Sec. 46. NRS 387.124 is hereby amended to read as follows:

387.124 Except as otherwise provided in this section and NRS 387.528:

1. On or before August 1, November 1, February 1 and May 1 of each year, the Superintendent of Public Instruction shall apportion the State Distributive School Account in the State General Fund among the several county school districts, charter schools and university schools for profoundly gifted pupils in amounts approximating one-fourth of their respective yearly apportionments less any amount set aside as a reserve. The apportionment to a school district, computed on a yearly basis, equals the difference between the basic support and the local funds available pursuant to NRS 387.1235, minus all the funds attributable to pupils who reside in the county but attend a charter school, all the funds attributable to pupils who reside in the county and are enrolled full-time or part-time in a program of distance education provided by another school district or a charter school and all the funds attributable to pupils who are enrolled in a university school for profoundly gifted pupils located in the county. No apportionment may be made to a school district if the amount of the local funds exceeds the amount of basic support.

2. Except as otherwise provided in subsection 3, the apportionment to a charter school, computed on a yearly basis, is equal to the sum of the basic support per pupil in the county in which the pupil resides plus the amount of local funds available per pupil pursuant to NRS 387.1235 and all other funds available for public schools in the county in which the pupil resides minus all the funds attributable to pupils who are enrolled in the charter school but are concurrently enrolled part-time in a program of distance education provided by a school district or another charter school. If the apportionment per pupil to a charter school is more than the amount to be apportioned to the school district in which a pupil who is enrolled in the charter school resides, the school district in which the pupil resides shall pay the difference directly to the charter school.

3. The apportionment to a charter school that is sponsored by the ~~[State Board]~~ ***Nevada Charter School Institute*** or by a college or university within the Nevada System of Higher Education, computed on a yearly basis, is equal to the sum of the basic support per pupil in the county in which the pupil resides plus the amount of local funds available per pupil pursuant to NRS 387.1235 and all other funds available for public schools in the county in which the pupil resides, minus all funds attributable to pupils who are enrolled in the charter school but are concurrently enrolled part-time in a program of distance education provided by a school district or another charter school.

4. In addition to the apportionments made pursuant to this section, an apportionment must be made to a school district or charter school that provides a program of distance education for each pupil who is enrolled part-time in the program. The amount of the apportionment must be equal to the percentage of the total time services are provided to the pupil through the program of distance education per school day in proportion to the total time services are provided during a school day to pupils who are counted pursuant to subparagraph (2) of paragraph (a) of subsection 1 of NRS 387.1233 for the school district in which the pupil resides.

5. The governing body of a charter school may submit a written request to the Superintendent of Public Instruction to receive, in the first year of operation of the charter school, an apportionment 30 days before the apportionment is required to be made pursuant to subsection 1. Upon receipt of such a request, the Superintendent of Public Instruction may make the apportionment 30 days before the apportionment is required to be made. A charter school may receive all four apportionments in advance in its first year of operation.

6. The apportionment to a university school for profoundly gifted pupils, computed on a yearly basis, is equal to the sum of the basic support per pupil in the county in which the university school is located plus the amount of local funds available per pupil pursuant to NRS 387.1235 and all other funds available for public schools in the county in which the university school is located. If the apportionment per pupil to a university school for profoundly gifted pupils is more than the amount to be apportioned to the school district in which the university school is located, the school district shall pay the difference directly to the university school. The governing body of a university school for profoundly gifted pupils may submit a written request to the Superintendent of Public Instruction to receive, in the first year of operation of the university school, an apportionment 30 days before the apportionment is required to be made pursuant to subsection 1. Upon receipt of such a request, the Superintendent of Public Instruction may make the apportionment 30 days before the apportionment is required to be made. A university school for profoundly gifted pupils may receive all four apportionments in advance in its first year of operation.

7. The Superintendent of Public Instruction shall apportion, on or before August 1 of each year, the money designated as the "Nutrition State Match" pursuant to NRS 387.105 to those school districts that participate in the National School Lunch Program, 42 U.S.C. §§ 1751 et seq. The apportionment to a school district must be directly related to the district's reimbursements for the Program as compared with the total amount of reimbursements for all school districts in this State that participate in the Program.

8. If the State Controller finds that such an action is needed to maintain the balance in the State General Fund at a level sufficient to pay the other appropriations from it, he may pay out the apportionments monthly, each

approximately one-twelfth of the yearly apportionment less any amount set aside as a reserve. If such action is needed, the State Controller shall submit a report to the Department of Administration and the Fiscal Analysis Division of the Legislative Counsel Bureau documenting reasons for the action.

Amendment adopted.

Bill ordered reprinted, engrossed and to third reading.

Assembly Bill No. 87.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 511.

AN ACT relating to state administration; revising the provisions governing the collection of certain debts owed to state agencies; revising certain provisions relating to the applicability of certain statutes of limitation to actions brought by or on behalf of the State; **establishing certain presumptions applicable to certain civil actions against employers who fail to provide mandatory industrial insurance or coverage for occupational disease;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that, unless a specific statute provides for the collection of a debt owed to an agency of the Executive Branch of State Government, the collection of the debt is governed by the provisions of chapter 353C of NRS. (NRS 353C.090) Under existing law, an agency may engage in its own collection efforts using the procedures and remedies established by chapter 353C of NRS or the agency may request the State Controller to act as its collection agent for that purpose. (NRS 353C.195) **Section 17** of this bill requires the State Controller to act as the collection agent for all agencies ~~[that]~~ **which** do not have specific statutes concerning their debt collection ~~[.]~~ **or which have not obtained a waiver from the State Controller authorizing the agency to engage in its own collection efforts.** Accordingly, **section 17** also requires all such agencies to assign their debts to the State Controller for collection within 60 days after the debt becomes past due **or such other time agreed upon by the agency and the State Controller,** unless the debtor ~~[requests an administrative hearing to contest]~~ **has administratively contested** the existence or amount of the debt. Finally, **section 17** ~~[requires an agency to pay a fee of $10 to the State Controller for each debt assigned to him for collection.]~~ **authorizes an agency that has specific statutory authority to engage in its own collection efforts to assign a debt to the State Controller for collection or to exercise in its own debt collection efforts the additional rights and remedies conferred on the State Controller to collect debts.** (NRS 353C.195) **Section 11** of this bill increases the amount of reimbursement allowed for the costs and fees actually incurred to collect the debt **to an amount** not to exceed 35 percent of the debt or $50,000, whichever is less. **Sections 10,** ~~[12, 13, 15]~~ **12-16 and 18-20** of this bill make technical changes to substitute the State Controller as the person authorized to undertake the collection of debts owed to an agency using the procedures and remedies provided under existing law. (NRS 353C.130, 353C.140, 353C.150, **353C.160,** 353C.180, **353C.190,** 353C.200, 353C.210, 353C.220)

Sections 2-6 of this bill establish new procedures, rights and remedies in connection with the collection of debts owed to agencies. **Section 2**

authorizes **, with certain exceptions,** an agency to refuse to conduct business with a person who has an unpaid debt to the State and also authorizes the State Controller to refuse to make a payment to such a debtor. ~~[Section 3 requires an agency, before assigning a debt to the State Controller, to send a certified letter to the debtor notifying him that his debt will be turned over to the State Controller for collection unless the debtor pays the debt in full or requests an administrative hearing to contest the existence or amount of the debt.]~~ **Section 4** authorizes the State Controller to appoint a private debt collector or other person as his agent to obtain a summary judgment against a debtor and to record that judgment or to file a certificate of liability with a county recorder. **Section 5** authorizes the State Controller, with the approval of the agency to which the debt is owed, to accept the payment of a portion of a debt as satisfaction of the full amount of the debt if the State Controller believes that doing so is likely to generate more net revenue for the State than continuing his efforts to collect the full amount of the debt. **Section 6** authorizes the State Controller to sell a debt that is no longer collectible in a suit by the Attorney General because of the expiration of the statute of limitations applicable to such a suit.

Section 7 of this bill requires the State Controller to transfer to an agency any money collected by the State Controller on behalf of the agency minus any costs incurred or fees paid by the State Controller to collect ~~[the]~~ **any** debt **that has been assigned to him for collection by the agency** and any interest paid by a debtor under an agreement with the State Controller for the payment of the debt on an installment basis. **Sections 8, 9 and 22 of this bill revise certain rulemaking authority relating to the collection of debts. (NRS 353C.110, 353C.120)**

Existing law includes chapter 11 of NRS which contains most of the statutes that limit the amount of time following the accrual of a cause of action during which a civil action may be filed. These statutes are commonly referred to as statutes of limitation. Existing law also provides that the same statutes of limitation that apply to actions brought by private individuals also apply to actions brought on behalf of the State, other than actions for the recovery of real property. **Section 21** of this bill reverses the provisions governing the statutes of limitation for causes of actions brought in the name of the State or for the benefit of the State to provide that none of the provisions of chapter 11 of NRS concerning statutes of limitation apply to actions brought by or on behalf of the State, other than actions for the recovery of real property. (NRS 11.255)

Under existing law, an employer who fails to maintain mandatory industrial insurance coverage and mandatory coverage for occupational disease for an employee is liable to the Division of Industrial Relations of the Department of Business and Industry for any costs incurred by the Division to compensate the employee if he is injured or contracts an occupational disease that arises out of and in the course of his employment. (NRS 616C.220, 617.401) Sections 21.3 and 21.7 of this bill

create a presumption that in any suit brought against such an employer to recover those costs, the Division's payments were: (1) justified by the circumstances of the claim; (2) reasonable and necessary; and (3) made in accordance with applicable law. Sections 21.3 and 21.7 also authorize the State Controller to bring suit in his own name to collect debts arising under those sections if the Division assigns the debts to him for collection.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

2. The agency to which the debt is owed approves.

Sec. 6. ***If the period of limitation for the collection of a debt set forth in NRS 353C.140 has expired, the State Controller may, in lieu of requesting the State Board of Examiners to designate the debt as a bad debt pursuant to NRS 353C.220, sell the debt to any person.***

Whenever the combined amount owing to a debtor by all agencies is insufficient to offset all the amounts due the agencies from the debtor, the State Controller shall allocate the amount available from the debtor among the agencies in such a manner as the State Controller determines is appropriate.

