the workers who have succumbed to occupational diseases or been injured or killed as a result of work-related accidents; and be it further

I have the honor to inform your honorable body that the Senate on this day adopted Senate Concurrent Resolution No. 36.

MARY JO MONGELLI

Assistant Secretary of the Senate

MOTIONS, RESOLUTIONS AND NOTICES

Senate Concurrent Resolution No. 36.

Assemblywoman Gibbons moved the adoption of the resolution.

Remarks by Assemblywoman Gibbons.

Assemblyman Humke requested that the following remarks be entered in the Journal.

ASSEMBLYWOMAN GIBBONS:

Bud Hurin—teacher, sports enthusiast, coach, storyteller, athlete and soldier.

He was a Marine, and you know what they say about Marines: “Once a Marine, always a Marine.” Bud Hurin carried the lessons of discipline and hard work learned in his early years as a young Marine soldier in combat during WWII. He was a true Marine.

He then applied it to his other love—basketball. This is where he honed the skills of accuracy, endurance, and the speed of a “sports” warrior. Yes—he could literally make a basketball jump, spin, fly, and bounce under the kneecaps of the bigger foes maneuvering down the court to score for his team. When he could no longer jump, run or fly like the former super hero he was, he then passed on his knowledge and his gift to upcoming young athletes.

Yes, Bud Hurin was a man to remember—one to memorialize, because, by his teaching and coaching, he passed on to other young people the lessons of a true Marine soldier. “Semper Paratus”—always true.

Resolution adopted unanimously.

Assembly Concurrent Resolution No. 28—Recognizing the American Heart Association and commending its community outreach program Operation Heartbeat.

WHEREAS, The American Heart Association was established in 1924 by six cardiologists and is currently one of the world's leading health organizations whose volunteers and supporters number more than 22 million people nationwide; and

WHEREAS, The American Heart Association spent approximately \$337 million during fiscal year 1999-2000 on research support, public and professional education, and community programs; and

WHEREAS, The American Heart Association has given more than \$1.8 billion to heart and blood vessel research in the past 50 years; and

WHEREAS, Advances in cardiovascular and stroke research have improved the quality of life for millions of American men and women who have survived cardiovascular disease or stroke; and

WHEREAS, Cardiovascular disease is the number one killer of men and women in our nation; and

WHEREAS, Over 1.5 million people suffer a heart attack each year as a result of cardiovascular disease; 480,000 Americans die each year as a result of complications from a heart attack; and 264,000 people die each year from sudden cardiac arrest; and

WHEREAS, The American Heart Association formed the American Stroke Association in 1997, recognizing that stroke is the number three cause of death for American men and women, striking over 600,000 Americans each year; and

WHEREAS, The majority of Americans are not aware of the risk factors or the warning signs of heart attack or stroke; and

WHEREAS, Operation Heartbeat is a community-based program designed to decrease the number of deaths resulting from heart attack and sudden cardiac arrest by strengthening the Chain of Survival which is composed of four "links" which represent the sequence of events necessary to survive these health emergencies; and

WHEREAS, The four “links” of the Chain of Survival are: Early Access, which requires recognition of the signs and symptoms of a heart attack and placement of a 911 call; Early CPR, which is more likely to occur as more people are trained in administering this life-saving procedure; Early Defibrillation, which requires access to and training in the use of automated external defibrillators; and Early Advanced Care by medical professionals to stabilize the victim of a heart attack or cardiac arrest; and

WHEREAS, The national survival rate from sudden cardiac death is only 2 to 5 percent but cities with a strong Chain of Survival have survival rates as high as 20 to 30 percent, and an estimated 50,000 lives could be saved each year if that same survival rate was nationwide; and

WHEREAS, The American Heart Association has established an aggressive goal to decrease coronary heart disease, stroke and associated risk by 25 percent before the year 2010; and

WHEREAS, A step toward this goal took place in Nevada on April 30, 2001, when the American Heart Association hosted a Legislative CPR Training Day to train legislators, constitutional officers and staff who can now contribute to the Chain of Survival by sharing their knowledge and experience with the general public; now, therefore, be it

RESOLVED BY THE ASSEMBLY OF THE STATE OF NEVADA, THE SENATE CONCURRING, That the Legislature of the State of Nevada recognizes and commends the American Heart Association and applauds its community outreach program Operation Heartbeat.

Gracious God, we remember before You this day, Richard Morgan: friend, lobbyist, servant, brother in Christ; and Paul May, Jr., former Speaker of the Assembly. We hold in our hearts those whom we love but see no longer. May their spirits be so entwined with ours, that their passion for justice, peace and truth will shine forth, not just on our lips, but in our lives. In their honor we may forge friendships one with another and with the natural world, to discover a new affinity with beauty, with life, and with You, who made all things. In these earnest days when the work is heavy and the toil wearisome, lift up our hearts. O God, with the voices of our friends, present and past. WHEREAS, Following his service in the military, Paul May built a career as a real estate agent and broker and as a lobbyist for the City of North Las Vegas; and

WHEREAS, Paul May was first elected to the Nevada Assembly in 1966 and represented District 19 until 1984, addressing crime, tax relief and traffic as some of the major issues in Clark County; and

WHEREAS, As Speaker of the Assembly in 1979, Paul May was responsible for a memorable moment at the end of the 1979 legislative session when he put a towel over the clock so Assembly members would not get paid for an extra day of per diem as the session moved past midnight, resulting in legislative histories describing that as the year the Assembly lasted 134 days and the Senate lasted 135 days, even though they both ended at the same time; and

WHEREAS, Paul May chaired the Assembly Standing Committee on Taxation for 6 of the 10 regular sessions he served, and while he was Chairman in 1981, the Legislature approved the “tax shift” which lowered property taxes and raised sales taxes in reaction to a similar move in California, resulting in a reduction in Nevada’s property taxes to among the lowest in the nation; and

WHEREAS, In 1986, Paul May was elected to his 10th and final term in the Assembly, and, because of his expertise in tax matters, became known as the “Father of Bullfrog County,” with his sponsorship of legislation in 1987 that was designed to obtain additional federal money for the State of Nevada; and

WHEREAS, Paul’s commitment to his community is evidenced by his sponsorship of successful legislation to locate the first campus of the Community College of Southern Nevada in North Las Vegas and his appointments to the Clark County Commission in 1984 and the North Las Vegas City Council in 1985; and

WHEREAS, Paul was actively involved in his community through his membership in numerous organizations, such as the Las Vegas Elks, American Legion, North Las Vegas Township Democratic Club, the Air Force Association and the Masons; and

WHEREAS, As a resident of Nevada for 57 years, Paul’s love for this state, its past and present, led to his collection of Nevadiana and his fame as a known authority on Nevada history, particularly some of its fascinating, lesser-known details; and

WHEREAS, Often referred to as a genuine “Virginia Gentleman” by his colleagues, Paul’s political leadership and character were noted by former Governor Mike O’Callaghan who remembered him as a “low-key leader who seldom, if ever, raised his voice” and “accomplished a great deal in the Assembly by example”; and

WHEREAS, Paul W. May, Jr., is survived by a son, Paul W. May III, two daughters, April Phillips of North Las Vegas and Sandra Torres of Texas, and four grandchildren; now, therefore, be it

RESOLVED BY THE ASSEMBLY OF THE STATE OF NEVADA, THE SENATE CONCURRING, That the members of the 71st session of the Nevada Legislature do hereby extend their sincere condolences to the family and friends of former Speaker of the Assembly Paul W. May, Jr.; and be it further

RESOLVED, That Paul W. May, Jr., will not only be remembered as an Assemblyman who for 20 years displayed his dry wit and jovial nature, and for his willingness to do the unusual to get the work done, but will also be remembered as an elected official who dedicated his life to public service; and be it further

RESOLVED, That the Chief Clerk of the Assembly prepare and transmit a copy of this resolution to the children of Paul W. May, Jr.

Assemblyman Price moved the adoption of the resolution.

Remarks by Assemblymen Price, Chowning, Gibbons, Ohrenschall, Marvel, Dini and Collins.

Assemblyman Parks requested that the following remarks be entered in the Journal.

ASSEMBLYMAN PRICE:

Thank you, Mr. Speaker. There’s only three of us left right now, in this body, that were here when Paul was here. The resolution speaks to what a wonderful legislator and fellow person he was. What a great sense of humor he had. He was the kind of legislator we would all like to be. Paul, of course, as the resolution indicates, was from North Las Vegas which is where I’m from and started. He was certainly someone I looked to and who taught me a lot of things over the years. While it doesn’t mention it, one thing I think is worth mentioning is his wonderful wife “Bubbles” who preceded him. She was a joy, also, here in the legislature during the sessions in working with everybody during that 18 years.

I got to thinking this morning, about when we covered the clock. I came to the realization, perhaps we should have done that with some of our deadlines we were going wacko trying to get bills over to the Senate. We could have covered the clock and maybe gotten an extra day and maybe wouldn’t have been so tense. Anyway, as I say, there are only three of us left here.

However, in the building, there are more in the Senate, and even among our fellow lobbyists, who work with us: Bob Barengo and Roger Brimmer, Jack Jeffrey, Alan Glover, Jack Vergiels, people we see every day, who, if you were to ask them, would remember working with Paul May.

The resolution mentions Bullfrog County. I have to tell you, I'll never forget when Bullfrog County came in to being. And for those who maybe heard a lot of jokes about it, the idea was really very good. What Paul actually did was carve out Yucca Mountain and get the legislation done we passed—later on it was reversed. Even though it was kind of cute having the name “Bullfrog”, Bullfrog was actually a mine. You can stand up on top of Yucca Mountain and you can look down to the Bullfrog Mining District. He took Yucca Mountain and made Bullfrog County out of it. Then, in the statutes, his intention was that if they were going to store nuclear waste, which was already being talked about and started at that point in time, we would be able to charge a tax on it and the state would make some money. So, that's how Bullfrog County came to be. It was a good idea, but it didn't go at that time. I noticed the other day as I was down at the Rite-Aid drugstore, that somebody had stolen the idea so I guess we didn't have a law against it. I found some Bullfrog sunblock that someone is now selling. I want to present this to you in memory of Bullfrog County. Anyway, we sure urge you to support this resolution to one of our former Speakers.

ASSEMBLYWOMAN CHOWNING:

Thank you, Mr. Speaker. It is a privilege for me to stand here today memorializing one of our legends of North Las Vegas. He moved to North Las Vegas 67 years ago and until the day he passed away, he was a proud resident of that city. When I was preparing remarks to be one of the speakers at his memorial service earlier, I asked several of our former colleagues to give us some words about the legendary Paul May. One of our colleagues said he went to him because he really was such a gentleman, such a mentor and also had wonderful words of advice. He said, “What do I do? I'm just a new guy and all these lobbyists just keep coming to me. How do you deal with them?” Paul said, “Son, if you can't drink their drink and eat their eats the night before, turn around and vote against them the next morning, then you aren't meant for this business.” He said he carried those words with him; they put a real sense of reality to the whole picture. But until he passed away, he was loving, absolutely to his beloved wife and to all the residents of our wonderful city. I want to say today, again, thank you to the family and God bless Paul May.

ASSEMBLYWOMAN GIBBONS:

Thank you, Mr. Speaker. I rise in honor of this resolution honoring a wonderful public servant, Mr. Paul May. Seems like the more we change the more we stay the same. This former Assemblyman, Mr. May, reminds me of our own Taxation chairman, because he championed the great tax shift of local government property taxes. In saying that, I think he made many wonderful accomplishments.

I think the building department raised that clock a little higher because our Speaker is quite a giant in our eyes and he might have done something with that for this session.

ASSEMBLYWOMAN OHRENSCHALL:

Thank you, Mr. Speaker. Although I did not serve with Paul May, Paul May and his wife were close personal friends for many years. He was an inspiration in politics and he always had an open door to help anyone that needed help and I join everyone else in supporting this resolution.

ASSEMBLYMAN MARVEL:

Thank you, Mr. Speaker. I, too, rise in support of ACR 29. I started serving with Paul on the Taxation Committee in 1979. You might say Paul was kind of my mentor on taxation. The thing that really stuck in my mind about Paul was about how meticulous he was starting his meetings and how courteous he was to the witnesses that appeared before the Taxation Committee. Not only that, Paul probably knew more Nevada history than most of us combined. Paul was certainly missed when he left service here and I always cherished him as a very close friend.

ASSEMBLYMAN DINI:

Thank you, Mr. Speaker. I must rise in support of this resolution. I met Paul May on the third Monday of January in 1967, when we came into the Assembly together. We were in a class of 17 new members that year. It was the year after reapportionment and we had a big, big turnover because of reapportionment. That was my first lesson in watching guys get put in the same district. The Senator in my area got put into a district from Fallon. Half of them didn't come back. We had a great class that year. Keith Ashworth was a member of it, from Las Vegas. We formed an alliance early. Henderson and North Las Vegas were kind of the orphans of Clark County at that time. They've grown up a lot since then and now have become big, big-shots, but at that time they were like a "cow county." They didn't have many people and used to have to do a lot of talking. They didn't have any "juice" in Clark County. They became part of the rural county delegation at that time. And that's how we became such great friends. We did a lot of enjoyable things together. His wife Lucille was a personal friend of my wife's and I, and also the Chief Clerk Emeritus, of course, served with him as Speaker. I've got to tell you how he became Speaker, though—he beat me. I was Speaker in 1977 and in 1979 Paul was the Speaker. I was the ex-Speaker. But I didn't give up because I came back.

My memories of Paul are all fond. He was an excellent legislator, just first class. I think we went through the Scottish Rite at the Masonic Temple in Reno together in 1979. Although we were kind of foes during that one period of time when he took over as Speaker, we were always friends. It was a friendly engagement we had and he won. I think that probably I talked too much or I put my foot in my mouth. Since then I've learned not to do that near as much as I did at that time. I think I thought I was a big-shot because I was Speaker in 1977. Paul put me down there a little bit. He treated me nice. He gave me back my chairmanship of Government Affairs and put me on Taxation—which I never want to serve on again. I hate that subject. We worked together all those years and we were always on the same side of the issues. He was a great leader. He was a great gentleman. He always treated everyone like a gentleman. I was very proud to say I knew Paul May and I worked with him and I certainly miss him.

ASSEMBLYMAN COLLINS:

Thank you, Mr. Speaker. I must rise, also, to support this resolution for Paul May. Back when I was on the Planning Commission of North Las Vegas, he was willing, when I would ask, to give good advice. He stood up and explained how things worked. He stepped up in our community, in Clark County to take an appointment on the Clark County Commission when it was in need of leadership. He took up a position on the North Las Vegas City Council when North Las Vegas was really in a struggling situation. He probably helped them turn around and get out of their no growth mode and into a more viable community. He did so many things for so many people. He lived in my district for a few years. He and "Bubbles" had their annual New Year's Eve parties and did so many other friendly things throughout the neighborhood as well, that I'm sure he'll always be remembered in our family as a wonderful person that gave great advice and helped make Nevada a better place for us today.

Assemblyman Anderson moved the adoption of the resolution.

Remarks by Assemblymen Anderson, Carpenter, Dini, Gibbons, Giunchigliani, Humke, Ohrenschall, Collins, Marvel, Manendo, Buckley, Price and Mr. Speaker.

ASSEMBLYMAN ANDERSON:

Thank you, Mr. Speaker. Dick Morgan was someone I had the opportunity to first meet in my first year of teaching, when he, as Executive Director of the Nevada State Education Association, put on a workshop for teachers who would be concerned with the enforcement of contract language and teacher grievances. I was a first year teacher at a junior high school, and my colleagues felt it would be only fitting, being the new guy on the block, that I would have to go to the meeting because none of them felt they should have to go because they already knew it. Having heard Mr. Morgan's presentation, I became inspired to make a career change and stay in education rather than divert myself to what I thought was going to be a temporary career as a teacher. I became permanently a life-long teacher.

The contribution one individual makes to another can hardly be measured. How frequently life's paths cross. It's always an amazing thing to me. Mr. Morgan led me to believe that, indeed, we had a responsibility to look out for one another in our classrooms; that the purpose of an association was not just to bargain for more money, which is often characterized that way, but to look out for the welfare of children. The purpose of that association was to be concerned about the rights of children and the adults who teach in those classrooms, so that they might teach and not be concerned about the wherewithal to keep their families together. They knew they had a strong association and people like Dick Morgan there to look out for them.

When I was first elected to the Legislature, once again, I had the opportunity, to my great surprise, to see that Mr. Morgan was returning to Nevada, that his daughter, in fact, was an integral part of the legislative system. Immediately I felt a kinship bond that could not be broken. When Speaker Emeritus Dini asked me to chair the Judiciary Committee, I was greatly honored. On my very first day on that session in 1995, my colleagues from school had presented me with a gavel that was characterized as an apple. I brought it to committee and set it there and felt I would use it to gavel together the committee every day. Everybody recognized that it was unusual not to have an attorney sitting in that seat, especially with so many worthwhile, strong attorneys on that committee. Mr. Morgan calmly reminded me after committee that I need not bring the apple to committee again. No one had to be reminded that I was a teacher. We all knew it. Many times he asked me to "Please cut your comments shorter. Please, sit down so that we all might love you," was his constant refrain.

Though I have tried to take his message to heart many times, apparently I have failed to a certain degree in that regard. Dick Morgan was a competitor. Dick Morgan was the type of person who empowered people with the belief that they could make a difference. In requesting this small, little token, it is with heartfelt feeling that I look to the greatest generation, that great generation who made life easy for all of us. It's on those shoulders that we stand in order to see tomorrow, to make a difference today. Dick Morgan was that kind of person. He was always up for the game. Some of you know how much I enjoy these funny, ridiculous ties I wear. This morning when I looked in my closet, trying to find out what new and different tie I would wear,

whether it would be a baseball player or a golfer, I looked down and saw the tie with its goofy golfer on it and said, "That has to be a Dick Morgan tie." Dick Morgan would have appreciated a sense of humor, a sense of accomplishment, a sense of a competitiveness, but most of all, a sense that what we do every day makes a difference. For that, I think that this resolution should be adopted.

ASSEMBLYMAN CARPENTER:

Thank you, Mr. Speaker. I rise in support of ACR 30. Dick Morgan was my friend. Most of you might know I don't really get close to too many people other than my family. But, Dick Morgan, he was my friend and it's hard. I don't know how to put the words together that show the respect and admiration I had for this man. In Judiciary, he was always there in the same seat, so it's kind of difficult to not have him there this session. I will always remember him and especially want to thank him for giving us Kim.

ASSEMBLYMAN DINI:

Thank you, Mr. Speaker. I certainly rise in support of ACR 30. I started working with Dick when he was representing the teacher's union. I was chairing Government Affairs. What the heck does a guy from Yerington know about collective bargaining and grievance procedures and all that. You settle all the things like that out in the cow country, in those days, one way or the other with words or fists. One thing about him, he always made me think that I knew something. He would explain it to me, then I would have to have him come back and explain it to me again, again and again so that I finally got it in my head. We had a great working relationship. Sometimes we were on opposite sides. His last couple of sessions when he was representing the trial lawyers. I think I was on some kind of crusade like tort reform or something like that. I don't think it went too well with his employers, but he and I got along perfectly on the issue because we agreed to disagree early. He gave me a lot of inspiration too. Early on, when I was chairing Government Affairs, he said, "Why don't you come down to Tonopah. We are having an NSEA meeting down there. Come see how we operate." I drove down there and he had the Association present me with my "Friend of Education" award. I can't remember which year. We had quite a personal and working relationship. I watched Kim grow up. She's kind of like a daughter, actually, to me, because she has been here a long time and I've watched her mature into the outstanding attorney that she is. I've known his wife for a long time. It's just a wonderful relationship with him and his family. So I must say that I certainly miss him. He did a lot for the State of Nevada. He did a lot for the kids in this state. He did a lot for the people in this state because he fought for the people and that's what we miss: the quality guy that he was; his honesty and integrity; his willingness to do things for kids and people. Thank you, Mr. Speaker.

