While we are making strides to bring education to the excellent levels that we all seek to attain, there is still much work to be done. An educator in southern Nevada approached me with a concern that only a parent can understand. It involves safety in the classroom. The legislation I propose will call for a nationwide network of checks and balances for educators who apply to come to Nevada to teach. Now, I know that most of the teachers we have here are outstanding, but too often schools outside of Nevada do not provide adequate background information on applications. Our state needs more than 2,000 new teachers a year and we want the best for our students. I'd like you to ponder this thought as you all deliberate on ways to improve education in Nevada. My principles regarding the role of government hold true more than ever with education. The government closest to the people best serves the people. Having been a member of this esteemed Body for eight years, I still feel a sense of responsibility for its outcome. I truly believe it is time for the funding of schools to be partially determined by local school boards. For years I have watched the finger-pointing and allegations, the attempt by some to insist that certain elected officials don't care about kids. I can even remember reading a cartoon in the Las Vegas Review Journal. It showed a student standing in the middle of a crowd of people with a big question mark over his head. In this crowd of people, in a circle, there was a parent pointing a finger at the school board, pointing a finger at the superintendent, pointing a finger at the Legislature, pointing a finger at the Governor. It was all about funding of education and who was to blame.

I believe that it is the right time to give local school boards the responsibility to determine how much they need and the tools they need to fund education. I believe collectively that they can do that under the Nevada PLAN and collectively they will make the right choices. School board members were elected to make decisions because they are closest to parents and students. They truly have a better feel for what is needed than Carson City or Washington, D.C.

Another bill I am especially proud of supporting is the Child Abduction Prevention Act of 2003, which includes the highly publicized Amber Alert System. The Amber Alert will provide law enforcement with the coordinated effort they need in the crucial early moments in the search for a missing child. Speaker Perkins, you deserve a lot of credit and recognition for your work for Nevada's own Amber Alert legislation. Now federal legislation will offer a boost to Nevada's system. The federal legislation authorizes $25 million to state and local jurisdictions for highway signage, education and training programs, and equipment to help build the best Amber Alert System in every state. I applaud you, Richard.

Nevada's transportation needs are growing, and those needs call for federal assistance. As a member of the House Transportation and Infrastructure Committee, I will be a part of the reauthorization of T-21, the Federal Highway and Transit Bill; and AIR-21, the Aviation Bill. I really can't go any further without saying that House Transportation Committee Chairman Don Young is a great friend to Nevada. He has made several trips to our state and is keenly aware of our transportation needs. Our number one transportation priority as Nevadans is to ensure that our state continues to receive its fair share of federal transportation funds, both absolutely and relatively. I am working with NDOT, regional planning organizations, and cities to make sure that our needs are met here in Nevada. Along with my colleagues I have submitted more than a billion dollars in urgent transportation needs before Congress. These are our dollars. They should come back to us in Nevada, and without adequate investment in our transportation system we cannot expect to attract the residents and the tourists that our economy needs.

For months, Nevadans have been dealing with what the rest of the country is now facing. In more than a dozen states, hospital emergency rooms have been forced to shut their doors, and doctors have been forced to leave their patients. The Governor and the Nevada Legislature should be commended for its work to slow the flight of doctors from our state. We in Congress are also aware of the problem. I'm proud to have spoken and voted for H.R. 5, a bill that will cap

growing liability costs for our doctors. I urge my colleagues in the U.S. Senate to take up this bill and act as quickly as possible.

Since the beginning of my public service, for nearly two decades, I have been fighting against the storage of deadly nuclear waste in Nevada's backyard, and my resolve remains the same. While we have many legal hurdles left to cross, please know that we are focused on the health and safety of all Nevadans, first and foremost. It seems that on so many things we do as representatives back in Washington, we are on the defensive. From Yucca Mountain to protecting our state's number one industry, gaming. On that front, it seems the NCAA Betting Ban Bill has been brought back to life. Know that our Nevada team is united and we will lobby other members and educate them on the shortsightedness of this proposed legislation.

Working to help seniors is one of my highest priorities, and I am pleased to have been involved in bringing about legislation to meet their needs and give them the benefits they deserve. Congress has passed a budget that will create a Medicare prescription drug program. The Speaker of the House has appointed me to his seniors Prescription Drug Action Team. Our job is to lead the charge, nationwide, to move a prescription drug benefit through the House of Representatives. The Speaker is aware of the Governor's success with Nevada's Senior Rx program. I hope my input will take Nevada's success to the federal level. Congratulations, Governor. Our seniors shouldn't have to choose between paying their rent or buying medicine they desperately need. Our seniors should never have to forego lifesaving medicine because of the cost, again.

In closing, last week I had the opportunity to visit with soldiers who were recuperating from the war at Walter Reed Army Hospital and at Bethesda Naval Hospital just outside of Washington. I had to find a way to thank them for their courage and sacrifices. When you look at these soldiers in their hospital beds you notice several things about them. First, while they may look young, some are 19 and 20 years old, their eyes tell a really different story. Their eyes reflect a maturity beyond their years. It was quite overwhelming and overpowering and inspiring, but I did manage to bring a smile to a few of their faces. As soon as I mentioned I was from Las Vegas, they would say, "Oh, you're from Vegas" and then they would smile and have a twinkle in their eyes.

I took letters from students from elementary schools in Henderson, Boulder City, and Las Vegas. I would like to share with you a couple of short letters from the students. While all of them are filled with words of encouragement and hope, a couple of them are especially touching. You will find they capture the spirit of our young Nevadans and they honor the soldiers who are fighting for our freedom.

First, a young child writes, "Dear Sogers, Thank you for helping us."

Next, another youngster writes, "Dear Soldiers, Thank you for caring. You deserve a big car." That was from Mrs. Jenson's class.

Finally, another young student writes:

> "Dear Soldier, hi. I'm a fifth grade student in Henderson, Nevada. I am writing to you because I care about you. You are fighting for our freedom. You didn't even have to do this, but you did. I just want you to know, we all here at Treem Elementary support you. Thank you for protecting us and for protecting Iraq. We all want you to come home safely, especially your family and your friends. You are sacrificing for us. You must have giant hearts to do this all for America. I just want to say, even though I don't know you, I care and love you."

Then she drew a little rose at the bottom and said, "God bless you."

With letters like this, we have so much to be proud of. We have faced some uncertain times, but we must continue to work together. It is the resilience of our spirit as Battle Born Nevadans that allows us to bounce back from life's challenges. It is the secret of our success right here in Nevada. May God bless Nevada, may God bless our soldiers, and may God bless America. Thank you.

Sec. 52. *A manufacturer of tobacco products:*

1. Shall not include a brand family in its certification pursuant to section 51 of this act unless, if the manufacturer is:

(a) A participating manufacturer, the manufacturer affirms that the brand family is to be deemed to be its cigarettes for purposes of calculating its payments under the Master Settlement Agreement for the relevant year, in the volume and shares determined pursuant to the Master Settlement Agreement; or

(b) A nonparticipating manufacturer, the manufacturer affirms that the brand family is to be deemed to be its cigarettes for purposes of chapter 370A of NRS.

This subsection must not be construed as limiting or otherwise affecting the right of the State to maintain that a brand family constitutes cigarettes of a different manufacturer of tobacco products for purposes of calculating payments under the Master Settlement Agreement or for purposes of chapter 370A of NRS.

2. Shall maintain all invoices and documentation of sales, and any other information relied upon by the manufacturer for its certification pursuant to section 51 of this act, for at least 5 years, unless the manufacturer is otherwise required by law to maintain them for a greater period.

Sec. 53. *1. The Department shall create and maintain on its Internet website and otherwise make available for public inspection a directory that lists, except as otherwise provided in sections 38 to 58, inclusive, of this act, all manufacturers of tobacco products that have provided current and accurate certifications conforming to the requirements of sections 38 to 58, inclusive, of this act and all brand families that are listed in those certifications. The Department:*

(a) Shall not include or retain in the directory the name or brand families of any nonparticipating manufacturer that has failed to provide the required certification or whose certification the Department determines is not in compliance with sections 38 to 58, inclusive, of this act, unless the Department has determined that such violation has been cured to its satisfaction.

(b) Shall not include or retain in the directory a manufacturer of tobacco products or brand family if the Department concludes, for a nonparticipating manufacturer, that:

(1) Any escrow payment required pursuant to chapter 370A of NRS for any period for any brand family, whether or not listed by the nonparticipating manufacturer, has not been fully paid into a qualified escrow fund governed by a qualified escrow agreement which has been approved by the Attorney General; or

(2) Any outstanding final judgment, including any interest thereon, for a violation of chapter 370A of NRS has not been fully satisfied for that manufacturer or brand family.

2. The Department shall update the directory as necessary to correct mistakes and to add or remove a manufacturer of tobacco products or brand family to keep the directory in conformity with the requirements of sections 38 to 58, inclusive, of this act.

3. Any determination of the Department not to include in or to remove from the directory a manufacturer of tobacco products or brand family is a final decision for the purposes of judicial review.

Sec. 54. *1. Any nonresident or foreign nonparticipating manufacturer that has not registered to do business in the State as a foreign corporation or other business entity must, as a condition precedent to having its brand families included or retained in the directory, appoint and continually engage without interruption the services of an agent in this state to act as its agent for the service of process on whom all process, in any action or proceeding against it concerning or arising out of the enforcement of this chapter, may be served in any manner authorized by law. Such service constitutes legal and valid service of process on the nonparticipating manufacturer. The nonparticipating manufacturer shall provide the name, address, phone number and proof of the appointment and availability of such agent to, and to the satisfaction of, the Attorney General and the Department.*

2. A nonparticipating manufacturer shall provide notice to the Attorney General and the Department at least 30 calendar days before the termination of the authority of an agent appointed pursuant to this section and shall provide proof to the satisfaction of the Attorney General and the Department of the appointment of a new agent not less than 5 calendar days before the termination of appointment of an existing agent. If an agent terminates his appointment as an agent, the nonparticipating manufacturer shall notify the Attorney General and the Department of that termination within 5 calendar days and include with that notification proof to the satisfaction of the Attorney General and the Department of the appointment of a new agent.

3. Any nonparticipating manufacturer whose cigarettes are sold in this state and who has not appointed and engaged an agent as required by this section shall be deemed to have appointed the Secretary of State as such agent and may be proceeded against in courts of this state by service of process upon the Secretary of State, except that the appointment of the Secretary of State as such agent does not satisfy the condition precedent for having the brand families of the nonparticipating manufacturer included or retained in the directory.

Sec. 55. *1. Not later than 20 calendar days after the end of each calendar quarter, and more frequently if so directed by the Department, each distributor shall submit such information as the Department requires to facilitate compliance with the provisions of sections 38 to 58, inclusive, of this act, including, without limitation, a list by brand family of the total*

number of cigarettes or, in the case of "roll-your-own" tobacco, the equivalent unit count, for which the distributor affixed stamps during the previous calendar quarter or otherwise paid the tax due for those cigarettes. The distributor shall maintain for at least 5 years, and make available to the Department, all invoices and documentation of sales of all cigarettes of nonparticipating manufacturers and any other information relied upon in reporting to the Department.

2. The Department may disclose to the Attorney General any information received pursuant to sections 38 to 58, inclusive, of this act and requested by the Attorney General for purposes of determining compliance with and enforcing the provisions of sections 38 to 58, inclusive, of this act. The Department and Attorney General shall share with each other the information received pursuant to the provisions of sections 38 to 58, inclusive, of this act, and may share such information with other federal, state or local agencies only for purposes of enforcement of those provisions, the provisions of chapter 370A of NRS or the corresponding laws of other states.

3. The Department may require at any time from a nonparticipating manufacturer proof, from the financial institution in which that manufacturer has established a qualified escrow fund for the purpose of compliance with chapter 370A of NRS, of the amount of money in that fund, exclusive of interest, the amount and date of each deposit to that fund, and the amount and date of each withdrawal from that fund.

4. In addition to the information otherwise required to be submitted pursuant to sections 38 to 58, inclusive, of this act, the Department may require a distributor or manufacturer of tobacco products to submit any additional information, including, without limitation, samples of the packaging or labeling of each brand family, as is necessary to enable the Department to determine whether a manufacturer of tobacco products is in compliance with the provisions of sections 38 to 58, inclusive, of this act.

5. Every distributor shall provide to the Department and update as necessary an electronic mail address for receiving any notifications as may be required to carry out sections 38 to 58, inclusive, of this act.

Sec. 56. *1. To promote compliance with the provisions of NRS 370A.140, the Department may adopt regulations requiring a manufacturer of tobacco products to make the escrow deposits required by NRS 370A.140 in quarterly installments during the year in which the sales covered by those deposits are made. The Department may require the production of information sufficient to enable the Department to determine the adequacy of the amount of each quarterly installment.*

2. The Department may adopt such regulations as it deems necessary to carry out the provisions of sections 38 to 58, inclusive, of this act.

Sec. 57. *1. It is unlawful for any person to:*

(a) Affix a stamp to a package or other container of cigarettes of a manufacturer of tobacco products or brand family which is not included in the directory; or

(b) Sell, or offer or possess for sale, in this state cigarettes of a manufacturer of tobacco products or brand family not included in the directory.

2. A person who violates any provision of subsection 1 is guilty of a gross misdemeanor.

3. In addition to any other penalty authorized by law, the Department may impose on each person who violates any provision of subsection 1 a civil penalty for each such violation of not more than $5,000 or 500 percent of the retail value of the cigarettes involved in the violation, whichever is greater.

4. Any violation of subsection 1 constitutes a deceptive trade practice for the purposes of NRS 598.0903 to 598.0999, inclusive.

5. For the purposes of this section, each stamp affixed to and each sale or offer to sell cigarettes in violation of subsection 1 constitutes a separate violation.

Sec. 58. *1. The Attorney General, on behalf of the Department, may bring an action in the district court of this state to:*

(a) Enjoin any threatened or actual violation of the provisions of sections 38 to 58, inclusive, of this act by a distributor and to compel the distributor to comply with those provisions; or

(b) Enforce any of the provisions of sections 38 to 58, inclusive, of this act.

2. In any action brought by the State to enforce the provisions of sections 38 to 58, inclusive, of this act, the State is entitled to recover any costs of investigation, expert witness fees, costs of the action and reasonable attorney fees.

3. If a court determines that any person has violated any provision of sections 38 to 58, inclusive, of this act, the court shall order any profits, gain, gross receipts or other benefit from the violation to be disgorged and paid to the State Treasurer for deposit in the State General Fund.

4. The remedies and penalties provided in sections 38 to 58, inclusive, of this act are cumulative to each other and to the remedies and penalties available under any other law of this state.".

REPORTS OF COMMITTEES

Mr. Speaker:

Your Committee on Ways and Means, to which was referred Assembly Bill No. 122, has had the same under consideration, and begs leave to report the same back with the recommendation: Amend, and do pass as amended.

Assemblywoman Buckley moved that Assembly Bill No. 122 be placed on the Second Reading File.

Motion carried.

SECOND READING AND AMENDMENT

Assembly Bill No. 192.

Bill read second time.

The following amendment was proposed by the Committee on Transportation:

Amendment No. 129.

Amend the bill as a whole by renumbering section 1 as sec. 4 and adding new sections designated sections 1 through 3, following the enacting clause, to read as follows:

"Section 1. Chapter 482 of NRS is hereby amended by adding thereto a new section to read as follows:

1. With respect to any special license plate that is issued pursuant to NRS 482.3667 to 482.3825, inclusive, and for which an additional fee is imposed for the issuance of the special license plate to generate financial support for a charitable organization:

(a) The Director shall, at the request of the charitable organization that is benefited by the particular special license plate:

(1) Order the design and preparation of souvenir license plates, the design of which must be substantially similar to the particular special license plate; and

(2) Issue such souvenir license plates, for a fee established pursuant to NRS 482.3825, only to the charitable organization that is benefited by the particular special license plate. The charitable organization may resell such souvenir license plates at a price determined by the charitable organization.

(b) The Department may, except as otherwise provided in this paragraph and after approving the final design of the particular special license plate, issue the special license plate for a trailer or other type of vehicle that is not a passenger car or light commercial vehicle, excluding motorcycles and vehicles required to be registered with the Department pursuant to NRS 706.801 to 706.861, inclusive, upon application by a person who is entitled to license plates pursuant to NRS 482.265 and who otherwise complies with the requirements for registration and licensing pursuant to this chapter. The Department may not issue a special license plate for such other types of vehicles if the Department determines that the design or manufacture of the plate for those other types of vehicles would not be feasible. In addition, if the Department incurs additional costs to manufacture a special license plate for such other types of vehicles, including, without limitation, costs associated with the purchase, manufacture or modification of dies or other equipment necessary to manufacture the special license plate for such other types of vehicles, those additional costs must be paid from private sources without any expense to the State of Nevada.

Sec. 3.15. *"Party" includes, without limitation, the Executive Department.*

Sec. 3.2. *1. A subpoena issued by the Board extends to all parts of this state and must be served in accordance with the provisions of N.R.C.P. 4(c). The Board may not require a person named in a subpoena to attend at a place outside the county in which the person resides unless:*

(a) The location of the place is less than 100 miles from the person's primary residence; or

2. A person who appears before the Board pursuant to a subpoena is entitled to receive fees and mileage in the same amounts and under the same circumstances as prescribed by law for a witness in a civil action in the district court, unless the person is a party to the proceeding or an officer or employee of this state or any of its political subdivisions. As used in this subsection, "employee" includes, without limitation, an employee in the classified or unclassified service of the State.

3. If a person who is entitled to receive fees and mileage pursuant to subsection 2 must appear at a hearing before the Board at a place located so far from his primary residence that it is not reasonable for the person to return to that residence from day to day, the person is entitled, in addition to fees and mileage, to receive the per diem compensation for subsistence and transportation authorized by NRS 281.160 for each day of actual attendance at such a hearing and for each day necessarily occupied in traveling to and from such a hearing.

8. The governing body shall act upon the recommendations of the report of the audit within 3 months after receipt of the report, unless prompter action is required concerning violations of law or regulation, by setting forth in its minutes its intention to adopt the recommendations, to adopt them with modifications or to reject them for reasons shown in the minutes.".

TEXT OF REPEALED SECTION

338.1907 Retrofitting of local governmental buildings for energy efficiency: Duties of energy retrofit coordinators and local governments; procedures for requesting and approving proposals; projects exempt from certain procedural requirements.

1. The governing body of a local government may designate one or more energy retrofit coordinators for the buildings occupied by the local government.

2. If such a coordinator is designated, upon request by or consultation with an officer or employee of the local government who is responsible for the budget of a department, board, commission or other entity of the local government, the coordinator may request the approval of the governing body to advertise a request for proposals to retrofit a building, or any portion thereof, that is occupied by the department, board, commission or other entity, to make the use of energy in the building, or portion thereof, more efficient.

3. Upon approval of the governing body, the coordinator shall prepare a request for proposals for the retrofitting of one or more buildings, or any portion thereof, which includes:

(a) The name and location of the coordinator;

(b) A brief description of the requirements for the initial audit of the use of energy and the retrofitting;

(c) Where and how specifications of the requirements for the initial audit of the use of energy and the retrofitting may be obtained;

(d) The date and time not later than which proposals must be received by the coordinator; and

(e) The date and time when responses will be opened.

4. The request for proposals must be published in at least one newspaper of general circulation in the county in which the local government is located.

5. After receiving the proposals but before making a decision on the proposals, the coordinator shall consider:

(a) The best interests of the local government;

(b) The experience and financial stability of the persons submitting the proposals;

(c) Whether the proposals conform with the terms of the request for proposals;

(d) The prices of the proposals; and

(e) Any other factor disclosed in the request for proposals.

6. The coordinator shall determine the relative weight of each factor before a request for proposals is advertised. The weight of each factor must

not be disclosed before the date proposals are required to be submitted to the coordinator.

7. After reviewing the proposals, if the coordinator determines that sufficient energy could be saved to justify retrofitting the building or buildings, or portion thereof, the coordinator shall select the best proposal and request the approval of the governing body to award the contract. The request for approval must include the proposed method of financing the audit and retrofit, which may include an installment contract, a shared savings contract or any other contract for a reasonable financing arrangement. Such a contract may commit the local government to make payments beyond the fiscal year in which the contract is executed or beyond the terms of office of the governing body, or both.

8. Before approving a retrofit pursuant to this section, the governing body shall evaluate any projects that would utilize shared savings as a method of payment or any method of financing that would commit the local government to make payments beyond the fiscal year in which the contract is executed or beyond the terms of office of the governing body to ensure that:

(a) The amount of energy to be saved will likely justify the cost of the retrofit; and

(b) The local government is likely to continue to occupy the building for the entire period required to recoup the cost of the retrofit in energy savings.

9. Upon approval of the governing body, the coordinator shall execute the contract and notify each officer or employee who is responsible for the budget of a department, board, commission or other entity which occupies a portion of a building that will be retrofitted of the amount of money it will be required to pay annually for its portion of the retrofit.

10. NRS 338.1385 and 338.143 do not apply to a project for which a request for proposals is advertised and the contract is awarded pursuant to the provisions of this section.”.

~~(b) If the employee received a minimum lump sum, the~~] insurer of the employee's employer shall *recover pursuant to this subsection the actual amount of the lump sum paid to the employee for the permanent partial disability. The insurer shall not recover from the employee, whether by deductions or single payment, or a combination of both, more than the actual amount of the lump sum paid to the employee. To recover the actual amount of the lump sum, the insurer shall:*

(a) Unless the employee submits a request described in paragraph (b), deduct from the compensation for the permanent total disability an amount ~~[of]~~ *that is* not more than 10 percent of the rate of compensation for a permanent total disability until the *actual amount of the* lump sum *paid to the employee for the permanent partial disability* is recovered ~~[.~~

In making the recalculation, the insurer shall determine the total of all of the actual amounts of all deductions made from the compensation paid to the employee pursuant to subsection 1 or 4 of NRS 616C.440 for the permanent total disability and subtract that amount from the actual amount of the lump sum paid to the employee for the permanent partial disability. Amendment No. 55.

Amend the bill as a whole by deleting sections 1 through 7, renumbering sections 8 through 10 as sections 9 through 11 and adding new sections designated sections 1 through 8, following the enacting clause, to read as follows:

"Section 1. Chapter 278 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 8, inclusive of this act.

Sec. 2. *As used in sections 2 to 8, inclusive, of this act, unless the context otherwise requires, the words and terms defined in sections 3 and 4 of this act have the meanings ascribed to them in those sections.*

Sec. 3. *"Nonresidential construction project" means construction other than construction of residential dwelling units or an apartment house or the development of mobile home lots for which a residential construction tax may be imposed pursuant to NRS 278.497 to 278.4987, inclusive. The term does not include any construction by a governmental agency.*

Sec. 4. *"Regional park" means a site exceeding 50 acres, which is designed to serve the outdoor needs of persons who live or work in the region in which it is located.*

Sec. 5. *1. In a county whose population is 400,000 or more, the governing body of the county or a city in the county may, by ordinance, require that a developer of land for a nonresidential construction project dedicate such land areas, sites and locations for a regional park as are reasonably necessary to serve the people who live or work in the region of the city or county in which the nonresidential construction project is located.*

2. The ordinance adopted pursuant to subsection 1 must, insofar as practicable, conform to the recreation plan in the master plan of the city or county.

3. The ordinance adopted pursuant to subsection 1 must contain standards for determining the amount, quality and location of land that is required to be dedicated which must be based upon the number and type of nonresidential construction projects included in each development and give due consideration to the relative desirability and market value of the land that may be included within the area of any particular proposed development.

4. The ordinance adopted pursuant to subsection 1 must, without limiting the general powers conferred in this chapter, include the following:

(a) Provisions for the creation, in accordance with the applicable master plan, of park districts or service areas which would serve regions within the city or county.

(b) A delegation of authority to designated departments or agencies of the city or county to select the location of the land areas to be dedicated for regional parks. The land to be dedicated for regional parks must be within the park district or service area created pursuant to paragraph (a) in which the nonresidential construction projects are located.

(c) A provision limiting the amount of land required to be dedicated to an amount of land having a fair market value, determined by independent appraisal, which does not exceed the amount of any nonresidential construction tax which would otherwise have been collected pursuant to section 7 of this act.

(d) A provision for the transfer of title to the dedicated land upon the issuance of building permits and the construction of the first unit of the development from which the land was dedicated.

Sec. 6. *1. If the land area dedicated by any developer pursuant to section 5 of this act exceeds a proportionate contribution to the total regional park site, taking into consideration the total persons who live or work in the park districts or service areas which serve regions within the city or county reasonably expected to benefit from the regional park, the developer making the dedication must be compensated at fair market value for the excess value contributed.*

2. When 25 percent of the residential construction project from which the land was dedicated is constructed, the local governing body or agency to which the dedicated land is conveyed shall provide for planning, public hearings and the adoption of a plan for development of the site, a schedule of that development and a plan for financing which includes operational and maintenance costs of the regional park.

3. If a regional park has not been developed on the land dedicated for that purpose within 5 years after the date on which 75 percent of the nonresidential construction project first became occupied, title to the land

reverts to the owners of the nonresidential construction project at the time of the reversion on a pro rata basis.

Sec. 7. *1. In a county whose population is 400,000 or more, the governing body of the county and any city in the county which has adopted a master plan and recreation plan, as provided in this chapter, which includes, as a part of the plan, future or present sites for regional parks may, by ordinance, impose a nonresidential construction tax pursuant to this section.*

2. If imposed, the nonresidential construction tax must be imposed on the privilege of constructing nonresidential construction projects in the city or county, as applicable. The rate of the tax must not exceed 1 percent of the valuation of each building permit issued or $20,000 per nonresidential construction project, whichever is less. For the purpose of calculating the nonresidential construction tax pursuant to this subsection, the governing body shall adopt an ordinance basing the valuation of building permits on the actual costs of nonresidential construction projects in the area.

3. The purpose of the tax imposed pursuant to this section is to raise revenue to enable the cities and counties to provide regional parks and facilities for such parks which benefit persons who live or work in the park districts or service areas which serve regions within the city or county.

4. An ordinance enacted pursuant to subsection 1 must establish the procedures for collecting the tax, set its rate, and determine the purposes for which the tax is to be used, subject to the restrictions and standards provided in this chapter. The ordinance must, without limiting the general powers conferred in this chapter, also include:

(a) Provisions for the creation, in accordance with the applicable master plan, of park districts or service areas which would serve regions within the city or county.

(b) A provision for collecting the tax at the time of issuance of a building permit for the construction of a nonresidential construction project.

5. All nonresidential construction taxes collected pursuant to the provisions of this section and any ordinance enacted by a governing body and all interest accrued on the money must be placed with the city treasurer or county treasurer in a special fund. Except as otherwise provided in subsection 6, the money in the fund that is collected pursuant to subsection 2 may only be:

(a) Used for the acquisition, improvement and expansion of regional parks or the installation of facilities in existing regional parks in the city or county.

(b) Expended for the benefit of the park district or service area from which it was collected.

6. If a regional park has not been developed or facilities have not been installed in an existing regional park within 5 years after the date on which 75 percent of the nonresidential construction project first became occupied, all money paid by the developer pursuant to subsection 2, together with interest at the rate at which the city or county has invested the money in the

fund, must be refunded to the owners of the nonresidential construction project on a pro rata basis.

7. The limitation of time established pursuant to subsection 6 is suspended for any period, not to exceed 1 year, during which this state or the Federal Government takes any action to protect the environment or an endangered species which prohibits, stops or delays the development of a regional park or installation of facilities in existing regional parks.

8. As used in this section, "facilities" means turf, trees, irrigation systems, playground apparatus, playing fields, areas to be used for organized amateur sports, play areas, picnic areas, horseshoe pits and other recreational equipment or appurtenances designed to serve the persons who use the regional park in which the facilities are located.

Sec. 8. *1. The requirement for dedication of land pursuant to section 5 of this act and the imposition of a nonresidential construction tax pursuant to section 7 of this act are mutually exclusive as to any particular nonresidential construction project which may be benefited or affected by any such requirement or imposition.*

2. Any governing body determining to provide a regional park pursuant to sections 2 to 8, inclusive, of this act must elect, for any one period, to follow only one of the procedures provided in these sections.".

(b) Remains in effect until exonerated by the court.

This subsection does not require that any bond or undertaking extend to proceedings on appeal.

3. If an action or proceeding against a defendant who has been admitted to bail is transferred to another trial court, the bond or undertaking must be transferred to the clerk of the court to which the action or proceeding has been transferred.

4. If the action or proceeding against a defendant who has been admitted to bail is dismissed, the bail must not be exonerated until a period of 30 days has elapsed from the entry of the order of dismissal unless the defendant requests that bail be exonerated before the expiration of the 30-day period. If no formal action or proceeding is instituted against a defendant who has been admitted to bail, the bail must not be exonerated until a period of 30 days has elapsed from the day the bond or undertaking is posted unless the defendant requests that bail be exonerated before the expiration of the 30-day period.

5. If, within the periods provided in subsection 4, the defendant is charged with a public offense arising out of the same act or omission supporting the charge upon which bail was first given, the prosecuting attorney shall forthwith notify the clerk of the court where the bond was

posted, the bail must be applied to the public offense later charged, and the bond or undertaking must be transferred to the clerk of the appropriate court. Within 10 days after its receipt, the clerk of the court to whom the bail is transferred shall mail notice of the transfer to the surety on the bond and the bail agent who executed the bond.

6. Bail given originally on appeal must be deposited with the magistrate or the clerk of the court from which the appeal is taken.

Sec. 5. NRS 178.508 is hereby amended to read as follows:

178.508 1. If the defendant fails to appear when his presence in court is lawfully required for the commission of a misdemeanor and the failure to appear is not excused or is lawfully required for the commission of a gross misdemeanor or felony, the court shall:

(a) Enter upon its minutes that the defendant failed to appear;

(b) Not later than 45 days after the date on which the defendant failed to appear, order the issuance of a warrant for the arrest of the defendant; and

(c) If the undertaking exceeds $50 or money deposited instead of bail bond exceeds $500, direct that each surety and the local agent of each surety, or the depositor if he is not the defendant, be given notice that the defendant has failed to appear, by certified mail within 20 days after the date on which the defendant failed to appear. The court shall execute an affidavit of such mailing to be kept as an official public record of the court and shall direct that a copy of the notice be transmitted to the prosecuting attorney at the same time that notice is given to each surety or the depositor.

2. Except as otherwise provided in subsection 3 and NRS 178.509, ~~[the]~~ *an order of forfeiture of any* undertaking or money deposited instead of bail bond *must be prepared by the clerk of court and signed by the court. An order of forfeiture must include the date on which the forfeiture becomes effective. If the defendant who failed to appear has been charged with the commission of a gross misdemeanor or felony, a copy of the order must be forwarded to the Office of Court Administrator. The undertaking or money deposited instead of bail bond* is forfeited 180 days after the date on which the notice is mailed pursuant to subsection 1.

3. The court may extend the date of the forfeiture for any reasonable period set by the court if the surety or depositor submits to the court:

(a) An application for an extension and the court determines that the surety or the depositor is making reasonable and ongoing efforts to bring the defendant before the court.

(b) An application for an extension on the ground that the defendant is temporarily prevented from appearing before the court because the defendant:

(1) Is ill;

(2) Is insane; or

(3) Is being detained by civil or military authorities, and the court, upon hearing the matter, determines that one or more of the grounds described in

this paragraph exist and that the surety or depositor did not in any way cause or aid the absence of the defendant.

Sec. 6. NRS 178.512 is hereby amended to read as follows:

178.512 *1.* The court shall not set aside a forfeiture unless:

~~[1.]~~ *(a)* The surety submits an application to set it aside on the ground that the defendant:

~~[(a)]~~ *(1)* Has appeared before the court since the date of the forfeiture and has presented a satisfactory excuse for his absence;

~~[(b)]~~ *(2)* Was dead before the date of the forfeiture but the surety did not know and could not reasonably have known of his death before that date;

~~[(c)]~~ *(3)* Was unable to appear before the court before the date of the forfeiture because of his illness or his insanity, but the surety did not know and could not reasonably have known of his illness or insanity before that date;

~~[(d)]~~ *(4)* Was unable to appear before the court before the date of the forfeiture because he was being detained by civil or military authorities, but the surety did not know and could not reasonably have known of his detention before that date; or

~~[(e)]~~ *(5)* Was unable to appear before the court before the date of the forfeiture because he was deported, but the surety did not know and could not reasonably have known of his deportation before that date,

and the court, upon hearing the matter, determines that one or more of the grounds described in this subsection exist and that the surety did not in any way cause or aid the absence of the defendant; and

~~[2.]~~ *(b)* The court determines that justice does not require the enforcement of the forfeiture.

2. If the court sets aside a forfeiture pursuant to subsection 1 and the forfeiture includes any undertaking or money deposited instead of bail bond where the defendant has been charged with a gross misdemeanor or felony, the court shall make a written finding in support of setting aside the forfeiture. The court shall mail a copy of the order setting aside the forfeiture to the Office of Court Administrator immediately upon entry of the order.

Sec. 7. NRS 178.514 is hereby amended to read as follows:

178.514 1. When a forfeiture has not been set aside, the court shall on motion enter a judgment of default and execution may issue thereon.

2. *If the Office of Court Administrator has not received an order setting aside a forfeiture within 180 days after the issuance of the order, the Court Administrator shall request that the court that ordered the forfeiture institute proceedings to enter a judgment of default with respect to the amount of the undertaking or money deposited instead of bail bond with the court. Not later than 30 days after receipt of the request from the Office of Court Administrator, the court shall enter judgment by default and commence execution proceedings therein.*

3. By entering into a bond the obligors submit to the jurisdiction of the court and irrevocably appoint the clerk of the court as their agent upon whom

any papers affecting their liability may be served. Their liability may be enforced on motion and such notice of the motion as the court prescribes may be served on the clerk of the court, who shall forthwith mail copies to the obligors to their last known addresses.

Sec. 8. NRS 178.518 is hereby amended to read as follows:

Our Father God in Heaven, we bow before You today, seeking Your divine guidance, wisdom, grace, and most of all Your compassion. Lord, may we humbly press forward in our legislative service and provide for the citizens of this great State wise and judicious leadership.

"Sec. 38.3. NRS 685A.080 is hereby amended to read as follows:
685A.080 1. Upon placing a surplus lines coverage, the broker shall promptly issue and deliver to the insured evidence of the insurance consisting either of the policy as issued by the insurer, or, if such a policy is not then available, the surplus lines broker's certificate executed by the broker or a cover note . ~~[endorsed by the broker.]~~ Such a certificate or ~~[endorsed]~~ cover note must show the description and location of the subject of the insurance, coverage, conditions and term of the insurance, the premium and rate charged and taxes collected from the insured, and the name and address of the insured and insurer and must state that the broker has verified that the insurance described has been granted or issued. If the direct risk is assumed by more than one insurer, the certificate must state the name and address and proportion of the entire direct risk assumed by each such insurer.
2. A broker shall not issue any such certificate or any cover note, or purport to insure or represent that insurance will be or has been granted by any unauthorized insurer, unless he has prior written authority from the

insurer for the insurance, or has received information from the insurer in the regular course of business that the insurance has been granted, or an insurance policy providing the insurance actually has been issued by the insurer and delivered to the insured.

3. If after the issuance and delivery of any such certificate there is any change as to the identity of the insurers, or the proportion of the direct risk assumed by an insurer as stated in the broker's original certificate, or in any other material respect as to the insurance evidenced by the certificate, the broker shall promptly issue and deliver to the insured a substitute certificate accurately showing the current status of the coverage and the insurers responsible thereunder.

4. If a policy issued by the insurer is not available upon placement of the insurance and the broker has issued and delivered his certificate as provided in this section, upon request therefor by the insured the broker shall as soon as reasonably possible procure from the insurer its policy evidencing the insurance and deliver the policy to the insured in replacement of the broker's certificate theretofore issued.

5. Any surplus lines broker who knowingly or negligently issues a false certificate of insurance or who fails promptly to notify the insured of any material change with respect to the insurance by delivery to the insured of a substitute certificate as provided in subsection 3 is subject to the penalty provided by NRS 679A.180 or to any greater applicable penalty otherwise provided by law.

"Sec. 55.5. NRS 687B.145 is hereby amended to read as follows:

687B.145 1. Any policy of insurance or endorsement providing coverage under the provisions of NRS 690B.020 or other policy of casualty insurance may provide that if the insured has coverage available to him under more than one policy or provision of coverage, any recovery or benefits may equal but not exceed the higher of the applicable limits of the respective coverages, and the recovery or benefits must be prorated between the applicable coverages in the proportion that their respective limits bear to the aggregate of their limits. Any provision which limits benefits pursuant to this section must be in clear language and be prominently displayed in the policy, binder or endorsement. Any limiting provision is void if the named insured

has purchased separate coverage on the same risk and has paid a premium calculated for full reimbursement under that coverage.

2. Except as otherwise provided in subsection 5, insurance companies transacting motor vehicle insurance in this state must offer, on a form approved by the Commissioner, uninsured and underinsured vehicle coverage in an amount equal to the limits of coverage for bodily injury sold to an insured under a policy of insurance covering the use of a passenger car. The insurer is not required to reoffer the coverage to the insured in any replacement, reinstatement, substitute or amended policy, but the insured may purchase the coverage by requesting it in writing from the insurer. Each renewal must include a copy of the form offering such coverage. Uninsured and underinsured vehicle coverage must include a provision which enables the insured to recover up to the limits of his own coverage any amount of damages for bodily injury from his insurer which he is legally entitled to recover from the owner or operator of the other vehicle to the extent that those damages exceed the limits of the coverage for bodily injury carried by that owner or operator. *If an insured suffers actual damages subject to the limitation of liability provided pursuant to NRS 41.035, underinsured vehicle coverage must include a provision which enables the insured to recover up to the limits of his own coverage any amount of damages for bodily injury from his insurer for the actual damages suffered by the insured that exceed that limitation of liability.*

3. An insurance company transacting motor vehicle insurance in this state must offer an insured under a policy covering the use of a passenger car, the option of purchasing coverage in an amount of at least $1,000 for the payment of reasonable and necessary medical expenses resulting from an accident. The offer must be made on a form approved by the Commissioner. The insurer is not required to reoffer the coverage to the insured in any replacement, reinstatement, substitute or amended policy, but the insured may purchase the coverage by requesting it in writing from the insurer. Each renewal must include a copy of the form offering such coverage.

4. An insurer who makes a payment to an injured person on account of underinsured vehicle coverage as described in subsection 2 is not entitled to subrogation against the underinsured motorist who is liable for damages to the injured payee. This subsection does not affect the right or remedy of an insurer under subsection 5 of NRS 690B.020 with respect to uninsured vehicle coverage. As used in this subsection, "damages" means the amount for which the underinsured motorist is alleged to be liable to the claimant in excess of the limits of bodily injury coverage set by the underinsured motorist's policy of casualty insurance.

5. An insurer need not offer, provide or make available uninsured or underinsured vehicle coverage in connection with a general commercial liability policy, an excess policy, an umbrella policy or other policy that does not provide primary motor vehicle insurance for liabilities arising out of the

ownership, maintenance, operation or use of a specifically insured motor vehicle.

6. As used in this section:

(a) "Excess policy" means a policy that protects a person against loss in excess of a stated amount or in excess of coverage provided pursuant to another insurance contract.

(b) "Passenger car" has the meaning ascribed to it in NRS 482.087.

(c) "Umbrella policy" means a policy that protects a person against losses in excess of the underlying amount required to be covered by other policies.".

Amend the title of the bill, tenth line, after "Commissioner;" by inserting: "clarifying that underinsured vehicle coverage includes coverage for certain damages to the extent those damages exceed a limitation of liability for a governmental agency;".

(1) Contain toilet facilities and a separate sleeping area or bedroom; and

(2) Are shared with another occupant only upon consent of both occupants.

(c) Despite a decline in the physical or mental condition of its residents, the facility allows its residents to continue to live in their own living units and retain the right to assume risks inherent in living in a separate living

unit to the extent of the resident's individual ability to consciously assume the responsibility for that risk.

(d) The facility provides personalized care to the residents of the facility and the general approach to operating the facility incorporates these core principles:

(1) The facility is designed to create a residential environment that actively supports and promotes each resident's quality of life and right to privacy;

(2) The facility is committed to offering high-quality supportive services that are developed by the facility in collaboration with the resident to meet the resident's individual needs;

(3) The facility provides a variety of creative and innovative services that emphasize the particular needs of each individual resident and his personal choice of lifestyle;

(4) The operation of the facility and its interaction with its residents supports, to the maximum extent possible, each resident's need for autonomy and the right to make decisions regarding his own life;

(5) The operation of the facility is designed to foster a social climate that allows the resident to develop and maintain personal relationships with fellow residents and with persons in the general community;

(6) The facility is designed for and is operated in a manner which minimizes the need for its residents to move out of the facility as their respective physical and mental conditions change over time; and

(7) The facility is operated in such a manner as to foster a culture that provides a high-quality environment for the residents, their families, the staff, any volunteers and the community at large.

8. The Board shall, if it determines necessary, adopt regulations and requirements to ensure that each residential facility for groups and its staff are prepared to respond to an emergency, including, without limitation:

(e) The design and construction of a public work for which a public body contracts with a design-build team pursuant to NRS 338.1711 to 338.1727, inclusive.

Sec. 11. NRS 338.1387 is hereby amended to read as follows:

338.1387 1. A public body awarding a contract for a public work shall not award the contract to a person who, at the time of the bid, is not properly licensed under the provisions of chapter 624 of NRS or if the contract would exceed the limit of his license. A subcontractor named by the contractor who is not properly licensed for that portion of the work shall be deemed unacceptable. If the subcontractor is deemed unacceptable, the contractor shall provide an acceptable subcontractor before the award of the contract.

2. If, after awarding the contract, the public body discovers that the person to whom the contract was awarded is not licensed, or that the contract would exceed his license, the public body shall reject the bid and may accept the next lowest bid for that public work from a responsive bidder who was determined by the public body to be a qualified bidder pursuant to NRS 338.1379 *or section 2 of this act* or was exempt from meeting such qualifications pursuant to NRS 338.1373 or 338.1383 without requiring that new bids be submitted.

Sec. 12. NRS 338.1389 is hereby amended to read as follows:

338.1389 1. Except as otherwise provided in NRS 338.1385 and 338.1711 to 338.1727, inclusive, a public body shall award a contract for a public work to the contractor who submits the best bid.

2. Except as otherwise provided in subsection 10 or limited by subsection 11, for the purposes of this section, a contractor who:

(a) Has been determined by the public body to be a qualified bidder pursuant to NRS 338.1379 *or section 2 of this act* or is exempt from meeting such requirements pursuant to NRS 338.1373 or 338.1383; and

(b) At the time he submits his bid, provides to the public body a copy of a certificate of eligibility to receive a preference in bidding on public works issued to him by the State Contractors' Board pursuant to subsection 3 or 4, shall be deemed to have submitted a better bid than a competing contractor who has not provided a copy of such a valid certificate of eligibility if the amount of his bid is not more than 5 percent higher than the amount bid by the competing contractor.

3. The State Contractors' Board shall issue a certificate of eligibility to receive a preference in bidding on public works to a general contractor who is licensed pursuant to the provisions of chapter 624 of NRS and submits to the Board an affidavit from a certified public accountant setting forth that the general contractor has, while licensed as a general contractor in this state:

(a) Paid directly, on his own behalf:

(1) The sales and use taxes imposed pursuant to chapters 372, 374 and 377 of NRS on materials used for construction in this state, including, without limitation, construction that is undertaken or carried out on land within the boundaries of this state that is managed by the Federal Government or is on an Indian reservation or Indian colony, of not less than $5,000 for each consecutive 12-month period for 60 months immediately preceding the submission of the affidavit from the certified public accountant;

(2) The governmental services tax imposed pursuant to chapter 371 of NRS on the vehicles used in the operation of his business in this state of not less than $5,000 for each consecutive 12-month period for 60 months immediately preceding the submission of the affidavit from the certified public accountant; or

(3) Any combination of such sales and use taxes and governmental services tax; or

(b) Acquired, by purchase, inheritance, gift or transfer through a stock option plan, all the assets and liabilities of a viable, operating construction firm that possesses a:

(1) License as a general contractor pursuant to the provisions of chapter 624 of NRS; and

(2) Certificate of eligibility to receive a preference in bidding on public works.

4. The State Contractors' Board shall issue a certificate of eligibility to receive a preference in bidding on public works to a specialty contractor who is licensed pursuant to the provisions of chapter 624 of NRS and submits to the Board an affidavit from a certified public accountant setting forth that the specialty contractor has, while licensed as a specialty contractor in this state:

(a) Paid directly, on his own behalf:

(1) The sales and use taxes pursuant to chapters 372, 374 and 377 of NRS on materials used for construction in this state, including, without limitation, construction that is undertaken or carried out on land within the boundaries of this state that is managed by the Federal Government or is on an Indian reservation or Indian colony, of not less than $5,000 for each consecutive 12-month period for 60 months immediately preceding the submission of the affidavit from the certified public accountant;

(2) The governmental services tax imposed pursuant to chapter 371 of NRS on the vehicles used in the operation of his business in this state of not less than $5,000 for each consecutive 12-month period for 60 months immediately preceding the submission of the affidavit from the certified public accountant; or

(3) Any combination of such sales and use taxes and governmental services tax; or

(b) Acquired, by purchase, inheritance, gift or transfer through a stock option plan, all the assets and liabilities of a viable, operating construction firm that possesses a:

(1) License as a specialty contractor pursuant to the provisions of chapter 624 of NRS; and

(2) Certificate of eligibility to receive a preference in bidding on public works.

5. For the purposes of complying with the requirements set forth in paragraph (a) of subsection 3 and paragraph (a) of subsection 4, a contractor shall be deemed to have paid:

(a) Sales and use taxes and governmental services taxes that were paid in this state by an affiliate or parent company of the contractor, if the affiliate or parent company is also a general contractor or specialty contractor, as applicable; and

(b) Sales and use taxes that were paid in this state by a joint venture in which the contractor is a participant, in proportion to the amount of interest the contractor has in the joint venture.

6. A contractor who has received a certificate of eligibility to receive a preference in bidding on public works from the State Contractors' Board pursuant to subsection 3 or 4 shall, at the time for the annual renewal of his contractor's license pursuant to NRS 624.283, submit to the Board an affidavit from a certified public accountant setting forth that the contractor has, during the immediately preceding 12 months, paid the taxes required pursuant to paragraph (a) of subsection 3 or paragraph (a) of subsection 4, as applicable, to maintain his eligibility to hold such a certificate.

7. A contractor who fails to submit an affidavit to the Board pursuant to subsection 6 ceases to be eligible to receive a preference in bidding on public works unless he reapplies for and receives a certificate of eligibility pursuant to subsection 3 or 4, as applicable.

8. If a contractor holds more than one contractor's license, he must submit a separate application for each license pursuant to which he wishes to qualify for a preference in bidding. Upon issuance, the certificate of eligibility to receive a preference in bidding on public works becomes part of the contractor's license for which the contractor submitted the application.

9. If a contractor who applies to the State Contractors' Board for a certificate of eligibility to receive a preference in bidding on public works submits false information to the Board regarding the required payment of taxes, the contractor is not eligible to receive a preference in bidding on public works for a period of 5 years after the date on which the Board becomes aware of the submission of the false information.

10. If any federal statute or regulation precludes the granting of federal assistance or reduces the amount of that assistance for a particular public work because of the provisions of subsection 2, those provisions do not apply insofar as their application would preclude or reduce federal assistance for that work. The provisions of subsection 2 do not apply to any contract for a public work which is expected to cost less than $250,000.

11. If a bid is submitted by two or more contractors as a joint venture or by one of them as a joint venturer, the provisions of subsection 2 apply only if both or all of the joint venturers separately meet the requirements of that subsection.

12. The State Contractors' Board shall adopt regulations and may assess reasonable fees relating to the certification of contractors for a preference in bidding on public works.

13. A person or entity who believes that a contractor wrongfully holds a certificate of eligibility to receive a preference in bidding on public works may challenge the validity of the certificate by filing a written objection with the public body to which the contractor has submitted a bid or proposal on a contract for the construction of a public work. A written objection authorized pursuant to this subsection must:

(a) Set forth proof or substantiating evidence to support the belief of the person or entity that the contractor wrongfully holds a certificate of eligibility to receive a preference in bidding on public works; and

(b) Be filed with the public body at or after the time at which the contractor submitted the bid or proposal to the public body and before the time at which the public body awards the contract for which the bid or proposal was submitted.

14. If a public body receives a written objection pursuant to subsection 13, the public body shall determine whether the objection is accompanied by the proof or substantiating evidence required pursuant to paragraph (a) of that subsection. If the public body determines that the objection is not accompanied by the required proof or substantiating evidence, the public body shall dismiss the objection and may proceed immediately to award the contract. If the public body determines that the objection is accompanied by the required proof or substantiating evidence,

the public body shall determine whether the contractor qualifies for the certificate pursuant to the provisions of this section and may proceed to award the contract accordingly.

Sec. 13. NRS 338.141 is hereby amended to read as follows:

338.141 1. Except as otherwise provided in subsection 2, each bid submitted to any officer, department, board or commission for the construction of any public work or improvement must include:

(a) The name of each subcontractor who will provide labor or a portion of the work or improvement to the contractor for which he will be paid an amount exceeding 5 percent of the prime contractor's total bid. Within 2 hours after the completion of the opening of the bids, the contractors who submitted the three lowest bids must submit a list containing the name of each subcontractor who will provide labor or a portion of the work or improvement to the contractor for which he will be paid an amount exceeding 1 percent of the prime contractor's total bid or $50,000, whichever is greater, and the number of the license issued to the subcontractor pursuant to chapter 624 of NRS. If a contractor fails to submit such a list within the required time, his bid shall be deemed not responsive.

(b) A description of the portion of the work or improvement which each subcontractor named in the bid will complete.

2. The contractor shall list in his bid pursuant to subsection 1 the name of a subcontractor for each portion of the project that will be completed by a subcontractor.

3. A contractor whose bid is accepted shall not substitute any person for a subcontractor who is named in the bid, unless:

(a) The awarding authority objects to the subcontractor, requests in writing a change in the subcontractor and pays any increase in costs resulting from the change; ~~[or]~~

(b) The substitution is approved by the awarding authority or an authorized representative of the awarding authority. The substitution must be approved if the awarding authority or authorized representative of the awarding authority determines that:

(1) The named subcontractor, after having a reasonable opportunity, fails or refuses to execute a written contract with the contractor which was offered to the subcontractor with the same general terms that all other subcontractors on the project were offered;

(2) The named subcontractor files for bankruptcy or becomes insolvent; or

(3) The named subcontractor fails or refuses to perform his subcontract within a reasonable time or is unable to furnish a performance bond and payment bond pursuant to NRS 339.025 ~~[.]~~*; or*

(c) If the awarding body is the governing body of a local government, the awarding authority or an authorized representative of the awarding body, in awarding a contract for a public work pursuant to NRS 338.1375 to 338.139, inclusive, and sections 2 and 3 of this act:

(1) Applies such criteria set forth in NRS 338.1377 as are appropriate for subcontractors and determines that the subcontractor does not meet that criteria; and

(2) Requests in writing a substitution of the subcontractor.

4. As used in this section, "general terms" means the terms and conditions of a contract that set the basic requirements for a project and apply without regard to the particular trade or specialty of a subcontractor, but does not include any provision that controls or relates to the specific portion of the project that will be completed by a subcontractor, including, without limitation, the materials to be used by the subcontractor or other details of the work to be performed by the subcontractor.

Sec. 14. 1. This section and sections 1 to 9, inclusive, 11, 12 and 13 of this act become effective on October 1, 2003.

2. Section 9 of this act expires by limitation on April 30, 2013.

If the notice of the delinquency seeks to prevent the transfer or other disposition of a deposit in a bank or credit union or other credits or personal property in the possession or under the control of a bank, credit union or other depository institution, the notice must be delivered or mailed to any branch or office of the bank, credit union or other depository institution at which the deposit is carried or at which the credits or personal property is held.

7. If any person notified by the notice of the delinquency makes any transfer or other disposition of the property or debts required to be withheld or transmitted, to the extent of the value of the property or the amount of the debts thus transferred or paid, he is liable to the State for any indebtedness due pursuant to this chapter, or chapter *360B,* 362, 364A, 369, 370, 372, 372A, 374, 377, 377A or 444A of NRS, NRS 482.313, or chapter 585 or 680B of NRS from the person with respect to whose obligation the notice was given if solely by reason of the transfer or other disposition the State is unable to recover the indebtedness of the person with respect to whose obligation the notice was given.

Sec. 4. Chapter 360B of NRS is hereby amended by adding thereto the provisions set forth as sections 5 to 24, inclusive, of this act.

Sec. 5. *"Purchaser" means a person to whom a sale of tangible personal property is made.*

Sec. 6. *"Registered seller" means a seller registered pursuant to section 9 of this act.*

Sec. 7. *"Retail sale" means any sale, lease or rental for any purpose other than for resale, sublease or subrent.*

Sec. 8. *"Tangible personal property" means personal property which may be seen, weighed, measured, felt or touched, or which is in any other manner perceptible to the senses.*

Sec. 9. *1. The Department shall, in cooperation with any other states that are members of the Agreement, establish and maintain a central, electronic registration system that allows a seller to register to collect and remit the sales and use taxes imposed in this state and in the other states that are members of the Agreement.*

2. A seller who registers pursuant to this section agrees to collect and remit sales and use taxes in accordance with the provisions of this chapter, the regulations of the Department and the applicable law of each state that is a member of the Agreement, including any state that becomes a member of the Agreement after the registration of the seller pursuant to this section. The cancellation or revocation of the registration of a seller pursuant to this section, the withdrawal of a state from the Agreement or the revocation of the Agreement does not relieve a seller from liability pursuant to this subsection to remit any taxes previously or subsequently collected on behalf of a state.

3. When registering pursuant to this section, a seller may:

(a) Elect to use a certified service provider as its agent to perform all the functions of the seller relating to sales and use taxes, other than the obligation of the seller to remit the taxes on its own purchases;

(b) Elect to use a certified automated system to calculate the amount of sales or use taxes due on its sales transactions;

(c) Under such conditions as the Department deems appropriate, elect to use its own proprietary automated system to calculate the amount of sales or use taxes due on its sales transactions; or

(d) Elect to use any other method authorized by the Department for performing the functions of the seller relating to sales and use taxes.

4. A seller who registers pursuant to this section agrees to submit its sales and use tax returns, and to remit any sales and use taxes due, to the Department at such times and in such a manner and format as the Department prescribes by regulation.

5. The registration of a seller and the collection and remission of sales and use taxes pursuant to this section may not be considered as a factor in determining whether a seller has a nexus with this state for the purposes of determining his liability to pay any tax imposed by this state.

Sec. 10. *1. The Department shall post on a website or other Internet site that is operated or administered by or on behalf of the Department:*

(a) The rates of sales and use taxes for this state and for each local government in this state that imposes such taxes. The Department shall identify this state and each local government using the Federal Information Processing Standards developed by the National Institute of Standards and Technology.

(b) Any change in those rates.

(c) Any amendments to the statutory provisions and administrative regulations of this state governing the registration of sellers and the collection of sales and use taxes.

(d) Any change in the boundaries of local governments in this state that impose sales and use taxes.

(e) The list maintained pursuant to section 11 of this act.

(f) Any other information the Department deems appropriate.

2. The Department shall make a reasonable effort to provide sellers with as much advance notice as possible of any changes or amendments required to be posted pursuant to subsection 1 and of any other changes in the information posted pursuant to subsection 1. Except as otherwise provided in section 12 of this act, the failure of the Department to provide such notice and the failure of a seller to receive such notice does not affect the obligation of the seller to collect and remit any applicable sales and use taxes.

Sec. 11. *1. The Department shall maintain a list that denotes for each five-digit and nine-digit zip code in this state the combined rates of sales taxes and the combined rates of use taxes imposed in the area of that zip code, and the applicable taxing jurisdictions. If the combined rate of all the sales taxes or use taxes respectively imposed within the area of a zip code is not the same for the entire area of the zip code, the Department shall denote in the list the lowest combined tax rates for the entire zip code.*

2. If a street address does not have a nine-digit zip code or if a registered seller is unable to determine the nine-digit zip code of a purchaser after exercising due diligence to determine that information, that seller may, except as otherwise provided in subsection 3, apply the rate denoted for the five-digit zip code in the list maintained pursuant to this section. For the purposes of this subsection, there is a rebuttable presumption that a registered seller has exercised due diligence if the seller has attempted to determine the nine-digit zip code of a purchaser by using software approved by the Department which makes that determination from the street address and five-digit zip code of the purchaser.

3. The list maintained pursuant to this section does not apply to and must not be used for any transaction regarding which a purchased product is received by the purchaser at the business location of the seller.

Sec. 12. *The Department shall waive any liability of a registered seller and a certified service provider acting on behalf of a registered seller who, as a result of his reasonable reliance on the information posted pursuant to section 10 of this act or his compliance with subsection 2 of section 11 of this act, collects the incorrect amount of any sales or use tax imposed in this state, for:*

1. The amount of the sales or use tax which the registered seller and certified service provider fail to collect as a result of that reliance; and

2. Any penalties and interest on that amount.

Sec. 13. *As used in sections 13 to 18, inclusive, of this act:*

1. "Receive" means taking possession of or making the first use of tangible personal property, whichever occurs first. The term does not include possession by a shipping company on behalf of a purchaser.

2. "Transportation equipment" means:

(a) Locomotives and railcars used for the carriage of persons or property in interstate commerce.

(b) Trucks and truck-tractors having a manufacturer's gross vehicle weight rating of more than 10,000 pounds, and trailers, semitrailers and passenger buses that are:

(1) Registered pursuant to the International Registration Plan, as adopted by the Department of Motor Vehicles pursuant to NRS 706.826; or

(2) Operated under the authority of a carrier who is authorized by the Federal Government to engage in the carriage of persons or property in interstate commerce.

(c) Aircraft operated by an air carrier who is authorized by the Federal Government or a foreign government to engage in the carriage of persons or property in interstate or foreign commerce.

(d) Containers designed for use on and component parts attached or secured to any of the items described in paragraph (a), (b) or (c).

Sec. 14. *1. Except as otherwise provided in this section, for the purpose of determining the liability of a seller for sales and use taxes, a retail sale shall be deemed to take place at the location determined pursuant to sections 13 to 18, inclusive, of this act.*

2. Sections 13 to 18, inclusive, of this act do not:

(a) Affect any liability of a purchaser or lessee for a use tax.

(b) Apply to:

(1) The retail sale or transfer of watercraft, modular homes, manufactured homes or mobile homes.

(2) The retail sale, other than the lease or rental, of motor vehicles, trailers, semitrailers or aircraft that do not constitute transportation equipment.

Sec. 15. *Except as otherwise provided in sections 13 to 18, inclusive, of this act, the retail sale, excluding the lease or rental, of tangible personal property shall be deemed to take place:*

1. If the property is received by the purchaser at a place of business of the seller, at that place of business.

2. If the property is not received by the purchaser at a place of business of the seller:

(a) At the location indicated to the seller pursuant to any instructions provided for the delivery of the property to the purchaser or to another recipient who is designated by the purchaser as his donee; or

(b) If no such instructions are provided and if known by the seller, at the location where the purchaser or another recipient who is designated by the purchaser as his donee, receives the property.

3. If subsections 1 and 2 do not apply, at the address of the purchaser indicated in the business records of the seller that are maintained in the ordinary course of the seller's business, unless the use of that address would constitute bad faith.

4. If subsections 1, 2 and 3 do not apply, at the address of the purchaser obtained during the consummation of the sale, including, if no other address is available, the address of the purchaser's instrument of payment, unless the use of an address pursuant to this subsection would constitute bad faith.

5. In all other circumstances, at the address from which the property was shipped or, if it was delivered electronically, at the address from which it was first available for transmission by the seller.

Sec. 16. *1. Except as otherwise provided in this section and sections 14, 17 and 18 of this act, the lease or rental of tangible personal property shall be deemed to take place as follows:*

(a) If the lease or rental requires recurring periodic payments, for the purposes of:

(1) The first periodic payment, the location of the lease or rental shall be deemed to take place at the location determined pursuant to section 15 of this act; and

(2) Subsequent periodic payments, the location of the lease or rental shall be deemed to take place at the primary location of the property. For the purposes of this subparagraph, the primary location of the property shall be deemed to be the address for the property provided by the lessee and set forth in the records maintained by the lessor in the ordinary course of business, regardless of the intermittent use of the property at different locations, unless the use of that address would constitute bad faith.

(b) If the lease or rental does not require recurring periodic payments, the location of the lease or rental shall be deemed to take place at the location determined pursuant to section 15 of this act.

2. This section does not apply to the determination of any liability of a seller for any sales or use taxes imposed on:

(a) The acquisition of tangible personal property for lease; or

(b) Any accelerated or lump-sum payments made pursuant to a lease or rental of tangible personal property.

Sec. 17. *1. Except as otherwise provided in this section and section 14 of this act, the lease or rental of motor vehicles, trailers, semitrailers or aircraft that do not constitute transportation equipment shall be deemed to take place:*

(a) If the lease or rental requires recurring periodic payments, at the primary location of the property. For the purposes of this paragraph, the primary location of the property shall be deemed to be the address for the property provided by the lessee and set forth in the records maintained by the lessor in the ordinary course of business, regardless of the intermittent use of the property at different locations, unless the use of that address would constitute bad faith.

(b) If the lease or rental does not require recurring periodic payments, at the location determined pursuant to section 15 of this act.

2. This section does not apply to the determination of any liability of a seller for any sales or use taxes imposed on:

(a) The acquisition of tangible personal property for lease; or

(b) Any accelerated or lump-sum payments made pursuant to a lease or rental of tangible personal property.

Sec. 18. *Except as otherwise provided in section 14 of this act, the lease or rental of transportation equipment shall be deemed to take place at the location determined pursuant to section 15 of this act.*

Sec. 19. *1. A purchaser may purchase tangible personal property without paying to the seller at the time of purchase the sales and use taxes that are due thereon if:*

(a) The seller does not maintain a place of business in this state; and

(b) The purchaser has obtained a direct pay permit pursuant to the provisions of this section.

2. A purchaser who wishes to obtain a direct pay permit must file with the Department an application for such a permit that:

(a) Is on a form prescribed by the Department; and

(b) Sets forth such information as is required by the Department.

3. The application must be signed by:

(a) The owner if he is a natural person;

(b) A member or partner if the seller is an association or partnership; or

(c) An executive officer or some other person specifically authorized to sign the application if the seller is a corporation. Written evidence of the signer's authority must be attached to the application.

4. Any purchaser who obtains a direct pay permit pursuant to this section shall:

(a) Determine the amount of sales and use taxes that are due and payable to this state or a local government of this state upon the purchase of tangible personal property from such a seller; and

(b) Report and pay those taxes to the appropriate authority.

5. If a purchaser who has obtained a direct pay permit purchases tangible personal property that will be available for use digitally or electronically in more than one jurisdiction, he may, to determine the amount of tax that is due to this state or to a local government of this state, use any reasonable, consistent and uniform method to apportion the use of the property among the various jurisdictions in which it will be used that is supported by the purchaser's business records as they exist at the time of the consummation of the sale.

Sec. 20. *1. A purchaser who:*

(a) Has not obtained a direct pay permit pursuant to section 19 of this act;

(b) Purchases tangible personal property that is subject to sales and use taxes; and

(c) Has knowledge at the time of purchase that the purchased property will be available for use digitally or electronically in more than one jurisdiction,

shall give written notice of that fact to the seller at the time of purchase. The notice must be given in a form required by the Department.

2. Notwithstanding the provisions of sections 13 to 18, inclusive, of this act:

(a) Upon receipt of such a notice by a seller who does not maintain a place of business in this state, the seller is relieved of any liability to collect, pay or remit any use tax that is due and the purchaser thereafter assumes the liability to pay that tax directly to the appropriate authority.

(b) To determine the tax due to this state or to a local government of this state:

(1) A purchaser who delivers a notice pursuant to subsection 1 to a seller who does not maintain a place of business in this state; and

(2) A seller who maintains a place of business in this state and receives a notice pursuant to subsection 1,

may use any reasonable, consistent and uniform method to apportion the use of the property among the various jurisdictions in which it will be used that is supported by the business records of the purchaser or seller as they exist at the time of the consummation of the sale.

3. Any notice given pursuant to subsection 1 applies to all future sales of property made by the seller to the purchaser, except for the sale of property that is specifically apportioned pursuant to subsection 2 or to property that will not be used in multiple jurisdictions, until the purchaser delivers a written notice of revocation to the seller.

Sec. 21. *1. A purchaser of direct mail must provide to the seller at the time of the purchase:*

(a) If the seller does not maintain a place of business in this state:

(1) A form for direct mail approved by the Department;

(2) An informational statement of the jurisdictions to which the direct mail will be delivered to recipients; or

(3) The direct pay permit of the purchaser issued pursuant to section 19 of this act; or

(b) If the seller maintains a place of business in this state, an informational statement of the jurisdictions to which the direct mail will be delivered to recipients.

2. Notwithstanding the provisions of sections 13 to 18, inclusive, of this act:

(a) Upon the receipt pursuant to subsection 1 of:

(1) A form for direct mail by a seller who does not maintain a place of business in this state:

(I) The seller is relieved of any liability for the collection, payment or remission of any sales or use taxes applicable to the purchase of direct mail by that purchaser from that seller; and

(II) The purchaser is liable for any sales or use taxes applicable to the purchase of direct mail by that purchaser from that seller.

Any form for direct mail provided to a seller pursuant to this subparagraph applies to all future sales of direct mail made by that seller to that purchaser until the purchaser delivers a written notice of revocation to the seller.

(2) An informational statement by any seller, the seller shall collect, pay or remit any applicable sales and use taxes in accordance with the information contained in that statement. In the absence of bad faith, the seller is relieved of any liability to collect, pay or remit any sales and use taxes other than in accordance with that information received.

(b) If a purchaser of direct mail does not comply with subsection 1, the seller shall determine the location of the sale pursuant to subsection 5 of section 15 of this act and collect, pay or remit any applicable sales and use taxes. This paragraph does not limit the liability of the purchaser for the payment of any of those taxes.

3. As used in this section, "direct mail" means printed material delivered or distributed by the United States Postal Service or another delivery service to a mass audience or to addresses contained on a mailing list provided by a purchaser or at the direction of a purchaser when the cost of the items purchased is not billed directly to the recipients. The term includes tangible personal property supplied directly or indirectly by the purchaser to the seller of the direct mail for inclusion in the package containing the printed material. The term does not include multiple items of printed material delivered to a single address.

Sec. 22. *Notwithstanding the provisions of any other specific statute, if the boundary of a local government that has imposed a sales or use tax is changed, any change in the rate of that tax which results therefrom becomes effective on the first day of the first calendar quarter that begins at least 60 days after the effective date of the change in the boundary.*

Sec. 23. *Notwithstanding the provisions of any other specific statute, if any sales or use tax is due and payable on a Saturday, Sunday or legal holiday, the tax may be paid on the next succeeding business day.*

Sec. 24. *Any invoice, billing or other document given to a purchaser that indicates the sales price for which tangible personal property is sold must state separately any amount received by the seller for:*

1. Services that are necessary to complete the sale, including delivery and installation charges;

2. The value of exempt property given to the purchaser if taxable and exempt property are sold as a single product or piece of merchandise; and

3. Credit given to the purchaser.

fee for residents must be offered at any time the exhibition is open to the public and admission fees are being charged.

The exemption pertaining to fine art for a particular fiscal year must not be reduced below zero, regardless of the amount of the net revenue derived by the taxpayer for that fiscal year.

3. A tax resulting from the operation of this section is due with the tax otherwise due under the taxpayer's first statement filed pursuant to NRS 361.265 after the 15th day of the fourth month after the end of the fiscal year in which the net revenue was received or, if no such statement is required to be filed, under a statement of the net revenue filed on or before the last day of the fourth month after the end of that fiscal year.

Sec. 32. Chapter 372 of NRS is hereby amended by adding thereto the provisions set forth as sections 33 to 36, inclusive, of this act.

Sec. 33. *This chapter must be administered in accordance with the provisions of chapter 360B of NRS.*

Sec. 34. *In determining the amount of taxes due pursuant to this chapter:*

1. The amount due must be computed to the third decimal place and rounded to a whole cent using a method that rounds up to the next cent if the numeral in the third decimal place is greater than 4.

2. A retailer may compute the amount due on a transaction on the basis of each item involved in the transaction or a single invoice for the entire transaction.

Sec. 35. *1. If a purchaser wishes to claim an exemption from the taxes imposed by this chapter, the retailer shall obtain such identifying information from the purchaser at the time of sale as is required by the Department.*

2. The Department shall, to the extent feasible, establish an electronic system for submitting a request for an exemption. A purchaser is not required to provide a signature to claim an exemption if the request is submitted electronically.

3. The Department may establish a system whereby a purchaser who is exempt from the payment of the taxes imposed by this chapter is issued an identification number that can be presented to the retailer at the time of sale.

4. A retailer shall maintain such records of exempt transactions as are required by the Department.

5. Except as otherwise provided in this subsection, a retailer who complies with the provisions of this section is not liable for the payment of any tax imposed by this chapter if the purchaser improperly claims an exemption. If the purchaser improperly claims an exemption, the purchaser is liable for the payment of the tax. The provisions of this subsection do not apply if the retailer fraudulently fails to collect the tax or solicits a purchaser to participate in an unlawful claim of an exemption.

Sec. 36. *1. If a retailer is unable to collect all or part of the sales price of a sale, he is entitled to receive a deduction from his taxable sales for that bad debt.*

2. Any deduction that is claimed pursuant to this section may not include interest.

3. The amount of any deduction claimed must equal the amount of a deduction that may be claimed pursuant to 26 U.S.C. § 166 for that sale minus:

(a) Any finance charge or interest charged as part of the sale;

(b) Any sales or use tax charged on the sales price;

2. Provisions substantially identical to those contained in chapter 374 of NRS, insofar as applicable.

4. A provision that the county shall contract before the effective date of the ordinance with the Department to perform all functions incident to the administration or operation of the tax in the county.

Sec. 89. NRS 377A.110 is hereby amended to read as follows:

377A.110 1. Subject to the provisions of subsection 2, the board may gradually reduce the amount of tax imposed pursuant to this chapter for a public transit system or for the construction, maintenance and repair of public roads, or both, as revenue from the operation of the public transit system permits. *The date on which any reduction in the tax becomes effective must be the first day of the first calendar quarter that begins at least 120 days after the effective date of the ordinance reducing the amount of tax imposed.*

2. No such taxing ordinance may be repealed or amended or otherwise directly or indirectly modified in such a manner as to impair any outstanding bonds issued under this chapter, or other obligations incurred under this

chapter, until all obligations, for which revenues from the ordinance have been pledged or otherwise made payable from such revenues pursuant to this chapter, have been discharged in full, but the board may at any time dissolve the regional transportation commission and provide that no further obligations be incurred thereafter.

Sec. 90. NRS 377B.100 is hereby amended to read as follows:

377B.100 1. The board of county commissioners of any county may by ordinance, but not as in a case of emergency, impose a tax for infrastructure pursuant to this section and NRS 377B.110.

2. An ordinance enacted pursuant to this chapter may not become effective before a question concerning the imposition of the tax is approved by a two-thirds majority of the members of the board of county commissioners. Any proposal to increase the rate of the tax or change the previously approved uses for the proceeds of the tax must be approved by a two-thirds majority of the members of the board of county commissioners. The board of county commissioners shall not change a previously approved use for the proceeds of the tax to a use that is not authorized for that county pursuant to NRS 377B.160.

3. An ordinance enacted pursuant to this section must:

(a) Specify the date on which the tax must first be imposed or on which an increase in the rate of the tax becomes effective, which must occur on the first day of the first month of the next calendar quarter that is at least ~~[60]~~ *120* days after the date on which a two-thirds majority of the board of county commissioners approved the question.

(b) In a county whose population is 400,000 or more, provide for the cessation of the tax not later than:

(1) The last day of the month in which the Department determines that the total sum collected since the tax was first imposed, exclusive of any penalties and interest, exceeds $2.3 billion; or

(2) June 30, 2025, whichever occurs earlier.

4. The board of county commissioners in a county whose population is 400,000 or more and in which a water authority exists shall review the necessity for the continued imposition of the tax authorized pursuant to this chapter at least once every 10 years.

5. Before enacting an ordinance pursuant to this chapter, the board of county commissioners shall hold a public hearing regarding the imposition of a tax for infrastructure. In a county whose population is 400,000 or more and in which a water authority exists, the water authority shall also hold a public hearing regarding the tax for infrastructure. Notice of the time and place of each hearing must be:

(a) Published in a newspaper of general circulation in the county at least once a week for the 2 consecutive weeks immediately preceding the date of the hearing. Such notice must be a display advertisement of not less than 3 inches by 5 inches.

(b) Posted at the building in which the meeting is to be held and at not less than three other separate, prominent places within the county at least 2 weeks before the date of the hearing.

6. Before enacting an ordinance pursuant to this chapter, the board of county commissioners of a county whose population is less than 400,000 or a county whose population is 400,000 or more and in which no water authority exists, shall develop a plan for the expenditure of the proceeds of a tax imposed pursuant to this chapter for the purposes set forth in NRS 377B.160. The plan may include a regional project for which two or more such counties have entered into an interlocal agreement to expend jointly all or a portion of the proceeds of a tax imposed in each county pursuant to this chapter. Such a plan must include, without limitation, the date on which the plan expires, a description of each proposed project, the method of financing each project and the costs related to each project. Before adopting a plan pursuant to this subsection, the board of county commissioners of a county in which a regional planning commission has been established pursuant to NRS 278.0262 shall transmit to the regional planning commission a list of the proposed projects for which a tax for infrastructure may be imposed. The regional planning commission shall hold a public hearing at which it shall rank each project in relative priority. The regional planning commission shall transmit its rankings to the board of county commissioners. The recommendations of the regional planning commission regarding the priority of the proposed projects are not binding on the board of county commissioners. The board of county commissioners shall hold at least one public hearing on the plan. Notice of the time and place of the hearing must be provided in the manner set forth in subsection 5. The plan must be approved by the board of county commissioners at a public hearing. Subject to the provisions of subsection 7, on or before the date on which a plan expires, the board of county commissioners shall determine whether a necessity exists for the continued imposition of the tax. If the board determines that such a necessity does not exist, the board shall repeal the ordinance that enacted the tax. If the board of county commissioners determines that the tax must be continued for a purpose set forth in NRS 377B.160, the board shall adopt, in the manner prescribed in this subsection, a new plan for the expenditure of the proceeds of the tax for such a purpose.

7. No ordinance imposing a tax which is enacted pursuant to this chapter may be repealed or amended or otherwise directly or indirectly modified in such a manner as to impair any outstanding bonds or other obligations which are payable from or secured by a pledge of a tax enacted pursuant to this chapter until those bonds or other obligations have been discharged in full.

6. The allowed revenue from taxes ad valorem determined pursuant to NRS 354.59811 does not apply to any additional property tax levied pursuant to this section.

7. If a plan fails to satisfy the expenses of the local government to the extent expected, the Committee shall report such failure to:

THE PEOPLE OF THE STATE OF NEVADA
DO ENACT AS FOLLOWS:

(Explanation of Question)

The proposed amendment to the Sales and Use Tax Act of 1955 would exempt from the taxes by this Act the gross receipts from the sale and the storage, use or other consumption of the value of any used vehicle taken in trade on the purchase of another vehicle and remove the exemption from those taxes for occasional sales of vehicles except where such sales are between certain family members.

If less than a majority of votes cast on a question is yes, the question fails and that amendment to the Sales and Use Tax Act of 1955 does not become effective.

Sec. 136. 1. Each statutory period of limitation applicable to any procedure or proceeding for the collection or enforcement of any sales or use tax due from a seller at the time the seller registers as provided in paragraph (b) is tolled for 36 months from the commencement of that registration.

2. The Department of Taxation shall not, pursuant to this section, waive any liability of a seller:

(a) Regarding any matter for which the seller received notice of the commencement of an audit which, including any related administrative and judicial procedures, has not been finally resolved before the registration of the seller pursuant to section 9 of this act.

(b) For any sales and use taxes collected by the seller or paid or remitted to the State before the registration of the seller pursuant to section 9 of this act.

(c) For any fraud or material misrepresentation of a material fact committed by the seller.

Amend the bill as a whole by deleting sec. 9, renumbering sections 10 and 11 as sections 12 and 13 and adding new sections designated sections 10 and 11, following sec. 8, to read as follows:

"Sec. 10. NRS 704.7815 is hereby amended to read as follows:

704.7815 "Renewable energy system" means:

1. A facility or energy system that:

(a) Uses renewable energy to generate electricity; and

(b) Transmits or distributes the electricity that it generates from renewable energy via:

(1) A power line which is dedicated to the transmission or distribution of electricity generated from renewable energy and which is connected to a facility or system owned, operated or controlled by a provider of electric service; or

(2) A power line which is shared with not more than one facility or energy system generating electricity from nonrenewable energy and which is connected to a facility or system owned, operated or controlled by a provider of electric service.

2. A solar ~~[thermal]~~ energy system that reduces the consumption of ~~[electricity.]~~ *electricity, natural gas or propane.*

3. A net metering system used by a customer-generator pursuant to NRS 704.766 to 704.775, inclusive.

Sec. 11. NRS 704.7821 is hereby amended to read as follows:

704.7821 1. For each provider of electric service, the Commission shall establish a portfolio standard for renewable energy. The portfolio standard must require each provider to generate or acquire electricity from renewable energy systems in an amount that is:

(a) For calendar years 2003 and 2004, not less than 5 percent of the total amount of electricity sold by the provider to its retail customers in this state during that calendar year.

(b) For calendar years 2005 and 2006, not less than 7 percent of the total amount of electricity sold by the provider to its retail customers in this state during that calendar year.

(c) For calendar years 2007 and 2008, not less than 9 percent of the total amount of electricity sold by the provider to its retail customers in this state during that calendar year.

(d) For calendar years 2009 and 2010, not less than 11 percent of the total amount of electricity sold by the provider to its retail customers in this state during that calendar year.

(e) For calendar years 2011 and 2012, not less than 13 percent of the total amount of electricity sold by the provider to its retail customers in this state during that calendar year.

(f) For calendar year 2013 and for each calendar year thereafter, not less than 15 percent of the total amount of electricity sold by the provider to its retail customers in this state during that calendar year.

2. In addition to the requirements set forth in subsection 1, the portfolio standard for each provider must require that:

(a) Of the total amount of electricity that the provider is required to generate or acquire from renewable energy systems during each calendar year, not less than 5 percent of that amount must be generated or acquired from solar renewable energy systems.

(b) If the provider acquires electricity from a renewable energy system pursuant to a renewable energy contract with another party:

(1) The term of the renewable energy contract must be not less than 10 years, unless the other party agrees to a renewable energy contract with a shorter term; and

(2) The terms and conditions of the renewable energy contract must be just and reasonable, as determined by the Commission. If the provider is a public utility and the Commission approves the terms and conditions of the renewable energy contract between the provider and the other party, the renewable energy contract and its terms and conditions shall be deemed to be a prudent investment and the provider may recover all just and reasonable costs associated with the renewable energy contract.

3. If, for the benefit of one or more of its retail customers in this state, the provider has subsidized, in whole or in part, the acquisition or installation of a solar ~~[thermal]~~ energy system which qualifies as a renewable energy system and which reduces the consumption of electricity, the total reduction in the consumption of electricity during each calendar year that results from the solar ~~[thermal]~~ energy system shall be deemed to be electricity that the provider generated or acquired from a renewable energy system for the purposes of complying with its portfolio standard.

4. The Commission may adopt regulations that establish a system of renewable energy credits that may be used by a provider to comply with its portfolio standard.

5. Except as otherwise provided in subsection 6, each provider shall comply with its portfolio standard during each calendar year.

6. If, for any calendar year, a provider is unable to comply with its portfolio standard through the generation of electricity from its own renewable energy systems or, if applicable, through the use of renewable energy credits, the provider shall take actions to acquire electricity pursuant to one or more renewable energy contracts. If the Commission determines that, for a calendar year, there is not or will not be a sufficient supply of electricity made available to the provider pursuant to renewable energy contracts with just and reasonable terms and conditions, the Commission shall exempt the provider, for that calendar year, from the remaining requirements of its portfolio standard or from any appropriate portion thereof, as determined by the Commission.

7. The Commission shall adopt regulations for the determination of just and reasonable terms and conditions for the renewable energy contracts that a provider of electric service must enter into to comply with its portfolio standard.

8. As used in this section:

(a) "Renewable energy contract" means a contract to acquire electricity from one or more renewable energy systems owned, operated or controlled by other parties.

(b) "Terms and conditions" includes, without limitation, the price that a provider of electric service must pay to acquire electricity pursuant to a renewable energy contract.".

Assemblyman Goldwater moved the adoption of the amendment.

Remarks by Assemblyman Goldwater.

Amendment adopted.

Bill ordered reprinted, re-engrossed, and to third reading.

Amend the bill as a whole by adding new sections designated sections 21 and 22, following sec. 22, to read as follows:

"Sec. 21. NRS 281.501 is hereby amended to read as follows:

281.501 1. Except as otherwise provided in subsection 2 or 3, a public officer may vote upon a matter if the benefit or detriment accruing to him as a result of the decision either individually or in a representative capacity as a member of a general business, profession, occupation or group is not greater than that accruing to any other member of the general business, profession, occupation or group.

2. In addition to the requirements of the code of ethical standards, a public officer shall not vote upon or advocate the passage or failure of, but may otherwise participate in the consideration of a matter with respect to which the independence of judgment of a reasonable person in his situation would be materially affected by:

(a) His acceptance of a gift or loan;

(b) His pecuniary interest; or

(c) His commitment in a private capacity to the interests of others.

It must be presumed that the independence of judgment of a reasonable person would not be materially affected by his pecuniary interest or his commitment in a private capacity to the interests of others where the resulting benefit or detriment accruing to him or to the other persons whose interests to which the member is committed in a private capacity is not greater than that accruing to any other member of the general business, profession, occupation or group. The presumption set forth in this subsection does not affect the applicability of the requirements set forth in subsection 3 relating to the disclosure of the pecuniary interest or commitment in a private capacity to the interests of others.

3. A public officer or employee shall not approve, disapprove, vote, abstain from voting or otherwise act upon any matter:

(a) Regarding which he has accepted a gift or loan;

(b) Which would reasonably be affected by his commitment in a private capacity to the interest of others; or

(c) In which he has a pecuniary interest, without disclosing sufficient information concerning the gift, loan, commitment or interest to inform the public of the potential effect of the action or abstention upon the person who provided the gift or loan, upon the person to whom he has a commitment, or upon his interest. Except as otherwise provided in subsection 6, such a disclosure must be made at the time the matter is considered. If the officer or employee is a member of a body which makes decisions, he shall make the disclosure in public to the Chairman and other members of the body. If the officer or employee is not a member of such a body and holds an appointive office, he shall make the disclosure to the supervisory head of his organization or, if he holds an elective office, to the general public in the area from which he is elected. This subsection does not require a public officer to disclose any campaign contributions that the public officer reported pursuant to NRS 294A.120 ~~[or 294A.125]~~ in a timely manner.

4. If a public officer declares to the body or committee in which the vote is to be taken that he will abstain from voting because of the requirements of this section, the necessary quorum to act upon and the number of votes necessary to act upon the matter, as fixed by any statute, ordinance or rule, is reduced as though the member abstaining were not a member of the body or committee.

5. If a public officer is voting on a matter which affects public employees, he shall make a full public disclosure of any personal pecuniary interest which he may have in the matter.

6. After a member of the Legislature makes a disclosure pursuant to subsection 3, he may file with the Director of the Legislative Counsel Bureau a written statement of his disclosure. The written statement must designate the matter to which the disclosure applies. After a Legislator files a written statement pursuant to this subsection, he is not required to disclose orally his interest when the matter is further considered by the Legislature or any committee thereof. A written statement of disclosure is a public record and must be made available for inspection by the public during the regular office hours of the Legislative Counsel Bureau.

7. The provisions of this section do not, under any circumstances:

(a) Prohibit a member of the legislative branch from requesting or introducing a legislative measure; or

(b) Require a member of the legislative branch to take any particular action before or while requesting or introducing a legislative measure.

8. As used in this section, "commitment in a private capacity to the interests of others" means a commitment to a person:

(a) Who is a member of his household;

(b) Who is related to him by blood, adoption or marriage within the third degree of consanguinity or affinity;

(c) Who employs him or a member of his household;

(d) With whom he has a substantial and continuing business relationship; or

(e) Any other commitment or relationship that is substantially similar to a commitment or relationship described in this subsection.

Sec. 22. NRS 281.552 is hereby amended to read as follows:

281.552 1. Every public officer shall acknowledge that he has received, read and understands the statutory ethical standards. The acknowledgment must be on a form prescribed by the Commission and must accompany the first statement of financial disclosure that the public officer is required to file with the Commission pursuant *to section 19 of this act* or the Secretary of State pursuant to NRS 281.561.

2. The Commission *and the Secretary of State* shall retain an acknowledgment filed pursuant to this section for 6 years after the date on which the acknowledgment was filed.

3. Willful refusal to execute and file the acknowledgment required by this section constitutes nonfeasance in office and is a ground for removal pursuant to NRS 283.440.".

Amend sec. 23, page 32, line 36, after "office" by inserting: "*will be entitled to receive compensation for serving in the office that he is seeking*".

Amend sec. 23, page 33, by deleting lines 34 through 41 and inserting:

"*3. A statement of financial disclosure shall be deemed to be*".

Amend sec. 23, page 34, by deleting lines 2 through 7 and inserting: "*the statement was sent by regular mail, transmitted by facsimile machine or electronic means, or delivered personally.*

4. The statement of financial disclosure filed pursuant to this section must be filed on the form set forth in section 2 of this act provided by the filing officer.

5. A statement of financial disclosure that is mailed or transmitted pursuant to subsection 3 in a timely manner to the wrong filing officer shall be deemed to be timely filed.".

Amend the bill as a whole by deleting sec. 24, renumbering sections 25 through 28 as sections 26 through 29 and adding new sections designated sections 24 and 25, following sec. 24, to read as follows:

"Sec. 24. NRS 281.573 is hereby amended to read as follows:

281.573 1. Except as otherwise provided in subsection 2, statements of financial disclosure required by the provisions of NRS 281.561 and 281.571 *and section 19 of this act* must be retained by the Commission, Secretary of State, county clerk and city clerk for 6 years after the date of filing.

2. For public officers who serve more than one term in either the same public office or more than one public office, the period prescribed in subsection 1 begins on the date of the filing of the last statement of financial disclosure for the last public office held.

Sec. 25. NRS 281.575 is hereby amended to read as follows:

281.575 The Secretary of State and each county or city clerk who receives from a candidate for public office a declaration of candidacy,

acceptance of candidacy or certificate of candidacy shall give to the candidate the form ~~[prescribed by the Commission]~~ *set forth in section 2 of this act* for the making of a statement of financial disclosure, accompanied by instructions on how to complete the form, where it must be filed and the time by which it must be filed.".

Amend sec. 25, pages 35 and 36, by deleting lines 28 through 43 on page 35 and lines 1 through 16 on page 36 and inserting:

"Sec. 26. NRS 281.581 is hereby amended to read as follows:

Prayer by the Chaplain, Pastor Marlene Wendell.

God's Holy Word, the Bible, tells us the proper protocol for entering into the highest court in all the universe. Psalms 100:4-5: "Enter into His gates with thanksgiving and into His courts with praise. Be thankful to Him, and bless His Name. For the Lord is good; His mercy is everlasting, and His truth endures to all generations." Heavenly Father, we enter into Your gates with thanksgiving in our hearts. Our hearts are full of gratitude and thanksgiving for the privilege of coming into Your Holy Presence. You are such an awesome God. "For the Lord is good; His mercy is everlasting." We praise You for Your goodness and Your truth. You are worthy to be praised.

In Hebrews 4:16, You have invited us to fearlessly and confidently and boldly to draw near to the throne of grace, the throne of God's unmerited favor; that we may receive mercy and find grace to help in good time for every need—appropriate help and well-timed help, coming just when you need it.

These legislators, who are giving of their time, effort, energy, ability, and wisdom need Your mercy and grace today. Included in Your grace is favor, power, might, wisdom—the blessings of God; everything we need to fulfill our calling. Based on Your Word, we release our faith and receive a fresh supply of Your mercy and grace right now today for the important tasks at hand. We give You praise for the impartation of wisdom, coming from You, the Omniscient One, to each of them. We believe You for Your protection on each one of them and their families, for You have declared that You are a shield for us and the One who lifts up our heads. We ask You to empower them and give them Your supernatural energy and strength. We ask it all in the precious and Holy Name of the Lord Jesus Christ.

AMEN.

REMARKS FROM THE FLOOR

Assemblywoman Buckley moved that the following proclamation be entered in the Journal:

PROCLAMATION OF THE NEVADA STATE ASSEMBLY

WHEREAS, April 28, 2003, marks the first floor session of the Nevada Assembly in its former Chambers in the historic State Capitol Building since the Legislature adjourned *sine die* 34 years and 4 days ago, on April 24, 1969; and

WHEREAS, The earliest sessions of Nevada's Territorial and State Legislatures, from 1861 through 1869, were conducted in Carson City in either hotels or the original Ormsby County Courthouse, which led Assemblyman John S. Mayhugh, of Aurora in Esmeralda County, to introduce legislation providing for the erection of a State Capitol Building, which was passed after waves of legislative protest and signed into law on February 23, 1869; and

WHEREAS, The Capitol Building in Carson City served as the home of the Nevada State Legislature for nearly 100 years and 51 regular sessions, from the 5th Regular Session in 1871 through the 55th Regular Session in 1969; and

WHEREAS, A century of change and challenge in Nevada was addressed in these Chambers every two years (including one annual session in 1960), during which time the State's population experienced sharp increases and decreases depending on the fortunes of mining and the price of minerals, ranging from a total state population of just over 42,000 in both 1870 and 1900, to 488,738 in 1970; and

WHEREAS, The number of Assembly members in these Chambers, which was originally called the Assembly Hall, ranged from a high of 53 in the sessions of 1913 and 1915, to a low of 30 members in the sessions of 1893 through 1899; and

WHEREAS, Women first graced these Chambers as elected members when Mrs. Sadie D. Hurst was elected to the Assembly from Washoe County in 1918 and served during the 1919 Session with distinction; and

WHEREAS, As the 1969 Session neared its end, the Speaker of the Assembly noted that despite the excellent design, quality of building materials, and stately beauty of the Capitol Building, the State and its legislative requirements had outgrown the Assembly and Senate Chambers that had served so well; and

WHEREAS, It was with feelings of gratitude and respect for the past and hopes for the future that Assembly Speaker Howard F. McKissick, Jr., a native Nevadan and distinguished attorney from Reno, bid farewell to these Chambers on the last night of the 55th Legislative Session, on April 24, 1969, by stating, "Let us then hold fast to the memory of those who went before us and, grateful that we have had an opportunity to participate in events that have taken place here,

let us go forward with confidence to our new duties in our new Assembly Chamber in the soon-to-be-completed Legislative Building . . . (and) let us take with us the same pioneer spirit of all the Assemblymen of the state of Nevada who have helped shape our destiny, the willingness to enforce what is just, and the courage to change what is wrong"; now, therefore, be it

PROCLAIMED, That the members of the Nevada State Assembly of the 72nd Session look back with deep pride and appreciation on the hard work, courage, and vision of all those men and women who served the people of the state of Nevada as members of the Nevada Assembly in the Capitol Building; and be it further

PROCLAIMED, That Nevada's rich political history and heritage must be treasured, preserved, and brought back to life periodically through celebrations such as today's historic Floor Session in the former Chambers of the Nevada Assembly in the State Capitol Building.

Assemblywoman Buckley requested that the following remarks be entered in the Journal:

NEVADA STATE ARCHIVIST GUY ROCHA:

Thank you, Mr. Speaker. I am honored to be the first state archivist to open this, or any, Assembly Floor Session in Nevada history. Thank you, Mr. Speaker, for extending the courtesy and assuming I had something to share on this auspicious occasion.

In 1969, when the last Floor Session of the Nevada Assembly met in this Chamber after meeting for virtually 100 years in the historic state capitol, I was preparing to graduate from Clark High School in Las Vegas. Little would I know that Assemblywoman Vonne Chowning, our Spanish teacher at Clark High School, and I would meet again under these wonderful and historic circumstances. Hola, mi maestra!

With the retirement of the Honorable Joe Dini from the State Assembly, there is conspicuously no member of the Assembly in this Chamber today who served in the 1969 session. According to the legislative manual, most of you were alive 34 years ago when the Assembly last met in the old Chambers. However, five of you who now serve in the Assembly were born in 1969, and one of you hadn't arrived yet: Walter Andonov, Kelvin Atkinson, Chad Christensen, Marcus Conklin, David Goldwater, and the baby, Josh Griffin.

There are currently 42 members of the Assembly and with the recent expansions of the current Legislative Building, with Arizona and North Carolina, one of three free-standing legislative buildings in the nation, you enjoy commodious surroundings. Can you imagine 53 members of the Assembly in 1913 squeezed into these Chambers, "cheek by jowl," before it was expanded to its current size in 1915? This room was half this size with 53 members. Would you believe the remodel bill to expand the wings of the Capitol was lost on third reading in the Assembly, and was passed only after a motion was made to reconsider and several more days of argument? What does that say about a long-standing tradition of fiscal conservatism in Nevada?

In that vein, we are fortunate to be able to conduct this Floor Session in the old Assembly Chambers today. In 1955, it was agreed that the State Capitol be torn down and four modern buildings constructed on the Capitol Grounds to conduct the State's business. With the completion of the Blasdel Building next door, the 1957 Legislature decided no more modern buildings like the Blasdel Building be constructed and that the State Capitol should be saved for posterity. The Capitol sustained a major seismic retrofit and renovation in the late 1970s and early 1980s. Thank goodness for historic preservation and archival records; we are once again here to do the State's business and celebrate Nevada's colorful history.

Speaking of political history, I would be remiss if I didn't share with you the names of the members of the Assembly who served in this Chamber and went on to serve as governor and members of Congress. Governors of Nevada who served in the Assembly and sat in the old Assembly Chambers include: Fred B. Balzar, Esmeralda County, 1905; Richard Kirman, Ormsby County, 1899, who was elected at the tender age of 21; Charles H. Russell, White Pine County, 1935, 1937, 1939; and Richard H. Bryan, Clark County, 1969.

Nevada members of the U.S. House of Representatives who served in the Assembly and sat in the old Assembly Chambers include: Thomas Wren, Eureka County, 1875; Clarence D. Van Duzer, Humboldt County, 1901; Charles L. Richards, Nye County, 1919; Berkeley Bunker, Clark County, 1937, 1939, who was Speaker, and would go on to the U.S. Congress;

Charles H. Russell, White Pine County, 1935, 1937, 1939; Walter S. Baring, Washoe County, 1937; and Harry M. Reid, Clark County, 1969.

Nevada U.S. Senators who served in the Assembly and sat in the old Assembly Chambers included: George S. Nixon, Humboldt County, 1891, the community of Nixon on the Pyramid Lake Reservation is named for the Senator; William A. Massey, Elko County, 1893; Charles B. Henderson, Elko County, 1905, for whom the city of Henderson is named; Patrick A. McCarran, Washoe County, 1903, for whom Las Vegas' International Airport is named; Berkeley L. Bunker, Clark County, 1937, 1939; Ernest S. Brown, Washoe County, 1933; Harry M. Reid, Clark County, 1969; and Richard H. Bryan, Clark County, 1969.

There have also been two other U.S. Senators of note that spoke in this Chamber during 1960, the only annual session in modern Nevada history, and when the population was a mere 285,000 residents. The two prominent Senators running for the Democratic nomination for the U.S. President spoke in this Chamber were John Fitzgerald Kennedy of Massachusetts, who spoke on February 1, 1960, and Hubert H. Humphrey of Minnesota, who spoke on February 9, 1960. Vice president Nixon, running for the Republican presidential nomination, was invited to speak to the Legislature; however, he sent his regrets that he could not accommodate another engagement after presiding over the opening of the Squaw Valley Winter Olympics on February 18, 1960.

In closing, I want to share with you the story behind the 1895 statute, now NRS 331.190, that prohibits the sale, gift, or disposal of liquor in the Capitol. Prior to this law being passed, the most lucrative concession in Carson City was running the bar, or "the well" as it was commonly known, in the Capitol during the legislative session. Prodigious amounts of alcohol were consumed during the course of the legislative process. Reformers were concerned about the example set for Nevadans and apparently the quality of the legislation. In 1893, Senator John Forbes, of Esmeralda County, introduced Senate Bill 14, "an act to prohibit the sale of intoxicating liquors in the state capitol." Violation of the proposed law was a misdemeanor and included a fine not to exceed $100 and/or imprisonment not to exceed 50 days. The bill easily passed the Senate with a vote of 11 yeas and 2 nays. However, the Assembly in this Chamber, and presumably some of its members under the influence, killed the anti-well bill by a vote of 16 against and 13 for. Undaunted, the reformers returned to fight another day.

In 1895, Assemblyman J. I. Wilson of Lyon County introduced Assembly Bill 14, "an act to prohibit the sale of ardent spirits within the Capitol Building of the State of Nevada." The misdemeanor penalty associated with this proposed legislation included a fine of not less than $100 and not exceeding $500, or be imprisoned in the county jail for not less than one month and not exceeding six months. Although the bill received a "do pass" from the Assembly Committee on Public Morals, and a petition from the Women's Christian Temperance Union, who were praying for the passage of Assembly Bill 14, presented and read on February 5, the bill was apparently lost by a tie vote. Assemblyman S. L. McNaughten of Esmeralda County gave notice that on the next legislative day he would move a reconsideration of the vote. The Assembly voted to reconsider the bill on February 6 and after much parliamentary maneuvering and an amendment to the bill proposed by J. A. Conboie of Storey County, Assembly Bill 14 passed the Assembly on February 8 by a vote of 26 to 3 and 1 absent.

Annie Hudnall Martin, pioneer owner and editor of the Carson City News, wrote, "McNaughten moved a reconsideration of the vote by which the 'anti-well' bill was lost the preceding day. He did not pose as a prohibitionist but urged the passage of this bill for the benefit of the rising generation and in the interest of good morals and decency and all that was respectable and commendable. The motion to reconsider was carried by a vote of 16 to 11. When the bill came up for the final vote Constant moved for indefinite postponement. Lost. The motion to make the bill a specific order for Monday was lost. Conboie moved to amend by having the bill take effect after April 1, 1895. Amendment adopted and the whole proceeding thus turned into a farce."

The Senate easily passed the bill and Governor John E. Jones signed it. The Women's Christian Temperance Union's prayers were answered, the 1895 Legislature, because of the amendment, could spend the rest of the session drinking, and beginning in 1897, legislators were compelled to walk across the street to patronize Carson City's bars and saloons and to do their

drinking. Now you know the story as to why we are not drinking in the old Assembly Chambers today. Thank you and cheers. Here is to a memorable day in the history of Nevada.

ASSEMBLYMAN HETTRICK:

Thank you, Mr. Speaker. I would just like to say thank you. We appreciate you doing this. I want to express from all the members that it is a thrill for us to sit in this Body on this special occasion. Being in this Body and in this room, I think about the history and soul of the state of Nevada. I congratulate you in your effort for getting this done. The printed materials on the desk are wonderful and I think we should give the Speaker a round of applause.

Mr. Speaker requested the privilege of the Chair for the purpose of making the following remarks:

I sincerely appreciate that, Mr. Hettrick. However, my part was just a thought. I think we owe to the many, many staff hours that were put into this, everything from gathering the appropriate desks and looking at the photos, to seeing how the placement of the room needed to be. The Sergeant at Arms staff, Mr. Sullivan, the Front Desk staff, everyone involved from the Legislative Building—they brought everything here, including all the recording equipment that you see, to memorialize this event. They are the ones that truly, truly need the thanks, and I think they deserve an even larger round of applause.

I would note, as well, that I think I saw Congresswoman Vucanovich and Ms. Cafferata leave earlier. Maybe Governor Guinn slipped out as well. We had the Governor here; the Secretary of State is still with us. Senator Jacobsen, former Speaker, it is good to have you here. Ms. Segerblom, it has been a little while but we are glad to see you as well as often as we can here in Carson City. Mr. Swackhamer, also a former Speaker and Secretary of State, and so many other accomplishments in a long list, is with us also. And, of course, the inestimable Speaker Dini. Joe, we couldn't have done it without you. It is good to have all of you with us today. Thanks for being with us.

ASSEMBLYWOMAN BUCKLEY:

Thank you, Mr. Speaker. I just want to add my thanks to everyone else to the Speaker for arranging this day. I was pretty surprised to find out just a short while ago when I was named Majority Leader by the Speaker, that I'm the first woman in the history of the state of Nevada to be a majority leader. So, this is the first opportunity that a female majority leader ever had the opportunity to speak up in these Chambers. I would like to thank you, Speaker Perkins, for giving me the opportunity, as well as Speaker Joe Dini. Without the two of you, I wouldn't have received this appointment. So, thank you.

ASSEMBLYMAN WILLIAMS:

Thank you, Mr. Speaker. I would like to give remarks as well. Of course, Ms. Buckley was appointed the first female majority leader in the State's history. At the same time, Mr. Speaker, you had the vision, courtesy, and wherewithal to appoint me as the first African-American Speaker pro Tempore in the State's history. Having the opportunity to serve today in this building is an honor. You'll notice on the proclamation, the date of the first female to serve in this Body and in this building. Prior to today, there was never an African-American to serve the State as Speaker pro Tempore in this room. To be able to meet back in here for the first time, along with my other colored colleagues, is the first time an African-American has graced this room as a presiding officer. To be able to preside today, Mr. Speaker, I am very grateful for that. I think of all the history here, regardless of how colorful it is, how crushed would they be, if with all of our great history, that we did not continue to legislate for the great State that we all know that it is. Thank you, Mr. Speaker.

All present except Assemblyman Knecht, who was excused.

Prayer by the Chaplain, Pastor Marlene Wendell.

Psalm 118:24-25 says: "This is the day the Lord has made; we will rejoice and be glad in it. Save now, I pray, O Lord: O Lord, I pray, send now prosperity." Heavenly Father, we enter into your gates with thanksgiving and into Your courts with praise. We rejoice in this day that You have made! We give you all the glory, honor, and praise. You, Father God, have told us Your names which reveal Your attributes, Your character and Your nature so that we know you more intimately. You revealed Yourself to Abraham, the father of faith, as El Shaddai, the Almighty God, the All-sufficient One.

We look to You as the All-sufficient One for Your help for every one of these leaders. Thank You for a spirit of unity among these leaders, resulting in great accomplishments during this legislative session for prosperity of the people of the state of Nevada. As You spoke to Abraham, we make it our faith declaration also: You, Almighty God, are our shield and our exceedingly great reward. Thank You, Father God. In Jesus' Name, we pray.

Assemblywoman Buckley moved the adoption of the resolution.

Remarks by Assemblymen Buckley, Ohrenschall, Goldwater, Chowning, and Giunchigliani.

Assemblyman Williams requested that the following remarks be entered in the Journal.

ASSEMBLYWOMAN BUCKLEY:

Thank you, Mr. Speaker. I didn't know Ed Fend as a wartime veteran, a fighter for our country, or the wonderful husband and father that he was. I knew him as a fighter in these halls. I first met Ed in 1995 when I had a bill to create more affordable housing. He walked up to me and said, "Boy, I love your bill. What can I do to help?" He was the only person to love that bill that session. Lots of people didn't like it, but Ed was there next to me fighting. He fought hard for every issue that he thought would help seniors. The term "lobbyist" sometimes is derided, but Ed was a wonderful lobbyist, a nonprofit lobbyist, with AARP. He fought for affordable housing, affordable health care, and prescription drug coverage. He wasn't afraid to voice an opinion even when others were afraid. Ed saw problems with the first version of the Senior Rx Program. There wasn't anyone willing to say maybe it was not affordable, except Ed. He spoke up when others were afraid to because it was the right thing. We will miss Ed. I think if we do anything but learn from his passion, courage, and his never-failing advocacy, that legacy can remain in parts of us, and we will do a good tribute to Ed Fend.

ASSEMBLYWOMAN OHRENSCHALL:

Thank you, Mr. Speaker. I think that the Majority Leader has covered most everything that I was going to say. Ed Fend, the man that I knew, was there ready to pitch in to every righteous battle for anyone that needed it, whether an organized group or one individual. He gave of his own time, unstintingly, not just for the organization that he represented. The organization was wonderful and he was devoted to AARP, but he did not hesitate to give of his personal time when anyone needed it. I urge this Assembly to pass this resolution.

ASSEMBLYMAN GOLDWATER:

Mr. Speaker, thank you. I rise in strong support of ACR 15. We are in a window of time where we are losing, in America, our greatest generation. Those of us who are observant of that would observe that Ed Fend epitomizes the greatest generation as well as anybody. His was a selfless, modest dedication to service at all levels. He had success in family, government service, military service, advocacy service, and at all levels. If you knew him around these halls, you would have never known how well he did. He was a great man whose heart was in the right place and he followed his heart. It is sad as we lose our greatest generation, but it is nice to be reminded of what these men and women have done for us and that they have brought us to where we are now. Thanks to people like Ed, we can continue to progress from where they brought us.

ASSEMBLYWOMAN CHOWNING:

Thank you, Mr. Speaker. I, too, stand in support of ACR 15. Through the years Ed brought the voice of the seniors, loud and clear, to me and to each and every one of us. We never, ever forgot about the seniors because Ed wouldn't let us forget about the seniors. There is a gentleman in southern Nevada who said to me, "I work with Ed and I will be talking to you at various times about senior issues." That is all the lead-in that he needed to provide the

credibility that I needed. I thank the family for loaning him to us all those times, and I thank him for his service to our country and to our state.

ASSEMBLYWOMAN GIUNCHIGLIANI:

Thank you, Mr. Speaker. I, too, rise in support of ACR 15. I think things have been said quite well. I always appreciated seeing Ed first thing in the morning and the smile on his face. He was a big man, so he had a big presence. His smile would start your day off in the right way, which I always appreciated. To conclude, I would say that Ed epitomized community spirit and he truly was a soldier to the end. He was a soldier, not only in war, but he was a soldier, and had the backs of every retiree and senior citizen in this state. He will be missed dearly. Thank you.

THE EIGHTY-SEVENTH DAY

CARSON CITY (Wednesday), April 30, 2003

Assembly called to order at 11:19 a.m.

Mr. Speaker presiding.

Roll called.

All present.

Prayer by the Chaplain, Marlene Wendell.

Father God, I pray that You would bless each and every member of the Nevada State Assembly and guide them in their decisions today. I pray that they will make choices that are both good and righteous in Your sight. Thank You, that they seek Your counsel and honor You. Proverbs 2:6-11 from the Amplified Version of the Bible says:

"For the Lord gives skillful and godly wisdom; from His mouth come knowledge and understanding. He hides away sound and godly wisdom and stores it for the righteous; He is a shield to those who walk uprightly and in integrity, that He may guard the paths of justice; yes, He preserves the way of His saints. Then you will understand righteousness, justice and fair dealing in every area and relation; yes, you will understand every good path. For skillful and godly wisdom shall enter into your heart, and knowledge shall be pleasant to you. Discretion shall watch over you, understanding shall keep you."

I ask, Father, that You will give them Your wisdom to accurately discern the issues presented before them. May they be fair and just, hearing out all reasonable voices. I praise You, that they conduct their affairs honorably, ethically, and with integrity. Thank You for Your Grace and mercy upon each and every one of them and the blessings of protection upon them and their families. May Your word be the foundation of their lives.

AMEN.

Pledge of Allegiance to the Flag.

THE EIGHTY-EIGHTH DAY

CARSON CITY (Thursday), May 1, 2003

Assembly called to order at 11:21 a.m.

Mr. Speaker presiding.

Roll called.

All present.

Prayer by the Chaplain, Marlene Wendell.

As this is National Day of Prayer, it is my privilege to lead the Nevada State Assembly in prayer for our President, his Cabinet members, the United States military, members of Congress, our Governor, the members of the Nevada Legislature and staff, and all the good people of the state of Nevada and the United States of America.

Heavenly Father, we come to You, recognizing You are the Most High God, El Elyon in the Hebrew; and You sit on the throne of ultimate authority and power. One word, perhaps more than any other, sums up what the world is searching for these days, security. Everybody wants to feel more secure and free from fear of terrorist attacks, war, chemical and biological weapons threatening whole cities, diseases, and plagues. You, Father God, have given us the answers of how to live in this world with all of its potential dangers and still feel safe and secure.

Although promises of Your protection are echoed many times throughout the pages of the Bible, there is no single passage that captures Your wonderful ability and desire to deliver Your people in times of danger better than Psalm 91: "He who dwells in the secret place of the Most High, shall abide under the shadow of the Almighty. I will say of the Lord, "He is my refuge and my fortress; My God, in Him I will trust."

If we will just believe and act on Your promises spoken to us here in Psalm 91, we will be able to live in total freedom from fear even in the worst of times, no matter what kinds of threats arise around us. On this day, when the whole nation is called to pray for our great country, we make Psalm 91 our declaration of faith. We believe You, Father God, to give wisdom to our President, his advisors, and all of our leaders to make the right decisions that will keep our nation strong.

Thank You for the rich and glorious heritage we have as a country. Let us never forget this is a country founded upon religious freedom and the principles and precepts of Your Word. Let us never forget the thousands upon thousands who shed their blood and gave their lives to protect the freedoms we now have and enjoy. We look to You, the Most High God, to preserve and protect all our citizens and for the continued preservation of our freedom. We ask it all in Your Holy Name.

AMEN.

Pledge of Allegiance to the Flag.

Also, I have the honor to inform your honorable body that the Senate on this day passed, as amended, Senate Bills Nos. 407, 493.

MARY JO MONGELLI
Assistant Secretary of the Senate

MOTIONS, RESOLUTIONS AND NOTICES

By Assemblymen Chowning, Anderson, Andonov, Angle, Arberry, Atkinson, Beers, Brown, Buckley, Carpenter, Christensen, Claborn, Collins, Conklin, Geddes, Gibbons, Giunchigliani, Goicoechea, Goldwater, Grady, Griffin, Gustavson, Hardy, Hettrick, Horne, Knecht, Koivisto, Leslie, Mabey, Manendo, Marvel, McClain, McCleary, Mortenson, Oceguera, Ohrenschall, Parks, Perkins, Pierce, Sherer, Weber, and Williams; Senators Carlton, Amodei, Care, Cegavske, Coffin, Hardy, Mathews, McGinness, Neal, Nolan, O'Connell, Raggio, Rawson, Rhoads, Schneider, Shaffer, Tiffany, Titus, Townsend, Washington, and Wiener:

Assembly Concurrent Resolution No. 17—Recognizing April 15, 2003, as Equal Pay Day in Nevada.

WHEREAS, When the Equal Pay Act, requiring employers to pay all employees equally for equal work, was signed in 1963, women who worked full-time, year-round made 59 cents, on average, for every dollar earned by men, and 40 years later women earn only 76 cents of that dollar as the wage gap closes at an even slower rate, resulting in a change of less than one-half penny per year; and

WHEREAS, According to reports by the Bureau of the Census of the Department of Commerce, the effects of the wage gap on women of color is even greater, with black women earning only 69 cents for every dollar earned by white men, and Hispanic women earning only 56 cents of that dollar; and

WHEREAS, "A New Look Through the Glass Ceiling: Where Are the Women?," a report using data compiled by the General Accounting Office, states that, of the 10 industries surveyed which employ 71 percent of all employed women and 73 percent of all female managers, women who are full-time managers are paid less and advance less often than male managers and that the wage gap between female managers and their male counterparts widened between 1995 and 2000 in 7 of the 10 industries; and

WHEREAS, Many women are the sole support of their families and wage discrimination has a huge impact on their children and the quality of their lives, and it is estimated that America's working families lose $200 billion annually because of wage discrimination; and

WHEREAS, Over a working lifetime, this wage disparity costs the average American woman and her family an estimated $250,000 in lost wages, impacting social security benefits and pensions; and

WHEREAS, Title VII of the Civil Rights Act of 1964 prohibits wage discrimination on the basis of race, color, gender, religion, or national origin, and yet long after the Supreme Court made it clear that Title VII prohibits wage discrimination even when the jobs are not identical, as long as the work is comparable, wage discrimination laws are poorly enforced and cases are extremely difficult to win; and

WHEREAS, Wage discrimination for any reason is detrimental to our sense of justice and fairness and our belief in the American way; and

WHEREAS, While many people claim that the wage gap is the result of differences in education, the Bureau of the Census reports that a white male with a master's degree earns $67,818 per year and a black man with the same education earns only $51,336, with the lowest paid being a similarly educated black woman, who earns only $43,884; and

WHEREAS, The National Committee on Pay Equity, founded in 1979, is a national coalition of over 80 organizations and thousands of men and women from all walks of life who are working to eliminate wage discrimination and to achieve pay equity that will benefit society as a whole when all workers have jobs that pay a fair and equitable wage, enabling them and their families to lead healthy, fulfilling and productive lives; and

WHEREAS, While the costs are minimal to employers, only 3 to 4 percent of payroll costs, pay equity wage adjustments can make a substantial difference in the lives of the persons who are being discriminated against; and

WHEREAS, Every year, Equal Pay Day is marked on a Tuesday in April because, on average, it takes women 7 workdays to earn the same amount that men earn in 5 workdays and 15 months to match the average man's 12-month income; now, therefore, be it

RESOLVED BY THE ASSEMBLY OF THE STATE OF NEVADA, THE SENATE CONCURRING, That April 15, 2003, be recognized as Equal Pay Day; and be it further

RESOLVED, That the public and private employers in Nevada are to be congratulated for lighting the way for other states to follow, with the employers in our State ranking among the highest in the nation in paying their employees equal pay for equal work; and be it further

RESOLVED, That all employers in Nevada, whether public or private, are encouraged to compensate all employees fairly, based on an objective evaluation of their jobs, considering factors such as the skill, effort, responsibility and working conditions required for each job; and be it further

RESOLVED, That the Chief Clerk of the Assembly prepare and transmit a copy of this resolution to Governor Kenny Guinn, to each member of the Nevada Congressional Delegation and to Linda Chavez-Thompson, the Chair of the National Committee on Pay Equity.

Assembly Resolution No. 5—Expressing appreciation to the staff of the Assembly and designating May 1, 2003, as Assembly Staff Appreciation Day.

WHEREAS, The Nevada Legislature undertakes an enormous task every 2 years in the performance of its legislative duties on behalf of the residents of Nevada; and

WHEREAS, The smooth and efficient operation of the Nevada Legislature is largely dependent upon the dedication and abilities of the members of its staff; and

WHEREAS, Because the legislative session has been limited to 120 days, many extra demands have been placed on the staff by requiring them to learn and assimilate new skills at an accelerated rate and to process their work even more efficiently; and

WHEREAS, The bill clerks, secretaries, sergeants at arms, and clerical and support staff who serve as attaches of the Assembly have worked diligently and efficiently in their service to the members of the Assembly; now, therefore, be it

THE EIGHTY-NINTH DAY

CARSON CITY (Friday), May 2, 2003

Assembly called to order at 10:56 a.m.

Mr. Speaker presiding.

Roll called.

All present except Assemblymen Carpenter, Collins, and Geddes, who were excused.

Prayer by the Chaplain, Marlene Wendell.

Heavenly Father, with humble hearts filled with love and gratitude, we come before Your throne of mercy and grace, rejoicing in Your goodness. We ask for Your peace to come upon each and every member of the Nevada Legislature and all the staff, as they are diligently pursuing the highest good for the people of the state of Nevada.

The Apostle Paul wrote in Philippians 4, verse 4 and following, "Rejoice in the Lord always, delight, gladden yourselves in Him; again I say, rejoice. The Lord is near. He is coming soon. Do not fret or have any anxiety about anything, but in every circumstance and in everything by prayer and petition with thanksgiving continue to make your wants known to God. And God's peace, which transcends all understanding, shall garrison and mount guard over your hearts and minds in Christ Jesus, the things which you learned and received and heard, saw in me, these do, and the God of peace will be with you."

You have revealed Yourself throughout Scripture, as Jehovah Shalom, the Lord is Peace. Your shalom means wholeness, security, well-being, prosperity, peace, and friendship, nothing missing and nothing broken in our lives, when we place our trust in You.

Today we release our faith and receive the God-kind of peace, peace that passes all understanding. Thank you, Father God.

AMEN.

Pledge of Allegiance to the Flag.

WHEREAS, Born December 1, 1924, in Peebles, Ohio, James Smalley served as a sergeant in the Army Air Corps and flew 38 missions over Europe during World War II; and

WHEREAS, After the war, James Smalley resumed his education and earned his bachelor's and master's degrees in United States history at Ohio State University; and

WHEREAS, James Smalley, who began his teaching career in Nevada in 1949 at the old Fifth Street School in Las Vegas and who also taught briefly in North Las Vegas, spent most of his years as a teacher in Henderson, where he taught social studies at Burkholder Middle School until his retirement in 1982; and

WHEREAS, Concerns about air and water pollution in the Las Vegas Valley and the increasing need for state funding for education convinced James Smalley to throw his hat into the political ring to pursue his desire to work toward the good of his chosen state; and

WHEREAS, Elected to the Assembly in 1970 and again in 1972, James Smalley served on the Committee on Education, the Committee on Health and Welfare, the Committee on Taxation, and the Committee on Environment and Public Resources; and

WHEREAS, Assemblyman Smalley fought to maintain a clean work environment in the industrial businesses in the State, and the many bills he sponsored for the benefit of the residents of Nevada included legislation that would strengthen the state Office of Consumer Affairs; and

WHEREAS, When talk of consolidation and annexations in Clark County arose in the mid-1970s, James Smalley stood against any action that would swallow up Henderson and vowed to do whatever was needed to maintain Henderson's autonomy and identity; and

WHEREAS, In 2002, James Smalley and his wife Rae, who were both very active in Henderson civic affairs, were named Distinguished Nevadans by the Board of Regents of the University of Nevada in recognition of their contributions to the State; and

WHEREAS, James Smalley is survived by his wife Rae, son Ed Smalley, daughters Alicia Smalley and Esther Cothrun, and seven grandchildren; now, therefore, be it

RESOLVED BY THE ASSEMBLY OF THE STATE OF NEVADA, THE SENATE CONCURRING, That the members of the 2003 Nevada Legislature extend their deepest sympathies to the family and friends of James Smalley and to the residents of Henderson who were the primary recipients of the dedication and service of this caring man with a quiet demeanor; and be it further

RESOLVED, That the many people whose education was enhanced in the classrooms of James Smalley will remember and strive to live what he taught in his classes and by the example of his life; and be it further

RESOLVED, That the Chief Clerk of the Assembly prepare and transmit a copy of this resolution to Rae, his loving wife of 57 years.

Assemblyman Brown moved the adoption of the resolution.

Remarks by Assemblymen Brown, Hardy, and Buckley.

Assemblywoman Buckley requested that the following remarks be entered in the Journal.

ASSEMBLYMAN BROWN:

Thank you, Mr. Speaker. It was just last week that we conducted our Floor Session in the old Assembly Chambers in the State Capitol. At that time, we reflected on the Legislature moving into its new building for the start of the 1971 Session. Assemblyman James Smalley was elected in 1970 and was one of ten freshmen members of the Nevada Assembly when it convened for the first time in the new Legislative Building on January 18, 1971.

As today's resolution indicates, Assemblyman Smalley served two terms in the Assembly. He was interested in a number of important issues, including education funding, air and water quality, ensuring a clean work environment in the State's industrial businesses, and strengthening the Office of Consumer Affairs.

When talk arose in the mid-1970s concerning possible consolidations or annexations in Clark County, Jim worked diligently to maintain Henderson's autonomy. Because of the efforts of Jim and others, the city of Henderson was able to maintain its sovereignty. The Henderson community has thrived and continued to grow in a positive manner. When Jim was first elected to the Assembly in 1970, Henderson had a population of 16,395. The 2000 Census showed Henderson's population had reached over 175,381. Henderson is now Nevada's second largest city.

The resolution does not mention that Assemblyman Smalley served as the vice chairman of the Assembly Committee on Taxation for the 1973 Session. During that session, the Taxation Committee addressed a number of significant tax issues, including the Motor Vehicle Fuel Tax, the Special Fuel Tax, the Real Property Transfer Tax, the Vehicle Privilege Tax, and the taxation of agricultural and open space lands. We could certainly use the expertise of Jim Smalley today as we continue to struggle with tax issues.

Jim Smalley was a farsighted individual who knew that big changes were in store for Nevada and he was always looking out for the well-being of others. For example, in 1971, Nevada law prohibited discriminatory employment practices based on a person's race, color, religion, sex, or national origin. Because of the legislation passed that year, which was sponsored by Assemblyman Smalley and Eileen Brookman, persons with visual or physical handicaps were added to that list. Also in 1971, Jim sponsored Assembly Bill 606 in response to increases in the

number of stolen vehicles and certain fraudulent activities related to vehicle sales. That measure, which was passed and signed into law, made it illegal for any person to alter, destruct, or deface the identification numbers on a vehicle or its motor. This was an important early law relating to motor vehicles to protect consumers and prohibit certain practices.

In closing, I would like to quote from a German author, Schiller, who wrote, "He who has done his best for his own times has lived for all times." Jim Smalley always gave his best, for his family, his community, and the State. Nevada is a better place because of Jim Smalley's contributions.

ASSEMBLYMAN HARDY:

Thank you, Mr. Speaker. I rise in support of ACR 20. I would be remiss if I did not pay tribute to James Smalley. I would choose to do so by honoring his wife, Rae. I have had the privilege of knowing this couple for about 15 years and have been singularly impressed with the dedication and devotion that Rae, his wife, paid to him. I would have all of us reflect on those of us who have been helped in so many ways by our spouses, and all that they have done for us. I would like to pay tribute to Rae for the dedication and the time she spent during the many years James Smalley's health deteriorated and led to his eventual demise. The small acts that he did in the Assembly were no greater than the small acts that he did with his family. My tribute goes to the family and to his wife, as well as to James Smalley. It is a wonderful family. Thank you, Mr. Speaker.

ASSEMBLYWOMAN BUCKLEY:

Thank you, Mr. Speaker. I, too, rise in support of the resolution. I did not know Mr. Smalley, but I have known and worked with Alicia over the years. It is no surprise to see where she gets her ideals and her commitment to making our State better. She comes by it honestly.

WHEREAS, Trucking is a large and diverse industry with more than 3 million drivers who are a potential army of eyes and ears to monitor for security threats and highway dangers; and

WHEREAS, There has been a sharp increase in traffic congestion, crime and road rage that make our nation's highways more treacherous and make providing assistance to those in need more challenging than ever before in our history; and

WHEREAS, There are more than 83,000 wireless calls from motorists to emergency centers each day, but many callers do not know their location, particularly at night or during the emotional strain of an emergency situation, and there are more than 41,000 traffic fatalities each year with approximately half of these deaths occurring before victims reach medical care facilities; and

WHEREAS, Highway Watch, which began in Colorado in November 1998, strives to reduce the number of highway accidents, serious injuries and deaths through the identification of unsafe drivers, drunken driving, poor road or weather conditions, poor highway or construction zone signage, and motorists displaying road rage; and

WHEREAS, Highway Watch is a volunteer effort of dedicated professional truck drivers who are committed to guarding the welfare of the motoring public and strengthening the security of the United States in these uncertain times; and

WHEREAS, Through the Highway Watch program, an elite group of professional truck drivers are specially trained to use their wireless location and communication technology to report accidents, breakdowns, hazardous conditions and other highway dangers to an operator who takes the report from the driver and contacts the proper authorities as determined by each individual state; and

WHEREAS, The American Trucking Associations, in partnership with the Federal Motor Carrier Safety Administration of the United States Department of Transportation, administers Highway Watch by providing grant money to participating states; and

WHEREAS, The American Trucking Associations reports that Highway Watch is formed through a network of partnerships, including the trucking industry, law enforcement agencies, and state and federal departments of transportation; and

WHEREAS, The Nevada Motor Transport Association is willing to operate the Highway Watch program within this state and establish the basic operational procedures of the program concerning, without limitation, driver qualification, training format, frequency of training sessions, and recruitment of drivers and safety directors; now, therefore, be it

RESOLVED BY THE ASSEMBLY OF THE STATE OF NEVADA, THE SENATE CONCURRING, That the American Trucking Associations and the dedicated professional truck drivers participating in Highway Watch are hereby commended for their efforts to improve today's travel environment and to increase the safety and security of the nation's highways; and be it further

RESOLVED, That the Nevada Motor Transport Association is hereby commended for its commitment to take on the responsibility of coordinating and administering the Highway Watch program in our state; and be it further

RESOLVED, That, once it is implemented in Nevada, Highway Watch will make a significant contribution to highway safety and will aid the national effort to monitor potential security concerns; and be it further

RESOLVED, That the Chief Clerk of the Assembly prepare and transmit a copy of this resolution to Daryl E. Capurro, Managing Director of the Nevada Motor Transport Association.

Remarks by Assemblymen Perkins, Collins, Griffin, Brown, Chowning, Andonov, and Horne.

Assemblyman Oceguera requested that the following remarks be entered in the Journal.

ASSEMBLYMAN PERKINS:

Thank you. For a long time, I've told people that I was raised in rural Nevada, because I was raised in Henderson. Quite honestly, during the years that I grew up in that fine city, it was more like rural Nevada. You actually had to drive from Henderson to get somewhere. The cities were not contiguous then. I am standing here with a great deal of pride in the city that I call home and honoring the city that I call home. I have seen the city grow from a small, little place, certainly today not the same place I grew up, in to a very dynamic, very thriving, very prideful city that has accomplished a great deal of things. It is a model in many ways. It certainly is not a city that holds itself out to create divisions amongst itself and other municipalities. It is very, very conclusive with all those groups as well. But just by virtue of the quality of life we find in that fine city, it continues to build upon its own success. Madam Majority Leader, again it's with great pride that I stand today and ask for the adoption of ACR 23.

ASSEMBLYMAN COLLINS:

Thank you, Madam Majority Leader. I can remember when I was a kid riding around the City of Henderson. You went down the Triangle at the bottom and then you went up Boulder Highway to the railroad tracks and the power line, and you traveled that way for a while. All that was above it was the water reservoir. You went down to Highland Hills and down to Lake Mead and you came back down the Triangle; you had been around the town. It has changed a lot. I enjoy walking to Basic Elementary School; the traditions of Industrial Days; the fun we had. It was a great place to grow up. I certainly hope that we all support this resolution and be proud of the many accomplishments that have happened since those fun days. Those fun days continue now on a larger scale and I'm very happy to support this resolution. Thank you.

ASSEMBLYMAN GRIFFIN:

Thank you, Madam Majority Leader. I, too, rise in support of ACR 23. I am very happy to say that for nearly all of my life, I have lived in the state's second largest city. It's only been for the last several of those years that that city has been Henderson. It's been a great place for our family and it's a wonderful community. I am proud to stand here on the Floor and honor this resolution. Thank you.

ASSEMBLYMAN BROWN:

Thank you, Ms. Majority Leader. I, too, rise in support of ACR 23. As a native of southern Nevada, Henderson was always out there. I was born and raised in Las Vegas. My family has been there since 1923. We're proud to be from southern Nevada. Over the last five years, I have been a resident of Henderson and it truly is, as the motto goes, "the place to call home." I'm pleased to support the resolution.

ASSEMBLYWOMAN CHOWNING:

Thank you, Madame Majority Leader. It's a pleasure for me to stand in support of ACR 23. As a young girl, a little girl, growing up in Henderson, I know some people say, "Gee, but you never really grew up." Well, I have grown up and I'm still little. But I grew up in Henderson when it was a very small town and we could go to the movies, we could walk to the movies and walk back and no one ever bothered us. Lots of times, there were free movies and free sing-alongs at Christmas time around the Christmas tree. When I was going to college, when UNLV was NSU, Nevada Southern University, I didn't drive and a lot of people never wanted to give me a ride back to Henderson because it was so far away. Boy, how times have changed. It is because of those strong roots and that small town that I'm proud to be a Nevadan and proud of my roots from Henderson. Thank you.

ASSEMBLYMAN ANDONOV:

Thank you, Madam Majority Leader. I, too, rise in support of ACR 23. I just would like to echo some of the comments that my fellow Henderson delegation has made. I'm very, very proud to represent Henderson. And although I represent some of the newer parts of Henderson, which include Green Valley, Green Valley Ranch, and Sun City, my family has always been affiliated with Henderson in some capacity. So, as the Speaker mentioned, I have seen the city grow and prosper. I am very proud and honored to be able to represent it. I really do think we

have one of the finer mayors in the country, in Henderson; an outstanding city council; and an outstanding city manager. I'm very, very grateful to be a part of that city. Thank you.

ASSEMBLYMAN HORNE:

Thank you, Madam Majority Leader. I rise in support of ACR 23. Growing up in Las Vegas, I never lived in Henderson, but I remember when it was called "Hooterville," by those of us who lived there. It was way out there. Playing football, if we had to go to Basic, you wanted to pack a lunch because it was a long drive to go all the way out there. And also with the National Guard Armor Unit, that's where we drove our tanks around, in the desert, chasing rabbits. I'm pleased to say that it has changed so much. It's been incredible. I'm proud to have been there to witness all of it. I'm pleased to rise in support of ACR 23.

Resolution adopted unanimously.

Assemblyman Perkins moved that all rules be suspended and that Assembly Concurrent Resolution No. 23 be immediately transmitted to the Senate.

Motion carried unanimously.

Assembly Concurrent Resolution No. 24—Memorializing casino visionary and philanthropist William Bennett.

WHEREAS, The members of the Nevada Legislature join the people of Nevada in mourning the loss of William Bennett, casino visionary and philanthropist, who passed away on December 22, 2002; and

WHEREAS, William Bennett was born November 16, 1924, in Glendale, Arizona, and after serving as a Navy dive-bomber pilot during World War II, William Bennett returned home to Arizona and built a chain of furniture stores which he sold in 1962; and

WHEREAS, Finding himself bankrupt when his investments were mismanaged by an investment company, William Bennett bounced back by using the opportunity to take his career in a different direction when he was hired by the Del Webb Corporation, an Arizona-based construction company that was expanding into casino operations, and took great pride in the fact that he eventually repaid all his creditors; and

WHEREAS, Transferring to the Sahara Tahoe in 1965, William Bennett worked as a casino host at night and in various hotel departments by day, learning the casino trade, and was quickly promoted to manager of the Sahara Tahoe and later of the Mint, reversing that casino's trend of losing $2 million annually to making $9 million a year; and

WHEREAS, When William Bennett left Del Webb, he and long-standing business partner, Bill Pennington, formed a slot machine leasing business and later leased the troubled Circus Circus in Las Vegas, exercising the option to buy in 1983; and

WHEREAS, In contrast to most of the glamorous, glitzy, high-rolling casinos in Las Vegas at that time, the new Circus Circus added another dimension to the city, making its target demographic the families of the Heartland of America, offering affordable rooms and meals and a family-friendly atmosphere with circus activities and arcades to entertain the children while keeping them out of the gaming area; and

WHEREAS, In 1990, Circus Circus Enterprises, under William Bennett's reign, opened the $300 million Excalibur, followed by the opening of the $375 million Luxor in 1993, and the purchase of the Sahara in 1995; and

WHEREAS, William Bennett, who had a longtime love of auto racing, and Ralph Engelstad, owner of the Imperial Palace, developed the $200 million Las Vegas Motor Speedway, which brought in a new type of tourist, the race fan; and

WHEREAS, While William Bennett's marketing genius made him very successful, with *Forbes* magazine ranking him as one of America's richest men, he avoided the public spotlight and preferred to donate to various charities without seeking recognition, founding the Bennett Foundation to contribute to the needs of his community; and

WHEREAS, Much of William Bennett's generosity was directed at employees of rival casinos, such as when he supplied 3 meals a day 7 days a week for 5 years to striking workers of the Frontier and when he made a generous donation to an association of employees of the Aladdin after the casino was closed because of a management dispute; and

WHEREAS, William Bennett was instrumental in the building of the Temple Beth Sholom and, being an ardent animal rights activist, also gave his support to many animal rights groups; and

WHEREAS, William Bennett had a special place in his heart for education, donating more than $10 million to the University of Nevada, Las Vegas, to build the Lynn Bennett Early Childhood Development Center and the William G. Bennett Professional Development Building which will train teachers to better educate at-risk students; and

WHEREAS, William Bennett is survived by his wife Lynn, daughter Diana Bennett, son William A. Bennett of Las Vegas, stepdaughter Laura Lynn Lucia of Euless, Texas, four grandchildren and two great-grandchildren; now, therefore, be it

RESOLVED BY THE ASSEMBLY OF THE STATE OF NEVADA, THE SENATE CONCURRING, That the members of the 72nd Session of the Nevada Legislature offer their sincere condolences to the family and friends of William Bennett; and be it further

RESOLVED, That the effect of William Bennett's vision and generosity will be felt for generations to come; and be it further

RESOLVED, That the Chief Clerk of the Assembly prepare and transmit a copy of this resolution to Lynn, the beloved wife of William Bennett.

Assemblywoman Chowning moved the adoption of the resolution.

Remarks by Assemblymen Chowning, Pierce, Mortenson, and Parks.

Assemblyman Oceguera requested that the following remarks be entered in the Journal.

ASSEMBLYWOMAN CHOWNING:

Thank you, Madam Majority Leader. It is a privilege to honor a beloved Nevadan, William Bennett. When I was a young girl my parents worked in the hotel industry. My husband and daughters have worked in the hotel industry, as well. I feel directly benefited from the generosity of this great man. Not many people have their remembrances written in the Los Angeles Times, but in a recent article it was stated he cut costs everywhere, but he understood his market, middle-class Americans. The regular guy can afford Las Vegas because of guys like Bill Bennett. He brought circus acts to Las Vegas, King Arthur jousting themes, and pyramids on the Las Vegas Strip. He changed the landscape of the Las Vegas Strip. He also changed it for regular families. People felt as though they could drive to Las Vegas and get an affordable room. He even made it known, via advertising, that you don't have to have a reservation, "If you don't have a reservation we will find a room for you." He opened up and changed the gaming atmosphere from high rollers to regular people. This is appreciated. Bill Bennett was the son of a rancher, a WWII veteran, a businessman, husband, father, and philanthropist. Nevada is a better place because of William Bennett. Thank you.

ASSEMBLYWOMAN PIERCE:

Thank you, Madam Majority Leader. I rise in support of ACR 24. There is one point in the resolution that I want to highlight. For five of the six and a half years of the Frontier strike in Las Vegas, three times a day, seven days a week, a food van arrived at the picket line with food

for the strikers. The food was from William Bennett. The Frontier strikers, the Culinary Union, and their families will never forget this extraordinary act of kindness, generosity, and support. I worked on the Las Vegas Strip as a food server for 12 years. I remember Mr. Bennett as a man of great vision and generosity. The Culinary families mourn the passing of this great man.

ASSEMBLYMAN MORTENSON:

Thank you, Madam Majority Leader. I was privileged to know Mr. Bennett personally for quite a number of years. I started out doing some electronics work for him and evidently gained his confidence as I was allowed to do very extensive work in both Circus Circus and the Excalibur Hotel. I did a lot of personal electronics for him. Mrs. Bennett and I flew to California to his house in La Jolla where I did extensive work and was then flown back in his wonderful jet. I remember one particular occasion when Mr. Bennett came to me saying he needed some work done. I told him if I did that I would be divorced because in three days my wife and I were ready to start a month long vacation to South America, in the Amazon. Mr. Bennett said he had to have the work done, and that he made a good friend or a bad enemy. I said, "Mr. Bennett, I choose the former." I worked day and night to get the work done with Mrs. Bennett in La Jolla and was able to go on my vacation. He was a wonderful, generous person. I was destroyed when I heard of his demise. I am glad he is being honored here and I rise in support.

ASSEMBLYMAN PARKS:

Thank you, Madam Majority Leader. I, too, rise in support of ACR 24. I first met Mr. Bennett as an employee at the Mint Hotel. While I didn't know him over the years that followed, I certainly followed what he accomplished. He did many wonderful things to make Nevada a much better community, and of special note, the things he did within my district, which included contributions to make UNLV a much greater institution.

Assemblyman Perkins moved the adoption of the resolution.

Remarks by Assemblymen Perkins and Carpenter.

Assemblyman Oceguera requested that the following remarks be entered in the Journal.

ASSEMBLYMAN PERKINS:

Thank you. It is an honor for me to support this resolution and offer it to the Body for adoption. Tourism and Nevada go hand in hand. That is something we have all grown up with. We've all known that it's part of the fabric of this great state. It's not something we apologize for. It is something we encourage, something we enjoy; it's something we are very, very proud of. I would like to really highlight one paragraph in the resolution, where it says: "Resolved, that the members of the Legislature congratulate the hundreds of thousands of Nevadans who are employed in one aspect of the Nevada tourism industry or another and express gratitude for the level of excellence and dedication they contribute towards the success of Nevada's reputation as one of the finest tourism destinations in this country." It can't be said better than that, in my opinion. There are so many people that contribute to the success of our tourism industry, making it what it is and making it quite the draw for us, as a state. I think we do owe our gratitude to each and every one of those tourism-based employees, as well as many others, for the hard work they do in creating such an extraordinary destination for all those from all over the world. Thank you.

ASSEMBLYMAN CARPENTER:

Thank you, Madam Majority Leader. I rise in support of ACR 25. I don't think there is any question that tourism is the heartbeat of rural Nevada, also. This resolution speaks to heli-skiing in Elko County. We have the best heli-skiing in the world. If any of you have the money and the time and the guts, come on up. You'll get a great ride. It also speaks of cowboy poetry. Elko has the granddaddy of all cowboy poetry. It is my honor to rise in support of this resolution. I just hope that the tourists keep coming to rural Nevada.

Resolution adopted unanimously.

Assemblyman Perkins moved that all rules be suspended and that Assembly Concurrent Resolution No. 25 be immediately transmitted to the Senate.

WHEREAS, The members of the 72nd Session of the Nevada Legislature join the residents of Las Vegas and all of Nevada in mourning the death of Joseph M. Foley; and

WHEREAS, Joseph Foley was born in Goldfield, Nevada, on January 31, 1924, the fourth son of Roger T. and Helen Drummond Foley, and moved with his family to California and then, at the age of 4 years, to Las Vegas where he attended Fifth Street Grammar School and graduated from Las Vegas High; and

WHEREAS, Joseph and Betty were married in 1950 and raised a family of six children in the Foley tradition of service to the community, true to the family motto, "That I may be of service"; and

WHEREAS, After graduation from the University of Nevada, Joseph Foley earned his law degree from the University of San Francisco Law School, was admitted to the State Bar of Nevada in 1951, and practiced law with his brothers for a time in what would be recognized in the late 1950s as the largest law firm in the United States that was comprised entirely of brothers; and

WHEREAS, The law practice of Joseph Foley included a list of impressive clients, the most noted of whom was Howard Hughes who was represented by Foley in mining, gaming and real estate matters, and, after the death of Hughes in 1974, Foley was counsel for the Hughes' estate in will contests that gained national attention; and

RESOLVED, That the Chief Clerk of the Assembly prepare and transmit a copy of this resolution to Betty Foley, Joseph's loving wife for 52 years.

Assemblywoman Giunchigliani moved the adoption of the resolution.

Remarks by Assemblymen Giunchigliani, Goldwater, and Ohrenschall.

Assemblyman Oceguera requested that the following remarks be entered in the Journal.

ASSEMBLYWOMAN GIUNCHIGLIANI:

Thank you, Madam Majority Leader. I rise in support of this resolution and hope that my colleagues will join me in recognizing and memorializing a statesman who epitomized community service and work ethic throughout his long life. I'm privileged to actually have been the representative of the Foley family, actually several members of the Foley family. Betty and Joe were my constituents. Danny is in the district. Part of the district used to be represented by Helen when she served in these Chambers. The resolution said a great deal about the man, but I think the family that is here today with all of us will really paint the true picture of what Joseph Foley was all about. He was a lawyer, a regent, and a tireless advocate of those less fortunate. Most importantly, he had a strong sense of family and he'll truly be missed by all of them, but I feel that I can say that his spirit lives on through all of them. I see this resolution as a day to celebrate what Joseph Foley did for his community and for the State of Nevada. Welcome his family here. Thank you.

ASSEMBLYMAN GOLDWATER:

Thank you, Madam Majority Leader. May I say, you look lovely up there. I rise in support of ACR 26. It's sad today, because it makes me aware that we continue to lose our greatest generation. Joe Foley was a big part of that generation. He did all the things that generation will

be noted for—fighting in a war, serving his community in a quiet, understated way, always doing what he felt was correct. The Foley family is legendary in Nevada. Everything that is great about our state can be associated with the Foleys. Joe Foley was a great friend to my own father, as was George Foley and Danny Foley, who were particularly kind to him in his later years. I can tell you that will never be forgotten in my mind. There wasn't an institution that I grew up in that wasn't touched by the Foley family, whether it was Gorman High School or UNLV or later, even this Legislature. He was a great man, he will be remembered as such, and his legacy is always being continued and will be for a long time in this state.

ASSEMBLYWOMAN OHRENSCHALL:

Thank you, Madam Majority Leader. I, too, rise in support of this resolution. I remember when I first came to Las Vegas, and started practicing law in the First National Bank Building, the attorney that we looked at with the greatest admiration was Joe Foley. Definitely I can attest to the fact that Joe Foley and the father of our Chairman of Commerce and Labor were good friends, because I worked for the father of the Chairman of Commerce and Labor. Joe Foley set an example for the Bar, of ethics, study, research, and an absolute willingness to listen to every side of an issue. He didn't decide on a flat, black-and-white rule, with tunnel vision. He listened to everything. It was a real inspiration to work with him on several Bar committees. I urge the Assembly to adopt this resolution.

Resolution adopted unanimously.

Assemblywoman Giunchigliani moved that all rules be suspended and that Assembly Concurrent Resolution No. 26 be immediately transmitted to the Senate.

Motion carried unanimously.

By Assemblymen Angle, Knecht, Gustavson, Beers, Andonov, Brown, Carpenter, Christensen, Gibbons, Goicoechea, Grady, Griffin, Hardy, Hettrick, Mabey, Marvel, Sherer, and Weber:

Assembly Joint Resolution No. 17—Proposing to amend the Nevada Constitution to prohibit the Legislature from exceeding certain limitations in appropriating or authorizing amounts for expenditure, to provide for the disposition of revenues in excess of the limitations on the amounts that may be appropriated or authorized for expenditure and to authorize a reduction in the tax upon real property if it is paid in a lump sum.

RESOLVED BY THE ASSEMBLY AND SENATE OF THE STATE OF NEVADA, JOINTLY, That new sections be added to Article 4, and Section 1 of Article 10 of the Nevada Constitution be amended to read respectively as follows:

Sec. 39. 1. Except as otherwise provided in subsection 2, the Legislature shall not, without the affirmative vote of at least two-thirds of the members elected to each House, appropriate or authorize for expenditure in any fiscal year an amount which exceeds the amount appropriated or authorized for expenditure during Fiscal Year 2002-2003, plus cumulative adjustments for changes in:

(a) Inflation; and

(b) The population of the State.

2. The limitation on expenditures described in subsection 1 does not apply with respect to any revenue that is:

(a) Required to be deposited in a fund to be used exclusively for the administration, construction, reconstruction, improvement and maintenance of highways;

(b) Necessary to pay the interest and principal on public debts lawfully contracted by the State;

(c) Generated by contracts of indebtedness lawfully entered into or assumed by or on behalf of the State; or

(d) Received from the Federal Government or received from any person or entity in the form of a gift or a grant.

Sec. 40. 1. Except as otherwise provided in subsection 2, the Legislature shall deposit into the fund established pursuant to Section 41 of this Article any revenues that exceed the limitation on expenditures established pursuant to Section 39 of this Article.

2. If the fund established pursuant to Section 41 of this Article contains an amount of money which is greater than 10 percent of the amount of money contained in the State General Fund, any revenues that exceed the limitation on expenditures established pursuant to Section 39 of this Article must be used to reduce any tax imposed upon motor vehicles by the Legislature in lieu of an ad valorem property tax.

Sec. 41. The Legislature shall provide by law for the creation, as a special revenue fund, of a fund to stabilize the operation of the State Government.

Section 1. 1. The legislature shall provide by law for a uniform and equal rate of assessment and taxation, and shall prescribe such regulations as shall secure a just valuation for taxation of all property, real, personal and possessory, except mines and mining claims, which shall be assessed and taxed only as provided in section 5 of this article.

2. Shares of stock, bonds, mortgages, notes, bank deposits, book accounts and credits, and securities and choses in action of like character are deemed to represent interest in property already assessed and taxed, either in Nevada or elsewhere, and shall be exempt.

3. The legislature may constitute agricultural and open-space real property having a greater value for another use than that for which it is being used, as a separate class for taxation purposes and may provide a separate uniform plan for appraisal and valuation of such property for assessment purposes. If such plan is provided, the legislature shall also provide for retroactive assessment for a period of not less than 7 years when agricultural and open-space real property is converted to a higher use conforming to the use for which other nearby property is used.

4. Personal property which is moving in interstate commerce through or over the territory of the State of Nevada, or which was consigned to a warehouse, public or private, within the State of Nevada from outside the State of Nevada for storage in transit to a final destination outside the State of Nevada, whether specified when transportation begins or afterward, shall be deemed to have acquired no situs in Nevada for purposes of taxation and shall be exempt from taxation. Such property shall not be deprived of such exemption because while in the warehouse the property is assembled, bound, joined, processed, disassembled, divided, cut, broken in bulk, relabeled or repackaged.

5. The legislature may exempt motor vehicles from the provisions of the tax required by this section, and in lieu thereof, if such exemption is granted, shall provide for a uniform and equal rate of assessment and taxation of motor vehicles, which rate shall not exceed five cents on one dollar of assessed valuation.

6. The legislature shall provide by law for a progressive reduction in the tax upon business inventories by 20 percent in each year following the adoption of this provision, and after the expiration of the 4th year such inventories are exempt from taxation. The legislature may exempt any other personal property, including livestock.

7. No inheritance tax shall ever be levied.

8. The legislature may exempt by law property used for municipal, educational, literary, scientific or other charitable purposes, or to encourage the conservation of energy or the substitution of other sources for fossil sources of energy.

9. No income tax shall be levied upon the wages or personal income of natural persons. Notwithstanding the foregoing provision, and except as otherwise provided in subsection 1 of this section, taxes may be levied upon the income or revenue of any business in whatever form it may be conducted for profit in the state.

10. The legislature may provide by law for an abatement of the tax upon or an exemption of part of the assessed value of a single-family residence occupied by the owner to the extent necessary to avoid severe economic hardship to the owner of the residence.

11. The legislature may provide by law for a reduction in the tax upon real property if the tax may be paid in installments and the total amount of the tax is paid in a lump sum on or

before the date on which the first installment is due. Any reduction so provided may not be greater than 5 percent of the total amount of the tax that is due.

Assemblyman Oceguera requested that the following remarks be entered in the Journal.

ASSEMBLYWOMAN GIUNCHIGLIANI:

Thank you, Madam Majority Leader. Several months ago we took a few moments to honor former President Ronald Reagan on the occasion of his 90th birthday. Today we honor another former President, Jimmy Carter, who received the Nobel Peace Prize for "his decades of untiring effort to find peaceful solutions to international conflicts, to advance democracy and human rights, and to promote economic and social development."

Jimmy Carter aspired to make government competent and compassionate and responsive to the American people and their expectations. During his tenure he worked hard to combat the continuing economic woes of inflation and unemployment. By the end of his administration he could claim an increase in nearly 8 million jobs and a decrease in the budget deficit, measured in percentage of gross national product. Unfortunately, inflation and interest rates were at near record highs and efforts to reduce them caused a short recession. President Carter could point to a number of achievements in domestic affairs. He dealt with the energy shortage by establishing a national energy policy and by decontrolling domestic petroleum prices to stimulate production. He prompted government efficiency through civil service reform and proceeded with deregulation of the trucking and airline industries. He sought to improve the environment. His expansion of the National Park System included protection of 103 million acres of Alaskan lands. To increase human and social services he created the Department of Education, bolstered Social Security, and appointed record numbers of women, blacks, and Hispanics to government jobs.

The recognition that we do today recognizes that after his tenure, he is one of the few presidents that really committed himself to community service. In 1982 he became the University Distinguished Professor at Emory University in Georgia. He also founded the Carter Center. He actively worked for the Not-For-Profit Center addressing national and international issues. He continues to teach Sunday School on a regular basis and he continues to volunteer one week a year for Habitat for Humanity, an organization that helps needy people in the United States, and other countries, renovate and build homes for themselves.

I would ask us to recognize that once a person has been in the public light, many choose to go away and make a great deal of money. What Jimmy and Rosalynn chose to do was to continue their legacy of service to the community, the United States, and internationally. I hope that you will join me in supporting SCR 35. Thank you.

ASSEMBLYWOMAN GIBBONS:

Thank you, Madam Majority Leader. I rise in support of this resolution. I am from Georgia. When I left Georgia, President Carter was serving the state as Governor. Great leaders come from Georgia. Jimmy Carter was very special to the state of Georgia. I remember when he ran for governor the first time, having already served in the State Senate. He ran against

Lester Maddox, a man who sold ax handles outside of a restaurant, and he lost. When he ran for governor he was considered the more conservative candidate. He became Governor in 1970 when the economy wasn't doing very well in Georgia. He implemented zero-based budgeting and put Georgia in a fiscally responsible state. I am fond of his work for Habitat for Humanity and I am on the board as well. President Carter really made a difference. At 15 years of age, I was the young person who raised the most money for St. Jude Children's Clinic and was invited to the Governor's Mansion to have lunch with him. He was very special. He has done a lot for our country and world, even since he has left the presidency.

Resolution adopted unanimously.

THE ONE-HUNDREDTH DAY

CARSON CITY (Tuesday), May 13, 2003

Assembly called to order at 11:43 a.m.

Mr. Speaker presiding.

Roll called.

All present except Assemblyman Oceguera, who was excused.

Prayer by the Chaplain, Pastor Dixie Jennings-Teats.

Good morning. As we come together this morning, first I want to thank you for all the hard work you are doing. We all appreciate it. I want you to hold in your hearts one place in Nevada beyond this room and then I want you to hold in your hearts, with love, one place in the world. Let us pray.

Oh Lord, we confess our day-to-day failure to be human. Oh Lord, we confess to you. We confess that we often fail to love with all we have and are, often because we do not fully understand what loving means and often because we are afraid of risking ourselves. Lord, we confess to you. Lord, we cut ourselves off from each other and we erect barriers of division. Lord, we confess to you. Lord, we confess that by silence and ill-considered word, we have built up walls of prejudice. Lord, we confess that by selfishness and lack of sympathy we have stifled generosity and left little time for others. Holy Spirit, speak to us. Help us to listen to Your word of forgiveness for we are very deaf. Come fill this moment and free us from our sin and all that binds us. We pray for this Body. We pray for Nevada. We pray for our world.

AMEN.

Pledge of Allegiance to the Flag.

Assemblywoman Buckley moved that further reading of the Journal be dispensed with, and the Speaker and Chief Clerk be authorized to make the necessary corrections and additions.

GARY GHIGGERI
Fiscal Analysis Division

By Assemblymen Knecht, Beers, Hettrick, Gustavson, Angle, Andonov, Brown, Carpenter, Christensen, Gibbons, Goicoechea, Grady, Griffin, Hardy, Mabey, Marvel, Mortenson, Sherer, and Weber; Senators Washington, Neal, O'Connell, McGinness, Cegavske, Amodei, Hardy, Nolan, and Wiener:

Assembly Joint Resolution No. 18—Proposing to amend the Nevada Constitution to prohibit the Legislature from exceeding certain limitations in appropriating funds or authorizing funds for expenditure, to provide for the appointment of a nonlegislative body of economic experts and to provide for the disposition of any revenues in excess of the limitations on the amounts that may be appropriated or authorized for expenditure.

RESOLVED BY THE ASSEMBLY AND SENATE OF THE STATE OF NEVADA, JOINTLY, That new sections be added to Article 4, and Section 2 of Article 4 of the Nevada Constitution be amended to read as follows:

Sec. 39. 1. Except as otherwise provided in subsection 3, the Legislature shall not, without the affirmative vote of at least two-thirds of the members elected to each House, appropriate or authorize for expenditure in any fiscal year an amount which exceeds the amount appropriated or authorized for expenditure during Fiscal Year 2002-2003, plus cumulative percentage adjustments equal to the cumulative percentage changes in the size of the Nevada economy as measured by the gross state product in current dollars.

2. The Legislature shall provide for the appointment of a nonlegislative body, the members of which must have economic expertise. The appointed body shall determine, for each fiscal year after 2001-2002, the amount, if any, by which the gross state product in current dollars has changed. In making this determination, the appointed body may use reliable estimates and projections, but shall adjust any such determination when better or actual data becomes available.

3. The limitation on expenditures described in subsection 1 does not apply with respect to any revenue that is:

(a) Required to be deposited in a fund to be used exclusively for the administration, construction, reconstruction, improvement and maintenance of highways;

(b) Necessary to pay the interest and principal on public debts lawfully contracted by the State;

(c) Generated by contracts of indebtedness lawfully entered into or assumed by or on behalf of the State; or

(d) Received from the Federal Government or received from any person or entity in the form of a gift or a grant.

Sec. 40. 1. Except as otherwise provided in subsection 2, the Legislature shall deposit into the fund established pursuant to Section 41 of this Article any revenues that exceed the limitation on expenditures established pursuant to Section 39 of this Article.

2. If the fund established pursuant to Section 41 of this Article contains an amount of money which is greater than 10 percent of the amount of money contained in the State General Fund, any revenues that exceed the limitation on expenditures established pursuant to Section 39 of this Article must be used correspondingly to reduce state or local taxes.

Sec. 41. The Legislature shall provide by law for the creation, as a special revenue fund, of a fund to stabilize the operation of the State Government.

Sec. 2. 1. The sessions of the Legislature shall be biennial, and shall commence on the 1st Monday of February following the election of members of the Assembly, unless the Governor of the State shall, in the interim, convene the Legislature by proclamation.

2. The Legislature shall adjourn sine die each regular session not later than midnight Pacific standard time 120 calendar days following its commencement. Any legislative action taken after midnight Pacific standard time on the 120th calendar day is void, unless the legislative action is conducted during a special session convened by the Governor.

3. The Governor shall submit the proposed executive budget to the Legislature not later than 14 calendar days before the commencement of each regular session. *In addition to the expenditures proposed by the Governor, the proposed executive budget must :*

(a) Set forth a budget with a total amount proposed for appropriation and authorization that does not exceed the amount appropriated or authorized for expenditure during Fiscal Year 2002-2003, plus cumulative percentage adjustments equal to the cumulative percentage changes in the size of the Nevada economy as measured by the gross state product in current dollars; and

(b) Include specific identification of items recommended to be cut from the proposed budget set forth pursuant to paragraph (a) to facilitate, if necessary, a reduction of the total proposed budget by 3 percent.

By Assemblymen Gustavson, Angle, Knecht, Beers, Christensen, Claborn, Geddes, Gibbons, Mabey, Mortenson, Sherer, and Weber:

Assembly Joint Resolution No. 19—Proposing to amend the Nevada Constitution to limit the total amount of tax ad valorem on real property and to permit the retention of taxable value on real property until the ownership of the property is transferred.

RESOLVED BY THE ASSEMBLY AND SENATE OF THE STATE OF NEVADA, JOINTLY, That a new section, designated Section 6, be added to Article 10 of the Nevada Constitution to read as follows:

Sec. 6. 1. The maximum amount of tax ad valorem that may be levied on real property is 1 percent of the taxable value of the property. This limit does not apply to taxes ad valorem levied to pay the interest and principal of any indebtedness incurred before this section became effective or approved thereafter by two-thirds of the votes cast by voters voting on the question in the taxing district to which it applies.

2. Except as otherwise provided in subsections 3 and 4, the taxable value of real property is the taxable value from which the assessed value for the Fiscal Year 2001-2002 was calculated but, if the property was not appraised or reappraised for that fiscal year, the taxable value determined by appraisal or reappraisal for a subsequent Fiscal Year may be appropriately adjusted to determine the taxable value as of the Fiscal Year 2001-2002.

3. If the ownership of real property is transferred to the extent of one-half or more of the total interest in the property, except a transfer to or between spouses, to or from a separate legal entity of which the transferor is the beneficial owner, or to a child or grandchild of the transferor, the taxable value of the property must be redetermined as of the date of transfer of the property. If new improvements to real property are constructed, except to replace existing improvements destroyed by natural disaster or other casualty, or existing improvements are materially enhanced, the taxable value of the property must be increased by the full cash value of the new improvement or enhancement. If real property is converted to another use, the taxable value of the property must be redetermined after the conversion by appraisal at its full cash value in accordance with the new use of the property.

4. The taxable value of real property must be increased from year to year by the lesser of:

(a) The percent of increase in the Consumer Price Index for All Urban Consumers compiled by the Federal Bureau of Labor Statistics for the preceding calendar year, if that Index increases; or

(b) Two percent.

The taxable value must be decreased from year to year by the percent of decrease in the Consumer Price Index for All Urban Consumers compiled by the Federal Bureau of Labor Statistics for the preceding calendar year, if that Index decreases. The Legislature shall provide by law for another appropriate method of determining a percentage of increase or decrease in the average annual cost of living if the Index specified in this section ceases to be compiled.

5. The Legislature may provide by law the circumstances under which:

(a) An owner domiciled in this state who has attained the age of 62 years may replace his principal residence with another of comparable value and transfer to the new residence the taxable value of the old residence for the purpose of limiting the ad valorem tax on the property.

(b) A new improvement may be constructed, or an existing improvement enhanced, without change in the taxable value of real property if the construction or enhancement is appropriate to protect the safety of the occupants or improve accessibility to the disabled.

(c) An owner whose real property is taken by the exercise of eminent domain may replace that property with property of comparable value and transfer to the new property the taxable value of the old property for the purpose of limiting the ad valorem tax on the property.

6. No tax may be imposed on the sale or other transfer of real property which did not exist on the date this section becomes effective.

And be it further

RESOLVED, That Section 1 of Article 10 of the Nevada Constitution be amended to read as follows:

Section 1. 1. ~~[The]~~ *Except as otherwise provided in Section 6 of this Article, the* legislature shall provide by law for a uniform and equal rate of assessment and taxation, and shall prescribe such regulations as shall secure a just valuation for taxation of all property, real, personal and possessory, except mines and mining claims, which shall be assessed and taxed only as provided in section 5 of this article.

2. Shares of stock, bonds, mortgages, notes, bank deposits, book accounts and credits, and securities and choses in action of like character are deemed to represent interest in property already assessed and taxed, either in Nevada or elsewhere, and shall be exempt.

3. The legislature may constitute agricultural and open-space real property having a greater value for another use than that for which it is being used, as a separate class for taxation purposes and may provide a separate uniform plan for appraisal and valuation of such property for assessment purposes. If such plan is provided, the legislature shall also provide for retroactive assessment for a period of not less than 7 years when agricultural and open-space real property is converted to a higher use conforming to the use for which other nearby property is used.

4. Personal property which is moving in interstate commerce through or over the territory of the State of Nevada, or which was consigned to a warehouse, public or private, within the State of Nevada from outside the State of Nevada for storage in transit to a final destination outside the State of Nevada, whether specified when transportation begins or afterward, shall be deemed to have acquired no situs in Nevada for purposes of taxation and shall be exempt from taxation. Such property shall not be deprived of such exemption because while in the warehouse the property is assembled, bound, joined, processed, disassembled, divided, cut, broken in bulk, relabeled or repackaged.

5. The legislature may exempt motor vehicles from the provisions of the tax required by this section, and in lieu thereof, if such exemption is granted, shall provide for a uniform and equal rate of assessment and taxation of motor vehicles, which rate shall not exceed five cents on one dollar of assessed valuation.

6. The legislature shall provide by law for a progressive reduction in the tax upon business inventories by 20 percent in each year following the adoption of this provision, and after the expiration of the 4th year such inventories are exempt from taxation. The legislature may exempt any other personal property, including livestock.

7. No inheritance tax shall ever be levied.

8. The legislature may exempt by law property used for municipal, educational, literary, scientific or other charitable purposes, or to encourage the conservation of energy or the substitution of other sources for fossil sources of energy.

9. No income tax shall be levied upon the wages or personal income of natural persons. Notwithstanding the foregoing provision, and except as otherwise provided in subsection 1 of this section, taxes may be levied upon the income or revenue of any business in whatever form it may be conducted for profit in the state.

10. The legislature may provide by law for an abatement of the tax upon or an exemption of part of the assessed value of a single-family residence occupied by the owner to the extent necessary to avoid severe economic hardship to the owner of the residence.

Dated this 13th day of May 2003.

Assemblywoman Gibbons requested that the following remarks be entered in the Journal.

ASSEMBLYMAN COLLINS:

Thank you, Mr. Speaker. I met Paul Iverson when I came back for the 1997 Session. I met him outside as I was walking along the sidewalk. We started talking about the things that go on with this state. I ask that everyone remember his family and the many things he has done for us as was read in the proclamation. He developed a program that not only gathered surplus horses but also brought them to a prison facility and allowed inmates to have something to do, allowed them to gentle animals and learn a discipline and a patience that's needed in society and in life. It's an interesting thing to know that Paul used to be a schoolteacher in Clark County for several years. He helped with curriculum development for kids in Clark County. There are so many things he's done over the years.

He was a real good friend of mine and our former colleague, John Lee, that used to serve in this Legislature, as well as many, many other people who are here to recognize him. He shared interesting pictures from some of the adventures he's had throughout the state, working with people, with livestock, with agriculture, with noxious weeds, with the horse issues we have with the drought and the grazing—there are so many things that he's addressed and helped do.

I hope we can appreciate the dedication of the man. He came down here, while he was sick, to go to our meetings to support Nevada and Nevada issues. He's always been for education, for people to live together and work together and understand the many multiple issues we have, out in the soil and out in the air outside, and how important it is to us to know what Nevada is all about. He's brought programs to this state; he's brought a tremendous amount of credibility to the Department of Agriculture. He helped remove it from consolidation to its own department, away from a division. He's helped so many of us, in so many ways. I hope that we all support this proclamation and recognize him and his family here today.

ASSEMBLYMAN GEDDES:

Thank you, Mr. Speaker. In addition to what's in the proclamation, I want to say that I had the privilege of working for Paul Iverson. He hired me when I was out looking for work. He promoted me to be the bureau chief of the Petroleum Technology Division. In doing so, he was directly responsible for me being here today. He got me involved in politics and rule-making and dealing with the Nevada Administrative Code and coming down before you last session, presenting bills that dealt with the Petroleum Technology Division. He got me excited about being part of this process. He was supportive all along the way. I know many agency directors and administrators come down and do their bills or they have someone in their department or their division bring their bills forward. When we had a change that we wanted to bring forward, Paul stood up and said, "No one knows this issue like you. Get down there. Do your work. I believe you can get it done." He stood behind us; he taught me how to work with industry and all concerned citizens to come up with bills that made everyone happy. He taught me consensus. As I mentioned, he is the reason why I am here today, whether you like that or not. I'm very happy that we have this proclamation today and I'm glad that we have so many people from industry and the Department of Agriculture here, as well as his family. You'll see that Paul Iverson has affected many in this room. I appreciate you all being here today.

ASSEMBLYMAN MARVEL:

Thank you, Mr. Speaker. I think the proclamation is so fitting for the life of Paul Iverson. I think, maybe, I had the privilege of knowing Paul longer than anyone in this Body. At one time, we had the Department of Energy. We found that the Department of Energy wasn't quite doing anything. That is when we created the Division of Minerals. I remember that Paul was very active. He started setting up these teachers' courses. An opening came up for director of the Division of Agriculture, now the Department of Agriculture. Paul and I were instrumental in getting that departmentalized. Paul was such a warrior, such a fighter. Everything he did, he did well. It's Nevada's loss. It has lost such a great champion. I certainly wish my condolences to all of Paul's family and his many, many friends.

ASSEMBLYWOMAN CHOWNING:

Thank you, Mr. Speaker. I stand in support of this proclamation. In my ten years serving on Ways and Means, I've had the privilege to chair one of the subcommittees that oversaw the budget for which Mr. Iverson fought vigorously to support. I would like to say he served the

state with dignity, with pride, and with professionalism all the way. He was so excited, a lot of us were, when he was on national television regarding the gentling program at the prison for the horses. This was the first in the United States, and as far as I know, still is. Nevada can be proud of his work. He did a great job. We are better because we had Paul Iverson serving our state. Thank you.

ASSEMBLYMAN CARPENTER:

Thank you, Mr. Speaker. I rise in support of this proclamation. I'll have to admit that when Paul had worked for the Department of Minerals for many years, and then was appointed as head of the Department of Agriculture, I was worried because it took a special person to get along with all the cowboys out there and the people who raise garlic and everything else that we do in Nevada in agriculture. I was so pleasantly surprised. Paul came forward and was so positive. I just don't think at that point in time we could have had a better man as a head of the Department of Agriculture. Other people have mentioned about the horse-training program; if it hadn't been for Paul, that venture never would have gotten off the ground. I just want to put my two cents in and say that Paul Iverson was the man for the time. He supported agriculture so much that we're going to really miss him. I want to express my condolences to the members of his family. He was a great man. I'm glad to be able to call him my friend.

ASSEMBLYWOMAN GIUNCHIGLIANI:

Thank you, Mr. Speaker. I, too, rise in support of the proclamation. I first met Paul almost 20 years ago when he began working on the mining training for teachers. It was a wonderful program. We got a lot of feedback from it. In addition to that, when I started serving up here, I used to bring back to my classroom the box with the bugs in it, which Paul always delivered to me at the end of each session. My middle school students absolutely loved touching the dead bugs. It makes you realize how kids still are. Many of them were apartment kids and they would exclaim, "That's a cockroach!" I would have to say, "No, that's a beetle." He always gave me little educational tools. In fact, I used to do a Nevada history week. Paul would always send me my little batch so I could do an agricultural program with the kids. I would get Winnemucca potatoes, which we would make. There were a lot of different pieces. He was always a teacher at heart. He touched many different people and he will continue to live in all of our hearts. Finally, I would say about Paul that he epitomized what a good, strong, hardworking, ethical public employee is. We have many of them in this state. He epitomized that. Thank you.

ASSEMBLYMAN HETTRICK:

Thank you, Mr. Speaker. I, too, rise in support of the proclamation. Frankly, I won't be able to say much. Good friend, great man. He'll be missed.

ASSEMBLYMAN GOICOECHEA:

Thank you, Mr. Speaker. I rise in support of the proclamation. Well beyond him as a director of the Department of Agriculture, we need to look at Paul Iverson and what he did in rural Nevada. He was truly the oil on the water. He was my friend. My deepest sympathies go out to the family. He will be missed, especially by those of us in rural Nevada. He took care of us. Thank you.

Assemblywoman Buckley requested the following proclamation be entered in the Journal.

THE ONE HUNDRED AND SECOND DAY

CARSON CITY (Thursday), May 15, 2003

Assembly called to order at 11:20 a.m.

Mr. Speaker presiding.

Roll called.

All present.

Prayer by the Chaplain, Reverend Albert Tilstra.

Here we come, Lord. As we get nearer to the deadlines that have been set, we can so easily become frustrated and upset, with ourselves and with our fellow legislators. Forgive us for doing the things that make us uncomfortable and guilty when we pray. We say we believe in God, and yet we doubt God's promises. We say that in God we trust, yet we worry and try to manage our own affairs. We say that we love You, and yet do not obey You. We believe that You have the answers to all our problems, and yet we do not consult You. Forgive us, Lord, for our lack of faith and the willful pride that ignores the way, the truth, and the life. Reach down and change the gears within us that we may go forward with You.

AMEN.

Pledge of Allegiance to the Flag.

Assemblyman Oceguera moved that further reading of the Journal be dispensed with, and the Speaker and Chief Clerk be authorized to make the necessary corrections and additions.

2. A person who obtains a copy of or access to the registry or to any version of the list of telephone numbers in the registry shall not use that information for any purpose other than determining whether a particular telephone number is available for an unsolicited telephone call for the sale of goods or services.

3. For the purposes of this section, a version of the list of telephone numbers in the registry is deemed to be the currently effective version of the list for the period beginning on the 31st day after it is published and ending on the 30th day after the next version is published.

The order must contain a statement of the charges and a notice of a hearing to be held thereon. The order must be served upon the person directly or by certified or registered mail, return receipt requested.*

2. If, after conducting a hearing pursuant to the provisions of subsection 1, the Consumer's Advocate determines that the person has violated any of the provisions of sections 3 to 16, inclusive, of this act, or if the person fails to appear for the hearing after being properly served with the statement of charges and notice of hearing, the Consumer's Advocate may make a written report of his findings of fact concerning the violation and cause to be served a copy thereof upon the person and any intervener at the hearing. If the Consumer's Advocate determines in the report that such a violation has occurred, he may order the violator to:

(a) Cease and desist from engaging in the practice or other activity constituting the violation;

(b) Pay the costs of reporting services, fees for experts and other witnesses, charges for the rental of a hearing room if such a room is not available to the Consumer's Advocate free of charge, charges for providing an independent hearing officer, if any, and charges incurred for any service of process, if the violator is adjudicated to have committed a violation of sections 3 to 16, inclusive, of this act; and

(c) Provide restitution for any money or property improperly received or obtained as a result of the violation.

The order must be served upon the person directly or by certified or registered mail, return receipt requested. The order becomes effective upon service in the manner provided in this subsection.

3. Any person whose pecuniary interests are directly and immediately affected by an order issued pursuant to subsection 2 or who is aggrieved by the order may petition for judicial review in the manner provided in chapter 233B of NRS. Such a petition must be filed within 30 days after the service of the order. The order becomes final upon the filing of the petition.

4. Mr. Speaker presiding.

Roll called.

All present except Assemblyman Oceguera, who was excused.

Prayer by the Chaplain, Reverend Albert Tilstra.

Help us to be the best we can be, Lord. We sometimes forget how special we are in this nation. Help us to use our power for good in the world. Be with the legislators in this Body today. May they not forget that economic interests are not as important as human interest and that our monetary might can save lives if we are willing to share it with all those in need. These men and women in this Chamber are lamps of light to people in the dark places. They are ambassadors of dreams to those who dare not express themselves. They are warriors of the spirit of love, peace, and the pursuit of happiness to those who know only basic human survival. Don't let us forget, Lord, who we are and what we have to offer.

AMEN.

Pledge of Allegiance to the Flag.

Assembly Bill No. 41.

Bill read third time.

Remarks by Assemblymen Collins, Angle, Carpenter, Giunchigliani, and Claborn.

Assemblywoman Angle requested that the following remarks be entered in the Journal.

ASSEMBLYMAN COLLINS:

Thank you, Mr. Speaker. The bill changes Wildlife back to a department, on its own, instead of a division, which it formally was. It is going to be 97 percent self-funded by those who participate in the industry and will be better run. Another part of the bill amends a section to allow for State Wildlife Commissioners to participate in the budget process, before the Governor approves it. I urge your support.

ASSEMBLYWOMAN ANGLE:

Thank you, Mr. Speaker. I rise in support A.B. 41, but I would like for the record to show and make it known that the legislative intent of this bill is to have the Wildlife Commission read and approve the budget of the department.

ASSEMBLYMAN CARPENTER:

Thank you, Mr. Speaker. My remarks are along the same line. I'm going to vote for this bill because I do believe it needs to be a division and not just a part of the Department of Conservation. I think, when this bill originally was drafted and the Wildlife boards in the various counties voted to endorse it, it said the Commission was going to approve the budget. Now, it reads that they can only recommend on it. I believe the Commission is the one that should be doing this because they're the ones the hunters and the ones interested in this area can go to and get some input from. For that reason, I just wanted to say I don't agree with the wording, but do agree it should be a division. Thank you.

ASSEMBLYWOMAN GIUNCHIGLIANI:

Thank you, Mr. Speaker. Assembly Bill No. 41 was brought into Ways and Means for us to review exactly the language discussed because we had some concerns the policy had changed. We don't have any other group or organization or board or commission that actually adopts its own budget. That is the process for the Executive Branch and this keeps that separation of powers. It did give the opportunity for those who pay a lot of the fees, to have better input through public hearings and actually make a recommendation to the Governor for the purposes of a budget for this division. So, I think that gave us a comfort level in the money committee, that we weren't changing state policy, but also gave some more input for the hunters and fishermen and women, etc. So, I think, in the long run, we felt comfortable with that part of it.

ASSEMBLYMAN COLLINS:

Thank you, Mr. Speaker. I just wanted to clarify, in the bill, that existing law states that the Wildlife Commission would review and comment. The change in the law, on that line, is that they would review and make a recommendation. In no way does that supercede the Executive Budget. I just want to make sure that's clear. The intent is that they are allowed to be more of a participant, because it primarily is their funds. The Budget Director and the Governor's Office and the legislature make the ultimate decision of dollars.

ASSEMBLYMAN CLABORN:

Thank you, Mr. Speaker. I rise to support AB 41. This is really a good bill. I hope that all my hunter and fishermen colleagues support it. I certainly do. We need your help on it. Thank you very much.