2. If a debtor who owes a debt to an agency has a claim against that agency or another agency and refuses or neglects to file his claim with the agency within a reasonable time, the ~~[head of the agency to which the debtor owes the debt]~~ ***State Controller*** may file the claim on behalf of the debtor. If the State Controller ~~[approves]~~ ***files*** the claim, it has the same force and effect as though filed by the debtor. The amount due the debtor from the agency is the net amount otherwise owing to the debtor after any offset as provided in this section.

3. The State Controller shall adopt such regulations as are necessary to carry out the provisions of this section, including, without limitation, the manner in which offsets will be allocated among agencies.

Sec. 17. NRS 353C.195 is hereby amended to read as follows:

353C.195 ***Except as otherwise provided in this section or by a specific statute ~~[,]~~ or federal law:***

8. If any person to whom ~~[an agency]~~ ***the State Controller*** delivers a notice and demand to transmit transfers or otherwise disposes of any property or debts required by this chapter to be transmitted to the ~~[agency,]~~ ***State Controller,*** the person is, to the extent of the value of the property or the amount of the debts so transferred or disposed of, liable to the ~~[agency]~~ ***State Controller*** for any portion of the debt that the ~~[agency]~~ ***State Controller*** is unable to collect from the debtor solely by reason of the transfer or other disposition of the property or debt.

9. A debtor who owes a debt to an agency ***for*** which ***the State Controller*** delivers a notice and demand to transmit concerning the debtor pursuant to this section is entitled to an administrative hearing before that agency to challenge the collection of the debt pursuant to the demand to transmit. If the debt is not more than $50, the State Board of Examiners may delegate to its Clerk the authority to designate the debt as a bad debt. ~~[An agency that is aggrieved by]~~ ***The State Controller may appeal*** a denial of a request to designate the debt as a bad debt by the Clerk ~~[may appeal that denial]~~ to the State Board of Examiners.

Amendment No. 526.

SUMMARY— ~~[Prohibits retaliation or discrimination against registered nurses, licensed practical nurses and nursing assistants who report certain information relating to the safety of patients.]~~ **Makes various changes concerning certain health care professionals who report certain information to licensing boards or other governmental entities or who cooperate in investigations of certain health care professionals.** (BDR 40-219)

AN ACT relating to health care; prohibiting certain retaliation or discrimination against registered nurses, licensed practical nurses and nursing assistants who report certain information, refuse to engage in certain conduct or participate in certain investigations or proceedings relating to the safety of patients; providing civil remedies and civil penalties for violations; **prohibiting the licensing boards of physicians from taking adverse action against a physician who discloses or cooperates in the investigation of a violation of any law, rule or regulation by an applicant or licensee;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law prohibits a medical facility, physician or osteopathic physician from retaliating or discriminating against an employee who reports **in good faith** information concerning the conduct of a physician or osteopathic physician to the Board of Medical Examiners or the State Board of Osteopathic Medicine, reports **in good faith** a sentinel event to the Health Division of the Department of Health and Human Services or cooperates or participates in **good faith in** an investigation or proceeding conducted by the Board of Medical Examiners, the State Board of Osteopathic Medicine or another governmental entity concerning the conduct or sentinel event. Existing law also prohibits such retaliation or discrimination against a registered nurse, licensed practical nurse or nursing assistant who refuses to provide nursing services that he does not have the knowledge, skill or experience to provide. (NRS 449.205, 630.293, 633.505)

Sections 1, 3 and 5 of this bill provide additional protection against retaliation or discrimination for a registered nurse, licensed practical nurse or nursing assistant who: (1) reports **in good faith** certain information or concerns regarding the safety of patients; or (2) refuses to engage in conduct which would violate his duty to protect patients from actual or potential harm or which would subject him to disciplinary action by the State Board of Nursing. **Sections 1, 3 and 5 also add a definition of "good faith."**

Existing law provides that an employee of a medical facility, physician or osteopathic physician or a registered nurse, licensed practical nurse or

nursing assistant who is employed by or contracts to provide nursing services for the medical facility, physician or osteopathic physician may file an action in court based on retaliation or discrimination. (NRS 449.207, 630.296, 633.507) **Sections 2, 4 and 6** of this bill expand these provisions by authorizing the court in such an action to award compensatory damages, reimbursement of lost wages and benefits, attorney's fees and punitive damages and to grant any equitable relief it considers appropriate. **Sections 2, 4 and 6** also provide that the Attorney General or any district attorney of this State may bring a civil action in the name of the State of Nevada to recover a civil penalty of not more than $10,000 for each such act of retaliation or discrimination.

Existing law provides immunity from civil liability to physicians, homeopathic physicians and osteopathic physicians for providing certain information concerning an applicant for a license or a licensee in good faith to their licensing boards and others for the decisions or actions taken by them in good faith in response to information received by the board. (NRS 630.364, 630A.540, 633.691) Sections 4.3, 4.7 and 7 of this bill further prohibit the licensing board of a physician, homeopathic physician or osteopathic physician from taking any adverse action against a physician, homeopathic physician or osteopathic physician for disclosing a violation of any law, rule or regulation to a governmental entity or for cooperating with a governmental entity that is conducting an investigation, hearing or inquiry into such a violation.

The following amendment was proposed by Assemblymen Anderson and Conklin:

Amendment No. 521.

SUMMARY— ~~[Prohibits excessive late fees in rental agreements.]~~ **Makes various changes relating to tenants of property.** (BDR 10-912)

AN ACT relating to property; limiting the amount of fees a landlord may charge for a late or partial rent payment; **revising provisions governing unlawful detainer; extending the period for complying with a notice to quit by certain tenants in certain circumstances;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, a tenant is obligated to pay periodic rent to a landlord in exchange for use of the premises. A landlord must include, as part of the rental agreement, a provision which sets forth the charges, if any, which may be required for late or partial payment of rent. (NRS 118A.200)

This bill limits the amount of the late fee that may be charged by a landlord for late or partial payment of rent. **Section 1** of this bill provides: (1) for monthly or longer periodic terms, the late fee may not exceed ~~[2]~~ **3** percent of the periodic payment for payments made ~~[5 to 9]~~ **3 to 6** days late, and may not exceed an additional ~~[3]~~ **4** percent of the periodic payment if payment is made ~~[10]~~ **7** days or more late; (2) for **certain** weekly periodic terms, the late fee may not exceed ~~[2]~~ **7** percent of the weekly payment for payments made ~~[3 to 6 days late, and may not exceed an additional 3 percent of the weekly payment if payment is made 7 days or more]~~ late; and (3) that a late fee imposed by a landlord may only be imposed once for a late payment**.** ~~[and may not be deducted from a subsequent payment to place the subsequent payment in default.]~~

Existing law specifies when a tenant of real property or a mobile home is guilty of unlawful detainer, including when the tenant: (1) fails to pay his rent; (2) fails to comply with a written notice directing him to either pay the rent or surrender the property; and (3) remains on the property for at least 5 days after the notice is served upon him. (NRS 40.2512) Section 2 of this bill extends the 5-day period to 7 days if the premises are used as a residence.

A tenant of real property is also guilty of unlawful detainer under existing law if he: (1) fails to perform certain conditions of the lease; (2) fails to comply with a written notice directing him to perform the conditions or surrender the property; and (3) remains on the property for at least 5 days after the notice is served upon him. The tenant or subtenant may save the lease from forfeiture, however, by performing the conditions within 3 days after the notice is served. (NRS 40.2516) Section 3 of this bill extends from 5 to 7 days the period during which a tenant or subtenant of premises that are used as a residence may remain on the property before being guilty of unlawful detainer. Section 3 also

extends the period by which such a tenant or subtenant must perform the conditions to save the lease from forfeiture from 3 to 5 days.

Existing law provides that, under certain circumstances, a landlord may obtain an order from the court directing the sheriff to remove a tenant who has failed to pay rent within 24 hours after receiving the order. (NRS 40.253) Section 4 of this bill extends that period if the tenant is in possession of a dwelling, apartment or mobile home or if the rent is reserved by a period of 1 week or less so that the sheriff may not remove the tenant sooner than 2 days after the sheriff receives the order.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 118A of NRS is hereby amended by adding thereto a new section to read as follows:

1. A landlord shall not require, as part of a rental agreement, the tenant to pay a late fee for late or partial payment of rent in excess of the provisions of this section.

2. If the tenancy is from month to month and rent is due in monthly installments or if the tenancy is for a period greater than month to month as established by the rental agreement and the rent is:

(a) At least ~~*[5]*~~ ***3 days overdue but less than*** ~~*[10]*~~ ***7 days overdue, a landlord may charge a late fee not to exceed*** ~~*[2]*~~ ***3 percent of the periodic rent.***

(b) ~~*[Ten]*~~ ***Seven days or more overdue, a landlord may charge a late fee in addition to the late fee described in paragraph (a) not to exceed*** ~~*[3]*~~ ***4 percent of the periodic rent.***

3. If the tenancy is from week to week and the rent is ~~*[:*~~

~~**(a) At least 3 days overdue but less than 7 days**~~*]* ***overdue, a landlord may charge a late fee not to exceed*** ~~*[2]*~~ ***7 percent of the weekly rent.***

~~*[(b) Seven days or more overdue, a landlord may charge a late fee in addition to the late fee described in paragraph (a) not to exceed 3 percent of the weekly rent.]*~~ ***As used in this subsection, "tenancy" does not include occupancy of any transient lodging for less than 30 consecutive calendar days.***

4. If the rent is subsidized by the United States Department of Housing and Urban Development, the United States Department of Agriculture, a state agency, a public housing authority or a local government, any late fee charged by a landlord must be calculated in accordance with the provisions of this section on the tenant's share of the rent and the rent subsidy must not be included in the calculation.