ASSEMBLYWOMAN GIBBONS:

Thank you, Mr. Speaker. I rise in support of a great hero and wonderful legislative advocate, Dick Morgan. I remember hearing one time Jacqueline Kennedy say that with all the accomplishments she and her late husband had made, she knew where her real legacy would be based, and she would be judged by the way she raised her children. I think that is the legacy that Dick Morgan left. He left us, this body, with a Nevada treasure, his wonderful daughter Kim. And, I guess, he had enough to pass around because he gave Oklahoma a great physician in Randy.

ASSEMBLYWOMAN GIUNCHIGLIANI:

Thank you, Mr. Speaker. Unlike my colleague from Sparks, I'll attempt to learn from Mr. Morgan and keep this somewhat brief. My husband, when I first met him, actually gave me the history of NSEA. Two names that had come up at that time were Dick Morgan and Dick Vanderwoody. I think they had struggled through the whole Dodge Act that the Speaker Emeritus had referred to. But really, in my mind, what Gary tried to convey to me, was really Mr. Morgan's humanity. He always felt very touched in having the wonderful opportunity in having met your dad. When I had the opportunity to serve here, I met him. Probably one of the first people I met in the halls. I have to tell you, the warmth and idealism and the kind and tender

smiles will be what I will always remember about him. As my colleague just said, he passed that on to his family and thank you very much for sharing him with us.

ASSEMBLYMAN HUMKE:

Thank you, Mr. Speaker. I rise in support of ACR 30. I would only second the remarks that many of the members have made about Mr. Morgan. I was not aware that he had put on a uniform twice for the United States Army to serve our country. We all thank him for that. I remember from my service on the Judiciary Committee one trait he exercised nearly daily. That was, regardless of the issue, when we sometimes got bogged down in discussing issues he always brought order from that chaos. I remember especially his voice, his voice was as smooth as malted milk. It was a joy to listen to him. I also thank him for the family trait that he passed on, which was his exquisite graciousness and kindness. Thank you, Mr. Speaker.

ASSEMBLYWOMAN OHRENSCHALL:

Thank you, Mr. Speaker. I, too, rise in support of ACR 30. I'll try to keep it very brief. It was my privilege and a learning experience to know Dick Morgan. I think we can just say that knowing his depth of knowledge, his kindness, his empathy, he was in every respect a gentleman who was proud of our state, our Legislature, and was so proud of his daughter, Kim.

ASSEMBLYMAN COLLINS:

Thank you, Mr. Speaker. When I came here in 1993, I served on the Judiciary Committee and I've been on that committee every time I've been elected. One of the first persons that came up and spoke to me as a legislator was Dick Morgan. He was so kind. Many times afterwards in that first session he was so helpful to me. I knew coming up here this time to go in the new Judiciary Committee room would be different. It definitely has been a different committee without Dick Morgan there to guide our committee. Especially as an individual, I respected him as probably one of the greatest men or persons that ever lobbied in this building. He was just so honest and so caring to so many good people. He was so helpful in the many things we have done. I know there has been a difference this time without him being here. I acknowledge his family for the wonderful love you shared from that man to us. Thank you.

ASSEMBLYMAN MARVEL:

Thank you, Mr. Speaker. I, too, rise in support of ACR 30. I'd like to convey to Kim and her family that I knew Dick when I was on the Tax Commission. Of course, he left the State of Nevada. But it was such a delight to have him come back to the state and work around these Legislative halls. I have to echo what my colleague from Elko said. He was one of the people around here that you truly regarded as our friend. He is one person that I truly and dearly miss. I want the family to know that. He was perhaps one of the finest gentleman that I've ever known in my life. He is truly, truly missed by many of us.

ASSEMBLYMAN MANENDO:

Thank you, Mr. Speaker. I rise in support of a true gentleman. He was soft spoken but he certainly knew his business. During my freshman year, I always used to look in the Judiciary Committee, and as my colleague from Elko County said, he would be in that same seat. He would pull that other chair forward and lean over and he would just watch and observe and take all those mental notes. Mr. Morgan had much confidence in the legislative process. He also had much confidence in people. One of the people he had confidence in was me. As a scared young freshman, he would always come up to me and put his arm around me, in a hugging fashion and say, "It's going to be okay. You are doing fine. Just keep up the good work." I owe him a debt of gratitude for his love and devotion to our state and to myself as someone who was trying to struggle along and fit in, in this process. For that, I will always thank him for his love and support and confidence. Thank you.

ASSEMBLYWOMAN BUCKLEY:

Thank you, Mr. Speaker. Intelligent, full of integrity and strength, diligent, compassionate, these are but a few of Dick Morgan's attributes. All of the people for whom he labored benefited from him and his attributes. We will miss him. We will remember him and his legacy through

the halls of these buildings for years. Every time that Kim helps us make order out of chaos we will remember from whom she learned it.

ASSEMBLYMAN PRICE:

Thank you, Mr. Speaker. All of the memories that have been mentioned today are so true. Dick was as fine a person as we could ever deal with. Over the years, Dick had a great deal to do with making this body what it is today. You learn from folks that have been around, those you can talk to, and those who are as honest, kind, and loving to the whole system as Dick was. Like many of us have said, he left us his wonderful “baby” to help us carry on. This is a wonderful resolution and it is a privilege to be able to rise in support.

Mr. Speaker requested the privilege of the Chair for the purpose of making the following remarks:

I share the challenge of the member from Elko in that I find myself unable to properly put into words what Dick meant to me. Everything that has been said this afternoon is true.

We all face new challenges in this process, whether it is as a freshman, in a new leadership position, or as a committee chair. Dick was the person that always gave me the confidence I needed to move on to a new challenge. As scary as a new challenge can be, he was the person that provided the calming effect. He was always so low-key that his demeanor alone provided the confidence that we all looked for. There are a number of very, very difficult decisions that we make in this body. Dick was the one that was always there, around the corner, in the hallway, in committee, or in your office providing that additional confidence that you were making the right decision.

Lastly, I would say that we all get compliments from many of the folks in this building. Some of them are self-serving, but with Dick you always knew that when you got a compliment it was sincere. His compliments were something that you could take to heart.

Assembly Concurrent Resolution No. 2.

Assemblywoman Cegavske moved the adoption of the resolution.

Remarks by Assemblywoman Cegavske.

Assemblyman Hettrick requested that the following remarks be entered in the Journal.

ASSEMBLYWOMAN CEGAVSKE:

This resolution identifies inequities in health care, discusses the unequal medical treatment of men and women. It advocates for appropriate action to achieve improvement and equal access for women to quality health care. It identifies ways in which equal access may be achieved. Finally, the measure commends the Women in Government organization for its leadership in calling for action on these issues.

As we did at the luncheon, yesterday, we would like to dedicate this Resolution in the memory of Jan Evans and in the honor of Vivian Freeman for their dedication in support of health issues for Nevadans. I can't think of two legislators who deserve recognition more than these two. Whenever I think of health care issues in Nevada I think of Jan Evans and Vivian Freeman. I am reminded of the years they both spent on women's, men's, and children's health care. I want to thank them and commend them, so I do this in honor of them.

I would like to share a few statistics to give you a rationale of why this is so important. To all the men, I want to emphasize that you are sons, brothers, husbands, and fathers. I urge you to encourage your mothers, sisters, spouses, and daughters to learn about their health care needs. Women make between 70 and 90 percent of the health care decisions in American households, and spend almost two of every three healthcare dollars in America. Even though we make the decisions and spend the money—we neglect our own healthcare needs.

This resolution is designed to promote equality between men and women in health care. It is especially important to me as my mother was diagnosed with colon cancer and through early detection she is still alive today. She has also been diagnosed with Alzheimer's disease and my mother-in-law was diagnosed with breast cancer in the 1950s and again in the 1990s. The amazing thing for her was the drastic difference between the treatments for breast cancer in the '50s as compared to the '90s. Women are at higher risk for cardiovascular disease, osteoporosis, rheumatoid arthritis, and depression, among other conditions.

This resolution will make various changes to women's health care: make access to diagnostic procedures more equal; raise awareness of women's health care needs; increase the number of women covered by comprehensive health care insurance; increase and encourage education and research improving quality of care for women.

I urge your support. Thank you, Mr. Speaker.

Resolution adopted unanimously.

Mr. Speaker presiding.

Roll called.

All present except Assemblyman Carpenter, who was excused.

Prayer by the Chaplain, Pastor Albert Tilstra.

Hear, O God, the earnest supplications of the members of this body, gathered for this sacred moment of prayer and deepen our feelings of unity and fellowship as we pray with them and for them. Give us wisdom to see that no good life comes without right discipline. Give us the grace to impose it upon ourselves, lest others do it for us. Help us to discipline our speech, that we may seek clarity rather than cleverness and sincerity instead of sarcasm. Help us to discipline our thinking and our actions that in this place people may see democracy at its best and us at our best for democracy. May You use us to these ends.

AMEN.

Pledge of allegiance to the Flag.

REMARKS FROM THE FLOOR

Assemblywoman Berman requested that the following remarks be entered in the Journal.

ASSEMBLYMAN HUMKE:

Thank you, Mr. Speaker pro Tempore. It is my pleasure today to announce there is a young lady in our presence who has become an adult on this date. She is Lindsey Nunn, the intern of Ms. Gibbons, and she is 21 today. Instead of going out to sample some of the things 21-year-olds can in our society, she has decided to spend the day here, with you, Mr. Speaker pro Tempore. She is excited about her day and there is a cake in the kitchen she would like to share with everyone. Please congratulate Lindsey on her birthday.

ASSEMBLYWOMAN GIBBONS:

Thank you, Mr. Speaker. I just have to rise in recognition of Lindsey Nunn. I am turning this way so that she can read my lips, and I have to tell you she is pretty good, she can also read your lips a lot of the time. I want to wish her a very happy birthday. She is my hero. I went to Swope Middle School the other night and her sister was the main speaker. She talked about commitment and how people can affect your life and make a difference. She had us all in tears because she talked about the person who had made such a big difference in her life, her older sister, Lindsey Nunn. Lindsey has had unbelievable challenges in her life; she was born with no hearing. It is hard to imagine how it would be, never to hear music, never to hear the voice of your mother. Her mother said, "It took a long time for her to learn to talk, but now we can't shut her up." Lindsay is not with the usual intern program, but has come here at her own expense because she is very committed to good government. I hope someday she will take up the cause and run for public office because I do believe she would be a wonderful public servant. In spite of the obstacles in her life, Lindsey has done great things. We are very happy to have her here.

Thank you, Mr. Speaker. I rise in support of SB 36. I think it is a positive step when you can allocate some money into schools for library books. For the record, I wanted to see the money be given—first shot, first priority—to the disadvantaged, at risk schools. What I believe is going to happen is that the chairman of Senate Judiciary and myself are going to send a letter to the school districts asking that they give preference to those schools. ASSEMBLYMAN PERKINS:

Thank you, Mr. Speaker pro Tempore. I felt I should rise and explain my opposition to these types of bills, at least for the record, once this session. We do have a number of license plates in our state, not all of them are the special license plates that are processed by our Transportation Committee. There are plates that honor our veterans, Pearl Harbor survivors; all are very, very worthy causes which I have no quarrel with. We have added UNR, UNLV plates, firefighters

plates, arts plates, Lake Tahoe plates, our own legislative plates. There are constitutional office plates, the blue plate, the silver plate, the new plate and the commemorative plate. Plates are everywhere.

Let me suggest that one of the reasons we have license plates for automobiles is to identify the automobile. We have gone beyond that. I understand this plate, at least as the potential design was shown to me, has many of the same colors—reds and oranges—as the current firefighter's plate. This makes it difficult to discern one plate from another. We have 50 states in this Union, the Canadian provinces, and the Mexican states—all of which are identified by a license plate or plates. Oftentimes an officer in the street is trying to identify a car with a felon, a crime committed, a stolen car, or just a routine traffic stop. It's not until you are very, very close, sometimes not even then, that you are able to identify the state, the type of plate, or the characters on that plate in order to provide safety for the officer. The information is then communicated to the dispatch center in order to identify who is in the vehicle. It is becoming more and more difficult to identify that vehicle for the safety of the officer. To me that is what the license plate was for, to identify a car with an owner.

The other difficulty we encounter is this has become more of a vanity or an identifier for what someone believes in or wants to do. There are a number of ways you can identify your automobile. You can create different placards to put on your automobile. I would submit to you and this body, Mr. Speaker pro Tempore, that identifying causes was never the reason for the license plate. Lastly, I think that when we look at all of the very honorable license plates we have, the very worthy causes, the folks that we originally wanted to honor—Pearl Harbor survivors and veterans—that adding more and more license plates diminishes the honorability of that particular designation. For all of these reasons I consistently vote against license plates, regardless of their cause or sponsor. Thank you, Mr. Speaker pro Tempore.

REMARKS FROM THE FLOOR

Assemblywoman Cegavske requested that her remarks be entered in the Journal.

Thank you, Mr. Speaker. It is my pleasure to introduce to you two of my good friends, Chuck and Carol Phillips. They have been in Las Vegas for nine years. They came from Wisconsin where Chuck was a lobbyist for several non-profit organizations. He represented education, religious groups, charities and hospitals. Carol was a registered nurse. In Wisconsin she developed the Senior Program at St. Mary's Hospital. They lived in my district for several years, have since moved to Summerlin and reside in District 4. It was interesting to hear Chuck talk a little bit about the differences in Wisconsin. They have 99 members in their Assembly, no lobbyists are allowed on the Floor, and it is very noisy in the chambers. Their Assembly is not required to wear suits; however, the Senate must. Please make them feel welcome.

CARSON CITY (Wednesday), May 9, 2001

Assembly called to order at 11:22 a.m.

Mr. Speaker presiding.

Roll called.

All present.

Prayer by the Chaplain, Pastor Albert Tilstra.

We know, our Father that there is a time to speak and a time to keep silent. Help us to tell the one from the other. When we should speak, give us the courage of our convictions. When we should keep silent, restrain us from speaking, lest, in our desire to appear wise, we give ourselves away. Teach us the sacraments of silence that we may use them to know ourselves and, above all, to know You. Then shall we be wise. Through Jesus Christ our Lord.

AMEN.

Pledge of allegiance to the Flag.

Assemblyman Arberry moved the adoption of the resolution.

Remarks by Assemblymen Arberry, Ohrenschall, Gibbons, Collins and Dini.

Assemblyman Williams requested that the following remarks be entered in the Journal.

ASSEMBLYMAN ARBERRY:

Thank you, Mr. Speaker. I'm honored today to be able to stand before this body in recognizing a leader in our community known as "Woody." As a young man growing up just five houses away from Woodrow Wilson, I watched him many, many days pass my parent's home. He always had a brand new Cadillac. He was always cruising in his car with a nice brim and he was always known to be a snazzy dresser. Woody was a hard worker in the community and he represented us very well. Being the Assemblyman from District 7, he was the first African American that came before this body. I was talking to the lady sitting next to me and she said that she was here when Woody was serving and, I tell you, it seems just like yesterday. It was a great loss to lose Woody.

Woody and I also attended the same church, which was the Second Baptist. As I grew up, I never thought I would be standing up in this House and I think he was pretty much shocked himself because I was the bad little boy who threw rocks at his Cadillac. He didn't take too well to that. Mr. Speaker, I'm not saying too much about Woody, but he was the first to see Democrats and Republicans to come together, when he switched from a Democrat to become a Republican. The Democrats came out to support the Republican. We did not have too many black Republicans at that time. We thought we were going to have an uphill fight for the seat he was trying to achieve. He was so well liked in the community, that when he did become Republican, it didn't matter. All of us knew he would represent us all as a Republican, as he did when he was a Democrat. I just wanted to say that Woody will always be missed and he will always be recognized as one of the key leaders of the community. Thank you, Mr. Speaker.

ASSEMBLYWOMAN OHRENSCHALL:

Thank you, Mr. Speaker. I, too, rise in support of ACR 32. I knew Woodrow Wilson for many years when he ran the Westside Federal Credit Union. I ran the legal clinic for Westside Federal Credit Union for all the members there. I think one of the things he understood, that a lot of people perhaps haven't, is that in our fights to achieve equality in this country what is important is financial empowerment. When he brought that credit union into the West Side, the African American community of Las Vegas, what he was saying was, "Hey, we have a right to have credit, too—we people who live here." By doing that, he opened a lot of doors for an awful lot of people. He was a wonderful person. He knew no difference of any human being: white, black, Democrat, Republican, whatever their religion. He set an example that many, many people will have to work very hard to equal.

ASSEMBLYWOMAN GIBBONS:

Thank you, Mr. Speaker. I rise in support of this resolution honoring Woodrow Wilson. I guess, for the majority of those in this body, he was "your" kind of Democrat. For me, he was my kind of Republican. I think it's very clear by his stand and how he fought so hard for all people and for people of all colors. He was a great man of integrity and I am very pleased we are honoring him. Thank you.

ASSEMBLYMAN COLLINS:

Thank you, Mr. Speaker. I rise in support, too, of the resolution honoring Mr. Wilson. He helped my neighborhood; he helped the kids in my neighborhood. It was good for our community. He helped my mom and a lot of issues when she was a foster parent and active in the community. When he switched parties it did not matter. He was a good guy and one that definitely did a lot of good things. I just wanted to show my support. Thank you.

ASSEMBLYMAN DINI:

Thank you, Mr. Speaker. I rise in support of the resolution. Woody and I came in here together in 1967 in our first session together. He was a great leader. He did a lot of good things for the African American community, but he did a lot of good things for the State of Nevada as

well. He fought hard for what he believed in. It is certainly my privilege to have served with him and to have called him a friend of mine.

Resolution adopted unanimously.

Assemblyman Arberry moved that all rules be suspended and that Assembly Concurrent Resolution No. 32 be immediately transmitted to the Senate.

Motion carried unanimously.

MOTIONS, RESOLUTIONS AND NOTICES

By Assemblymen Bache, Anderson, Angle, Arberry, Beers, Berman, Brower, Brown, Buckley, Carpenter, Cegavske, Chowning, Claborn, Collins, de Braga, Dini, Freeman, Gibbons, Giunchigliani, Goldwater, Gustavson, Hettrick, Humke, Koivisto, Lee, Leslie, Manendo, Marvel, McClain, Mortenson, Neighbors, Nolan, Oceguela, Ohrenschall, Parks, Parnell, Perkins, Price, Smith, Tiffany, Von Tobel and Williams; Senators Shaffer, Amodei, Care, Carlton, Coffin, Jacobsen, James, Mathews, McGinness, Neal, O'Connell, O'Donnell, Porter, Raggio, Rawson, Rhoads, Schneider, Titus, Townsend, Washington and Wiener:

Assembly Concurrent Resolution No. 33—Designating May 20 through May 26, 2001, as U.S. Merchant Marine and U.S. Navy Armed Guard Remembrance Week.

WHEREAS, The U.S. Merchant Marine has faithfully served our country in times of war and peace, transporting troops, weaponry, supplies and equipment to every corner of the world; and

WHEREAS, The Merchant Marine has helped win wars and maintain peace by providing necessary materials, food and supplies to assist many other nations in rebuilding their countries and economies; and

WHEREAS, During World War II, the Merchant Marine transported troops and delivered 75 percent of all military equipment and supplies to battle fronts throughout the world in the face of

attacks by the enemy and violent seas, without the benefit of sonar equipment to enable them to detect the enemy; and

WHEREAS, Of the relatively small volunteer force of about 250,000 during World War II, at least 8,651 Merchant Mariners were killed at sea, over 11,000 were wounded with 1,100 dying from wounds, and 604 were taken as prisoners of war of whom 61 died in POW camps; and

WHEREAS, For their heroic efforts during World War II, President Franklin Delano Roosevelt recognized the Merchant Mariners as an essential part of the history of the country's sea power and said the Mariners "have written one of its most brilliant chapters. They have delivered the goods when and where needed in every theater of operations and across every ocean in the biggest, the most difficult and dangerous job ever undertaken. As time goes on, there will be greater public understanding of our merchant's fleet record during this war"; and

WHEREAS, The U.S. Navy Armed Guard was established to protect the Merchant Marine ships from enemy ships, aircraft and submarines by providing gunnery protection and communication services; and

WHEREAS, Many of the members of the Navy Armed Guard had never seen the ocean before being assigned to a Merchant Marine ship, yet they served side-by-side with the Mariners under difficult and extremely dangerous circumstances, often without a doctor on board the ship; and

WHEREAS, The U.S. Merchant Marine and the U.S. Navy Armed Guard worked as a team to provide a vital link between our fighting forces overseas and the home front, each suffering one of the highest ratios of death among the armed services in World War II, with many being lost at sea, their fates unknown; now, therefore, be it

RESOLVED BY THE ASSEMBLY OF THE STATE OF NEVADA, THE SENATE CONCURRING, That the Legislature does hereby designate May 20 through May 26, 2001, as U.S. Merchant Marine and U.S. Navy Armed Guard Remembrance Week; and be it further

RESOLVED, That the Legislature encourages all Nevadans to join in this observance, to coincide with National Maritime Day on May 22; and be it further

RESOLVED, That the Chief Clerk of the Assembly prepare and transmit a copy of this resolution to Bill Erin, Secretary of the Las Vegas Chapter of the American Merchant Marine Veterans, for appropriate distribution to all Nevada media and interested organizations.

Assemblyman Bache moved the adoption of the resolution.

Remarks by Assemblymen Bache and Neighbors.

Assemblyman Collins requested that the following remarks be entered in the Journal.

ASSEMBLYMAN BACHE:

Thank you, Mr. Speaker. As the resolution points out, the Merchant Marine and U.S. Navy Armed Guard Remembrance Week is the 20th through the 26th of May. The contributions to our country, particularly during World War II, of the Merchant Marines and the U. S. Navy Armed Guard is extremely important. Without their help we might not have been able to win World War II. I know we have colleagues here who could probably testify to that firsthand. I thank you.

ASSEMBLYMAN NEIGHBORS:

Thank you, Mr. Speaker. I rise in support of ACR 33. I just heard a few weeks ago that this resolution was going to be heard this session. I was both pleased and surprised. Pleased, because I'm sure everyone had heard about the fantastic job the Merchant Marine had done, but a little surprised because of the Armed Guard. I know that, as a Navy person, people would ask, "What's an Armed Guard?" As indicated in the resolution, most of the armed guards were made up of about eight or ten, usually very junior sailors, who had training in gunnery; and, if you were lucky, sometimes you might have one very junior officer on board with you.

At the risk of dating myself, although I left the Navy after the Korean War as a Navy pilot, my very first tour of duty in the Navy was as an apprentice seaman in the Armed Guard. I don't know if anyone knows what an apprentice seaman is, but that's about the lowest grade you can start out as in the Navy. To show you how badly they needed bodies in those days I would point out that we are here 120 days; my buddies and I joined in Seattle—within 120 days we had been

through boot camp in Chicago and had been through gunnery school in Little Creek, Virginia. We had been assigned to a ship at the Brooklyn, New York Navy Yard called the “Slaughter Dike.” We were all very young and that name got our attention. We had made a tour into some very troubled waters and got home, all within 120 days. Well, when we got back, I was assigned to flight training. My buddies went to another Merchant ship. They are going to have their reunion this year and although I’ve never been able to make any of those reunions, they certainly will get a copy of this resolution from the State of Nevada. I urge your support.

I might add that when they talk about the Merchant ships, some of those Liberty ships were actually launched and put into service in less than 30 days. In many cases, they wouldn’t even outrun the U-boats. They used to have to zigzag into those areas just to throw off the submarine commanders as far as getting a fix on your relative motion. I urge your support. I think this is a great resolution. Thank you.

Resolution adopted unanimously.

MOTIONS, RESOLUTIONS AND NOTICES

Senate Concurrent Resolution No. 39.

Assemblyman Dini moved the adoption of the resolution.

Remarks by Assemblymen Dini and Hettrick.

Assemblyman Parks requested the following remarks be entered in the Journal.

ASSEMBLYMAN DINI:

We want to make special recognition of this historic event. My dad came to America in 1911. He came through Dayton on the way to Yerington and Smith Valley, where he worked as a young boy of fifteen years of age, in the potato fields. He worked for Ambrose Ashey, picking potatoes for fifty cents a day, from sunup to sundown. His foreman taught him how to speak English while he was working out there.

There's a lot of history involved in Dayton, Genoa, and Carson City. It's a great history involved in Nevada's history. We know that a lot of good people came to these areas and the history of Dayton is especially memorable to me, personally because of the events that happened there in that community. The fact is, they accuse Yerington of burning the courthouse down a few years back so that we could have the county seat moved from Dayton to Yerington. I don't think that's true. I think it just burned down. However, there's a rich history here. My distinguished colleague from Gardnerville and I have a long term battle going here because I think Dayton is the oldest community in the state and he thinks Genoa is. That battle will continue to go on for many, many more centuries between us.

This is a great area. The Comstock, the area of Genoa and all these areas, like Carson City. They really represent the long-term history of our state. I just stand in support of the resolution.

ASSEMBLYMAN HETTRICK:

Thank you, Mr. Speaker. I, too, rise in support of SCR 39. I appreciate the comments from the Speaker Emeritus. Perhaps you remember two years ago there was another resolution, as I recall, trying to determine or recognize the oldest permanent settlement. There has been a great deal of debate between the two communities. A good-natured debate, but serious at the same time. I guess I would point out that Genoa and Douglas County are indeed in Assembly District 39, so I find it particularly appropriate that this is SCR 39. I would indicate that probably has some hidden meaning as to the real value of which community is the oldest, but I won't claim that. In any case, this is a meaningful resolution because we are very proud of the heritage of Nevada. I'm not a native Nevadan but I can assure you I have the pride of any native Nevadan about our history and about the uniqueness of this state. I think the three communities recognized in this resolution deserve a great deal of credit for what Nevada is today. I urge all my colleagues to support SCR 39. Thank you, Mr. Speaker.

Resolution adopted unanimously.

Senate Concurrent Resolution No. 40.

Assemblywoman Giunchigliani moved the adoption of the resolution.

Remarks by Assemblymen Giunchigliani, Goldwater, Anderson, Collins, Price and Dini.

Mr. Speaker requested the privilege of the Chair for the purpose of making remarks.

Resolution adopted unanimously.

Senate Concurrent Resolution No. 41.

Assemblyman Brown moved the adoption of the resolution.

Remarks by Assemblymen Brown, Koivisto, Berman and Carpenter.

Assemblyman Parks requested that the following remarks be placed in the Journal.

ASSEMBLYMAN BROWN:

Thank you, Mr. Speaker. In the State of Nevada, alone, there are an estimated 35,000 residents who suffer from Alzheimer's. This number will likely increase over the next few years because Nevada has the fastest growing senior population in the country. Currently, 4 million people in the United States have Alzheimer's, and 19 million say they have a family member that suffers from the disease. Statistically, one in ten individuals of the age of 65 suffer from Alzheimer's. The symptoms of this disease can start to occur twenty years before any noticeable symptoms appear in an individual. The average lifetime cost of Alzheimer's disease per person is \$174,000. Seven in ten people with the disease live at home. While family and friends provide almost 75 percent of home care, the average annual cost of paid care for people with Alzheimer's disease at home is \$12,500. Medicare pays 70 percent more on Alzheimer's patients than they do on average patients that do not have a cognitive disorder. At least half of all nursing home residents have Alzheimer's disease or another dementia. The average annual cost of Alzheimer's nursing home care is \$42,000 but exceeds \$70,000 in some areas. Medicaid pays over half of the total nursing home bill and helps two out of three residents pay their care.

ASSEMBLYWOMAN KOIVISTO:

Thank you, Mr. Speaker. I rise in support of SCR 41. I think we all know the rapid growth of that segment of the population in the State of Nevada. I think it is important that we become aware and, we do everything we can to raise the awareness of the rest of the citizens of this State of the importance of this disease and the impact that it has. Thank you.

ASSEMBLYWOMAN BERMAN:

Thank you, Mr. Speaker. I also rise in support of this motion today. I would like to introduce Phyllis Montavon, past executive director of the Alzheimer's Board, and as a board member she did a great job. Today Phyllis is working at the Alzheimer's Disease, Diagnostic, and Treatment Center at the University of Nevada School of Medicine. Treatment for the disease has progressed slowly, but research continues to give those of us who deal with it on a daily basis some hope. Reminyl is the newest drug on the market. It is not the cure; it only slows the disease. We need to support our researchers, those afflicted with the slowly progressive disease, and the caregivers who are here today with us. These caregivers lovingly care for family members and friends who have no foreseeable cure for Alzheimer's. With the new genetic research, I hope that scientists will give us insight into the blueprint for a cure to this horrible disease.

ASSEMBLYMAN CARPENTER:

Thank you, Mr. Speaker. I rise in support of SCR 41. My children, especially my grandchildren, accuse me of having the big "A." On a more serious note, my father-in-law had this terrible disease. One of the greatest tragedies is that Medicare does not take care of these people. I have a great friend of mine who had to go on Medicaid because Medicare would not stand any of the bills. Now they are taking my friend's home. I believe that we need to work to have Medicare take care of Alzheimer's patients. They talk about reforming Medicare, but the real tragedy is Medicare not covering Alzheimer's.

Resolution adopted unanimously.

REMARKS FROM THE FLOOR

Assemblyman Parks requested that the following remarks be entered in the Journal.

ASSEMBLYMAN HETTRICK:

Mr. Speaker, the Governor has declared today as State Employee Recognition Day and he has issued a short proclamation and asked that I read it:

“State employees deserve recognition for their dedication to public service. On a daily basis, state employees demonstrate initiative, creativity, and expertise in the fields of business, education, environmental protection, health care, natural resources, and public safety. This service and sacrifice makes a positive and lasting impact on the lives of many people.

State employees exhibit dedication and professionalism in their work. During the recent fundamental review process, state employees were at the forefront of efforts to streamline procedures and improve the services provided to the people of our state. While this hard work may have gone unnoticed by some, these efforts went beyond the usual level of service.

On behalf of everyone who lives in or visits our state, thank you for a job well done. You are making Nevada an even better place to live, work and raise a family.

Now, therefore, I, Kenny C. Guinn, Governor of the State of Nevada, do hereby proclaim May 9, 2001, as “State Employee Recognition Day.”

I would suggest that we all join in adding our appreciation to state employees, throughout the state, who work hard daily and do not get enough recognition.

Assemblywoman Buckley requested that the following remarks be entered in the Journal.

ASSEMBLYWOMAN PARNELL:

Thank you, Mr. Speaker. I, too, would like to join and thank the Assembly member from Douglas County and the Governor for recognizing the importance of our state employees. I represent many state employees. I am proud to represent them, and as often as I can in my contacts with them, I try to let them know that we would not be able to make it without their hard work and dedication. They certainly deserve every bit of recognition that any of us can give them. I applaud the Governor’s effort to proclaim this day in their honor.

ASSEMBLYMAN ANDERSON:

Thank you, Mr. Speaker. I also rise in recognition of the proclamation that was read by our colleague from Assembly District 39 to recognize state employees. It is surely not our intent to overlook their contributions, but we surely do a very poor job of saying more than just a mere thanks for the continuing operation of this state. I think we should take every opportunity to thank them. They deserve this, because without them the state would clearly fall flat on its face.

made, the parent with whom the minor is living, or if a general guardian or guardian of the estate of the minor has been appointed, then that guardian, has the right to compromise the claim. Such a compromise is not effective until it is approved by the district court of the county where the minor resides, or if the minor is not a resident of the State of Nevada, then by the district court of the county where the claim was incurred, upon a verified petition in writing, regularly filed with the court.

2. The petition must set forth:

(g) Whether the petitioner believes the acceptance of this compromise is in the best interest of the minor; and

(h) That the petitioner has been advised and understands that acceptance of the compromise will bar the minor from seeking further relief from the third person offering the compromise.

3. If the claim involves a personal injury suffered by the minor, the petitioner must submit all relevant medical and health care records to the court at the compromise hearing. The records must include documentation of:

(a) The injury, prognosis, treatment and progress of recovery of the minor; and

(b) The amount of medical expenses incurred to date, the nature and amount of medical expenses which have been paid and by whom, any amount owing for medical expenses and an estimate of the amount of medical expenses which may be incurred in the future.

4. If the court approves the compromise of the claim of the minor, the court must direct the money to be paid to the father, mother or guardian of the minor, with or without the filing of any bond, or it must require a general guardian or guardian ad litem to be appointed and the money to be paid to the guardian or guardian ad litem, with or without a bond, as the court, in its discretion, deems to be in the best interests of the minor.

5. Upon receiving the proceeds of the compromise, the parent or guardian to whom the proceeds of the compromise are ordered to be paid, shall establish a blocked ~~trust account~~ *financial investment for the benefit of the minor* with the proceeds of the compromise. Money may be obtained from the blocked financial investment only pursuant to subsection 6. Within 30 days after receiving the proceeds of the compromise, the parent or guardian shall file with the court proof that the blocked ~~trust account~~ *financial investment* has been established. GENERAL FILE AND THIRD READING

Senate Bill No. 172.

Bill read third time.

Remarks by Assemblyman Claborn, Giunchigliani, Lee, Anderson, Collins, Hettrick, Arberry, Goldwater and Collins.

Assemblyman Price requested that the following remarks be entered in the Journal.

ASSEMBLYMAN CLABORN:

Thank you, Mr. Speaker. SB 172 revises certain provisions pertaining to carrying concealed weapons. The measure removes a current maximum of two firearms for which a permit to carry a concealed weapon firearm may be issued. The effective day would be July 1, 2002.

ASSEMBLYWOMAN GIUNCHIGLIANI:

Thank you, Mr. Speaker. I have to rise in opposition to this bill. Several years ago when we first adopted the one that allowed for the concealed weapons, I think the statement was that one allowed you to carry a "summer" gun and a "winter" gun. Now, I guess, it's going to be a "summer" gun, a "winter" gun, a "fall" gun, a "spring" gun and as many other guns as people think they need to carry around at one time. Now I understand the issue of having a concealed weapons permit, however, I don't know how many guns one has to have to feel safe, to walk around with, at any one time. As we know, there are many problems within our State, as well as in our nation, regarding the use and misuse of handguns. This is not a state's rights issue. This bill does not even deal with Constitutional issues. It's one that deals with whether or not access could lead to someone, in poor judgment, using a handgun in the wrong way, which may be in murdering someone. I just don't think this is a good policy decision.

ASSEMBLYMAN LEE:

Thank you, Mr. Speaker. I also have a question, maybe to the Chairman of Judiciary. We just passed SB 20 that will allow a resident or nonresident of the State to apply to the sheriff of a county. If a person who lived in Clark County had come to Douglas County to visit one of us, is there a state card or can they fax to the sheriff of the counties they are going through, "I'm carrying a gun. I have a permit. Don't stop me or violate my rights in this state." How does that work from county to county?

ASSEMBLYMAN ANDERSON:

Thank you, Mr. Speaker. To my colleague from Assembly District No. 3. To understand the overall process you need to go back to the original piece of legislation, which, of course, was to eliminate the problem from county to county, which we have already taken care of. That was already in statute. So, if you have a concealed carry permit in Clark County and you came to Washoe County or to any other county in the State, you would be able to utilize that permit within the State of Nevada—it's a statewide use permit. Each county sheriff controls those permits that he puts out, and he has a time limit upon which he has to act on those permits, within 120 days. So, someone coming in from out of state, which would be covered by SB 20, is basically the question, would pick up a permit from one of the counties, have a permit meeting

Nevada standards. That was not a reciprocity bill. In other words, if you had a “concealed carry” in another state, you still have to meet our criteria here in the State of Nevada. Now you get to carry from county to county. SB 172 deals with the number of weapons you do carry. Although, I don’t want to get into the debate about that particular part, I’ll be happy to if you wish me to.

ASSEMBLYMAN COLLINS:

Thank you, Mr. Speaker. I rise in support of SB 172 on expanding the number of weapons. It is not saying a person can carry 10 or 20 handguns or concealed weapons on their person. It just allows an expansion of the actual weapons. In other words, it’s like a young lady that has ten purses can have one gun in each and never take the gun out of the purse, and just dress differently each day. They are only carrying one at a time. The issue would be, if I’ve got a .22, a .38 and a .45, and a .357 and a 9 MM, I get a permit and pass a test that qualifies me with each weapon, through the same procedure that passed in the 1995 legislation. A permit for more than two guns, it doesn’t mean I’m going to be carrying more than two guns, it only means that I can have a permit or any citizen in Nevada who qualifies, can have a permit for multiple handguns. They still might not carry any of them at all. I want to remind you that ten years ago, there were over 4000 handguns a month being purchased in Nevada. That number has risen. A lot of people were carrying guns. And that is why, finally, in 1995, the State passed the concealed carry weapon bill. A lot of people were carrying, so they came in with compliance. This just expands that provision to more than just one style of gun. So you can have three pair of glasses, you can have three guns. It’s really simple.

ASSEMBLYWOMAN GIUNCHIGLIANI:

Thank you, Mr. Speaker. I appreciate that explanation, but nothing in this piece of legislation prevents you from carrying as many guns as you wish, at any one time. So, for the purposes of simplicity, I think we have to be forthright in recognizing that this does not prevent a person from carrying three guns or three pairs of eyeglasses. I guess it comes down to it’s no longer a Constitutional debate over a person’s right to have a gun. I’m not debating that issue. I’m debating, “How many do you really need?” This is a very serious matter. As a teacher, how do I explain to my kids that we do not want people to do the wrong thing and to act rashly. If you are carrying one or more guns on yourself, at one time, you might have the opportunity to, unfortunately, act in a rash manner. I understand about permitting, I understand about the process of being allowed to do so. But nothing in here protects.

ASSEMBLYMAN HETTRICK:

Thank you, Mr. Speaker. I rise in support of SB 172. I would remind the body that the people who are impacted by this law are the legal citizens who get permits. The reason they have a permit is because they want to abide by the law. The people who are breaking the law and the people who are at risk are the people who carry without a permit. Nothing in any law stops them from carrying one or a hundred. This is about legal people who have a reason to have a permit, who have tested and complied with all the requirements of the federal law and the state law. This is simply a convenience because it is inconvenient at certain times and certain places to carry certain types of firearms. I don’t believe any permittee, in general, carries two weapons or more. They do not have a reason to do that. The reason is for self-protection or some other reason of personal concern. This merely makes in convenient to abide by the law. That is what this is about, so I urge your support.

ASSEMBLYMAN ARBERRY:

Thank you, Mr. Speaker. To you and through you, my question to the Chair of Judiciary is, how will we be able to stop trafficking of the guns? My concern is, and I’m living proof, that I have a permit and a concealed weapons permit down in Las Vegas, in Clark County, and I came to Reno and purchased a Baretta without anything. So, from this legislation, how will it stop people from trafficking? I only have one permit and I did not have a permit for the other gun.

ASSEMBLYMAN ANDERSON:

Thank you, Mr. Speaker. Let me try to respond to my colleague. It is my understanding that in Clark County, the practice that they have always used, which is somewhat different than the rest of the State, is that the particular weapon has to be registered where you take the concealed

weapons course. In the rest of the State, that is not the case. Your permit to carry is for a particular weapon. So, that particular weapon and that particular weapon only, if you are carrying it concealed, applies. You can purchase a weapon and carry it on the seat of the car next to you. That is not a concealed weapon. You don't have to get a "concealed weapon carry" to carry a gun on a holster, providing it's not behind your coat. That being the case, there is a small difference between jurisdictions relative to the way sheriffs have interpreted and utilized this particular statute. As the Speaker is much more knowledgeable in this area than I, if he wants to enlighten the Body, I'm sure that his knowledge is much more specific to the weaponry question. Indeed, you could carry very easily three weapons on your person. In testimony in front of the committee, the purpose of the bill was clearly because some people bringing weapons in and out often have to carry more than three weapons. Well, I guess it's kind of like you can carry as much as you think you can physically carry. I can carry as much as I think I can carry, but my doctor disagrees with me. It's that kind of question.

ASSEMBLYMAN GOLDWATER:

Thank you, Mr. Speaker. To you, and through you, to the advocate for this bill. I suppose it's the chairman of Judiciary or the gentleman from Gardnerville, whichever. We've had some instances in Las Vegas, several, which have touched us personally. The issue of Zane Floyd, when he shot up Albertson's—he was a law-abiding citizen carrying several weapons on him that were all permitted, I believe. He walks down the street to his local supermarket and starts shooting. With the passage of SB 172, were someone to stop him on the street on his way there and say "Do you have a permit for all these?" And he would have said, "Yes, here it is." Would the passage of this bill mean he would be able to proceed to his destination and achieve what he wanted to achieve?

ASSEMBLYMAN ANDERSON:

To my colleague from Assembly District No. 10, I won't swear that the gentleman in question had a concealed weapon carry permit. I am under the impression that he did not because of testimony that was given in the Assembly Judiciary Committee that no concealed weapon carrier had yet to be charged in the State with a crime. So, based on that, I would say that the gentleman was not. However, currently, your right to own a weapon is not any different than it has always been. That statute says that in the State of Nevada, if you have a handgun and want to carry it, put it in the front seat of the car with you, you can carry every weapon that you own there as long as it's not concealed. A concealed weapon is the argument that, in effect, has been the argument for some time. If I were wearing a holstered weapon, and I was wearing a long, duster type coat that would cover it, is it a concealed weapon or an open-holstered weapon? For an open-holstered weapon, I would not need a "concealed carry" permit. If you were like the Speaker, who carries those shoulder holsters, then you would have to have a concealed weapon permit. If I had carried one in a boot, I would have to have a concealed weapon permit. It is quite conceivable for someone to be carrying one at the waist, one at the shoulder, and one in the boot without too much trouble. I don't think this is going to change someone bringing their howitzer, bazooka, or machine gun with them, which is tragic. I'm not trying to make light of it. I don't think it's affecting you one way or the other. That guy will still be able to do what he wants to do. That deranged person will never be stopped by a piece of paper.

ASSEMBLYMAN COLLINS:

Thank you, Mr. Speaker. A couple of points difference between a concealed weapon versus a legally permitted concealed weapon. A simple analogy would be cars. Cars kill. They have license plates, which we have discussed for a long time; it's a good analogy because we're all familiar with them. Currently, under the concealed weapon permit law an individual can have two different weapons. It's like saying you can only have two cars. Some people have three cars or vehicles. Under this law now, you can have three permits. It means you can own three guns you can conceal, or more. It's that simple. You might have five vehicles; you put a license plate and registration on each one of them. You buy five guns you want to carry as concealed weapons. You have a permitted card, you're now allowed to have that. I want to let this body know, clearly, that the Nevada Police Officer's Association, the Nevada Sheriff's Association and the Nevada District Attorney's Association have all spoken and supported this legislation

because they believe it is fair and reasonable and that they can enforce it and handle it. It's a legal mechanism to allow and bring more people into compliance. It's, very simply, for the citizens. The nut down at Albertson's might have had concealed weapons. I don't believe he had a permit as was stated. There is no one in Nevada, to this date, that has broken the weapons law that had a concealed weapons permit in the State of Nevada.

ASSEMBLYMAN ARBERRY:

Thank you, Mr. Speaker. This discussion has gone to a totally new level of what's going to happen here. I need to take it to that level. The main reason is that this body is looking at passing a law, based on the chairman from Judiciary, saying that now you can have as many guns in your vehicle as you want. When this gets to certain communities it's going to be a totally different piece of legislation. It's going to be where you find a young black man rolling down the street in his car and he's got five guns sitting on the seat. They are not going to ask him for a piece of paper. They are going to shoot first and ask questions later because they are going to think it's a gang war going on. Now, hear me out. Right now you have people who are afraid to reach for their wallet. People are afraid to do anything. Now, you are going to tell me we are going to allow someone to have as many guns as they want, in their vehicle, and then nothing is going to happen. It's not going to translate like that when you get down to the patrol officers. It's going to be different. I'm afraid, Mr. Speaker, we're taking this to a different level, even though we are trying to pass good legislation. It's going to change when we get to the inner city. We will see it and deal with the brunt of it.

ASSEMBLYMAN CLABORN:

Thank you, Mr. Speaker. I rise to support of SB 172. Just to put a little light on the subject, to buy a handgun, that's all Federal. You cannot go down to buy a handgun unless you are registered. They do have to be registered. You can't buy a handgun, legally, without a three-day wait. The Federal Government governs it all. As far as carrying all the weapons in your automobile, you can do that today. You've been able to do that for 100 years; as long as they are in plain sight. So we are not doing anything new here. Thank you, Mr. Speaker.

ASSEMBLYMAN HETTRICK:

Thank you, Mr. Speaker, for recognizing me a second time. My colleague just addressed much of what I wanted to say. I think the point needs to be here that to carry a weapon of any kind: handgun, rifle, shotgun, you can carry a hundred of them in your car today. This bill has nothing to do with that. Absolutely nothing. This bill has no impact on that whatsoever. In terms of buying a weapon, you have to go through a Brady background check. This won't impact trafficking or illegal trade in guns or anything else. This bill has nothing to do with that. This bill merely says that an individual who has a permit may have more than two weapons listed on the permit. That's all this does. It's not a big deal. It simply says that it may be more convenient at one time or another to carry a different weapon for which you are permitted and have tested. It allows you to carry a different firearm. That's all it does. We are trying to make something out of this bill that it is not. It is merely a convenience for law-abiding citizens. It has no impact on 99 percent of what has been brought up here as a negative in regard to this bill. Thank you, Mr. Speaker.

MESSAGES FROM THE SENATE

SENATE CHAMBER, Carson City, May 14, 2001

To the Honorable the Assembly:

I have the honor to inform your honorable body that the Senate on this day adopted Senate Concurrent Resolution No. 42.

Also, I have the honor to inform your honorable body that the Senate on this day adopted Senate Concurrent Resolution No. 43.

MARY JO MONGELLI

Assistant Secretary of the Senate

MOTIONS, RESOLUTIONS AND NOTICES

Senate Concurrent Resolution No. 42.

Assemblyman Ocegüera moved the adoption of the resolution.

Remarks by Assemblymen Ocegüera, Anderson and Carpenter.

Assemblyman Parks requested that the following remarks be entered in the Journal.

ASSEMBLYMAN OCEGUERA:

Thank you, Mr. Speaker. It is ironic that I was asked to present this concurrent resolution because just last night I signed up for my summer law school classes and signed up for Alternate Dispute Resolution. I think the legal community is moving more toward this area. The law school is certainly recognizing that it is a way to save money and save the pain and suffering of litigation. As the resolution states mediation allows for alternatives to the contentious litigation and also allows for an impartial individual to hear disputes. Many, many cases are resolved through mediation. On several occasions, as the secretary treasurer of my Local, I used mediation and arbitration, kept the cost down, and quickly resolved the issues. Mediation can also be used in several forms, from business to family. I also have the experience of doing mediation with families regarding parenting and property issues at the Family Law Clinic. Mediation makes the process much more cooperative without the competitiveness.

ASSEMBLYMAN ANDERSON:

Thank you, Mr. Speaker. I didn't think my colleague was going to allow the rest of us to speak on such a worthy resolution. I rise in support of SCR 42, having seen the work of this particular group and having reviewed the documents they must submit to this legislative body. The lead work the resolution group has done in Clark County has been very, very helpful in terms of trying to clear the courts and speed up the process so that there are fair and equitable hearings. I think mediation holds great hope for a litigious society to solve problems. What we have done here in the State is an important step and an important part of our process. I salute the people involved and stand in support of the resolution, even though our junior colleague did not feel it was necessary for any of the rest of us to speak on the resolution.

ASSEMBLYMAN CARPENTER:

Thank you, Mr. Speaker. I rise in support of SCR 42. It was through the great help of a very experienced mediator during a recent resolution of the issues regarding the South Canyon Road that we were able to bring a very contentious issue to an end. I really do appreciate mediation and know first hand that it does work.

Resolution adopted unanimously.

Senate Concurrent Resolution No. 43.

Assemblyman Parks moved the adoption of the resolution.

Remarks by Assemblymen Parks, Nolan, Mortenson, Giunchigliani and Berman.

Assemblyman Mortenson requested that the following remarks be entered in the Journal.

ASSEMBLYMAN PARKS:

Thank you, Mr. Speaker. It's my privilege today to speak in support SCR 43. As the resolution indicates there has been considerable effort made toward the development of a state-of-the-art performing arts center for southern Nevada where world class entertainment may be offered. The proposed performance arts center will be a joint public-private partnership venture. Grant funding will be sought along with contributions from a local foundation.

If you were to travel to any major metropolitan city across the country that had population equivalent to southern Nevada, you would find that each and every one of those cities would have a major quality facility for the performance of major operas, symphonies and ballets. This effort in front of us is to build a facility at least comparable to any that any other small and medium-sized city would have. This would be a multi-purpose facility that would include a variety of different theaters, all in one complex, that would be specific to the type of performance that is being performed. I urge the body adopt this resolution.

ASSEMBLYMAN NOLAN:

Thank you, Mr. Speaker. I rise in support SCR 43. For those of you who have visited my office before, one of my most prized possessions is a picture hanging on the wall of myself and Luciano Pavarotti, which was taken about 10 years ago when he first visited Las Vegas. I'll never forget the presentation he gave. He just thrilled audiences in that facility. He performed at the Thomas and Mack Center. At one point during his performance when he was singing a very high note, the building began to shake. Everyone kind of looked like, "Geez, this guy is really knocking the wind out of this building." Suddenly, even Luciano Pavarotti stopped to see what was shaking the building and, in fact, it was a 727 flying over the Thomas and Mack Center. I think we have come a long way with the help of the gaming and entertainment industry in providing better facilities. I think the promotion and development of this type of performing art facility in Nevada would bring on a whole new cultural facet to the State and benefit both the citizens and our visitors. I would urge our body's support of this resolution. Thank you, Mr. Speaker.

ASSEMBLYMAN MORTENSON:

Thank you, Mr. Speaker. I, also, rise in support of this resolution. For about seven years, we have had a group called the Las Vegas Performing Arts Center Incorporated, which has been trying to find a suitable venue for a performing arts center. There is a perception that there are two competing groups in the south, trying to build a performing arts center. I would like to not call them competing. I think we are working together. They are trying to do it one way, we are trying to do it another way. I think when the first truckload of concrete is poured, the two groups will come together and support one. I would like to say that our group has just signed a 99-year lease for \$1 a year for many, many acres of property in Green Valley, with Richard McDonald. That hasn't even come out in the papers yet. That will be a release sometime, a few weeks from now. That is our progress. I think the other group is equally ahead in their progress. I say it all boils down to who pours the first truckload of concrete. Thank you, Mr. Speaker.

ASSEMBLYWOMAN GIUNCHIGLIANI:

Thank you, Mr. Speaker. I, too, rise in support of SCR 43. I would point out to you, as my colleague also has noted, we both have been on the same side of supporting the performance centers. I happen to believe it should be in a downtown location because I think that is where the core of many of our local performing arts are located. It's where the people have access and where the public can actually go. It brings the whole group together. We will fight about that issue later on down the road. I do think this resolution at least recognizes the fact that funding is going to be necessary, but at this point, this resolution is not asking for anything. I do believe both groups are very close to moving forward with some kind of design. I hope, at some point, we deal with that issue some time this session.

ASSEMBLYWOMAN BERMAN:

Thank you, Mr. Speaker. I rise in support of SCR 43. I've been working toward this goal with a lot of very hard working people, for many, many years. I want to salute them all for never giving up their vision of having this center made. Whatever group gets to do it I hope we can all work together and get this to be a spectacular place, because Las Vegas is spectacular and we need to show off our spectacular resources other than the strip properties. Thank you.

Resolution adopted unanimously.

SECOND READING AND AMENDMENT

Assembly Joint Resolution No. 11.

Bill read second time.

The following amendment was proposed by the Committee on Taxation:
Amendment No. 721.

Amend the resolution, pages 1 and 2, by deleting lines 1 through 18 on page 1 and lines 1 through 19 on page 2, and inserting:

“RESOLVED BY THE ASSEMBLY AND SENATE OF THE STATE OF NEVADA, JOINTLY, That section 24 of article 4 of the Constitution of the State of Nevada be amended to read as follows:

~~[Sec.] Sec. 24. 1. [Except as otherwise provided in subsection 2, no lottery may be authorized by this State, nor may lottery tickets be sold.]~~ *The legislature may authorize a lottery to be operated by the State of Nevada. If the legislature authorizes such a lottery, the legislature shall, by law:*

(a) Determine the appropriate manner of operation for the lottery.

(b) Account separately for the proceeds of the lottery for expenditure in the same manner as other noncontinuing sources of revenue.

(c) Provide by appropriation for the disbursement of the proceeds of the lottery, less expenses directly related to the operation of the lottery, only for programs and services that enhance:

(1) The public education of children within this state.

(2) The health and welfare of senior citizens within this state.

(d) Ensure that the proceeds from the lottery, other than expenses directly related to the operation of the lottery, may only be used to supplement and not supplant money that the state would otherwise have expended for the programs and services described in paragraph (c).

2. The ~~[State and the]~~ political subdivisions ~~[thereof]~~ of this state shall not operate a lottery. *Except as otherwise provided in subsection 3, the legislature shall not authorize the operation of any private lottery.*

3. The legislature may authorize persons engaged in charitable activities or activities not for profit to operate a lottery in the form of a raffle or drawing on their own behalf. All proceeds of the lottery, less expenses directly related to the operation of the lottery, must be used only to benefit charitable or nonprofit activities in this state. A charitable or nonprofit organization shall not employ or otherwise engage any person to organize or operate its lottery for compensation. The legislature may provide by law for the regulation of such lotteries.”.

Amend the resolution, page 1, by adding a preamble, immediately preceding the resolving clause, to read as follows:

“WHEREAS, A society is judged by the manner in which it treats its most vulnerable citizens; and

WHEREAS, The children of the State of Nevada are the future of this state and the public education of those children is vitally important to the future success of this state; and

WHEREAS, The system of public education extending from kindergarten through grade 12 is often not funded sufficiently; and

WHEREAS, The senior citizens of this state deserve continuing support into their golden years because of the service and sacrifice that they have extended on behalf of this state; and

WHEREAS, The cost of providing adequate health care to senior citizens has been escalating rapidly in recent years and, as a result, many senior citizens do not have access to adequate resources of health care; and

WHEREAS, Proceeds from a lottery may not be sufficiently reliable or stable to rely upon such proceeds to pay for programs that benefit children and senior citizens; and

WHEREAS, The legislature will determine how best to apply proceeds from a lottery to benefit children and senior citizens by accounting for such proceeds separately and by using such proceeds to supplement and enhance existing, permanently-funded programs; now, therefore, be it”.

Amend the title of the resolution to read as follows:

“ASSEMBLY JOINT RESOLUTION—Proposing to amend the Constitution of the State of Nevada to allow the legislature to authorize this state to operate a lottery for the support of the public education of children and for the support of the health and welfare of senior citizens.”.

Amend the summary of the resolution to read as follows:

“SUMMARY—Proposes to amend Nevada Constitution to allow legislature to authorize state to operate lottery for support of public education of children and for support of health and welfare of senior citizens. (BDR C-1200)”.

MESSAGES FROM THE SENATE

SENATE CHAMBER, Carson City, May 15, 2001

To the Honorable the Assembly:

I have the honor to inform your honorable body that the Senate on this day adopted Senate Concurrent Resolution No. 44.

MARY JO MONGELLI

Assistant Secretary of the Senate

MOTIONS, RESOLUTIONS AND NOTICES

Senate Concurrent Resolution No. 44.

Assemblyman Hettrick moved the adoption of the resolution.

Remarks by Assemblymen Hettrick, Gibbons and Carpenter.

Assemblyman Parks requested that the following remarks be entered in the Journal.

ASSEMBLYMAN HETTRICK:

Thank you, Mr. Speaker. It's a privilege for me to rise in support of this resolution and to honor the Park family and, in particular, Brooks Park. When I think of the Park family and Brooks in particular, I think of them as stewards of the land. When you go to the Carson Valley, the comment in this resolution about Brook saying "that was the most beautiful spot on Earth," if you ride down there right now, you would agree. You would agree with that in a moment. Part of the reason why it is as beautiful as it is, is because of the Park family and their vision. I hope you also heard the portion of the resolution about the Edgewood Golf Course and the vision to create the Edgewood Golf Course at Lake Tahoe. What I remember, where I saw Brooks, was always at Edgewood. Hands on, working up there in a beautiful place, trying to make it even more beautiful. Just preserving what he saw as part of that vision of this area, our valley and what it can mean.

The Park family has done tremendous things. Part of the reason the valley is open as it is, is because of the Dangbergs and the Park family, who have tried to keep that land as it was, in a pristine state, and treat it with respect. I think a lot of that vision and direction came from Brooks. He's going to be greatly missed. He had a great sense of humor and was fun to be around. He was really a pleasant man. It's a privilege for me to rise in honor of this resolution and to honor the Park family.

ASSEMBLYWOMAN GIBBONS:

Thank you, Mr. Speaker. I, too, rise in honor of Mr. Park and this resolution, SCR 44. I think it's wonderful we can share him with this body, because he is a longtime Nevadan and rancher; in fact, going back to the days of the stagecoach. He married into another long time Nevada family, the Dangbergs. It's like having a bit of history, having these folks with us here today. I'm just very pleased this body has chosen to honor him and I salute him and his wife of 63 years. I think that's pretty remarkable and it is something to be honored. I stand up and honor her as well for being committed to someone and carrying through all those years.

ASSEMBLYMAN CARPENTER:

Thank you, Mr. Speaker. I rise in support of SCR 44. My friend Jeanne Blach from Elko is here today. I can see that Jeanne is continuing a tradition of her father. She does great things for Elko. If you want to go to Elko and look at the community college, Jeanne Black is the main cause of all that beauty there. I just want to offer my condolences to Jeanne and her family. I just hope Jeanne continues on with Elko and doesn't completely move to Carson Valley.

Resolution adopted unanimously.

MESSAGES FROM THE SENATE

SENATE CHAMBER, Carson City, May 15, 2001

To the Honorable the Assembly:

I have the honor to inform your honorable body that the Senate on this day adopted Senate Concurrent Resolution No. 45.

MARY JO MONGELLI

Assistant Secretary of the Senate

MOTIONS, RESOLUTIONS AND NOTICES

Senate Concurrent Resolution No. 45.

Assemblyman Dini moved the adoption of the resolution.

Remarks by Assemblymen Dini, Marvel, Anderson, Gibbons, Carpenter and Parnell.

Assemblyman Parks requested that the following remarks be entered in the Journal.

ASSEMBLYMAN DINI:

Thank you, Mr. Speaker. We're here to memorialize a really, truly great Nevadan. When I was a kid growing up, he was just slightly older than me, I remember his athletic prowess in the boxing field and the things that he did. I think that you ought to get his books and read them. Robert and I became really close friends about 10 or 12 years ago. He used to come to Yerington and visit me and have lunch. He would always bring me another book. I have to tell you the truth—I have only read about six of them. I think I have about 12 on the shelf. This summer I hope I can read them all.

His books really gave you the feeling of a first generation immigrant's son, growing up on the streets of Carson City, and the warmth of growing up in the atmosphere of real, true Nevada. He just inspired me to look forward to our visits and to listen to his tales. He knew Nevada history. He knew every bit of it. I could stand there by the hour and just listen to him recite what has happened in our State. Some of his books are really tremendous things to read.

He had a colorful history. He was a boxer when he was a young man. He was nicknamed "Frenchy". His inspiration was always back to his Basque ancestors. I guess he made Basque famous because of his integrity in trying to get out there and write books and push forward. The fact is, if you remember, in the Ways and Means Committee we just appropriated some money to continue the Basque Studies Program in honor of Robert Laxalt and what he's done to promote the Basque people in our country.

As he went along and age took its toll he was still active in writing and giving us the inspiration to remember where our roots came from, especially as a first generation Basque boy. It really meant a lot to me as a first generation Italian. I say Nevada has lost a great man, a man who gave back to our state and our country much more than he ever got from it. With that, we want to relay our condolences to the family and honor this man for the great man he was.

ASSEMBLYMAN MARVEL:

Thank you, Mr. Speaker. I, too, rise in support of SCR 45. All our backgrounds are pretty similar. My family started out in the 1870's in the sheep business. When I read "Sweet Promised Land" it really brought to mind, particularly, what my grandparents had to go through in establishing one of the largest outfits in the State of Nevada. Like the Speaker Emeritus, I knew "Frenchy" when we were at the University together. I knew his wife. I think what I'm particularly proud of is how "Frenchy" made the Basque race a superior type of ethnic group. I, too, have a Basque sister-in-law, I have a daughter-in-law that is half Basque. I think that "Frenchy" just made us proud of our heritage. We certainly are going to miss him. I had the pleasure of reading all his books and I would certainly recommend every one to read "Frenchy's" books because we are going to miss him in the future as a brilliant author.

ASSEMBLYMAN ANDERSON:

Thank you, Mr. Speaker. I also rise in support of SCR 45. Obviously anybody who has lived in Nevada for any length of time, who has a love of the land and the history of the State, has to recognize that "Sweet Promised Land" is a heroic tale that you never forget. This author, this writer, this man who cared so deeply about this State, its people and their life in this state is of the stature that will forever be remembered. When people begin to talk about understanding the heart of Nevada they suggest reading "Sweet Promised Land" because it is there that you find our heart. I am also a first generation American. My father and mother are from Ireland. I found solace as I thought of my father stepping off a train in the middle of Hazen, Nevada, out in the middle of nowhere. I think of him talking to the people he loved, and the Basques clearly fall in that category. The book holds for all of us a kind of ethnic promise and it shows the stubborn pride Nevadans take in who they are and where they are rooted. I clearly rise in support of SCR 45 because Robert Laxalt is an example of what all Nevadans want to be.

ASSEMBLYWOMAN GIBBONS:

Thank you, Mr. Speaker. I, too, rise in support of honoring this family and particularly, Robert Laxalt, who was a great storyteller and a great Nevada icon to all of us. I think in the history books he'll be, if not surpassed, he will be Mark Twain's equal. It was just very fortunate for those in this body who knew him to really know him as a person and not just as a writer.

Fortunately, we have a part of him left with us always that we can pass on to our kids and grandchildren. He certainly made a great contribution in his works.

ASSEMBLYMAN CARPENTER:

Thank you, Mr. Speaker. I rise in support of SCR 45. Being in the sheep business for so many years, I had many great Basque friends including the Laxalts. If you read Robert's books, it is hard to describe them, they are so great! Right now I am reading one that is about rabies. Probably not too many people here understand what happened in the early '30s in the livestock business. We had an outbreak of rabies and because of this the sheep business in Nevada was decimated. I don't think you really understand seeing all those animals die and knowing there is not much you can do about it, unless you are in the livestock business when something like this happens. This book tells the story just like my uncles described it happening. It is so true to life that it is really hard for someone like me to continue to read the book to the end because I know what is going to happen. I know I've got to read the end, but so far I have not been able to. It is a great book and so true to life. I want to honor Robert and his family and all the little Laxalts.

ASSEMBLYWOMAN PARNELL:

Thank you, Mr. Speaker. I rise in support of SCR 45. As the representative from Carson City, I want to stand and thank the Laxalt family for contributing so much of the history and the flavor of Carson City. Thank you.

Resolution adopted unanimously.

REMARKS FROM THE FLOOR

Assemblyman Parks requested that the following remarks be entered in the Journal.

ASSEMBLYMAN ANDERSON:

Thank you, Mr. Speaker. A moment in history—On May 15, 1776, two hundred and twenty-five years ago today, in the first legislative body in the United States, the Virginia House of Burgesses, a gentleman by the name of Lee got to his feet and placed a resolution in front of the body. This resolution directed the delegates from the first colony of America to place in front of the Second Continental Congress a resolution asking for freedom and separation from the sovereign nation of England. I bring that forward, Mr. Speaker, because often times in our troubled look we think of the national government and forget to recognize the importance of the state legislative body, the assembly. It was that motion in 1776 that allowed the heart of democracy to rest in this body, the Assembly. I remind all of you that the Governor was once appointed by the Senate. Governors were once the agents of the king. Courts were the extension of the church. It was from that first legislative body, the Virginia House of Burgesses, which on this date 225 years ago called for our freedom, that democracy was allowed to rest here in the house of the people. I just thought I would bring it to the attention of the body.

WHEREAS, George Holbrook Hawes, born in Skowhegan, Maine, on April 10, 1904, has served the people of the State of Nevada in various public capacities for over 50 years; and

WHEREAS, George Hawes was elected by the residents of White Pine County as a member of the Nevada Assembly from 1951 through 1954; and

WHEREAS, George Hawes was the primary sponsor of important legislation during the 1953 Legislative session, which included amending the Motor Vehicle Fuel Tax Act to provide that the county's share of the tax not be used for administrative expenses, conferring upon the Chief Parole and Probation Officer the full powers of a peace officer throughout the state, and amending the Fish and Game Law to provide that beaver and otter could not be taken in the open trapping season; and

WHEREAS, During the campaign for the presidential election in 1952, George Hawes arranged and coordinated one of the largest public celebrations in the history of Ely and White Pine County in honor of Patricia Ryan Nixon, a native of White Pine County and wife of the vice presidential nominee, Richard Milhous Nixon, the running mate of presidential candidate, General Dwight David Eisenhower; and

WHEREAS, In 1988, at the age of 84, George Hawes was elected by the voters as a hospital trustee for the Carson-Tahoe Hospital and, during the 10 years he served as a trustee, was instrumental in such projects of the hospital as the construction of the women's and children's wing, purchase of the Sierra Professional Center, establishment of the Carson Rehabilitation Center and construction of the Minden Medical Center; now, therefore, be it

RESOLVED, That George Hawes is congratulated for serving as an inspiration to all and as a role model for seniors throughout this state to remain actively involved in their community; and be it further

RESOLVED, That the Chief Clerk of the Assembly prepare and transmit a copy of this resolution to George Hawes as he begins his 98th year and continues in his service to others.

Assemblywoman Giunchigliani moved the adoption of the resolution.

Remarks by Assemblymen Giunchigliani, Carpenter, Parnell, Chowning and Freeman.

Assemblyman Parks requested that the following remarks be entered in the Journal.

ASSEMBLYWOMAN GIUNCHIGLIANI:

Thank you, Mr. Speaker pro Tempore. I think this resolution gives a really brief capturing of what George Hawes has done for the State of Nevada. It came to my attention last week, when we had some of the women here from the Carson City Democratic Club, that George was celebrating his birthday the next day. I felt it was appropriate to recognize him. I hope my colleague that represents Carson City and I will deliver this to him at the nursing home where he is currently residing.

George was a progressive individual. He lived in the rurals. He also lived in Clark County. He came back to the rurals. He was one of those individuals that really understood the entire State of Nevada. And even though he was a "yellow dog" Democrat, he always worked with Republicans regardless of where they were, because he wanted to work on behalf of native Nevadans and Nevadans everywhere. In addition to that, I think that the key line in this resolution recognized that George stayed active all through his years until what slowed him down a little bit now; otherwise, he'd still be sitting in the back of this room watching the proceedings. He was here every session that I had served until he fell somewhat ill. I just wanted to give some simple recognition to George and ask you all to do the same.

ASSEMBLYMAN CARPENTER:

Thank you, Mr. Speaker pro Tempore. I rise in support of AR 13. George Hawes came from the State of Maine, from where my folks also came. George Hawes was my teacher in White Pine County. I guess I can say that George taught me well; some of you might think he didn't do too well. I personally think he did really well. He was a great guy and I certainly miss him here in the halls of the Assembly. When my fellow Assembly members go to deliver this resolution, I sure would be glad to accompany you. Thank you.

ASSEMBLYWOMAN PARNELL:

Thank you, Mr. Speaker pro Tempore. I applaud my colleague from Las Vegas to bring this resolution before the Body. I think the great thing about George, and everybody in Carson City that was even a little bit politically involved knew, were the years that George gave to the political process. I think we should honor anyone who sticks with it and tries to do what is right and tries to make life better for so many people. It was only about a year ago that they had a celebration at Carson Tahoe Hospital in his honor. He showed up in his wheelchair and was still telling people what he thought they should be doing. I applaud that energy from anyone. Thank you, Mr. Speaker pro Tempore.

ASSEMBLYWOMAN CHOWNING:

Thank you, Mr. Speaker pro Tempore. I, too, rise in support AR 13. I really miss, as we all do, Mr. Hawes coming here. Almost every single session he came to visit. If you remember, he was dressed in an absolutely dapper fashion. Usually red. Red tie. Vest that was plaid. He just gave honor to all of us by the way he acted and the way he dressed. He held great respect for this Body and showed great respect for us and we really miss him being here. Thank you.

ASSEMBLYWOMAN OHRENSCHALL:

Thank you, Mr. Speaker pro Tempore. I join in supporting AR 13. I particularly wish to applaud George Hawes for his unfailing belief that the political process does, in fact, help to improve society. That is something that he's proved as both a politician and as a lobbyist in all aspects of his life. Thank you.

ASSEMBLYWOMAN FREEMAN:

Thank you, Mr. Speaker pro Tempore. I remember meeting George, I think it was my first session. I was elected the same year as my colleague from Elko. I remember during that period of time he was a hospital trustee. That is one of the reasons he came to me besides the fact the was a "yellow dog" Democrat, as my colleague from Las Vegas pointed out. I wanted to ask, are any of his relatives here? They're not? Well, I didn't know he was in a nursing home. If anyone sees him, please tell him hello.

Resolution adopted unanimously.

By Assemblymen Perkins, Anderson, Angle, Arberry, Bache, Beers, Berman, Brower, Brown, Buckley, Carpenter, Cegavske, Chowning, Claborn, Collins, de Braga, Dini, Freeman, Gibbons, Giunchigliani, Goldwater, Gustavson, Hettrick, Humke, Koivisto, Lee, Leslie, Manendo, Marvel, McClain, Mortenson, Neighbors, Nolan, Ocegüera, Ohrenschall, Parks, Parnell, Price, Smith, Tiffany, Von Tobel and Williams; Senators Raggio, Amodei, Care, Carlton, Coffin, Jacobsen, James, Mathews, McGinness, Neal, O'Connell, O'Donnell, Porter, Rawson, Rhoads, Schneider, Shaffer, Titus, Townsend, Washington and Wiener:

Assembly Concurrent Resolution No. 34—Recognizing May 16, 2001, as Peace Officers' Memorial Day in Nevada.

WHEREAS, Of all the promises America offers, none is more precious or more elusive than the right to be free from crime and violence; and

WHEREAS, The dedicated men and women who have chosen law enforcement as a career face extraordinary risk and danger in preserving our freedom and security; and

WHEREAS, Seeing a need to honor those who died trying to make a safer life for American citizens, on October 1, 1962, President John F. Kennedy signed Public Law 87-726 designating National Police Week and National Peace Officers' Memorial Day; and

WHEREAS, In 1994, the United States Congress and President William J. Clinton approved Public Law 103-322 directing that the flag of the United States be displayed at half-staff on all government buildings on May 15 each year as a special tribute to the brave men and women who died upholding our laws and preserving public safety; and

WHEREAS, This year marks the 13th annual candlelight vigil held at the National Law Enforcement Officers' Memorial in Washington, D.C., where, each year since 1982, thousands gather to salute all of America's law enforcement heroes, both past and present; and

WHEREAS, During the week of May 13 through May 19, 2001, National Police Week will be observed throughout the nation to increase public awareness of the duties, responsibilities, hazards and sacrifices of our nation's peace officers and to provide the opportunity to appreciate the heroic men and women who have dedicated their lives to preserving public safety; and

WHEREAS, As part of the observance of National Police Week, May 16, 2001, has been designated as Peace Officers' Memorial Day in Nevada to commemorate those noble officers who have made the ultimate sacrifice in service to their community; and

WHEREAS, The tragic loss felt when a peace officer is killed in the line of duty is expressed in these poignant words from a poem by Harry Koch:

Yes, somebody killed a policeman today,
It happened in your town or mine.
While we slept in comfort behind our locked doors,
A cop put his life on the line.
Now, his ghost walks a beat on a dark city street,

And he stands at each new rookie's side.
He answered the call and gave us his all,
And a part of America died.

Now, therefore, be it

RESOLVED BY THE ASSEMBLY OF THE STATE OF NEVADA, THE SENATE CONCURRING, That the members of the 71st session of the Nevada Legislature do hereby recognize May 16, 2001, as Peace Officers' Memorial Day in the State of Nevada; and be it further

RESOLVED, That during the week of May 13 through May 19, 2001, all residents of this state are urged to attend the ceremonies honoring those persons who gave their lives while preserving our safety, and are encouraged to express appreciation to those who continue to face death every day in their dedication to making Nevada a safer place in which to live.

Assemblyman Perkins moved the adoption of the resolution.

Remarks by Assemblymen Perkins, Hettrick, Goldwater, Chowning, Anderson, Gustavson, Nolan, Cegavske, Oceguela and Ohrenschall.

Assemblyman Parks requested that the following remarks be entered in the Journal.

ASSEMBLYMAN PERKINS:

Thank you, Mr. Speaker pro Tempore. I know it's no secret that in my day job I work in a law enforcement capacity. It's with that experience that I bring to you the comments I'm going to make in support of this resolution. In 1861, when Nevada was still a territory, we lost the first law enforcement officer in the line of duty. Since then, we have lost almost 100 more. Twenty have been lost in my brief tenure as a law enforcement officer for the City of Henderson. I truly do appreciate those who put forth the efforts in our communities to create a safer environment for all of us. Let me, as well, provide my heartfelt thanks to those who made the memorial on our capitol grounds a reality. I remember what a struggle it was to bring that about.

We enjoy the quality of life and the relative safety that we do, in our own communities, today because of those who have paid the ultimate sacrifice. I remember where I was and how I felt each and every time I heard about one of the members of law enforcement who lost their lives in the line of duty. I can remember the officer's names, where I was standing or sitting and the circumstances of what I was doing at the time. It's one those things that engrains in your mind when someone in a family like that is lost.

They're not perfect. We hire them from the human race. They make mistakes and sometimes face criticism. That's okay, but we always need to remember why they're here and what they are doing. Every single day that they go out to provide a safer community for us, they face the potential of not coming home.

Let me finish, Mr. Speaker pro Tempore, by indicating to you that as much as we would pray that another tragedy will not occur and we will not add another name to that memorial just north of here—we know that it is not going to happen. It is inevitable. It's the society we live in. I think it is important that we remember those who have given their lives for us and we remember why they did it and that we always remember them; that we remember their names. We have these services every year so that our children and our grandchildren will understand who they were, what they stood for, and how important it is to our entire collective society and our quality of life. For those reasons, and many more, Mr. Speaker pro Tempore, I urge support of this resolution.

ASSEMBLYMAN HETTRICK:

Thank you, Mr. Speaker pro Tempore. I rise in support of ACR 34. I think most of you know when I had my son on the floor. I am quite proud of him. He's a police officer in Douglas County. I certainly fear for the possibility of his name being added to something like this, so I just would rise and say we owe the people involved in protecting us a vote of our gratitude and our recognition of their efforts. Thank you.

ASSEMBLYMAN GOLDWATER:

Thank you, Mr. Speaker pro Tempore. I rise in support of this resolution. I was just starting out in the Legislature and got a phone call from my father, who was a lifelong Las Vegas. He came to Las Vegas in the early 1950s. He said, "David, I have an interesting problem. I used to be on a board in the mid-1960s, they called it the "Blue Coats." The "Blue Coats" was an organization that was formed to help out the families of fallen law enforcement officers. In those days, apparently, he explained to me, we didn't do much to take care of the families and the people that were left behind when law enforcement officers made the ultimate sacrifice. The problem he had was that the balance in the "Blue Coat" account over the course of 20 years of accruing interest and not spending any principal, had grown too high. They didn't know what to do with the money. They needed to figure out a way to invest the money some place else and find a way to give it away. I think I ended up recommending some scholarship programs or something like that.

It brought to mind how far we have come in appreciating what law enforcement officers do for us. Now we have programs in state government, federal government, and county government that provide for these things that at one time were not provided for. A lot of people will say we can't thank you enough. That is true. We can thank law enforcement officers by providing them with the resources they need to do their jobs; and understanding for the things the Speaker pointed out—it's not a perfect world and there's a great deal more that goes on in this world than we sometimes have the understanding of. So, we need to have the ability to understand, provide them with proper pay, with proper benefits and to make sure that we always remember very few of us put our lives on the line every day when we go to work. Those people that do put their lives on the line deserve special appreciation from the people who benefit from it.

ASSEMBLYWOMAN CHOWNING:

Thank you, Mr. Speaker pro Tempore. I stand in firm support of this resolution and in support of all of our law enforcement officers. Most especially, in the honor of a young man in my city named Raul Alexjandro, who was tragically cut down at only 23 years of age. It's very, very hard at any age, but at 23 your life has just begun. He was so very, very proud of the work that he planned on doing for the rest of his life. Now there has been a school named after him and that's just one of the ways our city has chosen to honor him. Thank you.

ASSEMBLYMAN ANDERSON:

Thank you, Mr. Speaker pro Tempore. I rise in support of the resolution. As the chairman of the committee that sends police officers in harms way, it would be negligent of me not to support the resolution. In listening to the other speakers I note the tremor of the voice in my colleague from District 39 and the emotional response from my colleague from District 28. I am mindful of the fact that the families of these men have to live in the shadow of the reality they don't want to talk about—that their beloved is going out into the world. It is when you least expect it that call is going to come. When they come here, look at these memorials, and listen to these remarks, it seems hollow compared to the sacrifice they make each and every day. I rise not only to support the officers who do this for us, but the families who have to stay and live. It is a small little salute that we can give for the sacrifice that these men make and have made for our State and our country.

ASSEMBLYMAN GUSTAVSON:

Thank you, Mr. Speaker pro Tempore. I also rise in support of ACR 34. Many of you already know that I have a daughter and her husband that are in law enforcement; therefore, I stand in great support of this resolution. We have many great men and women that are willing to go out there and put their lives on the line for us, to protect us, you and I, from our everyday living. We never know what could happen to them. As a parent of one who is in law enforcement you never know when that phone call may come. You pray hopefully everyday that it never will come. I do stand in support of this resolution and ask everyone else to support it.

ASSEMBLYMAN NOLAN:

Thank you, Mr. Speaker pro Tempore. I, too, rise in support of this resolution. Having worked alongside many of these people during my career in the emergency services, I have had the

unfortunate duty to respond to many of them when they have been injured. I remember at the age of 19 responding to the first police officer shooting at the Mark Twain Bar in Las Vegas where an undercover officer was shot. As we were rushing him to the hospital he asked me to relate to his family that he loved them and to tell that to his family. He passed away before we got to the hospital. Unfortunately, I saw that scene a number of times—responding to two police officers shot in a bar in North Las Vegas, and to officer Mark Carey who was gunned down while pursuing a suspect.

To see these fallen men and women, the proud strong icons of our law and justice system, gives me a sinking feeling. For each one injured we eat away a little bit at the system of law in this country. It is terrifying to know that there are people out there whose purpose is to do these people harm. To whatever degree we in this body can afford them the protection and support they deserve, I know it is our commitment to do so. On behalf of myself, and I'm sure I can say all of the good and peace loving citizens in this State we commend you. Thank you for the work that you do every day. Thank you, Mr. Speaker pro Tempore.

ASSEMBLYWOMAN CEGAVSKE:

Thank you, Mr. Speaker pro Tempore. I rise in support of ACR 34. It has been my privilege to get to know several of the officers through the Southwest Area Command. I sit on the advisory board. I have also been able to do some of the ride-alongs. If you have not gone on a ride-along with Bobby G you have not had a ride-along experience. I was also able to go on one of the drug raids. I realized that for over a year's time these officers from all facets had to plan what they were going to do, how many different things they had to think of, what would go right, what would go wrong and then knowing that they really didn't know for sure what was going to happen in each stop. I got to know each officer individually and know what they go through and what their families must go through each time they walk out the door. I stand in great admiration of all of them. I thank every one of them for what they do and who they are. I want to share with this body that my youngest son told us on Sunday that he is applying for the cadet school. I am very proud of him and support him. Thank you.

ASSEMBLYMAN OCEGUERA:

Thank you, Mr. Speaker. I, too, like several of my colleagues have been in the public safety business for several years. I was lucky enough to get on at an early age, right after college. One of my good friends tried for several years to get into public safety. We were college buddies; we were in the fraternity together and got hazed, which we can't do any more because of legislation we have enacted. I wrote him a letter of recommendation to get on the North Las Vegas Police Department. He rode with me, I rode with him. I was unfortunate enough to be called to his demise. It is the same colleague my friend from North Las Vegas described, Raul Alexjandro. It was very difficult to put my thoughts together when thinking about this resolution. One of the worst calls you can ever go on is a call of an officer down. I stand in support of this resolution and the men and women who serve.

ASSEMBLYWOMAN OHRENSCHALL:

Thank you, Mr. Speaker. I, too, support ACR 34. Having had the honor and privilege of teaching many classes of criminal law and criminal evidence to police officers at the Clark County Community College, I can tell you I don't know any other group of individuals who are so dedicated to the community. They are so willing to assist, not just by risking their lives in areas of law enforcement, but also on their own time on anything that needs to be done. I am totally overwhelmed by what I have seen among these officers.

To the Honorable the Assembly:

I have the honor to inform your honorable body that the Senate on this day adopted Senate Concurrent Resolution No. 46.

Also, I have the honor to inform your honorable body that the Senate on this day adopted Senate Concurrent Resolution No. 47.

Also, I have the honor to inform your honorable body that the Senate on this day adopted Senate Concurrent Resolution No. 48.

MARY JO MONGELLI

Assistant Secretary of the Senate

MOTIONS, RESOLUTIONS AND NOTICES

Senate Concurrent Resolution No. 46.

Assemblyman Anderson moved the adoption of the resolution.

Remarks by Assemblymen Anderson, Humke, Smith, de Braga and Cegavske.

Assemblyman Parks requested that the following remarks be entered in the Journal.

ASSEMBLYMAN ANDERSON:

Thank you, Mr. Speaker pro Tempore. I think those of us who have been here, remember that Jeanne was one of the hardest working employees at the Legislative Counsel Bureau. She made herself available to legislators and staff at the Legislature, no matter what the task. Although she was extremely busy and worked well into the night to complete her work, Jeanne never hesitated to take the time to assist anyone who asked—many times going beyond what was requested with the thoroughness that extended to all her efforts.

In addition to being an excellent employee, which many of our people are clearly aware of, Jeanne enjoyed living life. She had an enormous love for animals and she loved traveling. You

could see a sparkle in her eyes whenever she spoke about her dogs or her trips with her family and her loved ones.

Finally, Jeanne was a wonderful lady who enjoyed people and made friends easily. She gave enormously of her time to her friends and was always there to listen and give words of hope, advice and of her great wealth of knowledge about the fiscal matters of our area and its impact upon education.

Mr. Speaker pro Tempore, I was deeply saddened, as we all were, earlier this session when I heard of Jeanne's passing. I know she was respected and admired by all the members of this Body. We have all lost a wonderful friend. I think a park in her memory, of Jeanne, is a very appropriate way to honor this lovely lady. The particular park they have in mind is a lovely setting and I think reflects the character content of the lady that this resolution reflects.

ASSEMBLYMAN HUMKE:

Thank you, Mr. Speaker. I rise in support of SCR 46. I was taken by the ideas expressed in the resolution of Jeanne looking out on the park. I think the idea expressed in the resolution of naming the park after her is just a wonderful idea—one of the truly good ideas that can come out of this Legislature. I second all the remarks made by the representative from Sparks. I would remind the members of Jeanne. She knew the education system so well in our State, that she was the one, along with the legislators involved, that knew how to reform the education system because she knew it so well. Personally, I heard her give many briefings to legislative committees and it was just a sincere pleasure to listen to her speak—to make the complex understandable for some of us at the Legislature. She certainly will be missed. Thank you, Mr. Speaker pro Tempore.

ASSEMBLYWOMAN SMITH:

Thank you, Mr. Speaker pro Tempore. I rise in support of SCR 46. It's funny, because I have been connected to Jeanne Botts since I was a young girl. She was actually one of the Senior Leaders at my 4-H camp when I was in elementary school. Later, when she served on the Humboldt County School Board, I was serving on the Lander County School Board. Most importantly, when I became chairperson of the Council to Establish Academic Standards, I think my second meeting was with Jeanne Botts. I just thought, "Oh, my gosh!" She cracked the whip and kept us moving and in shape on that standards council for a long time. She was a walking encyclopedia and reference for us. She never tired. We had, as most people know, a very difficult first year at least. Jeanne persevered with us. I appreciated it very, very much. I can't think of a better thing to do than to name a park in her honor. As a citizen of Sparks, I will do what I can to help make that happen.

ASSEMBLYMAN DE BRAGA:

Thank you, Mr. Speaker pro Tempore. I rise in support of SCR 46 as well. It was my great pleasure to work closely with Jeanne Botts for several sessions—specifically on Legislative Education Committee and on the school district crisis in White Pine County. I was so impressed with her remarkable intelligence and her absolutely sparkling sense of humor. She could never be stumped with a question, she confronted problems with grace and resolve and she was always amazingly calm.

A little over a year ago, she and I attended a public meeting and we were both in wheelchairs. I had just had an accident at the time. Jeanne wheeled over to me to tell me how sorry she was that I had been injured. That about put me in tears. In spite of the rigors of her own terminal illness, she was genuinely concerned about my minor problem.

We watched her become more and more disabled, but with that wonderful mind still intact. I can't begin to imagine how she endured what she endured. She will be long remembered here for her contributions to this process, but even more lasting will be the memory of her unbelievable courage, which should serve as inspiration to us all. To name a park for her would be most fitting. It would reflect her peaceful personality and would be the perfect tribute to this truly great lady.

ASSEMBLYWOMAN CEGAVSKE:

Thank you, Mr. Speaker pro Tempore. I rise in support of SCR 46. It was my pleasure to spend my first session in 1997 getting to know Jeanne Botts. She was incredible, especially the knowledge she had on education issues. It is such a loss for the State of Nevada. She was one who knew everything about education, whether you agreed with her or not. She could debate you and take you to task on any subject that had to do with education. She was strong, she was composed—always. I not only enjoyed working with her but learning from her. In every educational bill that we look at and we address, I definitely think of Jeanne and often think to myself, “What would she think about this issue? Where would she direct us? Where would she send us to look for more information?” With that, Mr. Speaker pro Tempore, just to say that she is missed and is a colleague that we all will remember. Thank you.

Resolution adopted unanimously.

Senate Concurrent Resolution No. 47.

Assemblywoman Parnell moved the adoption of the resolution.

Remarks by Assemblywoman Parnell.

Assemblyman Parks requested that the following remarks be entered in the Journal.

ASSEMBLYWOMAN PARNELL:

Thank you, Mr. Speaker pro Tempore. Dr. William Van Patten served both our country and this community well. After serving in the United States Air Force he began his very long, distinguished 39-year career as one of Carson City’s local, respected optometrists. He also found 11 years of his life to give to the Carson City School District. It was there that I first met Dr. Van Patten. I came here in 1976 and started substituting and got involved politically early on in the school district and he was at that point in time still serving on the board.

He did find a couple of years to enjoy himself after he retired. He spent much of his time golfing, often in Palm Springs. But I look at Dr. Van Patten’s life and I really have to say, and his children don’t know I’m going to say this, but I think perhaps his children are his greatest legacy. Both decided to follow in their father’s footsteps and join the medical arena. His son is now a respected local dentist—my dentist. His daughter has taken his place, and has become a very well respected, wonderful local optometrist. I urge you all to support this resolution on behalf of the Van Patten family. Thank you, Mr. Speaker pro Tempore.

Resolution adopted unanimously.

Senate Concurrent Resolution No. 48.

Assemblyman Brower moved the adoption of the resolution.

Remarks by Assemblyman Brower.

Assemblyman Parks requested that the following remarks be entered in the Journal.

ASSEMBLYMAN BROWER:

Thank you very much, Mr. Speaker pro Tempore. It is my honor to rise in support of SCR 48. Dennis Kollar served as a dedicated law enforcement officer for over 25 years, as the resolution states. The last seven years of his life were devoted to serving the law enforcement community in the State of Nevada. For all the reasons articulated by the Speaker and others earlier this afternoon, Mr. Kollar’s distinguished career is worthy of our recognition today.

There are a couple of other things I want to mention about Mr. Kollar that are also worthy of our recognition today. We, as a country, and I myself and many members of this body often take the opportunity to commend and honor our World War II veterans. That is with good reason. We have two such heroes in this Body and they’re worthy of our honor at every opportunity. What we don’t do enough of, as a country, in my opinion, is honor our Vietnam Veterans. As you heard, Mr. Kollar served his country in Vietnam with the United States Army. I think that when we recognize Dennis, today, we should remember him, not only as a dedicated cop for many

years but in a positive way as a Vietnam Veteran and as a patriot who, when his country called him to service, rose to the occasion and served. Thank you, Mr. Speaker pro Tempore.

Resolution adopted unanimously.

Remarks by Assemblymen Giunchigliani, Hettrick, Carpenter, de Braga and Dini.

Assemblyman Dini requested that the following remarks be entered in the Journal.

ASSEMBLYWOMAN GIUNCHIGLIANI:

Thank you, Mr. Speaker. AB 665 is a bill that is fair and constitutional. It is a solid plan that accomplishes the two most important goals of redistricting. First and foremost, it provides equal representation for all Nevadans. The second goal accomplished by this plan is compliance with the Voting Rights Act. Thirdly, the population variation between the largest and smallest district is less than 2 percent. That is why we are confident the bill and plan it contains will meet every constitutional test. In drafting this bill, our first step in the process was to fulfill our legislative duty as set forth to determine the size of the Legislature. As we all know, the law states that it is the Legislature's responsibility to determine the size and AB 665 maintains the current size. We believe the plan, which continues to have a 42 member Assembly and 21 member Senate, ensures one person, one vote. The plan has districts that are contiguous and preserve neighborhoods. It provides communities of interest the opportunity to elect a candidate that they best feel represents their interest. We believe this plan or any plan that could command a majority of this Assembly will provide the opportunity for a variety of constituencies to elect the representative of their choice. This is especially true in Nevada's growing Hispanic community.

AB 665 creates a new Senate seat with no incumbent, which happens to also contain Hispanic population which ensures an effective majority in that district so the population has the opportunity to elect a candidate of their choosing. We preserve the seats represented by the African American community. There are six open seats in Clark County, which we believe afford the opportunity for various groups to sponsor and elect someone representing their community of interest. AB 665 also revises the districts for representatives in Congress. The measure creates a new third Congressional seat within Clark County. The plan contains an overall range of deviation of 0 percent (36 people), from the ideal population of 666,086 people per Congressional district and complies with the equal population criteria established by the United States Supreme Court. The measure also adds to Chapter 304 of the Nevada Revised Statutes the definitions of block, block group and census tract for the purposes of reapportioning and redistricting Congressional districts. The bill makes it clear that each state Senator who was elected on November 7, 2000 shall serve the remainder of his or her term and specifies that those Senators shall represent the new districts in which they reside beginning on the date of the next general election, November 6, 2002.

Finally, AB 665 specifies that the current term of the Senator elected from the Clark County Senatorial District No. 5 expires on November 6, 2002 and sets forth the beginning and ending terms for the three open Senate seats proposed under this plan. We will continue working with groups throughout this process. As we all know, all legislation is a work in progress and I would urge your support of AB 665.

ASSEMBLYMAN HETRICK:

Thank you, Mr. Speaker. I rise in opposition to AB 665. I would simply say that as my colleague from Assembly District 9 testified in committee when we heard this bill, it's a great place to begin negotiating from. Thank you.

ASSEMBLYMAN CARPENTER:

Thank you, Mr. Speaker. Because Assemblyman Marvel and I have to share a district, I have mixed emotions. It might not be too bad of an idea. I can serve the first 60 days when we get paid and I'll let him come the rest of the time. He says, "We'll flip." I think, because I'm the junior member, I get to come first.

ASSEMBLYMAN DE BRAGA:

Thank you, Mr. Speaker. I rise in opposition to AB 665, but after hearing the comments from my colleague from Elko, I might change my mind. I realize this is just a starting place but I have to argue for the loss of rural seats that would occur in keeping the same number of seats in the Legislature. My only interest is in preserving as much of the integrity of those districts as now exists. They are already tremendously large and I think it undermines rural representation.

ASSEMBLYMAN DINI:

Thank you, Mr. Speaker. I think I wanted to say about the same thing as my colleague from Assembly District No. 35 said, although I'm going to vote for the bill. I think in the long run we

will negotiate this thing into something more workable. I was the first one who spoke up for adding more seats to the numbers. We haven't found the magic number yet, but there are better alternatives than 42, from those of us who come from rural Nevada. I think that the districts are too big and it compacts us in the western part of the state, and crunches us against the western borders. I don't think it is the best possible plan that we could have without adding numbers. So I will put my protest in that we need to add numbers to give the rural people a chance to have some effective representation.

2. *The obligations of a bank, savings and loan association, thrift company or credit union must be held to secure the same obligation as would the surety bond required by section 4 of this act. With the approval of the administrator of the health division, the facility may substitute other suitable obligations for those deposited, which must be assigned to the health division*

and are negotiable only upon approval of the administrator of the health division.

3. *Any interest or dividends earned on the deposit accrue to the account of the facility.*

4. *The deposit must be an amount at least equal to the surety bond required by section 4 of this act and must state that the amount may not be withdrawn except by the direct and sole order of the administrator of the health division.”.*

“WHEREAS, Historically, the proceeds of the tax on jet fuel have been used to help support transportation infrastructure projects that are vital to an airport; and

WHEREAS, An increased use of Nevada’s airports causes corresponding increases in tourism and increases in the economic development of this state which are crucial to the economy of the State of Nevada and to the general welfare of the residents of this state; and

WHEREAS, Expanding the purposes for which the proceeds of the tax on jet fuel may be expended to include expenditures to promote the increased use of Nevada’s airports may reduce the amount of those proceeds that remains available to support the infrastructure projects that were historically reliant on this revenue source; and

WHEREAS, To ensure that sufficient proceeds are available to continue the historical financial support of transportation infrastructure projects, governmental entities may feel compelled to increase the rate of the tax which may lead to corresponding increases in the price of airline tickets; and

WHEREAS, The availability of affordable air service to and from Nevada is extremely important to the residents of this state, to business travelers and to tourists, and is therefore crucial to the vitality of Nevada’s tourism industry and economic development; and

WHEREAS, The amendment by this Legislature of NRS 365.545 to expand the authorized uses of the proceeds of the tax on jet fuel is intended to benefit the tourism industry and the economic development of this state, however, it is not the intent of the Legislature to authorize an unduly burdensome increase in the rate of this tax which would have a detrimental effect upon Nevada’s tourism industry and upon economic development and expansion in this state; and

WHEREAS, The Nevada Legislature trusts that the governmental entities which own the airports at which the tax on jet fuel is collected will, if considering such a tax increase, also consider the practical effect such an increase may have upon the price of air travel, the vitality of Nevada’s tourism industry and the economic development and expansion of this state generally; and

WHEREAS, The Nevada Legislature believes that it is imperative that representatives of these governmental entities consult with representatives of the airlines and with tourism and economic development officials when considering whether to use the proceeds from the tax on jet fuel to promote the increased use of the airport; now, therefore,”.

(1) Because of bodily injury to or death of one person in any one accident, \$15,000;

(2) Subject to the limit for one person, because of bodily injury to or death of two or more persons in any one accident, \$30,000; and

(3) Because of injury to or destruction of property of others in any one accident, \$10,000.

~~2. ~~[5.]~~ 4. Every motor vehicle liability policy is subject to the following provisions which need not be contained therein:

No statement made by the insured or on his behalf and no violation of the policy defeats or voids the policy.

(b) The satisfaction by the insured of a judgment for injury or damage is not a condition precedent to the right or duty of the insurance carrier to make payment on account of the injury or damage.

(c) The insurance carrier may settle any claim covered by the policy, and if such a settlement is made in good faith, the amount thereof is deductible from the limits of liability specified in paragraph (b) of subsection 1.

~~{6-}~~ 5. Any policy which grants the coverage required for a motor vehicle liability policy may also grant any lawful coverage in excess of or in addition to the coverage specified for a motor vehicle liability policy, and the excess or additional coverage is not subject to the provisions of this chapter.

~~{7-}~~ 6. Any motor vehicle liability policy may provide for the prorating of the insurance thereunder with other valid and collectible insurance.

~~{8-}~~ 7. The requirements for a motor vehicle liability policy may be fulfilled by the policies of one or more insurance carriers, which policies together meet those requirements.

The department shall adopt regulations to carry out the provisions of this subsection.

10.”.

Amend the bill as a whole by renumbering sec. 7 as sec. 13 and adding new sections designated sections 11 and 12, following sec. 6, to read as follows:

“Sec. 11. NRS 690B.020 is hereby amended to read as follows:

690B.020 1. Except as otherwise provided in this section , ~~and NRS 690B.035,~~ no policy insuring against liability arising out of the ownership, maintenance or use of any motor vehicle may be delivered or issued for delivery in this state unless coverage is provided therein or supplemental thereto for the protection of persons insured thereunder who are legally entitled to recover damages, from owners or operators of uninsured or hit-and-run motor vehicles, for bodily injury, sickness or disease, including death, resulting from the ownership, maintenance or use of the uninsured or hit-and-run motor vehicle. No such coverage is required in or supplemental to a policy issued to the State of Nevada or any political subdivision thereof, or where rejected in writing, on a form furnished by the insurer describing the coverage being rejected, by an insured named therein, or upon any renewal of such a policy unless the coverage is then requested in writing by the named insured. The coverage required in this section may be referred to as “uninsured vehicle coverage.”

2. The amount of coverage to be provided must be not less than the minimum limits for liability insurance for bodily injury provided for under chapter 485 of NRS, but may be in an amount not to exceed the coverage for bodily injury purchased by the policyholder.

3. For the purposes of this section , the term “uninsured motor vehicle” means a motor vehicle:

(a) With respect to which there is not available at the department of motor vehicles and public safety evidence of financial responsibility as required by chapter 485 of NRS;

(b) With respect to the ownership, maintenance or use of which there is no liability insurance for bodily injury or bond applicable at the time of the accident ~~+~~ or, to the extent of such deficiency, any liability insurance for bodily injury or bond in force is less than the amount required by NRS 485.210;

(c) With respect to the ownership, maintenance or use of which the company writing any applicable liability insurance for bodily injury or bond denies coverage or is insolvent;

(d) Used without the permission of its owner if there is no liability insurance for bodily injury or bond applicable to the operator;

(e) Used with the permission of its owner who has insurance which does not provide coverage for the operation of the motor vehicle by any person other than the owner if there is no liability insurance for bodily injury or bond applicable to the operator; or

(f) The owner or operator of which is unknown or after reasonable diligence cannot be found if:

(1) The bodily injury or death has resulted from physical contact of the automobile with the named insured or the person claiming under him or with an automobile which the named insured or such a person is occupying; and

(2) The named insured or someone on his behalf has reported the accident within the time required by NRS 484.223, 484.225 or 484.227 to the police department of the city where it occurred, or if it occurred in an unincorporated area, to the sheriff of the county or to the Nevada highway patrol.

4. For the purposes of this section , the term “uninsured motor vehicle” also includes, subject to the terms and conditions of coverage, an insured other motor vehicle where:

(a) The liability insurer of the other motor vehicle is unable because of its insolvency to make payment with respect to the legal liability of its insured within the limits specified in its policy;

(b) The occurrence out of which legal liability arose took place while the uninsured vehicle coverage required under paragraph (a) was in effect; and

(c) The insolvency of the liability insurer of the other motor vehicle existed at the time of, or within 2 years after, the occurrence.

Nothing contained in this subsection prevents any insurer from providing protection from insolvency to its insureds under more favorable terms.

5. 1. Except as otherwise provided in subsection 6, any natural person may satisfy the requirements of NRS 485.185 by obtaining, in lieu of an owner's policy of liability insurance, an operator's policy of liability insurance which meets the requirements of this section and NRS 485.3091.

2. An operator's policy of liability insurance must state, in addition to the requirements of NRS 485.3091, that:

(a) The insurer is only liable under the policy for liability incurred by the insured while the named insured is the operator of a motor vehicle or while a motor vehicle owned by the insured is not being operated by any person;

(b) The policy does not provide coverage for any vicarious liability imposed on the owner of the motor vehicle as a result of the operation by another person of a motor vehicle owned by the insured or for any liability imposed by NRS 41.440 or 483.300; and

(c) The coverage provided by the policy may not meet the requirements of the financial responsibility laws of other states, unless such extended coverage is expressly included in the policy. No operator's policy of liability insurance may be delivered or issued for delivery in this state unless the insured has signed an endorsement stating that he has read and understood the policy and its limitations.

3. An owner of a motor vehicle which is registered or required to be registered in this state and who holds an operator's policy of liability insurance shall not permit another person to operate his motor vehicle if the owner knows or should have known that the person does not have liability insurance to cover his own operation of that motor vehicle.

4. An operator's policy of liability insurance must not provide coverage for damages incurred while a person other than the named insured is operating a motor vehicle.

5. An operator's policy of liability insurance must provide coverage for liability incurred by the insured while a motor vehicle owned by the insured is not being operated by any person.

Amend sec. 44, page 22, line 28, by deleting “To” and inserting: “Except as otherwise provided in NRS 354.59891, to”.

Amend the bill as a whole by adding a new section designated sec. 57.5, following sec. 57, to read as follows:

“Sec. 57.5. NRS 360.690 is hereby amended to read as follows:

360.690 1. Except as otherwise provided in NRS 360.730, the executive director shall estimate monthly the amount each local government, special district and enterprise district will receive from the account pursuant to the provisions of this section.

2. The executive director shall establish a base monthly allocation for each local government, special district and enterprise district by dividing the amount determined pursuant to NRS 360.680 for each local government, special district and enterprise district by 12 and the state treasurer shall, except as otherwise provided in subsections 3, 4 and 5, remit monthly that amount to each local government, special district and enterprise district.

3. If, after making the allocation to each enterprise district for the month, the executive director determines there is not sufficient money available in the county’s subaccount in the account to allocate to each local government and special district the base monthly allocation determined pursuant to subsection 2, he shall prorate the money in the county’s subaccount and allocate to each local government and special district an amount equal to the percentage of the amount that the local government or special district received from the total amount which was distributed to all local governments and special districts within the county for the fiscal year

immediately preceding the year in which the allocation is made. The state treasurer shall remit that amount to the local government or special district.

4. Except as otherwise provided in subsection 5, if the executive director determines that there is money remaining in the county's subaccount in the account after the base monthly allocation determined pursuant to subsection 2 has been allocated to each local government, special district and enterprise district, he shall immediately determine and allocate each:

(a) Local government's share of the remaining money by:

(1) Multiplying one-twelfth of the amount allocated pursuant to NRS 360.680 by one plus the sum of the:

(I) Percentage change in the population of the local government for the fiscal year immediately preceding the year in which the allocation is made, as certified by the governor pursuant to NRS 360.285 except as otherwise provided in subsection 6; and

(II) Average percentage of change in the assessed valuation of the taxable property in the local government, including assessed valuation attributable to a redevelopment agency but excluding the portion attributable to the net proceeds of minerals, over the year in which the allocation is made, as projected by the department pursuant to NRS 361.390, and the 4 fiscal years immediately preceding the year in which the allocation is made; and

(2) Using the figure calculated pursuant to subparagraph (1) to calculate and allocate to each local government an amount equal to the proportion that the figure calculated pursuant to subparagraph (1) bears to the total amount of the figures calculated pursuant to subparagraph (1) of this paragraph and subparagraph (1) of paragraph (b), respectively, for the local governments and special districts located in the same county multiplied by the total amount available in the subaccount; and

(b) Special district's share of the remaining money by:

(1) Multiplying one-twelfth of the amount allocated pursuant to NRS 360.680 by one plus the average change in the assessed valuation of the taxable property in the special district, including assessed valuation attributable to a redevelopment agency but excluding the portion attributable to the net proceeds of minerals, over the 5 fiscal years immediately preceding the year in which the allocation is made; and

(2) Using the figure calculated pursuant to subparagraph (1) to calculate and allocate to each special district an amount equal to the proportion that the figure calculated pursuant to subparagraph (1) bears to the total amount of the figures calculated pursuant to subparagraph (1) of this paragraph and subparagraph (1) of paragraph (a), respectively, for the local governments and special districts located in the same county multiplied by the total amount available in the subaccount.

The state treasurer shall remit the amount allocated to each local government or special district pursuant to this subsection.

5. The executive director shall not allocate any amount to a local government or special district pursuant to subsection 4, unless the amount

distributed and allocated to each of the local governments and special districts in the county in each preceding month of the fiscal year in which the allocation is to be made was at least equal to the base monthly allocation determined pursuant to subsection 2. If the amounts distributed to the local governments and special districts in the county for the preceding months of the fiscal year in which the allocation is to be made were less than the base monthly allocation determined pursuant to subsection 2 and the executive director determines there is money remaining in the county's subaccount in the account after the distribution for the month has been made, he shall:

(a) Determine the amount by which the base monthly allocations determined pursuant to subsection 2 for each local government and special district in the county for the preceding months of the fiscal year in which the allocation is to be made exceeds the amounts actually received by the local governments and special districts in the county for the same period; and

(b) Compare the amount determined pursuant to paragraph (a) to the amount of money remaining in the county's subaccount in the account to determine which amount is greater.

If the executive director determines that the amount determined pursuant to paragraph (a) is greater, he shall allocate the money remaining in the county's subaccount in the account pursuant to the provisions of subsection 3. If the executive director determines that the amount of money remaining in the county's subaccount in the account is greater, he shall first allocate the money necessary for each local government and special district to receive the base monthly allocation determined pursuant to subsection 2 and the state treasurer shall remit that money so allocated. The executive director shall allocate any additional money in the county's subaccount in the account pursuant to the provisions of subsection 4.

6. The percentage change calculated pursuant to paragraph (a) of subsection 4 must:

(a) ~~[[H]]~~ *Except as otherwise provided in paragraph (c), if the Bureau of the Census of the United States Department of Commerce issues population totals that conflict with the totals certified by the governor pursuant to NRS 360.285, be an estimate of the change in population for the calendar year, based upon the population totals issued by the Bureau of the Census.*

(b) *If a new method of determining population is established pursuant to NRS 360.283, be adjusted in a manner that will result in the percentage change being based on population determined pursuant to the new method for both the fiscal year in which the allocation is made and the fiscal year immediately preceding the year in which the allocation is made.*

(c) *If a local government files a formal appeal with the Bureau of the Census of the United States Department of Commerce concerning the population total of the local government issued by the Bureau of the Census, be calculated using the population total certified by the governor pursuant to NRS 360.285 until the appeal is resolved. If additional money is allocated to the local government because the population total certified by the governor*

is greater than the population total issued by the Bureau of the Census, the state treasurer shall deposit that additional money in a separate interest-bearing account. Upon resolution of the appeal, if the population total finally determined pursuant to the appeal is:

(1) Equal to or less than the population total initially issued by the Bureau of the Census, the state treasurer shall transfer the total amount in the separate interest-bearing account, including interest but excluding any administrative fees, to the local government tax distribution account for allocation among the local governments in the county pursuant to subsection 4.

(2) Greater than the population total initially issued by the Bureau of the Census, the executive director shall calculate the amount that would have been allocated to the local government pursuant to subsection 4 if the population total finally determined pursuant to the appeal had been used and the state treasurer shall remit to the local government an amount equal to the difference between the amount actually distributed and the amount calculated pursuant to this subparagraph or the total amount in the separate interest-bearing account, including interest but excluding any administrative fees, whichever is less.

7. On or before February 15 of each year, the executive director shall provide to each local government, special district and enterprise district a preliminary estimate of the revenue it will receive from the account for that fiscal year.

8. On or before March 15 of each year, the executive director shall:

(a) Make an estimate of the receipts from each tax included in the account on an accrual basis for the next fiscal year in accordance with generally accepted accounting principles, including an estimate for each county of the receipts from each tax included in the account; and

(b) Provide to each local government, special district and enterprise district an estimate of the amount that local government, special district or enterprise district would receive based upon the estimate made pursuant to paragraph (a) and calculated pursuant to the provisions of this section.

9. A local government, special district or enterprise district may use the estimate provided by the executive director pursuant to subsection 8 in the preparation of its budget.”.

The following amendment was proposed by the Select Committee on Energy:

Amendment No. 744.

Amend the bill as a whole by deleting sections 1 through 109 and the text of repealed sections and adding new sections designated sections 1 through 131 and the text of repealed sections, following the enacting clause, to read as follows:

“Section 1. For the purposes of sections 3 to 26, inclusive, of this act, the legislature hereby finds and declares that:

1. A reliable and reasonably priced supply of electricity is critical to the economy of this state and to the health, safety and welfare of the residents of this state;

2. The electric utilities in this state depend on regional energy markets to purchase approximately 50 percent of the electricity needed to serve their customers in this state, and such purchases are often made pursuant to agreements with terms of 1 year or less;

3. The energy markets in the western United States currently are characterized by critical shortages in the supply of electricity and extremely high prices for electricity, both of which are damaging to the strength of the economy of this state and to the well-being of the residents of this state;

4. The residents of this state would benefit from construction of new generation assets in this state and from access to other new electric resources, wherever located, that provide lower-priced electricity;

5. The economic development that would result from construction in this state of new generation assets, supporting gas pipelines and additional infrastructure would be of special benefit to the rural areas of this state where the new generation assets are most likely to be located;

6. During this session, the legislature has considered a number of different but complementary approaches to developing and using new generation assets and other new electric resources and to increasing the supply of reasonably priced electricity in this state;

7. The development and use of new generation assets and other new electric resources by eligible customers would permit the electric utilities in this state to reduce their dependence on purchases of excessively priced electricity from dysfunctional, short-term energy markets and would thereby reduce the average system costs for such electric utilities;

8. The development and use of new generation assets and other new electric resources can be encouraged by allowing eligible customers to use their own resources, initiative, expertise and credit to develop, access and enter into agreements for the purchase of electricity from new generation assets and other new electric resources; and

9. To protect the electric utilities in this state and their remaining customers, all transactions proposed by eligible customers pursuant to sections 3 to 26, inclusive, of this act must be carefully reviewed by the public utilities commission of Nevada to ensure that the electric utilities in

this state and their remaining customers are not subject to increased costs as a result of the proposed transactions and that the proposed transactions are not otherwise contrary to the public interest.

Sec. 2. Title 58 of NRS is hereby amended by adding thereto a new chapter to consist of the provisions set forth as sections 3 to 26, inclusive, of this act.

Sec. 3. *As used in this chapter, unless the context otherwise requires, the words and terms defined in sections 4 to 16, inclusive, of this act have the meanings ascribed to them in those sections.*

Sec. 4. *“Ancillary services” means those generation services that:*

1. *Are necessary to support the transmission of energy and capacity from resources to loads while maintaining reliable operation of the transmission system of the electric utility; and*

2. *Are defined and established in applicable transmission tariffs on file with the Federal Energy Regulatory Commission.*

Sec. 5. *“Calendar quarter” means each period of 3 consecutive calendar months ending on March 31, June 30, September 30 and December 31 in each calendar year.*

Sec. 6. *“Commission” means the public utilities commission of Nevada.*

Sec. 7. 1. *“Electric utility” means any public utility or successor in interest that:*

(c) *In the most recently completed calendar year or in any other calendar year within the 7 calendar years immediately preceding the most recently completed calendar year, had a gross operating revenue of \$250,000,000 or more in this state.*

2. *The term does not include a cooperative association, nonprofit corporation, nonprofit association or provider of electric service which is declared to be a public utility pursuant to NRS 704.673 and which provides service only to its members.*

Sec. 8. *“Electric utility that primarily serves densely populated counties” means an electric utility that, with regard to the provision of electric service, derives more of its annual gross operating revenue in this state from customers located in counties whose population is 400,000 or more than it does from customers located in counties whose population is less than 400,000.*

Sec. 9. *“Electric utility that primarily serves less densely populated counties” means an electric utility that, with regard to the provision of electric service, derives more of its annual gross operating revenue in this state from customers located in counties whose population is less than 400,000 than it does from customers located in counties whose population is 400,000 or more.*

Sec. 10. *“Eligible customer” means an end-use customer which is:*

1. *A nongovernmental commercial or industrial end-use customer that has an average annual load of 1 megawatt or more in the service territory of an electric utility.*

2. *A governmental entity, including, without limitation, a governmental entity providing educational or health care services, that:*

(a) *Performs its functions using one or more facilities which are operated under a common budget and common control; and*

(b) *Has an average annual load of 1 megawatt or more in the service territory of an electric utility.*

Sec. 11. *“Energy” means electrical energy.*

Sec. 13. *“New electric resource” means:*

1. *The energy, capacity or ancillary services and any increased or additional energy, capacity or ancillary services which are:*

(a) *Made available from a generation asset that is not owned by an electric utility or is not subject to contractual commitments to an electric utility that make the energy, capacity or ancillary services from the generation asset unavailable for purchase by an eligible customer; and*

(b) *Able to be delivered to an eligible customer.*

2. *Any increased energy, capacity or ancillary services made available from a generation asset pursuant to an agreement described in section 18 of this act.*

Sec. 14. *“Person” means:*

1. *A natural person.*

2. *Any form of business or social organization and any other nongovernmental legal entity, including, without limitation, a corporation, partnership, association, trust or unincorporated organization.*

3. *A governmental entity other than:*

(a) *This state or an agency or instrumentality of this state; or*

(b) *A political subdivision of this state or an agency or instrumentality of a political subdivision of this state.*

Sec. 15. *“Provider of new electric resources” and “provider” mean a person who makes energy, capacity or ancillary services from a new electric resource available to an eligible customer.*

Sec. 16. *“Time-of-use meter” means a meter that:*

1. *Measures and records the electric demand, energy and power factor on 15-minute intervals; and*

2. *Is suitable for use with an electric demand of 1 megawatt or more.*

Sec. 17. 1. *The provisions of this chapter do not alter, diminish or otherwise affect any rights or obligations arising under any contract which requires an electric utility to purchase energy, capacity or ancillary services from another party and which exists on the effective date of this act.*

2. *Each electric utility or its assignee shall comply with the terms of any contract which requires the electric utility or its assignee to purchase energy, capacity or ancillary services from another party and which exists on the effective date of this act.*

Sec. 18. 1. *Except as otherwise provided in this section, an electric utility may, at its discretion, enter into agreements relating to its generation assets and the energy, capacity or ancillary services provided by its generation assets with one or more other persons who are not electric utilities. Such agreements:*

(a) *May include, without limitation, agreements to construct or install a new generation asset on real property that is adjacent to an existing generation asset owned by the electric utility; and*

(b) *May provide for the sharing of available common facilities with the existing generation asset or the reengineering, repowering or expansion of the existing generation asset to generate energy more efficiently and at a lower cost and to make more energy available to customers in this state.*

2. *Any increased energy, capacity or ancillary services made available from a new generation asset or an existing generation asset pursuant to an agreement described in subsection 1 shall be deemed to be a new electric resource that may be:*

(a) *Owned by the parties to the agreement who are not electric utilities; and*

5. *The commission shall encourage the development of new electric resources and shall not exercise its regulatory authority in a manner that unnecessarily or unreasonably restricts, conditions or discourages any agreement described in subsection 1 that is likely to result in increased energy, capacity or ancillary services from a generation asset or improved or more efficient operation or management of a generation asset.*

Sec. 19. 1. *Except as otherwise provided in this section, a provider of new electric resources may sell energy, capacity or ancillary services to one or more eligible customers if the eligible customers have been approved to*

Sec. 20. 1. An eligible customer that is purchasing electric service from an electric utility shall not purchase energy, capacity or ancillary services from a provider of new electric resources and an eligible customer that is purchasing energy, capacity or ancillary services from a provider of new electric resources shall not purchase energy, capacity or ancillary services from another provider unless:

(b) The commission approves the application by a written order issued in accordance with the provisions of this section and section 21 of this act. The date on which the eligible customer intends to begin purchasing energy, capacity or ancillary services from the provider must not be sooner than the date on which the provider is authorized by section 19 of this act to begin selling energy, capacity or ancillary services to the eligible customer.

2. Except as otherwise provided in subsection 3, each application filed pursuant to this section must include:

5. The commission shall approve the application of the eligible customer unless the commission finds that the proposed transaction:

(a) Will be contrary to the public interest; or

(b) Does not comply with the provisions of section 21 of this act, if those provisions apply to the proposed transaction.

6. In determining whether the proposed transaction will be contrary to the public interest, the commission shall consider, without limitation:

(a) Whether the electric utility that has been providing electric service to the eligible customer will be burdened by increased costs as a result of the proposed transaction or whether any remaining customer of the electric utility will pay increased costs for electric service as a result of the proposed transaction;

(b) Whether the proposed transaction will impair system reliability or the ability of the electric utility to provide electric service to its remaining customers; and

(c) Whether the proposed transaction will add energy, capacity or ancillary services to the supply in this state.

7. If the commission approves the application of the eligible customer:

(a) The eligible customer shall not begin purchasing energy, capacity or ancillary services from the provider pursuant to the proposed transaction sooner than 180 days after the date on which the application was filed; and

(b) The commission shall order such terms, conditions and payments as the commission deems necessary and appropriate to ensure that the proposed transaction will not be contrary to the public interest. Such terms, conditions and payments:

(2) Must include, without limitation, payment by the eligible customer to the electric utility of the eligible customer's load-share portion of any unrecovered balance in the deferred accounts of the electric utility.

8. If the commission does not enter a final order on the application of the eligible customer within 90 days after the date on which the application was filed with the commission:

(a) The application shall be deemed to be approved by the commission; and

(b) The eligible customer shall not begin purchasing energy, capacity or ancillary services from the provider pursuant to the proposed transaction sooner than 180 days after the date on which the application was filed.

(a) The amount of energy that each such eligible customer purchases from providers of new electric resources before July 1, 2003, must not exceed 80 percent of the load of the eligible customer; and

(b) The aggregate amount of energy that all such eligible customers purchase from providers of new electric resources before July 1, 2003, must not exceed 50 percent of the difference between the existing supply of energy generated in this state that is available to the electric utility and the existing demand for energy in this state that is consumed by the customers of the electric utility, as determined by the commission.

2. An eligible customer that is a nongovernmental commercial or industrial end-use customer whose load is in the service territory of an electric utility that primarily serves densely populated counties shall not purchase energy, capacity or ancillary services from a provider of new electric resources unless, as part of the proposed transaction, the eligible customer agrees to:

3. If an eligible customer is subject to the provisions of subsection 2, the eligible customer shall include with its application filed pursuant to section 20 of this act all information concerning the contract offered to the electric

utility that is necessary for the commission to determine whether it is in the best interest of the remaining customers of the electric utility for the electric utility to accept the rights to the contract. Such information must include, without limitation, the amount of the energy and capacity to be purchased under the contract, the price of the energy, capacity and ancillary services and the duration of the contract. Information concerning the price of the energy, capacity and ancillary services and any other terms or conditions of the contract that the commission determines are commercially sensitive shall be deemed to be confidential, and the commission shall establish a procedure for protecting such information from disclosure.

4. If the commission determines that the contract:

(a) Is not in the best interest of the remaining customers of the electric utility, the electric utility shall not accept the rights to the contract, and the eligible customer is entitled to all rights to the contract.

(b) Is in the best interest of the remaining customers of the electric utility, the electric utility shall accept the rights to the contract and the eligible customer shall assign all rights to the contract to the electric utility. A contract that is assigned to the electric utility pursuant to this paragraph shall be deemed to be an approved part of the resource plan of the electric utility and a prudent investment, and the electric utility may recover all costs for the energy, capacity and ancillary services acquired pursuant to the contract. To the extent practicable, the commission shall take actions to ensure that the electric utility uses the energy, capacity and ancillary services acquired pursuant to each such contract only for the benefit of the remaining customers of the electric utility that are not eligible customers, with a preference for the remaining customers of the electric utility that are residential customers with small loads.

Sec. 22. 1. If an eligible customer is purchasing energy, capacity or ancillary services from a provider of new electric resources, the eligible customer may, pursuant to tariffs approved by the commission, replace some or all, but not less than all at a single time-of-use meter, of the energy, capacity or ancillary services purchased from the provider of new electric resources with energy, capacity or ancillary services purchased from an electric utility.

2. The tariffs approved by the commission pursuant to this section must include, without limitation:

The eligible customer shall pay all costs for the time-of-use meter and for installation of the time-of-use meter by the electric utility.*

3. *Not more than one person or entity may sell the energy that is delivered to an eligible customer through any one time-of-use meter.*

Sec. 45. 1. If a public utility purchases electricity for resale pursuant to multiple contracts or existing obligations for the purchase of power, the public utility shall, to the extent practicable, ensure that the duration of such contracts or obligations are varied to protect the customers of the public utility from the effects of fluctuations in the price of electricity.

2. In determining whether the purchase of electricity for resale by a public utility is in the public interest pursuant to NRS 704.320, the commission shall consider whether the public utility is taking prudent actions to ensure that the duration of its contracts and obligations for the purchase of power are varied to protect the customers of the public utility from the effects of fluctuations in the price of electricity.

Sec. 46. 1. If any person intends to construct an electric generating unit or increase the generating capacity of an electric generating unit and the commission has jurisdiction concerning the matter, the commission shall consider, in determining whether to grant:

2. The commission shall levy the assessment not more than once on each new electric generating unit which is capable of being operated

independently from any other electric generating unit that is or will be part of or connected to any associated facilities. The commission shall levy the assessment on each new electric generating unit whether or not any other electric generating unit that is or will be part of or connected to any associated facilities has begun commercial operation or has had an assessment levied on it pursuant to this section.

3. The amount of the assessment levied on each new electric generating unit must equal the product obtained by multiplying the maximum generating capacity of the new electric generating unit, as determined by the commission and expressed in megawatts, by the sum of \$1,000.

4. Each person who is required to pay the assessment levied on a new electric generating unit shall pay the full assessment to the commission not later than 30 days after the date on which the new electric generating unit begins, in whole or in part, commercial operation.

Sec. 53. NRS 704.005 is hereby amended to read as follows:

704.005 As used in this chapter, unless the context otherwise requires, the words and terms defined in NRS 704.010 to 704.030, inclusive, and sections 41 and 42 of this act have the meanings ascribed to them in those sections.

Sec. 54. NRS 704.033 is hereby amended to read as follows:

704.033 1. The commission shall levy and collect an annual assessment from all public utilities subject to the jurisdiction of the commission.

2. Except as otherwise provided in subsection 3, the annual assessment must be:

The total annual assessment must be not more than 4.25 mills.

3. For railroads the total annual assessment must be the amount levied for the use of the commission pursuant to paragraph (a) of subsection 2. The levy for the use of the consumer’s advocate must not be assessed against railroads.

4. The gross operating revenue of the utilities must be determined for the preceding calendar year. In the case of:

(a) Telephone utilities, except as *otherwise* provided in paragraph (c), the revenue shall be deemed to be all intrastate revenues that are considered by the commission for the purpose of establishing rates.

704.035 1. On or before June 1 of each year, the commission shall mail revenue report forms to all public utilities under its jurisdiction, to the address of those utilities on file with the commission. The revenue report form serves as notice of the commission's intent to assess the utilities, but failure to notify any utility does not invalidate the assessment with respect thereto.

2. Each public utility subject to the provisions of NRS 704.033 shall complete the revenue report referred to in subsection 1, compute the assessment and return the completed revenue report to the commission accompanied by payment of the assessment and any penalty due, pursuant to the provisions of subsection 5.

3. The assessment is due on July 1 of each year, but may, at the option of the public utility, be paid quarterly on July 1, October 1, January 1 and April 1.

4. The assessment computed by the utility is subject to review and audit by the commission, and the amount of the assessment may be adjusted by the commission as a result of the audit and review.

5. Any public utility failing to pay the assessment provided for in NRS 704.033 on or before August 1, or if paying quarterly, on or before August 1, October 1, January 1 or April 1, shall pay, in addition to such assessment, a penalty of 1 percent of the total unpaid balance for each month or portion thereof that the assessment is delinquent, or \$10, whichever is greater, but no penalty may exceed \$1,000 for each delinquent payment.

6. When a public utility sells, transfers or conveys substantially all of its assets or certificate of public convenience and necessity, the commission shall determine, levy and collect the accrued assessment for the current year not later than 30 days after the sale, transfer or conveyance, unless the transferee has assumed liability for the assessment. For purposes of this subsection the jurisdiction of the commission over the selling, transferring or conveying public utility continues until it has paid the assessment.

7. The commission may bring an appropriate action in its own name for the collection of any assessment and penalty which is not paid as provided in this section.

8. The commission shall, on a quarterly basis, transfer to the account for the consumer's advocate ~~for the bureau of consumer protection in the office~~

~~of the attorney general~~] that portion of the assessments collected which belongs to the consumer's advocate.

Sec. 56. NRS 704.070 is hereby amended to read as follows:

2. The commission shall establish standards for the setting, increase or decrease of rates ~~[and charges]~~ for natural gas to generating, industrial and large commercial customers. These standards must authorize increases or decreases on less than 30 days' notice. Establishing different classes of customers, and charging different rates to customers of the same class, for these customers do not violate this chapter.

3. The commission may, for sales to generating, industrial and large commercial customers:

(a) Exempt the ~~[filing of]~~ rates *for natural gas* from those provisions of NRS ~~[704.080, 704.090,]~~ 704.070, 704.100 and 704.110 ~~[which it]~~ *that the commission* determines are not needed to protect the public interest.

3. A public utility may not set forth as justification for a rate increase any items of expense or rate base ~~which~~ that previously have been considered and disallowed by the commission, ~~only if~~ unless those items are clearly identified in the application and new facts or considerations of policy for each item are advanced in the application to justify a reversal of the ~~commission's~~ prior decision ~~.~~

~~4. The commission shall determine whether a hearing must be held when~~ of the commission.

4. Except as otherwise provided in subsection 5, if the proposed change in any schedule ~~stating a new or revised individual or joint rate, fare or charge, or any new or revised individual or joint regulation or practice affecting any rate, fare or charge,~~ will result in an increase in annual gross operating revenue, as certified by the applicant ~~of \$2,500 or less.~~, in an amount that does not exceed \$2,500, the commission shall determine whether it should dispense with a hearing regarding the proposed change.

5. If the applicant is a public utility furnishing telephone service and the proposed change in any schedule will result in an increase in annual gross operating revenue, as certified by the applicant, in an amount that does not exceed \$50,000 or 10 percent of the applicant's annual gross operating revenue, whichever is less, the commission shall determine whether it should dispense with a hearing regarding the proposed change.

6. In making the determination *pursuant to subsection 4 or 5*, the commission shall first consider all timely written protests, any presentation the staff of the commission may desire to present, the application of the public utility and any other matters deemed relevant by the commission.

Sec. 59. NRS 704.110 is hereby amended to read as follows:

704.110 Except as otherwise provided in NRS 704.075 or as *may* otherwise *be* provided by the commission pursuant to NRS 704.095 or 704.097:

Adjustments to revenues, operating expenses and costs of securities must be calculated on an annual basis. Within 90 days after the ~~[filing with the commission of]~~ *date on which the certification required ~~[in]~~ by this subsection ~~[, or before the expiration of any period of suspension ordered pursuant to subsection 2,] is filed with the commission, or within 180 days after the date on which the general rate application is filed with the commission,~~* whichever time is longer, the commission shall make such order in reference to ~~[those rates or charges]~~ *the increased rates* as is required by this chapter. 8. Before allowing an electric utility to clear its deferred accounts pursuant to subsection 7, the commission shall determine whether the costs for purchased fuel and purchased power that the electric utility recorded in its deferred accounts are recoverable and whether the revenues that the electric utility collected from customers in this state for purchased fuel and purchased power are properly recorded and credited in its deferred accounts. The commission shall not allow the electric utility to recover any costs for

purchased fuel and purchased power that were the result of any practice or transaction that was undertaken, managed or performed imprudently by the electric utility.

(c) The state has a responsibility to encourage the utilization of a wide range of measures which reduce wasteful uses of energy resources.

(d) Planning for energy conservation and future energy requirements should include consideration of state, regional and local plans for land use, urban expansion, transportation systems, environmental protection and economic development.

(e) Government and private enterprise need to accelerate research and development of ~~[alternative]~~ sources of *renewable* energy and to improve technology related to the research and development of existing sources of energy.

(f) While government and private enterprise are seeking to accelerate research and development of ~~[alternative]~~ sources of *renewable* energy, they must also prepare for and respond to the advent of competition within the electrical energy industry and are, therefore, encouraged to maximize the use of indigenous energy resources to the extent competitively and economically feasible.

(g) Prevention of delays and interruptions in providing energy, protecting environmental values and conserving energy require expanded authority and capability within state government.

2. It is the policy of this state to encourage participation with all levels of government and private enterprise in cooperative state, regional and national programs to assure adequate supplies of energy resources and markets for such energy resources.

3. It is the policy of this state to assign the responsibility for managing and conserving energy and its sources to agencies whose other programs are similar, to avoid duplication of effort in developing policies and programs for energy.

Sec. 35. Except as otherwise provided in section 36 of this act and notwithstanding the provisions of any other specific statute to the contrary:

1. An electric utility shall not file an application for a fuel and purchased power rider on or after the effective date of this act.

2. Each application for a fuel and purchased power rider filed by an electric utility which is pending with the commission on the effective date of this act and which the electric utility did not place into effect before or on April 1, 2001, is void and unenforceable and is not valid for any purpose after April 1, 2001.

3. If, before March 1, 2001, an electric utility incurred any costs for fuel or purchased power, including, without limitation, any costs for fuel or purchased power recorded or carried on the books and records of the electric utility, and those costs were not recovered or could not be recovered pursuant to a fuel and purchased power rider placed into effect by the electric utility before March 1, 2001, the electric utility is not entitled, on or after March 1, 2001, to recover any of those costs for fuel or purchased power from customers, and the commission shall not allow the electric utility to recover any of those costs for fuel or purchased power from customers.

On the date on which the commission issues a final order on the general rate application, the commission shall issue a final order on the electric utility's application to clear its deferred accounts. The total rates to provide electric service that were in effect on April 1, 2001, for the electric utility must remain in effect until the date on which the commission issues a final order on the general rate application. (a) The rate must be set so that when applied to the current fiscal year's assessed valuation of all property which was on the preceding fiscal year's assessment roll, together with the assessed valuation of property on the central assessment roll which was allocated to the local government, but excluding any assessed valuation attributable to the net proceeds of minerals, assessed valuation attributable to a redevelopment area and assessed valuation of a fire protection district attributable to real property which is transferred from private ownership to public ownership for the purpose of

conservation, it will produce 106 percent of the maximum revenue allowable from taxes ad valorem for the preceding fiscal year, except that the rate so determined must not be less than the rate allowed for the previous fiscal year, except for any decrease attributable to the imposition of a tax pursuant to NRS 354.59813 in the previous year.

(b) This rate must then be applied to the total assessed valuation, excluding the assessed valuation attributable to the net proceeds of minerals and the assessed valuation of a fire protection district attributable to real property which is transferred from private ownership to public ownership for the purpose of conservation but including new real property, possessory interests and mobile homes, for the current fiscal year to determine the allowed revenue from taxes ad valorem for the local government.

Amendment No. 894.

Amend the bill as a whole by deleting sections 1 through 11 and adding new sections designated sections 1 through 5, following the enacting clause, to read as follows:

“Section 1. NRS 115.010 is hereby amended to read as follows:

115.010 1. The homestead is not subject to forced sale on execution or any final process from any court, except as otherwise provided by subsections 2, 3 and 5.

2. The exemption provided in subsection 1 extends only to that amount of equity in the property held by the claimant which does not exceed ~~[\$125,000]~~ \$160,000 in value, unless allodial title has been established and not relinquished, in which case the exemption provided in subsection 1 extends to all equity in the dwelling, its appurtenances and the land on which it is located.

3. Except as otherwise provided in subsection 4, the exemption provided in subsection 1 does not extend to process to enforce the payment of obligations contracted for the purchase of the property, or for improvements

made thereon, including any mechanic's lien lawfully obtained, or for legal taxes, or for:

(a) Any mortgage or deed of trust thereon executed and given; or

(b) Any lien to which prior consent has been given through the acceptance of property subject to any recorded declaration of restrictions, deed restriction, restrictive covenant or equitable servitude, specifically including any lien in favor of an association pursuant to NRS 116.3116 or 117.070, by both husband and wife, when that relation exists.

4. If allodial title has been established and not relinquished, the exemption provided in subsection 1 extends to process to enforce the payment of obligations contracted for the purchase of the property, and for improvements made thereon, including any mechanic's lien lawfully obtained, and for legal taxes levied by a state or local government, and for:

(a) Any mortgage or deed of trust thereon; and

(b) Any lien even if prior consent has been given through the acceptance of property subject to any recorded declaration of restrictions, deed restriction, restrictive covenant or equitable servitude, specifically including any lien in favor of an association pursuant to NRS 116.3116 or 117.070, unless a waiver for the specific obligation to which the judgment relates has been executed by all allodial titleholders of the property.

5. Establishment of allodial title does not exempt the property from forfeiture pursuant to NRS 179.1156 to 179.119, inclusive, or 207.350 to 207.520, inclusive.

6. Any declaration of homestead which has been filed before October 1, ~~1995,~~ 2001, shall be deemed to have been amended on that date by extending the homestead exemption commensurate with any increase in the amount of equity held by the claimant in the property selected and claimed for the exemption up to the amount permitted by law on that date, but the increase does not impair the right of any creditor to execute upon the property when that right existed before October 1, ~~1995,~~ 2001.

Sec. 2. NRS 115.050 is hereby amended to read as follows:

115.050 1. Whenever execution has been issued against the property of a party claiming the property as a homestead, and the creditor in the judgment makes an oath before the judge of the district court of the county in which the property is situated, that the amount of equity held by the claimant in the property exceeds, to the best of the creditor's information and belief, the sum of ~~[\$125,000,]~~ \$160,000, the judge shall, upon notice to the debtor, appoint three disinterested and competent persons as appraisers to estimate and report as to the amount of equity held by the claimant in the property, and if the amount of equity exceeds the sum of ~~[\$125,000,]~~ \$160,000, determine whether the property can be divided so as to leave the property subject to the homestead exemption without material injury.

2. If it appears, upon the report, to the satisfaction of the judge that the property can be thus divided, he shall order the excess to be sold under execution. If it appears that the property cannot be thus divided, and the

amount of equity held by the claimant in the property exceeds the exemption allowed by this chapter, he shall order the entire property to be sold, and out of the proceeds the sum of ~~[\$125,000]~~ \$160,000 to be paid to the defendant in execution, and the excess to be applied to the satisfaction on the execution. No bid under ~~[\$125,000]~~ \$160,000 may be received by the officer making the sale.

3.
