In K-12 education, we are already funded forty-sixth in the nation. You look at population growth and say, "Look at how much Nevada has expanded." But what you truly have to look at is your responsibilities as a state. For example, what if you suddenly receive so many students you have to build one new elementary school every month? That is what we had in Las Vegas. When you look at our education budget and what the Governor suggested—which were cuts of over $600 million to an education system that is funded already forty-sixth in the nation—what is our priority? Our constituents tell us all the time. It is a quality education system. They want that system for their children and for their grandchildren. And that is what we hear the most from businesses because they know if they do not have a qualified workforce, they cannot succeed and then we cannot grow as a state. We looked at the education budget from top to bottom. We asked, "Does it make sense to close the teacher training centers that we just built, in order to produce highly qualified teachers?" Does it? We decided that our results were not where we needed them to be because we didn't have a teacher training center. So what did we do? Did we just restore every dollar? No. My colleague from Sparks spent the time, along with my colleague from Yerington, looking at all the regional professional development centers, funding them at 60 percent, eliminating one but saying it makes no sense to spend more money in the next biennium recreating this, by closing it now. We did the same thing with the rural mental health clinics. Did we put every dollar back? No. But we decided it made no sense to close every rural mental health clinic when the mentally ill are still in that community. And in fact, they are receiving more requests for services because the economy is in trouble.

All session I was proud of the work that was done in our Assembly Ways and Means Committee, by Republicans and Democrats. What separates us from Washington, D.C. and California is that we may disagree sometimes but we strive for agreement. We strive for bipartisanship. That's what makes Nevada different. And that's what we should not lose. And we didn't lose that in the money committee. Not every person got everything they wanted on every issue. That is not how legislative sessions work. But we produced a budget that makes sense. We produced a budget that restored money to K-12 education so that we would not have larger class sizes. We restored the regional professional development centers. We restored incentives to make sure we are keeping teachers of at-risk schools and teachers who are highly qualified to teach math and science. We restored money to higher education because it makes no sense to close UNLV or UNR and to have a 36 percent cut to every community college in the state. We restored $40 million to the health and human services budget. Our criteria was if we could live with ourselves if we cut autistic children off their treatment or had inadequate staffing at our mental health facilities, or cut pregnant women off of health insurance. That's what we did. With public safety, as was outlined by our chair of the public safety subcommittee, we actually saved money by not building a new prison for $200 million and restoring $30 million to keep another prison open during these tough economic times.

I want to say, especially to the chairs of the subcommittees, that you did a tremendous job producing a budget that makes sense and I appreciate your work. To our staff, you did an amazing job. With regard to reforms, perhaps you missed those days. We passed a measure just yesterday and a budget closing last week where we reformed the Public Employee Benefit program. We changed eligibility from 5 years to 15 years. We now have indexed the cost of the program. We eliminated benefits and have now saved that program by the reforms we implemented. There is a reform bill pending for PERS, too. Just because you don't get every bill you want doesn't mean reform doesn't happen. Sometimes it can happen without you.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 886.

AN ACT relating to state obligations; establishing a program for the investment of state money in certificates of deposit at a reduced rate to provide lending institutions with money for reduced-rate loans to certain minority-owned and other small businesses in this State; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law allows the State Treasurer to invest the money of this State in negotiable certificates of deposit issued by commercial banks, insured credit unions or insured savings and loan associations. (NRS 355.140) **Section 15** of this bill requires the State Treasurer to establish a Linked Deposit Program whereby the State, in an aggregate amount not to exceed $20,000,000, invests in certificates of deposit with commercial banks, insured credit unions or insured savings and loan associations at a reduced rate of interest on the condition that the lending institution link the value of each certificate of deposit to a reduced-rate loan to certain types of small businesses. **Section 15** also provides that the rate of interest paid to the State on the deposit is to be not more than 2 percentage points below the market rate for such a deposit, and the loan rate is to be reduced not more than 2 percentage points below the market rate for such a loan. Further, **section 15** requires a lending institution to sign an agreement with the State Treasurer as to the terms of such a deposit and its linked loan.

Section 17 of this bill requires a lending institution that participates in the Linked Deposit Program to apply all the usual lending standards to determine the creditworthiness of a small business seeking a loan and further requires that a preference be given to certain small businesses that are owned by a member of a racial or ethnic minority, a woman or an honorably discharged veteran of the Armed Forces of the United States. **Section 19** of this bill limits such loans to not more than $500,000 and to a term of not longer than 10 years. **Section 18** of this bill limits the types of businesses that are eligible to participate in the Linked Deposit Program.

Section 21 of this bill prohibits the State Treasurer from making any new investments through the Linked Deposit Program after June 30, 2011.

Remarks by Assemblyman Arberry.

Amendment adopted.

Bill ordered reprinted, reengrossed and to third reading.

Senate Bill No. 394.

Bill read third time.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 879.

AN ACT relating to off-highway vehicles; requiring certain owners of off-highway vehicles to obtain certificates of title and registration for those vehicles; requiring the Department of Motor Vehicles to charge and collect certain fees; creating the Fund for Off-Highway Vehicles; creating the Commission on Off-Highway Vehicles; creating the Revolving Account for the Administration of Off-Highway Vehicle Titling and Registration as a special account in the Motor Vehicle Fund; eliminating the requirement that certain persons obtain certificates of operation before operating off-highway vehicles; providing for the licensing of dealers, manufacturers and lessors of off-highway vehicles and for the consignment of off-highway vehicles; making various other changes relating to off-highway vehicles; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law prohibits a person from operating an off-highway vehicle on a highway in this State unless the person has obtained a certificate of operation for the off-highway vehicle and has attached the certificate of operation to the off-highway vehicle in the manner specified by the Department of Taxation. (NRS 490.080) The term "off-highway vehicle" means any motor vehicle that is designed primarily for off-highway and all-terrain use, including, without limitation, an all-terrain vehicle, an all-terrain motorcycle, a dune buggy, a snowmobile or any motor vehicle used for recreational purposes on public lands. (NRS 490.060)

Existing law requires an authorized dealer of off-highway vehicles to issue a certificate of operation for the off-highway vehicle upon the sale of the vehicle or upon request by a person who purchased the vehicle outside this State under certain circumstances. (NRS 490.070)

With limited exceptions, **section 12** of this bill requires a person who acquires ownership of an off-highway vehicle on or after ~~[July 1, 2010,]~~ **the effective date of that section as provided in paragraph (b) of subsection 2 of section 63 of this act** to apply to the Department of Motor Vehicles for the titling and annual registration of the vehicle within 30 days after acquiring ownership of the vehicle. A person who acquired ownership of an off-highway vehicle before ~~[July 1, 2010,]~~ **the effective date of section 12 as provided in paragraph (b) of subsection 2 of section 63 of this act** may apply to the Department for the titling of the vehicle, but is required to apply

to the Department for annual registration of the vehicle ~~[on or before June 30, 2011.]~~ **within 1 year after that date.**

Section 15 of this bill creates the Fund for Off-Highway Vehicles in the State Treasury. A portion of the money received from the fees collected pursuant to **section 12** of this bill must be deposited into the Fund. All money deposited into the Fund must be used only for projects relating to off-highway vehicles as set forth in **section 15**.

Section 16 of this bill creates the Commission on Off-Highway Vehicles. The Commission consists of 11 members who are appointed by the Governor. Each member of the Commission serves for a term of 3 years and, if money is available from the Fund for Off-Highway Vehicles, is entitled to receive the per diem allowance and travel expenses provided to state officers and employees.

Section 17 of this bill imposes various duties upon the Commission, including, without limitation, the duty to select nonvoting advisers to the Commission and to adopt regulations for awarding grants from the Fund for Off-Highway Vehicles.

Section 59 of this bill, in part, repeals the provisions of NRS 490.030, which define the term "Department" for purposes of chapter 490 of NRS to mean the Department of Taxation. Because NRS 481.015 defines the term "Department" for purposes of title 43 of NRS to mean the Department of Motor Vehicles, the effect of the repeal of NRS 490.030 and the amendment of NRS 481.015 set forth in **section 1** of this bill is to place the authority to administer the provisions of chapter 490 of NRS under the Department of Motor Vehicles.

Sections 20-52 of this bill provide for the licensing of manufacturers, dealers and lessors of off-highway vehicles and for the consignment of off-highway vehicles.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

(b) Act as advisers to any business licensed by the Department in connection with any problems arising under the provisions of chapters 108, 482, 483 ***,*** ~~[and]~~ 487 ***and 490*** of NRS.

Sec. 9.5. ***"Manufacturer" means every person engaged in the business of manufacturing off-highway vehicles.***

1. A person employed by an off-highway vehicle dealer, under any form of contract or arrangement to sell, exchange, buy, or offer for sale, or exchange an interest in an off-highway vehicle to any person, who receives or expects to receive a commission, fee or any other consideration from the seller or purchaser of the off-highway vehicle; or

(a) The principal and branch locations are owned and operated by the same principal or group of principals listed on the records of the Department for the principal place of business;

(b) The sales activities conducted at a branch location are the same as those authorized by the Department at the principal place of business;

Sec. 36. ***Except as otherwise provided in section 41 of this act, the Department or any other agency of this State shall not require that an off-highway vehicle dealer have his signature acknowledged before a notary public or any other person authorized to take acknowledgments in this State on any document the off-highway vehicle dealer is required to file with the Department or agency.***

Sec. 37. ***Each off-highway vehicle dealer who advertises that the Spanish language is spoken at his place of business or who conducts business by communicating in Spanish with a purchaser or prospective purchaser regarding the potential purchase of an off-highway vehicle shall, upon the request of a purchaser or prospective purchaser of an off-highway vehicle with whom the off-highway vehicle dealer or his agent is communicating or has communicated in Spanish as a part of the preliminary discussions and negotiations regarding the purchase or potential purchase of the off-highway vehicle, allow the purchaser or prospective purchaser to view the version of the forms for the application for credit and contracts to be used in the sale of off-highway vehicles which have been translated into Spanish pursuant to subsection 3 of NRS 97.299.***

Sec. 38. ***If a licensed off-highway vehicle dealer takes an off-highway vehicle in trade on the purchase of another off-highway vehicle and there is an outstanding security interest, the licensed off-highway vehicle dealer shall satisfy the outstanding security interest within 30 days after the off-highway vehicle is taken in trade on the purchase of the other off-highway vehicle.***

Sec. 39. ***1. Except as otherwise provided in subsection 2, at each of his established places of business, each off-highway vehicle dealer, long-term or short-term lessor or manufacturer shall permanently affix a sign***

2. Upon approval of the Director, and in accordance with all other city and county ordinances, an off-highway vehicle dealer or a long-term or short-term lessor may be exempted from the requirements of subsection 1 if:

Sec. 40. ***1. Before any off-highway vehicle dealer, long-term or short-term lessor or manufacturer is issued a license pursuant to this chapter, the Department shall require that the applicant procure and file with the Department a good and sufficient bond with a corporate surety thereon, duly licensed to do business within the State of Nevada, approved as to form by the Attorney General and conditioned that the applicant or any employee who acts on his behalf within the scope of his employment shall conduct his business as an off-highway vehicle dealer, lessor or manufacturer without breaching a consumer contract or engaging in a deceptive trade practice, fraud or fraudulent representation and without violation of the provisions of this chapter. The bond must be in the amount of $50,000.***

2. The Department may, pursuant to a written agreement with any off-highway vehicle dealer, long-term or short-term lessor or manufacturer who has been licensed to do business in this State for at least 5 years, allow a reduction in the amount of the bond of the off-highway vehicle dealer, lessor or manufacturer if his business has been conducted in a manner satisfactory to the Department for the preceding 5 years. No bond may be reduced to less than 50 percent of the bond required pursuant to subsection 1.

3. The bond must be continuous in form, and the total aggregate liability on the bond must be limited to the payment of the total amount of the bond.

4. The undertaking on the bond includes any breach of a consumer contract, deceptive trade practice, fraud, fraudulent representation or violation of any of the provisions of this chapter by the representative of any licensed representative or salesman of any licensed off-highway vehicle dealer, long-term or short-term lessor or manufacturer who acts for the off-highway vehicle dealer, lessor or manufacturer on his behalf and within the scope of the employment of the representative or the salesman.

5. The bond must provide that any person injured by the action of the off-highway vehicle dealer, long-term or short-term lessor, manufacturer, representative or off-highway vehicle salesman in violation of any provision of this chapter may apply to the Director, for good cause shown, for compensation from the bond. The surety issuing the bond shall appoint the Secretary of State as its agent to accept service of notice or process for the surety in any action upon the bond brought in a court of competent jurisdiction or brought before the Director.

6. If a person is injured by the actions of an off-highway vehicle dealer, long-term or short-term lessor, manufacturer, representative or off-highway vehicle salesman, the person may:

(a) Bring and maintain an action in any court of competent jurisdiction. If the court enters:

(1) A judgment on the merits against the off-highway vehicle dealer, lessor, manufacturer, representative or salesman, the judgment is binding on the surety.

(2) A judgment other than on the merits against the off-highway vehicle dealer, lessor, manufacturer, representative or salesman, including, without limitation, a default judgment, the judgment is binding on the surety only if the surety was given notice and an opportunity to defend at least 20 days before the date on which the judgment was entered against the off-highway vehicle dealer, lessor, manufacturer, representative or salesman.

(b) Apply to the Director, for good cause shown, for compensation from the bond. The Director may determine the amount of compensation and the person to whom it is to be paid. The surety shall then make the payment.

(c) Settle the matter with the off-highway vehicle dealer, lessor, manufacturer, representative or salesman. If such a settlement is made, the settlement must be reduced to writing, signed by both parties and acknowledged before any person authorized to take acknowledgments in this State and submitted to the Director with a request for compensation from the bond. If the Director determines that the settlement was reached in good faith and there is no evidence of collusion or fraud between the parties in reaching the settlement, the surety shall make the payment to the injured person in the amount agreed upon in the settlement.

7. Any judgment entered by a court against an off-highway vehicle dealer, long-term or short term lessor, manufacturer, representative or off-highway vehicle salesman may be executed through a writ of attachment, garnishment, execution or other legal process, or the person in whose favor the judgment was entered may apply to the Director for compensation from the bond of the off-highway vehicle dealer, lessor, manufacturer, representative or salesman.

8. The Department shall not issue a license pursuant to subsection 1 to an off-highway vehicle dealer, long-term or short term lessor or

manufacturer who does not have and maintain an established place of business in this State.

Sec. 41. ***1. In lieu of a bond, an applicant may deposit with the Department, under terms prescribed by the Department:***

(a) A like amount of lawful money of the United States or bonds of the United States or of the State of Nevada of an actual market value of not less than the amount fixed by the Department; or

(b) A savings certificate of a bank, credit union or savings and loan association situated in Nevada, which must indicate an account of an amount equal to the amount of the bond which would otherwise be required by NRS 482.345 and indicate that this amount is unavailable for withdrawal except upon order of the Department. Interest earned on the amount accrues to the account of the applicant.

2. A deposit made pursuant to subsection 1 may be disbursed by the Director, for good cause shown and after notice and opportunity for hearing, in an amount determined by him to compensate a person injured by an action of the licensee, or released upon receipt of:

(a) A court order requiring the Director to release all or a specified portion of the deposit; or

(b) A statement signed by the person or persons under whose name the deposit is made and acknowledged before any person authorized to take acknowledgments in this State requesting the Director to release the deposit, or a specified portion thereof, and stating the purpose for which the release is requested.

3. When a deposit is made pursuant to subsection 1, liability under the deposit is in the amount prescribed by the Department. If the amount of the deposit is reduced or there is an outstanding court judgment for which the licensee is liable under the deposit, the license is automatically suspended. The license must be reinstated if the licensee:

(a) Files an additional bond pursuant to subsection 1 of section 40 of this act;

(b) Restores the deposit with the Department to the original amount required under this section; or

(c) Satisfies the outstanding judgment for which he is liable under the deposit.

4. A deposit made pursuant to subsection 1 may be refunded:

(a) By order of the Director, 3 years after the date the licensee ceases to be licensed by the Department, if the Director is satisfied that there are no outstanding claims against the deposit; or

(b) By order of court, at any time within 3 years after the date the licensee ceases to be licensed by the Department, upon evidence satisfactory to the court that there are no outstanding claims against the deposit.

5. Any money received by the Department pursuant to subsection 1 must be deposited with the State Treasurer for credit to the Motor Vehicle Fund.

Sec. 42. ***1. The bond required by section 40 of this act must cover the licensee's principal place of business and all branches operated by him, including, without limitation, any place of business operated in this State by the licensee that is located outside the county of the licensee's principal office or any place of business operated by the licensee under a different name.***

2. In addition to the coverage provided by the licensee's bond pursuant to subsection 1, the licensee shall procure a separate bond for:

(a) Each place of business operated in this State by the licensee that is located outside the county of the licensee's principal office; and

(b) Each place of business operated by the licensee under a different name.

Sec. 43. ***1. A new off-highway vehicle dealer's license must not be furnished to any off-highway vehicle dealer in new off-highway vehicles unless the off-highway vehicle dealer first furnishes the Department an instrument executed by or on behalf of the manufacturer certifying that he is an authorized franchised off-highway vehicle dealer for the make or makes of off-highway vehicles concerned. New off-highway vehicle dealers are authorized to sell at retail only those new off-highway vehicles for which they are certified as franchised off-highway vehicle dealers by the manufacturer.***

2. In addition to selling used off-highway vehicles, a used off-highway vehicle dealer may:

(a) Sell at wholesale a new off-highway vehicle taken in trade or acquired as a result of a sales contract to a new off-highway vehicle dealer who is licensed and authorized to sell that make of vehicle;

(b) Sell at wholesale a new off-highway vehicle through a wholesale vehicle auction if the wholesale vehicle auctioneer:

(1) Does not take an ownership interest in the off-highway vehicle; and

(2) Auctions the off-highway vehicle to an off-highway vehicle dealer who is licensed and authorized to sell that make of off-highway vehicle; or

(c) Sell a new off-highway vehicle on consignment from a person not licensed as an off-highway vehicle dealer or long-term or short-term lessor.

Sec. 44. ***1. 2. The Director shall adopt such regulations as may be necessary for making the administration of this section effective.

3. As used in this section, "bait and switch" advertising consists of an offer to sell or lease goods or services which the seller or lessor in truth may not intend or desire to sell or lease, accompanied by one or more of the following practices:

(a) Refusal to show the goods advertised.

(b) Disparagement in any material respect of the advertised goods or services or the terms of sale or lease.

(e) Showing or demonstrating defective goods which are unusable or impractical for the purposes set forth in the advertisement.

(f) Accepting a deposit for the goods or services and subsequently switching the purchase order to higher-priced goods or services.

Sec. 45. ***1. The Department may deny the issuance of, suspend or revoke a license to engage in the activities of an off-highway vehicle dealer, long-term or short-term lessor or manufacturer in new or used off-highway vehicles in this State upon any of the following grounds:***

(c) Material misstatement in the application.

(d) Evidence of unfitness of the applicant or licensee.

(f) Failure or refusal to furnish and keep in force any bond.

(g) Failure on the part of the licensee to maintain a fixed place of business in this State.

(h) Failure or refusal by a licensee to pay or otherwise discharge any final judgment against the licensee rendered and entered against him, arising out of the misrepresentation of any off-highway vehicle or out of any fraud committed in connection with the sale of any off-highway vehicle.

(i) Failure of the licensee to maintain any other license or bond required by any political subdivision of this State.

(j) Allowing an unlicensed off-highway vehicle salesman to sell or lease any off-highway vehicle or to act in the capacity of an off-highway vehicle salesman as defined in this chapter.

(k) Failure or refusal to provide to the Department an authorization for the disclosure of financial records for the business as required pursuant to subsection 3.

(l) Engaging in a deceptive trade practice relating to the purchase and sale or lease of an off-highway vehicle.

Information obtained pursuant to the authorization may be disclosed only to those employees of the Department who are authorized to issue a license to an applicant pursuant to sections 24 to 47, inclusive, of this act or to determine the suitability of an applicant or a licensee for such licensure.

4. The Department may adopt regulations establishing additional criteria that may be used to deny, suspend, revoke or refuse to renew a license issued pursuant to this chapter.

Sec. 46. ***1. Except as otherwise provided in subsection 5, an applicant or licensee may, within 30 days after receipt of the notice of denial, suspension or revocation, petition the Director in writing for a hearing.***

2. Subject to the further requirements of subsection 3, the Director shall make written findings of fact and conclusions and grant or finally deny the application or revoke the license within 15 days after the hearing unless by interim order he extends the time to 30 days after the hearing. If the license has been temporarily suspended, the suspension expires not later than 15 days after the hearing.

3. If the Director finds that the action is necessary in the public interest, upon notice to the licensee, he may temporarily suspend or refuse to renew the license issued to an off-highway vehicle dealer, long-term or short-term lessor or manufacturer for a period not to exceed 30 days. A hearing must be held, and a final decision rendered, within 30 days after notice of the temporary suspension.

4. The Director may issue subpoenas for the attendance of witnesses and the production of evidence.

5. The provisions of this section do not apply to an applicant for a temporary permit to engage in the activity of an off-highway vehicle salesman.

Sec. 47. ***1. A person shall not engage in the activity of a salesman of off-highway vehicles or act in the capacity of an off-highway vehicle salesman as defined in this chapter in the State of Nevada without first having received a license or temporary permit from the Department.***

Amendment No. 846.

AN ACT relating to recycling; providing for the placement of recycling containers on the premises of certain apartment complexes, condominiums and the Nevada System of Higher Education and its branches and facilities; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the board of county commissioners in a county whose population is 100,000 or more (currently Clark and Washoe Counties) is required to make available for use in that county a program for separating recyclable material from other solid waste originating from certain residential premises and public buildings. Existing law authorizes certain other counties and municipalities to provide such a program. (NRS 444A.040) **Section 7** of this bill provides for the inclusion of provisions concerning the placement of recycling containers on the premises of apartment complexes and condominiums in the recycling programs of those counties and municipalities.

Existing law authorizes each board of county commissioners in this State to regulate all matters relating to the construction, maintenance and safety of buildings, structures and property within the county. (NRS 244.3675) Existing law confers similar authority upon the governing body of an incorporated city in this State. (NRS 268.413) **Section 11** of this bill prohibits a board of county commissioners of a county or a governing body of a city from approving, on or after October 1, 2009, any plan or revised plan for the construction or major renovation of an apartment complex or condominium unless the plan or revised plan includes provisions for the placement of recycling containers on the premises of the apartment complex or condominium.

Existing law requires the Board of Regents of the University of Nevada to prescribe procedures for the recycling of paper and paper products used by the Nevada System of Higher Education and requires the Board of Regents to pay any money received by the System for recycling those products to the State Treasurer for credit to the State General Fund. (NRS 396.437) **Section 14** of this bill requires the Board to prescribe procedures for the recycling of

other waste materials, including, without limitation, the placement of recycling containers on the premises of the System or any of its branches or facilities where services for the collection of solid waste are provided. **Section 14** also requires the money received by the System for recycling those materials to be accounted for separately and used to carry out the provisions of that section.

SECOND READING AND AMENDMENT

Senate Bill No. 119.

Bill read second time.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 777.

AN ACT relating to professions; revising provisions governing the regulation of massage therapists by the Board of Massage Therapists; prohibiting certain misleading and deceptive practices relating to massage therapy; revising provisions governing the discipline of massage therapists; authorizing the Board to issue administrative citations and to impose administrative fines for certain violations; revising provisions governing the temporary suspension of licenses of massage therapists; requiring law enforcement agencies to provide certain records to the Board or its Executive Director upon request; authorizing law enforcement agencies to redact certain confidential information from records provided to the Board or its Executive Director; providing remedies and penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, massage therapists must be licensed by the Board of Massage Therapists. (Chapter 640C of NRS) **Sections 2, 3 and 11** of this bill require a massage therapist to display his original license, not a copy or replica, at each location where he practices massage therapy. (NRS 640C.450) **Section 3** prohibits a person from: (1) forging or counterfeiting a license; (2) altering, copying or replicating a license for the purpose of aiding or abetting an unlawful act; or (3) using or displaying a license that has been forged or counterfeited or has been altered, copied or replicated for the purpose of aiding or abetting an unlawful act.

Sections 4 and 16 of this bill prohibit an unlicensed person from advertising as a massage therapist and prohibit a licensed person from using any false or misleading statements in advertising. (NRS 640C.910) **Sections 4 and 16** also prohibit an unlicensed person from having his name listed in a telephone directory under a heading such as "massage" which indicates or implies that he is licensed or qualified to practice massage therapy. **Sections 4 and 16** also authorize the Board to issue an order to cease and desist from engaging in unlawful advertising. **Sections 4, 18 and 19** of this bill contain provisions whereby the Board can have telephone numbers for any type of

telephone, messaging or paging service disconnected because they are included in unlawful advertising. (NRS 703.175, 707.355)

Existing law authorizes the Board to take disciplinary action by imposing administrative fines. (NRS 640C.710) **Section 14** of this bill provides that the Board may impose an administrative fine of not more than $5,000 for each violation, unless a greater fine is required pursuant to **section 5** of this bill. **Section 5** requires the Board to impose, based on the number of violations, increasing administrative fines of not more than ~~[$50,000]~~ **$10,000** against a licensee who has engaged in or solicited sexual activity during a massage therapy session or has been convicted of a crime involving violence, prostitution or any other sexual offense that occurred during a massage therapy session.

Section 7 of this bill authorizes the Board to issue administrative citations for any statutory or regulatory violations relating to massage therapy and provides that an unlicensed person who fails to comply with a citation is guilty of a misdemeanor. A citation may include an order to: (1) pay an administrative fine; (2) correct a condition resulting from a violation; and (3) reimburse the Board for expenses incurred to investigate the violation. **Section 8** of this bill allows a person to request a hearing before the Board to contest an administrative citation.

Existing law provides for the temporary suspension of a massage therapy license without a prior hearing for a period of 15 or 30 days under certain exigent circumstances. (NRS 640C.720) Generally, procedural due process entitles a licensee to a hearing before his license is suspended. (*Barry v. Barchi*, 443 U.S. 55, 99 S. Ct. 2642 (1979); U.S. Const. Amend. XIV, § 1; Nev. Const. Art. 1, § 8) However, when exigent circumstances justify immediate action, a statute may provide for the temporary suspension of a license without a prior hearing if the statute requires a post-suspension administrative review where a hearing is held and a final decision is rendered as promptly as is practicable. (*Federal Deposit Insurance Corporation v. Mallen*, 486 U.S. 230, 108 S. Ct. 1780 (1988); *Sierra Life Insurance Company v. Rottman*, 95 Nev. 654 (1979)) **Section 15** of this bill: (1) provides for the temporary suspension of a massage therapy license without a prior hearing for a period not to exceed ~~[60]~~ **30** days under certain exigent circumstances; (2) authorizes the licensee to request a post-suspension administrative review; and (3) requires the Board to hold a hearing and render a final decision as promptly as is practicable but not later than ~~[60]~~ **30** days after the date of the initial suspension. (NRS 640C.720)

Section 15 of this bill also authorizes the Board and its Executive Director to request from state and local law enforcement agencies records relating to any charge or citation against a massage therapist for a crime involving violence, prostitution or any other sexual offense and authorizes those law enforcement agencies to redact from those records certain information which the agencies deem confidential. (NRS 640C.720) **Sections 15 and 17** of this bill require a law enforcement agency to provide the requested records as

soon as reasonably practicable. (NRS 179A.100) **Section 15** also provides that the Board and its Executive Director: (1) must maintain the confidentiality of the records; and (2) may use the records for the sole and limited purpose of determining whether to take disciplinary action against the massage therapist.

Amendment No. 878.

SUMMARY— ~~[Suspending temporarily]~~ **Revises provisions governing** the administration of ~~[norm-referenced]~~ **certain tests,** examinations **and assessments** in public schools. (BDR ~~[S-]~~ **34-** 1216)

AN ACT relating to education; **revising provisions governing the administration of certain tests, examinations and assessments by the boards of trustees of school districts;** suspending temporarily the administration of norm-referenced examinations in public schools; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the board of trustees of each school district to administer certain examinations to pupils enrolled in public schools in this State. In addition to the examinations required by state and federal law, the boards of trustees of school districts require pupils to take certain district-wide tests, examinations and assessments. Section 7 of this bill limits the administration of certain district-wide tests, examinations and assessments during the 2009-2010 School Year and the 2010-2011 School Year.

Existing law requires the board of trustees of each school district and the governing body of each charter school to administer norm-referenced examinations in grades 4, 7 and 10 which compare the results of pupils to a national reference group of pupils. ~~[This]~~ **Section 9 of this** bill suspends temporarily the administration of norm-referenced examinations for the 2009-2010 School Year and the 2010-2011 School Year.

WHEREAS, The public schools in this State are required by the Federal Government and the Nevada Legislature to administer an increasing number of standardized tests to pupils, including criterion-referenced examinations, proficiency tests and tests of the National Assessment of Educational Progress; and

WHEREAS, The school districts in this State administer numerous district-wide tests in addition to those required by state and federal law; and

WHEREAS, In the aggregate, the task of preparing for and administering all these tests in schools throughout the State consumes hundreds of employee hours and requires the school districts to incur costs associated with the administration; and

WHEREAS, Although there is an undeniable need for test data to evaluate the progress of Nevada's public schools and pupils in meeting the standards of academic performance, the Legislature must carefully weigh the demands for statistical information against the time for teachers and pupils to accomplish the work required to meet those standards; and

WHEREAS, The Nevada Legislature finds that, during these difficult financial times, it is in the best interest of the pupils enrolled in public

schools in this State to temporarily limit the administration of certain tests; now, therefore,

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. (Deleted by amendment.)

Sec. 2. (Deleted by amendment.)

Sec. 3. (Deleted by amendment.)

Sec. 4. (Deleted by amendment.)

Sec. 5. (Deleted by amendment.)

Sec. 6. (Deleted by amendment.)

Sec. 7. **Chapter 389 of NRS is hereby amended by adding thereto a new section to read as follows:**

1. Except as otherwise provided in subsection 2, the board of trustees of a school district shall not administer a district-wide test, examination or assessment unless that test, examination or assessment:

(a) Is required by state or federal law; or

(b) Was adopted by the school district before July 1, 2007.

2. The provisions of this section do not apply to a test, examination or assessment that a pupil voluntarily takes without a district-wide requirement, including, without limitation, an advanced placement examination.

Sec. 8. **NRS 389.006 is hereby repealed.**

~~[Sec. 7.]~~ ***Sec. 9.*** Notwithstanding the provisions of NRS 389.015 to the contrary, the norm-referenced examinations required to be administered to pupils enrolled in grades 4, 7 and 10 pursuant to that section must not be administered in the public schools of this State during the 2009-2010 School Year and the 2010-2011 School Year. Any requirements relating to the reporting of test scores of pupils on those examinations that would otherwise be administered during those School Years are also suspended.

~~[Sec. 8.]~~ ***Sec. 10.*** **1.** This **section and sections 7 and 8 of this act become effective upon passage and approval.**

2. Section 9 of this act becomes effective on July 1, 2009.

3. Sections 7 and 8 of this act expire by limitation on June 30, 2011.

TEXT OF REPEALED SECTION

389.006 Limitation on administration; periodic review. [Effective January 1, 2009.]

1. In addition to any other test, examination or assessment required by state or federal law, the board of trustees of each school district may require the administration of district-wide tests, examinations and assessments that the board of trustees determines are vital to measure the achievement and progress of pupils. In making this determination,

the board of trustees shall consider any applicable findings and recommendations of the Legislative Committee on Education.

2. The tests, examinations and assessments required pursuant to subsection 1 must be limited to those which can be demonstrated to provide a direct benefit to pupils or which are used by teachers to improve instruction and the achievement of pupils.

3. The board of trustees of each school district and the State Board shall periodically review the tests, examinations and assessments administered to pupils to ensure that the time taken from instruction to conduct a test, examination or assessment is warranted because it is still accomplishing its original purpose.

Legislative Counsel's Digest:

Existing law provides that the Nevada Highway Patrol has authority for the enforcement of certain requirements relating to the size and weight of certain vehicles being operated on the highways of this State. (NRS 484.755) This bill expands that authority to include law enforcement agencies in counties with a population of 100,000 or more (currently Washoe and Clark Counties) in the State and authorizes certain category I peace officers and certain inspectors of the Department of Motor Vehicles and the Department of Public Safety to require the driver of certain vehicles to stop and submit to a weighing of the vehicle.

All materials so unloaded must be cared for by the carrier of the material and at his expense. The ***officer of the Nevada Highway Patrol, category I peace*** officer ***or inspector*** may allow the driver of the inspected vehicle to continue on his journey if any overload does not exceed by more than 5 percent the limitations prescribed by NRS 484.744 to 484.757, inclusive, but the penalties provided in NRS 484.757 must be imposed for the overload violation.

4. Any driver of a vehicle who fails or refuses to stop and submit the vehicle and load to a weighing, or who fails or refuses when directed by an officer of the Nevada Highway Patrol ***, a category I peace officer or an inspector*** upon a weighing of the vehicle to stop and otherwise comply with the provisions of NRS 484.744 to 484.757, inclusive, is guilty of a misdemeanor.

5. As used in this section:

(a) "Category I peace officer" means a peace officer, as defined in NRS 289.460, in a county whose population is 100,000 or more who has completed a vehicle weight enforcement training program that is specific to this State and conducted by the Nevada Highway Patrol.

CONSIDERATION OF SENATE AMENDMENTS

Assembly Bill No. 87.

The following Senate amendment was read:

Amendment No. 661.

AN ACT relating to state administration; revising the provisions governing the collection of certain debts owed to state agencies; ~~[revising certain provisions relating to the applicability of certain statutes of limitation to actions brought by or on behalf of the State;]~~ establishing certain presumptions applicable to certain civil actions against employers who fail to

provide mandatory industrial insurance or coverage for occupational disease; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that, unless a specific statute provides for the collection of a debt owed to an agency of the Executive Branch of State Government, the collection of the debt is governed by the provisions of chapter 353C of NRS. (NRS 353C.090) Under existing law, an agency may engage in its own collection efforts using the procedures and remedies established by chapter 353C of NRS or the agency may request the State Controller to act as its collection agent for that purpose. (NRS 353C.195) **Section 17** of this bill requires the State Controller to act as the collection agent for all agencies which do not have specific statutes concerning their debt collection or which have not obtained a waiver from the State Controller authorizing the agency to engage in its own collection efforts. Accordingly, **section 17** also requires all such agencies to assign their debts to the State Controller for collection within 60 days after the debt becomes past due or such other time agreed upon by the agency and the State Controller, unless the debtor has administratively contested the existence or amount of the debt. Finally, **section 17** authorizes an agency that has specific statutory authority to engage in its own collection efforts to assign a debt to the State Controller for collection or to exercise in its own debt collection efforts the additional rights and remedies conferred on the State Controller to collect debts. (NRS 353C.195) **Section 11** of this bill increases the **threshold** amount of ~~[reimbursement allowed]~~ **debt** for **which** the costs and fees actually incurred to collect the debt **may be collected from $200 to $300, requires the payment of a fee to the State Controller and increases the limitation on the total amount of such costs and fees** to an amount not to exceed 35 percent of the debt or $50,000, whichever is less. **Sections 10, 12-16 and 18-20** of this bill make technical changes to substitute the State Controller as the person authorized to undertake the collection of debts owed to an agency using the procedures and remedies provided under existing law. (NRS 353C.130, 353C.140, 353C.150, 353C.160, 353C.180, 353C.190, 353C.200, 353C.210, 353C.220)

Sections 2-6 of this bill establish new procedures, rights and remedies in connection with the collection of debts owed to agencies. **Section 2** authorizes, with certain exceptions, an agency to refuse to conduct business with a person who has an unpaid debt to the State and also authorizes the State Controller to refuse to make a payment to such a debtor. **Section 4** authorizes the State Controller to appoint a private debt collector or other person as his agent to obtain a summary judgment against a debtor and to record that judgment or to file a certificate of liability with a county recorder. **Section 5** authorizes the State Controller, with the approval of the agency to which the debt is owed, to accept the payment of a portion of a debt as satisfaction of the full amount of the debt if the State Controller believes that doing so is likely to generate more net revenue for the State than continuing

his efforts to collect the full amount of the debt. **Section 6** authorizes the State Controller to sell a debt that is no longer collectible in a suit by the Attorney General because of the expiration of the statute of limitations applicable to such a suit.

Section 7 of this bill ~~[requires the State Controller to transfer to an agency]~~ **specifies the disposition of** any money collected by the State Controller on behalf of ~~[the]~~ **an** agency minus any **fees owed to and** costs incurred or fees paid by the State Controller to collect any debt that has been assigned to him for collection by the agency and any interest paid by a debtor under an agreement with the State Controller for the payment of the debt on an installment basis. **Section 7.3 of this bill creates the Debt Recovery Account in the State General Fund and limits the use of the money in the Account to support of the debt collection efforts of the State Controller. Sections 8, 9 and 22** of this bill revise certain rulemaking authority relating to the collection of debts. (NRS 353C.110, 353C.120)

~~[Existing law includes chapter 11 of NRS which contains most of the statutes that limit the amount of time following the accrual of a cause of action during which a civil action may be filed. These statutes are commonly referred to as statutes of limitation. Existing law also provides that the same statutes of limitation that apply to actions brought by private individuals also apply to actions brought on behalf of the State, other than actions for the recovery of real property. Section 21 of this bill reverses the provisions governing the statutes of limitation for causes of actions brought in the name of the State or for the benefit of the State to provide that none of the provisions of chapter 11 of NRS concerning statutes of limitation apply to actions brought by or on behalf of the State, other than actions for the recovery of real property. (NRS 11.255)]~~

Under existing law, an employer who fails to maintain mandatory industrial insurance coverage and mandatory coverage for occupational disease for an employee is liable to the Division of Industrial Relations of the Department of Business and Industry for any costs incurred by the Division to compensate the employee if he is injured or contracts an occupational disease that arises out of and in the course of his employment. (NRS 616C.220, 617.401) **Sections 21.3 and 21.7** of this bill create a presumption that in any suit brought against such an employer to recover those costs, the Division's payments were: (1) justified by the circumstances of the claim; (2) reasonable and necessary; and (3) made in accordance with applicable law. **Sections 21.3 and 21.7** also authorize the State Controller to bring suit in his own name to collect debts arising under those sections if the Division assigns the debts to him for collection.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 353C of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to ~~[7,]~~ **7.3,** inclusive, of this act.

Sec. 2. ***1. Except as otherwise provided in this section, an agency may refuse to conduct a transaction with, and the State Controller may refuse to draw his warrant in favor of, a person who owes a debt to an agency until the debt is paid or the debtor enters into an agreement, pursuant to NRS 353C.130, for the payment of the debt on an installment basis.***

(b) Authorize his agent to incur any reasonable costs, including, without limitation, attorney's fees, that are necessary to carry out his duties pursuant to the appointment.

2. The State Controller must, before he appoints an agent pursuant to this section, determine that making the appointment is likely to generate more net revenue for the State than other methods available to the State Controller to collect the debt.

Sec. 5. ***Notwithstanding any specific statute to the contrary, the State Controller may enter into an agreement with a debtor to accept the payment of a portion of the debt in full satisfaction of the debt, including any penalty and interest, if:***

1. The State Controller determines that accepting the agreed upon amount is likely to generate more net revenue for the State than continuing efforts to collect the full amount of the debt; and

2. The agency to which the debt is owed approves.

Sec. 6. ***If the period of limitation for the collection of a debt set forth in NRS 353C.140 has expired, the State Controller may, in lieu of requesting the State Board of Examiners to designate the debt as a bad debt pursuant to NRS 353C.220, sell the debt to any person.***

Sec. 7. ***1. If the State Controller collects any money owed to an agency from a debtor or receives any money from a private debt collector or other person to whom the State Controller has assigned the collection of a debt [,] owed to an agency, the State Controller shall, unless prohibited***

~~2.]~~ ; and

(c) Any interest on the debt collected by the State Controller under the terms of an agreement with the debtor, pursuant to NRS 353C.130, for the payment of the debt on an installment basis.

Sec. 7.3. 1. The Debt Recovery Account is hereby created in the State General Fund.

2. Money in the Account may only be used for support of the debt collection efforts of the State Controller pursuant to this chapter.

Whenever the combined amount owing to a debtor by all agencies is

insufficient to offset all the amounts due the agencies from the debtor, the State Controller shall allocate the amount available from the debtor among the agencies in such a manner as the State Controller determines is appropriate.

2. If a debtor who owes a debt to an agency has a claim against that agency or another agency and refuses or neglects to file his claim with the agency within a reasonable time, the ~~[head of the agency to which the debtor owes the debt]~~ ***State Controller*** may file the claim on behalf of the debtor. If the State Controller ~~[approves]~~ ***files*** the claim, it has the same force and effect as though filed by the debtor. The amount due the debtor from the agency is the net amount otherwise owing to the debtor after any offset as provided in this section.

3. The State Controller shall adopt such regulations as are necessary to carry out the provisions of this section, including, without limitation, the manner in which offsets will be allocated among agencies.

Sec. 17. NRS 353C.195 is hereby amended to read as follows:

5. Upon the request of an agency, the State Controller shall waive a requirement of this section:

(a) If the State Controller determines that the agency has the resources to engage in its own debt collection efforts; or

(b) For good cause shown.

6. If the State Controller waives the requirements of subsection 1 or 2 for an agency, the agency may exercise any right or remedy conferred on

the State Controller pursuant to the provisions of NRS 353C.130 to 353C.180, inclusive, and 353C.200 to 353C.230, inclusive, to collect a debt.

7. An agency that is authorized by specific statute to collect a debt on behalf of or in trust for a particular person or entity may assign the debt to the State Controller for collection pursuant to this section. If such an agency does not assign a debt to the State Controller pursuant to this section, the agency may, in addition to any right or remedy conferred on the agency by specific statute to collect a debt, exercise any right or remedy conferred on the State Controller pursuant to the provisions of NRS 353C.130 to 353C.180, inclusive, and 353C.200 to 353C.230, inclusive, to collect the debt.

(a) Determines the assignment is likely to generate more net revenue than equivalent efforts by the ~~[~~agency~~]~~ ***State Controller*** to collect the debt, including collection efforts pursuant to this chapter;

(b) Determines the assignment will not compromise future collections of state revenue; and

(c) Notifies the debtor in writing at his address of record that the debt will be turned over for private collection unless the ~~[~~debt is paid.~~]~~ ***debtor:***

(1) Pays the debt in full; or

(2) Enters into an agreement, pursuant to NRS 353C.130, for the payment of the debt on an installment basis.

353C.210 1. If the agency is holding a bond or other property of the debtor as security for debts owed or that may become due and owing by the debtor, the agency is not required to transmit the amount of the bond or other property unless the agency determines that holding the bond or other property of the debtor as security is no longer required.

4. (b) Notify the person that his duty to transmit the payments to the ~~[~~agency~~]~~ ***State Controller*** has ceased.

7. If the notice and demand to transmit is intended to prevent the transfer or other disposition of a deposit in a bank or other depository institution, or of any other credit or personal property in the possession or under the control of the bank or depository institution, the notice must be delivered or mailed to any branch or office of the bank or depository institution at which the deposit is carried or the credit or personal property is held.

8. If any person to whom ~~[~~an agency~~]~~ ***the State Controller*** delivers a notice and demand to transmit transfers or otherwise disposes of any property or debts required by this chapter to be transmitted to the ~~[~~agency,~~]~~ ***State Controller,*** the person is, to the extent of the value of the property or the amount of the debts so transferred or disposed of, liable to the ~~[~~agency~~]~~ ***State Controller*** for any portion of the debt that the ~~[~~agency~~]~~ ***State Controller*** is unable to collect from the debtor solely by reason of the transfer or other disposition of the property or debt.

Amendment No. 708.

AN ACT relating to special districts; authorizing the temporary creation of certain special districts to manage certain federal funds provided to the State; requiring that certain federal funds be distributed directly to certain special districts; requiring certain reporting in connection with such special districts; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Chapter 308 of NRS provides for the creation of various types of special districts for various purposes. This bill authorizes the creation of special districts to manage money that is: (1) paid to the State by the Federal Government; and (2) designated for the territory covered by the district. To qualify, the number of county commissioners serving on the governing board of the special district cannot constitute a majority and the special district must be authorized to act independently of the county when managing the district. This bill also requires that, if a special district has been created, federal money be paid directly to the district and not to the county or counties within which the district lies.

Under the provisions of this bill, the governing body of any special district created pursuant thereto must, on or before January 1, 2011, submit a one-time report to the Director of the Legislative Counsel Bureau for transmittal to the 76th Session of the Nevada Legislature.

The provisions of this bill expire by limitation on June 30, 2013.

If a special district has been formed pursuant to the provisions of section 1 of this act to manage money paid to the State of Nevada by the Secretary of the Treasury under the provisions of 16 U.S.C. § 500 from forest reserves established within the territory covered by the special district, any such money must be distributed directly to the special district.

Sec. 3. 1. On or before January 1, 2011, the governing body of any special district formed pursuant to the provisions of section 1 of this act shall

submit a report to the Director of the Legislative Counsel Bureau for transmittal to the 76th Session of the Nevada Legislature.

Assembly Bill No. 335.

The following Senate amendment was read:

Amendment No. 845.

SUMMARY—Makes various changes relating to **nuisances and** criminal gangs. (BDR ~~[15]~~ **3** -85)

AN ACT relating to criminal gangs; ~~[enhancing penalties and providing for the suspension of drivers' licenses for certain crimes committed to promote criminal gang activity;]~~ making various changes relating to

nuisances and criminal gangs; ~~[providing penalties;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Under existing law, a person who commits a felony to promote the activities of a criminal gang is subject to an additional penalty under certain circumstances. (NRS 193.168) Section 1 of this bill provides that if a person commits a crime normally punishable as a misdemeanor or gross misdemeanor to promote the activities of a criminal gang and if the person has previously been convicted of at least three similar violations, then: (1) the person may be found guilty of a category E felony; and (2) the driver's license of the person may be suspended for a certain period. Section 2 of this bill clarifies that if a person is subject to the increased penalty provided in section 1, the person is not subject to certain other additional penalties. (NRS 193.169)]~~

Existing law provides that certain places used for certain illegal activities constitute a private nuisance, which creates civil liability and allows any person whose property is affected to bring a civil action to abate the nuisance and recover damages. (NRS 40.140) **Section 3** of this bill provides that a building or place regularly and continuously used by the members of a criminal gang to engage in, or facilitate the commission of, crimes by the criminal gang constitutes such a private nuisance. Existing law also provides that certain places used for certain illegal activities constitute a public nuisance, and any person responsible for such a public nuisance who does not abate the public nuisance is guilty of a misdemeanor. (NRS 202.450, 202.470) **Section 5** of this bill provides that a building or place regularly and continuously used by the members of a criminal gang to engage in, or facilitate the commission of, crimes by the criminal gang constitutes such a public nuisance.

Sections 6 and 7 of this bill authorize the board of county commissioners of a county and the governing body of a city to adopt an ordinance authorizing the filing of a civil action, under certain circumstances, to: (1) enjoin the activities of a specific member of a criminal gang; and (2) recover money damages, attorney's fees and costs against a member of a criminal gang and the owner of a business or place that constitutes a nuisance because the building or place is regularly and continuously used by the members of a criminal gang to engage in, or facilitate the commission of, crimes by the criminal gang. **Sections 6 and 7** also provide that a member of a criminal gang who is subject to an injunction and who knowingly and intentionally commits a material violation of that injunction is guilty of a misdemeanor.

Assembly Bill No. 361.

The following Senate amendment was read:

Amendment No. 655.

AN ACT relating to common-interest communities; providing that, under certain circumstances, a unit-owners' association may, without liability for trespass, enter the grounds of a vacant unit or a unit in foreclosure to abate a public nuisance or maintain the exterior of the unit; providing that a unit-owners' association may request a copy of certain deeds of trust under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law assigns the responsibility for maintenance of a unit in a common-interest community to the owner of the unit, and maintenance of a common element in the community to the unit-owners' association. (NRS 116.3107) Existing law provides procedures for the executive board of

the association to fine a unit's owner who fails to maintain his residence according to the governing documents. (NRS 116.31031)

Section 1 of this bill provides that the association may, without liability for trespass, enter on the grounds of a unit that is vacant or that is in the foreclosure process, whether vacant or not, to maintain the exterior of the unit or abate a public nuisance on the exterior of the unit if, after notice and a hearing, the unit's owner refuses or fails to do so. **Section 1** also provides that **[**~~: (1)~~**]** any amount of the costs for such maintenance or abatement which are not paid by the unit's owner will be a lien against the unit**.** **[**~~; and (2)~~**]** **Further, this section provides that** the lien has priority over certain other liens, claims, encumbrances and titles, **[**~~depending on whether the unit is a single-family detached dwelling,~~**]** except certain liens recorded before the declaration for the association was recorded and certain liens of assessments and taxes. **Finally, this section provides that the period of priority of the lien shall be indefinite, unless regulations of the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association provide for a shorter period of priority for the lien, but even if such organization's regulations provide for a shorter period of priority for the lien, the period of priority shall not be less than 6 months.**

Section 2 of this bill specifically authorizes a unit-owners' association to charge a unit's owner for the maintenance and abatement services provided pursuant to **section 1** of the bill. (NRS 116.3102) **Section 3** of this bill further provides that a lien for such maintenance and abatement services has priority over a first security interest on the unit**.** **[**~~under certain circumstances if the unit is a single-family detached dwelling.~~**]** (NRS 116.3116)

Section 4 of this bill provides that a unit-owners' association may record in the office of the county recorder a request for a trustee or other authorized person to provide the association with a copy of the deed after the sale of a unit upon a deed of trust for any unit within the association. (NRS 107.090)

Assembly Bill No. 491.

The following Senate amendment was read:

Amendment No. 727.

AN ACT relating to civil actions; providing that a certain amount of money held in a bank that is likely to be exempt from execution is not subject to a writ of execution or garnishment; providing a procedure to execute on property held in a safe-deposit box; revising the procedure for claiming an exemption from execution on certain property; making various other changes to provisions governing writs of execution, attachment and garnishment; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law allows a judgment creditor to obtain a writ of execution, attachment or garnishment to levy on the property of a judgment debtor or defendant in certain circumstances. (Chapters 21 and 31 of NRS) Certain property, however, is exempt from execution and therefore cannot be the subject of such a writ. (NRS 21.090) **Section 2** of this bill provides that a certain amount of money held in the **personal** bank account of a judgment debtor which is likely to be exempt from execution is not subject to a writ of execution or garnishment and must remain accessible to the judgment debtor. **Section 2 further provides immunity from liability to a financial institution which makes an incorrect determination concerning whether money is subject to execution. Section 2.5 of this bill provides that notwithstanding the provisions of section 2, if a judgment debtor has personal accounts in more than one financial institution, the writ may attach to all money in those account. The judgment debtor the must claim any exemption that may apply.**

Section 3 of this bill provides that a separate writ must be issued to levy on a safe-deposit box and provides a procedure for executing on such a writ. **Section 5** of this bill revises the exemptions from execution so that the exemption for certain plans and accounts for deferred payments applies not only to the money that is held in the account, but also to the proceeds paid from those accounts. **Section 5** also ~~[adds a new exemption for proceeds from a private disability insurance plan.]~~ **lists additional exemptions which are provided by Nevada law.**

Section 6 of this bill revises the procedures for claiming an exemption from execution, and for objecting to such a claim of exemption. **Sections 4 and 7** of this bill revise the notice that is provided to a judgment debtor or defendant when a writ of execution, attachment or garnishment is levied on the property of the judgment debtor so that the procedures listed in the notice reflect the changes made in **section 6**. **Sections 4 and 7** further revise the notice to provide additional information concerning the claiming of exemptions. **Sections 1.5 and 6.5 of this bill clarify that a constable has authority to perform any of the duties assigned to a sheriff and has all of the authority granted to a sheriff with respect to a writ of execution, garnishment or attachment.**

~~[Section 9 of this bill prohibits a judgment creditor from submitting more than two applications for a writ of garnishment with respect to the same~~

~~judgment for the same type of property if the property is held in a financial institution.]~~

Section 11 of this bill revises the interrogatories that are used with a writ of execution, attachment or garnishment to clarify the manner of determining the earnings which must be identified as subject to execution and to provide specific questions for a bank to conform to the new provisions in **section 2** of this bill. **Section 12** of this bill requires the judgment creditor who caused a writ of attachment to issue to prepare an accounting and provide a report to the judgment debtor, the sheriff and each garnishee every 120 days providing information about the debt and the rights of the debtor. The accounting must also be submitted with each subsequent application for a writ filed by the judgment creditor concerning the same judgment. **Section 14** of this bill provides that the fee for receiving and taking property on execution, attachment or court order collected by a constable is not payable in advance. **Section 15** of this bill provides that certain benefits are exempt from execution regardless of whether they are mingled with other money. **Section 16** of this bill repeals NRS 21.114 concerning the submission of sureties to the jurisdiction of the court because the requirement for an undertaking requiring a surety is removed in **section 6** of this bill.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 21 of NRS is hereby amended by adding thereto the provisions set forth as sections **1.5** ~~[2 and]~~ **to** 3**, inclusive,** of this act.

Sec. 1.5. ***A constable may perform any of the duties of a sheriff and has all of the authority granted to a sheriff pursuant to this chapter with respect to a writ of execution or garnishment.***

Sec. 2. ***1. 2. If a writ of execution or garnishment is levied on the personal bank account of the judgment debtor and the provisions of subsection 1 do not apply, $1,000 or the entire amount in the account, whichever is less, is not subject to execution and must remain accessible to the judgment debtor.

3. If a judgment debtor has more than one personal bank account with the bank to which a writ is issued, the amount that is not subject to execution must not in the aggregate exceed the amount specified in subsection 1 or 2, as applicable.

4. A judgment debtor may apply to a court to claim an exemption for any amount subject to a writ levied on a personal bank account which exceeds the amount that is not subject to execution pursuant to subsection 1 or 2.

5. If money in ~~*[an]*~~ *the personal account of the judgment debtor which exceeds the amount that is not subject to execution pursuant to subsection 1 or 2 includes exempt and nonexempt money,* ~~*[to]*~~ *the judgment debtor*

If a court determines that a financial institution failed to identify that money in an account was not subject to execution pursuant to this section, the financial institution must adjust its actions with respect to a writ of execution as soon as possible but may not be held liable for damages.

7. Nothing in this section requires a financial institution to revise its determination about whether money is exempt, except by an order of a court.

Sec. 2.5. 1. Notwithstanding the provisions of section 2 of this act, if a judgment debtor has a personal bank account in more than one financial institution, the judgment creditor is entitled to an order from the court to be issued with the writ of execution or garnishment which states that all money held in all such accounts of the judgment debtor that are identified in the application for the order are subject to the writ.

2. A judgment creditor may apply to the court for an order pursuant to subsection 1 by submitting a signed affidavit which identifies each financial institution in which the judgment debtor has a personal account.

3. A judgment debtor may claim an exemption for any exempt money in the account to which the writ attaches in the manner set forth in NRS 21.112.

Sec. 3. ***1. If a writ of execution or garnishment is levied on property in a safe-deposit box maintained at a financial institution, a separate writ must be issued from any writ that is issued to levy on an account of the***

judgment debtor with the financial institution. Notice of the writ must be served personally on the financial institution and promptly thereafter on any third person who is named on the safe-deposit box.

2. During the period in which the writ of execution or garnishment is in effect, the financial institution must not allow the contents of the safe-deposit box to be removed other than as directed by the sheriff or by court order.

3. The sheriff may allow the person in whose name the safe-deposit box is held to open the safe-deposit box so that the contents may be removed pursuant to the levy. The financial institution may refuse to allow the forcible opening of the safe-deposit box to allow the removal of the property levied upon unless the judgment creditor pays in advance the cost of forcibly opening the safe-deposit box and of repairing any damage caused thereby.

Sec. 4. NRS 21.075 is hereby amended to read as follows:

21.075 1. Execution on the writ of execution by levying on the property of the judgment debtor may occur only if the sheriff serves the judgment debtor with a notice of the writ of execution pursuant to NRS 21.076 and a copy of the writ. Liability on such undertaking may be enforced on motion to the court without the necessity of an independent action. The motion and such reasonable notice of the motion as the court prescribes may be served on the clerk of the court, who shall forthwith mail copies to the sureties if their addresses are known.

2. Exceptions to the sufficiency of the sureties and their justification may be had and taken in the same manner as upon an undertaking given in other cases under titles 2 and 3 of NRS. If they, or others in their place, fail to justify at the time and place appointed, the sheriff must release the property; but if no exception is taken within 5 days after notice of receipt of the undertaking, the judgment debtor shall be deemed to have waived any and all objections to the sufficiency of the sureties.

(a) Where there is a continuing course of conduct, the conduct will be deemed to have been committed at the termination of the course of conduct;

(b) Where there is a pattern of recurring judicial misconduct and at least one act occurs within the 3-year or 1-year period, as applicable, the

Commission may consider all prior acts or omissions related to that pattern; and

(c) Any period in which the judge has concealed or conspired to conceal evidence of misconduct is not included in the computation of the time limit for the filing of a complaint pursuant to this section.

Sec. 22. NRS 1.4657 is hereby amended to read as follows:

1.4657 1. The Commission shall, in accordance with its procedural rules, examine each complaint that it receives ~~[pursuant to NRS 1.4655]~~ to determine whether the complaint ~~[contains allegations which, if true, would establish grounds for discipline pursuant to NRS 1.4653.]~~ ***alleges objectively verifiable evidence from which a reasonable inference could be drawn that a judge committed misconduct or is incapacitated.***

3. If the Commission determines that a complaint does contain such allegations, the Commission shall authorize further investigation ***.*** ~~[to be conducted in accordance with NRS 1.4663.]~~

Sec. 23. NRS 1.466 is hereby amended to read as follows:

1.466 1. 2. If a witness refuses to attend, testify or produce materials as required by the subpoena, the Commission may, in accordance with its procedural rules, hold the witness in contempt and impose a reasonable penalty to enforce the subpoena.

3. If a witness continues to refuse to attend, testify or produce materials as required by the subpoena, the Commission may report to the district court by petition, setting forth that:

(a) Due notice has been given of the time and place of attendance or testimony of the witness or the production of materials;

(b) The witness has been subpoenaed by the Commission pursuant to this section; and

(c) The witness has failed or refused to attend, testify or produce materials as required by the subpoena before the Commission, or has refused to answer questions propounded to him,

4. Upon receipt of such a petition, the court shall enter an order directing the witness to appear before the court at a time and place to be fixed by the court in its order, the time to be not more than 10 days after the date of the order, and then and there show cause why he has not attended, testified or produced materials before the Commission. A certified copy of the order must be served upon the witness.

5. If it appears to the court that the subpoena was regularly issued by the Commission, the court shall enter an order that the witness appear before the Commission at a time and place fixed in the order and testify or produce materials, and that upon failure to obey the order the witness must be dealt with as for contempt of court.

Sec. 24. NRS 1.4663 is hereby amended to read as follows:

1.4663 1. If the Commission determines pursuant to NRS 1.4657 that a complaint ~~[contains allegations which, if true, would establish grounds for discipline pursuant to NRS 1.4653,]~~ ***alleges objectively verifiable evidence from which a reasonable inference could be drawn that a judge committed misconduct or is incapacitated,*** the Commission shall assign or appoint an investigator to conduct an investigation to determine whether the allegations have merit. ***The Commission may designate special counsel at any time after a complaint is filed with the Commission pursuant to NRS 1.4655.***

2. Such an investigation must be conducted in accordance with procedural rules adopted by the Commission and may extend to any matter that is, in the determination of the Commission, reasonably related to an allegation of misconduct or incapacity contained in the complaint.

3. An investigator assigned or appointed by the Commission to conduct an investigation pursuant to this section may, for the purpose of investigation, compel by subpoena on behalf of the Commission the attendance of witnesses and the production of necessary materials as set forth in NRS 1.466.

4. At the conclusion of the investigation, the investigator shall prepare a written report of the investigation for review by the Commission.

Sec. 25. NRS 1.4665 is hereby amended to read as follows:

1.4665 1. ~~[If a]~~ ***Except as otherwise provided in this section or in the procedural rules adopted by the Commission, the Commission shall use the same procedures with respect to allegations of incapacity as it uses with respect to allegations of misconduct.***

2. The Commission shall attempt to resolve the following matters informally:

(b) A matter in which the preliminary investigation reveals that a judge may have a physical or mental disability; and

(c) A matter in which the judge raises a mental or physical disability as an issue before the filing of the formal statement of charges.

3. An informal resolution by the Commission pursuant to subsection 2 includes, without limitation:

(a) Voluntary retirement by the judge; and

(b) If the disability can be adequately addressed through treatment, a deferred discipline agreement pursuant to NRS 1.468.

4. In attempting to resolve ~~[the]~~ ***a*** matter informally, the Commission may request that the ~~[justice or]~~ judge named in the complaint submit to medical, psychiatric or psychological testing by a physician licensed to practice medicine in this State who is selected by the Commission.

(b) Unless the ~~[justice or]~~ judge has retained counsel at his own expense, appoint an attorney to represent the ~~[justice or]~~ judge at public expense.

6. The Commission shall require the judge to produce his relevant medical records and to submit to medical, psychiatric or psychological testing by a physician licensed to practice medicine in this State who is selected by the judge. If the judge refuses to produce medical records or submit to an examination, the Commission shall preclude the judge from presenting the medical records or evidence of

the results of medical examinations conducted on behalf of the judge and may consider the refusal as evidence that the judge has an incapacity that seriously interferes with the performance of judicial duties of the judge and is likely to become permanent, or as evidence contradicting the claim of a disability by the judge as an affirmative defense or mitigating factor.

7. If a judge raises a mental illness or other disability as a defense or mitigating factor in a proceeding alleging misconduct, the judge has the burden of proving by a preponderance of the evidence that:

(a) He has a serious mental illness or other disability;

(b) The mental illness or other disability caused the misconduct;

(c) He has undergone or is undergoing treatment for the mental illness or other disability;

(d) The treatment has abated the cause of the misconduct; and

(e) The misconduct is not likely to recur.

(b) The misconduct of the judge resulted or will likely result in substantial prejudice to a litigant or other person;

(c) The misconduct of the judge is part of a pattern of similar misconduct; or

3. The Commission may enter into an agreement with a ~~[justice or]~~ judge to defer formal disciplinary proceedings only in response to misconduct that is minor in nature.

4. A deferred discipline agreement entered into pursuant to this section must be in writing and must specify the conduct that resulted in the agreement. A judge who enters into such an agreement must agree:

MOTIONS, RESOLUTIONS AND NOTICES

NOTICE OF EXEMPTION

The Fiscal Analysis Division, pursuant to Joint Standing Rule 14.6, has determined the eligibility for exemption of: Senate Bill No. 47.

MARK STEVENS
Fiscal Analysis Division

UNFINISHED BUSINESS

CONSIDERATION OF SENATE AMENDMENTS

Assembly Bill No. 458.

The following Senate amendment was read:

Amendment No. 883.

AN ACT relating to public financial administration; creating the K-12 Public Education Stabilization Account; reallocating money reverted from the State Distributive School Account; revising the provisions governing certain tax abatements and credits available for economic development; reallocating a portion of the property taxes levied on property in a redevelopment area; revising the provisions requiring certain redevelopment agencies to set aside revenue for low-income housing; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 3 of this bill creates the K-12 Public Education Stabilization Account within the Fund to Stabilize the Operation of the State Government and requires the State Controller to deposit any money reverted from the State Distributive School Account at the close of each odd-numbered fiscal year into that Account and into the Account for Programs for Innovation and the Prevention of Remediation. (Chapter 353 of NRS) **Section 5** of this bill authorizes the Superintendent of Public Instruction to request from the Legislature, if the Legislature is in session, an allocation from the K-12 Public Education Stabilization Account if a shortfall exists in the State Distributive School Account. If the Legislature is not in session, **section 6** of this bill authorizes the Superintendent to submit such a request to the Interim Finance Committee. **Section 4 of this bill provides that all available allocations must be made from the K-12 Public Education Stabilization Account to cover a shortfall in the State Distributive School Account before any allocation to cover the shortfall is made from the Fund to**

Stabilize the Operation of the State Government. Existing law authorizes the Chief of the Budget Division of the Department of Administration, with the approval of the Governor, to set aside reserves to meet emergencies arising during a fiscal year. (NRS 353.225) **Section 7** of this bill limits the amount that may be set aside as proposed reserves for the State Distributive School Account and certain other funds and accounts for education to the average that is reserved for all other departments, institutions and agencies. **Section 7** also requires the Chief to submit a request to the Legislature or, if the Legislature is not in session, to the Interim Finance Committee, to determine whether an allocation should be made from the K-12 Public Education Stabilization Account in lieu of setting aside a reserve in the State Distributive School Account and certain other funds and accounts for education.

Existing law authorizes the Commission on Economic Development to grant to certain businesses partial abatements of property taxes, business taxes and local sales and use taxes. (NRS 274.310, 274.320, 274.330, 360.750, 361.0687, 363B.120, 374.357, 701A.210) **Sections 8-10, 13, 16-18, 26, 28, 29 and 31-33** of this bill exclude local school support taxes from such a partial abatement of local sales and use taxes. **Sections 16-18 and 29** also limit the duration and amount of such a partial abatement of property taxes. **Section 27** of this bill requires the Commission to adopt regulations for determining the duration and amount of those partial abatements, to establish sanctions for the failure of a business to comply with the eligibility requirements for those partial abatements and to require the annual submission of information to determine compliance with those eligibility requirements, and authorizes the Department of Taxation to impose those sanctions.

Existing law authorizes certain businesses located within a zone for economic development to obtain, pursuant to an agreement with the governing body of the municipality designating the zone for economic development, a credit against or refund of local sales and use taxes. (NRS 274.270, 374.643) **Sections 9-15 and 33** of this bill exclude local school support taxes from such a credit or refund.

Existing law authorizes the reallocation to a redevelopment agency of certain property taxes levied in a redevelopment area. (NRS 279.676) **Sections 19-23 and 36** of this bill require the deposit of a portion of the amount of those taxes that would otherwise be reallocated to a redevelopment agency for the next 2 fiscal years into the State Distributive School Account and for succeeding fiscal years into the K-12 Public Education Stabilization Account.

Under existing law, a redevelopment agency of a city whose population is 300,000 or more, as determined by the last decennial census (currently Las Vegas only), is required to set aside for low-income housing at least 18 percent of its tax revenue from a redevelopment area. (NRS 0.050, 279.685) **Section 24** of this bill reduces the minimum amount of that set-aside to 15

percent, and requires an agency of a city that attains a population of 300,000 or more in the future, as determined from the populations of cities as certified annually by the Governor, to set aside for low-income housing at least 3 percent of its tax revenue from a redevelopment area for the first fiscal year and to increase that minimum percentage each fiscal year until it reaches a minimum amount of 15 percent.

Sec. 20. NRS 279.636 is hereby amended to read as follows:

279.636 1. An agency may issue such types of bonds as it may determine, including bonds on which the principal and interest are payable:

(c) In whole or in part from taxes allocated to, and paid into a special fund of, the agency pursuant to the provisions of NRS 279.674 to 279.685, inclusive ~~[.]~~ ***, and section 19 of this act.***

(d) From its revenues generally.

(e) From any contributions or other financial assistance from the State or Federal Government.

(f) By any combination of these methods.

2. Any of the bonds may be additionally secured by a pledge of any revenue or by an encumbrance by mortgage, deed of trust or otherwise of any redevelopment project or other property of the agency or by a pledge of the taxes referred to in subsection 1.

3. Amounts payable in any manner permitted by this section may be additionally secured by a pledge of the full faith and credit of the community whose legislative body has declared the need for the agency to function. Such additional security may only be provided upon the approval of the majority of the voters voting on the question at a primary or general election or a special election called for that purpose. In its proposal to its voters the governing body shall define the area to be redeveloped, the primary source or sources of revenue first to be employed to retire the bonds and the maximum sum for which the city may pledge its full faith and credit in connection with the bonds to be issued for the project.

Sec. 21. NRS 279.674 is hereby amended to read as follows:

279.674 As used in NRS 279.674 to 279.685, inclusive, ***and section 19 of this act,*** the word "taxes" ~~[shall include, but]~~ ***includes,*** without limitation, all levies on an ad valorem basis upon land or real property.

Sec. 22. NRS 279.676 is hereby amended to read as follows:

279.676 1. Any redevelopment plan may contain a provision that taxes, if any, levied upon taxable property in the redevelopment area each year by or for the benefit of the State, any city, county, district or other public corporation, after the effective date of the ordinance approving the redevelopment plan, must be divided as follows:

(a) That portion of the taxes which would be produced by the rate upon which the tax is levied each year by or for each of the taxing agencies upon the total sum of the assessed value of the taxable property in the redevelopment area as shown upon the assessment roll used in connection with the taxation of the property by the taxing agency, last equalized before the effective date of the ordinance, must be allocated to and when collected must be paid into the funds of the respective taxing agencies as taxes by or for such taxing agencies on all other property are paid. To allocate taxes levied by or for any taxing agency or agencies which did not include the territory in a redevelopment area on the effective date of the ordinance but to which the territory has been annexed or otherwise included after the effective date, the assessment roll of the county last equalized on the effective date of the ordinance must be used in determining the assessed valuation of the taxable property in the redevelopment area on the effective date. If property which was shown on the assessment roll used to determine the amount of taxes allocated to the taxing agencies is transferred to the State and becomes exempt from taxation, the assessed valuation of the exempt property as shown on the assessment roll last equalized before the date on which the property was transferred to the State must be subtracted from the assessed valuation used to determine the amount of revenue allocated to the taxing agencies.

(b) Except as otherwise provided in ~~[paragraphs (c) and (d)]~~ ***this section, section 19 of this act*** and NRS 540A.265, that portion of the levied taxes each year in excess of the amount set forth in paragraph (a) must be allocated to and when collected must be paid into a special fund of the redevelopment agency to pay the costs of redevelopment and to pay the principal of and interest on loans, money advanced to, or indebtedness, whether funded, refunded, assumed, or otherwise, incurred by the redevelopment agency to finance or refinance, in whole or in part, redevelopment. Unless the total assessed valuation of the taxable property in a redevelopment area exceeds the total assessed value of the taxable property in the redevelopment area as shown by the assessment roll last equalized before the effective date of the ordinance approving the redevelopment plan, less the assessed valuation of any exempt property subtracted pursuant to paragraph (a), all of the taxes levied and collected upon the taxable property in the redevelopment area must be paid into the funds of the respective taxing agencies. When the redevelopment plan is terminated pursuant to the provisions of NRS 279.438 and 279.439 and all loans, advances and indebtedness, if any, and interest thereon, have been paid, all money thereafter received from taxes upon the

taxable property in the redevelopment area must be paid into the funds of the respective taxing agencies as taxes on all other property are paid.

(c) That portion of the taxes in excess of the amount set forth in paragraph (a) that is attributable to a tax rate levied by a taxing agency to produce revenues in an amount sufficient to make annual repayments of the principal of, and the interest on, any bonded indebtedness that was approved by the voters of the taxing agency on or after November 5, 1996, must be allocated to and when collected must be paid into the debt service fund of that taxing agency.

(d) That portion of the taxes in excess of the amount set forth in paragraph (a) that is attributable to a new or increased tax rate levied by a taxing agency and was approved by the voters of the taxing agency on or after November 5, 1996, must be allocated to and when collected must be paid into the appropriate fund of the taxing agency.

2. Except as otherwise provided in subsection 3, in any fiscal year, the total revenue paid to a redevelopment agency must not exceed:

(a) In a municipality whose population is 100,000 or more, an amount equal to the combined tax rates of the taxing agencies for that fiscal year multiplied by 10 percent of the total assessed valuation of the municipality.

(b) In a municipality whose population is 25,000 or more but less than 100,000, an amount equal to the combined tax rates of the taxing agencies for that fiscal year multiplied by 15 percent of the total assessed valuation of the municipality.

(c) In a municipality whose population is less than 25,000, an amount equal to the combined tax rates of the taxing agencies for that fiscal year multiplied by 20 percent of the total assessed valuation of the municipality.

➥ If the revenue paid to a redevelopment agency must be limited pursuant to paragraph (a), (b) or (c) and the redevelopment agency has more than one redevelopment area, the redevelopment agency shall determine the allocation to each area. Any revenue which would be allocated to a redevelopment agency but for the provisions of this section must be paid into the funds of the respective taxing agencies.

3. The taxing agencies shall continue to pay to a redevelopment agency any amount which was being paid before July 1, 1987, and in anticipation of which the agency became obligated before July 1, 1987, to repay any bond, loan, money advanced or any other indebtedness, whether funded, refunded, assumed or otherwise incurred.

4. For the purposes of this section, the assessment roll last equalized before the effective date of the ordinance approving the redevelopment plan is the assessment roll in existence on March 15 immediately preceding the effective date of the ordinance.

Sec. 23. NRS 279.680 is hereby amended to read as follows:

279.680 Except as otherwise provided in NRS 279.685, in any redevelopment plan, or in the proceedings for the advance of money, or the making of loans, or the incurring of any indebtedness, whether funded,

refunded, assumed or otherwise, by the redevelopment agency to finance or refinance, in whole or in part, the redevelopment project, the portion of taxes mentioned in paragraph (b) of subsection 1 of NRS 279.676 ***which is paid into a special fund of the redevelopment agency*** may be irrevocably pledged for the payment of the principal of and interest on those loans, advances or indebtedness.

Sec. 24. NRS 279.685 is hereby amended to read as follows:

279.685 1. Except as otherwise provided in this section, an agency of a city whose population ***for a fiscal year*** is 300,000 or more that receives revenue from taxes pursuant to paragraph (b) of subsection 1 of NRS 279.676 shall set aside not less than 15 percent of that revenue received on or ~~[before October 1, 1999, and 18 percent of that revenue received after October 1, 1999,]~~ ***after July 1, 2009,*** to increase, improve and preserve the number of dwelling units in the community for low-income households.

~~[2.]~~ The obligation of an agency ***pursuant to this subsection*** to set aside ~~[not less than 15 percent of the]~~ ***any*** revenue from taxes allocated to and received by the agency pursuant to paragraph (b) of subsection 1 of NRS 279.676 is subordinate to any existing obligations of the agency. For the purposes of this subsection, obligations incurred by an agency after July 1, 1993, shall be deemed existing obligations if the net proceeds are used to refinance existing obligations of the agency.~~

~~3. The obligation of an agency to set aside an additional 3 percent of the revenue from taxes allocated to and received by the agency pursuant to paragraph (b) of subsection 1 of NRS 279.676 is subordinate to any existing obligations of the agency. For the purposes of this subsection, obligations incurred by an agency after October 1, 1999, shall be deemed existing obligations if the net proceeds are used to refinance existing obligations of the agency.

~~[4.]~~ ***2. Subsection 1 does not apply to an agency of a city whose population for a fiscal year is 300,000 or more if the first fiscal year for which that population is 300,000 or more begins on or after July 1, 2009. Except as otherwise provided in this subsection, an agency of a city whose population for a fiscal year is 300,000 or more to which subsection 1 does not apply shall, if the agency receives revenue from taxes pursuant to paragraph (b) of subsection 1 of NRS 279.676, set aside not less than:***

(a) Three percent of that revenue for the first fiscal year for which the population of that city is 300,000 or more;

(b) Four percent of that revenue for the second fiscal year for which the population of that city is 300,000 or more;

The obligation of an agency pursuant to this subsection to set aside any revenue from taxes allocated to and received by the agency pursuant to paragraph (b) of subsection 1 of NRS 279.676 is subordinate to any existing obligations of the agency. As used in this subsection, "existing obligations" means the principal and interest, when due, on any bonds, notes or other indebtedness whether funded, refunded, assumed or otherwise incurred by the agency before July 1, 2009, to finance or refinance, in whole or in part, the redevelopment of a redevelopment area. For the purposes of this subsection, obligations incurred by an agency on or after July 1, 2009, shall be deemed existing obligations if the net proceeds are used to refinance existing obligations of the agency.

3. The agency may expend or otherwise commit money for the purposes of subsection 1 ***or 2, as applicable,*** outside the boundaries of the redevelopment area.

4. For the purposes of this section, the population of a city for a fiscal year is the population of that city as certified for that fiscal year by the Governor pursuant to NRS 360.285. Sec. 32. Section 2.320 of the Charter of the City of Henderson, being chapter 266, Statutes of Nevada 1971, as last amended by chapter 48, Statutes of Nevada 1997, at page 89, is hereby amended to read as follows:

Sec. 2.320 Sale, lease, exchange of real property owned by the City: Procedure; disposition of proceeds.

1. Subject to the provisions of this section, the City may sell, lease or exchange real property in Clark County, Nevada, acquired by the City pursuant to federal law from the United States of America.

2. Except as otherwise provided in subsection 3:

(a) The City may sell, lease or exchange real property only by resolution. Following the adoption of a resolution to sell, lease or exchange, the City Council shall cause a notice of its intention to sell, lease or exchange the real property to be published once in a newspaper qualified pursuant to the provisions of chapter 238 of NRS and published in the City. The notice must be published at least 30 days before the date set by the City Council for the sale, lease or exchange, and must state:

(1) The date, time and place of the proposed sale, lease or exchange.

(2) The place where and the time within which applications and deposits may be made by prospective purchasers or lessees.

(3) Such other information as the City Council desires.

(b) Applications or offers to purchase, lease or exchange pursuant to the notice required in paragraph (a) must be in writing, must not be accepted by the City Council for consideration before the date of publication of the notice

and must be accompanied by a deposit of not less than 1 percent of the total offer to purchase. If a lease, sale or exchange is not consummated because:

(1) The City refuses or is unable to consummate the lease, sale or exchange, the deposit must be refunded.

(2) The person who made the application or offer to lease, buy or exchange refuses or is unable to consummate the lease, sale or exchange, the City shall retain an amount of the deposit that does not exceed 5 percent of the total offer to purchase.

3. The City Council may waive the requirements of subsection 2 for any lease of residential property that is for a term of 1 year or less.

4. The City Council shall not make a lease for a term of 3 years or longer or enter into a contract for the sale or exchange of real property until after the property has been appraised by one disinterested appraiser employed by the City Council. Except as otherwise provided in subsections 7 and 8, it must be the policy of the City Council to require that all such sales, leases or exchanges be made at or above the current appraised value as determined by the appraiser unless the City Council, in a public hearing held before the adoption of the resolution to sell, lease or exchange the property, determines by affirmative vote of not fewer than two-thirds of the entire City Council based upon specified findings of fact that a lesser value would be in the best interest of the public. For the purposes of this subsection, an appraisal is not considered current if it is more than 3 years old.

5. It must be the policy of the City Council to sell, lease and exchange real property in a manner that will result in the maximum benefit accruing to the City from the sales, leases and exchanges. The City Council may attach any condition to the sale, lease or exchange as appears to the City Council to be in the best interests of the City.

6. The City Council may sell unimproved real property owned by the City on a time payment basis. The down payment must be in an amount determined by the City Council, and the interest rate must be in an amount determined by the City Council, but must not be less than 6 percent per annum on the declining balance.

7. Notwithstanding the provisions of subsection 4, the City Council may dispose of any real property belonging to the City to the United States of America, the State of Nevada, Clark County, any other political subdivision of the State, or any quasi-public or nonprofit entity for a nominal consideration whenever the public interest requires such a disposition. In any such case, the consideration paid must equal the cost of the acquisition to the City.

8. The City Council may sell, lease or exchange real property for less than its appraised value to any person who maintains or intends to maintain a business within the boundaries of the City which is eligible ***for an abatement from local sales and use taxes*** pursuant to ~~[NRS 374.357 for an abatement from the sales and use taxes imposed pursuant to chapter 374 of NRS.]~~ ***section 26 of this act.***

9. Proceeds from all sales and exchanges of real property owned by the City, after deduction of the cost of the real property, reasonable costs of publication, title insurance, escrow and normal costs of sale, must be placed in the Land Fund previously created by the City in the City Treasury and hereby continued. Except as otherwise provided in subsection 10, money in the Land Fund may be expended only for:

(a) Acquisition of assets of a long-term character which are intended to continue to be held or used, such as land, buildings, machinery, furniture, computer software and other equipment.

(b) Capital improvements of improvements thereon.

(c) Expenses incurred in the preparation of a long-term comprehensive master planning study and any expenses incurred in the master planning of the City.

(d) All costs, including salaries, for administration of the Land Fund, and the land within the City.

(e) Expenses incurred in making major improvements and repairs to the water, sewer and street systems as differentiated from normal maintenance costs.

➥ Money received from leases of real property owned by the City must be placed in the Land Fund if the term of lease is 20 years or longer, whether the 20 years is for an initial term of lease or for an initial term and an option for renewal. Money received by the City from all other leases and interest on time payment sales of real property owned by the City must be apportioned in the ratio of 20 percent to current operational expenses of the City, 20 percent to the Land Fund, and 60 percent divided between the Land Fund and current operational expenses as determined by the Council.

10. If available, money in the Land Fund may be borrowed by the City pursuant to the provisions of NRS 354.430 to 354.460, inclusive.

Sec. 33. NRS 374.357 and 374.643 are hereby repealed.

Sec. 34. The provisions of sections 8, 9, 10, 13, 16, 17, 18 and 25 to 33, inclusive, of this act do not apply to or affect the terms of any abatement of taxes approved by the Commission on Economic Development before July 1, 2009.

Amendment No. 803.

AN ACT relating to education; authorizing the board of trustees of a school district to request a waiver from the required minimum expenditure for textbooks, instructional supplies and instructional hardware during an economic hardship; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Department of Education to develop a formula for determining the minimum amount of money that each school district is required to expend each fiscal year for textbooks, instructional supplies and instructional hardware. (NRS 387.206) **Section 1** of this bill authorizes a school district to request a waiver from all or a portion of the minimum expenditure requirements when a school district experiences an economic hardship. A request for a waiver must be reviewed by the Department of Education and the State Board of Examiners. The Interim Finance Committee makes the final determination regarding whether to grant a waiver. A school district that is granted a waiver is prohibited from using the money for collective bargaining with its licensed employees or for an adjustment of salaries and benefits of district employees.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 387 of NRS is hereby amended by adding thereto a new section to read as follows:

1. The board of trustees of a school district that experiences an economic hardship may submit a written request to the Department on a form prescribed by the Department for a waiver of all or a portion of the amount of money the school district is required to expend for textbooks, instructional supplies and instructional hardware pursuant to NRS 387.206 for the fiscal year.

2. Upon receipt of a written request pursuant to subsection 1, the Department shall consider the request and determine whether an economic hardship exists for the school district. The Department may request additional information from the school district in making the determination. If the Department determines that an economic hardship exists for the school district, the Department shall forward the request to the Interim Finance Committee and the State Board of Examiners, including the basis for its determination and any recommendations of the Department for the amount of a waiver.

3. Upon receipt of a written request from the Department pursuant to subsection 2, the State Board of Examiners shall consider the request and determine whether an economic hardship exists for the school district. If the State Board of Examiners determines that an economic hardship exists, it shall determine whether the hardship justifies a waiver of all or a portion of the expenditure requirements established for that school district for the fiscal year pursuant to NRS 387.206. The State Board of Examiners may request additional information from the school district in making the determination. If the State Board of Examiners determines that an economic hardship exists for the school district and that a waiver from all or a portion of the expenditure requirements is justified, the State Board of Examiners shall forward the request to the Interim Finance Committee, including the basis for its determination and its recommendation for the amount of the waiver. The Interim Finance Committee is not bound to follow the recommendations of the State Board of Examiners.

4. Upon receipt of a written request from the State Board of Examiners pursuant to subsection 3, the Interim Finance Committee shall consider the request and determine whether an economic hardship exists for the school district. If the Interim Finance Committee determines that an economic hardship exists, it shall determine whether the hardship justifies a waiver of all or a portion of the expenditure requirements established for that school district for the fiscal year pursuant to NRS 387.206. The Interim Finance Committee may request additional information from the school district in making the determination. If the Interim Finance Committee grants a waiver, the Committee shall by resolution set forth the:

(a) Grounds for its determination;

(b) Amount of the waiver; and

(c) Period for which the waiver is effective.

5. The board of trustees of a school district that is granted a waiver by the Interim Finance Committee pursuant to this section shall, upon expiration of the period for which the waiver is granted, provide a written accounting to the Interim Finance Committee and the Department that includes a:

(a) Reconciliation of the revenue and expenditures with the projections of revenue and expenditures that were used to determine whether an economic hardship existed for the school district; and

(b) Description of how the money from the waiver was used.

6. If the Interim Finance Committee grants a waiver pursuant to this section and subsequently the economic hardship to the school district is mitigated because the actual revenue attributable to the school district exceeds projections or the actual expenses incurred by the school district are less than anticipated:

(a) The amount of the waiver must be reduced accordingly by the school district; and

(b) The amount of money the school district is required to expend for textbooks, instructional supplies and instructional hardware in the next fiscal year, as determined pursuant to subsection 1 of NRS 387.206, must be adjusted accordingly.

7. ~~[A]~~ If a school district ~~[that]~~ is granted a waiver pursuant to this section , ~~[shall not use]~~ the money that would have otherwise been expended by the school district to meet the requirements of NRS 387.206 for the fiscal year : ~~[to:]~~

(a) ~~[Settle]~~ May not be considered as financial ability to pay for the purposes of negotiation or arbitration regarding salaries and benefits.

(b) Must not be used to settle or arbitrate disputes or negotiate settlements between an organization that represents licensed employees of the school district and the school district.

~~[(b) Adjust]~~

(c) Must not be used to adjust the schedules of salaries and benefits of the employees of the school district.

8. For purposes of this section, an economic hardship exists for a school district if:

(a) Projections of revenue do not meet or exceed the revenue anticipated at the time the basic support guarantees are established for the fiscal year pursuant to NRS 387.122; or

(b) The school district incurs unforeseen expenses, including, without limitation, expenses related to a natural disaster.

Sec. 2. NRS 387.206 is hereby amended to read as follows:

387.206 1. On or before July 1 of each year, the Department, in consultation with the Budget Division of the Department of Administration and the Fiscal Analysis Division of the Legislative Counsel Bureau, shall develop or revise, as applicable, a formula for determining the minimum amount of money that each school district is required to expend each fiscal year for textbooks, instructional supplies and instructional hardware. The formula must be used only to develop expenditure requirements and must not be used to alter the distribution of money for basic support to school districts.

2. Upon approval of the formula pursuant to subsection 1, the Department shall provide written notice to each school district within the first 30 days of each fiscal year that sets forth the required minimum combined amount of money that the school district must expend for textbooks, instructional supplies and instructional hardware for that fiscal year. ***If a school district is granted a waiver pursuant to section 1 of this act, the Department shall provide written notice to the school district within 30 days after the Interim Finance Committee grants the waiver setting forth the revised amount of money that the school district must expend for textbooks, instructional supplies and instructional hardware for the fiscal year.***

3. On or before January 1 of each year, the Department shall determine whether each school district has expended, during the immediately preceding fiscal year, the required minimum amount of money set forth in the notice ***or***

the revised notice, as applicable, provided pursuant to subsection 2. In making this determination, the Department shall use the report submitted by the school district pursuant to NRS 387.303.

4. Except as otherwise provided in subsection 5, if the Department determines that a school district has not expended the required minimum amount of money set forth in the notice ***or the revised notice, as applicable,*** provided pursuant to subsection 2, a reduction must be made from the basic support allocation otherwise payable to that school district in an amount that is equal to the difference between the actual combined expenditure for textbooks, instructional supplies and instructional hardware and the minimum required combined expenditure set forth in the notice ***or the revised notice, as applicable,*** provided pursuant to subsection 2. A reduction in the amount of the basic support allocation pursuant to this subsection:

(a) Does not reduce the amount that the school district is required to expend on textbooks, instructional supplies and instructional hardware in the current fiscal year; and

(b) Must not exceed the amount of basic support that was provided to the school district for the fiscal year in which the minimum expenditure amount was not satisfied.

5. If the actual enrollment of pupils in a school district is less than the enrollment included in the projections used in the school district's biennial budget submitted pursuant to NRS 387.303, the required expenditure for textbooks, instructional supplies and instructional hardware pursuant to this section must be reduced proportionately.

Sec. 3. This act becomes effective on July 1, 2009.

(NRS 392.920) **Section 2** of this bill revises the prohibited acts by an employer or his agent to include demoting, suspending or otherwise discriminating against a parent, guardian or custodian of a child. **Section 2** also prohibits the termination, demotion, suspension or other discrimination of a parent, guardian or custodian of a child who takes leave authorized by **section 1** of this bill and authorizes a parent, guardian or custodian of a child who is terminated, demoted, suspended or otherwise discriminated against to ~~[request a hearing before]~~ **file a claim or complaint with** the Labor Commissioner. ~~[If the dispute is not resolved, the parent, guardian or custodian may bring a civil action against his employer, as authorized in existing law.]~~

Section 4 of this bill imposes the same requirements on employers for the parents, guardians and custodians of children enrolled in a private school. **The provisions of section 4 do not apply if an employee is afforded the same leave under the same conditions pursuant to a collective bargaining agreement. Section 5** of this bill prohibits an employer or his agent from terminating, demoting, suspending or otherwise discriminating against a parent, guardian or custodian of a child enrolled in a private school for attending a conference requested by a school administrator, being notified of an emergency involving the child at school or taking leave authorized by **section 4**. **Section 5** also authorizes ~~[a hearing before the Labor Commissioner. SECOND READING AND AMENDMENT

Senate Bill No. 31.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 725.

AN ACT relating to state governmental administration; revising provisions governing independent contractors with the State; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, elective officers and the heads of departments, boards, commissions and institutions of the Executive Department of State Government are authorized to contract for the services of independent contractors, including the provision of security services for state agencies. (NRS 284.173, 284.174) With limited exceptions, existing law requires contracts with independent contractors to be approved by the State Board of Examiners, but the Clerk of the Board may approve contracts that are for less than a certain specified amount. (NRS 284.173) This bill repeals NRS 284.173 and 284.174 but replaces those sections with **sections 2 and 3** of this bill which are added to chapter 333 of NRS, which relates to state purchasing. The new sections contain the same provisions as existing law except that the new sections **[:** ~~(1)~~**]** require that if the contract is for services for which a license, certificate or other authorization is required by law, the independent contractor hold the appropriate current authorization required by law for the services**_.** **[**~~; (2) authorize the State Board of Examiners to determine the relevant amount rather than the relevant amount being specified in statute; and (3) require the State Board of Examiners to prescribe a minimum amount of money under which such a contract is not required to be written or filed with the Legislative Counsel Bureau and the Clerk of the State Board of Examiners rather than the amount of $2,000 being specified in statute.~~**]**

Amendment adopted.

The following amendment was proposed by Assemblywoman Smith:

Amendment No. 900.

AN ACT relating to state governmental administration; revising provisions governing independent contractors with the State; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, elective officers and the heads of departments, boards, commissions and institutions of the Executive Department of State Government are authorized to contract for the services of independent contractors, including the provision of security services for state agencies. (NRS 284.173, 284.174) With limited exceptions, existing law requires contracts with independent contractors to be approved by the State Board of Examiners, but the Clerk of the Board may approve contracts that are for less than a certain specified amount. (NRS 284.173) This bill repeals NRS 284.173 and 284.174 but replaces those sections with **sections 2 and 3** of this bill which are added to chapter 333 of NRS, which relates to state purchasing. The new sections contain the same provisions as existing law except that the new sections: (1) require that if the contract is for services for which a license, certificate or other authorization is required by law, the independent contractor hold the appropriate current authorization required by

law for the services; (2) authorize the State Board of Examiners to determine the relevant amount rather than the relevant amount being specified in statute; and (3) require the State Board of Examiners to prescribe a minimum amount of money under which such a contract is not required to be written or filed with the Legislative Counsel Bureau and the Clerk of the State Board of Examiners rather than the amount of $2,000 being specified in statute.

9. If the services of an independent contractor are contracted for to represent an agency of the State in any proceeding in any court, the contract must require the independent contractor to identify in all pleadings the specific state agency which he is representing.

284.174 Contracts for security services when personnel of Capitol Police Division not available.

1. If personnel of the Capitol Police Division of the Department of Public Safety are not available to provide security services for a building, office or other facility of a state agency, the state agency may, pursuant to NRS 284.173, contract with one or more independent contractors to provide such services.

The following amendment was proposed by Assemblyman Conklin:

Amendment No. 844.

AN ACT relating to energy; requiring the Director of the Office of Energy to make certain determinations relating to systems for obtaining solar energy; prohibiting certain restrictions on the use of systems for obtaining solar **energy or wind** energy; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law sets forth a prohibition against covenants, restrictions or conditions contained in deeds, contracts or other legal documents which prohibit or unreasonably restrict an owner of property from using a system for obtaining solar ~~[or wind]~~ energy on his property. (NRS 111.239, 278.0208) **Sections 2 and 3** of this bill include within the prohibition any such covenant, restriction or condition which has the effect of prohibiting or

unreasonably restricting the property owner from using ~~[such]~~ a **solar energy** system. **Sections 2 and 3** also describe an unreasonable restriction on the use of a system for obtaining solar energy as including: (1) the placing of a restriction or requirement that decreases the efficiency or performance of a system for obtaining solar energy by more than 10 percent of the amount that was originally specified for the system, as determined by the Director of the Office of Energy; and (2) the prohibition of a system for obtaining solar energy that uses components painted with black solar glazing.

Section 1 of this bill requires the Director, if requested to make a determination concerning the efficiency or performance of a system for obtaining solar energy pursuant to **section 2 or 3**, to make the determination within 30 days after receiving the request. If the Director needs additional information to make the determination, **section 1** authorizes the Director to request that information from the person requesting the determination and requires the Director to make the determination within 15 days after receiving the additional information.

Sections 1.5 and 2.5 of this bill set forth a prohibition against covenants, restrictions or conditions contained in deeds, contracts or other legal documents, and against local ordinances, regulations or plans, which prohibit or unreasonably restrict an owner of property from using a system for obtaining wind energy on his property. Sections 1.5 and 2.5 describe an unreasonable restriction on the use of a system for obtaining wind energy as the placing of a restriction or requirement on the use of a system for obtaining wind energy which significantly decreases the efficiency or performance of the system and which does not allow for the use of an alternative system at a substantially comparable cost and with substantially comparable efficiency and performance. Sections 1.5 and 2.5 do not prohibit reasonable restrictions: (1) imposed pursuant to a determination by the Federal Aviation Administration that the installation of the system for obtaining wind energy would create a hazard to air navigation; or (2) relating to the height, noise or safety of a system for obtaining wind energy.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 701.180 is hereby amended to read as follows:

701.180 The Director shall:

2. Utilize all available public and private means to provide information to the public about problems relating to energy and to explain how conservation of energy and its sources may be accomplished.

3. Review and evaluate information which identifies trends and permits forecasting of the energy available to the State. Such forecasts must include estimates on:

(a) The level of demand for energy in the State for 5-, 10- and 20-year periods;

(b) The amount of energy available to meet each level of demand;

(c) The probable implications of the forecast on the demand and supply of energy; and

(d) The sources of renewable energy and other alternative sources of energy which are available and their possible effects.

4. Study means of reducing wasteful, inefficient, unnecessary or uneconomical uses of energy and encourage the maximum utilization of existing sources of energy in the State.

5. Encourage the development of:

(a) Any sources of renewable energy and any other energy projects which will benefit the State; and

(b) Any measures which conserve or reduce the demand for energy or which result in more efficient use of energy.

6. In conjunction with the Desert Research Institute, review policies relating to the research and development of the State's geothermal resources and make recommendations to the appropriate state and federal agencies for establishing methods of developing the geothermal resources within the State.

7. Solicit and serve as the point of contact for grants and other money from the Federal Government and other sources to promote:

(a) Energy projects that enhance the economic development of the State;

(b) The use of renewable energy; and

(c) The use of measures which conserve or reduce the demand for energy or which result in more efficient use of energy.

8. Coordinate the activities and programs of the Office of Energy with the activities and programs of the Task Force, the Consumer's Advocate and the Public Utilities Commission of Nevada and other federal, state and local officers and agencies that promote, fund, administer or operate activities and programs related to the use of renewable energy and the use of measures which conserve or reduce the demand for energy or which result in more efficient use of energy.

9. ***If requested to make a determination pursuant to NRS 111.239 or 278.0208, make the determination within 30 days after receiving the request. instrument which affects the transfer or sale of, or any other interest in, real property and which prohibits or unreasonably restricts the owner of the property from using a system for obtaining wind energy on his property is void and unenforceable.

2. The provisions of subsection 1 do not prohibit a reasonable restriction or requirement:

(a) Imposed pursuant to a determination by the Federal Aviation Administration that the installation of the system for obtaining wind energy would create a hazard to air navigation; or

(b) Relating to the height, noise or safety of a system for obtaining wind energy.

3. For the purposes of this section, "unreasonably restricts the owner of the property from using a system for obtaining wind energy" includes the placing of a restriction or requirement on the use of a system for obtaining wind energy which significantly decreases the efficiency or performance of the system and which does not allow for the use of an alternative system at a substantially comparable cost and with substantially comparable efficiency and performance.

THE HONORABLE BARBARA BUCKLEY, *Speaker of the Assembly*, Legislative Building, 401 South Carson Street, Carson City, NV 89701

RE: Assembly Bill No. 122 of the 75th Legislative Session

DEAR SPEAKER BUCKLEY:

I am herewith forwarding to you, for filing within the constitutional time limit and without my approval Assembly Bill 122 which is entitled:

> AN ACT relating to the Office for Consumer Health Assistance; expanding the definition of "consumer" to include more situations in which assistance may be rendered; expanding the authority of the Director of the Office for Consumer Health Assistance to adopt necessary regulations; making various other changes relating to the Office for Consumer Health Assistance; and providing other matters properly relating thereto.

This bill would expand the authority of the Office for Consumer Health Assistance. In my executive budget I proposed to eliminate this office for two reasons. First this office, in some instances, provides duplicative services to the public. Second, this office. while important. is not an essential governmental service that the State of Nevada can afford to fund in these tough economic times. Consequently, there is no reason to expand the scope of the Office for

Consumer Health Assistance when this office was recommended for closure in the Executive Budget.

For these reasons, I hereby exercise my constitutional grant of authority and veto Assembly Bill 122.

Sincerely,
JIM GIBBONS
Governor

THE HONORABLE BARBARA BUCKLEY, *Speaker of the Assembly*, Legislative Building, 401 South Carson Street, Carson City, NV 89701

RE: Assembly Bill No. 257 of the 75th Legislative Session

DEAR SPEAKER BUCKLEY:

I am herewith forwarding to you, for filing within the constitutional time limit and without my approval Assembly Bill 257, which is entitled:

> AN ACT relating to crimes; prohibiting the taking of an excessive number of certain free publications under certain circumstances; providing a penalty; and providing other matters properly relating thereto.

This bill would make it a crime for a person to take more than ten copies of a free or complimentary periodical. Our law enforcement professionals should be focusing their limited time and resources on the prevention of major crimes and the protection of the public, particularly in these times when funding for law enforcement has been negatively impacted due to decreased government revenues. I do not see any benefit to the public by requiring our law enforcement professionals to investigate and prosecute the type of activity described in Assembly Bill 257.

For these reasons, I hereby exercise my constitutional grant of authority and veto Assembly Bill 257.

Sincerely,
JIM GIBBONS
Governor

THE HONORABLE BARBARA BUCKLEY, *Speaker of the Assembly*, Legislative Building, 401 South Carson Street, Carson City, NV 89701

RE: Assembly Bill No. 480 of the 75th Legislative Session

DEAR SPEAKER BUCKLEY:

I am herewith forwarding to you, for filing within the constitutional time limit and without my approval Assembly Bill 480, which is entitled:

AN ACT relating to water; revising the fees collected by the State Engineer: and providing other matters properly relating thereto.

This bill would enact several new and increased fees collected by the State Engineer with respect to water and water appropriation. 1 am not aware of any significant support by industry for any of the increased and additional fees contained in Assembly Bill 480. Moreover, a comparative study of western states places Nevada in the average range for these types of fees. Simply put, adding and increasing these fees during tough economic times just does not make economic sense.

For these reasons, I hereby exercise my constitutional grant of authority and veto Assembly Bill 480.

Senate Bill No. 245.

Bill read third time.

The following amendment was proposed by Assemblyman Atkinson:

Amendment No. 902.

AN ACT relating to regional transportation commissions; reorganizing provisions governing regional transportation commissions; providing that regional transportation commissions may authorize vending stands; authorizing certain governmental entities to collect fees for placing street banners within rights-of-way and public easements; authorizing certain regional transportation commissions to enter into certain hedge contracts for fuel; ~~[providing tort immunity to regional transportation commissions under certain circumstances;]~~ making various other changes to provisions relating to regional transportation commissions; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Nevada has enacted the County Motor Vehicle Fuel Tax Law which, in part, authorizes certain counties to create regional transportation commissions and impose certain taxes on fuel. (Chapter 373 of NRS) **Sections 2-41 and 64** of this bill reorganize the provisions relating to regional transportation commissions into chapter 277 of NRS to be known as the Regional Transportation Commission Act.

Sections 17 and 31 of this bill authorize the regional transportation commission in a county with a population of 400,000 or more (currently Clark County) to construct, install and maintain vending stands in a building, terminal or parking facility owned, operated or leased by the commission. Such vending stands may provide any approved articles, food or beverages to passengers of public mass transportation within the county.

Sections 15 and 28 of this bill authorize regional transportation commissions, under certain circumstances, to place street banners along public highways and within rights-of-way and public easements. Fees collected for placing street banners must be given to the governmental entities that own or control the public easements or rights-of-way where the street banners are placed, less an administrative fee given to the commissions to fund road repair and maintenance.

Section 34 of this bill authorizes a regional transportation commission to construct, modify, operate and maintain certain electrical and communications systems.

Section 38 of this bill authorizes a regional transportation commission that budgets $1,000,000 or more in a fiscal year for the purchase of fuel to enter into a fuel hedge contract under certain circumstances.

(g) In addition to the allocation made pursuant to paragraph (a), allocate to each county that is identified pursuant to paragraph (c) a percentage of the total amount determined pursuant to paragraph (e) that is equal to the percentage determined pursuant to paragraph (f).

(a) Does not exceed the total amount that was received by all the counties for the Fiscal Year ending on June 30, 2003, the Department shall adjust the final monthly allocation to be made to each county so that each county is allocated a percentage of the total amount to be allocated that is equal to the percentage of the total amount allocated to that county in the Fiscal Year ending on June 30, 2003.

(6) Divide the amount determined pursuant to sub-subparagraph (I) of subparagraph (3) for the county and each incorporated city in the county by the sum determined pursuant to sub-subparagraph (II) of subparagraph (3) for the county and all incorporated cities in the county to determine the county's and each incorporated city's percentage share of the sum determined pursuant to sub-subparagraph (II) of subparagraph (3).

(7) In addition to the allocation made pursuant to subparagraph (1), allocate to the county and each incorporated city in the county that is identified pursuant to subparagraph (3) a percentage of the total amount determined pursuant to subparagraph (5) that is equal to the percentage determined pursuant to subparagraph (6).

CONSIDERATION OF SENATE AMENDMENTS

Assembly Bill No. 205.

The following Senate amendment was read:

Amendment No. 821.

AN ACT relating to the taxation of property; revising the provisions governing the calculation of certain partial abatements of taxes and the taxable value of improvements made on land, the designation of taxes on personal property as uncollectible and the taxation of open-space land; clarifying the provisions governing the notification, appeal and revision of the valuation of property on the unsecured tax roll; revising the requirements for certain segregation and statistical reports and projections of assessed value; delaying the required filing date for petitions for the review of certain determinations regarding the applicability of a partial abatement; postponing the prospective expiration of certain provisions for the funding of accounts for the acquisition and improvement of technology in the offices of county assessors; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Sections 1 and 8 of this bill require a county assessor to make certain projections of assessed valuation of property for an upcoming fiscal year that had been made under existing law by the Department of Taxation. (NRS 361.390) Additionally, **section 8** revises the dates when a county assessor must file with the Department certain statistical and segregation reports showing assessed values of property.

Existing law provides a partial abatement of the property taxes levied on property for which an assessed valuation has previously been established, a remainder parcel of real property, certain single-family residences and certain residential rental dwellings. (NRS 361.4722, 361.4723, 361.4724) **Sections 2 and 9-11** of this bill revise the formula for calculating the partial abatement in such a manner as to lower the cap on the tax liability of an owner of real property when the taxable value of the property is reduced as a result of the partial or complete destruction or removal of an improvement to the property or the correction of an overassessment of an improvement because of a factual error. **Section 13** of this bill changes the date by which a petition must be filed for the review of a county assessor's determination regarding the applicability of a partial abatement from January 15 to the last day of the fiscal year for which the determination is effective. (NRS 361.4734)

Section 3 of this bill allows a county assessor, when determining the cost to replace an improvement on land for the purpose of calculating taxable value, to use the final plans, drawings and other representations prepared by the architect or builder of the improvement to establish its size or quantity. (NRS 361.227)

Section 4 of this bill provides statutory clarification that a county assessor must provide notice of the assessed valuation of property on the secured tax roll on or before December 18 of the fiscal year in which the property is appraised or reappraised, but the individual tax bills provided to the owners of personal property billed on the unsecured tax roll serve as notification of the assessed valuation of that property. (NRS 361.300)

Under existing law, a taxpayer desiring to appeal the assessment of property placed on the unsecured tax roll must, if the property was assessed after December 15 and on or before April 30, file that appeal with the State Board of Equalization on or before May 15. (NRS 361.360) **Sections 5-7** of this bill provide statutory clarification that a taxpayer desiring to appeal the assessment of property on the unsecured tax roll which was assessed at any other time may file that appeal with the county board of equalization on or before January 15. (NRS 361.345, 361.356, 361.357)

Existing law authorizes a county assessor to seize the personal property of a person who neglects or refuses to pay property taxes, and requires the county assessor to post a notice of the seizure within the immediate vicinity of the seized property before selling the property at public auction. (NRS 361.535) **Section 14** of this bill makes it a gross misdemeanor for a person to remove, deface, cover or conceal that notice, or to move or sell, attempt to move or sell or assist another person to move or sell the seized property, before the delinquent taxes are paid.

Existing law allows a county tax receiver to petition the board of county commissioners to designate certain taxes on personal property as uncollectible, thereby relieving the tax receiver from liability for the failure to collect those taxes. (NRS 361.5607) **Section 15** of this bill revises the criteria under which such a petition is authorized to require in every case that

all appropriate collection procedures were followed without success, and that either the taxes have been delinquent for at least 3 years or the amount of the taxes is $25 or less.

Existing law requires the assessment of a golf course as open-space property and the payment of deferred property taxes when any open-space property is converted to a higher use. (NRS 361A.170, 361A.280) **[~~Section~~] Sections 18-20** of this bill **provide for the designation and classification of certain land regarding which the owner has granted and has outstanding a lease of surface water rights as open-space real property for the purposes of taxation. Section 22 of this bill** specifies criteria for determining when a golf course becomes disqualified for open-space use assessment. (NRS 361A.230) **Sections 16 and [~~20~~] 25** of this bill clarify the amount of deferred property taxes due upon the conversion of any **agricultural or** open-space property to a higher use. **Section 29 of this bill repeals a related section which provided the manner for determining the taxable value when agricultural land is converted to a higher use. (NRS 361A.155)**

Under existing law, 2 percent of the property taxes collected for each county on personal property and the net proceeds of mines must be deposited into an account for the acquisition and improvement of technology in the office of the county assessor. (NRS 361.530, 362.170) **Sections [~~22, 23 and 24~~] 27, 28 and 29** of this bill provide for the continuation of this funding during the next biennium by postponing its prospective expiration until June 30, 2011.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 360.690 is hereby amended to read as follows:

360.690 1. Except as otherwise provided in NRS 360.730, the Executive Director shall estimate monthly the amount each local government, special district and enterprise district will receive from the Account pursuant to the provisions of this section.

2. The Executive Director shall establish a base monthly allocation for each local government, special district and enterprise district by dividing the amount determined pursuant to NRS 360.680 for each local government, special district and enterprise district by 12, and the State Treasurer shall, except as otherwise provided in subsections 3 to 8, inclusive, remit monthly that amount to each local government, special district and enterprise district.

3. If, after making the allocation to each enterprise district for the month, the Executive Director determines there is not sufficient money available in the county's subaccount in the Account to allocate to each local government and special district the base monthly allocation determined pursuant to subsection 2, he shall prorate the money in the county's subaccount and allocate to each local government and special district an amount equal to its proportionate percentage of the total amount of the base monthly allocations

determined pursuant to subsection 2 for all local governments and special districts within the county. The State Treasurer shall remit that amount to the local government or special district.

4. Except as otherwise provided in subsections 5 to 8, inclusive, if the Executive Director determines that there is money remaining in the county's subaccount in the Account after the base monthly allocation determined pursuant to subsection 2 has been allocated to each local government, special district and enterprise district, he shall immediately determine and allocate each:

(a) Local government's share of the remaining money by:

(1) Multiplying one-twelfth of the amount allocated pursuant to NRS 360.680 by the sum of the:

(I) Average percentage of change in the population of the local government over the 5 fiscal years immediately preceding the year in which the allocation is made, as certified by the Governor pursuant to NRS 360.285, except as otherwise provided in subsection 9; and

(II) Average percentage of change in the assessed valuation of the taxable property in the local government, including assessed valuation attributable to a redevelopment agency but excluding the portion attributable to the net proceeds of minerals, over the year in which the allocation is made, as projected by the Department , ~~[pursuant to NRS 361.390,]~~ and the 4 fiscal years immediately preceding the year in which the allocation is made; and

(2) Using the figure calculated pursuant to subparagraph (1) to calculate and allocate to each local government an amount equal to the proportion that the figure calculated pursuant to subparagraph (1) bears to the total amount of the figures calculated pursuant to subparagraph (1) of this paragraph and subparagraph (1) of paragraph (b), respectively, for the local governments and special districts located in the same county multiplied by the total amount available in the subaccount; and

(b) Special district's share of the remaining money by:

(1) Multiplying one-twelfth of the amount allocated pursuant to NRS 360.680 by the average change in the assessed valuation of the taxable property in the special district, including assessed valuation attributable to a redevelopment agency but excluding the portion attributable to the net proceeds of minerals, over the year in which the allocation is made, as projected by the Department , ~~[pursuant to NRS 361.390,]~~ and the 4 fiscal years immediately preceding the year in which the allocation is made; and

(2) Using the figure calculated pursuant to subparagraph (1) to calculate and allocate to each special district an amount equal to the proportion that the figure calculated pursuant to subparagraph (1) bears to the total amount of the figures calculated pursuant to subparagraph (1) of this paragraph and subparagraph (1) of paragraph (a), respectively, for the local governments and special districts located in the same county multiplied by the total amount available in the subaccount.

➥ The State Treasurer shall remit the amount allocated to each local government or special district pursuant to this subsection.

5. Except as otherwise provided in subsection 6 or 7, if the Executive Director determines that there is money remaining in the county's subaccount in the Account after the base monthly allocation determined pursuant to subsection 2 has been allocated to each local government, special district and enterprise district and that the average amount over the 5 fiscal years immediately preceding the year in which the allocation is made of the assessed valuation of taxable property which is attributable to the net proceeds of minerals in the county is equal to at least $50,000,000 or that the average percentage of change in population of the county over the 5 fiscal years immediately preceding the year in which the allocation is made, as certified by the Governor pursuant to NRS 360.285, except as otherwise provided in subsection 9, is a negative figure or that the average amount over the 5 fiscal years immediately preceding the year in which the allocation is made of the assessed valuation of taxable property which is attributable to the net proceeds of minerals in the county is equal to at least $50,000,000 and the average percentage of change in population of the county over the 5 fiscal years immediately preceding the year in which the allocation is made, as certified by the Governor pursuant to NRS 360.285, except as otherwise provided in subsection 9, is a negative figure, he shall immediately determine and allocate each:

(a) Local government's share of the remaining money by:

(1) Multiplying one-twelfth of the amount allocated pursuant to NRS 360.680 by 1 plus the sum of the:

(I) Average percentage of change in the population of the local government over the 5 fiscal years immediately preceding the year in which the allocation is made, as certified by the Governor pursuant to NRS 360.285, except as otherwise provided in subsection 9; and

(II) Average percentage of change in the assessed valuation of the taxable property in the local government, including assessed valuation attributable to a redevelopment agency but excluding the portion attributable to the net proceeds of minerals, over the year in which the allocation is made, as projected by the Department , ~~[pursuant to NRS 361.390,]~~ and the 4 fiscal years immediately preceding the year in which the allocation is made; and

(2) Using the figure calculated pursuant to subparagraph (1) to calculate and allocate to each local government an amount equal to the proportion that the figure calculated pursuant to subparagraph (1) bears to the total amount of the figures calculated pursuant to subparagraph (1) of this paragraph and subparagraph (1) of paragraph (b), respectively, for the local governments and special districts located in the same county multiplied by the total amount available in the subaccount; and

(b) Special district's share of the remaining money by:

(1) Multiplying one-twelfth of the amount allocated pursuant to NRS 360.680 by 1 plus the average change in the assessed valuation of the taxable

property in the special district, including assessed valuation attributable to a redevelopment agency but excluding the portion attributable to the net proceeds of minerals, over the year in which the allocation is made, as projected by the Department , ~~[pursuant to NRS 361.390,]~~ and the 4 fiscal years immediately preceding the year in which the allocation is made; and

(2) Using the figure calculated pursuant to subparagraph (1) to calculate and allocate to each special district an amount equal to the proportion that the figure calculated pursuant to subparagraph (1) bears to the total amount of the figures calculated pursuant to subparagraph (1) of this paragraph and subparagraph (1) of paragraph (a), respectively, for the local governments and special districts located in the same county multiplied by the total amount available in the subaccount.

➥ The State Treasurer shall remit the amount allocated to each local government or special district pursuant to this subsection.

6. Except as otherwise provided in subsection 8, if the Executive Director determines that there is money remaining in the county's subaccount in the Account after the base monthly allocation determined pursuant to subsection 2 has been allocated to each local government, special district and enterprise district, that the sum of the average percentage of change in population and the average percentage of change in the assessed valuation of taxable property, as calculated pursuant to subparagraph (1) of paragraph (a) of subsection 4 for each of those local governments, is a negative figure, and that the average change in the assessed valuation of the taxable property in each of those special districts, as calculated pursuant to subparagraph (1) of paragraph (b) of subsection 4, is a negative figure, he shall immediately determine and allocate each:

(a) Local government's share of the remaining money by:

(1) Multiplying one-twelfth of the amount allocated pursuant to NRS 360.680 by 1 plus the sum of the:

(I) Average percentage of change in the population of the local government over the 5 fiscal years immediately preceding the year in which the allocation is made, as certified by the Governor pursuant to NRS 360.285, except as otherwise provided in subsection 9; and

(II) Average percentage of change in the assessed valuation of the taxable property in the local government, including assessed valuation attributable to a redevelopment agency but excluding the portion attributable to the net proceeds of minerals, over the year in which the allocation is made, as projected by the Department , ~~[pursuant to NRS 361.390,]~~ and the 4 fiscal years immediately preceding the year in which the allocation is made; and

(2) Using the figure calculated pursuant to subparagraph (1) to calculate and allocate to each local government an amount equal to the proportion that the figure calculated pursuant to subparagraph (1) bears to the total amount of the figures calculated pursuant to subparagraph (1) of this paragraph and subparagraph (1) of paragraph (b), respectively, for the local governments

and special districts located in the same county multiplied by the total amount available in the subaccount; and

(b) Special district's share of the remaining money by:

(1) Multiplying one-twelfth of the amount allocated pursuant to NRS 360.680 by 1 plus the average change in the assessed valuation of the taxable property in the special district, including assessed valuation attributable to a redevelopment agency but excluding the portion attributable to the net proceeds of minerals, over the year in which the allocation is made, as projected by the Department , ~~[pursuant to NRS 361.390,]~~ and the 4 fiscal years immediately preceding the year in which the allocation is made; and

(2) Using the figure calculated pursuant to subparagraph (1) to calculate and allocate to each special district an amount equal to the proportion that the figure calculated pursuant to subparagraph (1) bears to the total amount of the figures calculated pursuant to subparagraph (1) of this paragraph and subparagraph (1) of paragraph (a), respectively, for the local governments and special districts located in the same county multiplied by the total amount available in the subaccount.

➥ The State Treasurer shall remit the amount allocated to each local government or special district pursuant to this subsection.

7. Except as otherwise provided in subsection 8, if the Executive Director determines that there is money remaining in the county's subaccount in the Account after the base monthly allocation determined pursuant to subsection 2 has been allocated to each local government, special district and enterprise district, that the sum of the average percentage of change in population and the average percentage of change in the assessed valuation of taxable property, as calculated pursuant to subparagraph (1) of paragraph (a) of subsection 4 for each of those local governments, is a negative figure, and that the average change in the assessed valuation of the taxable property in any of those special districts, as calculated pursuant to subparagraph (1) of paragraph (b) of subsection 4, is a positive figure, he shall immediately determine and allocate each:

(a) Local government's share of the remaining money by:

(1) Multiplying one-twelfth of the amount allocated pursuant to NRS 360.680 by 1 plus the sum of the:

(I) Average percentage of change in the population of the local government over the 5 fiscal years immediately preceding the year in which the allocation is made, as certified by the Governor pursuant to NRS 360.285, except as otherwise provided in subsection 9; and

(II) Average percentage of change in the assessed valuation of the taxable property in the local government, including assessed valuation attributable to a redevelopment agency but excluding the portion attributable to the net proceeds of minerals, over the year in which the allocation is made, as projected by the Department , ~~[pursuant to NRS 361.390,]~~ and the 4 fiscal years immediately preceding the year in which the allocation is made; and

(2) Using the figure calculated pursuant to subparagraph (1) to calculate and allocate to each local government an amount equal to the proportion that the figure calculated pursuant to subparagraph (1) bears to the total amount of the figures calculated pursuant to subparagraph (1) of this paragraph and subparagraph (1) of paragraph (b), respectively, for the local governments and special districts located in the same county multiplied by the total amount available in the subaccount; and

(b) Special district's share of the remaining money by:

(1) Multiplying one-twelfth of the amount allocated pursuant to NRS 360.680 by 1 plus the sum of the:

(I) Average percentage of change in the population of the county over the 5 fiscal years immediately preceding the year in which the allocation is made, as certified by the Governor pursuant to NRS 360.285, except as otherwise provided in subsection 9; and

(II) Average change in the assessed valuation of the taxable property in the special district, including assessed valuation attributable to a redevelopment agency but excluding the portion attributable to the net proceeds of minerals, over the year in which the allocation is made, as projected by the Department , ~~[pursuant to NRS 361.390,]~~ and the 4 fiscal years immediately preceding the year in which the allocation is made; and

(2) Using the figure calculated pursuant to subparagraph (1) to calculate and allocate to each special district an amount equal to the proportion that the figure calculated pursuant to subparagraph (1) bears to the total amount of the figures calculated pursuant to subparagraph (1) of this paragraph and subparagraph (1) of paragraph (a), respectively, for the local governments and special districts located in the same county multiplied by the total amount available in the subaccount.

➥ The State Treasurer shall remit the amount allocated to each local government or special district pursuant to this subsection.

8. The Executive Director shall not allocate any amount to a local government or special district pursuant to subsection 4, 5, 6 or 7 unless the amount distributed and allocated to each of the local governments and special districts in the county in each preceding month of the fiscal year in which the allocation is to be made was at least equal to the base monthly allocation determined pursuant to subsection 2. If the amounts distributed to the local governments and special districts in the county for the preceding months of the fiscal year in which the allocation is to be made were less than the base monthly allocation determined pursuant to subsection 2 and the Executive Director determines there is money remaining in the county's subaccount in the Account after the distribution for the month has been made, he shall:

(a) Determine the amount by which the base monthly allocations determined pursuant to subsection 2 for each local government and special district in the county for the preceding months of the fiscal year in which the allocation is to be made exceeds the amounts actually received by the local governments and special districts in the county for the same period; and

(b) Compare the amount determined pursuant to paragraph (a) to the amount of money remaining in the county's subaccount in the Account to determine which amount is greater.

➥ If the Executive Director determines that the amount determined pursuant to paragraph (a) is greater, he shall allocate the money remaining in the county's subaccount in the Account pursuant to the provisions of subsection 3. If the Executive Director determines that the amount of money remaining in the county's subaccount in the Account is greater, he shall first allocate the money necessary for each local government and special district to receive the base monthly allocation determined pursuant to subsection 2 and the State Treasurer shall remit that money so allocated. The Executive Director shall allocate any additional money in the county's subaccount in the Account pursuant to the provisions of subsection 4, 5, 6 or 7, as appropriate.

9. The percentage changes in population calculated pursuant to subsections 4 to 7, inclusive, must:

(a) Except as otherwise provided in paragraph (c), if the Bureau of the Census of the United States Department of Commerce issues population totals that conflict with the totals certified by the Governor pursuant to NRS 360.285, be an estimate of the change in population for the calendar year, based upon the population totals issued by the Bureau of the Census.

(b) If a new method of determining population is established pursuant to NRS 360.283, be adjusted in a manner that will result in the percentage change being based on population determined pursuant to the new method for both the fiscal year in which the allocation is made and the fiscal year immediately preceding the year in which the allocation is made.

(c) If a local government files a formal appeal with the Bureau of the Census concerning the population total of the local government issued by the Bureau of the Census, be calculated using the population total certified by the Governor pursuant to NRS 360.285 until the appeal is resolved. If additional money is allocated to the local government because the population total certified by the Governor is greater than the population total issued by the Bureau of the Census, the State Treasurer shall deposit that additional money in a separate interest-bearing account. Upon resolution of the appeal, if the population total finally determined pursuant to the appeal is:

(1) Equal to or less than the population total initially issued by the Bureau of the Census, the State Treasurer shall transfer the total amount in the separate interest-bearing account, including interest but excluding any administrative fees, to the Local Government Tax Distribution Account for allocation among the local governments in the county pursuant to subsection 4, 5, 6 or 7, as appropriate.

(2) Greater than the population total initially issued by the Bureau of the Census, the Executive Director shall calculate the amount that would have been allocated to the local government pursuant to subsection 4, 5, 6 or 7, as appropriate, if the population total finally determined pursuant to the appeal had been used and the State Treasurer shall remit to the local government an

amount equal to the difference between the amount actually distributed and the amount calculated pursuant to this subparagraph or the total amount in the separate interest-bearing account, including interest but excluding any administrative fees, whichever is less.

10. On or before February 15 of each year, the Executive Director shall provide to each local government, special district and enterprise district a preliminary estimate of the revenue it will receive from the Account for that fiscal year.

11. On or before March 15 of each year, the Executive Director shall:

(a) Make an estimate of the receipts from each tax included in the Account on an accrual basis for the next fiscal year in accordance with generally accepted accounting principles, including an estimate for each county of the receipts from each tax included in the Account; and

(b) Provide to each local government, special district and enterprise district an estimate of the amount that local government, special district or enterprise district would receive based upon the estimate made pursuant to paragraph (a) and calculated pursuant to the provisions of this section.

12. A local government, special district or enterprise district may use the estimate provided by the Executive Director pursuant to subsection 11 in the preparation of its budget.

Sec. 2. Chapter 361 of NRS is hereby amended by adding thereto a new section to read as follows:

If the taxable value of an improvement to real property is reduced as a result of:

1. The partial or complete destruction or removal of the improvement; or

2. The correction pursuant to NRS 361.768 of an overassessment of the improvement because of a factual error,

➥ then for the purpose of calculating the amount of any partial abatement to which the owner of the real property is entitled pursuant to NRS 361.4722, 361.4723 or 361.4724 for the initial fiscal year for which that reduction in taxable value applies, the amount determined for the immediately preceding fiscal year pursuant to paragraph (a) of subsection 1 of NRS 361.4722, paragraph (a) of subsection 2 of NRS 361.4722, paragraph (a) of subsection 1 of NRS 361.4723 or paragraph (a) of subsection 1 of NRS 361.4724, as applicable, must be reduced by the same percentage as the taxable value of the real property is reduced for that initial fiscal year as a result of the partial or complete destruction or removal of the improvement to the property or the correction of the overassessment of the improvement to the property.

Sec. 3. NRS 361.227 is hereby amended to read as follows:

361.227 1. Any person determining the taxable value of real property shall appraise:

(a) The full cash value of:

(1) Vacant land by considering the uses to which it may lawfully be put, any legal or physical restrictions upon those uses, the character of the terrain, and the uses of other land in the vicinity.

(2) Improved land consistently with the use to which the improvements are being put.

(b) Any improvements made on the land by subtracting from the cost of replacement of the improvements all applicable depreciation and obsolescence. Depreciation of an improvement made on real property must be calculated at 1.5 percent of the cost of replacement for each year of adjusted actual age of the improvement, up to a maximum of 50 years.

2. The unit of appraisal must be a single parcel unless:

(a) The location of the improvements causes two or more parcels to function as a single parcel;

(b) The parcel is one of a group of contiguous parcels which qualifies for valuation as a subdivision pursuant to the regulations of the Nevada Tax Commission; or

(c) In the professional judgment of the person determining the taxable value, the parcel is one of a group of parcels which should be valued as a collective unit.

3. The taxable value of a leasehold interest, possessory interest, beneficial interest or beneficial use for the purpose of NRS 361.157 or 361.159 must be determined in the same manner as the taxable value of the property would otherwise be determined if the lessee or user of the property was the owner of the property and it was not exempt from taxation, except that the taxable value so determined must be reduced by a percentage of the taxable value that is equal to the:

(a) Percentage of the property that is not actually leased by the lessee or used by the user during the fiscal year; and

(b) Percentage of time that the property is not actually leased by the lessee or used by the user during the fiscal year, which must be determined in accordance with NRS 361.2275.

4. The taxable value of other taxable personal property, except a mobile or manufactured home, must be determined by subtracting from the cost of replacement of the property all applicable depreciation and obsolescence. Depreciation of a billboard must be calculated at 1.5 percent of the cost of replacement for each year after the year of acquisition of the billboard, up to a maximum of 50 years.

5. The computed taxable value of any property must not exceed its full cash value. Each person determining the taxable value of property shall reduce it if necessary to comply with this requirement. A person determining whether taxable value exceeds that full cash value or whether obsolescence is a factor in valuation may consider:

(a) Comparative sales, based on prices actually paid in market transactions.

(b) A summation of the estimated full cash value of the land and contributory value of the improvements.

(c) Capitalization of the fair economic income expectancy or fair economic rent, or an analysis of the discounted cash flow.

➥ A county assessor is required to make the reduction prescribed in this subsection if the owner calls to his attention the facts warranting it, if he discovers those facts during physical reappraisal of the property or if he is otherwise aware of those facts.

6. The Nevada Tax Commission shall, by regulation, establish:

(a) Standards for determining the cost of replacement of improvements of various kinds.

(b) Standards for determining the cost of replacement of personal property of various kinds. The standards must include a separate index of factors for application to the acquisition cost of a billboard to determine its replacement cost.

(c) Schedules of depreciation for personal property based on its estimated life.

(d) Criteria for the valuation of two or more parcels as a subdivision.

7. In determining ***, for the purpose of computing taxable value,*** the cost of replacement of ***:***

(a) Any personal property ***,*** ~~[for the purpose of computing taxable value,]~~ the cost of all improvements of the personal property, including any additions to or renovations of the personal property, but excluding routine maintenance and repairs, must be added to the cost of acquisition of the personal property.

(b) An improvement made on land, a county assessor may use any final representations of the improvement prepared by the architect or builder of the improvement, including, without limitation, any final building plans, drawings, sketches and surveys, and any specifications included in such representations, as a basis for establishing any relevant measurements of size or quantity.

8. The county assessor shall, upon the request of the owner, furnish within 15 days to the owner a copy of the most recent appraisal of the property, including, without limitation, copies of any sales data, materials presented on appeal to the county board of equalization or State Board of Equalization and other materials used to determine or defend the taxable value of the property.

9. The provisions of this section do not apply to property which is assessed pursuant to NRS 361.320.

Sec. 4. NRS 361.300 is hereby amended to read as follows:

361.300 1. On or before January 1 of each year, the county assessor shall transmit to the county clerk, post at the front door of the courthouse and publish in a newspaper published in the county a notice to the effect that the secured tax roll is completed and open for inspection by interested persons of the county.

2. If the county assessor fails to complete the assessment roll in the manner and at the time specified in this section, the board of county commissioners shall not allow him a salary or other compensation for any day after January 1 during which the roll is not completed, unless excused by the board of county commissioners.

3. Except as otherwise provided in subsection 4, each board of county commissioners shall by resolution, before December 1 of any fiscal year in which assessment is made, require the county assessor to prepare a list of all the taxpayers on the secured roll in the county and the total valuation of property on which they severally pay taxes and direct the county assessor:

(a) To cause such list and valuations to be printed and delivered by the county assessor or mailed by him on or before January 1 of the fiscal year in which assessment is made to each taxpayer in the county; or

(b) To cause such list and valuations to be published once on or before January 1 of the fiscal year in which assessment is made in a newspaper of general circulation in the county.

➥ In addition to complying with paragraph (a) or (b), the list and valuations may also be posted in a public area of the public libraries and branch libraries located in the county, in a public area of the county courthouse and the county office building in which the county assessor's office is located, and on a website or other Internet site that is operated or administered by or on behalf of the county or county assessor.

4. A board of county commissioners may, in the resolution required by subsection 3, authorize the county assessor not to deliver or mail the list, as provided in paragraph (a) of subsection 3, to taxpayers whose property is assessed at $1,000 or less and direct the county assessor to mail to each such taxpayer a statement of the amount of his assessment. Failure by a taxpayer to receive such a mailed statement does not invalidate any assessment.

5. The several boards of county commissioners in the State may allow the bill contracted with their approval by the county assessor under this section on a claim to be allowed and paid as are other claims against the county.

6. Whenever ***:***

(a) Any property ***on the secured tax roll*** is appraised or reappraised pursuant to NRS 361.260, the county assessor shall, on or before December 18 of the fiscal year in which the appraisal or reappraisal is made, deliver or mail to each owner of such property a written notice stating the assessed valuation of the property as determined from the appraisal or reappraisal.

(b) Any personal property billed on the unsecured tax roll is appraised or reappraised pursuant to NRS 361.260, the delivery or mailing to the owner of such property of an individual tax bill or individual tax notice for the property shall be deemed to constitute adequate notice to the owner of the assessed valuation of the property as determined from the appraisal or reappraisal.

7. If the secured tax roll is changed pursuant to NRS 361.310, the county assessor shall mail an amended notice of assessed valuation to each affected taxpayer. The notice must include:

(a) The information set forth in subsection 6 for the new assessed valuation.

(b) The dates for appealing the new assessed valuation.

8. Failure by the taxpayer to receive a notice required by this section does not invalidate the appraisal or reappraisal.

9. In addition to complying with subsections 6 and 7, a county assessor shall:

(a) Provide without charge a copy of a notice of assessed valuation to the owner of the property upon request.

(b) Post the information included in a notice of assessed valuation on a website or other Internet site, if any, that is operated or administered by or on behalf of the county or the county assessor.

Sec. 5. NRS 361.345 is hereby amended to read as follows:

361.345 1. Except as otherwise provided in subsection 2, the county board of equalization may ~~[~~determine~~]~~ ***:***

(a) Determine the valuation of any ***real or personal*** property ***placed on:***

(1) The secured tax roll which was assessed by the county assessor ~~[~~~~,~~ ~~and may change~~~~]~~ ***; or***

(2) The unsecured tax roll which was assessed by the county assessor on or after May 1 and on or before December 15; and

(b) Change and correct any valuation found to be incorrect either by adding thereto or by deducting therefrom such sum as is necessary to make it conform to the taxable value of the property assessed, whether that valuation was fixed by the owner or the county assessor. The county board of equalization may not reduce the assessment of the county assessor unless it is established by a preponderance of the evidence that the valuation established by the county assessor exceeds the full cash value of the property or is inequitable. A change so made is effective only for the fiscal year for which the assessment was made. The county assessor shall each year review all such changes made for the previous fiscal year and maintain or remove each change as circumstances warrant.

2. If a person complaining of the assessment of his property:

(a) Has refused or, without good cause, has neglected to give the county assessor his list under oath, as required by NRS 361.265; or

(b) Has, without good cause, refused entry to the assessor for the purpose of conducting the physical examination required by NRS 361.260,

➥ the county assessor shall make a reasonable estimate of the property and assess it accordingly. No reduction may be made by the county board of equalization from the assessment of the county assessor made pursuant to this subsection.

3. If the county board of equalization finds it necessary to add to the assessed valuation of any property on the assessment roll, it shall direct the

clerk to give notice to the person so interested by registered or certified letter, or by personal service, naming the day when it will act on the matter and allowing a reasonable time for the interested person to appear.

Sec. 6. NRS 361.356 is hereby amended to read as follows:

361.356 1. An owner of ***any real or personal*** property ***placed on:***

(a) The secured tax roll who believes that his property was assessed at a higher value than another property whose use is identical and whose location is comparable may appeal the assessment, on or before January 15 of the fiscal year in which the assessment was made, to the county board of equalization. If January 15 falls on a Saturday, Sunday or legal holiday, the appeal may be filed on the next business day.

(b) The unsecured tax roll which was assessed on or after May 1 and on or before December 15 who believes that his property was assessed at a higher value than another property whose use is identical and whose location is comparable may appeal the assessment, on or before the following January 15, to the county board of equalization. If January 15 falls on a Saturday, Sunday or legal holiday, the appeal may be filed on the next business day.

2. Before a person may file an appeal pursuant to subsection 1, the person must complete a form provided by the county assessor to appeal the assessment to the county board of equalization. The county assessor may, before providing such a form, require the person requesting the form to provide the parcel number or other identification number of the property that is the subject of the planned appeal.

3. If the board finds that an inequity exists in the assessment of the value of the land or the value of the improvements, or both, the board may add to or deduct from the value of the land or the value of the improvements, or both, either of the appellant's property or of the property to which it is compared, to equalize the assessment.

4. In the case of residential property, the appellant shall cite other property within the same subdivision if possible.

Sec. 7. NRS 361.357 is hereby amended to read as follows:

361.357 1. The owner of any ***real or personal*** property ***placed on:***

(a) The secured tax roll who believes that the full cash value of his property is less than the taxable value computed for the property in the current assessment year ~~[,]~~ may, not later than January 15 of the fiscal year in which the assessment was made, appeal to the county board of equalization. If January 15 falls on a Saturday, Sunday or legal holiday, the appeal may be filed on the next business day.

(b) The unsecured tax roll which was assessed on or after May 1 and on or before December 15 who believes that the full cash value of his property is less than the taxable value computed for the property in the current assessment year may, not later than the following January 15, appeal to the county board of equalization. If January 15 falls on a Saturday, Sunday or legal holiday, the appeal may be filed on the next business day.

2. Before a person may file an appeal pursuant to subsection 1, the person must complete a form provided by the county assessor to appeal the assessment to the county board of equalization. The county assessor may, before providing such a form, require the person requesting the form to provide the parcel number or other identification number of the property that is the subject of the planned appeal.

3. If the county board of equalization finds that the full cash value of the property on January 1 immediately preceding the fiscal year for which the taxes are levied is less than the taxable value computed for the property, the board shall correct the land value or fix a percentage of obsolescence to be deducted from the otherwise computed taxable value of the improvements, or both, to make the taxable value of the property correspond as closely as possible to its full cash value.

4. No appeal under this section may result in an increase in the taxable value of the property.

Sec. 8. NRS 361.390 is hereby amended to read as follows:

361.390 Each county assessor shall:

1. File with or cause to be filed with the Secretary of the State Board of Equalization, on or before March 10 of each year, the tax roll, or a true copy thereof, of his county for the current year as corrected by the county board of equalization.

2. Prepare and file with the Department on or before January 31, ~~[and again on or before]~~ March 5 ***and October 31*** of each year, a segregation report showing the assessed values for each taxing entity within the county on a form prescribed by the Department. The assessor shall make ~~[any]~~ projections ~~[required]~~ ***of assessed value*** for the current fiscal year ~~[.]~~ ***and the upcoming fiscal year regarding real and personal property for which the taxable value is determined by the assessor.*** The Department shall make any projections required for the upcoming fiscal year ~~[.]~~ ***regarding the net proceeds of minerals and any property for which the taxable value is determined by the Nevada Tax Commission.***

3. Prepare and file with the Department on or before ~~[July 31 for the secured roll and on or before]~~ May 5 for the unsecured roll, ***on or before August 10 for the secured roll, and on or before October 31 for the unsecured roll and the secured roll,*** a statistical report showing values for all categories of property on a form prescribed by the Department.

Sec. 9. NRS 361.4722 is hereby amended to read as follows:

361.4722 1. Except as otherwise provided in or required to carry out the provisions of subsection 3 and NRS 361.4725 to 361.4728, inclusive, ***and section 2 of this act,*** the owner of any parcel or other taxable unit of property, including property entered on the central assessment roll, for which an assessed valuation was separately established for the immediately preceding fiscal year is entitled to a partial abatement of the ad valorem taxes levied in a county on that property each fiscal year equal to the amount by which the product of the combined rate of all ad valorem taxes levied in that

county on the property for that fiscal year and the amount of the assessed valuation of the property which is taxable in that county for that fiscal year, excluding any increase in the assessed valuation of the property from the immediately preceding fiscal year as a result of any improvement to or change in the actual or authorized use of the property, exceeds the sum obtained by adding:

(a) The amount of all the ad valorem taxes:

(1) Levied in that county on the property for the immediately preceding fiscal year; or

(2) Which would have been levied in that county on the property for the immediately preceding fiscal year if not for any exemptions from taxation that applied to the property for that prior fiscal year but do not apply to the property for the current fiscal year,

➥ whichever is greater; and

(b) A percentage of the amount determined pursuant to paragraph (a) which is equal to:

(1) The greater of:

(I) The average percentage of change in the assessed valuation of all the taxable property in the county, as determined by the Department, over the fiscal year in which the levy is made and the 9 immediately preceding fiscal years;

(II) Twice the percentage of increase in the Consumer Price Index for all Urban Consumers, U.S. City Average (All Items) for the immediately preceding calendar year; or

(III) Zero; or

(2) Eight percent,

➥ whichever is less.

2. Except as otherwise provided in or required to carry out the provisions of NRS 361.4725 to 361.4728, inclusive, ***and section 2 of this act,*** the owner of any remainder parcel of real property for which no assessed valuation was separately established for the immediately preceding fiscal year, is entitled to a partial abatement of the ad valorem taxes levied in a county on that property for a fiscal year equal to the amount by which the product of the combined rate of all ad valorem taxes levied in that county on the property for that fiscal year and the amount of the assessed valuation of the property which is taxable in that county for that fiscal year, excluding any amount of that assessed valuation attributable to any improvement to or change in the actual or authorized use of the property that would not have been included in the calculation of the assessed valuation of the property for the immediately preceding fiscal year if an assessed valuation had been separately established for that property for that prior fiscal year, exceeds the sum obtained by adding:

(a) The amount of all the ad valorem taxes:

(1) Which would have been levied in that county on the property for the immediately preceding fiscal year if an assessed valuation had been

separately established for that property for that prior fiscal year based upon all the assumptions, costs, values, calculations and other factors and considerations that would have been used for the valuation of that property for that prior fiscal year; or

(2) Which would have been levied in that county on the property for the immediately preceding fiscal year if an assessed valuation had been separately established for that property for that prior fiscal year based upon all the assumptions, costs, values, calculations and other factors and considerations that would have been used for the valuation of that property for that prior fiscal year, and if not for any exemptions from taxation that applied to the property for that prior fiscal year but do not apply to the property for the current fiscal year,

➥ whichever is greater; and

(b) A percentage of the amount determined pursuant to paragraph (a) which is equal to:

(1) The greater of:

(I) The average percentage of change in the assessed valuation of all the taxable property in the county, as determined by the Department, over the fiscal year in which the levy is made and the 9 immediately preceding fiscal years;

(II) Twice the percentage of increase in the Consumer Price Index for all Urban Consumers, U.S. City Average (All Items) for the immediately preceding calendar year; or

(III) Zero; or

(2) Eight percent,

➥ whichever is less.

3. The provisions of subsection 1 do not apply to any property for which the provisions of subsection 1 of NRS 361.4723 or subsection 1 of NRS 361.4724 provide a greater abatement from taxation.

4. Except as otherwise required to carry out the provisions of NRS 361.4732 and any regulations adopted pursuant to NRS 361.4733, the amount of any reduction in the ad valorem taxes levied in a county for a fiscal year as a result of the application of the provisions of subsections 1 and 2 must be deducted from the amount of ad valorem taxes each taxing entity would otherwise be entitled to receive for that fiscal year in the same proportion as the rate of ad valorem taxes levied in the county on the property by or on behalf of that taxing entity for that fiscal year bears to the combined rate of all ad valorem taxes levied in the county on the property by or on behalf of all taxing entities for that fiscal year.

5. The Nevada Tax Commission shall adopt such regulations as it deems appropriate to ensure that this section is carried out in a uniform and equal manner.

6. For the purposes of this section, "remainder parcel of real property" means a parcel of real property which remains after the creation of new parcels of real property for development from one or more existing parcels of

real property, if the use of that remaining parcel has not changed from the immediately preceding fiscal year.

Sec. 10. NRS 361.4723 is hereby amended to read as follows:

361.4723 The Legislature hereby finds and declares that an increase in the tax bill of the owner of a home by more than 3 percent over the tax bill of that homeowner for the previous year constitutes a severe economic hardship within the meaning of subsection 10 of Section 1 of Article 10 of the Nevada Constitution. The Legislature therefore directs a partial abatement of taxes for such homeowners as follows:

1. Except as otherwise provided in or required to carry out the provisions of subsection 2 and NRS 361.4725 to 361.4728, inclusive, ***and section 2 of this act,*** the owner of a single-family residence which is the primary residence of the owner is entitled to a partial abatement of the ad valorem taxes levied in a county on that property each fiscal year equal to the amount by which the product of the combined rate of all ad valorem taxes levied in that county on the property for that fiscal year and the amount of the assessed valuation of the property which is taxable in that county for that fiscal year, excluding any increase in the assessed valuation of the property from the immediately preceding fiscal year as a result of any improvement to or change in the actual or authorized use of the property, exceeds the sum obtained by adding:

(a) The amount of all the ad valorem taxes:

(1) Levied in that county on the property for the immediately preceding fiscal year; or

(2) Which would have been levied in that county on the property for the immediately preceding fiscal year if not for any exemptions from taxation that applied to the property for that prior fiscal year but do not apply to the property for the current fiscal year,

➥ whichever is greater; and

(b) Three percent of the amount determined pursuant to paragraph (a).

2. The provisions of subsection 1 do not apply to any property for which:

(a) No assessed valuation was separately established for the immediately preceding fiscal year; or

(b) The provisions of subsection 1 of NRS 361.4722 provide a greater abatement from taxation.

3. Except as otherwise required to carry out the provisions of NRS 361.4732 and any regulations adopted pursuant to NRS 361.4733, the amount of any reduction in the ad valorem taxes levied in a county for a fiscal year as a result of the application of the provisions of subsection 1 must be deducted from the amount of ad valorem taxes each taxing entity would otherwise be entitled to receive for that fiscal year in the same proportion as the rate of ad valorem taxes levied in the county on the property by or on behalf of that taxing entity for that fiscal year bears to the combined rate of all ad valorem taxes levied in the county on the property by or on behalf of all taxing entities for that fiscal year.

4. The Nevada Tax Commission shall adopt such regulations as it deems appropriate to carry out this section, including, without limitation, regulations providing a methodology for applying the partial abatement provided pursuant to subsection 1 to a parcel of real property of which only a portion qualifies as a single-family residence which is the primary residence of the owner and the remainder is used in another manner.

5. The owner of a single-family residence does not become ineligible for the partial abatement provided pursuant to subsection 1 as a result of:

(a) The operation of a home business out of a portion of that single-family residence; or

(b) The manner in which title is held by the owner if the owner occupies the residence, including, without limitation, if the owner has placed the title in a trust for purposes of estate planning.

6. For the purposes of this section:

(a) "Primary residence of the owner" means a residence which:

(1) Is designated by the owner as the primary residence of the owner in this State, exclusive of any other residence of the owner in this State; and

(2) Is not rented, leased or otherwise made available for exclusive occupancy by any person other than the owner of the residence and members of the family of the owner of the residence.

(b) "Single-family residence" means a parcel or other unit of real property or unit of personal property which is intended or designed to be occupied by one family with facilities for living, sleeping, cooking and eating.

(c) "Unit of personal property" includes, without limitation, any:

(1) Mobile or manufactured home, whether or not the owner thereof also owns the real property upon which it is located; or

(2) Taxable unit of a condominium, common-interest community, planned unit development or similar property,

➥ if classified as personal property for the purposes of this chapter.

(d) "Unit of real property" includes, without limitation, any taxable unit of a condominium, common-interest community, planned unit development or similar property, if classified as real property for the purposes of this chapter.

Sec. 11. NRS 361.4724 is hereby amended to read as follows:

361.4724 The Legislature hereby finds and declares that many Nevadans who cannot afford to own their own homes would be adversely affected by large unanticipated increases in property taxes, as those tax increases are passed down to renters in the form of rent increases and therefore the benefits of a charitable exemption pursuant to subsection 8 of Section 1 of Article 10 of the Nevada Constitution should be afforded to those Nevadans through an abatement granted to the owners of residential rental dwellings who charge rent that does not exceed affordable housing standards for low-income housing. The Legislature therefore directs a partial abatement of taxes for such owners as follows:

1. Except as otherwise provided in or required to carry out the provisions of subsection 2 and NRS 361.4725 to 361.4728, inclusive, ***and section 2 of***

this act, if the amount of rent collected from each of the tenants of a residential dwelling does not exceed the fair market rent for the county in which the dwelling is located, as most recently published by the United States Department of Housing and Urban Development, the owner of the dwelling is entitled to a partial abatement of the ad valorem taxes levied in a county on that property for each fiscal year equal to the amount by which the product of the combined rate of all ad valorem taxes levied in that county on the property for that fiscal year and the amount of the assessed valuation of the property which is taxable in that county for that fiscal year, excluding any increase in the assessed valuation of the property from the immediately preceding fiscal year as a result of any improvement to or change in the actual or authorized use of the property, exceeds the sum obtained by adding:

(a) The amount of all the ad valorem taxes:

(1) Levied in that county on the property for the immediately preceding fiscal year; or

(2) Which would have been levied in that county on the property for the immediately preceding fiscal year if not for any exemptions from taxation that applied to the property for that prior fiscal year but do not apply to the property for the current fiscal year,

➥ whichever is greater; and

(b) Three percent of the amount determined pursuant to paragraph (a).

2. The provisions of subsection 1 do not apply to:

(a) Any hotels, motels or other forms of transient lodging;

(b) Any property for which no assessed valuation was separately established for the immediately preceding fiscal year; and

(c) Any property for which the provisions of subsection 1 of NRS 361.4722 provide a greater abatement from taxation.

3. Except as otherwise required to carry out the provisions of NRS 361.4732 and any regulations adopted pursuant to NRS 361.4733, the amount of any reduction in the ad valorem taxes levied in a county for a fiscal year as a result of the application of the provisions of subsection 1 must be deducted from the amount of ad valorem taxes each taxing entity would otherwise be entitled to receive for that fiscal year in the same proportion as the rate of ad valorem taxes levied in the county on the property by or on behalf of that taxing entity for that fiscal year bears to the combined rate of all ad valorem taxes levied in the county on the property by or on behalf of all taxing entities for that fiscal year.

4. The Nevada Tax Commission shall adopt such regulations as it deems appropriate to carry out this section.

Sec. 12. NRS 361.4732 is hereby amended to read as follows:

361.4732 Except as otherwise required to carry out ***the provisions of section 2 of this act and*** any regulations adopted pursuant to NRS 361.4733**,** and notwithstanding any other provision of NRS 361.471 to 361.4735, inclusive, ***and section 2 of this act*** to the contrary, after a parcel or other taxable unit of real property is annexed to a taxing entity:

1. The amount otherwise required to be determined pursuant to paragraph (a) of subsection 1 of NRS 361.4722, paragraph (a) of subsection 2 of NRS 361.4722, paragraph (a) of subsection 1 of NRS 361.4723 or paragraph (a) of subsection 1 of NRS 361.4724 with respect to that property for the first fiscal year in which that taxing entity is entitled to levy or require the levy on its behalf of any ad valorem taxes on the property as a result of that annexation of the property, shall be deemed to be the amount of ad valorem taxes which would have been levied on the property for the immediately preceding fiscal year if the annexation had occurred 1 year earlier, based upon the tax rates that would have applied to the property for the immediately preceding fiscal year if the annexation had occurred 1 year earlier and without regard to any exemptions from taxation that applied to the property for the immediately preceding fiscal year but do not apply to the property for the current fiscal year; and

2. For the purposes of any other calculations required pursuant to the provisions of NRS 361.471 to 361.4735, inclusive, ***and section 2 of this act,*** the combined overlapping tax rate applicable to that property for the fiscal year immediately preceding the first fiscal year in which that taxing entity is entitled to levy or require the levy on its behalf of any ad valorem taxes on the property as a result of that annexation of the property, shall be deemed to be the combined overlapping tax rate that would have applied to the property for that year if the annexation had occurred 1 year earlier.

Sec. 13. NRS 361.4734 is hereby amended to read as follows:

361.4734 1. A taxpayer who is aggrieved by a determination of the applicability of a partial abatement from taxation pursuant to NRS 361.4722, 361.4723 or 361.4724 may, if the property which is the subject of that determination:

(a) Is not valued pursuant to NRS 361.320 or 361.323, submit a written petition for the review of that determination to the county assessor of the county in which the property is located. The petition must be submitted on or before ~~[January 15]~~ ***June 30*** of the fiscal year for which the determination is effective. The county assessor shall, within 30 days after receiving the petition, render a decision on the petition and notify the taxpayer of that decision.

(b) Is valued pursuant to NRS 361.320 or 361.323, submit a written petition for the review of that determination to the Department. The Department shall, within 30 days after receiving the petition, render a decision on the petition and notify the taxpayer of that decision.

2. A taxpayer who is aggrieved by a decision rendered by a county assessor or the Department pursuant to subsection 1 may, within 30 days after receiving notice of that decision, appeal the decision to the Nevada Tax Commission.

3. A taxpayer who is aggrieved by a determination of the Nevada Tax Commission rendered on an appeal made pursuant to subsection 2 is entitled to a judicial review of that determination.

Sec. 14. NRS 361.535 is hereby amended to read as follows:

361.535 1. If the person, company or corporation so assessed neglects or refuses to pay the taxes within 30 days after demand, the taxes become delinquent. If the person, company or corporation so assessed neglects or refuses to pay the taxes within 10 days after the taxes become delinquent, a penalty of 10 percent must be added. If the tax and penalty are not paid on demand, the county assessor or his deputy may seize, seal or lock enough of the personal property of the person, company or corporation so neglecting or refusing to pay to satisfy the taxes and costs. The county assessor may use alternative methods of collection, including, without limitation, the assistance of the district attorney.

2. The county assessor shall:

(a) Post a notice of the seizure, with a description of the property, in a public area of the county courthouse or the county office building in which the assessor's office is located, and within the immediate vicinity of the property being seized; and

(b) At the expiration of 5 days, proceed to sell at public auction, at the time and place mentioned in the notice, to the highest bidder, for lawful money of the United States, a sufficient quantity of the property to pay the taxes and expenses incurred. For this service, the county assessor must be allowed from the delinquent person a fee of $3. The county assessor is not required to sell the property if the highest bid received is less than the lowest acceptable bid indicated in the notice.

➥ ***A person who, after the notice of the seizure of the property is posted pursuant to this subsection within the immediate vicinity of the property being seized and before the delinquent taxes on the property are paid, and without the consent of the county assessor, removes, defaces, covers or otherwise conceals that notice, moves or sells the property, attempts to move or sell the property, or assists another person to move or sell the property, is guilty of a gross misdemeanor.***

3. If the personal property seized by the county assessor or his deputy consists of a mobile or manufactured home, an aircraft, or the personal property of a business, the county assessor shall publish a notice of the seizure once during each of 2 successive weeks in a newspaper of general circulation in the county. If the legal owner of the property is someone other than the registered owner and the name and address of the legal owner can be ascertained from public records, the county assessor shall, before publication, send a notice of the seizure by registered or certified mail to the legal owner. The cost of the publication and notice must be charged to the delinquent taxpayer. The notice must state:

(a) The name of the owner, if known.

(b) The description of the property seized, including the location, the make, model and dimensions and the serial number, body number or other identifying number.

(c) The fact that the property has been seized and the reason for seizure.

The county assessor shall deposit any remaining amount of the excess proceeds from the sale into an interest-bearing account maintained for the purpose of holding excess proceeds separate from other money of the county. Sec. 16. Chapter 361A of NRS is hereby amended by adding thereto a new section to read as follows:

When any portion of agricultural or open-space land is converted to a higher use, the county assessor shall determine its taxable and , as appropriate, agricultural or open-space use values against which to compute the deferred tax for each fiscal year the property was under agricultural or open-space assessment during the current fiscal year and the preceding 6 fiscal years, or such other period as is required pursuant to NRS 361A.283. The taxable values for each year must be comparable for the corresponding years to the taxable values for property similar, including, without limitation, in size, zoning and location, to the portion of property actually converted to a higher use. When agricultural land is converted to a higher use, the agricultural use values for each of the years may be based on the agricultural use for the latest year. When open-space land that is used as a golf course is converted to a higher use, the taxable values for the property must be determined, for the purpose of computing the deferred tax, in accordance with the provisions of NRS 361.227 based upon the assessment of the land as a golf course.

(c) The existence of a final map or parcel map which creates one or more parcels not intended for agricultural ***or open-space*** use; or

(d) A change in zoning to a higher use made at the request of the owner.

2. The term does not apply to ~~[the property remaining after a]~~ ***any*** portion of the parcel ~~[is converted to higher use pursuant to paragraph (b) or (c) of subsection 1 if the remaining portion]~~ ***that*** continues to qualify as agricultural ***or open-space*** real property.

3. The term does not include leasing the land to or otherwise permitting the land to be used by an agricultural association formed pursuant to chapter 547 of NRS.

4. As used in this section:

Sec. 20. **NRS 361A.170 is hereby amended to read as follows:**

361A.170 1. Property used as a golf course is hereby designated and classified as open-space real property and must be assessed as an open-space use.

2. ***Land regarding which the owner has granted and has outstanding a lease of surface water rights appurtenant to the property to a political subdivision of this State for a municipal use, if the land was agricultural real property at the time the lease was granted, is hereby designated and classified as open-space real property and must be assessed as an open-space use.***

(2) Failure to file a new application as provided in NRS 361A.190.

2. Except as otherwise provided in paragraph (a) of subsection 1, the sale or transfer to a new owner or transfer by reason of death of a former owner does not operate to disqualify open-space real property from open-space use assessment so long as the property continues to be used exclusively for an open-space use. If the open-space use assessment is based on a designation or classification adopted pursuant to subsection ~~[2]~~ ***3*** of NRS 361A.170, the new owner must apply for open-space use assessment in the manner provided in NRS 361A.190.

If the county assessor determines that a parcel was assessed for agricultural ***or open-space*** use rather than at full taxable value for any fiscal year in which it did not qualify for agricultural ***or open-space*** assessment, he may assess the deferred tax for that year anytime within 5 years after the end of that fiscal year.

3. A penalty equal to 20 percent of the total accumulated deferred tax described in subsections 1 and 2 must be added for each of the years in which the owner failed to provide the written notice required by NRS 361A.270. 4. The Department shall report to the State Controller on or before May 25 of each year the amount received as tax upon the net proceeds of geothermal resources which equals the product of those net proceeds multiplied by the rate of tax levied ad valorem by the State of Nevada.

CONSIDERATION OF SENATE AMENDMENTS

Assembly Bill No. 101.

The following Senate amendment was read:

Amendment No. 847.

AN ACT relating to the support of children; authorizing each county in this State to participate in the Program for the Enforcement of Child Support; requiring each county that participates in the Program to pay the cost of the Program in that county; revising certain provisions governing the administration and enforcement of the Program; deleting provisions relating to the placement and confidentiality of certain records concerning the support of a dependent child; requiring a district court to review, on the record, certain recommendations of a master; revising provisions governing the failure of an employer to deliver money that is withheld from the income of an employee for child support; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1 of this bill authorizes each county in this State to participate in the Program for the Enforcement of Child Support created under federal law. If a county participates in the Program, the county must pay for the cost of the Program in that county. **Section 1** also authorizes a county that participates in the Program to withdraw from the Program after providing a notice of withdrawal to the Division of Welfare and Supportive Services of the Department of Health and Human Services.

Section 2 of this bill provides that any payment of public assistance made by the Division for the support of a child creates a debt against the responsible parent, regardless of any court order for custody or support of the child to the contrary. (NRS 425.360)

Section 3 of this bill specifies that the Administrator of the Division or his designee is responsible for and is required to supervise the Program. (NRS 425.365)

Sections 5, 7, 10, 14 and 15 of this bill specify that the approval by a district court of a recommendation made by a master concerning the support of a dependent child must be made in accordance with certain procedural requirements. (NRS 425.382, 425.383, 425.3836, 425.540)

Sections 6, 11, 12, 19 and 21 of this bill delete provisions of existing law that require a master, after making a recommendation for the support of a dependent child, or a district court to ensure that the social security numbers of the parents or legal guardians of the child and the person to whom support is paid are placed in the records relating to the matter and remain confidential. (NRS 425.3828, 425.3844, 425.3855, 125.230, 125B.055)

Section 8 of this bill authorizes a master who conducts a hearing relating to the support of a dependent child to conduct the hearing by telephone or by

any audiovisual or other electronic means outside the judicial district in which the master is appointed. (NRS 425.3832)

Section 9 of this bill provides that if a district court reviews a recommendation of a master concerning the support of a dependent child, the review must be conducted on the record of the case before the master. (NRS 425.3834)

Under existing law, a master who makes a recommendation concerning the support of a dependent child must furnish the recommendation to each party in the case before the master. Each party may then file an objection to the recommendation within 10 days after receiving the recommendation. If a notice of objection is not filed, the district court must accept the recommendation and may enter judgment thereon. **Section 11** of this bill provides that if a notice of objection is not filed, the recommendation of the master shall be deemed approved by the district court and the clerk of the court may file the recommendation. (NRS 425.3844)

Section 13 of this bill provides that a financial institution which is doing business in Nevada and which receives notification of a lien against a responsible parent from an agency for the enforcement of child support located in another state is required to encumber all assets held by the financial institution on behalf of the responsible parent and surrender those assets upon the enforcement of the lien. **Section 13** also provides immunity from liability for the agency located in another state for disclosing information and providing assets to certain other persons. (NRS 425.460)

Sections 16 and 17 of this bill set forth penalties that may be imposed against an employer who **refuses or intentionally** fails to deliver to the appropriate enforcing authority any money that the employer is required to withhold from an employee's wages for child support owed by the employee. The penalties include, without limitation, the payment of punitive damages to the person to whom the child support is owed. (NRS 31A.095, 31A.120)

Section 18 of this bill deletes provisions of existing law that require a court that grants a decree of divorce to ensure that the social security numbers of both parties to the decree are provided to the Division. (NRS 125.130)

Section 22 of this bill revises provisions governing the amounts paid by a parent for medical support for a child pursuant to a court order requiring the payment of that support. (NRS 125B.085)

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 425 of NRS is hereby amended by adding thereto a new section to read as follows:

1. Each county may participate in the Program. If a county participates in the Program, the county shall pay the cost of the Program in that county. Any services provided by the county under the Program must be provided in accordance with:

(a) Part D of Title IV of the Social Security Act, 42 U.S.C. §§ 651 et seq., and any regulations adopted pursuant thereto;

(b) Any regulations adopted pursuant to NRS 425.365; and

(c) A contract entered into with the Division for that purpose.

2. If a county participates in the Program pursuant to subsection 1, the county may, on or before September 1 of each even-numbered year, elect to withdraw from the Program by submitting a notice of withdrawal to the Division. If a county submits a notice of withdrawal pursuant to this subsection, the withdrawal becomes effective on July 1 of the next following year.

Sec. 2. NRS 425.360 is hereby amended to read as follows:

425.360 1. Any payment of public assistance pursuant to this chapter creates a debt for support to the Division by the responsible parent, ~~[whether or not]~~ ***regardless of:***

(a) Any court order for custody or support to the contrary, including, without limitation, an order for joint physical custody; or

(b) Whether the parent received prior notice that his child was receiving public assistance.

2. The Division is entitled to the amount to which a dependent child or a person having the care, custody and control of a dependent child would have been entitled for support, to the extent of the assignment of those rights to support pursuant to NRS 425.350, and may prosecute or maintain any action for support or execute any administrative remedy existing under the laws of this State to obtain reimbursement of money expended for public assistance from any liable third party, including ***, without limitation,*** an insurer, group health plan as defined in section 607(1) of the Employee Retirement Income Security Act of 1974, 29 U.S.C.A. § 1167(1), service benefit plan, self-insured plan or health maintenance organization. If a court enters judgment for an amount of support to be paid by a responsible parent, the Division is entitled to the amount of the debt created by that judgment to the extent of the assignment of rights to support pursuant to NRS 425.350, and the judgment awarded shall be deemed to be in favor of the Division to that extent. This entitlement applies to, but is not limited to, a temporary order for spousal support, a family maintenance order or an alimony order, whether or not allocated to the benefit of the child on the basis of providing necessaries for the caretaker of the child, up to the amount paid by the Division in public assistance to or for the benefit of a dependent child. The Division may petition the appropriate court for modification of its order on the same grounds as a party to the action.

3. If there is no court order for support, or if the order provides that no support is due but the facts on which the order was based have changed, the amount due is the amount computed pursuant to NRS 125B.070 and 125B.080, using the Nevada average wage, determined by the Employment Security Division of the Department of Employment, Training and

Rehabilitation, if the gross income of the responsible parent cannot be otherwise ascertained.

4. Debts for support may not be incurred by a parent or any other person who is the recipient of public assistance for the benefit of a dependent child for the period when the parent or other person is a recipient.

5. If a state agency is assigned any rights of a dependent child or a person having the care, custody and control of a dependent child who is eligible for medical assistance under Medicaid, the person having the care, custody and control of the dependent child shall, upon request of the state agency, provide to the state agency information regarding the dependent child or a person having the care, custody and control of a dependent child to determine:

(a) Any period during which the dependent child or a person having the care, custody and control of a dependent child may be or may have been covered by an insurer; and

(b) The nature of any coverage that is or was provided by the insurer, including, without limitation, the name and address of the insured dependent child or a person having the care, custody and control of a dependent child and the identifying number of the policy, evidence of coverage or contract.

6. As used in this section, "joint physical custody" means the physical custody of a dependent child for which the time spent by the dependent child with each responsible parent or with the responsible parent and a custodian of the child is equal.

Sec. 3. NRS 425.365 is hereby amended to read as follows:

Sec. 18. NRS 125.130 is hereby amended to read as follows:

125.130 1. A judgment or decree of divorce granted pursuant to the provisions of this chapter is a final decree.

2. Whenever a decree of divorce from the bonds of matrimony is granted in this State by a court of competent authority, the decree fully and completely dissolves the marriage contract as to both parties.

3. A court that grants a decree of divorce pursuant to the provisions of this section shall ensure that the social security numbers of both parties are ~~[:~~

~~(a) Provided to the Division of Welfare and Supportive Services of the Department of Health and Human Services.~~

~~(b) Placed~~] ***placed*** in the records relating to the matter and, except as otherwise required to carry out a specific statute, maintained in a confidential manner.

4. In all suits for divorce, if a divorce is granted, the court may, for just and reasonable cause and by an appropriate order embodied in its decree, change the name of the wife to any former name which she has legally borne.

Sec. 19. NRS 125.230 is hereby amended to read as follows:

125.230 1. The court in such actions may make such preliminary and final orders as it may deem proper for the custody, control and support of any minor child or children of the parties.

2. A court that enters an order pursuant to subsection 1 for the support of any minor child or children shall ensure that the social security numbers of the parties are ~~[:~~

~~(a) Provided~~] ***provided*** to the Division of Welfare and Supportive Services of the Department of Health and Human Services.

~~[(b) Placed in the records relating to the matter and, except as otherwise required to carry out a specific statute, maintained in a confidential manner.]~~

Sec. 20. NRS 125.510 is hereby amended to read as follows:

125.510 1. In determining the custody of a minor child in an action brought pursuant to this chapter, the court may, except as otherwise provided in this section **,** ~~[and]~~ chapter 130 of NRS ~~[:]~~ ***and NRS 425.360:***

(a) During the pendency of the action, at the final hearing or at any time thereafter during the minority of any of the children of the marriage, make such an order for the custody, care, education, maintenance and support of the minor children as appears in their best interest; and

(b) At any time **,** modify or vacate its order, even if the divorce was obtained by default without an appearance in the action by one of the parties.

➥ The party seeking such an order shall submit to the jurisdiction of the court for the purposes of this subsection. The court may make such an order upon the application of one of the parties or the legal guardian of the minor.

2. Any order for joint custody may be modified or terminated by the court upon the petition of one or both parents or on the court's own motion if it is shown that the best interest of the child requires the modification or termination. The court shall state in its decision the reasons for the order of modification or termination if either parent opposes it.

3. Any order for custody of a minor child or children of a marriage entered by a court of another state may, subject to the jurisdictional requirements in chapter 125A of NRS, be modified at any time to an order of joint custody.

4. A party may proceed pursuant to this section without counsel.

5. Any order awarding a party a limited right of custody to a child must define that right with sufficient particularity to ensure that the rights of the parties can be properly enforced and that the best interest of the child is achieved. The order must include all specific times and other terms of the limited right of custody. As used in this subsection, "sufficient particularity" means a statement of the rights in absolute terms and not by the use of the term "reasonable" or other similar term which is susceptible to different interpretations by the parties.

6. All orders authorized by this section must be made in accordance with the provisions of chapter 125A of NRS and must contain the following language:

PENALTY FOR VIOLATION OF ORDER: THE ABDUCTION, CONCEALMENT OR DETENTION OF A CHILD IN VIOLATION OF THIS ORDER IS PUNISHABLE AS A CATEGORY D FELONY AS PROVIDED IN NRS 193.130. NRS 200.359 provides that every person having a limited right of custody to a child or any parent having no right of custody to the child who willfully detains, conceals or removes the child from a parent, guardian or other person having lawful custody or a right of visitation of the child in violation of an order of this court, or removes the child from the jurisdiction of the court without the consent of either the court or all persons who have the right to custody or visitation is subject to being punished for a category D felony as provided in NRS 193.130.

7. In addition to the language required pursuant to subsection 6, all orders authorized by this section must specify that the terms of the Hague Convention ***on the Civil Aspects of International Child Abduction*** of October 25, 1980, adopted by the 14th Session of the Hague Conference on Private International Law, apply if a parent abducts or wrongfully retains a child in a foreign country.

8. If a parent of the child lives in a foreign country or has significant commitments in a foreign country:

(a) The parties may agree, and the court shall include in the order for custody of the child, that the United States is the country of habitual residence of the child for the purposes of applying the terms of the Hague Convention as set forth in subsection 7.

(b) Upon motion of one of the parties, the court may order the parent to post a bond if the court determines that the parent poses an imminent risk of wrongfully removing or concealing the child outside the country of habitual residence. The bond must be in an amount determined by the court and may be used only to pay for the cost of locating the child and returning him to his habitual residence if the child is wrongfully removed from or concealed outside the country of habitual residence. The fact that a parent has significant commitments in a foreign country does not create a presumption that the parent poses an imminent risk of wrongfully removing or concealing the child.

9. Except where a contract providing otherwise has been executed pursuant to NRS 123.080, the obligation for care, education, maintenance and support of any minor child created by any order entered pursuant to this section ceases:

(a) Upon the death of the person to whom the order was directed; or

(b) When the child reaches 18 years of age if he is no longer enrolled in high school, ***or*** otherwise, when he reaches 19 years of age.

10. As used in this section, a parent has "significant commitments in a foreign country" if he:

(a) Is a citizen of a foreign country;

(b) Possesses a passport in his name from a foreign country;

(c) Became a citizen of the United States after marrying the other parent of the child; or

(d) Frequently travels to a foreign country.

Sec. 21. NRS 125B.055 is hereby amended to read as follows:

125B.055 1. A court that, on or after October 1, 1998, issues or modifies an order in this State for the support of a child shall ~~[~~:

~~(a) Obtain~~~]~~ ***obtain*** and provide to the Division of Welfare and Supportive Services of the Department of Health and Human Services such information regarding the order as the Division of Welfare and Supportive Services determines is necessary to carry out the provisions of 42 U.S.C. § 654a.

~~[(b) Ensure that the social security numbers of the child and the parents of the child are placed in the records relating to the matter and, except as~~

~~otherwise required to carry out a specific statute, maintained in a confidential manner.]~~

2. Within 10 days after a court of this State issues an order for the support of a child, each party to the cause of action shall file with the ~~[court that issued the order and the]~~ Division of Welfare and Supportive Services:

(a) His social security number;

(b) His residential and mailing addresses;

3. The Division of Welfare and Supportive Services shall adopt regulations specifying the particular information required to be provided pursuant to subsection 1 to carry out the provisions of 42 U.S.C. § 654a.

Sec. 22. NRS 125B.085 is hereby amended to read as follows:

125B.085 1. Except as otherwise provided in NRS 125B.012, every court order for the support of a child issued or modified in this State on or after June 2, 2007, must include a provision specifying that one or both parents are required to provide medical support for the child and any details relating to that requirement.

2. As used in this section, "medical support" includes, without limitation, coverage for health care under a plan of insurance ~~[,]~~ ***that is reasonable in cost and accessible,*** including, without limitation, the payment of any premium, copayment or deductible and the payment of medical expenses. ***For the purpose of this subsection:***

(a) Payments of cash for medical support or the costs of coverage for health care under a plan of insurance are "reasonable in cost" if:

(1) In the case of payments of cash for medical support, the cost to each parent who is responsible for providing medical support is not more than 5 percent of the gross monthly income of the parent; or

(2) In the case of the costs of coverage for health care under a plan of insurance, the cost of adding a dependent child to any existing coverage for health care or the difference between individual and family coverage, whichever is less, is not more than 5 percent of the gross monthly income of the parent.

(b) Coverage for health care under a plan of insurance is "accessible" if the plan:

(1) Is not limited to coverage within a geographical area; or

(2) Is limited to coverage within a geographical area and the child resides within that geographical area.

Sec. 23. (Deleted by amendment.)

Sec. 24. 1. This section and sections 1 to 14, inclusive, and 16 to 23, inclusive, of this act become effective on October 1, 2009.

If a county participates in the Program, the county must pay for the cost of the Program in that county. **Section 1** also authorizes a county that participates in the Program to withdraw from the Program after providing a notice of withdrawal to the Division of Welfare and Supportive Services of the Department of Health and Human Services.

~~[~~ Section 2 of this bill provides that any payment of public assistance made by the Division for the support of a child creates a debt against the responsible parent, regardless of any court order for custody or support of the child to the contrary. (NRS 425.360)~~]~~

Section 3 of this bill specifies that the Administrator of the Division or his designee is responsible for and is required to supervise the Program. (NRS 425.365)

Sections 6, 11, 12, 19 and 21 of this bill delete provisions of existing law that require a master, after making a recommendation for the support of a dependent child, or a district court to ensure that the social security numbers of the parents or legal guardians of the child and the person to whom support is paid are placed in the records relating to the matter and remain confidential. Under existing law, a master who makes a recommendation concerning the support of a dependent child must furnish the recommendation to each party in the case before the master. Each party may then file an objection to the recommendation within 10 days after receiving the recommendation. If a notice of objection is not filed, the district court must accept the recommendation and may enter judgment thereon. **Section 11** of this bill provides that if a notice of objection is not filed, the recommendation of the master shall be deemed approved by the district court and the clerk of the court may file the recommendation. (NRS 425.3844)

(NRS 425.460)

Sections 16 and 17 of this bill set forth penalties that may be imposed against an employer who fails to deliver to the appropriate enforcing authority any money that the employer is required to withhold from an employee's wages for child support owed by the employee. The penalties include, without limitation, the payment of punitive damages to the person to whom the child support is owed. (NRS 31A.095, 31A.120)

The bond must be in an amount determined by the court and may be used only to pay for the cost of locating the child and returning him to his habitual residence if the child is wrongfully removed from or concealed outside the country of habitual residence. The fact that a parent has significant commitments in a foreign country does not create a presumption~~

~~that the parent poses an imminent risk of wrongfully removing or concealing the child.~~

~~9. Except where a contract providing otherwise has been executed pursuant to NRS 123.080, the obligation for care, education, maintenance and support of any minor child created by any order entered pursuant to this section ceases:~~

CONSIDERATION OF SENATE AMENDMENTS

Assembly Bill No. 146.

The following Senate amendment was read:

Amendment No. 875.

AN ACT relating to business; providing for the establishment of a state business portal by the Secretary of State; revising the provisions relating to the issuance of state business licenses and transferring certain responsibilities concerning state business licenses from the Department of Taxation to the Secretary of State; making an appropriation; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 2 of this bill provides for the establishment of a state business portal by the Secretary of State to facilitate interaction among businesses and governmental agencies in this State by allowing businesses to conduct necessary transactions with governmental agencies in this State through use of the state business portal. The Secretary of State is required to: (1) establish, through cooperative efforts, the standards and requirements necessary to design, build and implement the state business portal; (2) establish the standards and requirements necessary for a state or local agency to participate in the state business portal; (3) authorize a state or local agency to participate in the state business portal if the Secretary of State determines that the agency meets the standards and requirements necessary for such participation; (4) determine the appropriate requirements to be used by businesses and governmental agencies conducting transactions through use of the state business portal; and (5) adopt regulations and take any appropriate action as necessary to provide for the establishment, operation and maintenance of the state business portal.

Section 3 of this bill authorizes the Secretary of State, within the limit of money authorized to him and subject to the approval of the State Board of Examiners, to enter into contracts and other lawful agreements with private or public entities to assist the Secretary of State in establishing, operating or maintaining the state business portal.

Section 4 of this bill provides that the Secretary of State may apply for and accept any gift, donation, bequest, grant or other source of money to provide for the establishment, operation and maintenance of the state business portal.

Sections 6-18 of this bill transfer certain duties and responsibilities concerning the issuance of state business licenses from the Department of Taxation to the Secretary of State. (NRS 360.760-360.798)

Section 45.5 of this bill makes an appropriation for the design and implementation of the state business portal.

WHEREAS, Historically, various state and local governmental agencies have often required businesses to submit various applications for necessary licenses, permits and approvals, through the use of numerous forms and formats and multiple web sites, as determined by those separate agencies; and

WHEREAS, Advances in information technology enable governmental agencies to make the exchange of information from business to government, from government to business, and across governmental agencies more efficient and effective for all parties; and

WHEREAS, States that make required transactions among businesses and governmental agencies faster, easier and cheaper than other states provide a competitive advantage for businesses under their jurisdiction and thereby encourage economic development within their jurisdiction; and

WHEREAS, The State of Nevada should strive to become the national leader for online interaction between business and government; and

WHEREAS, The establishment of a state business portal by the Secretary of State would provide a single, secure portal for the transaction of business and would improve efficiency, eliminate redundancy, streamline the establishment of businesses, improve accountability and enhance economic development in this State; now, therefore,

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

CONSIDERATION OF SENATE AMENDMENTS

Assembly Bill No. 471.

The following Senate amendment was read:

Amendment No. 728.

AN ACT relating to real property; providing that a deficiency in payment on a mortgage, deed of trust or other encumbrance may be cured under certain circumstances before foreclosure; providing that a court shall not award a deficiency judgment on the foreclosure of a mortgage or a deed of trust under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1 of this bill provides a right to cure a deficiency in payment on a mortgage or other encumbrance before a judicial foreclosure sale at any time not later than 5 days before the date of sale.

Under existing law, a judgment creditor or a beneficiary of a deed of trust may obtain, after a hearing, a deficiency judgment after a foreclosure sale or trustee's sale if it appears from the sheriff's return or the recital of consideration in the trustee's deed that there is a deficiency of the proceeds of the sale and a balance remaining due the judgment creditor or beneficiary

of the deed of trust. (NRS 40.455) **Section 2** of this bill provides that **if the judgment creditor or the beneficiary of the deed of trust is a financial institution,** a court may not award a deficiency judgment to ~~[a]~~ **the** judgment creditor or ~~[a]~~ **the** beneficiary of ~~[a]~~ **the** deed of trust if: (1) the real property is a single-family dwelling and the debtor or grantor was the owner of the property; (2) the debtor or grantor used the loan to purchase the property; (3) the debtor or grantor occupied the property continuously after obtaining the loan; and (4) the debtor or grantor did not refinance the loan.

Section 3 of this bill provides that the amendatory provisions of this bill apply only prospectively to obligations secured by a mortgage, deed of trust or other encumbrance upon real property on or after the effective date of this bill.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 40.430 is hereby amended to read as follows:

40.430 1. Except in cases where a person proceeds under subsection 2 of NRS 40.495 or subsection 1 of NRS 40.512, there may be but one action for the recovery of any debt, or for the enforcement of any right secured by a mortgage or other lien upon real estate. That action must be in accordance with the provisions of NRS 40.430 to 40.459, inclusive. In that action, the judgment must be rendered for the amount found due the plaintiff, and the court, by its decree or judgment, may direct a sale of the encumbered property, or such part thereof as is necessary, and apply the proceeds of the sale as provided in NRS 40.462.

2. This section must be construed to permit a secured creditor to realize upon the collateral for a debt or other obligation agreed upon by the debtor and creditor when the debt or other obligation was incurred.

3. ***At any time not later than 5 business days before the date of sale directed by the court, if the deficiency resulting in the action for the recovery of the debt has arisen by failure to make a payment required by the mortgage or other lien, the deficiency may be made good by payment of the deficient sum and by payment of any costs, fees and expenses incident to making the deficiency good. If a deficiency is made good pursuant to this subsection, the sale may not occur.***

4. A sale directed by the court pursuant to subsection 1 must be conducted in the same manner as the sale of real property upon execution, by the sheriff of the county in which the encumbered land is situated, and if the encumbered land is situated in two or more counties, the court shall direct the sheriff of one of the counties to conduct the sale with like proceedings and effect as if the whole of the encumbered land were situated in that county.

~~[4.]~~ ***5.*** As used in this section, an "action" does not include any act or proceeding:

(a) To appoint a receiver for, or obtain possession of, any real or personal collateral for the debt or as provided in NRS 32.015.

(b) To enforce a security interest in, or the assignment of, any rents, issues, profits or other income of any real or personal property.

(d) For the recovery of damages arising from the commission of a tort, including a recovery under NRS 40.750, or the recovery of any declaratory or equitable relief.

(e) For the exercise of a power of sale pursuant to NRS 107.080.

(f) For the exercise of any right or remedy authorized by chapter 104 of NRS or by the Uniform Commercial Code as enacted in any other state.

(g) For the exercise of any right to set off, or to enforce a pledge in, a deposit account pursuant to a written agreement or pledge.

(h) To draw under a letter of credit.

(i) To enforce an agreement with a surety or guarantor if enforcement of the mortgage or other lien has been automatically stayed pursuant to 11 U.S.C. § 362 or pursuant to an order of a federal bankruptcy court under any other provision of the United States Bankruptcy Code for not less than 120 days following the mailing of notice to the surety or guarantor pursuant to subsection 1 of NRS 107.095.

(j) To collect any debt, or enforce any right, secured by a mortgage or other lien on real property if the property has been sold to a person other than the creditor to satisfy, in whole or in part, a debt or other right secured by a senior mortgage or other senior lien on the property.

(k) Relating to any proceeding in bankruptcy, including the filing of a proof of claim, seeking relief from an automatic stay and any other action to determine the amount or validity of a debt.

(l) For filing a claim pursuant to chapter 147 of NRS or to enforce such a claim which has been disallowed.

(m) Which does not include the collection of the debt or realization of the collateral securing the debt.

(n) Pursuant to NRS 40.507 or 40.508.

(o) Which is exempted from the provisions of this section by specific statute.

(p) To recover costs of suit, costs and expenses of sale, attorneys' fees and other incidental relief in connection with any action authorized by this subsection.

Sec. 2. NRS 40.455 is hereby amended to read as follows:

40.455 1. ~~[Upon]~~ ***Except as otherwise provided in subsection 3, upon*** application of the judgment creditor or the beneficiary of the deed of trust within 6 months after the date of the foreclosure sale or the trustee's sale held pursuant to NRS 107.080, respectively, and after the required hearing, the court shall award a deficiency judgment to the judgment creditor or the beneficiary of the deed of trust if it appears from the sheriff's return or the

recital of consideration in the trustee's deed that there is a deficiency of the proceeds of the sale and a balance remaining due to the judgment creditor or the beneficiary of the deed of trust, respectively.

2. If the indebtedness is secured by more than one parcel of real property, more than one interest in the real property or more than one mortgage or deed of trust, the 6-month period begins to run after the date of the foreclosure sale or trustee's sale of the last parcel or other interest in the real property securing the indebtedness, but in no event may the application be filed more than 2 years after the initial foreclosure sale or trustee's sale.

3. ~~[The]~~ If the judgment creditor or the beneficiary of the deed of trust is a financial institution, the court may not award a deficiency judgment to the judgment creditor or the beneficiary of the deed of trust, even if there is a deficiency of the proceeds of the sale and a balance remaining due the judgment creditor or beneficiary of the deed of trust, if:

(a) The real property is a single-family dwelling and the debtor or grantor was the owner of the real property at the time of the foreclosure sale or trustee's sale;

(b) The debtor or grantor used the amount for which the real property was secured by the mortgage or deed of trust to purchase the real property;

(c) The debtor or grantor continuously occupied the real property as his principal residence after securing the mortgage or deed of trust; and

(d) The debtor or grantor did not refinance the mortgage or deed of trust after securing it.

4. As used in this section, "financial institution" has the meaning ascribed to it in NRS 363A.050.

Sec. 3. The amendatory provisions of this act apply only to an obligation secured by a mortgage, deed of trust or other encumbrance upon real property on or after October 1, 2009.

SECOND READING AND AMENDMENT

Assembly Bill No. 422.

Bill read second time.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 686.

AN ACT relating to the financing of local improvements; making various changes regarding certain types of financing using revenue pledged from sales and use taxes; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the governing body of a municipality in a county whose population is less than 400,000 (currently counties other than Clark County) and which has created a local improvement district to pledge revenue from several sales and use taxes imposed in that district to finance certain projects of the municipality within the district. (NRS 271.650) **Section 1** of this bill excludes local school support taxes from any further pledges of such revenue.

Existing law authorizes the governing body of any city or county to create a tourism improvement district (TID), and to pledge revenue from several sales and use taxes imposed in that district to finance certain projects within the district. The projects may be owned by the municipality, another governmental entity or any other person and may be financed through the issuance of bonds or the entry into agreements for the reimbursement of the costs of the projects. (Chapter 271A of NRS) **Section 3** of this bill requires the independent auditing of claims made under agreements to provide such financing and prohibits the use of such financing to pay various fees and costs. **Section 3** also prohibits the use of such financing for the relocation within a TID of a retailer from another location within ~~[the municipality.]~~ **3 miles outside of the boundary of the TID** and excludes the use for such financing of the tax revenue from such a retailer. **Section 4** of this bill requires **certain** contractors ~~[who bid]~~ on funded projects to ~~[list]~~ **select** their subcontractors ~~[in those bids and prohibits the substitution of subcontractors without the approval of the municipality.]~~ **by competitive bidding. Section 5** of this bill requires annual reports ~~[by each municipality that creates]~~ **regarding projects within** a TID. **Sections 6 and ~~[8]~~ 9** of this bill exclude local school support taxes from any further pledges of revenue for the financing of projects within a TID. **Section 7 of this bill revises the prerequisites for the creation of a TID. Section ~~[9]~~ 10** of this bill applies the prevailing wage provisions applicable to public works to construction contracts for projects within a TID to the same extent as if the contracts were awarded by the municipality and the projects constituted public works.

~~[Existing law prohibits the creation of a tourism improvement district unless the governing body of the municipality determines that there will be a substantial increase in sales and use tax proceeds as a result of the project, and the Commission on Tourism determines that a preponderance of that increase will be attributable to out-of-state tourists. Section 7 of this bill requires the Commission to consider the results of an independent study before making its determination.]~~

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 271.650 is hereby amended to read as follows:

271.650 1. Except as otherwise provided in this section, the governing body of a municipality in a county whose population is less than 400,000

may include in an assessment ordinance for a project the pledge of a single percentage specified in the ordinance, which must not exceed 75 percent, of:

(a) An amount equal to the proceeds of the taxes imposed pursuant to NRS 372.105 and 372.185 with regard to tangible personal property sold at retail, or stored, used or otherwise consumed, in the improvement district during a fiscal year, after the deduction of a sum equal to 0.75 percent of the amount of those proceeds; ~~[and]~~

(b) ~~[The]~~ ***If the ordinance is adopted before the effective date of this section, the*** amount of the proceeds of the taxes imposed pursuant to NRS 374.110 ~~[,]~~ ***and*** 374.190 ~~[and 377.030]~~ with regard to tangible personal property sold at retail, or stored, used or otherwise consumed, in the improvement district during a fiscal year, after the deduction of 0.75 percent of the amount of those proceeds ~~[.]~~ ***; and***

(c) The amount of the proceeds of the tax imposed pursuant to NRS 377.030 with regard to tangible personal property sold at retail, or stored, used or otherwise consumed, in the improvement district during a fiscal year, after the deduction of 0.75 percent of the amount of those proceeds.

2. If any property within the boundaries of an improvement district for which any money is pledged pursuant to this section is also included within the boundaries of any other improvement district for which any money is pledged pursuant to this section or any tourism improvement district for which any money is pledged pursuant to NRS 271A.070, the total amount of money pledged pursuant to this section and NRS 271A.070 with respect to such property by all such districts must not exceed the amount authorized pursuant to this section.

3. The governing body of a municipality shall not include a pledge authorized by subsection 1 in an assessment ordinance for a project unless:

(a) The governing body determines that no retailers have maintained a fixed place of business in the improvement district at any time from the first day of the fiscal year in which the assessment ordinance is adopted until the date of the adoption of the ordinance.

(b) The governing body determines, at a public hearing conducted at least 15 days after providing notice of the hearing by publication, that:

(1) As a result of the project:

(I) Retailers will locate their businesses as such in the improvement district; and

(II) There will be a substantial increase in the proceeds from sales and use taxes remitted by retailers with regard to tangible personal property sold at retail, or stored, used or otherwise consumed, in the improvement district; and

(2) A preponderance of that increase in the proceeds from sales and use taxes will be attributable to transactions with tourists who are not residents of this State.

(c) The Commission on Tourism determines, at a public hearing conducted at least 15 days after providing notice of the hearing by publication, that a preponderance of the increase in the proceeds from sales and use taxes identified pursuant to paragraph (b) will be attributable to transactions with tourists who are not residents of this State.

(d) The Governor determines that the project and the pledge of money authorized by subsection 1 will contribute significantly to economic development and tourism in this State. Before making that determination, the Governor:

(1) Must consider the fiscal effects of the pledge of money on educational funding, including any fiscal effects described in comments provided pursuant to NRS 271.670 by the school district in which the improvement district is located, and for that purpose may require the Department of Education or the Department of Taxation, or both, to provide him with an appropriate fiscal report; and

(2) If the Governor determines that the pledge of money will have a substantial adverse fiscal effect on educational funding, may require a commitment from the municipality for the provision of specified payments to the school district in which the improvement district is located during the term of the pledge of money. The payments may be provided pursuant to agreements authorized by NRS 271.670 or from sources other than the owners of property within the improvement district. Such a commitment by a municipality is not subject to the limitations of subsection 1 of NRS 354.626 and, notwithstanding any other law to the contrary, is binding on the municipality for the term of the pledge of money authorized by subsection 1.

(e) If any property within the boundaries of the improvement district is also included within the boundaries of any other improvement district for which any money has been pledged pursuant to this section or any tourism improvement district for which any money has been pledged pursuant to NRS 271A.070, all the governing bodies which created those districts have entered into an interlocal agreement providing for:

(1) The apportionment of any money pledged pursuant to this section and NRS 271A.070 with respect to such property; and

(2) The priority of the application of that money between:

(I) Bonds issued pursuant to this chapter; and

(II) Bonds and notes issued, and agreements entered into, pursuant to NRS 271A.120.

➥ Any such agreement for the priority of the application of that money may be made irrevocable during the term of any bonds issued pursuant to this chapter to which all or any portion of that money is pledged, or during the term of any bonds or notes issued or any agreements entered into pursuant to NRS 271A.120 to which all or any portion of that money is pledged.

4. Any determination or approval made pursuant to subsection 3 is conclusive in the absence of fraud or gross abuse of discretion.

5. As used in this section, "retailer" has the meaning ascribed to it in NRS 374.060.

Sec. 2. Chapter 271A of NRS is hereby amended by adding thereto the provisions set forth as sections 3, 4 and 5 of this act.

Sec. 3. ***The governing body of a municipality:***

1. CONSIDERATION OF SENATE AMENDMENTS

Assembly Bill No. 80.

The following Senate amendment was read:

Amendment No. 835.

AN ACT relating to excavations; setting forth the duties of an operator of a sewer main with respect to a sewer service lateral connected to that sewer main; revising provisions relating to the operators of subsurface installations; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 4 of this bill sets forth the duties and rights of an operator of a sewer main with respect to a sewer service lateral connected to that sewer main when he is notified of a proposed excavation or demolition by an association for operators. **Section 4** also authorizes an operator of a sewer main, which may be a local government, to require the person responsible for the excavation or demolition to reimburse any costs incurred by the operator to locate and identify the connection. **Section 15.5 of this bill provides that**

on and after January 1, 2011, certain operators are prohibited from obtaining reimbursement of such costs.

Section 6 of this bill requires the operator of a sewer main to maintain certain information relating to the locations of connections of sewer service laterals to the sewer main.

Section 7 of this bill establishes limitations on the duties and responsibilities of an operator of a sewer main with respect to a connection of a sewer service lateral to the sewer main.

Section 12 of this bill sets forth the duties of a person who connects a sewer service lateral to a sewer main. (NRS 455.131)

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 455 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 7, inclusive, of this act.

Sec. 2. ***"Sewer main" means a sewer line with a diameter that exceeds 6 inches.***

Sec. 3. ***"Sewer service lateral" means a pipe or conduit that connects a building or other property to a sewer main.***

Sec. 4. ***If an operator of a sewer main receives notice through an association for operators pursuant to paragraph (a) of subsection 1 of NRS 455.110:***

1. For a proposed excavation or demolition, the operator of the sewer main shall provide the person responsible for the excavation or demolition with the operator's best available information regarding the location of the connection of the sewer service lateral to the sewer main. The operator shall convey the information to the person responsible for the excavation or demolition in such manner as is determined by the operator which may include any one or more of the following methods, without limitation:

(a) Identification of the location of the connection of the sewer service lateral to the sewer main;

(b) Providing copies of documents relating to the location of the sewer service lateral within 2 working days; or

(c) Placement of a triangular green marking along the sewer main or the edge of the public right-of-way, pointing toward the real property serviced by the sewer service lateral to indicate that the location of the sewer service lateral is unknown.

2. The operator of a sewer main shall make its best efforts to comply with paragraph (a) or (c) of subsection 1 within 2 working days. If an operator of a sewer main cannot complete the requirements of paragraph (a) or (c) of subsection 1 within 2 working days, then the operator and the person responsible for the excavation or demolition must mutually agree upon a reasonable amount of time within which the operator must comply.

3. A government, governmental agency or political subdivision of a government that operates a sewer main may charge a person responsible

for excavation or demolition in a public right-of-way for complying with this section in an amount that does not exceed the actual costs for the operator for compliance with this section. Costs assessed pursuant to this subsection are not subject to the provisions of NRS 354.59881 to 354.59889, inclusive.

4. If the operator of a sewer main has received the information required pursuant to NRS 455.131 or has otherwise identified the location of the sewer service lateral in the public right-of-way, then the operator of the sewer main shall be responsible thereafter to identify the location of the sewer service lateral from that information.

Sec. 5. (Deleted by amendment.)

Sec. 6. ***An operator of a sewer main shall maintain all information relating to the locations of connections of sewer service laterals to the sewer main:***

Sec. 7. ***An operator of a sewer main who is not otherwise required by law to be responsible for the maintenance, operation, ownership or repair of a sewer service lateral that connects to the sewer main does not assume any further duty with respect to a sewer service lateral pursuant to this chapter nor become responsible for the maintenance, operation, ownership or repair of the sewer service lateral that connects to the sewer main solely because the operator complied with the provisions of NRS 455.080 to 455.180, inclusive, and sections 2 to 7, inclusive, of this act.***

2. A person is exempt from complying with the provisions of NRS 455.080 to 455.180, inclusive, ***and sections 2 to 7, inclusive, of this act,*** if he obtains the written consent of all operators involved in the proposed excavation or demolition before he receives a permit to conduct the excavation or demolition.

Assembly Bill No. 225.

The following Senate amendment was read:

Amendment No. 849.

AN ACT relating to county fire departments; requiring a board of county commissioners that creates a district for a fire department to adopt an ordinance requiring the imposition and collection of fees for the transportation of sick or injured persons by the department to a medical facility; mandating that such an ordinance in a county whose population is 400,000 or more limit the number of such transports by the department ~~[and require an annual]~~ **; requiring a board of county commissioners in a county whose population is 400,000 or more to submit a quarterly** report to the Legislature **and the Legislative Committee on Health Care** of ~~[the fees charged for, and the number of, such transports;]~~ **various information relating to the transport of sick and injured persons to medical facilities;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the board of county commissioners, in a county where a district for a fire department has been created and where the fire department transports sick or injured persons to a medical facility, to adopt an ordinance that either: (1) requires the fire department to impose and collect fees to defray the expenses of furnishing such transportation; or (2) prohibits the imposition and collection of such fees. (NRS 244.2961) **Section 1** of this bill repeals the option of adopting an ordinance prohibiting the imposition and collection of such fees, except in counties for which a nonprofit corporation has been granted an exclusive franchise to provide

ambulance service. **Section 1** also requires that, in a county whose population is 400,000 or more (currently Clark County), such an ordinance limit the number of transports the fire department may make annually to not more than 1,000 transports, with an exception for emergency situations in which a private ambulance is not available. **Section 2** of this bill, with respect to a county that has already adopted an ordinance prohibiting the imposition and collection of such fees, allows the county until January 1, 2010, to amend or repeal that ordinance. **Section 3** of this bill requires the board of county commissioners of a county whose population is 400,000 or more to submit ~~[an annual]~~ **a quarterly** report to the Legislature **and the Legislative Committee on Health Care** regarding the number of yearly transports made by the fire department and **all ambulance companies. The report must include, without limitation,** the fees charged for those transports ~~[.]~~ **, whether or not the persons transported had health insurance and what medical facilities the persons were transported to and from.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 244.2961 is hereby amended to read as follows:

244.2961 1. The board of county commissioners may by ordinance create a district for a fire department. The board of county commissioners is ex officio the governing body of any district created pursuant to this section and may:

(a) "Eligible customer" has the meaning ascribed to it in NRS 704B.080.

(b) "Provider of new electric resources" has the meaning ascribed to it in NRS 704B.130.

Sec. 5. NRS 704.736 is hereby amended to read as follows:

704.736 The application of NRS 704.736 to 704.751, inclusive, ***and section 4.3 of this act*** is limited to any public utility in the business of supplying electricity which has an annual operating revenue in this state of $2,500,000 or more.

Sec. 6. NRS 704.741 is hereby amended to read as follows:

704.741 1. A utility which supplies electricity in this State shall, on or before July 1 of every third year, in the manner specified by the Commission, submit a plan to increase its supply of electricity or decrease the demands made on its system by its customers to the Commission.

2. The Commission shall, by regulation ~~[, prescribe]~~ ***:***

(a) Prescribe the contents of such a plan including, but not limited to, the methods or formulas which are used by the utility to:

~~[(a)]~~ ***(1)*** Forecast the future demands; and

~~[(b)]~~ ***(2)*** Determine the best combination of sources of supply to meet the demands or the best method to reduce them ~~[.]~~ ***; and***

(b) Designate renewable energy zones and revise the designated renewable energy zones as the Commission deems necessary.

3. The Commission shall require the utility to include in its plan an energy efficiency program for residential customers which reduces the consumption of electricity or any fossil fuel. The energy efficiency program must include, without limitation, the use of new solar thermal energy sources.

4. The Commission shall require the utility to include in its plan a plan for construction or expansion of transmission facilities to serve renewable energy zones ~~*[.]*~~ ***and to facilitate the utility in meeting the portfolio standard established by NRS 704.7821.***

5. As used in this section, "renewable energy zones" means specific geographic zones where renewable energy resources are sufficient to develop generation capacity and where transmission constrains the delivery of electricity from those resources to customers.

Sec. 7. NRS 704.746 is hereby amended to read as follows:

704.746 1. After a utility has filed its plan pursuant to NRS 704.741, the Commission shall convene a public hearing on the adequacy of the plan.

2. At the hearing any interested person may make comments to the Commission regarding the contents and adequacy of the plan.

3. After the hearing, the Commission shall determine whether:

(a) The forecast requirements of the utility are based on substantially accurate data and an adequate method of forecasting.

(b) The plan identifies and takes into account any present and projected reductions in the demand for energy that may result from measures to improve energy efficiency in the industrial, commercial, residential and energy producing sectors of the area being served.

(c) The plan adequately demonstrates the economic, environmental and other benefits to this State and to the customers of the utility, associated with the following possible measures and sources of supply:

(1) Improvements in energy efficiency;

(2) Pooling of power;

(3) Purchases of power from neighboring states or countries;

(4) Facilities that operate on solar or geothermal energy or wind;

(5) Facilities that operate on the principle of cogeneration or hydrogeneration; ~~[and]~~

(6) Other generation facilities ~~[.]~~ ***; and***

(7) Other transmission facilities.

4. The Commission may give preference to the measures and sources of supply set forth in paragraph (c) of subsection 3 that:

(a) Provide the greatest economic and environmental benefits to the State;

(b) Are consistent with the provisions of this section; and

(c) Provide levels of service that are adequate and reliable.

5. The Commission shall:

(a) Adopt regulations which determine the level of preference to be given to those measures and sources of supply; and

(b) Consider the value to the public of using water efficiently when it is determining those preferences.

6. The Commission shall:

(a) Consider the level of financial commitment from developers of renewable energy projects in each renewable energy zone, as designated pursuant to subsection 2 of NRS 704.741; and

(b) Adopt regulations establishing a process for considering such commitments including, without limitation, contracts for the sale of energy, leases of land and mineral rights, cash deposits and letters of credit.

Sec. 8. NRS 704.751 is hereby amended to read as follows:

704.751 1. After a utility has filed the plan required pursuant to NRS 704.741, the Commission shall issue an order accepting the plan as filed or specifying any portions of the plan it deems to be inadequate:

(a) Within 135 days for any portion of the plan relating to the energy supply plan for the utility for the 3 years covered by the plan; and

(b) Within 180 days for all portions of the plan not described in paragraph (a).

2. If a utility files an amendment to a plan, the Commission shall issue an order accepting the amendment as filed or specifying any portions of the amendment it deems to be inadequate within 135 days of the filing of the amendment.

3. All prudent and reasonable expenditures made to develop the utility's plan, including environmental, engineering and other studies, must be recovered from the rates charged to the utility's customers.

4. The Commission may accept a transmission plan submitted pursuant to subsection 4 of NRS 704.741 for a renewable energy zone if the Commission determines that the construction or expansion of transmission facilities would facilitate the utility meeting the portfolio standard, as defined in NRS 704.7805.

5. The Commission shall adopt regulations establishing the criteria for determining the adequacy of a transmission plan submitted pursuant to subsection 4 of NRS 704.741.

Sec. 8.2. NRS 704.775 is hereby amended to read as follows:

704.775 1. The billing period for net metering must be a monthly period.

2. The net energy measurement must be calculated in the following manner:

(a) The utility shall measure, in kilowatt-hours, the net electricity produced or consumed during the billing period, in accordance with normal metering practices.

(b) If the electricity supplied by the utility exceeds the electricity generated by the customer-generator which is fed back to the utility during the billing period, the customer-generator must be billed for the net electricity supplied by the utility.

(c) If the electricity generated by the customer-generator which is fed back to the utility exceeds the electricity supplied by the utility during the billing period:

(1) Neither the utility nor the customer-generator is entitled to compensation for the electricity provided to the other during the billing period.

(2) The excess electricity which is fed back to the utility during the billing period is carried forward to the next billing period as an addition to the kilowatt-hours generated by the customer-generator in that billing period. If the customer-generator is billed for electricity pursuant to a time-of-use rate schedule, the excess electricity carried forward must be added to the same time-of-use period as the time-of-use period in which it was generated unless the subsequent billing period lacks a corresponding time-of-use period. In that case, the excess electricity carried forward must be apportioned evenly among the available time-of-use periods.

(3) Excess electricity may be carried forward to subsequent billing periods indefinitely, but a customer-generator is not entitled to receive compensation for any excess electricity that remains if:

(I) The net metering system ceases to operate or is disconnected from the utility's transmission and distribution facilities;

(II) The customer-generator ceases to be a customer of the utility at the premises served by the net metering system; or

(III) The customer-generator transfers the net metering system to another person.

(4) The value of the excess electricity must not be used to reduce any other fee or charge imposed by the utility.

3. If the cost of purchasing and installing a net metering system was paid for:

(a) In whole or in part by a utility, the electricity generated by the net metering system shall be deemed to be electricity that the utility generated or acquired from a renewable energy system for the purposes of complying with its portfolio standard pursuant to NRS 704.7801 to 704.7828, inclusive ~~[.]~~ ***, and section 4.7 of this act.***

(b) Entirely by a customer-generator, the Commission shall issue to the customer-generator portfolio energy credits for use within the system of portfolio energy credits adopted by the Commission pursuant to NRS 704.7821 ***and section 4.7 of this act*** equal to the electricity generated by the net metering system.

4. A bill for electrical service is due at the time established pursuant to the terms of the contract between the utility and the customer-generator.

Sec. 8.4. NRS 704.7801 is hereby amended to read as follows:

3. A net metering system used by a customer-generator pursuant to NRS 704.766 to 704.775, inclusive.

Sec. 9. NRS 704.7821 is hereby amended to read as follows:

704.7821 1. For each provider of electric service, the Commission shall establish a portfolio standard. The portfolio standard must require each provider to generate, acquire or save electricity from portfolio energy systems or efficiency measures in an amount that is:

(a) For calendar years 2005 and 2006, not less than 6 percent of the total amount of electricity sold by the provider to its retail customers in this State during that calendar year.

(b) For calendar years 2007 and 2008, not less than 9 percent of the total amount of electricity sold by the provider to its retail customers in this State during that calendar year.

(c) For calendar years 2009 and 2010, not less than 12 percent of the total amount of electricity sold by the provider to its retail customers in this State during that calendar year.

(d) For calendar years 2011 and 2012, not less than 15 percent of the total amount of electricity sold by the provider to its retail customers in this State during that calendar year.

(2) For calendar year ~~*[2015]*~~ ***2016 and for each calendar year thereafter, 6 percent of that amount must be generated or acquired from solar renewable energy systems.***

(b) Of the total amount of electricity that the provider is required to generate, acquire or save from portfolio energy systems or efficiency measures during each calendar year, not more than 25 percent of that amount may be based on energy efficiency measures. If the provider intends to use energy efficiency measures to comply with its portfolio standard during any calendar year, of the total amount of electricity saved from energy efficiency measures for which the provider seeks to obtain portfolio energy credits pursuant to this paragraph, at least 50 percent of that amount must be saved from energy efficiency measures installed at service locations of residential customers of the provider, unless a different percentage is approved by the Commission.

(c) If the provider acquires or saves electricity from a portfolio energy system or efficiency measure pursuant to a renewable energy contract or energy efficiency contract with another party:

(1) The term of the contract must be not less than 10 years, unless the other party agrees to a contract with a shorter term; and

(2) The terms and conditions of the contract must be just and reasonable, as determined by the Commission. If the provider is a utility provider and the Commission approves the terms and conditions of the contract between the utility provider and the other party, the contract and its terms and conditions shall be deemed to be a prudent investment and the utility provider may recover all just and reasonable costs associated with the contract.

3. ~~[The provisions of paragraphs (b) and (c) of subsection 2 do not apply to a provider of new electric resources pursuant to chapter 704B of NRS with respect to its use of an energy efficiency measure that is financed by a customer, or which is a geothermal energy system for the provision of heated water to one or more customers and which reduces the consumption of electricity or any fossil fuel, except that, of the total amount of electricity that the provider is required to generate, acquire or save from portfolio energy systems or efficiency measures during each calendar year, not more than 25 percent of that amount may be based on energy efficiency measures.~~

If the Commission determines that, for a calendar year, there is not or will not be a sufficient supply of electricity or a sufficient amount of energy savings made available to the provider pursuant to renewable energy contracts and energy efficiency contracts with just and reasonable terms and conditions, the Commission shall exempt the provider, for that calendar year, from the remaining requirements of its portfolio standard or from any appropriate portion thereof, as determined by the Commission.

~~[8.]~~ ***7.*** The Commission shall adopt regulations that establish:

(a) Standards for the determination of just and reasonable terms and conditions for the renewable energy contracts and energy efficiency contracts that a provider must enter into to comply with its portfolio standard.

(b) Methods to classify the financial impact of each long-term renewable energy contract and energy efficiency contract as an additional imputed debt of a utility provider. The regulations must allow the utility provider to propose an amount to be added to the cost of the contract, at the time the contract is approved by the Commission, equal to a compensating component in the capital structure of the utility provider. In evaluating any proposal made by a utility provider pursuant to this paragraph, the Commission shall consider the effect that the proposal will have on the rates paid by the retail customers of the utility provider.

8. ~~*[The]*~~ ***Except as otherwise provided in section 4.7 of this act, the provisions of this section do not apply to a provider of new electric resources as defined in NRS 704B.130.***

(b) "Renewable energy contract" means a contract to acquire electricity from one or more renewable energy systems owned, operated or controlled by other parties.

(c) "Terms and conditions" includes, without limitation, the price that a provider must pay to acquire electricity pursuant to a renewable energy contract or to attain energy savings pursuant to an energy efficiency contract.

Sec. 9.5. NRS 704.7823 is hereby amended to read as follows:

704.7823 1. Sec. 10.5. NRS 704B.320 is hereby amended to read as follows:

704B.320 1. For eligible customers whose loads are in the service territory of an electric utility that primarily serves densely populated counties, the aggregate amount of energy that all such eligible customers purchase from providers of new electric resources before July 1, 2003, must not exceed 50 percent of the difference between the existing supply of energy generated in this State that is available to the electric utility and the existing demand for energy in this State that is consumed by the customers of the electric utility, as determined by the Commission.

2. An eligible customer that is a nongovernmental commercial or industrial end-use customer whose load is in the service territory of an electric utility that primarily serves densely populated counties shall not purchase energy, capacity or ancillary services from a provider of new electric resources unless, as part of the proposed transaction, the eligible customer agrees to:

(a) Contract with the provider to purchase:

(1) An additional amount of energy which is equal to 10 percent of the total amount of energy that the eligible customer is purchasing for its own use under the proposed transaction and which is purchased at the same price, terms and conditions as the energy purchased by the eligible customer for its own use; and

(2) The capacity and ancillary services associated with the additional amount of energy at the same price, terms and conditions as the capacity and ancillary services purchased by the eligible customer for its own use; and

(b) Offers to assign the rights to the contract to the electric utility for use by the remaining customers of the electric utility.

3. If an eligible customer is subject to the provisions of subsection 2, the eligible customer shall include with its application filed pursuant to NRS 704B.310 all information concerning the contract offered to the electric utility that is necessary for the Commission to determine whether it is in the

best interest of the remaining customers of the electric utility for the electric utility to accept the rights to the contract. Such information must include, without limitation, the amount of the energy and capacity to be purchased under the contract, the price of the energy, capacity and ancillary services and the duration of the contract.

4. Notwithstanding any specific statute to the contrary, information concerning the price of the energy, capacity and ancillary services and any other terms or conditions of the contract that the Commission determines are commercially sensitive:

(a) Must not be disclosed by the Commission except to the Regulatory Operations Staff of the Commission, the Consumer's Advocate and his staff and the electric utility for the purposes of carrying out the provisions of this section; and

(b) Except as otherwise provided in NRS 239.0115, shall be deemed to be confidential for all other purposes, and the Commission shall take such actions as are necessary to protect the confidentiality of such information.

5. If the Commission determines that the contract:

(a) Is not in the best interest of the remaining customers of the electric utility, the electric utility shall not accept the rights to the contract, and the eligible customer is entitled to all rights to the contract.

(b) Is in the best interest of the remaining customers of the electric utility, the electric utility shall accept the rights to the contract and the eligible customer shall assign all rights to the contract to the electric utility. A contract that is assigned to the electric utility pursuant to this paragraph shall be deemed to be an approved part of the resource plan of the electric utility and a prudent investment, and the electric utility may recover all costs for the energy, capacity and ancillary services acquired pursuant to the contract. To the extent practicable, the Commission shall take actions to ensure that the electric utility uses the energy, capacity and ancillary services acquired pursuant to each such contract only for the benefit of the remaining customers of the electric utility that are not eligible customers, with a preference for the remaining customers of the electric utility that are residential customers with small loads.

6. The provisions of this section do not exempt the electric utility, in whole or in part, from the requirements imposed on the electric utility pursuant to NRS 704.7801 to 704.7828, inclusive, ***and section 4.7 of this act,*** to comply with its portfolio standard. The Commission shall not take any actions pursuant to this section that conflict with or diminish those requirements.

~~capacity or ancillary services, conform to the terms and conditions of the transaction that was originally approved by the Commission with respect to the eligible customer.~~

~~2. If any terms and conditions of the transaction with the alternative provider, other than the price of the energy, capacity or ancillary services, do not conform to the terms and conditions of the transaction that was originally approved by the Commission with respect to the eligible customer, the eligible customer must obtain approval from the Commission before those nonconforming terms and conditions are enforceable.~~

~~3. If the eligible customer files a request with the Commission for approval of any nonconforming terms and conditions, the Commission shall review and make a determination concerning the request on an expedited basis.~~ ***If the Commission approves the request, the Commission must issue a written order approving the request.***

2. Notwithstanding any other statutory provision to the contrary, the County Treasurer of Washoe County shall distribute quarterly to the State Treasurer for deposit in the State General Fund, from the proceeds of the taxes ad valorem levied by that County for the operating expenses of the County during the fiscal years beginning on July 1, 2009, and July 1, 2010, the amount of those proceeds attributable to the levy of those taxes on all taxable property in the County at the rate of 4 cents per $100 of assessed valuation. For the purposes of NRS 354.59811, the amount of the proceeds

distributed to the State Treasurer pursuant to this subsection shall be deemed to constitute revenue received by Washoe County from taxes ad valorem.

Additional revenue for the provision of governmental services considered.

CHAIR BUCKLEY:

As you all know, we are waiting for a bill from the Senate, Senate Bill 429. It is not here yet. I thought I would go ahead and have our staff talk about the revenue components of it now, so that if there are any questions, folks can ask them now.

Staff has prepared a couple of sheets. One is called "Revenue Enhancements" and the other is an "Effective Tax Rate Summary." I will ask our staff to talk about the revenue components contained in Senate Bill 429.

We thank you, Russell and Mark, for coming to this rather informal setting and being with us today.

RUSSELL J. GUINDON, SENIOR DEPUTY FISCAL ANALYST, FISCAL ANALYSIS DIVISION, LEGISLATIVE COUNSEL BUREAU:

I thought, perhaps, the easiest way to do this is to go through the revenue enhancement items which are in S.B. 429, in the order that they are on the sheet that the Chair referred to as revenue enhancements.

One of the components that is included in S.B. 429 is an increase of .35 percent in the Local School Support Tax, most generally referred to as the LSST. This is the current 2.25 percent Sales and Use Tax rate that provides funding to K-12 education through the Distributive School Account funding mechanism. Thus, with the .35 percent increase, the rate would go from 2.25 percent to 2.6 percent. The way S.B. 429 is crafted is that the .35 rate will be specified as a separate rate, rather than adding it to the 2.25 to create a 2.26 percent rate. The reason for doing so is to be consistent with other legislation that has been considered and I think, being adopted, it would prevent this additional levee from being subject to the 75 percent pledge for STAR (Sales Tax Anticipated Revenue) bonds. This was a way, in a sense, of protecting the revenue that comes from this additional yield and not providing additional money to the allocation that is made for the STAR bonds.

The next revenue item is the Modified Business Tax on nonfinancial institutions. This is a tax that was first created during the 2003 Session. Under current statutory structure, the tax is .63 percent of the taxable wages that an employer pays to their employees on a quarterly basis. Taxable wages is defined to be the gross wages that an employer pays the employees, less allowable health care deductions. The tax is closely structured to Chapter 612 which is the unemployment insurance tax chapter. So, wages that are required to be reported under that chapter get picked up under the Modified Business Tax. The proposal here is actually to take the tax, which is a current flat rate of .63 percent, and create a two-tiered mechanism so that the taxable wages, up to $62,500 a quarter, will be taxed at .5 percent. So, it is a reduction from the .63 percent. Any quarterly taxable wages above the $62,500 will be taxes at 1.17 percent.

The other table that the Chair referred to that says "MBT Effective Tax Rate Summary" provides some examples for ten different businesses, at various levels of business payroll, or in

this scenario, taxable wages, and what they would pay at the .63 percent rate. You can see the estimated gross tax liability at .63 percent. Under alternative scenarios, you can see what would be paid by the various businesses under the two-tiered proposal. You can see that the first three businesses are at or below the $250,000, because $62,500 per quarter is $250,000 in annual taxable wages. You can see, at the bottom, the impact on the MBT change, and that they are actually paying less tax. Again, this is because you are giving them the tax benefit of lowering the rate from .63 percent to .5 percent on the first $62,500 in taxable wages each quarter. Then you can see, for businesses four through ten, as the amount of taxable wages increases, then, obviously, the levee can increase. Eventually, it can approach the top bracket which is 1.17 percent.

The next revenue item on the sheet is the business license fees. Again, the business license fee was first put into place during the 2003 Session. At that point in time, it was a $100 business license fee. It has been kept at that level since the 2003 Session. You pay the business license fee when you initially file your business with the Department of Taxation, for the right to do business in Nevada. There is an annual renewal of the $100 each year. The proposal here would be to increase the business license fee from $100 to $200. When you do the initial filing of the business license fee, you would pay $200, and then you would pay $200 annually thereafter as long as you continue to do business in the State of Nevada.

What S.B. 429 does is make this effective July 1, 2009, for the people who are covered on the current statutory construct for the business license fee. There is a complimentary business license fee proposal and that is A.B. 146. This has been commonly referred to this session as the business portal bill. In that bill, there are provisions which will be effective October 1, 2009. The Secretary of State will become responsible for the business license fee as part of the test revenue for the business license portal development. It will also, then, be charging the $200 annual and the $200 renewal fee but there also provisions in A.B. 146 such that we will pick up what are called the Title VII entities. These are the people that are filing with the Secretary of State for their corporations, their limited liability companies, their limited partnerships and are filing, but they are not necessarily physically doing business here in the state. And so, again, that would be July 1, 2009, that we would pick up the current people and October 1, 2009, it converts over to the Secretary of State as part of the business portal proposal. While I am thinking of it, I should clarify. Under the Local School Support Tax, this tax increase is proposed to be effective July 1, 2009, and the Modified Business Tax also has a July 1, 2009, effective date, also.

The final revenue item that is included in S.B. 429 is what is referred to as the Governmental Services Tax or the GST. This is the four cents per dollar or four percent that you pay when you register your car with the Department of Motor Vehicles. The proposal is to change the depreciation schedule. I should back up a little and give you a little background on the tax to get the reference point. Under the current law, you start with the manufacturer's suggested retail price of the vehicle and you take that, times 35 percent, to get what is called taxable value. Then you take that times the appropriate depreciation rate for one through nine years as specified in statute. That rate starts at 100 percent, obviously, with a new car, and then goes down by 15 percent in year one and then goes down to 85 percent and then goes down by 10 percent each year thereafter until, at nine years, it is at five percent.

The four cent basic GST, currently under statute, is allocated to the school districts and then to the counties for distribution through the consolidated tax distribution account. The proposal in S.B. 429 would end up changing the depreciation schedule such that for the first year it would stay at 100 percent, then each year thereafter 10 percent would be added to the depreciation rate. What it ends up looking like is taking the current depreciation schedule and sliding it to the right and down one so it is like freezing things for a year in terms of what is paid now under this proposal, would be paid again next year. You would start to pay less as the depreciation schedule kicked in.

Under this proposal, it is the change in the depreciation schedule that generates the additional money, which will be allocated to the State General Fund. Thus, under this proposal there is no harm to the school districts or the counties because there are allocation percentages that say how much at each depreciation range has to be allocated to the General Fund such that the school districts and the counties are held harmless. That is scheduled to become effective September 1,

2009, so thus we only get ten months of revenue in Fiscal Year 2010, as you can see on the handout, and then the full 12 months in Fiscal Year 2011. With that Madam Chair, I think I have covered, at the high level, the revenue enhancement proposals that are included in S.B. 429, and I can attempt to answer any questions the members of the Assembly may have.

CHAIR BUCKLEY:
Thank you, Russell. Assemblyman Hardy.

ASSEMBLYMAN HARDY:
Thank you, Madam Chair. I heard the word quarterly when we were using the MBT effective tax rate summary sheet that we have. Are those projections at the very bottom of the impacted MBT changes annually or quarterly?

RUSSELL GUINDON:
That is a very good question. The MBT effective tax rate summary is just to show you on an annual basis. So, you are absolutely correct. If you look at the revenue enhancement sheet, under comments, it gives you the description there that $250,000 on an annual basis is $62,500 a quarter. It was just easier to show you those annual amounts for purposes of example.

CHAIR BUCKLEY:
Thank you, Dr. Hardy. I know the Taxation Committee had an opportunity to ask questions and to vet this but other members didn't. So, I thought we would at least get the overview before we see what they finally pass over there. It seems to be changing every ten minutes. Further questions? Assemblywoman McClain?

ASSEMBLYWOMAN MCCLAIN:
Thank you, Madam Speaker. Russell, maybe you would like to explain to the body about the difference in the .50 rate and the proposed new rate and how it affects some of our businesses, especially the small businesses and the amount of them.

RUSSELL GUINDON:
The analysis for this tax involved us being able to get the information on the taxpayers for Fiscal Year 2008 from the Department of Taxation, by taxpayer. This was per quarter for each of the four quarters of Fiscal Year 2008. We were able to stratify and analyze that information. With the information that was used, we took the Economic Forum's May 1, 2009, estimates and produced the estimates of the additional revenue that you see here in the handout. Based on the analysis of the taxpayers who paid the modified business tax on nonfinancial institutions in Fiscal Year 2008, had this proposal been in place, approximately 74 percent of the taxpayers are below $250,000 a year in annual taxable wages. I think that is what you are referring to.

CHAIR BUCKLEY:
I really had no idea that the percentage would be that high, that 74 percent of Nevada's businesses have wages that are $250,000 or lower. We always say small businesses are the foundation of the business community but that number is just staggering. Further questions? I don't see any. Russell, thank you very much.
Is there anyone in the public who would like to provide any testimony on any of the tax component elements?

ASSEMBLYMAN SETTELMEYER:
Madam Chair, I had a question. It has business license fees in here. Didn't we do that as part of another bill? How does that relate? What happened with that?

CHAIR BUCKLEY:
Russell, would you come back down? I do not know if you heard the question. The question was about the business license fee and did we do that in another bill with Assembly Bill No. 146, and how does that relate to what is in S.B. 429.

RUSSELL GUINDON:

Yes. Thank you. The provisions that are included in S.B. 429, with regards to the business license fee become effective July 1, 2009, include the $100 increase, or $200 for the people covered under the current statutory structure. Additional revenue comes from the business license fee, as you see on the handout, from the provisions in A.B. 146. Effective October 1, 2009, in A.B. 146, the Secretary of State will take over the business license fee. Again, this was related to them being able to pick up the people that file with them, which again, we refer to the Title VII entities. What we mean by that is Title VII is the chapter of NRS where all the chapters for the different entities, suggest as corporations, LLPs, LLCs, are included. So we just refer to them as Title VII because that is easier than saying LLP and LLC. So, in A.B. 146, effective October 1, 2009, the business license fee, the current statutory construct, rolls over and goes under Title VII, so you are going to pick up the $200 as you would under normal situations but there are also provisions in A.B. 146 that require that if you file with the Secretary of State as a Title VII entity, you have a statutory liability to pay the $200 business license fee, because under the current law, if you file with the Secretary of State as a Title VII entity, you have to be physically doing business in the State of Nevada to pay the fee.

The Secretary of State, when they brought the business portal concept forward, and Assemblyman Oceguera can correct me if I am wrong as I go through this, but the thought process by the Secretary of State and others was that if you are filing here with the Secretary of State as a Title VII entity and taking protection of the state's laws for incorporating here, it does not matter whether you are physically here doing business. You are taking advantage of the state's business laws. Why shouldn't you be required to pay the business license fee, just like a Title VII entity that is actually doing business in here? That is what the provisions in A.B. 126 do. They require any entity that files with the Secretary of State to pay the business license fee. I apologize. I know that is a long answer but it is the easiest way to try and get it clearly explained.

ASSEMBLYMAN SETTELMEYER:

If you look at a business that theoretically has a $33 savings, once you calculate in MBT and the $100 additional, you will be paying $67 more for the small business. I am looking at the different effects. If they have to have a car, we are going to be putting a strain on some of these smaller businesses. I was just wondering if you had any breakdown on a business that makes $125,000. Do you have any breakdown on what all these taxes would be to a small business? Would it be an increase or decrease, considering that we changed their MBT?

RUSSELL GUINDON:

No, I don't have that analysis. The only thing that I can comment on is that if it were not for the two-tiered structure, then they would be paying the $200 plus the amount at the .63 percent rate versus paying the amount the .5 rate. But I do not have the stratification or analysis of the different business sizes and what they may be paying in taxes at each of those different stratifications. I apologize.

ASSEMBLYWOMAN MCCLAIN:

Thank you, Madam Chair. I think people need to realize that if you are paying MBT you are a business in Nevada or you wouldn't have a payroll tax. So, the additional business license fee is for the corporations that file and don't have a payroll presence in this state, but they are going to be required to pay that license fee now.

CHAIR BUCKLEY:

You know, what I really didn't fully realize until we got into this discussion was when I looked at some of the business license fees that the local governments charge. It is really interesting. In the City of Henderson, they charge on a gross receipts value. Not having served on the Taxation Committee, I was surprised at that. There are a couple of jurisdictions that do it throughout the state, so there are different ways of assessing a business license fee.

ASSEMBLYMAN CHRISTENSEN:
Thank you, Madam Chair. A question to what you were saying. Do you know if the state gives the authority to those municipalities to charge that tax you were referring to or do most of the municipalities, the large ones, have the latitude already in their code?

CHAIR BUCKLEY:
I think they have the latitude already but they are obviously doing it, so they have that statutory authority but I will ask the chair of the Taxation Committee or Russell to respond to that.

RUSSELL GUINDON:
It is my understanding that that was statutory authority that was provided for them to create the structure for a gross receipts tax and impose it by ordinance, I believe.

CHAIR BUCKLEY:
What year was that? Do you know?

RUSSELL GUINDON:
No, I do not. I apologize.

CHAIR BUCKLEY:
It has been in effect for quite a while.

ASSEMBLYMAN CHRISTENSEN:
That is the first time I have heard that, as well. It is good to know. Madam Chair, if I may, I have quick questions on a couple of different points if I can ask Mr. Guindon.

In regards to the business licensing fees, I think my colleague, Mr. Settelmeyer, asked the first question I had. As far as the GST, I wanted to make sure I understood so these numbers made sense. If someone purchases a new car in the first year, they are going to pay on the assessed value at 100 percent. In the second year, they pay 100 percent of that value. In the third year is when it drops off to 90 percent and then goes down each consecutive year by 10 percent.

RUSSELL GUINDON:
Actually, I may have misspoken if that is the information that you have written down. Under the current statute, it goes 100 percent, 85 percent, 75 percent, and then 10 percent less every year until you get down to 5 percent. So, at the end of nine years, you are down to 5 percent. That is the current statutory depreciation schedule for vehicles, not buses, trucks, or others. This proposal would just add 10 percent to every one of those, so, 100 percent, 95 percent, 85 percent, 75 percent, etcetera. When you write that out and look at it, it is basically, except for the first year which is obviously left at 100 percent, in the second year under current statute it would be 85 percent versus 95 percent, and in the third year at 75 percent now versus 85 percent. So, in the second year through ninth year, it is sliding the depreciation schedule over to the right and sliding it down one row.

ASSEMBLYMAN CHRISTENSEN:
And I am sure, Mr. Guindon, that you didn't misspeak. I just wrote it down wrong. The other question, from the last time that I saw you and Mr. Stevens sitting there, we were talking about Initiative Petition 1. I heard recently that the revenues, since IP 1 came up for a vote, were expected to change. I was curious if you would know off the top of your head what that change was.

RUSSELL GUINDON:
I do not remember off the top of my head. Maybe Mr. Stevens does. As to what the amount was that the Governor was including in the Executive Budget, for the provision of I.P. 1, because that is really sort of the reference point because that was the amount of money that was used to develop the Executive Budget. The Economic Forum is required under law to produce forecasts, under current law, so thus since I.P. 1 had been approved by the Nevada Legislature, the Economic Forum at their May 1, 2009, meeting actually produced a fiscal forecast which is part

of the May 1, 2009, revenue forecast that this body is using to produce the budget. That forecast is now for $104.7 million in Fiscal Year 2010 and $115.2 approximately in Fiscal Year 2011.

CHAIR BUCKLEY:
Russell, I think it was the change in the room tax projections since the Economic Forum, based on what we thought, about $30 over the biennium, lower?

MARK STEVENS, ASSEMBLY FISCAL ANALYST, FISCAL ANALYSIS DIVISION, LEGISLATIVE COUNSEL BUREAU:
If my memory is right, I think in the second year it was $152 million for I.P. 1.

CHAIR BUCKLEY:
Do you remember how much lower the projection was, based on the Economic Forum numbers?

MARK STEVENS:
I have that information across the street. I did not bring it with me, Madam Chair.

CHAIR BUCKLEY:
Okay, we will get that to you, Assemblyman Christensen.

ASSEMBLYMAN CHRISTENSEN:
That will be great. Finally, Madam Chair, I was just going to put on the record that the resident agent industry here in the state is a group that I have worked with through the years in the financial sector with trusts, etcetera. I do have a concern where we talk about raising these fees because when someone is looking for a good place to put their entity, where they do not operate in the state . . . we compete with South Dakota and Florida, who I believe a couple of years ago, when I last pulled numbers, had the highest number of registrations per year. There is Delaware, of course. We compete with these states. To my colleagues, I just wanted to say that it is certainly an area where we want to be hypersensitive, so that we don't easily scare people away.

CHAIR BUCKLEY:
Mr. Christensen, I am glad you brought that up because I was just thinking these entities aren't doing business in our state and all they do, basically, is try to use our business friendly laws. They choose to incorporate here but don't actively do business here. Why not charge them $200 for that privilege? If they aren't otherwise contributing to the economy, and we work hard to create corporate shields and all the things we have worked on over the years to become the Delaware of the west, why not at least charge them for all of the work that we have been doing to create a good regulatory environment.

ASSEMBLYMAN CHRISTENSEN:
Madam Chair, that is a great question. I have thought the same and the answer is simple. We are not quite the Delaware of the West. These are the exact types of entities that we want to attract. They do not use our roads. They are not here . . .

CHAIR BUCKLEY:
Yes, but it is $200.

ASSEMBLYMAN CHRISTENSEN:
If I can finish, they do not have their kids in our schools. This is basically because, just as you said, Madam Chair, we have created this business friendly environment through decades, and, you know, for this state being around for a long time. We have the ability to attract them like a magnet to where they'll incorporate here, hopefully. I know, in my line of work, I deal with a number of private equity funds and businesses who operate out of this state, but they are located or their incorporation or a number of their assets are registered here. They are actually looking at coming here. I think if we can get them here to begin with, then hopefully that continues, and we are able to attract them to where they do, actually, locate here. That is just my experience. Others may have a different opinion.

CHAIR BUCKLEY:
It just seems that with our business friendly laws at least they can help support our state. Especially, you know, because all the emails we got from folks complaining about the fee increase.

ASSEMBLYMAN CHRISTENSEN:
You got those, too?

CHAIR BUCKLEY:
I did get a couple. I was amazed at how many of them weren't from here. So, when I was emailing back about the crisis we are in and our schools, I found many of them had no idea because they just had no connection to Nevada whatsoever. I was a bit surprised at that.

ASSEMBLYMAN CHRISTENSEN:
That is a good question. I am done with my questioning, Madam Chair. Thank you.

CHAIR BUCKLEY:
Questions for staff? Assemblyman Gustavson.

ASSEMBLYMAN GUSTAVSON:
Thank you, Madam Chair. To just follow up on the last speaker from Clark County. As to raising the fees, I think that if maybe we lowered those fees we would get a lot more that would register in Nevada, and that would increase the revenues that are decreasing, getting more people to register their corporation . . .

CHAIR BUCKLEY:
My point was for folks who don't have a business here. If you lower the fee, what are you gaining?

ASSEMBLYMAN GUSTAVSON:
You are gaining more persons or companies incorporating in Nevada . . . for their business.

CHAIR BUCKLEY:
And what are they giving us?

ASSEMBLYMAN GUSTAVSON:
Their money. They give us more money. Anyway, I'll get to my question. My question was to staff, probably Russell. I was surprised, too, to hear that about 75 percent of our businesses are $250,000 or less gross payroll per year. That figure kind of amazed me, too. What I would like to know and what brings up another question in my mind is how many businesses are there? Do we have a number on that 75 percent? How many businesses are in Nevada that have a $250,000 payroll and how many businesses are there over that $250,000 payroll. I am just curious. I don't know the total number of businesses here.

CHAIR BUCKLEY:
Russell, do you have the calculations on that?

RUSSELL GUINDON:
Yes. I do have some information on that. I think one of the points I want to make clear here is that the information that I had, to analyze from the Department of Taxation, is actually taxpayers. So, a lot of those are businesses but some of them can be a very small business or a single person that is required under the law to file and pay unemployment insurance taxes, unless they are required to pay the MBT. So, with that, I am trying to see if I have the cumulative. In Fiscal Year 2008, based on the information from Taxation, there were approximately 58,421 taxpayers that were paying the Modified Business Tax on nonfinancial institutions. The number that was below $250,000 in annual taxable wages, as reported to the Department of Taxation was 43,132, which gets you approximately the 74 percent that was referenced.

ASSEMBLYMAN GUSTAVSON:
Thank you, I appreciate that. I know I had a couple of business licenses myself—manufacturer licenses and a life insurance license I let go because I wasn't really using it and did not want to hang onto it and pay the $100 a year fee. Thank you.

CHAIR BUCKLEY:
Other questions for our staff? Assemblyman Hambrick.

ASSEMBLYMAN HAMBRICK:
Thank you, Madam Chair. Some of this may have been asked and answered already, so I apologize. But you raised the question, as my colleague from Assembly District 13 did, about the room tax. We will go back and take a look at that, and when that review is taken, I am curious whether the method and manner in which the projections on that will be the same that is being used today for S.B. 429. Will the portal tax also be the same method and manner across the board, so it will be apples to apples. Accountants have strange ways of doing things occasionally.

RUSSELL GUINDON:
I'm not quite sure how to address that question, but let me take a shot at it. The Economic Forum is a statutory body that has the statutory requirement to produce a forecast on December 1 that the Governor uses to produce the Executive Budget, and then, on May 1, that the Legislature uses. That body listens to forecasts prepared by the Fiscal Analysis Division, staff from the Budget Office, staff from the Department of Taxation, and the Gaming Control Board, depending on the specific revenue source, as well as from an outside forecaster. Then they produce a consensus forecast based on the information received from these private sector business people and the forecasts presented to them. So, thus for the information for IP 1, the room tax, there were various forecasts prepared and presented to them. There was actually one representative from the MGM Mirage on the panel, with an idea about what is going on with the room tax, so the numbers that I gave you were the forecast prepared by that body. Now, with regard to the estimates that are in S.B. 429 for the business license fee, it's based on information that we get from the Department of Taxation. But then we calibrate any of the proposed rate or fee changes to the Economic Forum's May 1, 2009, forecast to be consistent with that forecast since that is the official forecast that this body has to use to prepare a legislatively approved budget. We try and tie any of the proposed tax increases to that. Similarly, then, for the Modified Business Tax and the Local School Support Tax, the tax changes and the numbers you see in the table are consistent with regard to being tied back to and calibrated off the Economic Forum's May 1, 2009, forecast. So, I hope that answers your question.

ASSEMBLYMAN HAMBRICK:
May I follow up on that, Madam Chair? So, the simple answer is no. Each tax is figured with a different method and manner, so we could have three different thought processes involved with each tax that we may be talking about, because if the people looking at it have different . . .

CHAIR BUCKLEY:
You know, let me take a stab at it. The Legislature enacted legislation to have an independent body project what the revenue is going to be for each tax. They do that right before session. The Governor constructs his budget based on that projection. Then they update it in May and then that is the projection that we are bound to use for the next two years. And they project each type of tax—room tax, modified business tax, sales tax—every one that there is. We make our adjustments and that is what we are required to use. And in calculating what the projections are going to be, they listen to different opinions—economist's views, our own staff—but then they independently make their own decisions and that's what we abide by. And based on, for example, the room tax—and I think we saw it across the board on all of the taxes—they projected the revenue downward. And that is why we ended up with an additional shortfall.

ASSEMBLYMAN HAMBRICK:
Thank you, Madam Chair. Now if we can just explain it to all those who are listening to this program, too. Do you use Yellow Book (Government Auditing Standards) in the basic process?

RUSSELL GUINDON:
Do I use what?

ASSEMBLYMAN HAMBRICK:
The accountants . . . the CPA's have, at least on the federal side, the Yellow Book on how to do certain programs and come up with answers. In may be an improper form at this point, but they have their bible that they go by. It's called the Yellow Book.

RUSSELL GUINDON:
What you are referencing is more of an accounting construct. My degree is in economics and I have a field in econometrics, and so we have our own book that we use to produce forecasts, where we build econometric models and take into account the latest economic and socioeconomic information that we have, as well as the latest information that we can get from other analysts that do what I do for a living. And that information was taken into account by each of the forecasters for the forecasts that were prepared for the Economic Forum for their consideration. I am honest enough to admit that forecasting is sometimes more of an art than a science but there is some science behind the methodologies that are used to try and do the projections. Although I don't know that there is a bible that we use, because when you are predicting the future, you might want to use a bible, but I don't know how well it would come off, too.

CHAIR BUCKLEY:
I think we could all use the Bible, right now. Assemblyman Goedhart.

ASSEMBLYMAN GOEDHART:
Thank you, Madam Chair. I didn't know if this would be an appropriate time to make one or two comments for the record or if this is just for questions directed to the gentlemen up front?

CHAIR BUCKLEY:
You know, I think we can accept a comment or two because by the time bill comes over I really don't want to limit debate so if you want to make a couple of comments, now, I would be open to that. Let me just first ask if anyone has any questions. Does anyone have any questions for staff? Assemblyman Hardy.

ASSEMBLYMAN HARDY:
Thank you, Madam Chair. When I am looking at the business license fee, are we capturing more businesses in Title VII that we are using, such as independent contractors? Or is the only thing that we are doing in this proposal is using the same businesses, but increasing them from $100 to the $200?

RUSSELL GUINDON:
It is actually both, Assemblyman. If you look at the table titled Revenue Enhancements, you will see two separate rows listed for business license fees. The first one, as you can see out in the comments, although I apologize, they are pretty brief and succinct, I hope it provides enough description that you can see that first row is the estimate for the business license fee based on the current statutory structure. In the second row is the estimate of what would come from the additional $100 that would be imposed on the Title VII entities. I am hoping that addresses your question appropriately, Assemblyman.

CHAIR BUCKLEY:
And the original independent contractor language that was included in the bill draft considered by the Taxation Committee, that ended up having a number of technical problems? There were lots of questions about that and, ultimately, that was pulled from the final bill pending in the Senate, just because there wasn't enough time to consider all those questions. Is that right, Assemblywoman McClain? Yes. Okay.

RUSSELL GUINDON:

Madam Chair, if you would permit me, I think that there is one other issue because of the hearing that was held by Assemblywoman McClain and Senator Coffin as the Joint Taxation Committee on the Thursday prior and on last Saturday, so that some of these items had a chance to get vetted.

The original proposal toward the business license fee had the "by location" in it, and that has also been removed from the business license fee proposal. I thought I would take this opportunity to get that clarified on the record, Madam Chair.

CHAIR BUCKLEY:

Further questions of our staff? I don't see any more. Thank you very much. Is there anyone from the public who would like to provide testimony? Okay. Seeing none, I think what we will do is rise out of the Committee of the Whole. I will see if there is any more Order of Business 13. If there are not, maybe I will just open it up to Order of Business 15 and take Remarks from the Floor on the tax measure now.

On motion of Assemblyman Oceguera, the Committee did rise and report back to the Assembly.

Assembly Bill No. 281.

The following Senate amendment was read:

Amendment No. 766.

AN ACT relating to industrial insurance; **revising provisions relating to the duty of an insurer to accept or deny a claim for compensation; revising provisions relating to the selection of a physician or chiropractor by an injured employee; revising provisions relating to the denial of compensation due to discharge from employment for misconduct; revising provisions relating to the closure of a claim;** creating an expedited appeals process for certain claims by police officers, firefighters and emergency medical attendants; **repealing provisions requiring the reduction of compensation by the amount of federal**

disability insurance benefits received by an injured employee; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, an insurer is required to accept or deny a claim for compensation within 30 days after the insurer has been notified of an industrial accident. (NRS 616C.065) Section 2 of this bill provides that if an insurer is ordered by the Administrator of the Division of Industrial Relations of the Department of Business and Industry, a hearing or appeals officer, a district court or the Supreme Court of Nevada to make a new determination relating to a claim for compensation, such a determination must be made within 30 days after the order.

Existing law provides that an injured employee may choose an alternative treating physician or chiropractor after making his initial choice if the alternative choice is made within 90 days after the injury. (NRS 616C.090) Section 3 of this bill clarifies existing law by providing that an injured employee may make the alternative choice without the insurer's approval if the alternative choice is made within 90 days after the injury. Section 3 also provides that an injured employee may make a change in the treating physician or chiropractor at any time, subject to the insurer's approval. Section 3 further requires an insurer to provide to an injured employee whose request for a change in the treating physician or chiropractor has been denied the specific reason for the denial.

Section 4 of this bill provides that the affidavit or declaration of a qualified laboratory director, chemist or any other person meeting certain qualifications may be used to prove the existence of alcohol or controlled substances in an employee's system in denying, reducing or suspending the payment of compensation for an injury. (NRS 616C.230)

Section 5 of this bill revises existing provisions governing the denial of compensation to injured employees who have been discharged for misconduct by providing that only compensation for temporary total disability may be denied. (NRS 616C.232)

Section 6 of this bill revises existing law by requiring an insurer to notify an injured employee whose claim will be closed whether an evaluation for a permanent partial disability has been scheduled or, if such an evaluation has not been scheduled, that the reason is because the insurer determined there is no possibility of a permanent impairment of any kind. (NRS 616C.235)

Sections ~~[1]~~ 7 and ~~[2]~~ 8 of this bill authorize certain contested claims relating to certain occupational diseases of police officers, firefighters and emergency medical attendants to be submitted directly to an appeals officer, thereby bypassing the hearing officer to whom the contested claim would need to be submitted under existing law. (NRS 616C.315) **Section ~~[2]~~ 8** also requires that the appeals officer set a hearing date within 60 days after receiving a notice of any such contested claim. (NRS 616C.345) **Section ~~[3]~~**

9 of this bill requires that the appeals officer render a decision for any such contested claim within 15 days after certain specified events. (NRS 616C.360)

Section 11 of this bill repeals the provisions requiring a reduction in the compensation received by an employee for temporary disability, permanent partial disability or permanent total disability by the amount of federal disability insurance benefits received by the employee. (NRS 616C.430)

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. **NRS 616C.050 is hereby amended to read as follows:**

616C.050 1. An insurer shall provide to each claimant:

(a) Upon written request, one copy of any medical information concerning his injury or illness.

(b) A statement which contains information concerning the claimant's right to:

(1) Receive the information and forms necessary to file a claim;

(2) Select a treating physician or chiropractor and an alternative treating physician or chiropractor in accordance with the provisions of NRS 616C.090;

(3) Request the appointment of the Nevada Attorney for Injured Workers to represent him before the appeals officer;

(4) File a complaint with the Administrator;

(5) When applicable, receive compensation for:

(I) Permanent total disability;

(II) Temporary total disability;

(III) Permanent partial disability;

(IV) Temporary partial disability;

(V) All medical costs related to his injury or disease; or

(VI) The hours he is absent from the place of employment to receive medical treatment pursuant to NRS 616C.477;

(6) Receive services for rehabilitation if his injury prevents him from returning to gainful employment;

(7) Review by a hearing officer of any determination or rejection of a claim by the insurer within the time specified by statute; and

(8) Judicial review of any final decision within the time specified by statute.

2. The insurer's statement must include a copy of the form designed by the Administrator pursuant to subsection ~~[7]~~ ***8*** of NRS 616C.090 that notifies injured employees of their right to select an alternative treating physician or chiropractor. The Administrator shall adopt regulations for the manner of compliance by an insurer with the other provisions of subsection 1.

Sec. 2. **NRS 616C.065 is hereby amended to read as follows:**

616C.065 1. Except as otherwise provided in NRS 616C.136, within 30 days after the insurer has been notified of an industrial accident, every insurer shall:

(a) Accept a claim for compensation, notify the claimant or the person acting on behalf of the claimant that the claim has been accepted and commence payment of the claim; or

(b) Deny the claim and notify the claimant or the person acting on behalf of the claimant and the Administrator that the claim has been denied.

2. ***If an insurer is ordered by the Administrator, a hearing officer, an appeals officer, a district court or the Supreme Court of Nevada to make a new determination, including, without limitation, a new determination regarding the acceptance or denial of a claim for compensation, the insurer shall make the new determination within 30 days after the date on which the insurer has been ordered to do so.***

3. Payments made by an insurer pursuant to this section are not an admission of liability for the claim or any portion of the claim.

~~[3.]~~ ***4.*** Except as otherwise provided in this subsection, if an insurer unreasonably delays or refuses to pay the claim within 30 days after the insurer has been notified of an industrial accident, the insurer shall pay upon order of the Administrator an additional amount equal to three times the amount specified in the order as refused or unreasonably delayed. This payment is for the benefit of the claimant and must be paid to him with the compensation assessed pursuant to chapters 616A to 617, inclusive, of NRS. The provisions of this section do not apply to the payment of a bill for accident benefits that is governed by the provisions of NRS 616C.136.

~~[4.]~~ ***5.*** The insurer shall notify the claimant or the person acting on behalf of the claimant that a claim has been accepted or denied pursuant to subsection 1 ***or 2*** by:

(a) Mailing its written determination to the claimant or the person acting on behalf of the claimant; and

(b) If the claim has been denied, in whole or in part, obtaining a certificate of mailing.

~~[5.]~~ ***6.*** The failure of the insurer to obtain a certificate of mailing as required by paragraph (b) of subsection ~~[4]~~ ***5*** shall be deemed to be a failure of the insurer to mail the written determination of the denial of a claim as required by this section.

~~[6.]~~ ***7.*** Upon request, the insurer shall provide a copy of the certificate of mailing, if any, to the claimant or the person acting on behalf of the claimant.

~~[7.]~~ ***8.*** For the purposes of this section, the insurer shall mail the written determination to:

(a) The mailing address of the claimant or the person acting on behalf of the claimant that is provided on the form prescribed by the Administrator for filing the claim; or

(b) Another mailing address if the claimant or the person acting on behalf of the claimant provides to the insurer written notice of another mailing address.

~~[8.]~~ **9.** As used in this section, "certificate of mailing" means a receipt that provides evidence of the date on which the insurer presented its written determination to the United States Postal Service for mailing.

Sec. 3. **NRS 616C.090 is hereby amended to read as follows:**

616C.090 1. The Administrator shall establish a panel of physicians and chiropractors who have demonstrated special competence and interest in industrial health to treat injured employees under chapters 616A to 616D, inclusive, or chapter 617 of NRS. Every employer whose insurer has not entered into a contract with an organization for managed care or with providers of health care services pursuant to NRS 616B.527 shall maintain a list of those physicians and chiropractors on the panel who are reasonably accessible to his employees.

2. An injured employee whose employer's insurer has not entered into a contract with an organization for managed care or with providers of health care services pursuant to NRS 616B.527 may choose his treating physician or chiropractor from the panel of physicians and chiropractors. If the injured employee is not satisfied with the first physician or chiropractor he so chooses, he may make an alternative choice of physician or chiropractor from the panel if the choice is made within 90 days after his injury. The insurer shall notify the first physician or chiropractor in writing. The notice must be postmarked within 3 working days after the insurer receives knowledge of the change. The first physician or chiropractor must be reimbursed only for the services he rendered to the injured employee up to and including the date of notification. Except as otherwise provided in this subsection, any further change is subject to the approval of the insurer, which must be granted or denied within 10 days after a written request for such a change is received from the injured employee. If no action is taken on the request within 10 days, the request shall be deemed granted. Any request for a change of physician or chiropractor must include the name of the new physician or chiropractor chosen by the injured employee. If the treating physician or chiropractor refers the injured employee to a specialist for treatment, the treating physician or chiropractor shall provide to the injured employee a list that includes the name of each physician or chiropractor with that specialization who is on the panel. After receiving the list, the injured employee shall, at the time the referral is made, select a physician or chiropractor from the list.

3. An injured employee whose employer's insurer has entered into a contract with an organization for managed care or with providers of health care services pursuant to NRS 616B.527 must choose his treating physician or chiropractor pursuant to the terms of that contract. If the injured employee is not satisfied with the first physician or chiropractor he so chooses, he may make an alternative choice of physician or chiropractor pursuant to the terms

of the contract ***without the approval of the insurer*** if the choice is made within 90 days after his injury. If the injured employee, after choosing his treating physician or chiropractor, moves to a county which is not served by the organization for managed care or providers of health care services named in the contract and the insurer determines that it is impractical for the injured employee to continue treatment with the physician or chiropractor, the injured employee must choose a treating physician or chiropractor who has agreed to the terms of that contract unless the insurer authorizes the injured employee to choose another physician or chiropractor. If the treating physician or chiropractor refers the injured employee to a specialist for treatment, the treating physician or chiropractor shall provide to the injured employee a list that includes the name of each physician or chiropractor with that specialization who is available pursuant to the terms of the contract with the organization for managed care or with providers of health care services pursuant to NRS 616B.527, as appropriate. After receiving the list, the injured employee shall, at the time the referral is made, select a physician or chiropractor from the list. If the employee fails to select a physician or chiropractor, the insurer may select a physician or chiropractor with that specialization. If a physician or chiropractor with that specialization is not available pursuant to the terms of the contract, the organization for managed care or the provider of health care services may select a physician or chiropractor with that specialization.

4. ***If the injured employee is not satisfied with the physician or chiropractor selected by himself or by the insurer, the organization for managed care or the provider of health care services pursuant to subsection 3, the injured employee may make an alternative choice of physician or chiropractor pursuant to the terms of the contract. A change in the treating physician or chiropractor may be made at any time but is subject to the approval of the insurer, which must be granted or denied within 10 days after a written request for such a change is received from the injured employee. If no action is taken on the request within 10 days, the request shall be deemed granted. Any request for a change of physician or chiropractor must include the name of the new physician or chiropractor chosen by the injured employee. If the insurer denies a request for a change in the treating physician or chiropractor under this subsection, the insurer must include in a written notice of denial to the injured employee the specific reason for the denial of the request.***

5. Except when emergency medical care is required and except as otherwise provided in NRS 616C.055, the insurer is not responsible for any charges for medical treatment or other accident benefits furnished or ordered by any physician, chiropractor or other person selected by the injured employee in disregard of the provisions of this section or for any compensation for any aggravation of the injured employee's injury attributable to improper treatments by such physician, chiropractor or other person.

~~[5.]~~ ***6.*** The Administrator may order necessary changes in a panel of physicians and chiropractors and shall suspend or remove any physician or chiropractor from a panel for good cause shown.

~~[6.]~~ ***7.*** An injured employee may receive treatment by more than one physician or chiropractor if the insurer provides written authorization for such treatment.

~~[7.]~~ ***8.*** The Administrator shall design a form that notifies injured employees of their right pursuant to subsections 2 ***,*** ~~[and]~~ 3 ***and 4*** to select an alternative treating physician or chiropractor and make the form available to insurers for distribution pursuant to subsection 2 of NRS 616C.050.

Sec. 4. **NRS 616C.230 is hereby amended to read as follows:**

616C.230 1. Compensation is not payable pursuant to the provisions of chapters 616A to 616D, inclusive, or chapter 617 of NRS for an injury:

(a) Caused by the employee's willful intention to injure himself.

(b) Caused by the employee's willful intention to injure another.

(c) Proximately caused by the employee's intoxication. If the employee was intoxicated at the time of his injury, intoxication must be presumed to be a proximate cause unless rebutted by evidence to the contrary.

(d) Proximately caused by the employee's use of a controlled substance. If the employee had any amount of a controlled substance in his system at the time of his injury for which the employee did not have a current and lawful prescription issued in his name or that he was not using in accordance with the provisions of chapter 453A of NRS, the controlled substance must be presumed to be a proximate cause unless rebutted by evidence to the contrary.

2. For the purposes of paragraphs (c) and (d) of subsection 1:

(a) The affidavit or declaration of an expert or other person described in NRS ***50.310,*** 50.315 ***or 50.320*** is admissible to prove the existence of any alcohol or the existence, quantity or identity of a controlled substance in an employee's system. If the affidavit or declaration is to be so used, it must be submitted in the manner prescribed in NRS 616C.355.

(b) When an examination requested or ordered includes testing for the use of alcohol or a controlled substance, the laboratory that conducts the testing must be licensed pursuant to the provisions of chapter 652 of NRS.

3. No compensation is payable for the death, disability or treatment of an employee if his death is caused by, or insofar as his disability is aggravated, caused or continued by, an unreasonable refusal or neglect to submit to or to follow any competent and reasonable surgical treatment or medical aid.

4. If any employee persists in an unsanitary or injurious practice that imperils or retards his recovery, or refuses to submit to such medical or surgical treatment as is necessary to promote his recovery, his compensation may be reduced or suspended.

5. An injured employee's compensation, other than accident benefits, must be suspended if:

(a) A physician or chiropractor determines that the employee is unable to undergo treatment, testing or examination for the industrial injury solely because of a condition or injury that did not arise out of and in the course of his employment; and

(b) It is within the ability of the employee to correct the nonindustrial condition or injury.

➥ The compensation must be suspended until the injured employee is able to resume treatment, testing or examination for the industrial injury. The insurer may elect to pay for the treatment of the nonindustrial condition or injury.

Sec. 5. **NRS 616C.232 is hereby amended to read as follows:**

616C.232 1. If an injured employee is discharged from his employment as a result of misconduct, an insurer may deny compensation ***for temporary total disability*** to the injured employee because of that discharge for misconduct only if the insurer proves by a preponderance of the evidence that:

(a) The injured employee was discharged from his employment solely for his misconduct and not for any reason relating to his claim for compensation; and

(b) It is the injured employee's discharge from his employment for misconduct, and not his injury, that is the sole cause for the injured employee's inability to return to work with the preinjury employer.

2. An insurer waives its rights under subsection 1 if the insurer does not make a determination to deny or suspend compensation to the injured employee within 70 days after the date on which the insurer learns that the injured employee has been discharged for misconduct.

3. An insurer may not deny any compensation pursuant to this section except for compensation for temporary total disability pursuant to subsection 1.

Sec. 6. **NRS 616C.235 is hereby amended to read as follows:**

616C.235 1. Except as otherwise provided in subsections 2, 3 and 4:

(a) When the insurer determines that a claim should be closed before all benefits to which the claimant may be entitled have been paid, the insurer shall send a written notice of its intention to close the claim to the claimant by first-class mail addressed to the last known address of the claimant and, if the insurer has been notified that the claimant is represented by an attorney, to the attorney for the claimant by first-class mail addressed to the last known address of the attorney. The notice must include, on a separate page, a statement describing the effects of closing a claim pursuant to this section and a statement that if the claimant does not agree with the determination, he has a right to request a resolution of the dispute pursuant to NRS 616C.305 and 616C.315 to 616C.385, inclusive, including, without limitation, a statement which prominently displays the limit on the time that the claimant has to request a resolution of the dispute as set forth in NRS 616C.315. A suitable form for requesting a resolution of the dispute must be enclosed with

the notice. The closure of a claim pursuant to this subsection is not effective unless notice is given as required by this subsection.

(b) If the insurer does not receive a request for the resolution of the dispute, it may close the claim.

(c) Notwithstanding the provisions of NRS 233B.125, if a hearing is conducted to resolve the dispute, the decision of the hearing officer may be served by first-class mail.

2. If, during the first 12 months after a claim is opened, the medical benefits required to be paid for a claim are less than $300, the insurer may close the claim at any time after he sends, by first-class mail addressed to the last known address of the claimant, written notice that includes a statement which prominently displays that:

(a) The claim is being closed pursuant to this subsection;

(b) The injured employee may appeal the closure of the claim pursuant to the provisions of NRS 616C.305 and 616C.315 to 616C.385, inclusive; and

(c) If the injured employee does not appeal the closure of the claim or appeals the closure of the claim but is not successful, the claim cannot be reopened.

3. In addition to the notice described in subsection 2, an insurer shall send to each claimant who receives less than $300 in medical benefits within 6 months after the claim is opened a written notice that explains the circumstances under which a claim may be closed pursuant to subsection 2. The written notice provided pursuant to this subsection does not create any right to appeal the contents of that notice. The written notice must be:

(a) Sent by first-class mail addressed to the last known address of the claimant; and

(b) A document that is separate from any other document or form that is used by the insurer.

4. The closure of a claim pursuant to subsection 2 is not effective unless notice is given as required by subsections 2 and 3.

5. In addition to the requirements of this section, an insurer shall include in the written notice described in subsection 2:

(a) If an evaluation for a permanent partial disability has been scheduled pursuant to NRS 616C.490, a statement to that effect; or

(b) If an evaluation for a permanent partial disability will not be scheduled pursuant to NRS 616C.490, a statement explaining that the reason is because the insurer has determined there is no possibility of a permanent impairment of any kind.

616C.315 1. Any person who is subject to the jurisdiction of the hearing officers pursuant to chapters 616A to 616D, inclusive, or chapter 617 of NRS may request a hearing before a hearing officer of any matter within the hearing officer's authority. The failure of an insurer to respond to a written request for a determination within 30 days after receipt of such a request shall be deemed by the hearing officer to be a denial of the request.

The period specified in subsection 3 within which a request for a hearing must be filed may be extended for an additional 90 days if the person aggrieved shows by a preponderance of the evidence that he was diagnosed with a terminal illness or was informed of the death or diagnosis of a terminal illness of his spouse, parent or child.

5. Failure to file a request for a hearing within the period specified in subsection 3 may be excused if the person aggrieved shows by a preponderance of the evidence that he did not receive the notice of the determination and the forms necessary to request a hearing. 6. The hearing before the hearing officer must be conducted as expeditiously and informally as is practicable.

The failure of an insurer to respond in writing to a written request for a determination within 30 days after receipt of such a request shall be deemed by the appeals officer to be a denial of the request. 2. The appeals officer must hear any matter raised before him on its merits, including new evidence bearing on the matter.

3. If there is a medical question or dispute concerning an injured employee's condition or concerning the necessity of treatment for which authorization for payment has been denied, the appeals officer may:

(a) Order an independent medical examination and refer the employee to a physician or chiropractor of his choice who has demonstrated special competence to treat the particular medical condition of the employee, whether or not the physician or chiropractor is on the insurer's panel of providers of health care. If the medical question concerns the rating of a permanent disability, the appeals officer may refer the employee to a rating physician or chiropractor. The rating physician or chiropractor must be selected in rotation from the list of qualified physicians or chiropractors maintained by the Administrator pursuant to subsection 2 of NRS 616C.490, unless the insurer and the injured employee otherwise agree to a rating physician or chiropractor. The insurer shall pay the costs of any examination requested by the appeals officer.

(b) If the medical question or dispute is relevant to an issue involved in the matter before the appeals officer and all parties agree to the submission of the matter to an external review organization, submit the matter to an external review organization in accordance with NRS 616C.363 and any regulations adopted by the Commissioner.

4. If an injured employee has requested payment for the cost of obtaining a second determination of his percentage of disability pursuant to

NRS 616C.100, the appeals officer shall decide whether the determination of the higher percentage of disability made pursuant to NRS 616C.100 is appropriate and, if so, may order the insurer to pay to the employee an amount equal to the maximum allowable fee established by the Administrator pursuant to NRS 616C.260 for the type of service performed, or the usual fee of that physician or chiropractor for such service, whichever is less.

5. The appeals officer shall order an insurer, organization for managed care or employer who provides accident benefits for injured employees pursuant to NRS 616C.265 to pay to the appropriate person the charges of a provider of health care if the conditions of NRS 616C.138 are satisfied.

6. Any party to the appeal ***or contested case*** or the appeals officer may order a transcript of the record of the hearing at any time before the seventh day after the hearing. The transcript must be filed within 30 days after the date of the order unless the appeals officer otherwise orders.

Sec. 10. **NRS 616C.475 is hereby amended to read as follows:**

616C.475 1. Except as otherwise provided in this section, NRS 616C.175 and 616C.390, every employee in the employ of an employer, within the provisions of chapters 616A to 616D, inclusive, of NRS, who is injured by accident arising out of and in the course of employment, or his dependents, is entitled to receive for the period of temporary total disability, 66 2/3 percent of the average monthly wage.

2. Except as otherwise provided in NRS 616B.028 and 616B.029, an injured employee or his dependents are not entitled to accrue or be paid any benefits for a temporary total disability during the time the injured employee is incarcerated. The injured employee or his dependents are entitled to receive such benefits when the injured employee is released from incarceration if he is certified as temporarily totally disabled by a physician or chiropractor.

3. If a claim for the period of temporary total disability is allowed, the first payment pursuant to this section must be issued by the insurer within

14 working days after receipt of the initial certification of disability and regularly thereafter.

4. Any increase in compensation and benefits effected by the amendment of subsection 1 is not retroactive.

5. Payments for a temporary total disability must cease when:

(a) A physician or chiropractor determines that the employee is physically capable of any gainful employment for which the employee is suited, after giving consideration to the employee's education, training and experience;

(b) The employer offers the employee light-duty employment or employment that is modified according to the limitations or restrictions imposed by a physician or chiropractor pursuant to subsection 7; or

(c) Except as otherwise provided in NRS 616B.028 and 616B.029, the employee is incarcerated.

6. Each insurer may, with each check that it issues to an injured employee for a temporary total disability, include a form approved by the Division for the injured employee to request continued compensation for the temporary total disability.

7. A certification of disability issued by a physician or chiropractor must:

(a) Include the period of disability and a description of any physical limitations or restrictions imposed upon the work of the employee;

(b) Specify whether the limitations or restrictions are permanent or temporary; and

(c) Be signed by the treating physician or chiropractor authorized pursuant to NRS 616B.527 or appropriately chosen pursuant to subsection 3 ***or 4*** of NRS 616C.090.

8. If the certification of disability specifies that the physical limitations or restrictions are temporary, the employer of the employee at the time of his accident may offer temporary, light-duty employment to the employee. If the employer makes such an offer, the employer shall confirm the offer in writing within 10 days after making the offer. The making, acceptance or rejection of an offer of temporary, light-duty employment pursuant to this subsection does not affect the eligibility of the employee to receive vocational rehabilitation services, including compensation, and does not exempt the employer from complying with NRS 616C.545 to 616C.575, inclusive, and 616C.590 or the regulations adopted by the Division governing vocational rehabilitation services. Any offer of temporary, light-duty employment made by the employer must specify a position that:

(a) Is substantially similar to the employee's position at the time of his injury in relation to the location of the employment and the hours he is required to work;

(b) Provides a gross wage that is:

(1) If the position is in the same classification of employment, equal to the gross wage the employee was earning at the time of his injury; or

(2) If the position is not in the same classification of employment, substantially similar to the gross wage the employee was earning at the time of his injury; and

(c) Has the same employment benefits as the position of the employee at the time of his injury.

Sec. 11. **NRS 616C.430 is hereby repealed.**

Sec. 12. **1. This section and sections 1 to 6, inclusive, 10 and 11 of this act become effective on July 1, 2009.**

2. Sections 7, 8 and 9 of this act become effective on October 1, 2009.

TEXT OF REPEALED SECTION

616C.430 Reduction of compensation by amount of federal disability insurance benefits received by employee.

1. If an employee who is entitled to compensation under chapters 616A to 616D, inclusive, of NRS for temporary total disability, permanent partial disability or permanent total disability becomes entitled to federal disability insurance benefits under section 202 or 223 of the Social Security Act, as amended, 42 U.S.C. §§ 402 and 423, respectively, the employee's compensation under chapters 616A to 616D, inclusive, of NRS must be reduced by the amount of the federal benefits being received by him.

2. This section must not be applied to reduce the employee's compensation under chapters 616A to 616D, inclusive, of NRS to any greater extent than his federal benefits would have otherwise been reduced by the Social Security Administration under section 224 of the Social Security Act, as amended, 42 U.S.C. § 424a. After any reduction pursuant to this section, the combination of his state compensation and federal benefits must be at least as much as the greater of:

(a) The benefits payable pursuant to chapters 616A to 616D, inclusive, of NRS, without the reduction; or

(b) The benefits payable under the Social Security Act, without any reduction.

3. After a reduced amount of compensation for an employee has been established pursuant to this section, no further reduction in his compensation may be made because he receives an increase in his benefits under the Social Security Act as the result of an adjustment based on an increase in the cost of living.

4. No compensation may be reduced pursuant to this section until the Social Security Administration has determined the amount of benefits payable to the employee under section 202 or 223 of the Social Security Act and he has begun to receive those benefits.

5. If an employee:

(a) Fails to report the amount of benefits which he is receiving under section 202 or 223 of the Social Security Act, within 30 days after he is requested in writing by the insurer to make that report; or

(b) Fails to provide the insurer with a written authorization for the Social Security Administration to release information on the employee's average current earnings and the amount of benefits to which he is entitled, within 30 days after he is requested to provide that authorization,

➥ the insurer may reduce by 50 percent the compensation which the employee would otherwise receive pursuant to chapters 616A to 616D, inclusive, of NRS. Any compensation which is withheld pursuant to this subsection must be paid to the employee when he has furnished the report or authorization as requested.

6. If the provisions of section 224 of the Social Security Act are amended:

(a) To allow an employee to receive more compensation under chapters 616A to 616D, inclusive, of NRS without any reduction in benefits payable under section 202 or 223 of the Social Security Act; or

(b) To lower the maximum sum of compensation payable under chapters 616A to 616D, inclusive, of NRS and benefits payable under section 202 or 223 of the Social Security Act,

➥ the reduction imposed by this section must be increased or decreased correspondingly.

7. No reduction in compensation may be made under this section for any period of entitlement which:

(a) Occurs before January 1, 1982;

(b) Occurs before the employee has been given a written notice by mail of the intended reduction; or

(c) Includes any week after the week in which the employee becomes 62 years of age.

CHAIR BUCKLEY:
Well, the Senate has resolved its differences. They are voting on the bill right now, and it's on its way here. We had one person who wanted to testify, and because I run a tight ship, I missed him. So, Monte, if you want to come down, we would be happy to take your testimony now. I apologize that I missed you earlier.

MONTE MILLER:
My name is Monte Miller, and I am a small businessman in Las Vegas. I employ 12 people. I am here to give my opinion to you all about this humongous tax bill that you're about to vote on. It is a billion dollars plus with the room tax, and the doubling of the Modified Business Tax. I just want to share ideas with you from a businessman's standpoint, which I know some of you also are. Many of you, obviously, know business people that put men and women to work. I'm an economist and, although I don't do business as an economist, I was educated as an economist in this university system.

A businessman needs resources and a product to create jobs. The businessmen in this country and in this state are having the worst time since the Great Depression. This news is nothing new. You've been reading this in the newspapers and I share it with you because I'm on the line, the firing line. They don't have the money to pay more taxes. This is what I'm told. I'm in business organizations. I'm a chamber member. They don't have the money to pay more taxes, and what we want them to do is to have the money to hire more people. If you hire more people, you create more jobs. If you put a man or women to work they can help their families and provide for their families.

Forgive me. I don't mean to be simple about this or to talk down about this. It is a simple reality that creating jobs is the most important thing that a man or woman can do to create tax revenue. You take your capital, you put it to work, you sell a product or service, you create jobs and those jobs give prosperity to families to take care of themselves.

There is room for government. Government provides essential services, important ones, with education being the most important. Public safety and other health and human services—those are all important, but we're out of whack here. We are in a recession. We are growing government in Nevada faster than population and inflation growth, which should be the measurement of taxation. I'm not against taxation as a businessman. I believe it should be measured in a sensible way, but as you've heard in this body and in committees, your government, this government, our government is growing faster than inflation and population

growth. That means that you are taking more from the private sectors. There is less to invest, and there are less jobs to create and less men and women to put to work and to take care of their families.

I know what the numbers are. I know what the probability of this tax bill lies this afternoon, but I think it is important for you to hear this perspective. I wish there were a hundred businessmen lined up here to talk to you all, to tell you that this is a sad, sad state of affairs. It is sad. Thank you.

CHAIR BUCKLEY:
Thank you, Monte. We appreciate you being with us today. Assemblyman Settelmeyer?

ASSEMBLYMAN SETTELMEYER:
Thank you, Madam Chair. I have a question for Mr. Miller. I, myself, am concerned. Some states have increased cigarette taxes only to find out that everyone starts to buy them online and do not pay the taxes. I'm just curious what your feelings are. I think we are going to have lower than anticipated revenues from the numbers that we are seeing, because of people who either start to pay their employees in cash and not give them health insurance so they can avoid paying the payroll tax, or they could be bartering for stuff so they don't have to pay the sales tax. I'm just curious about your thoughts. If this passes, are we going to start seeing lower than anticipated revenues?

MONTE MILLER:
There are a lot of ifs and there are a lot of crosscurrents here. If the economy stays flat or gets worse, this is going to hurt more. If everything stays the same as today, there is a good reason to believe that you will collect fewer taxes. Taxes are paid by people. Taxes are paid by individuals. The individual paying the tax today is the businessman or the employee, not the consumer. You can't reprice your service or your product today and pass taxes on to the consumer. So it's the stockholder or business owner or the employee—those three are the three people that pay taxes. So, yes, this could very well decrease the amount of revenue our government collects, because it could cut benefits. The repercussion of less benefits and plans, etcetera, is that it could cut employment. The other taxes you are talking about in the billion dollar tax increase, including cigarettes, including this tax on business licenses, and this business license tax of $100 to $200 . . . you know, my customers don't have a problem paying that $200 dollars, but they are large companies. In the business of economics this is called elasticity, and if you go from $100 to $200 you are going to find out the elasticity of this price, and you are going to collect less income on this. I feel very strongly about that. You are going to collect less than the $50 or $60 million that is estimated.

CHAIR BUCKLEY:
Assemblyman Hambrick.

ASSEMBLYMAN HAMBRICK:
Thank you, Madam Chair. With your background and experience in the business community, what effect would this potentially have on either hiring or reducing the number of employees that a business may have?

MONTE MILLER:
Well, Assemblyman, I think it is not going to increase employment, because you are taking more dollars. You are increasing the cost of doing business for existing employees. That's going to come out of the employees' pockets, in lower wages or less employment or less profit. And there is not a lot of profit going around today. Businessmen are not making a lot of money. I think it is particularly true with the big companies on the Strip. They know what this is going to cost and I know that they are on the other side of this issue, but it is still factored in. They know they will have to make more money or they will have to cut back. So I believe it will cut back employment in this state.

CHAIR BUCKLEY:

Thank you, Mr. Miller, we appreciate your testimony. You were the only witness that signed in, so thank you.

On motion of Assemblyman Oceguera, the Committee did rise and report back to the Assembly.

GENERAL FILE AND THIRD READING

Senate Bill No. 429.

Bill read third time.

Remarks by Assemblymen Goedhart, Cobb, Conklin, Gansert, Anderson, Carpenter, Gustavson, Pierce, Stewart, Hambrick, Settelmeyer, Mastroluca, Christensen, Spiegel, Goicoechea, and Madam Speaker.

Assemblyman Oceguera requested that the following remarks be entered in the Journal.

ASSEMBLYMAN GOEDHART:

Thank you, Madam Speaker. I was surprised to see how many emails I got. I, personally, thought, "It is $100 to $200. It is a doubling." But there must be more of a reason why I got 800 emails on that. What I am seeing, though, is a lot of people out there, as small private business people, have all of their own capital—a lot of times, all of their assets—on the line. They may not have a 401K. They may not have a pension plan. They only have the value of those assets—gone down in value—and are dipping into cash reserves. They are now giving and are actually working every day for a loss. I know this from personal experience. I have my own business and every day I go to work, I am worth a few thousand dollars less than I was the day before. A lot of these people are actually pulling money out of their pockets, out of their bank accounts, wherever they can get it, just to keep their employees working. To them, this just looks like kind of a slap in the face—that we really do not understand the depth of the impact

that this economic, almost depression, is having upon them. So I think that is one statement I would like to make.

Also, we came out with some economic indicators for the country. California led the nation in job losses for the month of April. They, by the way, have some of the highest taxes and the most taxes. If we look at a book called *Rich States Poor States,* the states with the highest tax burdens and the most taxes, such as California, New York, and New Jersey, and some of the rust belt states—they call them the blue states—but they are actually rapidly losing jobs because there is an outflow of migration. It seems like the states with some of the best governments, where we keep the cost and burden of government reasonable, are attracting more economic growth, which then translates into more economic opportunity for the residents and the working families who live there. So I would like to go on record saying that while the needs of this state are very important, I just do not think this is the right time for us to be exploring additional new and increased taxes. I appreciate the opportunity of being able to make that comment for the record. Thank you.

Madam Speaker requested the privilege of the Chair for the purpose of making the following remarks:

With the permission of the body, I would like to say a few words about the package. There is no doubt that we are in an economic recession. There is no doubt that our business community is hurting. Two years ago we never thought we would be in this position. We thought gaming was recession proof. We were riding high. Businesses were doing great with companies financing expansions mostly by accumulating debt to do so and going out perhaps even further than they should have because we were in the midst of a boom. It all came crashing down, fueled in large measure by greed in the housing industry. Folks deciding that they would lend to people regardless of ability to repay. They put people in adjustable-rate mortgages that they could not afford. When the whole bubble collapsed, all of us were the victims; our businesses and us as individuals, who have watched our property values plummet and our investment in our homes plummet. That is where we are.

What do we do as a state? Our tax structure is overly reliant on gaming and sales tax. When gaming does well and tourism is booming, we're fine; over 60 percent of our revenue comes from sales and gaming. But when something happens, we have nothing else to rely on. It's like putting all of your investments in one area instead of diversifying. So businesses are cutting back. People are upside down on their homes. Consumer confidence has sunk like a stone so people are not coming to vacation in Las Vegas as much. Our state is fueled by and we depend on the success of Las Vegas, statewide. So what do we see? A 44 percent drop in revenue. We can't cut our school funding, which is 55 percent of our budget, by 44 percent. The next largest category is health and human services. We are required by the federal government to fund the majority of the health and human services budget. It's Medicaid. It is a 50/50 required match. Our costs are through the roof because people don't have health insurance, because they have lost their jobs. We can't turn that switch off. We are required to fund it. The last major category is public safety, prisons, parole and probation. We can't let them out because we are in a recession. We can't cut down the health and human services caseload, and we can't cut education by 44 percent. We have two options. We can take the extreme approach and just say, "Sorry," and trot out the platitudes, "Government has to live within its means," and, "No new taxes," or we can say, "We have to face the reality of our budget." When 55 percent of your budget is education, you can't cut that by 44 percent. You can't let the prisoners out. This body and the money committee said, "Alright, we know we're in the worse recession ever. We know we can't go to the business community and ask them to pay one more dime unless we're willing to say we're cutting." So we started the Ways and Means Committee. Republicans worked next to Democrats, senators worked next to Assembly members, and we went through a Zero-Based Budgeting process. We cut. Some days it was hard. We cut medication clinic budgets and education. We cut 40 percent of the training centers for teachers. We cut the entire remediation account that helps kids in summer school classes. We cut salaries by 4 percent. We froze every merit-pay increase across the board. We cut longevity pay for state employees. We cut. And we agreed in this body, Republican and Democrat, unanimously, on that Ways and Means Committee, on this budget. Sure, there was one account or two where people said if I was king

or queen I wouldn't have that in there, but we worked together. The Governor cut out every rural mental health clinic. Republicans and Democrats sat side-by-side and said we can do better. We cut the funding significantly, almost by half, but we kept the clinics. We required them to operate more efficiently and to share staff in some cases, and to look at telemedicine. We created a reformed process and saved money, and yet we're still going to save lives. That is an amazing result. We looked at the juvenile justice budget. Instead of cutting all the prison beds for juveniles and the supervision for them in the community, we said, "We have to pick one or the other." You can't cut the beds and the supervision, and that's how we closed that budget. We went account by account and asked, "What must we cut, because we have to cut close to a billion dollars? What must we restore?" And after we did that and agreed to it, we then began reaching out to the business community. Our message was, "We know times have never been tougher for the business community. We know that. There are layoffs and losses. We know that." But we asked, "What do we do? We have lost 44 percent of our revenue." I was amazed at the result. Most of them said, "You have to show some balance. You can't do one or the other. You can't raise taxes by 44 percent. It would be irresponsible. And you can't cut by 44 percent." So that's what is contained in Senate Bill 429. It is a balance.

Now, there are the components. It is interesting working with people from all over the state—different parties and different perspectives. Some people wanted a 100 percent sales tax. Well, we ran into some problems with that. There were many folks who said, "Sales tax? It is the most regressive of all taxes." In Clark County, we are almost near 8 percent. Poor people pay more. Other people said, "That is what my constituents support the best, because they think everybody pays a little bit of it. And you don't notice it much." Some people asked, "How can you institute more of a sales tax when our budget already relies on 60 percent from sales and gaming?" Moody's has just commented today, in evaluating our investment rating, that we are overly reliant on sales taxes. So, what did we do? We acted as Nevadans. We put our state first and we said, "We are going to have to compromise."

I know opinions are running strong and some people hate the business component of this. Some people hate the sales tax component of this. Some people are furious because they think that some industries could afford more and they didn't get in the bill at all. We all know that if you are a legislator, you don't get your way all the time. The greatness of our democracy is that we come together and we bring our unique perspectives, even when they drive us nuts, and we have to have two-thirds agree. That is the proposal we will be considering assuming, the Senate ever gets their act together.

So I want to say to my colleagues who created this budget in good faith—thank you. We did a good job. And while I know I think the majority of you would create the revenue mechanisms differently if you were the sole person that was needed to enact this legislation, we have an opportunity now to put our state first, and to decide whether we want the vision of our state to be a closure of UNR or UNLV; a 36 percent cut to every community college; a $690 million cut to K-12; cutting children off Nevada Check-Up and pregnant women off of health insurance; cutting autistic children off their treatment; closing a prison while spending hundreds of millions of dollars to open another one; or whether we choose a different vision, to have our state not hurt ourselves in the long run by being only concerned about the short run.

ASSEMBLYMAN COBB:

Thank you, Madam Speaker. I think that, right now, Nevada is facing probably one of the most unprecedented economic downturns in its modern history. People are unemployed, or very interestingly, are underemployed in many ways. They are facing potential foreclosure and are worried about putting basic necessities on the table for their families. On the same day that it was announced that our unemployment rate has climbed even higher into the double digits, I don't think it is the right response of the Nevada Legislature to increase the overall size of government with what is, in the overall scheme of things, the largest tax increase in Nevada State history.

It is an interesting perspective from the private sector to bring forward here, to show the direct effect between raising a tax—and it depends on what type of tax you are talking about—and then the effect that tax has on that business, and therefore, the effect that it has on the employees of that business. A payroll tax is going to have a direct effect on overall

employment, and not just in terms of getting people back to work, which our constituents desperately want—they want to go back to work—but also on those who are currently working and are going to lose jobs. I know this first hand. Our business is down tremendously. We have laid off roughly 50 percent of our workforce. It's a very personal situation in a closely held business like that. The best thing that we can do for people who are potentially unemployed, who are working less, who are working for less, who are paying more for their health care benefits, who are receiving less subsidy on those health care benefits, who no longer have any type of 401K subsidy or matching, is not to increase their taxes; is not to increase payroll taxes and then have them lose their jobs. That is going to be a killer for any type of recovery in our economy. I think that we really need to look at how the private sector works, how they see the economic downturn and react to it. They tighten their belts. They have to let people go. They have to stop subsidizing things. They have to cut back on pay. That's what you do to survive. We cannot add to the burden they are facing right now and expect to see a turnaround in our economy. Thank you.

ASSEMBLYMAN CONKLIN:

Thank you, Madam Speaker. We have heard a lot today about how families are struggling in our community. People are out of work, their wages may be down—times are tough. Times are tough for all of us—that's true. It is also true that those of us in our body, in this body, take our responsibility to this state and its people very seriously because the State of Nevada is also a family—it's our family. Like all of us are brothers and sisters and all the people who live in this state are our children. We watch over them. We look after them. We have a responsibility to do so, like each and every member in this body has a family and a responsibility to look over them. This family has tightened its belt. It has tightened this belt painfully, but we have done it together, as many have already said. However, we have a moral obligation to our family. A moral obligation to provide them with essential services they expect from state government. In tough times like these, the tough times we are experiencing now, that responsibility does not go away. When tough times in a family hit, you don't kick your children out on the street, you take care of them. You do what is necessary. I implore you today—we can not kick our children out on the street alone, unfed, unclothed, uneducated, or without access to health care or justice. That is what this budget and revenue package is all about, fulfilling our responsibility to our state and our families. I urge your support.

ASSEMBLYWOMAN GANSERT:

Thank you, Madam Speaker. First, I want to thank this body. I want to thank this body for, in a bipartisan manner, examining the budget and the needs of the state, and working to determine how to fund them. I appreciate that our caucus has been part of this discussion, given the significant challenges that we faced. I would also like to acknowledge my caucus. Our caucus is diverse. We have members who represent every corner of the state and from all walks of life. That is what makes us strong. We internally debated Senate Bill 429 and have different opinions and I respect those opinions. Some of the members of our caucus have supported some new revenues. Some supported the room tax and some supported the implementation of the business portal. While a portion of our caucus has supported new taxes, some do not.

When we looked at the bill before us today, the problem that we found was the weight that was placed on business. We believe that it is detrimental to substantially increase business taxes at this point and time. If you look at all the business taxes that are in that bill, they are more than $400 million. The average wage in this state is about $40, 0000; given that, we potentially could lose 10,000 thousand jobs. I do not think any Nevadans can afford to lose jobs. So while some of our caucus members agreed that we would support some taxes, we are not able to support the package as presented before us today. Thank you.

ASSEMBLYMAN ANDERSON:

Thank you, Madam Speaker. I rise in support of Senate Bill 429. As a former government teacher and social studies teacher, who has been involved in that process for 33 years, and in this one for 20, I am very cognizant, I think, of the economic questions. I heard one of our speakers this afternoon tell us that he was a trained economist and a small business man. I appreciated his insight. As a political scientist and historian, I am also very, very cognizant of what goes on.

The Legislature has a critical and historic role in ensuring the economic stability and vitality of our state. I take that responsibility greatly in each legislative session.

We are in an economic crisis worse than we can ever imagine. Our responsibility, as legislators, has been to determine how to deal with the tragedy of the current situation without further hurting our economy or jeopardizing our hope for an economic recovery. This is not an easy task, nor has it ever been. The process has been a delicate balance of cuts and revenue increases. This is a lean, bare budget, as it always has been in this state. We have made significant cuts, but we could not cut anymore without destroying education, health care, and public safety. As we developed this revenue package, we were sensitive to the needs to protect families, and small businesses, and those already struggling to hang on.

It is important to understand the impact of these decisions on our economy. We could not simply rely on sales tax, not only because it is a regressive tax, but because heavy reliance on the sales tax could negatively impact our state's bond rating. I believe we are all very, very aware of that. People also lose sight of the impact of deep cuts on our economy and its ability to recover. John Maynard Keynes—and economist like him—tells us that while taxes, of course, have an impact on our economy—cutting state spending with layoffs, and salary cuts, and cancelled contracts with vendors has an equal impact. The people whose salaries and benefits we are cutting are taxpayers with mortgages, health care needs, and children they wish to send to college and to school—the issues they care about. When people have less money to spend it perpetuates our economic downturn. This package strikes a needed balance between cuts and revenue. I again urge your support.

ASSEMBLYMAN CARPENTER:

Thank you, Madam Speaker. I guess I need to make my anticlimactic speech now. Senate Bill 429—this is a tough vote. It might be the toughest one I have to make in my career. If my career was not at an end, this might bring me to and end. Hopefully not. The reason why I will vote the way I will—I have been thinking about this for a long time—is when the Governor came out with his budget, I could not see how it would work. I have worked for a long time to improve our schools and I have worked especially extra hard to try to get class size reduction in Elko County. I was able to do that and I sure as the devil did not want that to get shot down when they had to go to 40 to 1 or some such a thing. I had a couple of kids go to UNR and graduated and I did not want to shut UNR down. I sure as the devil did not want to shut Great Basin College down because so many people have worked so long and so hard to get a community college that works.

Out in the rurals, honor camps are most important. This last summer, when I was on that committee, our director of prisons kept saying, "Well, we have to shut Pioche. And Tonopah is going to go." I would get all kinds of calls from Wells and Carlin—"They're going to shut us down." That did not happen, but we had to have some funds to keep that from happening.

In mental health, I know people in my community, and if you do not keep them on those medicines, they are going to go bonkers on you. We were able to save those health clinics. I want to thank my friend from Reno for that.

I got a lot of retirees in my area. One, especially, lives across the street. If we took his retirement away, he would probably have to move in with me and Roseanne. I don't know if that would be too good or not. We need to take care of those people. I have been thinking that a lot of things that we need were funded at bare bones in this budget. Maybe I would have done things different. I may have cut here and tried to cut there, but I want to thank my four friends on the Ways and Means Committee for doing a good job.

We have a breakfast here every morning—me and my cowboy friend—and what gave me strength today to make this vote was that this morning he cooked up some special cornmeal. Have you ever had fried cornmeal and bacon? You can just about do anything if you eat that in the morning. Well, anyway, every morning we have breakfast. My friend Pete and my other friend, John Marvel, who has already left me, would talk about the budget. I have really given Pete the going over, and kept him on his toes. Dr. Hardy, I don't know quite what to say about him. He always has these ideas—he really thinks way down deep—a lot deeper than I do. He always comes up with good ideas. He and my friend Heidi, they have really worked on this budget. Maybe it could have been cut more—I don't know. I think that the main thing is I got

what my area needs. My kids got a heck of an education—they went to all these high tone schools and they are doing quite well. My grandkids, I think, are getting a good education. If there is anything wrong with our educational system I think it is because the parents don't do their job. But I better get back on the subject here.

I couldn't ask my other colleagues to carry the entire load for me, and I needed to help them. I really thought a lot about this. I talked to my wife and my friends. I had already made up my mind, yesterday, that I was going to vote for this. I talked to my wife, but most of all, I talked to the Lord and the Lord said, "Man, this is the thing to do and tonight you are going to sleep and you are going to sleep well." So that is what I did. Thank you very much.

ASSEMBLYMAN GUSTAVSON:

Thank you, Madam Speaker. Thank you for letting me follow an act like that. I rise in opposition to Senate Bill 429. I would like to mention a few things that were not brought up during the discussion we had prior to the vote.

By passing this bill, in my opinion, we are not going to create more jobs by taking more money away from the businesses that provide those jobs. I am more concerned about my constituents who are out of work than I am about maintaining the size of government handouts. Everybody is having a difficult time paying their bills—we can not expect to take more money from them now. No country or state has ever taxed itself into prosperity. Even JFK knew better than to raise taxes during a recession. Lowering taxes put more money back into the economy many times over. Most of the time, when you buy a product, that money goes back into the economy at least seven times. So, I would much rather get that money by lowering taxes instead of raising the taxes—it puts more money in the economy and helps stimulate the economy. I had a few other remarks on the bill but it is a little late now; but for the record, I wanted to get some comments out there.

ASSEMBLYWOMAN PIERCE:

Thank you, Madam Speaker. One of the things that I wanted to talk about is the fact that we are not just here today because of the bad economy. We are also here because, for a very long time in this state, we have under-funded everything. We have done it for decades. Every time 100,000 people moved here, we provided enough services for 25,000. When another 100,000 people move here, we provided services for another 25,000. It did not appear that way because the budgets went up a little bit because the boom happened. We were a boomtown for 20 years and it hid the fact that some folks have misstated something a couple of times in the last couple of days.

We have a thing here that most of us call "baby TASC (Tax and Spending Control)." It is a law passed in 1978 that says a state budget cannot grow by more than the rate of growth and inflation. We have never hit the limit in 30 years. When I was here in 2003 and we were looking at the biggest tax increase in history, one of the things I knew was that in 2003 we were one of ten states whose state government had not kept up with growth and inflation for a decade. We have the smallest government in the country, not just now, but we have for decades. We have the fewest public servants of any place in the country. That makes no sense when you are talking about economies of scale. It just makes no sense. You talk about economies of scale and the fact is the place with the smallest number of employees should be a big state with lots of programs. So being here today was inevitable. Inevitably, this insane frugality, for me, was eventually going to meet and run head on with a really bad economy and we were going to be up that creek without a paddle. This day was inevitable.

We have talked a lot in the last six months about the structure of our tax system. As we know in taxation, we have been talking about that for 30 years—all those studies, studies, studies. When I came here this session I was really excited that we were going to make some progress on that structure. We were going to start to fix this mess we have made over a couple of decades. Today, we did not fix it, and that is a huge disappointment to me. I voted for it and I would do it again if we had to do it again; but I am disappointed. I am disappointed that we made a tax system that is already regressive. We have made it more regressive and we did not make progress on doing some of things that the last ten studies have told us that we needed to do. We did what we needed to do and I hope that we'll come back in two years and try again to see if we

can turn this ship of state in a direction that is not just failure and set us in a direction that is not the bottom of all the good lists and the top of all the bad ones. Thank you, Madam Speaker.

ASSEMBLYMAN HAMBRICK:

Thank you, Madam Speaker. I feel somewhat awkward standing up because of my colleague from Assembly District 33. I am privileged to be able to stand in his shadow some days. You made a very principled decision, although I would respectfully disagree with that decision, but it was very principled, and I understand that.

I had hoped to be able to ask some questions from a member of this body but I am not sure who that member would be, because I am thinking of, possibly, a make-believe city of 140,000—the number of people who are unemployed. I would have liked to have gotten their input—on how the unemployed feel, those that were in the casinos and the tourist industry last month or the month before and were told that their jobs were being eliminated. My colleague from District 22 is right. There was no easy choice today. I think we will find out in the months, hopefully not years, to come if today's decision was good. We had a witness in the well earlier that made some predictions. I sincerely hope that he was wrong, but I fear he was not. Thank you Madam Speaker.

ASSEMBLYMAN SETTELMEYER:

Thank you, Madam Speaker. It was a very difficult decision to make. All of us had to come to our own terms, to figure out what we wanted to do. Myself, I looked at my constituents. Some of them, they receive benefits. I also looked at the ones that are paying for those benefits. But then I looked at what we need to do to recover as a state. And when I looked at . . . basically, we doubled the payroll tax. Or we were looking, at that time, in almost doubling the payroll tax. That type of a tax hike is really a tax on the number of employees that a business has. In looking at the fact that we have 10 percent unemployment across the state, the highest it has been since 1983—and Lyon County is at 15 percent—I am worried. I don't ever want to see 20 percent.

And so, for myself, I just could not vote for anything that was so, in my opinion, draconian on the payroll tax and that would so impact the businesses and may cause more individuals to become unemployed. On that aspect, it made me look at it and say, "I could not vote for that." But then I thought, "You know what? I probably could if that is what the people wanted." I started looking at my constituents, and interestingly enough, I have quite a few from California, even though I am one of only a handful of native Nevadans. My community, Douglas County, is made up of a lot of individuals who have moved here from California. That is where they come from, probably about 70 percent of them. So I actually looked at California, to their special election, where they said by 65 percent, "No. No more taxes. Live within your means." That's why I am going to urge everyone to vote no on the bill. Thank you.

ASSEMBLYWOMAN MASTROLUCA:

Thank you, Madam Speaker. As a freshman, this is the hardest decision that I ever thought I would have to make. Having to sit here and push that button will be the hardest thing I have done in the last 18 months of my life. It was easier to decide to run. It was easier to convince my family that this was a good idea. It was easier to move away from home for four months than to push that button. But I know that tomorrow morning I can get up and look in the mirror and know that I made the right choice, because I know that the children in this state will receive the health care that they need. I know that my children will have the opportunity to go to colleges that will still exist. I admire those who had to make those difficult choices. I admire those who made the ones that they feel comfortable that they can live with. Thank you for this opportunity.

ASSEMBLYMAN CHRISTENSEN:

Thank you, Madam Speaker. I don't think anyone would argue . . . anyone in this body, anyone who knows you . . . no one would argue that you are a very smart woman, a very smart Speaker.

This vote today, as I shared some comments yesterday, is one that has weighed very heavily on me. My guess is, based on how the vote will go down . . . I just want to let everyone know I

am not expecting a standing ovation when I'm done. But I will say that there will probably be some that will pick apart what I feel and what I want to share, and this is why. When I came here in February, after hearing all the news reports, sitting in the school district meetings, and listening to what parents had to say, I wholeheartedly came here thinking, "You know what? I'm probably going to have to vote for taxes, a tax—something." That was my expectation. During the session, I had been able to go back to Las Vegas, go out with friends, go to church, go to sports gatherings, and what I saw absolutely terrified me. It scared me. I saw more and more friends unemployed; more and more office space for lease that used to house someone's business. I saw families losing their homes to foreclosure. It is sad. It is very heartbreaking, especially when we are close to these people. All of us know people in this position.

So, as the body passes Senate Bill 429, and I would also include IP 1, we are looking at almost a billion dollar tax increase. I know with all the recent news about the federal government that doesn't sound like much, but coming out of this state's small economy, that's a chunk. I do believe that this tax was ill timed, and I believe, based on my own personal experience, that it is morally wrong. Winston Churchill said, "A nation that tries to tax its way to prosperity is like a man standing in a bucket trying to lift himself out by the handle." I have been feeling that and seeing that in my mind all day long and all session long.

I shared with my colleagues this morning that if unemployment were a city in Nevada, it would be the fifth largest city in our state. So, here we are, and as we have experienced tough decisions, I want to say that I realize that this is tough. I know how tough it was for our colleague from Elko, who I can say we all love. Who doesn't love the Assemblyman from Elko? I know that this was tough. All of us had to vote our conscience and represent the people who put us in office.

Recently, one of my colleagues said that the hardest part is coming up with the money and raising taxes. I know that is what this person felt in their heart. I disagree. From my experience, I will tell you that it is really, really hard to say no. There are so many worthy causes, especially when money is scarce. I know this from experience. This session I voted no a number of times, and it has really been a challenge, especially after I hear my colleagues floor speeches. I will say that people do treat me differently sometimes, but I realize that is just part of what we experience here.

Madam Speaker, in your comments, I just wanted to say that, with all due respect, I don't see the comment that I made yesterday—that it's a good idea to live within our means—as a platitude. For me, that's like arguing with gravity. I will admit that while I am not the businessman I am in my dreams, I do know a little bit about business, small and large—companies that I have run and companies that I have been close to. Some have seen a lot of success and another company that I was a part of, I ran into the ground. I learned a lot as I went. But in closing, I want to share that . . . really what I want to do is, in thinking of all of those unemployed, all of those Nevada families that are having a hard, hard time; that in my opinion, we just made life a little more difficult for those masses and for those businesses that have to write that check—the small business owners that have to write that check every single month before they get to take money home to their families. For those people and to those people I want to apologize for the action.

Madam Speaker requested the privilege of the floor for the purpose of making the following remarks:

Okay. You are out of line. You are done. You don't get to apologize on behalf of another member. You are out of order.

ASSEMBLYMAN CHRISTENSEN:
That is why I said, "With all due respect . . ."

Madam Speaker requested the privilege of the floor for the purpose of making the following remarks:

You are out of order.

ASSEMBLYMAN CHRISTENSEN:

Fair enough. I believe that I have made my point and appreciate the opportunity to do so. In closing, Madam Speaker, I will say that I hope that, as we see these budgets grow every two years, I hope we just put on our best thinking caps and consider the challenges and opportunities, and that we weigh those out. It has been my effort every since I have been here to try to bring as much balance as I can to this equation. I hope that as we go, that is something that we will have in mind. Thank you.

ASSEMBLYWOMAN SPIEGEL:

Thank you, Madam Speaker. Today's decision is a difficult one to make. I, too, have many reservations. As I headed into my first session, which was the last special session, Speaker Buckley commented that it is easy to call yourself a leader when times are good, but that real leadership comes when we have to make difficult decisions. I thought about her comment many times during the last several months. While I did not agree with everything in the revenue package, I realized that passing this bill is vital to protecting our children, our senior citizens, and for keeping our community safe. As my colleague from District 27 said yesterday, "It is irresponsible to pass a budget that you are unwilling to fund."

I spend a lot of time keeping in touch with my constituents. They keep imploring me to support education, to protect our retirees, and to do the right things for our state's future. They even send me emails saying that they are willing to pay more if it would mean keeping our institutions of higher education open, doing what we can to improve K-12 education, preventing layoffs of police and firefighters, and maintaining essential government services. I supported the budget because the alternative wouldn't have done any of these things and would have destroyed the lives and futures of so many Nevadans.

I know firsthand that businesses are hurting in my district and around the state. I am a small business owner and my own business is hurting, too. I personally feel the pain that so many of my fellow Nevadans are feeling. I know our state is feeling pain that many of us thought we would never feel and I truly have agonized over this vote. I do think the sales tax regressively and disproportionately burdens those who can least afford it. I do think our tax structure needs to be thoroughly reviewed to ensure fairness for all Nevadans and all of Nevada's businesses. There are no clear choices, yet I have to make a choice for my vote. I have decided to vote yes because the alternative is certain and merciless cuts to our schools, our health care, and our state's most basic needs—not our wants, our needs. I will vote yes, because on this day, at this painful time in our state's history, I know that the alternative is unacceptable and I know that I need to fulfill my constitutional obligations to my constituents and to all Nevadans. Thank you.

ASSEMBLYMAN GOICOECHEA:

Thank you, Madam Speaker. First of all, I want thank all the members of this body, especially those that served on Ways and Means, for your support. Again, I was the new kid or one of the new kids in Ways and Means and I really appreciate the support you gave me.

I represent a very conservative district and I am here as a representative. I don't think there is anyone in this body that did not recognize when we came into session that we were going to need more revenue. The economic situation was worsening every day. And clearly, then, as we got into session, with the Governor's State of the State, I think it became very apparent we were going to need revenue. When I say "we," I met with my constituents and I talked to them. Again, I represent those conservative counties through central Nevada that have a very low sales tax rate. You know, most of them are at 6.5 percent. They sent me here saying they would go as high as a 1 percent increase on sales tax to meet the needs, to keep our schools open, our community colleges, and our conservation camps. Those are the things we need in rural Nevada. I neglected to mention our rural health clinics, which was a big issue and I want to thank my colleague from Reno for the support she gave all of rural Nevada on that.

There were portions of the revenue plan that I could support. In fact, I totally support the revenue plan in Senate Bill 429. It was the mechanism that got us there which will cause my no vote. The bottom line is the people I represent felt they needed a sales tax. They do feel that a tax on business . . . we have a lot of small businesses out there. They feared the MBT and, again, I am here to represent them. But I want you to know that I recognize and my constituents

recognize that we needed revenue and they were not afraid of a tax increase. It was only the kind. Thank you.

CONSIDERATION OF SENATE AMENDMENTS

Assembly Bill No. 140.

The following Senate amendment was read:

Amendment No. 771.

AN ACT relating to real property; revising provisions relating to a notice of sale of real property under execution; establishing the crime of defacing a notice of sale of real property under execution or a notice of sale of real property pursuant to a trustee's power of sale; establishing rights and duties of a purchaser of real property pursuant to a foreclosure sale and establishing rights and duties of a tenant in possession of such property; revising provisions relating to a sale of real property pursuant to a trustee's power of sale; requiring a landlord to make certain disclosures to a prospective tenant; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Sections 2 and 7 of this bill revise existing law by requiring that a notice of sale of real property under execution or a notice of sale of real property pursuant to a trustee's power of sale be served upon the State Board of Health if the real property is operated as a licensed health facility. **Sections 2 and 6.7** of this bill require, if the sale of property is a residential foreclosure, a separate notice to be served upon any tenant or subtenant, other than the

judgment debtor, in actual occupation of the real property subject to a notice of sale under execution or a notice of sale pursuant to a trustee's power of sale to inform the tenant or subtenant that the property is subject to a notice of sale. (NRS 21.130) **Sections 3 and 8** of this bill make it unlawful for a person to willfully remove or deface a notice of sale under execution or a notice of sale pursuant to a trustee's power of sale which is posted on real property. (NRS 21.140, 107.084) **Sections 4 and 6** of this bill require the purchaser of a vacant residential property at a foreclosure sale or a trustee's sale to maintain the exterior of the property. **Sections 4 and 6** also authorize the appropriate governmental entity to assess a civil penalty of up to $1,000 per day, under certain circumstances, for failure to maintain the property.

Existing law provides that a person who holds over and continues in possession of real property that has been foreclosed after a 3-day notice to quit has been served upon him may be removed. (NRS 40.255) **Section 5** of this bill provides that a tenant or subtenant, other than the person whose name appears on the mortgage or deed of trust, may be removed only after the expiration of a specified period not to exceed 60 days if the property has been sold as a residential foreclosure. **Section 5** also requires the tenant or subtenant who remains in occupation of the real property to remit rent to the new owner of the property pending expiration of the specified period. **Section 5** further prohibits any person from entering a record of eviction for a tenant or subtenant who vacates the property within the specified period if the property has been sold as a residential foreclosure. Finally, **section 5** allows the new owner of the real property, if the property has been sold as a residential foreclosure, to negotiate a new purchase, lease or rental agreement with the tenant or subtenant in occupation of the property or to offer a payment in exchange for the tenant or subtenant vacating the property on a date earlier than the end of the specified period.

Section 5.5 of this bill requires a landlord to file proof of service with the court of any notice required to be served before the removal of a person who holds over and continues in possession of real property after receiving a 3-day notice to quit. (NRS 40.280)

Section 9 of this bill requires a landlord to disclose in writing to a prospective tenant if the property to be leased or rented is the subject of foreclosure proceedings. **Section 9** also makes it a deceptive trade practice for any landlord to willfully fail to make such a disclosure.

Assembly Bill No. 513.

The following Senate amendment was read:

Amendment No. 762.

AN ACT relating to mortgage lending; ~~[requiring the licensing of a construction control as an escrow agent or agency;]~~ establishing education requirements for an escrow agent or agency; revising provisions relating to the jurisdiction of the Commissioner of Mortgage Lending; revising subpoena powers of the Commissioner; revising provisions relating to holders of a beneficial interest in a loan; eliminating the exemption of consumer finance companies from provisions relating to mortgage brokers, mortgage agents and mortgage bankers; revising provisions for the issuance of a certificate of exemption to a mortgage broker, mortgage agent or mortgage banker; requiring a mortgage broker to make additional disclosures under certain circumstances; revising provisions for the revocation of the license of a mortgage broker or mortgage agent; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Section 1 of this bill requires a construction control to be licensed as an escrow agent or agency.]~~ **Sections 3 and 4** of this bill establish educational prerequisites and continuing education requirements for an escrow agent or agency. **Sections 5, 9 and 15** of this bill provide that the jurisdiction and authority of the Commissioner of Mortgage Lending is unaffected by the expiration or voluntary surrender of a license as an escrow agent or agency, mortgage broker, mortgage agent or mortgage banker.

Sections 6, 12 and 18 of this bill provide that the Commissioner may subpoena documents without also subpoenaing the custodian of such documents. (NRS 645A.060, 645B.070, 645E.310)

Section 8 of this bill provides that if the beneficial interest in a loan for real property belongs to more than one natural person, the holders of 51 percent or more of the outstanding principal balance may act on behalf of all the holders of the beneficial interests of record.

Sections 10 and 16 of this bill eliminate the exemption of consumer finance companies from licensing and other requirements governing mortgage brokers, mortgage agents and mortgage bankers. (NRS 645B.015, 645E.150) **Sections 11 and 17** of this bill revise existing law by requiring proof of the right to transact mortgage loans, if applicable, in another jurisdiction as a condition to obtaining an exemption to licensing and other provisions governing mortgage brokers, agents and bankers. (NRS 645B.016, 645E.160)

Existing law requires a mortgage broker to include a servicing fee in any loan for which he engages in activity as a mortgage broker. (NRS 645B.305) **Section 13** of this bill limits the requirement to only such loans in which a private investor has acquired a beneficial interest. **Section 13** also requires a mortgage broker to make additional disclosures pertaining to fees earned by the mortgage broker and any impact such fees may have on the terms of the loan.

Section 14 of this bill revises existing law to provide that the Commissioner has the discretionary authority, rather than a mandatory obligation, to revoke the license of a mortgage broker or mortgage agent under certain circumstances. (NRS 645B.690)

CONSIDERATION OF SENATE AMENDMENTS

Assembly Bill No. 144.

The following Senate amendment was read:

Amendment No. 649.

AN ACT relating to real property; prohibiting public disclosure of the results of an annual examination of a mortgage broker under certain circumstances; revising provisions relating to appraisals of real property securing a loan in which an investor invests money; revising requirements which relate to the release of certain information on various mortgage brokers regarding ownership and management structure, annual or biennial examinations and other examinations or audits, investigations or hearings; suspending or revoking the license of certain mortgage brokers who receive the lowest possible rating on two consecutive annual or biennial examinations; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law requires annual or biennial examinations for various mortgage brokers. (NRS 645B.060) **Section 1** of this bill prohibits the results of an annual examination from being released to the public until after a period of time set by the Commissioner of Mortgage Lending to determine any objections made by the mortgage broker to the results.

Existing law provides requirements regarding certain information on mortgage brokers that is to be made available for public inspection. (NRS 645B.090) **Section 2** of this bill revises those requirements in regard to mortgage brokers who make or offer for sale in this State any investments in promissory notes secured by liens on real property. The revised requirements relate to information regarding ownership and management structure, annual or biennial examinations, other examinations or audits, investigations or hearings, and standards for withholding other information.

Existing law prohibits a mortgage broker or mortgage agent from accepting money from an investor to acquire ownership of or a beneficial interest in a loan secured by a lien on real property unless the mortgage broker has first obtained a written appraisal of the real property securing the loan. (NRS 645B.300) **Section 2.5** of this bill requires the appraisal to be made not more than 6 months before the mortgage broker's first solicitation for the loan and the appraisal to meet certain standards. **Section 2.5** further requires a mortgage broker to make additional disclosures to an investor if the investor waives the requirement that an appraisal be obtained.

Existing law provides requirements regarding disciplinary action for certain violations of law relating to the business of a mortgage broker. (NRS 645B.690) **Section 3** of this bill revises those requirements in regard to mortgage brokers who make or offer for sale in this State any investments in promissory notes secured by liens on real property. If such a mortgage broker receives the lowest possible rating on two consecutive annual or biennial examinations, the license of that mortgage broker will be suspended or revoked.

CONSIDERATION OF SENATE AMENDMENTS

Assembly Bill No. 149.

The following Senate amendment was read:

Amendment No. 901.

AN ACT relating to real property; revising provisions governing foreclosures on property; providing for mediation under certain circumstances; providing for the imposition of a fee for mediation; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law sets forth procedures governing foreclosures on real property upon default. A trustee under a deed of trust has the power to sell the property to which the deed of trust applies, subject to certain restrictions. (NRS 107.080, 107.085) **Section 1** of this bill establishes additional restrictions on the trustee's power of sale with respect to owner-occupied housing by providing a grantor of a deed of trust or the person who holds the title of record with the right to request mediation under which he may receive a loan modification. Once mediation is requested, no further action may be taken to exercise the power of sale until the completion of the mediation. Each mediation must be conducted by a senior justice, judge, hearing master or other designee pursuant to rules adopted by the Nevada Supreme ~~[Court or an entity designated by the Nevada Supreme]~~ Court, and a fee of not more than $85 per hour may be charged and collected for the mediation. **Section 2** of this bill also restricts the trustee's power of sale with respect to owner-occupied housing by revising the period in which a deficiency in performance or payment under the trust agreement may be made good before the trustee may exercise that power. Similarly, **section 3** of this bill restricts the trustee's power of sale with respect to owner-occupied housing by revising the manner in which service of notice that a person is in danger of losing his home must be made. In addition, **section 4** of this bill authorizes the Nevada Supreme Court to adopt rules providing for voluntary mediation with respect to a homeowner who is not in default but is at risk of default.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 107 of NRS is hereby amended by adding thereto a new section to read as follows:

2. The trustee shall not exercise a power of sale pursuant to NRS 107.080 unless the trustee:

If the grantor or the person who holds the title of record indicates on [his respective] the form his election to enter into mediation, the trustee shall notify the beneficiary of the deed of trust and every other person with an interest as defined in NRS 107.090, by certified mail, return receipt requested, of the election of the grantor or the person who holds the title of record [, or both,] to enter into mediation and file the form with the Mediation Administrator, who shall assign the matter to a senior justice, judge, hearing master or other designee and schedule the matter for mediation. No further action may be

taken to exercise the power of sale until the completion of the mediation. If ~~[both]~~ the grantor ~~[and]~~ or the person who holds the title of record ~~[indicate]~~ indicates on ~~[their respective forms their]~~ the form his election to waive mediation or ~~[if both fail]~~ fails to return ~~[their respective forms]~~ the form to the trustee as required by this subsection, the trustee shall execute an affidavit attesting to that fact under penalty of perjury and serve a copy of the affidavit, together with the waiver of mediation by the grantor ~~[and]~~ or the person who holds the title of record, or proof of service on the grantor ~~[and]~~ or the person who holds the title of record of the notice required by subsection 2 of this section and subsection ~~[2]~~ 3 of NRS 107.080, upon the Mediation Administrator. If the beneficiary of the deed of trust is represented at the mediation by another person, that person must have authority to negotiate a loan modification on behalf of the beneficiary of the deed of trust or have access at all times during the mediation to a person with such authority.

5. If the beneficiary of the deed of trust or his representative fails to attend the mediation, fails to participate in the mediation in good faith or does not bring to the mediation each document required by subsection 4 or does not have the authority or access to a person with the authority required by subsection 4, the mediator shall prepare and submit to the Mediation Administrator a petition and recommendation concerning the imposition of sanctions against the beneficiary of the deed of trust or his representative. The court may issue an order imposing such sanctions against the beneficiary of the deed of trust or his representative as the court determines appropriate, including, without limitation, requiring a loan modification in the manner determined proper by the court.

6. If ~~[both]~~ the grantor ~~[and]~~ or the person who holds the title of record elected to enter into mediation and ~~[both fail]~~ fails to attend the mediation, ~~[or if only one of those persons elected to enter into mediation and that person fails to attend the mediation,]~~ the Mediation Administrator shall provide to the trustee a certificate which states that no mediation is required in the matter.

The Mediation Administrator shall provide to the trustee a certificate which provides that the mediation required by this section has been completed in the matter.

3. Before the court assigns a person to a program for the treatment of problem gambling, the person must agree to pay the cost of the program to which he is assigned, to the extent of his financial resources. If the person does not have the financial resources to pay all the related costs, the court shall, to the extent practicable, arrange for the person to be assigned to a program that receives a sufficient amount of federal or state funding to offset the remainder of the costs.

Sec. 7. ***Subject to the provisions of sections 2 to 12, inclusive, of this act, a problem gambler who has been convicted of a crime*** ***and who committed the crime in furtherance or as a result of problem gambling*** ***is eligible to elect to be assigned by the court to a program for the treatment of problem gambling before he is sentenced unless:***

1. The crime is:

(a) A crime against the person punishable as a felony or gross misdemeanor as provided in chapter 200 of NRS;

(b) A crime against a child as defined in NRS 179D.0357;

(c) A sexual offense as defined in NRS 179D.097; or

(d) An act which constitutes domestic violence as set forth in NRS 33.018;

2. The problem gambler has a record of two or more convictions of a crime described in subsection 1 or a similar crime in violation of the laws of another state, or of three or more convictions of any felony;

3. Other criminal proceedings alleging commission of a felony are pending against the problem gambler; ~~*[or]*~~

4. The problem gambler is on probation or parole, except that the problem gambler is eligible to make the election if the appropriate probation or parole authority consents to the election or the court finds that the problem gambler is eligible to make the election after considering any objections made by the appropriate probation or parole authority ~~[.]~~ ***;*** ***or***

5. The problem gambler has previously been assigned by a court to a program for the treatment of problem gambling, except that the problem gambler is eligible to make the election if the court, in its discretion, finds that the problem gambler is eligible to make such an election.

Sec. 8. ***1. If the court*** ~~[has]~~ ***:***

(a) Has reason to believe that ~~[a]~~ ***:***

(1) A person who has been convicted of a crime is a problem gambler ; and ~~[the court finds]~~

(2) The person committed the crime in furtherance or as a result of problem gambling; and

(b) Finds that he is eligible to make the election as provided in section 7 of this act, ~~[the]~~

➥ the court shall hold a hearing before it sentences the person to determine whether or not the person committed the crime in furtherance or as a result of problem gambling and whether or not he should receive treatment under the supervision of a qualified mental health professional. The district attorney may present the court with any evidence concerning whether the person committed the crime in furtherance or as a result of problem gambling and the advisability of permitting the person to make the election.

2. At the hearing, the court shall advise the person that sentencing will be postponed if he elects to submit to treatment and is accepted into a program for the treatment of problem gambling. In offering the election, the court shall advise him that:

(a) The court may impose any conditions upon the election of treatment that could be imposed as conditions of probation;

(b) If he elects to submit to treatment and is accepted, he ~~[may]~~ ***:***

(1) May be placed under the supervision of the qualified mental health professional for a period of not less than 1 year and not more than 3 years; and

(2) Must agree to pay restitution as a condition upon the election of treatment;

(c) During treatment, he may be confined in an institution or, at the discretion of the qualified mental health professional, released for treatment or supervised care in the community;

(d) If he satisfactorily completes treatment and satisfies the conditions upon the election of treatment, as determined by the court, the conviction will be set aside, but if he does not satisfactorily complete treatment and satisfy the conditions, he may be sentenced and the sentence executed; and

(e) If his conviction is set aside pursuant to section 10 of this act, he may, at any time after the conviction is set aside, file a petition pursuant to NRS 179.255 for the sealing of all records relating to the setting aside of the conviction.

Sec. 9. ***1. If the court, after a hearing, determines that a person is entitled to accept the treatment offered pursuant to section 7 of this act, the court shall order a qualified mental health professional to conduct an examination of the person to determine whether he is a problem gambler , whether he committed the crime in furtherance or as a result of problem gambling and whether he is likely to be rehabilitated through treatment. The qualified mental health professional shall report to the court the results of the examination and recommend whether the person should be placed under supervision for treatment.***

2. If the court, acting on the report or other relevant information, determines that the person is not a problem gambler, did not commit the crime in furtherance or as a result of problem gambling, is not likely to be rehabilitated through treatment or is otherwise not a good candidate for treatment, he may be sentenced and the sentence executed.

3. If the court determines that the person is a problem gambler, committed the crime in furtherance or as a result of problem gambling, is likely to be rehabilitated through treatment and is a good candidate for treatment, the court may:

(a) Impose any conditions upon the election of treatment that may be imposed as conditions of probation;

(b) Defer sentencing until such time, if any, as sentencing is authorized pursuant to section 10 of this act; and

(c) Place the person under the supervision of a qualified mental health professional for not less than 1 year and not more than 3 years.

➥ The court may require such progress reports on the treatment of the person as it deems necessary.

4. If the court places a person under the supervision of a qualified mental health professional for the purpose of receiving treatment pursuant to sections 2 to 12, inclusive, of this act, the person must agree to pay restitution as a condition upon the election of treatment.

5. A person who is placed under the supervision of a qualified mental health professional shall pay the cost of the program of treatment to which he is assigned and the cost of any additional supervision that may be required, to the extent of his financial resources. The court may issue a judgment in favor of the court or the qualified mental health professional for the costs of the treatment and supervision which remain unpaid at the conclusion of the treatment. The judgment constitutes a lien in like manner as a judgment for money rendered in a civil action, but in no event may the amount of the judgment include any amount of the debt which was extinguished by the successful completion of community service pursuant to subsection ~~[5.]~~ 6.

~~[5.]~~ ***6.*** ***If the person who is placed under the supervision of a qualified mental health professional does not have the financial resources to pay all of the related costs:***

(a) The court shall, to the extent practicable, arrange for the person to be assigned to a program that receives a sufficient amount of federal or state funding to offset the remainder of the costs; and

(b) The court may order the person to perform supervised community service in lieu of paying the remainder of the costs relating to his treatment and supervision. The community service must be performed for and under the supervising authority of a county, city, town or other political subdivision or agency of this State or a charitable organization that renders service to the community or its residents. The court may require the person to deposit with the court a reasonable sum of money to pay for the cost of policies of insurance against liability for personal injury and damage to property or for industrial insurance, or both, during those periods in which the person performs the community service, unless, if the insurance is industrial insurance, it is provided by the authority for which he performs the community service.

~~[6.]~~ ***7.*** ***No person may be placed under the supervision of a qualified mental health professional pursuant to this section unless the qualified mental health professional accepts him for treatment.***

Sec. 10. ***1. Whenever a person is placed under the supervision of a qualified mental health professional, his sentencing must be deferred and, except as otherwise provided in subsection 4, his conviction must be set aside if the qualified mental health professional certifies to the court that he has satisfactorily completed the program of treatment and the court approves the certification and determines that the conditions upon the election of treatment have been satisfied.***

2. If, upon the expiration of the treatment period, the qualified mental health professional has not certified that the person has completed his program of treatment, the court shall sentence him. If he has satisfied the conditions upon the election of treatment and the court believes that he will complete his treatment voluntarily, the court may set the conviction aside.

3. If, before the treatment period expires, the qualified mental health professional determines that the person is not likely to benefit from further treatment, the qualified mental health professional shall so advise the court. The court shall then:

(a) Arrange for the transfer of the person to a more suitable program, if any; or

(b) Terminate the supervision and conduct a hearing to determine whether the person should be sentenced.

➥ If a person is sentenced pursuant to this section, any time spent in institutional care must be deducted from any sentence imposed.

4. Regardless of whether the person successfully completes treatment, the court shall not set aside the conviction of a person who has a record of two or more convictions of any felony for two or more separate incidents.

Sec. 11. ***1. The determination of problem gambling and civil commitment pursuant to sections 2 to 12, inclusive, of this act shall not be deemed a criminal conviction.***

2. The records relating to the setting aside of a conviction pursuant to section 10 of this act may be sealed pursuant to NRS 179.255.

Sec. 12. ***The provisions of sections 2 to 12, inclusive, of this act do not require this State or any of its political subdivisions to establish or finance any program for the treatment of problem gambling.***

➥ ***The prosecuting attorney and any person having relevant evidence may testify and present evidence at the hearing on the petition.***

6. Amendment No. 789.

SUMMARY—Requires local governments, under certain circumstances, to grant preference to local bidders bidding on certain contracts for goods or services ~~[.]~~ **for a temporary period.** (BDR 27-753)

AN ACT relating to purchasing by local governments; requiring local governments, under certain circumstances, to grant a preference to local bidders bidding on certain contracts for goods or services ~~[.]~~ **for a temporary period;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for a 5-percent preference in bidding on public works and certain highway construction projects for contractors who provide evidence of the payment of certain taxes. (NRS 338.1389, 338.147, 338.1693, 338.1727, 408.3883, 408.3886) ~~[Sections]~~ **During the period between August 1, 2009, and July 31, 2013, sections 1 and 2** of this bill provide for a 5-percent preference in bidding on local governmental purchasing contracts **for which the estimated annual amount required to perform exceeds $50,000** for contractors who qualify as a "local bidder," and set forth the criteria by which a bidder may qualify as a local bidder ~~[.]~~ **, including specific additional criteria if the contract is for the purchase of biodiesel blend fuel.**

Under existing law, certain local governmental contracts for certain goods and services are stated to be, by their nature, not adapted to award by competitive bidding. (NRS 332.115) ~~[Sections]~~ **During the period between August 1, 2009, and July 31, 2013, sections 1 and 3** of this bill provide that, irrespective of this exclusion from competitive bidding, local governmental contracts for the following types of goods and services must reflect consideration for local contractors if the governing body of the local government or its authorized representative has a choice of more than one person or vendor to fulfill the contract: (1) professional services; (2) perishable goods; (3) insurance; (4) hardware and associated peripheral equipment and devices for computers; (5) software for computers; (6) books, library materials and subscriptions; (7) items for resale through a retail outlet operated in this State by a local government or the State of Nevada; and (8) the design of, and equipment and services associated with, systems of communication.

Section 5 of this bill requires the submission of certain annual reports by local governments concerning any contracts awarded for which the estimated annual amount required to perform the contract exceeds $25,000 and contracts for goods and services not adapted to award by competitive bidding during the period between August 1, 2009, and July 31, 2013.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 332 of NRS is hereby amended by adding thereto a new section to read as follows:

1. Except as otherwise provided in subsections ~~[5 and 6,]~~ 6 and 7, with respect to the awarding of a contract pursuant to NRS 332.065 for which the estimated annual amount required to perform the contract is more than ~~[$25,000,]~~ $50,000, a responsive and responsible bidder who is a local bidder shall be deemed to have submitted a lower bid than a competing bidder who is not a local bidder if the amount of the bid of the local bidder is not more than 5 percent higher than the amount bid by the competing bidder.

2. With respect to the awarding of a contract of the type described in paragraph (b), (e), (f), (g), (h), (i), (n) or (q) of subsection 1 of NRS 332.115, if a governing body or its authorized representative has a choice of more than one person or vendor to fulfill the contract, at least one of whom is a local bidder, the contract must be awarded in such a manner as to reflect the preference described in subsection 6 of that section.

3. ~~[To]~~ Except as otherwise provided in subsection 4, to qualify as a local bidder for the purposes of this section:

(a) If the bidder is a business of which at least 51 percent of the ownership interest is held by a member of a minority group, a woman or a service-disabled veteran, the business must have continuously employed at least one full-time employee in this State during the immediately preceding 1-year period.

(b) If the bidder is a business that does not meet the requirements of paragraph (a), the business must have:

(1) Continuously conducted business operations in this State during the immediately preceding 2-year period; and

(2) Continuously employed at least one full-time employee in this State during the immediately preceding 2-year period.

4. If a governing body or its authorized representative is awarding a contract described in subsection 1 for the purchase of biodiesel blend fuel, in addition to the requirements set forth in subsection 3, to qualify as a local bidder, the bidder must provide to the governing body or its authorized representative a biodiesel blend fuel that is made from biodiesel fuel produced in this State.

5. Governing bodies and their authorized representatives ~~[shall]~~ may consult with the Purchasing Division of the Department of Administration to develop uniform standards for businesses to submit proof of their status for the purposes of subsection 3. Such uniform standards may include, without limitation, certification by reputable and reliable public or private entities to determine whether at least 51 percent of the ownership interest of a business is or is not held by a member of a minority group, a woman or a service-disabled veteran.

~~[5.]~~ 6. The provisions of this section do not require a local government or its authorized representative to award a contract to a bidder whose quality of services, supplies, materials, equipment or labor does not conform to the requirements of the local government or if the public interest would be served by rejection of the bid.

~~[6.]~~ 7. If any federal statute or regulation precludes the granting of federal assistance or reduces the amount of that assistance for a particular contract because of the provisions of this section, those provisions do not apply insofar as their application would preclude or reduce federal assistance for that contract.

~~[7.]~~ 8. As used in this section:

(a) "Biodiesel fuel" means a fuel that:

(1) Is composed of mono-alkyl esters of long chain fatty acids derived from vegetable oils or animal fats and designated "B100"; and

If a governing body or its authorized representative has advertised for or requested bids in letting a contract, the governing body or its authorized representative must, except as otherwise provided in subsection 2, award the contract to the lowest responsive and responsible bidder. The lowest responsive and responsible bidder ~~[may]~~ ~~*[must]*~~ **:**

(a) Must, if the estimated annual amount required to perform the contract is more than $50,000, be judged on the basis of the status of the bidder as a local bidder, as determined pursuant to section 1 of this act; and

(b) May be judged on the basis of:

(2) Of adequate quality; and

(3) Available to the purchaser within a reasonable period.

3. If **,** after the lowest responsive and responsible bidder has been awarded the contract, during the term of the contract he does not supply goods or services in accordance with the bid specifications, or if he repudiates the contract, the governing body or its authorized representative may reaward the contract to the next lowest responsive and responsible bidder without requiring that new bids be submitted. Reawarding the contract to the next lowest responsive and responsible bidder is not a waiver of any liability of the initial bidder awarded the contract.

4. As used in this section:

(a) "Postconsumer waste" means a finished material which would normally be disposed of as a solid waste having completed its life cycle as a consumer item.

(b) "Recycled paper product" means all paper and wood-pulp products containing in some combination at least 50 percent of its total weight:

2. The purchase of equipment for use by a local law enforcement agency in the course of an undercover investigation is not subject to the requirements of this chapter for competitive bidding, as determined by the governing body or its authorized representative, if:

3. The purchase of personal safety equipment for use by a response agency or any other local governmental agency is not subject to the

requirements of this chapter for competitive bidding, as determined by the governing body or its authorized representative, if:

pursuant to section 1 of this act, the status of being a local bidder must account for not less than 5 percent of the points or score awarded.

7. The provisions of subsection 6 do not require a local government or its authorized representative to award a contract to a business, contractor or vendor whose quality of services, supplies, materials, equipment or labor does not conform to the requirements of the local government or if the public interest would be served by rejection of the offer to fulfill the contract.

The following Senate amendment was read:

Amendment No. 822.

AN ACT relating to taxation; imposing certain requirements on the enactment of exemptions from property taxes and sales and use taxes; imposing certain requirements on legislation revising the authority of the Commission on Economic Development to approve abatements of taxes; requiring the Commission to notify affected political subdivisions before taking action on such abatements; requiring certain reports from the Department of Taxation; **creating a permanent Legislative Committee on Taxation and Tax Policy;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 2 of this bill carries out the provisions of Section 6 of Article 10 of the Nevada Constitution, which became effective on November 25, 2008, through the statutory imposition of those constitutional requirements regarding the enactment by the Legislature of any exemptions from property taxes or sales and use taxes.

Existing law authorizes the Commission on Economic Development to grant to certain businesses partial abatements of property taxes, business taxes and local sales and use taxes. (NRS 274.310, 274.320, 274.330, 360.750, 361.0687, 363B.120, 374.357, 701A.210) **Sections 2 and 3** of this

bill impose various requirements upon future state legislation expanding the authority of the Commission to approve any abatements of taxes and require the Department of Taxation to prepare biennial reports for the Legislature on whether the costs of such future abatements exceed the benefits thereof.

Section 4 of this bill requires the Commission on Economic Development to provide notice to affected political subdivisions at least 30 days before taking action on an application for any abatement of taxes imposed on a business. **Section 5** of this bill repeals various provisions which partially duplicate the provisions of **section 4**.

Sections 7 to 12, inclusive, of this bill create a permanent Legislative Committee on Taxation and Tax Policy to review and evaluate issues related to taxation in this State.

Legislative Counsel's Digest:

Existing law provides that a retired public employee who accepts employment or an independent contract with a public employer under the Public Employees' Retirement System is disqualified from receiving allowances under the System for the duration of that employment or contract

(Chapter 316, Statutes of Nevada 2005, p. 1077) This bill extends the prospective expiration of this exception to June 30, 2015. **Section 4** of this bill revises the criteria which must be considered by a designating authority in determining whether to designate a position for which there is a critical labor shortage. **Section 4** also requires the designating authority to submit written findings of the determination to the Public Employees' Retirement Board on a form prescribed by the Board. Assembly Bill No. 141.

The following Senate amendment was read:

Amendment No. 650.

AN ACT relating to mortgage lending; establishing a recovery fund for persons defrauded by mortgage brokers, mortgage agents or mortgage bankers; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

This bill establishes the Mortgage Education, Research and Recovery Fund for persons defrauded by mortgage brokers, mortgage agents or mortgage bankers. The provisions of this bill are patterned closely after the provisions in chapter 645 of NRS which establish a recovery fund for persons defrauded by real estate brokers. (NRS 645.841-645.8494)

Section 3 of this bill creates the Fund. **Section 4** of this bill provides for money for the Fund. **Sections 5-7 and 9-11** of this bill provide for administration of the Fund and payment of claims against the Fund. **Section 8** of this bill requires the license of a licensee to be automatically suspended until he repays to the Fund any amount paid from the Fund to settle a claim against that licensee. **Section 12** of this bill clarifies that this bill does not limit the authority of the Division of Mortgage Lending of the Department of Business and Industry to take disciplinary action against a licensee. **Section 13** of this bill authorizes the Commissioner of Mortgage Lending to adopt regulations as needed for chapter 645F of NRS.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 645F of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 12, inclusive, of this act.

Sec. 2. ***As used in sections 2 to 12, inclusive, of this act, unless the context otherwise requires, "Fund" means the Mortgage Education, Research and Recovery Fund created by section 3 of this act.***

Sec. 3. ***1. The Mortgage Education, Research and Recovery Fund is hereby created as a special revenue fund.***

2. A balance of not less than $300,000 must be maintained in the Fund, to be used for satisfying claims against persons licensed under chapters 645B and 645E of NRS as provided in sections 2 to 12, inclusive,

of this act. Any balance over $300,000 remaining in the Fund at the end of any fiscal year must be set aside and used by the Commissioner for education and research relating to mortgages.

3. The interest and income earned on the money in the Fund, after deducting any applicable charges, must be credited to the Fund.

Sec. 4. ***The Commissioner shall adopt regulations prescribing a ~~[percentage of]~~ fee, in addition to the fees collected for the issuance or renewal of a license pursuant to chapters 645B and 645E of NRS , to be assessed at the time of issuance or renewal of a license and to be used for mortgage education, research and recovery. The ~~[amount]~~ additional fee must be deposited in the State Treasury for credit to the Fund, and must be used solely for the purposes provided in sections 2 to 12, inclusive, of this act.***

Sec. 5. ***1. Except as otherwise provided in subsection 2, when any person obtains a final judgment in any court of competent jurisdiction against any licensee or licensees pursuant to chapter 645B or 645E of NRS, upon grounds of fraud, misrepresentation or deceit with reference to any transaction for which a license is required pursuant to chapter 645B or 645E of NRS, that person, upon termination of all proceedings, including appeals in connection with any judgment, may file a verified petition in the court in which the judgment was entered for an order directing payment out of the Fund in the amount of the unpaid actual damages included in the judgment, but not more than $25,000 per judgment. The liability of the Fund does not exceed $100,000 for any person licensed pursuant to chapter 645B or 645E of NRS, whether he is licensed as a limited-liability company, partnership, association or corporation or as a natural person, or both. The petition must state the grounds which entitle the person to recover from the Fund.***

2. A person who is licensed pursuant to chapter 645B or 645E of NRS may not recover from the Fund for damages which are related to a transaction in which he acted in his capacity as a licensee.

3. A copy of the:

(a) Petition;

(b) Judgment;

(c) Complaint upon which the judgment was entered; and

(d) Writ of execution which was returned unsatisfied,

➥ must be served upon the Commissioner and the judgment debtor and affidavits of service must be filed with the court.

4. Upon the hearing on the petition, the petitioner must show that:

(a) He is not the spouse of the debtor, or the personal representative of that spouse.

(b) He has complied with all the requirements of sections 2 to 12, inclusive, of this act.

(c) He has obtained a judgment of the kind described in subsection 1, stating the amount thereof, the amount owing thereon at the date of the

petition, and that the action in which the judgment was obtained was based on fraud, misrepresentation or deceit of the licensee in a transaction for which a license is required pursuant to chapter 645B or 645E of NRS.

(d) A writ of execution has been issued upon the judgment and that no assets of the judgment debtor liable to be levied upon in satisfaction of the judgment could be found, or that the amount realized on the sale of assets was insufficient to satisfy the judgment, stating the amount so realized and the balance remaining due.

(e) He has made reasonable searches and inquiries to ascertain whether the judgment debtor possesses real or personal property or other assets, liable to be sold or applied in satisfaction of the judgment, and after reasonable efforts that no property or assets could be found or levied upon in satisfaction of the judgment.

(f) He has made reasonable efforts to recover damages from each and every judgment debtor.

(g) The petition has been filed not more than 1 year after the termination of all proceedings, including reviews and appeals, in connection with the judgment.

Sec. 6. ***1. Whenever the court proceeds upon a petition as provided in section 5 of this act, the Commissioner may answer and defend any such action against the Fund on behalf of the Fund and may use any appropriate method of review on behalf of the Fund. The judgment debtor may answer and defend any such action on his own behalf.***

2. Unless the judgment was entered by default, consent or stipulation or the case was uncontested, the judgment set forth in the petition is prima facie evidence but the findings of fact therein are not conclusive for the purposes of sections 2 to 12, inclusive, of this act.

3. The Commissioner may, subject to court approval, compromise a claim based upon the application of a petitioner. He shall not be bound by any prior compromise of the judgment debtor.

Sec. 7. ***1. If the court finds after the hearing that the claim should be levied against the portion of the Fund allocated for the purpose of carrying out the provisions of sections 2 to 12, inclusive, of this act, the court shall enter an order directed to the Commissioner requiring payment from the Fund of whatever sum it finds to be payable upon the claim pursuant to the provisions***

of and in accordance with the limitations contained in sections 2 to 12, inclusive, of this act.

2. If a petitioner has recovered a portion of his claim from sources other than the Fund, the Commissioner shall deduct the amount recovered from the other sources from the amount payable upon the claim.

Sec. 8. ***If the Commissioner pays from the Fund any amount in settlement of a claim or toward satisfaction of a judgment against a licensee, his license issued pursuant to chapter 645B or 645E of NRS must be automatically suspended upon the effective date of an order by the court***

authorizing payment from the Fund. The license may not be reinstated and no other license may be granted to him pursuant to chapter 645B or 645E of NRS until he has repaid in full, plus interest at a rate equal to the prime rate at the largest bank in Nevada, as ascertained by the Commissioner of Financial Institutions, on January 1 or July 1, as the case may be, immediately preceding the date of judgment, plus 2 percent, the amount paid from the Fund on his account. Interest is computed from the date payment from the Fund was made by the Commissioner, and the rate must be adjusted accordingly on each January 1 and July 1 thereafter until the judgment is satisfied.

Sec. 9. ***1. 2. The distribution must be made without regard to the order of priority in which claims were filed or judgments entered.

3. Upon petition of the Commissioner, the court may require all claimants and prospective claimants to be joined in one action so that the respective rights of all claimants may be equitably determined.

4. If, at any time, the money deposited in the Fund and allotted for satisfying claims against licensees is insufficient to satisfy any authorized claim or portion thereof, the Commissioner shall, when sufficient money has been deposited in the Fund, satisfy the unpaid claims or portions thereof, in the order that the claims or portions thereof were originally filed, plus accumulated interest at the rate of 6 percent per annum. Any sums received by the Division pursuant to sections 8 and 10 of this act must be deposited in the State Treasury for credit to the account for education and research in the Fund.

Sec. 10. ***When the Commissioner has paid from the Fund any money to the judgment creditor, the Commissioner is subrogated to all other rights of the judgment creditor to the extent of the amount paid and any amount and interest so recovered by the Commissioner on the judgment must be deposited in the State Treasury for credit to the Fund.***

Sec. 11. ***The failure of a person to comply with any of the provisions of sections 2 to 12, inclusive, of this act shall constitute a waiver of any rights hereunder.***

Sec. 12. ***Nothing contained in sections 2 to 12, inclusive, of this act limits the authority of the Division to take disciplinary action against a licensee for a violation of any of the provisions of chapter 645B or 645E of NRS, or of the rules and regulations of the Division, nor shall the repayment in full of all obligations to the Fund by any licensee nullify or modify the effect of any other disciplinary proceeding brought pursuant to the provisions of chapter 645B or 645E or the rules and regulations promulgated thereunder.***

Sec. 13. NRS 645F.250 is hereby amended to read as follows:

645F.250 ***1.*** The Commissioner and the Division shall administer the provisions of this chapter and chapters 645A, 645B and 645E of NRS, subject to administrative supervision by the Director of the Department of Business and Industry.

The following Senate amendment was read:

Amendment No. 769.

AN ACT relating to trade practices; providing that certain persons may bring a civil action for various deceptive trade practices or other violations; providing that various actions related to certain persons with an inability to reasonably protect their rights or interests constitute a deceptive trade practice; allowing equitable relief for certain actions related to consumer fraud; **revising provisions governing the State's system for the registration and protection of trademarks, trade names and service marks; making various changes regarding administration of the system by the Secretary of State; authorizing the Secretary of State to prescribe certain fees; prohibiting certain misleading and deceptive practices; providing remedies and penalties;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law defines activities that constitute deceptive trade practices and provides for the imposition of civil and criminal penalties against persons who engage in deceptive trade practices. (Chapter 598 of NRS)

Section 1 of this bill provides that certain persons may bring a civil action for damages for deceptive trade practices and violations of chapter 598 of NRS or any regulation adopted pursuant to that chapter. **Section 5.5** of this bill defines as a deceptive trade practice knowingly taking advantage of certain persons with an inability to reasonably protect their rights or interests. **Section ~~[14]~~ 59** of this bill allows equitable relief for various actions involving consumer fraud.

Nevada's existing trademark laws, which are administered by the Secretary of State, establish a system for the registration and protection of marks, including trademarks, trade names and service marks. (NRS 600.240-600.450) Nevada's existing trademark laws are based on the Model State Trademark Bill, which was drafted by the International Trademark Association to promote uniformity among state trademark

laws and to harmonize those state laws with the federal Trademark Act of 1946, which is commonly known as the Lanham Act. (15 U.S.C. §§ 1051 et seq.)

Sections 13-57 of this bill amend Nevada's existing trademark laws to account for several changes made to the Model State Trademark Bill and the federal Trademark Act in recent years. This bill provides that the amendments to Nevada's existing trademark laws become effective on October 1, 2010, except that this bill gives the Secretary of State authority upon passage and approval to adopt any regulations necessary for the administration of the trademark laws.

Sections 14, 20, 21 and 30-37 of this bill specify the persons who may register marks in this State and define the types of trademarks, trade names and service marks that may be registered. (NRS 600.250-600.330) Sections 22 and 36 of this bill define when a mark is deemed to be in use in this State and when a mark is deemed to be abandoned. (NRS 600.320)

Sections 15-18 and 55 of this bill protect against misuse or dilution of a famous mark and prohibit certain misleading and deceptive practices which impair the distinctiveness or harm the reputation of a famous mark. (NRS 600.435)

Sections 19 and 23 of this bill provide that to the extent Nevada's trademark laws, as implemented and administered by the Secretary of State, are substantially consistent with the federal Trademark Act, the interpretation and application given to the federal Trademark Act must be considered to be persuasive authority in interpreting and applying Nevada's trademark laws.

Existing law establishes the amounts of the fees the Secretary of State is required to collect in administering Nevada's trademark laws. (NRS 600.340, 600.355, 600.360, 600.370, 600.395) Section 24 of this bill requires the Secretary of State to prescribe the amounts of such fees by regulation and also makes such fees nonrefundable. Section 65 of this bill requires the existing amounts of such fees to remain in effect until the Secretary of State prescribes the amounts by regulation.

Sections 25 and 38-50 of this bill revise the requirements and procedures for: (1) filing, amending and reviewing applications for registration of a mark; (2) issuing, correcting, renewing and cancelling registrations; and (3) filing and recording assignments, name changes and other documents related to a registered mark, including licenses, security interests and mortgages. (NRS 600.340-600.395)

Sections 26 and 27 of this bill establish requirements for bringing actions to compel registration of a mark and actions for cancellation of the registration of a mark. Section 28 of this bill provides a method for service of process in actions brought against certain nonresident owners of marks.

Section 51 of this bill requires the Secretary of State to adopt regulations defining general classes of goods and services for which a mark may be registered. Section 51 also provides that to the extent practicable, the classes of goods and services adopted by the Secretary of State must conform to the classes of goods and services adopted by the United States Patent and Trademark Office in the administration of the federal Trademark Act. (NRS 600.400)

The other sections of this bill make conforming changes.

(2) The applicant fails to respond or amend the application within the specified period, at which time the application shall be deemed to be abandoned.

5. If the Secretary of State issues a certificate of registration for a mark in an earlier-filed application, the Secretary of State shall deny registration of the marks in the later-filed applications. If an applicant is aggrieved by a final decision of the Secretary of State denying registration of a mark in a later-filed application pursuant to this subsection, the applicant may bring an action for cancellation of the registration of the mark in the earlier-filed application upon grounds of prior or superior rights to the mark in accordance with section 27 of this act.

Existing law provides that a district board of health may, by affirmative vote of a majority of its members, adopt certain regulations which take effect immediately upon approval of the regulations by the State Board of Health. (NRS 439.366) **Section 4.5** of this bill specifically authorizes a district board of health to adopt regulations relating to any health hazard on residential property **, [or]** any health hazard in a rental dwelling unit **[,] or any health hazard on commercial property. Assembly Bill No. 248.

The following Senate amendment was read:

Amendment No. 574.

AN ACT relating to holding companies; revising provisions relating to the approval of certain mergers or acquisitions of control; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Section 1 of this bill removes the requirement that the Commissioner of Insurance must approve certain mergers or acquisitions of control under certain circumstances and instead authorizes the Commissioner of Insurance to approve those mergers and acquisitions under those circumstances. Section 2 also revises]~~ **Sections 1 and 2 of this bill revise** the circumstances under which the Commissioner ~~[may]~~ **of Insurance shall** approve certain mergers or acquisitions and changes the process used by the Commissioner to approve those mergers or acquisitions. (NRS 692C.210 **, 692C.256**)

Section 2 of this bill revises existing law so that certain circumstances related to competition which would have prevented the Commissioner from stopping an acquisition will only need to be considered by the Commissioner before stopping an acquisition. **Section 2** also moves the burden from the Commissioner to the acquiring person to prove that no violation of competitive standards will exist after the acquisition. (NRS 692C.256)

Section 3 of this bill allows the Commissioner to consider the effect of an acquisition on the ~~[public]~~ interest **of the insurance-buying public** before issuing an order related to that acquisition. (NRS 692C.258)

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 692C.210 is hereby amended to read as follows:

692C.210 1. Except as otherwise provided in subsection 5, the Commissioner shall ~~*[may]*~~ approve any merger or other acquisition of control referred to in NRS 692C.180 unless, after a public hearing thereon, he finds that:

(a) After the change of control, the domestic insurer specified in NRS 692C.180 would not be able to satisfy the requirements for the issuance of a license to write the line or lines of insurance for which it is presently licensed;

(b) The effect of the merger or other acquisition of control would be substantially to lessen competition in insurance in this State or tend to create a monopoly;

(c) The financial condition of any acquiring party may jeopardize the financial stability of the insurer, or prejudice the interest of its policyholders or the interests of any remaining security holders who are unaffiliated with the acquiring party;

(d) The terms of the offer, request, invitation, agreement or acquisition referred to in NRS 692C.180 are unfair and unreasonable to the security holders of the insurer;

(e) The plans or proposals which the acquiring party has to liquidate the insurer, sell its assets or consolidate or merge it with any person, or to make any other material change in its business or corporate structure or management, are unfair and unreasonable to policyholders of the insurer ~~[and]~~ ***or*** not in the public interest;

(f) The competence, experience and integrity of those persons who would control the operation of the insurer are such that it would not be in the interest of policyholders of the insurer ~~[and]~~ ***or*** of the public to permit the merger or other acquisition of control; ~~[or]~~

(g) If approved, the merger or acquisition of control would likely be harmful or prejudicial to the members of the public who purchase insurance ~~[.]~~ ***; or***

(h) The practices of the applicant ~~*[does not possess the ability to manage]*~~ ***in managing claims*** ~~*[according to applicable standards of market conduct.]*~~ ***have evidenced a pattern in which the applicant has knowingly committed, or performed with such frequency as to indicate a general business practice of:***

(2) Failure to affirm or deny coverage of claims within a reasonable time after written proofs of loss have been furnished; or

(3) Failure to pay claims in a timely manner.

2. The public hearing specified in subsection 1 must be held within ~~[30]~~ ***60*** days after the statement required by NRS 692C.180 has been filed, and at least 20 days' notice thereof must be given by the Commissioner to the person filing the statement. Not less than 7 days' notice of the public hearing must be given by the person filing the statement to the insurer and to any other person designated by the Commissioner. The insurer shall give such notice to its security holders. The Commissioner shall make a determination within ~~[30]~~ ***60*** days after the conclusion of the hearing. If he determines that an infusion of capital to restore capital in connection with the change in control is required, the requirement must be met within 60 days after notification is given of the determination. At the hearing, the person filing the statement, the insurer, any person to whom notice of hearing was sent and any other person whose interests may be affected thereby may present evidence, examine and cross-examine witnesses, and offer oral and written arguments and, in connection therewith, may conduct discovery proceedings in the same manner as is presently allowed in the district court of this State. All discovery proceedings must be concluded not later than 3 days before the commencement of the public hearing.

3. The Commissioner may retain at the acquiring party's expense attorneys, actuaries, accountants and other experts not otherwise a part of his staff as may be reasonably necessary to assist him in reviewing the proposed acquisition of control.

4. The period for review by the Commissioner must not exceed the 60 days allowed between the filing of the notice of intent to acquire required pursuant to subsection 2 of NRS 692C.180 and the date of the proposed acquisition if the proposed affiliation or change of control involves a financial institution, or an affiliate of a financial institution, and an insured.

5. When making a determination pursuant to paragraph (b) of subsection 1, the Commissioner:

(a) Shall require the submission of the information specified in subsection 2 of NRS 692C.254; ***and***

(b) ~~[Shall not disapprove the merger or acquisition of control if he finds that any of the circumstances specified in subsection 3 of NRS 692C.256 exist; and~~

~~(c)]~~ May condition his approval of the merger or acquisition of control in the manner provided in subsection 4 of NRS 692C.258.

6. If, in connection with a change of control of a domestic insurer, the Commissioner determines that the person who is acquiring control of the domestic insurer must maintain or restore the capital of the domestic insurer in an amount that is required by the laws and regulations of this State, the Commissioner shall make the determination not later than 60 days after the notice of intent to acquire required pursuant to subsection 2 of NRS 692C.180 is filed with the Commissioner.

Sec. 2. NRS 692C.256 is hereby amended to read as follows:

692C.256 1. The Commissioner may issue an order pursuant to NRS 692C.258 relating to an acquisition if:

(b) The acquiring person fails to file sufficient materials or information pursuant to NRS 692C.254.

2. In determining whether to issue an order pursuant to subsection 1, the Commissioner shall consider the standards set forth in the Horizontal Merger Guidelines issued by the United States Department of Justice and the Federal Trade Commission and in effect at the time the Commissioner receives the notice required pursuant to NRS 692C.254.

3. The Commissioner shall ~~[not issue]~~ ***, before issuing*** an order specified in subsection 1 ~~[.]~~ ***, consider:***

(2) The public benefit received from those economies exceeds the public benefit received from not lessening competition; or

(b) If:

(1) The acquisition substantially increases the availability of insurance; and

(2) The public benefit received by that increase exceeds the public benefit received from not lessening competition.

4. The public benefits set forth in subparagraph 2 of paragraphs (a) and (b) of subsection 3 may be considered together, as applicable, in assessing whether the public benefits received from the acquisition exceed any benefit to competition that would arise from disapproving the acquisition.

5. The ~~[Commissioner]~~ ***acquiring person*** has the burden of establishing ***that the acquisition will not result in*** a violation of the competitive standard set forth in subsection 1.

Sec. 3. NRS 692C.258 is hereby amended to read as follows:

3. Each order issued pursuant to subsection 1 must include a written decision of the Commissioner setting forth his findings of fact and conclusions of law relating to the acquisition.
