Amendment No. 94.

AN ACT relating to property; providing for the automatic transfer of ownership of certain vehicles and motorboats to designated beneficiaries on the death of the owner of such a vehicle or motorboat; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for nonprobate transfers of certain property from the owner to a named beneficiary, including, without limitation, nonprobate transfers of registered securities and securities registered in beneficiary form. (NRS 111.480-111.650) Section 1 of this bill amends chapter 482 of NRS which governs the licensing and registration of motor vehicles to provide that certain owners who hold certificates of title to registered motor vehicles, trailers or semitrailers may apply to the Department of Motor Vehicles for a certificate of title in beneficiary form which directs the Department to transfer the title to the designated beneficiary on the death of the present owner or on the deaths of all joint owners. Section 1 also provides procedures for obtaining and revoking a certificate of title in beneficiary form. In addition, section 1 specifies that a transfer of ownership made by a certificate of title in beneficiary form is not subject to the statutes generally governing probate matters.

Section 5 of this bill similarly amends chapter 488 of NRS which governs the licensing and registration of motorboats so that certain owners who hold certificates of ownership to numbered and titled motorboats may apply to the Department of Wildlife for a certificate of ownership in beneficiary form which directs the Department to transfer the ownership to the designated beneficiary on the death of the present owner or on the deaths of all joint owners. Section 5 also provides procedures for obtaining and revoking a certificate of ownership in beneficiary form. (b) "Certificate of title in beneficiary form" means a certificate of title of a motor vehicle, trailer or semitrailer that indicates the present owner or owners of the motor vehicle, trailer or semitrailer and designates a beneficiary.

Sec. 2. NRS 482.245 is hereby amended to read as follows:

482.245 1. The certificate of registration must contain upon the face thereof the date issued, the registration number assigned to the vehicle, the name and address of the registered owner, the county where the vehicle is to be based unless it is deemed to have no base, a description of the registered vehicle and such other statement of facts as may be determined by the Department.

2. The certificate of title must contain upon the face thereof the date issued, the name and address of the registered owner and the owner or lienholder, if any, a description of the vehicle, any entries required by NRS 482.423 to 482.428, inclusive, a reading of the vehicle's odometer as provided to the Department by the person making the sale or transfer, the word "rebuilt" if it is a rebuilt vehicle ***, the information required pursuant to subsection 3 of section 1 of this act if the certificate of title is a certificate of title in beneficiary form pursuant to section 1 of this act*** and such other

statement of facts as may be determined by the Department. The reverse side of the certificate of title must contain forms for notice to the Department of a transfer of the title or interest of the owner or lienholder and application for registration by the transferee. If a new certificate of title is issued for a vehicle, it must contain the same information as the replaced certificate, except to the extent that the information has changed after the issuance of the replaced certificate. Except as otherwise required by federal law, the certificate of title of a vehicle which the Department knows to have been stolen must not contain any statement or other indication that the mileage specified in the certificate or registered on the odometer is anything other than the actual mileage traveled by the vehicle, in the absence of proof that the odometer of the vehicle has been disconnected, reset or altered.

Sec. 3. NRS 482.400 is hereby amended to read as follows:

482.400 1. Except as otherwise provided in this subsection and subsections 2, 5 and 6, ***and section 1 of this act,*** upon a transfer of the title to, or the interest of an owner in, a vehicle registered or issued a certificate of title under the provisions of this chapter, the person or persons whose title or interest is to be transferred and the transferee shall write their signatures with pen and ink upon the certificate of title issued for the vehicle, together with the residence address of the transferee, in the appropriate spaces provided upon the reverse side of the certificate. The Department may, by regulation, prescribe alternative methods by which a signature may be affixed upon a manufacturer's certificate of origin or a manufacturer's statement of origin issued for a vehicle. The alternative methods must ensure the authenticity of the signatures.

2. The Department shall provide a form for use by a dealer for the transfer of ownership of a vehicle. The form must be produced in a manner which ensures that the form may not be easily counterfeited. Upon the attachment of the form to a certificate of title issued for a vehicle, the form becomes a part of that certificate of title. The Department may charge a fee not to exceed the cost to provide the form.

3. Except as otherwise provided in subsections 4, 5 and 6, the transferee shall immediately apply for registration as provided in NRS 482.215 and shall pay the governmental services taxes due.

4. If the transferee is a dealer who intends to resell the vehicle, he is not required to register, pay a transfer or registration fee for, or pay a governmental services tax on the vehicle. When the vehicle is resold, the purchaser shall apply for registration as provided in NRS 482.215 and shall pay the governmental services taxes due.

5. If the transferee consigns the vehicle to a wholesale vehicle auctioneer:

(a) The transferee shall, within 30 days after that consignment, provide the wholesale vehicle auctioneer with the certificate of title for the vehicle, executed as required by subsection 1, and any other documents necessary to obtain another certificate of title for the vehicle.

(b) The wholesale vehicle auctioneer shall be deemed a transferee of the vehicle for the purposes of subsection 4. The wholesale vehicle auctioneer is not required to comply with subsection 1 if he:

(1) Does not take an ownership interest in the vehicle;

(2) Auctions the vehicle to a vehicle dealer or automobile wrecker who is licensed as such in this or any other state; and

(3) Stamps his name, his identification number as a vehicle dealer and the date of the auction on the certificate of title and the bill of sale and any other documents of transfer for the vehicle.

6. A charitable organization which intends to sell a vehicle which has been donated to the organization must deliver immediately to the Department or its agent the certificate of registration and the license plate or plates for the vehicle, if the license plate or plates have not been removed from the vehicle. The charitable organization must not be required to register, pay a transfer or registration fee for, or pay a governmental services tax on the vehicle. When the vehicle is sold by the charitable organization, the purchaser shall apply for registration as provided in NRS 482.215 and pay the governmental services taxes due.

7. As used in this section, "wholesale vehicle auctioneer" means a dealer who:

(a) Is engaged in the business of auctioning consigned motor vehicles to vehicle dealers or automobile wreckers, or both, who are licensed as such in this or any other state; and

(b) Does not in the ordinary course of his business buy, sell or own the vehicles he auctions.

Sec. 4. NRS 482.420 is hereby amended to read as follows:

482.420 1. Except as ***otherwise*** provided in subsection 2, in the event of the transfer by operation of law of the title or interest of an owner in and to a vehicle as upon inheritance, devise or bequest, order in bankruptcy or insolvency, execution sale, repossession upon default in performing the terms of a lease or executory sales contract, ***transfer on death pursuant to section 1 of this act,*** or otherwise, the registration thereof ~~[shall expire]~~ ***expires*** and the vehicle ~~[shall]~~ ***must*** not be operated upon the highways until and unless the person entitled thereto shall apply for and obtain the registration thereof.

An administrator, executor, trustee or other representative of the owner, or a sheriff or other officer, or any person repossessing the vehicle under the terms of a conditional sales contract, lease ~~[,]~~ or other security agreement, or the assignee or legal representative of any such person, may operate or cause to be operated any vehicle upon the highways for a distance ~~[of not exceeding]~~ ***not to exceed*** 75 miles from the place of repossession or place where formerly kept by the owner to a garage, warehouse or other place of keeping or storage, either upon displaying upon such vehicle the number plate issued to the former owner or without a number plate attached thereto but under written permission first obtained from the Department or the local police authorities having jurisdiction over such highways, and upon

displaying in plain sight a placard bearing the name and address of the person authorizing and directing such movement and plainly readable from a distance of 100 feet during daylight.

Sec. 5. Chapter 488 of NRS is hereby amended by adding thereto a new section to read as follows:

1. The ~~[registered]~~ ***owner or joint owners of a motorboat may request the Department to issue a certificate of ownership in beneficiary form for the motorboat which includes a directive to the Department to transfer the certificate of ownership upon the death of the owner or upon the death of all joint owners to a beneficiary named on the face of the certificate of ownership.***

2. A request made pursuant to subsection 1 must be submitted on an application made available by the Department and accompanied by the fee for the issuance of a certificate of ownership.

3. A certificate of ownership in beneficiary form may not be issued to a person who holds his interest in a motorboat as a tenant in common with another person.

4. A certificate of ownership in beneficiary form must include after the name of the owner, or after the names of joint owners, the words "transfer on death to" or the abbreviation "TOD" followed by the name of the beneficiary.

5. During the lifetime of a sole owner or before the death of the last surviving joint owner:

(a) The signature or consent of the beneficiary is not required for any transaction relating to a motorboat for which a certificate of ownership in beneficiary form has been issued; and

(b) The certificate of ownership in beneficiary form may be revoked or the beneficiary changed at any time by:

(1) Sale of the motorboat with proper assignment and delivery of the certificate of ownership to another person; or

(2) Filing an application with, and paying a fee to, the Department to reissue the certificate of ownership with no designation of a beneficiary or with the designation of a different beneficiary.

6. The interest of the beneficiary in a motorboat on the death of the sole owner or on the death of the last surviving joint owner is subject to any contract of sale, assignment or ownership or security interest to which the owner or owners of the motorboat were subject during their lifetime.

7. Except as otherwise provided in paragraph (b) of subsection 5, the designation of a beneficiary in a certificate of ownership in beneficiary form may not be changed or revoked by will, any other instrument or a change in circumstances, or otherwise changed or revoked.

8. The Department shall, upon:

(a) Proof of death of one of the owners, of two or more joint owners or of a sole owner;

(b) Surrender of the outstanding certificate of ownership in beneficiary form; and

(c) Application and payment of the fee for a certificate of ownership,

issue a new certificate of ownership for the motorboat to the surviving owner or owners or, if none, to the beneficiary, subject to any security interest.

9. For the purposes of complying with the provisions of subsection 8, the Department may rely on a death certificate, record or report that constitutes prima facie evidence of death.

10. The transfer on death of a motorboat pursuant to this section is not considered as testamentary and is not subject to administration pursuant to the provisions of title 12 of NRS.

11. As used in this section:

(a) "Beneficiary" means a person or persons designated to become the owner or owners of a motorboat on the death of the preceding owner or owners.

(b) "Certificate of ownership in beneficiary form" means a certificate of ownership of a motorboat that indicates the present owner or owners of the motorboat and designates a beneficiary.

Sec. 6. NRS 488.1793 is hereby amended to read as follows:

488.1793 Except as otherwise provided for the creation or transfer of a security interest ~~[,]~~ ***or the transfer on death of a certificate of ownership pursuant to section 5 of this act,*** no transfer of title to or any interest in any motorboat required to be numbered under this chapter is effective until one of the following conditions is fulfilled:

1. The transferor has properly endorsed and delivered the certificate of ownership and has delivered the certificate of number to the transferee as provided in this chapter, and the transferee has, within the prescribed time, delivered the documents to the Department or placed them in the United States mail addressed to the Department with the transfer fee.

2. The transferor has delivered to the Department or placed in the United States mail addressed to the Department the appropriate documents for the transfer of ownership pursuant to the sale or transfer.

Sec. 7. NRS 488.1801 is hereby amended to read as follows:

488.1801 ~~[Any]~~ ***Except for transfers to a beneficiary pursuant to the provisions of section 5 of this act, any*** owner of any motorboat numbered under this chapter who sells or transfers his title or any interest in the motorboat shall within 10 days notify the Department of the sale or transfer and furnish the following information:

Assembly Bill No. 178.

Bill read second time.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 139.

AN ACT relating to energy; revising various provisions relating to net metering; providing for the establishment of the Wind Energy Systems Demonstration Program; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes a customer of an electric utility to use a net metering system on the customer's premises to generate electricity to offset part or all of the customer's requirements for electricity. The net metering system must use renewable energy as its primary source of energy to generate electricity, and the system is allowed to have a generating capacity of not more than 150 kilowatts. (NRS 704.766-704.775)

Section 1 of this bill **provides that one of the purposes and policies of the Legislature in enacting the net metering statutes is to streamline the process for customers of a utility to apply for and install net metering systems.**

Section 1.5 of this bill provides for a general increase in the permissible capacity of net metering systems and allows a customer-generator to use a net metering system of not more than ~~[5,000 kilowatts.]~~ **1 megawatt. However, section 1.5 also places specific limitations on the capacity of net metering systems under certain circumstances.**

Section 2 of this bill ~~[revises the process for a customer-generator to obtain authorization from a utility to engage in net metering.]~~ **requires the Public Utilities Commission of Nevada to adopt regulations regarding a net metering tariff and a standard net metering contract.** Section 3 of this bill changes the method for calculating the value of the electricity generated by certain net metering systems.

Under the Solar Energy Systems Demonstration Program Act, certain entities, such as schools and public agencies, which install solar energy systems are entitled to participate in a demonstration program and receive incentives for such participation. (Chapter 331, Statutes of Nevada 2003, p. 1868) The Solar Energy Systems Demonstration Program Act expires by

limitation on June 30, 2010. (Chapter 2, Statutes of Nevada 2005, 22nd Special Session, p. 90)

Sections 5-29 of this bill enact the Wind Energy Systems Demonstration Program Act, a similar demonstration program for wind energy systems. Under this bill, the Wind Energy Systems Demonstration Program Act expires by limitation on June 30, 2011.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. **NRS 704.766 is hereby amended to read as follows:**

704.766 It is hereby declared to be the purpose and policy of the Legislature in enacting NRS 704.766 to 704.775, inclusive, to:

1. Encourage private investment in renewable energy resources;
2. Stimulate the economic growth of this State; ~~[and]~~
3. Enhance the continued diversification of the energy resources used in this State ~~[.]~~ ***; and***

4. Streamline the process for customers of a utility to apply for and install net metering systems.

~~[Section 1.]~~ ***Sec. 1.5.*** NRS 704.771 is hereby amended to read as follows:

~~[2.]~~ ***(b)*** Has a generating capacity of not more than ~~[150]~~ ~~[5,000 kilowatts;~~

~~3.]~~ ***1 megawatt;***

(c) Is located on the customer-generator's premises;

~~[4.]~~ ***(d)*** Operates in parallel with the utility's transmission and distribution facilities; and

2. The term does not include a facility or energy system for the generation of electricity which has a generating capacity that exceeds the greater of:

(a) The limit on the demand that the class of customer of the customer-generator may place on the system of the utility; or

(b) One hundred fifty percent of the peak demand of the customer.

Sec. 2. NRS 704.773 is hereby amended to read as follows:

704.773 1. A utility shall offer ~~[:~~

~~(a) Develop a net metering tariff and standard net metering contract by which the customers within its service area may engage in]~~ net metering , as set forth in NRS 704.775, to the customer-generators operating within its service area until ~~[as customer generators pursuant to NRS 704.766 to 704.775, inclusive; and~~

~~(b) Make copies of the net metering tariff and standard net metering contract and all other necessary applications and forms to engage in net metering as a customer-generator available:~~

~~(1) Upon request by a customer; and~~

~~(2) Through the Internet in a form that may be downloaded by a customer.~~

~~2. Except as otherwise provided in subsection 3, a utility shall allow a customer to engage in net metering as a customer-generator if the customer:~~

~~(a) Submits completed applications to the utility in accordance with this section and the procedures set forth in the utility's net metering tariff; and~~

~~(b) Enters into an interconnection agreement and net metering contract with the utility.~~

~~3. A utility may deny an application from a customer to engage in net metering as a customer-generator if~~] the cumulative capacity of all such net metering systems ~~[operating within the utility's service area]~~ is equal to ~~[or greater than]~~ 1 percent of the utility's peak capacity.

2. ~~[4. Except as otherwise provided in this subsection, after a customer submits a completed application to a utility to enter into an interconnection agreement, the utility shall process the application and respond to the customer not later than 30 days after the date the utility receives the completed application. If the utility is unable to process the application within the 30-day period, the utility shall notify the customer and the Commission of the reason for the delay and the expected date the process will be completed.~~

~~5. After the customer enters into an interconnection agreement with the utility, the customer must submit to the utility a completed application to begin net metering. The completed application must include the signed interconnection agreement and an electric inspection clearance certificate from the governmental authority having jurisdiction over the location of the net metering system.~~

~~6. Except as otherwise provided in this subsection, after the customer submits a completed application to begin net metering pursuant to subsection 5, the utility shall process the application and respond to the customer within a period not to exceed the lesser of:~~

~~(a) The average time it takes the utility to respond to similarly situated customers requesting new electric service; or~~

~~(b) Thirty days from the date the utility receives the completed application.~~

~~If the utility is unable to process the application within the applicable period, the utility shall notify the customer and the Commission of the reason for the delay and the expected date the process will be completed.~~

~~7.~~] If the net metering system of a customer-generator who accepts the offer of a utility for net metering has a capacity of not more than ~~[30]~~ ~~[1,000]~~ ***100*** kilowatts, the utility:

(a) Shall offer to make available to the customer-generator an energy meter that is capable of registering the flow of electricity in two directions.

(b) May, at its own expense and with the written consent of the customer-generator, install one or more additional meters to monitor the flow of electricity in each direction.

(c) Shall not charge a customer-generator any fee or charge that would increase the customer-generator's minimum monthly charge to an amount greater than that of other customers of the utility in the same rate class as the customer-generator.

3. If the net metering system of a customer-generator who accepts the offer of a utility for net metering has a capacity of more than ~~[30]~~ ***100*** kilowatts, the utility ~~[may:~~

~~(a) Require]~~ ***:***

(a) May require the customer-generator to install at its own cost ~~[an]~~ ***:***

(1) An energy meter that is capable of measuring generation output and customer load ~~[.]~~ ***; and***

(2) Any upgrades to the system of the utility that are required to make the net metering system compatible with the system of the utility.

(b) ~~[Charge]~~ ***Except as otherwise provided in paragraph (c), may charge*** the customer-generator any applicable fee or charge charged to other customers of the utility in the same rate class as the customer-generator, including, without limitation, customer, demand and facility charges.

(c) Shall not charge the customer-generator any standby charge.

4. The Commission shall adopt regulations prescribing the form and substance for a net metering tariff and a standard net metering contract. The regulations must include, without limitation:

(a) The particular provisions, limitations and responsibilities of a customer-generator which must be included in a net metering tariff with regard to:

(1) Metering equipment;

(2) Net energy metering and billing; and

(3) Interconnection,

based on the allowable size of the net metering system.

(b) The particular provisions, limitations and responsibilities of a customer-generator and the utility which must be included in a standard net metering contract.

(c) A timeline for processing applications and contracts for net metering applicants.

(d) Any other provisions the Commission finds necessary to carry out the provisions of NRS 704.766 to 704.775, inclusive.

Sec. 3. NRS 704.775 is hereby amended to read as follows:

704.775 1. The billing period for net metering must be a monthly period.

2. ~~[If a customer-generator's net metering system has a capacity of not more than] [30] [1,000 kilowatts, the]~~ ***The*** net energy measurement must be calculated in the following manner:

(a) The utility shall measure, ~~[:~~

~~(1) Measure,]~~ in kilowatt-hours, the net electricity produced or consumed ~~[amount of electricity supplied by the utility to the customer-generator]~~ during the billing period , in accordance with normal metering practices. ~~[and calculate its value using the tariff or contract that would be applicable if the customer-generator did not use a net metering system; and~~

~~(2) Measure, in kilowatt hours, the amount of electricity generated by the customer-generator which is fed back to the utility during the billing period and calculate its value at a rate that is consistent with the rate used to calculate the value of the electricity supplied by the utility. If the customer-generator is billed for electricity pursuant to a time-of-use rate schedule, the value of the electricity generated by the customer-generator must be calculated at the same price per kilowatt hour which the utility would charge the customer-generator for each kilowatt hour of usage by the customer-generator during that same time-of-use period.]~~

(b) If the ~~[value of the]~~ electricity supplied by the utility exceeds the ~~[value of the]~~ electricity generated by the customer-generator which is fed back to the utility during the billing period, the customer-generator must be billed for the net ~~[value of the]~~ electricity supplied by the utility.

(c) If the ~~[value of the]~~ electricity generated by the customer-generator which is fed back to the utility exceeds the ~~[value of the]~~ electricity supplied by the utility during the billing period:

(1) Neither the utility nor the customer-generator is entitled to compensation for ~~[the value of]~~ ***the*** electricity provided to the other during the billing period.

(2) The ~~[value of the]~~ excess electricity which is fed back to the utility during the billing period is carried forward to the next billing period as an addition to the kilowatt - hours ~~[value of the electricity]~~ generated by the customer-generator in ~~[during]~~ that ~~[next]~~ billing period. If the customer-generator is billed for electricity pursuant to a time-of-use rate schedule, the excess electricity carried forward must be added to the same time-of-use period as the time-of-use period in which it was generated unless the subsequent billing period lacks a corresponding time-of-use period. In that case, the excess electricity carried forward must be apportioned evenly among the available time-of-use periods.

(3) Excess ~~[or as a subtraction from the value of the electricity supplied by the utility during that next billing period, whichever is more appropriate.~~

~~(3) The value of the excess]~~ electricity may be carried forward to subsequent billing periods indefinitely, but a customer-generator is not entitled to receive compensation for any ~~[portion of the value of the]~~ excess electricity that remains if:

(I) The net metering system ceases to operate or is disconnected from the utility's transmission and distribution facilities;

(II) The customer-generator ceases to be a customer of the utility at the premises served by the net metering system; or

(III) The customer-generator transfers the net metering system to another person.

(4) The ***value of the*** excess electricity ~~[, measured in kilowatt hours, which is fed back to the utility shall be deemed to be electricity that the utility generated or acquired from a renewable energy system for the purposes of complying with its portfolio standard pursuant to NRS 704.7801 to 704.7828, inclusive.~~

~~3. If a customer-generator's net metering system has a capacity of more than~~ [30] ~~[1,000 kilowatts, the net energy measurement must be calculated in the following manner:~~

~~(a) The utility shall:~~

~~(1) Measure, in kilowatt hours, the amount of electricity supplied by the utility to the customer-generator during the billing period and calculate its value using the tariff or contract that would be applicable if the customer-generator did not use a net metering system; and~~

~~(2) Measure, in kilowatt hours, the amount of electricity generated by the customer-generator which is fed back to the utility during the billing period and calculate its value at a rate that is consistent with the rate used to calculate the value of the electricity supplied by the utility.~~

~~(b) If the value of electricity supplied by the utility exceeds the value of the electricity generated by the customer-generator which is fed back to the utility during the billing period, the customer-generator must be billed for the net value of the electricity supplied by the utility.~~

~~(c) If the value of the electricity generated by the customer-generator which is fed back to the utility exceeds the value of the electricity supplied by the utility during the billing period:~~

~~(1) Neither the utility nor the customer-generator is entitled to compensation for the value of the electricity provided to the other during the billing period.~~

~~(2) The value of the excess electricity:~~

~~(I) Must not be shown as a credit on the customer-generator's bill for that billing period but must be reflected as a credit that is carried forward to offset the value of the electricity supplied by the utility during a subsequent billing period. At the discretion of the utility, the credit may be in a dollar amount or in kilowatt-hours. If the credit is reflected as excess electricity and the customer-generator is billed for electricity pursuant to a time-of-use rate schedule, the excess electricity carried forward must be added to the same time-of-use period as the time-of-use period in which it was generated unless the subsequent billing period lacks a corresponding time-of-use period. In that case, the excess electricity carried forward must be apportioned evenly among the available time-of-use periods. Excess electricity may be carried~~

~~forward to subsequent billing periods indefinitely, but a customer-generator is not entitled to receive compensation for any excess electricity that remains if the net metering system ceases to operate or is disconnected from the utility's transmission and distribution facilities, the customer-generator ceases to be a customer of the utility at the premises served by the net metering system or the customer-generator transfers the net metering system to another person.~~

~~(II) Does not reduce any other fee or charge imposed by the utility.~~

~~(3) The excess electricity~~ , measured in kilowatt-hours, ~~which is fed back to the utility~~] ***must not be used to reduce any other fee or charge imposed by the utility.***

3. If the cost of purchasing and installing a net metering system was paid for:

(a) In whole or in part by a utility, the electricity generated by the net metering system shall be deemed to be electricity that the utility generated or acquired from a renewable energy system for the purposes of complying with its portfolio standard pursuant to NRS 704.7801 to 704.7828, inclusive.

(b) Entirely by a customer-generator, the Commission shall issue to the customer-generator portfolio energy credits for use within the system of portfolio energy credits adopted by the Commission pursuant to NRS 704.7821 equal to the electricity generated by the net metering system.

4. A bill for electrical service is due at the time established pursuant to the terms of the contract between the utility and the customer-generator.

Legislative Counsel's Digest:

Existing law provides limitations upon banking in this State by out-of-state depository institutions and out-of-state holding companies. (Chapter 666 of NRS) An exception to these limitations allows the establishment of a branch office or the acquisition of an existing branch of a depository institution in a county whose population is less than 100,000 (currently counties other than Clark and Washoe Counties). (NRS 666.410) ~~[This]~~ **Section 1 of this** bill provides that an out-of-state depository institution that establishes or acquires a branch office pursuant to this exception is still considered an out-of-state depository institution for the purposes of all other provisions limiting interstate banking. **Section 1 also provides that an out-of-state depository institution that has established or acquired, or been approved to establish or acquire, a branch pursuant to this exception may also establish or acquire a branch in a county whose population is 100,000 or more, but only so long as the out-of-state depository institution continues to operate a branch in a county whose population is less than 100,000.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 666.410 is hereby amended to read as follows:

666.410 ***1.*** An out-of-state depository institution without a branch in Nevada or an out-of-state holding company without a depository institution in Nevada may not establish a de novo branch in this State or acquire, through merger or otherwise, a branch of a depository institution in Nevada without acquiring the institution itself or its charter, except that, with the written approval of the Commissioner:

~~[1.]~~ ***(a)*** An out-of-state depository institution without a branch in Nevada ~~[or an out-of-state holding company without a depository institution in Nevada]~~ may establish a branch office or acquire an existing branch in a county whose population is less than 100,000 without acquiring or merging with a Nevada depository institution or a Nevada holding company **.** ~~[; and]~~ ~~[An]~~ ***Except as otherwise provided in subsection 2, an out-of-state depository institution that establishes or acquires a branch office pursuant to this*** ~~[subsection]~~ ***paragraph continues to be considered an out-of-state depository institution without a branch in Nevada for the purposes of all other provisions of this chapter.***

~~[2.]~~ ***(b)*** An out-of-state depository institution without a branch in Nevada which is owned or controlled by a holding company that is entitled to the exemption set forth in section 4(c)(i) of the Bank Holding Company Act of 1956, as amended, 12 U.S.C. § 1843(c)(i), may acquire an existing branch in

Nevada without acquiring or merging with a Nevada depository institution or a Nevada holding company.

2. An out-of-state depository institution that on or before March 31, 2007, has, pursuant to paragraph (a) of subsection 1, established or acquired, or been approved by the Commissioner to establish or acquire, a branch in a county whose population is less than 100,000, may establish or acquire a branch in a county whose population is 100,000 or more so long as the out-of-state depository institution continues to operate a branch in a county whose population is less than 100,000.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 136.

AN ACT relating to manufactured housing; exempting specialty servicemen from the requirement of taking an examination for licensure in certain circumstances; requiring a provider of services to enter into written contracts for any work he provides with each person who is pertinent to the sale, installation and occupancy of a manufactured home; requiring the Manufactured Housing Division of the Department of Business and Industry to adopt national standards and codes for the construction of factory-built housing, manufactured buildings and modular components; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Existing law regulates "specialty servicemen" which are persons who own or are responsible for a business that has a limited scope of work that it may perform on or in a manufactured home, mobile home or commercial coach. (NRS 489.147, 489.305-489.325) Specialty servicemen are required to pass an examination and apply for licensure. (NRS 489.321, 489.325, 489.351) Sections 1-5 of this bill provide that a specialty serviceman may be given a waiver from the examination requirement if he holds another license in this State pursuant to which he performs services that are substantially similar to those that he will perform as a specialty serviceman.

Existing law authorizes a dealer of new manufactured homes to enter into written agreements pursuant to which appropriately licensed providers of service agree to perform work pertinent to the sale, installation and occupancy of a manufactured home. (NRS 489.716) Section 6 of this bill requires such providers of service to enter into written agreements for any work they provide with each person who is pertinent to the sale, installation and occupancy of a manufactured home.

Section 7 of this bill deletes provisions of existing law which set forth standards for the construction, reconstruction and alteration of factory-built housing, manufactured buildings and modular components and instead requires the Manufactured Housing Division to adopt by regulation the nationally recognized standards and codes for such construction, reconstruction and alteration.

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 124.

SUMMARY—Makes various changes concerning billing for, collecting and bringing actions and enforcing judgments for delinquent payments for ~~[services]~~ **hospital care** rendered at a hospital. (BDR 40-819)

AN ACT relating to hospitals; limiting the amount of interest and other charges that hospitals may impose for delinquent payments; revising the limitation on the period for commencing an action against a person who has a delinquent account with a hospital; **revising provisions concerning liens placed upon the award to an injured person to pay for hospitalization**; prohibiting a hospital from assigning a lien on real property obtained in connection with a delinquent payment for services rendered at the hospital; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 5 of this bill provides that a hospital may not ~~[charge interest on an account until at least 30 days after]~~ **proceed with efforts to collect on any amount owed to the hospital, other than copayments and deductibles, if** the person responsible for paying the account has **or may be eligible for insurance benefits or public assistance until the insurance or public program has been billed and the amount owed by the responsible party has been established. Collection efforts and interest may begin not sooner than 30 days after the responsible party has** been sent notice of the amount that he is responsible to pay. ~~[Such a bill must not be sent until the hospital has established the amount that will be paid by any health insurance company or other public program.]~~ Section 5 further limits the amount of interest that a hospital may charge on a delinquent account to prime rate plus 2 percent and prohibits a hospital from imposing any other fees, including, without limitation, collection fees, attorney's fees or any other fees or costs other than **court costs and** attorney's fees awarded by a court.

Section 6 of this bill requires a hospital or other person acting on its behalf to collect any debt for any amount owed **to the hospital** for ~~[health care services]~~ **hospital care** rendered at the hospital in a professional, fair and lawful manner and in accordance with the federal Fair Debt Collection Practices Act.

Existing law establishes certain periods during which an action may be commenced in court which apply when no other statutes specify a different

period. (NRS 11.190) Existing law further provides that the time set forth in that statute is deemed to date from the last transaction. (NRS 11.200) Section 7 of this bill provides that the period for commencing an action against a person to recover payment for any ~~[health care services]~~ **amount owed to a hospital for hospital care** provided to a person at a hospital is not later than 2 years after the date on which any payment that is due for the services is not paid. The period is tolled, however, during any ~~[period]~~ **periods** in which the hospital is awaiting a determination concerning eligibility for or the amount of benefits from an insurer or public program ~~[.]~~ **and during any period in which payments are being made.**

Existing law provides that a lien may be placed upon any amount awarded to an injured person who received hospitalization or his representative for amounts due to a hospital for the reasonable value of hospitalization rendered before the date of the judgment. (NRS 108.590) Section 8 of this bill provides that if the person who received hospitalization has health insurance or may be eligible for public assistance from a public program which may pay all or part of the bill, the lien may not be placed on the award to the injured person until the hospital has established the amount for which the person will be liable. In addition, section 8 provides that the lien may only be for the amount of that liability.

Existing law creates a lien on the real property of a person for unpaid charges incurred at a county or district hospital and establishes certain procedures that must be followed with respect to such liens. (NRS 108.662) Section 9 of this bill prohibits a county or district hospital from assigning, selling or transferring the interest of the hospital in such a lien.

The following amendment was proposed by the Committee on Education:

Amendment No. 253.

AN ACT relating to education; creating a school district for charter schools sponsored by the State Board of Education for federal law purposes; revising provisions governing the closure of a charter school; clarifying certain provisions governing the payments of money to a charter school for the enrollment of certain pupils; revising provisions governing the employment of administrators for a charter school; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the board of trustees of a school district may sponsor charter schools and the State Board of Education may sponsor charter schools. (NRS 386.515) Section 2 of this bill creates a school district to be designated as the Charter School District for State Board-Sponsored Charter Schools. The School District is created for the sole purpose of federal law governing charter schools.

Section 3 of this bill provides that upon closure of a charter school, an administrator of the charter school shall act as a trustee of certain records during the process of closure and for 1 year after the date of closure. If an administrator is not available, the governing body of the charter school shall appoint a qualified person to perform the duties of trustee.

Under existing law, a charter school must accept for enrollment in certain classes, if space is available, children who are otherwise enrolled in a public school or a private school or homeschooled children. (NRS 386.580) Under existing law, these children are included in the count of pupils for the purposes of the basic support guarantee of the State Distributive School Account. (NRS 387.123, 387.1233) Section 5 of this bill clarifies the legislative declaration concerning the formation of charter schools to provide that the declaration does not preclude the payment of money to a charter school for the enrollment of these children in classes at a charter school. (NRS 386.505)

Under existing law, a charter school may employ administrators for the school who meet certain eligibility requirements. (NRS 386.590) Section 6 of this bill revises provisions governing the employment of those administrators and revises the eligibility requirements.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 386 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 and 3 of this act.

Sec. 2. ***There is hereby created a school district to be designated as the Charter School District for State Board-Sponsored Charter Schools. The School District comprises only those charter schools that are sponsored by the State Board. The State Board is hereby deemed the board of trustees of the School District. The School District is created for the sole purpose of providing local educational agency status to the District for purposes of federal law governing charter schools.***

Sec. 3. ***1. Except as otherwise provided in subsection 2, if a charter school ceases to operate voluntarily or upon revocation of its written charter, the governing body of the charter school shall appoint an administrator of the charter school to act as a trustee during the process of the closure of the charter school and for 1 year after the date of closure. The administrator shall assume the responsibility for the records of the:***

(a) Charter school;

(b) Employees of the charter school; and

(c) Pupils enrolled in the charter school.

2. If an administrator for the charter school is no longer available to carry out the duties set forth in subsection 1, the governing body of the charter school shall appoint a qualified person to assume those duties.

Sec. 4. NRS 386.500 is hereby amended to read as follows:

386.500 For the purposes of NRS 386.500 to 386.610, inclusive, ***and sections 2 and 3 of this act,*** a pupil is "at risk" if he has an economic or academic disadvantage such that he requires special services and assistance to enable him to succeed in educational programs. The term includes, without limitation, pupils who are members of economically disadvantaged families, pupils who are limited English proficient, pupils who are at risk of dropping out of high school and pupils who do not meet minimum standards of academic proficiency. The term does not include a pupil with a disability.

Sec. 5. NRS 386.505 is hereby amended to read as follows:

386.505 The Legislature declares that by authorizing the formation of charter schools it is not authorizing:

1. The conversion of an existing public school, home school or other program of home study to a charter school.

2. A means for providing financial assistance for private schools or programs of home study. The provisions of this subsection do not preclude ~~[a]~~ ***:***

(a) A private school from ceasing to operate as a private school and reopening as a charter school in compliance with the provisions of NRS 386.500 to 386.610, inclusive ~~[.]~~ ***, and sections 2 and 3 of this act.***

(b) The payment of money to a charter school for the enrollment of children in classes at the charter school pursuant to subsection 5 of NRS 386.580 who are enrolled in a public school of a school district or a private school or who are homeschooled.

2. A governing body of a charter school shall employ:

(a) If the charter school offers instruction in kindergarten or grade 1, 2, 3, 4, 5, 6, 7 or 8, a licensed teacher to teach pupils who are enrolled in those grades. If required by subsection 3 or 4, such a teacher must possess the qualifications required by 20 U.S.C. § 6319(a).

(c) In addition to the requirements of paragraphs (a) and (b):

(1) If a charter school specializes in arts and humanities, physical education or health education, a licensed teacher to teach those courses of study.

(2) If a charter school specializes in the construction industry or other building industry, licensed teachers to teach courses of study relating to the industry if those teachers are employed full time.

(3) If a charter school specializes in the construction industry or other building industry and the school offers courses of study in computer education, technology or business, licensed teachers to teach those courses of study if those teachers are employed full time.

3. A person who is initially hired by the governing body of a charter school on or after January 8, 2002, to teach in a program supported with money from Title I must possess the qualifications required by 20 U.S.C. § 6319(a). 4. A teacher who is employed by a charter school, regardless of the date of hire, must, on or before July 1, 2006, possess the qualifications required by 20 U.S.C. § 6319(a) if he teaches one or more of the following subjects:

For purposes of determining the salary of the highest paid administrator in a comparable position in the school district, the salary of the superintendent of schools of that school district must not be included in the determination.***

8. A charter school shall not employ a person pursuant to this section if his license to teach or provide other educational services has been revoked or suspended in this State or another state.

~~[8.]~~ ***9.*** On or before November 15 of each year, a charter school shall submit to the Department, in a format prescribed by the Superintendent of Public Instruction, the following information for each licensed employee who is employed by the governing body on October 1 of that year:

Any new contract or renewal of the existing contract with that administrator must comply with subsection 7 of NRS 386.590, as amended by section 6 of this act.**

Assembly called to order at 11:38 a.m.

Madam Speaker presiding.

Roll called.

All present.

Prayer by the Chaplain, Reverend Marie Hanson.

Happiness and love are inseparable; where one goes the other must. To know one is to know the other. Love is limitless. Remember this always. If you notice limits on happiness or thoughts to restrict boundless love, it is only an error. This error is easily corrected. Think again. Let thoughts of joy replace all pain. Love is limitless. It can replace any fear. Let it bring you home to the peace that is yours. Remember this today—once every waking hour or often as you can—love is limitless. Let this truth replace any fear. Quiet your fears and know you cannot fail. For God, being love, is also happiness. Love is limitless. And therefore, so are you. And so it is.

AMEN.

Pledge of allegiance to the Flag.

Assemblyman Oceguera moved that further reading of the Journal be dispensed with, and the Speaker and Chief Clerk be authorized to make the necessary corrections and additions.

Legislative Counsel's Digest:

Under existing law, a taxpayer is entitled to receive interest on an overpayment of taxes. (NRS 360.2935, 360A.110) Section 2 of this bill provides that no interest will be paid on an overpayment of taxes on fuels if the overpayment is made intentionally or carelessly.

Under existing law, if the Department of Motor Vehicles issues a deficiency determination against a taxpayer for underpayment of taxes on fuels, the taxpayer may file a petition for redetermination and seek an oral

hearing on the petition. (NRS 360A.160, 360A.180) Section 3 of this bill changes the hearing to an administrative hearing.

Under existing law, persons licensed under chapter 365 of NRS are required to submit reports and pay excise taxes to the Department for motor vehicle and other fuels subject to that chapter. (NRS 365.170, 365.175) Section 5 of this bill imposes similar requirements on unlicensed persons who collect such excise taxes.

Existing law in chapter 366 of NRS concerning taxes on special fuels includes provisions relating to the confidentiality of records, the unlawful disclosure of information, false or fraudulent reports, and the sealing of fuel pumps. (NRS 366.160, 366.180, 366.710, 366.715) Sections 6-9 of this bill add similar provisions to chapter 365 of NRS concerning taxes on motor vehicle and other fuels.

Under existing law, licenses issued pursuant to chapter 365 of NRS for dealers, suppliers, transporters and exporters are valid until suspended, revoked or cancelled. (NRS 365.304) Section 15 of this bill limits the validity of each such license to 1 year and requires the Department to adopt regulations providing for the renewal of such licenses.

Existing law in chapter 366 of NRS concerning taxes on special fuels includes provisions governing the due date of such taxes. (NRS 366.370)

Section 18 of this bill adds similar provisions to chapter 365 of NRS concerning taxes on motor vehicle and other fuels. (NRS 365.330)

Section 21 of this bill increases the power of the Department and its agents to make examinations and inspections, including the power to stop and inspect motor vehicles that are using or transporting motor vehicle and other fuels, to determine whether all excise taxes due pursuant to chapter 365 of NRS are being properly reported and paid. (NRS 365.500)

Under existing law, persons licensed under chapter 366 of NRS are required to file tax returns and pay excise taxes to the Department for special fuels subject to that chapter. (NRS 366.380, 366.383, 366.386, 366.540) Section 26 of this bill imposes similar requirements on unlicensed persons who collect such excise taxes.

Existing law in chapter 365 of NRS concerning taxes on motor vehicle and other fuels includes provisions relating to the liability of a person for willfully failing to collect or pay excise taxes, the records that must be maintained by retailers, the payment of the costs of prosecuting violations, and the enforcement of the provisions of the chapter by county sheriffs and other peace officers. (NRS 365.351, 365.510, 365.590, 365.610) Sections 27-30 of this bill add similar provisions to chapter 366 of NRS concerning taxes on special fuel.

Under existing law, licenses issued pursuant to chapter 366 of NRS for special fuel dealers, special fuel suppliers, special fuel transporters and special fuel exporters are valid until suspended, revoked or cancelled, and licenses for special fuel users are valid for 1 year. (NRS 366.260) Section 36

of this bill limits the validity of each such license to 1 year and requires the Department to adopt regulations providing for the renewal of such licenses.

Section 46 of this bill revises the provisions in NRS 366.720 that establish various violations and penalties relating to taxes on special fuels by specifying that each day during which such a violation occurs constitutes a separate offense.

Existing law authorizes a county to impose an ad valorem tax for capital projects in the amount of 5 cents per $100 of the assessed valuation of the county. (NRS 354.59815) Section 47 of this bill requires the allocation of 60 percent of the proceeds of any such tax imposed in a county with a population of 400,000 or more (currently Clark County) to the State Highway Fund for use in the construction and maintenance of the public highways in that county.

Existing law authorizes the issuance of special obligation bonds of the State to provide money for highway construction projects, and limits the term of those bonds to not more than 20 years. (NRS 408.273) Section 48 of this bill extends that limitation to not more than 30 years.

Existing law authorizes a short-term lessor of a passenger car to impose a recovery surcharge of 4 percent of the total amount for which the car is leased. (NRS 482.313) Section 49 of this bill mandates the imposition of that fee and requires the deposit of half the proceeds thereof into the State Highway Fund for use in the construction and maintenance of the public highways.

Section 50 of this bill provides for the imposition and payment of a licensing fee for the operation of certain heavyweight vehicles by motor carriers in this State in the amount of 15 cents per mile traveled. Section 52 provides for the prepayment of this licensing fee by a person who obtains a temporary permit to operate such a vehicle in this State. Section 54 provides that any violation of the requirements regarding this licensing fee constitutes a misdemeanor.

Existing law authorizes a purchaser of motor vehicle fuel or special fuel from a supplier to apply to the Department for a permit to defer payment of the taxes to the supplier, and authorizes the supplier to deduct from his tax payments to the Department the amount of such deferred taxes. (NRS 365.326, 365.328, 366.397, 366.540) Sections 42 and ~~[47]~~ **55** of this bill delete or repeal those provisions. Section ~~[47]~~ **55** also repeals NRS 366.360 because its provisions are being added to NRS 366.350 by section 38 of this bill.

Assembly Joint Resolution No. 1.

Resolution read second time.

The following amendment was proposed by the Committee on Elections, Procedures, Ethics, and Constitutional Amendments:

Amendment No. 157.

ASSEMBLY JOINT RESOLUTION—Proposing to amend the Nevada Constitution to provide for forfeiture of public office for three or more violations of ethical duties.

Legislative Counsel's Digest:

Existing law provides that the Governor and other state and judicial officers, except justices of the peace, may be impeached for misdemeanor or malfeasance in office. (Nev. Const. Art. 7, § 2) Justices of the peace are removable from office by the Commission on Judicial Discipline. (Nev. Const. Art. 6, § 21; NRS 1.425-1.4695) Other civil officers are removable from office for malfeasance or nonfeasance pursuant to statutory methods that are separate and distinct from impeachment. (Nev. Const. Art. 7, § 4; NRS 283.300, 283.440) Existing law also provides that each House of the Nevada Legislature shall judge the qualifications of its own members and may expel a member by a two-thirds majority vote. (Nev. Const. Art. 4, § 6)

This resolution proposes to amend the Nevada Constitution to provide that if a public officer commits three or more violations of his ethical duties while holding the same office, that officer shall forfeit his office. Subject to appeal to the courts of this State, such a forfeiture would be automatic and would not require the process of an impeachment. Also, in the case of members of the Nevada Legislature, such a forfeiture would not be limited by the power of each House of the Legislature to judge the qualifications of, punish and expel its own members.

This resolution also provides that the determination of whether a public officer has committed a violation of one or more of his ethical duties is to be made by the Commission on Judicial Discipline for public officers who are members of the Judicial Department, and by the Commission on Ethics or its successor for all other public officers. For the purposes of this proposed new constitutional section providing for forfeiture of office, a violation of the ethical duties of a public officer is defined to mean an act or omission of a serious nature, including, but not limited to, felonies, that indicates the officer ~~[knowingly or]~~ willfully chose to behave in a manner inconsistent with the fact that a public office is a public trust to be held for the sole benefit of the people.

This resolution provides further that the proposed new constitutional section providing for forfeiture of office does not apply with respect to any acts or omissions committed by public officers before the date on which the new constitutional section would take effect.

RESOLVED BY THE ASSEMBLY AND SENATE OF THE STATE OF NEVADA, JOINTLY, That Section 6 of Article 4 of the Nevada Constitution be amended to read as follows:

Sec . ~~[: 6. Each]~~ ***6.***

1. Except as otherwise provided in subsection 2, each House shall judge of the qualifications, elections and returns of its own members, choose its own officers (except the President of the Senate), determine the rules of its proceedings and may punish its members for disorderly conduct, and with the concurrence of two thirds of all the members elected, expel a member.

2. The provisions of this Section do not prohibit the forfeiture of office of a member pursuant to Section 5 of Article 7 of this Constitution.

And be it further

RESOLVED, That Section 21 of Article 6 of the Nevada Constitution be amended to read as follows:

Sec. 21. 1. A justice of the Supreme Court, a district judge, a justice of the peace or a municipal judge may, in addition to the provision of Article 7 for impeachment, be censured, retired, removed or otherwise disciplined by the Commission on Judicial Discipline. Pursuant to rules governing appeals adopted by the Supreme Court, a justice or judge may appeal from the action of the Commission to the Supreme Court, which may reverse such action or take any alternative action provided in this subsection.

2. The Commission is composed of:

(a) Two justices or judges appointed by the Supreme Court;

(b) Two members of the State Bar of Nevada, a public corporation created by statute, appointed by its Board of Governors; and

(c) Three persons, not members of the legal profession, appointed by the Governor.

➥The Commission shall elect a Chairman from among its three lay members.

3. If at any time the State Bar of Nevada ceases to exist as a public corporation or ceases to include all attorneys admitted to practice before the courts of this State, the Legislature shall provide by law, or if it fails to do so the Court shall provide by rule, for the appointment of attorneys at law to the positions designated in this Section to be occupied by members of the State Bar of Nevada.

4. The term of office of each appointive member of the Commission, except the first members, is 4 years. Each appointing authority shall appoint one of the members first appointed for a term of 2 years. If a vacancy occurs, the appointing authority shall fill the vacancy for the unexpired term. An appointing authority shall not appoint more than one resident of any county.

The Governor shall not appoint more than two members of the same political party. No member may be a member of a commission on judicial selection.

5. The Legislature shall establish:

(a) In addition to censure, retirement and removal, the other forms of disciplinary action that the Commission may impose;

(b) The grounds for censure and other disciplinary action that the Commission may impose, including, but not limited to, violations of the provisions of the Code of Judicial Conduct;

(c) The standards for the investigation of matters relating to the fitness of a justice or judge; and

(d) The confidentiality or nonconfidentiality, as appropriate, of proceedings before the Commission, except that, in any event, a decision to censure, retire or remove a justice or judge must be made public.

6. The Supreme Court shall adopt a Code of Judicial Conduct.

7. The Commission shall adopt rules of procedure for the conduct of its hearings and any other procedural rules it deems necessary to carry out its duties.

8. No justice or judge may by virtue of this Section be:

(a) Removed except for willful misconduct, willful or persistent failure to perform the duties of his office or habitual intemperance; or

(b) Retired except for advanced age which interferes with the proper performance of his judicial duties, or for mental or physical disability which prevents the proper performance of his judicial duties and which is likely to be permanent in nature.

9. Any matter relating to the fitness of a justice or judge may be brought to the attention of the Commission by any person or on the motion of the Commission. The Commission shall, after preliminary investigation, dismiss the matter or order a hearing to be held before it. If a hearing is ordered, a statement of the matter shall be served upon the justice or judge against whom the proceeding is brought. The Commission in its discretion may suspend a justice or judge from the exercise of his office pending the determination of the proceedings before the Commission. Any justice or judge whose removal is sought is liable to indictment and punishment according to law. A justice or judge retired for disability in accordance with this Section is entitled thereafter to receive such compensation as the Legislature may provide.

10. If a proceeding is brought against a justice of the Supreme Court, no justice of the Supreme Court may sit on the Commission for that proceeding. If a proceeding is brought against a district judge, no district judge from the same judicial district may sit on the Commission for that proceeding. If a proceeding is brought against a justice of the peace, no justice of the peace from the same township may sit on the Commission for that proceeding. If a proceeding is brought against a municipal judge, no municipal judge from the same city may sit on the Commission for that proceeding. If an appeal is taken from an action of the Commission to the Supreme Court, any justice

who sat on the Commission for that proceeding is disqualified from participating in the consideration or decision of the appeal. When any member of the Commission is disqualified by this subsection, the Supreme Court shall appoint a substitute from among the eligible judges.

11. The Commission may:

(a) Designate for each hearing an attorney or attorneys at law to act as counsel to conduct the proceeding;

(b) Summon witnesses to appear and testify under oath and compel the production of books, papers, documents and records;

(c) Grant immunity from prosecution or punishment when the Commission deems it necessary and proper in order to compel the giving of testimony under oath and the production of books, papers, documents and records; and

(d) Exercise such further powers as the Legislature may from time to time confer upon it.

12. The provisions of this Section do not prohibit the forfeiture of office of a justice or judge pursuant to Section 5 of Article 7 of this Constitution.

And be it further

RESOLVED, That a new section, designated Section 5, be added to Article 7 of the Nevada Constitution to read as follows:

Sec. 5. 1. If a public officer commits three or more violations of his ethical duties while holding the same office, whether or not the violations are committed at the same time or during the same term, that public officer forfeits his office.

relevant body that the public officer has committed one or more violations of his ethical duties.

(e) Each act or omission of a public officer that is part of a continuing course of conduct or arises out of the same occurrence, transaction, event or scheme constitutes a separate violation in determining whether the public officer has committed one or more violations of his ethical duties.

3. The process of forfeiture described in this Section is in addition to and not mutually exclusive as to any other method by which a public officer may be removed from office, including, without limitation:

(a) Impeachment of the Governor and other state and judicial officers pursuant to Sections 1 and 2 of this Article;

(b) Removal of civil officers as provided by law pursuant to Section 4 of this Article;

Assemblyman Mabey moved the adoption of the resolution.

Remarks by Assemblyman Mabey.

Assemblyman Oceguera requested that the following remarks be entered in the Journal.

ASSEMBLYMAN MABEY:

I rise in support of Assembly Concurrent Resolution 19. Mr. Richard Matta is one of the finest teachers I have ever met. Mr. Matta has been a band instructor at Johnson Middle School and the band director for Clark County School District for over 19 years. Fortunately, my children are zoned for Johnson Middle School. Even before my daughters were old enough to attend middle school, I heard many wonderful things about Mr. Matta. When my children finally began to attend middle school I learned why.

My daughter, Alicia, started playing in the beginning band as a sixth grader. When it was time to try out for the jazz band, which met every afternoon, she was accepted. She played the keyboard for the jazz band. I thought, "Well, I have got to go see this." One Wednesday afternoon, which I always took off, I decided to go listen to the jazz band. When I went in there, I was totally amazed. They played much better than junior high kids. They played like high school or college kids. When it was time to go home, they would not go. They would say, "We want to play another song." They would play the song and say, "We want to play another song." Finally, parents started wondering, "Where's my kid? Why aren't they leaving?" They would go in and they would see their kids playing music, loving to be there. I was so impressed with Mr. Matta that he could inspire those kids to do so much, and they all knew that he loved them.

Every Wednesday, I would go to listen to the jazz band play. It was my treat. On one occasion I remember, the jazz band was invited to play for the Clark County Jazz Festival. It was at the amphitheater in Clark County. Mainly, high school and college jazz bands were there as well as some professional players. The middle school was invited to bring their jazz band. When it was their time, I could tell most of the audience felt that this was the time to take a break. I can tell you, when they started to play, people started to listen, and they were so impressed. Mr. Matta could inspire them to higher levels.

When my second daughter started to play, Mr. Matta was diagnosed with non-Hodgkins lymphoma, and I can tell you that he was there every day except for the days that he received his chemotherapy. Coincidentally, one of his first students was one of those physicians that was able to help him with his disease.

Mr. Matta has received many awards. I could mention those, but I won't. Let me read a couple of comments from his students.

"Mr. Matta is so amazing. He is not only a great teacher, but also a great person. I love him so much. He truly loves and cares about each and every one of his students. Not only does he teach us about music, but he teaches us about the real world."

"Mr. Matta is an awesome guy. He always knows how to make your problems better. He is an awesome trumpet player, and I love to hear him play. He not only teaches us about music but also about the real world around us. He cares about all of us and his students and always wishes us safety every time we leave the band room."

Madam Speaker, I know there are many fine teachers, and I wish we could honor them all, but it is my privilege to speak in support of this resolution honoring Mr. Richard Matta. Thank you.

Resolution adopted unanimously.

Assemblyman Mabey moved that all rules be suspended and that Assembly Concurrent Resolution No. 19 be immediately transmitted to the Senate.

Motion carried unanimously.

By Assemblymen Anderson, Allen, Arberry, Atkinson, Beers, Bobzien, Buckley, Carpenter, Christensen, Claborn, Cobb, Conklin, Denis, Gansert, Gerhardt, Goedhart, Goicoechea, Grady, Hardy, Hogan, Horne, Kihuen, Kirkpatrick, Koivisto, Leslie, Mabey, Manendo, Marvel, McClain, Mortenson, Munford, Oceguera, Ohrenschall, Parks, Parnell, Pierce, Segerblom, Settelmeyer, Smith, Stewart, Weber, and Womack; Senators Townsend, Amodei, Beers, Care, Carlton, Cegavske, Coffin, Hardy, Heck, Horsford, Lee, Mathews, McGinness, Nolan, Raggio, Rhoads, Schneider, Titus, Washington, Wiener, and Woodhouse:

Assembly Concurrent Resolution No. 20—Commemorating the 75th anniversary of legalized gaming in Nevada.

WHEREAS, Gambling, both legal and illegal, has played a prominent role in Nevada's history since its frontier days and the days of the Comstock Lode, so much so that Mark Twain noted in his book *Roughing It*, "In Nevada, for a time, the lawyer, the editor, the banker, the chief desperado, the chief gambler, and the saloon keeper, occupied the same level in society, and it was the highest"; and

WHEREAS, Legalization of gaming was a constant source of debate in Nevada, and on March 19, 1931, Assembly Bill No. 98 was introduced by freshman Assemblyman Phil Tobin, a Winnemucca rancher, and was signed into law by Governor Fred Balzar, legalizing wide-open gaming in Nevada; and

WHEREAS, The only requirement for a gaming license was that the applicant be an American citizen, and prison inmates were even allowed to operate casinos within prisons; and

WHEREAS, The first gaming license was given to Mayme Stocker, a woman who had no gaming background, and among the pioneers who contributed to the tremendous growth, popularity and respectability of the gaming industry were Bill Harrah, Howard Hughes and Steve Wynn, who gave gaming a more corporate structure, further legitimizing the industry and making Nevada one of the best places in the nation to live and work; and

WHEREAS, The State Gaming Control Board and the Nevada Gaming Commission were put in place to regulate the gaming industry for the protection of the public; and

WHEREAS, In 2006, more than 51 million people visited Nevada, with the casino resort industry contributing approximately $2.6 billion to the revenue of this State, with the gaming industry accounting for 49 percent of the State's revenue; and

WHEREAS, Gaming companies are among the largest employers in the State, with 11 of the top 20 employers being gaming companies, the gaming industry directly employs nearly 228,000 people, which is approximately 21 percent of the work force of Nevada, and hotel casinos account for 18 percent of the wages paid in Nevada; and

WHEREAS, The efforts of the gaming industry and gaming employees have contributed to making Nevada a better place to live and work by volunteering their time and resources in their communities; now, therefore, be it

RESOLVED BY THE ASSEMBLY OF THE STATE OF NEVADA, THE SENATE CONCURRING, That April 16, 2007, is hereby recognized as the commemoration of the 75th anniversary of legalized gaming in Nevada; and be it further

RESOLVED, That the resort employees are commended for their dedication to their jobs and their contributions to the economic well-being of this State; and be it further

RESOLVED, That the Chief Clerk of the Assembly prepare and transmit a copy of this resolution to the State Gaming Control Board and the Nevada Gaming Commission.

Assemblyman Anderson moved the adoption of the resolution.

Remarks by Assemblymen Anderson, Marvel, and Cobb.

Assemblyman Oceguera requested that the following remarks be entered in the Journal.

ASSEMBLYMAN ANDERSON:

Clearly, the resolution speaks for itself. Seventy-five years of an industry which has been able to reinvent itself so many times over, to make it adaptable, is clearly important for all the citizens of our state. While Mr. Tobin brought the concept forward and the legislation was first passed by this Legislature 75 years ago, he is clearly remembered by all of us as the father of this process. It has had many fathers and mothers, who have kept it alive. In fact, the wages from gaming provides a substantial part of the livelihood for all our citizens. I urge my colleagues to vote for the resolution.

ASSEMBLYMAN MARVEL:

Thank you, Madam Speaker. I rise in support of the resolution. I knew the Tobin family quite well. As a matter of fact, Phil Tobin had an identical twin named Frank. In those days, they were in the old Capitol Building. No one had an office. The legislation was lobbied at the old Senator Hotel. Some of the people said they couldn't tell Phil from Frank. So the two of them had a double-barreled shotgun and were able to get the bill passed. Thank you.

ASSEMBLYMAN COBB:

Thank you, Madam Speaker. I rise in support of ACR 20. To clear the record on my family's name, I wish it to be known that 76 years ago, on March 19, 1931, on Assembly Bill No. 98, two of my great grandfathers served in this Assembly at that time and voted against that bill. I just wanted to admit that they were wrong. Thank you.

Resolution adopted unanimously.

Assemblyman Anderson moved that all rules be suspended and that Assembly Concurrent Resolution No. 20 be immediately transmitted to the Senate.

Motion carried unanimously.

SECOND READING AND AMENDMENT

Assembly Bill No. 1.

Bill read second time.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 279.

SUMMARY—~~[Provides that a geothermal energy system is a renewable energy system for the purposes of]~~ **Revises provisions governing** the portfolio standards established by the Public Utilities Commission of Nevada for certain providers of electric service. (BDR 58-115)

AN ACT relating to energy; providing that ~~[a]~~ **certain** geothermal energy ~~[system that reduces]~~ **systems that reduce** the consumption of electricity or any fossil fuel ~~[is a renewable energy system]~~ **are energy efficiency measures** for purposes of complying with the portfolio standards that are established by the Public Utilities Commission of Nevada for certain providers of electric service; **revising the applicability of the portfolio standards with respect to certain providers of new electric resources;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

To encourage and accelerate the development of new renewable energy projects and to create successful markets for electricity generated by those projects, existing law requires the Public Utilities Commission of Nevada to establish portfolio standards for certain providers of electric service that require the providers to generate, acquire or save a certain amount of electricity each year from portfolio energy systems ~~[.]~~ **or efficiency measures.** (NRS 704.7821) This bill ~~[adds]~~ **provides that certain** geothermal energy systems that reduce the consumption of electricity or any fossil fuel ~~[to the existing list of renewable energy systems, and thereby allows a provider of electric service to use electricity from such a geothermal~~

~~energy system to comply with its portfolio standard.]~~ **constitute energy efficiency measures for the purposes of complying with the portfolio standards. This bill also revises the applicability of the portfolio standards with respect to providers of new electric resources pursuant to chapter 704B of NRS.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. ~~[NRS 704.7815 is hereby amended to read as follows:~~

~~704.7815 "Renewable energy system" means:~~

~~1. A facility or energy system that:~~

~~(a) Uses renewable energy or energy from a qualified energy recovery process to generate electricity; and~~

~~(b) Transmits or distributes the electricity that it generates from renewable energy or energy from a qualified energy recovery process via:~~

~~(1) A power line which is dedicated to the transmission or distribution of electricity generated from renewable energy or energy from a qualified energy recovery process and which is connected to a facility or system owned, operated or controlled by a provider of electric service; or~~

~~(2) A power line which is shared with not more than one facility or energy system generating electricity from nonrenewable energy and which is connected to a facility or system owned, operated or controlled by a provider of electric service.~~

~~2. A solar energy system that reduces the consumption of electricity or any fossil fuel.~~

~~3. *A geothermal energy system that reduces the consumption of electricity or any fossil fuel.*~~

~~*4.* A net metering system used by a customer-generator pursuant to NRS 704.766 to 704.775, inclusive.~~] **(Deleted by amendment.)**

Sec. 2. **NRS 704.7802 is hereby amended to read as follows:**

704.7802 1. "Energy efficiency measure" means any measure designed, intended or used to improve energy efficiency ~~[if:]~~ ***:***

(a) ***If:***

(1) The measure is installed on or after January 1, 2005, at the service location of a retail customer of a provider of electric service in this State;

~~[(b)]~~ ***(2)*** The measure reduces the consumption of energy by the retail customer; and

~~[(c)]~~ ***(3)*** The costs of the acquisition or installation of the measure are directly reimbursed, in whole or in part, by the provider of electric service ~~[.]~~ ***, or by a customer of a provider of new electric resources pursuant to chapter 704B of NRS; or***

(b) Which is a geothermal energy system for the provision of heated water to one or more customers and which reduces the consumption of electricity or any fossil fuel, regardless of when constructed.

2. The term does not include:

(a) Any demand response measure or load limiting measure that shifts the consumption of energy by a retail customer from one period to another period.

(b) Any solar energy system which qualifies as a renewable energy system and which reduces the consumption of electricity or any fossil fuel.

Sec. 3. **NRS 704.7821 is hereby amended to read as follows:**

704.7821 1. For each provider of electric service, the Commission shall establish a portfolio standard. The portfolio standard must require each provider to generate, acquire or save electricity from portfolio energy systems or efficiency measures in an amount that is:

(a) For calendar years 2005 and 2006, not less than 6 percent of the total amount of electricity sold by the provider to its retail customers in this State during that calendar year.

(b) For calendar years 2007 and 2008, not less than 9 percent of the total amount of electricity sold by the provider to its retail customers in this State during that calendar year.

(c) For calendar years 2009 and 2010, not less than 12 percent of the total amount of electricity sold by the provider to its retail customers in this State during that calendar year.

(d) For calendar years 2011 and 2012, not less than 15 percent of the total amount of electricity sold by the provider to its retail customers in this State during that calendar year.

(e) For calendar years 2013 and 2014, not less than 18 percent of the total amount of electricity sold by the provider to its retail customers in this State during that calendar year.

(f) For calendar year 2015 and for each calendar year thereafter, not less than 20 percent of the total amount of electricity sold by the provider to its retail customers in this State during that calendar year.

2. ~~[In]~~ ***Except as otherwise provided in subsection 3, in*** addition to the requirements set forth in subsection 1, the portfolio standard for each provider must require that:

(a) Of the total amount of electricity that the provider is required to generate, acquire or save from portfolio energy systems or efficiency measures during each calendar year, not less than 5 percent of that amount must be generated or acquired from solar renewable energy systems.

(b) Of the total amount of electricity that the provider is required to generate, acquire or save from portfolio energy systems or efficiency measures during each calendar year, not more than 25 percent of that amount may be based on energy efficiency measures. If the provider intends to use energy efficiency measures to comply with its portfolio standard during any calendar year, of the total amount of electricity saved from energy efficiency measures for which the provider seeks to obtain portfolio energy credits pursuant to this paragraph, at least 50 percent of that amount must be saved from energy efficiency measures installed at service locations of residential

customers of the provider, unless a different percentage is approved by the Commission.

(c) If the provider acquires or saves electricity from a portfolio energy system or efficiency measure pursuant to a renewable energy contract or energy efficiency contract with another party:

(1) The term of the contract must be not less than 10 years, unless the other party agrees to a contract with a shorter term; and

(2) The terms and conditions of the contract must be just and reasonable, as determined by the Commission. If the provider is a utility provider and the Commission approves the terms and conditions of the contract between the utility provider and the other party, the contract and its terms and conditions shall be deemed to be a prudent investment and the utility provider may recover all just and reasonable costs associated with the contract.

3. ***The provisions of paragraphs (b) and (c) of subsection 2 do not apply to a provider of new electric resources pursuant to chapter 704B of NRS with respect to its use of an energy efficiency measure that is financed by a customer, or which is a geothermal energy system for the provision of heated water to one or more customers and which reduces the consumption of electricity or any fossil fuel, except that, of the total amount of electricity that the provider is required to generate, acquire or save from portfolio energy systems or efficiency measures during each calendar year, not more than 25 percent of that amount may be based on energy efficiency measures.***

4. If, for the benefit of one or more ~~[of its]~~ retail customers in this State, the provider ***, or the customer of a provider of new electric resources pursuant to chapter 704B of NRS,*** has ***paid for or*** directly reimbursed, in whole or in part, the costs of the acquisition or installation of a solar energy system which qualifies as a renewable energy system and which reduces the consumption of electricity, the total reduction in the consumption of electricity during each calendar year that results from the solar energy system shall be deemed to be electricity that the provider generated or acquired from a renewable energy system for the purposes of complying with its portfolio standard.

~~[4.]~~ ***5.*** The Commission shall adopt regulations that establish a system of portfolio energy credits that may be used by a provider to comply with its portfolio standard.

~~[5.]~~ ***6.*** Except as otherwise provided in subsection ~~[6,]~~ ***7,*** each provider shall comply with its portfolio standard during each calendar year.

~~[6.]~~ ***7.*** If, for any calendar year, a provider is unable to comply with its portfolio standard through the generation of electricity from its own renewable energy systems or, if applicable, through the use of portfolio energy credits, the provider shall take actions to acquire or save electricity pursuant to one or more renewable energy contracts or energy efficiency contracts. If the Commission determines that, for a calendar year, there is not

or will not be a sufficient supply of electricity or a sufficient amount of energy savings made available to the provider pursuant to renewable energy contracts and energy efficiency contracts with just and reasonable terms and conditions, the Commission shall exempt the provider, for that calendar year, from the remaining requirements of its portfolio standard or from any appropriate portion thereof, as determined by the Commission.

~~[7.]~~ ***8.*** The Commission shall adopt regulations that establish:

(a) Standards for the determination of just and reasonable terms and conditions for the renewable energy contracts and energy efficiency contracts that a provider must enter into to comply with its portfolio standard.

(b) Methods to classify the financial impact of each long-term renewable energy contract and energy efficiency contract as an additional imputed debt of a utility provider. The regulations must allow the utility provider to propose an amount to be added to the cost of the contract, at the time the contract is approved by the Commission, equal to a compensating component in the capital structure of the utility provider. In evaluating any proposal made by a utility provider pursuant to this paragraph, the Commission shall consider the effect that the proposal will have on the rates paid by the retail customers of the utility provider.

~~[8.]~~ ***9.*** As used in this section:

(a) "Energy efficiency contract" means a contract to attain energy savings from one or more energy efficiency measures owned, operated or controlled by other parties.

(b) "Renewable energy contract" means a contract to acquire electricity from one or more renewable energy systems owned, operated or controlled by other parties.

(c) "Terms and conditions" includes, without limitation, the price that a provider must pay to acquire electricity pursuant to a renewable energy contract or to attain energy savings pursuant to an energy efficiency contract.

~~[Sec. 2.]~~ ***Sec. 4.*** This act becomes effective on July 1, 2007.

Assemblyman Conklin moved the adoption of the amendment.

Assembly Bill No. 15.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 199.

AN ACT relating to abduction of children; enacting the Uniform Child Abduction Prevention Act; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The Uniform Law Commissioners promulgated the Uniform Child Abduction Prevention Act in 2006. The Act is designed to deter domestic and international child abductions by parents and any persons acting on behalf of

the parents. Because abduction situations will likely involve more than one state, the Act is drafted to be compatible with and to augment the existing mechanisms for interstate jurisdiction and enforcement of orders that are contained in the Uniform Child Custody Jurisdiction and Enforcement Act. (Chapter 125A of NRS)

Section 16 of this bill provides that an action for abduction prevention measures may be brought by a court on its own motion, by a party to a child custody determination, by a person who has a right to seek a child custody determination, by a district attorney or by the Attorney General. Section 17 of this bill provides that the party seeking the abduction prevention measures must file a petition with the court specifying the risk factors for abduction, as well as other biographical information. Section 19 of this bill sets out a wide variety of factors that should be considered in determining whether there is a credible risk that a child will be abducted, such as previous abductions, attempts to abduct the child or threats of abduction, as well as signs of general abuse including domestic violence, negligence or refusal to obey a child custody determination. Section 19 also identifies a wide range of activities that may indicate a planned abduction, such as abandoning employment, liquidating assets, obtaining travel documents or travel tickets, or requesting the child's school or medical records, and recognizes the special problems involved with international child abduction by including several risk factors specifically related to international abduction. **Section 19 further provides that an order must not be issued if the court finds that the conduct of the respondent is intended to avoid imminent harm to the respondent or the child of the respondent.**

Section 20 of this bill provides that if a court determines that a credible risk exists that the child will be abducted, the court may enter an order containing provisions and measures meant to prevent abduction, such as imposing travel restrictions, prohibiting the individual from removing the child from the State or requiring the individual to obtain an order from a foreign country containing identical terms to the child custody determination. If abduction appears imminent, section 21 of this bill provides that a court may issue a warrant to take physical custody of the child. Section 22 of this bill provides that an abduction prevention order is effective until the earliest of the order's expiration, the child's emancipation, the child's 18th birthday or until the order is modified, revoked or vacated.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

(1) Is not a party to the Hague Convention on the Civil Aspects of International Child Abduction and does not provide for the extradition of an abducting parent or for the return of an abducted child;

(2) Is a party to the Hague Convention on the Civil Aspects of International Child Abduction but:

(I) The Hague Convention on the Civil Aspects of International Child Abduction is not in force between the United States and that country;

(II) Is noncompliant according to the most recent compliance report issued by the United States Department of State; or

(III) Lacks legal mechanisms for immediately and effectively enforcing a return order pursuant to the Hague Convention on the Civil Aspects of International Child Abduction;

(4) Has laws or practices that would:

(I) Enable the respondent, without due cause, to prevent the petitioner from contacting the child;

(II) Restrict the petitioner from freely traveling to or exiting from the country because of the petitioner's gender, nationality, marital status or religion; or

(III) Restrict the child's ability legally to leave the country after the child reaches the age of majority because of the child's gender, nationality or religion;

(l) Has used multiple names to attempt to mislead or defraud; or

(m) Has engaged in any other conduct the court considers relevant to the risk of abduction.

2. In the hearing on a petition pursuant to the provisions of this chapter, the court shall consider any evidence that the respondent believed in good faith that the respondent's conduct was necessary to avoid imminent harm to the child or respondent and any other evidence that may be relevant to whether the respondent may be permitted to remove or retain the child.

3. If the court finds during the hearing on the petition that the respondent's conduct is intended to avoid imminent harm to the child or respondent, the court shall not issue an abduction prevention order.

Sec. 20. ***1. If a petition is filed pursuant to the provisions of this chapter, the court may enter an order that must include:***

(a) The basis for the court's exercise of jurisdiction;

(b) The manner in which notice and opportunity to be heard were given to the persons entitled to notice of the proceeding;

(c) A detailed description of each party's custody and visitation rights and residential arrangements for the child;

(d) A provision stating that a violation of the order may subject the party in violation to civil and criminal penalties; and

(e) Identification of the child's country of habitual residence at the time of the issuance of the order.

2. ~~[If,]~~ ***Except as otherwise provided in subsection 3 of section 19 of this act, if, at a hearing on a petition pursuant to the provisions of this chapter or on the court's own motion, the court after reviewing the evidence finds a credible risk of abduction of the child, the court shall enter an abduction prevention order. The order must include the provisions required by subsection 1 and measures and conditions, including those in subsections 3, 4 and 5, that are reasonably calculated to prevent abduction of the child, giving due consideration to the custody and visitation rights of the parties. The court shall consider the age of the child, the potential harm to the child from an abduction, the legal and practical difficulties of returning the child to the jurisdiction if abducted, and the reasons for the potential abduction, including evidence of domestic violence, stalking, or child abuse or neglect.***

3. An abduction prevention order may include one or more of the following:

(a) An imposition of travel restrictions that require that a party traveling with the child outside a designated geographical area provide the other party with the following:

(1) The travel itinerary of the child;

(2) A list of physical addresses and telephone numbers at which the child can be reached at specified times; and

(3) Copies of all travel documents;

(b) A prohibition of the respondent directly or indirectly:

(1) Removing the child from this State, the United States or another geographic area without permission of the court or the petitioner's written consent;

(2) Removing or retaining the child in violation of a child custody determination;

(3) Removing the child from school or a child care or similar facility; or

(4) Approaching the child at any location other than a site designated for supervised visitation;

(c) A requirement that a party register the order in another state as a prerequisite to allowing the child to travel to that state;

(d) With regard to the child's passport:

(1) A direction that the petitioner place the child's name in the United States Department of State's Child Passport Issuance Alert Program;

(2) A requirement that the respondent surrender to the court or the petitioner's attorney any United States or foreign passport issued in the child's name, including a passport issued in the name of both the parent and the child; and

(3) A prohibition upon the respondent from applying on behalf of the child for a new or replacement passport or visa;

(e) As a prerequisite to exercising custody or visitation, a requirement that the respondent provide:

(2) To the court:

(I) Proof that the respondent has provided the information in subparagraph (1); and

(II) An acknowledgment in a record from the relevant foreign consulate or embassy that no passport application has been made, or passport issued, on behalf of the child;

(3) To the petitioner, proof of registration with the United States Embassy or other United States diplomatic presence in the destination country and with the Central Authority for the Hague Convention on the Civil Aspects of International Child Abduction, if that Convention is in

effect between the United States and the destination country, unless one of the parties objects; and

(4) A written waiver pursuant to the provisions of the Privacy Act, 5 U.S.C. § 552a, as amended, with respect to any document, application or other information pertaining to the child authorizing its disclosure to the court and the petitioner; and

(f) Upon the petitioner's request, a requirement that the respondent obtain an order from the relevant foreign country containing terms identical to the child custody determination issued in the United States.

4. In an abduction prevention order, the court may impose conditions on the exercise of custody or visitation that:

(a) Limit visitation or require that visitation with the child by the respondent be supervised until the court finds that supervision is no longer necessary, and order the respondent to pay the costs of supervision;

(b) Require the respondent to post a bond or provide other security in an amount sufficient to serve as a financial deterrent to abduction, the proceeds of which may be used to pay for the reasonable expenses of recovery of the child, including reasonable attorney's fees and costs if there is an abduction; and

(c) Require the respondent to obtain education on the potentially harmful effects to the child from abduction.

5. To prevent imminent abduction of a child, a court may:

(a) Issue a warrant to take physical custody of the child pursuant to section 21 of this act or the law of this State other than this chapter;

(b) Direct the use of law enforcement to take any action reasonably necessary to locate the child, obtain return of the child or enforce a custody determination pursuant to the provisions of this chapter or the law of this State other than this chapter; or

(c) Grant any other relief allowed pursuant to the law of this State other than this chapter.

6. The remedies provided in this chapter are cumulative and do not affect the availability of other remedies to prevent abduction.

Sec. 21. ***1. If a petition pursuant to the provisions of this chapter contains allegations, and the court finds that there is a credible risk that the child is imminently likely to be wrongfully removed, the court may issue an ex parte warrant to take physical custody of the child.***

2. The respondent on a petition pursuant to subsection 1 must be afforded an opportunity to be heard at the earliest possible time after the ex parte warrant is executed, but not later than the next judicial day unless a hearing on that date is impossible. In that event, the court shall hold the hearing on the first judicial day possible.

3. An ex parte warrant pursuant to subsection 1 to take physical custody of a child must:

(a) Recite the facts upon which a determination of a credible risk of imminent wrongful removal of the child is based;

(b) Direct law enforcement officers to take physical custody of the child immediately;

(c) State the date and time for the hearing on the petition; and

(d) Provide for the safe interim placement of the child pending further order of the court.

4. If feasible, before issuing a warrant and before determining the placement of the child after the warrant is executed, the court may order a search of the relevant databases of the National Crime Information Center and similar state databases to determine if either the petitioner or respondent has a history of domestic violence, stalking, or child abuse or neglect.

5. The petition and warrant must be served on the respondent when or immediately after the child is taken into physical custody.

6. A warrant to take physical custody of a child, issued by this State or another state, is enforceable throughout this State. If the court finds that a less intrusive remedy will not be effective, it may authorize law enforcement officers to enter private property to take physical custody of the child. If required by exigent circumstances, the court may authorize law enforcement officers to make a forcible entry at any hour.

7. If the court finds, after a hearing, that a petitioner sought an ex parte warrant pursuant to subsection 1 for the purpose of harassment or in bad faith, the court may award the respondent reasonable attorney's fees, costs and expenses.

8. This chapter does not affect the availability of relief allowed pursuant to the law of this State other than this chapter.

3. If a public utility files with the Commission a general rate application, the public utility shall submit with its application a statement showing the recorded results of revenues, expenses, investments and costs of capital for its most recent 12 months for which data were available when the application was prepared. Except as otherwise provided in subsection 4, in determining whether to approve or disapprove any increased rates, the Commission shall consider evidence in support of the increased rates based upon actual recorded results of operations for the same 12 months, adjusted for increased revenues, any increased investment in facilities, increased expenses for depreciation, certain other operating expenses as approved by the Commission and changes in the costs of securities which are known and are measurable with reasonable accuracy at the time of filing and which will become effective within 6 months after the last month of those 12 months, but the public utility shall not place into effect any increased rates until the

changes have been experienced and certified by the public utility to the Commission and the Commission has approved the increased rates. The Commission shall also consider evidence supporting expenses for depreciation, calculated on an annual basis, applicable to major components of the public utility's plant placed into service during the recorded test period or the period for certification as set forth in the application. Adjustments to revenues, operating expenses and costs of securities must be calculated on an annual basis. Within 90 days after the date on which the certification required by this subsection is filed with the Commission, or within the period set forth in subsection 2, whichever time is longer, the Commission shall make such order in reference to the increased rates as is required by this chapter. An electric utility shall file a general rate application pursuant to this subsection at least once every ~~[24]~~ ***36*** months based on the following schedule:

(a) An electric utility that primarily serves less densely populated counties shall file a general rate application ***not later than 5 p.m.*** on or before ~~[October]~~ ~~[3, 2005,]~~ ~~[1,]~~ ***the first Monday in December 2007,*** and at least once every ~~[24]~~ ***36*** months thereafter.

(b) An electric utility that primarily serves densely populated counties shall file a general rate application ***not later than 5 p.m.*** on or before ~~[November]~~ ~~[15, 2006,]~~ ~~[17,]~~ ***the first Monday in December 2008,*** and at least once every ~~[24]~~ ***36*** months thereafter.

4. In addition to submitting the statement required pursuant to subsection 3, a public utility ~~[which purchases natural gas for resale]~~ may submit with its general rate application a statement showing the effects, on an annualized basis, of all expected changes in circumstances. If such a statement is filed, ~~[by a public utility other than a PAR carrier,]~~ it must include all increases and decreases in revenue and expenses which may occur within 210 days after the date on which its general rate application is filed with the Commission if such expected changes in circumstances are reasonably known and are measurable with reasonable accuracy. ~~[If such a statement is filed by a PAR carrier, it must include all increases or decreases in revenue and expenses which may occur within 180 days after the date on which its general rate application is filed with the Commission if such expected changes in circumstances are reasonably known and are measurable with reasonable accuracy.]~~ If a public utility submits such a statement, the public utility has the burden of proving that the expected changes in circumstances set forth in the statement are reasonably known and are measurable with reasonable accuracy. ***The Commission shall consider expected changes in circumstances to be reasonably known and measurable with reasonable accuracy if the expected changes in circumstances consist of specific and identifiable events or programs rather than general trends, patterns or developments, have an objectively high probability of occurring to the degree, in the amount and at the time expected, are primarily measurable by recorded or verifiable revenues and expenses and are easily and objectively calculated, with the calculation of the expected changes relying***

only secondarily on estimates, forecasts, projections or budgets. If the Commission determines that the public utility has met its burden of proof:

(a) The Commission shall consider the statement submitted pursuant to this subsection and evidence relevant to the statement ***, including all reasonable projected or forecasted offsets in revenue and expenses that are directly attributable to or associated with the expected changes in circumstances under consideration,*** in addition to the statement required pursuant to subsection 3 as evidence in establishing just and reasonable rates for the public utility; and

(b) The public utility is not required to file with the Commission the certification that would otherwise be required pursuant to subsection 3.

5. If a public utility files with the Commission an application to make changes in any schedule and the Commission does not issue a final written order regarding the proposed changes within the time required by this section, the proposed changes shall be deemed to be approved by the Commission.

6. If a public utility files with the Commission a general rate application, the public utility shall not file with the Commission another general rate application until all pending general rate applications filed by that public utility have been decided by the Commission unless, after application and hearing, the Commission determines that a substantial financial emergency would exist if the public utility is not permitted to file another general rate application sooner. The provisions of this subsection do not prohibit the public utility from filing with the Commission, while a general rate application is pending, an application to recover the increased cost of purchased fuel, purchased power, or natural gas purchased for resale pursuant to subsection 7 or an application to clear its deferred accounts pursuant to subsection 9, if the public utility is otherwise authorized by those provisions to file such an application.

7. A public utility may file an application to recover the increased cost of purchased fuel, purchased power, or natural gas purchased for resale once every 30 days. The provisions of this subsection do not apply to:

(a) An electric utility using deferred accounting pursuant to NRS 704.187; or

(b) A public utility which purchases natural gas for resale and which adjusts its rates on a quarterly basis between annual rate adjustment applications pursuant to subsection 8.

8. A public utility which purchases natural gas for resale must request approval from the Commission to adjust its rates on a quarterly basis between annual rate adjustment applications based on changes in the public utility's recorded costs of natural gas purchased for resale. If the Commission approves such a request:

(a) The public utility shall file written notice with the Commission before the public utility makes a quarterly rate adjustment between annual rate adjustment applications. A quarterly rate adjustment is not subject to the

requirements for notice and a hearing pursuant to NRS 703.320 or the requirements for a consumer session pursuant to subsection 1 of NRS 704.069.

(b) The public utility shall provide written notice of each quarterly rate adjustment to its customers by including the written notice with a customer's regular monthly bill. The public utility shall begin providing such written notice to its customers not later than 30 days after the date on which the public utility files its written notice with the Commission pursuant to paragraph (a). The written notice that is included with a customer's regular monthly bill:

(1) Must be printed separately on fluorescent-colored paper and must not be attached to the pages of the bill; and

(2) Must include the following:

(I) The total amount of the increase or decrease in the public utility's revenues from the rate adjustment, stated in dollars and as a percentage;

(II) The amount of the monthly increase or decrease in charges for each class of customer or class of service, stated in dollars and as a percentage;

(III) A statement that customers may send written comments or protests regarding the rate adjustment to the Commission; and

(IV) Any other information required by the Commission.

(c) The public utility shall file an annual rate adjustment application with the Commission. The annual rate adjustment application is subject to the requirements for notice and a hearing pursuant to NRS 703.320 and the requirements for a consumer session pursuant to subsection 1 of NRS 704.069.

(d) The proceeding regarding the annual rate adjustment application must include a review of each quarterly rate adjustment and a review of the transactions and recorded costs of natural gas included in each quarterly rate adjustment and the annual rate adjustment application. There is no presumption of reasonableness or prudence for any quarterly rate adjustment or for any transactions or recorded costs of natural gas included in any quarterly rate adjustment or the annual rate adjustment application, and the public utility has the burden of proving reasonableness and prudence in the proceeding.

(e) The Commission shall not allow the public utility to recover any recorded costs of natural gas which were the result of any practice or transaction that was unreasonable or was undertaken, managed or performed imprudently by the public utility, and the Commission shall order the public utility to adjust its rates if the Commission determines that any recorded costs of natural gas included in any quarterly rate adjustment or the annual rate adjustment application were not reasonable or prudent.

9. Except as otherwise provided in subsection 10 and subsection 5 of NRS 704.100, if an electric utility using deferred accounting pursuant to NRS 704.187 files an application to clear its deferred accounts and to change

one or more of its rates based upon changes in the costs for purchased fuel or purchased power, the Commission, after a public hearing and by an appropriate order:

(a) Shall allow the electric utility to clear its deferred accounts by refunding any credit balance or recovering any debit balance over a period not to exceed 3 years, as determined by the Commission.

(b) Shall not allow the electric utility to recover any debit balance, or portion thereof, in an amount that would result in a rate of return during the period of recovery that exceeds the rate of return authorized by the Commission in the most recently completed rate proceeding for the electric utility.

10. Before allowing an electric utility to clear its deferred accounts pursuant to subsection 9, the Commission shall determine whether the costs for purchased fuel and purchased power that the electric utility recorded in its deferred accounts are recoverable and whether the revenues that the electric utility collected from customers in this State for purchased fuel and purchased power are properly recorded and credited in its deferred accounts. The Commission shall not allow the electric utility to recover any costs for purchased fuel and purchased power that were the result of any practice or transaction that was undertaken, managed or performed imprudently by the electric utility.

11. If an electric utility files an application to clear its deferred accounts pursuant to subsection 9 while a general rate application is pending, the electric utility shall:

(a) Submit with its application to clear its deferred accounts information relating to the cost of service and rate design; and

(b) Supplement its general rate application with the same information, if such information was not submitted with the general rate application.

12. A utility facility identified in a 3-year plan submitted pursuant to NRS 704.741 and accepted by the Commission for acquisition or construction pursuant to NRS 704.751 and the regulations adopted pursuant thereto shall be deemed to be a prudent investment. The utility may recover all just and reasonable costs of planning and constructing such a facility.

13. ~~[A PAR carrier may, in accordance with this section and NRS 704.100, file with the Commission a request to approve or change any schedule to provide volume or duration discounts to rates for telecommunication service for an offering made to all or any class of business customers. The Commission may conduct a hearing relating to the request, which must occur within 45 days after the date the request is filed with the Commission. The request and schedule shall be deemed approved if the request and schedule are not disapproved by the Commission within 60 days after the date the Commission receives the request.~~

Amendment No. 106.

AN ACT relating to the Commission on Ethics; ***requiring the Commission to render certain opinions within a certain period;*** increasing the time within which the Executive Director of the Commission ~~[on Ethics]~~ is required to complete his investigation of the facts and circumstances relating to ~~[a request]~~ ***certain requests*** for an opinion; requiring the Commission to disclose the general status of ***such*** a request for an opinion to the person who made the request; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes a public officer or employee to request from the Commission on Ethics an opinion interpreting the statutory ethical standards and applying those standards to a particular set of facts and circumstances which directly relate to the propriety of his own past, present or future conduct as an officer or employee. (NRS 281.511) This bill requires the Commission to render the opinion within 45 days after receiving the request.

Existing law ***also*** authorizes ~~[a person]~~ ***certain other persons*** to request from the Commission ~~[on Ethics]~~ an opinion interpreting the statutory ethical standards and applying those standards to a particular set of facts and circumstances. Upon receipt of such a request, the Executive Director of the Commission must investigate the facts and circumstances relating to the request and determine whether there is just and sufficient cause for the Commission to render an opinion in the matter. The Executive Director has 45 days after the receipt of the request to investigate and present his recommendation to a panel of the Commission. (NRS 281.511) This bill increases from 45 days to ~~[1 year]~~ ***120 days*** the period given the Executive Director to make his investigation and present his recommendation to a panel of the Commission. This bill also requires the Commission to disclose the general status of ***such*** a request for an opinion to the person who made the request.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 281.511 is hereby amended to read as follows:

281.511 1. The Commission shall render an opinion interpreting the statutory ethical standards and apply the standards to a given set of facts and circumstances ~~[upon]~~ ***within 45 days after receiving a*** request, on a form

prescribed by the Commission, from a public officer or employee who is seeking guidance on questions which directly relate to the propriety of his own past, present or future conduct as an officer or employee. He may also request the Commission to hold a public hearing regarding the requested opinion. If a requested opinion relates to the propriety of his own present or future conduct, the opinion of the Commission is:

(a) Binding upon the requester as to his future conduct; and

(b) Final and subject to judicial review pursuant to NRS 233B.130, except that a proceeding regarding this review must be held in closed court without admittance of persons other than those necessary to the proceeding, unless this right to confidential proceedings is waived by the requester.

2. The Commission may render an opinion interpreting the statutory ethical standards and apply the standards to a given set of facts and circumstances:

(a) Upon request from a specialized or local ethics committee.

(b) Except as otherwise provided in this subsection, upon request from a person, if the requester submits:

(1) The request on a form prescribed by the Commission; and

(2) All related evidence deemed necessary by the Executive Director and the panel to make a determination of whether there is just and sufficient cause to render an opinion in the matter.

(c) Upon the Commission's own motion regarding the propriety of conduct by a public officer or employee. The Commission shall not initiate proceedings pursuant to this paragraph based solely upon an anonymous complaint.

➥ The Commission shall not render an opinion interpreting the statutory ethical standards or apply those standards to a given set of facts and circumstances if the request is submitted by a person who is incarcerated in a correctional facility in this State.

3. Upon receipt of a request for an opinion by the Commission or upon the motion of the Commission pursuant to subsection 2, the Executive Director shall investigate the facts and circumstances relating to the request to determine whether there is just and sufficient cause for the Commission to render an opinion in the matter. The public officer or employee that is the subject of the request may submit to the Executive Director any information relevant to the request. The Executive Director shall complete an investigation and present his recommendation relating to just and sufficient cause to the panel within ~~[45 days]~~ ~~[1 year]~~ ***120 days*** after the receipt of or the motion of the Commission for the request, unless the public officer or employee waives this time limit. If the Executive Director determines after an investigation that just and sufficient cause exists for the Commission to render an opinion in the matter, he shall state such a recommendation in writing, including, without limitation, the specific evidence that supports his recommendation. If, after an investigation, the Executive Director does not determine that just and sufficient cause exists for the Commission to render

an opinion in the matter, he shall state such a recommendation in writing, including, without limitation, the specific reasons for his recommendation. Within 15 days after the Executive Director has provided his recommendation in the matter to the panel, the panel shall make a final determination regarding whether just and sufficient cause exists for the Commission to render an opinion in the matter, unless the public officer or employee waives this time limit. The panel shall not determine that there is just and sufficient cause for the Commission to render an opinion unless the panel has provided the public officer or employee an opportunity to respond to the allegations against him. The panel shall cause a record of its proceedings in each matter to be kept, and such a record must remain confidential until the panel determines whether there is just and sufficient cause for the Commission to render an opinion in the matter.

4. If the panel determines that just and sufficient cause exists for the Commission to render an opinion requested pursuant to this section, the Commission shall hold a hearing and render an opinion in the matter within 30 days after the determination of just and sufficient cause by the panel, unless the public officer or employee waives this time limit.

5. Each request for an opinion that a public officer or employee submits to the Commission pursuant to subsection 1, each opinion rendered by the Commission in response to such a request and any motion, determination, evidence or record of a hearing relating to such a request are confidential unless the public officer or employee who requested the opinion:

(a) Acts in contravention of the opinion, in which case the Commission may disclose the request for the opinion, the contents of the opinion and any motion, evidence or record of a hearing related thereto;

(b) Discloses the request for the opinion, the contents of the opinion, or any motion, evidence or record of a hearing related thereto; or

(c) Requests the Commission to disclose the request for the opinion, the contents of the opinion, or any motion, evidence or record of a hearing related thereto.

6. Except as otherwise provided in this subsection, each document in the possession of the Commission or its staff that is related to a request for an opinion regarding a public officer or employee submitted to or initiated by the Commission pursuant to subsection 2, including, without limitation, the Commission's copy of the request and all materials and information gathered in an investigation of the request, is confidential until the panel determines whether there is just and sufficient cause to render an opinion in the matter. The public officer or employee who is the subject of a request for an opinion submitted or initiated pursuant to subsection 2 may in writing authorize the Commission to make its files, material and information which are related to the request publicly available.

7. Except as otherwise provided in paragraphs (a) and (b), the proceedings of a panel are confidential until the panel determines whether there is just and sufficient cause to render an opinion. A person who:

(a) Requests an opinion from the Commission pursuant to paragraph (b) of subsection 2 may:

(1) At any time, reveal to a third party the alleged conduct of a public officer or employee underlying the request that he filed with the Commission or the substance of testimony, if any, that he gave before the Commission.

(2) After the panel determines whether there is just and sufficient cause to render an opinion in the matter, reveal to a third party the fact that he requested an opinion from the Commission.

(b) Gives testimony before the Commission may:

(1) At any time, reveal to a third party the substance of testimony that he gave before the Commission.

(2) After the panel determines whether there is just and sufficient cause to render an opinion in the matter, reveal to a third party the fact that he gave testimony before the Commission.

8. ***The Commission shall disclose to a person who requests an opinion from the Commission pursuant to paragraph (b) of subsection 2 the general status of his request, including, without limitation, whether the request has been received and an abbreviated summary of the actions that the Commission is taking with regard to the request. The provisions of this subsection do not require the Commission, its officers or members to provide, and do not authorize or entitle a person requesting an opinion to obtain:***

(a) Personally identifying information concerning a person other than the requester of the opinion;

(b) Information that is confidential;

(c) Information that is otherwise protected from disclosure by any other provision of federal or state law; or

(d) Information the release of which, as determined by the Executive Director, would interfere with:

(1) The ability of the Executive Director to conduct an investigation;

(2) The ability of a panel to determine whether there is just and sufficient cause for the Commission to render an opinion; or

(3) The ability of the Commission to render an opinion.

9. Whenever the Commission holds a hearing pursuant to this section, the Commission shall:

(a) Notify the person about whom the opinion was requested of the place and time of the Commission's hearing on the matter;

(b) Allow the person to be represented by counsel; and

(c) Allow the person to hear the evidence presented to the Commission and to respond and present evidence on his own behalf.

➥ The Commission's hearing may be held no sooner than 10 days after the notice is given unless the person agrees to a shorter time.

~~[9.]~~ ***10.*** If a person who is not a party to a hearing before the Commission, including, without limitation, a person who has requested an opinion pursuant to paragraph (a) or (b) of subsection 2, wishes to ask a

question of a witness at the hearing, the person must submit the question to the Executive Director in writing. The Executive Director may submit the question to the Commission if he deems the question relevant and appropriate. This subsection does not require the Commission to ask any question submitted by a person who is not a party to the proceeding.

~~[10.]~~ ***11.*** If a person who requests an opinion pursuant to subsection 1 or 2 does not:

(a) Submit all necessary information to the Commission; and

(b) Declare by oath or affirmation that he will testify truthfully,

➥ the Commission may decline to render an opinion.

~~[11.]~~ ***12.*** For good cause shown, the Commission may take testimony from a person by telephone or video conference.

~~[12.]~~ ***13.*** For the purposes of NRS 41.032, the members of the Commission and its employees shall be deemed to be exercising or performing a discretionary function or duty when taking an action related to the rendering of an opinion pursuant to this section.

~~[13.]~~ ***14.*** A meeting or hearing that the Commission or the panel holds to receive information or evidence concerning the propriety of the conduct of a public officer or employee pursuant to this section and the deliberations of the Commission and the panel on such information or evidence are not subject to the provisions of chapter 241 of NRS.

Amendment No. 138.

AN ACT relating to property; revising the provisions relating to the conversion of a common-interest community; requiring a landlord to provide copies of written rental agreements; revising the provisions relating to the required disclosure of the names and addresses of managers and owners; providing that a dwelling unit is not habitable if it violates ~~[building,]~~ **certain provisions of** housing or health codes; revising provisions relating to the enforceability of an adopted rule or regulation governing a rental agreement; making changes to the provisions relating to a tenant's remedies under certain circumstances; making various other changes relating to residential landlords and tenants; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law sets forth certain requirements for notification of residential tenants and subtenants relating to the conversion of a common-interest

community. (NRS 116.4112) Section 1 of this bill establishes a rebuttable presumption of an intent by the owner to evade such notice requirements if a declaration of conversion is filed within 6 months after a tenant is evicted. Section 1 also provides that a tenant retains his right to receive an offer to convey the unit and to recover damages if he was unlawfully evicted before the declaration was filed.

Existing law sets forth certain requirements relating to a written rental agreement. (NRS 118A.200) Section 2 of this bill requires a landlord to provide to the tenant one free copy of any written agreement entered into by the tenant and landlord. Section 2 also requires a landlord to provide additional copies of any such agreement upon request by the tenant within a reasonable time and for a reasonable fee.

Existing law requires a landlord to disclose the name and address of managers and owners and provides that service of process in any action may be made upon the manager of the property. (118A.260) Section 3 of this bill requires a landlord to provide an address in Nevada for a person authorized to act for and on behalf of the landlord for service of process. Section 3 also allows service of process to be made upon certain persons in addition to the manager. Section 4 of this bill provides that a dwelling unit is not habitable if it violates ~~[any building,]~~ provisions of housing or health codes ~~[.]~~ **concerning the health, safety, sanitation or fitness for habitation of the dwelling unit.** (NRS 118A.290)

Existing law provides that rules and regulations adopted after a tenant enters into a rental agreement are enforceable against the tenant under certain circumstances. (NRS 118A.320) Section 5 of this bill provides **that the adoption** of such rules or regulations ~~[are enforceable before the end of the duration of the agreement only if the tenant consents in writing or if such rules or regulations must be enforced to comply with a change in law and the tenant is given advance notice of the change.]~~ **does not affect the tenant's obligation to pay rent and other charges or the tenant's right under a rental agreement to keep a pet.**

Existing law sets forth various remedies for a tenant when there is a breach of a rental agreement **or a failure by the landlord to maintain the dwelling unit in a habitable condition** and requires a tenant to give notice of such breach **or failure** to the landlord before the tenant may recover damages under certain circumstances. (NRS 118A.350, 118A.380) ~~[Section]~~ **Sections 1.5 and** 6 of this bill **separate the provisions concerning a breach of a rental agreement from the provisions concerning a landlord's failure to maintain a dwelling unit in a habitable condition** ~~[allows]~~ **and allow** a tenant to withhold rent when there is a breach if he gives notice of such breach to the landlord. Sections **1.5,** 6 and 7 of this bill also allow a tenant to withhold rent without giving such notice if the landlord has received a notice of the condition constituting the breach **or failure** from a governmental agency and the landlord fails to remedy or attempt in good faith to remedy the breach or failure within a specified time. ~~[Sections 6 and 7 further~~

~~provide~~] **Section 6 further provides that** a tenant's failure to give notice of a breach does not affect the tenant's ability to recover damages for a violation of the rental agreement.

Existing law provides that a tenant is guilty of an unlawful detainer if he suffers, permits or maintains on or about the premises any nuisance. (NRS 40.2514) Section 8 of this bill requires that such a nuisance must consist of [~~persistent~~] conduct or an ongoing condition that obstructs the free use of property and causes injury and damage for the nuisance to evidence guilt of an unlawful detainer.

Section 9 of this bill makes a technical correction to an internal reference to a statute.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 116.4112 is hereby amended to read as follows:

116.4112 1. A declarant of a common-interest community containing converted buildings, and any dealer who intends to offer units in such a common-interest community, shall give each of the residential tenants and any residential subtenant in possession of a portion of a converted building notice of the conversion and provide those persons with the public offering statement no later than 120 days before the tenants and any subtenant in possession are required to vacate. The notice must set forth generally the rights of tenants and subtenants under this section and must be hand-delivered to the unit or mailed by prepaid United States mail to the tenant and subtenant at the address of the unit or any other mailing address provided by a tenant. No tenant or subtenant may be required to vacate upon less than 120 days' notice, except by reason of nonpayment of rent, waste or conduct that disturbs other tenants' peaceful enjoyment of the premises, and the terms of the tenancy may not be altered during that period. Failure to give notice as required by this section is a defense to an action for possession.

2. For 60 days after delivery or mailing of the notice described in subsection 1, the person required to give the notice shall offer to convey each unit or proposed unit occupied for residential use to the tenant who leases that unit. If a tenant fails to purchase the unit during that 60-day period, the offeror may not offer to dispose of an interest in that unit during the following 180 days at a price or on terms more favorable to the offeree than the price or terms offered to the tenant. This subsection does not apply to any unit in a converted building if that unit will be restricted exclusively to nonresidential use or the boundaries of the converted unit do not substantially conform to the dimensions of the residential unit before conversion.

3. If a seller, in violation of subsection 2, conveys a unit to a purchaser for value who has no knowledge of the violation, the recordation of the deed conveying the unit or, in a cooperative, the conveyance of the unit, extinguishes any right a tenant may have under subsection 2 to purchase that unit if the deed states that the seller has complied with subsection 2, but the

conveyance does not affect the right of a tenant to recover damages from the seller for a violation of subsection 2.

4. If a notice of conversion specifies a date by which a unit or proposed unit must be vacated and otherwise complies with the provisions of NRS 40.251 and 40.280, the notice also constitutes a notice to vacate specified by those sections.

5. This section does not permit termination of a lease by a declarant in violation of its terms.

6. A purchaser shall not evade the provisions of this section by evicting a tenant other than for cause, including the nonpayment of rent, and subsequently recording a declaration pursuant to NRS 116.2101. A declaration that is filed within 6 months of removing a tenant pursuant to NRS 40.255 creates a rebuttable presumption of an intent to evade the provisions of this section which may only be overcome by clear and convincing evidence that the owner did not intend to convert at the time of the notice. A tenant evicted in violation of this subsection:

(a) Retains the right to receive an offer to convey the unit occupied by the tenant pursuant to subsection 2 for 60 days after the declaration; and

(b) May recover damages pursuant to NRS 116.4117.

Sec. 1.5. **Chapter 118A of NRS is hereby amended by adding thereto a new section to read as follows:**

1. Except as otherwise provided in this chapter, if a landlord fails to maintain a dwelling unit in a habitable condition as required by this chapter, the tenant may deliver a written notice to the landlord specifying each failure by the landlord to maintain the dwelling unit in a habitable condition and requesting that the landlord remedy the failures. If a failure is remediable and the landlord adequately remedies the failure or uses his best efforts to remedy the failure within 14 days after receipt of the notice, the tenant may not proceed under this section. If the landlord fails to remedy a material failure to maintain the dwelling unit in a habitable condition or to make a reasonable effort to do so within the prescribed time, the tenant may:

(a) Terminate the rental agreement immediately.

(b) Recover actual damages.

(c) Apply to the court for such relief as the court deems proper under the circumstances.

(d) Withhold any rent that becomes due without incurring late fees, charges for notice or any other charge or fee authorized by this chapter or the rental agreement until the landlord has remedied, or has attempted in good faith to remedy, the failure.

2. The tenant may not proceed under this section:

(a) For a condition caused by his own deliberate or negligent act or omission or that of a member of his household or other person on the premises with his consent; or

(b) If the landlord's inability adequately to remedy the failure or use his best efforts to remedy the failure within 14 days is due to the tenant's refusal to allow lawful access to the dwelling unit as required by the rental agreement or this chapter.

3. If the rental agreement is terminated, the landlord shall return all prepaid rent and security recoverable by the tenant under this chapter.

4. A tenant may not proceed under this section unless he has given notice as required by subsection 1, except that the tenant may, without giving that notice:

(a) Recover damages under paragraph (b) of subsection 1 if the landlord:

(1) Admits to the court that he had knowledge of the condition constituting the failure to maintain the dwelling in a habitable condition; or

(2) Has received written notice of that condition from a governmental agency authorized to inspect for violations of building, housing or health codes.

(b) Withhold rent under paragraph (d) of subsection 1 if the landlord:

(1) Has received written notice of the condition constituting the failure to maintain the dwelling in a habitable condition from a governmental agency authorized to inspect for violations of building, housing or health codes; and

(2) Fails to remedy or attempt in good faith to remedy the failure within the time prescribed in the written notice of that condition from the governmental agency.

Sec. 2. NRS 118A.200 is hereby amended to read as follows:

118A.200 1. Any written agreement for the use and occupancy of a dwelling unit or premises must be signed by the landlord or his agent and the tenant or his agent.

2. ***The landlord shall provide one copy of any written agreement described in subsection 1 to the tenant free of cost at the time the agreement is executed and, upon request of the tenant, provide additional copies of any such agreement to the tenant within a reasonable time. The landlord may charge a reasonable fee for providing the additional copies.***

3. Any written rental agreement must contain, but is not limited to, provisions relating to the following subjects:

(a) Duration of the agreement.

(b) Amount of rent and the manner and time of its payment.

(c) Occupancy by children or pets.

(d) Services included with the dwelling rental.

(e) Fees which are required and the purposes for which they are required.

(f) Deposits which are required and the conditions for their refund.

(g) Charges which may be required for late or partial payment of rent or for return of any dishonored check.

(h) Inspection rights of the landlord.

(i) A listing of persons or numbers of persons who are to occupy the dwelling.

(j) Respective responsibilities of the landlord and the tenant as to the payment of utility charges.

(k) A signed record of the inventory and condition of the premises under the exclusive custody and control of the tenant.

(l) A summary of the provisions of NRS 202.470.

(m) Information regarding the procedure pursuant to which a tenant may report to the appropriate authorities:

(1) A nuisance.

(2) A violation of a building, safety or health code or regulation.

(n) Information regarding the right of the tenant to engage in the display of the flag of the United States, as set forth in NRS 118A.325.

~~[3.]~~ ***4.*** The absence of a written agreement raises a disputable presumption that:

(a) There are no restrictions on occupancy by children or pets.

(b) Maintenance and waste removal services are provided without charge to the tenant.

(c) No charges for partial or late payments of rent or for dishonored checks are paid by the tenant.

(d) Other than normal wear, the premises will be returned in the same condition as when the tenancy began.

~~[4.]~~ ***5.*** It is unlawful for a landlord or any person authorized to enter into a rental agreement on his behalf to use any written agreement which does not conform to the provisions of this section, and any provision in an agreement which contravenes the provisions of this section is void.

Sec. 3. NRS 118A.260 is hereby amended to read as follows:

118A.260 1. The landlord, or any person authorized to enter into a rental agreement on his behalf, shall disclose to the tenant in writing at or before the commencement of the tenancy:

(a) The name and address of:

(1) The persons authorized to manage the premises;

(2) A person ***within this State*** authorized to act for and on behalf of the landlord for the purpose of service of process and receiving notices and demands; and

(3) The principal or corporate owner.

(b) A telephone number at which a responsible person who resides in the county or within 60 miles of where the premises are located may be called in case of emergency.

2. The information required to be furnished by this section must be kept current, and this section is enforceable against any successor landlord or manager of the premises.

3. A party who enters into a rental agreement on behalf of the landlord and fails to comply with this section is an agent of the landlord for purposes of:

(a) Service of process and receiving notices and demands; and

(b) Performing the obligations of the landlord under law and under the rental agreement.

4. In any action against a landlord which involves his rental property, service of process upon the manager of the property ***or a person described in paragraph (a) of subsection 1*** shall be deemed to be service upon the landlord. The obligations of the landlord devolve upon the persons authorized to enter into a rental agreement on his behalf.

5. This section does not limit or remove the liability of an undisclosed landlord.

Sec. 4. NRS 118A.290 is hereby amended to read as follows:

118A.290 1. The landlord shall at all times during the tenancy maintain the dwelling unit in a habitable condition. A dwelling unit is not habitable ***if it violates*** ~~[building,]~~ ***provisions of housing or health codes concerning the health, safety, sanitation or fitness for habitation of the dwelling unit or*** if it substantially lacks:

(i) Ventilating, air-conditioning and other facilities and appliances, including elevators, maintained in good repair if supplied or required to be supplied by the landlord.

(a) The agreement of the parties is entered into in good faith; and

(b) The agreement does not diminish the obligations of the landlord to other tenants in the premises.

3. An agreement pursuant to subsection 2 is not entered into in good faith if the landlord has a duty under subsection 1 to perform the specified repairs, maintenance tasks or minor remodeling and the tenant enters into the agreement because the landlord or his agent has refused to perform them.

Sec. 5. NRS 118A.320 is hereby amended to read as follows:

➥ including fees for inspection, any deposits for connecting utilities, and the cost of taking down, moving, setting up and leveling the manufactured home and its appurtenances in the new lot or park.

3. If the tenant chooses not to move the manufactured home, the manufactured home cannot be moved without being structurally damaged ~~[.]~~ or there is no manufactured home park within 50 miles that is willing to accept the manufactured home, the landlord:

Such an employee is entitled to be a postprobationary employee in the ensuing year of employment.

5. If a probationary employee is notified that he will not be reemployed for the second year of his probationary period or the ensuing school year, his employment ends on the last day of the current school year. If the membership of the governing body changes, the governing body shall provide written notice to

the sponsor of the charter school within 10 working days after such change. A person may serve on the governing body only if he submits an affidavit to the Department indicating that the person:

(a) Has not been convicted of a felony relating to serving on the governing body of a charter school or any offense involving moral turpitude.

(b) Has read and understands material concerning the roles and responsibilities of members of governing bodies of charter schools and other material designed to assist the governing bodies of charter schools, if such material is provided to the person by the Department.

2. The governing body of a charter school is a public body. It is hereby given such reasonable and necessary powers, not conflicting with the Constitution and the laws of the State of Nevada, as may be requisite to attain the ends for which the charter school is established and to promote the welfare of pupils who are enrolled in the charter school.

3. The governing body of a charter school shall, during each calendar quarter, hold at least one regularly scheduled public meeting in the county in which the charter school is located.

4. As used in subsection 1, "teacher" means a person who:

(a) Holds a current license to teach issued pursuant to chapter 391 of NRS; and

(b) Has at least 2 years of experience as an employed teacher.

➥ The term does not include a person who is employed as a substitute teacher.

Sec. 24. NRS 386.560 is hereby amended to read as follows:

386.560 1. The governing body of a charter school may contract with the board of trustees of the school district in which the charter school is located or the Nevada System of Higher Education for the provision of facilities to operate the charter school or to perform any service relating to the operation of the charter school, including, without limitation, transportation ~~[and]~~ **,** the provision of health services for the pupils who are enrolled in the charter school ~~[.]~~ ***and the provision of school police officers.***

2. A charter school may use any public facility located within the school district in which the charter school is located. A charter school may use school buildings owned by the school district only upon approval of the board of trustees of the school district and during times that are not regular school hours.

3. The board of trustees of a school district may donate surplus personal property of the school district to a charter school that is located within the school district.

4. Except as otherwise provided in this subsection, upon the request of a parent or legal guardian of a pupil who is enrolled in a charter school, the board of trustees of the school district in which the charter school is located shall authorize the pupil to participate in a class that is not available to the pupil at the charter school or participate in an extracurricular activity, excluding sports, at a public school within the school district if:

(a) Space for the pupil in the class or extracurricular activity is available; and

(b) The parent or legal guardian demonstrates to the satisfaction of the board of trustees that the pupil is qualified to participate in the class or extracurricular activity.

➥ If the board of trustees of a school district authorizes a pupil to participate in a class or extracurricular activity, excluding sports, pursuant to this subsection, the board of trustees is not required to provide transportation for the pupil to attend the class or activity. The provisions of this subsection do not apply to a pupil who is enrolled in a charter school and who desires to participate on a part-time basis in a program of distance education provided by the board of trustees of a school district pursuant to NRS 388.820 to 388.874, inclusive. Such a pupil must comply with NRS 388.858.

5. Upon the request of a parent or legal guardian of a pupil who is enrolled in a charter school, the board of trustees of the school district in which the charter school is located shall authorize the pupil to participate in sports at the public school that he would otherwise be required to attend within the school district, or upon approval of the board of trustees, any public school within the same zone of attendance as the charter school if:

(a) Space is available for the pupil to participate; and

(b) The parent or legal guardian demonstrates to the satisfaction of the board of trustees that the pupil is qualified to participate.

➥ If the board of trustees of a school district authorizes a pupil to participate in sports pursuant to this subsection, the board of trustees is not required to provide transportation for the pupil to participate.

6. The board of trustees of a school district may revoke its approval for a pupil to participate in a class, extracurricular activity or sports at a public school pursuant to subsections 4 and 5 if the board of trustees or the public school determines that the pupil has failed to comply with applicable statutes, or applicable rules and regulations of the board of trustees, the public school or an association for interscholastic activities. If the board of trustees so revokes its approval, neither the board of trustees nor the public school is liable for any damages relating to the denial of services to the pupil.

Sec. 25. NRS 386.570 is hereby amended to read as follows:

386.570 1. Each pupil who is enrolled in a charter school, including, without limitation, a pupil who is enrolled in a program of special education in a charter school, must be included in the count of pupils in the school district for the purposes of apportionments and allowances from the State Distributive School Account pursuant to NRS 387.121 to 387.126, inclusive, unless the pupil is exempt from compulsory attendance pursuant to NRS 392.070. A charter school is entitled to receive its proportionate share of any other money available from federal, state or local sources that the school or the pupils who are enrolled in the school are eligible to receive. If a charter school receives special education program units directly from this State, the amount of money for special education that the school district pays

to the charter school may be reduced proportionately by the amount of money the charter school received from this State for that purpose.

2. All money received by the charter school from this State or from the board of trustees of a school district must be deposited in a bank, credit union or other financial institution in this State. The governing body of a charter school may negotiate with the board of trustees of the school district and the State Board for additional money to pay for services which the governing body wishes to offer.

3. Upon completion of a school year, the sponsor of a charter school may request reimbursement from the governing body of the charter school for the administrative costs associated with sponsorship for that school year if the sponsor provided administrative services during that school year. ***The request must include an itemized list of those costs.*** Upon receipt of such a request, the governing body shall pay the reimbursement to the board of trustees of the school district ~~[,]~~ if the board of trustees sponsors the charter school, ~~[or]~~ to the Department if the State Board sponsors the charter school ~~[.]~~ ***or to the college or university within the Nevada System of Higher Education if that institution sponsors the charter school.*** If a governing body fails to pay the reimbursement, the charter school shall be deemed to have violated its written charter and the sponsor may take such action to revoke the written charter pursuant to NRS 386.535 as it deems necessary. If the board of trustees of a school district is the sponsor of a charter school, the amount of money that may be paid to the sponsor pursuant to this subsection for administrative expenses in 1 school year must not exceed:

(a) For the first year of operation of the charter school, 2 percent of the total amount of money apportioned to the charter school during the year pursuant to NRS 387.124.

(b) For any year after the first year of operation of the charter school, 1 percent of the total amount of money apportioned to the charter school during the year pursuant to NRS 387.124.

4. If the State Board ***or a college or university within the Nevada System of Higher Education*** is the sponsor of a charter school, the amount of money that may be paid to the Department ***or to the institution, as applicable,*** pursuant to subsection 3 for administrative expenses in 1 school year must not exceed:

(a) For the first year of operation of the charter school, 2 percent of the total amount of money apportioned to the charter school during the year pursuant to NRS 387.124.

(b) For any year after the first year of operation of the charter school, 1.5 percent of the total amount of money apportioned to the charter school during the year pursuant to NRS 387.124.

5. To determine the amount of money for distribution to a charter school in its first year of operation, the count of pupils who are enrolled in the charter school must initially be determined 30 days before the beginning of the school year of the school district, based on the number of pupils whose

applications for enrollment have been approved by the charter school. The count of pupils who are enrolled in the charter school must be revised on the last day of the first school month of the school district in which the charter school is located for the school year, based on the actual number of pupils who are enrolled in the charter school. Pursuant to subsection 5 of NRS 387.124, the governing body of a charter school may request that the apportionments made to the charter school in its first year of operation be paid to the charter school 30 days before the apportionments are otherwise required to be made.

6. If a charter school ceases to operate as a charter school during a school year, the remaining apportionments that would have been made to the charter school pursuant to NRS 387.124 for that year must be paid on a proportionate basis to the school districts where the pupils who were enrolled in the charter school reside.

7. The governing body of a charter school may solicit and accept donations, money, grants, property, loans, personal services or other assistance for purposes relating to education from members of the general public, corporations or agencies. The governing body may comply with applicable federal laws and regulations governing the provision of federal grants for charter schools. The State Board may assist a charter school that operates exclusively for the enrollment of pupils who receive special education in identifying sources of money that may be available from the Federal Government or this State for the provision of educational programs and services to such pupils.

8. If a charter school uses money received from this State to purchase real property, buildings, equipment or facilities, the governing body of the charter school shall assign a security interest in the property, buildings, equipment and facilities to the State of Nevada.

Sec. 26. NRS 386.610 is hereby amended to read as follows:

386.610 1. On or before August 15 of each year, if the board of trustees of a school district ***or a college or university within the Nevada System of Higher Education*** sponsors a charter school, the board of trustees ***or the institution, as applicable,*** shall submit a written report to the State Board. The written report must include:

(a) An evaluation of the progress of each charter school sponsored by the board of trustees ***or institution, as applicable,*** in achieving its educational goals and objectives.

(b) A description of all administrative support and services provided by the school district ***or institution, as applicable,*** to the charter school.

2. The governing body of a charter school shall, after 3 years of operation under its initial charter, submit a written report to the sponsor of the charter school. The written report must include a description of the progress of the charter school in achieving its educational goals and objectives. If the charter school submits an application for renewal in

accordance with the regulations of the Department, the sponsor may renew the written charter of the school pursuant to subsection 2 of NRS 386.530.

Sec. 27. ~~[Chapter 387 of NRS is hereby amended by adding thereto a new section to read as follows:~~

~~*1. The board of trustees of a school district that includes a charter school which satisfies the requirements of subsection 1 of section 15 of this act, regardless of the sponsor of the charter school, shall provide money or financing for school facilities for those charter schools in an amount equal to 1 percent of the proceeds of all bonds issued by the school district for school facilities after July 1, 2007. This percentage is solely a measure of the amount for use by charter schools pursuant to this section and does not authorize or require a school district to set aside or in any way hold bond proceeds.*~~

~~*2. The governing body of a charter school that satisfies the requirements of subsection 1 of section 15 of this act may submit an application for money from the school district in which the charter school is located, regardless of the sponsor of the charter school, for the construction, alteration or remodel of a facility for the charter school. The application must include:*~~

~~*(a) A description of the project;*~~

~~*(b) The cost of the project;*~~

~~*(c) The amount requested by the governing body; and*~~

~~*(d) Unless standard plans, designs and specifications adopted by the State Board of Education pursuant to NRS 385.125 are to be used for the project, proof that the plans for the project have been approved by the State Public Works Board or local building department, as applicable, for the county.*~~

~~*3. Upon receipt of an application, the board of trustees of a school district shall provide a grant of money to the governing body of the charter school to the extent that money or other financing is available pursuant to subsection 1 if the application submitted by the governing body satisfies the requirements of subsection 2. The board of trustees shall ensure that the money available is distributed in a fair and equitable manner among those charter schools that submit applications which comply with this section.*~~

~~*4. If a charter school does not use the money provided pursuant to subsection 3 in the manner set forth in its application, the charter school shall repay the entire amount provided to the school district. If a charter school completes the project for which the money was provided and a portion of that money remains unexpended, the charter school shall repay the unexpended portion to the school district.*~~

~~*5. The board of trustees of each school district that includes one or more charter schools which satisfy the requirements of subsection 1 of section 15 of this act shall adopt a policy prescribing the procedure for the submission of applications by those charter schools and the annual deadline for submission of applications.]*~~ **(Deleted by amendment.)**

Sec. 28. NRS 387.124 is hereby amended to read as follows:

387.124 Except as otherwise provided in this section and NRS 387.528:

1. On or before August 1, November 1, February 1 and May 1 of each year, the Superintendent of Public Instruction shall apportion the State Distributive School Account in the State General Fund among the several county school districts and charter schools in amounts approximating one-fourth of their respective yearly apportionments less any amount set aside as a reserve. The apportionment to a school district, computed on a yearly basis, equals the difference between the basic support and the local funds available pursuant to NRS 387.1235, minus all the funds attributable to pupils who reside in the county but attend a charter school and all the funds attributable to pupils who reside in the county and are enrolled full time or part time in a program of distance education provided by another school district or a charter school. No apportionment may be made to a school district if the amount of the local funds exceeds the amount of basic support. If an agreement is not filed for a pupil who is enrolled in a program of distance education as required by NRS 388.854, the Superintendent of Public Instruction shall not apportion money for that pupil to the board of trustees of the school district in which the pupil resides, or the board of trustees or governing body that provides the program of distance education.

2. Except as otherwise provided in subsection 3, the apportionment to a charter school, computed on a yearly basis, is equal to the sum of the basic support per pupil in the county in which the pupil resides plus the amount of local funds available per pupil pursuant to NRS 387.1235 and all other funds available for public schools in the county in which the pupil resides minus all the funds attributable to pupils who are enrolled in the charter school but are concurrently enrolled part time in a program of distance education provided by a school district or another charter school. If the apportionment per pupil to a charter school is more than the amount to be apportioned to the school district in which a pupil who is enrolled in the charter school resides, the school district in which the pupil resides shall pay the difference directly to the charter school.

3. The apportionment to a charter school that is sponsored by the State Board ~~[,]~~ ***or a college or university within the Nevada System of Higher Education,*** computed on a yearly basis, is equal to the sum of the basic support per pupil in the county in which the pupil resides plus the amount of local funds available per pupil pursuant to NRS 387.1235 and all other funds available for public schools in the county in which the pupil resides, minus all funds attributable to pupils who are enrolled in the charter school but are concurrently enrolled part time in a program of distance education provided by a school district or another charter school.

4. In addition to the apportionments made pursuant to this section, an apportionment must be made to a school district or charter school that provides a program of distance education for each pupil who is enrolled part time in the program if an agreement is filed for that pupil pursuant to NRS 388.854 or 388.858, as applicable. The amount of the apportionment must be equal to the percentage of the total time services are provided to the

pupil through the program of distance education per school day in proportion to the total time services are provided during a school day to pupils who are counted pursuant to subparagraph (2) of paragraph (a) of subsection 1 of NRS 387.1233 for the school district in which the pupil resides.

5. The governing body of a charter school may submit a written request to the Superintendent of Public Instruction to receive, in the first year of operation of the charter school, an apportionment 30 days before the apportionment is required to be made pursuant to subsection 1. Upon receipt of such a request, the Superintendent of Public Instruction may make the apportionment 30 days before the apportionment is required to be made. A charter school may receive all four apportionments in advance in its first year of operation.

6. The Superintendent of Public Instruction shall apportion, on or before August 1 of each year, the money designated as the "Nutrition State Match" pursuant to NRS 387.105 to those school districts that participate in the National School Lunch Program, 42 U.S.C. §§ 1751 et seq. The apportionment to a school district must be directly related to the district's reimbursements for the Program as compared with the total amount of reimbursements for all school districts in this State that participate in the Program.

7. If the State Controller finds that such an action is needed to maintain the balance in the State General Fund at a level sufficient to pay the other appropriations from it, he may pay out the apportionments monthly, each approximately one-twelfth of the yearly apportionment less any amount set aside as a reserve. If such action is needed, the State Controller shall submit a report to the Department of Administration and the Fiscal Analysis Division of the Legislative Counsel Bureau documenting reasons for the action.

Sec. 29. ~~[NRS 387.335 is hereby amended to read as follows:~~

~~387.335 1. The board of trustees of a county school district may issue its general obligations to raise money for the following purposes, and no others:~~

~~(a) Construction, design or purchase of new buildings for schools, including, [but not limited to,] *without limitation, charter schools that satisfy the requirements of subsection 1 of section 15 of this act,* teacherages, dormitories, dining halls, gymnasiums and stadiums.~~

~~(b) Enlarging, remodeling or repairing existing buildings or grounds for schools, including, [but not limited to,] *without limitation, charter schools that satisfy the requirements of subsection 1 of section 15 of this act,* teacherages, dormitories, dining halls, gymnasiums and stadiums.~~

~~(c) Acquiring sites for building schools, or additional real property for necessary purposes related to schools, including, [but not limited to,] *without limitation, charter schools that satisfy the requirements of subsection 1 of section 15 of this act,* playgrounds, athletic fields and sites for stadiums.~~

~~(d) Paying expenses relating to the acquisition of school facilities which have been leased by a school district pursuant to NRS 393.080.~~

~~(c) Purchasing necessary furniture and equipment for schools. If money from the issuance of general obligations is used to purchase furniture and equipment to replace existing furniture and equipment, and that existing furniture and equipment subsequently is sold, the proceeds from the sale must be applied toward the retirement of those obligations.~~

~~2. Any one or more of the purposes enumerated in subsection 1 may, by order of the board of trustees entered in its minutes, be united and voted upon as one single proposition.~~

~~3. Any question submitted pursuant to this section and any question submitted pursuant to NRS 387.3285 may, by order of the board of trustees entered in its minutes, be united and voted upon as a single proposition.]~~ **(Deleted by amendment.)**

Sec. 30. 1. There is hereby appropriated from the State General Fund to the Department of Education the sum of $1,000,000 for distribution to charter schools that satisfy certain requirements ~~[.]~~ **for facilities for those charter schools.**

2. The governing body of a charter school that satisfies the requirements of subsection 1 of section 15 of this act may submit an application to the Department of Education, on a form prescribed by the Department, for a grant of money in the amount of $250,000. The application must include proof satisfactory to the Department that the charter school satisfies the requirements of subsection 1 of section 15 of this act.

3. Upon receipt of an application and verification by the Department of Education that the charter school satisfies the requirements of subsection 1 of section 15 of this act, the Department shall provide the charter school with a grant of money in the amount of $250,000. A charter school that receives a grant of money shall use the money ~~[in accordance with its written charter.]~~ **for facilities for the charter school.**

4. Applications must be considered and accepted in the order in which the applications are received. A charter school that satisfies the requirements of subsection 1 of section 15 of this act is eligible for one grant pursuant to this section and may not reapply after it receives a grant.

5. Any remaining balance of the appropriation made by ~~[section 1 of this act]~~ **subsection 1** must not be committed for expenditure after June 30, 2011, by the entity to which the appropriation is made or any entity to which money from the appropriation is granted or otherwise transferred in any manner, and any portion of the appropriated money remaining must not be spent for any purpose after September 16, 2011, by either the entity to which the money was appropriated or the entity to which the money was subsequently granted or transferred, and must be reverted to the State General Fund on or before September 16, 2011.

Assembly Bill No. 127.

Bill read third time.

The following amendment was proposed by Assemblymen Mabey, Carpenter, Allen, Cobb, and Goedhart:

Amendment No. 284.

SUMMARY—Revises provisions relating to interception of wire communications. (BDR ~~[15-1049)]~~ **54-1049)**

AN ACT relating to communications; ~~[authorizing]~~ **clarifying that** a person ~~[to]~~ **may** record certain telephone calls made by collection agents and collection agencies ~~[without obtaining their consent;]~~ **after providing notice that the call is being recorded and making a statement to that effect on the recording;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law generally requires two-party consent before a person may record a telephone conversation. (NRS 200.620) The Nevada Supreme Court has interpreted existing law to prohibit a person from recording his own telephone conversations unless the other party to the conversation gives prior consent to the recording. (***Lane v. Allstate Ins. Co.***, 114 Nev. 1176 (1998)) ~~[However, the law recognizes exceptions to the requirement of two-party consent for certain situations, including: (1) interceptions of wire communications made pursuant to a court order; (2) interceptions of wire communications made with the consent of one party in an emergency situation and later ratified by a court; (3) interceptions of communications made by an offender in an institution or facility with a person outside of the institution or facility in certain circumstances; and (4) a public utility recording telephone calls relating to emergencies and service outages in certain circumstances. (NRS 179.410-179.515, 209.419, 704.195)]~~ **Existing law also prohibits the surreptitious listening, monitoring or recording of private conversations engaged in by other persons. (NRS 200.650)**

~~[Sections 1 and]~~ **Section** 4 of this bill ~~[provide an additional exception to the two-party consent requirement set forth in NRS 200.620. Section 4]~~ authorizes a person to record any telephone call concerning a debt which is owed or asserted to be owed by the person if the telephone call is initiated by a collection agency or collection agent and received by the person who owes or is alleged to owe the debt ~~[. Section 4 further provides that the person who records the telephone call is not required to obtain the consent of the collection agency or collection agent to record the telephone call or provide]~~ **after providing** notice to the collection agency or collection agent that the

telephone call is being recorded ~~[.]~~ **and making a statement to that effect on the recording.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

~~(a) An emergency situation existed and it was impractical to obtain a court order before the interception; and~~

3. Each list required by subsections 1 and 2 must be accompanied by a declaration under penalty of perjury that the limited-liability company:

(a) Has complied with the provisions of NRS 360.780; and

(b) Acknowledges that pursuant to NRS 239.330, it is a category C felony to knowingly offer any false or forged instrument for filing in the Office of the Secretary of State.

4. Upon filing:

(a) The initial list required by subsection 1, the limited-liability company shall pay to the Secretary of State a fee of $125.

(b) Each annual list required by subsection 2, the limited-liability company shall pay to the Secretary of State a fee of $125.

5. If a manager or managing member of a limited-liability company resigns and the resignation is not reflected on the annual or amended list of managers and managing members, the limited-liability company or the resigning manager or managing member shall pay to the Secretary of State a fee of $75 to file the resignation.

6. The Secretary of State shall, 90 days before the last day for filing each list required by subsection 2, cause to be mailed to each limited-liability company which is required to comply with the provisions of this section, and which has not become delinquent, a notice of the fee due under subsection 4 and a reminder to file a list required by subsection 2. Failure of any company to receive a notice or form does not excuse it from the penalty imposed by law.

7. If the list to be filed pursuant to the provisions of subsection 1 or 2 is defective or the fee required by subsection 4 is not paid, the Secretary of State may return the list for correction or payment.

8. An annual list for a limited-liability company not in default received by the Secretary of State more than 90 days before its due date shall be deemed an amended list for the previous year.

Sec. 2. NRS 87.4318 is hereby amended to read as follows:

87.4318 1. A statement may be filed in the Office of the Secretary of State. A certified copy of a statement that is filed in an office in another state may be filed in the Office of the Secretary of State. 5. A person who files a statement pursuant to this section shall promptly send a copy of the statement to every nonfiling partner and to any other person named as a partner in the statement. Sec. 3. NRS 87.4328 is hereby amended to read as follows:

87.4328 A partner or other person named as a partner in a filed statement of partnership authority or in a list maintained by an agent pursuant to subsection 2 of NRS 87.4327 may file a statement of denial stating the name of the partnership and the fact that is being denied, which may include denial of a person's authority or status as a partner. 4. If the conversion takes effect on a later date specified in the articles of conversion pursuant to NRS 92A.240, the charter document to be filed with the Secretary of State pursuant to paragraph (b) of subsection 1 must state the name and the jurisdiction of the constituent entity and that the existence of the resulting entity does not begin until the later date.

REMARKS FROM THE FLOOR

Assemblyman Oceguera requested that the following remarks be entered in the Journal.

ASSEMBLYMAN CONKLIN:

This morning, I would like to rise and congratulate Cimarron Memorial High School in Las Vegas. It is the high school that resides in my district. They participated this weekend in the FIRST Robotic World Championship in Atlanta. There were 344 teams.

I do not know how many folks are familiar with this program. It is a program where schools can participate. From six weeks out, they get a list of things that a robot must be able to do, and they start from scratch. In six weeks, they build these robots and send them to compete in tasks that are timed against the clock and against other programs around the world. The reason I believe it is so important to rise this morning, even though members of the team are not here, is because out of 344 teams, Cimarron Memorial High School placed first from around the world. That is absolutely fantastic, and when you consider how important it is to continue to recruit and retain good students in science, math, and engineering, I cannot tell you how incredibly proud I am of this accomplishment and how spectacular this really is. Please join me in congratulating the kids from Cimarron Memorial High School.

Assemblyman Horne moved the adoption of the amendment.

Amendment adopted.

Bill ordered reprinted, engrossed and to third reading.

Assembly Bill No. 77.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 235.

AN ACT relating to criminal procedure; revising provisions for determining whether a defendant is competent to stand trial or be punished for a criminal offense; requiring all other departments of the court which has suspended a trial to determine competency of a defendant to suspend any other proceedings related to the defendant; reducing the time by which a court must determine competency when a trial is not requested; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that a person may not be tried or punished for a criminal offense while he is incompetent and defines the term "incompetent." (NRS 178.400) Section 1 of this bill revises the definition of "incompetent" to include a person who does not have the ~~[capacity]~~ **present ability** to understand the nature and purpose of the court proceedings ~~[.]~~ **or to assist his counsel with a reasonable degree of rational understanding.**

Existing law requires the court to suspend proceedings if a question arises as to the competency of a criminal defendant until the question of competence is resolved. (NRS 178.405) Section 2 of this bill clarifies that competency may be determined at any time after the arrest of a defendant. Section 2 also requires the suspension of any other proceedings relating to the defendant once the question of competency is raised until the defendant is determined to be competent.

In certain circumstances, existing law requires the Administrator of the Division of Mental Health and Developmental Services of the Department of Health and Human Services to evaluate the competency of certain criminal defendants and to send a written report of his findings and opinions regarding the competency of the defendant to the court. (NRS 178.455) Section 3 of this bill requires the Administrator, in evaluating the competency of a defendant, to consider ~~[, among other factors, whether the defendant is of sufficient mentality to understand the nature and purpose of the court proceedings.]~~ **and make findings concerning each of the factors for determining whether a person meets the definition of incompetent.** (NRS 178.455)

Existing law provides that the district attorney or counsel for the defendant may request a hearing on the report prepared by the Administrator. Sections 3 and 4 of this bill revise the time by which the court, when no hearing is requested, is required to make and enter its finding of competence or incompetence of the defendant from within 20 days to within 10 days after

the Administrator sends the court the report required pursuant to NRS 178.455. (NRS 178.455, 178.460)

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 178.400 is hereby amended to read as follows:

178.400 1. A person may not be tried or adjudged to punishment for a public offense while he is incompetent.

2. For the purposes of this section, "incompetent" means that the person ~~[is not of sufficient mentality to be able to understand]~~ ***does not have the*** ~~[capacity]~~ ***present ability to:***

(a) Understand the nature of the criminal charges against him ~~[, and because of that insufficiency, is not able to aid]~~ ***;***

(b) Understand the nature and purpose of the court proceedings; or

(c) Aid and assist his counsel in the defense ~~[interposed upon the trial or against the pronouncement of the judgment thereafter.]~~ ***at any time during the proceedings with a reasonable degree of rational understanding.***

Sec. 2. NRS 178.405 is hereby amended to read as follows:

178.405 ***1.*** Any time ***after the arrest of a defendant, including, without limitation, proceedings*** before trial, ~~[or]~~ ***during trial,*** when upon conviction the defendant is brought up for judgment ~~[,]~~ ***or when a defendant who has been placed on probation or whose sentence has been suspended is brought before the court,*** if doubt arises as to the competence of the defendant, the court shall suspend the ***proceedings, the*** trial or the pronouncing of the judgment, as the case may be, until the question of competence is determined.

2. If the proceedings, the trial or the pronouncing of the judgment are suspended, the court must notify any other departments of the court of the suspension in writing. Upon receiving such notice, the other departments of the court shall suspend any other proceedings relating to the defendant until the defendant is determined to be competent.

Sec. 3. NRS 178.455 is hereby amended to read as follows:

178.455 1. Except as otherwise provided for persons charged with or convicted of a misdemeanor, the Administrator of the Division of Mental Health and Developmental Services of the Department of Health and Human Services or his designee shall appoint a licensed psychiatrist and a licensed psychologist from the treatment team who is certified pursuant to NRS 178.417 to evaluate the defendant. The Administrator or his designee shall also appoint a third evaluator who must be a licensed psychiatrist or psychologist, must be certified pursuant to NRS 178.417 and must not be a member of the treatment team. Upon the completion of the evaluation and treatment of the defendant, the Administrator or his designee shall report to the court in writing his specific findings and opinion upon ~~[:~~

~~(a) Whether]~~ ***whether*** the person ~~[is of sufficient mentality]~~ ***has the present ability*** to ~~[understand]~~ ***:***

(a) Understand the nature of the offense charged;

Assembly Bill No. 83.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 363.

AN ACT relating to crimes; providing an additional penalty for specified crimes motivated by the victim's actual or perceived status as a homeless person; ~~[expanding the aggravating circumstances for murder of the first degree to include crimes motivated by the victim's actual or perceived status as a homeless person;]~~ expanding provisions governing civil liability for certain crimes to include crimes motivated by the victim's actual or perceived status as a homeless person; expanding the program for reporting crimes motivated by certain characteristics of the victim within the Central Repository for Nevada Records of Criminal History; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for an additional penalty when a person commits certain "hate crimes" in which the perpetrator of the crime is motivated by certain actual or perceived characteristics of the victim. (NRS 193.1675) Section 1 of this bill expands the scope of that provision to provide that the additional penalty may also be imposed for certain hate crimes committed against a person whom the perpetrator believed to be a homeless person.

~~[Section 2 of this bill expands existing law to provide that a hate crime committed because of the actual or perceived status of the victim as a homeless person constitutes an aggravating circumstance for murder of the first degree. (NRS 200.033)]~~

Section 3 of this bill provides that, unless a greater penalty is provided, certain hate crimes committed against such a victim are gross misdemeanors. (NRS 207.185)

Section 4 of this bill expands the provisions permitting recovery of actual and punitive damages in a civil suit by a victim of a hate crime to include recovery against a perpetrator who acted because of the victim's actual or perceived status as a homeless person. (NRS 41.690)

Section 5 of this bill adds crimes committed based on the victim's actual or perceived status as a homeless person to the types of hate crimes for which the Program for Reporting Crimes of the Central Repository for Nevada Records of Criminal History must collect, compile and analyze statistical data. (NRS 179A.175)

Amendment No. 13.

AN ACT relating to administrative procedure; eliminating the prohibition against the admission of a person as a party to an administrative proceeding in a contested case involving the grant, denial or renewal of a license if the person does not have a direct financial interest in the grant, denial or renewal of the license; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law prohibits the admission of a person as a party to an administrative proceeding in a contested case involving the grant, denial or renewal of a license if the person does not have a direct financial interest in the grant, denial or renewal of the license. (NRS 233B.127) Section 1 of this bill eliminates that prohibition.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 233B.127 is hereby amended to read as follows:

233B.127 1. When the grant, denial or renewal of a license is required to be preceded by notice and opportunity for hearing, the provisions of this chapter concerning contested cases apply.

2. When a licensee has made timely and sufficient application for the renewal of a license or for a new license with reference to any activity of a continuing nature, the existing license does not expire until the application has been finally determined by the agency, and, in case the application is denied or the terms of the new license limited, until the last day for seeking review of the agency order or a later date fixed by order of the reviewing court.

3. No revocation, suspension, annulment or withdrawal of any license is lawful unless, ~~[prior to]~~ ***before*** the institution of agency proceedings, the agency gave notice by certified mail to the licensee of facts or conduct which warrant the intended action, and the licensee was given an opportunity to show compliance with all lawful requirements for the retention of the license. If the agency finds that public health, safety or welfare imperatively require emergency action, and incorporates a finding to that effect in its order, summary suspension of a license may be ordered pending proceedings for revocation or other action. Such proceedings ~~[shall]~~ ***must*** be promptly instituted and determined.

~~[4. Except as otherwise provided in this subsection, a person must not be admitted as a party to an administrative proceeding in a contested case involving the grant, denial or renewal of a license unless he demonstrates to the satisfaction of the presiding hearing officer that:~~

~~(a) His financial situation is likely to be maintained or to improve as a direct result of the grant or renewal of the license; or~~

~~(b) His financial situation is likely to deteriorate as a direct result of the denial of the license or refusal to renew the license.~~

~~➥ The provisions of this subsection do not preclude the admission, as a party, of any person who will participate in the administrative proceeding as the agent or legal representative of an agency.]~~

Sec. 2. NRS 233B.130 is hereby amended to read as follows:

233B.130 1. Any party who is:

(a) Identified as a party of record by an agency in an administrative proceeding; and

(b) Aggrieved by a final decision in a contested case,

➥ is entitled to judicial review of the decision. Where appeal is provided within an agency, only the decision at the highest level is reviewable unless a decision made at a lower level in the agency is made final by statute. Any preliminary, procedural or intermediate act or ruling by an agency in a contested case is reviewable if review of the final decision of the agency would not provide an adequate remedy.

2. Petitions for judicial review must:

(a) Name as respondents the agency and all parties of record to the administrative proceeding;

(b) Be instituted by filing a petition in the district court in and for Carson City, in and for the county in which the aggrieved party resides or in and for the county where the agency proceeding occurred; and

(c) Be filed within 30 days after service of the final decision of the agency.

➥ Cross-petitions for judicial review must be filed within 10 days after service of a petition for judicial review.

3. The agency and any party desiring to participate in the judicial review must file a statement of intent to participate in the petition for judicial review and serve the statement upon the agency and every party within 20 days after service of the petition.

4. A petition for rehearing or reconsideration must be filed within 15 days after the date of service of the final decision. An order granting or denying

the petition must be served on all parties at least 5 days before the expiration of the time for filing the petition for judicial review. If the petition is granted, the subsequent order shall be deemed the final order for the purpose of judicial review.

5. The petition for judicial review and any cross-petitions for judicial review must be served upon the agency and every party within 45 days after the filing of the petition, unless, upon a showing of good cause, the district court extends the time for such service. If the proceeding involves a petition for judicial review or cross-petition for judicial review of a final decision of the State Contractors' Board **,** ~~[or of a final decision of an agency or hearing officer in a contested case involving the grant, denial or renewal of a license,]~~ the district court ~~[shall,]~~ ***may,*** on its own motion or the motion of a party, dismiss from the proceeding any agency or person who:

(a) Is named as a party in the petition for judicial review or cross-petition for judicial review; and

(b) Was not a party to the administrative proceeding for which the petition for judicial review or cross-petition for judicial review was filed.

6. The provisions of this chapter are the exclusive means of judicial review of, or judicial action concerning, a final decision in a contested case involving an agency to which this chapter applies.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 278.480 is hereby amended to read as follows:

278.480 1. Except as otherwise provided in subsection 11, any abutting owner or local government desiring the vacation or abandonment of any street or easement owned by a city or a county, or any portion thereof, shall file a petition in writing with the planning commission or the governing body having jurisdiction.

2. The governing body may establish by ordinance a procedure by which, after compliance with the requirements for notification of public hearing set forth in this section, a vacation or abandonment of a street or an easement

may be approved in conjunction with the approval of a tentative map pursuant to NRS 278.349.

3. A government patent easement which is no longer required for a public purpose may be vacated by:

(a) The governing body; or

(b) The planning commission, hearing examiner or other designee, if authorized to take final action by the governing body,

➥ without conducting a hearing on the vacation if the applicant for the vacation obtains the written consent of each owner of property abutting the proposed vacation and any utility that is affected by the proposed vacation.

4. Except as otherwise provided in subsection 3, if any right-of-way ***held in fee*** or easement required for a public purpose that is owned by a city or a county is proposed to be vacated, the governing body, or the planning commission, hearing examiner or other designee, if authorized to take final action by the governing body, shall ~~[notify by certified mail]~~ ~~[:]~~ ***, not less than 10 business days before the public hearing described in subsection 5:***

(a) Notify each owner of property abutting the proposed abandonment ***.*** ~~[and cause]~~ ***Such notice must be provided*** ~~[:~~

~~(1) If a right-of-way is proposed to be vacated,]~~ ***by mail pursuant to a method that provides confirmation of delivery and does not require the signature of the recipient .*** ~~[; or~~

~~(2) If an easement is proposed to be vacated, by first-class mail.]~~

(b) Cause a notice to be published at least once in a newspaper of general circulation in the city or county, setting forth the extent of the proposed abandonment and setting a date for public hearing ***.*** ~~[, which must be not less than 10 days and not more than 40 days after the date the notice is first published.]~~

5. Except as ***otherwise*** provided in subsection 6, if, upon public hearing, the governing body, or the planning commission, hearing examiner or other designee, if authorized to take final action by the governing body, is satisfied that the public will not be materially injured by the proposed vacation, it shall order the street or easement vacated. The governing body, or the planning commission, hearing examiner or other designee, if authorized to take final action by the governing body, may make the order conditional, and the order becomes effective only upon the fulfillment of the conditions prescribed. An applicant or other person aggrieved by the decision of the planning commission, hearing examiner or other designee may appeal the decision in accordance with the ordinance adopted pursuant to NRS 278.3195.

6. ~~[If a utility has an easement over the property,]~~ ***In addition to any other applicable requirements set forth in this section, before vacating or abandoning a street,*** the governing body ~~[,]~~ ***of the local government having jurisdiction over the street,*** or the planning commission, hearing examiner or other designee, if authorized to take final action by the governing body, shall provide ~~[in its order for the continuation of that easement.]~~ ***each public utility and community antenna television company serving the affected***

area with written notice that a petition has been filed requesting the vacation or abandonment of the street. After receiving the written notice, the public utility or community antenna television company, as applicable, shall respond in writing, indicating either that the public utility or community antenna television company, as applicable, does not require an easement or that the public utility or community antenna television company, as applicable, wishes to request the reservation of an easement. If a public utility or community antenna television company indicates in writing that it wishes to request the reservation of an easement, the governing body of the local government having jurisdiction over the street that is proposed to be vacated or abandoned, or the planning commission, hearing examiner or other designee, if authorized to take final action by the governing body, shall reserve and convey an easement in favor of the public utility or community antenna television company, as applicable, and shall ensure that such easement is recorded in the office of the county recorder.

7. The order must be recorded in the office of the county recorder, if all the conditions of the order have been fulfilled, and upon the recordation, title to the street or easement reverts to the abutting property owners in the approximate proportion that the property was dedicated by the abutting property owners or their predecessors in interest. In the event of a partial vacation of a street where the vacated portion is separated from the property from which it was acquired by the unvacated portion of it, the governing body may sell the vacated portion upon such terms and conditions as it deems desirable and in the best interests of the city or county. If the governing body sells the vacated portion, it shall afford the right of first refusal to each abutting property owner as to that part of the vacated portion which abuts his property, but no action may be taken by the governing body to force the owner to purchase that portion and that portion may not be sold to any person other than the owner if the sale would result in a complete loss of access to a street from the abutting property.

8. If the street was acquired by dedication from the abutting property owners or their predecessors in interest, no payment is required for title to the proportionate part of the street reverted to each abutting property owner. If the street was not acquired by dedication, the governing body may make its order conditional upon payment by the abutting property owners for their proportionate part of the street of such consideration as the governing body determines to be reasonable. If the governing body determines that the vacation has a public benefit, it may apply the benefit as an offset against a determination of reasonable consideration which did not take into account the public benefit.

9. If an easement for light and air owned by a city or a county is adjacent to a street vacated pursuant to the provisions of this section, the easement is vacated upon the vacation of the street.

10. In any vacation or abandonment of any street owned by a city or a county, or any portion thereof, the governing body, or the planning commission, hearing examiner or other designee, if authorized to take final action by the governing body, may reserve and except therefrom all easements, rights or interests therein which the governing body, or the planning commission, hearing examiner or other designee, if authorized to take final action by the governing body, deems desirable for the use of the city ~~[, the county or any public utility.]~~ ***or county.***

11. The governing body may establish by local ordinance a simplified procedure for the vacation or abandonment of an easement for a public utility owned or controlled by the governing body.

12. As used in this section ~~[, "government]~~ **:**

(a) "Community antenna television company" has the meaning ascribed to it in NRS 711.030.

(b) "Government patent easement" means an easement for a public purpose owned by the governing body over land which was conveyed by a patent.

Legislative Counsel's Digest:

Under existing law, a person may provide an advance directive concerning his health care in the form of a declaration governing the withholding or withdrawal of life-sustaining treatment, a durable power of attorney for health care decisions or a do-not-resuscitate order. (NRS 449.535-449.690, 449.800-449.860, 450B.420)

Section 8 of this bill requires any person requesting access to an advance directive in the Registry to provide the correct registration number and password. Section 10 of this bill provides that the Secretary of State is not required to determine whether an advance directive is accurate or valid before posting it to the Registry and clarifies that the validity of an advance directive or a revocation of an advance directive is not affected by posting or failing to post the advance directive to the Registry.

Sections 11 and 12 of this bill provide civil and criminal immunity for providers of health care and the Secretary of State, his deputies, employees and attorneys in connection with the Registry if they act in good faith.

Section 13 of this bill authorizes the Secretary of State to charge fees and accept contributions to establish and maintain the Registry.

Section 2 makes it a gross misdemeanor for an adverse party to violate those provisions of an extended order.**

Section ~~[4 also]~~ **6 of this bill** authorizes a court, when granting an extended order, to provide for the support of a minor child for whom a guardian has been appointed or who has been placed in protective custody and to pay compensation to the applicant for lost earnings and expenses ~~[related to personal injury and damage to property that resulted from the domestic violence.]~~ **incurred by the applicant in attending any hearing concerning an application for an extended order. (NRS 33.030)**

Section ~~[5]~~ 7 of this bill requires a law enforcement officer to inform an adverse party who violates an order for protection against domestic violence of the date and time set for a hearing on an application for an extended order in certain circumstances. (NRS 33.070)

Existing federal law requires, as a condition to receiving certain federal grants, that states provide by law for certain procedures concerning the testing of a defendant who is arrested for certain crimes involving sexual conduct. (42 U.S.C. § 3796hh(d)) Section ~~[7]~~ **9** of this bill revises the procedures for testing certain alleged criminals who commit a sexual assault and victims of sexual assault for the human immunodeficiency virus and other commonly contracted sexually transmitted diseases to comply with those federal requirements. Assembly Bill No. 218.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 174.

AN ACT relating to public works; clarifying the definition of an "offense"; clarifying that the Labor Commissioner may impose an administrative penalty against a person for the commission of an offense; revising provisions relating to the temporary disqualification of certain contractors from being awarded contracts for public works; **requiring the Labor Commissioner to adopt certain regulations;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law sets forth general provisions applicable to public works, including provisions requiring the payment of prevailing wages to mechanics and workmen employed on a public works project. (NRS 338.010-338.090) Such provisions are also applied by reference to other state and local construction and improvement projects. (NRS 244.286, 244A.763, 268.568, 271.710, 271.800, 271A.130, 278C.240, 279.500, 349.670, 349.956, 543.545)

Existing law provides that, as used in chapter 338 of NRS, an "offense" means failing to pay the prevailing wage, failing to pay contributions for unemployment compensation, failing to provide and secure industrial insurance compensation or failing to comply with certain recordkeeping requirements. (NRS 338.010) Section 1 of this bill clarifies that each instance

of the failure to pay one or more workmen the prevailing wage on a public work constitutes an offense.

Under existing law, the Labor Commissioner is required to enforce certain provisions of chapter 338 of NRS and if a person violates those provisions, the Labor Commissioner is required to report the violation to the Attorney General and is authorized to impose administrative penalties for the violation. (NRS 338.015) Section 2 of this bill clarifies that the Labor Commissioner is required to report the commission of an "offense" to the Attorney General and is authorized to impose administrative penalties for the commission of an "offense." (NRS 338.010, 338.015)

Existing law provides that if an administrative penalty is imposed against a person for the commission of an "offense," the person and any corporate officers of the person are prohibited from receiving a contract for a public work for a period of 3 years, if the offense is a first offense, and for a period of 5 years, if the offense is a second or subsequent offense. (NRS 338.010, 338.017) Section 3 of this bill graduates the periods of temporary disqualification following the imposition of an administrative penalty as follows: (1) at least 6 months but not more than 1 year for a first offense; (2) at least 1 year but not more than 3 years for a second offense; (3) at least 3 years but not more than 5 years for a third offense; and (4) at least 5 years for a fourth or subsequent offense. Also, the Labor Commissioner has discretion to temporarily disqualify a person for a first offense, but must disqualify a person for second and subsequent offenses. **The Labor Commissioner is required to adopt by regulation criteria to determine whether the commission of an offense counts toward the cumulative offenses and corresponding penalties.**

Assembly Bill No. 236.

Bill read second time.

The following amendment was proposed by the Committee on Taxation:

Amendment No. 219.

AN ACT relating to taxation; allowing the Department of Taxation to refrain from taking any action to collect unpaid sales and use taxes due from a person if the cost of that action would exceed the total amount due; revising the provisions governing the reporting and payment period for those taxes and the maximum amount which may be required as security for the payment of those taxes; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for the imposition and administration of sales and use taxes pursuant to the Sales and Use Tax Act and the Local School Support Tax Law. (Chapters 372 and 374 of NRS) Section 1 of this bill authorizes the Department of Taxation to refrain from taking any action to collect any unpaid sales or use taxes due from a person if the cost of that action would exceed the total amount due, including any applicable interest and penalties.

Existing law provides for the filing of sales and use tax returns on a quarterly basis from taxpayers whose taxable sales do not exceed $10,000 per month. (NRS 372.380, 374.385) Sections 2 and 4 of this bill allow such a taxpayer to file those returns on an annual basis if the taxpayer had no taxes due for the previous 3 calendar quarters or if the taxable sales did not exceed $1,500 for the previous 4 calendar quarters.

Existing law prescribes the maximum amount of security for the payment of sales and use taxes which the Department of Taxation may require from taxpayers who file tax returns for quarterly periods or for monthly periods. (NRS 372.510, 374.515) Sections 3 and 5 of this bill prescribe a proportionate maximum amount of security which may be required from taxpayers who are allowed to file tax returns on an annual basis.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 360 of NRS is hereby amended by adding thereto a new section to read as follows:

Except as otherwise provided in this section or directed by the Nevada Tax Commission and notwithstanding any other provision of law, the Department is not required to take any action for the collection of any unpaid sales or use taxes for which a person may be liable if the Department determines that the cost of taking that action would exceed the total accumulated amount of all the unpaid sales and use taxes, and any applicable interest and penalties, for which that person is liable.

2. The Nevada Tax Commission shall annually determine the average cost of collecting sales and use taxes in this State which must be used by the Department in making any determination pursuant to subsection 1.

3. This section does not:

(a) Affect the liability of any person for the payment of any taxes, interest or penalties; or

(b) Authorize the Department to refrain from taking any action for the collection of any unpaid sales or use taxes from a person when the Department determines that the cost of taking that action would be less than or equal to the total accumulated amount of all the unpaid sales and use taxes, and any applicable interest and penalties, for which that person is liable.

Legislative Counsel's Digest:

Section 1 of this bill provides for a reduction of the payroll tax of 2 percent that is imposed on financial institutions by NRS 363A.130. A financial institution that donates cash or property to a public school in this State may take a deduction for the donation that is equal to the fair market value of the donation, except that the deduction, when combined with all other deductions

and abatements applicable to the payroll tax, may not exceed 100 percent of the payroll tax that the financial institution would otherwise pay. If the deduction claimed for an item or group of similar items of donated property is more than $5,000, the deduction must be supported by a written appraisal.

Section 2 of this bill similarly provides for a reduction of the business tax of 0.63 percent that is imposed on other employers by NRS 363B.110. An employer that donates cash or property to a public school in this State may take a deduction for the donation that is equal to the fair market value of the donation, except that the deduction, when combined with all other deductions and abatements applicable to the business tax, may not exceed 100 percent of the business tax that the financial institution would otherwise pay. If the deduction claimed for an item or group of similar items of donated property is more than $5,000, the deduction must be supported by a written appraisal.

Section 3 of this bill makes the provisions of this bill expire by limitation on June 30, 2009.

WHEREAS, The formation of informal partnerships between businesses and the public schools in this State may be beneficial in providing additional funding and materials helpful in the educational process; and

WHEREAS, Such partnerships may improve the educational capacities of the public schools in this State by providing resources to complement the public funding of education, increasing access to new technology and providing greater opportunities for interested pupils through the provision of equipment for enhanced vocational training; and

WHEREAS, Such partnerships may benefit pupils by providing pupils with apprenticeship programs, tutoring and mentoring programs to improve academic and job skills, and college and vocational scholarships, thereby assisting pupils to make the transition to college or the workplace and improving their chances of success; and

WHEREAS, Such partnerships may result in the enhancement of the corporate images of such businesses locally, statewide and nationally, and reduce the costs to those businesses of recruiting and training qualified employees; and

WHEREAS, The provision of contributions of property to the public schools in this State would allow businesses to recycle useful, excess equipment and materials for the benefit of the public schools in an environmentally friendly way; and

WHEREAS, Businesses in this State should be encouraged to strengthen the connections between business and education in this State; and

WHEREAS, The Nevada Legislature finds and declares that it encourages the formation of such informal partnerships between businesses and public schools in this State; now, therefore,

AN ACT relating to the taxation of businesses; authorizing deductions from the state taxes on financial institutions and other businesses for payments on behalf of employees to certain ~~[pension plans and]~~ apprenticeship programs; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

(NRS 363A.130, 363B.110) Existing law authorizes deductions from these taxes for certain amounts paid for health insurance and health benefit plans for employees and their dependents. (NRS 363A.135, 363B.115)

This bill allows any unused amount of such a deduction to be carried forward each calendar quarter until exhausted and requires an employer who claims such a deduction to provide an explanation and appropriate documentation of the amount claimed upon the request of the Department of Taxation.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 258.

AN ACT relating to impact fees; clarifying that the costs of construction for which a local government may impose impact fees include the cost of connecting a capital improvement or facility expansion to water and sewer lines and facilities; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes local governments to impose by ordinance impact fees to pay the cost of constructing capital improvements and facility expansions required as the result of new development. (NRS 278B.160) This bill clarifies that the costs of construction for which impact fees may be imposed include the cost of connecting capital improvements and facility expansions to water and sewer lines and facilities.

Existing law defines "service area" for the purpose of provisions of law relating to impact fees as any area within a city or county that is served and benefited by capital improvements or facilities expansions set forth in a capital improvements plan. (NRS 278B.100) This bill alters that definition so that new development must necessitate the capital improvements or facility expansions for an area to be considered a service area. This bill also provides that a service area cannot be the entire area of a city or county, unless the city has a population of less than 10,000 (currently Caliente, Carlin, Ely, Fallon, Fernley, Lovelock, Mesquite, Wells, West Wendover, Winnemucca and Yerington) or the

county has a population of less than 15,000 (currently Esmeralda, Eureka, Lander, Lincoln, Mineral, Pershing, Storey and White Pine Counties).

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. **NRS 278B.100 is hereby amended to read as follows:**

278B.100 "Service area" means ~~[the]~~ ***any specified*** area within the boundaries of ~~[the]~~ ***a*** local government ***in*** which ***new development necessitates capital improvements or facility expansions and within which new development*** is served ***directly*** and benefited by the capital improvement or ~~[facilities]~~ ***facility*** expansion as set forth in the capital improvements plan. ***The term does not include any area that makes up the entire area of a local government, unless the local government is a city whose population is 10,000 or less or a county whose population is 15,000 or less.***

~~[Section 1.]~~ ***Sec. 2.*** NRS 278B.160 is hereby amended to read as follows:

278B.160 1. A local government may by ordinance impose an impact fee in a service area to pay the cost of constructing a capital improvement or facility expansion necessitated by and attributable to new development. Except as otherwise provided in NRS 278B.220, the cost may include only:

(a) The estimated cost of actual construction ~~[;]~~ ***, including, without limitation, the cost of connecting a capital improvement or facility expansion to a line or facility used to provide water or sewer service;***

(b) Estimated fees for professional services;

(c) The estimated cost to acquire the land; and

Amendment No. 237.

AN ACT relating to land use; clarifying that certain divisions, exchanges and transfers of land for agricultural purposes are exempt from requirements pertaining to boundary line adjustments and the filing of parcel maps and records of survey; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law generally requires the preparation and filing of a parcel map when land will be divided into four lots or less for transfer or development. (NRS 278.461) However, with respect to the adjustment of boundary lines or the transfer of land as between two abutting parcels, a parcel map is not required if the applicable governing body grants its approval and a professional land surveyor performs a field survey, sets monuments and files a record of survey. (NRS 278.461, 278.5692, 278.5693) In addition, certain divisions of land for agricultural purposes are exempt from the provisions in existing law governing planning and zoning. (NRS 278.320)

This bill clarifies that divisions, exchanges and transfers of land for agricultural purposes are exempt from the provisions in existing law governing planning and zoning, including any requirements pertaining to the adjustment of boundary lines or the filing of a parcel map or record of survey, if each parcel resulting from the division, exchange or transfer: (1) is 10 acres or more in size ~~[;]~~ **, unless local zoning laws prescribe a larger minimum parcel size;** (2) **has a zoning designation consistent with that specified in the applicable master plan, if any; (3)** can be described with reference to the standard subdivisions used in the United States Public Land Survey System; ~~[(3)]~~ **(4)** qualifies for agricultural use assessment; and ~~[(4)]~~ (5) is served by certain types of access. **This bill provides further that such a parcel ceases to be exempt from the provisions of chapter 278 of NRS if it ceases to qualify for agricultural use assessment or if commercial buildings or residential dwellings which did not exist previously are constructed on the parcel.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Under existing law, the State Board of Education may, upon certain grounds, suspend or revoke the license of a teacher and other educational personnel. (NRS 391.330) Existing law also sets forth the process for the suspension or revocation of such a license. (NRS 391.320-391.361)

This bill requires the Department of Education to **adopt regulations that** establish a procedure for the notification, tracking and monitoring of the status of criminal cases involving persons who are licensed pursuant to chapter 391 of NRS. Assembly Bill No. 463.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 187.

AN ACT relating to land use planning; making various changes pertaining to residential establishments and group homes; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the Health Division of the Department of Health and Human Services is required to compile, maintain and disseminate a registry pertaining to each "residential establishment" that exists in this State. (NRS 278.021) Sections 2-7 of this bill: (1) require local governments to assist in obtaining such information; (2) expand the registry to include certain information likely to be helpful to agencies that provide police, fire-fighting,

rescue or emergency medical services; and (3) broaden the scope of the registry to apply not just to licensed residential establishments, but to any facility that provides similar services to four or more persons. Thus, facilities operating unlawfully as residential establishments are included in the registry, providing necessary information to licensing and law enforcement authorities.

Section 8 of this bill provides that if a county or city requires a certain approval or permit before a residential establishment may operate, the county or city must, before granting that approval or permit, ensure that the establishment, or its owner or operator, has secured the necessary certifications or licenses that are required by federal, state or local authorities. Section 8 also allows for conditional or provisional approval or permitting by a local government pending receipt by the establishment of the necessary certification or license.

Under existing law, the governing body of a county whose population is 100,000 or more (currently Clark and Washoe Counties), and the governing body of each city in such a county, is required to establish by ordinance a minimum distance between residential establishments that is at least 660 feet but not more than 1,500 feet. (NRS 278.021) **Section 9 of this bill changes the minimum distance prospectively to at least 1,500 feet but not more than 2,500 feet**. Section 10 of this bill provides that if a governing body fails to establish the minimum distance requirement by December 31, 2007, its ordinances will be conformed by operation of state law to a ~~[1,500-foot]~~ **2,500-foot** distance requirement.

WHEREAS, Residential establishments, commonly referred to as "group homes," include such facilities as halfway houses for recovering alcohol and drug abusers, homes for individual residential care, and residential facilities for groups; and

WHEREAS, Residential establishments serve an important purpose in the various communities of this State, allowing persons with special needs to receive assistance or care in a setting that may be more comfortable, less informal and less expensive than the setting of a more formal institution, such as a hospital; and

WHEREAS, Federal law, including the Fair Housing Act of 1968 and the Fair Housing Amendments Act of 1988, clearly prohibits discriminatory housing practices, including practices which have the effect of discriminating against persons with disabilities in regard to the availability of housing; and

WHEREAS, The statutes of this State already require, in large part, that residential establishments be treated as single-family residences for zoning purposes, and already require the Health Division of the Department of Health and Human Services to compile and maintain a registry of information relating to such establishments; and

WHEREAS, Ensuring that such information is accurate, current and disseminated to the pertinent authorities is of vital importance to several state and local governmental agencies, because: (1) persons who reside in

residential establishments may be more susceptible than other persons to become victims of mistreatment or unscrupulous behavior, including, without limitation, Medicaid fraud or Medicare fraud; (2) governmental agencies and officers who enforce health and safety standards must be notified of the location of residential establishments in order to protect adequately the persons who reside in those establishments; and (3) fire departments, law enforcement agencies and other first responders must be notified of the locations of residential establishments so that they may be prepared to address the special needs of the residents of those establishments in the event of a fire, medical crisis or other emergency; and

WHEREAS, In several communities throughout the State, the names ascribed to residential establishments may be different, and certain persons may attempt to operate on an informal or unlicensed basis facilities that are, in practical effect, residential establishments; now, therefore,

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 278 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 8, inclusive, of this act.

Sec. 2. ***As used in NRS 278.021 and sections 2 to 8, inclusive, of this act, unless the context otherwise requires, the words and terms defined in sections 3 to 6, inclusive, of this act have the meanings ascribed to them in those sections.***

Sec. 3. ***"Halfway house for recovering alcohol and drug abusers" has the meaning ascribed to it in NRS 449.008.***

Sec. 4. ***"Home for individual residential care" has the meaning ascribed to it in NRS 449.0105.***

Sec. 5. ***"Residential establishment" means a home for individual residential care in a county whose population is 100,000 or more, a halfway house for recovering alcohol and drug abusers or a residential facility for groups.***

Sec. 6. ***"Residential facility for groups" has the meaning ascribed to it in NRS 449.017.***

Sec. 7. ***1. Each political subdivision of the State of Nevada shall, within the limits of available money:***

(1) The name of the owner of the group home;

(2) If the group home is leased or rented, the name of the lessee or renter;

(3) The name of the administrator of the group home, if any;

(4) The address of the group home;

(5) The phone number of the group home;

(6) If the group home is licensed, the number of clients for which the home is licensed; and

(7) If known, any information that may be helpful to agencies providing police, fire-fighting, rescue or emergency medical services with respect to persons residing in the group home who may need special assistance in the event of a fire, medical crisis or other emergency; and

(b) As often as is reasonably necessary, but not less frequently than once each calendar quarter, transmit the information to the Health Division.

2. If a political subdivision is not able to obtain all of the information described in subsection 1, it shall transmit to the Health Division such information as it is able to obtain.

3. Using the information transmitted by political subdivisions pursuant to subsection 1 and using any other resources at its disposal, the Health Division shall compile and maintain a registry of information relating to each group home that exists in this State. The Health Division shall make the information contained in the registry available to:

(a) Any agency of the State of Nevada or a political subdivision of this State that provides police, fire-fighting, rescue or emergency medical services;

(b) Any agency of the Federal Government, the State of Nevada or a political subdivision of this State that is involved in the investigation of acts of abuse, fraud or similar crimes; and

(c) Except as otherwise provided in this paragraph, the general public, through the use of the Internet website maintained by the Health Division. The Health Division shall not make available on its Internet website any personally identifying information relating to a resident of a group home.

4. Insofar as the Health Division is able to obtain the relevant information, the registry compiled and maintained by the Health Division must include, with respect to each group home that exists in this State:

(a) Each item of information described in paragraph (a) of subsection 1; and

(b) An entry indicating whether the group home is or is not formally licensed or certified as a residential establishment.

5. Any department or agency of the State of Nevada or a political subdivision of this State that becomes aware of the existence of a group home which is not included in the registry shall, within 30 days after obtaining such information, transmit the information to the Health Division as is necessary for inclusion in the registry.

6. As used in this section:

(a) "Group home" means:

(1) A residential establishment; and

(2) Any other home, facility or residence, whether or not it is licensed, whether it is operated formally or informally and by whatever name it may be known, that provides to four or more unrelated persons services similar to those provided by a residential establishment.

(b) "Health Division" means the Health Division of the Department of Health and Human Services.

(c) "Political subdivision" means a city or county.

Sec. 8. ***1. As a prerequisite to the approval or issuance of any rezoning, zone variance or special use permit that is necessary to operate a residential establishment, the governing body of a county or city shall ensure that the establishment or the owner or operator thereof has obtained any licenses or certifications that are required by federal, state or local authorities.***

2. Pending a residential establishment or the owner or operator thereof obtaining the required licenses and certifications, the governing body of a county or city or another entity designated to act on behalf of the governing body may conditionally or provisionally approve or issue any rezoning, zone variance or special use permit that is necessary to operate the establishment.

Sec. 9. NRS 278.021 is hereby amended to read as follows:

278.021 1. In any ordinance adopted by a city or county, the definition of "single-family residence" must include a:

(a) Residential facility for groups in which 10 or fewer unrelated persons with disabilities reside with:

(1) House parents or guardians who need not be related to any of the persons with disabilities; and

(2) If applicable, additional persons who are related to the house parents or guardians within the third degree of consanguinity or affinity.

(b) Home for individual residential care.

(c) Halfway house for recovering alcohol and drug abusers.

2. The provisions of subsection 1 do not prohibit a definition of "single-family residence" which permits more persons to reside in a residential facility for groups, nor does it prohibit regulation of homes which are operated on a commercial basis. For the purposes of this subsection, a residential facility for groups, a halfway house for recovering alcohol and drug abusers or a home for individual residential care shall not be deemed to be a home that is operated on a commercial basis for any purposes relating to building codes or zoning.

3. ~~[The Health Division of the Department of Health and Human Services shall compile and maintain a registry of information relating to each residential establishment that exists in this State and shall make available for access on the Internet or its successor, if any, the information contained in the registry. The registry must include with respect to each residential establishment:~~

~~(a) The name of the owner of the establishment;~~

~~(b) The name of the administrator of the establishment;~~

~~(c) The address of the establishment; and~~

~~(d) The number of clients for which the establishment is licensed.~~

~~➥ Any department or agency of a county or city that becomes aware of the existence of a residential establishment that is not included in the registry shall transmit such information to the Health Division, as is necessary, for inclusion in the registry within 30 days after obtaining the information.~~

~~4.~~] The governing body of a county whose population is 100,000 or more or the governing body of a city in such a county or any department or agency of the city or county shall approve the first application submitted on or after July 1, 2000, to operate a residential establishment within a particular neighborhood in the jurisdiction of the governing body. If a subsequent application is submitted to operate an additional residential establishment at a location that is within the minimum distance established by the governing body pursuant to this subsection from an existing residential establishment, the governing body shall review the application based on applicable zoning ordinances. The requirements of this subsection do not require the relocation or displacement of any residential establishment which existed before July 1, 2001, from its location on that date. The provisions of this subsection do not create or impose a presumption that the location of more than one residential establishment within the minimum distance of each other established by the governing body pursuant to this subsection is inappropriate under all circumstances with respect to the enforcement of zoning ordinances and regulations. For purposes of this subsection, each governing body shall establish by ordinance a minimum distance between residential establishments that is at least ~~[660]~~ ***1,500*** feet but not more than ~~[1,500]~~ ***2,500*** feet.

~~[5. The]~~

4. Except as otherwise provided in section 8 of this act, the governing body of a county or city shall not refuse to issue a special use permit to a residential establishment that meets local public health and safety standards.

~~[6.]~~ ***5.*** The provisions of this section must not be applied in any manner which would result in a loss of money from the Federal Government for programs relating to housing.

~~[7.]~~ ***6.*** As used in this section ~~[~~:

~~(a) "Halfway house for recovering alcohol and drug abusers" has the meaning ascribed to it in NRS 449.008.~~

~~[(d) "Residential establishment" means a home for individual residential care in a county whose population is 100,000 or more, a halfway house for recovering alcohol and drug abusers or a residential facility for groups.~~

~~(e) "Residential facility for groups" has the meaning ascribed to it in NRS 449.017.]~~

Sec. 10. 1. On or before December 31, 2007, the governing body of each county whose population is 100,000 or more, and the governing body of each city in such a county, shall establish by ordinance the minimum distance between residential establishments that is set forth in subsection 3 of NRS 278.021.

2. If a governing body fails to comply with the provisions of subsection 1 on or before December 31, 2007, on that date the ordinances of the governing body shall be deemed to establish by operation of law a minimum distance between residential establishments of ~~[1,500]~~ **2,500** feet.

3. As used in this section, "residential establishment" has the meaning ascribed to it in section 5 of this act.

The following amendment was proposed by the Committee on Transportation:

Amendment No. 451.

AN ACT relating to motor vehicles; allowing a civil action to be filed against the owner or person in lawful possession of real property on which public parking is restricted in a certain manner for the improper towing of a vehicle; ~~[reducing]~~ **increasing** the time within which a court must hold a hearing relating to an improper towing; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law allows an owner of an off-street parking facility to authorize the towing or removing of a vehicle from the facility in certain circumstances. (NRS 487.037) Existing law also allows the owner or person in lawful possession of any real property to have a vehicle that is parked in an unauthorized manner on the property towed if certain signs are posted and certain notices are given. (NRS 487.038) Finally, existing law allows a person whose car has been towed from private property, but not property where public parking is allowed, to bring a civil action against the person who authorized the towing to determine if the towing was lawful. (NRS 487.039)

This bill allows a person who believes his vehicle has been unlawfully towed from real property where public parking is allowed to file a civil action and for process to be served on the owner or person in lawful possession of the real property. This bill also ~~[reduces]~~ **increases** the time within which the court must hold a hearing on the matter of the propriety of

the towing from 7 **calendar** days to ~~[2]~~ **7** working days after the action is filed.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 487.039 is hereby amended to read as follows:

487.039 1. If a vehicle is towed ~~[from private property upon the request of the owner of the private property, or a person in lawful possession of that property,]~~ ***pursuant to NRS 487.037 or 487.038*** and the owner of the vehicle believes that the vehicle was unlawfully towed, the owner of the vehicle may file a civil action pursuant to paragraph (b) of subsection 1 of NRS 4.370 in the justice court of the township where the ~~[private]~~ property ***from which the vehicle was towed*** is located, on a form provided by the court, to determine whether the towing of the vehicle was lawful.

2. An action may be filed pursuant to this section only if the cost of towing and storing the vehicle does not exceed $10,000.

3. Upon the filing of a civil action pursuant to subsection 1, the court shall schedule a date for a hearing. The hearing must be held not later than 7 ~~[2]~~ ***working*** days after the action is filed. The court shall affix the date of the hearing to the form and order a copy served by the sheriff, constable or other process server upon the ***owner or*** person ***in lawful possession of the property*** who authorized the towing of the vehicle.

4. The court shall:

(a) If it determines that the vehicle was:

(1) Lawfully towed, order the owner of the vehicle to pay the cost of towing and storing the vehicle and order the person who is storing the vehicle to release the vehicle to the owner upon payment of that cost; or

(2) Unlawfully towed, order the ***owner or*** person ***in lawful possession of the property*** who authorized the towing to pay the cost of towing and storing the vehicle and order the person who is storing the vehicle to release the vehicle to the owner immediately; and

(b) Determine the actual cost incurred in towing and storing the vehicle.

5. The operator of any facility or other location where vehicles which are towed ~~[from private property]~~ are stored shall display conspicuously at that facility or location a sign which sets forth the provisions of this section.

Amendment No. 191.

AN ACT relating to parentage; creating a conclusive presumption of paternity in certain circumstances; expanding the persons authorized to perform certain tests to determine paternity; **revising certain provisions concerning voluntary acknowledgments of paternity;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1 of this bill provides that if the results of a blood test or genetic test establish a probability of the alleged father's paternity of 99 percent or more, the results of such a test create a conclusive presumption of paternity ~~[.]~~ **except in certain limited circumstances.** (NRS 126.051)

Sections 4 and 12 of this bill amend existing law to provide that ~~[an employee of]~~ **a person designated by** the Division of Welfare and Supportive Services of the Department of Health and Human Services, the district attorney or the Attorney General is authorized to perform certain tests for the typing of blood or the taking of specimens for genetic identification in paternity cases. (NRS 126.121, 652.210)

Sections 2 and 7-11 of this bill amend existing law to provide that the mother and father of a child may sign a declaration under penalty of perjury, rather than an affidavit which requires the signature of a notary public, for the voluntary acknowledgment of paternity of a child. (NRS 126.053, 440.280, 440.283, 440.287, 440.325, 449.246)

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 126.051 is hereby amended to read as follows:

126.051 1. A man is presumed to be the natural father of a child if:

(a) He and the child's natural mother are or have been married to each other and the child is born during the marriage, or within 285 days after the marriage is terminated by death, annulment, declaration of invalidity or divorce, or after a decree of separation is entered by a court.

(b) He and the child's natural mother were cohabiting for at least 6 months before the period of conception and continued to cohabit through the period of conception.

(c) Before the child's birth, he and the child's natural mother have attempted to marry each other by a marriage solemnized in apparent compliance with law, although the attempted marriage is invalid or could be declared invalid, and:

(1) If the attempted marriage could be declared invalid only by a court, the child is born during the attempted marriage, or within 285 days after its termination by death, annulment, declaration of invalidity or divorce; or

(2) If the attempted marriage is invalid without a court order, the child is born within 285 days after the termination of cohabitation.

(d) While the child is under the age of majority, he receives the child into his home and openly holds out the child as his natural child.

~~[(e) Blood]~~

2. A conclusive presumption that a man is the natural father of a child is established if tests ***for the typing of blood*** or tests for genetic identification made pursuant to NRS 126.121 show a probability of 99 percent or more that he is the father ~~[.]~~ ***except that the presumption may be rebutted if he establishes that he has an identical sibling who may be the father.***

~~[2.]~~ ***3.*** A presumption under ~~[this section]~~ ***subsection 1*** may be rebutted in an appropriate action only by clear and convincing evidence. If two or more presumptions arise which conflict with each other, the presumption which on the facts is founded on the weightier considerations of policy and logic controls. The presumption is rebutted by a court decree establishing paternity of the child by another man.

Sec. 2. **NRS 126.053 is hereby amended to read as follows:**

126.053 1. After the expiration of the period described in subsection 2, ~~[an affidavit]~~ ***a declaration*** for the voluntary acknowledgment of paternity developed by the State Board of Health pursuant to NRS 440.283 shall be deemed to have the same effect as a judgment or order of a court determining the existence of the relationship of parent and child if the ~~[affidavit]~~ ***declaration*** is signed in this or any other state by the mother and father of the child. ~~[An affidavit]~~ ***A declaration*** for the voluntary acknowledgment of paternity that is signed pursuant to this subsection is not required to be ratified by a court of this State before the ~~[affidavit]~~ ***declaration*** is deemed to have the same effect as a judgment or order of a court determining the existence of the relationship of parent and child.

2. A person who signs an acknowledgment of paternity in this State may rescind the acknowledgment:

(a) Within 60 days after the acknowledgment is signed by both persons; or

(b) Before the date on which an administrative or judicial proceeding relating to the child begins if that person is a party to the proceeding,

➥ whichever occurs earlier.

3. After the expiration of the period during which an acknowledgment may be rescinded pursuant to subsection 2, the acknowledgment may not be challenged except upon the grounds of fraud, duress or material mistake of fact. The burden of proof is on the person challenging the acknowledgment to establish that the acknowledgment was signed because of fraud, duress or material mistake of fact.

4. Except upon a showing of good cause, a person's obligation for the support of a child must not be suspended during a hearing to challenge a voluntary acknowledgment of paternity.

~~[Sec. 2.]~~ ***Sec. 3.*** NRS 126.101 is hereby amended to read as follows:

126.101 1. The child must be made a party to the action. If he is a minor, he must be represented by his general guardian or a guardian ad litem appointed by the court. The child's mother or father may not represent the child as guardian or otherwise. If a district attorney brings an action pursuant to NRS 125B.150 and the interests of the child:

(a) Are adequately represented by the appointment of the district attorney as his guardian ad litem, the district attorney shall act as guardian ad litem for the child without the need for court appointment.

(b) Are not adequately represented by the appointment of the district attorney as his guardian ad litem, the Division of Welfare and Supportive Services of the Department of Health and Human Services must be appointed as guardian ad litem in the case.

2. The natural mother and a man presumed to be the father under NRS 126.051 must be made parties, but if more than one man is presumed to be the natural father, only a man presumed pursuant to subsection 2 ***or 3*** of NRS 126.051 is an indispensable party. Any other presumed or alleged father may be made a party.

3. The court may align the parties.

~~[Sec. 3.]~~ ***Sec. 4.*** NRS 126.121 is hereby amended to read as follows:

126.121 1. The court may, and shall upon the motion of a party, order the mother, child, alleged father or any other person so involved to submit to one or more tests for the typing of blood or taking of specimens for genetic identification to be made by ~~[the employee of]~~ ***a person designated by an enforcing authority,*** qualified physicians or other qualified persons, under such restrictions and directions as the court or judge deems proper. Whenever such a test is ordered and made, the results of the test must be received in evidence and must be made available to a judge, master or referee conducting a hearing pursuant to NRS 126.111. Unless a party files a written objection to the result of a test at least 30 days before the hearing at which the result is to be received in evidence, the result is admissible as evidence of paternity without foundational testimony or other proof of authenticity or accuracy. The order for such a test also may direct that the testimony of the experts and of the persons so examined may be taken by deposition or written interrogatories.

2. If any party refuses to submit to or fails to appear for a test ordered pursuant to subsection 1, the court may presume that the result of the test would be adverse to the interests of that party or may enforce its order if the rights of others and the interests of justice so require.

3. The court, upon reasonable request by a party, shall order that independent tests for determining paternity be performed by other experts or qualified laboratories.

4. In all cases, the court shall determine the number and qualifications of the experts and laboratories.

5. As used in this section, "enforcing authority" means the Division of Welfare and Supportive Services of the Department of Health and Human Services, its designated representative, a district attorney or the Attorney General when acting pursuant to NRS 425.380.

~~[Sec. 4.]~~ ***Sec. 5.*** NRS 128.150 is hereby amended to read as follows:

Assembly Bill No. 516.

Bill read second time.

The following amendment was proposed by the Committee on Elections, Procedures, Ethics, and Constitutional Amendments:

Amendment No. 225.

AN ACT relating to elections; revising provisions governing the review of arguments advocating and opposing the approval of certain measures proposed by initiative or referendum; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides a procedure by which committees prepare arguments advocating and opposing the approval of certain measures proposed by initiative or referendum on the ballot at statewide and local elections. Under this procedure, the Secretary of State or county or city clerk, as applicable, is required to reject each statement contained in such arguments that he believes is libelous or factually inaccurate. The committee that prepared a rejected statement may appeal the rejection to the Attorney General concerning statewide measures or the district attorney or city attorney concerning local measures. The Attorney General, district attorney or city attorney, as applicable, is required to review the decision and determine whether the statement should be rejected or accepted, which determination is a final decision for the purposes of judicial review. (NRS 293.252, 295.121, 295.217) This bill eliminates the role of the Attorney General, district attorney and city attorney in the review of a decision to reject such a statement by the Secretary of State or county or city clerk, as applicable, and provides for the appeal of such a decision by a committee directly to district court.

Assembly Bill No. 533.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 207.

AN ACT relating to notaries public; **revising provisions pertaining to the training of notaries public;** revising provisions governing the notarization of the signature of a person unknown to the notary public; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the Secretary of State is allowed to adopt regulations prescribing the procedure for the voluntary training of notaries public and is allowed to provide courses of study for the voluntary training of notaries public. (NRS 240.017, 240.018) Sections 1-4 of this bill provide that such training is mandatory for: (1) a person applying for appointment as a notary public for the first time; (2) a person renewing his appointment as a notary public, if his appointment has expired for a period greater than 1 year; and (3) a person renewing his appointment as a notary public, if he has been fined for failing to

comply with a statute or regulation of this State relating to notaries public during his immediately preceding period of appointment.

Under existing law, a notary public is guilty of a gross misdemeanor if he notarizes the signature of a person in his presence who is unknown to him unless the person provides documentary evidence of his identity. (NRS 240.155) Existing law also provides that a notarial officer has satisfactory evidence that a person is the person whose signature is on a document if, in pertinent part, the person is identified upon the oath and affirmation of a credible witness. (NRS 240.1655) A credible witness is a person who is known personally to the signer of the document and the notarial officer. (NRS 240.0025) ~~[This]~~ **Section 5 of this** bill resolves the conflict between those provisions by providing an additional exception to the criminal penalty which allows a notary public to notarize the signature of a person unknown to him who provides a credible witness.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 206.

AN ACT relating to State Government; authorizing the Governor to designate a temporary replacement if the State Controller or the State Treasurer becomes temporarily incapacitated; **requiring certification by a licensed physician; defining "incapacity";** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, if a vacancy occurs in the office of any state officer, the Governor is required to appoint a person to serve in that office until the next general election. (NRS 283.110) Existing law sets forth the events that cause a vacancy in office, including death and illness of a certain duration, but does not address the situation in which a state officer may be unable to perform the duties and functions of his office because of temporary incapacity. (NRS 283.040) This bill provides that if the Governor determines the State Controller or the State Treasurer suffers from illness or incapacity of indeterminate duration and that the illness or incapacity seriously interferes with or otherwise poses a critical and immediate danger to the financial operations of this State, the Governor may designate the Secretary of State or the Lieutenant Governor to perform the duties and functions of the State Controller or the State Treasurer, as applicable, for a limited period. **This bill prohibits such a designation unless a physician licensed under the laws of this State examines the State Controller or the State Treasurer, as applicable, and certifies that the officer suffers from such illness or incapacity.** This bill also authorizes the Office of the State Controller, in advance, to obtain and secure any necessary mechanical device that would be required by the Secretary of State or the Lieutenant Governor if designated to perform the duties and functions of the State Controller or the State Treasurer, as applicable, so that the designee may use a facsimile signature in place of his handwritten signature in performing such duties and functions.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 283 of NRS is hereby amended by adding thereto a new section to read as follows:

1. ~~[If]~~ ***Except as otherwise provided in subsection 2, if the Governor determines that the State Controller or the State Treasurer suffers from illness or incapacity which:***

(a) Is likely to be of indeterminate or unknown duration;

(b) Does not constitute a vacancy in office as described in NRS 283.040; and

(c) Seriously interferes with or otherwise poses a critical and immediate danger to the financial operations of this State,

➥ the Governor may designate the Secretary of State or the Lieutenant Governor to perform such duties and functions of the State Controller or the State Treasurer, as applicable, as are necessary for the continuing financial operations of this State.

2. The Governor shall not make a designation pursuant to subsection 1 unless a physician licensed under the laws of this State certifies that he has examined the State Controller or the State Treasurer, as applicable, and has found such officer to suffer from illness or incapacity.

3. If the Governor makes a designation pursuant to subsection 1:

(a) The designation is effective until the earliest of the following events:

(1) The State Controller or the State Treasurer, as applicable, becomes capable of returning to the performance of his duties ~~[;]~~ ***, as certified by an examining physician licensed under the laws of this State;***

(2) The office of the State Controller or the State Treasurer, as applicable, is vacated by operation of law and a successor is appointed; or

(3) A successor is elected to replace the State Controller or the State Treasurer, as applicable, and has been qualified following the next general election.

(b) The officer designated to perform the duties and functions of the State Controller or the State Treasurer, as applicable, shall, for the effective duration of the designation, as described in paragraph (a), be deemed to be the State Controller or the State Treasurer, as applicable, to the extent necessary to carry out the duties and functions assigned by law to that office.

~~[3.]~~ ***4. The Office of the State Controller may obtain and secure in advance any necessary mechanical device that would be required by the Secretary of State or the Lieutenant Governor if designated pursuant to subsection 1 to perform the duties and functions of the State Controller or the State Treasurer, as applicable, so that the Secretary of State or the Lieutenant Governor may, as described in NRS 226.080 and 227.090 and for the purpose of performing such duties and functions, use a facsimile signature produced by way of such a mechanical device in place of his handwritten signature.***

5. As used in this section, "incapacity" means inability to perform the duties of office because of advanced age, or mental or physical disability.

Sec. 2. This act becomes effective upon passage and approval.

Legislative Counsel's Digest:

~~[Section 1 of this bill requires the Superintendent of Public Instruction to prepare a compilation of certain information for inclusion in the biennial budgetary request for the State Distributive School Account.]~~

Existing law creates the Commission on Educational Excellence and provides for grants of money by the Commission from the Account for Programs of Innovation and the Prevention of Remediation. (NRS 385.3781-385.379) Section 2 of this bill revises the application process for a grant of money from the Account to provide that school districts and charter schools may submit an application and removes the submission of an application by an individual public school of a school district.

Section 3 of this bill prohibits a certain percentage of the ending fund balance in a school district's general fund from being used to: (1) settle negotiations or arbitrate disputes between the school district and an employee organization; and (2) raise salaries or increase benefits of employees.

Existing law requires the board of trustees of each school district to establish a kindergarten department in each elementary school in the school district. Certain exceptions apply to schools with fewer than 15 children applying for enrollment in kindergarten. (NRS 388.060) Existing law also provides money to the school districts for the operation of kindergarten through the State Distributive School Account in an amount that is calculated based upon six-tenths of each pupil enrolled in kindergarten. (NRS 387.1233) Sections 4 and 7 of this bill require the board of trustees of each school district to provide kindergarten for a full school day beginning with the 2008-2009 school year and amends the basic support calculation so that each pupil enrolled in kindergarten is counted in the same manner as pupils enrolled in grades 1 to 12, inclusive.

Sections 5 and 6 of this bill revise provisions governing the annual required expenditures of school districts. (NRS 387.206, 387.207)

Existing law requires the board of trustees of each school district to submit to the Superintendent of Public Instruction and to the Department of Taxation a written report of the annual budget of the school district. The Superintendent of Public Instruction is required to compile the reports of the annual budgets and submit the written compilation to the Department of Administration and the Fiscal Analysis Division of the Legislative Counsel Bureau. (NRS 387.303) Section 7 of this bill requires the Superintendent of Public Instruction to include certain information in the biennial budget request for the State Distributive School Account for submission to the Department of Administration based upon the annual budgets submitted by the school districts.

Section ~~[8]~~ **9** of this bill creates a Grant Fund for Incentives for Licensed Educational Personnel and requires the board of trustees of each school district to establish a program of incentive pay for licensed educational personnel.

Sections ~~[10-23]~~ **11-24** of this bill make various appropriations for education as follows: (1) inflationary costs of school districts; (2) books, supplies and equipment; (3) increasing salaries and associated benefits for teachers and licensed educational personnel; (4) health insurance for licensed educational personnel; (5) programs of incentive pay; (6) signing bonuses to licensed educational personnel and school nurses; (7) various student programs and career and technical education courses; (8) the provision of full-day kindergarten; and (9) professional development for teachers.

Under existing law, the board of trustees of a school district is required to purchase one-fifth of a year of retirement service for certain teachers and school psychologists. (NRS 391.165) Section ~~[25]~~ **26** of this bill repeals that section of NRS.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. ~~[Chapter 385 of NRS is hereby amended by adding thereto a new section to read as follows:~~

Under existing law, the provisions of title 34 of NRS do not apply to a university school for profoundly gifted pupils, except as otherwise provided by specific statute. (NRS 392A.060) Section 20 of this bill provides that in addition to specific statute, the State Board of Education may adopt regulations governing university schools for profoundly gifted pupils as determined necessary by the Superintendent of Public Instruction.

Section 21 of this bill revises provisions concerning the appointment and membership of the governing body of a university school for profoundly gifted pupils.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 386.650 is hereby amended to read as follows:

386.650 1. The Department shall establish and maintain an automated system of accountability information for Nevada. The system must:

(a) Have the capacity to provide and report information, including, without limitation, the results of the achievement of pupils:

(1) In the manner required by 20 U.S.C. §§ 6301 et seq., and the regulations adopted pursuant thereto, and NRS 385.3469 and 385.347; and

(2) In a separate reporting for each subgroup of pupils identified in paragraph (b) of subsection 1 of NRS 385.361;

(b) Include a system of unique identification for each pupil:

(1) To ensure that individual pupils may be tracked over time throughout this State; and

(2) That, to the extent practicable, may be used for purposes of identifying a pupil for both the public schools and the Nevada System of Higher Education, if that pupil enrolls in the System after graduation from high school;

(c) Have the capacity to provide longitudinal comparisons of the academic achievement, rate of attendance and rate of graduation of pupils over time throughout this State;

(f) Have the capacity to provide other information concerning schools and school districts that is not linked to individual pupils, including, without limitation, the designation of schools and school districts pursuant to NRS 385.3623 and 385.377, respectively, and an identification of which schools, if any, are persistently dangerous;

(g) Have the capacity to access financial accountability information for each public school, including, without limitation, each charter school, for each school district and for this State as a whole; and

➥ The information maintained pursuant to paragraphs (c), (d) and (e) must be used for the purpose of improving the achievement of pupils and improving classroom instruction but must not be used for the purpose of evaluating an individual teacher or paraprofessional.

2. The board of trustees of each school district shall:

(a) Adopt and maintain the program prescribed by the Superintendent of Public Instruction pursuant to subsection 3 for the collection, maintenance and transfer of data from the records of individual pupils to the automated system of information, including, without limitation, the development of plans for the educational technology which is necessary to adopt and maintain the program;

(b) Provide to the Department electronic data concerning pupils as required by the Superintendent of Public Instruction pursuant to subsection 3; and

(c) Ensure that an electronic record is maintained in accordance with subsection 3 of NRS 386.655.

3. The Superintendent of Public Instruction shall:

(f) ***Prescribe the date by which each university school for profoundly gifted pupils shall report the data to the Department;***

(g) Prescribe standardized codes for all data elements used within the automated system and all exchanges of data within the automated system, including, without limitation, data concerning:

(1) Individual pupils;

(2) Individual teachers and paraprofessionals;

(3) Individual schools and school districts; and

(4) Programs and financial information;

~~[(g)]~~ ***(h)*** Provide technical assistance to each school district to ensure that the data from each public school in the school district, including, without limitation, each charter school ***and university school for profoundly gifted pupils*** located within the school district, is compatible with the automated system of information and comparable to the data reported by other school districts; and

~~[(h)]~~ ***(i)*** Provide for the analysis and reporting of the data in the automated system of information.

4. The Department shall establish, to the extent authorized by the Family Educational Rights and Privacy Act of 1974, 20 U.S.C. § 1232g, and any regulations adopted pursuant thereto, a mechanism by which persons or entities, including, without limitation, state officers who are members of the Executive or Legislative Branch, administrators of public schools and school districts, teachers and other educational personnel, and parents and guardians, will have different types of access to the accountability information contained within the automated system to the extent that such information is necessary for the performance of a duty or to the extent that such information may be made available to the general public without posing a threat to the confidentiality of an individual pupil.

5. The Department may, to the extent authorized by the Family Educational Rights and Privacy Act of 1974, 20 U.S.C. § 1232g, and any regulations adopted pursuant thereto, enter into an agreement with the Nevada System of Higher Education to provide access to data contained within the automated system for research purposes.

Sec. 2. NRS 387.121 is hereby amended to read as follows:

387.121 The Legislature declares that the proper objective of state financial aid to public education is to ensure each Nevada child a reasonably equal educational opportunity. Recognizing wide local variations in wealth and costs per pupil, this State should supplement local financial ability to whatever extent necessary in each school district to provide programs of instruction in both compulsory and elective subjects that offer full opportunity for every Nevada child to receive the benefit of the purposes for which public schools are maintained. Therefore **,** the quintessence of the State's financial obligation for such programs can be expressed in a formula

partially on a per pupil basis and partially on a per program basis as: State financial aid to school districts equals the difference between school district basic support guarantee and local available funds produced by mandatory taxes minus all the local funds attributable to pupils who reside in the county but attend a charter school ~~[.]~~ ***or a university school for profoundly gifted pupils.*** This formula is designated the Nevada Plan.

Sec. 3. NRS 387.1211 is hereby amended to read as follows:

387.1211 As used in NRS 387.121 to 387.126, inclusive:

1. "Average daily attendance" means the total number of pupils attending a particular school each day during a period of reporting divided by the number of days school is in session during that period.

2. "Enrollment" means the count of pupils enrolled in and scheduled to attend programs of instruction of a school district ***,*** ~~[or a]~~ charter school ***or university school for profoundly gifted pupils*** at a specified time during the school year.

3. "Special education program unit" means an organized unit of special education and related services which includes full-time services of persons licensed by the Superintendent of Public Instruction or other appropriate licensing body, providing a program of instruction in accordance with minimum standards prescribed by the State Board.

Sec. 4. NRS 387.1221 is hereby amended to read as follows:

387.1221 1. The basic support guarantee for any special education program unit maintained and operated during a period of less than 9 school months is in the same proportion to the amount established by law for that school year as the period during which the program unit actually was maintained and operated is to 9 school months.

2. Any unused allocations for special education program units may be reallocated to other school districts ***,*** ~~[or]~~ charter schools ***or university schools for profoundly gifted pupils*** by the Superintendent of Public Instruction. In such a reallocation, first priority must be given to special education programs with statewide implications, and second priority must be given to special education programs maintained and operated within counties whose allocation is less than or equal to the amount provided by law. If there are more unused allocations than necessary to cover programs of first and second priority but not enough to cover all remaining special education programs eligible for payment from reallocations, then payment for the remaining programs must be prorated. If there are more unused allocations than necessary to cover programs of first priority but not enough to cover all programs of second priority, then payment for programs of second priority must be prorated. If unused allocations are not enough to cover all programs of first priority, then payment for programs of first priority must be prorated.

3. A school district ***,*** ~~[or]~~ a charter school ***or a university school for profoundly gifted pupils*** may, after receiving the approval of the Superintendent of Public Instruction, contract with any person, state agency

or legal entity to provide a special education program unit for pupils of the district pursuant to NRS 388.440 to 388.520, inclusive.

Sec. 5. NRS 387.123 is hereby amended to read as follows:

387.123 1. The count of pupils for apportionment purposes includes all pupils who are enrolled in programs of instruction of the school district, including, without limitation, a program of distance education provided by the school district, ~~[or]~~ pupils who reside in the county in which the school district is located and are enrolled in any charter school, including, without limitation, a program of distance education provided by a charter school, ***and pupils who are enrolled in a university school for profoundly gifted pupils located in the county,*** for:

(a) Pupils in the kindergarten department.

(b) Pupils in grades 1 to 12, inclusive.

(c) Pupils not included under paragraph (a) or (b) who are receiving special education pursuant to the provisions of NRS 388.440 to 388.520, inclusive.

(d) Pupils who reside in the county and are enrolled part time in a program of distance education if an agreement is filed with the Superintendent of Public Instruction pursuant to NRS 388.854 or 388.858, as applicable.

(e) Children detained in facilities for the detention of children, alternative programs and juvenile forestry camps receiving instruction pursuant to the provisions of NRS 388.550, 388.560 and 388.570.

(f) Pupils who are enrolled in classes pursuant to subsection 4 of NRS 386.560 and pupils who are enrolled in classes pursuant to subsection 5 of NRS 386.580.

(g) Pupils who are enrolled in classes pursuant to subsection 3 of NRS 392.070.

(h) Pupils who are enrolled in classes and taking courses necessary to receive a high school diploma, excluding those pupils who are included in paragraphs (d), (f) and (g).

2. The State Board shall establish uniform regulations for counting enrollment and calculating the average daily attendance of pupils. In establishing such regulations for the public schools, the State Board:

(a) Shall divide the school year into 10 school months, each containing 20 or fewer school days, or its equivalent for those public schools operating under an alternative schedule authorized pursuant to NRS 388.090.

(b) May divide the pupils in grades 1 to 12, inclusive, into categories composed respectively of those enrolled in elementary schools and those enrolled in secondary schools.

(c) Shall prohibit the counting of any pupil specified in subsection 1 more than once.

3. Except as otherwise provided in subsection 4 and NRS 388.700, the State Board shall establish by regulation the maximum pupil-teacher ratio in each grade, and for each subject matter wherever different subjects are taught

in separate classes, for each school district of this State which is consistent with:

(a) The maintenance of an acceptable standard of instruction;

(b) The conditions prevailing in the school district with respect to the number and distribution of pupils in each grade; and

(c) Methods of instruction used, which may include educational television, team teaching or new teaching systems or techniques.

➥ If the Superintendent of Public Instruction finds that any school district is maintaining one or more classes whose pupil-teacher ratio exceeds the applicable maximum, and unless he finds that the board of trustees of the school district has made every reasonable effort in good faith to comply with the applicable standard, he shall, with the approval of the State Board, reduce the count of pupils for apportionment purposes by the percentage which the number of pupils attending those classes is of the total number of pupils in the district, and the State Board may direct him to withhold the quarterly apportionment entirely.

4. The provisions of subsection 3 do not apply to a charter school ~~[or]~~ ***, a university school for profoundly gifted pupils or*** a program of distance education provided pursuant to NRS 388.820 to 388.874, inclusive.

Sec. 6. NRS 387.1233 is hereby amended to read as follows:

387.1233 1. Except as otherwise provided in subsection 2, basic support of each school district must be computed by:

(a) Multiplying the basic support guarantee per pupil established for that school district for that school year by the sum of:

(1) Six-tenths the count of pupils enrolled in the kindergarten department on the last day of the first school month of the school district for the school year, including, without limitation, the count of pupils who reside in the county and are enrolled in any charter school on the last day of the first school month of the school district for the school year.

(2) The count of pupils enrolled in grades 1 to 12, inclusive, on the last day of the first school month of the school district for the school year, including, without limitation, the count of pupils who reside in the county and are enrolled in any charter school on the last day of the first school month of the school district for the school year ~~[.]~~ ***and the count of pupils who are enrolled in a university school for profoundly gifted pupils located in the county.***

(3) The count of pupils not included under subparagraph (1) or (2) who are enrolled full time in a program of distance education provided by that school district or a charter school located within that school district on the last day of the first school month of the school district for the school year.

(4) The count of pupils who reside in the county and are enrolled:

(I) In a public school of the school district and are concurrently enrolled part time in a program of distance education provided by another school district or a charter school on the last day of the first school month of the school district for the school year, expressed as a percentage of the total

time services are provided to those pupils per school day in proportion to the total time services are provided during a school day to pupils who are counted pursuant to subparagraph (2).

(II) In a charter school and are concurrently enrolled part time in a program of distance education provided by a school district or another charter school on the last day of the first school month of the school district for the school year, expressed as a percentage of the total time services are provided to those pupils per school day in proportion to the total time services are provided during a school day to pupils who are counted pursuant to subparagraph (2).

(5) The count of pupils not included under subparagraph (1), (2), (3) or (4), who are receiving special education pursuant to the provisions of NRS 388.440 to 388.520, inclusive, on the last day of the first school month of the school district for the school year, excluding the count of pupils who have not attained the age of 5 years and who are receiving special education pursuant to subsection 1 of NRS 388.490 on that day.

(6) Six-tenths the count of pupils who have not attained the age of 5 years and who are receiving special education pursuant to subsection 1 of NRS 388.490 on the last day of the first school month of the school district for the school year.

(7) The count of children detained in facilities for the detention of children, alternative programs and juvenile forestry camps receiving instruction pursuant to the provisions of NRS 388.550, 388.560 and 388.570 on the last day of the first school month of the school district for the school year.

(8) The count of pupils who are enrolled in classes for at least one semester pursuant to subsection 4 of NRS 386.560, subsection 5 of NRS 386.580 or subsection 3 of NRS 392.070, expressed as a percentage of the total time services are provided to those pupils per school day in proportion to the total time services are provided during a school day to pupils who are counted pursuant to subparagraph (2).

(b) Multiplying the number of special education program units maintained and operated by the amount per program established for that school year.

(c) Adding the amounts computed in paragraphs (a) and (b).

2. If the enrollment of pupils in a school district or a charter school that is located within the school district on the last day of the first school month of the school district for the school year is less than the enrollment of pupils in the same school district or charter school on the last day of the first school month of the school district for either or both of the immediately preceding 2 school years, the largest number must be used from among the 3 years for purposes of apportioning money from the State Distributive School Account to that school district or charter school pursuant to NRS 387.124.

3. Pupils who are excused from attendance at examinations or have completed their work in accordance with the rules of the board of trustees must be credited with attendance during that period.

4. Pupils who are incarcerated in a facility or institution operated by the Department of Corrections must not be counted for the purpose of computing basic support pursuant to this section. The average daily attendance for such pupils must be reported to the Department of Education.

5. Pupils who are enrolled in courses which are approved by the Department as meeting the requirements for an adult to earn a high school diploma must not be counted for the purpose of computing basic support pursuant to this section.

Sec. 7. NRS 387.124 is hereby amended to read as follows:

387.124 Except as otherwise provided in this section and NRS 387.528:

1. On or before August 1, November 1, February 1 and May 1 of each year, the Superintendent of Public Instruction shall apportion the State Distributive School Account in the State General Fund among the several county school districts **,** ~~[and]~~ charter schools ***and university schools for profoundly gifted pupils*** in amounts approximating one-fourth of their respective yearly apportionments less any amount set aside as a reserve. The apportionment to a school district, computed on a yearly basis, equals the difference between the basic support and the local funds available pursuant to NRS 387.1235, minus all the funds attributable to pupils who reside in the county but attend a charter school **,** ~~[and]~~ all the funds attributable to pupils who reside in the county and are enrolled full time or part time in a program of distance education provided by another school district or a charter school ~~[.]~~ ***and all the funds attributable to pupils who are enrolled in a university school for profoundly gifted pupils located in the county.*** No apportionment may be made to a school district if the amount of the local funds exceeds the amount of basic support. If an agreement is not filed for a pupil who is enrolled in a program of distance education as required by NRS 388.854, the Superintendent of Public Instruction shall not apportion money for that pupil to the board of trustees of the school district in which the pupil resides, or the board of trustees or governing body that provides the program of distance education.

2. Except as otherwise provided in subsection 3, the apportionment to a charter school, computed on a yearly basis, is equal to the sum of the basic support per pupil in the county in which the pupil resides plus the amount of local funds available per pupil pursuant to NRS 387.1235 and all other funds available for public schools in the county in which the pupil resides minus all the funds attributable to pupils who are enrolled in the charter school but are concurrently enrolled part time in a program of distance education provided by a school district or another charter school. If the apportionment per pupil to a charter school is more than the amount to be apportioned to the school district in which a pupil who is enrolled in the charter school resides, the school district in which the pupil resides shall pay the difference directly to the charter school.

3. The apportionment to a charter school that is sponsored by the State Board, computed on a yearly basis, is equal to the sum of the basic support

per pupil in the county in which the pupil resides plus the amount of local funds available per pupil pursuant to NRS 387.1235 and all other funds available for public schools in the county in which the pupil resides, minus all funds attributable to pupils who are enrolled in the charter school but are concurrently enrolled part time in a program of distance education provided by a school district or another charter school.

4. In addition to the apportionments made pursuant to this section, an apportionment must be made to a school district or charter school that provides a program of distance education for each pupil who is enrolled part time in the program if an agreement is filed for that pupil pursuant to NRS 388.854 or 388.858, as applicable. The amount of the apportionment must be equal to the percentage of the total time services are provided to the pupil through the program of distance education per school day in proportion to the total time services are provided during a school day to pupils who are counted pursuant to subparagraph (2) of paragraph (a) of subsection 1 of NRS 387.1233 for the school district in which the pupil resides.

5. The governing body of a charter school may submit a written request to the Superintendent of Public Instruction to receive, in the first year of operation of the charter school, an apportionment 30 days before the apportionment is required to be made pursuant to subsection 1. Upon receipt of such a request, the Superintendent of Public Instruction may make the apportionment 30 days before the apportionment is required to be made. A charter school may receive all four apportionments in advance in its first year of operation.

6. ***The apportionment to a university school for profoundly gifted pupils, computed on a yearly basis, is equal to the sum of the basic support per pupil in the county in which the university school is located plus the amount of local funds available per pupil pursuant to NRS 387.1235 and all other funds available for public schools in the county in which the university school is located. If the apportionment per pupil to a university school for profoundly gifted pupils is more than the amount to be apportioned to the school district in which the university school is located, the school district shall pay the difference directly to the university school. The governing body of a university school for profoundly gifted pupils may submit a written request to the Superintendent of Public Instruction to receive, in the first year of operation of the university school, an apportionment 30 days before the apportionment is required to be made pursuant to subsection 1. Upon receipt of such a request, the Superintendent of Public Instruction may make the apportionment 30 days before the apportionment is required to be made. A university school for profoundly gifted pupils may receive all four apportionments in advance in its first year of operation.***

7. The Superintendent of Public Instruction shall apportion, on or before August 1 of each year, the money designated as the "Nutrition State Match" pursuant to NRS 387.105 to those school districts that participate in the

National School Lunch Program, 42 U.S.C. §§ 1751 et seq. The apportionment to a school district must be directly related to the district's reimbursements for the Program as compared with the total amount of reimbursements for all school districts in this State that participate in the Program.

~~[7.]~~ ***8.*** If the State Controller finds that such an action is needed to maintain the balance in the State General Fund at a level sufficient to pay the other appropriations from it, he may pay out the apportionments monthly, each approximately one-twelfth of the yearly apportionment less any amount set aside as a reserve. If such action is needed, the State Controller shall submit a report to the Department of Administration and the Fiscal Analysis Division of the Legislative Counsel Bureau documenting reasons for the action.

Sec. 8. NRS 387.1243 is hereby amended to read as follows:

387.1243 1. The first apportionment based on an estimated number of pupils and special education program units and succeeding apportionments are subject to adjustment from time to time as the need therefor may appear.

2. The apportionments to a school district may be adjusted during a fiscal year by the Department of Education, upon approval by the State Board of Examiners and the Interim Finance Committee, if the Department of Taxation and the county assessor in the county in which the school district is located certify to the Department of Education that the school district will not receive the tax levied pursuant to subsection 1 of NRS 387.195 on property of the Federal Government located within the county if:

(a) The leasehold interest, possessory interest, beneficial interest or beneficial use of the property is subject to taxation pursuant to NRS 361.157 and 361.159 and one or more lessees or users of the property are delinquent in paying the tax; and

(b) The total amount of tax owed but not paid for the fiscal year by any such lessees and users is at least 5 percent of the proceeds that the school district would have received from the tax levied pursuant to subsection 1 of NRS 387.195.

➥ If a lessee or user pays the tax owed after the school district's apportionment has been increased in accordance with the provisions of this subsection to compensate for the tax owed, the school district shall repay to the State Distributive School Account in the State General Fund an amount equal to the tax received from the lessee or user for the year in which the school district received an increased apportionment, not to exceed the increase in apportionments made to the school district pursuant to this subsection.

3. On or before August 1 of each year, the board of trustees of a school district shall provide to the Department, in a format prescribed by the Department, the count of pupils calculated pursuant to subparagraph (8) of paragraph (a) of subsection 1 of NRS 387.1233 who completed at least one semester during the immediately preceding school year. The count of pupils

submitted to the Department must be included in the final adjustment computed pursuant to subsection 4.

4. A final adjustment for each school district **,** ~~[and]~~ charter school ***and university school for profoundly gifted pupils*** must be computed as soon as practicable following the close of the school year, but not later than August 25. The final computation must be based upon the actual counts of pupils required to be made for the computation of basic support and the limits upon the support of special education programs, except that for any year when the total enrollment of pupils and children in a school district **,** ~~[or]~~ a charter school located within the school district ***or a university school for profoundly gifted pupils located within the school district*** described in paragraphs (a), (b), (c) and (e) of subsection 1 of NRS 387.123 is greater on the last day of any school month of the school district after the second school month of the school district and the increase in enrollment shows at least:

(a) A 3-percent gain, basic support as computed from first-month enrollment for the school district **,** ~~[or]~~ charter school ***or university school for profoundly gifted pupils*** must be increased by 2 percent.

(b) A 6-percent gain, basic support as computed from first-month enrollment for the school district **,** ~~[or]~~ charter school ***or university school for profoundly gifted pupils*** must be increased by an additional 2 percent.

5. If the final computation of apportionment for any school district **,** ~~[or]~~ charter school ***or university school for profoundly gifted pupils*** exceeds the actual amount paid to the school district **,** ~~[or]~~ charter school ***or university school for profoundly gifted pupils*** during the school year, the additional amount due must be paid before September 1. If the final computation of apportionment for any school district **,** ~~[or]~~ charter school ***or university school for profoundly gifted pupils*** is less than the actual amount paid to the school district **,** ~~[or]~~ charter school ***or university school for profoundly gifted pupils*** during the school year, the difference must be repaid to the State Distributive School Account in the State General Fund by the school district **,** ~~[or]~~ charter school ***or university school for profoundly gifted pupils*** before September 25.

Sec. 9. NRS 387.126 is hereby amended to read as follows:

387.126 The Superintendent of Public Instruction may in his discretion and shall when so directed by the State Board verify by independent audit or other suitable examination the reports of enrollment and daily attendance submitted by any school district **,** ~~[or]~~ charter school ***or university school for profoundly gifted pupils*** for apportionment purposes.

Sec. 10. NRS 387.185 is hereby amended to read as follows:

387.185 1. Except as otherwise provided in subsection 2 and NRS 387.528, all school money due each county school district must be paid over by the State Treasurer to the county treasurer on August 1, November 1, February 1 and May 1 of each year or as soon thereafter as the county treasurer may apply for it, upon the warrant of the State Controller drawn in

conformity with the apportionment of the Superintendent of Public Instruction as provided in NRS 387.124.

2. Except as otherwise provided in NRS 387.528, if the board of trustees of a school district establishes and administers a separate account pursuant to the provisions of NRS 354.603, all school money due that school district must be paid over by the State Treasurer to the school district on August 1, November 1, February 1 and May 1 of each year or as soon thereafter as the school district may apply for it, upon the warrant of the State Controller drawn in conformity with the apportionment of the Superintendent of Public Instruction as provided in NRS 387.124.

3. No county school district may receive any portion of the public school money unless that school district has complied with the provisions of this title and regulations adopted pursuant thereto.

4. Except as otherwise provided in this subsection, all school money due each charter school must be paid over by the State Treasurer to the governing body of the charter school on August 1, November 1, February 1 and May 1 of each year or as soon thereafter as the governing body may apply for it, upon the warrant of the State Controller drawn in conformity with the apportionment of the Superintendent of Public Instruction as provided in NRS 387.124. If the Superintendent of Public Instruction has approved, pursuant to subsection 5 of NRS 387.124, a request for payment of an apportionment 30 days before the apportionment is otherwise required to be made, the money due to the charter school must be paid by the State Treasurer to the governing body of the charter school on July 1, October 1, January 1 or April 1, as applicable.

5. Except as otherwise provided in this subsection, all school money due each university school for profoundly gifted pupils must be paid over by the State Treasurer to the governing body of the university school on August 1, November 1, February 1 and May 1 of each year or as soon thereafter as the governing body may apply for it, upon the warrant of the State Controller drawn in conformity with the apportionment of the Superintendent of Public Instruction as provided in NRS 387.124. If the Superintendent of Public Instruction has approved, pursuant to subsection 6 of NRS 387.124, a request for payment of an apportionment 30 days before the apportionment is otherwise required to be made, the money due to the university school must be paid by the State Treasurer to the governing body of the university school on July 1, October 1, January 1 or April 1, as applicable.

Sec. 11. Chapter 392A of NRS is hereby amended by adding thereto the provisions set forth as sections 12 to 17, inclusive, of this act.

Sec. 12. ***1. Each pupil who is enrolled in a university school for profoundly gifted pupils, including, without limitation, a pupil who is enrolled in a program of special education in a university school for profoundly gifted pupils, must be included in the count of pupils in the school district in which the school is located for the purposes of***

apportionments and allowances from the State Distributive School Account pursuant to NRS 387.121 to 387.126, inclusive, unless the pupil is exempt from compulsory school attendance pursuant to NRS 392.070.

2. A university school for profoundly gifted pupils is entitled to receive its proportionate share of any other money available from federal, state or local sources that the school or the pupils who are enrolled in the school are eligible to receive.

3. If a university school for profoundly gifted pupils receives money for special education program units directly from this State, the amount of money

for special education that the school district pays to the university school for profoundly gifted pupils may be reduced proportionately by the amount of money the university school received from this State for that purpose.

4. All money received by a university school for profoundly gifted pupils from this State or from the board of trustees of a school district must be deposited in a bank, credit union or other financial institution in this State.

5. The governing body of a university school for profoundly gifted pupils may negotiate with the board of trustees of the school district in which the school is located or the State Board for additional money to pay for services that the governing body wishes to offer.

6. To determine the amount of money for distribution to a university school for profoundly gifted pupils in its first year of operation in which state funding is provided, the count of pupils who are enrolled in the university school must initially be determined 30 days before the beginning of the school year of the school district in which the university school is located, based upon the number of pupils whose applications for enrollment have been approved by the university school. The count of pupils who are enrolled in a university school for profoundly gifted pupils must be revised on the last day of the first school month of the school district in which the university school is located for the school year, based upon the actual number of pupils who are enrolled in the university school.

7. Pursuant to subsection 6 of NRS 387.124, the governing body of a university school for profoundly gifted pupils may request that the apportionments made to the university school in its first year of operation be paid to the university school 30 days before the apportionments are otherwise required to be made.

8. If a university school for profoundly gifted pupils ceases to operate pursuant to this chapter during a school year, the remaining apportionments that would have been made to the university school pursuant to NRS 387.124 for that school year must be paid on a proportionate basis to the school districts where the pupils who were enrolled in the university school reside.

9. If the governing body of a university school for profoundly gifted pupils uses money received from this State to purchase real property,

buildings, equipment or facilities, the governing body of the university school shall assign a security interest in the property, buildings, equipment and facilities to the State of Nevada.

Sec. 13. ***1. The governing body of a university school for profoundly gifted pupils shall designate a person to draw all orders for the payment of money belonging to the university school. The orders must be listed on cumulative voucher sheets.***

2. The governing body of a university school for profoundly gifted pupils shall prescribe the procedures by which the orders must be approved and the cumulative vouchers sheets signed.

3. An order for the payment of money to a member of the governing body of a university school for profoundly gifted pupils may only be drawn for salary, travel expenses, subsistence allowances or for services rendered by a member.

4. An action may not be maintained against the governing body of a university school for profoundly gifted pupils or against a university school for profoundly gifted pupils to collect upon any bill not presented for payment to the governing body within 6 months after the bill was incurred.

Sec. 14. ***1. The governing body of a university school for profoundly gifted pupils shall adopt rules for the academic advancement of pupils who are enrolled in the university school, including, without limitation, the development of a 4-year academic plan for each pupil. The rules must prescribe the conditions under which the equivalent grade level of a pupil will be identified for the purpose of administering the achievement and proficiency examinations pursuant to NRS 392A.110.***

2. On an annual basis, each university school for profoundly gifted pupils shall evaluate the progress of each pupil in satisfying the requirements set forth in the 4-year academic plan for the pupil.

3. If a pupil has successfully completed equivalent courses at a university school for profoundly gifted pupils, the pupil must be allowed to transfer the credit that he received at the university school as applicable toward promotion to the next grade at any public school in this State or toward graduation from a public high school in this State.

Sec. 15. ***The governing body of a university school for profoundly gifted pupils shall submit to the Department in a format prescribed by the Department such information as requested by the Superintendent of Public Instruction for purposes of accountability reporting for the university school.***

Sec. 16. ***1. The governing body of a university school for profoundly gifted pupils shall adopt:***

(a) Written rules of behavior for pupils enrolled in the university school, including, without limitation, prohibited acts; and

(b) Appropriate punishments for violations of the rules.

2. Except as otherwise provided in subsection 3, if suspension or expulsion of a pupil is used as a punishment for a violation of the rules, the

university school for profoundly gifted pupils shall ensure that, before the suspension or expulsion, the pupil has been given notice of the charges against him, an explanation of the evidence and an opportunity for a hearing. The provisions of chapter 241 of NRS do not apply to any hearing conducted pursuant to this section. Such a hearing must be closed to the public.

3. A pupil who poses a continuing danger to persons or property or an ongoing threat of disrupting the academic process or who is selling or distributing any controlled substance or who is found to be in possession of a dangerous weapon as provided in NRS 392.466 may be removed from the university school for profoundly gifted pupils immediately upon being given an explanation of the reasons for his removal and pending proceedings, which must be conducted as soon as practicable after removal, for his suspension or expulsion.

4. A pupil who is enrolled in a university school for profoundly gifted pupils and participating in a program of special education pursuant to NRS 388.520, other than a pupil who is gifted and talented, may, in accordance with the procedural policy adopted by the governing body of the university school for such matters, be:

(a) Suspended from the university school pursuant to this section for not more than 10 days.

(b) Suspended from the university school for more than 10 days or permanently expelled from school pursuant to this section only after the governing body has reviewed the circumstances and determined that the action is in compliance with the Individuals with Disabilities Education Act, 20 U.S.C. §§ 1400 et seq.

5. A copy of the rules of behavior, prescribed punishments and procedures to be followed in imposing punishments must be:

(a) Distributed to each pupil at the beginning of the school year and to each new pupil who enters the university school for profoundly gifted pupils during the year.

(b) Available for public inspection at the university school.

6. The governing body of a university school for profoundly gifted pupils may adopt rules relating to the truancy of pupils who are enrolled in the university school if the rules are at least as restrictive as the provisions governing truancy set forth in NRS 392.130 to 392.220, inclusive. If the governing body adopts rules governing truancy, it shall include the rules in the written rules adopted by the governing body pursuant to subsection 1.

Sec. 17. ***1. Each applicant for employment with a university school for profoundly gifted pupils, except a licensed teacher or other person licensed by the Superintendent of Public Instruction, must, as a condition to employment, submit to the governing body of the university school a complete set of his fingerprints and written permission authorizing the governing body to forward the fingerprints to the Central Repository for Nevada Records of Criminal History for its report on the criminal history***

of the applicant and for submission to the Federal Bureau of Investigation for its report on the criminal history of the applicant.

2. If the reports on the criminal history of an applicant indicate that the applicant has not been convicted of a felony or an offense involving moral turpitude, the governing body of the university school for profoundly gifted pupils may employ the applicant.

3. If a report on the criminal history of an applicant indicates that the applicant has been convicted of a felony or an offense involving moral turpitude and the governing body of the university school for profoundly gifted pupils does not disqualify the applicant from further consideration of employment on the basis of that report, the governing body shall, upon the written authorization of the applicant, forward a copy of the report to the Superintendent of Public Instruction. If the applicant refuses to provide his written authorization to forward a copy of the report pursuant to this subsection, the university school shall not employ the applicant.

4. The Superintendent of Public Instruction or his designee shall promptly review the report to determine whether the conviction of the applicant is related or unrelated to the position with the university school for profoundly gifted pupils for which the applicant has applied. If the applicant desires employment with the university school, he shall, upon the request of the Superintendent of Public Instruction or his designee, provide any further information that the Superintendent or his designee determines is necessary to make the determination. If the governing body of the university school desires to employ the applicant, the governing body shall, upon the request of the Superintendent of Public Instruction or his designee, provide any further information that the Superintendent or his designee determines is necessary to make the determination. The Superintendent of Public Instruction or his designee shall provide written notice of the determination to the applicant and to the governing body of the university school.

5. If the Superintendent of Public Instruction or his designee determines that the conviction of the applicant is related to the position with the university school for profoundly gifted pupils for which the applicant has applied, the governing body of the university school shall not employ the applicant. If the Superintendent of Public Instruction or his designee determines that the conviction of the applicant is unrelated to the position with the university school for which the applicant has applied, the governing body of the university school may employ the applicant for that position.

The following Senate amendment was read:

Amendment No. 26.

AN ACT relating to mortgage agents; authorizing a natural person to be licensed as a mortgage agent on behalf of a corporation or limited-liability

company under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

This bill authorizes a natural person who is qualified to be licensed as a mortgage agent under existing law to be issued such a license on behalf of a professional corporation of which he is the sole shareholder or on behalf of a limited-liability company of which he is the manager.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 645B of NRS is hereby amended by adding thereto a new section to read as follows:

1. Any natural person who meets the qualifications of a mortgage agent and:

(a) Except as otherwise provided in subsection 2, is the sole shareholder of a corporation organized pursuant to the provisions of chapter 89 of NRS; or

(b) Is the manager of a limited-liability company organized pursuant to the provisions of chapter 86 of NRS,

2. The spouse of the owner of the corporation who has a community interest in any shares of the corporation shall not be deemed a second shareholder of the corporation for the purposes of paragraph (a) of subsection 1, if the spouse does not vote any of those shares.

3. A license issued pursuant to this section entitles only the sole shareholder of the corporation or the manager of the limited-liability company to act as a mortgage agent, and only as an officer or agent of the corporation or limited-liability company and not on his own behalf. The licensee shall not do or deal in any act, acts or transactions included within the definition of a mortgage ~~[agent]~~ ***broker in NRS*** ~~[645B.0125,]~~ ***645B.0127, except as that activity is permitted pursuant to this chapter to licensed mortgage agents.***

(b) For a limited-liability company, the names of members who have an interest in the company.

5. A license issued pursuant to this section automatically expires upon:

(a) The death of the licensed shareholder in the corporation or the manager of the limited-liability company; or

(b) The issuance of shares in the corporation to more than one person other than the spouse.

6. This section does not alter any of the rights, duties or liabilities which otherwise arise in the legal relationship between a mortgage broker or mortgage agent and a person who deals with him.

Sec. 2. ~~[NRS 645B.0123 is hereby amended to read as follows:~~

~~645B.0123 ”Licensee” means a person who is licensed as a mortgage broker pursuant to this chapter. The term does not include a person issued a license as a mortgage agent pursuant to NRS 645B.410 [.] *or section 1 of this act.]*~~ ***(Deleted by amendment.)***

THE SEVENTY-THIRD DAY

CARSON CITY (Wednesday), April 18, 2007

Assembly called to order at 11:10 a.m.

Madam Speaker presiding.

Roll called.

All present except Assemblywoman Womack, who was excused.

Prayer by the Chaplain, Rabbi Jacob Benzaquen.

God and the God of our ancestors, we ask for Your blessings for our great republic and the great state of Nevada, for its government, legislature, leaders and for all who exercise just and rightful authority. We ask for this blessing based on your eternal promise in Genesis to our forefather, Abraham, " . . . I will bless those who bless you . . ."

Creator of all, bless the inhabitants of our country and state with Your light. Bring healing, understanding, and strength to all who turn to You, especially its leaders. May citizens of all races and creeds forge a common bond in true struggle, to banish hatred, dissension, and bigotry so that they may unite to safeguard the ideals and free institutions that are the pride and glory of our state and country. May we find shelter under your divine presence and shelter those needing protection, especially the 32 whose lives were tragically cut short. Grant peace and remember all the worthy and righteous deeds they performed in the land of the living.

From Psalm 23: "The Lord is my shepherd, I shall not want. He has me lie down in green pastures. He leads me beside the still waters. He guides me on paths of righteousness. He revives my soul. Though I walk in the Valley of the Shadow of Death, I fear no harm, for You are with me. Your staff and your rod do comfort me. Surely, goodness and mercy shall follow me all the days of our lives. We shall abide in the House of the Lord forever. May those who passed away rest in peace. And let us all say:

AMEN.

Pledge of allegiance to the Flag.

Assemblyman Oceguera moved that further reading of the Journal be dispensed with, and the Speaker and Chief Clerk be authorized to make the necessary corrections and additions.

(NRS 200.5095) Sections 1 and 2 of this bill expand this provision to impose such a penalty for the release of such information relating to reports of abuse, neglect, exploitation and isolation of older persons and vulnerable persons that are made by certain officers and employees of financial institutions.]~~ **Section 10 of this bill specifies which officers and employees must receive the training, when the training must be provided and the content of the training. Section 10 further requires those officers and employees to report incidents that reasonably appear to be exploitation of an older or vulnerable person. Section 11 of this bill requires each financial institution to designate a person to whom such reports must be made. The person so designated is then responsible for determining when a formal report must be reported to a law enforcement agency. Section 12 of this bill provides for a civil penalty**

SUMMARY— ~~[Requiring certain services to be covered by policies of]~~ **Revises provisions governing the assignment of benefits for** health insurance . ~~[and health care plans.]~~ (BDR 57-1068)

AN ACT relating to health insurance; ~~[requiring that a policy of health insurance or a health care plan provide coverage for services provided by certain providers of specialized health care;]~~ **revising provisions governing the assignment of benefits;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

(NRS 687B.225) Sections 2-6 of this bill require health insurance policies or health care plans to allow a person covered by the policy to have covered access to specialized, in-state health care provided that the cost of the in-state care is not more than the cost of identical, out-of-state care.]~~ **This bill prohibits an insurer or other entity that is obligated to pay benefits for services provided to a person by a hospital or other provider of health care to make such payments directly to the person if the insurer or other entity has notice that the person has assigned the benefits to the hospital or other provider of health care.**

1. Notwithstanding any specific statute to the contrary, an insurer or other entity that is obligated to pay benefits for services provided to a person by a hospital or other provider of health care, or to reimburse a person for the costs of such services, shall not make the payment directly to the person if an itemized statement for the services is submitted to the insurer or other entity which clearly indicates that the right of the person to those benefits has been assigned to the hospital or other provider of health care.

2. If an insurer or other entity that has notice of such an assignment makes payment directly to the person in violation of subsection 1, the payment:

(a) Does not release the insurer or other entity from liability to pay the hospital or other provider of health care to which the benefits have been assigned; and

(b) Is not a defense to any action by the hospital or other provider of health care against the insurer or other entity to collect the assigned benefits.

Assembly Bill No. 160.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 240.

AN ACT relating to cities; revising the membership of certain city annexation commissions; revoking the authority for the duties of a city annexation commission to be transferred to the regional planning commission in certain counties; providing, in certain counties, that **certain** persons who own property in the unincorporated area ~~[within a certain distance]~~ outside the boundaries of territory proposed to be annexed must be given notice of and may protest the proposed annexation; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, in a county whose population is less than 400,000 (currently counties other than Clark County), if the governing body of a city wishes to conduct a nonvoluntary annexation, the governing body must give notice of its intent to annex to each owner of real property in the territory proposed to be annexed. (NRS 268.654) The owners of real property in the territory proposed to be annexed may protest the annexation and, with certain exceptions, the annexation is required to be denied if it is protested by a majority in number of those owners or a number of those owners collectively owning greater than 50 percent of the total value of the real property. (NRS 268.656, 268.660) Sections 5-7 of this bill extend the right of notice and the right to protest such an annexation to **: (1) the** owners of real property in the unincorporated area that is within ~~[one-half mile]~~ **750 feet** outside the boundaries of the territory proposed to be annexed ~~[.]~~ ; **and (2) the owners of each of the 30 separately owned parcels in the unincorporated area outside the boundaries of the territory proposed to be annexed, which parcels are nearest the territory proposed to be annexed, to the extent that such owners are not already given rights of notice and protest by virtue of being within 750 feet of the boundaries of the territory proposed to be annexed.**

Under existing law, in a county whose population is less than 400,000 (currently counties other than Clark County), the governing body of a city may conduct a voluntary annexation with respect to contiguous territory owned in fee by the city, or other contiguous territory if 100 percent of the owners of record of the real property within the territory petition the governing body to annex that territory. (NRS 268.670) Section 9 of this bill provides that, **in a county whose population is 100,000 or more but less than 400,000 (currently Washoe County)**, before a governing body conducts such a voluntary annexation ~~[.]~~ **with respect to territory that is not within the city's sphere of influence,** it must give notice to **: (1)** the board of county commissioners ~~[and to]~~ **; (2)** each owner of real property in the unincorporated area that is within ~~[1 mile]~~ **750 feet** outside the boundaries of the territory proposed to be annexed ~~[.]~~ ; **and (3) the owners of each of the 30 separately owned parcels in the unincorporated area outside the boundaries of the territory proposed to be annexed, which parcels are nearest the territory proposed to be annexed, to the extent that such owners are not already given notice by virtue of being within**

750 feet of the boundaries of the territory proposed to be annexed. Pursuant to section 9, such an owner of real property or the board of county commissioners may file with the governing body a written protest to the voluntary annexation, in which case the governing body, if it wishes to continue pursuing the annexation, must use the procedures for a nonvoluntary annexation set forth in NRS 268.610 to 268.668, inclusive.

Under existing law, in a county whose population is 100,000 or more but less than 400,000 (currently Washoe County), a city annexation commission is created and if the number of members of the commission representing the county and each city in the county would produce an even number of members, the Governor is required to appoint the chairman of the regional planning commission to the city annexation commission. (NRS 268.626) The governing bodies of the county and each city in the county may execute an interlocal agreement to transfer the duties of the city annexation commission to the regional planning commission. (NRS 268.626)

Sections 1-4 of this bill revoke the authority to transfer the duties of the city annexation commission to the regional planning commission and alter the membership of the city annexation commission to exclude the chairman of the regional planning commission and to instead include a member who represents the general public. (NRS 268.616, 268.620, 268.626, 268.628)

Section 11 of this bill provides that if proceedings to annex territory have been commenced but not concluded as of October 1, 2007, in a county whose population is less than 400,000 (currently counties other than Clark County), such proceedings must be terminated and, if the party who initiated such proceedings wishes to continue pursuing the annexation, that party must recommence proceedings for the annexation in accordance with the amendatory provisions of this bill.

Amendment No. 552.

AN ACT relating to justice courts; expanding the jurisdiction of justice courts in criminal cases in which an arrest was made by a field agent or an inspector of the State Department of Agriculture; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that in criminal cases, the jurisdiction of justice courts extends to the limits of their respective counties with two exceptions. (NRS 4.370) First, each justice court has jurisdiction of any violation of a regulation governing vehicular traffic on an airport within the township in which the court is established. Second, in the case of an arrest made by a member of the Nevada Highway Patrol, the jurisdiction of the justice courts extends to the limits of their respective counties and to the limits of all counties which have common boundaries with their respective counties. This bill similarly expands the jurisdiction of justice courts by providing that in the case of an arrest made by a field agent or an inspector of the State Department of Agriculture, the jurisdiction of the justice courts extends to the limits of their respective counties and to the limits of all counties which have common boundaries with their respective counties. **This bill also provides that if a person is arrested by a field agent or inspector of the State Department of Agriculture in the county in which the person resides, the justice of the peace of that county has sole jurisdiction of the matter.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 4.370 is hereby amended to read as follows:

4.370 1. Except as otherwise provided in subsection 2, justice courts have jurisdiction of the following civil actions and proceedings and no others except as otherwise provided by specific statute:

(a) In actions arising on contract for the recovery of money only, if the sum claimed, exclusive of interest, does not exceed $10,000.

(b) In actions for damages for injury to the person, or for taking, detaining or injuring personal property, or for injury to real property where no issue is raised by the verified answer of the defendant involving the title to or boundaries of the real property, if the damage claimed does not exceed $10,000.

(c) Except as otherwise provided in paragraph (l), in actions for a fine, penalty or forfeiture not exceeding $10,000, given by statute or the ordinance of a county, city or town, where no issue is raised by the answer involving the legality of any tax, impost, assessment, toll or municipal fine.

(d) In actions upon bonds or undertakings conditioned for the payment of money, if the sum claimed does not exceed $10,000, though the penalty may exceed that sum. Bail bonds and other undertakings posted in criminal matters may be forfeited regardless of amount.

(e) In actions to recover the possession of personal property, if the value of the property does not exceed $10,000.

(f) To take and enter judgment on the confession of a defendant, when the amount confessed, exclusive of interest, does not exceed $10,000.

(g) Of actions for the possession of lands and tenements where the relation of landlord and tenant exists, when damages claimed do not exceed $10,000 or when no damages are claimed.

(h) Of actions when the possession of lands and tenements has been unlawfully or fraudulently obtained or withheld, when damages claimed do not exceed $10,000 or when no damages are claimed.

(i) Of suits for the collection of taxes, where the amount of the tax sued for does not exceed $10,000.

(j) Of actions for the enforcement of mechanics' liens, where the amount of the lien sought to be enforced, exclusive of interest, does not exceed $10,000.

(k) Of actions for the enforcement of liens of owners of facilities for storage, where the amount of the lien sought to be enforced, exclusive of interest, does not exceed $10,000.

(l) In actions for a fine imposed for a violation of NRS 484.757.

(m) Except as otherwise provided in this paragraph, in any action for the issuance of a temporary or extended order for protection against domestic violence. A justice court does not have jurisdiction in an action for the issuance of a temporary or extended order for protection against domestic violence:

(1) In a county whose population is more than 100,000 and less than 400,000;

(2) In any township whose population is 100,000 or more located within a county whose population is more than 400,000; or

(3) If a party to the action is a party in another action pending in the district court in which such an order may be granted by the district court.

(n) In an action for the issuance of a temporary or extended order for protection against harassment in the workplace pursuant to NRS 33.200 to 33.360, inclusive.

(o) In small claims actions under the provisions of chapter 73 of NRS.

(p) In actions to contest the validity of liens on mobile homes or manufactured homes.

6. ***In the case of any arrest made by a person designated by the Director of the State Department of Agriculture as a field agent or an inspector pursuant to subsection 2 of NRS 561.225, the jurisdiction of the justices of the peace extends to the limits of their respective counties and to the limits of all counties which have common boundaries with their respective counties, except that if a person is arrested in a county in which he resides, the justice of the peace of such county has sole jurisdiction of the matter.***

7. Each justice court has jurisdiction of any violation of a regulation governing vehicular traffic on an airport within the township in which the court is established.

Sec. 2. This act becomes effective on July 1, 2007.

Assemblyman Horne moved the adoption of the amendment.

Amendment adopted.

Bill ordered reprinted, engrossed and to third reading.

Assembly Bill No. 259.

Bill read second time.

The following amendment was proposed by the Committee on Natural Resources, Agriculture, and Mining:

Amendment No. 346.

AN ACT relating to wildlife; ~~[classifying a wild mountain lion as an unprotected mammal; designating the Department of Wildlife as the Department of Fish and Game; placing the Department under the control of the Board of Wildlife Commissioners; authorizing the Commission to adopt regulations for the hunting, killing or nonlethal control of mountain lions from an aircraft; revising certain provisions relating to the use of a spring gun, set gun or other device for the destruction of a mountain lion;]~~ **requiring the Department of Wildlife to submit a financial report to the Legislature relating to certain accounts and subaccounts administered by the Department;** making an appropriation; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law creates the Department of Wildlife. The Department is required to administer the laws of this State relating to wildlife and the provisions of chapter 488 of NRS relating to watercraft and the use of watercraft. (NRS 501.331) ~~[Sections 9 and 27 of this bill designate the Department of Wildlife as the Department of Fish and Game. Section 27 also places the newly designated Department of Fish and Game under the control of the Board of Wildlife Commissioners.~~

~~Existing law requires the Board of Wildlife Commissioners to classify by regulation each species of wildlife within this State as a wild mammal, wild bird, fish, reptile, amphibian, mollusk or crustacean. Each species of wildlife so classified must be further classified as protected or unprotected. Any wildlife that is classified as protected may be designated as sensitive, threatened or endangered. If it is in the public interest to do so, and upon reasonable public notice and hearing, the Commission may place a species of wildlife within another classification. (NRS 501.110) Section 25 of this bill specifically classifies a wild mountain lion as an unprotected mammal.~~

~~Existing law prohibits a person from intentionally killing or aiding and abetting another person in killing a mountain lion unless the person has a valid tag to hunt the mountain lion and the person hunts the mountain lion in the manner prescribed on the tag. (NRS 501.376) Section 28 of this bill eliminates the prohibition against hunting a mountain lion without a valid tag and in the manner specified on the tag.~~

~~Existing law requires a person who wishes to apply for a restricted nonresident deer tag to complete an application and submit a fee for the tag in the amount of $300. All such fees collected by the Department must be deposited with the State Treasurer for credit to the Wildlife Account in the State General Fund. (NRS 502.148) Section 31 of this bill increases the fee for a restricted nonresident deer tag from $300 to $303. Section 31 also~~

~~requires the Department to account separately for an amount of money that is equal to $3 of each fee collected and to use that money only for the control of predatory animals or birds.~~

~~In addition to the fee for a restricted nonresident deer tag, existing law imposes fees in various amounts for the issuance of resident and nonresident tags to hunt deer, antelope, elk, bighorn sheep, mountain goat and mountain lion. (NRS 502.250) Existing law further requires the fees so collected to be deposited with the State Treasurer for credit to the Wildlife Account in the State General Fund. (NRS 501.356) Section 32 of this bill increases each of those fees by $3 and requires the Department to account separately for an amount of money that is equal to $3 of each of those fees and to use that money only for the control of predatory animals or birds. Because section 25 of this bill classifies a wild mountain lion as an unprotected mammal for which a tag is not required to hunt, section 32 also eliminates the fees for issuing a resident or nonresident mountain lion tag.~~

~~Existing law prohibits a person from killing or attempting to kill any birds or animals from an aircraft unless the person is hunting a coyote, bobcat or raven from the aircraft and the person has a permit authorizing him to hunt the coyote, bobcat or raven issued pursuant to a regulation adopted by the Commission. (NRS 503.005) Existing law further prohibits a person from hunting a big game mammal, except a mountain lion, with any breed of dog. (NRS 503.150) Section 33 of this bill authorizes the Commission to adopt a regulation authorizing the issuance of a permit to hunt, kill or engage in the nonlethal control of a mountain lion from an aircraft. Section 34 of this bill eliminates the exception for mountain lions to be hunted with any breed of dog.]~~

Section 26 of this bill requires the Department to submit to the Legislature, on or before the fifth calendar day of each regular session, a financial report setting forth the activity and status of the Wildlife Obligated Reserve Account and any other account or subaccount administered by the Department for which the use of the money in the account or subaccount is restricted. The report must include, without limitation, a description of each project for which money is spent and a description of each recipient of that money.

Section 36 of this bill appropriates $200,000 from the State General Fund to the Department ~~[of Fish and Game]~~ to be used only for ~~[managing]~~ **the preservation of mule deer and the management** of predatory animals or birds.

(b) If, pursuant to a policy of a law enforcement agency or a labor agreement, the record of the investigation or the imposition of punitive action is subject to being removed from any administrative file relating to the peace officer maintained by the law enforcement agency, the law enforcement agency shall not, except as otherwise required by federal or state law, keep or make a record of the investigation or the imposition of punitive action after the record is required to be removed from the administrative file.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 367.

AN ACT relating to water; making various changes to the requirements for plans and joint plans of water conservation; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires each supplier of water to prepare and adopt a plan of water conservation and sets forth the requirements for such a plan. Suppliers of water may also adopt joint plans of water conservation with other suppliers of water. (NRS 540.131, 540.141) Section 3 of this bill requires such plans to include an estimate of the amount of water that will be conserved each year as the result of specified conservation measures and an analysis of how the rates proposed in the plans to be charged for the use of water will maximize water conservation. Also, section 3 requires the State Engineer to ~~[review and evaluate the accuracy of the estimate of the amount of water that will be conserved as a result of the adoption of the plans.]~~ **post plans and joint plans on his Internet website.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 540.011 is hereby amended to read as follows:

540.011 1. The Legislature determines that it is the policy of the State of Nevada to continue to recognize the critical nature of the State's limited water resources. It is acknowledged that many of the State's surface water resources are committed to existing uses, under existing water rights, and that in many areas of the State the available groundwater supplies have been appropriated for current uses. It is the policy of the State of Nevada to recognize and provide for the protection of these existing water rights. It is ~~[also]~~ the policy of the State to encourage efficient and nonwasteful use of these limited supplies. ***It is also the policy of the State to encourage suppliers of water to establish prices for the use of water that maximize water conservation with due consideration to the essential service needs of***

customers and the economic burdens on businesses, public services and low-income households.

2. The Legislature further recognizes the relationship between the critical nature of the State's limited water resources and the increasing demands placed on these resources as the population of the State continues to grow.

3. The Legislature further recognizes the relationship between the quantity of water and the quality of water, and the necessity to consider both factors simultaneously when planning the uses of water.

4. The Legislature further recognizes the important role of water resource planning and that such planning must be based upon identifying current and future needs for water. The Legislature determines that the purpose of the State's water resource planning is to assist the State, its local governments and its citizens in developing effective plans for the use of water.

~~[5. The Legislature further recognizes that many communities in the arid western United States have reduced system-wide water consumption to 200 gallons per person per day or less.]~~

Sec. 2. NRS 540.131 is hereby amended to read as follows:

(b) May be revised from time to time to reflect the changing needs and conditions of the service area. Each such revision must be made available for inspection by members of the public; and

(c) Must be updated every 5 years and comply with the requirements of this section and NRS 540.141.

5. Suppliers of water:

(a) Who are required to adopt a plan of water conservation pursuant to this section; and

(b) Whose service areas are located in a common geographical area,

➥ may adopt joint plans of water conservation based on the climate and living conditions of that common geographical area. Such a plan must comply with the requirements of this section and NRS 540.141.

6. The board of county commissioners of a county, the governing body of a city and the town board or board of county commissioners having jurisdiction of the affairs of a town shall:

(a) Adopt any ordinances necessary to carry out a plan of conservation adopted pursuant to this section which applies to property within its jurisdiction;

(b) Establish a schedule of fines for the violation of any ordinances adopted pursuant to this subsection; and

Assembly Bill No. 510.

Bill read second time.

The following amendment was proposed by Select Committee on Corrections, Parole, and Probation:

AN ACT relating to offenders; revising provisions relating to the residential confinement of certain offenders; authorizing the Director of the Department of Corrections to award greater amounts of credit against the sentence of offenders under certain circumstances; revising provisions relating to programs for the reentry of offenders and parolees into the community; ~~[repealing provisions relating to centers for the purpose of making restitution;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 2 of this bill eliminates certain requirements that an offender must meet to be eligible for residential confinement and revises the prohibition against assigning a prisoner who has been convicted of a sexual offense to residential confinement by prohibiting the Director of the Department of Corrections from assigning a prisoner to a minimum security facility if the prisoner has ever been convicted of a sexual offense that is a felony. In addition, section 2 revises a provision which prohibits an offender from receiving residential confinement if the offender has ever been convicted of a violent crime by prohibiting an offender from receiving residential confinement if the offender has, within the immediately preceding 3 years, been convicted of a violent crime that is a felony. (NRS 209.392) Finally, section 2 provides that an offender who has been convicted of a category A or B felony is not eligible for residential confinement.

Existing law requires the Director to assign certain offenders who are abusers of alcohol or drugs to residential confinement. (NRS 209.429) Section 3 of this bill eliminates certain requirements that such an offender must meet for the Director to assign him to residential confinement.

Section 5 of this bill increases from 10 days to 20 days the deduction from the sentence of an offender who engages in certain good behavior. In addition, section 5 increases by 30 days the deductions from the sentence of an offender who obtains certain educational achievements. (NRS 209.4465) Section 6 of this bill increases from 10 days to 20 days the deduction from the sentence of a parolee who is current with any fee to defray the cost of his supervision and who is current with any restitution payments. (NRS 209.4475)

Section 7 of this bill revises the prohibition against assigning a prisoner who has been convicted of a sexual offense to a minimum security facility by prohibiting the Director from assigning a prisoner to such a facility if the

prisoner has ever been convicted of a sexual offense that is a felony. In addition, section 7 revises the prohibition against assigning a prisoner who has committed a violent act during the previous year to a minimum security facility by prohibiting the Director from assigning a prisoner to such a facility if the prisoner has, within the preceding year, been convicted of a violent crime that is a felony. (NRS 209.481)

Existing law allows the Director to establish a program for reentry of offenders and parolees into the community. Section 8 of this bill revises ~~[the requirements an offender or parolee must meet to be eligible for the program by providing that an offender is eligible for the program if the offender is within 1 year, rather than 2 years, of his probable release from prison. In addition, section 8 revises]~~ a provision which provides that an offender is not eligible for the program if the offender has, within the immediately preceding 5 years, been convicted of a violent crime by providing that an offender is not eligible for the program if the offender has, within the immediately preceding year, been convicted of a violent crime that is a felony. (NRS 209.4827-209.4843) Section 9 of this bill repeals all provisions of existing law relating to centers for the purpose of making restitution.]~~

Assembly Bill No. 573.

Bill read second time.

The following amendment was proposed by the Committee on Natural Resources, Agriculture, and Mining:

Amendment No. 330.

AN ACT relating to wildlife; requiring the Department of Wildlife to issue a 1-day ~~[family]~~ **group** fishing permit under certain circumstances; requiring the Board of Wildlife Commissioners to adopt certain regulations; prohibiting a person from hunting or fishing any wildlife without a license or permit to do so; revising the information that the Department must include in certain permits; revising the fees for certain tags and permits; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes the Department of Wildlife and requires the Department to administer the wildlife laws of this State. (NRS 501.331)

Section 25 of this bill requires the Department to issue a 1-day ~~[family]~~ **group** fishing permit to ~~[an immediate family]~~ **a group** upon payment of the fee for the permit. ~~[An "immediate family"]~~ **A "group"** means a **group of persons that consists of at least one** ~~[person]~~ **adult** who is at least ~~[18]~~ **16** years of age ~~[, the spouse, if any, of that person and each child of a certain age who is a child or grandchild of that person or a child for whom the adult is a legal guardian.]~~ **and at least one child who is at least 12 years of age but less than 16 years of age.** Section 30 of this bill authorizes a person to fish for trout without obtaining a state trout stamp if the person is fishing under the authority of a 1-day ~~[family]~~ **group** fishing permit.

Existing law states that a person who hunts or traps any wild bird or mammal or who fishes without first obtaining a license or permit to do so is guilty of a misdemeanor. (NRS 502.010) Existing law further states that a person who traps fur-bearing mammals must obtain a trapping license. (NRS 503.454) Section 26 of this bill states that a person who hunts or fishes any wildlife without a license or permit is guilty of a misdemeanor. "Wildlife" means any wild mammal, wild bird, fish, reptile, amphibian, mollusk or crustacean found naturally in a wild state. (NRS 501.097)

Existing law requires a license that grants the privilege to hunt, fish or trap to include certain information, including, without limitation, the name, address and description of the holder of the license and the date the license is issued. (NRS 502.030) Section 27 of this bill expands that requirement to include any permit to hunt, fish or trap.

Existing law sets forth the fees that must be paid for licenses, permits and tags to hunt, fish and trap in Nevada. (NRS 502.240, 502.250) Section 28 of this bill imposes a fee of $20 for the issuance of a 1-day permit to hunt migratory game birds and a fee of $8 for each consecutive day added to that permit. Section 29 of this bill imposes a fee of $1,200 for the issuance of a nonresident antlered elk tag and a fee of $500 for the issuance of a nonresident antlerless elk tag.

Amendment No. 392.

AN ACT relating to child support; revising certain provisions concerning the right of a physical custodian of a child to recover support for a child from the noncustodial parent in certain circumstances; requiring every court order for the support of a child to include a provision to provide coverage for the ~~[health care]~~ **medical support** of the child; requiring the Chief of the Program established to locate absent parents, establish paternity and obtain child support to charge and collect certain fees; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, when the parents of a child are separated, the physical custodian of the child may recover from the parent without physical custody of the child a reasonable portion of certain costs provided by the physical custodian. In the absence of a court order for support of the child, the parent who has physical custody of the child may not recover more than 4 years of support furnished before the bringing of the action. (NRS 125B.030) Section 1 of this bill revises this provision to authorize the physical custodian to recover such support in any situation in which the parents of the child do not reside together.

Section 2 of this bill revises provisions of existing law concerning orders for the support of a child to require that every court order for the support of a child issued or modified in this State on or after the effective date of this act must include a provision specifying that one or both of the parents are required to provide coverage for the ~~[health care]~~ **medical support** of the child. (NRS 125B.085)

Existing federal law requires the State to charge certain fees relating to the collection of child support through the Program established to locate absent parents, establish paternity and obtain child support pursuant to Part D of Title IV of the Social Security Act, 42 U.S.C. §§ 651 et seq. To comply with the federal law, section 3 of this bill requires the Chief of the Program to charge and collect **from the noncustodial parent of a child** a fee of up to $25 each year in each case in which the State has collected more than $500 and in which the person ~~[who has physical custody of the child]~~ **for whom the collection is made** has never received Temporary Assistance for Needy Families pursuant to Title IV of the Social Security Act. The fee must be retained from the support collected for the child which exceeds $500. **The Chief may collect the fees from the noncustodial parent of a child in the same manner as the Chief collects support from the noncustodial parent.** The fees collected by the Chief must be deposited in the State Child Support Disbursement Fund for use in carrying out the Program.

The following amendment was proposed by Assemblyman Atkinson:

Amendment No. 554.

AN ACT relating to motor vehicles; requiring the owner of a motor vehicle that has been declared a total loss to forward the endorsed certificate of title to the insurance company within 30 days after accepting a settlement; requiring the Department of Motor Vehicles to issue a salvage title or nonrepairable vehicle certificate to an insurance company for a salvage vehicle in the absence of an endorsed certificate of title under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that when an insurance company acquires a motor vehicle as a result of a settlement in which a motor vehicle has been declared a total loss, the owner of the motor vehicle must endorse and forward the certificate of title to the motor vehicle to the insurance company. The insurance company must then forward the endorsed certificate of title, together with an application for a salvage title to the Department of Motor Vehicles within 30 days after receipt of the endorsed certificate of title. (NRS 487.800) Section 2 of this bill requires the owner of the motor vehicle who is relinquishing ownership to forward the endorsed certificate of title to the insurance company within 30 days after accepting the settlement.

Existing law provides that if an endorsed certificate of title is not available, any applicant may apply to the Department for a salvage title. The Department may examine the circumstances and review affidavits or other information and, if satisfied the applicant is entitled to a salvage title, issue the salvage title. (NRS 487.820) Section 2 of this bill requires the Department to issue a salvage title or nonrepairable vehicle certificate to an insurance company if the insurance company submits an application, without an endorsed certificate of title, to the Department for a motor vehicle that has been declared a total loss together with certain documentation.

The Department

shall not issue a certificate of registration or certificate of title for a vehicle with the same identification number if the vehicle was manufactured in the 5 years preceding the date on which the salvage title was issued, unless the Department authorizes the restoration of the vehicle pursuant to subsection 2 of NRS 482.553.

2. Upon sale of the vehicle, the operator of the salvage pool shall provide a salvage title to the licensed automobile wrecker, dealer of new or used motor vehicles or rebuilder who purchased the vehicle.

Sec. 2. NRS 487.800 is hereby amended to read as follows:

487.800 1. ~~[Except with respect to a nonrepairable vehicle, when]~~ ***When*** an insurance company acquires a motor vehicle as a result of a settlement in which the motor vehicle is determined to be a salvage vehicle, the owner of the motor vehicle who is relinquishing ownership of the motor vehicle shall endorse the ***certificate of*** title of the motor vehicle and forward the endorsed ***certificate of*** title to the insurance company ~~[.]~~ ***within 30 days after accepting the settlement from the insurance company.*** The insurance company or its authorized agent shall forward the endorsed ***certificate of*** title, together with an application for ***a*** salvage title ***or nonrepairable vehicle certificate,*** to the state agency within ~~[30]~~ ***60*** days after receipt of the endorsed ***certificate of*** title.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 483.

AN ACT relating to witnesses; revising the amount paid to witnesses for mileage in traveling to and from a proceeding; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

This bill revises the amount paid to a witness who attends a proceeding before a court or grand jury from 19 cents for each mile necessarily and actually traveled to and from his place of residence to the standard mileage reimbursement rate for which a deduction is allowed for the purposes of federal income tax for each mile so traveled. (NRS 50.225)

This bill has a delayed effective date of July 1, 2008.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 50.225 is hereby amended to read as follows:

50.225 1. For attending the courts of this State in any criminal case, or civil suit or proceeding before a court of record, master, commissioner, justice of the peace, or before the grand jury, in obedience to a subpoena, each witness is entitled:

(a) To be paid a fee of $25 for each day's attendance, including Sundays and holidays.

(b) Except as otherwise provided in this paragraph, to be paid for attending a court of the county in which he resides at the ***standard mileage reimbursement*** rate ~~[of 19 cents a mile]~~ ***for which a deduction is allowed for the purposes of federal income tax*** for each mile necessarily and actually traveled from and returning to the place of residence by the shortest and most practical route. A board of county commissioners may provide that, for each mile so traveled to attend a court of the county in which he resides, each witness is entitled to be paid an amount equal to the allowance for travel by private conveyance provided for state officers and employees generally pursuant to subsection 3 of NRS 281.160. If the board so provides, each witness at any other hearing or proceeding held in that county who is entitled to receive the payment for mileage specified in this paragraph must be paid mileage in an amount equal to the allowance for travel by private conveyance provided for state officers and employees generally pursuant to subsection 3 of NRS 281.160.

2. In addition to the fee and payment for mileage specified in subsection 1, a board of county commissioners may provide that, for each day of attendance in a court of the county in which he resides, each witness is entitled to be paid a per diem allowance in an amount equal to the per diem allowance provided for state officers and employees generally while away from the office and within this State pursuant to subsection 1 of NRS 281.160. If the board so provides, each witness at any other hearing or proceeding held in that county who is a resident of that county and who is entitled to receive the fee specified in paragraph (a) of subsection 1 ~~[,]~~ must be paid, in addition to that fee, a per diem allowance in an amount equal to the per diem allowance provided in this subsection.

3. If a witness is from without the county ~~[,]~~ or, being a resident of another state, voluntarily appears as a witness at the request of the Attorney General or the district attorney and the board of county commissioners of the county in which the court is held, he is entitled to reimbursement for the actual and necessary expenses for going to and returning from the place where the court is held. He is also entitled to receive the same allowances for subsistence and lodging as are provided for state officers and employees generally.

4. Any person in attendance at a trial who is sworn as a witness is entitled to the fees, the per diem allowance, if any, travel expenses and any other reimbursement set forth in this section, irrespective of the service of a subpoena.

5. Witness fees, per diem allowances, travel expenses and other reimbursement in civil cases must be taxed as disbursement costs against the defeated party upon proof by affidavit that they have been actually incurred. Costs must not be allowed for more than two witnesses to the same fact or series of facts, and a party plaintiff or defendant must not be allowed any fees, per diem allowance, travel expenses or other reimbursement for attendance as a witness in his own behalf.

6. A person is not obligated to appear in a civil action or proceeding unless he has been paid an amount equal to 1 day's fees, the per diem allowance provided by the board pursuant to subsection 2, if any, and the travel expenses reimbursable pursuant to this section.

Sec. 2. The provisions of NRS 354.599 do not apply to any additional expenses of a local government that are related to the provisions of this act.

Sec. 3. **This act becomes effective on July 1, 2008.**

ASSEMBLYMAN CARPENTER:

I rise in strong support of Assembly Bill 57, but I really do not know what it is about. My colleague from District 18 assured me that my horses could use the crosswalk, and I think every horse needs a crosswalk, especially those that come in from Dayton, Virginia City, and north Reno. When they come into town, they need to be able to use that crosswalk. I guess what we need to figure out is if it is going to be easier to teach the horses or the kids to use the crosswalk and also whether the cars are going to stop first for the kids or the horses. This crosswalk going across here to the parking lot—I do not want to put my horse in there because he is probably not going to make it. I think they should rename this one over here either the Carson Speedway or Suicide Alley because you can hardly get across there.

Madam Speaker requested the privilege of the Chair for the purpose of making the following remarks:

Is this a filibuster Mr. Carpenter?

ASSEMBLYMAN CARPENTER:

Madam Speaker, in the committee I think it was a unanimous vote that I should help my friend from District 18 paint his crosswalks, so I searched all over Elko and I did find a gallon of the finest crosswalk paint in town.

Madam Speaker, the police thought this was going to blow up every day because it has been here for quite a while. They asked me, "What are you going to do with this paint?" I could not tell them because I did not want to give away a secret, and you know there are not many secrets kept in this house so I did not tell anybody what it was for.

I would like to present this paint to my friend. Thank you, Madam Speaker. Now I forgot where I was, but I think my friend is going to have to get a special dispensation from the Secretary of State to accept this gift, and when he puts it on his gift claim report, it will probably be the only time in history that someone has received a gallon of paint for a gift.

Madam Speaker, if this bill does not pass, I want my paint back, and also, Madam Speaker, I got the littlest brush I could find because if my friend has to take a long time painting the crosswalks, it will give him less time to think about those mobile home bills.

ASSEMBLYMAN MANENDO:

Thank you, Mr. Carpenter.

ASSEMBLYMAN ANDERSON:

In light of the stirring presentation from our colleague from Elko County, I was wondering if the chief sponsor of the bill was then planning on designating all such crosswalks as Carpenter-walks.

Remarks by Assemblymen Pierce, Carpenter, Leslie, and Bobzien.

Assemblyman Oceguera requested that the following remarks be entered in the Journal.

ASSEMBLYWOMAN PIERCE:

Assembly Bill 94 eliminates the prohibition against the admission of a person as a party to an administrative proceeding in a contested case that involves the granting, denial, or renewal of a license if the person does not have a direct financial interest in the license.

It is very important that we pass Assembly Bill 94 in order to right a wrong that we legislated last session. Sometimes, no matter how careful we are, the legislation we pass has unintended consequences. This is one of those cases. Last session's action in passing Senate Bill 428 unintentionally removed the rights of citizens and public interest groups to challenge agency's decisions in the cases of contested licenses and permits unless they could prove they had a financial stake in the license or permit. This means that many individuals, environmental groups, and other concerned public interest groups cannot currently be a party in a contested case for the licenses and permits issued by most state executive agencies. The committee wants to make clear the legislative intent for this measure.

During our deliberations, we decided that any cases that are currently in the process of being contested in Nevada should be reexamined. This would allow the people who have filed suit to be given standing in the process if they were excluded due to this provision in the *Nevada Revised Statutes*. The Nevada Division of Environmental Protection has assured us they are willing to reopen the deliberations for the contested cases they are currently working on.

Passing this measure will also ensure that the federal Environmental Protection Agency does not take control over the administration of federal programs in our state, which they may do if we do not correct this law. In order for the state to maintain responsibility for federal

environmental programs, the state must provide opportunities for public participation, which the law in its current form impedes. On behalf of the Assembly Committee on Government Affairs, I urge your support for this measure in order to allow citizens full participation in administrative procedure and in order to correct what we unintentionally changed last session.

ASSEMBLYMAN CARPENTER:

Thank you, Madam Speaker. I rise in support of A.B. 94. I believe I was the only one in the Assembly to vote against this measure last session. Certainly, I could see the wrong that it was going to do at that time. By righting it, I think we are putting it back where it should be. In reality, there are some times out there when we cowboys and miners don't want people speaking in favor of something we think is not proper. I think in those situations that we must have a better message than they do. Everyone needs to have their say. I now support A.B. 94 and will vote yes rather than no.

ASSEMBLYWOMAN LESLIE:

Thank you, Madam Speaker. Just to add a few more words to my colleagues. I think it is important to remember transparency means openness, communication, and accountability. The current statute goes against these basic tenets, which I think all of us in this body hold dear. We need a transparent democracy. We all value open and transparent government and the right for the public to participate in that government. The *First Amendment* to the *Constitution* in the United States proclaims that every American has the right to petition the government for a redress of grievances. This bill will ensure that right in Nevada. Your support of A.B. 94 will give back a seat at the table to our citizens and public interest organizations. It will let everyone be heard. I urge your support.

ASSEMBLYMAN BOBZIEN:

Thank you, Madam Speaker, I, too, rise in support of A.B. 94. Just to echo the comments made by my colleagues previously, voting for this bill is a vote for fairness and openness, and I urge your support.

Amendment No. 558.

ASSEMBLYMEN **SETTELMEYER,** MABEY, ALLEN, GANSERT, **[**~~SETTELMEYER,~~**]** COBB, BEERS, CARPENTER, CHRISTENSEN, GOEDHART, GOICOECHEA, GRADY, HARDY, MARVEL, STEWART AND WEBER; JOINT SPONSORS: SENATORS WASHINGTON, HARDY, TOWNSEND, AMODEI, BEERS, CEGAVSKE, HECK, MCGINNESS, NOLAN, RAGGIO AND RHOADS

AN ACT relating to taxation; allowing the Department of Taxation to refrain from taking any action to collect unpaid sales and use taxes due from a person if the cost of that action would exceed the total amount due; revising the provisions governing the reporting and payment period for those taxes and the maximum amount which may be required as security for the payment of those taxes; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for the imposition and administration of sales and use taxes pursuant to the Sales and Use Tax Act and the Local School Support Tax Law. (Chapters 372 and 374 of NRS) Section 1 of this bill authorizes the Department of Taxation to refrain from taking any action to collect any unpaid sales or use taxes due from a person if the cost of that action would exceed the total amount due, including any applicable interest and penalties.

Existing law provides for the filing of sales and use tax returns on a quarterly basis from taxpayers whose taxable sales do not exceed $10,000 per month. (NRS 372.380, 374.385) Sections 2 and 4 of this bill allow such a taxpayer to file those returns on an annual basis if the taxpayer had no taxes due for the previous 3 calendar quarters or if the taxable sales did not exceed $1,500 for the previous 4 calendar quarters.

Existing law prescribes the maximum amount of security for the payment of sales and use taxes which the Department of Taxation may require from taxpayers who file tax returns for quarterly periods or for monthly periods. (NRS 372.510, 374.515) Sections 3 and 5 of this bill prescribe a proportionate maximum amount of security which may be required from taxpayers who are allowed to file tax returns on an annual basis.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 360 of NRS is hereby amended by adding thereto a new section to read as follows:

1. Except as otherwise provided in this section or directed by the Nevada Tax Commission and notwithstanding any other provision of law, the Department is not required to take any action for the collection of any unpaid sales or use taxes for which a person may be liable if the Department determines that the cost of taking that action would exceed the total accumulated amount of all the unpaid sales and use taxes, and any applicable interest and penalties, for which that person is liable.

2. The Nevada Tax Commission shall annually determine the average cost of collecting sales and use taxes in this State which must be used by the Department in making any determination pursuant to subsection 1.

3. This section does not:

(a) Affect the liability of any person for the payment of any taxes, interest or penalties; or

(b) Authorize the Department to refrain from taking any action for the collection of any unpaid sales or use taxes from a person when the Department determines that the cost of taking that action would be less than or equal to the total accumulated amount of all the unpaid sales and use taxes, and any applicable interest and penalties, for which that person is liable.

Sec. 2. NRS 372.380 is hereby amended to read as follows:

6. Upon any sale any surplus above the amounts due must be returned to the person who placed the security.

Sec. 4. NRS 374.385 is hereby amended to read as follows:

Amendment No. 548.

"AN ACT relating to judicial records; prohibiting a district court from sealing a judicial public record except in certain circumstances; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

This bill prohibits a district court from sealing a judicial public record unless a preponderance of the evidence indicates the existence of **one of** certain factors. According to this bill, before a district court seals a judicial

public record, the district court must hold a hearing, provide notice of the hearing to the parties and the public, and allow both the parties and the public to present evidence and written briefs at the hearing.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 3 of NRS is hereby amended by adding thereto a new section to read as follows:

1. Except as otherwise provided by specific statute, a district court may seal a judicial public record only if a preponderance of the evidence indicates that:

(a) Sealing the judicial public record does not have the purpose or effect of concealing a public hazard or information concerning a public hazard;

(b) Sealing the judicial public record furthers a public interest;

(c) Dissemination of the information contained in the judicial public record will create a serious and imminent danger to the public interest;

(d) There is no other reasonable method of avoiding any prejudicial effect created by dissemination of the information;

(e) There is a substantial probability that sealing the judicial public record will be effective in protecting the public interest against the perceived danger; ~~[and]~~ ***or***

(f) It is reasonably necessary for the judicial public record to remain sealed for a period of time.

2. Before a district court may seal a judicial public record, the court must hold a hearing at a date and time established by the court. The court shall send a notice of the hearing by certified mail, return receipt requested, to each party and shall post notice of the hearing at a place in the courthouse that is designated for the posting of notices.

3. At the hearing, the district court shall allow the parties and members of the public to present evidence and submit written briefs.

4. Any judicial public record that is sealed pursuant to this section must be unsealed at the earliest possible time after the circumstances necessitating the sealing no longer exist.

5. As used in this section:

(a) "Information concerning a public hazard" means any information concerning a public hazard that may be useful to members of the public in protecting themselves from substantial bodily harm or death which may result from the public hazard.

(b) "Judicial public record" means any writing, paper, report, study, map, photograph, book, card, tape recording or other material which is created, received, retained, maintained or filed by or with a district court and which is generated on paper, paper substitutes, photographic media, chemically based media, magnetic or machine readable media, electronically stored data or any other material, regardless of form or characteristics. The term does not include information:

(1) Declared confidential by other law of this State.

(2) Required to be kept confidential by federal law.

(3) Containing a trade secret. As used in this subparagraph, "trade secret" has the meaning ascribed to it in NRS 600A.030.

(4) Containing confidential financial information obtained, upon request, from a person and which is not information that is filed with or received by a district court pursuant to other law of this State.

(5) Concerning research conducted under the auspices of an institution of higher education, including, without limitation:

(I) Information concerning any negotiations made with respect to the research; and

(II) Information received from another party involved in the research.

(6) Containing grade transcripts and license examination scores obtained as part of a licensure process.

(7) Containing medical records.

(8) Containing a photograph, video recording or audio recording of an autopsy.

(9) Containing a social security number.

(c) "Public hazard" means any instrumentality, device, procedure, product or condition of any instrumentality, device, procedure or product that has caused or is likely to cause substantial bodily harm or death.

AN ACT relating to taxation; exempting certain professional **minor league** baseball events from the state tax on live entertainment; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for the imposition of a state excise tax on admission to facilities where live entertainment is provided. (NRS 368A.200) Section 1 of this bill provides an exemption from that tax for professional **minor league** baseball events conducted at a stadium.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 368A.200 is hereby amended to read as follows:

(b) At least 7,500 persons, the rate of the tax is 5 percent of the admission charge to the facility.

2. Amounts paid for:

(a) Admission charges collected and retained by a nonprofit religious, charitable, fraternal or other organization that qualifies as a tax-exempt organization pursuant to 26 U.S.C. § 501(c), or by a nonprofit corporation organized or existing under the provisions of chapter 82 of NRS, are not taxable pursuant to this section.

(b) Gratuities directly or indirectly remitted to persons employed at a facility where live entertainment is provided or for service charges, including those imposed in connection with the use of credit cards or debit cards, which are collected and retained by persons other than the taxpayer are not taxable pursuant to this section.

3. A business entity that collects any amount that is taxable pursuant to subsection 1 is liable for the tax imposed, but is entitled to collect reimbursement from any person paying that amount.

4. Any ticket for live entertainment must state whether the tax imposed by this section is included in the price of the ticket. If the ticket does not include such a statement, the taxpayer shall pay the tax based on the face amount of the ticket.

5. The tax imposed by subsection 1 does not apply to:

(a) Live entertainment that this State is prohibited from taxing under the Constitution, laws or treaties of the United States or the Nevada Constitution.

(b) Live entertainment that is provided by or entirely for the benefit of a nonprofit religious, charitable, fraternal or other organization that qualifies as a tax-exempt organization pursuant to 26 U.S.C. § 501(c), or a nonprofit corporation organized or existing under the provisions of chapter 82 of NRS.

(c) Any boxing contest or exhibition governed by the provisions of chapter 467 of NRS.

(d) Live entertainment that is not provided at a licensed gaming establishment if the facility in which the live entertainment is provided has a maximum occupancy of less than 200 persons.

(e) Live entertainment that is provided at a licensed gaming establishment that is licensed for less than 51 slot machines, less than 6 games, or any combination of slot machines and games within those respective limits, if the facility in which the live entertainment is provided has a maximum occupancy of less than 200 persons.

(f) Merchandise sold outside the facility in which the live entertainment is provided, unless the purchase of the merchandise entitles the purchaser to admission to the entertainment.

(g) Live entertainment that is provided at a trade show.

(h) Music performed by musicians who move constantly through the audience if no other form of live entertainment is afforded to the patrons.

(i) Live entertainment that is provided at a licensed gaming establishment at private meetings or dinners attended by members of a particular organization or by a casual assemblage if the purpose of the event is not primarily for entertainment.

(j) Live entertainment that is provided in the common area of a shopping mall, unless the entertainment is provided in a facility located within the mall.

(l) Live entertainment that is incidental to an amusement ride, a motion simulator or a similar digital, electronic, mechanical or electromechanical attraction. For the purposes of this paragraph, live entertainment shall be deemed to be incidental to an amusement ride, a motion simulator or a similar digital, electronic, mechanical or electromechanical attraction if the live entertainment is:

(1) Not the predominant element of the attraction; and

(2) Not the primary purpose for which the public rides, attends or otherwise participates in the attraction.

(m) Live entertainment that is provided to the public in an outdoor area, without any requirements for the payment of an admission charge or the purchase of any food, refreshments or merchandise.

(n) An outdoor concert, unless the concert is provided on the premises of a licensed gaming establishment.

(o) Beginning July 1, 2007, race events scheduled at a race track in this State as a part of the National Association for Stock Car Auto Racing Nextel Cup Series, or its successor racing series, and all races associated therewith.

(q) Live entertainment provided in a restaurant which is incidental to any other activities conducted in the restaurant or which only serves as ambience so long as there is no charge to the patrons for that entertainment.

6. The Commission may adopt regulations establishing a procedure whereby a taxpayer that is a licensed gaming establishment may request an exemption from the tax pursuant to paragraph ~~[(p)]~~ ***(q)*** of subsection 5. The regulations must require the taxpayer to seek an administrative ruling from the Chairman of the Board, provide a procedure for appealing that ruling to

the Commission and further describe the forms of incidental or ambient entertainment exempted pursuant to that paragraph.

7. As used in this section, "maximum occupancy" means, in the following order of priority:

(a) The maximum occupancy of the facility in which live entertainment is provided, as determined by the State Fire Marshal or the local governmental agency that has the authority to determine the maximum occupancy of the facility;

(b) If such a maximum occupancy has not been determined, the maximum occupancy of the facility designated in any permit required to be obtained in order to provide the live entertainment; or

(c) If such a permit does not designate the maximum occupancy of the facility, the actual seating capacity of the facility in which the live entertainment is provided.

Prayer by the Chaplain, Rabbi Jacob Benzaquen.

Our Lord, God and the God of our ancestors, we ask for Your blessings for our great republic and the great state of Nevada—for its government, legislature, leaders, and for all who exercise just and rightful authority. God, You are the source of all blessing as it is stated in Genesis to Abraham ". . . I will bless those who bless You . . ."

Creator of all and who renews creation day after day, renew our spirits as it has been sorely tested these last few days. Bless us with deliverance and consolation, for leadership demands devotion; good leadership is never automatic. Bless the leaders of this Assembly with wisdom, vigor, and understanding for the burden of the state and its communities' prosperity rest upon our leaders. Help us to know and remove from us all that is hateful, shameful, and reproachable; bring us near to all that You love. SECOND READING AND AMENDMENT

Assembly Bill No. 64.

Bill read second time.

The following amendment was proposed by the Committee on Transportation:

Amendment No. 570.

SUMMARY—Makes various changes concerning the ~~[enforcement of a court order to complete certain training]~~ **penalties imposed by a court** when a defendant ~~[failed]~~ **fails** to properly secure a child in a child restraint system in a vehicle. (BDR 43-268)

AN ACT relating to traffic laws; making various changes concerning the ~~[enforcement of a court order to complete certain training]~~ **penalties imposed by a court** when a defendant ~~[failed]~~ **fails** to properly secure a child in a child restraint system in a vehicle; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires a person who transports a child who is less than 6 years of age and who weighs 60 pounds or less to secure the child in a child restraint system. A court is required to order a defendant who did not comply with that requirement to complete a program of training in the installation and use of child restraint systems, unless the defendant is not a resident of the State of Nevada. The court is further required to impose a fine or require the defendant to perform community service, but may waive a portion of the fine or community service if the program of training certifies to the court that the defendant completed the program of training. ~~[Section 1 of this]~~ **This** bill ~~[revises the procedures so that the person or agency which conducts the program of training is required to provide the defendant with a certificate of completion. The defendant is then required to submit the certificate to the court. Failure to complete the training or submit the certificate results in the suspension of the driver's license of the person until the person provides the Department of Motor Vehicles with a copy of the certificate of completion.]~~ **deletes the requirement that a court order a defendant to undergo a program of training and requires the court to provide the defendant with a referral list of available programs of training. This bill also increases the amount of the fine or hours of community service a court may impose for failing to properly secure the child in a child restraint system. Further, for a first offense, a defendant may have the fine or hours of community service waived if he successfully completes a program of training recommended by the court and presents proof of**

completion of the training to the court. For a second offense, a defendant may have the fine or hours of community service reduced by half if he successfully completes a program of training recommended by the court and presents proof of completion of the training to the court.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. ~~[Chapter 484 of NRS is hereby amended by adding thereto a new section to read as follows:~~

~~*1. Upon satisfactory completion of a program of training, the person or agency which conducts a program of training pursuant to NRS 484.474 shall provide the defendant with a certificate of completion.*~~

~~*2. The certificate of completion must contain:*~~

~~*(a) The defendant's full name;*~~

~~*(b) The dates of the training;*~~

~~*(c) The signature of the person or representative of the agency who conducted the training verifying that the defendant successfully completed the program; and*~~

~~*(d) A current mailing address and telephone number of the person or representative of the agency who conducted the training.*~~

~~*3. The defendant must provide a copy of the certificate of completion to the court that ordered the training within the time set forth in the order pursuant to NRS 484.474.*~~

~~*4. If the court does not receive a copy of the certificate of completion from the defendant within the time set forth in the order, the court shall issue an order suspending the driver's license of the defendant, unless the court finds that the defendant failed to provide a copy of the certificate for good cause.*~~

~~*5. If the court issues an order suspending the driver's license of the defendant pursuant to subsection 4, the court shall require the defendant to surrender to the court all driver's licenses then held by the defendant. The court shall, within 5 days after issuing the order, forward the driver's licenses and a copy of the order to the Department.*~~

~~*6. The Department shall reinstate a license suspended pursuant to subsection 4 when the defendant provides the Department with a copy of a certificate of completion.]*~~ **(Deleted by amendment.)**

Sec. 2. NRS 484.474 is hereby amended to read as follows:

484.474 1. Except as otherwise provided in subsection 7, any person who is transporting a child who is less than 6 years of age and who weighs 60 pounds or less in a motor vehicle operated in this State which is equipped to carry passengers shall secure the child in a child restraint system which:

~~(2) For a second or subsequent offense by a defendant who completes a program of training described in paragraph (a), waive any amount of the fine in excess of $50 or any amount of the community service in excess of 8 hours,~~

(b) For a second offense, order the defendant to pay a fine of not less than $500 nor more than $1000 or order the defendant to perform not less than 50 hours nor more than 100 hours of community service; and

3. ~~[The]~~ ***At the time of sentencing, the*** court shall ~~[make available]~~ ***provide the defendant with*** a list of persons and agencies approved by the

Department of Public Safety to conduct programs of training and perform inspections of child restraint systems. The list must include, without limitation, an indication of the fee, if any, established by the person or agency pursuant to subsection 4. ***If, within 60 days after sentencing, a defendant provides the court with proof of satisfactory completion of a program of training provided for in this subsection, the court shall:***

(a) If the defendant was sentenced pursuant to paragraph (a) of subsection 2, waive the fine or community service previously imposed; or

(b) If the defendant was sentenced pursuant to paragraph (b) of subsection 2, reduce by one-half the fine or community service previously imposed.

4. A person or agency approved by the Department of Public Safety to conduct programs of training and perform inspections of child restraint systems may, in cooperation with the Department, establish a fee to be paid by defendants who are ordered to complete a program of training. The amount of the fee, if any:

(a) Must be reasonable; ~~[not exceed the actual operating costs associated with providing the program of training;]~~ and

(b) May, if a defendant desires to acquire a child restraint system from such a person or agency, include the cost of a child restraint system provided by the person or agency to the defendant.

➥ A program of training may not be operated for profit.

5. For the purposes of NRS 483.473, a violation of this section is not a moving traffic violation.

6. A violation of this section may not be considered:

(a) Negligence in any civil action; or

(b) Negligence or reckless driving for the purposes of NRS 484.377.

7. This section does not apply:

(a) To a person who is transporting a child in a means of public transportation, including a taxi, school bus or emergency vehicle.

(b) When a physician determines that the use of such a child restraint system for the particular child would be impractical or dangerous because of such factors as the child's weight, physical unfitness or medical condition. In this case, the person transporting the child shall carry in the vehicle the signed statement of the physician to that effect.

8. As used in this section, "child restraint system" means any device that is designed for use in a motor vehicle to restrain, seat or position children. The term includes, without limitation:

(a) Booster seats and belt-positioning seats that are designed to elevate or otherwise position a child so as to allow the child to be secured with a safety belt;

Assemblyman Manendo moved the adoption of the amendment.

Amendment adopted.

Bill ordered reprinted, engrossed and to third reading.

Assembly Bill No. 122.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 386.

AN ACT relating to counties; revising the provisions governing systems used for reporting emergencies in certain counties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, counties whose population is 20,000 or more but less than 400,000 (currently Washoe, Elko, Douglas, Nye, Lyon and Churchill Counties and Carson City) may impose a surcharge to enhance the telephone system for reporting an emergency in the county so that the number and address from which a call received by the system is made may be determined. The proceeds of the surcharge are required to be deposited in a special revenue fund of the county and may only be used to enhance the telephone system. (NRS 244A.7643, 244A.7645) Sections 1 and 2 of this bill expand the authority to impose such a surcharge to counties whose population is less than 20,000 (currently Humboldt, White Pine, Pershing, Lander, Mineral, Lincoln, Storey, Eureka and Esmeralda Counties). Sections 1 and 2 also allow counties that impose such a surcharge, other than a county whose population is 100,000 or more **but less than 400,000** (currently Washoe County), to spend the proceeds of the surcharge for the additional purpose of improving the telephone system for reporting an emergency in the county . ~~[and any related communications system, which may include purchasing, leasing or renting the equipment and software necessary to ensure the interoperability of the communications system among emergency response agencies.]~~

Existing law authorizes local governments to impose certain fees on public utilities, including persons and local governments that sell or resell personal wireless services, for a business license, franchise or right-of-way, which are deposited in the general fund of the local government. (NRS 354.59881-354.59889) Under existing law, if a surcharge to enhance the telephone system for reporting an emergency is imposed in a county whose population is less than 100,000 and the governing body of the county or a city within the county also imposes a fee for a business license on a provider of personal wireless service, the money generated by the fee is required to be deposited into the same special revenue fund in which the proceeds of the surcharge are deposited. (NRS 244A.7645, 244A.76455) Section ~~[3]~~ **4** of this bill eliminates the requirement that these fees be deposited in the special revenue fund; therefore, such fees will be deposited in the county general fund in the

same manner as before the enactment of the ordinance imposing the surcharge.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 244A.7643 is hereby amended to read as follows:

244A.7643 1. Except as otherwise provided in this section, the board of county commissioners in a county whose population is ~~[20,000]~~ ***100,000*** or more but less than 400,000 may ~~[,]~~ by ordinance, ***for the enhancement of the telephone system for reporting an emergency in the county,*** impose a surcharge on:

~~➥ for the enhancement of the telephone system for reporting an emergency in the county.]~~

2. ***Except as otherwise provided in this section, the board of county commissioners in a county whose population is less than 100,000 may by ordinance, for the enhancement or improvement of the telephone*** ~~[and communications]~~ ***system for reporting an emergency in the county, impose a surcharge on:***

(a) Each access line or trunk line of each customer to the local exchange of any ~~[telephone company]~~ ***telecommunications provider providing those lines in the county; and***

(b) The mobile telephone service provided to each customer of that service whose place of primary use is in the county.

3. The board of county commissioners of a county whose population is less than 100,000 may not impose a surcharge pursuant to this section unless the board first adopts a 5-year master plan for the enhancement ***or improvement*** of the telephone ~~[and communications]~~ system for reporting emergencies in the county. The master plan must include an estimate of the cost of the enhancement ***or improvement*** of the telephone ~~[and communications]~~ system and all proposed sources of money for funding the enhancement ~~[.~~

~~3.]~~ ***or improvement.***

4. The surcharge imposed by a board of county commissioners pursuant to this section:

(a) For each access line to the local exchange of a ~~[telephone company,]~~ ***telecommunications provider,*** must not exceed 25 cents each month;

(b) For each trunk line to the local exchange of a ~~[telephone company,]~~ ***telecommunications provider,*** must equal 10 times the amount of the surcharge imposed for each access line to the local exchange of a ~~[telephone company]~~ ***telecommunications provider*** pursuant to paragraph (a); and

(c) For each telephone number assigned to a customer by a supplier of mobile telephone service, must equal the amount of the surcharge imposed for each access line to the local exchange of a ~~[telephone company]~~ ***telecommunications provider*** pursuant to paragraph (a).

~~[4.]~~ ***5.*** A ~~[telephone company]~~ ***telecommunications provider*** which provides access lines or trunk lines in a county which imposes a surcharge pursuant to this section or a supplier which provides mobile telephone service to a customer in such a county shall collect the surcharge from its customers each month. ~~[5.]~~ ***6.*** An ordinance adopted pursuant to subsection 1 ***or 2*** may include a schedule of penalties for the delinquent payment of amounts due from ~~[telephone companies]~~ ***telecommunications providers*** or suppliers pursuant to this section. Such a schedule:

(a) Must provide for a grace period of not less than 90 days after the date on which the ~~[telephone company]~~ ***telecommunications provider*** or supplier must otherwise remit the surcharge to the county treasurer; and

(b) Must not provide for a penalty that exceeds 5 percent of the cumulative amount of surcharges owed by a ~~[telephone company]~~ ***telecommunications provider*** or a supplier.

The following amendment was proposed by the Committee on Transportation:

Amendment No. 450.

AN ACT relating to motor vehicles; providing for the inspection and forfeiture of certain seized vehicles or parts which have altered or missing identification numbers or marks; prohibiting the disclosure of certain information related to the investigation of such a vehicle or part; prohibiting a vehicle dealer, garage owner and certain other businesses from possessing a vehicle or part which has a missing or altered identification number or mark; revising the penalty for possessing such a vehicle or part; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 7 of this bill ~~[requires]~~ **prohibits** vehicle dealers, garagemen, automobile wreckers, operators of salvage pools or body shops or the employees of any such establishment ~~[to inspect vehicles or parts from vehicles that come into their possession in the ordinary course of business to ensure that the required]~~ **from taking possession of a motor vehicle or part from a motor vehicle which he knows to have** identification numbers or marks ~~[have not]~~ **that have** been falsely attached, removed, defaced, altered or obliterated. A person who violates ~~[the requirements of]~~ this provision is guilty of a category D felony.

Section 8 of this bill requires vehicle dealers, garagemen, automobile wreckers, operators of salvage pools or body shops, tow car operators and certain other businesses or the employees of any such establishment who discover during the course of business that a motor vehicle or part from a motor vehicle has an identification number or mark that has been falsely attached, removed, defaced, altered or obliterated to ~~[immediately]~~ notify law enforcement **within 24 hours after discovery** and makes failure to notify a misdemeanor.

Section 9 of this bill prohibits a person from disclosing in open court or in discoverable documents the confidential investigative techniques or the location of confidential identifying numbers or marks used by law enforcement with regard to stolen vehicles or parts.

Section 12 of this bill requires law enforcement or an employee of the Department of Motor Vehicles to inspect vehicles or parts from vehicles seized by law enforcement to determine if a required identification number or mark has been falsely attached, removed, defaced, altered or obliterated. This section authorizes the forfeiture of the vehicle if the identification number or

mark has been falsely attached, removed, defaced, altered or obliterated and there is no satisfactory evidence of ownership of the vehicle or part.

Existing law prohibits a person from knowingly possessing with the intent to sell, transfer, import or export more than one motor vehicle or parts from more than one motor vehicle that have an identification number or mark that is defaced, destroyed or altered. (NRS 482.551) Section 15 of this bill: (1) deletes the intent requirement; (2) deletes the requirement that there must be more than one motor vehicle; and (3) changes the penalty from a category D felony to a gross misdemeanor.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 361.

AN ACT relating to crimes; establishing the requirements for determining whether a person is insane for purposes of the plea of not guilty by reason of insanity and for the insanity defense; authorizing a plea and verdict of guilty but mentally ill under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

In 1995, the Legislature enacted Senate Bill No. 314 which abolished the insanity defense in criminal cases and instead authorized a plea of guilty but mentally ill. In 2001, the Nevada Supreme Court interpreted the provisions of Senate Bill No. 314 and ruled that the federal and state constitutions require the State to provide to criminal defendants the option of raising an insanity defense for crimes that require an element of intent. (*Finger v. State*, 117 Nev. 548 (2001)) Based on this reasoning and because the Court did not believe that the Legislature would wish to preserve the plea of guilty but mentally ill under these circumstances, the Court struck Senate Bill No. 314 in its entirety and reinstated the insanity defense as it existed before Senate Bill No. 314. (*Finger***,** 117 Nev. at 575) In response to *Finger***,** the Legislature enacted legislation in 2003, Assembly Bill No. 156, which statutorily abolished the plea of guilty but mentally ill and reinstated the insanity defense.

Section 4 of this bill reinstates the plea of guilty but mentally ill as an additional plea. Section 4 also provides that a defendant who pleads guilty but mentally ill bears the burden of establishing his mental illness by a preponderance of the evidence and that generally such a defendant is subject to the same penalties and procedures as a defendant who pleads guilty. (NRS 174.035)

Section 10 of this bill authorizes the verdict of guilty but mentally ill. Specifically, section 10 authorizes a judge or jury to find a defendant guilty but mentally ill if the judge or jury finds that the defendant: (1) is guilty of the offense; (2) has established that he was mentally ill at the time the offense was committed; and (3) has not established that he was insane for purposes of the defense of insanity. Generally, a defendant who is found guilty but mentally ill is subject to the same penalties and procedures as a defendant who is found guilty.

Section 17 of this bill provides the types of sentences a court may impose upon a defendant who pleads or is found guilty but mentally ill. Regardless of whether a defendant is mentally ill at the time of sentencing, the court is required to impose any sentence available to the court for a defendant who pleads or is found guilty of the same offense. However, if the defendant is mentally ill at the time of sentencing **[**,**]** **and the sentence includes a term of confinement,** the court is also required, under certain circumstances, to direct the Department of Corrections to provide to the defendant such treatment as is ~~[available]~~ **medically indicated** for his mental illness during his confinement . ~~[or probation.]~~ This bill contains many of the same provisions that were included in Senate Bill No. 314 of the 1995 Legislative

Session, as well as many new sections that were included to provide for the plea and verdict of guilty but mentally ill.

Under existing case law in Nevada, a defendant in a criminal case who asserts the insanity defense must prove ~~[:]~~ **that he was in a delusional state at the time of the alleged crime and due to that delusional state, he either:** (1) ~~[his insanity at the time of the alleged crime by proving that he]~~ did not understand the nature or ~~[quality]~~ **capacity** of his act ; or ~~[understand]~~ **(2) did not appreciate** that his act was wrong, meaning that the act is not authorized by law . ~~[; and (2) that if the facts, as believed by the defendant at the time of the offense, were true, the facts would justify the commission of the offense.]~~ (*Finger*, 117 Nev. at 576) This standard for establishing insanity is commonly referred to as the "M'Naghten Rule." The Nevada Supreme Court has recognized that the Legislature may determine that legal insanity be proven by the defendant by any one of the established standards, including by the M'Naghten Rule. (*Finger***,** 117 Nev. at 575) Section 4 of this bill codifies the M'Naghten Rule, as stated above, as the standard for establishing insanity for purposes of the insanity defense. (NRS 174.035)

3. The information must be filed within 15 days after the holding or waiver of the preliminary examination. Each information must set forth the crime committed according to the facts.

4. If, with the consent of the prosecuting attorney, a defendant waives his right to a preliminary examination in accordance with an agreement by the defendant to plead guilty ***, guilty but mentally ill*** or nolo contendere to a lesser charge or ***to*** at least one ***,*** but not all, of the initial charges, the information filed against the defendant pursuant to this section may contain only the offense or offenses to which the defendant has agreed to enter a plea of guilty ***, guilty but mentally ill*** or nolo contendere. If, for any reason, the agreement is rejected by the district court or withdrawn by the defendant, the prosecuting attorney may file an amended information charging all of the offenses which were in the criminal complaint upon which the preliminary examination was waived. The defendant must then be arraigned in accordance with the amended information.

Sec. 3. NRS 173.125 is hereby amended to read as follows:

173.125 The prosecution is not required to elect between the different offenses or counts set forth in the indictment or information, and a plea of guilty ***or guilty but mentally ill*** to one or more offenses charged in the indictment or information does not preclude prosecution for the other offenses.

Sec. 4. NRS 174.035 is hereby amended to read as follows:

174.035 1. A defendant may plead not guilty, guilty ***, guilty but mentally ill*** or, with the consent of the court, nolo contendere. The court may refuse to accept a plea of guilty ~~[.]~~ ***or guilty but mentally ill.***

2. If a plea of guilty ***or guilty but mentally ill*** is made in a written plea agreement, the agreement must be in substantially the form prescribed in NRS 174.063. If a plea of guilty ***or guilty but mentally ill*** is made orally, the court shall not accept such a plea or a plea of nolo contendere without first addressing the defendant personally and determining that the plea is made voluntarily with understanding of the nature of the charge and consequences of the plea.

3. With the consent of the court and the district attorney, a defendant may enter a conditional plea of guilty ***, guilty but mentally ill*** or nolo contendere, reserving in writing the right, on appeal from the judgment, to a review of the adverse determination of any specified pretrial motion. A defendant who prevails on appeal must be allowed to withdraw the plea.

4. ***A plea of guilty but mentally ill must be entered not less than 21 days before the date set for trial. A defendant who has entered a plea of guilty***

but mentally ill has the burden of establishing his mental illness by a preponderance of the evidence. Except as otherwise provided by specific statute, a defendant who enters such a plea is subject to the same criminal, civil and administrative penalties and procedures as a defendant who pleads guilty.

5. The defendant may, in the alternative or in addition to any one of the pleas permitted by subsection 1, plead not guilty by reason of insanity. A plea of not guilty by reason of insanity must be entered not less than 21 days before the date set for trial. A defendant who has not so pleaded may offer the defense of insanity during trial upon good cause shown. 6. If a defendant refuses to plead or if the court refuses to accept a plea of guilty ***or guilty but mentally ill*** or if a defendant corporation fails to appear, the court shall enter a plea of not guilty.

(a) Probation is not allowed; or

(b) The maximum prison sentence is more than 10 years,

➥ unless the plea bargain is set forth in writing and signed by the defendant, the defendant's attorney, if he is represented by counsel, and the prosecuting attorney.

8. As used in this section, a "disease or defect of the mind" does not include a disease or defect which is caused solely by voluntary intoxication.

Sec. 5. NRS 174.055 is hereby amended to read as follows:

174.055 In [~~the~~] ***a*** justice court, if the defendant pleads guilty [~~,~~] ***or guilty but mentally ill,*** the court may, before entering such a plea or pronouncing judgment, examine witnesses to ascertain the gravity of the offense committed. If it appears to the court that a higher offense has been committed than the offense charged in the complaint, the court may order the defendant to be committed or admitted to bail or to answer any indictment that may be found against him or any information which may be filed by the district attorney.

Sec. 6. NRS 174.061 is hereby amended to read as follows:

174.061 1. If a prosecuting attorney enters into an agreement with a defendant in which the defendant agrees to testify against another defendant in exchange for a plea of guilty ***, guilty but mentally ill*** or nolo contendere to a lesser charge or for a recommendation of a reduced sentence, the agreement:

(a) Is void if the defendant's testimony is false.

(b) Must be in writing and include a statement that the agreement is void if the defendant's testimony is false.

2. A prosecuting attorney shall not enter into an agreement with a defendant which:

(a) Limits the testimony of the defendant to a predetermined formula.

(b) Is contingent on the testimony of the defendant contributing to a specified conclusion.

Sec. 7. NRS 174.063 is hereby amended to read as follows:

174.063 1. If a plea of guilty ***or guilty but mentally ill*** is made in a written plea agreement, the agreement must be substantially in the following form:

GUILTY ***OR GUILTY BUT MENTALLY ILL*** PLEA AGREEMENT

I hereby agree to plead guilty ***or guilty but mentally ill*** to: (List charges to which defendant is pleading guilty ~~D,~~ ***or guilty but mentally ill),*** as more fully alleged in the charging document attached hereto as Exhibit 1.

My decision to plead guilty ***or guilty but mentally ill*** is based upon the plea agreement in this case which is as follows:

(State the terms of the agreement.)

CONSEQUENCES OF THE PLEA

I understand that by pleading guilty ***or guilty but mentally ill*** I admit the facts which support all the elements of the offenses to which I now plead as set forth in Exhibit 1.

I understand that as a consequence of my plea of guilty ***or guilty but mentally ill*** I may be imprisoned for a period of not more than (maximum term of imprisonment) and that I (may or will) be fined up to (maximum

amount of fine). I understand that the law requires me to pay an administrative assessment fee.

I understand that, if appropriate, I will be ordered to make restitution to the victim of the offenses to which I am pleading guilty ***or guilty but mentally ill*** and to the victim of any related offense which is being dismissed or not prosecuted pursuant to this agreement. I will also be ordered to reimburse the State of Nevada for expenses ~~[related]~~ ***relating*** to my extradition, if any.

I understand that I (am or am not) eligible for probation for the offense to which I am pleading guilty ~~[.]~~ ***or guilty but mentally ill.*** (I understand that, except as otherwise provided by statute, the question of whether I receive probation is in the discretion of the sentencing judge, or I understand that I must serve a mandatory minimum term of (term of imprisonment) or pay a minimum mandatory fine of (amount of fine) or serve a mandatory minimum term (term of imprisonment) and pay a minimum mandatory fine of (amount of fine).)

I understand that if more than one sentence of imprisonment is imposed and I am eligible to serve the sentences concurrently, the sentencing judge has the discretion to order the sentences served concurrently or consecutively.

I understand that information regarding charges not filed, dismissed charges or charges to be dismissed pursuant to this agreement may be considered by the judge at sentencing.

I have not been promised or guaranteed any particular sentence by anyone. I know that my sentence is to be determined by the court within the limits prescribed by statute. I understand that if my attorney or the State of Nevada or both recommend any specific punishment to the court, the court is not obligated to accept the recommendation.

I understand that the Division of Parole and Probation of the Department of Public Safety may or will prepare a report for the sentencing judge before sentencing. This report will include matters relevant to the issue of sentencing, including my criminal history. I understand that this report may contain hearsay information regarding my background and criminal history. My attorney (if represented by counsel) and I will each have the opportunity to comment on the information contained in the report at the time of sentencing.

WAIVER OF RIGHTS

By entering my plea of guilty ~~[,]~~ ***or guilty but mentally ill,*** I understand that I have waived the following rights and privileges:

1. The constitutional privilege against self-incrimination, including the right to refuse to testify at trial, in which event the prosecution would not be allowed to comment to the jury about my refusal to testify.

2. The constitutional right to a speedy and public trial by an impartial jury, free of excessive pretrial publicity prejudicial to the defense, at which trial I would be entitled to the assistance of an attorney, either appointed or

retained. At trial, the State would bear the burden of proving beyond a reasonable doubt each element of the offense charged.

3. The constitutional right to confront and cross-examine any witnesses who would testify against me.

4. The constitutional right to subpoena witnesses to testify on my behalf.

5. The constitutional right to testify in my own defense.

6. The right to appeal the conviction, with the assistance of an attorney, either appointed or retained, unless the appeal is based upon reasonable constitutional, jurisdictional or other grounds that challenge the legality of the proceedings and except as otherwise provided in subsection 3 of NRS 174.035.

VOLUNTARINESS OF PLEA

I have discussed the elements of all the original charges against me with my attorney (if represented by counsel) and I understand the nature of these charges against me.

I understand that the State would have to prove each element of the charge against me at trial.

I have discussed with my attorney (if represented by counsel) any possible defenses and circumstances which might be in my favor.

All of the foregoing elements, consequences, rights and waiver of rights have been thoroughly explained to me by my attorney (if represented by counsel).

I believe that pleading guilty ***or guilty but mentally ill*** and accepting this plea bargain is in my best interest and that a trial would be contrary to my best interest.

I am signing this agreement voluntarily, after consultation with my attorney (if represented by counsel) and I am not acting under duress or coercion or by virtue of any promises of leniency, except for those set forth in this agreement.

I am not now under the influence of intoxicating liquor, a controlled substance or other drug which would in any manner impair my ability to comprehend or understand this agreement or the proceedings surrounding my entry of this plea.

My attorney (if represented by counsel) has answered all my questions regarding this guilty ***or guilty but mentally ill*** plea agreement and its consequences to my satisfaction and I am satisfied with the services provided by my attorney.

CERTIFICATE OF COUNSEL

I, the undersigned, as the attorney for the defendant named herein and as an officer of the court hereby certify that:

1. I have fully explained to the defendant the allegations contained in the charges to which guilty ***or guilty but mentally ill*** pleas are being entered.

2. I have advised the defendant of the penalties for each charge and the restitution that the defendant may be ordered to pay.

3. All pleas of guilty ***or guilty but mentally ill*** offered by the defendant pursuant to this agreement are consistent with all the facts known to me and are made with my advice to the defendant and are in the best interest of the defendant.

4. To the best of my knowledge and belief, the defendant:

(a) Is competent and understands the charges and the consequences of pleading guilty ***or guilty but mentally ill*** as provided in this agreement.

(b) Executed this agreement and will enter all guilty ***or guilty but mentally ill*** pleas pursuant hereto voluntarily.

(c) Was not under the influence of intoxicating liquor, a controlled substance or other drug at the time of the execution of this agreement.

Sec. 8. NRS 174.065 is hereby amended to read as follows:

174.065 Except as otherwise provided in NRS 174.061:

1. On a plea of guilty ***or guilty but mentally ill*** to an information or indictment accusing a defendant of a crime divided into degrees, when consented to by the prosecuting attorney in open court and approved by the court, the plea may specify the degree, and in such event the defendant shall not be punished for a higher degree than that specified in the plea.

2. On a plea of guilty ***or guilty but mentally ill*** to an indictment or information for murder of the first degree, when consented to by the prosecuting attorney in open court and approved by the court, the plea may specify a punishment less than death. The specified punishment, or any lesser punishment, may be imposed by a single judge.

Sec. 9. NRS 174.075 is hereby amended to read as follows:

174.075 1. Pleadings in criminal proceedings are the indictment, the information and, in justice court, the complaint, and the pleas of guilty, ***guilty but mentally ill,*** not guilty ***, not guilty by reason of insanity*** and nolo contendere.

2. All other pleas, ~~[and]~~ demurrers and motions to quash are abolished, and defenses and objections raised before trial which could have been raised by one or more of them may be raised only by motion to dismiss or to grant appropriate relief, as provided in this title.

Sec. 10. Chapter 175 of NRS is hereby amended by adding thereto a new section to read as follows:

1. During a trial, upon a plea of not guilty by reason of insanity, the trier of fact may find the defendant guilty but mentally ill if the trier of fact finds all of the following:

(a) The defendant is guilty beyond a reasonable doubt of an offense;

(b) The defendant has established by a preponderance of the evidence that due to a disease or defect of the mind, he was mentally ill at the time of the commission of the offense; and

(c) The defendant has not established by a preponderance of the evidence that ~~[:~~

~~(1) His mental illness prevented him, at the time of the offense, from understanding the nature and consequences of his conductor that his conduct was wrong, meaning not authorized by law; and~~

~~(2) If the facts, as believed by the defendant at the time of the offense, were true, the facts would justify the commission of the offense.]~~ ***he is not guilty by reason of insanity pursuant to subsection 5 of NRS 174.035.***

2. Except as otherwise provided by specific statute, a defendant who is found guilty but mentally ill is subject to the same criminal, civil and administrative penalties and procedures as a defendant who is found guilty.

3. As used in this section, a "disease or defect of the mind" does not include a disease or defect which is caused solely by voluntary intoxication.

Sec. 11. NRS 175.101 is hereby amended to read as follows:

175.101 If by reason of absence from the judicial district, death, sickness or other disability the judge before whom the defendant has been tried is unable to perform the duties to be performed by the court after a verdict or finding of ~~[guilt,]~~ ***guilty or guilty but mentally ill,*** any other judge regularly sitting in or assigned to the court may perform those duties ***,*** ~~[;]~~ but if such other judge is satisfied that he cannot perform those duties because he did not preside at the trial or for any other reason, he may in his discretion grant a new trial.

Sec. 12. NRS 175.282 is hereby amended to read as follows:

175.282 If a prosecuting attorney enters into an agreement with a defendant in which the defendant agrees to testify against another defendant in exchange for a plea of guilty ***, guilty but mentally ill*** or nolo contendere to a lesser charge or for a recommendation of a reduced sentence, the court shall:

1. After excising any portion it deems irrelevant or prejudicial, permit the jury to inspect the agreement;

2. If the defendant who is testifying has not entered his plea or been sentenced pursuant to the agreement, instruct the jury regarding the possible

related pressures on the defendant by providing the jury with an appropriate cautionary instruction; and

3. Allow the defense counsel to cross-examine fully the defendant who is testifying concerning the agreement.

Sec. 13. NRS 175.381 is hereby amended to read as follows:

175.381 1. If, at any time after the evidence on either side is closed, the court deems the evidence insufficient to warrant a conviction, it may advise the jury to acquit the defendant, but the jury is not bound by such advice.

2. The court may, on a motion of a defendant or on its own motion, which is made after the jury returns a verdict of guilty ~~[,]~~ ***or guilty but mentally ill,*** set aside the verdict and enter a judgment of acquittal if the evidence is insufficient to sustain a conviction. The motion for a judgment of acquittal must be made within 7 days after the jury is discharged or within such further time as the court may fix during that period.

3. If a motion for a judgment of acquittal after a verdict of guilty ***or guilty but mentally ill*** pursuant to this section is granted, the court shall also determine whether any motion for a new trial should be granted if the judgment of acquittal is thereafter vacated or reversed. The court shall specify the grounds for that determination. If the motion for a new trial is granted conditionally, the order thereon does not affect the finality of the judgment. If the motion for a new trial is granted conditionally and the judgment is reversed on appeal, the new trial must proceed unless the appellate court has otherwise ordered. If the motion is denied conditionally, the defendant on appeal may assert error in that denial, and if the judgment is reversed on appeal, subsequent proceedings must be in accordance with the order of the appellate court.

Sec. 14. NRS 175.501 is hereby amended to read as follows:

175.501 The defendant may be found guilty ***or guilty but mentally ill*** of an offense necessarily included in the offense charged or of an attempt to commit either the offense charged or an offense necessarily included therein if the attempt is an offense.

Sec. 15. NRS 175.547 is hereby amended to read as follows:

175.547 1. In any case in which a defendant pleads or is found guilty ***or guilty but mentally ill*** of murder in the first or second degree, kidnapping in the first or second degree, false imprisonment, burglary or invasion of the home, the court shall, at the request of the prosecuting attorney, conduct a separate hearing to determine whether the offense was sexually motivated. A request for such a hearing may not be submitted to the court unless the prosecuting attorney, before the commencement of the trial, files and serves upon the defendant a written notice of his intention to request such a hearing.

2. A hearing requested pursuant to subsection 1 must be conducted before:

(a) The court imposes its sentence; or

(b) A separate penalty hearing is conducted.

3. At the hearing, only evidence concerning the question of whether the offense was sexually motivated may be presented. The prosecuting attorney must prove beyond a reasonable doubt that the offense was sexually motivated.

4. The court shall enter its finding in the record.

5. For the purposes of this section, an offense is "sexually motivated" if one of the purposes for which the person committed the offense was his sexual gratification.

Sec. 16. NRS 175.552 is hereby amended to read as follows:

175.552 1. Except as otherwise provided in subsection 2, in every case in which there is a finding that a defendant is guilty ***or guilty but mentally ill*** of murder of the first degree, whether or not the death penalty is sought, the court shall conduct a separate penalty hearing. The separate penalty hearing must be conducted as follows:

(a) If the finding is made by a jury, the separate penalty hearing must be conducted in the trial court before the trial jury, as soon as practicable.

(b) If the finding is made upon a plea of guilty ***or guilty but mentally ill*** or a trial without a jury and the death penalty is sought, the separate penalty hearing must be conducted before a jury impaneled for that purpose, as soon as practicable.

(c) If the finding is made upon a plea of guilty ***or guilty but mentally ill*** or a trial without a jury and the death penalty is not sought, the separate penalty hearing must be conducted ***as soon as practicable*** before the judge who conducted the trial or who accepted the plea **.** ~~[of guilty, as soon as practicable.]~~

2. In a case in which the death penalty is not sought or in which a court has made a finding that the defendant is mentally retarded and has stricken the notice of intent to seek the death penalty pursuant to NRS 174.098, the parties may by stipulation waive the separate penalty hearing required in subsection 1. When stipulating to such a waiver, the parties may also include an agreement to have the sentence, if any, imposed by the trial judge. Any stipulation pursuant to this subsection must be in writing and signed by the defendant, his attorney, if any, and the prosecuting attorney.

3. During the hearing, evidence may be presented concerning aggravating and mitigating circumstances relative to the offense, defendant or victim and on any other matter which the court deems relevant to sentence, whether or not the evidence is ordinarily admissible. Evidence may be offered to refute hearsay matters. No evidence which was secured in violation of the Constitution of the United States or the Constitution of the State of Nevada may be introduced. The State may introduce evidence of additional aggravating circumstances as set forth in NRS 200.033, other than the aggravated nature of the offense itself, only if it has been disclosed to the defendant before the commencement of the penalty hearing.

4. In a case in which the death penalty is not sought or in which a court has found the defendant to be mentally retarded and has stricken the notice of

intent to seek the death penalty pursuant to NRS 174.098, the jury or the trial judge shall determine whether the defendant should be sentenced to life with the possibility of parole or life without the possibility of parole.

Sec. 17. Chapter 176 of NRS is hereby amended by adding a new section to read as follows:

1. If a defendant is found guilty but mentally ill pursuant to section 10 of this act or the court accepts his plea of guilty but mentally ill entered pursuant to NRS 174.035, and the court finds by a preponderance of the evidence that:

(a) The defendant is not mentally ill at the time of sentencing, the court shall impose any sentence that the court is authorized to impose upon a defendant who pleads or is found guilty of the same offense; or

(b) The defendant is mentally ill at the time of sentencing, the court shall:

(1) Impose any sentence that the court is authorized to impose upon a defendant who pleads or is found guilty of the same offense; and

(2) Include in that sentence an order that the defendant, during the period of his confinement or probation, be given or obtain such treatment as is ~~[available]~~ ***medically indicated for his mental illness .*** ~~[if the court determines that the relative risks and benefits of the available treatment are such that a reasonable person would consent to such treatment.]~~

2. ~~[The]~~ ***If the sentence of a defendant includes a period of confinement, the Department of Corrections shall provide any treatment ordered by a court pursuant to subsection 1*** ~~[.]~~ ***at a facility designated by the Department to provide such treatment. The Department shall separate such a person from the general population of the prison and shall not return the person to that population until a licensed psychiatrist or psychologist finds that the person is no longer mentally ill.***

Sec. 18. NRS 176.059 is hereby amended to read as follows:

176.059 1. Except as otherwise provided in subsection 2, when a defendant pleads guilty ***or guilty but mentally ill*** or is found guilty ***or guilty but mentally ill*** of a misdemeanor, including the violation of any municipal ordinance, the justice or judge shall include in the sentence the sum prescribed by the following schedule as an administrative assessment and render a judgment against the defendant for the assessment:

Fine	Assessment

400 to 499 100
500 to 1,000 115

(a) An ordinance regulating metered parking; or

(b) An ordinance which is specifically designated as imposing a civil penalty or liability pursuant to NRS 244.3575 or 268.019.

3. The money collected for an administrative assessment must not be deducted from the fine imposed by the justice or judge but must be taxed against the defendant in addition to the fine. The money collected for an administrative assessment must be stated separately on the court's docket and must be included in the amount posted for bail. If bail is forfeited, the administrative assessment included in the amount posted for bail pursuant to this subsection must be disbursed in the manner set forth in subsection 5 or 6. If the defendant is found not guilty or the charges are dismissed, the money deposited with the court must be returned to the defendant. If the justice or judge cancels a fine because the fine has been determined to be uncollectible, any balance of the fine and the administrative assessment remaining unpaid shall be deemed to be uncollectible and the defendant is not required to pay it. If a fine is determined to be uncollectible, the defendant is not entitled to a refund of the fine or administrative assessment he has paid and the justice or judge shall not recalculate the administrative assessment.

4. If the justice or judge permits the fine and administrative assessment to be paid in installments, the payments must be first applied to the unpaid balance of the administrative assessment. The city treasurer shall distribute partially collected administrative assessments in accordance with the requirements of subsection 5. The county treasurer shall distribute partially collected administrative assessments in accordance with the requirements of subsection 6.

5. The money collected for administrative assessments in municipal court must be paid by the clerk of the court to the city treasurer on or before the fifth day of each month for the preceding month. The county treasurer shall provide, upon request by a juvenile court, monthly reports of the revenue credited to and expenditures made from the special account.

(b) Seven dollars for credit to a special revenue fund for the use of the municipal courts. Any money remaining in the special revenue fund after 2 fiscal years must be deposited in the municipal general fund if it has not been committed for expenditure. The city treasurer shall provide, upon request by a municipal court, monthly reports of the revenue credited to and expenditures made from the special revenue fund.

(c) The remainder of each assessment to the State Controller for credit to a special account in the State General Fund.

6. The county treasurer shall distribute, on or before the 15th day of that month, the money received in the following amounts for each assessment received:

The county treasurer shall provide, upon request by a juvenile court, monthly reports of the revenue credited to and expenditures made from the special account.

(b) Seven dollars for credit to a special revenue fund for the use of the justice courts. Any money remaining in the special revenue fund after 2 fiscal years must be deposited in the county general fund if it has not been committed for expenditure. The county treasurer shall provide, upon request by a justice court, monthly reports of the revenue credited to and expenditures made from the special revenue fund.

(c) The remainder of each assessment to the State Controller for credit to a special account in the State General Fund.

7. The money apportioned to a juvenile court, a justice court or a municipal court pursuant to this section must be used, in addition to providing services to juvenile offenders in the juvenile court, to improve the operations of the court, or to acquire appropriate advanced technology or the use of such technology, or both. Money used to improve the operations of the court may include expenditures for:

(a) Training and education of personnel;

(b) Acquisition of capital goods;

(c) Management and operational studies; or

(d) Audits.

8. Of the total amount deposited in the State General Fund pursuant to subsections 5 and 6, the State Controller shall distribute the money received to the following public agencies in the following manner:

Sec. 19. NRS 176.0611 is hereby amended to read as follows:

176.0611 1. A county or a city, upon recommendation of the appropriate court, may, by ordinance, authorize the justices or judges of the justice or municipal courts within its jurisdiction to impose for not longer than 50 years, in addition to the administrative assessments imposed pursuant to NRS 176.059 and 176.0613, an administrative assessment for the provision of court facilities.

2. Except as otherwise provided in subsection 3, in any jurisdiction in which an administrative assessment for the provision of court facilities has been authorized, when a defendant pleads guilty or ***guilty but mentally ill or*** is found guilty ***or guilty but mentally ill*** of a misdemeanor, including the violation of any municipal ordinance, the justice or judge shall include in the sentence the sum of $10 as an administrative assessment for the provision of court facilities and render a judgment against the defendant for the assessment. If the justice or judge sentences the defendant to perform community service in lieu of a fine, the justice or judge shall include in the sentence the administrative assessment required pursuant to this subsection.

3. The provisions of subsection 2 do not apply to:

(c) Renovate or remodel existing facilities for the municipal courts.

(d) Acquire furniture, fixtures and equipment necessitated by the construction or acquisition of additional facilities or the renovation of an existing facility for the municipal courts or a regional justice center that includes the municipal courts. ➥ Any money remaining in the special revenue fund after 5 fiscal years must be deposited in the county general fund for the continued maintenance of court facilities if it has not been committed for expenditure pursuant to a plan for the construction or acquisition of court facilities or improvements to court facilities. The county treasurer shall provide, upon request by a justice court, monthly reports of the revenue credited to and expenditures made from the special revenue fund.

8. If money collected pursuant to this section is to be used to acquire land on which to construct a regional justice center, to construct a regional justice center or to pay debt service on bonds issued for these purposes, the county and the participating cities shall, by interlocal agreement, determine such issues as the size of the regional justice center, the manner in which the

176.165 Except as otherwise provided in this section, a motion to withdraw a plea of guilty ***, guilty but mentally ill*** or nolo contendere may be made only before sentence is imposed or imposition of sentence is suspended. To correct manifest injustice, the court after sentence may set aside the judgment of conviction and permit the defendant to withdraw his plea.

Sec. 25. NRS 176A.255 is hereby amended to read as follows:

176A.255 1. A justice court or a municipal court may, upon approval of the district court, transfer original jurisdiction to the district court of a case involving an eligible defendant.

2. As used in this section, "eligible defendant" means a person who:

(b) Appears to suffer from mental illness or to be mentally retarded; and

(c) Would benefit from assignment to a program established pursuant to NRS 176A.250.

Sec. 26. NRS 176A.260 is hereby amended to read as follows:

176A.260 1. Except as otherwise provided in subsection 2, if a defendant who suffers from mental illness or is mentally retarded tenders a plea of guilty ***, guilty but mentally ill*** or nolo contendere to, or is found guilty ***or guilty but mentally ill*** of, any offense for which the suspension of sentence or the granting of probation is not prohibited by statute, the court may, without entering a judgment of conviction and with the consent of the defendant, suspend further proceedings and place the defendant on probation upon terms and conditions that must include attendance and successful completion of a program established pursuant to NRS 176A.250.

2. If the offense committed by the defendant involved the use or threatened use of force or violence or if the defendant was previously convicted in this State or in any other jurisdiction of a felony that involved the use or threatened use of force or violence, the court may not assign the defendant to the program unless the prosecuting attorney stipulates to the assignment.

3. Upon violation of a term or condition:

(a) The court may enter a judgment of conviction and proceed as provided in the section pursuant to which the defendant was charged.

(b) Notwithstanding the provisions of paragraph (e) of subsection 2 of NRS 193.130, the court may order the defendant to the custody of the Department of Corrections if the offense is punishable by imprisonment in the state prison.

4. Upon fulfillment of the terms and conditions, the court shall discharge the defendant and dismiss the proceedings against him. Discharge and dismissal pursuant to this section is without adjudication of guilt and is not a conviction for purposes of this section or for purposes of employment, civil rights or any statute or regulation or license or questionnaire or for any other public or private purpose, but is a conviction for the purpose of additional penalties imposed for second or subsequent convictions or the setting of bail. Discharge and dismissal restores the defendant, in the contemplation of the law, to the status occupied before the arrest, indictment or information. The defendant may not be held thereafter under any law to be guilty of perjury or otherwise giving a false statement by reason of failure to recite or acknowledge that arrest, indictment, information or trial in response to an inquiry made of him for any purpose.

Sec. 27. NRS 177.015 is hereby amended to read as follows:

177.015 The party aggrieved in a criminal action may appeal only as follows:

1. Whether that party is the State or the defendant:

(a) To the district court of the county from a final judgment of the justice court.

(b) To the Supreme Court from an order of the district court granting a motion to dismiss, a motion for acquittal or a motion in arrest of judgment, or granting or refusing a new trial.

(c) To the Supreme Court from a determination of the district court about whether a defendant is mentally retarded that is made as a result of a hearing held pursuant to NRS 174.098. If the Supreme Court entertains the appeal, it shall enter an order staying the criminal proceedings against the defendant for such time as may be required.

2. The State may, upon good cause shown, appeal to the Supreme Court from a pretrial order of the district court granting or denying a motion to suppress evidence made pursuant to NRS 174.125. Notice of the appeal must be filed with the clerk of the district court within 2 judicial days and with the Clerk of the Supreme Court within 5 judicial days after the ruling by the district court. The clerk of the district court shall notify counsel for the defendant or, in the case of a defendant without counsel, the defendant within 2 judicial days after the filing of the notice of appeal. The Supreme Court may establish such procedures as it determines proper in requiring the appellant to make a preliminary showing of the propriety of the appeal and whether there may be a miscarriage of justice if the appeal is not entertained. If the Supreme Court entertains the appeal, or if it otherwise appears necessary, it may enter an order staying the trial for such time as may be required.

3. The defendant only may appeal from a final judgment or verdict in a criminal case.

4. Except as otherwise provided in subsection 3 of NRS 174.035, the defendant in a criminal case shall not appeal a final judgment or verdict resulting from a plea of guilty ***, guilty but mentally ill*** or nolo contendere that the defendant entered into voluntarily and with a full understanding of the nature of the charge and the consequences of the plea, unless the appeal is based upon reasonable constitutional, jurisdictional or other grounds that challenge the legality of the proceedings. The Supreme Court may establish procedures to require the defendant to make a preliminary showing of the propriety of the appeal.

Sec. 28. NRS 177.075 is hereby amended to read as follows:

177.075 1. Except where appeal is automatic, an appeal from a district court to the Supreme Court is taken by filing a notice of appeal with the clerk of the district court. Bills of exception and assignments of error in cases governed by this chapter are abolished.

2. When a court imposes sentence upon a defendant who has not pleaded guilty ***or guilty but mentally ill*** and who is without counsel, the court shall advise the defendant of his right to appeal, and if he so requests, the clerk shall prepare and file forthwith a notice of appeal on his behalf.

3. A notice of appeal must be signed:

(a) By the appellant or appellant's attorney; or

(b) By the clerk if prepared by him.

Sec. 29. NRS 178.388 is hereby amended to read as follows:

178.388 1. Except as otherwise provided in this title, the defendant must be present at the arraignment, at every stage of the trial including the impaneling of the jury and the return of the verdict, and at the imposition of sentence. A corporation may appear by counsel for all purposes.

2. In prosecutions for offenses not punishable by death:

(a) The defendant's voluntary absence after the trial has been commenced in his presence must not prevent continuing the trial to and including the return of the verdict.

(b) If the defendant was present at the trial through the time he pleads guilty ***or guilty but mentally ill*** or is found guilty ***or guilty but mentally ill*** but at the time of his sentencing is incarcerated in another jurisdiction, he may waive his right to be present at the sentencing proceedings and agree to be sentenced in this State in his absence. The defendant's waiver is valid only if it is:

(1) Made knowingly, intelligently and voluntarily after consulting with an attorney licensed to practice in this State;

(2) Signed and dated by the defendant and notarized by a notary public or judicial officer; and

(3) Signed and dated by his attorney after it has been signed by the defendant and notarized.

3. In prosecutions for offenses punishable by fine or by imprisonment for not more than 1 year, or both, the court, with the written consent of the defendant, may permit arraignment, plea, trial and imposition of sentence in the defendant's absence, if the court determines that the defendant was fully aware of his applicable constitutional rights when he gave his consent.

4. The presence of the defendant is not required at the arraignment or any preceding stage if the court has provided for the use of a closed-circuit television to facilitate communication between the court and the defendant during the proceeding. If closed-circuit television is provided for, members of the news media may observe and record the proceeding from both locations unless the court specifically provides otherwise.

5. The defendant's presence is not required at the settling of jury instructions.

Sec. 30. NRS 179.225 is hereby amended to read as follows:

179.225 1. If the punishment of the crime is the confinement of the criminal in prison, the expenses must be paid from money appropriated to the Office of the Attorney General for that purpose, upon approval by the State Board of Examiners. After the appropriation is exhausted, the expenses must be paid from the Reserve for Statutory Contingency Account upon approval by the State Board of Examiners. In all other cases, they must be paid out of

the county treasury in the county wherein the crime is alleged to have been committed. The expenses are:

(a) If the prisoner is returned to this State from another state, the fees paid to the officers of the state on whose governor the requisition is made;

(b) If the prisoner is returned to this State from a foreign country or jurisdiction, the fees paid to the officers and agents of this State or the United States; or

(c) If the prisoner is temporarily returned for prosecution to this State from another state pursuant to this chapter or chapter 178 of NRS and is then returned to the sending state upon completion of the prosecution, the fees paid to the officers and agents of this State,

2. If a person is returned to this State pursuant to this chapter or chapter 178 of NRS and is convicted of, or pleads guilty **,** ***guilty but mentally ill*** or nolo contendere to **,** the criminal charge for which he was returned or a lesser criminal charge, the court shall conduct an investigation of the financial status of the person to determine his ability to make restitution. In conducting the investigation, the court shall determine if the person is able to pay any existing obligations for:

(a) Child support;

(b) Restitution to victims of crimes; and

(c) Any administrative assessment required to be paid pursuant to NRS 62E.270, 176.059, 176.0611, 176.0613 and 176.062.

3. If the court determines that the person is financially able to pay the obligations described in subsection 2, it shall, in addition to any other sentence it may impose, order the person to make restitution for the expenses incurred by the Attorney General or other governmental entity in returning him to this State. The court shall not order the person to make restitution if payment of restitution will prevent him from paying any existing obligations described in subsection 2. Any amount of restitution remaining unpaid constitutes a civil liability arising upon the date of the completion of his sentence.

4. The Attorney General may adopt regulations to carry out the provisions of this section.

Sec. 31. NRS 1.4675 is hereby amended to read as follows:

1.4675 1. The Commission shall suspend a justice or judge from the exercise of office with salary:

5. The Commission may suspend a justice or judge pursuant to this section only in accordance with its procedural rules.

(b) A hearing is held on the petition.

5. If an extended order is issued by a justice court, an interlocutory appeal lies to the district court, which may affirm, modify or vacate the order in question. The appeal may be taken without bond, but its taking does not stay the effect or enforcement of the order.

6. Unless a more severe penalty is prescribed by law for the act that constitutes the violation of the order, any person who intentionally violates:

PETITION FOR WRIT
OF HABEAS CORPUS
(POSTCONVICTION)

.. ..

Respondent.

INSTRUCTIONS:

(1) This petition must be legibly handwritten or typewritten, signed by the petitioner and verified.

(2) Additional pages are not permitted except where noted or with respect to the facts which you rely upon to support your grounds for relief. No citation of authorities need be furnished. If briefs or arguments are submitted, they should be submitted in the form of a separate memorandum.

(3) If you want an attorney appointed, you must complete the Affidavit in Support of Request to Proceed in Forma Pauperis. You must have an authorized officer at the prison complete the certificate as to the amount of money and securities on deposit to your credit in any account in the institution.

(4) You must name as respondent the person by whom you are confined or restrained. If you are in a specific institution of the Department of Corrections, name the warden or head of the institution. If you are not in a specific institution of the Department but within its custody, name the Director of the Department of Corrections.

(5) You must include all grounds or claims for relief which you may have regarding your conviction or sentence. Failure to raise all grounds in this petition may preclude you from filing future petitions challenging your conviction and sentence.

(6) You must allege specific facts supporting the claims in the petition you file seeking relief from any conviction or sentence. Failure to allege specific facts rather than just conclusions may cause your petition to be dismissed. If your petition contains a claim of ineffective assistance of counsel, that claim will operate to waive the attorney-client privilege for the proceeding in which you claim your counsel was ineffective.

(7) When the petition is fully completed, the original and one copy must be filed with the clerk of the state district court for the county in which you were convicted. Sec. 35. NRS 34.810 is hereby amended to read as follows:

34.810 1. The court shall dismiss a petition if the court determines that:

(a) The petitioner's conviction was upon a plea of guilty ***or guilty but mentally ill*** and the petition is not based upon an allegation that the plea was involuntarily or unknowingly entered or that the plea was entered without effective assistance of counsel.

(b) The petitioner's conviction was the result of a trial and the grounds for the petition could have been:

(1) Presented to the trial court;

(2) Raised in a direct appeal or a prior petition for a writ of habeas corpus or postconviction relief; or

(3) Raised in any other proceeding that the petitioner has taken to secure relief from his conviction and sentence,

➥ unless the court finds both cause for the failure to present the grounds and actual prejudice to the petitioner.

2. A second or successive petition must be dismissed if the judge or justice determines that it fails to allege new or different grounds for relief and that the prior determination was on the merits or, if new and different

grounds are alleged, the judge or justice finds that the failure of the petitioner to assert those grounds in a prior petition constituted an abuse of the writ.

3. Pursuant to subsections 1 and 2, the petitioner has the burden of pleading and proving specific facts that demonstrate:

(a) Good cause for the petitioner's failure to present the claim or for presenting the claim again; and

(b) Actual prejudice to the petitioner.

➥ The petitioner shall include in the petition all prior proceedings in which he challenged the same conviction or sentence.

4. The court may dismiss a petition that fails to include any prior proceedings of which the court has knowledge through the record of the court or through the pleadings submitted by the respondent.

Sec. 36. NRS 41B.070 is hereby amended to read as follows:

41B.070 "Convicted" and "conviction" mean a judgment based upon:

4. Any other admission or finding of ~~[guilt]~~ ***guilty or guilty but mentally ill*** in a criminal action or a proceeding in a court having jurisdiction over juveniles.

Sec. 37. NRS 48.125 is hereby amended to read as follows:

48.125 1. Evidence of a plea of guilty ~~[,]~~ ***or guilty but mentally ill,*** later withdrawn, or of an offer to plead guilty ***or guilty but mentally ill*** to the crime charged or any other crime is not admissible in a criminal proceeding involving the person who made the plea or offer.

Sec. 38. NRS 50.068 is hereby amended to read as follows:

50.068 1. 2. The testimony of the defendant who is testifying may be admitted whether or not he has entered his plea or been sentenced pursuant to the agreement with the prosecuting attorney.

Sec. 39. NRS 51.295 is hereby amended to read as follows:

51.295 1. Evidence of a final judgment, entered after trial or upon a plea of guilty ~~[,]~~ ***or guilty but mentally ill,*** but not upon a plea of nolo contendere, adjudging a person guilty of a crime punishable by death or imprisonment in excess of 1 year ~~[,]~~ is not inadmissible under the hearsay rule to prove any fact essential to sustain the judgment.

2. This section does not make admissible, when offered by the State in a criminal prosecution for purposes other than impeachment, a judgment against a person other than the accused.

3. The pendency of an appeal may be shown but does not affect admissibility.

4. A sentence imposed upon a prisoner pursuant to subsection 2 or 3:

(a) Is not subject to suspension or the granting of probation; and

(b) Must run consecutively after the prisoner has served any sentences imposed upon him for the offense or offenses for which the prisoner was in lawful custody or confinement when he violated the provisions of subsection 1.

5. In addition to any other penalty, the court shall order a prisoner who violates any provision of paragraph (d) of subsection 1 to reimburse the appropriate person or governmental body for the cost of any examinations or testing:

(2) For each such officer or employee, the person or governmental body operating the prison where the act was committed shall pay for any appropriate examinations and testing requested by the officer or employee to determine whether a communicable disease was transmitted to him as a result of the act.

(d) The results of the investigation conducted pursuant to subsection 6 and the results of any examinations or testing conducted pursuant to paragraphs (a) and (b) must be submitted to the district attorney of the county in which the act was committed or to the Office of the Attorney General for possible prosecution of each prisoner who committed the act.

8. If a prisoner is charged with committing an act described in paragraph (d) of subsection 1 and a victim or an intended victim of the act was an officer or employee of a prison, the prosecuting attorney shall not dismiss the charge in exchange for a plea of guilty ***, guilty but mentally ill*** or nolo contendere to a lesser charge or for any other reason unless the prosecuting attorney knows or it is obvious that the charge is not supported by probable cause or cannot be proved at the time of trial.

9. The provisions of this section do not apply to a prisoner who commits an act described in subsection 1 if the act:

3. If sufficient money is available in the graffiti reward and abatement fund, a county law enforcement agency may offer a reward, not to exceed $1,000, for information leading to the identification, apprehension and conviction of a person who violates a county ordinance that prohibits graffiti or other defacement of property. The reward must be paid out of the graffiti reward and abatement fund upon approval of the board of county commissioners.

(2) For the second offense, by a fine of not more than $1,000.

Sec. 51. NRS 357.170 is hereby amended to read as follows:

357.170 1. An action pursuant to this chapter may not be commenced more than 3 years after the date of discovery of the fraudulent activity by the Attorney General or more than 5 years after the fraudulent activity occurred, whichever is earlier. Within those limits, an action may be based upon fraudulent activity that occurred before October 1, 1999.

2. In an action pursuant to this chapter, the standard of proof is a preponderance of the evidence. A finding of ~~[guilt]~~ ***guilty or guilty but mentally ill*** in a criminal proceeding charging false statement or fraud, whether upon a verdict of guilty ***or guilty but mentally ill*** or a plea of guilty ***, guilty but mentally ill*** or nolo contendere, estops the person found guilty ***or guilty but mentally ill*** from denying an essential element of that offense in an action pursuant to this chapter based upon the same transaction as the criminal proceeding.

Sec. 52. NRS 453.3363 is hereby amended to read as follows:

453.3363 1. If a person who has not previously been convicted of any offense pursuant to NRS 453.011 to 453.552, inclusive, or pursuant to any statute of the United States or of any state relating to narcotic drugs, marijuana, or stimulant, depressant or hallucinogenic substances tenders a plea of guilty, ***guilty but mentally ill,*** nolo contendere or similar plea to a charge pursuant to subparagraph (1) of paragraph (a) of subsection 2 of NRS 453.3325, subsection 2 or 3 of NRS 453.336, NRS 453.411 or 454.351, or is found guilty ***or guilty but mentally ill*** of one of those charges, the court, without entering a judgment of conviction and with the consent of the accused, may suspend further proceedings and place him on probation upon terms and conditions that must include attendance and successful completion of an educational program or, in the case of a person dependent upon drugs, of a program of treatment and rehabilitation pursuant to NRS 453.580.

2. Upon violation of a term or condition, the court may enter a judgment of conviction and proceed as provided in the section pursuant to which the

accused was charged. Notwithstanding the provisions of paragraph (e) of subsection 2 of NRS 193.130, upon violation of a term or condition, the court may order the person to the custody of the Department of Corrections.

3. Upon fulfillment of the terms and conditions, the court shall discharge the accused and dismiss the proceedings against him. A nonpublic record of the dismissal must be transmitted to and retained by the Division of Parole and Probation of the Department of Public Safety solely for the use of the courts in determining whether, in later proceedings, the person qualifies under this section.

4. Except as otherwise provided in subsection 5, discharge and dismissal under this section is without adjudication of guilt and is not a conviction for purposes of this section or for purposes of employment, civil rights or any statute or regulation or license or questionnaire or for any other public or private purpose, but is a conviction for the purpose of additional penalties imposed for second or subsequent convictions or the setting of bail. Discharge and dismissal restores the person discharged, in the contemplation of the law, to the status occupied before the arrest, indictment or information. He may not be held thereafter under any law to be guilty of perjury or otherwise giving a false statement by reason of failure to recite or acknowledge that arrest, indictment, information or trial in response to an inquiry made of him for any purpose. Discharge and dismissal under this section may occur only once with respect to any person.

5. A professional licensing board may consider a proceeding under this section in determining suitability for a license or liability to discipline for misconduct. Such a board is entitled for those purposes to a truthful answer from the applicant or licensee concerning any such proceeding with respect to him.

Sec. 53. NRS 453.348 is hereby amended to read as follows:

453.348 In any proceeding brought under NRS 453.316, 453.321, 453.322, 453.333, 453.334, 453.337, 453.338 or 453.401, any previous convictions of the offender for a felony relating to controlled substances must be alleged in the indictment or information charging the primary offense, but the conviction may not be alluded to on the trial of the primary offense nor may any evidence of the previous offense be produced in the presence of the jury except as otherwise prescribed by law. If the offender pleads guilty ***or guilty but mentally ill*** to **,** or is convicted of **,** the primary offense but denies any previous conviction charged, the court shall determine the issue after hearing all relevant evidence. A certified copy of a conviction of a felony is prima facie evidence of the conviction.

Sec. 54. NRS 453.575 is hereby amended to read as follows:

453.575 1. If a defendant pleads guilty ***or guilty but mentally ill*** to **,** or is found guilty ***or guilty but mentally ill*** of, any violation of this chapter and an analysis of a controlled substance or other substance or drug was performed in relation to his case, the court shall include in the sentence an

order that the defendant pay the sum of $60 as a fee for the analysis of the controlled substance or other substance or drug.

2. Except as otherwise provided in this subsection, any money collected for such an analysis must not be deducted from, and is in addition to, any fine otherwise imposed by the court and must be:

(a) Collected from the defendant before or at the same time that the fine is collected.

(b) Stated separately in the judgment of the court or on the court's docket.

3. The money collected pursuant to subsection 1 in any district, municipal or justice court must be paid by the clerk of the court to the county or city treasurer, as appropriate, on or before the fifth day of each month for the preceding month.

4. The board of county commissioners of each county shall by ordinance create in the county treasury a fund to be designated as the fund for forensic services. The governing body of each city shall create in the city treasury a fund to be designated as the fund for forensic services. Upon receipt, the county or city treasurer, as appropriate, shall deposit any fee for the analyses of controlled substances or other substances or drugs in the fund. The money from such deposits must be accounted for separately within the fund.

5. Except as otherwise provided in subsection 6, each month the treasurer shall, from the money credited to the fund pursuant to subsection 3, pay any amount owed for forensic services and deposit any remaining money in the county or city general fund, as appropriate.

6. In counties which do not receive forensic services under a contract with the State, the money deposited in the fund for forensic services pursuant to subsection 4 must be expended, except as otherwise provided in this subsection:

(a) To pay for the analyses of controlled substances or other substances or drugs performed in connection with criminal investigations within the county;

(b) To purchase and maintain equipment to conduct these analyses; and

(c) For the training and continuing education of the employees who conduct these analyses.

➥ Money from the fund must not be expended to cover the costs of analyses conducted by, equipment used by or training for employees of an analytical laboratory not registered with the Drug Enforcement Administration of the United States Department of Justice.

Sec. 55. NRS 454.358 is hereby amended to read as follows:

454.358 1. When a defendant pleads guilty ***or guilty but mentally ill*** to **,** or is found guilty ***or guilty but mentally ill*** of **,** any violation of this chapter and an analysis of a dangerous drug was performed in relation to his case, the justice or judge shall include in the sentence the sum of $50 as a fee for the analysis of the dangerous drug.

2. The money collected for such an analysis must not be deducted from the fine imposed by the justice or judge, but must be taxed against the

defendant in addition to the fine. The money collected for such an analysis must be stated separately on the court's docket and must be included in the amount posted for bail. If the defendant is found not guilty or the charges are dropped, the money deposited with the court must be returned to the defendant.

3. The money collected pursuant to subsection 1 in municipal court must be paid by the clerk of the court to the county treasurer on or before the fifth day of each month for the preceding month.

4. The money collected pursuant to subsection 1 in justice courts must be paid by the clerk of the court to the county treasurer on or before the fifth day of each month for the preceding month.

5. The board of county commissioners of each county shall by ordinance, before September 1, 1987, create in the county treasury a fund to be designated as the fund for forensic services. Upon receipt, the county treasurer shall deposit any fee for the analyses of dangerous drugs in the fund.

6. In counties which receive forensic services under a contract with the State, any money in the fund for forensic services must be paid monthly by the county treasurer to the State Treasurer for deposit in the State General Fund, after retaining 2 percent of the money to cover his administrative expenses.

7. In counties which do not receive forensic services under a contract with the State, money in the fund for forensic services must be expended, except as otherwise provided in this subsection:

(a) To pay for the analyses of dangerous drugs performed in connection with criminal investigations within the county;

(b) To purchase and maintain equipment to conduct these analyses; and

(c) For the training and continuing education of the employees who conduct these analyses.

➥ Money from the fund must not be expended to cover the costs of analyses conducted by, equipment used by or training for employees of an analytical laboratory not registered with the Drug Enforcement Administration of the United States Department of Justice.

Sec. 56. NRS 483.560 is hereby amended to read as follows:

483.560 1. Except as otherwise provided in subsection 2, any person who drives a motor vehicle on a highway or on premises to which the public has access at a time when his driver's license has been cancelled, revoked or suspended is guilty of a misdemeanor.

2. Except as otherwise provided in this subsection, if the license of the person was suspended, revoked or restricted because of:

(a) A violation of NRS 484.379, 484.3795 or 484.384;

➥ the person shall be punished by imprisonment in jail for not less than 30 days nor more than 6 months or by serving a term of residential confinement for not less than 60 days nor more than 6 months, and shall be further punished by a fine of not less than $500 nor more than $1,000. A person who is punished pursuant to this subsection may not be granted probation, and a sentence imposed for such a violation may not be suspended. A prosecutor may not dismiss a charge of such a violation in exchange for a plea of guilty**,** ***guilty but mentally ill*** or ~~[of]~~ nolo contendere to a lesser charge or for any other reason, unless in his judgment the charge is not supported by probable cause or cannot be proved at trial. The provisions of this subsection do not apply if the period of revocation has expired but the person has not reinstated his license.

3. A term of imprisonment imposed pursuant to the provisions of this section may be served intermittently at the discretion of the judge or justice of the peace. This discretion must be exercised after considering all the circumstances surrounding the offense, and the family and employment of the person convicted. However, the full term of imprisonment must be served within 6 months after the date of conviction, and any segment of time the person is imprisoned must not consist of less than 24 hours.

4. Jail sentences simultaneously imposed pursuant to this section and NRS 484.3792, 484.37937 or 484.3794 must run consecutively.

5. If the Department receives a record of the conviction or punishment of any person pursuant to this section upon a charge of driving a vehicle while his license was:

(a) Suspended, the Department shall extend the period of the suspension for an additional like period.

(b) Revoked, the Department shall extend the period of ineligibility for a license, permit or privilege to drive for an additional 1 year.

(c) Restricted, the Department shall revoke his restricted license and extend the period of ineligibility for a license, permit or privilege to drive for an additional 1 year.

(d) Suspended or cancelled for an indefinite period, the Department shall suspend his license for an additional 6 months for the first violation and an additional 1 year for each subsequent violation.

6. Suspensions and revocations imposed pursuant to this section must run consecutively.

Sec. 57. NRS 484.3792 is hereby amended to read as follows:

484.3792 1. Unless a greater penalty is provided pursuant to NRS 484.3795 or 484.37955, and except as otherwise provided in subsection 2, a person who violates the provisions of NRS 484.379:

(a) For the first offense within 7 years, is guilty of a misdemeanor. Unless he is allowed to undergo treatment as provided in NRS 484.37937, the court shall:

An offense which is listed in paragraphs (a) to (d), inclusive, of subsection 2 that occurred on any date preceding the date of the principal offense or after the principal offense constitutes a prior offense for the purposes of this section when evidenced by a conviction, without regard for the sequence of the offenses and convictions. 5. A term of confinement imposed pursuant to the provisions of this section may be served intermittently at the discretion of the judge or justice of the peace, except that a person who is convicted of a second or subsequent offense within 7 years must be confined for at least one segment of not less than 48 consecutive hours. This discretion must be exercised after considering all the circumstances surrounding the offense, and the family and employment of the offender, but any sentence of 30 days or less must be served within 6 months after the date of conviction or, if the offender was sentenced pursuant to NRS 484.37937 or 484.3794 and the suspension of his sentence was revoked, within 6 months after the date of revocation. Any time

for which the offender is confined must consist of not less than 24 consecutive hours.

6. Jail sentences simultaneously imposed pursuant to this section and NRS 482.456, 483.560 or 485.330 must run consecutively.

7. If the person who violated the provisions of NRS 484.379 possesses a driver's license issued by a state other than the State of Nevada and does not reside in the State of Nevada, in carrying out the provisions of subparagraph (1) of paragraph (a) of subsection 1, the court shall:

(a) Order the person to pay tuition for and submit evidence of completion of an educational course on the abuse of alcohol and controlled substances approved by a governmental agency of the state of his residence within the time specified in the order; or

➥ and the court shall notify the Department if the person fails to complete the assigned course within the specified time.

8. If the defendant was transporting a person who is less than 15 years of age in the motor vehicle at the time of the violation, the court shall consider that fact as an aggravating factor in determining the sentence of the defendant.

9. For the purpose of determining whether one offense occurs within 7 years of another offense, any period of time between the two offenses during which, for any such offense, the offender is imprisoned, serving a term of residential confinement, confined in a treatment facility, on parole or on probation must be excluded.

10. As used in this section, unless the context otherwise requires:

(a) "Concentration of alcohol of 0.18 or more in his blood or breath" means 0.18 gram or more of alcohol per 100 milliliters of the blood of a person or per 210 liters of his breath.

(b) "Offense" means:
