AN ACT relating to public utilities; clarifying the applicability of ~~[certain provisions to cooperative associations or nonprofit corporations or associations and other]~~ **the Utility Environmental Protection Act to certain utility facilities owned by** suppliers of utility services that provide utility services only to ~~[their own members;]~~ **the members of those suppliers;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that a ~~[cooperative association or nonprofit corporation or association and every other]~~ supplier of utility services that provides utility services only to its own members is subject to the jurisdiction, control and regulation of the Public Utilities Commission of Nevada for certain limited purposes. (NRS 704.675) Section 1 of this bill clarifies that ~~[such entities are]~~ **, if such a supplier of utility services is not jointly owned by certain other entities and is subject to the National Environmental Policy Act of 1969, 42 U.S.C. 4321 et seq., a utility facility owned by the supplier is** exempt from the provisions of the Utility Environmental Protection Act, which controls the permitting process for the construction of new utility facilities. (NRS 704.820-704.900)

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 704.865 is hereby amended to read as follows:

704.865 1. A person, other than a local government, shall not commence to construct a utility facility in the State without first having obtained a permit therefor from the Commission. The replacement of an existing facility with a like facility, as determined by the Commission, does not constitute construction of a utility facility. Any facility, with respect to which a permit is required, must thereafter be constructed, operated and maintained in conformity with the permit and any terms, conditions and modifications contained therein. A permit may only be issued pursuant to NRS 704.820 to 704.900, inclusive. Any authorization relating to a utility facility granted under other laws administered by the Commission constitutes a permit under those sections if the requirements of those sections have been complied with in the proceedings leading to the granting of the authorization.

2. A permit may be transferred, subject to the approval of the Commission, to a person who agrees to comply with the terms, conditions and modifications contained therein.

3. NRS 704.820 to 704.900, inclusive, do not apply to any utility facility:

(b) For which, before July 1, 1971, a governmental agency has approved the construction of the facility and the person has incurred indebtedness to finance all or part of the cost of the construction; ~~[or]~~

(c) Over which an agency of the Federal Government has exclusive jurisdiction ~~[.]~~ ***; or***

(d) Owned by a ~~[cooperative association, nonprofit corporation, association or]~~ supplier of services described in NRS 704.673 or 704.675 ~~[.]~~ that:

(2) Is subject to the provisions of the National Environmental Policy Act of 1969, 42 U.S.C 4321 et seq.

4. Any person intending to construct a utility facility excluded from NRS 704.820 to 704.900, inclusive, pursuant to paragraph (a) or (b) of subsection 3 may elect to waive the exclusion by delivering notice of its waiver to the Commission. NRS 704.820 to 704.900, inclusive, thereafter apply to each utility facility identified in the notice from the date of its receipt by the Commission.

Sec. 2. This act becomes effective on July 1, 2007.

Amendment adopted.

Bill ordered reprinted, engrossed and to third reading.

Senate Bill No. 157.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 889.

AN ACT relating to public guardians; allowing a board of county commissioners to pay the necessary expenses incurred by a public guardian during a guardianship; allowing a board of county commissioners to establish a revolving fund to pay for the necessary expenses incurred by a public guardian during a guardianship; requiring a public guardian to reimburse the county from the assets of the ward for any expenses paid by the county; requiring boards of county commissioners to establish the office of public guardian; revising provisions governing the appointment or designation of a public guardian; revising the requirements governing eligibility to utilize a public guardian; revising provisions concerning attorneys retained by a public guardian; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 9 of this bill changes existing law, which currently allows a board of county commissioners to establish the office of public guardian, by requiring the board of county commissioners of each county to establish the office of public guardian. (NRS 253.150) Section 9 provides a board of county commissioners with four alternative methods to meet this requirement: (1) appoint a public guardian for a term of 4 years; (2) designate

a county officer to serve as ex officio public guardian; (3) except in a county whose population is 100,000 or more (currently Clark and Washoe Counties), contract with a private professional guardian to act as public guardian; or (4) contract with the board of county commissioners of a neighboring county which is in the same judicial district to use the neighboring county's public guardian as the public guardian of the county. After the board of county commissioners has designated or appointed a public guardian, section 3 of this bill allows the board to establish regulations for the form of reports and budgets made by the public guardian and to review reports and budgets submitted to the board by the public guardian. Section 10 of this bill requires the public guardian of a county to appoint one or more deputies to perform the duties of his office in his absence. (NRS 253.175)

Existing law provides that a resident of the State is eligible to have the public guardian appointed as his guardian if there is no individual able and willing to serve as his guardian or if the resident does not have assets sufficient to pay for a private guardian. (NRS 253.200) Section 11 of this bill eliminates inability to pay for a private guardian as a condition for eligibility for having the public guardian appointed as guardian ~~[. Under section 11, an individual may have the public guardian appointed as his temporary, permanent or general guardian if]~~ **but requires that** the individual is a resident of the county in which guardianship proceedings are filed. Section 11 also requires that the public guardian or deputy public guardian receive a copy of any petition for the appointment of the public guardian as a guardian before such a petition is filed.

Section 2 of this bill allows a county to advance to the public guardian the necessary expenses incurred or to be incurred by the public guardian during a guardianship. However, if a county provides such an advance, the public guardian must reimburse the county from the assets of the estate of the ward as soon as, and to the extent that, those assets become available. The board of county commissioners may establish a revolving fund to be used to pay for advances to the public guardian of necessary expenses or must pay such advances from the county general fund.

Existing law allows a public guardian to retain an attorney to assist him when necessary for the proper administration of a guardianship but requires that such employment be rotated among the attorneys practicing in the county who are qualified and willing to accept such employment. (NRS 253.215) In addition to such rotation of employment, section 12 of this bill allows the public guardian to retain one attorney to assist him or to obtain the assistance of the district attorney's office if the board of county commissioners approves such assistance.

Section 13 of this bill clarifies that a public guardian is not required to hire or be licensed as a private investigator to investigate the financial status, assets and personal history of a person for whom he has been appointed as guardian. (NRS 253.220)

Under existing law, the reasonable value of the services rendered by the public guardian without cost to a ward must be allowed as a claim against the estate of the ward upon the death of the ward. (NRS 253.240) Section 14 of this bill allows claims for such services against a ward's estate before the death of the ward upon approval of a court.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 253 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 and 3 of this act.

Sec. 2. ***1. A public guardian may file with the board of county commissioners a request for an advance of money to pay necessary expenses incurred, or to be incurred, by the public guardian during a guardianship. The board may approve or deny the request. If the board approves the request, the board shall determine the amount to be advanced and advance that amount to the public guardian.***

2. The board of county commissioners of any county may establish a revolving fund to be used to provide advances to the public guardian pursuant to subsection 1. If the board has established a revolving fund pursuant to this subsection, the board shall pay any advance approved pursuant to subsection 1 from the revolving fund to the extent that there is sufficient money in the revolving fund to pay the advance. After the money in the revolving fund has been exhausted, the board shall pay any advance, or any part of an advance, approved by the board from the general fund of the county. If the board has not established a revolving fund pursuant to this subsection, the board shall pay any advance approved pursuant to subsection 1 from the general fund of the county.

3. The public guardian must reimburse the county for any advance provided pursuant to subsection 1 from the assets of the estate of the ward as soon as, and to the extent that, the assets become available. If the board of county commissioners has established a revolving fund pursuant to subsection 2, the board shall deposit in the revolving fund the money obtained from a reimbursement provided pursuant to this subsection. The following amendment was proposed by the Committee on Judiciary:

Amendment No. 887.

AN ACT relating to concealed firearms; authorizing a person who holds a permit to carry a concealed firearm issued by another state to carry a concealed firearm in this State under certain circumstances; revising various other provisions governing permits to carry concealed firearms; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law allows a person who is not a resident of the State of Nevada to apply to the sheriff of any county in this State for a permit to carry a concealed firearm in this State. (NRS 202.3657) Section 2 of this bill allows a person who is not a resident of this State to carry a concealed firearm in this State if the person has a permit to carry a concealed firearm issued by a state included in the list prepared by the Department of Public Safety pursuant to section 3 of this bill. In addition, a person who becomes a resident of this State and who possesses a permit issued by a state whose permits are recognized in this State may not carry a concealed firearm unless the person has been issued a permit from the sheriff of the county in which he resides within 60 days of becoming a resident of this State.

Section 3 of this bill requires the Department to prepare a list of states which have been determined, on or before July 1 of each year: (1) to have requirements for the issuance of a permit to carry a concealed firearm that are substantially similar to or more stringent than the requirements of this State; and (2) to have an electronic database which identifies each individual who holds a valid permit to carry a concealed firearm issued by the state and which a law enforcement officer of this State may access at any time. A state must not be included in the list unless the Nevada Sheriffs' and Chiefs' Association agrees with the Department that the state should be included in the list.

Under existing law, a person may obtain a permit to carry in a concealed manner one or more firearms of a specific make, model and caliber if the person meets certain requirements. (NRS 202.3657, 202.366) ~~[Section 4 of this bill creates three categories of firearms, which consist of a category of revolvers, a category of semiautomatic firearms and a category of both revolvers and semiautomatic firearms. Under section]~~ **Section** 5 of this bill ~~[,]~~ **revises the manner in which** a person may ~~[obtain]~~ **apply for** a permit to carry **a firearm** in a concealed manner ~~[any firearm in one of the three categories if the person meets certain requirements.]~~ **so that the person is only required to list on an application each specific semiautomatic**

firearm to which the permit will pertain, but may receive a permit for all revolvers owned by him without listing each revolver specifically. Similarly, sections 5 and 6 of this bill provide that the permit issued will include a statement as to whether the permit authorizes a person to carry revolvers in a concealed manner. In addition, if the permit authorizes a person to carry any semiautomatic firearm in a concealed manner, the make, model and caliber of each semiautomatic firearm to which the permit pertains will be listed on the permit.

Existing law provides for the expiration of a permit to carry a concealed firearm. If the holder of the permit is a resident of this State, the permit expires on the fifth anniversary of the birthday of the holder which is nearest to the date of issuance or renewal. If the holder is a resident of another state, the permit expires on the third anniversary of the birthday of the holder which is nearest to the date of issuance or renewal. (NRS 202.366) Section 6 of this bill provides that all permits to carry a concealed firearm expire 5 years after the date of issuance.

Section 7 of this bill revises existing law so that for the renewal of a permit to carry a concealed firearm a person is required to demonstrate competence with: (1) a revolver, if the permit authorizes the person to carry revolvers; (2) each semiautomatic firearm to which the application pertains, if the permit authorizes the person to carry any semiautomatic firearm; or (3) a revolver and each semiautomatic firearm to which the permit pertains, if the permit authorizes the person to carry both revolvers and specific semiautomatic firearms. (NRS 202.3677)

SECOND READING AND AMENDMENT

Senate Bill No. 279.

Bill read second time.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 912.

AN ACT relating to contractors; revising certain duties and powers of the State Contractors' Board; providing express authority for the Board to collect and maintain data and to conduct investigations; revising the procedures for applying for the issuance or renewal of a contractor's license; revising the term of a contractor's license from 1 year to 2 years in certain circumstances; revising certain fees and assessments to reflect such change in the term of a contractor's license; authorizing the Board to take certain actions against an unlicensed person who violates a provision governing contractors; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that chapter 624 of NRS, which governs contractors, does not apply, under certain circumstances, to an owner of a complex containing less than five condominiums, townhouses, apartments or cooperative units, the managing officer of the owner or an employee of the

managing officer who performs certain maintenance and repairs to the property which are valued at less than $500. (NRS 624.031) Section 1 of this bill expands this exemption to include any maintenance and repairs which are valued at less than $1,000.

Existing law requires the State Contractors' Board to establish an Investigations Office that includes a Special Investigations Unit and a Compliance Investigations Unit. (NRS 624.112) Section 2 of this bill eliminates the requirement to include those two specific units within the Investigations Office.

Existing law authorizes the Board to require criminal investigators who are employed by the Board to locate and identify certain persons who violate a provision of chapter 624 of NRS or any regulations adopted by the Board. (NRS 624.115) Section 3 of this bill authorizes the Board also to require compliance investigators who are employed by the Board to locate and identify such persons.

Existing law authorizes the Board to undertake all functions and duties related to the administration of chapter 624 of NRS. (NRS 624.160) Section 4 of this bill provides express authority for the Board to collect and maintain data regarding investigations and complaints on contractors and to conduct investigations of contractors.

Existing law requires an applicant for the issuance or renewal of a contractor's license to submit a written application to the Board that includes, without limitation, the names and addresses of any owners, partners, officers, directors, members and managerial personnel of the applicant. (NRS 624.250) Section 5 of this bill revises this requirement for applicants that are corporations or limited-liability companies. Section 5 also requires the Board to require an applicant to pay the license fee and any applicable assessments before the Board issues a license to the applicant.

Existing law requires an applicant for the issuance or renewal of a contractor's license to submit to the Board proof of industrial insurance and insurance for occupational diseases, proof of self-insurance or a signed affidavit affirming that the applicant is not subject to the statutes governing industrial insurance and occupational insurance because of certain specified circumstances. (NRS 624.256) Section 6 of this bill provides that failure of such an applicant or licensee to file or maintain such insurance constitutes cause for the Board to take certain administrative actions against the person unless the person provides to the Board the affidavit discussed above.

Existing law requires an applicant for a contractor's license or a licensee to show such a degree of financial responsibility as the Board deems necessary for the safety and protection of the public. (NRS 624.260) Existing law also requires that the financial responsibility be determined by using certain standards and criteria set forth in statute. (NRS 624.263) Section 7 of this bill expands those standards and criteria and authorizes, rather than requires, these standards and criteria to be used in determining the financial responsibility of an applicant or licensee.

Section 9 of this bill revises the existing fee for a contractor's license from $450 annually to $900 biennially. (NRS 624.283)

Section 10 of this bill revises the existing term of a contractor's license from 1 year to 2 years and authorizes the Board to establish a system of staggered biennial renewals. Section 20 of this bill provides that the provisions of section 10 do not apply to an existing contractor's license until the first renewal date for the license that occurs after the effective date of this bill.

Existing law authorizes the Board or its designee to issue administrative citations and to take action against an applicant for a contractor's license or a licensee who commits an act which constitutes cause for disciplinary action. (NRS 624.341) Section 12 of this bill authorizes the Board or its designee to issue such citations and to take such action against any person who violates a provision of chapter 624 of NRS or any regulations adopted by the Board. Section 12 also specifies that any administrative fine ordered in the citation must not exceed $50,000 under certain circumstances. Further, section 12 provides that it is a misdemeanor for an unlicensed person to fail to comply with such a citation or order issued by the Board pursuant to NRS 624.341. Sections 13, 14 and 15 of this bill similarly amend existing law to reflect the expanded scope of the administrative citations and actions. (NRS 624.345, 624.351, 624.361)

Section 16 of this bill revises the existing assessments which are required to be paid by each residential contractor on an annual basis by doubling the amounts of the assessments and requiring such assessments to be paid per biennium. (NRS 624.470)

Existing law authorizes the Board to impose an administrative fine upon an unlicensed person who engages in business as a contractor or submits a bid on a job in this State. (NRS 624.710) Section 17 of this bill further authorizes the Board to impose an administrative fine on a person who violates certain provisions governing advertising concerning contractors or certain provisions governing the ability of licensees to participate in joint ventures or other combinations. (NRS 624.720, 624.740)

Bill read second time.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 700.

AN ACT relating to professions; revising provisions governing the grading of certain examinations; requiring the electronic filing of certain information and reports by certain regulatory bodies; revising provisions governing the expiration of the licenses of cosmetological establishments and certain licensees; **revising the authority of certain professional and occupational boards to establish fees for providing certain services;** increasing the maximum salary that members of certain occupational or professional boards are entitled to receive for each day of service on the board; requiring the Legislative Committee on Health Care to appoint a subcommittee to conduct a study of the regulation of providers of health care in Nevada; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, various regulatory bodies governing professions and occupations under title 54 of NRS have examination requirements for licensure or certification. Section 1 of this bill provides that, if such a regulatory body uses or accepts a national or other examination which is produced or administered by an organization other than the regulatory body and which includes a methodology for determining the level of performance that constitutes a passing grade or score on the examination, the regulatory body shall apply that methodology in determining whether a person who took the examination achieved a passing grade or score.

Under existing law, such regulatory bodies are required to submit periodic reports of their disciplinary actions and other regulatory activities to the Director of the Legislative Counsel Bureau for transmittal to the Legislative Commission and certain standing committees of the Legislature. (NRS 622.100, 622.110) Section 2 of this bill requires that all such reports be submitted quarterly and that they be submitted in an electronic format prescribed by the Director.

Sections 3, 4, 6-12, 15, 18, 19, 21-23, 25, 27, 28, 30, 31, 33, 34, 36, 37, 39, 41-44 and 48-51 of this bill increase the maximum salary that members of certain professional or occupational boards are entitled to receive for each day of service on the board from $80 to $150 per day.

Sections 5.5, 10.5, 20.5, 31.5, 36.5 and 51.5 of this bill revise the authority of certain professional and occupational boards to establish fees for providing certain services.

Under existing law, the license of every cosmetologist, aesthetician, electrologist, hair designer, manicurist, demonstrator of cosmetics, instructor and cosmetological establishment expires on July 1 of each odd-numbered year. (NRS 644.320, 644.350) Sections 46 and 47 of this bill establish a

procedure under which approximately half of those licenses will expire in even-numbered years, the other half in odd-numbered years.

Section 54 of this bill requires the Legislative Committee on Health Care to appoint a subcommittee to conduct: (1) a review of the laws of this State that establish the scope of practice authorized for providers of health care; and (2) a study concerning the operation of the professional licensing boards for providers of health care with respect to barriers to licensing.

115.010 1. The homestead is not subject to forced sale on execution or any final process from any court, except as otherwise provided by subsections 2, 3 and 5, and NRS 115.090 and except as otherwise required by federal law.

2. The exemption provided in subsection 1 extends only to that amount of equity in the property held by the claimant which does not exceed ~~[$350,000]~~ ~~*[$550,000]*~~ ***$450,000*** in value, unless allodial title has been established and not relinquished, in which case the exemption provided in subsection 1 extends to all equity in the dwelling, its appurtenances and the land on which it is located.

3. Except as otherwise provided in subsection 4, the exemption provided in subsection 1 does not extend to process to enforce the payment of obligations contracted for the purchase of the property, or for improvements made thereon, including any mechanic's lien lawfully obtained, or for legal taxes, or for:

(a) Any mortgage or deed of trust thereon executed and given, including, without limitation, any second or subsequent mortgage, mortgage obtained through refinancing, line of credit taken against the property and a home equity loan; or

6. Any declaration of homestead which has been filed before July 1, ~~[2005,]~~ ***2007,*** shall be deemed to have been amended on that date by extending the homestead exemption commensurate with any increase in the amount of equity held by the claimant in the property selected and claimed for the exemption up to the amount permitted by law on that date, but the increase does not impair the right of any creditor to execute upon the property when that right existed before July 1, ~~[2005.]~~ ***2007.***

2. If it appears, upon the report, to the satisfaction of the judge that the property can be thus divided, he shall order the excess to be sold under execution. If it appears that the property cannot be thus divided, and the amount of equity held by the claimant in the property exceeds the exemption allowed by this chapter, he shall order the entire property to be sold, and out

of the proceeds the sum of ~~[$350,000]~~ ~~*[$550,000]*~~ ***$450,000*** to be paid to the defendant in execution, and the excess to be applied to the satisfaction on the execution. No bid under ~~[$350,000]~~ ~~*[$550,000]*~~ ***$450,000*** may be received by the officer making the sale.

3. When the execution is against a husband or wife, the judge may direct the ~~[$350,000]~~ ~~*[$550,000]*~~ ***$450,000*** to be deposited in court, to be paid out only upon the joint receipt of the husband and wife, and the deposit possesses all the protection against legal process and voluntary disposition by either spouse as did the original homestead.

657.140 1. Except as otherwise provided in subsection 2, a financial institution shall not include in any loan agreement a provision that allows the financial institution to recover, take, appropriate or otherwise apply as a setoff against any debt or liability owing to the financial institution under the loan agreement money from an account unrelated to the loan agreement to the extent the money is exempt from execution pursuant to paragraph ~~[(x)]~~ ***(y)*** of subsection 1 of NRS 21.090.

2. The provisions of subsection 1 do not apply to a provision in a loan agreement that specifically authorizes automatic withdrawals from an account.

Assembly Bill No. 150.
Bill read third time.
The following amendment was proposed by Assemblywoman Weber:
Amendment No. 892.
AN ACT relating to controlled substances; making various changes pertaining to crimes related to the use or manufacturing of methamphetamine and other controlled substances; revising various provisions pertaining to nuisances; making various changes relating to lithium metal, sodium metal and anhydrous ammonia; enacting provisions relating to the sale or transfer of certain precursors to methamphetamine; providing penalties; and providing other matters properly relating thereto.
Legislative Counsel's Digest:
This bill makes various changes pertaining to methamphetamine and other controlled substances.
Section 40 of this bill prohibits a person from: (1) selling or transferring in the course of business a product that is a precursor to methamphetamine; or (2) engaging in the business of selling at retail a product that is a precursor to methamphetamine, unless the person is a pharmacy or the holder of a permit which allows the person to sell or transfer products that are precursors to methamphetamine. A person who violates these prohibitions is guilty of a category C felony. To obtain a permit to sell or transfer products that are precursors to methamphetamine, a person must submit an application to the State Board of Pharmacy and pay a fee of $200. The Board must issue a permit to a person if the Board determines, after considering certain factors, that the person will safely and lawfully sell products that are precursors to methamphetamine.
Section ~~[41]~~ **41.5** of this bill ~~[requires]~~ **provides that if** a pharmacy or ~~[the]~~ holder of a permit ~~[to: (1) comply with state and federal law concerning the sale and transfer of products that are precursors to methamphetamine; and~~

~~(2) submit to the Department of Public Safety a quarterly report of the quantity of each purchase and sale or transfer of a product that is a precursor to methamphetamine.]~~ **becomes aware of any unusual or excessive loss or disappearance of a product that is a precursor to methamphetamine, the pharmacy or holder of a permit must report the loss or disappearance to the Department of Public Safety.** If a pharmacy or ~~[permit]~~ holder **of a permit** does not comply with ~~[either of these requirements,]~~ **this requirement,** section 45 allows the State Board of Pharmacy to take certain disciplinary action against the pharmacy or ~~[permit]~~ holder ~~[.]~~ **of a permit.**

Section 2 of this bill prohibits the possession or disposition of chemical waste or debris resulting from the manufacture of methamphetamine. Section 3 of this bill prohibits the possession of lithium metal or sodium metal under certain circumstances.

Existing law prohibits a person from possessing certain chemicals with the intent to manufacture or compound a controlled substance other than marijuana. (NRS 453.322) Section 7 of this bill adds lithium metal and sodium metal to the list of prohibited chemicals. Section 7 also prohibits a person from providing such a chemical to another person with the intent that it be used in the manufacturing or compounding of a controlled substance other than marijuana.

Existing law provides that a building or place used to unlawfully manufacture a controlled substance is a nuisance, which creates civil liability, and a public nuisance, which is punishable criminally. (NRS 40.140, 202.450, 202.470) Sections 10 and 11 of this bill provide that a building or place that was used to unlawfully manufacture a controlled substance is both a nuisance and a public nuisance if certain activities relating to the decontamination of the building or place have not occurred within a certain period.

Section 12 of this bill provides that a person commits first degree arson if, by knowingly engaging in the manufacture of methamphetamine, the person sets fire to or causes an explosion that damages a dwelling house or personal property that is occupied by one or more persons. Section 13 of this bill provides that a person commits second degree arson if, by knowingly engaging in the manufacture of methamphetamine, the person sets fire to or causes an explosion that damages any abandoned building or structure. Section 14 of this bill provides that a person is guilty of a category B felony if the person commits the theft of certain chemicals that are precursors to controlled substances, regardless of the value of those chemicals.

Sections 21-32 of this bill require the State Department of Agriculture, in consultation with the Department of Public Safety, to certify substances that are added to anhydrous ammonia for the purpose of rendering the anhydrous ammonia unusable or undesirable for the manufacture of methamphetamine. To assist in advising the State Department of Agriculture on the certification of such substances, sections 32 and 33 of this bill create the Anhydrous Ammonia Advisory Committee.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Assemblyman Anderson requested that the following remarks be entered in the Journal.

ASSEMBLYMAN ANDERSON:

Thank you, Madam Speaker. Assembly Bill 150 revises provisions pertaining to methamphetamine and other controlled substances, including certain compounds commonly used in its manufacture and other controlled substances, known as precursors. Specifically, this bill limits to pharmacies and any business that is registered with the Nevada State Board of Pharmacy, the entities that may sell drugs that contain precursors to methamphetamine. A business which fails to register with the Nevada State Board of Pharmacy prior to selling such drugs or products containing precursors to methamphetamine is guilty of a Category C felony. The bill provides, secondly, that any pharmacy or business registered with the Nevada State Board of Pharmacy must report to the Nevada Department of Public Safety on a quarterly basis its purchase and sale of drugs that contain precursors to methamphetamine. The measure makes various changes pertaining to crime related to the use or manufacture of methamphetamine or other controlled substances and revises provisions pertaining to nuisance. The measure also requires the Nevada State Board of Pharmacy to research, identify, and recommend electronic monitoring software to the 2009 Legislature and creates the Anhydrous Ammonia Advisory Committee within the Nevada Department of Agriculture.

This particular piece of legislation was one which has been put forth for our communities. Here in this community, in Carson City, the mayor and the sheriff have children who are involved with this drug. Our prison system is filled with people who are addicted to this drug. We have to take a strong stand. This is the right thing to do. I have worn a red band for some time to remind me every day that our children deserve more. We, as a community, must end this dread disease. We must do everything we can to take this commodity off the street. This bill is not going to go near far enough to solve this problem, but we must do something. We must do the right thing. Voting for this bill is the right thing. We are going to make a difference in our state, for our kids and their tomorrow, for the young people who are now addicted to it, who may

now see light at the end of the tunnel. It is not the train coming at them to run them down. Thank you, Madam Speaker.

ASSEMBLYWOMAN LESLIE:

Thank you, Madam Speaker. I rise in support of A.B 150. We have heard a lot about methamphetamine this session. We have passed several bills already to make sure the state is in compliance with federal law. What we have not done and what we have the opportunity to do today is really take a stronger stand. We lead the nation in methamphetamine addiction. We lead the nation in youth meth addiction. Yet, we still allow convenience stores to sell precursors.

Methamphetamine is different from other drugs. You have heard that over and over. It is much more highly addictive. It is a synthetic drug. The only way to make methamphetamine is from these precursors. You have to have pseudoephedrine. We need to restrict that so we do not have an explosion of meth labs. It is true that law enforcement has put a lot of pressure on the methamphetamine labs in Nevada, as they have nationwide. They have been greatly reduced in number. Law enforcement has also been putting a lot a pressure on the meth coming into the country from Mexico. That is being reduced greatly. However, because of this, law enforcement officials testified to another surge in methamphetamine lab production in Nevada.

My colleague from Sparks has been very responsive to what the community has asked from us. We started out with a bill which would have matched Oregon, making it a prescription only process to get pseudoephedrine. In trying to balance the needs of the citizens of this state and the retailers, we worked this bill all session to the point where we have a compromise, as my colleague said, as much as we can compromise. There are still objections to parts of the bill that say convenience stores, if they want to sell this product, have to register and have to follow the rules. They also have to report their inventory. There are those who say these regulations are overly burdensome and should not be placed upon these convenience stores. If convenience stores do not want to sell pseudoephedrine, do not sell it. That would be the best result possible, from my point of view. The less we have these products available to the public, the fewer methamphetamine labs we are going to have, the fewer people are going to get addicted, the fewer people are going to be clogging our prison system due to this horrible, horrible drug. There will be some excuses today why people will vote against this bill. Please remember—this is your opportunity to take a stronger stand and to send a message to the children in our state that this Legislature wants to do something significant over and beyond what the federal government has done to stop methamphetamine abuse in Nevada. I urge your support.

ASSEMBLYMAN SETTELMEYER:

Thank you, Madam Speaker. Recently, with my daughter, I tried to get some pseudoephedrine for her at the store. I was surprised by the amount of paperwork we had to go through. You have to show your identification and then they wanted a second form of identification to validate that my primary identification was okay. I found it fairly burdensome as a person trying to acquire a legal product. I think we should try to enforce the laws which we already have. It is also my opinion that the reporting mechanism within the legislation has one individual actually recording their input and their output—both sides of the equation. If you are going to cook methamphetamine, you are going to cook the books, too. If an individual is going to be sitting around, finding drugs any way they can or to cook methamphetamine, they are just going to cook the books for that purpose. Thank you.

ASSEMBLYMAN HORNE:

Thank you, Madam Speaker. I rise in support of A.B. 150. In my practice, the courts assign me clients on a regular basis. I have to tell you there is rarely a day that one of these clients does not have a methamphetamine problem. This does not translate into these clients of mine being in the courts because they have been caught with meth. These are people who have been caught doing crimes to get money for their meth. These are people who have been neglecting their children because the meth has become more important to them. These are people who have gotten so wrapped in their meth addiction that their physical health is readily apparent. Judge Assad keeps pictures in his court room of “before” and then of “after” on many of these defendants. You would be absolutely startled by the changes this drug does.

Some people have objections because of the fee for a permit for the stores that want to sell precursors. If you put that on a scale, balanced between the damage this drug is doing in our community to the price which is being paid, it is small. The scales tip. We have to take this strong stand here and say we are going to put provisions in place. We are going to put mechanisms in place to make it nearly impossible to make this dangerous, dangerous drug. We owe it to our state. We see the money we are spending on prisons. We see what we are spending on health care. We see what we are spending on other kinds of issues. Much of our money is going out the door, and you can follow the trail to methamphetamine. It is happening. It is alive. We have been talking about this for a long time. In 2003, my first bill was a meth bill. We have to get a handle on this. We have to do it now. I urge your support.

ASSEMBLYMAN BOBZIEN:

Thank you, Madam Speaker. I rise in support of A.B. 150. I would challenge everyone in this body to think of the personal stories we have all heard throughout the session about meth. The one which is near and dear to me is about some good friends of mine who have a daughter who is in and out of their lives on a regular basis. They lose track of her for months at a time. She runs away for extended periods. Now and then they reconnect or they receive news about her. I remember some months back they were anxiously awaiting the arrival of her eighteenth birthday. They knew once they had crossed beyond that threshold, getting her back was going to become harder and harder. I wished I could report to you a happy ending to this story. The ending has not yet been determined, however.

As my colleague from Assembly District 27 alluded to, methamphetamine is unique in two regards. Firstly, it is so powerful, addictive, and destructive. Secondly, there is a very easy way to control it relative to other controlled substances we are worried about. It is the control of the precursors. This bill makes an important step forward for this state, being able to monitor and figure out what's going on with these precursor materials. I urge your support.

ASSEMBLYMAN MABEY:

Thank you, Madam Speaker. I rise in opposition to this bill. I appreciate the hard work of those who have supported the bill. I have had personal experiences with my neighbor who is on drugs. One morning I was sitting in my home, reading a book, and I had a knock at the door. A gentleman came to the door. I had never met him before even though he was neighbor. In Las Vegas, we don't always know our neighbors very well. He started crying and I invited him in. He showed me the obituary of his son's friend, who had just died from an overdose. He told me one of his son's other friends had just died a month or so before that. They had asked him to submit to a drug test and he had tested positive. I know how this drug can hurt people.

I've tried to meet with both sides, I've tried to resolve one issue which I feel my colleague from Gardnerville tried to address and did well. I just don't think that provision of the bill will help. For that reason, and that reason alone, I will oppose the bill. I agree with the part which says it should not be in convenience stores or if they want to comply, as this bill states, that would be fine by me. But for the reason mentioned, I will oppose the bill. Thank you.

SHERRY L. RODRIGUEZ
Assistant Secretary of the Senate

MOTIONS, RESOLUTIONS AND NOTICES

Senate Concurrent Resolution No. 46.

Assemblywoman Buckley moved the adoption of the resolution.

Remarks by Assemblymen Buckley, Arberry, Marvel, Christensen, Segerblom, Horne, and Ohrenschall.

Assemblywoman Buckley requested that the following remarks be entered in the Journal.

ASSEMBLYWOMAN BUCKLEY:

It is my great honor to rise in support of this resolution. I recall when my colleague from Assembly District 7 decided to include some planning money for a law school in his budget. I remember thinking to myself, "I would love to see a law school here, but I am not sure we can really do it—it is a huge undertaking."

I was one of the many Nevadans who desperately wanted to stay in Nevada to do my legal education, but there was no law school here. I was all by myself applying for scholarships. The thought of having to quit my job and move to a place where I knew absolutely no one was a scary proposition. I did it, but it would have been much easier had I not had to leave my home and friends to go to a first-rate law school.

I think the effort came about because of that frustration of many—for our children, for our grandchildren, and for our community that was losing those resources. Often when people move away, they fall in love with their new community, and then they do not come back. We felt like we were missing the best and the brightest, and so began that journey.

Many years ago, an exploratory committee was developed followed by a hiring committee when the money was funded. They selected Dean Morgan to be the first dean of the William S. Boyd School of Law. That decision ensured the success of the law school. It was an incredible undertaking to put together policies, procedures, curriculum, and staff; decide the courses; do the advertising; recruit the students; develop the scholarships; and deal with all of the funding issues, but Dick did it. The law school opened within 11 months of its founding. The average is two years, but he did it and did it well.

I recall meeting Dick when he was on the job a couple of weeks. I heard that we had hired the new dean, so I went to meet him. He was in a temporary office in the Bigelow Health Sciences Building, and I had trouble finding him because there was no office for him to go to when he arrived. I was making the pitch that we are going to have all these new law students, and I wondered if we could get some of them to do community legal service. I saw the unmet legal needs of people every day. How can people deal with domestic violence or being defrauded when they cannot afford an attorney? I had heard of some of these endeavors at other law schools and asked the dean, "Can we put together something where law students could work in our legal aid office to help the poor?" The dean said, "One of the hallmarks of this school is going to be community service. We could require every law student to do community legal service to help the disadvantaged as a requirement of graduation." After I lifted my jaw off the ground, I said "That would be so incredible."

Over the past ten years, over 18,000 people have received free legal service as a result of the partnership between the law school and the legal aid services in Clark County.

That is just the beginning of it—from developing clinics to assisting the legal community to actually having law students learn by doing by going to court under the supervision of a faculty member. Whether it was creating scholarships and seats to attract the very best, attracting and retaining some incredibly gifted faculty members so that the students have the opportunity to learn from the best in so many subject areas, or moving to a law school campus that anyone can be proud of from the humble beginnings at the Paradise Elementary School campus where the setting was rather pint-sized for the faculty and students, the dean made it all happen.

The other remarkable part was the journey to accreditation. I do not think any other law school has ever been accredited so quickly, and it is because of the attention to detail that the dean paid. On every milestone, the dean and faculty worked with the accrediting committee. They worked hard making sure everything got done, and the committee was so impressed. I had the privilege of flying to the accreditation review committee meeting in Texas with Judge Proe, Dean Morgan, Jim Rogers, and Bill Boyd where I testified in support of the law school—mentioning some of the many accomplishments that they had made. I have never heard so many complimentary remarks, and again, it is because of the attention to detail that Dean Morgan paid in paving the way to make sure that accreditation happened.

He is a remarkable man, and it is a remarkable law school—an institution we can all be proud of, and it is because of his hard work and vision in making it happen.

I think the other key to the success of the dean is his great manner of communication. Every person's problem becomes his problem. He does it with a sense of humility and a sense of purpose because it is all about the state. It is all about providing a quality of education and moving our state forward in excellence. It is my honor to sponsor this resolution, along with the Senate Majority Leader, and to congratulate Dean Morgan on his retirement and his accomplishments with a great Nevada institution which we can all be proud of.

ASSEMBLYMAN ARBERRY:

It is an honor for me to stand up and say a few words about the dean. I rise in support of Senate Concurrent Resolution 46. When this issue came about—when this body voted to create the law school—I heard from President Harter who was back in New York. She received a call that we had created a law school and a study, and it was going to be her first time coming to Las Vegas to head the university.

Our biggest concern was finding someone who could lead this law school and have the tenacity to take this law school to the height that it could possibly go. It was critical because we had so much opposition along the way in trying to create the law school. Some people did not want the law school here, but as the Speaker mentioned, we really needed it.

Some people thought that I wanted to go to law school because I was so supportive of this, but no, it was because of the reasons that the Speaker just mentioned. It was for you, your kids, and your grandkids that decide that they want to go to law school but do not have the means to leave their home and family.

There was also a generation in their 30s or 40s that wanted to go back to school and practice law but could not leave because they had a family and a home, here, to take care of. That was the motive behind this—plus the Senator that passed away.

When the dean was selected by the regents and the president and I had an opportunity to meet him at a football game, he asked me where I envisioned this law school. After the first words came out of his mouth, I knew this law school was going to be fantastic—that they had selected the right person to take this law school to a high level.

I told the dean, "All I want this school to do is take off like a flying jet plane leaving the ground, and I know you can do it. It has to get to an altitude where people will recognize this law school throughout the country." I can say that the dean did that.

I hate to see you leave because you have done such a fantastic job, but I know you have a life for yourself. We are so honored that you chose to come to Las Vegas—to Nevada— to be the dean of this law school. Most of the people you see in this body are homegrown or third-generation. You were a first-generation coming to Nevada, but the way you worked and maneuvered through the community—from north to south and all over Nevada, looking out for everyone—I could see it was in your heart.

I am honored to have met you, to be your friend, and to constantly discuss with you about what the law school needs. I will always try to be there for you—I do not know about the new person—but I promise I will do what I can. Dean, enjoy yourself, congratulations, and we will really miss you.

ASSEMBLYMAN MARVEL:

I, too, rise in support of Senate Concurrent Resolution 46. For a while, we wore T-shirts around here that said "Moose U." Nevada has been fortunate in having you and the tremendous job you have done to create an image for the state of Nevada as having one of the top-rate law schools in the United States, if not the world. We owe you a debt of gratitude. I hate to see you retire, and I hope that your successor will be as successful as you. I wish you good luck in your future ventures, and it has been a pleasure knowing you.

ASSEMBLYMAN CHRISTENSEN:

I, too, rise in staunch support of Senate Concurrent Resolution 46. It was January of 2003, Mr. Morgan, when you and I first met. I had heard so many great things. I was a newly elected Assemblyman, and I had heard so much about the law school. I had a meeting down at UNLV, and I thought I should go meet this sensational man that I kept hearing so much about. I was more than impressed, and I am sad to see you go. I actually forgot that your first name was Richard because I kept hearing "Dean Morgan" so much until about eight months ago when I saw your name written, but you will always be Dean Morgan to all of us I am sure.

The reason why I stand to support this measure is because, as we hear all the accolades that are associated with Dean Morgan coming to launch this program, we have a great model here in front of us as to the kind of talent that the city of Las Vegas, university system, government programs, and state of Nevada are able to attract. We see that in Dean Morgan and for that, I say thank you.

ASSEMBLYMAN SEGERBLOM:

Dean Morgan, I want to thank you personally. My daughter just graduated from the law school and instead of having a debt of $150,000, which I would probably have to pay, she graduated debt-free. I am particularly proud of that and proud of what you have done. Thank you very much.

ASSEMBLYMAN HORNE:

I rise in support of Senate Concurrent Resolution 46. Dean Morgan, I want to say that I really appreciate your leadership at the law school.

As everyone here knows, I am an alumnus. I graduated in December of 2001. When I decided to leave my previous career and go to law school, it had not opened yet. I put out my applications and did some homework, and Dean Morgan's reputation preceded him.

I have family back in Buffalo and received an offer to go to the State University of New York at Buffalo—my cousin graduated from there. She pleaded with me not to attend the William S. Boyd School of Law because it was not accredited and she did not want me to cubbyhole myself. I told her, "You know what, I think I am going to be okay," and it turned out to be okay.

You just do not know how good the faculty is. The Speaker said that he attracted good faculty—he stole them—and I am glad that he did. We have people like Carl Tobias, arguably one of the most published tort professors in the country; Ruth Marquell, who sits on the U.S. bench for bankruptcy; and people who are serving on the bench in Clark County. We have the Majority Leader in the Assembly as a graduate. To my right, we have a current student as well. We have members in the Legislative Counsel Bureau and alum that are with the Secretary of State's office, lobbyists, district attorneys, attorneys general, public defenders, and the list goes on and on.

This school is making such an impact on our state, and it is due to the leadership of Dean Morgan and the staff that he brought. His focus and the vision that he had for our school were so different. Students like myself that are not necessarily the sharpest knife in the drawer are able to be successful at this school because the professors are so accessible. I had a meltdown on a mini exam during my first semester. In any other law school they would have just let me melt away, but Professor McGinley did not. She told me to shake it off, get back into it, and she showed me how to take a law school exam. This is what Dean Morgan has done. I appreciate it and the school will miss you, but you have set such a high standard that I think it will be fine. Thank you.

ASSEMBLYMAN OHRENSCHALL:

Thank you very much, Mr. Speaker pro Tempore. I rise in support of S.C.R. 46. Dean Morgan, it is kind of an emotional moment for me. At my desk, I have two lawyers and two law students, including myself. The two lawyers had to go to law school back east. The two law students are currently at your law school down in Las Vegas. I think it is symbolic of the future of Nevada law and what a stamp you are setting on it.

I grew up in Las Vegas and went to many bar functions. There was always talk through the 1970s and 1980s that we needed a law school in Las Vegas, that we had to get a law school in Nevada. It was a shame so many students had to go out of state. When I was younger, I thought they were probably going to build a law school. When the 1980s rolled along, we would keep hearing how we were going to get a law school and how we needed one here.

About the end of the 1980s, I had pretty much decided they were going to talk about doing it but never do it. There was a lot of institutional inertia that you really overcame. You had to fight and get the law school going. I'll never forget when Supreme Court Justice Kennedy was there at the dedication of the new building on the campus. He even taught some classes. That is pretty amazing. I don't know of too many law schools which have a sitting Supreme Court Justice teach constitutional law classes.

I remember one day having a meeting with Professor Aldana and her phone rang. She answered it and told me later that the dean needed help with something. He's looking to help someone in the community. At first I wondered, "Dean who?" Who was she referring to? I realized then at the Boyd Law School they were referring to you when they said "Dean needs this" or "Dean is interested in helping someone." You are the only person they refer to just as

"Dean." I think most of the law students also refer to you as friend. We'll miss you and we wish you well. Thank you very much.

Amendment No. 930.

Legislative Counsel's Digest:

Section 1 of this bill revises the definition of "firearm" and increases the penalty for the unlawful possession of a firearm while on school property from a gross misdemeanor to a category E felony. (NRS 202.265) **Section 1 further makes the provisions prohibiting a person from carrying or possessing certain firearms while on school grounds or in a vehicle of a school applicable to child care facilities. However, if the child care facility is located at or in the home of a natural person, those provisions do not apply to the owner or operator of the facility who resides in the home if he complies with all laws concerning possession of the weapon. In addition, the prohibition only applies with respect to such a facility during the normal hours of business.** Existing law allows a juvenile court to decide whether to order a child who is taken into custody for certain unlawful acts involving firearms to submit to an evaluation by a qualified professional. (NRS 62C.060) Section 3 of this bill requires a juvenile court to order a child who is taken into custody for possession of a firearm on school property **or at a child care facility** to submit to an evaluation by a qualified professional and a drug test.

Existing law sets forth certain conditions to be imposed on sex offenders on lifetime supervision or released on parole, probation or a suspended sentence. (NRS 176A.410, 213.1243, 213.1245, 213.1255) Sections 4-6 of this bill prohibit such sex offenders from establishing residences in a facility that houses more than three persons who have been released from prison unless the facility is a facility for transitional living for released offenders that is licensed pursuant to chapter 449 of NRS.

Existing law gives school police officers the powers of a peace officer ~~[.]~~ **and establishes the jurisdiction of such officers.** (NRS ~~[289.190]~~ **391.275)** Section ~~[8]~~ **8.5** of this bill ~~[defines the scope of authority of school police officers, including the authority to issue traffic citations on any public street lying near any public school.]~~ **expands the jurisdiction of school police officers in certain circumstances.**

Sec. 3.8. **NRS 281.501 is hereby amended to read as follows:**

281.501 1. Except as otherwise provided in subsection 2, 3 or 4, a public officer may vote upon a matter if the benefit or detriment accruing to him as a result of the decision either individually or in a representative capacity as a member of a general business, profession, occupation or group is not greater than that accruing to any other member of the general business, profession, occupation or group.

2. Except as otherwise provided in subsection 3, in addition to the requirements of the code of ethical standards, a public officer shall not vote upon or advocate the passage or failure of, but may otherwise participate in the consideration of, a matter with respect to which the independence of judgment of a reasonable person in his situation would be materially affected by:

(a) His acceptance of a gift or loan;

(b) His pecuniary interest; or

(c) His commitment in a private capacity to the interests of others.

➥ It must be presumed that the independence of judgment of a reasonable person would not be materially affected by his pecuniary interest or his commitment in a private capacity to the interests of others where the resulting benefit or detriment accruing to him or to the other persons whose interests to which the member is committed in a private capacity is not greater than that accruing to any other member of the general business, profession, occupation or group. The presumption set forth in this subsection does not affect the applicability of the requirements set forth in subsection 4 relating to the disclosure of the pecuniary interest or commitment in a private capacity to the interests of others.

3. In a county whose population is 400,000 or more, a member of a county or city planning commission shall not vote upon or advocate the passage or failure of, but may otherwise participate in the consideration of, a matter with respect to which the independence of judgment of a reasonable person in his situation would be materially affected by:

(a) His acceptance of a gift or loan;

(b) His direct pecuniary interest; or

(c) His commitment to a member of his household or a person who is related to him by blood, adoption or marriage within the third degree of consanguinity or affinity.

➥ It must be presumed that the independence of judgment of a reasonable person would not be materially affected by his direct pecuniary interest or his commitment described in paragraph (c) where the resulting benefit or detriment accruing to him or to the other persons whose interests to which the member is committed is not greater than that accruing to any other member of the general business, profession, occupation or group. The presumption set forth in this subsection does not affect the applicability of the requirements set forth in subsection 4 relating to the disclosure of the direct pecuniary interest or commitment.

4. A public officer or employee shall not approve, disapprove, vote, abstain from voting or otherwise act upon any matter:

(a) Regarding which he has accepted a gift or loan;

(b) Which would reasonably be affected by his commitment in a private capacity to the interest of others; or

(c) In which he has a pecuniary interest,

➥ without disclosing sufficient information concerning the gift, loan, commitment or interest to inform the public of the potential effect of the action or abstention upon the person who provided the gift or loan, upon the person to whom he has a commitment, or upon his interest. Except as otherwise provided in subsection 6, such a disclosure must be made at the time the matter is considered. If the officer or employee is a member of a body which makes decisions, he shall make the disclosure in public to the Chairman and other members of the body. If the officer or employee is not a member of such a body and holds an appointive office, he shall make the disclosure to the supervisory head of his organization or, if he holds an elective office, to the general public in the area from which he is elected. This subsection does not require a public officer to disclose any campaign contributions that the public officer reported pursuant to NRS 294A.120 or 294A.125 ***or any contributions to a legal defense fund that the public officer reported pursuant to section 1.7 of this act*** in a timely manner.

5. Except as otherwise provided in NRS 241.0355, if a public officer declares to the body or committee in which the vote is to be taken that he will abstain from voting because of the requirements of this section, the necessary quorum to act upon and the number of votes necessary to act upon the matter, as fixed by any statute, ordinance or rule, is reduced as though the member abstaining were not a member of the body or committee.

6. After a member of the Legislature makes a disclosure pursuant to subsection 4, he may file with the Director of the Legislative Counsel Bureau a written statement of his disclosure. The written statement must designate the matter to which the disclosure applies. After a Legislator files a written statement pursuant to this subsection, he is not required to disclose orally his interest when the matter is further considered by the Legislature or any committee thereof. A written statement of disclosure is a public record and must be made available for inspection by the public during the regular office hours of the Legislative Counsel Bureau.

7. The provisions of this section do not, under any circumstances:

(a) Prohibit a member of the Legislative Branch from requesting or introducing a legislative measure; or

(b) Require a member of the Legislative Branch to take any particular action before or while requesting or introducing a legislative measure.

8. As used in this section, "commitment in a private capacity to the interests of others" means a commitment to a person:

(a) Who is a member of his household;

(b) Who is related to him by blood, adoption or marriage within the third degree of consanguinity or affinity;

(c) Who employs him or a member of his household;

(d) With whom he has a substantial and continuing business relationship; or

(e) Any other commitment or relationship that is substantially similar to a commitment or relationship described in this subsection.

Sec. 4. This act becomes effective upon passage and approval.

Assemblywoman Koivisto moved the adoption of the amendment.

Amendment adopted.

Bill ordered reprinted, reengrossed and to third reading.

Senate Bill No. 548.

Bill read second time.

The following amendment was proposed by the Committee on Elections, Procedures, Ethics, and Constitutional Amendments:

Amendment No. 864.

AN ACT relating to public office; revising the provisions governing filing of statements of financial disclosure by public officers and candidates for public office; requiring certain statements advocating the election or defeat of a candidate for state or local office and published by persons receiving compensation from the candidates, opponents of the candidates or certain political groups to contain disclosures of certain information regarding that compensation; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires certain appointed and elected public officers and candidates for public office to file financial disclosure statements. (NRS 281.559, 281.561) Sections 1 and 2 of this bill clarify that each disclosure statement is intended to disclose the required information for the full calendar year immediately preceding the deadline for filing the statement and, for candidates, to also disclose the required information for the period between January 1 of the year in which the election for the office will be held and the last day to qualify as a candidate for the office.

Existing law provides for a number of required and prohibited acts relating to election campaigns. (NRS 294A.290-294A.343) Section 3 of this bill requires certain statements advocating the election or defeat of a candidate for state or local office and published by persons receiving compensation from the candidates, opponents of the candidates or certain political groups to include a disclosure of certain information regarding that compensation.

Existing law requires a person who publishes any material or information relating to an election, candidate or ballot question to disclose on the publication itself the name and address of each person responsible for paying for the publication. (NRS 294A.320) The United States Court of Appeals for the Ninth Circuit held that although the State had compelling interests in providing useful information to the electorate, in preventing election fraud and in ensuring compliance with its campaign finance laws, NRS 294A.320 was unconstitutional because it prohibited far more anonymous political speech than was necessary to achieve the State's legitimate interests and because its provisions were overbroad and could be further limited in order to withstand strict scrutiny. (*ACLU v. Heller*, 378 F.3d 979 (9th Cir. Nev. 2004))

Section 5 of this bill repeals NRS 294A.320.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 281.559 is hereby amended to read as follows:

281.559 1. Except as otherwise provided in subsection 2, if a public officer who was appointed to the office for which he is serving is entitled to receive annual compensation of $6,000 or more for serving in that office, he shall file with the Commission a statement of financial disclosure, as follows:

(a) A public officer appointed to fill the unexpired term of an elected or appointed public officer shall file a statement of financial disclosure within 30 days after his appointment.

(b) Each public officer appointed to fill an office shall file a statement of financial disclosure on or before January 15 of each year of the term, including the year the term expires.

➥ ***The statement must disclose the required information for the full calendar year immediately preceding the date of filing.***

2. If a person is serving in a public office for which he is required to file a statement pursuant to subsection 1, he may use the statement he files for that initial office to satisfy the requirements of subsection 1 for every other public office to which he is appointed and in which he is also serving.

3. A judicial officer who is appointed to fill the unexpired term of a predecessor or to fill a newly created judgeship shall file a statement of financial disclosure pursuant to the requirements of Canon 4I of the Nevada Code of Judicial Conduct. Such a statement of financial disclosure must include, without limitation, all information required to be included in a statement of financial disclosure pursuant to NRS 281.571.

4. The Commission shall provide written notification to the Secretary of State of the public officers who failed to file the statements of financial disclosure required by subsection 1 or who failed to file those statements in a timely manner. The notice must be sent within 30 days after the deadlines set forth in subsection 1 and must include:

(a) The name of each public officer who failed to file his statement of financial disclosure within the period before the notice is sent;

(b) The name of each public officer who filed his statement of financial disclosure after the deadlines set forth in subsection 1 but within the period before the notice is sent;

(c) For the first notice sent after the public officer filed his statement of financial disclosure, the name of each public officer who filed his statement of financial disclosure after the deadlines set forth in subsection 1 but within the period before the notice is sent; and

(d) For each public officer listed in paragraph (c), the date on which the statement of financial disclosure was due and the date on which the public officer filed the statement.

5. In addition to the notice provided pursuant to subsection 4, the Commission shall notify the Secretary of State of each public officer who

files a statement of financial disclosure more than 30 days after the deadlines set forth in subsection 1. The notice must include the information described in paragraphs (c) and (d) of subsection 4.

6. A statement of financial disclosure shall be deemed to be filed with the Commission:

(a) On the date that it was mailed if it was sent by certified mail; or

(b) On the date that it was received by the Commission if the statement was sent by regular mail, transmitted by facsimile machine or electronic means, or delivered personally.

Sec. 2. NRS 281.561 is hereby amended to read as follows:

281.561 1. ~~[Each]~~ ***Except as otherwise provided in subsection 2, each*** candidate for public office who will be entitled to receive annual compensation of $6,000 or more for serving in the office that he is seeking and, except as otherwise provided in subsection ~~[2,]~~ ***3,*** each public officer who was elected to the office for which he is serving shall file with the Secretary of State a statement of financial disclosure, as follows:

(a) A candidate for nomination, election or reelection to public office shall file a statement of financial disclosure no later than the 10th day after the last day to qualify as a candidate for the office ***.*** ~~[; and]~~ ***The statement must disclose the required information for the full calendar year immediately preceding the date of filing and for the period between January 1 of the year in which the election for the office will be held and the last day to qualify as a candidate for the office. The filing of a statement of financial disclosure for a portion of a calendar year pursuant to this paragraph does not relieve the candidate of the requirement of filing a statement of financial disclosure for the full calendar year pursuant to paragraph (b) in the immediately succeeding year, if he is elected to the office.***

(b) Each public officer shall file a statement of financial disclosure on or before January 15 of each year of the term, including the year the term expires. ***The statement must disclose the required information for the full calendar year immediately preceding the date of filing.***

2. ***Except as otherwise provided in this subsection, if a candidate for public office is serving in a public office for which he is required to file a statement pursuant to paragraph (b) of subsection 1 or subsection 1 of NRS 281.559, he need not file the statement required by subsection 1 for the full calendar year for which he previously filed a statement. The provisions of this subsection do not relieve the candidate of the requirement pursuant to paragraph (a) of subsection 1 to file a statement of financial disclosure for the period between January 1 of the year in which the election for the office will be held and the last day to qualify as a candidate for the office.***

3. A person elected pursuant to NRS 548.285 to the office of supervisor of a conservation district is not required to file a statement of financial disclosure relative to that office pursuant to subsection 1.

~~[3.]~~ ***4.*** A candidate for judicial office or a judicial officer shall file a statement of financial disclosure pursuant to the requirements of Canon 4I of the Nevada Code of Judicial Conduct. Such a statement of financial disclosure must include, without limitation, all information required to be included in a statement of financial disclosure pursuant to NRS 281.571.

~~[4.]~~ ***5.*** A statement of financial disclosure shall be deemed to be filed with the Secretary of State:

(a) On the date that it was mailed if it was sent by certified mail; or

(b) On the date that it was received by the Secretary of State if the statement was sent by regular mail, transmitted by facsimile machine or electronic means, or delivered personally.

~~[5.]~~ ***6.*** The statement of financial disclosure filed pursuant to this section must be filed on the form prescribed by the Commission pursuant to NRS 281.471.

~~[6.]~~ ***7.*** The Secretary of State shall prescribe, by regulation, procedures for the submission of statements of financial disclosure filed pursuant to this section, maintain files of such statements and make the statements available for public inspection.

Sec. 3. Chapter 294A of NRS is hereby amended by adding thereto a new section to read as follows:

1. A statement which:

(a) Is published within 60 days before a general election, general city election or special election or 30 days before a primary election or primary city election;

Sec. 4. **NRS 294A.420 is hereby amended to read as follows:**

294A.420 1. If the Secretary of State receives information that a person or entity that is subject to the provisions of NRS 294A.120, 294A.128, 294A.140, 294A.150, 294A.200, 294A.210, 294A.220, 294A.230, 294A.270, 294A.280 or 294A.360 has not filed a report or form for registration pursuant to the applicable provisions of those sections, the Secretary of State may, after giving notice to that person or entity, cause the appropriate proceedings to be instituted in the First Judicial District Court.

2. Except as otherwise provided in this section, a person or entity that violates an applicable provision of NRS 294A.112, 294A.120, 294A.128, 294A.130, 294A.140, 294A.150, 294A.160, 294A.200, 294A.210, 294A.220, 294A.230, 294A.270, 294A.280, 294A.300, 294A.310 [~~, 294A.320~~] or 294A.360 is subject to a civil penalty of not more than $5,000 for each violation and payment of court costs and attorney's fees. 3. If a civil penalty is imposed because a person or entity has reported its contributions, expenses or expenditures after the date the report is due, except as otherwise provided in this subsection, the amount of the civil penalty is:

(a) If the report is not more than 7 days late, $25 for each day the report is late.

(b) If the report is more than 7 days late but not more than 15 days late, $50 for each day the report is late.

(c) If the report is more than 15 days late, $100 for each day the report is late.

➥ A civil penalty imposed pursuant to this subsection against a public officer who by law is not entitled to receive compensation for his office or a candidate for such an office must not exceed a total of $100 if the public officer or candidate received no contributions and made no expenditures during the relevant reporting periods.

4. For good cause shown, the Secretary of State may waive a civil penalty that would otherwise be imposed pursuant to this section. If the Secretary of State waives a civil penalty pursuant to this subsection, the Secretary of State shall:

(a) Create a record which sets forth that the civil penalty has been waived and describes the circumstances that constitute the good cause shown; and

(b) Ensure that the record created pursuant to paragraph (a) is available for review by the general public.

Amendment No. 933.

AN ACT relating to education; **establishing an Advisory Council on Parental Involvement;** authorizing teachers in elementary schools to provide reports to parents and legal guardians of pupils under certain circumstances; requiring support teams established for certain schools to review certain information; ~~[establishing an interim Advisory Council on Parental Involvement;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Sections 2-4 of this bill establish an Advisory Council on Parental Involvement and prescribe the membership and duties of the Advisory Council.

The statewide system of accountability for public schools requires that public schools be designated each year based upon adequate yearly progress. (NRS 385.3623) A support team must be established for each public school that is designated as demonstrating need for improvement for 3 consecutive years or more. (NRS 385.3721) Each support team is required to review certain information pertaining to the school and revise the school's plan to improve accordingly. (NRS 385.3741) Section ~~[1]~~ **5** of this bill requires the support team to review information provided to the support team concerning educational involvement accords and reports provided to parents and legal guardians by elementary school teachers.

Section ~~[2]~~ **6** of this bill authorizes a teacher in an elementary school to provide to each parent and legal guardian of a pupil enrolled in the school, on

a form prescribed by the Department of Education, a report containing certain information about the pupil and the involvement of the parent or legal guardian in the education of his child. Aggregate information concerning any completed reports must be provided to the support team established for the school, if a support team has been established.

Under existing law, each public school is required to provide to each parent or legal guardian of a pupil an educational involvement accord. The accord provides information concerning the responsibilities of the parent or legal guardian, the pupil and the school in the education of the pupil. (NRS 392.4575) Section ~~[3]~~ **7** of this bill requires principals of schools designated as demonstrating need for improvement for 3 consecutive years or more to provide aggregate information concerning the accords to the support team established for the school.

Under existing law, each classroom teacher is required to provide the code of honor relating to cheating to the parent or legal guardian of each pupil enrolled in his class as part of the educational involvement accord. (NRS 392.4575) Section ~~[4]~~ **8** of this bill requires provision of the code of honor relating to cheating to the pupil as well as his parent or legal guardian for their signature on that document. (NRS 392.461)

~~[Sections 5 and 6 of this bill establish an interim Advisory Council on Parental Involvement to study issues relating to parental involvement in education.]~~

REMARKS FROM THE FLOOR

Assemblyman Marvel requested that the following remarks be entered in the Journal.

ASSEMBLYMAN MARVEL:

Thank you, Madam Speaker. It is a pleasure, for the second time, to be able to honor a constituent and a dear friend of all of us who have served with him—Virgil Getto. The resolution speaks well to all of his accomplishments. Virgil, as you know, will go down in the books as the only legislator to be a freshman five times. With term limits, I imagine that record will stand forever. Virgil has really been a cornerstone for the state of Nevada, for the ranching and farming industry, and certainly here in the Legislature. He and my friend, former Speaker Dini, were here when I was here. They were mentors to many of us. It is a pleasure to have served with someone who has been involved in education and legislation and is a community leader. It is a pleasure to have Virgil and his family and friends here today.

ASSEMBLYMAN OCEGUERA:

Thank you, Madam Speaker. Virgil, I had two pages of remarks I made last time, so I will not repeat them. I said a lot of nice things about you the first time. Among those distinctions, like being a five-time elected freshman, you will be the only person not to show up for his Wall of Distinction induction. Virgil, you were a role model to me growing up in Fallon, and I just wanted to tell you that. I appreciate everything you have done for me and my family and rural Nevada, as well. Thank you.

ASSEMBLYMAN ANDERSON:

I, too, want to rise in support. While I did not speak at the first presentation of this resolution, I did want to recognize that Virgil's commitment to education was legendary. When I had the opportunity to come to the Legislature in the 1980s and talk about education issues, he was always a willing ear and a mentor relative to the questions which were important to teachers and to kids and schools. I think that is what Virgil is all about. When I came here as a freshman in 1991, he and Speaker Dini clearly set the tone of that session, which was "It is not about me; it is about Nevada." He made sure that Nevada viewpoint was always there. I appreciated his willingness to always remember that he came from the "House of the People." It is in the "House of the People" that we honor him. For that, I rise in recognition of my good friend, Virgil Getto.

ASSEMBLYMAN CARPENTER:

Thank you, Madam Speaker. I, too, rise in support of the resolution. When I came to the Assembly, there was no question that Virgil was my best friend and mentor. There was no better teacher than Virgil. He always stood up for what he believed in. As I said before, he would walk down the hall and claim he was not going to say anything that day. We would get down here and some issue would catch his eye and he would talk for 20 minutes until he either got the bill passed or defeated. I really enjoyed Virgil for so many years. He was such a great friend. He's a real farmer, you know. Right now, when Virgil goes back, he doesn't go back to retire; he goes back to farm. He really hates weeds so he burns every ditch in Churchill County. Virgil, it is so good to see you. I am glad you made it this time. Good luck. Thank you.

ASSEMBLYMAN ARBERRY:

Thank you, Madam Speaker. It is good to see Virgil here today. I talked about the cow you gave me years ago. You probably don't remember my cow. That is okay. Pete Goicoechea has

given me a new cow, Virgil. So, I have a new cow. It is good to see you. It was an honor working with you over the years. We had some great talks; we broke bread together some evenings and at lunch. You look healthy, you look well. We are just glad to see you. Congratulations.

Madam Speaker requested the privilege of the Chair for the purpose of making the following remarks:

I would like to add my comments in support of the resolution. It is a great honor for me to be able to continue the tradition of having a Wall of Distinction. It is our version of a hall of fame. This session the responsibility of who to select was placed with me. I started interviewing staff and veteran legislators and my colleagues. Virgil's name was presented. Everyone I vetted it to agreed. I think all six of our recipients have the following characteristics: integrity, accomplishment, dedication, tenacity, a bit of personality, and most of all, caring about our state and putting the needs of our state above all else. Virgil, you join very distinguished company in exemplifying all those traits. Your accomplishments are appreciated, and most of all, they are still remembered. The leadership all our recipients displayed carries forward to this day as does the legacy they have set. We thank you. We so are pleased to be able to honor you.

THE ONE HUNDRED AND EIGHTH DAY

CARSON CITY (Wednesday), May 23, 2007

Assembly called to order at 11:06 a.m.

Madam Speaker presiding.

Roll called.

All present except Assemblyman Settelmeyer, who was excused.

Prayer by the Chaplain, Pastor Albert Tilstra.

Lord, before we become too involved in the routines of the day, we pause to seek Your help. Experienced in the ways of men, we know all too little of the ways of God. You know each one of us, by name and by our needs. Forgive, O Lord, our failure to apply to ourselves the standards of conduct we demand of others. Forgive our slowness to see the good in our fellows and to see the evil in ourselves. In our differences may we be kind; in our agreements may we be humble, that Your will may be done in us and through us, for the good of this state.

AMEN.

Pledge of allegiance to the Flag.

Assemblyman Oceguera moved that further reading of the Journal be dispensed with, and the Speaker and Chief Clerk be authorized to make the necessary corrections and additions.

Motion carried.

SECOND READING AND AMENDMENT

Senate Bill No. 92.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 789.

AN ACT relating to firearms; revising certain provisions pertaining to the regulation of firearms by local governments; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Assembly Bill No. 147 of the 1989 Legislative Session (Chapter 308, Statutes of Nevada 1989, p. 653) reserved for the Legislature the rights and powers necessary to regulate the transfer, sale, purchase, possession,

ownership, transportation, registration and licensing of firearms and ammunition in this State. However, section 5 of Assembly Bill No. 147 provided that the preemptive effect of the bill applied only to ordinances or regulations adopted by local governments on or after June 13, 1989. This bill requires the amendment of ordinances or regulations adopted by local governments before June 13, 1989, that require registration of a firearm capable of being concealed to impose: (1) a period of at least 60 days of residency in the jurisdiction before registration of such a firearm is required; and (2) a period of at least 72 hours for the registration of a pistol by a resident of the jurisdiction upon transfer of title to the pistol to the resident by purchase, gift or any other transfer.

For the purposes of the amendatory provisions of this bill relating to the registration of firearms, and for the purposes of the authority of local governments to proscribe the unsafe discharge of firearms, this bill revises the definition of "firearm" to use the more narrow definition set forth in NRS 202.253, pursuant to which a firearm is a device designed to be used as a weapon from which a projectile may be expelled through the barrel by the force of any explosion or other form of combustion. For the purposes of state preemption of the local regulation of firearms, this bill retains the broader definition of "firearm" already used in NRS 244.364, 268.418 and 269.222, pursuant to which a firearm is any weapon from which a projectile is discharged by means of an explosive, spring, gas, air or other force.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 244.364 is hereby amended to read as follows:

244.364 1. Except as otherwise provided by specific statute, the Legislature reserves for itself such rights and powers as are necessary to regulate the transfer, sale, purchase, possession, ownership, transportation, registration and licensing of firearms and ammunition in Nevada, and no county may infringe upon those rights and powers. ***As used in this subsection, "firearm" means any weapon from which a projectile is discharged by means of an explosive, spring, gas, air or other force.***

2. A board of county commissioners may proscribe by ordinance or regulation the unsafe discharge of firearms.

3. ***If a board of county commissioners in a county whose population is 400,000 or more has required by ordinance or regulation adopted before June 13, 1989, the registration of a firearm capable of being concealed, the board of county commissioners shall amend such an ordinance or regulation to require:***

(a) A period of at least 60 days of residency in the county before registration of such a firearm is required.

(b) A period of at least 72 hours for the registration of a pistol by a resident of the county upon transfer of title to the pistol to the resident by purchase, gift or any other transfer.

4. ~~[As]~~ ***Except as otherwise provided in subsection 1, as*** used in this section ~~[, "firearm"]~~ ***:***

268.418 1. Except as otherwise provided by specific statute, the Legislature reserves for itself such rights and powers as are necessary to regulate the transfer, sale, purchase, possession, ownership, transportation, registration and licensing of firearms and ammunition in Nevada, and no city may infringe upon those rights and powers. ***As used in this subsection, "firearm" means any weapon from which a projectile is discharged by means of an explosive, spring, gas, air or other force.***

2. The governing body of a city may proscribe by ordinance or regulation the unsafe discharge of firearms.

3. ***If the governing body of a city in a county whose population is 400,000 or more has required by ordinance or regulation adopted before June 13, 1989, the registration of a firearm capable of being concealed, the governing body shall amend such an ordinance or regulation to require:***

(a) A period of at least 60 days of residency in the city before registration of such a firearm is required.

2. A town board may proscribe by ordinance or regulation the unsafe discharge of firearms.

3. ***If a town board in a county whose population is 400,000 or more has required by ordinance or regulation adopted before June 13, 1989, the registration of a firearm capable of being concealed, the town board shall amend such an ordinance or regulation to require:***

(a) A period of at least 60 days of residency in the town before registration of such a firearm is required.

(b) A period of at least 72 hours for the registration of a pistol by a resident of the town upon transfer of title to the pistol to the resident by purchase, gift or any other transfer.

4. ~~[As]~~ ***Except as otherwise provided in subsection 1, as*** used in this section ~~[, "firearm"]~~ ***:***

(b) "Firearm capable of being concealed" includes all firearms having a barrel less than 12 inches in length.

(c) "Pistol" means a firearm capable of being concealed that is intended to be aimed and fired with one hand.

Sec. 4. Section 5 of chapter 308, Statutes of Nevada 1989, at page 653, is hereby amended to read as follows:

Sec. 5. ~~[The]~~

Senate Bill No. 140.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 781.

AN ACT relating to purchasing; requiring organizations that wish to participate in the Program to Encourage and Facilitate Purchases by Agencies of Commodities and Services From Organizations to register with and submit quarterly reports to the Rehabilitation Division of the Department of Employment, Training and Rehabilitation; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Rehabilitation Division of the Department of Employment, Training and Rehabilitation to establish a Program to Encourage and Facilitate Purchases by Agencies of Commodities and Services From Organizations. (NRS 334.025) Existing law also authorizes an exception to the competitive bidding process for purchasing by the State and by local governments from organizations and agencies whose primary purpose is the training and employment of persons with mental or physical disabilities. (NRS 332.117, 333.375) Sections 1-3 of this bill require organizations that wish to participate in the Program and qualify for the exemption to the competitive bidding process to register with, and to submit quarterly reports to, the Rehabilitation Division.

Section 4 of this bill requires the Administrator of the Division to review the registration and reporting requirements imposed by this bill and to report on that review to the 75th Session of the Nevada Legislature.

Section ~~[4]~~ **5** of this bill repeals the expiration of section 14 of chapter 377, Statutes of Nevada 2005, at page 1445. **Thus, the changes made by section 14 of that chapter of Statutes of Nevada to NRS 334.025 will no longer expire by limitation on June 30, 2013, and the Program will continue to be administered by the Division instead of a Committee on Employment of Persons with Disabilities created by the Governor.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 332.117 is hereby amended to read as follows:

332.117 1. ~~[A]~~ ***In accordance with the Program to Encourage and Facilitate Purchases by Agencies of Commodities and Services From Organizations established pursuant to NRS 334.025, a*** governing body of a local government or its authorized representative may award, without

complying with the requirements for competitive bidding set forth in this chapter, a contract for services or for the purchase of supplies, materials, equipment or labor to an organization or agency whose primary purpose is the training and employment of persons with a mental or physical disability, including, without limitation, a community-based training center for the care and training of mentally and functionally retarded persons described in chapter 435 of NRS.

2. An organization or agency that ~~[wishes]~~ ***:***

If, after issuance of a continuous or multiple trip-limited time permit **,** ~~[by]~~ the Department of Transportation ~~[or the governing body of any city or county the Department or governing body]~~ finds that the traffic authorized by such continuous or multiple trip-limited time permit has caused substantial highway distress, the permit may be revoked summarily, but the revocation does not operate to prevent a subsequent filing of a new application for another continuous or multiple trip-limited time permit.

3. The Department of Transportation shall consider the recommendation of a city or county regarding whether traffic authorized by the issuance of a continuous or multiple trip-limited time permit has caused substantial distress to a highway under the jurisdiction of that city or county, and whether the permit should be revoked.

TEXT OF REPEALED SECTION

484.7631 Permit to operate oversized vehicle; coordination with affected entities; regulations limiting hours, days or routes for movement of oversized vehicle; meetings with affected industries; expedited procedure.

1. In a county whose population is less than 400,000, the Department of Transportation with respect to highways under its jurisdiction and the governing body of the county or a city in the county with respect to roadways under the jurisdiction of the county or city may, upon request, issue a permit to operate a vehicle, or a vehicle with a load that exceeds the legal maximum width, length or height for the vehicle, unless the Department or governing body determines that the operation would be a safety hazard or would unduly impede the flow of traffic.

2. In a county whose population is 400,000 or more:

(a) If the operation of a vehicle specified in subsection 1 will not include operation on the state highway system established pursuant to chapter 408 of NRS, the governing body of the county and each city in the county may, upon request, issue a permit to operate the vehicle on a roadway in that city or county:

(1) If the governing body has jurisdiction over the roadway at the point of origination of the route of the vehicle; and

(2) Unless the governing body determines that the operation would be a safety hazard or would unduly impede the flow of traffic; or

(b) If the operation of the vehicle will include operation on the state highway system established pursuant to chapter 408 of NRS, the Department of Transportation shall, upon request, issue a permit to operate the vehicle on a highway in that county, unless the Department of Transportation

determines that the operation would be a safety hazard or would unduly impede the flow of traffic. A holder of a permit issued pursuant to this paragraph is not required to obtain a permit pursuant to paragraph (a) before operating the vehicle in accordance with the permit issued pursuant to this paragraph.

3. Before issuing a permit pursuant to subsection 2, the Department of Transportation or the governing body shall coordinate the issuance of the permit with each entity that will be affected by the issuance of the permit.

4. A governing body shall issue single-trip permits and annual permits pursuant to subsection 2 that are consistent, to the greatest extent practicable, with the regulations adopted by the Department of Transportation pursuant to subsection 5.

5. Except as otherwise provided in this section, the Department of Transportation with respect to highways under its jurisdiction and the governing body of a city or county with respect to roadways under its jurisdiction may adopt regulations providing for an annual permit or a permit for a single trip for a vehicle, or a vehicle with a load exceeding 102 inches in width, 14 feet in height or 70 feet in length, and limiting the movement of the vehicle to certain hours of the day, days of the week or routes considered necessary to protect public safety. If the Department of Transportation and a governing body of a city or county adopt regulations pursuant to this section, the regulations adopted by the governing body must be consistent, to the greatest extent practicable, with the regulations adopted by the Department of Transportation.

6. The Department of Transportation and each governing body specified in subsection 2 shall:

(a) Periodically meet with persons who represent industries that are affected by any regulations adopted by the Department of Transportation or the governing body relating to the issuance of permits pursuant to this section, including, but not limited to, regulations concerning fees for those permits;

(b) At each meeting specified in paragraph (a), review and consider the regulations specified in that paragraph and any proposed amendments to the regulations; and

(c) To the greatest extent practicable, ensure that the regulations are consistent.

7. The Department of Transportation and each governing body that issues a permit pursuant to subsection 2 shall, to the greatest extent practicable, establish an expedited procedure for issuing a permit for a vehicle or a vehicle with a load that does not exceed 15 feet in height or 110 feet in length:

(a) Within 1 working day after the Department of Transportation or the governing body receives a request for the permit, if the vehicle or the vehicle with a load for which the permit is submitted has a width of 144 inches or less; or

(b) Within 2 working days after the Department of Transportation or the governing body receives a request for the permit, if the vehicle or the vehicle with a load for which the permit is submitted has a width of more than 144 inches but not more than 168 inches.

MESSAGES FROM THE SENATE

SENATE CHAMBER, Carson City, May 23, 2007

To the Honorable the Assembly:

I have the honor to inform your honorable body that the Senate on this day passed, as amended, Senate Bill No. 38.

SHERRY L. RODRIGUEZ
Assistant Secretary of the Senate

INTRODUCTION, FIRST READING AND REFERENCE

Senate Bill No. 38.

Assemblyman Oceguera moved that the bill be referred to the Committee on Judiciary.

Motion carried.

SECOND READING AND AMENDMENT

Senate Bill No. 95.

Bill read second time.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 954.

AN ACT relating to public utilities; removing certain entities from regulation as public utilities; eliminating the requirement that the Public Utilities Commission of Nevada conduct a hearing before ordering certain changes relating to railroad crossings; eliminating the requirement that the Commission convene a hearing not later than 60 days after a plan to increase the supply of electricity or decrease the demand for electricity is filed with the Commission; ~~[exempting certain]~~ **revising provisions governing the exemption of** electric generating plants **;** ~~[from provisions governing the construction of utility facilities;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the Public Utilities Commission of Nevada to regulate public utilities in this State. (NRS 704.001) Existing law defines the term "public utility." (NRS 704.020) Section 1 of this bill removes radio and broadcasting companies, companies that own cars used as part of railroad trains and companies that operate a ditch, flume, tunnel or tunnel and drainage system from regulation as public utilities.

Existing law authorizes the Commission, after an investigation and hearing, to order certain changes relating to railroad crossings. (NRS 704.300) Section 2 of this bill removes the requirement that the Commission conduct a hearing before ordering such changes.

Existing law requires that an electric utility submit a plan to increase its supply of electricity or decrease the demands made on its system by its customers to the Commission every 3 years. (NRS 704.741) Existing law requires the Commission to convene a hearing on such a plan not later than 60 days after the plan is submitted to the Commission. (NRS 704.746) Section 5 of this bill removes the requirement that the hearing be convened within that 60-day period. Existing law also requires the Commission to accept the plan as filed or specify the portions of the plan it finds inadequate within 135 days after the plan is filed. (NRS 704.751) Section 5 extends that deadline to 180 days after the plan is filed for certain portions of the plan, but retains the 135-day deadline with respect to an amendment to an accepted plan.

Existing law sets forth a permitting process for the construction of a utility facility to minimize the environmental impact of the facility. (NRS 704.820-704.900) Existing law exempts from the permitting process certain electric generating plants which use renewable energy as their primary source of energy to generate electricity and which have a limited generating capacity. (NRS 704.860) Section 6 of this bill ~~[exempts all]~~ **increases the maximum allowable generating capacity of** such **exempt** electric generating plants **.** ~~[from the permitting process regardless of their generating capacity.]~~

4. An appraiser shall not perform an appraisal on any real property for sale or lease by the board of county commissioners if the appraiser or a person related to the appraiser within the first degree of consanguinity or affinity has an interest in the real property or an adjoining property.

Sec. 1.6. **NRS 244.281 is hereby amended to read as follows:**

244.281 Except as otherwise provided in this section and NRS 244.189, 244.276, 244.279, 244.2815, 244.2825, 244.284, 244.287, 244.290, ***and section 1.2 of this act and*** 278.479 to 278.4965, inclusive, except as otherwise required by federal law, except as otherwise required pursuant to a cooperative agreement entered into pursuant to NRS 277.050 or 277.053 or an interlocal agreement in existence on or before October 1, 2004, except if the board of county commissioners is entering into a joint development agreement for real property owned by the county to which the board of county commissioners is a party, except for a lease of residential property with a term of 1 year or less and except for the sale or lease of real property larger than 1 acre which is approved by the voters at a primary or general election or special election:

1. When a board of county commissioners has determined by resolution that the sale or lease of any real property owned by the county will be for purposes other than to establish, align, realign, change, vacate or otherwise adjust any street, alley, avenue or other thoroughfare, or portion thereof, or flood control facility within the county and will be in the best interest of the county, it may:

(a) Sell the property in the manner prescribed for the sale of real property in NRS 244.282.

(b) Lease the property in the manner prescribed for the lease of real property in NRS 244.283.

2. Before the board of county commissioners may sell or lease any real property as provided in subsection 1, it shall:

(1) A description of the real property proposed to be sold or leased in such a manner as to identify it;

(2) The minimum price, if applicable, of the real property proposed to be sold or leased; and

(3) The places at which the resolution described in subsection 1 has been posted pursuant to paragraph (a), and any other places at which copies of that resolution may be obtained.

➥ If no qualified newspaper is published within the county in which the real property is located, the required notice must be published in some qualified newspaper printed in the State of Nevada and having a general circulation within that county.

3. If the board of county commissioners by its resolution further finds that the property to be sold or leased is worth more than $1,000, the board shall appoint two or more disinterested, competent real estate appraisers pursuant to NRS 244.2795 to appraise the property and, except for property acquired pursuant to NRS 371.047, shall not sell or lease it for less than the highest appraised value.

5. A board of county commissioners may sell or lease any real property owned by the county without complying with the provisions of NRS 244.282 or 244.283 to:

(a) A person who owns real property located adjacent to the real property to be sold or leased if the board has determined by resolution that:

(1) The real property is a:

(I) Remnant that was separated from its original parcel due to the construction of a street, alley, avenue or other thoroughfare, or portion thereof, flood control facility or other public facility;

(II) Parcel that, as a result of its size, is too small to establish an economically viable use by anyone other than the person who owns real property adjacent to the real property for sale or lease; or

(2) The sale will be in the best interest of the county.

(b) Another governmental entity if:

(1) The sale or lease restricts the use of the real property to a public use; and

(2) The board adopts a resolution finding that the sale or lease will be in the best interest of the county.

6. A board of county commissioners that disposes of real property pursuant to subsection 4 is not required to offer to reconvey the real property

to the person from whom the real property was received or acquired by donation or dedication.

7. If real property that is offered for sale or lease pursuant to this section is not sold or leased at the initial offering of the contract for the sale or lease of the real property, the board of county commissioners may offer the real property for sale or lease a second time pursuant to this section. If there is a material change relating to the title, zoning or an ordinance governing the use of the real property, the board of county commissioners must obtain a new appraisal of the real property pursuant to the provisions of NRS 244.2795 before offering the real property for sale or lease a second time. If real property that is offered for sale or lease pursuant to this section is not sold or leased at the second offering of the contract for the sale or lease of the real property, the board of county commissioners may list the real property for sale or lease at the appraised value with a licensed real estate broker, provided that the broker or a person related to the broker within the first degree of consanguinity or affinity does not have an interest in the real property or an adjoining property.

Sec. 1.8. **NRS 244.283 is hereby amended to read as follows:**

244.283 1. When the board of county commissioners determines that the lease of real property belonging to the county for industrial, commercial, residential or recreational purposes is necessary or desirable, the board may lease such real property, whether acquired by purchase, dedication or otherwise. Such a lease must not be in contravention of any condition in a gift or devise of real property to the county.

2. Except as otherwise provided in NRS 244.279, ***and section 1.2 of this act,*** before ordering the lease of any property the board shall, in open meeting by a majority vote of the members, adopt a resolution declaring its intention to lease the property. The resolution must:

(b) Specify the minimum rental, and the terms upon which it will be leased.

(c) Fix a time, not less than 3 weeks thereafter, for a public meeting of the board to be held at its regular place of meeting, at which sealed proposals to lease will be received and considered.

3. Notice of the adoption of the resolution and of the time and place of holding the meeting must be given by:

(a) Posting copies of the resolution in three public places in the county not less than 15 days before the date of the meeting; and

(b) Publishing the resolution not less than once a week for 2 successive weeks before the meeting in a newspaper of general circulation published in the county, if any such newspaper is published therein.

4. At the time and place fixed in the resolution for the meeting of the board, all sealed proposals which have been received must, in public session, be opened, examined and declared by the board. Of the proposals submitted which conform to all terms and conditions specified in the resolution of intention to lease and which are made by responsible bidders, the proposal which is the highest must be finally accepted, unless a higher oral bid is accepted or the board rejects all bids.

5. Before accepting any written proposal, the board shall call for oral bids. If, upon the call for oral bidding, any responsible person offers to lease the property upon the terms and conditions specified in the resolution, for a rental exceeding by at least 5 percent the highest written proposal, then the highest oral bid which is made by a responsible person must be finally accepted.

6. A person may not make an oral bid unless, at least 5 days before the meeting held for receiving and considering bids, he submits to the board written notice of his intent to make an oral bid and a statement establishing his financial responsibility to the satisfaction of the board.

7. The final acceptance by the board may be made either at the same session or at any adjourned session of the same meeting held within the 21 days next following.

8. The board may, either at the same session or at any adjourned session of the same meeting held within the 21 days next following, if it deems such action to be for the best public interest, reject any and all bids, either written or oral, and withdraw the property from lease.

9. Any resolution of acceptance of any bid made by the board must authorize and direct the chairman to execute a lease and to deliver it upon performance and compliance by the lessee with all the terms or conditions of his contract which are to be performed concurrently therewith.

10. All money received from rentals of real property must be deposited forthwith with the county treasurer to be credited to the county general fund.

11. This section does not apply to leases of real property made pursuant to NRS 244.288, 334.070 or 338.177.

Legislative Counsel's Digest:

Section 1 of this bill expands the authority of investigators of the Department of Motor Vehicles in enforcing laws relating to acts of fraud by businesses licensed by the Department. (NRS 481.048)

Section 4 of this bill requires certain vehicles to be inspected and certified for roadworthiness before they may be given a title. Section 5 of this bill requires a licensed dealer, rebuilder, manufacturer, distributor, broker or long-term or short-term lessor and other licensees to display their licenses in a conspicuous place. Section 6 of this bill creates a legal presumption that a person engaged in certain activities is a vehicle dealer for purposes of chapter 482 of NRS, and section 20 of this bill provides criminal penalties for anyone doing so without a license.

Section 17 of this bill requires a person who submits a license renewal electronically to keep the required statement regarding child support on file for 3 years. (NRS 425.520, 482.319) Sections 20, 21, 51, 53, 57, 61 and 62 of this bill create new and amend existing provisions of NRS relating to an applicant's unfitness for a license. (NRS 482.322, 482.3255, 487.160, 487.490, 487.564, 487.650) Sections 22 and 23 of this bill provide the conditions under which a dealer's branch location may be operated. (NRS 482.326, 482.332) Section 22.5 of this bill allows dealers to use not more than six license plates issued to them by the Department for personal use by them or by a member of their immediate family. (NRS 482.330)

Sections 7 and 24 of this bill require the Director of the Department to consider any administrative fines imposed upon a dealer, distributor, rebuilder, manufacturer or broker before renewal of a license. The Director may also require an additional bond before renewing a license. (NRS 482.3331)

Sections 25 and 27 of this bill increase the amount of a bond which must be given as surety by a dealer, distributor, rebuilder, manufacturer or broker and establishes a procedure for collecting on the bond. (NRS 482.3333, 482.345) Section 26 of this bill prohibits a broker from displaying or using a vehicle in conjunction with an advertisement if he is not licensed to sell the vehicle. Existing law provides that a used vehicle dealer may sell at wholesale a new vehicle to a new or used vehicle dealer. (NRS 482.350) Section 28 of this bill limits this provision to certain instances.

Section 30 of this bill exempts a holder of a temporary permit as a salesman from the right to a hearing if a license is denied. (NRS 482.353) Sections 37, 40 and 55 of this bill provide expanded criminal penalties for submitting falsified information to the Department. (NRS 482.436, 482.555, 487.200)

Section 42 of this bill requires a driving school to ensure its vehicles are inspected annually for roadworthiness and safety. Section 43 of this bill allows the Department to impose an administrative fine which does not exceed $2,500 for violation of provisions relating to driving schools. Section 44 of this bill changes the length of time a license to operate a driving school is valid from 5 years to 1 year. (NRS 483.730)

Section 46 of this bill expands the activities relating to altering vehicle odometers for which a person is subject to a criminal penalty. (NRS 484.6063, 484.6067) Section 47 of this bill increases the penalty for knowingly selling a motor vehicle with an odometer that has been altered for the purpose of fraud. (NRS 484.6067) Section 48 of this bill raises the minimum amount that a person must pay to someone harmed by a violation of certain provisions relating to odometers from $1,500 to $2,500. (NRS 484.6068)

Section 52 of this bill defines when a salvage vehicle is considered to be in its entirety as opposed to when it is considered to be in parts. Section 54 of this bill expands existing provisions that require a wrecker to maintain records relating to vehicles in his possession. (NRS 487.170) Section 56 of this bill revises the procedures by which a vehicle is transferred by a junk certificate. (NRS 487.260)

Section 60 of this bill makes failure to pay or otherwise discharge a final judgment rendered against a garageman, instead of just failure to comply with an order of a court, grounds for the Department to revoke or refuse to renew his certificate of registration. (NRS 487.563)

Section 66 of this bill makes it a misdemeanor to violate any section of chapter 108 of NRS relating to statutory liens, unless otherwise provided. Sections 67 and 68 of this bill require certain regulations relating to activities performed by an inspection station to be adopted by the State Environmental Commission, not the Department of Motor Vehicles. (NRS 445B.775, 445B.785) Section 69 of this bill requires sellers and long-term lessors to provide evidence of compliance with emissions requirements with the dealer's report of sale. (NRS 445B.800) Section 70 of this bill repeals the

authority of dealers to register certain vehicles without paying the government services taxes on those vehicles. (NRS 482.321)

Senate Bill No. 19.

Bill read third time.

The following amendment was proposed by Assemblyman Mabey:

Amendment No. 955.

AN ACT relating to the Chiropractic Physicians' Board of Nevada; providing requirements for the reinstatement of certain licenses that have been suspended; revising provisions governing the renewal of a license or certificate; increasing the number of hours of continuing education required for the renewal of a license; increasing the maximum amount of certain fees that the Board may charge; eliminating the requirement that the Board file certain orders relating to the discipline of a licensee with the county recorder; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, a license or certificate issued by the Chiropractic Physicians' Board of Nevada must be renewed annually and a licensee must complete at least 12 hours of continuing education annually. (NRS 634.130) Section 2 of this bill revises the renewal requirement for a license or certificate to provide that a license or certificate must be renewed biennially. Section 2 also increases the number of hours of continuing education a licensee must complete.

Existing law authorizes the Board to charge various fees up to a maximum amount as indicated by statute. (NRS 634.135) Section 3 of this bill revises the existing statutory schedule of maximum fees: (1) to reflect the renewal of a license or certificate biennially; **and** (2) to clarify the purpose of the existing fee for written certification of licensure **.** ~~[; and (3) to increase the fee for the review by the Board of various courses of continuing education in chiropractic.]~~

Existing law also provides that if a licensee or holder of a certificate does not renew a license or certificate on time or fails to notify the Board of a change in the location of the office of the licensee or holder, the license or certificate of the person will be automatically suspended. (NRS 634.130) Section 2 of this bill provides that a license that was suspended for the failure to renew on time or the failure to notify the Board of a change in location may be reinstated by paying the reinstatement and renewal fees within 1 year of the original renewal deadline. Section 1 of this bill provides for the reinstatement of suspended licenses that have not been reinstated within 1 year.

Existing law provides that every order of the Board which limits the practice of chiropractic or suspends or revokes a license must be filed with the county recorder. (NRS 634.200) Section 4 of this bill eliminates this requirement.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 634 of NRS is hereby amended by adding thereto a new section to read as follows:

1. If a license has been automatically suspended pursuant to the provisions of subsection 5 of NRS 634.130 and not reinstated pursuant to the provisions of that subsection, the person who held the license may apply to the Board to have the license reinstated to active status.

(a) Either:

(1) Submit satisfactory evidence to the Board:

(II) From all other licensing agencies which have issued him a license that he is in good standing and has no legal actions pending against him; and

(III) That he has participated in a program of continuing education in accordance with NRS 634.130 for the year in which he seeks to be reinstated to active status; or

ASSEMBLY PROCEEDINGS 3857

THE ONE HUNDRED AND NINTH DAY

CARSON CITY (Thursday), May 24, 2007

Assembly called to order at 11:16 a.m.

Madam Speaker presiding.

Roll called.

All present.

Prayer by the Chaplain, Pastor Albert Tilstra.

Our Father, as we come before You this day, we would not weary You with our constant begging—we would not be like petulant children seeking diplomas without study or wages without work. As Your servants here sincerely seek to do right, make it plain to them. Knowing that criticism will come, help them to take from it what is helpful and to forgive what is unjust and unkind. Amid all the pressures brought upon them, may they ever hear Your still small voice and follow Your guidance for the good of all the people, that Your will may be done in this state, through these Your servants.

AMEN.

Pledge of allegiance to the Flag.

Assemblyman Oceguera moved that further reading of the Journal be dispensed with, and the Speaker and Chief Clerk be authorized to make the necessary corrections and additions.

Motion carried.

SECOND READING AND AMENDMENT

Senate Bill No. 69.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 938.

AN ACT relating to real estate; defining the term "agency" in the context of real estate brokers, salesmen and qualified intermediaries; **revising the duties of a real estate licensee;** allowing a client to waive certain required duties of a real estate licensee which relate to offers made to or by the client; **prohibiting the waiver of other duties of a licensee;** allowing for communications with the client of another broker under certain permissible circumstances; clarifying that such communication does not create an agency relationship with the client of the other broker; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law defines certain terms used in chapter 645 of NRS which relate to real estate brokers, salesmen and qualified intermediaries. (NRS 645.0005-645.044) ~~[Sections 1 and]~~ 2 **Section 1.3** of this bill ~~[define]~~ **defines** the term "agency" for that chapter.

Existing law imposes certain duties on a licensee who acts as an agent in a real estate transaction. (NRS 645.252) Section 2.5 of this bill provides that such a licensee owes no duty to conduct an investigation of the condition of the property which is the subject of the real estate transaction.

Existing law ~~[creates certain requirements for]~~ **imposes certain duties on** a licensee who has entered into a brokerage agreement to provide representation in a real estate transaction. (NRS 645.254) One of those ~~[requirements]~~ **duties** is to present all offers made to and by the client as soon as is practicable. (NRS 645.254) Section 3 of this bill allows a client to waive that ~~[requirement]~~ **duty** by signing a **waiver on a** form provided by the Real Estate Division of the Department of Business and Industry. **Section 1.7 of this bill provides that no other duty of a licensee set forth in section 2.5 or 3 may be waived.**

Existing law allows a person to negotiate a sale, exchange or lease of real estate with the exclusive client of another broker only if permission has been obtained from that other broker. (NRS 645.635) Section 4 of this bill allows for further communications after such negotiations but before closing. ~~[Section 4 also clarifies that such negotiations do not create an agency relationship between the person and the client of the other broker.]~~

AN ACT relating to public works; authorizing a public body to contract with a construction manager at risk for the preconstruction and construction of a public work; setting forth the method for selecting a construction manager at risk; authorizing a public body to hire a construction manager as agent to assist the public body in overseeing the construction of a public work; requiring local governments to conduct a constructability review under certain circumstances before constructing certain public works; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Sections 2-12 of this bill authorize a public body to enter into contracts with a construction manager at risk for the preconstruction and construction of a public work and provide the method for selecting a construction manager at risk. Under the construction manager at risk method for constructing a public work, a public body may enter into a contract for a negotiated price with a construction manager at risk to provide preconstruction services for the public work that include, without limitation, design support, construction estimating, value and system analysis and scheduling. After the public body has obtained the final design for the public work, the public body and the construction manager at risk are required to attempt to negotiate a contract for the construction manager at risk to construct the public work. If the public body and the construction manager at risk enter into such a contract, the contract must be for **: (1)** a guaranteed maximum price ~~[.]~~ **including the cost of the work plus a fee; (2)** a fixed price **;** or **(3)** a fixed price plus

reimbursement for overhead and other costs and expenses related to the construction of the public work.

Sections 13 and 21 **of this bill** authorize a public body to employ a construction manager as agent to assist the public body in overseeing the construction of a public work. Amendment No. 890.

JOINT SPONSOR: ASSEMBLYMAN CARPENTER

AN ACT relating to domestic relations; codifying certain common law factors that a court must consider when determining alimony; revising the provisions governing the reporting of information concerning ~~[arrests for]~~ **investigations of** domestic violence; requiring the Director of the Department of Public Safety to submit an annual report concerning temporary and extended orders for protection against domestic violence to the Legislature; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing case law in Nevada, a court determining whether alimony should be awarded and the appropriate amount of alimony is required to consider several relevant factors including: (1) the financial condition of the parties; (2) the nature and value of their respective property; (3) the contribution of each party to any property held by both parties as tenants by the entirety; (4) the duration of the marriage; and (5) the income, earning capacity, age and health of each party. (***Buchanan v. Buchanan***, 90 Nev. 209, 215 (1974)) Section 1 of this bill codifies those factors as well as factors

from subsequent case law so that a court must consider those factors when determining alimony. (***Buchanan***, 90 Nev. at 215; ***Sprenger v. Sprenger***, 110 Nev. 855, 859 (1994); ***Rodriguez v. Rodriguez***, 116 Nev. 993, 999 (2000))

Existing law sets forth provisions governing the reporting of information concerning investigations of domestic violence. (NRS 171.1227) Section 5 of this bill ~~[provides that the Director of the Department of Public Safety must prescribe the information that must be forwarded to the Central Repository for Nevada Records of Criminal History from records of arrests for domestic violence and must prescribe the manner for the forwarding of such information.]~~ **revises the manner in which information concerning an investigation of domestic violence must be forwarded to the Central Repository for Nevada Records of Criminal History. Section 5 also requires the Director of the Department of Public Safety to prescribe the form in which such information must be supplied and lists additional information that must be contained in the form.**

Section 6 of this bill requires the Director of the Department of Public Safety to submit a written report concerning the temporary and extended orders for protection against domestic violence issued in this State to the Director of the Legislative Counsel Bureau which includes the total number of temporary and extended orders granted, the number of grants of temporary custody that are included in such temporary and extended orders, the number of such orders that are issued to women and the number of such orders that are issued to men.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 125.150 is hereby amended to read as follows:

125.150 Except as otherwise provided in NRS 125.155 and unless the action is contrary to a premarital agreement between the parties which is enforceable pursuant to chapter 123A of NRS:

1. In granting a divorce, the court:

(a) May award such alimony to the wife or to the husband, in a specified principal sum or as specified periodic payments, as appears just and equitable; and

(b) Shall, to the extent practicable, make an equal disposition of the community property of the parties, except that the court may make an unequal disposition of the community property in such proportions as it deems just if the court finds a compelling reason to do so and sets forth in writing the reasons for making the unequal disposition.

2. Except as otherwise provided in this subsection, in granting a divorce, the court shall dispose of any property held in joint tenancy in the manner set forth in subsection 1 for the disposition of community property. If a party has made a contribution of separate property to the acquisition or improvement of property held in joint tenancy, the court may provide for the

reimbursement of that party for his contribution. The amount of reimbursement must not exceed the amount of the contribution of separate property that can be traced to the acquisition or improvement of property held in joint tenancy, without interest or any adjustment because of an increase in the value of the property held in joint tenancy. The amount of reimbursement must not exceed the value, at the time of the disposition, of the property held in joint tenancy for which the contribution of separate property was made. In determining whether to provide for the reimbursement, in whole or in part, of a party who has contributed separate property, the court shall consider:

(a) The intention of the parties in placing the property in joint tenancy;

(b) The length of the marriage; and

(c) Any other factor which the court deems relevant in making a just and equitable disposition of that property.

➥ As used in this subsection, "contribution" includes ***, without limitation,*** a down payment, a payment for the acquisition or improvement of property, and a payment reducing the principal of a loan used to finance the purchase or improvement of property. The term does not include a payment of interest on a loan used to finance the purchase or improvement of property, or a payment made for maintenance, insurance or taxes on property.

3. Except as otherwise provided in NRS 125.141, whether or not application for suit money has been made under the provisions of NRS 125.040, the court may award a reasonable attorney's fee to either party to an action for divorce if those fees are in issue under the pleadings.

4. In granting a divorce, the court may also set apart such portion of the husband's separate property for the wife's support, the wife's separate property for the husband's support or the separate property of either spouse for the support of their children as is deemed just and equitable.

5. In the event of the death of either party or the subsequent remarriage of the spouse to whom specified periodic payments were to be made, all the payments required by the decree must cease, unless it was otherwise ordered by the court.

6. If the court adjudicates the property rights of the parties, or an agreement by the parties settling their property rights has been approved by the court, whether or not the court has retained jurisdiction to modify them, the adjudication of property rights, and the agreements settling property rights, may nevertheless at any time thereafter be modified by the court upon written stipulation signed and acknowledged by the parties to the action, and in accordance with the terms thereof.

7. If a decree of divorce, or an agreement between the parties which was ratified, adopted or approved in a decree of divorce, provides for specified periodic payments of alimony, the decree or agreement is not subject to modification by the court as to accrued payments. Payments pursuant to a decree entered on or after July 1, 1975, which have not accrued at the time a motion for modification is filed may be modified upon a showing of changed

circumstances, whether or not the court has expressly retained jurisdiction for the modification. In addition to any other factors the court considers relevant in determining whether to modify the order, the court shall consider whether the income of the spouse who is ordered to pay alimony, as indicated on the spouse's federal income tax return for the preceding calendar year, has been reduced to such a level that the spouse is financially unable to pay the amount of alimony he has been ordered to pay.

8. ***In addition to any other factors the court considers relevant in determining whether to award alimony and the amount of such an award, the court shall consider:***

(a) The financial condition of each spouse;

(b) The nature and value of the respective property of each spouse;

(c) The contribution of each spouse to any property held by the spouses pursuant to NRS 123.030;

(d) The duration of the marriage;

(e) The income, earning capacity, age and health of each spouse;

(f) The standard of living during the marriage;

(g) The career before the marriage of the spouse who would receive the alimony;

(h) The existence of specialized education or training or the level of marketable skills attained by each spouse during the marriage;

(i) The contribution of either spouse as homemaker;

(j) The award of property granted by the court in the divorce, other than child support and alimony, to the spouse who would receive the alimony; and

(k) The physical and mental condition of each party as it relates to the financial condition, health and ability to work of that spouse.

9. In granting a divorce ***,*** the court shall consider the need to grant alimony to a spouse for the purpose of obtaining training or education relating to a job, career or profession. In addition to any other factors the court considers relevant in determining whether such alimony should be granted, the court shall consider:

(a) Whether the spouse who would pay such alimony has obtained greater job skills or education during the marriage; and

(b) Whether the spouse who would receive such alimony provided financial support while the other spouse obtained job skills or education.

~~[9.]~~ ***10.*** If the court determines that alimony should be awarded pursuant to the provisions of subsection ~~[8.]~~ ***9:***

(a) The court, in its order, shall provide for the time within which the spouse who is the recipient of the alimony must commence the training or education relating to a job, career or profession.

(b) The spouse who is ordered to pay the alimony may, upon changed circumstances, file a motion to modify the order.

(c) The spouse who is the recipient of the alimony may be granted, in addition to any other alimony granted by the court, money to provide for:

(1) Testing of the recipient's skills relating to a job, career or profession;

(2) Evaluation of the recipient's abilities and goals relating to a job, career or profession;

(3) Guidance for the recipient in establishing a specific plan for training or education relating to a job, career or profession;

(4) Subsidization of an employer's costs incurred in training the recipient;

(5) Assisting the recipient to search for a job; or

(6) Payment of the costs of tuition, books and fees for:

(I) The equivalent of a high school diploma;

(II) College courses which are directly applicable to the recipient's goals for his career; or

(III) Courses of training in skills desirable for employment.

~~[10.]~~ ***11.*** For the purposes of this section, a change of 20 percent or more in the gross monthly income of a spouse who is ordered to pay alimony shall be deemed to constitute changed circumstances requiring a review for modification of the payments of alimony. As used in this subsection, "gross monthly income" has the meaning ascribed to it in NRS 125B.070.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 852.

AN ACT relating to water; creating the Nye County Water District; providing for the acquisition, storage, sale and distribution of water by the District; conferring other powers on the District; providing for the membership of the Governing Board of the District; setting forth the duties of the Board; authorizing the Board to levy and collect certain taxes; exempting the District from regulation by the Public Utilities Commission of Nevada; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

The Nevada State Legislature has enacted several laws that create water districts. For example, in 1947, the Legislature created the Las Vegas Valley Water District by a special act. (Chapter 164, Statutes of Nevada 1947, p. 534) In 2003, the Legislature created the Lincoln County Water District by a special act. (Chapter 474, Statutes of Nevada 2003, p. 2985) A water district is generally created to provide for the storage, conservation, distribution and sale of water within or outside of the district. (Chapter 100, Statutes of Nevada 1993, p. 159)

Sections 1-12 of this bill create the Nye County Water District by a special act similar to that which created the Lincoln County Water District.

Section 6 of this bill specifies that the jurisdiction and service area of the District consists of all the land within the boundaries of Nye County, Nevada.

Section 7 of this bill states that the powers, duties and privileges of the District must be exercised by the Governing Board of the District, and that the membership of the Board must consist of seven members appointed by the Board of County Commissioners of Nye County.

Section 8 of this bill sets forth an extensive list of powers conferred upon the District, including, without limitation: (1) the power to incur indebtedness and issue bonds; (2) the power to acquire land and water rights to carry out the purposes of the District; (3) the power to construct any work for the development, importation or distribution of the water of the District; and (4) the power to levy and collect taxes to assist in the operational expenses of the District.

Section 9 of this bill sets forth the duties of the Board, including, without limitation: (1) the duty to choose a Chairman and prescribe the powers and duties of the Chairman; (2) the duty to fix the principal place of business of the District; (3) the duty to appoint a General Manager; and (4) the duty to prescribe the powers, duties, compensation and benefits of all officers and employees of the District. Section 9 further states that, except as to the exercise of the power of eminent domain, the disposal of water rights, applications to the State Engineer for certain permits and the adoption and amendment of bylaws for which a supermajority vote of the Board is required, a simple majority of the members of the Board constitutes a quorum and a quorum may exercise all the powers and duties of the Board.

Section 10 of this bill authorizes the Board to levy and collect taxes on all taxable property within the District to make payment of principal and interest on its general obligations.

Section 11 of this bill exempts the District from regulation by the Public Utilities Commission of Nevada.

Section 13 of this bill requires the ~~[Commission]~~ **Board of County Commissioners** to stagger the initial terms of the members of the Governing Board of the District.

WHEREAS, Adequate and efficient water service is vital to the economic development and well-being of the residents of Nye County; and

WHEREAS, The well-being of the residents of Nye County, the long-term economic development of Nye County and the protection of the environment of Nye County could best be served by the creation of a single governmental entity, the purpose of which is to secure and develop sustainable sources of water; and

WHEREAS, The provisions of this act do not express any preference for whether water service is provided to the residents of Nye County by a governmental entity or by a private utility regulated by the Public Utilities Commission of Nevada; now, therefore,

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

(1) The ownership or use of water or water rights within or without the District used or useful for any purpose of the District or of common benefit to any land situated therein. A supermajority vote of the Board and a simple majority vote of all the members of the Commission is required before the District may apply to the State Engineer for a permit to:

(I) Appropriate water where the point of diversion is within a hydrographic basin located in Nye County and the place of use is a location outside of the same hydrographic basin; or

Assemblywoman Kirkpatrick moved that Senate Bill No. 234 be taken from the Second Reading File and placed on the Chief Clerk's desk.

Motion carried.

SECOND READING AND AMENDMENT

Senate Bill No. 307.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 748.

AN ACT relating to purchasing; prohibiting the solicitation or provision of certain information before the award of purchasing contracts; imposing certain requirements on public officers and employees relating to inducements offered by bidders on such contracts; prohibiting the solicitation or acceptance of certain employment by certain contracting officials within a certain period after their employment or service is terminated; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Under existing law, persons who have bid on a contract proposed to be awarded by a local government or by the Purchasing Division of the Department of Administration are prohibited from soliciting or obtaining proprietary information regarding the contract from officers or employees of the governmental entity on whose behalf the contract is being offered. (NRS 332.810, 333.800) Sections 2 and 4 of this bill expand this prohibition to include the soliciting or obtaining of information regarding another

person's bid on the contract, unless such information is available to the general public. Section 5 of this bill prohibits officers and employees of the State or a local government from offering or providing to a bidder on a purchasing contract with the State or local government certain information before the award of the contract. Section 5 also requires those officers and employees to refuse inducements offered by bidders and to report such inducements to their immediate supervisors.

Under existing law, certain regulated businesses must observe a 1-year "cooling off" period before hiring certain former public officers and employees who were involved in regulating such a business. (NRS 281.236) Section 6 of this bill prohibits a former public officer or employee whose position allowed him to affect ~~[,]~~ **or** influence ~~[or otherwise provide input with respect to]~~ the awarding of a state or local governmental purchasing contract in an amount that exceeds $25,000 from soliciting or accepting employment from the person who was awarded the contract for a period of 1 year after the date of the award of the contract. Section 6 allows the Commission on Ethics to provide relief from the strict application of this rule under certain circumstances.

Senate Bill No. 374.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 749.

AN ACT relating to tax increment areas; authorizing the creation of tax increment areas by cooperative agreement between a city and the Board of Regents of the University of Nevada in certain circumstances; **changing the manner in which certain revenue limitations apply to securities issued for certain tax increment areas;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the creation of tax increment areas by the governing body of a county or city. (NRS 278C.150) The governing body may dedicate the revenues from the property tax imposed in a tax increment area to the financing, acquisition, improvement or equipment of certain specific undertakings, including a drainage and flood control project, overpass project, sewerage project, street project, underpass project or water project. (NRS 278C.140) Section 1 of this bill authorizes the creation of a tax increment area by cooperative agreement between a city and the Board of Regents of the University of Nevada in certain circumstances. Section 2 of this bill provides that for the purposes of a tax increment area created by such a cooperative agreement, in addition to other undertakings, an undertaking may include certain projects for infrastructure and capital projects for the principal campus of the Nevada State College.

Under existing law, the total revenue paid to a tax increment area is limited to 10 percent if the population of the applicable municipality is 100,000 or more and is limited to 15 percent if the population of the applicable municipality is less than 100,000. (NRS 278C.250) Section 3 of this bill provides that if a municipality issues securities for a tax increment area when the population of the municipality is less than 100,000, the municipality will receive the benefit of the higher 15-percent revenue limitation until such securities are paid in full, regardless of whether the population of the municipality reaches or exceeds 100,000 after such securities are issued.

Existing law provides that when real estate or a portion of real estate which is exempt from taxation is leased, loaned or otherwise made available to and used by a person or entity in connection with a business conducted for profit, or as a residence, that real estate is subject to a certain amount of taxation, except in certain circumstances, including when it involves property of any state-supported educational institution. (NRS 361.157) Section ~~[3]~~ **4** of this bill excludes from that exception any part of such property located within a tax increment area created pursuant to this bill.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 278C of NRS is hereby amended by adding thereto a new section to read as follows:

1. A tax increment area may be created pursuant to this section by a cooperative agreement between a city in which the principal campus of the Nevada State College is located or intended to be located and the Nevada System of Higher Education, if the boundaries of the tax increment area include only land:

(a) On which the principal campus of the Nevada State College is located or intended to be located; and

(b) Which:

(1) Consists of not more than 509 acres;

(2) Was transferred by the city creating the tax increment area to the Nevada System of Higher Education for the use of the Nevada State College;

(3) Has never been subject to property taxation; and

(4) The Nevada System of Higher Education has agreed to continue to own for the term of the tax increment area.

➥ The provisions of NRS 278C.160, subsections 4, 6 and 7 of NRS 278C.170, NRS 278C.220, paragraphs (c) and (d) of subsection 1 of NRS 278C.250 and paragraph (d) of subsection ~~[3]~~ 4 of NRS 278C.250 do not apply to a tax increment area created pursuant to this section, but such a tax increment area is subject to the provisions of subsections 2 to 9, inclusive.

2. Whenever the governing body of a city in which the principal campus of the Nevada State College is located or intended to be located and the Board of Regents of the University of Nevada determine that the interests of the city, the Nevada System of Higher Education and the public require an undertaking, the governing body and the Board of Regents may enter into a cooperative agreement pursuant to NRS 277.080 to 277.180, inclusive, which describes by reference to the general types of undertakings authorized pursuant to NRS 278C.140 and the undertakings proposed for the tax increment area, and which contains or refers to an exhibit filed with the clerk of the city and the Secretary of the Board of Regents which contains:

(a) A statement of the last finalized amount of the assessed valuation of the real property within the boundaries of the tax increment area, which boundaries must be in compliance with subsection 1, and a statement that, based upon the records of the county treasurer, no property taxes were collected on any of that property, or on any interest therein, during the most recent year for which those records are available; and

(b) A description of the tax increment area or its location, so that the various tracts of taxable real property and any taxable personal property may be identified and determined to be within or without the tax increment area, except that the description need not describe in complete detail each tract of real property proposed to be included within the tax increment area.

3. The governing body may, at any time after the effective date of a cooperative agreement entered into pursuant to this section, adopt a resolution that provisionally orders the undertakings and creation of the tax increment area.

4. The notice of the meeting required pursuant to subsection 3 of NRS 278C.170 must:

(a) Describe by reference the general types of undertakings authorized pursuant to NRS 278C.140 and the undertakings proposed for the tax increment area;

(b) Describe the last finalized amount of the assessed valuation of the real property within the boundaries of the tax increment area, and state that, based upon the records of the county treasurer, no property taxes were collected on any of that property, or on any interest therein, during the most recent year for which those records are available;

(c) Describe the tax increment area or its location, so that the various tracts of taxable real or personal property may be identified and determined to be within or without the tax increment area; and

(d) State the date, time and place of the meeting described in subsection 1 of NRS 278C.170.

5. If, after considering all properly submitted and relevant written and oral complaints, protests, objections and other relevant comments and after considering any other relevant material, the governing body determines

that the undertaking is in the public interest and defines that public interest, the governing body shall determine whether to proceed with the undertaking. If the governing body has ordered any modification to an undertaking and has determined to proceed, the governing body must consult with the Board of Regents to obtain its consent to the proposed modification. When the Board of Regents and the governing body are in agreement on the modification, if any, and a statement of the modification is filed with the clerk, if the governing body wants to proceed with the undertaking, the governing body shall adopt an ordinance in the same manner as any other ordinance:

(a) Overruling all complaints, protests and objections not otherwise acted upon;

(b) Ordering the undertaking;

(c) Describing the tax increment area to which the undertaking pertains; and

(d) Creating a tax increment account for the undertaking.

6. Money deposited in the tax increment account as described in paragraph (b) of subsection 1 of NRS 278C.250 may be used to pay the capital costs of the undertaking directly, in addition to being used to pay the bond requirements of loans, money advanced or indebtedness incurred to finance or refinance an undertaking, and may continue to be used for those purposes until the expiration of the tax increment area pursuant to NRS 278C.300.

7. The Board of Regents may pledge to any securities it issues under a delegation pursuant to subsection 8, or irrevocably dedicate to the city that will issue securities hereunder, any revenues of the Nevada System of Higher Education derived from the campus of the Nevada System of Higher Education whose boundaries are included in whole or in part in the tax increment area, other than revenues from state appropriations and from student fees, and subject to any covenants or restrictions in any instruments authorizing other securities. Such an irrevocable dedication must be for the term of the securities issued by the city and any securities refunding those securities and may also extend for the term of the tax increment area.

8. The city may delegate to the Board of Regents the authority to issue any security other than a general obligation security which the city is authorized to issue pursuant to this chapter, and in connection therewith, may irrevocably dedicate to the Board of Regents the revenues that are authorized pursuant to this chapter to be pledged or used to repay those securities, including, without limitation, all money in the tax increment account created pursuant to subsection 5. The irrevocable dedication of any security pursuant to this subsection must be for the term of the security issued by the Nevada System of Higher Education and any security refunding those securities and may also extend for the term of the tax increment area.

9. If the boundaries of a county school district include a tax increment area created pursuant to this section and the county school district operates a public school on property within the boundaries of that tax increment area, the county school district and the Nevada System of Higher Education shall consult with one another regarding funding for the operating costs of that public school.

Sec. 2. NRS 278C.140 is hereby amended to read as follows:

1. In the case of counties:

Sec. 3. **NRS 278C.250 is hereby amended to read as follows:**

278C.250 1. After the effective date of the ordinance adopted pursuant to NRS 278C.220, any taxes levied upon taxable property in the tax increment area each year by or for the benefit of the State, the municipality and any public body must be divided as follows:

(a) That portion of the taxes that would be produced by the rate upon which the tax is levied each year by or for each of those taxing agencies upon the total sum of the assessed value of the taxable property in the tax increment area as shown upon the last equalized assessment roll used in connection with the taxation of the property by the taxing agency, must be

allocated to and when collected must be paid into the funds of the respective taxing agencies as taxes by or for the taxing agencies on all other property are paid.

(b) Except as otherwise provided in this section, the portion of the taxes levied each year in excess of the amount determined pursuant to paragraph (a) must be allocated to, and when collected must be paid into, the tax increment account pertaining to the undertaking to pay the bond requirements of loans, money advanced to, or indebtedness, whether funded, refunded, assumed or otherwise, incurred by the municipality to finance or refinance, in whole or in part, the undertaking. Unless the total assessed valuation of the taxable property in the tax increment area exceeds the total assessed value of the taxable property in the area as shown by the last equalized assessment roll referred to in this subsection, all of the taxes levied and collected upon the taxable property in the area must be paid into the funds of the respective taxing agencies. When the loans, advances and indebtedness, if any, and interest thereon, have been paid, all money thereafter received from taxes upon the taxable property in the tax increment area must be paid into the funds of the respective taxing agencies as taxes on all other property are paid.

(c) The amount of the taxes levied each year which are paid into the tax increment account pursuant to paragraph (b) must be limited by the governing body to an amount not to exceed the combined total amount required for annual debt service of the project or projects acquired, improved or equipped, or any combination thereof, as part of the undertaking.

(d) Any revenues generated within the tax increment district in excess of the amount referenced in paragraph (c), if any, will be paid into the funds of the respective taxing agencies in the same proportion as their base amount was distributed.

2. ~~[In]~~ ***Except as otherwise provided in this subsection, in*** any fiscal year, the total revenue paid to a tax increment area in combination with the total revenue paid to any other tax increment areas and any redevelopment agencies of a municipality must not exceed:

(b) In a municipality whose population is less than 100,000, an amount equal to the combined tax rates of the taxing agencies for that fiscal year multiplied by 15 percent of the total assessed valuation of the municipality.

➥ ***Notwithstanding the provisions of this subsection, if a municipality has a population of less than 100,000 at the time the municipality issues securities for a tax increment area pursuant to NRS 278C.280, the revenue limitation set forth in paragraph (b) must remain the revenue limitation for the tax increment area until such time as the securities issued for that tax increment area pursuant to NRS 278C.280 have been paid in full, including any securities issued to refund those securities, regardless of***

whether the population of the municipality reaches or exceeds 100,000 after the issuance of those securities.

3. If the revenue paid to a tax increment area must be limited pursuant to paragraph (a) or (b) ***of subsection 2*** and the municipality has more than one redevelopment agency or tax increment area, or one of each, the municipality shall determine the allocation to each agency and area. Any revenue that would be allocated to a tax increment area but for the provisions of this section must be paid into the funds of the respective taxing agencies.

~~[3.]~~ ***4.*** The portion of the taxes levied each year in excess of the amount determined pursuant to paragraph (a) of subsection 1 which is attributable to any tax rate levied by a taxing agency:

(a) To produce revenue in an amount sufficient to make annual repayments of the principal of, and the interest on, any bonded indebtedness that was approved by a majority of the registered voters within the area of the taxing agency voting upon the question, must be allocated to, and when collected must be paid into, the debt service fund of that taxing agency.

(b) In excess of any tax rate of that taxing agency applicable to the last taxation of the property before the effective date of the ordinance, if that additional rate was approved by a majority of the registered voters within the area of the taxing agency voting upon the question, must be allocated to, and when collected must be paid into, the appropriate fund of that taxing agency.

(c) Pursuant to NRS 387.3285 or 387.3287, if that rate was approved by a majority of the registered voters within the area of the taxing agency voting upon the question, must be allocated to, and when collected must be paid into, the appropriate fund of that taxing agency.

(d) For the support of the public schools within a county school district pursuant to NRS 387.195, must be allocated to, and when collected must be paid into, the appropriate fund of that taxing agency.

~~[4.]~~ ***5.*** The provisions of paragraph (a) of subsection ~~[3]~~ ***4*** include, without limitation, a tax rate approved for bonds of a county school district issued pursuant to NRS 350.020, including, without limitation, amounts necessary for a reserve account in the debt service fund.

~~[5.]~~ ***6.*** As used in this section, the term "last equalized assessment roll" means the assessment roll in existence on the 15th day of March immediately preceding the effective date of the ordinance.

~~[Sec. 3.]~~ ***Sec. 4.*** NRS 361.157 is hereby amended to read as follows:

Amendment No. 893.

SUMMARY—Revises provisions relating to water resources in certain counties. (BDR ~~[48-183)]~~ **S-183)**

AN ACT relating to water; ~~[providing for the regional acquisition, development, management and conservation of water resources in certain portions of Washoe County; creating the Northern Nevada Water Authority; setting forth the powers and duties of the Authority; creating the Northern Nevada Water Planning Commission to advise and assist the Authority; repealing provisions relating to regional planning and management of water in certain counties;]~~ **creating an Advisory Subcommittee of the Washoe County Regional Water Planning Commission; requiring the Commission, in conjunction with the Subcommittee, to assess and examine certain matters pertaining to the availability and responsible use of water within Washoe County and to submit a report to the Legislature in connection therewith;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing general law provides for regional planning and management of water by a water planning commission in counties whose population is 100,000 or more but less than 400,000 (currently Washoe County). Under that general law, a board of county commissioners is required to adopt a comprehensive plan for the supply of municipal and industrial water, quality of water, sanitary sewerage, treatment of sewage, drainage of storm water and control of floods and is required to take action by a two-thirds majority. This general law also provides for a water planning commission, which reports to and advises the board of county commissioners concerning issues relating to water resources. (NRS 540A.010-540A.310)

~~[This bill repeals that general law and creates by special legislation a new structure for regional planning and management of water resources in certain portions of Washoe County based on the unique conditions and circumstances existing in those areas. Under the Nevada Constitution, the Legislature may pass a special or local law if the subject matter of the law does not fall within one of certain enumerated categories and a general law cannot be made applicable because of special circumstances and conditions. (Nev. Const. Art. 4, §§ 20, 21) Section 5 of this bill specifies the unique conditions and circumstances in these portions of Washoe County that justify special legislation for the purpose of regional planning and management of water resources.~~

~~Sections 23 and 24 28 of this bill create the Northern Nevada Water Authority, which is governed by a Board of Trustees consisting of representatives of Washoe County, the cities of Reno and Sparks and various public entities that provide services relating to water and wastewater in Washoe County. Sections 37-42 of this bill create the Northern Nevada Water Planning Commission, which reports to and advises the Board of Trustees of the Authority.~~

~~In lieu of creating the Northern Nevada Water Authority pursuant to section 23 of this bill, section 23.5 of this bill authorizes the City of Reno, City of Sparks, Washoe County, Sun Valley General Improvement District and Truckee Meadows Water Authority to create the Northern Nevada Water Authority by cooperative agreement. The cooperative agreement must be entered into and become effective before January 1, 2008.~~

~~Sections 35-53 of this bill require the development and adoption of a comprehensive plan for the area over which the Authority has jurisdiction, which must address the supply of municipal and industrial water, quality of water, sanitary sewerage, treatment of sewage, drainage of storm water and control of floods. Sections 29-36 and 54-57 of this bill authorize the Board of Trustees to: (1) subject to certain exceptions, acquire and dispose of, in any manner, water rights, water supplies and related facilities; (2) schedule the delivery of water supplies held by certain water purveyors before January 1, 2008; (3) establish service territories of those purveyors for new water service provided on and after January 1, 2008; (4) establish, charge and collect various fees for services relating to the provision of water supplies;~~

~~(5) provide for water conservation by various means; (6) subject to certain exceptions, exercise the power of eminent domain as necessary to acquire private property; and (7) issue bonds and other obligations.~~

~~Section 61 of this bill creates a temporary statutory legislative committee to oversee the programs and activities of the Authority.]~~

Section 2 of this bill creates an Advisory Subcommittee of the Washoe County Regional Water Planning Commission. The Subcommittee consists of six members, including two Legislators appointed, respectively, by the Majority Leader of the Senate and the Speaker of the Assembly and four members of the general public who are appointed by the four purveyors of water in Washoe County: (1) the South Truckee Meadows General Improvement District; (2) the Sun Valley General Improvement District; (3) the Truckee Meadows Water Authority; and (4) Washoe County.

Section 3 of this bill requires the Commission, in conjunction with the Subcommittee, to make assessments, determinations and recommendations regarding several issues pertaining to the availability and responsible use of water within Washoe County.

Section 4 of this bill requires the Commission, in conjunction with the Subcommittee, to report on the activities carried out pursuant to section 3 and submit that report, accompanied by any recommendations for legislation, to the 75th Session of the Nevada Legislature.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Delete existing sections 1 through 62 of this bill and replace with the following new sections 1 through 6:

Section 1. **As used in sections 1 to 4, inclusive, of this act, unless the context otherwise requires:**

1. "Commission" means the Washoe County Regional Water Planning Commission.

2. "Purveyor of water" means:

(a) The South Truckee Meadows General Improvement District;

(b) The Sun Valley General Improvement District;

(c) The Truckee Meadows Water Authority; and

(d) Washoe County.

3. "Subcommittee" means the Advisory Subcommittee created pursuant to section 2 of this act.

Sec. 2. **1. There is hereby created an Advisory Subcommittee of the Washoe County Regional Water Planning Commission.**

2. The Subcommittee consists of six members as follows:

(a) One member of the Senate, appointed by the Majority Leader of the Senate;

(b) One member of the Assembly, appointed by the Speaker of the Assembly; and

(c) Four members of the general public who are consumers of water services, one appointed by each of the four purveyors of water.

3. The Commission shall provide the Subcommittee with any necessary staff and administrative support.

Sec. 3. **The Commission, in conjunction with the Subcommittee, shall:**

1. Assess conjunctive use by the purveyors of water to determine if those purveyors are maximizing conjunctive use and, if not, recommend ways in which maximized conjunctive use may be achieved. As used in this subsection, "conjunctive use" means the combined use of surface water and groundwater systems to optimize resource use.

2. Determine the amount of water required to accommodate the substantial completion of development of land as anticipated in the Truckee Meadows Regional Plan, and assess how much of that required amount of water is available within Washoe County.

3. If the amount of water required to accommodate the substantial completion of development of land as anticipated in the Truckee Meadows Regional Plan, as determined pursuant to subsection 2, is not available within Washoe County:

(a) Examine other potential locations from which additional water may be obtained; and

(b) Prepare a reasonably detailed estimate of the cost of obtaining that additional water from other locations.

4. Determine the extent to which there is a duplication of water facilities and recommend a course of action to eliminate or minimize such duplication.

Amendment No. 854.

SUMMARY—Revises the authority of ~~[the Virgin Valley Water District]~~ **certain water and improvement districts** to borrow money and incur indebtedness. (BDR ~~[S-964)]~~ **25-964)**

AN ACT relating to ~~[water]~~ **special** districts; **revising the authority of certain local improvement districts to borrow money and incur indebtedness;** revising the authority of the Virgin Valley Water District to borrow money and incur indebtedness; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Pursuant to the Nevada Improvement District Act (Chapter 309 of NRS), local improvement districts organized under the provisions of that Act on or before May 1, 1967, may incur general obligation indebtedness for the acquisition, construction, installation or completion of works or other improvements or facilities. (NRS 309.331-309.339) Sections 1-6 of this bill allow the board of such a district, in issuing general obligation bonds or other general obligation securities, to opt to carry out such activities pursuant to NRS 350.020 to 350.070, inclusive, instead of pursuant to the applicable provisions of chapter 309 of NRS.

Existing law provides that, in the event of a conflict between the provisions of NRS 309.332 to 309.339, inclusive, and the provisions of the Local Government Securities Law (NRS 350.500-350.720), the provisions of NRS 309.332 to 309.339, inclusive, control. (NRS 309.337) Section 7 of

this bill provides instead that, in the event of such a conflict, the provisions of the Local Government Securities Law control.

Under existing law, the Virgin Valley Water District is authorized to incur indebtedness, issue bonds and provide for medium-term obligations to carry out its powers. (Chapter 100, Statutes of Nevada 1993, p. 160, as last amended by chapter 203, Statutes of Nevada 1997, p. 560) ~~[This bill expands and clarifies]~~ **Sections 8 and 9 of this bill expand and clarify** that authority to allow the District to borrow money and incur indebtedness in any manner permitted by law for such a district and, subject to monitoring and oversight by the Clark County Debt Management Commission, to issue and retire bonds, warrants, notes and other securities in the same manner as a municipality. This bill also clarifies the authority of the District to provide for medium-term obligations and installment-purchase agreements in accordance with current statutes.

Under existing law, the Virgin Valley Water District is required to hold an election before incurring any general obligations. ~~[This bill specifies]~~ **Sections 8 and 9 of this bill specify** various types of securities which may be issued by the District without an election, including a general obligation only if the payment of that obligation is additionally secured by a pledge of and lien on the revenues of the District.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. **Chapter 309 of NRS is hereby amended by adding thereto a new section to read as follows:**

1. If the board of a district organized pursuant to the provisions of this chapter proposes to issue general obligation bonds or other general obligation securities that are payable from general ad valorem taxes, the board may do so, at its option, pursuant to:

(a) NRS 309.332 to 309.339, inclusive; or

(b) NRS 350.020 to 350.070, inclusive.

2. If the board of a district organized pursuant to the provisions of this chapter elects to exercise the option described in paragraph (b) of subsection 1:

(a) The general obligation bonds or other general obligation securities must be secured additionally by a pledge of and lien on net revenues;

(b) The general obligation bonds or other general obligation securities must be issued in compliance with NRS 350.020 to 350.070, inclusive; and

(c) The provisions of NRS 309.333 to 309.336, inclusive, do not apply to the issuance or authorization of those general obligation bonds or other general obligation securities.

2. Amendment No. 853.

SUMMARY—Makes various changes to provisions relating to state financial administration **,** ~~[and]~~ the acquisition of property ~~[.]~~ **and the construction of public works.** (BDR 31-424)

AN ACT relating to state financial administration; requiring state agencies to advertise for proposals before entering into certain lease-purchase and installment-purchase agreements; making various other changes to provisions relating to lease-purchase and installment-purchase agreements; **clarifying the application to certain projects of provisions requiring the payment of prevailing wages on public works;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes state agencies to enter into lease-purchase and installment-purchase agreements to acquire real property, an interest in real property or an improvement to real property. (NRS 353.500-353.630) Section 2 of this bill requires a state agency to advertise for proposals before it enters into a lease-purchase or installment-purchase agreement for the purpose of acquiring an existing building that is located on property which is not owned by the State. Section 3 of this bill specifies the requirements for such an advertisement. Section 2 also requires that, if a state agency wishes to enter into a lease-purchase or installment-purchase agreement requiring the construction of a building on property which is owned by the State, the agency must contract with a design-build team for the design and construction of the building.

Existing law provides the requirements for lease-purchase and installment-purchase agreements which extend beyond the biennium in which the agreements are executed. Any such agreement must prohibit certificates of participation unless the State Board of Finance waives the prohibition.

(NRS 353.550) Section 5 of this bill provides that if the Board waives the prohibition, the agreement does not have to include: (1) the rate of interest to be paid under the agreement; (2) the dates on which and prices at which the prepayments may be made under the agreement; (3) the amount to be received from the sale of the agreement or interests therein; and (4) the principal amount to be paid under the agreement and the amount of principal to be repaid in any particular year.

Existing law provides that if a lease-purchase or installment-purchase agreement involves an improvement to property owned by the State, the State Land Registrar may enter into a lease of the property to which the improvement will be made if the lease has a term of 35 years or less and the lease provides for rental payments that approximate the fair market rental of the property before the improvement is made. (NRS 353.600) Section 8 of this bill provides that any such lease is exempt from certain provisions in existing law governing the lease of state land that require certain appraisals and the acceptance of sealed bids followed by oral offers.

Existing law authorizes the issuance and prescribes the terms of evidence of certain installment-purchase agreements. (NRS 350.091) Section 9 of this bill provides that certain installment-purchase agreements involving the construction, alteration, repair or remodeling of an improvement need not contain certain details and certain leases thereunder need not comply with certain statutes, but prevailing wage requirements (NRS 338.013-338.090) apply to the construction, alteration, repair or remodeling.

Under existing law, the Nevada Supreme Court has held that even where a statute states specifically that the prevailing wage must be paid pursuant to NRS 338.010 to 338.090, inclusive, prevailing wages need not be paid if the project at issue does not fit the definition of a "public work" and does not involve a "public body." (*Carson-Tahoe Hosp. v. Bldg. & Constr. Trades Council of Northern Nevada*, 122 Nev. Adv. Op. 19 (2006)) Section 12 of this bill sets forth that if a statute or local or special act provides that a project is subject to the provisions of "NRS 338.010 to 338.090, inclusive," or "NRS 338.013 to 338.090, inclusive," or "NRS 338.020 to 338.090, inclusive," the statute or local or special act must be construed as requiring the provisions of NRS 338.010 to 338.090, inclusive, to apply to the project in the same manner as those provisions apply to a "public work," except that the project will be deemed to be a "public work" solely for the application of those prevailing wage provisions. Section 13 of this bill amends the definition of "public work" to include any project for which a "public body": (1) provides property for development at less than the fair market value of the property; or (2) provides to a developer financial incentives having a value of more than $100,000.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

➥ *the state agency shall advertise for proposals in the manner set forth in section 3 of this act.*

2. Amendment adopted.

Bill ordered reprinted, reengrossed and to third reading.

Senate Bill No. 516.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 895.

AN ACT relating to public officers; revising the provisions governing the compensation of certain elected county officers; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1 of this bill increases the **maximum** amount at which the board of county commissioners may set the annual salary for a county commissioner of that county. Section 1 also increases **, by 3 percent for each of Fiscal Years 2007-2008, 2008-2009, 2009-2010 and 2010-2011,** the compensation to be paid to certain other elected county officers. (NRS 245.043) Pursuant to section 3 of this bill, ~~[those]~~ **the** increases **applicable to: (1) Fiscal Year 2007-2008,** become effective on July 1, 2007 ~~[.]~~ **; (2) Fiscal Year 2008-2009, become effective on July 1, 2008; (3) Fiscal Year 2009-2010, become effective on July 1, 2009; and (4) Fiscal Year 2010-2011, become effective on July 1, 2010.** However, section 4 of this bill authorizes a county that has not commenced payment of the increased annual salaries to request and receive a waiver from payment of the increases based on insufficient financial resources. If a waiver is granted for ~~[Fiscal Year 2007-2008,]~~ **any fiscal year,** section 4 prohibits retroactive payment of the increases for that fiscal year. ~~[If a waiver is granted for any subsequent fiscal year, however, a county may pay the increases retroactively for those fiscal years.]~~ Section 1

also changes the salary classification of Storey County, thereby increasing the amount of the annual salaries paid to its elected county officers. Section 2 of this bill clarifies that county commissioners are eligible for longevity pay. (NRS 245.044)

Senate Bill No. 266.

Bill read third time.

Remarks by Assemblymen Parks, Hardy, Mabey, Leslie, and Madam Speaker.

Assemblyman Parks requested that the following remarks be entered in the Journal.

ASSEMBLYMAN PARKS:

Senate Bill 266 requires a health care provider to ensure that a woman receives, as part of her routine prenatal care, a test for the human immunodeficiency virus (HIV). A health care provider must ensure that a pregnant woman receives the test during her third trimester if she receives care in a jurisdiction with a high prevalence of HIV or acquired immunodeficiency syndrome among women of childbearing age, she receives care in a high-risk clinical setting, or she reports that she has one or more of the risk factors identified by the Centers for Disease Control and Prevention.

The health care provider also must ensure that the woman receives a rapid test for HIV during childbirth if she has not been tested for HIV earlier during her pregnancy or the results of an earlier test are not available. If the result of the test is positive, the health care provider must offer to initiate antiretroviral prolaxis without waiting for results of any other tests administered to confirm the result of the rapid test.

The measure requires that each of these tests be administered unless the woman chooses not to be tested. A health care provider who attends or assists in the delivery of a child must ensure that an HIV test is performed on the child if the mother has not been tested for HIV earlier during the pregnancy or the results of the earlier test are not available unless a parent or guardian objects to the test on religious grounds.

The measure also requires that each test administered to a woman or performed on a child pursuant to the provisions of the act be administered or performed in accordance with certain state and federal laws.

I recommend passage. Thank you.

ASSEMBLYMAN HARDY:

In way of question, if I may—and to disclose that I am a family physician—periodically I will have a patient come in for whom I need to do a pregnancy test. A pregnancy test is fairly rapid. I get it back quickly and then I say to the person, “Yes, you are pregnant.” Thus, I have participated in virtual prenatal care. I am then interested in referring that person to another practitioner. My question would be, would that put a practitioner in an awkward position of providing prenatal care and being dependant on the patient to go to another practitioner, thus, not receiving prenatal care inasmuch as that is not under my control?

By this bill, as I read it, I would be potentially remiss in my duty for not doing everything at that time—which would not be the wisest thing to do at the time of the first visit when I refer that person to a specialist.

Madam Speaker requested the privilege of the Chair for the purpose of making the following remarks:

The question was would a general practitioner or a physician who merely does a pregnancy test be considered to have rendered prenatal care so as to fall under the provisions of the bill.

ASSEMBLYMAN HARDY:

That is, in essence, what I am asking, and where I come from, it would be prenatal care because I am diagnosing the condition as well as suggesting the ongoing care.

ASSEMBLYMAN PARKS:

The intent of this legislation is to do everything we possibly can to test for HIV in pregnant women. This bill tries to narrow the time down to the hospital setting, near delivery, for making sure that the test has been performed, or if necessary, performed for a second time.

One of the things we heard in testimony and has become relatively apparent is that across the country, there has been a large number of children who have been born with HIV that could have easily been prevented—the transmission of the disease to the newborn. This bill seeks to address that the best we can.

With regards to my colleague from Boulder City, there are only so many things we can do, and this bill tries to address it as best as possible. We know that we are not going to cover absolutely every possibility, but I think this is a great start.

ASSEMBLYMAN MABEY:

I appreciate the words that my colleague from Assembly District 41 just offered. When I first read the bill, I had the same concerns as my colleague from Boulder City. It seems to me, the way the bill is written, that if a physician who initially sees the patient diagnoses a pregnancy and then prescribes a vitamin or helps her, that first visit would be rendering prenatal care, and thus fall under the provisions of this bill.

Regarding the hospital setting, I called Sunrise Hospital this morning and asked how long it would take to get a report if a person dropped into a hospital. They said between 30 and 60 minutes because they do a rapid HIV test. I understand the intent, but for that reason, I just do not feel that the bill is necessary. I feel physicians may unnecessarily be cut up in some of the wording.

It also mentions midwifes—there are midwifes in our community that are lay midwifes. Although I typically do not support them, they would not have access to be able to provide testing for these patients.

ASSEMBLYWOMAN LESLIE:

I rise in support of Senate Bill 266. We had a lot of testimony in committee on this point, how you define who is providing the prenatal care. I would refer the members back to section 6, and they can read for themselves the subsections there.

We had testimony from Dr. Trudy Larson, who is one of the leading figures in the state on this point. She said, as I recall, that this bill simply brings us up to the Centers for Disease Control guidelines. I am not a physician so I cannot argue the finer points of exactly who would be covered and when, but I will remind the members about the need for this. I think it is important to not lose sight of that, especially in our state. The Southern Nevada Health District reported that 74 percent of women of childbearing age in Clark County who are infected with HIV, and are aware of their status, are not in care. Consequently, their HIV/AIDS is not being treated. There is no system for health care facilities to identify women who are infected with HIV unless a test is given.

In 2005, the National Vital Statistics reported that 6.4 percent of women in Nevada received late or no prenatal care—nearly double the national average—and the statistic is even worse for minority women—8.6 percent for black women and 9.9 percent for Hispanic women.

The main reason we need to pass this bill today is because there were at least four documented cases of parinatal transmission of HIV in southern Nevada in the past two years. That is four babies who got this dread disease that we could have prevented the transmission with an HIV test. I urge your support.

CONSIDERATION OF SENATE AMENDMENTS

Assembly Bill No. 56.

The following Senate amendment was read:

Amendment No. 736.

AN ACT relating to contractors; revising the administrative penalties that may be imposed against a contractor who knowingly enters into a contract with an unlicensed contractor; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that a contractor who knowingly enters into a contract with an unlicensed contractor may be punished by the imposition of an administrative fine of not more than $50,000. (NRS 624.300, 624.3015) This bill revises the administrative penalties that may be imposed against a contractor who enters into such a contract by requiring the imposition of an

administrative fine and providing for the suspension or revocation of his license.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 624.300 is hereby amended to read as follows:

624.300 1. Except as otherwise provided in subsections 3 and ~~[4,]~~ ***5,*** the Board may:

(a) Suspend or revoke licenses already issued;

(b) Refuse renewals of licenses;

(c) Impose limits on the field, scope and monetary limit of the license;

(e) Order a licensee to repay to the account established pursuant to NRS 624.470, any amount paid out of the account pursuant to NRS 624.510 as a result of an act or omission of that licensee;

(f) Order the licensee to take action to correct a condition resulting from an act which constitutes a cause for disciplinary action, at the licensee's cost, that may consist of requiring the licensee to:

(1) Perform the corrective work himself;

(2) Hire and pay another licensee to perform the corrective work; or

(3) Pay to the owner of the construction project a specified sum to correct the condition; or

(g) Issue a public reprimand or take other less severe disciplinary action, including, without limitation, increasing the amount of the surety bond or cash deposit of the licensee,

➥ if the licensee commits any act which constitutes a cause for disciplinary action.

2. If the Board suspends or revokes the license of a contractor for failure to establish financial responsibility, the Board may, in addition to any other conditions for reinstating or renewing the license, require that each contract undertaken by the licensee for a period to be designated by the Board, not to exceed 12 months, be separately covered by a bond or bonds approved by the Board and conditioned upon the performance of and the payment of labor and materials required by the contract.

3. If a licensee violates ~~[the]~~ ***:***

The following Senate amendment was read:

Amendment No. 751.

SUMMARY—~~[Limits interstate banking by certain entities that open branch offices in this State pursuant to certain statutory provisions.]~~ **Makes various changes concerning financial institutions.** (BDR 55-1125)

AN ACT relating to ~~[banking;]~~ **financial institutions;** limiting interstate banking by an out-of-state depository institution that establishes or acquires a branch office in certain counties pursuant to certain statutory provisions; **authorizing certain out-of-state depository institutions to issue a credit card under certain circumstances; prohibiting the issuer of a credit card from increasing the rate of interest it charges to a cardholder under certain circumstances; requiring the issuer of a credit card to provide certain information to credit reporting agencies under certain circumstances;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides limitations upon banking in this State by out-of-state depository institutions and out-of-state holding companies. (Chapter 666 of NRS) An exception to these limitations allows the establishment of a branch office or the acquisition of an existing branch of a depository institution in a county whose population is less than 100,000 (currently counties other than Clark and Washoe Counties). (NRS 666.410) Section 1 of this bill provides that an out-of-state depository institution that establishes or acquires a branch office pursuant to this exception is still considered an out-of-state depository institution for the purposes of all other provisions limiting interstate banking. Section 1 also provides that an out-of-state depository institution that has established or acquired, or been approved to establish or acquire, a branch pursuant to this exception may also establish or acquire a branch in a county whose population is 100,000 or more, but only so long as the out-of-state

depository institution continues to operate a branch in a county whose population is less than 100,000.

Existing law governs the issuance of credit cards by financial institutions in this State. (Chapter 97A of NRS) Section 1.4 of this bill prohibits the issuer of a credit card from increasing the interest rate it charges a cardholder based upon a late payment by the cardholder to an unrelated credit card issuer or creditor. Section 1.4 also prohibits a credit card issuer from including a universal default clause in a contract or other agreement relating to a credit card account. Section 1.6 of this bill prohibits the issuer of a credit card from prohibiting or attempting to prohibit a merchant from offering a discount to a customer to induce the customer to pay for goods or services with by cash, check or other means instead of with a credit card. Section 1.8 of this bill provides that if a cardholder voluntarily closes a credit card account to avoid a change in the terms or conditions of the account made by the issuer of the credit card, the issuer must notify any credit reporting agency to which it provides information concerning the cardholder's account that the closure of the account was voluntary on the part of the cardholder.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 666.410 is hereby amended to read as follows:

666.410 ***1.*** An out-of-state depository institution without a branch in Nevada or an out-of-state holding company without a depository institution in Nevada may not establish a de novo branch in this State or acquire, through merger or otherwise, a branch of a depository institution in Nevada without acquiring the institution itself or its charter, except that, with the written approval of the Commissioner:

Assembly Joint Resolution No. 3.

The following Senate amendment was read:

Amendment No. 630.

ASSEMBLY JOINT RESOLUTION—Proposing to amend the Nevada Constitution to revise provisions relating to the taking of private property by eminent domain.

Legislative Counsel's Digest:

Section 8 of Article 1 of the Nevada Constitution and the Fifth Amendment to the United States Constitution provide that private property cannot be taken for a public use without just compensation. In ***Kelo v. City of New London***, 125 S.Ct. 2655 (2005), the United States Supreme Court ruled

that the use of eminent domain to acquire property and transfer it to another private party for the purpose of economic development does not violate the Takings Clause of the Fifth Amendment to the United States Constitution.

This resolution proposes an amendment to the Nevada Constitution to prohibit, except in certain circumstances, the taking of private property if the purpose of the taking is to transfer an interest in that property to another private party.

In addition, the amendment proposed by this resolution requires an entity which is taking property by the exercise of eminent domain to provide the owner of the property with all appraisals of the property obtained by the entity before the entity is allowed to occupy the property. Furthermore, in all eminent domain actions, the owner of the property that is being taken is entitled to a determination of whether the taking is for a public use and the entity that is taking the property has the burden of proving that the taking is for a public use.

The amendment proposed by this resolution provides for the manner of computing the just compensation owed to a person whose property is taken by the exercise of eminent domain. Also, the amendment provides that neither a property owner nor an entity which is taking property by the exercise of eminent domain is liable for the attorney's fees of the other party, except in a certain circumstance. Under the amendment, the owner of property taken by the exercise of eminent domain, or his successor in interest, has the right to reacquire the property for the price paid by the entity which took the property under certain circumstances.

This resolution also proposes to repeal the "People's Initiative to Stop the Taking of Our Land" if that initiative is approved by the voters at the 2008 General Election.

RESOLVED BY THE ASSEMBLY AND SENATE OF THE STATE OF NEVADA, JOINTLY, That Section 8 of Article 1 of the Nevada Constitution be amended to read as follows:

Sec. 8. 1. No person shall be tried for a capital or other infamous crime (except in cases of impeachment, and in cases of the militia when in actual service and the land and naval forces in time of war, or which this State may keep, with the consent of Congress, in time of peace, and in cases of petit larceny, under the regulation of the Legislature) except on presentment or indictment of the grand jury, or upon information duly filed by a district attorney, or Attorney General of the State, and in any trial, in any court whatever, the party accused shall be allowed to appear and defend in person, and with counsel, as in civil actions. No person shall be subject to be twice put in jeopardy for the same offense; nor shall he be compelled, in any criminal case, to be a witness against himself.

2. The Legislature shall provide by law for the rights of victims of crime, personally or through a representative, to be:

(a) Informed, upon written request, of the status or disposition of a criminal proceeding at any stage of the proceeding;

(b) Present at all public hearings involving the critical stages of a criminal proceeding; and

(c) Heard at all proceedings for the sentencing or release of a convicted person after trial.

3. Except as otherwise provided in subsection 4, no person may maintain an action against the State or any public officer or employee for damages or injunctive, declaratory or other legal or equitable relief on behalf of a victim of a crime as a result of a violation of any statute enacted by the Legislature pursuant to subsection 2. No such violation authorizes setting aside a conviction or sentence or continuing or postponing a criminal proceeding.

4. A person may maintain an action to compel a public officer or employee to carry out any duty required by the Legislature pursuant to subsection 2.

5. No person shall be deprived of life, liberty, or property, without due process of law.

6. Private property shall not be taken for public use without just compensation having been first made, or secured, except in cases of war, riot, fire, or great public peril, in which case compensation shall be afterward made.

7. Except as otherwise provided in paragraphs (a) to (e), inclusive, the public uses for which private property may be taken do not include the direct or indirect transfer of any interest in the property to another private person or entity. A transfer of property taken by the exercise of eminent domain to another private person or entity is a public use in the following circumstances:

(a) The entity that took the property transfers the property to a private person or entity and the private person or entity uses the property primarily to benefit a public service, including, without limitation, a utility, railroad, public transportation project, pipeline, road, bridge, airport or facility that is owned by a governmental entity.

(b) The entity that took the property leases the property to a private person or entity that occupies an incidental part of an airport or a facility that is owned by a governmental entity and, before leasing the property:

(1) Uses its best efforts to notify the person from whom the property was taken that the property will be leased to a private person or entity that will occupy an incidental part of an airport or a facility that is owned by a governmental entity; and

(2) Provides the person from whom the property was taken with an opportunity to bid or propose on ~~*[an equal basis with others.]*~~ ***any such lease.***

(c) The entity:

(1) Took the property in order to acquire property that was abandoned by the owner, abate an immediate threat to the safety of the public or remediate hazardous waste; and

(2) Grants a right of first refusal to the person from whom the property was taken that allows that person to reacquire the property on the same terms and conditions that are offered to the other private person or entity.

(d) The entity that took the property ~~[transfers an interest in the property to a private person or entity in exchange for an interest in the property that was taken, or is being taken,]~~ exchanges it for other property acquired or being acquired by ~~[the exercise of]~~ eminent domain or under the threat of ~~[the exercise of]~~ eminent domain for ~~[the purpose of a road]~~ roadway or highway ~~[, the relocation of]~~ purposes, to relocate public or private structures or to ~~[facilitate or]~~ avoid payment of excessive compensation or damages.

(e) The person from whom the property is taken consents to the taking.

8. In all actions in eminent domain:

(a) Before the entity that is taking property obtains possession of the property, the entity shall give to the owner of the property a copy of all appraisals of the property obtained by the entity.

(b) At the occupancy hearing, the owner of the property that is the subject of the action is entitled, at the property owner's election, to a separate and distinct determination as to whether the property is being taken for a public use.

(c) The entity that is taking property has the burden of proving that the taking is for a public use.

(d) Except as otherwise provided in this paragraph, neither the entity that is taking property nor the owner of the property is liable for the attorney's fees of the other party. This paragraph does not apply in an inverse condemnation action if the owner of the property that is the subject of the action makes a request for attorney's fees from the other party to the action.

9. Except as otherwise provided in this subsection, if a court determines that a taking of property is for public use, the taken or damaged property must be valued at its highest and best use without considering any future dedication requirements imposed by the entity that is taking the property. If property is taken primarily for a profit-making purpose, the property must be valued at the use to which the entity that is taking the property intends to put the property, if such use results in a higher value for the property.

10. In all actions in eminent domain, fair market value is the highest price, on the date of valuation, that would be agreed to by a seller, who is willing to sell on the open market and has reasonable time to find a purchaser, and a buyer, who is ready, willing and able to buy, if both the seller and the buyer had full knowledge of all the uses and purposes for which the property is reasonably adaptable and available.

11. In all actions in eminent domain, just compensation is that sum of money necessary to place the property owner in the same position monetarily as if the property had never been taken, excluding any

governmental offsets except special benefits. Special benefits may only offset severance damages and may not offset the value for the property. Just compensation for the property taken by the exercise of eminent domain must include, without limitation, interest and reasonable costs and expenses, except attorney's fees, incurred by the owner of the property that is the subject of the action. The district court shall determine, in a posttrial hearing, the award of interest and award as interest the amount of money which will put the person from whom the property is taken in as good a position monetarily as if the property had not been taken. The district court shall enter an order concerning:

(a) The date on which the computation of interest will commence;

(b) The rate of interest to be used to compute the award of interest, which must not be less than the prime rate of interest plus 2 percent; and

(c) Whether the interest will be compounded annually.

12. Property taken by the exercise of eminent domain must be offered to and reverts to the person from whom the property was taken upon repayment of the original purchase price if, within 15 years after obtaining possession of the property, the entity that took the property:

(a) Fails to use the property for the public use for which the property was taken or for any public use reasonably related to the public use for which the property was taken; or

(b) Seeks to convey any right, title or interest in all or part of the property to any other person and the conveyance is not occurring pursuant to subsection 7.

➥ The entity that has taken the property does not fail to use the property under paragraph (a) if the entity has begun active planning for or design of the public use, the assembling of land in furtherance of planning for or design of the public use or construction related to the public use.

13. If any provision of subsections 7 to 12, inclusive, or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect the provisions or application of subsections 7 to 12, inclusive, which can be given effect without the invalid provision or application, and to this end the provisions of subsections 7 to 12, inclusive, are declared to be severable.

14. The provisions of subsections 7 to 12, inclusive, apply to an action in eminent domain that is filed on or after January 1, 2011.

And be it further

RESOLVED, That Section 22 of Article 1 of the Nevada Constitution, commonly known as the "People's Initiative to Stop the Taking of Our Land," if that section is approved and ratified by the voters at the 2008 General Election, is hereby repealed.

Legislative Counsel's Digest:

Pursuant to existing law, the State Engineer may make such reasonable rules and regulations as may be necessary for the proper and orderly execution of the powers conferred on him by law. (NRS 532.120) The penalty prescribed for the violation of a majority of the provisions set forth in chapters 533, 534, 535 and 536 of NRS is a misdemeanor. (NRS 533.480, 534.190, 535.110, 536.120)

Section 1 of this bill expands the provisions for which the State Engineer may adopt regulations to include chapters 534, 535 and 536 of NRS in addition to chapter 533 of NRS. Sections 3, 7, 10 and 14 of this bill provide the State Engineer with the additional authority to impose, after notice and opportunity for a hearing, administrative fines, to require a person to replace certain unlawfully taken or wasted water, and to recover expenses incurred in investigating and stopping various water law violations. **Section 7 provides additionally that: (1) in determining violations relating to the unauthorized use of water from certain wells, it is the burden of the State Engineer to prove which user or users of water are withdrawing water in excess of their individual allotments; and (2) the State Engineer may require users of water from certain wells to install and maintain, at their own expense, meters to measure their individual withdrawal of water.**

Sections 4, 8, 11 and 15 of this bill authorize the State Engineer to seek injunctive relief to prevent a violation or continued violation of chapters 533, 534, 535 and 536 of NRS.

Section 16 of this bill requires the State Engineer to consider certain matters in adopting regulations to carry out the amendatory provisions of this bill.

Section 17 of this bill requires the State Engineer, on or before January 1, 2009, to submit to the Director of the Legislative Counsel Bureau a written report detailing his efforts in, and progress toward, the

development and adoption of regulations to carry out the amendatory provisions of this bill.

Section 18 of this bill prohibits the State Engineer, before July 1, 2009, from imposing an administrative penalty pursuant to the amendatory provisions of this bill or any regulations adopted to carry out those amendatory provisions.

Amendment No. 964.

AN ACT relating to governmental administration; authorizing each county clerk to charge and collect an additional fee to pay for the acquisition and improvement of technology used in the office of the county clerk; ~~[increasing the amount of certain court fees charged and collected by county clerks;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires each county clerk to charge and collect certain fees relating to certain civil actions and proceedings in district court. The additional fee, if charged and collected, must be credited to an account described in section 1 of this bill. (NRS 19.013) Section 1 provides that if a county clerk charges and collects an additional fee for filing and recording a bond of a notary public, the proceeds must be accounted for separately in the county general fund and the money in the account must be used only to acquire technology for or to improve technology used in the office of the county clerk.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 980.

AN ACT relating to fire protection districts; requiring the board of directors of a fire protection district created by an election to cooperate with the State Forester Firewarden and certain other agencies to prevent and suppress fires in wild lands; authorizing such a board of directors to appoint a district fire chief; providing that the activities of a fire protection district created by an election are separate from county activities and any other political subdivision in this State; authorizing a board of fire commissioners

to provide emergency medical services within a fire protection district ~~[,]~~ **under certain circumstances;** requiring title to all property acquired by a fire protection district organized by a board of county commissioners to vest in the district; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for the organization of fire protection districts by an ordinance adopted by a board of county commissioners or by the approval of the voters of a proposed fire protection district. (Chapter 474 of NRS) Under existing law, a fire protection district approved by the voters may include contiguous territory from more than one county. Section 9 also removes the exclusion that had prohibited such a fire protection district from including timberland patrolled by the United States Forest Service.** Sections 2-8 and 15-18 of this bill borrow various existing provisions that are applicable to a fire protection district organized by a board of county commissioners and make them applicable to a fire protection district approved by the voters. ~~[Sections 10-14 and 19 of this bill remove references to a fire protection district that includes territory in more than one county.]~~ Sections 20, 21, 22 and 24 of this bill borrow various existing provisions that are applicable to a fire protection district approved by the voters and make them applicable to a fire protection district organized by a board of county commissioners. Existing law provides that the Department of Health and Human Services is subrogated to the right of a recipient of Medicaid when the recipient incurs costs for medical services which are payable by the Department under circumstances which create legal liability for such costs in a third party. (NRS 422.293) Sections ~~[2-10]~~ **3, 4, 9 and 10** of this bill revise certain provisions concerning the recovery of such costs by the Department and impose liability for such costs on certain persons who do not comply with the procedures established to protect the right of the Department to recover benefits paid by Medicaid.

The Federal Deficit Reduction Act of 2005, Public Law 109-171, enacted certain provisions concerning state plans for Medicaid. Section 6031 of the Federal Deficit Reduction Act provides financial incentives for states that enact laws establishing liability for false or fraudulent claims made to the State Plan for Medicaid. Sections ~~[21-25]~~ **23-27** of this bill amend existing law concerning the filing of false or fraudulent claims to comply with the provisions of section 6031 of the Federal Deficit Reduction Act. (NRS 357.040, 357.070, 357.080, 357.110, 357.170) **Sections 11 and 15 of this bill provide for the recovery of benefits and for criminal penalties for certain fraudulent acts related to public assistance. (NRS 422.29304, 422.410)**

Sections ~~[29-34]~~ **31-36** of this bill amend existing law to comply with the requirements of section 6035 of the Federal Deficit Reduction Act concerning certain providers of health insurance. Sections ~~[29-34]~~ **31-36** require providers of health insurance to provide certain information concerning a person who is eligible for assistance under Medicaid to the State upon request. Sections ~~[29-34]~~ **31-36** also require providers of health insurance to respond to inquiries by the State concerning a claim for payment for medical assistance not later than 3 years after the date of provision of the medical services. Sections ~~[29-34]~~ **31-36** require providers of health insurance to agree not to deny a claim submitted by the State solely on the basis of the date of submission of the claim or the form of documentation submitted if the State submits the claim not later than 3 years after the date of the provision of medical assistance and the State commences any action to enforce its rights with respect to the claim not later than 6 years after submission of the claim. The Division may petition the appropriate court for modification of its order on the same grounds as a party to the action.

3. 4. Debts for support may not be incurred by a parent or any other person who is the recipient of public assistance for the benefit of a dependent child for the period when the parent or other person is a recipient.

Senate Joint Resolution No. 3.

Resolution read second time.

The following amendment was proposed by the Committee on Elections, Procedures, Ethics, and Constitutional Amendments:

Amendment No. 923.

SUMMARY—Proposes to amend the Nevada Constitution to revise **certain** provisions relating to ~~[signature requirements for initiative petitions.]~~ **elections.** (BDR C-260)

SENATE JOINT RESOLUTION—Proposing to amend the Nevada Constitution to **provide that a person must be a resident of the State for 30 days before an election to be eligible to vote in that election, to** require that an initiative petition be proposed by a number of registered voters ~~[equal to a certain percentage of the population of the State, or]~~ equal to a certain percentage of registered voters who voted in the last preceding election ~~[,~~ ~~who reside in each county of the State in the same proportion as the population of the county bears to the total population of the State.]~~ **and to remove requirements concerning affidavits that must be affixed to referendum petitions and initiative petitions.**

Legislative Counsel's Digest:

Existing law provides that a citizen of the United States who is at least 18 years of age and who has actually, as opposed to constructively, resided in the State for at least 6 months and in the district or county for at least 30 days before an election is eligible to vote. (Nev. Const. Art. 2, § 1)

The United States Supreme Court, in several decisions, has ruled that residency requirements which exceed the amount of time required to complete election administrative procedures do not further any compelling state interest and violate the equal protection clause of the Fourteenth Amendment of the U.S. Constitution. (Dunn v. Blumstein, 92 S. Ct. 995 (1972); Marston v. Lewis, 93 S. Ct. 1211 (1973); Burns v. Fortson, 93 S. Ct. 1209 (1973))

This resolution proposes to amend the Nevada Constitution to eliminate the 6-month state residency requirement. A person will be eligible to vote after residing for 30 days in a district or county in this State.

Existing law requires that an initiative petition be signed by at least 10 percent of the voters who voted at the last preceding general election in at least 75 percent of the counties in the State. (Nev. Const. Art. 19, § 2)

The United States District Court for the District of Nevada declared that the above portion of Section 2 of Article 19 of the Nevada Constitution

violates the Equal Protection Clause of the United States Constitution because it applies the same formula to counties of varying population. Such application results in the signatures of voters from small, rural counties carrying more weight than the signatures of voters from larger counties. (***Committee to Regulate and Control Marijuana v. Heller***, No. CV-S-04-01035 (D. Nev. Aug. 20, 2004)) The United States Court of Appeals for the Ninth Circuit affirmed the decision of the United States District Court. (***American Civil Liberties Union of Nevada v. Lomax***, 471 F.3d 1010 (9th Cir. Nev. 2006))

This resolution proposes to amend the Nevada Constitution to remove those provisions which were found unconstitutional and replace them with a requirement that an initiative petition must be signed by a number of registered voters that equals ~~[at least 4 percent of the total population of the State, as determined by the last preceding decennial census, or]~~ at least 10 percent of the total number of voters who voted at the last preceding general election **.** ~~[, whichever number is less. The signatures must be gathered from registered voters who reside in each county in the State in the same proportion as the population of the county bears to the total population of the State.]~~

Existing law currently provides that there must be attached to each document in a referendum petition or initiative petition an affidavit stating that all the signatures on the document are genuine signatures of persons who are registered voters in the counties in which they reside, and that the affidavit must be executed before a person authorized by law to administer oaths in Nevada, such as a notary public. (Nev. Const. Art. 19, § 3) The Nevada Supreme Court has ruled that the affidavit requirements set forth in Section 3 of Article 19 of the Nevada Constitution are an impermissible burden on political speech and, therefore, unconstitutional under the First Amendment to the United States Constitution. (*Secretary of State v. Give Nevada a Raise, Inc.*, 120 Nev. 481 (2004))

This resolution proposes to amend the Nevada Constitution to remove the affidavit requirements set forth in Section 3 of Article 19.

RESOLVED BY THE SENATE AND ASSEMBLY OF THE STATE OF NEVADA, JOINTLY, That **Section 1 of Article 2 of the Nevada Constitution be amended to read as follows:**

Section 1. All citizens of the United States (not laboring under the disabilities named in this constitution) of the age of eighteen years and upwards, who shall have actually, and not constructively, resided in the state ~~[six months,]~~ and in the district or county thirty days next preceding any election, shall be entitled to vote for all officers that now or hereafter may be elected by the people, and upon all questions submitted to the electors at such election; provided, that no person who has been or may be convicted of treason or felony in any state or territory of the United States, unless restored to civil rights, and no person who has been adjudicated mentally

incompetent, unless restored to legal capacity, shall be entitled to the privilege of an elector. There shall be no denial of the elective franchise at any election on account of sex. The legislature may provide by law the conditions under which a citizen of the United States who does not have the status of an elector in another state and who does not meet the residence requirements of this section may vote in this state for President and Vice President of the United States.

And be it further

RESOLVED, That Section 2 of Article 19 of the Nevada Constitution be amended to read as follows:

Sec. 2. 1. Notwithstanding the provisions of Section 1 of Article 4 of this Constitution, but subject to the limitations of Section 6 of this Article, the people reserve to themselves the power to propose, by initiative petition, statutes and amendments to statutes and amendments to this Constitution, and to enact or reject them at the polls.

2. An initiative petition shall be in the form required by Section 3 of this Article and shall be proposed by a ***total*** number of registered voters equal to ***at least*** 10 percent ~~[or more]~~ of the number of voters who voted at the last preceding general election ~~[in not less than 75 percent of the counties]~~ in ~~*[or at least 4 percent of the total population of]*~~ the State ~~[~~, but the total number of registered voters signing the initiative petition shall be equal to 10 percent or more of the voters who voted in the entire State at the last preceding general election.~~]~~ ~~*[, as determined by the last preceding national decennial census conducted by the Bureau of the Census of the United States Department of Commerce pursuant to Section 2 of Article I of the Constitution of the United States and reported by the Secretary of Commerce to the Governor pursuant to 13 U.S.C. § 141(c), whichever total number of registered voters is less. The number of registered voters who propose the initiative petition must reside in each county of the State in the same proportion as the population of the applicable county bears to the total population of the State.]*~~

3. If the initiative petition proposes a statute or an amendment to a statute, the person who intends to circulate it shall file a copy with the Secretary of State before beginning circulation and not earlier than January 1 of the year preceding the year in which a regular session of the Legislature is held. After its circulation, it shall be filed with the Secretary of State not less than 30 days prior to any regular session of the Legislature. The circulation of the petition shall cease on the day the petition is filed with the Secretary of State or such other date as may be prescribed for the verification of the number of signatures affixed to the petition, whichever is earliest. The Secretary of State shall transmit such petition to the Legislature as soon as the Legislature convenes and organizes. The petition shall take precedence over all other measures except appropriation bills, and the statute or amendment to a statute proposed thereby shall be enacted or rejected by the Legislature without change or amendment within 40 days. If the proposed

statute or amendment to a statute is enacted by the Legislature and approved by the Governor in the same manner as other statutes are enacted, such statute or amendment to a statute shall become law, but shall be subject to referendum petition as provided in Section 1 of this Article. If the statute or amendment to a statute is rejected by the Legislature, or if no action is taken thereon within 40 days, the Secretary of State shall submit the question of approval or disapproval of such statute or amendment to a statute to a vote of the voters at the next succeeding general election. If a majority of the voters voting on such question at such election votes approval of such statute or amendment to a statute, it shall become law and take effect upon completion of the canvass of votes by the Supreme Court. An initiative measure so approved by the voters shall not be amended, annulled, repealed, set aside or suspended by the Legislature within 3 years from the date it takes effect. If a majority of such voters votes disapproval of such statute or amendment to a statute, no further action shall be taken on such petition. If the Legislature rejects such proposed statute or amendment, the Governor may recommend to the Legislature and the Legislature may propose a different measure on the same subject, in which event, after such different measure has been approved by the Governor, the question of approval or disapproval of each measure shall be submitted by the Secretary of State to a vote of the voters at the next succeeding general election. If the conflicting provisions submitted to the voters are both approved by a majority of the voters voting on such measures, the measure which receives the largest number of affirmative votes shall thereupon become law. If at the session of the Legislature to which an initiative petition proposing an amendment to a statute is presented which the Legislature rejects or upon which it takes no action, the Legislature amends the statute which the petition proposes to amend in a respect which does not conflict in substance with the proposed amendment, the Secretary of State in submitting the statute to the voters for approval or disapproval of the proposed amendment shall include the amendment made by the Legislature.

4. If the initiative petition proposes an amendment to the Constitution, the person who intends to circulate it shall file a copy with the Secretary of State before beginning circulation and not earlier than September 1 of the year before the year in which the election is to be held. After its circulation it shall be filed with the Secretary of State not less than 90 days before any regular general election at which the question of approval or disapproval of such amendment may be voted upon by the voters of the entire State. The circulation of the petition shall cease on the day the petition is filed with the Secretary of State or such other date as may be prescribed for the verification of the number of signatures affixed to the petition, whichever is earliest. The Secretary of State shall cause to be published in a newspaper of general circulation, on three separate occasions, in each county in the State, together with any explanatory matter which shall be placed upon the ballot, the entire text of the proposed amendment. If a majority of the voters voting on such question at such election votes disapproval of such amendment, no further

action shall be taken on the petition. If a majority of such voters votes approval of such amendment, the Secretary of State shall publish and resubmit the question of approval or disapproval to a vote of the voters at the next succeeding general election in the same manner as such question was originally submitted. If a majority of such voters votes disapproval of such amendment, no further action shall be taken on such petition. If a majority of such voters votes approval of such amendment, it shall, unless precluded by subsection 5 or 6, become a part of this Constitution upon completion of the canvass of votes by the Supreme Court.

5. If two or more measures which affect the same section of a statute or of the Constitution are finally approved pursuant to this Section, or an amendment to the Constitution is finally so approved and an amendment proposed by the Legislature is ratified which affect the same section, by the voters at the same election:

(a) If all can be given effect without contradiction in substance, each shall be given effect.

(b) If one or more contradict in substance the other or others, the measure which received the largest favorable vote, and any other approved measure compatible with it, shall be given effect. If the one or more measures that contradict in substance the other or others receive the same number of favorable votes, none of the measures that contradict another shall be given effect.

6. If, at the same election as the first approval of a constitutional amendment pursuant to this Section, another amendment is finally approved pursuant to this Section, or an amendment proposed by the Legislature is ratified, which affects the same section of the Constitution but is compatible with the amendment given first approval, the Secretary of State shall publish and resubmit at the next general election the amendment given first approval as a further amendment to the section as amended by the amendment given final approval or ratified. If the amendment finally approved or ratified contradicts in substance the amendment given first approval, the Secretary of State shall not submit the amendment given first approval to the voters again.

And be it further

RESOLVED, That Section 3 of Article 19 of the Nevada Constitution be amended to read as follows:

Sec. 3. 1. Each referendum petition and initiative petition shall include the full text of the measure proposed. Each signer shall affix thereto his or her signature, residence address and the name of the county in which he or she is a registered voter. The petition may consist of more than one document . ~~[, but each document shall have affixed thereto an affidavit made by one of the signers of such document to the effect that all of the signatures are genuine and that each individual who signed such document was at the time of signing a registered voter in the county of his or her residence. The affidavit shall be executed before a person authorized by law to administer oaths in the State of Nevada. The enacting clause of all statutes or~~

~~amendments proposed by initiative petition shall be: "The People of the State of Nevada do enact as follows:"]~~

2. The Legislature may authorize the Secretary of State and the other public officers to use generally accepted statistical procedures in conducting a preliminary verification of the number of signatures submitted in connection with a referendum petition or an initiative petition, and for this purpose to require petitions to be filed no more than 65 days earlier than is otherwise required by this Article.

SECOND READING AND AMENDMENT

Senate Bill No. 203.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 842.

AN ACT relating to local financial administration; revising provisions concerning the proceeds of the fee authorized to be imposed in certain counties to pay for certain baseball stadium projects in certain circumstances; extending the dates for the reversion of certain money previously transferred and appropriated to the Interim Finance Committee to be allocated for

Truckee River improvement related projects; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the board of county commissioners of a county whose population is 100,000 or more but less than 400,000 (currently Washoe County) may impose a fee upon the rental of passenger vehicles and issue revenue bonds of the county to acquire, improve, equip, operate and maintain a minor league baseball stadium project to be used for the home games of a Double-A or Triple-A affiliate of a Major League Baseball team. (NRS 244A.0344, 244A.058, 244A.800, 244A.830) Section 9.5 of this bill requires such a board of county commissioners to determine whether certain criteria for the minor league baseball stadium project have been met by October 1, 2007, and make a finding if all the criteria have been met. If the criteria have not been met by October 1, 2007, sections 1-6 of this bill allow the proceeds of the applicable fees on the rental of passenger vehicles and related revenue bonds to be used to acquire, **lease,** improve, equip, operate and maintain any project that has been approved by the Legislature, if the Legislature is in session, or by the Interim Finance Committee, if the Legislature is not in session. Such a project may include the acquisition, **lease,** improvement, equipment, operation and maintenance of a baseball stadium that can be used for the home games of any professional baseball team, and for certain other purposes, regardless of whether the professional baseball team is affiliated with a Major League Baseball team.

For the 2005-2007 biennium, $650,000 was transferred from the Fund for the Promotion of Tourism to the Interim Finance Committee for allocation to the Reno-Sparks Convention and Visitors Authority to carry out a maximum of four projects relating to the improvement of the Truckee River. (Section 5 of chapter 454, Statutes of Nevada 2005, p. 2088) For the same biennium, $600,000 was appropriated from the State General Fund to the Interim Finance Committee for allocation to the Reno-Sparks Convention and Visitors Authority for the same purpose. (Section 32 of chapter 7, Statutes of Nevada 2005, 22nd Special Session, p. 120) Sections 7 and 8 of this bill extend the dates by which the remaining balance of this money reverts to the applicable Funds by 2 years.

REMARKS FROM THE FLOOR

Assemblyman Carpenter requested that the following remarks be entered in the Journal.

ASSEMBLYMAN CARPENTER:

Thank you, Madam Speaker. We appreciate you giving us the time and opportunity to conduct the biennial Cowboy Hall of Fame. This is the fifth session that the Cowboy Hall of Fame has been conducted in the Assembly Chamber. It was started by me and the "Urban Cowboy," Wendell Williams. After Wendell did not return, I recruited a real cowboy to continue the Cowboy Hall of Fame, my friend and your friend, Terry Sullivan. The first order of business here would be for the present members of the Hall of Fame to rise and be recognized.

The first one is John "Cowboy" Marvel.

ASSEMBLYMAN MARVEL:

The reason I do not have my hat on is that I had to send it to Jiffy Lube for an oil change.

ASSEMBLYMAN CARPENTER:

We are going take some points off of you. We might have to demote you. The second current member is Moose "Brush Hopper" Arberry. Did you not know you were in the Cowboy Hall of Fame? Well, you are. You are going to get three demerits so stand up. We want you people to stay standing so we know who you are.

Then we have Bernard "Bubba" Anderson. He remembers. Next, we have Barbara "Bucakaroo" Buckley. Mark "Range Rider" Manendo. I do not know if Steve "Fence Mender" Watson is here or not. Steve always helps us with the Cowboy Hall of Fame. Then there is Ellen "Tin Teepee" Koivisto and Kathy "Redneck Woman" McClain. There is also John "Fallon Goat Roper" Oceguera and Jerry "Mule Deer" Claborn. Sheila "Town Tamer" Leslie is a member and so is David "Gid 'er Done" Parks. Harry "State Parks, Rocket Man" Mortenson is the last member. That is the Hall of Fame. Give them a rousing Assembly welcome.

The next order of business will be the presentation of the Cowboy Hall of Fame for our 2007 inductees.

TERRY SULLIVAN:

Can I do a little disclaimer, Mr. Carpenter? While I am doing this, I am not your Sergeant at Arms. I am absolutely flattered to be chosen by Mr. John "The Boss" Carpenter to be his co-cowboy in this prestigious organization. Once it is over, and I mean this seriously, you must not hold any of this against me. I will go right back to calling you all by your first names as I usually do. Your first name to me, like always, is Mister, Miss, or Missus.

ASSEMBLYMAN CARPENTER:

This is the preamble to the Cowboy Hall of Fame: The cowboy way, right in your heart, stand by the code, and it will stand by you. Ask no more and give no less than honesty, courage, loyalty, generosity, and fairness. And never forget your constituent's name.

The first inductee into the Cowboy Hall of Fame for this session is going to be Kelvin "Horse Whisperer" Atkinson. There is no question that Kelvin should be in the Cowboy Hall of Fame because he is the esteemed chairman of Transportation. This year he paid more attention to the horses than he did the people. So, Kelvin, if you would like to step up here, we would like to present you with your plaque and a couple of other little things.

"Whereas, Kelvin 'Horse Whisperer' Atkinson attended the University of Nevada, Las Vegas, and has served three regular sessions and four special sessions by following the cowboy rule of 'Don't interfere with something that ain't bothering you none.'"

Kelvin, there are certain things I need to tell you about horses. Every chairman of Transportation needs a way to get around. That is why we have given you this wonderful horse. The horse's name is Giddyup.

Kelvin, horses always want their ears rubbed. If you rub their ears long enough, they will thank you. Kelvin, you must feed this horse hay three times a day and then properly clean up after him. We have another gift for you. The horse needs to stay in the barn and cannot be in the house. So we have another horse for you that you can keep in your home or in your office. Congratulations.

Here is your proclamation so everyone will know you are an official cowboy.

TERRY SULLIVAN:

"Whereas, Chad 'Greenhorn Christensen' attended Kenny C. Guinn Jr. High School when his style of haircut was actually still in style. Now, you may ask why he is called 'Greenhorn.' Well, because a greenhorn, among other things, is one who cannot make up his mind about certain things. It has become obvious that that hairstyle, in Mr. Christensen's case, is still in the undecided category. Be that as it may, 'Greenhorn' has served three regular and four special sessions by following the cowboy rule of 'Never ask a barber if you need a haircut.'"

ASSEMBLYMAN CARPENTER:

The next inductee is Marcus "Redneck Jedi" Conklin. I was trying to think of something to say about my friend, Marcus. He talks so fast. I thought maybe he was practicing to be the Chief Clerk. The way he gets his exercise is leaving and coming back to Judiciary so many times. I am sure he does not have to go work out after that. He is always going and then coming back.

"Whereas, Marcus 'Redneck Jedi' Conklin, distinguished member of the Nevada Partnership for Homeless Youth, served three regular and four special sessions by following the cowboy rule of 'May the Force be with ya'll.'"

TERRY SULLIVAN:

I have the honor of welcoming Pete "The Professor Fandango" Goicoechea.

"Whereas, Pete 'Professor Fandango' Goicoechea—we call him that because of his smooth dancing style and because he does not dance around the issues; we are not even sure he dances at all, but the Basque people are known for their rhythm—was educated in the White Pine County Schools of eastern Nevada and has served three regular sessions and four special sessions by following the cowboy rule, 'It don't take a rocket scientist to spot a goat in a flock of sheep, and that ain't no bull.'"

ASSEMBLYMAN CARPENTER:

I would like to say that Terry Sullivan and Steve Watson are the ones who make the appointments. There are a lot of secret criteria that go into the selection of the Cowboy Hall of Fame. Pete was lucky to make it this time.

The next inductee is Tom "Smooth Talker" Grady. Tom Grady was born in Tonopah and now he represents all those places to the east. He represents them really well because he knows them all. Awhile back, when we went down to Yerington, he knew every field, cowboy, and farmer. Tom does a great job representing his constituents.

"Whereas, Tom 'Smooth Talker' Grady attended Bishop Manogue High School and the University of Nevada, Reno, and has served three regular and four special sessions by following the cowboy rule of "Generally, you ain't learning nothing when your mouth is a'jawin'.'"

TERRY SULLIVAN:

"Whereas, Joe 'Dr. Sparky' Hardy is the straw that stirs the drink and whose good humor and candor can hide the raging inferno from which fine steel is formed—all of which starts from a spark. Sparky was student body president for Sparks High School, which is another reason to call him Sparky; a Major in the Air Force; and a proud graduate of the University of Nevada School of Medicine. He has served three regular sessions and four special sessions by following the cowboy rule, 'When you lose, don't lose the lesson, and that sure 'nuff is a lesson in itself.'"

ASSEMBLYMAN CARPENTER:

The next inductee is William "Trust Me" Horne. William is getting to be the main speaker around here. He gets up and makes great speeches. We had someone else here who used to do that but I forgot who it was. Anyway, William, we really appreciate you and all the intuition you bring to this institution.

"Whereas, William 'Trust Me' Horne attended the University of Nevada, Las Vegas and the William S. Boyd School of Law and served three regular sessions and four special sessions by following the cowboy rule of 'Remember that silence is sometimes the best answer.'"

TERRY SULLIVAN:

"Whereas, Marilyn 'Daydreamer' Kirkpatrick got her name by spending time dreaming about how she pictured herself as chairman of a committee in which she was sweet and innocent, except for her occasional use of a certain swear word that cannot be repeated here, and never raised her voice in opposition. That surely is a daydream. But 'Daydreamer' did attend Vegas Verde Elementary School and has served two regular sessions and two special sessions by following the cowboy rule of 'Sometimes you get and sometimes you get gotten,'" and that is the truth.

ASSEMBLYMAN CARPENTER:

Thank you, Marilyn. All of you lady inductees are going to get the same present because I did not want you to say I was a . . . whatever it is my wife calls me sometimes.

The next inductee is Dr. "Straw Boss" Mabey. Every time Dr. Mabey gets a little flustered, he turns kind of red. I thought maybe we might just say Garn Mabey is a good guy, he is a good leader, and we appreciate him very much.

"Whereas, Garn 'Straw Boss' Mabey attended the University of Nevada Affiliated Residency and has served three regular sessions and four special sessions by following the cowboy rule of 'Talk slowly and think quickly.'"

TERRY SULLIVAN:

"Whereas, Bonnie 'School Marm' Parnell was selected as the Nevada Teacher of the Year and is now inducted into the much more important Cowboy Hall of Fame. We think that was before anyone realized that the stubbornness the 'School Marm' possesses might have been a deciding factor in either getting her in or out of one or both of these fine organizations. Nonetheless, she has served four regular sessions and four special sessions by following the cowboy rule of 'Good judgment comes from experience, and a lot 'o that experience comes from bad judgment.'" So, even teachers learn by learning, and that is all we have to say about that. Congratulations, Ms. Parnell.

ASSEMBLYMAN CARPENTER:

Peggy "On the Shoot" Pierce, what impresses me most about Peggy is that she is always smiling and she is always going like the devil, like maybe she is looking for a liner or something like that.

"Whereas, Peggy 'On the Shoot' Pierce is a member of Culinary Union Local 226, and served three regular and four special sessions by following the cowboy rule of 'Timing has a lot to do with the outcome of a rain dance.'"

We had a lot of inductees this year. It was hard to choose between them, but all the rest of you who did not make it, just make sure you are following the cowboy way.

TERRY SULLIVAN:

"Whereas, Debbie 'Apple Pie' Smith is as straight an arrow as they come but has been known to imbibe just a tiny bit when in the company of certain colleagues. She is a graduate of Battle Mountain High School—which in itself should have made her less than nearly perfect. She is an advocate for Nevada schools, teachers, and children, especially the four of her own. 'Nanna,' as she is known to her grandchildren, has served three regular and four special sessions, and has always followed the cowboy rule of 'If you get to thinkin' you're a person of some influence, try orderin' someone else's dog around.'"

ASSEMBLYMAN CARPENTER:

The next inductee is Valerie "Boot Scooter" Weber. What impresses me most about Valerie is that sometimes she gets a lot of strange people to introduce on the floor. Valerie is always a lady and always perfect. We are glad to induct her into the Cowboy Hall of Fame. "Whereas, Valerie 'Boot Scooter' Weber is a member of Habitat for Humanity and has served three regular and four special sessions by following the cowboy rule of 'Don't judge people by their relatives.'"

TERRY SULLIVAN:

In this great state, in fact right in this room, we have ropers. We have calf ropers, headers, heelers, and goat ropers. There are rope horses and rope saddles; heck, there are even roper boots. We especially have a team roper.

"Whereas, Robin 'Team Roper' Bates has served the great state of Nevada for over 30 years in the Executive Branch of government and the Nevada Assembly as the deputy Sergeant at Arms for three regular sessions and four special sessions by following the cowboy rule of 'Talk low, talk slow, and don't say too much.'"

ASSEMBLYMAN CARPENTER:

That ends the official part of the program. I see Steve Watson is here. Steve, stand up. If it was not for Steve helping us put together all these little ditties and sayings, we would not have been able to get the Cowboy Hall of Fame going. I want to thank all of you, and I want to thank our Speaker for putting up with this silliness. Maybe next year we will be back or maybe we will not. If I do not come back, I will ask for special permission so that we can do the Cowboy Hall of Fame again. Thank you, all.

THE ONE HUNDRED AND TENTH DAY

CARSON CITY (Friday), May 25, 2007

Assembly called to order at 10:32 a.m.

Madam Speaker presiding.

Roll called.

All present.

Prayer by the Chaplain, Pastor Albert Tilstra.

Lord, give us the faith to believe that the words now spoken and the yearnings of the hearts now open before You are heard and understood in Your presence. Hold us steady lest we lose our poise. Blunt out speech lest by cutting words and careless deeds we hurt our colleagues and the cause for which we speak. Where we differ in approaches to a problem, may we ever be open to consider another and a better way, guided not by whether it be popular, or expedient, or practical, but always whether it be right. Where we are wrong, make us willing to change and where we are right make us easy to live with. Hear our prayer, O Lord.

AMEN.

Pledge of allegiance to the Flag.

Assemblyman Oceguera moved that further reading of the Journal be dispensed with, and the Speaker and Chief Clerk be authorized to make the necessary corrections and additions.

Motion carried.

Senate Joint Resolution No. 2.

Resolution read third time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 984.

SENATE JOINT RESOLUTION—Proposing to amend the Nevada Constitution to provide for the initial appointment by the Governor of justices and judges and any subsequent retention of those justices and judges by election.

Legislative Counsel's Digest:

This resolution amends the Nevada Constitution, which currently provides for the popular election of justices of the Supreme Court and judges of the district court, to provide for: (1) the initial appointment by the Governor of justices and judges, from candidates recommended by the Commission on Judicial Selection; and (2) any subsequent retention of those justices and judges by approval of a ballot question concerning their retention. (Nev. Const. Art. 6, §§ 3, 5) Under this resolution, if a vacancy occurs in the Supreme Court or a district court for any reason, the Governor appoints a justice or judge from candidates selected by the Commission on Judicial Selection, and the initial term of that justice or judge expires on the first Monday of January following the general election occurring at least 12 months after the justice or judge is appointed. Thereafter, if the justice or judge wishes to serve another term, he must declare his candidacy for a

retention election. If ~~[60]~~ **55** percent or more of the votes cast are in favor of the retention of the justice or judge, he will then serve a 6-year term and must run in a retention election if he wishes to serve another 6-year term. If the justice or judge does not declare his candidacy for the retention election or if less than ~~[60]~~ **55** percent of the votes cast are in favor of his retention, a vacancy is created at the end of his term which must be filled by appointment.

In addition, this resolution amends the Nevada Constitution to require each justice or judge who has declared his candidacy for a retention election to undergo a review of his performance as a justice or judge. This resolution creates the Commission on Judicial Performance and requires the Commission to perform these reviews. The review of each justice or judge must consist of a review of the record of the justice or judge and at least one interview of the justice or judge. At the conclusion of this review, the Commission must prepare and release to the public a report containing information about the review and a recommendation on the question of whether the justice or judge should be retained.

RESOLVED BY THE SENATE AND ASSEMBLY OF THE STATE OF NEVADA, JOINTLY, That a new section, designated Section 22, be added to Article 6 of the Nevada Constitution to read as follows:

Sec. 22. 1. Commencing with a term of office that expires on or after December 31, 2011, each justice of the Supreme Court, judge of the court of appeals, if established by the Legislature, or judge of the district court who desires to succeed himself must, on or before July 1 next preceding the expiration of his term of office, declare his candidacy in the manner provided by law. With respect to each justice or judge who so declares, the question must be presented at the next general election, in a form provided by law, whether that justice or judge shall succeed himself.

2. If ~~[60]~~ 55 percent or more of the votes cast on the question are cast in favor of the justice or judge succeeding himself, the justice or judge shall succeed himself. The term of office of each justice or judge who succeeds himself is 6 years, and that term begins on the first Monday of January next following the general election at which the justice or judge was chosen to succeed himself.

3. If a justice or judge does not declare his candidacy, or if less than ~~[60]~~ 55 percent of the votes cast on the question are cast in favor of the justice or judge succeeding himself, a vacancy is created at the expiration of his term which must be filled by appointment pursuant to Section 20 of this Article.

4. Each justice or judge who declares his candidacy to succeed himself must be reviewed by a commission on judicial performance. The review must consist of an examination of the record of the justice or judge and at least one interview of the justice or judge at which the commission discusses with the justice or judge any areas of performance in which the justice or judge needs to improve. At the conclusion of the review, the

members of the commission must vote on the question of whether the commission recommends that the justice or judge succeed himself. Not later than 6 weeks before the general election at which the question of whether the justice or judge shall succeed himself is presented, the commission shall prepare and release to the public a report which provides a summary of the findings of the commission, the recommendation of the commission on the question of whether the justice or judge should succeed himself, the rationale for the recommendation and the result of the vote by which the commission made the recommendation. The vote of an individual member of the commission must not be disclosed to the public.

5. Each justice of the Supreme Court and judge of the court of appeals, if established by the Legislature, must be reviewed by the permanent Commission on Judicial Performance, composed of:

(a) The Chief Justice or an associate justice designated by him, but if the Commission is reviewing a justice of the Supreme Court, the Chief Justice or associate justice designated to be a member of the Commission is disqualified and the other members of the Commission shall select a judge of the district court to take the place of the disqualified member of the Commission for the sole purpose of reviewing justices of the Supreme Court;

(b) Two members of the State Bar of Nevada, a public corporation created by statute, appointed by its Board of Governors; and

(c) Two persons, not members of the legal profession, appointed by the Governor.

6. Each judge of the district court must be reviewed by a temporary commission on judicial performance, composed of:

(a) The permanent Commission on Judicial Performance;

(b) Two members of the State Bar of Nevada resident in the judicial district of the judge being reviewed, appointed by the Board of Governors of the State Bar of Nevada; and

(c) Two residents of the judicial district of the judge being reviewed, not members of the legal profession, appointed by the Governor.

7. If at any time the State Bar of Nevada ceases to exist as a public corporation or ceases to include all attorneys admitted to practice before the courts of this State, the Legislature shall provide by law, or if it fails to do so the Supreme Court shall provide by rule, for the appointment of attorneys at law to the positions designated in this Section to be occupied by members of the State Bar of Nevada.

8. The term of office of each appointive member of the permanent Commission, except the first members, is 4 years. Each appointing authority shall appoint one of the members first appointed for a term of 2 years. If a vacancy occurs, the appointing authority shall fill the vacancy for the unexpired term. The additional members of a temporary commission must be appointed when a review is required, and their terms expire when the review has been completed.

9. An appointing authority shall not appoint to the permanent Commission more than:

(a) One resident of any county.

(b) One member of the same political party.

➥ No member of the permanent Commission may be a member of a commission on judicial selection or the Commission on Judicial Discipline.

Senate Bill No. 196.

Bill read third time.

The following amendment was proposed by Assemblymen Hardy and Segerblom:

Amendment No. 927.

SUMMARY—Revises provisions relating to ~~[the Department of Cultural Affairs.]~~ **organizations for the promotion of culture.** (BDR 18-548)

AN ACT relating to ~~[the Department of Cultural Affairs;]~~ **organizations for the promotion of culture;** limiting the total face amount of bonds that the Commission for Cultural Affairs may issue annually to provide financial assistance for the preservation and promotion of cultural resources; exempting artifacts donated to the Department **of Cultural Affairs** from the procedures otherwise applicable to state agencies for the acceptance of gifts or grants of property or services; **exempting certain property from**

taxation; changing the name of the Nevada State Museum and Historical Society; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the Commission for Cultural Affairs to provide financial assistance, in an amount not to exceed $3,000,000 per year from the proceeds of bonds, to governmental entities and nonprofit corporations formed for educational and charitable purposes. (NRS 233C.220, 233C.225) Section 1 of this bill eliminates the $3,000,000 annual cap on financial assistance that may be granted from the proceeds of bonds and provides instead that the face amount of the bonds issued annually to provide such financial assistance may not exceed $3,000,000, thereby allowing additional bond sale proceeds or premiums to be used to provide financial assistance.

Section 3 of this bill exempts artifacts donated to the Department of Cultural Affairs from the procedures otherwise applicable to state agencies for the acceptance of gifts or grants of property or services. (NRS 353.335)

Section 4 **of this bill provides an exemption from taxation for the Boulder City Museum and Historical Association.**

Section 5 of this bill changes the name of the "Nevada State Museum and Historical Society" to the "Nevada State Museum Las Vegas." (NRS 120A.360, 381.004, 381.207)

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

The Commission shall determine annually the total amount of financial assistance it will grant from the proceeds of bonds issued pursuant to this section in that calendar year pursuant to NRS 233C.200 to 233C.230, inclusive. The Commission shall notify the State Board of Examiners and the State Board of Finance of that amount. ~~[In no case may the amount to be granted from the proceeds of such bonds exceed $3,000,000 per year.]~~

2. After receiving the notice given pursuant to subsection 1, the State Board of Finance shall issue general obligation bonds of the State of Nevada in the amount necessary to generate the amount to be granted by the Commission from the proceeds of bonds issued pursuant to this section and to pay the expenses related to the issuance of the bonds. The expenses related to the issuance of bonds pursuant to this section must be paid from the proceeds of the bonds, and must not exceed 2 percent of the face amount of the bonds sold. ***In no case may the total face amount of the bonds issued pursuant to this section exceed $3,000,000 per year.*** No public debt is created, within the meaning of Section 3 of Article 9 of the Constitution of the State of Nevada, until the issuance of the bonds.

3. The proceeds from the sale of the bonds authorized by this section, after deducting the expenses relating to the issuance of the bonds, must be

deposited with the State Treasurer and credited to the Fund for the Preservation and Promotion of Cultural Resources.

4. The provisions of the State Securities Law, contained in chapter 349 of NRS, apply to the issuance of bonds pursuant to this section.

~~[5. The amount of financial assistance granted from the proceeds of bonds issued pursuant to this section must not exceed $30,000,000 in any 10-year period. The total face amount of the bonds issued pursuant to this section must not exceed the sum of:~~

The following amendment was proposed by Assemblywoman Kirkpatrick:

Amendment No. 993.

SUMMARY—Makes various changes to provisions ~~[governing the State Engineer.]~~ **relating to water.** (BDR 48-206)

AN ACT relating to water; expanding the purposes for which the State Engineer may adopt regulations; **expressing the sense of the Legislature as to the temporary conversion of certain water rights for certain ecological purposes;** authorizing the State Engineer to impose administrative fines and to order payment of the costs of certain proceedings; authorizing the State Engineer to seek injunctive relief for certain violations; **revising provisions relating to the protest of certain applications involving interbasin transfers of groundwater;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Pursuant to existing law, the State Engineer may make such reasonable rules and regulations as may be necessary for the proper and orderly execution of the powers conferred on him by law. (NRS 532.120) The penalty prescribed for the violation of a majority of the provisions set forth in chapters 533, 534, 535 and 536 of NRS is a misdemeanor. (NRS 533.480, 534.190, 535.110, 536.120)

Section 1 of this bill expands the provisions for which the State Engineer may adopt regulations to include chapters 534, 535 and 536 of NRS in addition to chapter 533 of NRS. **Section 2.5 of this bill provides that it is the policy of the State of Nevada to allow the temporary conversion of certain agricultural water rights for wildlife purposes or to improve the quality or flow of water.** Sections 3, 7, 10 and 14 of this bill provide the State Engineer with the additional authority to impose, after notice and opportunity for a hearing, administrative fines, to require a person to replace certain unlawfully taken or wasted water, and to recover expenses incurred in investigating and stopping various water law violations. Section 7 provides additionally that: (1) in determining violations relating to the unauthorized use of water from certain wells, it is the burden of the State Engineer to prove which user or users of water are withdrawing water in excess of their

individual allotments; and (2) the State Engineer may require users of water from certain wells to install and maintain, at their own expense, meters to measure their individual withdrawal of water.

Sections 4, 8, 11 and 15 of this bill authorize the State Engineer to seek injunctive relief to prevent a violation or continued violation of chapters 533, 534, 535 and 536 of NRS.

Existing law sets forth requirements for the State Engineer to provide certain notice of an application for a permit to appropriate water. These requirements include publishing the notice in a newspaper and, if the application is for a well, mailing a copy of the notice to owners of real property containing a domestic well that is within 2,500 feet of the proposed well. (NRS 533.360) Existing law also allows an interested person to file with the State Engineer a written protest to the application. (NRS 533.365) Sections 4.7 and 4.9 of this bill require that if the State Engineer fails to grant, deny or hear an application for a permit to appropriate, change the point of diversion of, change the manner of use of, or change the place of use of more than 250 acre-feet of water per annum within 7 years after the date on which the application was submitted, the State Engineer must, if the application involves an interbasin transfer of groundwater, notice a new period of protest of 45 days. This bill also provides that certain successors in interest of persons who had already filed a written protest against the granting of such an application must be allowed to continue pursuing the protest as though they were the person who had filed the original protest.

Section 16 of this bill requires the State Engineer to consider certain matters in adopting regulations to carry out the amendatory provisions of this bill.

Section 17 of this bill requires the State Engineer, on or before January 1, 2009, to submit to the Director of the Legislative Counsel Bureau a written report detailing his efforts in, and progress toward, the development and adoption of regulations to carry out the amendatory provisions of this bill.

Section 18 of this bill prohibits the State Engineer, before July 1, 2009, from imposing an administrative penalty pursuant to the amendatory provisions of this bill or any regulations adopted to carry out those amendatory provisions.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 532.120 is hereby amended to read as follows:

532.120 1. The State Engineer ~~[is empowered to]~~ ***may*** make such reasonable rules and regulations as may be necessary for the proper and orderly execution of the powers conferred by law.

2. The State Engineer ~~[shall have power to make rules,]~~ ***may adopt regulations,*** not in conflict with law, governing the practice and procedure in

all contests before his office, to ~~[insure]~~ ***ensure*** the proper and orderly exercise of the powers granted by law, and the speedy accomplishment of the purposes of ~~[chapter]~~ ***chapters*** 533 ***, 534, 535 and 536*** of NRS. Such rules of practice and procedure ~~[shall]~~ ***must*** be furnished to any person upon application therefor.

Sec. 2. Chapter 533 of NRS is hereby amended by adding thereto the provisions set forth as sections ~~[3, 4 and]~~ **2.5 to** 4.5 **, inclusive,** of this act.

Sec. 2.5. The Legislature hereby finds and declares that it is the policy of this State to allow the temporary conversion of agricultural water rights for wildlife purposes or to improve the quality or flow of water.

Sec. 3. ***1. In addition to any other penalty provided by law, the State Engineer may, after notice and opportunity for a hearing, require a person who violates any provision of this chapter or any permit, certificate, order or decision issued or regulation adopted by the State Engineer pursuant to this chapter or NRS 532.120 to:***

(a) Pay an administrative fine not to exceed $10,000 per day for each violation as determined by the State Engineer.

(b) In the case of an unauthorized use or willful waste of water in violation of NRS 533.460 or an unlawful diversion of water in violation of NRS 533.530, or any other violation of this chapter that, as determined by the State Engineer, results in an unlawful use, waste or diversion of water, replace not more than 200 percent of the water used, wasted or diverted.

2. If an administrative fine is imposed against a person pursuant to subsection 1 or the person is ordered to replace any water pursuant to that subsection, the State Engineer may require the person to pay the costs of the proceeding, including investigative costs and attorney's fees.

3. An order imposing an administrative fine or requiring the replacement of water or the payment of costs or fees pursuant to this section may be reviewed by a district court pursuant to NRS 533.450.

Sec. 4. ***1. The State Engineer may seek injunctive relief in the appropriate court to prevent the continuance or occurrence of any act or practice which violates any provision of this chapter, or any permit, certificate, decision or order issued or regulation adopted by the State Engineer pursuant to this chapter or NRS 532.120.***

2. On a showing by the State Engineer that a person is engaged, or is about to engage, in any act or practice which violates or will violate any provision of this chapter, or any permit, certificate, decision or order issued or regulation adopted by the State Engineer pursuant to this chapter or NRS 532.120, the court may issue, without a bond, any prohibitory or mandatory injunction that the facts may warrant, including a temporary restraining order issued ex parte or, after notice and hearing, a preliminary or permanent injunction.

3. Failure to establish lack of an adequate remedy at law or irreparable harm is not a ground for denying a request for a temporary restraining order or injunction.

4. The court may require the posting of a sufficient performance bond or other security to ensure compliance with the court order within the period prescribed.

5. Any proceeding conducted or injunction or order issued pursuant to this section is in addition to, and not in lieu of, any other penalty or remedy available for a violation specified in this section.

Sec. 4.5. ***The State Engineer shall not carry out his duties pursuant to this chapter in a manner that conflicts with any applicable provision of a decree or order issued by a state or federal court, an interstate compact or an agreement to which this State is a party for the interstate allocation of water pursuant to an act of Congress.***

Sec. 4.7. **NRS 533.365 is hereby amended to read as follows:**

533.365 1. Any person interested may, within 30 days from the date of last publication of the notice of application, file with the State Engineer a written protest against the granting of the application, setting forth with reasonable certainty the grounds of such protest, which shall be verified by the affidavit of the protestant, his agent or attorney.

2. On receipt of a protest, the State Engineer shall advise the applicant whose application has been protested of the fact that the protest has been filed with him, which advice shall be sent by certified mail.

3. The State Engineer shall consider the protest, and may, in his discretion, hold hearings and require the filing of such evidence as he may deem necessary to a full understanding of the rights involved. The State Engineer shall give notice of the hearing by certified mail to both the applicant and the protestant. The notice must state the time and place at which the hearing is to be held and must be mailed at least 15 days before the date set for the hearing.

4. The State Engineer shall adopt rules of practice regarding the conduct of such hearings. The rules of practice must be adopted in accordance with the provisions of NRS 233B.040 to 233B.120, inclusive, and codified in the Nevada Administrative Code. The technical rules of evidence do not apply at such a hearing.

5. The provisions of this section do not prohibit the noticing of a new period of 45 days in which a person may file with the State Engineer a written protest against the granting of the application, if such notification is required to be given pursuant to subsection 8 of NRS 533.370.

Sec. 4.9. **NRS 533.370 is hereby amended to read as follows:**

(c) In areas where studies of water supplies have been determined to be necessary by the State Engineer pursuant to NRS 533.368 or where court actions are pending, withhold action until it is determined there is unappropriated water or the court action becomes final.

3. Except as otherwise provided in subsection ~~[8,]~~ ***11,*** the State Engineer shall approve or reject, within 6 months after the final date for filing a protest, an application filed to change the point of diversion of water already appropriated when the existing and proposed points of diversion are on the same property for which the water has already been appropriated under the existing water right or the proposed point of diversion is on real property that is proven to be owned by the applicant and is contiguous to the place of use of the existing water right. The State Engineer may:

(a) Postpone action upon written authorization to do so by the applicant or, if the application is protested, by the protestant and the applicant.

(b) In areas where studies of water supplies have been determined to be necessary by the State Engineer pursuant to NRS 533.368 or where court actions are pending, withhold action until it is determined there is unappropriated water or the court action becomes final.

4. If the State Engineer does not act upon an application within 1 year after the final date for filing a protest, the application remains active until acted upon by the State Engineer.

5. Except as otherwise provided in subsection ~~[8,]~~ ***11,*** where there is no unappropriated water in the proposed source of supply, or where its proposed use or change conflicts with existing rights or with protectible interests in existing domestic wells as set forth in NRS 533.024, or threatens to prove detrimental to the public interest, the State Engineer shall reject the application and refuse to issue the requested permit. If a previous application for a similar use of water within the same basin has been rejected on those grounds, the new application may be denied without publication.

6. In determining whether an application for an interbasin transfer of groundwater must be rejected pursuant to this section, the State Engineer shall consider:

(a) Whether the applicant has justified the need to import the water from another basin;

(b) If the State Engineer determines that a plan for conservation of water is advisable for the basin into which the water is to be imported, whether the applicant has demonstrated that such a plan has been adopted and is being effectively carried out;

(c) Whether the proposed action is environmentally sound as it relates to the basin from which the water is exported;

(d) Whether the proposed action is an appropriate long-term use which will not unduly limit the future growth and development in the basin from which the water is exported; and

(e) Any other factor the State Engineer determines to be relevant.

7. If a hearing is held regarding an application, the decision of the State Engineer must be in writing and include findings of fact, conclusions of law and a statement of the underlying facts supporting the findings of fact. The written decision may take the form of a transcription of an oral ruling. The rejection or approval of an application must be endorsed on a copy of the original application, and a record must be made of the endorsement in the records of the State Engineer. The copy of the application so endorsed must be returned to the applicant. Except as otherwise provided in subsection ~~[9,]~~ ***12,*** if the application is approved, the applicant may, on receipt thereof, proceed with the construction of the necessary works and take all steps required to apply the water to beneficial use and to perfect the proposed appropriation. If the application is rejected, the applicant may take no steps toward the prosecution of the proposed work or the diversion and use of the public water while the rejection continues in force.

8. ***If:***

(a) The State Engineer receives an application to appropriate any of the public waters, or to change the point of diversion, manner of use or place of use of water already appropriated;

(b) The application involves an amount of water exceeding 250 acre-feet per annum;

(c) The application involves an interbasin transfer of groundwater; and

(d) Within 7 years after the date of last publication of the notice of application, the State Engineer has not granted the application, denied the application, held an administrative hearing on the application or issued a permit in response to the application,

➥ the State Engineer shall notice a new period of 45 days in which a person may file with the State Engineer a written protest against the granting of the application. Such notification must be entered on the Internet website of the State Engineer and must, concurrently with that

notification, be mailed to the board of county commissioners of the county of origin.

9. Except as otherwise provided in subsection 10, a person who wishes to protest an application in accordance with a new period of protest noticed pursuant to subsection 8 shall, within 45 days after the date on which the notification was entered and mailed, file with the State Engineer a written protest that complies with the provisions of this chapter and with the regulations adopted by the State Engineer, including, without limitation, any regulations prescribing the use of particular forms or requiring the payment of certain fees.

10. If a person is the successor in interest of an owner of a water right, an owner of real property containing a domestic well or an owner of an interest in a domestic well, and if that previous owner had already filed a written protest against the granting of an application to allow an interbasin transfer of groundwater, the successor in interest must be allowed to pursue that protest in the same manner as though he were the previous owner to whose interest he succeeded. If such a successor in interest wishes to protest an application in accordance with a new period of protest noticed pursuant to subsection 8, the successor need not file with the State Engineer a new written protest but must, within 45 days after the date on which the notification was entered and mailed, inform the Office of the State Engineer that he wishes to continue pursuing the protest.

11. The provisions of subsections 1 to 6, inclusive, do not apply to an application for an environmental permit.

~~[9.]~~ ***12.*** The provisions of subsection 7 do not authorize the recipient of an approved application to use any state land administered by the Division of State Lands of the State Department of Conservation and Natural Resources without the appropriate authorization for that use from the State Land Registrar.

~~[10.]~~ ***13.*** As used in this section ~~[, "interbasin]~~ ***:***

(a) "County of origin" means the county from which groundwater is transferred or proposed to be transferred.

(b) "Domestic well" has the meaning ascribed to it in NRS 534.350.

(c) "Interbasin transfer of groundwater" means a transfer of groundwater for which the proposed point of diversion is in a different basin than the proposed place of beneficial use.

Amendment No. 979.

SUMMARY—Authorizes the creation of ~~[tax increment areas in certain cities for]~~ theme park ~~[projects.]~~ **districts.** (BDR 22-1457)

AN ACT relating to ~~[tax increment areas;]~~ **theme park districts;** authorizing the creation of ~~[tax increment areas]~~ **such districts** in **counties and** certain cities ~~[for theme park projects;]~~ **; providing the powers and duties of such a district; authorizing the board of directors of such a district to impose a user fee for the privilege of conducting business activity in the district; authorizing the board to issue special obligations to finance theme park projects;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Existing law authorizes the creation of tax increment areas by the governing body of a county or city. (NRS 278C.150) The governing body may dedicate the revenues from the property tax imposed in a tax increment area to the financing, acquisition, improvement or equipment of certain specific undertakings, including a drainage and flood control project, overpass project, sewerage project, street project, underpass project or water project. (NRS 278C.140) Section 2 of this bill provides that, in cities in a county whose population is 100,000 or more (currently Clark and Washoe Counties), such an undertaking may include a theme park project, as defined in section 1 of this bill.]~~ **Section 8 of this bill authorizes any county or incorporated city in this State to establish a theme park district, and authorizes any two or more of those entities to jointly create such a theme park district pursuant to an interlocal agreement. The boundaries of the district need not be contiguous, but must be within the boundaries of the municipalities creating the district, and must not include any private property without the consent of the property owner. Section 8 provides that the general statutory requirements regarding local governmental purchasing, public works projects, municipal obligations,**

local financial administration and public investments apply to a theme park district, and that any property acquired or constructed by a theme park district is exempt from taxation.

Section 9 of this bill requires the appointment of a board of directors for a theme park district that consists of members of the governing bodies of the municipalities that created the district, and applies the Nevada Ethics in Government Law to the members of the board.

Section 10 of this bill requires the board to comply with statutory requirements for the maintenance of public records and sets forth the general powers and duties of the board, including the authority to enter into interlocal agreements with other public entities and excluding any authority to acquire property by eminent domain.

Section 11 of this bill sets forth the specific authority of the board regarding the financing, acquisition, construction, operation and maintenance of theme parks. Section 11 authorizes the board to award certain contracts without competitive bidding.

Section 14 of this bill authorizes the board to impose a user fee for the privilege of conducting business activity in a theme park district at a sufficient rate and only for such a period as necessary to pay any secured obligations of the district.

Section 15 of this bill specifies the scope of authority of the board to issue revenue bonds and other special obligations to finance the capital costs to acquire, design, construct and improve the facilities of a theme park, and exempts the State and each applicable county and city from any liability or other responsibility for those obligations. Section 18 of this bill provides that this bill will expire by limitation on December 31, 2015, if no such obligations have been issued or no interlocal agreements have been entered into pursuant to this bill on or before that date.

~~*(1) The health and safety of the public are affected by the degree of compliance with and the effectiveness of enforcement activities related to state nurse licensure laws.*~~

~~*(2) Violations of nurse licensure and other laws regulating the practice of nursing may result in injury or harm to the public.*~~

~~*(3) The expanded mobility of nurses and the use of advanced communication technologies as part of our nation's health care delivery system require greater coordination and cooperation among states in the areas of nurse licensure and regulation.*~~

~~*(5) The current system of duplicative licensure for nurses practicing in multiple states is cumbersome and redundant to both nurses and states.*~~

~~*(b) The general purposes of this Compact are to:*~~

~~*(1) Facilitate the states' responsibility to protect the public's health and safety.*~~

~~*(2) Ensure and encourage the cooperation of party states in the areas of nurse licensure and regulation.*~~

~~(3) Facilitate the exchange of information between party states in the areas of nurse regulation, investigation and adverse actions.~~

~~(4) Promote compliance with the laws governing the practice of nursing in each jurisdiction.~~

~~(5) Invest all party states with the authority to hold a nurse accountable for meeting all state practice laws in the state in which the patient is located at the time care is rendered through the mutual recognition of party state licenses.~~

~~ARTICLE II. Definitions~~

~~As used in this Compact:~~

~~(a) "Adverse action" means a home or remote state action.~~

~~(b) "Alternative program" means a voluntary, nondisciplinary monitoring program approved by a nurse licensing board.~~

~~(d) "Current significant investigative information" means:~~

~~(1) Investigative information that a licensing board, after a preliminary inquiry that includes notification and an opportunity for the nurse to respond if required by state law, has reason to believe is not groundless and, if proved true, would indicate more than a minor infraction; or~~

~~(2) Investigative information that indicates that the nurse represents an immediate threat to public health and safety regardless of whether the nurse has been notified and had an opportunity to respond.~~

~~(e) "Home state" means the party state which is the nurse's primary state of residence.~~

~~(f) "Home state action" means any administrative, civil, equitable or criminal action permitted by the home state's laws which are imposed on a nurse by the home state's licensing board or other authority including actions against an individual's license such as revocation, suspension, probation or any other action which affects a nurse's authorization to practice.~~

~~(h) "Multistate licensure privilege" means current, official authority from a remote state permitting the practice of nursing as either a registered nurse or a licensed practical vocational nurse in such party state. ~~(m) "State" means a state, territory or possession of the United States, and the District of Columbia.~~

~~(n) "State practice laws" means those individual party's state laws and regulations that govern the practice of nursing, define the scope of nursing practice, and create the methods and grounds for imposing discipline. The term does not include the initial qualifications for licensure or requirements necessary to obtain and retain a license, except for qualifications or requirements of the home state.~~

~~ARTICLE III. — General Provisions and Jurisdiction~~

~~(a) A license to practice registered nursing issued by a home state to a resident in that state will be recognized by each party state as authorizing a multistate licensure privilege to practice as a registered nurse in such party state. A license to practice licensed practical vocational nursing issued by a home state to a resident in that state will be recognized by each party state as authorizing a multistate licensure privilege to practice as a licensed practical vocational nurse in such party state. The administrator of the coordinated licensure information system shall promptly notify the home state of any such actions by remote states.~~

~~(c) Every nurse practicing in a party state must comply with the state practice laws of the state in which the patient is located at the time care is rendered. In addition, the practice of nursing is not limited to patient care, but shall include all nursing practice as defined by the state practice laws of a party state. The practice of nursing will subject a nurse to the jurisdiction of the nurse licensing board and the courts, as well as the laws, in that party state.~~

~~(d) This Compact does not affect additional requirements imposed by states for advanced practice registered nursing. However, a multistate licensure privilege to practice registered nursing granted by a party state shall be recognized by other party states as a license to practice registered nursing if one is required by state law as a precondition for qualifying for advanced practice registered nurse authorization.~~

~~(e) Individuals not residing in a party state shall continue to be able to apply for nurse licensure as provided for under the laws of each party state. However, the license granted to these individuals will not be recognized as granting the privilege to practice nursing in any other party state unless explicitly agreed to by that party state.~~

~~ARTICLE IV. Applications for Licensure in a Party State~~

~~(a) Upon application for a license, the licensing board in a party state shall ascertain, through the coordinated licensure information system, whether the applicant has ever held, or is the holder of, a license issued by any other state, whether there are any restrictions on the multistate licensure privilege and whether any other adverse action by any state has been taken against the license.~~

~~(b) A nurse in a party state shall hold licensure in only one party state at a time, issued by the home state.~~

~~(c) A nurse who intends to change primary state of residence may apply for licensure in the new home state in advance of such change. However, new licenses will not be issued by a party state until after a nurse provides evidence of change in primary state of residence satisfactory to the new home state's licensing board.~~

~~(d) When a nurse changes primary state of residence by:~~

~~(1) Moving between two party states, and obtains a license from the new home state, the license from the former home state is no longer valid.~~

~~(2) Moving from a nonparty state to a party state, and obtains a license from the new home state, the individual state license issued by the nonparty state is not affected and will remain in full force if so provided by the laws of the nonparty state.~~

~~(3) Moving from a party state to a nonparty state, the license issued by the prior home state converts to an individual state license, valid only in the former home state, without the multistate licensure privilege to practice in other party states.~~

~~ARTICLE V. Adverse Actions~~

~~In addition to the General Provisions described in Article III, the following provisions apply:~~

~~(a) The licensing board of a remote state shall promptly report to the administrator of the coordinated licensure information system any remote state actions, including the factual and legal basis for such action, if known. The licensing board of a remote state shall also promptly report any significant current investigative information yet to result in a remote state~~

~~*action. The administrator of the coordinated licensure information system shall promptly notify the home state of any such reports.*~~

~~*(b) The licensing board of a party state shall have the authority to complete any pending investigations for a nurse who changes primary state of residence during the course of such investigations. It shall also have the authority to take appropriate action(s), and shall promptly report the conclusions of such investigations to the administrator of the coordinated licensure information system. The administrator of the coordinated licensure information system shall promptly notify the new home state of any such actions.*~~

~~*(c) A remote state may take adverse action affecting the multistate licensure privilege to practice within that party state. However, only the home state shall have the power to impose adverse action against the license issued by the home state.*~~

~~*(d) For purposes of imposing adverse action, the licensing board of the home state shall give the same priority and effect to reported conduct received from a remote state as it would if such conduct had occurred within the home state. In so doing, it shall apply its own state laws to determine appropriate action.*~~

~~*(e) The home state may take adverse action based on the factual findings of the remote state, so long as each state follows its own procedures for imposing such adverse action.*~~

~~*(f) Nothing in this Compact shall override a party state's decision that participation in an alternative program may be used in lieu of licensure action and that such participation shall remain nonpublic if required by the party state's laws. Party states must require nurses who enter any alternative programs to agree not to practice in any other party state during the term of the alternative program without prior authorization from such other party state.*~~

~~*ARTICLE VI. Additional Authorities Invested in Party State Nurse Licensing Boards*~~

~~*Notwithstanding any other powers, party state nurse licensing boards shall have the authority to:*~~

~~*(a) If otherwise permitted by state law, recover from the affected nurse the costs of investigations and disposition of cases resulting from any adverse action taken against that nurse.*~~

~~*(b) Issue subpoenas for both hearings and investigations which require the attendance and testimony of witnesses, and the production of evidence. Subpoenas issued by a nurse licensing board in a party state for the attendance and testimony of witnesses, and/or the production of evidence from another party state, shall be enforced in the latter state by any court of competent jurisdiction, according to the practice and procedure of that court applicable to subpoenas issued in proceedings pending before it. The issuing authority shall pay any witness fees, travel expenses, mileage and other fees*~~

~~*required by the service statutes of the state where the witnesses and/or evidence are located.*~~

~~*(c) Issue cease and desist orders to limit or revoke a nurse's authority to practice in their state.*~~

~~*(d) Promulgate uniform rules and regulations as provided for in Article VIII(c).*~~

~~*ARTICLE VII. Coordinated Licensure Information System*~~

~~*(a) All party states shall participate in a cooperative effort to create a coordinated database of all licensed registered nurses and licensed practical vocational nurses. This system will include information on the licensure and disciplinary history of each nurse, as contributed by party states, to assist in the coordination of nurse licensure and enforcement efforts.*~~

~~*(b) Notwithstanding any other provision of law, all party states' licensing boards shall promptly report adverse actions, actions against multistate licensure privileges, any current significant investigative information yet to result in adverse action, denials of applications, and the reasons for such denials, to the coordinated licensure information system.*~~

~~*(c) Current significant investigative information shall be transmitted through the coordinated licensure information system only to party state licensing boards.*~~

~~*(d) Notwithstanding any other provision of law, all party states' licensing boards contributing information to the coordinated licensure information system may designate information that may not be shared with nonparty states or disclosed to other entities or individuals without the express permission of the contributing state.*~~

~~*(e) Any personally identifiable information obtained by a party state's licensing board from the coordinated licensure information system may not be shared with nonparty states or disclosed to other entities or individuals except to the extent permitted by the laws of the party state contributing the information.*~~

~~*(f) Any information contributed to the coordinated licensure information system that is subsequently required to be expunged by the laws of the party state contributing that information shall also be expunged from the coordinated licensure information system.*~~

~~*(g) The Compact administrators, acting jointly with each other and in consultation with the administrator of the coordinated licensure information system, shall formulate necessary and proper procedures for the identification, collection and exchange of information under this Compact.*~~

~~*ARTICLE VIII. Compact Administration and Interchange of Information*~~

~~*(a) The head of the nurse licensing board, or his designee, of each party state shall be the administrator of this Compact for his state.*~~

~~*(b) The Compact administrator of each party state shall furnish to the Compact administrator of each other party state any information and documents, including, but not limited to, a uniform data set of investigations,*~~

~~*identifying information, licensure data and disclosable alternative program participation information to facilitate the administration of this Compact.*~~

~~*(c) Compact administrators shall have the authority to develop uniform rules to facilitate and coordinate implementation of this Compact. These uniform rules shall be adopted by party states, under the authority invested under Article VI(d).*~~

~~*ARTICLE IX. — Immunity*~~

~~*No party state or the officers or employees or agents of a party state's nurse licensing board who acts in accordance with the provisions of this Compact shall be liable on account of any act or omission in good faith while engaged in the performance of their duties under this Compact. Good faith in this Article shall not include willful misconduct, gross negligence or recklessness.*~~

~~*ARTICLE X. — Entry into Force, Withdrawal and Amendment*~~

~~*(a) This Compact shall enter into force and become effective as to any state when it has been enacted into the laws of that state. Any party state may withdraw from this Compact by enacting a statute repealing the same, but no such withdrawal shall take effect until 6 months after the withdrawing state has given notice of the withdrawal to the executive heads of all other party states.*~~

~~*(b) No withdrawal shall affect the validity or applicability by the licensing boards of states remaining party to the Compact of any report of adverse action occurring prior to the withdrawal.*~~

~~*(c) Nothing contained in this Compact shall be construed to invalidate or prevent any nurse licensure agreement or other cooperative arrangement between a party state and a nonparty state that is made in accordance with the other provisions of this Compact.*~~

~~*(d) This Compact may be amended by the party states. No amendment to this Compact shall become effective and binding upon the party states unless and until it is enacted into the laws of all party states.*~~

~~*ARTICLE XI. — Construction and Severability*~~

~~*(a) This Compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this Compact shall be severable and if any phrase, clause, sentence or provision of this Compact is declared to be contrary to the constitution of any party state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this Compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this Compact shall be held contrary to the constitution of any state party thereto, the Compact shall remain in full force and effect as to the remaining party states and in full force and effect as to the party state affected as to all severable matters.*~~

~~*(b) In the event party states find a need for settling disputes arising under this Compact:*~~

~~*(1) The party states may submit the issues in dispute to an arbitration panel which will be comprised of an individual appointed by the Compact*~~

CONSIDERATION OF SENATE AMENDMENTS

Assembly Bill No. 334.

The following Senate amendment was read:

Amendment No. 814.

AN ACT relating to education; creating a school district for charter schools sponsored by the State Board of Education for federal law purposes; revising provisions governing the closure of a charter school; clarifying

certain provisions governing the payments of money to a charter school for the enrollment of certain pupils; revising provisions governing the employment of administrators for a charter school; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the board of trustees of a school district may sponsor charter schools and the State Board of Education may sponsor charter schools. (NRS 386.515) Section 2 of this bill creates a school district to be designated as the Charter School District for State Board-Sponsored Charter Schools. The School District is created for the sole purpose of federal law governing charter schools.

Section 3 of this bill provides that upon closure of a charter school, an administrator of the charter school shall act as a trustee of certain records during the process of closure and for 1 year after the date of closure. If an administrator is not available, the governing body of the charter school shall appoint a qualified person to perform the duties of trustee.

Under existing law, a charter school must accept for enrollment in certain classes, if space is available, children who are otherwise enrolled in a public school or a private school or homeschooled children. (NRS 386.580) Under existing law, these children are included in the count of pupils for the purposes of the basic support guarantee of the State Distributive School Account. (NRS 387.123, 387.1233) Section 5 of this bill clarifies the legislative declaration concerning the formation of charter schools to provide that the declaration does not preclude the payment of money to a charter school for the enrollment of these children in classes at a charter school. (NRS 386.505)

Under existing law, a charter school may employ administrators for the school who meet certain eligibility requirements. (NRS 386.590) Section 6 of this bill revises provisions governing the employment of those administrators and revises the eligibility requirements.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 386 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 and 3 of this act.

Sec. 2. ***There is hereby created a school district to be designated as the Charter School District for State Board-Sponsored Charter Schools. The School District comprises only those charter schools that are sponsored by the State Board. The State Board is hereby deemed the board of trustees of the School District. The School District is created for the sole purpose of providing local educational agency status to the District for purposes of federal law governing charter schools.***

Sec. 3. ***1. Except as otherwise provided in subsection 2, if a charter school ceases to operate voluntarily or upon revocation of its written charter, the governing body of the charter school shall appoint an***

administrator of the charter school to act as a trustee during the process of the closure of the charter school and for 1 year after the date of closure. The administrator shall assume the responsibility for the records of the:

(a) Charter school;

(b) Employees of the charter school; and

(c) Pupils enrolled in the charter school.

2. If an administrator for the charter school is no longer available to carry out the duties set forth in subsection 1, the governing body of the charter school shall appoint a qualified person to assume those duties.

3. The governing body of the charter school may, to the extent practicable, provide financial compensation to the administrator or person appointed pursuant to subsection 2 to carry out the provisions of this section.

Sec. 4. NRS 386.500 is hereby amended to read as follows:

386.500 For the purposes of NRS 386.500 to 386.610, inclusive, ***and sections 2 and 3 of this act,*** a pupil is "at risk" if he has an economic or academic disadvantage such that he requires special services and assistance to enable him to succeed in educational programs. The term includes, without limitation, pupils who are members of economically disadvantaged families, pupils who are limited English proficient, pupils who are at risk of dropping out of high school and pupils who do not meet minimum standards of academic proficiency. The term does not include a pupil with a disability.

Sec. 5. NRS 386.505 is hereby amended to read as follows:

386.505 The Legislature declares that by authorizing the formation of charter schools it is not authorizing:

1. The conversion of an existing public school, home school or other program of home study to a charter school.

2. A means for providing financial assistance for private schools or programs of home study. The provisions of this subsection do not preclude ~~[a]~~ ***:***

(a) A private school from ceasing to operate as a private school and reopening as a charter school in compliance with the provisions of NRS 386.500 to 386.610, inclusive ~~[.]~~ ***, and sections 2 and 3 of this act.***

(b) The payment of money to a charter school for the enrollment of children in classes at the charter school pursuant to subsection 5 of NRS 386.580 who are enrolled in a public school of a school district or a private school or who are homeschooled.

3. The formation of charter schools on the basis of a single race, religion or ethnicity.

Sec. 5.5. **NRS 386.527 is hereby amended to read as follows:**

386.527 1. If the State Board or the board of trustees of a school district approves an application to form a charter school, it shall grant a written charter to the applicant. The State Board or the board of trustees, as applicable, shall, not later than 10 days after the approval of the application, provide written notice to the Department of the approval and the date of the

approval. If the board of trustees approves the application, the board of trustees shall be deemed the sponsor of the charter school.

2. If the State Board approves the application:

(a) The State Board shall be deemed the sponsor of the charter school.

(b) Neither the State of Nevada, the State Board nor the Department is an employer of the members of the governing body of the charter school or any of the employees of the charter school.

3. ~~[Upon the initial renewal of a written charter and each renewal thereafter, the]~~ ***The*** governing body of a charter school may request ***, at any time,*** a change in the sponsorship of the charter school to an entity that is authorized to sponsor charter schools pursuant to NRS 386.515. The State Board shall adopt ~~[objective]~~ ***:***

(a) An application process for a charter school that requests a change in the sponsorship of the charter school, which must not require the applicant to undergo the requirements of an initial application to form a charter school; and

(b) Objective criteria for the conditions under which such a request may be granted.

4. Except as otherwise provided in subsection 6, a written charter must be for a term of 6 years unless the governing body of a charter school renews its initial charter after 3 years of operation pursuant to subsection 2 of NRS 386.530. A written charter must include all conditions of operation set forth in paragraphs (a) to (o), inclusive, of subsection 2 of NRS 386.520 and include the kind of school, as defined in subsections 1 to 4, inclusive, of NRS 388.020 for which the charter school is authorized to operate. If the State Board is the sponsor of the charter school, the written charter must set forth the responsibilities of the sponsor and the charter school with regard to the provision of services and programs to pupils with disabilities who are enrolled in the charter school in accordance with the Individuals with Disabilities Education Act, 20 U.S.C. §§ 1400 et seq., and NRS 388.440 to 388.520, inclusive. As a condition of the issuance of a written charter pursuant to this subsection, the charter school must agree to comply with all conditions of operation set forth in NRS 386.550.

5. The governing body of a charter school may submit to the sponsor of the charter school a written request for an amendment of the written charter of the charter school. Such an amendment may include, without limitation, the expansion of instruction and other educational services to pupils who are enrolled in grade levels other than the grade levels of pupils currently ~~[enrolled]~~ ***approved for enrollment*** in the charter school if the expansion of grade levels does not change the kind of school, as defined in NRS 388.020, for which the charter school is authorized to operate. If the proposed amendment complies with the provisions of this section, NRS 386.500 to 386.610, inclusive, ***and sections 2 and 3 of this act,*** and any other statute or regulation applicable to charter schools, the sponsor may amend the written charter in accordance with the proposed amendment. If a charter school

wishes to expand the instruction and other educational services offered by the charter school to pupils who are enrolled in grade levels other than the grade levels of pupils currently ~~[enrolled]~~ ***approved for enrollment*** in the charter school and the expansion of grade levels changes the kind of school, as defined in NRS 388.020, for which the charter school is authorized to operate, the governing body of the charter school must submit a new application to form a charter school. If such an application is approved, the charter school may continue to operate under the same governing body and an additional governing body does not need to be selected to operate the charter school with the expanded grade levels.

6. The State Board shall adopt objective criteria for the issuance of a written charter to an applicant who is not prepared to commence operation on the date of issuance of the written charter. The criteria must include, without limitation, the:

(a) Period for which such a written charter is valid; and

(b) Timelines by which the applicant must satisfy certain requirements demonstrating its progress in preparing to commence operation.

➥ A holder of such a written charter may apply for grants of money to prepare the charter school for operation. A written charter issued pursuant to this subsection must not be designated as a conditional charter or a provisional charter or otherwise contain any other designation that would indicate the charter is issued for a temporary period.

7. The holder of a written charter that is issued pursuant to subsection 6 shall not commence operation of the charter school and is not eligible to receive apportionments pursuant to NRS 387.124 until the sponsor has determined that the requirements adopted by the State Board pursuant to subsection 6 have been satisfied and that the facility the charter school will occupy has been inspected and meets the requirements of any applicable building codes, codes for the prevention of fire, and codes pertaining to safety, health and sanitation. Except as otherwise provided in this subsection, the sponsor shall make such a determination 30 days before the first day of school for the:

(a) Schools of the school district in which the charter school is located that operate on a traditional school schedule and not a year-round school schedule; or

(b) Charter school,

➥ whichever date the sponsor selects. The sponsor shall not require a charter school to demonstrate compliance with the requirements of this subsection more than 30 days before the date selected. However, it may authorize a charter school to demonstrate compliance less than 30 days before the date selected.

Sec. 6. NRS 386.590 is hereby amended to read as follows:

386.590 1. Except as otherwise provided in this subsection, at least 70 percent of the teachers who provide instruction at a charter school must be licensed teachers. If a charter school is a vocational school, the charter school

shall, to the extent practicable, ensure that at least 70 percent of the teachers who provide instruction at the school are licensed teachers, but in no event may more than 50 percent of the teachers who provide instruction at the school be unlicensed teachers.

2. A governing body of a charter school shall employ:

(a) If the charter school offers instruction in kindergarten or grade 1, 2, 3, 4, 5, 6, 7 or 8, a licensed teacher to teach pupils who are enrolled in those grades. If required by subsection 3 or 4, such a teacher must possess the qualifications required by 20 U.S.C. § 6319(a).

(b) If the charter school offers instruction in grade 9, 10, 11 or 12, a licensed teacher to teach pupils who are enrolled in those grades for the subjects set forth in subsection 4. If required by subsection 3 or 4, such a teacher must possess the qualifications required by 20 U.S.C. § 6319(a).

(c) In addition to the requirements of paragraphs (a) and (b):

(1) If a charter school specializes in arts and humanities, physical education or health education, a licensed teacher to teach those courses of study.

(2) If a charter school specializes in the construction industry or other building industry, licensed teachers to teach courses of study relating to the industry if those teachers are employed full time.

(3) If a charter school specializes in the construction industry or other building industry and the school offers courses of study in computer education, technology or business, licensed teachers to teach those courses of study if those teachers are employed full time.

3. A person who is initially hired by the governing body of a charter school on or after January 8, 2002, to teach in a program supported with money from Title I must possess the qualifications required by 20 U.S.C. § 6319(a). For the purposes of this subsection, a person is not "initially hired" if he has been employed as a teacher by another school district or charter school in this State without an interruption in employment before the date of hire by his current employer.

4. A teacher who is employed by a charter school, regardless of the date of hire, must, on or before July 1, 2006, possess the qualifications required by 20 U.S.C. § 6319(a) if he teaches one or more of the following subjects:

(a) English, reading or language arts;
(b) Mathematics;
(c) Science;
(d) Foreign language;
(e) Civics or government;
(f) Economics;
(g) Geography;
(h) History; or
(i) The arts.

5. Except as otherwise provided in NRS 386.588, a charter school may employ a person who is not licensed pursuant to the provisions of chapter

391 of NRS to teach a course of study for which a licensed teacher is not required pursuant to subsections 2, 3 and 4 if the person has:

(a) A degree, a license or a certificate in the field for which he is employed to teach at the charter school; and

(b) At least 2 years of experience in that field.

6. Except as otherwise provided in NRS 386.588, a charter school ~~[may]~~ ***shall*** employ such administrators for the school as it deems necessary. A person employed as an administrator must possess:

(a) A valid teacher's license issued pursuant to chapter 391 of NRS with an administrative endorsement;

(b) A master's degree in school administration, public administration or business administration; or

(c) ~~[If the person has at]~~ ***At*** least 5 years of experience in ***school*** administration, ***public administration or business administration and*** a baccalaureate degree.

7. ~~*[The]*~~ ***Except as otherwise provided in subsection 8, the portion of the salary or other compensation of an administrator employed by a charter school that is derived from public funds must not exceed the salary or other compensation, as applicable, of the highest paid administrator in a comparable position in the school district in which the charter school is located. For purposes of determining the salary or other compensation of the highest paid administrator in a comparable position in the school district, the salary or other compensation of the superintendent of schools of that school district must not be included in the determination.***

8. If the salary or other compensation paid to an administrator employed by a charter school from public funds exceeds the maximum amount prescribed in subsection 7, the sponsor of the charter school shall conduct an audit of the salary or compensation. The audit must include, without limitation, a review of the reasons set forth by the governing body of the charter school for the salary or other compensation and the interests of the public in using public funds to pay that salary or compensation. If the sponsor determines that the payment of the salary or other compensation from public funds is justified, the sponsor shall provide written documentation of its determination to the governing body of the charter school and to the Department. If the sponsor determines that the payment of the salary or other compensation from public funds is not justified, the governing body of the charter school shall reduce the salary or compensation paid to the administrator from public funds to an amount not to exceed the maximum amount prescribed in subsection 7.

9. A charter school shall not employ a person pursuant to this section if his license to teach or provide other educational services has been revoked or suspended in this State or another state.

~~[8.]~~ ~~*[9.]*~~ ***10.*** On or before November 15 of each year, a charter school shall submit to the Department, in a format prescribed by the Superintendent

of Public Instruction, the following information for each licensed employee who is employed by the governing body on October 1 of that year:

(a) The amount of salary of the employee ~~[;]~~ ***, including, without limitation, verification of compliance with subsection 7, if applicable to that employee;*** and

(b) The designated assignment, as that term is defined by the Department, of the employee.

Sec. 7. If a person is employed by a charter school as an administrator before July 1, 2007, and he qualified for that position pursuant to paragraph (c) of subsection 6 of NRS 386.590, the person may continue employment in that position even if he does not satisfy the qualifications set forth in section 6 of this act.

Sec. 8. If a person is employed by a charter school as an administrator before July 1, 2007, and the contract of employment with the administrator provides for a salary **or other compensation** that violates subsection 7 of NRS 386.590, as amended by section 6 of this act, the administrator may continue to receive that salary **or other compensation** only through the term of the existing contract of employment. Any new contract or renewal of the existing contract with that administrator must comply with subsection 7 of NRS 386.590, as amended by section 6 of this act.

Sec. 9. This act becomes effective on July 1, 2007.

4. A student teacher who is employed as a substitute teacher pursuant to this section is entitled to the rate of pay otherwise payable to substitute teachers employed by the school district for each day the student teacher works as a substitute teacher. Nothing in this section entitles a student teacher who is not employed as a substitute teacher to be paid for time spent completing his student teaching [.] , including, without limitation, time spent completing course work and assignments required for completion of a program of study offered by the Nevada System of Higher Education or an accredited postsecondary educational institution.

5. ~~[The]~~ Except as otherwise provided in this subsection, the board of trustees of a school district that employs a student teacher as a substitute teacher pursuant to this section shall, in consultation with the employee organization representing licensed teachers in the school district, provide for compensation of the licensed teacher who supervises the student teacher pursuant to subsection 3 that is in addition to the regular salary of the licensed teacher. 6. As used in this section, "student teacher" means a student of a branch of the Nevada System of Higher Education or an accredited postsecondary educational institution who is assigned to teach for training purposes pursuant to NRS 391.095.

Sec. 2. NRS 391.273 is hereby amended to read as follows:

391.273 1. (f) Any other issues relating to the use of long-term substitutes.

2. The Legislative Committee on Education may appoint a subcommittee to conduct the study required pursuant to subsection 1 or may request that an appropriate entity which is responsible for studying the coordination of elementary, secondary and postsecondary education in this State conduct the study and report to the Committee.

3. On or before February 1, 2009, the Legislative Committee on Education shall submit a report of the results of the study conducted pursuant to this section and any recommendations for legislation to the Director of the Legislative Counsel Bureau for transmission to the 75th Session of the Nevada Legislature.

Legislative Counsel's Digest:

Section 1 of this bill requires a court to impose a $5 administrative assessment in addition to any other fine or assessment any time that a person pleads, is found guilty of or enters a plea of nolo contendere to a moving traffic violation ~~[.]~~ **in a county whose population is less than 100,000 (currently all counties other than Clark and Washoe Counties).** Sections 1 and 6 of this bill provide that any amounts collected from the administrative assessment must be credited to the Nevada Volunteer Emergency Medical Services Fund which is created as a continuing fund within the State Treasury. THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 176 of NRS is hereby amended by adding thereto a new section to read as follows:

1. ~~*[Except]*~~ ***In a county whose population is less than 100,000, except as otherwise provided in subsection 2, in addition to any other administrative assessment imposed, when a defendant pleads guilty, is found guilty of or enters a plea of nolo contendere to a moving traffic violation, including, without limitation, the violation of any county or municipal ordinance, the justice or judge of the justice, municipal or district court, as applicable, shall include in the sentence the sum of $5 as an administrative assessment for the provision of volunteer emergency medical services and render a judgment against the defendant for the assessment. If a defendant is sentenced to perform community service in lieu of a fine, the sentence must include the administrative assessment required pursuant to this subsection.***

2. The money collected for an administrative assessment for the provision of volunteer emergency medical services must not be deducted from the fine imposed by the justice or judge but must be taxed against the defendant in addition to the fine. The money collected for such an administrative assessment must be stated separately on the court's docket

and must be included in the amount posted for bail. If bail is forfeited, the administrative assessment included in the bail pursuant to this subsection must be disbursed pursuant to subsection 4. If the defendant is found not guilty or the charges are dismissed, the money deposited with the court must be returned to the defendant. If the justice or judge cancels a fine because the fine has been determined to be uncollectible, any balance of the fine and the administrative assessment remaining unpaid shall be deemed to be uncollectible and the defendant is not required to pay it. If a fine is determined to be uncollectible, the defendant is not entitled to a refund of the fine or administrative assessment he has paid and the justice or judge shall not recalculate the administrative assessment.

5. If the justice or judge permits the fine and administrative assessment for the provision of court facilities to be paid in installments, the payments must be applied in the following order:

If a fine is determined to be uncollectible, the defendant is not entitled to a refund of the fine or administrative assessment he has paid and the justice or judge shall not recalculate the administrative assessment.

5. If the justice or judge permits the fine and administrative assessment for the provision of specialty court programs to be paid in installments, the payments must be applied in the following order:

Sec. 4. NRS 179.225 is hereby amended to read as follows:

179.225 1. If the punishment of the crime is the confinement of the criminal in prison, the expenses must be paid from money appropriated to the Office of the Attorney General for that purpose, upon approval by the State Board of Examiners. After the appropriation is exhausted, the expenses must be paid from the Reserve for Statutory Contingency Account upon approval by the State Board of Examiners. In all other cases, they must be paid out of the county treasury in the county wherein the crime is alleged to have been committed. The expenses are:

(a) If the prisoner is returned to this State from another state, the fees paid to the officers of the state on whose governor the requisition is made;

(b) If the prisoner is returned to this State from a foreign country or jurisdiction, the fees paid to the officers and agents of this State or the United States; or

The court shall not order the person to make restitution if payment of restitution will prevent him from paying any existing obligations described in subsection 2. Any amount of restitution remaining unpaid constitutes a civil liability arising upon the date of the completion of his sentence.

4. The Attorney General may adopt regulations to carry out the provisions of this section.

Sec. 5. NRS 211.245 is hereby amended to read as follows:

211.245 1. If a prisoner fails to make a payment within 10 days after it is due, the district attorney for a county or the city attorney for an incorporated city may file a civil action in any court of competent jurisdiction within this State seeking recovery of:

Such a statement is prima facie evidence of the amount due.

4. A court in a civil action brought pursuant to this section may award a money judgment in favor of the county or city in whose name the action was brought.

5. If necessary to prevent the disposition of the prisoner's property by the prisoner, or his spouse or agent, a county or city may file a motion for a temporary restraining order. Assemblywoman Kirkpatrick requested that the following remarks be entered in the Journal.

ASSEMBLYWOMAN KIRKPATRICK:

Senate Bill 487 creates an advisory subcommittee of the Washoe County Regional Planning Commission. This commission must submit a report to the Legislative Counsel Bureau for the transmission to the 75th Session of the Nevada Legislature. In it, we would like to see it address the conjunctive use for purveyors to determine the availability and possible sources of water needed to accommodate the regional land use plan, determine the extent of duplicating water facilities, and identify funding sources for the water supply needed to implement the regional land use plan.

ASSEMBLYWOMAN LESLIE:

I thank the Committee and the Chairwoman for their hard work on this bill. I just have one concern. On page 2, section 2, subsection 2(c), line 20, it reads “Four members of the general public who are consumers of water services,” and I just want to make sure that the Committee’s intent is that those really be general public members and not elected officials or government employees.

ASSEMBLYWOMAN KIRKPATRICK:

To my colleague from the north, that is correct. That was the intent of the Committee, that we did put the general public on there.

ASSEMBLYMAN CLABORN:

I rise in opposition to this bill. I received over 200 emails, not one of which was in favor of this bill. That leads me to believe that the public doesn’t really want it.

The following amendment was proposed by Assemblywoman Kirkpatrick:

Amendment No. 1012.

AN ACT relating to fire protection districts; requiring the board of directors of a fire protection district created by an election to cooperate with the State Forester Firewarden and certain other agencies to prevent and suppress fires in wild lands; authorizing such a board of directors to appoint a district fire chief; providing that the activities of a fire protection district created by an election are separate from county activities and any other political subdivision in this State; authorizing a board of fire commissioners to provide emergency medical services within a fire protection district **;** ~~[under certain circumstances;]~~ requiring title to all property acquired by a fire protection district organized by a board of county commissioners to vest in the district; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for the organization of fire protection districts by an ordinance adopted by a board of county commissioners or by the approval of the voters of a proposed fire protection district. (Chapter 474 of NRS) Under existing law, a fire protection district approved by the voters may include contiguous territory from more than one county. (NRS 474.010) Section 9 of this bill provides that such a fire protection district may include incorporated territory within a consolidated municipality, provided that such territory is not included in any other fire protection district. Section 9 also removes the exclusion that had prohibited such a fire protection district from including timberland patrolled by the United States Forest Service. Sections 2-8 and

15-18 of this bill borrow various existing provisions that are applicable to a fire protection district organized by a board of county commissioners and make them applicable to a fire protection district approved by the voters. **Section 8.5 of this bill clarifies that certain persons and entities may not operate an ambulance in an area for which an exclusive franchise for ambulance service has been granted.** Sections 20, 21, 22 and 24 of this bill borrow various existing provisions that are applicable to a fire protection district approved by the voters and make them applicable to a fire protection district organized by a board of county commissioners. Section 25 of this bill restricts existing procedures for the reorganization of a fire protection district to apply only to a fire protection district organized by a board of county commissioners.

Remarks by Assemblymen Goicoechea, Anderson, Kirkpatrick, and Bobzien.

Assemblyman Bobzien requested that the following remarks be entered in the Journal.

ASSEMBLYMAN GOICOECHEA:

Senate Bill 508 creates the Office of Information Security with in the Department of Information Technology. This measure shifts responsibility for the development of the security standards for the Executive Branch from the Planning and Resource Unit to the director of the department. The bill requires the director to establish regulations for the development of these standards. The effective date is July 1, 2007.

ASSEMBLYMAN ANDERSON:

I have a question, with all due respect to my colleague from the eastern part of the state, and perhaps the chair would like to get involved in the discussion.

Was there a discussion between the Attorney General's office of cyber crime, in terms of their security questions relative to their support or opposition to this legislation?

ASSEMBLYMAN GOICOECHEA:

I do not believe that we had any testimony from the Attorney General's office, and clearly, this bill requires the director to establish those regulations. I would assume that the Attorney General would then become involved.

ASSEMBLYWOMAN KIRKPATRICK:

I did, personally, speak with the Attorney General's office, and they are comfortable with the way the language is in this bill.

ASSEMBLYMAN BOBZIEN:

I just wanted to add that there are two purposes that this bill addresses; it is specific to state government and it ensures that information technology security is looked after in state government.

Senate Bill No. 509.

Remarks by Assemblywoman Pierce.

Assemblywoman Pierce requested that her remarks be entered in the Journal.

Senate Bill 509 requires a state agency to advertise for proposals before it enters into a lease-purchase or installment-purchase agreement for the purpose of acquiring an existing building located on property that is not owned by the State. If a state agency wishes to enter into a lease-purchase or installment-purchase agreement on property that is owned by the State, the agency must contract with a design-build team for the design and construction of the building. This measure also makes various changes related to the requirements and conditions of lease-purchase and installment-purchase agreements and clarifies when prevailing wage must be paid on projects. Finally, the measure expands the definition of public work to include any project for which a public body provides property for development at less than the fair market value or provides financial incentives to a developer valued at more than $100,000.

I would like to make clear the legislative intent of this measure. We have added a provision in this bill to clarify existing law relating to prevailing wage because the Nevada Supreme Court has held that even where a statute specifically states that the prevailing wage must be paid pursuant to Chapter 338 of the Nevada Revised Statutes (NRS), prevailing wage need not be paid if the project does not fit the definition of a public work or does not involve a public body. We do not believe this interpretation honors the legislative intent of the current law. Therefore, this bill makes clear that if a statute, a local act, or a special act states that a project is subject to the provisions requiring the payment of prevailing wage in NRS Chapter 338, then the prevailing wage must be paid on that project as if it were a public work.

GENERAL FILE AND THIRD READING

Senate Bill No. 354.

Bill read third time.

The following amendment was proposed by Assemblywoman Kirkpatrick:

Amendment No. 1017.

AN ACT relating to the safety of children; ~~[increasing the penalty for the unlawful possession of a firearm while on school property;]~~ prohibiting the possession of certain firearms on the property of or in a vehicle of child care facilities; revising the definition of "firearm"; requiring children who are taken into custody for possession of a firearm while on school property to submit to an evaluation by a qualified professional and a drug test; revising provisions concerning certain sex offenders who are on lifetime supervision or released on parole, probation or a suspended sentence; revising the jurisdiction of school police officers under certain circumstances; and providing other matters property relating thereto.

Legislative Counsel's Digest:

Section 1 of this bill revises the definition of "firearm" ~~[and increases the penalty]~~ for **the purposes of the provision prohibiting** the unlawful possession of a firearm while on school property **.** ~~[from a gross misdemeanor to a category E felony.]~~ (NRS 202.265) Section 1 further makes the provisions prohibiting a person from carrying or possessing certain firearms while on school grounds or in a vehicle of a school applicable to child care facilities. However, if the child care facility is located at or in the home of a natural person, those provisions do not apply to the owner or operator of the facility who resides in the home if he complies with all laws concerning possession of the weapon. In addition, the prohibition only applies with respect to such a facility during the normal hours of business. Existing law allows a juvenile court to decide whether to order a child who is taken into custody for certain unlawful acts involving firearms to submit to an evaluation by a qualified professional. (NRS 62C.060) Section 3 of this bill requires a juvenile court to order a child who is taken into custody for possession of a firearm on school property or at a child care facility to submit to an evaluation by a qualified professional and a drug test.

Existing law sets forth certain conditions to be imposed on sex offenders on lifetime supervision or released on parole, probation or a suspended sentence. (NRS 176A.410, 213.1243, 213.1245, 213.1255) Sections 4-6 of this bill prohibit such sex offenders from establishing residences in a facility that houses more than three persons who have been released from prison unless the facility is a facility for transitional living for released offenders that is licensed pursuant to chapter 449 of NRS.

Existing law gives school police officers the powers of a peace officer and establishes the jurisdiction of such officers. (NRS 391.275) Section 8.5 of this bill expands the jurisdiction of school police officers in certain circumstances.

3. The Board shall adopt separate regulations for:

(a) The licensure of rural hospitals which take into consideration the unique problems of operating such a facility in a rural area.

(b) The licensure of facilities for refractive surgery which take into consideration the unique factors of operating such a facility.

(c) The licensure of mobile units which take into consideration the unique factors of operating a facility that is not in a fixed location.

4. The Board shall require that the practices and policies of each medical facility or facility for the dependent provide adequately for the protection of the health, safety and physical, moral and mental well-being of each person accommodated in the facility.

5. The Board shall establish minimum qualifications for administrators and employees of residential facilities for groups. In establishing the qualifications, the Board shall consider the related standards set by nationally recognized organizations which accredit such facilities.

6. The Board shall adopt separate regulations regarding the assistance which may be given pursuant to NRS 453.375 and 454.213 to an ultimate user of controlled substances or dangerous drugs by employees of residential facilities for groups. The regulations must require at least the following conditions before such assistance may be given:

7. The Board shall adopt separate regulations governing the licensing and operation of residential facilities for groups which provide assisted living services. The Board shall not allow the licensing of a facility as a residential facility for groups which provides assisted living services and a residential facility for groups shall not claim that it provides "assisted living services" unless:

(a) Before authorizing a person to move into the facility, the facility makes a full written disclosure to the person regarding what services of personalized care will be available to the person and the amount that will be charged for those services throughout the resident's stay at the facility.

(b) The residents of the facility reside in their own living units which:

(1) Except as otherwise provided in subsection 8, contain toilet facilities;

(2) Contain a sleeping area or bedroom; and

(3) Are shared with another occupant only upon consent of both occupants.

(c) The facility provides personalized care to the residents of the facility and the general approach to operating the facility incorporates these core principles:

(1) The facility is designed to create a residential environment that actively supports and promotes each resident's quality of life and right to privacy;

(2) The facility is committed to offering high-quality supportive services that are developed by the facility in collaboration with the resident to meet the resident's individual needs;

(3) The facility provides a variety of creative and innovative services that emphasize the particular needs of each individual resident and his personal choice of lifestyle;

(4) The operation of the facility and its interaction with its residents supports, to the maximum extent possible, each resident's need for autonomy and the right to make decisions regarding his own life;

(5) The operation of the facility is designed to foster a social climate that allows the resident to develop and maintain personal relationships with fellow residents and with persons in the general community;

(6) The facility is designed to minimize and is operated in a manner which minimizes the need for its residents to move out of the facility as their respective physical and mental conditions change over time; and

(7) The facility is operated in such a manner as to foster a culture that provides a high-quality environment for the residents, their families, the staff, any volunteers and the community at large.

8. The Health Division may grant an exception from the requirement of subparagraph (1) of paragraph (b) of subsection 7 to a facility licensed as a

residential facility for groups on or before July 1, 2005, and which is authorized to have 10 or fewer beds and was originally constructed as a single-family dwelling, if the Health Division finds that:

(a) Strict application of that requirement would result in economic hardship to the facility requesting the exception; and

(b) The exception, if granted, would not:

(1) Cause substantial detriment to the health or welfare of any resident of the facility;

(2) Result in more than two residents sharing a toilet facility; or

(3) Otherwise impair substantially the purpose of that requirement.

9. The Board shall, if it determines necessary, adopt regulations and requirements to ensure that each residential facility for groups and its staff are prepared to respond to an emergency, including, without limitation:

(a) The adoption of plans to respond to a natural disaster and other types of emergency situations, including, without limitation, an emergency involving fire;

(b) The adoption of plans to provide for the evacuation of a residential facility for groups in an emergency, including, without limitation, plans to ensure that nonambulatory patients may be evacuated;

(c) Educating the residents of residential facilities for groups concerning the plans adopted pursuant to paragraphs (a) and (b); and

(d) Posting the plans or a summary of the plans adopted pursuant to paragraphs (a) and (b) in a conspicuous place in each residential facility for groups.

10. The regulations governing the licensing and operation of facilities for transitional living for released offenders must provide for the licensure of at least three different types of facilities, including, without limitation:

(a) Facilities that only provide a housing and living environment;

(b) Facilities that provide or arrange for the provision of supportive services for residents of the facility to assist the residents with reintegration into the community, in addition to providing a housing and living environment; and

(c) Facilities that provide or arrange for the provision of alcohol and drug abuse programs, in addition to providing a housing and living environment and providing or arranging for the provision of other supportive services.

➥ ***The regulations must provide that if a facility was originally constructed as a single-family dwelling, the facility must not be authorized for more than eight beds.***

Legislative Counsel's Digest:

Existing law provides that a covenant, restriction or condition in a deed, contract or other legal instrument cannot unreasonably restrict the use of a system for obtaining solar or wind energy. (NRS 111.239, 278.0208) Sections 1 and 21.5 of this bill provide that the only restriction on the use of such a system is with respect to color in certain circumstances.

Section 1.3 of this bill provides additional ethical requirements for members of an executive board by requiring a member who stands to gain any personal profit or compensation from a matter before the executive board to disclose the matter to the executive board and to abstain from voting on the matter. (NRS 116.31185, 116.31187)

Existing law provides that certain common-interest communities are prohibited from regulating motor vehicles on thoroughfares accepted by the State or local governments for public use. (NRS 116.350) Section 1.4 of this bill prohibits a common-interest community from restricting the operation of motorcycles. Section 1.6 of this bill prohibits a common-interest community from using information from radar guns as the basis for a fine or penalty.

~~[Existing law provides that a covenant, restriction or condition in a deed, contract or other legal instrument cannot unreasonably restrict the use of a system for obtaining solar or wind energy. (NRS 111.239, 278.0208) Sections 1 and 21.5 of this bill provide that the only restriction on the use of such a system is with respect to color in certain circumstances.]~~

Section 1.7 of this bill: (1) states that the provisions of chapter 116 of NRS do not invalidate or modify the tariffs, rules and standards of a public utility; and (2) provides that the governing documents of an association must be consistent and not conflict with the tariffs, rules and standards of a public utility.

Under existing law, a common-interest community created before January 1, 1992, and a common-interest community, with a declaration so providing, that consists of at least 1,000 units, may have the voting rights of the units' owners in the association for that common-interest community be exercised by delegates or representatives. (NRS 116.1201, 116.31105) Sections 2.3 and 3.5-4.7 of this bill prohibit the use of delegates or representatives to exercise the voting rights of units' owners in the election or removal of a member of the executive board. However, a master association which governs a time-share plan created pursuant to chapter 119A of NRS is allowed to continue using delegates or representatives to exercise the voting rights of owners of time shares.

Section 3.3 of this bill prohibits an association from imposing an assessment against property in the common-interest community that is exempt from taxation pursuant to NRS 361.125.

Sections 4, 8, 12-14 and 16-21 of this bill eliminate the issuance of permits to reserve study specialists and instead provide for their registration. (NRS 116.31038, 116.750, 116A.120, 116A.260 and 116A.420-116A.900)

~~[Sections 6.3 and]~~ **Section** 6.7 of this bill ~~[provide that in a county whose population is 45,000 or less]~~ **provides that if the annual budget of** an association is **less than $40,000, then the association is** not required to use a certified public accountant to ~~[prepare, present,]~~ audit ~~[or review]~~ certain financial statements. (NRS ~~[116.31142,]~~ 116.31144)

Section 8 of this bill provides that an association **which contains 20 or fewer units and which is** located in a county whose population is 45,000 or less is not required to use a registered reserve study specialist to conduct the study of reserves of the association. (NRS 116.31152)

Existing law requires certain signatures before money in the reserve account of an association may be withdrawn. (NRS 116.31153) Section 9.2 of this bill also requires certain signatures before money in the operating account of an association may be withdrawn.

Existing law provides for an association to have a lien on a unit for any construction penalty, assessment or fine imposed against the unit's owner which may later be foreclosed upon. (NRS 116.3116) Section 9.4 of this bill requires an association to obtain approval from the Commission on Common-Interest Communities before attempting to foreclose its lien. The Commission must approve the foreclosure of the lien if the association has followed certain procedures. In addition, section 9.6 of this bill changes existing law to provide that the sale of a unit as a result of a foreclosure of a lien is subject to an equity or right of redemption. (NRS 116.31166)

Section 9.8 of this bill provides that if an official publication contains the views or opinions of the association concerning an issue of official interest, the official publication must, upon request, provide equal space and equivalent exposure to opposing views and opinions. If an official publication contains information concerning a civil action or claim in which the association is a party, the official publication is not required to provide equal space to opposing views and opinions. In addition, section 9.8 provides that if an official publication contains any mention of a candidate or ballot question, the official publication must provide equal space in the same issue to the candidate or a representative of an organization which advocates the passage or defeat of the ballot question.

Existing law provides that certain common-interest communities are prohibited from regulating motor vehicles on thoroughfares accepted by State or local governments for public use. (NRS 116.350) Section 10 of this bill further prohibits a common-interest community from restricting the parking of certain ~~[utility]~~ service vehicles, law enforcement vehicles and emergency services vehicles.

Section 11 of this bill deems deposits made in connection with the purchase or reservation of units from a person required to deliver a public offering statement placed in out-of-state escrow companies as being deposited in this State if the escrow holder has a legal right to conduct

business in the State, has a resident agent in this State and has consented to the jurisdiction of the courts of this State. (NRS 116.411)

Existing law provides for the Commission to adopt regulations concerning the issuance of certificates for community managers. (NRS 116A.410) Section 15.5 of this bill provides that the regulations must: (1) require an applicant to post a bond in a form and in an amount established by regulation; and (2) adopt a sliding scale for the amount of the bond that is based upon the amount of money that applicants are expected to control.

Sec. 1.7. 1. The provisions of this chapter do not invalidate or modify the tariffs, rules and standards of a public utility.

2. The governing documents of an association must be consistent and not conflict with the tariffs, rules and standards of a public utility. (t) Exercise any other powers necessary and proper for the governance and operation of the association.

2. The declaration may not impose limitations on the power of the association to deal with the declarant which are more restrictive than the limitations imposed on the power of the association to deal with other persons.

3. Notwithstanding any provision of this chapter or the governing documents to the contrary, an association may not impose any assessment pursuant to this chapter or the governing documents on any property in the common-interest community that is exempt from taxation pursuant to NRS 361.125.

Sec. 3.5. **NRS 116.31034 is hereby amended to read as follows:**

116.31034 1. Except as otherwise provided in subsection 5 of NRS 116.212, not later than the termination of any period of declarant's control, the units' owners shall elect an executive board of at least three members, at least a majority of whom must be units' owners. Unless the governing documents provide otherwise, the remaining members of the executive board do not have to be units' owners. The executive board shall elect the officers of the association. The members of the executive board and the officers of the association shall take office upon election.

2. The term of office of a member of the executive board may not exceed 2 years, except for members who are appointed by the declarant. Unless the governing documents provide otherwise, there is no limitation on the number of terms that a person may serve as a member of the executive board.

(a) Members of the executive board who are appointed by the declarant; and

(b) Members of the executive board who serve a term of 1 year or less.

4. Not less than 30 days before the preparation of a ballot for the election of members of the executive board, the secretary or other officer specified in the bylaws of the association shall cause notice to be given to each unit's owner of his eligibility to serve as a member of the executive board. Each unit's owner who is qualified to serve as a member of the executive board may have his name placed on the ballot along with the names of the nominees selected by the members of the executive board or a nominating committee established by the association.

5. Each person whose name is placed on the ballot as a candidate for a member of the executive board must:

(a) Make a good faith effort to disclose any financial, business, professional or personal relationship or interest that would result or would appear to a reasonable person to result in a potential conflict of interest for the candidate if the candidate were to be elected to serve as a member of the executive board; and

(b) Disclose whether the candidate is a member in good standing. For the purposes of this paragraph, a candidate shall not be deemed to be in "good standing" if the candidate has any unpaid and past due assessments or construction penalties that are required to be paid to the association.

The association shall distribute the disclosures to each member of the association with the ballot in the manner established in the bylaws of the association.

7. An officer, employee, agent or director of a corporate owner of a unit, a trustee or designated beneficiary of a trust that owns a unit, a partner of a partnership that owns a unit, a member or manager of a limited-liability company that owns a unit, and a fiduciary of an estate that owns a unit may be an officer of the association or a member of the executive board. In all events where the person serving or offering to serve as an officer of the association or a member of the executive board is not the record owner, he shall file proof in the records of the association that:

(a) He is associated with the corporate owner, trust, partnership, limited-liability company or estate as required by this subsection; and

(b) Identifies the unit or units owned by the corporate owner, trust, partnership, limited-liability company or estate.

(b) Each unit's owner must be provided with at least 15 days after the date the secret written ballot is mailed to the unit's owner to return the secret written ballot to the association.

(c) A quorum is not required for the election of any member of the executive board.

(d) Only the secret written ballots that are returned to the association may be counted to determine the outcome of the election.

(f) The incumbent members of the executive board and each person whose name is placed on the ballot as a candidate for a member of the executive board may not possess, be given access to or participate in the opening or counting of the secret written ballots that are returned to the association before those secret written ballots have been opened and counted at a meeting of the association.

9. Each member of the executive board shall, within 90 days after his appointment or election, certify in writing to the association, on a form prescribed by the Administrator, that he has read and understands the governing documents of the association and the provisions of this chapter to the best of his ability. The Administrator may require the association to submit a copy of the certification of each member of the executive board of that association at the time the association registers with the Ombudsman pursuant to NRS 116.31158.

Sec. 3.7. **NRS 116.31036 is hereby amended to read as follows:**

116.31036 1. Notwithstanding any provision of the declaration or bylaws to the contrary, any member of the executive board, other than a member appointed by the declarant, may be removed from the executive board, with or without cause, if at a removal election held pursuant to this section the number of votes cast in favor of removal constitutes:

(a) At least 35 percent of the total number of voting members of the association; and

(b) Each unit's owner must be provided with at least 15 days after the date the secret written ballot is mailed to the unit's owner to return the secret written ballot to the association.

(c) Only the secret written ballots that are returned to the association may be counted to determine the outcome.

(d) The secret written ballots must be opened and counted at a meeting of the association. A quorum is not required to be present when the secret written ballots are opened and counted at the meeting.

(e) The incumbent members of the executive board, including, without limitation, the member who is subject to the removal, may not possess, be given access to or participate in the opening or counting of the secret written ballots that are returned to the association before those secret written ballots have been opened and counted at a meeting of the association.

3. If a member of an executive board is named as a respondent or sued for liability for actions undertaken in his role as a member of the board, the association shall indemnify him for his losses or claims, and undertake all costs of defense, unless it is proven that he acted with willful or wanton misfeasance or with gross negligence. After such proof, the association is no longer liable for the cost of defense, and may recover costs already expended from the member of the executive board who so acted. Members of the executive board are not personally liable to the victims of crimes occurring on the property. Punitive damages may not be recovered against the association, but may be recovered from persons whose activity gave rise to the damages.

4. The provisions of this section do not prohibit the Commission from taking any disciplinary action against a member of an executive board pursuant to NRS 116.745 to 116.795, inclusive.

Sec. 4. NRS 116.31038 is hereby amended to read as follows:

116.31038 In addition to any applicable requirement set forth in NRS 116.310395, within 30 days after units' owners other than the declarant may elect a majority of the members of the executive board, the declarant shall deliver to the association all property of the units' owners and of the association held by or controlled by him, including:

The financial statements must fairly and accurately report the association's financial position.

3. A complete study of the reserves of the association, conducted by a person who ~~[holds a permit to conduct such a study issued]~~ ***is registered as a reserve study specialist*** pursuant to chapter 116A of NRS. At the time the control of the declarant ends, he shall:

(a) Except as otherwise provided in this paragraph, deliver to the association a reserve account that contains the declarant's share of the amounts then due, and control of the account. If the declaration was recorded before October 1, 1999, and, at the time the control of the declarant ends, he has failed to pay his share of the amounts due, the executive board shall authorize the declarant to pay the deficiency in installments for a period of 3 years, unless the declarant and the executive board agree to a shorter period.

(b) Disclose, in writing, the amount by which he has subsidized the association's dues on a per unit or per lot basis.

4. The association's money or control thereof.

5. 6. A copy of any plans and specifications used in the construction of the improvements in the common-interest community which were completed within 2 years before the declaration was recorded.

7. All insurance policies then in force, in which the units' owners, the association, or its directors and officers are named as insured persons.

8. Copies of any certificates of occupancy that may have been issued with respect to any improvements comprising the common-interest community other than units in a planned community.

9. Any renewable permits and approvals issued by governmental bodies applicable to the common-interest community which are in force and any other permits and approvals so issued and applicable which are required by law to be kept on the premises of the community.

10. Written warranties of the contractor, subcontractors, suppliers and manufacturers that are still effective.

11. A roster of owners and mortgagees of units and their addresses and telephone numbers, if known, as shown on the declarant's records.

12. Contracts of employment in which the association is a contracting party.

13. Any contract for service in which the association is a contracting party or in which the association or the units' owners have any obligation to pay a fee to the persons performing the services.

Sec. 4.3. **NRS 116.3108 is hereby amended to read as follows:**

116.3108 1. A meeting of the units' owners must be held at least once each year. If the governing documents do not designate an annual meeting

date of the units' owners, a meeting of the units' owners must be held 1 year after the date of the last meeting of the units' owners. If the units' owners have not held a meeting for 1 year, a meeting of the units' owners must be held on the following March 1.

2. Special meetings of the units' owners may be called by the president, by a majority of the executive board or by units' owners constituting at least 10 percent, or any lower percentage specified in the bylaws, of the total number of voting members of the association. The same number of units' owners may also call a removal election pursuant to NRS 116.31036. To call a special meeting or a removal election, the units' owners must submit a written petition which is signed by the required percentage of the total number of voting members of the association pursuant to this section and which is mailed, return receipt requested, or served by a process server to the executive board or the community manager for the association. If the petition calls for a special meeting, the executive board shall set the date for the special meeting so that the special meeting is held not less than 15 days or more than 60 days after the date on which the petition is received. If the petition calls for a removal election and:

(a) The voting rights of the ~~[units']~~ owners ***of time shares*** will be exercised by delegates or representatives as set forth in NRS 116.31105, the executive board shall set the date for the removal election so that the removal election is held not less than 15 days or more than 60 days after the date on which the petition is received; or

(b) The voting rights of the units' owners will be exercised through the use of secret written ballots pursuant to NRS 116.31036, the secret written ballots for the removal election must be sent in the manner required by NRS 116.31036 not less than 15 days or more than 60 days after the date on which the petition is received, and the executive board shall set the date for the meeting to open and count the secret written ballots so that the meeting is held not more than 15 days after the deadline for returning the secret written ballots.

3. Not less than 15 days or more than 60 days in advance of any meeting of the units' owners, the secretary or other officer specified in the bylaws shall cause notice of the meeting to be hand-delivered, sent prepaid by United States mail to the mailing address of each unit or to any other mailing address designated in writing by the unit's owner or, if the association offers to send notice by electronic mail, sent by electronic mail at the request of the unit's owner to an electronic mail address designated in writing by the unit's owner. The notice of the meeting must state the time and place of the meeting and include a copy of the agenda for the meeting. The notice must include notification of the right of a unit's owner to:

(a) Have a copy of the minutes or a summary of the minutes of the meeting provided to the unit's owner upon request and, if required by the executive board, upon payment to the association of the cost of providing the copy to the unit's owner.

(b) Speak to the association or executive board, unless the executive board is meeting in executive session.

4. The agenda for a meeting of the units' owners must consist of:

(a) A clear and complete statement of the topics scheduled to be considered during the meeting, including, without limitation, any proposed amendment to the declaration or bylaws, any fees or assessments to be imposed or increased by the association, any budgetary changes and any proposal to remove an officer of the association or member of the executive board.

(b) A list describing the items on which action may be taken and clearly denoting that action may be taken on those items. In an emergency, the units' owners may take action on an item which is not listed on the agenda as an item on which action may be taken.

(c) A period devoted to comments by units' owners and discussion of those comments. Except in emergencies, no action may be taken upon a matter raised under this item of the agenda until the matter itself has been specifically included on an agenda as an item upon which action may be taken pursuant to paragraph (b).

5. If the association adopts a policy imposing fines for any violations of the governing documents of the association, the secretary or other officer specified in the bylaws shall prepare and cause to be hand-delivered or sent prepaid by United States mail to the mailing address of each unit or to any other mailing address designated in writing by the unit's owner, a schedule of the fines that may be imposed for those violations.

6. The secretary or other officer specified in the bylaws shall cause minutes to be recorded or otherwise taken at each meeting of the units' owners. Not more than 30 days after each such meeting, the secretary or other officer specified in the bylaws shall cause the minutes or a summary of the minutes of the meeting to be made available to the units' owners. A copy of the minutes or a summary of the minutes must be provided to any unit's owner upon request and, if required by the executive board, upon payment to the association of the cost of providing the copy to the unit's owner.

7. Except as otherwise provided in subsection 8, the minutes of each meeting of the units' owners must include:

(a) The date, time and place of the meeting;

(b) The substance of all matters proposed, discussed or decided at the meeting; and

(c) The substance of remarks made by any unit's owner at the meeting if he requests that the minutes reflect his remarks or, if he has prepared written remarks, a copy of his prepared remarks if he submits a copy for inclusion.

8. The executive board may establish reasonable limitations on materials, remarks or other information to be included in the minutes of a meeting of the units' owners.

9. The association shall maintain the minutes of each meeting of the units' owners until the common-interest community is terminated.

10. A unit's owner may record on audiotape or any other means of sound reproduction a meeting of the units' owners if the unit's owner, before recording the meeting, provides notice of his intent to record the meeting to the other units' owners who are in attendance at the meeting.

11. The units' owners may approve, at the annual meeting of the units' owners, the minutes of the prior annual meeting of the units' owners and the minutes of any prior special meetings of the units' owners. A quorum is not required to be present when the units' owners approve the minutes.

12. As used in this section, "emergency" means any occurrence or combination of occurrences that:

(a) Could not have been reasonably foreseen;

(b) Affects the health, welfare and safety of the units' owners or residents of the common-interest community;

(c) Requires the immediate attention of, and possible action by, the executive board; and

(d) Makes it impracticable to comply with the provisions of subsection 3 or 4.

Sec. 4.5. **NRS 116.311 is hereby amended to read as follows:**

116.311 1. If only one of several owners of a unit is present at a meeting of the association, that owner is entitled to cast all the votes allocated to that unit. If more than one of the owners are present, the votes allocated to that unit may be cast only in accordance with the agreement of a majority in interest of the owners, unless the declaration expressly provides otherwise. There is majority agreement if any one of the owners cast the votes allocated to that unit without protest made promptly to the person presiding over the meeting by any of the other owners of the unit.

2. Except as otherwise provided in this section, votes allocated to a unit may be cast pursuant to a proxy executed by a unit's owner. A unit's owner may give a proxy only to a member of his immediate family, a tenant of the unit's owner who resides in the common-interest community, another unit's owner who resides in the common-interest community, or a delegate or representative when authorized pursuant to NRS 116.31105. If a unit is owned by more than one person, each owner of the unit may vote or register protest to the casting of votes by the other owners of the unit through an executed proxy. A unit's owner may revoke a proxy given pursuant to this section only by actual notice of revocation to the person presiding over a meeting of the association.

3. Before a vote may be cast pursuant to a proxy:

(a) The proxy must be dated.

(b) The proxy must not purport to be revocable without notice.

(c) The proxy must designate the meeting for which it is executed.

(d) The proxy must designate each specific item on the agenda of the meeting for which the unit's owner has executed the proxy, except that the unit's owner may execute the proxy without designating any specific items on the agenda of the meeting if the proxy is to be used solely for determining

whether a quorum is present for the meeting. If the proxy designates one or more specific items on the agenda of the meeting for which the unit's owner has executed the proxy, the proxy must indicate, for each specific item designated in the proxy, whether the holder of the proxy must cast a vote in the affirmative or the negative on behalf of the unit's owner. If the proxy does not indicate whether the holder of the proxy must cast a vote in the affirmative or the negative for a particular item on the agenda of the meeting, the proxy must be treated, with regard to that particular item, as if the unit's owner were present but not voting on that particular item.

(e) The holder of the proxy must disclose at the beginning of the meeting for which the proxy is executed the number of proxies pursuant to which the holder will be casting votes.

4. A proxy terminates immediately after the conclusion of the meeting for which it is executed.

5. ~~[A]~~ ***Except as otherwise provided in this subsection, a*** vote may not be cast pursuant to a proxy for the election or removal of a member of the executive board of an association ***.*** ~~[unless]~~ ***A vote may be cast pursuant to a proxy for the election or removal of a member of the executive board of a master association which governs a time-share plan created pursuant to chapter 119A of NRS if*** the proxy is exercised through a delegate or representative authorized pursuant to NRS 116.31105.

6. The holder of a proxy may not cast a vote on behalf of the unit's owner who executed the proxy in a manner that is contrary to the proxy.

7. A proxy is void if the proxy or the holder of the proxy violates any provision of subsections 1 to 6, inclusive.

8. If the declaration requires that votes on specified matters affecting the common-interest community must be cast by the lessees of leased units rather than the units' owners who have leased the units:

(a) The provisions of subsections 1 to 7, inclusive, apply to the lessees as if they were the units' owners;

(b) The units' owners who have leased their units to the lessees may not cast votes on those specified matters;

(c) The lessees are entitled to notice of meetings, access to records and other rights respecting those matters as if they were the units' owners; and

(d) The units' owners must be given notice, in the manner provided in NRS 116.3108, of all meetings at which the lessees are entitled to vote.

9. If any votes are allocated to a unit that is owned by the association, those votes may not be cast, by proxy or otherwise, for any purpose.

Sec. 4.7. **NRS 116.31105 is hereby amended to read as follows:**

116.31105 1. If the declaration so provides, in a common-interest community that consists of at least 1,000 units, the voting rights of the units' owners in the association for that common-interest community may be exercised by delegates or representatives ~~[.]~~ ***except that, in the election or removal of a member of the executive board, the voting rights of the units' owners may not be exercised by delegates or representatives.***

2. 3. ***In addition to a common-interest community identified in subsections 1 and 2, if the declaration so provides, the voting rights of the owners of time shares within a time-share plan created pursuant to chapter 119A of NRS which is governed by a master association may be exercised by delegates or representatives.***

4. For the purposes of subsection 1, each unit that a declarant has reserved the right to create pursuant to NRS 116.2105 and for which developmental rights exist must be counted in determining the number of units in a common-interest community.

~~[4.]~~ ***5. For the purposes of subsection 3, each time share that a developer has reserved the right to create pursuant to paragraph (g) of subsection 2 of NRS 119A.380 must be counted in determining the number of time shares in a time-share plan.***

6. Notwithstanding any provision in the declaration, the election of any delegate or representative must be conducted by secret written ballot.

~~[5.]~~ ***7.*** When an election of a delegate or representative is conducted by secret written ballot:

(a) The secretary or other officer of the association specified in the bylaws of the association shall cause a secret written ballot and a return envelope to be sent, prepaid by United States mail, to the mailing address of each unit within the common-interest community or to any other mailing address designated in writing by the unit's owner.

(b) Each unit's owner must be provided with at least 15 days after the date the secret written ballot is mailed to the unit's owner to return the secret written ballot to the association.

(c) Only the secret written ballots that are returned to the association in the manner prescribed on the ballot may be counted to determine the outcome of the election.

(d) The secret written ballots must be opened and counted at a meeting called for the purpose of electing delegates or representatives. A quorum is not required to be present when the secret written ballots are opened and counted at the meeting.

(e) A candidate for delegate or representative may not possess, be given access to or participate in the opening or counting of the secret written ballots that are returned to the association in the manner prescribed on the ballot before those secret written ballots have been opened and counted at a meeting called for that purpose.

Amendment No. 959.

SUMMARY— ~~[Enacts the Model Registered Agents Act.]~~ **Makes various changes concerning agents for service of process and business entities.** (BDR 7-460)

AN ACT relating to ~~[agents for service of process;]~~ **business entities;** enacting the Model Registered Agents Act; **revising the provisions relating to the maintenance of a corporation's records at its registered office; establishing provisions relating to the judgment and execution of a stockholder's stock; requiring registered agents to verify certain information concerning the entities represented in certain circumstances; prohibiting registered agents from performing financial transactions in certain circumstances;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires certain entities to appoint and maintain a resident agent who is located in this State and upon whom all legal process and any notice may be served. (NRS 14.020) This bill changes the term resident agent to registered agent and establishes two types of registered agent, which are called commercial registered agents and noncommercial registered agents.

Section 32 of this bill allows an individual or an entity to become listed as a commercial registered agent by filing with the Secretary of State a statement containing certain information. Under section 31 of this bill, when an entity files with the Secretary of State the document which creates the entity, the entity must include in that document the name of the entity's commercial registered agent, the name and address of the entity's noncommercial registered agent or the title of a position with the entity if service of process is to be sent to the person holding that position. In addition, section 31 ~~[removes the requirement]~~ **requires the entity** to file a certificate of acceptance of appointment signed by the ~~[resident]~~ **registered** agent **.** ~~[and provides that when an entity appoints a registered agent, the entity affirms that the registered agent has consented to serve as the registered agent of the entity. (NRS 14.020)]~~

Section 37 of this bill provides that any registered agent may resign from the representation of an entity by filing a statement of resignation for the entity and paying the fee required by section 29 of this bill. If a noncommercial registered agent wishes to resign from the representation of all entities, the agent must file a statement of resignation for each entity represented by the agent. However, under section 33 of this bill a commercial registered agent may resign from the representation of all entities by filing with the Secretary of State a termination statement and providing notice of the termination to each entity represented by the agent.

Existing law provides that if the name of a resident agent is changed because of certain actions, the resident agent must file a certificate with the Secretary of State and pay a $100 fee. (NRS 78.110, 80.070, 82.193, 86.235, 87.490, 88.331, 88A.540) Section 36 of this bill provides that if a commercial registered agent changes its name, address or type or jurisdiction

of organization, the agent must file with the Secretary of State a statement of change. The filing of this statement changes the registered agent information for each entity represented by the agent. Section 35 of this bill provides that if a noncommercial registered agent changes its name or address, the agent must file with the Secretary of State a statement of change for each entity represented by the agent.

Section 40.2 of this bill requires certain registered agents who represent entities that engage in business activities that are regulated pursuant to chapter 604A or 675 of NRS to verify that the entity they represent has the appropriate license from the Commissioner of Financial Institutions. In addition, section 40.2 prohibits a registered agent who represents such an entity from performing any financial transactions on behalf of the represented entity in his capacity as registered agent.

Section 40.4 of this bill authorizes the Commissioner of Financial Institutions to issue an order to a registered agent to cease and refrain from providing certain services if the represented entity does not have the required license. Section 40.4 further provides for an administrative fine of up to $1,000 against a registered agent who fails to comply with such an order.

Section 40.6 of this bill allows the Secretary of State to adopt regulations. Section 40.6 further authorizes the Secretary of State to seek to enjoin a registered agent from engaging in certain conduct.

Existing law allows certain actions with respect to entities to be filed in the district court of the county in which the office of the entity's resident agent is located. (NRS 78.345, 78.630, 82.306, 82.471, 82.486, 92A.460, 92A.490) This bill provides that these actions must be brought in the district court of the county in which the entity's principal office is located or, if the entity's principal office is not located in this State, in the district court in Carson City.

Existing law allows a court to charge the interest of a partner in a partnership or limited partnership or a member of a limited-liability company for payment of an unsatisfied judgment under certain circumstances. (NRS 86.401, 87.280, 87.4342, 88.535) Section 43.5 of this bill provides that a court may charge a stockholder's stock with payment of an unsatisfied judgment under certain circumstances.

Existing law establishes provisions relating to the maintenance of a corporation's records at its registered office. (NRS 78.105) Section 49.5 of this bill requires certain records to be maintained for a period of 3 years by a new registered agent who replaces a previous registered agent.

Existing law provides that certain benefits and property may be exempt from execution. (NRS 21.075, 21.090, 31.045) Sections 171.2-171.6 of this bill provide that stock of certain corporations may be exempt from execution under certain circumstances.

Sections 184.7, 184.9 190.7 and 190.9 of this bill specifically authorize the Commissioner of Financial Institutions to investigate the business of a registered agent who represents a person licensed pursuant to chapter 604A or 675 of NRS. (NRS 604A.710, 604A.810, 675.380 and 675.430)

Sec. 32. ***1. An individual or a domestic or foreign entity may become listed as a commercial registered agent by filing with the Secretary of State***

a commercial registered agent listing statement signed by or on behalf of the person which states:

(a) The name of the individual or the name, type and jurisdiction of organization of the entity;

(b) That the person is in the business of serving as a commercial registered agent in this State; and

(c) The address of a place of business of the person in this State to which service of process and other notice and documents being served on or sent to entities represented by it may be delivered.

2. If the name of a person filing a commercial registered agent listing statement is not distinguishable on the records of the Secretary of State from the name of another commercial registered agent listed under this section, the person must adopt a fictitious name that is distinguishable and use that name in its statement and when it does business in this State as a commercial registered agent. For the purposes of this subsection, a proposed name is not distinguishable from another name solely because one or the other contains distinctive lettering, a distinctive mark, a trademark or a trade name or any combination of these. The Secretary of State may adopt regulations that interpret the requirements of this subsection.

3. A commercial registered agent listing statement takes effect on filing.

4. The Secretary of State shall note the filing of the commercial registered agent listing statement in the index of filings maintained by the Secretary of State for each entity represented by the registered agent at the time of the filing. The statement has the effect of deleting the address of the registered agent from the registered agent filing of each of those entities.

Sec. 33. ***1. A commercial registered agent may terminate its listing as a commercial registered agent by filing with the Secretary of State a commercial registered agent termination statement signed by or on behalf of the agent which states:***

(a) The name of the agent as currently listed under section 32 of this act; and

(b) That the agent is no longer in the business of serving as a commercial registered agent in this State.

2. A commercial registered agent termination statement takes effect on the 31st day after the day on which it is filed.

3. The commercial registered agent shall promptly furnish each entity represented by it with notice in a record of the filing of the commercial registered agent termination statement.

4. When a commercial registered agent termination statement takes effect, the registered agent ceases to be an agent for service of process on each entity formerly represented by it. Termination of the listing of a commercial registered agent under this section does not affect any

contractual rights a represented entity may have against the agent or that the agent may have against the entity.

Sec. 34. ***1. A represented entity may change the information currently on file ~~[under subsection 1 of]~~ pursuant to section 31 of this act by filing with the Secretary of State a statement of change signed on behalf of the entity which states:***

(a) The name of the entity; and

(b) The information that is to be in effect as a result of the filing of the statement of change.

2. The interest holders or governors of a domestic entity need not approve the filing of:

(a) A statement of change under this section; or

(b) A similar filing changing the registered agent or registered office of the entity in any other jurisdiction.

3. ~~[The appointment of a registered agent pursuant to subsection 1 is an affirmation by the represented entity that the agent has consented to serve as such.]~~ If a filing made pursuant to subsection 1 results in a change of the registered agent of the represented entity, the filing must include the information required pursuant to section 31 of this act.

4. A statement of change filed under this section takes effect on filing.

5. Instead of using the procedures in this section, a represented entity may change the information currently on file under ~~[subsection 1 of]~~ section 31 of this act by amending its most recent registered agent filing in the manner provided by the laws of this State other than this chapter for amending that filing.

Sec. 35. ***1. If a noncommercial registered agent changes its name or its address as currently in effect with respect to a represented entity pursuant to ~~[subsection 1 of]~~ section 31 of this act, the agent shall file with the Secretary of State, with respect to each entity represented by the agent, a statement of change signed by or on behalf of the agent which states:***

(a) The name of the entity;

(b) The name and address of the agent as currently in effect with respect to the entity;

(c) If the name of the agent has changed, its new name; and

(d) If the address of the agent has changed, the new address.

2. A statement of change filed under this section takes effect on filing.

3. A noncommercial registered agent shall promptly furnish the represented entity with notice in a record of the filing of a statement of change and the changes made by the filing.

Sec. 36. ***1. If a commercial registered agent changes its name, its address as currently listed under subsection 1 of section 32 of this act or its type or jurisdiction of organization, the agent shall file with the Secretary of State a statement of change signed by or on behalf of the agent which states:***

(a) The name of the agent as currently listed under subsection 1 of section 32 of this act;

(b) If the name of the agent has changed, its new name;

(c) If the address of the agent has changed, the new address; and

(d) If the type or jurisdiction of organization of the agent has changed, the new type or jurisdiction of organization.

2. The filing of a statement of change under subsection 1 is effective to change the information regarding the commercial registered agent with respect to each entity represented by the agent.

3. A statement of change filed under this section takes effect on filing.

4. A commercial registered agent shall promptly furnish each entity represented by it with notice in a record of the filing of a statement of change relating to the name or address of the agent and the changes made by the filing.

5. If a commercial registered agent changes its address without filing a statement of change as required by this section, the Secretary of State may cancel the listing of the agent under section 32 of this act. A cancellation under this subsection has the same effect as a termination under section 33 of this act. Promptly after cancelling the listing of an agent, the Secretary of State shall serve notice in a record on the:

(a) Governors of each entity represented by the agent, stating that the agent has ceased to be an agent for service of process on the entity and that, until the entity appoints a new registered agent, service of process may be made in the manner provided by NRS 14.030; and

(b) Agent, stating that the listing of the agent has been cancelled under this section.

Sec. 37. ***1. A registered agent may resign at any time with respect to a represented entity by filing with the Secretary of State a statement of resignation signed by or on behalf of the agent which states:***

(a) The name of the entity;

(b) The name of the agent;

(c) That the agent resigns from serving as agent for service of process for the entity; and

(d) The name and address of the person to which the agent will send the notice required by subsection 3.

2. A statement of resignation takes effect on the earlier of the 31st day after the day on which it is filed or the appointment of a new registered agent for the represented entity.

3. The registered agent shall promptly furnish the represented entity with notice in a record of the date on which a statement of resignation was filed.

4. When a statement of resignation takes effect, the registered agent ceases to have responsibility for any matter tendered to it as agent for the represented entity. A resignation under this section does not affect any

contractual rights the entity may have against the agent or that the agent may have against the entity.

5. A registered agent may resign with respect to a represented entity whether or not the entity is in good standing.

Sec. 38. ***1. A domestic entity that is not a filing entity or a nonqualified foreign entity may file with the Secretary of State a statement appointing an agent for service of process signed on behalf of the entity which*** ~~*[states:]*~~ ***includes, without limitation:***

(a) The name, type and jurisdiction of organization of the entity; and

(b) The information required ~~*[by subsection 1 of]*~~ ***pursuant to section 31*** ~~*[.]*~~ ***of this act.***

2. A statement appointing an agent for service of process takes effect on filing.

3. The appointment of a registered agent under this section does not qualify a nonqualified foreign entity to do business in this State and is not sufficient alone to create personal jurisdiction over the nonqualified foreign entity in this State.

4. A statement appointing an agent for service of process may not be rejected for filing because the name of the entity filing the statement is not distinguishable on the records of the Secretary of State from the name of another entity appearing in those records. The filing of a statement appointing an agent for service of process does not make the name of the entity filing the statement unavailable for use by another entity.

5. An entity that has filed a statement appointing an agent for service of process may cancel the statement by filing a statement of cancellation, which shall take effect upon filing, and must state the name of the entity and that the entity is cancelling its appointment of an agent for service of process in this State. A statement appointing an agent for service of process, which has not been cancelled earlier, is effective for a period of 5 years after the date of filing.

6. A statement appointing an agent for service of process for a nonqualified foreign entity terminates automatically on the date the entity becomes a qualified foreign entity.

Sec. 39. ***A registered agent is an agent of the represented entity authorized to receive service of any process, notice or demand required or permitted by law to be served on the entity.***

Sec. 40. ***The only duties under this chapter required of a registered agent who has complied with this chapter are:***

1. To forward to the represented entity at the address most recently supplied to the agent by the entity any process, notice or demand that is served on the agent;

2. To provide the notices required by this chapter to the entity at the address most recently supplied to the agent by the entity;

3. If the agent is a noncommercial registered agent, to keep current the information required ~~[by subsection 1 of]~~ pursuant to section 31 of this act in the most recent registered agent filing for the entity; and

4. If the agent is a commercial registered agent, to keep current the information listed for it under subsection 1 of section 32 of this act.

Sec. 40.2. 1. If a registered agent knows or reasonably should know that the entity for which he is the registered agent engages in any business activity that is regulated pursuant to chapter 604A or 675 of NRS and the registered agent or a subsidiary or affiliate of the registered agent performs any service for the represented entity other than:

(a) Delivering documents for filing to state or local governmental entities;

(b) Forwarding unopened mail;

(c) Any service described in section 40 of this act;

(d) Accounting services incidental to the formation of the entity for which he serves as registered agent provided in accordance with chapter 628 of NRS; or

(e) Legal services incidental to the formation of the entity for which he serves as registered agent if he is an attorney who is licensed to practice law in this State or performs such services under the supervision of an attorney who is licensed to practice law in this State,

➥ the registered agent shall verify with the Division of Financial Institutions of the Department of Business and Industry that the person is licensed pursuant to chapter 604A or 675 of NRS, as applicable.

2. If a registered agent determines pursuant to subsection 1 that the represented entity is not licensed as required pursuant to chapter 604A or 675 of NRS, the registered agent shall notify the Commissioner of Financial Institutions.

3. A registered agent who accepts an appointment to act as the registered agent for a represented entity whom the registered agent knows or reasonably should know engages in business activities which are regulated pursuant to chapter 604A or 675 of NRS shall not perform any financial transactions on behalf of the represented entity in his capacity as registered agent.

Sec. 40.4. 1. If the Commissioner of Financial Institutions determines, after investigation, that a represented entity of a registered agent has failed to comply with the provisions of chapter 604A or 675 of NRS, the Commissioner may issue an order to the registered agent to cease and refrain from providing all services for the represented entity other than those services set forth in section 40 of this act.

2. A registered agent who receives an order pursuant to subsection 1 shall immediately notify the represented entity. The represented entity shall be deemed to have received the order on the date that it is received by the registered agent.

3. Any contract between a registered agent, its subsidiary or affiliate and the represented entity entered into on or after July 1, 2007, shall be deemed to include a provision that provides for the termination of the contract or agreement without liability to the registered agent, its subsidiary or affiliate, upon the issuance of an order issued pursuant to this section, except for any agreement for the provision of the services set forth in section 40 of this act. Any provision of a contract which conflicts with this subsection is void. Failure to include such a provision in a contract is not a defense in an action brought to enforce or terminate the contract.

4. An order issued pursuant to subsection 1 is a final decision for the purposes of judicial review pursuant to chapter 233B of NRS. A registered agent shall comply with any such order pending judicial review.

5. If the Commissioner of Financial Institutions finds that a registered agent has failed to comply with an order issued pursuant to this section, the Commissioner may impose an administrative fine of not more than $1,000 upon the registered agent. Any fine collected pursuant to this section must be deposited with the State Treasurer for credit to the State General Fund.

Sec. 40.6. 1. The Secretary of State may adopt such regulations as he deems necessary to carry out and ensure compliance with the provisions of this chapter and any other provision of law which governs the conduct of registered agents.

2. Upon application of the Secretary of State, the district court may enjoin any person from serving as a registered agent or as an officer, director or managing agent of a registered agent if the court finds that:

(a) The registered agent failed to comply with any provision of law governing the conduct of registered agents after reasonable notice and an opportunity to correct the failure; or

(b) The registered agent engaged in conduct in his capacity as registered agent that was intended to deceive or defraud the public or to promote illegal activities.

Sec. 41. ***The appointment or maintenance in this State of a registered agent does not by itself create the basis for personal jurisdiction over the represented entity in this State. The address of the agent does not determine venue in an action or proceeding involving the entity.***

Sec. 42. ***In applying and construing this chapter, consideration must be given to the need to promote consistency of the law with respect to its subject matter among states that enact it.***

Sec. 43. ***This chapter modifies, limits and supersedes the federal Electronic Signatures in Global and National Commerce Act, 15 U.S.C. §§ 7001 et seq., but does not modify, limit or supersede Section 101(c) of that Act, 15 U.S.C. § 7001(c), or authorize electronic delivery of any of the notices described in Section 103(b) of that Act, 15 U.S.C. § 7003(b).***

Sec. 43.5. **Chapter 78 of NRS is hereby amended by adding thereto a new section to read as follows:**

1. On application to a court of competent jurisdiction by a judgment creditor of a stockholder, the court may charge the stockholder's stock with payment of the unsatisfied amount of the judgment with interest. To the extent so charged, the judgment creditor has only the rights of an assignee of the stockholder's stock.

2. This section:
