MOTIONS, RESOLUTIONS AND NOTICES

Assemblyman Oceguera moved that Assembly Bill No. 248 be taken from its position on the General File and placed at the top of the General File.

Motion carried.

GENERAL FILE AND THIRD READING

Assembly Bill No. 248.

Bill read third time.

The following amendment was proposed by Assemblyman Anderson:

Amendment No. 634.

"SUMMARY— ~~[Revises provisions relating to approval of nonrestricted gaming licenses in certain counties.]~~ **Makes various changes to provisions governing gaming.** (BDR 41-383)"

"AN ACT relating to gaming; ~~[revising the provisions relating to the approval of nonrestricted gaming licenses in certain counties to authorize local governments in such counties to adopt certain standards that establishments must meet to be granted nonrestricted gaming licenses;]~~ **making various changes concerning pooling tips and gratuities by certain employees of a gaming establishment; providing a penalty;** and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Section 2 of this bill provides that employees of a gaming establishment who directly assist patrons with playing any games, other than games played with a gaming device, may enter into an agreement to pool tips or gratuities with other employees who customarily and regularly receive tips or gratuities directly from patrons for performing the same essential duties of their jobs. Section 2 further specifies the manner in which such pools must be distributed, prohibits the gaming establishment from requiring a pool that violates the provisions of the section and provides that the requirements do not apply to an employee who is covered by a collective bargaining agreement. Section 3 of this bill requires the Labor Commissioner to enforce the provisions governing

pooling tips and gratuities. Section 3 also makes a violation of the provisions of statutes and regulation governing pooling of tips and gratuities by certain employees of gaming establishments a misdemeanor and further authorizes the Labor Commissioner to impose administrative penalties for such violations.

~~[Under existing law, the Nevada Gaming Commission is prohibited from granting a nonrestricted gaming license for an establishment located in a county whose population is 100,000 or more (currently Clark and Washoe Counties) unless the establishment is a resort hotel, which is defined as a hotel that has a gaming area and more than 200 rooms, at least one bar that seats more than 30 patrons, and at least one restaurant which is always open and which seats more than 60 patrons. (NRS 463.01865, 463.1605) A county, city or town is also authorized to require resort hotels to meet additional standards as a condition of issuance of a gaming license by the county, city or town. (NRS 463.1605)~~

~~This bill provides that the Nevada Gaming Commission is prohibited from granting a nonrestricted gaming license to an establishment located in a county whose population is less than 100,000 unless the establishment meets the standards, if any, that are adopted by the county, city or town in which the establishment is located. This bill also authorizes a county, city or town to adopt standards that require an establishment to have a minimum number of rooms for sleeping accommodations or other specific amenities as a condition of issuance of a gaming license by the county, city or town.]~~

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Delete existing sections 1 through 2 of this bill and replace with the following new sections 1 through 4:

Section 1. **Chapter 463 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 and 3 of this act.**

Sec. 2. ***1. An employee of a gaming establishment who directly assists patrons with playing any game, other than a game played with a gaming device, and who customarily and regularly receives tips and gratuities from such patrons may enter into an agreement to pool tips and gratuities with other employees who customarily and regularly receive tips and gratuities directly from patrons for performing the same essential duties of their job. An employee who does not customarily and regularly receive tips and gratuities directly from patrons while performing an essential duty of his job may not participate in an agreement to pool tips and gratuities with other employees who are authorized to pool tips and gratuities pursuant to this subsection.***

2. Any agreement to pool tips and gratuities entered into pursuant to subsection 1 must provide that the tips and gratuities so pooled must be distributed based on the number of hours worked, but may include a provision to allow tips and gratuities to be received by an employee during

authorized periods of leave, including, without limitation, any annual or sick leave.

3. An employee of a gaming establishment shall not accept tips or gratuities from an employee with whom he is not authorized to pool pursuant to subsection 1 and shall not request or compel another employee with whom he is not authorized to pool pursuant to subsection 1 to share his tips or gratuities.

4. A gaming establishment shall not require an employee to pool tips and gratuities in a manner which violates the provisions of this section.

5. The provisions of this section do not apply to any employee who is covered by a collective bargaining agreement to the extent that the collective bargaining agreement conflicts with this section.

Sec. 3. 1. The Labor Commissioner shall enforce the provisions of section 2 of this act and may adopt any regulations he deems necessary to carry out the provisions of this section and section 2 of this act.

2. A person who violates any of the provisions of section 2 of this act or any regulation adopted pursuant this section is guilty of a misdemeanor.

3. In addition to any other remedy or penalty, the Labor Commissioner may impose against a person who violates any of the provisions of section 2 of this act or any regulation adopted pursuant this section, after providing notice and an opportunity for a hearing, an administrative penalty of not more than $5,000 for each such violation.

REMARKS FROM THE FLOOR

Assemblywoman Smith moved that the following proclamation be entered in the Journal:

PROCLAMATION OF THE NEVADA STATE ASSEMBLY

WHEREAS, On October 31, 2006, a four-alarm fire caused by arson destroyed the historic Mizpah Hotel located in Reno's downtown casino district leaving 12 people dead, many more burned and injured, and dozens homeless; and

WHEREAS, The Mizpah Hotel fire was the deadliest fire in Reno's history, as well as the deadliest arson fire in Nevada's history, which affected approximately 80 hotel residents, and several shops and businesses located on the first floor; and

WHEREAS, In conjunction and coordination with each other, Reno firefighters and police officers distinguished themselves through quick, decisive, and professional actions during the initial minutes of the catastrophic fire, as well as throughout the horrific event; and

WHEREAS, Two employees of the local electric company who were working in the area used their company's boom truck, after obtaining permission from the Reno Police Department, to immediately help hotel residents evacuate in the first minutes of the fire; and

WHEREAS, The courage, diligence, perseverance, and professionalism of these devoted public servants saved many lives that would have otherwise perished, and they continued, over the next few days, to deal with the devastating consequences of the fire; and

WHEREAS, These brave men and women consistently face difficult and dangerous situations in the line of duty while serving the citizens of the State of Nevada, whose growing population intensifies their challenges; now, therefore, be it

PROCLAIMED, That it is important to recognize the outstanding firefighters and police officers from the City of Reno who joined together to fight the Mizpah Hotel fire and aid in the evacuation and rescue of the hotel inhabitants; and be it further

PROCLAIMED, That the hotel residents and their families and friends, as well as the City of Reno, will be forever grateful to all the brave men and women who put their lives on the line in the most difficult of circumstances to fight this horrendous fire and to save lives.

DATED this 26th day of April, 2007.

SHEILA LESLIE
Nevada State Assemblywoman

DEBBIE SMITH
Nevada State Assemblywoman

Assemblywoman Leslie requested that the following remarks be entered in the Journal.

ASSEMBLYWOMAN LESLIE:

The Mizpah Hotel is located in downtown Reno, which is the district that I represent. I also work just a few blocks from there in the Washoe County District Courthouse; I also live half a mile from that site, so I was greatly affected by the fire as were all the people of Reno. It was the most devastating fire, as you heard in the proclamation. It happened on Halloween evening, which is a night when a lot of strange things do happen. When we woke up the next morning and heard about the fire, the unfortunate deaths, and the tragic circumstances, it greatly affected all of us. Then we started hearing stories trickling out about the bravery that our first responders exhibited that night without fear for their own safety. Our police officers, our fire departments, and our paramedics ran into the building and rescued countless people there, but unfortunately were not able to save everyone. If it were not for them, the tragedy would have been much, much worse. Today, Mrs. Smith and I invited a group of officers and firefighters from the Reno Police Department and Reno Fire Department, and we would like to extend our heartfelt gratitude for what they do every day but especially what they did that evening. Please, members of the Assembly, let's honor their heroism and thank them on behalf of the State of Nevada for everything they do for us, every day. Thank you

ASSEMBLYMAN OCEGUERA:

In my fulltime job, I am also a battalion chief in the City of North Las Vegas Fire Department, and I am extremely honored to be able to recognize those who give of themselves so much, so that others may live. As I am standing here today, listening to the words of my colleague from Reno, three words of my own came to mind—chaos, valor, and courage. That is what these public safety professionals do. They exhibit exceptional and heroic courage in the face of great disorder and extreme confusion. From what I have been told about the 2006 Halloween night Mizpah Hotel fire, the public safety professionals being honored here today exhibited skill and valor and turned chaos into some semblance of organization. The fire was tragic, as we have been told, with 12 lives being lost and more than 30 people injured. But if it were not for the quick and calm efforts of these responding public safety officials, it could have been much worse. It is my understanding that the firefighters rescued an untold number of victims from windows using ladders. I was told that the first two arriving engines never even sprayed a drop of water. They were too busy rescuing people from the windows. These gentlemen and women should be commended for exhibiting the best qualities that could ever be asked of anyone and putting themselves in harm's way so others can survive. I am proud to be considered one of them, and I would also like to congratulate them on this honor here today.

Madam Speaker requested the privilege of the Chair for the purpose of making the following remarks:

On behalf of the entire Assembly, we thank you for your service, we are pleased that we were able to honor you today, and we thank you for everything you do every day for all of us. Thank you.

RESOLVED, That the Chief Clerk of the Assembly prepare and transmit a copy of this resolution to former Co-Speaker and Minority Floor Leader Lynn C. Hettrick.

Assemblyman Mabey moved the adoption of the resolution.

Remarks by Assemblymen Mabey, Oceguera, Marvel, Carpenter, Buckley, Arberry, Goicoechea, Hardy, Leslie, Weber, Christensen, Grady, Settelmeyer, and Mr. Speaker pro Tempore.

Assemblyman Mabey requested that the following remarks be entered in the Journal.

ASSEMBLYMAN MABEY:

It is a pleasure for me to rise in support of Assembly Concurrent Resolution 22 honoring my prior, and forever, Minority Leader and past co-Speaker of the Assembly, Mr. Lynn Hettrick.

From the first time I met Mr. Hettrick, I was impressed with him—his genuine concern and his leadership abilities. He was an example for me. I remember the first time we met, how he was so warm and so friendly towards us, and how he made us feel at ease. He has genuine concern for each of us.

He has a vast knowledge of business. Whenever I had a question about something that had to do with business, I could ask Lynn, and he could tell me the answer. He was always able to address each bill with two simple things—was it fair and was it right for Nevada? If it was fair and right for Nevada he would support the bill. If it was not, he would not support it.

He always had a good sense of humor. I know he lost his arm when he was 21 in a farm accident, and he always made us feel comfortable with that, but I picked up a habit that when I clap, I have to clap with my arm on my leg. I cannot clap with my two hands together because of Mr. Hettrick.

He loved his family, particularly his grandchildren. When they would come while he was on the floor and he knew they were here, he would stand a little taller, he would smile a little bigger, and you knew he loved his grandchildren.

For these reasons, and for many more, I rise in support of Assembly Concurrent Resolution No. 22.

ASSEMBLYMAN OCEGUERA:

I, too, rise in support of Assembly Concurrent Resolution 22. Although Lynn and I disagreed on one or two occasions, he was never disagreeable. That was one of the things that I enjoyed about our relationship.

I called him when he finally said, "I am not going to run anymore," and if you live outside this state, you might find that to be weird, that a democrat would call a republican who was deciding not to run, but it is the kind of person that Lynn is, just a genuine, good person. I said, "You know, I am really going to miss serving with you," and I meant that. We had conversations that did not have anything to do with the Legislature. When he got a new four-wheeling toy, or something like that, he would call and say, "Hey, John, you have got to come check out this new piece of equipment I have," and "We have got to go out and drive it somewhere," I also remember when we used to have fun and go drive the race cars out at the race track and do fun things like that. I always enjoyed that, and I just want to say, maybe not all of us knew about all of his national leadership roles that were noted in the resolution but he was very well-respected all over the country for his national leadership roles. Many of you have gone to the CSG Leadership Academy and benefited greatly from that, and many people from across the western part of this country have as well. I stand, also, in support of Assembly Concurrent Resolution 22.

ASSEMBLYMAN MARVEL:

It is really quite an honor for me today to stand here and pay tribute to one of the best legislators I have ever had the opportunity to work with. Lynn comes from a county that has produced many, many great legislators; Henry W. Berrum, Lawrence E. Jacobsen, and Louis W. Bergevin. Let me tell you this, ladies and gentlemen, Lynn did not miss a lick and probably excelled beyond anyone's expectations. When he was chosen as co-Speaker, I think that was one of the most memorable and smooth sessions I have ever been able to experience. He and Speaker Dini got along beautifully and there was actually no contentiousness. It was just a great, great session. Of course, it has been a pleasure just knowing Lynn, Arla, his mother, and children. I

think he has left his stamp on the state of Nevada for what he was able to do. It has been said in this resolution, all of his accomplishments, but I want to say this, Lynn, I will never ride your horses because they only turn to the left.

ASSEMBLYMAN CARPENTER:

I, too, rise in support of ACR 22. You know, Lynn, I just thank you for being my friend, for being here, and for all of the knowledge that you imparted to all of us. I know when I see you in Elko we always have great chats, and I just feel that I am privileged to be able to have served with such a great guy. Thank you.

ASSEMBLYWOMAN BUCKLEY:

I, too, rise in support of Assembly Concurrent Resolution 22. There are a few words that can be used to describe Assemblyman Hettrick.

One is tenacity. One of the things that I think characterized your service, Lynn, was that you did not give up. There were so many ideas that were important to you whether it ranged from commerce and labor, workers' comp, or the way pensions are funded, it did not matter the issue. It also did not matter that there was not one person in this body yet with you. The idea came back again, and again, and soon there were people with you because you led the way. Tenacity is a trait that if you do not have it in this legislative process, you will not be successful.

Another is dedication. My colleague, the Majority Leader, mentioned your service in the national organizations. One of the things that most of us do not realize is that we go to some great national training, we learn a lot, and that is the best part of going to some of these trainings, but when you serve in leadership, there is staff turmoil in those organizations, there are problems. I remember one day when Lynn and I were walking over to inform the Governor that we were ready to adjourn s*ine die*, and Lynn was talking about the next day. He had to go to an emergency membership meeting for CSG. That type of leadership, that type of effort to have those organizations provide us with information and the skills we need to grow and serve our constituents, that is an invisible kind of leadership. It is one that most of us do not see but without you, those organizations would not be in the shape that they are in today. The Majority Leader was right, every time I go to a conference or I am the new Speaker, people say, "Tell me, what is Lynn Hettrick doing? What is Joe Dini doing?" The stamp that you have put on our state is felt outside of our state as well as in our state.

I guess the last word has to be leadership. Going back to the dedication that you have shown both inside and outside the state, you know, Nevada is unique. We put Nevada first, by and large, in the operation of the State Legislature. That cannot be said in a lot of places, especially if we look at Washington, D.C. But, Lynn, you were the type of legislator that it did not matter what the last disagreement was on policy. It was a disagreement on policy, not a disagreement between people, and we moved on to tackle the challenges of the State. I recall a lot of jaws dropping when you and I worked on the property tax cap together. One of the things, I think, Lynn knew very well is that the first part of leadership is taking a step forward. You cannot get to a solution if you are not willing to be one of the first people to step across the line and say, "Throw bricks at me. This State has a problem, and here is a potential solution," even if ultimately it may change a million times. Lynn never forgot that. Sometimes it is not easy being a leader, but if you put the State first, the results speak for themselves. You did an incredible job for the state of Nevada. I thank you. I thank your family for the sacrifices they made to allow you to serve. You are not forgotten.

ASSEMBLYMAN ARBERRY:

I rise in support of this resolution, and I am honored to be able to rise in support of it because normally when we honor someone, we honor them because they have passed away. This is a nice honoring, that Lynn is just down the street from us and he can come visit us and give us his concerns.

When I first met Lynn, and he walked up to me when we first got here during the session, I thought he was tourist because he came up to me in this Hawaiian shirt, and he said, "I am Lynn Hettrick." I said, "Okay, I am Morse Arberry." As the week progressed, I found out that he was a legislator. We worked all through the years, and I noticed how hard he worked because he was eager to learn everything he possibly could in a short period of time because he recognized we

did not have a lot of days. But, Lynn, it was a lot of fun working with you. I enjoyed working with you in the core group. I do not want to say behind closed doors because they will think we were doing something shady but, as you know, Mr. Speaker pro Tempore, that when you are trying to shut a session down, a core group of people get together to try to deal with a lot of the issues. Lynn would be there, and the part I really liked and respected was that he would give you his word, he would give you his opinion, and he would stick to that. When his caucus was lined up behind him, they were lined up behind him. I do miss you, Lynn. I felt that you were going to move on because when you said you talked to your wife and I asked what you would do, you said, "I will be out on my four-wheeler and I will four-wheel all day, and I will not bother you until six o'clock." It was great to travel with you to the conferences and just sitting down and talking to you. We miss you, Lynn, and anytime you have some concerns I know you will call me, come see me, or email me. You take care of yourself and enjoy.

ASSEMBLYMAN GOICOECHEA:

I, too, would like to rise in support of ACR 22. When I filed for Assembly District No. 35 in 2002, I have to thank Lynn because he recognized very early on that I did not have a clue what I was up against. There are days when I wish he had not been such a good mentor but I do have to rise and thank Lynn for recognizing what he had to work with in me and I hope, to some extent, being able to shape me into a legislator for the state of Nevada. Thank you, Lynn, for all you have done.

ASSEMBLYMAN HARDY:

Thank you, Mr. Speaker pro Tempore. I rise in support of ACR 22. This will illustrate, perhaps, not just the service that, you, Lynn, have rendered in this body, but who you represented nationally as well. This was written by Ann Marie Cutkosky, who does not have the privilege of the floor:

"Mr. Hettrick was a legislator who liked to keep in close touch with his constituents. He was a well respected member of the Assembly for 14 years, leading the Republicans for 7 sessions. When I first moved into Douglas County and assessed who my legislators were, I immediately asked Mr. Hettrick if I could sit on the Assembly floor with him to see what our leaders were doing for Douglas County. He did not hesitate, and the very next day I was seated with Mr. Hettrick and I was introduced to the Assembly. Mr. Hettrick did what he believed was right for his party and constituents. He has integrity and is an honest man. I am proud to know him and was very pleased he represented me in my district in the Nevada State Assembly. Thank you, Mr. Hettrick."

Lynn, you understood the process. You understood the procedures with finesse and aplomb. You dispatched them. Thank you ever so much for being my mentor and someone I continue to look up to. Thank you for being here.

ASSEMBLYWOMAN LESLIE:

Thank you, Mr. Speaker pro Tempore. I, also, rise in support of this resolution. I congratulate the Minority Leader on being able to retire and enjoy life. I worked with Lynn primarily on the Ways and Means Committee, especially on mental health issues. I do not want this day to go past without mentioning the great compassion for the people in his district, the people in Nevada, especially when it came to suicide prevention and mental health issues.

I did learn something new in the resolution today. The Minority Leader and I share something that I think is unique in the body—our birthplace. We were both born in the liberal bastion of Carmel, California, in the hospital I am sure is no longer a hospital, because it was only a little tiny town, a liberal little town. I think it is remarkable that we both found our way to Nevada and have become lifelong Nevadans.

I will most remember Lynn for his integrity, his patience—his patience with the former Vice-chair of Ways and Means was legendary—and most of all, his word. His word was his bond. When he told you how he felt about something, that is how he felt about something. He was not someone who could be swayed. He would change his mind if enough evidence was presented to him, but he did not just listen to the last person who spoke to him and then let it go that way. He thought about the issues very carefully, very thoughtfully, and when he told you he would

support you, even in the face of a lot of opposition, he did support you. I appreciate that. I do miss you, Lynn. I wish you and your family all the best.

ASSEMBLYWOMAN WEBER:

Thank you, Mr. Speaker pro Tempore. I, too, rise in support of ACR 22. Lynn, the first words I thought of today were thank you. I had the great opportunity to serve with you for two terms. One of the first things which I recall is your great respect for this institution. That is the umbrella by which I try to work with my constituents. When we push the buttons here on the floor, it is not just about red and green. It is about doing the right thing for the people of the state of Nevada. One of the principles you taught me, that the current Minority Leader mentioned, was the FAN principle. First, is it fair? Who is accountable? Is it right for Nevada? I remember that from the first time we met and it has been part of my thinking process ever since that time. You are a straight shooter. Integrity is the first word that comes to my mind as well as being a leader and a mentor to me. I just wanted to thank you again from the bottom of my heart for teaching me what this is about. I found a quote this morning that Oprah Winfrey made about integrity. "Real integrity is doing the right thing, knowing no one is going to know whether you did it or not. Only you." Thank you so much for teaching me.

ASSEMBLYMAN CHRISTENSEN:

Thank you, Mr. Speaker pro Tempore. I, too, rise in support of ACR 22. Assemblyman Hettrick it is great to see you back, sitting over there. As was mentioned by the Chair of Ways and Means, it is great to have you here where you get to hear and feel the love and respect this body has for you, your service, your sacrifice and your family—they are part of that service and sacrifice in a big way.

As an effort to not repeat some of the great attributes and skills that have been mentioned, I just wanted to share with the body that Assemblyman Hettrick is a very avid off-roader, as am I. I heard before we ever met that you only had one arm. When I heard, also, of all the other things you did, I just thought, "Gosh, I just have to meet this guy. He races BMW's. He has got an off-road machine." You were racing motor-cross for all I knew. I was very impressed by you and motivated, as well. I remember, as someone said, that Lynn Hettrick was the kind of guy who could do more with one arm than most people could do with two or three.

I wanted to share a story I remember nearly every time I pull into the legislative parking garage. In my first session, when my second son was four, we were coming in on the second or third day—and this was after he had met you—and we were going into the garage and he said, "Hey, Papi, look, there is that man's arm hanging in the window." The police have that white sleeve there so they do not have to raise their arm to say goodbye. That was in his mind. So, Lynn, all the time I think of you. I have a lot of respect for you. You do not demand respect, you have earned it. I consider you, truly, an honorable man. I am a better person because I had the opportunity to know and work with you.

ASSEMBLYMAN GRADY:

Thank you, Mr. Speaker pro Tempore. I think the many of us that have stood here today are from the same class of 2002. I do not think Lynn ever realized that he would gather this bunch, this group, and mold them into legislators. It was a challenge for Lynn. Through is leadership, however, we made it.

I can remember during the 1995 Session when Lynn was co-Speaker, I had the pleasure of working as a lobbyist, with two of my mentors, two of the best friends that I had and still have, in Joe Dini and Lynn Hettrick. I have mentioned to Lynn before that that session was probably, for me, one of the highlights of my life and I am sure it was for him. Joe Dini made both of us better people, better legislators and I still keep both of them in my thoughts today in the way they have directed us and what we can do. Lynn, to not only you but to your family, I just thank you for everything you have done, not only for us, but for the state of Nevada.

ASSEMBLYMAN SETTELMEYER:

Thank you, Mr. Speaker pro Tempore. I rise in support of ACR 22. I wanted to echo the statements of everyone who said the great things about Mr. Hettrick. I also wanted to add the importance of family to him as we can see all the family members he has brought forward. He

has stressed to me how important family is as you work your way through the Legislature. If you lose that, you have lost everything. In that respect, I represent Assembly District 39, which is not really Assembly District 39. It is now known, basically, as "Hettrick's seat." If you try to talk to anyone and tell them you are from Assembly District 39, they do not know where it is at. If you say "Hettrick's seat," they know immediately that it is in Douglas County. They know exactly where it is. In that respect, he has set forth a high standard of moral character, hard work, good ethics, and professionalism. I will seek to maintain that. Thank you for your service, sir.

Mr. Speaker pro Tempore requested the privilege of the Chair for the purpose of making the following remarks:

Having been here when Mr. Hettrick arrived and recognizing his keen contributions, I distinctly remember having served with him in Commerce, where we were in the middle of a major funding crisis for the State. His consistency and his caring about individuals and process were ever, ever mindful in a very, very heated discussion over two sessions, in the 1993 and 1995 Sessions. Then, of course, there was an experience outside this building, where it was required where I needed a little bit of help and he loaned me a hand. That has been a common bond between us for sometime now.

I am very, very mindful of the courtesy with which he treated my family, particularly one of my daughters, when he ran into her on the street and she recognized him. She had heard me speak about him so frequently, with great favor and admiration. I think you epitomized what leadership is about, what Nevada is about, and what a citizen legislator is supposed to be. You set for all of us a high mark and a high standard. We thank you for your service and we particularly appreciate the fact that your wife has allowed you to continue to do this, even though you seem to rush headlong into foolishness and have never lost the exuberance of life. And that is the most important thing.

GENERAL FILE AND THIRD READING

Senate Bill No. 567.
Bill read third time.
Remarks by Assemblymen Kirkpatrick, Smith, and Mabey.
Assemblyman Oceguera requested that the following remarks be entered in the Journal.

ASSEMBLYWOMAN KIRKPATRICK:

Senate Bill 567 does a few things today. Currently, S.B. 567 suspends all actions of the state agencies relating to lead sales tax exemptions and property tax abatements authorized in A.B. 3 of the 2005 Special Session. It also ensures our commitment to green building in the Nevada Legislature.

Last session, 63 of us voted that we supported green building, and we want to ensure our commitment to that program. Also, it allows us the opportunity to evaluate the regulations that are currently in place or not. We need to verify that the intent of the Legislature was met.

Assembly Bill 3, section 7, allowed our regulatory bodies to set regulations in place to incentivize this program. At this time, we just need to stand back and make sure that all of those regulations have been put in place. We have several applications, and it is a very important project.

Nevada is currently the leader in this, so we want to make sure that we are on the same page. We also need to ensure that, according to the *Nevada Constitution*, anytime we give an exemption we first have to make sure that our state is whole, whether it is providing for our schools, our seniors, or our government services. That is also something that will be considered.

Senate Bill 567 also talks about the 63 legislators, Assemblymen and Senators, wanting to work together to evaluate the situation to make sure that we address green building within our state. We have made a commitment to suspend the rules only temporarily.

This is kind of an important issue to all of us in here. I think that at the end of the day we have made the commitment, in the next 30 days, to look at this, to address it, and to make sure the intent of what we do in this body is put into the regulations so that we can address the fiscal impact that may happen within our state. With that, I urge your support on S.B. 567.

ASSEMBLYWOMAN SMITH:

Thank you, Madam Speaker. I, too, rise in support of Senate Bill 567. I think this Legislature has adequately demonstrated, in the last session and in this session that we care about green buildings. We care about buildings having programs that support energy conservation and renewable energy. This bill just gives us an opportunity to take a breath and look at all the actions that have taken place and make sure the regulations are sound and equitable and fair and that we are being fiscally prudent as we move forward. We have a huge responsibility to this state to make sure we are taking care of the students in our schools and the citizens in our state who we serve. I think just taking this time to make sure we are moving forward in a prudent fashion is so important to us. I hope that my colleagues will support this bill and allow us to examine what we have done, and we can do to move forward in a prudent fashion. Thank you, Madam Speaker.

ASSEMBLYMAN MABEY:

THE NINETY-SECOND DAY

CARSON CITY (Monday), May 7, 2007

Assembly called to order at 11:03 a.m.

Madam Speaker presiding.

Roll called.

All present.

Prayer by the Chaplain, Pastor Al Tilstra.

Today, grant to the members and officers of this body a sacred moment of quiet as they continue the duties of the day. Turn their thoughts to You and open their hearts to Your Spirit that they may have wisdom in their decisions, understanding in their thinking, love in their attitudes, and mercy in their judgments.

Let them not think when this prayer is said that their dependence upon You is over and forget Your counsels for the rest of the day. Rather, from these moments of heart-searching may there come such a sweetness of disposition that all know that You are in this place. From this holy interlude may there flow light and joy and power that will remain with them until night shall bring Your whispered benediction, "Well done, good and faithful servant." We ask these things in humbleness of heart.

AMEN.

Pledge of allegiance to the Flag.

Assemblyman Oceguera moved that further reading of the Journal be dispensed with, and the Speaker and Chief Clerk be authorized to make the necessary corrections and additions.

Motion carried.

MOTIONS, RESOLUTIONS AND NOTICES

By Assemblymen Christensen, Allen, Anderson, Arberry, Atkinson, Beers, Bobzien, Buckley, Carpenter, Claborn, Cobb, Conklin, Denis, Gansert, Gerhardt, Goedhart, Goicoechea, Grady, Hardy, Hogan, Horne, Kihuen, Kirkpatrick, Koivisto, Leslie, Mabey, Manendo, Marvel, McClain, Mortenson, Munford, Oceguera, Ohrenschall, Parks, Parnell, Pierce, Segerblom, Settelmeyer, Smith, Stewart, Weber, and Womack; Senators Nolan, Amodei, Beers, Care, Carlton, Cegavske, Coffin, Hardy, Heck, Horsford, Lee, Mathews, McGinness, Raggio, Rhoads, Schneider, Titus, Townsend, Washington, Wiener, and Woodhouse:

Assembly Concurrent Resolution No. 25—Urging Nevadans to participate in activities concerning family preparedness in case of emergency.

WHEREAS, Every citizen in this country is part of a national emergency management system that is about protecting people and property from all types of hazards, yet citizens have a responsibility to protect themselves and their families by knowing what to do before, during and after an event; and

WHEREAS, When a disaster strikes, time is of the essence, and while local, state and federal governmental entities will be there to help, it is important that families are prepared to respond as well, whether to help themselves or others; and

WHEREAS, Not only should the residents of the State of Nevada be prepared to respond to natural disasters, such as earthquakes, flood, fires and extreme weather, they should be prepared in the case of acts of terrorism or technological hazards; and

WHEREAS, In a recent national survey conducted by the Ad Council, 91 percent of Americans agreed that taking some simple steps to prepare could help protect them and their families in the event of an emergency, but only 55 percent had taken at least one of the steps recommended to do so; and

WHEREAS, Such steps include knowing the hazards that affect your local area, developing appropriate family emergency plans and assembling a disaster supplies kit, and it is also recommended to learn the emergency plans of places you frequent, such as work and schools, and volunteer with local disaster response agencies; and

WHEREAS, It is also important to remember the more vulnerable during such emergencies, including children, the elderly, persons with disabilities and family pets; and

WHEREAS, There are numerous resources available to families to assist them in preparing for emergencies, including Nevada's Preparedness Plan, issued by the Nevada Commission on Homeland Security, as well as plans developed by the United States Department of Homeland Security, the Federal Emergency Management Agency and the American Red Cross; and

WHEREAS, It is important that all Nevadans take some time out of their busy lives to make use of these resources to ensure the safety of their families and pets and others in case of an emergency; now, therefore, be it

RESOLVED BY THE ASSEMBLY OF THE STATE OF NEVADA, THE SENATE CONCURRING, That the Nevada Legislature urges the citizens of this State to take some time with their families to identify the hazards in their local area, to develop a family emergency plan and to create an emergency supplies kit; and be it further

RESOLVED, That the Chief Clerk of the Assembly prepare and transmit a copy of this resolution to the Nevada Commission on Homeland Security, the State Emergency Response Commission, and both the Southern Nevada and Northern Nevada Chapters of the American Red Cross.

Assemblyman Christensen moved the adoption of the resolution.

Remarks by Assemblymen Christensen and Hardy.

Assemblyman Christensen requested that the following remarks be entered in the Journal.

ASSEMBLYMAN CHRISTENSEN:

Thank you, Madam Speaker. It is an honor to present this resolution. The genesis of this came from a day back in December when I was able to spend some time with the Commandant of the U.S. Coast Guard, Admiral Thad Allen. If you remember, in the Katrina disaster, he was the one who came in and was considered the savior of so many, especially after all the awful things that happened not only during the disaster itself but during the clean up, the rescue—everything. What stood out most in my mind is when he said, "Assemblyman, the amazing thing that I saw is that the American public is no longer prepared. They no longer take the time to prepare themselves or look after themselves in times of need or emergency." I just thought what a profound statement that was. I can see why. I look at our first responders. I look at how fast and effective they are and how well trained they are and at the resources they have. At the end of the day, when something bad happens, and you call 911, you get people showing up pretty quickly that are trained to take care of you. But what happens when something bad happens to the whole half of your valley? Or to all of Las Vegas or to an area that is along an entire mountain range? We only have so many first responders to go around.

I'm a true believer in the saying that, "When things start right, they go right." I thought from this time forward, looking at this entire legislative body, the executive branch, and everyone else that is charged with the responsibility of looking after the welfare of others, what we could all do—not just the first responders. Out of all us, all 63 legislators, how many public addresses do we make for school kids and in front of business groups and church groups and non-profit organizations? I thought of what kind of impact we could have if all of us incorporated to the degree that it made sense, some message of making an effort, a special effort, for parents to do the fire drills with their kids, for parents to figure out if their kids are at school, and if there's an earthquake, what's the plan to get their kids back? How can neighborhoods come together?

It all boils down to the preparedness plan. We are the mouthpiece. I was discussing all this with my wife and the first thing she did was go out and make a 72-hour emergency kit. Clark County recommends grabbing a trash can and filling it with water. If you had to grab it you could throw it in the back of your truck. My wife went out and got a bunch of backpacks and granola bars and water and all that. What I thought was interesting was that my backpack was filled with all of the water for the family of seven. It must have weighed 200 lbs. At least she responded. That's where it all starts. If we can carry this on, I think it would be a great benefit to all of our constituents and those we represent.

ASSEMBLYMAN HARDY:

Thank you, Madam Speaker. I rise in support of ACR 25. We went through a similar exercise in my family during what we call Family Home Evening. We got out backpacks for all eight of our children, as well as the water. A couple of years later we checked out our supplies and some creatures had beaten us to the punch. I would recommend as we prepare that we look at the Southern Nevada Health District recommendation to use the garbage can because things can't get in there. You may not want to have stale energy bars.

Recognizing that any disaster we have takes at least 72 hours before a government, whether it be local or federal, can swoop in and save us, we need to be up to date. I think that is a good family activity to do. Thank you.

Resolution adopted unanimously.

Assemblyman Christensen moved that all rules be suspended and that Assembly Concurrent Resolution No. 25 be immediately transmitted to the Senate.

Motion carried.

Assemblyman Munford moved the adoption of the resolution.

Remarks by Assemblyman Munford.

Assemblyman Munford requested that his remarks be entered in the Journal.

Thank you, Madam Speaker. For the past 30 years I have called Pastor Nathaniel Whitney, Sr. my friend. Anyone who met Pastor Whitney considered him a friend. He was kind and gentle, but also smart and curious about the world in which he lived. He longed to have this world be a better place. He accomplished this by not only attending to the spiritual needs of his parishioners for nearly 40 years but also serving as a role model for 13 children, 34 grandchildren, and 9 great-grandchildren.

He welcomed everyone into his congregation, including elected officials and political candidates. He believed in an open mind and an open door to bridge any differences that might divide his fellow man. I, for the one, feel blessed to have known Pastor Whitney. I hope the memories of this fine man will be cherished by his family, especially his wife Loretta and his other friends for many years. He truly was one of my friends. He received me well on many occasions when I was a candidate for office. He invited me in to speak to his entire congregation. It was very kind of him. I think my colleague from District 7 knew him quite well, also. Thank you.

Resolution adopted unanimously.

Assemblyman Munford moved that all rules be suspended and that Assembly Concurrent Resolution No. 26 be immediately transmitted to the Senate.

Motion carried.

Assemblyman Conklin moved the adoption of the resolution.

Remarks by Assemblymen Conklin and Kirkpatrick.

Assemblyman Conklin requested that the following remarks be entered in the Journal.

ASSEMBLYMAN CONKLIN:

Thank you, Madam Speaker. The "For Inspiration and Recognition of Science and Technology" Organization or FIRST Organization holds a robotics regional competition every year. It is a world competition in which a number of countries participate. This resolution states that over 1300 teams competed this year. Cimarron-Memorial High School, which resides in Assembly District 37, has been participating in this event since 2002. That is five years. In 2002, they placed 987th. Madam Speaker, in 2007, they placed first from around the world. I think this is an absolute, remarkable feat. I think it is something which should be encouraged by the state of Nevada and by all of us and all of our school districts.

I am incredibly, incredibly proud of the work we do, the work which our schools do, and, most of all, the work which our kids do when they go to competitions and represent the state of Nevada so well. I would urge passage.

ASSEMBLYWOMAN KIRKPATRICK:

I, too, rise in support of this ACR. I represent a couple of the students who actually went to the finals. They just wanted to send the word back that it was a once in a lifetime experience. They appreciate the recognition they are being given here today. Thank you.

Resolution adopted unanimously.

Assemblyman Conklin moved that all rules be suspended and that Assembly Concurrent Resolution No. 27 be immediately transmitted to the Senate.

Motion carried.

Assembly Concurrent Resolution No. 28—Congratulating the Center for Basque Studies at the University of Nevada, Reno, on the occasion of its 40th anniversary.

WHEREAS, In 1967, the Center for Basque Studies, which at that time was called the Basque Studies Program, was established within the Desert Research Institute to investigate the role long played by Basque sheepherders as the key human factor in the ecology of the Great Basin and to encourage American scholarship concerning one of Europe's most fascinating peoples and their contribution to the ethnic heritage of the American West; and

WHEREAS, In 1972, the Basque Studies Program became part of the University of Nevada, Reno, where it was renamed the Center for Basque Studies in 2000 to more clearly reflect its research mission; and

WHEREAS, The Center for Basque Studies is a research center whose primary mission is to further Basque-related study by conducting, facilitating and publishing original Basque-related research in the humanities and social sciences, and whose success in this mission is evidenced by scholars affiliated with the Center having published works in migration and diaspora studies, anthropology, history, women's studies, cultural studies, literature, bibliography and lexicography; and

WHEREAS, The Center for Basque Studies, recognizing from the beginning that a world-class library is essential to its research mission, has continued to expand its collections from the initial 750 items obtained by the late Robert Laxalt from the personal library of a noted European scholar until the Basque Studies Library now includes over 50,000 volumes of published material as well as thousands of unpublished items, including diaries, letters, oral histories, photographs, musical recordings, Basque-language films, and even examples of tree trunks that carry the distinctive carvings of Basque sheepherders, all of which make the Basque Studies Library one of the best collections of Basque-related material in the world; and

WHEREAS, The Center for Basque Studies includes instruction as part of its mission and offers courses that allow undergraduates to minor in Basque studies and more mature scholars to earn the degree of doctor of philosophy at the University of Nevada, Reno, and in collaboration with other universities, conducts a program that enables students to study and live in the Basque Country of Europe; now, therefore, be it

RESOLVED BY THE ASSEMBLY OF THE STATE OF NEVADA, THE SENATE CONCURRING, That the members of the Nevada Legislature congratulate the Center for Basque Studies on the occasion of its 40th anniversary and also extend to the Center their wish that there be many more anniversaries to come; and be it further

RESOLVED, That the Chief Clerk of the Assembly prepare and transmit a copy of this resolution to Dr. Gloria P. Totoricagüena, the Director of the Center for Basque Studies at the University of Nevada, Reno.

Assemblyman Bobzien moved the adoption of the resolution.

Remarks by Assemblymen Bobzien, Marvel, Goicoechea, Carpenter, and Anderson.

Assemblyman Bobzien requested that the following remarks be entered in the Journal.

ASSEMBLYMAN BOBZIEN:

I first became aware of Basque culture when I moved to the west many years ago in Idaho. Since that time, in the travels that I have done in Idaho, Oregon, and Nevada, I have learned more about Basque culture and the impact that it has had on the Great Basin and specifically the progress that we have made in the west. I think it is just a wonderful opportunity to congratulate the center for the work they do on research on the Basque people, and I wish them 40 more years of great success.

ASSEMBLYMAN MARVEL:

It is a pleasure to support Assembly Concurrent Resolution 28. I have been around the Basque people all my life. As a matter of fact, my sister-in-law is Basque and a daughter-in-law is part Basque, and we have several very prominent Basque right in this chamber. The thing that I think is so important about the Basque people is that they are raised with integrity, industry, thrift, and they are smart businesspeople. I think that is evidenced by a couple of people we have here today—the Ascuaga family. I am delighted that they are here to participate in this resolution, and my hat is off to the Basque race. Thank you.

ASSEMBLYMAN GOICOECHEA:

I rise in support of Assembly Concurrent Resolution 28. I think at this point, I would really like to take my hat off to those people that did in fact recognize that there was a language and a culture being lost here in the United States. I am third-generation Basque. I was raised in a sheep camp, and I never really did get to the point where I was fluent in the Basque language. I can talk Spanish, but my dad and my grandfather both spoke Basque. In fact, my father only spoke Basque when he went to school so it was a hardship on him. He never did learn to talk Spanish and I never learned to talk Basque so between the two of us we had trouble communicating. At that particular time, during the late 1960s and 1970s, there was a transition, even in the people coming over from the Basque country. You have got to sit down and look at a Basque dictionary just once to understand how difficult it is to learn. I believe there are only 435 basic words in the language, but try and learn them. Again, my hat is off to those people who recognize how the culture and language are being lost, and for bringing that forward at UNR. Thank you.

ASSEMBLYMAN CARPENTER:

I rise in support of Assembly Concurrent Resolution 28. I was in the sheep business for many years—25 or 30—and during that time I had many Basque herders work for me. At one time, the university sent a gentleman out and he actually lived on my ranch and went with the herders for over a year. The Basques in my life have been very important part, and they were absolutely the hardest workers that I could possibly have. I think that it is great that the university is doing so much to continue the heritage and history of the Basque people. Thank you.

ASSEMBLYMAN ANDERSON:

I, too, rise in support of the resolution. I think of the many distinguished scholars that the University of Nevada has had who graced the campus—even when I was an undergraduate there. The Basque studies program was in its infancy, believe it or not, and just as I was leaving campus it was finally recognized. The Basque that I have had the pleasure of teaching with, people like Rose Orbide and others, whose dedication to teaching students and keeping Basque culture alive at every level of education throughout the state is symptomatic of the progress that has been made. I know the Ascuagas, who made a dramatic contribution to the community in which I live, their hard work is emblematic of the people that their roots and heritage is from. For that, I rise in support of the resolution.

Resolution adopted unanimously.

Assemblyman Bobzien moved that all rules be suspended and that Assembly Concurrent Resolution No. 28 be immediately transmitted to the Senate.

Motion carried.

Senate Concurrent Resolution No. 11.

Assemblyman Claborn moved the adoption of the resolution.

INTRODUCTION, FIRST READING AND REFERENCE

By the Committee on Ways and Means:

DATED this 7th day of May, 2007.

BARBARA E. BUCKLEY
Speaker of the Assembly

Assemblywoman Buckley requested that the following remarks be entered in the Journal.

ASSEMBLYWOMAN BUCKLEY:

Thank you, Mr. Speaker pro Tempore. It is with great honor that I rise today to present this proclamation to Helen. She had no idea we were going to do this.

There really has been no effort to preserve Nevada's richness without Helen being involved. The proclamation spoke to a few of them, whether it is preserving our antiquities or our natural treasures. Helen once described putting on a safari hat and holding up the tooth of a wooly mammoth to talk to the children in our state about the richness of Nevada's treasures and archaeological treasures.

There's really no effort that Helen hasn't been involved in. She's been involved with the Planning Commission, the town boards, and many other community efforts. It is these efforts for the past 40 years that I think led Harry to decide to run for the Assembly. Because of all that the two of you have done over the years, Nevada is a better place—you are an incredible team. Without you, Nevada would be much poorer.

When I heard a couple of weeks ago that the County Commission and the Las Vegas City Council were honoring you—because Harry mentioned that he was going to go down to see the day proclaimed "Helen Mortenson Day"—I decided we couldn't let this Legislature end without

adding our thanks and our congratulations to you and, I think, a very humble thanks for all that you have done to make our state a better place. Sometimes efforts to preserve our state's rich heritage seem to be the lowest priority of many. You make sure it's not forgotten in your effort to make the state a better place. We thank you, Helen.

Mr. Speaker pro Tempore requested the privilege of the Chair for the purpose of making the following remarks:

I would like to add my voice in support of Helen's many contributions and the continuing care I have seen distributed and showered on all the residents of our state. I can see it every day when Mrs. Mortenson comes to visit her husband. That same kind of care is what is constantly on display, although your husband occasionally tells stories which we wish he wouldn't. Generally, those are most positively reflected on you and not of him. Therefore, we salute you for your patience and for your long suffering for all of us. Thank you again.

THE NINETY-THIRD DAY

CARSON CITY (Tuesday), May 8, 2007

Assembly called to order at 11:08 a.m.

Madam Speaker presiding.

Roll called.

All present.

Prayer by the Chaplain, Reverend Bruce Kochsmeier.

God of all time and space, how grateful we are that You are totally in control and that You set us free to realize this. As we do, open us to the power of knowing and choosing Your will. We praise You for the freedom that is ours as we let our spirits be conformed to Your own Spirit. Lord, there is so much to distract us. Keep us faithful as Your servants. Let us know the delight of doing the best we can for the sake of Your people. Fill these legislators with insights into the overarching needs of the people and state of Nevada. Grant them understanding into plans that will serve the whole and long-term needs of this amazing place You have given us to live.

We acknowledge, Lord God, that the work You have placed before these servants is not easy. The changing needs of Nevada are monumental. There are no easy answers. It would seem there are more and more people and fewer resources. Grant wisdom to these who are entrusted with leading Your people and in being stewards for the people of Nevada. Grant them joy in the opportunity to be used by You, our God, for the sake of Your kingdom in this place. We humbly pray in reliance upon You.

AMEN.

Pledge of allegiance to the Flag.

Assembly Resolution No. 11—Adding Virgil M. Getto to the Assembly Wall of Distinction.

WHEREAS, The Nevada Assembly has established an Assembly Wall of Distinction for those past members selected by leadership who served with great distinction and who made exemplary contributions to the State of Nevada; and

WHEREAS, Virgil M. Getto, a native Nevadan and lifelong resident of Fallon, is the son of Italian immigrant parents who settled in Nevada to start a new life, and was educated in the Churchill County schools and entered the family ranching business; and

WHEREAS, As a young man, Virgil M. Getto was elected to the National Council of the Future Farmers of America (FFA), later serving as Vice President of the Pacific Region that encompassed eight western states, and he stated during his legislative tenure that the leadership training and public speaking skills he acquired through FFA led him to achieve extraordinary things, and in 2006 Virgil was honored for his 60 years of leadership in the FFA; and

WHEREAS, Virgil entered public service in the Nevada Parent Teachers Association and served as President in 1960, then won election to the Churchill County School Board in 1962; and

WHEREAS, First elected to the Assembly in 1966, Virgil has the unique distinction of being a legislative freshman five times—three times in the Assembly (1967, 1979 and 1983) and twice

in the Senate (1981 and 1989), serving 12 regular sessions and 4 special sessions, a total of 24 years; and

WHEREAS, While in the Assembly, Virgil served as Minority Floor Leader (1975) and as a Member of the Committees on Agriculture (Chairman, 1969 and 1971), Agriculture, Irrigation and Livestock, Commerce, Economic Development, Tourism and Mining, Education, Environment and Public Resources, Government Affairs, Health and Welfare, Labor and Management, Legislative Functions, Natural Resources, Agriculture, and Mining (Chairman, 1985), Taxation, Transportation and Ways and Means; and

WHEREAS, After winning reelection to his Assembly seat, Virgil was appointed in 1980 to fill a vacancy in the Senate, and after completing his term in the Senate, he was again elected to the Assembly, serving from 1982 until 1988, when he was elected to again serve in the Senate, where he served as Chairman of the Senate Committee on Natural Resources in 1991; and

WHEREAS, While serving as a Senator, Virgil represented the largest state legislative district in the contiguous United States at that time, covering nearly half of the State of Nevada, encompassing parts of Churchill, Eureka and Lander Counties and all of Esmeralda, Lincoln, Nye, Mineral and White Pine Counties, until his retirement in 1992; and

WHEREAS, At the time of his retirement, Senator Getto remarked that the education of Nevada's children should be the number one issue in the Legislature; and

WHEREAS, As a Legislator, Virgil was a proponent of issues dealing with natural resources, the construction of a maximum security prison in Ely, designation of U.S. Highway No. 95 as the Veterans' Memorial Highway, and the construction of two new buildings in the Capitol Complex—the Nevada Supreme Court and the Nevada State Library and Archives; and

WHEREAS, Virgil is a fervent supporter of education and has made numerous personal and professional contributions to the community college system, particularly the Western Nevada Community College's Fallon campus, which honored him in 2004 by naming a building Virgil Getto Hall in recognition of his efforts on behalf of the College, including serving with distinction on the College's foundation and regional advisory boards; and

WHEREAS, Virgil was appointed to the Nevada Silver Haired Legislative Forum and served as Vice President as well as a member of the Forum's Committee on Human Resources and Facilities, and he was appointed to the National Silver Haired Congress, representing Nevada's Second Congressional District; now, therefore, be it

RESOLVED BY THE ASSEMBLY OF THE STATE OF NEVADA, That Assemblyman and Senator Virgil M. Getto, a dynamic leader who served his constituents and community for 24 years and who contributed to the protection of Nevada's natural resources and promoted education, is hereby added to the Assembly Wall of Distinction.

Assemblyman Marvel moved the adoption of the resolution.

Remarks by Assemblymen Marvel, Oceguera, Carpenter, Goicoechea, and Arberry.

Assemblyman Marvel requested that the following remarks be entered in the Journal.

ASSEMBLYMAN MARVEL:

Thank you, Madam Speaker. I have known the Getto family practically all my life. We were all involved in agriculture. Speaker Dini and I went to school with Virgil's sister, Mary, many years ago. Virgil served here with distinction. As a matter of fact, he will go down in history as being a freshman more times than any legislator in the United States—I think it was five times. Virgil sat on every major committee. He did a yeoman's job here in the Assembly. He was a great Senator on the other side and then came back with us.

I think what is going to be most memorable is that the Assemblyman from Elko and myself served on a committee with him, and we were trying to use the impounded animals from the Reno shelter for experimental purposes for the University of Nevada School of Medicine. We filled the committee room. I do not know how many meetings we had on it, maybe Speaker Dini knows, but Virgil would never bring it to a vote. Assemblyman Carpenter and I would have liked to have moved it forward. It died a natural death. It would have been for a good cause.

I am sorry Virgil is not here today. Virgil is an outstanding citizen. He was just a great person for Churchill County and for the state of Nevada. Thank you very much, Madam Speaker.

ASSEMBLYMAN OCEGUERA:

Thank you, Madam Speaker. I rise in support of AR 11. I think I may have mentioned a few times that I grew up in Fallon. I still think of Fallon as my home in many respects. It is kind of funny when thinking about what to say on this resolution. I recall mowing Carl Dodge's and Virgil Getto's lawns as a kid. I would always look out to see if they were there because they were such huge figures in the community. When I would go to Yerington to deliver ice in high school, I would look for Speaker Dini. "Wow, I hope I get to see Joe Dini."

It is a pretty big honor to stand and speak about Virgil Getto. He did so much for my hometown and for our state. I think he has pretty much done it all, as described in the resolution. He was involved with the Future Farmers of America, was an active member of the Parent Teacher Association, and was a member of the school board. He was a leader of this body and a leader in the body down the hall. He fought very hard for the rural communities. I think when he represented his Senate District, it was one of the largest Senate Districts in the state. He always tried to improve the lives of those folks who lived in those areas. Madam Speaker, I wish he was here so I could say those things to him personally.

ASSEMBLYMAN CARPENTER:

Thank you, Madam Speaker. I rise, also, in support of AR 11. It is sad that Virgil is not here today because I think everyone in this body should have a look at a great legislator. He was really my friend when I came to the Legislature. Probably no one had a greater influence on me than Virgil Getto and Joe Dini. We used to live over here in this little motel, and every morning and evening we would all get together and discuss what was going to happen in the Legislature.

I remember walking down the hall with Virgil, and he would always say, "Well, today I am not going to say one word." Of course, Virgil would get up and he would talk for 20 minutes or more.

When I came to the Legislature there was kind of a cowboy caucus here with Lou Bergevin, Joe Dini, and Virgil Getto. Nothing went through the Assembly unless those three agreed.

I just want to thank Virgil for being my friend, and I am sorry he is not here today. Hopefully, we will be able to present him with this resolution. He is such a mild mannered man that he will really appreciate having this resolution. Thank you.

ASSEMBLYMAN GOICOECHEA:

Thank you, Madam Speaker. I, also, rise in support of Assembly Resolution 11. Even though I did not have the pleasure of serving with these great gentlemen, I do rise in support of Virgil Getto and the man he is, the support he has given me over the years, and also the great representation he gave to all of rural Nevada as I was growing up and while I was an elected official in those rural areas.

ASSEMBLYMAN ARBERRY:

Thank you, Madam Speaker. I rise in support of this resolution. I was a little reluctant to say anything about Virgil, but I had to share a story with this body. Virgil knew I was a city boy when I came here as a new legislator. We do not wear cowboy boots, we do not wear jeans, and we do not wear cowboy hats. Well, Virgil insisted that I come out to his ranch. He wanted me to see the cows and the chickens. I told him I was a city boy. I was not coming out to his ranch. He said, "Since you are not coming out to my ranch, I am going to bring you your own, personal cow." He took a picture of a black and white cow that was just born and brought it to me. He said, "I am going to nurture this cow for you." It was such an honor to have my own, personal black and white cow.

Virgil was like the George Jefferson of the Legislature. He had a distinct walk and he got his points across. I really miss Virgil, and if you are listening to this Virgil, I hope you still have my cow.

Resolution adopted unanimously.

By Assemblymen Buckley, Allen, Anderson, Arberry, Atkinson, Beers, Bobzien, Carpenter, Christensen, Claborn, Cobb, Conklin, Denis, Gansert, Gerhardt, Goedhart, Goicoechea, Grady, Hardy, Hogan, Horne, Kihuen, Kirkpatrick, Koivisto, Leslie, Mabey, Manendo, Marvel, McClain, Mortenson, Munford, Oceguera, Ohrenschall, Parks, Parnell, Pierce, Segerblom, Settelmeyer, Smith, Stewart, Weber, and Womack:

WHEREAS, Having a father who worked for Bugsy Siegel at the Flamingo Hotel, Marvin Sedway was never embarrassed by his family's involvement with the early gaming establishment in Nevada; and

WHEREAS, Elected to the Nevada Assembly in 1982, Marvin M. Sedway served until 1990, and during his tenure, he served on the Assembly Committees on Commerce, Education, Health and Welfare, and Legislative Functions, and as the Chairman of the Committee on Ways and Means and the Interim Finance Committee, 1987 to 1989; and

WHEREAS, Dr. Sedway is credited with making Nevada's community college system one of the finest in the West, contending that community colleges should not be shortchanged in favor of the universities and recognizing that students who would become mechanics and blue-collar workers deserved education as much as the students who became doctors and lawyers; and

Sedway; and

WHEREAS, Marvin M. Sedway was known for speaking his mind and using colorful expressions such as, "If there's no penalty for doing it wrong, there's no incentive to do it right" and "It will be a great day when our schools get all the money they need and the Air Force has to hold a bake sale to buy a bomber"; and

WHEREAS, Dr. Sedway was a man who did not mince words, who said what had to be said and what others were afraid to say, who lived life by his own rules, unfaltering in his principles, realizing that what really mattered was the principle, not the popularity; now, therefore, be it

RESOLVED BY THE ASSEMBLY OF THE STATE OF NEVADA, That Assemblyman Marvin M. Sedway, a leader of the legislative process whose courage, sincerity and passion for public service improved the lives of all Nevadans, is hereby added to the Assembly Wall of Distinction.

Assemblyman Arberry moved the adoption of the resolution.

Remarks by Assemblymen Arberry, Oceguera, and Anderson.

Assemblyman Arberry requested that the following remarks be entered in the Journal.

ASSEMBLYMAN ARBERRY:

I have an eloquent speech here that was prepared for me to say some things about Marvin because I did not want to leave anything out.

I rise in support of this resolution to honor a man that I consider to be my friend and my mentor, former Las Vegas Assemblyman Marvin Sedway.

For those of you who did not know Marvin, let me tell you that he was truly, truly Mr. Chairman when he chaired the Ways and Means Committee and Interim Finance Committee between 1987 and 1989. Marvin, as you know, was an outspoken activist and champion of Nevada's disadvantaged residents, particularly the children.

The first time I met Marvin was in 1984 when I was running for office. He told me that when I got to session, he would take good care of me. Sometimes when someone tells you that, you might not have a warm feeling, but when it came from him, you knew that he had a deep concern and caring feeling for you when he made that statement.

Marvin would also tell me that when he was upset with someone, "Do not get mad, just get even." Those were his words to me. Whenever I knew he was really, really mad, I knew I had to have my shoes in order, I had to have all my Qs in order, and I had to be on target and on point. But I always knew that Marvin was in my corner, and I was in his.

I only rubbed Marvin wrong once when I voted "no" on a bill, and I know the Assemblyman from Battle Mountain would remember this. We were voting on the dam, and Marvin wanted the dam bill to die. During all the time of the testimony, I ran to the restroom, and when I came back—as you know, Arberry is the first name to be called and then everybody follows me—I voted "no" and everybody after me voted "no." All of a sudden, the gavel went flying through the air. We were on a recess, and Marvin took us to his chamber, and he gave us a "Jewish blessing." When he gave us that "Jewish blessing," we knew that something was wrong. Madam Speaker, that was when I decided to become "Zarberry" because if I went to the restroom while there was a discussion and I came back and I did not know how to march down the line, I became "Zarberry" because I refused to be out there first.

Whether or not you agreed with Marvin, he knew the system. You could disagree with him, but if you double-crossed him, he was the toughest man that you have ever seen. On a quick note for Speaker Dini, one time a lobbyist came to the Speaker and was complaining about Marvin. Speaker Dini—I was standing right next to the Speaker—said to the lobbyist, "I do not know what Marvin is doing today. I cannot keep up with him myself, so just let me try to take care of Marvin." I remember that just like it was yesterday.

I learned a great deal from Marvin and truly admired the man. I watched his style, his tenacity, and his determination to get things done. There are still a few members in this room who served with Marvin, and I am sure we all can tell stories about him. I remember some of the statements that Marvin made famous, and one of those is hanging on my wall right now. It says, "If there is no penalty for doing it wrong, there is no incentive for doing it right." I was reminded that Marvin, one Easter, left a bottle of Manischewitz wine on every desk in the Chamber. He said, "If you think that Jews have suffered, try drinking a glass of that wine." I kept that bottle for many years.

In 2002, there was a tribute to Marvin at his new school—a middle school named after Marvin Sedway. It reminded me of his earnest and sincere support of education and the poster that was in his office that read, "It will be a great day when our schools get all the money that they need, and the Air Force has to hold a bake sale to buy a bomber." I vividly remember him telling me that.

When Marvin was very sick and he had his surgery, when he returned to the Assembly, I remember him telling us all that he had "walked through the valley in the shadow of death," came through it, and it had made him tougher, stronger, meaner, and more determined to do the things that he felt were important.

The resolution says that Marvin was a man who said what needed to be said, knowing that what mattered was the principle, not the popularity. That is so true. He also said many things that cannot be repeated.

I had the privilege of serving with Marvin from 1985 until 1990. I remember one tense end-of-session meeting between the Senate and Assembly, and Marvin declared any excess budget dollars had to be spent on education. He then slammed the gavel down and stormed out, leaving to the committee fiscal analyst to explain that the meeting was over.

I am proud to know that Marvin was my friend and mentor. Marvin was truly the conscience of the Legislature. He left a lasting impression on this house and the entire state. His spirit is here, and it will always be here.

ASSEMBLYMAN OCEGUERA:

I rise in support of Assembly Resolution 12. I regret that I never had the opportunity to know or serve with Marvin Sedway, but as just described by the Chairman of Ways and Means, he was colorful, fearless, and selfless in his service to the state. Some of his sayings were, indeed, legendary as the Chairman just described, and from the stories that I have heard, some of those sayings could not be repeated here on the floor.

He was never afraid to take on anyone or to speak his own mind. He never stopped to analyze whether the action was going to be politically popular. He acted in what he thought was the best interest of the state, no matter what the consequences might have been to him personally or to his next election. He never so much as hesitated.

He believed in the power of public education, he was a master of the budget, and he fought for every man and woman—those who would not have otherwise had a voice. Buildings and a school have been named for Marvin Sedway, and I am proud to stand in support of the resolution.

ASSEMBLYMAN ANDERSON:

I, too, stand in support of Assembly Resolution 12. My first trip down here was to lobby on educational issues in the evening during those times when legislative members were often not in the chamber or a meeting room—when you would find them in and about the community. I was terribly concerned one session because the Legislature had determined that some dollars that I thought were going to go to libraries was diverted so they only went to libraries in the southern part of the state. I had met with Mr. Sedway several times and lobbied him on various issues relative to education and had always found him to have a very, very sympathetic ear. I was explaining my frustration at the loss of library dollars for Washoe County and how it would impact my students doing research—that was in the old days before the Internet was around so kids had to actually go to libraries and use books and magazines. Dr. Sedway was very, very concerned when I explained how this was going to affect the Washoe County libraries. The head lobbyist for the teachers' association ran into me about 20 minutes later and asked, "What did you say to Dr. Sedway?" I explained to him and he said, "You know, he is the guy who moves the money, and now he is very upset with me because I did not tell him what the impact was going to be in the other parts of the state so he is going to have to find money to help kids in all the libraries in the state."

The stories about Marvin cannot be exaggerated. The buildings that stand out there represent only a small shadow of the impact that he has had upon the state—a momentary glimpse into the kind of person that he was. His heartfelt feeling towards kids, education, and the common man are not going to be found again. For that, this resolution is a long time coming. Thank you.

Resolution adopted unanimously.

Madam Speaker announced if there were no objections, the Assembly would recess subject to the call of the Chair.

Assembly Resolution No. 13—Adding Mouryne Landing Dini to the Assembly Wall of Distinction.

WHEREAS, The Assembly of the Legislature of the State of Nevada has established an Assembly Wall of Distinction for those past members of the Assembly selected by leadership who served with great distinction and who made exemplary contributions to the State of Nevada; and

WHEREAS, The Nevada Assembly wishes to add to its Wall of Distinction those past staff members of the Assembly who are selected by leadership to be acknowledged for their exemplary service; and

WHEREAS, Mouryne Landing Dini has the distinction of serving as Chief Clerk of the Nevada Assembly for an all-time Nevada record of 23 years, from 1973 through 1995, with integrity, professionalism and competency; and

WHEREAS, Born in Oregon, Mouryne attended public schools, studied at Hinniger Stephens Business College in Utah, and relocated to Nevada in 1963, where she and her husband raised their two children; and

WHEREAS, Mouryne first came to work for the Assembly as a committee secretary for the 1965 Regular Session, a time when the Legislature still met in limited space on the second floor of Nevada's historic State Capitol, and over the ensuing years, she was promoted to Assistant Chief Clerk, a position she held for the 1969 and 1971 Sessions; and

WHEREAS, Elected in 1973 as Chief Clerk of the Assembly, Mouryne Landing served in the first legislative session held in the newly constructed Legislative Building, remaining in that position until her retirement in 1995; and

WHEREAS, During the 68th Session when the Assembly membership was evenly divided between Democrats and Republicans, and leaders of both political parties served as Cospeakers of the Assembly and as Cochairs of the Assembly committees, Mouryne faced the challenges presented by this historic circumstance with her usual professionalism and aplomb; and

WHEREAS, In addition to her vital role in the Chamber when the Assembly was in session, Mouryne worked diligently to modernize and professionalize the office of the Chief Clerk, leading her staff through some stressful situations, and she was always accurate, thorough and unflappable; and

WHEREAS, Mouryne also hired, trained and, by her spirited example, led the temporary staff for legislative sessions and was a nationally respected parliamentary expert, serving for 11 years on the Revision Commission for the *Mason's Manual of Legislative Procedure*; and

WHEREAS, Mouryne ably represented the Nevada Legislature on other prestigious national organizations, including service as a member of the Executive Committee of the National

Conference of State Legislatures, 1992 and 1993, and as President of the American Society of Legislative Clerks and Secretaries, 1989 and 1990; and

WHEREAS, Mouryne is well known in legislative circles for her love of music and dancing, often dazzling her companions with her fancy footwork, but never losing her demeanor and grace, and her sense of fun and cheerful smile were a welcome addition to the Nevada Legislature; and

WHEREAS, Mouryne faced her own personal losses with stoicism and surrounded herself with the support of her legislative family; and

WHEREAS, Mouryne again found happiness in her marriage to Assembly Speaker Emeritus Joseph E. Dini, Jr., and is finally taking the time to relax and enjoy life following her many years of service to the State of Nevada; now, therefore be it

RESOLVED BY THE ASSEMBLY OF THE STATE OF NEVADA, That in recognition of her many years of service to the Legislature, ensuring successful and orderly sessions that were carried out in a calm, professional manner, always making sure the Legislators "did the right thing the right way," former Chief Clerk of the Assembly Mouryne Landing Dini is hereby added to the Assembly Wall of Distinction.

Assemblywoman Buckley moved the adoption of the resolution.

Remarks by Assemblymen Buckley, Marvel, Oceguera, Grady, Carpenter, Manendo, and Mr. Speaker pro Tempore.

Assemblywoman Buckley requested that the following remarks be entered in the Journal.

ASSEMBLYWOMAN BUCKLEY:

Thank you, Mr. Speaker pro Tempore. It is my honor to be able to sponsor this resolution. One of the pleasures that I get as Speaker is to recommend additions to our Assembly Wall of Distinction. As I pondered the choices, the individuals who have served this body with distinction, the choices for Assembly representatives were pretty easy—the two remarkable legislators who we honor today. But it also made me think that other individuals have really made this the place which it is and no one more so than Mouryne Dini.

The resolution speaks to her long service starting as a committee secretary and moving up, serving in this position for the longest tenure of anyone, for 23 years. She affected the fabric of this institution. She took us from small, humble beginnings in terms of facilities to the chamber you see today. The changes along the way included technology; the differences in the technology from when Mouryne started to now are vast. All the changes ensure we are able to do our job better and the public is able to gain access to us.

Mouryne established a legacy of doing things right. She knows parliamentary rules probably better than anyone in the United States. She served with distinction on the national committees. You could ask Mouryne a question like, "Why do we do things this way?" She would whip out the *Mason's Manual* and could refer to the exact page which was at issue. That helped set the tone for this institution that has carried through to today. Legislators come and go, but this institution remains. The reason it remains is because you have people concerned about our history, our heritage, and our traditions. This place becomes larger than any one person. One of the individuals who contributed so much to that history, to that tradition, to our respect for the rules, to our respect for the institution, was Mouryne.

We appreciate so much your service to our state. Your legacy continues as we continue to ensure that we operate in a manner that observes parliamentary procedure, preserves collegiality, and preserves respect for the institution.

When I had the opportunity to select a new Chief Clerk, I called Mouryne and asked what advice she could give me. She gave me some great insight which I used in hiring Susan. The attributes which you want is no matter what happens, no matter what is going on, we remain above it all. If 1995 was not a great example of that, I do not know what is. With the Chief Clerk responding to co-Speakers, co-Majority Leaders, co-Chairmen, supervising all of the secretaries and staff—it still ran very smoothly. That is due to the efforts of Speaker Dini, Speaker Hettrick, and especially Mouryne, who made that session a success. So it is with great honor that I nominate Mouryne Dini to be added to the Assembly Wall of Distinction.

ASSEMBLYMAN MARVEL:

Thank you, Mr. Speaker pro Tempore. It is really a pleasure today to be able to honor such a great person like Mouryne. As a matter of fact, I knew Mouryne's family even before I was a legislator. When I was elected, it was kind of like coming home because Mouryne was here.

On a side note, I would also say to Speaker Buckley, "Thank you for making the selection that you did, for the new Chief Clerk we have this session."

I want everyone to know that Mouryne probably was the greatest parliamentarian we have ever experienced. She rewrote the *Mason's Manual*. She spent several years working on that chore. All legislators in the United States can be appreciative for all the work Mouryne put in. We certainly wish both you and Joe well in your retirement. It was just a privilege working and serving with both of you.

ASSEMBLYMAN OCEGUERA:

Thank you, Mr. Speaker pro Tempore. I rise in support of AR 13. You know, we all take for granted the wonderful job our Chief Clerk and the Front Desk do. I am sure we owe much of this efficiency to Mouryne. She is legendary for what she has done in this body. No one has known the rules better. She did her job with the utmost professionalism and grace under the hardest times, tightest of deadlines, and when the tension was the highest. I have never heard anyone say anything bad about Mouryne, and that is hard to find in this business. She has represented us well at countless conferences and national meetings, and she has been recognized nationally for her skills. She also had the good judgment to marry another of my all-time favorites, Joe Dini. We thank you for the indelible stamp you have left on the Legislature.

ASSEMBLYMAN GRADY:

I stand in support of Assembly Concurrent Resolution 13. If you read, and read again, the resolution, the words keep popping out at you—professionalism, professionalism, professionalism. I think that really describes Mouryne.

I guess in some ways I have the best of both worlds because although Mouryne and Joe split their residency time between Carson City and Yerington, I have the distinction and the honor of calling both of them, and I get both sides. I can either get the Democratic view or the Republican view, and I respect both views, but to be able to call two people that are my friends and ask them, "What would you do? How would you do this?" and always get good answers from both. I really appreciate it. Mouryne and Joe, I wish you the best. Thank you.

ASSEMBLYMAN CARPENTER:

I, too, stand in support of AR 13. I do not think there is anyone who deserves this honor more than Mouryne. When I was a freshman legislator, you just cannot imagine all the help she gave me to stay halfway straight. I just want to echo all of the things that the speakers before me have said. Mouryne, thank you for all your help and for being my friend.

ASSEMBLYMAN MANENDO:

I, too, am honored to rise in support of Assembly Resolution 13. I was here during the historic tie, and as the Speaker mentioned, with all the responsibilities of answering to co-everything, our Chief Clerk was walking the hallways.

In those days, we shared secretaries. It was three legislators per secretary. Mrs. Dini would come around and make sure everybody was taken care of. She made sure that if there were any problems at all, that they were resolved.

For someone who was a freshman and had a little history with working with constituents in that particular district prior to arriving, she knew ahead of time that was going to be one of my priorities—making sure that I responded even though everybody was so overworked. I really appreciate you making sure I was doing what I needed to do for the folks back home, and I really appreciated your service. You really paved the way. To me, this is truly not the honor we should be giving to you—we should be doing more. This is wonderful, but I just wanted you to know that to me, you are larger than life. Thank you.

Mr. Speaker pro Tempore requested the privilege of the Chair for the purpose of making the following remarks:

During my second session in 1995, I looked at the script for what was going to happen on the floor that day, found my name highlighted, and found out that I had the great honor of nominating the Chief Clerk.

For those of you who have had a scripted part in this chamber, and I know that it happens from time to time, you may think that it is no big thing. I was panicked. I went to Research and asked them if they would put together a history of Mrs. Dini—Ms. Landing at the time—so that I might adequately address who she was and the contribution that she had made to this chamber. They told me I was making too big of a deal, to stand up and make the motion, do what you are supposed to do, just as the script says.

Mrs. Dini, I now have the opportunity and the prerogative of the chair. You have brought calm in a sea of turmoil. You have brought purpose and course, and a dignity to this chamber that can never be replaced. For that, you will always be the Chief Clerk.

Resolution adopted unanimously.

Mr. Speaker pro Tempore announced if there were no objections, the Assembly would recess subject to the call of the Chair.

Thank you, Madam Speaker. Chronic Obstructive Pulmonary Disease, also known as COPD, is a term referring to two lung diseases: chronic bronchitis and emphysema. COPD is a disease in which the lungs are damaged and is characterized by the obstruction of airflow, which interferes with normal breathing. COPD is the fourth leading cause of death in America. In 2004, 11.4 million adults in the United States were estimated to have COPD. Close to 24 million adults in the United States have evidence of impaired lung function indicating an undiagnosed case of COPD. Assembly Concurrent Resolution No. 29 will focus needed attention on this debilitating disease.

Resolution adopted.

Madam Speaker announced if there were no objections, the Assembly would recess subject to the call of the Chair.

Assemblyman Oceguera moved the adoption of the resolution.

Remarks by Assemblymen Oceguera and Buckley.

Assemblywoman Buckley requested that the following remarks be entered in the Journal.

ASSEMBLYMAN OCEGUERA:

We have Mollie and Jackie Singer here today. I received their resumés this morning, and I wish I had a resumé even close to this. It is about three pages long, so I do not know that I can do them justice, but I will try to highlight some of their accomplishments.

When these young ladies were six, they started a lemonade stand that raised $2,000. They continued those endeavors over the years and in that time period; they have raised over $300,000 for diabetes research. As the resolution stated, these two girls formed Diabetic Angels. They have spoken in front of Congress and met with the President three times. I have had the pleasure of seeing them sing at the National Finals Rodeo. They are aspiring country music artists and are cutting a CD.

We are here, though, for Mollie, who won the 2007 Prudential Spirit Community Award. I just cannot imagine all of the things these two young ladies have done, but they are an inspiration to the youth of our community.

ASSEMBLYWOMAN BUCKLEY:

I, too, rise in support of Assembly Resolution 14. So many of us look down on the youth of today. We say, "They are just not involved enough like we are," but Mr. Oceguera was right. This resumé puts all of us to shame in terms of the scope of activities and the commitment to others. It is impressive and commendable.

Resolution adopted.

By Assemblymen Buckley, Allen, Anderson, Arberry, Atkinson, Beers, Bobzien, Carpenter, Christensen, Claborn, Cobb, Conklin, Denis, Gansert, Gerhardt, Goedhart, Goicoechea, Grady, Hardy, Hogan, Horne, Kihuen, Kirkpatrick, Koivisto, Leslie, Mabey, Manendo, Marvel, McClain, Mortenson, Munford, Oceguera, Ohrenschall, Parks, Parnell, Pierce, Segerblom, Settelmeyer, Smith, Stewart, Weber, and Womack:

Assembly Resolution No. 15—Congratulating Laurie Richardson for her recognition as the 2006 National Mother of the Year by American Mothers, Inc.

WHEREAS, Laurie Richardson of Henderson is the proud mother of seven children, more than half of whom were adopted, and she has nurtured countless other children during the 29 years she welcomed children into her home as a foster parent; and

WHEREAS, Laurie began her advocacy work assisting foster children in the courts of California, saying later that letting her foster license lapse after 29 years was "like going to my own funeral"; and

WHEREAS, In August 1994, the Richardson family moved to Nevada where Laurie continued to advocate for children in a new setting, the public schools; and

WHEREAS, After working with the Clark County School District to secure appropriate services for her adopted son, who had learning disabilities and was nonverbal, Laurie began assisting other parents of special needs children as a parent-guardian mentor for the Clark County School District's Friends of Special Education program; and

WHEREAS, Laurie continues to advocate for this growing population of children in her role at Clark County Legal Services where she works with children and their parents to understand certain entitlements under federal law and to secure special services through the Clark County School District; and

WHEREAS, In her role as a mother, Laurie believes that positive feedback is an important part of parenting and that "by focusing on things children do right, it helps to foster positive attitudes" and leads to positive parenting; now, therefore, be it

RESOLVED BY THE ASSEMBLY OF THE STATE OF NEVADA, That the members of the Assembly of the 74th Session of the Nevada Legislature hereby congratulate Laurie Richardson for being recognized as the 2006 National Mother of the Year by American Mothers, Inc., and the first national winner from Nevada since the award presentations began in 1935; and be it further

RESOLVED, That Laurie Richardson is hereby commended for being a dedicated mother, a devoted grandmother, a true friend and a remarkable person whose work continues to improve children's lives; and be it further

RESOLVED, That the Chief Clerk of the Assembly prepare and transmit a copy of this resolution to Laurie Richardson.

Assemblywoman Buckley moved the adoption of the resolution.

Remarks by Assemblywoman Buckley and Mr. Speaker pro Tempore.

Assemblywoman Buckley requested that the following remarks be entered in the Journal.

ASSEMBLYWOMAN BUCKLEY:

It is my honor to have four incredible people sitting at my desk and for me to be able to present this resolution to the body. Laurie is an incredible person, and it is such an incredible

honor to be picked as a Mother of the Year from a state, much less our country. I cannot think of a better person that could have been selected than Laurie, first for the commitment to her own family. She has a lovely family that she has raised. Her definition of family is rather large. Throughout her life, she and her husband, Sully, have fostered so many children. Laurie and her husband are pretty incredible people. They loved and fostered many children so well that they created a bridge back to the children's own families where it was possible. Where it wasn't possible, they ended up adopting a number of children.

The love and compassion that she has shown in her own family is remarkable, but her work did not stop there. It continued in her advocacy for children with special needs. When I got a panicked call that our attorney who did special education work was moving to Minnesota, we had no one in our office who was going to work with disabled children. I thought, "What on earth can we possibly do?" I had seen Laurie's work, so I called her up in a panicked state and asked, "Would you think of coming to work for me?" That was one of the best calls that I ever made because I am able to see her fight for children day in and day out.

The school district tries to do its best but sometimes children with special needs just get left behind. It is so difficult just keeping up with growth that special kids sometimes do not get what they need. Laurie fights and cajoles, always in such a nice manner, to make sure kids get what they need.

Most recently, she created a brand new program for children in foster care who have no one to go to the school district and fight to get special tutoring or to be included with the nondisabled kids. She created a surrogate program for anyone who wanted to volunteer. Within a week, she had a hundred people—retired teachers and parents—in Las Vegas, all wanting to be the spokespeople for children in foster care. Laurie came to the office and said, "Oh, my goodness, I thought I would get five people. I got a hundred. What do I do now?" I said, "Just break them up into a couple of classes," so she did. Her positive attitude and commitment to others makes her truly one of the most inspirational people I have ever met.

Besides that, she is also a singer with Gladys Night and the Saints, Unified Voices. They produced a Grammy Award winning CD.

At night, she talks to all those parents who do not qualify for legal aid services because she feels so bad that they do not know what they are going to do so she gives them advice on what they can do with their children.

She is a remarkable person. It feels so incredibly good when good things happen to good people, and I cannot imagine a better Nevada or national Mother of the Year. As we come up on Mother's Day, I just thought it would be appropriate to recognize her and her many contributions to so many of her children.

Mr. Speaker pro Tempore requested the privilege of the Chair for the purpose of making the following remarks:

Having a resident like you who is so committed to children and people with special needs—and being mindful of the many black marks people like to place on the state of Nevada—you are an example of the quality of mothers that we have in our state. On this day, so close to Mother's Day, it is fitting that we recognize your great commitment.

Amendment adopted.

Bill ordered reprinted, re-engrossed and to third reading.

Senate Bill No. 129.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 671.

AN ACT relating to guardianships; extending the time in which certain information must be provided to the court for the appointment of a guardian; revising the provisions relating to the extension of temporary guardianships; revising the information that must be set forth in a petition to appoint a temporary guardian for certain wards; revising provisions relating to petitions by guardians to the court; revising provisions relating to the treatment or

commitment of a ward; extending the time in which a guardian must wind up the affairs of the guardianship; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1 of this bill extends the time in which information required in a petition for the appointment of a guardian must be provided to the court after the appointment of the guardian, if the information was not initially included in the petition, from 60 days to 120 days. (NRS 159.044)

Section 2 of this bill revises existing law by providing that a petition which seeks to appoint a temporary guardian for a ward who is unable to respond to a substantial and immediate risk of physical harm or to a need for immediate medical attention may be granted by a court if the court finds reasonable cause to believe that the proposed ward is unable to respond to such harm or to a need for medical attention rather than reasonable cause to believe that the proposed ward may suffer such harm or actually needs medical attention. (NRS 159.052) Section 4 of this bill revises existing law by providing that a petition which seeks to appoint a guardian for a ward who is unable to respond to a substantial and immediate risk of financial loss must set forth facts showing that the proposed ward is unable to respond to such risk rather than facts showing that the proposed ward actually faces such risk. (NRS 159.0525) Sections 2-4 also eliminate the restriction that a court may not extend a temporary guardianship for more than two 30-day periods, and instead ~~[allows]~~ **allow** the court to extend a temporary guardianship for not more than three successive 60-day periods. **Sections 2-4, however, prohibit the court from causing the temporary guardianship to continue longer than 7 months unless there is a showing of extraordinary circumstances.**

Existing law requires a guardian to petition the court for an order authorizing the guardian to change the designation of a beneficiary in a will, trust, insurance policy, bank account or any other type of asset of the ward which includes the designation of a beneficiary. (NRS 159.078) Section 5 of this bill provides circumstances under which a guardian is not required to petition the court for an order allowing the guardian to utilize such assets.

Existing law provides that a guardian must obtain authority from the court before consenting to the commitment of a ward to a mental health facility. (NRS 159.0805) Section 6 of this bill removes the requirement that a guardian must obtain such authority to consent to the commitment of a ward to a mental health facility.

Section 7 of this bill provides that a guardian is not required to petition the court for authority before obtaining advice, instructions and approval of any proposed act of the guardian relating to the ward's property or taking any other action which the guardian deems would be in the best interests of the ward, unless otherwise ordered by the court. (NRS 159.113)

Existing law establishes the times during which a guardian is entitled to possession of the ward's property and is authorized to perform his duties to wind up the affairs of the guardianship. (NRS 159.193) Section 8 of this bill

extends the time during which a guardian retains such authority after a personal representative of the estate of a deceased ward is appointed or if the guardian is awaiting certification acknowledging that he has no further tax liabilities on the ward's estate, from 90 days to 180 days.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 159.044 is hereby amended to read as follows:

159.044 1. Except as otherwise provided in NRS 127.045, a proposed ward, a governmental agency, a nonprofit corporation or any interested person may petition the court for the appointment of a guardian.

2. To the extent the petitioner knows or reasonably may ascertain or obtain, the petition must include, without limitation:

(a) The name and address of the petitioner.

(b) The name, date of birth and current address of the proposed ward.

(c) A copy of one of the following forms of identification of the proposed ward which must be placed in the records relating to the guardianship proceeding and, except as otherwise required to carry out a specific statute, maintained in a confidential manner:

(1) A social security number;

(2) A taxpayer identification number;

(3) A valid driver's license number;

(4) A valid identification card number; or

(5) A valid passport number.

➥ If the information required pursuant to this paragraph is not included with the petition, the information must be provided to the court not later than ~~[60]~~ ***120*** days after the appointment of a guardian or as otherwise ordered by the court.

(d) If the proposed ward is a minor, the date on which he will attain the age of majority and:

(1) Whether there is a current order concerning custody and, if so, the state in which the order was issued; and

(2) Whether the petitioner anticipates that the proposed ward will need guardianship after attaining the age of majority.

(e) Whether the proposed ward is a resident or nonresident of this State.

(f) The names and addresses of the spouse of the proposed ward and the relatives of the proposed ward who are within the second degree of consanguinity.

(g) The name, date of birth and current address of the proposed guardian. If the proposed guardian is a private professional guardian, the petition must include proof that the guardian meets the requirements of NRS 159.0595. If the proposed guardian is not a private professional guardian, the petition must include a statement that the guardian currently is not receiving compensation for services as a guardian to more than one ward who is not related to the person by blood or marriage.

(h) A copy of one of the following forms of identification of the proposed guardian which must be placed in the records relating to the guardianship proceeding and, except as otherwise required to carry out a specific statute, maintained in a confidential manner:

(1) A social security number;

(2) A taxpayer identification number;

(3) A valid driver's license number;

(4) A valid identification card number; or

(5) A valid passport number.

(i) Whether the proposed guardian has ever been convicted of a felony and, if so, information concerning the crime for which he was convicted and whether the proposed guardian was placed on probation or parole.

WHEREAS, In May 2005, the United States Congress enacted the REAL ID Act of 2005 as part of the Emergency Supplemental Appropriations Act for Defense, the Global War on Terror, and Tsunami Relief, 2005, Public Law 109-13, which was signed by President George W. The following Senate amendment was read:

Amendment No. 649.

AN ACT relating to crimes; specifying that the crime of luring a child includes luring a person believed to be a child; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law prohibits a person from luring a child who is less than 16 years of age and who is at least 5 years younger than the person. (NRS 201.560) This bill amends existing law to specify that a person **also** violates this provision when he knowingly contacts or communicates with or attempts to contact or communicate with someone whom he believes to be a child less than 16 years of age and at least 5 years younger than ~~[the person.]~~ **he is with the intent to persuade or lure the person believed to be a child to engage in sexual conduct.**

A violation of the amendatory provisions of this bill constitutes the crime of luring a child and is considered a "sexual offense" or "sexual offense against a child" in certain circumstances for the purposes of several provisions of existing law. Such provisions include, without limitation, provisions requiring registration of sex offenders, community notification of sex offenders, lifetime supervision of sex offenders and special restrictions and conditions concerning parole of sex offenders as well as provisions specifically authorizing disciplinary action against a teacher or other licensed employee of a school convicted of the crime of luring a child. (NRS 62C.120, 62F.100, 62H.010, 62H.220, 176.0931, 176.133, 178.5698, 179.245, 179.460, 179A.073, 179A.280, 179D.410, 179D.620, 200.366, 213.107, 213.1214, 213.1245, 213.1255, 213.1258, 391.311, 391.314, 391.330) Thus, for example, NRS 176.0931 would require a court to impose lifetime supervision upon a person convicted of luring or attempting to lure a person whom he believed to be a child ~~[.]~~ **with the intent to persuade or lure the person believed to be a child to engage in sexual conduct.** Further, NRS 213.1258 would provide that if the State Board of Parole Commissioners grants parole to a person convicted of luring or attempting to lure a person whom he believed to be a child through the use of a computer, system or network ~~[.]~~ **with the intent to persuade or lure the person believed to be a child to engage in sexual conduct,** the Board, under certain circumstances, must impose as a condition of the parole that the parolee not own or use a computer. In addition, NRS 391.330 would provide that a conviction for luring or attempting to lure a person believed to be a child **with the intent to persuade or lure that person to engage in sexual conduct** constitutes grounds for the State Board of Education to suspend or revoke the license of a teacher, administrator or any other licensed employee.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 201.560 is hereby amended to read as follows:

201.560 1. Except as otherwise provided in subsection 3, a person ~~[shall not knowingly contact or communicate with or attempt]~~ ***commits the***

Assembly Bill No. 250.

The following Senate amendment was read:

Amendment No. 648.

AN ACT relating to education; revising the requirements relating to emergency drills for pupils in private elementary and secondary educational institutions; revising provisions relating to the inspection of such institutions; revising the provision governing the fees relating to such institutions; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires every private school to provide emergency drills for pupils at least twice each month during the school year. (NRS 394.170) Section 1 of this bill reduces the minimum number of required emergency drills each month to one drill.

The Private Elementary and Secondary Education Authorization Act governs the operation of private elementary and secondary educational institutions in this State. (NRS 394.201-394.351) Certain institutions are exempt from the Act, including institutions offering religious or sectarian instruction. (NRS 394.211) Section 2 of this bill exempts institutions maintained by another state or the District of Columbia and supported by public money.

To obtain and maintain their exempt status, eligible institutions must initially file an exemption with the State Board of Education and file a renewal of the exemption with the Board every 2 years. Section 2 of this bill requires the Superintendent of Public Instruction, upon receipt of an exemption or renewal of an exemption for an institution, to cause an inspection of the exempt institution to be conducted to ensure compliance with all applicable laws, including laws relating to health and safety.

Under existing law, a license other than a provisional license to operate a nonexempt private elementary or secondary educational institution is effective for a term of not more than 2 years unless authorization is given in certain circumstances for a term of not more than 4 years. (NRS 394.251) Existing law requires the Superintendent of Public Instruction to cause an inspection of each licensed institution to be conducted at least every 2 years. (NRS 394.245) Section 3 of this bill eliminates the 2-year requirement for inspections and requires the Superintendent of Public Instruction to cause an inspection to be conducted upon receipt of an application for a license or renewal of a license to operate. Section 4 of this bill also specifically authorizes the Superintendent to cause an inspection of a licensed institution to be conducted upon receipt of a verified complaint against the institution.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 394.170 is hereby amended to read as follows:

394.170 1. The authorities in charge of every private school within this State shall provide drills for the pupils in the schools at least ~~[twice]~~ ***once*** in each month during the school year to instruct those pupils in the appropriate procedures to be followed in the event of a fire or other emergency, except a crisis governed by NRS 394.168 to 394.1699, inclusive. Not more than

~~[three]~~ ***two*** of those drills may include instruction in the appropriate procedures to be followed in the event of a chemical explosion, related emergencies and other natural disasters.

2. In all cities or towns which have regularly organized, paid fire departments or voluntary fire departments, the drills required by subsection 1 must be conducted under the supervision of the chief of the fire department of the city or town.

3. The State Fire Marshal shall prescribe general regulations governing the drills required by subsection 1 and shall, with the cooperation of the Superintendent of Public Instruction, arrange for the supervision of drills in schools where the drills are not supervised pursuant to subsection 2.

4. A copy of this section must be kept posted in every classroom of every private school by the principal or teacher in charge thereof.

5. The principal, teacher or other person in charge of each school building shall cause the provisions of this section to be enforced.

6. Any violation of the provisions of this section is a misdemeanor.

Sec. 2. NRS 394.211 is hereby amended to read as follows:

394.211 1. The following persons and educational institutions are exempt from the provisions of the Private Elementary and Secondary Education Authorization Act:

(a) Institutions exclusively offering instruction at any level of postsecondary education.

(b) Institutions maintained by ~~[the]~~ ***this*** State ***, another state or the District of Columbia*** or any ~~[of its]~~ political subdivisions ***thereof*** and supported by public funds.

(c) Institutions exclusively offering religious or sectarian studies.

(d) Elementary and secondary educational institutions operated by churches, religious organizations and faith-based ministries.

(e) Institutions licensed by the Commission.

(f) Institutions operated by or under the direct administrative supervision of the Federal Government.

(g) Natural persons who instruct pupils in their homes or in the pupils' own homes, if this is not the only instruction those pupils receive.

(h) Fraternal or benevolent institutions offering instruction to their members or their immediate relatives, if the instruction is not operated for profit.

(i) Institutions offering instruction solely in avocational and recreational areas.

(j) Institutions or school systems in operation before July 1, 1975, as to courses of study approved by the Board pursuant to NRS 394.130, but those institutions or school systems are not exempt as to substantial changes in their nature or purpose on or after that date. The official literature of an institution or school system describing the nature and purpose of the institution or school system as of June 30, 1975, is prima facie evidence of the nature and purpose on that date for the purposes of this chapter.

2. Each person or educational institution claiming an exemption pursuant to the provisions of subsection 1 must file with the Board the exemption upon forms provided by the Department or in a letter containing the required information and signed by the person claiming the exemption or the person in charge of the educational institution claiming the exemption. The exemption expires 2 years after the last day of the calendar month in which the filing is made. The filing of a renewal of the exemption must be made not less than 60 days before the exemption expires.

3. ***Upon receipt of an exemption or a renewal of an exemption, the Superintendent shall cause an inspection of the educational institution to ensure that the institution operates in accordance with the provisions of all laws, regulations and ordinances that are applicable to the educational institution, including, without limitation, those provisions relating to the health and safety of persons on the premises of the educational institution. In carrying out the requirements of this subsection, the Superintendent may accept a certificate of inspection conducted on an educational institution, or other proof of inspection satisfactory to the Superintendent, issued by an appropriate agency or political subdivision of this State responsible for the inspection of buildings to ensure compliance with the applicable provisions of laws, regulations and ordinances.***

4. Before a child enrolls in an institution that is exempt pursuant to this section, the institution shall provide written notice to the parents or legal guardian of the child that the institution is exempt from the Private Elementary and Secondary Education Authorization Act.

Sec. 3. NRS 394.245 is hereby amended to read as follows:

394.245 The Superintendent shall cause an inspection of ~~[each]~~ ***an*** elementary or secondary educational institution to be conducted ~~[at least every 2 years]~~ ***upon receipt of an application for a license or for renewal of a license from that institution*** to ensure that the institution:

1. ~~[Is operated]~~ ***Operates*** in accordance with the provisions of all laws, regulations and ordinances relating to the health and safety of persons on the premises. ***In carrying out the requirements of this subsection, the Superintendent may accept a certificate of inspection conducted on an educational institution, or other proof of inspection satisfactory to the Superintendent, issued by an appropriate agency or political subdivision of this State responsible for the inspection of buildings to ensure compliance with the applicable provisions of laws, regulations and ordinances.***

2. ~~[Is maintaining]~~ ***Maintains*** the records required by the regulations of the Board relating to administrators, supervisors, instructors and other educational personnel.

3. Has in force the insurance coverage required by the regulations of the Board. ***The institution shall provide to the person conducting the inspection an affidavit signed by the owner or administrator of the institution affirming that the insurance coverage for the institution is current.***

Sec. 4. NRS 394.311 is hereby amended to read as follows:

394.311 1. Any person claiming damage either individually or as a representative of a class of complainants as a result of any act by an elementary or secondary educational institution or its agent, or both, which is a violation of the Private Elementary and Secondary Education Authorization Act or regulations promulgated under it, may file with the Superintendent a verified complaint against the institution, its agent or both. The complaint ~~[shall]~~ ***must*** set forth the alleged violation and contain other information as required by regulations of the Board. A complaint may also be filed by the Superintendent on his own motion or by the Attorney General.

2. The Superintendent shall investigate any verified complaint and may, ~~[at his discretion,]~~ ***as part of the investigation, cause an inspection of the elementary or secondary educational institution to be conducted. The Superintendent may*** attempt to effectuate a settlement by persuasion and conciliation. The Board may consider a complaint after 10 days' written notice by certified mail to the institution or to the agent, or both, as appropriate, giving notice of a time and place for a hearing.

3. If, after consideration of all evidence presented at a hearing, the Board finds that an elementary or secondary educational institution or its agent, or both, has engaged in any act which violates the Private Elementary and Secondary Education Authorization Act or regulations promulgated under it, the Board shall issue and the Superintendent shall serve upon the institution or agent **,** or both, an order to cease and desist from such act. The Board may also, as appropriate, based on the Superintendent's investigation or the evidence adduced at the hearing, or both, institute an action to revoke an institution's license or an agent's permit.

Sec. 5. NRS 394.331 is hereby amended to read as follows:

394.331 All fees collected pursuant to the provisions of the Private Elementary and Secondary Education Authorization Act must be deposited in the State Treasury for credit to the appropriate account of the Department of Education, and no fees so collected are subject to refund. 1. The application fee for ***the initial license of*** an elementary or secondary educational institution is $300.

2. The renewal fee for ***the license of*** an elementary or secondary educational institution is $250.

3. The application fee for a new license by reason of a change of ownership is $250.

4. The fee for an agent's permit or for renewal of the permit is $50.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 691.

AN ACT relating to elections; revising provisions relating to the powers of the chairman of an election board; providing that the Attorney General and district attorneys have concurrent jurisdiction to enforce the provisions of title 24 of NRS upon request of the Secretary of State; revising provisions relating to requesting and casting an absent ballot for an election; revising the provisions governing a person who helps another register to vote; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that if a vacancy on an election board occurs on the day of an election and there are no reserve election board officers available, the election board may appoint to the election board a registered voter who is qualified and willing to serve. (NRS 293.225) Section 1 of this bill provides that the county or city clerk is required to appoint a poll manager for each polling place. The county or city clerk or the poll manager will have the authority to appoint any person who is qualified and willing to serve to an election board in the cases of a vacancy occurring on election day or if a need for more election board officials arises. Additionally, if a polling place is the site of more than one election board, the poll manager may reassign election board officers from one election board to another.

Existing law provides that the Secretary of State is responsible for the execution and enforcement of the laws governing elections in this State. (NRS 293.124) Section 2 of this bill provides that upon request of the Secretary of State, the Attorney General and the district attorneys may investigate and prosecute violations of election laws.

Existing law authorizes a registered voter to request an absent ballot for an election. Additionally, certain registered voters are authorized to request an absent ballot for all elections conducted during the year that the request is made. (NRS 293.313) Sections 5-7 and 11-14 of this bill authorize certain registered voters to request an absent ballot for any election conducted after the request is made.

Existing law provides that it is a felony for certain persons to alter, deface or destroy a completed application to register to vote. (NRS 293.505) Section 8 of this bill revises this provision to provide that it is a felony for such persons to knowingly and willfully alter, deface or destroy or to fail to return to the county clerk a completed application to register to vote.

Section 10 of this bill provides that it is a category B felony to tamper or interfere with, or attempt to tamper or interfere with, a mechanical voting system, mechanical voting device or any computer program used to count ballots with the intent of influencing the outcome of an election.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

The registered voters appointed as election board officers for any precinct or district must not all be of the same political party. No candidate for nomination or election or his relative within the second degree of consanguinity or affinity may be appointed as an election board officer. Immediately after election board officers are appointed, if requested by the county clerk, the sheriff shall:

SECOND READING AND AMENDMENT

Senate Bill No. 115.

Bill read second time.

The following amendment was proposed by the Committee on Education:

Amendment No. 696.

AN ACT relating to education; providing that the rights of a parent of a pupil with a disability under the Individuals with Disabilities Education Act transfer to the pupil when the pupil attains the age of 18 years; providing that a parent of a pupil with a disability may request to represent the educational interests of the pupil when the pupil attains the age of 18 years; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The Individuals with Disabilities Education Act (IDEA) authorizes, but does not require, a state to transfer the rights of a parent of a pupil with a disability under the IDEA to the pupil when the pupil attains the age of

majority under state law. (20 U.S.C. § 1415(m)) The IDEA also requires that, if a state transfers the rights of a parent to the pupil, the state must provide a special rule that would allow the parent of the pupil with a disability to be appointed to represent the educational interests of the pupil under certain circumstances. (20 U.S.C. § 1415(m)(2)) If a court has appointed a guardian for a pupil with a disability, the rights that would otherwise transfer to the pupil must remain with or otherwise transfer to the guardian. The State Board of Education has adopted regulations which transfer the rights of a parent of a pupil with a disability to the pupil when the pupil attains the age of 18 years if a court has not appointed a guardian for the pupil. (NRS 388.520; NAC 388.195)

Section 2 of this bill provides that the rights of a parent of a pupil with a disability under the IDEA transfer to the pupil when the pupil attains the age of 18 years.

Section 3 of this bill authorizes the parent of a pupil with a disability to submit a concise application to the school district or the charter school in which the pupil is enrolled for the appointment of the parent to represent the educational interests of the pupil when the pupil attains the age of 18 years.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 388 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 and 3 of this act.

Sec. 2. ***1. Except as otherwise provided in this section and section 3 of this act, any right accorded to a parent of a pupil with a disability pursuant to the Individuals with Disabilities Education Act, 20 U.S.C. §§ 1400 et seq., or the regulations adopted pursuant thereto, transfers to the pupil when the pupil attains the age of 18 years.***

2. Not less than ~~[45]~~ 90 days before the date on which a pupil with a disability attains the age of 18 years, the school district or charter school in which the pupil is enrolled shall provide notice to the:

(b) Pupil concerning the transfer of rights to the pupil.

3. If a pupil with a disability attains the age of 18 years and the pupil is enrolled in a program of special education pursuant to NRS 388.440 to 388.5315, inclusive, and sections 2 and 3 of this act, the school district or charter school in which the pupil is enrolled shall provide any notice required pursuant to the Individuals with Disabilities Education Act, 20 U.S.C. §§ 1400 et seq., and the regulations adopted pursuant thereto, or NRS 388.440 to 388.5315, inclusive, and sections 2 and 3 of this act, and the regulations adopted pursuant thereto, to the:

(a) Parent; and

(b) Pupil with a disability,

➥ ***regardless of whether the parent is appointed to represent the educational interests of the pupil pursuant to section 3 of this act or the rights transfer to the pupil pursuant to subsection 1.***

4. Sec. 3. ***1. ~~[If a]~~ A parent of a pupil with a disability may, at least 90 days before the pupil attains 18 years of age, submit an application to the school district or the charter school in which the pupil is enrolled to appoint the parent to represent the educational interests of the pupil if:***

(a) Must not be unduly burdensome on the parent to fill out; and

(b) Must not require the pupil to sign the application or otherwise require the pupil to grant permission for the parent to represent the pupil's educational interests.

3. If the school district or charter school grants an application, the parent shall continue to represent the educational interests of the pupil until:

(a) The pupil receives a standard high school diploma or an adjusted diploma;

Existing law provides for the imposition of taxes on the rental of transient lodging. (NRS 244.3351, 244.3352) Section 5 of this bill provides for the imposition of such a tax in a county whose population is 100,000 or more but less than 400,000 (currently Washoe County) at the rate of one and five-eighths percent of the gross receipts from such rentals, upon the request of the board of trustees of the county school district, for deposit in the county school district's fund for capital projects, and requires the use of at least 80 percent of the proceeds of the tax for enlarging, remodeling or repairing existing buildings or grounds for schools.

The provisions of this bill that provide for the imposition of additional taxes will become effective on January 1, 2009, only if the voters of the affected counties approve of the imposition of those taxes at the 2008 General Election.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 375 of NRS is hereby amended by adding thereto a new section to read as follows:

1. The board of trustees of a county school district in a county whose population is 100,000 or more but less than 400,000 may adopt and transmit to the board of county commissioners of that county a resolution requesting the board of county commissioners to impose a tax, in addition to all other taxes imposed on transfers of real property other than another tax imposed in the county pursuant to this section, at the rate of 60 cents for each $500 of value or fraction thereof, on each deed by which any lands, tenements or other realty is granted, assigned, transferred or otherwise conveyed to, or vested in, another person, if the consideration or value of the interest or property conveyed exceeds $100. Upon the receipt of a resolution adopted pursuant to this subsection, the board of county commissioners shall impose the requested tax.

2. The amount of any tax imposed pursuant to this section must be computed on the basis of the value of the transferred real property as declared pursuant to NRS 375.060.

3. The county recorder shall collect any tax imposed pursuant to this section in the manner provided in NRS 375.030, except that he shall transmit all the proceeds of the tax imposed pursuant to this section and any applicable penalties and interest thereon to the county treasurer for deposit in the county school district's fund for capital projects established pursuant to NRS 387.328, to be held and expended in the same manner as

other money deposited in that fund, except that not less than 80 percent of those proceeds must be used for the purposes described in paragraph (b) of subsection 1 of NRS 387.335.

4. The proceeds of any tax imposed pursuant to this section must not be:

(a) Considered in any negotiations between a recognized organization of employees of a school district and the school district; or

(b) Used to reduce or supplant the amount of any money which would otherwise be made available for the purposes described in subsection 1 of NRS 387.335.

Sec. 2. **NRS 375.030 is hereby amended to read as follows:**

375.030 1. If any deed evidencing a transfer of title subject to the tax imposed by NRS 375.020 and 375.023 and, if applicable, NRS 375.026 ***and section 1 of this act*** is offered for recordation, the county recorder shall compute the amount of the tax due and shall collect that amount before acceptance of the deed for recordation.

2. The buyer and seller are jointly and severally liable for the payment of the taxes imposed by NRS 375.020, 375.023 and 375.026 ***and section 1 of this act*** and any penalties and interest imposed pursuant to subsection 3. The escrow holder is not liable for the payment of the taxes imposed by NRS 375.020, 375.023 and 375.026 ***and section 1 of this act*** or any penalties or interest imposed pursuant to subsection 3.

3. If after recordation of the deed, the county recorder disallows an exemption that was claimed at the time the deed was recorded or through audit or otherwise determines that an additional amount of tax is due, the county recorder shall promptly notify the person who requested the recording of the deed and the buyer and seller of the additional amount of tax due. If the additional amount of tax is not paid within 30 days after the date the buyer and seller are notified, the county recorder shall impose a penalty of 10 percent of the additional amount due in addition to interest at the rate of 1 percent per month, or portion thereof, of the additional amount due calculated from the date of the original recordation of the deed on which the additional amount is due through the date on which the additional amount due, penalty and interest are paid to the county recorder.

4. This section does not prohibit a buyer and seller from agreeing by contract or otherwise that one party or the other will be responsible for the payment of the tax due pursuant to this chapter, but such an agreement does not affect the ability of the county recorder to collect the tax and any penalties and interest from either the buyer or the seller.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 710.

AN ACT relating to public utilities; revising provisions governing the issuance of certificates of public convenience and necessity for utilities that furnish water or provide sewage disposal services; requiring submission of plans to meet demands for water and sewage disposal services; increasing the threshold annual revenue level at which water supply or sewage disposal utilities are subject to the jurisdiction of the Public Utilities Commission of Nevada; requiring certain water supply or sewage disposal utilities to file a general rate application with the Commission according to a specified schedule; requiring water supply utilities to provide for the maintenance of certain fire hydrants; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for the regulation of utilities that furnish water and utilities that provide sewage disposal services by the Public Utilities Commission of Nevada. (Chapter 704 of NRS) Existing law exempts from regulation by the Commission utilities that have gross sales for water and

sewer services of $5,000 or less during a 12-month period. (NRS 704.030) Section 4 of this bill increases that threshold amount to $25,000 or less during a 12-month period. Existing law also requires that a water supply utility furnish water to cities, towns, villages or hamlets for the purpose of fire protection. (NRS 704.660) Section 8 of this bill requires that a water supply utility provide for the maintenance of certain fire hydrants. Section 3 of this bill requires that a water supply or sewage utility with an annual gross operating revenue of $1,000,000 or more for at least 1 year of the immediately preceding 3 years submit a plan to the Commission for satisfying the demands of its customers.

Additionally, existing law requires that some, but not all, public utilities must file general rate applications with the Commission according to a specified schedule. (NRS 704.110) Section 5 of this bill requires that water supply or sewer utilities with an annual gross operating revenue of $500,000 or more for at least 1 year of the immediately preceding 3 years file a general rate application with the Commission according to a specified schedule.

Under existing law, public utilities must obtain a certificate of public convenience and necessity from the Commission before beginning or continuing any operations or construction related to the utility. (NRS 704.330) Section 2 of this bill requires the Commission to consider the capabilities of existing water supply or sewer companies before issuing a certificate ~~[, and]~~ **to a new public utility. Section 3 of this bill** requires water supply utilities of a certain size to file a resource plan with the Commission according to a specified schedule.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 704 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 and 3 of this act.

Sec. 2. ***In determining whether to issue a certificate of public convenience and necessity to a new public utility that authorizes the construction, ownership, control or operation of any line, plant or system for the purpose of furnishing water for municipal, industrial or domestic purposes or services for the disposal of sewage, or both, the Commission shall consider whether another public utility or person is ready, willing and able to provide the services in the geographic area proposed by the applicant for the certificate.***

Sec. 3. ***1. A public utility that furnishes water for municipal, industrial or domestic purposes or services for the disposal of sewage, or both, and which had an annual gross operating revenue of $1,000,000 or more for at least 1 year during the immediately preceding 3 years shall, on or before March 1 of every third year, in the manner specified by the Commission, submit a plan to the Commission to provide sufficient water or services for the disposal of sewage to satisfy the demand made on its system by its customers.***

2. The Commission shall adopt regulations to provide for the contents of and the method and schedule for preparing, submitting, reviewing and approving the plan required pursuant to subsection 1.

3. Within 180 days after a public utility has filed a plan pursuant to subsection 1, the Commission shall issue an order accepting the plan as filed or specifying any portion of the plan it finds to be inadequate.

4. If a plan submitted pursuant to subsection 1 and accepted by the Commission pursuant to subsection 3 and any regulations adopted pursuant to subsection 2 identifies a facility for acquisition or construction, the facility shall be deemed to be a prudent investment and the public utility may recover all just and reasonable costs of planning and constructing or acquiring the facility.

5. All prudent and reasonable expenditures made by a public utility to develop a plan filed pursuant to subsection 1, including, without limitation, any environmental, engineering or other studies, must be recovered from the rates charged to the public utility's customers.

Sec. 4. NRS 704.030 is hereby amended to read as follows:

704.030 "Public utility" or "utility" does not include:

1. Persons engaged in the production and sale of natural gas, other than sales to the public, or engaged in the transmission of natural gas other than as a common carrier transmission or distribution line or system.

2. Persons engaged in the business of furnishing, for compensation, water or services for the disposal of sewage, or both, to persons within this State if:

(a) They serve 25 persons or less; and

(b) Their gross sales for water or services for the disposal of sewage, or both, amounted to ~~[$5,000]~~ ***$25,000*** or less during the immediately preceding 12 months.

3. Persons not otherwise engaged in the business of furnishing, producing or selling water or services for the disposal of sewage, or both, but who sell or furnish water or services for the disposal of sewage, or both, as an accommodation in an area where water or services for the disposal of sewage, or both, are not available from a public utility, cooperative corporations and associations or political subdivisions engaged in the business of furnishing water or services for the disposal of sewage, or both, for compensation, to persons within the political subdivision.

4. Persons who are engaged in the production and sale of energy, including electricity, to public utilities, cities, counties or other entities which are reselling the energy to the public.

5. Persons who are subject to the provisions of NRS 590.465 to 590.645, inclusive.

6. Persons who are engaged in the sale or use of special fuel as defined in NRS 366.060.

7. Persons who provide water from water storage, transmission and treatment facilities if those facilities are for the storage, transmission or treatment of water from mining operations.

Sec. 5. NRS 704.110 is hereby amended to read as follows:

704.110 Except as otherwise provided in NRS 704.075 and 704.68904 to 704.68984, inclusive, or as may otherwise be provided by the Commission pursuant to NRS 704.095 or 704.097 or pursuant to the regulations adopted by the Commission in accordance with subsection 4 of NRS 704.040:

1. If a public utility files with the Commission an application to make changes in any schedule, including, without limitation, changes that will result in a discontinuance, modification or restriction of service, the Commission shall investigate the propriety of the proposed changes to determine whether to approve or disapprove the proposed changes. If an electric utility files such an application and the application is a general rate application or an application to clear its deferred accounts, the Consumer's Advocate shall be deemed a party of record.

2. Except as otherwise provided in subsections 3 and 13, if a public utility files with the Commission an application to make changes in any schedule, the Commission shall issue a written order approving or disapproving, in whole or in part, the proposed changes:

(a) For a public utility that is a PAR carrier, not later than 180 days after the date on which the application is filed; and

(b) For all other public utilities, not later than 210 days after the date on which the application is filed.

3. If a public utility files with the Commission a general rate application, the public utility shall submit with its application a statement showing the recorded results of revenues, expenses, investments and costs of capital for its most recent 12 months for which data were available when the application was prepared. Except as otherwise provided in subsection 4, in determining whether to approve or disapprove any increased rates, the Commission shall consider evidence in support of the increased rates based upon actual recorded results of operations for the same 12 months, adjusted for increased revenues, any increased investment in facilities, increased expenses for depreciation, certain other operating expenses as approved by the Commission and changes in the costs of securities which are known and are measurable with reasonable accuracy at the time of filing and which will become effective within 6 months after the last month of those 12 months, but the public utility shall not place into effect any increased rates until the changes have been experienced and certified by the public utility to the Commission and the Commission has approved the increased rates. The Commission shall also consider evidence supporting expenses for depreciation, calculated on an annual basis, applicable to major components of the public utility's plant placed into service during the recorded test period or the period for certification as set forth in the application. Adjustments to revenues, operating expenses and costs of securities must be calculated on an

annual basis. Within 90 days after the date on which the certification required by this subsection is filed with the Commission, or within the period set forth in subsection 2, whichever time is longer, the Commission shall make such order in reference to the increased rates as is required by this chapter. ~~[An electric utility]~~ ***The following public utilities*** shall ***each*** file a general rate application pursuant to this subsection ~~[at least once every 24 months]~~ based on the following schedule:

(a) An electric utility that primarily serves less densely populated counties shall file a general rate application on or before October 3, 2005, and at least once every 24 months thereafter.

(b) An electric utility that primarily serves densely populated counties shall file a general rate application on or before November 15, 2006, and at least once every 24 months thereafter.

(c) A public utility that furnishes water for municipal, industrial or domestic purposes or services for the disposal of sewage, or both, which had an annual gross operating revenue of $500,000 or more for at least 1 year during the immediately preceding 3 years and which had not filed a general rate application with the Commission on or after July 1, 2005, shall file a general rate application on or before June 30, 2008, and at least once every 36 months thereafter unless waived by the Commission pursuant to standards adopted by regulation of the Commission.

(d) A public utility that furnishes water for municipal, industrial or domestic purposes or services for the disposal of sewage, or both, which had an annual gross operating revenue of $500,000 or more for at least 1 year during the immediately preceding 3 years and which had filed a general rate application with the Commission on or after July 1, 2005, shall file a general rate application on or before June 30, 2009, and at least once every 36 months thereafter unless waived by the Commission pursuant to standards adopted by regulation of the Commission.

➥ The Commission shall adopt regulations setting forth standards for waivers pursuant to paragraphs (c) and (d) and for including the costs incurred by the public utility in preparing and presenting the general rate application before the effective date of any change in rates.

4. In addition to submitting the statement required pursuant to subsection 3, a public utility which purchases natural gas for resale may submit with its general rate application a statement showing the effects, on an annualized basis, of all expected changes in circumstances. If such a statement is filed, it must include all increases and decreases in revenue and expenses which may occur within 210 days after the date on which its general rate application is filed with the Commission if such expected changes in circumstances are reasonably known and are measurable with reasonable accuracy. If a public utility submits such a statement, the public utility has the burden of proving that the expected changes in circumstances set forth in the statement are reasonably known and are measurable with reasonable accuracy. If the Commission determines that the public utility has met its burden of proof:

(a) The Commission shall consider the statement submitted pursuant to this subsection and evidence relevant to the statement in addition to the statement required pursuant to subsection 3 as evidence in establishing just and reasonable rates for the public utility; and

(b) The public utility is not required to file with the Commission the certification that would otherwise be required pursuant to subsection 3.

5. If a public utility files with the Commission an application to make changes in any schedule and the Commission does not issue a final written order regarding the proposed changes within the time required by this section, the proposed changes shall be deemed to be approved by the Commission.

6. If a public utility files with the Commission a general rate application, the public utility shall not file with the Commission another general rate application until all pending general rate applications filed by that public utility have been decided by the Commission unless, after application and hearing, the Commission determines that a substantial financial emergency would exist if the public utility is not permitted to file another general rate application sooner. The provisions of this subsection do not prohibit the public utility from filing with the Commission, while a general rate application is pending, an application to recover the increased cost of purchased fuel, purchased power, or natural gas purchased for resale pursuant to subsection 7 or an application to clear its deferred accounts pursuant to subsection 9, if the public utility is otherwise authorized by those provisions to file such an application.

7. A public utility may file an application to recover the increased cost of purchased fuel, purchased power, or natural gas purchased for resale once every 30 days. The provisions of this subsection do not apply to:

(a) An electric utility using deferred accounting pursuant to NRS 704.187; or

(b) A public utility which purchases natural gas for resale and which adjusts its rates on a quarterly basis between annual rate adjustment applications pursuant to subsection 8.

8. A public utility which purchases natural gas for resale must request approval from the Commission to adjust its rates on a quarterly basis between annual rate adjustment applications based on changes in the public utility's recorded costs of natural gas purchased for resale. If the Commission approves such a request:

(a) The public utility shall file written notice with the Commission before the public utility makes a quarterly rate adjustment between annual rate adjustment applications. A quarterly rate adjustment is not subject to the requirements for notice and a hearing pursuant to NRS 703.320 or the requirements for a consumer session pursuant to subsection 1 of NRS 704.069.

(b) The public utility shall provide written notice of each quarterly rate adjustment to its customers by including the written notice with a customer's

regular monthly bill. The public utility shall begin providing such written notice to its customers not later than 30 days after the date on which the public utility files its written notice with the Commission pursuant to paragraph (a). The written notice that is included with a customer's regular monthly bill:

(1) Must be printed separately on fluorescent-colored paper and must not be attached to the pages of the bill; and

(2) Must include the following:

(I) The total amount of the increase or decrease in the public utility's revenues from the rate adjustment, stated in dollars and as a percentage;

(II) The amount of the monthly increase or decrease in charges for each class of customer or class of service, stated in dollars and as a percentage;

(III) A statement that customers may send written comments or protests regarding the rate adjustment to the Commission; and

(IV) Any other information required by the Commission.

(c) The public utility shall file an annual rate adjustment application with the Commission. The annual rate adjustment application is subject to the requirements for notice and a hearing pursuant to NRS 703.320 and the requirements for a consumer session pursuant to subsection 1 of NRS 704.069.

(d) The proceeding regarding the annual rate adjustment application must include a review of each quarterly rate adjustment and a review of the transactions and recorded costs of natural gas included in each quarterly rate adjustment and the annual rate adjustment application. There is no presumption of reasonableness or prudence for any quarterly rate adjustment or for any transactions or recorded costs of natural gas included in any quarterly rate adjustment or the annual rate adjustment application, and the public utility has the burden of proving reasonableness and prudence in the proceeding.

(e) The Commission shall not allow the public utility to recover any recorded costs of natural gas which were the result of any practice or transaction that was unreasonable or was undertaken, managed or performed imprudently by the public utility, and the Commission shall order the public utility to adjust its rates if the Commission determines that any recorded costs of natural gas included in any quarterly rate adjustment or the annual rate adjustment application were not reasonable or prudent.

9. Except as otherwise provided in subsection 10 and subsection 5 of NRS 704.100, if an electric utility using deferred accounting pursuant to NRS 704.187 files an application to clear its deferred accounts and to change one or more of its rates based upon changes in the costs for purchased fuel or purchased power, the Commission, after a public hearing and by an appropriate order:

(a) Shall allow the electric utility to clear its deferred accounts by refunding any credit balance or recovering any debit balance over a period not to exceed 3 years, as determined by the Commission.

(b) Shall not allow the electric utility to recover any debit balance, or portion thereof, in an amount that would result in a rate of return during the period of recovery that exceeds the rate of return authorized by the Commission in the most recently completed rate proceeding for the electric utility.

10. Before allowing an electric utility to clear its deferred accounts pursuant to subsection 9, the Commission shall determine whether the costs for purchased fuel and purchased power that the electric utility recorded in its deferred accounts are recoverable and whether the revenues that the electric utility collected from customers in this State for purchased fuel and purchased power are properly recorded and credited in its deferred accounts. The Commission shall not allow the electric utility to recover any costs for purchased fuel and purchased power that were the result of any practice or transaction that was undertaken, managed or performed imprudently by the electric utility.

11. If an electric utility files an application to clear its deferred accounts pursuant to subsection 9 while a general rate application is pending, the electric utility shall:

(a) Submit with its application to clear its deferred accounts information relating to the cost of service and rate design; and

(b) Supplement its general rate application with the same information, if such information was not submitted with the general rate application.

12. A utility facility identified in a 3-year plan submitted pursuant to NRS 704.741 and accepted by the Commission for acquisition or construction pursuant to NRS 704.751 and the regulations adopted pursuant thereto shall be deemed to be a prudent investment. The utility may recover all just and reasonable costs of planning and constructing such a facility.

13. A PAR carrier may, in accordance with this section and NRS 704.100, file with the Commission a request to approve or change any schedule to provide volume or duration discounts to rates for telecommunication service for an offering made to all or any class of business customers. The Commission may conduct a hearing relating to the request, which must occur within 45 days after the date the request is filed with the Commission. The request and schedule shall be deemed approved if the request and schedule are not disapproved by the Commission within 60 days after the date the Commission receives the request.

14. As used in this section:

(a) "Electric utility" has the meaning ascribed to it in NRS 704.187.

(b) "Electric utility that primarily serves densely populated counties" has the meaning ascribed to it in NRS 704.187.

Section 3 of this bill requires a person who applies for a license without examination to file an application at least 45 days before the Board is scheduled to take action on the application. Section 4 of this bill specifies that an applicant for a license to practice dentistry must pass a clinical examination approved by the Board and the American Board of Dental Examiners. Sections 5 and 6 of this bill eliminate the requirement that a person who holds a temporary license and wishes to apply for a permanent license must not have been involved in any disciplinary action during the period he held the temporary license. Section 7 of this bill authorizes the **Board to adopt regulations setting forth a procedure pursuant to which the** Executive Director ~~[and any member]~~ of the Board ~~[to]~~ **may** issue subpoenas ~~[.]~~ **on behalf of the Board.** Section 8 of this bill prohibits a dentist from practicing dentistry in a manner or place that is not permitted by the provisions of chapter 631 of NRS. Senate Bill No. 277.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 689.

AN ACT relating to traffic laws; authorizing the court to order certain offenders who plead guilty or nolo contendere to a third offense of driving under the influence of intoxicating liquor or a controlled substance to a program for the treatment of alcoholism or drug abuse; revising certain penalties for driving under the influence of intoxicating liquor or a controlled substance; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law allows an offender who is found guilty of a first or second violation of driving under the influence of intoxicating liquor or a controlled substance to apply to the court to attend a certified program of treatment for alcoholism or drug abuse. (NRS 484.3792, 484.37937, 484.3794) Upon successful completion of the program, the court will reduce the sentence of the offender. (NRS 484.37937, 484.3794) However, no treatment option or reduced sentence is authorized for a third offense, which is a felony offense. (NRS 484.3792) This bill authorizes the court to order an offender who enters a plea of guilty or nolo contendere to a third-offense violation of driving under the influence of intoxicating liquor or a controlled substance to a program of treatment for a minimum of 3 years and to suspend ~~[the offender's sentence]~~ **further proceedings** until the program of treatment is completed. If the offender successfully completes the program of treatment, his conviction will be reduced to a second-offense violation of driving under the influence of intoxicating liquor or a controlled substance, which is a misdemeanor. ~~[Thus, for the purposes of employment, civil rights, licensing or any other public or private purpose, the conviction would be reflected as a misdemeanor.]~~ However, ~~[the conviction would stand as a prior felony conviction]~~ for the purpose of any additional penalties that may be imposed for subsequent offenses for driving under the influence of intoxicating liquor or a controlled substance ~~[.]~~ **, the offense will count as a third offense.**

An offense which is listed in paragraphs (a) to (d), inclusive, of subsection 2 that occurred on any date preceding the date of the principal offense or after the principal offense constitutes a prior offense for the purposes of this section when evidenced by a conviction, without regard for the sequence of the offenses and convictions. The facts concerning a prior offense must be alleged in the complaint, indictment or information, must not be read to the jury or proved at trial but must be proved at the time of sentencing and, if the principal offense is alleged to be a felony, must also be shown at the preliminary examination or presented to the grand jury.

4. A person convicted of violating the provisions of NRS 484.379 must not be released on probation, and a sentence imposed for violating those provisions must not be suspended except, as provided in NRS 4.373, 5.055, 484.37937 and 484.3794, ***and section 1 of this act,*** that portion of the sentence imposed that exceeds the mandatory minimum. A prosecuting attorney shall not dismiss a charge of violating the provisions of NRS 484.379 in exchange for a plea of guilty or nolo contendere to a lesser charge or for any other reason unless he knows or it is obvious that the charge is not supported by probable cause or cannot be proved at the time of trial.

5. A term of confinement imposed pursuant to the provisions of this section may be served intermittently at the discretion of the judge or justice of the peace, except that a person who is convicted of a second or subsequent offense within 7 years must be confined for at least one segment of not less than 48 consecutive hours. This discretion must be exercised after considering all the circumstances surrounding the offense, and the family and employment of the offender, but any sentence of 30 days or less must be served within 6 months after the date of conviction or, if the offender was sentenced pursuant to NRS 484.37937 or 484.3794 ~~*[, or section 1 of this act,]*~~ and the suspension of his sentence was revoked, within 6 months after the date of revocation. Any time for which the offender is confined must consist of not less than 24 consecutive hours.

6. Jail sentences simultaneously imposed pursuant to this section and NRS 482.456, 483.560 or 485.330 must run consecutively.

7. If the person who violated the provisions of NRS 484.379 possesses a driver's license issued by a state other than the State of Nevada and does not reside in the State of Nevada, in carrying out the provisions of subparagraph (1) of paragraph (a) of subsection 1, the court shall:

(b) Order him to complete an educational course by correspondence on the abuse of alcohol and controlled substances approved by the Department within the time specified in the order,

➥ and the court shall notify the Department if the person fails to complete the assigned course within the specified time.

8. If the defendant was transporting a person who is less than 15 years of age in the motor vehicle at the time of the violation, the court shall consider that fact as an aggravating factor in determining the sentence of the defendant.

9. For the purpose of determining whether one offense occurs within 7 years of another offense, any period of time between the two offenses during which, for any such offense, the offender is imprisoned, serving a term of residential confinement, confined in a treatment facility, on parole or on probation must be excluded.

10. As used in this section, unless the context otherwise requires:

(a) "Concentration of alcohol of 0.18 or more in his blood or breath" means 0.18 gram or more of alcohol per 100 milliliters of the blood of a person or per 210 liters of his breath.

(b) "Offense" means:

Legislative Counsel's Digest:

Section 1 of this bill amends the definition of "approximate location of a subsurface installation" to mean a strip of land not more than 24 inches on either side of the exterior surface of a subsurface installation, instead of 30 inches as defined by existing law. Existing law authorizes certain persons to file a complaint to enjoin certain activities or practices of an operator or a person who is about to conduct an excavation or demolition and authorizes the court to issue a temporary restraining order under certain circumstances. (NRS 455.160) Section 4 of this bill adds the Regulatory Operations Staff of the Public Utilities Commission of Nevada, the Attorney General, an operator or a person conducting an excavation or demolition to the list of persons authorized to file a complaint. ~~[Section 4 also removes the authorization of a court to issue a temporary restraining order.]~~

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 715.

AN ACT relating to education; requiring the boards of trustees of school districts to prescribe a policy for the development of 4-year academic plans for pupils enrolled in high school; requiring the principals of certain larger high schools to provide for a program of a ninth grade school within a school; requiring the State Board of Education to prescribe a uniform grading scale for high schools; requiring each school district to adopt a policy setting forth the duties of school counselors; expanding the age for compulsory school attendance from 17 years to 18 years; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes the system of public instruction for this State and defines the different kinds of public schools in this State. (Chapter 388 of NRS) A high school is a public school in which subjects above the eighth grade are taught. (NRS 388.020)

Section 2 of this bill requires the board of trustees of each school district to adopt a policy for each public school of the school district in which ninth grade pupils are enrolled, to develop a 4-year academic plan for each of those pupils. The academic plan must be developed in consultation with the pupil, the pupil's parent or legal guardian and a school counselor. The plan must include the specific educational goals that the pupil intends to complete before graduation from high school. If the pupil does not satisfy all the goals contained in the plan, the pupil is still eligible for a diploma if he otherwise satisfies the requirements for receipt of a diploma.

Section 3 of this bill requires the board of trustees of each school district that includes at least one high school in which 1,200 pupils or more are enrolled, including ninth grade pupils, to adopt a policy for each of those high schools to provide a program of a ninth grade school within a school.

The principal of each such high school must carry out the program. The program consists of the designation of a separate geographic location within the high school in which ninth grade pupils attend classes ~~[,]~~ **where practicable,** the identification of any special needs for counseling or remediation for a ninth grade pupil and the assignment of certain personnel at the high school specifically for the ninth grade pupils.

Section 4 of this bill requires the State Board of Education to prescribe a uniform grading policy for all public high schools. The board of trustees of each school district and the governing body of each charter school that operates as a high school shall comply with the policy.

Section 5 of this bill requires the board of trustees of each school district to adopt a policy that sets forth the duties, roles and responsibilities of school counselors. The policy must be designed to ensure that school counselors are allotted sufficient time in each school year to carry out school counseling and to limit the amount of time school counselors are required to assist with the administration and coordination of tests.

Existing law establishes the ages for compulsory public school attendance at 7 to 17 years of age. (NRS 392.040) Section 6 of this bill expands the age to 18 years unless the child has graduated from high school.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 388 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 and 3 of this act.

Sec. 2. ***1. The board of trustees of each school district shall adopt a policy for each public school in the school district in which ninth grade pupils are enrolled to develop a 4-year academic plan for each of those pupils. The academic plan must set forth the specific educational goals that the pupil intends to achieve before graduation from high school. The plan may include, without limitation, the designation of a career pathway and enrollment in dual credit courses, career and technical education courses, advanced placement courses and honors courses.***

2. The policy must require each pupil enrolled in ninth grade and the pupil's parent or legal guardian to:

(a) Work in consultation with a school counselor to develop an academic plan for the pupil;

(b) Sign the academic plan; and

(c) Review the academic plan at least once each school year in consultation with a school counselor and revise the plan if necessary.

3. If a pupil enrolls in a high school after ninth grade, an academic plan must be developed for that pupil with appropriate modifications for the grade level of the pupil.

4. An academic plan for a pupil must be used as a guide for the pupil and the parent or legal guardian of the pupil to plan, monitor and manage the pupil's educational and occupational development and make

determinations of the appropriate courses of study for the pupil. If a pupil does not satisfy all the goals set forth in the academic plan, the pupil is eligible to graduate and receive a high school diploma if he otherwise satisfies the requirements for a diploma.

Sec. 3. ***1. The board of trustees of each school district which includes at least one high school with an enrollment of 1,200 pupils or more, including pupils enrolled in ninth grade, shall adopt a policy for each of those high schools to provide a program of a ninth grade school within a school. The policy must require:***

(a) ~~[The]~~ Where practicable, the designation of a separate area geographically within the high school where the pupils enrolled in ninth grade attend classes;

(b) The collection and maintenance of information relating to pupils enrolled in ninth grade, including, without limitation, credits earned, attendance, truancy and indicators that a pupil may be at risk of dropping out of high school;

(c) Based upon the information collected pursuant to paragraph (b), the timely identification of any special needs of a pupil enrolled in ninth grade, including, without limitation, any need for programs of remedial study for a particular subject area and appropriate counseling;

(d) Methods to increase the involvement of parents and legal guardians of pupils enrolled in ninth grade in the education of their children; and

2. The board of trustees of each school district and the governing body of each charter school that operates as a high school shall comply with the uniform grading scale.

Sec. 5. Chapter 391 of NRS is hereby amended by adding thereto a new section to read as follows:

The board of trustees of each school district shall adopt a policy that sets forth the duties, roles and responsibilities of persons who are licensed pursuant to chapter 391 of NRS and employed as school counselors. The policy must:

1. Be designed to ensure that school counselors are allotted sufficient time in each school year to carry out the duties relating to counseling, including, without limitation, assisting pupils with academic planning; and

2. Limit the amount of time that school counselors are required to assist with test administration and test coordination at a public school.

Sec. 6. NRS 392.040 is hereby amended to read as follows:

5. Whenever a child who is 6 years of age is enrolled in a public school, each parent, custodial parent, guardian or other person in the State of Nevada having control or charge of the child shall send him to the public school during all the time the school is in session. If the board of trustees of a school district has adopted a policy prescribing a minimum number of days of

attendance for pupils enrolled in kindergarten or first grade pursuant to NRS 392.122, the school district shall provide to each parent and legal guardian of a pupil who elects to enroll his child in kindergarten or first grade a written document containing a copy of that policy and a copy of the policy of the school district concerning the withdrawal of pupils from kindergarten or first grade. Assemblyman Anderson requested that the following remarks be entered in the Journal.

ASSEMBLYMAN ANDERSON:

I would like to thank the Chair of Taxation and the body for allowing me to utilize this bill as a means to solving a particular problem in Washoe County. If approved by the voters, this will give Washoe County the opportunity for a similar set of programs that we have allowed in Clark County. In Washoe County, almost 75 percent of our building stock is greater than 30 years old. Eighty percent of the dollars here are going to be dedicated to the existing facilities to try to bring them up to speed. It is hard for me to imagine this, but 40 percent of the stock being used in Washoe County is the same stock that was there when I was in high school. Clearly, there is a

great need in Washoe County. I think it is a good piece of legislation and would urge the body to accept it.

ASSEMBLYWOMAN GANSERT:

I rise in support of education, and I commend the efforts of the Assemblyman from Sparks. However, I will be opposing Senate Bill 154. Senate Bill 154 utilizes the same vehicles as Clark County for Washoe County. The problem is that Washoe County is not Clark County. As Clark County's rooms have risen to almost 150,000, Washoe County's have declined to under 25,000. Clark County's room tax rate is 9 percent, including the 5/8 percent for school construction. Washoe County's rates in downtown Reno and Sparks are 13 1/2 percent before we add anything for school construction and renovation. Reno is a very price-sensitive market. We can win or lose a convention based on rates, and with these increased amounts we may end up losing some conventions. I think we need to be sensitive to those prices. I pledge that I will work with members of this Assembly and Senate to solve this problem because I recognize that it is a significant issue. Again, I oppose this bill.

ASSEMBLYWOMAN LESLIE:

I rise in support of the second reprint of Senate Bill 154. This body will remember that last session we gave our citizens a much-needed reduction in their property taxes. When we did that, unfortunately we caused a great shortfall in our school system, especially in Washoe County. My colleague from Reno says that Washoe County is different from Clark County. That is true, but our children deserve the same education as the children in Clark County. I believe we should give our school district the same resources that the Clark County School District has. This bill is about equity in school funding. Madam Speaker, I would like to read a line from an email that I received today from a teacher in our school district. She is a teacher of the hearing impaired who I have worked with and is probably one of the most dynamic, exciting teachers I have ever had the pleasure to know. Her email is titled "My classroom was a toilet." It sums up, exactly, my feelings about why this bill is so important. She says, "As a special education teacher, I have worked in a remodeled walk-in refrigerator at Mami Towles Elementary School, a janitor's closet at Roger Corbett Elementary School, and in a bathroom for two years at Clayton Middle School in Reno, all for lack of space." I think our teachers and students deserve better. I urge passage of Senate Bill 154.

ASSEMBLYMAN SETTELMEYER:

Thank you, Madam Speaker. I rise in support of education. I am concerned, however, that this bill will only put forward one-third of the funding necessary for the problem which is occurring in Washoe County. This could place education in a situation where they are continually coming back to the Legislature or the people through the ballot box to seek better funds. I feel we need to find a solution that can fund the entire problem.

ASSEMBLYMAN MARVEL:

Thank you, Madam Speaker. I would oppose the bill if it were not for the fact that it goes to a vote of the people. I think that is the crux of the bill. Thank you.

ASSEMBLYWOMAN SMITH:

Thank you, Madam Speaker. I rise in support of S.B. 154. I chaired the adequacy study in the interim which looked at education funding issues. One of the items we were charged with studying was school construction. While it was not a formal part of the adequacy study, we did spend an entire meeting one day speaking about school construction issues. It was very apparent what a disadvantage the Washoe County School District is at when it comes to school construction funding. It made a great impact when looking at the differences between the amounts of money which can be raised by the two big districts. The Washoe County School District has dire needs. We need to do something for the buildings which our children attend school in.

I served on the blue ribbon panel which studied this issue. That was several months before the legislative session started. I felt fully convinced then that the need is there. There is no doubt in my mind that we have old buildings in all of our districts which need repair. We have windows you cannot see through. We have carpet which needs to be repaired. We have heaters and air

conditioners which do not work properly. We have restrooms which do not work properly. It is time for us to do something about it.

We do not have much time left in this session. I know it feels like an eternity when these last few weeks are so packed with things to do. We are running out of time. I implore you to step up the plate and do what we need to do for the teachers and students—our kids, who we are responsible for in the Washoe County School District. We need to ensure that they have the same opportunities as other students in this state. They have the right to go to school in a building that has the right facilities. Thank you, Madam Speaker.

ASSEMBLYMAN CARPENTER:

Thank you, Madam Speaker. I believe with this going to a vote of the people that it should be approved. I am so glad I am from Elko. In Elko, we have pay as you go. Although it is a high rate of taxation at 75 cents on the dollar, we do not have these kinds of problems. When we build a school, it is paid for. We do not have to pay all the money for interest. The reason we were able to get a special deal through the Legislature to have a lower pupil ratio was because we had the money to build the classrooms. I know we have to have good schools for our kids. I have worked all my life to make sure our kids had a good place to go to school. I am so thankful to be from Elko where we have pay as you go. The people love it. I hope some other districts would please look at that because it is a very viable option. Thank you.

ASSEMBLYMAN BOBZIEN:

Thank you, Madam Speaker. I rise in support of the legislation. As was mentioned previously, this Legislature, last session, was responsive to the citizens' needs, desires, and requests that we do something about the rising property values and assessments they were facing. We did that with the property tax bills. Today, we have this issue which we need to deal with. I think that today is a chance for all of us to stand up and do the right thing and support education. Is this a complete solution? Probably not, but if we were always only looking for complete solutions, we would not get much done around here. I urge your support.

CONSIDERATION OF SENATE AMENDMENTS

Assembly Bill No. 299.

The following Senate amendment was read:

Amendment No. 664.

AN ACT relating to youth shelters; revising the definition of "runaway and homeless youth" for consistency with the federal definition for purposes of provisions which authorize counties to designate approved youth shelters; **revising the requirements for designation of a youth shelter as an approved youth shelter**; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that an approved youth shelter and its director, employees, agents or volunteers are immune from civil liability for certain actions taken while admitting, releasing or caring for a runaway or homeless youth. (NRS 244.429) Section 1 of this bill revises the definition of "runaway and homeless youth" as used in the sections addressing approved youth shelters for consistency with the definition set forth in the McKinney-Vento Homeless Assistance Act, 42 U.S.C. § 11434a(2). (NRS 244.424) Section 2 of this bill requires approved youth shelters to **make a reasonable, bona fide** attempt to notify the parent, guardian or custodian as to the whereabouts of a runaway or homeless youth as soon as practicable, except in cases of suspected abuse or neglect, rather than requiring actual notice.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 244.424 is hereby amended to read as follows:

244.424 "Runaway or homeless youth" means a youth who ***:*** ~~[is:]~~

Sec. 2. NRS 244.428 is hereby amended to read as follows:

244.428 1. The board of county commissioners of any county may provide by ordinance for the designation of a youth shelter operated within the county as an approved youth shelter.

(3) An application fee in an amount not to exceed the actual cost to the county for reviewing the application; and

(c) Provide for the revocation of a designation as an approved youth shelter for failure to comply with the provisions of an ordinance adopted to carry out the provisions of this section.

(d) Require an approved youth shelter to conduct an interview to determine whether a youth is a runaway or homeless youth and is qualified to receive the necessary services of the approved youth shelter.

(e) Upon admission of a runaway or homeless youth to a shelter, require:

(f) Require an approved youth shelter to return or facilitate the return of a runaway or homeless youth to the parent, guardian or custodian who was notified of the whereabouts of the runaway or homeless youth pursuant to subparagraph (1) of paragraph (e) if the parent, guardian or custodian so requests.

(g) Provide for the liability of a parent, guardian or custodian of a runaway or homeless youth for any expenses or costs incurred by the approved youth shelter for providing services to the runaway or homeless youth only if the services of the shelter were obtained through fraud or misrepresentation.

(h) Require the information or records obtained by an approved youth shelter to remain confidential, unless the use or disclosure of the information or records is necessary to:

Existing law establishes the requirements and procedures regarding the issuance, renewal, reinstatement and reevaluation of the terms of policies and certificates of insurance and annuity contracts. (Title 57 of NRS) This bill provides that if an insurer requires a medical examination of a policyholder or prospective policyholder before the insurer will issue, renew, reinstate or reevaluate the terms of a contract of insurance or annuity contract and a potentially serious medical condition is detected as a result of that medical examination, the insurer must notify the policyholder or prospective policyholder ~~[, or]~~ **and, if he has one,** his primary care physician ~~[,]~~ of that potentially serious medical condition within 30 days after the date on which the potentially serious medical condition is detected. **This bill also provides that if the policyholder or prospective policyholder is a minor, the required notice must not be sent to the minor, but instead must be sent to his parent or legal guardian.**

Section 1. Chapter 687B of NRS is hereby amended by adding thereto a new section to read as follows:

Assembly Bill No. 2.

The following Senate amendment was read:

Amendment No. 679.

AN ACT relating to automotive repairs; requiring a garage or body shop to repair a motor vehicle in accordance with the specifications of the manufacturer of the motor vehicle and the written estimate or statement of the cost of repairs most recently agreed upon by the garage or body shop and the person authorizing the repairs; requiring a body shop to comply with certain other requirements relating to the repair of a motor vehicle; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, a garage is required to display a sign in a conspicuous area of the garage setting forth the rights of the customer, including, without limitation, the right to receive a written estimate of charges and to inspect all replaced parts. (NRS 597.490) In addition, garages that perform repairs of $50 or more on motor vehicles are required by existing law to provide the person authorizing the repairs with a written estimate of the total cost to

repair the motor vehicle. (NRS 597.510) If additional charges are required to perform the repairs, the garage is required to obtain the consent of the person authorizing the repairs before it may perform the repairs for the additional charges. (NRS 597.520, 597.540) A person authorizing repairs of a motor vehicle may waive the requirement for a written estimate or approval of additional charges. (NRS 597.530)

Section 1 of this bill requires garages and body shops to perform repairs to a motor vehicle in accordance with the specifications of the manufacturer of the motor vehicle, if any, and the written estimate or statement of the cost of the repairs that is most recently agreed upon by the body shop or garage and the person authorizing the repairs.

Sections 2-10 of this bill make existing provisions of law that are applicable to garages and garagemen also apply to body shops. Those provisions include, without limitation, the requirement to post a sign in a conspicuous area of the body shop setting forth the rights of customers of the body shop.

Sections 11 and 12 of this bill authorize injunctive relief and civil penalties for a violation of the provisions of **section 1** of this bill. **Section 16** of this bill authorizes the Department of Motor Vehicles to refuse to issue a license or to suspend, revoke or refuse to renew the license of a body shop for willful failure to comply with the provisions of **section 1** of this bill.

Sec. 2. ***A person engages in a "deceptive trade practice" if, in the course of his business or occupation, he is required to be registered with the Division pursuant to any provision of this chapter or NRS 599B.080 and he fails to be registered with the Division.***

Sec. 3. ***"Division" means the Consumer Affairs Division of the Department of Business and Industry.***

Sec. 4. ***1. In addition to any other remedy or penalty, if a person engages in a deceptive trade practice, as defined in section 2 of this act, the Commissioner may impose a fine of:***

(a) For the first violation, $100;

(b) For the second violation, $250; and

(c) For each subsequent violation, $500.

2. All money collected from fines imposed pursuant to this section must be deposited in the State General Fund.

Sec. 4.5. The Legislature finds and declares that:

1. Protecting the public from the economic practice commonly known as "price gouging" is a vital function of state government in providing for the public health, safety and welfare;

2. The pricing of consumer goods and services is generally best left to the marketplace in ordinary conditions, but when a state of emergency results in abnormal disruptions of the market, the public interest requires that excessive and unjustified increases in the prices of consumer goods and services be prohibited;

3. It is the intent of the Legislature in enacting section 4.7 of this act to protect consumers from excessive and unjustified increases in the prices charged within 24 hours before or at any time during a state of emergency for consumer goods and services that are vital to the public health, safety or welfare; and

4. As the provisions of this chapter are necessary to protect the public welfare, it is also the intent of the Legislature that the provisions of this chapter be liberally construed to effectuate its purposes.

Sec. 4.7. 1. Except as otherwise provided in subsection 2, a person engages in a "deceptive trade practice" if he rents, leases or sells or offers to rent, lease or sell a consumer good or service for an unconscionable price within 24 hours before or at any time during a state of emergency.

2. A person does not engage in a "deceptive trade practice" pursuant to subsection 1 if he rents, leases or sells or offers to rent, lease or sell a consumer good or service for a price that is approved by an appropriate government or governmental entity.

3. For the purposes of this section and except as otherwise provided in subsection 4, it is prima facie evidence that a price for a consumer good or service is an unconscionable price if the price exceeds, by an amount equal to or greater than 25 percent:

(a) The average price at which the consumer good or service was rented, leased or sold or offered for rent, lease or sale in the usual course of business during the 30 days immediately preceding the state of emergency; or

(b) The average price at which the consumer good or service was rented, leased or sold or offered for rent, lease or sale in the usual course of business in the immediately preceding calendar year during the same period to which the state of emergency applies.

4. For the purposes of this section, it is prima facie evidence that a price for a consumer good or service is not an unconscionable price if the net profit margin for the consumer good or service does not exceed, by an amount equal to or greater than 25 percent:

(a) The net profit margin for the consumer good or service during the 30 days immediately preceding the state of emergency; or

(b) The net profit margin for the consumer good or service in the immediately preceding calendar year during the same period to which the state of emergency applies.

5. The provisions of this section do not preempt the authority of a local government to adopt an ordinance relating to the price of a consumer good or service during a state of emergency.

6. As used in this section:

(a) "Consumer good or service" means a good or service used, purchased or rendered primarily for personal, family or household purposes that is vital to the public health, safety or welfare. The term includes, without limitation, food for human consumption, food for domestic animals, clothing, shoes, ice, water, gas, electricity, heat, fuel of all kinds and building materials.

(b) "State of emergency" means the period:

(1) Beginning when the Governor or the Legislature proclaims a state of emergency or declaration of disaster pursuant to NRS 414.070 or the President of the United States declares a state of emergency in this State or any other state; and

(2) Ending when the Governor or the Legislature terminates the proclamation of a state of emergency or declaration of disaster or the President of the United States terminates the declaration of a state of emergency.

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 699.

AN ACT relating to emergency medical services; requiring the State Board of Health to develop a system of collecting data relating to waiting times at hospitals; requiring hospitals and providers of emergency medical services in certain counties to participate in the collection of data; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that hospitals and providers of emergency medical services are required to transfer a person who arrives at the hospital by an ambulance, air ambulance or vehicle of a fire-fighting agency to an appropriate place in the hospital to receive emergency services and care within 30 minutes after the time at which the person arrives at the hospital. Existing law also requires the Health Division of the Department of Health and Human Services to adopt regulations concerning the manner in which hospitals and providers of emergency medical care shall track the time elapsed from when a person arrives at the hospital to the time the person is transferred to an appropriate place to receive care. (NRS 450B.790) Senate Bill No. 458 of the 2005 Legislative Session enacted the statutory requirement for tracking wait times and also required the Health Division to conduct a study to identify both the causes of excessive waiting times and any corrective actions that might eliminate excessive waiting times. The provisions requiring the study expired by limitation on December 31, 2006. (Chapter 382, Statutes of Nevada 2005, pp. 1475-77)

Section 1 of this bill requires the State Board of Health to develop a system of collecting data concerning the waiting times. Section 1 also requires hospitals and providers of emergency medical services in each county whose population is 400,000 or more to collect certain data relating to waiting times. In counties whose population is 100,000 or more but less than 400,000, the Board may require the collection of data if there are excessive waiting times at one or more hospitals in the county. Section 2 of this bill eliminates the requirement that the Health Division adopt regulations relating to the tracking of waiting times.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 450B of NRS is hereby amended by adding thereto a new section to read as follows:

1. The State Board of Health shall collect data, in accordance with the system that is developed by the Board pursuant to subsection 5, concerning the waiting times for the provision of emergency services and care to each person who is in need of such services and care and who is transported to a hospital by a provider of emergency medical services.

2. Each hospital and each provider of emergency medical services in a county whose population is 400,000 or more shall participate in the collection of data pursuant to this section by collecting data, in accordance with the system that is developed by the State Board of Health pursuant to subsection 5, concerning the waiting times for the provision of emergency services and care to each person who is in need of such services and care and who is transported to a hospital by a provider of emergency medical services.

3. Except as otherwise provided in subsection 4, the hospitals and the providers of emergency medical services in a county whose population is less than 400,000 are not required to participate in the collection of data pursuant to this section unless the county health officer, each hospital and each provider of emergency medical services in the county agree in writing that the county will participate in the collection of data. The county health officer shall submit the written agreement to the State Board of Health.

4. If the State Board of Health determines, in a county whose population is 100,000 or more but less than 400,000, that there are excessive waiting times at one or more hospitals in the county for the provision of emergency services and care to persons who are in need of such services and care and who have been transported to the hospital by a provider of emergency medical services, the State Board of Health may require the county to implement a system of collecting data pursuant to subsection 5 concerning the extent of waiting times and the circumstances surrounding such waiting times.

5. For the purpose of collecting data pursuant to this section, the State Board of Health shall develop a system of collecting data concerning the waiting times of persons for the provision of emergency services and care at a hospital and the surrounding circumstances for such waiting times each time a person is transported to a hospital by a provider of emergency medical services. The system must include, without limitation, an electronic method of recording and collecting the following information:

(b) The time at which the person is transferred to an appropriate place in the hospital to receive emergency services and care, which is the time that the person is physically present in the appropriate place and the staff of the emergency room of the hospital have received a report concerning the transfer of the person;

(c) If a person is not transferred to an appropriate place in the hospital to receive emergency services and care within 30 minutes after arriving at

the hospital, information detailing the reason for such delay, which may be selected from a predetermined list of possible reasons that are available for selection in the electronic system;

(d) A unique identifier that is assigned to each transfer of a person to a hospital by a provider of emergency medical services which allows the transfer to be identified and reviewed; and

(e) The names of the personnel of the provider of emergency medical services who transported the person to the hospital and of the personnel of the hospital who are responsible for the care of the person after the person arrives at the hospital.

6. The State Board of Health shall ensure that:

(a) The data collected pursuant to subsection 5 is reported to the Health Division on a quarterly basis;

(b) The data collected pursuant to subsection 5 is available to any person or entity participating in the collection of data pursuant to this section; and

(c) The system of collecting data developed pursuant to subsection 5 and all other aspects of the collection comply with the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191.

7. The State Board of Health shall appoint for each county in which hospitals and providers of emergency medical services are participating in the collection of data pursuant to this section an advisory committee consisting of the health officer of the county, a representative of each hospital in the county and a representative of each provider of emergency medical services in the county. Each member of the advisory committee serves without compensation and is not entitled to receive a per diem allowance or travel expenses for his service on the advisory committee. Each advisory committee shall:

(b) The county or district board of health in a county whose population is less than 400,000.

9. The State Board of Health or any county or district board of health that is performing the duties of the State Board of Health pursuant to

subsection 8 shall submit a quarterly report to the Legislative Committee on Health Care, which must include a written compilation of the data collected pursuant to this section.

10. The State Board of Health may require each hospital and provider of emergency medical services located in a county that participates in the collection of data pursuant to this section to share in the expense of purchasing hardware ~~*[and]*~~ ***, software , equipment and other resources necessary to carry out the collection of data pursuant to this section.***

11. The State Board of Health shall adopt regulations to carry out the provisions of this section, including, without limitation, regulations prescribing the duties and responsibilities of each:

(a) County or district board of health that is performing the duties of the State Board of Health pursuant to subsection 8;

(b) Hospital located in a county that participates in the collection of data pursuant to this section; and

(c) Provider of emergency medical services located in a county whose population is less than 400,000 that participates in the collection of data pursuant to this section.

13. The State Board of Health may, in consultation with each hospital and provider of emergency medical services located in a county that participates in the collection of data pursuant to this section, submit a written request to the Director of the Legislative Counsel Bureau for transmission to a regular session of the Legislature for the repeal of this section. Such a written request must include the justifications and reasons for requesting the termination of the collection of data pursuant to this section.

Section 1. Chapter 689B of NRS is hereby amended by adding thereto a new section to read as follows:

1. An insurer may offer a policy of group health insurance to a guaranteed association if the policy provides coverage for ~~[500]~~ 200 or more members, employees of members or employees of the guaranteed association or their dependents.

2. When an insurer offers coverage to a guaranteed association pursuant to subsection 1, the insurer shall offer coverage to all members, employees of members and employees of the guaranteed association and all dependents thereof without regard to the actual or expected health status of any such member or employee or dependent thereof. The Commissioner by regulation may further define or enlarge the scope of this opinion.

(b) For any subsequent 12-month period of coverage, according to a rating methodology as established by the American Academy of Actuaries or a successor organization approved by the Commissioner.

4. Except as otherwise provided in subsection 5, a member, employee of a member or employee of a guaranteed association may apply for coverage offered pursuant to subsection 1 only:

The following amendment was proposed by the Committee on Elections, Procedures, Ethics, and Constitutional Amendments:

Amendment No. 687.

AN ACT relating to elections; providing a procedure for a petition proposing a statute, an amendment to statute or an amendment to the

Constitution to be placed on a ballot; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires that an initiative petition be signed by at least 10 percent of the voters who voted at the last preceding general election in at least 75 percent of the counties in the State. (Nev. Const. Art. 19, § 2) The United States District Court for the District of Nevada declared that the above portion of Section 2 of Article 19 of the Nevada Constitution **concerning 75 percent of the counties in the State** violates the Equal Protection Clause of the United States Constitution because it applies the same formula to counties of varying population. Such application results in the signatures of voters from small, rural counties carrying more weight than the signatures of voters from larger counties. (***Committee to Regulate and Control Marijuana v. Heller***, No. CV-S-04-01035 (D. Nev. Aug. 20, 2004)) The United States Court of Appeals for the Ninth Circuit affirmed the decision of the United States District Court. (***American Civil Liberties Union of Nevada v. Lomax***, 471 F.3d 1010 (9th Cir. Nev. 2006))

Section 8 of this bill requires a petition for initiative that proposes a statute, an amendment to statute or an amendment to the Constitution **of this State** to be signed by a number of registered voters from each county in the State determined by applying a flexible formula which is based on the percentage of population of each county in the State so that each signature carries relatively equal weight. Section 1 of this bill requires the Secretary of State to determine the number of signatures required to be gathered from each county for a petition for initiative proposing a statute, an amendment to statute or an amendment to the Constitution as soon as practicable after each statewide general election. Section 6 of this bill amends the procedure for the verification of signatures on a petition for initiative proposing a statute, an amendment to statute or an amendment to the Constitution.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 293 of NRS is hereby amended by adding thereto a new section to read as follows:

1. As soon as practicable after each general election, the Secretary of State shall determine the number of signatures required to be gathered from each county within the State for a petition for initiative that proposes a statute, an amendment to statute or an amendment to the Constitution ~~*[.]*~~ ***of this State.***

2. To determine the number of signatures required to be gathered from a county, the Secretary of State shall multiply the amount that equals ~~*[4 percent of the total population of the State or the amount that equals]*~~ ***10 percent of the voters who voted in the entire State at the last preceding general election*** ~~*[, whichever is less,]*~~ ***by the population percentage for that county.*** ~~*[If the calculation results in a fraction of a signature being required*~~

~~*for a particular county, the Secretary of State shall round up the number of signatures required for the county to the next whole number.]*~~

3. As used in this section:

(a) "Total population of the State" means the determination of the total population of the State by the national decennial census conducted by the Bureau of the Census of the United States Department of Commerce pursuant to Section 2 of Article I of the Constitution of the United States and reported by the Secretary of Commerce to the Governor pursuant to 13 U.S.C. § 141(c).

(b) "Population percentage for that county" means the figure obtained by dividing the population of the county, as determined by the national decennial census conducted by the Bureau of the Census of the United States Department of Commerce pursuant to Section 2 of Article I of the Constitution of the United States and reported by the Secretary of Commerce to the Governor pursuant to 13 U.S.C. § 141(c), by the total population of the State.

Sec. 3. (Deleted by amendment.)

Sec. 4. (Deleted by amendment.)

Sec. 5. (Deleted by amendment.)

Sec. 6. NRS 293.1279 is hereby amended to read as follows:

293.1279 1. If the statistical sampling shows that the number of valid signatures filed is 90 percent or more, but less than the sum of 100 percent of the number of signatures of registered voters needed to declare the petition sufficient plus the total number of requests to remove a name received by the county clerks pursuant to NRS 295.055 or 306.015, the Secretary of State shall order the county clerks to examine the signatures for verification. The county clerks shall examine the signatures for verification until they determine that 100 percent of the number of signatures of registered voters needed to declare the petition sufficient are valid. If the county clerks received a request to remove a name pursuant to NRS 295.055 or 306.015, the county clerks may not determine that 100 percent of the number of signatures of registered voters needed to declare the petition sufficient are valid until they have removed each name as requested pursuant to NRS 295.055 or 306.015.

2. ~~[If]~~ ***Except as otherwise provided in this subsection, if*** the statistical sampling shows that the number of valid signatures filed in any county is 90 percent or more but less than the sum of 100 percent of the number of signatures of registered voters needed to constitute 10 percent of the number of voters who voted at the last preceding general election in that county plus the total number of requests to remove a name received by the county clerk in that county pursuant to NRS 295.055 or 306.015, the Secretary of State may order the county clerk in that county to examine every signature for verification. If the county clerk received a request to remove a name pursuant to NRS 295.055 or 306.015, the county clerk may not determine that 100

percent or more of the number of signatures of registered voters needed to constitute 10 percent of the number of voters who voted at the last preceding general election in that county are valid until he has removed each name as requested pursuant to NRS 295.055 or 306.015. ***In the case of a petition for initiative that proposes a statute, an amendment to statute or an amendment to the Constitution*** ~~[.]~~ ***of this State, if the statistical sampling shows that the number of valid signatures in any county is 90 percent or more but less than the sum of 100 percent of the number of signatures of registered voters required for that county pursuant to section 8 of this act plus the total number of requests to remove a name received by the county clerk in that county pursuant to NRS 295.055, the Secretary of State may order the county clerk to examine every signature for verification.***

3. Within 12 days, excluding Saturdays, Sundays and holidays, after receipt of such an order, the county clerk shall determine from the records of registration what number of registered voters have signed the petition. If necessary, the board of county commissioners shall allow the county clerk additional assistants for examining the signatures and provide for their compensation. In determining from the records of registration what number of registered voters have signed the petition, the county clerk must use the statewide voter registration list. The county clerk may rely on the appearance of the signature and the address and date included with each signature in determining the number of registered voters that signed the petition.

4. Except as otherwise provided in subsection 5, upon completing the examination, the county clerk shall immediately attach to the documents of the petition an amended certificate, properly dated, showing the result of the examination and shall immediately forward the documents with the amended certificate to the Secretary of State. A copy of the amended certificate must be filed in the county clerk's office.

5. For any petition containing signatures which are required to be verified pursuant to the provisions of NRS 293.165, 293.200, 306.035 or 306.110 for any county, district or municipal office within one county, the county clerk shall not forward to the Secretary of State the documents containing the signatures of the registered voters.

6. Except for a petition to recall a county, district or municipal officer, the petition shall be deemed filed with the Secretary of State as of the date on which he receives certificates from the county clerks showing the petition to be signed by the requisite number of voters of the State.

7. If the amended certificates received from all county clerks by the Secretary of State establish that the petition is still insufficient, he shall immediately so notify the petitioners and the county clerks. If the petition is a petition to recall a county, district or municipal officer, the Secretary of State shall also notify the officer with whom the petition is to be filed.

Sec. 7. Chapter 295 of NRS is hereby amended by adding thereto the provisions set forth as sections 8 and 9 of this act.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 718.

AN ACT relating to controlled substances; ~~[requiring the Office of Court Administrator to apply for federal grants for drug courts;]~~ making various ~~[other]~~ changes pertaining to crimes related to the use or manufacturing of methamphetamine and other controlled substances; revising various provisions pertaining to nuisances; making various changes relating to lithium metal, sodium metal and anhydrous ammonia; enacting provisions relating to the sale or transfer of certain precursors to methamphetamine; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

This bill makes various changes pertaining to methamphetamine and other controlled substances.

Section 40 of this bill prohibits a person from: (1) selling or transferring in the course of business a product that is a precursor to methamphetamine; or (2) engaging in the business of selling at retail a product that is a precursor to methamphetamine, unless the person is a pharmacy or the holder of a permit which allows the person to sell or transfer products that are precursors to methamphetamine. A person who violates these prohibitions is guilty of a category C felony. To obtain a permit to sell or transfer products that are precursors to methamphetamine, a person must submit an application to the State Board of Pharmacy and pay a fee of $200. The Board must issue a permit to a person if the Board determines, after considering certain factors, that the person will safely and lawfully sell products that are precursors to methamphetamine.

Section 41 of this bill requires a pharmacy or the holder of a permit to: (1) comply with state and federal law concerning the sale and transfer of products that are precursors to methamphetamine; and (2) submit to the Department of Public Safety a quarterly report of the quantity of each purchase and sale or transfer of a product that is a precursor to methamphetamine. If a pharmacy or permit holder does not comply with either of these requirements, section 45 allows the State Board of Pharmacy to take certain disciplinary action against the pharmacy or permit holder.

Section 2 of this bill prohibits the possession or disposition of chemical waste or debris resulting from the manufacture of methamphetamine. Section 3 of this bill prohibits the possession of lithium metal or sodium metal under certain circumstances.

Existing law prohibits a person from possessing certain chemicals with the intent to manufacture or compound a controlled substance other than marijuana. (NRS 453.322) Section 7 of this bill adds lithium metal and sodium metal to the list of prohibited chemicals. Section 7 also prohibits a person from providing such a chemical to another person with the intent that it be used in the manufacturing or compounding of a controlled substance other than marijuana.

~~[Existing law creates the Office of Court Administrator and prescribes the duties of the Court Administrator. (NRS 1.320, 1.360) Section 9 of this bill requires the Court Administrator to apply for any federal grants for the~~

~~establishment, support or expansion of drug courts and to allocate to the courts any money received.]~~

Existing law provides that a building or place used to unlawfully manufacture a controlled substance is a nuisance, which creates civil liability, and a public nuisance, which is punishable criminally. (NRS 40.140, 202.450, 202.470) Sections 10 and 11 of this bill provide that a building or place that was used to unlawfully manufacture a controlled substance is both a nuisance and a public nuisance if certain activities relating to the decontamination of the building or place have not occurred within a certain period.

Section 12 of this bill provides that a person commits first degree arson if, by knowingly engaging in the manufacture of methamphetamine, the person sets fire to or causes an explosion that damages a dwelling house or personal property that is occupied by one or more persons. Section 13 of this bill provides that a person commits second degree arson if, by knowingly engaging in the manufacture of methamphetamine, the person sets fire to or causes an explosion that damages any abandoned building or structure. Section 14 of this bill provides that a person is guilty of a category B felony if the person commits the theft of certain chemicals that are precursors to controlled substances, regardless of the value of those chemicals.

Sections 21-32 of this bill require the State Department of Agriculture, in consultation with the Department of Public Safety, to certify substances that are added to anhydrous ammonia for the purpose of rendering the anhydrous ammonia unusable or undesirable for the manufacture of methamphetamine. To assist in advising the State Department of Agriculture on the certification of such substances, sections 32 and 33 of this bill create the Anhydrous Ammonia Advisory Committee.

Assembly Bill No. 596.

Bill read third time.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 731.

AN ACT relating to child support; revising certain provisions concerning the right of a physical custodian of a child to recover support for a child from the noncustodial parent in certain circumstances; requiring every court order for the support of a child to include a provision to provide ~~[coverage]~~ for the medical support of the child; requiring the Chief of the Program established to locate absent parents, establish paternity and obtain child support to ~~[charge and collect certain fees;]~~ **retain a fee in certain cases;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, when the parents of a child are separated, the physical custodian of the child may recover from the parent without physical custody of the child a reasonable portion of certain costs provided by the physical custodian. In the absence of a court order for support of the child, the parent who has physical custody of the child may not recover more than 4 years of support furnished before the bringing of the action. (NRS 125B.030) Section 1 of this bill revises this provision to authorize the physical custodian to recover such support in any situation in which the parents of the child do not reside together.

Section 2 of this bill revises provisions of existing law concerning orders for the support of a child to require that every court order for the support of a child issued or modified in this State on or after the effective date of this act must include a provision specifying that one or both of the parents are required to provide ~~[coverage]~~ for the medical support of the child. (NRS 125B.085)

Existing federal law requires the State to charge certain fees relating to the collection of child support through the Program established to locate absent parents, establish paternity and obtain child support pursuant to Part D of Title IV of the Social Security Act, 42 U.S.C. §§ 651 et seq. To comply with the federal law, section 3 of this bill requires the Chief of the Program to ~~[charge and collect from the noncustodial parent of a child]~~ **retain** a fee of up to $25 each year in each case in which the State has collected more than $500 and in which the ~~[person]~~ **child** for whom the collection is made ~~[has]~~ **and the person who has physical custody of the child have** never received Temporary Assistance for Needy Families pursuant to Title IV of the Social Security Act. ~~[The fee must be retained from the support collected for the child which exceeds $500. The Chief may collect the fees from the noncustodial parent of a child in the same manner as the Chief collects support from the noncustodial parent.]~~ The fees collected by the Chief must be deposited in the State Child Support Disbursement Fund for use in carrying out the Program. **(NRS 425.363)**

Deletion of the language regarding committing a ward to a mental health facility is a clarification of current law. A guardian is not authorized to authorize or deny an involuntary admission into a mental health facility though a guardian may petition for an involuntary commitment. Assembly Bill No. 102.

The following Senate amendment was read:

Amendment No. 660.

AN ACT relating to eminent domain; prohibiting the use of eminent domain to acquire property for the purpose of transferring an interest in the property to a private person or entity except in certain circumstances; making various other changes relating to eminent domain; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law lists the purposes for which the power of eminent domain may be exercised. (NRS 37.010) In ***Kelo v. City of New London***, 125 S.Ct. 2655 (2005), the United States Supreme Court ruled that private property may be acquired by eminent domain and transferred to a private party for the purpose of obtaining the benefits of economic development. Assembly Joint Resolution No. 3 proposes an amendment to the Nevada Constitution concerning eminent domain. This bill enacts into statute the provisions of Assembly Joint Resolution No. 3.

Section 4 of this bill prohibits, except in certain circumstances, the exercise of eminent domain to acquire property if the entity acquiring the property will transfer any interest in the property to a private person or entity. In addition, section 4 ~~[of this bill]~~ provides that the entity that is taking the property has the burden of proving that the taking is for a public use.

Existing law allows an entity which is taking property by the exercise of eminent domain to move the court for an order allowing the entity to occupy the property, pending a final judgment in the action. (NRS 37.100) Section 5

of this bill requires an entity which is taking property by the exercise of eminent domain to provide the owner of the property with all appraisals of the property obtained by the entity before the entity is allowed to occupy the property. Furthermore, section 5 ~~[of this bill]~~ requires the court to determine at the occupancy hearing whether the taking is for a public use, if the owner of the property that is the subject of the action requests such a determination.

Sections 2, 6 and 7 of this bill provide for the manner of computing the just compensation owed to the person whose property is taken by the exercise of eminent domain. Section 1 of this bill provides that neither the property owner nor an entity which is taking property by the exercise of eminent domain is liable for the attorney's fees of the other party, except in certain circumstances. Section 9 of this bill provides that the owner of property taken by the exercise of eminent domain, or his successor in interest, has the right to reacquire the property for the price paid by the entity which took the property under certain circumstances.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 37 of NRS is hereby amended by adding thereto a new section to read as follows:

Except as otherwise provided in this section, in all actions in eminent domain, neither the entity that is taking property nor the owner of the property is liable for the attorney's fees of the other party. This section does not apply in an inverse condemnation action if the owner of the property that is the subject of the action makes a request for attorney's fees from the other party to the action.

Sec. 2. NRS 37.009 is hereby amended to read as follows:

37.009 As used in this chapter, unless the context otherwise requires:

1. "Date of valuation" means the date on which the value of the property actually taken, and the damages, if any, to the remaining property, must be determined.

2. "Final judgment" means a judgment which cannot be directly attacked by appeal, motion for new trial or motion to vacate the judgment.

3. "Judgment" means the judgment determining the right to condemn property and fixing the amount of compensation to be paid by the plaintiff.

4. "Partnership" includes a limited partnership.

5. "Person" includes a government, governmental agency or political subdivision of a government.

6. "Value" means the ~~[most probable price which a property would bring in a competitive and open market under the conditions of a fair sale, without the price being affected by undue stimulus, whereby the sale is consummated on a specified date and the title to the property is passed from the seller to the buyer under the following conditions:~~

~~(a) The buyer and seller are acting prudently and knowledgeably;~~

~~(b) The buyer and seller are typically motivated;~~

~~(c) The buyer and seller are well informed or well advised and acting in what they consider are their own best interests;~~

~~(d) A reasonable time is allowed to expose the property for sale on the open market;~~

~~(e) Payment is made with United States dollars in cash or pursuant to another financial arrangement comparable thereto; and~~

~~(f) The sale price represents the normal consideration for the property and is unaffected by special or creative financing or sales concessions granted by any person associated with the sale.~~] ***highest price, on the date of valuation, that would be agreed to by a seller, who is willing to sell on the open market and has reasonable time to find a purchaser, and a buyer, who is ready, willing and able to buy, if both the seller and the buyer had full knowledge of all the uses and purposes for which the property is reasonably adaptable and available. Sec. 5. NRS 37.100 is hereby amended to read as follows:

37.100 1. ***Before the plaintiff obtains possession of the property, the plaintiff shall give to the owner of the property a copy of all appraisals of the property obtained by the plaintiff.***

2. The plaintiff may move the court or a judge thereof at any time after the commencement of suit, on notice for such time as the court or judge may direct to the defendant if he is a resident of the county or has appeared in the action, otherwise by serving a notice directed to him on the clerk of the court, for an order permitting the plaintiff to occupy the premises sought to be condemned, pending the entry of judgment, and to do such work thereon as may be required for the easement, fee, or property rights sought, according to its nature.

~~[2. The]~~

3. At the occupancy hearing, the court shall make a separate and distinct determination as to whether the property is being taken for a public use pursuant to NRS 37.010, if the defendant requests such a determination.

4. If the defendant does not request a determination pursuant to subsection 3 or if the court determines that the property is being taken for a public use pursuant to NRS 37.010, the court or judge shall take proof, by affidavit or otherwise, of the value of the premises sought to be condemned, the damages which will accrue from the condemnation and the reasons for requiring a speedy occupation, and shall grant or refuse the motion according to the equity of the case and the relative damages which may accrue to the parties.

~~[3.]~~ ***5.*** If the motion is granted, the court or judge shall require the plaintiff to execute and file in court a bond to the defendant, with sureties, to be approved by the court or judge in a penal sum to be fixed by the court or judge, not less than double the value of the premises sought to be condemned and the damages which will ensue from condemnation and occupation, as the value and damages may appear to the court or judge on the hearing, and conditioned to pay the adjudged value of the premises and all damages if the property is condemned, and to pay all damages arising from occupation before judgment if the premises are not condemned, and all costs adjudged to the defendant in the action. The sureties shall justify before the court or judge, after a reasonable notice to the defendant of the time and place of justification.

~~[4.]~~ ***6.*** In lieu of a bond the plaintiff, with the consent of the court, may deposit with the clerk of the court a sum equal to the value of the premises plus damages, as appraised by the plaintiff. Upon application of the defendant and upon notice to all parties, the court or judge may order the money deposited with the clerk of the court or any part thereof to be paid to the defendant. If the amount of the compensation awarded upon judgment is less than the sum deposited and paid to the defendant, the court shall enter judgment in favor of the plaintiff and against the defendant for the amount of the excess. Application by the defendant to the court for withdrawal of part or all of the money deposited and the payment of that money to the defendant does not prejudice the right of the defendant to contest the amount of compensation to be finally awarded. The receipt by the defendant of a part or all of the money deposited must be conditioned upon the waiver of all defenses except those relating to the amount of compensation.

~~[5.]~~ ***7.*** The amount of the penal bond or the deposit is for the purpose of the motion only and is not admissible in evidence on final hearing.

~~[6.]~~ ***8.*** The court or judge may also restrain the defendant from hindering or interfering with the occupation of the premises and the doing thereon of the work required for the easement, fee, or property rights.

~~[7.]~~ ***9.*** The provisions of this section requiring the execution and filing of a bond do not apply in any action or proceeding in which the State of Nevada is the plaintiff, but the public faith and credit of the State of Nevada, is hereby pledged as security in lieu of the bond. The provisions of this subsection do not prevent the State of Nevada from depositing, in lieu of a pledge of the public faith and credit, with the clerk of the court a sum equal to the value of the premises plus any damages as appraised by the State.

Sec. 6. NRS 37.120 is hereby amended to read as follows:

37.120 1. To assess compensation and damages as provided in NRS 37.110, the date of the first service of the summons is the date of valuation, except that, if the action is not tried within 2 years after the date of the first service of the summons, and the court makes a written finding that the delay is caused primarily by the plaintiff or is caused by congestion or backlog in the calendar of the court, the date of valuation is the date of the

actual commencement of the trial. If a new trial is ordered by a court, the date of valuation used in the new trial must be the date of valuation used in the original trial.

2. No improvements put upon the property after the date of the service of the summons may be included in the assessment of compensation or damages, regardless of the date of valuation.

3. ***In all actions in eminent domain, the court shall award just compensation to the owner of the property that is being taken. Just compensation is that sum of money necessary to place the property owner in the same position monetarily as if the property had never been taken, excluding any governmental offsets except special benefits. Special benefits may only offset severance damages and may not offset the value for the property. Just compensation for the property taken by the exercise of eminent domain must include, without limitation, interest computed pursuant to NRS 37.175 and reasonable costs and expenses, except attorney's fees, incurred by the owner of the property that is the subject of the action.***

4. As used in this section, "primarily" means the greater amount, quantity or quality of acts of the plaintiff or the defendant or, if there is more than one defendant, the total delay caused by all the defendants, that would cause the date of the trial to be continued past 2 years after the date of the first service of the summons.

Sec. 7. NRS 37.175 is hereby amended to read as follows:

37.175 1. Except as otherwise provided in this section, the plaintiff shall pay interest on the final judgment on the difference between the amount deposited pursuant to NRS 37.100 or 37.170 and the sum of the amount awarded for the taking and any damages awarded for the severance of the property, excluding costs and attorney's fees, from the date ~~[of the first service of the summons]~~ ***ordered by the district court pursuant to paragraph (a) of subsection*** ~~*[2]*~~ ***4*** until the date the judgment is satisfied, at the rate provided in ~~[NRS 17.130.]~~ ***paragraph (b) of subsection*** ~~*[2.]*~~ ***4.***

2. The plaintiff is not required to pay interest on any amount deposited pursuant to the provisions of NRS 37.100 or 37.170.

3. No interest is required to be paid for the period from the date of a trial which is continued past 2 years after the date of the first service of the summons, until the date of entry of judgment, if the continuance was caused primarily by the defendant or, if there is more than one defendant, the total delay caused by all the defendants. As used in this subsection, "primarily" means the greater amount, quantity or quality of acts of the plaintiff or the defendant or, if there is more than one defendant, the total delay caused by all defendants, that would cause the trial to be continued past 2 years after the date of the first service of the summons.

4. The court shall determine, in a posttrial hearing, the award of interest and award as interest the amount of money which will put the person from whom the property is taken in as good a position monetarily as

if the property had not been taken. The district court shall enter an order concerning:

(a) The date on which the computation of interest will commence;

(b) The rate of interest to be used to compute the award of interest, which must not be less than the prime rate of interest plus 2 percent; and

(c) Whether the interest will be compounded annually.

Sec. 8. NRS 37.260 is hereby amended to read as follows:

37.260 1. ~~[Any]~~ ***Except as otherwise provided in NRS 37.270, any*** real property, interest therein or improvement thereon which has been acquired in accordance with the provisions of this chapter or purchased under the threat of eminent domain proceedings by an association, commission, corporation, partnership or political subdivision other than a county or incorporated city may be disposed of as surplus by that entity only in accordance with the provisions of this section.

2. The governing body of the entity desiring to dispose of the property ***pursuant to this section*** must first adopt a resolution declaring that the property is no longer required for the purposes for which it was acquired or for other reasonable public use.

3. The property, interest or improvement ***disposed of pursuant to this section*** must be sold by the entity to the highest bidder bidding for the property, either at public auction or by sealed bids, the notice and terms of which must be published in a newspaper of general circulation in the county where the property is situated at least once not less than 15 nor more than 45 days before the sale. When, in the opinion of the governing body of the entity, the property cannot be sold by means of public auction or sealed bids without working an undue hardship upon a property owner either as a result of a severance of that owner's property or a denial of access to a public street or highway, the governing body may first offer the property to that owner at a price determined by the governing body to be in the best interest of the corporation, partnership, association, commission or political subdivision.

4. ~~[It]~~ ***If property is disposed of pursuant to this section, it*** is conclusively presumed in favor of any purchaser for value and without notice of any such real property, interest therein or improvement thereon conveyed pursuant to this section that the entity disposing of it acted within its lawful authority in acquiring and disposing of the property, and that the officers thereof acted within their lawful authority in executing any conveyance vesting title in the purchaser. All such conveyances must be quitclaim in nature and must not carry any warranty of title.

Sec. 9. NRS 37.270 is hereby amended to read as follows:

37.270 Notwithstanding any other provision of law, ~~[if the State of Nevada, any political subdivision of the State or other governmental entity that has acquired property]~~ ***property taken*** pursuant to the provisions of this chapter ~~[:]~~ ***must be offered to and reverts to the person from whom the property was taken upon repayment of the original purchase price if,***

➥ ***The entity that has taken the property does not fail to use the property under subsection 1 if the entity has begun active planning for or design of the public use, the assembling of land in furtherance of planning for or design of the public use or construction related to the public use.***

Sec. 10. NRS 279.471 is hereby amended to read as follows:

279.471 1. Except as otherwise provided in this subsection, an agency may exercise the power of eminent domain to acquire property for a redevelopment project only if the agency adopts a resolution that includes a written finding by the agency that a condition of blight exists for each individual parcel of property to be acquired by eminent domain. An agency may exercise the power of eminent domain to acquire a parcel of property that is not blighted for a redevelopment project if the agency adopts a resolution that includes a written finding by the agency that a condition of blight exists for at least two-thirds of the property within the redevelopment area at the time the redevelopment area was created.

2. In addition to the requirement set forth in subsection 1, an agency may exercise the power of eminent domain to acquire property for a redevelopment project only if:

(a) The property sought to be acquired is necessary to carry out the redevelopment plan;

(b) The agency has adopted a resolution of necessity that complies with the requirements set forth in subsection 3; and

(c) The agency has complied with the provisions of NRS 279.4712.

3. A resolution of necessity required pursuant to paragraph (b) of subsection 2 must set forth:

(a) A statement that the property will be acquired for purposes of redevelopment as authorized pursuant to ~~[subsection 17]~~ ***paragraph (q) of subsection 1*** of NRS 37.010 and subsection 2 of NRS 279.470;

(b) A reasonably detailed description of the property to be acquired;

(c) A finding by the agency that the public interest and necessity require the acquisition of the property;

(d) A finding by the agency that acquisition of the property will be the option for redevelopment that is most compatible with the greatest public good and the least private injury; and

(e) A finding by the agency that acquisition of the property is necessary for purposes of redevelopment.

4. After an agency adopts a resolution pursuant to subsection 1 or 2, the resolution so adopted and the findings set forth in the resolution are final and conclusive and are not subject to judicial review unless credible evidence is adduced to suggest that the resolution or the findings set forth therein were procured through bribery or fraud.

CONSIDERATION OF SENATE AMENDMENTS

Assembly Bill No. 14.

The following Senate amendment was read:

Amendment No. 663.

AN ACT relating to crimes; making it unlawful to carry a graffiti implement ~~[in plain view]~~ in certain places and in certain circumstances; providing that a governmental entity which incurs costs in cleaning up or removing graffiti may receive restitution if the graffiti was on public property; revising penalties for unlawfully placing graffiti on the property of another; revising provisions governing the suspension of or delay in issuing a driver's license when a person is convicted for placing graffiti on or defacing property; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 2 of this bill creates a new crime for unlawfully possessing certain graffiti implements in certain public places. Specifically, section 2 provides that it is a misdemeanor for a person to carry on his person ~~[and in plain view of the public]~~ with the intent to vandalize, place graffiti on or otherwise deface property a graffiti implement on certain public and private property or in a public transportation vehicle without valid authorization from the appropriate governmental entity or person. Sections 6-8 of this bill amend existing law to provide that persons who unlawfully possess a graffiti implement in violation of section 2 are treated similarly to persons who unlawfully place graffiti on the property of another in violation of NRS 206.125 or 206.330. Section 6 requires a person who violates section 2 to pay, in addition to any other fine or penalty, an administrative assessment of $250 which must be credited to the Graffiti Reward Fund. (NRS 206.340) Section 7 amends existing law which provides that, under certain circumstances, a person may not sue a public employee, officer or agency for any injury, wrongful death or other damage incurred by a person while committing certain crimes to include the new crime created pursuant to section 2. (NRS 41.0334) Section 8 amends existing law which authorizes a court to suspend the driver's license of a child or to delay the issuance of a driver's license to the child if he does not yet possess a driver's license when the child is adjudicated delinquent for engaging in certain acts involving graffiti or defacing property to allow such actions when a child engages in an act prohibited by section 2. (NRS 62E.690)

Section 3 of this bill requires a person who is ordered to pay restitution for damaging the property of another to pay the restitution to either the owner of the property or, if the damage involves the placement of graffiti on certain property, to the governmental entity that incurred the costs of cleaning up or removing the graffiti.

Section 4 of this bill revises the penalty for placing graffiti on, vandalizing, defacing or otherwise damaging: (1) a place of religious worship; (2) a facility used for the purpose of burial or memorializing the dead; or (3) a school, educational facility or community center to provide for mandatory fines and community service. Section 4 also adds transportation facilities and public transportation vehicles to the list of entities covered by this section. (NRS 206.125)

Section 5 of this bill amends the threshold amount used to determine the penalty for a person who places graffiti on or otherwise defaces public or private property without the permission of the owner. Section 5 also revises the penalties for such an offense to include a mandatory fine and community service, revises the period for the suspension of a driver's license, defines the manner for determining the "value of the loss" and allows for aggregating the amount of damage to determine the value of the loss, but only if the value of the loss when aggregated is $5,000 or more. (NRS 206.330)

Existing law provides for the suspension or delay in the issuance of a driver's license to a person who commits certain graffiti offenses. Section 8 of this bill adds to the crimes for which a license may be suspended or delayed the new crime of carrying a graffiti implement in certain places and increases the minimum period of the suspension or delay to 1 year. (NRS 62E.690)

The following amendment was proposed by the Committee on Education:
Amendment No. 744.
AN ACT relating to education; revising provisions relating to alternative programs for pupils at risk of dropping out of school, programs of distance education and independent study and certain other educational programs; and providing other matters properly relating thereto.
Legislative Counsel's Digest:
Existing law authorizes the boards of trustees of school districts to operate an alternative program for the education of pupils at risk of dropping out of high school, subject to the approval of the State Board of Education. (NRS 388.537) Section 4 of this bill authorizes school districts to operate an alternative program for all grade levels of pupils who are at risk of dropping out of school, subject to the approval of the Superintendent of Public Instruction.
Existing law provides that if a pupil enrolls in a program of distance education, the board of trustees of the school district in which the pupil resides or the governing body of the charter school in which the pupil attends school must enter into an agreement with the provider of the distance education. (NRS 388.854, 388.858) If an agreement is not filed with the Superintendent of Public Instruction for a pupil, the provider of the distance education is not eligible to receive the state apportionment of money for that pupil. (NRS 387.123, 387.124) Sections 8 and 9 of this bill revise the contents of the agreement and eliminate the requirement that the agreement be filed with the Superintendent. Sections 2 and 3 of this bill eliminate the restriction on the eligibility of a provider of the distance education to receive payment for a pupil if an agreement is not filed with the Superintendent.
Existing law provides that a pupil may enroll in a program of independent study if the school district in which the pupil is enrolled offers the program and if the pupil is enrolled in high school or is suspended or expelled from a public school. (NRS 389.155) Section 11 of this bill expands the eligibility for independent study to include all pupils who are enrolled in public schools, pupils who are enrolled in an alternative program and pupils who are

enrolled in a program designed to meet the requirements for an adult standard diploma.

Existing law provides that if a pupil enrolled in high school successfully completes a college course, the pupil must be granted credit toward graduation from high school. (NRS 389.160) Section 12 of this bill provides that if a pupil enrolled in a program designed to meet the requirements for an adult standard diploma successfully completes a college course, the pupil must be granted credit towards that diploma.

Section 15 of this bill eliminates the requirement that a provider of a program of distance education submit to the Department of Education and the Legislative Bureau of Educational Accountability and Program Evaluation an annual report of the program. (NRS 388.870)

If the apportionment per pupil to a charter school is more than the amount to be apportioned to the school district in which a pupil who is enrolled in the charter school resides, the school district in which the pupil resides shall pay the difference directly to the charter school.

3. The apportionment to a charter school that is sponsored by the State Board, computed on a yearly basis, is equal to the sum of the basic support per pupil in the county in which the pupil resides plus the amount of local funds available per pupil pursuant to NRS 387.1235 and all other funds available for public schools in the county in which the pupil resides, minus all funds attributable to pupils who are enrolled in the charter school but are concurrently enrolled part time in a program of distance education provided by a school district or another charter school.

4. In addition to the apportionments made pursuant to this section, an apportionment must be made to a school district or charter school that provides a program of distance education for each pupil who is enrolled part time in the program **.** ~~[if an agreement is filed for that pupil pursuant to NRS 388.854 or 388.858, as applicable.]~~ The amount of the apportionment must be equal to the percentage of the total time services are provided to the pupil through the program of distance education per school day in proportion to the total time services are provided during a school day to pupils who are counted pursuant to subparagraph (2) of paragraph (a) of subsection 1 of NRS 387.1233 for the school district in which the pupil resides.

5. The governing body of a charter school may submit a written request to the Superintendent of Public Instruction to receive, in the first year of operation of the charter school, an apportionment 30 days before the apportionment is required to be made pursuant to subsection 1. Upon receipt of such a request, the Superintendent of Public Instruction may make the apportionment 30 days before the apportionment is required to be made. A charter school may receive all four apportionments in advance in its first year of operation.

6. The Superintendent of Public Instruction shall apportion, on or before August 1 of each year, the money designated as the "Nutrition State Match" pursuant to NRS 387.105 to those school districts that participate in the National School Lunch Program, 42 U.S.C. §§ 1751 et seq. The apportionment to a school district must be directly related to the district's reimbursements for the Program as compared with the total amount of reimbursements for all school districts in this State that participate in the Program.

7. If the State Controller finds that such an action is needed to maintain the balance in the State General Fund at a level sufficient to pay the other appropriations from it, he may pay out the apportionments monthly, each approximately one-twelfth of the yearly apportionment less any amount set aside as a reserve. If such action is needed, the State Controller shall submit a report to the Department of Administration and the Fiscal Analysis Division of the Legislative Counsel Bureau documenting reasons for the action.

Sec. 7. NRS 391.313 is hereby amended to read as follows:

391.313 1. Whenever an administrator charged with supervision of a licensed employee believes it is necessary to admonish the employee for a reason that he believes may lead to demotion ~~[,]~~ ***or*** dismissal or cause the employee not to be reemployed under the provisions of NRS 391.312, he shall:

~~[2.]~~ ***3.*** An administrator need not admonish an employee pursuant to paragraph (a) of subsection 1 if his employment will be terminated pursuant to NRS 391.3197. If by ~~[February 15]~~ ***March 1*** of the first or second year of his probationary period a probationary employee does not receive a written notice pursuant to subsection 4 of NRS 391.3125 of a potential decision not to reemploy him, he must receive an admonition before any such decision is made.

~~[3.]~~ ***4.*** A licensed employee is subject to immediate dismissal or a refusal to reemploy according to the procedures provided in NRS 391.311 to 391.3197, inclusive, without the admonition required by this section, on grounds contained in paragraphs (b), (f), (g), (h) and (p) of subsection 1 of NRS 391.312.

Sec. 8. NRS 391.3197 is hereby amended to read as follows:

391.3197 1. A probationary employee is employed on a contract basis for two 1-year periods and has no right to employment after either of the two probationary contract years.

2. The board shall notify each probationary employee in writing on or before May 1 of the first and second school years of his probationary period, as appropriate, whether he is to be reemployed for the second year of the probationary period or for the next school year as a postprobationary

employee. The employee must advise the board in writing on or before May 10 of the first or second year of his probationary period, as appropriate, of his acceptance of reemployment. If a probationary employee is assigned to a school that operates all year, the board shall notify him in writing, in both the first and second years of his probationary period, no later than 45 days before his last day of work for the year under his contract whether he is to be reemployed for the second year of the probationary period or for the next school year as a postprobationary employee. He must advise the board in writing within 10 days after the date of notification of his acceptance or rejection of reemployment for another year. Failure to advise the board of his acceptance of reemployment constitutes rejection of the contract.

3. A probationary employee who completes his 2-year probationary period and receives a notice of reemployment from the school district in the second year of his probationary period is entitled to be a postprobationary employee in the ensuing year of employment.

4. ~~[A]~~ ***If a*** probationary employee ~~[who receives an unsatisfactory evaluation]~~ ***receives notice pursuant to subsection 4 of NRS 391.3125 not later than March 1 of a potential decision not to reemploy him, the employee*** may request a supplemental evaluation by another administrator in the school district selected by him and the superintendent. If a school district has five or fewer administrators, the supplemental evaluator may be an administrator from another school district in ~~[the]~~ ***this*** State. If a probationary employee has received during the first school year of his probationary period three evaluations which state that the employee's overall performance has been satisfactory, the superintendent of schools of the school district or his designee shall waive the second year of the employee's probationary period by expressly providing in writing on the final evaluation of the employee for the first probationary year that the second year of his probationary period is waived. Such an employee is entitled to be a postprobationary employee in the ensuing year of employment.

5. If a probationary employee is notified that he will not be reemployed for the second year of his probationary period or the ensuing school year, his employment ends on the last day of the current school year. The notice that he will not be reemployed must include a statement of the reasons for that decision.

6. A new employee or a postprobationary teacher who is employed as an administrator shall be deemed to be a probationary employee for the purposes of this section and must serve a 2-year probationary period as an administrator in accordance with the provisions of this section. If the administrator does not receive an unsatisfactory evaluation during the first year of probation, the superintendent or his designee shall waive the second year of the administrator's probationary period. Such an administrator is entitled to be a postprobationary employee in the ensuing year of employment. If:

(a) A postprobationary teacher who is an administrator is not reemployed as an administrator after either year of his probationary period; and

(b) There is a position as a teacher available for the ensuing school year in the school district in which the person is employed,

➥ the board of trustees of the school district shall, on or before May 1, offer the person a contract as a teacher for the ensuing school year. The person may accept the contract in writing on or before May 10. If the person fails to accept the contract as a teacher, the person shall be deemed to have rejected the offer of a contract as a teacher.

7. An administrator who has completed his probationary period pursuant to subsection 6 and is thereafter promoted to the position of principal must serve an additional probationary period of 1 year in the position of principal. If the administrator serving the additional probationary period is not reemployed as a principal after the expiration of the additional probationary period, the board of trustees of the school district in which the person is employed shall, on or before May 1, offer the person a contract for the ensuing school year for the administrative position in which the person attained postprobationary status. The person may accept the contract in writing on or before May 10. If the person fails to accept such a contract, the person shall be deemed to have rejected the offer of employment.

8. Before dismissal, the probationary employee is entitled to a hearing before a hearing officer which affords due process as set out in NRS 391.311 to 391.3196, inclusive.

ASSEMBLYWOMAN GERHARDT:

During the hearing regarding Assembly Bill 596 in the Committee on Judiciary most of the members had serious concerns about burdening custodial parents in order to reduce the federal deficit. In the hearing in Ways and Means, it was determined this was the only feasible way to comply. I have spoken with Chairman Anderson regarding a letter to be sent from the Committee on Judiciary to the Nevada Delegation expressing our concern about burdening custodial parents, and he has drafted a letter on our behalf.

ASSEMBLYMAN ANDERSON:

I want to reassure the body that on this particular piece of legislation, we did indeed send a letter of concern to the Chair of Ways and Means here in our body and to the Congress of the United States relative to the fiscal impact for parents. I think that we continue to hope that in the event that the federal legislation which mandated this is removed, the burden will not fall upon them. I believe that Ways and Means did take that into consideration and that was the will of the Committee on Judiciary.

ASSEMBLYWOMAN ALLEN:

I would just like to echo the sentiments of the two previous speakers. The committee came to a decision about the noncustodial parents, and I realize that was changed. I just want to make it clear that many of us do not believe it is right for the federal government to take child support money from the kids.

THE ONE HUNDRED AND SIXTH DAY

CARSON CITY (Monday), May 21, 2007

Assembly called to order at 11:56 a.m.

Madam Speaker presiding.

Roll called.

All present.

Prayer by the Chaplain, Pastor Albert Tilstra.

O Lord, keep strong our faith in the power of prayer as we unite our petitions in this sacred moment. We have asked for Your guidance in difficult decisions many times, yet it has not always come when we thought it should. Many of the situations and relationships which we have asked You to change have remained the same. Forgive us for thinking, therefore, that You are unwilling to help us in our dilemmas or that there is nothing You can do. Remind us, O God, that when we plug in an electric iron and it fails to work, we do not conclude that electricity has lots its power, nor do we plead with the iron. We look at once to the wiring to find what has broken or blocked the connection with the source of power.

May we do the same with ourselves, that You can work through us to do Your will. This we ask in the name of our Lord.

AMEN.

Pledge of allegiance to the Flag.

Assemblyman Oceguera moved that further reading of the Journal be dispensed with, and the Speaker and Chief Clerk be authorized to make the necessary corrections and additions.

Amendment No. 728.

AN ACT relating to financial transactions; prohibiting a person from engaging in certain conduct with the intent to defraud a participant in a mortgage lending transaction; prohibiting certain conduct by a foreclosure consultant; providing an administrative penalty for certain conduct by a foreclosure consultant; providing a civil cause of action against a foreclosure consultant under certain circumstances; prohibiting a foreclosure purchaser from engaging in certain fraudulent conduct; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, it is an unfair lending practice for a lender to knowingly or intentionally make a home loan to a borrower based solely on the borrower's equity in the home property and without determining that the borrower has the ability to repay the home loan from income or other assets. (NRS 598D.100) Section 2 of this bill clarifies that the provision applies to a low-document, no-document or stated-document home loan if the loan is made based solely on the borrower's equity in the property or without determining the borrower's ability to repay the loan.

Section 3 of this bill establishes the crime of mortgage lending fraud, which is a category C felony. Section 3 also provides that a person who engages in a pattern of mortgage lending fraud is guilty of a category B felony. Furthermore, under section 3, if a lender commits mortgage lending fraud, the borrower may rescind the transaction within 2 years after the transaction has been completed. Chapters 645B and 645E of NRS govern mortgage brokers and mortgage agents and mortgage bankers, respectively.

Sections 7-20 of this bill establish specific rights and duties concerning foreclosure consultants and foreclosure purchasers. Section 9 defines a foreclosure consultant as a person who promises to perform, for compensation, various services for a homeowner whose residence is in foreclosure that the foreclosure consultant represents will assist the homeowner to, for example, postpone or prevent a foreclosure sale, obtain an extension of time to repay his mortgage loan, obtain an alternative loan or mortgage, file documents with a bankruptcy court or repair the homeowner's credit after foreclosure. Section 16 prohibits a foreclosure consultant from claiming or receiving any compensation from a homeowner until after the consultant has fully performed all the services he promised to perform and prohibits other conduct relating to his compensation. Section 16 also prohibits a foreclosure consultant from acquiring any interest in the residence of the homeowner. Section 17 authorizes the Commissioner of Mortgage Lending to impose an administrative penalty of not more than $10,000 on a foreclosure consultant who violates any provision of section 16. Section 18 creates a civil cause of action against a foreclosure consultant for a homeowner who is injured as a result of a foreclosure consultant's violation of any provision of section 16. If the homeowner prevails in his action against the foreclosure consultant, the court may award him his actual damages, punitive damages of at least 1 1/2 times his actual damages, his attorney's fees and costs of bringing the action.

Section 10 of this bill defines a foreclosure purchaser as a person who engages in the business of acquiring residences that are in foreclosure from their owners. Section 19 of this bill provides that a foreclosure purchaser who engages in conduct that defrauds or deceives a homeowner whose residence is in foreclosure is guilty of a gross misdemeanor. Section 19.5 of this bill provides that if a foreclosure purchaser engages in conduct that defrauds or deceives a homeowner whose residence is in foreclosure, the homeowner

may rescind the transaction in which the foreclosure purchaser acquired the residence of the homeowner. Section 19.5 further provides the procedures a homeowner must follow to rescind the transaction and prevents a homeowner from rescinding a transaction if the foreclosure purchaser has transferred an interest in the property to a bona fide purchaser.

AN ACT relating to eminent domain; revising the provisions pertaining to the deposit of money with a court in an action in eminent domain; ~~[revising the provisions pertaining to the date of valuation of property in an action in eminent domain;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that when money is deposited in any court and payment is not required for 90 days or more, the money may be commingled with other deposits and invested, and the interest earned is deposited with the general fund of the political subdivision or municipality which supports the court. (NRS 355.210) Section 1 of this bill provides that when money is deposited in an action in eminent domain, the money must be deposited in a separate account and the owner of the property is entitled to some or all of the interest earned, depending upon the amount of compensation awarded to the owner as compared to the amount of money deposited.

~~[Existing law provides that the date of valuation of property in an action in eminent domain is the date of the first service of summons. However, if the action is not tried within 2 years after that date and the delay is caused primarily by the plaintiff or congestion in the court calendar, the date of valuation is the date of the commencement of the trial. 2. If the amount of the compensation awarded upon final judgment, not including any interest upon the judgment, is less than the amount of money deposited in the court:

(a) The defendant is entitled to receive a percentage of the interest earned that represents the amount of money deposited in the court as compared to the amount of the compensation awarded upon final judgment, not including any interest upon the judgment.

(b) The plaintiff is entitled to receive any interest remaining following the distribution to the defendant pursuant to paragraph (a).

The following amendment was proposed by the Committee on Education:

Amendment No. 819.

AN ACT relating to education; revising provisions governing the administration of tests, examinations and assessments by the boards of trustees of school districts; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the administration of the following examinations to pupils enrolled in the public schools: (1) examinations that are administered to a national reference group of pupils in grades 4, 7 and 10 (norm-referenced tests or NRTs); (2) examinations that assess the progress of pupils on the state standards of content and performance in grades 3 through 8 (criterion-referenced tests or CRTs); (3) the high school proficiency examination which pupils must pass to receive a standard high school diploma; and (4) examinations of the National Assessment of Educational Progress. (NRS 389.012, 389.015, 389.550) With the exception of the NRTs, the administration of these examinations is required by the No Child Left Behind Act of 2001, 20 U.S.C. §§ 6301 et seq.

Section 2 of this bill limits the district-wide tests, examinations and assessments that the board of trustees of a school district may administer between July 1, 2007, and January 1, 2009.

Section ~~[1]~~ **3** of this bill authorizes the board of trustees of each school district to require **, beginning on January 1, 2009,** the administration of ~~[additional]~~ district-wide tests, examinations and assessments that the board of trustees determines are vital to measuring pupil achievement and progress.

Section ~~[2]~~ **4** of this bill requires the ~~[Boards of Trustees of the Clark County and Washoe County School Districts to submit reports]~~ **board of trustees of each school district** to **submit a report to** the Legislative Committee on Education concerning the testing of pupils within ~~[their respective districts.]~~ **the school district during the 2006-2007 school year.**

WHEREAS, The Federal Government and the Nevada Legislature have imposed upon Nevada's public schools progressively more stringent requirements to demonstrate improved academic performance of pupils; and

WHEREAS, As a result of these requirements, the public schools in this State are required to administer an increasing number of standardized tests to pupils, including norm-referenced tests, criterion-referenced tests, proficiency tests and tests of the National Assessment of Educational Progress; and

WHEREAS, The school districts and charter schools in this State currently administer a variety of tests other than those required by state and federal law; and

WHEREAS, A recent report by the State Board of Education indicates that, in the aggregate, the task of preparing for and administering all these tests in schools throughout this State annually consumes hundreds of employee hours and costs at least $13 million; and

WHEREAS, Although there is an undeniable need for test data to evaluate the progress of Nevada's public schools and pupils in meeting the standards of academic performance, the Legislature hereby expresses that the demands for statistical information should not be allowed to unnecessarily divert the time for teachers and pupils to accomplish the work required to meet those standards; and

WHEREAS, Assembly Bill No. 484 of this Session, if enacted, requires the Legislative Committee on Education to study the issue of testing during the 2007-2009 interim, including, without limitation, the quantity and quality of tests administered in the public schools; and

WHEREAS, Pending completion of the study required by Assembly Bill No. 484 of this Session, if enacted, and potential action by the Legislature in response to the recommendations of that study, the members of the 74th Session of the Legislature hereby deem it appropriate to impose a moratorium on the administration of any test that is not mandated by state or federal law or of any test that was not adopted by a school district before July 1, 2007, now, therefore,

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

2. The provisions of this section do not apply to a test, examination or assessment that a pupil voluntarily takes without a district-wide requirement, including, without limitation, an advanced placement examination.

~~[Section 1.]~~ ***Sec. 3.*** ~~[Chapter 389 of NRS is hereby amended by adding thereto a new section to read as follows:]~~

1. In addition to any other test, examination or assessment required by state or federal law, the board of trustees of each school district may require the administration of district-wide tests, examinations and assessments that the board of trustees determines are vital to measure the achievement and progress of pupils. In making this determination, the board of trustees shall consider any applicable findings and recommendations of the Legislative Committee on Education.

2. The tests, examinations and assessments required pursuant to subsection 1 must be limited to those which can be demonstrated to provide a direct benefit to pupils or which are used by teachers to improve instruction and the achievement of pupils.

3. The board of trustees of each school district and the State Board shall periodically review the tests, examinations and assessments administered to pupils to ensure that the time taken from instruction to conduct a test, examination or assessment is warranted because it is still accomplishing its original purpose.

~~[Sec. 2.]~~ ***Sec. 4.*** 1. The ~~[Boards of Trustees of the Clark County School District and the Washoe County School District]~~ **board of trustees of each school district** shall prepare and submit to the Legislative Committee on Education on or before ~~[July 1, 2008, reports]~~ **March 1, 2008, a report** concerning testing of pupils within ~~[their respective school districts.]~~ **the school district during the 2006-2007 school year.**

~~[(c)]~~ **(d)** Any recommendations for legislative changes or changes in practices with respect to the testing of pupils.

Amendment No. 820.

AN ACT relating to education; authorizing teachers in elementary schools to provide reports to parents and legal guardians of pupils under certain circumstances; requiring support teams established for certain schools to review certain information; establishing an interim Advisory Council on Parental Involvement; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The statewide system of accountability for public schools requires that public schools be designated each year based upon adequate yearly progress. (NRS 385.3623) A support team must be established for each public school that is designated as demonstrating need for improvement for 3 consecutive years or more. (NRS 385.3721) Each support team is required to review certain information pertaining to the school and revise the school's plan to improve accordingly. (NRS 385.3741) Section 1 of this bill requires the support team to review information provided to the support team concerning educational involvement accords and reports provided to parents and legal guardians by elementary school teachers.

Section 2 of this bill authorizes a teacher in an elementary school to provide to each parent and legal guardian of a pupil enrolled in the school, on a form prescribed by the Department of Education, a report containing certain information about the pupil and the involvement of the parent or legal guardian in the education of his child. Aggregate information concerning any completed reports must be provided to the support team established for the school, if a support team has been established.

Under existing law, each public school is required to provide to each parent or legal guardian of a pupil an educational involvement accord. The accord provides information concerning the responsibilities of the parent or legal guardian, the pupil and the school in the education of the pupil. (NRS 392.4575) Section 3 of this bill requires principals of schools designated as demonstrating need for improvement for 3 consecutive years or more to provide aggregate information concerning the accords to the support team established for the school.

Under existing law, each classroom teacher is required to provide the code of honor relating to cheating to the parent or legal guardian of each pupil enrolled in his class as part of the educational involvement accord. (NRS 392.4575) Section 4 of this bill requires provision of the code of honor relating to cheating to the pupil as well as his parent or legal guardian for their signature on that document. (NRS 392.461)

Sections 5 and 6 of this bill establish an interim Advisory Council on Parental Involvement to study issues relating to parental involvement in education.

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 859.

AN ACT relating to anatomical gifts; adopting the Revised Uniform Anatomical Gift Act; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, Nevada has enacted the Uniform Anatomical Gift Act, which establishes the rights of donors and other authorized persons to affirmatively make anatomical gifts of human bodies and parts for the purpose of transplantation, therapy, research or education. The existing Uniform Act also sets forth various requirements and procedures for making, amending, revoking and refusing to make anatomical gifts. (NRS 451.500-451.590)

This bill replaces the existing Uniform Act with the Revised Uniform Anatomical Gift Act. This bill retains many of the provisions of the existing Uniform Act. However, this bill reorganizes and updates various provisions from the existing Uniform Act, and it adds certain new provisions to better facilitate the process of making anatomical gifts.

Section 22 of this bill revises the existing Uniform Act by expanding the persons who may make an anatomical gift to include an agent or guardian of a person under certain circumstances and an emancipated minor, a minor who applies for a driver's license and the parents of an unemancipated minor under certain circumstances.

Section 23 of this bill revises the existing Uniform Act by expanding the methods for making an anatomical gift to include making an anatomical gift on a state-issued identification card, through a donor registry or, during a terminal illness or injury, through any oral or physical communication witnessed by at least two adults, at least one of whom is a disinterested witness.

Section 24 of this bill revises the existing Uniform Act by expanding the methods for amending and revoking an anatomical gift to include destroying or cancelling the record of the anatomical gift, or any part thereof, with the intent to revoke the gift and, during a terminal illness or injury, making any oral or physical communication witnessed by at least two adults, at least one of whom is a disinterested witness.

Section 25 of this bill revises the existing Uniform Act by updating and clarifying the provisions governing a person's right to refuse to make an anatomical gift and the procedures a person must follow to amend or revoke such a refusal.

Section 34 of this bill amends the existing Uniform Act by adding a new prohibition which provides that a person who, in order to obtain a financial gain, intentionally falsifies, forges, conceals, defaces or obliterates a document making, amending or revoking an anatomical gift or refusing to make an anatomical gift is guilty of a category C felony.

Section 58 of this bill amends the existing Uniform Act by increasing the penalty from a category D felony to a category C felony for a person who unlawfully purchases or sells a body part for transplantation or therapy when the body part is intended for an anatomical gift.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

6. In the absence of an express, contrary indication by the donor or other person authorized to make an anatomical gift under section 22 of this act, an anatomical gift of a part for one or more of the purposes set forth in section 22 of this act is not a limitation on the making of an anatomical gift of the part for any of the other purposes by the donor or any other person under section 23 or 28 of this act.

7. If a donor who is an unemancipated minor dies, a parent of the donor who is reasonably available may revoke or amend an anatomical gift of the donor's body or part.

(a) Amended only if a majority of the reasonably available members agree to the amending of the gift; or

(b) Revoked only if a majority of the reasonably available members agree to the revoking of the gift or if they are equally divided as to whether to revoke the gift.

4. For the purpose of subsection 3, if there is more than one purpose of an anatomical gift set forth in the document of gift but the purposes are not set forth in any priority, the gift, in the absence of an express, contrary indication by the person making the gift:

(a) If it is medically suitable for transplantation or therapy, must be used for transplantation or therapy, and the gift passes in accordance with paragraphs (a), (b) and (c) of subsection 3.

(b) If it is not medically suitable for transplantation or therapy, may be used for research or education and, if so used, the gift passes to the appropriate procurement, research or educational organization or other appropriate person for research or education.

5. If an anatomical gift of one or more specific parts is made in a document of gift that does not name a person described in subsection 1 and does not identify the purpose of the gift, the gift, in the absence of an express, contrary indication by the person making the gift:

6. If a document of gift specifies only a general intent to make an anatomical gift by words such as [“donor,”] “donor” or “organ donor” [or “body donor,”] or by a symbol or statement of similar import, the gift, in the absence of an express, contrary indication by the person making the gift:

For purposes of this subsection, if a person knows that an anatomical gift was made on a document of gift, the person is deemed to know of any amendment or revocation of the gift or any refusal to make an anatomical gift on the same document of gift.

~~[11.]~~ 12. Except as otherwise provided in paragraph (b) of subsection 1, nothing in NRS 451.500 to 451.590, inclusive, and sections 2 to 41, inclusive, of this act affects the allocation of organs for transplantation or therapy.

3. A person is not subject to criminal or civil liability for failing to discharge the duties imposed by this section but may be subject to administrative sanctions.

Sec. 31. ***1. A document of gift need not be delivered during the donor's lifetime to be effective.***

2. Upon or after a natural person's death, a person in possession of a document of gift or a refusal to make an anatomical gift with respect to the natural person shall allow examination and copying of the document of gift or refusal by a person authorized to make or object to the making of an

anatomical gift with respect to the natural person or by a person to which the gift could pass under section 29 of this act.

Sec. 32. ***1. 2. ~~[A procurement organization must be allowed reasonable access to information in the records of the Department of Motor Vehicles to ascertain whether a natural person at or near death is a donor.~~

~~2.~~] When a hospital refers a natural person at or near death to a procurement organization, the organization may conduct any reasonable examination necessary to ensure the medical suitability of a part that is or could be the subject of an anatomical gift for transplantation, therapy, research or education from a donor or a prospective donor. During the examination period, measures necessary to ensure the medical suitability of the part may not be withdrawn unless the hospital or procurement organization knows that the natural person expressed a contrary intent.

~~[8.]~~ 7. Subject to subsection ~~[9]~~ 10 of section 29 and section 40 of this act, the rights of the person to which a part passes under section 29 of this act are superior to the rights of all others with respect to the part. ~~[10.]~~ 9. A physician or technician may remove a donated part from the body of a donor that the physician or technician is qualified to remove.

10. In the absence of an express, contrary indication by the donor or other person authorized to make an anatomical gift, if an anatomical gift of a part has been made for the purpose of transplantation or therapy and the part is medically suitable for that purpose, the appropriate procurement organization shall discuss with a person authorized to make an anatomical gift under section 22 of this act the person's willingness to make an anatomical gift of any other part for the purpose of research or education.

Sec. 33. ***Each hospital in this State shall enter into agreements or affiliations with procurement organizations for coordination of procurement and use of anatomical gifts.***

Sec. 34. ***1. A person shall not, in order to obtain a financial gain, intentionally falsify, forge, conceal, deface or obliterate a document of gift, an amendment or revocation of a document of gift or a refusal.***

Sec. 35. ***1. A person that acts in accordance with NRS 451.500 to 451.590, inclusive, and sections 2 to 41, inclusive, of this act, or with the applicable anatomical gift law of another state, or attempts in good faith to do so, is not liable for the act in a civil action, criminal prosecution or administrative proceeding.***

2. Neither the person making an anatomical gift nor the donor's estate is liable for any injury or damage that results from the making or use of the gift.

3. In determining whether an anatomical gift has been made, amended or revoked under NRS 451.500 to 451.590, inclusive, and sections 2 to 41, inclusive, of this act, a person may rely upon representations of a natural person listed in paragraphs (b), (c), (d), (e), (f), (g) or (h) of subsection 1 of section 27 of this act relating to the natural person's relationship to the donor or prospective donor unless the person knows that the representation is untrue.

(c) The laws of the state or country where the person making the anatomical gift was domiciled, has a place of residence or was a national at the time the document of gift was executed.

2. If a document of gift is valid under this section, the law of this State governs the interpretation of the document of gift.

3. A person may presume that a document of gift or amendment of an anatomical gift is valid unless that person knows that it was not validly executed or was revoked.

Sec. 37. ***1. A person shall not create or maintain a donor registry unless the donor registry complies with the provisions of NRS 451.500 to 451.590, inclusive, and sections 2 to 41, inclusive, of this act and all other applicable provisions of federal and state law.***

2. A donor registry must:

(a) Allow a donor or other person authorized under section 22 of this act to include on the donor registry a statement or symbol that the donor has made, amended or revoked an anatomical gift;

(c) Be accessible for purposes of paragraphs (a) and (b) 7 days a week on a 24-hour basis.

3. Personally identifiable information on a donor registry about a donor or prospective donor may not be used or disclosed without the express consent of the donor, prospective donor or person that made the anatomical gift for any purpose other than to determine, at or near death of the donor or prospective donor, whether the donor or prospective donor has made, amended or revoked an anatomical gift.

4. This section does not apply to a donor registry that is created to contain records of anatomical gifts and amendments to or revocations of anatomical gifts of only the whole body of a donor for the purpose of research or education.

2. If a prospective donor has a declaration or advance health-care directive ~~[.]~~ and the terms of the declaration or advance health-care directive and the express or implied terms of the potential anatomical gift are in conflict concerning the administration of measures necessary to ensure the medical suitability of a part for transplantation or therapy:

(a) The attending physician of the prospective donor shall confer with the prospective donor to resolve the conflict or, if the prospective donor is incapable of resolving the conflict, with:

(1) An agent acting under the declaration or advance health-care directive of the prospective donor; or

(2) If an agent is not named in the declaration or advance health-care directive or the agent is not reasonably available, any other person authorized by law, other than by a provision of sections 2 to 41, inclusive, of this act, to make a health-care decision for the prospective donor.

(b) The conflict must be resolved as expeditiously as practicable.

(c) Information relevant to the resolution of the conflict may be obtained from the appropriate procurement organization and any other person authorized to make an anatomical gift of the prospective donor's body or part under section 22 of this act.

(d) Before the resolution of the conflict, measures necessary to ensure the medical suitability of ~~[an organ for transplantation or therapy]~~ the part may not be withheld or withdrawn from the prospective donor, ~~[unless the declaration expressly provides to the contrary.]~~ if withholding or withdrawing the measures is not medically contraindicated for the appropriate treatment of the prospective donor at the end of his life.

Sec. 39. ***1. A coroner shall cooperate with procurement organizations to maximize the opportunity to recover anatomical gifts for the purpose of transplantation, therapy, research or education.***

2. If a coroner receives notice from a procurement organization that an anatomical gift might be available or was made with respect to a decedent whose body is under the jurisdiction of the coroner and a postmortem examination is going to be performed, unless the coroner denies recovery in accordance with section 40 of this act, the coroner or designee shall conduct a postmortem examination of the body or the part in a manner and within a period compatible with its preservation for the purposes of the gift.

3. A part may not be removed from the body of a decedent under the jurisdiction of a coroner for transplantation, therapy, research or education unless the part is the subject of an anatomical gift or such removal is authorized or required by other law. The body of a decedent under the jurisdiction of the coroner may not be delivered to a person for research or education unless the body is the subject of an anatomical gift or such delivery is authorized or required by NRS 451.350 to 451.470, inclusive, or other law. This subsection does not preclude a coroner from

performing the medicolegal investigation upon the body or parts of a decedent under the jurisdiction of the coroner.

Sec. 40. ***1. Upon request of a procurement organization, a coroner shall release to the procurement organization the name, contact information and available medical and social history of a decedent whose body is under the jurisdiction of the coroner. If the decedent's body or part is medically suitable for transplantation, therapy, research or education, the coroner shall release postmortem examination results to the procurement organization. The procurement organization may make a subsequent disclosure of the postmortem examination results or other information received from the coroner only if relevant to transplantation or therapy.***

2. The coroner may conduct a medicolegal examination by reviewing all medical records, laboratory test results, X rays, other diagnostic results and other information that any person possesses about a donor or prospective donor whose body is under the jurisdiction of the coroner which the coroner determines may be relevant to the investigation.

3. A person that has any information requested by a coroner pursuant to subsection 2 shall provide that information as expeditiously as possible to allow the coroner to conduct the medicolegal investigation within a period compatible with the preservation of parts for the purpose of transplantation, therapy, research or education.

4. If an anatomical gift has been or might be made of a part of a decedent whose body is under the jurisdiction of the coroner and a postmortem examination is not required, or the coroner determines that a postmortem examination is required but that the recovery of the part that is the subject of an anatomical gift will not interfere with the examination, the coroner and procurement organization shall cooperate in the timely removal of the part from the decedent for the purpose of transplantation, therapy, research or education.

5. If an anatomical gift of a part from the decedent under the jurisdiction of the coroner has been or might be made, but the coroner or designee initially believes that the recovery of the part could interfere with the postmortem investigation into the decedent's cause or manner of death, the coroner or designee shall consult with the procurement organization or the physician or technician designated by the procurement organization to remove the part about the proposed recovery. After consultation, the coroner or designee may allow the recovery by the procurement organization to proceed and may attend and witness all procedures before, during and after removal of the part.

6. Following the consultation under subsection 5, if the coroner or designee still intends to deny recovery, the coroner or designee, at the request of the procurement organization, shall consult additionally with the physician or technician designated by the procurement organization to remove the part before making a final determination not to allow the

procurement organization to recover the part. The additional consultation must be based on the protocols developed pursuant to subsection 10 to resolve conflicts and to maximize the recovery of parts for the purpose of transplantation or therapy, except that the coroner retains the right to deny recovery based on clear need for the postmortem examination, including, without limitation, preservation of the part. After such additional consultation, the coroner or designee may:

(a) Allow recovery by the procurement organization to proceed and may attend and witness all procedures before, during and after removal of the part; or

(b) If the coroner or designee reasonably believes that the part may be involved in determining the decedent's cause or manner of death, deny recovery by the procurement organization.

7. If the coroner or designee denies recovery under subsection 6:

(a) The coroner or designee shall:

(1) Document in a record the specific reasons for not allowing recovery of the part;

(2) Include the specific reasons in the records of the coroner; and

(3) Share such records, including, without limitation, the specific reasons documented by the coroner or designee for not allowing recovery of the part, with the procurement organization in the interest of improving the protocols developed pursuant to subsection 10; and

(b) The procurement organization shall include in its records the specific reasons documented by the coroner or designee for not allowing recovery of the part.

8. If the coroner or designee allows recovery of a part under subsection 4, 5 or 6, the procurement organization, upon request, shall cause the physician or technician who removes the part to provide the coroner, in a timely manner, with a record describing the condition of the part, a biopsy, a photograph and any other information and observations that would assist in the postmortem examination.

9. If a coroner or designee elects to attend and witness a removal procedure under subsection 5 or 6, the procurement organization requesting the recovery of the part shall, upon request by the coroner or designee, reimburse the coroner or designee for the additional costs incurred in attending and witnessing the removal procedure.

10. For purposes of subsection 6, the coroner and the procurement organization shall develop mutually agreed-upon protocols to resolve conflicts between the coroner and the procurement organization regarding the recovery of parts. The protocols:

(a) Must focus on maximizing the recovery of parts for the purpose of transplantation or therapy;

(b) Must allow the coroner the right to deny recovery of a part where recovery of the part could interfere with the postmortem investigation into the decedent's cause or manner of death; and

(c) May include, without limitation, requirements and procedures concerning:

(1) Consultations and cooperation between the coroner or designee and the physician or technician designated by the procurement organization to remove the part;

(2) The taking of photographs before, during and after removal of the part;

(3) Video recording the removal procedure; and

(4) The taking of tissue samples from the part and the conducting of biopsies, testing or other examinations of the part.

Amendment No. 821.

AN ACT relating to education; revising provisions governing the statewide system of accountability for public schools and school districts; **revising provisions governing the Commission on Educational Excellence;** revising provisions governing the Commission on Educational Technology; prescribing the minimum credits required of pupils **enrolled in high school** in certain courses of study **;** ~~[before graduation from high school;]~~ providing for a waiver from the required **enrollment in the** minimum credits; revising provisions governing the adoption of academic standards; revising provisions governing promotion to high school; making an appropriation; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The State Board of Education and each school district are required to prepare annual reports of accountability information. (NRS 385.3469, 385.347, 385.349) In addition, the State Board, each school district and each public school are required to prepare a plan to improve the achievement of pupils. (NRS 385.34691, 385.348, 385.357) Sections 1-7 of this bill revise the provisions governing the annual reports of accountability and the plans to improve.

Each public school is designated annually based upon the yearly progress of the pupils enrolled in the school. (NRS 385.3623, 385.366) If a school is designated for 1 year as demonstrating need for achievement, a technical assistance partnership must be established for the school. (NRS 385.3661, 385.3691, 385.3692) If the school is designated for 2 consecutive years as demonstrating need for improvement, the technical assistance partnership must be continued. (NRS 385.3693) Sections 9, 10 and 24 of this bill eliminate the requirement for the establishment of technical assistance partnerships.

If a public school is designated as demonstrating need for improvement for 3 consecutive years or more, a support team must be established for that school. (NRS 385.3721, 385.374, 385.3741) A support team is required to recommend certain types of corrective action for the school. (NRS 385.3744, 385.376) Sections 11-14 of this bill revise provisions governing the school support teams and the recommendation of corrective action.

Existing law creates the Commission on Educational Excellence and requires the Commission to provide for the distribution of grants of

money to public schools and school districts from the Account for Programs for Innovation and the Prevention of Remediation. (NRS 385.3781-385.379) Section 15.5 of this bill revises provisions governing the factors for consideration by the Commission in awarding grants of money from the Account.

Existing law creates the Commission on Educational Technology and requires the Commission to establish a plan for the use of educational technology in the public schools. (NRS 388.790, 388.795) Section 19 of this bill requires the Commission to conduct an assessment of the needs of each school district relating to educational technology during the spring semester of each even-numbered school year for submission to the Legislative Committee on Education and the Legislature.

Existing law designates the core academic subjects that must be taught in all public schools as English, mathematics, science and social studies. (NRS 389.018) ~~[Existing law also requires a pupil to pass the high school proficiency examination before the pupil may receive a standard high school diploma. (NRS 389.015)]~~ Section 20 of this bill prescribes the minimum units of credit ~~[that]~~ **in the core academic subjects in which** a pupil must ~~[earn in the core academic subjects before graduation from high school.]~~ **enroll.** Section 20 also provides that the pupil, his parent or legal guardian and an administrator or counselor at the school may mutually agree to a modified course of study for the pupil.

Existing law requires the Council to Establish Academic Standards for Public Schools to establish the standards of content and performance for certain courses of study. (NRS 389.520) The State Board is required to adopt the standards as submitted by the Council. Section 21 of this bill authorizes the State Board to object to the standards and return the standards to the Council for reconsideration.

Existing law prohibits a pupil from being promoted to high school unless he completes certain course work and credits. (NRS 392.033) Section 22 of this bill provides that if a pupil has been retained one time in grade 8 and he fails again to successfully complete the requirements, he must complete a program of remedial study.

Amendment No. 787.

AN ACT relating to recreation areas; prohibiting a person who uses a recreation area from engaging in certain conduct; requiring such a person to follow certain safety requirements; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law sets forth prohibitions, penalties and duties for a person who operates or uses a skateboard park, amusement park or snow recreation area. (Chapters 455A and 455B of NRS) Generally those laws prohibit a person from engaging in certain activities at the park or snow recreation area, prescribe duties for the owner, operator or user of the park or area and specifically state that a county, city or unincorporated town may adopt additional ordinances governing the park or area as long as the ordinances do not conflict with existing statutes. (Chapters 455A and 455B of NRS)

This bill enacts similar prohibitions, penalties and duties for a person who operates or uses a recreation area. Section 4 of this bill defines "recreation area" as a trailhead or water access area. Section 8 of this bill prohibits certain conduct by a person using a recreation area. Section 9 of this bill imposes certain duties on a person using a recreation area, such as a duty to locate and ascertain the meaning of any sign that is posted by the operator of the recreation area. Section 10 of this bill absolves the operator of a recreation area and an owner of private property from liability for the death or injury of a person or for damage to property caused or sustained by a person using the recreation area if the person **knowingly** enters an area which is outside the recreation area. Section 10 also requires an operator to provide

certain information about the recreation area at trailheads and water access areas. Section 11 of this bill prohibits a person from entering or using a recreation area while intoxicated or under the influence of a controlled substance. Section 12 of this bill imposes a misdemeanor penalty against a person who fails to comply with certain reporting requirements occurring upon the person's involvement in a collision or an accident with another person. Section 14 of this bill clarifies that the intent of the bill is not to preempt a county, city or unincorporated town from adopting additional ordinances which are consistent with this bill. Section 14 also specifies that the provisions of the bill are in addition to certain statutory and regulatory provisions relating to state parks and state recreational areas.

The following amendment was proposed by the Committee on Education:

Amendment No. 823.

AN ACT relating to education; creating the Nevada Youth Legislative Issues Forum; prescribing the membership, powers and duties of the Forum; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Sections 3-5 of this bill create the Nevada Youth Legislative Issues Forum, consisting of 21 members who are enrolled in grades 9-12 in public schools or otherwise eligible for enrollment in public schools but enrolled in a homeschool or private school. Each Senator appoints a member to the Forum. Sections 6-10 of this bill set forth the powers and duties of the Forum. The Forum must hold at least two public hearings each school year, review issues of importance to the youth in this State and submit an annual report of the activities of the Forum. In addition, the Forum may, within the limits of available money, hold meetings during a regular session of the Legislature to advise the Legislature on proposed legislation concerning the youth in this State. The Forum may also conduct seminars for the benefit of its members relating to leadership, government and the legislative process. Finally, the Forum may submit a request for the drafting of one legislative measure which relates to matters within the scope of the Forum.

WHEREAS, The United States is facing a population of youth that is disengaged and lacks the necessary knowledge, skills and dispositions to participate in and carry out civic duties; and

WHEREAS, In the 2004 presidential election, 53.1 percent of Nevadans over 25 years of age voted, compared with 38.4 percent among Nevadans 18 to 24 years of age; and

WHEREAS, The lack of voter turnout for citizens who are 18 to 24 years of age is often attributed to cynicism toward the political process, disillusionment with politics, voter apathy and a lack of acknowledgment by the media and politicians of issues involving youth; and

WHEREAS, Most governmental services are designed with input and participation from the people being served; however, young people under the age of 18 are not allowed to vote and are often left out of the democratic process; and

WHEREAS, Several issues are important to the youth in the nation as well as the youth in this State, including, without limitation, education, employment opportunities, participation in state and local government, a safe environment, the prevention of substance abuse, emotional and physical well-being, foster care and access to state and local services; and

WHEREAS, Research shows that the programs designed for youth which are most effective at promoting positive outcomes are framed in terms of the constructive assets the programs seek to build rather than the negative behaviors the programs seek to avoid; and

WHEREAS, There is a growing need to reverse the trend of apathy by engaging our youth directly with policymakers in a manner that will provide genuine opportunities for our youth to acquire civic knowledge and develop the skills necessary to participate fully in a democratic society; and

WHEREAS, Within the past 5 years, Maine, New Mexico, Washington and New Hampshire have enacted bills that create a Youth Issues Forum, which institutionalizes the participation of youth in the policy-making process in those states; and

WHEREAS, The creation of a Youth Issues Forum offers policymakers an opportunity to learn from youth as well as provides a meaningful opportunity for youth to learn about the policy-making process; and

WHEREAS, By providing an avenue for participation, this State will provide our youth with an opportunity to understand the ideals of citizenship and to acquire the knowledge and skills necessary to participate in effective government and appreciate the value of American democracy; now, therefore,

Senate Bill No. 275.

Bill read second time.

The following amendment was proposed by the Committee on Natural Resources, Agriculture, and Mining:

Amendment No. 811.

AN ACT relating to underground water; revising provisions governing the domestic use of underground water from a well; revising the date of priority ~~[of an appropriation]~~ **for the use** of underground water from a well for domestic purposes; authorizing the State Engineer to require the dedication or relinquishment of a water right under certain circumstances; requiring that certain conditions be met if a local ordinance allows the development and use of underground water from a well for an accessory ~~[building]~~ **dwelling unit** of a single-family dwelling; authorizing a county to relinquish a water right under certain circumstances; revising provisions governing parcel maps; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the State Engineer may exempt from the application of chapter 534 of NRS, relating to underground water and wells, the use of

water from a well for a domestic use or purpose if the use or purpose directly relates to a single-family dwelling and the draught does not exceed 1,800 gallons per day. (NRS 534.013, 534.180) Sections 1, 4, 5 and 6 of this bill quantify the maximum limit of domestic use of underground water from a well as 2 acre feet per year instead of 1,800 gallons per day. Sections 1, 4, 6 and 7 of this bill authorize a local ordinance to extend a domestic use or purpose to an accessory ~~[building]~~ **dwelling unit** of ~~[the]~~ **a** single-family dwelling. Section 4 imposes additional responsibilities on the owner of a well, the local governing body or planning commission and the State Engineer if a local ordinance allows the development and use of underground water from a well for an accessory ~~[building]~~ **dwelling unit** of a single-family dwelling **, as defined in the local ordinance,** to qualify as a domestic use or purpose.

Under existing law, a domestic well exempted from chapter 534 of NRS is not assigned a date of priority. (NRS 534.080, 534.180) Section 2 of this bill sets the date of priority for certain domestic wells as the date of completion of the well as recorded by the driller of the well or another date as documented by evidence determined to be adequate by the State Engineer.

Under existing law, the State Engineer, in basins for which the State Engineer maintains pumping records, is required to give notice to an owner of a water right before the water right is forfeited for nonuse of the water. (NRS 534.090) Section 3 of this bill requires the State Engineer to give notice of a forfeiture of water rights for nonuse in all basins regardless of whether he maintains pumping records for the basin.

Under existing law, the State Engineer is required to adopt regulations establishing a program that allows a public water system to receive credits for the addition of new customers in certain designated groundwater basins. (NRS 534.350) Section 6 of this bill authorizes a county to relinquish a right to appropriate water from a domestic well to the State Engineer if the county requires the dedication of that right to the county by the owner of a particular parcel of land. Section 6 further states that, if such an owner becomes a new customer of a public water system, the public water system is entitled to receive a credit in the same manner as the addition of any other customer to the public water system.

Under existing law, a person who proposes to divide any land for transfer or development into four lots or less is required to prepare a parcel map and file it in accordance with local ordinance. (NRS 278.461) Section 7 of this bill requires **such** a person, in addition to filing a parcel map in accordance with **the** local ordinance, to ~~[prepare and file]~~ **provide** a **copy of the** parcel map ~~[with]~~ **to** the Division of Water Resources of the State Department of Conservation and Natural Resources and also to obtain a certificate of approval from the Division of Water Resources if certain conditions occur.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 534.013 is hereby amended to read as follows:

534.013 "Domestic use" or "domestic purposes" extends to culinary and household purposes directly related to ~~[a]~~ ***:***

1. A single-family dwelling ~~[,]~~ ***; and***

2. An accessory ~~*[building]*~~ ***dwelling unit for a single-family dwelling if provided for in an applicable local ordinance,***

➥ including, without limitation, the watering of a family garden and lawn and the watering of livestock and any other domestic animals or household pets, if the amount of water drawn does not exceed the ~~[threshold daily]~~ maximum amount set ***forth*** in NRS 534.180 for exemption from the application of this chapter.

Sec. 1.5. NRS 534.050 is hereby amended to read as follows:

534.050 1. Except as otherwise provided in subsection 2 and NRS 534.180, every person desiring to sink or bore a well in any basin or portion therein in the State designated by the State Engineer, as provided for in this chapter, must first make application to and obtain from the State Engineer a permit to appropriate the water, pursuant to the provisions of chapter 533 of NRS relating to the appropriation of the public waters, before performing any work in connection with the boring or sinking of the well.

2. Upon written application and a showing of good cause, the State Engineer may issue a written waiver of the requirements of subsection 1:

(c) For wells to be drilled in shallow groundwater systems and pumped to alleviate potential hazards to persons and property resulting from the rise of groundwater caused by secondary recharge. If practical, approved by the State Engineer and consistent with this chapter and chapter 533 of NRS, the withdrawn water must be used for some other beneficial use.

3. In other basins or portions of basins which have not been designated by the State Engineer no application or permit to appropriate water is necessary until after the well is sunk or bored and water developed. Before any diversion of water may be made from the well, the appropriator must make application to and obtain from the State Engineer, pursuant to the provisions of chapter 533 of NRS, a permit to appropriate the water.

4. Upon written application and a showing of good cause, the State Engineer may issue a written waiver of the requirements of subsection 3, to allow temporary use of water in constructing a highway or exploring for ***water,*** oil, gas, minerals or geothermal resources.

5. Any person using water after a permit has been withdrawn, denied, cancelled, revoked or forfeited is guilty of a misdemeanor. Each day of violation of this subsection constitutes a separate offense and is separately punishable.

Sec. 2. NRS 534.080 is hereby amended to read as follows:

534.080 1. A legal right to appropriate underground water for beneficial use from an artesian or definable aquifer subsequent to March 22, 1913, or from percolating water, the course and boundaries of which are incapable of determination, subsequent to March 25, 1939, can only be acquired by complying with the provisions of chapter 533 of NRS pertaining to the appropriation of water.

2. The State Engineer may, upon written notice sent by registered or certified mail, return receipt requested, advise the owner of a well who is using water therefrom without a permit to appropriate ~~[such]~~ ***the*** water to cease using ~~[such]~~ ***the*** water until he has complied with the laws pertaining to the appropriation of water. If the owner fails to initiate proceedings to secure such ***a*** permit within 30 days ~~[from]~~ ***after*** the date of ~~[such]~~ ***the*** notice **,** he ~~[shall be]~~ ***is*** guilty of a misdemeanor.

3. ~~[The]~~ ***Except as otherwise provided in subsection 4 and NRS 534.180, the*** date of priority of all appropriations of water from an underground source ~~[,]~~ mentioned in this section ~~[,]~~ is the date when application is made in proper form and filed in the Office of the State Engineer pursuant to the provisions of chapter 533 of NRS.

4. The date of priority ~~[of an appropriation]~~ for the use of underground water from a well for domestic purposes where the draught does not exceed 2 acre feet per year is the date of completion of the well as:

(a) Recorded by the well driller on the log he files with the State Engineer pursuant to NRS 534.170; or

(b) Demonstrated through any other documentation or evidence specified by the State Engineer.

Sec. 3. NRS 534.090 is hereby amended to read as follows:

534.090 1. Except as otherwise provided in this section, failure for 5 successive years after April 15, 1967, on the part of the holder of any right, whether it is an adjudicated right, an unadjudicated right ~~[,]~~ or a permitted right, and further whether the right is initiated after or before March 25, 1939, to use beneficially all or any part of the underground water for the purpose for which the right is acquired or claimed, works a forfeiture of both undetermined rights and determined rights to the use of that water to the extent of the nonuse. ~~[For water rights in basins for which the State Engineer keeps pumping records, if]~~ ***If*** the records of the State Engineer ***or any other documents specified by the State Engineer*** indicate at least 4 consecutive years, but less than 5 consecutive years, of nonuse of all or any part of ~~[such]~~ a water right which is governed by this chapter, the State Engineer shall notify the owner of the water right, as determined in the records of the Office of the State Engineer, by registered or certified mail that he has 1 year after the date of the notice in which to use the water right beneficially and to provide proof of such use to the State Engineer or apply for relief pursuant to subsection 2 to avoid forfeiting the water right. If, after 1 year after the date of the notice, proof of beneficial use is not sent to the State Engineer, the State Engineer shall, unless he has granted a request to extend the time

necessary to work a forfeiture of the water right, declare the right forfeited within 30 days. Upon the forfeiture of a right to the use of groundwater, the water reverts to the public and is available for further appropriation, subject to existing rights. If, upon notice by registered or certified mail to the owner of record whose right has been declared forfeited, the owner of record fails to appeal the ruling in the manner provided for in NRS 533.450, and within the time provided for therein, the forfeiture becomes final. The failure to receive a notice pursuant to this subsection does not nullify the forfeiture or extend the time necessary to work the forfeiture of a water right.

2. The State Engineer may, upon the request of the holder of any right described in subsection 1, extend the time necessary to work a forfeiture under that subsection if the request is made before the expiration of the time necessary to work a forfeiture. The State Engineer may grant, upon request and for good cause shown, any number of extensions, but a single extension must not exceed 1 year. In determining whether to grant or deny a request, the State Engineer shall, among other reasons, consider:

(a) Whether the holder has shown good cause for his failure to use all or any part of the water beneficially for the purpose for which his right is acquired or claimed;

(b) The unavailability of water to put to a beneficial use which is beyond the control of the holder;

(c) Any economic conditions or natural disasters which made the holder unable to put the water to that use;

(d) Any prolonged period in which precipitation in the basin where the water right is located is below the average for that basin or in which indexes that measure soil moisture show that a deficit in soil moisture has occurred in that basin; and

(e) Whether the holder has demonstrated efficient ways of using the water for agricultural purposes, such as center-pivot irrigation.

➥ The State Engineer shall notify, by registered or certified mail, the owner of the water right, as determined in the records of the Office of the State Engineer, of whether he has granted or denied the holder's request for an extension pursuant to this subsection.

3. If the failure to use the water pursuant to subsection 1 is because of the use of center-pivot irrigation before July 1, 1983, and such use could result in a forfeiture of a portion of a right, the State Engineer shall, by registered or certified mail, send to the owner of record a notice of intent to declare a forfeiture. The notice must provide that the owner has at least 1 year ~~[from]~~ ***after*** the date of the notice to use the water beneficially or apply for additional relief pursuant to subsection 2 before forfeiture of his right is declared by the State Engineer.

4. A right to use underground water whether it is vested or otherwise may be lost by abandonment. If the State Engineer, in investigating a groundwater source, upon which there has been a prior right, for the purpose of acting upon an application to appropriate water from the same source, is of

the belief from his examination that an abandonment has taken place, he shall so state in his ruling approving the application. If, upon notice by registered or certified mail to the owner of record who had the prior right, the owner of record of the prior right fails to appeal the ruling in the manner provided for in NRS 533.450, and within the time provided for therein, the alleged abandonment declaration as set forth by the State Engineer becomes final.

Sec. 3.5. NRS 534.120 is hereby amended to read as follows:

534.120 1. Within an area that has been designated by the State Engineer, as provided for in this chapter, where, in his judgment, the groundwater basin is being depleted, the State Engineer in his administrative capacity ~~[is herewith empowered to]~~ ***may*** make such rules, regulations and orders as are deemed essential for the welfare of the area involved.

2. In the interest of public welfare, the State Engineer is authorized and directed to designate preferred uses of water within the respective areas so designated by him and from which the groundwater is being depleted, and in acting on applications to appropriate groundwater, he may designate such preferred uses in different categories with respect to the particular areas involved within the following limits:

(a) Domestic, municipal, quasi-municipal, industrial, irrigation, mining and stock-watering uses; and

(b) Any uses for which a county, city, town, public water district or public water company furnishes the water.

3. Except as otherwise provided in subsection 5, the State Engineer may:

(a) Issue temporary permits to appropriate groundwater which can be limited as to time and which may, except as limited by subsection 4, be revoked if and when water can be furnished by an entity such as a water district or a municipality presently engaged in furnishing water to the inhabitants thereof.

(b) Deny applications to appropriate groundwater for any use in areas served by such an entity.

(c) Limit the depth of domestic wells.

(d) Prohibit the drilling of wells for domestic use, as defined in NRS 534.013 **,** ~~[and 534.0175,]~~ in areas where water can be furnished by an entity such as a water district or a municipality presently engaged in furnishing water to the inhabitants thereof.

(e) In connection with the approval of a parcel map in which any parcel is proposed to be served by a domestic well, require the dedication to a city or county or a designee of a city or county, or require a relinquishment to the State Engineer, of any right to appropriate water required by the State Engineer to ensure a sufficient supply of water for each of those parcels, unless the dedication of the right to appropriate water is required by a local ordinance.

4. The State Engineer may revoke a temporary permit issued pursuant to subsection 3 for residential use, and require a person to whom groundwater was appropriated pursuant to the permit to obtain water from an entity such

as a water district or a municipality engaged in furnishing water to the inhabitants of the designated area, only if:

(a) The distance from the property line of any parcel served by a well pursuant to a temporary permit to the pipes and other appurtenances of the proposed source of water to which the property will be connected is not more than 180 feet; and

(b) The well providing water pursuant to the temporary permit needs to be redrilled or have repairs made which require the use of a well-drilling rig.

5. The State Engineer may, in an area in which he has issued temporary permits pursuant to subsection 3, limit the depth of a domestic well pursuant to paragraph (c) of subsection 3 or prohibit repairs from being made to a well, and may require the person proposing to deepen or repair the well to obtain water from an entity such as a water district or a municipality engaged in furnishing water to the inhabitants of the designated area, only if:

(a) The distance from the property line of any parcel served by the well to the pipes and other appurtenances of the proposed source of water to which the property will be connected is not more than 180 feet; and

(b) The deepening or repair of the well would require the use of a well-drilling rig.

6. For good and sufficient reasons, the State Engineer may exempt the provisions of this section with respect to public housing authorities.

7. ~~[Nothing in this section prohibits]~~ ***The provisions of this section do not prohibit*** the State Engineer from revoking a temporary permit issued pursuant to this section if any parcel served by a well pursuant to the temporary permit is currently obtaining water from an entity such as a water district or a municipality engaged in furnishing water to the inhabitants of the area.

Sec. 4. NRS 534.180 is hereby amended to read as follows:

534.180 1. Except as otherwise provided in subsection 2 and as to the furnishing of any information required by the State Engineer, this chapter does not apply in the matter of obtaining permits for the development and use of underground water from a well for domestic purposes where the draught does not exceed ~~[a daily maximum of 1,800 gallons.]~~ ***2 acre feet per year.***

2. The State Engineer may designate any groundwater basin or portion thereof as a basin in which the registration of a well is required if the well is drilled for the development and use of underground water for domestic purposes. A driller who drills such a well shall register the information required by the State Engineer within 10 days after the completion of the well. The State Engineer shall make available forms for the registration of such wells and shall maintain a register of those wells.

3. The State Engineer may require the plugging of such a well which is drilled on or after July 1, 1981, at any time not sooner than 1 year after water can be furnished to the site by:

(a) A political subdivision of this State; or

(b) A public utility whose rates and service are regulated by the Public Utilities Commission of Nevada,

➥ but only if the charge for making the connection to the service is less than $200.

4. If the development and use of underground water from a well for an accessory ~~[building]~~ dwelling unit of a single-family dwelling , as defined in an applicable local ordinance, qualifies as a domestic use or domestic purpose : ~~[pursuant to an applicable local ordinance:]~~

(a) The owner of the well shall:

(1) Obtain approval for that use or purpose from the local governing body or planning commission in whose jurisdiction the well is located;

(2) Install a water meter capable of measuring the total withdrawal of water from the well; and

(3) Ensure the total withdrawal of water from the well does not exceed 2 acre feet per year;

(b) The local governing body or planning commission shall report the ~~[withdrawal of water from the well]~~ approval of the accessory dwelling unit on a form provided by the State Engineer;

(c) The State Engineer shall monitor the annual withdrawal of water from the well; and

(d) The date of priority for the use of the domestic well to supply water to the accessory ~~[building]~~ dwelling unit is the date of approval of the accessory ~~[building]~~ dwelling unit by the local governing body or planning commission.

Sec. 5. NRS 534.185 is hereby amended to read as follows:

534.185 1. The State Engineer shall, upon written request and receipt of a written agreement between the affected property owners, waive the requirements of this chapter regarding permits for the use and development of underground water from a well if:

(a) The well existed on July 1, 1983;

(b) It is used solely for domestic purposes by not more than three single-family dwellings; and

(c) Each of those dwellings does not draw more than ~~[1,800 gallons]~~ ***2 acre feet*** of water ~~[in a day.]~~ ***per year.***

2. The State Engineer may require an owner who has been granted such a waiver to apply for a permit if one or more of the dwellings is drawing more than ~~[1,800 gallons]~~ ***2 acre feet*** of water ~~[in a day.]~~ ***per year.***

3. This section does not apply to any groundwater basin for which the State Engineer has in effect on July 1, 1983, a procedure of issuing revocable permits.

Sec. 6. NRS 534.350 is hereby amended to read as follows:

534.350 1. The State Engineer shall adopt regulations establishing a program that allows a public water system to receive credits, as provided in this section, for the addition of new customers to the system. The program must be limited to public water systems in areas:

(a) Designated as groundwater basins by the State Engineer pursuant to the provisions of NRS 534.030; and

(b) In which the State Engineer has denied one or more applications for any municipal uses of groundwater.

2. Before the State Engineer adopts any regulations pursuant to this section regarding any particular groundwater basin, he shall hold a public hearing:

(a) Within the basin to which the regulations will apply if adequate facilities to hold a hearing are available within that basin; or

(b) In all other cases, within the county where the major portion of that basin lies,

➥ to take testimony from any interested persons regarding the proposed regulations.

3. Upon adoption of the regulations required by this section regarding a particular groundwater basin, a public water system which provides service in that basin is entitled to receive a credit for each customer who is added to the system after the adoption of those regulations and:

(a) Voluntarily ceases to draw water from a domestic well located within that basin; or

(b) Is the owner of a lot or other parcel of land, other than land used or intended solely for use as a location for a ~~[water]~~ ***domestic*** well, which:

(1) Is located within that basin;

(2) Was established as a separate lot or parcel before July 1, 1993;

(3) Was approved by a local governing body or planning commission for service by an individual domestic well before July 1, 1993; and

(4) Is subject to a written agreement which was voluntarily entered into by the owner with the public water system pursuant to which the owner agrees not to drill a domestic well on the land and the public water system agrees that it will provide water service to the land. Any such agreement must be acknowledged and recorded in the same manner as conveyances affecting real property are required to be acknowledged and recorded pursuant to chapter 111 of NRS.

4. ***If a county requires, by ordinance, the dedication to the county of a right to appropriate water from a domestic well which is located on a lot or other parcel of land that was established as a separate lot or parcel on or after July 1, 1993, the county may, by relinquishment to the State Engineer, allow the right to appropriate water to revert to the source of the water. The State Engineer shall not accept a relinquishment of a right to appropriate water pursuant to this subsection unless the right is in good standing as determined by the State Engineer. A right to appropriate water that is dedicated and relinquished pursuant to this subsection:***

(a) Remains appurtenant only to the parcel of land in which it is located as specified on the parcel map ***;*** ~~***[for the parcel of land;]***~~ ***and***

(b) Maintains its date of priority established pursuant to NRS 534.080.

5. If an owner of a parcel of land specified in subsection 4 becomes a new customer of a public water system for that parcel of land, the public water system is entitled to receive a credit in the same manner as the addition of any other customer to the public water system pursuant to this section.

6. The State Engineer may require a new customer, who voluntarily ceases to draw water from a domestic well as provided in paragraph (a) of subsection 3 ~~[,]~~ ***or whose right to appropriate water is dedicated pursuant to subsection 4,*** to plug that well.

~~[5.]~~ ***7.*** A credit granted pursuant to this section:

(a) Must be sufficient to enable the public water system to add one service connection for a single-family dwelling to the system, except that the credit may not exceed the increase in water consumption attributable to the additional service connection or ~~[1,800 gallons per day,]~~ ***2 acre feet per year,*** whichever is less.

(b) May not be converted to an appropriative water right.

~~[6.]~~ ***8.*** This section does not:

(a) Require a public water system to extend its service area.

(b) Authorize any increase in the total amount of groundwater pumped in a groundwater basin.

(c) Affect any rights of an owner of a domestic well who does not voluntarily bring himself within the provisions of this section.

~~[7.]~~ ***9.*** As used in this section:

(a) "Domestic well" means a well used for culinary and household purposes in ~~[a]~~ ***:***

(1) A single-family dwelling ~~[,]~~ ***; and***

(2) An accessory ~~*[building]*~~ ***dwelling unit for a single-family dwelling if provided for in an applicable local ordinance,***

➥ including the watering of a garden, lawn and domestic animals and where the draught does not exceed ~~[1,800 gallons per day.]~~ ***2 acre feet per year.***

(b) "Public water system" has the meaning ascribed to it in NRS 445A.840.

Sec. 7. NRS 278.461 is hereby amended to read as follows:

278.461 1. Except as otherwise provided in this section, a person who proposes to divide any land for transfer or development into four lots or less shall:

(a) Prepare a parcel map and file the number of copies, as required by local ordinance, of the parcel map with the planning commission or its designated representative or, if there is no planning commission, with the clerk of the governing body; and

(b) Pay a filing fee in an amount determined by the governing body,

➥ unless ~~[these]~~ ***those*** requirements are waived or the provisions of NRS 278.471 to 278.4725, inclusive, apply. The map must be accompanied by a written statement signed by the treasurer of the county in which the land

to be divided is located indicating that all property taxes on the land for the fiscal year have been paid.

2. ***In addition to any other requirement set forth in this section, a person who*** ~~[proposes to divide any land for transfer or development shall prepare and]~~ ***is required to prepare a parcel map pursuant to subsection 1 shall provide a copy of*** ~~[a]~~ ***the parcel map to the Division of Water Resources of the State Department of Conservation and Natural Resources and obtain a certificate from the Division indicating that the parcel map is approved as to the quantity of water available for use if:***

(a) Any parcel included in the parcel map:

(1) Is within or partially within a basin designated by the State Engineer pursuant to NRS 534.120 for which the State Engineer has issued an order requiring approval by him of the parcel map; and

(2) Will be served by a domestic well; and

(b) The dedication of a right to appropriate water to ensure a sufficient supply of water is not required by an applicable local ordinance.

3. If the parcel map is submitted to the clerk of the governing body, he shall submit the parcel map to the governing body at its next regular meeting.

~~[3.]~~ ***4.*** A common-interest community consisting of four units or less shall be deemed to be a division of land within the meaning of this section, but need only comply with this section and NRS 278.371, 278.373 to 278.378, inclusive, 278.462, 278.464 and 278.466.

~~[4.]~~ ***5.*** A parcel map is not required when the division is for the express purpose of:

(a) The creation or realignment of a public right-of-way by a public agency.

(b) The creation or realignment of an easement.

(c) An adjustment of the boundary line between two abutting parcels or the transfer of land between two owners of abutting parcels, which does not result in the creation of any additional parcels, if such an adjustment is approved pursuant to NRS 278.5692 and is made in compliance with the provisions of NRS 278.5693.

(d) The purchase, transfer or development of space within an apartment building or an industrial or commercial building.

(e) Carrying out an order of any court or dividing land as a result of an operation of law.

~~[5.]~~ ***6.*** A parcel map is not required for any of the following transactions involving land:

(a) The creation of a lien, mortgage, deed of trust or any other security instrument.

(b) The creation of a security or unit of interest in any investment trust regulated under the laws of this State or any other interest in an investment entity.

(c) Conveying an interest in oil, gas, minerals or building materials, which is severed from the surface ownership of real property.

(d) Conveying an interest in land acquired by the Department of Transportation pursuant to chapter 408 of NRS.

(e) Filing a certificate of amendment pursuant to NRS 278.473.

~~[6.]~~ ***7.*** When two or more separate lots, parcels, sites, units or plots of land are purchased, they remain separate for the purposes of this section and NRS 278.468, 278.590 and 278.630. When the lots, parcels, sites, units or plots are resold or conveyed they are exempt from the provisions of NRS 278.010 to 278.630, inclusive, until further divided.

~~[7.]~~ ***8.*** Unless a method of dividing land is adopted for the purpose or would have the effect of evading this chapter, the provisions for the division of land by a parcel map do not apply to a transaction exempted by paragraph (c) of subsection 1 of NRS 278.320.

9. As used in this section, "domestic well" has the meaning ascribed to it in NRS 534.350.

Sec. 8. NRS 278.464 is hereby amended to read as follows:

278.464 1. Except as otherwise provided in subsection 2, if there is a planning commission, it shall:

(a) In a county whose population is 400,000 or more, within 45 days; or

(b) In a county whose population is less than 400,000, within 60 days,

➥ after accepting as a complete application a parcel map, recommend approval, conditional approval or disapproval of the map in a written report. The planning commission shall submit the parcel map and the written report to the governing body.

2. If the governing body has authorized the planning commission to take final action on a parcel map, the planning commission shall:

(a) In a county whose population is 400,000 or more, within 45 days; or

(b) In a county whose population is less than 400,000, within 60 days,

➥ after accepting as a complete application the parcel map, approve, conditionally approve or disapprove the map. The planning commission shall file its written decision with the governing body. Unless the time is extended by mutual agreement, if the planning commission is authorized to take final action and it fails to take action within the period specified in this subsection, the parcel map shall be deemed approved.

3. If there is no planning commission or if the governing body has not authorized the planning commission to take final action, the governing body or, by authorization of the governing body, the director of planning or other authorized person or agency shall:

(a) In a county whose population is 400,000 or more, within 45 days; or

(b) In a county whose population is less than 400,000, within 60 days,

➥ after acceptance of the parcel map as a complete application by the governing body pursuant to subsection 1 or pursuant to subsection ~~[2]~~ ***3*** of NRS 278.461, review and approve, conditionally approve or disapprove the parcel map. Unless the time is extended by mutual agreement, if the governing body, the director of planning or other authorized person or

agency fails to take action within the period specified in this subsection, the parcel map shall be deemed approved.

4. Except as otherwise provided in NRS 278.463, if unusual circumstances exist, a governing body or, if authorized by the governing body, the planning commission may waive the requirement for a parcel map. Before waiving the requirement for a parcel map, a determination must be made by the county surveyor, city surveyor or professional land surveyor appointed by the governing body that a survey is not required. Unless the time is extended by mutual agreement, a request for a waiver must be acted upon:

(a) In a county whose population is 400,000 or more, within 45 days; or

(b) In a county whose population is less than 400,000, within 60 days,

➥ after the date of the request for the waiver or, in the absence of action, the waiver shall be deemed approved.

5. A governing body may consider or may, by ordinance, authorize the consideration of the criteria set forth in subsection 3 of NRS 278.349 in determining whether to approve, conditionally approve or disapprove a second or subsequent parcel map for land that has been divided by a parcel map which was recorded within the 5 years immediately preceding the acceptance of the second or subsequent parcel map as a complete application.

6. An applicant or other person aggrieved by a decision of the governing body's authorized representative or by a final act of the planning commission may appeal the decision in accordance with the ordinance adopted pursuant to NRS 278.3195.

7. If a parcel map and the associated division of land are approved or deemed approved pursuant to this section, the approval must be noted on the map in the form of a certificate attached thereto and executed by the clerk of the governing body, the governing body's designated representative or the chairman of the planning commission. A certificate attached to a parcel map pursuant to this subsection must indicate, if applicable, that the governing body or planning commission determined that a public street, easement or utility easement which will not remain in effect after a merger and resubdivision of parcels conducted pursuant to NRS 278.4925 has been vacated or abandoned in accordance with NRS 278.480.

Sec. 8.5. NRS 278.466 is hereby amended to read as follows:

The parcel map must be legibly drawn in permanent black ink on tracing cloth or produced by the use of other materials of a permanent nature generally used for that purpose in the engineering profession. Affidavits, certificates and acknowledgments must be legibly stamped or printed upon the map with permanent black ink. The size of each sheet must be 24 by 32 inches. A marginal line must be drawn completely around each sheet, leaving an entirely blank margin of 1 inch at the top, bottom and right edges, and of 2 inches at the left edge along the 24-inch dimension.

2. A parcel map must indicate the owner of any adjoining land, or any right-of-way if owned by the person dividing the land.

➥ if the security interest was created by a mortgage or a deed of trust.

(b) The written consent of each holder of record of a security interest listed pursuant to subparagraph (2) of paragraph (a) to the preparation and recordation of the parcel map. A holder of record of a security interest may consent by signing:

(1) The parcel map; or

(2) A separate document that is recorded with the parcel map and declares his consent to the division of land, if the map contains a notation that a separate document has been recorded to this effect.

6. If the requirement for a parcel map is waived, the governing body may specify by local ordinance the type and extent of information or mapping necessary for the division of land.

7. Reference to the parcel number and recording data of a recorded parcel map is a complete legal description of the land contained in the parcel.

Sec. 9. NRS 278.5693 is hereby amended to read as follows:

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 793.

AN ACT relating to civil liability; enacting provisions relating to civil liability for causing the injury or death of certain pets; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under general legal principles, a pet is considered the personal property of its owner. If a person negligently, recklessly, willfully or intentionally injures or kills the pet of another person, the owner of the pet may recover the same

damages that the owner could recover for damage to or destruction of the owner's personal property. Section 1 of this bill replaces this general legal principle with a statutory provision which provides that a person who intentionally, willfully, recklessly or negligently injures or kills the dog or cat of another person is liable for certain economic damages and that the award of such damages must not exceed $5,000. Under section 1, punitive damages and noneconomic damages may not be awarded.

Section 2 of this bill provides that the owner of the dog or cat must bring an action within 2 years after the cause of action accrues.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 41 of NRS is hereby amended by adding thereto a new section to read as follows:

1. Except as otherwise provided in subsection 4, if a natural person intentionally, willfully, recklessly or negligently injures or kills the pet of another natural person, the person is liable for the following:

4. If a corporate charter has been revoked pursuant to the provisions of this chapter and has remained revoked for a period of 5 consecutive years, the charter must not be reinstated.

5. Except as otherwise provided in NRS 78.185, a reinstatement pursuant to this section relates back to the date on which the corporation forfeited its right to transact business under the provisions of this chapter and reinstates the corporation's right to transact business as if such right had at all times remained in full force and effect.

Sec. 4. NRS 78.185 is hereby amended to read as follows:

78.185 1. Except as otherwise provided in subsection 2, if a corporation applies to reinstate or revive its charter but its name has been legally reserved or acquired by another artificial person formed, organized, registered or qualified pursuant to the provisions of this title whose name is on file with the Office of the Secretary of State or reserved in the Office of the Secretary of State pursuant to the provisions of this title, the corporation shall in its application for reinstatement submit in writing to the Secretary of State some other name under which it desires its corporate existence to be reinstated or revived. If that name is distinguishable from all other names reserved or otherwise on file, the Secretary of State shall ~~[reinstatement]~~ ***reinstate*** the corporation under that new name. Upon the issuance of a certificate of reinstatement or revival under that new name, the articles of incorporation of the applying corporation shall be deemed to reflect the new name without the corporation having to comply with the provisions of NRS 78.385, 78.390 or 78.403.

2. If the applying corporation submits the written, acknowledged consent of the artificial person having a name, or the person who has reserved a name, which is not distinguishable from the old name of the applying corporation or a new name it has submitted, it may be reinstated or revived under that name.

3. For the purposes of this section, a proposed name is not distinguishable from a name on file or reserved name solely because one or the other contains distinctive lettering, a distinctive mark, a trademark or a trade name, or any combination of these.

4. The Secretary of State may adopt regulations that interpret the requirements of this section.

Sec. 5. NRS 78.235 is hereby amended to read as follows:

78.235 1. Except as otherwise provided in subsection 4, every stockholder is entitled to have a certificate, signed by officers or agents designated by the corporation for the purpose, certifying the number of shares ~~[owned by him]~~ in the corporation ~~[.]~~ ***owned by the stockholder. A corporation has no power to issue a certificate in bearer form, and any such certificate that is issued is void and of no force or effect.***

2. Whenever any certificate is countersigned or otherwise authenticated by a transfer agent or transfer clerk, and by a registrar, then a facsimile of the signatures of the officers or agents, the transfer agent or transfer clerk or the registrar of the corporation may be printed or lithographed upon the certificate in lieu of the actual signatures. If a corporation uses facsimile signatures of its officers and agents on its stock certificates, it cannot act as registrar of its own stock, but its transfer agent and registrar may be identical if the institution acting in those dual capacities countersigns or otherwise authenticates any stock certificates in both capacities.

3. If any officer or officers who have signed, or whose facsimile signature or signatures have been used on, any certificate or certificates for stock cease to be an officer or officers of the corporation, whether because of death, resignation or other reason, before the certificate or certificates have been delivered by the corporation, the certificate or certificates may nevertheless be adopted by the corporation and be issued and delivered as though the person or persons who signed the certificate or certificates, or whose facsimile signature or signatures have been used thereon, had not ceased to be an officer or officers of the corporation.

4. Unless otherwise provided in the articles of incorporation or bylaws, the board of directors may authorize the issuance of uncertificated shares of some or all of the shares of any or all of its classes or series. The issuance of uncertificated shares has no effect on existing certificates for shares until surrendered to the corporation, or on the respective rights and obligations of the stockholders. Unless otherwise provided by a specific statute, the rights and obligations of stockholders are identical whether or not their shares of stock are represented by certificates.

5. Within a reasonable time after the issuance or transfer of shares without certificates, the corporation shall send the stockholder a written statement containing the information required on the certificates pursuant to subsection 1. At least annually thereafter, the corporation shall provide to its stockholders of record, a written statement confirming the information

contained in the informational statement previously sent pursuant to this subsection.

6. Unless otherwise provided in the articles of incorporation or bylaws, a corporation may issue a new certificate of stock or, if authorized by the board of directors pursuant to subsection 4, uncertificated shares in place of a certificate previously issued by it and alleged to have been lost, stolen or destroyed. A corporation may require an owner or legal representative of an owner of a lost, stolen or destroyed certificate to give the corporation a bond or other security sufficient to indemnify it against any claim that may be made against it for the alleged loss, theft or destruction of a certificate, or the issuance of a new certificate or uncertificated shares.

Sec. 6. NRS 78.315 is hereby amended to read as follows:

78.315 1. Unless the articles of incorporation or the bylaws provide for a greater or lesser proportion, a majority of the board of directors of the corporation then in office, at a meeting duly assembled, is necessary to constitute a quorum for the transaction of business, and the act of directors holding a majority of the voting power of the directors, present at a meeting at which a quorum is present, is the act of the board of directors.

2. Unless otherwise restricted by the articles of incorporation or bylaws, any action required or permitted to be taken at a meeting of the board of directors or of a committee thereof may be taken without a meeting if, before or after the action, a written consent thereto is signed by all the members of the board or of the committee ~~[.]~~ ***, except that such written consent is not required to be signed by:***

(a) A common or interested director who abstains in writing from providing consent to the action. If a common or interested director abstains in writing from providing consent:

(1) The fact of the common directorship, office or financial interest must be known to the board of directors or committee before a written consent is signed by all the members of the board of the committee.

(2) Such fact must be described in the written consent.

(3) The board of directors or committee must approve, authorize or ratify the action in good faith by unanimous consent without counting the abstention of the common or interested director.

(b) A director who is a party to an action, suit or proceeding who abstains in writing from providing consent to the action of the board of directors or committee. If a director who is a party to an action, suit or proceeding abstains in writing from providing consent on the basis that he is a party to an action, suit or proceeding, the board of directors or committee must:

(1) Make a determination pursuant to NRS 78.751 that indemnification of the director is proper under the circumstances.

(2) Approve, authorize or ratify the action of the board of directors or committee in good faith by unanimous consent without counting the abstention of the director who is a party to an action, suit or proceeding.

3. Unless otherwise restricted by the articles of incorporation or bylaws, members of the board of directors or the governing body of any corporation, or of any committee designated by such board or body, may participate in a meeting of the board, body or committee by means of a telephone conference or similar methods of communication by which all persons participating in the meeting can hear each other. Participation in a meeting pursuant to this subsection constitutes presence in person at the meeting.

Sec. 7. NRS 78.320 is hereby amended to read as follows:

78.320 1. Unless this chapter, the articles of incorporation or the bylaws provide for different proportions:

(a) A majority of the voting power, which includes the voting power that is present in person or by proxy, regardless of whether the proxy has authority to vote on all matters, constitutes a quorum for the transaction of business; and

(b) Action by the stockholders on a matter other than the election of directors is approved if the number of votes cast in favor of the action exceeds the number of votes cast in opposition to the action.

2. Unless otherwise provided in the articles of incorporation or the bylaws, any action required or permitted to be taken at a meeting of the stockholders may be taken without a meeting if, before or after the action, a written consent thereto is signed by stockholders holding at least a majority of the voting power, except that if a different proportion of voting power is required for such an action at a meeting, then that proportion of written consents is required.

3. In no instance where action is authorized by written consent need a meeting of stockholders be called or notice given.

4. Unless otherwise restricted by the articles of incorporation or bylaws, stockholders may participate in a meeting of stockholders by means of a telephone conference or similar methods of communication by which all persons participating in the meeting can hear each other. Participation in a meeting pursuant to this subsection constitutes presence in person at the meeting.

5. Unless ~~[otherwise provided in]~~ this chapter, the articles of incorporation or the bylaws ~~[,]~~ ***provide for different proportions,*** if voting by a class or series of stockholders is permitted or required ~~[, a]~~ ***:***

(a) A majority of the voting power of the class or series that is present in person or by proxy, regardless of whether the proxy has authority to vote on all matters, constitutes a quorum for the transaction of business ~~[.]~~ ***; and***

(b) An act by the stockholders of each class or series is approved if a majority of the voting power of a quorum of the class or series votes for the action.

Sec. 8. NRS 78.330 is hereby amended to read as follows:

78.330 1. Unless elected pursuant to NRS 78.320, ***or unless the articles of incorporation or the bylaws require more than a plurality of the votes cast,*** directors of every corporation must be elected at the annual

meeting of the stockholders by a plurality of the votes cast at the election. Unless otherwise provided in this chapter or in the bylaws, the board of directors has the authority to set the date, time and place for the annual meeting of the stockholders. If for any reason directors are not elected pursuant to NRS 78.320 or at the annual meeting of the stockholders, they may be elected at any special meeting of the stockholders which is called and held for that purpose. Unless otherwise provided in the articles of incorporation or bylaws, each director holds office after the expiration of his term until his successor is elected and qualified, or until he resigns or is removed.

2. The articles of incorporation or the bylaws may provide for the classification of directors as to the duration of their respective terms of office or as to their election by one or more authorized classes or series of shares, but at least one-fourth in number of the directors of every corporation must be elected annually. If an amendment reclassifying the directors would otherwise increase the term of a director, unless the amendment is to the articles of incorporation and otherwise provides, the term of each incumbent director on the effective date of the amendment terminates on the date it would have terminated had there been no reclassification.

3. The articles of incorporation may provide that the voting power of individual directors or classes of directors may be greater than or less than that of any other individual directors or classes of directors, and the different voting powers may be stated in the articles of incorporation or may be dependent upon any fact or event that may be ascertained outside the articles of incorporation if the manner in which the fact or event may operate on those voting powers is stated in the articles of incorporation. If the articles of incorporation provide that any directors may have voting power greater than or less than other directors, every reference in this chapter to a majority or other proportion of directors shall be deemed to refer to a majority or other proportion of the voting power of all of the directors or classes of directors, as may be required by the articles of incorporation.

Sec. 9. NRS 78.565 is hereby amended to read as follows:

78.565 1. Unless otherwise provided in the articles of incorporation, every corporation may, by action taken at any meeting of its board of directors, sell, lease or exchange all of its property and assets, including its goodwill and its corporate franchises, upon such terms and conditions as its board of directors may approve, when and as authorized by the affirmative vote of stockholders holding stock in the corporation entitling them to exercise at least a majority of the voting power **.** ~~[given at a stockholders' meeting called for that purpose.]~~

2. Unless otherwise provided in the articles of incorporation, a vote of stockholders is not necessary:

(a) For a transfer of assets by way of mortgage, or in trust or in pledge to secure indebtedness of the corporation; or

(b) To abandon the sale, lease or exchange of assets.

Senate Bill No. 502.

Bill read second time.

The following amendment was proposed by the Committee on Taxation:

Amendment No. 850.

AN ACT relating to taxes on retail sales; revising various provisions governing sales and use taxes to ensure continued compliance with the Streamlined Sales and Use Tax Agreement; providing for the direct payment by certain purchasers of any sales and use taxes due to an Indian reservation or Indian colony in this State; providing for the submission to the voters of the question whether the Sales and Use Tax Act of 1955 should be amended to repeal a tax exemption for the sale of aircraft and major components of aircraft to an airline based in Nevada and to authorize the Legislature to amend or repeal a provision of that Act without additional voter approval when necessary to carry out a federal law or interstate agreement for the administration of sales and use taxes; repealing certain obsolete provisions for the administration of sales and use taxes; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for the administration of sales and use taxes in this State pursuant to the Simplified Sales and Use Tax Administration Act, the Sales and Use Tax Act and the Local School Support Tax Law. (Chapters 360B, 372 and 374 of NRS) Under existing law, the Legislature has found and declared that this State should enter into an interstate agreement to simplify and modernize sales and use tax administration to reduce the burden of tax compliance for all sellers and types of commerce. (NRS 360B.020) Existing law requires the Nevada Tax Commission to enter into the Streamlined Sales and Use Tax Agreement and take all other actions reasonably required to implement the provisions of the Agreement. (NRS 360B.110) Sections 2, 5-7 and 15-17 of this bill set forth and clarify various administrative definitions required pursuant to the Agreement, as amended. Section 3 of this bill contains the requirements of a recent amendment to the Agreement regarding the certification by the State of the software of certain computer programs that calculate the taxes due on a sale and the provision of a limited waiver of liability for the persons who rely on that certification. Section 9 of this bill carries out a recent amendment to the Agreement regarding the conditions under which multiple remittances of taxes may be required for a single tax return from a seller who registers under

the Agreement. Section 10 of this bill clarifies the duties of the Department of Taxation to post on its website certain tax information required by the Agreement. Section 11 of this bill clarifies the statutory provisions governing the contents and use of a list required by the Agreement for determining the combined rate of taxes imposed in each zip code. Section 12 of this bill carries out and clarifies the requirements of the Agreement, as amended, to waive the liability of sellers and purchasers who rely on the tax information posted on the Department's website in accordance with the Agreement.

Existing law authorizes a person who obtains a direct pay permit to pay any applicable sales and use taxes due on certain purchases directly to this State and its local governments instead of to the seller. (NRS 360B.260) Section 13 of this bill additionally provides for the direct payment of any applicable sales and use taxes due on such a purchase to an Indian reservation or Indian colony in this State.

Under existing law, persons who desire to conduct business as sellers in this State must register pursuant to the Streamlined Sales and Use Tax Agreement or obtain permits from the Department of Taxation. (NRS 372.125 and 374.130) Sections 18-20 and 28-30 of this bill clarify that the statutory provisions applicable to an application for such a permit do not apply to the registration of a seller pursuant to the Agreement.

Existing law creates a presumption that a sale is subject to sales and use taxes unless the seller obtains a certificate from the purchaser indicating that the property is purchased for resale. (NRS 372.155, 372.225, 374.160, 374.230) Sections 21-25 and 31-35 of this bill revise the statutory provisions governing resale certificates to combine some of the existing provisions for clarity and to carry out the requirements of the Streamlined Sales and Use Tax Agreement regarding the acceptance of resale certificates from certain third-party vendors, the contents of resale certificates and the liability of a seller for the improper use of a resale certificate by a purchaser.

Existing law prohibits the Department of Taxation, in administering use taxes, from considering the taxability of certain property acquired free of charge at a convention, trade show or other public event. (NRS 372.7275, 374.726) Sections 27 and 37 of this bill ensure that existing law does not appear to create a threshold for the application of a sales or use tax, as prohibited by the Streamlined Sales and Use Tax Agreement.

Existing law authorizes the adoption of an ordinance for the imposition of a sales and use tax in Clark County to employ and equip additional police officers. (Clark County Sales and Use Tax Act of 2005) Section 38 of this bill revises the requirements for such an ordinance in accordance with the provisions of the Streamlined Sales and Use Tax Agreement requiring a common state and local tax base and imposing restrictions on the date of implementation of changes in tax rates.

Existing law includes various provisions of the Sales and Use Tax Act of 1955. (NRS 372.010-372.115, 372.185-372.205, 372.260-372.284, 372.285-372.325, 372.327-372.345, 372.350) Under existing law, the provisions of

that Act, which was submitted to and approved by the voters at the 1956 General Election, cannot be amended or repealed without additional voter approval. (Nev. Const. Art. 19, § 1) Sections 39-47 of this bill provide for the submission to the voters of an amendment to that Act to authorize the Legislature to amend that Act without any additional voter approval as necessary to carry out any federal law or interstate agreement for the administration of sales and use taxes, **unless the amendment would increase the rate of a tax imposed pursuant to that Act,** and to repeal a section of that Act that was declared unconstitutional by the Nevada Supreme Court in ***Worldcorp v. State, Department of Taxation***, 113 Nev. 1032 (1997).

Section 49 of this bill repeals NRS 360B.270 in accordance with a recent amendment to the Streamlined Sales and Use Tax Agreement, NRS 372.160, 372.230, 374.165 and 374.235, the provisions of which have been incorporated into other statutes by sections 21, 24, 31 and 34 of this bill, NRS 372.728 and 374.728, which are obsolete, and, if the proposed amendment to the Sales and Use Tax Act of 1955 is approved by the voters, NRS 372.726, which provides for the administration of the section hat was declared unconstitutional.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 360B of NRS is hereby amended by adding thereto the provisions set forth as sections 2 and 3 of this act.

1. Review the software submitted for the certification of a certified automated system pursuant to the Agreement and, if the Department determines that the software adequately classifies each exemption from the sales and use taxes imposed in this State which is based upon the description of a product, certify its acceptance of the classifications made by the system.

2. Except as otherwise provided in subsection 3:

(a) If a certified service provider acting on behalf of a registered seller fails to collect the correct amount of any sales or use tax imposed in this State as a result of his reliance on the certification of the Department pursuant to subsection 1 regarding the certified automated system used by that certified service provider, waive any liability of the certified service provider, and of the registered seller on whose behalf the certified service provider is acting, for:

(1) The amount of the sales or use tax which the registered seller fails to collect as a result of that reliance; and

(2) Any penalties and interest on that amount.

3. Notify a certified service provider or a registered seller who elects to use a certified automated system pursuant to subsection 3 of NRS 360B.200 if the Department determines that the taxability of any item or transaction is being incorrectly classified by the certified automated system used by the certified service provider or registered seller. The provisions of subsection 2 do not require the waiver of any liability for the incorrect classification of an item or transaction regarding which notice was provided to the certified service provider or registered seller pursuant to this subsection if the incorrect classification occurs more than 10 days after the receipt of that notice.

Sec. 4. NRS 360B.030 is hereby amended to read as follows:

360B.060 "Certified service provider" means an agent certified ~~[jointly by the states that are signatories]~~ ***pursuant*** to the Agreement to perform all of a seller's sales ***and use*** tax functions ~~[.]~~ ***, other than the seller's obligation to remit the taxes on its own purchases.***

Sec. 9. NRS 360B.200 is hereby amended to read as follows:

360B.200 1. The Department shall, in cooperation with any other states that are members of the Agreement, establish and maintain a central, electronic registration system that allows a seller to register to collect and remit the sales and use taxes imposed in this State and in the other states that are members of the Agreement.

2. A seller who registers pursuant to this section agrees to collect and remit sales and use taxes in accordance with the provisions of this chapter, the regulations of the Department and the applicable law of each state that is a member of the Agreement, including any state that becomes a member of the Agreement after the registration of the seller pursuant to this section. The cancellation or revocation of the registration of a seller pursuant to this section, the withdrawal of a state from the Agreement or the revocation of the Agreement does not relieve a seller from liability pursuant to this subsection to remit any taxes previously or subsequently collected on behalf of a state.

3. When registering pursuant to this section, a seller may:

(a) Elect to use a certified service provider as its agent to perform all the functions of the seller relating to sales and use taxes, other than the obligation of the seller to remit the taxes on its own purchases;

(b) Elect to use a certified automated system to calculate the amount of sales or use taxes due on its sales transactions;

(c) Under such conditions as the Department deems appropriate in accordance with the Agreement, elect to use its own proprietary automated system to calculate the amount of sales or use taxes due on its sales transactions; or

(d) Elect to use any other method authorized by the Department for performing the functions of the seller relating to sales and use taxes.

4. A seller who registers pursuant to this section agrees to submit its sales and use tax returns, and to remit any sales and use taxes due, to the Department at such times and in such a manner and format as the Department prescribes by regulation. Those regulations must:

(a) Require from each seller who registers pursuant to this section:

(1) Only one tax return for each taxing period for all the sales and use taxes collected on behalf of this State and each local government in this State; and

(2) Only one remittance of taxes for each tax return, except that the Department may require additional remittances of taxes if ~~[:~~

~~(I) The seller collects]~~ ***the seller:***

(I) Collects more than $30,000 in sales and use taxes on behalf of this State and the local governments in this State during the preceding calendar year;

(II) ~~[The]~~ ***Is allowed to determine the*** amount of ~~[the]~~ ***any*** additional remittance ~~[is determined]~~ by a method of calculation instead of by the actual amount collected; and

(III) ~~[The seller is]~~ ***Is*** not required to file any tax returns in addition to those otherwise required in accordance with this subsection.

(b) Allow any seller who registers pursuant to this section and makes an election pursuant to paragraph (a), (b) or (c) of subsection 3 to submit tax returns in a simplified format that does not include any more data fields than are permitted in accordance with the Agreement.

(c) Allow any seller who registers pursuant to this section, does not maintain a place of business in this State and has not made an election pursuant to paragraph (a), (b) or (c) of subsection 3, to file tax returns at a frequency that does not exceed once per year unless the seller accumulates more than $1,000 in the collection of sales and use taxes on behalf of this State and the local governments in this State.

(d) Provide an alternative method for a seller who registers pursuant to this section to make tax payments the same day as the seller intends if an electronic transfer of money fails.

(e) Require any data that accompanies the remittance of a tax payment by or on behalf of a seller who registers pursuant to this section to be formatted using uniform codes for the type of tax and payment in accordance with the Agreement.

5. The registration of a seller and the collection and remission of sales and use taxes pursuant to this section may not be considered as a factor in determining whether a seller has a nexus with this State for the purposes of determining his liability to pay any tax imposed by this State.

Sec. 10. NRS 360B.230 is hereby amended to read as follows:

360B.230 1. The Department shall post on a website or other Internet site that is operated or administered by or on behalf of the Department ~~[:]~~ ***, in any format which may be required by the Agreement:***

(a) The rates of sales and use taxes for this State and for each local government ***and Indian reservation or Indian colony*** in this State that imposes such taxes. ~~[The Department shall identify this State and each local government using the Federal Information Processing Standards developed by the National Institute of Standards and Technology.]~~

(b) Any change in those rates.

(c) Any amendments to the statutory provisions and administrative regulations of this State governing the registration of sellers and the collection of sales and use taxes.

(e) The list maintained pursuant to NRS 360B.240.

(f) ***A matrix for determining the taxability of products in this State and any change in the taxability of a product listed in that matrix.***

(g) Any other information the Department deems appropriate.

2. The Department shall make a reasonable effort to provide sellers with as much advance notice as possible of any changes or amendments required to be posted pursuant to subsection 1 and of any other changes in the information posted pursuant to subsection 1. Except as otherwise provided in NRS 360B.250, the failure of the Department to provide such notice and the failure of a seller to receive such notice does not affect the obligation of the seller to collect and remit any applicable sales and use taxes.

Sec. 11. NRS 360B.240 is hereby amended to read as follows:

360B.240 1. The Department shall maintain a list that denotes for each five-digit and nine-digit zip code in this State the combined rates of sales taxes and the combined rates of use taxes imposed in the area of that zip code, and the applicable taxing jurisdictions ~~[.]~~ ***, including, without limitation, any pertinent Indian reservation or Indian colony.*** If the combined rate of all the sales taxes or use taxes respectively imposed within the area of a zip code is not the same for the entire area of the zip code, the Department shall denote in the list the lowest combined tax rates for the entire zip code.

2. If a street address does not have a nine-digit zip code or if a registered seller ***or certified service provider*** is unable to determine the nine-digit zip code ~~[of a purchaser]~~ ***applicable to a purchase*** after exercising due diligence to determine that information, that seller ***or certified service provider*** may, except as otherwise provided in subsection 3, apply the rate denoted for the five-digit zip code in the list maintained pursuant to this section. For the purposes of this subsection, there is a rebuttable presumption that a registered seller ***or certified service provider*** has exercised due diligence if the seller ***or certified service provider*** has attempted to determine the nine-digit zip code ~~[of a purchaser]~~ ***applicable to a purchase*** by using software approved by the Department which makes that determination from the street address and five-digit zip code ~~[of the purchaser.]~~ ***applicable to the purchase.***

3. The list maintained pursuant to this section does not apply to and must not be used for any transaction regarding which a purchased product is received by the purchaser at the business location of the seller.

~~[1.]~~ ***(a)*** The amount of the sales or use tax which the registered seller ~~[and certified service provider fail]~~ ***fails*** to collect as a result of that reliance; and

(a) The amount of the sales or use tax which the certified service provider fails to collect as a result of that reliance; and

(b) Any penalties and interest on that amount.

3. Waive any liability of a purchaser for any sum for which the liability of a registered seller or certified service provider is required to be waived pursuant to subsection 1 or 2 with regard to a transaction involving that purchaser.

4. If a purchaser fails to pay the correct amount of any sales or use tax imposed in this State as a result of his reasonable reliance on the information posted pursuant to NRS 360B.230, waive any liability of the purchaser for:

Sec. 10. An ordinance enacted pursuant to this act must include provisions in substance as follows:

1. A provision imposing a tax on the gross receipts of any retailer from the sale of all tangible personal property sold at retail or stored, used or otherwise consumed in the County, including incorporated cities in the County, at a rate of:

(a) One-quarter of 1 percent if the date on which the tax must first be imposed is on October 1, 2005; and

(b) Up to an additional one-quarter of 1 percent if the date on which the increased rate must first be imposed is on or after October 1, 2009, and if the Legislature first approves the increased rate,

➥ the total rate not to exceed one-half of 1 percent.

2. Provisions substantially identical to those contained in chapter 374 of NRS, insofar as applicable.

3. A provision that an amendment to chapter 374 of NRS enacted after the effective date of the ordinance, not inconsistent with this act, automatically becomes part of the ordinance imposing the tax.

Sec. 39. The Legislature hereby finds and declares that:

1. There has been a rapid increase during recent years in the conduct of interstate commerce through telecommunication and electronic means.

2. Many of the merchants who transact these forms of interstate commerce have been discouraged by the substantial burdens of ascertaining and complying with the extremely diverse and detailed tax laws of each state from making the efforts necessary to collect sales and use taxes on behalf of the states in which they do not maintain a place of business.

3. As a result of the proliferation of these forms of interstate commerce and federal restrictions on the ability of each state to collect sales and use taxes from merchants who do not maintain a place of business in that state, the people of this State are losing millions of dollars in state and local tax revenue.

4. The nonpayment of Nevada sales and use taxes by merchants in other states provides those merchants with an unfair competitive advantage over local merchants who lawfully pay the sales and use taxes due in this State.

5. As a result of the similarity of these circumstances in the various states, considerable efforts are being made to provide more uniformity, simplicity and fairness in the administration and collection of sales and use taxes in this country, including the introduction and consideration of Congressional legislation and the participation by Nevada and many other states in the Streamlined Sales and Use Tax Agreement.

6. Compliance with the Streamlined Sales and Use Tax Agreement and its amendments has and will continue to require amendments to the Nevada Sales and Use Tax Act, and it is anticipated that any Congressional legislation will also necessitate such amendments.

7. The Nevada Sales and Use Tax Act was approved by referendum at the General Election in 1956 and therefore, pursuant to Section 1 of Article 19 of the Constitution of the State of Nevada, may not be "amended, annulled, repealed, set aside, suspended or in any way made inoperative except by the direct vote of the people."

8. Unlike the circumstances in other states where legislatures have the direct authority to amend sales and use tax laws in a timely manner, the period required for the legislative enactment and subsequent voter approval of any necessary amendments to the Nevada Sales and Use Tax Act has

placed the ability of this State to comply with the Streamlined Sales and Use Tax Agreement and any Congressional legislation in serious jeopardy.

9. It would be beneficial to the public welfare for the people of this State by direct vote to authorize the Legislature to enact without any additional voter approval such amendments to the Nevada Sales and Use Tax Act as it determines to be necessary to carry out any Congressional legislation or interstate agreements for the administration, collection or enforcement of sales and use taxes.

Sec. 40. At the General Election on November 4, 2008, a proposal must be submitted to the registered voters of this State to amend the Sales and Use Tax Act, which was enacted by the 47th Session of the Legislature of the State of Nevada and approved by the Governor in 1955, and subsequently approved by the people of this State at the General Election held on November 6, 1956.

Sec. 41. At the time and in the manner provided by law, the Secretary of State shall transmit the proposed act to the several county clerks, and the county clerks shall cause it to be published and posted as provided by law.

Sec. 42. The proclamation and notice to the voters given by the county clerks pursuant to law must be in substantially the following form:

Notice is hereby given that at the General Election on November 4, 2008, a question will appear on the ballot for the adoption or rejection by the registered voters of the State of the following proposed act:

AN ACT to amend an Act entitled "An Act to provide revenue for the State of Nevada; providing for sales and use taxes; providing for the manner of collection; defining certain terms; providing penalties for violation, and other matters properly relating thereto." approved March 29, 1955, as amended.

THE PEOPLE OF THE STATE OF NEVADA DO ENACT AS FOLLOWS:

Section 1. The above-entitled Act, being chapter 397, Statutes of Nevada 1955, at page 788, is hereby amended by adding thereto a new section to be designated as section 153.5, immediately following section 153.2, to read as follows:

Sec. 153.5. The people of the State of Nevada hereby authorize the Legislature to enact, without an additional direct vote of the people, legislation that amends, annuls, repeals, sets aside, suspends or otherwise makes inoperative any provision of this Act, being chapter 397, Statutes of Nevada 1955, at page 762, whenever the Legislature determines that such legislation is necessary to carry out any federal statute or regulation or interstate agreement providing for the administration, collection or enforcement of sales and use taxes ~~[.]~~ ***, unless such legislation would increase the rate of any tax imposed pursuant to this Act.***

Sec. 2. Section 61.5 of the above-entitled Act, being chapter 397, Statutes of Nevada 1955, as added by chapter 466, Statutes of Nevada 1985, at page 1441, is hereby repealed.

Sec. 3. This act becomes effective on January 1, 2009.

Sec. 43. The ballot page assemblies and the paper ballots to be used in voting on the question must present the question in substantially the following form:

Shall the Sales and Use Tax Act of 1955 be amended to repeal an exemption from the taxes imposed by this Act on the gross receipts from the sale of aircraft and major components of aircraft to scheduled air carriers based in this State, and to authorize the Legislature to amend or repeal any provision of this Act without an additional direct vote of the people whenever necessary to carry out any federal law or interstate agreement for the administration, collection or enforcement of sales and use taxes?

Yes ☐ No ☐

Sec. 44. The explanation of the question which must appear on each paper ballot and sample ballot and in every publication and posting of notice of the question must be in substantially the following form:

(Explanation of Question)

The proposed amendment to the Sales and Use Tax Act of 1955 would repeal an exemption from the taxes imposed by this Act for the sale of aircraft and major components of aircraft to a scheduled air carrier which is based in Nevada, and would authorize the Legislature to enact legislation amending or repealing any provision of this Act without obtaining additional voter approval whenever that legislation is necessary to carry out any federal law or interstate agreement for the administration, collection or enforcement of sales and use taxes. **The proposed amendment would not authorize any legislation that increases the rate of any tax imposed pursuant to this Act.**

Sec. 45. If a majority of the votes cast on the question is yes, the amendment to the Sales and Use Tax Act of 1955 becomes effective on January 1, 2009. If less than a majority of votes cast on the question is yes, the question fails and the amendment to the Sales and Use Tax Act of 1955 does not become effective.

Sec. 46. All general election laws not inconsistent with this act are applicable.

Sec. 47. Any informalities, omissions or defects in the content or making of the publications, proclamations or notices provided for in this act and by the general election laws under which this election is held must be so construed as not to invalidate the adoption of the act by a majority of the registered voters voting on the question if it can be ascertained with reasonable certainty from the official returns transmitted to the office of the Secretary of State whether the proposed amendment was adopted by a majority of those registered voters.

Sec. 48. The amendatory provisions of section 38 of this act do not apply to any ordinance enacted before October 1, 2007.

Sec. 49. 1. NRS 360B.270, 372.160, 372.230, 372.728, 374.165, 374.235 and 374.728 are hereby repealed.

2. NRS 372.726 is hereby repealed.

Sec. 50. 1. This section and sections 1 to 48, inclusive, and subsection 1 of section 49 of this act become effective on October 1, 2007.

2. Subsection 2 of section 49 of this act becomes effective on January 1, 2009, only if the proposal submitted pursuant to sections 40 to 44, inclusive, of this act is approved by the voters at the general election on November 4, 2008.

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 858.

AN ACT relating to public health; exempting certain entities that comply with the provisions of federal law governing the electronic transmission of certain health information from provisions of state law that provide more stringent privacy requirements; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The federal Health Insurance Portability and Accountability Act of 1996 (HIPAA) protects the privacy of certain individually identifiable health information. (Public Law No. 104-191) HIPAA and the federal regulations to carry out that Act contain provisions which address the use and disclosure of individually identifiable health information by certain covered entities, including certain health plans, health care providers and health care clearinghouses. Among the federal requirements are provisions governing the electronic transmission of such health information. (42 U.S.C. §§ 1320d et seq.)

HIPAA further provides that if a state law imposes requirements or standards concerning the privacy of health information, the state law preempts HIPAA to the extent that the state law is more stringent than HIPAA. Section 1 of this bill changes the effect of this state law preemption with respect to the electronic transmission of individually identifiable health information by exempting a covered entity that complies with HIPAA from any state law governing the privacy of health information which is more stringent. **Section 1 also requires a covered entity that makes individually identifiable health information available electronically to allow any person to opt out of having his individually identifiable health information disclosed electronically to other covered entities.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 439 of NRS is hereby amended by adding thereto a new section to read as follows:

1. If a covered entity transmits electronically individually identifiable health information in compliance with the provisions of the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191, which govern the electronic transmission of such information, the covered entity is, for purposes of the electronic transmission, exempt from any state law that contains more stringent requirements or provisions concerning the privacy or confidentiality of individually identifiable health information.

2. A covered entity that makes individually identifiable health information available electronically pursuant to subsection 1 shall allow any person to opt out of having his individually identifiable health information disclosed electronically to other covered entities, except as required by the administrative simplification provisions of the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191.

3. As used in this section:

GENERAL FILE AND THIRD READING

Assembly Bill No. 182.

Bill read second time.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 732.

AN ACT relating to public health; revising the percentages of and the manner of allocating money in the Fund for a Healthy Nevada for certain programs; revising provisions governing the subsidies from the Fund for the cost of prescription drugs, pharmaceutical services and certain other benefits; revising the membership and duties of the Grants Management Advisory Committee; repealing the Task Force for the Fund for a Healthy Nevada; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the Task Force for the Fund for a Healthy Nevada makes allocations, or reserves for allocation or expenditure by the

Department of Health and Human Services or the Aging Services Division of that Department, certain percentages of money in the Fund for a Healthy Nevada for certain programs and services. (NRS 439.630) Section 3 of this bill eliminates the role of the Task Force in making allocations of money from the Fund and requires the Department to make such allocations itself.

Section 3 of this bill revises the percentages of revenues deposited in the Fund that are required to be allocated for prescription drugs and pharmaceutical services for persons with disabilities. Section 3 also revises the percentages of revenues deposited in the Fund that are required to be expended for programs to assist persons with disabilities to live independently.

Section 3 of this bill requires that the money allocated for programs relating to tobacco use be expended with ~~[a particular]~~ **an** emphasis on programs that prevent the use of tobacco by children. Section 3 also requires the Department to allocate ~~[5]~~ **10** percent of ~~[the]~~ **available** revenues ~~[deposited in the Fund to collect data, conduct research, perform assessments of needs and conduct evaluations concerning the allocations made by the Department. The remaining 10 percent of the revenues deposited in the Fund is allocated under existing law]~~ for programs that improve health services for children, ~~[and section 3 requires that the money be expended]~~ with ~~[a particular]~~ **an** emphasis on **the** oral health ~~[.]~~ **of children.**

Existing law establishes a program to provide subsidies for senior citizens and persons with disabilities for the cost of prescription drugs and pharmaceutical services and, for senior citizens, other benefits, including, without limitation, dental and vision benefits. (NRS 439.635-439.690, 439.705-439.795) Sections 3, 4 and 5 of this bill specifically add **, to the extent money is available,** hearing aids and other hearing devices to the list of benefits available for both senior citizens and persons with disabilities pursuant to these programs. Sections 3 and 5 also make persons with disabilities eligible for the same additional benefits for which senior citizens are currently eligible under existing law, including, without limitation, dental and vision benefits. This bill also allows certain veterans to receive such benefits if they qualify as a senior citizen or person with a disability.

The Grants Management Advisory Committee provides assistance to the Department in the allocation and administration of certain grants administered by the Department. (NRS 232.383, 232.385) Section 6.3 of this bill increases the membership of the Advisory Committee.

Section 6.7 of this bill repeals the Task Force for the Fund for a Healthy Nevada.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 879.

AN ACT relating to crimes; revising provisions relating to the registration of and community notification concerning sex offenders and certain offenders convicted of a crime against a child; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

In 2006, the federal "Adam Walsh Child Protection and Safety Act of 2006" ("the Act") was enacted to protect the public by establishing a comprehensive national system for the registration of sex offenders and offenders against children which includes, without limitation, the establishment of a uniform nationwide system for the registration of and community notification concerning such offenders. (42 U.S.C. §§ 16901 et seq.) In furtherance of this purpose, the Act requires each state to enact laws regarding the registration of and community notification concerning sex offenders and offenders convicted of a crime against a child which conform to the provisions of the Act. (42 U.S.C. § 16912) States which do not enact such laws by the date provided in the Act may not receive certain federal funds. (42 U.S.C. §§ 16924-16925)

Existing law requires all sex offenders and offenders convicted of a crime against a child to register with certain local law enforcement agencies. (NRS 179D.230, 179D.240, 179D.450, 179D.460) Section 27 of this bill adds a new requirement that each such offender register for the first time before he is released from prison or, if he is not imprisoned for the offense, within 3 days after he is sentenced for the offense. Existing law requires an offender to appear in person at a local law enforcement agency to notify the appropriate agencies of any change in his address and to provide updated information to certain agencies. (NRS 179D.250, 179D.470) Section 28 of this bill expands this duty to apply when there is a change to certain other information contained in an offender's registration record. Existing law requires each offender to mail a verification form to the Central Repository for Nevada Records of Criminal History each year to verify the information in his registration record. (NRS 179D.260, 179D.480) Section 40 of this bill removes this annual requirement and instead requires each offender to appear in person at a local law enforcement agency to register at least once every 90 days, every 180 days or every year, depending on whether the offender is designated as a Tier I, Tier II or Tier III offender.

Existing law provides that, under certain circumstances, an offender may petition for termination of his duty to register. (NRS 179D.270, 179D.490) Section 41 of this bill revises existing law to further restrict which offenders may petition for termination of the duty to register.

Existing law provides for community notification of sex offenders depending upon whether the sex offender is designated as a Tier 1, Tier 2 or Tier 3 sex offender. (NRS 179D.600-179D.800) Such designation is based upon an assessment of the sex offender's risk of recidivism, with Tier 1 sex offenders being the least likely to reoffend and Tier 3 sex offenders being the most likely to reoffend. (NRS 179D.720, 179D.730) The assessment must be

conducted in compliance with the guidelines and procedures for community notification established by the Attorney General. Sections 31-42 of this bill revise existing law to require that all sex offenders and offenders convicted of a crime against a child be subject to community notification regardless of their designated tier level. Section 56 of this bill repeals the existing tier levels and the existing laws concerning the guidelines and procedures for community notification established by the Attorney General. (NRS 179D.710, 179D.720, 179D.730) Sections 22-24 of this bill establish three new tiers for registration and community notification for all sex offenders and offenders convicted of a crime against a child. The determination as to which tier level an offender is assigned is based upon the specific crime committed by the offender.

Section 13 of this bill revises provisions regarding the content and format of the community notification website maintained by the Department of Public Safety to ensure compliance with the requirements of federal law. (NRS 179B.250) Section 10.5 of this bill provides a new criminal penalty, not required by the Act, for any person who uses information obtained from the community notification website to commit a crime.

The Act provides that the new uniform system of registration and community notification does not apply to certain offenses which involve consensual sexual conduct. Section 46 of this bill amends existing law to exclude such offenses from the new registration and community notification requirements.

The Act prospectively repeals certain provisions of federal law concerning sex offenders who are designated "sexually violent predators." For consistency with the Act, section 56 of this bill repeals existing state laws which apply to sexually violent predators. (NRS 179D.055, 179D.060, 179D.360, 179D.370, 179D.380, 179D.420, 179D.430, 179D.510, 179D.530) The Act also provides that the new uniform system of registration and community notification applies to juveniles who are at least 14 years of age and who have been adjudicated delinquent for committing certain sexual offenses. Section 56 of this bill repeals certain existing state laws which are inconsistent with such provisions of the federal law. (NRS 62A.050, 62F.210, 62F.230, 62F.240, 62F.250, 179D.800) Sections 16-21 of this bill reenact certain provisions of existing law to restructure chapter 179D of NRS as a result of the changes to the chapter as a result of this bill.

Amendment No. 878.

SUMMARY—~~[Revises]~~ **Provides for the enforcement of** certain provisions governing the regulation and taxation of ~~[the sales and use of cigarettes and other]~~ tobacco products ~~[.]~~ **other than cigarettes.** (BDR 32-515)

AN ACT relating to tobacco; revising certain provisions for the enforcement of taxes and restrictions on the sale and use of cigarettes to provide for the enforcement of taxes and restrictions on the sale and use of other tobacco products; ~~[requiring the production of certain documents to assist in the administration and enforcement of the requirements for delivery sales of tobacco; revising certain provisions governing the regulation and~~

~~taxation of tobacco for consistency;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for the imposition, administration and enforcement of taxes on cigarettes. (NRS 370.001-370.430) Existing law provides separately for the imposition and administration of a tax on products made from tobacco, other than cigarettes. (NRS 370.440-370.503)

Section 3 of this bill provides a common definition ~~[of]~~ **for such** "other tobacco product." Sections 2, 4, 9 and 25-28 of this bill assist in the enforcement of the tax on any "other tobacco product" by providing for the treatment of and imposition of criminal penalties regarding contraband "other tobacco products" in the same manner as contraband cigarettes.

~~[Existing law prohibits the sale and distribution of cigarettes and other tobacco products to a minor and imposes criminal penalties for violations of that prohibition. (NRS 202.2493, 202.24935) Existing law also imposes various requirements on the delivery sale of cigarettes to assist in the enforcement of that prohibition. (NRS 370.321-370.329) Sections 10, 15 and 20-24 of this bill expand those requirements to include delivery sales of the other tobacco products. To assist in the administration and enforcement of the requirements for delivery sales, section 6 of this bill requires the production of any related documents for inspection by the Department of Taxation.~~

~~Existing law requires the licensing of wholesale and retail dealers of cigarettes. (NRS 370.080) Existing law also requires the licensing of wholesale and retail dealers of tobacco products other than cigarettes. (NRS 370.445) Sections 14, 16 and 39 of this bill repeal the licensing requirements for dealers in tobacco products other than cigarettes and includes those dealers in the licensing requirements for cigarette dealers.]~~

Sec. 2. NRS 616C.505 is hereby amended to read as follows:

616C.505 If an injury by accident arising out of and in the course of employment causes the death of an employee in the employ of an employer,

within the provisions of chapters 616A to 616D, inclusive, of NRS, the compensation is known as a death benefit ~~[,]~~ and is payable as follows:

1. In addition to any other compensation payable pursuant to chapters 616A to 616D, inclusive, of NRS, burial expenses are payable in an amount not to exceed $5,000. When the remains of the deceased employee and the person accompanying the remains are to be transported to a mortuary or mortuaries, the charge of transportation must be borne by the insurer.

2. ~~[To]~~ ***Except as otherwise provided in section 1 of this act, to*** the surviving spouse of the deceased employee, 66 2/3 percent of the average monthly wage is payable until his death or remarriage, with 2 years' compensation payable in one lump sum upon remarriage.

3. In the event of the subsequent death of the surviving spouse:

(a) Each surviving child of the deceased employee must share equally the compensation theretofore paid to the surviving spouse but not in excess thereof, and it is payable until the youngest child reaches the age of 18 years.

(b) Except as otherwise provided in subsection 11, if the children have a guardian, the compensation they are entitled to receive may be paid to the guardian.

4. Upon the remarriage of a surviving spouse with children:

(a) The surviving spouse must be paid 2 years' compensation in one lump sum and further benefits must cease; and

(b) Each child must be paid 15 percent of the average monthly wage, up to a maximum family benefit of 66 2/3 percent of the average monthly wage.

➥ The provisions of this subsection do not apply to the remarriage of a surviving spouse of a deceased police officer or firefighter if the provisions of section 1 of this act apply to the surviving spouse.

5. If there are any surviving children of the deceased employee under the age of 18 years, but no surviving spouse, then each such child is entitled to his proportionate share of 66 2/3 percent of the average monthly wage for his support.

6. Except as otherwise provided in subsection 7, if there is no surviving spouse or child under the age of 18 years, there must be paid:

(a) To a parent, if wholly dependent for support upon the deceased employee at the time of the injury causing his death, 33 1/3 percent of the average monthly wage.

(b) To both parents, if wholly dependent for support upon the deceased employee at the time of the injury causing his death, 66 2/3 percent of the average monthly wage.

(c) To each brother or sister until he or she reaches the age of 18 years, if wholly dependent for support upon the deceased employee at the time of the injury causing his death, his proportionate share of 66 2/3 percent of the average monthly wage.

7. The aggregate compensation payable pursuant to subsection 6 must not exceed 66 2/3 percent of the average monthly wage.

8. In all other cases involving a question of total or partial dependency:

(a) The extent of the dependency must be determined in accordance with the facts existing at the time of the injury.

(b) If the deceased employee leaves dependents only partially dependent upon his earnings for support at the time of the injury causing his death, the monthly compensation to be paid must be equal to the same proportion of the monthly payments for the benefit of persons totally dependent as the amount contributed by the deceased employee to the partial dependents bears to the average monthly wage of the deceased employee at the time of the injury resulting in his death.

(c) The duration of compensation to partial dependents must be fixed in accordance with the facts shown, but may not exceed compensation for 100 months.

9. Compensation payable to a surviving spouse is for the use and benefit of the surviving spouse and the dependent children, and the insurer may, from time to time, apportion such compensation between them in such a way as it deems best for the interest of all dependents.

10. In the event of the death of any dependent specified in this section before the expiration of the time during which compensation is payable to him, funeral expenses are payable in an amount not to exceed $5,000.

11. If a dependent is entitled to receive a death benefit pursuant to this section and is less than 18 years of age or incompetent, the legal representative of the dependent shall petition for a guardian to be appointed for that dependent pursuant to NRS 159.044. An insurer shall not pay any compensation in excess of $3,000, other than burial expenses, to the dependent until a guardian is appointed and legally qualified. Upon receipt of a certified letter of guardianship, the insurer shall make all payments required by this section to the guardian of the dependent until the dependent is emancipated, the guardianship terminates or the dependent reaches the age of 18 years, whichever occurs first, unless paragraph (a) of subsection 12 is applicable. The fees and costs related to the guardianship must be paid from the estate of the dependent. A guardianship established pursuant to this subsection must be administered in accordance with chapter 159 of NRS, except that after the first annual review required pursuant to NRS 159.176, a court may elect not to review the guardianship annually. The court shall review the guardianship at least once every 3 years. As used in this subsection, "incompetent" has the meaning ascribed to it in NRS 159.019.

12. Except as otherwise provided in paragraphs (a) and (b), the entitlement of any child to receive his proportionate share of compensation pursuant to this section ceases when he dies, marries or reaches the age of 18 years. A child is entitled to continue to receive compensation pursuant to this section if he is:

(a) Over 18 years of age and incapable of supporting himself, until such time as he becomes capable of supporting himself; or

(b) Over 18 years of age and enrolled as a full-time student in an accredited vocational or educational institution, until he reaches the age of 22 years.

13. As used in this section, "surviving spouse" means a surviving husband or wife who was married to the employee at the time of the employee's death.

Sec. 3. The amendatory provisions of sections 1 and 2 of this act do not apply to a surviving spouse of a deceased police officer or firefighter if the surviving spouse is remarried before October 1, 2007.

Senate Bill No. 103.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 935.

AN ACT relating to unclaimed property; adopting the Uniform Unclaimed Property Act; repealing conflicting provisions of the existing Uniform Disposition of Unclaimed Property Act; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, Nevada has enacted the Uniform Disposition of Unclaimed Property Act. The existing Uniform Act establishes the powers, duties and liabilities of the State and other persons concerning certain property which is abandoned and unclaimed by its owner. (Chapter 120A of NRS)

This bill replaces the existing Uniform Act with the updated and revised Uniform Unclaimed Property Act (1995). This bill retains many of the provisions of the existing Uniform Act. However, this bill reorganizes certain provisions from the existing Uniform Act to eliminate redundancy, it updates certain provisions to reflect holdings by the United States Supreme Court and it adds certain provisions regarding application and enforcement of the Act.

Under the existing Uniform Act, certain tangible property such as the contents of safe-deposit boxes and intangible property such as traveler's checks, money orders, stocks and monies owed by insurance companies, retirement plans and businesses are considered unclaimed by their owners after a certain period of abandonment. (NRS 120A.160-120A.240) Section 8 of this bill reorganizes into a single section all of the periods of abandonment that are set forth in separate sections in the existing Uniform Act.

The existing Uniform Act does not contain the provisions in sections 10 and 18 of this bill which codify certain rules of priority established by **the** United States Supreme Court when more than one state seeks custody over unclaimed property. (***Delaware v. New York***, 507 U.S. 490, 113 S. Ct. 1550 (1993); ***Pennsylvania v. New York***, 407 U.S. 206, 92 S. Ct. 2075 (1972); ***Texas v. New Jersey***, 379 U.S. 674, 85 S. Ct. 626 (1965))

The existing Uniform Act does not contain the provisions in section 12 of this bill which clarify the State's burden of proof when it is trying to show the existence and amount of unclaimed property in the possession of certain holders and which recognizes several affirmative defenses that may be established by those holders.

The existing Uniform Act does not contain the provisions in section 25 of this bill which require holders of unclaimed property and issuers of traveler's checks and money orders to maintain records of certain information for a designated number of years.

The existing Uniform Act contains criminal penalties for persons who do not comply with the provisions of the Act. (NRS 120A.440) This bill eliminates those criminal penalties, and section 28 of this bill adds provisions which impose civil monetary penalties on holders of unclaimed property who fail to report, pay or deliver the unclaimed property to the State.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

(c) Any stock or other equity interest in a business association or financial organization, including a security entitlement under NRS 104.8101 to 104.8511, inclusive, 3 years after the earlier of the date of the most recent dividend, stock split or other distribution unclaimed by the

(f) Any money or credits owed to a customer as a result of a retail business transaction, 3 years after the obligation accrued;

(c) The making of a deposit to or withdrawal from a bank account; and

(d) The payment of a premium with respect to a property interest in an insurance policy, but the application of an automatic premium loan provision or other nonforfeiture provision contained in an insurance policy does not prevent a policy from maturing or terminating if the insured has died or the insured or the beneficiary of the policy has otherwise become entitled to the proceeds before the depletion of the cash surrender value of a policy by the application of those provisions.

5. Property is payable or distributable for purposes of this chapter notwithstanding the owner's failure to make demand or present an instrument or document otherwise required to obtain payment.

Sec. 9. ***Tangible property held in a safe-deposit box or other safekeeping depository in this State in the ordinary course of the holder's business and proceeds resulting from the sale of the property permitted by other law are presumed abandoned if the property remains unclaimed by the owner for more than 3 years after expiration of the lease or rental period on the box or other depository.***

Sec. 10. ***Except as otherwise provided in this chapter or by other statute of this State, property that is presumed abandoned, whether located in this or another state, is subject to the custody of this State if:***

1. The last known address of the apparent owner, as shown on the records of the holder, is in this State;

2. The records of the holder do not reflect the identity of the person entitled to the property and it is established that the last known address of the person entitled to the property is in this State;

3. The records of the holder do not reflect the last known address of the apparent owner and it is established that:

(a) The last known address of the person entitled to the property is in this State; or

(b) The holder is domiciled in this State or is a government or governmental subdivision, agency or instrumentality of this State and has not previously paid or delivered the property to the state of the last known address of the apparent owner or other person entitled to the property;

4. The last known address of the apparent owner, as shown on the records of the holder, is in a state that does not provide for the escheat or custodial taking of the property and the holder is domiciled in this State or is a government or governmental subdivision, agency or instrumentality of this State;

5. The last known address of the apparent owner, as shown on the records of the holder, is in a foreign country and the holder is domiciled in this State or is a government or governmental subdivision, agency or instrumentality of this State;

6. The transaction out of which the property arose occurred in this State, the holder is domiciled in a state that does not provide for the escheat or custodial taking of the property and the last known address of the apparent owner or other person entitled to the property is unknown or is in a state that does not provide for the escheat or custodial taking of the property; or

7. The property is a traveler's check or money order purchased in this State or the issuer of the traveler's check or money order has its principal place of business in this State and the issuer's records show that the instrument was purchased in a state that does not provide for the escheat or custodial taking of the property or do not show the state in which the instrument was purchased.

Sec. 11. ***A holder may deduct from property presumed abandoned a charge imposed by reason of the owner's failure to claim the property within a specified time only if there is a valid and enforceable written contract between the holder and the owner under which the holder may impose the charge and the holder regularly imposes the charge, which is not regularly reversed or otherwise cancelled. The amount of the deduction must not exceed $5 per month.***

Sec. 12. ***A record of the issuance of a check, draft or similar instrument is prima facie evidence of an obligation. In claiming property from a holder who is also the issuer, the Administrator's burden of proof as to the existence and amount of the property and its abandonment is satisfied by showing issuance of the instrument and passage of the requisite period of abandonment. Defenses of payment, satisfaction, discharge and want of consideration are affirmative defenses that must be established by the holder.***

Sec. 13. ***1. A holder of property presumed abandoned shall make a report to the Administrator concerning the property.***

2. The report must be verified and must contain:

(a) A description of the property;

(b) Except with respect to a traveler's check or money order, the name, if known, and last known address, if any, and the social security number or taxpayer identification number, if readily ascertainable, of the apparent owner of property of the value of $50 or more;

(c) In the case of items valued under $50, a statement of the aggregate value of all items valued under $50 ***;*** ~~[.]~~

(d) In the case of an amount of $50 or more held or owing under an annuity or a life or endowment insurance policy, the full name and last known address of the annuitant or insured and of the beneficiary;

(e) In the case of property held in a safe-deposit box or other safekeeping depository, an indication of the place where it is held and where it may be inspected by the Administrator and any amounts owing to the holder;

(f) The date, if any, on which the property became payable, demandable or returnable and the date of the last transaction with the apparent owner with respect to the property; and

(g) Other information that the Administrator by regulation prescribes as necessary for the administration of this chapter.

3. If a holder of property presumed abandoned is a successor to another person who previously held the property for the apparent owner or the holder has changed its name while holding the property, the holder shall file with the report its former names, if any, and the known names and addresses of all previous holders of the property.

4. The report must be filed before November 1 of each year and cover the 12 months next preceding July 1 of that year, but a report with respect to an insurance company must be filed before May 1 of each year for the calendar year next preceding.

5. The holder of property presumed abandoned shall send written notice to the apparent owner, not more than 120 days or less than 60 days before filing the report, stating that the holder is in possession of property subject to this chapter, if:

(a) The holder has in its records an address for the apparent owner which the holder's records do not disclose to be inaccurate;

(b) The claim of the apparent owner is not barred by a statute of limitations; and

(c) The value of the property is $50 or more.

6. Before the date for filing the report, the holder of property presumed abandoned may request the Administrator to extend the time for filing the report. The Administrator may grant the extension for good cause. The holder, upon receipt of the extension, may make an interim payment on the amount the holder estimates will ultimately be due, which terminates the accrual of additional interest on the amount paid.

7. The holder of property presumed abandoned shall file with the report an affidavit stating that the holder has complied with subsection 5.

8. A person reporting 15 or more items of property pursuant to this section shall file the report electronically in lieu of on paper.

Sec. 14. ***1. Except for property held in a safe-deposit box or other safekeeping depository, upon filing the report required by section 13 of this act, the holder of property presumed abandoned shall pay, deliver or cause to be paid or delivered to the Administrator the property described in the report as unclaimed, but if the property is an automatically renewable deposit, and a penalty or forfeiture in the payment of interest would result, the time for compliance is extended until a penalty or forfeiture would no longer result. Tangible property held in a safe-deposit box or other safekeeping depository may not be delivered to the Administrator until 60 days after filing the report required by section 13 of this act.***

2. If the property reported to the Administrator is a security or security entitlement under NRS 104.8101 to 104.8511, inclusive, the Administrator is an appropriate person to make an endorsement, instruction or entitlement order on behalf of the apparent owner to invoke the duty of the issuer or its transfer agent or the securities intermediary to transfer or dispose of the security or the security entitlement in accordance with NRS 104.8101 to 104.8511, inclusive.

3. If the holder of property reported to the Administrator is the issuer of a certificated security, the Administrator has the right to obtain a replacement certificate pursuant to NRS 104.8405, but an indemnity bond is not required.

4. An issuer, the holder and any transfer agent or other person acting pursuant to the instructions of and on behalf of the issuer or holder in accordance with this section is not liable to the apparent owner and must be indemnified against claims of any person in accordance with section 16 of this act.

Sec. 15. ***1. The Administrator shall publish a notice not later than November 30 of the year next following the year in which abandoned property has been paid or delivered to the Administrator. The notice must be published in a newspaper of general circulation in the county of this State in which is located the last known address of any person named in the notice. If a holder does not report an address for the apparent owner or***

the address is outside this State, the notice must be published in a county that the Administrator reasonably selects. The advertisement must be in a form that, in the judgment of the Administrator, is likely to attract the attention of the apparent owner of the unclaimed property. The form must contain:

(a) The name of each person appearing to be the owner of the property, as set forth in the report filed by the holder;

(b) The city or town in which the last known address of each person appearing to be the owner of the property is located, if a city or town is set forth in the report filed by the holder;

(c) A statement explaining that property of the owner is presumed to be abandoned and has been taken into the protective custody of the Administrator; and

(d) A statement that information about the property and its return to the owner is available to a person having a legal or beneficial interest in the property, upon request to the Administrator.

2. The Administrator is not required to advertise the name and city or town of an owner of property having a total value less than $50 or information concerning a traveler's check, money order or similar instrument.

Sec. 16. ***1. For the purposes of this section, payment or delivery is made in "good faith" if:***

(a) Payment or delivery was made in a reasonable attempt to comply with this chapter;

(b) The holder was not then in breach of a fiduciary obligation with respect to the property and had a reasonable basis for believing, based on the facts then known, that the property was presumed abandoned; and

(c) There is no showing that the records under which the payment or delivery was made did not meet reasonable commercial standards of practice.

2. Upon payment or delivery of property to the Administrator, the State assumes custody and responsibility for the safekeeping of the property. A holder who pays or delivers property to the Administrator in good faith is relieved of all liability arising thereafter with respect to the property.

3. A holder who has paid money to the Administrator pursuant to this chapter may subsequently make payment to a person reasonably appearing to the holder to be entitled to payment. Upon a filing by the holder of proof of payment and proof that the payee was entitled to the payment, the Administrator shall promptly reimburse the holder for the payment without imposing a fee or other charge. If reimbursement is sought for a payment made on a negotiable instrument, including a traveler's check or money order, the holder must be reimbursed upon filing proof that the instrument was duly presented and that payment was made to a person who reasonably appeared to be entitled to payment. The holder must be reimbursed for

payment made even if the payment was made to a person whose claim was barred under subsection 1 of section 23 of this act.

4. A holder who has delivered property other than money to the Administrator pursuant to this chapter may reclaim the property if it is still in the possession of the Administrator, without paying any fee or other charge, upon filing proof that the apparent owner has claimed the property from the holder.

5. The Administrator may accept a holder's affidavit as sufficient proof of the holder's right to recover money and property under this section.

6. If a holder pays or delivers property to the Administrator in good faith and thereafter another person claims the property from the holder or another state claims the money or property under its laws relating to escheat or abandoned or unclaimed property, the Administrator, upon written notice of the claim, shall defend the holder against the claim and indemnify the holder against any liability on the claim resulting from payment or delivery of the property to the Administrator.

7. Property removed from a safe-deposit box or other safekeeping depository is received by the Administrator subject to the holder's right to be reimbursed for the cost of the opening and to any valid lien or contract providing for the holder to be reimbursed for unpaid rent or storage charges. The Administrator shall reimburse the holder out of the proceeds remaining after deducting the expense incurred by the Administrator in selling the property.

Sec. 17. ***If property other than money is delivered to the Administrator under this chapter, the owner is entitled to receive from the Administrator any income or gain realized or accruing on the property at or before liquidation or conversion of the property into money.***

Sec. 18. ***1. After property has been paid or delivered to the Administrator under this chapter, another state may recover the property if:***

(a) The property was paid or delivered to the custody of this State because the records of the holder did not reflect a last known location of the apparent owner within the borders of the other state and the other state establishes that the apparent owner or other person entitled to the property was last known to be located within the borders of that state and under the laws of that state the property has escheated or become subject to a claim of abandonment by that state;

(b) The property was paid or delivered to the custody of this State because the laws of the other state did not provide for the escheat or custodial taking of the property and under the laws of that state subsequently enacted the property has escheated or become subject to a claim of abandonment by that state;

(c) The records of the holder were erroneous in that they did not accurately identify the owner of the property and the last known location of the owner within the borders of another state and under the laws of that

state the property has escheated or become subject to a claim of abandonment by that state;

(d) The property was subjected to custody by this State under subsection 6 of section 10 of this act and under the laws of the state of domicile of the holder the property has escheated or become subject to a claim of abandonment by that state; or

(e) The property is a sum payable on a traveler's check, money order or similar instrument that was purchased in the other state and delivered into the custody of this State under subsection 7 of section 10 of this act, and under the laws of the other state the property has escheated or become subject to a claim of abandonment by that state.

2. A claim of another state to recover escheated or abandoned property must be presented in a form prescribed by the Administrator, who shall decide the claim within 90 days after it is presented. The Administrator shall allow the claim upon determining that the other state is entitled to the abandoned property under subsection 1.

3. The Administrator shall require another state, before recovering property under this section, to agree to indemnify this State and its officers and employees against any liability on a claim to the property.

Sec. 19. ***1. A person, excluding another state, claiming property paid or delivered to the Administrator may file a claim on a form prescribed by the Administrator and verified by the claimant.***

2. Within 90 days after a claim is filed, the Administrator shall allow or deny the claim and give written notice of the decision to the claimant. If the claim is denied, the Administrator shall inform the claimant of the reasons for the denial and specify what additional evidence is required before the claim will be allowed. The claimant may then file a new claim with the Administrator or maintain an action under section 20 of this act.

3. Except as otherwise provided in subsection 5, within 30 days after a claim is allowed, the property or the net proceeds of a sale of the property must be delivered or paid by the Administrator to the claimant, together with any dividend, interest or other increment to which the claimant is entitled under NRS 120A.360 and section 17 of this act.

4. A holder who pays the owner for property that has been delivered to the State and which, if claimed from the Administrator by the owner would be subject to an increment under NRS 120A.360 and section 17 of this act may recover from the Administrator the amount of the increment.

5. The Administrator may require a person with a claim in excess of $2,000 to furnish a bond and indemnify the State against any loss resulting from the approval of such claim if the claim is based upon an original instrument, including, without limitation, a certified check or a stock certificate or other proof of ownership of securities, which cannot be furnished by the person with the claim.

Sec. 20. ***A person aggrieved by a decision of the Administrator or whose claim has not been acted upon within 90 days after its filing may***

maintain an original action to establish the claim in the district court, naming the Administrator as a defendant. If the aggrieved person establishes the claim in an action against the Administrator, the court may award the claimant reasonable attorney's fees.

Sec. 21. ***1. The Administrator may decline to receive property reported under this chapter which the Administrator considers to have a value less than the expenses of notice and sale.***

2. A holder, with the written consent of the Administrator and upon conditions and terms prescribed by the Administrator, may report and deliver property before the property is presumed abandoned. Property so delivered must be held by the Administrator and is not presumed abandoned until it otherwise would be presumed abandoned under this chapter.

Sec. 22. ***If the Administrator determines after investigation that property delivered under this chapter has no substantial commercial value, the Administrator may destroy or otherwise dispose of the property at any time. An action or proceeding may not be maintained against the State or any officer or employee or against the holder for or on account of an act of the Administrator under this section, except for intentional misconduct or malfeasance.***

Sec. 23. ***1. The expiration, before or after October 1, 2007, of a period of limitation on the owner's right to receive or recover property, whether specified by contract, statute or court order, does not preclude the property from being presumed abandoned or affect a duty to file a report or to pay or deliver or transfer property to the Administrator as required by this chapter.***

2. An action or proceeding may not be maintained by the Administrator to enforce this chapter in regard to the reporting, delivery or payment of property more than 10 years after the holder specifically identified the property in a report filed with the Administrator or gave express notice to the Administrator of a dispute regarding the property. In the absence of such a report or other express notice, the period of limitation is tolled. The period of limitation is also tolled by the filing of a report that is fraudulent.

Sec. 24. ***1. The Administrator may require a person who has not filed a report, or a person who the Administrator believes has filed an inaccurate, incomplete or false report, to file a verified report in a form specified by the Administrator. The report must state whether the person is holding property reportable under this chapter, describe property not previously reported or as to which the Administrator has made inquiry, and specifically identify and state the amounts of property that may be in issue.***

2. The Administrator, at reasonable times and upon reasonable notice, may examine the records of any person to determine whether the person has complied with this chapter. The Administrator may conduct the examination even if the person believes he is not in possession of any property that must be reported, paid or delivered under this chapter. The

Administrator may contract with any other person to conduct the examination on behalf of the Administrator.

3. The Administrator at reasonable times may examine the records of an agent, including a dividend disbursing agent or transfer agent, of a business association or financial organization that is the holder of property presumed abandoned if the Administrator has given the notice required by subsection 2 to both the association or organization and the agent at least 90 days before the examination.

4. Documents and working papers obtained or compiled by the Administrator, or the Administrator's agents, employees or designated representatives, in the course of conducting an examination are confidential and are not public records, but the documents and papers may be:

(a) Used by the Administrator in the course of an action to collect unclaimed property or otherwise enforce this chapter;

(b) Used in joint examinations conducted with or pursuant to an agreement with another state, the Federal Government or any other governmental subdivision, agency or instrumentality;

(c) Produced pursuant to subpoena or court order; or

(d) Disclosed to the abandoned property office of another state for that state's use in circumstances equivalent to those described in this subdivision, if the other state is bound to keep the documents and papers confidential.

5. If an examination of the records of a person results in the disclosure of property reportable under this chapter, the Administrator may assess the cost of the examination against the holder at the rate of $200 a day for each examiner or a greater amount that is reasonable and was incurred, but the assessment may not exceed the value of the property found to be reportable. The cost of an examination made pursuant to subsection 3 may be assessed only against the business association or financial organization.

6. If, after October 1, 2007, a holder does not maintain the records required by section 25 of this act and the records of the holder available for the periods subject to this chapter are insufficient to permit the preparation of a report, the Administrator may require the holder to report and pay to the Administrator the amount the Administrator reasonably estimates, on the basis of any available records of the holder or by any other reasonable method of estimation, should have been but was not reported.

Sec. 25. ***1. Except as otherwise provided in subsection 2, a holder required to file a report under section 13 of this act shall maintain the records containing the information required to be included in the report for 7 years after the holder files the report, unless a shorter period is provided by regulation of the Administrator.***

2. A business association or financial organization that sells, issues or provides to others for sale or issue in this State, traveler's checks, money orders or similar instruments other than third-party bank checks, on which

the business association or financial organization is directly liable, shall maintain a record of the instruments while they remain outstanding, indicating the State and date of issue, for 3 years after the holder files the report.

Sec. 26. ***The Administrator may maintain an action in this State or another state to enforce this chapter. The court may award reasonable attorney's fees to the prevailing party.***

Sec. 27. ***1. The Administrator may enter into an agreement with another state to exchange information relating to abandoned property or its possible existence. The agreement may permit the other state, or another person acting on behalf of a state, to examine records as authorized in section 24 of this act. The Administrator by regulation may require the reporting of information needed to enable compliance with an agreement made under this section and prescribe the form.***

2. The Administrator may join with another state to seek enforcement of this chapter against any person who is or may be holding property reportable under this chapter.

3. At the request of another state, the Attorney General of this State may maintain an action on behalf of the other state to enforce, in this State, the unclaimed property laws of the other state against a holder of property subject to escheat or a claim of abandonment by the other state, if the other state has agreed to pay expenses incurred by the Attorney General in maintaining the action.

4. The Administrator may request that the attorney general of another state or another attorney commence an action in the other state on behalf of the Administrator. With the approval of the Attorney General of this State, the Administrator may retain any other attorney to commence an action in this State on behalf of the Administrator. This State shall pay all expenses, including attorney's fees, in maintaining an action under this subsection. With the Administrator's approval, the expenses and attorney's fees may be paid from money received under this chapter. The Administrator may agree to pay expenses and attorney's fees based in whole or in part on a percentage of the value of any property recovered in the action. Any expenses or attorney's fees paid under this subsection may not be deducted from the amount that is subject to the claim by the owner under this chapter.

Sec. 28. ***1. A holder who fails to report, pay or deliver property within the time prescribed by this chapter shall pay to the Administrator interest at the rate of 18 percent per annum on the property or value thereof from the date the property should have been reported, paid or delivered.***

2. Except as otherwise provided in subsection 3, a holder who fails to report, pay or deliver property within the time prescribed by this chapter or fails to perform other duties imposed by this chapter shall pay to the Administrator, in addition to interest as provided in subsection 1, a civil

penalty of $200 for each day the report, payment or delivery is withheld or the duty is not performed, up to a maximum of $5,000.

3. A holder who willfully fails to report, pay or deliver property within the time prescribed by this chapter or willfully fails to perform other duties imposed by this chapter shall pay to the Administrator, in addition to interest as provided in subsection 1, a civil penalty of $1,000 for each day the report, payment or delivery is withheld or the duty is not performed, up to a maximum of $25,000, plus 25 percent of the value of any property that should have been but was not reported.

4. A holder who makes a fraudulent report shall pay to the Administrator, in addition to interest as provided in subsection 1, a civil penalty of $1,000 for each day from the date a report under this chapter was due, up to a maximum of $25,000, plus 25 percent of the value of any property that should have been but was not reported.

5. The Administrator for good cause may waive, in whole or in part, interest under subsection 1 and penalties under subsections 2 and 3, and shall waive penalties if the holder acted in good faith and without negligence.

Sec. 29. ***1. An agreement by an owner, the primary purpose of which is to locate, deliver, recover or assist in the recovery of property that is presumed abandoned, is void and unenforceable if it was entered into during the period commencing on the date the property was presumed abandoned and extending to a time that is 24 months after the date the property is paid or delivered to the Administrator. This subsection does not apply to an owner's agreement with an attorney to file a claim as to identified property or contest the Administrator's denial of a claim.***

2. An agreement by an owner, the primary purpose of which is to locate, deliver, recover or assist in the recovery of property, is enforceable only if the agreement is in writing, clearly sets forth the nature of the property and the services to be rendered, is signed by the apparent owner and states the value of the property before and after the fee or other compensation has been deducted.

3. If an agreement covered by this section applies to mineral proceeds and the agreement contains a provision to pay compensation that includes a portion of the underlying minerals or any mineral proceeds not then presumed abandoned, the provision is void and unenforceable.

4. An agreement covered by this section must not provide for compensation that is more than 10 percent of the total value of the property that is the subject of the agreement. An agreement that provides for compensation that is more than 10 percent of the total value of the property that is the subject of the agreement is unenforceable except by the owner. An owner who has agreed to pay compensation that is more than 10 percent of the total value of the property that is the subject of the agreement, or the Administrator on behalf of the owner, may maintain an action to reduce the compensation to an amount that does not exceed

10 percent of the total value of the property. The court may award reasonable attorney's fees to an owner who prevails in the action.

5. This section does not preclude an owner from asserting that an agreement covered by this section is invalid on grounds other than that the compensation is more than 10 percent of the total value of the property that is the subject of the agreement.
