Amendment No. 928.

AN ACT relating to public safety; **revising provisions relating to services provided for the control of vehicular traffic related to a special event; requiring proof of insurance to be contained in an application for the registration of a motor vehicle;** transferring certain duties for training peace officers from the Department of Motor Vehicles to the Department of Public Safety; revising provisions governing the revocation of driver's licenses; prohibiting a person who has a temporary driver's license from obtaining another temporary license in certain circumstances; revising provisions governing the issuance of motor vehicle insurance; revising provisions relating to the security that must be deposited when a report of certain motor vehicle accidents involving injury, death or damage to property is received by the Department of Motor Vehicles; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that the Nevada Highway Patrol may enter into a contract with any person to provide services for the control of vehicular traffic related to a special event. (NRS 480.340) Section 1 of this bill provides that any qualified personnel of the Department of Public Safety, as well as the Nevada Highway Patrol, may provide services for the control of vehicular traffic pursuant to the contract.

Section ~~[1]~~ **1.3** of this bill **requires an application for the registration of a motor vehicle to contain proof satisfactory to the Department of Motor Vehicles that the applicant has provided the insurance required by law, in lieu of signing a declaration indicating that he has provided the insurance. (NRS 482.215, 485.185)**

Section 1.7 of this bill transfers the duty of training peace officers in identifying and handling drivers who suffer from ~~[insulin shock]~~ **a diabetic condition** or epileptic seizures from the Department of Motor Vehicles to the Department of Public Safety. (NRS 483.348)

Existing law requires the Department of Motor Vehicles to revoke the driver's license of a person who is convicted of certain felonies involving the use of a vehicle. Existing law further requires the Department to set aside the revocation during any period of imprisonment until the period of imprisonment is completed or until the person has been placed on residential confinement. (NRS 483.460) Sections 2, 11 and 12 of this bill provide instead that the revocation will resume when the Department is notified by the Department of Corrections or the Department of Public Safety that the

person has completed his period of imprisonment or has been placed on residential confinement or parole.

Existing law requires a law enforcement officer to revoke the driver's license, permit or privilege to drive of a person who has a concentration of alcohol of 0.08 or more in his blood or breath or who is found to have a detectable amount of a prohibited substance in his blood or urine. The officer is required to advise the person of his right to administrative and judicial review of the revocation and to have a temporary license, valid for 7 days, which the officer must issue upon request. (NRS 484.385) In addition, if the person requests administrative review of the revocation, the Department of Motor Vehicles is required to issue an additional temporary license which is valid for a period sufficient to complete the administrative review. (NRS 484.387) Sections 3-6 of this bill provide that a person driving with a temporary permit is not entitled to receive an additional temporary permit if he is found again to have driven with a prohibited amount of alcohol in his blood or breath or a prohibited substance in his blood or urine.

Existing law requires each owner of a motor vehicle to maintain a certain amount of insurance against bodily injury or death. (NRS 485.185) Section 7 of this bill requires that such insurance must be obtained from a company that is licensed and has been approved to do business in this State.

Existing law requires the Department of Motor Vehicles to suspend the driver's license or privilege to drive and the motor vehicle registrations of each owner of a motor vehicle involved in a motor vehicle accident involving injury or death when it is determined that the required security has not been deposited and the person has not been released from liability and has not executed an agreement to pay in installments. Existing law requires notice of the suspension to be sent to the person at least 10 days before the effective date of the suspension. (NRS 485.190) Section 8 of this bill requires the suspension to be effective immediately after the determination is made unless the person immediately deposits the security at the hearing.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

➥ The Department may file that evidence, return it to the applicant or otherwise dispose of it.

(g) If required, evidence of the applicant's compliance with controls over emission.

Remarks by Assemblyman Atkinson.

Motion carried.

The following Senate amendment was read:

Amendment No. 943.

AN ACT relating to public safety; transferring certain duties for training peace officers from the Department of Motor Vehicles to the Department of Public Safety; revising provisions governing the revocation of driver's licenses; prohibiting a person who has a temporary driver's license from obtaining another temporary license in certain circumstances; revising provisions governing the issuance of motor vehicle insurance; revising provisions relating to the security that must be deposited when a report of certain motor vehicle accidents involving injury, death or damage to property is received by the Department of Motor Vehicles; **requiring the City of North Las Vegas to acquire and use an automated enforcement system to gather evidence that may be used for the issuance of a traffic citation;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1 of this bill transfers the duty of training peace officers in identifying and handling drivers who suffer from insulin shock or epileptic seizures from the Department of Motor Vehicles to the Department of Public Safety. (NRS 483.348)

Existing law requires the Department of Motor Vehicles to revoke the driver's license of a person who is convicted of certain felonies involving the use of a vehicle. Existing law further requires the Department to set aside the revocation during any period of imprisonment until the period of imprisonment is completed or until the person has been placed on residential confinement. (NRS 483.460) Sections 2, 11 and 12 of this bill provide instead that the revocation will resume when the Department is notified by the Department of Corrections or the Department of Public Safety that the person has completed his period of imprisonment or has been placed on residential confinement or parole.

Existing law requires a law enforcement officer to revoke the driver's license, permit or privilege to drive of a person who has a concentration of alcohol of 0.08 or more in his blood or breath or who is found to have a detectable amount of a prohibited substance in his blood or urine. The officer is required to advise the person of his right to administrative and judicial review of the revocation and to have a temporary license, valid for 7 days, which the officer must issue upon request. (NRS 484.385) In addition, if the person requests administrative review of the revocation, the Department of Motor Vehicles is required to issue an additional temporary license which is valid for a period sufficient to complete the administrative review. (NRS 484.387) Sections 3-6 of this bill provide that a person driving with a temporary permit is not entitled to receive an additional temporary permit if he is found again to have driven with a prohibited amount of alcohol in his blood or breath or a prohibited substance in his blood or urine.

Existing law requires each owner of a motor vehicle to maintain a certain amount of insurance against bodily injury or death. (NRS 485.185) Section 7

of this bill requires that such insurance must be obtained from a company that is licensed and has been approved to do business in this State.

Existing law requires the Department of Motor Vehicles to suspend the driver's license or privilege to drive and the motor vehicle registrations of each owner of a motor vehicle involved in a motor vehicle accident involving injury or death when it is determined that the required security has not been deposited and the person has not been released from liability and has not executed an agreement to pay in installments. Existing law requires notice of the suspension to be sent to the person at least 10 days before the effective date of the suspension. (NRS 485.190) Section 8 of this bill requires the suspension to be effective immediately after the determination is made unless the person immediately deposits the security at the hearing.

Section 12.5 of this bill requires the City of North Las Vegas to acquire and use an automated enforcement system to gather evidence that may be used for the issuance of a traffic citation. The section expires by limitation on June 30, 2011.

Amendment No. 882.

AN ACT relating to land use planning; revising the notice requirements for proposals to vacate certain rights-of-way or easements; providing requirements for notice to certain public utilities and television companies regarding proposals to abandon or vacate certain streets; requiring cities and counties to reserve and convey certain easements; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

This bill changes the method by which a city or county that proposes to vacate a right-of-way or easement owned by the city or county, which right-of-way or easement is required for a public purpose, must notify each owner of property abutting the proposed abandonment. This bill requires such notice to be made in a manner that provides confirmation of delivery but does not require the signature of the recipient. (NRS 278.480) This bill also requires a city or county to provide notice to certain public utilities and community antenna television companies before vacating or abandoning a street, and to reserve and convey an easement to the utility or television company if the utility or television company so requests. (NRS 278.480)

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 278.480 is hereby amended to read as follows:

278.480 1. Except as otherwise provided in subsection 11, any abutting owner or local government desiring the vacation or abandonment of any street or easement owned by a city or a county, or any portion thereof, shall file a petition in writing with the planning commission or the governing body having jurisdiction.

2. The governing body may establish by ordinance a procedure by which, after compliance with the requirements for notification of public hearing set forth in this section, a vacation or abandonment of a street or an easement may be approved in conjunction with the approval of a tentative map pursuant to NRS 278.349.

3. A government patent easement which is no longer required for a public purpose may be vacated by:

(a) The governing body; or

(b) The planning commission, hearing examiner or other designee, if authorized to take final action by the governing body,

➥ without conducting a hearing on the vacation if the applicant for the vacation obtains the written consent of each owner of property abutting the proposed vacation and any utility that is affected by the proposed vacation.

4. Except as otherwise provided in subsection 3, if any right-of-way ~~*[held in fee]*~~ or easement required for a public purpose that is owned by a city or a county is proposed to be vacated, the governing body, or the planning commission, hearing examiner or other designee, if authorized to take final action by the governing body, shall ~~[notify by certified mail]~~ ***, not less than 10 business days before the public hearing described in subsection 5:***

(a) Notify each owner of property abutting the proposed abandonment **.** ~~[and cause]~~ ***Such notice must be provided by mail pursuant to a method that provides confirmation of delivery and does not require the signature of the recipient.***

(b) Cause a notice to be published at least once in a newspaper of general circulation in the city or county, setting forth the extent of the proposed abandonment and setting a date for public hearing **.** ~~[, which must be not less than 10 days and not more than 40 days after the date the notice is first published.]~~

5. Except as ***otherwise*** provided in subsection 6, if, upon public hearing, the governing body, or the planning commission, hearing examiner or other designee, if authorized to take final action by the governing body, is satisfied that the public will not be materially injured by the proposed vacation, it shall order the street or easement vacated. The governing body, or the planning commission, hearing examiner or other designee, if authorized to take final action by the governing body, may make the order conditional, and the order becomes effective only upon the fulfillment of the conditions prescribed. An applicant or other person aggrieved by the decision of the planning commission, hearing examiner or other designee may appeal the decision in accordance with the ordinance adopted pursuant to NRS 278.3195.

6. ~~[If a utility has an easement over the property,]~~ ***In addition to any other applicable requirements set forth in this section, before vacating or abandoning a street,*** the governing body ~~[,]~~ ***of the local government having jurisdiction over the street,*** or the planning commission, hearing examiner or other designee, if authorized to take final action by the governing body, shall

provide ~~[in its order for the continuation of that easement.]~~ ***each public utility and community antenna television company serving the affected area with written notice that a petition has been filed requesting the vacation or abandonment of the street. After receiving the written notice, the public utility or community antenna television company, as applicable, shall respond in writing, indicating either that the public utility or community antenna television company, as applicable, does not require an easement or that the public utility or community antenna television company, as applicable, wishes to request the reservation of an easement. If a public utility or community antenna television company indicates in writing that it wishes to request the reservation of an easement, the governing body of the local government having jurisdiction over the street that is proposed to be vacated or abandoned, or the planning commission, hearing examiner or other designee, if authorized to take final action by the governing body, shall reserve and convey an easement in favor of the public utility or community antenna television company, as applicable, and shall ensure that such easement is recorded in the office of the county recorder.***

7. The order must be recorded in the office of the county recorder, if all the conditions of the order have been fulfilled, and upon the recordation, title to the street or easement reverts to the abutting property owners in the approximate proportion that the property was dedicated by the abutting property owners or their predecessors in interest. In the event of a partial vacation of a street where the vacated portion is separated from the property from which it was acquired by the unvacated portion of it, the governing body may sell the vacated portion upon such terms and conditions as it deems desirable and in the best interests of the city or county. If the governing body sells the vacated portion, it shall afford the right of first refusal to each abutting property owner as to that part of the vacated portion which abuts his property, but no action may be taken by the governing body to force the owner to purchase that portion and that portion may not be sold to any person other than the owner if the sale would result in a complete loss of access to a street from the abutting property.

8. If the street was acquired by dedication from the abutting property owners or their predecessors in interest, no payment is required for title to the proportionate part of the street reverted to each abutting property owner. If the street was not acquired by dedication, the governing body may make its order conditional upon payment by the abutting property owners for their proportionate part of the street of such consideration as the governing body determines to be reasonable. If the governing body determines that the vacation has a public benefit, it may apply the benefit as an offset against a determination of reasonable consideration which did not take into account the public benefit.

9. If an easement for light and air owned by a city or a county is adjacent to a street vacated pursuant to the provisions of this section, the easement is vacated upon the vacation of the street.

10. In any vacation or abandonment of any street owned by a city or a county, or any portion thereof, the governing body, or the planning commission, hearing examiner or other designee, if authorized to take final action by the governing body, may reserve and except therefrom all easements, rights or interests therein which the governing body, or the planning commission, hearing examiner or other designee, if authorized to take final action by the governing body, deems desirable for the use of the city ~~[, the county or any public utility.]~~ ***or county.***

11. The governing body may establish by local ordinance a simplified procedure for the vacation or abandonment of an easement for a public utility owned or controlled by the governing body.

12. As used in this section ~~[, "government]~~ ***:***

Prayer by the Chaplain, Pastor Bruce Henderson.

Jesus said, "Greater love has no one than this, that one lay down his life for his friends." Father, today we remember and honor those who have given their lives for the nation they love. We thank You for their love and their sacrifice and ask You today to be with our servicemen and women who are risking their lives because of the same spirit of love. We pray in the name of the Ultimate Sacrifice.

AMEN.

GENERAL FILE AND THIRD READING

Assembly Bill No. 186.

Bill read third time.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 1043.

SUMMARY—Revises various provisions relating to economic and energy development. (BDR ~~[58-784)]~~ **S-784)**

AN ACT relating to economic and energy development; ~~[creating the Advisory Board for the Development of the Solar Energy Industry; revising various provisions governing partial abatements of certain taxes by the Commission on Economic Development;]~~ revising various provisions governing the Solar Energy Systems Demonstration Program Act; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Under existing law, one of the components of the State's energy policy is to encourage, support and accelerate the development of Nevada's renewable energy resources, such as solar energy. (Chapter 701 of NRS) Sections 2-8 of this bill create the Advisory Board for the Development of the Solar Energy Industry and establish its organizational structure and procedures. Sections 2-8 also prescribe the duties of the Advisory Board, which include: (1) working with economic development agencies and officials to develop incentives which may be offered to businesses in the solar energy industry that intend to locate or expand their operations in Nevada; (2) identifying and studying photovoltaic technologies and other emerging solar energy technologies which have the potential to reduce the cost of electricity generated by solar energy systems; and (3) developing and carrying out a program of Solar Energy Challenge Zones.~~

~~Existing law authorizes the Commission on Economic Development to approve partial abatements of certain taxes imposed on new or expanded businesses. (NRS 360.750) Sections 9, 10 and 13 of this bill require a business that receives such a partial abatement to: (1) allow the Department of Taxation to conduct audits of the business to determine whether it is in compliance with the requirements for the partial abatement; and (2) consent to the disclosure of the audit reports to the Commission on Economic Development and to the public with certain limited exceptions.]~~

Under the Solar Energy Systems Demonstration Program Act, a certain number of schools which install solar energy systems are entitled to participate in the Demonstration Program and receive portfolio energy credits

that may be sold to utilities seeking to comply with the portfolio standards. (Chapter 331, Statutes of Nevada 2003, pp. 1868-71) Section 11 of this bill increases the number of schools that may participate in the Demonstration Program and increases the kilowatts of capacity for solar energy systems in schools from 570 kilowatts to 2 megawatts for the years 2007, 2008 and 2009.

Assembly Bill No. 591.

Bill read third time.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 1045.

AN ACT relating to education; revising provisions governing the sponsorship of charter schools; prescribing the circumstances under which certain charter schools are exempt from annual performance audits and are authorized to receive certain money for facilities; revising provisions regarding the membership of a governing body of a charter school; ~~[making an appropriation;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the board of trustees of a school district and the State Board of Education may sponsor charter schools. (NRS 386.515) **Section 17** of this bill authorizes a college or university within the Nevada System of Higher Education to sponsor charter schools. **Sections 1-14, 17-20, 25, 26 and 28** of this bill revise provisions to reflect sponsorship by a college or university.

Section 15 of this bill sets forth the requirements for a charter school that has been in operation for at least 5 years to be exempt from an annual performance audit and undergo a performance audit every 3 years and to be eligible for available money from legislative appropriation or otherwise for facilities. ~~[Section 30 of this bill makes an appropriation for those charter schools which satisfy the requirements for school facilities.]~~

Existing law requires the Department of Education and the sponsor of a charter school to provide certain assistance and information to charter schools. (NRS 386.545) **Section 22** of this bill expands the services that a school district must provide if the school district sponsors a charter school.

Existing law prescribes the membership of the governing body of a charter school. (NRS 386.549) Existing regulation of the Department of Education prohibits more than one member on the governing body representing the same nonprofit organization or business. (NAC 386.345) **Section 23** of this bill prohibits more than two persons who serve on the governing body from representing the same organization or business or otherwise representing the interests of the same organization or business.

The following Senate amendment was read:

Amendment No. 807.

AN ACT relating to affordable housing; requiring **certain** cities and counties to adopt certain measures to implement a housing plan that is included in a master plan; **providing a procedure for reporting progress in maintaining and developing affordable housing, reviewing such reports and imposing penalties for lack of adequate progress;** amending the

definition of "affordable housing"; making various changes to the requirements for a master plan relating to affordable housing; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires ~~[planning commissions to adopt]~~ **the adoption of a** master ~~[plans]~~ **plan in a county whose population is 400,000 or more (currently Clark County)** and ~~[sets forth the requirements for master plans. If a master plan is adopted in a county whose population is 100,000 or more but less than 400,000 (currently Washoe County), the master plan is required to include a housing plan. Under existing law, such a housing plan is required to include** a plan for maintaining and developing affordable housing to meet the housing needs of the community. (NRS 278.150, 278.160)

Section ~~[1]~~ **1.3** of this bill requires the governing body of a city or county ~~[,]~~ **that is required to include a housing plan in its master plan,** in implementing a plan for maintaining and developing affordable housing to meet the housing needs of the community, to adopt at least ~~[three]~~ **6** of ~~[the following]~~ **12 specified** measures ~~[: (1) at the expense of the city or county, as applicable, subsidizing all or part of any impact fees and fees collected for the issuance of building permits; (2) selling land owned by the city or county to developers exclusively for the development of affordable housing at not more than 10 percent of its appraised value; (3) establishing a trust fund for affordable housing; or (4) establishing a process that expedites the approval of plans and specifications relating to maintaining and developing affordable housing. Section 1]~~ **relating to the maintenance and development of affordable housing in the jurisdiction. Sections 1.3 and 1.7** also: (1) ~~[requires]~~ **require such** cities and counties to report annually to the Housing Division of the Department of Business and Industry concerning how such measures assisted the city or county in maintaining and developing affordable housing; **(2) require the Interim Finance Committee to review those reports and, at the Committee's discretion, determine whether a city or county made adequate progress in maintaining and developing affordable housing during the reporting period;** and ~~[(2) authorizes]~~ **(3) authorize** the **Interim Finance Committee to recommend that the Housing** Division ~~[to]~~ impose a penalty against a city or county that does not make **such** adequate progress **.** ~~[in maintaining and developing affordable housing.]~~ Section 5 of this bill ~~[set]~~ **sets** forth the formula for determining the amount of any such penalty. **Pursuant to section 7 of this bill, the penalty provisions do not become effective until October 1, 2008, and therefore do not apply to the initial annual reports submitted to the Housing Division.**

~~[Existing]~~ **For purposes of the provisions governing land use planning that address affordable housing, existing** law defines "affordable housing"

to mean housing that is affordable for a family with a total gross income less than 110 percent of the median gross income for the county concerned, based upon estimates by the United States Department of Housing and Urban Development of the most current median gross family income for the county.

(NRS 278.0105) Section 2 of this bill ~~[amends]~~ **decreases the total gross income of a family that is used for determining whether housing is affordable in** the definition of "affordable housing" ~~[to mean housing that is affordable for a family with a total gross income that does not exceed 80 percent of the median gross income for the county concerned, based upon estimates by the United States Department of Housing and Urban Development of the most current median gross family income for the county.]~~ **from a total gross income that is less than 110 percent of the median gross income for the relevant county to a total gross income that does not exceed 80 percent of that median gross income, which thereby limits the scope of the provisions governing land use planning that address affordable housing.**

Assemblywoman Kirkpatrick moved that the Assembly concur in the Senate Amendment No. 807 to Assembly Bill No. 439.

Remarks by Assemblywoman Kirkpatrick.

Motion carried.

The following Senate amendment was read:

Amendment No. 1004.

AN ACT relating to affordable housing; requiring certain cities and counties to adopt certain measures to implement a housing plan that is included in a master plan ~~[; providing a procedure for reporting]~~ **and to report their** progress in maintaining and developing affordable housing **;** ~~[, reviewing such reports and imposing penalties for lack of adequate progress;]~~ amending the definition of "affordable housing"; making various changes to the requirements for a master plan relating to affordable housing; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the adoption of a master plan in a county whose population is 400,000 or more (currently Clark County) and requires that the

master plan include a housing plan. If a master plan is adopted in a county whose population is 100,000 or more but less than 400,000 (currently Washoe County), the master plan is required to include a housing plan. Under existing law, such a housing plan is required to include a plan for maintaining and developing affordable housing to meet the housing needs of the community. (NRS 278.150, 278.160)

Section 1.3 of this bill requires the governing body of a city or county that is required to include a housing plan in its master plan, in implementing a plan for maintaining and developing affordable housing to meet the housing needs of the community, to adopt at least 6 of 12 specified measures relating to the maintenance and development of affordable housing in the jurisdiction. ~~[Sections]~~ **Section** 1.3 ~~[and 1.7]~~ also ~~[: (1) require]~~ **requires** such cities and counties to report annually to the Housing Division of the Department of Business and Industry concerning how such measures assisted the city or county in maintaining and developing affordable housing **.** ~~[, (2) require the Interim Finance Committee to review those reports and, at the Committee's discretion, determine whether a city or county made adequate progress in maintaining and developing affordable housing during the reporting period; and (3) authorize the Interim Finance Committee to recommend that the Housing Division impose a penalty against a city or county that does not make such adequate progress. Section 5 of this bill sets forth the formula for determining the amount of any such penalty. Pursuant to section 7 of this bill, the penalty provisions do not become effective until October 1, 2008, and therefore do not apply to the initial annual reports submitted to the Housing Division.]~~ **The Housing Division is required to submit a compilation of the reports to the Legislature, or to the Legislative Commission if the Legislature is not in session.**

For purposes of the provisions governing land use planning that address affordable housing, existing law defines "affordable housing" to mean housing that is affordable for a family with a total gross income less than 110 percent of the median gross income for the county concerned, based upon estimates by the United States Department of Housing and Urban Development of the most current median gross family income for the county. (NRS 278.0105) Section 2 of this bill decreases the total gross income of a family that is used for determining whether housing is affordable in the definition of "affordable housing" from a total gross income that is less than 110 percent of the median gross income for the relevant county to a total gross income that does not exceed 80 percent of that median gross income, which thereby limits the scope of the provisions governing land use planning that address affordable housing.

Existing law sets forth the subject matters of a master plan. (NRS 278.160) Section 3 of this bill revises the contents of the housing plan portion of a master plan.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

The report must include an analysis of the need for affordable housing within the city or county that exists at the end of the reporting period.

3. On or before February 15 of each year, the Housing Division shall compile the reports submitted pursuant to subsection 2 and transmit the compilation to the ~~[Interim Finance Committee.]~~ Legislature, or the Legislative Commission if the Legislature is not in regular session.

Sec. 1.7. ~~*[1. Any money that the governing body receives pursuant to this subsection must be used exclusively for the purpose of maintaining and developing affordable housing in the community and must be reverted to the Account if it is not used for this purpose within 4 years after receipt.]*~~

Amendment No. 812.

SUMMARY—Revises provisions governing ~~[certain transfers of groundwater.]~~ **the appropriation of water.** (BDR 48-913)

AN ACT relating to water; **clarifying the authority of the State Engineer relating to the appropriation, allocation and determination of availability of unappropriated water; authorizing the State Engineer to consider the consumptive use of a water right under certain circumstances; authorizing the State Engineer to limit the initial use of water upon approval of an application to appropriate water under certain circumstances; making various other changes concerning the powers and duties of the State Engineer;** revising provisions relating to the protest of certain applications involving interbasin transfers of groundwater; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Chapter 533 of NRS provides for the adjudication of water rights and the appropriation of water by the State Engineer. Section 1 of this bill provides that the State Engineer has full and exclusive authority with respect to the appropriation, allocation and determination of availability of unappropriated water and the place of diversion, manner of use and place of use of appropriated water. Section 3 of this bill authorizes the State Engineer to consider the consumptive use of a water right in determining the appropriateness of approving a proposed change in the place of diversion, manner of use or place of use of water pursuant to that right. Section 4 of this bill authorizes the State Engineer, upon approval of an application to appropriate water, to limit the initial use of

that water to an amount that is less than the total amount approved. If the State Engineer at a later date determines that water is available for the total amount approved for the application, he may authorize the use of that additional amount.

Existing law provides for interested persons to protest applications to appropriate water. (NRS 533.365) Section 5 of this bill authorizes the State Engineer to refuse to consider a protest if certain information concerning the protest is not received by the State Engineer. Section 5 makes various other changes concerning protests before the State Engineer, including, without limitation, requiring the State Engineer to render a decision regarding each application within 240 days after a hearing on the application and authorizing a successor in interest of a person who has filed a written protest to the application to be allowed to continue pursuing the protest in the same manner as the person who filed the original protest.

Existing law sets forth requirements for the State Engineer to provide certain notice of an application for a permit to appropriate water. These requirements include publishing the notice in a newspaper and if the application is for a well, mailing a copy of the notice to owners of real property containing a domestic well that is within 2,500 feet of the proposed well. (NRS 533.360) ~~[Existing law also allows an interested person to file with the State Engineer a written protest to the application. (NRS 533.365)~~

~~This]~~ **Section 6 of this** bill requires that if the State Engineer fails to grant, deny or hear an application for a permit to appropriate, change the point of diversion of, change the manner of use of, or change the place of use of more than 250 acre-feet of water per annum within 7 years after the date on which the application was submitted, the State Engineer must, if the application involves an interbasin transfer of groundwater, notice a new period of protest of 45 days. ~~[This bill also provides that certain successors in interest of persons who had already filed a written protest against the granting of such an application must be allowed to continue pursuing the protest as though they were the person who had filed the original protest.]~~

Existing law authorizes the State Engineer, for good cause shown, to extend the time within which water must be applied to a beneficial use under a permit for that right. (NRS 533.380) Section 7 of this bill authorizes the State Engineer to grant such an extension of time if the permit is the subject of a pending judicial proceeding.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. **Chapter 532 of NRS is hereby amended by adding thereto a new section to read as follows:**

The State Engineer has full, exclusive and final authority with respect to:

1. The appropriation, allocation and determination of availability of unappropriated water; and

2. The place of diversion, manner of use and place of use of appropriated water.

Sec. 2. **Chapter 533 of NRS is hereby amended by adding thereto the provisions set forth as sections 3 and 4 of this act.**

Sec. 3. ***1. The State Engineer may consider the consumptive use of a water right and the consumptive use of a proposed beneficial use of water in determining whether a proposed change in the place of diversion, manner of use or place of use complies with the provisions of subsection 5 of NRS 533.370.***

2. The provisions of this section:

(a) Must not be applied by the State Engineer in a manner that is inconsistent with any applicable federal or state decree concerning consumptive use.

(b) Do not apply to any decreed, certified or permitted right to appropriate water which originates in the Virgin River or the Muddy River.

Sec. 4. ***1. Upon approval of an application to appropriate water, the State Engineer may limit the initial use of water to a quantity that is less than the total amount approved for the application. The use of an additional amount of water that is not more than the total amount approved for the application may be authorized by the State Engineer at a later date if additional evidence demonstrates to the satisfaction of the State Engineer that the additional amount of water is available and may be appropriated in accordance with this chapter and chapter 534 of NRS. In making that determination, the State Engineer may establish a period during which additional studies may be conducted or additional evidence provided to support the application.***

2. In any basin in which an application to appropriate water is approved pursuant to subsection 1, the State Engineer may, pursuant to this chapter and chapter 534 of NRS, act upon any other pending application to appropriate water in that basin that the State Engineer concludes constitutes the use of a minimal amount of water.

~~[Section 1.]~~ ***Sec. 5.*** NRS 533.365 is hereby amended to read as follows:

533.365 1. Any person interested may, within 30 days ~~[from]~~ ***after*** the date of last publication of the notice of application, file with the State Engineer a written protest against the granting of the application, setting forth with reasonable certainty the grounds of such protest, which ~~[shall]~~ ***must*** be verified by the affidavit of the protestant, his agent or attorney.

2. On receipt of a protest, the State Engineer shall advise the applicant whose application has been protested of the fact that the protest has been filed with him, which advice ~~[shall]~~ ***must*** be sent by certified mail.

3. ~~[The]~~ ***Except as otherwise provided in subsection 4, the*** State Engineer shall consider the protest, and may ~~[, in his discretion,]~~ hold

hearings and require the filing of such evidence as he may deem necessary to a full understanding of the rights involved. The State Engineer shall give notice of the hearing by certified mail to both the applicant and the protestant. The notice must state the time and place at which the hearing is to be held and must be mailed at least 15 days before the date set for the hearing.

4. ***In addition to the provisions of subsection 5, the State Engineer may refuse to consider the protest if the protestant fails to provide information relating to the protest required by the State Engineer.***

5. Each applicant and each protestant shall, in accordance with a schedule established by the State Engineer, provide to the State Engineer and to each protestant and each applicant information required by the State Engineer relating to the application or protest.

