Legislative Counsel's Digest:

Existing law requires each county assessor to provide certain information regarding property taxes on the Internet. (NRS 361.0445) Section 1 of this bill authorizes a county assessor to disseminate, by additional means, certain information to the public concerning the taxation of property.

Existing law provides an exemption from property taxes for any value added to the assessed value of a building by certain qualified systems that provide heating, cooling or electricity. (NRS 361.079) Section 2 of this bill simplifies the administration of this exemption by removing any calculation of the value of such a qualified system from the determination of the assessed value of a building to which the exemption applies.

Existing law provides partial exemptions from property taxes for the property of surviving spouses, blind persons, veterans, disabled veterans and certain veterans' organizations, and provides for annual increases in those exemptions beginning with the 2006-2007 Fiscal Year based upon the increase in the Consumer Price Index from July 2004. (NRS 361.080,

361.085, 361.090, 361.091, 361.095) Sections ~~[3-7]~~ **3 and 4-7** of this bill provide for the commencement of those annual increases during the 2005-2006 Fiscal Year based upon the increase in the Consumer Price Index from July 2003.

Section 7.5 of this bill provides an exemption from property taxes for certain property held by the Archaeological Conservancy.

Section 8 of this bill repeals a $5,000 limitation on the amount of an exemption from property taxes applicable to the funds, furniture, paraphernalia and regalia of certain lodges and other charitable organizations. (NRS 361.135)

Existing law requires the filing of claims for personal tax exemptions on real property, and the initial claim of an organization for a tax exemption on real property, to be filed on or before June 15. (NRS 361.155) Section 9 of this bill extends that deadline to July 5 for real property acquired after June 15 and before July 1. **Section 9 also provides for the filing of a late claim of exemption with, and for the appeal of the denial of a claim of exemption to, the county board of equalization.**

Existing law provides for the assessment of property taxes for a common-interest community on the community units and not on the common elements of the community. (NRS 361.233) Section 10 of this bill specifies the methodology for determining the taxable value of a parcel that includes such a community unit and clarifies the definitions of "community unit" and "common elements" for this purpose.

Existing law allows taxpayers to appeal the amount of certain assessments of their property to the State Board of Equalization. (NRS 361.360) Section 11 of this bill limits the effect of a change in assessment resulting from such an appeal to the fiscal year for which the assessment was made.

Under existing law, a property owner may protest the payment of taxes claimed to be in excess of the amount justly due and, if the State Board of Equalization denies relief, commence a legal proceeding in any county of this State to recover any overpayment. (NRS 361.420) Existing law authorizes a property owner to consolidate similar suits regarding property in more than one county into a single legal action. (NRS 361.435) Sections 12 and 13 of this bill clarify that these proceedings consist of a judicial review of the decision of the State Board of Equalization and limit the locations where these proceedings may be brought.

Existing law provides for a generally applicable partial abatement of the property taxes levied on property for which an assessed valuation has previously been established or on a remainder parcel of property, based upon the average change in the assessed valuation of property in the county over the last 10 years or twice the increase in the Consumer Price Index for the last year, whichever is greater. (NRS 361.4722) Section 15 of this bill ensures that this partial abatement cannot be less than zero nor greater than 8 percent.

Existing law exempts from certain partial abatements of property taxes certain increases in the taxable value of property following large fluctuations in that value and requires the collection of the resulting taxes due over a period of 3 years. (NRS 361.4725) Section 19 of this bill allows the collection of the amount due in a single year if that amount does not exceed $100 and authorizes the Nevada Tax Commission to exempt from collection any amount which is less than the cost of collection.

Existing law provides formulas for the allocation of reductions in revenue resulting from certain partial abatements of property taxes applicable to property for which the tax rate increases and authorizes the Committee on Local Government Finance to adopt regulations for the administration and interpretation of those formulas. (NRS 361.473, 361.4731, 361.4733) Section 23 of this bill requires the Committee to adopt such regulations as it determines to be appropriate, in accordance with certain specified principles, for the allocation of reductions in revenue resulting from those partial abatements of property taxes. Section 29 of this bill ratifies the regulations previously adopted by the Committee and requires the adoption of additional regulations not later than December 31, 2007. Section 28 of this bill repeals the existing formulas after the adoption of the additional regulations.

Existing law allows a taxpayer to petition the tax receiver for the review of a determination regarding the applicability of certain partial abatements from property taxes. (NRS 361.4734) Section 25 of this bill requires the submission of the petition on or before January 15 of the fiscal year for which the determination is effective.

Existing law authorizes a county treasurer or county assessor to waive all or part of the interest or penalty due from a person who fails to make a timely payment of property taxes as a result of circumstances beyond his control and who files a statement setting forth the facts of his claim. (NRS 361.4835) Section 26 of this bill requires a person seeking such relief to pay the amount of the taxes due and file the statement within 30 days after that payment is made.

Under existing law, 2 percent of the property taxes collected for each county on personal property and the net proceeds of mines must be deposited into an account for the acquisition and improvement of technology in the office of the county assessor. (NRS 361.530, 362.170) Sections 27 and 28 of this bill provide for the continuation of this funding by repealing its prospective expiration on July 1, 2007.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 361 of NRS is hereby amended by adding thereto a new section to read as follows:

3. As used in this section, "qualified system" means any system, method, construction, installation, machinery, equipment, device or appliance which is designed, constructed or installed in a residential, commercial or industrial building to heat or cool the building or water used in the building, or to provide electricity used in the building, by using:

(a) Energy from the wind or from solar devices not thermally insulated from the area where the energy is used;

(b) Geothermal resources;

(c) Energy derived from conversion of solid wastes; or

(d) Waterpower,

➥ which conforms to standards established by regulation of the Department.

Sec. 3. NRS 361.080 is hereby amended to read as follows:

361.080 1. The property of surviving spouses, not to exceed the amount of $1,000 assessed valuation, is exempt from taxation, but no such exemption may be allowed to anyone but a bona fide resident of this State, and must be allowed in but one county in this State to the same family.

2. For the purpose of this section, property in which the surviving spouse has any interest shall be deemed the property of the surviving spouse.

3. The person claiming such an exemption must file with the county assessor an affidavit declaring that he is a bona fide resident of this State and that the exemption has been claimed in no other county in this State. The affidavit must be made before the county assessor or a notary public. After the filing of the original affidavit, the county assessor shall mail a form for renewal of the exemption to the person each year following a year in which the exemption was allowed for that person. The form must be designed to facilitate its return by mail by the person claiming the exemption.

4. A surviving spouse is not entitled to the exemption provided by this section in any fiscal year beginning after any remarriage, even if the remarriage is later annulled.

5. If any person files a false affidavit or provides false proof to the county assessor or a notary public and, as a result of the false affidavit or false proof, the person is allowed a tax exemption to which he is not entitled, he is guilty of a gross misdemeanor.

6. Beginning with the ~~[2006-2007]~~ ***2005-2006*** Fiscal Year, the monetary amount in subsection 1 must be adjusted for each fiscal year by adding to the amount the product of the amount multiplied by the percentage increase in the Consumer Price Index (All Items) from July ~~[2004]~~ ***2003*** to the July preceding the fiscal year for which the adjustment is calculated. The Department shall provide to each county assessor the adjusted amount, in writing, on or before September 30 of each year.

2. The portion of a qualified low-income housing project that is entitled to the property tax exemption pursuant to subsection 1 must be determined by dividing the total assessed value of the housing project and the land upon which it is situated into the assessed value of the low-income units and related facilities that are occupied by or used exclusively for persons with low incomes.

3. The Nevada Tax Commission shall, by regulation, prescribe a form for an application for the exemption described in subsection 1. After an original application is filed, the county assessor of the county in which the housing project is located may mail a form for the renewal of the exemption to the owner of the housing project each year following a year in which the exemption was allowed for that project.

4. A renewal form returned to a county assessor must indicate the total number of units in the housing project and the number of units used for housing and related facilities for persons with low incomes. If the owner of a housing project fails to provide a properly completed renewal form to the county assessor of the county in which the project is located by the date required in NRS 361.155, ***except as otherwise provided in subsection 6 of that section,*** or fails to qualify for the exemption described in subsection 1, he is not entitled to the exemption in the following fiscal year.

5. As used in this section, the terms “low-income unit” and “qualified low-income housing project” have the meanings ascribed to them in 26 U.S.C. § 42.

Sec. 4. NRS 361.085 is hereby amended to read as follows:

361.085 1. The property of all blind persons, not to exceed the amount of $3,000 of assessed valuation, is exempt from taxation, including community property to the extent only of the blind person's interest therein, but no such exemption may be allowed to anyone but a bona fide resident of this State, and must be allowed in but one county in this State on account of the same blind person.

2. The person claiming such an exemption must file with the county assessor an affidavit declaring that he is a bona fide resident of the State of Nevada who meets all the other requirements for the exemption and that the exemption is not claimed in any other county in this State. The affidavit must be made before the county assessor or a notary public. After the filing of the original affidavit, the county assessor shall mail a form for renewal of the exemption to the person each year following a year in which the exemption was allowed for that person. The form must be designed to facilitate its return by mail by the person claiming the exemption.

3. Upon first claiming the exemption in a county **,** the claimant shall furnish to the assessor a certificate of a licensed physician setting forth that he has examined the claimant and has found him to be a blind person.

4. If any person files a false affidavit or provides false proof to the county assessor or a notary public and, as a result of the false affidavit or false proof, the person is allowed a tax exemption to which he is not entitled, he is guilty of a gross misdemeanor.

5. Beginning with the ~~[2006-2007]~~ ***2005-2006*** Fiscal Year, the monetary amount in subsection 1 must be adjusted for each fiscal year by adding to the amount the product of the amount multiplied by the percentage increase in the Consumer Price Index (All Items) from July ~~[2004]~~ ***2003*** to the July preceding the fiscal year for which the adjustment is calculated. Sec. 11. NRS 361.360 is hereby amended to read as follows:

361.360 1. Any taxpayer aggrieved at the action of the county board of equalization in equalizing, or failing to equalize, the value of his property, or property of others, or a county assessor, may file an appeal with the State Board of Equalization on or before March 10 and present to the State Board of Equalization the matters complained of at one of its sessions. If March 10 falls on a Saturday, Sunday or legal holiday, the appeal may be filed on the next business day.

2. All such appeals must be presented upon the same facts and evidence as were submitted to the county board of equalization in the first instance, unless there is discovered new evidence pertaining to the matter which could not, by due diligence, have been discovered before the final adjournment of the county board of equalization. The new evidence must be submitted in writing to the State Board of Equalization and served upon the county assessor not less than 7 days before the hearing.

3. Any taxpayer whose real or personal property placed on the unsecured tax roll was assessed after December 15 but before or on the following April 30 may likewise protest to the State Board of Equalization. Every such appeal must be filed on or before May 15. If May 15 falls on a Saturday, Sunday or legal holiday, the appeal may be filed on the next business day. A meeting must be held before May 31 to hear those protests that in the opinion of the State Board of Equalization may have a substantial effect on tax revenues. One or more meetings may be held at any time and place in the State before October 1 to hear all other protests.

4. The State Board of Equalization may not reduce the assessment of the county assessor if:

(a) The appeal involves an assessment on property which the taxpayer has refused or, without good cause, has neglected to include in the list required of him pursuant to NRS 361.265 or ***if the taxpayer*** has refused or, without good cause, has neglected to provide the list to the county assessor; or

(b) The taxpayer has, without good cause, refused entry to the assessor for the purpose of conducting the physical examination authorized by NRS 361.260.

5. ***Any change made in an assessment appealed to the State Board of Equalization is effective only for the fiscal year for which the assessment was made.*** The county assessor shall ***review*** each ~~[year review any]~~ ***such*** change ~~[made in an assessment for the previous fiscal year]~~ and maintain or remove the change as circumstances warrant ~~[.]~~ ***for the next fiscal year.***

6. If the State Board of Equalization determines that the record of a case on appeal from the county board of equalization is inadequate because of an act or omission of the county assessor, the district attorney or the county board of equalization, the State Board of Equalization may remand the case

to the county board of equalization with directions to develop an adequate record within 30 days after the remand. The directions must indicate specifically the inadequacies to be remedied. If the State Board of Equalization determines that the record returned from the county board of equalization after remand is still inadequate, the State Board of Equalization may hold a hearing anew on the appellant's complaint or it may, if necessary, contract with an appropriate person to hear the matter, develop an adequate record in the case and submit recommendations to the State Board. The cost of the contract and all costs, including attorney's fees, to the State or the appellant necessary to remedy the inadequate record on appeal are a charge against the county.

Sec. 12. NRS 361.420 is hereby amended to read as follows:

361.420 1. Any property owner whose taxes are in excess of the amount which the owner claims justly to be due may pay each installment of taxes as it becomes due under protest in writing. The protest must be in the form of a separate, signed statement from the property owner and filed with the tax receiver at the time of the payment of the installment of taxes.

2. The property owner, having protested the payment of taxes as provided in subsection 1 and having been denied relief by the State Board of Equalization, may ~~[commence a suit]~~ ***file for the judicial review of the decision of the State Board of Equalization*** in any court of competent jurisdiction in the ~~[State of Nevada]~~ ***county in which the taxes were paid*** against the State and county in which the taxes were paid, and, in a proper case, both the Nevada Tax Commission and the Department may be joined as a defendant for a recovery of the difference between the amount of taxes paid and the amount which the owner claims justly to be due, and the owner may complain upon any of the grounds contained in subsection 4.

3. Every action commenced under the provisions of this section must be commenced within 3 months after the date of the payment of the last installment of taxes, and if not so commenced is forever barred. If the tax complained of is paid in full and under the written protest provided for in this section, at the time of the payment of the first installment of taxes, suit for the recovery of the difference between the amount paid and the amount claimed to be justly due must be commenced within 3 months after the date of the full payment of the tax or the issuance of the decision of the State Board of Equalization denying relief, whichever occurs later, and if not so commenced is forever barred.

4. In any suit brought under the provisions of this section, the person assessed may complain or defend upon any of the following grounds:

(a) That the taxes have been paid before the suit;

(b) That the property is exempt from taxation under the provisions of the revenue or tax laws of the State, specifying in detail the claim of exemption;

(c) That the person assessed was not the owner and had no right, title or interest in the property assessed at the time of assessment;

(d) That the property is situate in and has been assessed in another county, and the taxes thereon paid;

(e) That there was fraud in the assessment or that the assessment is out of proportion to and above the taxable cash value of the property assessed;

(f) That the assessment is out of proportion to and above the valuation fixed by the Nevada Tax Commission for the year in which the taxes were levied and the property assessed; or

(g) That the assessment complained of is discriminatory in that it is not in accordance with a uniform and equal rate of assessment and taxation, but is at a higher rate of the taxable value of the property so assessed than that at which the other property in the State is assessed.

5. In a suit based upon any one of the grounds mentioned in paragraphs (e), (f) and (g) of subsection 4, the court shall conduct the trial without a jury and confine its review to the record before the State Board of Equalization. Where procedural irregularities by the Board are alleged and are not shown in the record, the court may take evidence respecting the allegation and, upon the request of either party, shall hear oral argument and receive written briefs on the matter.

6. In all cases mentioned in this section where the complaint is based upon any grounds mentioned in subsection 4, the entire assessment must not be declared void but is void only as to the excess in valuation.

7. In any judgment recovered by the taxpayer under this section, the court may provide for interest thereon not to exceed 6 percent per annum from and after the date of payment of the tax complained of.

Sec. 13. NRS 361.435 is hereby amended to read as follows:

361.435 Any property owner owning property of like kind in more than one county in the State and desiring to proceed with a suit under the provisions of NRS 361.420 may, where the issues in the cases are substantially the same in all or in some of the counties concerning the assessment of taxes on such property, consolidate any of the suits in one action and bring the action in any court of competent jurisdiction in ~~[Carson City,]~~ the county of this State where the property owner resides or maintains his principal place of business or a county in which any relevant proceedings were conducted by the Department.

Sec. 17. NRS 361.4723 is hereby amended to read as follows:

361.4723 The Legislature hereby finds and declares that an increase in the tax bill of the owner of a home by more than 3 percent over the tax bill of that homeowner for the previous year constitutes a severe economic hardship within the meaning of subsection 10 of Section 1 of Article 10 of the Nevada Constitution. The Legislature therefore directs a partial abatement of taxes for such homeowners as follows:

1. Except as otherwise provided in or required to carry out the provisions of subsection 2 and NRS 361.4725 to 361.4728, inclusive, the owner of a single-family residence which is the primary residence of the owner is entitled to a partial abatement of the ad valorem taxes levied in a county on that property each fiscal year equal to the amount by which the product of the combined rate of all ad valorem taxes levied in that county on the property for that fiscal year and the amount of the assessed valuation of the property which is taxable in that county for that fiscal year, excluding any increase in the assessed valuation of the property from the immediately preceding fiscal

year as a result of any improvement to or change in the actual or authorized use of the property, exceeds the sum obtained by adding:

4. The Nevada Tax Commission shall adopt such regulations as it deems appropriate to carry out this section, including, without limitation, regulations providing a methodology for applying the partial abatement provided pursuant to subsection 1 to a parcel of real property of which only a portion qualifies as a single-family residence which is the primary residence of the owner and the remainder is used in another manner.

Sec. 18. NRS 361.4724 is hereby amended to read as follows:

361.4724 The Legislature hereby finds and declares that many Nevadans who cannot afford to own their own homes would be adversely affected by large unanticipated increases in property taxes, as those tax increases are passed down to renters in the form of rent increases and therefore the benefits of a charitable exemption pursuant to subsection 8 of Section 1 of Article 10 of the Nevada Constitution should be afforded to those Nevadans through an abatement granted to the owners of residential rental dwellings who charge rent that does not exceed affordable housing standards for low-income housing. The Legislature therefore directs a partial abatement of taxes for such owners as follows:

1. Except as otherwise provided in or required to carry out the provisions of subsection 2 and NRS 361.4725 to 361.4728, inclusive, if the amount of rent collected from each of the tenants of a residential dwelling does not exceed the fair market rent for the county in which the dwelling is located, as most recently published by the United States Department of Housing and Urban Development, the owner of the dwelling is entitled to a partial abatement of the ad valorem taxes levied in a county on that property for each fiscal year equal to the amount by which the product of the combined rate of all ad valorem taxes levied in that county on the property for that fiscal year and the amount of the assessed valuation of the property which is taxable in that county for that fiscal year, excluding any increase in the assessed valuation of the property from the immediately preceding fiscal year

(2) Which would have been levied in that county on the property for the immediately preceding fiscal year if not for any exemptions from taxation that applied to the property for that prior fiscal year but do not apply to the property for the current fiscal year,

➥ whichever is greater; and

(b) Three percent of the amount determined pursuant to paragraph (a).

2. The provisions of subsection 1 do not apply to:

(a) Any hotels, motels or other forms of transient lodging;

(b) Any property for which no assessed valuation was separately established for the immediately preceding fiscal year; and

(c) Any property for which the provisions of subsection 1 of NRS 361.4722 provide a greater abatement from taxation.

3. Remarks by Assemblywoman McClain.

Motion carried by a constitutional majority.

Bill ordered to enrollment.

Assembly Bill No. 573.

The following Senate amendment was read:

Amendment No. 931.

AN ACT relating to wildlife; **revising the circumstances under which the killing of certain animals is prohibited;** requiring the Department of Wildlife to issue a 1-day group fishing permit under certain circumstances; requiring the Board of Wildlife Commissioners to adopt certain regulations; prohibiting a person from hunting or fishing any wildlife without a license or permit to do so; revising the information that the Department must include in certain permits; revising the fees for certain tags and permits; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes the Department of Wildlife and requires the Department to administer the wildlife laws of this State. (NRS 501.331)

Section 24.5 of this bill revises the circumstances under which the intentional killing of certain animals is prohibited. (NRS 501.376)

Section 25 of this bill requires the Department to issue a 1-day group fishing permit to a group upon payment of the fee for the permit. A "group" means a group of persons that consists of at least one adult who is at least

16 years of age and at least one child who is at least 12 years of age but less than 16 years of age. Section 30 of this bill authorizes a person to fish for trout without obtaining a state trout stamp if the person is fishing under the authority of a 1-day group fishing permit.

Existing law states that a person who hunts or traps any wild bird or mammal or who fishes without first obtaining a license or permit to do so is guilty of a misdemeanor. (NRS 502.010) Existing law further states that a person who traps fur-bearing mammals must obtain a trapping license. (NRS 503.454) Section 26 of this bill states that a person who hunts or fishes any wildlife without a license or permit is guilty of a misdemeanor. "Wildlife" means any wild mammal, wild bird, fish, reptile, amphibian, mollusk or crustacean found naturally in a wild state. (NRS 501.097)

Existing law requires a license that grants the privilege to hunt, fish or trap to include certain information, including, without limitation, the name, address and description of the holder of the license and the date the license is issued. (NRS 502.030) Section 27 of this bill expands that requirement to include any permit to hunt, fish or trap.

Existing law sets forth the fees that must be paid for licenses, permits and tags to hunt, fish and trap in Nevada. (NRS 502.240, 502.250) Section 28 of this bill imposes a fee of $20 for the issuance of a 1-day permit to hunt migratory game birds and a fee of $8 for each consecutive day added to that permit. Section 29 of this bill imposes a fee of $1,200 for the issuance of a nonresident antlered elk tag and a fee of $500 for the issuance of a nonresident antlerless elk tag.

Conference Amendment No. CA1.

Legislative Counsel's Digest:

Specifically, **section 2** provides that it is a misdemeanor for a person to carry on his person with the intent to vandalize, place graffiti on or otherwise deface property a graffiti implement on certain public and private property or in a public transportation vehicle without valid authorization from the appropriate governmental entity or person. **Sections 6-8** of this bill amend existing law to provide that persons who unlawfully possess a graffiti implement in violation of **section 2** are treated similarly to persons who unlawfully place graffiti on the property of another in violation of NRS 206.125 or 206.330. **Section 6** requires a person who violates **section 2** to pay, in addition to any other fine or penalty, an administrative assessment of $250 which must be credited to the Graffiti Reward Fund. (NRS 206.340) **Section 7** amends existing law which provides that, under certain circumstances, a person may not sue a public employee, officer or agency for any injury, wrongful death or other damage incurred by a person while committing certain crimes to include the new crime created pursuant to **section 2**. (NRS 41.0334) **Section 8** amends existing law which authorizes a court to suspend the driver's license of a child or to delay the

issuance of a driver's license to the child if he does not yet possess a driver's license when the child is adjudicated delinquent for engaging in certain acts involving graffiti or defacing property to allow such actions when a child engages in an act prohibited by **section 2**. (NRS 62E.690)

Section 3 of this bill requires a person who is ordered to pay restitution for damaging the property of another to pay the restitution to either the owner of the property or, if the damage involves the placement of graffiti on certain property, to the governmental entity that incurred the costs of cleaning up or removing the graffiti.

Section 4 of this bill revises the penalty for placing graffiti on, vandalizing, defacing or otherwise damaging: (1) a place of religious worship; (2) a facility used for the purpose of burial or memorializing the dead; or (3) a school, educational facility or community center to provide for mandatory fines and community service. **Section 4** also adds transportation facilities and public transportation vehicles to the list of entities covered by this section. (NRS 206.125)

Section 5 of this bill ~~[amends the threshold amount used to determine the penalty for a person who places graffiti on or otherwise defaces public or private property without the permission of the owner. Section 5 also]~~ revises the penalties for such an offense to include a mandatory fine and community service, revises the period for the suspension of a driver's license, defines the manner for determining the "value of the loss" and allows for aggregating the amount of damage to determine the value of the loss, but only if the value of the loss when aggregated is $5,000 or more. (NRS 206.330)

Existing law provides for the suspension or delay in the issuance of a driver's license to a person who commits certain graffiti offenses. **Section 8** of this bill adds to the crimes for which a license may be suspended or delayed the new crime of carrying a graffiti implement in certain places and increases the minimum period of the suspension or delay to 1 year. The following Senate amendment was read:

Amendment No. 995.

AN ACT relating to education; requiring each school district to develop a program to provide enhanced compensation to employees of the school

district; making various changes regarding the evaluation and admonition of educational personnel; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Department of Education to establish and maintain an automated system of accountability information for Nevada concerning the achievement and proficiency of pupils. Certain information that is collected as part of that system must not be used for the purpose of evaluating an individual teacher or paraprofessional. (NRS 386.650) Section 5.5 of this bill revises existing law to provide that such information may be used for the purpose of evaluating a teacher or paraprofessional as long as it is not used as the sole criterion for evaluation.

Section 6 of this bill requires an administrator who is responsible for evaluating a teacher to personally observe that teacher in the classroom for not less than 60 minutes during each evaluation period. If a deficiency is discovered during the evaluation process, a reasonable effort must be made to assist the teacher to correct the deficiency. Existing law prescribes the circumstances under which an administrator may admonish an employee. (NRS 391.313) Section 7 of this bill requires an admonition to include a description of the deficiencies of the teacher and the actions that are necessary to correct those deficiencies.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

The following Senate amendment was read:

Amendment No. 833.

AN ACT relating to education; revising provisions relating to reports of accountability to include information relating to pupils who drop out of school in grade 8; revising provisions governing the attendance and truancy of pupils; authorizing a juvenile court to order a parent or guardian of a child to pay a fine under certain circumstances if the child is a habitual truant; authorizing a juvenile court to waive certain fines if the parent or guardian is ordered to pay fines in a court of competent jurisdiction; requiring the Legislative Committee on Education to study issues relating to truancy; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Sections 1 and 2 of this bill require a report of pupils who drop out of school in grade 8 to be included in the reports of accountability prepared by the State Board of Education and the boards of trustees of school districts. (NRS 385.3469, 385.347)

Section 3 of this bill requires the board of trustees of a school district located in a county whose population is 100,000 or more (currently Clark and Washoe Counties) to establish a school attendance council. A board of trustees of a school district located in a county whose population is less than 100,000 (currently counties other than Clark and Washoe Counties) is authorized to establish a school attendance council. A school attendance council is required to implement a program to reduce the truancy of pupils and to monitor incidents of truancy of pupils within the district.

Existing law requires an advisory board to review school attendance created pursuant to NRS 392.126 to establish programs to reduce the truancy of pupils in the school district. (NRS 392.128) Section 5 of this bill requires those programs to include the coordination of community services that provide assistance for pupils who are truant from school.

Section 6 of this bill requires the board of trustees of each school district to establish procedures to monitor the attendance and truancy of pupils within the school district.

Existing law makes it unlawful for a person to induce or attempt to induce a child to be unlawfully absent from school. (NRS 392.220) Section 7 of this bill makes the inducement or attempt unlawful if the person knowingly induces or attempts to induce the child to be unlawfully absent from school. Section 7 of this bill also clarifies that a parent or guardian may be in violation of this law if the parent knowingly induces or attempts to induce a child to be unlawfully absent from school.

Under existing law a child who is adjudicated to be in need of supervision because the child is a habitual truant may be ordered to pay a fine. (NRS 62A.430) Section 9 of this bill authorizes the juvenile court to order the parent or guardian of the child to pay a fine if the parent or guardian knowingly induced the child to be a habitual truant. Section 9 also authorizes the juvenile court to waive a fine if a parent or guardian is ordered, by a court of competent jurisdiction, to pay a fine arising out of the same circumstances.

Section 11 of this bill requires the Legislative Committee on Education to ~~[form a subcommittee to]~~ study the issue of truancy and report its findings to the ~~[Committee]~~ **Legislature** on or before ~~[August]~~ **February** 1, ~~[2008.]~~ **2009.**

WHEREAS, The graduation rate reported each year by the Department of Education is based on a general count of pupils who entered grade 9 and a count of pupils who receive a diploma or drop out 4 years later; and

WHEREAS, The National Governors Association Task Force on State High School Graduation Data is urging states to adopt a new method for calculating the graduation rate which tracks an individual pupil through his educational career to determine whether the pupil graduates; and

WHEREAS, Nevada has committed to adopting this new method for calculating the graduation rate; and

WHEREAS, The members of the 74th Session of the Nevada Legislature hereby urge the Department of Education to begin using the method for calculating the graduation rate promoted by the National Governors Association as soon as practicable; now, therefore,

(a) A common-interest community as that term is defined in NRS 116.021.

(b) Time shares governed by the provisions of chapter 119A of NRS.

(c) A condominium hotel that was created before January 1, 2008, unless the declaration of that condominium hotel otherwise provides or is amended to provide for the applicability of this chapter.

Sec. 58. ***1. Any provision contained in a declaration, bylaw or other governing document of a condominium hotel that violates the provisions of this chapter shall be deemed to conform with those provisions by operation of law, and any such declaration, bylaw or other governing document is not required to be amended to conform to those provisions.***

2. In the case of amendments to a declaration, bylaws or plats and plans of any condominium hotel created before January 1, 2008:

(a) If the result accomplished by the amendment was permitted before January 1, 2008, the amendment may be made in accordance with that law, in which case that law applies to that amendment, or it may be made under this chapter; and

(b) If the result accomplished by the amendment is permitted by this chapter and was not permitted by law before January 1, 2008, the amendment may be made under this chapter.

Sec. 59. ***If any change is made to the governing documents, the secretary or other officer specified in the bylaws of the association <u>or the hotel unit owner</u> shall, within 30 days after the change is made, prepare and cause to be hand-delivered or sent prepaid by United States mail to the mailing address of each unit or to any other mailing address designated in writing by the unit's owner, a copy of the change that was made.***

Sec. 60. ***A condominium hotel may be created pursuant to this chapter only by recording a declaration executed in the same manner as a deed. The declaration must be recorded in every county in which any portion of the condominium hotel is located and must be indexed in the grantee's index in the name of the condominium hotel and the association and in the grantor's index in the name of each person executing the declaration.***

Sec. 61. ***The boundaries of the hotel unit, including the shared components, if any, must be expressly set forth in the declaration or other governing documents of the condominium hotel <u>~~.~~</u> <u>and must be recorded in any county in which the declaration is recorded.</u>***

Sec. 62. ***1. The inclusion in a governing document of a provision that violates any provision of this chapter does not render any other provisions of the governing document invalid or otherwise unenforceable if***

the other provisions can be given effect in accordance with their original intent and the provisions of this chapter.

2. The rule against perpetuities and NRS 111.103 to 111.1039, inclusive, do not apply to defeat any provision of the declaration, bylaws, rules or regulations adopted pursuant to section 83 of this act.

3. In the event of a conflict between the provisions of the declaration and the bylaws, the declaration prevails except to the extent the declaration is inconsistent with this chapter.

4. Title to any portion of a condominium hotel is not rendered unmarketable or otherwise affected by reason of an insubstantial failure of the declaration to comply with this chapter. Whether a substantial failure impairs marketability is not affected by this chapter.

Sec. 63. ***A description of the residential units and the hotel unit which sets forth the name of the condominium hotel, the file number and book or other information to show where the declaration is recorded, the county in which the condominium hotel is located and the identifying number of the units, is a legally sufficient description of those units and all rights, obligations and interests appurtenant to those units which were created by the declaration or bylaws.***

Sec. 64. ***1. The declaration for a condominium hotel must contain:***

(a) The names of the condominium hotel and the association.

(b) The name of every county in which any part of the condominium hotel is situated.

(c) A sufficient description of the real estate included in the condominium hotel.

(d) A statement of the maximum number of units that the declarant reserves the right to create.

(e) A description of the boundaries of each residential unit created by the declaration, including the unit's identifying number, its size or number of rooms, and its location within a building if it is within a building containing more than one unit.

(f) A description of the shared components, hotel unit and the common elements.

(g) A description of any limited common elements.

(h) A description of any developmental rights and other special declarant's rights reserved by the declarant, together with a legally sufficient description of the real estate to which each of those rights applies, and a time within which each of those rights must be exercised.

(i) If any developmental right may be exercised with respect to different parcels of real estate at different times, a statement to that effect together with:

(1) Either a statement fixing the boundaries of those portions and regulating the order in which those portions may be subjected to the exercise of each developmental right or a statement that no assurances are made in those regards; and

(2) A statement whether, if any developmental right is exercised in any portion of the real estate subject to that developmental right, that developmental right must be exercised in all or in any other portion of the remainder of that real estate.

(j) Any other conditions or limitations under which the rights described in paragraph (h) may be exercised or will lapse.

(k) A description of any easements benefiting or burdening the units, including easements providing the residential unit owners with rights of ingress or egress through the common elements, hotel unit or shared components for the purpose of accessing their respective units.

(l) An allocation to the units of the allocated interests as described in this chapter, and an allocation to the residential units of their respective liability for shared expenses and other charges of the hotel unit owner.

(m) A description of any other payments, fees and charges that may be charged by the hotel unit owner in order to offset the increased burden placed on the shared components as the result of use of residential units as transient rentals.

(n) Any restrictions:

(1) On use, occupancy and alienation of the units; and

(2) On the amount for which a unit may be sold or on the amount that may be received by a unit's owner on sale, condemnation or casualty to the unit or to the condominium hotel, or on termination of the condominium hotel.

(o) The file number and book or other information to show where easements and licenses are recorded appurtenant to or included in the condominium hotel or to which any portion of the condominium hotel is or may become subject by virtue of a reservation in the declaration.

2. The declaration may contain any other matters the declarant considers appropriate.

Sec. 65. ***1. Any lease the expiration or termination of which may terminate the condominium hotel or reduce its size must be recorded. Every lessor of such a lease in a condominium hotel shall sign the declaration. The declaration must state:***

(a) The recording date where the lease is recorded.

(b) The date on which the lease is scheduled to expire.

(c) A legally sufficient description of the real estate subject to the lease.

(d) Any right of the units' owners to redeem the reversion and the manner whereby those rights may be exercised, or a statement that they do not have those rights.

(e) Any right of the units' owners to remove any improvements within a reasonable time after the expiration or termination of the lease, or a statement that they do not have those rights.

(f) Any rights of the units' owners to renew the lease and the conditions of any renewal, or a statement that such rights do not exist.

2. After the declaration for a leasehold condominium hotel is recorded, neither the lessor nor the lessor's successor in interest may terminate the leasehold interest of a unit's owner who makes timely payment of his share of the rent and otherwise complies with all covenants which, if violated, would entitle the lessor to terminate the lease. The leasehold interest of a unit's owner in a condominium hotel is not affected by failure of any other person to pay rent or fulfill any other covenant.

3. Acquisition of the leasehold interest of any unit's owner by the owner of the reversion or remainder does not merge the leasehold and freehold interests unless the leasehold interests of all units' owners subject to that reversion or remainder are acquired.

4. If the expiration or termination of a lease decreases the number of units in a condominium hotel, the allocated interests must be reallocated in accordance with subsection 1 of section 50 of this act as if those units had been taken by eminent domain. Reallocations must be confirmed by an amendment to the declaration prepared, executed and recorded by the association.

Sec. 66. ***1. The declaration must allocate to each unit, including any unit owned by the declarant or hotel unit owner, as applicable, a fraction or percentage of undivided interests in the common elements and in the common expenses of the association and a portion of the votes in the association.***

2. The declaration may allocate to each residential unit, including any residential unit owned by the declarant or the hotel unit owner, as applicable, a fraction or percentage of the liability for shared expenses and other charges of the hotel unit owner. Unless the declaration provides otherwise, residential units are not allocated an undivided interest in the ownership of the hotel unit or the shared components.

3. The declaration must state the formulas used to establish allocations of interests and to establish each residential unit's allocated liability for shared expenses. Unless the declaration provides otherwise, the formula used to allocate interests and to allocate liability for shared expenses must be based on the square footage of the residential units. Those allocations of interest and allocations of liability for shared expenses must not discriminate in favor of any unit within the condominium hotel.

4. The declaration may provide:

(a) That different allocations of votes are made to the units on particular matters specified in the declaration;

(b) For cumulative voting only for the purpose of electing members of the executive board;

(c) For class voting on specified issues affecting the class if necessary to protect valid interests of the class; ~~[and]~~

(d) For the hotel unit owner's ability ~~[to fine residential unit owners or]~~ to prohibit use of the shared components by residential unit owners or the tenants or guests of the residential unit owners for violation of reasonable

rules and regulations as may be established by the hotel unit owner. If the hotel unit owner prohibits use of the shared components, such prohibition may not restrict use of the shared components as is necessary for vehicular or pedestrian ingress or egress to or from the residential unit ~~(.)~~ ; and

(e) For the hotel unit owner's ability to convey or subject the shared components and the portions of the hotel unit not designated as shared components to a security interest without the approval of other units' owners.

5. Except for minor variations because of rounding, the sum of the liabilities for common expenses allocated at any time to all the units must each equal one if stated as a fraction or 100 percent if stated as a percentage. In the event of discrepancy between an allocated interest and the result derived from application of the pertinent formula, the allocated interest prevails.

6. Except for minor variations because of rounding, the sum of the liabilities for shared expenses allocated at any time to all the residential units must each equal one if stated as a fraction or 100 percent if stated as a percentage. In the event of any discrepancy between a specific residential unit's allocated share of liability for shared expenses and the result derived from the application of the pertinent formula, the specific residential unit's allocation of liability for shared expenses prevails.

7. In a condominium hotel, the common elements are not subject to partition, and any purported conveyance, encumbrance, judicial sale or other voluntary or involuntary transfer of an undivided interest in the common elements made without the unit to which that interest is allocated is void.

8. If units may be added to or withdrawn from the condominium hotel, the declaration must state the formulas to be used to reallocate the allocated interests and the allocations of liability for shared expenses among all units included in the condominium hotel after the addition or withdrawal.

Sec. 66.3. 1. The rules and regulations established by a hotel unit owner, if any:

(a) Must be reasonably related to the duties of the hotel unit owner.

(b) Must be sufficiently explicit in their prohibition, direction or limitation to inform a person of any action or omission required for compliance.

(c) Must not be adopted to evade any obligation of the hotel unit owner.

(d) Must be consistent with the governing documents of the association and must not arbitrarily restrict conduct or require the construction of any capital improvement by a unit's owner that is not required by the governing documents of the association.

(e) Must be uniformly enforced under the same or similar circumstances against all units' owners. Any rule that is not so uniformly enforced may not be enforced against any unit's owner.

2. If the hotel unit owner adopts a policy to prohibit use of the shared components by residential unit owners for violation of reasonable rules and regulations as may be established by the hotel unit owner, the hotel unit owner or his designated agent shall prepare and cause to be hand-delivered or sent prepaid by United States mail to the mailing address of each unit or to any other mailing address designated in writing by the unit's owner, a copy of such policy and the rules and regulations.

Sec. 66.5. 1. A hotel unit owner may not prohibit use of the shared components pursuant to paragraph (d) of subsection 4 of section 66 of this act unless:

(a) Not less than 30 days before the violation, the residential unit owner against whom the prohibition will be imposed has been provided with written notice of the applicable provisions of the rules and regulations established by the hotel unit owner that form the basis of the violation; and

(b) Within 10 days after the discovery of the violation, the residential unit owner against whom the prohibition will be imposed has been provided with:

(1) Written notice specifying the details of the violation; and

(2) A reasonable opportunity to contest the violation.

2. Within 10 days after receiving the written notice specifying the details of the violation, the residential unit owner may:

(a) Provide to the hotel unit owner any written information or any explanation relating to the violation; or

(b) Request a meeting with the hotel unit owner to present the information or explanation relating to the violation.

3. A meeting requested by a residential unit owner pursuant to subsection 2 must be held as soon as practicable, but not later than 30 days after the date on which the request for a meeting is received by the hotel unit owner. The meeting may be held in person, by telephone or by videoconferencing.

4. The provisions of this section establish the minimum procedural requirements that the hotel unit owner must follow before the hotel unit owner may prohibit use of the shared components by a residential unit owner. The provisions of this section do not preempt any provisions of the rules and regulations established by the hotel unit owner that provide greater procedural protections.

Sec. 66.7. 1. If the hotel unit owner receives a written complaint from a unit's owner alleging that the hotel unit owner has violated any provision of the governing documents or any other provision of this chapter, the hotel unit owner shall, not later than 10 business days after the date on which the hotel unit owner received the complaint, acknowledge receipt of the complaint by notifying the unit's owner of the receipt.

2. The hotel unit owner shall respond in writing to a complaint described in subsection 1 not later than 20 business days after the date on which the hotel unit owner received the complaint.

Sec. 67. ***1. The declaration may allocate limited common elements to any unit or units within the condominium hotel. The declaration must specify to which unit or units each limited common element is allocated. An allocation may not be altered without the consent of the units' owners to which the limited common elements are allocated.***

2. Except as the declaration otherwise provides, a limited common element may be reallocated by an amendment to the declaration executed by the units' owners between or among whose units the reallocation is made. The persons executing the amendment shall provide a copy thereof to the association, which shall record it. The amendment must be recorded in the names of the parties and the condominium hotel.

3. A common element not previously allocated as a limited common element may be so allocated only by amendments to the declaration.

Sec. 68. ***1. Plats and plans are a part of the declaration and are required for all condominium hotels. Each plat and plan must be clear and legible and contain a certification that the plat or plan contains all information required by this section.***

2. Each plat must comply with the provisions of chapter 278 of NRS and show:

(a) The name and a survey of the area which is the subject of the plat;

(b) A sufficient description of the real estate;

(c) The extent of any encroachments by or upon any portion of the property which is the subject of the plat;

(d) The location and dimensions of all easements having a specific location and dimension which serve or burden any portion of the condominium hotel;

(e) The location and dimensions with reference to an established datum of any vertical residential unit boundaries and that unit's identifying number;

(f) The location with reference to an established datum of any horizontal unit boundaries not shown or projected on plans recorded pursuant to subsection 4 and that unit's identifying number;

(g) The location and dimensions of the units, shared components and common elements; and

(h) The location and dimensions of limited common elements, if any, including porches, balconies and patios.

3. Each plat must be certified by an independent professional land surveyor. The plans of the units must be certified by an independent professional engineer or architect.

4. Plats and plans need not show the location and dimensions of the units' boundaries and their limited common elements if:

(a) The plat shows the location and dimensions of all buildings containing or comprising the units; and

(b) The declaration includes other information that shows or contains a narrative description of the general layout of the units in those buildings and the limited common elements, if any, allocated to those units.

5. To the extent not shown or projected on the plats, plans of the units must show or project any units in which the declarant has reserved the right to create additional units or common elements, or portions of the shared components or hotel unit, identified appropriately.

6. Unless the declaration provides otherwise, the horizontal boundaries of part of a unit located outside a building have the same elevation as the horizontal boundaries of the inside part and need not be depicted on the plats and plans of the units.

7. Upon exercising any developmental right, the declarant shall prepare, execute and record new or amended plats necessary to conform to the requirements of this section.

Sec. 69. ***1. To exercise any developmental right reserved in the declaration, the declarant shall prepare, execute and record an amendment to the declaration. The declarant is the owner of any units thereby created. The amendment to the declaration must assign an identifying number to each new unit created and, except in the case of subdivision or conversion of units described in this section, reallocate the allocated interests and the allocated liability for shared expenses by the declarant or hotel unit owner among all units. The amendment must describe any common elements, limited common elements, shared components or portions of the hotel unit thereby created and, in the case of limited common elements, designate the unit to which each is allocated to the extent required by section 67 of this act.***

2. Developmental rights may be reserved within any real estate added to the condominium hotel if the amendment adding that real estate includes all matters required by section 64 or 65 of this act, as the case may be. This provision does not extend the time limit on the exercise of developmental rights imposed by the declaration.

3. Whenever a declarant exercises a developmental right to subdivide or convert a unit or shared components previously created into additional units, common elements, shared components, or additional portions of the hotel unit:

(a) If the declarant converts the unit or shared components entirely to common elements, the amendment to the declaration must convey it to the association or reallocate all the allocated interests and allocated liability for shared expenses of that unit among the other units as if that unit had been taken by eminent domain; and

(b) If the declarant subdivides the unit into two or more units, whether or not any part of the unit is converted into common elements, the amendment to the declaration must reallocate all the allocated interests and shared expenses of the unit among the units created by the subdivision in any reasonable manner prescribed by the declarant.

4. If the declarant converts a shared component into a residential unit, the amendment to the declaration must reallocate all the allocated interests and allocated liability for shared expenses to the residential units.

5. If the declaration provides that all or a portion of the real estate is subject to a right of withdrawal:

(a) If all the real estate is subject to withdrawal, and the declaration does not describe separate portions of real estate subject to that right, none of the real estate may be withdrawn after a unit has been conveyed to a purchaser; and

(b) If any portion is subject to withdrawal, it may not be withdrawn after a unit in that portion has been conveyed to a purchaser.

Sec. 70. ***1. The declaration must describe the boundaries of the hotel unit, which are owned by the hotel unit owner. The hotel unit may be used by the hotel unit owner for commercial purposes, including the operation of a hotel and other commercial uses as set forth in the declaration. Except as otherwise provided in the declaration, the hotel unit owner may subdivide the hotel unit without prior notice or demand to the residential unit owners.***

2. The declaration must describe the shared components which are deemed to be a part of the hotel unit. The hotel unit owner shall, from time to time, be responsible for the repair, replacement, improvement, maintenance, management, operation and insurance of the shared components, all of which must be conducted in a commercially reasonable manner. The hotel unit owner, as applicable, has the power to charge the residential unit owners for the shared expenses.

3. The residential unit owners have an easement for ingress and egress across and upon the hotel unit and the shared components as is reasonably necessary for the residential unit owners and guests to access the residential units. The residential unit owners have an easement for the use and enjoyment of the shared components, subject to reasonable rules and regulations as may be established by the hotel unit owner.

Sec. 71. ***Except as otherwise provided in this section and subject to the provisions of the declaration and other provisions of law, a residential unit owner:***

1. May make any improvements or alterations to his residential unit that do not impair the structural integrity or mechanical systems or lessen the support of any portion of the condominium hotel; and

2. May not change the appearance of the common elements, the shared components, the hotel unit or the exterior appearance of a unit, building or any other portion of the condominium hotel.

Sec. 72. ***The existing physical boundaries of a residential unit or a hotel unit are its legal boundaries, rather than the boundaries derived from the description contained in the original declaration, regardless of vertical or lateral movement of the building or minor variance between those boundaries and the boundaries derived from the description contained in***

the original declaration. This section does not relieve a unit's owner of liability in case of his willful misconduct or relieve a declarant or any other person of liability for failure to adhere to any plats and plans.

Sec. 73. ***Subject to the provisions of the declaration and other provisions of law, the boundaries between adjoining units may be relocated by an amendment to the declaration upon application to the hotel unit owner by the owners of those units. If the owners of the adjoining units have specified a reallocation between their units of their allocated interests and allocation of shared expenses, the application must state the proposed reallocations. Unless the hotel unit owner determines within 90 days that the reallocations are unreasonable, the hotel unit owner shall prepare an amendment that identifies the units involved and states the reallocations. The amendment must be executed by those units' owners, contain words of conveyance between them and, on recordation, be indexed in the name of the grantor and the grantee, and in the grantee's index in the name of the association and the hotel unit owner.***

Sec. 74. ***1. If the declaration expressly so permits, a residential unit may be subdivided into two or more residential units upon receipt of consent from the hotel unit owner. Subject to the provisions of the declaration and other provisions of law, upon receipt of consent from the hotel unit owner to subdivide a residential unit, the association shall prepare, execute and record an amendment to the declaration.***

2. The amendment to the declaration must be executed by the owner of the unit to be subdivided, assign an identifying number to each residential unit created, and reallocate the allocated interests and allocated liability for shared expenses formerly allocated to the subdivided residential unit to the new residential units in any reasonable manner prescribed by the owner of the subdivided unit.

Sec. 75. ***1. Provisions in an agreement to purchase a residential unit between a purchaser and a declarant which permit the declarant to amend or change the governing documents at any time before the close of escrow of a residential unit are enforceable.***

2. Following the period of a declarant's control of the association, with regard to an amendment that does not in any way affect the hotel unit or the shared components, the declaration may be amended by a majority of the total voting power in the association. The declaration may specify a larger number of votes necessary to amend the declaration.

3. Following the period of declarant's control of the association, with regard to an amendment that in any way affects the hotel unit or the shared components, such an amendment is not effective without the prior written consent of the declarant or the hotel unit owner and the vote of a majority of the total voting power in the association. The declaration may specify a larger number of votes necessary to amend the declaration.

4. No action to challenge the validity of an amendment adopted pursuant to this section may be brought more than 1 year after the amendment is recorded.

5. Every amendment to the declaration must be recorded in every county in which any portion of the condominium hotel is located and is effective only upon recordation. An amendment must be indexed in the grantee's index in the name of the condominium hotel and the association and in the grantor's index in the name of the parties executing the amendment.

Sec. 76. ***1. Except in the case of a taking of the condominium hotel by eminent domain, termination of the condominium hotel or the declaration requires approval by:***

(a) The owners representing at least 80 percent of the votes in the association allocated to the residential unit owners; and

(b) The hotel unit owner.

2. An agreement to terminate the condominium hotel or the declaration must be evidenced by the execution of an agreement to terminate in the same manner as a deed by the hotel unit owner and the requisite number of units' owners. The agreement to terminate must specify a date after which the agreement will be void unless it is recorded before that date.

3. An agreement to terminate may provide that all of the common elements, shared components or units must be sold following termination. If, pursuant to the agreement, any real estate in the condominium hotel is to be sold following termination, the agreement must set forth the minimum terms of the sale.

4. The hotel unit owner, on behalf of the units' owners, may contract for the sale of real estate owned by the units' owners in a condominium hotel, but the contract is not binding on the units' owners and the declarant or hotel unit owner, as applicable, until approved pursuant to subsections 1 and 2. If any real estate owned by the units' owners is to be sold following termination, title to that real estate, upon termination, vests in the hotel unit owner as trustee for the holders of all interests in the units. Thereafter, the hotel unit owner has all powers necessary and appropriate to effect the sale. Until the sale has been concluded and the proceeds thereof distributed, the hotel unit owner continues in existence with all powers it had before termination. Proceeds of the sale must be distributed to units' owners and lienholders as their interests may appear, in accordance with sections 77 and 78 of this act. Unless otherwise specified in the agreement to terminate, as long as the unit's owner holds title to the real estate, each unit's owner and his successors in interest have an exclusive right to occupancy of the portion of the real estate that formerly constituted ~~***[the]***~~ ***such unit's owner's unit. During the period of that occupancy, each unit's owner and his successors in interest remain liable for all assessments, shared expenses and other obligations imposed on units' owners by this chapter or the declaration.***

5. If the real estate is not to be sold following termination, title to the common elements and residential units vests in the units' owners upon termination as tenants in common in proportion to their respective interests in the association as provided in section 78 of this act, and liens on the units shift accordingly. While the tenancy in common exists, each unit's owner and his successors in interest have an exclusive right to occupancy of the portion of the real estate that formerly constituted such ~~[unit owners']~~ unit's owner's unit.

6. Following termination of the condominium hotel, the proceeds of any sale of real estate, together with the assets of the association, are held by the hotel unit owner as trustee for units' owners and holders of liens on the units as their interests may appear.

Sec. 77. ***1. Following termination of a condominium hotel, creditors of the association holding liens on the units, which were recorded before termination, may enforce those liens in the same manner as any lienholder. All other creditors of the association are to be treated as if they had perfected liens on the units immediately before termination.***

2. Creditors of the association are not entitled to payment from any unit's owner in excess of the amount of the creditor's lien against that owner's interest.

Sec. 78. ***The respective interests of units' owners referred to in sections 76 and 77 of this act are as follows:***

1. Except as otherwise provided in subsection 2, the respective interests of units' owners are the fair market values of their units, allocated interests, and any limited common elements immediately before the termination, as determined by one or more independent appraisers selected by the hotel unit owner ~~[,]~~ and the association. The decision of the independent appraisers must be distributed to the units' owners and becomes final unless disapproved within 30 days after distribution by units' owners to whom 25 percent of the total number of votes in the association are allocated. The proportion of interest of any unit's owner to that of all units' owners is determined by dividing the fair market value of that unit and its allocated interests by the total fair market values of all the units and their allocated interests.

2. If any unit or any limited common element is destroyed to the extent that an appraisal of the fair market value thereto before destruction cannot be made, the interests of all units' owners are their respective interests in the common elements immediately before the termination.

Sec. 79. ***1. Except as otherwise provided in subsection 2, foreclosure or enforcement of a lien or encumbrance against the entire condominium hotel does not terminate, of itself, the condominium hotel, and foreclosure or enforcement of a lien or encumbrance against a portion of the condominium hotel, other than withdrawable real estate, does not withdraw that portion from the condominium hotel. Foreclosure or enforcement of a lien or encumbrance against withdrawable real estate does not withdraw,***

of itself, that real estate from the condominium hotel, but the person taking title thereto may require from the hotel unit owner, upon request, an amendment excluding the real estate from the condominium hotel.

2. If a lien or encumbrance against a portion of the real estate comprising the condominium hotel has priority over the declaration and the lien or encumbrance has not been partially released, the parties foreclosing the lien or encumbrance, upon foreclosure, may record an instrument excluding the real estate subject to that lien or encumbrance from the condominium hotel.

Sec. 80. ***The declaration may require that all or a specified number or percentage of the lenders who hold security interests encumbering the units approve specified actions of the units' owners or the association as a condition to the effectiveness of those actions, but no requirement for approval may operate to:***

1. Deny or delegate control over the general administrative affairs of the association by the units' owners or the executive board;

2. Prevent the association or the executive board from commencing, intervening in or settling any litigation or proceeding; or

3. Prevent any trustee or the association from receiving and distributing any proceeds of insurance except as otherwise provided in this chapter.

Sec. 81. ***1. Any two or more condominium hotels, by agreement of the declarants or hotel unit owners and ratified by the associations as provided in subsection 2, may be merged or consolidated into a single condominium hotel. In the event of a merger or consolidation, unless the agreement otherwise provides, the resultant condominium hotel is the legal successor, for all purposes, of all of the preexisting condominium hotels, and the operations and activities of all associations of the preexisting condominium hotels are merged or consolidated into a single association that holds all powers, rights, obligations, assets and liabilities of all preexisting associations.***

2. An agreement of two or more condominium hotels to merge or consolidate pursuant to subsection 1 must be evidenced by an agreement prepared, executed, recorded and certified by the declarant or hotel unit owner, as applicable, of each of the preexisting condominium hotels. The agreement must be ratified in each condominium hotel by the percentage of votes required to terminate that condominium hotel. The agreement must be recorded in every county in which a portion of the condominium hotel is located and is not effective until recorded.

3. Every agreement for merger or consolidation must provide for the reallocation of the allocated interests in the new association among the units of the resultant condominium hotel either by stating the reallocations or the formulas upon which they are based or by stating the percentage of overall allocated interests of the new condominium hotel which are allocated to all of the units comprising each of the preexisting

condominium hotels, and providing that the portion of the percentages allocated to each unit formerly constituting a part of the preexisting condominium hotel must be equal to the percentages of allocated interests and shared expenses allocated to that unit by the declaration of the preexisting condominium hotel.

4. Every agreement for merger or consolidation must provide for the reallocation of the liability for shared expenses among the residential units of the resultant condominium hotel either by stating the reallocations or the formulas upon which they are based.

Sec. 82. ***1. A unit-owners' association must be organized not later than the date the first residential unit in the condominium hotel is conveyed.***

2. The membership of the association at all times consists exclusively of all units' owners, including the hotel unit and any other units owned by the declarant or, following termination of the condominium hotel, of all owners of former units entitled to distributions of proceeds under the declaration, or their heirs, successors or assigns.

3. The association must:

(a) Be organized as a profit or nonprofit corporation, association, limited-liability company, trust or partnership;

(b) Include in its articles of incorporation, articles of association, articles of organization, certificate of registration, certificate of limited partnership, certificate of trust or other documents of organization, or any amendment thereof, that the purpose of the corporation, association, limited-liability company, trust or partnership is to operate as an association pursuant to this chapter;

(c) Contain in its name the words "community association," "homeowners' association" or "unit-owners' association"; and

(d) Comply with the provisions of chapters 78, 81, 82, 86, 87, 88 and 88A of NRS when filing with the Secretary of State its articles of incorporation, articles of association, articles of organization, certificate of registration, certificate of limited partnership, certificate of trust or other documents of organization, or any amendment thereof.

4. Unless otherwise provided in the declaration, the association shall not have any ownership or control over the hotel unit or the shared components.

Sec. 83. ***Subject to the provisions of the declaration, the association may do any or all of the following:***

1. Adopt and amend bylaws, rules and regulations pertaining to the common elements. Unless otherwise provided in the declaration, bylaws, rules or regulations adopted by the association must not attempt to exercise any control over the hotel unit or the shared components.

2. Adopt and amend budgets for revenues, expenditures and reserves relating to the common elements and collect assessments for common expenses from the units' owners.

3. Hire and discharge managing agents and other employees, agents and independent contractors of the association.

4. Institute, defend or intervene in litigation or administrative proceedings in its own name on behalf of itself or two or more units' owners on matters affecting the condominium hotel.

5. Make contracts and incur liabilities with regard to the common elements.

6. Regulate the use, maintenance, repair, replacement and modification of common elements.

7. Cause additional improvements to be made as a part of the common elements.

8. Acquire, hold, encumber and convey in its own name any right, title or interest to real estate or personal property, but common elements may be conveyed or subjected to a security interest only pursuant to section 108 of this act.

9. Grant easements, leases, licenses and concessions through or over the common elements.

10. Impose and receive any payments, fees or charges for the use, rental or operation of the common elements.

11. Impose charges for late payment of assessments on common elements.

12. Impose reasonable fines for violations of the governing documents of the association only if the association complies with the requirements set forth in section 85 of this act.

13. Provide for the indemnification of its officers and executive board and maintain directors' and officers' liability insurance.

14. Assign its right to future income, including the right to receive assessments for common expenses, but only to the extent the declaration expressly so provides.

15. Exercise any other powers conferred by the declaration or bylaws.

16. Exercise any other powers necessary and proper for the governance and operation of the association.

Sec. 84. ***1. Except as otherwise provided in the declaration, the bylaws, this section or other provisions of this chapter, the executive board may act in all instances on behalf of the association. In the performance of their duties, the officers and members of the executive board are fiduciaries. The members of the executive board are required to exercise the ordinary and reasonable care of directors of a corporation, subject to the business-judgment rule.***

2. The executive board may not act on behalf of the association to amend the declaration, to terminate the condominium hotel, or to elect members of the executive board or determine their qualifications, powers and duties or terms of office, but the executive board may fill vacancies in its membership for the unexpired portion of any term.

Sec. 85. ***1. Except as otherwise provided in this section and ~~[in]~~ unless the declaration ~~[,]~~ provides otherwise, if a residential unit owner or the tenant or guest of a residential unit owner violates any provision of the governing documents of an association, the executive board may, if the governing documents so provide:***

(a) Prohibit, for a reasonable time, the residential unit owner or the tenant or guest of the residential unit owner from:

(1) Voting on matters related to the association.

(2) Using the common elements. The provisions of this subparagraph do not prohibit the residential unit owner or the tenant or guest of the residential unit owner from using any portion of the common elements, if any, as is necessary for vehicular or pedestrian ingress or egress to or from the residential unit.

(b) Impose a fine against the residential unit owner or the tenant or guest of the residential unit owner for each violation. If the violation poses an imminent threat of causing a substantial adverse effect on the health, safety or welfare of the residential units' owners or residents of the condominium hotel, the amount of the fine must be commensurate with the severity of the violation and must be determined by the executive board in accordance with the governing documents. If the violation does not pose an imminent threat of causing a substantial adverse effect on the health, safety or welfare of the residential units' owners or residents or guests of the condominium hotel, the amount of the fine must be commensurate with the severity of the violation and must be determined by the executive board in accordance with the governing documents, but the amount of the fine must not exceed $100 for each violation or a total amount of $1,000, whichever is less. The limitations on the amount of the fine do not apply to any interest, charges or costs that may be collected by the association pursuant to this section if the fine becomes past due.

2. The executive board may not impose a fine pursuant to subsection 1 unless:

(a) Not less than 30 days before the violation, the person against whom the fine will be imposed had been provided with written notice of the applicable provisions of the governing documents that form the basis of the violation; and

(b) Within a reasonable time after the discovery of the violation, the person against whom the fine will be imposed has been provided with:

(1) Written notice specifying the details of the violation, the amount of the fine, and the date, time and location for a hearing on the violation; and

(2) A reasonable opportunity to contest the violation at the hearing.

3. The executive board must schedule the date, time and location for the hearing on the violation so that the person against whom the fine will be imposed is provided with a reasonable opportunity to prepare for the hearing and to be present at the hearing.

4. The executive board must hold a hearing before it may impose the fine, unless the person against whom the fine will be imposed:

(a) Pays the fine;

(b) Executes a written waiver of the right to the hearing; or

(c) Fails to appear at the hearing after being provided with proper notice of the hearing.

5. If a fine is imposed pursuant to subsection 1 and the violation is not cured within 14 days, or within any longer period that may be established by the executive board, the violation shall be deemed a continuing violation. Thereafter, the executive board may impose an additional fine for the violation for each 7-day period or portion thereof that the violation is not cured. Any additional fine may be imposed without notice and an opportunity to be heard.

6. If the governing documents so provide, the executive board may appoint a committee, with not less than three members, to conduct hearings on violations and to impose fines pursuant to this section. While acting on behalf of the executive board for those limited purposes, the committee and its members are entitled to all privileges and immunities and are subject to all duties and requirements of the executive board and its members.

7. The provisions of this section establish the minimum procedural requirements that the executive board must follow before it may impose a fine. The provisions of this section do not preempt any provisions of the governing documents that provide greater procedural protections.

8. Any past due fine:

(a) Bears interest at the rate established by the association, not to exceed the legal rate per annum.

(b) May include any costs of collecting the past due fine at a rate established by the association. If the past due fine is for a violation that does not threaten the health, safety or welfare of the residents of the condominium hotel, the rate established by the association for the costs of collecting the past due fine:

(1) May not exceed $20, if the outstanding balance is less than $200.

(2) May not exceed $50, if the outstanding balance is $200 or more, but is less than $500.

(3) May not exceed $100, if the outstanding balance is $500 or more, but is less than $1,000.

(4) May not exceed $250, if the outstanding balance is $1,000 or more, but is less than $5,000.

(5) May not exceed $500, if the outstanding balance is $5,000 or more.

(c) May include any costs incurred by the association during a civil action to enforce the payment of the past due fine.

9. Unless the declaration provides otherwise, nothing in this section shall be construed as giving the association the power to sanction a ~~[unit]~~ unit's owner for matters related to the hotel unit or the shared components.

10. As used in this section:

(a) "Costs of collecting" includes, without limitation, any collection fee, filing fee, recording fee, referral fee, fee for postage or delivery, and any other fee or cost that an association may reasonably charge to the unit's owner for the collection of a past due fine. The term does not include any costs incurred by an association during a civil action to enforce the payment of a past due fine.

(b) "Outstanding balance" means the amount of a past due fine that remains unpaid before any interest, charges for late payment or costs of collecting the past due fine are added.

Sec. 86. *If an association has imposed a fine against a residential unit owner or a tenant or guest of a residential unit owner pursuant to section 85 of this act for violations of the governing documents of the association, the association:*

1. Shall, in the books and records of the association, account for the fine separately from any assessment, fee or other charge; and

2. Shall not apply, in whole or in part, any payment made by the residential unit owner for any assessment, fee or other charge toward the payment of the outstanding balance of the fine or any costs of collecting the fine, unless the residential unit owner provides written authorization which directs the association to apply the payment made by the unit's owner in such a manner.

Sec. 87. *1. Except as otherwise provided in this section, the declaration may provide for a period of declarant's control of the association, during which a declarant, or persons designated by him, may appoint and remove the officers of the association and members of the executive board. Regardless of the period provided in the declaration, a period of declarant's control terminates not later than:*

(a) Sixty days after conveyance of 75 percent of the residential units that may be created to residential unit owners other than a declarant;

(b) Five years after all declarants have ceased to offer residential units for sale in the ordinary course of business; or

(c) Five years after any right to add new residential units was last exercised,

➥ whichever occurs earlier.

2. A declarant may voluntarily surrender the right to appoint and remove officers and members of the executive board before termination of that period, but in that event the declarant may require, for the duration of the period of declarant's control, that specified actions of the association or executive board, as described in a recorded instrument executed by the declarant, be approved by the declarant before they become effective.

3. Not later than 60 days after conveyance of 25 percent of the residential units that may be created to units' owners other than a declarant, at least one member and not less than 25 percent of the members of the executive board must be elected by residential units' owners other than the declarant. Not later than 60 days after conveyance of 50 percent

of the residential units that may be created to residential units' owners other than a declarant, not less than 33 1/3 percent of the members of the executive board must be elected by residential units' owners other than the declarant.

Sec. 88. ***1. Not later than the termination of any period of declarant's control, the ~~[residential unit]~~ units' owners ~~[and hotel unit owner]~~ shall elect an executive board of at least three members . ~~[, all of whom]~~ At least a majority of the members of the executive board must be ~~[units']~~ residential unit owners ~~[or, in the case of the hotel unit, a]~~ and at least one member of the executive board must be a duly authorized representative of the hotel unit owner. The executive board shall elect the officers of the association. The members of the executive board and the officers of the association shall take office upon election.***

2. The term of office of a member of the executive board may not exceed ~~[2]~~ 3 years, except for members who are appointed by the declarant or the hotel unit owner. Unless the governing documents provide otherwise, there is no limitation on the number of terms that a person may serve as a member of the executive board.

3. The governing documents of the association must provide for terms of office that are staggered in such a manner that, to the extent possible, an equal number of members of the executive board are elected at each election. The provisions of this subsection do not apply to:

(a) Members of the executive board who are appointed by the declarant;

(b) Members of the executive board who are appointed by the hotel unit owner; and

(c) Members of the executive board who serve a term of 1 year or less.

4. Not less than 30 days before the preparation of a ballot for the election of members of the executive board, the secretary or other officer specified in the bylaws of the association shall cause notice to be given to each unit's owner of his eligibility to serve as a member of the executive board. Each unit's owner who is qualified to serve as a member of the executive board may have his name placed on the ballot along with the names of the nominees selected by the members of the executive board or a nominating committee established by the association.

5. Each person whose name is placed on the ballot as a candidate for a member of the executive board must:

(a) Make a good faith effort to disclose any financial, business, professional or personal relationship or interest that would result or would appear to a reasonable person to result in a potential conflict of interest for the candidate if the candidate were to be elected to serve as a member of the executive board; and

(b) Disclose whether the candidate is a member in good standing. For the purposes of this paragraph, a candidate shall not be deemed to be in "good standing" if the candidate has any unpaid and past due assessments or charges that are required to be paid to the association.

➥ ***The candidate must make all disclosures required pursuant to this subsection in writing to the association with his candidacy information. The association shall distribute the disclosures to each member of the association with the ballot in the manner established in the bylaws of the association.***

6. Unless a person is appointed by the declarant, a person may not be a member of the executive board or an officer of the association if the person, his spouse or his parent or child, by blood, marriage or adoption, performs the duties of a community manager for that association.

7. An officer, employee, agent or director of a corporate owner of a unit, a trustee or designated beneficiary of a trust that owns a unit, a partner of a partnership that owns a unit, a member or manager of a limited-liability company that owns a unit, and a fiduciary of an estate that owns a unit may be an officer of the association or a member of the executive board. In all events where the person serving or offering to serve as an officer of the association or a member of the executive board is not the record owner, he shall file proof in the records of the association that:

(a) He is associated with the corporate owner, trust, partnership, limited-liability company or estate as required by this subsection; and

(b) Identifies the unit or units owned by the corporate owner, trust, partnership, limited-liability company or estate.

8. The election of any member of the executive board must be conducted by secret written ballot as follows:

(a) The secretary or other officer specified in the bylaws of the association shall cause a secret ballot and a return envelope to be sent, prepaid by United States mail, to the mailing address of each unit within the condominium hotel or to any other mailing address designated in writing by the unit's owner.

(b) Each unit's owner must be provided with at least 15 days after the date the secret written ballot is mailed to the unit's owner to return the secret written ballot to the association.

(c) A quorum is not required for the election of any member of the executive board.

(d) Only the secret written ballots that are returned to the association may be counted to determine the outcome of the election.

(e) The secret written ballots must be opened and counted at a meeting of the association. A quorum is not required to be present when the secret written ballots are opened and counted at the meeting.

(f) The incumbent members of the executive board and each person whose name is placed on the ballot as a candidate for a member of the executive board may not possess, be given access to or participate in the opening or counting of the secret written ballots that are returned to the association before those secret written ballots have been opened and counted at a meeting of the association.

9. Each member of the executive board shall, within 90 days after his appointment or election, certify in writing to the association, on a form prescribed by the Administrator, that he has read and understands the governing documents of the association and the provisions of this chapter to the best of his ability. The Administrator may require the association to submit a copy of the certification of each member of the executive board of that association at the time the association registers with the Ombudsman pursuant to section 121 of this act.

Sec. 89. ***1. Notwithstanding any provision of the declaration or bylaws to the contrary, any member of the executive board, other than a member appointed by the declarant or elected by the hotel unit owner, may be removed from the executive board, with or without cause, if at a removal election held pursuant to this section the number of votes cast in favor of removal constitutes:***

(a) At least 35 percent of the total number of voting members of the association; and

(b) At least a majority of all votes cast in that removal election.

2. The removal of any member of the executive board must be conducted by secret written ballot as follows:

(a) The secretary or other officer specified in the bylaws of the association shall cause a secret ballot and a return envelope to be sent, prepaid by United States mail, to the mailing address of each unit within the condominium hotel or to any other mailing address designated in writing by the unit's owner.

(b) Each unit's owner must be provided with at least 15 days after the date the secret written ballot is mailed to the unit's owner to return the secret written ballot to the association.

(c) Only the secret written ballots that are returned to the association may be counted to determine the outcome.

(d) The secret written ballots must be opened and counted at a meeting of the association. A quorum is not required to be present when the secret written ballots are opened and counted at the meeting.

(e) The incumbent members of the executive board, including, without limitation, the member who is subject to the removal, may not possess, be given access to or participate in the opening or counting of the secret written ballots that are returned to the association before those secret written ballots have been opened and counted at a meeting of the association.

3. If a member of an executive board is named as a respondent or sued for liability for actions undertaken in his role as a member of the board, the association shall indemnify him for his losses or claims, and undertake all costs of defense, unless it is proven that he acted with willful or wanton misfeasance or with gross negligence. After such proof, the association is no longer liable for the cost of defense, and may recover costs already expended from the member of the executive board who so acted. Members

of the executive board are not personally liable to the victims of crimes occurring on the property. Punitive damages may not be recovered against the association, but may be recovered from persons whose activity gave rise to the damages.

Sec. 90. ***1. In addition to any applicable requirement set forth in this chapter, within 30 days after units' owners other than the declarant may elect a majority of the members of the executive board, the declarant shall deliver to the association all property of the units' owners and of the association held by or controlled by him, including:***

(a) The original or a certified copy of the recorded declaration as amended, the articles of incorporation, articles of association, articles of organization, certificate of registration, certificate of limited partnership, certificate of trust or other documents of organization for the association, the bylaws, minute books and other books and records of the association and any rules or regulations which may have been adopted.

(b) An accounting for money of the association and audited financial statements for each fiscal year and any ancillary period from the date of inception of the association to the date the period of the declarant's control ends. The financial statements must fairly and accurately report the association's financial position.

(c) If major components of the common elements exist within the condominium hotel, a complete study of the reserves of the association, conducted by a person who holds a permit to conduct such a study issued pursuant to chapter 116A of NRS. At the time the control of the declarant ends, he shall:

(1) Except as otherwise provided in this paragraph, deliver to the association a reserve account that contains the declarant's share of the amounts then due, and control of the account.

(2) Disclose, in writing, the amount by which he has subsidized the association's dues on a per unit basis.

(d) The association's money or control thereof.

(e) All of the declarant's tangible personal property that has been represented by the declarant as property of the association or, unless the declarant has disclosed in the public offering statement that all such personal property used in the condominium hotel will remain the declarant's property, all of the declarant's tangible personal property that is necessary for, and has been used exclusively in, the operation and enjoyment of the common elements, and inventories of these properties.

(f) A copy of any plans and specifications used in the construction of the common elements which were completed within 2 years before the declaration was recorded.

(g) All insurance policies then in force, in which the units' owners, the association, or its directors and officers are named as insured persons.

(h) Copies of any certificates of occupancy that may have been issued with respect to any improvements comprising the common elements.

(i) Any renewable permits and approvals issued by governmental bodies applicable to the common elements or the operation of the association which are in force and any other permits and approvals so issued and applicable which are required by law to be kept on the premises of the condominium hotel.

(j) Written warranties of the contractor, subcontractors, suppliers and manufacturers that are still effective pertaining to the residential units or the common elements.

(k) A roster of owners and mortgagees of units and their addresses and telephone numbers, if known, as shown on the declarant's records.

(l) Contracts of employment in which the association is a contracting party.

(m) Any contract for service in which the association is a contracting party or in which the association has any obligation to pay a fee to the persons performing services related to the common elements.

2. The declarant is not required to deliver to the association any property related to the hotel unit or the shared components.

Sec. 91. ***1. If a condominium hotel is developed in separate phases and any declarant or successor declarant is constructing any common elements that will be added to the association's common elements after the date on which the units' owners other than the declarant may elect a majority of the members of the executive board, the declarant or its successors or assigns who is constructing such additional common elements is responsible for:***

(a) Paying all expenses related to the additional common elements which are incurred before the conveyance of the additional common elements to the association; and

(b) Except as otherwise provided by section 90 of this act, delivering to the association that declarant's share of the amount specified in the study of the reserves completed pursuant to subsection 2.

2. Before conveying the additional common elements to the association, the declarant or successor declarant who constructed the additional common elements shall deliver to the association a study of the reserves for the additional common elements which satisfies the requirements of section 117 of this act.

3. As used in this section, "successor declarant" includes, without limitation, any successor declarant who does not control the association established by the initial declarant.

Sec. 92. ***1. At the time of each close of escrow of a unit in a converted building, the declarant shall deliver to the hotel unit owner the amount of the converted shared component reserve deficit allocated to that unit.***

2. The allocation to a unit of the amount of any converted shared component reserve deficit must be made in the same manner as liability for shared expenses is allocated to that unit.

3. As used in this section, "converted shared component reserve deficit" means the amount necessary to replace the major components of the shared components needing replacement within 10 years after the date of the first sale of a unit.

Sec. 93. ***1. At the time of each close of escrow of a unit in a converted building, the declarant shall deliver to the association the amount of the converted common element reserve deficit allocated to that unit.***

2. The allocation to a unit of the amount of any converted common element reserve deficit must be made in the same manner as assessments are allocated to that unit.

3. As used in this section, "converted common element reserve deficit" means the amount necessary to replace the major components of the common elements needing replacement within 10 years after the date of the first sale of a unit.

Sec. 94. ***1. A special declarant's right created or reserved under this chapter may be transferred only by an instrument evidencing the transfer recorded in every county in which any portion of the condominium hotel is located. The instrument is not effective unless executed by the transferee.***

2. Upon transfer of any special declarant's right, the liability of a transferor declarant is as follows:

(a) A transferor is not relieved of any obligation or liability arising before the transfer and remains liable for warranties imposed upon him by this chapter. Lack of privity does not deprive any unit's owner of standing to maintain an action to enforce any obligation of the transferor.

(b) If a successor to any special declarant's right is an affiliate of a declarant, the transferor is jointly and severally liable with the successor for any obligations or liabilities of the successor relating to the condominium hotel.

(c) If a transferor retains any special declarant's rights, but transfers other special declarant's rights to a successor who is not an affiliate of the declarant, the transferor is liable for any obligations or liabilities imposed on a declarant by this chapter or by the declaration relating to the retained special declarant's rights and arising after the transfer.

(d) A transferor has no liability for any act or omission or any breach of a contractual obligation or warranty arising from the exercise of a special declarant's right by a successor declarant who is not an affiliate of the transferor.

3. Unless otherwise provided in a mortgage, deed of trust or other agreement creating a security interest, in case of foreclosure of a security interest, sale by a trustee under an agreement creating a security interest, tax sale, judicial sale or sale under the Bankruptcy Code or a receivership, of any units owned by a declarant or real estate in a condominium hotel subject to developmental rights, a person acquiring title to all the property being foreclosed or sold, but only upon his request, succeeds to all special

declarant's rights related to that property held by that declarant, or only to any rights reserved in the declaration pursuant to this chapter and held by that declarant to maintain models, offices for sales and signs. The judgment or instrument conveying title must provide for transfer of only the special declarant's rights requested.

4. Upon foreclosure of a security interest, sale by a trustee under an agreement creating a security interest, tax sale, judicial sale or sale under the Bankruptcy Code or a receivership of all interests in a condominium hotel owned by a declarant:

(a) The declarant ceases to have any special declarant's rights; and

(b) The period of declarant's control terminates unless the judgment or instrument conveying title provides for transfer of all special declarant's rights held by that declarant to a successor declarant.

Sec. 95. ***The liabilities and obligations of a person who succeeds to special declarant's rights are as follows:***

1. A successor to any special declarant's right who is an affiliate of a declarant is subject to all obligations and liabilities imposed on the transferor by this chapter or by the declaration.

2. A successor to any special declarant's right, other than a successor described in subsection 3 or 4 or a successor who is an affiliate of a declarant, is subject to the obligations and liabilities imposed by this chapter or the declaration:

(a) On a declarant which relate to the successor's exercise or nonexercise of special declarant's rights; or

(b) On his transferor, other than:

(1) Misrepresentations by any previous declarant;

(2) Warranties on improvements made by any previous declarant, or made before the condominium hotel was created;

(3) Breach of any fiduciary obligation by any previous declarant or his appointees to the executive board; or

(4) Any liability or obligation imposed on the transferor as a result of the transferor's acts or omissions after the transfer.

3. A successor to only a right reserved in the declaration to maintain models, offices for sales and signs, may not exercise any other special declarant's right, and is not subject to any liability or obligation as a declarant, except the obligation to provide a public offering statement and any liability arising as a result thereof.

4. A successor to all special declarant's rights held by a transferor who succeeded to those rights pursuant to a deed or other instrument of conveyance in lieu of foreclosure or a judgment or instrument under subsection 3 of section 94 of this act may declare in a recorded instrument the intention to hold those rights solely for transfer to another person. Thereafter, until transferring all special declarant's rights to any person acquiring title to any unit or real estate subject to developmental rights owned by the successor, or until recording an instrument permitting

exercise of all those rights, that successor may not exercise any of those rights other than any right held by his transferor to control the executive board in accordance with section 87 of this act for the duration of any period of declarant's control, and any attempted exercise of those rights is void. So long as a successor declarant may not exercise special declarant's rights under this subsection, the successor declarant is not subject to any liability or obligation as a declarant other than liability for his acts and omissions under section 87 of this act.

Sec. 96. ***Sections 94 and 95 of this act do not subject any successor to a special declarant's right to any claims against or other obligations of a transferor declarant, other than claims and obligations arising under this chapter or the declaration.***

Sec. 97. ***1. The bylaws of the association must provide:***

(a) The number of members of the executive board and the titles of the officers of the association;

(b) For election by the executive board of a president, treasurer, secretary and any other officers of the association the bylaws specify;

(c) The qualifications, powers and duties, terms of office and manner of electing and removing officers of the association and members of the executive board and filling vacancies;

(d) Which powers, if any, that the executive board or the officers of the association may delegate to other persons, including a community manager;

(e) Which of its officers may prepare, execute, certify and record amendments to the declaration on behalf of the association;

(f) Procedural rules for conducting meetings of the association;

(g) A method for amending the bylaws; and

(h) Procedural rules for conducting elections.

2. Except as otherwise provided in the declaration, the bylaws may provide for any other matters the association deems necessary and appropriate.

3. The bylaws must be written in plain English.

4. The bylaws must not attempt to exercise any control over the shared components or the hotel unit.

Sec. 98. ***The rules adopted by an association, if any:***

1. Must be reasonably related to the duties of the association.

2. Must be sufficiently explicit in their prohibition, direction or limitation to inform a person of any action or omission required for compliance.

3. Must not be adopted to evade any obligation of the association.

4. Must be consistent with the governing documents of the association and must not arbitrarily restrict conduct or require the construction of any capital improvement by a unit's owner that is not required by the governing documents of the association.

5. Must be uniformly enforced under the same or similar circumstances against all units' owners. Any rule that is not so uniformly enforced may not be enforced against any unit's owner.

6. May be enforced by the association through the imposition of a fine only if the association complies with the requirements set forth in section 85 of this act for levying fines.

7. Must not attempt to exercise any control over the shared components or the hotel unit.

Sec. 99. ***1. Except to the extent provided by the declaration or this chapter, the association is responsible for maintenance, repair and replacement of the common elements, and each unit's owner is responsible for maintenance, repair and replacement of his unit. Each unit's owner shall afford to the association and the other units' owners, and to their agents or employees, access through his unit reasonably necessary for those purposes. If damage is inflicted by a residential unit owner on the common elements, hotel unit or on any unit through which access is taken, the residential unit owner responsible for the damage, or the association if it is responsible, is liable for the prompt repair thereof.***

2. Except to the extent provided by the declaration, the hotel unit owner is responsible for the maintenance, repair and replacement of the hotel unit and the shared components.

Sec. 100. ***1. A meeting of the units' owners must be held ~~[as]~~ :***

(a) As required by the declaration ~~[.]~~ ; and

(b) At least once each year.

2. Special meetings of the units' owners may be called by the president, by a majority of the executive board or by units' owners constituting at least 10 percent, or any lower percentage specified in the bylaws, of the total number of voting members of the association. The same number of units' owners may also call a removal election pursuant to section 89 of this act. To call a special meeting or a removal election, the units' owners must submit a written petition which is signed by the required percentage of the total number of voting members of the association pursuant to this section and which is mailed, return receipt requested, or served by a process server to the executive board for the association. If the petition calls for a special meeting, the executive board shall set the date for the special meeting so that the special meeting is held not less than 15 days or more than 60 days after the date on which the petition is received. If the petition calls for a removal election, the secret written ballots for the removal election must be sent in the manner required by section 89 of this act not less than 15 days or more than 60 days after the date on which the petition is received, and the executive board shall set the date for the meeting to open and count the secret written ballots so that the meeting is held not more than 15 days after the deadline for returning the secret written ballots.

3. Not less than 15 days or more than 60 days in advance of any meeting of the units' owners, the secretary or other officer specified in the bylaws shall cause notice of the meeting to be hand-delivered, sent prepaid by United States mail to the mailing address of each unit or to any other mailing address designated in writing by the unit's owner or, if the association offers to send notice by electronic mail, sent by electronic mail at the request of the unit's owner to an electronic mail address designated in writing by the unit's owner. The notice of the meeting must state the time and place of the meeting and include a copy of the agenda for the meeting. The notice must include notification of the right of a unit's owner to:

(a) Have a copy of the minutes or a summary of the minutes of the meeting provided to the unit's owner upon request and, if required by the executive board, upon payment to the association of the cost of providing the copy to the unit's owner.

(b) Speak to the association or executive board, unless the executive board is meeting in executive session.

4. The agenda for a meeting of the units' owners must consist of:

(a) A clear and complete statement of the topics scheduled to be considered during the meeting, including, without limitation, any proposed amendment to the declaration or bylaws, any fees or assessments to be imposed or increased by the association, any budgetary changes and any proposal to remove an officer of the association or member of the executive board.

(b) A list describing the items on which action may be taken and clearly denoting that action may be taken on those items. In an emergency, the units' owners may take action on an item which is not listed on the agenda as an item on which action may be taken.

(c) A period devoted to comments by units' owners and discussion of those comments. Except in emergencies, no action may be taken upon a matter raised under this item of the agenda until the matter itself has been specifically included on an agenda as an item upon which action may be taken pursuant to paragraph (b).

5. If the association adopts a policy imposing fines for any violations of the governing documents of the association, the secretary or other officer specified in the bylaws shall prepare and cause to be hand-delivered or sent prepaid by United States mail to the mailing address of each unit or to any other mailing address designated in writing by the unit's owner, a schedule of the fines that may be imposed for those violations.

6. The secretary or other officer specified in the bylaws shall cause minutes to be recorded or otherwise taken at each meeting of the units' owners. Not more than 30 days after each such meeting, the secretary or other officer specified in the bylaws shall cause the minutes or a summary of the minutes of the meeting to be made available to the units' owners. A copy of the minutes or a summary of the minutes must be provided to any

unit's owner upon request and, if required by the executive board, upon payment to the association of the cost of providing the copy to the unit's owner.

7. Except as otherwise provided in subsection 8, the minutes of each meeting of the units' owners must include:

(a) The date, time and place of the meeting;

(b) The substance of all matters proposed, discussed or decided at the meeting; and

(c) The substance of remarks made by any unit's owner at the meeting if he requests that the minutes reflect his remarks or, if he has prepared written remarks, a copy of his prepared remarks if he submits a copy for inclusion.

8. The executive board may establish reasonable limitations on materials, remarks or other information to be included in the minutes of a meeting of the units' owners.

9. The association shall maintain the minutes of each meeting of the units' owners until the condominium hotel is terminated.

10. A unit's owner may record on audiotape or any other means of sound reproduction a meeting of the units' owners if the unit's owner, before recording the meeting, provides notice of his intent to record the meeting to the other units' owners who are in attendance at the meeting.

11. The units' owners may approve, at the annual meeting of the units' owners, the minutes of the prior annual meeting of the units' owners and the minutes of any prior special meetings of the units' owners. A quorum is not required to be present when the units' owners approve the minutes.

12. <u>The hotel unit owner or his designated agent shall attend the annual meeting of the units' owners to present a written report concerning the status of the current year's budget for the shared expenses and discuss any material issues that will affect the preparation of the next year's budget for shared expenses.</u>

<u>13.</u> As used in this section, "emergency" means any occurrence or combination of occurrences that:

(a) Could not have been reasonably foreseen;

(b) Affects the health, welfare and safety of the units' owners or residents of the condominium hotel;

(c) Requires the immediate attention of, and possible action by, the executive board; and

(d) Makes it impracticable to comply with the provisions of subsection 3 or 4.

Sec. 101. ***1. A meeting of the executive board must be held at least once a year.***

2. Except in an emergency or unless the bylaws of an association require a longer period of notice, the secretary or other officer specified in the bylaws of the association shall, not less than ~~[10]~~ <u>30</u> days before the

date of a meeting of the executive board, cause notice of the meeting to be given to the units' owners. Such notice must be:

(a) Sent prepaid by United States mail to the mailing address of each unit within the condominium hotel or to any other mailing address designated in writing by the unit's owner; or

(b) If the association offers to send notice by electronic mail, sent by electronic mail at the request of the unit's owner to an electronic mail address designated in writing by the unit's owner. ~~[; or~~

~~(c) Published in a newsletter or other similar publication that is circulated to each unit's owner.]~~

3. In an emergency, the secretary or other officer specified in the bylaws of the association shall, if practicable, cause notice of the meeting to be sent prepaid by United States mail to the mailing address of each unit within the condominium hotel. If delivery of the notice in this manner is impracticable, the notice must be hand-delivered to each unit within the condominium hotel or posted in a prominent place or places within the common elements of the association.

4. The notice of a meeting of the executive board must state the time and place of the meeting and include a copy of the agenda for the meeting or the date on which and the locations where copies of the agenda may be conveniently obtained by the units' owners. The notice must include notification of the right of a unit's owner to:

(a) Have a copy of the minutes or a summary of the minutes of the meeting provided to the unit's owner upon request and, if required by the executive board, upon payment to the association of the cost of providing the copy to the unit's owner.

(b) Speak to the association or executive board, unless the executive board is meeting in executive session.

5. The agenda of the meeting of the executive board must comply with the provisions of subsection 4 of section 100 of this act. The period required to be devoted to comments by the units' owners and discussion of those comments must be scheduled for the beginning of each meeting. In an emergency, the executive board may take action on an item which is not listed on the agenda as an item on which action may be taken.

6. At least once every year, unless the declaration or bylaws of the association impose more stringent standards, the executive board shall review, at a minimum, the following financial information at one of its meetings:

(a) A current year-to-date financial statement of the association;

(b) A current year-to-date schedule of revenues and expenses for the operating account and the reserve account, compared to the budget for those accounts;

(c) A current reconciliation of the operating account of the association;

(d) A current reconciliation of the reserve account of the association;

(e) The latest account statements prepared by the financial institutions in which the accounts of the association are maintained; and

(f) The current status of any civil action or claim submitted to arbitration or mediation in which the association is a party.

7. The secretary or other officer specified in the bylaws shall cause minutes to be recorded or otherwise taken at each meeting of the executive board. Not more than 30 days after each such meeting, the secretary or other officer specified in the bylaws shall cause the minutes or a summary of the minutes of the meetings to be made available to the units' owners. A copy of the minutes or a summary of the minutes must be provided to any unit's owner upon request and, if required by the executive board, upon payment to the association of the cost of providing the copy to the unit's owner.

8. Except as otherwise provided in subsection 9 and section 102 of this act, the minutes of each meeting of the executive board must include:

(a) The date, time and place of the meeting;

(b) The names of those members of the executive board who were present and of those members who were absent at the meeting;

(c) The substance of all matters proposed, discussed or decided at the meeting;

(d) A record of each member's vote on any matter decided by vote at the meeting; and

(e) The substance of remarks made by any unit's owner who addresses the executive board at the meeting if he requests that the minutes reflect his remarks or, if he has prepared written remarks, a copy of his prepared remarks if he submits a copy for inclusion.

9. The executive board may establish reasonable limitations on materials, remarks or other information to be included in the minutes of its meetings.

10. The association shall maintain the minutes of each meeting of the executive board until the condominium hotel is terminated.

11. A unit's owner may record on audiotape or any other means of sound reproduction a meeting of the executive board, unless the executive board is meeting in executive session, if the unit's owner, before recording the meeting, provides notice of his intent to record the meeting to the members of the executive board and the other units' owners who are in attendance at the meeting.

12. As used in this section, "emergency" means any occurrence or combination of occurrences that:

(a) Could not have been reasonably foreseen;

(b) Affects the health, welfare and safety of the units' owners or residents of the condominium hotel;

(c) Requires the immediate attention of, and possible action by, the executive board; and

(d) Makes it impracticable to comply with the provisions of subsection 2 or 5.

Sec. 102. ***1. Except as otherwise provided in this section, a unit's owner may attend any meeting of the units' owners or of the executive board and speak at any such meeting. The executive board may establish reasonable limitations on the time a unit's owner may speak at such a meeting.***

2. An executive board may not meet in executive session to enter into, renew, modify, terminate or take any other action regarding a contract, unless it is a contract between the association and an attorney.

3. An executive board may meet in executive session only to:

(a) Consult with the attorney for the association on matters relating to proposed or pending litigation if the contents of the discussion would otherwise be governed by the privilege set forth in NRS 49.035 to 49.115, inclusive, or to enter into, renew, modify, terminate or take any other action regarding a contract between the association and the attorney.

(b) Discuss the character, alleged misconduct, professional competence, or physical or mental health of a community manager or an employee of the association.

(c) Except as otherwise provided in subsection 4, discuss a violation of the governing documents, including, without limitation, the failure to pay an assessment.

4. An executive board shall meet in executive session to hold a hearing on an alleged violation of the governing documents unless the person who may be sanctioned for the alleged violation requests in writing that an open hearing be conducted by the executive board. If the person who may be sanctioned for the alleged violation requests in writing that an open hearing be conducted, the person:

(a) Is entitled to attend all portions of the hearing related to the alleged violation, including, without limitation, the presentation of evidence and the testimony of witnesses; and

(b) Is not entitled to attend the deliberations of the executive board.

5. Except as otherwise provided in this subsection, any matter discussed by the executive board when it meets in executive session must be generally noted in the minutes of the meeting of the executive board. The executive board shall maintain minutes of any decision made pursuant to subsection 4 concerning an alleged violation and, upon request, provide a copy of the decision to the person who was subject to being sanctioned at the hearing or to his designated representative.

6. Except as otherwise provided in subsection 4, a unit's owner is not entitled to attend or speak at a meeting of the executive board held in executive session.

Sec. 103. ***1. If an executive board receives a written complaint from a unit's owner alleging that the executive board has violated any provision of this chapter or any provision of the governing documents of the***

association, the executive board shall, if action is required by the executive board, place the subject of the complaint on the agenda of the next regularly scheduled meeting of the executive board.

2. Not later than 10 business days after the date that the association receives such a complaint, the executive board or an authorized representative of the association shall acknowledge the receipt of the complaint and notify the unit's owner that, if action is required by the executive board, the subject of the complaint will be placed on the agenda of the next regularly scheduled meeting of the executive board.

Sec. 104. ***1. The association shall provide written notice to each unit's owner of a meeting at which the commencement of a civil action is to be considered at least 21 calendar days before the date of the meeting. Except as otherwise provided in this subsection, the association may commence a civil action only upon a vote or written agreement of the owners of units to which at least a majority of the votes of the members of the association are allocated. The provisions of this subsection do not apply to a civil action that is commenced:***

(a) To enforce the payment of an assessment;

(b) To enforce the declaration, bylaws or rules of the association;

(c) To enforce a contract with a vendor;

(d) To proceed with a counterclaim; or

(e) To protect the health, safety and welfare of the members of the association. If a civil action is commenced pursuant to this paragraph without the required vote or agreement, the action must be ratified within 90 days after the commencement of the action by a vote or written agreement of the owners of the units to which at least a majority of votes of the members of the association are allocated. If the association, after making a good faith effort, cannot obtain the required vote or agreement to commence or ratify such a civil action, the association may thereafter seek to dismiss the action without prejudice for that reason only if a vote of written agreement of the owners of the units to which at least a majority of votes of the members of the association are allocated was obtained at the time the approval to commence or ratify the action was sought.

2. At least 10 days before an association commences or seeks to ratify the commencement of a civil action, the association shall provide a written statement to all the units' owners that includes:

(a) A reasonable estimate of the costs of the civil action, including reasonable attorney's fees;

(b) An explanation of the potential benefits of the civil action and the potential adverse consequences if the association does not commence the action or if the outcome of the action is not favorable to the association; and

(c) All disclosures that are required to be made upon the sale of the property.

3. No person other than a unit's owner may request the dismissal of a civil action commenced by the association on the ground that the association failed to comply with any provision of this section.

4. If any civil action in which the association is a party is settled, the executive board shall disclose the terms and conditions of the settlement at the next regularly scheduled meeting of the executive board after the settlement has been reached. The executive board may not approve a settlement which contains any terms and conditions that would prevent the executive board from complying with the provisions of this subsection.

Sec. 105. ***1. Except as otherwise provided in this section and section 88 of this act, and except when the governing documents provide otherwise, a quorum is present throughout any meeting of the association if the number of members of the association who are present in person or by proxy at the beginning of the meeting equals or exceeds 20 percent of the total number of voting members of the association.***

2. If the governing documents of an association contain a quorum requirement for a meeting of the association that is greater than the 20 percent required by subsection 1 and, after proper notice has been given for a meeting, the members of the association who are present in person or by proxy at the meeting are unable to hold the meeting because a quorum is not present at the beginning of the meeting, the members who are present in person at the meeting may adjourn the meeting to a time that is not less than 48 hours or more than 30 days after the date of the meeting. At the subsequent meeting:

(a) A quorum shall be deemed to be present if the number of members of the association who are present in person or by proxy at the beginning of the subsequent meeting equals or exceeds 20 percent of the total number of voting members of the association; and

(b) If such a quorum is deemed to be present but the actual number of members who are present in person or by proxy at the beginning of the subsequent meeting is less than the number of members who are required for a quorum under the governing documents, the members who are present in person or by proxy at the subsequent meeting may take action only on those matters that were included as items on the agenda of the original meeting.

➥ The provisions of this subsection do not change the actual number of votes that are required under the governing documents for taking action on any particular matter.

3. Unless the governing documents specify a larger percentage, a quorum is deemed present throughout any meeting of the executive board if persons entitled to cast 50 percent of the votes on that board are present at the beginning of the meeting.

Sec. 106. ***1. If only one of several owners of a unit is present at a meeting of the association, that owner is entitled to cast all the votes allocated to that unit. If more than one of the owners are present, the votes***

allocated to that unit may be cast only in accordance with the agreement of a majority in interest of the owners, unless the declaration expressly provides otherwise. There is majority agreement if any one of the owners cast the votes allocated to that unit without protest made promptly to the person presiding over the meeting by any of the other owners of the unit.

2. Except as otherwise provided in this section, votes allocated to a unit may be cast pursuant to a proxy executed by a unit's owner. A unit's owner may give a proxy only to a member of his immediate family, a tenant of the unit's owner who resides in the condominium hotel, the hotel unit owner or another unit's owner who resides in the condominium hotel. If a unit is owned by more than one person, each owner of the unit may vote or register protest to the casting of votes by the other owners of the unit through an executed proxy. A unit's owner may revoke a proxy given pursuant to this section only by actual notice of revocation to the person presiding over a meeting of the association.

3. Before a vote may be cast pursuant to a proxy:

(a) The proxy must be dated.

(b) The proxy must not purport to be revocable without notice.

(c) The proxy must designate the meeting for which it is executed.

(d) The proxy must designate each specific item on the agenda of the meeting for which the unit's owner has executed the proxy, except that the unit's owner may execute the proxy without designating any specific items on the agenda of the meeting if the proxy is to be used solely for determining whether a quorum is present for the meeting. If the proxy designates one or more specific items on the agenda of the meeting for which the unit's owner has executed the proxy, the proxy must indicate, for each specific item designated in the proxy, whether the holder of the proxy must cast a vote in the affirmative or the negative on behalf of the unit's owner. If the proxy does not indicate whether the holder of the proxy must cast a vote in the affirmative or the negative for a particular item on the agenda of the meeting, the proxy must be treated, with regard to that particular item, as if the unit's owner were present but not voting on that particular item.

(e) The holder of the proxy must disclose at the beginning of the meeting for which the proxy is executed the number of proxies pursuant to which the holder will be casting votes.

4. A proxy terminates immediately after the conclusion of the meeting for which it is executed.

5. A vote may not be cast pursuant to a proxy for the election or removal of a member of the executive board of an association.

6. The holder of a proxy may not cast a vote on behalf of the unit's owner who executed the proxy in a manner that is contrary to the proxy.

7. A proxy is void if the proxy or the holder of the proxy violates any provision of subsections 1 to 6, inclusive.

8. If the declaration requires that votes on specified matters affecting the condominium hotel must be cast by the lessees of leased units rather than the units' owners who have leased the units:

(a) The provisions of subsections 1 to 7, inclusive, apply to the lessees as if they were the units' owners;

(b) The units' owners who have leased their units to the lessees may not cast votes on those specified matters;

(c) The lessees are entitled to notice of meetings, access to records and other rights respecting those matters as if they were the units' owners; and

(d) The units' owners must be given notice, in the manner provided in this chapter, of all meetings at which the lessees are entitled to vote.

9. If any votes are allocated to a unit that is owned by the association, those votes may not be cast, by proxy or otherwise, for any purpose.

Sec. 107. *Neither the association nor any unit's owner except the declarant or hotel unit owner, as applicable, is liable for that declarant's or hotel unit owner's torts in connection with any part of the condominium hotel which that declarant or hotel unit owner, as applicable, owns or has the responsibility to maintain. Otherwise, an action alleging a wrong done by the association must be brought against the association and not against any unit's owner. If the wrong occurred during any period of declarant's control over the association and the association gives the declarant reasonable notice of and an opportunity to defend against the action, the declarant who then controlled the association is liable to the association or to any unit's owner for all tort losses not covered by insurance suffered by the association or that unit's owner, and all costs that the association would not have incurred but for a breach of contract or other wrongful act or omission. Whenever the declarant is liable to the association under this section, the declarant is also liable for all expenses of litigation, including reasonable attorney's fees, incurred by the association. Any statute of limitation affecting the association's right of action under this section is tolled until the period of declarant's control terminates. A unit's owner is not precluded from maintaining an action contemplated by this section because he is a unit's owner or a member or officer of the association.*

Sec. 108. *1. Portions of the common elements of a condominium hotel may be conveyed or subjected to a security interest by the association if persons entitled to cast at least a majority of the votes in the association or any larger percentage otherwise specified in the declaration agree to such action. All owners of units to which any limited common element is allocated must agree in order to convey that limited common element or subject it to a security interest. Proceeds of the sale are an asset of the association.*

2. An agreement to convey or subject common elements in a condominium hotel to a security interest must be evidenced by the execution of an agreement, or ratifications thereof, in the same manner as a deed, by the requisite number of units' owners. The agreement must

specify a date after which the agreement will be void unless recorded before that date. The agreement and all ratifications thereof must be recorded in every county in which a portion of the condominium hotel is situated, and is effective only upon recordation.

3. The association, on behalf of the units' owners, may contract to convey an interest in the common elements pursuant to subsection 1, but the contract is not enforceable against the association until approved pursuant to subsections 1 and 2. Upon approval, the association has all powers necessary and appropriate to effect the conveyance or encumbrance, including the power to execute deeds or other instruments.

4. Unless made pursuant to this section, any purported conveyance, encumbrance, judicial sale or other voluntary transfer of common elements is void.

5. A conveyance or encumbrance of common elements pursuant to this section does not deprive any unit of its rights of access and support.

6. Unless the declaration otherwise provides, a conveyance or encumbrance of common elements pursuant to this section does not affect the priority or validity of preexisting encumbrances.

Sec. 109. ***1. Commencing not later than the time of the first conveyance of a unit to a person other than a declarant, and unless the declaration states otherwise, the association shall maintain, to the extent reasonably available, both of the following:***

(a) Property insurance on the common elements insuring against all risks of direct physical loss commonly insured against in an amount specified in the declaration.

(b) Liability insurance on the common elements, including insurance for medical payments, in an amount determined by the executive board but not less than any amount specified in the declaration, covering all occurrences commonly insured against for death, bodily injury, and property damage arising out of or in connection with the use, ownership, or maintenance of the common elements.

2. Commencing not later than the time of the first conveyance of a residential unit to a person other than the declarant, and unless the declaration states otherwise, the hotel unit owner shall maintain, to the extent reasonably available, the following:

(a) Property and casualty insurance on the residential units, hotel unit and shared components insuring against all risks of direct physical loss commonly insured against in an amount specified in the declaration. An insurance policy issued to the hotel unit owner does not prevent a unit's owner from obtaining insurance for his own benefit.

(b) Liability insurance on the residential units, hotel unit and shared components, including insurance for medical payments, in an amount set forth in the declaration, covering all occurrences commonly insured against for death, bodily injury, and property damage arising out of or in

connection with the use, ownership, or maintenance of the residential units, shared components or the hotel unit.

Sec. 110. ***Insurance policies carried pursuant to this chapter must provide to the extent reasonably available that:***

1. Each unit's owner is an insured person under the policy with respect to liability arising out of his interest in the common elements or membership in the association;

2. The insurer waives its right to subrogation under the policy against any unit's owner or member of his household;

3. No act or omission by any unit's owner, unless acting within the scope of his authority on behalf of the association, will void the policy or be a condition to recovery under the policy; and

4. If, at the time of a loss under the policy, there is other insurance in the name of a unit's owner covering the same risk covered by the policy, the association's policy or the hotel unit owners' policy, as applicable, provides primary insurance.

Sec. 111. ***1. Unless the declaration states otherwise, with respect to repair or replacement of all or any portion of the hotel condominium after fire or other casualty, any portion of the condominium hotel for which insurance is required under section 109 of this act which is damaged or destroyed must be repaired or replaced promptly by the association or the hotel unit owner unless:***

(a) The condominium hotel is terminated pursuant to the provisions of this chapter;

(b) Repair or replacement would be illegal under any state or local statute or ordinance governing health or safety; or

(c) The declarant or hotel unit owner, as applicable, and the residential unit owners representing at least 80 percent of the total voting power in the association vote that the damaged or destroyed portion of the hotel condominium not be rebuilt.

2. If a determination is made to effect repair or restoration of the damaged or destroyed portion of the condominium hotel, the insurance proceeds of all insurance policies required to be maintained under section 109 of this act that are attributable to the damaged or destroyed portion of the condominium hotel must be disbursed to the contractors engaged in such repair or restoration in appropriate installment payments, and any proceeds that are in excess of the amounts reasonably necessary to effect repair or restoration must be disbursed:

(a) As to the residential units or common elements, to the [unit] units' owners in proportion to their assessments for common expenses.

(b) As to any portion of the shared components or the hotel unit, to the hotel unit owner.

3. If a determination is made not to effect repair or restoration of the damaged portion of the condominium hotel:

(a) The insurance proceeds attributable to units, shared components or common elements that are not rebuilt must be distributed to the owners of those units and the owners of the units to which those limited common elements were allocated, or to lienholders, as their interests may appear; and

(b) The remainder of the proceeds must be distributed:

(1) As to the residential units or common elements, to the ~~[unit]~~ units' owners in proportion to their assessments for common expenses.

(2) As to any portion of the shared components or the hotel unit, to the hotel unit owner.

Sec. 112. ***1. The Commission shall adopt regulations prescribing the requirements for the preparation and presentation of financial statements of an association pursuant to this chapter.***

2. The regulations adopted by the Commission must include, without limitation:

(a) The qualifications necessary for a person to prepare and present financial statements of an association; and

(b) The standards and format to be followed in preparing and presenting financial statements of an association.

Sec. 113. ***1. Except as otherwise provided in subsection 2, the executive board shall:***

(a) If the annual budget of the association is less than $75,000, cause the financial statement of the association to be audited by an independent certified public accountant at least once every 4 fiscal years.

(b) If the annual budget of the association is $75,000 or more but less than $150,000, cause the financial statement of the association to be:

(1) Audited by an independent certified public accountant at least once every 4 fiscal years; and

(2) Reviewed by an independent certified public accountant every fiscal year for which an audit is not conducted.

(c) If the annual budget of the association is $150,000 or more, cause the financial statement of the association to be audited by an independent certified public accountant every fiscal year.

2. For any fiscal year for which an audit of the financial statement of the association will not be conducted pursuant to subsection 1, the executive board shall cause the financial statement for that fiscal year to be audited by an independent certified public accountant if, within 180 days before the end of the fiscal year, 15 percent of the total number of voting members of the association submit a written request for such an audit.

3. The Commission shall adopt regulations prescribing the requirements for the auditing or reviewing of financial statements of an association pursuant to this section. Such regulations must include, without limitation:

(a) The qualifications necessary for a person to audit or review financial statements of an association; and

(b) The standards and format to be followed in auditing or reviewing financial statements of an association.

Sec. 114. ***1. Until the association makes an assessment for common expenses for the common elements, the declarant shall pay all common expenses. After an assessment has been made by the association, assessments must be made at least annually, based on a budget adopted at least annually by the association in accordance with the requirements set forth in this chapter. Unless the declaration imposes more stringent standards, the budget must include a budget for the daily operation of the association and a budget for the reserves required by paragraph (b) of subsection 2.***

2. Except for assessments under subsections 4 to 7, inclusive:

(a) All common expenses, including the reserves, must be assessed against all the units in accordance with the allocations set forth in the declaration pursuant to section 66 of this act.

(b) The association shall establish adequate reserves, funded on a reasonable basis, for the repair, replacement and restoration of the major components of the common elements. The reserves may be used only for those purposes and must not be used for daily maintenance. The association may comply with the provisions of this paragraph through a funding plan that is designed to allocate the costs for the repair, replacement and restoration of the major components of the common elements over a period of years if the funding plan is designed in an actuarially sound manner which will ensure that sufficient money is available when the repair, replacement and restoration of the major components of the common elements are necessary.

3. Any past due assessment for common expenses or installment thereof bears interest at the rate established by the association not exceeding 18 percent per year.

4. To the extent required by the declaration:

(a) Any common expense or portion thereof benefiting fewer than all of the units must be assessed exclusively against the units benefited; and

(b) The costs of insurance must be assessed in proportion to risk and the costs of utilities must be assessed in proportion to usage.

5. Assessments to pay a judgment against the association may be made only against the units in the condominium hotel at the time the judgment was entered, in proportion to their liabilities for common expenses.

6. If any common expense is caused by the misconduct of any unit's owner, the association may assess that expense exclusively against his unit.

7. If liabilities for common expenses are reallocated, assessments for common expenses and any installment thereof not yet due must be recalculated in accordance with the reallocated liabilities.

8. The association shall provide written notice to each unit's owner of a meeting at which an assessment for a capital improvement is to be

considered or action is to be taken on such an assessment at least 21 calendar days before the date of the meeting.

Sec. 115. ***1. The hotel unit owner may charge all residential units in the condominium hotel:***

(a) Shared expenses for the operation, maintenance and insurance of the hotel unit, shared components and the residential units;

(b) Costs for the establishment of reasonable reserve funds for the repair or replacement of the major components of the shared components ~~[,]~~ or the major components of the hotel unit;

(c) Costs for the establishment of reasonable reserve funds for the maintenance, repair and replacement of the hotel unit or shared components;

(d) Charges for capital improvement;

(e) Charges that the declarant or hotel unit owner, as applicable, establishes in the declaration to offset the burden on the shared components or hotel unit as a result of transient rentals; and

(f) All other charges lawfully imposed by the declarant in connection with the repair, replacement, improvement, maintenance, management, operation and insurance of the shared components.

2. All shared expenses, including the reserves, must be charged against all the residential units in accordance with the allocated liability for shared expenses set forth in the declaration pursuant to this chapter.

3. The shared expenses must be imposed on a calendar-year basis and must be payable by the residential unit owners in monthly, quarterly, semiannual or annual installments as required in the declaration.

4. The ~~[declarant or]~~ hotel unit owner ~~[, as applicable,]~~ shall establish adequate reserves, funded on a reasonable basis, for the repair, replacement and restoration of the major components of the shared components ~~[,]~~ or the major components of the hotel unit. The reserves may be used only for repair, replacement and restoration of the major components of the shared components ~~[,]~~ or the major components of the hotel unit and must not be used for daily maintenance. The ~~[declarant]~~ hotel unit owner may comply with the provisions of this subsection through a funding plan that is designed to allocate the costs for the repair, replacement and restoration of the major components of the shared components or the major components of the hotel unit over a period of years if the funding plan is designed in an actuarially sound manner which will ensure that sufficient money is available when the repair, replacement and restoration of the major components of the shared components or the major components of the hotel unit is necessary.

5. Any past due assessment authorized pursuant to this section bears interest at the rate established by the declaration but not to exceed 18 percent per year.

6. Payment of shared expenses by a residential unit owner does not entitle that owner to ownership or control over the hotel unit or the shared components.

7. The hotel unit owner shall provide a copy of the next year's budget for projected shared expenses described in subsection 1 to all units' owners at least 20 days before the date on which the hotel unit owner actually imposes any charges set forth in the next year's budget.

Sec. 116. ***1. Except as otherwise provided in subsection 2 and unless the declaration of a condominium hotel imposes more stringent standards, the executive board shall, not less than 30 days or more than 60 days before the beginning of the fiscal year, prepare and distribute to each unit's owner a copy of:***

(a) The budget for the daily operation of the association. The budget must include, without limitation, the estimated annual revenue and expenditures of the association and any contributions to be made to the reserve account of the association.

(4) A general statement describing the procedures used for the estimation and accumulation of cash reserves pursuant to subparagraph (2), including, without limitation, the qualifications of the person responsible for the preparation of the study of the reserves required by section 117 of this act.

2. In lieu of distributing copies of the budgets of the association required by subsection 1, the executive board may distribute to each unit's owner a summary of those budgets, accompanied by a written notice that:

(a) The budgets are available for review at the business office of the association or some other suitable location within the county where the condominium hotel is situated or, if it is situated in more than one county, within one of those counties; and

(b) Copies of the budgets will be provided upon request.

3. Within 60 days after adoption of any proposed budget for the association of the condominium hotel, the executive board shall provide a

summary of the proposed budget to each unit's owner and shall set a date for a meeting of the units' owners to consider ratification of the proposed budget not less than 14 days or more than 30 days after the mailing of the summaries. Unless at that meeting a majority of all units' owners, or any larger vote specified in the declaration, reject the proposed budget, the proposed budget is ratified, whether or not a quorum is present. If the proposed budget is rejected, the periodic budget last ratified by the units' owners must be continued until such time as the units' owners ratify a subsequent budget proposed by the executive board.

Sec. 117. ***1. The executive board shall:***

2. The study of the reserves required by subsection 1 must be conducted by a person who holds a permit issued pursuant to chapter 116A of NRS.

3. The study of the reserves must include, without limitation:

(a) A summary of an inspection of the major components of the common elements that the association is obligated to repair, replace or restore;

(c) An estimate of the remaining useful life of each major component of the common elements identified pursuant to paragraph (b);

(d) An estimate of the cost of repair, replacement or restoration of each major component of the common elements identified pursuant to paragraph (b) during and at the end of its useful life; and

(e) An estimate of the total annual assessment that may be necessary to cover the cost of repair, replacement or restoration of the major components of the common elements identified pursuant to paragraph (b), after subtracting the reserves of the association as of the date of the study, and an estimate of the funding plan that may be necessary to provide adequate funding for the required reserves.

4. A summary of the study of the reserves required by subsection 1 must be submitted to the Division not later than 45 days after the date that the executive board adopts the results of the study.

Sec. 118. ***1. The hotel unit owner shall:***

2. The study of the reserves required by subsection 1 must be conducted by a person who holds a permit issued pursuant to chapter 116A of NRS.

3. The study of the reserves must include, without limitation:

(a) A summary of an inspection of the major components of the shared components ~~[.]~~ and the major components of the hotel unit;

Sec. 119. *Money in the reserve account of an association required by section 114 of this act may not be withdrawn without the signatures of at least two members of the executive board or the signatures of at least one member of the executive board and one officer of the association who is not a member of the executive board.*

Sec. 120. *1. Except as otherwise provided in subsection 2, an association shall:*

(a) If the association is required to pay the fee imposed by NRS 78.150, 82.193, 86.263, 87.541 or 88.591, pay to the Administrator a fee established by regulation of the Administrator for every unit in the association used for residential use.

(b) If the association is organized as a trust or partnership, or as any other authorized business entity, pay to the Administrator a fee established by regulation of the Administrator for each unit in the association.

2. The fees required to be paid pursuant to this section must be:

(a) Paid at such times as are established by the Division.

(b) Deposited with the State Treasurer for credit to the Account for Common-Interest Communities and Condominium Hotels created by NRS 116.630.

(c) Established on the basis of the actual costs of administering the Office of the Ombudsman and the Commission and not on a basis which includes any subsidy beyond those actual costs. In no event may the fees required to be paid pursuant to this section exceed $3 per unit.

3. The Division shall impose an administrative penalty against an association that violates the provisions of this section by failing to pay the fees owed by the association within the times established by the Division. The administrative penalty that is imposed for each violation must equal 10 percent of the amount of the fees owed by the association or $500, whichever amount is less. The amount of the unpaid fees owed by the association bears interest at the rate set forth in NRS 99.040 from the date the fees are due until the date the fees are paid in full.

4. Upon the payment of the fees and any administrative penalties and interest required by this section, the Administrator shall provide to the association evidence that it paid the fees and the administrative penalties and interest in compliance with this section.

Sec. 121. ***Each association shall, at the time it pays the fee required by section 120 of this act, register with the Ombudsman on a form prescribed by the Ombudsman.***

Sec. 122. ***1. The association or the hotel unit owner, as applicable, has a lien on a unit for any assessment or charge, including assessments for common expenses and charges for shared expenses or other charges of the hotel unit owner, authorized by this chapter that is levied against that unit or any fines imposed against the unit's owner from the time the assessment, charge or fine becomes due. If an assessment is payable in installments, the full amount of the assessment or charge is a lien from the time the first installment thereof becomes due.***

2. A lien under this section is prior to all other liens and encumbrances on a unit except:

(a) Liens and encumbrances recorded before the recordation of the declaration;

(b) A first security interest on the unit recorded before the date on which the assessment sought to be enforced became delinquent;

(c) Liens for real estate taxes and other governmental assessments or charges against the unit; and

(d) Mechanics' or materialmen's liens.

3. Unless the declaration otherwise provides, if the association and the hotel unit owner both have liens for assessments or charges created at any time on the same property, the priority of those liens is governed by Nevada law.

4. Recording of the declaration constitutes record notice and perfection of the lien. No further recordation of any claim of lien for assessment or charge under this section is required.

5. A lien for unpaid assessments or charges is extinguished unless proceedings to enforce the lien are instituted within 3 years after the full amount of the assessments or charges become due.

6. This section does not prohibit actions to recover sums for which subsection 1 creates a lien or prohibit an association ~~[, the declarant]~~ or the hotel unit owner, as applicable, from taking a deed in lieu of foreclosure.

7. A judgment or decree in any action brought under this section must include costs and reasonable attorney's fees for the prevailing party.

8. The association or the hotel unit owner, as applicable, upon written request, shall furnish to a residential unit owner a statement setting forth the amount of unpaid assessments or charges against the unit. If the interest of the unit's owner is real estate or if a lien for the unpaid assessments or charges may be foreclosed under this chapter, the statement must be in recordable form. The statement must be furnished within 10 business days after receipt of the request and is binding on the association or the declarant, as applicable, and every unit's owner.

Sec. 123. *1. Except as otherwise provided in subsection 4, in a condominium hotel, the association or hotel unit owner, as applicable, may foreclose its lien by sale after all of the following occur:*

(a) The association or hotel unit owner, as applicable, has mailed by certified or registered mail, return receipt requested, to the residential unit owner or his successor in interest, at his address if known and at the address of the residential unit, a notice of delinquent assessment which states the amount of the assessments and other sums which are due, a description of the residential unit against which the lien is imposed and the name of the record owner of the residential unit.

(b) Not less than 30 days after mailing the notice of delinquent assessment or charge pursuant to paragraph (a), the association or hotel unit owner, as applicable, has executed and caused to be recorded, with the county recorder of the county in which the condominium hotel or any part of it is situated, a notice of default and election to sell the residential unit to satisfy the lien which must contain the same information as the notice of delinquent assessment and which must also comply with the following:

(1) Describe the deficiency in payment.

(2) State the name and address of the person authorized by the association, the declarant or hotel unit owner, as applicable, to enforce the lien by sale.

(3) Contain, in 14-point bold type, the following warning:

WARNING! IF YOU FAIL TO PAY THE AMOUNT SPECIFIED IN THIS NOTICE, YOU COULD LOSE YOUR HOME, EVEN IF THE AMOUNT IS IN DISPUTE!

(c) The residential unit owner or his successor in interest has failed to pay the amount of the lien, including costs, fees and expenses incident to its enforcement, for 90 days following the recording of the notice of default and election to sell.

2. The notice of default and election to sell must be signed by the person designated in the declaration or by the association or hotel unit owner, as applicable, for that purpose.

3. The period of 90 days begins on the first day following:

(a) The date on which the notice of default is recorded; or

(b) The date on which a copy of the notice of default is mailed by certified or registered mail, return receipt requested, to the residential unit owner or his successor in interest at his address, if known, and at the address of the residential unit,

➥ whichever date occurs later.

4. The association may not foreclose a lien by sale based on a fine or penalty for a violation of the governing documents of the association unless:

(a) The violation poses an imminent threat of causing a substantial adverse effect on the health, safety or welfare of the units' owners or residents of the condominium hotel; or

(b) The penalty is imposed for failure to adhere to a schedule required pursuant to this chapter.

Sec. 124. ***The association or hotel unit owner, as applicable, shall also mail, within 10 days after the notice of default and election to sell is recorded, a copy of the notice by first-class mail to:***

1. Each person who has requested notice pursuant to NRS 107.090 or section 128 of this act;

2. Any holder of a recorded security interest encumbering the residential unit owner's interest who has notified the association or hotel unit owner, as applicable, 30 days before the recordation of the notice of default, of the existence of the security interest; and

3. A purchaser of the residential unit, if the residential unit owner has notified the association or hotel unit owner, as applicable, 30 days before the recordation of the notice, that the residential unit is the subject of a contract of sale and the association has been requested to furnish the certificate required by section 147 of this act.

Sec. 125. ***1. The association or hotel unit owner, as applicable, shall also, after the expiration of the 90 days and before selling the unit:***

(a) Give notice of the time and place of the sale in the manner and for a time not less than that required by law for the sale of real property upon execution, except that in lieu of following the procedure for service on a judgment debtor pursuant to NRS 21.130, service must be made on the residential unit owner as follows:

(1) A copy of the notice of sale must be mailed, on or before the date of first publication or posting, by certified or registered mail, return receipt

requested, to the residential unit owner or his successor in interest at his address, if known, and to the address of the residential unit; and

(2) A copy of the notice of sale must be served, on or before the date of first publication or posting, in the manner set forth in subsection 2; and

(b) Mail, on or before the date of first publication or posting, a copy of the notice by first-class mail to:

(1) Each person entitled to receive a copy of the notice of default and election to sell notice under section 124 of this act;

(2) The holder of a recorded security interest or the purchaser of the residential unit, if either of them has notified the association, before the mailing of the notice of sale, of the existence of the security interest, lease or contract of sale, as applicable; and

(3) The Ombudsman.

2. In addition to the requirements set forth in subsection 1, a copy of the notice of sale must be served:

(a) By a person who is 18 years of age or older and who is not a party to or interested in the sale by personally delivering a copy of the notice of sale to an occupant of the residential unit who is of suitable age; or

(b) By posting a copy of the notice of sale in a conspicuous place on the residential unit.

3. Any copy of the notice of sale required to be served pursuant to this section must include:

(a) The amount necessary to satisfy the lien as of the date of the proposed sale; and

(b) The following warning in 14-point bold type:

WARNING! A SALE OF YOUR PROPERTY IS IMMINENT! UNLESS YOU PAY THE AMOUNT SPECIFIED IN THIS NOTICE BEFORE THE SALE DATE, YOU COULD LOSE YOUR HOME, EVEN IF THE AMOUNT IS IN DISPUTE. YOU MUST ACT BEFORE THE SALE DATE. IF YOU HAVE ANY QUESTIONS, PLEASE CALL (name and telephone number of the contact person for the association [~~, declarant,~~] or hotel unit owner). IF YOU NEED ASSISTANCE, PLEASE CALL THE FORECLOSURE SECTION OF THE OMBUDSMAN'S OFFICE, NEVADA REAL ESTATE DIVISION, AT (toll-free telephone number designated by the Division) IMMEDIATELY.

4. Proof of service of any copy of the notice of sale required to be served pursuant to this section must consist of:

(a) A certificate of mailing which evidences that the notice was mailed through the United State Postal Service; or

(b) An affidavit of service signed by the person who served the notice stating:

(1) The time of service, manner of service and location of service; and

(2) The name of the person served or, if the notice was not served on a person, a description of the location where the notice was posted on the residential unit.

Sec. 126. ***1. The sale must be conducted in the county in which the condominium hotel or part of it is situated, and may be conducted by the association or hotel unit owner, as applicable, its agent or attorney, or a title insurance company or escrow agent licensed to do business in this State, except that the sale may be made at the office of the association or hotel unit owner, as applicable, if the notice of the sale so provided*** ***.*** ~~***[,***~~ ~~***whether or not the residential unit is located within the same county as the office of the association or the hotel unit.]***~~ ***The association or hotel unit owner, as applicable, may, from time to time, postpone the sale by such advertisement and notice as it considers reasonable or, without further advertisement or notice, by proclamation made to the persons assembled at the time and place previously set and advertised for the sale.***

2. On the day of sale originally advertised or to which the sale is postponed, at the time and place specified in the notice or postponement, the person conducting the sale may sell the residential unit at public auction to the highest cash bidder. Unless otherwise provided in the declaration or by agreement, the association or hotel unit owner may purchase the residential unit and hold, lease, mortgage or convey it. The association or hotel unit owner, as applicable, may purchase by a credit bid up to the amount of the unpaid assessments and any permitted costs, fees and expenses incident to the enforcement of its lien.

3. After the sale, the person conducting the sale shall:

(a) Make, execute and, after payment is made, deliver to the purchaser, or his successor or assign, a deed without warranty which conveys to the grantee all title of the residential unit owner to the unit;

(b) Deliver a copy of the deed to the Ombudsman within 30 days after the deed is delivered to the purchaser, or his successor or assign; and

(c) Apply the proceeds of the sale for the following purposes in the following order:

(1) The reasonable expenses of sale;

(2) The reasonable expenses of securing possession before sale, holding, maintaining, and preparing the residential unit for sale, including payment of taxes and other governmental charges, premiums on hazard and liability insurance, and, to the extent provided for by the declaration, reasonable attorney's fees and other legal expenses incurred by the association or the hotel unit owner, as applicable;

(3) Satisfaction of the association's or hotel unit owner's lien, as applicable;

(4) Satisfaction in the order of priority of any subordinate claim of record; and

(5) Remittance of any excess to the unit's owner.

Sec. 127. ***1. The recitals in a deed of a foreclosed unit made pursuant to section 126 of this act of:***

(a) Default, the mailing of the notice of delinquent assessment or charge, and the recording of the notice of default and election to sell;

(b) The elapsing of the 90 days; and

(c) The giving of notice of sale,

➥ are conclusive proof of the matters recited.

2. Such a deed containing those recitals is conclusive against the residential unit's former owner, his heirs and assigns, and all other persons. The receipt for the purchase money contained in such a deed is sufficient to discharge the purchaser from obligation to see to the proper application of the purchase money.

3. The sale of a residential unit pursuant to the foreclosure procedures of this chapter vests in the purchaser the title of the unit's owner without equity or right of redemption.

Sec. 128. ***1. The provisions of NRS 107.090 apply to the foreclosure of lien of an association or hotel unit owner, as applicable, as if a deed of trust were being foreclosed. The request must identify the lien by stating the names of the unit's owner and the condominium hotel.***

2. An association or hotel unit owner, as applicable, may, after recording a notice of default and election to sell, waive the default and withdraw the notice or any proceeding to foreclose. The association or hotel unit owner, as applicable, is thereupon restored to its former position and has the same rights as though the notice had not been recorded.

Sec. 129. ***1. Except as otherwise provided in subsection 2, a judgment for money against the association, if a copy of the docket or an abstract or copy of the judgment is recorded, is not a lien on the common elements, but is a lien in favor of the judgment lienholder against all of the units in the condominium hotel at the time the judgment was entered. No other property of a unit's owner or the declarant is subject to the claims of creditors of the association.***

2. If the association has granted a security interest in the common elements to a creditor of the association pursuant to section 108 of this act, the holder of that security interest shall exercise its right against the common elements before its judgment lien on any unit may be enforced.

3. Whether perfected before or after the creation of the condominium hotel, if a lien, other than a deed of trust or mortgage, including a judgment lien or lien attributable to work performed or materials supplied before creation of the condominium hotel, becomes effective against two or more units, the owner of an affected unit may pay to the lienholder the amount of the lien attributable to his unit, and the lienholder, upon receipt of payment, promptly shall deliver a release of the lien covering that unit. The amount of the payment must be proportionate to the ratio which that owner's liability for common expenses bears to the liabilities for common expenses of all owners whose units are subject to the lien. After payment, the association may not assess or have a lien against that owner's unit for any portion of the common expenses incurred in connection with that lien.

4. A judgment against the association must be indexed in the name of the condominium hotel and the association and, when so indexed, is notice of the lien against the units.

Sec. 130. ***1. Except as otherwise provided in this subsection, the executive board of an association shall, upon the written request of a unit's owner, make available the books, records and other papers of the association for review during the regular working hours of the association, including, without limitation, all contracts to which the association is a party and all records filed with a court relating to a civil or criminal action to which the association is a party. 2. The executive board of an association shall maintain a general record concerning each violation of the governing documents, other than a violation involving a failure to pay an assessment, for which the executive board has imposed a fine, or any other sanction. The general record:

(a) Must contain a general description of the nature of the violation and the type of the sanction imposed. If the sanction imposed was a fine, the general record must specify the amount of the fine.

(b) Must not contain the name or address of the person against whom the sanction was imposed or any other personal information which may be used to identify the person or the location of the unit, if any, that is associated with the violation.

(c) Must be maintained in an organized and convenient filing system or data system that allows a unit's owner to search and review the general records concerning violations of the governing documents.

3. If the executive board refuses to allow a unit's owner to review the books, records or other papers of the association, the Ombudsman may:

(a) On behalf of the unit's owner and upon written request, review the books, records or other papers of the association during the regular working hours of the association; and

(b) If he is denied access to the books, records or other papers, request the Commission, or any member thereof acting on behalf of the Commission, to issue a subpoena for their production.

4. The books, records and other papers of an association must be maintained for at least 10 years.

5. The executive board shall not require a unit's owner to pay an amount in excess of $10 per hour to review any books, records, contracts or other papers of the association pursuant to the provisions of this section.

Sec. 131. ***The hotel unit owner shall maintain financial books and records showing its actual receipts and expenditures with respect to the repair, replacement, improvement, maintenance, management, operation, tax obligations and insurance of the shared components ~~[and]~~ , the major components of the shared components ~~[,]~~ and the major components of the hotel unit, including the budget for the current year, any proposed budget for future years and the study of reserves ~~[for shared components]~~ required by section ~~[117]~~ 118 of this act. These records ~~[may, but need not,]~~ must be audited or reviewed by a certified public accountant. (a) The financial statement of the association;

(b) The budgets of the association required to be prepared pursuant to section 114 of this act; and

(c) The study of the reserves of the association required to be conducted pursuant to section 117 of this act.

2. The executive board shall provide a copy of any of the records required to be maintained pursuant to subsection 1 to a unit's owner or the Ombudsman within 14 days after receiving a written request therefor. The executive board may charge a fee to cover the actual costs of preparing a copy, but not to exceed 25 cents per page.

Sec. 133. ***1. The association shall keep financial records sufficiently detailed to enable the association to comply with all of the requirements of this chapter.***

2. All financial and other records of the association must be:

Sec. 133.5. A hotel unit owner, an executive board, a member of an executive board or an officer, employee or agent of an association shall not take, or direct or encourage another person to take, any retaliatory action against a unit's owner because the unit's owner has:

1. Complained in good faith about any alleged violation of any provision of this chapter or the governing documents of the association; or

2. Requested in good faith to review the books, records or other papers of the association.

Sec. 134. ***1. Except as otherwise provided in subsection 2, a member of an executive board, an officer of an association or a community manager shall not solicit or accept any form of compensation, gratuity or other remuneration that:***

(a) Would improperly influence or would appear to a reasonable person to improperly influence the decisions made by those persons; or

(b) Would result or would appear to a reasonable person to result in a conflict of interest for those persons.

2. Notwithstanding the provisions of subsection 1, a member of an executive board, an officer of an association or a community manager shall not accept, directly or indirectly, any gifts, incentives, gratuities, rewards or other items of value from:

(b) Any percentage or proportion of those fines.

6. The provisions of this section do not prohibit a community manager from being paid compensation, a fee or other remuneration under the terms of a contract between the community manager and an association if:

Sec. 136. ***With respect to a third person dealing with the association in the association's capacity as a trustee, the existence of trust powers and their proper exercise by the association may be assumed without inquiry. A third person is not bound to inquire whether the association has power to act as trustee or is properly exercising trust powers. A third person, without actual knowledge that the association is exceeding or improperly exercising its powers, is fully protected in dealing with the association as if it possessed and properly exercised the powers it purports to exercise. A third person is not bound to assure the proper application of trust assets paid or delivered to the association in its capacity as trustee.***

Sec. 137. ***1. Except as otherwise provided in subsection 2, the executive board of an association shall not and the governing documents of that association must not prohibit a unit's owner from engaging in the display of the flag of the United States within such physical portion of the***

2. The provisions of this section do not:

(a) Apply to the display of the flag of the United States for commercial advertising purposes.

(b) Preclude the hotel unit owner or an association from adopting, and do not preclude the governing documents of an association from setting forth, rules that reasonably restrict the placement and manner of the display of the flag of the United States by a unit's owner.

(c) Preclude the hotel unit owner or an association from adopting, and do not preclude the declaration of the governing documents of an association from setting forth, rules restricting or prohibiting the placement by any person of other signs, symbols or flags within any portion of the condominium hotel.

3. In any action commenced to enforce the provisions of this section, the prevailing party is entitled to recover reasonable attorney's fees and costs.

4. As used in this section, "display of the flag of the United States" means a flag of the United States that is:

(a) Made of cloth, fabric or paper;

(b) Displayed from a pole or staff or in a window; and

Sec. 138. ***1. 2. The provisions of this section establish the minimum rights of a unit's owner or an occupant of a unit to exhibit a political sign. The provisions of this section do not preempt any provisions of the governing documents that provide greater rights and do not require the governing documents or the executive board to impose any restrictions on the exhibition of political signs other than those established by other provisions of law.

3. As used in this section, "political sign" means a sign that expresses support for or opposition to a candidate, political party or ballot question.

Sec. 139. ***1. Except as otherwise provided in the declaration, an association may not require a unit's owner to secure or obtain any approval from the association in order to rent or lease his unit.***

2. The provisions of this section do not prohibit an association from enforcing any provisions which govern the renting or leasing of units and

which are contained in this chapter or in any other applicable federal, state or local laws or regulations.

Sec. 140. ***1. Except as otherwise provided in this section, sections 140 to 152, inclusive, of this act apply to all condominium hotels.***

2. In the event of any such transfer, the transferor shall provide the transferee with any information necessary to enable the transferee to fulfill the requirements of subsection 1.

3. Any declarant or dealer who offers a unit to a purchaser shall deliver a public offering statement in the manner prescribed in section 146 of this act. The declarant or his transferee is liable for any false or misleading statement set forth therein or for any omission of a material fact therefrom with respect to that portion of the public offering statement which he prepared. If a declarant or dealer did not prepare any part of a public offering statement that he delivers, he is not liable for any false or misleading statement set forth therein or for any omission of a material fact therefrom unless he had actual knowledge of the statement or omission or, in the exercise of reasonable care, should have known of the statement or omission.

4. If a unit is part of a condominium hotel and is part of any other real estate in connection with the sale of which the delivery of a public offering statement is required under the laws of this State, a single public offering statement conforming to the requirements of this chapter, as those requirements relate to the real estate in which the unit is located, and to any other requirements imposed under the laws of this State, may be prepared and delivered in lieu of providing two or more public offering statements. If the requirements of this chapter conflict with those of another law of this State, the requirements of this chapter prevail.

Sec. 145. *If an interest in a condominium hotel is currently registered with the Securities and Exchange Commission of the United States or with the State of Nevada pursuant to chapter 119, 119A or 119B of NRS, a declarant satisfies all requirements of this chapter relating to the preparation of a public offering statement if he delivers to the purchaser a copy of the public offering statement filed with the Securities and Exchange Commission or the appropriate Nevada regulatory authority. An interest in a condominium hotel is not a security under the provisions of chapter 90 of NRS.*

Sec. 146. *1. A person required to deliver a public offering statement pursuant to subsection 3 of section 141 of this act shall provide a purchaser with a copy of the current public offering statement not later than the date on which an offer to purchase becomes binding on the purchaser. ~~[Unless the purchaser has personally inspected the unit, the]~~ The purchaser may cancel, by written notice, the contract of purchase until midnight of the fifth calendar day following the date of execution of the contract, and the contract for purchase must contain a provision to that effect.*

2. If a purchaser elects to cancel a contract pursuant to subsection 1, he may do so by hand delivering notice thereof to the offeror or by mailing notice thereof by prepaid United States mail to the offeror or to his agent for service of process. Cancellation is without penalty, and all payments made by the purchaser before cancellation must be refunded promptly.

3. If a person required to deliver a public offering statement pursuant to subsection 3 of section 141 of this act fails to provide a purchaser to whom a unit is conveyed with a current public offering statement, the purchaser is entitled to actual damages, rescission or other relief, but if the purchaser has accepted a conveyance of the unit, he is not entitled to rescission.

Sec. 147. *1. Except in the case of a sale in which delivery of a public offering statement is required, a unit's owner or his authorized agent shall furnish to a purchaser a resale package containing all of the following:*

(a) A copy of this chapter, the declaration, other than any plats and plans, the bylaws, the rules or regulations of the association and the hotel unit owner and the information statement required by section 148 of this act;

(b) A statement setting forth the amount of the monthly assessment for common expenses and any unpaid assessment of any kind currently due from the selling unit's owner;

(2) The projected monthly shared expenses for each type of unit, including the amount established as reserves pursuant to this chapter;

(f) A statement of any unsatisfied judgments or pending legal actions against the association or the hotel unit owner which affect the shared components and the status of any pending legal actions relating to the condominium hotel of which the unit's owner has actual knowledge.

2. The purchaser may, by written notice, cancel the contract of purchase until midnight of the fifth calendar day following the date of receipt of the resale package described in subsection 1, and the contract for purchase must contain a provision to that effect. If the purchaser elects to cancel a contract pursuant to this subsection, he must hand deliver the notice of cancellation to the residential unit owner or his authorized agent or mail the notice of cancellation by prepaid United States mail to the residential unit owner or his authorized agent. Cancellation is without penalty, and all payments made by the purchaser before cancellation must be refunded promptly. If the purchaser has accepted a conveyance of the residential unit, the purchaser is not entitled to:

(a) Cancel the contract pursuant to this subsection; or

(b) Damages, rescission or other relief based solely on the ground that the residential unit owner or his authorized agent failed to furnish the resale package, or any portion thereof, as required by this section.

3. Within 10 days after receipt of a written request by a residential unit owner or his authorized agent, the hotel unit owner shall furnish all of the following to the residential unit owner or his authorized agent for inclusion in the resale package:

(b) The hotel unit owner may charge the residential unit owner a reasonable fee to cover the cost of preparing the certificate furnished pursuant to subsection 3. Such a fee must be based on the actual cost the association incurs to fulfill the requirements of this section in preparing the certificate. The Commission shall adopt regulations establishing the maximum amount of the fee that ~~[an association]~~ the hotel unit owner may charge for preparing the certificate.

(c) The hotel unit owner may charge the residential unit owner a reasonable fee, not to exceed 25 cents per page, to cover the cost of copying the other documents furnished pursuant to subsection 3.

(d) Except for the fees allowed pursuant to paragraphs (b) and (c), the hotel unit owner may not charge the residential unit owner any other fees for preparing or furnishing the documents and certificate pursuant to subsection 3.

5. Neither a purchaser nor the purchaser's interest in a residential unit is liable for any unpaid assessment or fee greater than the amount set forth in the documents and certificate prepared by the hotel unit owner. If the hotel unit owner fails to furnish the documents and certificate within the 10 days allowed by this section, the seller is not liable for the delinquent assessment.

6. Upon the request of a residential unit owner or his authorized agent, or upon the request of a purchaser to whom the hotel unit owner has provided a resale package pursuant to this section or his authorized agent, the ~~[association]~~ hotel unit owner shall make the entire study of the reserves of the association or the shared components reasonably available for the residential unit owner, purchaser or authorized agent to inspect, examine, photocopy and audit. The study must be made available at the business office of the association or the hotel unit owner or some other suitable location within the county where the condominium hotel is situated or, if it is situated in more than one county, within one of those counties.

Sec. 148. ***The information statement required by sections 142 and 147 of this act must be in substantially the following form:***

BEFORE YOU PURCHASE PROPERTY IN A CONDOMINIUM HOTEL
DID YOU KNOW..

1. YOU GENERALLY HAVE 5 DAYS TO CANCEL THE PURCHASE AGREEMENT?

When you enter into a purchase agreement to buy a home or unit in a condominium hotel, in most cases you should receive either a public offering statement, if you are the original purchaser of the home or unit, or a resale package, if you are not the original purchaser. The law generally provides for a 5-day period in which you have the right to cancel the purchase agreement. The 5-day period begins on different starting dates, depending on whether you receive a public offering statement or a resale package. Upon receiving a public offering statement or a resale package, you should make sure you are informed of the deadline for exercising your right to cancel. In order to exercise your right to cancel, the law generally requires that you hand deliver the notice of cancellation to the seller within the 5-day period, or mail the notice of cancellation to the seller by prepaid United States mail within the 5-day period. For more information regarding your right to cancel, see section 146 of this act, if you received a public offering statement, or section 147 of this act if you received a resale package.

2. YOU ARE AGREEING TO RESTRICTIONS ON HOW YOU CAN USE YOUR PROPERTY?

These restrictions are contained in a document known as the Declaration of Covenants, Conditions and Restrictions. The CC&Rs become a part of the title to your property. They bind you and every future owner of the property whether or not you have read them or had them explained to you. The CC&Rs, together with other "governing documents" (such as association bylaws and rules and regulations), are intended to preserve the character and value of properties in the condominium hotel, but may also restrict what you can do to improve or change your property and limit how you use and enjoy your property. By purchasing a property encumbered by CC&Rs, you are agreeing to limitations that could affect your lifestyle and freedom of choice. You should review the CC&Rs, and other governing documents before purchasing to make sure that these limitations and controls are acceptable to you.

3. YOU WILL HAVE TO PAY OWNERS' ASSESSMENTS AND CHARGES FOR AS LONG AS YOU OWN YOUR PROPERTY?

As an owner in a condominium hotel, you are responsible for paying your share of expenses relating to the common elements and shared components. The obligation to pay these expenses binds you and every future owner of the property. Owners' fees are usually assessed for these expenses monthly. You have to pay dues whether or not you agree with the way the association or the hotel unit owner is managing the property or spending the assessments or charges. The hotel unit owner executive board

of the association may have the power to change and increase the amount of the assessment or charges and to levy special assessments or special charges against your property to meet extraordinary expenses.

4. IF YOU FAIL TO PAY OWNERS' ASSESSMENTS OR CHARGES, YOU COULD LOSE YOUR HOME?

If you do not pay these assessments or charges when due, the hotel unit owner or the association usually has the power to collect them by selling your property in a nonjudicial foreclosure sale. If fees become delinquent, you may also be required to pay penalties and the association's or hotel unit owner's costs, as applicable, and attorney's fees to become current. If you dispute the obligation or its amount, your only remedy to avoid the loss of your home may be to file a lawsuit and ask a court to intervene in the dispute.

5. YOU MAY BECOME A MEMBER OF A HOMEOWNERS' ASSOCIATION THAT HAS THE POWER TO AFFECT HOW YOU USE AND ENJOY YOUR PROPERTY?

Many condominium hotels have a homeowners' association. In a new development, the association will usually be controlled by the developer until a certain number of units have been sold. After the period of developer control, the association may be controlled by property owners like yourself who are elected by homeowners to sit on an executive board and other boards and committees formed by the association. The association, and its executive board, are responsible for assessing homeowners for the cost of operating the association and the common elements of the condominium hotel. Because homeowners sitting on the executive board and other boards and committees of the association may not have the experience or professional background required to understand and carry out the responsibilities of the association properly, the association may hire professional condominium association managers to carry out these responsibilities.

Homeowners' associations operate on democratic principles. Some decisions require all homeowners to vote, some decisions are made by the executive board or other boards or committees established by the association or governing documents. Although the actions of the association and its executive board are governed by state laws, the CC&Rs and other documents that govern the condominium hotel, decisions made by these persons will affect your use and enjoyment of your property, your lifestyle and freedom of choice, and your cost of living in the condominium hotel. You may not agree with decisions made by the association or its governing bodies even though the decisions are ones which the association is authorized to make. Decisions may be made by a few persons on the executive board or governing bodies that do not necessarily reflect the view of the majority of residential unit in the condominium hotel. If you do not agree with decisions made by the association, its executive board or other governing bodies, your remedy is typically to attempt to use the democratic

processes of the association to seek the election of members of the executive board or other governing bodies that are more responsive to your needs. If you have a dispute with the association, its executive board or other governing bodies, you may be able to resolve the dispute through the complaint, investigation and intervention process administered by the Office of the Ombudsman for Owners in Common-Interest Communities and Condominium Hotels, the Nevada Real Estate Division and the Commission for Common-Interest Communities and Condominium Hotels. However, to resolve some disputes, you may have to mediate or arbitrate the dispute and, if mediation or arbitration is unsuccessful, you may have to file a lawsuit and ask a court to resolve the dispute. In addition to your personal cost in mediation or arbitration, or to prosecute a lawsuit, you may be responsible for paying your share of the association's cost in defending against your claim.

6. YOU ARE REQUIRED TO PROVIDE PROSPECTIVE PURCHASERS OF YOUR PROPERTY WITH INFORMATION ABOUT LIVING IN YOUR CONDOMINIUM HOTEL?

The law requires you to provide a prospective purchaser of your property with a copy of the condominium hotel's governing documents, including the CC&Rs, association bylaws, and rules and regulations, as well as a copy of this document. You are also required to provide a copy of the association's current year-to-date financial statement, including, without limitation, the most recent audited or reviewed financial statement, a copy of the association's operating budget and information regarding the amount of the monthly assessment for common expenses, including the amount set aside as reserves for the repair, replacement and restoration of common elements. You are also required to provide a copy of the current year-to-date statement of the shared expenses charged to your unit by the declarant or hotel unit owner, as applicable. You are also required to inform prospective purchasers of any outstanding judgments or lawsuits pending against the association of which you are aware. For more information regarding these requirements, see sections 140 to 152, inclusive, of this act.

7. YOU HAVE CERTAIN RIGHTS REGARDING OWNERSHIP IN A CONDOMINIUM HOTEL THAT ARE GUARANTEED YOU BY THE STATE?

Pursuant to provisions of this chapter, you have the right:

(a) To be notified of all meetings of the association and its executive board, except in cases of emergency.

(b) To attend and speak at all meetings of the association and its executive board, except in some cases where the executive board is authorized to meet in closed, executive session.

(c) To request a special meeting of the association.

(d) To inspect, examine, photocopy and audit financial and other records of the association.

(e) To be notified of all changes in the condominium hotel's rules and regulations and other actions by the association or board that affect you.

8. QUESTIONS?

Although they may be voluminous, you should take the time to read and understand the documents that will control your ownership of a property in a condominium hotel. You may wish to ask your real estate professional, lawyer or other person with experience to explain anything you do not understand. You may also request assistance from the Office of the Ombudsman for Owners in Common-Interest Communities and Condominium Hotels, Nevada Real Estate Division, at (telephone number).

Sec. 151. ***Implied warranties of quality:***

Sec. 151.7. 1. Sec. 182. NRS 116.31155 is hereby amended to read as follows:

116.31155 1. Except as otherwise provided in subsection 2, an association shall:

(a) If the association is required to pay the fee imposed by NRS 78.150, 82.193, 86.263, 87.541 or 88.591, pay to the Administrator a fee established by regulation of the Administrator for every unit in the association used for residential use.

(b) If the association is organized as a trust or partnership, or as any other authorized business entity, pay to the Administrator a fee established by regulation of the Administrator for each unit in the association.

2. If an association is subject to the governing documents of a master association, the master association shall pay the fees required pursuant to this section for each unit in the association that is subject to the governing documents of the master association, unless the governing documents of the master association provide otherwise. The provisions of this subsection do not relieve any association that is subject to the governing documents of a master association from its ultimate responsibility to pay the fees required

pursuant to this section to the Administrator if they are not paid by the master association.

3. The fees required to be paid pursuant to this section must be:

(a) Paid at such times as are established by the Division.

(b) Deposited with the State Treasurer for credit to the Account for Common-Interest Communities ***and Condominium Hotels*** created by NRS 116.630.

(c) Established on the basis of the actual costs of administering the Office of the Ombudsman and the Commission and not on a basis which includes any subsidy beyond those actual costs. In no event may the fees required to be paid pursuant to this section exceed $3 per unit.

4. The Division shall impose an administrative penalty against an association or master association that violates the provisions of this section by failing to pay the fees owed by the association or master association within the times established by the Division. The administrative penalty that is imposed for each violation must equal 10 percent of the amount of the fees owed by the association or master association or $500, whichever amount is less. The amount of the unpaid fees owed by the association or master association bears interest at the rate set forth in NRS 99.040 from the date the fees are due until the date the fees are paid in full.

5. A unit's owner may not be required to pay any portion of the fees or any administrative penalties or interest required to be paid pursuant to this section to both an association and a master association.

6. An association that is subject to the governing documents of a master association may not be required to pay any portion of the fees or any administrative penalties or interest required to be paid pursuant to this section to the extent they have already been paid by the master association.

7. A master association may not be required to pay any portion of the fees or any administrative penalties or interest required to be paid pursuant to this section to the extent they have already been paid by an association that is subject to the governing documents of the master association.

8. Upon the payment of the fees and any administrative penalties and interest required by this section, the Administrator shall provide to the association or master association evidence that it paid the fees and the administrative penalties and interest in compliance with this section.

Sec. 183. NRS 116.41095 is hereby amended to read as follows:

116.41095 The information statement required by NRS 116.4103 and 116.4109 must be in substantially the following form:

BEFORE YOU PURCHASE PROPERTY IN A
COMMON-INTEREST COMMUNITY
DID YOU KNOW . . .

1. YOU GENERALLY HAVE 5 DAYS TO CANCEL THE PURCHASE AGREEMENT?

When you enter into a purchase agreement to buy a home or unit in a common-interest community, in most cases you should receive either a

public offering statement, if you are the original purchaser of the home or unit, or a resale package, if you are not the original purchaser. The law generally provides for a 5-day period in which you have the right to cancel the purchase agreement. The 5-day period begins on different starting dates, depending on whether you receive a public offering statement or a resale package. Upon receiving a public offering statement or a resale package, you should make sure you are informed of the deadline for exercising your right to cancel. In order to exercise your right to cancel, the law generally requires that you hand deliver the notice of cancellation to the seller within the 5-day period, or mail the notice of cancellation to the seller by prepaid United States mail within the 5-day period. For more information regarding your right to cancel, see Nevada Revised Statutes 116.4108, if you received a public offering statement, or Nevada Revised Statutes 116.4109, if you received a resale package.

2. YOU ARE AGREEING TO RESTRICTIONS ON HOW YOU CAN USE YOUR PROPERTY?

These restrictions are contained in a document known as the Declaration of Covenants, Conditions and Restrictions. The CC&Rs become a part of the title to your property. They bind you and every future owner of the property whether or not you have read them or had them explained to you. The CC&Rs, together with other "governing documents" (such as association bylaws and rules and regulations), are intended to preserve the character and value of properties in the community, but may also restrict what you can do to improve or change your property and limit how you use and enjoy your property. By purchasing a property encumbered by CC&Rs, you are agreeing to limitations that could affect your lifestyle and freedom of choice. You should review the CC&Rs, and other governing documents before purchasing to make sure that these limitations and controls are acceptable to you.

3. YOU WILL HAVE TO PAY OWNERS' ASSESSMENTS FOR AS LONG AS YOU OWN YOUR PROPERTY?

As an owner in a common-interest community, you are responsible for paying your share of expenses relating to the common elements, such as landscaping, shared amenities and the operation of any homeowners' association. The obligation to pay these assessments binds you and every future owner of the property. Owners' fees are usually assessed by the homeowners' association and due monthly. You have to pay dues whether or not you agree with the way the association is managing the property or spending the assessments. The executive board of the association may have the power to change and increase the amount of the assessment and to levy special assessments against your property to meet extraordinary expenses. In some communities, major components of the common elements of the community such as roofs and private roads must be maintained and replaced by the association. If the association is not well managed or fails to provide adequate funding for reserves to repair, replace and restore common

elements, you may be required to pay large, special assessments to accomplish these tasks.

4. IF YOU FAIL TO PAY OWNERS' ASSESSMENTS, YOU COULD LOSE YOUR HOME?

If you do not pay these assessments when due, the association usually has the power to collect them by selling your property in a nonjudicial foreclosure sale. If fees become delinquent, you may also be required to pay penalties and the association's costs and attorney's fees to become current. If you dispute the obligation or its amount, your only remedy to avoid the loss of your home may be to file a lawsuit and ask a court to intervene in the dispute.

5. YOU MAY BECOME A MEMBER OF A HOMEOWNERS' ASSOCIATION THAT HAS THE POWER TO AFFECT HOW YOU USE AND ENJOY YOUR PROPERTY?

Many common-interest communities have a homeowners' association. In a new development, the association will usually be controlled by the developer until a certain number of units have been sold. After the period of developer control, the association may be controlled by property owners like yourself who are elected by homeowners to sit on an executive board and other boards and committees formed by the association. The association, and its executive board, are responsible for assessing homeowners for the cost of operating the association and the common or shared elements of the community and for the day to day operation and management of the community. Because homeowners sitting on the executive board and other boards and committees of the association may not have the experience or professional background required to understand and carry out the responsibilities of the association properly, the association may hire professional community managers to carry out these responsibilities.

Homeowners' associations operate on democratic principles. Some decisions require all homeowners to vote, some decisions are made by the executive board or other boards or committees established by the association or governing documents. Although the actions of the association and its executive board are governed by state laws, the CC&Rs and other documents that govern the common-interest community, decisions made by these persons will affect your use and enjoyment of your property, your lifestyle and freedom of choice, and your cost of living in the community. You may not agree with decisions made by the association or its governing bodies even though the decisions are ones which the association is authorized to make. Decisions may be made by a few persons on the executive board or governing bodies that do not necessarily reflect the view of the majority of homeowners in the community. If you do not agree with decisions made by the association, its executive board or other governing bodies, your remedy is typically to attempt to use the democratic processes of the association to seek the election of members of the executive board or other governing bodies that are more responsive to your needs. If you have a dispute with the association, its executive board or other governing bodies, you may be able to resolve the

dispute through the complaint, investigation and intervention process administered by the Office of the Ombudsman for Owners in Common-Interest Communities ~~[,]~~ ***and Condominium Hotels,*** the Nevada Real Estate Division and the Commission for Common-Interest Communities ~~[.]~~ ***and Condominium Hotels.*** However, to resolve some disputes, you may have to mediate or arbitrate the dispute and, if mediation or arbitration is unsuccessful, you may have to file a lawsuit and ask a court to resolve the dispute. In addition to your personal cost in mediation or arbitration, or to prosecute a lawsuit, you may be responsible for paying your share of the association's cost in defending against your claim.

6. YOU ARE REQUIRED TO PROVIDE PROSPECTIVE PURCHASERS OF YOUR PROPERTY WITH INFORMATION ABOUT LIVING IN YOUR COMMON-INTEREST COMMUNITY?

The law requires you to provide a prospective purchaser of your property with a copy of the community's governing documents, including the CC&Rs, association bylaws, and rules and regulations, as well as a copy of this document. You are also required to provide a copy of the association's current year-to-date financial statement, including, without limitation, the most recent audited or reviewed financial statement, a copy of the association's operating budget and information regarding the amount of the monthly assessment for common expenses, including the amount set aside as reserves for the repair, replacement and restoration of common elements. You are also required to inform prospective purchasers of any outstanding judgments or lawsuits pending against the association of which you are aware. For more information regarding these requirements, see Nevada Revised Statutes 116.4109.

7. YOU HAVE CERTAIN RIGHTS REGARDING OWNERSHIP IN A COMMON-INTEREST COMMUNITY THAT ARE GUARANTEED YOU BY THE STATE?

Pursuant to provisions of chapter 116 of Nevada Revised Statutes, you have the right:

(a) To be notified of all meetings of the association and its executive board, except in cases of emergency.

(b) To attend and speak at all meetings of the association and its executive board, except in some cases where the executive board is authorized to meet in closed, executive session.

(c) To request a special meeting of the association upon petition of at least 10 percent of the homeowners.

(d) To inspect, examine, photocopy and audit financial and other records of the association.

(e) To be notified of all changes in the community's rules and regulations and other actions by the association or board that affect you.

8. QUESTIONS?

Although they may be voluminous, you should take the time to read and understand the documents that will control your ownership of a property in a

common-interest community. You may wish to ask your real estate professional, lawyer or other person with experience to explain anything you do not understand. You may also request assistance from the Office of the Ombudsman for Owners in Common-Interest Communities ~~[,]~~ ***and Condominium Hotels*** Nevada Real Estate Division, at (telephone number).

Legislative Counsel's Digest:

Existing law in chapters 293, 293B and 293C of NRS refers to the use of pollbooks and to mechanical voting systems whereby a voter may cast his vote by punching a card. Sections 5, 6, 9, 16, 18, 20, 23, 25, 26, 28, 29, 31-35, 37, 40-44, 46, 47, 50, 55-59, 61-64, 66, 67, 69-72, 74-78, 80, 82-87, 89-95 and 97-99 of this bill eliminate references to the use of pollbooks or to a voter punching a card or casting his ballot with a punch card and to any procedures concerning the use of such supplies, as these supplies and systems are no longer in use in elections in this State. Section 101 of this bill repeals many sections that deal exclusively with these supplies and systems.

Existing law authorizes and provides a procedure for a candidate to withdraw his candidacy, but makes no provision for the manner in which a candidate may rescind after he has withdrawn his declaration of candidacy. (NRS 293.202) Section 11 of this bill creates a procedure for a candidate to rescind his withdrawal of candidacy.

Existing law requires the Secretary of State to adopt regulations governing the conduct of elections. (NRS 293.247) Sections 17 and 96 of this bill provide that only permanent regulations of the Secretary of State that are effective on or before December 31 of the year immediately preceding a primary, general, special or district election govern the conduct of that election.

Existing law provides that when no more than the number of candidates to be elected have filed for nomination for most nonpartisan offices, the names of the candidates must still appear on the ballot for the primary election. (NRS 293.260) Sections 19 and 100 change that requirement to provide that for the office of member of a town advisory board and for certain offices on the Board of Governors of the Elko Convention and Visitors Authority, in such a situation those candidates must be declared elected and no election may be held for that office.

Existing law requires that mechanical recording devices which directly record votes electronically must provide a permanent paper record that must be available as an official record for a recount. (NRS 293.2696, 293B.084) Sections 24 and 57 of this bill eliminate the requirement that the permanent paper records be available as an official record for a recount.

Existing law specifies the procedure for county and city clerks to process absent ballots returned by mail or in person. (NRS 293.325, 293C.325) Sections 30 and 73 of this bill make revisions to clarify the procedure.

Existing law specifies the procedure and timing for the appropriate counting board to remove absent ballots from ballot boxes for the purpose of counting them. (NRS 293.384, 293.385, 293C.382, 293C.385) Sections 45, 46, 88 and 89 of this bill revise the timing to provide that the appropriate

counting board may remove the absent ballots from the ballot boxes or containers 3 working days earlier than the current provisions allow.

Existing law authorizes and sets forth a procedure for the governing body of a political subdivision or other local agency to submit a question to the qualified electors or registered voters of a designated territory. (NRS 293.481) Section 51 of this bill requires a county clerk to assign a unique identification number to such a question and creates a procedure for such a governing body to withdraw a question that was properly submitted to a county or city clerk.

Existing law requires the use of voting receipts and specifies that such voting receipts have two parts. (NRS 293.2673, 293.3585, 293.3604, 293B.300, 293B.305, 293C.261, 293C.3585, 293C.3604, 293C.620) Sections 22, 37, 38, 60, 61, 68, 80, 81 and 91 of this bill change these provisions to make the use of voting receipts optional at the discretion of the county or city clerk. These sections of the bill also eliminate the requirement that the voting receipts have two parts.

Section 101 of this bill repeals the section that requires the Secretary of State to publish a pamphlet describing the requirements for filing and circulating an initiative petition and several other sections dealing with obsolete election procedures. (NRS 293.12756)

(c) Only devices provided for in this chapter, chapter 293 or 293B of NRS may be used in marking ballots.

(d) It is unlawful for any election board officer to place any mark upon any ballot other than a spoiled ballot.

Assembly Bill No. 139.

The following Senate amendment was read:

Amendment No. 804.

AN ACT relating to local governmental administration; authorizing boards of county commissioners to apply for and accept certain rights over federal lands and to indemnify the Federal Government in connection with **such** rights **;** ~~[granted over those federal lands;]~~ providing for the disposition of excess payments made to a county recorder; revising provisions relating to the appointment and oath of deputy sheriffs; exempting the sheriff of ~~[a county whose population is 400,000 or more]~~ **certain larger counties** from the requirement to attend in person or by deputy all sessions in district court in that county; **authorizing the judge of each district court and the justice of the peace in each justice court in certain larger counties to appoint a deputy marshal for the court;** authorizing boards of county commissioners to delegate authority to approve certain claims for refunds of charges **,** ~~[or]~~ fees **or deposits** paid to county departments of aviation; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes boards of county commissioners to apply for and accept grants of rights-of-way, permits, leases and patents over federal lands within the National Forest System pursuant to certain federal laws. (NRS 244.277) Section 1 of this bill adds the Southern Nevada Public Lands Management Act of 1998, Public Law 105-263, to the list of federal laws concerning lands with respect to which boards of county commissioners may apply for and accept such land rights. Section 1 of this bill also authorizes boards of county commissioners to indemnify the United States in connection with such land rights.

Under existing law, a county recorder collects various fees. (NRS 247.305) Section 2 of this bill provides that if a fee collected by a county recorder exceeds by $5 or less the amount required by law to be paid, the county recorder is required to deposit the overpayment with the county treasurer for credit to the county general fund. If the overpayment is more than $5, the county recorder is required to refund the entire amount of the overpayment.

Existing law authorizes a sheriff to appoint, in writing, deputy sheriffs and requires each deputy sheriff to take an oath to discharge his duties. (NRS 248.040) Section 3 of this bill changes the office where the oath and written appointment of a deputy sheriff must be officially retained from the county auditor to the county recorder. Under existing law, the oaths and written appointments of deputies of many county elected officers are recorded with the county recorder or their respective counties. (NRS 246.030, 247.040, 249.060, 250.060, 252.070, 253.025, 258.060)

Existing law requires each county sheriff to attend in person or by deputy all sessions of the district court in that county. (NRS 248.100) Section 4 of this bill exempts the sheriff of a county whose population is 400,000 or more (currently Clark County) from that requirement.

Existing law authorizes the judge of each district court to appoint a bailiff for the court. (NRS 3.310) Section 5 of this bill authorizes the judge of each district court in a county whose population is 400,000 or more (currently Clark County) to appoint a deputy marshal for the court and confers on those deputy marshals the duties and responsibilities of the bailiffs. Section 5 also requires each deputy marshal to be certified as a category I peace officer within 18 months after appointment. Section 6 of this bill authorizes the appointment of a deputy marshal for each justice court in a county whose population is 400,000 or more (currently Clark County) and also requires such deputy marshals to be certified as category I peace officers within 18 months after appointment. (Chapter 4 of NRS) Section 11 of this bill provides that persons appointed before July 1, 2007, to serve as bailiffs of a district court or justice court in a county whose population is 400,000 or more (currently Clark County) are deemed to be deputy marshals if such persons are certified as category II peace officers on or before January 1, 2009.

Existing law authorizes boards of county commissioners to delegate to the county manager, the county administrator or, in counties without a manager or administrator, any other county employee the authority to approve certain claims for refunds of registration fees or deposits paid to the county department of parks and recreation. (NRS 354.240) Section ~~[5]~~ **10** of this bill authorizes boards of county commissioners to delegate to the same types of county officials or employees the authority to approve certain claims for refunds of ~~[registration]~~ **charges,** fees or deposits paid to the county department of aviation.

The following Senate amendment was read:

Amendment No. 1061.

AN ACT relating to education; requiring the boards of trustees of school districts to prescribe a policy for the development of 4-year academic plans for pupils enrolled in high school; requiring the principals of certain larger high schools to provide for a program of ~~[a]~~ **small learning communities;** ~~[ninth grade school within a school;]~~ requiring the State Board of Education to prescribe a uniform grading scale for high schools; requiring each school district to adopt a policy setting forth the duties of school counselors; expanding the age for compulsory school attendance from 17 years to 18 years; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes the system of public instruction for this State and defines the different kinds of public schools in this State. (Chapter 388 of NRS) A high school is a public school in which subjects above the eighth grade are taught. (NRS 388.020)

Section 2 of this bill requires the board of trustees of each school district to adopt a policy for each public school of the school district in which ninth grade pupils are enrolled, to develop a 4-year academic plan for each of those pupils. The academic plan must be developed in consultation with the pupil, the pupil's parent or legal guardian and a school counselor. The plan must include the specific educational goals that the pupil intends to complete before graduation from high school. If the pupil does not satisfy all the goals contained in the plan, the pupil is still eligible for a diploma if he otherwise satisfies the requirements for receipt of a diploma.

Section 3 of this bill requires the board of trustees of each school district that includes at least one high school in which 1,200 pupils or more are enrolled, including ninth grade pupils, to adopt a policy for each of those

high schools to provide a program of ~~[a]~~ **small learning communities.** ~~[ninth grade school within a school.]~~ The principal of each such high school must carry out the program. The program consists of the designation of a separate geographic location within the high school in which ninth grade pupils attend classes where practicable, the identification of any special needs for counseling or remediation for a ninth grade pupil and the assignment of certain personnel at the high school specifically for the ninth grade pupils.

Section 4 of this bill requires the State Board of Education to prescribe a uniform grading policy for all public high schools. The board of trustees of each school district and the governing body of each charter school that operates as a high school shall comply with the policy.

Section 5 of this bill requires the board of trustees of each school district to adopt a policy that sets forth the duties, roles and responsibilities of school counselors. The policy must be designed to ensure that school counselors are allotted sufficient time in each school year to carry out school counseling and to limit the amount of time school counselors are required to assist with the administration and coordination of tests.

Existing law establishes the ages for compulsory public school attendance at 7 to 17 years of age. (NRS 392.040) Section 6 of this bill expands the age to 18 years unless the child has graduated from high school.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

5. Whenever a child who is 6 years of age is enrolled in a public school, each parent, custodial parent, guardian or other person in the State of Nevada having control or charge of the child shall send him to the public school during all the time the school is in session. If the board of trustees of a school district has adopted a policy prescribing a minimum number of days of

attendance for pupils enrolled in kindergarten or first grade pursuant to NRS 392.122, the school district shall provide to each parent and legal guardian of a pupil who elects to enroll his child in kindergarten or first grade a written document containing a copy of that policy and a copy of the policy of the school district concerning the withdrawal of pupils from kindergarten or first grade. Before the child's first day of attendance at a school, the parent or legal guardian shall sign a statement on a form provided by the school district acknowledging that he has read and understands the policy concerning attendance and the policy concerning withdrawal of pupils from kindergarten or first grade. The parent or legal guardian shall comply with the applicable requirements for attendance. If the district determines that the child is prepared developmentally, he must be admitted to the first grade. If the district determines that the child is not so prepared, he must be admitted to kindergarten.

➥ The enrollment of any child pursuant to this subsection must be counted for apportionment purposes.

8. A child who becomes a resident of this State after completing kindergarten or beginning first grade in another state in accordance with the laws of that state may be admitted to the grade he was attending or would be attending had he remained a resident of the other state regardless of his age, unless the board of trustees of the school district determines that the requirements of this section are being deliberately circumvented.

9. As used in this section, "kindergarten" includes:

(a) A kindergarten established by the board of trustees of a school district pursuant to NRS 388.060;

(b) A kindergarten established by the governing body of a charter school; and

GENERAL FILE AND THIRD READING

Assembly Bill No. 627.

Bill read third time.

Remarks by Assemblymen Arberry and Parnell.

Assemblyman Arberry requested that the following remarks be entered in the Journal.

ASSEMBLYMAN ARBERRY:

Assembly Bill 627 appropriates $1.041 billion in the first year and $1.091 billion in the second year of the 2007-09 biennium from the state General Fund to the Distributive School Account (DSA). In addition, there are $172.2 million and $182.7 million of other revenues authorized to be received and expended for the state support of public education for the next two years. These other revenues include an annual tax on slot machines, sales tax collected on out-of-state sales, interest earned on the Permanent School Fund, and revenue from mineral leases on federal land.

The statewide average basic support per pupil increases over the upcoming biennium from $4,696 in the current year to $5,122 in FY 2008, and $5,323 in Y 2009. Enrollment is projected to grow 3.15 percent in the first year and .68 percent in the second year of the biennium. A two

percent cost-of-living adjustment for school district employees is included in the DSA for FY 2008 and four percent in FY 2009.

State funding for special education continues to be allocated on the basis of special education units. Total funding for the units amounts to $111.3 million or 3,046 units of $36,541 each in FY 2008 and $121.3 million for 3,128 units of $38,763 each in FY 2009. As in the past, 40 of those units will be reserved for the State Board of Education to assign to districts that have unexpected needs. In addition to the 40 "discretionary" units, the bill includes 4.70 units and 4.22 units for FY 2008 and FY 2009, respectively, for gifted and talented pupils to participate in the "Star Gate" program.

To fund adult high school diploma programs, including those in prison facilities, $21.4 million and $23.4 million are budgeted in the first and second years of the biennium, respectively, for the support of courses approved by the Department of Education as meeting the course of study for an adult standard high school diploma as approved by the State Board.

The bill appropriates $12.9 million and $13.3 million for the first and second years, respectively, for regional professional development centers to train teachers to teach to the academic standards, and includes funding for an evaluation of those programs.

The bill includes funding for the Early Childhood Education program of $3.3 million for each year of the upcoming biennium for competitive grants to school districts and community-based organizations for early childhood education programs.

The bill includes funding to continue the retirement credit incentive program for certain licensed educational personnel in the amount of $22.9 million for FY 2008 and $31.1 million for FY 2009.

For continued support of the Class-Size Reduction (CSR) program, this bill allocates $141 million in FY 2008 and $153 million in FY 2009. This money will pay for the salaries and benefits of at least 2,201 teachers hired to reduce pupil-teacher ratios in the first year and 2,260 in the second year. The bill continues the CSR program in the DSA, and maintains the separate expenditure category to highlight the program. Funds will be allocated based upon the number of teachers needed in each school district to reach the pupil-teacher ratios of 16 to 1 in first and second grades and 19 to 1 in third grade, the same ratios as in the current biennium.

The bill continues the flexibility for the school districts to carry out alternative programs for reducing the ratio of pupils per teacher or to implement remedial programs that have been found to be effective in improving pupil achievement. To use the funds in this manner, school districts are required to receive approval of their written plan from the Superintendent of Public Instruction, evaluate the effectiveness of their program and ensure that the combined ratio of pupils per teacher in the aggregate of grades K through 3 does not exceed the combined ratio in those grades in the 2004-05 school year.

This bill appropriates $21.5 million and $22.5 million for the first and second years, respectively, for the Other State Education Programs Account. Through this account, state General Fund support is provided for the System for Accountability Information in Nevada (SAIN), Educational Technology, Peer Mediation, Career and Technical Education programs, the Apprenticeship program, Local Education Agency Library Books, Public Broadcasting, the Teacher Signing Bonus program, the National Board Certification program for teachers and counselors, and other miscellaneous programs.

This bill continues the Account for Programs for Innovation and the Prevention of Remediation with appropriations of $60.4 million in FY 2008 and $85.5 million in FY 2009. Of these amounts, $25.6 million in FY 2008 and $40.8 million in FY 2009 is provided to continue and expand the full-day kindergarten program in Nevada. Through the Account for Programs for Innovation and the Prevention of Remediation, this bill provides $180,000 in FY 2008 and $8.9 million in FY 2009 to support a new program of empowerment schools.

Finally, beginning in FY 2009, this bill revises the hold harmless provisions to provide that a school district and charter school with less than a five percent decline in enrollment will be held harmless for one year and school districts and charter schools with more than five percent decline in enrollment will continue the existing two-year hold harmless.

Bill read third time.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 1091.

AN ACT relating to local financial administration; expanding the purposes for which, in certain smaller counties, money may be expended from a school district fund established to stabilize the operation of the school district; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for each county to receive a portion of the proceeds of an ad valorem tax levied against mining operations in that county and for each county treasurer to apportion certain amounts of those proceeds to each local government or other local entity. (NRS 362.170) Existing law also authorizes each school district that receives a portion of those proceeds to set aside a portion of the amount received for a fund to mitigate the adverse effects upon the school district that result from a decline in revenues from the tax on mining operations or the opening or closing of a mining operation in the county. (NRS 362.171) This bill expands those purposes to authorize school districts in counties with a population of less than ~~[15,000]~~ **5,000** (currently ~~[White Pine, Pershing, Lander, Mineral,]~~ Lincoln, Storey, Eureka and Esmeralda Counties) to use the money ~~[to retire outstanding debt and, if available revenues are below a certain amount, to use the money]~~ in the fund ~~[as the school district determines is necessary.]~~ **for certain specified purposes.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1**.** Chapter 354 of NRS is hereby amended by adding thereto a new section to read as follows:

1. Each school district to which money is apportioned by a county pursuant to subsection 2 of NRS 362.170 may set aside a percentage of the amount apportioned to establish a school district fund for mitigation. Except as otherwise provided in subsection 2, money from the fund may be used by the school district only to mitigate adverse effects upon the school district which result from:

(a) A decline in the revenue received by the school district from the tax on the net proceeds of minerals during the 2 fiscal years immediately preceding the current fiscal year; or

(b) The opening or closing of an extractive operation from the net proceeds of which revenue has been or is reasonably expected to be derived pursuant to chapter 362 of NRS.

2. A school district in a county whose population is less than ~~*[15,000 may:*~~

~~*(a) Use money from the fund to retire bonds issued by the school district or any other outstanding obligations of the school district.*~~

~~*(b) If]*~~ ***5,000 may, if the revenues available to the school district for the current fiscal year are less than 90 percent of the revenues available to the school district for the immediately preceding fiscal year, expend such money in the fund created pursuant to subsection 1*** ~~*[as the board of trustees of the school district determines is necessary.]*~~ ***to continue the district's instructional programs or those services and activities necessary to support the district's instructional programs which would otherwise be reduced or eliminated if not for the provisions of this section.***

Sec. 2. NRS 362.171 is hereby amended to read as follows:

362.171 ~~[1.]~~ Each county to which money is appropriated by subsection 1 of NRS 362.170 may set aside a percentage of that appropriation to establish a county fund for mitigation. Money from the fund may be appropriated by the board of county commissioners only to mitigate adverse effects upon the county, or the school district located in the county, which result from:

~~[(a)]~~ ***1.*** A decline in the revenue received by the county from the tax on the net proceeds of minerals during the 2 fiscal years immediately preceding the current fiscal year; or

~~[(b)]~~ ***2.*** The opening or closing of an extractive operation from the net proceeds of which revenue has been or is reasonably expected to be derived pursuant to this chapter.

~~[2. Each school district to which money is apportioned by a county pursuant to subsection 2 of NRS 362.170 may set aside a percentage of the amount apportioned to establish a school district fund for mitigation. Money from the fund may be used by the school district only to mitigate adverse effects upon the school district which result from:~~

~~(a) A decline in the revenue received by the school district from the tax on the net proceeds of minerals during the 2 fiscal years immediately preceding the current fiscal year; or~~

~~(b) The opening or closing of an extractive operation from the net proceeds of which revenue has been or is reasonably expected to be derived pursuant to this chapter.]~~

GENERAL FILE AND THIRD READING

Senate Bill No. 499.

Bill read third time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 1090.

AN ACT relating to school facilities; revising provisions governing the approval of certain plans, designs and specifications for, and the inspection of the construction and renovation of, school buildings; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the board of trustees of a school district must, before letting a contract for the construction or renovation of a school building, submit the relevant plans, designs and specifications to the State Public Works Board for the Board's review and approval. Existing law provides exceptions to this requirement if certain standard plans, designs and specifications are used, or if the State Public Works Board enters into an agreement to have such functions performed by the building department of a county or city. (NRS 385.125, 393.110)

Section 4 of this bill provides that, in a county whose population is 400,000 or more (currently Clark County), existing law remains unchanged.

Section 4 provides that, in a county whose population is ~~[30,000 or more but]~~ less than 400,000 (currently ~~[Washoe, Elko, Douglas, Nye and Lyon Counties, and Carson City),]~~ **counties other than Clark County),** plans, designs and specifications pertaining to the construction or renovation of school buildings must be reviewed by, and the construction or renovation must be inspected by, the county building department or another local building department in the county. If there is no such department, the board of trustees of the school district is required to enter into an agreement with the State Public Works Board, a private ~~[entity]~~ **person certified by the International Code Council or its successor,** or a building department in another county to perform the necessary reviews and inspections.

~~[Section 4 provides that, in a county whose population is less than 30,000 (currently Churchill, Humboldt, White Pine, Pershing, Lander, Mineral, Lincoln, Storey, Eureka and Esmeralda Counties), plans, designs and~~

~~specifications pertaining to the construction or renovation of school buildings must be reviewed by, and the construction or renovation must be inspected by, the State Public Works Board. If the Board determines that the building department of the county or another local building department has the expertise to perform such functions, the Board may enter into an agreement with that department to perform the necessary reviews and inspections.]~~

Sections 4 and 5 of this bill clarify that the approval of the State Fire Marshal is not required for plans, designs and specifications of school buildings that are reviewed by a local building department or a private ~~[entity]~~ **person certified by the International Code Council or its successor** and, similarly, an inspection of the construction and renovation of school buildings by the State Fire Marshal is not required if ~~[such an]~~ **the** inspection is conducted by **such** a local building department or private ~~[entity.]~~ **person. However, in conducting reviews pursuant to section 4, the State Public Works Board, building department or private person, as applicable, is required to verify that the plans, designs and specifications comply with the applicable requirements of the relevant codes adopted by this State, including the applicable requirements of any relevant codes and regulations adopted by the State Fire Marshal.** (NRS 393.110, 477.030)

Legislative Counsel's Digest:

Under existing law, a taxpayer is entitled to receive interest on an overpayment of taxes. (NRS 360.2935, 360A.110) Section 2 of this bill

provides that no interest will be paid on an overpayment of taxes on fuels if the overpayment is made intentionally or carelessly.

Under existing law, if the Department of Motor Vehicles issues a deficiency determination against a taxpayer for underpayment of taxes on fuels, the taxpayer may file a petition for redetermination and seek an oral hearing on the petition. (NRS 360A.160, 360A.180) Section 3 of this bill changes the hearing to an administrative hearing.

Under existing law, persons licensed under chapter 365 of NRS are required to submit reports and pay excise taxes to the Department for motor vehicle and other fuels subject to that chapter. (NRS 365.170, 365.175) Section 5 of this bill imposes similar requirements on unlicensed persons who collect such excise taxes.

Existing law in chapter 366 of NRS concerning taxes on special fuels includes provisions relating to the confidentiality of records, the unlawful disclosure of information, false or fraudulent reports, and the sealing of fuel pumps. (NRS 366.160, 366.180, 366.710, 366.715) Sections 6-9 of this bill add similar provisions to chapter 365 of NRS concerning taxes on motor vehicle and other fuels.

Under existing law, licenses issued pursuant to chapter 365 of NRS for dealers, suppliers, transporters and exporters are valid until suspended, revoked or cancelled. (NRS 365.304) Section 15 of this bill limits the validity of each such license to 1 year and requires the Department to adopt regulations providing for the renewal of such licenses.

Existing law in chapter 366 of NRS concerning taxes on special fuels includes provisions governing the due date of such taxes. (NRS 366.370) Section 18 of this bill adds similar provisions to chapter 365 of NRS concerning taxes on motor vehicle and other fuels. (NRS 365.330)

Section 21 of this bill increases the power of the Department and its agents to make examinations and inspections, including the power to stop and inspect motor vehicles that are using or transporting motor vehicle and other fuels, to determine whether all excise taxes due pursuant to chapter 365 of NRS are being properly reported and paid. (NRS 365.500)

Under existing law, persons licensed under chapter 366 of NRS are required to file tax returns and pay excise taxes to the Department for special fuels subject to that chapter. (NRS 366.380, 366.383, 366.386, 366.540) Section 26 of this bill imposes similar requirements on unlicensed persons who collect such excise taxes.

Existing law in chapter 365 of NRS concerning taxes on motor vehicle and other fuels includes provisions relating to the liability of a person for willfully failing to collect or pay excise taxes, the records that must be maintained by retailers, the payment of the costs of prosecuting violations, and the enforcement of the provisions of the chapter by county sheriffs and other peace officers. (NRS 365.351, 365.510, 365.590, 365.610) Sections 27-30 of this bill add similar provisions to chapter 366 of NRS concerning taxes on special fuel.

Under existing law, licenses issued pursuant to chapter 366 of NRS for special fuel dealers, special fuel suppliers, special fuel transporters and special fuel exporters are valid until suspended, revoked or cancelled, and licenses for special fuel users are valid for 1 year. (NRS 366.260) Section 36 of this bill limits the validity of each such license to 1 year and requires the Department to adopt regulations providing for the renewal of such licenses.

Section 46 of this bill revises the provisions in NRS 366.720 that establish various violations and penalties relating to taxes on special fuels by specifying that each day during which such a violation occurs constitutes a separate offense.

Section 46.5 of this bill requires the county fair and recreation board in a county whose population is 400,000 or more (currently Clark County) to issue, under certain conditions, bonds to assist in the funding of highway projects in that county. Section 55.3 of this bill requires annual reports by the Department of Transportation on the projects undertaken with that funding.

Existing law authorizes a county to impose an ad valorem tax for capital projects in the amount of 5 cents per $100 of the assessed valuation of the county. (NRS 354.59815) Section 47 of this bill requires the allocation of **an incrementally increasing portion, which will not exceed** 60 percent **,** of the proceeds of any such tax imposed in a county with a population of ~~[400,000]~~ **100,000** or more (currently Clark ~~[County)]~~ **and Washoe Counties)** to the State Highway Fund for use in the construction and maintenance of the public highways in that county.

~~[Existing law authorizes the issuance of special obligation bonds of the State to provide money for highway construction projects, and limits the term of those bonds to not more than 20 years. (NRS 408.273) Section 48 of this bill extends that limitation to not more than 30 years.]~~

Section 47.2 of this bill requires the adoption of performance measurements for the Department of Transportation and annual reports of performance. Section 47.3 of this bill requires the Department to prepare a written analysis of the costs and benefits of each proposal for a highway project that will cost $25 million or more. Section 55.5 of this bill requires quarterly reports by the Department on the status of certain proposed highway projects.

Existing law authorizes a short-term lessor of a passenger car to impose a recovery surcharge of 4 percent of the total amount for which the car is leased. (NRS 482.313) Section 49 of this bill mandates the imposition of that fee and requires the deposit of ~~[half]~~ **one-quarter of** the proceeds thereof into the State Highway Fund for use in the construction and maintenance of the public highways.

~~[Section 50 of this bill provides for the imposition and payment of a licensing fee for the operation of certain heavyweight vehicles by motor carriers in this State in the amount of 15 cents per mile traveled. Section 52 provides for the prepayment of this licensing fee by a person who obtains a~~

~~temporary permit to operate such a vehicle in this State. Section 54 provides that any violation of the requirements regarding this licensing fee constitutes a misdemeanor.]~~

Existing law prescribes a maximum amount of $15 per day that a short-term lessor of vehicles may charge for a waiver of damages. (NRS 482.31565) Section 49.5 of this bill increases that amount to $22 and provides for subsequent annual increases in that amount based upon increases in the Consumer Price Index.

Existing law prescribes a maximum amount of $5 per day that a short-term lessor of vehicles may charge for more than one additional driver. (NRS 482.3158) Section 49.7 of this bill increases that amount to $10, provides for subsequent annual increases in that amount based upon increases in the Consumer Price Index and authorizes the imposition of the charge for any additional drivers.

Existing law authorizes a purchaser of motor vehicle fuel or special fuel from a supplier to apply to the Department for a permit to defer payment of the taxes to the supplier, and authorizes the supplier to deduct from his tax payments to the Department the amount of such deferred taxes. (NRS 365.326, 365.328, 366.397, 366.540) Sections 42 and 55 of this bill delete or repeal those provisions. Section 55 also repeals NRS 366.360 because its provisions are being added to NRS 366.350 by section 38 of this bill.

A special fuel supplier or special fuel dealer shall pay to the Department the excise tax he collects from purchasers of special fuel with the return filed pursuant to NRS 366.383 or 366.386, respectively. The tax paid by a special fuel user must be computed by multiplying the tax rate per gallon provided in this chapter by the amount that the number of gallons of special fuel consumed by the special fuel user in the propulsion of motor vehicles on the highways of this State exceeds the number of gallons of special fuel purchases by him.

2. ~~[Except as otherwise provided in subsection 3, in computing the amount of tax on special fuel a special fuel supplier owes to the Department, the special fuel supplier may deduct from the amount due pursuant to subsection 1 any amount which is due but has not been paid by a purchaser who is authorized by the Department to defer payment of the tax pursuant to NRS 366.397. If such a deduction is claimed, the claim must identify the purchaser and the amount of taxes that he failed to pay.~~

~~3. A special fuel supplier shall not deduct from the amount he owes the Department pursuant to subsection 1 any amount which has not been paid by a person whose permit to defer the payment of the tax has been revoked pursuant to subsection 4 of NRS 366.397 if, before the special fuel was purchased, the special fuel supplier had been notified by the Department pursuant to subsection 5 of NRS 366.397 that it had revoked the purchaser's permit.~~

A written application for a refund, ***including, without limitation, a request for a refund that is submitted on an amended tax return,*** stating the specific grounds therefor, must be made within 12 months after the date of payment, whether or not the excise tax, penalty or interest was paid voluntarily or under protest.

6. A person who wishes to apply for a refund of the tax on special fuel paid by him pursuant to subsection 5 of NRS 366.207 must:

(a) Submit an application for the refund on a form prescribed by the Department; and

(b) Establish to the satisfaction of the Department that within a period of 6 months he purchased not less than 200 gallons of special fuel in this State which was used for a purpose that is exempt from the tax on special fuel pursuant to NRS 366.200.

➥ The Department shall refund to an applicant who complies with the provisions of this subsection a refund in an amount equal to the tax paid by the applicant less the percentage allowed the special fuel supplier pursuant to NRS 366.390.

7. To establish the validity of any claim for a refund, the Department may, upon demand, examine the books and records of the claimant. The failure of the claimant to accede to such a demand constitutes a waiver of all rights to the refund claimed on account of the transactions questioned.

8. No refund of special fuel taxes may be made for off-highway use of special fuel consumed in watercraft in this State for recreational purposes.

Sec. 44. NRS 366.695 is hereby amended to read as follows:

The following amendment was proposed by the Committee on Education:

Amendment No. 1082.

AN ACT relating to education; revising provisions governing homeschooled children; **requiring the board of trustees of each school district to post certain information concerning examinations on its Internet website and ensure that homeschooled children have notice of the website;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, compulsory attendance in public school is required of children between the ages of 7 and 17 years. (NRS 392.040) Compulsory attendance is excused if satisfactory written evidence is presented to the board of trustees of the school district in which the child resides that the child is receiving at home or in some other school equivalent instruction of the kind and amount approved by the State Board of Education. (NRS 392.070) Sections 3 and 5 of this bill excuse compulsory attendance if a child is enrolled in a private school or if a notice of intent to homeschool the child is filed with the superintendent of schools of the school district in which the child resides. Sections 1 and 5 of this bill authorize the board of trustees of a school district or the governing body of a charter school, as applicable, to require a birth certificate or other documentation to prove the identity of the homeschooled child who wishes to participate in certain activities and classes offered by the public schools in this State and requires such proof under certain circumstances.

Section 3 of this bill sets forth requirements concerning a notice of intent to homeschool and establishes certain rights for a child that is being homeschooled and the parents of that child.

Under existing law, the State Board of Education is required to prescribe the courses of study required for promotion to high school. (NRS 392.033) Section 4 of this bill prescribes the information that must be provided by a homeschooled child who wishes to enroll in a public high school to demonstrate competency in those courses of study or successful completion of those courses.

Section 2.5 of this bill requires the board of trustees of each school district to maintain on its Internet website pertinent information concerning the examinations available to children in the school district. Section 3 of this bill requires each school district to ensure that homeschooled children who reside in the school district have adequate notice of the availability of the website.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 386.580 is hereby amended to read as follows:

386.580 1. An application for enrollment in a charter school may be submitted to the governing body of the charter school by the parent or legal guardian of any child who resides in this State. Except as otherwise provided in this subsection and subsection 2, a charter school shall enroll pupils who are eligible for enrollment in the order in which the applications are received. If the board of trustees of the school district in which the charter school is located has established zones of attendance pursuant to NRS 388.040, the charter school shall, if practicable, ensure that the racial composition of pupils enrolled in the charter school does not differ by more than 10 percent from the racial composition of pupils who attend public schools in the zone in which the charter school is located. If a charter school is sponsored by the board of trustees of a school district located in a county whose population is 100,000 or more, except for a program of distance education provided by the charter school, the charter school shall enroll pupils who are eligible for enrollment who reside in the school district in which the charter school is located before enrolling pupils who reside outside the school district. Except as otherwise provided in subsection 2, if more pupils who are eligible for enrollment apply for enrollment in the charter school than the number of spaces which are available, the charter school shall determine which applicants to enroll pursuant to this subsection on the basis of a lottery system.

2. Before a charter school enrolls pupils who are eligible for enrollment, a charter school that is dedicated to providing educational programs and opportunities to pupils who are at risk may enroll a child who:

(a) Is a sibling of a pupil who is currently enrolled in the charter school; or

(b) Resides within the school district and within 2 miles of the charter school if the charter school is located in an area that the sponsor of the charter school determines includes a high percentage of children who are at risk. If space is available after the charter school enrolls pupils pursuant to

this paragraph, the charter school may enroll children who reside outside the school district but within 2 miles of the charter school if the charter school is located within an area that the sponsor determines includes a high percentage of children who are at risk.

➥ If more pupils described in this subsection who are eligible apply for enrollment than the number of spaces available, the charter school shall determine which applicants to enroll pursuant to this subsection on the basis of a lottery system.

3. Except as otherwise provided in subsection 7, a charter school shall not accept applications for enrollment in the charter school or otherwise discriminate based on the:

(a) Race;

(b) Gender;

(c) Religion;

(d) Ethnicity; or

(e) Disability,

➥ of a pupil.

4. If the governing body of a charter school determines that the charter school is unable to provide an appropriate special education program and related services for a particular disability of a pupil who is enrolled in the charter school, the governing body may request that the board of trustees of the school district of the county in which the pupil resides transfer that pupil to an appropriate school.

5. Except as otherwise provided in this subsection, upon the request of a parent or legal guardian of a child who is enrolled in a public school of a school district or a private school, or a parent or legal guardian of a homeschooled child, the governing body of the charter school shall authorize the child to participate in a class that is not otherwise available to the child at his school or home school or participate in an extracurricular activity at the charter school if:

(a) Space for the child in the class or extracurricular activity is available; and

(b) The parent or legal guardian demonstrates to the satisfaction of the governing body that the child is qualified to participate in the class or extracurricular activity.

➥ If the governing body of a charter school authorizes a child to participate in a class or extracurricular activity pursuant to this subsection, the governing body is not required to provide transportation for the child to attend the class or activity. A charter school shall not authorize such a child to participate in a class or activity through a program of distance education provided by the charter school pursuant to NRS 388.820 to 388.874, inclusive.

6. The governing body of a charter school may revoke its approval for a child to participate in a class or extracurricular activity at a charter school pursuant to subsection 5 if the governing body determines that the child has failed to comply with applicable statutes, or applicable rules and regulations.

If the governing body so revokes its approval, neither the governing body nor the charter school is liable for any damages relating to the denial of services to the child.

7. ***The governing body of a charter school may, before authorizing a homeschooled child to participate in a class or extracurricular activity pursuant to subsection 5, require proof of the identity of the child, including, without limitation, the birth certificate of the child or other documentation sufficient to establish the identity of the child.***

8. This section does not preclude the formation of a charter school that is dedicated to provide educational services exclusively to pupils:

(a) With disabilities;

(b) Who pose such severe disciplinary problems that they warrant a specific educational program, including, without limitation, a charter school specifically designed to serve a single gender that emphasizes personal responsibility and rehabilitation; or

(c) Who are at risk.

➥ If more eligible pupils apply for enrollment in such a charter school than the number of spaces which are available, the charter school shall determine which applicants to enroll pursuant to this subsection on the basis of a lottery system.

Sec. 2. NRS 388.850 is hereby amended to read as follows:

388.850 1. A pupil may enroll in a program of distance education only if the pupil satisfies the requirements of any other applicable statute and the pupil:

(g) Is otherwise permitted to enroll in a program of distance education provided by the board of trustees of a school district if the board of trustees determines that the circumstances warrant enrollment for the pupil; or

(h) Is otherwise permitted to enroll in a program of distance education provided by the governing body of a charter school if the governing body of the charter school determines that the circumstances warrant enrollment for the pupil.

2. In addition to the eligibility for enrollment set forth in subsection 1, a pupil must satisfy the qualifications and conditions for enrollment in a

program of distance education adopted by the State Board pursuant to NRS 388.874.

3. A child who is exempt from compulsory attendance and ~~[receiving equivalent instruction authorized by the State Board pursuant to subsection 1 of NRS 392.070]~~ ***is enrolled in a private school pursuant to chapter 394 of NRS or is being homeschooled*** is not eligible to enroll in or otherwise attend a program of distance education, regardless of whether he is otherwise eligible for enrollment pursuant to subsection 1.

5. If a pupil is eligible for enrollment in a program of distance education pursuant to paragraph (c) of subsection 1, he may enroll in the program of distance education only to take those advanced or specialized courses that are not offered at the public school he otherwise attends.

Sec. 2.5. **Chapter 389 of NRS is hereby amended by adding thereto a new section to read as follows:**

The board of trustees of each school district shall maintain on its Internet website, and shall post in a timely manner, all pertinent information concerning the examinations available to children who reside in the school district, including, without limitation, the dates and times of, and contact information concerning, such examinations. 2. All college entrance examinations offered in this State, including, without limitation, the Scholastic Aptitude Test, the American College Test, the Preliminary Scholastic Aptitude Test and the National Merit Scholarship Qualifying Test.

Sec. 3. Chapter 392 of NRS is hereby amended by adding thereto a new section to read as follows:

If the parent of a child who is subject to compulsory attendance wishes to homeschool the child, the parent must file with the superintendent of schools of the school district in which the child resides a written ~~[or electronic]~~ notice of intent to homeschool the child. The Department shall develop a standard form for the notice of intent to homeschool. The form must not require any information or assurances that are not otherwise required by this section or other specific statute. The board of trustees of each school district shall, in a timely manner, make only the form developed by the Department available to parents who wish to homeschool their child.

2. The initial notice of intent to homeschool must be filed before beginning to homeschool the child or:

(a) Not later than 10 days after the child has been formally withdrawn from enrollment in public school; or

(b) Not later than 30 days after establishing residency in this State.

~~[2.]~~ 3. The purpose of the notice of intent to homeschool is to inform the school district in which the child resides that the child is exempt from the requirement of compulsory attendance. ~~[A notice of intent to homeschool that is filed with a school district remains valid in that school district without renewal until:~~

~~(a) The child is no longer subject to compulsory attendance; or~~

~~(b) The child is enrolled in a public or private school in this State.~~

~~3.]~~ 4. A subsequent notice of intent to homeschool must be filed annually with the school district, beginning with the school year immediately following the school year in which the initial notice of intent to homeschool was filed. If the name or address of the parent or child as indicated on a notice of intent to homeschool changes, the parent must, not later than 30 days after the change, file a new notice of intent to homeschool with the superintendent of schools of the school district in which the child resides.

~~[4.]~~ 5. A notice of intent to homeschool must include only the following:

(e) If applicable, the name of the public school in this State which the child most recently attended; and

~~[(e)]~~ (f) An optional statement that the parent may sign which provides: I expressly prohibit the release of any information contained in this document, including, without limitation, directory information as defined in 20 U.S.C. § 1232g(a)(5)(A), without my prior written consent.

Each superintendent of schools of a school district shall accept ~~[any]~~ a notice of intent to homeschool that is filed with him pursuant to this section and meets the requirements of subsection ~~[4,]~~ 5, and shall not require or request any additional information or assurances from the parent who filed the notice.

7. The school district shall provide to a parent who files a notice a written acknowledgment which clearly indicates that the parent has provided notification required by law and that the child is being homeschooled for the duration of the school year. The written acknowledgment shall be deemed proof of compliance with Nevada's

compulsory school attendance law. A written acknowledgment that a child is being homeschooled is effective for 1 school year. The school district shall provide a written acknowledgment that a child is being homeschooled for every school year for the which the parent demonstrates compliance with this section.

~~[6. The superintendent of schools of a school district with whom a notice of intent to homeschool is filed shall:~~

~~(a) Upon receipt, indicate on the notice the date of receipt; and~~

~~(b) Retain a copy of the notice for not less than 15 years. The copy of the notice may be retained in an electronic format.~~

~~7.]~~ 8. The superintendent of schools of a school district shall process a written request for a copy of the records of the school district, or any information contained therein, relating to a child who is being or has been homeschooled not later than 5 days after receiving the request. The superintendent of schools may only release such records or information:

(b) If required by specific statute.

~~[8.]~~ 9. Each school district shall ~~[maintain on its Internet website a tab for homeschooling, and shall post in a timely manner all pertinent information concerning such examinations available to homeschooled children within the school district, including, without limitation, the dates and times of, and contact information concerning, such examinations.~~

12. The parent of a child who is being homeschooled shall prepare an educational plan of instruction for the child in the subject areas of English, including reading, composition and writing, mathematics, science and social studies, including history, geography, economics and government, as

appropriate for the age and level of skill of the child as determined by the parent. The educational plan must be included in the initial notice of intent to homeschool filed pursuant to this section. If the educational plan contains the requirements of this section, the educational plan must not be used in any manner as a basis for denial of an initial notice of intent to homeschool that is otherwise complete. The parent must be prepared to present the educational plan of instruction and proof of the identity of the child to a court of law if required by the court. This subsection does not require a parent to ensure that each subject area is taught each year that the child is homeschooled.

~~[12.]~~ 13. No regulation or policy of the State Board, any school district or any other governmental entity may infringe upon the right of a parent to educate his child based on religious preference unless it is:

(a) Essential to further a compelling governmental interest; and

(b) The least restrictive means of furthering that compelling governmental interest.

~~[13.]~~ 14. As used in this section, "parent" means the parent, custodial parent, legal guardian or other person in this State who has control or charge of a child and the legal right to direct the education of the child.

Sec. 4. NRS 392.033 is hereby amended to read as follows:

392.033 1. The State Board shall adopt regulations which prescribe the courses of study required for promotion to high school, which may include the credits to be earned.

2. The board of trustees of a school district shall not promote a pupil to high school if the pupil does not complete the course of study or credits required for promotion. The board of trustees of the school district in which the pupil is enrolled may provide programs to complete the courses of study required for promotion to high school.

3. The board of trustees of each school district shall adopt a procedure for evaluating the course of study or credits completed by a pupil who transfers to a junior high or middle school from a junior high or middle school in this State or from a school outside of this State.

(c) Provide other proof satisfactory to the board of trustees of the school district demonstrating competency in the courses of study required for promotion to high school.

Sec. 5. NRS 392.070 is hereby amended to read as follows:

392.070 1. Attendance ***of a child*** required by the provisions of NRS 392.040 must be excused when ~~[satisfactory written evidence is presented to the board of trustees of the school district in which the child resides that the child is receiving at home or in some other school equivalent instruction of the kind and amount approved by the State Board.]~~ ***:***

2. The board of trustees of each school district shall provide programs of special education and related services for homeschooled children. The programs of special education and related services required by this section must be made available:

(a) Only if a child would otherwise be eligible for participation in programs of special education and related services pursuant to NRS 388.440 to 388.520, inclusive;

If the board of trustees revokes its approval, neither the board of trustees nor the public school is liable for any damages relating to the denial of services to the pupil.

(b) Neither the school district nor a public school may prescribe any regulations, rules, policies, procedures or requirements governing the eligibility or participation of the homeschooled child that are more restrictive than the provisions governing the eligibility and participation of pupils enrolled in public schools.

7. The programs of special education and related services required by subsection 2 may be offered at a public school or another location that is appropriate.

8. ***The board of trustees of a school district:***

Sec. 8. This act becomes effective on July 1, 2007.

Assemblywoman Parnell moved the adoption of the amendment.

Remarks by Assemblymen Parnell and Settelmeyer.

Assemblyman Oceguera requested that the following remarks be entered in the Journal.

ASSEMBLYWOMAN PARNELL:

Assembly Amendment 1082 requires that the Department of Education develop a standard form for use by parents to file their annual notice of intent to homeschool. The school district must acknowledge in writing that the form has been received and that it indicates that the parent is in compliance with compulsory attendance laws for the school year. It also provides that parents must provide an educational plan only with their initial notice of intent to homeschool.

ASSEMBLYMAN SETTELMEYER:

I have a question for the Committee. I was wondering what the reason was to have to fill out an annual report. With my daughters in regular school, I do not have to enter her into school every single year, so I am not sure what the benefit is of having an annual report.

ASSEMBLYWOMAN PARNELL:

To my colleague from Douglas County, currently that is the standard. *Nevada Administrative Code* requires a one-page form submitted annually to inform the school district that a child is continuing to be homeschooled. It also currently allows a child to take a course at the local elementary school and participate in extracurricular activities after they file that intent to homeschool. It is just a way to communicate with a given school district.

Remarks by Assemblymen Atkinson, Mabey, Gansert, Allen, Oceguera, Kirkpatrick, and Hardy.

Assemblyman Oceguera requested that the following remarks be entered in the Journal.

ASSEMBLYMAN ATKINSON:

Assembly Bill 595 concerns taxes and fuels and provides funding for highway projects. It is also a clean-up bill for the Department of Motor Vehicles regarding special fuels. This bill has the Las Vegas Convention and Visitors Authority (LVCVA) contribution of $20 million to the highway fund. It also has a redirection of the ad valorem tax for capital projects to the highway fund for Clark and Washoe Counties. Also, it has a recovery surcharge fee of 1 percent to the highway fund from the car rental companies. Also, it contains a section that requires the Department of Transportation to adopt regulations and rules whereby they will report their progress on projects to our body.

We have been here 117 days now, and traffic and roads have become a very hot topic around here. I am happy to say that through weeks and months of negotiations and discussions with the various houses and leaders, we have landed on something I believe will keep our roads and our traffic flowing.

After every major event in the south, and particularly in the City of Las Vegas, we hear how individuals are not able to get to and from in a timely manner. We have heard all session how 100 cars are added to our roads daily. We have also heard that if we do nothing, Interstate 15 and Interstate 95 will be at level F for congestion by the year 2009.

This proposal keeps us on track to improve our roads. Madam Speaker and body of this House, we must remain flexible in government. Things change and sometimes we have to make tough decisions, and we have to change with them. Important issues and situations dictate that we remain flexible.

Some will ask, "Will this take away from parks?" I will say this from my conversations with local government: Monies that we are using for these projects were not bonded for parks, they were never dedicated to those efforts.

It may seem like a tough decision for a lot of us, but the choice becomes easy when we hear that our constituents are stuck in traffic for hours and hours at a time. We must do all we can to provide them with relief from congestion.

This is probably not the perfect plan, but it does keep our traffic flowing and it does allow our constituents some relief from congestion.

Madam Speaker and body of this house, I urge your passage.

ASSEMBLYMAN MABEY:

I rise in opposition to Assembly Bill 595. I appreciate the efforts of the Transportation Chairman and all those who worked so hard to help solve this issue. Unfortunately, in my opinion, this bill falls short of the mark and sets the wrong policy.

I understand the first part of the diversion that deals with the LVCVA, and I can support that. It stays at $20 million over the life of this bill, so as time goes, that percentage declines.

I can also understand and support the part about the rental car companies. In exchange for this rediversion, they were able to raise some of their fees, so for them it is a wash.

The final part of this three-legged stool is the part that concerns me. This is the diversion of our property tax that was set aside for capital improvements for highway construction. Under the provisions that apply, the counties will pay over $77 million per year over the last years. These funds are used to build parks, soccer fields, baseball fields, football fields, swimming pools, skating rinks, jails, and other projects that make our communities better places to live.

While Washoe County may not suffer from a lack of parks, Clark County and Las Vegas have a dearth of these facilities. This diversion will only worsen the condition. When you add this to the recent tax abatements that we passed last Saturday, it further worsens the condition. When Little Johnnie asks, "Can we go to the park to swing?" or Jacob wonders why there is no baseball diamond, or Mary has to play in the sprinklers in her backyard instead of going to the swimming pool, we can tell them that the funds went to Interstate 15 to help the biggest corporations in Nevada.

In my opinion, we are helping the major corporations in this state at the expense of our families that are already struggling to make it. The families in my district are willing to sacrifice to have better roads; however, the LVCVA and rental car companies do not sacrifice anything. Why should the families in Nevada be the only ones in Nevada to sacrifice their parks, baseball fields, swimming pools, and other projects that improve the qualities of their neighborhoods, when no one else does? Like I said when I started, in my opinion, this is a bad policy and the families in my district elected me because they felt I could correctly represent them. For them, for the reasons I have explained, and more, I will be voting against the bill.

ASSEMBLYWOMAN GANSERT:

I rise in support of Assembly Bill 595. I have been following the evolution of this bill, and I have seen many people come to the table and collaborate to get the best solution possible at this time. I recognize that local governments will be participating, and I also recognize that it is important that they do so. I appreciate the rental car industry stepping up, and I think it is important to recognize as well that gaming came to the table, stayed at the table, and have been part of the solution. Again, I urge support of this bill. I think it is a good one.

ASSEMBLYWOMAN ALLEN:

I rise in respectful opposition to Assembly Bill 595. I appreciate all the hard work that this body has done in conjunction with all the industries in play, but I am not fully convinced that this is a comprehensive solution to our transportation problems. I would like to see us return to this discussion again in the future and perhaps come up with a more comprehensive package that will help the folks in suburban Las Vegas.

ASSEMBLYMAN OCEGUERA:

I rise in support of Assembly Bill 595. In response to the Minority Leader's suggestion that children will not be able to go to the park, I do not believe that is correct. I think parks are

generally funded by impact fees. The maintenance of parks are funded by fees such as those listed in this bill. In fact, the county managers of the counties affected in this bill came to us and offered this as a solution. I just want to make sure that is clear for the record.

ASSEMBLYWOMAN KIRKPATRICK:

I rise in support of Assembly Bill 595. We can talk about quality of life issues all day long, but when somebody's parents are sitting on the freeway for an hour everyday, losing time that they could be spending with their children, that also affects the quality of life. For myself, it takes 45 minutes to drive 17 miles every day. That is 45 minutes that I could be spending with my children at their school, helping them with homework, or having a decent dinnertime. I am really frustrated that we stand here today with something that helps us move forward. We are not fixing it, but at least we are putting a dent in it. I am not going back home to tell my constituents that a park is more important than being at home having dinner with their children. I urge your support.

ASSEMBLYMAN HARDY:

I rise in support of Assembly Bill 595. I was privileged to have the opportunity to be in every group that I could insert myself into working with the involved industries, local governments, various branches of government, and trying to develop something that would pass. Working within the parameters of that box, and trying to think outside of the box that we have boxed ourselves into in regards to traffic, we came up with what I consider the best that we could do.

My hat is literally off to those who have stepped forward to do such, and I appreciate the Transportation Chair and the bipartisan effort that has gone into this. I shared my concept and feelings with other comments that were made regarding spending a half hour going to work and coming from work. That is an hour that I would like to be home, and so the family concept is important—the time that I have, that we have, that we are going to protect for families to have at home.

I do not think that any of us are so naïve to think that we have solved all of the traffic problems with this bill, but this is the start. This allows us to do preservation of payment so we save money. This allows us to do bonding so we can get roads down now. This allows us to do zoning so we can pay for the roads where we live. This allows us to do those kinds of things that the Executive Branch suggested in its first rendition as well taking into account the good input that we have had from the Legislative Branch. I am definitely in support of this, and I appreciate the efforts that everybody put forth coming to the many tables that were involved.

Assemblyman Oceguera requested that the following remarks be entered in the Journal.

ASSEMBLYWOMAN PARNELL:

Thank you, Madam Speaker. Assembly Bill 404 requires the Department of Education to develop a standard form for use by parents when filing their annual notice of intent. That notice of intent remains, as in the amended form, a yearly notice with each school district. The district then, in turn, must acknowledge in writing that the form has been received so the parents can use it to excuse their children from compulsory attendance. Parents must include an education plan only with the initial notice of intent to homeschool. Homeschooled children seeking admittance to high school must comply with the requirements for promotion from eighth to ninth grade. School districts must establish and maintain information on a website about standardized testing available for homeschooled children.

ASSEMBLYMAN HARDY:

Thank you, Madam Speaker. I rise in support of Senate Bill 404, as amended. When I consider homeschooled children having the advantage of being able to participate in extracurricular activities, like sports, I think that is a wise thing that we have made available to them. What I consider the "get out of jail free" card for truancy is when a homeschooler is registered as a homeschooler and will have the opportunity to have a piece of paper that says they don't have to be in school. The parents, under legal means, will no longer have difficulties with that because the form will be generated. The form has been filled out by the homeschooler's parent.

Some of the homeschoolers have the ability to take high school courses or take special courses not otherwise available in homeschooling. The amended bill will look at the one-page renewal form that the homeschooling parent can fill out in order for the school district to be aware of who the homeschooled person is. The school district will have some fiduciary responsibility looking at the potential for the homeschooler to enter back into the public school system. Thank you, Madam Speaker. I am in support.

ASSEMBLYMAN DENIS:

Thank you, Madam Speaker. I, too, rise in support of Senate Bill 404. As we heard the testimony on this bill, it became apparent that this is a good thing for those who homeschool. They work very hard. Homeschoolers worked very hard to craft this legislation. We have received a lot of emails about it recently. I think what has been said previously is correct. This legislation is good and will be an update to our laws concerning homeschooling. It gives those parents who choose to homeschool better options than they had before. I urge your support.

CONSIDERATION OF SENATE AMENDMENTS

Assembly Bill No. 624.

The following Senate amendment was read:

Amendment No. 1070.

AN ACT relating to special fuel; providing that a farm vehicle or special mobile equipment that contains dyed special fuel in the fuel tank may be operated on certain highways in this State under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law allows a farm vehicle that contains dyed special fuel in the fuel tank to be operated on a highway in this State only when it is crossing the highway from one parcel of land to another parcel of land which is owned by or under the control of the person operating the farm vehicle. (NRS 366.203) This bill provides that any farm vehicle that is not required to be registered with the Department of Motor Vehicles or special mobile equipment that is incidentally operated or moved upon a highway may contain dyed special fuel in the fuel tank of the farm vehicle or special mobile equipment while it is operated on certain highways in this State.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 366.203 is hereby amended to read as follows:

366.203 1. Special fuel, other than compressed natural gas, liquefied petroleum gas or kerosene, which is exempt from the tax pursuant to subsection 3 or 4 of NRS 366.200 must be dyed before it is removed for distribution from a rack. The dye added to the exempt special fuel must be of the color and concentration required by the regulations adopted by the Secretary of the Treasury pursuant to 26 U.S.C. § 4082.

2. Except as otherwise provided in subsections 3 ~~[, 4 and 5,]~~ ***and 4,*** a person shall not operate or maintain on any highway in this State a motor vehicle which contains dyed special fuel in the fuel tank of that vehicle. A person who operates or maintains a motor vehicle in violation of this subsection and the registered owner of the motor vehicle are jointly and severally liable for any taxes, penalties and interest payable to the Department.

3. A person who, pursuant to subsection 2, 3 or 4 of NRS 366.200, is exempt from the tax imposed by this chapter may operate or maintain a motor vehicle on a highway in this State which contains dyed special fuel in the fuel tank of that vehicle.

4. ~~[To the extent permitted by federal law, a]~~ ***A*** person may operate or maintain on a highway in this State any special mobile equipment ***that is incidentally operated or moved upon a highway*** or farm equipment ~~[that]~~ ***which*** contains dyed special fuel in the fuel tank of the special mobile equipment or farm equipment. As used in this subsection:

(a) "Farm equipment" means any self-propelled machinery or motor vehicle that is designed solely for tilling soil or for cultivating, harvesting or transporting crops or other agricultural products ~~[from a field or other area owned or leased by the operator of the farm equipment and in which the crops or agricultural products are grown, to a field, yard, silo, cellar, shed or other facility which is:~~

~~(1) Owned or leased by the operator of the farm equipment; and~~

~~(2) Used to store or process the crops or agricultural products.~~

~~➥~~] ***and which is not required to be registered with the Department.*** The term includes a tractor, baler or swather ***,*** ~~[or]~~ any implement used to retrieve hay ~~[.]~~ ***, or any special mobile equipment that is used for farming purposes. The term does not include a truck-tractor or any other vehicle primarily used for hauling loads long distances over a public highway.***

(b) "Highway" does not include a controlled-access highway as defined in NRS 484.041.

(c) "Truck-tractor" has the meaning ascribed to it in NRS 482.130.

(d) "Vehicle" has the meaning ascribed to it in NRS 482.135.

~~[5. To the extent authorized by federal law, a person may operate or maintain a motor vehicle on a highway in this State that contains dyed special fuel in the fuel tank if the motor vehicle is used only to cross the highway to travel from one parcel of land owned or controlled by the person to another parcel of land owned or controlled by the person.~~

~~6.~~ ***5.*** There is a rebuttable presumption that all special fuel which is not dyed special fuel and which is sold or distributed in this State is for the purpose of propelling a motor vehicle.

6. The Department shall, by regulation, define "incidentally operated or moved upon a highway" for purposes of this section.

Sec. 2. **This act becomes effective upon passage and approval.**

Assembly Bill No. 182.

The following Senate amendment was read:

Amendment No. 1056.

SUMMARY—Makes various changes concerning the Fund for a Healthy Nevada ~~[.]~~ **and certain programs administered by the Department of Health and Human Services.** (BDR 40-158)

AN ACT relating to public health; **authorizing the Department of Health and Human Services to administer certain programs to assist certain persons with costs relating to health care and pharmaceutical services;** revising the percentages of and the manner of allocating money in the Fund for a Healthy Nevada for certain programs; revising provisions governing the subsidies from the Fund for the cost of prescription drugs, pharmaceutical services and certain other benefits; revising the membership and duties of the Grants Management Advisory Committee; repealing the Task Force for the Fund for a Healthy Nevada; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under federal law, states may provide subsidies, prescription drugs and other assistance to persons with the human immunodeficiency virus or acquired immunodeficiency syndrome. (42 U.S.C. §§ 300ff-21 et seq.) Section 1 of this bill authorizes the Department of Health and Human Services to participate in the federal program and to administer the program in conjunction with other programs already administered by the Department.

Under existing law, the Task Force for the Fund for a Healthy Nevada makes allocations, or reserves for allocation or expenditure by the Department ~~[of Health and Human Services]~~ or the Aging Services Division of ~~[that]~~ **the** Department, certain percentages of money in the Fund for a Healthy Nevada for certain programs and services. (NRS 439.630) Section ~~[3]~~ **4** of this bill eliminates the role of the Task Force in making allocations of money from the Fund and requires the Department to make such allocations itself.

~~[Section 3 of this bill revises the percentages of revenues deposited in the Fund that are required to be allocated for prescription drugs and pharmaceutical services for persons with disabilities. Section 3 also revises the percentages of revenues deposited in the Fund that are required to be expended for programs to assist persons with disabilities to live independently.~~

~~Section 3 of this bill requires that the money allocated for programs relating to tobacco use be expended with an emphasis on programs that prevent the use of tobacco by children. Section 3 also requires the Department to allocate 10 percent of available revenues for programs that improve health services for children, with an emphasis on the oral health of children.]~~

Existing law establishes a program to provide subsidies for senior citizens and persons with disabilities for the cost of prescription drugs and pharmaceutical services and, for senior citizens, other benefits, including, without limitation, dental and vision benefits. (NRS 439.635-439.690, 439.705-439.795) Sections ~~[3,]~~ **4 and 5** of this bill specifically add, to the extent money is available, hearing aids and other hearing devices to the list of benefits available for both senior citizens and persons with disabilities pursuant to these programs. Sections ~~[3 and 5]~~ **4 and 6** also make persons with disabilities eligible for the same additional benefits for which senior citizens are currently eligible under existing law, including, without limitation, dental and vision benefits. This bill also allows certain veterans to receive such benefits if they qualify as a senior citizen or person with a disability.

The Grants Management Advisory Committee provides assistance to the Department in the allocation and administration of certain grants administered by the Department. (NRS 232.383, 232.385) Section ~~[6.3]~~ **9** of this bill increases the membership of the Advisory Committee.

Section ~~[6.7]~~ **11** of this bill repeals the Task Force for the Fund for a Healthy Nevada.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. **Chapter 439 of NRS is hereby amended by adding thereto a new section to read as follows:**

The Department may, to the extent that money is available, administer a program pursuant to 42 U.S.C. §§ 300ff-21 et seq. to provide therapeutics to treat certain persons who have been diagnosed with the human immunodeficiency virus or acquired immunodeficiency syndrome and to prevent the serious deterioration of the health of such persons. The program may include the provision of subsidies and pharmaceutical services.

If the Department uses another program to facilitate the provision of subsidies and services pursuant to this section, the Department shall not commingle the money available to carry out the provisions of this section and the money available to carry out the other program.

4. Money available to carry out the provisions of this section must be accounted for separately by the Department.

AN ACT relating to controlled substances; ~~[requiring entities that sell certain products that are precursors to methamphetamine to place such products in an area to which the public does not have direct access, to limit the quantity of such products sold or transferred to the same person during any calendar day, to maintain a list of sales of such products and to ensure that certain information is entered in that list; prohibiting a person from acquiring more than a certain amount of certain products that are]~~ **making various changes concerning the sale, transfer or acquisition of** precursors to methamphetamine; **making various changes relating to crimes relating to the use or manufacturing of methamphetamine and other controlled substances; revising various provisions relating to nuisances;** providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

This bill establishes restrictions on the sale and purchase of products that contain materials that can be used to manufacture methamphetamine ~~[.]~~ **and makes other various changes pertaining to methamphetamine and other controlled substances.**

Section 6 of this bill requires sellers of a product that contains certain materials that can be used to manufacture methamphetamine to keep the product in a locked case or cabinet or behind a store counter so that the public does not have direct access to the product. Section 7 of this bill establishes limits on the quantity of certain chemicals that can be sold to the same person during a calendar day. Section 8 of this bill requires sellers of a product that contains materials that can be used to manufacture methamphetamine to maintain a logbook of sales and transfers of the product and to ensure that certain information is entered in the logbook.

If a seller of a product that contains materials that can be used to manufacture methamphetamine violates section 6, 7 or 8 of this bill, section 9 of this bill provides that the seller is subject to a civil penalty of not more than $250,000 for each violation.

Section 10 of this bill prohibits a person from knowingly or intentionally purchasing or otherwise acquiring a certain amount of certain chemicals that can be used to manufacture methamphetamine. A person who violates this provision is subject to criminal penalties.

Section 11 of this bill prohibits a person from knowingly or intentionally entering false information in the logbook. A person who violates this provision is guilty of a category D felony.

Section 11.5 of this bill prohibits the possession or disposition of chemical waste or debris resulting from the manufacture of methamphetamine.

Existing law prohibits a person from possessing certain chemicals with the intent to manufacture or compound a controlled substance other than marijuana. (NRS 453.322) Section 11.7 of this bill adds lithium metal and sodium metal to the list of prohibited chemicals. Section 11.7 also prohibits a person from providing such a chemical to another person with the intent that it be used in the manufacturing or compounding of a controlled substance other than marijuana.

Existing law provides that a building or place used to unlawfully manufacture a controlled substance is a nuisance, which creates civil liability, and a public nuisance, which is a crime. (NRS 40.140, 202.450, 202.470) Sections 16 and 17 of this bill provide that a building or place that was used to unlawfully manufacture a controlled substance is both a nuisance and a public nuisance if certain activities relating to the decontamination of the building or place have not occurred within a certain period.

Section 25 of this bill prohibits a person from: (1) selling or transferring in the course of business a product that is a precursor to methamphetamine; or (2) engaging in the business of selling at retail a product that is a precursor to methamphetamine, unless the person is a pharmacy.

Section 26 of this bill requires a pharmacy that becomes aware of any unusual or excessive loss or disappearance of a product that is a precursor to methamphetamine to report the loss or disappearance to the Department of Public Safety.

Assembly Bill No. 232.

Bill read third time.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 1104.

AN ACT relating to the Department of Health and Human Services; requiring the Department to make available to consumers certain information relating to pharmacies and the prices of commonly prescribed prescription drugs; ~~[making an appropriation;]~~ **requiring the Department to make certain determinations before performing certain duties;** providing an administrative penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 3 of this bill requires the Retail Association of Nevada or its successor to compile a list of not less than 100 prescription drugs, and their generic equivalents, that are most commonly prescribed to residents of this State. Sections 5-8 of this bill require the Department of Health and Human Services to: (1) combine the contents of the list with usual and customary pricing information received from pharmacies that are licensed by the State

Board of Pharmacy; and (2) present the combined information on the Department's Internet website so that consumers may compare the prices currently being charged by those pharmacies for those prescription drugs. By regulation, links to such information on the Department's website may be placed on the Internet websites of other persons and entities, including pharmacies and other governmental entities. Section 4 of this bill requires pharmacies that are licensed by the State Board of Pharmacy and located in the State of Nevada to provide to the Department, at least once each month, the usual and customary prices that the pharmacy charges for the prescription drugs on the list of most-prescribed drugs compiled by the Retail Association of Nevada, as well as certain contact information for the pharmacy. Pharmacies that are licensed by the State Board of Pharmacy but located outside the State of Nevada may, but are not required to, provide such information. Section 9 of this bill allows the Department to accept grants, donations, gifts and other public and private money to carry out the provisions of this bill. **Section 9 also requires the Department to determine at the beginning of each fiscal year whether sufficient money is available to fund one or more components of the programs and duties of the Department relating to sections 2-10 of this bill.** Section 10 of this bill provides that if a pharmacy is required to provide information to the Department pursuant to section 4 and the pharmacy, without good cause, fails to do so or fails to do so in a timely manner, the Department may impose an administrative penalty of up to $500 for each day on which such a failure occurs. ~~[Section 13 of this bill makes an appropriation to the Department to pay for the goods and services needed by the Department in order to furnish information to consumers by way of its Internet website.]~~ This bill excludes institutional pharmacies from the application of its provisions.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Bill read third time.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 1103.

AN ACT relating to health care; requiring the Secretary of State to establish and maintain the Registry of Advance Directives for Health Care on his Internet website; establishing the requirements to register an advance directive and to obtain access to an advance directive in the Registry; providing civil and criminal immunity to providers of health care and the Secretary of State, his deputies, employees and attorneys under certain circumstances; **requiring the Secretary of State to make certain determinations before performing certain duties;** requiring the Secretary of State to conduct an interim study of the Registry; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, a person may provide an advance directive concerning his health care in the form of a declaration governing the withholding or withdrawal of life-sustaining treatment, a durable power of attorney for health care decisions or a do-not-resuscitate order. (NRS 449.535-449.690, 449.800-449.860, 450B.420)

Section 6 of this bill requires the Secretary of State to establish and maintain the Registry of Advance Directives for Health Care by posting a digital photograph of each advance directive to a secure portion of his Internet website.

Section 7 of this bill establishes the procedures that a person must follow to register his advance directive with the Secretary of State and obtain the registration number and password that are needed to access his advance directive in the registry.

Section 8 of this bill requires any person requesting access to an advance directive in the Registry to provide the correct registration number and password. Section 8 also restricts access to a person's advance directive in the Registry to the registrant and his personal representative or provider of health care unless: (1) the registrant requests that another person be granted access; (2) the Secretary of State determines that the access is in the registrant's best interest; or (3) the access is necessary to comply with a court order.

Section 10 of this bill provides that the Secretary of State is not required to determine whether an advance directive is accurate or valid before posting it to the Registry and clarifies that the validity of an advance directive or a revocation of an advance directive is not affected by posting or failing to post the advance directive to the Registry.

Sections 11 and 12 of this bill provide civil and criminal immunity for providers of health care and the Secretary of State, his deputies, employees and attorneys in connection with the Registry if they act in good faith.

Section 13 of this bill authorizes the Secretary of State to charge fees and accept contributions to establish and maintain the Registry. **Section 13 also requires the Secretary of State to determine at the beginning of each fiscal year whether sufficient money is available to fund one or more components of the programs and duties of the Secretary of State relating to sections 2-15 of this bill.**

CONSIDERATION OF SENATE AMENDMENTS

Assembly Bill No. 440.

The following Senate amendment was read:

Amendment No. 1064.

SUMMARY—Makes various changes concerning ~~[loans secured by a mortgage or other lien on residential real property.]~~ **financial transactions.** (BDR 52-879)

AN ACT relating to financial transactions; **revising consumer credit protections for members of the military; revising provisions governing civil actions brought against certain borrowers who engage in fraudulent conduct;** prohibiting a person from engaging in certain conduct with the intent to defraud a participant in a mortgage lending transaction; prohibiting certain conduct by a foreclosure consultant; providing an administrative penalty for certain conduct by a foreclosure consultant; providing a civil cause of action against a foreclosure consultant under certain circumstances; prohibiting a foreclosure purchaser from engaging in certain fraudulent conduct; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, it is an unfair lending practice for a lender to knowingly or intentionally make a home loan to a borrower based solely on the borrower's equity in the home property and without determining that the borrower has the ability to repay the home loan from income or other assets. (NRS 598D.100) Section 2 of this bill **revises this provision to remove the**

requirement that the lender based the home loan solely on the borrower's equity. Section 2 also clarifies that the provision applies to a low-document, no-document or stated-document home loan **, other than a reverse mortgage,** if the loan is made ~~[based solely on the borrower's equity in the property or]~~ without determining **, using any commercially reasonable means or mechanism,** the borrower's ability to repay the loan.

Existing federal law imposes limitations on the terms of consumer credit that is extended to members of the Armed Forces of the United States who are on active duty and their dependents, including, without limitation, a prohibition against a lender imposing an interest rate greater than 36 percent. The federal law preempts any state law that is inconsistent with the federal law. (Section 670 of the John Warner National Defense Authorization Act for Fiscal Year 2007, Public Law 109-364) Section 2.2 of this bill provides that any violation of the federal law shall be deemed to be a violation of chapter 604A of NRS, thereby making violators subject to the remedies and penalties set forth in that chapter, including the imposition of an administrative fine of not more than $10,000 for each violation, the revocation or suspension of a license issued pursuant to that chapter and civil actions for damages. (NRS 604A.820, 604A.930) Section 22 of this bill provides that any violation of the federal law shall be deemed to be a violation of chapter 675 of NRS, thereby making violators subject to the remedies and penalties set forth in that chapter, including the imposition of an administrative fine of not more than $10,000 for each violation and the revocation or suspension of a license issued pursuant to that chapter. (NRS 675.440)

Existing law authorizes parties to agree to any rate of interest on money due pursuant to a contract. (NRS 99.050) Section 2.9 of this bill provides an exception to this provision for agreements which are subject to the federal law discussed above which limits the interest rate on such agreements to 36 percent.

Existing law provides certain practices that must be followed by a person licensed to operate a check-cashing service, deferred deposit loan service, short-term loan service or title loan service pursuant to chapter 604A of NRS when dealing with a customer who is called to active duty in the military. (NRS 604A.420) Section 2.4 of this bill revises this list of practices and provides that the provision applies to any customer who is a member of the military. Section 23 of this bill sets forth a new provision which is identical to section 2.4 for persons who are licensed pursuant to chapter 675 of NRS to make loans.

Existing law provides remedies for a financial institution that relied on certain fraudulent conduct of a borrower who engaged in the conduct to obtain certain loans secured by a lien on real property. (NRS 40.750) Section 2.8 of this bill provides that these remedies are available to other lenders as well. Existing law authorizes a financial institution to commence an action against a borrower who engaged in such fraudulent

conduct within 3 years after discovering the fraudulent conduct. (NRS 11.190) Section 2.7 of this bill provides that this period of limitation applies to other lenders as well.

Section 3 of this bill establishes the crime of mortgage lending fraud, which is a category C felony. Section 3 also provides that a person who engages in a pattern of mortgage lending fraud is guilty of a category B felony. Furthermore, under section 3, if a lender ~~[commits]~~ **is convicted of** mortgage lending fraud, the borrower **in the transaction involving the mortgage lending fraud** may rescind the transaction within ~~[2 years]~~ **6 months** after the ~~[transaction has been completed.]~~ **date of the conviction.** Chapters 645B and 645E of NRS govern mortgage brokers and mortgage agents and mortgage bankers, respectively.

Sections 7-20 of this bill establish specific rights and duties concerning foreclosure consultants and foreclosure purchasers. Section 9 defines a foreclosure consultant as a person who promises to perform, for compensation, various services for a homeowner whose residence is in foreclosure that the foreclosure consultant represents will assist the homeowner to, for example, postpone or prevent a foreclosure sale, obtain an extension of time to repay his mortgage loan, obtain an alternative loan or mortgage, file documents with a bankruptcy court or repair the homeowner's credit after foreclosure. Section 16 prohibits a foreclosure consultant from claiming or receiving any compensation from a homeowner until after the consultant has fully performed all the services he promised to perform and prohibits other conduct relating to his compensation. Section 16 also prohibits a foreclosure consultant from acquiring any interest in the residence of the homeowner. Section 17 authorizes the Commissioner of Mortgage Lending to impose an administrative penalty of not more than $10,000 on a foreclosure consultant who violates any provision of section 16. Section 18 creates a civil cause of action against a foreclosure consultant for a homeowner who is injured as a result of a foreclosure consultant's violation of any provision of section 16. If the homeowner prevails in his action against the foreclosure consultant, the court may award him his actual damages, punitive damages of at least 1 1/2 times his actual damages, his attorney's fees and costs of bringing the action.

Section 10 of this bill defines a foreclosure purchaser as a person who engages in the business of acquiring residences that are in foreclosure from their owners. Section 19 of this bill provides that a foreclosure purchaser who engages in conduct that defrauds or deceives a homeowner whose residence is in foreclosure is guilty of a gross misdemeanor. Section 19.5 of this bill provides that if a foreclosure purchaser engages in conduct that defrauds or deceives a homeowner whose residence is in foreclosure, the homeowner may rescind the transaction in which the foreclosure purchaser acquired the residence of the homeowner. Section 19.5 further provides the procedures a homeowner must follow to rescind the transaction and prevents a homeowner

from rescinding a transaction if the foreclosure purchaser has transferred an interest in the property to a bona fide purchaser.

CONSIDERATION OF SENATE AMENDMENTS

Assembly Bill No. 462.
The following Senate amendment was read:
Amendment No. 808.
AN ACT relating to real property; excepting certain sales or leases of real property by governmental entities from requirements that the entities conduct appraisals of the real property before the sale or lease of the real property and that the entities sell or lease the real property by auction; authorizing a governmental entity to hold a public hearing in lieu of having a second appraisal conducted before the sale or lease of real property; requiring persons requesting to purchase real property from governmental entities by auction to deposit a certain amount of money to pay the costs incurred by the entity in acting upon the application; providing that a political subdivision may convey real property to the State without charge under certain circumstances; **revising provisions governing certain rentals or leases at county airports;** making various other changes relating to the sale and lease of real property by governmental entities; and providing other matters properly relating thereto.
Legislative Counsel's Digest:

Existing law requires the State Land Registrar, the board of county commissioners of each county, and the governing body of each incorporated city to obtain two independent appraisals of any real property when selling or leasing the property and to sell or lease the property upon sealed bids followed by oral offers. (NRS 244.2795, 244.281, 244.283, 268.059, 268.062, 321.007, 321.335) Sections 1, 3, 4, 6 and 7 of this bill amend that requirement to require that the State Land Registrar, each board of county commissioners and each city governing body, when selling or leasing real property: (1) obtain two independent appraisals of the property; or (2) obtain one independent appraisal of the property and hold a public hearing on the matter of the fair market value of the property. Sections 1-4 and 6-8 of this bill except property sold or leased to a public utility for a public purpose and property sold or leased to the State or another governmental entity from the requirement for an appraisal and to be sold or leased upon sealed bids followed by oral offers. Sections 1 and 2 of this bill except property leased pursuant to a contract entered into pursuant to chapter 333 of NRS from those requirements.

Existing law provides for the board of county commissioners of each county and the governing body of each incorporated city to sell real property by auction. (NRS 244.282, 268.062) Sections 5 and 8 of this bill require a person requesting to purchase real property from a county or city by auction to deposit with the board of commissioners or governing body an amount of money sufficient to pay the costs of the board of commissioners or governing body in acting upon the request.

Existing law authorizes the State to lease state land to certain nonprofit organizations or educational institutions for a reduced charge. (NRS 322.065) Sections 2.5 and 5.5 of this bill provide similar authority to the boards of county commissioners of counties and to the governing bodies of cities.

Existing law provides that a political subdivision may convey real property to another political subdivision or an Indian tribe without charge if the property is to be used for a public purpose. (NRS 277.053) Section 9.3 of this bill provides that a political subdivision may also convey real property to the State or an agency of the State without charge if the property is to be used for a public purpose.

Under existing law, the sale or lease of any portion of the property of a municipal airport is required to be made by public auction. (NRS 496.080) Section 9.7 of this bill provides that, in a county whose population is less than 50,000 (currently counties other than Clark and Washoe Counties, and Carson City), leases of property at a county airport are not subject to requirements relating to appraisal and public auction. **Section 10 of this bill exempts a board of county commissioners of a county whose population is 50,000 or more (currently Clark and Washoe Counties and Carson City) from the requirement of conducting a public auction for the rental or lease of space for the parking or storage of aircraft at an**

airport owned by the county but requires that such a rental or lease be made for fair market value, as determined by an independent appraisal.

Sections 1, 3, 4 and 6-9 of this bill provide additionally that if land or real property is sold or leased in violation of the provisions thereof, the sale or lease is void and any change to an ordinance or law governing the zoning or use of that land or real property is void if the change occurs within the 5-year period after the void sale or lease.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 321.007 is hereby amended to read as follows:

321.007 1. Except as otherwise provided in subsection 5, NRS 322.063, 322.065 or 322.075, except as otherwise required by federal law ***, except for land that is sold or leased to a public utility, as defined in NRS 704.020, to be used for a public purpose, except for land that is sold or leased to a state or local governmental entity, except for a lease which is part of a contract entered into pursuant to chapter 333 of NRS*** and except for land that is sold or leased pursuant to an agreement entered into pursuant to NRS 277.080 to 277.170, inclusive, when offering any land for sale or lease, the State Land Registrar shall:

(a) ~~[Obtain]~~ ***Except as otherwise provided in this paragraph, obtain*** two independent appraisals of the land before selling or leasing it. ***If the Interim Finance Committee grants its approval after discussion of the fair market value of the land, one independent appraisal of the land is sufficient before selling or leasing it.*** The ***appraisal or*** appraisals ***, as applicable,*** must have been prepared not more than 6 months before the date on which the land is offered for sale or lease.

(b) Notwithstanding the provisions of chapter 333 of NRS, select the ***one independent appraiser or*** two independent appraisers ***, as applicable,*** from the list of appraisers established pursuant to subsection 2.

(c) Verify the qualifications of each appraiser selected pursuant to paragraph (b). The determination of the State Land Registrar as to the qualifications of an appraiser is conclusive.

2. The State Land Registrar shall adopt regulations for the procedures for creating or amending a list of appraisers qualified to conduct appraisals of land offered for sale or lease by the State Land Registrar. The list must:

(a) Contain the names of all persons qualified to act as a general appraiser in the same county as the land that may be appraised; and

(b) Be organized at random and rotated from time to time.

3. An appraiser chosen pursuant to subsection 1 must provide a disclosure statement which includes, without limitation, all sources of income of the appraiser that may constitute a conflict of interest and any relationship of the appraiser with the owner of the land or the owner of an adjoining property.

4. An appraiser shall not perform an appraisal on any land offered for sale or lease by the State Land Registrar if the appraiser or a person related to the appraiser within the first degree of consanguinity or affinity has an interest in the land or an adjoining property.

5. If a lease of land is for residential property and the term of the lease is 1 year or less, the State Land Registrar shall obtain an analysis of the market value of similar rental properties prepared by a licensed real estate broker or salesman when offering such a property for lease.

6. If land is sold or leased in violation of the provisions of this section:

(a) The sale or lease is void; and

(b) Any change to an ordinance or law governing the zoning or use of the land is void if the change takes place within 5 years after the date of the void sale or lease.

Sec. 2. NRS 321.335 is hereby amended to read as follows:

321.335 1. Except as otherwise provided in NRS 321.125, 321.510, 322.063, 322.065 or 322.075, except as otherwise required by federal law ***, except for land that is sold or leased to a public utility, as defined in NRS 704.020, to be used for a public purpose, except for land that is sold or leased to a state or local governmental entity, except for a lease which is part of a contract entered into pursuant to chapter 333 of NRS*** and except for an agreement entered into pursuant to the provisions of NRS 277.080 to 277.170, inclusive, or a lease of residential property with a term of 1 year or less, after April 1, 1957, all sales or leases of any lands that the Division is required to hold pursuant to NRS 321.001, including lands subject to contracts of sale that have been forfeited, are governed by the provisions of this section.

2. Whenever the State Land Registrar deems it to be in the best interests of the State of Nevada that any lands owned by the State and not used or set apart for public purposes be sold or leased, he may, with the approval of the State Board of Examiners and the Interim Finance Committee, cause those lands to be sold or leased upon sealed bids, or oral offer after the opening of sealed bids for cash or pursuant to a contract of sale or lease, at a price not less than the highest appraised value for the lands plus the costs of appraisal and publication of notice of sale or lease.

3. Before offering any land for sale or lease, the State Land Registrar shall ~~[cause it to be appraised by competent appraisers selected pursuant to]~~ ***comply with the provisions of*** NRS 321.007.

4. After ~~[receipt of the report of the appraisers,]~~ ***complying with the provisions of NRS 321.007,*** the State Land Registrar shall cause a notice of sale or lease to be published once a week for 4 consecutive weeks in a newspaper of general circulation published in the county where the land to be sold or leased is situated, and in such other newspapers as he deems appropriate. If there is no newspaper published in the county where the land to be sold or leased is situated, the notice must be so published in a

newspaper published in this State having a general circulation in the county where the land is situated.

5. The notice must contain:

(a) A description of the land to be sold or leased;

(b) A statement of the terms of sale or lease;

(c) A statement that the land will be sold pursuant to subsection 6; and

(d) The place where the sealed bids will be accepted, the first and last days on which the sealed bids will be accepted, and the time when and place where the sealed bids will be opened and oral offers submitted pursuant to subsection 6 will be accepted.

6. At the time and place fixed in the notice published pursuant to subsection 4, all sealed bids which have been received must, in public session, be opened, examined and declared by the State Land Registrar. Of the proposals submitted which conform to all terms and conditions specified in the notice published pursuant to subsection 4 and which are made by responsible bidders, the bid which is the highest must be finally accepted, unless a higher oral offer is accepted or the State Land Registrar rejects all bids and offers. Before finally accepting any written bid, the State Land Registrar shall call for oral offers. If, upon the call for oral offers, any responsible person offers to buy or lease the land upon the terms and conditions specified in the notice, for a price exceeding by at least 5 percent the highest written bid, then the highest oral offer which is made by a responsible person must be finally accepted.

7. The State Land Registrar may reject any bid or oral offer to purchase or lease submitted pursuant to subsection 6, if he deems the bid or offer to be:

(a) Contrary to the public interest.

(b) For a lesser amount than is reasonable for the land involved.

(c) On lands which it may be more beneficial for the State to reserve.

(d) On lands which are requested by the State of Nevada or any department, agency or institution thereof.

8. Upon acceptance of any bid or oral offer and payment to the State Land Registrar in accordance with the terms of sale specified in the notice of sale, the State Land Registrar shall convey title by quitclaim or cause a patent to be issued as provided in NRS 321.320 and 321.330.

9. Upon acceptance of any bid or oral offer and payment to the State Land Registrar in accordance with the terms of lease specified in the notice of lease, the State Land Registrar shall enter into a lease agreement with the person submitting the accepted bid or oral offer pursuant to the terms of lease specified in the notice of lease.

10. The State Land Registrar may require any person requesting that state land be sold pursuant to the provisions of this section to deposit a sufficient amount of money to pay the costs to be incurred by the State Land Registrar in acting upon the application, including the costs of publication and the expenses of appraisal. This deposit must be refunded whenever the person making the deposit is not the successful bidder. The costs of acting

upon the application, including the costs of publication and the expenses of appraisal, must be borne by the successful bidder.

11. If land that is offered for sale or lease pursuant to this section is not sold or leased at the initial offering of the contract for the sale or lease of the land, the State Land Registrar may offer the land for sale or lease a second time pursuant to this section. If there is a material change relating to the title, zoning or an ordinance governing the use of the land, the State Land Registrar must ***, as applicable*** obtain a new appraisal ***or new appraisals*** of the land pursuant to the provisions of NRS 321.007 before offering the land for sale or lease a second time. If land that is offered for sale or lease pursuant to this section is not sold or leased at the second offering of the contract for the sale or lease of the land, the State Land Registrar may list the land for sale or lease at the appraised value with a licensed real estate broker, provided that the broker or a person related to the broker within the first degree of consanguinity or affinity does not have an interest in the land or an adjoining property.

Sec. 2.5. Chapter 244 of NRS is hereby amended by adding thereto a new section to read as follows:

2. To lease real property pursuant to this section, the board of county commissioners must approve the lease and establish the recommended amount of rent to be received for the real property. The board shall render a decision on an application to lease real property pursuant to this section within 60 days after it receives the application.

3. In determining the amount of rent for the lease of real property pursuant to this section, consideration must be given to:

(a) The amount the lessee is able to pay;

(c) Whether the service to be performed on the real property will be of assistance to any agency of the county; and

(d) The expenses, if any, that the county is likely to incur to lease real property pursuant to this section in comparison to other potential uses of the real property.

4. The board of county commissioners may waive any fee for the consideration of an application submitted pursuant to this section.

4. An appraiser shall not perform an appraisal on any real property for sale or lease by the board of county commissioners if the appraiser or a

5. If real property is sold or leased in violation of the provisions of this section:

(a) The sale or lease is void; and

Sec. 4. NRS 244.281 is hereby amended to read as follows:

244.281 Except as otherwise provided in this section and NRS 244.189, 244.276, 244.279, 244.2815, 244.2825, 244.284, 244.287, 244.290, ***section 2.5 of this act*** ~~[, and]~~ ***, NRS*** 278.479 to 278.4965, inclusive, ***and subsection 3 of NRS 496.080,*** except as otherwise required by federal law, except as otherwise required pursuant to a cooperative agreement entered into pursuant to NRS 277.050 or 277.053 or an interlocal agreement in existence on or before October 1, 2004, except if the board of county commissioners is entering into a joint development agreement for real property owned by the county to which the board of county commissioners is a party, except for a lease of residential property with a term of 1 year or less ***, except for the sale or lease of real property to a public utility, as defined in NRS 704.020, to be used for a public purpose*** and except for the sale or lease of real property larger than 1 acre which is approved by the voters at a primary or general election or special election:

MOTIONS, RESOLUTIONS AND NOTICES

Assemblyman Oceguera moved that Senate Bill No. 490 be taken from the Chief Clerk's desk and placed on the General File.

Motion carried.

GENERAL FILE AND THIRD READING

Senate Bill No. 490.

Bill read third time.

The following amendment was proposed by Assemblyman Conklin:

Amendment No. 1123.

AN ACT relating to the Legislature; revising provisions governing bill draft requests authorized for various requesters; revising provisions governing the prefiling, reprinting and transmittal of bills and resolutions; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law specifies the number of bill drafts various entities may request the Legislative Counsel to prepare. (NRS 218.240-218.255) Sections

~~[1, 7 and 13]~~ **3-9 and 15** of this bill revise those provisions to limit the number of measures that may be requested by most nonlegislative requesters and increasing the number of measures that may be requested by **certain** Legislators **.** ~~[and chairs of legislative committees.]~~ Sections ~~[6 and 8]~~ **3, 4 and 8-10** of this bill require that certain measures requested on behalf of ~~[Executive Branch officers]~~ **nonlegislative requesters** be prefiled on or before December 15 preceding session.

Section ~~[7]~~ **9** of this bill also removes the provision that requires all bill drafts requested by the Supreme Court to be delivered to the Chairman of the Committee on Judiciary of each House.

Under existing law, when a prefiled bill or joint resolution is printed it must contain the standing committee to which the bill or joint resolution is proposed to be referred. The appropriate standing committee must be determined pursuant to the rules or recommendations for the referral of bills and joint resolutions adopted by the appropriate House during the preceding regular session of the Legislature. (NRS 218.278) Section ~~[9]~~ **11** of this bill removes the specified method for determining the appropriate standing committee.

Section ~~[14]~~ **16** of this bill provides that sections ~~[1-8 and 13]~~ **3-10 and 15** of this bill expire by limitation on June 30, ~~[2009.]~~ **2011.**

Under existing law, when a bill is amended it must be reprinted unless two-thirds of the members present vote to dispense with the reprinting of the bill. Existing law limits the circumstances under which such a vote may be taken to only those cases involving bills over 32 pages in length, amendments to the titles and preambles of bills, amendments to correct typographical errors, and other amendments which do not change the meaning, intent or significance of a bill. (NRS 218.320, 218.330) Sections ~~[10 and 11]~~ **12 and 13** of this bill remove such limiting circumstances.

Under existing law, when a bill or resolution is passed by both Houses it must be immediately transmitted by the Secretary of the Senate or the Chief Clerk of the Assembly to the Legislative Counsel to be enrolled. (NRS 218.340) Section ~~[12]~~ **14** of this bill revises that requirement by providing that the bill or resolution must be transmitted to the Legislative Counsel upon adjournment.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1**.** ~~[NRS 218.2405 is hereby amended to read as follows:~~

~~(b) As soon as an agency or officer of the Executive Branch of the State Government has requested 10 legislative measures for any session, the Legislative Counsel may request the agency or officer to designate the priority for each succeeding request.~~

~~[(c) Not later than 2 weeks before the commencement of a regular session of the Legislature, any county, school district or city which has requested the preparation of more than one legislative measure for that session shall submit to the Legislative Counsel a list which designates the order of priority for each request.]~~

~~3. Assembly Bill No. 483.

Bill read third time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 1119.

AN ACT relating to civil actions; increasing the amount of the homestead exemption; providing that certain property of a judgment debtor is exempt from execution; increasing the amount of damages that may be awarded in certain tort actions brought against a governmental entity or its officers or employees; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that, with certain exceptions, in a civil action in which damages were awarded, the prevailing party in the action may obtain a writ of execution to enforce the judgment at any time before the judgment expires. (NRS 21.010) Existing law exempts certain property from such a writ of execution up to a specified monetary value. (NRS 21.090) In addition, existing law protects from a forced sale up to $350,000 in equity of certain property which is designated as a homestead by a person, except in certain circumstances. (NRS 115.005, 115.010)

Sections 2, 4 and 5 of this bill increase the amount of equity protected in homestead property from $350,000 to ~~[$450,000.]~~ **$550,000.** Section 2 also expands the list of the property of a judgment debtor that is exempt from execution to include: (1) certain personal property not to exceed $1,000 in total value; ~~[and]~~ (2) any tax refund the judgment debtor receives because of the federal earned income credit or any similar credit under a state law ~~[.]~~ **; and (3) all money reasonably deposited with a landlord by the judgment debtor to secure an agreement to rent or lease a dwelling that is used as the judgment debtor's primary residence in certain circumstances.** (NRS 21.090) Sections 1 and 3 of this bill add those new exemptions to the list of exemptions provided in certain notices of execution. (NRS 21.075, 31.045) Sections 1 and 3 also revise the contents of a notice of writ of execution and a notice of writ of attachment to reflect the changes in the homestead exemption included in this bill.

Section ~~[3.5]~~ **3.3** of this bill increases the limitation on the amount of damages that may be awarded in a tort action brought against a governmental entity or its officers or employees from $50,000 to ~~[$100,000.]~~ **$75,000.** (NRS 41.035) **Section 6 provides that this increase becomes effective on October 1, 2007, and expires by limitation on October 1, 2011. Section 3.5 of this bill increases that limitation on the amount of damages to $100,000 effective on October 1, 2011.**

115.010 1. The homestead is not subject to forced sale on execution or any final process from any court, except as otherwise provided by subsections 2, 3 and 5, and NRS 115.090 and except as otherwise required by federal law.

2. The exemption provided in subsection 1 extends only to that amount of equity in the property held by the claimant which does not exceed ~~[$350,000]~~ ~~*[$450,000]*~~ ***$550,000*** in value, unless allodial title has been established and not relinquished, in which case the exemption provided in subsection 1 extends to all equity in the dwelling, its appurtenances and the land on which it is located.

3. (a) Any mortgage or deed of trust thereon; and

(b) Any lien even if prior consent has been given through the acceptance of property subject to any recorded declaration of restrictions, deed restriction, restrictive covenant or equitable servitude, specifically including any lien in favor of an association pursuant to NRS 116.3116 or 117.070,

➥ unless a waiver for the specific obligation to which the judgment relates has been executed by all allodial titleholders of the property.

5. Establishment of allodial title does not exempt the property from forfeiture pursuant to NRS 179.1156 to 179.119, inclusive, or 207.350 to 207.520, inclusive.

6. Any declaration of homestead which has been filed before July 1, ~~[2005,]~~ ***2007,*** shall be deemed to have been amended on that date by extending the homestead exemption commensurate with any increase in the amount of equity held by the claimant in the property selected and claimed for the exemption up to the amount permitted by law on that date, but the increase does not impair the right of any creditor to execute upon the property when that right existed before July 1, ~~[2005.]~~ ***2007.***

Sec. 5. NRS 115.050 is hereby amended to read as follows:

115.050 1. 2. If it appears, upon the report, to the satisfaction of the judge that the property can be thus divided, he shall order the excess to be sold under execution. If it appears that the property cannot be thus divided, and the amount of equity held by the claimant in the property exceeds the exemption allowed by this chapter, he shall order the entire property to be sold, and out of the proceeds the sum of ~~[$350,000]~~ ~~*[$450,000]*~~ ***$550,000*** to be paid to the defendant in execution, and the excess to be applied to the satisfaction on the execution. No bid under ~~[$350,000]~~ ~~*[$450,000]*~~ ***$550,000*** may be received by the officer making the sale.

3. When the execution is against a husband or wife, the judge may direct the ~~[$350,000]~~ ~~*[$450,000]*~~ ***$550,000*** to be deposited in court, to be paid out only upon the joint receipt of the husband and wife, and the deposit possesses all the protection against legal process and voluntary disposition by either spouse as did the original homestead.

657.140 1. Except as otherwise provided in subsection 2, a financial institution shall not include in any loan agreement a provision that allows the financial institution to recover, take, appropriate or otherwise apply as a setoff against any debt or liability owing to the financial institution under the loan agreement money from an account unrelated to the loan agreement to the extent the money is exempt from execution pursuant to paragraph ~~[(x)]~~ ***(y)*** of subsection 1 of NRS 21.090.

OFFICE OF THE GOVERNOR

May 31, 2007

THE HONORABLE BARBARA BUCKLEY, *Speaker of the Assembly*, LEGISLATIVE BUILDING, 401 South Carson Street, Carson City, Nevada 89701

RE: Assembly Bill No. 230 of the 74th Legislative Session

DEAR SPEAKER BUCKLEY:

I am herewith forwarding to you, for filing within the constitutional time limit and without my approval, Assembly Bill 230, which is entitled:

> AN ACT relating to justice courts; expanding the jurisdiction of justice courts in criminal cases in which an arrest was made by a field

agent or an inspector of the State Department of Agriculture; and providing other matters properly relating thereto.

This bill would expand the jurisdiction of justice courts with respect to arrests made by field agents and inspectors of the Department of Agriculture. Such jurisdiction would be equivalent to the jurisdiction granted to arrests made by the Nevada Highway Patrol. There is simply no compelling need to put arrests by the Department of Agriculture on an equivalent jurisdictional level as arrests made by the Nevada Highway Patrol. This bill would allow officers of the Department of Agriculture to choose the county where prosecutions would occur, even if that county is not the county where the violation occurred. For purposes of arrests made by the Department of Agriculture, the justice court in the county where the arrest was made should be able to adequately process that arrest through its own judicial system.

For all of these reasons, I hereby exercise my constitutional grant of authority and veto Assembly Bill 230.

Sincerely,
JIM GIBBONS
Governor

Bill read.

The question was put: "Shall the bill pass, notwithstanding the objections of the Governor?"

Remarks by Assemblyman Anderson.

The roll was called, and the Assembly sustained the veto of the Governor by the following vote:

YEAS—None.

NAYS—Allen, Anderson, Arberry, Atkinson, Beers, Bobzien, Buckley, Carpenter, Christensen, Claborn, Conklin, Denis, Gansert, Gerhardt, Goedhart, Goicoechea, Hardy, Hogan, Horne, Kihuen, Kirkpatrick, Koivisto, Leslie, Mabey, Manendo, Marvel, McClain, Munford, Oceguera, Ohrenschall, Parks, Parnell, Pierce, Segerblom, Settelmeyer, Smith, Stewart, Weber, Womack—39.

EXCUSED—Cobb, Grady, Mortenson—3.

Assembly Bill No. 230 having failed to receive a two-thirds constitutional majority, Madam Speaker declared it lost.

Vetoed Assembly Bill No. 326 of the 74th Session.

Governor's message stating his objections read.

OFFICE OF THE GOVERNOR

June 2, 2007

THE HONORABLE BARBARA BUCKLEY, *Speaker of the Assembly*, LEGISLATIVE BUILDING, 401 South Carson Street, Carson City, Nevada 89701

RE: Assembly Bill No. 326 of the 74th Session

DEAR SPEAKER BUCKLEY:

I am herewith forwarding to you, for filing within the constitutional time limit and without my approval, Assembly Bill 326, which is entitled:

AN ACT relating to construction; requiring the State Public Works Board to compile a list regarding buildings owned by the State that are constructed of unreinforced masonry; requiring certain local governments to compile a list of certain buildings constructed of unreinforced masonry that are owned by the local government or located within its jurisdiction; and providing other matters properly relating thereto.

This bill would require state governments to compile a list of all state-owned unreinforced masonry buildings. This bill would also require local governments to compile lists of all publicly

and privately owned unreinforced masonry buildings in each county, and to notify the owners of any privately owned unreinforced masonry buildings of the inclusion of that building on the list. To compile such a list would necessarily require an exhaustive review of both public and private structures throughout every city and county. The fiscal impact of this bill on local governments would be detrimental and would outweigh any benefits of the bill, particularly due to the requirement that private structures be included on the list.

For all of these reasons, I hereby exercise my constitutional grant of authority and veto Assembly Bill 326.

Sincerely,
JIM GIBBONS
Governor

Bill read.

Conference Amendment No. CA7.

AN ACT relating to public works; authorizing a public body to contract with a construction manager at risk for the preconstruction and construction of a public work; setting forth the method for selecting a construction manager at risk; authorizing a public body to hire a construction manager as agent to assist the public body in overseeing the construction of a public work; requiring local governments to conduct a constructability review under certain circumstances before constructing certain public works; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Sections 2-12 of this bill authorize a public body to enter into contracts with a construction manager at risk for the preconstruction and construction of a public work and provide the method for selecting a construction manager at risk. Under the construction manager at risk method for constructing a public work, a public body may enter into a contract for a negotiated price with a construction manager at risk to provide preconstruction services for the public work that include, without limitation, design support, construction estimating, value and system analysis and scheduling. After the public body has obtained the final design for the public work, the public body and the construction manager at risk are required to attempt to negotiate a contract for the construction manager at risk to construct the public work. If the public body and the construction manager at risk enter into such a contract, the contract must be for: (1) a guaranteed maximum price including the cost of the work plus a fee; (2) a fixed price; or (3) a fixed price plus reimbursement for overhead and other costs and expenses related to the construction of the public work.

Section 14 of this bill requires a local government or its authorized representative to conduct a constructability review to determine if the plans and specifications for a public work are complete and contain all necessary information, if: (1) such plans and specifications are to be used for the first time on a public work; and (2) such plans and specifications are for a public work that has an estimated cost which exceeds $10,000,000. This review must be performed by an architect registered pursuant to chapter 623 of NRS, a contractor licensed pursuant to chapter 624 of NRS or a professional engineer licensed pursuant to chapter 625 of NRS.

Sections 13 and 21 of this bill authorize a public body to employ a construction manager as agent to assist the public body in overseeing the construction of a public work. A construction manager as agent assists in the planning, scheduling and management of a public work without assuming

any responsibility for the cost, quality or timely completion of the construction of the public work. A construction manager as agent is prohibited from taking part in the design or construction of the public work.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Conference Amendment No. CA10.

AN ACT relating to public financial administration; providing the rate of interest to be paid on overpayments of taxes on real or personal property; making various changes to other provisions governing taxes on real or personal property; making various changes concerning certain agreements and claims regarding unclaimed property held by a county treasurer; revising provisions governing calculation of the interest that a public body must pay to a contractor on amounts withheld from progress payments on public works; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, unless a specific statute provides otherwise, a taxpayer is entitled to interest on an overpayment of taxes at a rate equal to the prime rate plus 2 percent. (NRS 360.2935) Section 2 of this bill provides that the rate of interest to be paid on overpayments of real or personal property taxes is 0.5 percent per month.

~~[Section 3 of this bill requires that a person who enters into certain agreements to locate, deliver, recover or assist in the recovery of any remaining excess proceeds of a sale by a county treasurer of real property for which delinquent property taxes have not been paid must be licensed as a private investigator in this State.]~~

Under existing law, a taxpayer who wishes to have certain determinations concerning partial abatements from taxation reviewed must submit a written petition to the county tax receiver. (NRS 361.4734) Section 4 of this bill requires such a petition to be submitted to the county assessor instead of the tax receiver.

Under existing law, small overpayments or deficiencies of personal property taxes do not have to be refunded to or collected from a taxpayer. (NRS 361.485) Section 5 of this bill provides similar treatment for overpayments or deficiencies of real property taxes.

Section 6 of this bill provides a county and its officers and employees with immunity from liability for failure to provide actual notice of delinquent taxes in accordance with NRS 361.5648 under certain circumstances.

Existing law requires the tax receiver of a county to issue to the county treasurer each year a trustee's certificate which describes each property on

which delinquent taxes have not been paid. (NRS 361.570) Section 7 of this bill requires that the certificate include not just taxes, but also penalties, interest and costs that have not been paid.

Existing law authorizes certain reconveyances of property held in trust by a county treasurer on which delinquent taxes have not been paid. (NRS 361.585) Section 8 of this bill revises the categories of persons to whom such a reconveyance may be made and repeals the requirements for an agreement to locate, deliver, recover or assist in the recovery of such property.

Section 11 of this bill eliminates the requirement in NRS 361.605 that a county treasurer file with the county auditor a monthly statement of the amount of property sold and rents collected from property that the county treasurer is holding in trust for nonpayment of taxes.

Existing law provides for the disposition of the proceeds of a sale by a county treasurer of real property on which delinquent taxes have not been paid. (NRS 361.610) Section 12 of this bill establishes a procedure to recover any excess proceeds from such a sale and sets forth certain requirements for an agreement to locate, deliver, recover or assist in the recovery of such excess proceeds. Section 12 also provides that certain persons who are entitled to recover property from the county treasurer may authorize a person pursuant to a power of attorney, assignment or other legal instrument to file a claim and collect from the county treasurer any money owed to him, and provides immunity for a county for any losses resulting from the approval of such a claim if the claim is paid by the county treasurer in accordance with the provisions of the legal instrument.

Section 15 of this bill revises the method set forth in NRS 338.515 to calculate the interest that a public body must pay to a contractor on amounts withheld from progress payments on public works.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 361 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 and 3 of this act.

Sec. 2. ***1. Except as otherwise provided in subsection 2 and NRS 361.485, interest must be paid on an overpayment of the taxes imposed by this chapter at the rate of 0.5 percent per month, or fraction thereof, from the last day of the calendar month in which the overpayment was made to the last day of the calendar month in which a refund is made.***

2. No interest is allowed:

(a) On a refund of any penalty or interest paid by a taxpayer; or

~~*of this chapter, including a person who files a claim for recovery of the remaining excess proceeds on behalf of any person described in subsection 4 of NRS 361.585, must be licensed as a private investigator pursuant to chapter 648 of NRS.*~~

~~*2. Any person who, pursuant to an agreement described in subsection 10 of NRS 361.610, files a claim for recovery of any remaining excess proceeds pursuant to NRS 361.610 must submit proof of compliance with the provisions of subsection 1 when he files the claim with the county treasurer. The county treasurer shall not accept a claim for recovery of the remaining excess proceeds without proof of compliance.]*~~ **(Deleted by amendment.)**

All interest paid on money deposited in the county treasury pursuant to this paragraph is the property of the county.

(b) Results in a deficiency that is $5 or less than the amount due, the ex officio tax receiver may exempt the amount of the deficiency from collection.

8. If the deed when regularly issued is not recorded in the office of the county recorder, the deed, and all proceedings relating thereto, is void as against any subsequent purchaser in good faith and for a valuable consideration of the same property, or any portion thereof, when his own conveyance is first recorded.

The board of county commissioners shall provide its clerk with a record book in which must be indexed the name of each purchaser, together with the date of sale, a description of the property sold, a reference to the book and page of the minutes of the board of county commissioners where the order of sale is recorded, and the file number of the affidavits and return.

THE ONE HUNDRED AND NINETEENTH DAY

CARSON CITY (Sunday), June 3, 2007

Assembly called to order at 11:13 a.m.

Madam Speaker presiding.

Roll called.

All present.

Prayer by the Chaplain, Terry Sullivan.

Let us pray. Lord, we have several requests of You in these last hours of this 74th Session of the Legislature. First, let us thank You for the experience and great efficiency put forth here by our leadership and front desk staff. This chamber has never run so smoothly.

We ask, if it be Your will, that whoever here is headed home to "get horseback" and that all our horses be topped off. If You cannot see Your way to do that, then perhaps you would give us a soft place to land should we happen to get bucked off. And speaking of soft ground, we ask, too, that those folks who might be going camping or on vacations that take them to motels and such, that they also have a soft place to lie about, whether it be on the ground or in bed. We are just asking for a little comfort after this arduous journey. Lord, we would not mind it at all if the *cocinero* back home learned some new recipes—a change of food when we got there wouldn't hurt any of us. But mostly, Lord, we ask that You send us all home safely so we can once again get back to our regular lives. We end by thanking You for the knowledge You provided this body to make the lives of all of us who live in this great State of Nevada better off and because of the work that You allowed to be accomplished here.

We ask these things in Whose Name we pray.

AMEN.

Pledge of allegiance to the Flag.

Remarks by Assemblyman Anderson.

Bill ordered transmitted to the Senate.

Assembly Bill No. 161.

The following Senate amendment was read:

Amendment No. 990.

AN ACT relating to insurance; making various changes relating to persons licensed or regulated by the Commissioner of Insurance; **authorizing the Commissioner to conduct certain investigations;** increasing the maximum annual assessment on member insurers of the Nevada Life and Health Insurance Guaranty Association; revising provisions governing policies of various types of insurance; revising reporting requirements for an insurer that issues a policy of insurance covering the liability of a physician or osteopathic physician; making certain provisions applicable to title insurers, title agents and escrow officers; requiring a motor club to pay an administrative penalty for failing to pay an annual fee to the Commissioner timely; revising provisions governing claims against an insolvent insurer; making certain provisions applicable to licensed bail agents, bail solicitors, bail enforcement agents and general agents; repealing the requirement that a trustee of a medical savings account file an annual report with the Commissioner; increasing the number of deputies that the Commissioner may appoint; **revising various provisions governing industrial insurance;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the Commissioner of Insurance is authorized to conduct examinations of insurers and certain other persons. (NRS 679B.230-679B.300) Section 1 of this bill authorizes the Commissioner to conduct investigations, both within and outside this State, of insurers and certain other persons.

Existing law establishes certain requirements for business organizations to be licensed as producers of insurance. (NRS 683A.251) Sections 1.3 and 2 of this bill require such a business organization to report to the Commissioner ~~[of Insurance]~~ when another producer of insurance is authorized to act on its behalf and when such authorization is terminated.

Under existing law, insurers are required to be members of the Nevada Life and Health Insurance Guaranty Association. Member insurers are required to pay an annual assessment to the Association. (NRS 686C.240) Section 7 of this bill increases the maximum amount of such an assessment.

Existing law requires that an insurer which issues a policy covering the liability of a physician or osteopathic physician file a report with the Commissioner whenever a claim on the policy is closed. (NRS 690B.260) Section 16 of this bill changes the filing requirement to require that such a

report be filed at the end of each calendar quarter on all claims closed during that quarter.

Existing law requires captive insurers to maintain certain levels of unimpaired paid-in capital and unencumbered surplus. (NRS 694C.250, 694C.260) Additionally, certain captive insurers are required to submit to the Commissioner an annual report on their financial condition. Section 19 of this bill increases the required levels of such capital and surplus. Section 23 of this bill applies the reporting requirement of captive insurers to sponsored captive insurers.

Existing law governs the filing of claims against an insurer against which delinquency proceedings have begun. Currently, claims are filed with the receiver and a court determines the validity of the claim. (NRS 696B.330) Existing law establishes classes for the order of priority for distribution of the assets of an insurer to claimants against the insurer. (NRS 696B.420) Section 27 of this bill requires the receiver to determine the validity of a claim and to determine the priority of the claim. If a person objects to the determination of the receiver, the determination may be appealed to a court.

Existing law defines "tangible net worth" for the purposes of industrial insurance to include all assets of an association of self-insured private employers or of a member of such an association, but excepts a number of assets from the definition. (NRS 616A.330) Section 29 of this bill removes most of the exceptions.

Existing law authorizes the Commissioner to appoint two deputies. Section 31 of this bill authorizes the Commissioner to appoint one additional deputy.

Existing law requires a trustee of a medical savings account to file an annual report with the Commissioner. (NRS 689A.735) Section 32 of this bill repeals that requirement.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. **Chapter 679B of NRS is hereby amended by adding thereto a new section to read as follows:**

1. The Commissioner may conduct investigations to determine whether any insurer or person identified in NRS 679B.230 or 679B.240 has violated any provision of this Code.

2. The Commissioner may:

(a) Use employees of the Division as investigators; or

Sec. 29.7. **NRS 616B.300 is hereby amended to read as follows:**

616B.300 1. An employer may qualify as a self-insured employer by establishing to the satisfaction of the Commissioner that the employer has sufficient administrative and financial resources to make certain the prompt payment of all compensation under chapters 616A to 616D, inclusive, or chapter 617 of NRS. ***For the purposes of this subsection, an employer has sufficient financial resources if the employer has:***

(a) A tangible net worth of not less than $2,500,000, as evidenced by a statement of tangible net worth provided to the Division of Insurance of the

Department of Business and Industry by an independent certified public accountant; or

(b) Net cash flows from operating activities plus net cash flows from financing activities of five times the average of claims paid for each of the last 3 years or $7,500,000, whichever is less.

2. A self-insured employer must, in addition to establishing financial ability to pay, deposit with the Commissioner a bond executed by the employer as principal, and by a corporation qualified under the laws of this State as surety, payable to the State of Nevada, and conditioned upon the payment of compensation for injuries and occupational diseases to employees. The bond must be in an amount reasonably sufficient to ensure payment of compensation, but in no event may it be less than 105 percent of the employer's expected annual incurred cost of claims, or less than $100,000. In arriving at an amount for the expected annual cost of claims, due consideration must be given to the past and prospective experience of the employer with losses and expenses within this State, to the hazard of catastrophic loss, to other contingencies, and to trends within the State. In arriving at the amount of the deposit required, the Commissioner may consider the nature of the employer's business, the financial ability of the employer to pay compensation and his probable continuity of operation.

3. In lieu of a bond the employer may deposit with the Commissioner a like amount of lawful money of the United States or any other form of security authorized by NRS 100.065. If security is provided in the form of a savings certificate, certificate of deposit or investment certificate, the certificate must state that the amount is unavailable for withdrawal except upon order of the Commissioner.

4. The required deposit may be increased or decreased by the Commissioner in accordance with chapter 681B of NRS and his regulations for loss reserves in casualty insurance. If the Commissioner requires an employer to increase his deposit, the Commissioner may specify the form of the additional security. The employer shall comply with such a requirement within 60 days after receiving notice from the Commissioner.

5. The Commissioner shall require the self-insured employer to submit evidence of excess insurance to provide protection against a catastrophic loss. The excess insurance must be written by an insurer authorized to do business in this State. The Commissioner shall consider the excess insurance coverage as a basis for a reduction in the deposit required of an employer.

6. The Account for Self-Insured Employers is hereby created in the State Agency Fund for Bonds. All money received by the Commissioner pursuant to this section must be deposited with the State Treasurer to the credit of the Account for Self-Insured Employers. All claims against this Account must be paid as other claims against the State are paid.

Sec. 29.8. **NRS 616B.353 is hereby amended to read as follows:**

616B.353 1. An association of self-insured public or private employers shall:

(a) Execute an indemnity agreement jointly and severally binding the association and each member of the association to secure the payment of all compensation due pursuant to chapters 616A to 617, inclusive, of NRS. The indemnity agreement must be in a form prescribed by the Commissioner. An association may add provisions to the indemnity agreement if they are first approved by the Commissioner.

(b) Except as otherwise provided in this subsection, maintain a policy of specific and aggregate excess insurance in a form and amount required by the Commissioner. The excess insurance must be written by an insurer approved by
the Commissioner. To determine the amount of excess insurance required, the Commissioner shall consider:

(1) The number of members in the association;

(2) If the association is an association of self-insured public employers, the types of governmental services provided by the members of the association;

(3) If the association is an association of self-insured private employers, the classifications of employment of the members of the association;

(4) The number of years the association has been in existence; and

(5) Such other information as the Commissioner deems necessary.

➥ Nothing in this paragraph prohibits an association from purchasing secondary excess insurance in addition to the excess insurance required by this paragraph.

(c) Collect an annual assessment from each member of the association in an aggregate amount of at least $250,000 or in an aggregate amount which the Commissioner determines is satisfactory based on an annual review conducted by him of the actuarial solvency of the association.

(d) Except as otherwise provided in paragraph (e), deposit as security with the Commissioner a bond executed by the association as principal, and by a licensed surety, payable to the State of Nevada, and conditioned upon the payment of compensation for injuries and occupational diseases to their employees. The bond must be in an amount determined by the Commissioner to be reasonably sufficient to ensure payment of such compensation, but in no event may it be less than $100,000.

(e) In lieu of a bond, deposit with the Commissioner a like amount of lawful money of the United States or any other form of security authorized by NRS 100.065. If security is provided in the form of a savings certificate, certificate of deposit or investment certificate, the certificate must state that the amount is unavailable for withdrawal except upon order of the Commissioner.

2. Except as otherwise provided in subsection 3, in addition to complying with the requirements of subsection 1, an association of self-insured private employers shall maintain ~~[a]~~ ***either:***

(a) A combined tangible net worth of all members in the association of at least $2,500,000 ~~[.]~~ ***, as evidenced by a statement of tangible net worth***

(b) Combined net cash flows from operating activities plus net cash flows from financing activities of all members in the association of five times the average of claims paid for each of the last 3 years or $7,500,000, whichever is less.

3. In lieu of complying with the requirements of subsection 2, the association's administrator shall ensure that a solvency bond, in a form prescribed by the Commissioner and in an aggregate amount of at least $2,500,000, is deposited with the Commissioner by the association or members of the association on behalf of the association.

4. The association's administrator shall deposit with the Commissioner a bond executed by the association's administrator as principal, and by a licensed surety, payable to the State of Nevada, and conditioned upon the faithful performance of his duties. The bond must be in an amount determined by the Commissioner.

5. Any third-party administrator providing claims services for the association shall deposit with the Commissioner a bond executed by the third-party administrator as principal, and by a licensed surety, payable to the State of Nevada, and conditioned upon the faithful performance of its duties. The bond must be in an amount determined by the Commissioner.

6. The Commissioner may increase or decrease the amount of any bond or money required to be deposited by this section in accordance with chapter 681B of NRS and his regulations for loss reserves in casualty insurance. If the Commissioner requires an association, association's administrator or third-party administrator to increase its deposit, the Commissioner may specify the form of the additional security. The association, association's administrator or third-party administrator shall comply with such a requirement within 60 days after receiving notice from the Commissioner.

7. The Account for Associations of Self-Insured Public and Private Employers is hereby created in the State Agency Fund for Bonds. All money received by the Commissioner pursuant to this section must be deposited with the State Treasurer to the credit of the Account. All claims against this Account must be paid as other claims against the State are paid.

The following Senate amendment was read:

Amendment No. 1111.

AN ACT relating to insurance; making various changes relating to persons licensed or regulated by the Commissioner of Insurance; ~~[authorizing the Commissioner to conduct certain investigations;]~~ increasing the maximum annual assessment on member insurers of the Nevada Life and Health Insurance Guaranty Association; revising provisions governing policies of various types of insurance; revising reporting requirements for an insurer that issues a policy of insurance covering the liability of a physician or

osteopathic physician; making certain provisions applicable to title insurers, title agents and escrow officers; requiring a motor club to pay an administrative penalty for failing to pay an annual fee to the Commissioner timely; revising provisions governing claims against an insolvent insurer; making certain provisions applicable to licensed bail agents, bail solicitors, bail enforcement agents and general agents; repealing the requirement that a trustee of a medical savings account file an annual report with the Commissioner; increasing the number of deputies that the Commissioner may appoint; revising various provisions governing industrial insurance; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Under existing law, the Commissioner of Insurance is authorized to conduct examinations of insurers and certain other persons. (NRS 679B.230-679B.300) Section 1 of this bill authorizes the Commissioner to conduct investigations, both within and outside this State, of insurers and certain other persons.]~~

Existing law establishes certain requirements for business organizations to be licensed as producers of insurance. (NRS 683A.251) Sections 1.3 and 2 of this bill require such a business organization to report to the Commissioner **of Insurance** when another producer of insurance is authorized to act on its behalf and when such authorization is terminated.

Under existing law, insurers are required to be members of the Nevada Life and Health Insurance Guaranty Association. Member insurers are required to pay an annual assessment to the Association. (NRS 686C.240) Section 7 of this bill increases the maximum amount of such an assessment.

Existing law requires that an insurer which issues a policy covering the liability of a physician or osteopathic physician file a report with the Commissioner whenever a claim on the policy is closed. (NRS 690B.260) Section 16 of this bill changes the filing requirement to require that such a report be filed at the end of each calendar quarter on all claims closed during that quarter.

Existing law requires captive insurers to maintain certain levels of unimpaired paid-in capital and unencumbered surplus. (NRS 694C.250, 694C.260) Additionally, certain captive insurers are required to submit to the Commissioner an annual report on their financial condition. Section 19 of this bill increases the required levels of such capital and surplus. Section 23 of this bill applies the reporting requirement of captive insurers to sponsored captive insurers.

Existing law governs the filing of claims against an insurer against which delinquency proceedings have begun. Currently, claims are filed with the receiver and a court determines the validity of the claim. (NRS 696B.330) Existing law establishes classes for the order of priority for distribution of the assets of an insurer to claimants against the insurer. (NRS 696B.420) Section 27 of this bill requires the receiver to determine the validity of a claim and to

determine the priority of the claim. If a person objects to the determination of the receiver, the determination may be appealed to a court.

Existing law defines "tangible net worth" for the purposes of industrial insurance to include all assets of an association of self-insured private employers or of a member of such an association, but excepts a number of assets from the definition. (NRS 616A.330) Section 29 of this bill removes most of the exceptions.

Existing law provides that an employee leasing company shall be deemed to be the employer of its leased employees for the purposes of sponsoring and maintaining any benefit plans. (NRS 616B.691) Section 30.8 of this bill clarifies that such a company shall be deemed to be the employer for the purposes of the Employee Retirement Income Security Act of 1974 (ERISA). Section 30.8 also clarifies the prohibition against such a company offering a self-funded industrial insurance program.

Existing law authorizes the Commissioner to appoint two deputies. Section 31 of this bill authorizes the Commissioner to appoint one additional deputy.

Existing law requires a trustee of a medical savings account to file an annual report with the Commissioner. (NRS 689A.735) Section 32 of this bill repeals that requirement.

Chapter 616B of NRS governs providers of industrial insurance. Under existing law, certain employers and associations of employers may qualify as self-insurers. (NRS 616B.300, 616B.353, 616B.386) Section 29.5 of this bill requires associations of self-insured public and private employees to provide to members certain information regarding claims at the request of the member. Sections 29.7, 29.8 and 30 of this bill provide specific fiscal requirements for qualification as a self-insured employer or an association of self-insured public or private employers.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. ~~[Chapter 679B of NRS is hereby amended by adding thereto a new section to read as follows:~~

~~*6. The expenses of an investigation conducted pursuant to this section must be borne by the person investigated in the same manner as provided for examinations in NRS 679B.290.*~~

~~*7. The expenses paid by a person investigated pursuant to this section must be deposited in the State Treasury for credit to the Insurance Examination Fund created by NRS 679B.300, accounted for separately and used for the payment of investigation expenses. Payment of the expenses of an investigation pursuant to this section must be paid out of the Insurance Examination Fund as other claims against the State are paid.]~~ **(Deleted by amendment.)**

Sec. 29.7. NRS 616B.300 is hereby amended to read as follows:

616B.300 1. An employer may qualify ***and remain qualified*** as a self-insured employer by establishing to the satisfaction of the Commissioner that the employer has sufficient administrative and financial resources to make certain the prompt payment of all compensation under chapters 616A to 616D, inclusive, or chapter 617 of NRS. ***For the purposes of this subsection, an employer has sufficient financial resources if : ~~[the employer has:]~~***

(a) ~~[A]~~ At the time of initial qualification and until the employer has operated successfully as a qualified self-insured employer for 3 years, as determined by the Commissioner, the employer has a tangible net worth of

not less than $2,500,000, as evidenced by a statement of tangible net worth provided to the Division of Insurance of the Department of Business and Industry by an independent certified public accountant; or

(b) ~~[Net]~~ After 3 years of successful operation as a qualified self-insured employer, as determined by the Commissioner, the employer has net cash flows from operating activities plus net cash flows from financing activities of five times the average of claims paid for each of the last 3 years or $7,500,000, whichever is less.

2. A self-insured employer must, in addition to establishing financial ability to pay, deposit with the Commissioner a bond executed by the employer as principal, and by a corporation qualified under the laws of this State as surety, payable to the State of Nevada, and conditioned upon the payment of compensation for injuries and occupational diseases to employees. The bond must be in an amount reasonably sufficient to ensure payment of compensation, but in no event may it be less than 105 percent of the employer's expected annual incurred cost of claims, or less than $100,000. In arriving at an amount for the expected annual cost of claims, due consideration must be given to the past and prospective experience of the employer with losses and expenses within this State, to the hazard of catastrophic loss, to other contingencies, and to trends within the State. In arriving at the amount of the deposit required, the Commissioner may consider the nature of the employer's business, the financial ability of the employer to pay compensation and his probable continuity of operation.

3. In lieu of a bond the employer may deposit with the Commissioner a like amount of lawful money of the United States or any other form of security authorized by NRS 100.065. If security is provided in the form of a savings certificate, certificate of deposit or investment certificate, the certificate must state that the amount is unavailable for withdrawal except upon order of the Commissioner.

4. The required deposit may be increased or decreased by the Commissioner in accordance with chapter 681B of NRS and his regulations for loss reserves in casualty insurance. If the Commissioner requires an employer to increase his deposit, the Commissioner may specify the form of the additional security. The employer shall comply with such a requirement within 60 days after receiving notice from the Commissioner.

5. The Commissioner shall require the self-insured employer to submit evidence of excess insurance to provide protection against a catastrophic loss. The excess insurance must be written by an insurer authorized to do business in this State. The Commissioner shall consider the excess insurance coverage as a basis for a reduction in the deposit required of an employer.

6. The Account for Self-Insured Employers is hereby created in the State Agency Fund for Bonds. All money received by the Commissioner pursuant to this section must be deposited with the State Treasurer to the credit of the Account for Self-Insured Employers. All claims against this Account must be paid as other claims against the State are paid.

Sec. 29.8. NRS 616B.353 is hereby amended to read as follows:

616B.353 1. An association of self-insured public or private employers shall:

(a) Execute an indemnity agreement jointly and severally binding the association and each member of the association to secure the payment of all compensation due pursuant to chapters 616A to 617, inclusive, of NRS. The indemnity agreement must be in a form prescribed by the Commissioner. An association may add provisions to the indemnity agreement if they are first approved by the Commissioner.

(b) Except as otherwise provided in this subsection, maintain a policy of specific and aggregate excess insurance in a form and amount required by the Commissioner. The excess insurance must be written by an insurer approved by the Commissioner. To determine the amount of excess insurance required, the Commissioner shall consider:

(1) The number of members in the association;

(2) If the association is an association of self-insured public employers, the types of governmental services provided by the members of the association;

(3) If the association is an association of self-insured private employers, the classifications of employment of the members of the association;

(4) The number of years the association has been in existence; and

(5) Such other information as the Commissioner deems necessary.

➥ Nothing in this paragraph prohibits an association from purchasing secondary excess insurance in addition to the excess insurance required by this paragraph.

(c) Collect an annual assessment from each member of the association in an aggregate amount of at least $250,000 or in an aggregate amount which the Commissioner determines is satisfactory based on an annual review conducted by him of the actuarial solvency of the association.

(d) Except as otherwise provided in paragraph (e), deposit as security with the Commissioner a bond executed by the association as principal, and by a licensed surety, payable to the State of Nevada, and conditioned upon the payment of compensation for injuries and occupational diseases to their employees. The bond must be in an amount determined by the Commissioner to be reasonably sufficient to ensure payment of such compensation, but in no event may it be less than $100,000.

(e) In lieu of a bond, deposit with the Commissioner a like amount of lawful money of the United States or any other form of security authorized by NRS 100.065. If security is provided in the form of a savings certificate, certificate of deposit or investment certificate, the certificate must state that the amount is unavailable for withdrawal except upon order of the Commissioner.

2. Except as otherwise provided in subsection 3, in addition to complying with the requirements of subsection 1, an association of self-insured private employers shall **:** ~~[maintain]~~ ~~[a]~~ ~~*[either:]*~~

(a) ~~[A]~~ At the time of initial qualification and until the association has operated successfully as a qualified association of self-insured private employers for 3 years, as determined by the Commissioner, have a combined tangible net worth of all members in the association of at least $2,500,000 ~~[.]~~ ***, as evidenced by a statement of tangible net worth provided to the Division of Insurance of the Department of Business and Industry by an independent certified public accountant; or***

(b) ~~[Combined]~~ After 3 years of successful operation as a qualified association of self-insured private employers, as determined by the Commissioner, have combined net cash flows from operating activities plus net cash flows from financing activities of all members in the association of five times the average of claims paid for each of the last 3 years or $7,500,000, whichever is less.

3. In lieu of complying with the requirements of subsection 2, the association's administrator shall ensure that a solvency bond, in a form prescribed by the Commissioner and in an aggregate amount of at least $2,500,000, is deposited with the Commissioner by the association or members of the association on behalf of the association.

4. The association's administrator shall deposit with the Commissioner a bond executed by the association's administrator as principal, and by a licensed surety, payable to the State of Nevada, and conditioned upon the faithful performance of his duties. The bond must be in an amount determined by the Commissioner.

5. Any third-party administrator providing claims services for the association shall deposit with the Commissioner a bond executed by the third-party administrator as principal, and by a licensed surety, payable to the State of Nevada, and conditioned upon the faithful performance of its duties. The bond must be in an amount determined by the Commissioner.

6. The Commissioner may increase or decrease the amount of any bond or money required to be deposited by this section in accordance with chapter 681B of NRS and his regulations for loss reserves in casualty insurance. If the Commissioner requires an association, association's administrator or third-party administrator to increase its deposit, the Commissioner may specify the form of the additional security. The association, association's administrator or third-party administrator shall comply with such a requirement within 60 days after receiving notice from the Commissioner.

7. The Account for Associations of Self-Insured Public and Private Employers is hereby created in the State Agency Fund for Bonds. All money received by the Commissioner pursuant to this section must be deposited with the State Treasurer to the credit of the Account. All claims against this Account must be paid as other claims against the State are paid.

Sec. 30. NRS 616B.386 is hereby amended to read as follows:

3. Each member who is a member of an association during the 12 months immediately following the formation of the association must:

4. An employer who seeks to become a member of the association after the 12 months immediately following the formation of the association must meet the requirement set forth in paragraph (a) or (b) of subsection 3 unless the Commissioner adjusts the requirement for membership in the association after conducting an annual review of the actuarial solvency of the association pursuant to subsection 1 of NRS 616B.353.

5. An association of self-insured private employers may apply to the Commissioner for authority to determine the amount of tangible net worth and manual premium that an employer must have to become a member of the association. The Commissioner shall approve the application if the association:

(a) Has been certified to act as an association for at least the 3 consecutive years immediately preceding the date on which the association filed the application with the Commissioner;

6. An association of self-insured private employers may apply to the Commissioner for authority to determine the documentation demonstrating

solvency that an employer must provide to become a member of the association. The Commissioner shall approve the application if the association:

(a) Has been certified to act as an association for at least the 3 consecutive years immediately preceding the date on which the association filed the application with the Commissioner;

(c) Has at least 15 members.

7. The Commissioner may withdraw his approval of an application submitted pursuant to subsection 5 or 6 if he determines the association has ceased to comply with any of the requirements set forth in subsection 5 or 6, as applicable.

8. A member of an association may terminate his membership at any time. To terminate his membership, a member must submit to the association's administrator a notice of intent to withdraw from the association at least 120 days before the effective date of withdrawal. The notice of intent to withdraw must include a statement indicating that the member has:

Conference Amendment No. CA9.

AN ACT relating to workers' compensation; **revising provisions governing employee leasing companies;** revising various duties of employers, insurers and claimants under the workers' compensation system; revising certain procedures for accepting and denying workers' compensation claims; **prohibiting certain acts by vocational rehabilitation counselors; declaring void certain limiting provisions in an employer's policy of uninsured or underinsured vehicle coverage; providing for the creation of a code of conduct for hearing officers and appeals officers; revising provisions governing the provision of vocational rehabilitation services;** revising certain provisions relating to occupational diseases; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for the payment of workers' compensation if, during the course of employment, an employee is injured or killed by a workplace accident or occupational disease. (Chapters 616A-617 of NRS) Existing law authorizes an employer, after a workplace accident, to furnish the injured employee with the name of at least one physician or chiropractor qualified to examine the employee, but the employer may not require the employee to

select any particular physician or chiropractor for the examination. The examining physician or chiropractor must report to the employer regarding the character and extent of the injury, but the employer may not require or permit the disclosure of any other information concerning the employee's physical condition. (NRS 616C.010)

This bill makes various changes to the law governing workers' compensation. Section 1 of this bill requires employee leasing companies to maintain certain records relating to workers' compensation insurance. Section 1.2 of this bill provides for the recalculation of the average monthly wage of an injured employee. Section 1.25 of this bill authorizes an insurer to deny compensation to an injured employee based on his discharge from employment for misconduct. Section 1.3 of this bill prohibits a vocational rehabilitation counselor from engaging in certain acts, and section 19 of this bill provides for the imposition of an administrative fine for a violation of that prohibition. Section 1.35 of this bill regulates the payment of compensation to an injured employee in a lump sum. Section ~~[1]~~ **1.4** of this bill requires an employer ~~[whose insurer has contracted with certain managed care organizations or providers of health care services]~~ to furnish ~~[the]~~ **an** injured employee with the names of at least two physicians or chiropractors who are qualified to examine the employee **.** ~~[and who are available pursuant to the contract, if there are two or more such physicians or chiropractors within 30 miles of the employee's place of employment. If there are not two such physicians or chiropractors within that area, the employer is required to furnish the name of at least one physician who is qualified to examine the employee and available pursuant to the contract. Further, section 1 imposes similar requirements upon employers whose insurers have not contracted with such managed care organizations or providers of health care services, except that the employers are required to furnish only the names of physicians and chiropractors who are qualified to conduct the examinations without regard as to whether they are available pursuant to any particular contract. From among the names furnished by the employer, the employee must select one of those physicians or chiropractors to conduct the examination, but the employee is not required to select a particular physician or chiropractor from among the names furnished. Section 1 of this bill also clarifies that the employer shall not require or permit the disclosure of any other information concerning the employee's physical condition except as required by NRS 616C.177, which permits an insurer to inquire about and request medical records concerning a preexisting medical condition that is reasonably related to the industrial injury of the injured employee.~~

~~Existing law requires an insurer to accept or deny claims involving industrial injuries and occupational diseases within a certain period. (NRS 616C.065, 617.356) Sections 1.5 and 3 of this bill require the insurer to mail its written determination regarding a claim to the claimant or the person acting on behalf of the claimant within the specified period and, if the insurer~~

~~denies the claim in whole or in part, to obtain a certificate of mailing at the time the written determination of the denial of the claim is delivered to the United States Postal Service for mailing. The certificate of mailing serves as a receipt that shows the date on which the insurer mailed the written determination of the denial of a claim.]~~ **Sections 1.5, 3 and 5 of this bill revise provisions governing claims for compensation. Section 4 of this bill provides that certain provisions in an employer's policy of uninsured or underinsured vehicle coverage that limit certain rights of injured employees or insurers are void. Section 6 of this bill provides for the creation of a code of conduct for hearing officers and appeals officers who conduct hearings relating to workers' compensation, and for the establishment of standards for the initial training and continuing education of such persons. Sections 7-11 of this bill revise certain provisions governing hearings and appeals in workers' compensation cases. Sections 12-15 of this bill revise certain provisions governing the payment of compensation for injuries or death. Sections 16-18 of this bill revise certain provisions governing the provision of vocational rehabilitation services. Section 19 of this bill reduces the amount of certain benefit penalties that may be imposed for certain violations.**

Existing law establishes certain general requirements which are used to determine whether a disease is compensable as an occupational disease. (NRS 617.440) However, existing law also provides that for some specific diseases, such as certain cancers, lung diseases, heart diseases and contagious diseases, there is a legal presumption that those diseases are compensable under the workers' compensation system when contracted under certain specific circumstances, such as when contracted by firefighters, police officers and emergency medical attendants. (NRS 617.453, 617.455, 617.457, 617.485, 617.487) Section ~~[4]~~ **21** of this bill provides that the general requirements of NRS 617.440 do not apply to the specific provisions of existing law which create such legal presumptions.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. **NRS 616B.682 is hereby amended to read as follows:**

616B.682 Each employee leasing company operating in this State shall ~~[maintain]~~ **:**

1. Maintain an office or similar site in this State for retaining, reviewing and auditing its payroll records and written agreements with client companies.

2. Maintain at that office or similar site in this State records establishing that the employee leasing company maintains current policies of workers' compensation insurance providing coverage for each employee it leases to each client company.

3. Keep the records described in subsection 2 open for inspection and copying, during its regular business hours, by:

(a) Each employee it leases to each client company and any representative of each such employee; and

(b) The public.

Sec. 1.1. **Chapter 616C of NRS is hereby amended by adding thereto the provisions set forth as sections 1.2 to 1.35, inclusive, of this act.**

Sec. 1.2. *1. Notwithstanding the provisions of subsection 3 of NRS 616C.315 and except as otherwise provided in this section, if an injured employee is receiving compensation based on a calculation of his average monthly wage as determined pursuant to the regulations adopted by the Administrator pursuant to NRS 616C.420, the injured employee or the employer may request a hearing before a hearing officer pursuant to the provisions of NRS 616C.315 to 616C.385, inclusive, asking for a recalculation of the average monthly wage of the injured employee.*

2. The injured employee is entitled to have his average monthly wage recalculated if he proves by a preponderance of the evidence that the insurer calculated his average monthly wage improperly or incorrectly as a result of:

(a) The use of any improper or incorrect information or methodology;

(b) The failure to use any proper or correct information or methodology;

(c) Any error of law or fact; or

(d) Any other error, omission, neglect or wrongful act.

3. If the injured employee proves that the insurer calculated his average monthly wage improperly or incorrectly, resulting in an underpayment of compensation:

(a) The insurer shall:

(1) Increase the injured employee's future compensation based on the correct average monthly wage; and

(2) Pay the injured employee a lump sum in an amount equal to the underpayment of compensation for the period during which the insurer was using the incorrect average monthly wage; and

(b) The remedy provided in paragraph (a) is the sole remedy for the underpayment and the insurer is not subject to the imposition of any fine or benefit penalty therefor.

4. If the hearing officer determines that the calculation of the average monthly wage resulted in an overpayment of compensation, the insurer may require the injured employee to repay to the insurer an amount equal to the overpayment received by the injured employee during any one 30-day period.

5. The average monthly wage of an injured employee may not be challenged by the insurer, the employer or the injured employee after the date on which any portion of an award for permanent partial disability is paid or the claim closes, whichever occurs first.

6. The provisions of this section do not apply if the issue of the average monthly wage of the injured employee was previously adjudicated to a final decision in:

(a) A hearing before a hearing officer or appeals officer pursuant to the provisions of NRS 616C.315 to 616C.385, inclusive; or

(b) Any proceedings for judicial review.

Sec. 1.25. 1. If an injured employee is discharged from his employment as a result of misconduct, an insurer may deny compensation to the injured employee because of that discharge for misconduct only if the insurer proves by a preponderance of the evidence that:

(a) The injured employee was discharged from his employment solely for his misconduct and not for any reason relating to his claim for compensation; and

(b) It is the injured employee's discharge from his employment for misconduct, and not his injury, that is the sole cause for the injured employee's inability to return to work with the preinjury employer.

2. An insurer waives its rights under subsection 1 if the insurer does not make a determination to deny or suspend compensation to the injured employee within 70 days after the date on which the insurer learns that the injured employee has been discharged for misconduct.

Sec. 1.3. A vocational rehabilitation counselor shall not:

1. Offer payment of compensation in a lump sum in lieu of the provision of vocational rehabilitation services to an injured employee:

(a) Without providing written notice of the offer to the attorney for the injured employee; or

(b) If the injured employee is not represented by an attorney, without providing a written notice to the employee which satisfies the requirements of the notice required by paragraph (c) of subsection 3 of NRS 616C.595;

2. Offer any monetary payment to an injured employee in an amount that is less than the amount authorized by the insurer;

3. Make any false statement or implication that an injured employee must make a decision regarding vocational rehabilitation within a certain period of time;

4. Advise an insured or claimant not to seek legal counsel; or

5. Provide legal advice to a claimant.

Sec. 1.35. 1. Except as otherwise provided in subsection 2, an insurer shall, within 30 days after receiving a written request from an injured employee for payment of compensation in a lump sum in lieu of the provision of vocational rehabilitation services, respond in writing to the request and, if the insurer agrees to the request, include in the response:

(a) The amount of the lump sum that the insurer is offering to pay;

(b) A statement that the injured employee has 30 days after the date of the written response to accept or reject the lump-sum offer; and

(c) A statement indicating that, if the injured employee rejects the lump-sum offer, he must continue working with his vocational rehabilitation counselor in accordance with the provisions of this chapter and the regulations adopted pursuant thereto.

2. An insurer need only respond to a written request from an injured employee for payment of compensation in a lump sum in lieu of the provision of vocational rehabilitation services if the injured employee is eligible for vocational rehabilitation services.

2. Sec. 1.5. NRS 616C.065 is hereby amended to read as follows:

616C.065 1. Except as otherwise provided in NRS 616C.136, within 30 days after the insurer has been notified of an industrial accident, every insurer shall:

~~[➥]~~

2. Payments made by an insurer pursuant to this section are not an admission of liability for the claim or any portion of the claim.

~~[2.]~~ ***3.*** Except as otherwise provided in this subsection, if an insurer unreasonably delays or refuses to pay the claim within 30 days after the insurer has been notified of an industrial accident, the insurer shall pay upon order of the Administrator an additional amount equal to three times the amount specified in the order as refused or unreasonably delayed. This payment is for the benefit of the claimant and must be paid to him with the compensation assessed pursuant to chapters 616A to 617, inclusive, of NRS. The provisions of this section do not apply to the payment of a bill for accident benefits that is governed by the provisions of NRS 616C.136.

4. The insurer shall notify the claimant or the person acting on behalf of the claimant that a claim has been accepted or denied pursuant to subsection 1 by:

(a) Mailing its written determination to the claimant or the person acting on behalf of the claimant; and

(b) If the claim has been denied, in whole or in part, obtaining a certificate of mailing.

5. The failure of the insurer to obtain a certificate of mailing as required by paragraph (b) of subsection 4 shall be deemed to be a failure of the insurer to mail the written determination of the denial of a claim as required by this section.

6. Upon request, the insurer shall provide a copy of the certificate of mailing, if any, to the claimant or the person acting on behalf of the claimant.

7. For the purposes of this section, the insurer shall mail the written determination to:

(a) The mailing address of the claimant or the person acting on behalf of the claimant that is provided on the form prescribed by the Administrator for filing the claim; or

(b) Another mailing address if the claimant or the person acting on behalf of the claimant provides to the insurer written notice of another mailing address.

8. As used in this section, "certificate of mailing" means a receipt that provides evidence of the date on which the insurer presented its written determination to the United States Postal Service for mailing.

Sec. 2. (Deleted by amendment.)

Sec. 3. **NRS 616C.070 is hereby amended to read as follows:**

616C.070 1. A person is conclusively presumed to be totally dependent upon an injured or deceased employee if ~~[the]~~ ***:***

(a) The person is a natural, posthumous or adopted child, whether legitimate or illegitimate, under the age of 18 years ~~[, or over that age if]~~ ***; or***

(b) The person is a natural, posthumous or adopted child, there is no surviving parent and the person is:

(1) Over the age of 18 years and physically or mentally incapacitated from wage earning ~~[, and there is no surviving parent.]~~ ***; or***

(2) Over the age of 18 years but under the age of 22 years and enrolled as a full-time student in an accredited vocational or educational institution.

2. Stepparents may be regarded in chapters 616A to 616D, inclusive, or chapter 617 of NRS as parents if the fact of dependency is shown, and a stepchild or stepchildren may be regarded in chapters 616A to 616D, inclusive, or chapter 617 of NRS as a natural child or children if the existence and fact of dependency are shown.

~~[2.]~~ ***3.*** Except as otherwise provided in subsection ~~[13]~~ ***14*** of NRS 616C.505, questions as to who constitute dependents and the extent of their dependency must be determined as of the date of the accident or injury to the employee, and their right to any benefit becomes fixed at that time, irrespective of any subsequent change in conditions, and the benefits are directly recoverable by and payable to the dependent or dependents entitled thereto or to their legal guardians or trustees.

~~[3.]~~ ***4.*** The presumptions of this section do not apply in favor of aliens who are nonresidents of the United States at the time of the accident, injury to, or death of the employee.

Sec. 4. **NRS 616C.215 is hereby amended to read as follows:**

616C.215 1. If an injured employee or, in the event of his death, his dependents, bring an action in tort against his employer to recover payment for an injury which is compensable pursuant to the provisions of chapters 616A to 616D, inclusive, or chapter 617 of NRS and, notwithstanding the provisions of NRS 616A.020, receive payment from the employer for that injury:

(a) The amount of compensation the injured employee or his dependents are entitled to receive pursuant to the provisions of chapters 616A to 616D, inclusive, or chapter 617 of NRS, including any future compensation, must be reduced by the amount paid by the employer.

(b) The insurer, or in the case of claims involving the uninsured employer's claim account or a subsequent injury account the Administrator, has a lien upon the total amount paid by the employer if the injured employee or his dependents receive compensation pursuant to the provisions of chapters 616A to 616D, inclusive, or chapter 617 of NRS.

➥ This subsection is applicable whether the money paid to the employee or his dependents by the employer is classified as a gift, a settlement or otherwise. The provisions of this subsection do not grant to an injured employee any right of action in tort to recover damages from his employer for his injury.

2. When an employee receives an injury for which compensation is payable pursuant to the provisions of chapters 616A to 616D, inclusive, or chapter 617 of NRS and which was caused under circumstances creating a legal liability in some person, other than the employer or a person in the same employ, to pay damages in respect thereof:

(a) The injured employee, or in case of death his dependents, may take proceedings against that person to recover damages, but the amount of the compensation the injured employee or his dependents are entitled to receive pursuant to the provisions of chapters 616A to 616D, inclusive, or chapter 617 of NRS, including any future compensation, must be reduced by the amount of the damages recovered, notwithstanding any act or omission of the employer or a person in the same employ which was a direct or proximate cause of the employee's injury.

(b) If the injured employee, or in case of death his dependents, receive compensation pursuant to the provisions of chapters 616A to 616D, inclusive, or chapter 617 of NRS, the insurer, or in case of claims involving the uninsured employers' claim account or a subsequent injury account the Administrator, has a right of action against the person so liable to pay damages and is subrogated to the rights of the injured employee or of his dependents to recover therefor.

3. When an injured employee incurs an injury for which compensation is payable pursuant to the provisions of chapters 616A to 616D, inclusive, or chapter 617 of NRS and which was caused under circumstances entitling him, or in the case of death his dependents, to receive proceeds under his employer's policy of uninsured or underinsured vehicle coverage:

(a) The injured employee, or in the case of death his dependents, may take proceedings to recover those proceeds, but the amount of compensation the injured employee or his dependents are entitled to receive pursuant to the provisions of chapters 616A to 616D, inclusive, or chapter 617 of NRS, including any future compensation, must be reduced by the amount of proceeds received.

(b) If an injured employee, or in the case of death his dependents, receive compensation pursuant to the provisions of chapters 616A to 616D, inclusive, or chapter 617 of NRS, the insurer, or in the case of claims involving the uninsured employers' claim account or a subsequent injury account the Administrator, is subrogated to the rights of the injured employee or his dependents to recover proceeds under the employer's policy of uninsured or underinsured vehicle coverage. The insurer and the Administrator are not subrogated to the rights of an injured employee or his dependents under a policy of uninsured or underinsured vehicle coverage purchased by the employee.

(c) Any provision in the employer's policy of uninsured or underinsured vehicle coverage which has the effect of:

(1) Limiting the rights of the injured employee or his dependents to recover proceeds under the policy because of the receipt of any compensation pursuant to the provisions of chapters 616A to 616D, inclusive, or chapter 617 of NRS;

(2) Limiting the rights of subrogation of the insurer or Administrator provided by paragraph (b); or

(3) Excluding coverage which inures to the direct or indirect benefit of the insurer or Administrator,

➥ is void.

4. In any action or proceedings taken by the insurer or the Administrator pursuant to this section, evidence of the amount of compensation, accident benefits and other expenditures which the insurer, the uninsured employers' claim account or a subsequent injury account have paid or become obligated to pay by reason of the injury or death of the employee is admissible. If in such action or proceedings the insurer or the Administrator recovers more than those amounts, the excess must be paid to the injured employee or his dependents.

5. In any case where the insurer or the Administrator is subrogated to the rights of the injured employee or of his dependents as provided in subsection 2 or 3, the insurer or the Administrator has a lien upon the total proceeds of any recovery from some person other than the employer, whether the proceeds of such recovery are by way of judgment, settlement or otherwise. The injured employee, or in the case of his death his dependents, are not entitled to double recovery for the same injury, notwithstanding any act or omission of the employer or a person in the same employ which was a direct or proximate cause of the employee's injury.

6. The lien provided for pursuant to subsection 1 or 5 includes the total compensation expenditure incurred by the insurer, the uninsured employers' claim account or a subsequent injury account for the injured employee and his dependents.

7. An injured employee, or in the case of death his dependents, or the attorney or representative of the injured employee or his dependents, shall notify the insurer, or in the case of claims involving the uninsured

employers' claim account or a subsequent injury account the Administrator, in writing before initiating a proceeding or action pursuant to this section.

8. Within 15 days after the date of recovery by way of actual receipt of the proceeds of the judgment, settlement or otherwise:

(a) The injured employee or his dependents, or the attorney or representative of the injured employee or his dependents; and

(b) The third-party insurer,

➥ shall notify the insurer, or in the case of claims involving the uninsured employers' claim account or a subsequent injury account the Administrator, of the recovery and pay to the insurer or the Administrator, respectively, the amount due pursuant to this section together with an itemized statement showing the distribution of the total recovery. The attorney or representative of the injured employee or his dependents and the third-party insurer are jointly and severally liable for any amount to which an insurer is entitled pursuant to this section if the attorney, representative or third-party insurer has knowledge of the lien provided for in this section.

9. An insurer shall not sell its lien to a third-party insurer unless the injured employee or his dependents, or the attorney or representative of the injured employee or his dependents, refuses to provide to the insurer information concerning the action against the third party.

10. In any trial of an action by the injured employee, or in the case of his death by his dependents, against a person other than the employer or a person in the same employ, the jury must receive proof of the amount of all payments made or to be made by the insurer or the Administrator. The court shall instruct the jury substantially as follows:

Payment of workmen's compensation benefits by the insurer, or in the case of claims involving the uninsured employers' claim account or a subsequent injury account the Administrator, is based upon the fact that a compensable industrial accident occurred, and does not depend upon blame or fault. If the plaintiff does not obtain a judgment in his favor in this case, he is not required to repay his employer, the insurer or the Administrator any amount paid to him or paid on his behalf by his employer, the insurer or the Administrator.

If you decide that the plaintiff is entitled to judgment against the defendant, you shall find his damages in accordance with the court's instructions on damages and return your verdict in the plaintiff's favor in the amount so found without deducting the amount of any compensation benefits paid to or for the plaintiff. The law provides a means by which any compensation benefits will be repaid from your award.

11. To calculate an employer's premium, the employer's account with the private carrier must be credited with an amount equal to that recovered by the private carrier from a third party pursuant to this section, less the private carrier's share of the expenses of litigation incurred in obtaining the recovery, except that the total credit must not exceed the amount of

compensation actually paid or reserved by the private carrier on the injured employee's claim.

12. As used in this section, "third-party insurer" means an insurer that issued to a third party who is liable for damages pursuant to subsection 2, a policy of liability insurance the proceeds of which are recoverable pursuant to this section. The term includes an insurer that issued to an employer a policy of uninsured or underinsured vehicle coverage.

Sec. 5. **NRS 616C.235 is hereby amended to read as follows:**

616C.235 1. Except as otherwise provided in subsections 2, 3 and 4:

(a) When the insurer determines that a claim should be closed before all benefits to which the claimant may be entitled have been paid, the insurer shall send a written notice of its intention to close the claim to the claimant by first-class mail addressed to the last known address of the claimant ~~[.]~~ ***and, if the insurer has been notified that the claimant is represented by an attorney, to the attorney for the claimant by first-class mail addressed to the last known address of the attorney.*** The notice must include ***, on a separate page,*** a statement ***describing the effects of closing a claim pursuant to this section and a statement*** that if the claimant does not agree with the determination, he has a right to request a resolution of the dispute pursuant to NRS 616C.305 and 616C.315 to 616C.385, inclusive ~~[.]~~ ***, including, without limitation, a statement which prominently displays the limit on the time that the claimant has to request a resolution of the dispute as set forth in NRS 616C.315.*** A suitable form for requesting a resolution of the dispute must be enclosed with the notice. The closure of a claim pursuant to this subsection is not effective unless notice is given as required by this subsection.

(b) If the insurer does not receive a request for the resolution of the dispute, it may close the claim.

(c) Notwithstanding the provisions of NRS 233B.125, if a hearing is conducted to resolve the dispute, the decision of the hearing officer may be served by first-class mail.

2. If, during the first 12 months after a claim is opened, the medical benefits required to be paid for a claim are less than $300, the insurer may close the claim at any time after he sends, by first-class mail addressed to the last known address of the claimant, written notice ***that includes a statement which prominently displays*** that:

(a) The claim is being closed pursuant to this subsection;

(b) The injured employee may appeal the closure of the claim pursuant to the provisions of NRS 616C. 305 and 616C.315 to 616C.385, inclusive; and

(c) If the injured employee does not appeal the closure of the claim or appeals the closure of the claim but is not successful, the claim cannot be reopened.

3. In addition to the notice described in subsection 2, an insurer shall send to each claimant who receives less than $300 in medical benefits within 6 months after the claim is opened a written notice that explains the

circumstances under which a claim may be closed pursuant to subsection 2. The written notice provided pursuant to this subsection does not create any right to appeal the contents of that notice. The written notice must be:

(a) Sent by first-class mail addressed to the last known address of the claimant; and

(b) A document that is separate from any other document or form that is used by the insurer.

4. The closure of a claim pursuant to subsection 2 is not effective unless notice is given as required by subsections 2 and 3.

Sec. 6. **NRS 616C.295 is hereby amended to read as follows:**

616C.295 1. ***The Chief of the Hearings Division shall adopt regulations establishing:***

(a) A code of conduct for hearing officers who conduct hearings in contested cases for compensation under chapters 616A to 617, inclusive, of NRS; and

(b) A code of conduct for appeals officers who conduct hearings and appeals as required pursuant to chapters 616A to 617, inclusive, of NRS.

2. The codes of conduct established pursuant to subsection 1 must be designed to ensure fairness and impartiality, and to avoid the appearance of impropriety.

3. The Chief of the Hearings Division shall adopt regulations establishing:

(a) Standards for the initial training and continuing education of hearing officers who conduct hearings in contested cases for compensation under chapters 616A to 617, inclusive, of NRS; and

(b) Standards for the initial training and continuing education of appeals officers who conduct hearings and appeals as required pursuant to chapters 616A to 617, inclusive, of NRS.

4. The standards established pursuant to subsection 3 must, without limitation, include training and continuing education in:

(a) The provisions of chapters 616A to 617, inclusive, of NRS;

(b) Dispute resolution; and

(c) Mediation.

5. The Chief of the Hearings Division shall:

(a) Prescribe by regulation the qualifications ~~[and training]~~ required before a person may, pursuant to chapters 616A to ~~[616D, inclusive, or chapter]~~ 617 ***, inclusive,*** of NRS, serve as a hearing officer. ~~[Training for a hearing officer must include techniques of mediation.]~~

(b) Provide for the expediting of the hearing of cases that involve the termination or denial of compensation.

~~[2.]~~ ***6.*** From the cases heard each year by hearing officers and appeals officers regarding claims for benefits by injured employees, the Chief of the Hearings Division shall prepare an annual report which itemizes, on the basis of each insurer and third-party administrator, the number of cases affirmed, reversed, remanded and resolved by other disposition involving that insurer

or third-party administrator, including a breakdown of that information by the type of benefits denied by the insurer or third-party administrator.

~~[3.]~~ ***7.*** As used in this section, "Chief of the Hearings Division" means the Chief of the Hearings Division of the Department of Administration.

Sec. 7. **NRS 616C.315 is hereby amended to read as follows:**

616C.315 1. Any person who is subject to the jurisdiction of the hearing officers pursuant to chapters 616A to 616D, inclusive, or chapter 617 of NRS may request a hearing before a hearing officer of any matter within the hearing officer's authority. The insurer shall provide, without cost, the forms necessary to request a hearing to any person who requests them.

2. A hearing must not be scheduled until the following information is provided to the hearing officer:

3. Except as otherwise provided in NRS 616B.772, 616B.775, 616B.787 and 616C.305, ***and section 1.2 of this act,*** a person who is aggrieved by:

(a) A written determination of an insurer; or

(b) The failure of an insurer to respond within 30 days to a written request mailed to the insurer by the person who is aggrieved,

➥ may appeal from the determination or failure to respond by filing a request for a hearing before a hearing officer. Such a request must include the information required pursuant to subsection 2 and ***, except as otherwise provided in subsections 4 and 5,*** must be filed within 70 days after the date on which the notice of the insurer's determination was mailed by the insurer or the unanswered written request was mailed to the insurer, as applicable. The failure of an insurer to respond to a written request for a determination within 30 days after receipt of such a request shall be deemed by the hearing officer to be a denial of the request.

4. ***The period specified in subsection 3 within which a request for a hearing must be filed may be extended for an additional 90 days if the person aggrieved shows by a preponderance of the evidence that he was diagnosed with a terminal illness or was informed of the death or diagnosis of a terminal illness of his spouse, parent or child.***
