If you believe that the money or property taken from you is exempt or necessary for the support of you or your family, you must file with the clerk of the court on a form provided by the clerk ~~[a notarized affidavit claiming the]~~ ***an executed claim of*** exemption. A copy of the ~~[affidavit]~~ ***claim of exemption*** must be served upon the sheriff ~~[and]~~ ***, the garnishee and*** the judgment creditor within ~~[8]~~ ***20 calendar*** days after the notice of execution ***or garnishment*** is ~~[mailed.]~~ ***served on you by mail pursuant to NRS 21.076 which identifies the specific property that is being levied on.*** The property must be returned to you within ~~[5]~~ ~~*[8]*~~ ***9*** days after you ~~[file]~~ ***serve*** the ~~[affidavit]~~ ***claim of exemption upon the sheriff, garnishee and judgment creditor,*** unless the ~~[judgment creditor files a motion]~~ ***sheriff or garnishee receives a copy of an objection to the claim of exemption and a notice*** for a hearing to determine the issue of exemption. If this happens, a hearing will be held to determine whether the property or money is exempt. ***The objection to the claim of exemption and notice for the hearing to determine the issue of exemption must be filed within 8 days after the claim of exemption is served on the judgment creditor by mail or in person and served on the judgment debtor, the sheriff and any garnishee not less than 5 days before the date set for the hearing.*** The hearing must be held within ~~[10]~~ ***7*** days after the ~~[motion]~~ ***objection to the claim of exemption and notice*** for a hearing is filed. ***You may be able to have your property released more quickly if you mail to the judgment creditor or the attorney of the judgment creditor written proof that the property is exempt. Such proof may include, without limitation, a letter from the government, an annual statement from a pension fund, receipts for payment, copies of checks, records from financial institutions or any other document which demonstrates that the money in your account is exempt.***

IF YOU DO NOT FILE THE ~~[AFFIDAVIT]~~ ***EXECUTED CLAIM OF EXEMPTION*** WITHIN THE TIME SPECIFIED, YOUR PROPERTY MAY BE SOLD AND THE MONEY GIVEN TO THE JUDGMENT CREDITOR, EVEN IF THE PROPERTY OR MONEY IS EXEMPT.

If you received this notice with a notice of a hearing for attachment and you believe that the money or property which would be taken from you by a writ of attachment is exempt or necessary for the support of you or your family, you are entitled to describe to the court at the hearing why you believe your property is exempt. You may also file a motion with the court

for a discharge of the writ of attachment. You may make that motion any time before trial. A hearing will be held on that motion.

IF YOU DO NOT FILE THE MOTION BEFORE THE TRIAL, YOUR PROPERTY MAY BE SOLD AND THE MONEY GIVEN TO THE PLAINTIFF, EVEN IF THE PROPERTY OR MONEY IS EXEMPT OR NECESSARY FOR THE SUPPORT OF YOU OR YOUR FAMILY.

(b) Shall provide the plaintiff or the plaintiff's attorney with the last known address of the defendant and the name of any new employer of the defendant, if known by the garnishee.

4. Assembly Bill No. 513.

Bill read second time.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 281.

AN ACT relating to mortgage lending; requiring the licensing of a construction control as an escrow agent or agency; establishing education requirements for an escrow agent or agency; revising provisions relating to the jurisdiction of the Commissioner of Mortgage Lending; revising subpoena powers of the Commissioner; revising provisions relating to holders of a beneficial interest in a loan; eliminating the exemption of consumer finance companies from provisions relating to mortgage brokers, mortgage agents and mortgage bankers; revising provisions for the issuance of a certificate of exemption to a mortgage broker, mortgage agent or mortgage banker; requiring a mortgage broker to make additional disclosures under certain circumstances; revising provisions for the revocation of the license of a mortgage broker or mortgage agent; ~~[establishing provisions relating to hard money lenders;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1 of this bill requires a construction control to be licensed as an escrow agent or agency. **Sections 3 and 4** of this bill establish educational prerequisites and continuing education requirements for an escrow agent or agency. **Sections 5, 9 and 15** of this bill provide that the jurisdiction and authority of the Commissioner of Mortgage Lending is unaffected by the expiration or voluntary surrender of a license as an escrow agent or agency, mortgage broker, mortgage agent or mortgage banker.

Sections 6, 12 and 18 of this bill provide that the Commissioner may subpoena documents without also subpoenaing the custodian of such documents. (NRS 645A.060, 645B.070, 645E.310)

Section 8 of this bill provides that if the beneficial interest in a loan for real property belongs to more than one natural person, the holders of 51 percent or more of the ~~[beneficial interests of record]~~ **outstanding principal balance** may act on behalf of all the holders of the beneficial interests of record.

Sections 10 and 16 of this bill eliminate the exemption of consumer finance companies from licensing and other requirements governing mortgage brokers, mortgage agents and mortgage bankers. (NRS 645B.015, 645E.150) **Sections 11 and 17 of this bill** revise existing law by requiring proof of the right to transact mortgage loans, if applicable, in another

jurisdiction as a condition to obtaining an exemption to licensing and other provisions governing mortgage brokers, agents and bankers. (NRS 645B.016, 645E.160)

Existing law requires a mortgage broker to include a servicing fee in any loan for which he engages in activity as a mortgage broker. (NRS 645B.305) **Section 13** of this bill limits the requirement to only such loans in which a private investor has acquired a beneficial interest. **Section 13** also requires a mortgage broker to make additional disclosures pertaining to fees earned by the mortgage broker and any impact such fees may have on the terms of the loan.

Section 14 of this bill revises existing law to provide that the Commissioner has the discretionary authority, rather than a mandatory obligation, to revoke the license of a mortgage broker or mortgage agent under certain circumstances. (NRS 645B.690)

~~**[** Section 19 of this bill prohibits hard money lenders from engaging in certain activities.**]**~~

Remarks by Assemblymen Bobzien, Cobb, Smith, Goedhart, Oceguera, and Madam Speaker.

Assemblyman Oceguera requested that the following remarks be entered in the Journal.

ASSEMBLYMAN BOBZIEN:

Thank you, Madam Speaker. AB 353 revises the abatement procedures and penalties for violations of certain state public nuisances laws. A court or magistrate must order a person convicted of a public nuisance to abate the nuisance within a specified time, and the court must impose a civil penalty. Civil penalties collected must be deposited and used only for abatement. The measure allows the enforcement agency to assume responsibility to abate the nuisance at the defendant's expense if the defendant fails to do so. The bill also allows the board of county commissioners to adopt ordinances to allow for a summary abatement of a dangerous structure or condition to the extent necessary to remove the imminent danger that presents an immediate hazard, in addition to enforcing the abatement of a public nuisance defined by state law. The county may also enforce abatement of any other public nuisances defined by the ordinance. The bill removes the population threshold for a county's solid waste management authority to establish and administer a program for the control of unlawful dumping. In an action brought by the district health department or any other person authorized by state law against a person for the unlawful disposal of waste, the court clerk must remit several penalties collected from the defendant to the district health department.

This is legislation brought to this body by the Washoe County illegal dumping task force, including Washoe County, the Washoe County Sheriff's Department, and Keep Truckee Meadows Beautiful, in an attempt to combat illegal dumping and other problems that we have that are particularly acute in northern Nevada. One of the major components of the bill is the levying of the civil penalty, which is designed to provide a funding mechanism for actually being able to clean up some of these dumps that infect our land.

ASSEMBLYMAN COBB:

Thank you, Madam Speaker. I rise in opposition to AB 353. I appreciate the intent of the bill, and there are some good policies. My main concern with the bill is the mandatory fine involved. In a time when Nevada is leading the nation—if not always at least for most of the time over the last year—in foreclosures, a lot of people are having a tough time paying their mortgage and staying in their home. If we have a mandatory fine of $500 to $5,000 where there is no discretion left within the court to lessen the fine or not even have a fine in a good faith effort to clear it up or for undue hardship, I think that is overly burdensome to our constituents. That is the only part of the bill I disagree with. I encourage a no vote on this bill simply because of that one provision that I feel would be too burdensome. Thank you.

ASSEMBLYWOMAN SMITH:

Thank you, Madam Speaker. I rise in support of AB 353. I don't think there is an issue over which I have had as much contact from constituents as code enforcement. We have been working on this issue for a long time with the citizens group. It is amazing the items that you see—business and individuals dumping alongside the road or up in the foothills where our constituents walk. They don't have to pay the fine if they don't commit the violation. It's not as if something is being imposed for an action that doesn't take place. It is a lot of work and a lot of effort. We have done cleanup days with the community in my district and literally needed backhoes and dump trucks to haul out the trash that local businesses and individuals haul and

leave. If you can post a sign saying there is a fine, perhaps it will deter people from dumping. The main thing is—there's no fine if you don't do the crime. Thank you.

ASSEMBLYMAN GOEDHART:

Thank you, Madam Speaker. In this bill, I need clarification. The fine that is being purposed, is that against the person who is committing the crime of dumping the trash or is it perhaps the innocent property holder or property owner who did not even know someone was discarding some rubbish? The reason why I bring that question is that in Armargosa Valley, we have Nye County code enforcements, and they can usually go after the folks that have what is considered to be a public nuisance and trash on their property. In a lot of cases, we have seen trash on federal property and we've repeatedly asked different federal agencies to go ahead and clean up the trash that is still on their property. We have gotten very limited success with cooperation from those folks. Those are some questions before I cast my vote.

ASSEMBLYMAN BOBZIEN:

To my colleague from Amargosa, the civil penalty is upon conviction.

Madam Speaker requested the privilege of the Chair for the purpose of making the following remarks:

To whom would the fine be directed? Also, what about the federal government? Can we fine them?

ASSEMBLYMAN BOBZIEN:

The person who has committed the dumping—whether it's on public land or it's on private land, the person convicted of the nuisance is fined.

Madam Speaker requested the privilege of the Chair for the purpose of making the following remarks:

This is when there is a criminal case pending, not a civil nuisance case, is that correct?

ASSEMBLYMAN BOBZIEN:

That is correct. This is the creation of a civil penalty on top of any other penalties.

Madam Speaker requested the privilege of the Chair for the purpose of making the following remarks:

Did that answer your question Mr. Goedhart?

ASSEMBLYMAN GOEDHART:

Thank you, Madam Speaker. I don't know if it did, because the way I read the language, if you're an innocent property owner and someone dumps trash on your property, then you could be the one convicted of the crime. It's not necessarily the person who is doing the dumping. It is, in some cases, an innocent landowner who has been a recipient of trash dumped on his or her property.

Also, I don't think we heard from the bill sponsor about the applicability or enforceability to a federal agency as well. Thank you.

Madam Speaker requested the privilege of the Chair for the purpose of making the following remarks:

Assemblywoman Smith?

ASSEMBLYWOMAN SMITH:

Thank you, Madam Speaker, for a second time. I think another thing to remember here is that this is not a simple process. It's a lengthy process, and one of the things that we hear about when we go to a citizen advisory board or a neighborhood advisory board meeting is how long this process takes. It's not something that happens overnight. A lot of proof needs to take place, and I've seen them dig through a dump load of trash that was found somewhere to try and track

down the person who has left the trash. It is a very difficult and long process, and I don't think that it is one that is taken lightly.

Madam Speaker requested the privilege of the Chair for the purpose of making the following remarks:

Assemblyman Oceguera?

ASSEMBLYMAN OCEGUERA:

Thank you, Madam Speaker, I rise in support of AB 353. My role, outside of the Legislature, was at one time with the code enforcement division which was under my command. It is a long process, at least in North Las Vegas, to get to the point where we will even think about doing what this bill does. What I see this bill doing is giving that hammer at the end that process. If you are the innocent homeowner, as my colleague from Amargosa said, you're going to be notified several times over and over again for a lengthy process. At the end of that process, then you could be fined.

Madam Speaker requested the privilege of the Chair for the purpose of making the following remarks:

This doesn't change the standard for what is considered a nuisance, whether you're an innocent property owner or a dumper, that is already in existing law.

Assemblymen Conklin, Anderson, and Leslie moved the previous question.

The question being the passage of Assembly Bill No. 353.

SECOND READING AND AMENDMENT

Assembly Bill No. 13.

Bill read second time.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 514.

AN ACT relating to education; authorizing the board of trustees of a school district to request a waiver from the required minimum expenditure for textbooks, instructional supplies and instructional hardware during an economic hardship; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Department of Education to develop a formula for determining the minimum amount of money that each school district is required to expend each fiscal year for textbooks, instructional supplies and instructional hardware. (NRS 387.206) **Section 1** of this bill authorizes a school district to request a waiver from all or a portion of the minimum expenditure requirements when a school district experiences an economic hardship. A request for a waiver must be reviewed by the Department of Education and the State Board of Examiners. The Interim Finance Committee makes the final determination regarding whether to grant a waiver. A school district that is granted a waiver is prohibited from using the money for collective bargaining with its licensed employees or for an adjustment of salaries and benefits of district employees.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 387 of NRS is hereby amended by adding thereto a new section to read as follows:

1. The board of trustees of a school district that experiences an economic hardship may submit a written request to the Department on a form prescribed by the Department for a waiver of all or a portion of the amount of money the school district is required to expend for textbooks, instructional supplies and instructional hardware pursuant to NRS 387.206 for the fiscal year.

2. Upon receipt of a written request pursuant to subsection 1, the Department shall consider the request and determine whether an economic hardship exists for the school district. The Department may request additional information from the school district in making the determination. If the Department determines that an economic hardship exists for the school district, the Department shall forward the request to the Interim Finance Committee and the State Board of Examiners, including the basis for its determination and any recommendations of the Department for the amount of a waiver.

3. Upon receipt of a written request from the Department pursuant to subsection 2, the State Board of Examiners shall consider the request and determine whether an economic hardship exists for the school district. If the State Board of Examiners determines that an economic hardship exists, it shall determine whether the hardship justifies a waiver of all or a portion of the expenditure requirements established for that school district for the fiscal year pursuant to NRS 387.206. The State Board of Examiners may request additional information from the school district in making the determination. If the State Board of Examiners determines that an economic hardship exists for the school district and that a waiver from all or a portion of the expenditure requirements is justified, the State Board of Examiners shall forward the request to the Interim Finance Committee, including the basis for its determination and its recommendation for the amount of the waiver. The Interim Finance Committee is not bound to follow the recommendations of the State Board of Examiners.

4. Upon receipt of a written request from the State Board of Examiners pursuant to subsection 3, the Interim Finance Committee shall consider the request and determine whether an economic hardship exists for the school district. If the Interim Finance Committee determines that an economic hardship exists, it shall determine whether the hardship justifies a waiver of all or a portion of the expenditure requirements established for that school district for the fiscal year pursuant to NRS 387.206. The Interim Finance Committee may request additional information from the school district in making the determination. If the Interim Finance Committee grants a waiver, the Committee shall by resolution set forth the:

(a) Grounds for its determination;

(b) Amount of the waiver; and

(c) Period for which the waiver is effective.

5. The board of trustees of a school district that is granted a waiver by the Interim Finance Committee pursuant to this section shall, upon expiration of the period for which the waiver is granted, provide a written accounting to the Interim Finance Committee and the Department that includes a ~~[reconciliation]~~ :

(a) Reconciliation of the ~~[actual]~~ revenue and expenditures with the projections of revenue and expenditures that were used to determine whether an economic hardship existed for the school district ~~[.]~~ ; and

(b) Description of how the money from the waiver was used.

6. If the Interim Finance Committee grants a waiver pursuant to this section and subsequently the economic hardship to the school district is mitigated because the actual revenue attributable to the school district exceeds projections or the actual expenses incurred by the school district are less than anticipated:

(a) The amount of the waiver must be reduced accordingly by the school district; and

(b) The amount of money the school district is required to expend for textbooks, instructional supplies and instructional hardware in the next fiscal year, as determined pursuant to subsection 1 of NRS 387.206, must be adjusted accordingly.

7. A school district that is granted a waiver pursuant to this section shall not use the money that would have otherwise been expended by the school district to meet the requirements of NRS 387.206 for the fiscal year to:

(a) Settle or arbitrate disputes or negotiate settlements between an organization that represents licensed employees of the school district and the school district.

(b) Adjust the schedules of salaries and benefits of the employees of the school district.

8. For purposes of this section, an economic hardship exists for a school district if:

(a) Projections of ~~*[actual]*~~ ***revenue do not meet or exceed the revenue anticipated at the time the basic support guarantees are established for the fiscal year pursuant to NRS 387.122; or***

(b) The school district incurs unforeseen expenses, including, without limitation, expenses related to a natural disaster.

Sec. 2. NRS 387.206 is hereby amended to read as follows:

387.206 1. SECOND READING AND AMENDMENT

Assembly Bill No. 45.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 395.

SUMMARY— ~~[Requires the State Public Defender to provide defense services to indigent persons in counties without county public defender offices and to fully fund such services.]~~ **Makes various changes to provisions governing public defenders.** (BDR 20-457)

AN ACT relating to public defenders; authorizing ~~[the creation and discontinuation of county]~~ **all counties to create an office of** public defender **;** ~~[offices;]~~ requiring the State to reimburse counties for ~~[expenditures made in providing defense services to indigent persons;]~~ **operating such an office;** requiring the State Public Defender to establish branch offices in counties that do not ~~[have a county]~~ **create an office of** public defender **;** ~~[office;]~~ requiring, under certain circumstances, that the State Public Defender provide defense services to indigent persons in counties with a county public defender office; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, any county whose population is 100,000 or more (currently Washoe and Clark Counties) must create an office of public defender to provide defense services to indigent persons, and any county whose population is less than 100,000 may, but is not required to, create such an office. (NRS 260.010) The State Public Defender provides defense services to indigent persons in counties that do not have a county public defender and may charge those counties, in amounts not to exceed limits previously set by the Legislature, for providing those services. (NRS 180.110) The State Public Defender and any county with a county public defender may contract with each other for the State Public Defender to provide defense services to indigent persons in that county if a court, for cause, has disqualified the county public defender or if the county public defender is otherwise unable to provide representation. (NRS 180.060, 260.065)

Section 2 of this bill removes the requirement that counties whose population is 100,000 or more create an office of public defender and instead authorizes any county to create such an office by ordinance. **Section 2 further provides that once created by the county, the office of public defender may not be discontinued.** In addition, **section 8** of this bill repeals the authority of the State Public Defender to charge counties for expenses related to the defense of indigent persons in counties that do not have a county public defender. **Section 1** of this bill ~~[authorizes]~~ **requires** a county that has established the office of public defender to submit a claim for reimbursement to the State Public Defender for the cost of operating the office. **Section 4** of this bill requires the State Public Defender to prescribe the form and time for filing such claims and further requires the State Public Defender to reimburse the counties from money appropriated for that purpose at least once every 3 months.

Section 5 of this bill requires the State Public Defender to establish at least one branch office in each county that does not have a county public defender. If **,** thereafter **,** the State Public Defender is notified that a county intends to

create an office of public defender, the State Public Defender is required to discontinue the branch office in that county on June 30 of the year in which it is notified, which notice must be received by March 1 of an odd-numbered year pursuant to **section 2** of this bill.

Section 6 of this bill revises the provision authorizing a county to contract with the State Public Defender to provide representation for a defendant when the county public defender is disqualified from providing or unavailable to provide representation so that the State Public Defender is required to provide representation in those circumstances.

Section 9 of this bill requires each county to notify the State Public Defender by October 1, 2009, whether it will have an office of county public defender, and the State Public Defender must create a branch office in each county without a county public defender by July 1, 2010. After July 1, 2010, a county may only create ~~[or discontinue]~~ an office of county public defender ~~[if]~~ **in the manner set forth in section 2 of this bill which requires** the county ~~[notifies]~~ **to notify** the State Public Defender by March 1 of an odd-numbered year of its intent to do so.

125.230 1. The court in such actions may make such preliminary and final orders as it may deem proper for the custody, control and support of any minor child or children of the parties.

Sec. 20. NRS 125.510 is hereby amended to read as follows:

125.510 1. In determining the custody of a minor child in an action brought pursuant to this chapter, the court may, except as otherwise provided in this section **,** ~~[and]~~ chapter 130 of NRS ~~[:]~~ ***and NRS 425.360:***

➥ The party seeking such an order shall submit to the jurisdiction of the court for the purposes of this subsection. The court may make such an order upon the application of one of the parties or the legal guardian of the minor.

2. Any order for joint custody may be modified or terminated by the court upon the petition of one or both parents or on the court's own motion if

it is shown that the best interest of the child requires the modification or termination. The court shall state in its decision the reasons for the order of modification or termination if either parent opposes it.

3. Any order for custody of a minor child or children of a marriage entered by a court of another state may, subject to the jurisdictional requirements in chapter 125A of NRS, be modified at any time to an order of joint custody.

4. A party may proceed pursuant to this section without counsel.

5. Any order awarding a party a limited right of custody to a child must define that right with sufficient particularity to ensure that the rights of the parties can be properly enforced and that the best interest of the child is achieved. The order must include all specific times and other terms of the limited right of custody. As used in this subsection, "sufficient particularity" means a statement of the rights in absolute terms and not by the use of the term "reasonable" or other similar term which is susceptible to different interpretations by the parties.

6. All orders authorized by this section must be made in accordance with the provisions of chapter 125A of NRS and must contain the following language:

PENALTY FOR VIOLATION OF ORDER: THE ABDUCTION, CONCEALMENT OR DETENTION OF A CHILD IN VIOLATION OF THIS ORDER IS PUNISHABLE AS A CATEGORY D FELONY AS PROVIDED IN NRS 193.130. NRS 200.359 provides that every person having a limited right of custody to a child or any parent having no right of custody to the child who willfully detains, conceals or removes the child from a parent, guardian or other person having lawful custody or a right of visitation of the child in violation of an order of this court, or removes the child from the jurisdiction of the court without the consent of either the court or all persons who have the right to custody or visitation is subject to being punished for a category D felony as provided in NRS 193.130.

7. In addition to the language required pursuant to subsection 6, all orders authorized by this section must specify that the terms of the Hague Convention ***on the Civil Aspects of International Child Abduction*** of October 25, 1980, adopted by the 14th Session of the Hague Conference on Private International Law, apply if a parent abducts or wrongfully retains a child in a foreign country.

8. If a parent of the child lives in a foreign country or has significant commitments in a foreign country:

(a) The parties may agree, and the court shall include in the order for custody of the child, that the United States is the country of habitual residence of the child for the purposes of applying the terms of the Hague Convention as set forth in subsection 7.

(b) Upon motion of one of the parties, the court may order the parent to post a bond if the court determines that the parent poses an imminent risk of wrongfully removing or concealing the child outside the country of habitual

residence. The bond must be in an amount determined by the court and may be used only to pay for the cost of locating the child and returning him to his habitual residence if the child is wrongfully removed from or concealed outside the country of habitual residence. The fact that a parent has significant commitments in a foreign country does not create a presumption that the parent poses an imminent risk of wrongfully removing or concealing the child.

9. Except where a contract providing otherwise has been executed pursuant to NRS 123.080, the obligation for care, education, maintenance and support of any minor child created by any order entered pursuant to this section ceases:

(a) Upon the death of the person to whom the order was directed; or

(b) When the child reaches 18 years of age if he is no longer enrolled in high school, ***or*** otherwise, when he reaches 19 years of age.

10. As used in this section, a parent has "significant commitments in a foreign country" if he:

(a) Is a citizen of a foreign country;

(b) Possesses a passport in his name from a foreign country;

(c) Became a citizen of the United States after marrying the other parent of the child; or

(d) Frequently travels to a foreign country.

125B.085 1. Except as otherwise provided in NRS 125B.012, every court order for the support of a child issued or modified in this State on or after June 2, 2007, must include a provision specifying that one or both parents are required to provide medical support for the child and any details relating to that requirement.

2. (a) Payments of cash for medical support or the costs of coverage for health care under a plan of insurance are "reasonable in cost" if:

(1) In the case of payments of cash for medical support, the cost to each parent who is responsible for providing medical support is not more than 5 percent of the gross monthly income of the parent; or

(2) In the case of the costs of coverage for health care under a plan of insurance, the cost of adding a dependent child to any existing coverage for health care or the difference between individual and family coverage, whichever is less, is not more than 5 percent of the gross monthly income of the parent.

Assembly Bill No. 181.

Bill read second time.

The following amendment was proposed by the Committee on Education:

Amendment No. 304.

AN ACT relating to education; **revising provisions governing the membership of a committee to form a charter school and the governing body of a charter school; revising provisions for the process of review of an application to form a charter school;** authorizing the governing body of a charter school to set a salary for the attendance of its members at meetings of the governing body; revising the requirements for a charter school to be eligible for an exemption from annual performance audits and to receive certain money for facilities; **revising various other provisions governing charter schools; repealing the Subcommittee on Charter Schools;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law prescribes the membership of a committee to form a charter school and prescribes the process for the initial review of an application to form a charter school by the Department of Education. (NRS 386.520) Section 1 of this bill revises the membership of the committee and the process for review of the application by the Department.

Upon approval of an application by the Department, existing law provides that a committee to form a charter school may submit an application to the proposed sponsor. (NRS 386.525) Section 2 of this bill revises provisions governing the review of such an application if the State Board of Education is the proposed sponsor.

Existing law authorizes the governing body of a charter school to submit a request for an amendment to the written charter. (NRS 386.527) Section 3 of this bill provides that if the sponsor of the

charter school denies the request for an amendment, the sponsor must provide written notice of the reasons for the denial.

Existing law requires the Department to provide certain information regarding the charter schools operating in this State. (NRS 386.545) Section 5 of this bill provides that if the Department requests certain information from a charter school that is not required by specific statute, the Department shall include in the request a mechanism by which the Department will pay or reimburse the charter school for the requested information, if the provision of the information will cost the charter school money.

Existing law prescribes the membership, qualifications and powers of the governing body of a charter school and requires the governing body to hold at least quarterly meetings. (NRS 386.549) **Section ~~[1]~~ 6** of this bill **revises provisions governing the membership of the governing body and** authorizes the governing body ~~[of a charter school]~~ **, upon a majority vote of the members,** to set a salary for the attendance of its members at meetings of the governing body, not to exceed $80 per meeting per month.

Existing law prescribes the requirements for a charter school to be exempt from an annual performance audit and undergo a performance audit every 3 years and to be eligible for available money from legislative appropriations or otherwise for facilities. A charter school is eligible if at least 75 percent of the pupils enrolled in the charter school who are required to take the high school proficiency examination have passed that examination. (NRS 386.5515) **Section ~~[2]~~ 7** of this bill revises this eligibility provision to require that at least 75 percent of the pupils enrolled in the charter school in grade 12 in the immediately preceding school year **who have** satisfied the coursework requirements for graduation ~~[and]~~ **have** passed the high school proficiency examination.

Existing law provides that the pupils enrolled in charter schools must be included in the count for the purposes of apportionments and allowances from the State Distributive School Account and provides for the reimbursement of administrative costs to the sponsor of a charter school. (NRS 386.570) Section 9 of this bill requires the State Board to prescribe a process which ensures that all charter schools, regardless of sponsor, have information of all sources of funding for the public schools provided through the Department. Section 9 also changes the percentage of administrative costs that the State Board or a college or university may receive for sponsorship after the first year of operation of a charter school from 1.5 percent to 1 percent.

Existing law prescribes the process for a parent or legal guardian of a child to file a notice of intent to homeschool the child with the superintendent of schools of the school district. (NRS 392.700) Section 10 of this bill provides that if such a child seeks admittance or entrance to a public school after being homeschooled, the parent or legal guardian shall notify the superintendent to withdraw the notice of intent to

homeschool. Section 10 further provides that if such a child enrolls in a charter school, the charter school shall notify the board of trustees of the school district in which the child resides.

Existing law creates the Subcommittee on Charter Schools. (NRS 386.507) Section 11 of this bill repeals the Subcommittee.

A charter school is entitled to receive its proportionate share of any other money available from federal, state or local sources that the school or the pupils who are enrolled in the school are eligible to receive. If a charter school receives special education program units directly from this State, the amount of money for special education that the school district pays to the charter school may be reduced proportionately by the amount of money the charter school received from this State for that purpose. ***The State Board shall prescribe a process which ensures that all charter schools, regardless of sponsor, have information about all sources of funding for the public schools provided through the Department, including local funds pursuant to NRS 387.1235.***

If a governing body fails to pay the

reimbursement, the charter school shall be deemed to have violated its written charter and the sponsor may take such action to revoke the written charter pursuant to NRS 386.535 as it deems necessary. If the board of trustees of a school district is the sponsor of a charter school, the amount of money that may be paid to the sponsor pursuant to this subsection for administrative expenses in 1 school year must not exceed:

(b) For any year after the first year of operation of the charter school, ~~[1.5]~~ ***1*** percent of the total amount of money apportioned to the charter school during the year pursuant to NRS 387.124.

5. To determine the amount of money for distribution to a charter school in its first year of operation, the count of pupils who are enrolled in the charter school must initially be determined 30 days before the beginning of the school year of the school district, based on the number of pupils whose applications for enrollment have been approved by the charter school. The count of pupils who are enrolled in the charter school must be revised on the last day of the first school month of the school district in which the charter school is located for the school year, based on the actual number of pupils who are enrolled in the charter school. Pursuant to subsection 5 of NRS 387.124, the governing body of a charter school may request that the apportionments made to the charter school in its first year of operation be paid to the charter school 30 days before the apportionments are otherwise required to be made.

6. If a charter school ceases to operate as a charter school during a school year, the remaining apportionments that would have been made to the charter school pursuant to NRS 387.124 for that year must be paid on a proportionate basis to the school districts where the pupils who were enrolled in the charter school reside.

7. The governing body of a charter school may solicit and accept donations, money, grants, property, loans, personal services or other assistance for purposes relating to education from members of the general public, corporations or agencies. The governing body may comply with

applicable federal laws and regulations governing the provision of federal grants for charter schools. The State Board may assist a charter school that operates exclusively for the enrollment of pupils who receive special education in identifying sources of money that may be available from the Federal Government or this State for the provision of educational programs and services to such pupils.

Amendment No. 354.

Legislative Counsel's Digest:

Under existing law, a limited-purpose association that is created for a rural agricultural residential common-interest community must comply with certain requirements set forth in chapter 116 of NRS. **Section 1** of this bill exempts such a limited-purpose association from the requirement to: (1) pay a fee to the Real Estate Administrator for each unit in the association as required pursuant to NRS 116.31155; (2) comply with certain rules for meetings of the executive board; and (3) conduct a study every 5 years of the reserves required to repair, replace and restore the major components of the common elements of the community, and take certain actions concerning the study. (NRS 116.1201, 116.31083, 116.31152, 116.31155)

Existing law requires each limited-purpose association that is created for a rural agricultural residential common-interest community to comply with chapter 241 of NRS, which is commonly referred to as the Open Meeting Law. (NRS 116.31075) **Section 2** of this bill amends the definition of "public body" for purposes of the Open Meeting Law to include a limited-purpose

association that is created for a rural agricultural residential common-interest community. (NRS 241.015) Thus, such a limited-purpose association will be subject to enforcement action by the Attorney General if the association violates the Open Meeting Law. (NRS 241.037)

Existing law provides that at least once every 5 years, the executive board of an association shall cause a study of the reserves of the association required to repair, replace and restore the major components of the association to be conducted by a person who holds a permit to conduct such a study. (NRS 116.31152) Sections 1.3 and 1.7 of this bill provide that if the common-interest community contains 20 or fewer units and is located in a county with a population of 50,000 or less (currently counties other than Carson City, Clark and Washoe Counties), the study may be conducted by any person whom the executive board deems qualified to conduct the study.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 344.

AN ACT relating to criminal gangs; enhancing penalties and providing for the suspension of drivers' licenses for certain crimes committed to promote criminal gang activity; ~~[authorizing a juvenile court to certify a child as an adult for certain offenses committed to promote criminal gang activity;]~~ making various changes relating to nuisances and criminal gangs; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, a person who commits a felony to promote the activities of a criminal gang is subject to an additional penalty under certain circumstances. (NRS 193.168) **Section 1** of this bill provides that if a person commits a crime normally punishable as a misdemeanor or gross misdemeanor to promote the activities of a criminal gang and if the person has previously been convicted of ~~[a]~~ **at least three** similar ~~[violation,]~~ **violations,** then: (1) the person may be found guilty of a category E felony;

and (2) the driver's license of the person may be suspended for a certain period. **Section 2** of this bill clarifies that if a person is subject to the increased penalty provided in **section 1**, the person is not subject to certain other additional penalties. (NRS 193.169)

Existing law provides that certain places used for certain illegal activities constitute a private nuisance, which creates civil liability and allows any person whose property is affected to bring a civil action to abate the nuisance and recover damages. (NRS 40.140) **Section 3** of this bill provides that a building or place regularly and continuously used by the members of a criminal gang to engage in, or facilitate the commission of, crimes by the criminal gang constitutes such a private nuisance. Existing law also provides that certain places used for certain illegal activities constitute a public nuisance, and any person responsible for such a public nuisance who does not abate the public nuisance is guilty of a misdemeanor. (NRS 202.450, 202.470) **Section 5** of this bill provides that a building or place regularly and continuously used by the members of a criminal gang to engage in, or facilitate the commission of, crimes by the criminal gang constitutes such a public nuisance.

~~[Section 4 of this bill authorizes a juvenile court to certify a child as an adult if the child: (1) is charged with an offense that would have been punishable pursuant to section 1 of this bill if committed by an adult; and (2) was 14 years of age or older at the time the child allegedly committed the offense.]~~

Sections 6 and 7 of this bill authorize the board of county commissioners of a county and the governing body of a city to adopt an ordinance authorizing the filing of a civil action, under certain circumstances, to: (1) enjoin the activities of a specific member of a criminal gang; and (2) recover money damages, attorney's fees and costs against a member of a criminal gang and the owner of a business or place that constitutes a nuisance because the building or place is regularly and continuously used by the members of a criminal gang to engage in, or facilitate the commission of, crimes by the criminal gang. **Sections 6 and 7** also provide that a member of a criminal gang who is subject to an injunction and who knowingly and intentionally commits a material violation of that injunction is guilty of a misdemeanor.

SUMMARY—Makes various changes concerning **[**~~the veterans'~~**]** **certain** exemptions from property taxes and governmental services taxes. (BDR 32-101)

AN ACT relating to taxation; revising the **[**~~amounts of certain veterans'~~**]** **provisions governing the calculation of** exemptions from property taxes

and governmental services taxes ~~[;]~~ **for surviving spouses, persons who are blind and veterans;** expanding the applicability of the exemptions from those taxes for veterans with permanent service-connected disabilities; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law exempts from property taxation certain specified amounts of the assessed value of the property of surviving spouses and of persons who are blind, and requires the annual adjustment of those amounts to account for increases in the Consumer Price Index from July 2003. (NRS 361.080, 361.085) Sections 2 and 3 of this bill update the specified amounts to reflect the increases in the Consumer Price Index from July 2003, require the annual adjustment of the exemption amounts to account for increases in the Consumer Price Index from July 2008, and clarify the portion of the Index applicable to each adjustment.

Existing law exempts from property taxation $2,000 of the assessed value of the property of a veteran who served on active duty under certain specified circumstances and requires the annual adjustment of that amount to account for increases in the Consumer Price Index from July 2003. (NRS 361.090) **Section ~~[2]~~ 4** of this bill increases that exemption to $2,500, requires the annual adjustment of that amount to account for increases in the Consumer Price Index from July 2008, and clarifies the portion of the Index applicable to each adjustment.

Existing law provides an exemption from property taxation for the property of a veteran with a permanent service-connected disability, or of his surviving spouse, in the amount of $20,000 of assessed value for a veteran with a total disability, $15,000 of assessed value for a veteran with a disability of 80 to 99 percent and $10,000 of assessed value for a veteran with a disability of 60 to 79 percent, and requires the annual adjustment of those amounts to account for increases in the Consumer Price Index from July 2003. (NRS 361.091) **Section ~~[3]~~ 5** of this bill expands the applicability of the exemption to include a veteran whose disability, regardless of the percentage thereof, renders him unemployable, ~~[increases the amount of the exemption for such a veteran and a veteran with a total disability to 100 percent of assessed value,]~~ updates the specified amounts ~~[for veterans with partial disabilities]~~ to reflect the increases in the Consumer Price Index from July 2003, ~~[expands the applicability of the exemption to include a veteran with a disability of 40 to 59 percent in the amount of $5,000 of assessed value,]~~ requires the annual adjustment of the exemption amounts to account for increases in the Consumer Price Index from July 2008, and clarifies the portion of the Index applicable to each adjustment. ~~[Sections 4 and 8]~~ **Section 12** of this bill ~~[cause]~~ **causes** the provisions expanding the applicability of the ~~[exemption]~~ **exemptions in sections 6 and 11 of this bill** to terminate on July 1, 2049.

Sections ~~[5-8]~~ 7-12 of this bill similarly revise the corresponding ~~[veterans']~~ exemptions from governmental services taxes.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. The Legislature hereby finds that each exemption provided by this act from any ad valorem tax on property:

1. Will achieve a bona fide social or economic purpose and that the benefits of the exemption are expected to exceed any adverse effect of the exemption on the provision of services to the public by the State or a local government that would otherwise receive revenue from the tax from which the exemption would be granted; and

2. Will not impair adversely the ability of the State or a local government to pay, when due, all interest and principal on any outstanding bonds or any other obligations for which revenue from the tax from which the exemption would be granted was pledged.

Sec. 2. **NRS 361.080 is hereby amended to read as follows:**

361.080 1. The property of surviving spouses, not to exceed the amount of ~~[$1,000]~~ ***$1,190*** assessed valuation, is exempt from taxation, but no such exemption may be allowed to anyone but a bona fide resident of this State, and must be allowed in but one county in this State to the same family.

2. For the purpose of this section, property in which the surviving spouse has any interest shall be deemed the property of the surviving spouse.

3. The person claiming such an exemption must file with the county assessor an affidavit declaring that he is a bona fide resident of this State and that the exemption has been claimed in no other county in this State. The affidavit must be made before the county assessor or a notary public. SECOND READING AND AMENDMENT

Assembly Bill No. 352.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 367.

AN ACT relating to the Spring Mountains National Recreation Area; limiting certain powers of planning and zoning that may be exercised by local governments within the Area; limiting gaming in the Area to holders of restricted licenses; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The Spring Mountains National Recreation Area includes Mt. Charleston and other land, both public and private, outside of Las Vegas. **Sections 1-8** of this bill prohibit local governments from making certain changes relating to zoning and development in the Spring Mountains National Recreation Area. A similar prohibition is provided for the Red Rock Canyon National Conservation Area and adjacent lands. (Chapter 105, Statutes of Nevada 2003, p. 595) **Section 9** of this bill prohibits the Nevada Gaming Commission from issuing a nonrestricted license for any location in the Spring Mountains National Recreation Area, thereby limiting gaming in the Area only to current and future operations that hold restricted gaming licenses. (NRS 463.160, 463.161, 463.180, 463.190, 463.240)

WHEREAS, The Spring Mountains and their surrounds are a natural wonder within the State of Nevada that is uniquely beautiful and of scenic interest; and

WHEREAS, The Spring Mountains National Recreation Area includes several distinctive and significant geologic and natural heritage features, including, without limitation, Mount Charleston, Kyle Canyon, Griffith Peak, Harris Springs, Harris Mountain, the Deer Creek mountain pass, Angel Peak, Macks Canyon, Lee Canyon, Mummy Mountain, McFarland Peak, Bonanza Peak, Cold Creek, Wheeler Well, Charcoal Kilns, Mount Stirling Wilderness Study Area, Wallace Canyon, Carpenter Canyon, Trout Canyon, Lovell Canyon, Mountain Springs ~~[, Potosi Mountain]~~ and Native American archeological sites, including petroglyphs and agave roasting pits; and

WHEREAS, In addition to their scenic beauty and geologic significance, the Spring Mountains provide numerous recreational opportunities to visitors from both within and without the State of Nevada, including, without limitation, hiking, climbing, bicycling, camping, horseback riding and winter sports such as snowshoeing and alpine and cross-country skiing; and

WHEREAS, With regard to tourism, the Spring Mountains provide a dramatic counterpoint to the activities offered within the more urban portions of Clark County, helping to draw to the area tourists who might not otherwise be interested in participating in gaming, attending shows or other such activities; and

WHEREAS, A significant part of the reason that the Spring Mountains are of interest to tourists, sightseers and recreational users is that they provide an area of sanctuary from the congestion and sprawl of the more urban portions of Clark County; and

WHEREAS, If the scenic views, natural beauty and rural character of the Spring Mountains were to be encroached upon by development that is on a large scale or of an inappropriate character, the value of the Spring Mountains National Recreation Area, with respect to tourism, sightseeing and recreation would be greatly diminished, to the detriment of Clark County and the State of Nevada as a whole; now, therefore,

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Legislative Counsel's Digest:

Existing law defines a "sports pool" as the business of accepting wagers on sporting events by any system or method of wagering. (NRS 463.0193) The regulations of the Nevada Gaming Commission provide that a "sports pool" means a business that accepts wagers on sporting events or other events. (Regulation 22.010 of the Nevada Gaming Commission) **Section 2** of this bill amends the statutory definition to include "other events" within the definition of "sports pool" in a manner consistent with the regulations.

Existing law requires the Commission to adopt regulations setting forth the standards of operation for a gaming salon, including policies and procedures governing **the games offered and** minimum wagers for any game offered, and those regulations must provide that minimum wagers for slot machines must not be less than $500. (NRS 463.4073) **Section 3** of this bill ~~[eliminates the requirement]~~ **provides** that the regulations **must not allow more than five slot machines in a gaming salon and** must establish minimum wagers for slot machines of not less than ~~[$500.]~~ **$50.**

Sections 5 and 7 of this bill clarify that, in addition to authorizing off-track pari-mutuel wagering on horse races, existing law also authorizes off-track pari-mutuel wagering on dog races. (NRS 464.005, 466.095)

Existing law authorizes the Commission to appoint an Off-Track Pari-Mutuel Wagering Committee, which, if appointed, is required to grant to the Off-Track Pari-Mutuel Wagering Committee the exclusive right to negotiate an agreement relating to off-track pari-mutuel wagering. (NRS 464.020) Section 6 of this bill provides that any agreement negotiated by the Off-Track Pari-Mutuel Wagering Committee with a track relating to off-track pari-mutuel wagering must not set a different rate for intrastate wagers placed on the licensed premises of a race book and wagers placed through the use of communications technology.

The term does not include the operation of a race book or sports pool that uses communications technology approved by the Board pursuant to regulations adopted by the Commission to accept wagers originating within this state for races **,** or sporting events ~~[.]~~ ***or other events.***

2. As used in this section, "communications technology" means any method used and the components employed by an establishment to facilitate the transmission of information, including, without limitation, transmission and reception by systems based on wire, cable, radio, microwave, light, optics or computer data networks, including, without limitation, the Internet and intranets.

1. The policies and procedures for approval of a license to operate a gaming salon.

2. The standards of operation for a gaming salon, including, without limitation, policies and procedures governing:

(a) Surveillance and security systems.

(b) The games offered. The regulations must provide that the games offered must include table games and may include ***not more than five*** slot machines.

(c) Minimum wagers for any game offered. The regulations must provide that minimum wagers for slot machines must not be less than ~~[$500.]~~ ***$50.***

Sec. 4. ~~[This act becomes effective upon passage and approval.]~~ **(Deleted by amendment.)**

Sec. 6. **NRS 464.020 is hereby amended to read as follows:**

464.020 1. The Nevada Gaming Commission is charged with the administration of this chapter for the protection of the public and in the public interest.

2. The Nevada Gaming Commission may issue licenses permitting the conduct of the pari-mutuel system of wagering, including off-track pari-mutuel wagering, and may adopt, amend and repeal regulations relating to the conduct of such wagering.

➥ This subsection does not prohibit a person licensed to accept, pursuant to regulations adopted by the Nevada Gaming Commission, off-track pari-mutuel wagers from accepting wagers made by wire communication from patrons within the State of Nevada, from other states in which such wagering is legal or from places outside the United States in which such wagering is legal.

4. The regulations of the Nevada Gaming Commission may include, without limitation:

5. The Nevada Gaming Commission may appoint an Off-Track Pari-Mutuel Wagering Committee consisting of 11 persons who are licensed to engage in off-track pari-mutuel wagering. If the Commission appoints such a Committee, it shall appoint to the Committee:

➥ If a vacancy occurs in a position on the Committee for any reason, including, but not limited to, termination of a member, the Commission shall appoint a successor member who satisfies the same criteria in paragraph (a), (b) or (c) that applied to the member whose position has been vacated.

6. If the Nevada Gaming Commission appoints an Off-Track Pari-Mutuel Wagering Committee pursuant to subsection 5, the Commission shall:

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 440.

AN ACT relating to children's products; prohibiting the advertisement, sale, lease, sublet or distribution of children's products under certain circumstances; prohibiting certain commercial activity regarding unsafe cribs; providing that a violation of provisions relating to unsafe cribs or to children's products is a deceptive trade practice; authorizing the Consumer's Advocate of the Bureau of Consumer Protection in the Office of the Attorney General to ban or designate as a health or safety hazard any children's product; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 7 of this bill provides that a retailer of a new or used product intended for children under 12 years of age may not advertise, sell or offer for sale, lease, sublet or otherwise distribute the product if the product is subject to a recall notice, is subject to a warning indicating that the use of the product constitutes a health or safety hazard or has been banned or designated as a health or safety hazard by the United States Consumer Product Safety Commission, the Consumer's Advocate of the Bureau of Consumer Protection in the Office of the Attorney General or the manufacturer of the product. **Section 7** also requires a retailer to subscribe to or arrange to receive recall notices and warnings issued by the United States Consumer Product Safety Commission and manufacturers from whom the retailer receives children's products. **Section 7** further requires a retailer to comply with all instructions issued for the disposal, return, repair, retrofitting, labeling or remediation of children's products which are the subject of a recall notice or other warning. ~~[Section 8 of this bill requires the Attorney General to assist retailers in this State with obtaining recall notices that have been issued relating to children's products. Such assistance must include dedicating a portion of the website of the Attorney General to provide a link to a website which provides product recall notices and lists products banned or designated hazardous by the Consumer Advocate.]~~ **Section 18** of this bill makes it a deceptive trade practice for a person to **knowingly and willfully** violate any provision relating to unsafe cribs or to children's products that are subject to a recall notice or a warning, which

therefore puts such violations within the purview of the provisions in chapter 598 of NRS that impose civil and criminal penalties. (NRS 598.092) **Section 19** of this bill authorizes the Consumer's Advocate to ban or designate as a health or safety hazard any children's product. (NRS 228.380)

Assembly Bill No. 476.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 509.

AN ACT relating to gaming; revising the boundaries of the Las Vegas Boulevard gaming corridor; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that the Nevada Gaming Commission is prohibited from approving a nonrestricted license for an establishment in a county

whose population is 400,000 or more (currently Clark County) unless the establishment is located in a gaming enterprise district, which is defined as "an area that has been approved by a county, city or town as suitable for operating an establishment that has been issued a nonrestricted license." (NRS 463.0158, 463.308) If the location of a proposed establishment is within the Las Vegas Boulevard gaming corridor or the rural Clark County gaming zone, but not within an area already designated as a gaming enterprise district, the Commission is prohibited from approving a nonrestricted license for the proposed establishment unless the location of the proposed establishment is first designated a gaming enterprise district pursuant to the criteria set forth in NRS 463.3084. (NRS 463.3082) However, if the location of a proposed establishment is not within the Las Vegas Boulevard gaming corridor or the rural Clark County gaming zone and not within an area already designated as a gaming enterprise district, the Commission is prohibited from approving a nonrestricted license for the proposed establishment unless the location of the proposed establishment is first designated a gaming enterprise district pursuant to the criteria set forth in NRS 463.3086, which contains certain additional requirements that are not contained in NRS 463.3084, such as the requirements that: (1) the property line of the proposed establishment must be not less than 500 feet from the property line of a developed residential district and not less than 1,500 feet from the property line of a public school, private school or structure used primarily for religious services or worship; and (2) a three-fourths vote of the governing body of the county, city or town is required for designation of the location as a gaming enterprise district. (NRS 463.3086)

This bill revises the boundaries of the Las Vegas Boulevard gaming corridor to include certain new areas. ~~[that are adjacent to the current boundaries.]~~ Consequently, if a proposed establishment which is located in a new area of the Las Vegas Boulevard gaming corridor and which is not already in a gaming enterprise district were to seek to have the location designated as a gaming enterprise district, the determination of whether the location may be designated as a gaming enterprise district would be based upon the criteria set forth in NRS 463.3084, rather than the criteria set forth in NRS 463.3086.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 463.3076 is hereby amended to read as follows:

463.3076 The location of a proposed establishment shall be deemed to be within the Las Vegas Boulevard gaming corridor if the property line of the proposed establishment ~~[~~:

~~1. Is within 1,500 feet of the centerline of Las Vegas Boulevard;~~

~~2. Is south of the intersection of Las Vegas Boulevard and that portion of St. Louis Avenue which is designated State Highway No. 605; and~~

~~3. Is adjacent to or north of the northern edge line of State Highway No. 146.]~~ ***is located within the area described in subsection 1 or 2 as follows:***

1. Beginning at the point of the northern edge line of State Highway No. 146 that is 1,500 feet west of the centerline of Las Vegas Boulevard, then proceeding north to the northern edge line of Tropicana Avenue, then proceeding west to the eastern edge line of Interstate 15, then proceeding north to the eastern edge line of ~~[the Union Pacific Railroad Right-of-Way,]~~ Industrial Road, then proceeding north to the southern edge line of ~~[United States Highway No. 95,]~~ New York Avenue, then proceeding east to the intersection of the extension of the southern edge line of New York Avenue and the western edge line of ~~[Las Vegas Boulevard,]~~ Main Street, then proceeding south to the southern edge line of St. Louis Avenue, then proceeding east to the western edge line of Santa Rita Drive, then proceeding south along a line that is 1,500 feet east of the centerline of Las Vegas Boulevard to the western edge line of Paradise Road, then proceeding south to the ~~[northern]~~ southern edge line of ~~[Tropicana]~~ Sands Avenue, then proceeding west to a point that is 1,500 feet east of the centerline of Las Vegas Boulevard, then proceeding south along a line that is 1,500 feet from the centerline of Las Vegas Boulevard to the northern edge line of State Highway No. 146, then proceeding west to the point of beginning.

2. Beginning at the intersection of the western edge line of Las Vegas Boulevard and the extension of the northern edge line of Lewis Avenue, then proceeding north to the southern edge line of Stewart Avenue, then proceeding west to the eastern edge line of Casino Center Boulevard, then proceeding north to the southern edge line of United States Highway No. 95, then proceeding west to the western edge line of the Union Pacific Railroad Right-of-Way, then proceeding south to a point that is perpendicular to the extension of the northern edge line of Lewis Avenue, then proceeding east to the point of beginning.

Assemblyman Segerblom moved the adoption of the amendment.

Remarks by Assemblyman Segerblom.

Amendment adopted.

Bill ordered reprinted, engrossed and to third reading.

Assembly Bill No. 495.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 409.

AN ACT relating to professional negligence; revising the **limitation on the amount of noneconomic** damages that may be awarded in certain actions based on professional negligence; revising ~~[various provisions relating to]~~ the statute of limitations in such actions; ~~[establishing certain evidentiary standards in such actions; repealing certain provisions related to such actions;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for a limitation of $350,000 in noneconomic damages in actions based on professional negligence. (NRS 41A.035) **Section 1** of this bill ~~[eliminates the limitation on noneconomic damages and provides explicitly that economic damages may be awarded in such actions. Section 2 of this bill increases the period in which to bring an action to trial for professional negligence to 5 years after the date on which the action is filed. (NRS 41A.061)~~

~~The Nevada Supreme Court has ruled that the mandatory dismissal of an action filed without an affidavit of medical expert does not apply to a res ipsa loquitur case, because an expert affidavit is unnecessary in factual situations where medical negligence is presumed. (Szydel v. Markman, 121 Nev. 453 (2005)) Section 3 of this bill codifies the holding in the Szydel decision and provides that the medical expert may be a person whose practice includes the type of practice engaged in at the time of the alleged negligence such that he can testify, under oath, that he is familiar with the accepted standard of care. (NRS 41A.071)~~

~~Section 4 of this bill increases the limit on fees payable for an opinion letter from independent counsel from $1,500 to $5,000 in professional negligence cases where a settlement judge recommends settlement for limits of the insurance policy. (NRS 41A.085)]~~ **provides for an exception to the limitation on noneconomic damages if the defendant's conduct is determined to constitute gross negligence.**

~~1. In an action for injury or death against a provider of health care based upon professional negligence, each defendant is liable to the plaintiff for economic damages and noneconomic damages severally only, and not jointly, for that portion of the judgment which represents the percentage of negligence attributable to the defendant.~~

~~2. This section is intended to abrogate joint and several liability of a provider of health care in an action for injury or death against the provider of health care based upon professional negligence.~~

42.021 Actions based on professional negligence of providers of health care: Introduction of certain evidence relating to collateral benefits; restrictions on source of collateral benefits; payment of future damages by periodic payments. [This section was proposed by an initiative petition and approved by the voters at the 2004 General Election and therefore is not subject to legislative amendment or repeal until after November 23, 2007.]

1. In an action for injury or death against a provider of health care based upon professional negligence, if the defendant so elects, the defendant may introduce evidence of any amount payable as a benefit to the plaintiff as a result of the injury or death pursuant to the United States Social Security Act, any state or federal income disability or worker's compensation act, any health, sickness or income disability insurance, accident insurance that provides health benefits or income disability coverage, and any contract or agreement of any group, organization, partnership or corporation to provide, pay for or reimburse the cost of medical, hospital, dental or other health care services. If the defendant elects to introduce such evidence, the plaintiff may introduce evidence of any amount that the plaintiff has paid or contributed to secure his right to any insurance benefits concerning which the defendant has introduced evidence.

2. A source of collateral benefits introduced pursuant to subsection 1 may not:

(a) Recover any amount against the plaintiff; or

(b) Be subrogated to the rights of the plaintiff against a defendant.

3. In an action for injury or death against a provider of health care based upon professional negligence, a district court shall, at the request of either party, enter a judgment ordering that money damages or its equivalent for future damages of the judgment creditor be paid in whole or in part by periodic payments rather than by a lump sum payment if the award equals or exceeds $50,000 in future damages.

4. In entering a judgment ordering the payment of future damages by periodic payments pursuant to subsection 3, the court shall make a specific finding as to the dollar amount of periodic payments that will compensate the judgment creditor for such future damages. As a condition to authorizing periodic payments of future damages, the court shall require a judgment debtor who is not adequately insured to post security adequate to assure full payment of such damages awarded by the judgment. Upon termination of periodic payments of future damages, the court shall order the return of this security, or so much as remains, to the judgment debtor.

5. A judgment ordering the payment of future damages by periodic payments entered pursuant to subsection 3 must specify the recipient or recipients of the payments, the dollar amount of the payments, the interval between payments, and the number of payments or the period of time over which payments will be made. Such payments must only be subject to modification in the event of the death of the judgment creditor. Money

~~damages awarded for loss of future earnings must not be reduced or payments terminated by reason of the death of the judgment creditor, but must be paid to persons to whom the judgment creditor owed a duty of support, as provided by law, immediately before his death. In such cases, the court that rendered the original judgment may, upon petition of any party in interest, modify the judgment to award and apportion the unpaid future damages in accordance with this subsection.~~

~~6. If the court finds that the judgment debtor has exhibited a continuing pattern of failing to make the periodic payments as specified pursuant to subsection 5, the court shall find the judgment debtor in contempt of court and, in addition to the required periodic payments, shall order the judgment debtor to pay the judgment creditor all damages caused by the failure to make such periodic payments, including, but not limited to, court costs and attorney's fees.~~

~~7. Following the occurrence or expiration of all obligations specified in the periodic payment judgment, any obligation of the judgment debtor to make further payments ceases and any security given pursuant to subsection 4 reverts to the judgment debtor.~~

~~8. As used in this section:~~

~~(a) "Future damages" includes damages for future medical treatment, care or custody, loss of future earnings, loss of bodily function, or future pain and suffering of the judgment creditor.~~

~~(b) "Periodic payments" means the payment of money or delivery of other property to the judgment creditor at regular intervals.~~

~~(c) "Professional negligence" means a negligent act or omission to act by a provider of health care in the rendering of professional services, which act or omission is the proximate cause of a personal injury or wrongful death. The term does not include services that are outside the scope of services for which the provider of health care is licensed or services for which any restriction has been imposed by the applicable regulatory board or health care facility.~~

~~(d) "Provider of health care" means a physician licensed under chapter 630 or 633 of NRS, dentist, licensed nurse, dispensing optician, optometrist, registered physical therapist, podiatric physician, licensed psychologist, chiropractor, doctor of Oriental medicine, medical laboratory director or technician, or a licensed hospital and its employees.]~~

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. ~~[~~NRS 439B.410 is hereby amended to read as follows:~~]~~

~~**[**3.**]** *4.* A physician, hospital or other health facility which treats a patient as a result of a violation of subsection **[**2**]** *3* by a hospital or a physician working in the hospital is entitled to recover from that hospital an amount equal to three times the charges for the treatment provided that was billed by the physician, hospital or other health facility which provided the treatment, plus reasonable attorney's fees and costs.~~

~~**[**4.**]** *5.* This section does not prohibit the transfer of a patient from one hospital to another:~~

~~(b) "Medically fit" means that the condition of the patient has been sufficiently stabilized so that he may be safely transported to another hospital, or is such that, in the determination of the attending physician, the transfer of the patient constitutes an acceptable risk. Such a determination must be based upon the condition of the patient, the expected benefits, if any, to the patient resulting from the transfer and whether the risks to the patient's health are outweighed by the expected benefits, and must be documented in the patient's records before the transfer.~~

Amendment No. 513.

SUMMARY—Requires county hospitals **in certain larger counties** to provide outpatient cancer treatment as part of their care to indigent persons. (BDR 40-976)

AN ACT relating to county hospitals; requiring a county hospital **in certain larger counties** to provide outpatient cancer treatment as part of its care to indigent persons; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Counties are required through county hospitals to provide care to indigent persons. (NRS 428.010, 450.420) This bill ~~[requires]~~ **provides** that **in a county whose population is 400,000 or more (currently Clark County)** the care **provided by a county hospital must** include the outpatient treatment of cancer if the indigent person is a resident of ~~[the]~~ **that** county ~~[in which the hospital is located]~~ and was a resident of that county at the time the person was diagnosed with cancer, but clarifies that this does not prohibit the hospital from providing uncompensated care for the outpatient treatment of cancer to other persons.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 450.420 is hereby amended to read as follows:

450.420 1. The board of county commissioners of the county in which a ~~[public]~~ ***county*** hospital is located may determine whether patients presented to the ~~[public]~~ ***county*** hospital for treatment are subjects of charity. Except as otherwise provided in NRS 439B.330, the board of county commissioners shall establish by ordinance criteria and procedures to be used in the determination of eligibility for medical care as medical indigents or subjects of charity.

2. ~~*[A]*~~ ***In each county whose population is 400,000 or more, a county hospital must provide outpatient cancer treatment to indigent persons who are residents of that county and were residents of that county at the time that they were diagnosed with cancer. This subsection does not prohibit a county hospital from providing uncompensated care for the outpatient treatment of cancer to other persons.***

3. The board of hospital trustees shall fix the charges for treatment of those persons able to pay for the charges, as the board deems just and proper. The board of hospital trustees may impose an interest charge of not more than 12 percent per annum on unpaid accounts. The receipts must be paid to the county treasurer and credited by him to the hospital fund. In fixing charges pursuant to this subsection the board of hospital trustees shall not include, or seek to recover from paying patients, any portion of the expense of the hospital which is properly attributable to the care of indigent patients.

~~[3.]~~ ***4.*** Except as provided in subsection ~~[4]~~ ***5*** of this section and subsection 3 of NRS 439B.320, the county is chargeable with the entire cost of services rendered by the hospital and any salaried staff physician or employee to any person admitted for emergency treatment, including all reasonably necessary recovery, convalescent and follow-up inpatient care required for any such person as determined by the board of trustees of the hospital, but the hospital shall use reasonable diligence to collect the charges from the emergency patient or any other person responsible for his support. Any amount collected must be reimbursed or credited to the county.

~~[4.]~~ ***5.*** The county is not chargeable with the cost of services rendered by the hospital or any attending staff physician or surgeon to the extent the hospital is reimbursed for those services pursuant to NRS 428.115 to 428.255, inclusive.

Sec. 2. NRS 450.425 is hereby amended to read as follows:

450.425 1. The board of county commissioners of a county in which a county hospital is established may, upon approval by a majority of the voters voting on the question in an election held throughout the county, levy an ad valorem tax of not more than 2.5 cents on each $100 of assessed valuation upon all taxable property in the county, to pay the cost of services rendered in the county by the hospital pursuant to subsection ~~[3]~~ ***4*** of NRS 450.420. The approval required by this subsection may be requested at any primary or general election.

2. Any tax imposed pursuant to this section is in addition to the taxes imposed pursuant to NRS 428.050, 428.185 and 428.285. The proceeds of any tax levied pursuant to this section are exempt from the limitations imposed by NRS 354.59811, 428.050 and 428.285 and must be excluded in determining the maximum rate of tax authorized by those sections.

Sec. 3. The provisions of NRS 354.599 do not apply to any additional expenses of a local government that are related to the provisions of this act.

Sec. 4. This act becomes effective on July 1, 2009.

Assembly Bill No. 247.

Bill read third time.

The following amendment was proposed by Assemblyman Bobzien:

Amendment No. 503.

AN ACT relating to bicycles; revising provisions governing the operation of bicycles; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that every person riding a bicycle upon a roadway is generally subject to the provisions of chapter 484 of NRS which apply to drivers of vehicles. (NRS 484.503) Existing law requires the driver of a vehicle to signal an intention to turn from a direct course continuously during not less than the last 100 feet traveled in a business or residential district and not less than the last 300 feet traveled in any other area. (NRS 484.343) **Section 2** of this bill exempts the operator of a bicycle from these requirements and instead requires the operator only to signal his intention to turn at least one time, unless the bicycle is in a designated turn lane or when safe operation of the bicycle requires the operator to keep both hands on the bicycle.

Existing law provides for the methods of giving signals by hand and arm. (NRS 484.347) **Section 3** of this bill authorizes an operator of a bicycle to signal for a right turn by extending his right hand and arm horizontally and to the right side of the bicycle.

~~[Existing law prohibits the driving of a vehicle upon any sidewalk area. (NRS 484.451) Section 4 of this bill provides that a local authority may not enact any ordinance that requires the operation of bicycles upon sidewalks or side paths, and that any such ordinance enacted by a local authority is void.]~~

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 484 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 ~~[,]~~ **and** 3 ~~[and 4]~~ of this act.

Sec. 2. ***1. Except as otherwise provided in subsection 2, an operator of a bicycle upon a roadway shall not turn from a direct course unless the movement may be made with reasonable safety and the operator gives an appropriate signal. The operator shall give the appropriate signal at least one time but is not required to give the signal continuously.***

2. An operator of a bicycle is not required to give a signal if:

(a) The bicycle is in a designated turn lane; or

(b) Safe operation of the bicycle requires the operator to keep both hands on the bicycle.

Sec. 3. ***An operator of a bicycle upon a roadway shall give all signals by hand and arm in the manner required by NRS 484.347, except that the operator may give a signal for a right turn by extending his right hand and arm horizontally and to the right side of the bicycle.***

Sec. 4. ~~[1. A local authority shall not enact an ordinance requiring the operation of bicycles upon any sidewalk area or side path within its jurisdiction.~~

~~2. Any ordinance that is enacted in violation of subsection 1 has no effect and is void.~~

~~3. As used in this section, "side path" means an area adjacent to a highway that is designated for travel by bicycles or any other means except by motor vehicle.]~~ **(Deleted by amendment.)**

Sec. 5. NRS 484.501 is hereby amended to read as follows:

484.501 1. It is a misdemeanor for any person to do any act forbidden or fail to perform any act required in NRS 484.505 to 484.513, inclusive ~~[.]~~ ***, and sections 2 [,] and 3 [and 4] of this act.***

2. The parent of any child and the guardian of any ward shall not authorize or knowingly permit ~~[any such]~~ ***the*** child or ward to violate any of the provisions of this chapter.

3. The provisions applicable to bicycles ~~[shall]~~ apply whenever a bicycle is operated upon any highway or upon any path set aside for the exclusive use of bicycles subject to those exceptions stated herein.

Sec. 6. NRS 484.503 is hereby amended to read as follows:

484.503 Every person riding a bicycle upon a roadway has all of the rights and is subject to all of the duties applicable to the driver of a vehicle except as otherwise provided in NRS 484.504 to 484.513, inclusive, ***and sections 2 [,] and 3 [and 4] of this act*** and except as to those provisions of this chapter which by their nature can have no application.

Sec. 7. ~~[The provisions of section 4 of this act apply to any ordinance adopted before, on or after October 1, 2009, and any ordinance which was adopted before that date and which is contrary to the provisions of section 4 of this act is void on October 1, 2009.]~~ **(Deleted by amendment.)**

IN JOINT SESSION

At 12:09 p.m.

All present.

The President of the Senate appointed a Committee on Escort consisting of Senator Rhoads and Assemblyman Munford to wait upon Representative Heller and escort him to the Assembly Chamber.

The Committee on Escort in company with the Honorable Dean Heller, United States Representative from Nevada, appeared before the Bar of the Assembly.

The Committee on Escort escorted the Representative to the rostrum.

Madam Speaker welcomed Representative Heller and invited him to deliver his message.

Dean Heller, United States Representative, delivered his message as follows:

MESSAGE TO THE LEGISLATURE OF NEVADA
SEVENTY-FIFTH SESSION, 2009

Madam Speaker, thank you very much. It is great to be home. I have already seen Senator Townsend look at his watch so I know I am limited here in the amount of my time. It is a Friday afternoon, and a lot of you have places to go, so I will try to meet those expectations. Thank you very much for having me here today. Mr. President, thank you, and thank you also for your friendship and the opportunity to spend some time here. I walked from the Assembly over to the Senate and lowered the average ages, I think, of both houses by doing that. It was great to spend some time in the State Senate. Senator Raggio, of course, it is good to see you. Leader Horsford, it is always a pleasure. Leader Oceguera and, of course, Leader Gansert, thank you very much for the opportunity to be here. I want to thank the Chief Justice for being here, also. I appreciate you spending a few minutes of your time to be with me. I want to thank, of course, Kim Wallin, our State Controller, for being here; also, the representatives from the other constitutional offices for being here. Of course, there are two names here that I want to make sure that I do acknowledge, two people that came in here into this house with me back in 1991. I was telling someone recently that if I were still here, I would be term-limited out after this session. Of course, those people are Warren Hardy and Bernie Anderson, two people that I came in here with, and it has been an honor and a privilege to serve with them over the years.

I want to, of course, thank my wife for being here. I want to thank my mother for being here. I still believe I am the only member of Congress whose mom still cuts his hair. I want to thank her for dragging my father out for this event. There is an empty lot across the street from this building. That empty lot used to be my fathers' engine and transmission shop. He taught me a lot of principles that I adhere to today. It is a thrill to have him with me today.

It is an honor and a privilege to serve in the second Congressional District. My district is 105,000 square miles. I try to explain that to Easterners. I told one representative from Illinois, "Consider driving from Washington, D.C., all the way to Chicago, and then a couple of hours after that. That is how much time it would take you to drive across my congressional district." For Clark County and all the other 16 counties, it really is an honor and great privilege to be able to serve them. For this reason, natural resource issues continue to be my priority. There are many rural legislators in here that know how important mining, public land management, and preventing wildfires are in northern Nevada. Recently, I found myself testifying in front of the Natural Resource Committee. In fact, I was with the chairwoman of the Elko County

Commission, talking against the destructive mining reform that they are now discussing. This year I was named the policy chair of the Western Caucus. This is a group of nearly 40 members of Congress who are primary defenders of balanced public land access, private property rights, and responsible natural resource developments in the U.S. House of Representatives. I believe this leadership position in this caucus allows me to be a stronger advocate for Nevada.

Now, when I was first elected to Congress, I was given some sage advice. I was told not to expect to get on an exclusive committee. I was told I would not pass any legislation, nor would I be able to achieve any amendments on the House floor. Simply put, I was told to not expect to get anything done. However, in my freshman year, in the minority, I was able to pass four pieces of legislation, more legislation than any of our House delegation. I amended the mining reform legislation on the House floor and was appointed to the Financial Services Committee, which is an exclusive committee. Now, starting my second term, I have been appointed to the most influential committee in Congress, the House Ways and Means Committee. This committee deals with issues such as taxes, energy, health care, and trade, all issues that I believe are very important for Nevada and all of which directly affect Nevadans. Every day I go to work to advocate for our great state and let Nevadans know that there is someone in Washington, D.C. who is on their side.

Now, when I am in Washington, D.C., whether I am sitting in committee or I am on the House floor, I evaluate each piece of legislation with the "more, higher, less" test. The "more, higher, less" test is: Does it provide more competition, higher quality, at less cost? If that piece of legislation passes out of committee and it meets that test, I vote for it. If there's a piece of legislation out there that doesn't meet the "more, higher, less" test, I vote against it. This is the true test that motivates entrepreneurs. The "more, higher, less" test is the true test that motivates small businesses. I believe it should be the test that motivates government. I want to give you an example of this approach, in school choice. The District of Columbia has a program in place to provide scholarships to students in underperforming schools so that they can attend schools with proven academic success. This program shows that students learn more, they perform at a higher level, and it costs the taxpayers less. Washington, D.C. spends approximately $14,000 per pupil. Under the school choice program, the cost per pupil is $7,500. Again, the students learn more, they perform at a higher level, and it costs the taxpayers less—more, higher, less.

Unfortunately, this successful program has been targeted to end by Democratic leadership. Instead of empowering parents to do what is right for their own children, the power is returned back to government bureaucrats. In this same vein, the recently passed budget includes what is called a cap and trade system on carbon emissions that will levy $646 billion in new taxes. In some estimates, the Congressional Budget Office estimates it as high as $3 trillion. This new scheme is nothing more than a sales tax on energy that will affect every working American in our country, because it taxes every form of energy we depend upon. The basic goal of this program is to make energy so expensive it influences consumers' behavior, to curb consumption. According to the EPA, electricity costs will rise between 44 and 79 percent under this system. It will potentially cost every Nevadan an estimated $850 or, for a family of four, nearly $3,400 in higher energy costs every year. Every time you turn on a light, buy a loaf of bread, or pick up your children from school, you will be paying higher taxes.

High energy prices not only hurt economic growth but they also cause inflation and have a negative effect on consumer spending. Our economy cannot afford this program. Instead of penalizing people for using energy and companies that produce energy, Congress should encourage innovation, pursue the development of alternative energy, and explore our own natural resources until we can bridge the gap that takes this country off of its dependence of foreign sources of energy.

It is no secret that Nevada is rich in renewable energy potential. We have an abundance of geothermal, solar, and wind energy. In Congress, I have voted in favor of a national renewable portfolio standard similar to the one already instituted here in Nevada. I am currently drafting solar energy legislation to help promote the development of solar energy on public lands. This legislation will direct the Secretary of the Interior to identify public lands best suited for solar energy and draft environmental assessments. The legislation applies an integrated royalty schedule to make the development of solar energy plants more cost efficient. I expect to introduce this legislation shortly after Congress comes back into session. Bringing renewable

energy to Nevada will create more jobs, a higher quality of life, and keep energy prices low. It is legislation that meets the "more, higher, less" test.

If "more, higher, less" was applied to the recently passed stimulus bill, Nevada and our nation would be better off today. I was disappointed by the partisanship leading up to that vote. Some in this room even announced support for the legislation before it was drafted. There was not a single person who did not believe that action was needed but the final product was a raw deal for Nevadans and the American taxpayers. Nevada was at the bottom of the list for assistance, even though we lead the nation in foreclosures and have more than 10 percent unemployment. The American public ended up with a $1.1 trillion spending bill that dedicated very little to infrastructure, while nearly $100 billion was spent to create 33 new government agencies. It greased the path for hundreds of millions of dollars in AIG bonuses, a company that received more than $170 billion in bailout money. A real opportunity to help Nevadans and the American people was squandered. With the promises of higher taxes, more spending, and bigger deficits, this Congress has committed to saddling our children and grandchildren with a record debt. As many of you know, I have four children and many of you have four children. In fact, I know Leader Gansert has four children. Based upon legislation that has passed just in the last four months, her four children and my four children will collectively owe the federal government more than $240,000 as their portion of the national debt. As the only member of the Nevada delegation to vote against the Wall Street bailout, I take my responsibility as a steward of the taxpayer's dollar very seriously and fight for saner fiscal policies in Congress. The goal should be to leave our children with a better quality of life then we have.

A tracking of stimulus money shows that a hastened bill that no one read did not have the necessary quality controls to safeguard taxpayer dollars. More than $500,000 in stimulus money has been dedicated to build a skateboard park; there is $3 million to increase the number of bike racks in Washington, D.C. and nearly $600,000 to establish a homeless program in a town that does not have a homeless problem. When HUD was asked why they distributed the money, they said, "We hope it encouraged these new grantees to develop creative strategies for the funding." What HUD is saying is we should create a homeless problem so we can accept more government bailouts.

These are but a few examples of the many across our nation. I voted against the stimulus because it did not pass the "more, higher, less" test.

Let me end by saying that I know these are tough economic times. I assure you that Speaker Buckley's job today is more difficult than Speaker Pelosi's, for no other reason than Nevada is required to balance its budget. In Washington, D.C., we print money, borrow from foreign countries, or we simply add it to the debt. No balanced budget is required. For this reason, your decisions are tough. I have full faith and confidence in this body as a whole. It is more important than ever that we work together, find common ground, and make the right decisions that will put Nevada back on its feet and put Nevadans back to work. If we can succeed together, Nevada's best days are yet to come.

Thank you very much and thank you for the opportunity to come here, to be home and spend some time with you. Thank you.

Assemblyman Oceguera requested that the following remarks be entered in the Journal.

ASSEMBLYMAN COBB:

I rise in opposition to AB 102. The concept of diversion programs is something I'm in favor of; I think that they have produced a great result for the state. I did have a few problems with this bill. There is too much discretion, in my opinion, in terms of subjectivity of how you identify a problem gambler to begin with if the courts chose to set up this program. The amendment itself also made this program available to repeat offenders, which I do not agree with, and I also have concern with the supervision of the individuals in the program. There is a real concreteness there when you are talking about supervising individuals with drug habits or alcohol abuse because they have to test every morning. There is no test for problem gaming, and there is no way to ensure they are staying out of gambling establishments. I think that it is a little too subjective. I'm worried that we would be putting too many people into the diversion

program instead of dealing with them by prosecuting them. I will be voting no on the bill, thank you.

ASSEMBLYMAN ANDERSON:

Thank you, Madam Speaker. Assembly Bill 102 authorizes the court to establish a program for the treatment of problem gambling to which a problem gambler convicted of certain crimes may be assigned. This assignment must include the terms and conditions for successful completion of the program and provide for progress reports at intervals set by the court to ensure that the person is making satisfactory progress toward completion of the program. The bill further authorizes a defendant to file a petition requesting the courts to seal his criminal record after the completion of the treatment program. The bill becomes effective on October 1, 2009.

Let me partially answer the question that was raised by my colleague from Reno. The question relative to diversion court programs has always rested on how does the court make the determination and how does it follow up as to whether this or any other program is being successfully completed. In this particular area, we recognized for some time the physiological addictive nature of gaming. There are ongoing programs in getting people diverted into it. We heard testimony within the community and follow-up information from treatment providers who indicated that there are established tests for this physiological problem, and this merely gives the opportunity for courts to create such diversion programs, if they feel it is adequate and it meets those criteria. Both the testing for those people getting in and the relationship of the district attorney's office is the same as it is for other diversion programs, so it is a very, very good program. In fact, it is one we have been long waiting for in this particular state. We are the leading edge of what is the proper thing to do in gaming.

Madam Speaker:

DEBBIE SMITH, *Chair*

SECOND READING AND AMENDMENT

Assembly Bill No. 121.

Bill read second time.

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 470.

AN ACT relating to health care facilities; requiring certain ~~[~~health care facilities that employ nurses to establish a staffing plan and to provide adequate staffing; requiring the maintenance of certain records concerning statistics relating to patients and staffing; requiring such a health care facility to establish policies pursuant to which a direct care nurse may refuse a work assignment; requiring public disclosure of certain information relating to a staffing plan; providing administrative and criminal penalties;~~]~~ **hospitals in larger counties to establish a staffing committee; requiring certain health care facilities to make available to the Health Division of the Department of Health and Human Services a documented staffing plan;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[~~Sections 13 and 28 of this bill require health care facilities in counties with a population of 100,000 or more (currently Clark and Washoe Counties) to submit annually to the Health Division of the Department of Health and Human Services a staffing plan for the provision of nursing services that the health care facility certifies is sufficient to ensure the adequate and appropriate delivery of health care services for the ensuing year. Section 14 of this bill requires that the staffing plan include ratios of the maximum number of patients that may be assigned to a direct care nurse. Section 14 also establishes nurse to patient ratios that vary depending on the nature of nursing care that is required for patients in particular units of the health care facility. In addition, section 14 provides exceptions to those ratios if: (1) the staffing plan is developed by a joint labor management committee or pursuant to a collective bargaining agreement; (2) the staffing plan establishes a joint labor management committee to resolve disputes relating to nurse staffing issues; or (3) the State Board of Health establishes higher ratios pursuant to section 15 of this bill. Section 17 of this bill requires a health care facility to operate in conformity with its staffing plan. Sections 16-20 of this bill impose other operating requirements on a health care facility concerning its staffing plan. Sections 22-27 of this bill authorize the Labor Commissioner, the Health Division and the Department to enforce those parts of a health care facility's staffing plan that fall within their

~~respective jurisdictions.]~~ **Section 12 of this bill requires certain hospitals in a county whose population is 100,000 or more (currently Clark and Washoe Counties) to establish a staffing committee. Section 13 of this bill requires certain health care facilities in a county whose population is 100,000 or more to make available to the Health Division of the Department of Health and Human Services a documented staffing plan.**

THE SEVENTY-EIGHTH DAY

CARSON CITY (Monday) April 20, 2009

Assembly called to order at 10:55 a.m.

Madam Speaker presiding.

Roll called.

All present.

Prayer by the Chaplain, Pastor Monte Fast.

Let us learn a lesson when our prayers are not answered, when a recession won't go away quickly, when frustration threatens our happiness. The Creator, to whom we pray, knows more than we. God balances His answers in ways beyond our knowledge, goals, or aspirations. At times, we experience disappointment. The lesson then is, who do we trust? The answer, for this nation, is stamped in its coin.

AMEN.

Pledge of allegiance to the Flag.

Assemblyman Conklin moved that further reading of the Journal be dispensed with, and the Speaker and Chief Clerk be authorized to make the necessary corrections and additions.

Motion carried.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 435.

SUMMARY— ~~[Expands the circumstances under which an owner of a residence may recover damages from the Recovery Fund administered by the State Contractors' Board.]~~ **Requires a contractor or an applicant for an original or a renewal of a contractor's license to obtain and maintain certain liability insurance.** (BDR 54-893)

AN ACT relating to contractors; ~~[expanding the circumstances under which an owner of a residence may recover damages from the Recovery Fund administered by the State Contractors' Board for an act or omission of a contractor; clarifying the application of the limitation on amounts paid out of the Recovery Fund;]~~ **requiring licensed contractors and applicants for issuance or renewal of a contractor's license to obtain and provide proof of liability insurance;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Existing law allows an owner of a single-family residence to recover from the Recovery Fund administered by the State Contractors' Board when the owner suffers damages for an act or omission by a residential contractor who has contracted to perform qualified services on the residence. (NRS 624.420, 624.430, 624.470, 624.510) This bill expands the circumstances for recovery from the Recovery Fund to allow an owner of any residence to recover from the Recovery Fund when the owner suffers damages for an act or omission by any contractor who performs any services on the residence, regardless of whether the services were performed pursuant to a contract. This bill also clarifies the application of the limitation on the amount of money which the Board or its designee may pay out of the Recovery Fund by stating that the~~

~~limit applies on a per-unit basis.~~] **Section 1 of this bill requires a contractor licensed pursuant to chapter 624 of NRS or an applicant for an original or renewal license under that chapter to obtain, maintain and provide proof of insurance, with coverage having specified limits of liability for claims for injury to persons or damage to property which may arise from or in connection with the work of the contractor or applicant or his agents, representatives, employees or subcontractors.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. **Chapter 624 of NRS is hereby amended by adding thereto a new section to read as follows:**

1. Before granting an original or renewal of a contractor's license to an applicant, the Board shall require that the applicant submit to the Board proof of insurance against claims for injury to persons or damage to property which may arise from or in connection with work that is subject to regulation pursuant to this chapter performed by the applicant or his agents, representatives, employees or subcontractors in an amount not less than the amount set forth in subsection 2.

2. To satisfy the requirements of this section, a licensee or an applicant for a contractor's license shall obtain and provide proof of insurance with coverage that has limits of liability not less than:

(a) If the Board places on the license a limit on contracting or bidding to contract in an amount less than $1,000,000, $300,000 in the aggregate and $100,000 for each occurrence;

(b) If the Board places on the license a limit on contracting or bidding to contract in an amount $1,000,000 or greater but less than $10,000,000, $2,000,000 in the aggregate and $1,000,000 for each occurrence; and

(c) If the Board places on the license a limit on contracting or bidding to contract in an amount that is $10,000,000 or greater or is unlimited, $3,000,000 in the aggregate and $3,000,000 for each occurrence.

3. If a licensee applies to the Board for a temporary increase in the limit on contracting or bidding to contract which the Board has placed on his license, the Board shall require the licensee to submit proof of insurance with coverage that has limits of liability as provided in subsection 2 that correspond to the temporary limit on contracting or bidding to contract. The insurance required pursuant to this subsection may be contingent upon approval by the Board of the temporary increase in the limit on contracting or bidding to contract.

4. A licensee shall maintain the insurance required pursuant to this section at all times during which he holds his license.

5. The Board may impose an administrative fine against a licensee in an amount not greater than $10,000, in addition to any other penalty authorized by this chapter, if the licensee:

(a) Causes injury to persons or damage to property which arises from or in connection with work that is subject to regulation pursuant to this chapter performed by the licensee or his agents, representatives, employees or subcontractors; and

(b) Has failed to comply with the requirements of subsection 2 or 3.

Sec. 1.3. **NRS 624.220 is hereby amended to read as follows:**

624.220 1. The Board shall adopt regulations necessary to effect the classification and subclassification of contractors in a manner consistent with established usage and procedure as found in the construction business, and may limit the field and scope of the operations of a licensed contractor to those in which he is classified and qualified to engage as defined by NRS 624.215 and the regulations of the Board.

2. The Board shall limit the field and scope of the operations of a licensed contractor by establishing a monetary limit on a contractor's license, and the limit must be the maximum contract a licensed contractor may undertake on one or more construction contracts on a single construction site or subdivision site for a single client. The Board may take any other action designed to limit the field and scope of the operations of a contractor as may be necessary to protect the health, safety and general welfare of the public. The limit must be determined after consideration of the factors set forth in NRS 624.260 to 624.265, inclusive **~~[.]~~** ***and section 1 of this act.***

3. A licensed contractor may request that the Board increase the monetary limit on his license, either on a permanent basis or for a single construction project. A request submitted to the Board pursuant to this subsection must be in writing on a form prescribed by the Board and accompanied by such supporting documentation as the Board may require. If a request submitted pursuant to this section is for a single construction project, the request must be submitted to the Board at least 2 working days before the date on which the licensed contractor intends to submit his bid for the project.

4. Subject to the provisions of regulations adopted pursuant to subsection 5, nothing contained in this section prohibits a specialty contractor from taking and executing a contract involving the use of two or more crafts or trades, if the performance of the work in the crafts or trades, other than in which he is licensed, is incidental and supplemental to the performance of work in the craft for which the specialty contractor is licensed.

5. The Board shall adopt regulations establishing a specific limit on the amount of asbestos that a licensed contractor with a license that is not classified

for the abatement or removal of asbestos may abate or remove pursuant to subsection 4.

If he is otherwise not in good standing or there is a complaint pending, the Board shall require him to provide a current financial statement prepared by an independent certified public accountant or establish other conditions for reinstatement. An application for renewal must be accompanied by all information required to complete the renewal. A license which is not reinstated within 6 months after it is automatically suspended may be cancelled by the Board, and a new license may be issued only upon application for an original contractor's license.**]** (Deleted by amendment.)**

Legislative Counsel's Digest:

Existing law provides for the taxation of certain motor vehicle fuels, including gasoline. (NRS 365.060, 365.175-365.192) **Section 3** of this bill includes ethanol **and methanol** within the definition of "motor vehicle fuel" and thereby requires ethanol **and methanol** to be taxed in the same manner and at the same rate as gasoline. In addition, the inclusion of ethanol **and methanol** as ~~[a]~~ motor vehicle ~~[fuel]~~ **fuels** will subject dealers, suppliers, exporters and transporters of ethanol **and methanol** to the same requirements and penalties currently applicable to dealers, suppliers, exporters and transporters of gasoline, including, without limitation, requirements concerning licensing, bonding, recordkeeping and the collection and payment of taxes. (NRS 365.270, 365.290, 365.322, 365.324, 365.330, 365.500-365.530, 365.570-365.605) **Sections 1.7 and 1.9 of this bill authorize the Department of Motor Vehicles to take certain administrative action against a person licensed pursuant to chapter 365 of NRS or a person who acts as a motor vehicle fuel supplier without a license, including the imposition of administrative fines and the suspension or revocation of the license of a licensee under certain circumstances.**

Existing law provides for the taxation of certain special fuels for motor vehicles, including any combustible gas or liquid other than the fuels which are taxed as motor vehicle fuels pursuant to chapter 365 of NRS, and any

emulsion of water-phased hydrocarbon fuel used in a motor vehicle. (NRS 366.060, 366.190, 366.195) **Sections 5, 6 and 10** of this bill provide for the taxation of biodiesel and blends of biodiesel and **a** petroleum-based ~~[diesel]~~ **product** as special fuels.

Section 7 of this bill defines a "special fuel manufacturer" as a person who manufactures, blends, produces, refines, prepares, distills or compounds only special fuel containing biodiesel or biodiesel blend in this State for his personal use in this State or for sale or delivery in **or outside of** this State. **Section 11** of this bill exempts a special fuel manufacturer from regulation as a special fuel supplier. **Section 14** of this bill prohibits a person from acting as a special fuel manufacturer without first obtaining a license from the Department of Motor Vehicles. The Department is authorized to adopt regulations relating to the issuance of a license to a special fuel manufacturer and to collect fees for the issuance of such a license. (NRS 366.220)

~~[~~Section 19~~]~~ **Sections 18.5 and 19.5** of this bill ~~[~~requires~~]~~ **require** a special fuel manufacturer to file ~~[~~quarterly~~]~~ tax returns with the Department ~~[.]~~ **in the same manner as a special fuel dealer. (NRS 366.370, 366.386) Section 21** of this bill requires a special fuel manufacturer to pay the taxes on special fuels imposed by chapter 366 of NRS. (NRS 366.540) **Section 8** of this bill requires a special fuel manufacturer to submit certain monthly reports to the Department. ~~[~~Section 20 of this bill provides for the imposition of delinquent fees, penalties and interest if a special fuel manufacturer fails to file a tax return or pay a tax by the date due.~~]~~ **Section 15** of this bill provides that the Department must require a special fuel manufacturer who is habitually delinquent in the payment of special fuel taxes to execute a bond payable to the State in an amount of not less than $2,500. (NRS 366.235) **Section 22** of this bill requires a special fuel manufacturer to keep certain records as required by the Department. (NRS 366.685)

Sections 8.5 and 23.3 of this bill authorize the Department to take certain administrative action against a person licensed pursuant to chapter 366 of NRS or a person who acts as special fuel supplier without a license, including the imposition of administrative fines and the suspension or revocation of the license of a licensee under certain circumstances. (NRS 366.735) A special fuel manufacturer or any other person who makes a false or fraudulent report with the intent to evade the taxes imposed pursuant to chapter 366 of NRS is guilty of a gross misdemeanor. (NRS 366.710) A special fuel manufacturer who violates any other provision of chapter 366 of NRS as amended by this bill is guilty of a misdemeanor. (NRS 366.720, 366.730)

Assembly Bill No. 416.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 508.

AN ACT relating to water; requiring the State Engineer or a person designated by him to conduct an inventory of a basin before approving an application for an interbasin transfer of groundwater under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the State Engineer to consider certain factors when determining if an application for an interbasin transfer of groundwater must be rejected, including whether there is a justified need to import the water from another basin, if there is an advisable plan for the conservation of water in place, whether the proposed action is environmentally sound and whether the proposed action is an appropriate long-term use which will not unduly limit the future growth and development in the basin from which the water is exported. (NRS 533.370) In addition to those requirements, **section 4** of this bill requires that, before the State Engineer may approve an interbasin

transfer of groundwater, he must conduct an inventory of the basin from which the water is to be exported if it is a basin which the State Engineer has not already inventoried. The inventory must include: (1) the total amount of surface water and groundwater ~~[in the basin;]~~ **appropriated in accordance with a decreed, certified or permitted right;** (2) **an estimate of** the amount **and location** of **all surface** water ~~[already appropriated]~~ **and groundwater available for appropriation** in the basin; **and** (3) ~~[the number of persons who have a decreed, certified or permitted right to appropriate water in the basin; and (4)]~~ the names of ~~[those persons.]~~ **each owner of record of a decreed, certified or permitted right in the basin.** The applicant for the interbasin transfer of groundwater must pay a fee to cover the cost of conducting the inventory. **Section 4 also requires the State Engineer to complete an inventory within 1 year after commencing the inventory. Section 5 of this bill expands the definition of "person" for purposes of chapter 533 of NRS to include a political subdivision of this State.**

(c) The applicant provides proof satisfactory to the State Engineer of:

(1) His intention in good faith to construct any work necessary to apply the water to the intended beneficial use with reasonable diligence; and

(2) His financial ability and reasonable expectation actually to construct the work and apply the water to the intended beneficial use with reasonable diligence.

2. Except as otherwise provided in this subsection and subsections 3 and 11 and NRS 533.365, the State Engineer shall approve or reject each application within 1 year after the final date for filing a protest. The State Engineer may:

(c) In areas where studies of water supplies have been determined to be necessary by the State Engineer pursuant to NRS 533.368 or where court actions are pending, withhold action until it is determined there is unappropriated water or the court action becomes final.

3. Except as otherwise provided in subsection 11, the State Engineer shall approve or reject, within 6 months after the final date for filing a protest, an application filed to change the point of diversion of water already appropriated when the existing and proposed points of diversion are on the same property for which the water has already been appropriated under the existing water right or the proposed point of diversion is on real property that is proven to be owned by the applicant and is contiguous to the place of use of the existing water right. 5. (c) Whether the proposed action is environmentally sound as it relates to the basin from which the water is exported;

(d) Whether the proposed action is an appropriate long-term use which will not unduly limit the future growth and development in the basin from which the water is exported; and

7. If the application is rejected, the applicant may take no steps toward the prosecution of the proposed work or the diversion and use of the public water while the rejection continues in force.

8. If:

(a) The State Engineer receives an application to appropriate any of the public waters, or to change the point of diversion, manner of use or place of use of water already appropriated;

SECOND READING AND AMENDMENT

Assembly Bill No. 225.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 359.

AN ACT relating to county fire departments; requiring a board of county commissioners that creates a district for a fire department to adopt an ordinance requiring the imposition and collection of fees for the transportation of sick or injured persons by the department to a medical facility; **requiring such an ordinance in a county whose population is over 400,000 to limit the number of such transports by the department and to report to the Legislature the fees charged for and the number of such transports;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the board of county commissioners, in a county where a district for a fire department has been created and where the fire department transports sick or injured persons to a medical facility, to adopt an ordinance that either: (1) requires the fire department to impose and collect fees to defray the expenses of furnishing such transportation; or (2) prohibits the imposition and collection of such fees. (NRS 244.2961) **Section 1** of this bill repeals the option of adopting an ordinance prohibiting the imposition and collection of such fees. **Section 1 also requires that, in a county whose population is 400,000 or more (currently Clark County), such an ordinance limit the number of transports the fire department may make each month to not more than 25 percent of the transports made each month by all public and private entities in the county.** **Section 2** of this bill, with respect to a county that has already adopted an ordinance

prohibiting the imposition and collection of such fees, allows the county until January 1, 2010, to amend or repeal that ordinance. **Section 3 of this bill requires the board of county commissioners of a county whose population is 400,000 or more to submit an annual report to the Legislature on the number of monthly transports made by the fire department, both in total and as a percentage of total transports by all public and private entities, and the fees charged for those transports.**

(f) Include the budget of the district in the budget of the county.

Certain other health care facilities in the same counties must also make available to the Health Division documented staffing plans.

ASSEMBLYWOMAN SMITH:

Thank you, Madam Speaker. I rise in support of AB 121. I just wanted to commend my colleague from District 14; this could be the bill that memorializes her efforts. This is a bill that has been worked on for probably five sessions, and it's with a great deal of effort and work that this has been accomplished in this session. It took a lot of effort from a lot of folks, and I want

Assembly Bill No. 521.

Bill read third time.

Remarks by Assemblymen Conklin, Gansert, Hardy, and Oceguera.

Potential conflict of interest declared by Assemblyman Oceguera.

Assemblyman Oceguera requested that the following remarks be entered in the Journal.

ASSEMBLYMAN CONKLIN:

Thank you, Madam Speaker. Assembly Bill 521 provides that a person employed as a firefighter for two years or more is entitled to a rebuttal presumption that disabling cancer arose out of and in the course of employment if he was exposed to a known carcinogen reasonably associated with his cancer. This measure adds four substances to the list of known carcinogens reasonably associated with certain disabling cancers of firefighters. It also requires each covered employee to submit to a physical examination upon employment and annually during his employment at the employer's expense.

Having had a member of my family pass away, who retired as a firefighter in California, from a very aggressive cancer, I just can't stress enough how important it is that we take care of the people who we rely on to protect our lives. I urge passage of this bill.

ASSEMBLYWOMAN GANSERT:

Thank you, Madam Speaker. I rise in opposition to AB 521. The testimony that we had—some was compelling, but I was very concerned about the fiscal notes. Right now there are some of the different cases where you would be presumed to have gotten the cancer from exposure at five years—this was moving it to two years and also expanding it to include prostrate cancer and skin cancer and some other things. For that reason, I am in opposition to this bill.

ASSEMBLYMAN HARDY:

Thank you, Madam Speaker. I rise in support of firefighters but unfortunately am opposed to the bill as written. I have a problem with trying to legislate into statute how often we do a thyroid ultrasound and a PSA without age limits or without some fencing off of the issues. In my research I looked at particularly thyroid cancer, and I appreciated the information that I received from firefighters about the increased incidence of thyroid cancer of firefighters in Clark County.

I have not been able to corroborate, through the medical literature on thyroid cancer particularly. I think a yearly thyroid ultrasound may be an over-shoot as well as a yearly PSA,

which has its own problem, at what age if at all and how often it should been done. I will be voting against this.

ASSEMBLYMAN OCEGUERA:

Thank you, Madam Speaker. First, under Rule 23, I am employed as a professional firefighter, but this bill will not affect me any differently than any other firefighter, so I will be voting for it.

I rise in support of AB 521. I think too often in the heat of this legislative process, those of us in this Chamber get so immersed in the details of the amendments and the process and the numbers on the spreadsheets that we lose sight of the human faces we are dealing with. I think we all recognize that firefighters risk their lives every day to protect us. There are some pretty good movies and TV shows that have done a good job portraying firefighters and the jobs they do—rescuing people, comforting victims. What is not well understood is the risk they take after the fire, when they breathe toxic chemicals or it is absorbed through their skin. Even on the smallest of fires, too many firefighters are contracting forms of cancer. This bill simply says that we are going to make sure those that get cancer get taken care of.

To put a human face on that issue, we have with us today in the gallery, 16 firefighters who are battling cancer as a result of their work on our behalf. They come from all parts of this state; they live in the districts of ten of us sitting on this floor. They range in age from 31 to 59 and have between 4 years of service and 34 years of service. They have thyroid cancer, cancer of the pituitary gland, prostrate cancer, testicular cancer, kidney cancer, lymphoma cancer, and stage four brain cancer; their prognoses vary. This legislation will not affect them, but these men felt it important to be here today to make sure that the men and women that come after them have full protection of our laws to ensure that when firefighters are diagnosed with cancer as a result of an exposure on the job, they can get treatment and they can get the help they deserve.

Madam Speaker, if you will indulge me for just a moment I would like to name those folks that are in our gallery today:

Dean Fletcher, age 50, 28 years of service, papillary thyroid cancer, hails from District 13; Jayson Calhoun, age 32, 14 years of service, tumor on the pituitary, comes from District 13; Tyler Ferguson, age 31, 6 years of service, thyroid cancer, District 13; Kevin Evans, age 38, 4.5 years of service, brain cancer, District 3; Jeff Friend, age 36, 6 years of service, thyroid cancer, coming from my own district; Dave Jarvis, age 59, 29 years of service, prostate cancer, District 31; Tim Iveson, age 49, 25 years of service, prostate cancer, District 25; Jim Colombini, age 55, 30 years of service, prostate cancer, District 25; Mark Bohach, age 48, 25 years of service, thyroid cancer, District 40; Greg Johnson, age 51, 28 years of service, prostate cancer, District 39; Greg Gross, age 57, 34 years of service, testicular cancer, District 39; Aaron Crownover, age 35, 10 years of service, thyroid cancer, District 26; Shawn Gilbert, age 47, 29 years of service, kidney cancer, District 32; Lee Robles, age 53, 24 years of service, lymphomic cancer, District 24; Shawn Williams, age 46, 28 years of service, prostate cancer; and Ralph Luna, age 48, 28 years of service, prostate cancer, District 22.

Madam Speaker, I urge your support of this legislation. We have worked on this for so many years. We have finally shown that the cities and the counties are not taking care of this problem as they should. It is still a rebuttable presumption. If we do this test—the testing at the beginning which does cost a little money up front, but then we know if you have cancer when you came on the job or you don't—then the presumption can be rebutted. I urge your support.

GENERAL FILE AND THIRD READING

Assembly Bill No. 364.

Bill read third time.

The following amendment was proposed by Assemblymen Mastroluca, Smith, Hardy and Buckley:

Amendment No. 530.

AN ACT relating to the protection of children; making various changes to provisions governing the court-ordered admission of a child to a locked facility; requiring a court to provide a hearing to determine whether to include rights to visitation of siblings in a decree of adoption; requiring the development of policies concerning certain medication given to children with emotional disturbances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law sets forth the procedure for petitioning a court to order the admission of certain children with emotional disturbances to a locked facility for treatment. (NRS 432B.607-432B.6085) **Section 1.3** of this bill clarifies that as used in those provisions, "court-ordered admission of a child" includes a child for whom a petition is filed to continue placement after an emergency admission. **Section 1.5** of this bill requires each agency which provides child welfare services to establish appropriate policies ~~[concerning the monitoring, use and distribution of]~~ **to ensure that children in the custody of the agency have timely access to clinically appropriate** psychotropic medication**.** ~~[to children who are in the custody of the agency.]~~ **Section 11** of this bill requires the Division of Child and Family Services of the Department of Health and Human Services to adopt consistent policies

with respect to ~~[the distribution of]~~ **access to** such medication ~~[to]~~ **by** children in division facilities.

Section 3 of this bill requires a petition for the court-ordered admission of a child with an emotional disturbance into a locked facility to be filed within 5 days after an emergency admission or the child must be released. (NRS 432B.6075) **Section 4** of this bill clarifies that the court proceeding for the court-ordered admission of a child who is alleged to be a child with an emotional disturbance must include an evidentiary hearing. (NRS 432B.6076) **Section 5** of this bill expands the manner in which a person is allowed to oppose a petition for the court-ordered admission of a child into a locked facility to include an opposition stated verbally in court. **Section 6** of this bill provides that if a court authorizes a second evaluation team to examine a child who is subject to a court-ordered admission to a locked facility, the second examination must be conducted within 5 business days by a team that is not affiliated with, employed by or otherwise connected to the facility where the child has been admitted. (NRS 432B.6078) **Section 7** of this bill requires a court to apply the same standards in considering a petition to renew a court-ordered admission of a child as were applied to the original petition. **Section 8** of this bill extends the time for developing a plan for the care, treatment and training of a child subject to a court-ordered admission to a locked facility from 5 to 10 days after the child is admitted to the facility, and removes the requirement that the plan include certain criteria which the child must satisfy before discharge.

Section 10 of this bill requires a court to conduct a hearing to determine whether to grant visitation rights to a sibling as part of an adoption decree when the adoption is of a child in the custody of an agency which provides child welfare services. **Section 10** further requires the agency which provides child welfare services to provide the court that is conducting the adoption proceedings with a copy of any existing order for visitation with a sibling of the child and allows certain interested parties to petition to participate in the determination as to whether to include visitation rights in the adoption decree.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 432B of NRS is hereby amended by adding thereto the provisions set forth as sections 1.3 and 1.5 of this act.

Sec. 1.3. ***"Court-ordered admission of a child" includes, without limitation:***

1. A child who is in the custody of an agency which provides child welfare services and who is not in a facility whom the court orders to be admitted to a facility; and

2. A child who has been placed in a facility under an emergency admission and whom the court orders to be admitted for the purpose of continuing the placement.

Sec. 1.5. ***Each agency which provides child welfare services shall establish appropriate policies*** ~~*[concerning the monitoring, use and distribution of psychotropic medication to children who are in the custody of the agency.]*~~ ***to ensure that children in the custody of the agency have timely access to clinically appropriate psychotropic medication. The policies must include, without limitation, policies concerning:***

1. The use of psychotropic medication in a manner that has not been tested or approved by the United States Food and Drug Administration, including, without limitation, the use of such medication for a child who is of an age that has not been tested or approved or who has a condition for which the use of the medication has not been tested or approved;

2. Prescribing any psychotropic medication for use by a child who is less than 4 years of age;

3. The concurrent use by a child of three or more classes of psychotropic medication; and

4. The concurrent use by a child of two psychotropic medications of the same class.

Sec. 2. NRS 432B.607 is hereby amended to read as follows:

432B.607 As used in NRS 432B.607 to 432B.6085, inclusive, ***and section 1.3 of this act,*** unless the context otherwise requires, the words and terms defined in NRS 432B.6071 to 432B.6074, inclusive, ***and section 1.3 of this act*** have the meanings ascribed to them in those sections.

Sec. 3. NRS 432B.6075 is hereby amended to read as follows:

432B.6075 ***1.*** A proceeding for a court-ordered admission of a child alleged to be a child with an emotional disturbance who is in the custody of an agency which provides child welfare services to a facility may be commenced by the filing of a petition with the clerk of the court which has jurisdiction in proceedings concerning the child. The petition may be filed by the agency which provides child welfare services without the consent of a parent of the child. The petition must be accompanied:

~~[1.]~~ ***(a)*** By a certificate of a physician, psychiatrist or licensed psychologist stating that he has examined the child alleged to be a child with an emotional disturbance and has concluded that the child has an emotional disturbance and, because of that condition, is likely to harm himself or others if allowed his liberty; or

~~[2.]~~ ***(b)*** By a sworn written statement by the petitioner that:

~~[(a)]~~ ***(1)*** The petitioner has, based upon his personal observation of the child alleged to be a child with an emotional disturbance, probable cause to believe that the child has an emotional disturbance and, because of that condition, is likely to harm himself or others if allowed his liberty; and

~~[(b)]~~ ***(2)*** The child alleged to be a child with an emotional disturbance has refused to submit to examination or treatment by a physician, psychiatrist or licensed psychologist.

2. If a petition filed pursuant to this section is to continue the placement of the child after an emergency admission, the petition must be

filed not later than 5 days after the emergency admission or the child must be released.

Sec. 4. NRS 432B.6076 is hereby amended to read as follows:

432B.6076 1. Except as otherwise provided in NRS 432B.6077, if the court finds, after proceedings for the court-ordered admission of a child alleged to be a child with an emotional disturbance who is in the custody of an agency which provides child welfare services to a facility ~~[.]~~ ***, including, without limitation, an evidentiary hearing:***

(a) That there is not clear and convincing evidence that the child with respect to whom the hearing was held exhibits observable behavior such that he is likely to harm himself or others if allowed his liberty, the court shall enter its finding to that effect and the child must not be admitted to a facility.

(b) That there is clear and convincing evidence that the child with respect to whom the hearing was held is in need of treatment in a facility and is likely to harm himself or others if allowed his liberty, the court may order the admission of the child for the most appropriate course of treatment. The order of the court must be interlocutory and must not become final if, within 30 days after the admission, the child is unconditionally released from the facility pursuant to NRS 432B.6084.

2. Before issuing an order for admission or a renewal thereof, the court shall explore other alternative courses of treatment within the least restrictive appropriate environment as suggested by the evaluation team who evaluated the child, or other persons professionally qualified in the field of psychiatric mental health, which the court believes may be in the best interests of the child.

Sec. 5. NRS 432B.6077 is hereby amended to read as follows:

432B.6077 1. An agency which provides child welfare services shall not place a child who is in the custody of the agency in a facility, other than under an emergency admission, unless the agency has petitioned the court for the court-ordered admission of the child to a facility pursuant to NRS 432B.6075.

2. If a petition for the court-ordered admission of a child filed pursuant to NRS 432B.6075 is accompanied by the information described in ***paragraph (b) of*** subsection ~~[2]~~ ***1*** of NRS 432B.6075, the court shall order a psychological evaluation of the child.

3. If a court which receives a petition filed pursuant to NRS 432B.6075 for the court-ordered admission to a facility of a child who is in the custody of an agency which provides child welfare services determines pursuant to subsection 2 of NRS 432B.6076 that the child could be treated effectively in a less restrictive appropriate environment than a facility, the court must order the placement of the child in a less restrictive appropriate environment. In making such a determination, the court may consider any information provided to the court, including, without limitation:

(a) Any information provided pursuant to subsection 4;

(b) Any suggestions of psychologists, psychiatrists or other physicians who have evaluated the child concerning the appropriate environment for the child; and

(c) Any suggestions of licensed clinical social workers or other professionals or any adult caretakers who have interacted with the child and have information concerning the appropriate environment for the child.

4. If a petition for the court-ordered admission of a child who is in the custody of an agency which provides child welfare services is filed pursuant to NRS 432B.6075:

(a) Any person, including, without limitation, the child, may oppose the petition for the court-ordered admission of the child by filing a written opposition with the court ~~[,]~~ ***or stating the opposition in court;*** and

(b) The agency which provides child welfare services must present information to the court concerning whether:

(1) A facility is the appropriate environment to provide treatment to the child; or

(2) A less restrictive appropriate environment would serve the needs of the child.

Sec. 6. NRS 432B.6078 is hereby amended to read as follows:

432B.6078 1. Not later than 5 days after a child who is in the custody of an agency which provides child welfare services has been admitted to a facility pursuant to NRS 432B.6076, the agency which provides child welfare services shall inform the child of his legal rights and the provisions of NRS 432B.607 to 432B.6085, inclusive, ***and section 1.3 of this act,*** 433.456 to 433.543, inclusive, and 433.545 to 433.551, inclusive, and chapters 433A and 433B of NRS and, if the child or the child's attorney desires, assist the child in requesting the court to authorize a second examination by an evaluation team that includes a physician, psychiatrist or licensed psychologist ***who are not employed by, connected to or otherwise affiliated with the facility*** other than a physician, psychiatrist or licensed psychologist who performed an original examination which authorized the court to order the admission of the child to the facility. ***A second examination must be conducted not later than 5 business days after the court authorizes the examination.***

2. If the court authorizes a second examination of the child, the examination must:

(a) Include, without limitation, an evaluation concerning whether the child should remain in the facility and a recommendation concerning the appropriate placement of the child which must be provided to the facility; and

(b) Be paid for by the governmental entity that is responsible for the agency which provides child welfare services, if such payment is not otherwise provided by the State Plan for Medicaid.

Sec. 7. NRS 432B.608 is hereby amended to read as follows:

432B.608 1. If the court issues an order for the admission to a facility of a child who is in the custody of an agency which provides child welfare services pursuant to NRS 432B.6076, the admission automatically expires at the end of 90 days if not terminated previously by the facility as provided for in subsection 2 of NRS 432B.6084.

2. At the end of the court-ordered period of treatment, the agency which provides child welfare services, the Division of Child and Family Services or any facility may petition to renew the admission of the child for additional periods not to exceed 60 days each.

3. For each renewal, the petition must set forth the specific reasons why further treatment in the facility would be in the best interests of the child ~~[.]~~ ***and the court shall apply the same standards when considering a petition to renew the admission of the child as were applied for the original petition for the court-ordered admission of the child.***

Sec. 8. NRS 432B.6081 is hereby amended to read as follows:

432B.6081 A facility which provides care, treatment or training to a child who is in the custody of an agency which provides child welfare services and who is admitted to the facility pursuant to NRS 432B.6076 shall develop a plan, in consultation with the child, for the continued care, treatment and training of the child upon discharge from the facility. The plan must:

1. Be developed not later than ~~[5]~~ ***10*** days after the child is admitted to the facility;

2. Be submitted to the court after each period of admission ordered by the court pursuant to NRS 432B.6076 in the manner set forth in NRS 432B.608; and

3. Include, without limitation:

(a) The anticipated date of discharge of the child from the facility;

(b) ~~[The criteria which must be satisfied before the child is discharged from the facility, as determined by the medical professional responsible for the care, treatment and training of the child in the facility;~~

~~(c)]~~ The name of any psychiatrist or psychologist who will provide care, treatment or training to the child after the child is discharged from the facility, if appropriate;

~~[(d)]~~ ***(c)*** A plan for any appropriate care, treatment or training for the child for at least 30 days after the child is discharged from the facility; and

~~[(e)]~~ ***(d)*** The suggested placement of the child after the child is discharged from the facility.

Sec. 9. (Deleted by amendment.)

Sec. 10. Chapter 127 of NRS is hereby amended by adding thereto a new section to read as follows:

1. If a child who is in the custody of an agency which provides child welfare services is placed for adoption, the agency must provide the court which is conducting the adoption proceedings with a copy of any order for visitation with a sibling of the child that was issued pursuant to

NRS 432B.580 and the court must conduct a hearing to determine whether to include an order for visitation with a sibling in the decree of adoption.

2. Any interested party in the adoption, including, without limitation, the adoptive parent, the adoptive child, a sibling of the adoptive child, the agency which provides child welfare services or a licensed child-placing agency may petition the court to participate in the determination of whether to include an order of visitation with a sibling in the decree of adoption.

3. The sole consideration of the court in making a determination concerning visitation with a sibling pursuant to this section is the best interest of the child.

Sec. 11. NRS 433B.130 is hereby amended to read as follows:

433B.130 1. The Administrator shall:

(a) Administer, in accordance with the policies established by the Commission, the programs of the Division for the mental health of children.

Remarks by Assemblymen Segerblom, Cobb, Horne, Anderson, Hardy, Leslie, Settelmeyer, Oceguera, and Stewart.

Assemblyman Oceguera requested that the following remarks be entered in the Journal.

ASSEMBLYMAN SEGERBLOM:

Thank you, Madam Speaker. Assembly Bill 495 addresses the limited instances when there's gross negligence in medical malpractice. Currently, there's a $350,000 cap on all malpractice awards. This exempts that for gross malpractice, which is for very exceptional cases. It also extends the statute of limitations for malpractice from three years after the date of injury to four years or from one year after the discovery to two years after its discovery. This addresses the

issues that arose in southern Nevada where really abusive conduct took place and there was no remedy for the injured victims. Thank you.

ASSEMBLYMAN COBB:

Thank you, Madam Speaker. I rise in opposition of Assembly Bill 495. This boils down to two, separate issues. One is the issue of punishment versus proper recovery. There was not a single person on the Judiciary Committee, who considered this bill, who did not believe that people should be properly compensated for medical malpractice. The problem is that we already have full recovery for economic damages. The reason why we put in place the cap on noneconomic damages—the movement behind it—was so that we could keep our doctors here in Nevada, which was the name of the movement. The concept is that you are going to try to punish bad doctors by having their insurance companies pay higher noneconomic damages. However, you are going to end up casting too wide of a net, and you are going to take in all the good doctors as well. What's going to happen is that insurance premiums are going to increase, as we saw in the past. The good doctors are going to start getting priced out of our market, as well. Of course, we are going to pass that cost along to average Nevadans who are going to have less access to health care. I do not think this is the proper way to punish bad doctors, by including all the good doctors in there as well. I think that this is going to cause problems for our healthcare system here in Nevada. I urge a "no" vote. Thank you.

ASSEMBLYMAN HORNE:

Thank you, Madam Speaker. I rise in support of Assembly Bill 495. Currently under our law, we have bad doctors that are protected by our existing law. I do not think anyone had that intention in mind when we passed previous legislation. I want to read to you. When we talk about gross negligence, we mean: "A conscious indifference to the consequences which may result from gross negligence and a disregard for and indifference to safety and welfare to the patient." This standard that a doctor has to reach is enormous. This doctor is completely and totally not paying attention, not having his patient's welfare at hand when he achieves this. Right now, we have doctors who are protected by our law, and they shouldn't be. During the committee hearing, we heard people say, "Well we should prosecute them criminally." I do not disagree with that. But should our laws also protect the criminals from doing this? I do not think so. I do not think that's what anyone had in mind.

I remember the time when doctors were difficult to find. That is when my wife and I had to drive from Summerlin all the way out to Henderson to have my son Henry delivered. That is where we found the doctor we chose. I get it. But I believe that sometimes when you pass legislation for protection, sometimes it gets too stifling and it has an effect that was not intended. This is that case. Now we have legislation and laws in place where we can have bad doctors come in, operate, perform, do absolutely horrible things, and not receive any punishment for that. Now, you have to ask yourself if the standard I read to you is typical of our doctors in the State of Nevada. I don't think it is. I do not think anyone believes it is. I believe that a jury, when presented with these types of facts, is smart enough to know what gross negligence is and what it isn't. Everyone was talking about how 60 percent of the voters approved of these restrictions and this cap. However, what doesn't make sense is that they appreciate the 60 percent of the voters saying this but yet they do not trust a jury to understand what gross negligence is. I think we can trust the jury to know what gross negligence is, and they will do the right thing. This is a good bill, and I urge your support.

ASSEMBLYMAN ANDERSON:

Thank you, Madam Speaker. I believe that the preceding speaker took care of most of the points I was going to raise. However, I think it is important for us to recognize, when we are talking about gross negligence, that we are talking about the absolute indifference to the normal practices established within the medical groups. That is what happened in southern Nevada. I think there were two big questions that came in front of us in the last couple of sessions relative to this issue. One is the huge cost of insurance for doctors to cover themselves. One would have expected then, having seen the initiative pass, that there would have been a dramatic decline in rates and a greater number of insurance offerings. That is not true. It came only because doctors reformulated themselves, along with the insurance companies, to take care of their problems.

That is the reason why there were additional carriers in this area. Have we seen a huge decline in their rates? No. In fact, if anything, for those outside of the Clark County area, their rates actually went up to the same level. So there was one rate throughout the state where before there was a divided rate. It has not helped all the doctors as anticipated. The reality is that the patient who is harmed by a physician, where the physician knows what he is doing and chooses to make a profit rather than look out for the best interests of his patient—that is what we are looking for. With this bill, we also extend the statute of limitations, which I think makes it a very important part of the opportunity, recognizing the insidious nature of some of these health problems, to be diagnosed later on and just giving the people of the State of Nevada the opportunity to make sure if they cannot be returned to full health, at least there is an opportunity for their families in some way to be compensated.

ASSEMBLYMAN HARDY:

Thank you, Madam Speaker. When we look at the criminal courts and the regulatory boards that should be involved with the punishing of bad doctors, I think there's a difference between that process and the process of casting that wider net, as my colleague from the north was talking about. When we look at the critical access to care, we have a challenge of getting enough doctors in Nevada. If we allow the good doctors to not apply to come to Nevada, then we decrease the level of our care. So we have other things that we are trying to do in order to be able to assure we have quality care in Nevada. I do not think that this will actually do anything for increasing the quality of care as much as we need to go through the appropriate regulations, the appropriate statutes, whether they are civil or criminal. I do not think this gets there. I think it would be detrimental to the access of care. Thank you, Madam Speaker.

ASSEMBLYWOMAN LESLIE:

Thank you, Madam Speaker. I rise in support of Assembly Bill 495. While I agree with my colleague from Boulder City that we need access to health care, I believe we also need access to justice when someone has been harmed by a medical error. During the past interim, as the chair of the Legislative Committee on Health Care, we were deeply enmeshed in the hepatitis C tragedy in Las Vegas. Many people contracted that disease by the direct bad action of a doctor. We had victims come and testify before our committee and tell us how they were not only harmed medically, but now, because of this law, the existing law, they had no access to justice. We have to fix that. I think this bill is a reasonable alternative, I think the committee did a great job settling on gross negligence, and I think it's an appropriate bill. I urge your support.

ASSEMBLYMAN SETTELMEYER:

Thank you, Madam Speaker. I rise to oppose Assembly Bill 495. On Friday I was sitting here watching the screen, and for some reason the screen started to spin. I ended up going down to the ER, and what I had was an inner ear infection that gave me vertigo really bad. It was interesting because all the doctors just wanted to talk about how this bill will adversely affect them. What they are saying is that at a time when they are trying to increase access to health care, we bring this bill forward. In that respect, I will be voting no against this bill because of what those doctors said and also because I will stand behind my voters, who voted 2 to 1 for the Keep Our Doctors in Nevada initiative. Thank you.

ASSEMBLYMAN OCEGUERA:

Thank you, Madam Speaker. I rise in support of Assembly Bill 495. For those of you who were here in 2003, you remember this battle on medical malpractice, and it was one that was hard fought, if you will. There were tears from both sides, and there were compelling arguments from both sides. But the standard that we agreed on in that session—and the standard that I think all sides agreed on—was the gross negligence standard. I don't think that standard makes a bigger net; it makes a smaller net. It's only those doctors who are the bad doctors who are affected by that. Between the time we had that special session in 2002 and the time the initiative was passed, insurance companies were coming back to Nevada. The rates were going down. And then the initiative petition occurred. Those folks, with the initiative petition, basically are having complete immunity. They have $350,000, no matter what they do. It just doesn't make sense to me. Also, on the statute of limitations question with the hepatitis C situation in

Las Vegas that my colleague talked about, they're up against their statute of limitations right now. So that's still fresh in your mind. That is still happening. Some people are still just finding out, but the statute of limitations is up and they're basically out of luck. Those are the reasons I rise in support of this, Madam Speaker, and I urge your support.

ASSEMBLYMAN STEWART:

Thank you, Madam Speaker. I have a number of doctors in my district saying they are going to have to go to Bullhead City to practice medicine if this goes into effect. Thank you. I will be voting no.

Assembly Bill No. 6.

Bill read second time.

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 523.

AN ACT relating to mental health; ~~[requiring the immediate]~~ **authorizing the** release of certain persons admitted to mental health facilities or hospitals under the procedures for emergency admission; revising provisions relating to the process for emergency admissions of persons alleged to be persons with mental illness to certain mental health facilities; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law prescribes the procedures for emergency admission to a mental health facility or hospital. (NRS 433A.145, 433A.150, 433A.160) Under existing law, a person with mental illness who voluntarily admits himself and whose status is changed to an emergency admission must not be detained more than 48 hours after the change in status is made. (NRS 433A.145) Under existing law, a person who is alleged to be a person with mental illness must be released within 72 hours after an emergency admission. (NRS 433A.150) **Sections 3 and 4 of this bill provide that a facility may continue to detain a person if a petition is filed by the end of**

the business day on which the 48 hours or 72 hours, whichever is applicable, expires. Sections 1, 3 and 4 of this bill ~~[require the immediate]~~ **authorize the** release of a person who is admitted under an emergency admission if ~~[the administrative officer]~~ **a licensed physician on the medical staff** of the mental health facility or hospital ~~[receives a certificate signed by a psychiatrist, licensed psychologist, licensed physician, licensed clinical social worker or a registered nurse with certain qualifications]~~ **signs a certificate** stating that the ~~[professional]~~ **physician** has examined the person and that the person ~~[should be released.]~~ **is not a person with mental illness.**

Section 5 of this bill changes the time before which a person alleged to be a person with a mental illness must be examined by one of certain enumerated medical professionals from before the person may be transported to before the person may be admitted to a public or private mental health facility under an emergency admission. **Section 5 also requires a petition to be filed with a district court if a person with a mental illness must be held for more than 72 hours for the treatment of a medical condition, other than a psychiatric illness, before being admitted to a mental health facility. (NRS 433A.165)**

Amendment No. 43.

SUMMARY—Revises provisions concerning ~~[the presentation of a]~~ **tentative maps and** final ~~[map]~~ **maps** of certain subdivisions of land. (BDR 22-472)

AN ACT relating to land use planning; revising provisions ~~[governing the presentation of a]~~ **concerning tentative maps and** final ~~[map]~~ **maps** of certain subdivisions of land; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law prescribes certain requirements for the proposed dividing of land into five or more units for the purpose of transfer or development, unless otherwise exempted. (NRS 278.320-278.460) **The initial action in the process of dividing such land is the submission of a tentative map of the proposed subdivision, and the concluding action is the recordation of an approved final map. (NRS 278.330, 278.460) Existing law establishes deadlines for the appropriate planning authority and various other affected governmental entities to act or report on such a tentative or final map. A subdivider and the appropriate planning authority can agree to extend those deadlines. (NRS 278.350) Section 1 of this act provides that if a subdivider enters into such an agreement covering a portion of an approved tentative map, no requirements other than those imposed on each of the final maps in a series of final maps may be placed on a map when the agreement is entered into, unless the requirement is directly attributable to a change in applicable laws which affect the public health, safety or welfare.**

Under existing law, a subdivider whose tentative map of ~~[such]~~ a proposed subdivision has been approved by the appropriate planning authority is required to present a final map covering the entire subdivision or the first of a series of successive final maps covering portions of the subdivision within 2 years after the approval of his tentative map, with certain exceptions, or proceedings concerning the subdivision are terminated. (NRS 278.360) ~~[This]~~ **Section 2 of this** bill extends the deadline for submission of either type of final map to 4 years after approval of the tentative map. ~~[As an alternative to this 4-year period, this bill also authorizes a city or county to adopt an ordinance which requires the planning authority to establish the period for submission of such a final map for each subdivision for which a tentative map has been approved. Such a period is required to be established based on consideration of specific criteria set forth in the ordinance relating to the public health, safety and welfare and may not be less than 2 years or more than 4 years after approval of the subdivider's tentative map.]~~

Under existing law, if a subdivider is presenting a series of final maps, each successive map is required to be presented within 1 year after the previous final map in the series was recorded, unless the planning authority grants an extension of not more than 1 additional year. The planning authority is prohibited from imposing any additional requirements on a successive map for which an extension is granted unless the requirement is

directly attributable to a change in the applicable laws which affect the public health, safety or welfare. (NRS 278.360) ~~[This bill]~~ **Section 2** extends the deadline for the presentation of a successive final map to 2 years after recordation of the previous final map in the series and extends the period for which an extension of that deadline may be granted to 2 additional years. ~~[This bill also clarifies that a change in a local ordinance which affects the public health, safety or welfare allows a planning authority, in the course of granting an extension, to impose an additional requirement on a final map in a series of final maps.]~~

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. **NRS 278.350 is hereby amended to read as follows:**

278.350 Unless a longer time is provided in an agreement entered into pursuant to NRS 278.0201:

1. The time limit for acting and reporting on a tentative or final map may be extended by mutual consent of the subdivider and the governing body or planning commission, as the case may be.

2. If no action is taken within the time limits set forth in NRS 278.010 to 278.630, inclusive, a tentative map as filed shall be deemed to be approved, and the clerk of the governing body, or the planning commission if it has been authorized to take final action, shall certify the map as approved.

3. The time limits set forth in NRS 278.010 to 278.630, inclusive, for tentative and final maps are suspended for a period, not to exceed 1 year, during which this State or the Federal Government takes any action to protect the environment or an endangered species which prohibits, stops or delays the processing of a tentative map or the development, processing or recordation of a final map.

4. If the subdivider enters into an agreement pursuant to subsection 1 covering a portion of an approved tentative map, no requirements other than those imposed on each of the final maps in a series of final maps may be placed on a map when the agreement is entered into unless the requirement is directly attributable to a change in applicable laws which affects the public health, safety or welfare.

(1) A final map, prepared in accordance with the tentative map, for the entire area for which a tentative map has been approved; or

Each such period:*~~

~~*(a) Must be established based on consideration of criteria prescribed in the ordinance relating to the protection of the public health, safety and welfare.*~~

Assembly Bill No. 84.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 430.

AN ACT relating to unemployment compensation; ~~[establishing]~~ **revising** provisions for the collection of benefits required to be repaid to the Employment Security Division of the Department of Employment, Training and Rehabilitation; establishing a penalty for fraudulently obtaining unemployment benefits under certain circumstances; revising provisions relating to the authorized use of money in the Employment Security Fund by the Administrator of the Division; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Sections 2-8 of this bill establish provisions for the repayment and collection of unemployment compensation benefits that were fraudulently obtained. Section 2 requires the Administrator of the Employment Security Division of the Department of Employment, Training and Rehabilitation to mail a notice to a person's employer to inform the employer of his duties to withhold the person's income under certain circumstances. Section 3 requires the Administrator to mail a notice to the person who is subject to the withholding of income for the repayment of benefits. Section 4 establishes an employer's duties to withhold income upon receipt of a notice to withhold income that is issued by the Administrator. Section 5 provides that a notice to withhold income which is sent to an employer is binding upon that employer and authorizes the employer to deduct $3 from the amount paid to the employee each time a withholding is made as reimbursement for any costs associated with making the withholding. Section 6 provides that the Administrator may apply for and the court may issue an order directing an employer to appear and show cause why he should not be subject to a penalty if the employer refuses to make withholdings after receipt of a notice to withhold. Section 7 prohibits an employer from wrongfully refusing to make required withholdings, from knowingly misrepresenting the income of the employee whose income is subject to the withholding or from discharging, disciplining or refusing to hire an employee due to the requirement to withhold that employee's income, and provides penalties for such violations. Section 8 establishes, for an employer, immunity from any civil action for any conduct taken in compliance with a notice to withhold income.]~~

Section 8.5 of this bill authorizes the Administrator of the Employment Security Division of the Department of Employment, Training and Rehabilitation to assess against a person who is overpaid benefits certain administrative fees prescribed by an agency of the United States. Section 9 of this bill revises existing law by providing that certain fraudulent activity conducted by a person in order to obtain or increase any unemployment benefit or payment, including the filing of a claim while incarcerated without expressly disclosing that the person is incarcerated, constitutes unemployment insurance fraud. **Section 9** also

requires a person who commits unemployment insurance fraud to repay to the Administrator all of the benefits received by that person, in addition to any interest, penalties and ~~[assessments.]~~ **costs.** **Section 9** further provides that a person is disqualified from receiving unemployment compensation benefits for a specified period, but authorizes the Administrator to waive the period of disqualification **for good cause shown or** if the person adheres to a repayment schedule. Additionally, **section 9** provides that a person who obtains benefits of $250 or more while committing unemployment insurance fraud shall be punished in the same manner as if he committed theft. **Section 9** also provides that the repayment of such benefits may not be done by the withholding of benefits otherwise due and payable to the person unless the period of disqualification is waived by the Administrator. Finally, **section 9** authorizes the Administrator to impose a ~~[fine]~~ **penalty** equal to not more than **25 or** 50 percent of the total amount of benefits improperly obtained by a person ~~.[.]~~ **, depending on the amount improperly obtained by the person.** (NRS 612.445)

Section 10 of this bill revises existing law by authorizing the Administrator to use money from the Employment Security Fund for the payment of costs of any program or the implementation of procedures for the proper payment of benefits and the collection of contributions and reimbursements. (NRS 612.615)

Section 1.5 of this bill authorizes the Attorney General to investigate, review and bring an enforcement action against any proposed merger, acquisition or joint venture involving entities engaged in the business of insurance, notwithstanding certain provisions limiting the scope of the Nevada Unfair Trade Practice Act. (NRS 598A.040)

Amendment No. 123.

ASSEMBLYMEN Spiegel, Kirkpatrick **,** ~~[AND]~~ Smith **; AND HAMBRICK**

SUMMARY—Requires local governments **, under certain circumstances,** to grant preference to local bidders bidding on certain contracts for goods or services. (BDR 27-753)

AN ACT relating to purchasing by local governments; requiring local governments **, under certain circumstances,** to grant a preference to local bidders bidding on certain contracts for goods or services; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for a 5-percent preference in bidding on public works and certain highway construction projects for contractors who provide evidence of the payment of certain taxes. (NRS 338.1389, 338.147, 338.1693, 338.1727, 408.3883, 408.3886) Sections 1 and 2 of this bill provide for a 5-percent preference in bidding on local governmental purchasing contracts for contractors who qualify as a "local bidder," and set forth the ~~[parameters within which the governing body of a local government is required to define that term.]~~ **criteria by which a bidder may qualify as a local bidder.**

Under existing law, certain local governmental contracts for certain goods and services are stated to be, by their nature, not adapted to award by competitive bidding. (NRS 332.115) Sections 1 and 3 of this bill provide that, irrespective of this exclusion from competitive bidding, local governmental contracts for the following types of goods and services must reflect ~~[a 5-percent preference]~~ **consideration** for local contractors if the governing body of the local government or its authorized representative has a choice of more than one person or vendor to fulfill the contract: (1) professional services; (2) perishable goods; (3) insurance; (4) hardware and associated peripheral equipment and devices for computers; (5) software for computers; (6) books, library materials and subscriptions; (7) items for resale through a retail outlet operated in this State by a local government or the State of Nevada; and (8) the design of, and equipment and services associated with, systems of communication.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 332 of NRS is hereby amended by adding thereto a new section to read as follows:

1. ~~[With]~~ Except as otherwise provided in subsections 5 and 6, with respect to the awarding of a contract pursuant to NRS 332.065 ~~[,]~~ for which the estimated annual amount to perform the contract is more than $25,000, a responsive and responsible bidder who is a local bidder shall be deemed to have submitted a lower bid than a competing bidder who is not a local bidder if the amount of the bid of the local bidder is not more than 5 percent higher than the amount bid by the competing bidder.

2. With respect to the awarding of a contract of the type described in paragraph (b), (e), (f), (g), (h), (i), (n) or (q) of subsection 1 of NRS 332.115, if a governing body or its authorized representative has a choice of more than one person or vendor to fulfill the contract, at least one of whom is a local bidder, the contract must be awarded in such a manner as to reflect the preference described in subsection ~~[1.~~

~~3. The governing body of each local government that awards contracts as described in subsection 1 shall, by ordinance or regulation, define the term "local bidder" for the purposes of that subsection.~~

~~4. In carrying out the duty set forth in subsection 3, the governing body shall define the term "local bidder" so that:~~

~~(a) A bidder is not deemed to be a local bidder unless the bidder produces evidence that the bidder has contributed financially to one or more local governments in this State.~~

~~(b) The financial contribution necessary for a bidder to be deemed a local bidder is evaluated solely on the basis of taxes or fees paid.~~

~~(c) A bidder desiring to be deemed a local bidder has the burden of proving the quantity of taxes and fees paid by providing to the governing body cancelled checks, credit card or debit card receipts, bank statements or other indicia of payment satisfactory to the governing body.~~

~~(d) The governing body retains discretion to determine the geographic area within which the payment of taxes or fees applies toward a bidder qualifying as a local bidder.~~

~~5.]~~ 6 of that section.

3. To qualify as a local bidder for the purposes of this section:

(a) If the bidder is a business of which at least 51 percent of the ownership interest is held by a member of a minority group, a woman or a service-disabled veteran, the business must have continuously employed at least one full-time employee in this State during the immediately preceding 1-year period.

(b) If the bidder is a business that does not meet the requirements of paragraph (a), the business must have:

(1) Continuously conducted business operations in this State during the immediately preceding 2-year period; and

(2) Continuously employed at least one full-time employee in this State during the immediately preceding 2-year period.

4. Governing bodies and their authorized representatives shall consult with the Purchasing Division of the Department of Administration to develop uniform standards for businesses to submit proof of their status for the purposes of subsection 3. Such uniform standards may include, without limitation, certification by reputable and reliable public or private entities to determine whether at least 51 percent of the ownership interest of a business is or is not held by a member of a minority group, a woman or a service-disabled veteran.

5. The provisions of this section do not require a local government or its authorized representative to award a contract to a bidder whose quality of services, supplies, materials, equipment or labor does not conform to the requirements of the local government or if the public interest would be served by rejection of the bid.

6. If any federal statute or regulation precludes the granting of federal assistance or reduces the amount of that assistance for a particular contract because of the provisions of this section, those provisions do not apply insofar as their application would preclude or reduce federal assistance for that contract.

7. As used in this section:

(a) "Minority group" has the meaning ascribed to it in NRS 232.472.

(b) "Service-disabled veteran" means a veteran of the Armed Forces of the United States who has a service-connected disability of 0 percent or greater as determined by the United States Department of Veterans Affairs.

Sec. 2. NRS 332.065 is hereby amended to read as follows:

332.065 1. If a governing body or its authorized representative has advertised for or requested bids in letting a contract, the governing body or its authorized representative must, except as otherwise provided in subsection 2, award the contract to the lowest responsive and responsible bidder. The lowest responsive and responsible bidder ~~[may]~~ ***must*** be judged on the basis of:

(a) Price;

(b) Conformance to specifications;

(c) Qualifications;

(d) Past performance;

(e) Performance or delivery date;

(f) Quality and utility of services, supplies, materials or equipment offered and the adaptability of those services, supplies, materials or equipment to the required purpose of the contract;

(g) ***The status of the bidder as a local bidder, as determined pursuant to section 1 of this act;***

(h) The best interests of the public; and

~~[(h)]~~ ***(i)*** Such other criteria as may be set forth by the governing body or its authorized representative in the advertisement or request for bids, as applicable, that pertains to the contract.

2. The governing body or its authorized representative:

(a) Shall give preference to recycled products if:

(1) The product meets the applicable standards;

(2) The product can be substituted for a comparable nonrecycled product; and

(3) The product costs no more than a comparable nonrecycled product.

(b) May give preference to recycled products if:

(1) The product meets the applicable standards;

(2) The product can be substituted for a comparable nonrecycled product; and

(3) The product costs no more than 5 percent more than a comparable nonrecycled product.

(c) May purchase recycled paper products if the specific recycled paper product is:

(1) Available at a price which is not more than 10 percent higher than that of paper products made from virgin material;

(2) Of adequate quality; and

(3) Available to the purchaser within a reasonable period.

3. If **,** after the lowest responsive and responsible bidder has been awarded the contract, during the term of the contract he does not supply goods or services in accordance with the bid specifications, or if he repudiates the contract, the governing body or its authorized representative may reaward the contract to the next lowest responsive and responsible bidder without requiring that new bids be submitted. Reawarding the contract to the next lowest responsive and responsible bidder is not a waiver of any liability of the initial bidder awarded the contract.

4. As used in this section:

(a) "Postconsumer waste" means a finished material which would normally be disposed of as a solid waste having completed its life cycle as a consumer item.

(b) "Recycled paper product" means all paper and wood-pulp products containing in some combination at least 50 percent of its total weight:

(1) Postconsumer waste; and

(2) Secondary waste,

➥ but does not include fibrous waste generated during the manufacturing process such as fibers recovered from wastewater or trimmings of paper machine rolls, wood slabs, chips, sawdust or other wood residue from a manufacturing process.

(c) "Secondary waste" means fragments of products or finished products of a manufacturing process which has converted a virgin resource into a commodity of real economic value.

Sec. 3. NRS 332.115 is hereby amended to read as follows:

332.115 1. Contracts which by their nature are not adapted to award by competitive bidding, including contracts for:

(a) Items which may only be contracted from a sole source;

(b) Professional services;

(c) Additions to and repairs and maintenance of equipment which may be more efficiently added to, repaired or maintained by a certain person;

➥ are not ~~*[, except as otherwise provided in subsection 2 of section 1 of this act,]*~~ subject to the requirements of this chapter for competitive bidding, as determined by the governing body or its authorized representative.

2. The purchase of equipment for use by a local law enforcement agency in the course of an undercover investigation is not subject to the requirements of this chapter for competitive bidding, as determined by the governing body or its authorized representative, if:

(a) The equipment is an electronic or mechanical device which by design is intended to monitor and document in a clandestine manner suspected criminal activity; or

(b) Purchasing the equipment pursuant to such requirements would limit or compromise the use of such equipment by an agency authorized to conduct such investigations.

3. The purchase of personal safety equipment for use by a response agency or any other local governmental agency is not subject to the requirements of this chapter for competitive bidding, as determined by the governing body or its authorized representative, if:

(b) The cost of the personal safety equipment is comparable to the cost of similar personal safety equipment that is available for purchase by the public.

4. The governing body of a hospital required to comply with the provisions of this chapter, or its authorized representative, may purchase goods commonly used by the hospital, under a contract awarded pursuant to NRS 332.065, without additional competitive bidding even if at the time the contract was awarded:

Assembly Bill No. 192.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 326.

AN ACT relating to local government purchasing; making various changes to the provisions governing performance contracts entered into by local governments for operating cost-savings measures; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes and sets forth the requirements for local governments to enter into performance contracts for the purchase and installation of operating cost-savings measures to reduce costs related to such

matters as energy, water and the disposal of waste, and related labor costs. (NRS 332.300-332.440) Existing law sets forth the procedures by which a local government will compile a list of the qualified service companies that it determines have a record of established projects or have demonstrated technical, operational, financial and managerial capabilities to design and carry out operating cost-savings measures. Under existing law, the local government must solicit proposals for a performance contract from such companies. (NRS 332.350, 332.360) **Sections 2-5, 11 and 12** of this bill provide that a company must apply to the local government, meet certain qualifications and be preapproved by a local government before it may submit a proposal for a performance contract.

Section 6 of this bill requires that performance contracts for operating cost-savings measures identify the specific dollar amount and units or percentages of consumption that will be eliminated or avoided as a result of the operating cost-savings measures.

Section 6.5 of this bill requires a local government that enters into a performance contract for operating cost-savings measures to submit a report annually to the Legislature or, when the Legislature is not in session, the Interim Finance Committee.

Section 8 of this bill amends the definition of "building" to provide that performance contracts apply only to existing buildings. (NRS 332.310)

Section 9 of this bill adds ground source systems of heating and cooling to the list of operating cost-savings measures that may be included in a performance contract. (NRS 332.330)

Section 13 of this bill eliminates the option for a performance contract to be structured as a shared-savings contract. (NRS 332.370)

Section 14 of this bill provides that the bonding requirements set forth in the provisions of chapter 339 of NRS apply to performance contracts that exceed $100,000. (NRS 332.390)

Existing law authorizes a local government to reinvest any savings realized under a performance contract into operating cost-savings measures. (NRS 332.410) **Section 15** of this bill requires that such reinvestment comply with the provisions of NRS 332.300-332.440 and **sections ~~[2-6]~~ 2-6.5** of this bill.

~~[Existing law requires that performance contracts guarantee that operating cost savings are realized by the local government if actual cost savings do not meet the predicted cost savings. Section 16 of this bill provides that a local government may reduce the payments on a performance contract that is an installment payment contract if the actual operating cost savings do not meet the predicted operating cost savings. (NRS 332.440)]~~

Amendment No. 436.

AN ACT relating to insurance; revising provisions relating to unfair practices in settling insurance claims; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

This bill makes it an unfair practice in settling insurance claims **, other than claims involving a policy of health insurance,** for an insurer to deny the payment of an amount due pursuant to a provision of first-party coverage under an insurance policy if that amount is not in dispute. This bill also authorizes an insured who is injured as a result of the denial of such payment to recover costs and reasonable attorney's fees under certain circumstances. (NRS 686A.310)

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 686A.310 is hereby amended to read as follows:

686A.310 1. Engaging in any of the following activities is considered to be an unfair practice:

(a) Misrepresenting to insureds or claimants pertinent facts or insurance policy provisions relating to any coverage at issue.

(b) Failing to acknowledge and act reasonably promptly upon communications with respect to claims arising under insurance policies.

(c) Failing to adopt and implement reasonable standards for the prompt investigation and processing of claims arising under insurance policies.

(d) Failing to affirm or deny coverage of claims within a reasonable time after proof of loss requirements have been completed and submitted by the insured.

(e) Failing to effectuate prompt, fair and equitable settlements of claims in which liability of the insurer has become reasonably clear.

(f) Compelling insureds to institute litigation to recover amounts due under an insurance policy by offering substantially less than the amounts ultimately recovered in actions brought by such insureds, when the insureds have made claims for amounts reasonably similar to the amounts ultimately recovered.

(g) Attempting to settle a claim by an insured for less than the amount to which a reasonable person would have believed he was entitled by reference to written or printed advertising material accompanying or made part of an application.

(h) Attempting to settle claims on the basis of an application which was altered without notice to, or knowledge or consent of, the insured, his representative, agent or broker.

(i) Failing, upon payment of a claim, to inform insureds or beneficiaries of the coverage under which payment is made.

(j) Making known to insureds or claimants a practice of the insurer of appealing from arbitration awards in favor of insureds or claimants for the purpose of compelling them to accept settlements or compromises less than the amount awarded in arbitration.

(k) Delaying the investigation or payment of claims by requiring an insured or a claimant, or the physician of either, to submit a preliminary claim report, and then requiring the subsequent submission of formal proof of loss forms, both of which submissions contain substantially the same information.

(l) Failing to settle claims promptly, where liability has become reasonably clear, under one portion of the insurance policy coverage in order to influence settlements under other portions of the insurance policy coverage.

(m) Failing to comply with the provisions of NRS 687B.310 to 687B.390, inclusive, or 687B.410.

(n) Failing to provide promptly to an insured a reasonable explanation of the basis in the insurance policy, with respect to the facts of the insured's claim and the applicable law, for the denial of his claim or for an offer to settle or compromise his claim.

(o) Advising an insured or claimant not to seek legal counsel.

(p) Misleading an insured or claimant concerning any applicable statute of limitations.

(q) ~~*[Denying]*~~ ***Except for claims involving a policy of health insurance, denying the payment of any amount due pursuant to a provision of first-party coverage under an insurance policy if that amount is not in dispute.***

2. In addition to any rights or remedies available to the Commissioner, an insurer is liable to its insured for any damages ***, including, without limitation, costs and reasonable attorney's fees,*** sustained by the insured as a result of the commission of any act set forth in subsection 1 as an unfair practice.

Bill read second time.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 278.

AN ACT relating to industrial insurance; creating an expedited appeals process for certain claims by police officers, firefighters and emergency medical attendants; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Sections 1 and 2 of this bill authorize certain contested claims relating to certain occupational diseases of police officers, firefighters and emergency medical attendants to be submitted directly to an appeals officer, thereby bypassing the hearing officer to whom the contested claim would need to be submitted under existing law. (NRS 616C.315) **Section 2** also requires that the appeals officer set a hearing date within ~~[30]~~ **60** days after receiving a notice of any such contested claim. (NRS 616C.345) **Section 3** of this bill requires that the appeals officer render a decision for any such contested claim within 15 days after certain specified events. (NRS 616C.360)

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 616C.315 is hereby amended to read as follows:

616C.315 1. Any person who is subject to the jurisdiction of the hearing officers pursuant to chapters 616A to 616D, inclusive, or chapter 617 of NRS may request a hearing before a hearing officer of any matter within the hearing officer's authority. The insurer shall provide, without cost, the forms necessary to request a hearing to any person who requests them.

2. A hearing must not be scheduled until the following information is provided to the hearing officer:

(a) The name of:

(1) The claimant;

(2) The employer; and

(3) The insurer or third-party administrator;

(b) The number of the claim; and

(c) If applicable, a copy of the letter of determination being appealed or, if such a copy is unavailable, the date of the determination and the issues stated in the determination.

3. Except as otherwise provided in NRS 616B.772, 616B.775, 616B.787, 616C.305 and 616C.427, a person who is aggrieved by:

(a) A written determination of an insurer; or

(b) The failure of an insurer to respond within 30 days to a written request mailed to the insurer by the person who is aggrieved,

➥ may appeal from the determination or failure to respond by filing a request for a hearing before a hearing officer. Such a request must include the information required pursuant to subsection 2 and, except as otherwise provided in subsections 4 and 5, must be filed within 70 days after the date on which the notice of the insurer's determination was mailed by the insurer or the unanswered written request was mailed to the insurer, as applicable. The failure of an insurer to respond to a written request for a determination

within 30 days after receipt of such a request shall be deemed by the hearing officer to be a denial of the request.

4. The period specified in subsection 3 within which a request for a hearing must be filed may be extended for an additional 90 days if the person aggrieved shows by a preponderance of the evidence that he was diagnosed with a terminal illness or was informed of the death or diagnosis of a terminal illness of his spouse, parent or child.

5. Failure to file a request for a hearing within the period specified in subsection 3 may be excused if the person aggrieved shows by a preponderance of the evidence that he did not receive the notice of the determination and the forms necessary to request a hearing. The claimant or employer shall notify the insurer of a change of address.

6. The hearing before the hearing officer must be conducted as expeditiously and informally as is practicable.

7. The parties to a contested claim may, if the claimant is represented by legal counsel, agree to forego a hearing before a hearing officer and submit the contested claim directly to an appeals officer.

(a) The utility shall measure, in kilowatt-hours, the net electricity produced or consumed during the billing period, in accordance with normal metering practices.

(b) If the electricity supplied by the utility exceeds the electricity generated by the customer-generator which is fed back to the utility during the billing period, the customer-generator must be billed for the net electricity supplied by the utility.

(c) If the electricity generated by the customer-generator which is fed back to the utility exceeds the electricity supplied by the utility during the billing period:

(1) Neither the utility nor the customer-generator is entitled to compensation for the electricity provided to the other during the billing period.

(2) The excess electricity which is fed back to the utility during the billing period is carried forward to the next billing period as an addition to the kilowatt-hours generated by the customer-generator in that billing period. If the customer-generator is billed for electricity pursuant to a time-of-use rate schedule, the excess electricity carried forward must be added to the same time-of-use period as the time-of-use period in which it was generated unless the subsequent billing period lacks a corresponding time-of-use period. In that case, the excess electricity carried forward must be apportioned evenly among the available time-of-use periods.

(3) Excess electricity may be carried forward to subsequent billing periods indefinitely, but a customer-generator is not entitled to receive compensation for any excess electricity that remains if:

(I) The net metering system ceases to operate or is disconnected from the utility's transmission and distribution facilities;

(II) The customer-generator ceases to be a customer of the utility at the premises served by the net metering system; or

(III) The customer-generator transfers the net metering system to another person.

(4) The value of the excess electricity must not be used to reduce any other fee or charge imposed by the utility.

3. If the cost of purchasing and installing a net metering system was paid for:

(a) In whole or in part by a utility, the electricity generated by the net metering system shall be deemed to be electricity that the utility generated or acquired from a renewable energy system for the purposes of complying with its portfolio standard pursuant to NRS 704.7801 to 704.7828, inclusive ~~[.]~~ ***, and section 4.7 of this act.***

(g) For calendar year 2025 and for each calendar year thereafter, not less than 25 percent of the total amount of electricity sold by the provider to its retail customers in this State during that calendar year.

2. ~~[Except as otherwise provided in subsection 3, in]~~ ***In*** addition to the requirements set forth in subsection 1, the portfolio standard for each provider must require that:

(a) Of the total amount of electricity that the provider is required to generate, acquire or save from portfolio energy systems or efficiency measures during each calendar year, not less than ***:***

(1) For calendar years 2009 through 2014, inclusive, 5 ~~[6]~~ percent of that amount must be generated or acquired from solar renewable energy systems.

(2) For calendar year 2015 and for each calendar year thereafter, 6 percent of that amount must be generated or acquired from solar renewable energy systems.

(b) Of the total amount of electricity that the provider is required to generate, acquire or save from portfolio energy systems or efficiency measures during each calendar year, not more than 25 percent of that amount may be based on energy efficiency measures. If the provider intends to use

energy efficiency measures to comply with its portfolio standard during any calendar year, of the total amount of electricity saved from energy efficiency measures for which the provider seeks to obtain portfolio energy credits pursuant to this paragraph, at least 50 percent of that amount must be saved from energy efficiency measures installed at service locations of residential customers of the provider, unless a different percentage is approved by the Commission.

(c) If the provider acquires or saves electricity from a portfolio energy system or efficiency measure pursuant to a renewable energy contract or energy efficiency contract with another party:

(1) The term of the contract must be not less than 10 years, unless the other party agrees to a contract with a shorter term; and

(2) The terms and conditions of the contract must be just and reasonable, as determined by the Commission. 3. ~~[The provisions of paragraphs (b) and (c) of subsection 2 do not apply to a provider of new electric resources pursuant to chapter 704B of NRS with respect to its use of an energy efficiency measure that is financed by a customer, or which is a geothermal energy system for the provision of heated water to one or more customers and which reduces the consumption of electricity or any fossil fuel, except that, of the total amount of electricity that the provider is required to generate, acquire or save from portfolio energy systems or efficiency measures during each calendar year, not more than 25 percent of that amount may be based on energy efficiency measures.~~

~~[5.]~~ ***4.*** The Commission shall adopt regulations that establish a system of portfolio energy credits that may be used by a provider to comply with its portfolio standard.

~~[6.]~~ ***5.*** Except as otherwise provided in subsection ~~[7,]~~ ***6,*** each provider shall comply with its portfolio standard during each calendar year.

~~[7.]~~ ***6.*** If, for any calendar year, a provider is unable to comply with its portfolio standard through the generation of electricity from its own

renewable energy systems or, if applicable, through the use of portfolio energy credits, the provider shall take actions to acquire or save electricity pursuant to one or more renewable energy contracts or energy efficiency contracts. If the Commission determines that, for a calendar year, there is not or will not be a sufficient supply of electricity or a sufficient amount of energy savings made available to the provider pursuant to renewable energy contracts and energy efficiency contracts with just and reasonable terms and conditions, the Commission shall exempt the provider, for that calendar year, from the remaining requirements of its portfolio standard or from any appropriate portion thereof, as determined by the Commission.

~~[8.]~~ ***7.*** The Commission shall adopt regulations that establish:

(a) Standards for the determination of just and reasonable terms and conditions for the renewable energy contracts and energy efficiency contracts that a provider must enter into to comply with its portfolio standard.

(b) Methods to classify the financial impact of each long-term renewable energy contract and energy efficiency contract as an additional imputed debt of a utility provider. The regulations must allow the utility provider to propose an amount to be added to the cost of the contract, at the time the contract is approved by the Commission, equal to a compensating component in the capital structure of the utility provider. In evaluating any proposal made by a utility provider pursuant to this paragraph, the Commission shall consider the effect that the proposal will have on the rates paid by the retail customers of the utility provider.

8. The provisions of this section do not apply to a provider of new electric resources as defined in NRS 704B.130.

9. As used in this section:

(a) "Energy efficiency contract" means a contract to attain energy savings from one or more energy efficiency measures owned, operated or controlled by other parties.

(b) "Renewable energy contract" means a contract to acquire electricity from one or more renewable energy systems owned, operated or controlled by other parties.

(c) "Terms and conditions" includes, without limitation, the price that a provider must pay to acquire electricity pursuant to a renewable energy contract or to attain energy savings pursuant to an energy efficiency contract.

(b) On an annual basis, at least 50 percent of the electricity generated by the system is utilized by the retail customer on that premises.

3. As used in this section:

3. The Commission may impose an administrative fine against a provider based upon:

(a) Each kilowatt-hour of electricity that the provider does not generate, acquire or save from portfolio energy systems or efficiency measures during a calendar year in violation of its portfolio standard; or

(b) Any other reasonable formula adopted by the Commission.

4. In the aggregate, the administrative fines imposed against a provider for all violations of its portfolio standard for a single calendar year must not exceed the amount which is necessary and reasonable to ensure that the

provider complies with its portfolio standard, as determined by the Commission.

5. If the Commission imposes an administrative fine against a utility provider:

(a) The administrative fine is not a cost of service of the utility provider;

(b) The utility provider shall not include any portion of the administrative fine in any application for a rate adjustment or rate increase; and

(c) The Commission shall not allow the utility provider to recover any portion of the administrative fine from its retail customers.

6. All administrative fines imposed and collected pursuant to this section must be deposited in the State General Fund.

1. The Commission has exclusive jurisdiction with regard to the determination of whether a need exists for the utility facility; and

2. No other permitting entity may consider, in its review of any application for a permit, license or other approval for the construction of the utility facility, whether a need exists for the utility facility.

Sec. 10.3. **Chapter 704B of NRS is hereby amended by adding thereto a new section to read as follows:**

Before an eligible customer may increase the amount of electricity the eligible customer purchases from a provider of new electric resources in accordance with an order of the Commission which approved an application filed pursuant to NRS 704B.310 or a request filed pursuant to NRS 704B.325, the eligible customer must apply to and receive approval from the Commission for the increase. If the Commission approves the increase, the Commission must issue a written order approving the increase.

Sec. 10.5. **NRS 704B.320 is hereby amended to read as follows:**

704B.320 1. For eligible customers whose loads are in the service territory of an electric utility that primarily serves densely populated counties, the aggregate amount of energy that all such eligible customers purchase from providers of new electric resources before July 1, 2003, must not exceed 50 percent of the difference between the existing supply of energy generated in this State that is available to the electric utility and the existing demand for energy in this State that is consumed by the customers of the electric utility, as determined by the Commission.

2. An eligible customer that is a nongovernmental commercial or industrial end-use customer whose load is in the service territory of an electric utility that primarily serves densely populated counties shall not purchase energy, capacity or ancillary services from a provider of new electric resources unless, as part of the proposed transaction, the eligible customer agrees to:

(a) Contract with the provider to purchase:

(1) An additional amount of energy which is equal to 10 percent of the total amount of energy that the eligible customer is purchasing for its own use under the proposed transaction and which is purchased at the same price, terms and conditions as the energy purchased by the eligible customer for its own use; and

(2) The capacity and ancillary services associated with the additional amount of energy at the same price, terms and conditions as the capacity and ancillary services purchased by the eligible customer for its own use; and

(b) Offers to assign the rights to the contract to the electric utility for use by the remaining customers of the electric utility.

3. If an eligible customer is subject to the provisions of subsection 2, the eligible customer shall include with its application filed pursuant to NRS 704B.310 all information concerning the contract offered to the electric utility that is necessary for the Commission to determine whether it is in the best interest of the remaining customers of the electric utility for the electric utility to accept the rights to the contract. Such information must include, without limitation, the amount of the energy and capacity to be purchased under the contract, the price of the energy, capacity and ancillary services and the duration of the contract.

4. Notwithstanding any specific statute to the contrary, information concerning the price of the energy, capacity and ancillary services and any other terms or conditions of the contract that the Commission determines are commercially sensitive:

(a) Must not be disclosed by the Commission except to the Regulatory Operations Staff of the Commission, the Consumer's Advocate and his staff and the electric utility for the purposes of carrying out the provisions of this section; and

(b) Except as otherwise provided in NRS 239.0115, shall be deemed to be confidential for all other purposes, and the Commission shall take such actions as are necessary to protect the confidentiality of such information.

5. If the Commission determines that the contract:

(a) Is not in the best interest of the remaining customers of the electric utility, the electric utility shall not accept the rights to the contract, and the eligible customer is entitled to all rights to the contract.

(b) Is in the best interest of the remaining customers of the electric utility, the electric utility shall accept the rights to the contract and the eligible customer shall assign all rights to the contract to the electric utility. A contract that is assigned to the electric utility pursuant to this paragraph shall be deemed to be an approved part of the resource plan of the electric utility and a prudent investment, and the electric utility may recover all costs for the energy, capacity and ancillary services acquired pursuant to the contract. To the extent practicable, the Commission shall take actions to ensure that the electric utility uses the energy, capacity and ancillary services acquired pursuant to each such contract only for the benefit of the remaining

customers of the electric utility that are not eligible customers, with a preference for the remaining customers of the electric utility that are residential customers with small loads.

6. The provisions of this section do not exempt the electric utility, in whole or in part, from the requirements imposed on the electric utility pursuant to NRS 704.7801 to 704.7828, inclusive, ***and section 4.7 of this act,*** to comply with its portfolio standard. The Commission shall not take any actions pursuant to this section that conflict with or diminish those requirements.

Sec. 10.7. **NRS 704B.325 is hereby amended to read as follows:**

704B.325 1. An eligible customer that is purchasing energy, capacity or ancillary services from a provider of new electric resources may purchase energy, capacity or ancillary services from an alternative provider without obtaining the approval of the Commission if the terms and conditions of the transaction with the alternative provider, other than the price of the energy, capacity or ancillary services, conform to the terms and conditions of the transaction that was originally approved by the Commission with respect to the eligible customer.

2. If any terms and conditions of the transaction with the alternative provider, other than the price of the energy, capacity or ancillary services, do not conform to the terms and conditions of the transaction that was originally approved by the Commission with respect to the eligible customer, the eligible customer must obtain approval from the Commission before those nonconforming terms and conditions are enforceable.

3. 4. Notwithstanding any specific statute to the contrary, information concerning any terms and conditions of the transaction with the alternative provider that the Commission determines are commercially sensitive:

(b) Except as otherwise provided in NRS 239.0115, shall be deemed to be confidential for all other purposes, and the Commission shall take such actions as are necessary to protect the confidentiality of such information.

~~[Sec. 8.]~~ ***Sec. 11.*** Any public utility required to file a plan pursuant to NRS 704.741 that would not otherwise be required to file a new plan before January 1, 2011, shall submit an amendment to its existing plan by January 1, 2011, that complies with the provisions relating to a transmission plan in **NRS 704.741, as amended by** section ~~[3]~~ **6** of this act.

Amendment No. 441.

AN ACT relating to energy; ~~[providing for the participation in the Solar Energy Systems Incentive Program of a utility that operates a solar energy system pursuant to a solar power purchase agreement; requiring the Public Utilities Commission of Nevada to establish and maintain an Internet website to provide certain information to applicants for participation in the Solar Program; requiring a participant in the Solar Program to complete installation of a solar energy system within a specified time; providing for the withdrawal of a participant from the Solar Program or the Wind Energy~~

~~Systems Demonstration Program under certain circumstances;~~] **revising provisions governing participation in and the administration of the Solar Energy Systems Incentive Program, the Wind Energy Systems Demonstration Program and the Waterpower Energy Systems Demonstration Program;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes the Solar Energy Systems Incentive Program **, the Wind Energy Systems Demonstration Program and the Waterpower Energy Systems Demonstration Program** to provide incentives to persons to install solar energy systems **, wind energy systems and waterpower energy systems on certain property. (NRS 701B.010-701B.290, 701B.400-701B.650, 701B.700-701B.890)** [~~on: (1) private residential and small business property; (2) public and other property; and (3) school property. (NRS 701B.010-701B.290) Participation in the Solar Program is limited, and the total amount of capacity allocated to each category of participation in the Solar Program is capped. Section 13 of this bill removes the limitations on the total amount of capacity allocated to the categories of participation in the Solar Program and instead provides for limitations on the capacity allocated to individual systems in the Solar Program. Section 13 also authorizes the Public Utilities Commission of Nevada to waive the limitations on capacity for individual systems under certain circumstances. (NRS 701B.260)~~

~~Section 12 of this bill requires an applicant to submit with his application to participate in the Solar Program an estimate of the cost of the installation of the solar energy system. (NRS 701B.250) In addition, section 3 of this bill requires an applicant for participation in the category of private residential property to: (1) obtain an evaluation of the energy consumption of the residential property; and (2) include a copy of the evaluation with his application. Section 6 of this bill requires the Commission to establish and maintain an Internet website to provide an applicant for participation in the Solar Program with access to information concerning the status of his application.~~

~~Section 11 of this bill requires the Commission to adopt regulations establishing the qualifications and requirements which a utility that is a party to a solar power purchase agreement must meet to participate in the Solar Program and to be eligible to receive incentives offered through the Solar Program. (NRS 701B.210)~~

~~Section 4 of this bill provides that the installation of a solar energy system on public property is deemed to be a public work for the purposes of chapters 338 and 341 of NRS, regardless of whether the installation of the solar energy system is financed in whole or in part by public money.~~

~~Section 14 of this bill requires the Commission to withdraw a participant from the Solar Program if he does not finalize the contract for installation of the solar energy system or complete installation of the solar energy system within a specified time. (NRS 701B.270) Section 5 of this bill authorizes the~~

~~Commission to grant a waiver from withdrawal to a participant who fails to finalize such a contract or complete the installation of a solar energy system within the prescribed period. Sections 7 and 17 of this bill establish similar provisions governing the withdrawal of participants from the Wind Energy Systems Demonstration Program. (NRS 701B.580, 701B.630)~~

Sections 2, 3 and 7-14 of this bill revise provisions governing the Solar Energy Systems Incentive Program. Section 10 requires the Public Utilities Commission of Nevada to adopt regulations to carry out the Solar Program in a manner designed to meet the goal of the Legislature of the installation of not less than 50 megawatts of solar energy systems in this State by 2019. (NRS 701B. 200)

Sections 4, 5 and 15-20 of this bill revise provisions governing the Wind Energy Systems Demonstration Program. Section 19 requires the Commission to adopt regulations to carry out the Wind Demonstration Program in a manner designed to meet the goal of the Legislature of the installation of not less than 5 megawatts of wind energy systems in this State by 2012. (NRS 701B.590)

Sections 6 and 21-26 of this bill revise provisions governing the Waterpower Energy Systems Demonstration Program. Section 25 requires the Commission to carry out the Waterpower Demonstration Program in a manner designed to meet the goal of the Legislature of the installation of not less than 500 kilowatts of waterpower energy systems in this State by 2012. (NRS 701B.840)

Section 27 of this bill repeals certain provisions relating to the renewable energy programs, including provisions which authorize the Task Force for Renewable Energy and Energy Conservation to administer certain provisions relating to the renewable energy programs and provisions which place certain capacity limits on participation in the programs. (NRS 701B.100, 701B.170, 701B.220, 701B.260, 701B.270, 701B.490, 701B.530, 701B.610, 701B.620, 701B.630, 701B.760, 701B.770, 701B.830, 701B.850, 701B.890)

Section 28 of this bill requires the Commission to adopt regulations to carry out the renewable energy programs consistent with the provisions of chapter 701B of NRS as amended by this bill. Section 28 also provides that the incentives offered to participants in each of the programs on July 1, 2008, must continue to be offered to participants in the program unless and until the Commission establishes different incentives. Legislative Counsel's Digest:

Existing law sets forth the Housing Authorities Law of 1947. (NRS 315.140-315.780) In relevant part, under the provisions of this Law, each county, city and town of the State has a housing authority which is a municipal corporation and which is presided over by five commissioners. AN ACT relating to public safety; revising provisions relating to the information the Central Repository for Nevada Records of Criminal History is required to disseminate to a licensing agency and to a prospective or current employer and the purposes for which such information may be considered; repealing the provisions requiring the Director of the Department of Public Safety to establish a program to compile and analyze data concerning the recidivism of offenders who commit sexual offenses; **requiring the Director of the Department of Health and Human Services to establish a substantially similar program within the Department to compile and analyze data concerning the recidivism of juvenile sex offenders;** repealing the provisions creating the Repository for Information Concerning Missing Persons within the Central Repository; ~~[making various other changes relating to the powers and duties of the Central Repository;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1.3 of this bill defines the term "records of criminal history of the United States or another state" for the purposes of disseminating certain information relating to certain offenses to employers and the use of such information.

Section 2 of this bill ~~[: (1)]~~ authorizes the Records and Technology Division of the Department of Public Safety to request and receive from the Federal Bureau of Investigation information on the background and personal history of certain persons about whom an agency of this State or a local government is authorized by law to have accurate personal information for the protection of the agency or persons within the agency's jurisdiction**.** ~~[; and (2) eliminates the requirement that the Division investigate certain persons who operate or work for certain medical facilities and who work for certain organizations and agencies which provide personal care services. (NRS 179A.075) Section 17 of this bill requires the Office of Disability Services of the Department of Health and Human Services, rather than the Central Repository for Nevada Records of Criminal History, to review the record of criminal history and the report obtained from the Federal Bureau of Investigation for the purpose of making employment-related decisions concerning employees of certain organizations and agencies which provide~~

~~personal care services. (NRS 426.335) Sections 22 and 23 of this bill similarly amend existing law with regard to the review of such information by the Health Division of the Department for the purpose of making decisions relating to the licensure of persons who operate certain medical facilities and employment-related decisions concerning prospective and current employees of certain medical facilities. (NRS 449.176, 449.179)~~**] (NRS 179A.075)**

Section 3 of this bill **[**~~expands the information the Central Repository is required to disseminate to a licensing agency and to a prospective or current employer and authorizes the licensing agency to use the information in connection with licensure and the prospective or current employer to use the information in connection with employing or retaining an employee, prospective employee, volunteer or prospective volunteer. Section 3 also~~**]** **: (1) revises the circumstances in which an agency of criminal justice must provide records of criminal history to the Division of Welfare and Supportive Services of the Department of Health and Human Services or to the Aging Services Division of the Department; and (2)** removes the requirement that agencies of criminal justice provide a person's records of criminal history to the person's attorney under certain circumstances. (NRS 179A.100)

[~~Sections 6-10 of this bill revise the provisions governing the dissemination of information concerning the criminal history of prospective and current employees who work in positions involving children to: (1) expand the provisions to apply to persons who work in positions involving "vulnerable persons," which includes children, certain elderly persons and certain persons with disabilities; (2) expand the type of information disseminated by providing for the dissemination of records of criminal history in Nevada and records of criminal history of the United States or another state; (3) limit the dissemination of such records to government employers whose employees work with vulnerable persons; and (4) expand the dissemination of such records to licensing agencies whose applicants or licensees serve vulnerable persons. (NRS 179A.180-179A.240)~~**]**

Existing law requires the Director of the Department of Public Safety to establish a program within the Central Repository for Nevada Records of Criminal History to compile and analyze data concerning the recidivism of offenders who commit sexual offenses and to assess the effectiveness of certain programs for the treatment of juvenile sex offenders. Section 25 of this bill repeals those provisions of existing law. (NRS 179A.270, 179A.280, 179A.290) Sections 15.3, 15.5 and 15.7 of this bill require the Director of the Department of Health and Human Services to establish a substantially similar program within the Department to compile and analyze data concerning the recidivism of juvenile sex offenders and to assess the effectiveness of certain programs for the treatment of juvenile sex offenders.

Section 15.9 of this bill requires the Division of Child and Family Services of the Department of Health and Human Services to provide certain information collected by the Division concerning acts committed by a child adjudicated delinquent to the Director of the Department rather than to the Central Repository for use in the program established pursuant to sections 15.3, 15.5 and 15.7 of this bill. (NRS 62H.220)

Section 19 of this bill: (1) removes the provisions authorizing the Central Repository and the Investigation Division of the Department of Public Safety to send requests for certain identifying information regarding certain missing children to the parents or guardians of such children; (2) removes the duty of a law enforcement agency which receives such identifying information to transmit that information to the Central Repository and the Investigation Division; and (3) removes the duty of the Central Repository and the Investigation Division to compare any such identifying information received with the information on file concerning unidentified deceased children. Amendment No. 432.

SUMMARY—Makes various changes to provisions relating to foreclosures of real property. (BDR ~~[54-228)]~~ **2-228)**

AN ACT relating to real property; ~~[creating the Office of the Ombudsman for Foreclosures;]~~ revising provisions relating to a notice of sale of real property under execution; establishing the crime of defacing a notice of sale of real property under execution or a notice of sale of real property pursuant to a trustee's power of sale; establishing rights and duties of a purchaser of real property pursuant to a foreclosure sale and establishing rights and duties of a tenant in possession of such property; revising provisions relating to a sale of real property pursuant to a trustee's power of sale; requiring a landlord to make certain disclosures to a prospective tenant; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Section 1 of this bill creates the Office of the Ombudsman for Foreclosures to provide information relating to the foreclosure process.]~~ **Sections 2 and 7** of this bill revise existing law by requiring that a notice of sale of real property under execution or a notice of sale of real property pursuant to a trustee's power of sale be served upon the State Board of Health if the real property is operated as a licensed health facility. ~~[Sections 2 and 7 also require such notices to include the contact information for the Office of the Ombudsman for Foreclosures and the lender's loss mitigation department.]~~ **Sections 2 and ~~[7 further]~~ 6.7 of this bill** require **, if the sale of property is a residential foreclosure,** a separate notice to be served upon any tenant or subtenant, other than the judgment debtor, in actual occupation of the real property subject to a notice of sale under execution or a notice of sale pursuant to a trustee's power of sale to inform the tenant or subtenant that the property is subject to a notice of sale. (NRS 21.130 **) ~~[, 107.080)]~~** **Sections 3 and 8** of this bill make it unlawful for a person to willfully

remove or deface a notice of sale under execution or a notice of sale pursuant to a trustee's power of sale which is posted on real property. (NRS 21.140, 107.084) **Sections 4 and 6** of this bill require the purchaser of a vacant residential property at a foreclosure sale or a trustee's sale to maintain the exterior of the property. **Sections 4 and 6** also authorize the appropriate governmental entity to assess a civil penalty of up to $1,000 per day, under certain circumstances, for failure to maintain the property.

Existing law provides that a person who holds over and continues in possession of real property that has been foreclosed after a 3-day notice to quit has been served upon him may be removed. (NRS 40.255) **Section 5** of this bill provides that a tenant or subtenant, other than the person whose name appears on the mortgage or deed of trust, may be removed only after the expiration of a specified period not to exceed 60 days ~~[.]~~ **if the property has been sold as a residential foreclosure.** **Section 5** also requires the tenant or subtenant who remains in occupation of the real property to remit rent to the new owner of the property pending expiration of the specified period. **Section 5** further prohibits any person from entering a record of eviction for a tenant or subtenant who vacates the property within the specified period ~~[.]~~ **if the property has been sold as a residential foreclosure.** Finally, **section 5** allows the new owner of the real property **, if the property has been sold as a residential foreclosure,** to negotiate a new purchase, lease or rental agreement with the tenant or subtenant in occupation of the property or to offer a payment in exchange for the tenant or subtenant vacating the property on a date earlier than the end of the specified period.

Section 5.5 of this bill requires a landlord to file proof of service with the court of any notice required to be served before the removal of a person who holds over and continues in possession of real property after receiving a 3-day notice to quit. (NRS 40.280)

Section 9 of this bill requires a landlord to disclose in writing to a prospective tenant if the property to be leased or rented is the subject of foreclosure proceedings. **Section 9** also makes it a deceptive trade practice for any landlord to willfully fail to make such a disclosure.

the lowest possible rating on two consecutive annual or biennial examinations; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires annual or biennial examinations for various mortgage brokers. (NRS 645B.060) **Section 1** of this bill ~~[requires such examinations to include a review of certain written appraisals of real property and other similar information.]~~ **prohibits the results of an annual examination from being released to the public until after a period of time set by the Commissioner of Mortgage Lending to determine any objections made by the mortgage broker to the results.**

Existing law provides requirements regarding certain information on mortgage brokers that is to be made available for public inspection. (NRS 645B.090) **Section 2** of this bill revises those requirements in regard to mortgage brokers who **make or** offer for sale in this State any ~~[security which is exempt from registration under state or federal law and purports to make]~~ investments in promissory notes secured by liens on real property. The revised requirements relate to information regarding ownership and management structure, annual or biennial examinations, other examinations or audits, investigations or hearings, and standards for withholding other information.

Existing law prohibits a mortgage broker or mortgage agent from accepting money from an investor to acquire ownership of or a beneficial interest in a loan secured by a lien on real property unless the mortgage broker has first obtained a written appraisal of the real property securing the loan. (NRS 645B.300) Section 2.5 of this bill requires the appraisal to be made not more than 6 months before the mortgage broker's first solicitation for the loan and the appraisal to meet certain standards. Section 2.5 further requires a mortgage broker to make additional disclosures to an investor if the investor waives the requirement that an appraisal be obtained.

Existing law provides requirements regarding disciplinary action for certain violations of law relating to the business of a mortgage broker. (NRS 645B.690) **Section 3** of this bill revises those requirements in regard to mortgage brokers who **make or** offer for sale in this State any ~~[security which is exempt from registration under state or federal law and purports to make]~~ investments in promissory notes secured by liens on real property. If such a mortgage broker receives the lowest possible rating on two consecutive annual or biennial examinations, the license of that mortgage broker will be suspended or revoked.

The following amendment was proposed by the Committee on Corrections, Parole, and Probation:

Amendment No. 162.

AN ACT relating to criminal procedure; authorizing certain persons convicted of a **category A or B** felony to petition the court for postconviction genetic marker analysis; **providing the information that must be contained in a petition for such postconviction genetic marker analysis;** revising the circumstances under which genetic marker analysis must be performed for those persons; requiring certain notices to be provided to the victims of the crimes allegedly committed by those persons; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that a person convicted of a crime and sentenced to death may petition a court to conduct postconviction genetic marker analysis to prove a credible claim of innocence if the person meets certain requirements. For example, the person must show that the evidence has not previously been submitted to such analysis or that the method of analysis requested and the additional analysis may resolve an issue not resolved by previous analysis. (NRS 176.0918)

Section 1 of this bill amends existing law to allow any person **who is** convicted of a **category A or B** felony ~~,~~ **and under a sentence of imprisonment,** regardless of whether he is under a sentence of death, to petition the court for postconviction genetic marker analysis after meeting certain other requirements. **This section provides that a petition must be made under penalty of perjury and must contain certain information. Further, this section provides for the court to determine whether to dismiss the petition, schedule a hearing or assign counsel to further review, supplement and present the petition to the court.** This section also

amends existing law to provide that genetic marker analysis may be performed on evidence previously submitted to analysis if: (1) the results of a previous analysis were inconclusive; (2) the evidence was not previously submitted to the type of analysis requested and the requested analysis may resolve an issue not resolved by the previous analysis; or (3) the requested analysis would provide results significantly more accurate and probative of the identity of the perpetrator. This section further requires the district attorney of the appropriate county **, under certain circumstances,** to notify the victims of the crime at issue in the petition of certain information related to the petition. (NRS 176.0918)

Section 3 of this bill provides that the new procedures set forth in the bill apply to persons who were convicted of an offense before, on or after the effective date of this bill.

(b) Copies of the budgets ~~*[financial documents]*~~ will be provided upon request.

3. Within 60 days after adoption of any proposed budget for the common-interest community, the executive board shall provide a summary of the proposed budget to each unit's owner and shall set a date for a meeting of the units' owners to consider ratification of the proposed budget not less than 14 days or more than 30 days after the mailing of the summaries. ***The executive board must provide full disclosure concerning the proposed budget and allow comments by units' owners and discussion of those comments.*** Unless at that meeting a majority of all units' owners, or any larger vote specified in the declaration, reject the proposed budget, the proposed budget is ratified, whether or not a quorum is present. If the proposed budget is rejected, the periodic budget last ratified by the units' owners must be continued until such time as the units' owners ratify a subsequent budget proposed by the executive board.

Sec. 11. NRS 116.3116 is hereby amended to read as follows:

116.3116 1. The association has a lien on a unit for any construction penalty that is imposed against the unit's owner pursuant to NRS 116.310305, any assessment levied against that unit or any fines imposed against the unit's owner from the time the construction penalty, assessment or fine becomes due. ~~**[**Unless the declaration otherwise provides, any penalties, fees, charges, late charges, fines and interest charged pursuant to paragraphs (j) to (n), inclusive, of subsection 1 of NRS 116.3102 are enforceable as assessments under this section.**]**~~ If an assessment is payable in installments, the full amount of the assessment is a lien from the time the first installment thereof becomes due.

2. A lien under this section is prior to all other liens and encumbrances on a unit except:

(a) Liens and encumbrances recorded before the recordation of the declaration and, in a cooperative, liens and encumbrances which the association creates, assumes or takes subject to;

(b) A first security interest on the unit recorded before the date on which the assessment sought to be enforced became delinquent or, in a cooperative, the first security interest encumbering only the unit's owner's interest and perfected before the date on which the assessment sought to be enforced became delinquent; and

(c) Liens for real estate taxes and other governmental assessments or charges against the unit or cooperative.

➥ The lien is also prior to all security interests described in paragraph (b) to the extent of the assessments for common expenses based on the periodic budget adopted by the association pursuant to NRS 116.3115 which would have become due in the absence of acceleration during the 6 months immediately preceding institution of an action to enforce the lien. This subsection does not affect the priority of mechanics' or materialmen's liens, or the priority of liens for other assessments made by the association.

3. Unless the declaration otherwise provides, if two or more associations have liens for assessments created at any time on the same property, those liens have equal priority.

4. Recording of the declaration constitutes record notice and perfection of the lien. No further recordation of any claim of lien for assessment under this section is required.

5. A lien for unpaid assessments is extinguished unless proceedings to enforce the lien are instituted within 3 years after the full amount of the assessments becomes due.

6. This section does not prohibit actions to recover sums for which subsection 1 creates a lien or prohibit an association from taking a deed in lieu of foreclosure.

7. A judgment or decree in any action brought under this section must include costs and reasonable attorney's fees for the prevailing party.

8. The association, upon written request, shall furnish to a unit's owner a statement setting forth the amount of unpaid assessments against the unit. If the interest of the unit's owner is real estate or if a lien for the unpaid assessments may be foreclosed under NRS 116.31162 to 116.31168, inclusive, the statement must be in recordable form. The statement must be furnished within 10 business days after receipt of the request and is binding on the association, the executive board and every unit's owner.

9. In a cooperative, upon nonpayment of an assessment on a unit, the unit's owner may be evicted in the same manner as provided by law in the case of an unlawful holdover by a commercial tenant, and:

(a) In a cooperative where the owner's interest in a unit is real estate under NRS 116.1105, the association's lien may be foreclosed under NRS 116.31162 to 116.31168, inclusive.

(b) In a cooperative where the owner's interest in a unit is personal property under NRS 116.1105, the association's lien:

(1) May be foreclosed as a security interest under NRS 104.9101 to 104.9709, inclusive; or

(2) If the declaration so provides, may be foreclosed under NRS 116.31162 to 116.31168, inclusive.

~~*[10. The association may not foreclose any lien upon any unit pursuant to this section.]*~~

Sec. 12. NRS 116.31175 is hereby amended to read as follows:

116.31175 1. (b) The records of the association relating to another unit's owner, except for those records described in subsection 2; and

(c) A contract between the association and an attorney.

2. The executive board of an association shall maintain a general record concerning each violation of the governing documents, other than a violation involving a failure to pay an assessment, for which the executive board has imposed a fine, a construction penalty or any other sanction. The general record:

(a) Must contain a general description of the nature of the violation and the type of the sanction imposed. If the sanction imposed was a fine or construction penalty, the general record must specify the amount of the fine or construction penalty.

(b) Must not contain the name or address of the person against whom the sanction was imposed or any other personal information which may be used to identify the person or the location of the unit, if any, that is associated with the violation.

(c) Must be maintained in an organized and convenient filing system or data system that allows a unit's owner to search and review the general records concerning violations of the governing documents.

3. If the executive board refuses to allow a unit's owner to review the books, records or other papers of the association, the Ombudsman may:

(a) On behalf of the unit's owner and upon written request, review the books, records or other papers of the association during the regular working hours of the association; and

(b) If he is denied access to the books, records or other papers, request the Commission, or any member thereof acting on behalf of the Commission, to issue a subpoena for their production.

4. The books, records and other papers of an association must be maintained for at least 10 years. The provisions of this subsection do not apply to:

(a) The minutes of a meeting of the units' owners which must be maintained in accordance with NRS 116.3108; or

(b) The minutes of a meeting of the executive board which must be maintained in accordance with NRS 116.31083.

5. The executive board shall not require a unit's owner to pay an ~~*[any]*~~ amount in excess of $10 per hour to review any books, records, contracts or other papers of the association pursuant to the provisions of this section. ***Upon written request of a unit's owner, copies must be provided to the unit's owner, in electronic*** ~~*[or paper]*~~ ***format at no charge*** ~~*[.]*~~ ***or, if the association is unable to provide the copy or summary in electronic format, in paper format at a cost not to exceed 10 cents per page.***

Sec. 12.3. **NRS 116.31183 is hereby amended to read as follows:**

116.31183 ***1.*** An executive board, a member of an executive board or an officer, employee or agent of an association shall not take, or direct or encourage another person to take, any retaliatory action against a unit's owner because the unit's owner has:

~~**[**1.**]**~~ ***(a)*** Complained in good faith about any alleged violation of any provision of this chapter or the governing documents of the association; or

~~**[**2.**]**~~ ***(b)*** Requested in good faith to review the books, records or other papers of the association.

2. In addition to any other remedy provided by law, upon a violation of this section, a unit's owner may bring a separate action to recover:

(a) Compensatory damages; and

(b) Attorney's fees and costs of bringing the separate action.

Sec. 12.7. **NRS 116.31185 is hereby amended to read as follows:**

116.31185 1. Except as otherwise provided in subsection 2, a member of an executive board, an officer of an association or a community manager shall not solicit or accept any form of compensation, gratuity or other remuneration that:

(a) Would improperly influence or would appear to a reasonable person to improperly influence the decisions made by those persons; or

(b) Would result or would appear to a reasonable person to result in a conflict of interest for those persons.

2. Notwithstanding the provisions of subsection 1, a member of an executive board, an officer of an association, a community manager or any person working for a community manager shall not accept, directly or

indirectly, any gifts, incentives, gratuities, rewards or other items of value from:

(a) An attorney, law firm or vendor, or any person working directly or indirectly for the attorney, law firm or vendor, which total more than the amount established by the Commission by regulation, not to exceed $100 per year per such attorney, law firm or vendor; or

(b) A declarant, an affiliate of a declarant or any person responsible for the construction of the applicable community or association which total more than the amount established by the Commission by regulation, not to exceed $100 per year per such declarant, affiliate or person.

3. An attorney, law firm or vendor, or any person working directly or indirectly for the attorney, law firm or vendor, shall not provide, directly or indirectly, any gifts, incentives, gratuities, rewards or other items of value to a member of the executive board, an officer of the association, the community manager or any person working for the community manager which total more than the amount established by the Commission by regulation, not to exceed $100 per year per such member, officer, community manager or person.

4. A declarant, an affiliate of a declarant or any person responsible for the construction of a community or association, shall not provide, directly or indirectly, any gifts, incentives, gratuities, rewards or other items of value to a member of the executive board, an officer of the association, the community manager or any person working for the community manager which total more than the amount established by the Commission by regulation, not to exceed $100 per year per such member, officer, community manager or person.

5. In addition to the limitations set forth in subsection 1, a community manager shall not solicit or accept any form of compensation, fee or other remuneration that is based, in whole or in part, on:

(a) The number or amount of fines imposed against or collected from units' owners or tenants or guests of units' owners pursuant to NRS 116.31031 for violations of the governing documents of the association; or

(b) Any percentage or proportion of those fines.

6. The provisions of this section do not prohibit a community manager from being paid compensation, a fee or other remuneration under the terms of a contract between the community manager and an association if:

(a) The scope of the respective rights, duties and obligations of the parties under the contract comply with the standards of practice for community managers ***set forth in sections 18.5 and 18.6 of this act and any additional standards of practice*** adopted by the Commission ***by regulation*** pursuant to NRS 116A.400;

(b) The compensation, fee or other remuneration is being paid to the community manager for providing management of the common-interest community; and

(c) The compensation, fee or other remuneration is not structured in a way that would violate the provisions of subsection 1 or 5.

Sec. 13. ~~[NRS 116.4102 is hereby amended to read as follows:~~

~~116.4102 1. Except as otherwise provided in subsection 2, a declarant, before offering any interest in a unit to the public, shall prepare a public offering statement conforming to the requirements of NRS 116.4103 to 116.4106, inclusive.~~

~~2. A declarant may transfer responsibility for the preparation of all or a part of the public offering statement to a successor declarant pursuant to NRS 116.3104 and 116.31043, or to a dealer who intends to offer units in the common-interest community. In the event of any such transfer, the transferor shall provide the transferee with any information necessary to enable the transferee to fulfill the requirements of subsection 1.~~

~~3. Any declarant or dealer who offers a unit to a purchaser shall deliver a public offering statement in the manner prescribed in subsection 1 of NRS 116.4108. If a declarant or dealer did not prepare any part of a public offering statement that he delivers, he is not liable for any false or misleading statement set forth therein or for any omission of a material fact therefrom unless he had actual knowledge of the statement or omission or, in the exercise of reasonable care, should have known of the statement or omission.~~

~~4. If a unit is part of a common interest community and is part of any other real estate in connection with the sale of which the delivery of a public offering statement is required under the laws of this State, a single public offering statement conforming to the requirements of NRS 116.4103 to 116.4106, inclusive, as those requirements relate to the real estate in which the unit is located, and to any other requirements imposed under the laws of this State, may be prepared and delivered in lieu of providing two or more public offering statements. If the requirements of this chapter conflict with those of another law of this State, the requirements of this chapter prevail.~~

~~5. Before offering any interest in a unit to the public, in addition to preparing a public offering statement for a purchaser pursuant to this section, a declarant shall make available to a purchaser a presentation, conducted in person or through the use of multimedia technology, containing a description and summary of the governing documents. ~~3. The minimum duration of any time shares that may be created; and~~

~~4. The extent to which the creation of time shares will or may affect the enforceability of the association's lien for assessments provided in NRS 116.3116 . [and 116.31162.]]~~ **(Deleted by amendment.)**

Sec. 15. NRS 116.4109 is hereby amended to read as follows:

116.4109 1. Except in the case of a sale in which delivery of a public offering statement is required, or unless exempt under subsection 2 of NRS 116.4101, a unit's owner or his authorized agent shall furnish to a purchaser a resale package containing all of the following:

(a) A copy of the declaration, other than any plats and plans, the bylaws, the rules or regulations of the association and the information statement required by NRS 116.41095;

(b) A statement setting forth the amount of the monthly assessment for common expenses and any unpaid assessment of any kind currently due from the selling unit's owner;

(c) A copy of the current operating budget of the association and current year-to-date financial statement for the association, which must include a summary of the reserves of the association required by NRS 116.31152 and which must include, without limitation, a summary of the information described in paragraphs (a) to (e), inclusive, of subsection 3 of NRS 116.31152; and

(d) A statement of any unsatisfied judgments or pending legal actions against the association and the status of any pending legal actions relating to the common-interest community of which the unit's owner has actual knowledge.

(e) In addition to any other document, a statement describing all current and expected fees or charges for each unit, including, without limitation, association fees, fines, assessments, late charges or penalties, interest rates

on delinquent assessments, additional costs for collecting past due fines and charges for opening or closing any file for each unit.

2. The purchaser may, by written notice, cancel the contract of purchase until midnight of the fifth calendar day following the date of receipt of the resale package described in subsection 1, and the contract for purchase must contain a provision to that effect. If the purchaser elects to cancel a contract pursuant to this subsection, he must hand deliver the notice of cancellation to the unit's owner or his authorized agent or mail the notice of cancellation by prepaid United States mail to the unit's owner or his authorized agent. Cancellation is without penalty, and all payments made by the purchaser before cancellation must be refunded promptly. If the purchaser has accepted a conveyance of the unit, the purchaser is not entitled to:

(a) Cancel the contract pursuant to this subsection; or

(b) Damages, rescission or other relief based solely on the ground that the unit's owner or his authorized agent failed to furnish the resale package, or any portion thereof, as required by this section.

3. Within 10 days after receipt of a written request by a unit's owner or his authorized agent, the association shall furnish all of the following to the unit's owner or his authorized agent for inclusion in the resale package:

(a) Copies of the documents required pursuant to paragraphs (a) and (c) of subsection 1; and

(b) A certificate containing the information necessary to enable the unit's owner to comply with paragraphs (b) and (d) of subsection 1.

4. If the association furnishes the documents and certificate pursuant to subsection 3:

(a) The unit's owner or his authorized agent shall include the documents and certificate in the resale package provided to the purchaser, and neither the unit's owner nor his authorized agent is liable to the purchaser for any erroneous information provided by the association and included in the documents and certificate.

(b) The association may charge the unit's owner a reasonable fee to cover the cost of preparing the certificate furnished pursuant to subsection 3. Such a fee must be based on the actual cost the association incurs to fulfill the requirements of this section in preparing the certificate. The Commission shall adopt regulations establishing the maximum amount of the fee that an association may charge for preparing the certificate.

(c) The association may charge the unit's owner a reasonable fee, not to exceed 25 cents per page, to cover the cost of copying the other documents furnished pursuant to subsection 3.

(d) Except for the fees allowed pursuant to paragraphs (b) and (c), the association may not charge the unit's owner any other fees for preparing or furnishing the documents and certificate pursuant to subsection 3.

5. Neither a purchaser nor the purchaser's interest in a unit is liable for any unpaid assessment or fee greater than the amount set forth in the documents and certificate prepared by the association. If the association fails

to furnish the documents and certificate within the 10 days allowed by this section, the seller is not liable for the delinquent assessment.

6. Upon the request of a unit's owner or his authorized agent, or upon the request of a purchaser to whom the unit's owner has provided a resale package pursuant to this section or his authorized agent, the association shall make the entire study of the reserves of the association which is required by NRS 116.31152 reasonably available for the unit's owner, purchaser or authorized agent to inspect, examine, photocopy and audit. The study must be made available at the business office of the association or some other suitable location within the county where the common-interest community is situated or, if it is situated in more than one county, within one of those counties.

~~*[7. In addition to the resale package required to be furnished to a purchaser pursuant to this section, the association shall make available to a purchaser, at the expense of the association, a presentation, conducted in person or through the use of multimedia technology, containing a description and summary of the governing documents. As used in this subsection, "multimedia technology" means an audio compact disc, digital video disc, computer file or other similar technology that allows a person to view or listen to recorded material.]*~~

Sec. 16. ~~[~~NRS 116.41095 is hereby amended to read as follows:

~~116.41095 The information statement required by NRS 116.4103 and 116.4109 must be in substantially the following form:~~

~~BEFORE YOU PURCHASE PROPERTY IN A COMMON-INTEREST COMMUNITY~~

~~DID YOU KNOW . . .~~

~~1. YOU GENERALLY HAVE 5 DAYS TO CANCEL THE PURCHASE AGREEMENT?~~

~~When you enter into a purchase agreement to buy a home or unit in a common-interest community, in most cases you should receive either a public offering statement, if you are the original purchaser of the home or unit, or a resale package, if you are not the original purchaser. The law generally provides for a 5-day period in which you have the right to cancel the purchase agreement. The 5-day period begins on different starting dates, depending on whether you receive a public offering statement or a resale package. Upon receiving a public offering statement or a resale package, you should make sure you are informed of the deadline for exercising your right to cancel. In order to exercise your right to cancel, the law generally requires that you hand-deliver the notice of cancellation to the seller within the 5-day period, or mail the notice of cancellation to the seller by prepaid United States mail within the 5-day period. For more information regarding your right to cancel, see Nevada Revised Statutes 116.4108, if you received a public offering statement, or Nevada Revised Statutes 116.4109, if you received a resale package.~~

~~2. YOU ARE AGREEING TO RESTRICTIONS ON HOW YOU CAN USE YOUR PROPERTY?~~

~~These restrictions are contained in a document known as the Declaration of Covenants, Conditions and Restrictions. The CC&Rs become a part of the title to your property. They bind you and every future owner of the property whether or not you have read them or had them explained to you. The CC&Rs, together with other "governing documents" (such as association bylaws and rules and regulations), are intended to preserve the character and value of properties in the community, but may also restrict what you can do to improve or change your property and limit how you use and enjoy your property. By purchasing a property encumbered by CC&Rs, you are agreeing to limitations that could affect your lifestyle and freedom of choice. You should review the CC&Rs, and other governing documents before purchasing to make sure that these limitations and controls are acceptable to you.~~

~~3. YOU WILL HAVE TO PAY OWNERS' ASSESSMENTS FOR AS LONG AS YOU OWN YOUR PROPERTY?~~

~~As an owner in a common-interest community, you are responsible for paying your share of expenses relating to the common elements, such as landscaping, shared amenities and the operation of any homeowners' association. The obligation to pay these assessments binds you and every future owner of the property. Owners' fees are usually assessed by the homeowners' association and due monthly. You have to pay dues whether or not you agree with the way the association is managing the property or spending the assessments. The executive board of the association may have the power to change and increase the amount of the assessment and to levy special assessments against your property to meet extraordinary expenses. In some communities, major components of the common elements of the community such as roofs and private roads must be maintained and replaced by the association. If the association is not well managed or fails to provide adequate funding for reserves to repair, replace and restore common elements, you may be required to pay large, special assessments to accomplish these tasks.~~

~~4. [IF YOU FAIL TO PAY OWNERS' ASSESSMENTS, YOU COULD LOSE YOUR HOME?~~

~~If you do not pay these assessments when due, the association usually has the power to collect them by selling your property in a nonjudicial foreclosure sale. If fees become delinquent, you may also be required to pay penalties and the association's costs and attorney's fees to become current. If you dispute the obligation or its amount, your only remedy to avoid the loss of your home may be to file a lawsuit and ask a court to intervene in the dispute.~~

~~5.] YOU MAY BECOME A MEMBER OF A HOMEOWNERS' ASSOCIATION THAT HAS THE POWER TO AFFECT HOW YOU USE AND ENJOY YOUR PROPERTY?~~

~~Many common-interest communities have a homeowners' association. In a new development, the association will usually be controlled by the developer~~

~~until a certain number of units have been sold. After the period of developer control, the association may be controlled by property owners like yourself who are elected by homeowners to sit on an executive board and other boards and committees formed by the association. The association, and its executive board, are responsible for assessing homeowners for the cost of operating the association and the common or shared elements of the community and for the day to day operation and management of the community. Because homeowners sitting on the executive board and other boards and committees of the association may not have the experience or professional background required to understand and carry out the responsibilities of the association properly, the association may hire professional community managers to carry out these responsibilities.~~

~~Homeowners' associations operate on democratic principles. Some decisions require all homeowners to vote, some decisions are made by the executive board or other boards or committees established by the association or governing documents. Although the actions of the association and its executive board are governed by state laws, the CC&Rs and other documents that govern the common-interest community, decisions made by these persons will affect your use and enjoyment of your property, your lifestyle and freedom of choice, and your cost of living in the community. You may not agree with decisions made by the association or its governing bodies even though the decisions are ones which the association is authorized to make. Decisions may be made by a few persons on the executive board or governing bodies that do not necessarily reflect the view of the majority of homeowners in the community. If you do not agree with decisions made by the association, its executive board or other governing bodies, your remedy is typically to attempt to use the democratic processes of the association to seek the election of members of the executive board or other governing bodies that are more responsive to your needs. If you have a dispute with the association, its executive board or other governing bodies, you may be able to resolve the dispute through the complaint, investigation and intervention process administered by the Office of the Ombudsman for Owners in Common-Interest Communities and Condominium Hotels, the Nevada Real Estate Division and the Commission for Common-Interest Communities and Condominium Hotels. However, to resolve some disputes, you may have to mediate or arbitrate the dispute and, if mediation or arbitration is unsuccessful, you may have to file a lawsuit and ask a court to resolve the dispute. In addition to your personal cost in mediation or arbitration, or to prosecute a lawsuit, you may be responsible for paying your share of the association's cost in defending against your claim.~~

~~[~~6.~~]~~ ~~5. YOU ARE REQUIRED TO PROVIDE PROSPECTIVE PURCHASERS OF YOUR PROPERTY WITH INFORMATION ABOUT LIVING IN YOUR COMMON-INTEREST COMMUNITY?~~

~~The law requires you to provide a prospective purchaser of your property with a copy of the community's governing documents, including the CC&Rs,~~

~~association bylaws, and rules and regulations, as well as a copy of this document. You are also required to provide a copy of the association's current year-to-date financial statement, including, without limitation, the most recent audited or reviewed financial statement, a copy of the association's operating budget and information regarding the amount of the monthly assessment for common expenses, including the amount set aside as reserves for the repair, replacement and restoration of common elements. You are also required to inform prospective purchasers of any outstanding judgments or lawsuits pending against the association of which you are aware. For more information regarding these requirements, see Nevada Revised Statutes 116.4109.~~

~~[7.] *6.* YOU HAVE CERTAIN RIGHTS REGARDING OWNERSHIP IN A COMMON INTEREST COMMUNITY THAT ARE GUARANTEED YOU BY THE STATE?~~

~~Pursuant to provisions of chapter 116 of Nevada Revised Statutes, you have the right:~~

~~(a) To be notified of all meetings of the association and its executive board, except in cases of emergency.~~

~~(b) To attend and speak at all meetings of the association and its executive board, except in some cases where the executive board is authorized to meet in closed, executive session.~~

~~(c) To request a special meeting of the association upon petition of at least 10 percent of the homeowners.~~

~~(d) To inspect, examine, photocopy and audit financial and other records of the association.~~

~~(e) To be notified of all changes in the community's rules and regulations and other actions by the association or board that affect you.~~

~~[8.] *7.* QUESTIONS?~~

~~Although they may be voluminous, you should take the time to read and understand the documents that will control your ownership of a property in a common interest community. You may wish to ask your real estate professional, lawyer or other person with experience to explain anything you do not understand. The following amendment was proposed by the Committee on Judiciary:

Amendment No. 353.

SUMMARY—Makes changes relating to ~~[the destruction or deterioration of foreclosed or vacant units in]~~ common-interest communities. (BDR 10-940)

AN ACT relating to common-interest communities; providing that, under certain circumstances, a unit-owners' association may, without liability for trespass, enter the grounds of a vacant unit or a unit in foreclosure to abate a public nuisance or maintain the exterior of the unit; **providing that a unit-owners' association may request a copy of certain deeds of trust under certain circumstances;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law assigns the responsibility for maintenance of a unit in a common-interest community to the owner of the unit, and maintenance of a common element in the community to the unit-owners' association. (NRS 116.3107) Existing law provides procedures for the executive board of the association to fine a unit's owner who fails to maintain his residence according to the governing documents. (NRS 116.31031)

Section 1 of this bill provides that the association may, without liability for trespass, enter on the grounds of a unit that is vacant or that is in the foreclosure process, whether vacant or not, to maintain the exterior of the unit or abate a public nuisance on the exterior of the unit if **, after notice and a hearing,** the unit's owner refuses or fails to do so. **Section 1** also provides that: (1) any amount of the costs for such maintenance or abatement which are not paid by the unit's owner will be a lien against the unit; and (2) the lien has priority over ~~[all]~~ **certain** other liens, claims, encumbrances and titles **, depending on whether the unit is a single-family detached dwelling,** except certain liens **recorded before the declaration for the association was recorded and certain liens** of assessments and ~~[general]~~ taxes.

Section 2 of this bill specifically authorizes a unit-owners' association to charge a unit's owner for the maintenance and abatement services provided pursuant to **section 1** of the bill. **(NRS 116.3102) Section 3** of this bill further provides that a lien for such maintenance and abatement services has priority over a first security interest on the unit under certain circumstances ~~[.]~~ **if the unit is a single-family detached dwelling. (NRS 116.3116)**

Section 4 of this bill provides that a unit-owners' association may record in the office of the county recorder a request for a trustee or other authorized person to provide the association with a copy of the deed after the sale of a unit upon a deed of trust for any unit within the association. (NRS 107.090)

116.3116 1. The association has a lien on a unit for any construction penalty that is imposed against the unit's owner pursuant to NRS 116.310305, any assessment levied against that unit or any fines imposed against the unit's owner from the time the construction penalty, assessment or fine becomes due. This subsection does not

affect the priority of mechanics' or materialmen's liens, or the priority of liens for other assessments made by the association.

3. Unless the declaration otherwise provides, if two or more associations have liens for assessments created at any time on the same property, those liens have equal priority.

4. Recording of the declaration constitutes record notice and perfection of the lien. No further recordation of any claim of lien for assessment under this section is required.

5. A lien for unpaid assessments is extinguished unless proceedings to enforce the lien are instituted within 3 years after the full amount of the assessments becomes due.

6. This section does not prohibit actions to recover sums for which subsection 1 creates a lien or prohibit an association from taking a deed in lieu of foreclosure.

(a) In a cooperative where the owner's interest in a unit is real estate under NRS 116.1105, the association's lien may be foreclosed under NRS 116.31162 to 116.31168, inclusive.

(b) In a cooperative where the owner's interest in a unit is personal property under NRS 116.1105, the association's lien:

(1) May be foreclosed as a security interest under NRS 104.9101 to 104.9709, inclusive; or

(2) If the declaration so provides, may be foreclosed under NRS 116.31162 to 116.31168, inclusive.