6. The State Engineer or any member of his technical staff may communicate with any applicant, protestant, interested person, governmental entity, technical representative or expert for the purposes of obtaining information which the State Engineer deems necessary to act on a protested application if the State Engineer:

(a) Provides notice of the communication to each applicant, protestant, interested person, governmental entity, technical representative or expert with whom the State Engineer did not communicate with regard to the protested application; and

(b) Provides an opportunity to respond to each applicant, protestant, interested person, governmental entity, technical representative or expert specified in paragraph (a).

7. The State Engineer may invite technical representatives of the applicant, the protestant, an interested person or a governmental entity to meet with the technical staff of the State Engineer to consider issues relating to an application to appropriate water.

8. If the State Engineer holds a hearing pursuant to subsection 3, the State Engineer shall render a decision on each application not later that 240 days after the later of:

(a) The date all transcripts of the hearing become available to the State Engineer; or

(b) The date specified by the State Engineer for the filing of any additional information, evidence, studies or compilations requested by the State Engineer. The State Engineer may, for good cause shown, extend any applicable period.

9. The State Engineer shall adopt rules of practice regarding the conduct of ~~[such hearings.]~~ ***a hearing held pursuant to subsection 3.*** The rules of practice must be adopted in accordance with the provisions of NRS 233B.040 to 233B.120, inclusive, and codified in the Nevada Administrative Code. The technical rules of evidence do not apply at such a hearing.

~~*[5.]*~~ ***10. If a person is the successor in interest of an owner of a water right or an owner of real property upon which a domestic well is located***

and if the former owner had previously filed a written protest against the granting of an application, the successor in interest must be allowed to pursue that protest in the same manner as if he were the former owner whose interest he succeeded. If the successor in interest wishes to pursue the protest, the successor in interest must notify the State Engineer of that fact on a form prescribed by the State Engineer.

11. The provisions of this section do not prohibit the noticing of a new period of 45 days in which a person may file with the State Engineer a written protest against the granting of the application, if such notification is required to be given pursuant to subsection 8 of NRS 533.370.

12. As used in this section, "domestic well" has the meaning ascribed to it in NRS 534.350.

~~[Sec. 2.]~~ ***Sec. 6.*** NRS 533.370 is hereby amended to read as follows:

533.370 1. Except as otherwise provided in this section and NRS 533.345, 533.371, 533.372 and 533.503, the State Engineer shall approve an application submitted in proper form which contemplates the application of water to beneficial use if:

(a) The application is accompanied by the prescribed fees;

(b) The proposed use or change, if within an irrigation district, does not adversely affect the cost of water for other holders of water rights in the district or lessen the efficiency of the district in its delivery or use of water; and

(c) The applicant provides proof satisfactory to the State Engineer of:

(1) His intention in good faith to construct any work necessary to apply the water to the intended beneficial use with reasonable diligence; and

(2) His financial ability and reasonable expectation actually to construct the work and apply the water to the intended beneficial use with reasonable diligence.

2. Except as otherwise provided in this subsection and subsections 3 and ~~[8,]~~ ~~*[11,]*~~ ***10 and NRS 533.365,*** the State Engineer shall approve or reject each application within 1 year after the final date for filing a protest. The State Engineer may:

(a) Postpone action upon written authorization to do so by the applicant or, if an application is protested, by the protestant and the applicant.

(b) Postpone action if the purpose for which the application was made is municipal use.

(c) In areas where studies of water supplies have been determined to be necessary by the State Engineer pursuant to NRS 533.368 or where court actions are pending, withhold action until it is determined there is unappropriated water or the court action becomes final.

3. Except as otherwise provided in subsection ~~[8,]~~ ~~*[11,]*~~ ***10,*** the State Engineer shall approve or reject, within 6 months after the final date for filing a protest, an application filed to change the point of diversion of water already appropriated when the existing and proposed points of diversion are on the same property for which the water has already been appropriated

under the existing water right or the proposed point of diversion is on real property that is proven to be owned by the applicant and is contiguous to the place of use of the existing water right. The State Engineer may:

(a) Postpone action upon written authorization to do so by the applicant or, if the application is protested, by the protestant and the applicant.

(b) In areas where studies of water supplies have been determined to be necessary by the State Engineer pursuant to NRS 533.368 or where court actions are pending, withhold action until it is determined there is unappropriated water or the court action becomes final.

4. If the State Engineer does not act upon an application within 1 year after the final date for filing a protest, the application remains active until acted upon by the State Engineer.

5. Except as otherwise provided in subsection ~~[8,]~~ ***~~[11,]~~*** ***10,*** where there is no unappropriated water in the proposed source of supply, or where its proposed use or change conflicts with existing rights or with protectible interests in existing domestic wells as set forth in NRS 533.024, or threatens to prove detrimental to the public interest, the State Engineer shall reject the application and refuse to issue the requested permit. If a previous application for a similar use of water within the same basin has been rejected on those grounds, the new application may be denied without publication.

6. In determining whether an application for an interbasin transfer of groundwater must be rejected pursuant to this section, the State Engineer shall consider:

(a) Whether the applicant has justified the need to import the water from another basin;

(b) If the State Engineer determines that a plan for conservation of water is advisable for the basin into which the water is to be imported, whether the applicant has demonstrated that such a plan has been adopted and is being effectively carried out;

(c) Whether the proposed action is environmentally sound as it relates to the basin from which the water is exported;

(d) Whether the proposed action is an appropriate long-term use which will not unduly limit the future growth and development in the basin from which the water is exported; and

(e) Any other factor the State Engineer determines to be relevant.

7. If a hearing is held regarding an application, the decision of the State Engineer must be in writing and include findings of fact, conclusions of law and a statement of the underlying facts supporting the findings of fact. The written decision may take the form of a transcription of an oral ruling. The rejection or approval of an application must be endorsed on a copy of the original application, and a record must be made of the endorsement in the records of the State Engineer. The copy of the application so endorsed must be returned to the applicant. Except as otherwise provided in subsection ~~[9,]~~ ***~~[12,]~~*** ***11,*** if the application is approved, the applicant may, on receipt thereof, proceed with the construction of the necessary works and take all steps

required to apply the water to beneficial use and to perfect the proposed appropriation. If the application is rejected, the applicant may take no steps toward the prosecution of the proposed work or the diversion and use of the public water while the rejection continues in force.

8. ***If:***

(a) The State Engineer receives an application to appropriate any of the public waters, or to change the point of diversion, manner of use or place of use of water already appropriated;

(b) The application involves an amount of water exceeding 250 acre-feet per annum;

(c) The application involves an interbasin transfer of groundwater; and

(d) Within 7 years after the date of last publication of the notice of application, the State Engineer has not granted the application, denied the application, held an administrative hearing on the application or issued a permit in response to the application,

➥ the State Engineer shall notice a new period of 45 days in which a person may file with the State Engineer a written protest against the granting of the application. Such notification must be entered on the Internet website of the State Engineer and must, concurrently with that notification, be mailed to the board of county commissioners of the county of origin.

9. Except as otherwise provided in ~~[subsection 10,]~~ NRS 533.365, a person who wishes to protest an application in accordance with a new period of protest noticed pursuant to subsection 8 shall, within 45 days after the date on which the notification was entered and mailed, file with the State Engineer a written protest that complies with the provisions of this chapter and with the regulations adopted by the State Engineer, including, without limitation, any regulations prescribing the use of particular forms or requiring the payment of certain fees.

10. ~~[If a person is the successor in interest of an owner of a water right, an owner of real property containing a domestic well or an owner of an interest in a domestic well, and if that previous owner had already filed a written protest against the granting of an application to allow an interbasin transfer of groundwater, the successor in interest must be allowed to pursue that protest in the same manner as though he were the previous owner to whose interest he succeeded. If such a successor in interest wishes to protest an application in accordance with a new period of protest noticed pursuant to subsection 8, the successor need not file with the State Engineer a new written protest but must, within 45 days after the date on which the notification was entered and mailed, inform the Office of the State Engineer that he wishes to continue pursuing the protest.~~

~~11.]~~ The provisions of subsections 1 to 6, inclusive, do not apply to an application for an environmental permit.

~~[9.]~~ ***~~[12.]~~ 11.*** The provisions of subsection 7 do not authorize the recipient of an approved application to use any state land administered by the

Division of State Lands of the State Department of Conservation and Natural Resources without the appropriate authorization for that use from the State Land Registrar.

~~[10.]~~ ~~*[13.]*~~ ***12.*** As used in this section ~~[, "interbasin]~~ ***:***

(a) "County of origin" means the county from which groundwater is transferred or proposed to be transferred.

(b) ~~*["Domestic well" has the meaning ascribed to it in NRS 534.350.*~~

~~*(c)]*~~ ***"Interbasin*** transfer of groundwater" means a transfer of groundwater for which the proposed point of diversion is in a different basin than the proposed place of beneficial use.

Sec. 7. **NRS 533.380 is hereby amended to read as follows:**

533.380 1. Except as otherwise provided in subsection 5, in his endorsement of approval upon any application, the State Engineer shall:

(a) Set a time before which the construction of the work must be completed, which must be within 5 years after the date of approval.

(b) Except as otherwise provided in this paragraph, set a time before which the complete application of water to a beneficial use must be made, which must not exceed 10 years after the date of the approval. The time set under this paragraph respecting an application for a permit to apply water to a municipal or quasi-municipal use on any land:

(1) For which a final subdivision map has been recorded pursuant to chapter 278 of NRS;

(2) For which a plan for the development of a project has been approved by the local government pursuant to NRS 278.010 to 278.460, inclusive; or

(3) On any land for which a plan for the development of a planned unit development has been recorded pursuant to chapter 278A of NRS,

➥ must not be less than 5 years.

2. The State Engineer may limit the applicant to a smaller quantity of water, to a shorter time for the completion of work, and, except as otherwise provided in paragraph (b) of subsection 1, to a shorter time for the perfecting of the application than named in the application.

3. Except as otherwise provided in subsection 4 and NRS 533.395 and 533.4377, the State Engineer may, for good cause shown, ***including, without limitation, a pending judicial proceeding,*** extend the time within which construction work must be completed, or water must be applied to a beneficial use under any permit therefor issued by him, but an application for the extension must in all cases be:

(a) Made within 30 days following notice by registered or certified mail that proof of the work is due as provided for in NRS 533.390 and 533.410; and

(b) Accompanied by proof and evidence of the reasonable diligence with which the applicant is pursuing the perfection of the application.

➥ The State Engineer shall not grant an extension of time unless he determines from the proof and evidence so submitted that the applicant is proceeding in good faith and with reasonable diligence to perfect the

application. The failure to provide the proof and evidence required pursuant to this subsection is prima facie evidence that the holder is not proceeding in good faith and with reasonable diligence to perfect the application.

4. Except as otherwise provided in subsection 5 and NRS 533.395, whenever the holder of a permit issued for any municipal or quasi-municipal use of water on any land referred to in paragraph (b) of subsection 1, or for any use which may be served by a county, city, town, public water district or public water company, requests an extension of time to apply the water to a beneficial use, the State Engineer shall, in determining whether to grant or deny the extension, consider, among other factors:

(a) Whether the holder has shown good cause for not having made a complete application of the water to a beneficial use;

(b) The number of parcels and commercial or residential units which are contained in or planned for the land being developed or the area being served by the county, city, town, public water district or public water company;

(c) Any economic conditions which affect the ability of the holder to make a complete application of the water to a beneficial use;

(d) Any delays in the development of the land or the area being served by the county, city, town, public water district or public water company which were caused by unanticipated natural conditions; and

(e) The period contemplated in the:

(1) Plan for the development of a project approved by the local government pursuant to NRS 278.010 to 278.460, inclusive; or

(2) Plan for the development of a planned unit development recorded pursuant to chapter 278A of NRS,

➥ if any, for completing the development of the land.

5. The provisions of subsections 1 and 4 do not apply to an environmental permit.

6. For the purposes of this section, the measure of reasonable diligence is the steady application of effort to perfect the application in a reasonably expedient and efficient manner under all the facts and circumstances. When a project or integrated system is comprised of several features, work on one feature of the project or system may be considered in finding that reasonable diligence has been shown in the development of water rights for all features of the entire project or system.

Sec. 8. **The amendatory provisions of subsections 10 and 11 of section 5 and section 6 of this act do not apply to:**

1. An application to appropriate water filed before July 1, 2007;

2. An application to change the place of diversion, manner of use or place of use of appropriated water filed before that date; or

3. A written protest relating to an application specified in subsection 1 or 2.

~~[Sec. 3.]~~ ***Sec. 9.*** This act becomes effective on July 1, 2007.

Amendment No. 761.

AN ACT relating to financial institutions; requiring certain financial institutions to provide training to certain officers and employees concerning identifying the suspected exploitation of older persons and vulnerable persons; requiring certain officers and employees who receive such training to report the suspected or known exploitation of an older or vulnerable person; providing for civil penalties for failure to report; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Sections 4-13 of this bill require certain financial institutions to provide training to certain officers and employees concerning the identification and reporting of the exploitation of older persons and vulnerable persons. "Older persons" are defined in existing law as persons who are 60 years of age or older. (NRS 200.5092) "Vulnerable persons" are defined in existing law as persons who are 18 years of age or older who: (1) suffer from a condition of physical or mental incapacitation because of a developmental disability, organic brain damage or mental illness; or (2) have one or more physical or mental limitations that restrict the ability of the person to perform the normal activities of daily living. (NRS 200.5092) Section 10 of this bill specifies which officers and employees must receive the training, when the training must be provided and the content of the training. Section 10 further requires those officers and employees to report incidents that reasonably appear to be exploitation of an older or vulnerable person. Section 11 of this bill requires each financial institution to designate a person to whom such reports must be made. The person so designated is then responsible for determining when a formal report must be reported to ~~[a law enforcement]~~ **the appropriate** agency. Section 12 of this bill provides for a civil penalty when an employee, officer or designated reporter who has received training fails to report an incident.

Sections 15-23 of this bill add similar provisions to the chapter governing savings and loan associations. (Chapter 673 of NRS) Sections 25-33 of this bill add similar provisions to the chapter governing thrift companies. (Chapter 677 of NRS) Sections 35-43 of this bill add similar provisions to the chapter governing credit unions. (Chapter 678 of NRS)

Assemblyman Anderson moved that the Assembly concur in the Senate Amendment No. 761 to Assembly Bill No. 87.

Remarks by Assemblyman Anderson.

Motion carried.

The following Senate amendment was read:

Amendment No. 968.

AN ACT relating to financial institutions; requiring certain financial institutions to provide training to certain officers and employees concerning identifying the suspected exploitation of older persons and vulnerable persons; requiring certain officers and employees who receive such training to report the suspected or known exploitation of an older or vulnerable person; ~~[providing for civil penalties for failure to report;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Sections 4-13 of this bill require certain financial institutions to provide training to certain officers and employees concerning the identification and reporting of the exploitation of older persons and vulnerable persons. "Older persons" are defined in existing law as persons who are 60 years of age or older. (NRS 200.5092) "Vulnerable persons" are defined in existing law as persons who are 18 years of age or older who: (1) suffer from a condition of physical or mental incapacitation because of a developmental disability, organic brain damage or mental illness; or (2) have one or more physical or mental limitations that restrict the ability of the person to perform the normal activities of daily living. (NRS 200.5092) Section 10 of this bill specifies which officers and employees must receive the training, when the training must be provided and the content of the training. Section 10 further requires those officers and employees to report incidents that reasonably appear to be exploitation of an older or vulnerable person. Section 11 of this bill requires each financial institution to designate a person to whom such reports must be made. The person so designated is then responsible for determining when a formal report must be reported to the appropriate agency. ~~[Section 12 of this bill provides for a civil penalty when an employee, officer or designated reporter who has received training fails to report an incident.]~~

Sections ~~[15-23]~~ **15-22** of this bill add similar provisions to the chapter governing savings and loan associations. (Chapter 673 of NRS) Sections ~~[25-33]~~ **25-32** of this bill add similar provisions to the chapter governing thrift companies. (Chapter 677 of NRS) Sections ~~[35-43]~~ **35-42** of this bill add similar provisions to the chapter governing credit unions. (Chapter 678 of NRS)

Assembly Bill No. 127.

The following Senate amendment was read:

Amendment No. 792.

SUMMARY—Revises provisions relating to interception of wire communications. (BDR ~~[15-1049)]~~ **54-1049)**

AN ACT relating to communications; ~~[authorizing]~~ **clarifying that** a person ~~[to]~~ **may** record certain telephone calls made by collection agents and collection agencies ~~[without obtaining their consent;]~~ **after providing notice that the call is being recorded and making a statement to that effect on the recording;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law generally requires two-party consent before a person may record a telephone conversation. (NRS 200.620) The Nevada Supreme Court has interpreted existing law to prohibit a person from recording his own telephone conversations unless the other party to the conversation gives prior consent to the recording. (***Lane v. Allstate Ins. Co.***, 114 Nev. 1176 (1998)) ~~[However, the law recognizes exceptions to the requirement of two-party consent for certain situations, including: (1) interceptions of wire communications made pursuant to a court order; (2) interceptions of wire communications made with the consent of one party in an emergency situation and later ratified by a court; (3) interceptions of communications made by an offender in an institution or facility with a person outside of the institution or facility in certain circumstances; and (4) a public utility recording telephone calls relating to emergencies and service outages in certain circumstances. (NRS 179.410-179.515, 209.419, 704.195)]~~ **Existing law also prohibits the surreptitious listening, monitoring or recording of private conversations engaged in by other persons. (NRS 200.650)**

~~[Sections 1 and]~~ **Section** 4 of this bill ~~[provide an additional exception to the two-party consent requirement set forth in NRS 200.620. Section 4 authorizes]~~ **provides that, after providing notice to the collection agency or collection agent that the telephone call is being recorded and making**

a statement to that effect on the recording, a person ~~[to]~~ **may** record any telephone call concerning a debt which is owed or asserted to be owed by the person if the telephone call is initiated by a collection agency or collection agent and received by the person who owes or is alleged to owe the debt. ~~[Section 4 further provides that the person who records the telephone call is not required to obtain the consent of the collection agency or collection agent to record the telephone call or provide notice to the collection agency or collection agent that the telephone call is being recorded.]~~

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. ~~[NRS 200.620 is hereby amended to read as follows:~~

~~200.620 1. Except as otherwise provided in NRS 179.410 to 179.515, inclusive, 209.419 and 704.195,~~ *and section 4 of this act*, ~~it is unlawful for any person to intercept or attempt to intercept any wire communication unless:~~

~~(a) The interception or attempted interception is made with the prior consent of one of the parties to the communication; and~~

~~(b) An emergency situation exists and it is impractical to obtain a court order as required by NRS 179.410 to 179.515, inclusive, before the interception, in which event the interception is subject to the requirements of subsection 3. If the application for ratification is denied, any use or disclosure of the information so intercepted is unlawful, and the person who made the interception shall notify the sender and the receiver of the communication that:~~

~~(1) The communication was intercepted; and~~

~~(2) Upon application to the court, ratification of the interception was denied.~~

~~2. This section does not apply to any person, or to the officers, employees or agents of any person, engaged in the business of providing service and facilities for wire communication where the interception or attempted interception is to construct, maintain, conduct or operate the service or facilities of that person.~~

~~3. Any person who has made an interception in an emergency situation as provided in paragraph (b) of subsection 1 shall, within 72 hours of the interception, make a written application to a justice of the Supreme Court or district judge for ratification of the interception. The interception must not be ratified unless the applicant shows that:~~

~~(a) An emergency situation existed and it was impractical to obtain a court order before the interception; and~~

~~(b) Except for the absence of a court order, the interception met the requirements of NRS 179.410 to 179.515, inclusive.~~

Assemblyman Anderson moved that the Assembly do not concur in the Senate amendment to Assembly Bill No. 127.

Remarks by Assemblyman Anderson.

Motion carried.

Bill ordered transmitted to the Senate.

Assembly Bill No. 193.

The following Senate amendment was read:

Amendment No. 755.

AN ACT relating to crimes; establishing the requirements for determining whether a person is insane for purposes of the plea of not guilty by reason of insanity and for the insanity defense; authorizing a plea and verdict of guilty but mentally ill under certain circumstances; **providing for annual evaluations and the discharge or conditional release of a person who is committed to the custody of the Administrator of the Division of Mental Health and Developmental Services of the Department of Health and Human Services after an acquittal by reason of insanity in certain circumstances;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

In 1995, the Legislature enacted Senate Bill No. 314 which abolished the insanity defense in criminal cases and instead authorized a plea of guilty but mentally ill. In 2001, the Nevada Supreme Court interpreted the provisions of Senate Bill No. 314 and ruled that the federal and state constitutions require the State to provide to criminal defendants the option of raising an insanity defense for crimes that require an element of intent. (***Finger v. State***, 117 Nev. 548 (2001)) Based on this reasoning and because the Court did not believe that the Legislature would wish to preserve the plea of guilty but mentally ill under these circumstances, the Court struck Senate Bill No. 314 in its entirety and reinstated the insanity defense as it existed before Senate Bill No. 314. (***Finger***, 117 Nev. at 575) In response to ***Finger***, the Legislature enacted legislation in 2003, Assembly Bill No. 156, which statutorily abolished the plea of guilty but mentally ill and reinstated the insanity defense.

Section 4 of this bill reinstates the plea of guilty but mentally ill as an additional plea. Section 4 also provides that a defendant who pleads guilty but mentally ill bears the burden of establishing his mental illness by a preponderance of the evidence and that generally such a defendant is subject to the same penalties and procedures as a defendant who pleads guilty. (NRS 174.035)

Section 10 of this bill authorizes the verdict of guilty but mentally ill. Specifically, section 10 authorizes a judge or jury to find a defendant guilty but mentally ill if the judge or jury finds that the defendant: (1) is guilty of the offense; (2) has established that he was mentally ill at the time the offense was committed; and (3) has not established that he was insane for purposes of the defense of insanity. Generally, a defendant who is found guilty but

mentally ill is subject to the same penalties and procedures as a defendant who is found guilty.

Section 17 of this bill provides the types of sentences a court may impose upon a defendant who pleads or is found guilty but mentally ill. Regardless of whether a defendant is mentally ill at the time of sentencing, the court is required to impose any sentence available to the court for a defendant who pleads or is found guilty of the same offense. However, if the defendant is mentally ill at the time of sentencing and the sentence includes a term of confinement, the court is also required, under certain circumstances, to direct the Department of Corrections to provide to the defendant such treatment as is medically indicated for his mental illness during his confinement. This bill contains many of the same provisions that were included in Senate Bill No. 314 of the 1995 Legislative Session, as well as many new sections that were included to provide for the plea and verdict of guilty but mentally ill.

Under existing case law in Nevada, a defendant in a criminal case who asserts the insanity defense must prove that he was in a delusional state at the time of the alleged crime and due to that delusional state, he either: (1) did not understand the nature or capacity of his act; or (2) did not appreciate that his act was wrong, meaning that the act is not authorized by law. (***Finger***, 117 Nev. at 576) This standard for establishing insanity is commonly referred to as the "M'Naghten Rule." The Nevada Supreme Court has recognized that the Legislature may determine that legal insanity be proven by the defendant by any one of the established standards, including by the M'Naghten Rule. (***Finger***, 117 Nev. at 575) Section 4 of this bill codifies the M'Naghten Rule, as stated above, as the standard for establishing insanity for purposes of the insanity defense. (NRS 174.035)

Existing law requires a court to order a person who is acquitted by reason of insanity committed to the custody of the Administrator of the Division of Mental Health and Developmental Services of the Department of Health and Human Services if the court determines that there is clear and convincing evidence that the person is mentally ill. (NRS 175.539) Existing law provides that such a person committed to the custody of the Administrator is generally subject to the same procedures upon commitment as a person who is committed to the custody of the Administrator because he is incompetent to stand trial. (NRS 175.539, 178.400-178.460)

Sections 30-39 of this bill establish the procedures governing the discharge or conditional release of a person who is committed to the custody of the Administrator following an acquittal by reason of insanity. Section 36 provides that such a person is eligible for discharge or conditional release from custody if he establishes by a preponderance of the evidence that he would not be a danger, as a result of any mental disorder, to himself or others. Section 37 provides that an initial hearing to determine whether a person is eligible for discharge or conditional release must be held not later than 60 days after the person has been

committed to the custody of the Administrator, except in certain circumstances. Not later than 21 days before this hearing and annually thereafter, the Administrator shall prepare a report concerning the condition of the person and provide a copy of it to the person, his attorney, the prosecuting attorney and the court. The opinion of the Administrator included in the report concerning whether or not the person should be discharged or conditionally released may be challenged by either the person committed to the custody of the Administrator or the district attorney. Section 38 provides that if a person is not discharged or conditionally released from the custody of the Administrator following his initial hearing, the person may petition annually for a discharge or conditional release. Section 38 further provides that the Division may petition for a discharge or conditional release at any time if the petition is accompanied by the affidavit of a physician or licensed psychologist which states that the person's mental condition has improved since the most recent hearing concerning the discharge or conditional release of the person.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 169.195 is hereby amended to read as follows:

169.195 1. "Trial" means that portion of a criminal action which:

(a) If a jury is used, begins with the impaneling of the jury and ends with the return of the verdict, both inclusive.

(b) If no jury is used, begins with the opening statement, or if there is no opening statement, when the first witness is sworn, and ends with the closing argument or upon submission of the cause to the court without argument, both inclusive.

2. "Trial" does not include any proceeding had upon a plea of guilty ***or guilty but mentally ill*** to determine the degree of guilt or to fix the punishment.

Sec. 2. NRS 173.035 is hereby amended to read as follows:

173.035 1. An information may be filed against any person for any offense when the person:

(a) Has had a preliminary examination as provided by law before a justice of the peace, or other examining officer or magistrate, and has been bound over to appear at the court having jurisdiction; or

(b) Has waived his right to a preliminary examination.

2. If, however, upon the preliminary examination the accused has been discharged, or the affidavit or complaint upon which the examination has been held has not been delivered to the clerk of the proper court, the Attorney General when acting pursuant to a specific statute or the district attorney may, upon affidavit of any person who has knowledge of the commission of an offense, and who is a competent witness to testify in the case, setting forth the offense and the name of the person or persons charged with the

commission thereof, upon being furnished with the names of the witnesses for the prosecution, by leave of the court first had, file an information, and process must forthwith be issued thereon. The affidavit need not be filed in cases where the defendant has waived a preliminary examination, or upon a preliminary examination has been bound over to appear at the court having jurisdiction.

3. The information must be filed within 15 days after the holding or waiver of the preliminary examination. Each information must set forth the crime committed according to the facts.

4. If, with the consent of the prosecuting attorney, a defendant waives his right to a preliminary examination in accordance with an agreement by the defendant to plead guilty ***, guilty but mentally ill*** or nolo contendere to a lesser charge or ***to*** at least one ***,*** but not all, of the initial charges, the information filed against the defendant pursuant to this section may contain only the offense or offenses to which the defendant has agreed to enter a plea of guilty ***, guilty but mentally ill*** or nolo contendere. If, for any reason, the agreement is rejected by the district court or withdrawn by the defendant, the prosecuting attorney may file an amended information charging all of the offenses which were in the criminal complaint upon which the preliminary examination was waived. The defendant must then be arraigned in accordance with the amended information.

Sec. 3. NRS 173.125 is hereby amended to read as follows:

173.125 The prosecution is not required to elect between the different offenses or counts set forth in the indictment or information, and a plea of guilty ***or guilty but mentally ill*** to one or more offenses charged in the indictment or information does not preclude prosecution for the other offenses.

Sec. 4. NRS 174.035 is hereby amended to read as follows:

174.035 1. A defendant may plead not guilty, guilty ***, guilty but mentally ill*** or, with the consent of the court, nolo contendere. The court may refuse to accept a plea of guilty [.] ***or guilty but mentally ill.***

2. If a plea of guilty ***or guilty but mentally ill*** is made in a written plea agreement, the agreement must be in substantially the form prescribed in NRS 174.063. If a plea of guilty ***or guilty but mentally ill*** is made orally, the court shall not accept such a plea or a plea of nolo contendere without first addressing the defendant personally and determining that the plea is made voluntarily with understanding of the nature of the charge and consequences of the plea.

3. With the consent of the court and the district attorney, a defendant may enter a conditional plea of guilty ***, guilty but mentally ill*** or nolo contendere, reserving in writing the right, on appeal from the judgment, to a review of the adverse determination of any specified pretrial motion. A defendant who prevails on appeal must be allowed to withdraw the plea.

4. ***A plea of guilty but mentally ill must be entered not less than 21 days before the date set for trial. A defendant who has entered a plea of guilty***

but mentally ill has the burden of establishing his mental illness by a preponderance of the evidence. Except as otherwise provided by specific statute, a defendant who enters such a plea is subject to the same criminal, civil and administrative penalties and procedures as a defendant who pleads guilty.

5. The defendant may, in the alternative or in addition to any one of the pleas permitted by subsection 1, plead not guilty by reason of insanity. A plea of not guilty by reason of insanity must be entered not less than 21 days before the date set for trial. A defendant who has not so pleaded may offer the defense of insanity during trial upon good cause shown. Under such a plea or defense, the burden of proof is upon the defendant to establish ~~[his insanity]~~ by a preponderance of the evidence ~~[.~~

~~5.]~~ ***that:***

(a) Due to a disease or defect of the mind, he was in a delusional state at the time of the alleged offense; and

(b) Due to the delusional state, he either did not:

(1) Know or understand the nature and capacity of his act; or

(2) Appreciate that his conduct was wrong, meaning not authorized by law.

6. If a defendant refuses to plead or if the court refuses to accept a plea of guilty ***or guilty but mentally ill*** or if a defendant corporation fails to appear, the court shall enter a plea of not guilty.

~~[6.]~~ ***7.*** A defendant may not enter a plea of guilty ***or guilty but mentally ill*** pursuant to a plea bargain for an offense punishable as a felony for which:

(a) Probation is not allowed; or

(b) The maximum prison sentence is more than 10 years,

➥ unless the plea bargain is set forth in writing and signed by the defendant, the defendant's attorney, if he is represented by counsel, and the prosecuting attorney.

8. As used in this section, a "disease or defect of the mind" does not include a disease or defect which is caused solely by voluntary intoxication.

Sec. 5. NRS 174.055 is hereby amended to read as follows:

174.055 In ~~[the]~~ ***a*** justice court, if the defendant pleads guilty ~~[,]~~ ***or guilty but mentally ill,*** the court may, before entering such a plea or pronouncing judgment, examine witnesses to ascertain the gravity of the offense committed. If it appears to the court that a higher offense has been committed than the offense charged in the complaint, the court may order the defendant to be committed or admitted to bail or to answer any indictment that may be found against him or any information which may be filed by the district attorney.

Sec. 6. NRS 174.061 is hereby amended to read as follows:

174.061 1. If a prosecuting attorney enters into an agreement with a defendant in which the defendant agrees to testify against another defendant in exchange for a plea of guilty ***, guilty but mentally ill*** or nolo contendere to

a lesser charge or for a recommendation of a reduced sentence, the agreement:

(a) Is void if the defendant's testimony is false.

(b) Must be in writing and include a statement that the agreement is void if the defendant's testimony is false.

2. A prosecuting attorney shall not enter into an agreement with a defendant which:

(a) Limits the testimony of the defendant to a predetermined formula.

(b) Is contingent on the testimony of the defendant contributing to a specified conclusion.

Sec. 7. NRS 174.063 is hereby amended to read as follows:

174.063 1. If a plea of guilty ***or guilty but mentally ill*** is made in a written plea agreement, the agreement must be substantially in the following form:

GUILTY ***OR GUILTY BUT MENTALLY ILL*** PLEA AGREEMENT

I hereby agree to plead guilty ***or guilty but mentally ill*** to: (List charges to which defendant is pleading guilty ~~[).]~~ ***or guilty but mentally ill),*** as more fully alleged in the charging document attached hereto as Exhibit 1.

My decision to plead guilty ***or guilty but mentally ill*** is based upon the plea agreement in this case which is as follows:

(State the terms of the agreement.)

CONSEQUENCES OF THE PLEA

I understand that by pleading guilty ***or guilty but mentally ill*** I admit the facts which support all the elements of the offenses to which I now plead as set forth in Exhibit 1.

I understand that as a consequence of my plea of guilty ***or guilty but mentally ill*** I may be imprisoned for a period of not more than (maximum term of imprisonment) and that I (may or will) be fined up to (maximum amount of fine). I understand that the law requires me to pay an administrative assessment fee.

I understand that, if appropriate, I will be ordered to make restitution to the victim of the offenses to which I am pleading guilty ***or guilty but mentally ill*** and to the victim of any related offense which is being dismissed or not prosecuted pursuant to this agreement. I will also be ordered to reimburse the State of Nevada for expenses ~~[related]~~ ***relating*** to my extradition, if any.

I understand that I (am or am not) eligible for probation for the offense to which I am pleading guilty ~~[,]~~ ***or guilty but mentally ill.*** (I understand that, except as otherwise provided by statute, the question of whether I receive probation is in the discretion of the sentencing judge, or I understand that I must serve a mandatory minimum term of (term of imprisonment) or pay a minimum mandatory fine of (amount of fine) or serve a mandatory minimum term (term of imprisonment) and pay a minimum mandatory fine of (amount of fine).)

I understand that if more than one sentence of imprisonment is imposed and I am eligible to serve the sentences concurrently, the sentencing judge has the discretion to order the sentences served concurrently or consecutively.

I understand that information regarding charges not filed, dismissed charges or charges to be dismissed pursuant to this agreement may be considered by the judge at sentencing.

I have not been promised or guaranteed any particular sentence by anyone. I know that my sentence is to be determined by the court within the limits prescribed by statute. I understand that if my attorney or the State of Nevada or both recommend any specific punishment to the court, the court is not obligated to accept the recommendation.

I understand that the Division of Parole and Probation of the Department of Public Safety may or will prepare a report for the sentencing judge before sentencing. This report will include matters relevant to the issue of sentencing, including my criminal history. I understand that this report may contain hearsay information regarding my background and criminal history. My attorney (if represented by counsel) and I will each have the opportunity to comment on the information contained in the report at the time of sentencing.

WAIVER OF RIGHTS

By entering my plea of guilty ~~[,]~~ ***or guilty but mentally ill,*** I understand that I have waived the following rights and privileges:

1. The constitutional privilege against self-incrimination, including the right to refuse to testify at trial, in which event the prosecution would not be allowed to comment to the jury about my refusal to testify.

2. The constitutional right to a speedy and public trial by an impartial jury, free of excessive pretrial publicity prejudicial to the defense, at which trial I would be entitled to the assistance of an attorney, either appointed or retained. At trial, the State would bear the burden of proving beyond a reasonable doubt each element of the offense charged.

3. The constitutional right to confront and cross-examine any witnesses who would testify against me.

4. The constitutional right to subpoena witnesses to testify on my behalf.

5. The constitutional right to testify in my own defense.

6. The right to appeal the conviction, with the assistance of an attorney, either appointed or retained, unless the appeal is based upon reasonable

constitutional, jurisdictional or other grounds that challenge the legality of the proceedings and except as otherwise provided in subsection 3 of NRS 174.035.

VOLUNTARINESS OF PLEA

I have discussed the elements of all the original charges against me with my attorney (if represented by counsel) and I understand the nature of these charges against me.

I understand that the State would have to prove each element of the charge against me at trial.

I have discussed with my attorney (if represented by counsel) any possible defenses and circumstances which might be in my favor.

All of the foregoing elements, consequences, rights and waiver of rights have been thoroughly explained to me by my attorney (if represented by counsel).

I believe that pleading guilty ***or guilty but mentally ill*** and accepting this plea bargain is in my best interest and that a trial would be contrary to my best interest.

I am signing this agreement voluntarily, after consultation with my attorney (if represented by counsel) and I am not acting under duress or coercion or by virtue of any promises of leniency, except for those set forth in this agreement.

I am not now under the influence of intoxicating liquor, a controlled substance or other drug which would in any manner impair my ability to comprehend or understand this agreement or the proceedings surrounding my entry of this plea.

My attorney (if represented by counsel) has answered all my questions regarding this guilty ***or guilty but mentally ill*** plea agreement and its consequences to my satisfaction and I am satisfied with the services provided by my attorney.

Dated: This ..... day of the month of ……. of the year …….

Defendant.

Agreed to on this ..... day of the month of ……. of the year …….

Deputy District Attorney.

2. If the defendant is represented by counsel, the written plea agreement must also include a certificate of counsel that is substantially in the following form:

CERTIFICATE OF COUNSEL

I, the undersigned, as the attorney for the defendant named herein and as an officer of the court hereby certify that:

1. I have fully explained to the defendant the allegations contained in the charges to which guilty ***or guilty but mentally ill*** pleas are being entered.

2. I have advised the defendant of the penalties for each charge and the restitution that the defendant may be ordered to pay.

3. All pleas of guilty ***or guilty but mentally ill*** offered by the defendant pursuant to this agreement are consistent with all the facts known to me and are made with my advice to the defendant and are in the best interest of the defendant.

4. To the best of my knowledge and belief, the defendant:

Sec. 8. NRS 174.065 is hereby amended to read as follows:

174.065 Except as otherwise provided in NRS 174.061:

1. On a plea of guilty ***or guilty but mentally ill*** to an information or indictment accusing a defendant of a crime divided into degrees, when consented to by the prosecuting attorney in open court and approved by the court, the plea may specify the degree, and in such event the defendant shall not be punished for a higher degree than that specified in the plea.

2. On a plea of guilty ***or guilty but mentally ill*** to an indictment or information for murder of the first degree, when consented to by the prosecuting attorney in open court and approved by the court, the plea may specify a punishment less than death. The specified punishment, or any lesser punishment, may be imposed by a single judge.

Sec. 9. NRS 174.075 is hereby amended to read as follows:

174.075 1. Pleadings in criminal proceedings are the indictment, the information and, in justice court, the complaint, and the pleas of guilty, ***guilty but mentally ill,*** not guilty ***, not guilty by reason of insanity*** and nolo contendere.

2. All other pleas, ~~[and]~~ demurrers and motions to quash are abolished, and defenses and objections raised before trial which could have been raised by one or more of them may be raised only by motion to dismiss or to grant appropriate relief, as provided in this title.

Sec. 10. Chapter 175 of NRS is hereby amended by adding thereto a new section to read as follows:

1. During a trial, upon a plea of not guilty by reason of insanity, the trier of fact may find the defendant guilty but mentally ill if the trier of fact finds all of the following:

(a) The defendant is guilty beyond a reasonable doubt of an offense;

(b) The defendant has established by a preponderance of the evidence that due to a disease or defect of the mind, he was mentally ill at the time of the commission of the offense; and

(c) The defendant has not established by a preponderance of the evidence that he is not guilty by reason of insanity pursuant to subsection 5 of NRS 174.035.

2. Except as otherwise provided by specific statute, a defendant who is found guilty but mentally ill is subject to the same criminal, civil and administrative penalties and procedures as a defendant who is found guilty.

3. As used in this section, a "disease or defect of the mind" does not include a disease or defect which is caused solely by voluntary intoxication.

Sec. 11. NRS 175.101 is hereby amended to read as follows:

175.101 If by reason of absence from the judicial district, death, sickness or other disability the judge before whom the defendant has been tried is unable to perform the duties to be performed by the court after a verdict or finding of ~~[guilt,]~~ ***guilty or guilty but mentally ill,*** any other judge regularly sitting in or assigned to the court may perform those duties ***,*** ~~[,]~~ but if such other judge is satisfied that he cannot perform those duties because he did not preside at the trial or for any other reason, he may in his discretion grant a new trial.

Sec. 12. NRS 175.282 is hereby amended to read as follows:

175.282 If a prosecuting attorney enters into an agreement with a defendant in which the defendant agrees to testify against another defendant in exchange for a plea of guilty ***, guilty but mentally ill*** or nolo contendere to a lesser charge or for a recommendation of a reduced sentence, the court shall:

1. After excising any portion it deems irrelevant or prejudicial, permit the jury to inspect the agreement;

2. If the defendant who is testifying has not entered his plea or been sentenced pursuant to the agreement, instruct the jury regarding the possible related pressures on the defendant by providing the jury with an appropriate cautionary instruction; and

3. Allow the defense counsel to cross-examine fully the defendant who is testifying concerning the agreement.

Sec. 13. NRS 175.381 is hereby amended to read as follows:

175.381 1. If, at any time after the evidence on either side is closed, the court deems the evidence insufficient to warrant a conviction, it may advise the jury to acquit the defendant, but the jury is not bound by such advice.

2. The court may, on a motion of a defendant or on its own motion, which is made after the jury returns a verdict of guilty ~~[,]~~ ***or guilty but mentally ill,*** set aside the verdict and enter a judgment of acquittal if the evidence is insufficient to sustain a conviction. The motion for a judgment of acquittal must be made within 7 days after the jury is discharged or within such further time as the court may fix during that period.

3. If a motion for a judgment of acquittal after a verdict of guilty ***or guilty but mentally ill*** pursuant to this section is granted, the court shall also determine whether any motion for a new trial should be granted if the judgment of acquittal is thereafter vacated or reversed. The court shall

specify the grounds for that determination. If the motion for a new trial is granted conditionally, the order thereon does not affect the finality of the judgment. If the motion for a new trial is granted conditionally and the judgment is reversed on appeal, the new trial must proceed unless the appellate court has otherwise ordered. If the motion is denied conditionally, the defendant on appeal may assert error in that denial, and if the judgment is reversed on appeal, subsequent proceedings must be in accordance with the order of the appellate court.

Sec. 14. NRS 175.501 is hereby amended to read as follows:

175.501 The defendant may be found guilty ***or guilty but mentally ill*** of an offense necessarily included in the offense charged or of an attempt to commit either the offense charged or an offense necessarily included therein if the attempt is an offense.

Sec. 14.5. **NRS 175.539 is hereby amended to read as follows:**

175.539 1. Where on a trial a defense of insanity is interposed by the defendant and he is acquitted by reason of that defense, the finding of the jury pending the judicial determination pursuant to subsection 2 has the same effect as if he were regularly adjudged insane, and the judge must:

(a) Order a peace officer to take the person into protective custody and transport him to a forensic facility for detention pending a hearing to determine his mental health;

(b) Order the examination of the person by two psychiatrists, two psychologists, or one psychiatrist and one psychologist who are employed by a division facility; and

(c) At a hearing in open court, receive the report of the examining advisers and allow counsel for the State and for the person to examine the advisers, introduce other evidence and cross-examine witnesses.

2. If the court finds, after the hearing:

(a) That there is not clear and convincing evidence that the person is a mentally ill person, the court must order his discharge; or

(b) That there is clear and convincing evidence that the person is a mentally ill person, the court must order that he be committed to the custody of the Administrator of the Division of Mental Health and Developmental Services of the Department of Health and Human Services until he is ~~[regularly]~~ discharged ***or conditionally released*** therefrom in accordance with ~~[law.]~~ ***sections 30 to 39, inclusive, of this act.***

➥ The court shall issue its finding within 90 days after the defendant is acquitted.

3. The Administrator shall make the ~~[same]~~ reports and the court shall proceed in the ~~[same]~~ manner ~~[in the case of a person committed to the custody of the Division of Mental Health and Developmental Services pursuant to this section as of a person committed because he is incompetent to stand trial pursuant to NRS 178.400 to 178.460, inclusive, except that the determination to be made by the Administrator and the district judge on the question of release is whether the person has recovered from his mental~~

~~illness or has improved to such an extent that he is no longer a mentally ill person.]~~ ***provided in sections 30 to 39, inclusive, of this act.***

4. As used in this section, unless the context otherwise requires:

(c) "Mentally ill person" has the meaning ascribed to it in ~~[NRS 433A.115.]~~ ***section 35 of this act.***

Sec. 15. NRS 175.547 is hereby amended to read as follows:

175.547 1. In any case in which a defendant pleads or is found guilty ***or guilty but mentally ill*** of murder in the first or second degree, kidnapping in the first or second degree, false imprisonment, burglary or invasion of the home, the court shall, at the request of the prosecuting attorney, conduct a separate hearing to determine whether the offense was sexually motivated. district court. The clerk of the district court shall notify counsel for the defendant or, in the case of a defendant without counsel, the defendant within 2 judicial days after the filing of the notice of appeal. The Supreme Court may establish such procedures as it determines proper in requiring the appellant to make a preliminary showing of the propriety of the appeal and whether there may be a miscarriage of justice if the appeal is not entertained. If the Supreme Court entertains the appeal, or if it otherwise appears necessary, it may enter an order staying the trial for such time as may be required.

3. The defendant only may appeal from a final judgment or verdict in a criminal case.

4. Except as otherwise provided in subsection 3 of NRS 174.035, the defendant in a criminal case shall not appeal a final judgment or verdict resulting from a plea of guilty ***, guilty but mentally ill*** or nolo contendere that the defendant entered into voluntarily and with a full understanding of the nature of the charge and the consequences of the plea, unless the appeal is based upon reasonable constitutional, jurisdictional or other grounds that challenge the legality of the proceedings. The Supreme Court may establish procedures to require the defendant to make a preliminary showing of the propriety of the appeal.

Sec. 28. NRS 177.075 is hereby amended to read as follows:

177.075 1. Except where appeal is automatic, an appeal from a district court to the Supreme Court is taken by filing a notice of appeal with the clerk of the district court. Bills of exception and assignments of error in cases governed by this chapter are abolished.

2. When a court imposes sentence upon a defendant who has not pleaded guilty ***or guilty but mentally ill*** and who is without counsel, the court shall advise the defendant of his right to appeal, and if he so requests, the clerk shall prepare and file forthwith a notice of appeal on his behalf.

3. A notice of appeal must be signed:

(a) By the appellant or appellant's attorney; or

(b) By the clerk if prepared by him.

Sec. 29. **Chapter 178 of NRS is hereby amended by adding thereto the provisions set forth as sections 30 to 39, inclusive, of this act.**

mental or emotional functioning of the person as to make care or treatment necessary or advisable for the welfare of the person or for the safety of the person or property of another and includes, without limitation, mental retardation and related conditions.

Sec. 35. "Mentally ill person" means a person who has a mental disorder.

Sec. 36. 1. The Administrator or his designee shall keep each mentally ill person committed to his custody pursuant to NRS 175.539 under observation.

2. A person committed to the custody of the Administrator pursuant to NRS 175.539 is eligible for:

(a) Discharge from commitment if the person establishes by a preponderance of the evidence that he would not be a danger, as a result of any mental disorder, to himself or to the person or property of another if discharged; or

(b) Conditional release from commitment if the person establishes by a preponderance of the evidence that he would not be a danger, as a result of any mental disorder, to himself or to the person or property of another if released from commitment with conditions imposed by the court in consultation with the Division.

3. If a person who is conditionally released from the custody of the Administrator fails to comply with any condition imposed by the court, the court shall issue an order to have the person recommitted to the custody of the Administrator.

The court may postpone the hearing described in this subsection for good cause or upon agreement by the person committed to the custody of the Administrator, the court and the Division.

3. Not later than 21 days before the date of the hearing held pursuant to paragraph (a) of subsection 1 and annually thereafter, the Administrator or his designee shall prepare a written report stating whether, in his opinion, upon medical consultation, the person who was committed to the custody of the Administrator has recovered from his mental disorder or has improved to such an extent that he is no longer a mentally ill person and whether or not, in his opinion, the person should be discharged or conditionally released. If the Administrator or his designee determines that

the person has not recovered from his mental disorder or has not improved to such an extent that he is no longer a mentally ill person, the Administrator or his designee shall include in the report his opinion concerning whether:

(a) There is a substantial probability that the person may receive treatment and recover from his mental disorder or improve to such an extent that he is no longer a mentally ill person in the foreseeable future; and

(b) The person is at that time a danger to himself or to society.

4. If the opinion of the Administrator included in the report prepared pursuant to subsection 3 provides that:

(b) The person committed to his custody should be discharged or conditionally released, the district attorney may overcome the opinion of the Administrator by proving by a preponderance of the evidence that the person continues to be a mentally ill person.

2. The Division may file a petition for the discharge or conditional release of a person committed to the custody of the Administrator pursuant to NRS 175.539 at any time if the petition is accompanied by an affidavit of a physician or licensed psychologist which states that the mental disorder of the person has improved since the date of the most recent hearing concerning the discharge or conditional release of the person such that the physician or licensed psychologist recommends the discharge or conditional release of the person.

3. A person who is committed to the custody of the Administrator pursuant to NRS 175.539 may apply for discharge or conditional release pursuant to subsection 1 by:

(a) Filing a petition for discharge or conditional release with the court that ordered the person committed pursuant to NRS 175.539; and

(b) Presents a clear and present danger of harm to himself or others.

3. The court may order a person who is conditionally released pursuant to sections 30 to 39, inclusive, of this act returned to the custody of the Administrator if the court determines that the conditional release is no longer appropriate because that person:

(b) If the defendant was present at the trial through the time he pleads guilty ***or guilty but mentally ill*** or is found guilty ***or guilty but mentally ill*** but at the time of his sentencing is incarcerated in another jurisdiction, he may waive his right to be present at the sentencing proceedings and agree to be sentenced in this State in his absence. 4. The presence of the defendant is not required at the arraignment or any preceding stage if the court has provided for the use of a closed-circuit television to facilitate communication between the court and the defendant during the proceeding. If closed-circuit television is provided for, members of the news media may observe and record the proceeding from both locations unless the court specifically provides otherwise.

5. The defendant's presence is not required at the settling of jury instructions.

After the appropriation is exhausted, the expenses must be paid from the Reserve for Statutory Contingency Account upon approval by the State Board of Examiners. In all other cases, they must be paid out of the county treasury in the county wherein the crime is alleged to have been committed. The expenses are:

(b) Restitution to victims of crimes; and

(c) Any administrative assessment required to be paid pursuant to NRS 62E.270, 176.059, 176.0611, 176.0613 and 176.062.

3. (2) Raised in a direct appeal or a prior petition for a writ of habeas corpus or postconviction relief; or

(3) Raised in any other proceeding that the petitioner has taken to secure relief from his conviction and sentence,

2. A second or successive petition must be dismissed if the judge or justice determines that it fails to allege new or different grounds for relief and that the prior determination was on the merits or, if new and different grounds are alleged, the judge or justice finds that the failure of the petitioner to assert those grounds in a prior petition constituted an abuse of the writ.

~~[Sec. 51.]~~ ***Sec. 63.*** NRS 357.170 is hereby amended to read as follows:

357.170 1. An action pursuant to this chapter may not be commenced more than 3 years after the date of discovery of the fraudulent activity by the Attorney General or more than 5 years after the fraudulent activity occurred, whichever is earlier. Within those limits, an action may be based upon fraudulent activity that occurred before October 1, 1999.

2. In an action pursuant to this chapter, the standard of proof is a preponderance of the evidence. A finding of ~~[guilt]~~ ***guilty or guilty but mentally ill*** in a criminal proceeding charging false statement or fraud, whether upon a verdict of guilty ***or guilty but mentally ill*** or a plea of guilty ***, guilty but mentally ill*** or nolo contendere, estops the person found guilty ***or guilty but mentally ill*** from denying an essential element of that offense in an action pursuant to this chapter based upon the same transaction as the criminal proceeding.

~~[Sec. 52.]~~ ***Sec. 64.*** NRS 453.3363 is hereby amended to read as follows:

453.3363 1. If a person who has not previously been convicted of any offense pursuant to NRS 453.011 to 453.552, inclusive, or pursuant to any statute of the United States or of any state relating to narcotic drugs, marijuana, or stimulant, depressant or hallucinogenic substances tenders a plea of guilty, ***guilty but mentally ill,*** nolo contendere or similar plea to a charge pursuant to subparagraph (1) of paragraph (a) of subsection 2 of NRS 453.3325, subsection 2 or 3 of NRS 453.336, NRS 453.411 or 454.351, or is found guilty ***or guilty but mentally ill*** of one of those charges, the court, without entering a judgment of conviction and with the consent of the accused, may suspend further proceedings and place him on probation upon terms and conditions that must include attendance and successful completion of an educational program or, in the case of a person dependent upon drugs, of a program of treatment and rehabilitation pursuant to NRS 453.580.

2. Upon violation of a term or condition, the court may enter a judgment of conviction and proceed as provided in the section pursuant to which the accused was charged. Notwithstanding the provisions of paragraph (e) of subsection 2 of NRS 193.130, upon violation of a term or condition, the court may order the person to the custody of the Department of Corrections.

3. Upon fulfillment of the terms and conditions, the court shall discharge the accused and dismiss the proceedings against him. A nonpublic record of the dismissal must be transmitted to and retained by the Division of Parole and Probation of the Department of Public Safety solely for the use of the courts in determining whether, in later proceedings, the person qualifies under this section.

4. Except as otherwise provided in subsection 5, discharge and dismissal under this section is without adjudication of guilt and is not a conviction for purposes of this section or for purposes of employment, civil rights or any statute or regulation or license or questionnaire or for any other public or private purpose, but is a conviction for the purpose of additional penalties imposed for second or subsequent convictions or the setting of bail. Discharge and dismissal restores the person discharged, in the contemplation of the law, to the status occupied before the arrest, indictment or information. He may not be held thereafter under any law to be guilty of perjury or otherwise giving a false statement by reason of failure to recite or acknowledge that arrest, indictment, information or trial in response to an

inquiry made of him for any purpose. Discharge and dismissal under this section may occur only once with respect to any person.

5. A professional licensing board may consider a proceeding under this section in determining suitability for a license or liability to discipline for misconduct. Such a board is entitled for those purposes to a truthful answer from the applicant or licensee concerning any such proceeding with respect to him.

~~[Sec. 53.]~~ ***Sec. 65.*** NRS 453.348 is hereby amended to read as follows:

If the offender pleads guilty ***or guilty but mentally ill*** to **,** or is convicted of **,** the primary offense but denies any previous conviction charged, the court shall determine the issue after hearing all relevant evidence. A certified copy of a conviction of a felony is prima facie evidence of the conviction.

~~[Sec. 54.]~~ ***Sec. 66.*** NRS 453.575 is hereby amended to read as follows:

2. Except as otherwise provided in this subsection, any money collected for such an analysis must not be deducted from, and is in addition to, any fine otherwise imposed by the court and must be:

3. The money collected pursuant to subsection 1 in any district, municipal or justice court must be paid by the clerk of the court to the county or city treasurer, as appropriate, on or before the fifth day of each month for the preceding month.

4. The board of county commissioners of each county shall by ordinance create in the county treasury a fund to be designated as the fund for forensic services. The governing body of each city shall create in the city treasury a fund to be designated as the fund for forensic services. Upon receipt, the county or city treasurer, as appropriate, shall deposit any fee for the analyses of controlled substances or other substances or drugs in the fund. The money from such deposits must be accounted for separately within the fund.

5. Except as otherwise provided in subsection 6, each month the treasurer shall, from the money credited to the fund pursuant to subsection 3, pay any amount owed for forensic services and deposit any remaining money in the county or city general fund, as appropriate.

6. In counties which do not receive forensic services under a contract with the State, the money deposited in the fund for forensic services pursuant to subsection 4 must be expended, except as otherwise provided in this subsection:

(a) To pay for the analyses of controlled substances or other substances or drugs performed in connection with criminal investigations within the county;

(b) To purchase and maintain equipment to conduct these analyses; and

(c) For the training and continuing education of the employees who conduct these analyses.

The money collected for such an analysis must be stated separately on the court's docket and must be included in the amount posted for bail. If the defendant is found not guilty or the charges are dropped, the money deposited with the court must be returned to the defendant.

3. The money collected pursuant to subsection 1 in municipal court must be paid by the clerk of the court to the county treasurer on or before the fifth day of each month for the preceding month.

4. The money collected pursuant to subsection 1 in justice courts must be paid by the clerk of the court to the county treasurer on or before the fifth day of each month for the preceding month.

5. The board of county commissioners of each county shall by ordinance, before September 1, 1987, create in the county treasury a fund to be designated as the fund for forensic services. Upon receipt, the county treasurer shall deposit any fee for the analyses of dangerous drugs in the fund.

6. In counties which receive forensic services under a contract with the State, any money in the fund for forensic services must be paid monthly by

the county treasurer to the State Treasurer for deposit in the State General Fund, after retaining 2 percent of the money to cover his administrative expenses.

7. In counties which do not receive forensic services under a contract with the State, money in the fund for forensic services must be expended, except as otherwise provided in this subsection:

Legislative Counsel's Digest:

Section 1 of this bill provides additional ethical requirements for members of an executive board by requiring a member who stands to gain any personal profit or compensation from a matter before the executive board to disclose the matter to the executive board and to abstain from voting on the matter. (NRS 116.31185, 116.31187)

~~[Under existing law, a common-interest community created before January 1, 1992, and a common-interest community, with a declaration so providing, that consists of at least 1,000 units, may have the voting rights of the units' owners in the association for that common-interest community be exercised by delegates or representatives. (NRS 116.1201, 116.31105) Sections 1.3 and 3-6.3 of this bill prohibit the use of delegates or representatives to exercise the voting rights of units' owners in the election or removal of a member of the executive board. However, a master association which governs a time-share plan created pursuant to chapter 119A of NRS is allowed to continue using delegates or representatives to exercise the voting rights of owners of time shares.]~~

Section 2.5 of this bill prohibits an association from imposing an assessment against **the owner of any** property in the common-interest community that is exempt from taxation pursuant to NRS 361.125. **Section 13 of this bill provides that this prohibition applies to such owners who are not obligated to pay assessments as of January 1, 2007.**

~~[Existing law requires certain signatures before money in the reserve account of an association may be withdrawn. (NRS 116.31153) Section 6.7 of this bill also requires certain signatures before money in the operating account of an association may be withdrawn.~~

~~Existing law provides for an association to have a lien on a unit for any construction penalty, assessment or fine imposed against the unit's owner which may later be foreclosed upon. (NRS 116.3116) Section 7.5 of this bill requires an association to obtain approval from the Commission on Common-Interest Communities before attempting to foreclose its lien. The Commission must approve the foreclosure of the lien if the association has followed certain procedures. In addition, section 8 of this bill changes existing law to provide that the sale of a unit as a result of a foreclosure of a lien is subject to an equity or right of redemption. (NRS 116.31166)~~]

Section 3 of this bill amends existing law to increase the maximum term of office for a member of an executive board from 2 years to 3 years. (NRS 116.31034)

Section 6.5 of this bill revises existing provisions relating to financial statements by allowing the Commission on Common-Interest Communities to waive the qualification requirements of auditors for certain associations. (NRS 116.31144)

Section ~~9~~ of this bill provides that if an official publication contains the views or opinions of the association concerning an issue of official interest, the official publication must, upon request, provide equal space and equivalent exposure to opposing views and opinions. [~~If an official publication contains information concerning a civil action or claim in which the association is a party, the official publication is not required to provide equal space to opposing views and opinions.~~] In addition, section 9 provides that if an official publication contains any mention of a candidate or ballot question, the official publication must provide equal space in the same issue to the candidate or a representative of an organization which advocates the passage or defeat of the ballot question.

[~~Existing law provides for the Commission to adopt regulations concerning the issuance of certificates for community managers. (NRS 116A.410) Section 10 of this bill provides that the regulations must: (1) require an applicant to post a bond in a form and in an amount established by regulation; and (2) adopt a sliding scale for the amount of the bond that is based upon the amount of money that applicants are expected to control.~~]

Section 9.5 of this bill revises existing law by including financing as a prohibited activity for members of the executive board and officers. (NRS 116.31187)

Section 9.6 of this bill provides additional rights to units' owners by mandating notice before an association may interrupt utility service to a unit's owner. (NRS 116.345)

Existing law provides that certain common-interest communities are prohibited from regulating motor vehicles on thoroughfares accepted by the State or local governments for public use. (NRS 116.350) Section 9.8 of this bill permits an association to restrict parking on such thoroughfares if the parking prohibition was a condition for approval of the subdivision's final map or included in the terms of a zoning

ordinance, permit or approval. (NRS 116.350) Section 9.8 also adds inoperable vehicles to the types of vehicles for which an association may restrict parking or storage in a common-interest community. (NRS 116.350) Finally, section 9.8 prohibits a common-interest community from restricting the parking of certain utility service vehicles, law enforcement vehicles and emergency services vehicles.

Sec. 6. ~~[NRS 116.311 is hereby amended to read as follows:~~

~~116.311 1. If only one of several owners of a unit is present at a meeting of the association, that owner is entitled to cast all the votes allocated to that unit. If more than one of the owners are present, the votes allocated to that unit may be cast only in accordance with the agreement of a majority in interest of the owners, unless the declaration expressly provides otherwise. There is majority agreement if any one of the owners cast the votes allocated to that unit without protest made promptly to the person presiding over the meeting by any of the other owners of the unit.~~

~~2. Except as otherwise provided in this section, votes allocated to a unit may be cast pursuant to a proxy executed by a unit's owner. A unit's owner may give a proxy only to a member of his immediate family, a tenant of the unit's owner who resides in the common-interest community, another unit's owner who resides in the common-interest community, or a delegate or representative when authorized pursuant to NRS 116.31105. If a unit is owned by more than one person, each owner of the unit may vote or register protest to the casting of votes by the other owners of the unit through an executed proxy. A unit's owner may revoke a proxy given pursuant to this section only by actual notice of revocation to the person presiding over a meeting of the association.~~

~~3. Before a vote may be cast pursuant to a proxy:~~

~~(a) The proxy must be dated.~~

~~(c) The proxy must designate the meeting for which it is executed.~~

~~(d) The proxy must designate each specific item on the agenda of the meeting for which the unit's owner has executed the proxy, except that the unit's owner may execute the proxy without designating any specific items on the agenda of the meeting if the proxy is to be used solely for determining whether a quorum is present for the meeting. If the proxy designates one or more specific items on the agenda of the meeting for which the unit's owner has executed the proxy, the proxy must indicate, for each specific item designated in the proxy, whether the holder of the proxy must cast a vote in the affirmative or the negative on behalf of the unit's owner. If the proxy does not indicate whether the holder of the proxy must cast a vote in the affirmative or the negative for a particular item on the agenda of the meeting, the proxy must be treated, with regard to that particular item, as if the unit's owner were present but not voting on that particular item.~~

~~(e) The holder of the proxy must disclose at the beginning of the meeting for which the proxy is executed the number of proxies pursuant to which the holder will be casting votes.~~

~~4. A proxy terminates immediately after the conclusion of the meeting for which it is executed.~~

~~5.~~ [A] ~~*Except as otherwise provided in this subsection, a* vote may not be cast pursuant to a proxy for the election or removal of a member of the executive board of an association.~~ [unless] ~~*A vote may be cast pursuant to a proxy for the election or removal of a member of the executive board of a master association which governs a time share plan created pursuant to chapter 119A of NRS if* the proxy is exercised through a delegate or representative authorized pursuant to NRS 116.31105.~~

~~6. The holder of a proxy may not cast a vote on behalf of the unit's owner who executed the proxy in a manner that is contrary to the proxy.~~

~~7. A proxy is void if the proxy or the holder of the proxy violates any provision of subsections 1 to 6, inclusive.~~

~~8. If the declaration requires that votes on specified matters affecting the common-interest community must be cast by the lessees of leased units rather than the units' owners who have leased the units:~~

~~(a) The provisions of subsections 1 to 7, inclusive, apply to the lessees as if they were the units' owners;~~

~~(b) The units' owners who have leased their units to the lessees may not cast votes on those specified matters;~~

~~(c) The lessees are entitled to notice of meetings, access to records and other rights respecting those matters as if they were the units' owners; and~~

~~(d) The units' owners must be given notice, in the manner provided in NRS 116.3108, of all meetings at which the lessees are entitled to vote.~~

~~9. If any votes are allocated to a unit that is owned by the association, those votes may not be cast, by proxy or otherwise, for any purpose.~~] **(Deleted by amendment.)**

Amendment No. 978.

AN ACT relating to common-interest communities; requiring a member of an executive board who stands to profit personally from a matter before the board to disclose and abstain from voting on the matter; prohibiting an association in a common-interest community from imposing an assessment against the owners of certain tax-exempt property; providing that official publications related to issues of official interest must provide equal space for opposing views and opinions; revising the provisions governing the regulation of certain streets in certain common-interest communities; making various other changes to the provisions governing common-interest communities; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1 of this bill provides additional ethical requirements for members of an executive board by requiring a member who stands to gain any personal profit or compensation from a matter before the executive board to disclose the matter to the executive board and to abstain from voting on the matter. (NRS 116.31185, 116.31187)

Section 2.5 of this bill prohibits an association from imposing an assessment against the owner of any property in the common-interest community that is exempt from taxation pursuant to NRS 361.125. Section 13 of this bill provides that this prohibition applies to such owners who are not obligated to pay assessments as of January 1, 2007.

Section 3 of this bill amends existing law to increase the maximum term of office for a member of an executive board from 2 years to 3 years. (NRS 116.31034)

Section 6.5 of this bill revises existing provisions relating to financial statements by allowing the Commission on Common-Interest Communities to waive the qualification requirements of auditors for certain associations. (NRS 116.31144)

Section 9 of this bill provides that if an official publication contains the views or opinions of the association concerning an issue of official interest, the official publication must, upon request, provide equal space and equivalent exposure to opposing views and opinions. In addition, section 9 provides that if an official publication contains any mention of a candidate or ballot question, the official publication must provide equal space in the same issue to the candidate or a representative of an organization which advocates the passage or defeat of the ballot question.

Section 9.5 of this bill revises existing law by including financing as a prohibited activity for members of the executive board and officers. (NRS 116.31187)

Section 9.6 of this bill provides additional rights to units' owners by mandating notice before an association may interrupt utility service to a unit's owner. (NRS 116.345)

Existing law provides that certain common-interest communities are prohibited from regulating motor vehicles on thoroughfares accepted by the

State or local governments for public use. (NRS 116.350) Section 9.8 of this bill permits an association to restrict parking on such thoroughfares if the parking prohibition was a condition for approval of the subdivision's final map or included in the terms of a zoning ordinance, permit or approval. (NRS 116.350) Section 9.8 also adds inoperable vehicles to the types of vehicles for which an association may restrict parking or storage in a common-interest community. (NRS 116.350) Finally, section 9.8 prohibits a common-interest community from restricting the parking of certain utility service vehicles, law enforcement vehicles and emergency services vehicles.

Section 13 of this bill provides for the issuance of temporary certificates for community managers for a period of 1 year under certain circumstances. (NRS 116A.410)

Legislative Counsel's Digest:

Section 1 of this bill provides additional ethical requirements for members of an executive board by requiring a member who stands to gain any personal profit or compensation from a matter before the executive board to disclose the matter to the executive board and to abstain from voting on the matter. (NRS 116.31185, 116.31187)

Section 2.5 of this bill prohibits an association from imposing an assessment against the owner of any property in the common-interest community that is exempt from taxation pursuant to NRS 361.125. Section 13 of this bill provides that this prohibition applies to such owners who are not obligated to pay assessments as of January 1, 2007.

Section 3 of this bill amends existing law to increase the maximum term of office for a member of an executive board from 2 years to 3 years. (NRS 116.31034)

Section 6.5 of this bill revises existing provisions relating to financial statements by allowing the Commission on Common-Interest Communities to waive the qualification requirements of auditors for certain associations. (NRS 116.31144)

Section ~~9~~ of this bill provides that if an official publication contains the views or opinions of the association concerning an issue of official interest, the official publication must, upon request, provide equal space and equivalent exposure to opposing views and opinions. In addition, section 9 provides that if an official publication contains any mention of a candidate or ballot question, the official publication must provide equal space in the same issue to the candidate or a representative of an organization which advocates the passage or defeat of the ballot question.

Section 9.5 of this bill revises existing law by including financing as a prohibited activity for members of the executive board and officers. (NRS 116.31187)

Section 9.6 of this bill provides additional rights to units' owners by mandating notice before an association may interrupt utility service to a unit's owner. (NRS 116.345)

Existing law provides that certain common-interest communities are prohibited from regulating motor vehicles on thoroughfares accepted by the State or local governments for public use. (NRS 116.350) Section 9.8 of this bill permits an association to restrict parking on such thoroughfares if the parking prohibition was a condition for approval of the subdivision's final map or included in the terms of a zoning ordinance, permit or approval. (NRS 116.350) Section 9.8 also adds inoperable vehicles to the types of vehicles for which an association may restrict parking or storage in a common-interest community. (NRS 116.350) Finally, section 9.8 prohibits a common-interest community from restricting the parking of certain utility service vehicles, law enforcement vehicles and emergency services vehicles.

Sec. 11. **NRS 116.31031 is hereby amended to read as follows:**

116.31031 1. Except as otherwise provided in this section, if a unit's owner or a tenant or guest of a unit's owner violates any provision of the governing documents of an association, the executive board may, if the governing documents so provide:

(a) Prohibit, for a reasonable time, the unit's owner or the tenant or guest of the unit's owner from:

(b) Impose a fine against the unit's owner or the tenant or guest of the unit's owner for each violation, except that a fine may not be imposed for a violation that is the subject of a construction penalty pursuant to NRS 116.310305. If the violation poses an imminent threat of causing a substantial adverse effect on the health, safety or welfare of the units' owners**,** ~~[or]~~ residents ***or community manager*** of the common-interest community, the amount of the fine must be commensurate with the severity of the violation and must be determined by the executive board in accordance with the governing documents. If the violation does not pose an imminent threat of causing a substantial adverse effect on the health, safety or welfare of the units' owners**,** ~~[or]~~ residents ***or community manager*** of the common-interest community, the amount of the fine must be commensurate with the severity of the violation and must be determined by the executive board in accordance with the governing documents, but the amount of the fine must not exceed $100 for each violation or a total amount of $1,000, whichever is less. The limitations on the amount of the fine do not apply to any interest, charges or costs that may be collected by the association pursuant to this section if the fine becomes past due.

2. The executive board may not impose a fine pursuant to subsection 1 unless:

(a) Not less than 30 days before the violation, the ***unit's owner and, if different, the*** person against whom the fine will be imposed had been provided with written notice of the applicable provisions of the governing documents that form the basis of the violation; and

(b) Within a reasonable time after the discovery of the violation, the ***unit's owner and, if different, the*** person against whom the fine will be imposed has been provided with:

(1) Written notice specifying the details of the violation, the amount of the fine, and the date, time and location for a hearing on the violation; and

(2) A reasonable opportunity to contest the violation at the hearing.

(***For the purposes of this subsection, a unit's owner shall not be deemed to have received written notice unless written notice is delivered to the address of the unit and, if different, to a mailing address specified by the unit's owner.***

3. The executive board must schedule the date, time and location for the hearing on the violation so that the ***unit's owner and, if different, the*** person against whom the fine will be imposed is provided with a reasonable opportunity to prepare for the hearing and to be present at the hearing.

4. The executive board must hold a hearing before it may impose the fine, unless ***the fine is paid before the hearing or unless*** the ***unit's owner and, if different, the*** person against whom the fine will be imposed:

(a) ~~[Pays the fine;~~

~~(b)]~~ Executes a written waiver of the right to the hearing; or

~~[(c)]~~ ***(b)*** Fails to appear at the hearing after being provided with proper notice of the hearing.

5. If a fine is imposed pursuant to subsection 1 and the violation is not cured within 14 days, or within any longer period that may be established by the executive board, the violation shall be deemed a continuing violation. Thereafter, the executive board may impose an additional fine for the violation for each 7-day period or portion thereof that the violation is not cured. Any additional fine may be imposed without notice and an opportunity to be heard.

6. If the governing documents so provide, the executive board may appoint a committee, with not less than three members, to conduct hearings on violations and to impose fines pursuant to this section. While acting on behalf of the executive board for those limited purposes, the committee and its members are entitled to all privileges and immunities and are subject to all duties and requirements of the executive board and its members.

7. ***A member of the executive board shall not participate in any hearing or cast any vote relating to a fine imposed pursuant to subsection 1 if the member has not paid all assessments which are due to the association by the member. If a member of the executive board:***

(a) Participates in a hearing in violation of this subsection, any action taken at the hearing is void.

(b) Casts a vote in violation of this subsection, the vote is void.

8. The provisions of this section establish the minimum procedural requirements that the executive board must follow before it may impose a fine. The provisions of this section do not preempt any provisions of the governing documents that provide greater procedural protections.

~~[8.]~~ ***9.*** Any past due fine:

(a) Bears interest at the rate established by the association, not to exceed the legal rate per annum.

(b) May include any costs of collecting the past due fine at a rate established by the association. If the past due fine is for a violation that does not threaten the health, safety or welfare of the ***units' owners,*** residents ***or community manager*** of the common-interest community, the rate established by the association for the costs of collecting the past due fine:

(1) May not exceed $20, if the outstanding balance is less than $200.

(2) May not exceed $50, if the outstanding balance is $200 or more, but is less than $500.

(3) May not exceed $100, if the outstanding balance is $500 or more, but is less than $1,000.

(4) May not exceed $250, if the outstanding balance is $1,000 or more, but is less than $5,000.

(5) May not exceed $500, if the outstanding balance is $5,000 or more.

(c) May include any costs incurred by the association during a civil action to enforce the payment of the past due fine.

~~[9.]~~ ***10. Not later than 30 days after receiving payment in full of a fine, including any lawful interest and costs of collection, an association shall provide written confirmation to the person upon whom the fine was***

imposed that the fine and all related charges have been paid in full and that the fine is discharged.

11. As used in this section:

(a) "Costs of collecting" includes, without limitation, any collection fee, filing fee, recording fee, referral fee, fee for postage or delivery, and any other fee or cost that an association may reasonably charge to the unit's owner for the collection of a past due fine. The term does not include any costs incurred by an association during a civil action to enforce the payment of a past due fine.

(b) "Outstanding balance" means the amount of a past due fine that remains unpaid before any interest, charges for late payment or costs of collecting the past due fine are added.

Sec. 12. **NRS 116.310315 is hereby amended to read as follows:**

116.310315 If an association has imposed a fine against a unit's owner or a tenant or guest of a unit's owner pursuant to NRS 116.31031 for violations of the governing documents of the association, the association ~~[:]~~ ***shall:***

1. ~~[Shall, in]~~ ***In*** the books and records of the association, account for the fine separately from any assessment, fee or other charge; and

2. ~~[Shall not apply, in whole or in part, any payment made by the unit's owner for any assessment, fee or other charge toward the payment of the outstanding balance of the fine or any costs of collecting the fine, unless the unit's owner provides written authorization which directs the association to apply the payment made by the unit's owner in such a manner.]~~ ***Apply any payment received from a unit's owner without written instructions as to the application of the payment:***

(a) First to current or past due assessments; and

(b) Then the remainder of any payment to past due fines, including the costs of collecting any such fine, unless the unit's owner has stated in writing that no amount of the payment is to be applied toward the fines or toward the costs of collecting the fines.

Sec. 13. NRS 116.31034 is hereby amended to read as follows:

116.31034 1. Except as otherwise provided in subsection 5 of NRS 116.212, not later than the termination of any period of declarant's control, the units' owners shall elect an executive board of at least three members, at least a majority of whom must be units' owners. Unless the governing documents provide otherwise, the remaining members of the executive board do not have to be units' owners. The executive board shall elect the officers of the association. The members of the executive board and the officers of the association shall take office upon election.

2. The term of office of a member of the executive board may not exceed ~~[2]~~ ***3*** years, except for members who are appointed by the declarant. Unless the governing documents provide otherwise, there is no limitation on the number of terms that a person may serve as a member of the executive board.

3. The governing documents of the association must provide for terms of office that are staggered in such a manner that, to the extent possible, an

equal number of members of the executive board are elected at each election. The provisions of this subsection do not apply to:

(a) Members of the executive board who are appointed by the declarant; and

(b) Members of the executive board who serve a term of 1 year or less.

4. Not less than 30 days before the preparation of a ballot for the election of members of the executive board, the secretary or other officer specified in the bylaws of the association shall cause notice to be given to each unit's owner of his eligibility to serve as a member of the executive board. Each unit's owner who is qualified to serve as a member of the executive board may have his name placed on the ballot along with the names of the nominees selected by the members of the executive board or a nominating committee established by the association. ***Before the secretary or other officer specified in the bylaws of the association causes notice to be given to each unit's owner of his eligibility to serve as a member of the executive board pursuant to this subsection, the executive board may determine that if, at the closing of the prescribed period for nominations for membership on the executive board, the number of candidates nominated for membership on the executive board is equal to or less than the number of members to be elected to the executive board at the election, then:***

(a) The association will not prepare or mail any ballots to units' owners pursuant to this section;

(b) The candidates so nominated shall be deemed to be duly elected to the executive board not later than 30 days after the date of closing of the prescribed period for nominations; and

(c) Units' owners will receive notification that the candidates so nominated have been elected to the executive board.

5. Each person ~~[whose name is placed on the ballot]~~ ***who is nominated*** as a candidate for a member of the executive board ***pursuant to subsection 4*** must:

(a) Make a good faith effort to disclose any financial, business, professional or personal relationship or interest that would result or would appear to a reasonable person to result in a potential conflict of interest for the candidate if the candidate were to be elected to serve as a member of the executive board; and

(b) Disclose whether the candidate is a member in good standing. For the purposes of this paragraph, a candidate shall not be deemed to be in "good standing" if the candidate ~~[has]~~ ***:***

(1) Has any unpaid and past due assessments or construction penalties that are required to be paid to the association ~~[.]~~ ***;***

(2) Has any unpaid fine imposed by the executive board that is 30 days or more past due; or

(3) After being provided notice and the opportunity for a hearing in accordance with the provisions of NRS 116.31031, has been found to have committed a violation of the governing documents that has not been cured.

➥ The candidate must make all disclosures required pursuant to this subsection in writing to the association with his candidacy information. The association shall distribute the disclosures to each member of the association with the ballot ***or, in the event ballots are not prepared and mailed pursuant to subsection 4,*** in the manner established ***for distribution of ballots*** in the bylaws of the association.

6. Unless a person is appointed by the declarant:

(a) A person may not be a member of the executive board or an officer of the association if the person, his spouse or his parent or child, by blood, marriage or adoption, performs the duties of a community manager for that association.

(b) A person may not be a member of the executive board of a master association or an officer of that master association if the person, his spouse or his parent or child, by blood, marriage or adoption, performs the duties of a community manager for:

(1) That master association; or

(2) Any association that is subject to the governing documents of that master association.

7. An officer, employee, agent or director of a corporate owner of a unit, a trustee or designated beneficiary of a trust that owns a unit, a partner of a partnership that owns a unit, a member or manager of a limited-liability company that owns a unit, and a fiduciary of an estate that owns a unit may be an officer of the association or a member of the executive board. In all events where the person serving or offering to serve as an officer of the association or a member of the executive board is not the record owner, he shall file proof in the records of the association that:

(a) He is associated with the corporate owner, trust, partnership, limited-liability company or estate as required by this subsection; and

(b) Identifies the unit or units owned by the corporate owner, trust, partnership, limited-liability company or estate.

8. ~~[The]~~ ***Except as otherwise provided in subsection 4, the*** election of any member of the executive board must be conducted by secret written ballot unless the declaration of the association provides that voting rights may be exercised by delegates or representatives as set forth in NRS 116.31105. If the election of any member of the executive board is conducted by secret written ballot:

(a) The secretary or other officer specified in the bylaws of the association shall cause a secret ballot and a return envelope to be sent, prepaid by United States mail, to the mailing address of each unit within the common-interest community or to any other mailing address designated in writing by the unit's owner.

(b) Each unit's owner must be provided with at least 15 days after the date the secret written ballot is mailed to the unit's owner to return the secret written ballot to the association.

(c) A quorum is not required for the election of any member of the executive board.

(d) Only the secret written ballots that are returned to the association may be counted to determine the outcome of the election.

(e) The secret written ballots must be opened and counted at a meeting of the association. A quorum is not required to be present when the secret written ballots are opened and counted at the meeting.

(f) The incumbent members of the executive board and each person whose name is placed on the ballot as a candidate for a member of the executive board may not possess, be given access to or participate in the opening or counting of the secret written ballots that are returned to the association before those secret written ballots have been opened and counted at a meeting of the association.

9. Each member of the executive board shall, within 90 days after his appointment or election, certify in writing to the association, on a form prescribed by the Administrator, that he has read and understands the governing documents of the association and the provisions of this chapter to the best of his ability. The Administrator may require the association to submit a copy of the certification of each member of the executive board of that association at the time the association registers with the Ombudsman pursuant to NRS 116.31158.

3. A complete study of the reserves of the association, conducted by a person who ~~[holds a permit to conduct such a study issued]~~ ***is registered as a reserve study specialist*** pursuant to chapter 116A of NRS. At the time the control of the declarant ends, he shall:

(a) Except as otherwise provided in this paragraph, deliver to the association a reserve account that contains the declarant's share of the amounts then due, and control of the account. If the declaration was recorded before October 1, 1999, and, at the time the control of the declarant ends, he has failed to pay his share of the amounts due, the executive board shall authorize the declarant to pay the deficiency in installments for a period of 3 years, unless the declarant and the executive board agree to a shorter period.

(b) Disclose, in writing, the amount by which he has subsidized the association's dues on a per unit or per lot basis.

4. The association's money or control thereof.

5. Sec. 15. **NRS 116.310395 is hereby amended to read as follows:**

116.310395 1. At the time of each close of escrow of a unit in a converted building, the declarant shall deliver to the association the amount of the converted building reserve deficit allocated to that unit.

2. The allocation to a unit of the amount of any converted building reserve deficit must be made in the same manner as assessments are allocated to that unit.

3. As used in this section, "converted building reserve deficit" means the amount necessary to replace the major components of the common elements needing replacement within 10 years after the date of the first ~~[sale]~~ ***close of escrow*** of a unit.

(c) The costs of insurance must be assessed in proportion to risk and the costs of utilities must be assessed in proportion to usage.

5. Assessments to pay a judgment against the association may be made only against the units in the common-interest community at the time the judgment was entered, in proportion to their liabilities for common expenses.

6. If any common expense is caused by the misconduct of any unit's owner, the association may assess that expense exclusively against his unit.

Assembly Bill No. 247.

The following Senate amendment was read:

Amendment No. 937.

AN ACT relating to hospitals; limiting the amount of interest and other charges that hospitals may impose for delinquent payments; revising the limitation on the period for commencing an action against a person who has a delinquent account with a hospital; ~~[revising provisions concerning liens placed upon the award to an injured person to pay for hospitalization;]~~ prohibiting a hospital from assigning a lien on real property obtained in connection with a delinquent payment for services rendered at the hospital; **authorizing the use of money that is reverted from the Health Insurance Flexibility and Accountability Holding Account in the State General Fund to the Fund for Hospital Care to Indigent Persons at the end of each fiscal year to pay claims for any previous fiscal years;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 5 of this bill provides that a hospital may not proceed with efforts to collect on any amount owed to the hospital ~~[,]~~ **for hospital care rendered,** other than copayments and deductibles, if the person responsible for paying the account has or may be eligible for insurance benefits or public assistance until the insurance or public program has been billed and the amount owed by the responsible party has been established. Collection efforts and interest may begin not sooner than 30 days after the responsible party has been sent

notice of the amount that he is responsible to pay. Section 5 further limits the amount of interest that a hospital may charge on a delinquent account to prime rate plus 2 percent and prohibits a hospital from imposing any other fees, including, without limitation, collection fees, attorney's fees or any other fees or costs other than court costs and attorney's fees awarded by a court.

Section 6 of this bill requires a hospital or other person acting on its behalf to collect any debt for any amount owed to the hospital for hospital care rendered at the hospital in a professional, fair and lawful manner and in accordance with the federal Fair Debt Collection Practices Act.

Existing law establishes certain periods during which an action may be commenced in court which apply when no other statutes specify a different period. (NRS 11.190) Existing law further provides that the time set forth in that statute is deemed to date from the last transaction. (NRS 11.200) Section 7 of this bill provides that the period for commencing an action against a person to recover payment for any amount owed to a hospital for hospital care provided to a person at a hospital is not later than ~~[2]~~ **4** years after the date on which any payment that is due for the services is not paid. The period is tolled, however, during any periods in which the hospital is awaiting a determination concerning eligibility for or the amount of benefits from an insurer or public program and during any period in which payments are being made.

~~[Existing law provides that a lien may be placed upon any amount awarded to an injured person who received hospitalization or his representative for amounts due to a hospital for the reasonable value of hospitalization rendered before the date of the judgment. (NRS 108.590) Section 8 of this bill provides that if the person who received hospitalization has health insurance or may be eligible for public assistance from a public program which may pay all or part of the bill, the lien may not be placed on the award to the injured person until the hospital has established the amount for which the person will be liable. In addition, section 8 provides that the lien may only be for the amount of that liability.]~~

Existing law creates a lien on the real property of a person for unpaid charges incurred at a county or district hospital and establishes certain procedures that must be followed with respect to such liens. (NRS 108.662) Section 9 of this bill prohibits a county or district hospital from assigning, selling or transferring the interest of the hospital in such a lien.

Existing law provides that any money remaining in the Health Insurance Flexibility and Accountability Holding Account in the State General Fund at the end of each fiscal year reverts to the Fund for Hospital Care to Indigent Persons created by NRS 428.175 and to the State General Fund in equal amounts. (NRS 428.305) Section 10 of this bill provides that any such money that is reverted from the Health Insurance Flexibility and Accountability Holding Account to the Fund

for Hospital Care to Indigent Persons at the end of each fiscal year may be used to pay claims for any previous fiscal years.

Amendment No. 817.

AN ACT relating to mentally ill persons; requiring a court to seal **certain** records relating to a person admitted to a public or private mental health facility or hospital under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law allows a person who has been admitted to a mental health facility to file a petition to seal court and clinical records relating to his

admission and treatment. (NRS 433A.703) If the court finds that the person has recovered or his illness is in substantial remission, the court must seal all court and clinical records relating to the person's admission and treatment. (NRS 433A.709) The effect of the sealing of such records is that the person's admission is deemed never to have occurred and the person may answer any question relating to the admission as if the admission had never occurred. (NRS 433A.711) **Section 2 of this bill repeals these provisions relating to petitioning a court to seal court and clinical records. (NRS 433A.701-433A.711)**

Section 1 of this bill requires a court to seal all court ~~[and clinical]~~ records relating to the admission and treatment of a person who has been admitted to a public or private hospital or mental health facility for the purpose of obtaining mental health treatment, either voluntarily or as the result of a noncriminal proceeding. However, under section 1, a court may order the inspection of these records under certain circumstances if the court holds a hearing and the person who is seeking to inspect the records provides notice of the hearing to the person who is the subject of the records. A governmental entity may inspect court records sealed pursuant to section 1 without following these procedures if the governmental entity has made a conditional offer of certain employment concerning public safety to the person and that person provides written consent to the inspection of the records. **A court may, upon its own order, inspect records sealed pursuant to section 1 without following these procedures if the records are necessary and relevant for the disposition of a matter pending before the court.** The effect of the sealing of such records is that the person's admission is deemed never to have occurred and the person may answer any question relating to the admission as if the admission had never occurred, except under certain circumstances.

The petitioner must provide notice of the hearing and a copy of the petition to the person who is the subject of the records. If the person who is the subject of the records wishes to oppose the petition,

the person must appear before the court at the hearing. If the person appears before the court at the hearing, the court must provide the person an opportunity to be heard on the matter.

3. After the hearing described in subsection 2, the court may order the inspection of records that are sealed pursuant to this section if:

(b) The position of employment conditionally offered to the person concerns public safety, including, without limitation, employment as a firefighter or peace officer;

(c) The governmental entity is required by law, rule, regulation or policy to obtain the mental health records of each individual conditionally offered the position of employment; and

(d) An authorized representative of the governmental entity presents to the court a written authorization signed by the person who is the subject of the records and notarized by a notary public or judicial officer in which the person who is the subject of the records consents to the inspection of the records.

5. The court may allow a party in the matter to inspect the records without following the procedure described in subsection 2 if the court deems such inspection necessary and appropriate.

6. Following the sealing of records pursuant to this section, the admission of the person who is the subject of the records to the public or

private hospital or mental health facility is deemed never to have occurred, and the person may answer accordingly any question related to its occurrence, except in connection with:

Amendment No. 784.

AN ACT relating to crimes; providing that it is unlawful for a person to engage in certain fraudulent acts in the course of an enterprise or occupation; **establishing the crime of participating in an organized retail theft ring;** revising provisions relating to the crime of racketeering; **authorizing the Attorney General to institute certain civil proceedings to enforce the provisions relating to deceptive trade practices; providing for the sharing of information and intelligence between the Attorney General and a state or federal investigative agency under certain circumstances; authorizing the Attorney General to seek certain equitable relief for violations of law relating to unfair trade practices; revising certain provisions relating to unfair trade practices;** providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes various crimes relating to fraud. (Chapter 205 of NRS) Section ~~[2]~~ **3** of this bill, which is patterned in part after existing securities laws, provides that a person commits a category B felony if the person knowingly or intentionally engages in at least two similar transactions within 4 years after the completion of the first transaction by engaging in an act, practice or course of business or employing a device, scheme or artifice to defraud another person by making an untrue statement of fact or not stating a material fact necessary in light of the circumstances which: (1) the person knows to be false; (2) the person intends another to rely on; and (3) which causes a loss to any person who relied on the false statement or omission of material fact. (NRS 90.570) Section 1 of this bill imposes an additional penalty against a person who commits the new crime established by section ~~[2]~~ **3** against a person who is 60 years of age or older or a vulnerable person. (NRS 193.167) Section ~~[3]~~ **8** of this bill revises the definition of a crime related to racketeering to include the new crime established by section ~~[2.]~~ **3.** Section ~~[5]~~ **10** of this bill provides that a prosecution of the new crime established by section ~~[2]~~ **3** must be commenced within 4 years after the crime is committed.

Existing law establishes various crimes relating to racketeering activity. (NRS 207.400) Section ~~[4]~~ **9** of this bill prohibits a person from transporting property, attempting to transport property or providing property to another person knowing that the other person intends to use the property to further

racketeering activity. In addition, section ~~[4]~~ **9** prohibits a person who knows that property represents proceeds of any unlawful activity to conduct or attempt to conduct any transaction involving the property with the intent to further racketeering activity or with the knowledge that the transaction conceals the location, source, ownership or control of the property. (NRS 207.400)

Section 4 of this bill provides that a person who participates in an organized retail theft ring is guilty of a category B felony, punishable by imprisonment for: (1) a minimum term of not less than 1 year and a maximum term of not more than 10 years, if the aggregated value of the property involved in all thefts committed by the organized retail theft ring during a period of 90 days is at least $2,500 but less than $10,000; or (2) a minimum term of not less than 2 years and a maximum term of not more than 15 years, if the aggregated value of the property involved in all thefts committed by the organized retail theft ring during a period of 90 days is $10,000 or more.

Existing law authorizes the Attorney General to institute criminal proceedings to enforce the provisions of law regarding deceptive trade practices. (NRS 598.0963) Section 11 of this bill provides that the Attorney General may also institute civil proceedings to enforce those provisions.

Existing law authorizes the disclosure to the Attorney General of certain information relating to criminal investigations. (NRS 598.098, 598A.080, 598A.110) Sections 12, 15 and 17 of this bill authorize further sharing of information between the Attorney General and state and federal investigative agencies under specified conditions.

Existing law authorizes the Attorney General to institute proceedings against alleged violators of the laws concerning unfair trade practices for civil and criminal penalties. (NRS 598A.070, 598A.090) Sections 14 and 16 of this bill authorize the Attorney General to seek other relief, including, without limitation, restitution and disgorgement.

Existing law authorizes the Attorney General to bring a civil action for any violation of the provisions of law regarding unfair trade practices and to recover the damages sustained by the person on whose behalf the Attorney General brings the action. (NRS 598A.160) Section 18 of this bill allows the Attorney General to recover treble the damages sustained by the person on whose behalf the Attorney General brings the action.

Legislative Counsel's Digest:

Existing law provides additional penalties for certain crimes committed against older persons and vulnerable persons. (NRS 193.167) Section 1 of this bill provides an additional penalty for certain crimes committed against pregnant women.

Existing law provides that if a person drives under the influence of alcohol or a controlled substance and proximately causes the death of, or substantial bodily harm to, a person other than himself, the person is guilty of a category B felony which is punishable by imprisonment for a minimum term of not less than 2 years and a maximum term of not more than 20 years and a fine of not less than $2,000 but not more than $5,000. (NRS 484.3795) Section 11 of this bill provides that a person is guilty of the same offense and subject to the same penalty if the person drives under the influence of alcohol or a controlled substance and proximately causes the termination of the pregnancy of another person.

Existing law establishes various crimes relating to fraud. (Chapter 205 of NRS) Section 3 of this bill, which is patterned in part after existing securities laws, provides that a person commits a category B felony if the person knowingly or intentionally engages in at least two similar transactions within 4 years after the completion of the first transaction by engaging in an act, practice or course of business or employing a device, scheme or artifice to defraud another person by making an untrue statement of fact or not stating a material fact necessary in light of the circumstances which: (1) the person knows to be false; (2) the person intends another to rely on; and (3) which causes a loss to any person who relied on the false statement or omission of material fact. (NRS 90.570) Section 1 of this bill imposes an additional penalty against a person who commits the new crime established by section 3 against a person who is 60 years of age or older or a vulnerable person. (NRS 193.167) Section 8 of this bill revises the definition of a crime related to racketeering to include the new crime established by section 3. Section 10 of this bill provides that a prosecution of the new crime established by section 3 must be commenced within 4 years after the crime is committed.

Existing law establishes various crimes relating to racketeering activity. (NRS 207.400) Section 9 of this bill prohibits a person from transporting property, attempting to transport property or providing property to another person knowing that the other person intends to use the property to further

racketeering activity. In addition, section 9 prohibits a person who knows that property represents proceeds of any unlawful activity to conduct or attempt to conduct any transaction involving the property with the intent to further racketeering activity or with the knowledge that the transaction conceals the location, source, ownership or control of the property. (NRS 207.400)

~~[Section 4 of this bill provides that a person who participates in an organized retail theft ring is guilty of a category B felony, punishable by imprisonment for: (1) a minimum term of not less than 1 year and a maximum term of not more than 10 years, if the aggregated value of the property involved in all thefts committed by the organized retail theft ring during a period of 90 days is at least $2,500 but less than $10,000; or (2) a minimum term of not less than 2 years and a maximum term of not more than 15 years, if the aggregated value of the property involved in all thefts committed by the organized retail theft ring during a period of 90 days is $10,000 or more.]~~

Existing law authorizes the Attorney General to institute criminal proceedings to enforce the provisions of law regarding deceptive trade practices. (NRS 598.0963) Section ~~[11]~~ **13** of this bill provides that the Attorney General may also institute civil proceedings to enforce those provisions.

Existing law authorizes the disclosure to the Attorney General of certain information relating to criminal investigations. (NRS 598.098, 598A.080, 598A.110) Sections ~~[12,]~~ **14,** ~~[15]~~ **17** and ~~[17]~~ **19** of this bill authorize further sharing of information between the Attorney General and state and federal investigative agencies under specified conditions.

Existing law authorizes the Attorney General to institute proceedings against alleged violators of the laws concerning unfair trade practices for civil and criminal penalties. (NRS 598A.070, 598A.090) Sections ~~[14]~~ **16** and ~~[16]~~ **18** of this bill authorize the Attorney General to seek other relief, including, without limitation, restitution and disgorgement.

Existing law authorizes the Attorney General to bring a civil action for any violation of the provisions of law regarding unfair trade practices and to recover the damages sustained by the person on whose behalf the Attorney General brings the action. (NRS 598A.160) Section ~~[18]~~ **20** of this bill allows the Attorney General to recover treble the damages sustained by the person on whose behalf the Attorney General brings the action.

Section 1 of Assembly Bill No. 421 creates the crime of participating in an organized retail theft ring. Section 21 of this bill amends section 1 of Assembly Bill No. 421 to: (1) provide that a person commits the crime of participating in an organized retail theft ring only if the organized retail theft ring has committed three or more thefts in this State during a 90-day period; and (2) eliminate the references to theft of services.

Amendment No. 752.

AN ACT relating to parentage; creating a conclusive presumption of paternity in certain circumstances; expanding the persons authorized to

perform certain tests to determine paternity; **clarifying that the results of such tests and any sample or specimen taken may be used only for certain purposes;** revising certain provisions concerning voluntary acknowledgments of paternity; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1 of this bill provides that if the results of a blood test or genetic test establish a probability of the alleged father's paternity of 99 percent or more, the results of such a test create a conclusive presumption of paternity except in certain limited circumstances. (NRS 126.051)

Sections 4 and 12 of this bill amend existing law to provide that a person designated by the Division of Welfare and Supportive Services of the Department of Health and Human Services, the district attorney or the Attorney General is authorized to perform certain tests for the typing of blood or the taking of specimens for genetic identification in paternity cases. (NRS 126.121, 652.210) **Section 4 also clarifies that the results of such tests and any sample or specimen taken may be used only for the purposes specified in chapter 126 of NRS.**

Sections 2 and 7-11 of this bill amend existing law to provide that the mother and father of a child may sign a declaration under penalty of perjury, rather than an affidavit which requires the signature of a notary public, for the voluntary acknowledgment of paternity of a child. (NRS 126.053, 440.280, 440.283, 440.287, 440.325, 449.246)

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 126.051 is hereby amended to read as follows:

126.051 1. A man is presumed to be the natural father of a child if:

(a) He and the child's natural mother are or have been married to each other and the child is born during the marriage, or within 285 days after the marriage is terminated by death, annulment, declaration of invalidity or divorce, or after a decree of separation is entered by a court.

(b) He and the child's natural mother were cohabiting for at least 6 months before the period of conception and continued to cohabit through the period of conception.

(c) Before the child's birth, he and the child's natural mother have attempted to marry each other by a marriage solemnized in apparent compliance with law, although the attempted marriage is invalid or could be declared invalid, and:

(1) If the attempted marriage could be declared invalid only by a court, the child is born during the attempted marriage, or within 285 days after its termination by death, annulment, declaration of invalidity or divorce; or

(2) If the attempted marriage is invalid without a court order, the child is born within 285 days after the termination of cohabitation.

(d) While the child is under the age of majority, he receives the child into his home and openly holds out the child as his natural child.

~~[(c) Blood]~~

2. A conclusive presumption that a man is the natural father of a child is established if tests ***for the typing of blood*** or tests for genetic identification made pursuant to NRS 126.121 show a probability of 99 percent or more that he is the father ~~[.]~~ ***except that the presumption may be rebutted if he establishes that he has an identical sibling who may be the father.***

~~[2.]~~ ***3.*** A presumption under ~~[this section]~~ ***subsection 1*** may be rebutted in an appropriate action only by clear and convincing evidence. If two or more presumptions arise which conflict with each other, the presumption which on the facts is founded on the weightier considerations of policy and logic controls. The presumption is rebutted by a court decree establishing paternity of the child by another man.

Sec. 2. NRS 126.053 is hereby amended to read as follows:

126.053 1. After the expiration of the period described in subsection 2, ~~[an affidavit]~~ ***a declaration*** for the voluntary acknowledgment of paternity developed by the State Board of Health pursuant to NRS 440.283 shall be deemed to have the same effect as a judgment or order of a court determining the existence of the relationship of parent and child if the ~~[affidavit]~~ ***declaration*** is signed in this or any other state by the mother and father of the child. ~~[An affidavit]~~ ***A declaration*** for the voluntary acknowledgment of paternity that is signed pursuant to this subsection is not required to be ratified by a court of this State before the ~~[affidavit]~~ ***declaration*** is deemed to have the same effect as a judgment or order of a court determining the existence of the relationship of parent and child.

2. A person who signs an acknowledgment of paternity in this State may rescind the acknowledgment:

(a) Within 60 days after the acknowledgment is signed by both persons; or

(b) Before the date on which an administrative or judicial proceeding relating to the child begins if that person is a party to the proceeding,

➥ whichever occurs earlier.

3. After the expiration of the period during which an acknowledgment may be rescinded pursuant to subsection 2, the acknowledgment may not be challenged except upon the grounds of fraud, duress or material mistake of fact. The burden of proof is on the person challenging the acknowledgment to establish that the acknowledgment was signed because of fraud, duress or material mistake of fact.

4. Except upon a showing of good cause, a person's obligation for the support of a child must not be suspended during a hearing to challenge a voluntary acknowledgment of paternity.

Sec. 3. NRS 126.101 is hereby amended to read as follows:

126.101 1. The child must be made a party to the action. If he is a minor, he must be represented by his general guardian or a guardian ad litem appointed by the court. The child's mother or father may not represent the

child as guardian or otherwise. If a district attorney brings an action pursuant to NRS 125B.150 and the interests of the child:

(a) Are adequately represented by the appointment of the district attorney as his guardian ad litem, the district attorney shall act as guardian ad litem for the child without the need for court appointment.

(b) Are not adequately represented by the appointment of the district attorney as his guardian ad litem, the Division of Welfare and Supportive Services of the Department of Health and Human Services must be appointed as guardian ad litem in the case.

2. The natural mother and a man presumed to be the father under NRS 126.051 must be made parties, but if more than one man is presumed to be the natural father, only a man presumed pursuant to subsection 2 ***or 3*** of NRS 126.051 is an indispensable party. Any other presumed or alleged father may be made a party.

3. The court may align the parties.

Sec. 4. NRS 126.121 is hereby amended to read as follows:

126.121 1. The court may, and shall upon the motion of a party, order the mother, child, alleged father or any other person so involved to submit to one or more tests for the typing of blood or taking of specimens for genetic identification to be made by ***a designated person*** ~~[designated by an enforcing authority,]~~ ***by*** qualified physicians or ***by*** other qualified persons, under such restrictions and directions as the court or judge deems proper. Whenever such a test is ordered and made, the results of the test must be received in evidence and must be made available to a judge, master or referee conducting a hearing pursuant to NRS 126.111. ***The results of the test and any sample or specimen taken may be used only for the purposes specified in this chapter.*** Unless a party files a written objection to the result of a test at least 30 days before the hearing at which the result is to be received in evidence, the result is admissible as evidence of paternity without foundational testimony or other proof of authenticity or accuracy. The order for such a test also may direct that the testimony of the experts and of the persons so examined may be taken by deposition or written interrogatories.

2. If any party refuses to submit to or fails to appear for a test ordered pursuant to subsection 1, the court may presume that the result of the test would be adverse to the interests of that party or may enforce its order if the rights of others and the interests of justice so require.

3. The court, upon reasonable request by a party, shall order that independent tests for determining paternity be performed by other experts or qualified laboratories.

4. In all cases, the court shall determine the number and qualifications of the experts and laboratories.

5. As used in this section ~~[, "enforcing]~~ ***:***

(a) "Designated person" means a person who is:

(1) Properly trained to take samples or specimens for tests for the typing of blood and genetic identification; and

(2) Designated by an enforcing authority to take such samples or specimens.

(b) "Enforcing authority" means the Division of Welfare and Supportive Services of the Department of Health and Human Services, its designated representative, a district attorney or the Attorney General when acting pursuant to NRS 425.380.

Sec. 5. NRS 128.150 is hereby amended to read as follows:

128.150 1. If a mother relinquishes or proposes to relinquish for adoption a child who has:

(a) A presumed father ~~[under subsection 1 of]~~ ***pursuant to*** NRS 126.051;

(b) A father whose relationship to the child has been determined by a court; or

(c) A father as to whom the child is a legitimate child under chapter 126 of NRS, under prior law of this State or under the law of another jurisdiction,

➥ and the father has not consented to the adoption of the child or relinquished the child for adoption, a proceeding must be brought pursuant to this chapter and a determination made of whether a parent and child relationship exists and if so, if it should be terminated.

2. If a mother relinquishes or proposes to relinquish for adoption a child who does not have:

(a) A presumed father ~~[under subsection 1 of]~~ ***pursuant to*** NRS 126.051;

(b) A father whose relationship to the child has been determined by a court;

(c) A father as to whom the child is a legitimate child under chapter 126 of NRS, under prior law of this State or under the law of another jurisdiction; or

(d) A father who can be identified in any other way,

➥ or if a child otherwise becomes the subject of an adoption proceeding, the agency or person to whom the child has been or is to be relinquished, or the mother or the person having custody of the child, shall file a petition in the district court to terminate the parental rights of the father, unless the father's relationship to the child has been previously terminated or determined not to exist by a court.

3. In an effort to identify and protect the interests of the natural father, the court which is conducting a proceeding pursuant to this chapter shall cause inquiry to be made of the mother and any other appropriate person. The inquiry must include the following:

(a) Whether the mother was married at the time of conception of the child or at any time thereafter.

(b) Whether the mother was cohabiting with a man at the time of conception or birth of the child.

(c) Whether the mother has received support payments or promises of support with respect to the child or in connection with her pregnancy.

(d) Whether any man has formally or informally acknowledged or declared his possible paternity of the child.

4. If, after the inquiry, the natural father is identified to the satisfaction of the court, or if more than one man is identified as a possible father, each must be given notice of the proceeding in accordance with subsection 6 of this section or with this chapter, as applicable. If any of them fails to appear or, if appearing, fails to claim custodial rights, such failure constitutes abandonment of the child. If the natural father or a man representing himself to be the natural father, claims custodial rights, the court shall proceed to determine custodial rights.

5. If, after the inquiry, the court is unable to identify the natural father or any possible natural father and no person has appeared claiming to be the natural father and claiming custodial rights, the court shall enter an order terminating the unknown natural father's parental rights with reference to the child. Subject to the disposition of any appeal, upon the expiration of 6 months after an order terminating parental rights is issued under this subsection, or this chapter, the order cannot be questioned by any person in any manner or upon any ground, including fraud, misrepresentation, failure to give any required notice or lack of jurisdiction of the parties or of the subject matter.

6. Notice of the proceeding must be given to every person identified as the natural father or a possible natural father in the manner provided by law and the Nevada Rules of Civil Procedure for the service of process in a civil action, or in any manner the court directs. Proof of giving the notice must be filed with the court before the petition is heard.

Sec. 6. NRS 425.345 is hereby amended to read as follows:

Assemblyman Anderson moved that the Assembly concur in the Senate amendment to Assembly Bill No. 498.

Remarks by Assemblyman Anderson.

Motion carried by a constitutional majority.

Bill ordered to enrollment.

Assembly Bill No. 178.

The following Senate amendment was read:

Amendment No. 770.

AN ACT relating to energy; **requiring certain lights sold in this State to meet certain standards of energy efficiency; revising the authority of the Director of the Office of Energy;** revising various provisions relating to net metering; providing for the establishment of the Wind Energy Systems Demonstration Program; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1 of this bill prohibits the sale in this State of certain general purpose lights that do not produce a certain amount of lumens per watt of electricity consumed, and requires the Director of the Office of Energy to adopt regulations establishing a minimum standard of energy efficiency for such lights.

Existing law authorizes a customer of an electric utility to use a net metering system on the customer's premises to generate electricity to offset part or all of the customer's requirements for electricity. The net metering system must use renewable energy as its primary source of energy to generate electricity, and the system is allowed to have a generating capacity of not more than 150 kilowatts. (NRS 704.766-704.775)

Section ~~[1]~~ **1.4** of this bill provides that one of the purposes and policies of the Legislature in enacting the net metering statutes is to streamline the process for customers of a utility to apply for and install net metering systems.

Section 1.5 of this bill provides for a general increase in the permissible capacity of net metering systems and allows a customer-generator to use a net metering system of not more than 1 megawatt. However, section 1.5 also places specific limitations on the capacity of net metering systems under certain circumstances.

Section 2 of this bill requires the Public Utilities Commission of Nevada to adopt regulations regarding a net metering tariff and a standard net metering contract. Section 3 of this bill changes the method for calculating the value of the electricity generated by certain net metering systems.

Under the Solar Energy Systems Demonstration Program Act, certain entities, such as schools and public agencies, which install solar energy

systems are entitled to participate in a demonstration program and receive incentives for such participation. (Chapter 331, Statutes of Nevada 2003, p. 1868) The Solar Energy Systems Demonstration Program Act expires by limitation on June 30, 2010. (Chapter 2, Statutes of Nevada 2005, 22nd Special Session, p. 90)

Sections 5-29 of this bill enact the Wind Energy Systems Demonstration Program Act, a similar demonstration program for wind energy systems. Under this bill, the Wind Energy Systems Demonstration Program Act expires by limitation on June 30, 2011.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. **Chapter 701 of NRS is hereby amended by adding thereto a new section to read as follows:**

1. Between January 1, 2012, and December 31, 2015, inclusive, no general purpose light may be sold in this State unless it produces at least 25 lumens per watt of electricity consumed.

2. On and after January 1, 2016, no general purpose light may be sold in this State unless it meets or exceeds the minimum standard of energy efficiency established by the Director pursuant to subsection 3 for lumens per watt of electricity consumed.

3. The Director shall adopt regulations to carry out the provisions of this section. The regulations must, without limitation:

(a) Establish a minimum standard of energy efficiency for lumens per watt of electricity consumed that must be produced by general purpose lights sold in this State on and after January 1, 2016. The minimum standard of energy efficiency established by the Director must exceed 25 lumens per watt of electricity consumed.

(b) Attempt to minimize the overall cost to consumers for general purpose lighting, considering the needs of consumers relating to lighting, technological feasibility and anticipated product availability and performance.

4. As used in this section, "general purpose light" means lamps, bulbs, tubes or other devices that provide functional illumination for indoor or outdoor use. The term does not include "specialty lighting" or "lighting necessary to provide illumination for persons with special needs," as defined by the Director by regulation.

Sec. 1.3. **NRS 701.170 is hereby amended to read as follows:**

701.170 The Director may:

1. Administer any gifts or grants which the Office of Energy is authorized to accept for the purposes of this chapter.

2. Expend money received from those gifts or grants or from legislative appropriations to contract with qualified persons or institutions for research in the production and efficient use of energy resources.

3. Enter into any cooperative agreement with any federal or state agency or political subdivision.

4. Participate in any program established by the Federal Government relating to sources of energy and adopt regulations appropriate to that program.

5. Assist developers of renewable energy generation projects in preparing and making requests to obtain money for development through the issuance of industrial development revenue bonds pursuant to NRS 349.400 to 349.670, inclusive.

6. Adopt any regulations that the Director determines are necessary to carry out the duties of the Office of Energy pursuant to this chapter.

7. Within the limits of legislative appropriations and other money authorized for expenditure for such purposes, promote, participate in the operation of, and create or cause to be created, any nonprofit corporation, pursuant to chapter 82 of NRS, which he determines is necessary or convenient for the exercise of the powers and duties of the Office of Energy. The purposes, powers and operation of the corporation must be consistent with the purposes, powers and duties of the Office of Energy.

8. Within the limits of legislative appropriations and other money authorized for expenditure for such purposes, negotiate and execute agreements with public or private entities which are necessary to the exercise of the powers and duties of the Director or the Office of Energy.

4. Streamline the process for customers of a utility to apply for and install net metering systems.

Sec. 1.5. NRS 704.771 is hereby amended to read as follows:

704.771 ***1.*** "Net metering system" means a facility or energy system for the generation of electricity that:

~~[1.]~~ ***(a)*** Uses renewable energy as its primary source of energy to generate electricity;

~~[2.]~~ ***(b)*** Has a generating capacity of not more than ~~[150 kilowatts;~~

(c) Is located on the customer-generator's premises;

~~[4.]~~ ***(d)*** Operates in parallel with the utility's transmission and distribution facilities; and

~~[5.]~~ ***(e)*** Is intended primarily to offset part or all of the customer-generator's requirements for electricity.

2. The term does not include a facility or energy system for the generation of electricity which has a generating capacity that exceeds the greater of:

(a) The limit on the demand that the class of customer of the customer-generator may place on the system of the utility; or

(b) One hundred fifty percent of the peak demand of the customer.

Sec. 2. NRS 704.773 is hereby amended to read as follows:

704.773 1. A utility shall offer net metering, as set forth in NRS 704.775, to the customer-generators operating within its service area until the cumulative capacity of all such net metering systems is equal to 1 percent of the utility's peak capacity.

2. If the net metering system of a customer-generator who accepts the offer of a utility for net metering has a capacity of not more than ~~[30]~~ ***100*** kilowatts, the utility:

(a) Shall offer to make available to the customer-generator an energy meter that is capable of registering the flow of electricity in two directions.

(b) May, at its own expense and with the written consent of the customer-generator, install one or more additional meters to monitor the flow of electricity in each direction.

(c) A timeline for processing applications and contracts for net metering applicants.

(d) Any other provisions the Commission finds necessary to carry out the provisions of NRS 704.766 to 704.775, inclusive.

Sec. 3. NRS 704.775 is hereby amended to read as follows:

704.775 1. The billing period for net metering must be a monthly period.

2. ~~[If a customer-generator's net metering system has a capacity of not more than 30 kilowatts, the]~~ ***The*** net energy measurement must be calculated in the following manner:

(a) The utility shall measure, in kilowatt-hours, the net electricity produced or consumed during the billing period, in accordance with normal metering practices.

(b) If the electricity supplied by the utility exceeds the electricity generated by the customer-generator which is fed back to the utility during the billing period, the customer-generator must be billed for the net electricity supplied by the utility.

(c) If the electricity generated by the customer-generator which is fed back to the utility exceeds the electricity supplied by the utility during the billing period:

(1) Neither the utility nor the customer-generator is entitled to compensation for *the* electricity provided to the other during the billing period.

(2) The excess electricity which is fed back to the utility during the billing period is carried forward to the next billing period as an addition to the kilowatt - hours generated by the customer-generator in that billing period. If the customer-generator is billed for electricity pursuant to a time-of-use rate schedule, the excess electricity carried forward must be added to the same time-of-use period as the time-of-use period in which it was generated unless the subsequent billing period lacks a corresponding time-of-use period. In that case, the excess electricity carried forward must be apportioned evenly among the available time-of-use periods.

(3) Excess electricity may be carried forward to subsequent billing periods indefinitely, but a customer-generator is not entitled to receive compensation for any excess electricity that remains if:

(I) The net metering system ceases to operate or is disconnected from the utility's transmission and distribution facilities;

(II) The customer-generator ceases to be a customer of the utility at the premises served by the net metering system; or

(III) The customer-generator transfers the net metering system to another person.

(4) The ***value of the*** excess electricity ~~[which is fed back to the utility shall be deemed to be electricity that the utility generated or acquired from a renewable energy system for the purposes of complying with its portfolio standard pursuant to NRS 704.7801 to 704.7828, inclusive.~~

~~3. If a customer generator's net metering system has a capacity of more than 30 kilowatts, the net energy measurement must be calculated in the following manner:~~

~~(a) The utility shall:~~

~~(1) Measure, in kilowatt hours, the amount of electricity supplied by the utility to the customer-generator during the billing period and calculate its value using the tariff that would be applicable if the customer-generator did not use a net metering system; and~~

~~(2) Measure, in kilowatt-hours, the amount of electricity generated by the customer-generator which is fed back to the utility during the billing period and calculate its value at a rate that is consistent with the rate used to calculate the value of the electricity supplied by the utility.~~

~~(b) If the value of electricity supplied by the utility exceeds the value of the electricity generated by the customer-generator which is fed back to the utility during the billing period, the customer-generator must be billed for the net value of the electricity supplied by the utility.~~

~~(c) If the value of the electricity generated by the customer-generator which is fed back to the utility exceeds the value of the electricity supplied by the utility during the billing period:~~

~~(1) Neither the utility nor the customer-generator is entitled to compensation for the value of the electricity provided to the other during the billing period.~~

~~(2) The value of the excess electricity:~~

~~(I) Must not be shown as a credit on the customer-generator's bill for that billing period but must be reflected as a credit that is carried forward to offset the value of the electricity supplied by the utility during a subsequent billing period. At the discretion of the utility, the credit may be in a dollar amount or in kilowatt-hours. If the credit is reflected as excess electricity and the customer-generator is billed for electricity pursuant to a time-of-use rate schedule, the excess electricity carried forward must be added to the same time-of-use period as the time-of-use period in which it was generated unless the subsequent billing period lacks a corresponding time-of-use period. In that case, the excess electricity carried forward must be apportioned evenly among the available time-of-use periods. Excess electricity may be carried forward to subsequent billing periods indefinitely, but a customer-generator is not entitled to receive compensation for any excess electricity that remains if the net metering system ceases to operate or is disconnected from the utility's transmission and distribution facilities, the customer-generator ceases to be a customer of the utility at the premises served by the net~~

~~metering system or the customer-generator transfers the net metering system to another person.~~

~~(II) Does not reduce any other fee or charge imposed by the utility.~~

~~(3) The excess electricity which is fed back to the utility~~] ***must not be used to reduce any other fee or charge imposed by the utility.***

3. If the cost of purchasing and installing a net metering system was paid for:

(a) In whole or in part by a utility, the electricity generated by the net metering system shall be deemed to be electricity that the utility generated or acquired from a renewable energy system for the purposes of complying with its portfolio standard pursuant to NRS 704.7801 to 704.7828, inclusive.

(b) Entirely by a customer-generator, the Commission shall issue to the customer-generator portfolio energy credits for use within the system of portfolio energy credits adopted by the Commission pursuant to NRS 704.7821 equal to the electricity generated by the net metering system.

4. A bill for electrical service is due at the time established pursuant to the terms of the contract between the utility and the customer-generator.

Assemblyman Oceguera moved that the Assembly concur in the Senate Amendment No. 770 to Assembly Bill No. 178.

Remarks by Assemblyman Oceguera.

Motion carried.

The following Senate amendment was read:

Amendment No. 1013.

AN ACT relating to energy; requiring certain lights sold in this State to meet certain standards of energy efficiency; revising the authority of the Director of the Office of Energy; **revising the membership of the Task Force for Renewable Energy and Energy Conservation;** revising various provisions relating to net metering; **providing for the establishment of a pilot program to collect and separate recyclable material that may be used as renewable energy or converted into renewable fuel;** providing for

the establishment of the Wind Energy Systems Demonstration Program; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1 of this bill prohibits the sale in this State of certain general purpose lights that do not produce a certain amount of lumens per watt of electricity consumed, and requires the Director of the Office of Energy to adopt regulations establishing a minimum standard of energy efficiency for such lights.

Existing law provides for the membership of the Task Force for Renewable Energy and Energy Conservation. (NRS 701.350) Sections 1.35 and 29.7 of this bill revise the membership of the Task Force.

Existing law authorizes a customer of an electric utility to use a net metering system on the customer's premises to generate electricity to offset part or all of the customer's requirements for electricity. The net metering system must use renewable energy as its primary source of energy to generate electricity, and the system is allowed to have a generating capacity of not more than 150 kilowatts. (NRS 704.766-704.775)

Section 1.4 of this bill provides that one of the purposes and policies of the Legislature in enacting the net metering statutes is to streamline the process for customers of a utility to apply for and install net metering systems.

Section 1.5 of this bill provides for a general increase in the permissible capacity of net metering systems and allows a customer-generator to use a net metering system of not more than 1 megawatt. However, section 1.5 also places specific limitations on the capacity of net metering systems under certain circumstances.

Section 2 of this bill requires the Public Utilities Commission of Nevada to adopt regulations regarding a net metering tariff and a standard net metering contract. Section 3 of this bill changes the method for calculating the value of the electricity generated by certain net metering systems.

Existing law provides for the establishment of programs for collecting and separating recyclable material. (Chapter 444A of NRS) Section 4.5 of this bill provides that in a county whose population is 400,000 or more (currently Clark County), the board of county commissioners shall, in conjunction with each licensed hauler of garbage and refuse, establish a pilot program for collecting and separating recyclable material that may be used as a source of renewable energy or converted into renewable fuel.

Under the Solar Energy Systems Demonstration Program Act, certain entities, such as schools and public agencies, which install solar energy systems are entitled to participate in a demonstration program and receive incentives for such participation. (Chapter 331, Statutes of Nevada 2003, p. 1868) The Solar Energy Systems Demonstration Program Act expires by limitation on June 30, 2010. (Chapter 2, Statutes of Nevada 2005, 22nd Special Session, p. 90)

Sections 5-29 of this bill enact the Wind Energy Systems Demonstration Program Act, a similar demonstration program for wind energy systems. Under this bill, the Wind Energy Systems Demonstration Program Act expires by limitation on June 30, 2011.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 701 of NRS is hereby amended by adding thereto a new section to read as follows:

1. Between January 1, 2012, and December 31, 2015, inclusive, no general purpose light may be sold in this State unless it produces at least 25 lumens per watt of electricity consumed.

2. On and after January 1, 2016, no general purpose light may be sold in this State unless it meets or exceeds the minimum standard of energy efficiency established by the Director pursuant to subsection 3 for lumens per watt of electricity consumed.

3. The Director shall adopt regulations to carry out the provisions of this section. The regulations must, without limitation:

(a) Establish a minimum standard of energy efficiency for lumens per watt of electricity consumed that must be produced by general purpose lights sold in this State on and after January 1, 2016. The minimum standard of energy efficiency established by the Director must exceed 25 lumens per watt of electricity consumed.

(b) Attempt to minimize the overall cost to consumers for general purpose lighting, considering the needs of consumers relating to lighting, technological feasibility and anticipated product availability and performance.

The term does not include "specialty lighting" or "lighting necessary to provide illumination for persons with special needs," as defined by the Director by regulation.

Sec. 1.3. NRS 701.170 is hereby amended to read as follows:

6. Adopt any regulations that the Director determines are necessary to carry out the duties of the Office of Energy pursuant to this chapter.

7. Within the limits of legislative appropriations and other money authorized for expenditure for such purposes, promote, participate in the operation of, and create or cause to be created, any nonprofit corporation, pursuant to chapter 82 of NRS, which he determines is necessary or convenient for the exercise of the powers and duties of the Office of Energy. The purposes, powers and operation of the corporation must be consistent with the purposes, powers and duties of the Office of Energy.

8. Within the limits of legislative appropriations and other money authorized for expenditure for such purposes, negotiate and execute agreements with public or private entities which are necessary to the exercise of the powers and duties of the Director or the Office of Energy.

(b) ~~[Charge]~~ ***Except as otherwise provided in paragraph (c), may charge*** the customer-generator any applicable fee or charge charged to other customers of the utility in the same rate class as the customer-generator, including, without limitation, customer, demand and facility charges.

(c) Shall not charge the customer-generator any standby charge.

4. The Commission shall adopt regulations prescribing the form and substance for a net metering tariff and a standard net metering contract. The regulations must include, without limitation:

(a) The particular provisions, limitations and responsibilities of a customer-generator which must be included in a net metering tariff with regard to:

(1) Metering equipment;

(2) Net energy metering and billing; and

(3) Interconnection,

➥ based on the allowable size of the net metering system.

(b) The particular provisions, limitations and responsibilities of a customer-generator and the utility which must be included in a standard net metering contract.

(c) A timeline for processing applications and contracts for net metering applicants.

(d) Any other provisions the Commission finds necessary to carry out the provisions of NRS 704.766 to 704.775, inclusive.

Sec. 3. NRS 704.775 is hereby amended to read as follows:

704.775 1. The billing period for net metering must be a monthly period.

2. ~~[If a customer-generator's net metering system has a capacity of not more than 30 kilowatts, the]~~ ***The*** net energy measurement must be calculated in the following manner:

(a) The utility shall measure, in kilowatt-hours, the net electricity produced or consumed during the billing period, in accordance with normal metering practices.

(b) If the electricity supplied by the utility exceeds the electricity generated by the customer-generator which is fed back to the utility during the billing period, the customer-generator must be billed for the net electricity supplied by the utility.

(c) If the electricity generated by the customer-generator which is fed back to the utility exceeds the electricity supplied by the utility during the billing period:

(1) Neither the utility nor the customer-generator is entitled to compensation for ***the*** electricity provided to the other during the billing period.

(2) The excess electricity which is fed back to the utility during the billing period is carried forward to the next billing period as an addition to

the kilowatt - hours generated by the customer-generator in that billing period. If the customer-generator is billed for electricity pursuant to a time-of-use rate schedule, the excess electricity carried forward must be added to the same time-of-use period as the time-of-use period in which it was generated unless the subsequent billing period lacks a corresponding time-of-use period. In that case, the excess electricity carried forward must be apportioned evenly among the available time-of-use periods.

(3) Excess electricity may be carried forward to subsequent billing periods indefinitely, but a customer-generator is not entitled to receive compensation for any excess electricity that remains if:

(I) The net metering system ceases to operate or is disconnected from the utility's transmission and distribution facilities;

(II) The customer-generator ceases to be a customer of the utility at the premises served by the net metering system; or

(III) The customer-generator transfers the net metering system to another person.

(4) The ***value of the*** excess electricity ~~[which is fed back to the utility shall be deemed to be electricity that the utility generated or acquired from a renewable energy system for the purposes of complying with its portfolio standard pursuant to NRS 704.7801 to 704.7828, inclusive.~~

~~3. If a customer-generator's net metering system has a capacity of more than 30 kilowatts, the net energy measurement must be calculated in the following manner:~~

~~(a) The utility shall:~~

~~(1) Measure, in kilowatt hours, the amount of electricity supplied by the utility to the customer-generator during the billing period and calculate its value using the tariff that would be applicable if the customer-generator did not use a net metering system; and~~

~~(2) Measure, in kilowatt hours, the amount of electricity generated by the customer-generator which is fed back to the utility during the billing period and calculate its value at a rate that is consistent with the rate used to calculate the value of the electricity supplied by the utility.~~

~~(b) If the value of electricity supplied by the utility exceeds the value of the electricity generated by the customer-generator which is fed back to the utility during the billing period, the customer-generator must be billed for the net value of the electricity supplied by the utility.~~

~~(c) If the value of the electricity generated by the customer-generator which is fed back to the utility exceeds the value of the electricity supplied by the utility during the billing period:~~

~~(1) Neither the utility nor the customer-generator is entitled to compensation for the value of the electricity provided to the other during the billing period.~~

~~(2) The value of the excess electricity:~~

~~(I) Must not be shown as a credit on the customer-generator's bill for that billing period but must be reflected as a credit that is carried forward to~~

~~offset the value of the electricity supplied by the utility during a subsequent billing period. At the discretion of the utility, the credit may be in a dollar amount or in kilowatt-hours. If the credit is reflected as excess electricity and the customer-generator is billed for electricity pursuant to a time-of-use rate schedule, the excess electricity carried forward must be added to the same time-of-use period as the time-of-use period in which it was generated unless the subsequent billing period lacks a corresponding time-of-use period. In that case, the excess electricity carried forward must be apportioned evenly among the available time-of-use periods. Excess electricity may be carried forward to subsequent billing periods indefinitely, but a customer-generator is not entitled to receive compensation for any excess electricity that remains if the net metering system ceases to operate or is disconnected from the utility's transmission and distribution facilities, the customer-generator ceases to be a customer of the utility at the premises served by the net metering system or the customer-generator transfers the net metering system to another person.~~

~~(II) Does not reduce any other fee or charge imposed by the utility.~~

~~(3) The excess electricity which is fed back to the utility~~] ***must not be used to reduce any other fee or charge imposed by the utility.***

3. If the cost of purchasing and installing a net metering system was paid for:

(a) In whole or in part by a utility, the electricity generated by the net metering system shall be deemed to be electricity that the utility generated or acquired from a renewable energy system for the purposes of complying with its portfolio standard pursuant to NRS 704.7801 to 704.7828, inclusive.

(b) Entirely by a customer-generator, the Commission shall issue to the customer-generator portfolio energy credits for use within the system of portfolio energy credits adopted by the Commission pursuant to NRS 704.7821 equal to the electricity generated by the net metering system.

4. A bill for electrical service is due at the time established pursuant to the terms of the contract between the utility and the customer-generator.

Remarks by Assemblyman Oceguera.

Motion carried.

Bill ordered transmitted to the Senate.

Assembly Bill No. 496.

The following Senate amendment was read:

Amendment No. 898.

AN ACT relating to workers' compensation; revising various duties of employers, insurers and claimants under the workers' compensation system; revising certain procedures for accepting and denying workers' compensation claims; revising certain provisions relating to occupational diseases; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for the payment of workers' compensation if, during the course of employment, an employee is injured or killed by a workplace accident or occupational disease. (Chapters 616A-617 of NRS) Existing law authorizes an employer, after a workplace accident, to furnish the injured employee with the name of at least one physician or chiropractor qualified to examine the employee, but the employer may not require the employee to select any particular physician or chiropractor for the examination. The examining physician or chiropractor must report to the employer regarding the character and extent of the injury, but the employer may not require or permit the disclosure of any other information concerning the employee's physical condition. (NRS 616C.010)

Section 1 of this bill requires ~~[the]~~ **an** employer **whose insurer has contracted with certain managed care organizations or providers of health care services** to furnish the injured employee with the names of at least two physicians or chiropractors **who are** qualified to examine the employee ~~[.]~~ **and who are available pursuant to the contract, if there are two or more such physicians or chiropractors within 30 miles of the employee's place of employment. If there are not two such physicians or chiropractors within that area, the employer is required to furnish the name of at least one physician who is qualified to examine the employee and available pursuant to the contract. Further, section 1 imposes similar requirements upon employers whose insurers have not contracted with such managed care organizations or providers of health care services, except that the employers are required to furnish only the names of physicians and chiropractors who are qualified to conduct the examinations without regard as to whether they are available pursuant to any particular contract.** From among ~~[those names,]~~ **the names furnished by the employer,** the employee must select one of those physicians or chiropractors to conduct the examination, but the employee is not required to select a particular physician or chiropractor ~~[preferred by the employer.]~~ from among the names furnished. Section 1 of this bill also clarifies that the employer shall not require or permit the disclosure of any

other information concerning the employee's physical condition except as required by NRS 616C.177, which permits an insurer to inquire about and request medical records concerning a preexisting medical condition that is reasonably related to the industrial injury of the injured employee.

Existing law requires an insurer to accept or deny claims involving industrial injuries and occupational diseases within a certain period. (NRS 616C.065, 617.356) Sections 1.5 and 3 of this bill require the insurer to mail its written determination regarding a claim to the claimant or the person acting on behalf of the claimant within the specified period and **, if the insurer denies the claim in whole or in part,** to obtain a certificate of mailing at the time the written determination **of the denial of the claim** is delivered to the United States Postal Service for mailing. The certificate of mailing serves as a receipt that shows the date on which the insurer mailed the written determination ~~[.]~~ **of the denial of a claim.**

Existing law establishes certain general requirements which are used to determine whether a disease is compensable as an occupational disease. (NRS 617.440) However, existing law also provides that for some specific diseases, such as certain cancers, lung diseases, heart diseases and contagious diseases, there is a legal presumption that those diseases are compensable under the workers' compensation system when contracted under certain specific circumstances, such as when contracted by firefighters, police officers and emergency medical attendants. (NRS 617.453, 617.455, 617.457, ~~[617.481,]~~ 617.485 **, 617.487**) Section 4 of this bill provides that the general requirements of NRS 617.440 do not apply to the specific provisions of existing law which create such legal presumptions.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 616C.010 is hereby amended to read as follows:

616C.010 1. Whenever any accident occurs to any employee, he shall forthwith report the accident and the injury resulting therefrom to his employer.

2. When an employer learns of an accident, whether or not it is reported, the employer may direct the employee to submit to, or the employee may request, an examination by a physician or chiropractor, in order to ascertain the character and extent of the injury and render medical attention which is required immediately. The employer ~~[may]~~ ***shall :***

(a) If the employer's insurer has entered into a contract with an organization for managed care or with providers of health care pursuant to NRS 616B.527, furnish the names, addresses and telephone numbers of ~~[one]~~ ~~*[two]*~~ **:**

(1) Two or more physicians or chiropractors ~~[,]~~ ***who are qualified to conduct the examination*** ~~*[,]*~~ ***and who are available pursuant to the terms of the contract, if there are two or more such physicians or chiropractors within 30 miles of the employee's place of employment; or***

(2) One or more physicians or chiropractors who are qualified to conduct the examination and who are available pursuant to the terms of the contract, if there are not two or more such physicians or chiropractors within 30 miles of the employee's place of employment.

The employer shall not require the employee to disclose or permit the disclosure of any other information concerning his physical condition [.] ***except as required by NRS 616C.177.***

[3.] ***4.*** Further medical attention, except as otherwise provided in NRS 616C.265, must be authorized by the insurer.

[4.] ***5.*** This section does not prohibit an employer from requiring the employee to submit to an examination by a physician or chiropractor specified by the employer at any convenient time after medical attention which is required immediately has been completed.

Sec. 1.5. NRS 616C.065 is hereby amended to read as follows:

(b) Deny the claim and notify the claimant ***or the person acting on behalf of the claimant*** and ***the*** Administrator that the claim has been denied.

[➥]

2. Payments made by an insurer pursuant to this section are not an admission of liability for the claim or any portion of the claim.

[2.] ***3.*** Except as otherwise provided in this subsection, if an insurer unreasonably delays or refuses to pay the claim within 30 days after the insurer has been notified of an industrial accident, the insurer shall pay upon order of the Administrator an additional amount equal to three times the

amount specified in the order as refused or unreasonably delayed. This payment is for the benefit of the claimant and must be paid to him with the compensation assessed pursuant to chapters 616A to 617, inclusive, of NRS. The provisions of this section do not apply to the payment of a bill for accident benefits that is governed by the provisions of NRS 616C.136.

4. The insurer shall notify the claimant or the person acting on behalf of the claimant that a claim has been accepted or denied pursuant to subsection 1 by:

(a) Mailing its written determination to the claimant or the person acting on behalf of the claimant; and

(b) ~~[Obtaining]~~ If the claim has been denied, in whole or in part, obtaining a certificate of mailing.

5. The failure of the insurer to obtain a certificate of mailing as required by paragraph (b) of subsection 4 shall be deemed to be a failure of the insurer to mail the written determination of the denial of a claim as required by this section.

6. Upon request, the insurer shall provide a copy of the certificate of mailing , if any, to the claimant or the person acting on behalf of the claimant.

7. For the purposes of this section, the insurer shall mail the written determination to:

(a) The mailing address of the claimant or the person acting on behalf of the claimant that is provided on the form prescribed by the Administrator for filing the claim; or

(b) Another mailing address if the claimant or the person acting on behalf of the claimant provides to the insurer written notice of another mailing address.

8. As used in this section, "certificate of mailing" means a receipt that provides evidence of the date on which the insurer presented its written determination to the United States Postal Service for mailing.

Assemblyman Oceguera moved that the Assembly do not concur in the Senate amendment to Assembly Bill No. 496.

Remarks by Assemblyman Oceguera.

Motion carried.

Bill ordered transmitted to the Senate.

Assembly Bill No. 526.

The following Senate amendment was read:

Amendment No. 702.

AN ACT relating to information technology; revising provisions governing the regulation of community antenna television, cable television and other video service; establishing a new regulatory structure for video service providers; requiring the Secretary of State to perform certain duties under the new regulatory structure; limiting the regulatory powers of local governments regarding video service providers; providing fees; requiring providers of Internet service to offer **, under certain circumstances,** products or services which enable subscribers to regulate and monitor a child's use of the Internet; providing remedies and penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

This bill enacts various provisions relating to community antenna television, cable television, video service, Internet service and other information technology.

Under existing law, a local government has the authority to grant local franchises for the operation of a community antenna or cable television system within its jurisdiction. Because each local government has independent authority to grant its own franchises, a cable operator that wants to operate in multiple jurisdictions must negotiate a separate local franchise with each local government. (Chapter 711 of NRS)

To promote competition in the cable industry, the federal Cable Act prohibits a local government from granting an exclusive franchise or unreasonably refusing to grant competitive franchises. The federal Cable Act also prohibits a local government from imposing a franchise fee that exceeds 5 percent of a cable operator's gross revenue. (47 U.S.C. §§ 541, 542)

This bill repeals the existing statutory scheme of regulating video service through local franchises and replaces it with a statutory scheme that is intended to promote more competition in the market for such service. This bill applies to community antenna television companies, cable operators and other video service providers. However, this bill allows an existing franchise holder to continue operating under its local franchise until that franchise expires ~~[.]~~ **, and this bill also allows a local government in a county whose population is less than 100,000 (currently counties other than Clark and Washoe Counties) to renew or extend the term of a local franchise.**

Under this bill, a video service provider must obtain a certificate of authority from the Secretary of State, which acts as a state-issued franchise to provide video service within the service areas designated in the certificate. This bill establishes various standards and practices for video service

providers, including requirements for providing local governments with community access channels for public, educational and governmental programming.

This bill preempts most local regulation of video service providers. However, this bill allows a local government to manage the activities of video service providers within any public right-of-way or highway, including inspecting any construction or repair work. This bill also allows a local government to impose a franchise fee that does not exceed 5 percent of a video service provider's gross revenue.

Finally, this bill requires a provider of Internet service **, under certain circumstances,** to make available to subscribers in this State products or services which enable the subscribers to block, restrict and monitor a child's Internet activities. This bill authorizes the provider to charge a fee to those subscribers who elect to use the products or services. A provider of Internet service that fails to comply with the requirements commits a deceptive trade practice and is subject to ~~[civil and]~~ **the procedures for** administrative **enforcement and the** remedies and penalties ~~[.]~~ **under the Deceptive Trade Practice Act. (NRS 598.0903-598.0999)**

(b) Is in lieu of any other fee, tax, assessment or charge that may be imposed by a local government on a video service provider for its occupation or use of any public right-of-way or highway.

If the results of such a review and audit identify an underpayment of the franchise fee in an amount that requires corrective action, the local government may perform a subsequent compliance review and audit to determine whether the video service provider has corrected the underpayment of the franchise fee. The compliance review and audit must be performed not later than 12 months after the date on which the results of the initial review and audit are submitted to the local government.***

2. ***The local government and the video service provider shall each pay its own costs and fees relating to each review and audit performed pursuant to subsection 1, except that if the video service provider elects to have the local government review and audit the requested business records of the video service provider at a location outside the territorial boundaries of the local government, the video service provider shall pay the per diem allowances and travel expenses incurred by the local government to perform the review and audit at that location.***

3. A person who performs a review and audit pursuant to subsection 1 may not receive compensation that is based, in whole or in part, on:

Sec. 54.5. ***1. Except as otherwise provided in subsection 2, the provisions of sections 48 to 59, inclusive, of this act do not apply to any existing PEG access channel in service on the effective date of this act.***

2. The provisions of sections 48 to 59, inclusive, of this act do not prevent a video service provider from changing the channel number assigned to any PEG access channel, including, without limitation, any existing PEG access channel in service on the effective date of this act. If a video service provider intends to change the channel number assigned to any PEG access channel, the provider:

(a) Shall use good faith efforts to provide the affected local government with written notice of the change, to the extent reasonably practicable, at least 120 days before the date on which the change is to become effective; and

(b) The incumbent cable operator and the governmental entity enter into a commercial agreement regarding the rates, terms and conditions for the governmental entity to continue using the network or channel capacity.

Sec. 57. ***1. On or after the date on which a holder of a certificate first provides video service to at least one subscriber within the service area of a local government, the local government may request that the holder provide capacity for PEG access programming on its video service network on any service tier viewed by more than 50 percent of the subscribers in that service area. Within a reasonable period of not less than 120 days after the date on which the local government submits its request, the holder shall provide the local government with such capacity for PEG access programming subject to the provisions of sections 48 to 59, inclusive, of this act.***

2. If a video service provider did not provide capacity for PEG access programming to a local government while operating pursuant to a local franchise, the video service provider shall, after obtaining a certificate of authority, provide capacity for PEG access programming to the local government upon a request made by the local government pursuant to this section.

Sec. 58. ***1. A local government that requests capacity for PEG access programming may require a holder of a certificate to designate:***

The number of PEG access channels set forth in subsection 1 constitutes the total number of PEG access channels that the holder may be required to designate on any single video service network utilizing a single headend or hub office, or on all commonly owned video service networks that share a common headend or hub office, regardless of the number of local governments served from that headend or hub office. If more than one local government is served by a single or common headend or hub office, the populations within the jurisdictions of all those local governments must be aggregated to determine the total number of PEG access channels under subsection 1.

3. When a local government submits its request for capacity for PEG access programming, the local government must submit information which establishes that each PEG access channel it has requested will be substantially utilized. If one or more of the PEG access channels available under subsection 1 are being used at the headend or hub office when the local government submits its request, the holder is not required to make any of the remaining PEG access channels available to the local government unless the local government submits information which establishes that all existing PEG access channels at the headend or hub office are being substantially utilized.

4. Except as otherwise provided in subsection 5, if a local government does not substantially utilize a PEG access channel made available to it pursuant this section, the holder may reclaim the channel capacity for its own purposes. After reclaiming the channel capacity, if the local government makes a request for restoration of the PEG access channel and submits to the holder information which establishes that the PEG access channel will be substantially utilized, the holder shall restore the PEG access channel to the local government unless, when the request is submitted to the holder, the maximum number of PEG access channels available under subsection 1 are being used at the headend or hub office which serves the local government. If the restoration can be made within the limits of subsection 1, the holder shall restore the PEG access channel to the local government within a reasonable period of not less than 120 days after the date on which the request is submitted to the holder.

5. The provisions of subsection 4 do not apply to the first PEG access channel which is made available to a local government that does not have a PEG access channel in service on the effective date of this act.

3. A local government shall:

(a) Make the programming for each PEG access channel available in a nondiscriminatory manner to all holders or incumbent cable operators providing video service in the service area of the local government.

(b) Provide all facilities necessary for connectivity to a single PEG access channel distribution point in the service area of the local government, except that the first 200 feet extending from the video service network for the connectivity is the responsibility of the holder.

4. Where necessary and technically feasible, holders or incumbent cable operators shall use reasonable efforts to interconnect their video service networks for the purpose of exchanging PEG access channel programming on mutually acceptable rates, terms and conditions. Interconnection may be accomplished by direct cable microwave link, satellite or other reasonable methods of connection. Holders and incumbent cable operators shall negotiate interconnection in good faith. (b) Imposed on public utilities for the privilege of doing business pursuant to a franchise;

(c) ***Imposed in compliance with the provisions of section 46 of this act on video service providers for the privilege of doing business pursuant to chapter 711 of NRS;***

2. The amount of revenue the local government derives or is allowed to derive, whichever is greater, from all fees for business licenses except:

(a) The fees excluded by subsection 1, for the fiscal year ended on June 30, 1991; and

(b) The fees collected for a particular type of business during the immediately preceding fiscal year ending on June 30 that a local government will not collect in the next subsequent fiscal year,

➥ is the base from which the maximum allowable revenue from such fees must be calculated for the next subsequent fiscal year. To the base must be added the sum of the amounts respectively equal to the product of the base multiplied by the percentage increase in the population of the local government added to the percentage increase in the Consumer Price Index for the year ending on December 31 next preceding the year for which the limit is being calculated. The amount so determined becomes the base for computing the allowed increase for each subsequent year.

3. A local government may not increase any fee for a business license which is calculated as a fraction or percentage of the gross revenue of the business if its total revenues from such fees have increased during the preceding fiscal year by more than the increase in the Consumer Price Index during that preceding calendar year. The provisions of this subsection do not apply to a fee ~~[imposed]~~ *:*

(a) Imposed in compliance with the provisions of section 46 of this act on video service providers for the privilege of doing business pursuant to chapter 711 of NRS;

5. The provisions of this section apply to a business license regardless of the fund to which the revenue from it is assigned. An ordinance or resolution enacted by a local government in violation of the provisions of this section is void.

6. As used in this section, "fee for a business license" does not include a tax imposed on the revenues from the rental of transient lodging.

Sec. 92. NRS 360.825 is hereby amended to read as follows:

360.825 1. Except as otherwise provided in this section, if on or after July 1, 2003, a local government acquires from another entity a public utility that provides electric service, natural gas service, telecommunications service or community antenna television ***, cable television or other video*** service:

(a) The local government shall make payments in lieu of and equal to all state and local taxes and franchise fees from which the local government is exempt but for which the public utility would be liable if the public utility was not owned by a governmental entity; and

(b) The Nevada Tax Commission shall, solely for the purpose set forth in this paragraph, annually determine and apportion the assessed valuation of the property of the public utility. For the purpose of calculating any allocation or apportionment of money for distribution among local governments pursuant to a formula required by state law which is based partially or entirely on the assessed valuation of taxable property:

(1) The property of the public utility shall be deemed to constitute taxable property to the same extent as if the public utility was not owned by a governmental entity; and

(2) To the extent that the property of the public utility is deemed to constitute taxable property pursuant to this paragraph:

(I) The assessed valuation of that property must be included in that calculation as determined and apportioned by the Nevada Tax Commission pursuant to this paragraph; and

(II) The payments required by paragraph (a) in lieu of any taxes that would otherwise be required on the basis of the assessed valuation of that property shall be deemed to constitute payments of those taxes.

2. The payments in lieu of taxes and franchise fees required by subsection 1 are due at the same time and must be collected, accounted for and distributed in the same manner as those taxes and franchise fees would be due, collected, accounted for and distributed if the public utility was not owned by a governmental entity, except that no lien attaches upon any

property or money of the local government by virtue of any failure to make all or any part of those payments. The local government may contest the validity and amount of any payment in lieu of a tax or franchise fee to the same extent as if that payment was a payment of the tax or franchise fee itself. The payments in lieu of taxes and franchise fees must be reduced if and to the extent that such a contest is successful.

3. The provisions of this section do not:

(a) Apply to the acquisition by a local government of a public utility owned by another governmental entity, except a public utility owned by another local government for which any payments in lieu of state or local taxes or franchise fees was required before its acquisition as provided in this section.

(b) Require a local government to make any payments in lieu of taxes or franchise fees to the extent that the making of those payments would cause a deficiency in the money available to the local government to make required payments of principal of, premium, if any, or interest on any bonds or other securities issued to finance the acquisition of that public utility or to make required payments to any funds established under the proceedings under which those bonds or other securities were issued.

(c) Require a county to duplicate any payments in lieu of taxes required pursuant to NRS 244A.755.

Sec. 93. NRS 360.830 is hereby amended to read as follows:

360.830 1. Except as otherwise provided in this section, if on or after July 1, 2003, a local government:

(a) Acquires from another entity a public utility that provides water service or sewer service; or

(b) Expands facilities for the provision of water service, sewer service, electric service, natural gas service, telecommunications service or community antenna television ***, cable television or other video*** service, and the expansion results in the local government serving additional retail customers who were, before the expansion, retail customers of a public utility which provided that service,

➥ the local government shall enter into an interlocal agreement with each affected local government to compensate the affected local government each fiscal year, as nearly as practicable, for the amount of any money from state and local taxes and franchise fees and from payments in lieu of those taxes and franchise fees, and for any compensation from a local government pursuant to this section, the affected local government would be entitled to receive but will not receive because of the acquisition of that public utility or expansion of those facilities as provided in this section.

2. An affected local government may waive any or all of the compensation to which it may be entitled pursuant to subsection 1.

3. The provisions of this section do not require a:

(a) Local government to provide any compensation to an affected local government to the extent that the provision of that compensation would cause

a deficiency in the money available to the local government to make required payments of principal of, premium, if any, or interest on any bonds or other securities issued to finance the acquisition of that public utility or expansion of those facilities, or to make required payments to any funds established under the proceedings under which those bonds or other securities were issued.

(b) County to duplicate any compensation an affected local government receives from any payments in lieu of taxes required pursuant to NRS 244A.755.

Sec. 94. NRS 361.320 is hereby amended to read as follows:

361.320 1. At the regular session of the Nevada Tax Commission commencing on the first Monday in October of each year, the Nevada Tax Commission shall examine the reports filed pursuant to NRS 361.318 and establish the valuation for assessment purposes of any property of an interstate or intercounty nature used directly in the operation of all interstate or intercounty railroad, sleeping car, private car, natural gas transmission and distribution, water, telephone, scheduled and unscheduled air transport, electric light and power companies, and the property of all railway express companies operating on any common or contract carrier in this State. This valuation must not include the value of vehicles as defined in NRS 371.020.

2. Except as otherwise provided in subsections 3, 4 and 7 and NRS 361.323, the Nevada Tax Commission shall establish and fix the valuation of all physical property used directly in the operation of any such business of any such company in this State, as a collective unit. If the company is operating in more than one county, on establishing the unit valuation for the collective property, the Nevada Tax Commission shall then determine the total aggregate mileage operated within the State and within its several counties and apportion the mileage upon a mile-unit valuation basis. The number of miles apportioned to any county are subject to assessment in that county according to the mile-unit valuation established by the Nevada Tax Commission.

3. After establishing the valuation, as a collective unit, of a public utility which generates, transmits or distributes electricity, the Nevada Tax Commission shall segregate the value of any project in this State for the generation of electricity which is not yet put to use. This value must be assessed in the county where the project is located and must be taxed at the same rate as other property.

4. After establishing the valuation, as a collective unit, of an electric light and power company that places a facility into operation on or after July 1, 2003, in a county whose population is less than 100,000, the Nevada Tax Commission shall segregate the value of the facility from the collective unit. This value must be assessed in the county where the facility is located and taxed at the same rate as other property.

5. The Nevada Tax Commission shall adopt formulas and incorporate them in its records, providing the method or methods pursued in fixing and

establishing the taxable value of all property assessed by it. The formulas must be adopted and may be changed from time to time upon its own motion or when made necessary by judicial decisions, but the formulas must in any event show all the elements of value considered by the Nevada Tax Commission in arriving at and fixing the value for any class of property assessed by it. These formulas must take into account, as indicators of value, the company's income and the cost of its assets, but the taxable value may not exceed the cost of replacement as appropriately depreciated.

6. If two or more persons perform separate functions that collectively are needed to deliver electric service to the final customer and the property used in performing the functions would be centrally assessed if owned by one person, the Nevada Tax Commission shall establish its valuation and apportion the valuation among the several counties in the same manner as the valuation of other centrally assessed property. The Nevada Tax Commission shall determine the proportion of the tax levied upon the property by each county according to the valuation of the contribution of each person to the aggregate valuation of the property. This subsection does not apply to a qualifying facility, as defined in 18 C.F.R. § 292.101, which was constructed before July 1, 1997, or to an exempt wholesale generator, as defined in 15 U.S.C. § 79z-5a.

7. A company engaged in a business described in subsection 1 that does not have property of an interstate or intercounty nature must be assessed as provided in subsection 8.

8. All other property, including, without limitation, that of any company engaged in providing commercial mobile radio service, radio or television transmission services or cable television ***or other video*** services, must be assessed by the county assessors, except as otherwise provided in NRS 361.321 and 362.100 and except that the valuation of land and mobile homes must be established for assessment purposes by the Nevada Tax Commission as provided in NRS 361.325.

9. On or before November 1 of each year, the Department shall forward a tax statement to each private car line company based on the valuation established pursuant to this section and in accordance with the tax levies of the several districts in each county. The company shall remit the ad valorem taxes due on or before December 15 to the Department, which shall allocate the taxes due each county on a mile-unit basis and remit the taxes to the counties no later than January 31. The portion of the taxes which is due the State must be transmitted directly to the State Treasurer. A company which fails to pay the tax within the time required shall pay a penalty of 10 percent of the tax due or $5,000, whichever is greater, in addition to the tax. Any amount paid as a penalty must be deposited in the State General Fund. The Department may, for good cause shown, waive the payment of a penalty pursuant to this subsection. As an alternative to any other method of recovering delinquent taxes provided by this chapter, the Attorney General may bring a civil action in a court of competent jurisdiction to recover

delinquent taxes due pursuant to this subsection in the manner provided in NRS 361.560.

10. For the purposes of this section, an unscheduled air transport company does not include a company that only uses three or fewer fixed-wing aircraft with a weight of less than 12,500 pounds to provide transportation services, if the company elects, in the form and manner prescribed by the Department, to have the property of the company assessed by a county assessor.

11. As used in this section:

(a) "Company" means any person, company, corporation or association engaged in the business described.

(b) "Commercial mobile radio service" has the meaning ascribed to it in 47 C.F.R. § 20.3, as that section existed on January 1, 1998.

Remarks by Assemblyman Oceguera.

Motion carried.

Amendment No. 991.

AN ACT relating to information technology; revising provisions governing the regulation of community antenna television, cable television and other video service; establishing a new regulatory structure for video service providers; requiring the Secretary of State to perform certain duties under the new regulatory structure; limiting the regulatory powers of local governments regarding video service providers; providing fees; requiring providers of Internet service to offer, under certain circumstances, products or services which enable subscribers to regulate and monitor a child's use of the Internet; providing remedies and penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

This bill enacts various provisions relating to community antenna television, cable television, video service, Internet service and other information technology.

Under existing law, a local government has the authority to grant local franchises for the operation of a community antenna or cable television system within its jurisdiction. Because each local government has independent authority to grant its own franchises, a cable operator that wants to operate in multiple jurisdictions must negotiate a separate local franchise with each local government. (Chapter 711 of NRS)

To promote competition in the cable industry, the federal Cable Act prohibits a local government from granting an exclusive franchise or unreasonably refusing to grant competitive franchises. The federal Cable Act also prohibits a local government from imposing a franchise fee that exceeds 5 percent of a cable operator's gross revenue. (47 U.S.C. §§ 541, 542)

This bill repeals the existing statutory scheme of regulating video service through local franchises and replaces it with a statutory scheme that is intended to promote more competition in the market for such service. This bill applies to community antenna television companies, cable operators and other video service providers. However, this bill allows an existing franchise holder to continue operating under its local franchise until that franchise expires, and this bill also allows a local government in a county whose population is less than 100,000 (currently counties other than Clark and Washoe Counties) to renew or extend the term of a local franchise.

Under this bill, a video service provider must obtain a certificate of authority from the Secretary of State, which acts as a state-issued franchise to provide video service within the service areas designated in the certificate. This bill establishes various standards and practices for video service providers, including requirements for providing local governments with community access channels for public, educational and governmental programming.

This bill preempts most local regulation of video service providers. However, this bill allows a local government to manage the activities of video service providers within any public right-of-way or highway, including inspecting any construction or repair work. This bill also allows a local government to impose a franchise fee that does not exceed 5 percent of a video service provider's gross revenue.

Finally, this bill requires a provider of Internet service, under certain circumstances, to make available to subscribers in this State products or services which enable the subscribers to block, restrict and monitor a child's Internet activities. This bill authorizes the provider to charge a fee to those subscribers who elect to use the products or services. A provider of Internet service that fails to comply with the requirements commits a deceptive trade practice and is subject to the procedures for administrative enforcement and the remedies and penalties under the Deceptive Trade Practice Act. ➥ To operate within that service area on or after the date on which the local franchise expires without renewal or extension, the incumbent cable operator must apply for and obtain a certificate of authority in the same manner as any other video service provider. 4. If a local government has reasonable cause to believe that a video service provider has committed persistent or repeated violations of the customer service obligations that apply to the video service provider pursuant to this section, the local government may file a written complaint with the Bureau of Consumer Protection in the Office of the Attorney General pursuant to section 60 of this act.

3. In managing any public right-of-way or highway, a local government may:

(a) Require a video service provider that is constructing, installing, working within, maintaining or repairing facilities in, on, under or over any public right-of-way or highway to obtain a construction, encroachment or occupancy permit or license for such work; and

(b) Inspect the construction, installation, maintenance or repair work performed on such facilities.

4. If a video service provider makes a request for such a permit or license, the local government shall act upon the request not later than 10 business days after the date on which the request is made.

5. A local government may charge a video service provider a fee to issue such a permit or license or to perform any inspection authorized by this section. 6. If there is a situation necessitating emergency response work or repair in, on, under or over any public right-of-way or highway, a video service provider may begin that work or repair without prior approval from a local government if the provider notifies the local government as promptly as reasonably possible after learning of the need for that work or repair.

Sec. 46. ***1. For the privilege of providing video service through a video service network that occupies or uses, in whole or in part, any public right-of-way or highway within the jurisdiction of a local government, the local government may require a video service provider to pay a franchise fee to the local government based on the gross revenue that the provider receives from its subscribers within the jurisdiction of the local government.***

4. The entire amount of the franchise fee must be paid by a video service provider directly to the local government in legal tender of the United States or in a check, draft or note that is payable in legal tender of the United States.

5. A video service provider may:

(a) Pass the franchise fee through to and collect the franchise fee from its subscribers within the jurisdiction of the local government based on the gross revenue received from each such subscriber; and

(b) Designate the amount of the franchise fee collected from each subscriber as a separate line item on the subscriber's bill.

6. Except as otherwise provided in subsection 7, the franchise fee authorized by this section:

(a) Is the only fee, tax, assessment or other charge that a local government may impose on a video service provider for the privilege of providing video service or constructing or operating a video service network within the jurisdiction of the local government; and

(b) Is in lieu of any other fee, tax, assessment or charge that may be imposed by a local government on a video service provider for its occupation or use of any public right-of-way or highway.

7. This section does not restrict the right of a local government to impose on a video service provider:

Sec. 47. ***1. Not more than once every 3 years, a local government may, upon reasonable written notice, review and audit the business records of a video service provider to the extent necessary to ensure payment of a franchise fee pursuant to this chapter. If the results of such a review and audit identify an underpayment of the franchise fee in an amount that requires corrective action, the local government may perform a subsequent compliance review and audit to determine whether the video service provider has corrected the underpayment of the franchise fee. The compliance review and audit must be performed not later than 12 months after the date on which the results of the initial review and audit are submitted to the local government.***

2. The local government and the video service provider shall each pay its own costs and fees relating to each review and audit performed pursuant to subsection 1, except that if the video service provider elects to have the local government review and audit the requested business records of the video service provider at a location outside the territorial boundaries of the local government, the video service provider shall pay the per diem allowances and travel expenses incurred by the local government to perform the review and audit at that location.

3. A person who performs a review and audit pursuant to subsection 1 may not receive compensation that is based, in whole or in part, on:

(a) Finding a particular result; or

(b) The amount of any underpayment of the franchise fee that is identified as a result of the review and audit.

4. Any action to recover a disputed underpayment of a franchise fee from a video service provider must be commenced and prosecuted by the Attorney General on behalf of the affected local governments.

5. A video service provider may bring an action against a local government to recover a disputed overpayment of a franchise fee to the local government.

6. Any action to recover a disputed underpayment or overpayment of a franchise fee must be commenced in a district court not later than 4 years after the last day of the tax year to which the disputed underpayment or overpayment relates.

and at least 80 percent of the PEG access programming on each calendar day is nonrepeat locally produced video programming.

Sec. 54.5. ***1. Except as otherwise provided in subsection 2, the provisions of sections 48 to 59, inclusive, of this act do not apply to any existing PEG access channel in service on the effective date of this act.***

2. The provisions of sections 48 to 59, inclusive, of this act do not prevent a video service provider from changing the channel number assigned to any PEG access channel, including, without limitation, any existing PEG access channel in service on the effective date of this act. If a video service provider intends to change the channel number assigned to any PEG access channel, the provider:

(a) Shall use good faith efforts to provide the affected local government with written notice of the change, to the extent reasonably practicable, at least 120 days before the date on which the change is to become effective; and

(b) The incumbent cable operator and the governmental entity enter into a commercial agreement regarding the rates, terms and conditions for the governmental entity to continue using the network or channel capacity.

Sec. 57. ***1. On or after the date on which a holder of a certificate first provides video service to at least one subscriber within the service area of a local government, the local government may request that the holder provide capacity for PEG access programming on its video service network on any service tier viewed by more than 50 percent of the subscribers in that service area. Within a reasonable period of not less than 120 days after***

the date on which the local government submits its request, the holder shall provide the local government with such capacity for PEG access programming subject to the provisions of sections 48 to 59, inclusive, of this act.

2. If a video service provider did not provide capacity for PEG access programming to a local government while operating pursuant to a local franchise, the video service provider shall, after obtaining a certificate of authority, provide capacity for PEG access programming to the local government upon a request made by the local government pursuant to this section.

Sec. 58. ***1. A local government that requests capacity for PEG access programming may require a holder of a certificate to designate:***

The number of PEG access channels set forth in subsection 1 constitutes the total number of PEG access channels that the holder may be required to designate on any single video service network utilizing a single headend or hub office, or on all commonly owned video service networks that share a common headend or hub office, regardless of the number of local governments served from that headend or hub office. If more than one local government is served by a single or common headend or hub office, the populations within the jurisdictions of all those local governments must be aggregated to determine the total number of PEG access channels under subsection 1.

3. When a local government submits its request for capacity for PEG access programming, the local government must submit information which establishes that each PEG access channel it has requested will be substantially utilized. If one or more of the PEG access channels available under subsection 1 are being used at the headend or hub office when the local government submits its request, the holder is not required to make any of the remaining PEG access channels available to the local government unless the local government submits information which establishes that all existing PEG access channels at the headend or hub office are being substantially utilized.

4. Except as otherwise provided in subsection 5, if a local government does not substantially utilize a PEG access channel made available to it pursuant this section, the holder may reclaim the channel capacity for its own purposes. After reclaiming the channel capacity, if the local government makes a request for restoration of the PEG access channel and submits to the holder information which establishes that the PEG access channel will be substantially utilized, the holder shall restore the PEG access channel to the local government unless, when the request is submitted to the holder, the maximum number of PEG access channels

available under subsection 1 are being used at the headend or hub office which serves the local government. If the restoration can be made within the limits of subsection 1, the holder shall restore the PEG access channel to the local government within a reasonable period of not less than 120 days after the date on which the request is submitted to the holder.

5. The provisions of subsection 4 do not apply to the first PEG access channel which is made available to a local government that does not have a PEG access channel in service on the effective date of this act.

Sec. 59. ***1. The holder is responsible only for the transmission of the programming to subscribers.***

2. A local government, or its designee, shall provide to the holder all programming for a PEG access channel in a manner or form that is:

(a) Capable of being accepted and transmitted by the holder over its video service network without alteration or change in the content or transmission signal; and

(b) Compatible with the technology or protocol utilized by the holder to deliver its video service.

3. A local government shall:

(a) Make the programming for each PEG access channel available in a nondiscriminatory manner to all holders or incumbent cable operators providing video service in the service area of the local government.

(b) Provide all facilities necessary for connectivity to a single PEG access channel distribution point in the service area of the local government, except that the first 200 feet extending from the video service network for the connectivity is the responsibility of the holder.

4. Where necessary and technically feasible, holders or incumbent cable operators shall use reasonable efforts to interconnect their video service networks for the purpose of exchanging PEG access channel programming on mutually acceptable rates, terms and conditions. Interconnection may be accomplished by direct cable microwave link, satellite or other reasonable methods of connection. Holders and incumbent cable operators shall negotiate interconnection in good faith. The person requesting interconnection is responsible for any costs, including, without limitation, signal transmission from the origination point to the point of interconnection.

4. If the district court orders equitable or declaratory relief in an action brought by the Consumer's Advocate pursuant to this section, the court shall award the Consumer's Advocate, in an amount approved by the court, reasonable attorney's fees and costs incurred by the Consumer's Advocate in bringing the action.

5. The provisions of this section do not:

(b) The fees collected for a particular type of business during the immediately preceding fiscal year ending on June 30 that a local government will not collect in the next subsequent fiscal year,

government added to the percentage increase in the Consumer Price Index for the year ending on December 31 next preceding the year for which the limit is being calculated. The amount so determined becomes the base for computing the allowed increase for each subsequent year.

3. A local government may not increase any fee for a business license which is calculated as a fraction or percentage of the gross revenue of the business if its total revenues from such fees have increased during the preceding fiscal year by more than the increase in the Consumer Price Index during that preceding calendar year. The provisions of this subsection do not apply to a fee ~~[imposed]~~ *:*

5. The provisions of this section apply to a business license regardless of the fund to which the revenue from it is assigned. An ordinance or resolution enacted by a local government in violation of the provisions of this section is void.

6. As used in this section, "fee for a business license" does not include a tax imposed on the revenues from the rental of transient lodging.

Sec. 92. NRS 360.825 is hereby amended to read as follows:

360.825 1. Except as otherwise provided in this section, if on or after July 1, 2003, a local government acquires from another entity a public utility that provides electric service, natural gas service, telecommunications service or community antenna television ***, cable television or other video*** service:

(a) The local government shall make payments in lieu of and equal to all state and local taxes and franchise fees from which the local government is exempt but for which the public utility would be liable if the public utility was not owned by a governmental entity; and

(b) The Nevada Tax Commission shall, solely for the purpose set forth in this paragraph, annually determine and apportion the assessed valuation of the property of the public utility. For the purpose of calculating any allocation or apportionment of money for distribution among local governments pursuant to a formula required by state law which is based partially or entirely on the assessed valuation of taxable property:

(1) The property of the public utility shall be deemed to constitute taxable property to the same extent as if the public utility was not owned by a governmental entity; and

(2) To the extent that the property of the public utility is deemed to constitute taxable property pursuant to this paragraph:

(I) The assessed valuation of that property must be included in that calculation as determined and apportioned by the Nevada Tax Commission pursuant to this paragraph; and

(II) The payments required by paragraph (a) in lieu of any taxes that would otherwise be required on the basis of the assessed valuation of that property shall be deemed to constitute payments of those taxes.

2. The payments in lieu of taxes and franchise fees required by subsection 1 are due at the same time and must be collected, accounted for and distributed in the same manner as those taxes and franchise fees would be due, collected, accounted for and distributed if the public utility was not owned by a governmental entity, except that no lien attaches upon any property or money of the local government by virtue of any failure to make all or any part of those payments. The local government may contest the validity and amount of any payment in lieu of a tax or franchise fee to the same extent as if that payment was a payment of the tax or franchise fee itself. The payments in lieu of taxes and franchise fees must be reduced if and to the extent that such a contest is successful.

3. The provisions of this section do not:

(a) Apply to the acquisition by a local government of a public utility owned by another governmental entity, except a public utility owned by another local government for which any payments in lieu of state or local taxes or franchise fees was required before its acquisition as provided in this section.

(b) Require a local government to make any payments in lieu of taxes or franchise fees to the extent that the making of those payments would cause a deficiency in the money available to the local government to make required payments of principal of, premium, if any, or interest on any bonds or other securities issued to finance the acquisition of that public utility or to make required payments to any funds established under the proceedings under which those bonds or other securities were issued.

(c) Require a county to duplicate any payments in lieu of taxes required pursuant to NRS 244A.755.

Sec. 93. NRS 360.830 is hereby amended to read as follows:

360.830 1. Except as otherwise provided in this section, if on or after July 1, 2003, a local government:

(a) Acquires from another entity a public utility that provides water service or sewer service; or

(b) Expands facilities for the provision of water service, sewer service, electric service, natural gas service, telecommunications service or community antenna television ***, cable television or other video*** service, and the expansion results in the local government serving additional retail customers who were, before the expansion, retail customers of a public utility which provided that service,

➥ the local government shall enter into an interlocal agreement with each affected local government to compensate the affected local government each fiscal year, as nearly as practicable, for the amount of any money from state and local taxes and franchise fees and from payments in lieu of those taxes and franchise fees, and for any compensation from a local government pursuant to this section, the affected local government would be entitled to receive but will not receive because of the acquisition of that public utility or expansion of those facilities as provided in this section.

2. An affected local government may waive any or all of the compensation to which it may be entitled pursuant to subsection 1.

3. The provisions of this section do not require a:

(a) Local government to provide any compensation to an affected local government to the extent that the provision of that compensation would cause a deficiency in the money available to the local government to make required payments of principal of, premium, if any, or interest on any bonds or other securities issued to finance the acquisition of that public utility or expansion of those facilities, or to make required payments to any funds established under the proceedings under which those bonds or other securities were issued.

(b) County to duplicate any compensation an affected local government receives from any payments in lieu of taxes required pursuant to NRS 244A.755.

Sec. 94. NRS 361.320 is hereby amended to read as follows:

361.320 1. At the regular session of the Nevada Tax Commission commencing on the first Monday in October of each year, the Nevada Tax Commission shall examine the reports filed pursuant to NRS 361.318 and establish the valuation for assessment purposes of any property of an interstate or intercounty nature used directly in the operation of all interstate or intercounty railroad, sleeping car, private car, natural gas transmission and distribution, water, telephone, scheduled and unscheduled air transport, electric light and power companies, and the property of all railway express companies operating on any common or contract carrier in this State. This valuation must not include the value of vehicles as defined in NRS 371.020.

2. Except as otherwise provided in subsections 3, 4 and 7 and NRS 361.323, the Nevada Tax Commission shall establish and fix the valuation of all physical property used directly in the operation of any such business of any such company in this State, as a collective unit. If the company is operating in more than one county, on establishing the unit valuation for the collective property, the Nevada Tax Commission shall then determine the total aggregate mileage operated within the State and within its several counties and apportion the mileage upon a mile-unit valuation basis. The number of miles apportioned to any county are subject to assessment in that county according to the mile-unit valuation established by the Nevada Tax Commission.

3. After establishing the valuation, as a collective unit, of a public utility which generates, transmits or distributes electricity, the Nevada Tax Commission shall segregate the value of any project in this State for the generation of electricity which is not yet put to use. This value must be assessed in the county where the project is located and must be taxed at the same rate as other property.

4. After establishing the valuation, as a collective unit, of an electric light and power company that places a facility into operation on or after July 1, 2003, in a county whose population is less than 100,000, the Nevada Tax Commission shall segregate the value of the facility from the collective unit. This value must be assessed in the county where the facility is located and taxed at the same rate as other property.

5. The Nevada Tax Commission shall adopt formulas and incorporate them in its records, providing the method or methods pursued in fixing and establishing the taxable value of all property assessed by it. The formulas must be adopted and may be changed from time to time upon its own motion or when made necessary by judicial decisions, but the formulas must in any event show all the elements of value considered by the Nevada Tax Commission in arriving at and fixing the value for any class of property assessed by it. These formulas must take into account, as indicators of value, the company's income and the cost of its assets, but the taxable value may not exceed the cost of replacement as appropriately depreciated.

6. If two or more persons perform separate functions that collectively are needed to deliver electric service to the final customer and the property used in performing the functions would be centrally assessed if owned by one person, the Nevada Tax Commission shall establish its valuation and apportion the valuation among the several counties in the same manner as the valuation of other centrally assessed property. The Nevada Tax Commission shall determine the proportion of the tax levied upon the property by each county according to the valuation of the contribution of each person to the aggregate valuation of the property. This subsection does not apply to a qualifying facility, as defined in 18 C.F.R. § 292.101, which was constructed before July 1, 1997, or to an exempt wholesale generator, as defined in 15 U.S.C. § 79z-5a.

7. A company engaged in a business described in subsection 1 that does not have property of an interstate or intercounty nature must be assessed as provided in subsection 8.

8. All other property, including, without limitation, that of any company engaged in providing commercial mobile radio service, radio or television transmission services or cable television ***or other video*** services, must be assessed by the county assessors, except as otherwise provided in NRS 361.321 and 362.100 and except that the valuation of land and mobile homes must be established for assessment purposes by the Nevada Tax Commission as provided in NRS 361.325.

9. On or before November 1 of each year, the Department shall forward a tax statement to each private car line company based on the valuation established pursuant to this section and in accordance with the tax levies of the several districts in each county. The company shall remit the ad valorem taxes due on or before December 15 to the Department, which shall allocate the taxes due each county on a mile-unit basis and remit the taxes to the counties no later than January 31. The portion of the taxes which is due the State must be transmitted directly to the State Treasurer. A company which fails to pay the tax within the time required shall pay a penalty of 10 percent of the tax due or $5,000, whichever is greater, in addition to the tax. Any amount paid as a penalty must be deposited in the State General Fund. The Department may, for good cause shown, waive the payment of a penalty pursuant to this subsection. As an alternative to any other method of recovering delinquent taxes provided by this chapter, the Attorney General may bring a civil action in a court of competent jurisdiction to recover delinquent taxes due pursuant to this subsection in the manner provided in NRS 361.560.

10. For the purposes of this section, an unscheduled air transport company does not include a company that only uses three or fewer fixed-wing aircraft with a weight of less than 12,500 pounds to provide transportation services, if the company elects, in the form and manner prescribed by the Department, to have the property of the company assessed by a county assessor.

11. As used in this section:

~~[Sec. 5.]~~ ***Sec. 6.*** This act becomes effective on July 1, 2007.

Assemblywoman Parnell moved that the Assembly concur in the Senate amendment to Assembly Bill No. 386.

Remarks by Assemblywoman Parnell.

Motion carried by a constitutional majority.

Bill ordered to enrollment.

Assembly Bill No. 585.

The following Senate amendment was read:

Amendment No. 713.

AN ACT relating to public financial administration; providing the rate of interest to be paid on overpayments of taxes on real or personal property; making various changes to other provisions governing taxes on real or personal property; **making various changes concerning certain agreements and claims regarding unclaimed property held by a county treasurer;** revising provisions governing calculation of the interest that a public body must pay to a contractor on amounts withheld from progress payments on public works; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, unless a specific statute provides otherwise, a taxpayer is entitled to interest on an overpayment of taxes at a rate equal to the prime rate plus 2 percent. (NRS 360.2935) Section ~~[1]~~ **2** of this bill provides that

the rate of interest to be paid on overpayments of real or personal property taxes is 0.5 percent per month.

Section 3 of this bill requires that a person who enters into certain agreements to locate, deliver, recover or assist in the recovery of any remaining excess proceeds of a sale by a county treasurer of real property for which delinquent property taxes have not been paid must be licensed as a private investigator in this State.

Under existing law, a taxpayer who wishes to have certain determinations concerning partial abatements from taxation reviewed must submit a written petition to the county tax receiver. (NRS 361.4734) Section ~~[2]~~ **4** of this bill requires such a petition to be submitted to the county assessor instead of the tax receiver.

Under existing law, small overpayments or deficiencies of personal property taxes do not have to be refunded to or collected from a taxpayer. (NRS 361.485) Section ~~[3]~~ **5** of this bill provides similar treatment for overpayments or deficiencies of real property taxes.

Section ~~[4]~~ **6** of this bill provides a county and its officers and employees with immunity from liability for failure to provide actual notice of delinquent taxes in accordance with NRS 361.5648 under certain circumstances.

Existing law requires the tax receiver of a county to issue to the county treasurer each year a trustee's certificate which describes each property on which delinquent taxes have not been paid. (NRS 361.570) Section ~~[5]~~ **7** of this bill requires that the certificate include not just taxes, but also penalties, interest and costs that have not been paid.

Existing law authorizes certain reconveyances of property held in trust by a county treasurer on which delinquent taxes have not been paid. (NRS 361.585) Section 8 of this bill revises the categories of persons to whom such a reconveyance may be made and repeals the requirements for an agreement to locate, deliver, recover or assist in the recovery of such property.

Section ~~[9]~~ **11** of this bill eliminates the requirement in NRS 361.605 that a county treasurer file with the county auditor a monthly statement of the amount of property sold and rents collected from property that the county treasurer is holding in trust for nonpayment of taxes.

Existing law provides for the disposition of the proceeds of a sale by a county treasurer of real property on which delinquent taxes have not been paid. (NRS 361.610) Section 12 of this bill establishes a procedure to recover any excess proceeds from such a sale and sets forth certain requirements for an agreement to locate, deliver, recover or assist in the recovery of such excess proceeds. Section 12 also provides that certain persons who are entitled to recover property from the county treasurer may authorize a person pursuant to a power of attorney, assignment or other legal instrument to file a claim and collect from the county treasurer any money owed to him, and provides immunity for a county for any losses resulting from the approval of such a claim if the claim is

paid by the county treasurer in accordance with the provisions of the legal instrument.

Section ~~[13]~~ **15** of this bill revises the method set forth in NRS 338.515 to calculate the interest that a public body must pay to a contractor on amounts withheld from progress payments on public works.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 361 of NRS is hereby amended by adding thereto ~~[a new section to read as follows:]~~ **the provisions set forth as sections 2 and 3 of this act.**

Sec. 2. 1. Except as otherwise provided in subsection 2 and NRS 361.485, interest must be paid on an overpayment of the taxes imposed by this chapter at the rate of 0.5 percent per month, or fraction thereof, from the last day of the calendar month in which the overpayment was made to the last day of the calendar month in which a refund is made.

2. No interest is allowed:

(a) On a refund of any penalty or interest paid by a taxpayer; or

(b) If the ex officio tax receiver determines that the overpayment was made intentionally or by reason of carelessness.

2. Any person who, pursuant to an agreement described in subsection 10 of NRS 361.610, files a claim for recovery of any remaining excess proceeds pursuant to NRS 361.610 must submit proof of compliance with the provisions of subsection 1 when he files the claim with the county treasurer. The county treasurer shall not accept a claim for recovery of the remaining excess proceeds without proof of compliance.

Amendment No. 1062.

SUMMARY—Revises various provisions relating to economic and energy development. (BDR ~~[S-784)]~~ **32-784)**

AN ACT relating to ~~[economic and energy development;]~~ **state financial administration; revising various provisions governing partial abatements of certain taxes by the Commission on Economic Development;** revising various provisions governing the Solar Energy Systems Demonstration Program Act; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the Commission on Economic Development to approve partial abatements of certain taxes imposed on new or expanded businesses. (NRS 360.750) Sections 10.3, 10.7 and 13.5 of this bill require a business that receives such a partial abatement to: (1) allow the Department of Taxation to conduct audits of the business to determine whether it is in compliance with the requirements for the partial abatement; and (2) consent to the disclosure of the audit reports to the Commission on Economic Development and to the public with certain limited exceptions.

Under the Solar Energy Systems Demonstration Program Act, a certain number of schools which install solar energy systems are entitled to participate in the Demonstration Program and receive portfolio energy credits that may be sold to utilities seeking to comply with the portfolio standards. (Chapter 331, Statutes of Nevada 2003, pp. 1868-71) Section 11 of this bill increases the number of schools that may participate in the Demonstration Program and increases the kilowatts of capacity for solar energy systems in schools from 570 kilowatts to 2 megawatts for the years 2007, 2008 and 2009.

(a) The audit report provided to the Commission on Economic Development is a public record; and

(b) Upon request by any person, the Executive Director of the Commission on Economic Development shall disclose the audit report to the person who made the request, except for any information in the audit report that is protected from disclosure pursuant to subsection 5.

5. Before the Executive Director of the Commission on Economic Development discloses the audit report to the public, the business may submit a request to the Executive Director to protect from disclosure any information in the audit report which, under generally accepted business practices, would be considered a trade secret or other confidential proprietary information of the business. After consulting with the business, the Executive Director shall determine whether to protect the information from disclosure. The decision of the Executive Director is final and is not subject to judicial review. If the Executive Director determines to protect the information from disclosure, the protected information:

(a) Is confidential proprietary information of the business;

(b) Is not a public record;

(c) Must be redacted by the Executive Director from any audit report that is disclosed to the public; and

(d) Must not be disclosed to any person who is not an officer or employee of the Commission on Economic Development unless the business consents to the disclosure.

REPORTS OF COMMITTEES

Madam Speaker:

Your Committee on Ways and Means, to which was rereferred Assembly Bill No. 584, has had the same under consideration, and begs leave to report the same back with the recommendation: Amend, and do pass as amended.

MORSE ARBERRY JR., *Chair*

Assembly Bill No. 584.

Bill read third time.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 1044.

AN ACT relating to motor vehicles; providing that a driver of a commercial motor vehicle who has a concentration of alcohol of 0.04 or more but less than 0.08 in his blood or breath or is under the influence of a controlled or prohibited substance is subject to a criminal penalty; revising certain provisions governing the issuance and renewal of drivers' licenses and identification cards to comport with the federal REAL ID Act ~~[,]~~ **of 2005;** repealing the Driver License Compact; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Sections 1, 2, ~~[4-9,]~~ **4, 5, 13-16** ~~[12-17]~~ and 40-42 of this bill require the Department of Motor Vehicles to adopt certain regulations to bring Nevada into compliance with the federal REAL ID Act ~~[.]~~ **of 2005.**

Existing law requires an applicant for a driver's license, identification card or a motorcycle driver's license to provide his name, date of birth and residential address to the Department and furnish proof, acceptable to the Department, of his name and age to the Department. (NRS 483.290, 483.850, 486.081) Sections 2, 14, 15 and 40 of this bill provide that an applicant for a driver's license, identification card or motorcycle license must furnish his full legal name, address of principal residence and mailing address, if different from his address of principal residence, on his application. The Department is authorized to adopt regulations prescribing the documents an applicant may furnish as proof of his full legal name and age. The Department may only grant a driver's license, identification card or motorcycle driver's license to a person who is a citizen of a foreign country for the period of his authorized stay in the United States or, if there is no definite end to the period of authorized stay, for 1 year from the date of issuance.

Existing law requires that certain information be contained on a driver's license or identification card. (NRS 483.340, 483.840) Sections 4 and 13 of this bill remove such requirements from existing law and require the Department to adopt regulations prescribing the specific information that a driver's license or identification card must contain.

Existing law prescribes when a driver's license, identification card or motorcycle driver's license expires. (NRS 483.380, 483.875, 486.161) Sections 5, 16 and 41 of this bill remove the expiration provisions from existing law and require the Department to adopt regulations that specify when a driver's license, identification card or motorcycle driver's license must expire.

~~[Existing law sets forth the required fees for the issuance, renewal or reinstatement of, or any change to, a driver's license, identification card or motorcycle driver's license. (NRS 483.410, 483.820, 483.910) Sections 6, 12 and 17 of this bill remove these fee schedules from existing law and require the Department to adopt regulations prescribing such fees.]~~

Existing law prescribes the specific information that must be included to record a conviction on a driving record. Section 9 of this bill deletes the requirement to record the conviction using the specific information and requires the Department to adopt regulations prescribing the information necessary to record a conviction on a driver's record. (NRS 483.450)

Existing law requires an applicant for a driver's license or motorcycle driver's license to furnish to the Department proof of his social security number, if one has been assigned to him. (NRS 483.290, 486.081) Section 14 of this bill requires an applicant for an identification card to furnish proof of his social security number, if he has been assigned one.

Existing law makes it unlawful for the driver of a motor vehicle to be under the influence of intoxicating liquor or a controlled substance, or both, or to have a concentration of alcohol of 0.08 or more in his blood or breath. (NRS 484.379) Existing law also requires the imposition of administrative sanctions for a person who has a concentration of alcohol of 0.04 or more but less than 0.08 in his blood or breath while in control of a commercial motor vehicle. (NAC 483.848) Section 22 of this bill makes it unlawful for any driver of a commercial motor vehicle, which includes a motor vehicle used to transport certain hazardous materials, to be under the influence of intoxicating liquor or a controlled substance or to have a concentration of alcohol of 0.04 or more but less than 0.08 in his blood or breath.

Section 48 of this bill repeals existing law which allows the Department to issue a driver's license to an international student or instructor who declares himself to be a resident of Nevada for the limited purpose of obtaining a driver's license. (NRS 483.247) Section 48 also repeals the Driver License Compact that requires the Department to request a copy of a person's driving record from another state if he is applying for an instruction permit or an operator's or chauffer's license in this State. The person's former driving record becomes part of his driving record in this State. The Driver License Compact is repealed in anticipation of the Department adopting the Driver License Agreement to replace the compact. NRS 483.635 grants the Department the authority to enter into an agreement with another state to facilitate the exchange of information concerning the issuance, renewal, suspension or revocation of drivers' licenses and to ensure that each driver possesses only one license and driving record.

Sec. 19. ***As used in NRS 484.379 to 484.3947, inclusive, and section 19 to 22, inclusive, of this act, unless the context otherwise requires, the words and terms defined in sections 20 and 21 of this act have the meanings ascribed to them in those sections.***

Sec. 20. ***"Commercial motor vehicle" means a motor vehicle or combination of motor vehicles used in commerce to transport passengers or property if the motor vehicle:***

1. Has a gross combination weight rating of 26,001 or more pounds which includes a towed unit with a gross vehicle weight rating of more than 10,000 pounds;

Sec. 22. ***1. It is unlawful for any person who:***

(a) Is under the influence of intoxicating liquor;

➥ to drive or be in actual physical control of a commercial motor vehicle on a highway or on premises to which the public has access. The fact that any person charged with a violation of this subsection is or has been entitled to use that drug under the laws of this State is not a defense against any charge of violating this subsection.

3. It is unlawful for any person to drive or be in actual physical control of a commercial motor vehicle on a highway or on premises to which the public has access with an amount of a prohibited substance in his blood or urine that is equal to or greater than:

4. If consumption is proven by a preponderance of the evidence, it is an affirmative defense under paragraph (c) of subsection 1 that the defendant consumed a sufficient quantity of alcohol after driving or being in actual physical control of the commercial motor vehicle, and before his blood or breath was tested, to cause him to have a concentration of alcohol of 0.04 or more in his blood or breath. A defendant who intends to offer this defense at a trial or preliminary hearing must, not less than 14 days before the trial or hearing or at such other time as the court may direct, file and serve on the prosecuting attorney a written notice of that intent.

Sec. 23. NRS 484.3667 is hereby amended to read as follows:

484.3667 1. Except as otherwise provided in subsection 2, a person who is convicted of a violation of a speed limit, or of NRS 484.254, 484.278, 484.289, 484.2895, 484.291 to 484.301, inclusive, 484.305, 484.309, 484.311, 484.335, 484.337, 484.361, 484.363, 484.3765, 484.377, 484.3775,

➥ shall be punished by imprisonment or by a fine, or both, for a term or an amount equal to and in addition to the term of imprisonment or amount of the fine, or both, that the court imposes for the primary offense. Any term of imprisonment imposed pursuant to this subsection runs consecutively with the sentence prescribed by the court for the crime. This subsection does not create a separate offense, but provides an additional penalty for the primary offense, whose imposition is contingent upon the finding of the prescribed fact.

2. The additional penalty imposed pursuant to subsection 1 must not exceed a total of $1,000, 6 months of imprisonment or 120 hours of community service.

3. A governmental entity that designates an area as a temporary traffic control zone in which construction, maintenance or repair of a highway is conducted, or the person with whom the governmental entity contracts to provide such service, shall cause to be erected:

4. A person who otherwise would be subject to an additional penalty pursuant to this section is not relieved of any criminal liability because signs are not erected as required by subsection 3 if the violation results in injury to any person performing highway construction or maintenance in the temporary traffic control zone or in damage to property in an amount equal to $1,000 or more.

Sec. 24. NRS 484.3791 is hereby amended to read as follows:

484.3791 1. In addition to any other penalty provided by law, a person convicted of a violation of NRS 484.379 ***or section 22 of this act*** is liable to the State for a civil penalty of $35, payable to the Department.

2. The Department shall not issue any license to drive a motor vehicle to a person convicted of a violation of NRS 484.379 ***or section 22 of this act*** until the civil penalty is paid.

Sec. 25. NRS 484.3792 is hereby amended to read as follows:

484.3792 1. Unless a greater penalty is provided pursuant to NRS 484.3795 or 484.37955, and except as otherwise provided in subsection 2, a person who violates the provisions of NRS 484.379 ~~[:]~~ ***or section 22 of this act:***

The facts concerning a prior offense must be alleged in the complaint, indictment or information, must not be read to the jury or proved at trial but must be proved at the time of sentencing and, if the principal offense is alleged to be a felony, must also be shown at the preliminary examination or presented to the grand jury.

4. A person convicted of violating the provisions of NRS 484.379 ***or section 22 of this act*** must not be released on probation, and a sentence imposed for violating those provisions must not be suspended except, as provided in NRS 4.373, 5.055, 484.37937 and 484.3794, that portion of the sentence imposed that exceeds the mandatory minimum. A prosecuting attorney shall not dismiss a charge of violating the provisions of NRS 484.379 ***or section 22 of this act*** in exchange for a plea of guilty or nolo contendere to a lesser charge or for any other reason unless he knows or

it is obvious that the charge is not supported by probable cause or cannot be proved at the time of trial.

5. This discretion must be exercised after considering all the circumstances surrounding the offense, and the family and employment of the offender, but any sentence of 30 days or less must be served within 6 months after the date of conviction or, if the offender was sentenced pursuant to NRS 484.37937 or 484.3794 and the suspension of his sentence was revoked, within 6 months after the date of revocation. 6. Jail sentences simultaneously imposed pursuant to this section and NRS 482.456, 483.560 or 485.330 must run consecutively.

8. If the defendant was transporting a person who is less than 15 years of age in the motor vehicle at the time of the violation, the court shall consider that fact as an aggravating factor in determining the sentence of the defendant.

9. For the purpose of determining whether one offense occurs within 7 years of another offense, any period of time between the two offenses during which, for any such offense, the offender is imprisoned, serving a term of residential confinement, confined in a treatment facility, on parole or on probation must be excluded.

Sec. 26. NRS 484.3794 is hereby amended to read as follows:

484.3794 1. An offender who is found guilty of a violation of NRS 484.379 ***or section 22 of this act*** that is punishable pursuant to paragraph (b) of subsection 1 of NRS 484.3792 may, at that time or any time before he is sentenced, apply to the court to undergo a program of treatment for alcoholism or drug abuse which is certified by the Health Division of the Department of Health and Human Services for at least 1 year if:

3. At the hearing on the application for treatment, the prosecuting attorney may present the court with any relevant evidence on the matter. If a hearing is not held, the court shall decide the matter upon affidavits and other information before the court.

4. If the court determines that an application for treatment should be granted, the court shall:

during treatment he may be confined in an institution or, at the discretion of the facility, released for treatment or supervised aftercare in the community.

(2) If he is not accepted for treatment by such a facility or he fails to complete the treatment satisfactorily, he shall serve the sentence imposed by the court. Any sentence of imprisonment must be reduced by a time equal to that which he served before beginning treatment.

The following Senate amendment was read:

Amendment No. 803.

SUMMARY—Makes certain changes ~~[to the Clark County Sales and Use Tax Act of 2005.]~~ **concerning sales and use taxes.** (BDR S-1333)

AN ACT relating to taxation; providing for certain reporting requirements and the review of certain expenditures relating to the Clark County Sales and Use Tax Act of 2005; **authorizing the Board of County Commissioners of Nye County to increase the sales and use tax to support public safety services in Nye County;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The Clark County Sales and Use Tax Act of 2005 authorized the Board of County Commissioners of Clark County to impose up to one-half of 1 percent sales and use tax to employ and equip additional police officers for various police departments in Clark County. ~~[This]~~ **Section 1 of this** bill adds a requirement that any governmental entity that authorizes expenditures from the tax revenues for a police department must submit periodic reports to the Legislature concerning the use of that money, and authorizes the Legislative Commission to review and investigate those expenditures.

Sections 3-22 of this bill are modeled on the provisions of the Clark County Sales and Use Tax Act of 2005, and authorize the Board of County Commissioners of Nye County to impose an additional sales tax of up to one-half of 1 percent for the purposes of recruiting, employing and equipping additional firefighters, deputy sheriffs and other public safety personnel and constructing, improving and equipping public safety facilities in Nye County. Any proposed change in the use of the proceeds of the tax must be submitted to the voters and be approved by the Legislature.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

2. The reports required pursuant to this section must be submitted:

(a) On or before:

(1) February 15 for the 3-month period ending on the immediately preceding December 31;

(2) May 15 for the 3-month period ending on the immediately preceding March 31;

(3) August 15 for the 3-month period ending on the immediately preceding June 30; and

(4) November 15 for the 3-month period ending on the immediately preceding September 30; and

(b) On or before August 15 for the 12-month period ending on the immediately preceding June 30.

3. Each report must be submitted on a form provided by the Director of the Legislative Counsel Bureau and include, with respect to the period covered by the report:

(a) The total proceeds received by the respective police department from the sales and use tax imposed pursuant to this Act;

(c) Any other information required to complete the form for the report.

4. The Legislative Commission may review and investigate the reports submitted pursuant to this section and the expenditure of any proceeds pursuant to section 13 of this Act.

Sec. 2. Notwithstanding the provisions of section 1 of this act, the report submitted pursuant to section 1 of this act by a governing body to the

Director of the Legislative Counsel Bureau on or before November 15, 2007, must separately cover:

1. The period beginning on October 1, 2005, and ending on September 30, 2007; and

2. The period beginning on July 1, 2006, and ending on June 30, 2007.

6. A general law cannot be made applicable to the purposes, objects, powers, rights, privileges, immunities, liabilities, duties and disabilities provided in this act because of the demographic, economic and geographic diversity of the local governments of this State, the unique

growth patterns occurring in Nye County and the special financial conditions experienced in the County relating to the need to recruit, employ and equip more public safety personnel and to construct, improve and equip public safety facilities; and

7. The powers, rights, privileges, immunities, liabilities, duties and disabilities provided in this act comply in all respects with any requirement or limitation pertaining thereto and imposed by any constitutional provisions.

Amendment No. 994.

AN ACT relating to the taxation of property; revising the provisions governing certain exemptions from taxes and appeals by taxpayers; revising certain requirements for the assessment of common-interest communities; revising the provisions governing the calculation of certain partial abatements of taxes and the collection of taxes following certain fluctuations in taxable value; requiring the Committee on Local Government Finance to adopt regulations for the allocation of certain reductions in revenue resulting from the partial abatement of taxes; providing limitations upon certain requests for the waiver of interest and penalties imposed for the late payment of taxes; ~~[repealing]~~ **postponing** the prospective expiration of certain provisions for the funding of accounts for the acquisition and improvement of technology in the offices of county assessors; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires each county assessor to provide certain information regarding property taxes on the Internet. (NRS 361.0445) Section 1 of this bill authorizes a county assessor to disseminate, by additional means, certain information to the public concerning the taxation of property.

Existing law provides an exemption from property taxes for any value added to the assessed value of a building by certain qualified systems that provide heating, cooling or electricity. (NRS 361.079) Section 2 of this bill simplifies the administration of this exemption by removing any calculation of the value of such a qualified system from the determination of the assessed value of a building to which the exemption applies.

Existing law provides partial exemptions from property taxes for the property of surviving spouses, blind persons, veterans, disabled veterans and certain veterans' organizations, and provides for annual increases in those exemptions beginning with the 2006-2007 Fiscal Year based upon the increase in the Consumer Price Index from July 2004. (NRS 361.080, 361.085, 361.090, 361.091, 361.095) Sections 3-7 of this bill provide for the commencement of those annual increases during the 2005-2006 Fiscal Year based upon the increase in the Consumer Price Index from July 2003.

Section 7.5 of this bill provides an exemption from property taxes for certain property held by the Archaeological Conservancy.

Section 8 of this bill repeals a $5,000 limitation on the amount of an exemption from property taxes applicable to the funds, furniture, paraphernalia and regalia of certain lodges and other charitable organizations. (NRS 361.135)

Existing law requires the filing of claims for personal tax exemptions on real property, and the initial claim of an organization for a tax exemption on real property, to be filed on or before June 15. (NRS 361.155) Section 9 of this bill extends that deadline to July 5 for real property acquired after June 15 and before July 1.

Existing law provides for the assessment of property taxes for a common-interest community on the community units and not on the common elements of the community. (NRS 361.233) Section 10 of this bill specifies the methodology for determining the taxable value of a parcel that includes such a community unit and clarifies the definitions of "community unit" and "common elements" for this purpose.

Existing law allows taxpayers to appeal the amount of certain assessments of their property to the State Board of Equalization. (NRS 361.360) Section 11 of this bill limits the effect of a change in assessment resulting from such an appeal to the fiscal year for which the assessment was made.

~~[Under existing law, a property owner may protest the payment of taxes claimed to be in excess of the amount justly due and, if the State Board of Equalization denies relief, commence a legal proceeding in any county of this State to recover any overpayment. (NRS 361.420) Existing law authorizes a property owner to consolidate similar suits regarding property in more than one county into a single legal action. (NRS 361.435) Sections 12 and 13 of this bill clarify that these proceedings consist of a judicial review of the decision of the State Board of Equalization and limit the locations where these proceedings may be brought.]~~

Existing law provides for a generally applicable partial abatement of the property taxes levied on property for which an assessed valuation has previously been established or on a remainder parcel of property, based upon the average change in the assessed valuation of property in the county over the last 10 years or twice the increase in the Consumer Price Index for the last year, whichever is greater. (NRS 361.4722) Section 15 of this bill ensures that this partial abatement cannot be less than zero nor greater than 8 percent.

Existing law exempts from certain partial abatements of property taxes certain increases in the taxable value of property following large fluctuations in that value and requires the collection of the resulting taxes due over a period of 3 years. (NRS 361.4725) Section 19 of this bill allows the collection of the amount due in a single year if that amount does not exceed $100 and authorizes the Nevada Tax Commission to exempt from collection any amount which is less than the cost of collection.

Existing law provides formulas for the allocation of reductions in revenue resulting from certain partial abatements of property taxes applicable to property for which the tax rate increases and authorizes the Committee on Local Government Finance to adopt regulations for the administration and interpretation of those formulas. (NRS 361.473, 361.4731, 361.4733) Section 23 of this bill requires the Committee to adopt such regulations as it determines to be appropriate, in accordance with certain specified principles, for the allocation of reductions in revenue resulting from those partial abatements of property taxes. Section 29 of this bill ratifies the regulations previously adopted by the Committee and requires the adoption of additional

regulations not later than December 31, 2007. Section 28 of this bill repeals the existing formulas after the adoption of the additional regulations.

Existing law allows a taxpayer to petition the tax receiver for the review of a determination regarding the applicability of certain partial abatements from property taxes. (NRS 361.4734) Section 25 of this bill requires the submission of the petition on or before January 15 of the fiscal year for which the determination is effective.

Existing law authorizes a county treasurer or county assessor to waive all or part of the interest or penalty due from a person who fails to make a timely payment of property taxes as a result of circumstances beyond his control and who files a statement setting forth the facts of his claim. (NRS 361.4835) Section 26 of this bill requires a person seeking such relief to pay the amount of the taxes due and file the statement within 30 days after that payment is made.

Under existing law, 2 percent of the property taxes collected for each county on personal property and the net proceeds of mines must be deposited into an account for the acquisition and improvement of technology in the office of the county assessor. (NRS 361.530, 362.170) ~~[Sections 27 and 28]~~ **Section 27** of this bill ~~[provide]~~ **provides** for the continuation of this funding **during the next biennium** by ~~[repealing]~~ **postponing** its prospective expiration ~~[on July 1, 2007.]~~ **until June 30, 2009.**

Sec. 11. NRS 361.360 is hereby amended to read as follows:

361.360 1. Any taxpayer aggrieved at the action of the county board of equalization in equalizing, or failing to equalize, the value of his property, or property of others, or a county assessor, may file an appeal with the State Board of Equalization on or before March 10 and present to the State Board of Equalization the matters complained of at one of its sessions. If March 10 falls on a Saturday, Sunday or legal holiday, the appeal may be filed on the next business day.

2. All such appeals must be presented upon the same facts and evidence as were submitted to the county board of equalization in the first instance, unless there is discovered new evidence pertaining to the matter which could not, by due diligence, have been discovered before the final adjournment of the county board of equalization. The new evidence must be submitted in

writing to the State Board of Equalization and served upon the county assessor not less than 7 days before the hearing.

3. Any taxpayer whose real or personal property placed on the unsecured tax roll was assessed after December 15 but before or on the following April 30 may likewise protest to the State Board of Equalization. Every such appeal must be filed on or before May 15. If May 15 falls on a Saturday, Sunday or legal holiday, the appeal may be filed on the next business day. A meeting must be held before May 31 to hear those protests that in the opinion of the State Board of Equalization may have a substantial effect on tax revenues. One or more meetings may be held at any time and place in the State before October 1 to hear all other protests.

4. The State Board of Equalization may not reduce the assessment of the county assessor if:

(a) The appeal involves an assessment on property which the taxpayer has refused or, without good cause, has neglected to include in the list required of him pursuant to NRS 361.265 or ***if the taxpayer*** has refused or, without good cause, has neglected to provide the list to the county assessor; or

(b) The taxpayer has, without good cause, refused entry to the assessor for the purpose of conducting the physical examination authorized by NRS 361.260.

5. ***Any change made in an assessment appealed to the State Board of Equalization is effective only for the fiscal year for which the assessment was made.*** The county assessor shall ***review*** each ~~[year review any]~~ ***such*** change ~~[made in an assessment for the previous fiscal year]~~ and maintain or remove the change as circumstances warrant ~~[.]~~ ***for the next fiscal year.***

6. If the State Board of Equalization determines that the record of a case on appeal from the county board of equalization is inadequate because of an act or omission of the county assessor, the district attorney or the county board of equalization, the State Board of Equalization may remand the case to the county board of equalization with directions to develop an adequate record within 30 days after the remand. The directions must indicate specifically the inadequacies to be remedied. If the State Board of Equalization determines that the record returned from the county board of equalization after remand is still inadequate, the State Board of Equalization may hold a hearing anew on the appellant's complaint or it may, if necessary, contract with an appropriate person to hear the matter, develop an adequate record in the case and submit recommendations to the State Board. The cost of the contract and all costs, including attorney's fees, to the State or the appellant necessary to remedy the inadequate record on appeal are a charge against the county.

Sec. 12. ~~[NRS 361.420 is hereby amended to read as follows:~~

~~361.420 1. Any property owner whose taxes are in excess of the amount which the owner claims justly to be due may pay each installment of taxes as it becomes due under protest in writing. The protest must be in the~~

~~form of a separate, signed statement from the property owner and filed with the tax receiver at the time of the payment of the installment of taxes.~~

~~2. The property owner, having protested the payment of taxes as provided in subsection 1 and having been denied relief by the State Board of Equalization, may [commence a suit] *file for the judicial review of the decision of the State Board of Equalization* in any court of competent jurisdiction in the [State of Nevada] *county in which the taxes were paid* against the State and county in which the taxes were paid, and, in a proper case, both the Nevada Tax Commission and the Department may be joined as a defendant for a recovery of the difference between the amount of taxes paid and the amount which the owner claims justly to be due, and the owner may complain upon any of the grounds contained in subsection 4.~~

~~3. Every action commenced under the provisions of this section must be commenced within 3 months after the date of the payment of the last installment of taxes, and if not so commenced is forever barred. If the tax complained of is paid in full and under the written protest provided for in this section, at the time of the payment of the first installment of taxes, suit for the recovery of the difference between the amount paid and the amount claimed to be justly due must be commenced within 3 months after the date of the full payment of the tax or the issuance of the decision of the State Board of Equalization denying relief, whichever occurs later, and if not so commenced is forever barred.~~

~~4. In any suit brought under the provisions of this section, the person assessed may complain or defend upon any of the following grounds:~~

~~(a) That the taxes have been paid before the suit;~~

~~(b) That the property is exempt from taxation under the provisions of the revenue or tax laws of the State, specifying in detail the claim of exemption;~~

~~(c) That the person assessed was not the owner and had no right, title or interest in the property assessed at the time of assessment;~~

~~(d) That the property is situate in and has been assessed in another county, and the taxes thereon paid;~~

~~(e) That there was fraud in the assessment or that the assessment is out of proportion to and above the taxable cash value of the property assessed;~~

~~(f) That the assessment is out of proportion to and above the valuation fixed by the Nevada Tax Commission for the year in which the taxes were levied and the property assessed; or~~

~~(g) That the assessment complained of is discriminatory in that it is not in accordance with a uniform and equal rate of assessment and taxation, but is at a higher rate of the taxable value of the property so assessed than that at which the other property in the State is assessed.~~

~~5. In a suit based upon any one of the grounds mentioned in paragraphs (e), (f) and (g) of subsection 4, the court shall conduct the trial without a jury and confine its review to the record before the State Board of Equalization. Where procedural irregularities by the Board are alleged and are not shown in the record, the court may take evidence respecting the allegation and, upon~~

~~the request of either party, shall hear oral argument and receive written briefs on the matter.~~

~~6. In all cases mentioned in this section where the complaint is based upon any grounds mentioned in subsection 4, the entire assessment must not be declared void but is void only as to the excess in valuation.~~

~~7. In any judgment recovered by the taxpayer under this section, the court may provide for interest thereon not to exceed 6 percent per annum from and after the date of payment of the tax complained of.~~] **(Deleted by amendment.)**

Sec. 17. NRS 361.4723 is hereby amended to read as follows:

361.4723 The Legislature hereby finds and declares that an increase in the tax bill of the owner of a home by more than 3 percent over the tax bill of that homeowner for the previous year constitutes a severe economic hardship within the meaning of subsection 10 of Section 1 of Article 10 of the Nevada Constitution. The Legislature therefore directs a partial abatement of taxes for such homeowners as follows:

1. Except as otherwise provided in or required to carry out the provisions of subsection 2 and NRS 361.4725 to 361.4728, inclusive, the owner of a single-family residence which is the primary residence of the owner is entitled to a partial abatement of the ad valorem taxes levied in a county on that property each fiscal year equal to the amount by which the product of the combined rate of all ad valorem taxes levied in that county on the property for that fiscal year and the amount of the assessed valuation of the property which is taxable in that county for that fiscal year, excluding any increase in the assessed valuation of the property from the immediately preceding fiscal year as a result of any improvement to or change in the actual or authorized use of the property, exceeds the sum obtained by adding:

4. The Nevada Tax Commission shall adopt such regulations as it deems appropriate to carry out this section, including, without limitation, regulations providing a methodology for applying the partial abatement provided pursuant to subsection 1 to a parcel of real property of which only a portion qualifies as a single-family residence which is the primary residence of the owner and the remainder is used in another manner.

Sec. 18. NRS 361.4724 is hereby amended to read as follows:

361.4724 The Legislature hereby finds and declares that many Nevadans who cannot afford to own their own homes would be adversely affected by large unanticipated increases in property taxes, as those tax increases are passed down to renters in the form of rent increases and therefore the benefits of a charitable exemption pursuant to subsection 8 of Section 1 of Article 10 of the Nevada Constitution should be afforded to those Nevadans through an abatement granted to the owners of residential rental dwellings who charge rent that does not exceed affordable housing standards for low-income housing. The Legislature therefore directs a partial abatement of taxes for such owners as follows:

1. Except as otherwise provided in or required to carry out the provisions of subsection 2 and NRS 361.4725 to 361.4728, inclusive, if the amount of rent collected from each of the tenants of a residential dwelling does not exceed the fair market rent for the county in which the dwelling is located, as most recently published by the United States Department of Housing and Urban Development, the owner of the dwelling is entitled to a partial abatement of the ad valorem taxes levied in a county on that property for each fiscal year equal to the amount by which the product of the combined rate of all ad valorem taxes levied in that county on the property for that fiscal year and the amount of the assessed valuation of the property which is taxable in that county for that fiscal year, excluding any increase in the assessed valuation of the property from the immediately preceding fiscal year as a result of any improvement to or change in the actual or authorized use of the property, exceeds the sum obtained by adding:
