The following amendment was proposed by Assemblymen Anderson and Conklin:

Amendment No. 905.

AN ACT relating to professions; requiring a provider of health care to disclose the results of certain tests to a designated investigator or member of the State Board of Osteopathic Medicine; providing for the licensure of perfusionists; prohibiting a person from engaging in the practice of perfusion without a license issued by the Board of Medical Examiners; providing for the immediate suspension of a license to practice medicine upon the conviction of the holder of the license of certain violations; expanding the definition of "practice of medicine" to include the performance of an autopsy; revising other provisions governing the issuance of a license to practice medicine by the Board of Medical Examiners; authorizing any person to file with the Board a complaint against a physician, perfusionist, physician assistant or practitioner of respiratory care under certain

Legislative Counsel's Digest:

This bill makes extensive changes to existing law governing the practice of medicine and osteopathic medicine. This bill also provides for the licensing and regulation of perfusionists by the Board of Medical Examiners. A perfusionist is a medical professional who, under the order and supervision of a physician, performs various medical functions to ensure the safe management of a patient's cardiovascular, circulatory or respiratory system or other organs during surgical and other medical procedures. **Sections 1, 3-13, 15, 16, 19-21, 24, 29, 33, 34, 39, 45, 46, 50-52, 55, 59-65, 70 and 79-85** of this bill amend various provisions of NRS to ensure that perfusionists are licensed and regulated by the Board of Medical Examiners in approximately the same manner as physicians, physician assistants and practitioners of respiratory care. (NRS 629.031, 630.003, 630.005, 630.045, 630.047, 630.120, 630.137, 630.167, 630.197, 630.268, 630.307, 630.309, 630.326, 630.329, 630.336, 630.346, 630.358, 630.366, 630.388, 630.390, 630.400, 630A.090, 632.472, 633.171, 652.210, 200.471, 200.5093, 200.50935, 372.7285, 374.731, 432B.220)

This bill also makes various changes relating to the Board of Medical Examiners and the practice of medicine. **Section 14** of this bill adds a new section to chapter 630 of NRS that provides for the immediate suspension of a license issued by the Board upon the conviction of the licensee of a felony for a violation of a federal or state law or regulation relating to his practice. **Section 17** of this bill expands the definition of "practice of medicine" to include the performance of an autopsy. (NRS 630.020) **Section 18** of this bill deletes existing provisions of law that authorize the Board to revoke a license only in accordance with certain provisions. (NRS 630.045) **Section 22** of this bill changes the fiscal year for the Board to commence on January 1 and end on December 31. (NRS 630.123) **Section 25** of this bill authorizes the Executive Director of the Board to ~~[issue]~~ **sign** subpoenas ~~[when conducting]~~ **issued in connection with hearings and** investigations ~~[for]~~ **conducted by** the Board. (NRS 630.140) **Sections 26-28, 30-32 and 35** of this bill make various changes concerning the requirements for the issuance of licenses by the Board, including the information required to be submitted for a license, the submission of the fingerprints of the applicant and the appeal of a denial of an application. (NRS 630.160, 630.1605, 630.167, 630.170, 630.173, 630.195, 630.200) **Sections 36-38** of this bill revise certain categories of licenses issued by the Board, including the issuance of a special volunteer medical license to a physician who participates in disaster relief operations and the issuance of an authorized facility license. (NRS 630.258, 630.261, 630.262) **Section 40** of this bill requires a person who wishes to practice respiratory care to complete an educational program for respiratory care approved by the Commission on Accreditation of Allied Health Education

Programs or the Committee on Accreditation for Respiratory Care. (NRS 630.277) **Sections 41-45, 47-49, 53, 54, 57 and 58** of this bill make numerous changes concerning the investigation of complaints against licensees, the grounds for the imposition of disciplinary action and the procedures to be followed in disciplinary proceedings. (NRS 630.299, 630.306, 630.3062, 630.307, 630.311, 630.318, 630.326, 630.339, 630.342, 630.352, 630.356)

Sections 66-78 of this bill make similar changes relating to the State Board of Osteopathic Medicine and the practice of osteopathy. **Section 67** adds a new section to chapter 633 of NRS which authorizes the Board or an investigative committee of the Board to issue to a person who violates or is violating the provisions of that chapter a letter of warning, a letter of concern or a nonpunitive admonishment. **Section 68** also adds a new section to that chapter which establishes the standard of proof in disciplinary proceedings that are conducted pursuant to that chapter. **Sections 69-78** make various changes concerning unprofessional conduct, the requirements for licensure to practice osteopathic medicine, examinations, the grounds for disciplinary action and the imposition of penalties after a disciplinary proceeding. (NRS 633.131, 633.171, 633.322, 633.331, 633.411, 633.511, 633.561, 633.625, 633.651, 633.691)

Section 78.1 of this bill defines "national examination" to mean the Examination for Professional Practice in Psychology in the form administered by the Association of State and Provincial Psychology Boards and approved for use in this State by the Board of Psychological Examiners.

Section 78.3 of this bill revises the requirements for an application for a license to practice psychology in this State to add the submission of a complete set of fingerprints and written permission authorizing the Board of Psychological Examiners to forward the fingerprints to the Central Repository for Nevada Records of Criminal History for submission to the Federal Bureau of Investigation for its report or verification that the set of fingerprints was directly forwarded to the Central Repository by the entity taking the prints.

Existing law provides that the Board of Psychological Examiners may require an applicant for a license to pass an oral examination in whatever applied or theoretical fields it deems appropriate, in addition to a written examination. Section 78.4 of this bill eliminates: (1) the requirement that the additional examination be conducted orally; (2) the provisions relating to the frequency, time, location and supervision of the examination; (3) the requirement that the Board supply each applicant with a copy of the results of his written examination provided to the Board by the Association; and (4) the right of the applicant to request that the Board review his examination if he fails the examination.

SUMMARY—Enacts provisions governing flood management projects ~~[.]~~ **and other related activities.** (BDR 20-239)

AN ACT relating to ~~[floods;]~~ **water;** authorizing a board of county commissioners to acquire, improve, equip, operate and maintain a flood management project in certain counties; authorizing any revenues derived from such a flood management project to be pledged for the payment of certain bonds; authorizing the governing body of a municipality in certain counties to acquire, improve, equip, operate and maintain a flood management project under certain circumstances; **requiring the comprehensive regional plan in certain counties to include provisions concerning the sustainability of certain water resources;** revising provisions governing the acquisition of bonds issued by a flood management authority; **expanding the duties of the Legislative Committee to Oversee the Western Regional Water Commission;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes a board of county commissioners to acquire and maintain within the county various projects, including building projects, drainage and flood control projects, lending projects, off-street parking projects, overpass projects, park projects, sewerage projects, street projects and water projects. In connection with those projects, a board of county commissioners may issue general obligation bonds to support and defray the cost of the project and take certain other related actions concerning the project. (NRS 244A.011-244A.065) Existing law confers similar authority upon the governing body of a municipality. (NRS 268.672-268.740) **Sections 3-15** of this bill expand the authority of a board of county commissioners in a county whose population is 100,000 or more but less than 400,000 (currently Washoe County) by authorizing the board to acquire and maintain a flood management project in the same manner as any other project authorized under existing law. **Sections 16-22** of this bill provide similar provisions for a governing body of a municipality within such a county. **Sections 24-27** of this bill revise the provisions of existing law governing the making of loans and the issuance of state securities by this State to assist municipalities in the construction of public improvements by including within those provisions a flood management authority.

Existing law requires the regional planning commission of a county whose population is 100,000 or more but less than 400,000 (currently Washoe County) to develop a comprehensive regional plan for the physical development and orderly growth of the region. (NRS 278.0272) The comprehensive regional plan must include goals, policies, maps and other documents relating to population, conservation, limitation of premature expansion, land use, transportation, public facilities and services, annexation, intergovernmental coordination and certain utility projects. (NRS 278.0274) Existing law also provides for the development by the Northern Nevada Water Planning Commission of a comprehensive plan concerning supplies of water within the planning area for the comprehensive plan and for the adoption of such a plan by

the Western Regional Water Commission. (NRS 540A.010; Chapter 531, Statutes of Nevada 2007, pp. 3285-3304) Section 23.5 of this bill requires the comprehensive regional plan to include several provisions concerning the availability of water resources for growth and development, including a statement setting forth the total population of the region that may be supported by the sustainable water resources identified in the comprehensive plan adopted by the Western Regional Water Commission.

Existing law creates the Legislative Committee to Oversee the Western Regional Water Commission and requires the Committee to review the programs and activities of the Western Regional Water Commission. (Chapter 531, Statutes of Nevada 2007, p. 3302) Section 27.5 of this bill requires the Committee to include in its review of the programs and activities of the Commission an analysis of the potential acquisition, control and management by the Commission of a flood management project that is located within the planning area of the Commission.

The following amendment was proposed by Assemblymen Kirkpatrick, Atkinson, and Leslie:

Amendment No. 891.

SUMMARY—Amends the Charters of the Cities of Carlin**, Reno** and Wells to revise provisions governing municipal elections. (BDR S-1003)

AN ACT relating to city elections; amending the Charters of the Cities of Carlin and Wells to specify the dates for filing a declaration of candidacy to become a candidate in the general city election; amending the Charters of the Cities of Carlin and Wells to specify the appropriate appearance of names on an election ballot; **creating a sixth ward for the City of Reno; requiring that the candidates for Councilman in the City of Reno be voted for in a general election only by the registered voters of the ward that a candidate seeks to represent;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The existing Charters of the Cities of Carlin and Wells provide that a Mayor and the Councilmen of the respective cities are elected at a general city election which occurs on the same day as the statewide general election. **Sections 1 and ~~[3]~~ 7** of this bill amend the Charters of the Cities of Carlin and Wells to specify that a person seeking to appear on the ballot at the general city election in one of those cities must file a declaration of candidacy with the City Clerk not less than 90 days or more than 100 days before the day of the general city election. **(Carlin City Charter § 5.015; Wells City Charter § 5.015)**

Sections 2 and ~~[4]~~ 8 of this bill also amend the Charters of the Cities of Carlin and Wells to specify the appropriate appearance of names on an election ballot, including details on how the names of candidates with similar surnames are to appear. **(Carlin City Charger § 5.040; Wells City Charter § 5.040)**

The existing Charter of the City of Reno divides the City into five wards, each of which is represented on the City Council by a Councilman. A sixth Councilman represents the City at large. (Reno City Charter §§ 1.050, 2.010) Section 3 of this bill increases the number of wards in Reno to six, and sections 4-6 of this bill replace the office of Councilman at large with the office of Councilman to represent the newly created sixth ward. (Reno City Charter §§ 1.050, 2.010, 5.010, 5.020)

The existing Charter of the City of Reno provides that the candidates for Councilman to represent a particular ward must be voted on in a primary election only by the registered voters of that ward but, in a general election, must be voted on by the registered voters of the City at large. (Reno City Charter, §§ 5.010, 5.020) Sections 5 and 6 of this bill amend the Charter of the City of Reno to provide that all candidates for Councilman must be voted on in a general election by only the registered voters of the ward that a candidate seeks to represent.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. The Charter of the City of Carlin, being chapter 344, Statutes of Nevada 1971, at page 603, is hereby amended by adding thereto a new section to be designated as section 5.015, immediately following section 5.010, to read as follows:

Sec. 5.015 Filing of declarations of candidacy.

1. A candidate to be voted for at the general election must file a declaration of candidacy with the City Clerk not less than 90 days or more than 100 days before the day of the general election. The City Clerk shall charge and collect from the candidate and the candidate must pay to the City Clerk, at the time of filing the declaration of candidacy, a filing fee in an amount fixed by the City Council by ordinance or resolution.

2. If, due to the death or ineligibility of or withdrawal by a candidate, a vacancy occurs in a nomination after the close of filing and any applicable period for withdrawal of candidacy, the candidate's name must remain on the ballot for the general election and, if elected, a vacancy exists.

Sec. 2. The Charter of the City of Carlin, being chapter 344, Statutes of Nevada 1971, at page 603, is hereby amended by adding thereto a new section to be designated as section 5.040, immediately following section 5.030, to read as follows:

1. The full names of all candidates, except those who have withdrawn, died or become ineligible before the close of filing and any applicable period for withdrawal of candidacy, must be printed on the official ballots without party designation or symbol.

SUMMARY—Restricts a department, division or other agency of this State from employing a person as a consultant. (BDR 23-1057)

AN ACT relating to governmental administration; restricting a department, division or other agency of this State from employing a person as a consultant; providing certain exceptions; requiring certain entities to submit to the Interim Finance Committee a report concerning each consultant employed by the entity; requiring that contracts with temporary employment services be awarded by open competitive bidding; requiring that information concerning the use of consultants and temporary employment services be included and explained in the budget process by a state agency; requiring the Legislative Auditor to conduct an audit concerning the use of contracts with consultants by state agencies; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1 of this bill restricts a department, division or other agency of this State from employing a person as a consultant for the agency. **Section 1** requires the Interim Finance Committee to approve the employment of a consultant under certain circumstances and limits the approval of the employment of the person as a consultant if the person is a former employee of a department, division or other agency of this State and at least 1 year has not expired before the person is employed as a consultant. **Section 1** also requires each board, commission, school district and institution of the Nevada System of Higher Education to submit to the Interim Finance Committee, at least once every 6 months, a report concerning each consultant employed by the entity. **Section 1** also requires that contracts with temporary employment services be awarded by open competitive bidding. **Section 1** further provides that certain exceptions apply for the employment of persons for a period of less than 4 months under certain conditions and for the employment of certain persons by the Department of Transportation for transportation projects that are **[**~~solely~~**]** federally funded. **Section 2.5** of this bill requires that information concerning the use of consultants and temporary employment services be included and explained in the budget

process by a state agency. **Section 2.7** of this bill requires the Legislative Auditor to conduct an audit of the use by agencies of the Executive Branch of State Government of contracts with consultants.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 284 of NRS is hereby amended by adding thereto a new section to read as follows:

1. Except as otherwise provided in this section, a department, division or other agency of this State shall not employ, by contract or otherwise, a person to provide services as a consultant for the agency if:

(b) The person is a former employee of an agency of this State and less than 1 year has expired since the termination of his employment with the State;

(c) Except as otherwise provided in paragraph (d), the term of the contract is for more than 2 years, or is amended or otherwise extended beyond 2 years; or

(d) The person is employed by the Department of Transportation for a transportation project that is ~~*[solely]*~~ ***federally funded and the term of the contract is for more than 4 years, or is amended or otherwise extended beyond 4 years,***

➥ unless, before the person is employed by the agency, the Interim Finance Committee approves the employment of the person.

2. The provisions of paragraph (b) of subsection 1 apply to employment through a temporary employment service. A temporary employment service providing employees for a state agency shall provide the agency with the names of the employees to be provided to the agency. The Interim Finance Committee shall not approve the employment of a consultant pursuant to paragraph (b) of subsection 1 unless the Interim Finance Committee determines that one or more of the following circumstances exist:

Senate Bill No. 119.

Bill read third time.

The following amendment was proposed by Assemblyman Settelmeyer:

Amendment No. 936.

AN ACT relating to professions; revising provisions governing the regulation of massage therapists by the Board of Massage Therapists; prohibiting certain misleading and deceptive practices relating to massage therapy; revising provisions governing the discipline of massage therapists; authorizing the Board to issue administrative citations and to impose administrative fines for certain violations; revising provisions governing the temporary suspension of licenses of massage therapists; requiring ~~[law enforcement]~~ **governmental** agencies **and courts of competent jurisdiction** to provide certain records to the Board or its Executive Director upon request; authorizing ~~[law enforcement]~~ **governmental** agencies **and courts of competent jurisdiction** to redact certain confidential information from records provided to the Board or its Executive Director; providing remedies and penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, massage therapists must be licensed by the Board of Massage Therapists. (Chapter 640C of NRS) **Sections 2, 3 and 11** of this bill require a massage therapist to display his original license, not a copy or replica, at each location where he practices massage therapy. (NRS 640C.450) **Section 3** prohibits a person from: (1) forging or counterfeiting a license; (2) altering, copying or replicating a license for the purpose of aiding or abetting an unlawful act; or (3) using or displaying a license that has been forged or counterfeited or has been altered, copied or replicated for the purpose of aiding or abetting an unlawful act.

Sections 4 and 16 of this bill prohibit an unlicensed person from advertising as a massage therapist and prohibit a licensed person from using any false or misleading statements in advertising. (NRS 640C.910) **Sections 4 and 16** also prohibit an unlicensed person from having his name listed in a telephone directory under a heading such as "massage" which indicates or implies that he is licensed or qualified to practice massage therapy. **Sections 4 and 16** also authorize the Board to issue an order to cease and desist from engaging in unlawful advertising. **Sections 4, 18 and 19** of this bill contain provisions whereby the Board can have telephone numbers for any type of telephone, messaging or paging service disconnected because they are included in unlawful advertising. (NRS 703.175, 707.355)

Existing law authorizes the Board to take disciplinary action by imposing administrative fines. (NRS 640C.710) **Section 14** of this bill provides that the

Board may impose an administrative fine of not more than $5,000 for each violation, unless a greater fine is required pursuant to **section 5** of this bill. **Section 5** requires the Board to impose, based on the number of violations, increasing administrative fines of not more than $10,000 against a licensee who ~~[has engaged in or solicited sexual activity during a massage therapy session or]~~ has been convicted of a crime involving violence, prostitution or any other sexual offense that occurred during a massage therapy session.

~~[Section 7 of this bill authorizes the Board to issue administrative citations for any statutory or regulatory violations relating to massage therapy and provides that an unlicensed person who fails to comply with a citation is guilty of a misdemeanor. A citation may include an order to: (1) pay an administrative fine; (2) correct a condition resulting from a violation; and (3) reimburse the Board for expenses incurred to investigate the violation. Section 8 of this bill allows a person to request a hearing before the Board to contest an administrative citation.]~~

Existing law provides for the temporary suspension of a massage therapy license without a prior hearing for a period of 15 or 30 days under certain exigent circumstances. (NRS 640C.720) Generally, procedural due process entitles a licensee to a hearing before his license is suspended. (*Barry v. Barchi*, 443 U.S. 55, 99 S. Ct. 2642 (1979); U.S. Const. Amend. XIV, § 1; Nev. Const. Art. 1, § 8) However, when exigent circumstances justify immediate action, a statute may provide for the temporary suspension of a license without a prior hearing if the statute requires a post-suspension administrative review where a hearing is held and a final decision is rendered as promptly as is practicable. (*Federal Deposit Insurance Corporation v. Mallen*, 486 U.S. 230, 108 S. Ct. 1780 (1988); *Sierra Life Insurance Company v. Rottman*, 95 Nev. 654 (1979)) **Section 15** of this bill: (1) provides for the temporary suspension of a massage therapy license without a prior hearing for a period not to exceed ~~[30]~~ **15 business** days under certain exigent circumstances; (2) authorizes the licensee to request a post-suspension administrative review; and (3) requires the Board to hold a hearing and render a final decision as promptly as is practicable but not later than ~~[30]~~ **10 business** days after the date of the initial suspension. (NRS 640C.720)

Section 15 of this bill also authorizes the Board and its Executive Director to request from ~~[state and local law enforcement agencies]~~ **the appropriate governmental agency or court of competent jurisdiction** records relating to any ~~[charge or citation against]~~ **conviction of** a massage therapist for a crime involving violence, prostitution or any other sexual offense and authorizes those ~~[law enforcement]~~ **governmental** agencies **and courts of competent jurisdiction** to redact from those records certain information which the agencies **or courts** deem confidential. (NRS 640C.720) **Sections 15 and 17** of this bill require ~~[a law enforcement]~~ **the governmental** agency **or court of competent jurisdiction** to provide the requested records as soon as reasonably practicable. (NRS 179A.100) **Section 15** also provides that the

Board and its Executive Director: (1) must maintain the confidentiality of the records; and (2) may use the records for the sole and limited purpose of determining whether to take disciplinary action against the massage therapist.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 640C of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 8, inclusive, of this act.

Sec. 2. ***1. "Original license" means the actual license which is issued to the licensee by the Board and which is current and valid.***

(b) Has been counterfeited or forged;

(c) Has been altered, copied or replicated for the purpose of aiding or abetting an unlawful act; or

(d) Has been issued to another person.

3. A person who violates any provision of this section is guilty of a misdemeanor.

Sec. 4. ***1. A person shall not advertise as a massage therapist in this State unless the person is licensed to practice massage therapy pursuant to this chapter.***

2. A person licensed to practice massage therapy pursuant to this chapter shall not disseminate, as part of any advertising by the massage therapist, any false or misleading statement or representation of material fact that is intended, directly or indirectly, to induce another person to use the services of the massage therapist.

3. All advertising by a licensed massage therapist must include his name and the name of his company, if applicable. All advertising in a telephone directory or a newspaper must also include the number of his license.

4. A person who violates any provision of subsection 1 or 2 is guilty of a misdemeanor.

5. If, after notice and a hearing as required by law, the Board determines that a person has willfully engaged in advertising in a manner that violates the provisions of this section or NRS 640C.910, the Board

may, in addition to any penalty, punishment or disciplinary action authorized by the provisions of this chapter, order the person to cease and desist the unlawful advertising. The provisions of this subsection do not apply to any person whose license has been expired for less than 90 days or is temporarily suspended.

The Board may order any person convicted of a crime involving violence, prostitution or any other sexual offense to cause any telephone number included in the advertising to be disconnected from service. If the Board orders the person to cause any telephone number to be disconnected from service and the person fails to comply within 5 days after the date on which he is served with the order, the Board may:

(a) If the provider is regulated by the Public Utilities Commission of Nevada, request the Commission to order the provider to disconnect the telephone number from service pursuant to NRS 703.175 and 707.355; or

(b) If the provider is not regulated by the Public Utilities Commission of Nevada, request the provider to disconnect the telephone number from service and inform the provider that the request is made pursuant to this section. Upon receiving such a request, the provider shall take such action as is necessary to disconnect the telephone number from service.

7. A provider shall not:

(a) Forward or offer to forward the telephone calls of a telephone number disconnected from service pursuant to this section; or

(b) Provide or offer to provide a message that includes a new telephone number for the person whose telephone number was disconnected from service pursuant to this section.

8. If a provider complies in good faith with a request to disconnect a telephone number from service pursuant to this section, such good-faith compliance shall constitute a complete defense to any civil or criminal action brought against the provider arising from the disconnection or termination of service.

9. As used in this section:

(a) "Advertising" means the intentional placement or issuance of any sign, card or device, or the permitting or allowing of any sign or marking on a motor vehicle, in any building, structure, newspaper, magazine or airway transmission, on the Internet or in any directory under the listing of "massage therapist" or "massage."

(b) "Provider" means a provider of any type of telephone, messaging or paging service.

(a) For a first violation, impose an administrative fine of not less than $100 and not more than $1,000;

(b) For a second violation, impose an administrative fine of not less than $250 and not more than $5,000; and

(c) For a third violation and for each additional violation, impose an administrative fine of not less than $500 and not more than $10,000.

2. The Board shall, by regulation, establish standards for use by the Board in determining the amount of an administrative fine imposed pursuant to this section. The standards must include, without limitation, provisions requiring the Board to consider:

(a) The gravity of the violation;

(b) The good faith of the licensee; and

(c) Any history of previous violations of the provisions of this chapter committed by the licensee.

Sec. 6. ***The expiration of a license by operation of law or by order or decision of the Board or a court, or the voluntary surrender of a license by a licensee, does not deprive the Board of jurisdiction to proceed with any investigation of, or action or disciplinary proceeding against, the licensee or to render a decision suspending or revoking the license.***

Sec. 7. ~~*[1. If the Board or its designee, based upon a preponderance of the evidence, has reason to believe that a person has committed an act which constitutes a violation of this chapter or the regulations of the Board, the Board or its designee, as appropriate, may issue or authorize the issuance of a written administrative citation to the person. The following amendment was proposed by Assemblymen Kirkpatrick and Oceguera:

Amendment No. 938.

SUMMARY—Revises provisions governing land use ~~[decisions.]~~ **planning.** (BDR 22-235)

AN ACT relating to land use planning; revising provisions relating to the appeal of land use decisions; **revising provisions relating to the designation of gaming enterprise districts;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the governing body of each city and county is required to adopt an ordinance providing that an aggrieved person may appeal the decision of a planning commission, board of adjustment, hearing examiner or other similar official to the governing body. (NRS 278.3195) A person who is aggrieved by a decision of the governing body concerning that appeal may then appeal the decision of the governing body to the district court by filing a petition for judicial review. ~~[This]~~ **Section 1 of this** bill authorizes an aggrieved person to appeal the decision of a governing body that considered a recommendation of a planning commission, board of adjustment, hearing examiner or other similar official or a decision of a governing body which was made without the necessity of a decision or recommendation by a planning commission, board of adjustment, hearing examiner or other similar

official. Solely within the confines of a county whose population is 400,000 or more (currently Clark County), ~~[this bill]~~ **section 1** also provides that, for the purpose of determining whether a person who is seeking judicial review of a decision of a governing body is an "aggrieved person" who may seek such judicial review of the decision: (1) the person shall be deemed not to be aggrieved unless the person appeared before the governing body, planning commission, board of adjustment, hearing examiner or other similar official on the matter which is the subject of the decision and fully set forth his position and the grounds in support of his position; and (2) the person shall not be deemed to be aggrieved on the basis that the decision he is appealing may increase or create competition which he claims may be detrimental to his property rights or other legal interests.

Existing law provides that the Nevada Gaming Commission is prohibited from approving a nonrestricted license for an establishment in a county whose population is 400,000 or more (currently Clark County) unless the establishment is located in a gaming enterprise district, which is defined as "an area that has been approved by a county, city or town as suitable for operating an establishment that has been issued a nonrestricted license." (NRS 463.0158, 463.308) If the location of a proposed establishment is within the Las Vegas Boulevard gaming corridor or the rural Clark County gaming zone, but not within an area already designated as a gaming enterprise district, the Commission is prohibited from approving a nonrestricted license for the proposed establishment unless the location of the proposed establishment is first designated a gaming enterprise district pursuant to the criteria set forth in NRS 463.3084. (NRS 463.3082) However, if the location of a proposed establishment is not within the Las Vegas Boulevard gaming corridor or the rural Clark County gaming zone and not within an area already designated as a gaming enterprise district, the Commission is prohibited from approving a nonrestricted license for the proposed establishment unless the location of the proposed establishment is first designated a gaming enterprise district pursuant to the criteria set forth in NRS 463.3086, which contains certain additional requirements that are not contained in NRS 463.3084, such as the requirements that: (1) the property line of the proposed establishment must be not less than 500 feet from the property line of a developed residential district and not less than 1,500 feet from the property line of a public school, private school or structure used primarily for religious services or worship; and (2) a three-fourths vote of the governing body of the county, city or town is required for designation of the location as a gaming enterprise district. (NRS 463.3086)

Section 1.5 of this bill revises the boundaries of the Las Vegas Boulevard gaming corridor to include certain new areas. Consequently, if a proposed establishment which is located in a new area of the Las Vegas Boulevard gaming corridor and which is not already in a gaming

enterprise district were to seek to have the location designated as a gaming enterprise district, the determination of whether the location may be designated as a gaming enterprise district would be based upon the criteria set forth in NRS 463.3084, rather than the criteria set forth in NRS 463.3086.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 278.3195 is hereby amended to read as follows:

278.3195 1. Except as otherwise provided in NRS 278.310, each governing body shall adopt an ordinance providing that any person who is aggrieved by a decision of:

(d) Any other person appointed or employed by the governing body who is authorized to make administrative decisions regarding the use of land,

➥ may appeal the decision to the governing body. In a county whose population is 400,000 or more, a person shall be deemed to be aggrieved under an ordinance adopted pursuant to this subsection if the person appeared, either in person, through an authorized representative or in writing, before a person or entity described in paragraphs (a) to (d), inclusive, on the matter which is the subject of the decision.

2. Except as otherwise provided in NRS 278.310, an ordinance adopted pursuant to subsection 1 must set forth, without limitation:

(c) That the governing body may affirm, modify or reverse a decision.

(2) In a county whose population is less than 400,000, that period must not exceed 60 days.

(e) That the decision of the governing body is a final decision for the purpose of judicial review.

(f) That, in reviewing a decision, the governing body will be guided by the statement of purpose underlying the regulation of the improvement of land expressed in NRS 278.020.

(g) That the governing body may charge the appellant a fee for the filing of an appeal.

3. In addition to the requirements set forth in subsection 2, in a county whose population is 400,000 or more, an ordinance adopted pursuant to subsection 1 must:

(a) Set forth procedures for the consolidation of appeals; and

(b) Prohibit the governing body from granting to an aggrieved person more than two continuances on the same matter, unless the governing body determines, upon good cause shown, that the granting of additional continuances is warranted.

4. Any person who:

(a) Has appealed a decision to the governing body in accordance with an ordinance adopted pursuant to subsection 1 ~~[,]~~ and ***is aggrieved by the decision of the governing body;***

(b) Is aggrieved by ~~[the]~~ ***a*** decision of ~~[the]~~ ***a*** governing body ~~[,]~~ ***regarding the use of land in which the governing body considered a recommendation of a person or entity described in paragraphs (a) to (d), inclusive, of subsection 1; or***

(c) Is aggrieved by a decision of the governing body which, pursuant to the procedures contained in the applicable local ordinance, was made without the necessity of a decision or recommendation by a person or entity described in paragraphs (a) to (d), inclusive, of subsection 1,

➥ may appeal that decision to the district court of the proper county by filing a petition for judicial review within 25 days after the date of filing of notice of the decision with the clerk or secretary of the governing body, as set forth in NRS 278.0235.

4. In exercising the powers granted in this section, the governing body may use any controls relating to land use or principles of zoning that the governing body determines to be appropriate, including, without limitation, density bonuses, inclusionary zoning and minimum density zoning.

5. As used in this section:

(a) "Density bonus" means an incentive granted by a governing body to a developer of real property that authorizes the developer to build at a greater density than would otherwise be allowed under the master plan, in exchange for an agreement by the developer to perform certain functions that the governing body determines to be socially desirable, including, without limitation, developing an area to include a certain proportion of affordable housing.

(b) "Inclusionary zoning" means a type of zoning pursuant to which a governing body requires or provides incentives to a developer who builds residential dwellings to build a certain percentage of those dwellings as affordable housing.

(c) "Minimum density zoning" means a type of zoning pursuant to which development must be carried out at or above a certain density to maintain conformance with the master plan.

Sec. 14. NRS 278.4787 is hereby amended to read as follows:

278.4787 1. Except as otherwise provided in subsection 5, a person who proposes to divide land for transfer or development into four or more lots pursuant to NRS 278.360 to 278.460, inclusive, or chapter 278A of NRS, may, in lieu of providing for the creation of an association for a common-interest community, request the governing body of the jurisdiction in which

the land is located to assume the maintenance of one or more of the following improvements located on the land:

(a) Landscaping;

(b) Public lighting;

(c) Security walls; and

(d) Trails, parks and open space which provide a substantial public benefit or which are required by the governing body for the primary use of the public.

2. A governing body shall establish by ordinance a procedure pursuant to which a request may be submitted pursuant to subsection 1 in the form of a petition, which must be signed by a majority of the owners whose property will be assessed and which must set forth descriptions of all tracts of land or residential units that would be subject to such an assessment.

3. The governing body may by ordinance designate a person to approve or disapprove a petition submitted pursuant to this section. If the governing body adopts such an ordinance, the ordinance must provide, without limitation:

(a) Procedures pursuant to which the petition must be reviewed to determine whether it would be desirable for the governing body to assume the maintenance of the proposed improvements.

(b) Procedures for the establishment of a maintenance district or unit of assessment.

(c) A method for:

(1) Determining the relative proportions in which the assumption of the maintenance of the proposed improvements by the governing body will:

(I) Benefit the development or subdivision in which the improvements are located; and

(II) Benefit the public;

(2) Assessing the tracts of land or residential units in the development or subdivision to pay the costs that will be incurred by the governing body in assuming the maintenance of the proposed improvements, in the proportion that such maintenance will benefit the development or subdivision in which the improvements are located; and

(3) Allocating an amount of public money to pay the costs that will be incurred by the governing body in assuming the maintenance of the proposed improvements, in the proportion that such maintenance will benefit the public.

(d) Procedures for a petitioner or other aggrieved person to appeal to the governing body a decision of the person designated by the governing body by ordinance adopted pursuant to this subsection to approve or disapprove a petition.

4. If the governing body does not designate by an ordinance adopted pursuant to subsection 3 a person to approve or disapprove a petition, the governing body shall, after receipt of a complete petition submitted at least 120 days before the approval of the final map for the land, hold a public

hearing at least 90 days before the approval of the final map for the land, unless otherwise waived by the governing body, to determine the desirability of assuming the maintenance of the proposed improvements. If the governing body determines that it would be undesirable for the governing body to assume the maintenance of the proposed improvements, the governing body shall specify for the record its reasons for that determination. If the governing body determines that it would be desirable for the governing body to assume the maintenance of the proposed improvements, the governing body shall by ordinance:

(a) Determine the relative proportions in which the assumption of the maintenance of the proposed improvements by the governing body will:

(1) Benefit the development or subdivision in which the improvements are located; and

(2) Benefit the public.

(b) Create a maintenance district or unit of assessment consisting of the tracts of land or residential units set forth in the petition or include the tracts of land or residential units set forth in the petition in an existing maintenance district or unit of assessment.

(c) Establish the method or, if the tracts or units are included within an existing maintenance district or unit of assessment, apply an existing method for determining:

(1) The amount of an assessment to pay the costs that will be incurred by the governing body in assuming the maintenance of the proposed improvements. The amount of the assessment must be determined in accordance with the proportion to which such maintenance will benefit the development or subdivision in which the improvements are located.

(2) The time and manner of payment of the assessment.

(d) Provide that the assessment constitutes a lien upon the tracts of land or residential units within the maintenance district or unit of assessment. The lien must be executed, and has the same priority, as a lien for property taxes.

(e) Prescribe the levels of maintenance to be provided.

(f) Allocate to the cost of providing the maintenance the appropriate amount of public money to pay for that part of the maintenance which creates the public benefit.

(g) Address any other matters that the governing body determines to be relevant to the maintenance of the improvements, including, without limitation, matters relating to the ownership of the improvements and the land on which the improvements are located and any exposure to liability associated with the maintenance of the improvements.

5. If the governing body requires an owner of land to dedicate a tract of land as a trail identified in the recreation plan of the governing body adopted pursuant to paragraph ~~[(j)]~~ ***(k)*** of subsection 1 of NRS 278.160, the governing body shall:

(a) Accept ownership of the tract; and

(b) Assume the maintenance of the tract and any other improvement located on the land that is authorized in subsection 1.

6. The governing body shall record, in the office of the county recorder for the county in which the tracts of land or residential units included in a petition approved pursuant to this section are located, a notice of the creation of the maintenance district or unit of assessment that is sufficient to advise the owners of the tracts of land or residential units that the tracts of land or residential units are subject to the assessment. The costs of recording the notice must be paid by the petitioner.

7. The provisions of this section apply retroactively to a development or subdivision with respect to which:

(a) An agreement or agreements between the owners of tracts of land within the development or subdivision and the developer allow for the provision of services in the manner set forth in this section; or

(b) The owners of affected tracts of land or residential units agree to dissolve the association for their common-interest community in accordance with the governing documents of the common-interest community upon approval by the governing body of a petition filed by the owners pursuant to this section.

Sec. 15. NRS 279.608 is hereby amended to read as follows:

279.608 1. If, at any time after the adoption of a redevelopment plan by the legislative body, the agency desires to take an action that will constitute a material deviation from the plan or otherwise determines that it would be necessary or desirable to amend the plan, the agency must recommend the amendment of the plan to the legislative body. An amendment may include the addition of one or more areas to any redevelopment area.

2. Before recommending amendment of the plan, the agency shall hold a public hearing on the proposed amendment. Notice of that hearing must be published at least 10 days before the date of hearing in a newspaper of general circulation, printed and published in the community, or, if there is none, in a newspaper selected by the agency. The notice of hearing must include a legal description of the boundaries of the area designated in the plan to be amended and a general statement of the purpose of the amendment.

3. In addition to the notice published pursuant to subsection 2, the agency shall cause a notice of hearing on a proposed amendment to the plan to be sent by mail at least 10 days before the date of the hearing to each owner of real property, as listed in the records of the county assessor, whom the agency determines is likely to be directly affected by the proposed amendment. The notice must:

(a) Set forth the date, time, place and purpose of the hearing and a physical description of, or a map detailing, the proposed amendment; and

(b) Contain a brief summary of the intent of the proposed amendment.

4. If after the public hearing, the agency recommends substantial changes in the plan which affect the master or community plan adopted by the

planning commission or the legislative body, those changes must be submitted by the agency to the planning commission for its report and recommendation. The planning commission shall give its report and recommendations to the legislative body within 30 days after the agency submitted the changes to the planning commission.

5. After receiving the recommendation of the agency concerning the changes in the plan, the legislative body shall hold a public hearing on the proposed amendment, notice of which must be published in a newspaper in the manner designated for notice of hearing by the agency. If after that hearing the legislative body determines that the amendments in the plan, proposed by the agency, are necessary or desirable, the legislative body shall adopt an ordinance amending the ordinance adopting the plan.

6. As used in this section, "material deviation" means an action that, if taken, would alter significantly one or more of the aspects of a redevelopment plan that are required to be shown in the redevelopment plan pursuant to NRS 279.572. The term includes, without limitation, the vacation of a street that is depicted in the streets and highways plan of the master plan described in paragraph ~~[(p)]~~ ***(q)*** of subsection 1 of NRS 278.160 which has been adopted for the community and the relocation of a public park. The term does not include the vacation of a street that is not depicted in the streets and highways plan of the master plan described in paragraph ~~[(p)]~~ ***(q)*** of subsection 1 of NRS 278.160 which has been adopted for the community.

Sec. 16. NRS 268.190 is hereby amended to read as follows:

2. Recommend to the city council and all other public authorities plans and regulations for the future growth, development and beautification of the municipality in respect to its public and private buildings and works, streets, parks, grounds and vacant lots, which must include for each city a population plan if required by NRS 278.170 ***,*** ~~[and]~~ a plan for the development of affordable housing ~~[.]~~ ***and, for each city located in a county whose population is 400,000 or more, a plan to inventory and preserve historic neighborhoods.***

Will you please pray with me?

Heavenly Father, today we come to You as Your servants. We have made some tough decisions, decisions that we hope will help to relieve the suffering of the people we were elected to represent. Please guide our hearts and minds to make the best possible choices every time we come together in these chambers to do the work of the people of Nevada.

Lord, no one here does the work alone. We are surrounded with a wonderful staff and we ask for Your blessing on every person in this building and allow Your Spirit to shine in their hearts to encourage them as we finish these important tasks. Please bless our families and keep watch over them while we are away from home, and for those of us traveling this weekend to be with our loved ones, please bless our journey with safety.

We are surrounded by many blessings, and we must remember to be thankful always. Blessings are not just the beauty that surrounds us, the health we enjoy, and the people in our lives. Sometimes blessings do not appear until we take the time to look for them. Help us to see the blessings You have provided, let us see one another through Your eyes, and remember that every person is a child of Yours. It is in Your Son's Name we pray.

AMEN.

CONSIDERATION OF SENATE AMENDMENTS

Assembly Bill No. 319.

The following Senate amendment was read:

Amendment No. 739.

AN ACT relating to education; prescribing certain rights for school employees; revising provisions relating to certain licensed employees who are reinstated after dismissal from employment; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Sections 7 and 8 of this bill provide specified rights for a school employee in a meeting with an administrator or representative of a school district which may result in disciplinary action against the school employee, or which involves a complaint made by the school employee concerning his working conditions or the manner in which he is treated. **Section 8.5 of this bill provides that an unlicensed employee may be suspended with loss of pay at any time after a due process hearing has been held and requires an unlicensed employee who is dismissed from employment to be reinstated with full compensation, plus interest, for all missed days of work if sufficient grounds for dismissal do not exist.** **Section 11** of this bill requires the board of trustees of each school district to adopt a written policy prohibiting acts or statements that are intended to convince school employees to waive the rights provided by **sections 2-11** of this bill.

~~[Section 12 of this bill imposes restrictions on the involuntary transfer of a licensed employee.]~~

Under existing law, a licensed employee of a school district who is dismissed from employment must be reinstated with full compensation, plus interest, if sufficient grounds for dismissal do not exist. Sec. 5. ***"School employee" means any licensed or unlicensed person employed by the board of trustees of a school district. The term does not include a person who is employed on a temporary basis or a person who is employed as an independent contractor.***

AN ACT relating to education; **revising provisions relating to sponsorship of charter schools; creating the Nevada Charter School Institute; prescribing the membership, duties and powers of the Institute;** revising provisions governing the membership of a committee to form a charter school and the governing body of a charter school; revising provisions for the process of review of an application to form a charter school; authorizing the governing body of a charter school to set a salary for the attendance of its members at meetings of the governing body; revising the requirements for a charter school to be eligible for an exemption from annual performance audits and to receive certain money for facilities; revising various other provisions governing charter schools; repealing the Subcommittee on Charter Schools; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the formation of charter schools and authorizes school districts, the State Board of Education and colleges and universities within the Nevada System of Higher Education to sponsor charter schools. (NRS 386.500-386.610) Sections 22-32 of this bill create the Nevada Charter School Institute and prescribe the membership of the Charter School Institute. Section 35 of this bill removes the authority of the State Board of Education to sponsor charter schools and authorizes the Nevada Charter School Institute to sponsor charter schools. Sections 41 and 50 of this bill authorize the Nevada Charter School Institute to adopt regulations relating to charter schools and eliminate the authority of the Department of Education and the State Board of Education to adopt certain regulations relating to charter schools. Section 2 of this bill transfers the duty to prepare an annual report of accountability information of all the charter schools in this State from the board of trustees of a school district to the Nevada Charter School Institute. Sections 64 and 65 of this bill require the Director of the Nevada Charter School Institute and other persons employed by the Charter School Institute to be appointed or hired, as appropriate. Section 66 of this bill requires the members of the Nevada Charter School Institute to be appointed. Section 69 of this bill transfers the sponsorship of all State Board-sponsored charter schools to the Nevada Charter School Institute.

Existing law prescribes the membership of a committee to form a charter school and prescribes the process for the initial review of an application to

form a charter school by the Department of Education. (NRS 386.520) **Section ~~[1]~~ 36** of this bill revises the membership of the committee and the process for review of the application by the Department.

Upon approval of an application by the Department, existing law provides that a committee to form a charter school may submit an application to the proposed sponsor. (NRS 386.525) **Section ~~[2]~~ 37** of this bill revises provisions governing the review of such an application if the ~~[State Board of Education]~~ **Nevada Charter School Institute** is the proposed sponsor.

Existing law authorizes the governing body of a charter school to submit a request for an amendment to the written charter. (NRS 386.527) **Section ~~[3]~~ 38** of this bill provides that if the sponsor of the charter school denies the request for an amendment, the sponsor must provide written notice of the reasons for the denial.

Existing law requires the Department to provide certain information regarding the charter schools operating in this State. (NRS 386.545) **Section ~~[5]~~ 42** of this bill provides that if the Department requests certain information from a charter school that is not required by specific statute **~~[.]~~ or regulation,** the Department shall include in the request a mechanism by which the Department will pay or reimburse the charter school for the requested information, if the provision of the information will cost the charter school money.

Existing law prescribes the membership, qualifications and powers of the governing body of a charter school and requires the governing body to hold at least quarterly meetings. (NRS 386.549) **Section ~~[6]~~ 44** of this bill revises provisions governing the membership of the governing body and authorizes the governing body, upon a majority vote of the members, to set a salary for the attendance of its members at meetings of the governing body, not to exceed $80 per meeting per month.

Existing law prescribes the requirements for a charter school to be exempt from an annual performance audit and undergo a performance audit every 3 years and to be eligible for available money from legislative appropriations or otherwise for facilities. A charter school is eligible if at least 75 percent of the pupils enrolled in the charter school who are required to take the high school proficiency examination have passed that examination. (NRS 386.5515) **Section ~~[7]~~ 45** of this bill revises this eligibility provision to require that at least 75 percent of the pupils enrolled in the charter school in grade 12 in the immediately preceding school year who have satisfied the coursework requirements for graduation have passed the high school proficiency examination.

Existing law provides that the pupils enrolled in charter schools must be included in the count for the purposes of apportionments and allowances from the State Distributive School Account and provides for the reimbursement of administrative costs to the sponsor of a charter school. (NRS 386.570) **Section ~~[9]~~ 47** of this bill requires the ~~[State Board]~~ **Nevada Charter School Institute** to prescribe a process which ensures that all

charter schools, regardless of sponsor, have information of all sources of funding for the public schools provided through the Department. **Section ~~[9]~~ 47** also changes the percentage of administrative costs that the ~~[State Board or a college or university]~~ **sponsor of a charter school** may receive for sponsorship**.** ~~[after the first year of operation of a charter school from 1.5 percent to 1 percent.]~~

Existing law prescribes the process for a parent or legal guardian of a child to file a notice of intent to homeschool the child with the superintendent of schools of the school district. (NRS 392.700) **Section ~~[10]~~ 60** of this bill provides that if such a child seeks admittance or entrance to a public school after being homeschooled, the parent or legal guardian shall notify the superintendent to withdraw the notice of intent to homeschool. **Section ~~[10]~~ 60** further provides that if such a child enrolls in a charter school, the charter school shall notify the board of trustees of the school district in which the child resides.

Existing law creates the Subcommittee on Charter Schools. (NRS 386.507) **Section ~~[11]~~ 61** of this bill repeals the Subcommittee.

387.124 Except as otherwise provided in this section and NRS 387.528:

1. On or before August 1, November 1, February 1 and May 1 of each year, the Superintendent of Public Instruction shall apportion the State Distributive School Account in the State General Fund among the several county school districts, charter schools and university schools for profoundly gifted pupils in amounts approximating one-fourth of their respective yearly apportionments less any amount set aside as a reserve. The apportionment to a school district, computed on a yearly basis, equals the difference between the basic support and the local funds available pursuant to NRS 387.1235, minus all the funds attributable to pupils who reside in the county but attend a charter school, all the funds attributable to pupils who reside in the county and are enrolled full-time or part-time in a program of distance education provided by another school district or a charter school and all the funds attributable to pupils who are enrolled in a university school for profoundly gifted pupils located in the county. No apportionment may be made to a school district if the amount of the local funds exceeds the amount of basic support.

2. Except as otherwise provided in subsection 3, the apportionment to a charter school, computed on a yearly basis, is equal to the sum of the basic support per pupil in the county in which the pupil resides plus the amount of local funds available per pupil pursuant to NRS 387.1235 and all other funds available for public schools in the county in which the pupil resides minus all the funds attributable to pupils who are enrolled in the charter school but are concurrently enrolled part-time in a program of distance education provided by a school district or another charter school. If the apportionment per pupil to a charter school is more than the amount to be apportioned to the school district in which a pupil who is enrolled in the charter school resides, the school district in which the pupil resides shall pay the difference directly to the charter school.

3. The apportionment to a charter school that is sponsored by the ~~[State Board]~~ ***Nevada Charter School Institute*** or by a college or university within the Nevada System of Higher Education, computed on a yearly basis, is equal to the sum of the basic support per pupil in the county in which the pupil resides plus the amount of local funds available per pupil pursuant to NRS 387.1235 and all other funds available for public schools in the county in which the pupil resides, minus all funds attributable to pupils who are enrolled in the charter school but are concurrently enrolled part-time in a program of distance education provided by a school district or another charter school.

4. In addition to the apportionments made pursuant to this section, an apportionment must be made to a school district or charter school that provides a program of distance education for each pupil who is enrolled part-time in the program. The amount of the apportionment must be equal to the

percentage of the total time services are provided to the pupil through the program of distance education per school day in proportion to the total time services are provided during a school day to pupils who are counted pursuant to subparagraph (2) of paragraph (a) of subsection 1 of NRS 387.1233 for the school district in which the pupil resides.

5. The governing body of a charter school may submit a written request to the Superintendent of Public Instruction to receive, in the first year of operation of the charter school, an apportionment 30 days before the apportionment is required to be made pursuant to subsection 1. Upon receipt of such a request, the Superintendent of Public Instruction may make the apportionment 30 days before the apportionment is required to be made. A charter school may receive all four apportionments in advance in its first year of operation.

6. The apportionment to a university school for profoundly gifted pupils, computed on a yearly basis, is equal to the sum of the basic support per pupil in the county in which the university school is located plus the amount of local funds available per pupil pursuant to NRS 387.1235 and all other funds available for public schools in the county in which the university school is located. If the apportionment per pupil to a university school for profoundly gifted pupils is more than the amount to be apportioned to the school district in which the university school is located, the school district shall pay the difference directly to the university school. The governing body of a university school for profoundly gifted pupils may submit a written request to the Superintendent of Public Instruction to receive, in the first year of operation of the university school, an apportionment 30 days before the apportionment is required to be made pursuant to subsection 1. Upon receipt of such a request, the Superintendent of Public Instruction may make the apportionment 30 days before the apportionment is required to be made. A university school for profoundly gifted pupils may receive all four apportionments in advance in its first year of operation.

7. The Superintendent of Public Instruction shall apportion, on or before August 1 of each year, the money designated as the "Nutrition State Match" pursuant to NRS 387.105 to those school districts that participate in the National School Lunch Program, 42 U.S.C. §§ 1751 et seq. The apportionment to a school district must be directly related to the district's reimbursements for the Program as compared with the total amount of reimbursements for all school districts in this State that participate in the Program.

8. If the State Controller finds that such an action is needed to maintain the balance in the State General Fund at a level sufficient to pay the other appropriations from it, he may pay out the apportionments monthly, each approximately one-twelfth of the yearly apportionment less any amount set aside as a reserve. If such action is needed, the State Controller shall submit a report to the Department of Administration and the Fiscal Analysis Division of the Legislative Counsel Bureau documenting reasons for the action.

Legislative Counsel's Digest:

Section ~~[1]~~ 3 of this bill requires that a petitioner for the appointment of a guardian **for a proposed adult ward** provide the court with an assessment completed by a licensed physician of the proposed **adult** ward's needs and limitations in capacity before the court makes a final order in the case. his right to counsel and to the proceeding be transmitted to the court. (NRS 159.0485)

Existing law provides that a proposed ward found in this State must attend a hearing for the appointment of a guardian unless a certificate is signed indicating the reasons the proposed ward cannot appear. (NRS 159.0535) **Section ~~[3]~~ 5** of this bill provides that a proposed ward who is unable to attend a hearing for the appointment of a general or special guardian may attend by videoconference. **Section ~~[3]~~ 5** further provides that if a proposed ward **is an adult and** cannot attend the hearing or appear by videoconference, the court must have the person who signs the certificate to excuse the proposed **adult** ward from attending the hearing meet with the proposed **adult** ward and report back to the court regarding the proposed **adult** ward's desire for representation at the hearing, preferences if a guardianship is imposed and any information the person believes may have limited any of the proposed **adult** ward's responses.

Existing law provides that a guardian must file with the court annually, or at such other times the court deems appropriate, a written report on the condition of the ward and the exercise of authority and the performance of duties by the guardian. Existing law provides that a guardian must file with the court annually, or at such other times the court deems appropriate, a written report on the condition of the ward and the exercise of authority and the performance of duties by the guardian. (NRS 159.081) **Section 6** of this bill: (1) provides that a guardian must also file with the court a report within 10 days of moving a ward to a secured residential long-term care facility; and (2) authorizes the court to determine the form and contents of such a report.

Section 7 of this bill requires a guardian to petition the court and receive the court's consent before moving a ward into a secured residential long-term care facility. However, a guardian does not need to petition the court if the court has already granted the guardian the authority to move the ward to such a facility or if a licensed physician, a physician employed by the Department of Veterans Affairs, a licensed social worker or an employee of the county's office of protective services recommends the transfer in writing. (NRS 159.113)

Section 10 of this bill establishes the right of a patient or a person authorized to act on behalf of a patient who resides in a facility for hospice care, facility for intermediate care, facility for skilled nursing or residential facility for groups to install and operate a monitoring device in the room of the patient. Section 10 also prescribes the required waivers that must be obtained from the patient or the person authorized to act on his behalf who is installing the device and from each patient who also resides in the room or a person authorized to act on the patient's behalf.

Section 12 of this bill requires that the monitoring device be installed in a manner that is safe for the residents, employees and visitors to the room, that the monitoring device be installed in compliance with all applicable regulations and codes, and that all monitoring be conducted in plain view. Section 13 of this bill sets forth the conditions under which a video recording from such a monitoring device may be admitted into evidence in a civil or criminal court action or in an administrative proceeding.

Amendment No. 770.

AN ACT relating to mortgage lending; defining the term "loan modification consultant"; requiring certain mortgage lending professionals to be licensed ~~[as a mortgage agent or mortgage broker;]~~ **; establishing certain requirements for the provision of services by certain mortgage lending professionals; establishing provisions governing compensation of certain mortgage lending professionals; establishing certain powers of the Commissioner of Mortgage Lending; revising provisions relating to the imposition of certain fees and assessments on certain mortgage lending professionals;** revising the definition of "homeowner" as it applies to services performed by certain mortgage lending professionals; revising provisions governing the applicability of requirements regarding foreclosure consultants and loan modification consultants; ~~[revising provisions governing compensation of foreclosure consultants;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 2 of this bill defines the term "loan modification consultant."

Existing law does not currently require a foreclosure consultant to be licensed. (NRS 645F.300-645F.450) **Section 3** of this bill requires **the Commissioner of Mortgage Lending to adopt separate regulations for the licensing of** a person who performs any of a variety of specified services for compensation, a foreclosure consultant and a loan modification consultant **.** ~~[to be licensed under the provisions of chapter 645B of NRS, which governs mortgage brokers and mortgage agents. This licensing requirement makes such persons subject to the regulatory and penalty provisions set forth in chapter 645B of NRS.]~~

Section 3.1 of this bill requires such persons to execute a written contract with a homeowner before providing certain services for compensation. Section 3.1 also requires the Commissioner to adopt regulations describing the information that must be contained in such a written contract.

Sections 3.3 and 6.5 of this bill require a person who performs certain services for compensation, a foreclosure consultant and a loan modification consultant to deposit any money received as compensation for the performance of certain services in a trust account. Section 3.3 also requires such persons to maintain certain records regarding such trust accounts and prohibits withdrawals from such trust accounts until the completion of certain services as agreed upon in a written contract for the performance of such services. Section 3.3 further authorizes the Commissioner or his authorized agents to inspect and audit the records associated with the trust accounts.

Section 3.5 of this bill grants certain additional powers to the Commissioner with regard to the conduct of any examination, periodic or special audit, investigation or hearing.

Section 3.7 of this bill requires the Commissioner to adopt regulations to establish rates to be paid by a person who performs certain services for compensation, a foreclosure consultant and a loan modification consultant for supervision and examinations by the Commissioner or the Division of Mortgage Lending of the Department of Business and Industry. (NRS 645F.280) Section 3.9 of this bill requires the Commissioner to collect an assessment from such persons for deposit in the Fund for Mortgage Lending. (NRS 645F.290)

Section 5 of this bill revises the definition of "homeowner" as it applies to services performed by foreclosure consultants by expanding the definition to include any record owner of residence, rather than only the record owner of a residence in foreclosure at the time the notice of the pendency of an action for foreclosure is recorded or the notice of default and election to sell is recorded. (NRS 645F.360)

Section 6 of this bill provides that an attorney at law is exempt from the provisions governing a person who performs any covered service for compensation, a loan modification consultant, a foreclosure consultant or a foreclosure purchaser unless the services rendered by the attorney are performed in the course and scope of his employment by or other affiliation with a mortgage broker or mortgage agent. (NRS 645F.380)

Section 6.5 of this bill ~~[clarifies that a foreclosure consultant is prohibited from claiming, demanding, charging, collecting or receiving any compensation until after the foreclosure consultant has fully performed every covered service he contracted to perform or represented he would perform, rather than after the performance of any individual service.]~~ **provides that the violation of certain provisions by such persons shall be deemed to constitute mortgage lending fraud, as that term is described in NRS 205.372.** (NRS 645F.400)

Assembly Bill No. 314.

The following Senate amendment was read:

Amendment No. 765.

AN ACT relating to dentistry; authorizing the Board of Dental Examiners of Nevada to issue a limited license to supervise certain courses of continuing education involving live patients; authorizing students to participate in such courses of continuing education under certain circumstances; **authorizing the Board to issue a specialist's license to a person who has completed the educational requirements for certification in a specialty under certain circumstances;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1 of this bill allows a person who has received a degree in dentistry from an accredited program to receive a limited license to supervise certain courses of continuing education involving live patients. A limited license issued under **section 1** expires 1 year after being issued and may be renewed annually. **Section 1** also: (1) authorizes the Board of Dental Examiners of Nevada to charge a fee for the issuance or renewal of the limited license; (2) authorizes the Board to suspend or revoke the limited license under certain circumstances; and (3) imposes a duty upon the holder of the limited license to report certain events to the Board.

Section 2 of this bill provides that NRS 631.215 does not prevent a dentist who is licensed in another state or country from participating in a course of postgraduate continuing education in dentistry supervised by the holder of a limited license issued pursuant to **section 1** under certain circumstances.

Existing law authorizes the Board to issue a specialist's license to a person without requiring the person to take the clinical examination required pursuant to NRS 631.240 if the person presents a current certification as a diplomate from a certifying board approved by the Commission on Dental Accreditation of the American Dental Association and meets certain other qualifications. (NRS 631.255) Section 3 of this bill expands the authorization to include issuing a specialist's license to a person who has completed the educational requirements specified for qualification in a specialty area by a certifying board and who is eligible to be certified, so long as the person submits to the Board his certificate as a diplomate within 6 years after he is issued the specialist's license and maintains the certification while licensed as a specialist in this State.

Existing law sets forth various requirements concerning a franchise between a supplier and a wholesaler of malt beverages, distilled spirits and wines. (NRS 597.120-597.180) **Section 3** of this bill prohibits a supplier from unreasonably withholding or delaying its approval of certain sales, assignments or transfers of an interest in a wholesaler's assets or of the substitution of a person under a franchise. **Section 3** provides for the liability of the supplier to a wholesaler if the supplier unreasonably withholds its consent in violation of **section 3**. **Section 4** prohibits a supplier from taking various other actions against a wholesaler.

3. A transfer of liquor pursuant to this section is not a purchase or sale of that liquor.

~~[3.]~~ ***4. An affiliate of a wholesale dealer located outside this State who ships liquor pursuant to this section is not engaged in business as a supplier for purposes of this chapter and chapter 597 of NRS. Legislative Counsel's Digest:

Section 5 of this bill provides that a rental agreement between a landlord and a tenant for the rental or lease of certain lots in a manufactured home park in this State may only be terminated on one or more of the grounds listed in existing law regardless of the fact that a notice of termination may have been served upon the tenant. (NRS 40.380, 40.385) Existing law further provides that the summary eviction process may not be used against certain tenants in mobile home parks. (NRS 40.253) Section 6 of this bill changes the amount of the bond that certain defendants who are tenants in a mobile home park are required to file to obtain a stay of execution upon an appeal from an order entered in an action for unlawful detainer from twice the amount of the judgment and costs to $250. Section 6 also: (1) requires certain tenants in a mobile home park who retain possession of the premises that are the subject of the appeal to pay the landlord the rent in the amount provided in the underlying contract as it becomes due; and (2) authorizes, under certain circumstances, the court or justice to vacate the stay of execution if such a tenant fails to pay the rent. THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 597 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 6, inclusive, of this act.

Sec. 2. ***As used in sections 2 to 6, inclusive, of this act, unless the context otherwise requires, the words and terms defined in sections 3 and 4 of this act have the meanings ascribed to them in those sections.***

2. Is an employee of or seeks employment with the other party to the agreement.

Sec. 4. ***"Consumer arbitration agreement" means a standardized contract where one party drafts a provision that requires disputes arising after the signing of the contract to be submitted to binding arbitration and the other party is a consumer. Such an agreement does not include a public or private sector collective bargaining agreement.***

Sec. 5. ***A consumer arbitration agreement is void and unenforceable except to the extent federal law provides for its enforceability.***

Sec. 6. ***1. A person drafting a consumer arbitration agreement shall clearly and conspicuously disclose in regard to any arbitration:***

(c) Other charges that the arbitrator or arbitration service provider will assess in conjunction with an arbitration where the consumer appears in person; and

(d) The proportion of these costs which each party bears in the event that the consumer prevails and in the event that the consumer does not prevail.

2. The costs specified in subsection 1 need not include attorney's fees and, to the extent that, with regard to the disclosures required by subsection 1, precise amounts of the fees, costs and charges are not known, the disclosures may be based on reasonable, good faith estimates. A person providing a reasonable, good faith estimate is not liable in any manner for the fact that the actual fees, costs and charges of a particular arbitration vary from the estimate provided.

3. Failure to comply with this section is not grounds to refuse to enforce a consumer arbitration agreement. However, the information provided in the disclosure can be considered in a determination of whether

a consumer arbitration agreement is unconscionable or otherwise not enforceable under other law.

4. Whenever this section is violated, any affected person or entity, including the Attorney General, may request a court to enjoin the drafting party from violating this section as to agreements the drafting party enters in the future. The drafting party is liable to the person or entity requesting the injunction for the reasonable attorney's fees and costs of the person requesting the injunction where the court issues an injunction or where, after the action is commenced, the drafting party voluntarily complies with this section.

Sec. 7. Chapter 38 of NRS is hereby amended by adding thereto the provisions set forth as sections 8 to 14, inclusive, of this act.

Sec. 8. ***"Consumer" means a person who has a dispute relating to that person's status as:***

3. An employee or applicant for employment, except where an arbitration is pursuant to the terms of a public or private sector collective bargaining agreement.

Sec. 9. ***"Consumer arbitration" means a binding arbitration where one party is a consumer.***

Sec. 10. ***1. Any arbitral organization that administers or is otherwise involved in 50 or more consumer arbitrations a year shall collect, publish at least quarterly, and make available to the public in a computer-searchable format, which must be accessible on the Internet website of the arbitral organization, if any, and on paper upon request, all of the following information regarding each consumer arbitration within the preceding 5 years:***

(a) The name of any corporation or other business entity that is a party to the arbitration;

(b) The type of dispute involved, including, without limitation, goods, banking, insurance, health care, debt collection, employment and, if the dispute involves employment, the amount of the employee's annual wage divided into the following ranges:

(2) One hundred thousand dollars or more but not more than two hundred fifty thousand dollars; and

(3) More than two hundred fifty thousand dollars;

(c) Whether the consumer was the prevailing party;

(d) On how many occasions, if any, a business entity that is a party to an arbitration has previously been a party in an arbitration or mediation administered by the arbitral organization;

(e) Whether the consumer was represented by an attorney;

(f) The date the arbitral organization received the demand for arbitration, the date the arbitrator was appointed and the date of disposition by the arbitrator or arbitral organization;

(g) The type of disposition of the dispute, if known, including, without limitation, withdrawal, abandonment, settlement, award after hearing, award without hearing, default or dismissal without hearing;

(h) The amount of the claim, the amount of the award and any other relief granted; and

2. If the information that is required pursuant to subsection 1 is provided by the arbitral organization in a computer-searchable format on the company's Internet website and may be downloaded without any fee, the arbitral organization may charge the actual cost of copying to any person who requests the information on paper. If the information required is not accessible on the Internet, the arbitral organization shall provide that information without charge to any person who requests the information on paper.

3. An arbitral organization that administers or conducts fewer than 50 consumer arbitrations per year may collect and publish the information required by subsection 1 semiannually, provide the information only on paper and charge the actual cost of copying.

4. No arbitral organization has any liability for collecting, publishing or distributing the information in compliance with this section.

Sec. 11. ***No arbitral organization may administer a consumer arbitration to be conducted in this State or provide any other services related to that consumer arbitration, if:***

1. The arbitral organization has, or within the preceding year has had, a financial interest in any party or attorney for a party to the arbitration; or

2. Any party or attorney for a party to the arbitration has, or within the preceding year has had, any type of financial interest in the arbitral organization.

Sec. 12. ***1. All fees and costs charged to or assessed in this State upon a consumer by an arbitral organization in a consumer arbitration must be waived for any person having a gross monthly income that is less than 300 percent of the federal poverty guidelines.***

2. Nothing in this section affects the ability of an arbitral organization to shift fees that would otherwise be charged or assessed upon a consumer to another party.

3. Prior to requesting or obtaining any fee, an arbitral organization shall provide written notice of the right to obtain a waiver of fees in a manner calculated to bring the matter to the attention of a reasonable consumer, including, without limitation, prominently placing a notice in its

first written communication to a consumer and in any invoice, bill, submission form, fee schedule, rules or code of procedure.

4. Any consumer requesting a waiver of fees or costs may establish eligibility by making a declaration under oath on a form provided by the arbitral organization indicating the monthly income of the consumer and the number of persons living in the household of the consumer. No arbitral organization may require a consumer to provide any further statement or evidence of indigency.

5. Any information obtained by an arbitral organization about a consumer's identity, financial condition, income, wealth or fee waiver request must be kept confidential and may not be disclosed to any adverse party or any nonparty to the arbitration, except that an arbitral organization may not keep confidential the number of waiver requests received or granted, or the total amount of fees waived.

Sec. 13. ***A neutral arbitrator or an arbitral organization shall not administer a consumer arbitration under any agreement or rule requiring that a consumer who is a party to the arbitration pay the fees and costs incurred by an opposing party if the consumer does not prevail in the arbitration, including, without limitation, the fees and costs of the arbitrator, arbitral organization, attorney or witnesses.***

Sec. 14. ***Whenever a provision of sections 10 to 14, inclusive, of this act is violated, any affected person or entity, including the Attorney General, may request a court to enjoin the arbitral organization from violating the applicable provision of sections 10 to 14, inclusive, of this act and order such restitution as appropriate. The arbitral organization is liable for the reasonable attorney's fees and costs of that person or entity where that person or entity prevails or where, after the action is commenced, the arbitral organization voluntarily complies with the provisions of sections 10 to 14, inclusive, of this act.***

Sec. 15. NRS 38.207 is hereby amended to read as follows:

2. NRS 38.206 to 38.248, inclusive, ***and sections 8 to 14, inclusive, of this act*** govern an agreement to arbitrate made before October 1, 2001, if all the parties to the agreement or to the arbitral proceeding so agree in a record.

3. On or after October 1, 2003, NRS 38.206 to 38.248, inclusive, ***and sections 8 to 14, inclusive, of this act*** govern an agreement to arbitrate whenever made.

Sec. 17. NRS 38.219 is hereby amended to read as follows:

38.219 1. An agreement contained in a record to submit to arbitration any existing or subsequent controversy arising between the parties to the agreement is valid, enforceable and irrevocable except ***:*** ~~[upon]~~

(a) As provided in ~~*[sections]*~~ ***section*** *5* ~~*[and 20]*~~ ***of this act; or***

(b) Upon a ground that exists at law or in equity for the revocation of a contract.

2. The court shall decide whether an agreement to arbitrate exists or a controversy is subject to an agreement to arbitrate.

3. An arbitrator shall decide whether a condition precedent to arbitrability has been fulfilled and whether a contract containing a valid agreement to arbitrate is enforceable.

4. If a party to a judicial proceeding challenges the existence of, or claims that a controversy is not subject to, an agreement to arbitrate, the arbitral proceeding may continue pending final resolution of the issue by the court, unless the court otherwise orders.

Sec. 18. NRS 38.222 is hereby amended to read as follows:

38.222 1. ***Except as otherwise provided in section 13 of this act:***

(a) Before an arbitrator is appointed and is authorized and able to act, the court, upon motion of a party to an arbitral proceeding and for good cause shown, may enter an order for provisional remedies to protect the effectiveness of the arbitral proceeding to the same extent and under the same conditions as if the controversy were the subject of a civil action.

~~[2.]~~ ***(b)*** After an arbitrator is appointed and is authorized and able to act:

~~[(a)]~~ ***(1)*** The arbitrator may issue such orders for provisional remedies, including interim awards, as he finds necessary to protect the effectiveness of the arbitral proceeding and to promote the fair and expeditious resolution of the controversy, to the same extent and under the same conditions as if the controversy were the subject of a civil action; and

~~[(b)]~~ ***(2)*** A party to an arbitral proceeding may move the court for a provisional remedy only if the matter is urgent and the arbitrator is not able to act timely or the arbitrator cannot provide an adequate remedy.

~~[3.]~~ ***2.*** A party does not waive a right of arbitration by making a motion under subsection 1 **.** ~~[or 2.]~~

Sec. 19. NRS 38.238 is hereby amended to read as follows:

38.238 ***Except as otherwise provided in section 13 of this act:***

2. As to all remedies other than those authorized by subsection 1, an arbitrator may order such remedies as he considers just and appropriate under the circumstances of the arbitral proceeding. The fact that such a remedy could not or would not be granted by the court is not a ground for refusing to confirm an award under NRS 38.239 or for vacating an award under NRS 38.241.

3. An arbitrator's expenses and fees, together with other expenses, must be paid as provided in the award.

All present.

Prayer by the Chaplain, Reverend Bruce Henderson.

I read this morning from the Bible, Hebrews, Chapter 12:

"Therefore, since we have so great a cloud of witnesses surrounding us, let us also lay aside every encumbrance, and the sin which so easily entangles us, and let us run with endurance the race that is set before us . . ."

Lord, there is a race set before us, and we've been running for the last several months. There is also a great cloud of witnesses watching our every step. We still have some hurdles to go before the finish line. Help us to lay aside every encumbrance and overcome the difficulties. Please keep us focused, compassionate, and able to work together for the sake of the people. I pray in Your Name.

CONSIDERATION OF SENATE AMENDMENTS

Assembly Joint Resolution No. 5.

The following Senate amendment was read:

Amendment No. 757.

SUMMARY—Proposes to amend the Nevada Constitution to ~~[authorize the Legislature to convene]~~ **revise provisions governing the convening and conduct of** special sessions ~~[of the Legislature under certain circumstances.]~~ **and the duration and adjournment of regular and special sessions.** (BDR C-139)

ASSEMBLY JOINT RESOLUTION—Proposing to amend the Nevada Constitution to limit the duration of special sessions of the Legislature to 20 **consecutive calendar** days ~~[, limit matters]~~ **with the exception of impeachment, removal and expulsion proceedings, to limit the types of bills** which may be **introduced,** considered **or passed** during a special session ~~[and]~~ **, to** provide that a special session may be convened by a petition signed by two-thirds of the Legislators of each ~~[house.]~~ **House and to provide that regular and special sessions must be adjourned on the**

final calendar day not later than midnight Pacific time based on the actual measure of time used and observed by the general population of Nevada.

Legislative Counsel's Digest:

Under the Nevada Constitution, only the Governor ~~[may]~~ **is granted express power to** convene a special session of the ~~[Nevada Legislature.]~~ **Legislature on extraordinary occasions.** (Nev. Const. Art. 5, § 9) **The Nevada Constitution does not grant the Legislature express power to convene a special session on extraordinary occasions, such as when it is necessary to: (1) hold impeachment or removal proceedings against the Governor, Supreme Court Justices or other state and judicial officers who have committed misconduct in office; (2) hold expulsion proceedings against Legislators who have committed misconduct in office; (3) enact bills or appropriations to address unexpected conditions or emergency situations; or (4) reconsider bills vetoed by the Governor after the adjournment of a regular session. (Nev. Const. Art. 4, §§ 1, 6, 16-23, 35; Nev. Const. Art. 7, §§ 1-3)**

This resolution proposes to amend the Nevada Constitution to authorize the Legislature **, on extraordinary occasions,** to convene a special session ~~[by signed petition of]~~ **upon a petition signed by** two-thirds of the members of each House of the Legislature. ~~[The]~~ **This** resolution also provides that the **only** bills ~~[introduced during the]~~ **the Legislature may introduce, consider or pass at any** special session ~~[must relate to the purpose of]~~ **are bills related to the business for which** the **special** session **~~[, except that]~~ is convened and** bills necessary to provide for the expenses of the session **.** ~~[may also be introduced. Finally, the]~~

In addition, this resolution limits the duration of any special session ~~[of the Legislature]~~ to 20 **consecutive** calendar days **~~[.]~~ , unless the special session is convened to conduct proceedings for: (1) impeachment or removal from office of the Governor, Supreme Court Justices or other state and judicial officers pursuant to Article 7 of the Nevada Constitution; or (2) expulsion from office of a Legislator pursuant to Section 6 of Article 4 of the Nevada Constitution. The exceptions for impeachment, removal and expulsion proceedings are necessary to ensure that such proceedings comport with the concepts of due process, substantial justice and fundamental fairness. (U.S. Const. Amend. XIV, § 1; Nev. Const. Art. 1, § 8)**

Finally, the Nevada Constitution provides that regular sessions must be adjourned on the final calendar day not later than "midnight Pacific standard time." (Nev. Const. Art. 4, § 2) The Nevada Supreme Court has held that when the State is observing daylight saving time on the final calendar day of a session, the Legislature is not required to adjourn the session when the clock strikes midnight for the general population of Nevada but may continue the session until 1:00 a.m. Pacific daylight

saving time because such time is equivalent to "midnight Pacific standard time." (*Nevada Mining Ass'n v. Erdoes*, 117 Nev. 531 (2001))

This resolution proposes to amend the Nevada Constitution to provide that regular and special sessions must be adjourned on the final calendar day not later than "midnight Pacific time," which must be determined based on the actual measure of time that is being used and observed by the general population of Nevada within the Pacific time zone or, in other words, the time on the clock. The resolution also provides that the Legislature and its members, officers and employees shall not employ any device, pretense or fiction that adjusts, evades or ignores the time on the clock for the purpose of extending the duration of the session.

If this ~~[proposed]~~ resolution is passed by the 2009 Legislature, it must also be passed by the next Legislature and then approved and ratified by the people in an election, before the proposed amendments to the Nevada Constitution become effective.

WHEREAS, The Nevada Constitution does not grant the Nevada Legislature express power to convene a special session on extraordinary occasions; and

WHEREAS, There are extraordinary occasions when it is imperative for the Legislature to have express power to convene a special session, such as when it is necessary to hold impeachment or removal proceedings pursuant to Article 7 of the Nevada Constitution against the Governor, Supreme Court Justices or other state and judicial officers who have committed misconduct in office, or when it is necessary to hold expulsion proceedings pursuant to Section 6 of Article 4 of the Nevada Constitution against Legislators who have committed misconduct in office; and

WHEREAS, There are other extraordinary occasions when it is imperative for the Legislature to have express power to convene a special session, such as when it is necessary to enact bills or appropriations to address unexpected conditions or emergency situations, or when it is necessary to reconsider bills vetoed by the Governor after the adjournment of a regular session; and

WHEREAS, There are currently 32 state legislatures **in the nation** that have ~~[the ability]~~ **express power** to call a special ~~[legislative]~~ session when ~~[deemed necessary;]~~ **there are extraordinary occasions;** and

WHEREAS, The Nevada Legislature is ~~[1]~~ **part of a group** of only 18 state ~~[legislative bodies in the nation that may]~~ **legislatures that do** not **have express power to** call a special session, and ~~[11]~~ **part of a group** of only 11 ~~[Legislatures]~~ **state legislatures** that may not determine any of the subject matter to be considered at a special session; and

WHEREAS, The Nevada Constitution is grounded on the principle of three ~~[equal]~~ **coequal** branches of State Government, with the ultimate authority and responsibility to enact necessary legislation being vested in the Legislative Branch, subject to final approval by the Governor; and

WHEREAS, Nevada's current constitutional language, which ~~[allows only]~~ **grants** the Governor **express power** to call the Legislature into special session ~~[, impedes and is contrary to]~~ **but which does not grant such express power to the Legislature, diminishes** the constitutional ~~[provision that vests the legislative authority of the State of Nevada in its]~~ **separation of powers by impeding the authority of this State's** elected Legislature ~~[,]~~ **to perform its constitutional functions of enacting necessary legislation and conducting impeachment, removal and expulsion proceedings on extraordinary occasions;** and

WHEREAS, The Nevada Legislature should be authorized to operate with a reasonable degree of independence from the Executive and Judicial Branches as is consistent with the separation of powers principle, and should be empowered to identify those ~~[topics]~~ **extraordinary occasions** that may require the Legislature to call a limited special session deemed in the best interest of the people of the State of Nevada; now, therefore, be it

RESOLVED BY THE ASSEMBLY AND SENATE OF THE STATE OF NEVADA, JOINTLY, That a new section, designated Section 2A, be added to Article 4 of the Nevada Constitution to read as follows:

Amendment No. 918.

SUMMARY— ~~[Authorizes the Nevada Gaming Commission to prescribe the manner of regulating governmental entities that are involved in]~~ **Makes various changes relating to** gaming. (BDR 41-603)

AN ACT relating to gaming; authorizing the Nevada Gaming Commission to prescribe the manner of regulating governmental entities that are involved in gaming; **revising the definition of "sports pools"; revising the provisions relating to off-track pari-mutuel wagering;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, certain persons who are involved in gaming are required to be licensed, registered, found suitable or approved by the Nevada Gaming Commission, including, for example, persons who: (1) deal, operate, carry on, conduct, maintain or expose for play in this State any gambling game, gaming device, inter-casino linked system, mobile gaming system, slot machine, race book or sports pool; (2) provide or maintain any information service; (3) operate a gaming salon; (4) receive, directly or indirectly, any compensation or reward or any percentage or share of the money or property played, for keeping, running or carrying on any gambling game, slot machine, gaming device, mobile gaming system, race book or sports pool; (5) furnish any equipment of any gambling game for any interest, percentage or share of the money or property played; or (6) are employees, agents, guardians, personal representatives, lenders or holders of indebtedness of a

gaming licensee and who, in the opinion of the Nevada Gaming Commission, have the power to exercise a significant influence over a licensee's operation of a gaming establishment. (NRS 463.160-463.167)

~~[This]~~ **Section 1 of this** bill provides that if an applicant for a license, registration, finding of suitability or any required approval is a governmental entity or is owned or controlled by a governmental entity, the applicant must file such applications for licenses, registrations, findings of suitability or any other approvals as the Nevada Gaming Commission may prescribe.

Existing law defines a "sports pool" as the business of accepting wagers on sporting events by any system or method of wagering. (NRS 463.0193) The regulations of the Nevada Gaming Commission provide that a "sports pool" means a business that accepts wagers on sporting events or other events. (Regulation 22.010 of the Nevada Gaming Commission) Section 3 of this bill amends the statutory definition to include "other events" within the definition of "sports pool" in a manner consistent with the regulations.

Sections 4 and 6 of this bill clarify that, in addition to authorizing off-track pari-mutuel wagering on horse races, existing law also authorizes off-track pari-mutuel wagering on dog races. (NRS 464.005, 466.095)

Existing law authorizes the Commission to appoint an Off-Track Pari-Mutuel Wagering Committee, which, if appointed, has the exclusive right to negotiate an agreement relating to off-track pari-mutuel wagering. (NRS 464.020) Section 5 of this bill provides that any agreement negotiated by the Off-Track Pari-Mutuel Wagering Committee with a track relating to off-track pari-mutuel wagering must not set a different rate for intrastate wagers placed on the licensed premises of a race book and wagers placed through the use of communications technology.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 463 of NRS is hereby amended by adding thereto a new section to read as follows:

Amendment No. 933.

SUMMARY— ~~[Authorizes the Nevada Gaming Commission to prescribe the manner of regulating governmental entities that are involved in]~~ **Makes various changes relating to** gaming. (BDR 41-603)

AN ACT relating to gaming; authorizing the Nevada Gaming Commission to prescribe the manner of regulating governmental entities that are involved in gaming; **revising the boundaries of the Las Vegas Boulevard gaming corridor;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, certain persons who are involved in gaming are required to be licensed, registered, found suitable or approved by the Nevada Gaming Commission, including, for example, persons who: (1) deal, operate,

carry on, conduct, maintain or expose for play in this State any gambling game, gaming device, inter-casino linked system, mobile gaming system, slot machine, race book or sports pool; (2) provide or maintain any information service; (3) operate a gaming salon; (4) receive, directly or indirectly, any compensation or reward or any percentage or share of the money or property played, for keeping, running or carrying on any gambling game, slot machine, gaming device, mobile gaming system, race book or sports pool; (5) furnish any equipment of any gambling game for any interest, percentage or share of the money or property played; or (6) are employees, agents, guardians, personal representatives, lenders or holders of indebtedness of a gaming licensee and who, in the opinion of the Nevada Gaming Commission, have the power to exercise a significant influence over a licensee's operation of a gaming establishment. (NRS 463.160-463.167)

~~[This]~~ **Section 1 of this** bill provides that if an applicant for a license, registration, finding of suitability or any required approval is a governmental entity or is owned or controlled by a governmental entity, the applicant must file such applications for licenses, registrations, findings of suitability or any other approvals as the Nevada Gaming Commission may prescribe.

Existing law provides that the Nevada Gaming Commission is prohibited from approving a nonrestricted license for an establishment in a county whose population is 400,000 or more (currently Clark County) unless the establishment is located in a gaming enterprise district, which is defined as "an area that has been approved by a county, city or town as suitable for operating an establishment that has been issued a nonrestricted license." (NRS 463.0158, 463.308) If the location of a proposed establishment is within the Las Vegas Boulevard gaming corridor or the rural Clark County gaming zone, but not within an area already designated as a gaming enterprise district, the Commission is prohibited from approving a nonrestricted license for the proposed establishment unless the location of the proposed establishment is first designated a gaming enterprise district pursuant to the criteria set forth in NRS 463.3084. (NRS 463.3082) However, if the location of a proposed establishment is not within the Las Vegas Boulevard gaming corridor or the rural Clark County gaming zone and not within an area already designated as a gaming enterprise district, the Commission is prohibited from approving a nonrestricted license for the proposed establishment unless the location of the proposed establishment is first designated a gaming enterprise district pursuant to the criteria set forth in NRS 463.3086, which contains certain additional requirements that are not contained in NRS 463.3084, such as the requirements that: (1) the property line of the proposed establishment must be not less than 500 feet from the property line of a developed residential district and not less than 1,500 feet from the property line of a public school, private school or structure used primarily for religious services or worship; and (2) a three-fourths vote of the governing body

of the county, city or town is required for designation of the location as a gaming enterprise district. (NRS 463.3086)

Section 1.5 of this bill revises the boundaries of the Las Vegas Boulevard gaming corridor to include certain new areas. Consequently, if a proposed establishment which is located in a new area of the Las Vegas Boulevard gaming corridor and which is not already in a gaming enterprise district were to seek to have the location designated as a gaming enterprise district, the determination of whether the location may be designated as a gaming enterprise district would be based upon the criteria set forth in NRS 463.3084, rather than the criteria set forth in NRS 463.3086.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 463 of NRS is hereby amended by adding thereto a new section to read as follows:

1. An applicant which is a governmental entity or which is owned or controlled by a governmental entity must file such applications for licenses, registrations, findings of suitability or any other approvals as the Commission may prescribe.

2. As used in this section, "governmental entity" means a government or any political subdivision of a government.

If a credit that is expected to be paid under 26 U.S.C. § 6431, as amended, is not paid, the issuer of the bonds or other securities may pay the interest that is expected to be paid from the sources pledged or otherwise available to pay the principal of and interest on the bonds or other securities.

9. A purchaser of the bonds is not responsible for the application of the proceeds of the bonds by the municipality or any of its officers, agents and employees.

10. The governing body may enter into a contract to sell special assessment bonds at any time but, if the governing body so contracts before it awards a construction contract or otherwise contracts for acquiring or improving the project, the governing body may terminate the contract to sell the bonds, if:

Existing law sets forth the Housing Authorities Law of 1947. (NRS 315.320, 315.370) The housing authorities governed by this Law exist primarily to ensure that veterans and persons of low income are able to find safe and sanitary housing at affordable prices. (NRS 315.330, 315.340, 315.440, 315.460, 315.510)

This bill, in a county whose population is 400,000 or more (currently Clark County), allows two or more (housing) authorities to form a regional (housing) authority. Such a regional authority is created by a resolution agreed to between or among, as applicable, the governing bodies of the local governments that desire to participate in the regional authority. A regional authority has the same powers and duties as a regular authority, except on an expanded geographic scale. ~~[A regional authority also has the authority to repeal local laws, ordinances and regulations that are in conflict with each other.]~~ Upon the formation of a regional authority, the individual authorities of the county and the cities participating in the regional authority ~~[are dissolved.]~~ **must begin the process of dissolution.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

CONSIDERATION OF SENATE AMENDMENTS

Assembly Bill No. 84.

The following Senate amendment was read:

Amendment No. 773.

SUMMARY—Revises provisions governing ~~[unemployment]~~ compensation. (BDR 53-546)

AN ACT relating to ~~[unemployment]~~ compensation; **revising provisions related to compensation for overtime;** revising provisions for the collection of benefits required to be repaid to the Employment Security Division of the Department of Employment, Training and Rehabilitation; establishing a

penalty for fraudulently obtaining unemployment benefits under certain circumstances; revising provisions relating to the authorized use of money in the Employment Security Fund by the Administrator of the Division; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 8.3 of this bill revises provisions related to an exception to certain requirements for compensation for overtime.

Section 8.5 of this bill authorizes the Administrator of the Employment Security Division of the Department of Employment, Training and Rehabilitation to assess against a person who is overpaid benefits certain administrative fees prescribed by an agency of the United States. **Section 9** of this bill revises existing law by providing that certain fraudulent activity conducted by a person in order to obtain or increase any unemployment benefit or payment, including the filing of a claim while incarcerated without expressly disclosing that the person is incarcerated, constitutes unemployment insurance fraud. **Section 9** also requires a person who commits unemployment insurance fraud to repay to the Administrator all of the benefits received by that person, in addition to any interest, penalties and costs. **Section 9** further provides that a person is disqualified from receiving unemployment compensation benefits for a specified period, but authorizes the Administrator to waive the period of disqualification for good cause shown or if the person adheres to a repayment schedule. Additionally, **section 9** provides that a person who obtains benefits of $250 or more while committing unemployment insurance fraud shall be punished in the same manner as if he committed theft. **Section 9** also provides that the repayment of such benefits may not be done by the withholding of benefits otherwise due and payable to the person unless the period of disqualification is waived by the Administrator. Finally, **section 9** authorizes the Administrator to impose a penalty equal to not more than 25 or 50 percent of the total amount of benefits improperly obtained by a person, depending on the amount improperly obtained by the person. (NRS 612.445)

Section 10 of this bill revises existing law by authorizing the Administrator to use money from the Employment Security Fund for the payment of costs of any program or the implementation of procedures for the proper payment of benefits and the collection of contributions and reimbursements. The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 922.

AN ACT relating to public employees; requiring the Local Government Employee-Management Relations Board to conduct certain hearings using certain hearing officers; revising provisions governing the appointment of members to the Board; revising the periods within which the Board must hear and decide certain complaints; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the Local Government Employee-Management Relations Board has exclusive jurisdiction to hear and determine complaints

brought by local government employers, local government employees or employee organizations concerning various aspects of collective bargaining. (NRS 288.110) The Board also has jurisdiction to consider appeals filed by employee organizations that are aggrieved by the determinations of local government employers concerning which employee groups may constitute bargaining units for purposes of collective bargaining. (NRS 288.170) **Section 3** of this bill requires the Board to conduct the proceedings concerning such complaints or appeals using a hearing officer selected by the parties from a list of arbitrators obtained from the Federal Mediation and Conciliation Service or by appointing the Commissioner of the Board to serve as hearing officer. **Section 4** of this bill requires a hearing officer to prepare and submit to the Board a record of the proceedings concerning the complaint or appeal and to include in the record findings of fact, proposed conclusions of law and a proposed decision or order. **Section 5** of this bill requires the Board to issue its final decision or order upon the completion of its review of the record submitted by the hearing officer. **Section 11** of this bill requires the Board to issue its final decision not later than 1 year after the filing of a complaint if the matter is heard by a hearing officer and not later than 180 days after the filing of a complaint if the Board hears the complaint in the absence of an evidentiary hearing or decides a contested matter without a hearing. (NRS 288.110)

Under existing law, the Board may not consider any complaint or appeal that is filed more than 6 months after the occurrence which is the subject of the complaint or appeal. (NRS 288.110) **Section 11** of this bill reduces this period to 180 days.

Section 7 of this bill requires that each decision or order of the Board in any complaint or appeal must be consistent with the decisions or orders previously issued by the Board in similar cases unless the Board includes in the decision or order an analysis of each previous case that has been cited to the Board which establishes that the decision or order issued in that case is erroneous or is inapposite to or distinguishable from the decision or order in the complaint or appeal at issue.

~~[**Section 7.5** of this bill requires the Board to charge and collect a fee, not to exceed $200, for the filing of a complaint or appeal with the Board or for the filing of any other pleading that constitutes the initial appearance of a party in such a proceeding.]~~

Under existing law, the Local Government Employee-Management Relations Board consists of three members who are appointed by the Governor. (NRS 288.080) **Section 9** of this bill provides that the Governor, the Majority Leader of the Senate and the Speaker of the Assembly shall each appoint one member of the Board.

~~[**Section 10.5** of this bill increases the salary that a member of the Board is entitled to receive from a maximum of $80 to a maximum of $150 for each day in which he is engaged in the business of the Board.]~~

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 288 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 7.5, inclusive, of this act.

Sec. 2. (Deleted by amendment.)

Sec. 3. ***1. If the Board decides to hear and determine any complaint or appeal filed with the Board pursuant to this chapter that requires the taking of testimony or other evidence, the Board shall appoint a hearing officer to conduct the proceedings concerning the complaint or appeal on behalf of the Board.***

2. Except as otherwise provided in this section, the Board shall appoint as its hearing officer the person selected by the parties from a list of seven arbitrators obtained from the Federal Mediation and Conciliation Service. The parties shall alternately strike one name from the list until the name of only one person remains. The parties must determine by the toss of a coin which party will strike the first name. Each party shall pay one-half of the fee charged by the hearing officer appointed pursuant to this subsection.

3. The Board shall appoint the Commissioner to act as the hearing officer for a complaint or appeal if both parties request the appointment.

4. The Board may appoint the Commissioner to act as the hearing officer for a complaint or appeal at the request of one party if the party demonstrates to the satisfaction of the Board that the payment of the party's share of a fee charged by a hearing officer appointed by the Board pursuant to subsection 2 is likely to impose an undue financial burden or hardship on the party. In determining whether to appoint the Commissioner to act as a hearing officer, the Board shall consider the complexity of the matters in dispute that are likely to affect the amount of the fee charged by a hearing officer appointed pursuant to subsection 2 and any factor that is relevant to the party's ability to pay the fee, including, without limitation, the size or membership of the party, its financial resources, and any budgetary or other financial constraints.

Sec. 4. ***1. A hearing officer appointed by the Board shall:***

(a) Conduct the proceedings concerning the complaint or appeal on behalf of the Board in accordance with the procedures established by this chapter, chapter 233B of NRS and any other applicable statutes and regulations;

(b) Commence the hearing on the complaint or appeal within 60 days after his appointment;

(c) Prepare findings of fact and proposed conclusions of law on every material issue, based on the evidence and arguments presented to him and shall prepare a proposed order or decision consistent with his findings and conclusions, the provisions of this chapter and the regulations of the Board and any relevant prior order or decision of the Board; and

(d) Prepare, provide to each party and submit to the Board for its review the record of the proceedings not later than 60 days after the conclusion of the hearing. The record must comply with NRS 233B.121 and include, without limitation, findings of fact, proposed conclusions of law and a proposed decision or order that complies with NRS 233B.125. Each party shall pay one-half of the cost to prepare the record, including, without limitation, the cost to prepare a transcript of any oral proceedings.

2. A party to any complaint or appeal is entitled to be represented at any hearing conducted pursuant to this section by counsel, by an elected or appointed representative of the party, or both. A nonattorney representative of an employee organization must be a member of the organization.

Sec. 5. ***1. The Board shall review the record of the proceedings in any complaint or appeal submitted to it by a hearing officer, including, without limitation, the proposed decision or order of the hearing officer. In conducting its review of the proposed decision or order, the Board:***

(a) Shall confine its review to the record submitted by the hearing officer. If the Board determines, on its own motion or on the motion of any party, that additional evidence must be taken on any issue, the Board shall remand the matter to the hearing officer.

(b) May not substitute its judgment for that of the hearing officer as to any finding of fact that is supported by substantial evidence.

2. Upon completion of its review, the Board may:

(a) Approve the proposed decision or order of the hearing officer, with or without modification; or

(b) Reject the proposed decision or order and remand the complaint or appeal to the hearing officer for further proceedings.

3. If the Board modifies or rejects the proposed decision or order of the hearing officer, including, without limitation, any finding of fact or proposed conclusion of law separately stated therein, the Board must fully set forth in its final decision or order the factual and legal basis for its modification or rejection.

4. The Board shall issue its final decision or order in any complaint or appeal not later than 60 days after it receives the completed record from the hearing officer.

Sec. 6. ***Except as otherwise provided in subsection 4 of NRS 288.110 or specifically ordered by the Board, the parties to any proceeding may by stipulation waive any limitation of time set forth in NRS 288.110 and sections 4 and 5 of this act.***

Sec. 7. ***Each decision or order of the Board in any complaint or appeal must be consistent with the decisions or orders previously issued by the Board in similar cases unless the Board includes in the decision or order an analysis of each previous case that has been cited to the Board which establishes that the decision or order issued in that case is erroneous or is inapposite to or distinguishable from the decision or order in the case at issue.***

Sec. 7.5. ~~[~~***1. Except as otherwise provided in this section, the Board shall charge and collect a fee, not to exceed $200, for the filing of a complaint or appeal with the Board or for the filing of any other pleading that constitutes the initial appearance of a party in such a proceeding. The Board shall establish the amount of the fee by regulation.***

2. The Board may, at the request of a party, waive the filing fee if payment of the fee would cause a financial hardship to a party or would be otherwise inconsistent with the purposes of this chapter.

3. All fees and other money received by the Board pursuant to the provisions of this chapter must be deposited in banks, credit unions or savings and loan associations in the State of Nevada and expended solely for the purposes of this chapter. The money so deposited does not revert to the State General Fund.] **(Deleted by amendment.)**

Prayer by the Chaplain, Pastor Albert Tilstra.

Our Father in Heaven, we pray for the members of this body, with their many responsibilities. Help them in their offices, in committees, and, above all, as they meet here in legislative session. May they never forget that what is said and done here is not done in a corner, but always for the people they represent and under Your watchful eye. May these, Your representatives, feel the weight of a good example, that all who come to this place may have a stronger faith in government of the people, by the people, for the people. May they so speak and act, that all who wait upon them may be inspired rather than disillusioned by what they see and hear and are asked to do. Make Yourself real to these men and women, that each may feel You sitting beside them, and hear Your voice, and win Your approval in all things. We ask this in Your Name.

AMEN.

6. If a person fails to comply with an order of a court that relates to the repair of a motor vehicle, or fails to pay or otherwise discharge any final judgment rendered and entered against him or any court order issued and arising out of the repair of a motor vehicle in the operation of a garage, the Department shall revoke or refuse to renew the certificate of registration of the person who failed to comply with the order or satisfy the judgment.

3. As used in this section, "salvage vehicle" has the meaning ascribed to it in NRS 487.770.

Sec. 32. NRS 487.600 is hereby amended to read as follows:

487.600 As used in NRS 487.600 to ~~[~~487.690,~~]~~ ***487.687,*** inclusive, unless the context otherwise requires, the words and terms defined in NRS ~~[~~487.602~~]~~ ***487.604*** to 487.608, inclusive, have the meanings ascribed to them in those sections.

No license may be issued to an operator of a body shop until he procures and files with the Department a good and sufficient bond in the amount of $10,000, with a corporate surety thereon licensed to do business in the State of Nevada, approved as to form by the Attorney General, and conditioned that the applicant shall conduct his business as an operator of a body shop without fraud or fraudulent representation, and in compliance with the provisions of ***sections 10 to 26, inclusive, of this act and*** NRS 487.600 to ~~[~~487.690,~~]~~ ***487.687,*** inclusive ***.*** ~~[~~, and 597.480 to 597.590, inclusive.~~]~~ The Department may, by agreement with any operator of a body shop who has been licensed by the Department for 5 years or more, allow a reduction in the amount of the bond of the operator, if the business of

the operator has been conducted satisfactorily for the preceding 5 years, but no bond may be in an amount less than $1,000.

2. The bond may be continuous in form and the total aggregate liability on the bond must be limited to the payment of the total amount of the bond.

3. The bond must provide that any person injured by the action of the operator of the body shop in violation of any of the provisions of ***sections 10 to 26, inclusive, of this act and*** NRS 487.600 to ~~[487.690,]~~ ***487.687,*** inclusive, ~~[and 597.480 to 597.590, inclusive,]~~ may apply to the Director for compensation from the bond. The Director, for good cause shown and after notice and opportunity for hearing, may determine the amount of compensation and the person to whom it is to be paid. (b) A statement signed by the person under whose name the deposit is made and acknowledged before any person authorized to take acknowledgments in this State, requesting the Director to release the deposit, or a specified portion thereof, and stating the purpose for which the release is requested.

6. When a deposit is made pursuant to subsection 4, liability under the deposit is in the amount prescribed by the Department. If the amount of the deposit is reduced or there is an outstanding judgment of a court for which the licensee is liable under the deposit, the license is automatically suspended. The license must be reinstated if the licensee:

(a) Files an additional bond pursuant to subsection 1;

(b) Restores the deposit with the Department to the original amount required under this section; or

(c) Satisfies the outstanding judgment for which he is liable under the deposit.

7. A deposit made pursuant to subsection 4 may be refunded:

(a) By order of the Director, 3 years after the date the licensee ceases to be licensed by the Department, if the Director is satisfied that there are no outstanding claims against the deposit; or

(b) By order of court, at any time within 3 years after the date the licensee ceases to be licensed by the Department, upon evidence satisfactory to the court that there are no outstanding claims against the deposit.

8. Any money received by the Department pursuant to subsection 4 must be deposited with the State Treasurer for credit to the Motor Vehicle Fund.

Sec. 34. NRS 487.650 is hereby amended to read as follows:

2. Upon the receipt of any report or complaint alleging that an applicant or a licensee has engaged in financial misconduct or has failed to satisfy financial obligations related to the operation of a body shop, the Department may require the applicant or licensee to submit to the Department an authorization for the disclosure of financial records for the business as provided in NRS 239A.090. Sec. 35.1. **Chapter 598 of NRS is hereby amended by adding thereto the provisions set forth as sections 35.2 to 35.95, inclusive, of this act.**

Sec. 35.2. ***1. Each organization for buying goods or services at a discount regulated by the provisions of this section, NRS 598.840 to 598.930, inclusive, and sections 35.3, 35.4 and 35.5 of this act shall apply for registration on the form prescribed by the Division.***

2. At the time of application for registration, the applicant must pay to the Division an administrative fee of $25 and deposit the required security with the Division.

3. Upon receipt of the security in the proper form and the payment of the administrative fee required by this section, the Division shall issue a certificate of registration to the applicant. A certificate of registration:

(a) Is not transferable or assignable; and

(b) Expires 1 year after it is issued.

4. A registrant must renew a certificate of registration issued pursuant to this section before the certificate expires by submitting to the Division an application for the renewal of the certificate on a form prescribed by the Division.

Sec. 35.3. ***1. Each registrant shall deposit with the Division:***

(a) A bond executed by a corporate surety approved by the Commissioner and licensed to do business in this State;

(b) An irrevocable letter of credit for which the registrant is the obligor, issued by a bank whose deposits are federally insured; or

(c) A certificate of deposit in a financial institution which is doing business in this State and which is federally insured or insured by a private insurer approved pursuant to NRS 678.755. The certificate of deposit may be withdrawn only on the order of the Commissioner, except that the interest may accrue to the registrant.

2. The term of the bond, letter of credit or certificate of deposit, or any renewal thereof, must be not less than 1 year.

3. If the registrant deposits a bond, the registrant shall keep accurate records of the bond and the payments made on the premium. The records must be open to inspection by the Division during business hours. The

registrant shall notify the Division not later than 30 days before the date of expiration of the bond and provide written proof of the renewal of the bond to the Division.

4. The Commissioner may reject any bond, letter of credit or certificate of deposit which fails to conform to the requirements of this section, NRS 598.840 to 598.930, inclusive, and sections 35.2, 35.4 and 35.5 of this act.

5. A registrant may change the form of security which he has deposited with the Division. If the registrant changes the form of the security, the Commissioner may retain for not more than 1 year any portion of the security previously deposited by the registrant as security for claims arising during the time the previous security was in effect.

6. If the amount of the deposited security falls below the amount required by this section, NRS 598.840 to 598.930, inclusive, and sections 35.2, 35.4 and 35.5 of this act for that security, the registrant shall be deemed not to be registered as required by section 35.2 of this act for the purposes of this section, NRS 598.840 to 598.930, inclusive, and sections 35.2, 35.4 and 35.5 of this act.

2. A consumer so injured may bring and maintain an action in any court of competent jurisdiction to recover against the security.

3. The Division may bring an action for interpleader against all claimants upon the security. The Division may deduct its costs of the action, including the costs of the publication of the notice, from the amount of the security. All claims against the security have equal priority. If the security is insufficient to pay all the claims in full, the claims must be paid pro rata. If the registrant has posted a bond with the Division, the surety is then relieved of all liability under the bond.

4. The Division may, in lieu of bringing an action for interpleader pursuant to subsection 3, conduct a hearing to determine the distribution of the security to claimants. The Division shall adopt regulations to provide for adequate notice and the conduct of the hearing. If the registrant has posted a bond with the Division, distribution pursuant to this subsection relieves the surety of all liability under the bond.

5. If the security is sufficient to pay all claims against the security in full, the Division may deduct from the amount of the security, the cost of any investigation or hearing it conducted to determine the distribution of the security.

Sec. 35.5. 1. If no claims have been filed against the security deposited with the Division pursuant to section 35.3 of this act within 6

2. If one or more claims have been filed against the security within 6 months after the registrant ceases to operate or his registration expires, whichever occurs later, the proceeds must not be released to the registrant or distributed to any consumer earlier than 1 year after the registrant ceases to operate or his registration expires, whichever occurs later.

2. At the time of application for registration, the applicant must pay to the Division an administrative fee of $25 and deposit the required security with the Division.

3. Upon receipt of the security in the proper form and the payment of the administrative fee required by this section, the Division shall issue a certificate of registration to the applicant. A certificate of registration:

(a) Is not transferable or assignable; and

(b) Expires 1 year after it is issued.

2. A consumer so injured may bring and maintain an action in any court of competent jurisdiction to recover against the security.

3. The Division may bring an action for interpleader against all claimants upon the security. If the Division brings such an action, the Division shall publish notice of the action at least once each week for 2 weeks in a newspaper of general circulation in the county in which the organization has its principal place of business. The Division may deduct its costs of the action, including the costs of the publication of the notice, from the amount of the security. All claims against the security have equal priority. If the security is insufficient to pay all the claims in full, the claims must be paid pro rata. If the registrant has posted a bond with the Division, the surety is then relieved of all liability under the bond.

4. The Division may, in lieu of bringing an action for interpleader pursuant to subsection 3, conduct a hearing to determine the distribution of the security to claimants. The Division shall adopt regulations to provide for adequate notice and the conduct of the hearing. If the registrant has posted a bond with the Division, distribution pursuant to this subsection relieves the surety of all liability under the bond.

5. If the security is sufficient to pay all claims against the security in full, the Division may deduct from the amount of the security, the cost of any investigation or hearing it conducted to determine the distribution of the security.

Sec. 35.95. 1. 2. If one or more claims have been filed against the security within 6 months after the registrant ceases to operate or his registration expires, whichever occurs later, the proceeds must not be released to the registrant or distributed to any consumer earlier than 1 year after the registrant ceases to operate or his registration expires, whichever occurs later.

3. For the purposes of this section, the Commissioner shall determine the date on which a registrant ceases to operate.

Amendment No. 953.

AN ACT relating to energy; providing for the training of persons to perform jobs which promote energy efficiency; requiring governmental entities to perform certain functions to promote energy efficiency; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

This bill provides for the use of the incentives contained in the recently signed federal American Recovery and Reinvestment Act of 2009 to provide job training, the promotion of energy efficiency and the promotion of the use of renewable energy in Nevada. **Sections 9 and 10** of this bill seek to take advantage of those incentives by providing specific training to persons in this State, establishing projects that will require the skills for which those persons are trained and providing for the employment of those persons. **Section 9** requires the Department of Employment, Training and Rehabilitation and the Housing Division of the Department of Business and Industry to establish contractual relationships with nonprofit collaboratives to provide training in the fields of energy efficiency and renewable energy, including training in the areas of weatherization, energy retrofit applications and performing energy audits. Within the limits of available money, the collaboratives will carry out programs for job training and provide apprenticeship programs in specific energy-related fields. Within the limits of money available, the Housing Division is required to contract with the nonprofit collaboratives, governmental entities, community action agencies and other nonprofit corporations to identify neighborhoods that will qualify for funding for

residential weatherization projects and award contracts for projects to promote energy efficiency through residential weatherization. Such contracts awarded must provide for employing the persons trained by the nonprofit collaborative for this purpose, paying those employees prevailing wages and offering the employees and their dependents health care insurance.

Section 10 of this bill requires the State Public Works Board, the board of trustees of each school district and the Board of Regents of the University of Nevada, within 90 days after the effective date of this bill, to each establish projects to weatherize and retrofit public buildings, facilities and structures in this State, including without limitation, traffic-control systems, and to otherwise use sources of renewable energy to serve those buildings, facilities and structures. **Section 10** further sets forth criteria for prioritizing those projects. Those entities are further required to enter into contracts for the projects as soon as practicable. Such contracts are required to provide that employees of the contractors and subcontractors on the project be paid prevailing wages, that the contractor or subcontractor employ a certain number of employees trained by a nonprofit cooperative and pay them prevailing wages and that the contractor offer employees on the project and their dependents health care insurance.

Section 11 of this bill provides that within the limits of money available, the State Public Works Board and the Division of State Parks of the State Department of Conservation and Natural Resources shall conduct studies to determine the feasibility of carrying out certain projects for providing alternative sources of energy in this State.

Section 12 of this bill requires the Labor Commissioner to adopt the job classifications and wage rates established by the Federal Government for certain jobs relating to residential weatherization and to enforce those job classifications and wage rates in the same manner that he enforces the labor laws and regulations of this State generally.

Section 13 of this bill requires the Office of Energy within the Office of the Governor, the Department of Employment, Training and Rehabilitation and the Housing Division of the Department of Business and Industry to report to the Interim Finance Committee concerning the application for and acceptance and expenditure of any money available to the State to carry out the purposes of this bill pursuant to the American Recovery and Reinvestment Act of 2009, Public Law 111-5.

WHEREAS, The unemployment rate in the State of Nevada is currently 9.1 percent and is expected to reach 11.4 percent sometime during 2009; and

WHEREAS, Many of Nevada's 128,000 unemployed residents have lost jobs in the construction and service sectors as the construction industry has faltered as a result of the mortgage foreclosure crisis and as the service industry, including gaming and tourism, has faltered as a result of the curtailment of discretionary spending on a national level; and

WHEREAS, One of the most effective methods of returning unemployed Nevadans to work is to create "green jobs" by developing new industries in

this State in a manner that takes advantage of incentives offered by the Federal Government for job training, the promotion of energy efficiency and the promotion of the use of renewable energy; and

WHEREAS, An immediate step which may be taken to put Nevadans back to work is to coordinate job training with programs for weatherization and energy efficiency that are part of the recently enacted federal economic stimulus package; and

WHEREAS, In such a manner, unemployed Nevadans may learn new skills in fields such as energy auditing and the installation of energy efficient equipment and improvements, and then go to work performing such tasks as **performing energy audits,** weatherizing homes, retrofitting public buildings, helping lower-income Nevadans to save on their utility bills, and reducing energy costs for schools, government buildings and other public facilities; and

WHEREAS, The performance of energy audits is a critical component of ensuring that the weatherization of homes results in meaningful reductions in energy costs to Nevadans; and

WHEREAS, The average energy auditor can perform 500 energy audits of residences per year; and

WHEREAS, The money available through the recently enacted federal economic stimulus package can be used to ensure that many Nevadans are trained in the skills necessary to perform energy audits thereby resulting in the performance of many thousands of energy audits of residences in Nevada; and

WHEREAS, The Green Jobs Initiative can be accomplished through a public-private partnership that combines the resources of state agencies, local housing authorities, institutions of higher education, joint labor-management partnerships, apprenticeship programs and private contractors under the "umbrella" of a nonprofit collaborative; and

WHEREAS, The Green Jobs Initiative would function to establish programs to provide job training and outreach for the weatherization and retrofitting of buildings and facilities in northern Nevada, southern Nevada and rural Nevada; now, therefore,

Bill read third time.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 949.

AN ACT relating to children; making various changes to provisions governing the court-ordered admission of a child to a locked facility; **revising provisions governing proceedings on a petition alleging that a**

child is in need of protection; requiring a court to provide a hearing to determine whether to include rights to visitation of siblings in a decree of adoption; requiring the development of policies concerning certain psychotropic medications given to children who are in the custody of agencies which provide child welfare services; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law sets forth the procedure for petitioning a court to order the admission of certain children with emotional disturbances to a locked facility for treatment. (NRS 432B.607-432B.6085) **Section 2.5** of this bill clarifies that as used in those provisions, "court-ordered admission of a child" includes a child for whom a petition is filed to continue placement after an emergency admission. **Section 2.7** of this bill requires each agency which provides child welfare services to establish appropriate policies to ensure that children in the custody of the agency have timely access to clinically appropriate psychotropic medication. **Section 11** of this bill requires the Division of Child and Family Services of the Department of Health and Human Services to adopt consistent policies with respect to access to such medication by children in division facilities.

Existing law governs the requirements for a petition alleging that a child is in need of protection and provides that the district attorney shall countersign each such petition and represent the interests of the public in all subsequent proceedings. (NRS 432B.510) Section 2.9 of this bill requires an agency which provides child welfare services to represent the best interests of the child in all proceedings and revises the provisions governing the district attorney to require that the district attorney represent the interests of the agency which provides child welfare services in all subsequent proceedings.

Section 4 of this bill requires a petition for the court-ordered admission of a child with an emotional disturbance into a locked facility to be filed within 5 days after an emergency admission or the child must be released. (NRS 432B.6075) **Section 5** of this bill clarifies that the court proceeding for the court-ordered admission of a child who is alleged to be a child with an emotional disturbance must include an evidentiary hearing. (NRS 432B.6076) **Section 6** of this bill expands the manner in which a person is allowed to oppose a petition for the court-ordered admission of a child into a locked facility to include an opposition stated verbally in court. (NRS 432B.6077) **Section 7** of this bill provides that if a court authorizes a second evaluation team to examine a child who is subject to a court-ordered admission to a locked facility, the second examination must be conducted within 5 business days by a team that is not affiliated with, employed by or otherwise connected to the facility where the child has been admitted. (NRS 432B.6078) **Section 8** of this bill requires a court to apply the same standards in considering a petition to renew a court-ordered admission of a child as were applied to the original petition. (NRS 432B.608) **Section 9** of

this bill extends the time for developing a plan for the care, treatment and training of a child subject to a court-ordered admission to a locked facility from 5 to 10 days after the child is admitted to the facility, and removes the requirement that the plan include certain criteria which the child must satisfy before discharge. (NRS 432B.6081)

Section 10 of this bill requires a court to conduct a hearing to determine whether to grant visitation rights to a sibling as part of an adoption decree when the adoption is of a child in the custody of an agency which provides child welfare services. **Section 11** further requires the agency which provides child welfare services to provide the court that is conducting the adoption proceedings with a copy of any existing order for visitation with a sibling of the child and allows certain interested parties to petition to participate in the determination as to whether to include visitation rights in the adoption decree.

Section 12 of this bill requires the Legislative Committee on Health Care to study issues relating to the use of psychotropic medications by children in the custody of agencies which provide child welfare services.

Amendment No. 952.

SUMMARY—Makes various changes concerning ~~[the supervision of convicted persons by correctional officers and parole and probation officers.]~~ **private prisons.** (BDR 16-523)

AN ACT relating to ~~[supervision of convicted persons;]~~ **prisons;** requiring the Board of State Prison Commissioners to ~~[establish guidelines setting forth the maximum number of prisoners who may be supervised by a correctional officer; making various changes concerning the maximum caseload of each parole and probation officer who supervises convicted persons;]~~ **adopt regulations pertaining to a facility or institution operated by a private organization; providing that certain provisions relating to a prisoner confined in a facility or institution also apply to a prisoner confined in a private facility or institution operated by a private organization;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Board of State Prison Commissioners to ~~[regulate the number of officers and employees of the Department of Corrections. (NRS 209.111) Section 1 of this bill requires the Board to adopt a policy, in consultation with the Director of the Department and the State of Nevada Employees' Association, establishing guidelines for the maximum number of prisoners who may be supervised by a correctional officer at each facility and institution of the Department.~~

~~Under existing law, the Chief Parole and Probation Officer is appointed by the Director of the Department of Public Safety and is responsible, among other things, for supervising the fiscal affairs and responsibilities of the Division of Parole and Probation of the Department, for appointing personnel, assistants and employees for the Division, for formulating methods of investigation, supervision, recordkeeping and reporting, and for developing policies of parole and probation. (NRS 213.1092, 213.1095) Section 2 of this bill requires the Chief Parole and Probation Officer to adopt a policy establishing guidelines for the maximum caseload for each parole and probation officer. Section 2 further requires the Governor to establish the budget for the Division of Parole and Probation each biennium at an amount which anticipates staffing the Division to comply with those guidelines. The Chief Parole and Probation Officer is then required to report to the Interim Finance Committee at the end of each fiscal year setting forth the maximum caseloads that were established for parole and probation officers and, if the maximum caseload per officer was not achieved during the last fiscal year, setting forth the amount of money needed to comply with that requirement.]~~

adopt regulations for carrying out the business of the Board and of the Department of Corrections. (NRS 209.111) Section 1.3 of this bill requires the Board to adopt additional regulations: (1) establishing the maximum number of prisoners that may be incarcerated in a private facility or institution; and (2) requiring that a private facility or institution must meet or exceed the standards set forth in the inmate housing plan approved in the budget of the Department for the biennium, including, without limitation, any associated line-item costs.

Existing law makes it a crime for: (1) a prisoner to escape from prison or to manufacture or possess certain items used in an escape; (2) a person to aid a prisoner in escaping from prison; (3) a person who has custody of a prisoner to allow the prisoner to escape; and (4) a person to conceal an escaped prisoner. (NRS 212.080, 212.090, 212.093, 212.100-212.130) Existing law also provides certain procedures for issuing a warrant for the arrest of an escaped prisoner and the manner in which expenses for recapturing the prisoner must be paid. (NRS 212.030-212.080) Further, existing law makes it a crime to: (1) provide certain items to a prisoner, including certain weapons, an intoxicant or a controlled substance and certain communications devices; or (2) engage in certain behavior concerning a prisoner, such as engaging in sexual conduct or certain unlawful acts relating to human excrement or bodily fluid. (NRS 212.160-212.189) Section 1.7 of this bill provides that those provisions also apply to a prisoner incarcerated in a private prison operated by a private organization as well as to certain other persons. Section 1.7 also provides that the private organization which operates a private facility or institution must: (1) reimburse the State for expenses incurred by the State in recapturing a prisoner who escapes from the private facility or institution; and (2) provide training to its employees that is equivalent to the training provided to a correctional officer in this State.

Sec. 28. 1. A person who intends to locate a facility for the generation of process heat from solar renewable energy, a wholesale facility for the generation of electricity from renewable energy , a facility for the generation of electricity from geothermal resources or a facility for the transmission of electricity produced from renewable energy in this State may apply to the Director for a partial abatement of the local sales and use taxes, the taxes imposed pursuant to chapter 361 of NRS, or both local sales and use taxes and taxes imposed pursuant to chapter 361 of NRS. A facility that is owned, operated, leased or otherwise controlled by a governmental entity is not eligible for an abatement pursuant to this section.

2. As soon as practicable after the Director receives such an application, the Director shall submit the application to the Commissioner and forward a copy of the application to:

(a) The Chief of the Budget Division of the Department of Administration;

(b) The Department of Taxation;

(c) The board of county commissioners;

(d) The county assessor;

(e) The county treasurer; and

➥ With the copy of the application forwarded to the county treasurer, the Director shall include a notice that the local jurisdiction may request a presentation regarding the facility. A request for a presentation must be made within 30 days after receipt of the application. The Commissioner shall hold a public hearing on the application. The hearing must not be held earlier than 30 days after all persons listed in this subsection have received a copy of the application.

3. Except as otherwise provided in subsection 4, the Commissioner shall approve an application for a partial abatement pursuant to this section if the Commissioner makes the following determinations:

(a) The applicant has executed an agreement with the Commissioner which must:

(1) State that the facility will, after the date on which a certificate of eligibility for the abatement is issued pursuant to subsection 6, continue in operation in this State for a period specified by the Commissioner, which must be at least 10 years, and will continue to meet the eligibility requirements for the abatement; and

(2) Bind the successors in interest in the facility for the specified period.

(b) The facility is registered pursuant to the laws of this State or the applicant commits to obtain a valid business license and all other permits required by the county, city or town in which the facility operates.

(c) No funding is or will be provided by any governmental entity in this State for the acquisition, design or construction of the facility or for the

acquisition of any land therefor, except any private activity bonds as defined in 26 U.S.C. § 141.

(d) If the facility will be located in a county whose population is 100,000 or more or a city whose population is 60,000 or more, the facility meets the following requirements:

(1) There will be 75 or more full-time employees working on the construction of the facility during the second quarter of construction, including, unless waived by the Commissioner for good cause, at least 30 percent who are residents of Nevada;

(2) Establishing the facility will require the facility to make a capital investment of at least $10,000,000 in this State;

(3) The average hourly wage that will be paid by the facility to its employees in this State is at least 110 percent of the average statewide hourly wage, excluding management and administrative employees, as established by the Employment Security Division of the Department of Employment, Training and Rehabilitation on July 1 of each fiscal year; and

(4) The average hourly wage of the employees working on the construction of the facility will be at least 150 percent of the average statewide hourly wage, excluding management and administrative employees, as established by the Employment Security Division of the Department of Employment, Training and Rehabilitation on July 1 of each fiscal year and:

(I) The employees working on the construction of the facility must be provided a health insurance plan that includes an option for health insurance coverage for dependents of the employees; and

(II) The cost of the benefits provided to the employees working on the construction of the facility will meet the minimum requirements for benefits established by the Commissioner by regulation pursuant to subsection 9.

(e) If the facility will be located in a county whose population is less than 100,000 or a city whose population is less than 60,000, the facility meets the following requirements:

(1) There will be 50 or more full-time employees working on the construction of the facility during the second quarter of construction, including, unless waived by the Commissioner for good cause, at least 30 percent who are residents of Nevada;

(2) Establishing the facility will require the facility to make a capital investment of at least $3,000,000 in this State;

(3) The average hourly wage that will be paid by the facility to its employees in this State is at least 110 percent of the average statewide hourly wage, excluding management and administrative employees, as established by the Employment Security Division of the Department of Employment, Training and Rehabilitation on July 1 of each fiscal year; and

(4) The average hourly wage of the employees working on the construction of the facility will be at least 150 percent of the average

statewide hourly wage, excluding management and administrative employees, as established by the Employment Security Division of the Department of Employment, Training and Rehabilitation on July 1 of each fiscal year and:

(I) The employees working on the construction of the facility must be provided a health insurance plan that includes an option for health insurance coverage for dependents of the employees; and

(II) The cost of the benefits provided to the employees working on the construction of the facility will meet the minimum requirements for benefits established by the Commissioner by regulation pursuant to subsection 9.

(f) The financial benefits that will result to this State from the employment by the facility of the residents of this State and from capital investments by the facility in this State will exceed the loss of tax revenue that will result from the abatement.

4. The Commissioner shall not approve an application for a partial abatement of the taxes imposed pursuant to chapter 361 of NRS submitted pursuant to subsection 2 by a facility for the generation of electricity from geothermal resources unless the application is approved pursuant to this subsection. The board of county commissioners of a county must approve or deny the application not later than 30 days after the board receives a copy of the application. The board of county commissioners must not condition the approval of the application on a requirement that the facility for the generation of electricity from geothermal resources agree to purchase, lease or otherwise acquire in its own name or on behalf of the county any infrastructure, equipment, facilities or other property in the county that is not directly related to or otherwise necessary for the construction and operation of the facility. If the board of county commissioners does not approve or deny the application within 30 days after the board receives the application, the application shall be deemed denied.

5. Notwithstanding the provisions of subsection 3, the Commissioner may, if the Commissioner determines that such action is necessary:

(a) Approve an application for a partial abatement for a facility that does not meet the requirements set forth in paragraph (d) or (e) of subsection 3; or

(b) Local sales and use taxes:

(1) The partial abatement must:

(I) Be for the 3 years beginning on the date of approval of the application;

(II) Be equal to that portion of the combined rate of all the local sales and use taxes payable by the facility each year which exceeds ~~[0.6]~~ ***0.25*** percent; and

(III) Not apply during any period in which the facility is receiving another abatement or exemption from local sales and use taxes.

(2) The Department of Taxation shall issue to the facility a document certifying the abatement which can be presented to retailers at the time of sale. The document must clearly state that the purchaser is only required to pay sales and use taxes imposed in this State at the rate of ~~[2.6]~~ ***2.25*** percent.

7. Upon approving an application for a partial abatement pursuant to this section, the Commissioner shall immediately notify the Director of the terms of the abatement and the Director shall immediately forward a certificate of eligibility for the abatement to:

(a) The Department of Taxation;

(b) The board of county commissioners;

(c) The county assessor;

(d) The county treasurer; and

9. A partial abatement approved by the Commissioner pursuant to this section terminates upon any determination by the Commissioner that the facility has ceased to meet any eligibility requirements for the abatement. The Commissioner shall provide notice and a reasonable opportunity to cure any noncompliance issues before making a determination that the facility has ceased to meet those requirements. The Commissioner shall immediately

provide notice of each determination of termination to the Director, and the Director shall immediately provide a copy of the notice to:

(a) Property taxes imposed pursuant to chapter 361 of NRS, the amount of all the property taxes which are collected from the facility for the period of the abatement must be allocated and distributed in such a manner that:

(1) Forty-five percent of that amount is deposited in the ~~[unrestricted balance of the State General Fund;]~~ ***Renewable Energy Fund created by section 28.5 of this act;*** and

(b) Local sales and use taxes, the State Controller shall allocate, transfer and remit an amount equal to all the sales and use taxes imposed in this State and collected from the facility for the period of the abatement in the same manner as if that amount consisted solely of the proceeds of taxes imposed by NRS 374.110 and 374.190.

The following Senate amendment was read:

Amendment No. 609.

AN ACT relating to common-interest communities; revising certain requirements for limited-purpose associations that are created for a rural agricultural residential common-interest communities; providing that such a limited-purpose association is a public body for purposes of the Open Meeting Law; providing that a study of the reserves of an association may be conducted by a person without a permit under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, a limited-purpose association that is created for a rural agricultural residential common-interest community must comply with certain requirements set forth in chapter 116 of NRS. **Section 1** of this bill exempts such a limited-purpose association from the requirement to: (1) pay a fee to the Real Estate Administrator for each unit in the association as required pursuant to NRS 116.31155 ~~[;]~~ **, except that the association must pay the fees if it intends to use the services of the Ombudsman for Owners in Common-Interest Communities and Condominium Hotels;** (2) comply with certain rules for meetings of the executive board; and (3) conduct a study every 5 years of the reserves required to repair, replace and restore the major components of the common elements of the community, and take certain actions concerning the study. (NRS 116.1201, 116.31083, 116.31152, 116.31155)

Existing law requires each limited-purpose association that is created for a rural agricultural residential common-interest community to comply with chapter 241 of NRS, which is commonly referred to as the Open Meeting Law. (NRS 116.31075) **Section 2** of this bill amends the definition of "public body" for purposes of the Open Meeting Law to include a limited-purpose association that is created for a rural agricultural residential common-interest community. (NRS 241.015) Thus, such a limited-purpose association will be

subject to enforcement action by the Attorney General if the association violates the Open Meeting Law. (NRS 241.037)

Existing law provides that at least once every 5 years, the executive board of an association shall cause a study of the reserves of the association required to repair, replace and restore the major components of the association to be conducted by a person who holds a permit to conduct such a study. (NRS 116.31152) **Sections 1.3 and 1.7** of this bill provide that if the common-interest community contains 20 or fewer units and is located in a county with a population of 50,000 or less (currently counties other than Carson City, Clark and Washoe Counties), the study may be conducted by any person whom the executive board deems qualified to conduct the study.

The following amendment was proposed by Assemblyman Bobzien:

Amendment No. 965.

AN ACT relating to governmental administration; revising provisions governing the issuance of certain permits by the Public Utilities Commission of Nevada pursuant to the Utility Environmental Protection Act; altering the composition of the Commission on Economic Development; requiring the Chief of the Purchasing Division of the Department of Administration to adopt regulations establishing standards for the procurement of certain appliances, equipment, lighting and other devices; requiring the State Public Works Board to adopt certain standards concerning the efficient use of water and energy; requiring licensed vehicle dealers to provide certain information

concerning vehicle emissions; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 4 of this bill alters the definition of "utility facility," as that term is used in the Utility Environmental Protection Act which provides for the issuance of permits **by the Public Utilities Commission of Nevada** for the construction of utility facilities, to **: (1)** require a nameplate capacity **for electric facilities** of not more than 70 megawatts rather than a generating capacity of not more than 35 megawatts **[.] ; and (2) apply to certain electric and gas facilities located in a county whose population is 100,000 or more (currently Clark and Washoe Counties) which were previously excluded.**

Section 5 of this bill exempts certain utility facilities from certain findings that are a condition precedent to permitting under the Utility Environmental Protection Act.

Sections 6 and 24 of this bill alter the composition of the Commission on Economic Development to require that at least two of the appointed members be from counties whose population is less than 100,000. (NRS 231.040)

Section 8 of this bill requires the Chief of the Purchasing Division of the Department of Administration to adopt regulations establishing standards favoring the procurement of appliances, equipment, lighting and other devices that bear the "Energy Star" label or meet other requirements prescribed by federal law unless to do so would not be cost-effective.

Section 10 of this bill requires the State Public Works Board to adopt standards and performance guidelines concerning the efficient use of water and energy.

Section 18 of this bill requires vehicle dealers in Nevada, beginning ~~[on January 1, 2010, to provide upon request]~~ **with the 2012 model year and thereafter, to ensure that each new vehicle offered for sale is accompanied by** a disclosure of the **vehicle's** estimated carbon dioxide emissions **, ~~[of each new vehicle offered for sale,]~~** if such information is available.

Legislative Counsel's Digest:

Section 3 of this bill provides that a person who knowingly, willfully and with the intent to fraudulently alter the outcome of the election of a member to the executive board of an association **or other votes of the units' owners** engages in certain acts pertaining to the ballot or the casting of votes in such election is guilty of a category ~~[C]~~ **D** felony. (NRS 116.31034) Existing law prohibits a community manager, an officer or a member of the executive board from accepting or soliciting compensation that would influence him or appear to be a conflict of interest. (NRS 116.31185) **Section 4** of this bill provides that a community manager or member of the executive board who asks for or receives compensation to influence his vote, opinion or action upon any official matter is guilty of a category ~~[C]~~ **D** felony. **Section 4** also provides that a person who offers or gives any gratuity, compensation or reward, or makes a promise thereof, to a community manager or member of the executive board in exchange for a vote, opinion or action on any official matter is guilty of a category ~~[C]~~ **D** felony.

Existing law requires each agency to provide by regulation for the filing and prompt disposition of petitions for declaratory orders and advisory opinions as to the applicability of any statutory provision, agency regulation or decision of the agency, and the Department of Business and Industry, which includes the Real Estate Division, has accordingly adopted regulations for such petitions. (NRS 233B.120; NAC 232.020) However, the Real Estate Division has not adopted any regulations pertaining to such petitions. **Section 5** of this bill enacts a specific statutory provision requiring the Real Estate Division to adopt regulations pertaining to such petitions.

~~[~~ ~~Under existing law, a "common-interest community" is defined as "real estate with respect to which a person, by virtue of his ownership of a unit, is obligated to pay for real estate other than that unit." (NRS 116.021) Section 6~~

~~of this bill clarifies existing law with respect to this definition by providing explicitly that, as used in this definition, the term "real estate other than that unit" does not include any interest in any covenants, conditions or restrictions to which the unit is subject, and the fact that the unit is subject to covenants, conditions or restrictions is not relevant and not to be considered in determining whether real estate is a "common-interest community."]~~

Existing law contains provisions concerning units or common elements of an association that are acquired by eminent domain. (NRS 116.1107) **Section 7** of this bill clarifies that existing law does not authorize an association to exercise the power of eminent domain. **Section 8** of this bill clarifies that any provision contained in a declaration, bylaw or other governing document of a common-interest community that violates the provisions of chapter 116 of NRS is superseded by the provisions of chapter 116 of NRS, regardless of whether the provision became effective before the enactment of the statutory provision being violated. (NRS 116.1206)

Section 8.5 of this bill provides that an association may not charge a fee for entry into the common-interest community against a person providing services to a unit, a unit's owner or a tenant of a unit's owner or against a visitor, guest or invitee of a unit's owner or a tenant of a unit's owner. (NRS 116.2111)

Section 9 of this bill revises existing law to limit an association's power to include certain provisions in certain contracts involving the association. (NRS 116.3102)

Existing law authorizes an executive board to impose fines under certain circumstances. (NRS 116.31031) **Section 12** of this bill limits the imposition of fines against a unit's owner for violations of the governing documents by a tenant or **an** invitee of the unit's owner ~~[.]~~ **or the tenant.**

Sections 13, 14 and 16 of this bill revise provisions relating to certain elections and meetings of an association by: (1) requiring members of the executive board to be units' owners; (2) providing that officers of an association are not required to be units' owners, unless the governing documents provide otherwise; (3) providing certain rights for candidates for election to an executive board; (4) reducing the votes necessary for removal of a member of an executive board; (5) prohibiting an association from interfering with the collection of signatures for a special meeting or removal election; and (6) providing immunity from criminal or civil liability for an association, its officers, employees and agents for the disclosure or publication of certain information pursuant to certain duties required of the association or its officers, employees and agents. (NRS 116.31034, 116.31036, 116.3108)

Section 15 of this bill clarifies existing law concerning the respective duties of an association and the units' owners regarding the maintenance, repair and replacement of the common elements and the units. (NRS 116.3107)

Sections 17-19 of this bill revise provisions relating to board meetings and hearings by: (1) requiring that meetings of the executive board be audio recorded and available in a certain manner; (2) requiring that certain written complaints be placed on the agenda; and (3) providing due process protections to units' owners at certain hearings. (NRS 116.31083, 116.31085, 116.31087) **Section 17** also revises existing law to allow public comments to be made at both the beginning and the end of a meeting. (NRS 116.31083)

Existing law provides that an association has the statutory obligation to: (1) fund adequately its reserves; (2) include in its annual budget a statement concerning its reserves and whether it will be necessary to impose any special assessments; and (3) review its study of the reserves on an annual basis and make any appropriate adjustments necessary to ensure that the reserves are always funded adequately. (NRS 116.3115, 116.31151, 116.31152) **Section 21** of this bill clarifies existing law by explicitly stating that notwithstanding any provision of the governing documents to the contrary, the executive board may, without seeking or obtaining the approval of units' owners, impose any necessary and reasonable assessments to establish adequate reserves. **This section also provides that any such assessments imposed must be based on the study of the reserves of the association conducted pursuant to NRS 116.31152.**

Section 22 of this bill authorizes the filing of a civil action to recover certain fees, administrative penalties and interest that were imposed erroneously. (NRS 116.31155)

Sections 24, 26 and 28 of this bill provide certain additional rights to units' owners by: (1) increasing the scope and definition of prohibited retaliatory action; (2) authorizing the exhibition of certain political signs in certain areas; and (3) mandating notice before interruption of utility service to a unit's owner. (NRS 116.31183, 116.325, 116.345)

Section 25 of this bill expands the prohibition against certain contracts between an association and a member of the executive board or officer to include contracts involving financing. (NRS 116.31187) **Section 27** of this bill: (1) provides that existing law concerning drought tolerant landscaping must be construed broadly; and (2) clarifies the definition of "drought tolerant landscaping." (NRS 116.330) **Section 29** of this bill provides that if a community manager fails or refuses to comply with the governing documents of the association or the provisions of chapter 116 of NRS, any person or class of persons may bring a civil action for damages or other relief. (NRS 116.4117)

Section 30 of this bill increases the membership of the Commission by adding two members who are units' owners but who are not required to have served as members of an executive board. (NRS 116.600) **Section 31** of this bill revises provisions relating to the Commission's duties by providing for the use of training officers to perform certain duties. (NRS 116.605)

~~[Section 35 of this bill: (1) eliminates the authority of the Commission or hearing panel to order a respondent to pay the costs of the attorney's fees of~~

~~the Division; and (2) provides that in any matter brought before the Commission or a hearing panel, attorney's fees must not be granted to the prevailing party, regardless of whether the governing documents provide for such fees to be granted to a prevailing party. (NRS 116.785)~~**]** **Section 36** of this bill clarifies that if the Commission or hearing officer orders an audit of an association, the audit is conducted at the expense of the association. (NRS 116.790)

Existing law provides that a written affidavit, supporting documentation and information compiled as the result of an investigation of an alleged violation are confidential unless and until a formal complaint is filed. (NRS 116.757, 116A.270) **Sections 33 and 37** of this bill clarify existing law to provide that such confidential information must not be disclosed to any person, including a person who is the subject of an investigation or complaint, unless and until a formal complaint is filed.

Section 39 of this bill provides that the Commission must adopt regulations requiring an applicant for a certificate as a community manager **or the applicant's employer** to post a bond. (NRS 116A.410)

Section 40 of this bill revises existing law to provide that upon selection or appointment of an arbitrator, the arbitrator must provide certain information concerning the procedures of the arbitration and applicable law to each party to the arbitration, and each party must return to the arbitrator an acknowledgment of the information provided by the arbitrator. Sec. 7. NRS 116.1107 is hereby amended to read as follows:

116.1107 1. If a unit is acquired by eminent domain or part of a unit is acquired by eminent domain leaving the unit's owner with a remnant that may not practically or lawfully be used for any purpose permitted by the declaration, the award must include compensation to the unit's owner for that unit and its allocated interests, whether or not any common elements are acquired. Upon acquisition, unless the decree otherwise provides, that unit's allocated interests are automatically reallocated to the remaining units in proportion to the respective allocated interests of those units before the taking, and the association shall promptly prepare, execute and record an amendment to the declaration reflecting the reallocations. Any remnant of a unit remaining after part of a unit is taken under this subsection is thereafter a common element.

2. Except as otherwise provided in subsection 1, if part of a unit is acquired by eminent domain, the award must compensate the unit's owner for the reduction in value of the unit and its interest in the common elements, whether or not any common elements are acquired. Upon acquisition, unless the decree otherwise provides:

(a) That unit's allocated interests are reduced in proportion to the reduction in the size of the unit, or on any other basis specified in the declaration; and

(b) The portion of the allocated interests divested from the partially acquired unit are automatically reallocated to that unit and to the remaining units in proportion to the respective allocated interests of those units before the taking, with the partially acquired unit participating in the reallocation on the basis of its reduced allocated interests.

3. If part of the common elements is acquired by eminent domain, the portion of the award attributable to the common elements taken must be paid to the association. Unless the declaration provides otherwise, any portion of the award attributable to the acquisition of a limited common element must be equally divided among the owners of the units to which that limited common element was allocated at the time of acquisition.

4. The judicial decree must be recorded in every county in which any portion of the common-interest community is located.

5. The provisions of this section do not authorize an association to exercise the power of eminent domain pursuant to chapter 37 of NRS, and an association may not exercise the power of eminent domain, as provided in NRS 37.0097.

Sec. 8. NRS 116.1206 is hereby amended to read as follows:

116.1206 1. Any provision contained in a declaration, bylaw or other governing document of a common-interest community that violates the provisions of this chapter **[**~~shall~~**]** ***:***

2. In the case of amendments to the declaration, bylaws or plats and plans of any common-interest community created before January 1, 1992:

(b) If the result accomplished by the amendment is permitted by this chapter, and was not permitted by law before January 1, 1992, the amendment may be made under this chapter.

3. An amendment to the declaration, bylaws or plats and plans authorized by this section to be made under this chapter must be adopted in conformity with the applicable provisions of chapter 117 or 278A of NRS and with the procedures and requirements specified by those instruments. If an amendment grants to any person any rights, powers or privileges permitted by this chapter, all correlative obligations, liabilities and restrictions in this chapter also apply to that person.

Sec. 8.5. **NRS 116.2111 is hereby amended to read as follows:**

116.2111 1. Except as otherwise provided in this section and subject to the provisions of the declaration and other provisions of law, a unit's owner:

(b) May not change the appearance of the common elements, or the exterior appearance of a unit or any other portion of the common-interest community, without permission of the association; and

(c) After acquiring an adjoining unit or an adjoining part of an adjoining unit, may remove or alter any intervening partition or create apertures therein, even if the partition in whole or in part is a common element, if those

acts do not impair the structural integrity or mechanical systems or lessen the support of any portion of the common-interest community. Removal of partitions or creation of apertures under this paragraph is not an alteration of boundaries.

2. An association may not:

(a) Unreasonably restrict, prohibit or otherwise impede the lawful rights of a unit's owner to have reasonable access to his unit.

(b) ***Charge any fee for a person to enter the common-interest community to provide services to a unit, a unit's owner or a tenant of a unit's owner or for any visitor to the common-interest community or invitee of a unit's owner or a tenant of a unit's owner to enter the common-interest community.***

(c) Unreasonably restrict, prohibit or withhold approval for a unit's owner to add to a unit:

(1) Improvements such as ramps, railings or elevators that are necessary to improve access to the unit for any occupant of the unit who has a disability;

(2) Additional locks to improve the security of the unit;

(3) Shutters to improve the security of the unit or to reduce the costs of energy for the unit; or

(4) A system that uses wind energy to reduce the costs of energy for the unit if the boundaries of the unit encompass 2 acres or more within the common-interest community.

~~[(c)]~~ ***(d)*** With regard to approving or disapproving any improvement or alteration made to a unit, act in violation of any state or federal law.
