The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 57.

AN ACT relating to public health; revising provisions relating to the licensure of facilities for refractive surgery; providing for the closure of a facility for refractive surgery if the facility is operating without a license; **revising provisions governing collaboration agreements between optometrists and ophthalmologists;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires a person, state or local government or agency thereof to obtain a license to operate or maintain a medical facility, including a facility for refractive surgery. (NRS 449.0151, 449.030) Existing administrative regulations of the State Board of Health exempt a licensed ophthalmologist from these requirements for licensure of a facility if the ophthalmologist provides other ophthalmological medical services in addition to surgical treatments for refractive errors of the eye. (NAC 449.4502) **Section 7** of this bill codifies into statute an exemption for certain licensed ophthalmologists who provide surgical procedures in addition to surgical treatments for refractive errors of the eye and adds a requirement that the ophthalmologist file an affidavit with the Health Division of the Department of Health and Human Services attesting that he provides the additional surgical procedures.

Section 8 of this bill requires a facility for refractive surgery to ensure that: (1) all surgical treatments for refractive errors of the eye are performed by a licensed ophthalmologist; and (2) a licensed ophthalmologist is available for

postoperative care if the medical needs of a patient necessitate the services of an ophthalmologist.

Section 9 of this bill authorizes the Health Division to issue an order to cease and desist upon belief that a person, state or local government or an agency thereof is operating a facility for refractive surgery without a license. **Section 9** also provides that the Health Division may file an action in court for issuance of an injunction and imposition of a civil penalty.

Existing law authorizes an optometrist to, based upon the individual needs of a patient, collaborate with an ophthalmologist for the provision of care to the patient under certain conditions. (NRS 636.374) Section 13 of this bill adds to the conditions a requirement that the collaborating optometrist refer a patient back to the collaborating ophthalmologist, or another ophthalmologist in his absence, if the patient requires care by an ophthalmologist.

Amendment No. 80.

SUMMARY—Revises provisions governing the **Legislative Commission and the** Interim Finance Committee. (BDR 17-810)

AN ACT relating to the State Legislature; revising provisions governing the **Legislative Commission and the** Interim Finance Committee; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law creates the Legislative Commission, consisting of 12 members, and requires the Legislature to determine by joint rule at each regular session the following for the Legislative Commission: (1) the method of determining the regular and alternate members; (2) the method for filling vacancies; (3) the terms of office of the members; and (4) the method of selecting and the term of office for the Chairman. (NRS 218.660) Subsection 5 of Joint Standing Rule No. 11 adopted by the 2009 Legislative Session provides that the membership of a member of the Legislative Commission who does not become a candidate for reelection or who is defeated for reelection terminates on the day next after the election and requires the vacancy to be filled as provided in the Rule. Section 1 of this bill codifies in statute the provisions of the Joint Standing Rule concerning the termination of the membership of a member of the Legislative Commission who does not become a candidate for reelection or who is defeated.

Under existing law, the Interim Finance Committee is created in the Legislative Counsel Bureau to perform certain fiscal functions primarily during the legislative interims. The Interim Finance Committee is composed of the members of the Assembly Standing Committee on Ways and Means and the Senate Standing Committee on Finance, known as the money committees, during the current or immediately preceding legislative session. (NRS 218.6825)

Under existing law, the chairmanship of the Interim Finance Committee alternates each legislative interim between the immediate past Chairman of the money committee of each House of the Legislature. The term of the

Chairman of the Interim Finance Committee extends from the convening of one legislative session until the convening of the next legislative session. (NRS 218.6825) **~~[This]~~ Section 2 of this** bill provides that the term of the Chairman of the Interim Finance Committee terminates before the convening of the next regular session of the Legislature if a new Chairman of the applicable money committee has been designated, after the intervening general election, for the next regular session of the Legislature.

Existing law provides that the membership on the Interim Finance Committee of any member who does not become a candidate for reelection or who is defeated for reelection continues until the convening of the next legislative session. (NRS 218.6825) **~~[This]~~ Section 2 of this** bill terminates the membership of such a member on the day next after the general election, which is the same day on which his term of office as a Legislator ends. (Nev. Const. Art. 4, §§ 3, 4) **~~[This bill]~~ Section 2** provides for the appointment of an alternate to fill the vacancy until the members of the applicable money committee have been designated for the ensuing regular session of the Legislature or until another alternate has been appointed. **~~[This bill]~~ Section 2** also provides that the persons designated to serve on the money committees for the ensuing regular session become members of the Interim Finance Committee at the time those persons are so designated.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. **NRS 218.660 is hereby amended to read as follows:**

2. ~~[2.]~~ ***The term of the Chairman of the Interim Finance Committee terminates if a new Chairman of the Assembly Standing Committee on Ways and Means or the Senate Standing Committee on Finance, as the case may be, is designated for the next regular session of the Legislature, in which case that person so designated serves as the Chairman of the Committee until the convening of that regular session.***

6. The Director of the Legislative Counsel Bureau shall act as the Secretary of the Interim Finance Committee.

~~[5.]~~ ***7.*** A majority of the members of the Assembly Standing Committee on Ways and Means and a majority of the members of the Senate Standing Committee on Finance, jointly, may call a meeting of the Interim Finance Committee if the Chairman does not do so.

The following amendment was proposed by the Committee on Taxation:

Amendment No. 164.

AN ACT relating to taxes on retail sales; revising various provisions governing sales and use taxes to ensure continued compliance with the Streamlined Sales and Use Tax Agreement; providing for the submission to the voters of the question whether the Sales and Use Tax Act of 1955 should be amended to authorize the Legislature to amend ~~[or repeal]~~ a provision of that Act ~~[without additional voter approval]~~ **only** when necessary to resolve a

conflict with a federal law or interstate agreement for the administration of sales and use taxes; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for the administration of sales and use taxes in this State pursuant to the Simplified Sales and Use Tax Administration Act, the Sales and Use Tax Act and the Local School Support Tax Law. (Chapters 360B, 372 and 374 of NRS) Under existing law, the Legislature has found and declared that this State should enter into an interstate agreement to simplify and modernize sales and use tax administration to reduce the burden of tax compliance for all sellers and types of commerce. (NRS 360B.020) Existing law requires the Nevada Tax Commission to enter into the Streamlined Sales and Use Tax Agreement and take all other actions reasonably required to implement the provisions of the Agreement. (NRS 360B.110) **Sections 1-9** of this bill carry out recent amendments to the Agreement regarding the exclusion of electronically transferred products from certain required definitions, the certification by the State of the software of certain computer programs that calculate the taxes due on a sale, a limited waiver of liability for sellers who fail to collect a tax increase that becomes effective within 30 days after the enactment of a statute which provides for that increase, and the exclusion of certain delivery charges from the calculation of sales and use taxes.

Existing law authorizes the adoption of an ordinance for the imposition of a sales and use tax in Nye County to support public safety services. (Nye County Sales and Use Tax Act of 2007) **Section 10** of this bill revises the requirements for such an ordinance in accordance with the provisions of the Streamlined Sales and Use Tax Agreement imposing restrictions on the date of implementation of changes in tax rates.

Existing law includes various provisions of the Sales and Use Tax Act of 1955. (NRS 372.010-372.115, 372.185-372.205, 372.260-372.284, 372.285-372.326, 372.327-372.345, 372.350) Under existing law, the provisions of that Act, which was submitted to and approved by the voters at the 1956 General Election, cannot be amended or repealed without additional voter approval. (Nev. Const. Art. 19, § 1) **Sections 11-19** of this bill provide for the submission to the voters of an amendment to that Act to authorize the Legislature to amend that Act ~~[without any additional voter approval]~~ **only** if such a legislative amendment is necessary to resolve a conflict with any federal law or interstate agreement for the administration of sales and use taxes, and the legislative amendment does not increase the rate of a tax imposed pursuant to that Act or narrow the scope of a tax exemption approved by the voters.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 360B of NRS is hereby amended by adding thereto a new section to read as follows:

1. "Specified digital products" means electronically transferred digital audio works, digital audiovisual works and digital books.

2. As used in this section:

(a) "Digital audio works" means works that result from the fixation of a series of musical, spoken or other sounds, including ringtones.

360B.225 The Department shall:

1. Review the software submitted for the certification of a certified automated system pursuant to the Agreement and, if the Department determines that the software ~~[adequately classifies each exemption from the sales and use taxes imposed in this State which is based upon the description of a product,]~~ ***accurately reflects the taxability of the product categories included in the program,*** certify its acceptance of the ~~[classifications made by the system.]~~ ***determination of the taxability of the product categories included in the program.***

2. Except as otherwise provided in subsection 3:

The provisions of subsection 2 do not require the waiver of any liability for the incorrect classification of an item or transaction regarding which notice was provided to the certified service provider or registered seller pursuant to this subsection if the incorrect classification occurs more than 10 days after the receipt of that notice.

Sec. 3. NRS 360B.250 is hereby amended to read as follows:

Sec. 10. Section 15 of the Nye County Sales and Use Tax Act of 2007, being chapter 545, Statutes of Nevada 2007, at page 3425, is hereby amended to read as follows:

Sec. 15. An ordinance enacted pursuant to this act must include provisions in substance as follows:

1. A provision imposing a tax on the gross receipts of any retailer from the sale of all tangible personal property sold at retail or stored, used or otherwise consumed in the County, including incorporated cities in the County, at a rate that does not exceed one-half of 1 percent.

2. Provisions substantially identical to those contained in chapter 374 of NRS, insofar as applicable.

3. A provision that an amendment to chapter 374 of NRS enacted after the effective date of the ordinance, not inconsistent with this act, automatically becomes part of the ordinance imposing the tax.

4. A provision that the Board shall contract with the Department, before the effective date of the ordinance, to perform all the functions incident to the administration or operation of the tax in the County.

5. A provision that a purchaser is entitled to a refund, in accordance with the provisions of NRS 374.635 to 374.720, inclusive, of the amount of the tax required to be paid that is attributable to the tax imposed on the sale of, and the storage, use or other consumption in the County, including incorporated cities in the County, of, tangible personal property used for the performance of a written contract for the construction of an improvement to real property:

(a) That was entered into on or before the effective date of the tax; or

(b) For which a binding bid was submitted before that date if the bid was afterward accepted, and pursuant to the terms of the contract or bid, the contract price or bid amount may not be adjusted to reflect the imposition of the tax.

6. A provision that specifies the date on which the tax must first be imposed ~~[,]~~ ***or on which any change in the rate of tax becomes effective,*** which must ~~[not be earlier than]~~ ***be*** the first day of the ~~[second calendar month following]~~ ***first calendar quarter that begins at least 120 days after*** the effective date of the ordinance.

Sec. 11. The Legislature hereby finds and declares that:

1. There has been a rapid increase during recent years in the conduct of interstate commerce through telecommunication and electronic means.

2. Many of the merchants who transact these forms of interstate commerce have been discouraged by the substantial burdens of ascertaining and complying with the extremely diverse and detailed tax laws of each state from making the efforts necessary to collect sales and use taxes on behalf of the states in which they do not maintain a place of business.

3. As a result of the proliferation of these forms of interstate commerce and federal restrictions on the ability of each state to collect sales and use taxes from merchants who do not maintain a place of business in that state, the people of this State are losing millions of dollars in state and local tax revenue.

4. The nonpayment of Nevada sales and use taxes by merchants in other states provides those merchants with an unfair competitive advantage over local merchants who lawfully pay the sales and use taxes due in this State.

5. As a result of the similarity of these circumstances in the various states, considerable efforts are being made to provide more uniformity, simplicity and fairness in the administration and collection of sales and use taxes in this country, including the introduction and consideration of congressional legislation and the participation by Nevada and many other states in the Streamlined Sales and Use Tax Agreement.

6. Compliance with the Streamlined Sales and Use Tax Agreement and its amendments has and will continue to require amendments to the Nevada Sales and Use Tax Act, and it is anticipated that any congressional legislation will also necessitate such amendments.

7. The Nevada Sales and Use Tax Act was approved by referendum at the General Election in 1956 and therefore, pursuant to Section 1 of Article 19 of the Constitution of the State of Nevada, may not be "amended, annulled, repealed, set aside, suspended or in any way made inoperative except by the direct vote of the people."

8. Unlike the circumstances in other states where legislatures have the direct authority to amend sales and use tax laws in a timely manner, the period required for the legislative enactment and subsequent voter approval of any necessary amendments to the Nevada Sales and Use Tax Act has placed the ability of this State to comply with the Streamlined Sales and Use Tax Agreement and any congressional legislation in serious jeopardy.

9. It would be beneficial to the public welfare for the people of this State by direct vote to authorize the Legislature to enact without any additional voter approval such amendments to the Nevada Sales and Use Tax Act as are necessary to resolve conflicts with any congressional legislation or interstate agreements providing for the administration, collection or enforcement of sales and use taxes.

Sec. 12. At the General Election on November 2, 2010, a proposal must be submitted to the registered voters of this State to amend the Sales and Use Tax Act, which was enacted by the 47th Session of the Legislature of the State of Nevada and approved by the Governor in 1955, and subsequently

approved by the people of this State at the General Election held on November 6, 1956.

Sec. 13. At the time and in the manner provided by law, the Secretary of State shall transmit the proposed act to the several county clerks, and the county clerks shall cause it to be published and posted as provided by law.

Sec. 14. The proclamation and notice to the voters given by the county clerks pursuant to law must be in substantially the following form:

Notice is hereby given that at the General Election on November 2, 2010, a question will appear on the ballot for the adoption or rejection by the registered voters of the State of the following proposed act:

AN ACT to amend an Act entitled "An Act to provide revenue for the State of Nevada; providing for sales and use taxes; providing for the manner of collection; defining certain terms; providing penalties for violation, and other matters properly relating thereto." approved March 29, 1955, as amended.

THE PEOPLE OF THE STATE OF NEVADA DO ENACT AS FOLLOWS:

Section 1. The above-entitled Act, being chapter 397, Statutes of Nevada 1955, at page 788, is hereby amended by adding thereto a new section to be designated as section 153.5, immediately following section 153.2, to read as follows:

Sec. 153.5. ~~*[The people of the State of Nevada hereby authorize the Legislature to enact, without an additional direct vote of the people, legislation that amends, annuls, repeals, sets aside, suspends or otherwise makes inoperative any provision of this Act, being chapter 397, Statutes of Nevada 1955, at page 762, only if such legislation:*~~

~~*1. Is necessary to resolve a conflict with any federal statute or regulation or interstate agreement for the administration, collection or enforcement of sales and use taxes;*~~

~~*2. Does not increase the rate of any tax imposed pursuant to this Act; and*~~

~~*3. Does not narrow the scope of any tax exemption provided pursuant to the provisions of sections 48 to 67.1, inclusive, of this Act, as amended by the direct vote of the people.]*~~ ***The people of the State of Nevada hereby authorize the Legislature to enact legislation that amends, annuls, repeals, sets aside, suspends or otherwise makes inoperative any provision of this Act, being chapter 397, Statutes of Nevada 1955, at page 762, only if such legislation meets all of the following criteria:***

1. It is necessary to resolve a conflict with any federal statute or regulation or interstate agreement for the administration, collection or enforcement of sales and use taxes;

2. It does not increase the rate of any tax imposed pursuant to this Act; and

3. It does not narrow the scope of any tax exemption provided pursuant to the provisions of sections 48 to 67.1, inclusive, of this Act, as amended by the direct vote of the people.

Sec. 2. This act becomes effective on January 1, 2011.

Sec. 15. The ballot page assemblies and the paper ballots to be used in voting on the question must present the question in substantially the following form:

~~[Shall the Sales and Use Tax Act of 1955 be amended to authorize the Legislature to amend or repeal any provision of this Act without an additional direct vote of the people if necessary to resolve a conflict with any federal law or interstate agreement for the administration, collection or enforcement of sales and use taxes?]~~ **Shall the Sales and Use Tax Act of 1955 be amended to authorize the Legislature to amend a provision of this Act only if necessary to resolve a conflict with any federal law or interstate agreement for the administration, collection or enforcement of sales and use taxes?**

Yes ☐ No ☐

Sec. 16. The explanation of the question which must appear on each paper ballot and sample ballot and in every publication and posting of notice of the question must be in substantially the following form:

(Explanation of Question)

~~[The proposed amendment to the Sales and Use Tax Act of 1955 would authorize the Legislature to enact legislation amending or repealing any provision of this Act without obtaining additional voter approval only if that legislation is necessary to resolve a conflict with any federal law or interstate agreement for the administration, collection or enforcement of sales and use taxes, that legislation does not increase the rate of any tax imposed pursuant to this Act, and that legislation does not narrow the scope of a tax exemption approved by the direct vote of the people.]~~ **The proposed amendment to the Sales and Use Tax Act of 1955 would authorize the Legislature to enact legislation amending a provision of this Act only if that legislation is necessary to resolve a conflict with any federal law or interstate agreement for the administration, collection or enforcement of sales and use taxes, that legislation does not increase the rate of any tax imposed pursuant to this Act, and that legislation does not narrow the scope of a tax exemption approved by the direct vote of the people.**

Sec. 17. If a majority of the votes cast on the question is yes, the amendment to the Sales and Use Tax Act of 1955 becomes effective on January 1, 2011. If less than a majority of votes cast on the question is yes, the question fails and the amendment to the Sales and Use Tax Act of 1955 does not become effective.

Sec. 18. All general election laws not inconsistent with this act are applicable.

Sec. 19. Any informalities, omissions or defects in the content or making of the publications, proclamations or notices provided for in this act

and by the general election laws under which this election is held must be so construed as not to invalidate the adoption of the act by a majority of the registered voters voting on the question if it can be ascertained with reasonable certainty from the official returns transmitted to the Office of the Secretary of State whether the proposed amendment was adopted by a majority of those registered voters.

Sec. 20. The amendatory provisions of section 10 of this act do not apply to any ordinance enacted before the effective date of this act.

Sec. 21. This act becomes effective upon passage and approval.

SECOND READING AND AMENDMENT

Assembly Bill No. 49.

Bill read second time and ordered to third reading.

Assembly Bill No. 79.

Bill read second time.

The following amendment was proposed by the Committee on Elections, Procedures, Ethics, and Constitutional Amendments:

Amendment No. 182.

AN ACT relating to city elections; authorizing the governing body of a city to conduct a city election in which all ballots must be cast by mail under certain circumstances; providing that a candidate who receives a majority of votes cast in a city primary election **in certain cities** must be declared elected; revising provisions concerning requests for an absent ballot; requiring that the voting results of a city election be posted on the Internet under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1 of this bill authorizes the governing body of a city to conduct a city election in which all ballots must be cast by mail if: (1) the election is a special election; (2) the election involves only offices and ballot questions that may be voted on by the voters of only one ward of the city; **or** (3) the election involves only a single office or ballot question**. ~~[; or (4) the governing body determines that doing so is in the best interest of the city.]~~** The provisions of existing law governing the conduct of city elections apply to such an election except for provisions concerning voting in person at polling places, voting by absent ballot and early voting in person. For the purpose of conducting such an election, each voting precinct in the city is treated as if it were a mailing precinct under existing law.

Under existing law, if a candidate for office in a city primary election held in a city whose population is 5,000 or more receives a majority of the votes cast for the office, only his name must be placed on the ballot for the city general election, and he must run unopposed in that election. (NRS 293C.175) **Section 3** of this bill provides instead that such a candidate must be declared elected to the office based on the majority vote in the primary election and that his name must not be placed on the ballot for the city

general election. ~~[Section 3 also extends the scope of this provision to apply to city elections held in all cities in Nevada.]~~

Section 4 of this bill eliminates a provision which enables a registered voter who is at least 65 years of age or who has a physical disability or condition that substantially impairs his ability to go to the polling place to request an absent ballot for all elections held during the year he requests an absent ballot, thus making it so that, with certain limited exceptions, any registered voter providing sufficient written notice may vote an absent ballot. (NRS 293C.310)

Existing law requires a counting board and a city clerk to post a signed copy of the voting results in a city election on the outside of the facility where the votes were counted, the courthouse or the city hall. (NRS 293C.380) **Section 5** of this bill requires ~~[instead]~~ that the results **also** be posted on an Internet website ~~[maintained by the city or the city clerk, if any, and requires the physical posting of the results only if neither]~~ **not later than the start of business on the day immediately following the election, if** the city ~~[nor]~~ **or** the city clerk maintains such a website. **Section 5** also eliminates the requirement that the copy of the voting results be signed before it may be posted.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 293C of NRS is hereby amended by adding thereto a new section to read as follows:

1. The governing body of a city may conduct a city election in which all ballots must be cast by mail if:

(a) The election is a special election; or

(b) The election is a primary city election or general city election in which the ballot includes only:

(1) Offices and ballot questions that may be voted on by the registered voters of only one ward; or

(2) One office or ballot question . ~~[; or~~

~~*(c) The governing body determines that conducting a city election in which all ballots must be cast by mail is in the best interest of the city.]*~~

2. The provisions of NRS 293C.265 to 293C.302, inclusive, 293C.305 to 293C.340, inclusive, and 293C.355 to 293C.361, inclusive, do not apply to an election conducted pursuant to this section.

3. For the purposes of an election conducted pursuant to this section, each precinct in the city shall be deemed to have been designated a mailing precinct pursuant to NRS 293C.342.

Sec. 2. NRS 293C.110 is hereby amended to read as follows:

293C.110 1. Except as otherwise provided in subsection 2, conduct of any city election is under the control of the governing body of the city, and it shall, by ordinance, provide for the holding of the election, appoint the

2. ~~[The]~~ ***Except as otherwise provided in section 1 of this act, the*** governing body of the city shall provide for:

The city clerk shall charge and collect from the candidate and the candidate must pay to the city clerk, at the time of filing the declaration of candidacy, a filing fee in an amount fixed by the governing body of the city by ordinance or resolution. The filing fees collected by the city clerk must be deposited to the credit of the general fund of the city.

3. All candidates, except as otherwise provided in NRS 266.220, must be voted upon by the electors of the city at large.

4. If, in a primary city election held in a city of population category one or two, one candidate receives more than a majority of votes cast in that election for the office for which he is a candidate, ***he must be declared elected to the office and*** his name ~~[alone]~~ must ***not*** be placed on the ballot for the general city election. If, in the primary city election, no candidate receives a majority of votes cast in that election for the office for which he is a candidate, the names of the two candidates receiving the highest number of votes must be placed on the ballot for the general city election.

Sec. 4. NRS 293C.310 is hereby amended to read as follows:

293C.310 1. Except as otherwise provided in NRS 293.502 and 293C.265, a registered voter who provides sufficient written notice to the city clerk may vote an absent ballot as provided in this chapter.

2. ~~[A registered voter who:~~

~~(a) Is at least 65 years of age; or~~

~~[5.]~~ ***4.*** It is unlawful for a person fraudulently to request an absent ballot in the name of another person or to induce or coerce another person fraudulently to request an absent ballot in the name of another person. A person who violates any provision of this subsection is guilty of a category E felony and shall be punished as provided in NRS 193.130.

The following amendment was proposed by the Committee on Transportation:

Amendment No. 21.

AN ACT relating to motor vehicles; ~~[authorizing a short-term lessor and short-term lessee of a passenger car to agree that the lessee will be responsible for certain damages to the car under certain circumstances;]~~ authorizing a short-term lessor to exclude from a waiver of damages losses resulting from the theft of a leased car if the theft is committed by an authorized driver or by a person aided or abetted by an authorized driver; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law governing the business of short-term leases of passenger cars, ~~[the lessor and lessee may agree on the extent of the lessee's financial responsibility if the leased car is damaged during the term of the lease. (NRS 482.3154, 482.31545) Section 3 of this bill authorizes the lessee and lessor to agree that the lessee will be responsible for: (1) damages to a leased car from theft and vandalism even if the lessee is not at fault; and (2) the diminished value of a leased car resulting from physical or mechanical damage to the car for which the lessee is liable. "Diminished value," as~~

~~defined in section 1 of this bill, is the decrease in the fair market value of a car that has been damaged from what the car would have been worth if it had not been damaged and what it is likely to be worth if the damage is repaired properly.~~

~~A.~~ **a** short-term lessor may offer the lessee of a passenger car the opportunity to purchase a "waiver of damages" that relieves the lessee from financial responsibility for certain kinds of damage to the car. (NRS 482.3153, 482.3155-482.31565) **Section 5** of this bill authorizes a lessor to exclude from such a waiver any damages or loss attributable to the theft of the leased car if the theft is committed by the lessee or other authorized driver or by a person aided or abetted by such a driver.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. ~~[Chapter 482 of NRS is hereby amended by adding thereto a new section to read as follows:~~

~~***"Diminished value" means the difference between:***~~

Bill read second time.

The following amendment was proposed by the Committee on Taxation:

Amendment No. 206.

AN ACT relating to the taxation of property; revising the provisions governing the calculation of certain partial abatements of taxes and the taxable value of improvements made on land, the designation of taxes on personal property as uncollectible and the taxation of open-space land **.;** ~~**[which is converted to a higher use;]**~~ clarifying the provisions governing the notification, appeal and revision of the valuation of property on the

unsecured tax roll; ~~[delaying the required filing dates]~~ **revising the requirements** for certain **segregation and** statistical reports and **projections of assessed value; delaying the required filing date for** petitions for the review of certain determinations regarding the applicability of a partial abatement; postponing the prospective expiration of certain provisions for the funding of accounts for the acquisition and improvement of technology in the offices of county assessors; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Sections 1 and 8 of this bill require a county assessor to make certain projections of assessed valuation of property for an upcoming fiscal year that had been made under existing law by the Department of Taxation. (NRS 361.390) Additionally, section 8 revises the dates when a county assessor must file with the Department certain statistical and segregation reports showing assessed values of property.

Existing law provides a partial abatement of the property taxes levied on property for which an assessed valuation has previously been established, a remainder parcel of real property, certain single-family residences and certain residential rental dwellings. (NRS 361.4722, 361.4723, 361.4724) **Sections ~~[1]~~ 2 and ~~[8-10]~~ 9-11** of this bill revise the formula for calculating the partial abatement in such a manner as to lower the cap on the tax liability of an owner of real property when the taxable value of the property is reduced as a result of the partial or complete destruction or removal of an improvement to the property or the correction of an overassessment of an improvement because of a factual error. **Section ~~[12]~~ 13** of this bill changes the date by which a petition must be filed for the review of a county assessor's determination regarding the applicability of a partial abatement from January 15 to the last day of the fiscal year for which the determination is effective. (NRS 361.4734)

Section ~~[2]~~ 3 of this bill allows a county assessor, when determining the cost to replace an improvement on land for the purpose of calculating taxable value, to use the **final** plans, drawings and other representations prepared by the architect or builder of the improvement to establish its size or quantity. (NRS 361.227)

Section ~~[3]~~ 4 of this bill provides statutory clarification that **a county assessor must provide notice of the assessed valuation of property on the secured tax roll on or before December 18 of the fiscal year in which the property is appraised or reappraised, but** the individual tax bills provided to the owners of **personal** property **billed** on the unsecured tax roll serve as notification of the assessed valuation of **~~[the]~~ that** property **.** ~~[after the regular appraisal or reappraisal of the property by the county assessor.]~~ (NRS 361.300)

Under existing law, a taxpayer desiring to appeal the assessment of property placed on the unsecured tax roll must, if the property was assessed after December 15 and on or before April 30, file that appeal with the State

Board of Equalization on or before May 15. (NRS 361.360) **Sections ~~[4-6]~~ 5-7** of this bill provide statutory clarification that a taxpayer desiring to appeal the assessment of property on the unsecured tax roll which was assessed at any other time may file that appeal with the county board of equalization on or before January 15. (NRS 361.345, 361.356, 361.357)

~~[Section 7 of this bill changes from July 31 to August 10 the date by which a county assessor must file with the Department of Taxation a statistical report showing values of property on the secured tax roll. (NRS 361.390)]~~

Existing law authorizes a county assessor to seize the personal property of a person who neglects or refuses to pay property taxes, and requires the county assessor to post a notice of the seizure within the immediate vicinity of the seized property before selling the property at public auction. (NRS 361.535) **Section ~~[13]~~ 14** of this bill makes it a gross misdemeanor for a person to remove, deface, cover or conceal that notice, or to move or sell, attempt to move or sell or assist another person to move or sell the seized property, before the delinquent taxes are paid.

Existing law allows a county tax receiver to petition the board of county commissioners to designate certain taxes on personal property as uncollectible, thereby relieving the tax receiver from liability for the failure to collect those taxes. (NRS 361.5607) **Section ~~[14]~~ 15** of this bill revises the criteria under which such a petition is authorized to require in every case that all appropriate collection procedures were followed without success, and that either the taxes have been delinquent for at least 3 years or the amount of the taxes is $25 or less.

Existing law requires the assessment of a golf course as open-space property and the payment of deferred property taxes when any open-space property is converted to a higher use. (NRS 361A.170, 361A.280) **Section ~~[16]~~ 18** of this bill specifies criteria for determining when a golf course ~~[has been converted to a higher use. (NRS 361A.031)]~~ **becomes disqualified for open-space use assessment. (NRS 361A.230) Sections ~~[15 and 18]~~ 16 and 20** of this bill clarify the amount of deferred property taxes due upon the conversion of any open-space property to a higher use.

Under existing law, 2 percent of the property taxes collected for each county on personal property and the net proceeds of mines must be deposited into an account for the acquisition and improvement of technology in the office of the county assessor. (NRS 361.530, 362.170) **Sections ~~[20, 21 and 22]~~ 22, 23 and 24** of this bill provide for the continuation of this funding during the next biennium by postponing its prospective expiration until June 30, 2011.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. **NRS 360.690 is hereby amended to read as follows:**

360.690 1. Except as otherwise provided in NRS 360.730, the Executive Director shall estimate monthly the amount each local

government, special district and enterprise district will receive from the Account pursuant to the provisions of this section.

2. The Executive Director shall establish a base monthly allocation for each local government, special district and enterprise district by dividing the amount determined pursuant to NRS 360.680 for each local government, special district and enterprise district by 12, and the State Treasurer shall, except as otherwise provided in subsections 3 to 8, inclusive, remit monthly that amount to each local government, special district and enterprise district.

3. If, after making the allocation to each enterprise district for the month, the Executive Director determines there is not sufficient money available in the county's subaccount in the Account to allocate to each local government and special district the base monthly allocation determined pursuant to subsection 2, he shall prorate the money in the county's subaccount and allocate to each local government and special district an amount equal to its proportionate percentage of the total amount of the base monthly allocations determined pursuant to subsection 2 for all local governments and special districts within the county. The State Treasurer shall remit that amount to the local government or special district.

4. Except as otherwise provided in subsections 5 to 8, inclusive, if the Executive Director determines that there is money remaining in the county's subaccount in the Account after the base monthly allocation determined pursuant to subsection 2 has been allocated to each local government, special district and enterprise district, he shall immediately determine and allocate each:

(a) Local government's share of the remaining money by:

(1) Multiplying one-twelfth of the amount allocated pursuant to NRS 360.680 by the sum of the:

(II) Average percentage of change in the assessed valuation of the taxable property in the local government, including assessed valuation attributable to a redevelopment agency but excluding the portion attributable to the net proceeds of minerals, over the year in which the allocation is made, as projected ~~[by the Department]~~ pursuant to NRS 361.390, and the 4 fiscal years immediately preceding the year in which the allocation is made; and

(2) Using the figure calculated pursuant to subparagraph (1) to calculate and allocate to each local government an amount equal to the proportion that the figure calculated pursuant to subparagraph (1) bears to the total amount of the figures calculated pursuant to subparagraph (1) of this paragraph and subparagraph (1) of paragraph (b), respectively, for the local governments and special districts located in the same county multiplied by the total amount available in the subaccount; and

(b) Special district's share of the remaining money by:

(1) Multiplying one-twelfth of the amount allocated pursuant to NRS 360.680 by the average change in the assessed valuation of the taxable property in the special district, including assessed valuation attributable to a redevelopment agency but excluding the portion attributable to the net proceeds of minerals, over the year in which the allocation is made, as projected ~~[by the Department]~~ pursuant to NRS 361.390, and the 4 fiscal years immediately preceding the year in which the allocation is made; and

(2) Using the figure calculated pursuant to subparagraph (1) to calculate and allocate to each special district an amount equal to the proportion that the figure calculated pursuant to subparagraph (1) bears to the total amount of the figures calculated pursuant to subparagraph (1) of this paragraph and subparagraph (1) of paragraph (a), respectively, for the local governments and special districts located in the same county multiplied by the total amount available in the subaccount.

➥ The State Treasurer shall remit the amount allocated to each local government or special district pursuant to this subsection.

5. Except as otherwise provided in subsection 6 or 7, if the Executive Director determines that there is money remaining in the county's subaccount in the Account after the base monthly allocation determined pursuant to subsection 2 has been allocated to each local government, special district and enterprise district and that the average amount over the 5 fiscal years immediately preceding the year in which the allocation is made of the assessed valuation of taxable property which is attributable to the net proceeds of minerals in the county is equal to at least $50,000,000 or that the average percentage of change in population of the county over the 5 fiscal years immediately preceding the year in which the allocation is made, as certified by the Governor pursuant to NRS 360.285, except as otherwise provided in subsection 9, is a negative figure or that the average amount over the 5 fiscal years immediately preceding the year in which the allocation is made of the assessed valuation of taxable property which is attributable to the net proceeds of minerals in the county is equal to at least $50,000,000 and the average percentage of change in population of the county over the 5 fiscal years immediately preceding the year in which the allocation is made, as certified by the Governor pursuant to NRS 360.285, except as otherwise provided in subsection 9, is a negative figure, he shall immediately determine and allocate each:

(a) Local government's share of the remaining money by:

(1) Multiplying one-twelfth of the amount allocated pursuant to NRS 360.680 by 1 plus the sum of the:

(I) Average percentage of change in the population of the local government over the 5 fiscal years immediately preceding the year in which the allocation is made, as certified by the Governor pursuant to NRS 360.285, except as otherwise provided in subsection 9; and

(II) Average percentage of change in the assessed valuation of the taxable property in the local government, including assessed valuation

attributable to a redevelopment agency but excluding the portion attributable to the net proceeds of minerals, over the year in which the allocation is made, as projected ~~[by the Department]~~ pursuant to NRS 361.390, and the 4 fiscal years immediately preceding the year in which the allocation is made; and

(2) Using the figure calculated pursuant to subparagraph (1) to calculate and allocate to each local government an amount equal to the proportion that the figure calculated pursuant to subparagraph (1) bears to the total amount of the figures calculated pursuant to subparagraph (1) of this paragraph and subparagraph (1) of paragraph (b), respectively, for the local governments and special districts located in the same county multiplied by the total amount available in the subaccount; and

(b) Special district's share of the remaining money by:

(1) Multiplying one-twelfth of the amount allocated pursuant to NRS 360.680 by 1 plus the average change in the assessed valuation of the taxable property in the special district, including assessed valuation attributable to a redevelopment agency but excluding the portion attributable to the net proceeds of minerals, over the year in which the allocation is made, as projected ~~[by the Department]~~ pursuant to NRS 361.390, and the 4 fiscal years immediately preceding the year in which the allocation is made; and

(2) Using the figure calculated pursuant to subparagraph (1) to calculate and allocate to each special district an amount equal to the proportion that the figure calculated pursuant to subparagraph (1) bears to the total amount of the figures calculated pursuant to subparagraph (1) of this paragraph and subparagraph (1) of paragraph (a), respectively, for the local governments and special districts located in the same county multiplied by the total amount available in the subaccount.

➥ The State Treasurer shall remit the amount allocated to each local government or special district pursuant to this subsection.

6. Except as otherwise provided in subsection 8, if the Executive Director determines that there is money remaining in the county's subaccount in the Account after the base monthly allocation determined pursuant to subsection 2 has been allocated to each local government, special district and enterprise district, that the sum of the average percentage of change in population and the average percentage of change in the assessed valuation of taxable property, as calculated pursuant to subparagraph (1) of paragraph (a) of subsection 4 for each of those local governments, is a negative figure, and that the average change in the assessed valuation of the taxable property in each of those special districts, as calculated pursuant to subparagraph (1) of paragraph (b) of subsection 4, is a negative figure, he shall immediately determine and allocate each:

(a) Local government's share of the remaining money by:

(1) Multiplying one-twelfth of the amount allocated pursuant to NRS 360.680 by 1 plus the sum of the:

(I) Average percentage of change in the population of the local government over the 5 fiscal years immediately preceding the year in which

the allocation is made, as certified by the Governor pursuant to NRS 360.285, except as otherwise provided in subsection 9; and

(2) Using the figure calculated pursuant to subparagraph (1) to calculate and allocate to each local government an amount equal to the proportion that the figure calculated pursuant to subparagraph (1) bears to the total amount of the figures calculated pursuant to subparagraph (1) of this paragraph and subparagraph (1) of paragraph (b), respectively, for the local governments and special districts located in the same county multiplied by the total amount available in the subaccount; and

(b) Special district's share of the remaining money by:

(1) Multiplying one-twelfth of the amount allocated pursuant to NRS 360.680 by 1 plus the average change in the assessed valuation of the taxable property in the special district, including assessed valuation attributable to a redevelopment agency but excluding the portion attributable to the net proceeds of minerals, over the year in which the allocation is made, as projected ~~[by the Department]~~ pursuant to NRS 361.390, and the 4 fiscal years immediately preceding the year in which the allocation is made; and

(2) Using the figure calculated pursuant to subparagraph (1) to calculate and allocate to each special district an amount equal to the proportion that the figure calculated pursuant to subparagraph (1) bears to the total amount of the figures calculated pursuant to subparagraph (1) of this paragraph and subparagraph (1) of paragraph (a), respectively, for the local governments and special districts located in the same county multiplied by the total amount available in the subaccount.

➥ The State Treasurer shall remit the amount allocated to each local government or special district pursuant to this subsection.

7. Except as otherwise provided in subsection 8, if the Executive Director determines that there is money remaining in the county's subaccount in the Account after the base monthly allocation determined pursuant to subsection 2 has been allocated to each local government, special district and enterprise district, that the sum of the average percentage of change in population and the average percentage of change in the assessed valuation of taxable property, as calculated pursuant to subparagraph (1) of paragraph (a) of subsection 4 for each of those local governments, is a negative figure, and that the average change in the assessed valuation of the taxable property in any of those special districts, as calculated pursuant to subparagraph (1) of paragraph (b) of subsection 4, is a positive figure, he shall immediately determine and allocate each:

(I) Average percentage of change in the population of the local government over the 5 fiscal years immediately preceding the year in which the allocation is made, as certified by the Governor pursuant to NRS 360.285, except as otherwise provided in subsection 9; and

(II) Average percentage of change in the assessed valuation of the taxable property in the local government, including assessed valuation attributable to a redevelopment agency but excluding the portion attributable to the net proceeds of minerals, over the year in which the allocation is made, as projected ~~[by the Department]~~ pursuant to NRS 361.390, and the 4 fiscal years immediately preceding the year in which the allocation is made; and

(2) Using the figure calculated pursuant to subparagraph (1) to calculate and allocate to each local government an amount equal to the proportion that the figure calculated pursuant to subparagraph (1) bears to the total amount of the figures calculated pursuant to subparagraph (1) of this paragraph and subparagraph (1) of paragraph (b), respectively, for the local governments and special districts located in the same county multiplied by the total amount available in the subaccount; and

(b) Special district's share of the remaining money by:

(1) Multiplying one-twelfth of the amount allocated pursuant to NRS 360.680 by 1 plus the sum of the:

(I) Average percentage of change in the population of the county over the 5 fiscal years immediately preceding the year in which the allocation is made, as certified by the Governor pursuant to NRS 360.285, except as otherwise provided in subsection 9; and

(II) Average change in the assessed valuation of the taxable property in the special district, including assessed valuation attributable to a redevelopment agency but excluding the portion attributable to the net proceeds of minerals, over the year in which the allocation is made, as projected ~~[by the Department]~~ pursuant to NRS 361.390, and the 4 fiscal years immediately preceding the year in which the allocation is made; and

(2) Using the figure calculated pursuant to subparagraph (1) to calculate and allocate to each special district an amount equal to the proportion that the figure calculated pursuant to subparagraph (1) bears to the total amount of the figures calculated pursuant to subparagraph (1) of this paragraph and subparagraph (1) of paragraph (a), respectively, for the local governments and special districts located in the same county multiplied by the total amount available in the subaccount.

➥ The State Treasurer shall remit the amount allocated to each local government or special district pursuant to this subsection.

8. The Executive Director shall not allocate any amount to a local government or special district pursuant to subsection 4, 5, 6 or 7 unless the amount distributed and allocated to each of the local governments and special districts in the county in each preceding month of the fiscal year in which the

allocation is to be made was at least equal to the base monthly allocation determined pursuant to subsection 2. If the amounts distributed to the local governments and special districts in the county for the preceding months of the fiscal year in which the allocation is to be made were less than the base monthly allocation determined pursuant to subsection 2 and the Executive Director determines there is money remaining in the county's subaccount in the Account after the distribution for the month has been made, he shall:

(a) Determine the amount by which the base monthly allocations determined pursuant to subsection 2 for each local government and special district in the county for the preceding months of the fiscal year in which the allocation is to be made exceeds the amounts actually received by the local governments and special districts in the county for the same period; and

(b) Compare the amount determined pursuant to paragraph (a) to the amount of money remaining in the county's subaccount in the Account to determine which amount is greater.

➥ If the Executive Director determines that the amount determined pursuant to paragraph (a) is greater, he shall allocate the money remaining in the county's subaccount in the Account pursuant to the provisions of subsection 3. If the Executive Director determines that the amount of money remaining in the county's subaccount in the Account is greater, he shall first allocate the money necessary for each local government and special district to receive the base monthly allocation determined pursuant to subsection 2 and the State Treasurer shall remit that money so allocated. The Executive Director shall allocate any additional money in the county's subaccount in the Account pursuant to the provisions of subsection 4, 5, 6 or 7, as appropriate.

9. The percentage changes in population calculated pursuant to subsections 4 to 7, inclusive, must:

(a) Except as otherwise provided in paragraph (c), if the Bureau of the Census of the United States Department of Commerce issues population totals that conflict with the totals certified by the Governor pursuant to NRS 360.285, be an estimate of the change in population for the calendar year, based upon the population totals issued by the Bureau of the Census.

(b) If a new method of determining population is established pursuant to NRS 360.283, be adjusted in a manner that will result in the percentage change being based on population determined pursuant to the new method for both the fiscal year in which the allocation is made and the fiscal year immediately preceding the year in which the allocation is made.

(c) If a local government files a formal appeal with the Bureau of the Census concerning the population total of the local government issued by the Bureau of the Census, be calculated using the population total certified by the Governor pursuant to NRS 360.285 until the appeal is resolved. If additional money is allocated to the local government because the population total certified by the Governor is greater than the population total issued by the Bureau of the Census, the State Treasurer shall deposit that additional money

in a separate interest-bearing account. Upon resolution of the appeal, if the population total finally determined pursuant to the appeal is:

(1) Equal to or less than the population total initially issued by the Bureau of the Census, the State Treasurer shall transfer the total amount in the separate interest-bearing account, including interest but excluding any administrative fees, to the Local Government Tax Distribution Account for allocation among the local governments in the county pursuant to subsection 4, 5, 6 or 7, as appropriate.

(2) Greater than the population total initially issued by the Bureau of the Census, the Executive Director shall calculate the amount that would have been allocated to the local government pursuant to subsection 4, 5, 6 or 7, as appropriate, if the population total finally determined pursuant to the appeal had been used and the State Treasurer shall remit to the local government an amount equal to the difference between the amount actually distributed and the amount calculated pursuant to this subparagraph or the total amount in the separate interest-bearing account, including interest but excluding any administrative fees, whichever is less.

10. On or before February 15 of each year, the Executive Director shall provide to each local government, special district and enterprise district a preliminary estimate of the revenue it will receive from the Account for that fiscal year.

11. On or before March 15 of each year, the Executive Director shall:

(a) Make an estimate of the receipts from each tax included in the Account on an accrual basis for the next fiscal year in accordance with generally accepted accounting principles, including an estimate for each county of the receipts from each tax included in the Account; and

(b) Provide to each local government, special district and enterprise district an estimate of the amount that local government, special district or enterprise district would receive based upon the estimate made pursuant to paragraph (a) and calculated pursuant to the provisions of this section.

12. A local government, special district or enterprise district may use the estimate provided by the Executive Director pursuant to subsection 11 in the preparation of its budget.

~~[Section 1.]~~ ***Sec. 2.*** Chapter 361 of NRS is hereby amended by adding thereto a new section to read as follows:

If the taxable value of an improvement to real property is reduced as a result of:

1. The partial or complete destruction or removal of the improvement; or

2. The correction pursuant to NRS 361.768 of an overassessment of the improvement because of a factual error,

➥ then for the purpose of calculating the amount of any partial abatement to which the owner of the real property is entitled pursuant to NRS 361.4722, 361.4723 or 361.4724 for the initial fiscal year for which that reduction in taxable value applies, the amount determined for the

immediately preceding fiscal year pursuant to paragraph (a) of subsection 1 of NRS 361.4722, paragraph (a) of subsection 2 of NRS 361.4722, paragraph (a) of subsection 1 of NRS 361.4723 or paragraph (a) of subsection 1 of NRS 361.4724, as applicable, must be reduced by the same percentage as the taxable value of the real property is reduced for that initial fiscal year as a result of the partial or complete destruction or removal of the improvement to the property or the correction of the overassessment of the improvement to the property.

~~[Sec. 2.]~~ ***Sec. 3.*** NRS 361.227 is hereby amended to read as follows:

361.227 1. Any person determining the taxable value of real property shall appraise:

(a) The full cash value of:

(1) Vacant land by considering the uses to which it may lawfully be put, any legal or physical restrictions upon those uses, the character of the terrain, and the uses of other land in the vicinity.

(2) Improved land consistently with the use to which the improvements are being put.

(b) Any improvements made on the land by subtracting from the cost of replacement of the improvements all applicable depreciation and obsolescence. Depreciation of an improvement made on real property must be calculated at 1.5 percent of the cost of replacement for each year of adjusted actual age of the improvement, up to a maximum of 50 years.

2. The unit of appraisal must be a single parcel unless:

(a) The location of the improvements causes two or more parcels to function as a single parcel;

(b) The parcel is one of a group of contiguous parcels which qualifies for valuation as a subdivision pursuant to the regulations of the Nevada Tax Commission; or

(c) In the professional judgment of the person determining the taxable value, the parcel is one of a group of parcels which should be valued as a collective unit.

3. The taxable value of a leasehold interest, possessory interest, beneficial interest or beneficial use for the purpose of NRS 361.157 or 361.159 must be determined in the same manner as the taxable value of the property would otherwise be determined if the lessee or user of the property was the owner of the property and it was not exempt from taxation, except that the taxable value so determined must be reduced by a percentage of the taxable value that is equal to the:

(a) Percentage of the property that is not actually leased by the lessee or used by the user during the fiscal year; and

(b) Percentage of time that the property is not actually leased by the lessee or used by the user during the fiscal year, which must be determined in accordance with NRS 361.2275.

4. The taxable value of other taxable personal property, except a mobile or manufactured home, must be determined by subtracting from the cost of

replacement of the property all applicable depreciation and obsolescence. Depreciation of a billboard must be calculated at 1.5 percent of the cost of replacement for each year after the year of acquisition of the billboard, up to a maximum of 50 years.

5. The computed taxable value of any property must not exceed its full cash value. Each person determining the taxable value of property shall reduce it if necessary to comply with this requirement. A person determining whether taxable value exceeds that full cash value or whether obsolescence is a factor in valuation may consider:

(a) Comparative sales, based on prices actually paid in market transactions.

(b) A summation of the estimated full cash value of the land and contributory value of the improvements.

(c) Capitalization of the fair economic income expectancy or fair economic rent, or an analysis of the discounted cash flow.

➥ A county assessor is required to make the reduction prescribed in this subsection if the owner calls to his attention the facts warranting it, if he discovers those facts during physical reappraisal of the property or if he is otherwise aware of those facts.

6. The Nevada Tax Commission shall, by regulation, establish:

(a) Standards for determining the cost of replacement of improvements of various kinds.

(b) Standards for determining the cost of replacement of personal property of various kinds. The standards must include a separate index of factors for application to the acquisition cost of a billboard to determine its replacement cost.

(c) Schedules of depreciation for personal property based on its estimated life.

(d) Criteria for the valuation of two or more parcels as a subdivision.

7. In determining ***, for the purpose of computing taxable value,*** the cost of replacement of ***:***

If the county assessor fails to complete the assessment roll in the manner and at the time specified in this section, the board of county commissioners shall not allow him a salary or other compensation for any day after January 1 during which the roll is not completed, unless excused by the board of county commissioners.

3. Except as otherwise provided in subsection 4, each board of county commissioners shall by resolution, before December 1 of any fiscal year in which assessment is made, require the county assessor to prepare a list of all the taxpayers on the secured roll in the county and the total valuation of property on which they severally pay taxes and direct the county assessor:

4. A board of county commissioners may, in the resolution required by subsection 3, authorize the county assessor not to deliver or mail the list, as provided in paragraph (a) of subsection 3, to taxpayers whose property is assessed at $1,000 or less and direct the county assessor to mail to each such taxpayer a statement of the amount of his assessment. Failure by a taxpayer to receive such a mailed statement does not invalidate any assessment.

7. If the secured tax roll is changed pursuant to NRS 361.310, the county assessor shall mail an amended notice of assessed valuation to each affected taxpayer. The notice must include:

(a) The information set forth in subsection 6 for the new assessed valuation.

(b) The dates for appealing the new assessed valuation.

(b) Change and correct any valuation found to be incorrect either by adding thereto or by deducting therefrom such sum as is necessary to make it conform to the taxable value of the property assessed, whether that valuation was fixed by the owner or the county assessor. The county board of equalization may not reduce the assessment of the county assessor unless it is established by a preponderance of the evidence that the valuation established by the county assessor exceeds the full cash value of the property or is inequitable. A change so made is effective only for the fiscal year for which the assessment was made. The county assessor shall each year review all such changes made for the previous fiscal year and maintain or remove each change as circumstances warrant.

2. If a person complaining of the assessment of his property:

(a) Has refused or, without good cause, has neglected to give the county assessor his list under oath, as required by NRS 361.265; or

(b) Has, without good cause, refused entry to the assessor for the purpose of conducting the physical examination required by NRS 361.260,

If January 15 falls on a Saturday, Sunday or legal holiday, the appeal may be filed on the next business day.

(b) The unsecured tax roll which was assessed on or after May 1 and on or before December 15 who believes that his property was assessed at a higher value than another property whose use is identical and whose location is comparable may appeal the assessment, on or before the following January 15, to the county board of equalization. If January 15 falls on a Saturday, Sunday or legal holiday, the appeal may be filed on the next business day.

The county assessor may, before providing such a form, require the person requesting the form to provide the parcel number or other identification number of the property that is the subject of the planned appeal.

3. If the board finds that an inequity exists in the assessment of the value of the land or the value of the improvements, or both, the board may add to or deduct from the value of the land or the value of the improvements, or both, either of the appellant's property or of the property to which it is compared, to equalize the assessment.

5. After a mobile or manufactured home, an aircraft, or the personal property of a business is sold and the county assessor has paid all the taxes and costs on the property, the county assessor shall deposit into the general fund of the county the first $300 of the excess proceeds from the sale. The county assessor shall deposit any remaining amount of the excess proceeds from the sale into an interest-bearing account maintained for the purpose of holding excess proceeds separate from other money of the county. If no claim is made for the money within 6 months after the sale of the property for which the claim is made, the county assessor shall pay the money into the general fund of the county. All interest paid on money deposited in the account pursuant to this subsection is the property of the county.

When any portion of open-space land is converted to a higher use, the county assessor shall determine its taxable and open-space use values against which to compute the deferred tax for each fiscal year the property was under open-space assessment during the current fiscal year and the preceding 6 fiscal years, or such other period as is required pursuant to NRS 361A.283. The taxable values for each year must be comparable for the corresponding years to the taxable values for property similar, including, without limitation, in size, zoning and location, to the portion of property actually converted to a higher use. When open-space land that is used as a golf course is converted to a higher use, the taxable values for the property must be determined, for the purpose of computing the deferred tax, in accordance with the provisions of NRS 361.227 based upon the assessment of the land as a golf course.

(2) A temporary closure of the property for maintenance or repairs; or

(3) A temporary closure of the property, upon notification of the county assessor, for not more than 12 months for any other purpose that is incidental to such use or necessary for the continuation of such use; or

(d) If the open-space use assessment is based on a designation or classification adopted pursuant to subsection 2 of NRS 361A.170:

(1) Notification by the applicant to the assessor to remove the open-space use assessment; or

(2) Failure to file a new application as provided in NRS 361A.190.

2. Except as otherwise provided in paragraph (a) of subsection 1, the sale or transfer to a new owner or transfer by reason of death of a former owner

does not operate to disqualify open-space real property from open-space use assessment so long as the property continues to be used exclusively for an open-space use. If the open-space use assessment is based on a designation or classification adopted pursuant to subsection 2 of NRS 361A.170, the new owner must apply for open-space use assessment in the manner provided in NRS 361A.190.

(b) In all other cases may, before the conversion of any portion of the property to a higher use, pay the amount of deferred taxes which would be due upon the conversion of that property pursuant to NRS 361A.280.

2. An owner who desires to pay the deferred taxes must request, in writing, the county assessor to estimate the amount of the deferred taxes which would be due at the time of conversion. After receiving such a request, the county assessor shall estimate the amount of the deferred taxes due for the next property tax statement and report the amount to the owner.

3. An owner who voluntarily pays the deferred taxes may appeal the valuations and calculations upon which the deferred taxes were based in the manner provided in NRS 361A.273.

4. If a parcel that has been created after the secured tax roll has been closed is converted to a higher use, the assessor must change the roll to reflect the changes in the parcel or parcels and assess the new parcel or parcels at taxable value for the following fiscal year. ~~[Sec. 19.]~~ ***Sec. 21.*** NRS 361A.283 is hereby amended to read as follows:

361A.283 1. If the county assessor determines that the deferred tax for any fiscal year or years was not assessed in the year it became due, he may assess it anytime within 5 fiscal years after the end of the fiscal year in which a parcel or portion of a parcel was converted to a higher use.

2. If the county assessor determines that a parcel was assessed for agricultural ***or open-space*** use rather than at full taxable value for any fiscal year in which it did not qualify for agricultural ***or open-space*** assessment, he may assess the deferred tax for that year anytime within 5 years after the end of that fiscal year.

3. A penalty equal to 20 percent of the total accumulated deferred tax described in subsections 1 and 2 must be added for each of the years in which the owner failed to provide the written notice required by NRS 361A.270. Section 5 of chapter 4, Statutes of Nevada 2008, 25th Special Session, at page 17:

Sec. 5. NRS 362.170 is hereby amended to read as follows:

362.170 1. There is hereby appropriated to each county the total of the amounts obtained by multiplying, for each extractive operation situated within the county, the net proceeds of that operation and any royalties paid by that operation, ***as estimated and paid pursuant to NRS 362.115, plus any amounts paid pursuant to NRS 362.130*** by the combined rate of tax ad valorem ~~[,]~~ ***for the fiscal year to which the payments apply,*** excluding any rate levied by the State of Nevada, for property at that site, plus a pro rata share of any penalties and interest collected by the Department for the late payment of taxes distributed to the county. The Department shall report to the State Controller on or before May 25 of each year the amount appropriated to each county, as calculated for each operation from the ~~[final statement made in February of that year]~~ ***estimate provided pursuant to NRS 362.115 for the current calendar year and any adjustments made pursuant to NRS 362.130*** for the preceding calendar year. The State Controller shall distribute all money due to a county on or before May 30 of each year. ***The Department shall report to the State Controller any additional payments made pursuant to paragraph (b) of subsection 1 of NRS 362.115 within 15 days after receipt of the payment, and the State Controller shall distribute the money to the appropriate county within 5 days after receipt of the report from the Department. For the purposes of this subsection, payments made pursuant to paragraph (b) of subsection 1 of NRS 362.115 apply to the fiscal year in which the statement of the estimated net proceeds is filed pursuant to paragraph (a) of subsection 1 of NRS 362.115.***

2. The county treasurer shall apportion to each local government or other local entity an amount calculated by:

(a) Determining the total of the amounts obtained by multiplying, for each extractive operation situated within its jurisdiction, the net proceeds of that operation and any royalty payments paid by that operation, by the rate levied on behalf of that local government or other local entity;

(b) Adding to the amount determined pursuant to paragraph (a) a pro rata share of any penalties and interest collected by the Department for the late payment of taxes distributed to that local government or local entity; and

(c) Subtracting from the amount determined pursuant to paragraph (b) a commission of 3 percent of that amount which must be deposited in the county general fund.

3. The amounts apportioned pursuant to subsection 2, including, without limitation, the amount retained by the county and excluding the percentage commission, must be applied to the uses for which each levy was authorized in the same proportion as the rate of each levy bears to the total rate.

4. The Department shall report to the State Controller on or before May 25 of each year the amount received as tax upon the net proceeds of geothermal resources which equals the product of those net proceeds multiplied by the rate of tax levied ad valorem by the State of Nevada.

Assembly Bill No. 233.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 62.

AN ACT relating to scrap metal; enacting various requirements for transactions involving scrap metal and for persons involved in such transactions; providing that a person who removes, damages or destroys certain property to obtain scrap metal is guilty of a crime; increasing the penalty for stealing scrap metal under certain circumstances; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Sections 2 and 3 of this bill define the terms "scrap metal" and "scrap metal processor."

Section 4 of this bill requires purchasers of scrap metal to hold current business licenses from both the State and the appropriate city or county and to have authorization to operate from the appropriate solid waste management authority.

Section 5 of this bill requires scrap metal processors to maintain certain records of all purchases of scrap metal by the scrap metal processors.

Section 6 of this bill allows peace officers or investigators to place a hold on certain property in the possession of a scrap metal processor alleged to be related to criminal activity for a specified period during the investigation or prosecution.

Section 7 of this bill requires that payments for purchases of scrap metal with a value of $150 or more by a scrap metal processor must be made by certain means and that a receipt containing certain specified information must be provided to the seller of the scrap metal. **Section 7 also allows only a single cash transaction of less than $150 each day between a scrap metal processor and a seller.**

Section 7.5 of this bill provides that a person who knowingly and willfully fails to comply with the provisions of sections 5, 6 and 7 is: (1) for a first or second offense within a period of 5 years, guilty of a misdemeanor with varying terms of imprisonment and fines; and (2) for a third or subsequent offense within a period of 5 years, guilty of a category E felony.

Section 9 of this bill excludes scrap metal from the definition of "junk" under chapter 647 of NRS. (NRS 647.015) **Section 11** of this bill expands the crime of receiving property stolen from certain utilities and political subdivisions of the State, a category D felony, to include transactions involving scrap metal. (NRS 647.145)

Section 10 of this bill provides that chapter 647 of NRS does not prevent counties from licensing, taxing and regulating dealers in junk **~~[.]~~ or scrap metal. (NRS 647.080)**

Section 12 of this bill provides that a person who willfully or maliciously removes, damages or destroys utility property, agricultural infrastructure, construction sites or certain other property to obtain scrap metal is guilty of a misdemeanor if the value of the removal or damage of property is less than $500 or a felony if the removal or damage is greater than $500 or interrupts a service provided by utility property.

Existing law generally provides that a person commits petit larceny and is guilty of a misdemeanor if he steals property with a value of less than $250. (NRS 205.240) Existing law also generally provides that a person commits grand larceny if he steals property with a value of $250 or more. (NRS 205.220) A person who commits grand larceny is guilty of a category C felony if the value of the property is less than $2,500 and is guilty of a category B felony if the value of the property is $2,500 or more. (NRS 205.222)

Section 13 of this bill: (1) provides that, if the value of the scrap metal stolen within a period of 90 days is less than $250, the person is guilty of a misdemeanor; (2) provides that, if the value of the scrap metal stolen within a period of 90 days is $250 or more, the person is guilty of a category C or B felony with varying terms of imprisonment and fines, depending upon the value of the scrap metal stolen within the 90-day period; (3) requires the court to order a person who steals scrap metal to pay restitution; and (4)

provides that the cost of repairing or replacing property damaged by the theft of scrap metal must be included in the value of the property that was stolen.

Sections 17 and 19 of this bill amend existing law to apply certain provisions governing larceny to the new crime of larceny described in **section 13** of this bill involving scrap metal. (NRS 205.251, 205.980)

GENERAL FILE AND THIRD READING

Assembly Bill No. 109.
Bill read third time.
The following amendment was proposed by the Committee on Atkinson:
Amendment No. 174.
AN ACT relating to motor vehicles; **requiring that license plates without distinguishing marks be furnished for two vehicles used by the office of the county coroner;** authorizing the Department of Motor Vehicles to issue certain special license plates for use on motorcycles; prescribing the fees for special license plates for use on vehicles other than passenger cars and light commercial vehicles; and providing other matters properly relating thereto.
Legislative Counsel's Digest:
Existing law provides that license plates furnished for certain exempt vehicles maintained for and used by certain governmental entities must be free of distinguishing marks which would otherwise identify the vehicle as a governmental vehicle. (NRS 482.368) Section 1 of this bill adds two vehicles used by the office of a county coroner to the list of vehicles for which license plates without a distinguishing mark must be furnished.
Under existing law, if the Department of Motor Vehicles issues special license plates for use on a passenger car or light commercial vehicle and if those special license plates generate financial support for a charitable organization, the Department is authorized to issue the special license plates for use on a trailer or other type of vehicle that is not a passenger car or light commercial vehicle, but is prohibited from issuing the special license plates for use on a motorcycle or heavy commercial vehicle. (NRS 482.3824) Effective July 1, 2010, **section 2 of** this bill removes the prohibition against the Department issuing such special license plates for use on motorcycles and provides further that the fees for special license plates issued for use on vehicles other than passenger cars or light commercial vehicles must be the

same as if the special license plates were issued for use on a passenger car or light commercial vehicle.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. **NRS 482.368 is hereby amended to read as follows:**

482.368 1. Except as otherwise provided in subsection 2, the Department shall provide suitable distinguishing license plates for exempt vehicles. These plates must be displayed on the vehicles in the same manner as provided for privately owned vehicles. The fee for the issuance of the plates is $5. Any license plates authorized by this section must be immediately returned to the Department when the vehicle for which they were issued ceases to be used exclusively for the purpose for which it was exempted from the governmental services tax.

2. License plates furnished for:

(a) Those vehicles which are maintained for and used by the Governor or under the authority and direction of the Chief Parole and Probation Officer, the State Contractors' Board and auditors, the State Fire Marshal, the Investigation Division of the Department of Public Safety and any authorized federal law enforcement agency or law enforcement agency from another state;

O Lord, point out to us the pathway of Thy kingdom and resuscitate all of us through the breaths of the Holy Spirit. Bestow upon us life everlasting and confer upon us neverending honor. Unify mankind and illume the world of humanity. May we all follow Thy pathway, long for Thy good pleasure, and seek the mysteries of Thy kingdom. All present except Assemblymen Arberry and Carpenter, who were excused.

Prayer by the Chaplain, Pastor Albert Tilstra.

Our Gracious Lord, we have sought You, but not diligently. We have seen, but not perceived. We have heard, but not understood. We have desired things heavenly, but clung to things on earth. Strengthen the members of this body to do Your will. As they learn to love, seek, perceive, desire, and understand Your will, give them the peace that comes from trusting You. We pray in the only One we can trust.

AMEN.

Amendment No. 224.

AN ACT relating to education; authorizing the Superintendent of Public Instruction to issue an additional license to teach elementary education, middle school or junior high school education or secondary education to

certain licensed teachers; revising provisions governing the reciprocal licensure of teachers and other educational personnel; requiring the Commission on Professional Standards in Education to conduct a review of the regulations of the Commission governing the licensure and endorsement of special education teachers; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the Superintendent of Public Instruction to issue a license to teach elementary education, middle school or junior high school education or secondary education to an applicant pursuant to regulations adopted by the Commission on Professional Standards in Education. (NRS 391.031, 391.033) Existing regulations of the Commission require a teacher licensed in this State to apply for and meet the requirements for an initial license to teach elementary education, middle school or junior high school education or secondary education, including participation in a program of student teaching or supervised teaching in the designated grade level, if he is applying for a license outside the grade level he is licensed to teach. (NAC 391.025, 391.095, 391.111, 391.120) **Section 1** of this bill authorizes the Superintendent to issue to a licensed teacher an additional license to teach elementary education, middle school or junior high school education or secondary education, other than for the teaching pupils with disabilities, which is outside his grade level of experience if he ~~[has 3 years of verified teaching experience in this State in the subject area he is qualified to teach.]~~ **meets the course work requirements and qualifications for the license.** A licensed teacher must not be required to participate in a program of student teaching or supervised teaching as a condition for the issuance of the additional license ~~[.]~~ **if he has 3 years of verified teaching experience.**

Existing law authorizes the Commission to adopt regulations that exempt an applicant from the examinations required for initial licensure of teachers and other educational personnel if the applicant has previous teaching experience or has performed other educational functions in another state. (NRS 391.021, 391.032) **Sections 4 and 5** of this bill remove the requirement that an applicant have previous experience and authorizes the exemption if the Commission determines that the examinations required for initial licensure in the other state are comparable to the examinations required for initial licensure in this State.

Section 6 of this bill requires the Commission to conduct a review of the regulations of the Commission governing the licensure and endorsement of special education teachers to improve and enhance the reciprocal licensure in this State of special education teachers from other states.

RESOLVED, That Section 2 of Article 19 of the Nevada Constitution be amended to read as follows:

Sec. 2. 1. Notwithstanding the provisions of Section 1 of Article 4 of this Constitution, but subject to the limitations of Section 6 of this Article, the people reserve to themselves the power to propose, by initiative petition, statutes and amendments to statutes and amendments to this Constitution, and to enact or reject them at the polls.

2. An initiative petition shall be in the form required by Section 3 of this Article and shall be proposed by a number of registered voters equal to 10 percent or more of the number of voters who voted at the last preceding general election in not less than 75 percent of the counties in the State, but the total number of registered voters signing the initiative petition shall be equal to 10 percent or more of the voters who voted in the entire State at the last preceding general election.

3. If the initiative petition proposes a statute or an amendment to a statute, the person who intends to circulate it shall file a copy with the Secretary of State before beginning circulation and not earlier than ~~[January 1 of the year preceding the year in which a regular session of the Legislature is held.]~~ ***1 year before the date on which the Legislature to which the petition will be transmitted commences its regular session.*** After its circulation, it shall be filed with the Secretary of State not less than 30 days prior to any regular session of the Legislature. The circulation of the petition shall cease on the day the petition is filed with the Secretary of State or such other date as may be prescribed for the verification of the number of signatures affixed to the petition, whichever is earliest. The Secretary of State shall transmit such petition to the Legislature as soon as the Legislature convenes and organizes. The petition shall take precedence over all other measures except appropriation bills, and the statute or amendment to a statute proposed thereby shall be enacted or rejected by the Legislature without change or amendment within 40 days. If the proposed statute or amendment to a statute is enacted by the Legislature and approved by the Governor in the same manner as other statutes are enacted, such statute or amendment to a statute shall become law, but shall be subject to referendum petition as provided in Section 1 of this Article. If the statute or amendment to a statute is rejected by the Legislature, or if no action is taken thereon within 40 days, the Secretary of State shall submit the question of approval or disapproval of such statute or amendment to a statute to a vote of the voters at the next succeeding general election. If a majority of the voters voting on such question at such election votes approval of such statute or amendment to a statute, it shall become law and take effect upon completion of the canvass of votes by the Supreme Court. An initiative measure so approved by the voters shall not be amended, annulled, repealed, set aside or suspended by the Legislature within 3 years from the date it takes effect. If a majority of such voters votes disapproval of such statute or amendment to a statute, no further action shall be taken on such petition. If the Legislature rejects such proposed statute or amendment, the Governor may recommend to the Legislature and the Legislature may propose a different measure on the same subject, in

which event, after such different measure has been approved by the Governor, the question of approval or disapproval of each measure shall be submitted by the Secretary of State to a vote of the voters at the next succeeding general election. If the conflicting provisions submitted to the voters are both approved by a majority of the voters voting on such measures, the measure which receives the largest number of affirmative votes shall thereupon become law. If at the session of the Legislature to which an initiative petition proposing an amendment to a statute is presented which the Legislature rejects or upon which it takes no action, the Legislature amends the statute which the petition proposes to amend in a respect which does not conflict in substance with the proposed amendment, the Secretary of State in submitting the statute to the voters for approval or disapproval of the proposed amendment shall include the amendment made by the Legislature.

4. If the initiative petition proposes an amendment to the Constitution, the person who intends to circulate it shall file a copy with the Secretary of State before beginning circulation and not earlier than September 1 of the year before the year in which the election is to be held. After its circulation it shall be filed with the Secretary of State not less than 90 days before any regular general election at which the question of approval or disapproval of such amendment may be voted upon by the voters of the entire State. The circulation of the petition shall cease on the day the petition is filed with the Secretary of State or such other date as may be prescribed for the verification of the number of signatures affixed to the petition, whichever is earliest. The Secretary of State shall cause to be published in a newspaper of general circulation, on three separate occasions, in each county in the State, together with any explanatory matter which shall be placed upon the ballot, the entire text of the proposed amendment. If a majority of the voters voting on such question at such election votes disapproval of such amendment, no further action shall be taken on the petition. If a majority of such voters votes approval of such amendment, the Secretary of State shall publish and resubmit the question of approval or disapproval to a vote of the voters at the next succeeding general election in the same manner as such question was originally submitted. If a majority of such voters votes disapproval of such amendment, no further action shall be taken on such petition. If a majority of such voters votes approval of such amendment, it shall, unless precluded by subsection 5 or 6, become a part of this Constitution upon completion of the canvass of votes by the Supreme Court.

5. If two or more measures which affect the same section of a statute or of the Constitution are finally approved pursuant to this Section, or an amendment to the Constitution is finally so approved and an amendment proposed by the Legislature is ratified which affect the same section, by the voters at the same election:

(a) If all can be given effect without contradiction in substance, each shall be given effect.

(b) If one or more contradict in substance the other or others, the measure which received the largest favorable vote, and any other approved measure compatible with it, shall be given effect. If the one or more measures that contradict in substance the other or others receive the same number of favorable votes, none of the measures that contradict another shall be given effect.

6. If, at the same election as the first approval of a constitutional amendment pursuant to this Section, another amendment is finally approved pursuant to this Section, or an amendment proposed by the Legislature is ratified, which affects the same section of the Constitution but is compatible with the amendment given first approval, the Secretary of State shall publish and resubmit at the next general election the amendment given first approval as a further amendment to the section as amended by the amendment given final approval or ratified. If the amendment finally approved or ratified contradicts in substance the amendment given first approval, the Secretary of State shall not submit the amendment given first approval to the voters again.

Assembly Bill No. 152.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 157.

AN ACT relating to mortgage lending; defining the term "loan modification consultant"; requiring certain mortgage lending professionals to be licensed as a mortgage agent or mortgage broker; revising the definition of "homeowner" as it applies to services performed by certain mortgage lending professionals; **revising provisions governing the applicability of requirements regarding foreclosure consultants and loan modification consultants; revising provisions governing compensation of foreclosure consultants;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 2 of this bill defines the term "loan modification consultant."

Existing law does not currently require a foreclosure consultant to be licensed. (NRS 645F.300-645F.450) **Section 3** of this bill requires a person who performs any of a variety of specified services for compensation, a foreclosure consultant and a loan modification consultant to be licensed under the provisions of chapter 645B of NRS, which governs mortgage brokers and mortgage agents. This licensing requirement makes such persons subject to the regulatory and penalty provisions set forth in chapter 645B of NRS.

Section 5 of this bill revises the definition of "homeowner" as it applies to services performed by foreclosure consultants by expanding the definition to include any record owner of residence, rather than only the record owner of a residence in foreclosure at the time the notice of the pendency of an action for foreclosure is recorded or the notice of default and election to sell is recorded. (NRS 645F.360)

Section 6 of this bill provides that an attorney at law is exempt from the provisions governing a person who performs any covered service for compensation, a loan modification consultant, a foreclosure consultant or a foreclosure purchaser unless the services rendered by the attorney are performed in the course and scope of his employment by or other affiliation with a mortgage broker or mortgage agent. (NRS 645F.380)

Section 6.5 of this bill clarifies that a foreclosure consultant is prohibited from claiming, demanding, charging, collecting or receiving any compensation until after the foreclosure consultant has fully performed every covered service he contracted to perform or

represented he would perform, rather than after the performance of any individual service. (NRS 645F.400)

The following amendment was proposed by Assemblywoman Leslie:
Amendment No. 175.

SUMMARY—Revises provisions concerning the election of Councilmen in the cities of Reno and Sparks ~~[.]~~ **, contingent upon voter approval.** (BDR S-811)

AN ACT relating to local government; creating **, contingent upon voter approval,** a sixth ward for the City of Reno; requiring **, contingent upon voter approval,** that the candidates for Councilman in the City of Reno and in the City of Sparks be ~~[voted for]~~ **elected** in a general election only by the registered voters of the ward that a candidate seeks to represent; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The existing Charter of the City of Reno divides the City into five wards, each of which is represented on the City Council by a Councilman. A sixth Councilman represents the City at large. (Reno City Charter §§ 1.050, 2.010) **Section 1** of this bill increases the number of wards in Reno to six, and **sections 2-4** of this bill replace the office of Councilman at large with the office of Councilman to represent the newly created sixth ward. (Reno City Charter §§ 1.050, 2.010, 5.010, 5.020)

The existing charters of the Cities of Reno and Sparks provide that the candidates for Councilman to represent a particular ward must be voted on in a primary election only by the registered voters of that ward, but in a general election, must be ~~[voted on]~~ **elected** by the registered voters of the City at large. (Reno City Charter, §§ 5.010, 5.020; Sparks City Charter, §§ 5.010, 5.020) **Sections 3 and 4** of this bill amend the Charter of the City of Reno, and **sections 5 and 6** of this bill amend the Charter of the City of Sparks, to provide that all candidates for Councilman must be ~~[voted on]~~ **elected** in a general election by only the registered voters of the ward that a candidate seeks to represent.

Section 9 of this bill requires the City of Reno, and section 10 of this bill requires the City of Sparks, to place on the ballot for the 2010 general election the question of whether to amend their respective charters to provide that all candidates for Councilman must be elected in a general election by only the registered voters of the ward that a candidate seeks to represent. Section 11 of this bill provides that sections 1-4, 7 and 8 of this bill become effective only if the voters in the City of Reno approve the ballot question that is required by section 9 and that sections 5 and 6 of this bill become effective only if the voters in the City of Sparks approve the ballot question that is required by section 10.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

THE SEVENTY-SECOND DAY

CARSON CITY (Tuesday), April 14, 2009

Assembly called to order at 11: 24 a.m.

Madam Speaker presiding.

Roll called.

All present except Assemblyman Christensen, who was excused.

Prayer by the Chaplain, Pastor Albert Tilstra.

We thank You, Lord, that there is no weather in heaven. Let not the dullness of this day get into our hearts or minds. May we be warm and cheerful, secure in the knowledge that You are still here, that no clouds can blot You out, nor rain drive You away.

As winter lingers and blows her icy breath along the city's streets, our love goes out to all who need encouragement, to all who lack food and clothing, to all who are cold and cheerless, to all who long for home and friendship. Help us, in our blessedness, to be more willing to share the good things of life. Give us generosity and that concern for others that shall mark us as Your disciples.

AMEN.

Pledge of allegiance to the Flag.

Assemblyman Conklin moved that further reading of the Journal be dispensed with, and the Speaker and Chief Clerk be authorized to make the necessary corrections and additions.

Assembly Bill No. 428.

The following amendment was proposed by the Committee on Education:

Amendment No. 302.

AN ACT relating to education; authorizing the issuance and renewal of a special qualifications license to certain applicants who hold a bachelor's degree; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Commission on Professional Standards in Education to adopt regulations providing for the issuance and renewal of a special qualifications license to an applicant who holds a master's degree, a graduate degree or a doctoral degree in a field for which the applicant will provide instruction in a classroom and who meets certain other requirements. An applicant for a special qualifications license who holds a graduate degree must also submit proof of participation in a program of student teaching or mentoring or agree to participate in a program of mentoring for the first year of his employment as a teacher with a school district or charter school. (NRS 391.019) This bill expands the issuance of a special qualifications license to applicants who hold a bachelor's degree. This bill requires such an applicant who holds a bachelor's degree to participate in a program of student teaching or mentoring or to agree to participate in a program of mentoring **or courses of pedagogy** for the first 2 years of his employment as a teacher with a school district or charter school.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

(2) Identifying fields of specialization in teaching which require the specialized training of teachers.

(3) Except as otherwise provided in NRS 391.125, requiring teachers to obtain from the Department an endorsement in a field of specialization to be eligible to teach in that field of specialization.

Amendment No. 223.

AN ACT relating to education; requiring the Department of Education to work in consultation with the Nevada System of Higher Education to establish a plan to ensure that high school pupils are ready for postsecondary education and the workplace; revising provisions governing the academic plans for ninth grade pupils; requiring instruction on financial responsibility in high school; authorizing the issuance of an adjusted adult diploma for certain persons; requiring peer ~~[and adult]~~ mentoring for ninth grade pupils; requiring school districts to adopt a policy for the remediation of deficient credits; requiring school districts to adopt a policy for pupils to report unlawful activities; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1 of this bill requires the Department of Education to work in consultation with the Nevada System of Higher Education to establish clearly defined goals and benchmarks for pupils enrolled in high schools to be adequately prepared for the educational requirements of postsecondary education and for success in the workplace.

Existing law requires the board of trustees of a school district to adopt a policy for each public school in the school district in which ninth grade pupils are enrolled to develop a 4-year academic plan for each of those pupils. (NRS 388.205) **Section 5** of this bill requires the policy to ensure that each ninth grade pupil and his parent or legal guardian are adequately notified of certain courses and programs available to the pupil which will assist in the advancement of the education of the pupil as well as the requirements for graduation, for admission to the Nevada System of Higher Education and for receipt of a Governor Guinn Millennium Scholarship.

Section 6 of this bill requires the board of trustees of each school district and the governing body of each charter school that operates as a high school to ensure that instruction on financial responsibility is provided to pupils enrolled in the public high schools in each school district and in each charter school that operates as a high school.

Existing law provides that a pupil with a disability who does not satisfy the requirements for receipt of a standard high school diploma may receive an adjusted diploma if he satisfies the requirements set forth in his individualized education program. (NRS 389.805) **Section 7** of this bill **requires the State Board of Education to create an adjusted adult diploma and** provides that a pupil who was identified as a pupil with a disability and who did not graduate before the age of 22 years may receive an adjusted adult diploma under certain circumstances.

Section 9 of this bill requires the board of trustees of each school district to adopt a policy for a program of peer ~~[and adult]~~ mentoring **, which may include a component of adult mentoring,** designed to assist the ninth grade pupils in the transition from middle school or junior high school to high school.

Section 10 of this bill requires the board of trustees of each school district to adopt a policy which ensures that a pupil who is deficient in the number of credits required for promotion to the next grade or graduation from high school has sufficient opportunities ~~[during the school day]~~ to remediate his deficient credits.

Section 11 of this bill requires the board of trustees of each school district to adopt a policy that allows pupils enrolled in a school within the school district to report, anonymously if the pupils choose, any unlawful activities that are being conducted on school property, at an activity sponsored by a public school or on a school bus, commonly referred to as a "secret witness program."

Section 16 of this bill repeals NRS 392.090, 392.100 and 392.110, relating to the exemption of certain children from compulsory school attendance.

Bill read second time.

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 285.

AN ACT relating to care facilities; requiring a licensee or applicant for a license to operate a home for individual residential care to comply with certain provisions concerning the criminal history of the licensee or applicant and any employee or independent contractor of the home; revising provisions

concerning crimes which constitute grounds for the revocation, denial or suspension of a license to operate such a home or certain other agencies and facilities or the termination of their employees or independent contractors; requiring such a home to file a surety bond with the Administrator of the Health Division of the Department of Health and Human Services or deposit with a bank or trust company certain obligations as a substitute for the surety bond; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

This bill expands the applicability of certain statutory requirements that currently apply to certain agencies and facilities that are licensed by the Health Division of the Department of Health and Human Services.

Section 1 of this bill requires a home for individual residential care that submits a reapplication for licensure to the Health Division to include a statement that the home is in compliance with certain provisions concerning investigations of the criminal history of its employees and independent contractors. (NRS 449.060)

Section 2 of this bill requires such a home to file a surety bond with the Health Division. The required amount of the bond ranges from $5,000 to $50,000, depending on the number of persons who are employed by the home. The Administrator of the Health Division may exempt a home from this requirement based on undue hardship. (NRS 449.065) In lieu of a surety bond, **section 3** of this bill authorizes a home, with the approval of the Administrator, to deposit certain obligations with a bank or trust company. (NRS 449.067) **Section 9** of this bill authorizes payment from the surety bond or the substitute for the surety bond if a patient who is 60 years of age or older (NRS 449.063) sustains damage to his property as a result of any act or failure to act by the home. (NRS 427A.175)

Section 4 of this bill requires an applicant for a license to operate an agency to provide personal care services in the home or a home for individual residential care to submit to the Central Repository for Nevada Records of Criminal History two complete sets of the fingerprints of the applicant. (NRS 449.176) **Section 5** of this bill imposes a similar requirement on a home for individual residential care with respect to any person it hires or independent contractor with whom it contracts. (NRS 449.179)

Existing law sets forth certain crimes that are grounds for the denial, suspension or revocation of a license to operate certain facilities that are licensed by the Health Division. **Section 8** of this bill expands the list of crimes to include certain sexually related crimes, crimes involving domestic violence and other crimes involving the use or threat of use of force or violence against the victim and makes the provisions of the section applicable to a home for individual residential care. (NRS 449.188) **Section 7** of this bill requires that such a home terminate the employment or contract of any of its employees or independent contractors who are convicted of a crime specified in **section 8**. (NRS 449.185)

6. The Administrator of the Health Division may exempt a residential facility for groups ***or a home for individual residential care*** from the requirement of filing a surety bond pursuant to this section if the Administrator determines that the requirement would result in undue hardship to the residential facility for groups ~~[.]~~ ***or home for individual residential care.***

Assembly Bill No. 56.

Bill read second time.

The following amendment was proposed by the Committee on Education:

Amendment No. 303.

AN ACT relating to education; revising provisions governing the use of physical restraint and mechanical restraint on pupils with disabilities; revising provisions relating to reports of the use of restraints and reports of violations; **providing for the reporting of the use of corporal punishment on a pupil in public school;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Existing law prescribes the requirements for the use of physical restraint on a pupil with a disability enrolled in a public school or private school, including an exception to escort or carry a pupil to safety if the pupil is in danger. (NRS 388.5275, 394.368) Sections 1 and 4 of this bill revise the exception for escorting or carrying a pupil by removing the provision that the pupil may be escorted or carried only if he is in danger. Sections 1 and 4 also revise the deadline for reporting the use of physical restraint in an emergency from 1 working day to 3 working days after the use of the restraint.]~~ **Existing law prescribes the requirements for the use of physical restraint or mechanical restraint on a pupil with a disability who is enrolled in a public school or a private school. (NRS 388.521-388.5315, 394.353-394.378) Sections 1 and 7 of this bill require each school district and each private school which provides services to pupils with disabilities to submit annual reports to the Department of Education on the use of physical restraint and mechanical restraint on pupils with disabilities during the previous school year.**

Sections 3, 4, 9 and 10 of this bill provide that if physical restraint or mechanical restraint is used on a pupil with a disability three times during 1 school year, the circumstances of the restraint must be reviewed and reported. If such restraint is used five times during 1 school year, the pupil's individualized education program or the pupil's services plan, as applicable, developed pursuant to the Individuals with Disabilities Education Act, 20 U.S.C. 1400 et seq., must be reviewed. If the restraint continues after such a review, the school district or private

school, as applicable, and the pupil's parent or legal guardian must explore additional positive behavioral approaches so that the restraint does not continue. (NRS 388.5275, 388.528, 394.368, 394.369)

Existing law prescribes the requirements for the use of mechanical restraint on a pupil with a disability enrolled in a public school or private school, including a requirement that the pupil's physician issue a medical order authorizing the use of mechanical restraint before the application of the restraint or not later than 15 minutes after the application of the restraint. (NRS 388.528, 394.369) **Sections ~~[2 and 5]~~ 4 and 10** of this bill eliminate the requirement of a medical order for each application of the mechanical restraint and instead require that a medical order authorizing the use of mechanical restraint be included in the pupil's individualized education program or the pupil's services plan, as applicable**. ~~[, developed pursuant to the Individuals with Disabilities Education Act, 20 U.S.C. 1400 et seq. Sections 2 and 5 also revise the deadline for reporting the use of mechanical restraint in an emergency from 1 working day to 3 working days after the use of the restraint.]~~**

Existing law provides that corporal punishment may not be used on a pupil in any public school. (NRS 392.4633) Section 6 of this bill provides that a person may report the use of corporal punishment on a pupil to the agency which provides child welfare services in the county in which the school district is located. If the agency finds that the report is substantiated, the agency shall forward the report to the Department, local law enforcement agency and the county district attorney for further investigation.

Assembly Bill No. 59.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 59.

AN ACT relating to child custody; creating a rebuttable presumption against an award of custody or unsupervised visitation for a person who has committed an act of abduction against a child; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that an award of child custody or visitation may only be made by considering the best interest of the child. (NRS 125.480, 125C.010) Further, existing law creates a rebuttable presumption that sole or joint custody of a child by a perpetrator of domestic violence is not in the best interest of the child. (NRS 125.480, 125C.230, 432B.157) **Section 1** of this bill, for cases involving divorce or other dissolution of marriage: (1) creates a similar rebuttable presumption against awarding sole or joint custody or unsupervised visitation to a perpetrator of an act of abduction against his child or any other child; (2) defines the term "abduction"; (3) provides certain acts that constitute conclusive evidence of an act of abduction; and (4) requires a court to follow certain procedures concerning how to determine custody when **, after a final order of custody has been entered,** a **magistrate determines probable cause exists that a** party to the

custody proceeding ~~[is charged with committing]~~ **has committed** an act of abduction ~~[during the proceeding or]~~ **against the child or any other child.** ~~[after a final order of custody has been entered.]~~ **Sections 2 and 3** of this bill incorporate the same presumption and provisions into chapter 125C of NRS concerning custody and visitation and chapter 432B of NRS concerning protection of children from abuse and neglect.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 125.480 is hereby amended to read as follows:

125.480 1. In determining custody of a minor child in an action brought under this chapter, the sole consideration of the court is the best interest of the child. If it appears to the court that joint custody would be in the best interest of the child, the court may grant custody to the parties jointly.

2. Preference must not be given to either parent for the sole reason that the parent is the mother or the father of the child.

3. The court shall award custody in the following order of preference unless in a particular case the best interest of the child requires otherwise:

(a) To both parents jointly pursuant to NRS 125.490 or to either parent. If the court does not enter an order awarding joint custody of a child after either parent has applied for joint custody, the court shall state in its decision the reason for its denial of the parent's application.

(b) To a person or persons in whose home the child has been living and where the child has had a wholesome and stable environment.

(c) To any person related within the third degree of consanguinity to the child whom the court finds suitable and able to provide proper care and guidance for the child, regardless of whether the relative resides within this State.

(d) To any other person or persons whom the court finds suitable and able to provide proper care and guidance for the child.

4. In determining the best interest of the child, the court shall consider and set forth its specific findings concerning, among other things:

(a) The wishes of the child if the child is of sufficient age and capacity to form an intelligent preference as to his custody.

(b) Any nomination by a parent or a guardian for the child.

(c) Which parent is more likely to allow the child to have frequent associations and a continuing relationship with the noncustodial parent.

(d) The level of conflict between the parents.

(e) The ability of the parents to cooperate to meet the needs of the child.

(f) The mental and physical health of the parents.

(g) The physical, developmental and emotional needs of the child.

(h) The nature of the relationship of the child with each parent.

(i) The ability of the child to maintain a relationship with any sibling.

(j) Any history of parental abuse or neglect of the child or a sibling of the child.

(k) Whether either parent or any other person seeking custody has engaged in an act of domestic violence against the child, a parent of the child or any other person residing with the child.

(l) Whether either parent or any other person seeking custody has committed any act of abduction against the child or any other child.

5. Except as otherwise provided in subsection 6 or NRS 125C.210, a determination by the court after an evidentiary hearing and finding by clear and convincing evidence that either parent or any other person seeking custody has engaged in one or more acts of domestic violence against the child, a parent of the child or any other person residing with the child creates a rebuttable presumption that sole or joint custody of the child by the perpetrator of the domestic violence is not in the best interest of the child. Upon making such a determination, the court shall set forth:

(a) Findings of fact that support the determination that one or more acts of domestic violence occurred; and

(b) Findings that the custody or visitation arrangement ordered by the court adequately protects the child and the parent or other victim of domestic violence who resided with the child.

6. If after an evidentiary hearing held pursuant to subsection 5 the court determines that each party has engaged in acts of domestic violence, it shall, if possible, then determine which person was the primary physical aggressor. In determining which party was the primary physical aggressor for the purposes of this section, the court shall consider:

(a) All prior acts of domestic violence involving either party;

(b) The relative severity of the injuries, if any, inflicted upon the persons involved in those prior acts of domestic violence;

(c) The likelihood of future injury;

(d) Whether, during the prior acts, one of the parties acted in self-defense; and

(e) Any other factors which the court deems relevant to the determination.

➥ In such a case, if it is not possible for the court to determine which party is the primary physical aggressor, the presumption created pursuant to subsection 5 applies to both parties. If it is possible for the court to determine which party is the primary physical aggressor, the presumption created pursuant to subsection 5 applies only to the party determined by the court to be the primary physical aggressor.

7. ***A determination by the court after an evidentiary hearing and finding by clear and convincing evidence that either parent or any other person seeking custody has committed any act of abduction against the child or any other child creates a rebuttable presumption that sole or joint custody or unsupervised visitation of the child by the perpetrator of the abduction is not in the best interest of the child. If the parent or other person seeking custody does not rebut the presumption, the court shall not***

enter an order for sole or joint custody or unsupervised visitation of the child by the perpetrator and the court shall set forth:

(a) Findings of fact that support the determination that one or more acts of abduction occurred; and

(b) Findings that the custody or visitation arrangement ordered by the court adequately protects the child and the parent or other person from whom the child was abducted.

8. For purposes of subsection 7, any of the following acts constitute conclusive evidence that an act of abduction occurred:

(a) A conviction of the defendant of any violation of NRS 200.310 to 200.340, inclusive, or 200.359 or a law of any other jurisdiction that prohibits the same or similar conduct;

(b) A plea of guilty or nolo contendere by the defendant to any violation of NRS 200.310 to 200.340, inclusive, or 200.359 or a law of any other jurisdiction that prohibits the same or similar conduct; or

(c) An admission by the defendant to the court of the facts contained in the charging document alleging a violation of NRS 200.310 to 200.340, inclusive, or 200.359 or a law of any other jurisdiction that prohibits the same or similar conduct.

9. [If, during the pendency of a child custody proceeding, criminal charges are filed against a party to the child custody proceeding alleging any act of abduction against the child or any other child, there is a rebuttable presumption that sole or joint custody or unsupervised visitation of the child by the alleged perpetrator of the abduction is not in the best interest of the child. If the party does not rebut the presumption, the court:

(a) Shall not enter the final order concerning custody of the child;

(b) Shall provisionally find that sole or joint custody or unsupervised visitation of the child by the alleged perpetrator of the abduction is not in the best interest of the child; and

(c) Shall, in accordance with subsections 7 and 8, reconsider the issue and enter the final order concerning custody of the child after the disposition of the criminal matter.

10.] If, after a court enters a final order concerning custody of the child, [criminal charges are filed against a person who has been awarded sole or joint custody or unsupervised visitation of the child alleging any] a magistrate determines there is probable cause to believe that an act of abduction has been committed against the child or any other child [,] and that a person who has been awarded sole or joint custody or unsupervised visitation of the child has committed the act, the court shall, upon a motion to modify the order concerning custody, reconsider the previous order concerning custody pursuant to subsections 7 [,] and 8 . [and 9.

11.] 10. As used in this section [, "domestic] ***:***

(a) "Abduction" means the commission of an act described in NRS 200.310 to 200.340, inclusive, or 200.359 or a law of any other jurisdiction that prohibits the same or similar conduct.

(b) "Domestic violence" means the commission of any act described in NRS 33.018.

Sec. 2. Chapter 125C of NRS is hereby amended by adding thereto a new section to read as follows:

1. A determination by the court after an evidentiary hearing and finding by clear and convincing evidence that either parent or any other person seeking custody of a child has committed any act of abduction against the child or any other child creates a rebuttable presumption that sole or joint custody or unsupervised visitation of the child by the perpetrator of the abduction is not in the best interest of the child. If the parent or other person seeking custody does not rebut the presumption, the court shall not enter an order for sole or joint custody or unsupervised visitation of the child by the perpetrator and the court shall set forth:

(a) Findings of fact that support the determination that one or more acts of abduction occurred; and

(b) Findings that the custody or visitation arrangement ordered by the court adequately protects the child and the parent or other person from whom the child was abducted.

2. For purposes of subsection 1, any of the following acts constitute conclusive evidence that an act of abduction occurred:

Sec. 3. Chapter 432B of NRS is hereby amended by adding thereto a new section to read as follows:

1. A determination by the court after an evidentiary hearing and finding by clear and convincing evidence that either parent or any other person seeking custody of a child has committed any act of abduction against the child or any other child creates a rebuttable presumption that sole or joint custody or unsupervised visitation of the child by the perpetrator of the abduction is not in the best interest of the child. If the parent or other person seeking custody does not rebut the presumption, the court shall not enter an order for sole or joint custody or unsupervised visitation of the child by the perpetrator and the court shall set forth:

(a) Findings of fact that support the determination that one or more acts of abduction occurred; and

(b) Findings that the custody or visitation arrangement ordered by the court adequately protects the child and the parent or other person from whom the child was abducted.

2. For purposes of subsection 1, any of the following acts constitute conclusive evidence that an act of abduction occurred:

(a) A conviction of the defendant of any violation of NRS 200.310 to 200.340, inclusive, or 200.359 or a law of any other jurisdiction that prohibits the same or similar conduct;

(b) A plea of guilty or nolo contendere by the defendant to any violation of NRS 200.310 to 200.340, inclusive, or 200.359 or a law of any other jurisdiction that prohibits the same or similar conduct; or

(c) An admission by the defendant to the court of the facts contained in the charging document alleging a violation of NRS 200.310 to 200.340, inclusive, or 200.359 or a law of any other jurisdiction that prohibits the same or similar conduct.

3. ~~[If, during the pendency of a child custody proceeding, criminal charges are filed against a party to the child custody proceeding alleging any act of abduction against the child or any other child, there is a rebuttable presumption that sole or joint custody or unsupervised visitation of the child by the alleged perpetrator of the abduction is not in the best interest of the child. If the party does not rebut the presumption, the court:~~

~~(a) Shall not enter the final order concerning custody of the child;~~

~~*(b) Shall provisionally find that sole or joint custody or unsupervised visitation of the child by the alleged perpetrator of the abduction is not in the best interest of the child; and*~~

~~*(c) Shall, in accordance with subsections 1 and 2, reconsider the issue and enter the final order concerning custody of the child after the disposition of the criminal matter.*~~

~~*4.*~~ ***If, after a court enters a final order concerning custody of the child,*** ~~*[criminal charges are filed against a person who has been awarded sole or joint custody or unsupervised visitation of the child alleging any]*~~ ***a magistrate determines there is probable cause to believe that an act of abduction has been committed against the child or any other child*** ~~*[,]*~~ ***and that a person who has been awarded sole or joint custody or unsupervised visitation of the child has committed the act, the court shall, upon a motion to modify the order concerning custody, reconsider the previous order concerning custody pursuant to subsections 1*** ~~*[,]*~~ ***and 2.*** ~~*[and 3.*~~

~~*5.]*~~ ***4.*** ***A court, agency, institution or other person who places a child in protective custody shall not release a child to the custody of a person who a court has determined pursuant to this section has engaged in one or more acts of abduction against the child or any other child, unless a court determines that it is in the best interest of the child for the perpetrator of the abduction to have custody of the child.***

~~*[6.]*~~ ***5.*** ***As used in this section, "abduction" means the commission of an act described in NRS 200.310 to 200.340, inclusive, or 200.359 or a law of any other jurisdiction that prohibits the same or similar conduct.***

Assembly Bill No. 89.

Bill read second time.

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 286.

AN ACT relating to the protection of children; making various changes concerning the investigation of applicants for a license to operate a child care facility, licensees and others over whom applicants or licensees exercise some control; requiring applicants and licensees to terminate certain employees and remove certain residents and participants in outdoor youth programs who have been convicted of certain crimes or who have had a substantiated report of child abuse or neglect made against them; expanding the grounds for denying a license and for taking other disciplinary action against a licensee; authorizing the imposition of administrative fines for violations of certain laws and regulations concerning licensure of child care facilities; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for the licensure of certain child care facilities. (NRS 432A.131-432A.220) As part of the process for obtaining a license, the Bureau of Services for Child Care of the Division of Child and Family Services of the Department of Health and Human Services conducts a background check of each applicant for a license, licensee, employee of an applicant or licensee and every resident of a child care facility or participant in an outdoor youth program who is 18 years of age or older. (NRS 432A.170, 432A.175) **Section 5** of this bill expands the list of crimes that the Bureau must inquire about as part of such an investigation and requires the Bureau to request information concerning every applicant, licensee, employee, resident or participant from the Statewide Central Registry for the Collection of Information Concerning the Abuse or Neglect of a Child to determine whether there has been a substantiated report of child abuse or neglect made against any of those persons. (NRS 432A.170) **Section 6** of this bill requires the Bureau to obtain permission from each such applicant, licensee, employee, resident or participant to obtain such information from the Statewide Central Registry. (NRS 432A.175) If an employee of an applicant or licensee, or a resident or participant, has been convicted of one of the crimes inquired about as part of the investigation, the Bureau is required to notify the applicant or licensee. Upon receiving such notice, **section 2** of this bill requires the applicant or licensee to terminate the employment of the employee, remove the resident from the child care facility or remove the participant from the outdoor youth program, as applicable, after affording the person an opportunity to correct the information. **Section 6** further requires an applicant or licensee to notify the Bureau when the applicant, licensee, employee, resident or participant is involved in certain legal proceedings or disciplinary hearings or charged with certain crimes. (NRS 432A.175)

Section 4 of this bill prohibits the Bureau from issuing a provisional license to operate a child care facility unless the Bureau has completed an investigation into the qualifications and background of the applicant and his employees to ensure that they have not been convicted of certain crimes or had a substantiated report of child abuse or neglect made against them. (NRS 432A.160)

Section 7 of this bill expands the grounds for denial of an application for a license to operate a child care facility and for taking disciplinary action against a licensee and authorizes the Bureau to impose administrative fines for a violation of the statutes governing licensure of child care facilities or the regulations adopted pursuant thereto. (NRS 432A.190)

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 432A of NRS is hereby amended by adding thereto the provisions set forth as sections 2 and 3 of this act.

Sec. 2. ***1. Upon receiving information pursuant to NRS 432A.175 from the Central Repository for Nevada Records of Criminal History or the Statewide Central Registry for the Collection of Information Concerning the Abuse or Neglect of a Child established pursuant to NRS 432.100 or evidence from any other source that an employee of an applicant for a license to operate a child care facility or a licensee, or a resident of a child care facility or participant in an outdoor youth program who is 18 years of age or older has been convicted of a crime listed in subsection 2 of NRS 432A.170 or has had a substantiated report of child abuse or neglect made against him, the applicant or licensee shall terminate the employment of the employee or remove the resident from the facility or participant from the outdoor youth program after allowing the employee, resident or participant time to correct the information as required pursuant to subsection 2.***

The applicant or licensee shall give any such employee, resident or participant 30 days to correct the information.

3. During any period in which an employee, resident or participant seeks to correct information pursuant to subsection 2, it is within the discretion of the applicant or licensee whether to allow the employee, resident or participant to continue to work for or reside at the child care facility or participate in the outdoor youth program, as applicable.

Sec. 3. ***1. Each applicant for a license to operate a child care facility and licensee shall maintain records of the information concerning its employees and any residents of the child care facility or participants in any outdoor youth program who are 18 years of age or older that is collected pursuant to NRS 432A.170 and 432A.175, including, without limitation:***

Remarks by Assemblyman Anderson.

Amendment adopted.

Bill ordered reprinted, engrossed and to third reading.

Assembly Bill No. 105.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 211.

AN ACT relating to criminal procedure; providing that a defendant convicted of certain offenses must submit a specimen for genetic marker testing without a court ordering him to do so; authorizing a board of county commissioners to accept gifts, grants and donations for the county's fund for genetic marker testing; revising the purposes for which a forensic laboratory that receives money from a fund for genetic marker testing may use the money; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Upon conviction of certain crimes, existing law provides for the issuance of a court order requiring: (1) certain personal identifying information of the defendant to be submitted to the Central Repository for Nevada Records of Criminal History; and (2) a biological specimen of the defendant to be

obtained for genetic marker testing. (NRS 176.0913) **Section 1** of this bill **: (1)** eliminates the need for a court order for these requirements **[.] ; and (2) provides that the biological specimen is not required if the defendant previously submitted a biological specimen for a prior conviction.**

Existing law provides that a defendant who submits a biological specimen for genetic testing must pay a fee for that testing, which is then deposited with the county treasurer for deposit in that county's fund for genetic marker testing. Money remaining in the fund, after the county treasurer pays the actual costs of obtaining a biological specimen, must be distributed to forensic laboratories engaging in genetic marker testing for use for certain purposes. (NRS 176.0915) **Section 2** of this bill authorizes a board of county commissioners to accept gifts, grants and donations for the county's fund for genetic marker testing and expands the purposes for which a forensic laboratory which receives money from the county's fund may use that money.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

ambulatory patients, to be licensed by the Health Division of the Department of Health and Human Services. (NRS 449.030)

Sections ~~[8-10]~~ 9-11 of this bill require offices of physicians and other facilities providing health care that are not licensed as a medical facility by the Health Division to obtain a permit from the Division before offering general anesthesia, conscious sedation or deep sedation and prescribe the procedure for obtaining such a permit. The office or facility must maintain current accreditation by a nationally recognized accrediting organization approved by the State Board of Health.

Section ~~[11]~~ 12 of this bill requires each surgical center for ambulatory patients to maintain current accreditation by a nationally recognized accrediting organization approved by the State Board of Health.

Section ~~[12]~~ 13 of this bill requires the Health Division to conduct annual and unannounced inspections of each office and facility which holds a permit issued by the Health Division and each surgical center for ambulatory patients which holds a license issued by the Health Division.

Section ~~[13]~~ 14 of this bill prescribes the sanctions which the Health Division may impose for a violation of **sections ~~[3-14]~~ 3-15** of this bill by an office or facility or by a surgical center for ambulatory patients.

Section ~~[14]~~ 15 of this bill requires the State Board of Health to prescribe regulations to carry out the provisions of **sections ~~[3-14]~~ 3-15** of this bill, including fees for the issuance and renewal of permits. The regulations are subject to review by the Legislative Committee on Health Care. (NRS 439B.225)

Section 8 of this bill provides that sections 3-15 of this bill do not apply to an office of a physician or other facility that is not licensed as a medical facility if the office or facility only administers medication to a patient to relieve the patient's anxiety or pain in certain circumstances.

Existing law requires a physician licensed to practice medicine or osteopathic medicine to report the number and types of surgeries requiring conscious sedation, deep sedation or general anesthesia performed by the physician at his office or certain other facilities. (NRS 630.30665, 633.524) **Sections ~~[19 and 22]~~ 20 and 23** of this bill require the Board of Medical Examiners and the State Board of Osteopathic Medicine to forward to the Health Division such reports.

Amendment No. 355.

SUMMARY—Revises provisions relating to ~~[the priority of certain liens against units in]~~ common-interest communities. (BDR 10-920)

AN ACT relating to common-interest communities; **requiring the executive board of a unit owners' association of a common-interest community to make available to each unit's owner certain information concerning the association's collection policy;** extending the period of time

certain liens have priority over other certain security interests; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that, not less than 30 days or more than 60 days before the beginning of the fiscal year of a unit owners' association of a common-interest community, the executive board of the association must provide each unit's owner with certain information pertaining to the budget of the association. (NRS 116.31151) Section 1 of this bill requires the executive board to also make available to each unit's owner information pertaining to a policy established by the association for the collection of any fees, fines, assessments or costs imposed against a unit's owner, including the unit's owner's responsibility to pay such fees, fines, assessments or costs and the rights of the association to recover the fees, fines, assessments or costs if the unit's owner does not pay them.

Under existing law, a unit-owners' association of a common-interest community has priority over certain other creditors with respect to a lien on a unit for any construction penalty imposed against the unit's owner, any assessment levied against the unit or certain fines imposed against the unit's owner. Such a lien is also prior to a first security interest on the unit recorded before the assessments became delinquent to the extent of the assessments for common expenses based on the periodic budget adopted by the association which would have become due in the absence of acceleration during the 6 months preceding an action to enforce the lien. ~~[This]~~ **Section 2 of this** bill changes the 6-month threshold for super priority of a lien for an association to 2 years ~~.~~ **, if the unit is a single-family detached dwelling.** (NRS 116.3116)

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. **NRS 116.31151 is hereby amended to read as follows:**

116.31151 1. Except as otherwise provided in subsection 2 and unless the declaration of a common-interest community imposes more stringent standards,

the executive board shall, not less than 30 days or more than 60 days before the beginning of the fiscal year of the association, prepare and distribute to each unit's owner a copy of:

(a) The budget for the daily operation of the association. The budget must include, without limitation, the estimated annual revenue and expenditures of the association and any contributions to be made to the reserve account of the association.

(b) The budget to provide adequate funding for the reserves required by paragraph (b) of subsection 2 of NRS 116.3115. The budget must include, without limitation:

(1) The current estimated replacement cost, estimated remaining life and estimated useful life of each major component of the common elements;

(2) As of the end of the fiscal year for which the budget is prepared, the current estimate of the amount of cash reserves that are necessary, and the current amount of accumulated cash reserves that are set aside, to repair, replace or restore the major components of the common elements;

(3) A statement as to whether the executive board has determined or anticipates that the levy of one or more special assessments will be necessary to repair, replace or restore any major component of the common elements or to provide adequate funding for the reserves designated for that purpose; and

(4) A general statement describing the procedures used for the estimation and accumulation of cash reserves pursuant to subparagraph (2), including, without limitation, the qualifications of the person responsible for the preparation of the study of the reserves required by NRS 116.31152.

2. In lieu of distributing copies of the budgets of the association required by subsection 1, the executive board may distribute to each unit's owner a summary of those budgets, accompanied by a written notice that:

(a) The budgets are available for review at the business office of the association or some other suitable location within the county where the common-interest community is situated or, if it is situated in more than one county, within one of those counties; and

(b) Copies of the budgets will be provided upon request.

3. Within 60 days after adoption of any proposed budget for the common-interest community, the executive board shall provide a summary of the proposed budget to each unit's owner and shall set a date for a meeting of the units' owners to consider ratification of the proposed budget not less than 14 days or more than 30 days after the mailing of the summaries. Unless at that meeting a majority of all units' owners, or any larger vote specified in the declaration, reject the proposed budget, the proposed budget is ratified, whether or not a quorum is present. If the proposed budget is rejected, the periodic budget last ratified by the units' owners must be continued until such time as the units' owners ratify a subsequent budget proposed by the executive board.

4. The executive board shall, at the same time and in the same manner that the executive board makes the budget available to a unit's owner pursuant to this section, make available to each unit's owner the policy established for the association concerning the collection of any fees, fines, assessments or costs imposed against a unit's owner pursuant to this chapter. The policy must include, without limitation:

(a) The responsibility of the unit's owner to pay any such fees, fines, assessments or costs in a timely manner; and

(b) The association's rights concerning the collection of such fees, fines, assessments or costs if the unit's owner fails to pay the fees, fines, assessments or costs in a timely manner.

~~[Section 1.]~~ ***Sec. 2.*** NRS 116.3116 is hereby amended to read as follows:

116.3116 1. The association has a lien on a unit for any construction penalty that is imposed against the unit's owner pursuant to NRS 116.310305, any assessment levied against that unit or any fines imposed against the unit's owner from the time the construction penalty, assessment or fine becomes due. Unless the declaration otherwise provides, any penalties, fees, charges, late charges, fines and interest charged pursuant to paragraphs (j) to (n), inclusive, of subsection 1 of NRS 116.3102 are enforceable as assessments under this section. If an assessment is payable in installments, the full amount of the assessment is a lien from the time the first installment thereof becomes due.

2. A lien under this section is prior to all other liens and encumbrances on a unit except:

(a) Liens and encumbrances recorded before the recordation of the declaration and, in a cooperative, liens and encumbrances which the association creates, assumes or takes subject to;

(b) A first security interest on the unit recorded before the date on which the assessment sought to be enforced became delinquent or, in a cooperative, the first security interest encumbering only the unit's owner's interest and perfected before the date on which the assessment sought to be enforced became delinquent; and

(c) Liens for real estate taxes and other governmental assessments or charges against the unit or cooperative.

➥ The lien is also prior to all security interests described in paragraph (b) to the extent of the assessments for common expenses based on the periodic budget adopted by the association pursuant to NRS 116.3115 which would have become due in the absence of acceleration during the ***2 years immediately preceding institution of an action to enforce the lien if the unit is a single-family detached dwelling or during the*** 6 months ~~*[2 years]*~~ immediately preceding institution of an action to enforce the lien ~~**[.]**~~ ***if the unit is any other type of dwelling.*** This subsection does not affect the priority of mechanics' or materialmen's liens, or the priority of liens for other assessments made by the association.

3. Unless the declaration otherwise provides, if two or more associations have liens for assessments created at any time on the same property, those liens have equal priority.

4. Recording of the declaration constitutes record notice and perfection of the lien. No further recordation of any claim of lien for assessment under this section is required.

5. A lien for unpaid assessments is extinguished unless proceedings to enforce the lien are instituted within 3 years after the full amount of the assessments becomes due.

6. This section does not prohibit actions to recover sums for which subsection 1 creates a lien or prohibit an association from taking a deed in lieu of foreclosure.

7. A judgment or decree in any action brought under this section must include costs and reasonable attorney's fees for the prevailing party.

8. The association, upon written request, shall furnish to a unit's owner a statement setting forth the amount of unpaid assessments against the unit. If the interest of the unit's owner is real estate or if a lien for the unpaid assessments may be foreclosed under NRS 116.31162 to 116.31168, inclusive, the statement must be in recordable form. The statement must be furnished within 10 business days after receipt of the request and is binding on the association, the executive board and every unit's owner.

9. In a cooperative, upon nonpayment of an assessment on a unit, the unit's owner may be evicted in the same manner as provided by law in the case of an unlawful holdover by a commercial tenant, and:

(a) In a cooperative where the owner's interest in a unit is real estate under NRS 116.1105, the association's lien may be foreclosed under NRS 116.31162 to 116.31168, inclusive.

(b) In a cooperative where the owner's interest in a unit is personal property under NRS 116.1105, the association's lien:

(1) May be foreclosed as a security interest under NRS 104.9101 to 104.9709, inclusive; or

(2) If the declaration so provides, may be foreclosed under NRS 116.31162 to 116.31168, inclusive.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 351.

AN ACT relating to common-interest communities; revising the procedures for voting for a member of the executive board of an association under certain circumstances; requiring that the regulations governing the issuance of certificates for community managers must contain certain provisions relating to persons who formerly engaged in community management; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides **that the executive board of a unit-owners' association may nominate a person to serve on the executive board and that qualified members of the association may also have their names placed on the ballot along with the nominees for election to the executive board. Existing law also provides** that the election of any member of the executive board of a unit-owners' association must be conducted by secret written ballot, unless the declaration of the association provides that voting rights may be exercised by delegates or representatives. (NRS 116.31034) **Section 1** of this bill provides that if **the number of candidates nominated for membership on the executive board is less than or equal to the number of open positions on the executive board, then the executive board may deem such nominees duly elected members of the executive board without conducting a formal election by the members of the association.** ~~[an election is for an incumbent member of the executive board who is running without opposition, no secret written ballot is required.]~~

Existing law requires the Commission on Common-Interest Communities and Condominium Hotels to adopt regulations governing the issuance of certificates for community managers. (NRS 116A.410) **Section 2** of this bill

provides that those regulations must establish a procedure for a person who was previously issued a certificate and who no longer holds a certificate to reapply for and obtain a new certificate without undergoing any period of supervision by another community manager, regardless of the length of time that has passed since the person last acted as a community manager.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 116.31034 is hereby amended to read as follows:

116.31034 1. Except as otherwise provided in subsection 5 of NRS 116.212, not later than the termination of any period of declarant's control, the units' owners shall elect an executive board of at least three members, at least a majority of whom must be units' owners. Unless the governing documents provide otherwise, the remaining members of the executive board do not have to be units' owners. The executive board shall elect the officers of the association. The members of the executive board and the officers of the association shall take office upon election.

2. The term of office of a member of the executive board may not exceed 2 years, except for members who are appointed by the declarant. Unless the governing documents provide otherwise, there is no limitation on the number of terms that a person may serve as a member of the executive board.

3. The governing documents of the association must provide for terms of office that are staggered in such a manner that, to the extent possible, an equal number of members of the executive board are elected at each election. The provisions of this subsection do not apply to:

(a) Members of the executive board who are appointed by the declarant; and

(b) Members of the executive board who serve a term of 1 year or less.

4. Not less than 30 days before the preparation of a ballot for the election of members of the executive board, the secretary or other officer specified in the bylaws of the association shall cause notice to be given to each unit's owner of his eligibility to serve as a member of the executive board. Each unit's owner who is qualified to serve as a member of the executive board may have his name placed on the ballot along with the names of the nominees selected by the members of the executive board or a nominating committee established by the association. ***Before the secretary or other officer specified in the bylaws of the association causes notice to be given to each unit's owner of his eligibility to serve as a member of the executive board pursuant to this subsection, the executive board may determine that if, at the closing of the prescribed period for nominations for membership on the executive board, the number of candidates nominated for membership on the executive board is equal to or less than the number of members to be elected to the executive board at the election, then:***

(a) The association will not prepare or mail any ballots to units' owners pursuant to this section;

(b) The candidates so nominated shall be deemed to be duly elected to the executive board not later than 30 days after the date of the closing of the prescribed period for nominations; and

(c) The units' owners will receive notification that the candidates so nominated have been elected to the executive board.

5. Each person ~~[whose name is placed on the ballot]~~ ***who is nominated*** as a candidate for a member of the executive board ***pursuant to subsection 4*** must:

(a) Make a good faith effort to disclose any financial, business, professional or personal relationship or interest that would result or would appear to a reasonable person to result in a potential conflict of interest for the candidate if the candidate were to be elected to serve as a member of the executive board; and

(b) Disclose whether the candidate is a member in good standing. For the purposes of this paragraph, a candidate shall not be deemed to be in "good standing" if the candidate has any unpaid and past due assessments or construction penalties that are required to be paid to the association.

➥ The candidate must make all disclosures required pursuant to this subsection in writing to the association with his candidacy information. The association shall distribute the disclosures to each member of the association with the ballot ***or, in the event ballots are not prepared and mailed pursuant to subsection 4,*** in the manner established ***for distribution of ballots*** in the bylaws of the association.

6. Unless a person is appointed by the declarant:

(a) A person may not be a member of the executive board or an officer of the association if the person, his spouse or his parent or child, by blood, marriage or adoption, performs the duties of a community manager for that association.

(b) A person may not be a member of the executive board of a master association or an officer of that master association if the person, his spouse or his parent or child, by blood, marriage or adoption, performs the duties of a community manager for:

(1) That master association; or

(2) Any association that is subject to the governing documents of that master association.

7. An officer, employee, agent or director of a corporate owner of a unit, a trustee or designated beneficiary of a trust that owns a unit, a partner of a partnership that owns a unit, a member or manager of a limited-liability company that owns a unit, and a fiduciary of an estate that owns a unit may be an officer of the association or a member of the executive board. In all events where the person serving or offering to serve as an officer of the association or a member of the executive board is not the record owner, he shall file proof in the records of the association that:

(a) He is associated with the corporate owner, trust, partnership, limited-liability company or estate as required by this subsection; and

(b) Identifies the unit or units owned by the corporate owner, trust, partnership, limited-liability company or estate.

8. ~~[The]~~ ***Except as otherwise provided in subsection 4, the*** election of any member of the executive board must be conducted by secret written ballot unless ~~*[the election is for an incumbent member of the executive board who is unopposed in seeking reelection or unless]*~~ the declaration of the association provides that voting rights may be exercised by delegates or representatives as set forth in NRS 116.31105. If the election of any member of the executive board is conducted by secret written ballot:

(a) The secretary or other officer specified in the bylaws of the association shall cause a secret ballot and a return envelope to be sent, prepaid by United States mail, to the mailing address of each unit within the common-interest community or to any other mailing address designated in writing by the unit's owner.

(b) Each unit's owner must be provided with at least 15 days after the date the secret written ballot is mailed to the unit's owner to return the secret written ballot to the association.

(c) A quorum is not required for the election of any member of the executive board.

(d) Only the secret written ballots that are returned to the association may be counted to determine the outcome of the election.

(e) The secret written ballots must be opened and counted at a meeting of the association. A quorum is not required to be present when the secret written ballots are opened and counted at the meeting.

(f) The incumbent members of the executive board and each person whose name is placed on the ballot as a candidate for a member of the executive board may not possess, be given access to or participate in the opening or counting of the secret written ballots that are returned to the association before those secret written ballots have been opened and counted at a meeting of the association.

9. Each member of the executive board shall, within 90 days after his appointment or election, certify in writing to the association, on a form prescribed by the Administrator, that he has read and understands the governing documents of the association and the provisions of this chapter to the best of his ability. The Administrator may require the association to submit a copy of the certification of each member of the executive board of that association at the time the association registers with the Ombudsman pursuant to NRS 116.31158.

Sec. 2. NRS 116A.410 is hereby amended to read as follows:

116A.410 1. The Commission shall by regulation provide for the issuance by the Division of certificates. The regulations:

(a) Must establish the qualifications for the issuance of such a certificate, including, without limitation, the education and experience required to obtain such a certificate.

(b) May require applicants to pass an examination in order to obtain a certificate. If the regulations require such an examination, the Commission shall by regulation establish fees to pay the costs of the examination, including any costs which are necessary for the administration of the examination.

(c) ***Must establish a procedure for a person who was previously issued a certificate and who no longer holds a certificate to reapply for and obtain a new certificate without undergoing any period of supervision under another community manager, regardless of the length of time that has passed since the person last acted as a community manager.***

(d) May require an investigation of an applicant's background. If the regulations require such an investigation, the Commission shall by regulation establish fees to pay the costs of the investigation.

~~[(d)]~~ ***(e)*** Must establish the grounds for initiating disciplinary action against a person to whom a certificate has been issued, including, without limitation, the grounds for placing conditions, limitations or restrictions on a certificate and for the suspension or revocation of a certificate.

~~[(e)]~~ ***(f)*** Must establish rules of practice and procedure for conducting disciplinary hearings.

2. The Division may collect a fee for the issuance of a certificate in an amount not to exceed the administrative costs of issuing the certificate.

property to be designated as open-space real property under applicable zoning ordinances. (BDR 32-640)

AN ACT relating to the taxation of property; ~~[repealing the provisions that require the assessment of property used as a golf course as an open-space use;]~~ **requiring certain golf courses assessed as open-space real property to be designated as open-space real property under applicable zoning ordinances;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, ~~[an owner of open-space real property may apply for the assessment of the property for taxation purposes on the basis of that open-space use, thereby deferring part of the tax liability of the property during the continuation of that open-space use. Section 9 of this bill requires the taxation of a golf course for the next and subsequent fiscal years in the same manner and amount as if the Legislature had never mandated its assessment as open-space real property, except that liability for the payment of deferred taxes will continue to apply for the same period as it does under existing law to property that ceases to be used as a golf course and does not otherwise qualify for open-space use assessment.]~~ **property used as a golf course must be assessed for property tax purposes as open-space real property. (NRS 361A.170) This bill requires the designation of such a golf course under any applicable zoning ordinance as open-space real property, unless the golf course is located in a common-interest community or planned unit development, or is operated in conjunction with and adjacent to a resort hotel.**

each city or county shall, from time to time, specify by resolution additional designations or classifications under its master plan that are designed to promote the conservation of open space, the maintenance of natural features for control of floods and the protection of other natural and scenic resources from unreasonable impairment.

3. The board of county commissioners shall, from time to time, adopt by ordinance procedures and criteria which must be used in considering an application for open-space use assessment based on a designation or classification adopted pursuant to subsection 2. The criteria may include requirements respecting public access to and the minimum size of the property.

Sec. 2. **Each local government whose jurisdiction for zoning purposes includes one or more golf courses with a zoning designation that is not in compliance with the provisions of NRS 361A.170, as amended by this act, shall take such actions as are necessary to conform each such zoning designation as soon as practicable after the effective date of this act.**

Amendment No. 276.

AN ACT relating to the protection of children; making various changes to provisions governing the court-ordered admission of a child to a locked facility; requiring a court to provide ~~[for]~~ **a hearing to determine whether to include rights to** visitation of siblings ~~[who are separated after the parental rights of their parents are terminated;]~~ **in a decree of adoption;** requiring the development of policies concerning certain medication given to children with emotional disturbances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law sets forth the procedure for petitioning a court to order the admission of certain children with emotional disturbances to a locked facility for treatment. (NRS 432B.607-432B.6085) **Section** ~~[1]~~ **1.3** of this bill clarifies that as used in those provisions, "court-ordered admission of a child" includes a child for whom a petition is filed to continue placement after an emergency admission. **Section 1.5 of this bill requires each agency which provides child welfare services to establish appropriate policies concerning the monitoring, use and distribution of psychotropic medication to children who are in the custody of the agency. Section 11 of this bill requires the Division of Child and Family Services of the Department of Health and Human Services to adopt consistent policies with respect to the distribution of such medication to children in division facilities.**

Section 3 of this bill requires a petition for the court-ordered admission of a child with an emotional disturbance into a locked facility to be filed within 5 days after an emergency admission ~~[.]~~ **or the child must be released.** (NRS 432B.6075) **Section 4** of this bill clarifies that the court proceeding for the court-ordered admission of a child who is alleged to be a child with an

emotional disturbance must include an evidentiary hearing. (NRS 432B.6076) **Section 5** of this bill expands the manner in which a person is allowed to oppose a petition for the court-ordered admission of a child into a locked facility to include an opposition stated verbally in court. **Section 6** of this bill provides that if a court authorizes a second evaluation team to examine a child who is subject to a court-ordered admission to a locked facility, the second examination must be conducted within 5 business days by a team that is not affiliated with, employed by or otherwise connected to the facility where the child has been admitted. (NRS 432B.6078) **Section 7** of this bill requires a court to apply the same standards in considering a petition to renew a court-ordered admission of a child as were applied to the original petition. **Section 8** of this bill extends the time for developing a plan for the care, treatment and training of a child subject to a court-ordered admission to a locked facility from 5 to 10 days after the child is admitted to the facility, and removes the requirement that the plan include certain criteria which the child must satisfy before discharge. ~~[Section 9 of this bill requires the court to include in an order terminating the parental rights of a child a plan for the child to have reasonable visitation with any sibling of the child if they are not placed together and provides that refusal to comply with any such order will be treated as contempt of court.~~

~~Section 10 of this bill requires the Administrator of the Division of Child and Family Services of the Department of Health and Human Services to ensure that appropriate policies are established concerning the prescribing, use and distribution of psychotropic medication to children in division facilities.]~~

Section 10 of this bill requires a court to conduct a hearing to determine whether to grant visitation rights to a sibling as part of an adoption decree when the adoption is of a child in the custody of an agency which provides child welfare services. Section 10 further requires the agency which provides child welfare services to provide the court that is conducting the adoption proceedings with a copy of any existing order for visitation with a sibling of the child and allows certain interested parties to petition to participate in the determination as to whether to include visitation rights in the adoption decree.

~~(a) May give preference to the placement of the child with any person related within the third degree of consanguinity to the child whom the person~~

~~or agency finds suitable and able to provide proper care and guidance for the child, regardless of whether the relative resides within this State.~~

~~(b) Shall, if practicable, give preference to the placement of the child together with his siblings.~~

~~➡ Any search for a relative with whom to place a child pursuant to this subsection must be completed within 1 year after the initial placement of the child outside of his home.~~

~~***3. If a court terminates the parental rights of the parent or parents of a child and the child is placed separate from any sibling, the court shall include in the order a plan for the reasonable visitation of the child with any such sibling. If the child is subsequently moved or adopted and will remain or become separated from any sibling, the person or agency making the placement must request the court to issue an order requiring the visitation set forth in the earlier order issued pursuant to this subsection. If a person refuses to comply with or disobeys an order issued pursuant to this subsection, he may be punished as for a contempt of court.***~~ **(Deleted by amendment.)**

Sec. 10. **Chapter 127 of NRS is hereby amended by adding thereto a new section to read as follows:**

1. If a child who is in the custody of an agency which provides child welfare services is placed for adoption, the agency must provide the court which is conducting the adoption proceedings with a copy of any order for visitation with a sibling of the child that was issued pursuant to NRS 432B.580 and the court must conduct a hearing to determine whether to include an order for visitation with a sibling in the decree of adoption.

2. Any interested party in the adoption, including, without limitation, the adoptive parent, the adoptive child, a sibling of the adoptive child, the agency which provides child welfare services or a licensed child-placing agency may petition the court to participate in the determination of whether to include an order of visitation with a sibling in the decree of adoption.

3. The sole consideration of the court in making a determination concerning visitation with a sibling pursuant to this section is the best interest of the child.

SUMMARY—Revises ~~[provisions governing the approval of an application for the beneficial use of]~~ **the policy of this State concerning** water. (BDR 48-887)

(NRS 533.370) This bill imposes as an additional condition on the approval of such an application that the proposed use or change must not adversely affect any surrounding surface or underground source of water.]~~ **This bill declares the policy of this State to encourage the State Engineer to consider the best available science in rendering decisions concerning**

the available surface and underground sources of water in Nevada. (NRS 533.024)

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. ~~NRS 533.370 is hereby amended to read as follows:~~

~~533.370 1. Except as otherwise provided in this section and NRS 533.345, 533.371, 533.372 and 533.503, the State Engineer shall approve an application submitted in proper form which contemplates the application of water to beneficial use if:~~

~~(a) The application is accompanied by the prescribed fees;~~

~~(b) *The proposed use or change does not adversely affect any surrounding surface or underground source of water;*~~

~~*(c)* The proposed use or change, if within an irrigation district, does not adversely affect the cost of water for other holders of water rights in the district or lessen the efficiency of the district in its delivery or use of water; and~~

~~**[**(c)**]** *(d)* The applicant provides proof satisfactory to the State Engineer of:~~

~~(1) His intention in good faith to construct any work necessary to apply the water to the intended beneficial use with reasonable diligence; and~~

~~(2) His financial ability and reasonable expectation actually to construct the work and apply the water to the intended beneficial use with reasonable diligence.~~

~~2. Except as otherwise provided in this subsection and subsections 3 and 11 and NRS 533.365, the State Engineer shall approve or reject each application within 1 year after the final date for filing a protest. The State Engineer may:~~

~~(a) Postpone action upon written authorization to do so by the applicant or, if an application is protested, by the protestant and the applicant.~~

~~(b) Postpone action if the purpose for which the application was made is municipal use.~~

~~(c) In areas where studies of water supplies have been determined to be necessary by the State Engineer pursuant to NRS 533.368 or where court actions are pending, withhold action until it is determined there is unappropriated water or the court action becomes final.~~

~~3. Except as otherwise provided in subsection 11, the State Engineer shall approve or reject, within 6 months after the final date for filing a protest, an application filed to change the point of diversion of water already appropriated when the existing and proposed points of diversion are on the same property for which the water has already been appropriated under the existing water right or the proposed point of diversion is on real property that is proven to be owned by the applicant and is contiguous to the place of use of the existing water right. The State Engineer may:~~

~~(a) Postpone action upon written authorization to do so by the applicant or, if the application is protested, by the protestant and the applicant.~~

~~(b) In areas where studies of water supplies have been determined to be necessary by the State Engineer pursuant to NRS 533.368 or where court actions are pending, withhold action until it is determined there is unappropriated water or the court action becomes final.~~

~~4. If the State Engineer does not act upon an application within 1 year after the final date for filing a protest, the application remains active until acted upon by the State Engineer.~~

~~5. Except as otherwise provided in subsection 11, where there is no unappropriated water in the proposed source of supply, or where its proposed use or change conflicts with existing rights or with protectible interests in existing domestic wells as set forth in NRS 533.024, or threatens to prove detrimental to the public interest, the State Engineer shall reject the application and refuse to issue the requested permit. If a previous application for a similar use of water within the same basin has been rejected on those grounds, the new application may be denied without publication.~~

~~6. In determining whether an application for an interbasin transfer of groundwater must be rejected pursuant to this section, the State Engineer shall consider:~~

~~(a) Whether the applicant has justified the need to import the water from another basin;~~

~~(b) If the State Engineer determines that a plan for conservation of water is advisable for the basin into which the water is to be imported, whether the applicant has demonstrated that such a plan has been adopted and is being effectively carried out;~~

~~(c) Whether the proposed action is environmentally sound as it relates to the basin from which the water is exported;~~

~~(d) Whether the proposed action is an appropriate long-term use which will not unduly limit the future growth and development in the basin from which the water is exported; and~~

~~(e) Any other factor the State Engineer determines to be relevant.~~

~~7. If a hearing is held regarding an application, the decision of the State Engineer must be in writing and include findings of fact, conclusions of law and a statement of the underlying facts supporting the findings of fact. The written decision may take the form of a transcription of an oral ruling. The rejection or approval of an application must be endorsed on a copy of the original application, and a record must be made of the endorsement in the records of the State Engineer. The copy of the application so endorsed must be returned to the applicant. Except as otherwise provided in subsection 12, if the application is approved, the applicant may, on receipt thereof, proceed with the construction of the necessary works and take all steps required to apply the water to beneficial use and to perfect the proposed appropriation. If the application is rejected, the applicant may take no steps toward the prosecution of the proposed work or the diversion and use of the public water while the rejection continues in force.~~

~~8. If:~~

~~(a) The State Engineer receives an application to appropriate any of the public waters, or to change the point of diversion, manner of use or place of use of water already appropriated;~~

~~(b) The application involves an amount of water exceeding 250 acre-feet per annum;~~

~~(c) The application involves an interbasin transfer of groundwater; and~~

~~(d) Within 7 years after the date of last publication of the notice of application, the State Engineer has not granted the application, denied the application, held an administrative hearing on the application or issued a permit in response to the application,~~

~~↵ the State Engineer shall notice a new period of 45 days in which a person who is a successor in interest to a protestant or an affected water right owner may file with the State Engineer a written protest against the granting of the application. Such notification must be entered on the Internet website of the State Engineer and must, concurrently with that notification, be mailed to the board of county commissioners of the county of origin.~~

~~9. Except as otherwise provided in subsection 10, a person who is a successor in interest to a protestant or an affected water right owner who wishes to protest an application in accordance with a new period of protest noticed pursuant to subsection 8 shall, within 45 days after the date on which the notification was entered and mailed, file with the State Engineer a written protest that complies with the provisions of this chapter and with the regulations adopted by the State Engineer, including, without limitation, any regulations prescribing the use of particular forms or requiring the payment of certain fees.~~

~~10. If a person is the successor in interest of an owner of a water right or an owner of real property upon which a domestic well is located and if the former owner of the water right or real property on which a domestic well is located had previously filed a written protest against the granting of an application, the successor in interest must be allowed to pursue that protest in the same manner as if he were the former owner whose interest he succeeded. If the successor in interest wishes to pursue the protest, the successor in interest must notify the State Engineer on a form provided by the State Engineer.~~

~~11. The provisions of subsections 1 to 6, inclusive, do not apply to an application for an environmental permit.~~

~~12. The provisions of subsection 7 do not authorize the recipient of an approved application to use any state land administered by the Division of State Lands of the State Department of Conservation and Natural Resources without the appropriate authorization for that use from the State Land Registrar.~~

~~13. As used in this section:~~

~~(a) "County of origin" means the county from which groundwater is transferred or proposed to be transferred.~~

~~(b) "Domestic well" has the meaning ascribed to it in NRS 534.350.~~

~~(c) "Interbasin transfer of groundwater" means a transfer of groundwater for which the proposed point of diversion is in a different basin than the proposed place of beneficial use.~~] **(Deleted by amendment.)**

Sec. 2. **NRS 533.024 is hereby amended to read as follows:**

533.024 The Legislature declares that:

1. It is the policy of this State:

(a) To encourage and promote the use of effluent, where that use is not contrary to the public health, safety or welfare, and where that use does not interfere with federal obligations to deliver water of the Colorado River.

(b) To recognize the importance of domestic wells as appurtenances to private homes, to create a protectible interest in such wells and to protect their supply of water from unreasonable adverse effects which are caused by municipal, quasi-municipal or industrial uses and which cannot reasonably be mitigated.

(c) To encourage the State Engineer to consider the best available science in rendering decisions concerning the available surface and underground sources of water in Nevada.

2. The procedures in this chapter for changing the place of diversion, manner of use or place of use of water, and for confirming a report of conveyance, are not intended to have the effect of quieting title to or changing ownership of a water right and that only a court of competent jurisdiction has the power to determine conflicting claims to ownership of a water right.

AN ACT relating to county hospitals; requiring a county hospital to provide **outpatient** cancer treatment as part of its care to indigent persons; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Counties are required through county hospitals to provide care to indigent persons. (NRS 428.010, 450.420) This bill requires that the care include the **outpatient** treatment of cancer if the indigent person is a resident of ~~[Nevada]~~ **the county in which the hospital is located** and was a resident **of that county** at the time the person was diagnosed with cancer, but clarifies that this does not prohibit the hospital from providing uncompensated care for the **outpatient** treatment of cancer to other persons.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 450.420 is hereby amended to read as follows:

450.420 1. The board of county commissioners of the county in which a ~~[public]~~ ***county*** hospital is located may determine whether patients presented to the ~~[public]~~ ***county*** hospital for treatment are subjects of charity. Except as otherwise provided in NRS 439B.330, the board of county commissioners shall establish by ordinance criteria and procedures to be used in the determination of eligibility for medical care as medical indigents or subjects of charity.

2. ***A county hospital must provide outpatient cancer treatment to indigent persons who are residents of ~~[this State]~~ that county and were residents of ~~[this State]~~ that county at the time that they were diagnosed with cancer. This subsection does not prohibit a county hospital from providing uncompensated care for the outpatient treatment of cancer to other persons.***

3. The board of hospital trustees shall fix the charges for treatment of those persons able to pay for the charges, as the board deems just and proper. The board of hospital trustees may impose an interest charge of not more than 12 percent per annum on unpaid accounts. The receipts must be paid to the county treasurer and credited by him to the hospital fund. In fixing charges pursuant to this subsection the board of hospital trustees shall not include, or seek to recover from paying patients, any portion of the expense of the hospital which is properly attributable to the care of indigent patients.

~~[3.]~~ ***4.*** Except as provided in subsection ~~[4]~~ ***5*** of this section and subsection 3 of NRS 439B.320, the county is chargeable with the entire cost of services rendered by the hospital and any salaried staff physician or employee to any person admitted for emergency treatment, including all reasonably necessary recovery, convalescent and follow-up inpatient care required for any such person as determined by the board of trustees of the hospital, but the hospital shall use reasonable diligence to collect the charges from the emergency patient or any other person responsible for his support. Any amount collected must be reimbursed or credited to the county.

~~[4.]~~ ***5.*** The county is not chargeable with the cost of services rendered by the hospital or any attending staff physician or surgeon to the extent the hospital is reimbursed for those services pursuant to NRS 428.115 to 428.255, inclusive.

Sec. 2. NRS 450.425 is hereby amended to read as follows:

450.425 1. The board of county commissioners of a county in which a county hospital is established may, upon approval by a majority of the voters voting on the question in an election held throughout the county, levy an ad valorem tax of not more than 2.5 cents on each $100 of assessed valuation upon all taxable property in the county, to pay the cost of services rendered in the county by the hospital pursuant to subsection ~~[3]~~ ***4*** of NRS 450.420.

The approval required by this subsection may be requested at any primary or general election.

2. Any tax imposed pursuant to this section is in addition to the taxes imposed pursuant to NRS 428.050, 428.185 and 428.285. The proceeds of any tax levied pursuant to this section are exempt from the limitations imposed by NRS 354.59811, 428.050 and 428.285 and must be excluded in determining the maximum rate of tax authorized by those sections.

Sec. 3. The provisions of NRS 354.599 do not apply to any additional expenses of a local government that are related to the provisions of this act.

Sec. 4. This act becomes effective on July 1, 2009.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 197.

AN ACT relating to the revision of statutes; clarifying the effect of changes to the organization and numbering of Nevada Revised Statutes; directing the Legislative Counsel to reorganize the traffic laws ~~[.]~~ **and to revise the Nevada Revised Statutes and the Nevada Administrative Code to make the provisions gender neutral;** repealing certain obsolete definitions in the traffic laws; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the Legislative Counsel to take certain actions to keep Nevada Revised Statutes current, including renumbering sections, rearranging sections and creating new titles, chapters and sections, as well as making various other revisions. (NRS 220.120) **Section 1** of this bill clarifies that if the Legislative Counsel renumbers any section of Nevada Revised Statutes, any citation to the previous number in any document, publication, signage or other place shall be deemed to have the same meaning and legal effect as if the citation were to the new number, unless another intent is otherwise specified.

To facilitate the reorganization of the traffic laws required by section 4 of this bill, section 3 of this bill repeals some obsolete definitions which are no longer used in any section of the Nevada Revised Statutes.

Section ~~[2]~~ **4** of this bill directs the Legislative Counsel to reorganize chapter 484 of NRS into several chapters by topic to make the provisions of that chapter easier to use and understand ~~[.]~~ **and to similarly revise the Nevada Administrative Code.** To avoid excessive costs resulting from the reorganization, **section** ~~[2]~~ **4** further directs that any documents, publications, signage or other places that contain references to the old numbers not be

replaced solely to change to the new numbers, but instead be changed when replacement becomes necessary for another purpose.

~~[Section 3 of this bill repeals some obsolete definitions in the traffic laws which are no longer used in any section.]~~

Section 5 of this bill directs the Legislative Counsel to revise the Nevada Revised Statutes and the Nevada Administrative Code so that they are gender neutral. Section 2 of this bill removes a provision that specifies that the masculine gender includes the feminine and neuter genders because that will no longer be necessary with the revision that will make the Nevada Revised Statutes gender neutral.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 220.120 is hereby amended to read as follows:

220.120 1. In preparing the annotations and keeping Nevada Revised Statutes current, the Legislative Counsel is authorized:

(a) To adopt such system of numbering as he deems practical.

(b) To cause the revision to be published in a number of volumes deemed convenient.

(c) To cause the volumes to be bound in loose-leaf binders of good, and so far as possible, permanent quality.

2. The pages of Nevada Revised Statutes must conform in size and printing style to the pages of the Statutes of Nevada, and roman style type must be used.

3. The Legislative Counsel shall classify and arrange the entire body of statute laws in logical order throughout the volumes, the arrangement to be such as will enable subjects of a kindred nature to be placed under one general head, with necessary cross references.

4. Notes of decisions of the Supreme Court, historical references and other material must be printed and arranged in such manner as the Legislative Counsel finds will promote the usefulness thereof.

5. The Legislative Counsel in keeping Nevada Revised Statutes current shall not alter the sense, meaning or effect of any legislative act, but may renumber sections and parts of sections thereof, change the wording of headnotes, rearrange sections, change reference numbers or words to agree with renumbered chapters or sections, substitute the word “chapter” for “article” and the like, substitute figures for written words and vice versa, change capitalization for the purpose of uniformity, correct inaccurate references to the titles of officers, the names of departments or other agencies of the State, local governments, or the Federal Government, and such other name changes as are necessary to be consistent with the laws of this state and correct manifest clerical or typographical errors.

6. The Legislative Counsel may create new titles, chapters and sections of Nevada Revised Statutes, or otherwise revise the title, chapter and sectional organization of Nevada Revised Statutes, all as may be required

from time to time, to effectuate the orderly and logical arrangement of the statutes. Any new titles, chapters, sections and organizational revisions have the same force and effect as the 58 titles originally enacted and designated as the Nevada Revised Statutes pursuant to chapter 2, Statutes of Nevada 1957.

7. ***If the Legislative Counsel renumbers any section of Nevada Revised Statutes because the section has been moved, divided or combined with another section during the reorganization of the statutes or for any other reason, the citation to the previously assigned number in any legal document, publication, signage or in any other place shall be deemed to have the same meaning and legal effect as if the citation were to the new number, regardless of how long it has been since the new number was assigned and regardless of any revisions made to the section after the assignment of the new number, unless another intent is otherwise specified.***

8. The Legislative Counsel shall assign NRS numbers to such new permanent and general laws enacted at any legislative session.

~~[8.]~~ ***9.*** The Legislative Counsel shall resolve all nonsubstantive conflicts between multiple laws enacted at any legislative session as if made by a single enactment. If multiple amendments to a single section of NRS are made during a legislative session, such amendments are all effective and must be compiled in a manner that is consistent with the intent of the Legislature as determined by the Legislative Counsel.

~~[9.]~~ ***10.*** The Legislative Counsel shall substitute the name of any agency, officer or instrumentality of the State or of a political subdivision whose name is changed by law or to which powers, duties and responsibilities have been transferred by law, for the name which the agency, officer or instrumentality previously used or which was previously vested with the same powers and charged with the same duties and responsibilities.

Sec. 2. **NRS 0.030 is hereby amended to read as follows:**

0.030 ***1.*** Except as otherwise expressly provided in a particular statute or required by the context:

~~[1. The masculine gender includes the feminine and neuter genders.~~

~~2.]~~ ***(a)*** The singular number includes the plural number, and the plural includes the singular.

~~[3.]~~ ***(b)*** The present tense includes the future tense.

~~[4.]~~

2. The use of a masculine noun or pronoun in conferring a benefit or imposing a duty does not exclude a female person from that benefit or duty. The use of a feminine noun or pronoun in conferring a benefit or imposing a duty does not exclude a male person from that benefit or duty.

Sec. 3. NRS 484.031 and 484.045 are hereby repealed.

Sec. 4. 1. When the next reprint of Nevada Revised Statutes is prepared by the Legislative Counsel, the Legislative Counsel shall cause the provisions of chapter 484 of NRS to be reorganized into several chapters organized by topic so that they are easier to use and understand.

2. To avoid any excessive cost, references to the previously assigned numbers of sections of chapter 484 of NRS in any legal document, publication, signage or in any other place must not be replaced to revise those references unless and until they would otherwise be replaced for some other reason.

3. In preparing supplements to the Nevada Administrative Code, the Legislative Counsel shall appropriately change any citation to any section of chapter 484 of NRS to refer to the new citation for the section and shall reorganize chapter 484 of the Nevada Administrative Code into chapters which correspond to the Nevada Revised Statutes.

Sec. 5. **1. In preparing supplements to the Nevada Revised Statutes and the Nevada Administrative Code, the Legislative Counsel shall make such changes as necessary so that the Nevada Revised Statutes and the Nevada Administrative Code are gender neutral. Such changes may include, without limitation, adding references to the feminine or masculine gender and revising other language as necessary to make the Nevada Revised Statutes and Nevada Administrative Code gender neutral.**

2. To the extent that revisions are made to the Nevada Revised Statutes pursuant to subsection 1, the revisions shall be construed as nonsubstantive and it is not the intent of the Nevada Legislature to modify any existing interpretations of any statute which is so revised.

~~[Sec. 4.]~~ ***Sec. 6.*** ~~[The provisions of NRS 354.599 do not apply to any additional expenses of a local government that are related to the provisions of this act.]~~ **(Deleted by amendment.)**

~~[Sec. 5.]~~ ***Sec. 7.*** This act becomes effective upon passage and approval.

Amendment No. 275.

JOINT SPONSOR: COMMITTEE ON FINANCE

SUMMARY— ~~[Prohibits companies that are involved in specified activities in the country of Sudan from entering into a contract with certain state agencies for the provision of goods or services.]~~ **Requires the Public Employees' Retirement Board to identify and report concerning investments of money from the Public Employees' Retirement System in certain scrutinized companies with certain business activities or connections to Iran's petroleum sector.** (BDR ~~[27-1232)]~~ **23-1232)**

AN ACT relating to ~~[state purchasing contracts; prohibiting companies that are involved in specified activities in the country of Sudan from entering into a contract with certain state agencies for the provision of goods or services;]~~ **public retirement systems; requiring the Public Employees' Retirement Board to identify and report concerning investments of money from the Public Employees' Retirement System in certain scrutinized companies with certain business activities or connections to Iran's petroleum sector;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Existing law authorizes contracts between state agencies within the Executive Branch of Government and private contractors and sets forth requirements for the procurement of goods and services by those state agencies. (Chapter 333 of NRS) Section 13 of this bill prohibits certain "scrutinized companies" that are involved in specified activities in the country of Sudan from entering into a contract with a state agency for goods or services. Section 13 also provides for an exception to the prohibition on such contracts if the Governor determines it is in the best interest of the State. In addition, section 13 requires a prospective bidder for a contract with a state agency that currently or within the previous 3 years has had business activities or other operations outside of the United States to certify that the company is not a scrutinized company.~~

~~Section 14 of this bill requires certain reports to be submitted to the U.S. Attorney General and the Attorney General for the State of Nevada and authorizes the Attorney General for the State of Nevada to bring a civil action against a company that submits a false certification. Section 15 of this bill provides for a civil penalty to be imposed on a company that provides a false certification in an amount not to exceed $250,000, or an amount that is twice the amount of the contract price. In addition, section 15 provides that a company which provides a false certification is prohibited from entering into another contract with a state agency for not less than 3 years.]~~

Section 1 of this bill outlines the difficulties that the United Nations has experienced trying to control Iran's development of nuclear weapons and weapons of mass destruction. The United Nations has passed several resolutions condemning the actions of Iran and imposing sanctions on Iran. In addition, Congress adopted the Iran Sanctions Act of 1996 which imposes an embargo and various sanctions on Iran. Because of the volatility of Iran and the sanctions imposed on that country, section 1 expresses the concern of the Nevada Legislature about investment decisions by retirement systems in this State, including the Public Employees' Retirement System, to invest in publicly traded companies that conduct business activities with or have ties to Iran's petroleum-energy industry and encourages such retirement systems to use reason and prudence in making such investment decisions.

Section 13 of this bill requires the Public Employees' Retirement Board to identify certain scrutinized companies in which the Public Employees' Retirement System has direct holdings. Section 14 of this bill further requires the Board to prepare an annual report of investments of money from the System in those scrutinized companies. The report must be submitted to the Governor and the Legislature on or before February 1 of each year.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Delete existing sections 1 through 16 of this bill and replace with the following new sections 1 through 15:

Section 1. **The Nevada Legislature hereby finds and declares that:**

1. In 2008, the United Nations Security Council passed Resolution 1803 reaffirming prior resolutions of the Security Council, including Resolutions 1696 (2006), 1737 (2006) and 1747 (2007), and imposing sanctions on Iran for failing to suspend its uranium-enrichment activities which may lead to the development of nuclear weapons.

2. Security Council Resolution 1803 notes that the Director General of the International Atomic Energy Agency (IAEA) confirmed that Iran has not established full and sustained suspension of all enrichment-related and reprocessing activities and heavy water-related projects, has not resumed its cooperation with the IAEA, has not taken the other steps called for by the IAEA Board of Governors or complied with the prior resolutions.

3. The United Nations Security Council voted unanimously in Resolution 1803 to continue to freeze the financial assets and restrict the travel of persons or entities supporting Iran's proliferation sensitive nuclear activities or the development of nuclear weapon delivery and expanded the list of persons and entities subject to the freezing of assets and travel restrictions.

4. The United Nations Security Council, through its resolutions, has required that nations prevent the transfer to Iran of a broad range of proliferation sensitive items and related technical and financial assistance and resources and services related to these items that could contribute to Iran's proscribed nuclear activities or the development of nuclear weapon delivery systems.

5. The United Nations Security Council has also called for nations to exercise vigilance in entering into new commitments for financial support for trade with Iran, including the granting of export credits, guarantees or insurance, to their nationals or entities involved in such trade in order to avoid having such financial support contribute to proliferation sensitive nuclear activities or to the development of nuclear weapon delivery systems.

6. Resolution 1803 also calls for nations to exercise vigilance over the activities of financial institutions in their territories with all banks domiciled in Iran, as well as their branches and subsidiaries abroad because of their connections to proliferation sensitive nuclear activities and the development of nuclear weapon delivery systems.

7. In 1996, the United States Congress adopted the Iran and Libya Sanctions Act of 1996, Public Law 104-172, renewed the Act in 2001 and in 2006 renamed it the Iran Sanctions Act of 1996, Public Law 109-293.

8. Congress found that "[t]he efforts of the Government of Iran to acquire weapons of mass destruction and the means to deliver them and its support of acts of international terrorism endanger the national security and foreign policy interests of the United States and those countries with which the United States shares common strategic and foreign policy objectives."

9. The Iran Sanctions Act of 1996 requires the President of the United States to impose certain sanctions on any person or entity who, with actual knowledge, invests $20 million or more, either in a single investment or a combination of investments of at least $5 million each, which in the aggregate equal or exceed $20 million in any 12-month period, that directly and significantly contributes to the enhancement of Iran's ability to develop the petroleum resources of that country.

10. Iran's financial ability to pay its debts is put at risk by the embargo and sanctions of the Iran Sanctions Act of 1996.

11. Actions by fiduciaries of public money, including selling, redeeming, divesting or withdrawing from investments (divestiture), should be considered with the purpose of improving investment performance, and such fiduciaries must apply reason and prudence in making such decisions with consideration given to all relevant, substantive information concerning the investment.

12. Because of the instability of markets that are vulnerable to embargo, loan restrictions and sanctions by the United States and the international community, including the United Nations Security Council, fiduciaries should use caution and exercise restraint in investing in such markets and, applying reason and prudence, should consider divestiture from such markets.

13. The Nevada Legislature is deeply concerned about investments in publicly traded companies that conduct business activities with or have ties to Iran's petroleum-energy industry because of the serious financial risk to the shareholders.

14. Retirement systems, including the Public Employees' Retirement System, which invest money on behalf of public employees in publicly traded companies that conduct business activities with or have ties to Iran's petroleum-energy industry must use reason and prudence in making such investments.

15. To protect Nevada's assets, it is in the best interest of the State for public retirement systems in this State, including the Public Employees' Retirement System, to use reason and prudence in deciding whether to invest or divest from publicly traded securities of entities that conduct business activities with and have ties to Iran's petroleum-energy industry.

16. It is the intent of the Legislature that public retirement systems in Nevada, including the Public Employees' Retirement System, continue to limit investments in entities that conduct business with or have ties to Iran's petroleum-energy industry in the manner set forth in this declaration only insofar as it continues to be consistent with the foreign policy of the United States.

Sec. 2. **Chapter 286 of NRS is hereby amended by adding thereto the provisions set forth as sections 3 to 15, inclusive, of this act.**

Sec. 3. ***As used in sections 3 to 15, inclusive, of this act, the words and terms defined in sections 4 to 12, inclusive, of this act have the meanings ascribed to them in those sections.***

Sec. 4. ***"Active business operations" means all business operations that are not inactive business operations.***

Sec. 5. ***"Business operations" means investing, with actual knowledge on or after August 5, 1996, in Iran's petroleum sector, which investment directly and significantly contributes to the enhancement of Iran's ability to develop the petroleum resources of Iran. (b) The deployment of new investments to Iran that meet or exceed the threshold referred to in the Iran Sanctions Act of 1996, as amended.

Sec. 12. "Scrutinized company" means any company engaging in scrutinized business operations.

Sec. 13. 1. Except as otherwise provided in section 15 of this act, the Board shall identify those scrutinized companies in which the System has direct holdings. In making the determination, the Board shall review and rely on publicly available information regarding companies with business operations in Iran, including information provided by nonprofit organizations, research firms, international organizations and governmental entities.

2. The Board shall create a list of all identified scrutinized companies pursuant to subsection 1.

3. The Board shall update the list on an annual basis with information provided and received from those entities listed in subsection 1.

2. The Board shall submit a copy of the report to the Governor and the Director of the Legislative Counsel Bureau for distribution to the Legislature on or before February 1 of each year which must cover all investments during the previous calendar year.

Amendment No. 103.

AN ACT relating to real property; providing that a tenant may give a landlord a surety bond, or a combination of a surety bond and other security, instead of a security deposit under certain circumstances; providing that upon termination of a landlord's interest in the property, the successor in interest must accept the tenant's security or surety bond; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires a landlord and a tenant to perform certain obligations with respect to a lease of real property. As part of a lease, a landlord may demand a tenant provide security for the tenant's obligations, such as: (1) payment of rent; (2) repairing damage to the premises; and (3) cleaning the dwelling. (NRS 118A.240-118A.250)

Section 2 of this bill provides that, instead of requiring a security deposit, a landlord may allow a tenant to provide the landlord with a surety bond, or a combination of a surety bond and other security, to cover the amount of security demanded by the landlord. This section also: (1) provides that a landlord is not required to accept a surety bond; **and** (2) provides that a landlord may not require a tenant to provide a surety bond in place of security **.** ~~**[**~~**;** ~~and (3) imposes a duty on the tenant to ensure the surety bond remains in effect.~~**]** **Section 2 also provides that a tenant may dispute items contained in a landlord's claim against a surety and prohibits a surety, under certain circumstances, from reporting a landlord's claim to a credit reporting agency unless the surety obtains a judgment against the tenant.** (NRS 118A.242)

Section 3 of this bill requires, at the termination of the landlord's interest in the dwelling unit under certain circumstances, that the successor in interest accept the tenant's security or surety bond, or a combination thereof, and prohibits the successor in interest from demanding additional security or surety during the term of the rental agreement. (NRS 118A.244)

Section 1 of this bill amends the existing definition of security to provide that a payment made to a licensed surety to secure a surety bond is not security for the purposes of determining security given to a landlord. (NRS 188A.240)

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 118A.240 is hereby amended to read as follows:

118A.240 1. Any payment, deposit, fee or charge that is to be used for any of the following purposes is "security" and is governed by the provisions of this section and NRS 118A.242 and 118A.244:

(a) Remedying any default of the tenant in the payments of rent.

(b) Repairing damages to the premises other than normal wear caused by the tenant.

(c) Cleaning the dwelling unit.

2. "Security" does not include ~~**[**any**]**~~ ***:***

(a) Any payment, deposit or fee to secure an option to purchase the premises ~~[.]~~ ***; or***

(b) Any payment to a corporation qualified under the laws of this State as a surety, guarantor or obligator for a premium paid to secure a surety bond or a similar bond, guarantee or insurance coverage for purposes of securing a tenant's obligations to a landlord as described in NRS 118A.242.

Sec. 2. NRS 118A.242 is hereby amended to read as follows:

118A.242 1. The landlord may not demand or receive security ~~[,]~~ ***or a surety bond, or a combination thereof,*** including the last month's rent, whose total amount or value exceeds 3 months' periodic rent.

2. ***In lieu of paying all or part of the security required by the landlord, a tenant may, if the landlord consents, purchase a surety bond to secure the tenant's obligation to the landlord under the rental agreement to:***

(a) Remedy any default of the tenant in the payment of rent.

(b) Repair damages to the premises other than normal wear and tear.

(c) Clean the dwelling unit.

3. The landlord:

(a) Is not required to accept a surety bond purchased by the tenant in lieu of paying all or part of the security; and

(b) May not require a tenant to purchase a security bond in lieu of paying all or part of the security.

4. ~~*[If a landlord accepts a surety bond in lieu of all or part of the security, the tenant shall maintain the surety and ensure the surety remains in full force, unless the tenant has been relieved of the requirement to maintain the surety.*~~

~~*5.]*~~ Upon termination of the tenancy by either party for any reason, the landlord may claim of the security ***or surety bond, or a combination thereof,*** only such amounts as are reasonably necessary to remedy any default of the tenant in the payment of rent, to repair damages to the premises caused by the tenant other than normal wear and to pay the reasonable costs of cleaning the premises. The landlord shall provide the tenant with an itemized written accounting of the disposition of the security ***or surety bond, or a combination thereof,*** and return any remaining portion of the security to the tenant no later than 30 days after the termination of the tenancy by handing it to him personally at the place where the rent is paid, or by mailing it to him at his present address ~~[,]~~ or ***,*** if that address is unknown, at the tenant's last known address.

5. If a tenant disputes an item contained in an itemized written accounting received from a landlord pursuant to subsection 4, the tenant may send a written response disputing the item to the surety. If the tenant sends the written response within 30 days after receiving the itemized written accounting, the surety shall not report the claim of the landlord to a credit reporting agency unless the surety obtains a judgment against the tenant.

~~[3.]~~ ***6.*** If the landlord fails or refuses to return the remainder of a security deposit within 30 days after the end of a tenancy, he is liable to the tenant for damages:

(a) In an amount equal to the entire deposit; and

(b) For a sum to be fixed by the court of not more than the amount of the entire deposit.

~~[4.]~~ ***7.*** In determining the sum, if any, to be awarded under paragraph (b) of subsection ~~[3,]~~ ***6,*** the court shall consider:

(a) Whether the landlord acted in good faith;

(b) The course of conduct between the landlord and the tenant; and

(c) The degree of harm to the tenant caused by the landlord's conduct.

~~[5.]~~ ***8.*** Except for an agreement which provides for a nonrefundable charge for cleaning, in a reasonable amount, no rental agreement may contain any provision characterizing any security under this section as nonrefundable or any provision waiving or modifying a tenant's rights under this section. Any such provision is void as contrary to public policy.

~~[6.]~~ ***9.*** The claim of a tenant to security to which he is entitled under this chapter takes precedence over the claim of any creditor of the landlord.

Sec. 3. NRS 118A.244 is hereby amended to read as follows:

118A.244 1. Upon termination of the landlord's interest in the dwelling unit, whether by sale, assignment, death, appointment of receiver or otherwise, the landlord or his agent shall, within a reasonable time, do one of the following, which relieves him of further liability with respect to the security ~~[:]~~ ***or surety bond, or a combination thereof:***

(b) Return to the tenant the portion of the security remaining after making any deductions allowed under NRS 118A.242.

➥ The successor has the rights, obligations and liabilities of the former landlord as to any securities which are owed under this section or NRS 118A.242 at the time of transfer.

2. The landlord shall, before he records a deed transferring any dwelling unit:

Legislative Counsel's Digest:
Section 1 of this bill requires employers who employ 50 or more employees to grant to a parent, guardian or custodian of a child enrolled in a public school 4 hours of leave from his place of employment, which must be taken in increments of 1 hour, per school year per child to attend school-related activities or events or to volunteer at the school in which his child is enrolled. **Section 1** also requires the leave to be taken at a mutually agreed upon time and the employer is not required to pay the employee for the leave.

THE SEVENTY-THIRD DAY

CARSON CITY (Wednesday), April 15, 2009

Assembly called to order at 11:06 a.m.

Madam Speaker presiding.

Roll called.

All present.

Prayer by the Chaplain, Pastor Albert Tilstra.

Give us open minds, O God, minds ready to receive and to welcome such new light of knowledge as it is Your will to reveal. Let not the past ever be so dear to us as to set a limit to the future. Give us the courage to change our minds when that is needed. Let us be tolerant of the thoughts of others, for we never know in what voice You will speak.

We pray that we may keep our ears open to Your voice and make us a little more deaf to whispers of men and women who would persuade us from our duty, for we know in our hearts that only in Your will is the peace and prosperity of our state.

AMEN.

Pledge of allegiance to the Flag.

Assemblyman Conklin moved that further reading of the Journal be dispensed with, and the Speaker and Chief Clerk be authorized to make the necessary corrections and additions.

SUMMARY—~~[Authorizes the waiver of certain]~~ **Revises provisions governing** examinations of applicants for a Nevada driver's license **.** ~~[who are licensed in another jurisdiction.]~~ (BDR 43-343)

AN ACT relating to motor vehicles; ~~[removing the restriction on the authority of the Department of Motor Vehicles to waive]~~ **prohibiting the waiver of** certain examinations of applicants for a Nevada driver's license who are licensed in another jurisdiction but have not attained ~~[25]~~ **21** years of age; **providing an exception; establishing fees for the administration of certain examinations for noncommercial drivers' licenses;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the Department of Motor Vehicles to waive certain examinations for a person applying for a Nevada driver's license who possesses a valid driver's license of the same type or class issued by another jurisdiction but does not allow such a waiver if the person has not attained 25 years of age. (NRS 483.330) ~~[This bill removes that restriction and allows]~~ **Section 1 of this bill prohibits** such a waiver for a person who has not attained ~~[25]~~ **21** years of age ~~[.]~~ **, subject to certain exceptions.**

Existing law authorizes the Department to require every applicant for a driver's license to submit to an examination that may include components which test the applicant's knowledge, skills and abilities. (NRS 483.330) Section 1.5 of this bill requires the Department to charge a fee of $25 for the administration of the examination for a noncommercial driver's license and a fee of $10 for each readministration of that examination to the same person.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 483.330 is hereby amended to read as follows:

483.330 1. The Department may require every applicant for a driver's license, including a commercial driver's license issued pursuant to NRS 483.900 to 483.940, inclusive, to submit to an examination. The examination may include:

(a) A test of the applicant's ability to understand official devices used to control traffic;

(b) A test of his knowledge of practices for safe driving and the traffic laws of this State;

(d) Except as otherwise provided in subsection 3, an actual demonstration of his ability to exercise ordinary and reasonable control in the operation of a motor vehicle of the type or class of vehicle for which he is to be licensed.

➥ The examination may also include such further physical and mental examination as the Department finds necessary to determine the applicant's fitness to drive a motor vehicle safely upon the highways.

2. The Department may provide by regulation for the acceptance of a report from an ophthalmologist, optician or optometrist in lieu of an eye test by a driver's license examiner.

3. If the Department establishes a type or classification of driver's license to operate a motor vehicle of a type which is not normally available to examine an applicant's ability to exercise ordinary and reasonable control of such a vehicle, the Department may, by regulation, provide for the acceptance of an affidavit from a:

(a) Past, present or prospective employer of the applicant; or

(b) Local joint apprenticeship committee which had jurisdiction over the training or testing, or both, of the applicant,

➥ in lieu of an actual demonstration.

4. The Department may waive an examination pursuant to subsection 1 for a person applying for a Nevada driver's license who possesses a valid driver's license of the same type or class issued by another jurisdiction unless that person:

(a) Has not attained ~~[25]~~ ***21*** years of age ~~[;]~~ ***, except that the Department may, based on the driving record of the applicant, waive the examination to demonstrate his ability to exercise ordinary and reasonable control in the operation of a motor vehicle of the same type or class of vehicle for which he is to be licensed;***

(b) Has had his license or privilege to drive a motor vehicle suspended, revoked or cancelled or has been otherwise disqualified from driving during the immediately preceding 4 years;

(d) ~~[(c)]~~ Has restrictions to his driver's license which the Department must reevaluate to ensure the safe driving of a motor vehicle by that person;

(e) ~~[(d)]~~ Has had three or more convictions of moving traffic violations on his driving record during the immediately preceding 4 years; or

(f) ~~[(e)]~~ Has been convicted of any of the offenses related to the use or operation of a motor vehicle which must be reported pursuant to the provisions of Parts 1327 et seq. of Title 23 of the Code of Federal Regulations relating to the National Driver Register Problem Driver Pointer System during the immediately preceding 4 years.

2. For every motorcycle endorsement to a driver's license, a fee of $5 must be charged.

3. If no other change is requested or required, the Department shall not charge a fee to convert the number of a license from the licensee's social security number, or a number that was formulated by using the licensee's social security number as a basis for the number, to a unique number that is not based on the licensee's social security number.

4. Except as otherwise provided in NRS 483.417, the increase in fees authorized by NRS 483.347 and the fees charged pursuant to NRS 483.415 must be paid in addition to the fees charged pursuant to subsections 1 and 2.

5. A penalty of $10 must be paid by each person renewing his license after it has expired for a period of 30 days or more as provided in NRS 483.386 unless he is exempt pursuant to that section.

Legislative Counsel's Digest:

~~[Section 1 of this bill eliminates the requirement that before a court may assign a defendant to a program for the treatment of mental illness or mental retardation, the prosecuting attorney must stipulate to the assignment if the underlying offense or a previous offense committed by the defendant involved the use or threatened use of force or violence. (NRS 176A.265, 453.3365)**

~~2. [If the offense committed by the defendant involved the use or threatened use of force or violence or if the defendant was previously convicted in this State or in any other jurisdiction of a felony that involved the use or threatened use of force or violence, the court may not assign the defendant to the program unless the prosecuting attorney stipulates to the assignment.~~

Discharge and dismissal restores the defendant, in the~~

Amendment No. 117.

SUMMARY—Revises provisions governing the eviction of **certain** tenants from property. (BDR 3-655)

AN ACT relating to property; extending the period of time that ~~[a tenant has]~~ **certain tenants have** to comply with certain notices and requirements to avoid being guilty of unlawful detainer; extending the period of time that ~~[a tenant has]~~ **certain tenants have** to comply with a notice to quit under certain circumstances; ~~[extending the period of time before which certain court orders become effective;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides several circumstances under which a tenant of real property or a mobile home may be guilty of unlawful detainer.

(NRS 40.2512, 40.2514, 40.2516) For example, existing law provides that a tenant of real property is guilty of unlawful detainer if he: (1) fails to pay his rent; (2) fails to comply with a written notice directing him to either pay the rent or surrender the property; and (3) remains on the property for at least 5 days after the notice is served upon him. (NRS 40.2512) **Section 1** of this bill ~~[amends existing law to extend]~~ **extends** the 5-day period to 10 days **for residential premises,** so that such a tenant is not guilty of unlawful detainer until 10 days after the notice is served and he has failed to comply with the notice.

~~[Existing law also provides that a tenant of real property or a mobile home is guilty of unlawful detainer if he takes certain actions, including assigning or subletting the property in violation of the lease, and he remains in possession of the property after a 3 days' notice to quit has been served upon him. (NRS 40.2514) Section 2 of this bill amends existing law to extend the 3 days' notice to quit to a 5 days' notice to quit. Section 6 of this bill makes a similar change with respect to cases in which the property has been sold. (NRS 40.255)]~~

In addition, existing law provides that a tenant of real property is guilty of unlawful detainer if he: (1) fails to perform certain conditions of the lease; (2) fails to comply with a written notice directing him to perform the conditions or surrender the property; and (3) remains on the property for at least 5 days after the notice is served upon him. Further, existing law provides that the tenant or subtenant may save the lease from forfeiture by performing the conditions within 3 days after the notice is served. (NRS 40.2516) **Section 3** of this bill ~~[amends existing law to extend,]~~ **extends** from 5 days to 10 days, the period during which such a tenant or subtenant **of residential premises** may remain on the property before becoming guilty of unlawful detainer. **Section 3** also gives the tenant and subtenant **of residential premises** 7 days, rather than 3 days, to perform the condition and save the lease from forfeiture.

Existing law provides procedures for summary evictions and exclusions of certain tenants who fail to pay their rent. (NRS 40.253) Specifically, existing law authorizes a landlord to serve such a tenant with written notice directing the tenant to pay the rent or surrender the property within 5 days after service of the notice. **Section 4** of this bill extends that 5-day period to 10 days after service ~~[.]~~ **for residential premises.** Existing law also provides that, under certain circumstances, the landlord may obtain an order from the court directing the sheriff to remove the tenant within 24 hours after receiving the order. **Section 4** revises existing law to provide that **, for residential premises,** the sheriff may not remove the tenant earlier than 5 days after the sheriff receives the order, unless the rent is reserved by the week or less, in which case the sheriff may not remove the tenant earlier than 2 days after receipt of the order. Finally, **section 4** provides that ~~[if]~~ the court ~~[issues an order for summary removal of the tenant, the order will not take effect for a certain period of time during which if the tenant pays the rent and submits~~

~~proof of the payment to the court, the order will not take effect at all.~~**]** **is not required to hold a hearing concerning an alleged unlawful detainer until certain conditions are met, including that the time provided in this section for a tenant to pay rent or surrender the premises has expired.** (NRS 40.253)

~~**[** Section 5 of this bill amends existing law to extend the period during which a tenant may file an affidavit contesting an unlawful detainer under certain circumstances. (NRS 40.254)~~**]**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 40.2512 is hereby amended to read as follows:

40.2512 A tenant of real property or a mobile home for a term less than life is guilty of an unlawful detainer when he continues in possession, in person or by subtenant, after default in the payment of any rent and after a notice in writing, requiring in the alternative the payment of the rent or the surrender of the detained premises, remains uncomplied with for a period of 5 days, or in the case of ~~[~~a mobile home lot,~~]~~ ***residential premises,*** 10 days after service thereof. The notice may be served at any time after the rent becomes due.

Sec. 2. ~~[~~NRS 40.2514 is hereby amended to read as follows:

~~40.2514 A tenant of real property or a mobile home for a term less than life is guilty of an unlawful detainer when he:~~

~~1. Assigns or sublets the leased premises contrary to the covenants of the lease;~~

~~2. Commits or permits waste thereon;~~

~~3. Sets up or carries on therein or thereon any unlawful business;~~

~~4. Suffers, permits or maintains on or about the premises any nuisance that consists of conduct or an ongoing condition which constitutes an unreasonable obstruction to the free use of property and causes injury and damage to other tenants or occupants of that property or adjacent buildings or structures; or~~

~~5. Violates any of the provisions of NRS 453.011 to 453.552, inclusive, except NRS 453.336, therein or thereon,~~

~~→ and remains in possession after service upon him of [3] 5 days' notice to quit.~~**]** **(Deleted by amendment.)**

Sec. 3. NRS 40.2516 is hereby amended to read as follows:

40.2516 A tenant of real property or a mobile home for a term less than life is guilty of an unlawful detainer when he continues in possession, in person or by subtenant, after a neglect or failure to perform any condition or covenant of the lease or agreement under which the property or mobile home is held, other than those mentioned in NRS 40.250 to 40.252, inclusive, and NRS 40.254, and after notice in writing, requiring in the alternative the performance of the condition or covenant or the surrender of the property, served upon him, and, if there is a subtenant in actual occupation of the

premises, also upon the subtenant, remains uncomplied with for 5 ***days or, in the case of residential premises, 10*** days after the service thereof. Within 3 ***days or, in the case of residential premises, 7*** days after the service, the tenant, or any subtenant in actual occupation of the premises, or any mortgagee of the term, or other person, interested in its continuance, may perform the condition or covenant and thereby save the lease from forfeiture **,** ~~[:]~~ but if the covenants and conditions of the lease, violated by the lessee, cannot afterwards be performed, then no notice need be given.

Sec. 4. NRS 40.253 is hereby amended to read as follows:

40.253 1. Except as otherwise provided in subsection 10, in addition to the remedy provided in NRS 40.2512 and 40.290 to 40.420, inclusive, when the tenant of any dwelling, apartment, mobile home, recreational vehicle or commercial premises with periodic rent reserved by the month or any shorter period is in default in payment of the rent, the landlord or his agent, unless otherwise agreed in writing, may serve or have served a notice in writing, requiring in the alternative the payment of the rent or the surrender of the premises:

(a) At or before noon of the fifth ***full day or, in the case of residential premises, 10th*** full day following the day of service; or

(b) If the landlord chooses not to proceed in the manner set forth in paragraph (a) and the rent is reserved by a period of 1 week or less and the tenancy has not continued for more than 45 days, at or before noon of the fourth full day following the day of service.

➥ As used in this subsection, "day of service" means the day the landlord or his agent personally delivers the notice to the tenant. If personal service was not so delivered, the "day of service" means the day the notice is delivered, after posting and mailing pursuant to subsection 2, to the sheriff or constable for service if the request for service is made before noon. If the request for service by the sheriff or constable is made after noon, the "day of service" shall be deemed to be the day next following the day that the request is made for service by the sheriff or constable.

2. A landlord or his agent who serves a notice to a tenant pursuant to paragraph (b) of subsection 1 shall attempt to deliver the notice in person in the manner set forth in paragraph (a) of subsection 1 of NRS 40.280. If the notice cannot be delivered in person, the landlord or his agent:

(a) Shall post a copy of the notice in a conspicuous place on the premises and mail the notice by overnight mail; and

(b) After the notice has been posted and mailed, may deliver the notice to the sheriff or constable for service in the manner set forth in subsection 1 of NRS 40.280. The sheriff or constable shall not accept the notice for service unless it is accompanied by written evidence, signed by the tenant when he took possession of the premises, that the landlord or his agent informed the tenant of the provisions of this section which set forth the lawful procedures for eviction from a short-term tenancy. Upon acceptance, the sheriff or

constable shall serve the notice within 48 hours after the request for service was made by the landlord or his agent.

3. A notice served pursuant to subsection 1 or 2 must:

(a) Identify the court that has jurisdiction over the matter; and

(b) Advise the tenant of his right to contest the matter by filing, within the time specified in subsection 1 for the payment of the rent or surrender of the premises, an affidavit with the court that has jurisdiction over the matter stating that he has tendered payment or is not in default in the payment of the rent.

4. If the tenant files such an affidavit at or before the time stated in the notice, the landlord or his agent, after receipt of a file-stamped copy of the affidavit which was filed, shall not provide for the nonadmittance of the tenant to the premises by locking or otherwise.

5. Upon noncompliance with the notice:

(a) The landlord or his agent may apply by affidavit of complaint for eviction to the justice court of the township in which the dwelling, apartment, mobile home or commercial premises are located or to the district court of the county in which the dwelling, apartment, mobile home or commercial premises are located, whichever has jurisdiction over the matter. ~~[The]~~ ***If the tenant is in possession of commercial premises, the*** court may thereupon issue an order directing the sheriff or constable of the county to remove the tenant within 24 hours ~~*[not earlier than 5 days]*~~ after receipt of the order . ***If the tenant is in possession of residential premises, the court may thereupon issue an order directing the sheriff or constable of the county to remove a tenant not earlier than 5 days after receipt of the order or, if the rent is reserved by a period of 1 week or less, not earlier than 2 days after receipt of the order.*** The affidavit must state or contain:

(1) The date the tenancy commenced.

(2) The amount of periodic rent reserved.

(3) The amounts of any cleaning, security or rent deposits paid in advance, in excess of the first month's rent, by the tenant.

(4) The date the rental payments became delinquent.

(5) The length of time the tenant has remained in possession without paying rent.

(6) The amount of rent claimed due and delinquent.

(7) A statement that the written notice was served on the tenant in accordance with NRS 40.280.

(8) A copy of the written notice served on the tenant.

(9) A copy of the signed written rental agreement, if any.

(b) Except when the tenant has timely filed the affidavit described in subsection 3 and a file-stamped copy of it has been received by the landlord or his agent, and except when the landlord is prohibited pursuant to NRS 118A.480, the landlord or his agent may, in a peaceable manner, provide for the nonadmittance of the tenant to the premises by locking or otherwise.

6. Upon the filing by the tenant of the affidavit permitted in subsection 3, regardless of the information contained in the affidavit, ~~[and]~~ the filing by the landlord of the affidavit permitted by subsection 5 ~~[,]~~ ***and the expiration of the time specified in subsection 1 for the payment of rent or surrender of the premises,*** the justice court or the district court shall hold a hearing, after service of notice of the hearing upon the parties, to determine the truthfulness and sufficiency of any affidavit or notice provided for in this section. If the court determines that ~~[there]~~ ***:***

(a) There is no legal defense as to the alleged unlawful detainer and the tenant is guilty of an unlawful detainer, the court may issue a summary order for removal of the tenant or an order providing for the nonadmittance of the tenant. ~~[If the court determines that there]~~ ~~*[Except as otherwise provided in this paragraph, the order becomes effective at noon on the date set forth in the notice served pursuant to subsection 1 or 2 or at noon on the fifth day after the order is issued, whichever is later. The order will not become effective if the tenant tenders payment of the rent and submits proof of the payment to the court before the order is to become effective pursuant to this paragraph.]*~~

(b) There is a legal defense as to the alleged unlawful detainer, the court shall refuse to grant either party any relief ~~[,]~~ and, except as otherwise provided in this subsection, shall require that any further proceedings be conducted pursuant to NRS 40.290 to 40.420, inclusive.

➥ The issuance of a summary order for removal of the tenant does not preclude an action by the tenant for any damages or other relief to which he may be entitled. If the alleged unlawful detainer was based upon subsection 5 of NRS 40.2514, the refusal by the court to grant relief does not preclude the landlord thereafter from pursuing an action for unlawful detainer in accordance with NRS 40.251.

7. The tenant may, upon payment of the appropriate fees relating to the filing and service of a motion, file a motion with the court, on a form provided by the clerk of the court, to dispute the amount of the costs, if any, claimed by the landlord pursuant to NRS 118A.460 for the inventory, moving and storage of personal property left on the premises. The motion must be filed within 20 days after the summary order for removal of the tenant or the abandonment of the premises by the tenant, or within 20 days after:

(a) The tenant has vacated or been removed from the premises; and

(b) A copy of those charges has been requested by or provided to the tenant,

➥ whichever is later.

8. Upon the filing of a motion pursuant to subsection 7, the court shall schedule a hearing on the motion. The hearing must be held within 10 days after the filing of the motion. The court shall affix the date of the hearing to the motion and order a copy served upon the landlord by the sheriff, constable or other process server. At the hearing, the court may:

(a) Determine the costs, if any, claimed by the landlord pursuant to NRS 118A.460, and any accumulating daily costs; and

(b) Order the release of the tenant's property upon the payment of the charges determined to be due or if no charges are determined to be due.

9. A landlord shall not refuse to accept rent from a tenant that is submitted after the landlord or his agent has served or had served a notice pursuant to subsection 1 if the refusal is based on the fact that the tenant has not paid collection fees, attorney's fees or other costs other than rent, a reasonable charge for late payments of rent or dishonored checks, or a security. As used in this subsection, "security" has the meaning ascribed to it in NRS 118A.240.

10. This section does not apply to the tenant of a mobile home lot in a mobile home park or to the tenant of a recreational vehicle lot in an area of a mobile home park in this State other than an area designated as a recreational vehicle lot pursuant to the provisions of subsection 6 of NRS 40.215.

Sec. 5. ~~[~~NRS 40.254 is hereby amended to read as follows:

~~40.254 Except as otherwise provided by specific statute, in addition to the remedy provided in NRS 40.251 and in NRS 40.290 to 40.420, inclusive, when the tenant of a dwelling unit which is subject to the provisions of chapter 118A of NRS, part of a low-rent housing program operated by a public housing authority, a mobile home or a recreational vehicle is guilty of an unlawful detainer, the landlord is entitled to the summary procedures provided in NRS 40.253 except that:~~

~~2. The affidavit of the landlord or his agent submitted to the justice court or the district court must contain:~~

~~(a) The date when the tenancy commenced, the term of the tenancy [,] and, if any, a copy of the rental agreement.~~

~~(b) The date when the tenancy or rental agreement allegedly terminated.~~

~~(c) The date when the tenant became subject to the provisions of NRS 40.251 to 40.2516, inclusive, together with any supporting facts.~~

~~(d) The date when the written notice was given, a copy of the notice and a statement that notice was served in accordance with NRS 40.280.~~

~~(e) A statement that the claim for relief was authorized by law.~~

~~3. If the tenant is found guilty of unlawful detainer as a result of his violation of any of the provisions of NRS 453.011 to 453.552, inclusive, except NRS 453.336, the landlord is entitled to be awarded any reasonable attorney's fees incurred by the landlord or his agent as a result of a hearing, if~~

Amendment No. 61.

SUMMARY—Revises provisions relating to habitual criminals**. . .** **[**~~habitual felons and habitually fraudulent felons.~~**]** (BDR 15-9)

AN ACT relating to crimes; revising provisions relating to habitual criminals**; [**~~, habitual felons and habitually fraudulent felons;~~**]** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law generally authorizes a prosecuting attorney to prosecute a person as a habitual criminal, punishable as a category B felony, if the person: (1) is convicted of petit larceny, a crime which involves fraud or the intent to defraud, or any felony; and (2) has previously been convicted two times of a felony or three times of petit larceny or certain other crimes involving fraud or the intent to defraud. **[**~~Section 1 of this bill provides that a~~

~~person may be prosecuted as a habitual criminal, punishable as a category B felony, if he is convicted of a felony and has previously been convicted three times, rather than two times, of a felony. Section 1 also~~] **This bill** removes the provisions concerning convictions and prior convictions for petit larceny or certain crimes involving fraud or the intent to defraud. **Thus, a person may be prosecuted as a habitual criminal, punishable as a category B felony, if he is convicted of a felony and has previously been convicted two times of a felony.** (NRS 207.010)

Existing law provides that a person may be prosecuted as a habitual criminal, punishable as a category A felony, if the person: (1) is convicted of a felony; and (2) has previously been convicted three times of a felony or five times of petit larceny or certain other crimes which involve fraud or the intent to defraud. ~~[(NRS 207.010) Section 1 of this bill provides that such a person may be prosecuted as a habitual criminal, punishable as a category A felony, if he has previously been convicted five times, rather than three times, of a felony. Section 1 also~~] **This bill** removes the provisions concerning prior convictions for petit larceny or certain crimes involving fraud or the intent to defraud. **Thus, a person may be prosecuted as a habitual criminal, punishable as a category A felony, if he is convicted of a felony and has previously been convicted three times of a felony.** (NRS 207.010) ~~[Further, section 1 eliminates life without the possibility of parole as an option for sentencing for a conviction as a habitual criminal punishable as a category A felony. Finally, section 1 prohibits a trial judge from adjudicating a person as a habitual criminal, whether punishable as a category A or B felony, unless the person has served at least one prison term in a state or federal penal institution. (NRS 207.010)~~

~~Existing law provides that a person is a habitual felon if the person: (1) has been convicted of one of certain enumerated felonies; and (2) before the commission of that felony, the person was convicted two times of a felony included in those enumerated felonies. (NRS 207.012) Section 2 of this bill makes it discretionary rather than mandatory for a prosecuting attorney to prosecute a person as a habitual felon. Section 2 also makes it discretionary rather than prohibited for a trial judge to dismiss a habitual felon count in an indictment or information. (NRS 207.012)~~

~~Existing law provides that a person is a habitually fraudulent felon if: (1) the person has been convicted of a felony which involves fraud or the intent to defraud an older person, a person with a mental disability or a vulnerable person; and (2) before the commission of that felony, the person was convicted two times of a felony which involves fraud or the intent to defraud an older person, a person with a mental disability or a vulnerable person. (NRS 207.014) Section 3 of this bill amends the law in a manner similar to section 2 of this bill with regard to habitually fraudulent felons, making it discretionary rather than mandatory for a prosecuting attorney to prosecute a person as such a felon and making it discretionary rather than prohibited for a~~

Legislative Counsel's Digest:

Existing law provides that an offender who has been convicted of a category B felony is not eligible for residential confinement. **Section 1** of this bill requires the standards adopted by the Director of the Department of Corrections concerning eligibility for residential confinement to provide that an offender who has been convicted of a category B felony is eligible for residential confinement if: (1) the offender is not otherwise ineligible for residential confinement; and (2) the Director makes a written finding that

assigning the offender to residential confinement is not likely to pose a threat to the safety of the public. (NRS 209.392)

Existing law authorizes the State Board of Parole Commissioners to provide for the forfeiture of credits for good behavior of a parolee who violates a condition of his parole and, as appropriate, for the restoration of such credits. ~~[Section 2 of this bill authorizes a court to also provide for the forfeiture and restoration of such credits. (NRS 213.1518)]~~ **Section 4** of this bill ~~[similarly]~~ authorizes a court to provide for the forfeiture of credits for good behavior of a probationer who violates a condition of his probation and, as appropriate, for the restoration of such credits.

Existing law provides that an offender who is sentenced to serve a period of probation for a felony and who demonstrates certain good behavior must be allowed certain deductions from his period of probation. **Section 5** of this bill amends existing law to provide generally that a person who is sentenced to a period of probation for a felony or a gross misdemeanor must be allowed a deduction from his period of probation of: (1) ten days for each month he serves and is current on any fee to defray the cost of his supervision and on any fines, fees and restitution ordered by the court; and (2) an additional 10 days for each month he serves and is actively involved in employment or enrolled in certain programs. (NRS 176A.500)

Existing law authorizes a court to order a probationer who violates a condition of his probation to a term of residential confinement and to direct the person to be confined, for not more than 6 months, to a community correctional center, conservation camp, facility of minimum security or other place of confinement operated by the Department of Corrections for the custody, care or training of offenders, other than a prison designed to house 125 or more offenders within a secure perimeter. **Section 6** of this bill authorizes a court to direct such a person who was placed on probation for a felony conviction to be confined to any of those facilities and institutions, including a prison designed to house 125 or more offenders within a secure perimeter. Further, **section 6** of this bill authorizes the Department of Corrections to select the facility or institution in which to place the person. (NRS 176A.660)

Assembly Bill No. 353.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 209.

AN ACT relating to property; revising the abatement procedures and penalties for a violation of certain state laws that prohibit public nuisances; ~~[providing that those same procedures and penalties apply to a violation of a city or county ordinance that prohibits public nuisances;]~~ expanding the applicability of certain abatement procedures available to a board of county commissioners **;** ~~[to include specifically the abatement of a public nuisance;]~~ authorizing the solid waste management authority in ~~[certain]~~ **all** counties to establish a program for the control of unlawful dumping; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires a court or magistrate to order an abatement of a public nuisance. **Section 1** of this bill additionally requires the court or

magistrate to impose a civil penalty on a person convicted of a public nuisance and provides additional procedures for the abatement of the nuisance, including, without limitation: (1) time limitations on the period during which the person must complete the abatement; and (2) procedures for an agency to abate the nuisance **, at the discretion of the agency,** if the person does not abate the nuisance. **Section 1** also requires that civil penalties collected under this section be deposited in an account used only for abatement **.** ~~[and requires the court to prioritize proceedings brought under this section on the court's calendar.]~~ (NRS 202.480)

~~[~~ ~~Section 2 of this bill: (1) specifically authorizes a board of county commissioners to adopt an ordinance prohibiting a public nuisance as defined in NRS 202.450; (2) provides that a person who violates the ordinance is guilty of a misdemeanor; and (3) requires a court or magistrate to impose the same civil penalties and follow the same procedures for abatement set forth in NRS 202.480, as amended by section 1 of this bill. Section 4 of this bill makes the same changes with respect to city ordinances that prohibit a public nuisance.]~~

Existing law authorizes a board of county commissioners to adopt an ordinance to secure a dangerous structure or condition. Section 2.5 of this bill amends existing law to authorize a board of county commissioners to adopt an ordinance to summarily abate certain dangerous structures or conditions and provides a process for providing the owner with notice of the summary abatement and for judicial review of the summary abatement. (NRS 244.3601)

Existing law authorizes a board of county commissioners to adopt an ordinance to administratively and on its own accord require an owner of a property to abate a dangerous structure, rubbish or noxious weeds. **Section 3** of this bill expands those provisions to apply to the abatement of ~~[a public]~~ **any other public** nuisance as defined in ~~[NRS 202.450 or an]~~ **the** ordinance **adopted by the board** which prohibits a ~~[public]~~ nuisance. (NRS 244.3605)

Existing law authorizes the solid waste management authority in each county with a population of 400,000 (currently Clark County) to establish a program for the control of unlawful dumping. **Section 5** of this bill ~~[lowers]~~ **removes** the population threshold to authorize the solid waste management authority in each county ~~[with a population of 100,000 or more (currently Clark and Washoe Counties)]~~ to establish such a program. (NRS 444.629)

Existing law provides that if a person is convicted of unlawfully disposing certain waste or sewage, a court clerk who receives any civil penalties from the person for the violation must remit the money to the district health department if the health authority initiated the action. **Section 6** of this bill requires the court clerk to remit the money to the district health department also if a person, other than the health authority, who is authorized to enforce the provisions of NRS 444.630 initiated the action for a violation of NRS 444.630. Bill read second time.

The following amendment was proposed by the Committee on Corrections, Parole, and Probation:

Amendment No. 252.

AN ACT relating to crimes; revising provisions making it a crime for prisoners to commit certain acts involving human excrement or bodily fluid; requiring certain law enforcement agencies to pay for certain examinations and testing requested by certain officers and employees who are victims of such a crime; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law makes it a crime for a prisoner who is in lawful custody or confinement, other than residential confinement, to commit certain acts involving human excrement or bodily fluid. (NRS 212.189) This bill expands

the applicability of that crime to include a prisoner who is under lawful arrest. In *Dumaine v. State* (103 Nev. 121 (1987)), the Nevada Supreme Court interpreted the phrase "under lawful arrest" as used in the definition of "prisoner" set forth in existing law (NRS 193.022 and 208.085) to mean that there is an actual restraint of the liberty of the person. The Court stated that one cannot be a prisoner until "one either submits to the control of the arresting officer or is captured, *i.e.,* taken and held in control." (*Dumaine*, 103 Nev. 121, 124) Thus, this bill provides that such a crime applies to a person being arrested if there has been an actual restraint of the liberty of that person because either the person has submitted to the control of the arresting law enforcement officer or the person has been captured.

Existing law also provides that if the victim of such a crime is an officer or employee of a prison, the person or governmental entity operating the prison in which the act occurred is required to pay for certain examinations or tests requested by the officer or employee to determine whether a communicable disease was transmitted to him as a result of the crime. (NRS 212.189) This bill expands that provision by providing that if the victim of such a crime is an officer or employee of a law enforcement agency, the law enforcement agency that employs the officer or employee is required to pay for such examinations and testing requested by the officer or employee.

Existing law prohibits a prosecuting attorney from dismissing charges for such a crime, under certain circumstances, if the victim or intended victim is an officer or employee of a prison. (NRS 212.189) This bill amends existing law to apply similarly in cases in which the victim or intended victim is an officer or employee of a law enforcement agency.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 406.

AN ACT relating to crimes; revising provisions relating to certain crimes involving firearms, ammunition or explosives; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law makes it a crime for a person who is a fugitive from justice to own a firearm or to have a firearm in his possession or under his custody or control. (NRS 202.360) In *Gallegos v. Nevada*, 123 Adv. Op. 31, 163 P.3d 456 (2007), the Nevada Supreme Court held that provision to be unconstitutionally vague in violation of the Due Process Clause of the Fourteenth Amendment of the United States Constitution because it failed to define the term "fugitive from justice." This bill defines the term "fugitive from justice" for purposes of that crime, as well as for purposes of: (1) NRS 202.357, which prohibits the possession of electronic stun devices by, or the sale or giving of such devices to, a fugitive from justice; (2) NRS 202.362, which prohibits the sale or disposal of firearms or ammunition to a fugitive from justice; and (3) NRS 202.760, which prohibits the shipment or receipt of explosives by a fugitive from justice. The new definition of "fugitive from justice" is based in part on the manner in which the term is defined in federal law and in part on the manner in which the term is defined under existing case law in Nevada. (18 U.S.C. § 921(15); *Ex parte Lorraine*, 16 Nev. 63, 63 (1881); *Castriotta v. State*, 111 Nev. 67, 69 n.2, 888 P.2d 927, 929 n.2 (1995))

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 202 of NRS is hereby amended by adding thereto a new section to read as follows:

As used in this chapter, unless the context otherwise requires, the term "fugitive from justice" means a person who has been found in this State after:

1. Being charged in another state with the commission of a ~~[crime]~~ felony and fleeing from that state to avoid prosecution for the ~~[crime;]~~ felony; or

2. Fleeing from another state to avoid giving testimony in any criminal proceeding.

MESSAGE TO THE LEGISLATURE OF NEVADA
SEVENTY-FIFTH SESSION, 2009

Madam Speaker, Majority Leader, Lieutenant Governor, Senator Raggio, Ms. Gansert, friends, colleagues, all of you, I am delighted to be back in Nevada. Thank you so much for welcoming me here. It is also very nice to see my colleagues from across the way and the Executive Branch. Thank you, too, for coming.

You know, I spent a lot of sessions here, right in this building, working with many of you on lots of different issues. It feels good to be back. It was really something yesterday to get inducted into the Hall of Fame along with Senator Joe Neal. It is nice to see him back, too. It was great. It was such an honor. I heard Senator Horsford very graciously acknowledge me as his mentor, and then Senator Raggio said, "Yes, and she was my tormentor." I figure that I must have been doing my job. I like that. And I loved every single minute of it, so thank you all for that good time. During my time here, I also sat through a lot of these addresses from members of Congress who came back to tell us what was going on in Washington, D.C. I very much appreciate your courtesy and your attention and your allowing me to do this. I do not want to take advantage of it, and I know how you feel so I will be short. I hope that gets me off on the right track.

This is a great tradition, though, and I am glad to be back to tell you what's going on in Washington, D.C. and some of the things I have been working on.

It is troubling times that we are in, and I know I don't have to tell you that. The challenges are great, but the optimism is high. I believe that people really want us to take action, as a government, and to get things done. They do not want us to just say, "No" and "Isn't it awful?" but rather to participate in trying to make a difference and take us in a direction of change. That's why this 111th Congress got off to a really good start. We hit the ground running just as you did here in the Legislature. I think we have done a lot of things to help address this economic situation that is crippling the state and the country.

Just in the first 100 days, we passed a SCHIP (State Children's Health Insurance Program) bill, the Lilly Ledbetter workplace nondiscrimination bill, the Serve America Act, the Omnibus Spending Bill from last year, and the American Recovery and Reinvestment Act, also known as the stimulus package. We didn't get into this hole overnight, and it is going to take a while for us to get out of it. But with some time and hard work and that kind of energy at the onset, I believe we can reverse this economic slide and start to turn things in a new direction so we can rebuild confidence, security, and growth.

As the President said yesterday, even though there are some small signs of the recovery—with us maybe starting to turn a little or at least having hit bottom and maybe moving in the other direction—the stark reality is that we are going to continue to face difficult times. It is going to take some patience and hard work before we see the recovery in Nevada begin to take effect.

Now, I know you have already heard from Senator Reid and Congresswoman Berkley about a lot of the details that are in the stimulus package, but there are a couple of things that I just want to share with you and highlight because I think they are important and they are impacting the state.

As you struggle to balance the budget in this Legislature without devastating those essential programs that people need and the services they rely on, I want you to remember that $1.5 billion is slated for the state as a result of that stimulus bill. And so I beseech you not to leave any of that money on the table because if you do, that money will just go to other states. Nevadans drastically need it. This isn't a liberal or conservative issue. This isn't a partisan

issue. This is a Nevada issue, and those dollars need to come to the state for those needed programs and so I ask you to take advantage of it. In addition to those dollars that are coming, other parts of the stimulus package that I believe will help the state include the fact that on April 1, 2009, nearly one million hardworking Nevadans began to see more money in their pockets from their paychecks as a result of the Making Work Pay tax credit that took effect. Workers will receive up to $400 per individual and $800 per couple. Also, next month recipients of social security and SSI (Supplemental Security Income), as well as veterans, will receive a $250 check in the mail. Stimulus dollars will also help with the state's growing Medicaid burden and will allow for the extension of unemployment benefits which are needed at a time when unemployment in the state is at a 25-year high.

During these tough economic times, I believe that these kinds of programs have put more money into people's pockets here in Nevada and can have a great impact on families who are struggling just to make ends meet and small businesses that are struggling to keep their doors open.

In addition to the stimulus package, Nevada will soon see the impact of $270 million that is coming to the state for what we have heard a thousand times—shovel-ready transportation and infrastructure projects. There is another $72 million to promote weatherization and energy efficiency programs. This money will create jobs, and they are jobs that cannot be outsourced. It will put Nevadans back to work. The weatherization money will also save Nevadans money of their own by making their energy bills lower. This is tied to the green jobs emphasis. Green jobs must be a significant part of our efforts to move Nevada towards a new economy, a new direction that diversifies the economy that we have and help to create additional jobs. I know this has been a focus of this legislative session, and I applaud the Senate Majority Leader for his bill that recognizes the importance that green jobs can have on Nevada and the need for training in this area.

One of the most serious crises and challenges that I am working on in Washington, D.C. has to do with housing. Again, I do not need to tell you this, but the housing crisis in Nevada is one of the worst in the country. I am encouraged by the first steps that have been taken by the Obama Administration to help homeowners in trouble. The President has created two new programs that I would encourage Nevadans who are struggling to make their payments to look into. We are having a big housing forum this Saturday to get this information out. I know the state is doing likewise. Nonprofits are doing the same thing. This loan modification and loan refinancing program can dramatically help many Nevadans.

If you combine this with the state program that I know the Speaker is working on, to require mediation between homeowners and mortgage lenders, I think together we can start to make a difference with this foreclosure problem. However, the programs will not be effective if people do not know about them. A lot of Americans do not understand what is available, what they qualify for, and how to go about receiving assistance. I am currently working on legislation that will notify homeowners, require the mortgage companies to notify the homeowners about the different programs that are available and which ones they might qualify for. When this passes, not only will it clearly explain the steps for receiving this assistance, but it will also help protect people from the scam artists that we know are preying on those who are the most desperate for help.

The foreclosure crisis in Nevada, though, is one of the most drastic in the country. It is going to take drastic action to fix. Some of these programs that help the problem generally will not help Nevadans because about 48 percent of the people are underwater on their mortgages, and many of them are at more than 105 percent. There was a study done recently that looked at the top 20 zip codes in the country where the foreclosure problems are the worst. Eleven of the top 20, nationally, are in Congressional District 3—the suburbs where growth occurred so drastically. This is a critical problem for me. I will continue to work with Washington, D.C. so that they know one size does not fit all. States like Nevada have special needs and will need special attention.

Another area of importance to the state is transportation. Our economy depends on bringing goods and people from outside, from other parts of the country and other parts of the world, here to Nevada. We want those tourists to come. We do not especially care if they do not leave, but we have to get them here, so transportation will be very important. As many of you know, I was

able to get a seat on the highly sought Transportation and Infrastructure Committee. It was the one that was the most requested because this is the session when we will be taking some very drastic action in that committee. We are going to begin next week, when Congress goes back into session, constructing and crafting the new surface transportation authorization bill. This will replace the SAFETEA (Safe, Accountable, Flexible, Efficient Transportation Equity Act) bill which expires in September. This is something that everyone wants to be involved in because this will involve the allocation of so many dollars for highway projects to the state. We have a real opportunity in Nevada to make our transportation system safer, less congested, and more energy efficient. At the same time we do this, we can have a major impact on economic development because, again, these are the projects that will create jobs. I would urge you, as a legislature, to play a very active role in where these dollars go and what projects should have priority. Do not leave this to a handful of bureaucrats, but rather be involved in that process.

As the committee moves forward in crafting this legislation, I would ask you please do not be shy about calling my office and telling me what Nevada needs because this authorization does not come along very often. We have to take advantage of it. I promise that I will be an advocate for the whole state as we move forward with this important bill.

Another committee that I'm honored to serve on is the House Education and Labor Committee. That seemed a natural with my background. I have several goals as a member of that committee. I hope, basically, that we can provide opportunities for growth over a lifetime—K-12, college, and then job training. The first challenge—and I know, again, that you are working on this as well—is reforming No Child Left Behind. We all know the problems. No Child Left Behind has kind of become an empty promise, and we have left too many children behind, especially in fast growing states like Nevada. We have heard it from teachers, administrators, parents, and even the students themselves tell us that it is little more than a slogan, as opposed to the fulfillment of a real promise. I think the goals are worthy. We need accountability. Everyone deserves a quality education, but I do not think we are doing it the right way, and I look forward to working with all of you as we reform that act.

I have spent the last 30 years—I get reminded of it, with 30 years sounding like a long time—teaching at UNLV and working with students. This is a great concern of mine, especially in this economy. I see too many students burdened down with debt. As they lose their jobs or their hours are cut back, it is even harder to pay for college. The cost of college is also increasing. In Congress, I was pleased to support the measure that will help with the cost of college by giving a $2,500 tax credit for college expenses and also increasing Pell Grants. I am asking you, please don't cut higher education to the point that students won't have anywhere to go or won't be able to learn or experience much when they get there. And let me be very clear on this point because there has been some confusion about it. My support for a waiver that would help Nevada during these tough economic times—in case you can't meet the federal requirements for getting the education stabilization funds—by no means is an indication that I think we should not fund and support education. Because I would never want you to shortchange education, so don't think my support of the waiver is an indication of that. It is not, because I believe education is the key to our future.

We have to be interested in job training and this economy in Nevada. Many of people in the jobs that were prospering are now finding themselves on the streets. People who were in tourism or who were in construction now need to look for new skills so that they can find new jobs in the new economy, and that is another emphasis that we need to focus on.

My third committee is Homeland Security. I am excited to sit on this committee because there is never a discussion anywhere on television or elsewhere when they talk about targets that Nevada isn't mentioned in that conversation. For that reason, I think I bring a unique voice to the discussion. Las Vegas is unlike any other city on the planet. In just one block of the district, you have the Eiffel Tower, the Pyramid, and the Statue of Liberty. All the world is condensed right there on one street. We have thousands of guests from around the world in just a few square miles. I am proud to tell my colleagues in Washington, D.C. about what wonderful amenities our hotels and convention centers offer. We want them to come, not just to Las Vegas, but throughout the state. Everyone has heard about the good times we have here and the wonderful shows and the food and the 24-hour entertainment. In just the last year, as we learned from the attack in India, a tourist center can also be a target for our enemies.

Since January, this committee has held hearings about preventing another Mumbai-style attack and securing out nation's skies. The new issue is keeping cyberspace safe. In addition, we are conducting some field studies along the border to look at the intensity of violence and the problems there with Mexico.

Nevada offers a lot to the Homeland Security Committee. I hope to bring them out for a field hearing so the members can see just what is going on in the state, and we can share with them what we do here. Of course, at the Nevada Test Site, for example, they have already trained 60,000 first responders from around the world on how to respond to an incident involving a weapon of mass destruction or some other chemical kind of incident. The individuals trained at the test site would be pivotal in the event of an emergency situation and could respond to a potential crisis anywhere in the world. As a matter of fact, our test site is the only place in the world where they have the opportunity to train in such a realistic environment. I look forward to working to enhance that aspect of that special facility we have in this state.

Also, when the committee comes out, I want to go "back of the house" in some casinos because our casinos also provide a vantage point into the future of security technology. These establishments use cutting-edge technology, state of the art equipment for surveillance and for security and they have some of the best trained personnel anywhere. They are very well equipped to keep thousands of guests safe, day or night, in many different kinds of circumstances. Our hotels and conference centers are also great models for preparedness. I believe that the government could learn from our private sector about some of the ways to help keep our nation safe.

It is those three committees that I am working on. I got a waiver for the third, but I believe all three will be closely related to things that you are doing in the Legislature and things that can work to the benefit of Nevada.

As a member of this Legislature for 20 years, I understand the challenges and constraints you are facing. These are extraordinary times. I know that the tasks ahead are going to require bold and creative action, both here in Carson City and in Washington, D.C. So let us not forget that although we are thousands of miles apart on most days, we are partners in this effort to create a strong Nevada on every day.

I am very proud to be representing Nevada in Congress at this historic and exciting moment. I assure you that I am working very hard for the people in this state. It is not a 9 a.m. to 5 p.m. job. I have learned that it is exactly a quarter of a mile from my office to the place where I vote on the floor. That is a lot further than it was when Senator Raggio bumped me up to the second floor here in the Legislative Building. I am there because I want to work hard and make a difference. I also want to assure you that although, technically, I represent the third district, I will always be an advocate for the entire state. I hope you will remember that and call on me, regardless of which county you might be from, because I know that only by working together can we have a strong state and federal partnership for the good of the people in Nevada.

I want to thank you for all the hard work that you are doing here on behalf of the people. I want to thank you, also, for welcoming me back so warmly and making me feel like I am a little missed, at least. I hope now that you will come back to see me in Washington, D.C. and let me return the hospitality. The latch string is always out. Thank you.

GENERAL FILE AND THIRD READING

Assembly Joint Resolution No. 7.
Resolution read third time.
Remarks by Assemblymen Aizley, Gansert, Smith, Cobb, Pierce, McClain, and Mortenson.
Assemblyman Oceguera requested that the following remarks be entered in the Journal.

ASSEMBLYMAN AIZLEY:

Thank you, Madam Speaker. Assembly Joint Resolution 7 proposes to amend the Nevada Constitution by repealing Section 24 of Article 4 which prohibits the state or any political subdivision thereof from conducting a lottery. If approved in identical form during the 2011 Session of the Legislature, the proposal would be submitted to the voters for approval or disapproval at the 2012 General Election.

In looking up information about the lottery, I find that every argument I've seen for has a counter argument against the lottery. No matter what statement I hear people making, there is always a counter statement that contradicts those statements. For example, when I introduced the bill in committee, I introduced it as the bill that never dies. I heard someone in the back of the room say, "No, it's the bill that never lives." I think it is time to have the people of Nevada decide whether or not they want a lottery. The only statistics I will present to you are that there are 43 states that have lotteries now— Arkansas being the last to join. There are 34 states with casinos, and there are 30 states that have both lotteries and casinos. For a little bit of history, I found the first lottery was 100 B.C. introduced by the Han Dynasty in China, and the proceeds went to build the Great Wall. I request your support.

ASSEMBLYWOMAN GANSERT:

I appreciate the comments from the Assemblyman from Clark County because I know there is for and against. I have been here when we have voted on this three different times. If there is ever a time for a lottery, I would say that this is not the time. Our gaming companies in this state are hemorrhaging; they are having such a difficult time. They are the major industry, they are

the major employer. My fear would be that we would cannibalize what they bring to our state as far as revenue. They also have put such great investment in our state as far as infrastructure and their buildings and so forth. There is such a large industry in our state, and I would hate at this time to cannibalize them. I know that many of us supported IP 1 to try to get more money to education, and I was one of those people. So I think right now is not the time to ask for anything else.

ASSEMBLYWOMAN SMITH:

Thank you, Madam Speaker. I rise in support of AJR 7. This gives the people the right to decide, and then the people have the right to decide whether they want to participate in the lottery. I am so frustrated because I hear day after day after day about our inability to adequately fund our education system. I think this is a very reasonable avenue to do that. First of all, let's let the people decide if that is a choice that they want to make. I hear from my constituents on a regular basis that this is a reasonable idea. I happen to believe that there are very different people who will participate in buying lottery tickets than may participate in regular gaming. I know that as my colleague, the sponsor of the bill, said, you can hear arguments on either side. We need to find additional revenue sources for our education system. We know today that we are hundreds of millions of dollars short of even being able to fund an inadequate budget today. I want to give the voters in my district and this state the opportunity to have this choice, to say that yes, this is a reasonable idea for us to have a new source of funding for our woefully funded education system.

ASSEMBLYMAN COBB:

Thank you, Madam Speaker. I rise in opposition to AJR 7. In testimony, one of things that really caught my attention was the fact that a lot of the small tavern owners and those types of operations are really hurting right now in this current economy with some of the consequences of the smoking ban as well as the natural consequence of our economic downturn—with unemployment over 10 percent. We heard testimony that in California, they are moving more towards the electronic-type games to try to get more people to join in on the lotteries because they are waning in terms of their popularity. That is the same market of individuals that go into these small taverns, and small operators help employ people as waitresses, greeters, busboys, you name it. I think that we have to realize that if we are going to be supporting a gaming-type operation through the state, we are going to be hurting those that actually employ our fellow Nevadans. I would agree with my colleague from District 25; this would not be the time to be doing that and taking away from those who would actually help employ more people in our economy.

ASSEMBLYWOMAN PIERCE:

Thank you, Madam Speaker. We've heard over and over in this discussion that the most lucrative places that California sells their lottery tickets is on the Nevada border. Nevadans do support lotteries, and I happen to be a Nevadan who has a California lottery ticket in my pocket. I support this, and wish me luck tonight.

ASSEMBLYWOMAN MCCLAIN:

Thank you, Madam Speaker. I was one of those lonely little freshmen that brought that bill back in 1999—I got slam dunked pretty good. Ever since then, it has come back in one form or another. If you look at the polls taken every session when the lottery comes up, the public support is 70 percent and above. I think they recognize that this is not casino gaming, it is not going to hurt the casinos. In fact, if the casinos would embrace it, they would actually make more money from it because any establishment that sells lottery tickets actually gets a cut of the sales, and then if somebody in that establishment actually wins, they get a big cut of the winnings. I have always said it is just so silly that we don't have a lottery, but when you think about when the Constitution was written, a lottery in those days is not what we think of as a lottery today. The lottery in those days was simply a sham or a shell game of some sort. When we copied California's Constitution, we copied that part of it. I would urge my support, and I appreciate my colleague to the west of me for bring the AJR 7 forward.

ASSEMBLYMAN MORTENSON:

Thank you, Madam Speaker. I just want to remind you, we can argue whether this is good or bad for the people all day long, but we are not going to make that decision. We are deciding here whether to give this to the people to make a decision, and I am always for that. I think most legislators should feel that their constituents have the right to make a decision of this nature.

Assembly Joint Resolution No. 10.

Resolution read third time.

Remarks by Assemblymen Buckley, Goedhart, and Carpenter.

Assemblyman Oceguera requested that the following remarks be entered in the Journal.

ASSEMBLYWOMAN BUCKLEY:

Assembly Joint Resolution 10 urges Congress to deed BLM land to the State of Nevada for the development of renewable energy projects. Nevada is in a unique position with regard to renewable energy. We have the wind, the sun, geothermal, and biomass. You name it; we have an abundance of natural resources that has us uniquely poised to be a leader in the new green energy economy. What will help us jump-start this spot that we have is if we are able to secure land to promote these projects. Sixty-seven percent of the land in Nevada is owned by the BLM. Why not get some of this land to do some pilot projects throughout the state? We could secure a number of goals. We could jump-start renewable energy projects, creating jobs that could help our economy. We could reclaim some of our land, taking it away from the federal government and deeding it to the state.

Several years ago I worked on a project with Senator Reid where Senator Reid secured two parcels of BLM land. They were given to the City of Las Vegas, and we built the first nonprofit, affordable assisted-living project called Silver Sky in Las Vegas. We did a request for proposal, we worked with nonprofit developers, and now we have a beautiful facility setting the template of how this could be done. If you are able to reduce the land costs, you're able to jump-start projects that would have not been able to go due to lack of financing, especially in these times.

If you ask renewable energy developers what is their biggest holdup in getting projects off the ground, it's land. Congress is devoted to trying to streamline that process, but in the meantime if we could secure a few pieces of land, and we do a request for proposal, we could get these projects off the ground much quicker.

I toured the state talking about innovative ways to do business to help our economy and to create jobs. As soon as we create more jobs, we are going to have less fiscal problems as a state.

This idea really resonated with people. So I bring this resolution forward as a way to further our place in establishing us as a leader in renewable energy and as a way for us to create jobs and deprive the federal government of a little bit of our land. I urge your support.

ASSEMBLYMAN GOEDHART:

I rise in support of AJR 10. In rural Nevada it is even worse that 67 percent. In Nye County, 98.1 percent of the land is federally controlled. In Lincoln County, it's 96 percent, and in Esmeralda County it is 98.6 percent. One of the biggest impediments to realizing the potential Nevada has in terms of renewable energy is exactly that: access to land. I know about it from first-hand experience, when we were trying to buy about 400 acres from the BLM. After seven years I finally succeeded in getting the BLM to sell us a 400-acre piece of land that we owned property on three sides of. My brother said to me, "Ed why did that take so long?" I said, "If you look back at Amargosa Valley, that was the first piece of land that we were able to privatize in over a third of a century, outside of an act of Congress supported by our Senator, Harry Reid." So I think that this takes us a step in the right direction. It will allow us to capitalize on the assets that Nevada has, and I urge your support.

ASSEMBLYMAN CARPENTER:

I stand in support of AJR 10. Anytime we can get some land from the federal government, we better do it. The only thing is that this resolution doesn't go far enough. We ought to ask for 100 percent. That would be a better kind of deal. I agree with everything that the Speaker said, and hopefully someday, although I won't be here, there will be a resolution coming through this house that will say we finally got some land back from the feds. Thank you.

Assemblyman Oceguera requested that the following remarks be entered in the Journal.

ASSEMBLYMAN ANDERSON:

Thank you, Madam Speaker. Assembly Bill 190 requires the Audit Division of the Legislative Counsel Bureau to conduct a staff study of the fiscal costs of the death penalty in

Nevada. The study must examine the cost of adjudicating capital cases as opposed to noncapital cases and must include the cost to the state and to the local governments at each stage of capital murder case proceedings. The Legislative Auditor shall submit a written report of the findings to the Director of the Legislative Counsel Bureau on or before January 31, 2011, for consideration by this body.

ASSEMBLYMAN COBB:

Thank you, Madam Speaker. I rise in opposition to A.B. 190. This bill has been greatly amended. I still have a concern about this bill in terms of studying the cost of the death penalty. Although it was vetted in committee and the intent was put on the record that not only the cost of the death penalty, but also the potential cost savings of having the death penalty on the books should be part of the overall study, it has already been stipulated by law enforcement that it does cost more to try a death penalty case versus a nondeath penalty case. It is just a fact of life. To repeat the studies that have already been done in other jurisdictions to reach the same result, in my opinion, is a waste of money, and so we stipulate to the fact that it does cost more to prosecute a death penalty case versus a noncapital case. We believe, however, that there is cost savings involved with having the death penalty on the books when you look at pleading people out instead of taking them all the way through any type of trial. We already know what the result is going to be. I don't believe that this is necessary.

ASSEMBLYMAN SEGERBLOM:

Thank you, Madam Speaker. To address the comment from the gentleman from northern Nevada, this bill will allow just that and fully weigh the cost of people not going to trial, which the death penalty may encourage or discourage, along with the costs saved by trying to prosecute people using the death penalty. Testimony was very strong that the death penalty is costing a fortune, and to study the cost is the minimum we can do. I urge support of the bill.

Remarks by Assemblymen Goicoechea, Grady, and Madam Speaker.

Assemblyman Oceguera requested that the following remarks be entered in the Journal.

ASSEMBLYMAN GOICOECHEA:

Thank you, Madam Speaker. Assembly Bill 226 increases the maximum allowable debt for an irrigation district from $350,000 to $500,000 and allows the irrigation district to impose an assessment of up to $5 per acre for deposit into a capital improvement fund. Presently, an irrigation district may also impose an assessment up to $1.50 an acre for ordinary expenses of the district. The total of that assessment cannot exceed the $5 limit. The bill also removes the cap on the amount of money that may be spent in cases of necessity for construction or repair.

This is enabling legislation for three districts: the Truckee-Carson Irrigation District (TCID), the Pershing County Water Conservation District (PCWCD), and the Walker River Irrigation District (WRID). Chapter 539 is a rather old section of law that needs a little bit of updating. In the case of the monies that could be spent out of necessity, in an emergency measure, that amount was set at 5 cents per acre. In the case of Pershing County, that wouldn't buy you a culvert. The assessment has not been changed in over 35 years. These districts really need the money to address the issues like the Fernley canal and the Rogers diversion in Pershing County. I ask for your support. We need to help them rebuild.

Madam Speaker requested the privilege of the Chair for the purpose of making the following remarks:

I heard some concerns that this measure might be seen as waving the white flag in terms of getting money from the federal government for the Fernley flood. Can you respond to that a little bit and tell me how much you think this would raise in terms of trying to fix things the way they need to be fixed?

ASSEMBLYMAN:

I understand what some of those concerns are. I have been working with some of the constituents in the Fallon area and TCID. Clearly, the TCID Board feels that they need to have the ability in place. If they need to generate the money, especially as match money, to rebuild the Fernley canal, they need this mechanism in place for the $5 per acre capital improvement fund. Again, it is only enabling. It gives them the ability to meet those needs.

Madam Speaker requested the privilege of the Chair for the purpose of making the following remarks:

They won't be able to meet these needs, though, with this amount of money. We need help from the federal government, as well. Correct?

ASSEMBLYMAN GOICOECHEA:

That is correct. Presently, there is $2.5 million that has been funded on the federal side to do a study of the rehab of the Fernley canal. That is a concern to all of us. I understand today that they reduced the flows in the Fernley canal from 300 cubic feet per second to 250 cubic feet per second. If we cannot get more water across there, especially in these drought years, we are going to be in big trouble as far as irrigation in the Lahontan Valley.

ASSEMBLYMAN GRADY:

Thank you, Madam Speaker. I rise in support of this. To answer your earlier question, what money they could raise in the TCID will not even touch the Fernley canal. They are going to need considerable help from the federal government to get that canal fixed. Thank you.

Remarks by Assemblymen Smith, Carpenter, Anderson and Madam Speaker.

Assemblyman Oceguera requested that the following remarks be entered in the Journal.

ASSEMBLYWOMAN SMITH:

Assembly Bill 232 provides that the term of a member of the Interim Finance Committee or the Legislative Commission who does not run for reelection or who is defeated in the general election ends on the day following the general election. Vacancies on the Interim Finance Committee are to be filled by the Speaker of the Assembly or the Majority Leader of the Senate. Vacancies on the Legislative Commission are to be filled pursuant to the applicable joint rules of the Assembly and the Senate. The bill becomes effective October 1.

This became apparent in the last interim when we had special session and Interim Finance Committee meetings related to our budget shortfalls, and we realized that the current statute allowed members who were not returning to the Legislature to be able to attend as IFC members and potentially make budget decisions.

It seemed appropriate that the IFC and the Legislative Commission should also function with the same provisions.

ASSEMBLYMAN CARPENTER:

Do the same criteria apply to those of us that are term limited out? Because I need to know when to apply for my retirement.

Madam Speaker requested the privilege of the Chair for the purpose of making the following remarks:

The way the bill is written, Mr. Carpenter, is that yes, it would apply because you are no longer a candidate for reelection. So following the election, the day after the election in November is when you would no longer be able to serve on the Interim Finance Committee or Legislative Commission, and an alternate would have to be appointed. Up until that time, you still serve in the Assembly. You are still a member, and so during that year you would still be permitted to serve. It is following the election day that it would kick in, and I think the reason behind it is because the day after the election, the new term starts for the future legislators.

ASSEMBLYMAN CARPENTER:

So you could serve on an interim committee, is that right?

Madam Speaker requested the privilege of the Chair for the purpose of making the following remarks:

Yes, you could. You could serve during that year because you are still within the term of your office. Otherwise, your constituents would be deprived of a representative. This would only take effect the day after the election.

Assemblywoman Smith, is that correct?

ASSEMBLYWOMAN SMITH:

Thank you for the opportunity to respond to my colleague from rural Nevada. Absolutely. I made that extra effort in my floor statement to indicate that it is the day after the election, because everyone still serves until that time, and that is when the new legislators take over.

I regret to inform you that you are obligated and can't file for your retirement until the day after the election.

ASSEMBLYMAN CARPENTER:

Thank you. Probably some of my constituents would just as soon that I wasn't there.

Madam Speaker requested the privilege of the Chair for the purpose of making the following remarks:

I don't think so.

ASSEMBLYMAN ANDERSON:

My colleague from rural Nevada reminded me that he serves on an unusual committee that is made up predominantly of nonlegislative members, unlike our interim committees. Are committees like the sentencing commission affected similarly? It often meets after the election date, or at least it has in the past.

ASSEMBLYWOMAN SMITH:

This bill only provides for those two committees because they are two that are truly making decisions that effect the budget and regulations. This bill is limited to Interim Finance Committee and Legislative Commission. It did not deal with any of the other interim committees.

ASSEMBLY PROCEEDINGS 1163

THE SEVENTY-FOURTH DAY

CARSON CITY (Thursday), April 16, 2009

Assembly called to order at 11:24 a.m.

Madam Speaker presiding.

Roll called.

All present except Assemblyman Hardy, who was excused.

Prayer by the Chaplain, Pastor Albert Tilstra.

O Lord, we in this place are weighed down by the problems of our state, nation, and world. Convict us of our share of personal responsibility for the situation in which we find ourselves. May we confess our part in creating our dilemmas, lest we feel no obligation to solve them. Help us to quit waiting for the other person to change his or her attitude and ways, lest we never give You the chance for which You have been waiting, to change us. This we ask in the lovely name of Him who came to change us all.

AMEN.

Pledge of allegiance to the Flag.

Assemblyman Conklin moved that further reading of the Journal be dispensed with, and the Speaker and Chief Clerk be authorized to make the necessary corrections and additions.

Motion carried.

John Ensign, United States Senator, delivered his message as follows:

MESSAGE TO THE LEGISLATURE OF NEVADA
SEVENTY-FIFTH SESSION, 2009

Thank you Madam Speaker and distinguished leaders, fellow legislators, and honored guests. It is wonderful to be back here. This is a great tradition that we have in the State of Nevada, being a smaller state and having all of our federal legislators being able to come before our State Legislature and be able to address you once every two years. I stand before you as a fourth generation Nevadan, and I am mindful of the chapter being written in our state's history. I am optimistic that the lesson of this challenging time will ultimately be one of resilience. It will be a story of how we launched a new era of opportunity in our great State of Nevada.

In nearly 145 years, our state has witnessed times of unprecedented growth and times of great challenge. Today, we are facing difficult times that require really tough choices and strong leadership. But we know from history that more plentiful times are as close as our vision allows. The thread that has always pulled us out of the difficult times has been a spirit of innovation that seems to breed in our state. Mining has been a bedrock of our country from the early days of Dayton and the Comstock and is still doing extremely well today. The construction of Hoover Dam in 1931 pumped millions of dollars into the local economy. That year we also ended the ban on gambling, which was a major boost to the economy and still exists today. Large-scale federal efforts also seem to flock to Nevada, like the Army Air Corp Gunnery School that became Nellis Air Force Base, which was created in 1941; Stead Air Force Base in Reno, created in 1942; and the Naval Air Station in Fallon. And in 1950, construction started on what would become the Nevada Test Site. With these projects came thousands of civilian and military workers. Their benefits continue to pay off today. Nellis Air Force Base is an example. It has pumped hundreds of millions of dollars into the economy of southern Nevada.

With the resources that we have available in our community colleges, our universities, and our facilities such as the Desert Research Institute and the Nevada Test Site, we should be opening new doors of opportunity and leading the way in renewable energy growth and development. It is time to take Nevada and make it the epicenter of scientific and technological advancement.

I was excited this week to host a renewable energy grant workshop in Reno. We had nearly 400 Nevadans who participated to learn about the grant and loan opportunities and the new changes in the tax laws that are available for renewable energy. This is a significant sign that the people of this state are embracing our new role in the future of renewable energy and are excited about its possibilities. We are definitely witnessing a change in our landscape. The era of Yucca Mountain is, by most accounts, over. For years we chipped away at the funding, and we screamed and shouted when the Department of Energy ignored science and was less than forthright. We used the justice system to keep the process open and accountable. We worked together, Republicans and Democrats, to ensure that we wouldn't be the dumping ground for the rest of the country's nuclear waste. I am looking forward to a time in the very near future when we come together, not for a ribbon-cutting ceremony at Yucca Mountain, but to put the final nail in the coffin of Yucca Mountain.

Yucca Mountain is part of our past, and a bright new future is on the horizon. More and more solar panels are popping up across our deserts. Windmills are proposed across several parts of our state, and geothermal is surging in places like Reno, Fallon, and the Dixie Valley. Several years ago, we changed the way the proceeds from geothermal energy leasing were distributed. I think that was your bill, Governor Gibbons. They were modeled after the onshore oil and gas leasing system which has so greatly benefited states like Alaska. Right now, Nevada gets about 75 percent of the proceeds derived from the sale of geothermal electricity. There is no reason why we shouldn't benefit from solar and wind projects, as well. So that is why, next week, I

will be introducing in the U.S. Senate the Renewable Energy Permitting Act. States like Nevada, with tremendous renewable energy resources and an abundance of federal land, should be able to share in the proceeds from solar and wind development. With the formula that we will utilize, the State of Nevada and local governments will be able to collect millions of dollars in revenue. I think that should be good news to bodies like this in the future.

My greatest concerns as we lay the groundwork for this new era of opportunity in Nevada are whether we will we have the scientists, the engineers, the inventors, to sustain the kind of innovation that we want to be capable of. The time has come to make waves in Nevada education. We need to shake the system to its core and to rebuild the fundamentals of the classrooms in schools. We have to do this so our students have the tools that they need to take this state beyond just words of ambition. The defeatist attitude that says that we can't change is not acceptable. And no longer can we put special interests in front of educating our children. It is time to put the students first in more than just rhetoric.

We have some tremendous examples of what happens when we give first-class educators ownership of their schools. In Las Vegas, the writing was on the chalkboard for West Middle School just a few years ago. This school was persistently dangerous and consistently the lowest performing middle school in all of southern Nevada. One hundred percent of the students came from low income households, and 92 percent of the students were either black or Hispanic. These children had not just been left behind, their futures were sort of swept under the rug for someone else to deal with. Fortunately, there are educators who will never settle for that. Associate Superintendent Dr. Edward Goldman asked to take the school under his belt. He hired a young, hungry principal named Dr. Mike Barton and made sure that the school had empowerment-level funding. He also gave Dr. Barton tremendous reign over the school. That was in April of 2006. Today, the campus known as West Prep is a study in education innovation. They extended the school day by an hour and provided a third semester of voluntary summer school, which 40 percent of the kids voluntarily signed up for. The students wear uniforms. There is a newcomer track for students who are new to the United States and aren't proficient in English. Science and math classes are divided by gender. There is a law enforcement class that collaborates with the FBI, and a men-mentoring-men program. Both are keeping kids out of the dean's office, and students feel safe to go to school. Most importantly, they are finally learning.

When I visited the school, there was a chemistry lab. There was a young, African American girl there who looked really excited to get into her experiment. I walked up to her and said, "Can I interrupt you just for a moment?" She was there before the changes were made in the school. I asked, "What is the difference between now and what it was like before?" She responded, almost shockingly, to me. "The difference is, today, we get to learn." The test results in this school reflect that learning. The school has seen phenomenal test score growth, but there is still a lot of work to do. But there is a "can do" feeling in that school that has spread throughout the whole community. The school has expanded to the eleventh grade and will graduate its first senior class next year. Dr. Barton was given the freedom to lead the school. He isn't tied down by bureaucracy. He spends most of his time in the school as opposed to going to school district meetings, which, if you have talked to school principals, they go to almost every single day.

By the way, he can get rid of teachers that are bad. As a matter of fact, when he took over the school, out of the 65-plus teachers they had at the school—before he would take over the school, it was one of the things he asked for—he wanted the teachers that actually wanted to teach. He kept about eight of them. The rest of them he recruited from around the rest of the valley, and they want to be there, helping in this education innovation. Now he has a team in place that he knows will motivate his students and help them reach their potential.

We are fortunate to have many talented educators leading our schools and in our classrooms, such as Carrie Larson of C.T. Sewell Elementary School in Las Vegas and Gayle Magee of Empire Elementary School right here in Carson City. They were both recognized last year with the prestigious Milken Educator Award. Unfortunately, not enough of them are given the freedom to make a real difference, though, in our children's lives. Some of the most proven methods of improving education are to give schools more freedom, give parents more choice, and inspire students to learn. The one way to do that is to encourage competition in our

educational system. Less than a decade ago in New York City, two out of three public schools were underperforming and graduation rates were unmoved. Under a mayor-controlled system, charter schools have expanded now from 20 to 100. With increased competition, test scores have improved, and 10,000 additional students are now graduating. In addition, the gap between African Americans and Hispanics and whites and Asians is decreasing. Arnie Duncan, our new Secretary of Education under President Obama, recently visited New York City. Based on data on charter schools, he said, "Graduation rates are up. Test scores are up. Teacher salaries are up. Social promotion was eliminated. Dramatically increasing parental choice—that's real progress."

New York City is just one of the many communities that is shaking up education, in order to improve opportunities for their students. Washington, D.C. was another one. I led an effort last month to reinstate funding for the District of Columbia Opportunity Scholarship Program, which has provided vouchers for 1,700 poor children in Washington, D.C. It is a five-year-old program. The average income of recipients' families is $23,000 a year. The overwhelming majority of them are minorities. For these students, the program is a lifeline. I had the privilege of meeting many of these students, and they are incredible kids. They are able to escape the dangers of failing schools and start planning for a future that they otherwise could not even dream of. Unfortunately, special interest politics have derailed those dreams. An effort to extend the program was killed in the U.S. Senate. Those 1,700 kids who dared to think beyond their situation now may be forced to return to their failing schools. But the lessons of that program and the children and their experiences will prevail. We cannot afford to let politics or our egos or special interests dictate our children's futures.

There is not just one good answer, one silver bullet, to the problems facing education in our state and in our country. We need a comprehensive reform that takes into account teacher merit pay, vouchers, public school choice, and charter schools. There is not one model that is right for every student. We know that. That is why we have to make different models available so that our children and our students can excel.

My son Michael is currently enrolled in a private school in LasVegas for special needs kids. We are fortunate to be able to send him to that school. While there are public schools that serve the student population, they may not be right for every student with special needs or a learning disability. That is why I will soon introduce legislation to provide scholarships for students enrolled in special education to attend private or public schools of their parent's choice. They would be federally funded scholarships, available to all students with disabilities. Each voucher would be paid entirely from a portion of federal pooled IDEA (Individuals With Disabilities Education Act) money that is provided to each state. Parents could supplement the voucher if they wish. This could be especially helpful for those students with autism spectrum disorders who often struggle to find the right educational situation. A voucher program for disabled students in Florida has proven incredibly successful.

Just as we need new models for students with disabilities, we also need a new focus on the gifted kids in our schools. Most of you are aware of the fabulous work that the Davidsons are doing at the Davidson Academy and all the special people who are there on the campus of UNR. They bring together some of the very brightest young people, and they give them the tools to learn at whatever pace they can handle. They and many others believe that it makes no sense to keep a ten-year-old in a basic math classroom when that ten-year-old can learn college calculus. Unfortunately, too many of our gifted students aren't challenged and end up being made fun of. Twenty percent of high school dropouts are gifted students. These kids are often teased and called names, instead of encouraged to reach their potential. It is often assumed that because they are gifted, they are resourceful enough to get by. Is that what we really want? For them to just get by? Instead, imagine a school system where children are allowed to learn at the pace their brain can handle. Imagine more Davidson-type academies. Imagine Nevada, our state, becoming the state that is known for encouraging gifted kids to reach their potential. By the way, it wouldn't take more money to achieve this. But we will have to rethink how we treat gifted kids. A few states have programs that are working, but no state has a comprehensive program to deal with the gifted. You have the opportunity to do that. I hope you will consider it for the future of our children and the future of our state.

The ultimate goal for all of our children needs to be focused on teaching and preparing them to be productive and contributing members of our society. And that means we also need to ramp

up efforts so that our students can compete with their peers around the world in math, science, and technology and engineering. There is no question that these are the fields of the future. As we look to make Nevada the epicenter of renewable energy and technology and medicine, we will desperately need people to fill these roles. There have been some wonderful efforts across the state and most often taken on by teachers who have inspired their students. Programs like the Nevada Regional Science Bowl and the First Robotics Competition are also igniting a passion for science and engineering that we need to continue to fan. These all seem like lofty ambitions at a time of such economic uncertainty, but we can look for innovative ways to make changes that do not deplete already desperate budgets.

There is no getting around the fact that this Legislature is facing excruciating decisions. And I know that some of you are frustrated by my opposition to the recent stimulus bill. I believe that the stimulus bill was riddled with problems. First of all, the housing crisis is at the heart of the economic downturn. I think that everyone understands that, especially here in our state. I believe that the stimulus bill should have addressed the housing problem first, and that is why I offered a bill called Fix Housing First. It would have allowed most Nevadans to refinance or buy a home at around what today would be less than a 4 percent interest rate, fixed for 30 years. The average Nevada family would have had extra income of over $400 per month for 30 years. That is money they could have counted on spending to help the economy. That would have happened, by the way, across the country. As the economy goes for the country, the economy of Nevada also goes. We would have also given a $15,000 tax credit to buy a home. It seems to make sense. Housing is hurting, and we need to stimulate home buying in the United States. Just imagine if we had 4 percent or less interest rates today and a $15,000 tax credit to buy homes. Imagine the help that would be to our state's economy as well as the economy of the United States. Instead we have the stimulus bill that passed and the spending bills that are lining up after it; these will cost future generations of Nevadans. They will provide some help. They will provide some stimulus. But I believe—and the reason I voted against it is because the long-term debt that is added on to our children and our grandchildren was not worth the price that was being paid.

You see, in Washington, D.C., we are spending money we do not have. I actually respect the job that you have. You have to balance your budget. It is a constitutional requirement. Your job is much more challenging than ours in Washington, D.C. You see, we get to print money. It's money we don't have, but we get to print it. So your job is much, much more difficult. The reality is, though, that Nevadans are hurting. They are struggling. Foreclosures, bankruptcies, unemployment—they are the buzzwords of a deep and painful recession. But they do not have to be the defining words. Instead, we can turn to the innovation that has always been our answer in difficult times. During the Fourth of July celebration of 1915, Nevada pioneer judge C.C. Goodwin made this observation about Nevada's founders: "They found some obstacles in their way, which it seemed impossible to surmount. But they surmounted them. They found some problems that it seemed impossible to solve. But they solved them."

I look forward to working with all of you to solve what seem like impossible problems of today and to overcome the obstacles which seem insurmountable. I am going to leave you with a challenge. Just as the pioneers throughout Nevada's history turned adversity into opportunity, let's see this day of hardship and difficulty as the greatest opportunity of all. We can all agree on the importance of coming together—Republicans, Democrats, Independents alike—for the future of this state and blazing a new trail forward. Nevadans deserve nothing less.

Thank you. God bless you. God bless our state and our country. Thank you.

SECOND READING AND AMENDMENT

Assembly Bill No. 46.
Bill read second time.
The following amendment was proposed by the Committee on Judiciary:
Amendment No. 213.

AN ACT relating to firearms; requiring a court to transmit certain records of adjudication concerning a person's mental health to the Central Repository for Nevada Records of Criminal History for certain purposes relating to the purchase or possession of a firearm; establishing procedures for those persons to petition a court to regain certain rights relating to the purchase or possession of a firearm; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Federal law requires states to transmit to the National Instant Criminal Background Check System records of adjudication of mental illness or incompetence, involuntary admission to mental health facilities and other records which indicate a person is prohibited from purchasing a firearm. Federal law also requires states to implement a program by which a person who was previously adjudicated mentally ill or involuntarily committed can apply to have his right to possess a firearm restored and ties this requirement to certain federal funding for states under the NICS Improvement Amendments Act of 2007. (Public Law 110-180) Nevada law prohibits a person from owning or possessing a firearm if he has been adjudicated as mentally ill or has been committed to any mental health facility. (NRS 202.360)

Sections 1-4 ~~[, 11]~~ and 13 of this bill require a court to transmit to the Central Repository for Nevada Records of Criminal History a record of any court order, judgment, plea or verdict concerning the involuntary admission of a person to a mental health facility, the appointment of a guardian for a person who has a mental defect, a finding that a person is incompetent to

stand trial, a verdict acquitting a person by reason of insanity or a plea of guilty but mentally ill, along with a statement that the record is being transmitted for inclusion in all appropriate databases of the National Instant Criminal Background Check System. (NRS 159.055, 174.035, 175.533, 175.539, 178.425, 433A.310)

Section 7 of this bill requires the Central Repository to take reasonable steps to ensure that the records transmitted to it by the court are included in each appropriate database of the National Instant Criminal Background Check System. In accordance with federal law, this section also provides a procedure for a person who is the subject of such a record to petition a court to have the record removed from the National Instant Criminal Background Check System and to have his right to possess or purchase a firearm restored.

Section 8 of this bill provides that the records transmitted by the court to the Central Repository are confidential, may not be used for any purpose other than for inclusion in each appropriate database of the National Instant Criminal Background Check System, and no cause of action **for damages** may be brought for transmission, failure to transmit, delay in transmitting or inaccuracies within such records.

Section 8.5 of this bill authorizes a person who is or believes he is the subject of a record of mental health held by the Central Repository to inspect and correct such records. This section, which is modeled after NRS 179A.150, also requires the Central Repository and the Director of the Department of Public Safety to adopt certain regulations relating to the inspection and correction of such records.

Section ~~[10]~~ 11.5 of this bill **~~[amends existing law to authorize]~~ requires** a court **, when appointing a general guardian,** to **~~[find that]~~ determine whether** a proposed ward is a person with a mental defect who is prohibited from possessing a firearm pursuant to federal law. **~~[(NRS 159.044, 159.055)]~~**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 174.035 is hereby amended to read as follows:

174.035 1. A defendant may plead not guilty, guilty, guilty but mentally ill or, with the consent of the court, nolo contendere. The court may refuse to accept a plea of guilty or guilty but mentally ill.

2. If a plea of guilty or guilty but mentally ill is made in a written plea agreement, the agreement must be in substantially the form prescribed in NRS 174.063. If a plea of guilty or guilty but mentally ill is made orally, the court shall not accept such a plea or a plea of nolo contendere without first addressing the defendant personally and determining that the plea is made voluntarily with understanding of the nature of the charge and consequences of the plea.

3. With the consent of the court and the district attorney, a defendant may enter a conditional plea of guilty, guilty but mentally ill or nolo contendere, reserving in writing the right, on appeal from the judgment, to a

(b) The defendant has established by a preponderance of the evidence that due to a disease or defect of the mind, he was mentally ill at the time of the commission of the offense; and

AN ACT relating to public health; authorizing a court to establish a program of treatment for problem gambling and to assign a person to the program; authorizing a problem gambler to elect to be assigned to such a program under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes a court to assign a person who commits certain crimes to an appropriate program of treatment for the abuse of alcohol or drugs established by the court or to an appropriate facility for the treatment of abuse of alcohol or drugs which is certified by the Health Division of the Department of Health and Human Services. (NRS 453.580) **Section 6** of this bill authorizes a court to establish a program for the treatment of problem gambling. Existing law creates the Advisory Committee on Problem Gambling and provides a grant of money or a contract for services to certain programs for the prevention and treatment of problem gambling. (Chapter 458A of NRS) **Sections 7-12** of this bill provide that a problem gambler who has been convicted of certain crimes is eligible to be assigned by a court to a program of treatment and provide eligibility requirements and conditions that must be completed for such treatment.

Existing law allows a court to seal the records related to a dismissal or acquittal of criminal charges. (NRS 179.255) Section 14 of this bill allows a court to seal records relating to the setting aside of a conviction if the

person satisfactorily completed a program for treatment of problem gambling and satisfied the conditions upon the election of that treatment. The sealing of these records is subject to the same procedures, and has the same effect, as the sealing of records related to a dismissal or acquittal of criminal charges. The assignment must include the terms and conditions for successful completion of the program and provide for progress reports at intervals set by the court to ensure that the person is making satisfactory progress toward completion of the program.***

2. A program established pursuant to this section must be administered by a ~~[certified counselor or certified intern]~~ qualified mental health professional and must include, without limitation:

(a) Information and encouragement for the participant to cease problem gambling through educational, counseling and support sessions;

(b) The opportunity for the participant to understand the medical, psychological, social and financial implications of problem gambling; and

(c) Appropriate referral to community, health, substance abuse, religious and social service agencies for additional resources and related services, as needed.

3. Before the court assigns a person to a program for the treatment of problem gambling, the person must agree to pay the cost of the program to which he is assigned, to the extent of his financial resources. If the person does not have the financial resources to pay all the related costs, the court shall, to the extent practicable, arrange for the person to be assigned to a program that receives a sufficient amount of federal or state funding to offset the remainder of the costs.

Sec. 7. ***Subject to the provisions of sections 2 to 12, inclusive, of this act, a problem gambler who has been convicted of a crime is eligible to elect to be assigned by the court to a program for the treatment of problem gambling before he is sentenced unless:***

1. The crime is:

(a) A crime against the person punishable as a felony or gross misdemeanor as provided in chapter 200 of NRS;

(b) A crime against a child as defined in NRS 179D.0357;

(c) A sexual offense as defined in NRS 179D.097; or

(d) An act which constitutes domestic violence as set forth in NRS 33.018;

2. The problem gambler has a record of two or more convictions of a crime described in subsection 1 or a similar crime in violation of the laws of another state, or of three or more convictions of any felony;

3. Other criminal proceedings alleging commission of a felony are pending against the problem gambler; or

4. The problem gambler is on probation or parole ~~[and]~~ , except that the problem gambler is eligible to make the election if the appropriate probation or parole authority ~~[does not consent]~~ consents to the election ~~[.]~~ or the court finds that the problem gambler is eligible to make the election after considering any objections made by the appropriate probation or parole authority.

Sec. 8. ***1. If the court has reason to believe that a person who has been convicted of a crime is a problem gambler*** ~~***[, or the person states that he is a problem gambler,]***~~ ***and the court finds that he is eligible to make the election as provided in section 7 of this act, the court shall hold a hearing before it sentences the person to determine whether or not he should receive treatment under the supervision of a*** ~~***[certified counselor or certified intern.]***~~ ***qualified mental health professional. The district attorney may present the court with any evidence concerning the advisability of permitting the person to make the election.***

2. At the hearing, the court shall advise the person that sentencing will be postponed if he elects to submit to treatment and is accepted into a program for the treatment of problem gambling. In offering the election, the court shall advise him that:

(a) The court may impose any conditions upon the election of treatment that could be imposed as conditions of probation;

(b) If he elects to submit to treatment and is accepted, he may be placed under the supervision of the ~~***[certified counselor or certified intern]***~~ ***qualified mental health professional for a period of not less than 1 year and not more than 3 years;***

(c) During treatment, he may be confined in an institution or, at the discretion of the ~~***[certified counselor or certified intern,]***~~ ***qualified mental health professional, released for treatment or supervised care in the community;*** ~~***[and]***~~

(d) If he satisfactorily completes treatment and satisfies the conditions upon the election of treatment, as determined by the court, the conviction will be set aside, but if he does not satisfactorily complete treatment and satisfy the conditions, he may be sentenced and the sentence executed ~~***[.]***~~ ***; and***

(e) If his conviction is set aside pursuant to section 10 of this act, he may, at any time after the conviction is set aside, file a petition pursuant to NRS 179.255 for the sealing of all records relating to the setting aside of the conviction.

Sec. 9. ***1. If the court, after a hearing, determines that a person is entitled to accept the treatment offered pursuant to section 7 of this act, the court shall order a*** ~~***[certified counselor or certified intern]***~~ ***qualified mental health professional to conduct an examination of the person to determine whether he is a problem gambler and is likely to be rehabilitated through treatment. The*** ~~***[certified counselor or certified intern]***~~ ***qualified mental health professional shall report to the court the results of the examination and recommend whether the person should be placed under supervision for treatment.***

2. If the court, acting on the report or other relevant information, determines that the person is not a problem gambler, is not likely to be rehabilitated through treatment or is otherwise not a good candidate for treatment, he may be sentenced and the sentence executed.

3. If the court determines that the person is a problem gambler, is likely to be rehabilitated through treatment and is a good candidate for treatment, the court may:

(a) Impose any conditions upon the election of treatment that may be imposed as conditions of probation;

(b) Defer sentencing until such time, if any, as sentencing is authorized pursuant to section 10 of this act; and

(c) Place the person under the supervision of a ~~[certified counselor or certified intern]~~ qualified mental health professional for not less than 1 year and not more than 3 years.

➥ The court may require such progress reports on the treatment of the person as it deems necessary.

4. A person who is placed under the supervision of a ~~[certified counselor or certified intern]~~ qualified mental health professional shall pay the cost of the program of treatment to which he is assigned and the cost of any additional supervision that may be required, to the extent of his financial resources. The court may issue a judgment in favor of the court or the ~~[certified counselor or certified intern]~~ qualified mental health professional for the costs of the treatment and supervision which remain unpaid at the conclusion of the treatment. The judgment constitutes a lien in like manner as a judgment for money rendered in a civil action, but in no event may the amount of the judgment include any amount of the debt which was extinguished by the successful completion of community service pursuant to subsection 5.

5. If the person who is placed under the supervision of a ~~[certified counselor or certified intern]~~ qualified mental health professional does not have the financial resources to pay all of the related costs:

(a) The court shall, to the extent practicable, arrange for the person to be assigned to a program that receives a sufficient amount of federal or state funding to offset the remainder of the costs; and

(b) The court may order the person to perform supervised community service in lieu of paying the remainder of the costs relating to his treatment and supervision. The community service must be performed for and under the supervising authority of a county, city, town or other political subdivision or agency of this State or a charitable organization that renders service to the community or its residents. The court may require the person to deposit with the court a reasonable sum of money to pay for the cost of policies of insurance against liability for personal injury and damage to property or for industrial insurance, or both, during those periods in which the person performs the community service, unless, if the insurance is industrial insurance, it is provided by the authority for which he performs the community service.

6. No person may be placed under the supervision of a ~~[certified counselor or certified intern]~~ qualified mental health professional pursuant

to this section unless the ~~[certified counselor or certified intern]~~ qualified mental health professional accepts him for treatment.

Sec. 10. ***1. Whenever a person is placed under the supervision of a ~~[certified counselor or certified intern,]~~ qualified mental health professional, his sentencing must be deferred and, except as otherwise provided in subsection 4, his conviction must be set aside if the ~~[certified counselor or certified intern]~~ qualified mental health professional certifies to the court that he has satisfactorily completed the program of treatment and the court approves the certification and determines that the conditions upon the election of treatment have been satisfied.***

2. If, upon the expiration of the treatment period, the ~~[certified counselor or certified intern]~~ qualified mental health professional has not certified that the person has completed his program of treatment, the court shall sentence him. If he has satisfied the conditions upon the election of treatment and the court believes that he will complete his treatment voluntarily, the court may set the conviction aside.

3. If, before the treatment period expires, the ~~[certified counselor or certified intern]~~ qualified mental health professional determines that the person is not likely to benefit from further treatment, the ~~[certified counselor or certified intern]~~ qualified mental health professional shall so advise the court. The court shall then:

(a) Arrange for the transfer of the person to a more suitable program, if any; or

(b) Terminate the supervision and conduct a hearing to determine whether the person should be sentenced.

➥ If a person is sentenced pursuant to this section, any time spent in institutional care must be deducted from any sentence imposed.

4. Regardless of whether the person successfully completes treatment, the court shall not set aside the conviction of a person who has a record of two or more convictions of any felony for two or more separate incidents.

Sec. 11. ***1. The determination of problem gambling and civil commitment pursuant to sections 2 to 12, inclusive, of this act shall not be deemed a criminal conviction.***

2. The records relating to the setting aside of a conviction pursuant to section 10 of this act may be sealed pursuant to NRS 179.255.

Sec. 12. ***The provisions of sections 2 to 12, inclusive, of this act do not require this State or any of its political subdivisions to establish or finance any program for the treatment of problem gambling.***

Sec. 13. NRS 458A.010 is hereby amended to read as follows:

Legislative Counsel's Digest:

Existing law requires certain facilities for the dependent, medical facilities and homes for individual residential care to obtain a license to operate such facilities and homes. (NRS 449.030) Existing law requires such a licensed facility or home that offers housing for independent living to post a notice indicating that the portion of the facility or home designated for independent living does not include the provision of personal care, supportive services or health-related services. (NRS 449.2487) **Sections 4 and 20** of this bill require such a facility or home to obtain an endorsement on its license on or before October 1, 2010, if the facility or home offers housing for independent living. **Section 7** of this bill requires the State Board of Health to adopt regulations governing the issuance and renewal of an endorsement, including fees. The regulations are subject to review by the Legislative Committee on Health Care. (NRS 439B.225) Existing law prescribes grounds for the denial, suspension or revocation of a license to operate a facility or home under chapter 449 of NRS and the disciplinary action and penalties that apply to a licensee for certain violations. (NRS 449.160, 449.163, 449.170, 449.210) **Sections 9-13** of this bill include the endorsement to offer housing for independent living within these provisions setting forth the grounds for

issuance and denial of an endorsement and the disciplinary action and penalties which apply.

Section 5 of this bill prohibits a residential facility for groups which is authorized to have 10 or fewer beds or a home for individual residential care from providing accommodations to a person who does not meet the requirements for admission unless that person is related to a resident ~~[or employee]~~ of the facility or home within the third degree of consanguinity.

Amendment No. 464.

AN ACT relating to public health; revising provisions relating to reports of sentinel events and patient safety by medical facilities; authorizing health authorities to conduct investigations of cases or suspected cases of an infectious disease **or exposure to biological, radiological or chemical agents** and to issue cease and desist orders relating to those investigations; authorizing the Health Division of the Department of Health and Human Services to take control of certain medical records under certain circumstances; revising provisions relating to the licensure and discipline of certain medical facilities and facilities for the dependent; requiring the Director of the Office of Consumer Health Assistance to assist consumers in filing certain complaints; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires medical facilities to report certain sentinel events to the Health Division of the Department of Health and Human Services. (NRS 439.800-439.890) **Section 2** of this bill requires medical facilities to prepare an annual summary of sentinel events and requires the Health Division to annually report to the State Board of Health concerning those summary reports. **Section 3** of this bill authorizes the Health Division to, upon receipt of a report of a sentinel event by a medical facility, request additional information, conduct an audit or conduct an investigation of the facility. **Section 9** of this bill authorizes the imposition of an administrative sanction to a medical facility that fails to submit a report of a sentinel event, does not have a patient safety plan or does not have a patient safety committee as required by law. (NRS 439.835, 439.865, 439.875, 439.885) **Section 10** of this bill changes the authority to adopt regulations relating to reports of sentinel events from the Administrator of the Health Division to the State Board of Health. (NRS 439.890)

Existing law establishes the office of the State Health Officer and establishes county, district and city boards of health. (NRS 439.090-439.130, 439.280-439.470) Existing law further prescribes the duties and responsibilities of those health authorities, including the prevention and control of nuisances, regulation of sanitation, protection of the public health and investigation of certain communicable diseases. (Chapters 439 and 441A of NRS) **Sections 13-17** of this bill authorize health authorities to **: (1)**

conduct investigations concerning infectious diseases or ~~[other events]~~ **exposure to biological, radiological or chemical agents** which significantly impair the health, safety or welfare of the public ~~[.]~~ **; (2) petition the court for a** subpoena **to compel the production of** information relevant to those investigations **;** and **(3)** issue cease and desist orders against a provider of health care or medical facility subject to such an investigation.

Section ~~[20]~~ 21 of this bill provides that if the Health Division suspends the license of a medical facility or facility for the dependent, the Health Division may take control of certain medical records of the facility and requires the State Board of Health to adopt regulations to pay for the services of a contractor to oversee the seizure and control of such records.

Existing law prohibits a medical facility, physician or osteopathic physician from retaliating or discriminating against an employee who reports information concerning the conduct of a physician or osteopathic physician to the Board of Medical Examiners or the State Board of Osteopathic Medicine, reports a sentinel event to the Health Division of the Department of Health and Human Services or cooperates or participates in an investigation or proceeding conducted by the Board of Medical Examiners, the State Board of Osteopathic Medicine or another governmental entity concerning the conduct or sentinel event. Existing law also prohibits such retaliation or discrimination against a registered nurse, licensed practical nurse or nursing assistant who refuses to provide nursing services that he does not have the knowledge, skill or experience to provide. (NRS 449.205)

Section 22 of this bill requires a medical facility to prepare and post a written notice for the employees of the medical facility and the nurses and nursing assistants who contract with the medical facility regarding these protections from retaliation and discrimination and the process for making a report.

Section ~~[21]~~ 23 of this bill amends existing provisions governing administrative sanctions against a medical facility or facility for the dependent which violates applicable laws and regulations by authorizing the Health Division to impose sanctions at a rate of not less than $1,000 and not more than $10,000 for each patient who was harmed or at risk of harm as a result of the violation. (NRS 449.163)

Existing law authorizes the Health Division to immediately suspend the license of a medical facility, facility for the dependent or other licensed facility if the public health, safety or welfare imperatively requires such suspension. (NRS 233B.127, 449.170) **Section ~~[22]~~ 24** of this bill amends existing law to specifically reference summary suspensions issued pursuant to NRS 233B.127. (NRS 449.170)

Existing law requires the Health Division to provide a copy of the results of certain inspections of certain medical facilities to any person who requests a copy of the report. **Section ~~[23]~~ 25** of this bill requires the Health Division to complete a report of each investigation and to include in the report any

recommendations of a health authority that also conducted an investigation of the facility. (NRS 449.200)

Section ~~[24]~~ 26 of this bill amends the duties of the Director of the Office for Consumer Health Assistance to require the Director to provide assistance to consumers who wish to file a complaint against a health care facility or a health care professional. (NRS 223.560)

Legislative Counsel's Digest:

This bill, which is modeled on requirements first adopted in New York in 2004, sets forth the testing requirements and performance standard for fire safety for cigarettes sold or offered for sale in Nevada. **Section 10** of this bill prohibits the sale of any cigarettes in Nevada which do not meet the testing requirements or performance standard for cigarettes set forth in that section and which have not been certified in accordance with **section 11** of this bill or properly marked in accordance with **section 12** of this bill. **Section 10** also sets forth the testing requirements for cigarettes and the performance standard they must meet, using the ASTM International Standard ASTM E2187-04, while allowing for alternate testing methods and performance standards approved by the State Fire Marshal, and sets forth other requirements manufacturers must meet, such as keeping reports of testing.

Section 11 of this bill requires a manufacturer of cigarettes to submit to the State Fire Marshal a written certification concerning each cigarette the manufacturer intends to sell in Nevada, certifying that the cigarette meets the testing requirements and performance standard set forth in **section 10** of this bill, and to pay a fee of $250 to the State Fire Marshal for each cigarette listed in a certification. **Section 11.5 of this bill requires the Executive Director of the Department of Taxation to establish a procedure to ensure that agents, wholesale dealers and retail dealers receive notice of the cigarettes that have been certified by manufacturers.** **Section 12** of this bill requires that cigarettes which have been certified be marked with the letters "FSC," signifying "Fire Standard Compliant."

Section 13 of this bill provides for the imposition of a civil penalty against a manufacturer, wholesale dealer, retail dealer, agent or other person who violates any provision of this bill. **Section 14** of this bill authorizes the State Fire Marshal to adopt regulations to carry out the provisions of this bill. **Section 15** of this bill authorizes the Department of Taxation to inspect any packages of cigarettes to determine if they have been properly marked as required by **section 12** of this bill. **Section 16** of this bill authorizes the Attorney General, the Executive Director of the Department and the State Fire Marshal, and their authorized representatives, and any law enforcement officer to examine the books, papers, invoices and other records of persons in possession, control or occupancy of any premises where cigarettes are placed, stored, sold or offered for sale in Nevada. **Section 17** of this bill creates the Cigarette Fire Safety Standard and Firefighter Protection Fund as a special revenue fund in the State Treasury.

6. If the State Fire Marshal:

(a) Determines that a cigarette cannot be tested in accordance with the requirements of subsection 2, the manufacturer of the cigarette shall

propose an alternative method of testing and performance standard to the State Fire Marshal for approval and, if the State Fire Marshal approves the alternative method of testing and determines that the alternative performance standard proposed by the manufacturer is substantially equivalent to the performance standard set forth in paragraph (e) of subsection 2, the alternative method of testing and performance standard may be used to certify the cigarette pursuant to section 11 of this act; or

(b) Determines that:

(1) Another state has enacted requirements which are substantially similar to those set forth in this section for the fire safety of cigarettes and which include a method of testing and a performance standard that are substantially similar to those set forth in subsection 2; and

(2) The officials responsible for carrying out those requirements in the other state have approved the alternative method of testing and performance standard for a particular cigarette that the manufacturer has proposed as meeting the fire safety standards of the law of that state under a provision similar to this subsection,

➥ the State Fire Marshal shall authorize the manufacturer to use the alternative method of testing and performance standard to certify that cigarette for sale in this State, unless the State Fire Marshal has a reasonable basis for denying the authorization.

7. Each manufacturer shall maintain copies of the reports of all tests conducted on all cigarettes sold or offered for sale in this State for a period of 3 years after the completion of the testing and shall make copies of the reports available to the State Fire Marshal and the Attorney General upon written request. Any manufacturer that fails to make such copies available to the State Fire Marshal or Attorney General within 60 days after receiving a written request therefor is subject to a civil penalty not to exceed $10,000 for each day after the 60th day that the manufacturer fails to make the copies available.

8. The State Fire Marshal may, by regulation, adopt by reference a subsequent ASTM International Standard Test Method for Measuring the Ignition Strength of Cigarettes if he determines that the subsequent method of testing does not result in a change in the percentage of full-length burns exhibited by any tested cigarette when compared to the percentage of full-length burns the same cigarette would exhibit when tested in accordance with the ASTM International Standard ASTM E2187-04 and the performance standard set forth in paragraph (e) of subsection 2. If the State Fire Marshal adopts the subsequent method of testing, it may be used as an alternative method for the certification of cigarettes.

9. This section does not prohibit:

(a) A wholesale dealer or retail dealer from selling his existing inventory of cigarettes on or after the effective date of this section if the wholesale dealer or retail dealer can establish that Nevada cigarette revenue stamps were affixed to the packages of cigarettes before the effective date of this

section and the cigarettes were purchased by the wholesale dealer or retail dealer before the effective date of this section in a quantity comparable to the inventory purchased by the wholesale dealer or retail dealer during the same period of the immediately preceding year.

(b) The sale of cigarettes solely for the purpose of consumer testing. As used in this paragraph, "consumer testing" means an assessment of cigarettes that is conducted by a manufacturer, or under the control and direction of a manufacturer, to evaluate consumer acceptance of the cigarettes, using only the number of cigarettes that is reasonably necessary for that assessment.

10. As used in this section, unless the context otherwise requires:

(a) "Program for quality control" means a program pursuant to which laboratory procedures are established to ensure that:

(1) The test results are not affected by operator bias, systematic and nonsystematic methodological errors or equipment-related problems; and

(2) The repeatability of the test results remains within the required repeatability value set forth in paragraph (d) of subsection 2 for all test trials used to certify cigarettes.

(b) "Repeatability value" means the range of values within which the repeat results of cigarette test trials conducted by a single laboratory will fall 95 percent of the time.

Sec. 11. ***1. Each manufacturer shall submit to the State Fire Marshal a written certification of the cigarettes that the manufacturer intends to sell in this State attesting that each cigarette listed in the certification has been tested in accordance with and meets the applicable performance standard set forth in section 10 of this act.***

2. The description of each cigarette listed in the certification must include, without limitation:

4. Each cigarette certified under this section must be recertified every 3 years.

5. A manufacturer shall pay to the State Fire Marshal a fee of $1,000 for each brand family of cigarettes listed in the certification. The fee paid ~~*[shall apply]*~~ ***applies to all cigarettes within the brand family certified and*** ~~*[shall]*~~ ***must include any new cigarettes certified within the brand family during the 3-year certification period. All fees collected pursuant to this section must be deposited in the Cigarette Fire Safety Standard and Firefighter Protection Fund created by section 17 of this act.***

6. If a manufacturer has certified a cigarette pursuant to this section and subsequently makes any change to the cigarette that is likely to alter its compliance with the performance standard required by section 10 of this act, the cigarette must not be sold or offered for sale in this State unless the manufacturer retests the cigarette pursuant to section 10 of this act and maintains the reports of the retesting in accordance with that section. Any altered cigarette that does not meet the applicable performance standard set forth in section 10 of this act must not be sold or offered for sale in this State.

Sec. 11.5. The Executive Director of the Department of Taxation shall establish a procedure to ensure that agents, wholesale dealers and retail dealers receive notice of the cigarettes that have been certified by manufacturers pursuant to section 11 of this act. The procedure may include, without limitation, listing the brands and styles of cigarettes which have been certified on an Internet website maintained by the Department.

Sec. 12. ***1. 2. A manufacturer shall use only one marking and shall apply the marking uniformly for all packages, including, without limitation, packs, cartons, cases and brands marketed by that manufacturer.

3. A manufacturer that certifies a cigarette in accordance with section 11 of this act shall provide a copy of the certification to each wholesale dealer and agent to whom the manufacturer sells cigarettes. A wholesale dealer, retail dealer or agent shall allow the State Fire Marshal, the Executive Director of the Department of Taxation and the Attorney General, and their respective employees, to inspect the markings of cigarette packaging marked in accordance with this section.

Sec. 13. ***1. Any manufacturer, wholesale dealer, agent or other person that knowingly sells cigarettes in this State, other than through retail sale, in violation of section 10 of this act is subject to a civil penalty not to exceed $100 for each pack of such cigarettes sold, except that the***

3. In addition to any other penalty prescribed by law, any manufacturer of cigarettes that knowingly makes a false certification pursuant to section 11 of this act is subject to a civil penalty of not less than $75,000 or more than $250,000 for each false certification.

4. A person who violates any other provision of sections 2 to 19, inclusive, of this act is subject to a civil penalty of not more than $1,000 for the first offense and not more than $5,000 for each subsequent offense.

5. A law enforcement officer, authorized representative of the Department of Taxation or authorized representative of the State Fire Marshal who discovers any cigarettes for sale in this State for which no certification has been submitted pursuant to section 11 of this act or which are not marked pursuant to section 12 of this act may seize the cigarettes. Cigarettes seized pursuant to this section must be destroyed after the true holder of the trademark rights in the cigarette brand is allowed to inspect the cigarettes.

6. Each violation of any provision of sections 2 to 19, inclusive, of this act or any regulation adopted pursuant thereto constitutes a separate civil violation for which the State Fire Marshal or the Attorney General may obtain relief. In addition to any other remedy provided by law, the Attorney General may file an action in a court of competent jurisdiction concerning a violation of any provision of sections 2 to 19, inclusive, of this act or any regulation adopted pursuant thereto, including, without limitation, petitioning for:

(a) Preliminary or permanent injunctive relief against any manufacturer, importer, wholesale dealer, retail dealer, agent or other person to enjoin the person from selling or affixing Nevada cigarette revenue stamps to any package of cigarettes that contains cigarettes which do not comply with the requirements of sections 2 to 19, inclusive, of this act. Upon obtaining judgment for injunctive relief, the State Fire Marshal or Attorney General shall provide a copy of the judgment to all wholesale dealers and agents to whom the cigarette has been sold.

Legislative Counsel's Digest:

Existing law provides that if a fine, administrative assessment, fee or restitution imposed upon a defendant is delinquent: (1) the defendant is liable for a collection fee; (2) the entity responsible for collecting the delinquent amount may report the delinquency to credit reporting agencies, may contract with a collection agency and may request that the court take appropriate action; and (3) the court may request that a prosecuting attorney undertake collection efforts, may order the suspension of the driver's license of the defendant and may, in the case of a delinquent fine or administrative

assessment, order that the defendant be confined in the appropriate prison, jail or detention facility. (NRS 176.064)

Sections 1, 3 and 6 of this bill provide that if a defendant is ordered to pay a fine, administrative assessment, fee or restitution for a felony or gross misdemeanor, the Office of Court Administrator is responsible for: (1) collecting the fine, administrative assessment, fee or restitution; and (2) distributing the fine, administrative assessment, fee or restitution to the entity entitled to receive it. **Section 1** also requires **: (1)** each district court, the Chief of the Division of Parole and Probation of the Department of Public Safety and the Director of the Department of Corrections to provide, upon request and in the manner prescribed by the Office of Court Administrator, necessary information to the Office of Court Administrator regarding the amount of any fine, administrative assessment, fee or restitution owed by a person convicted of a felony or gross misdemeanor **[.] ; and (2) the Office of Court Administrator to collaborate with each judicial district, the Department of Public Safety, the Department of Corrections and any other state or local agency involved in the collection of fines, administrative assessments, fees or restitution.**

Existing law provides that a court may suspend the execution of the sentence of a person and grant probation to the person under certain circumstances. (NRS 176A.100) **Sections 2 and 5** of this bill provide that at the time of granting probation to a person convicted of a felony or gross misdemeanor **[,] or during or at the termination of the period of probation of such a person,** the court may also place the person on administrative probation, to commence after termination of the period of probation, if any fine, administrative assessment, fee or restitution is imposed against the person as part of his sentence. During the period of administrative probation: (1) the Office of Court Administrator is required to supervise the person to ensure the collection of any fine, administrative assessment, fee or restitution owed; (2) the person is not required to pay any fee for supervision; and (3) the person remains subject to certain statutory provisions that authorize the court to take action against the person, including suspending his driver's license **.** ~~[and ordering him to be imprisoned for willful failure to pay the amount owed.]~~

Section 4 of this bill authorizes the court to terminate the period of probation of a person and order that the person be placed on administrative probation if the person has satisfied all conditions of his probation other than the payment of any fines, administrative assessments, fees or restitution. Assemblyman Segerblom moved the adoption of the amendment.

Amendment adopted.

Bill ordered reprinted, engrossed and to third reading.

Assembly Bill No. 304.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 228.

AN ACT relating to land use regulation; making various changes pertaining to the preservation of ~~[existing]~~ **historic** neighborhoods**; [**,

~~including historic neighborhoods; allowing certain providers of utility service to apply for and receive a rate adjustment to incorporate the costs of placing certain facilities underground;~~] and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, certain ~~[planning,]~~ **plans and** zoning ~~[and transportation plans and]~~ regulations must incorporate the consideration of certain policies, including the protection of existing neighborhoods and communities. (NRS 268.190, 278.02528, 278.0274, 278.150, 278.160, 278.170, 278.250 **)** ~~[, 408.290)~~ Sections 1, 3, 5-8, 13, 16 and 22 of this bill ~~require certain state and~~] **This bill requires certain** local governmental entities to address the preservation of historic neighborhoods ~~[and the effect of proposed streets and highways upon existing neighborhoods~~] in those plans and regulations.

~~[Existing law prescribes certain requirements for the vacation or abandonment by a city or county of a street. (NRS 278.480) Section 17 of this bill prohibits a city from requiring agreement from more than 80 percent of the abutting property owners as a prerequisite to vacating a street.~~

~~Under existing law, certain local governments are authorized to establish a local improvement district to finance a project to convert certain service facilities to underground facilities. (NRS 271.800, 271.850) Existing law also allows certain property owners to petition for the creation of a service district to pay for the cost of converting certain overhead electric and communication facilities to underground locations. (Chapter 704A of NRS) Under existing law, the cost of converting both types of facilities is borne by benefited property owners. Sections 20, 21, 23 and 24 of this bill allow service providers and public utility corporations who are subject to the jurisdiction of the Public Utilities Commission of Nevada to apply to and receive approval from the Commission to include underground conversion costs within their rate base, in part to preserve existing neighborhoods, including historic neighborhoods. Assessments against property owners to pay for such costs are required to be reduced to the extent that the costs are paid by rate adjustments. (NRS 704A.312)~~]

Sec. 14. NRS 278.4787 is hereby amended to read as follows:

278.4787 1. Except as otherwise provided in subsection 5, a person who proposes to divide land for transfer or development into four or more lots pursuant to NRS 278.360 to 278.460, inclusive, or chapter 278A of NRS, may, in lieu of providing for the creation of an association for a common-interest community, request the governing body of the jurisdiction in which the land is located to assume the maintenance of one or more of the following improvements located on the land:

(a) Landscaping;

(b) Public lighting;

(c) Security walls; and

(d) Trails, parks and open space which provide a substantial public benefit or which are required by the governing body for the primary use of the public.

2. A governing body shall establish by ordinance a procedure pursuant to which a request may be submitted pursuant to subsection 1 in the form of a petition, which must be signed by a majority of the owners whose property will be assessed and which must set forth descriptions of all tracts of land or residential units that would be subject to such an assessment.

3. The governing body may by ordinance designate a person to approve or disapprove a petition submitted pursuant to this section. If the governing body adopts such an ordinance, the ordinance must provide, without limitation:

(a) Procedures pursuant to which the petition must be reviewed to determine whether it would be desirable for the governing body to assume the maintenance of the proposed improvements.

(b) Procedures for the establishment of a maintenance district or unit of assessment.

(c) A method for:

(1) Determining the relative proportions in which the assumption of the maintenance of the proposed improvements by the governing body will:

(I) Benefit the development or subdivision in which the improvements are located; and

(II) Benefit the public;

(2) Assessing the tracts of land or residential units in the development or subdivision to pay the costs that will be incurred by the governing body in assuming the maintenance of the proposed improvements, in the proportion that such maintenance will benefit the development or subdivision in which the improvements are located; and

(3) Allocating an amount of public money to pay the costs that will be incurred by the governing body in assuming the maintenance of the proposed improvements, in the proportion that such maintenance will benefit the public.

(d) Procedures for a petitioner or other aggrieved person to appeal to the governing body a decision of the person designated by the governing body by ordinance adopted pursuant to this subsection to approve or disapprove a petition.

4. If the governing body does not designate by an ordinance adopted pursuant to subsection 3 a person to approve or disapprove a petition, the governing body shall, after receipt of a complete petition submitted at least 120 days before the approval of the final map for the land, hold a public hearing at least 90 days before the approval of the final map for the land, unless otherwise waived by the governing body, to determine the desirability of assuming the maintenance of the proposed improvements. If the governing body determines that it would be undesirable for the governing body to assume the maintenance of the proposed improvements, the governing body shall specify for the record its reasons for that determination. If the governing body determines that it would be desirable for the governing body to assume the maintenance of the proposed improvements, the governing body shall by ordinance:

(b) Create a maintenance district or unit of assessment consisting of the tracts of land or residential units set forth in the petition or include the tracts of land or residential units set forth in the petition in an existing maintenance district or unit of assessment.

(c) Establish the method or, if the tracts or units are included within an existing maintenance district or unit of assessment, apply an existing method for determining:

(1) The amount of an assessment to pay the costs that will be incurred by the governing body in assuming the maintenance of the proposed improvements. The amount of the assessment must be determined in accordance with the proportion to which such maintenance will benefit the development or subdivision in which the improvements are located.

(2) The time and manner of payment of the assessment.

(d) Provide that the assessment constitutes a lien upon the tracts of land or residential units within the maintenance district or unit of assessment. The lien must be executed, and has the same priority, as a lien for property taxes.

(e) Prescribe the levels of maintenance to be provided.

(f) Allocate to the cost of providing the maintenance the appropriate amount of public money to pay for that part of the maintenance which creates the public benefit.

(g) Address any other matters that the governing body determines to be relevant to the maintenance of the improvements, including, without limitation, matters relating to the ownership of the improvements and the land on which the improvements are located and any exposure to liability associated with the maintenance of the improvements.

5. If the governing body requires an owner of land to dedicate a tract of land as a trail identified in the recreation plan of the governing body adopted pursuant to paragraph ~~[(j)]~~ ***(k)*** of subsection 1 of NRS 278.160, the governing body shall:

(a) Accept ownership of the tract; and

(b) Assume the maintenance of the tract and any other improvement located on the land that is authorized in subsection 1.

6. The governing body shall record, in the office of the county recorder for the county in which the tracts of land or residential units included in a petition approved pursuant to this section are located, a notice of the creation of the maintenance district or unit of assessment that is sufficient to advise the owners of the tracts of land or residential units that the tracts of land or residential units are subject to the assessment. The costs of recording the notice must be paid by the petitioner.

7. The provisions of this section apply retroactively to a development or subdivision with respect to which:

5. After receiving the recommendation of the agency concerning the changes in the plan, the legislative body shall hold a public hearing on the proposed amendment, notice of which must be published in a newspaper in the manner designated for notice of hearing by the agency. The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 442.

AN ACT relating to housing; revising certain provisions relating to the grounds of termination for certain rental or lease agreements affecting certain tenants in a manufactured home park; ~~[revising certain costs a landlord is required to pay in association with the closing or conversion of a manufactured home park;]~~ revising certain provisions relating to an appeal from a judgment in an unlawful detainer action; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Existing law requires a landlord to pay to a tenant the costs of moving the tenant or the fair market value of a manufactured home under certain circumstances during the closing or conversion of a manufactured home park. Existing law also authorizes a landlord to remove and dispose of a manufactured home and requires the landlord to pay to the tenant the fair market value of the manufactured home if the tenant chooses not to move the manufactured home under certain other circumstances. Sections 1-4 of this bill require a landlord, under those circumstances, to pay to the tenant the fair market value of the manufactured home minus the reasonable cost of removing and disposing of the manufactured home or $5,000, whichever amount is greater. (NRS 118B.130, 118B.177, 118B.180, 118B.183)]~~

Section 5 of this bill provides that a rental agreement between a landlord and a tenant for the rental or lease of certain lots in a manufactured home park in this State may only be terminated on one or more of the grounds listed in

existing law regardless of the fact that a notice of termination may have been served upon the tenant. (NRS 118B.190, 118B.200)

Existing law provides that an eviction may be initiated by filing an unlawful detainer action or by using the procedures for summary eviction. (NRS 40.215-40.425) Existing law also generally provides that a person may obtain a stay of execution upon an appeal from an order entered in an action: (1) for summary eviction by filing with the trial court a bond in the amount of $250; and (2) for unlawful detainer if the person is a defendant and, within 10 days after the judgment is rendered, he files with the court or justice a bond with two or more sureties in the amount determined by the court or justice but that is not less than twice the amount of the judgment and costs. (NRS 40.380, 40.385) Existing law further provides that the summary eviction process may not be used against certain tenants in mobile home parks. (NRS 40.253) **Section 6** of this bill changes the amount of the bond that certain defendants who are tenants in a mobile home park are required to file to obtain a stay of execution upon an appeal from an order entered in an action for unlawful detainer from twice the amount of the judgment and costs to $250. **Section 6 also: (1) requires certain tenants in a mobile home park who retain possession of the premises that are the subject of the appeal to pay the landlord the rent in the amount provided in the underlying contract as it becomes due; and (2) authorizes, under certain circumstances, the court or justice to vacate the stay of execution if such a tenant fails to pay the rent.** (NRS 40.380)

4. Each mortgage broker shall deposit a corporate surety bond that complies with the provisions of this section or a substitute form of security that complies with the provisions of section 9 of this act in the following amounts:

(a) For the principal office, ~~[$25,000.]~~ $50,000.

(b) For each branch office, ~~[$10,000.]~~ $25,000.

➥ The total amount required for the corporate surety bond may not exceed $75,000, without regard to the number of branch offices, if any.

Sec. 9. ***1. As a substitute for the surety bond required by section 8 of this act, a mortgage broker may, in accordance with the provisions of this section, deposit with any bank or trust company authorized to do business in this State, in a form approved by the Commissioner:***

(a) An obligation of a bank, savings and loan association, thrift company or credit union licensed to do business in this State;

(b) Bills, bonds, notes, debentures or other obligations of the United States or any agency or instrumentality thereof, or guaranteed by the United States; or

(c) Any obligation of this State or any city, county, town, township, school district or other instrumentality of this State, or guaranteed by this State.

2. The obligations of a bank, savings and loan association, thrift company or credit union must be held to secure the same obligation as would the surety bond. With the approval of the Commissioner, the depositor may substitute other suitable obligations for those deposited which must be assigned to the State of Nevada and are negotiable only upon approval by the Commissioner.

3. Any interest or dividends earned on the deposit accrue to the account of the depositor.

4. The deposit must be in an amount at least equal to the required surety bond and must state that the amount may not be withdrawn except by direct and sole order of the Commissioner. The value of any item deposited pursuant to this section must be based upon principal amount or market value, whichever is lower.

Sec. 10. ***1. The surety may cancel a bond upon giving 60 days' notice to the Commissioner by certified mail. Upon receipt by the Commissioner of such a notice, the Commissioner immediately shall notify the licensee who is the principal on the bond of the effective date of cancellation of the bond, and that his license will be revoked unless he furnishes an equivalent bond or a substitute form of security authorized by section 9 of this act before the effective date of the cancellation. The notice must be sent to the licensee by certified mail to his last address of record filed in the office of the Division.***

2. If the licensee does not comply with the requirements set out in the notice from the Commissioner, his license must be revoked on the date the bond is cancelled.

Sec. 11. ***1. Any person claiming against a bond may bring an action in a court of competent jurisdiction on the bond for damages to the extent covered by the bond. A person who brings an action on a bond shall notify the Commissioner in writing upon filing the action. An action may not be***

commenced after the expiration of 3 years following the commission of the act on which the action is based.

2. Upon receiving a request from a person for whose benefit a bond is required, the Commissioner shall notify the person:

(a) That a bond is in effect and of the amount of the bond; and

(b) If there is an action against the bond, the title, court and case number of the action and the amount sought by the plaintiff.

3. If a surety wishes to make payment without awaiting action by a court, the amount of the bond must be reduced to the extent of any payment made by the surety in good faith under the bond. Any payment must be based on written claims received by the surety before any action is taken by a court.

4. The surety may bring an action for interpleader against all claimants upon the bond. If it does so, it shall publish notice of the action at least once each week for 2 weeks in every issue of a newspaper of general circulation in the county where the mortgage broker has its principal place of business. The surety may deduct its costs of the action, including attorney's fees and publication, from its liability under the bond.

5. Claims against a bond have equal priority, and if the bond is insufficient to pay all claims in full, they must be paid on a pro rata basis. Partial payment of claims is not full payment, and any claimant may bring an action against the mortgage broker for the unpaid balance.

Sec. 12. ***1. In addition to any other duties set forth in this chapter, any person licensed pursuant to this chapter has a fiduciary obligation to a client.***

2. For the purposes of this section, a person's fiduciary obligation does not impose a requirement to offer or obtain access to loan products or services for a client other than those that are ~~*[available to]*~~ ***offered by the person at the time of the transaction.***

3. As used in this section, "fiduciary obligation" means a duty of good faith and fair dealing, including, without limitation, the duty to:

(b) Conduct only those mortgage transactions which are suitable for the client's needs;

(c) Disclose any financial, business, professional or personal interest the person has in conducting a mortgage transaction for the client;

(d) Disclose any material fact that the person knows or should know may affect the client's rights or interests or the ability to obtain the intended benefit from the mortgage transaction;

(e) Provide an accounting to the client that lists all money and property received from the client;

(f) Not accept or collect any fee for services rendered unless the fee was disclosed to the client before the service is provided; and

(g) Exercise reasonable care in performing any other duty relating to a mortgage transaction.

to provisions governing writs of execution, attachment and garnishment; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law allows a judgment creditor to obtain a writ of execution, attachment or garnishment to levy on the property of a judgment debtor or defendant in certain circumstances. (Chapters 21 and 31 of NRS) Certain property, however, is exempt from execution and therefore cannot be the subject of such a writ. (NRS 21.090) **Section 2** of this bill provides that a certain amount of money held in the bank account of a judgment debtor which is likely to be exempt from execution is not subject to a writ of execution or garnishment and must remain accessible to the judgment debtor. **Section 3** of this bill provides that a separate writ must be issued to levy on a safe-deposit box and provides a procedure for executing on such a writ. **Section 5** of this bill revises the exemptions from execution so that the exemption for certain plans and accounts for deferred payments applies not only to the money that is held in the account, but also to the proceeds paid from those accounts. **Section 5** also adds a new exemption for proceeds from a private disability ~~[pension]~~ **insurance** plan.

Section 6 of this bill revises the procedures for claiming an exemption from execution, and for objecting to such a claim of exemption. **Sections 4 and 7** of this bill revise the notice that is provided to a judgment debtor or defendant when a writ of execution, attachment or garnishment is levied on the property of the judgment debtor so that the procedures listed in the notice reflect the changes made in **section 6**. **Sections 4 and 7** further revise the notice to provide additional information concerning the claiming of exemptions.

~~[Section 8 of this bill requires a sheriff to prepare an accounting every 90 days concerning the activity related to a writ of attachment or garnishment and provide the accounting to the judgment debtor. Section 12 of this bill similarly requires the judgment creditor to prepare an accounting every 90 days of the amount still owed by the judgment debtor and provide a copy of the report to the judgment debtor, the sheriff and any garnishee.]~~

Section 9 of this bill ~~[provides that not]~~ **prohibits a judgment creditor from submitting** more than ~~[one]~~ **two applications for a** writ of garnishment ~~[may be issued to a garnishee]~~ with respect to the same judgment for the same type of property ~~[, and not more than two writs of garnishment may be issued in any calendar year to levy on the same bank account of the judgment debtor. Sections 10 and 12 of this bill remove references to a writ of garnishment for 120 days and instead require that the writ continue until the debt is paid.]~~ **if the property is held in a financial institution.**

Section 11 of this bill revises the interrogatories that are used with a writ of execution, attachment or garnishment to clarify the manner of determining the earnings which must be identified as subject to execution and to provide specific questions for a bank to conform to the new provisions in **section 2** of

this bill. **Section 12 of this bill requires the judgment creditor who caused a writ of attachment to issue to prepare an accounting and provide a report to the judgment debtor, the sheriff and each garnishee every 120 days providing information about the debt and the rights of the debtor. The accounting must also be submitted with each subsequent application for a writ filed by the judgment creditor concerning the same judgment.** ~~[Sections 13 and]~~ **Section 14** of this bill ~~[provide]~~ **provides** that ~~[a constable must not collect a]~~ **the** fee for receiving and taking property on execution, attachment or court order ~~[unless the property is subsequently released to the judgment creditor.]~~ **collected by a constable is not payable in advance. Section 15** of this bill provides that certain benefits are exempt from execution regardless of whether they are mingled with other money. **Section 16 of this bill repeals NRS 21.114 concerning the submission of sureties to the jurisdiction of the court because the requirement for an undertaking requiring a surety is removed in section 6 of this bill.**
