Thank you, Mr. Speaker pro Tempore. I would like to note that we had our Fiscal staff take a look at this because we weren't sure why this legislation was necessary. For years, in our budgets, we have had schoolteachers assigned to each of the institutions. We did have an argument with the prison this year about taking store fund money to use for a "literacy" program. We had them go back because of the curriculum that is supposed to be a component. I note, for the record, that this complies with what current practice is and is not intended to expand their programs unless they come back with legislation for additional funding. There should be no fiscal impact.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 736.

Amend the bill as a whole by adding a new section designated sec. 15.5, following sec. 15, to read as follows:

"Sec. 15.5. NRS 279.676 is hereby amended to read as follows:

279.676 1. Any redevelopment plan may contain a provision that taxes, if any, levied upon taxable property in the redevelopment area each year by or for the benefit of the State, any city, county, district or other public corporation, after the effective date of the ordinance approving the redevelopment plan, must be divided as follows:

(a) That portion of the taxes which would be produced by the rate upon which the tax is levied each year by or for each of the taxing agencies upon the total sum of the assessed value of the taxable property in the redevelopment area as shown upon the assessment roll used in connection with the taxation of the property by the taxing agency, last equalized before the effective date of the ordinance, must be allocated to and when collected must be paid into the funds of the respective taxing agencies as taxes by or for such taxing agencies on all other property are paid. To allocate taxes levied by or for any taxing agency or agencies which did not include the territory in a redevelopment area on the effective date of the ordinance but to which the territory has been annexed or otherwise included after the effective date, the assessment roll of the county last equalized on the effective date of the ordinance must be used in determining the assessed valuation of the taxable property in the redevelopment area on the effective date. If property which was shown on the assessment roll used to determine the amount of taxes allocated to the taxing agencies is transferred to the State and becomes exempt from taxation, the assessed valuation of the exempt property as shown on that assessment roll must be subtracted from the assessed valuation used to determine the amount of revenue allocated to the taxing agencies.

(b) Except as otherwise provided in paragraphs (c) and (d) and NRS 540A.265, that portion of the levied taxes each year in excess of the amount set forth in paragraph (a) must be allocated to and when collected must be paid into a special fund of the redevelopment agency to pay the costs of redevelopment and to pay the principal of and interest on loans, money advanced to, or indebtedness, whether funded, refunded, assumed, or otherwise, incurred by the redevelopment agency to finance or refinance, in whole or in part, redevelopment. Unless the total assessed valuation of the taxable property in a redevelopment area exceeds the total assessed value of the taxable property in the redevelopment area as shown by the last equalized assessment roll referred to in paragraph (a), all of the taxes levied and collected upon the taxable property in the redevelopment area must be paid into the funds of the respective taxing agencies. When the redevelopment

plan is terminated pursuant to the provisions of NRS 279.438 and 279.439 and all loans, advances and indebtedness, if any, and interest thereon, have been paid, all money thereafter received from taxes upon the taxable property in the redevelopment area must be paid into the funds of the respective taxing agencies as taxes on all other property are paid.

(c) That portion of the taxes in excess of the amount set forth in paragraph (a) that is attributable to a tax rate levied by a taxing agency to produce revenues in an amount sufficient to make annual repayments of the principal of, and the interest on, any bonded indebtedness that was approved by the voters of the taxing agency on or after November 5, 1996, must be allocated to and when collected must be paid into the debt service fund of that taxing agency.

(d) That portion of the taxes in excess of the amount set forth in paragraph (a) that is attributable to a new or increased tax rate levied by a taxing agency and was approved by the voters of the taxing agency on or after November 5, 1996, must be allocated to and when collected must be paid into the appropriate fund of the taxing agency.

2. Except as otherwise provided in subsection 3, in any fiscal year, the total revenue paid to a redevelopment agency must not exceed:

(a) In a municipality whose population is 100,000 or more, an amount equal to the combined tax rates of the taxing agencies for that fiscal year multiplied by 10 percent of the total assessed valuation of the municipality.

(b) In a municipality whose population is *25,000 or more but* less than 100,000, an amount equal to the combined tax rates of the taxing agencies for that fiscal year multiplied by 15 percent of the total assessed valuation of the municipality.

(c) In a municipality whose population is less than 25,000, an amount equal to the combined tax rates of the taxing agencies for that fiscal year multiplied by 20 percent of the total assessed valuation of the municipality.

If the revenue paid to a redevelopment agency must be limited pursuant to paragraph (a) *,* ~~[or]~~ (b) *or (c)* and the redevelopment agency has more than one redevelopment area, the redevelopment agency shall determine the allocation to each area. Any revenue which would be allocated to a redevelopment agency but for the provisions of this section must be paid into the funds of the respective taxing agencies.

3. The taxing agencies shall continue to pay to a redevelopment agency any amount which was being paid before July 1, 1987, and in anticipation of which the agency became obligated before July 1, 1987, to repay any bond, loan, money advanced or any other indebtedness, whether funded, refunded, assumed or otherwise incurred.

4. For the purposes of this section, the assessment roll last equalized before the effective date of the ordinance approving the redevelopment plan is the assessment roll in existence on March 15 immediately preceding the effective date of the ordinance.”.

Amend the title of the bill, eighth line, after “Treasurer;” by inserting:

"revising the limitation on the total amount of revenue that may be paid to a redevelopment agency in certain smaller municipalities;".

WHEREAS, Gary Metz plans to retire on July 13, 2003, so that he will be able to spend more time with his six children and six grandchildren and more time traveling, golfing, and fishing in the years to come; now, therefore, be it

PROCLAIMED, that Gary Metz be recognized and honored for his service to the Nevada Legislature and the people of the State of Nevada.

DATED this 20th day of May, 2003.

Assemblywoman Buckley requested that the following remarks be entered in the Journal.

ASSEMBLYMAN MARVEL:

Thank you, Mr. Speaker. I rise in favor of the Proclamation honoring Gary Metz. Gary, it is such a pleasure having you and your wife here with us today. I feel most honored. I think those of you who have been around here awhile realize it is nice to smell the roses while we are still here. We have had too many for whom we have had to attend services, which hasn't been pleasant. Gary, I want to thank you for your professionalism. Briggita, thank you for the sacrifices you have made. Gary, I wish you well in your retirement and you will truly be missed. It is my honor to present you with this Proclamation and we wish you well. You will be sorely missed. We appreciate your professionalism and friendship all these years. Thank you very much.

ASSEMBLYMAN ANDERSON:

Thank you, Mr. Speaker. I rise in support of the Proclamation. Mr. Metz began here the same year I was a freshman. I have always viewed us as starting together with him looking out for me. In the early years when I had a giant office where you could almost fit in yourself and your desk and chair, Gary would come by and make sure I was out of the building by 11:00 p.m. and kick me out the door to make sure I would come back the next day. He has always had a pleasant attitude and a warm greeting. More importantly, knowing he was here and the kind of professionalism that he brought, you knew he cared very deeply about the people here and he was paying attention to the other folks who came in the door. A cardinal rule here is the Legislative Police not to engage in any legislation. However, on two separate occasions, I have called upon him, and his staff, to provide us with their expertise to review pieces of legislation from their professional viewpoint. I appreciate what he has done for us and will feel that I have lost a close personal friend when he leaves the staff. Thank you, Mr. Speaker.

ASSEMBLYWOMAN CHOWNING:

Thank you, Mr. Speaker. I rise in support of this proclamation. I thank Mr. Metz for all of his years of loyalty, friendship, professionalism, and serving as a guardian for all of us while we are here. His friendship is truly appreciated and he will be missed. Thank you.

ASSEMBLYMAN CARPENTER:

Thank you, Mr. Speaker. I stand in support of the Proclamation. Before Gary became chief, he used to take me to the airport on many occasions. We got to know each other quite well and it was always a pleasant trip when he took me. I want to congratulate him and say we are going to miss him. He says he is going to come to Elko this summer, so we'll see.

ASSEMBLYMAN HETTRICK:

Thank you, Mr. Speaker. I, too, rise in support of the Proclamation. I want to thank Gary for everything he has done here in running a very professional department that looks out for all of us. I have never had the privilege of getting a ride back and forth to the airport but I know how important that is to those who have to make the trip on a regular basis. Everything has been done professionally and we appreciate what you have done. We wish you the very best and a great retirement. We hope you get to travel the great state of Nevada. Thanks, Gary, for everything.

ASSEMBLYWOMAN OHRENSCHALL:

Thank you, Mr. Speaker. I, too, rise in support of the Proclamation. We will miss you and commend you for all the great work you have done. I personally will not forget the Legislative Police and the way they rose to the task in the previous session when I had a broken leg. I was in a wheelchair and without them I might not have been able to attended session. It is a memory that I will always carry with me. Thanks.

ASSEMBLYWOMAN BUCKLEY:

Thank you, Mr. Speaker. I also rise in support of the Proclamation. Most of the time, when things are going well, the Legislative Police run their professional operation behind the scenes, but when there is something wrong, whether it is a legislator in trouble or someone from the public that is seen as a little bit threatening, we get to see our Legislative Police in action. We thank you so much for all your years of service, your professionalism, and your leadership of a great crew, to whom we don't say thank you enough. Thank you.

Mr. Speaker requested the privilege of the Chair for the purpose making the following remarks:

With the permission of the Body, I would like to add my support to the Proclamation as well. Chief Metz, you have done an extraordinary job. It is a real difficult job with 63 bosses, shall we say 63 prima donnas in many ways, and the group that you have assembled and put together does its job very well. You do it invisibly and not as an imposing force, but it is clear that the building is secure. The crew that you have assembled is amazing, which a look at the biographies, the amount of experience, and where they come from reflects. As a law enforcement agency they have done a great job, in an almost impossible circumstance. Thank you.

Assemblywoman Buckley requested that the following proclamation be entered in the Journal.

PROCLAIMED, that Steven J. Watson be recognized and honored for his service to the Nevada State Legislature and the people of the State of Nevada.

DATED this 21st day of May, 2003.

Assemblywoman Buckley requested that the following remarks be entered in the Journal.

ASSEMBLYWOMAN GIUNCHIGLIANI:

Thank you, Mr. Speaker. I have the pleasure of having Steve Watson and his son, Lucas Watson, sitting with me. I think we should first thank Steve for sharing his son, Lucas, with us as Assistant Sergeant of Arms. Lucas, I didn't realize you didn't catch the baseball in the picture that is on the wall, but we appreciate the effort for the Assembly versus Senate softball game. Steve has also shared his cooking talents with us and he passed that ability on to his son.

It is the invaluable public employees that make us all look as good as we do. Steve is one of those individuals that has dedicated his life to making us, the public, and our constituents feel good. I had someone put together a few quips about Steve. For many years, Steve's wife, Anita, was a stay-at-home mom, raising their three sons, Andrew, Joshua, and Lucas. Steve, later, was supportive of her desire to go to UNR and get a PhD. in history. She then made a decision to move because she couldn't find a job in Nevada, and he supported her move to Minnesota. It is tough to have a long-distance relationship, but she got the degree, which he is probably still paying for, and then abandons him. However, Steve has been very supportive. We are now going to lose Steve, but that will bring their family back whole again, ending their separation. Research Division hired Steve's niece, Bonnie Borda Hoffecker, and she was asked what her career goals were. She replied, "You know, I think I would like to have my Uncle Steve's job someday, as soon as I figure out what the heck he really does around here."

Steve was active in NCSL for many years and a perfect representative as a goodwill ambassador for us and for Nevada. He never passed up an opportunity to participate in meetings of this type, or any of the free meals that went along with that.

Finally, Steve is like the ultimate straight man, but I found out that when he grew up in Minden, way back, that one time he had been rolling around in the mud and actually got dirty with a few family members. I believe that is the only thing I have been able to find in my entire research when Steve actually did anything that was dirty.

I want to recognize Steve and all the years he has dedicated to us and thank him for his dedication. Thank you, Mr. Speaker.

ASSEMBLYMAN HETTRICK:

Thank you, Mr. Speaker. I, too, rise in support of the Proclamation. It is an honor for me to do so. Steve is a good friend and has served in this building, interestingly, quietly. He makes it so you don't know he is about but he does a lot of great things with a lot of people. It has been a pleasure to know him and work with him. I am proud of the way he has represented Minden and Douglas County. I particularly want to thank him, and those who work with him, including Lorne Malkiewich, for the staffing of the CSG West meeting at Lake Tahoe. The people there were so impressed with our staff. Every person came away saying, "Wow, you have the most awesome staff." I think that is a real tribute for the Legislative Police and the staff that Steve

oversees and works with. It is a pleasure for me to say thank you for a job well done. I hope you enjoy your retirement. We are going to miss you here.

ASSEMBLYMAN MARVEL:

Thank you, Mr. Speaker. I stand in support of the Proclamation. I want to say thank you, Steve, for your dedication to this Legislative Body. It has been a pleasure having you as a friend and we wish you well in your retirement, but please move back to Nevada because I don't want the mosquitoes packing you off. Good luck.

ASSEMBLYWOMAN CHOWNING:

Thank you, Mr. Speaker. I stand in firm support of the Proclamation. Steve is absolutely the embodiment of an ambassador. We should call him "His Ambassadorship" because he quietly spreads good news about Nevada, whether here or in other states. Having served on the host committee for the NCSL conference in Nevada, I really learned how hard he works when the conferences are brought here, and how hard he has worked when the conferences are in other states. He truly has sent the message that Nevada is a wonderful place to live. We appreciate it and thank you.

ASSEMBLYWOMAN ANGLE:

Thank you, Mr. Speaker. I rise in support of this Proclamation, as well. Steve and I went to college together and he was a fraternity brother of my husband. When I arrived here as a freshman it was wonderful to see his familiar face. It has continued to be wonderful for me every session to see Steve here and reminisce about the old college days. Steve has been wonderful to my constituents. I have a lot of constituents that come here because my district is so close, and he is the goodwill ambassador. He is the one who takes them on a tour and they always say, "Gosh, what a nice guy he is." I am able to say yes, and he is a good friend, too. I want to say thanks, Steve, for being here for me.

ASSEMBLYMAN ARBERRY:

Thank you, Mr. Speaker. I rise in support of this Proclamation. Steve has been a good friend to me and I do call him Mr. Watson because he reminds me of the person who works with Sherlock Holmes. Steve represents us very well. Sometimes I call him the International Steven. When we have international guests coming from foreign countries, he makes them feel welcome and he makes them realize Nevada and all of us are here to do what we can to interact with another country. Steve, I can say that we are really going to miss you. I don't know who will be my traveling "padre." I would like to say also, Mr. Speaker, that when we have NCSL, that if Nevada is the host state, he herds us around and his staff herds us around to make sure we are all in our committees and making sure we are all there and have the right information. At the same time, when we aren't the host state, he's there and his staff is there, making sure we have everything we need. Steve, your shoes are going to be big, big shoes to fill, hard shoes to fill. We will scrutinize everyone. We really are going to miss you. Enjoy it. Come back and pick me up on your motorcycle sometime because I've never been on a Harley. Good luck, Steven . . . Mr. Watson.

ASSEMBLYMAN ANDERSON:

Thank you, Mr. Speaker. I, also, rise in support of the Proclamation. Mr. Watson, indeed, has looked after the physical needs of the building on an ongoing basis. As we saw the expansion of the building in 1997, he worried about each and every detail, like the platforms in the rooms. I know that the Judiciary Committee, in particular, has been very well taken care of. We have a timer in the room so we can time the witnesses. We have other kinds of accoutrements in there, as the lights go on in front of the witnesses. It's all in part because of Mr. Watson making sure those things are going to be there and knowing the time constraints of that committee. His continual diligent search for a good chair for me has been a standing joke between the two of us for three sessions. All of you have these big, high, puffy chairs in your offices and I keep falling out of mine. I know it's hard to imagine that. Mr. Watson keeps trying to find one that will accommodate an ample body in a smaller chair, with some level of comfort. His diligence in that search has always amazed me.

I think the most telling is what took place this year. When a lady was sitting in Judiciary and was terribly upset because she couldn't read the names of the people who were sitting in front of the committee in the committee room. On a break, she happened to come and approach me about it. I said, "Well, there's only one person that I know that really takes care of things." So, I called for Mr. Watson to come up. Sure enough, he came up and allayed her fears that in the future that problem will be taken care of. Even though he's leaving us, I think he's still taking care of our problems and will in the future. We salute you for that continual diligence for us and for our constituents and the kind of things that make all of the people of the state of Nevada proud in this Institution and this building that represents the people, your building, Mr. Watson.

ASSEMBLYMAN CARPENTER:

Thank you, Mr. Speaker. I, too, rise in support of the Proclamation. I just wanted to thank Steve for everything he's done to help me. He's a great guy and we're going to miss him. I sure do hope he gets back from Minnesota, because I've been to Minnesota a couple of times and I can't see anyone going from Nevada to Minnesota. Hopefully, you'll return back here where you belong. Thank you.

ASSEMBLYMAN WILLIAMS:

Thank you, Mr. Speaker, I, too, rise in support of the Proclamation. I would like to publicly thank Mr. Watson. I had a chance to meet his wife as well and spend some time with them both. It's amazing how totally real, understanding, and caring that they are. His interaction with students in the hallways when he's doing tours should be particularly noted. As Lucas says, "Don't go near that room. My dad's in there with kids. He'll grab you and make you talk." He would get you sometimes and say, "Hey, give a speech." I think one of the illustrations that clearly shows how much of an impact he has on young people in our state is, several weeks ago, when the students were here from the Wendell P. Williams Elementary School, he was one of the people who drove and picked them up from the airport. When they asked who he was, he said, "I'm Mr. Williams' cousin." When the students came to my office, they asked, "Is he really your cousin?" I said, "Yes, he's really my cousin." So, in the last several days, I've got many thank you cards from the kids about their trip here to the Capital. Almost every one of those cards said, "Please say hello to your cousin, Steve Watson." So, they wish you well also.

ASSEMBLYWOMAN OHRENSCHALL:

Thank you, Mr. Speaker. I, too, want to thank Steve, publicly, for all the great work that he has done, very quietly, for the Legislature as a whole. But I guess, even more than that, I wish to thank him for leaving us Lucas, who we can watch grow and develop and gain all the gifts and qualities that his father has. Perhaps he'll take as good care of the Legislature in the future.

ASSEMBLYWOMAN BUCKLEY:

Thank you, Mr. Speaker. I think you can see from the outpouring of remarks today, how much we will miss you. Your service to us, as has been noted, has been appreciated. You are one of a kind. Have a great retirement.

Mr. Speaker requested the privilege of the Chair to make the following remarks:

There is not much I can add for Cousin Steve. It's always been comforting to know that when we have a group coming or we have some issue to deal with in the building that it takes only a request and you never have to worry about it again. You never had to follow up on it. It was always taken care of so well. I want to add my congratulations to you for your retirement and wish you well.

THE ONE HUNDRED AND NINTH DAY

CARSON CITY (Thursday), May 22, 2003

Assembly called to order at 11:59 a.m.

Mr. Speaker presiding.

Roll called.

All present.

Prayer by the Chaplain, Reverend Bruce Henderson.

Lord, it's Thursday, our 16th Thursday here. Mother Goose taught us that Thursday's child has far to go and that Solomon Grundy took ill on Thursday. O, Lord, we pray, not those. The Wrights made their first flight on a Thursday. We, too, want to soar today. William Blake wrote a poem called "Holy Thursday." That's what we pray—a real touch of You this day to help us toward the end of our task. Please.

AMEN.

Pledge of Allegiance to the Flag.

Assemblyman Oceguera moved that further reading of the Journal be dispensed with, and the Speaker and Chief Clerk be authorized to make the necessary corrections and additions.

Motion carried.

"Sec. 5.3. *1. As used in this section, "action" includes a course of action and a decision on whether or not to take action.*

2. A trustee may provide a notice of proposed action regarding any matter governed by sections 2 to 44, inclusive, of this act.

3. If a trustee provides a notice of proposed action, the trustee shall mail the notice of proposed action to every adult beneficiary who, at the time the notice is provided, receives, or is entitled to receive, income under the trust or who would be entitled to receive a distribution of principal if the trust were terminated. A notice of proposed action need not be provided to a person who consents in writing to the proposed action. A consent to a proposed action may be executed before or after the proposed action is taken.

4. The notice of proposed action must state:

(a) That the notice is provided pursuant to this section;

(b) The name and mailing address of the trustee;

(c) The name and telephone number of a person with whom to communicate for additional information regarding the proposed action;

(d) A description of the proposed action and an explanation of the reason for taking the action;

7. If the trustee received a written objection to the proposed action within the period specified in the notice, the trustee or a beneficiary may petition the court for an order to take the action as proposed, take the action with modification or deny the proposed action. A beneficiary who failed to object to the proposed action is not estopped from opposing the proposed action. The burden is on a beneficiary to prove that the proposed action should not be taken or should be modified.

8. If the trustee decides not to take a proposed action for which notice has been provided, the trustee shall notify the beneficiaries of his decision not to take the proposed action and the reasons for his decision. The trustee

is not liable to any present or future beneficiary with respect to the decision not to take the proposed action. A beneficiary may petition the court for an order to take the action as proposed. The burden is on the beneficiary to prove that the proposed action should be taken.

If the proposed action for which notice has been proved is an adjustment to principal and income pursuant to section 18 of this act, the sole remedy a court may order, pursuant to subsections 7 and 8, is to make the adjustment, to make the adjustment with a modification or to order the adjustment not to be made.

Sec. 5.5. *1. The provisions of sections 2 to 44, inclusive, of this act do not impose or create a duty of a trustee to make an adjustment between principal and income pursuant to the provisions of section 18 of this act.*

Amend the bill as a whole by deleting sections 1 through 59 and adding new sections designated sections 1 through 35 and the leadlines of repealed sections, following the enacting clause, to read as follows:

"Section 1. Chapter 40 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 15, inclusive, of this act.

Sec. 2. *"Amend a complaint to add a cause of action for a constructional defect" means any act by which a claimant seeks to:*

1. Add to the pleadings a defective component that is not otherwise included in the pleadings and for which a notice was not previously given; or

2. Amend the pleadings in such a manner that the practical effect is the addition of a constructional defect that is not otherwise included in the pleadings.

The term does not include amending a complaint to plead a different cause for a constructional defect which is included in the same action.

Sec. 3. *"Design professional" means a person who holds a professional license or certificate issued pursuant to chapter 623, 623A or 625 of NRS.*

Sec. 4. *"Subcontractor" means a contractor who performs work on behalf of another contractor in the construction of a residence or appurtenance.*

Sec. 5. *"Supplier" means a person who provides materials, equipment or other supplies for the construction of a residence or appurtenance.*

Sec. 6. *1. Except as otherwise provided in subsection 2, not later than 60 days after a contractor receives a notice pursuant to subsection 4 of NRS 40.645 which alleges common constructional defects to residences or appurtenances within a single development and which complies with the*

requirements of subsection 4 of NRS 40.645 for giving such notice, the contractor may respond to the named owners of the residences or appurtenances in the notice in the manner set forth in section 9 of this act.

2. The contractor may provide a disclosure of the notice of the alleged common constructional defects to each unnamed owner of a residence or appurtenance within the development to whom the notice may apply in the manner set forth in this section. The disclosure must be sent by certified mail, return receipt requested, to the home address of each such owner. The disclosure must be mailed not later than 60 days after the contractor receives the notice of the alleged common constructional defects, except that if the common constructional defects may pose an imminent threat to health and safety, the disclosure must be mailed as soon as reasonably practicable, but not later than 20 days after the contractor receives the notice.

3. The disclosure of a notice of alleged common constructional defects provided by a contractor to the unnamed owners to whom the notice may apply pursuant to subsection 2 must include, without limitation:

(a) A description of the alleged common constructional defects identified in the notice that may exist in the residence or appurtenance;

(b) A statement that notice alleging common constructional defects has been given to the contractor which may apply to the owner;

(c) A statement advising the owner that he has 30 days within which to request the contractor to inspect the residence or appurtenance to determine whether the residence or appurtenance has the alleged common constructional defects;

(d) A form which the owner may use to request such an inspection or a description of the manner in which the owner may request such an inspection;

(e) A statement advising the owner that if he fails to request an inspection pursuant to this section, no notice shall be deemed to have been given by him for the alleged common constructional defects; and

(f) A statement that if the owner chooses not to request an inspection of his residence or appurtenance, he is not precluded from sending a notice pursuant to NRS 40.645 individually or commencing an action or amending a complaint to add a cause of action for a constructional defect individually after complying with the requirements set forth in NRS 40.600 to 40.695, inclusive, and sections 2 to 15, inclusive, of this act.

4. If an unnamed owner requests an inspection of his residence or appurtenance in accordance with subsection 3, the contractor must provide the response required pursuant to section 9 of this act not later than 45 days after the date on which the contractor receives the request.

5. If a contractor who receives a notice pursuant to subsection 4 of NRS 40.645 does not provide a disclosure to unnamed owners as authorized pursuant to this section, the owners of the residences or appurtenances to whom the notice may apply may commence an action for the constructional defect without complying with any other provision set forth in NRS 40.600 to

40.695, inclusive, and sections 2 to 15, inclusive, of this act. This subsection does not establish or prohibit the right to maintain a class action.

6. If a contractor fails to provide a disclosure to an unnamed owner to whom the notice of common constructional defects was intended to apply:

(a) The contractor shall be deemed to have waived his right to inspect and repair any common constructional defect that was identified in the notice with respect to that owner; and

(b) The owner is not required to comply with the provisions set forth in NRS 40.645 or section 11 of this act before commencing an action or amending a complaint to add a cause of action based on that common constructional defect.

Sec. 7. *1. Except as otherwise provided in subsection 2, not later than 30 days after the date on which a contractor receives notice of a constructional defect pursuant to NRS 40.645, the contractor shall forward a copy of the notice by certified mail, return receipt requested, to the last known address of each subcontractor, supplier or design professional whom the contractor reasonably believes is responsible for a defect specified in the notice.*

2. If a contractor does not provide notice as required pursuant to subsection 1, the contractor may not commence an action against the subcontractor, supplier or design professional related to the constructional defect unless the contractor demonstrates that, after making a good faith effort, he was unable to identify the subcontractor, supplier or design professional who he believes is responsible for the defect within the time provided pursuant to subsection 1.

3. Except as otherwise provided in subsection 4, not later than 30 days after receiving notice from the contractor pursuant to this section, the subcontractor, supplier or design professional shall inspect the alleged constructional defect in accordance with subsection 1 of section 8 of this act and provide the contractor with a written statement indicating:

(a) Whether the subcontractor, supplier or design professional has elected to repair the defect for which the contractor believes the subcontractor, supplier or design professional is responsible; and

(b) If the subcontractor, supplier or design professional elects to repair the defect, an estimate of the length of time required for the repair, and at least two proposed dates on and times at which the subcontractor, supplier or design professional is able to begin making the repair.

4. If the notice of a constructional defect forwarded by the contractor was given pursuant to subsection 4 of NRS 40.645 and the contractor provides a disclosure of the notice of the alleged common constructional defects to the unnamed owners to whom the notice may apply pursuant to section 6 of this act:

(a) The contractor shall, in addition to the notice provided pursuant to subsection 1, upon receipt of a request for an inspection, forward a copy of the request to or notify each subcontractor, supplier or design professional

who may be responsible for the alleged defect of the request not later than 5 working days after receiving such a request; and

(b) Not later than 20 days after receiving notice from the contractor of such a request, the subcontractor, supplier or design professional shall inspect the alleged constructional defect in accordance with subsection 2 of section 8 of this act and provide the contractor with a written statement indicating:

(1) Whether the subcontractor, supplier or design professional has elected to repair the defect for which the contractor believes the subcontractor, supplier or design professional is responsible; and

(2) If the subcontractor, supplier or design professional elects to repair the defect, an estimate of the length of time required for the repair, and at least two proposed dates on and times at which the subcontractor, supplier or design professional is able to begin making the repair.

5. If a subcontractor, supplier or design professional elects to repair the constructional defect, the contractor or claimant may hold the subcontractor liable for any repair which does not eliminate the defect.

Sec. 8. *1. Except as otherwise provided in subsection 2, after notice of a constructional defect is given to a contractor pursuant to NRS 40.645, the claimant shall, upon reasonable notice, allow the contractor and each subcontractor, supplier or design professional who may be responsible for the alleged defect reasonable access to the residence or appurtenance that is the subject of the notice to determine the nature and extent of a constructional defect and the nature and extent of repairs that may be necessary. To the extent possible, the persons entitled to inspect shall coordinate and conduct the inspections in a manner which minimizes the inconvenience to the claimant.*

2. If notice is given to the contractor pursuant to subsection 4 of NRS 40.645, the contractor and each subcontractor, supplier or design professional who may be responsible for the defect do not have the right to inspect the residence or appurtenance of an owner who is not named in the notice unless the owner requests the inspection in the manner set forth in section 6 of this act. If the owner does not request the inspection, the owner shall be deemed not to have provided notice pursuant to NRS 40.645.

Sec. 9. *1. Except as otherwise provided in NRS 40.670 and 40.672 and section 6 of this act, a written response must be sent by certified mail, return receipt requested, to a claimant who gives notice of a constructional defect pursuant to NRS 40.645:*

(a) By the contractor not later than 90 days after the contractor receives the notice; and

(b) If notice was sent to a subcontractor, supplier or design professional, by the subcontractor, supplier or design professional not later than 90 days after the date that the subcontractor, supplier or design professional receives the notice.

2. The written response sent pursuant to subsection 1 must respond to each constructional defect in the notice and:

(a) Must state whether the contractor, subcontractor, supplier or design professional has elected to repair the defect or cause the defect to be repaired. If an election to repair is included in the response and the repair will cause the claimant to move from his home during the repair, the election must also include monetary compensation in an amount reasonably necessary for temporary housing or for storage of household items, or for both, if necessary.

(b) May include a proposal for monetary compensation, which may include contribution from a subcontractor, supplier or design professional.

(c) May disclaim liability for the constructional defect and state the reasons for such a disclaimer.

3. If the claimant is a homeowners' association, the association shall send a copy of the response to each member of the association not later than 30 days after receiving the response.

4. If the contractor, subcontractor, supplier or design professional has elected not to repair the constructional defect, the claimant or contractor may bring a cause of action for the constructional defect or amend a complaint to add a cause of action for the constructional defect.

5. If the contractor, subcontractor, supplier or design professional has elected to repair the constructional defect, the claimant must provide the contractor, subcontractor, supplier or design professional with a reasonable opportunity to repair the constructional defect.

Sec. 10. *1. If the response provided pursuant to section 9 of this act includes an election to repair the constructional defect:*

(a) The repairs may be performed by the contractor, subcontractor, supplier or design professional, if he is properly licensed, bonded and insured to perform the repairs and, if he is not, the repairs may be performed by another person who meets those qualifications.

(b) The repairs must be performed:

(1) On reasonable dates and at reasonable times agreed to in advance with the claimant;

(2) In compliance with any applicable building code and in a good and workmanlike manner in accordance with the generally accepted standard of care in the industry for that type of repair; and

(3) In a manner which will not increase the cost of maintaining the residence or appurtenance than otherwise would have been required if the residence or appurtenance had been constructed without the constructional defect, unless the contractor and the claimant agree in writing that the contractor will compensate the claimant for the increased cost incurred as a result of the repair.

(c) Any part of the residence or appurtenance that is not defective but which must be removed to correct the constructional defect must be replaced.

(d) The contractor, subcontractor, supplier or design professional shall prevent, remove and indemnify the claimant against any mechanics' liens and materialmen's liens.

2. Unless the claimant and the contractor, subcontractor, supplier or design professional agree to extend the time for repairs, the repairs must be completed:

(a) If the notice was sent pursuant to subsection 4 of NRS 40.645 and there are four or fewer owners named in the notice, for the named owners, not later than 105 days after the date on which the contractor received the notice.

(b) If the notice was sent pursuant to subsection 4 of NRS 40.645 and there are five or more owners named in the notice, for the named owners, not later than 150 days after the date on which the contractor received the notice.

(c) If the notice was sent pursuant to subsection 4 of NRS 40.645, not later than 105 days after the date on which the contractor provides a disclosure of the notice to the unnamed owners to whom the notice applies pursuant to section 6 of this act.

(d) If the notice was not sent pursuant to subsection 4 of NRS 40.645:

(1) Not later than 105 days after the date on which the notice of the constructional defect was received by the contractor, subcontractor, supplier or design professional if the notice of a constructional defect was received from four or fewer owners; or

(2) Not later than 150 days after the date on which the notice of the constructional defect was received by the contractor, subcontractor, supplier or design professional if the notice was received from five or more owners or from a representative of a homeowners' association.

3. If repairs reasonably cannot be completed within the time set forth in subsection 2, the claimant and the contractor, subcontractor, supplier or design professional shall agree to a reasonable time within which to complete the repair. If the claimant and contractor, subcontractor, supplier or design professional cannot agree on such a time, any of them may petition the court to establish a reasonable time for completing the repair.

4. Any election to repair made pursuant to section 9 of this act may not be made conditional upon a release of liability.

5. Not later than 30 days after the repairs are completed, the contractor, subcontractor, supplier or design professional who repaired or caused the repair of a constructional defect shall provide the claimant with a written statement describing the nature and extent of the repair, the method used to repair the constructional defect and the extent of any materials or parts that were replaced during the repair.

Sec. 11. *1. Except as otherwise provided in section 6 of this act, after notice of a constructional defect is given pursuant to NRS 40.645, before a claimant may commence an action or amend a complaint to add a cause of*

action for a constructional defect against a contractor, subcontractor, supplier or design professional, the claimant must:

(a) Allow an inspection of the alleged constructional defect to be conducted pursuant to section 8 of this act; and

(b) Allow the contractor, subcontractor, supplier or design professional a reasonable opportunity to repair the constructional defect or cause the defect to be repaired if an election to repair is made pursuant to section 9 of this act.

2. If a claimant commences an action without complying with subsection 1 or NRS 40.645, the court shall:

(a) Dismiss the action without prejudice and compel the claimant to comply with those provisions before filing another action; or

(b) If dismissal of the action would prevent the claimant from filing another action because the action would be procedurally barred by the statute of limitations or statute of repose, the court shall stay the proceeding pending compliance with those provisions by the claimant.

Sec. 12. *1. A claimant and any contractor, subcontractor, supplier and design professional may submit a question or dispute to the State Contractors' Board concerning any matter which may affect or relate to a constructional defect, including, without limitation, questions concerning the need for repairs, the appropriate method for repairs, the sufficiency of any repairs that have been made and the respective rights and responsibilities of homeowners, claimants, contractors, subcontractors, suppliers and design professionals.*

2. If a question or dispute is submitted to the State Contractors' Board pursuant to this section, the State Contractors' Board shall, pursuant to its regulations, rules and procedures, respond to the question or investigate the dispute and render a decision. Nothing in this section authorizes the State Contractors' Board to require the owner of a residence or appurtenance to participate in any administrative hearing which is held pursuant to this section.

3. Not later than 30 days after a question or dispute is submitted to the State Contractors' Board pursuant to subsection 1, the State Contractors' Board shall respond to the question or render its decision. The response or decision of the State Contractors' Board:

(a) Is not binding and is not subject to judicial review pursuant to the provisions of chapters 233B and 624 of NRS; and

(b) Is not admissible in any judicial or administrative proceeding brought pursuant to the provisions of this chapter.

4. The provisions of this chapter do not preclude a claimant or a contractor, subcontractor, supplier or design professional from pursuing any remedy otherwise available from the State Contractors' Board pursuant to the provisions of chapter 624 of NRS concerning a constructional defect.

5. If an action for a constructional defect has been commenced, the court shall not stay or delay any proceedings before the court pending an answer

to a question or decision concerning a dispute submitted to the State Contractors' Board.

6. The State Contractors' Board shall adopt regulations necessary to carry out the provisions of this section and may charge and collect reasonable fees from licensees to cover the cost of carrying out its duties pursuant to this section.

Sec. 13. *1. If a contractor, subcontractor, supplier or design professional receives written notice of a constructional defect, the contractor, subcontractor, supplier or design professional may present the claim to an insurer which has issued a policy of insurance that covers all or any portion of the business of the contractor, subcontractor, supplier or design professional.*

2. If the contractor, subcontractor, supplier or design professional presents the claim to the insurer pursuant to this section, the insurer:

(a) Must treat the claim as if a civil action has been brought against the contractor, subcontractor, supplier or design professional; and

(b) Must provide coverage to the extent available under the policy of insurance as if a civil action has been brought against the contractor, subcontractor, supplier or design professional.

3. A contractor, subcontractor, supplier or design professional is not required to present a claim to the insurer pursuant to this section, and the failure to present such a claim to the insurer does not relieve the insurer of any duty under the policy of insurance to the contractor, subcontractor, supplier or design professional.

Sec. 14. *1. If a settlement conference is held concerning a claim for a constructional defect, the special master, if any, or the judge presiding over the claim may order a representative of an insurer of a party to attend the settlement conference. If a representative of an insurer is ordered to attend the settlement conference, the insurer shall ensure that the representative is authorized, on behalf of the insurer, to:*

(a) Bind the insurer to any settlement agreement relating to the claim;

(b) Enter into any agreement relating to coverage that may be available under the party's policy of insurance which is required to carry out any settlement relating to the claim; and

(c) Commit for expenditure money or other assets available under the party's policy of insurance.

2. If a representative of an insurer who is ordered to attend a settlement conference pursuant to subsection 1 fails to attend the settlement conference or attends but is substantially unprepared to participate, or fails to participate in good faith, the special master or the judge may, on his own motion or that of a party, issue any order with regard thereto that is just under the circumstances.

3. In lieu of or in addition to any other sanction, the special master or the judge may require the insurer to pay any reasonable expenses or attorney's fees incurred by a party because of the failure of the insurer or its

representative to comply with the provisions of this section or any order issued pursuant to this section, unless the special master or the judge finds that the failure to comply was substantially justified or that any other circumstances make the award of such expenses or fees unjust.

4. Any insurer which conducts business in this state and which insures a party against liability for the claim shall be deemed to have consented to the jurisdiction of the special master or the judge for the purposes of this section.

5. The authority conferred upon the special master or the judge pursuant to this section is in addition to any other authority conferred upon the special master or the judge pursuant to any other statute or any court rule.

Sec. 15. *Not later than 15 days before the commencement of mediation required pursuant to NRS 40.680 and upon providing 15 days' notice, each party shall provide to the other party, or shall make a reasonable effort to assist the other party to obtain, all relevant reports, photos, correspondence, plans, specifications, warranties, contracts, subcontracts, work orders for repair, videotapes, technical reports, soil and other engineering reports and other documents or materials relating to the claim that are not privileged.*

SECOND READING AND AMENDMENT

Senate Bill No. 319.

Bill read second time.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 884.

Amend the bill as a whole by deleting section 1, renumbering sections 2 through 10 as sections 12 through 20 and adding new sections designated sections 1 through 11, following the enacting clause, to read as follows:

"Section 1. Chapter 686A of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 11, inclusive, of this act.

Sec. 2. *As used in sections 2 to 11, inclusive, of this act, unless the context otherwise requires, the words and terms defined in sections 3 to 8, inclusive, of this act have the meanings ascribed to them in those sections.*

Sec. 3. *"Adverse action" means a denial or cancellation of, an increase in any charge for, or a reduction or other adverse or unfavorable change in the terms of coverage or amount of, any insurance, existing or applied for, in connection with any policy.*

Sec. 4. *"Affiliate" means any company that controls, is controlled by, or is under common control with another company.*

Sec. 5. *"Consumer credit report" means any written, oral or other communication of information by a consumer reporting agency bearing on the credit worthiness, credit standing or credit capacity of an applicant or policyholder, and which is used or expected to be used or collected in whole or in part for the purpose of serving as a factor to determine:*

1. Whether to issue, cancel or renew a policy;

2. The amount of the premium for a policy; or

3. Eligibility for any plan for making payments with regard to a policy.

Sec. 6. *"Consumer reporting agency" means any person which, for monetary fees, dues, or on a cooperative nonprofit basis, regularly engages in whole or in part in the practice of assembling or evaluating consumer credit information or other information on consumers for the purpose of furnishing consumer credit reports to third parties.*

Sec. 7. *"Credit information" means any information that is related to credit and derived from a consumer credit report, found on a consumer credit report or provided on an application for a policy. The term does not include information that is not related to credit, regardless of whether it is contained in a consumer credit report or in an application for a policy, or is used to calculate an insurance score.*

Sec. 8. *"Insurance score" means a number or rating that is derived from an algorithm, computer application, model or other process that is*

based in whole or in part on credit information for the purposes of predicting the future losses or exposure with regard to an applicant or policyholder.

Sec. 9. *The provisions of sections 2 to 11, inclusive, of this act do not apply to a contract of surety insurance issued pursuant to chapter 691B of NRS or any commercial or business policy.*

Sec. 10. *An insurer that uses information from a consumer credit report shall not:*

1. Use an insurance score that is calculated using income, gender, address, zip code, ethnic group, religion, marital status or nationality of the consumer as a factor, or would otherwise lead to unfair or invidious discrimination.

2. Deny, cancel or fail to renew a policy on the basis of credit information unless the insurer also considers other applicable underwriting factors that are independent of credit information and not expressly prohibited by this section.

3. Base renewal rates for a policy upon credit information unless the insurer also considers other applicable factors independent of credit information.

4. Take an adverse action against an applicant or policyholder based on the applicant or policyholder not having a credit card account unless the insurer also considers other applicable factors independent of credit information.

5. Consider an absence of credit information or an inability to calculate an insurance score in underwriting or rating a policy unless the insurer treats the applicant or policyholder as having neutral credit information, as defined by the insurer.

6. Take an adverse action against an applicant or policyholder based on credit information, unless an insurer obtains and uses a credit report issued or an insurance score calculated within 90 days from the date the policy is first written or renewal is issued.

7. Except as otherwise provided in this subsection, use credit information regarding a policyholder without obtaining an updated consumer credit report regarding the policyholder and recalculating the insurance score at least once every 36 months. An insurer does not need to obtain an updated consumer credit report for a policyholder if:

(a) The insurer is treating the policyholder as otherwise approved by the Commissioner.

(b) The policyholder is in the most favorably-priced tier of the insurer and all affiliates of the insurer.

(c) Credit information was not used for underwriting or rating the policyholder when the policy was initially written.

(d) The insurer reevaluates the policyholder at least once every 36 months based upon underwriting or rating factors other than credit information.

8. Use the following as a negative factor in any insurance scoring methodology or in reviewing credit information for the purpose of underwriting or rating a policy:

Senate Bill No. 370.

Bill read third time.

The following amendment was proposed by Assemblyman Goldwater:

Amendment No. 901.

Amend the bill as a whole by renumbering sections 1 through 16 as sections 3 through 18 and adding new sections designated sections 1 and 2, following the enacting clause, to read as follows:

"Section 1. Chapter 360 of NRS is hereby amended by adding thereto a new section to read as follows:

1. The Department shall account separately for all money received pursuant to subsection 3 of NRS 482.181 and shall administer that account pursuant to the provisions of this section. If the balance in the account that has not been committed for expenditure exceeds $300,000 at the end of any fiscal year, the uncommitted amount that exceeds the threshold must be reverted to the counties of origin on a pro rata basis.

2. A county whose population is less than 100,000 in which a tax has been imposed pursuant to section 3 of this act at the maximum amount allowed by law may apply to the Department for a distribution from the account. The total of all distributions in any fiscal year to one county must not exceed the sum obtained by subtracting the amount of the proceeds of the tax imposed pursuant to section 3 of this act for that fiscal year from the amount received by the county from the proceeds of the basic governmental services tax for the fiscal year ending on June 30, 2003.

3. In administering the account, the Department shall adopt by regulation a procedure for making the distributions required by subsection 2. The procedure must ensure that for any fiscal year in which the balance in the account is not sufficient to make distributions to all counties for the maximum amount allowed by law, each county receives a distribution, if requested, of a percentage of the total amount requested by that county that is equal to the percentage of the money requested by all other counties to which distributions are made.

Sec. 2. NRS 371.040 is hereby amended to read as follows:

371.040 The annual amount of the basic governmental services tax throughout the State is ~~[4]~~ *3* cents on each $1 of valuation of the vehicle as determined by the Department.".

Amend section 1, page 1, by deleting lines 4 through 6 and inserting: "*property, the board of county commissioners of each county may impose a tax at the rate of up to $1.20 for each $500 of value, or fraction thereof, on each deed*".

Amend section 1, page 2, by deleting lines 5 through 8 and inserting: "*provided in NRS 375.030.*".

Amend sec. 3, page 2, lines 33, 38 and 40, by deleting "*1*" and inserting "*3*".

Amend sec. 5, page 4, line 14, by deleting "*1*" and inserting "*3*".

Amend sec. 15, page 10, line 9, by deleting "*1*" and inserting "*3*".

Amend sec. 16, page 10, line 31, by deleting "*1*" and inserting "*3*".

Amend the bill as a whole by deleting sec. 17, renumbering sec. 18 as sec. 20 and adding a new section designated sec. 19, following sec. 16, to read as follows:

"Sec. 19. NRS 482.181 is hereby amended to read as follows:

482.181 1. Except as otherwise provided in subsection ~~[5,]~~ *6,* after deducting the amount withheld by the Department and the amount credited to the Department pursuant to subsection 6 of NRS 482.180, the Department shall certify monthly to the State Board of Examiners the amount of the basic and supplemental governmental services taxes collected for each county by the Department and its agents during the preceding month, and that money must be distributed monthly as provided in this section.

2. Any supplemental governmental services tax collected for a county must be distributed only to the county, to be used as provided in NRS 371.045 and 371.047.

3. ~~[The]~~ *Before making any distribution of the basic governmental services tax pursuant to subsections 4 and 5, 10 percent of the amount of that tax received or collected for each county must be deposited into a separate account in the State General Fund for distribution by the Department of Taxation as provided in section 1 of this act.*

4. After making the distribution set forth in subsection 3, the distribution of the basic governmental services tax received or collected for each county must be made to the county school district within each county before any distribution is made to a local government, special district or enterprise district. For the purpose of calculating the amount of the basic governmental services tax to be distributed to the county school district, the taxes levied by each local government, special district and enterprise district are the product of its certified valuation, determined pursuant to subsection 2 of NRS 361.405, and its tax rate, established pursuant to NRS 361.455 for the fiscal year beginning on July 1, 1980, except that the tax rate for school districts, including the rate attributable to a district's debt service, is the rate established pursuant to NRS 361.455 for the fiscal year beginning on July 1, 1978, but if, in any fiscal year, the sum of the rate attributable to a district's debt service in that fiscal year and any rate levied for capital projects pursuant to NRS 387.3285 in that fiscal year is greater than its rate for the fiscal year beginning on July 1, 1978, the higher rate must be used to determine the amount attributable to debt service.

~~[4.]~~ *5.* After making the distributions set forth in ~~[subsection 3,]~~ *subsections 3 and 4,* the remaining money received or collected for each county must be deposited in the Local Government Tax Distribution Account created by NRS 360.660 for distribution to local governments, special districts and enterprise districts within each county pursuant to the provisions of NRS 360.680 and 360.690.

~~[5.]~~ *6.* An amount equal to any basic governmental services tax distributed to a redevelopment agency in the fiscal year 1987-1988 must continue to be distributed to that agency as long as it exists but must not be increased.

~~[6.]~~ *7.* The Department shall make distributions of the basic governmental services tax directly to county school districts.

~~[7.]~~ *8.* As used in this section:

(a) "Enterprise district" has the meaning ascribed to it in NRS 360.620.

(b) "Local government" has the meaning ascribed to it in NRS 360.640.

(c) "Received or collected for each county" means:

(1) For the basic governmental services tax collected on vehicles subject to the provisions of chapter 706 of NRS, the amount determined for each county based on the following percentages:

Carson City	1.07 percent	Lincoln	3.12 percent
Churchill	5.21 percent	Lyon	2.90 percent
Clark	22.54 percent	Mineral	2.40 percent
Douglas	2.52 percent	Nye	4.09 percent
Elko	13.31 percent	Pershing	7.00 percent
Esmeralda	2.52 percent	Storey	.19 percent
Eureka	3.10 percent	Washoe	12.24 percent
Humboldt	8.25 percent	White Pine	5.66 percent
Lander	3.88 percent		

(2) For all other basic and supplemental governmental services tax received or collected by the Department, the amount attributable to each county based on the county of registration of the vehicle for which the tax was paid.

(d) "Special district" has the meaning ascribed to it in NRS 360.650.".

Amend sec. 18, page 12, by deleting line 13 and inserting:

"Sec. 20. This act becomes effective on January 1, 2004.".

Amend the title of the bill to read as follows:

"AN ACT relating to taxation; reducing the rate of the basic governmental services tax; authorizing each board of county commissioners to impose an additional tax on the transfer of real property; authorizing the distribution of a portion of the proceeds of the basic governmental services tax to reimburse certain counties for a reduction in revenue; and providing other matters properly relating thereto.".

Amendment No. 774.

Amend the bill as a whole by deleting sections 1 through 12 and the text of repealed sections and adding new sections designated sections 1 through 47 and the text of the repealed section, following the enacting clause, to read as follows:

"Section 1. This act may be cited as the "Keep Quality Medical Care in Nevada Act."

Sec. 1.5. The Legislature hereby finds and declares that:

1. The 18th Special Session of the Nevada Legislature was held in 2002 to address the State's emerging medical malpractice crisis.

2. The Nevada Legislature recognized that the difficulty experienced in this state in attracting and maintaining a sufficient network of physicians to meet the needs of the residents of this state posed a serious threat to the health, welfare and safety of those residents.

3. The Nevada Legislature unanimously approved broad tort reforms during the 18th Special Session to provide stability and predictability to Nevada's civil justice system and insurance market while protecting the legal remedies available to injured patients.

4. The reforms passed by the Nevada Legislature during the 18th Special Session included:

(a) A $350,000 limitation on the amount that may be awarded for noneconomic damages in a medical malpractice action, which was carefully crafted to limit a physician's liability and provide compensation to an injured patient;

(b) A $50,000 limitation on the amount of damages that may be awarded in a medical malpractice action for emergency care received in hospitals;

(c) Immunity from liability for certain providers of health care who provide treatment gratuitously at a health care facility of a governmental entity or nonprofit organization;

(d) Protection of the right to consider collateral sources of payment to a patient and to elect to receive future damages awarded in periodic payments;

(e) Several liability for noneconomic damages awarded in an action for medical malpractice so that a physician is only liable for such damages in an amount equal to the percentage of negligence attributable to him;

(f) Increasing the efficiency of the civil justice system by providing a shorter period within which to commence a medical malpractice action, making changes concerning pretrial settlement conferences and requiring

certain district judges to receive certain training concerning medical malpractice actions;

(g) Stricter requirements concerning reporting information concerning medical malpractice to state licensing boards; and

(h) Requiring the reporting of medical errors and protecting "whistle blowers" who report medical errors or potential medical malpractice.

5. The Nevada Legislature responded to the crisis in 2002 and proposes the additional protections to consumers of medical care in this state as set forth in this act.

Sec. 2. Chapter 630 of NRS is hereby amended by adding thereto a new section to read as follows:

1. If, within the immediately preceding 7 years, a physician has made three reports or has had three reports made concerning him pursuant to NRS 630.3067, a committee designated by the Board and consisting of members of the Board shall review the reports and conduct an investigation to determine whether it is necessary or appropriate to initiate disciplinary action pursuant to this chapter against the physician.

2. If, after conducting the investigation, the committee determines that it is necessary or appropriate to initiate disciplinary action pursuant to this chapter against the physician, the committee shall file a formal complaint with the Board.

Sec. 3. NRS 630.3067 is hereby amended to read as follows:

630.3067 1. The insurer of a physician licensed under this chapter and the physician ~~[must]~~ *shall* report to the Board ~~[any action filed or claim]~~ *:*

2. The Board shall report any failure to comply with subsection 1 by an insurer licensed in this state to the Division of Insurance of the Department of Business and Industry. If, after a hearing, the Division of Insurance determines that any such insurer failed to comply with the requirements of subsection 1, the Division may impose an administrative fine of not more than $10,000 against the insurer for each such failure to report. If the

administrative fine is not paid when due, the fine must be recovered in a civil action brought by the Attorney General on behalf of the Division.

Sec. 4. NRS 630.339 is hereby amended to read as follows:

630.339 1. If a committee designated by the Board to conduct an investigation of a complaint *or conduct an investigation pursuant to section 2 of this act* decides to proceed with disciplinary action, it shall bring charges against the licensee. If charges are brought, the Board shall fix a time and place for a formal hearing. If the Board receives a report pursuant to subsection 5 of NRS 228.420, such a hearing must be held within 30 days after receiving the report. 2. The claim must include the following, and no other information:

(a) A clear and concise statement of the facts of the matter, showing the persons involved and the dates and circumstances, so far as they are known, of the alleged medical malpractice or dental malpractice. The claim must not contain any statement of fact that is not included within the health care records of the claimant or any statement about the standard of care that was provided to the claimant.

(b) One or more affidavits from medical or dental experts, as appropriate, providing opinions concerning the appropriate standard of care, the breach of the standard of care, how the breach caused the injury and a description of the injury. A screening panel may dismiss a claim if the claim is filed without such an affidavit.

3. The person against whom a claim is made must, within 90 days after receipt of the claim, file an answer with the Division and pay any required fee. The answer may only include:

(a) A clear and concise statement of the facts of the matter, showing the persons involved and the dates and circumstances, so far as they are known, of the medical or dental care provided. The answer must not contain any statement of fact that is not included within the health care records of the claimant or any statement about the standard of care that was provided to the claimant.

(b) One or more affidavits from medical or dental experts, as appropriate, providing opinions concerning the appropriate standard of care, whether there was a breach of the standard of care, whether the breach of that standard of care caused the injury and a description of the injury.

4. The Division may authorize an extension of the time in which an answer must be filed only if all parties to the matter stipulate to the extension. If an answer is not timely filed with the Division, the respondent who failed to file the answer may not participate in any conference held pursuant to section 25 of this act.

5. The claimant may file a written response to the answer with the Division within 30 days after he receives the answer. The response must not contain any statement of fact that is not included within the health care records of the claimant or any statement about the standard of care provided to the claimant. The screening panel shall disregard any portion of the response that does not address a statement in the answer or an affidavit accompanying the answer. One or more additional affidavits from medical or dental experts may be included with the response providing opinions concerning the appropriate standard of care, whether there was a breach of the standard of care, whether the breach of that standard of care caused the injury and a description of the injury. No fee may be charged or collected by the Division for the filing of the response.

6. The Division may authorize an extension of the time in which a response may be filed only if all parties to the matter stipulate to the extension. Unless otherwise stipulated to by all the parties to the matter, the Division may not accept any response that is not timely filed.

7. A copy of any claim, answer or response filed with the Division pursuant to this section must be delivered by the party, by certified or registered mail or by personal service, to each opposing party or, if he is represented in the proceedings of the screening panel by counsel, to his attorney.

Sec. 25. *1. Within 35 days after the expiration of the time in which to answer a claim of medical malpractice or dental malpractice, the Division shall hold a conference to resolve any issues as to challenges for cause. For good cause shown, the Division may continue the conference once, for a period not to exceed 7 days. A party may challenge any person on the tentative screening panel for cause on any of the grounds provided by NRS 16.050 for the challenge of jurors.*

2. The Division shall determine whether cause exists to excuse any member of the tentative screening panel and shall notify each party of the excused members no later than the completion of the conference required by subsection 1.

3. Except as otherwise provided in this subsection, each party is entitled to not more than:

(a) Two peremptory challenges from the list of attorneys in cases involving medical malpractice or dental malpractice;

(b) Two peremptory challenges from the list of physicians in cases involving medical malpractice; and

(c) Two peremptory challenges from the list of dentists in cases involving dental malpractice.

In any case in which there are two or more claimants or respondents, they are collectively entitled to not more than four peremptory challenges from the list of members selected for the tentative screening panel. Each party asserting a peremptory challenge shall notify the Division of the challenge at the conference required by subsection 1. If several parties are represented by

the same attorney, those parties shall be deemed to be one party for the purpose of determining the distribution of peremptory challenges.

4. In cases involving medical malpractice, the Division shall randomly select, from the list of members of the tentative screening panel who have not been excused for cause or by a peremptory challenge, the names of two physicians, two attorneys and, if a hospital is also named in the claim submitted to the Division, one administrator of a hospital or person employed by a hospital in a management position, to serve on the screening panel for review of a claim of medical malpractice, but the representative of a hospital may not vote on any claim before the screening panel.

5. In cases involving dental malpractice, the Division shall randomly select, from the list of members of the tentative screening panel who have not been excused for cause or by a peremptory challenge, the names of two dentists and two attorneys to serve on the screening panel for review of the claim of dental malpractice.

6. The Division shall notify the parties and the members selected to serve on the screening panel immediately after it has made the selections. If any member so selected declines to serve, the Division shall immediately and randomly select a replacement from the list. The Division shall not release or disclose to any person the names of the members selected.

7. If, because of the exercise of challenges for cause or peremptory challenges or any other reason, no attorney, dentist, physician, administrator of a hospital or other person employed by a hospital in a managerial position designated pursuant to section 18 of this act remains available to serve on the screening panel, the Division shall immediately notify the Nevada Trial Lawyers Association, the Nevada State Medical Association, the Nevada Dental Association or the Nevada Hospital Association, as appropriate, and that association shall immediately designate a replacement from among its members. No person who is not so designated may serve on the screening panel.

Sec. 26. *1. The Division may, by certified or registered mail, issue subpoenas, as may be required by the screening panel, to compel the attendance of medical or dental experts, as appropriate, who may testify only with regard to the health care records of the claimant, and, as may be required by the parties or the screening panel, to compel the production of books, papers, health care records, statements of policy and procedure or other materials.*

2. The Division shall keep the material so produced and make it available to the parties, upon request, for inspection or copying. If the material is reasonably capable of being copied, the Division shall provide a copy to the parties, upon request and receipt of a fee for the copying.

3. If the health care record of a claimant is illegible or difficult to read, the claimant may request an explanation of the health care record from the provider of health care who created the record. If the provider of health care fails or refuses to provide a satisfactory explanation, the claimant may

request the Division to issue a subpoena to compel the provider of health care to provide a satisfactory explanation.

4. If any medical or dental expert refuses to attend or testify or if any person refuses to produce any materials as required by a subpoena, the Division may report to the district court by petition, setting forth that:

(a) Due notice has been given of the time and place of attendance of the medical or dental expert or for the production of the materials;

(b) The medical or dental expert or the person required to produce the materials has been subpoenaed by the Division pursuant to this section; and

(c) The medical or dental expert has failed or refused to attend or the person has failed or refused to produce the materials required by the subpoena, or has refused to answer questions propounded to him,

and asking for an order of the court compelling the medical or dental expert to attend and testify or the other person to produce the materials.

5. Upon receiving such a petition, the court shall enter an order directing the medical or dental expert or other person to appear before the court at a time and place to be fixed by the court in its order, the time to be not more than 10 days after the date of the order, and show cause why he has not attended or testified or produced the materials. A certified copy of the order must be served upon the medical or dental expert or other person.

6. If it appears to the court that the subpoena was regularly issued by the Division, the court shall enter an order that the medical or dental expert or other person appear at the time and place fixed in the order and testify or produce the required materials, and upon his failure to obey the order, the medical or dental expert or other person must be dealt with as for contempt of court.

Sec. 27. *1. A claim must be heard by a screening panel within 30 days after the panel is selected.*

2. The screening panel shall consider all the documentary material, including the claim, answer and response, health care records and records of a hospital or office and the testimony of any medical or dental experts provided by the parties that the panel considers necessary, and shall determine only, from that evidence, whether there is a reasonable probability that the acts complained of constitute medical malpractice or dental malpractice and that the claimant was injured thereby. Except for the issue of whether there is a reasonable probability of medical malpractice or dental malpractice and whether the claimant was injured thereby, the screening panel shall not consider any pleading or paper to the extent that it addresses a legal issue presented by the claim or a legal argument of a party. The screening panel shall not consider challenges concerning any relevant statute of limitation relating to a claim before the panel.

3. Copies of the original claim and of the findings of the screening panel with regard to each matter considered by the panel must be forwarded to:

(a) In cases involving medical malpractice:

(1) The Board of Medical Examiners;

(2) The State Board of Osteopathic Medicine; and

(3) The county medical society of the county in which the alleged malpractice occurred.

(b) In cases involving dental malpractice, the Board of Dental Examiners of Nevada.

4. The Commissioner of Insurance shall mail to the parties a copy of the findings of the screening panel concerning the claim.

5. The written findings of the screening panel must be based upon a vote of the members of the screening panel made by written ballot, must be rendered within 5 days after the review and must be in substantially the following form:

(a) Based upon a review of the materials submitted by the parties and expert testimony (if any) we find that there is a reasonable probability of medical malpractice or dental malpractice and that the claimant was injured thereby;

(b) Based upon a review of the materials submitted by the parties and expert testimony (if any) we find that there is no reasonable probability of medical malpractice or dental malpractice; or

(c) Based upon a review of the materials submitted by the parties and expert testimony (if any) we are unable to reach a decision on the issue of medical malpractice or dental malpractice.

6. Whenever three members of the screening panel are unable to find that there is a reasonable probability of medical malpractice or dental malpractice and that the claimant was injured thereby or that there is no reasonable probability of medical malpractice or dental malpractice, the screening panel shall be deemed unable to reach a decision on the issue and shall make a finding to that effect.

Sec. 28. *1. If a claimant is 70 years of age or older or suffers from an illness or condition which raises a substantial medical doubt that the claimant will survive until a determination is made by a screening panel, the claimant may file a written request with the Division to give preference in scheduling the hearing of the claim filed by the claimant. The request must set forth facts showing that the claimant is 70 years of age or older or suffers from an illness or condition which raises a substantial medical doubt that the claimant will survive until a determination is made by a screening panel.*

2. The Division shall schedule the hearing of claims for which preference has been granted pursuant to subsection 1 based on the order in which the Division received the requests for preference.

Sec. 29. *1. Upon the request of the Division or counsel for a patient, a custodian of any health care records shall not allow any person to review any of those records relevant to a claim filed with the Division before those records are transferred to a requesting party or the authority issuing the subpoena.*

2. A violation of this section is punishable as a misdemeanor.

Sec. 30. *1. If a screening panel finds in favor of a claimant and a cause of action involving medical malpractice or dental malpractice is thereafter filed by the claimant in district court, a settlement conference must be held as provided in NRS 41A.081.*

2. If the determination of the screening panel is not in favor of the claimant, the claimant may file an action in court. If the claimant does not obtain a judgment in his favor in court, the defendant must be awarded reasonable costs and attorney's fees incurred after the date of filing the action in court.

3. If the screening panel is unable, for any reason, to reach a decision, the claimant may file a civil action or proceed no further with the claim.

4. If the claimant files a civil action in district court, a person may not be named as a party in the action unless the person was named as a party in the claim which was filed with the Division and considered by the screening panel.

Sec. 31. *1. Unless the written findings of a screening panel are not admissible pursuant to subsection 3 of section 16 of this act, in any action for medical malpractice tried before a jury, the following instructions must be given:*

(a) If testimony of an expert was given at the review by the screening panel:

During the course of this trial certain evidence was admitted concerning the findings of a screening panel. The findings of the panel were based upon a review of the medical records of the claimant and the testimony of medical experts based upon the review by the experts of those records. These findings are to be given the same weight as any other evidence, but are not conclusive on your determination of the case.

(b) If testimony of an expert was not given at the review by the screening panel:

During the course of this trial certain evidence was admitted concerning the findings of a screening panel. The findings of the panel were based solely upon a review of the medical records of the claimant. These findings are to be given the same weight as any other evidence, but are not conclusive on your determination of the case.

2. Unless the written findings of a screening panel are not admissible pursuant to subsection 3 of section 16 of this act, in any action for dental malpractice tried before a jury, the following instructions must be given:

(a) If testimony of an expert was given at the review by the screening panel:

During the course of this trial certain evidence was admitted concerning the findings of a screening panel. The findings of the panel were based upon a review of dental records of the claimant and the testimony of experts based upon the review by the experts of those records. These findings are to be given the same weight as any other evidence, but are not conclusive on your determination of the case.

(b) If testimony of an expert was not given at the review by the screening panel:

During the course of this trial certain evidence was admitted concerning the findings of a screening panel. The findings of the panel were based solely upon a review of the dental records of the claimant. These findings are to be given the same weight as any other evidence, but are not conclusive on your determination of the case.

Sec. 32. *A screening panel or any of its members acting pursuant to sections 12 to 32, inclusive, of this act that initiates or assists in any proceeding concerning a claim of medical malpractice or dental malpractice against a physician or dentist is immune from any civil action for that initiation or assistance or any consequential damages if the panel or members acted without malicious intent.*

Sec. 33. *1. Except as otherwise provided in subsection 2 and except as further limited in subsection 3, in an action for damages for medical malpractice or dental malpractice where the alleged malpractice occurred on or after the effective date of this act, the noneconomic damages awarded to each plaintiff from each defendant must not exceed $350,000, except that if the plaintiff is not entitled to receive economic damages for lost wages the noneconomic damages awarded must not exceed $500,000.*

2. In an action for damages for medical malpractice or dental malpractice where the alleged malpractice occurred on or after the effective date of this act, the limitation on noneconomic damages set forth in subsection 1 does not apply in the following circumstances and types of cases:

(b) A case in which, following return of a verdict by the jury or a finding of damages in a bench trial, the court determines, by clear and convincing evidence admitted at trial, that an award in excess of the limits on the amount of noneconomic damages that may be awarded to a plaintiff is justified because of exceptional circumstances.

3. Except as otherwise provided in subsection 4, in an action for damages for medical malpractice or dental malpractice where the alleged malpractice occurred on or after the effective date of this act, in the circumstances and types of cases described in subsections 1 and 2, the noneconomic damages awarded to each plaintiff from each defendant must not exceed the amount of money remaining under the professional liability insurance policy limit covering the defendant after subtracting the economic damages awarded to that plaintiff. Irrespective of the number of plaintiffs in the action, in no event may any single defendant be liable to the plaintiffs in the aggregate in excess of the professional liability insurance policy limit covering that defendant.

4. The limitation set forth in subsection 3 does not apply in an action for damages for medical malpractice or dental malpractice unless the defendant

was covered by professional liability insurance at the time of the occurrence of the alleged malpractice and on the date on which the insurer receives notice of the claim, in an amount of:

(a) Not less than $1,000,000 per occurrence; and

(b) Not less than $3,000,000 in the aggregate.

5. This section is not intended to limit the responsibility of any defendant for the total economic damages awarded.

6. For the purposes of this section, "gross malpractice" means failure to exercise the required degree of care, skill or knowledge that amounts to:

(a) A conscious indifference to the consequences which may result from the gross malpractice; and

(b) A disregard for and indifference to the safety and welfare of the patient.

Sec. 34. NRS 41A.031 is hereby amended to read as follows:

(a) The Board of Medical Examiners shall pay a portion of the administrative costs based on the ratio of the number of physicians licensed pursuant to chapter 630 of NRS to the total number of physicians, osteopathic physicians and dentists licensed pursuant to the provisions of chapters 630, 631 and 633 of NRS.

(b) The State Board of Osteopathic Medicine shall pay a portion of the administrative costs based on the ratio of the number of osteopathic physicians licensed pursuant to chapter 633 of NRS to the total number of physicians, osteopathic physicians and dentists licensed pursuant to the provisions of chapters 630, 631 and 633 of NRS.

(c) The Board of Dental Examiners of Nevada shall pay a portion of the administrative costs based on the ratio of the number of dentists licensed pursuant to chapter 631 of NRS to the total number of physicians, osteopathic physicians and dentists licensed pursuant to the provisions of chapters 630, 631 and 633 of NRS.

2. Any money received by the Division of Insurance pursuant to the provisions of this section must be deposited with the State Treasurer for credit to the account for the Division of Insurance in the State General Fund. The administrative costs of the screening panels must be paid from the account.

3. If a board fails to pay its apportioned share of the administrative costs required by this section, the Commissioner of Insurance may refer the nonpayment to the Office of the Attorney General for collection of the apportioned share and any costs incurred.

4. For the purposes of this section, "administrative costs" means:

(a) All costs incurred to create the tentative screening panels, train the members of the tentative screening panels, appoint members to the screening panels and enable such members to carry out the duties of the screening panels; and

(b) Any other costs reasonably incurred in carrying out the purposes of sections 12 to 32, inclusive, of this act.

Sec. 44. 1. For a policy of insurance covering the liability of a practitioner licensed pursuant to chapter 630, 631, 632 or 633 of NRS for a breach of his professional duty toward a patient that is issued or renewed on or after the effective date of this act, the insurer shall reduce the premium for the policy to an amount which:

(a) Must be determined by the Commissioner of Insurance; and

(b) Must be less than the premium for the same coverage in effect on the effective date of this act.

2. If, on or after the effective date of this act, a practitioner licensed pursuant to chapter 630, 631, 632 or 633 of NRS applies for the first time for a policy of insurance covering the liability of the practitioner for a breach of his professional duty toward a patient, the premium for the policy:

(a) Must be determined by the Commissioner of Insurance; and

(b) Must be less than the premium for similarly situated risks in effect on the effective date of this act.

3. Any separate affiliate of an insurer, established after the effective date of this act, is subject to the provisions of this section and shall reduce its premiums to amounts which:

(a) Must be determined by the Commissioner of Insurance; and

(b) Must be less than the insurer's premiums in effect on the effective date of this act.

4. In determining the amount by which premiums must be reduced pursuant to this section, the Commissioner of Insurance shall consider:

(a) Whether the reduction in premiums permits a fair and reasonable return to the insurer; and

(b) Whether the reduction in premiums is otherwise not confiscatory.

5. During the period beginning on the effective date of this act and ending on December 1, 2004:

(a) Premiums reduced pursuant to this section may be increased only in accordance with the provisions of this subsection or chapter 686B of NRS.

(b) An insurer subject to the provisions of this section may apply to the Commissioner of Insurance pursuant to this subsection to increase a premium set pursuant to this section if the premium set pursuant to this section fails to provide a fair and reasonable return to the insurer or is otherwise confiscatory.

(c) An application by an insurer pursuant to this subsection:

(1) Must be in writing;

(2) Must contain a detailed analysis of the reasons the premium set pursuant to this section fails to provide a fair and reasonable return to the insurer or is otherwise confiscatory, including, without limitation, relevant facts and provisions of law; and

(3) Must contain a proposed premium which:

(I) The insurer believes is the minimum premium that provides a fair and reasonable return to the insurer and is otherwise not confiscatory; and

(II) Is equal to or less than the premium charged by the insurer before the reduction pursuant to this section.

(d) After a hearing, the Commissioner of Insurance may approve the application of an insurer pursuant to this subsection, provided that the Commissioner:

(1) Finds that the premium set pursuant to this section fails to provide a fair and reasonable return to the insurer or is otherwise confiscatory; and

(2) Sets the premium at the minimum amount that provides a fair and reasonable return to the insurer and is otherwise not confiscatory.

(e) An insurer who submits an application pursuant to this subsection may charge the premium proposed in the application until the Commissioner of Insurance approves or disapproves the application, provided that:

(1) Upon approval of the application, the insurer immediately begins to charge the premium set by the Commissioner of Insurance pursuant to this subsection and refunds any excess portion of the previously paid premiums, with interest, to the person who paid the premiums; and

(2) Upon disapproval of the application, the insurer immediately begins to charge the premium set pursuant to this section and refunds the excess portion of the previously paid premiums, with interest, to the person who paid the premiums.

(f) If an insurer submits an application pursuant to this subsection, the insurer may not submit another application pursuant to this subsection regarding the same premium until no sooner than 60 days after the date of the decision of approval or disapproval of the Commissioner of Insurance with regard to the first application.

6. Notwithstanding any previous notice of cancellation or renewal, an insurer who has issued a policy of insurance covering the liability of a practitioner licensed pursuant to chapter 630, 631, 632 or 633 of NRS for a breach of his professional duty toward a patient that is in effect on the effective date of this act, and has a scheduled date for termination of the policy before December 1, 2004, shall not terminate or cancel that policy before December 1, 2004, or refuse to renew or extend that policy through November 30, 2004, for the purpose of avoiding the reduction in premiums required by this section.

7. An insurer who cancels or fails to renew policies of insurance covering the liability of practitioners licensed pursuant to chapter 630, 631, 632 or 633 of NRS for a breach of their professional duty toward patients at a rate that exceeds the insurer's average monthly rate of cancellation or failure to renew, respectively, for the preceding 24 months by more than 10 percent during any 30-day period between the effective date of this act and December 1, 2004, is required to show cause immediately to the Commissioner of Insurance why the insurer is not in violation of this section. Any violation of this section is a violation of the Nevada Insurance Code. If

the Commissioner of Insurance determines that the reason for the increase in the rate of cancellation of or failure to renew policies is an attempt to circumvent the reduction in premiums required by this section, the Commissioner may take appropriate disciplinary action.

8. For the purposes of this section:

(a) "Insurer" has the meaning ascribed to it in NRS 679A.100.

(b) "Premium" has the meaning ascribed to it in NRS 679A.115.

Sec. 45. 1. Not later than 90 days after the effective date of this act, an insurer subject to the provisions of section 44 of this act shall submit a proposal to reduce premiums to the lowest amount possible that continues to permit a fair and reasonable return to the insurer and is not otherwise confiscatory, taking into consideration the savings experienced and reasonably anticipated as a result of the passage of Assembly Bill No. 1 of the 18th Special Session of the Nevada Legislature.

2. Until the Commissioner of Insurance determines the amount by which an insurer must reduce premiums, the insurer may continue to charge the current premium. Upon such a determination of the Commissioner of Insurance, the insurer shall immediately begin to charge the premium set by the Commissioner of Insurance and refund any excess portion of the previously paid premiums, with interest, to the person who paid the premiums.

Sec. 46. Section 44 of this act expires by limitation on July 1, 2007.

Sec. 47. 1. At the general election held in 2004, the provisions of this act must be submitted to the registered voters of this state, pursuant to Section 2 of Article 19 of the Nevada Constitution, as a different and competing measure enacted by the Legislature on the same subject contained in the initiative petition that was presented to the Legislature by the Secretary of State on February 3, 2003.

2. If the initiative petition that was presented to the Legislature by the Secretary of State on February 3, 2003, is invalidated or for any other reason is not submitted to the registered voters of this state at the general election held in 2004, the provisions of this act also must not be submitted to the registered voters of this state at that general election and are thereafter void.

3. This act shall become law and take effect in the manner set forth in Section 2 of Article 19 of the Nevada Constitution.

TEXT OF REPEALED SECTION

41A.071 Dismissal of action filed without affidavit of medical expert supporting allegations. If an action for medical malpractice or dental malpractice is filed in the district court, the district court shall dismiss the action, without prejudice, if the action is filed without an affidavit, supporting the allegations contained in the action, submitted by a medical expert who practices or has practiced in an area that is substantially similar to the type of practice engaged in at the time of the alleged malpractice.".

Amend the preamble of the bill, page 1, by deleting lines 1 through 13 and inserting:

"WHEREAS, The provision of quality medical care is essential to the general health and welfare of the residents of this state; and

WHEREAS, The practice of medicine is a mixture of art and science and is a dynamic and changing discipline based to a great extent on concepts of probability rather than on absolute certainty; and

WHEREAS, Regardless of the advances in the practice of medicine, unanticipated medical outcomes may occur during medical treatment because of the unavoidable effects of a disease or the unavoidable result of appropriate medical care; and

WHEREAS, Unanticipated medical outcomes do not automatically give rise to liability for damages; and

WHEREAS, Tens of thousands of patients are unfortunately injured each year as a result of inappropriate medical care; and

WHEREAS, This state is experiencing a health care crisis because increasing costs of malpractice insurance premiums have resulted in a potential breakdown in the delivery and quality of health care in this state; and

WHEREAS, Certain measures must be taken to provide protection for both the providers of health care and their patients to improve the quality of health care in this state; and

WHEREAS, A system for screening claims of malpractice by professionals with specialized training and experience will provide such protection for those providers and their patients and will eliminate frivolous claims and resolve meritorious claims; and

WHEREAS, Reasonable limitations on certain types of damages in malpractice actions will fairly balance the rights of those providers and their patients; and

WHEREAS, A system for reporting and investigating claims of medical malpractice will provide protection to the public by removing incompetent physicians from the medical profession; and

WHEREAS, A system for reducing premiums for malpractice insurance will ensure that competent physicians will continue to provide quality medical care in this state; now, therefore,".

Amend the title of the bill to read as follows:

"AN ACT relating to health care; establishing screening panels for claims for medical malpractice or dental malpractice; increasing the limitation on the amount of noneconomic damages that may be awarded in an action for medical malpractice or dental malpractice in certain circumstances; requiring an investigation of a physician who has had three claims of malpractice reported to the licensing board; making various changes relating to the reporting of claims of medical malpractice; prohibiting an insurer from retaliating against a physician or dentist who indicates a desire to settle a claim during a settlement conference; requiring managed care organizations

to enter into contracts for the provision of services with any willing provider in certain circumstances; requiring a temporary reduction in the premiums of malpractice insurance; providing a penalty; and providing other matters properly relating thereto.".

Amend the summary of the bill to read as follows:

"SUMMARY—Makes various changes concerning actions for malpractice against providers of health care, removes certain restrictions by insurers on providers of health care and makes various other changes concerning providers of health care. (BDR 1-248)".

Assemblywoman Buckley moved the adoption of the amendment.

Remarks by Assemblymen Buckley, Hettrick, Mabey, Anderson, Leslie, Horne, Geddes, Collins, and Hardy.

Assemblyman Sherer requested that the following remarks be entered in the Journal.

ASSEMBLYWOMAN BUCKLEY:

Thank you, Mr. Speaker. The first thing Amendment No. 774 does is delete SB 97 in its entirety. I would like to take a couple of minutes to hit the high points of SB 97 in order to discuss the rational of the Judiciary Committee in removing these items. The first item removed was a $350,000 hard cap. As everyone is aware, the Legislature met in a Special Session and enacted a series of caps. The first cap we enacted was an absolute, total immunity for any doctor who volunteered. The next cap was a $50,000 immunity cap for doctors who render emergency care in trauma-type situations. The last cap was a $350,000 with two exceptions. One exception was for gross negligence, which really doesn't happen, and the second exception was, by clear and convincing evidence, where there were exceptional circumstances such as brain damage or paralysis. SB 97, in its original form, would have removed that exception, which in the opinion of many, would lead to an ultimate finding of unconstitutionality by the Nevada State Supreme Court.

One of the things discussed in the Special Session was that we should be very careful about balancing rights between trying to lower insurance premiums and the rights of someone who was injured and deserving of compensation under our system of justice. That is why we added a kind of relief valve for individuals with injuries such as brain damage. A final cap that was added to AB 1of the 18th Special Session said there was an overall cap of insurance policy limits. If you have a $1,000,000 insurance policy, with $900,000 in economic damages, all you can receive is $100,000 in noneconomic damages. We did a four-part cap. What SB 97 in its original form would do is to take away the exception for brain damage, paralysis, and exceptional circumstances. Eight states have already found caps unconstitutional. It is a very real danger. What would happen is, if this cap would be found unconstitutional, we would be back with no cap at all, rendering our situation more unstable than it is with the cap we have.

The next point of SB 97, which is deleted in the amendment, has to do with joint and several liability for economic damages. Proponents argue that we need to emulate California's Medical Injury Compensation Reform Act (MICRA) law. Joint and several liability on economic damages is not part of California's law. Eighty percent of all malpractice cases occur in a hospital. If, for example, a person ends up in a coma and there is joint and several liability, the hospital is only liable for their percentage, the nurses for theirs, one doctor for his, and another doctor for his, instead of focusing on making the patient, who did nothing wrong, whole. Instead of enabling them to get their medical bills paid, their wheelchair costs paid, this would say, "No, we don't care about the hard economic costs. We are going to divvy it up, even if the patient isn't made whole." That is a risky proposition, which would mean any lawyer worth their salt would sue every person they could find to get each percentage, leading to more litigation. That is not a good result.

The next concept that was eliminated in SB 97 relates to periodic payments. When a jury renders a verdict and says, "Hey, you were wrong. You owe this person a certain amount," that

person gets the amount. In its original form, SB 97 said "No, no, no. We can decide to pay you in lump sums." Why that is not a good idea is, first of all, a jury has already decided that they were due that amount. Second, the physician would end up being a judgment debtor for the entire time of the periodic payments, meaning the judgment would remain on their record as unpaid. If the victim needs their money for any sort of economic damages, a wheelchair or medical care, they may not be able to get it.

The collateral source rule is the next part of SB 97 that was eliminated. We have a collateral source rule in Nevada. What that does is after a jury trial, if there is a judgment awarded, any insurance company who paid out health insurance deducts that amount from the verdict. There is no double-dipping in Nevada. In its original form, SB 97 would let the jury know you have insurance. The jury would not be told that the doctor has insurance, just the patient. Our scheme is better. It prevents double-dipping and it doesn't create an uneven playing field.

The last part of SB 97, the statute of limitations, was reduced to a year. That is just to hurt people and cut them off from filing a claim. What the amendment does, in its form, is replace this with a more holistic remedy to the problem that is facing us. It was offered by the Coalition for Quality Healthcare, consisting of groups consisting of AARP, Nevada Social Workers, and others. It would offer the voters a choice.

There are many different opinions as to how we can stabilize our malpractice environment and ensure better health care for all Nevadans. One approach has already been qualified to go to the voters for consideration on the 2004 ballot. This would give the voters another choice. It reaffirms AB 1 of the 18th Special Session and all of the caps that were outlined and already approved by this Legislature. It raises the cap to $500,000 for children, seniors, and housewives, those who do not have economic damages. It reinstitutes the successful medical legal screening panel to weed out frivolous lawsuits, which is something many of us in this Chamber did not want to eliminate, but were asked to eliminate by the physicians who now have reconsidered. It requires a mandatory investigation when doctors are involved in multiple litigation. It requires the board to do an investigation to see if appropriate disciplinary action is needed. And lastly, it creates more access to physicians by having patients be able to access more doctors and their health care plan. Patients now are not in the drivers' seats when it comes to the physician of their choice. Health care plans drop physicians after a patient has established a bond with the physician. There are many who say one of the reasons why we have more litigation is because there is no longer a bond between the physician and his patient because a physician may have 3.5 seconds before they can move to the next patient due to the rules that the HMOs have put on them. This provision in the amendment will put the patient in the driver's seat and let the patient have more access to medical care. A comprehensive, balanced approach to health care and respect for people's rights will, in the long run, lead to a better health care system. That is why I request your support on this amendment to SB 97.

ASSEMBLYMAN HETTRICK:

Thank you, Mr. Speaker. I rise in opposition of this amendment. We agree on some of the things that are in the amendment. I believe the medical screening panels would be effective and should go back in. We are seeing an explosion of malpractice cases throughout Nevada and I believe medical screening panels would be an appropriate addition; so that part we would agree upon. "Any willing provider" sounds good and feels good, but the very reason it doesn't work is that when you do that you lower the number of patients who go to a doctor who agreed to accept a lower price in return for seeing more patients. If he doesn't see the patients he can't offer the lower price, therefore, if you put in "any willing provider," you are going to raise the cost of medical coverage for everyone because the doctors will not be able to accept as low a price to provide medical care. It sounds good and feels good but it doesn't work very well. It will cost people in the state of Nevada money.

This amendment raises caps. While again, it sounds good and we worry about economic damages, those are imputed and raising the cap brings back the uncertainty of what this law would do. This adds disciplinary action for doctors, as well, and requires changes in the way that is done. I think that has a negative impact on the law in Nevada as it stands.

The big argument we have had over and over again in the State is if we wait and see if AB 1 of the 18th Special Session works, we would have certainty and ultimately rates would go down.

Here we are proposing to change things again and we are just going to continue the uncertainty and rates won't go down. We have an opportunity to pass a bill that mimics, very closely, MICRA in California and we know that works. Their medical malpractice rates run at an average of about a third of the state of Nevada. If we would enact that law now instead of waiting for this thing to go to the ballot, we could save all Nevadans and doctors insurance premium costs, and save good quality health care for the citizens of this state. I urge my fellow colleagues not to support this amendment.

ASSEMBLYMAN MABEY:

Thank you, Mr. Speaker. Let me speak as Doctor Mabey, not as Assemblyman Mabey. This amendment is bad for the citizens of this great State and is bad for your constituents. What good is Nevada Check Up if there are fewer pediatricians to see your children? What good is Senior Rx if there are fewer internists to write their prescriptions? What good is health insurance if you can't afford it? What good is Baby-to-Baby if there are fewer obstetricians and you can't receive care? What good is Family-to-Family if there are fewer family practitioners and you can't make an appointment? What good is malpractice insurance if a doctor can't afford it or there aren't malpractice insurance companies to sell the insurance?

This amendment, if passed, will restrict access to medical care, especially for the poor and less fortunate, because it will lead to fewer doctors. It has been my honor to serve as a doctor. No one, not anyone, knows what it is like to be a doctor. It is a sacred calling and duty. I have spent many days and nights in the hospital. I have delivered thousands of babies. It is an awesome privilege. I have sweated and prayed for my patients that I would do the right thing and that they would benefit by what I did. Mr. Speaker, there were those times that had I not been there a father and mother would have not had a christening, but rather a funeral. They would not have seen their child grow up but only wondered what might have been. Mr. Speaker, had I not been there, a father would have had to rear his child alone without his wife.

Mr. Speaker, in my opinion, this amendment is the worst amendment of this entire session. This amendment will not improve access to care but instead will worsen it. Please do not be on record for worsening the crisis. I encourage you to vote no on the amendment. Thank you, Mr. Speaker.

ASSEMBLYMAN ANDERSON:

Thank you, Mr. Speaker. I rise in support of the amendment. Clearly, there were two eloquent speakers ahead of me. During the Special Session we put forth Assembly Bill 1. We came up with what we hoped to be a solution to a genuine crisis. All of us recognize that the physicians that treat us are doing the very best they can. They are indeed gifted and talented people that we have confidence in and trust. In fact, if we listen to their advice we would be much better off. They care about us and look out for us. In thinking about the physicians who have treated me in my lifetime, each of them was a caring individual. It is not those physicians that cause us to worry. Our worry is to the physicians who, unfortunately, cause the disruptive attitude, the litigations, make serious errors, and cause great damage to both the individual patients and to their colleagues because of increased insurance rates. The crisis, I think, is twin, and while some would point to California as a model, I have always rejected the ideas of California. Not because it is California but because inflation, in this particular case, would change circumstances from then to now so that the rates would have to be higher. We sit in a different economic atmosphere. We have an environment that is different physically, economically, politically, socially, and in every other conceivable way. The Sierras do more than separate us from California; they separate us from a different kind of life and view. We rest upon our rugged individualism, a belief that Nevadans like to keep alive. When Nevada stepped off into its medical screening in the 80s, and we were well served, did it need to be fixed? Absolutely. Did we need to turn to what California was doing? Absolutely not. The insurance crisis has brought us to the point that we are now. To castigate this all on bad doctors is wrong. To castigate it on an overlitigious society is wrong. I believe, as I have for several sessions, that the problem rests with insurance companies. This amendment attempts to address part of that problem. That is the reason I believe it is a good piece of legislation and should go forward. Do I believe we are finished with this issue? The answer to that is no.

ASSEMBLYWOMAN LESLIE:

Thank you, Mr. Speaker. I rise in support of this amendment. I would like to specifically address the part of the amendment that has the "any willing provider" clause in it. "Any willing provider" sounds good and feels good because it is good for the patient and the consumer. It provides consumers with choice. It increases patient access to timely and convenient care from the doctor of their choice. The only argument we heard against this is cost. The cost that is seldom figured in, because it is hard to quantify, is the cost that a patient incurs when they are constantly changing doctors. Who pays for the charts to be copied? Who pays for the drug regimens that have to be changed? What happens to the patients that fall between the cracks? What happens when, instead of getting in to see the new doctor, concerns have to be handled over the phone? These costs are real costs and have to be figured into the health plans. When patients have a trusted relationship with their physician there are fewer lawsuits and better compliance. If a patient has to constantly switch health plans and their doctors because of it, they are going to lose the doctors they have a long-standing relationship with. You or I may not find that terribly burdensome, but somebody with a serious and chronic illness may. Someone with a serious mental illness who has a long-standing relationship with their doctor may be devastated. Let's pass this amendment with the "any willing provider" language and give these folks the peace of mind that their doctor will not be taken away from them by their insurance company for whatever reason. I urge your support.

ASSEMBLYMAN HORNE:

Thank you, Mr. Speaker. I rise in support of this amendment. Our colleague from District 2, as you can tell, is very passionate about his profession and I am sure that he is a very good physician. As everyone knows, my wife just gave birth and we love our obstetrician. We drove clear across the Valley just to see her and delivered in a hospital on the other side of the Valley just to make sure she was our physician. Unfortunately, not all the doctors are that good. Unfortunately, even good physicians are negligent sometimes. When that happens patients who are harmed by these doctors should be made whole.

In regard to caps, SB 97, in its original form, made no exceptions no matter how much a person has suffered: $350,000. "I don't care how extreme my negligence was": $350,000. That is just bad policy. As for several liability, under the original SB 97, doctors would want to be only liable for their percentage of their negligence, which sounds fair to everyone. However, you have to remember that public policy is to make the patient, who has done nothing wrong, whole. As the Majority Leader stated, if the original bill were to pass, a good lawyer would go after every person that is responsible for that harm and every single percentage. It doesn't stop there. Currently a lawyer does not go after a physician's personal assets but that will change. I don't believe that is where anyone wants to go. That is why attorneys buy insurance as well. The definition of personal negligence, in its current form, seems to be that doctors want to require the showing of proximate cause for it to be professional negligence. This could result in the finding that no one is responsible. Imagine that you are the harmed patient and your job is to show proximate cause of damage caused by the physician. As any physician will tell you, it is difficult to show exactly what happened in that procedure that caused the harm. A plaintiff attorney would have to convince a jury to say how else did it happen, but in SB 97, in its original form, that almost holds no water because it says a patient has to show proximate cause and so he loses. It doesn't show how many doctors, nurses, or medical experts visited that patient. The reasonable care, skill, and knowledge is the better definition. It goes to what the medical professional is supposed to do. It limits attorneys' fees and contingency fees. Contingency fees, let us not forget, open up the possibility for someone who is harmed, and has no money, to afford an attorney. There are many people who are harmed by bad doctors who can't afford an attorney. Law firms who practice in this area front the money. Litigation, as everyone knows, costs a lot of money. If you take that away, you take away the access to these patients who have been harmed and done nothing more than seek medical help.

For a long time I have heard nothing but physicians screaming, and rightfully so, they are not being paid for services rendered. What they are getting paid is slowly being diminished by insurance companies. The answer to that, they think, would be to limit attorneys' fees, which is wrong.

In regard to periodic payments, is a physician's insurance company willing to pay interest on a plaintiff's award? If a person gets an award of $1,000,000, the original bill says the insurance company can determine whether or not to pay periodically. That is unfair because if I need the money for a future procedure I need the money now. If they are going to hold the remainder of the money that has already been awarded, I haven't seen any proposals that there would be any interest paid. It should be paid.

As far as collateral source payments, you can't ride on the coattails of the premiums that the patient has been paying. The way I read the bill that is exactly what you would be able to do, regardless of what the insurance was for. Many of us know of insurances that advertise that if you are off work we will pay you "X" amount of money for a period of time until you are back to work. Under the original SB 97 doctors would be able to say to a jury, "Hey, this bill has already been paid and I should be relieved of that payment." You shouldn't be because you are still liable and you shouldn't be able to walk away from it because someone else has already picked up the bill. Is it a good policy to let someone say they are not responsible because it is already paid? Everyone asks if AB 1 of the 18th Special Session is sufficient to allow these premiums to come down. I heard the Minority Leader say that we are changing it without giving it time and that is what we are trying to do with this amendment. I disagree and believe that is what SB 97 is attempting to do. SB 97 is attempting to change what was done in that Special Session. We have all heard in committees the insurance industry say they don't know, that even if we did everything, whether or not the insurance rates would come down; and if so, it would probably take at least three to five years. This is paramount to the old movies where you saw the volcano erupt and the people would take a virgin and throw her into the volcano hoping that the volcano wouldn't erupt. It still rumbled and so they would take another virgin up there. We have to let it work and see what happens. I stand in support.

ASSEMBLYMAN GEDDES:

Thank you, Mr. Speaker. I rise in opposition to this amendment. With all due respect to the great arguments made by my colleagues from Las Vegas and Sparks, I live in northern Nevada and 3 ½ years ago I was trying to find an Obstetrician/Gynecologist (OB/GYN) for my pregnant wife. We had a hard time finding a good one. It finally took a recommendation from a friend to a cousin to finally get a good doctor. When we had to be rushed to the hospital at 6:00 a.m., as my wife had Hemolysis Elevated Liver Enzymes, Low Platelet Count, HELLP Syndrome, and I was looking at losing my wife and my child in a matter of moments, I was very thankful to have my OB/GYN on rotation at the hospital. When the nurses told him he was nuts to do the blood test looking for HELLP Syndrome, I am glad he was there to say, "No, she has the symptoms. We need to look at this." I was able to have my wife and my son, after three weeks in intensive care, come out of that hospital happy and healthy and my family complete. I cannot imagine not having an OB/GYN and having to go to that emergency room at 6:00 a.m. that morning, not having those tests done and losing my family. I am opposed to this amendment. Thank you.

ASSEMBLYMAN COLLINS:

Thank you, Mr. Speaker. I support this amendment. During the Special Session I had a picture of a real pretty girl named Savannah on my desk. I have taken that picture away but I would be glad to bring it back. She is my niece, my younger brother's daughter.

My brother and his wife knew each other several years and then married. They decided to have a child and they did, in the middle of Las Vegas, in one of the finest hospitals. They had a little girl that will never speak, never call them Mom and Dad, never walk, and will probably not even fully sense being around her parents. This child is fed with a tube in her stomach and has periodic surgeries and takes tons of medicines for all kinds of things. Is there a cap on their lives? What is that worth for them for the next 20 or 30 years or however long this child might live? They will be, around the clock, every four hours, feeding her. Is there a cap on the lives that were harmed by a doctor who just kept doing what he did? That lawsuit has been filed and I believe it is a legitimate lawsuit. Doctors are going to come here and they are going to do what is right, just as we have heard from folks here. When they deliberately do something wrong there is no limit. Thank you.

ASSEMBLYMAN HARDY:

Thank you, Mr. Speaker. I would recognize the sincerity, compassion, and eloquence that have been shared today. I would be derelict in my duty if I did not speak. I think there are not many doctors who are virgins, but they feel that they have been cast into the volcano. The same angst that we feel when one of ours has been injured is shared by the physician, the nurse, the health team worker, who has to help care for people who are injured in any way. When we consider that California has done certain things to get to the patient who has been injured quicker, with available means, then that is one of the things we would like to see. That is what the track record of MICRA has done. The initiative petition that was trying to mirror what was done in SB 97, probably to increase or decrease the time it would take to be effective to get predictability in the same venue or means as California. We do not hear of doctors leaving California. We do not hear about an access-of-care crisis in California. We do not hear the "patients" not having access to care by a good attorney in California. The timing is an issue that we could move forward with an intact SB 97.

The other thing that concerns me is the hope that is needed by medical care providers to stay in Nevada and to be recruited to Nevada and to continue to practice the skills that they have. We have doctors who are giving up certain areas of their practice, so we are getting into a literal crisis of access to care. This amendment would prolong that and would be a problem. I would be opposed to the amendment and I think there are things we need to look at. I recognize there are good things in SB 97 and the amendment that is proposed but those things could have been, were, and still could be addressed in other bill drafts. The issue of pain and suffering as a cap is a real issue. I don't think doctors are anxious for economic damages to be capped. You can do the statistics and find how many babies are born with cerebral palsy through no fault of anyone. It happens. An insurance product that allowed for a no-fault purchase where a child could be covered for their life and the families financial means to take care of the child is something that needs to be explored. I would, again, compliment the decorum, the sincerity, and the collegiality that we felt during this discussion and I appreciate and feel honored to be amongst all of you. Thank you, Mr. Speaker.

CARSON CITY (Monday), May 26, 2003

Assembly called to order at 11:26 a.m.

Mr. Speaker presiding.

Roll called.

All present.

Prayer by the Chaplain, Reverend Albert Tilstra.

On this special day, save us, our God, from either indifference or unseemly revelry in this solemn time, lest we mock those who lie in the quiet places they liberated from the scourge, and their comrades in whose eyes are the shadowed memories of the horrors they saw. Let us rather determine to finish the work they began, that Your peace may yet come to all our troubled world. For the liberation of so many from the cruel hand of the oppressor, we give You thanks. As we were willing to make sacrifices in war, so may we be willing to make sacrifices to ensure a just and lasting peace. Bless these legislators today to work toward that end.

AMEN.

Pledge of Allegiance to the Flag.

Assemblyman Oceguera moved that further reading of the Journal be dispensed with, and the Speaker and Chief Clerk be authorized to make the necessary corrections and additions.

Motion carried.

Assemblyman Gustavson moved the adoption of the resolution.

Remarks by Assemblymen Gustavson, Buckley, and Anderson.

Assemblywoman Angle requested that the following remarks be entered in the Journal.

ASSEMBLYMAN GUSTAVSON:

Thank you, Mr. Speaker. Memorial Day is a most appropriate day to be doing this resolution. We are very fortunate to have it coincide with today. Memorial Day is thought of, by many of us, as it was originally intended. Unfortunately, many people take Memorial Day as another three-day weekend. They have their picnics, go camping, and many different things, and have lost the true meaning of Memorial Day. We all know, in this Body, why we celebrate this day. It is because of those persons who have given the ultimate sacrifice for their country that they loved so dearly. They gave their lives so that we may have the freedoms that we enjoy in this country. They gave their lives for the freedoms that we have had and continue to have. We think of this day, not just for those who have fallen before in the many wars we have had, but for those who unfortunately will fall in future conflicts in the world, where the United States will be there to support our freedoms.

We think, today, of John Cline, as he is known to his friends and loved ones. His wife Tina could not be here today because she is in Las Vegas where there is a fundraiser for her. There has been a tremendous outpouring of support for the family, from the local community and throughout the state, including the Boys and Girls Club. The College System has offered the two sons, Dakota and Dillon, college scholarships to take care of their college needs and the children's dental needs will be taken care of. All have given from their hearts for Tina Cline and the family.

John was a patriot. He not only loved his country, he loved his wife dearly. They were very close. He was also close to his two sons, Dakota, two years old, and seven-month-old Dillon. John gave his life and was a hero doing so. Many war reports show that John gave his life, not only for his country, but saving his fellow Marines. As they were being attacked, John unselfishly went out and grabbed these Marines and brought them back to the vehicle that they were in, saving their lives. He did this willingly and openly and we thank him for that.

After serving in the Marines, John had planned to go into law enforcement. He wasn't sure where he was going, whether he was going to work for the Drug Enforcement Administration or whoever, but he had planned on continuing his service to his country. His life was already

planned out, not only to serve his country as a Marine but also to come home and serve in some capacity in law enforcement.

We want to thank the family and the community and State for the support that has been given to Tina Cline. Thank you, Mr. Speaker.

ASSEMBLYWOMAN BUCKLEY:

Thank you, Mr. Speaker. I, too, rise in support of ACR 29. It is difficult to express our thanks and gratitude to the friends and family of Mr. Cline. To give your life for your country at age 21 with two very small children and a loving wife is the epitome of patriotism and the epitome of what this day is all about. We honor Lance Corporal Donald John Cline and we thank his family for his ultimate sacrifice to ensure all of us are free.

ASSEMBLYMAN ANDERSON:

I rise in support of the resolution. Mr. Cline attended the high school where I teach and was a former U.S. History student of mine. It is difficult to recognize such lives who, on a regular basis, live to serve this nation and who anxiously await the opportunity to serve. It always amazes me that there are young men and women of this nation who are willing to step forward not knowing what tomorrow is going to bring. Corporal Cline did not anticipate this war or this engagement but he knew what duty was. He knew the duty of service and commitment. Young lives are constantly given and this day is set aside to remember those young lives and their families. When we say we stand on the shoulders of giants, these are the giants we stand on. This is what our national pride and commitment is about, the young men, the old men, the gallant ones of yesterday, and those of WWII. Saturday I was at a commencement ceremony for a relative of mine where Corporal Cline was honored. We often look to these people without recognizing that each generation is the greatest generation. It is the young men of our country, the ones with the greatest promise that keep democracy alive. That is the reason all of us have to be equally committed to our responsibility to them and their memory. Therefore, it is easy to stand when someone has given the ultimate sacrifice.

Resolution adopted unanimously.

Assemblyman Gustavson moved that all rules be suspended and that Assembly Concurrent Resolution No. 29 be immediately transmitted to the Senate.

Motion carried unanimously.

By Assemblymen Sherer, Anderson, Andonov, Angle, Arberry, Atkinson, Beers, Brown, Buckley, Carpenter, Chowning, Christensen, Claborn, Collins, Conklin, Geddes, Gibbons, Giunchigliani, Goicoechea, Goldwater, Grady, Griffin, Gustavson, Hardy, Hettrick, Horne, Knecht, Koivisto, Leslie, Mabey, Manendo, Marvel, McClain, McCleary, Mortenson, Oceguera, Ohrenschall, Parks, Perkins, Pierce, Weber, and Williams; Senators McGinness, Amodei, Care, Carlton, Cegavske, Coffin, Hardy, Mathews, Neal, Nolan, O'Connell, Raggio, Rawson, Rhoads, Schneider, Shaffer, Tiffany, Titus, Townsend, Washington, and Wiener:

WHEREAS, A devoted family man, Fred Pokorney met his wife, known as "Chelle," in Washington State, and they became the proud parents of daughter Taylor, now 2 1/2 years of age and the spitting image of her father; and

WHEREAS, Commissioned as a Second Lieutenant, Pokorney was promoted posthumously to First Lieutenant and was awarded the Purple Heart and will forever be remembered for his bravery and dedication to his country; and

WHEREAS, Chelle Pokorney called her husband a "gentle giant" and said he loved "his family, the Marine Corps and the Oakland Raiders"; and

WHEREAS, Nevada's first reported casualty from Operation Iraqi Freedom and the first Marine from that military operation to be buried at Arlington National Cemetery, Lieutenant Pokorney was buried with full military honors; and

WHEREAS, Lieutenant Frederick Pokorney, Jr. is survived by his wife, Chelle Pokorney, his daughter Taylor, and his surrogate parents, Wade and Susie Lieseke; now, therefore, be it

RESOLVED BY THE ASSEMBLY OF THE STATE OF NEVADA, THE SENATE CONCURRING, That United States Marine First Lieutenant Frederick Pokorney, Jr. be honored for his devotion to his family, his state and his country, for which he made the ultimate sacrifice; and be it further

RESOLVED, That the members of the 72nd Session of the Nevada Legislature and the people of our state celebrate the life of Lieutenant Pokorney and extend their sincere condolences to the family and friends of a true hero; and be it further

RESOLVED, That the Chief Clerk of the Assembly prepare and transmit a copy of this resolution to Chelle, the beloved wife of Lieutenant Pokorney.

Assemblyman Sherer moved the adoption of the resolution.

Remarks by Assemblymen Sherer and Angle.

Assemblywoman Angle requested that the following remarks be entered in the Journal.

ASSEMBLYMAN SHERER:

Thank you, Mr. Speaker. I stand in honor of Lieutenant Pokorney. He was an incredible gentleman. He lost his parents and then was adopted by Susie and Wade Lieseke. He has gone through a lot. In school he was a great athlete and was always looking forward. He had great goals. He was an asset to his high school and a role model, which is what we are all trying to be. He took on his adverse conditions, including being 6-feet-7-inches, having no parents, and coming from a small town, and stepped forward, going on to Oregon where he graduated from college, met his wife Chelle, and had his daughter. He was able to go on because that is what his dad did, who was also in the military. He stepped forward in his dad's footsteps. In turn he gave the ultimate sacrifice during the incident where the Iraqi Military was dressed in civilian clothes and he was trying to take care of what he thought were civilians and found that they were armed and he was shot. Today we stand for all those people who gave their lives so that we can have our freedom and so that we can go to barbeques and do other things as families this afternoon. We need to realize what the people that came before us did to give us our freedoms, which is what today memorializes. I stand in support of this resolution and I am honored to stand up and say a few words. Today is Jim Butler Days in Tonopah and the family is there today. I asked if they would like to join us today, but they wanted to be together with their family for their support.

ASSEMBLYWOMAN ANGLE:

Thank you, Mr. Speaker. I stand in support of ACR 30. As many of you know, I lived in Tonopah for eight years. Wade and Susie Lieseke are good friends of mine, and Fred Pokorney

graduated from high school with my daughter. This is a double-edged sword when you live in rural Nevada. Not only are you known and know everyone, you also know them well enough to share in their sorrows and feel the grief and loss that they feel. My son-in-law went into the Marines two years ahead of Fred. It is a touching thing to go to a Marine boot camp graduation. For God, for family, for country. It brings tears to your eyes when you see the dedication of these young men and how willing they are to sacrifice themselves for our freedoms. I ask you to declare with me, for Fred Pokorney and John Cline, *Semper Fi*. Thank you, Mr. Speaker.

Resolution adopted unanimously.

4. The registration of a registered limited-liability limited partnership is effective at the time of the filing of the certificate of registration.

Sec. 44. *1. The name proposed for a registered limited-liability limited partnership must contain the words "Limited-Liability Limited Partnership" or "Registered Limited-Liability Limited Partnership" or the abbreviation "L.L.L.P." or "LLLP" as the last words or letters of the name and must be distinguishable on the records of the Secretary of State from the names of all other artificial persons formed, organized, registered or qualified pursuant to the provisions of this title that are on file in the Office of the Secretary of State and all names that are reserved in the Office of the Secretary of State pursuant to the provisions of this title. If the name of the registered limited-liability limited partnership on a certificate of registration of limited-liability limited partnership submitted to the Secretary of State is not distinguishable from any name on file or reserved name, the Secretary of State shall return the certificate to the person who signed it, unless the written, acknowledged consent to the same name of the holder of the name on file or reserved name to use the name accompanies the certificate.*

Sec. 47. *1. Notwithstanding any provision in a partnership agreement that may have existed before a limited partnership became a registered limited-liability limited partnership pursuant to section 43 of this act, if a registered limited-liability limited partnership incurs a debt or liability:*

Sec. 56. *1. Each foreign limited-liability company doing business in this state shall, on or before the last day of the first month after the filing of its application for registration as a foreign limited-liability company with the Secretary of State, and annually thereafter on or before the last day of the month in which the anniversary date of its qualification to do business in this state occurs in each year, file with the Secretary of State a list on a form furnished by him that contains:*

(a) The name of the foreign limited-liability company;

(b) The file number of the foreign limited-liability company, if known;

(e) The name and address of its resident agent in this state; and

(f) The signature of a manager or managing member of the foreign limited-liability company certifying that the list is true, complete and accurate.

2. Each list filed pursuant to this section must be accompanied by a declaration under penalty of perjury that the foreign limited-liability company:

(a) Has complied with the provisions of chapter 364A of NRS; and

3. Upon filing:

(a) The initial list required by this section, the foreign limited-liability company shall pay to the Secretary of State a fee of $125.

(b) Each annual list required by this section, the foreign limited-liability company shall pay to the Secretary of State a fee of $125.

4. The Secretary of State shall, 60 days before the last day for filing each annual list required by this section, cause to be mailed to each foreign limited-liability company which is required to comply with the provisions of sections 56 to 62, inclusive, of this act, and which has not become delinquent, the blank forms to be completed and filed with him. Failure of any foreign limited-liability company to receive the forms does not excuse it from the penalty imposed by the provisions of sections 56 to 62, inclusive, of this act.

5. An annual list for a foreign limited-liability company not in default which is received by the Secretary of State more than 90 days before its due date must be deemed an amended list for the previous year and does not satisfy the requirements of this section for the year to which the due date is applicable.

Sec. 57. *If a foreign limited-liability company has filed the initial or annual list in compliance with section 56 of this act and has paid the appropriate fee for the filing, the cancelled check or other proof of payment received by the foreign limited-liability company constitutes a certificate authorizing it to transact its business within this state until the last day of the month in which the anniversary of its qualification to transact business occurs in the next succeeding calendar year.*

Sec. 58. *1. Each list required to be filed under the provisions of sections 56 to 62, inclusive, of this act must, after the name of each manager or, if there is no manager, each of its managing members listed thereon, set forth the address, either residence or business, of each manager or managing member.*

2. If the addresses are not stated for each person on any list offered for filing, the Secretary of State may refuse to file the list, and the foreign limited-liability company for which the list has been offered for filing is

subject to all the provisions of sections 56 to 62, inclusive, of this act relating to failure to file the list within or at the times therein specified, unless a list is subsequently submitted for filing which conforms to the provisions of this section.

Sec. 59. *1. Each foreign limited-liability company required to make a filing and pay the fee prescribed in sections 56 to 62, inclusive, of this act which refuses or neglects to do so within the time provided is in default.*

2. For default there must be added to the amount of the fee a penalty of $50, and unless the filing is made and the fee and penalty are paid on or before the last day of the month in which the anniversary date of the foreign limited-liability company occurs, the defaulting foreign limited-liability company by reason of its default forfeits its right to transact any business within this state. The fee and penalty must be collected as provided in this chapter.

Sec. 60. *1. The Secretary of State shall notify, by providing written notice to its resident agent, each foreign limited-liability company deemed in default pursuant to section 59 of this act. The written notice:*

(a) Must include a statement indicating the amount of the filing fee, penalties incurred and costs remaining unpaid.

(b) At the request of the resident agent, may be provided electronically.

2. Immediately after the last day of the month in which the anniversary date of its organization occurs, the Secretary of State shall compile a complete list containing the names of all foreign limited-liability companies whose right to transact business has been forfeited.

3. The Secretary of State shall notify, by providing written notice to its resident agent, each foreign limited-liability company specified in subsection 2 of the forfeiture of its right to transact business. The written notice:

(a) Must include a statement indicating the amount of the filing fee, penalties incurred and costs remaining unpaid.

(b) At the request of the resident agent, may be provided electronically.

Sec. 61. *1. Except as otherwise provided in subsections 3 and 4, the Secretary of State shall reinstate a foreign limited-liability company which has forfeited or which forfeits its right to transact business under the provisions of this chapter and shall restore to the foreign limited-liability company its right to transact business in this state, and to exercise its privileges and immunities, if it:*

(a) Files with the Secretary of State a list as provided in sections 56 and 58 of this act; and

(b) Pays to the Secretary of State:

(1) The filing fee and penalty set forth in sections 56 and 59 of this act for each year or portion thereof that its right to transact business was forfeited; and

(2) A fee of $300 for reinstatement.

2. When the Secretary of State reinstates the foreign limited-liability company, he shall issue to the foreign limited-liability company a certificate of reinstatement if the foreign limited-liability company:

(a) Requests a certificate of reinstatement; and

(b) Pays the required fees pursuant to NRS 86.561.

3. The Secretary of State shall not order a reinstatement unless all delinquent fees and penalties have been paid and the revocation of the right to transact business occurred only by reason of failure to pay the fees and penalties.

4. If the right of a foreign limited-liability company to transact business in this state has been forfeited pursuant to the provisions of section 60 of this act and has remained forfeited for a period of 5 consecutive years, the right must not be reinstated.

Sec. 62. *1. Except as otherwise provided in subsection 2, if a foreign limited-liability company applies to reinstate its registration but its name has been legally reserved or acquired by another artificial person formed, organized, registered or qualified pursuant to the provisions of this title whose name is on file with the Office of the Secretary of State or reserved in the Office of the Secretary of State pursuant to the provisions of this title, the foreign limited-liability company must in its application for reinstatement submit in writing to the Secretary of State some other name under which it desires its existence to be reinstated. If that name is distinguishable from all other names reserved or otherwise on file, the Secretary of State shall reinstate the foreign limited-liability company under that new name.*

2. If the applying foreign limited-liability company submits the written, acknowledged consent of the artificial person having a name, or the person who has reserved a name, which is not distinguishable from the old name of the applying foreign limited-liability company or a new name it has submitted, it may be reinstated under that name.

3. For the purposes of this section, a proposed name is not distinguishable from a name on file or reserved solely because one or the other contains distinctive lettering, a distinctive mark, a trademark or a trade name, or any combination thereof.

4. The Secretary of State may adopt regulations that interpret the requirements of this section.

Sec. 63. NRS 86.161 is hereby amended to read as follows:

86.161 1. The articles of organization must set forth:

(a) The name of the limited-liability company;

(b) The name and complete street address of its resident agent, and the mailing address of the resident agent if different from the street address;

The name proposed for a limited-liability company must be distinguishable on the records of the Secretary of State from the names of all other artificial persons formed, organized, registered or qualified pursuant to the provisions of this title that are on file in the Office of the Secretary of State and all names that are reserved in the Office of the Secretary of State pursuant to the provisions of this title. If a proposed name is not so distinguishable, the Secretary of State shall return the articles of organization to the organizer, unless the written, acknowledged consent of the holder of the name on file or reserved name to use the same name or the requested similar name accompanies the articles of organization.

3. For the purposes of this section and NRS 86.176, a proposed name is not distinguishable from a name on file or reserved name solely because one or the other contains distinctive lettering, a distinctive mark, a trademark or a trade name, or any combination ~~[of these.]~~ *thereof.*

4. The name of a limited-liability company whose charter has been revoked, which has merged and is not the surviving entity or whose existence has otherwise terminated is available for use by any other artificial person.

5. The Secretary of State shall not accept for filing any articles of organization for any limited-liability company if the name of the limited-liability company contains the words "accountant," "accounting," "accountancy," "auditor" or "auditing" unless the Nevada State Board of Accountancy certifies that the limited-liability company:

(b) Has filed with the *Nevada* State Board of Accountancy under penalty of perjury a written statement that the limited-liability company is not engaged in the practice of accounting and is not offering to practice accounting in this state.

6. *The Secretary of State shall not accept for filing any articles of organization or certificate of amendment of articles of organization of any limited-liability company formed or existing pursuant to the laws of this state which provides that the name of the limited-liability company contains the word "bank" or "trust" unless:*

8. Except as otherwise provided in subsection 7, the Secretary of State shall not accept for filing any articles of organization or certificate of amendment of articles of organization of any limited-liability company formed or existing pursuant to the laws of this state which provides that the name of the limited-liability company contains the words "engineer," "engineered," "engineering," "professional engineer," "registered engineer" or "licensed engineer" unless:

2. A certificate of amendment or judicial decree of amendment is effective upon filing with the Secretary of State or upon a later date specified in the certificate or judicial decree, which must not be more than 90 days after the certificate or judicial decree is filed.

3. The limited-liability company shall pay to the Secretary of State the fee required to establish a new limited-liability company pursuant to the provisions of this chapter.

4. The filed certificate, or a copy thereof which has been certified under the hand and seal of the Secretary of State, must be received in all courts and places as prima facie evidence of the facts therein stated and of the existence of the limited-liability company therein named.

Sec. 72. Chapter 87 of NRS is hereby amended by adding thereto the provisions set forth as sections 73 to 80, inclusive, of this act.

Sec. 73. *1. Each document filed with the Secretary of State pursuant to this chapter must be on or accompanied by a form prescribed by the Secretary of State.*

2. The Secretary of State may refuse to file a document which does not comply with subsection 1 or which does not contain all of the information required by statute for filing the document.

3. If the provisions of the form prescribed by the Secretary of State conflict with the provisions of any document that is submitted for filing with the form:

(a) The provisions of the form control for all purposes with respect to the information that is required by statute to appear in the document in order for the document to be filed; and

(b) Unless otherwise provided in the document, the provisions of the document control in every other situation.

4. The Secretary of State may by regulation provide for the electronic filing of documents with the Office of the Secretary of State.

Sec. 74. *1. Each foreign limited-liability partnership doing business in this state shall, on or before the last day of the month after the filing of its application for registration as a foreign limited-liability partnership with the Secretary of State, and annually thereafter on or before the last day of the month in which the anniversary date of its qualification to do business in this state occurs in each year, file with the Secretary of State a list, on a form furnished by him, that contains:*

(b) The file number of the foreign limited-liability partnership, if known;

(c) The names of all its managing partners;

(d) The address, either residence or business, of each managing partner;

(e) The name and address of its resident agent in this state; and

(f) The signature of a managing partner of the foreign limited-liability partnership certifying that the list is true, complete and accurate.

2. Each list filed pursuant to this section must be accompanied by a declaration under penalty of perjury that the foreign limited-liability partnership:

(a) Has complied with the provisions of chapter 364A of NRS; and

(b) Acknowledges that pursuant to NRS 239.330 it is a category C felony to knowingly offer any false or forged instrument for filing in the Office of the Secretary of State.

3. Upon filing:

(a) The initial list required by this section, the foreign limited-liability partnership shall pay to the Secretary of State a fee of $125.

(b) Each annual list required by this section, the foreign limited-liability partnership shall pay to the Secretary of State a fee of $125.

4. The Secretary of State shall, 60 days before the last day for filing each annual list required by subsection 1, cause to be mailed to each foreign limited-liability partnership which is required to comply with the provisions of sections 74 to 80, inclusive, of this act, and which has not become delinquent, the blank forms to be completed and filed with him. Failure of any foreign limited-liability partnership to receive the forms does not excuse it from the penalty imposed by the provisions of sections 74 to 80, inclusive, of this act.

5. An annual list for a foreign limited-liability partnership not in default which is received by the Secretary of State more than 90 days before its due date must be deemed an amended list for the previous year and does not satisfy the requirements of subsection 1 for the year to which the due date is applicable.

Sec. 75. *If a foreign limited-liability partnership has filed the initial or annual list in compliance with section 74 of this act and has paid the appropriate fee for the filing, the cancelled check or other proof of payment received by the foreign limited-liability partnership constitutes a certificate authorizing it to transact its business within this state until the last day of the month in which the anniversary of its qualification to transact business occurs in the next succeeding calendar year.*

Sec. 76. *1. Each list required to be filed under the provisions of sections 74 to 80, inclusive, of this act must, after the name of each managing partner listed thereon, set forth the address, either residence or business, of each managing partner.*

2. If the addresses are not stated for each person on any list offered for filing, the Secretary of State may refuse to file the list, and the foreign limited-liability partnership for which the list has been offered for filing is subject to all the provisions of sections 74 to 80, inclusive, of this act relating to failure to file the list within or at the times therein specified, unless a list is subsequently submitted for filing which conforms to the provisions of this section.

Sec. 77. *1. Each foreign limited-liability partnership required to make a filing and pay the fee prescribed in sections 74 to 80, inclusive, of this act which refuses or neglects to do so within the time provided is in default.*

2. For default there must be added to the amount of the fee a penalty of $50, and unless the filing is made and the fee and penalty are paid on or before the last day of the month in which the anniversary date of the foreign

limited-liability partnership occurs, the defaulting foreign limited-liability partnership by reason of its default forfeits its right to transact any business within this state. The fee and penalty must be collected as provided in this chapter.

Sec. 78. *1. The Secretary of State shall notify, by providing written notice to its resident agent, each foreign limited-liability partnership deemed in default pursuant to section 77 of this act. The written notice:*

(a) Must include a statement indicating the amount of the filing fee, penalties incurred and costs remaining unpaid.

(b) At the request of the resident agent, may be provided electronically.

2. Immediately after the last day of the month in which the anniversary date of its registration occurs, the Secretary of State shall compile a complete list containing the names of all foreign limited-liability partnerships whose right to transact business has been forfeited.

3. The Secretary of State shall notify, by providing written notice to its resident agent, each foreign limited-liability partnership specified in subsection 2 of the forfeiture of its right to transact business. The written notice:

(a) Must include a statement indicating the amount of the filing fee, penalties incurred and costs remaining unpaid.

(b) At the request of the resident agent, may be provided electronically.

Sec. 79. *1. Except as otherwise provided in subsections 3 and 4, the Secretary of State shall reinstate a foreign limited-liability partnership which has forfeited or which forfeits its right to transact business under the provisions of this chapter and shall restore to the foreign limited-liability partnership its right to transact business in this state, and to exercise its privileges and immunities, if it:*

(2) A fee of $300 for reinstatement.

2. When the Secretary of State reinstates the foreign limited-liability partnership, he shall issue to the foreign limited-liability partnership a certificate of reinstatement if the foreign limited-liability partnership:

(a) Requests a certificate of reinstatement; and

(b) Pays the required fees pursuant to NRS 87.550.

3. The Secretary of State shall not order a reinstatement unless all delinquent fees and penalties have been paid and the revocation of the right to transact business occurred only by reason of failure to pay the fees and penalties.

4. If the right of a foreign limited-liability partnership to transact business in this state has been forfeited pursuant to the provisions of

section 78 of this act and has remained forfeited for a period of 5 consecutive years, the right to transact business must not be reinstated.

Sec. 80. *1. Except as otherwise provided in subsection 2, if a foreign limited-liability partnership applies to reinstate its certificate of registration and its name has been legally reserved or acquired by another artificial person formed, organized, registered or qualified pursuant to the provisions of this title whose name is on file with the Office of the Secretary of State or reserved in the Office of the Secretary of State pursuant to the provisions of this title, the foreign limited-liability partnership must submit in writing in its application for reinstatement to the Secretary of State some other name under which it desires its existence to be reinstated. If that name is distinguishable from all other names reserved or otherwise on file, the Secretary of State shall reinstate the foreign limited-liability partnership under that new name.*

2. If the applying foreign limited-liability partnership submits the written, acknowledged consent of the artificial person having a name, or the person who has reserved a name, which is not distinguishable from the old name of the applying foreign limited-liability partnership or a new name it has submitted, it may be reinstated under that name.

3. For the purposes of this section, a proposed name is not distinguishable from a name on file or reserved solely because one or the other contains distinctive lettering, a distinctive mark, a trademark or a trade name, or any combination thereof.

4. The Secretary of State may adopt regulations that interpret the requirements of this section.

Sec. 81. NRS 87.450 is hereby amended to read as follows:

87.450 1. The name proposed for a registered limited-liability partnership must contain the words "Limited-Liability Partnership" or "Registered Limited-Liability Partnership" or the abbreviation "L.L.P." or "LLP" as the last words or letters of the name and must be distinguishable on the records of the Secretary of State from the names of all other artificial persons formed, organized, registered or qualified pursuant to the provisions of this title that are on file in the Office of the Secretary of State and all names that are reserved in the Office of the Secretary of State pursuant to the provisions of this title. If the name of the registered limited-liability partnership on a certificate of registration of limited-liability partnership submitted to the Secretary of State is not distinguishable from a name on file or reserved name, the Secretary of State shall return the certificate to the person who signed it unless the written, acknowledged consent of the holder of the name on file or reserved name to use the name accompanies the certificate.

Sec. 87.2. *1. The name proposed for a registered limited-liability limited partnership must contain the words "Limited-Liability Limited Partnership" or "Registered Limited-Liability Limited Partnership" or the abbreviation "L.L.L.P." or "LLLP" as the last words or letters of the name and must be distinguishable on the records of the Secretary of State from the names of all other artificial persons formed, organized, registered or qualified pursuant to the provisions of this title that are on file in the Office of the Secretary of State and all names that are reserved in the Office of the Secretary of State pursuant to the provisions of this title. If the name of the registered limited-liability limited partnership on a certificate of registration of limited-liability limited partnership submitted to the Secretary of State is not distinguishable from any name on file or reserved name, the Secretary of State shall return the certificate to the person who signed it, unless the written, acknowledged consent to the same name of the holder of the name on file or reserved name to use the name accompanies the certificate.*

2. The Secretary of State shall not accept for filing any certificate of registration or any certificate of amendment of a certificate of registration of any registered limited-liability limited partnership formed or existing pursuant to the laws of this state which provides that the name of the registered limited-liability limited partnership contains the words "unit-owners' association" or "homeowners' association" or if it appears in the certificate of registration or certificate of amendment that the purpose of the registered limited-liability limited partnership is to operate as a unit-owners' association pursuant to chapter 116 of NRS unless the Administrator of the Real Estate Division of the Department of Business and Industry certifies that the registered limited-liability limited partnership has:

(a) Registered with the Ombudsman for Owners in Common-Interest Communities pursuant to NRS 116.31158; and

(b) Paid to the Administrator of the Real Estate Division the fees required pursuant to NRS 116.31155.

3. For the purposes of this section, a proposed name is not distinguishable from a name on file or reserved name solely because one or

the other contains distinctive lettering, a distinctive mark, a trademark or a trade name, or any combination thereof.

4. The name of a registered limited-liability limited partnership whose right to transact business has been forfeited, which has merged and is not the surviving entity or whose existence has otherwise terminated is available for use by any other artificial person.

5. The Secretary of State may adopt regulations that interpret the requirements of this section.

Sec. 87.3. *1. The registration of a registered limited-liability limited partnership is effective until:*

(a) Its certificate of registration is revoked pursuant to NRS 88.405; or

(b) The registered limited-liability limited partnership files with the Secretary of State a written notice of withdrawal executed by a general partner. The notice must be accompanied by a fee of $60.

2. Upon notification from the Administrator of the Real Estate Division of the Department of Business and Industry that a registered limited-liability limited partnership which is a unit-owners' association as defined in NRS 116.110315 has failed to register pursuant to NRS 116.31158 or failed to pay the fees pursuant to NRS 116.31155, the Secretary of State shall deem the registered limited-liability limited partnership to be in default. If, after the registered limited-liability limited partnership is deemed to be in default, the Administrator notifies the Secretary of State that the registered limited-liability limited partnership has registered pursuant to NRS 116.31158 and paid the fees pursuant to NRS 116.31155, the Secretary of State shall reinstate the registered limited-liability limited partnership if the registered limited-liability limited partnership complies with the requirements for reinstatement as provided in this section and NRS 87.510 and 87.530.

Sec. 87.4. *The status of a limited partnership as a registered limited-liability limited partnership, and the liability of its partners, are not affected by errors in the information contained in a certificate of registration or an annual list required to be filed with the Secretary of State, or by changes after the filing of such a certificate or list in the information contained in the certificate or list.*

Sec. 87.5. *1. Notwithstanding any provision in a partnership agreement that may have existed before a limited partnership became a registered limited-liability limited partnership pursuant to section 87.1 of this act, if a registered limited-liability limited partnership incurs a debt or liability:*

(a) The debt or liability is solely the responsibility of the registered limited-liability limited partnership; and

(b) A partner of a registered limited-liability limited partnership is not individually liable for the debt or liability by way of acting as a partner.

2. For purposes of this section, the failure of a registered limited-liability limited partnership to observe the formalities or requirements relating to the management of the registered limited-liability limited partnership, in and of

itself, is not sufficient to establish grounds for imposing personal liability on a partner for a debt or liability of the registered limited-liability limited partnership.

Sec. 87.6. *1. Except as otherwise provided by specific statute, no partner of a registered limited-liability limited partnership is individually liable for a debt or liability of the registered limited-liability limited partnership, unless the partner acts as the alter ego of the registered limited-liability limited partnership.*

2. A partner acts as the alter ego of a registered limited-liability limited partnership if:

(a) The registered limited-liability limited partnership is influenced and governed by the partner;

(b) There is such unity of interest and ownership that the registered limited-liability limited partnership and the partner are inseparable from each other; and

(c) Adherence to the fiction of a separate entity would sanction fraud or promote a manifest injustice.

3. The question of whether a partner acts as the alter ego of a registered limited-liability limited partnership must be determined by the court as a matter of law.

Sec. 87.7. *To the extent permitted by the law of that jurisdiction:*

1. A limited partnership, including a registered limited-liability limited partnership, formed and existing under this chapter, may conduct its business, carry on its operations, and exercise the powers granted by this chapter in any state, territory, district or possession of the United States or in any foreign country.

2. The internal affairs of a limited partnership, including a registered limited-liability limited partnership, formed and existing under this chapter, including the liability of partners for debts, obligations and liabilities of or chargeable to the partnership, are governed by the laws of this state.

Sec. 87.8. *The name of a foreign registered limited-liability limited partnership that is doing business in this state must contain the words "Limited-Liability Limited Partnership" or "Registered Limited-Liability Limited Partnership" or the abbreviations "L.L.L.P." or "LLLP," or such other words or abbreviations as may be required or authorized by the laws of the other jurisdiction, as the last words or letters of the name.*

Sec. 88. *1. Each document filed with the Secretary of State pursuant to this chapter must be on or accompanied by a form prescribed by the Secretary of State.*

2. The Secretary of State may refuse to file a document which does not comply with subsection 1 or which does not contain all of the information required by statute for filing the document.

3. If the provisions of the form prescribed by the Secretary of State conflict with the provisions of any document that is submitted for filing with the form:

(a) The provisions of the form control for all purposes with respect to the information that is required by statute to appear in the document in order for the document to be filed; and

(b) Unless otherwise provided in the document, the provisions of the document control in every other situation.

4. The Secretary of State may by regulation provide for the electronic filing of documents with the Office of the Secretary of State.

Sec. 89. *1. Each foreign limited partnership doing business in this state shall, on or before the last day of the month after the filing of its application for registration as a foreign limited partnership with the Secretary of State, and annually thereafter on or before the last day of the month in which the anniversary date of its qualification to do business in this state occurs in each year, file with the Secretary of State a list, on a form furnished by him, that contains:*

(a) The name of the foreign limited partnership;

(b) The file number of the foreign limited partnership, if known;

(c) The names of all its general partners;

(d) The address, either residence or business, of each general partner;

(e) The name and address of its resident agent in this state; and

(f) The signature of a general partner of the foreign limited partnership certifying that the list is true, complete and accurate.

2. Each list filed pursuant to this section must be accompanied by a declaration under penalty of perjury that the foreign limited partnership:

(a) Has complied with the provisions of chapter 364A of NRS; and

(b) Acknowledges that pursuant to NRS 239.330 it is a category C felony to knowingly offer any false or forged instrument for filing in the Office of the Secretary of State.

3. Upon filing:

(a) The initial list required by this section, the foreign limited partnership shall pay to the Secretary of State a fee of $125.

(b) Each annual list required by this section, the foreign limited partnership shall pay to the Secretary of State a fee of $125.

4. The Secretary of State shall, 60 days before the last day for filing each annual list required by subsection 1, cause to be mailed to each foreign limited partnership which is required to comply with the provisions of sections 89 to 95, inclusive, of this act, and which has not become delinquent, the blank forms to be completed and filed with him. Failure of any foreign limited partnership to receive the forms does not excuse it from the penalty imposed by the provisions of sections 89 to 95, inclusive, of this act.

5. An annual list for a foreign limited partnership not in default which is received by the Secretary of State more than 90 days before its due date must be deemed an amended list for the previous year and does not satisfy the requirements of subsection 1 for the year to which the due date is applicable.

Sec. 90. *If a foreign limited partnership has filed the initial or annual list in compliance with section 89 of this act and has paid the appropriate fee*

for the filing, the cancelled check or other proof of payment received by the foreign limited partnership constitutes a certificate authorizing it to transact its business within this state until the last day of the month in which the anniversary of its qualification to transact business occurs in the next succeeding calendar year.

Sec. 91. *1. Each list required to be filed under the provisions of sections 89 to 95, inclusive, of this act must, after the name of each managing partner listed thereon, set forth the address, either residence or business, of each managing partner.*

2. If the addresses are not stated for each person on any list offered for filing, the Secretary of State may refuse to file the list, and the foreign limited partnership for which the list has been offered for filing is subject to all the provisions of sections 89 to 95, inclusive, of this act relating to failure to file the list within or at the times therein specified, unless a list is subsequently submitted for filing which conforms to the provisions of this section.

Sec. 92. *1. Each foreign limited partnership required to make a filing and pay the fee prescribed in sections 89 to 95, inclusive, of this act which refuses or neglects to do so within the time provided is in default.*

2. For default there must be added to the amount of the fee a penalty of $50, and unless the filing is made and the fee and penalty are paid on or before the last day of the month in which the anniversary date of the foreign limited partnership occurs, the defaulting foreign limited partnership by reason of its default forfeits its right to transact any business within this state. The fee and penalty must be collected as provided in this chapter.

Sec. 93. *1. The Secretary of State shall notify, by providing written notice to its resident agent, each foreign limited partnership deemed in default pursuant to section 92 of this act. The written notice:*

(a) Must include a statement indicating the amount of the filing fee, penalties incurred and costs remaining unpaid.

(b) At the request of the resident agent, may be provided electronically.

2. Immediately after the last day of the month in which the anniversary date of the filing of the certificate of limited partnership occurs, the Secretary of State shall compile a complete list containing the names of all foreign limited partnerships whose right to transact business has been forfeited.

3. The Secretary of State shall notify, by providing written notice to its resident agent, each foreign limited partnership specified in subsection 2 of the forfeiture of its right to transact business. The written notice:

(a) Must include a statement indicating the amount of the filing fee, penalties incurred and costs remaining unpaid.

(b) At the request of the resident agent, may be provided electronically.

Sec. 94. *1. Except as otherwise provided in subsections 3 and 4, the Secretary of State shall reinstate a foreign limited partnership which has forfeited or which forfeits its right to transact business under the provisions of this chapter and shall restore to the foreign limited partnership its right to*

transact business in this state, and to exercise its privileges and immunities, if it:

(a) Files with the Secretary of State a list as provided in sections 89 and 91 of this act; and

(b) Pays to the Secretary of State:

(1) The filing fee and penalty set forth in sections 89 and 92 of this act for each year or portion thereof that its right to transact business was forfeited; and

(2) A fee of $300 for reinstatement.

2. When the Secretary of State reinstates the foreign limited partnership, he shall issue to the foreign limited partnership a certificate of reinstatement if the foreign limited partnership:

(a) Requests a certificate of reinstatement; and

(b) Pays the required fees pursuant to NRS 88.415.

3. The Secretary of State shall not order a reinstatement unless all delinquent fees and penalties have been paid and the revocation of the right to transact business occurred only by reason of failure to pay the fees and penalties.

4. If the right of a foreign limited partnership to transact business in this state has been forfeited pursuant to the provisions of section 93 of this act and has remained forfeited for a period of 5 consecutive years, the right is not subject to reinstatement.

Sec. 95. *1. Except as otherwise provided in subsection 2, if a foreign limited partnership applies to reinstate its certificate of registration and its name has been legally reserved or acquired by another artificial person formed, organized, registered or qualified pursuant to the provisions of this title whose name is on file with the Office of the Secretary of State or reserved in the Office of the Secretary of State pursuant to the provisions of this title, the foreign limited partnership must in its application for reinstatement submit in writing to the Secretary of State some other name under which it desires its existence to be reinstated. If that name is distinguishable from all other names reserved or otherwise on file, the Secretary of State shall reinstate the foreign limited partnership under that new name.*

2. If the applying foreign limited partnership submits the written, acknowledged consent of the artificial person having a name, or the person who has reserved a name, which is not distinguishable from the old name of the applying foreign limited partnership or a new name it has submitted, it may be reinstated under that name.

3. For the purposes of this section, a proposed name is not distinguishable from a name on file or reserved solely because one or the other contains distinctive lettering, a distinctive mark, a trademark or a trade name, or any combination thereof.

4. The Secretary of State may adopt regulations that interpret the requirements of this section.

Sec. 95.5. NRS 88.315 is hereby amended to read as follows:

88.315 As used in this chapter, unless the context otherwise requires:

1. "Certificate of limited partnership" means the certificate referred to in NRS 88.350, and the certificate as amended or restated.

3. If the provisions of the form prescribed by the Secretary of State conflict with the provisions of any document that is submitted for filing with the form:

(a) The provisions of the form control for all purposes with respect to the information that is required by statute to appear in the document in order for the document to be filed; and

(b) Unless otherwise provided in the document, the provisions of the document control in every other situation.

4. The Secretary of State may by regulation provide for the electronic filing of documents with the Office of the Secretary of State.

Sec. 107. *1. Each foreign business trust doing business in this state shall, on or before the last day of the month after the filing of its application for registration as a foreign business trust with the Secretary of State, and annually thereafter on or before the last day of the month in which the anniversary date of its qualification to do business in this state occurs in each year, file with the Secretary of State a list, on a form furnished by him, that contains:*

(a) The name of the foreign business trust;

(b) The file number of the foreign business trust, if known;

(c) The name of at least one of its trustees;

(d) The address, either residence or business, of the trustee listed pursuant to paragraph (c);

(e) The name and address of its resident agent in this state; and

(f) The signature of a trustee of the foreign business trust certifying that the list is true, complete and accurate.

2. Each list required to be filed pursuant to this section must be accompanied by a declaration under penalty of perjury that the foreign business trust:

(a) Has complied with the provisions of chapter 364A of NRS; and

(b) Acknowledges that pursuant to NRS 239.330 it is a category C felony to knowingly offer any false or forged instrument for filing in the Office of the Secretary of State.

3. Upon filing:

(a) The initial list required by this section, the foreign business trust shall pay to the Secretary of State a fee of $125.

(b) Each annual list required by this section, the foreign business trust shall pay to the Secretary of State a fee of $125.

4. The Secretary of State shall, 60 days before the last day for filing each annual list required by subsection 1, cause to be mailed to each foreign business trust which is required to comply with the provisions of sections 107 to 113, inclusive, of this act, and which has not become delinquent, the blank forms to be completed and filed with him. Failure of any foreign business trust to receive the forms does not excuse it from the penalty imposed by the provisions of sections 107 to 113, inclusive, of this act.

5. An annual list for a foreign business trust not in default which is received by the Secretary of State more than 90 days before its due date must be deemed an amended list for the previous year and does not satisfy the requirements of subsection 1 for the year to which the due date is applicable.

Sec. 108. *If a foreign business trust has filed the initial or annual list in compliance with section 107 of this act and has paid the appropriate fee for the filing, the cancelled check or other proof of payment received by the foreign business trust constitutes a certificate authorizing it to transact its business within this state until the last day of the month in which the anniversary of its qualification to transact business occurs in the next succeeding calendar year.*

Sec. 109. *1. Each list required to be filed under the provisions of sections 107 to 113, inclusive, of this act must, after the name of each trustee listed thereon, set forth the address, either residence or business, of each trustee.*

2. If the addresses are not stated for each person on any list offered for filing, the Secretary of State may refuse to file the list, and the foreign business trust for which the list has been offered for filing is subject to all the provisions of sections 107 to 113, inclusive, of this act relating to failure to file the list within or at the times therein specified, unless a list is subsequently submitted for filing which conforms to the provisions of this section.

Sec. 110. *1. Each foreign business trust required to make a filing and pay the fee prescribed in sections 107 to 113, inclusive, of this act which refuses or neglects to do so within the time provided is in default.*

2. For default there must be added to the amount of the fee a penalty of $50, and unless the filing is made and the fee and penalty are paid on or before the last day of the month in which the anniversary date of the foreign business trust occurs, the defaulting foreign business trust by reason of its

default forfeits its right to transact any business within this state. The fee and penalty must be collected as provided in this chapter.

Sec. 111. *1. The Secretary of State shall notify, by providing written notice to its resident agent, each foreign business trust deemed in default pursuant to section 110 of this act. The written notice:*

(a) Must include a statement indicating the amount of the filing fee, penalties incurred and costs remaining unpaid.

(b) At the request of the resident agent, may be provided electronically.

2. Immediately after the last day of the month in which the anniversary date of the filing of the certificate of trust occurs, the Secretary of State shall compile a complete list containing the names of all foreign business trusts whose right to transact business has been forfeited.

3. The Secretary of State shall notify, by providing written notice to its resident agent, each foreign business trust specified in subsection 2 of the forfeiture of its right to transact business. The written notice:

(a) Must include a statement indicating the amount of the filing fee, penalties incurred and costs remaining unpaid.

(b) At the request of the resident agent, may be provided electronically.

Sec. 112. *1. Except as otherwise provided in subsections 3 and 4, the Secretary of State shall reinstate a foreign business trust which has forfeited or which forfeits its right to transact business under the provisions of this chapter and shall restore to the foreign business trust its right to transact business in this state, and to exercise its privileges and immunities, if it:*

(a) Files with the Secretary of State a list as provided in sections 107 and 109 of this act; and

(b) Pays to the Secretary of State:

(1) The filing fee and penalty set forth in sections 107 and 110 of this act for each year or portion thereof that its right to transact business was forfeited; and

(2) A fee of $300 for reinstatement.

2. When the Secretary of State reinstates the foreign business trust, he shall issue to the foreign business trust a certificate of reinstatement if the foreign business trust:

(a) Requests a certificate of reinstatement; and

(b) Pays the required fees pursuant to NRS 88A.900.

3. The Secretary of State shall not order a reinstatement unless all delinquent fees and penalties have been paid and the revocation of the right to transact business occurred only by reason of failure to pay the fees and penalties.

4. If the right of a foreign business trust to transact business in this state has been forfeited pursuant to the provisions of section 111 of this act and has remained forfeited for a period of 5 consecutive years, the right to transact business must not be reinstated.

Sec. 113. *1. Except as otherwise provided in subsection 2, if a foreign business trust applies to reinstate its certificate of trust and its name has*

been legally reserved or acquired by another artificial person formed, organized, registered or qualified pursuant to the provisions of this title whose name is on file with the Office of the Secretary of State or reserved in the Office of the Secretary of State pursuant to the provisions of this title, the foreign business trust must submit in writing in its application for reinstatement to the Secretary of State some other name under which it desires its existence to be reinstated. If that name is distinguishable from all other names reserved or otherwise on file, the Secretary of State shall reinstate the foreign business trust under that new name.

2. If the applying foreign business trust submits the written, acknowledged consent of the artificial person having a name, or the person who has reserved a name, which is not distinguishable from the old name of the applying foreign business trust or a new name it has submitted, it may be reinstated under that name.

3. For the purposes of this section, a proposed name is not distinguishable from a name on file or reserved solely because one or the other contains distinctive lettering, a distinctive mark, a trademark or a trade name, or any combination thereof.

4. The Secretary of State may adopt regulations that interpret the requirements of this section.

Sec. 114. NRS 88A.220 is hereby amended to read as follows:

88A.220 1. A certificate of trust may be amended by filing with the Secretary of State a certificate of amendment signed by at least one trustee. The certificate of amendment must set forth:

If the Board establishes such a limit, the Board:

(1) Shall determine the period that the limit is in effect; and

(2) During that period, may increase or decrease the limit as the Board deems appropriate.

2. An eligible customer that is a nongovernmental commercial or industrial end-use customer whose load is in the service territory of an electric utility that primarily serves densely populated counties shall not purchase energy, capacity or ancillary services from a provider of new electric resources unless, as part of the proposed transaction, the eligible customer agrees to:

(a) Contract with the provider to purchase:

(1) An additional amount of energy which is equal to 10 percent of the total amount of energy that the eligible customer is purchasing for its own use under the proposed transaction and which is purchased at the same price, terms and conditions as the energy purchased by the eligible customer for its own use; and

(2) The capacity and ancillary services associated with the additional amount of energy at the same price, terms and conditions as the capacity and ancillary services purchased by the eligible customer for its own use; and

3. If an eligible customer is subject to the provisions of subsection 2, the eligible customer shall include with its application filed pursuant to NRS 704B.310 all information concerning the contract offered to the electric utility that is necessary for the Commission to determine whether it is in the best interest of the remaining customers of the electric utility for the electric utility to accept the rights to the contract. Amend the bill as a whole by deleting sec. 8 and adding new sections designated sections 8 through 8.7, following sec. 7, to read as follows:

"Sec. 8. NRS 686B.070 is hereby amended to read as follows:

686B.070 *1.* Every authorized insurer and every rate service organization licensed under NRS ~~[686B.130]~~ *686B.140* which has been designated by any insurer for the filing of rates under subsection 2 of NRS 686B.090 shall file with the Commissioner all:

~~[1.]~~ *(a)* Rates and proposed increases thereto;

~~[2.]~~ *(b)* Forms of policies to which the rates apply;

~~[3.]~~ *(c)* Supplementary rate information; and

~~[4.]~~ *(d)* Changes and amendments thereof, made by it for use in this state.

2. If an insurer makes a filing for a proposed increase in a rate for insurance covering the liability of a practitioner licensed pursuant to chapter 630, 631, 632 or 633 of NRS for a breach of his professional duty toward a patient, the insurer shall not include in the filing any component that is directly or indirectly related to the following:

(a) Capital losses, diminished cash flow from any dividends, interest or other investment returns, or any other financial loss that is materially outside of the claims experience of the professional liability insurance industry, as determined by the Commissioner.

(b) Losses that are the result of any criminal or fraudulent activities of a director, officer or employee of the insurer.

If the Commissioner determines that a filing includes any such component, the Commissioner shall, pursuant to NRS 686B.110, disapprove the proposed increase, in whole or in part, to the extent that the proposed increase relies upon such a component.

Sec. 8.3. NRS 686B.090 is hereby amended to read as follows:

686B.090 1. An insurer shall establish rates and supplementary rate information for any market segment based on the factors in NRS 686B.060. If an insurer has insufficient creditable loss experience, it may use rates and supplementary rate information prepared by a rate service organization, with modification for its own expense and loss experience.

2. An insurer may discharge its obligation under *subsection 1 of* NRS 686B.070 by giving notice to the Commissioner that it uses rates and supplementary rate information prepared by a designated rate service organization, with such information about modifications thereof as are necessary fully to inform the Commissioner. The insurer's rates and supplementary rate information shall be deemed those filed from time to time by the rate service organization, including any amendments thereto as filed, subject ~~[, however,]~~ to the modifications filed by the insurer.

Sec. 8.7. NRS 686B.110 is hereby amended to read as follows:

686B.110 1. The Commissioner shall consider each proposed increase or decrease in the rate of any kind or line of insurance or subdivision thereof filed with him pursuant to *subsection 1 of* NRS 686B.070. If the Commissioner finds that a proposed increase will result in a rate which is not in compliance with NRS 686B.050 ~~[,]~~ *or subsection 2 of NRS 686B.070,* he shall disapprove the proposal. The Commissioner shall approve or disapprove each proposal no later than 60 days after it is determined by him to be complete pursuant to subsection 4. If the Commissioner fails to approve or disapprove the proposal within that period, the proposal shall be deemed approved.

2. Whenever an insurer has no legally effective rates as a result of the Commissioner's disapproval of rates or other act, the Commissioner shall on request specify interim rates for the insurer that are high enough to protect the interests of all parties and may order that a specified portion of the premiums be placed in an escrow account approved by him. When new rates become legally effective, the Commissioner shall order the escrowed funds or any overcharge in the interim rates to be distributed appropriately, except that refunds to policyholders that are de minimis must not be required.

3. If the Commissioner disapproves a proposed rate and an insurer requests a hearing to determine the validity of his action, the insurer has the burden of showing compliance with the applicable standards for rates established in NRS 686B.010 to 686B.1799, inclusive. Any such hearing must be held:

(a) Within 30 days after the request for a hearing has been submitted to the Commissioner; or

(b) Within a period agreed upon by the insurer and the Commissioner.

If the hearing is not held within the period specified in paragraph (a) or (b), or if the Commissioner fails to issue an order concerning the proposed rate for which the hearing is held within 45 days after the hearing, the proposed rate shall be deemed approved.

4. The Commissioner shall by regulation specify the documents or any other information which must be included in a proposal to increase or decrease a rate submitted to him pursuant to subsection 1. Each such proposal shall be deemed complete upon its filing with the Commissioner, unless the Commissioner, within 15 business days after the proposal is filed with him, determines that the proposal is incomplete because the proposal does not comply with the regulations adopted by him pursuant to this subsection.".

THE ONE HUNDRED AND FIFTEENTH DAY

CARSON CITY (Wednesday), May 28, 2003

Assembly called to order at 11:26 a.m.

Mr. Speaker presiding.

Roll called.

All present.

Prayer by the Chaplain, Reverend Bruce Henderson.

Father, we come to You today as products of a rich heritage. Our forefathers wrote that we have been "endowed by our Creator." Our currency carries our national motto, "In God we trust." Our years are marked B.C. and A.D. to commemorate Your intervention into a fallen world. The presidential oath ends with the words, "so help me God." And, in just a moment, we will pledge that we are "one nation under God." So, it is natural that we come to You today to request Your help as we try to wrap up this session of the Nevada State Legislature. As You have been our help in ages past, please be that for the next several days as well. Thank You.

AMEN.

Pledge of Allegiance to the Flag.

Assemblyman Oceguera moved that further reading of the Journal be dispensed with, and the Speaker and Chief Clerk be authorized to make the necessary corrections and additions.

1. No policy of industrial insurance that has been in effect for at least 70 days or that has been renewed may be cancelled by the insurer before the expiration of the agreed term or 1 year from the effective date of the policy or renewal, whichever occurs first, except on any one of the following grounds:

If the policyholder corrects the condition to the satisfaction of the insurer within the period specified in the policy of insurance, the insurer shall not cancel the policy.

4. Any written notice submitted to a policyholder pursuant to this section must be given by first class mail addressed to the policyholder at the address of the policyholder set forth in the policy of industrial insurance. 5. The provisions of this section do not prohibit, during any period in which a policy of industrial insurance is in force, any change in the premium rate required or authorized by any law, regulation or order of the Commissioner, or otherwise agreed upon by the policyholder and the insurer.

6. For the purposes of this section, any policy of industrial insurance that is written for a term of more than 1 year, or any policy of industrial insurance with no fixed date of expiration, shall be deemed to be written for successive periods of 1 year.".

~~(1) Thirty dollars; or~~

~~(2) Ten percent of the gross annual consideration.~~

~~3. Mr. Speaker presiding.

Roll called.

All present.

Prayer by the Chaplain, Reverend Bruce Henderson.

Lord of Heaven and Earth, as we near the end of this session of the Nevada State Legislature, I want to thank You for the members of the Assembly and their staffs. I especially want to thank You for the tremendous support here at the Legislative Counsel Bureau. Thank You for all those in the Administrative, Legal, Audit, Research, and Fiscal Divisions. Where would we be without them all? Of course, we would be lost without our Front Desk. Thank You for Diane, Matthew, Cindy, Kathryn, Harle, and Jason who serve under the marvelous leadership of Jacque. And thank You, Lord, for giving us a land where we have such freedoms as this.

AMEN.

Upon receipt of an application for a work permit to work as a gaming employee, the Board or licensing authority shall conduct an investigation of the applicant to determine whether he is eligible for the permit. In conducting the investigation, the Board or licensing authority shall forward a complete set of the applicant's fingerprints to the Central Repository for Nevada Records of Criminal History for submission to the Federal Bureau of Investigation for a report concerning the criminal history of the applicant. The investigation need not be limited solely to consideration of the results of the report concerning the criminal history of the applicant.

5. A work permit issued to a gaming employee or an independent agent must have clearly imprinted thereon a statement that it is valid for gaming purposes only.

6. Unless denied or objected to by the Board at the time that the permittee filed a notice of a change in his place of employment pursuant to subsection 8 and unless suspended or revoked, such a permit expires on the fifth anniversary of the permittee's birthday, measured from the birthday nearest the date of issuance or renewal. If the date of birth of a permittee is on February 29 in a leap year, for the purposes of this section, his date of birth shall be deemed to be on February 28.

7. Whenever any person applies to a county or city licensing authority for the issuance or renewal of a work permit, the county or city officer or employee to whom the application is made shall within 24 hours mail or deliver a copy thereof to the Board, and may at the discretion of the county or city licensing authority issue a temporary work permit that is valid for 120 days. If within 120 days after receipt by the Board of the copy of the application, the Board has not notified the county or city licensing authority of any objection, the authority may issue, renew or deny a permanent work permit to the applicant.

8. A gaming employee who is issued a work permit is eligible for employment in any licensed gaming establishment in this state until the work permit is denied or objected to by the Board, expires or is revoked. However, each such employee shall notify the Board within 10 days following any change of his place of employment at a gaming establishment. Such a notification shall be deemed an application for a work permit that the Board may deny or object to after conducting any investigations the Board deems appropriate. The provisions of subsections 9 to 16, inclusive, apply to any such objection of the Board. The Commission shall adopt regulations to:

(a) Facilitate uniform procedures for the issuance of work permits by counties and cities;

(b) Establish uniform criteria for denial by a county or city licensing authority of an application for a work permit; and

(c) Provide for the creation and maintenance of a system of records that contain information regarding the current place of employment of each person who possesses a valid work permit.

9. If the Board, within the 120-day period, notifies:

(a) The county or city licensing authority; and

(b) The applicant, that the Board objects to the granting of a work permit to the applicant, the authority shall deny the work permit and shall immediately revoke and repossess any temporary work permit which it may have issued. The notice of objection by the Board which is sent to the applicant must include a statement of the facts upon which the Board relied in making its objection.

10. Whenever an application for a work permit is made to the Board and the Board denies such an application, it shall include in its notice of the denial a statement of the facts upon which it relied in denying the application.

11. Any person whose application for a work permit has been denied because of an objection by the Board or whose application has been denied by the Board may, not later than 60 days after receiving notice of the denial or objection, apply to the Board for a hearing. A failure of a person whose application has been denied to apply for a hearing within 60 days or his failure to appear at a hearing of the Board conducted pursuant to this section shall be deemed to be an admission that the denial or objection is well-founded, and the failure precludes administrative or judicial review. At the hearing, the Board shall take any testimony deemed necessary. After the hearing, the Board shall review the testimony taken and any other evidence, and shall within 45 days after the date of the hearing mail to the applicant its decision sustaining or reversing the denial of the work permit or the objection to the issuance of a work permit.

12. The Board may object to the issuance of a work permit or may refuse to issue a work permit for any cause deemed reasonable by the Board. The Board may object or refuse if the applicant has:

(a) Failed to disclose or misstated information or otherwise attempted to mislead the Board with respect to any material fact contained in the application for the issuance or renewal of a work permit;

(b) Knowingly failed to comply with the provisions of this chapter or chapter 463B, 464 or 465 of NRS or the regulations of the Commission at a place of previous employment;

(c) Committed, attempted or conspired to commit any crime of moral turpitude, embezzlement or larceny or any violation of any law pertaining to gaming, or any crime which is inimical to the declared policy of this state concerning gaming;

(d) Committed, attempted or conspired to commit a crime which is a felony or gross misdemeanor in this state or an offense in another state or jurisdiction which would be a felony or gross misdemeanor if committed in this state ~~[;]~~ *and which relates to the applicant's suitability or qualifications to work as a gaming employee;*

(e) Been identified in the published reports of any federal or state legislative or executive body as being a member or associate of organized crime, or as being of notorious and unsavory reputation;

(f) Been placed and remains in the constructive custody of any federal, state or municipal law enforcement authority; or

(g) Had a work permit revoked or committed any act which is a ground for the revocation of a work permit or would have been a ground for revoking his work permit if he had then held a work permit.

If the Board issues or does not object to the issuance of a work permit to an applicant, it may specially limit the period for which the permit is valid, limit the job classifications for which the holder of the permit may be employed and establish such individual conditions for the issuance, renewal and effectiveness of the permit as the Board deems appropriate, including required submission to unscheduled tests for the presence of alcohol or controlled substances.

13. Any applicant aggrieved by the decision of the Board may, within 15 days after the announcement of the decision, apply in writing to the Commission for review of the decision. Review is limited to the record of the proceedings before the Board. The Commission may sustain, modify or reverse the Board's decision. The decision of the Commission is subject to judicial review pursuant to NRS 463.315 to 463.318, inclusive.

14. Except as otherwise provided in this subsection, all records acquired or compiled by the Board or Commission relating to any application made pursuant to this section and all lists of persons to whom work permits have been issued or denied and all records of the names or identity of persons engaged in the gaming industry in this state are confidential and must not be disclosed except in the proper administration of this chapter or to an authorized law enforcement agency. Upon receipt of a request from the Welfare Division of the Department of Human Resources pursuant to NRS 425.400 for information relating to a specific person who has applied for or holds a work permit, the Board shall disclose to the Division his social security number, residential address and current employer as that information is listed in the files and records of the Board. Any record of the Board or Commission which shows that the applicant has been convicted of a crime in another state must show whether the crime was a misdemeanor, gross misdemeanor, felony or other class of crime as classified by the state in which the crime was committed. In a disclosure of the conviction, reference to the classification of the crime must be based on the classification in the state where it was committed.

15. The Chairman of the Board may designate a member of the Board or the Board may appoint a hearing examiner and authorize that person to perform on behalf of the Board any of the following functions required of the Board by this section concerning work permits:

(a) Conducting a hearing and taking testimony;

(b) Reviewing the testimony and evidence presented at the hearing;

(c) Making a recommendation to the Board based upon the testimony and evidence or rendering a decision on behalf of the Board to sustain or reverse

the denial of a work permit or the objection to the issuance or renewal of a work permit; and

(d) Notifying the applicant of the decision.

16. Notice by the Board as provided pursuant to this section is sufficient if it is mailed to the applicant's last known address as indicated on the application for a work permit, or the record of the hearing, as the case may be. The date of mailing may be proven by a certificate signed by an officer or employee of the Board which specifies the time the notice was mailed. The notice shall be deemed to have been received by the applicant 5 days after it is deposited with the United States Postal Service with the postage thereon prepaid.

Assembly Conference Committee	*Senate Conference Committee*

Conference Amendment No. CA26.

Amend the bill as a whole by renumbering section 1 as sec. 2 and adding a new section designated section 1, following the enacting clause, to read as follows:

"Section 1. NRS 616A.185 is hereby amended to read as follows:

616A.185 *For the purposes of chapters 616A to 616D, inclusive, of NRS:*

1. A member of the Nevada Legislature shall be deemed ~~[for the purposes of chapters 616A to 616D, inclusive, of NRS]~~ to be an employee of the State during his term of office at the wage of $2,000 per month and is entitled to the benefits of those chapters.

2. Except as otherwise provided in this subsection and subsection 1 of NRS 616A.265, any injury sustained by a member of the Nevada Legislature shall be deemed to have arisen out of and in the course of his employment as

a Legislator if, at the time of the injury, he was performing any act or was engaging in any event that was reasonably related to his legislative office or his public service as a Legislator, whether or not he was receiving remuneration from the State for performing the act or engaging in the event at the time of the injury. The provisions of this subsection do not apply to any injury sustained by a member of the Nevada Legislature if, at the time of the injury, he was performing any act or was engaging in any event that was reasonably related to a political campaign for any legislative or other elective office.".

Amend the bill as a whole by renumbering sec. 2 as sec. 4 and adding a new section designated sec. 3, following section 1, to read as follows:

"Sec. 3. 1. If a claimant or a dependent of a claimant is entitled to receive compensation pursuant to chapters 616A to 617, inclusive, of NRS for a permanent total disability for which a final determination was made before January 1, 1996, the claimant or dependent is entitled to a single payment for that permanent total disability in an amount determined by the Administrator pursuant to subsection 4.

2. As soon as practicable after the effective date of this act, the Administrator shall assess each insurer, including each employer who provides accident benefits for injured employees pursuant to NRS 616C.265, an amount that, as determined by the Administrator, is required to obtain a total of $500,000. As soon as practicable after determining that amount, the Administrator shall submit to each insurer assessed pursuant to this subsection a written notice setting forth the amount of the assessment. Within 90 days after receiving the written notice, the insurer shall remit the assessment to the Administrator. Any money collected by the Administrator from the assessment must be accounted for separately by the Administrator.

3. An insurer who pays an assessment pursuant to this section shall charge and collect from each policyholder of the insurer a fee to cover the amount of the assessment. Such a fee is in addition to any premium charged to the policyholder for industrial insurance and must not be included in the amount of any such premium. The insurer shall bill the policyholder separately for the fee or include the fee as a separate charge on the policy.

4. The Administrator shall adopt regulations establishing a method for the equitable distribution of the money collected from the assessment pursuant to this section. The regulations must provide for payments that result in the largest proportional share of the money collected from the assessment being paid to claimants and dependents who receive the lowest amount of compensation pursuant to chapters 616A to 617, inclusive, of NRS for the permanent total disability. The Administrator may adopt any other regulations that are necessary to carry out the provisions of this section.

5. The Administrator shall make the payment required by this section to each claimant and dependent who is entitled to the payment not later than July 1, 2004. Any payment received by a claimant or dependent pursuant to

this section is in addition to any compensation to which the claimant or dependent is otherwise entitled by law.

6. If any words and terms used in this section are defined in NRS 616A.030 to 616A.360, inclusive, such words and terms must be given the meanings ascribed to them in NRS 616A.030 to 616A.360, inclusive. The provisions of this section must be interpreted and enforced by the Administrator as if they were part of chapters 616A to 617, inclusive, of NRS.".

Amend the title of the bill to read as follows:

"AN ACT relating to industrial insurance; clarifying the coverage of industrial insurance for members of the Nevada Legislature; extending the coverage of industrial insurance for employees of school districts who engage in an athletic or social event under certain circumstances; providing for a one-time payment to certain claimants and dependents of claimants who are receiving compensation for a permanent total disability; and providing other matters properly relating thereto.".

THE ONE HUNDRED AND NINETEENTH DAY

CARSON CITY (Sunday), June 1, 2003

Assembly called to order at 11:16 a.m.
Mr. Speaker presiding.
Roll called.
All present.
Prayer by the Chaplain, Assemblyman Richard Perkins.

What are always the toughest days of the Legislative Session, we oftentimes worry about license plates and other things. We're sometimes not as nice to each other as we should be. I'm going to borrow a prayer that was given to this House in 1997:

We pray for children

who put chocolate fingers everywhere,
who like to be tickled,
who stomp in puddles and ruin their new pants,
who sneak Popsicles before supper,
who erase holes in math workbooks,
who can never find their shoes.

And we pray for those

who stare at photographers from behind barbed wire,
who can't bound down the street in a new pair of sneakers,
who never "counted potatoes,"
who are born in places we wouldn't be caught dead,
who never go to the circus and who live in an X-rated world.

We pray for children

who bring us sticky kisses and fistfuls of dandelions,
who sleep with the dog and bury the goldfish,
who hug us in a hurry and forget their lunch money,
who cover themselves with Band-aids and sing off key,
who squeeze toothpaste all over the sink and who slurp their soup.

And we pray for those

who never get dessert,
who have no safe blanket to drag behind them,
who watch their parents watch them die,
who can't find any bread to steal,
who don't have any rooms to clean up,
whose pictures aren't on anybody's dresser,
whose monsters are real.

We pray for children

who spend all their allowance before Tuesday,
who throw tantrums in the grocery store and pick at their food,
who like ghost stories,
who shove dirty clothes under the bed and never rinse out the tub,
who get visits from the tooth fairy,

who don't like to be kissed in front of the carpool,
who squirm in church or temple and scream in the phone,
whose tears we sometimes laugh at and whose smiles can make us cry.

We pray for those

whose nightmares come in the daytime,
who will eat anything,
who have never seen a dentist,
who aren't spoiled by anybody,
who go to bed hungry and cry themselves to sleep,
who live and move, but have no being.

We pray for children who want to be carried and

for those who must,
for those we never give up on and for those
who don't get a second chance.

For those we smother and for those who will grab the hand of anybody kind enough to offer it.

AMEN.

Pledge of Allegiance to the Flag.

Assemblyman Oceguera moved that further reading of the Journal be dispensed with, and the Speaker and Chief Clerk be authorized to make the necessary corrections and additions.

Motion carried.

Assemblyman Goldwater moved that the Assembly adopt the report of the first Conference Committee concerning Assembly Bill No. 502.

Remarks by Assemblyman Goldwater.

Assemblywoman Buckley requested that the following remarks be entered in the Journal.

ASSEMBLYMAN GOLDWATER:

Mr. Speaker, thank you. First, the amendment clarifies the coverage for medical treatment required to be included in the policies of health insurance and health care plans contained in this bill. Second, the amendment exempts the policies and plans from requirements to cover particular medical treatment at the clinical trial or study if the sponsor of the clinical trial or study provides that medical treatment free of charge to the insured. Last, it allows an extension of the coverage period provided by the bill if a policy includes a defined set of providers of health care and the provider's contract with the insurer is terminated during the course of the treatment. Mr. Speaker, for the purposes of the Legislative record, the conference amendment to Assembly Bill 502 intended to include coverage of clinical trials and not to exclude any sort of health care coverage that might be associated with that clinical trial. It is a mandated coverage bill and in the Assembly and in the conference report our intent was to cover everything related to a clinical trial.

Motion carried by a constitutional majority.

Conference Amendment No. CA23.

Amend the bill as a whole by renumbering sections 5 through 7 as sections 17 through 19 and adding new sections designated sections 5 through 16, following sec. 4, to read as follows:

"Sec. 5. NRS 349.983 is hereby amended to read as follows:

349.983 1. Grants may be made pursuant to paragraph (a) of subsection 1 of NRS 349.981 only for *the Lincoln Valley Water District and* those community and nontransient water systems that:

(a) Were in existence on January 1, 1995; and

(b) Are currently publicly owned.

2. In making its determination of which purveyors of water are to receive grants pursuant to paragraph (a) of subsection 1 of NRS 349.981, the Board shall give preference to those purveyors of water whose public water systems regularly serve fewer than 6,000 persons.

3. Each recipient of a grant pursuant to paragraph (a) of subsection 1 of NRS 349.981 shall provide an amount of money for the same purpose. The Board shall develop a scale to be used to determine that amount, but the recipient must not be required to provide an amount less than 15 percent or more than 75 percent of the amount of the grant. The scale must be based upon the average household income of the customers of the recipient, and provide adjustments for the demonstrated economic hardship of those customers, the existence of an imminent risk to public health and any other factor that the Board determines to be relevant.

Sec. 6. As used in sections 6 to 16, inclusive, of this act, unless the context otherwise requires, the words and terms defined in sections 7, 8 and 9 of this act have the meanings ascribed to them in those sections.

Sec. 7. "Board" means the Governing Board of the District.

Sec. 8. "District" means the Lincoln County Water District created by section 10 of this act.

Sec. 9. "Service area" means the service area of the District described in section 10 of this act.

Sec. 11. The District has the following powers:

1. To have perpetual succession.

2. To sue and be sued in the name of the District in all courts or tribunals of competent jurisdiction.

The District shall not exercise the power of eminent domain to acquire the water rights or waterworks facilities of any nonprofit purveyor delivering water for domestic use whose service area is adjacent to the District without first obtaining the consent of the purveyor.

10. To enter upon any land, to make surveys and locate any necessary improvements, including, without limitation, lines for channels, conduits, canals, pipelines, roadways and other rights-of-way, to acquire property necessary or convenient for the construction, use, supply, maintenance, repair and improvement of such improvements, including, without limitation, works constructed and being constructed by private owners, lands for reservoirs for the storage of necessary water, and all necessary appurtenances, and, where necessary and for the purposes and uses set forth in this section, to acquire and hold the stock of corporations, domestic or foreign, owning water or water rights, canals, waterworks, franchises, concessions or other rights.

14. To cooperate and act in conjunction with the State of Nevada or any of its engineers, officers, boards, commissions, departments or agencies, with the Government of the United States or any of its engineers, officers, boards, commissions, departments or agencies, or with any public or private

corporation, to construct any work for the development, importation or distribution of water of the District, for the protection of life or property therein, or for the conservation of its water for beneficial use within the District, or to carry out any other works, acts or purposes provided for in sections 6 to 16, inclusive, of this act, and to adopt and carry out any definite plan or system of work for any of the purposes described in sections 6 to 16, inclusive, of this act.

16. To sell and distribute water under the control of the District, without preference, to any natural person, firm, corporation, association, district, agency or inhabitant, public or private, for use within the service area, to fix, establish and adjust rates, classes of rates, terms and conditions for the sale and use of such water, and to sell water for use outside the service area upon a finding by the Board that there is a surplus of water above that amount required to serve customers within the service area.

17. To cause taxes to be levied and collected for the purposes prescribed in sections 6 to 16, inclusive, of this act, including, without limitation, the payment of any obligation of the District during its organizational state and thereafter, and necessary engineering costs, and to assist in the operational expenses of the District, until such taxes are no longer required.

18. To supplement the surface and ground-water resources of Lincoln County by the importation and use of water from other sources for industrial, irrigation, municipal and domestic uses.

19. To restrict the use of water of the District during any emergency caused by drought or other threatened or existing water shortage, and to prohibit the waste of water of the District at any time through the adoption of ordinances, rules or regulations and the imposition of fines for violations of those ordinances, rules and regulations.

2. The Board shall determine the amount of money necessary to be raised by taxation for a particular year in addition to other sources of revenue of the District. The Board then shall fix a rate of levy which, when applied to the assessed valuation of all taxable property within the District, will produce an amount, when combined with other revenues of the District, sufficient to pay, when due, all principal of and interest on general obligations of the District and any defaults or deficiencies relating thereto.

3. In accordance with and in the same manner required by the law applicable to incorporated cities, the Board shall certify the rate of levy fixed pursuant to subsection 2 for levy upon all taxable property in the District in accordance with such rate at the time and in the manner required by law for levying of taxes for county purposes.

Amend sec. 10, page 3, line 42, after "*months.*" by inserting: "*At the time of the annual renewal of a policyholder's policy, the insurer shall, upon the request of the policyholder or the policyholder's agent, reunderwrite and rerate the policy based upon a current consumer credit report or insurance score. An insurer need not, at the request of a policyholder or the policyholder's agent, recalculate the insurance score of or obtain an updated consumer credit report of the policyholder more frequently than once in any 12-month period. An insurer may, at its discretion, obtain an updated consumer credit report regarding a policyholder more frequently than once every 36 months, if to do so is consistent with the underwriting guidelines of the insurer.*".

Amend sec. 10, page 4, line 4, after "*insurer.*" by inserting: "*With respect to such a policyholder, the insurer may elect to obtain an updated consumer credit report if to do so is consistent with the underwriting guidelines of the insurer.*".

Amend sec. 10, page 4, by deleting lines 28 through 30.

Amend the bill as a whole by deleting sec. 11, renumbering sections 12 through 20 as sections 16 through 24 and adding new sections designated sections 11 through 15, following sec. 10, to read as follows:

"Sec. 11. *If it is determined pursuant to the dispute resolution process set forth in section 611(a) of the federal Fair Credit Reporting Act, 15 U.S.C. § 1681i(a), that the credit information of a policyholder was incorrect or incomplete and if the insurer receives notice of such determination from either the consumer reporting agency or from the policyholder, the insurer shall reunderwrite and rerate the policyholder within 30 days of receiving the notice. After reunderwriting or rerating the insured, the insurer shall make any adjustments necessary, consistent with its underwriting and rating guidelines. If an insurer determines that the policyholder has overpaid a premium, the insurer shall refund to the policyholder the amount of overpayment calculated back to the shorter of either the last 12 months of coverage or the actual period of the policy.*

Sec. 12. *1. If an insurer uses credit information in underwriting or rating an applicant, the insurer or its agent shall disclose, either on the application for the policy or at the time the application is taken, that the insurer may obtain credit information in connection with the application. The disclosure must be written or provided to an applicant in the same medium as the application. The insurer need not provide the disclosure required pursuant to this section to a policyholder upon renewal of a policy if the policyholder was previously provided the disclosure in connection with the policy.*

2. An insurer may comply with the requirements of this section by providing the following statement:

In connection with this application for insurance, we may review your credit report or obtain or use a credit-based insurance score based on the information contained in that credit report. We may use a third party in connection with the development of your insurance score.

Sec. 13. *If an insurer takes an adverse action based upon credit information, the insurer shall:*

1. Provide notice to the applicant or policyholder that an adverse action has been taken, in accordance with the requirements of section 615(a) of the federal Fair Credit Reporting Act, 15 U.S.C. § 1681m(a).

2. Provide notice to the applicant or policyholder explaining the reasons for the adverse action. The reasons must be provided in sufficiently clear and specific language so that a person can identify the basis for the insurer's decision to take the adverse action. The notice must include a description of not more than four factors that were the primary influences of the adverse action. The use of generalized terms such as "poor credit history," "poor credit rating" or "poor insurance score" does not meet the requirements of this subsection. Standardized explanations provided by consumer reporting agencies are deemed to comply with this section.

Sec. 14. *1. An insurer shall indemnify, defend and hold harmless an agent of the insurer from and against all liability, fees and costs arising out of or relating to the actions, errors or omissions of the agent with regard to obtaining or using credit information or insurance scores for the insurer, if the agent follows the instructions of or procedures established by the insurer and complies with any applicable law or regulation.*

2. This section does not provide, expand, limit or prohibit any cause of action an applicant or policyholder may have against an agent of an insurer.

Sec. 15. *1. A consumer reporting agency shall not provide or sell data or lists that include any information that in whole or in part was submitted in conjunction with:*

(a) An inquiry by or for an insurer about the credit information of an applicant or policyholder; or

(b) A request for a credit report or insurance score.

2. The information described in subsection 1 includes, without limitation:

(a) The expiration date of a policy or any other information that may identify time periods during which a policy of an applicant or policyholder may expire; and

(b) The terms and conditions of the coverage provided by a policy of an applicant or policyholder.

3. The restriction set forth in subsection 1 does not apply to data or lists the consumer reporting agency supplies to the insurer, or an agent or affiliate of the insurer, from whom the information was received.

4. The provisions of this section do not restrict any insurer from being able to obtain a report regarding a motor vehicle or a report of a history of claims.".

Amend sec. 18, page 9, line 25, by deleting: "*as determined by*" and inserting: "*at the discretion of*".

Amend sec. 19, page 11, line 33, by deleting: "*as determined by*" and inserting: "*at the discretion of*".

Amend the bill as a whole by adding new sections designated sections 25 and 26, following sec. 20, to read as follows:

"Sec. 25. 1. On or before December 31, 2004, the Commissioner of Insurance shall prepare a report and submit the report to the Governor and the Legislature. The report must address:

(a) The operation of sections 2 to 15, inclusive, of this act;

(b) The efficacy, necessity and desirability of using credit information in making decisions related to insurance;

(c) The impacts upon the residents of Nevada of the continued use of credit information in making decisions related to insurance; and

(d) Any additional consumer protections identified by the Commissioner for the consideration of the Legislature.

2. As used in this section, "credit information" has the meaning ascribed to it in section 7 of this act.

SECOND READING AND AMENDMENT

Assembly Bill No. 482.

Bill read second time.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 984.

Amend the bill as a whole by deleting sections 1 through 7 and adding new sections designated sections 1 through 7, following the enacting clause, to read as follows:

"Section 1. The Legislature hereby finds and declares that:

1. Federal law concerning payments made pursuant to 42 U.S.C. § 1396r-4, otherwise known as "disproportionate share payments," are a critical source of income for hospitals, particularly public hospitals.

2. To ensure that certain hospitals can depend upon the revenue from this source, the Legislature has periodically established base payments to the hospitals in a fiscal year.

3. Because of the unique geographic, financial and organizational characteristics of these hospitals, a general law establishing base disproportionate share payments cannot be made applicable.

Sec. 2. NRS 422.380 is hereby amended to read as follows:

422.380 As used in NRS 422.380 to 422.390, inclusive, unless the context otherwise requires:

1. *"Disproportionate share payment" means a payment made pursuant to 42 U.S.C. § 1396r-4.*

2. "Hospital" has the meaning ascribed to it in NRS 439B.110 and includes public and private hospitals.

~~[2.]~~ *3.* "Public hospital" means:

(a) A hospital owned by a state or local government, including, without limitation, a hospital district; or

(b) A hospital that is supported in whole or in part by tax revenue, other than tax revenue received for medical care which is provided to Medicaid patients, indigent patients or other low-income patients.

Sec. 3. NRS 422.382 is hereby amended to read as follows:

422.382 1. In a county *whose population is 100,000 or more* within which:

(a) A public hospital is located, the state or local government or other entity responsible for the public hospital shall transfer an amount equal to ~~[75]~~ *:*

(1) Seventy percent of the total amount *of disproportionate share payments* distributed to ~~[that hospital]~~ *all hospitals* pursuant to NRS 422.387 for a fiscal year, less ~~[$75,000,]~~ *$1,050,000; or*

(2) Sixty-eight and fifty-four one hundredths percent of the total amount of disproportionate share payments distributed to all hospitals pursuant to NRS 422.387 for a fiscal year, whichever is less, to the Division of Health Care Financing and Policy.

(b) A private hospital which receives a *disproportionate share* payment pursuant to ~~[:~~

~~(1) Paragraph (b)]~~ *paragraph (c)* of subsection 2 of NRS 422.387 is located, the county shall transfer ~~[:~~

~~(I) Except as otherwise provided in sub-subparagraph (II), an amount equal to 75 percent of the total amount distributed to that hospital pursuant to paragraph (b) of subsection 2 of NRS 422.387 for a fiscal year; or~~

~~(II) An amount established by the Legislature for a fiscal year,]~~ *1.95 percent of the total amount of disproportionate share payments distributed to all hospitals pursuant to NRS 422.387 for a fiscal year, but not more than $1,500,000,* to the Division of Health Care Financing and Policy.

~~[(2) Paragraph (c) of subsection 2 of NRS 422.387 is located, the county shall transfer:~~

~~(I) An amount equal to 75 percent of the total amount distributed to that hospital pursuant to that paragraph for a fiscal year, less $75,000; or~~

~~(II) Any maximum amount established by the Legislature for a fiscal year, whichever is less, to the Division of Health Care Financing and Policy.]~~

2. A county that transfers the amount required pursuant to ~~[subparagraph (1) of]~~ paragraph (b) of subsection 1 to the Division of Health Care Financing and Policy is discharged of the duty and is released from liability for providing medical treatment for indigent inpatients who are treated in the hospital in the county that receives a payment pursuant to paragraph ~~[(b)]~~ *(c)* of subsection 2 of NRS 422.387.

3. The money transferred to the Division of Health Care Financing and Policy pursuant to subsection 1 must not come from any source of funding that could result in any reduction in revenue to the State pursuant to 42 U.S.C. § 1396b(w).

4. Any money collected pursuant to subsection 1, including any interest or penalties imposed for a delinquent payment, must be deposited in the State

Treasury for credit to the Intergovernmental Transfer Account in the State General Fund to be administered by the Division of Health Care Financing and Policy.

5. The interest and income earned on money in the Intergovernmental Transfer Account, after deducting any applicable charges, must be credited to the Account.

Sec. 4. NRS 422.385 is hereby amended to read as follows:

2. Except as otherwise provided in subsection 3 and subsection ~~[3]~~ *6* of NRS 422.387, the money in the Intergovernmental Transfer Account must be transferred from that Account to the Medicaid Budget Account to the extent that money is available from the Federal Government for proposed expenditures, including expenditures for administrative costs. If the amount in the Account exceeds the amount authorized for expenditure by the Division of Health Care Financing and Policy for the purposes specified in NRS 422.387, the Division of Health Care Financing and Policy is authorized to expend the additional revenue in accordance with the provisions of the State Plan for Medicaid.

3. If enough money is available to support Medicaid and to make the payments required by subsection ~~[3]~~ *6* of NRS 422.387, money in the Intergovernmental Transfer Account may be transferred:

(a) To an account established for the provision of health care services to uninsured children pursuant to a federal program in which at least 50 percent of the cost of such services is paid for by the Federal Government, including, without limitation, the Children's Health Insurance Program; or

(b) To carry out the provisions of NRS 439B.350 and 439B.360.

Sec. 5. NRS 422.387 is hereby amended to read as follows:

422.387 1. Before making the payments required or authorized by this section, the Division of Health Care Financing and Policy shall allocate money for the administrative costs necessary to carry out the provisions of NRS 422.380 to 422.390, inclusive. The amount allocated for administrative costs must not exceed the amount authorized for expenditure by the Legislature for this purpose in a fiscal year. The Interim Finance Committee may adjust the amount allowed for administrative costs.

2. The State Plan for Medicaid must provide ~~[:~~

~~(a) For~~] *for* the payment of the maximum amount *of disproportionate share payments* allowable under federal law and regulations . ~~[after making any payments pursuant to paragraphs (b) and (c), to public hospitals for treating a disproportionate share of Medicaid patients, indigent patients or other low-income patients, unless such payments are subsequently limited by federal law or regulation.~~

~~(b) For a payment in an amount approved by the Legislature to the private hospital that provides the largest volume of medical care to Medicaid patients, indigent patients or other low-income patients in a county that does not have a public hospital.~~

~~(c) For a payment to each private hospital whose Medicaid utilization percentage is greater than the average for all the hospitals in this state and which is located in a county that has a public hospital, in an amount equal to:~~

~~(1) If the Medicaid utilization percentage of the hospital is greater than 20 percent, $200 for each uncompensated day incurred by the hospital; and~~

~~(2) If the Medicaid utilization percentage of the hospital is 20 percent or less, $100 for each uncompensated day incurred by the hospital.~~] *The State Plan for Medicaid must provide that for:*

(a) All public hospitals in counties whose population is 400,000 or more, the total annual disproportionate share payments are $66,650,000 plus 90 percent of the total amount of disproportionate share payments distributed by the State in that fiscal year that exceeds $76,000,000;

(b) All private hospitals in counties whose population is 400,000 or more, the total annual disproportionate share payments are $1,200,000 plus 2.5 percent of the total amount of disproportionate share payments distributed by the State in that fiscal year that exceeds $76,000,000;

3. The State Plan for Medicaid must provide for a base payment in an amount determined pursuant to subsections 4 and 5. Any amount set forth in each paragraph of subsection 2 that remains after all base payments have been distributed must be distributed to the hospital within that paragraph with the highest uncompensated care percentage in an amount equal to either the amount remaining after all base payments have been distributed or the amount necessary to reduce the uncompensated care percentage of that hospital to the uncompensated care percentage of the hospital in that paragraph with the second highest uncompensated care percentage, whichever is less. 3. The Commissioner shall collect from each entity identified in subsection 1 an assessment that is based on:

(a) A portion of the total amount of all assessments as determined pursuant to subsection 2, such that the assessment collected from an entity identified in subsection 1 shall bear the same relation to the total amount of all assessments as the total assets of that entity bear to the total of all assets of all entities identified in subsection 1; or

GENERAL FILE AND THIRD READING

Senate Bill No. 497.

Bill read third time.

Remarks by Assemblymen Anderson, Weber, and Angle.

Assemblywoman Angle requested that the following remarks be entered in the Journal.

ASSEMBLYMAN ANDERSON:

Thank you, Mr. Speaker. Senate Bill 497 authorizes the Board of County Commissioners in a county whose population is as the Chief Clerk described. The bill clarifies that any proceeds or fees imposed on certain rental cars must be used solely to pay the cost to acquire, improve, equip, operate, and maintain a minor league baseball stadium in the County of Washoe. The measure notes that the board may not repeal, amend, or modify an ordinance imposing this fee in a manner that impairs any outstanding bond issue to incur by the county. In addition, the bill stipulates that the adoption ordinance must require the Board to enter into a contract with the Nevada Department of Taxation to perform all functions relative to collection and administration of the rental car fee. It further requires the Board of County Commissioners to create a stadium authorized to operate the minor league baseball stadium project. The authority must consist of one member of the Board, one member from the governing body of each city in the county whose population is 60,000 or more, and two persons appointed by the owner of any home team that is selected. The measure authorizes the Board of County Commissioners that has adopted the ordinance to set up a fee for rental cars to acquire, improve, equip, and maintain such a stadium. The bill further allows the revenue bonds to be payable from the proceeds of an addition to the rental car fee, with the general revenue from fees and rates charged from using the stadium to include parking, concessions, and ticket sales.

ASSEMBLYWOMAN WEBER:

Thank you, Mr. Speaker. To avoid the appearance of impropriety I will abstain from this vote, as my sister-in-law is a Washoe County Commissioner.

ASSEMBLYWOMAN ANGLE:

Thank you, Mr. Speaker. I have deep concerns about this bill, but during the hearings I was promised by the proponents that they would protect the taxpayers' interests in Washoe County by making those provisions within the contracts, therefore I will be supporting this bill. Thank you, Mr. Speaker.

Conference Amendment No. CA41.

Amend the bill as a whole by deleting sections 1 through 20 and adding new sections designated sections 1 through 19, following the enacting clause, to read as follows:

"Section 1. Chapter 375 of NRS is hereby amended by adding thereto a new section to read as follows:

1. In addition to all other taxes imposed on transfers of real property, the board of county commissioners of a county whose population is less than 400,000 may impose a tax at the rate of up to 5 cents for each $500 of value, or fraction thereof, on each deed by which any lands, tenements or other realty is granted, assigned, transferred or otherwise conveyed to, or vested in, another person, if the consideration or value of the interest or property conveyed exceeds $100.

2. The amount of the tax must be computed on the basis of the value of the transferred real property as declared pursuant to NRS 375.060.

3. The county recorder shall collect the tax in the manner provided in NRS 375.030, except that he shall transmit all the proceeds from the tax imposed pursuant to this section to the State Treasurer for use in the Plant Industry Program as required by NRS 561.355.

Sec. 2. NRS 375.018 is hereby amended to read as follows:

375.018 With regard to the administration of ~~[the real property transfer tax,]~~ *any tax imposed by this chapter,* the county recorder shall apply the following principles:

1. Forms, instructions and regulations governing the computation of the amount of tax due must be brief and easily understood.

2. In cases where another authority, such as the United States or this state, also imposes a tax upon the same property or revenue, the mechanism for collecting the tax imposed by the county must be as nearly compatible with the collection of the other taxes as is feasible.

3. Unless a change is made necessary by statute or to preserve compatibility with a tax imposed by another authority, the forms, instructions and regulations must remain the same from year to year, to make the taxpayer's liability as predictable as is feasible.

4. Exemptions or waivers, where permitted by statute, must be granted:

(a) Equitably among eligible taxpayers; and

(b) As sparingly as is consistent with the legislative intent, to retain the broadest feasible base for the tax.

Sec. 3. NRS 375.030 is hereby amended to read as follows:

375.030 1. If any deed evidencing a transfer of title subject to the tax imposed by NRS 375.020 and, if applicable, NRS 375.025 ~~[,]~~ *and section 1 of this act,* is offered for recordation, the county recorder shall compute the amount of the tax due and shall collect that amount before acceptance of the deed for recordation.

2. The buyer and seller are jointly and severally liable for the payment of the taxes imposed by NRS 375.020 and 375.025 *and section 1 of this act* and any penalties and interest imposed pursuant to subsection 3. The escrow holder is not liable for the payment of the taxes imposed by NRS 375.020 and 375.025 *and section 1 of this act* or any penalties or interest imposed pursuant to subsection 3.

3. If after recordation of the deed, the county recorder disallows an exemption that was claimed at the time the deed was recorded or through audit or otherwise determines that an additional amount of tax is due, the county recorder shall promptly notify the person who requested the recording of the deed and the buyer and seller of the additional amount of tax due. If the additional amount of tax is not paid within 30 days after the date the buyer and seller are notified, the county recorder shall impose a penalty of 10 percent of the additional amount due in addition to interest at the rate of 1 percent per month, or portion thereof, of the additional amount due calculated from the date of the original recordation of the deed on which the additional amount is due through the date on which the additional amount due, penalty and interest are paid to the county recorder.

4. This section does not prohibit a buyer and seller from agreeing by contract or otherwise that one party or the other will be responsible for the payment of the tax due pursuant to this chapter, but such an agreement does not affect the ability of the county recorder to collect the tax and any penalties and interest from either the buyer or the seller.

Sec. 4. NRS 375.070 is hereby amended to read as follows:

375.070 1. The county recorder shall transmit the proceeds of the ~~[real property transfer]~~ tax *imposed by NRS 375.020* at the end of each quarter in the following manner:

(a) An amount equal to that portion of the proceeds which is equivalent to 10 cents for each $500 of value or fraction thereof must be transmitted to the State Controller who shall deposit that amount in the Account for Low-Income Housing created pursuant to NRS 319.500.

(b) In a county whose population is more than 400,000, an amount equal to that portion of the proceeds which is equivalent to 60 cents for each $500 of value or fraction thereof must be transmitted to the county treasurer for deposit in the county school district's fund for capital projects established pursuant to NRS 387.328, to be held and expended in the same manner as other money deposited in that fund.

(c) The remaining proceeds must be transmitted to the State Controller for deposit in the Local Government Tax Distribution Account created by NRS 360.660 for credit to the respective accounts of Carson City and each county.

2. In addition to any other authorized use of the proceeds it receives pursuant to subsection 1, a county or city may use the proceeds to pay expenses related to or incurred for the development of affordable housing for families whose income does not exceed 80 percent of the median income for families residing in the same county, as that percentage is defined by the United States Department of Housing and Urban Development. A county or city that uses the proceeds in that manner must give priority to the development of affordable housing for persons who are disabled or elderly.

3. The expenses authorized by subsection 2 include, but are not limited to:

(a) The costs to acquire land and developmental rights;

(b) Related predevelopment expenses;

(c) The costs to develop the land, including the payment of related rebates;

(d) Contributions toward down payments made for the purchase of affordable housing; and

(e) The creation of related trust funds.

2. The county recorder may issue subpoenas to require the production of documents necessary for him to determine the amount of ~~[real property transfer]~~ *the* tax due pursuant to this chapter or to determine whether a person qualifies for an exemption from taxes pursuant to this chapter. The county recorder may have the subpoenas served, and upon application of the district attorney, to any court of competent jurisdiction, enforced in the manner provided by law for the service and enforcement of subpoenas in a civil action.

Sec. 8. NRS 375.160 is hereby amended to read as follows:

375.160 1. If any ~~[real property transfer]~~ tax imposed pursuant to this chapter is not paid when due, the county may, within 3 years after the date that the tax was due, record a certificate in the office of the county recorder which states:

Thank you, Mr. Speaker. On page 8, Section 6, the definition of public money was intended to exclude the Public Employees' Retirement System of Nevada fund. REMARKS FROM THE FLOOR

Assemblywoman Buckley requested that her remarks be entered in the Journal.

Thank you, Mr. Speaker. Harry Emerson Fosdick said, "Democracy is based upon the conviction that there are extraordinary possibilities in ordinary people." This Body is proof of that. Every two years, 42 ordinary people leave family, friends, and jobs to come to this building to conduct the people's business. We pride ourselves in being the people's House, mirroring the spirit and independence of Nevadans. We are teachers, ranchers, business people, doctors, lawyers, or ordinary people, yet we've been given an extraordinary opportunity to serve. Each and every citizen in this State will be affected by something that someone in this Body did in this session.

It's easy to forget, with this very sloppy ending to a Legislative Session, some of the things we did do.

We completed the integration of Child Welfare Services to better serve abused children. We now have a statewide Amber Alert System so that law enforcement has the tools they need to find missing children before it's too late. We looked out for school children. We improved accountability measures, improved school discipline problems, we continued a program to replace old crumbling schools, and as always, we continued our work to keep classrooms small, to recruit and retain the best possible teachers, and to provide our schools the textbooks and materials they need. We looked out for homeowners. After a couple of unsuccessful sessions, we finally passed some landmark construction defect legislation in an effort to try to serve people who are trying to get their homes fixed while avoiding lawsuits. We looked out for consumers. We passed a significant no-call registry to keep telemarketers from bothering people at home with unwanted calls. We added protections for people buying rebuilt wrecks, or getting a home loan. We enacted insurance reforms. In the wake of the Enron and WorldCom scandals we enacted new protections against corporate fraud. We looked out for public safety. We enacted anti-terrorism legislation and new offenses that will lock up individuals who commit sex crimes against our children. We enacted additional penalties for identity theft and strengthened our domestic violence laws.

We looked out for the sick and injured by making critical reforms to our health care system. We provided new hope for cancer patients. We allowed patients of managed care organizations a new way to get independent review of denials of care by HMOs. We made some critical reforms to medical malpractice insurance and improved Senior Rx by doubling the number of seniors

who could get prescription drugs for the first time, helping individuals with disabilities to get prescription drugs, all without a new cent of General Fund dollars by taking advantage of a new federal Medicaid Waiver Program. We looked out for our senior citizens. In addition to being benefited by no longer having to be bothered by telemarketing calls, we created a prescription help desk, we added penalties for abuse and exploitation of seniors, we provided for increased training for those with Alzheimer's.

Mr. Speaker, we worked through holidays, weekends, and exhaustion. We celebrated lots of different events while we were here. We have been inspired especially by the energy and enthusiasm of our freshman class. Whether Democratic or Republican, we have had the best group of freshmen that this Body has seen in years, and we thank all of you for your sacrifice and for joining us in an effort every day to do all we can while we are here to make Nevada a better place.

The accomplishments of our freshman class are to be commended, and the people of Nevada should have great confidence in this Body's next generation of leadership.

Each time I step into this Chamber, I am honored and privileged and awed to think that I had an opportunity to serve here. I don't think there is any other place in the country where someone who has no contacts with anyone in a political structure gets into office. They don't only get into office because they know someone—Nevada is not like that. People who are not anointed can run and serve in the Assembly. That is why our Assembly benefits so much from the experiences that so many different people bring to this Body.

Despite the challenges that we face as we end this session and start the Special Session, I don't think we should overlook the hard work that has been done and the great number of bills that have been enacted with contributions from every single person in this Chamber. When I created a list of some of the bills that we had passed this session, I was so impressed, whether it was child welfare, consumer protection, or crime. I had ten pages of bills, and in all my other sessions, I didn't have as many accomplishments in so many areas, and I hope that others aren't overshadowed. Perhaps they'll give us inspiration as we go forward with our Special Session.

Nevada is facing some special challenges, and we need to decide now what kind of State we want to be. In almost all of the bills that we consider in this Legislative Body, 95 percent of them are not partisan. They're done with an effort in making a law or process better in our State, and I hope we can remember all of these experiences with these bills as we move into the Special Session and put aside our differences and do what's right for the people of the state of Nevada as we did with so many important measures during this Legislative Session.

OF THE

SEVENTY-SECOND SESSION

OF THE

LEGISLATURE OF THE STATE OF NEVADA

2003

ASSEMBLY STANDING RULES

I. OFFICERS AND EMPLOYEES

Duties of Officers

Rule No. 1. Speaker of the Assembly.

1. All officers of the Assembly are subordinate to the Speaker in all that relates to the prompt, efficient and correct discharge of their official duties under the Speaker's supervision.

2. Possessing the powers and performing the duties described in this Rule, the Speaker shall:

(a) Take the chair at the hour to which the Assembly stands adjourned, call the members to order, and upon the appearance of a quorum, proceed to business.

(b) Preserve order and decorum and have general direction of the Chamber of the Assembly and the approaches thereto. In the event of any disturbance or disorderly conduct therein, order the same to be cleared.

(c) Decide all questions of order, subject to a member's right to appeal to the Assembly. On appeal from such decisions, the Speaker has the right, in the Speaker's place, to assign the reason for the decision.

(d) Have the right to name any member to perform the duties of the Chair, but such substitution must not extend beyond one legislative day.

(e) When the Assembly resolves itself into Committee of the Whole, name a Chairman to preside thereover and call him to the Chair.

(f) Have the power to accredit the persons who act as representatives of the news media and assign them seats.

(g) Sign all bills and resolutions passed by the Legislature as provided by law.

(h) Sign all subpoenas issued by the Assembly.

(i) Receive all messages and communications from other departments of the government and announce them to the Assembly.

(j) Represent the Assembly, declare its will and in all things obey its commands.

(k) Vote on final passage of a bill or resolution, but the Speaker shall not be required to vote in ordinary legislative proceedings except where the Speaker's vote would be decisive. In all yea and nay votes, the Speaker's name must be called last.

3. If a vacancy occurs in the office of Speaker, through death, resignation or disability of the Speaker, the Speaker Pro Tempore shall temporarily and for the period of vacancy or disability conduct the necessary business of the Assembly.

4. If a permanent vacancy occurs in the office of Speaker, the Assembly shall select a new Speaker.

III. DECORUM AND DEBATE

Rule No. 20. Points of Order.

If any member, in speaking or otherwise, transgresses the rules of the Assembly, the Speaker shall, or any member may, call to order, in which case the member so called to order shall immediately sit down, unless permitted to explain; and if called to order by a member, such member shall immediately state the point of order. If the point of order be sustained by the presiding officer, the member shall not be allowed to proceed; but if it be not sustained, then he shall be permitted to go on. Every such decision from the presiding officer shall be subject to an appeal to the House; but no discussion

of the question of order shall be allowed unless an appeal be taken from the decision of the presiding officer.

1. A person who is within the Assembly Chambers or within an Assembly committee room shall not engage in a telephone conversation via the use of a portable telephone.

2. Before entering the Assembly Chambers or an Assembly committee room, any person who possesses a portable electronic communication device, such as a pager or telephone, that emits an audible alert, such as a ringing or beeping sound, to signal an incoming message or call, shall turn the audible alert off. A device that contains a nonaudible alert, such as a silent vibration, may be operated in a nonaudible manner within the Assembly Chambers or within an Assembly committee room.

[Statutes of Nevada 2001, 3296; A 2003, 3602]

Rule No. 22. Reserved.

Rule No. 23. Committee on Ethics; Legislative Ethics.

1. The Committee on Ethics consists of:

(a) Two members of the Assembly appointed by the Speaker from the majority political party;

(b) One member of the Assembly appointed by the Minority Leader from the minority political party; and

(c) Two qualified electors of the State chosen by the members of the Committee who are appointed pursuant to paragraphs (a) and (b), neither of whom is a present or former member of the Legislature or employed by the State of Nevada.

2. The Speaker shall appoint two members of the Assembly, one from the majority political party and one from the minority political party to serve as alternate members of the Committee. If a member is disqualified, the alternate appointed from the same political party shall serve as a member of the Committee during the consideration of a specific question.

3. A member is disqualified if he is the requester of advice concerning a question of ethics or conflict of interest, or if the advice is requested by another member of the Assembly and a reasonable person in his situation could not exercise independent judgment on the matter in question.

4. The Committee shall hear complaints on alleged breaches of ethics and conflicts of interest, brought by Legislators and others, and it may advise Legislators on questions of breaches of ethics and conflicts of interest. All proceedings held to consider the character, alleged misconduct, professional competence or physical or mental health of any person by the Committee on matters of ethics or conflicts of interest are confidential unless a Legislator:

(a) Against whom a complaint is brought requests a public hearing;

(b) Discloses the opinion of the Committee at any time after his hearing; or

(c) Discloses the content of an advisory opinion issued to him by the Committee.

5. A complaint which alleges a breach of ethics or a conflict of interest must be in writing and signed by the person making the allegation. The complaint must be filed with the Chairman. The Chairman shall send a copy of the complaint, within 24 hours after receiving it, to the Legislator against whom the complaint is brought.

6. The criterion to be applied by the Committee in determining whether a Legislator has a conflict of interest is whether the independence of judgment of a reasonable person in his position upon the matter in question would be materially affected by:

(a) His acceptance of a gift or loan; or

(b) His private economic interest.

7. A Legislator who determines that he has a conflict of interest may vote upon, advocate or oppose any measure as to which a potential conflict exists if he makes a general disclosure of the conflict. In determining whether to vote upon, advocate or oppose the measure, the Legislator should consider whether:

(a) The conflict impedes his independence of judgment;

(b) His participation will produce a negative effect on the public's confidence in the integrity of the Legislature;

(c) His participation is likely to have any significant effect on the disposition of the measure; and

(d) His interest is greater than the interests of an entire class of persons similarly situated.

[Statutes of Nevada 1977, 1706; A 1987, 2325, 2336; 1995, 2847; 1997, 3540]

JOINT STANDING RULES OF THE SENATE AND ASSEMBLY

CONFERENCE COMMITTEES

Rule No. 1. Procedure Concerning.

In every case of an amendment of a bill, or joint or concurrent resolution, agreed to in one House, dissented from in the other, and not receded from by the one making the amendment, each House shall appoint a committee to confer with a like committee to be appointed by the other; and the committee so appointed shall meet publicly at a convenient hour to be agreed upon by their respective chairmen and announced publicly, and shall confer upon the differences between the two Houses as indicated by the amendments made in one and rejected in the other and report as early as convenient the result of their conference to their respective Houses. The report shall be made available to all members of both Houses. The whole subject matter embraced in the bill or resolution shall be considered by the committee, and it may recommend recession by either House, new amendments, new bills or resolutions, or other changes as it sees fit. New bills or resolutions so reported shall be treated as amendments unless the bills or resolutions are composed entirely of original matter, in which case they shall receive the treatment required in the respective Houses for original bills, or resolutions, as the case may be.

The report of a conference committee may be adopted by acclamation, and such action may be considered equivalent to the adoption of amendments embodied therein. The report is not subject to amendment. If either House refuses to adopt the report, or if the first conference committee has so recommended, a second conference committee may be appointed. No member who served on the first committee may be appointed to the second.

There shall be but two conference committees on any bill or resolution. A majority of the members of a conference committee from each House must be members who voted for the passage of the bill or resolution.

[Statutes of Nevada 1947, 872; A 1977, 1697; 1979, 1964; 1999, 3848]

MESSAGES

Rule No. 2. Procedure Concerning.

Proclamations by the Governor convening the Legislature in extra session shall, by direction of the presiding officer of each House, be read immediately after the convening thereof, filed and entered in full in the Journal of proceedings.

Whenever a message from the Governor is received, the Sergeant at Arms will announce: "Mr. President, or Mr. Speaker, the Secretary of the Governor is at the bar." The Secretary will, upon being recognized by the presiding officer, announce: "Mr. President, or Mr. Speaker, a message from His Excellency, the Governor of Nevada, to the Honorable, the Senate or Assembly," and hand same to the Sergeant at Arms for delivery to the Secretary of the Senate or Chief Clerk of the Assembly. The presiding officer will direct the biennial message of the Governor to be received and read, and all special messages to be received, read and entered in full in the Journal of proceedings.

Messages from the Senate to the Assembly shall be delivered by the Secretary or Assistant Secretary, and messages from the Assembly to the Senate shall be delivered by the Chief Clerk or Assistant Chief Clerk.

[Statutes of Nevada 1931, 466; A 1999, 3848; 2001, 3310]

NOTICE OF FINAL ACTION

Rule No. 3. Communications.

Each such notice sent by the Assembly must be signed by the Chief Clerk of the Assembly, or a person designated by the Chief Clerk.

[Statutes of Nevada 1931, 410; A 1999, 3849]

BILLS AND JOINT RESOLUTIONS

Rule No. 4. Signature.

Each enrolled bill or joint resolution shall be presented to the presiding officers of both Houses for signature. They shall, after an announcement of their intention to do so is made in open session, sign the bill or joint resolution and their signatures shall be followed by those of the Secretary of the Senate and Chief Clerk of the Assembly.

[Statutes of Nevada 1931, 467; A 1977, 1656; 1999, 3849]

Rule No. 5. Joint Sponsorship.

1. A bill or resolution introduced by a standing committee of the Senate or Assembly may, at the direction of the chairman of the committee, set forth the name of a standing committee of the other House as a joint sponsor, if a majority of all members appointed to the committee of the other House votes in favor of becoming a joint sponsor of the bill or resolution. The name of the committee joint sponsor must be set forth on the face of the bill or

resolution immediately below the date on which the bill or resolution is introduced.

2. A bill or resolution introduced by one or more Legislators elected to one House may, at the direction of the Legislator who brings the bill or resolution forward for introduction, set forth the names of one or more Legislators who are members elected to the other House and who wish to be primary joint sponsors or non-primary joint sponsors of the bill or resolution. The number of primary joint sponsors must not exceed five per bill or resolution. The names of each primary joint sponsor and non-primary joint sponsor must be set forth on the face of the bill or resolution in the following order immediately below the date on which the bill or resolution is introduced:

(a) The name of each primary joint sponsor, in the order indicated on the colored back of the introductory copy of the bill or resolution; and

(b) The name of each non-primary joint sponsor, in alphabetical order.

3. The Legislative Counsel shall not cause to be printed the name of a standing committee as a joint sponsor on the face of a bill or resolution unless the chairman of the committee has signed his name next to the name of the committee on the colored back of the introductory copy of the bill or resolution that was submitted to the front desk of the House of origin or the statement required by subsection 5. The Legislative Counsel shall not cause to be printed the name of a Legislator as a primary joint sponsor or non-primary joint sponsor on the face of a bill or resolution unless the Legislator has signed the colored back of the introductory copy of the bill or resolution that was submitted to the front desk of the House of origin or the statement required by subsection 5.

4. Upon introduction, any bill or resolution that sets forth the names of primary joint sponsors or non-primary joint sponsors, or both, must be numbered in the same numerical sequence as other bills and resolutions of the same House of origin are numbered.

5. Once a bill or resolution has been introduced, a primary joint sponsor or non-primary joint sponsor may only be added or removed by amendment of the bill or resolution. An amendment which proposes to add or remove a primary joint sponsor or non-primary joint sponsor must not be considered by the House of origin of the amendment unless a statement requesting the addition or removal is attached to the copy of the amendment submitted to the front desk of the House of origin of the amendment. If the amendment proposes to add or remove a Legislator as a primary joint sponsor or non-primary joint sponsor, the statement must be signed by that Legislator. If the amendment proposes to add or remove a standing committee as a joint sponsor, the statement must be signed by the chairman of the committee. A copy of the statement must be transmitted to the Legislative Counsel if the amendment is adopted.

6. An amendment that proposes to add or remove a primary joint sponsor or non-primary joint sponsor may include additional proposals to change the substantive provisions of the bill or resolution or may be limited only to the proposal to add or remove a primary joint sponsor or non-primary joint sponsor.

[Statutes of Nevada R 1979, 1964; A 1999, 3849]

The amount charged for distribution of the additional copies must be determined by the Director of the Legislative Counsel Bureau to approximate the cost of handling and postage for the entire session.

POLICY AND PROCEDURES REGARDING SEXUAL HARASSMENT

Rule No. 20. Maintenance of Working Environment; Procedure for Filing, Investigating and Taking Remedial Action on Complaints.

1. The Legislature hereby declares its intention to maintain a working environment which is free from sexual harassment. This policy applies to all Legislators and lobbyists. Each member and lobbyist is responsible to

conduct himself or herself in a manner which will ensure that others are able to work in such an environment.

2. In accordance with Title VII of the Civil Rights Act, for the purposes of this Rule, "sexual harassment" means unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when:

(a) Submission to such conduct is made either explicitly or implicitly a term or condition of a person's employment;

(b) Submission to or rejection of such conduct by a person is used as the basis for employment decisions affecting the person; or

(c) Such conduct has the purpose or effect of unreasonably interfering with a person's work performance or creating an intimidating, hostile or offensive working environment.

3. Each person subject to these Rules must exercise his own good judgment to avoid engaging in conduct that may be perceived by others as sexual harassment. The following noninclusive list provides illustrations of conduct that the Legislature deems to be inappropriate:

(a) Verbal conduct such as epithets, derogatory comments, slurs or unwanted sexual advances, invitations or comments;

(b) Visual conduct such as derogatory posters, photography, cartoons, drawings or gestures;

(c) Physical conduct such as unwanted touching, blocking normal movement or interfering with the work directed at a person because of his sex;

(d) Threats and demands to submit to sexual requests to keep a person's job or avoid some other loss, and offers of employment benefits in return for sexual favors; and

(e) Retaliation for opposing, reporting or threatening to report sexual harassment, or for participating in an investigation, proceeding or hearing conducted by the Legislature or the Nevada Equal Rights Commission or the federal Equal Employment Opportunity Commission, when submission to such conduct is made either explicitly or implicitly a term or condition of a person's employment or submission to or rejection of such conduct by a person is used as the basis for employment decisions affecting the person or such conduct has the purpose or effect of unreasonably interfering with a person's work performance or creating an intimidating, hostile or offensive working environment.

4. A person may have a claim of sexual harassment even if he has not lost a job or some other economic benefit. Conduct that impairs a person's ability to work or his emotional well-being at work constitutes sexual harassment.

5. If a Legislator believes he is being sexually harassed on the job, he may file a written complaint with:

(a) The Speaker of the Assembly;

(b) The Majority Leader of the Senate; or

(c) The Director of the Legislative Counsel Bureau, if the complaint involves the conduct of the Speaker of the Assembly or the Majority Leader of the Senate.

The complaint must include the details of the incident or incidents, the names of the persons involved and the names of any witnesses.

6. Except as otherwise provided in subsection 7, the Speaker of the Assembly or the Majority Leader of the Senate, as appropriate, shall refer a complaint received pursuant to subsection 5 to a committee consisting of Legislators of the same House. A complaint against a lobbyist may be referred to a committee in either House.

7. If the complaint involves the conduct of the Speaker of the Assembly or the Majority Leader of the Senate, the Director of the Legislative Counsel Bureau shall refer the complaint to the Committee on Elections, Procedures, and Ethics of the Assembly or the Committee on Legislative Affairs and Operations of the Senate, as appropriate. If the Speaker of the Assembly or the Majority Leader of the Senate is a member of one of these committees, the Speaker or the Majority Leader, as the case may be, shall not participate in the investigation and resolution of the complaint.

8. The committee to which the complaint is referred shall immediately conduct a confidential and discreet investigation of the complaint. As a part of the investigation, the committee shall notify the accused of the allegations. The committee shall facilitate a meeting between the complainant and the accused to allow a discussion of the matter, if both agree. If the parties do not agree to such a meeting, the committee shall request statements regarding the complaint from each of the parties. Either party may request a hearing before the committee. The committee shall make its determination and inform the complainant and the accused of its determination as soon as practicable after it has completed its investigation.

9. If the investigation reveals that sexual harassment has occurred, the Legislature will take appropriate disciplinary or remedial action, or both. The committee shall inform the complainant of any action taken. The Legislature will also take any action necessary to deter any future harassment.

10. The Legislature will not retaliate against a person who files a complaint and will not knowingly permit any retaliation by the person's supervisors or coworkers.

11. The Legislature encourages a person to report any incident of sexual harassment immediately so that the complaint can be quickly and fairly resolved.

12. Action taken by a complainant pursuant to this Rule does not prohibit the complainant from also filing a complaint of sexual harassment with the Nevada Equal Rights Commission or the federal Equal Employment Opportunity Commission.

13. All Legislators and lobbyists are responsible for adhering to the provisions of this policy. The prohibitions against engaging in sexual harassment and the protections against becoming a victim of sexual harassment set forth in this policy apply to employees, Legislators, lobbyists, vendors, contractors, customers and visitors to the Legislature.