5. If a late fee is imposed under this section, a landlord may only impose the late fee once for each late or partial payment. ~~*[A landlord may not deduct a late fee from a subsequent rental payment and cause the subsequent rental payment to be in default.]*~~

6. Any provision of a rental agreement prohibited by this section is void as contrary to public policy and the tenant may recover any actual damages incurred through the inclusion of the prohibited provision.

Sec. 2. **NRS 40.2512 is hereby amended to read as follows:**

40.2512 A tenant of real property or a mobile home for a term less than life is guilty of an unlawful detainer when he continues in possession, in person or by subtenant, after default in the payment of any rent and after a notice in writing, requiring in the alternative the payment of the rent or the surrender of the detained premises, remains uncomplied with for a period of 5 days, or in the case of ~~[a mobile home lot, 10]~~ ***premises used as a residence, 7*** days after service thereof. The notice may be served at any time after the rent becomes due.

Sec. 3. **NRS 40.2516 is hereby amended to read as follows:**

40.2516 A tenant of real property or a mobile home for a term less than life is guilty of an unlawful detainer when he continues in possession, in person or by subtenant, after a neglect or failure to perform any condition or covenant of the lease or agreement under which the property or mobile home is held, other than those mentioned in NRS 40.250 to 40.252, inclusive, and NRS 40.254, and after notice in writing, requiring in the alternative the performance of the condition or covenant or the surrender of the property, served upon him, and, if there is a subtenant in actual occupation of the premises, also upon the subtenant, remains uncomplied with for 5 days ***or, when the premises are used as a residence, for 7 days*** after the service thereof. Within 3 days after the service, ***or within 5 days after the service when the premises are used as a residence,*** the tenant, or any subtenant in actual occupation of the premises, or any mortgagee of the term, or other person, interested in its continuance, may perform the condition or covenant and thereby save the lease from forfeiture; but if the covenants and conditions of the lease, violated by the lessee, cannot afterwards be performed, then no notice need be given.

Sec. 4. **NRS 40.253 is hereby amended to read as follows:**

40.253 1. Except as otherwise provided in subsection 10, in addition to the remedy provided in NRS 40.2512 and 40.290 to 40.420, inclusive, when the tenant of any dwelling, apartment, mobile home, recreational vehicle or commercial premises with periodic rent reserved by the month or any shorter period is in default in payment of the rent, the landlord or his agent, unless otherwise agreed in writing, may serve or have served a notice in writing, requiring in the alternative the payment of the rent or the surrender of the premises:

(a) At or before noon of the fifth full day following the day of service; or

(b) If the landlord chooses not to proceed in the manner set forth in paragraph (a) and the rent is reserved by a period of 1 week or less and the tenancy has not continued for more than 45 days, at or before noon of the fourth full day following the day of service.

➥ As used in this subsection, "day of service" means the day the landlord or his agent personally delivers the notice to the tenant. If personal service was not so delivered, the "day of service" means the day the notice is delivered, after posting and mailing pursuant to subsection 2, to the sheriff or constable for service if the request for service is made before noon. If the request for service by the sheriff or constable is made after noon, the "day of service" shall be deemed to be the day next following the day that the request is made for service by the sheriff or constable.

2. A landlord or his agent who serves a notice to a tenant pursuant to paragraph (b) of subsection 1 shall attempt to deliver the notice in person in the manner set forth in paragraph (a) of subsection 1 of NRS 40.280. If the notice cannot be delivered in person, the landlord or his agent:

(a) Shall post a copy of the notice in a conspicuous place on the premises and mail the notice by overnight mail; and

(b) After the notice has been posted and mailed, may deliver the notice to the sheriff or constable for service in the manner set forth in subsection 1 of NRS 40.280. The sheriff or constable shall not accept the notice for service unless it is accompanied by written evidence, signed by the tenant when he took possession of the premises, that the landlord or his agent informed the tenant of the provisions of this section which set forth the lawful procedures for eviction from a short-term tenancy. Upon acceptance, the sheriff or constable shall serve the notice within 48 hours after the request for service was made by the landlord or his agent.

3. A notice served pursuant to subsection 1 or 2 must:

(a) Identify the court that has jurisdiction over the matter; and

(b) Advise the tenant of his right to contest the matter by filing, within the time specified in subsection 1 for the payment of the rent or surrender of the premises, an affidavit with the court that has jurisdiction over the matter stating that he has tendered payment or is not in default in the payment of the rent.

4. If the tenant files such an affidavit at or before the time stated in the notice, the landlord or his agent, after receipt of a file-stamped copy of the affidavit which was filed, shall not provide for the nonadmittance of the tenant to the premises by locking or otherwise.

5. Upon noncompliance with the notice:

(a) The landlord or his agent may apply by affidavit of complaint for eviction to the Justice Court of the township in which the dwelling, apartment, mobile home or commercial premises are located or to the district court of the county in which the dwelling, apartment, mobile home or commercial premises are located, whichever has jurisdiction over the matter. ~~[The]~~ ***If the tenant is in possession of commercial premises, the*** court may thereupon issue an order directing the sheriff or constable of the county to remove the tenant within 24 hours after receipt of the order. ***If the tenant is in possession of a dwelling, apartment or mobile home or if the rent is reserved by a period of 1 week or less, the court may thereupon issue an***

order directing the sheriff or constable of the county to remove the tenant not sooner than 2 days after receipt of the order. The affidavit must state or contain:

(1) The date the tenancy commenced.

(2) The amount of periodic rent reserved.

(3) The amounts of any cleaning, security or rent deposits paid in advance, in excess of the first month's rent, by the tenant.

(4) The date the rental payments became delinquent.

(5) The length of time the tenant has remained in possession without paying rent.

(6) The amount of rent claimed due and delinquent.

(7) A statement that the written notice was served on the tenant in accordance with NRS 40.280.

(8) A copy of the written notice served on the tenant.

(9) A copy of the signed written rental agreement, if any.

(b) Except when the tenant has timely filed the affidavit described in subsection 3 and a file-stamped copy of it has been received by the landlord or his agent, and except when the landlord is prohibited pursuant to NRS 118A.480, the landlord or his agent may, in a peaceable manner, provide for the nonadmittance of the tenant to the premises by locking or otherwise.

6. Upon the filing by the tenant of the affidavit permitted in subsection 3, regardless of the information contained in the affidavit, and the filing by the landlord of the affidavit permitted by subsection 5, the Justice Court or the district court shall hold a hearing, after service of notice of the hearing upon the parties, to determine the truthfulness and sufficiency of any affidavit or notice provided for in this section. If the court determines that ~~[there]~~ ***:***

(a) There is no legal defense as to the alleged unlawful detainer and the tenant is guilty of an unlawful detainer, the court may issue a summary order for removal of the tenant or an order providing for the nonadmittance of the tenant. ~~[If the court determines that there]~~

(b) There is a legal defense as to the alleged unlawful detainer, the court shall refuse to grant either party any relief ~~[,]~~ and, except as otherwise provided in this subsection, shall require that any further proceedings be conducted pursuant to NRS 40.290 to 40.420, inclusive.

➥ The issuance of a summary order for removal of the tenant does not preclude an action by the tenant for any damages or other relief to which he may be entitled. If the alleged unlawful detainer was based upon subsection 5 of NRS 40.2514, the refusal by the court to grant relief does not preclude the landlord thereafter from pursuing an action for unlawful detainer in accordance with NRS 40.251.

7. The tenant may, upon payment of the appropriate fees relating to the filing and service of a motion, file a motion with the court, on a form provided by the clerk of the court, to dispute the amount of the costs, if any, claimed by the landlord pursuant to NRS 118A.460 for the inventory,

moving and storage of personal property left on the premises. The motion must be filed within 20 days after the summary order for removal of the tenant or the abandonment of the premises by the tenant, or within 20 days after:

(a) The tenant has vacated or been removed from the premises; and

(b) A copy of those charges has been requested by or provided to the tenant,

➥ whichever is later.

8. Upon the filing of a motion pursuant to subsection 7, the court shall schedule a hearing on the motion. The hearing must be held within 10 days after the filing of the motion. The court shall affix the date of the hearing to the motion and order a copy served upon the landlord by the sheriff, constable or other process server. At the hearing, the court may:

(a) Determine the costs, if any, claimed by the landlord pursuant to NRS 118A.460, and any accumulating daily costs; and

(b) Order the release of the tenant's property upon the payment of the charges determined to be due or if no charges are determined to be due.

9. A landlord shall not refuse to accept rent from a tenant that is submitted after the landlord or his agent has served or had served a notice pursuant to subsection 1 if the refusal is based on the fact that the tenant has not paid collection fees, attorney's fees or other costs other than rent, a reasonable charge for late payments of rent or dishonored checks, or a security. As used in this subsection, "security" has the meaning ascribed to it in NRS 118A.240.

10. This section does not apply to the tenant of a mobile home lot in a mobile home park or to the tenant of a recreational vehicle lot in an area of a mobile home park in this State other than an area designated as a recreational vehicle lot pursuant to the provisions of subsection 6 of NRS 40.215.

Sec. 5. **The provisions of section 1 of this act apply only to a rental agreement entered into on or after July 1, 2009.**

~~[Sec. 2.]~~ ***Sec. 6.*** This act becomes effective on July 1, 2009.

Amendment No. 531.

AN ACT relating to housing; prohibiting the Housing Division of the Department of Business and Industry from adopting regulations that restrict or defer more than a certain percentage of the payment of profit and overhead to developers of certain projects under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law prohibits the Housing Division of the Department of Business and Industry from financing any low-income residential housing unless the Administrator of the Division makes certain findings. (NRS 319.260) **Section 1** of this bill provides that if the Division adopts regulations establishing a program for the financing of the lease, purchase or development of low-income multifamily housing, the regulations may establish the maximum amount of pro forma profit and overhead for a developer of a project, but the regulations must not restrict or require the deferral of more than ~~[50]~~ **60** percent of the payment of profits and overhead to a developer of a project that is: (1) constructed, developed, financed or insured in whole or in part through any program established by the United States Department of Housing and Urban Development; and (2) secured by a performance bond. **Section 2** of this bill deletes a provision which requires that any remaining balance of a certain appropriation from the State General Fund to the Housing Division must be reverted to the State General Fund on or before September 18, 2009.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 319 of NRS is hereby amended by adding thereto a new section to read as follows:

1. If the Division adopts regulations which establish a program for the financing of projects, the regulations must not include any provision which restricts or requires the deferral of more than ~~[50]~~ 60 percent of the payment of profits and overhead to a developer of a project that is:

(a) Constructed, developed, financed or insured in whole or in part through any program established by the United States Department of Housing and Urban Development; and

(b) Secured by a performance bond,

➥ except that such regulations may establish the maximum amount of pro forma profit and overhead for a developer of a project as a percentage of the appraised value of the project.

2. As used in this section, "project" means a housing facility for residential use which consists of two or more dwelling units for occupancy by eligible tenants on a rental basis. The term includes property which is to be leased, purchased or developed for sites for multifamily housing and upon which the Division takes a security interest and records a regulatory agreement, whether the Division issues bonds, a mortgage loan or a letter of credit for the lease, purchase or development of the multifamily housing.

Sec. 2. Section 3 of chapter 348, Statutes of Nevada 2007, at page 1657, is hereby amended to read as follows:

Sec. 3. 1. There is hereby appropriated from the State General Fund to the Housing Division of the Department of Business and Industry the sum of $1,000,000 to provide grants to encourage the creation of employer-assisted housing programs.

2. The Housing Division shall adopt regulations to govern the provision of grants pursuant to subsection 1, which must include, without limitation, criteria for determining eligibility for such programs.

3. ~~[Any remaining balance of the appropriation made by subsection 1 must not be committed for expenditure after June 30, 2009, by the entity to which the appropriation is made or any entity to which money from the appropriation is granted or otherwise transferred in any manner, and any portion of the appropriated money remaining must not be spent for any purpose after September 18, 2009, by either the entity to which the money was appropriated or the entity to which the money was subsequently granted or transferred, and must be reverted to the State General Fund on or before September 18, 2009.~~

~~4.]~~ As used in this section, "employer-assisted housing program" means a program for the provision of down-payment assistance, closing-cost assistance, reduced-interest mortgages, mortgage guarantees, rental subsidies or individual development account savings plans, or any combination thereof, to assist employees in securing affordable housing in this State.

Sec. 3. 1. This section and section 2 of this act become effective upon passage and approval.

2. Section 1 of this act becomes effective on October 1, 2009.

Assembly Bill No. 251.

Bill read third time.

The following amendment was proposed by Assemblyman Horne:

Amendment No. 520.

AN ACT relating to common-interest communities; revising the procedures for voting for a member of the executive board of an association under certain circumstances; requiring that the regulations governing the issuance of certificates for community managers must contain certain provisions relating to persons who formerly engaged in community management; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that the executive board of a unit-owners' association may nominate a person to serve on the executive board and that qualified members of the association may also have their names placed on the ballot along with the nominees for election to the executive board. Existing law also provides that the election of any member of the executive board of a unit-owners' association must be conducted by secret written ballot, unless the declaration of the association provides that voting rights may be exercised by delegates or representatives. (NRS 116.31034) **Section 1** of this bill provides that **, before notice is provided to each unit's owner of his eligibility to serve on the executive board, the executive board may**

determine that if the number of candidates nominated for membership on the executive board is less than or equal to the number of open positions on the executive board, **the appropriate officer of the association will send a notice to each unit's owner informing each unit's owner that a unit's owner who is qualified to be a member of the executive board may nominate himself for membership on the executive board by submitting a nomination to the executive board within 30 days after the notice. If the executive board decides to send such a notice and, at the closing of the period for nominations, the number of candidates nominated for membership on the executive board is greater than the number of members to be elected to the executive board, then the association must conduct an election for membership on the executive board. If, after any additional nominations, the number of candidates nominated for membership on the executive board continues to be less than or equal to the number of open positions on the executive board,** then ~~[the executive board may deem]~~ such nominees **shall be deemed to be** duly elected members of the executive board **.** ~~[without conducting a formal election by the members of the association.]~~

Existing law requires the Commission on Common-Interest Communities and Condominium Hotels to adopt regulations governing the issuance of certificates for community managers. (NRS 116A.410) **Section 2** of this bill provides that those regulations must establish a procedure for a person who was previously issued a certificate and who no longer holds a certificate to reapply for and obtain a new certificate without undergoing any period of supervision by another community manager, regardless of the length of time that has passed since the person last acted as a community manager.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 116.31034 is hereby amended to read as follows:

116.31034 1. Except as otherwise provided in subsection 5 of NRS 116.212, not later than the termination of any period of declarant's control, the units' owners shall elect an executive board of at least three members, at least a majority of whom must be units' owners. Unless the governing documents provide otherwise, the remaining members of the executive board do not have to be units' owners. The executive board shall elect the officers of the association. The members of the executive board and the officers of the association shall take office upon election.

2. The term of office of a member of the executive board may not exceed 2 years, except for members who are appointed by the declarant. Unless the governing documents provide otherwise, there is no limitation on the number of terms that a person may serve as a member of the executive board.

3. The governing documents of the association must provide for terms of office that are staggered in such a manner that, to the extent possible, an

equal number of members of the executive board are elected at each election. The provisions of this subsection do not apply to:

(a) Members of the executive board who are appointed by the declarant; and

(b) Members of the executive board who serve a term of 1 year or less.

4. Not less than 30 days before the preparation of a ballot for the election of members of the executive board, the secretary or other officer specified in the bylaws of the association shall cause notice to be given to each unit's owner of his eligibility to serve as a member of the executive board. Each unit's owner who is qualified to serve as a member of the executive board may have his name placed on the ballot along with the names of the nominees selected by the members of the executive board or a nominating committee established by the association.

5. Before the secretary or other officer specified in the bylaws of the association causes notice to be given to each unit's owner of his eligibility to serve as a member of the executive board pursuant to ~~[this]~~ subsection ~~[,]~~ 4, the executive board may determine that if, at the closing of the prescribed period for nominations for membership on the executive board, the number of candidates nominated for membership on the executive board is equal to or less than the number of members to be elected to the executive board at the election, then ~~[,]~~ the secretary or other officer specified in the bylaws of the association will cause notice to be given to each unit's owner informing each unit's owner that:

(a) The association will not prepare or mail any ballots to units' owners pursuant to this section ~~[,~~

~~(b) The candidates so]~~ and the nominated candidates shall be deemed to be duly elected to the executive board ~~[not later than 30 days after the date of the closing of the prescribed period for nominations; and~~

~~(c) The units' owners will receive notification that the candidates so nominated have been elected to the executive board.~~

~~5.~~] unless:

(1) A unit's owner who is qualified to serve on the executive board nominates himself for membership on the executive board by submitting a nomination to the executive board within 30 days after the notice provided by this subsection; and

(2) The number of units' owners who submit such a nomination causes the number of candidates nominated for membership on the executive board to be greater than the number of members to be elected to the executive board.

(b) Each unit's owner who is qualified to serve as a member of the executive board may nominate himself for membership on the executive board by submitting a nomination to the executive board within 30 days after the notice provided by this subsection.

6. If the notice described in subsection 5 is given and if, at the closing of the prescribed period for nominations for membership on the executive

board described in subsection 5, the number of candidates nominated for membership on the executive board is equal to or less than the number of members to be elected to the executive board, then:

(a) The association will not prepare or mail any ballots to units' owners pursuant to this section;

(b) The nominated candidates shall be deemed to be duly elected to the executive board not later than 30 days after the date of the closing of the period for nominations described in subsection 5; and

(c) The association shall send to each unit's owner notification that the candidates nominated have been elected to the executive board.

7. If the notice described in subsection 5 is given and if, at the closing of the prescribed period for nominations for membership on the executive board described in subsection 5, the number of candidates nominated for membership on the executive board is greater than the number of members to be elected to the executive board, then the association shall:

(a) Prepare and mail ballots to the units' owners pursuant to this section; and

(b) Conduct an election for membership on the executive board pursuant to this section.

8. Each person ~~[whose name is placed on the ballot]~~ ***who is nominated*** as a candidate for a member of the executive board ***pursuant to subsection 4 or 5*** must:

(a) Make a good faith effort to disclose any financial, business, professional or personal relationship or interest that would result or would appear to a reasonable person to result in a potential conflict of interest for the candidate if the candidate were to be elected to serve as a member of the executive board; and

(b) Disclose whether the candidate is a member in good standing. For the purposes of this paragraph, a candidate shall not be deemed to be in "good standing" if the candidate has any unpaid and past due assessments or construction penalties that are required to be paid to the association.

➥ The candidate must make all disclosures required pursuant to this subsection in writing to the association with his candidacy information. The association shall distribute the disclosures to each member of the association with the ballot ***or, in the event ballots are not prepared and mailed pursuant to subsection*** ~~[4,]~~ ***6,*** in the manner established ***for distribution of ballots*** in the bylaws of the association.

~~[6.]~~ ***9.*** Unless a person is appointed by the declarant:

(a) A person may not be a member of the executive board or an officer of the association if the person, his spouse or his parent or child, by blood, marriage or adoption, performs the duties of a community manager for that association.

(b) A person may not be a member of the executive board of a master association or an officer of that master association if the person, his spouse or

his parent or child, by blood, marriage or adoption, performs the duties of a community manager for:

(1) That master association; or

(2) Any association that is subject to the governing documents of that master association.

~~[7.]~~ ***10.*** An officer, employee, agent or director of a corporate owner of a unit, a trustee or designated beneficiary of a trust that owns a unit, a partner of a partnership that owns a unit, a member or manager of a limited-liability company that owns a unit, and a fiduciary of an estate that owns a unit may be an officer of the association or a member of the executive board. In all events where the person serving or offering to serve as an officer of the association or a member of the executive board is not the record owner, he shall file proof in the records of the association that:

(a) He is associated with the corporate owner, trust, partnership, limited-liability company or estate as required by this subsection; and

(b) Identifies the unit or units owned by the corporate owner, trust, partnership, limited-liability company or estate.

~~[8.]~~ ***11.*** ~~[The]~~ ***Except as otherwise provided in subsection*** ~~*[4,]*~~ ***6, the*** election of any member of the executive board must be conducted by secret written ballot unless the declaration of the association provides that voting rights may be exercised by delegates or representatives as set forth in NRS 116.31105. If the election of any member of the executive board is conducted by secret written ballot:

(a) The secretary or other officer specified in the bylaws of the association shall cause a secret ballot and a return envelope to be sent, prepaid by United States mail, to the mailing address of each unit within the common-interest community or to any other mailing address designated in writing by the unit's owner.

(b) Each unit's owner must be provided with at least 15 days after the date the secret written ballot is mailed to the unit's owner to return the secret written ballot to the association.

(c) A quorum is not required for the election of any member of the executive board.

(d) Only the secret written ballots that are returned to the association may be counted to determine the outcome of the election.

(e) The secret written ballots must be opened and counted at a meeting of the association. A quorum is not required to be present when the secret written ballots are opened and counted at the meeting.

(f) The incumbent members of the executive board and each person whose name is placed on the ballot as a candidate for a member of the executive board may not possess, be given access to or participate in the opening or counting of the secret written ballots that are returned to the association before those secret written ballots have been opened and counted at a meeting of the association.

~~[9.]~~ ***12.*** Each member of the executive board shall, within 90 days after his appointment or election, certify in writing to the association, on a form prescribed by the Administrator, that he has read and understands the governing documents of the association and the provisions of this chapter to the best of his ability. The Administrator may require the association to submit a copy of the certification of each member of the executive board of that association at the time the association registers with the Ombudsman pursuant to NRS 116.31158.

Sec. 2. NRS 116A.410 is hereby amended to read as follows:

116A.410 1. The Commission shall by regulation provide for the issuance by the Division of certificates. The regulations:

(a) Must establish the qualifications for the issuance of such a certificate, including, without limitation, the education and experience required to obtain such a certificate.

(b) May require applicants to pass an examination in order to obtain a certificate. If the regulations require such an examination, the Commission shall by regulation establish fees to pay the costs of the examination, including any costs which are necessary for the administration of the examination.

Remarks by Assemblymen Spiegel, Settelmeyer, Smith, and Kirkpatrick.

Assemblymen Oceguera requested that the following remarks be entered in the Journal.

ASSEMBLYWOMAN SPIEGEL:

Thank you, Madam Speaker. Assembly Bill 147 grants a 5 percent preference to local businesses and businesses owned by women, minorities, or service-disabled veterans when bidding on local government purchasing contracts over $25,000. A local business is defined as one that has employed at least one person in Nevada for two years. For businesses owned by women, minorities, or service-disabled veterans to be eligible for the preference, the business must have employed at least one person in Nevada for one year. When awarding certain local

government purchasing contracts that are not adapted to competitive bidding, the local government must give consideration to the number of local employees and other relevant local contacts of the person or business seeking the contract. If the local government uses a points system or similar scoring rubric to make decisions on awarding such contracts, it must ensure that the factors demonstrating that the local government contracts of the bidder account for not less than 5 percent of the points. The bid requires annual reporting by the local government to the Legislature on a number of contracts awarded to local businesses or businesses owned by women, minorities, or service-disabled veterans and becomes effective on July 1, 2009.

This is important legislation because AB 147 is a miniature stimulus package that uses our state's resources to strengthen local economy statewide, support local businesses, diversify our economy, decrease unemployment, and support state economic development goals. Some of our business sectors have unemployment in excess of 50 percent and too many of our tax dollars flow out of Nevada, never to return. Our small businesses and their employees need the help that AB 147 provides, which is why this bill is supported by chambers of commerce throughout the state. I urge your support for AB 147.

ASSEMBLYMAN SETTELMEYER:

Thank you, Madam Speaker. I rise in opposition to AB 147. The bill discusses a concept of the 5 percent preference, but the question is where do you get that type of money in these economic times? To me, that either means we are going to do 5 percent less jobs or we are going to have to raise taxes to get the additional 5 percent. In that respect, we are generally talking about products such as paper and things of that nature that are not manufactured within the state. These are just other individuals being middle men on these types of projects. So that means that the state would have less money, or rather government would have less money, to give to other worthy projects. I urge you to vote no on this bill.

ASSEMBLYWOMAN SMITH:

Thank you, Madam Speaker. I rise in support of AB 147. Just a couple of days ago, we were in a budget hearing and I asked one of our state agencies if we were seeing more competition from out of state on these bids. I have been worried about this since the economy is so tough, and especially with the stimulus money coming—if we would be giving some of that up to out-of-state employers and consequently their employees who would be taking that money back home. The answer was that they had just opened a contract for a $120,000 bid, and there was a contractor from Arizona bidding on that—a small bid like that attracted someone from out of state. I think it is obvious that if we keep the work here, those paychecks go in the pockets of our state residents and that money cycles back through our businesses and our economy. I urge my colleagues to support this bill.

ASSEMBLYWOMAN KIRKPATRICK:

Thank you, Madam Speaker. First, I would like to clarify that within the bill there is a provision that if it is not in the public's best interest, local government absolutely should not be required to spend more than what it costs to do the job. I will tell you, we have seen many contracts that we are losing for less than thousands of dollars. For example, I pay a utility bill within Clark County; we send that utility bill to Arizona for data processing with my tax dollars. It is great to have other states doing so well. I will tell you, 37 states across the nation are looking at this very exact issue because we need to keep our tax dollars in our state at a time when we need it. So I would ask that you support this bill.

ASSEMBLYWOMAN SPIEGEL:

Assembly Bill 290 provides that in a contract for the sale of a used vehicle by a used vehicle dealer, the implied warranty expires at midnight on the fifteenth calendar day after delivery of the used vehicle or upon the used vehicle being driven 500 miles, whichever occurs first. Additionally, a used vehicle dealer is prohibited from excluding, modifying, negating, or limiting the implied warranty of merchantability or limiting any right or remedy of the purchaser for failure of the used vehicle to conform to the implied warranty of merchantability. The bill also provides certain remedies to the purchaser if the used vehicle does not conform to the implied warranty of merchantability. The measure exempts used vehicles still under a manufacturer's warranty. A person may waive the implied warranty of merchantability for a particular defect under certain circumstances. Also, the bill provides various protections for a person who purchases a used vehicle sold by a used vehicle dealer, regardless of the mileage of the used vehicle. Finally, the bill repeals certain provisions governing express written warranties provided by used vehicle dealers and the imposition of administrative fines for violations of a used vehicle dealer. This bill is effective upon passage and approval for the purposes of adopting regulations and on October 1, 2009, for all other purposes.

ASSEMBLYMAN GOEDHART:

Thank you, Madam Speaker. I know that in the past if we wanted or needed some old ranch vehicles, we would sometimes go to dealerships, on recent trade-ins, where they would have what's called "back row" cars. We would go with our mechanic and look over the vehicles, whether they were trucks or pickup trucks or cars. We would buy those at a reduced price under the conditions of "as is, where is." In other words, there were no warranties expressed or implied. Would this legislation preclude people from being able to do that?

ASSEMBLYMAN ATKINSON:

Thank you, Madam Speaker. I do rise in support of Assembly Bill No. 290. This bill is a good consumer bill. This is not about the individual who has the amount of money to go get a hobby car or who can go buy a car that they know will need work and can fix it up. This bill is about the consumer who has a little bit of money, who has gone out to a dealership and bought a car with the little money they have, $3,000 or $4,000, because they do not have enough money to go finance a more expensive car. That consumer should know that car is in operable condition. This bill, again, is not about someone who can afford to fix up a car. This is for someone who drives off the lot and believes the car they just purchased will be able to run. In some instances, we are finding that cars people are driving off the lot are, one or two days later, no longer operating. Now, they are out of their $3,000, $4,000, or $5,000 and have a car that is not operating. So that is who this bill is for. And yes, that does fall under the "as is," category because even if you are selling "as is" someone should be able to rely on that car for at least 15 days. Thank you, Madam Speaker.

ASSEMBLYWOMAN SPIEGEL:

Just in answer to my colleague to the north's question, you can buy something from the back of the lot, but the dealer just needs to tell you what is wrong with it and says, "You are going to get a fabulous price on this because there are problems with the transmission, there are problems with the radiator, there are problems with this." They disclose it, you buy it, you get the great price, and then those items are exempt because it has been disclosed.

Madam Speaker requested the privilege of the Chair for the purpose of making the following remarks:

More specifically, that is contained in section 7 of the bill, page 4, which states that a purchaser may specifically waive the implied warranty if it is disclosed and that there is actually a form to allow the back of the row purchasers, still.

ASSEMBLYMAN GOEDHART:

Thank you, Madam Speaker. I guess, in that case, for those implied warranties to be waived, from what I read in that section, the dealer would have to explicitly state each and every flaw in the car, whether it was a leaking radiator or a hose. In that case, it would still preclude the dealers from being able to sell those. What they would end up doing is taking them through an auction. A lot of auctions are available to people, but there are less financing options with those auctions. Also, people who are trading in old cars with 150,000 miles on them to the dealerships are going to find out that the dealerships won't take those cars in on trade. They will force all of those sells to be on craigslist or through curbstoners, who jump titles. I applaud the sponsor of the bill and what her intent was, but I think there are other ways to go about it, and I think this would be akin to shooting a fly with an elephant gun. Thank you.

Thank you, Madam Speaker. I just want to get some remarks on the record, particularly pertaining to Chapter 704B, which is amended in this bill. What I want to be on the record is simply this: the amendment pertaining to 704B is designed to answer a very long disputed question between the energy providers and those who have gotten off the grid. It simply says

when you have been allowed to get off of the grid by the PUC, the standard of renewable energy which exists at that time will be your standard as long as you keep that order in existence and you do not change or increase your energy usage. If you increase your energy usage once you are off the grid, then you have to apply for new energy and meet the new standard, which will be higher. Thank you, Madam Speaker, I urge passage.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 396.

SUMMARY— ~~[Establishes]~~ **Makes various changes governing the investigations of the criminal history of certain employees and licensees and creates** the Statewide Central Registry for the Collection of Information Concerning the Abuse, Neglect, Exploitation or Isolation of Older Persons. (BDR 38-98)

AN ACT relating to ~~[older persons;]~~ **public safety; revising certain provisions governing the investigations of the criminal history of certain employees and licensees;** establishing the Statewide Central Registry for the Collection of Information Concerning the Abuse, Neglect, Exploitation or Isolation of Older Persons; requiring the Aging Services Division of the Department of Health and Human Services to maintain the Central Registry; providing for the release of certain information from the Central Registry to an employer or prospective employer under certain circumstances; providing immunity from civil and criminal liability under certain circumstances for persons who release information from the Central Registry; **making it a crime to submit fingerprints to an employer or licensing board under false pretenses;** providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1 of this bill requires the Office of Disability Services of the Department of Health and Human Services, rather than the Central Repository for Nevada Records of Criminal History, to review the record of criminal history and the report obtained from the Federal Bureau of Investigation to make employment-related decisions concerning employees of certain organizations and agencies which provide personal care services. (NRS 426.335) Sections 17, 18 and 19 of this bill similarly amend provisions regarding the review of such information by the Health Division of the Department of Health and Human Services for the purpose of making decisions relating to the licensure of persons who operate certain medical facilities and employment-related decisions concerning prospective and current employees of certain medical facilities. (NRS 449.176, 449.179, 449.185) Section 15 of this bill makes it a category D felony to submit fingerprints to an employer or licensing board under any false pretense when the fingerprints will be used to conduct an investigation of the criminal history of the person.

Certain persons are required to report cases of suspected abuse, neglect, exploitation or isolation of older persons. (NRS 200.5093) **Sections 2-14** of this bill establish the Statewide Central Registry for the Collection of Information Concerning the Abuse, Neglect, Exploitation or Isolation of Older Persons and require the Aging Services Division of the Department of Health and Human Services to maintain the Central Registry. **Section 10** provides for the release of certain information from the Central Registry to an employer or prospective employer upon written authorization from the person who is the subject of the background investigation by the employer or prospective employer. **Section 13** provides immunity from civil and criminal liability for persons who lawfully release information from the Central Registry. **Section 14** makes it a misdemeanor to release information contained in the Central Registry to an unauthorized person.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. **NRS 426.335 is hereby amended to read as follows:**

426.335 1. Except as otherwise provided in subsection 2, within 10 days after hiring an employee or entering into a contract with an independent contractor, the holder of a certificate to operate an intermediary service organization shall:

(b) Obtain an oral and written confirmation of the information contained in the written statement obtained pursuant to paragraph (a);

(c) Obtain from the employee or independent contractor two sets of fingerprints and a written authorization to forward the fingerprints to the Central Repository for Nevada Records of Criminal History for submission to the Federal Bureau of Investigation for its report; and

(d) Submit to the Central Repository for Nevada Records of Criminal History the fingerprints obtained pursuant to paragraph (c).

2. ASSEMBLY IN SESSION

At 7:18 p.m.

Madam Speaker presiding.

Quorum present.

Assembly Bill No. 24.

Bill read second time.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 429.

AN ACT relating to industrial insurance; revising provisions relating to the duty of an insurer to accept or deny a claim for compensation; revising provisions relating to the selection of a physician or chiropractor by an injured employee; revising provisions relating to the denial of compensation due to discharge from employment for misconduct; revising provisions relating to the ~~[reopening]~~ **closure** of a claim; repealing provisions requiring the reduction of compensation by the amount of federal disability insurance benefits received by an injured employee; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, an insurer is required to accept or deny a claim for compensation within 30 days after the insurer has been notified of an industrial accident. (NRS 616C.065) **Section 2** of this bill provides that if an insurer is ordered by the Administrator of the Division of Industrial Relations of the Department of Business and Industry, a hearing or appeals officer, a district court or the Supreme Court of Nevada to make a new determination relating to a claim for compensation, such a determination must be made within 30 days after the order.

Existing law provides that an injured employee may choose an alternative treating physician or chiropractor after making his initial choice if the alternative choice is made within 90 days after the injury. (NRS 616C.090) **Section 3** of this bill clarifies existing law by providing that an injured employee may make the alternative choice without the insurer's approval if the alternative choice is made within 90 days after the injury. **Section 3** also provides that an injured employee may make a change in the treating physician or chiropractor at any time, subject to the insurer's approval. **Section 3 further requires an insurer to provide to an injured employee whose request for a change in the treating physician or chiropractor has been denied the specific reason for the denial.**

Section 4 of this bill provides that the affidavit or declaration of a qualified laboratory director, chemist or any other person meeting certain qualifications may be used to prove the existence of alcohol or controlled substances in an employee's system in denying, reducing or suspending the payment of compensation for an injury. (NRS 616C.230)

Section 5 of this bill revises existing provisions governing the denial of compensation to injured employees who have been discharged for misconduct by ~~[adding further facts that must be proven by the insurer before he may deny compensation and by]~~ providing that only compensation for temporary total disability may be denied. (NRS 616C.232)

Section 5.5 of this bill revises existing law by requiring an insurer to notify an injured employee whose claim will be closed whether an evaluation for a permanent partial disability has been scheduled or, if such an evaluation has not been scheduled, that the reason is because the insurer determined there is no possibility of a permanent impairment of any kind. (NRS 616C.235)

~~[Section 6 of this bill revises existing law to require, as one of the criteria that must be met for an insurer to reopen a claim to modify a compensation arrangement more than 1 year after the date on which the claim was closed, a showing that a substantial contributing cause, rather than the primary cause, of the change in circumstances which warrants a modification to the compensation arrangement is the injury for which the claim was originally made.~~

~~(NRS 616C.390)~~

~~Section 7 of this bill removes a showing that the insurer committed certain violations from the criteria that must be met to require an insurer to reopen a claim for permanent partial disability. (NRS 616C.392)]~~

Section 9 of this bill repeals the provisions requiring a reduction in the compensation received by an employee for temporary disability, permanent partial disability or permanent total disability by the amount of federal disability insurance benefits received by the employee. (NRS 616C.430)

~~[5.]~~ ***6.*** The failure of the insurer to obtain a certificate of mailing as required by paragraph (b) of subsection ~~[4]~~ ***5*** shall be deemed to be a failure of the insurer to mail the written determination of the denial of a claim as required by this section.

Sec. 3. NRS 616C.090 is hereby amended to read as follows:

616C.090 1. The Administrator shall establish a panel of physicians and chiropractors who have demonstrated special competence and interest in industrial health to treat injured employees under chapters 616A to 616D, inclusive, or chapter 617 of NRS. Every employer whose insurer has not entered into a contract with an organization for managed care or with providers of health care services pursuant to NRS 616B.527 shall maintain a list of those physicians and chiropractors on the panel who are reasonably accessible to his employees.

2. An injured employee whose employer's insurer has not entered into a contract with an organization for managed care or with providers of health care services pursuant to NRS 616B.527 may choose his treating physician or chiropractor from the panel of physicians and chiropractors. If the injured employee is not satisfied with the first physician or chiropractor he so chooses, he may make an alternative choice of physician or chiropractor from the panel if the choice is made within 90 days after his injury. The insurer shall notify the first physician or chiropractor in writing. The notice must be postmarked within 3 working days after the insurer receives knowledge of the change. The first physician or chiropractor must be reimbursed only for the services he rendered to the injured employee up to and including the date of notification. Except as otherwise provided in this subsection, any further change is subject to the approval of the insurer, which must be granted or denied within 10 days after a written request for such a change is received from the injured employee. If no action is taken on the request within 10 days, the request shall be deemed granted. Any request for a change of physician or chiropractor must include the name of the new physician or chiropractor chosen by the injured employee. If the treating physician or chiropractor refers the injured employee to a specialist for treatment, the treating physician or chiropractor shall provide to the injured employee a list that includes the name of each physician or chiropractor with that specialization who is on the panel. After receiving the list, the injured employee shall, at the time the referral is made, select a physician or chiropractor from the list.

3. An injured employee whose employer's insurer has entered into a contract with an organization for managed care or with providers of health care services pursuant to NRS 616B.527 must choose his treating physician or chiropractor pursuant to the terms of that contract. If the injured employee is not satisfied with the first physician or chiropractor he so chooses, he may make an alternative choice of physician or chiropractor pursuant to the terms of the contract ***without the approval of the insurer*** if the choice is made within 90 days after his injury. If the injured employee, after choosing his treating physician or chiropractor, moves to a county which is not served by the organization for managed care or providers of health care services named in the contract and the insurer determines that it is impractical for the injured employee to continue treatment with the physician or chiropractor, the injured employee must choose a treating physician or chiropractor who has agreed to the terms of that contract unless the insurer authorizes the injured employee to choose another physician or chiropractor. If the treating physician or chiropractor refers the injured employee to a specialist for treatment, the treating physician or chiropractor shall provide to the injured employee a list that includes the name of each physician or chiropractor with that specialization who is available pursuant to the terms of the contract with the organization for managed care or with providers of health care services pursuant to NRS 616B.527, as appropriate. After receiving the list, the injured employee shall, at the time the referral is made, select a physician or chiropractor from the list. If the employee fails to select a physician or chiropractor, the insurer may select a physician or chiropractor with that specialization. If a physician or chiropractor with that specialization is not available pursuant to the terms of the contract, the organization for managed care or the provider of health care services may select a physician or chiropractor with that specialization.

4. ***If the injured employee is not satisfied with the physician or chiropractor selected by himself or by the insurer, the organization for managed care or the provider of health care services pursuant to subsection 3, the injured employee may make an alternative choice of physician or chiropractor pursuant to the terms of the contract. A change in the treating physician or chiropractor may be made at any time but is subject to the approval of the insurer, which must be granted within 10 days after a written request for such a change is received from the injured employee. If no action is taken on the request within 10 days, the request shall be deemed granted. Any request for a change of physician or chiropractor must include the name of the new physician or chiropractor chosen by the injured employee. If the insurer denies a request for a change in the treating physician or chiropractor under this subsection, the insurer must include in a written notice of denial to the injured employee the specific reason for the denial of the request.***

5. Except when emergency medical care is required and except as otherwise provided in NRS 616C.055, the insurer is not responsible for any

charges for medical treatment or other accident benefits furnished or ordered by any physician, chiropractor or other person selected by the injured employee in disregard of the provisions of this section or for any compensation for any aggravation of the injured employee's injury attributable to improper treatments by such physician, chiropractor or other person.

~~[5.]~~ ***6.*** The Administrator may order necessary changes in a panel of physicians and chiropractors and shall suspend or remove any physician or chiropractor from a panel for good cause shown.

~~[6.]~~ ***7.*** An injured employee may receive treatment by more than one physician or chiropractor if the insurer provides written authorization for such treatment.

~~[7.]~~ ***8.*** The Administrator shall design a form that notifies injured employees of their right pursuant to subsections 2 ***,*** ~~[and]~~ 3 ***and 4*** to select an alternative treating physician or chiropractor and make the form available to insurers for distribution pursuant to subsection 2 of NRS 616C.050.

Sec. 4. NRS 616C.230 is hereby amended to read as follows:

616C.230 1. Compensation is not payable pursuant to the provisions of chapters 616A to 616D, inclusive, or chapter 617 of NRS for an injury:

(a) Caused by the employee's willful intention to injure himself.

(b) Caused by the employee's willful intention to injure another.

(c) Proximately caused by the employee's intoxication. If the employee was intoxicated at the time of his injury, intoxication must be presumed to be a proximate cause unless rebutted by evidence to the contrary.

(d) Proximately caused by the employee's use of a controlled substance. If the employee had any amount of a controlled substance in his system at the time of his injury for which the employee did not have a current and lawful prescription issued in his name or that he was not using in accordance with the provisions of chapter 453A of NRS, the controlled substance must be presumed to be a proximate cause unless rebutted by evidence to the contrary.

2. For the purposes of paragraphs (c) and (d) of subsection 1:

(a) The affidavit or declaration of an expert or other person described in NRS ***50.310,*** 50.315 ***or 50.320*** is admissible to prove the existence of any alcohol or the existence, quantity or identity of a controlled substance in an employee's system. If the affidavit or declaration is to be so used, it must be submitted in the manner prescribed in NRS 616C.355.

(b) When an examination requested or ordered includes testing for the use of alcohol or a controlled substance, the laboratory that conducts the testing must be licensed pursuant to the provisions of chapter 652 of NRS.

3. No compensation is payable for the death, disability or treatment of an employee if his death is caused by, or insofar as his disability is aggravated, caused or continued by, an unreasonable refusal or neglect to submit to or to follow any competent and reasonable surgical treatment or medical aid.

4. If any employee persists in an unsanitary or injurious practice that imperils or retards his recovery, or refuses to submit to such medical or surgical treatment as is necessary to promote his recovery, his compensation may be reduced or suspended.

5. An injured employee's compensation, other than accident benefits, must be suspended if:

(a) A physician or chiropractor determines that the employee is unable to undergo treatment, testing or examination for the industrial injury solely because of a condition or injury that did not arise out of and in the course of his employment; and

(b) It is within the ability of the employee to correct the nonindustrial condition or injury.

➥ The compensation must be suspended until the injured employee is able to resume treatment, testing or examination for the industrial injury. The insurer may elect to pay for the treatment of the nonindustrial condition or injury.

Sec. 5. NRS 616C.232 is hereby amended to read as follows:

616C.232 1. If an injured employee is discharged from his employment as a result of misconduct, an insurer may deny compensation ***for temporary total disability*** to the injured employee because of that discharge for misconduct only if the insurer proves by a preponderance of the evidence that:

(a) The injured employee was discharged from his employment solely for his misconduct and not for any reason relating to his claim for compensation; and

(b) It is the injured employee's discharge from his employment for misconduct, and not his injury, that is the sole cause for the injured employee's inability to return to work with the preinjury employer . ~~*[; and*~~

~~*(c) If the injured employee had not been discharged from his employment for misconduct, the preinjury employer would be entitled to return the injured employee to work at:*~~

~~*(1) The position the employee held at the time of his injury; or*~~

~~*(2) Temporary, light-duty employment or employment that is modified according to the limitations or restrictions imposed by a physician or chiropractor, as provided in NRS 616C.475.]*~~

2. An insurer waives its rights under subsection 1 if the insurer does not make a determination to deny or suspend compensation to the injured employee within 70 days after the date on which the insurer learns that the injured employee has been discharged for misconduct.

3. An insurer may not deny any compensation pursuant to this section except for compensation for temporary total disability pursuant to subsection 1.

Sec. 5.5. **NRS 616C.235 is hereby amended to read as follows:**

616C.235 1. Except as otherwise provided in subsections 2, 3 and 4:

(a) When the insurer determines that a claim should be closed before all benefits to which the claimant may be entitled have been paid, the insurer

shall send a written notice of its intention to close the claim to the claimant by first-class mail addressed to the last known address of the claimant and, if the insurer has been notified that the claimant is represented by an attorney, to the attorney for the claimant by first-class mail addressed to the last known address of the attorney. The notice must include, on a separate page, a statement describing the effects of closing a claim pursuant to this section and a statement that if the claimant does not agree with the determination, he has a right to request a resolution of the dispute pursuant to NRS 616C.305 and 616C.315 to 616C.385, inclusive, including, without limitation, a statement which prominently displays the limit on the time that the claimant has to request a resolution of the dispute as set forth in NRS 616C.315. A suitable form for requesting a resolution of the dispute must be enclosed with the notice. The closure of a claim pursuant to this subsection is not effective unless notice is given as required by this subsection.

(b) If the insurer does not receive a request for the resolution of the dispute, it may close the claim.

(c) Notwithstanding the provisions of NRS 233B.125, if a hearing is conducted to resolve the dispute, the decision of the hearing officer may be served by first-class mail.

2. If, during the first 12 months after a claim is opened, the medical benefits required to be paid for a claim are less than $300, the insurer may close the claim at any time after he sends, by first-class mail addressed to the last known address of the claimant, written notice that includes a statement which prominently displays that:

(a) The claim is being closed pursuant to this subsection;

(b) The injured employee may appeal the closure of the claim pursuant to the provisions of NRS 616C.305 and 616C.315 to 616C.385, inclusive; and

(c) If the injured employee does not appeal the closure of the claim or appeals the closure of the claim but is not successful, the claim cannot be reopened.

3. In addition to the notice described in subsection 2, an insurer shall send to each claimant who receives less than $300 in medical benefits within 6 months after the claim is opened a written notice that explains the circumstances under which a claim may be closed pursuant to subsection 2. The written notice provided pursuant to this subsection does not create any right to appeal the contents of that notice. The written notice must be:

(a) Sent by first-class mail addressed to the last known address of the claimant; and

(b) A document that is separate from any other document or form that is used by the insurer.

4. The closure of a claim pursuant to subsection 2 is not effective unless notice is given as required by subsections 2 and 3.

5. In addition to the requirements of this section, an insurer shall include in the written notice described in subsection 2:

(a) If an evaluation for a permanent partial disability has been scheduled pursuant to NRS 616C.490, a statement to that effect; or

(b) If an evaluation for a permanent partial disability will not be scheduled pursuant to NRS 616C.490, a statement explaining that the reason is because the insurer has determined there is no possibility of a permanent impairment of any kind.

~~(b) [~~The primary~~] *A substantial contributing* cause of the change of circumstances is the injury for which the claim was originally made; and~~

~~(c) The application is accompanied by the certificate of a physician or a chiropractor showing a change of circumstances which would warrant an increase or rearrangement of compensation.~~

~~2. After a claim has been closed, the insurer, upon receiving an application and for good cause shown, may authorize the reopening of the claim for medical investigation only. The application must be accompanied by a written request for treatment from the physician or chiropractor treating the claimant, certifying that the treatment is indicated by a change in circumstances and is related to the industrial injury sustained by the claimant.~~

2. Except as otherwise provided in NRS 616B.028 and 616B.029, an injured employee or his dependents are not entitled to accrue or be paid any benefits for a temporary total disability during the time the injured employee is incarcerated. The injured employee or his dependents are entitled to receive such benefits when the injured employee is released from incarceration if he is certified as temporarily totally disabled by a physician or chiropractor.

3. If a claim for the period of temporary total disability is allowed, the first payment pursuant to this section must be issued by the insurer within 14 working days after receipt of the initial certification of disability and regularly thereafter.

4. Any increase in compensation and benefits effected by the amendment of subsection 1 is not retroactive.

5. Payments for a temporary total disability must cease when:

(a) A physician or chiropractor determines that the employee is physically capable of any gainful employment for which the employee is suited, after giving consideration to the employee's education, training and experience;

(b) The employer offers the employee light-duty employment or employment that is modified according to the limitations or restrictions imposed by a physician or chiropractor pursuant to subsection 7; or

(c) Except as otherwise provided in NRS 616B.028 and 616B.029, the employee is incarcerated.

6. Each insurer may, with each check that it issues to an injured employee for a temporary total disability, include a form approved by the Division for the injured employee to request continued compensation for the temporary total disability.

7. A certification of disability issued by a physician or chiropractor must:

(a) Include the period of disability and a description of any physical limitations or restrictions imposed upon the work of the employee;

(b) Specify whether the limitations or restrictions are permanent or temporary; and

(c) Be signed by the treating physician or chiropractor authorized pursuant to NRS 616B.527 or appropriately chosen pursuant to subsection 3 ***or 4*** of NRS 616C.090.

8. If the certification of disability specifies that the physical limitations or restrictions are temporary, the employer of the employee at the time of his accident may offer temporary, light-duty employment to the employee. If the employer makes such an offer, the employer shall confirm the offer in writing within 10 days after making the offer. The making, acceptance or rejection of an offer of temporary, light-duty employment pursuant to this subsection does not affect the eligibility of the employee to receive vocational rehabilitation services, including compensation, and does not exempt the employer from complying with NRS 616C.545 to 616C.575, inclusive, and 616C.590 or the regulations adopted by the Division governing vocational rehabilitation services. Any offer of temporary, light-duty employment made by the employer must specify a position that:

(a) Is substantially similar to the employee's position at the time of his injury in relation to the location of the employment and the hours he is required to work;

(b) Provides a gross wage that is:

(1) If the position is in the same classification of employment, equal to the gross wage the employee was earning at the time of his injury; or

(2) If the position is not in the same classification of employment, substantially similar to the gross wage the employee was earning at the time of his injury; and

(c) Has the same employment benefits as the position of the employee at the time of his injury.

Sec. 9. NRS 616C.430 is hereby repealed.

Sec. 10. This act becomes effective on July 1, 2009.

TEXT OF REPEALED SECTION

616C.430 Reduction of compensation by amount of federal disability insurance benefits received by employee.

1. If an employee who is entitled to compensation under chapters 616A to 616D, inclusive, of NRS for temporary total disability, permanent partial disability or permanent total disability becomes entitled to federal disability insurance benefits under section 202 or 223 of the Social Security Act, as amended, 42 U.S.C. §§ 402 and 423, respectively, the employee's compensation under chapters 616A to 616D, inclusive, of NRS must be reduced by the amount of the federal benefits being received by him.

2. This section must not be applied to reduce the employee's compensation under chapters 616A to 616D, inclusive, of NRS to any greater extent than his federal benefits would have otherwise been reduced by the Social Security Administration under section 224 of the Social Security Act, as amended, 42 U.S.C. § 424a. After any reduction pursuant to this section, the combination of his state compensation and federal benefits must be at least as much as the greater of:

(a) The benefits payable pursuant to chapters 616A to 616D, inclusive, of NRS, without the reduction; or

(b) The benefits payable under the Social Security Act, without any reduction.

3. After a reduced amount of compensation for an employee has been established pursuant to this section, no further reduction in his compensation may be made because he receives an increase in his benefits under the Social Security Act as the result of an adjustment based on an increase in the cost of living.

4. No compensation may be reduced pursuant to this section until the Social Security Administration has determined the amount of benefits payable to the employee under section 202 or 223 of the Social Security Act and he has begun to receive those benefits.

5. If an employee:

(a) Fails to report the amount of benefits which he is receiving under section 202 or 223 of the Social Security Act, within 30 days after he is requested in writing by the insurer to make that report; or

(b) Fails to provide the insurer with a written authorization for the Social Security Administration to release information on the employee's average current earnings and the amount of benefits to which he is entitled, within 30 days after he is requested to provide that authorization,

➥ the insurer may reduce by 50 percent the compensation which the employee would otherwise receive pursuant to chapters 616A to 616D, inclusive, of NRS. Any compensation which is withheld pursuant to this subsection must be paid to the employee when he has furnished the report or authorization as requested.

6. If the provisions of section 224 of the Social Security Act are amended:

(a) To allow an employee to receive more compensation under chapters 616A to 616D, inclusive, of NRS without any reduction in benefits payable under section 202 or 223 of the Social Security Act; or

(b) To lower the maximum sum of compensation payable under chapters 616A to 616D, inclusive, of NRS and benefits payable under section 202 or 223 of the Social Security Act,

➥ the reduction imposed by this section must be increased or decreased correspondingly.

7. No reduction in compensation may be made under this section for any period of entitlement which:

(a) Occurs before January 1, 1982;

(b) Occurs before the employee has been given a written notice by mail of the intended reduction; or

(c) Includes any week after the week in which the employee becomes 62 years of age.

Assemblyman Conklin moved the adoption of the amendment.

Amendment adopted.

Bill ordered reprinted, engrossed and to third reading.

Assembly Bill No. 320.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 346.

AN ACT relating to guardianships; requiring additional information in a petition for appointment of a guardian; requiring that a proposed ward be advised of his right to counsel; revising provisions relating to the attendance of a proposed ward at a guardianship hearing; requiring a guardian to petition a court before moving a ward into certain residential facilities under certain circumstances; **making various other changes relating to guardianships;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1 of this bill requires that a petitioner for the appointment of a guardian provide the court with an assessment completed by a licensed physician of the proposed ward's needs and limitations in capacity before the court makes a final order in the case. (NRS 159.044)

Section 2 of this bill provides that a proposed ward must be advised of his right to counsel in the guardianship proceeding ~~[.]~~ **and requires that certain information or responses provided by the ward relating to his right to counsel and to the proceeding be transmitted to the court.** (NRS 159.0485)

Existing law provides that a proposed ward found in this State must attend a hearing for the appointment of a guardian unless a certificate is signed

indicating the reasons the proposed ward cannot appear. (NRS 159.0535) **Section 3** of this bill provides that a proposed ward who is unable to attend a hearing for the appointment of a general or special guardian may attend by videoconference. **Section 3** further provides that if a proposed ward cannot attend the hearing or appear by videoconference, the court must have ~~[an agent or employee of the court or a licensed physician employed by the proposed guardian]~~ **the person who signs the certificate to excuse the proposed ward from attending the hearing** meet with the proposed ward and report back to the court regarding the proposed ward's desire for representation at the hearing, preferences if a guardianship is imposed and ~~[relevant medical]~~ **any** information ~~[.]~~ **the person believes may have limited any of the proposed ward's responses.**

Existing law provides that a guardian must file with the court annually, or at such other times the court deems appropriate, a written report on the condition of the ward and the exercise of authority and the performance of duties by the guardian. (NRS 159.081) Section 4 of this bill: (1) provides that a guardian must also file with the court a report within 10 days of moving a ward to a residential facility which provides long-term care and which restricts the ward from leaving the facility without supervision; and (2) establishes procedures for the handling of such a report following its filing.

Section ~~[4]~~ 5 of this bill requires a guardian to petition the court and receive the court's consent before moving a ward into a residential facility which **provides long-term care and** restricts the ward from leaving the facility without supervision. However, a guardian does not need to petition the court if the court has already granted the guardian the authority to move the ward to such a facility or if ~~[there is an emergency. If the guardian moves the ward to such a facility based on an emergency, the guardian must: (1) include information concerning the placement in the annual report filed by the guardian if the placement is for less than 15 days; or (2) petition the court for authorization to continue the placement if the placement is for more than 15 days.]~~ **a licensed physician, a physician employed by the Department of Veterans Affairs, a licensed social worker or an employee of the county's office of protective services recommends the transfer in writing.** (NRS 159.113)

The following amendment was proposed by the Committee on Transportation:

Amendment No. 383.

SUMMARY—Revises certain provisions relating to ~~[the towing of]~~ **motor** vehicles. (BDR 58-835)

AN ACT relating to ~~[tow cars;]~~ **motor vehicles;** revising certain provisions relating to the towing of vehicles; **authorizing an electronic notification to the Department of Motor Vehicles of the transfer of ownership of a motor vehicle; authorizing the Department to provide certain information about the transfer of ownership of a motor vehicle to tow car operators and other interested parties;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1 of this bill requires the Nevada Transportation Authority to reduce any charge for preparing or satisfying a lien which is filed by the operator of a tow car if the Authority determines that all or part of the charge

is attributable to the operator's failure to prepare or satisfy the lien in a timely manner. (NRS 706.4468)

Existing law presumes that an abandoned motor vehicle was abandoned by its registered owner. The registered owner is thus responsible for the costs of removing and disposing of the vehicle. Existing law also provides for the rebuttal of this presumption. (NRS 487.220) Section 2 of this bill provides a similar presumption, and opportunity for rebuttal, for the registered owner of a vehicle that is towed at the request of the owner of real property from which the vehicle is towed. (NRS 706.4477)

Existing law provides that if an operator of a tow car tows a motor vehicle at the request of someone other than the owner, the operator is required to notify the owner of certain information within a particular period of time. (NRS 706.4479) **Section ~~[2]~~ 3** of this bill: (1) requires such information to be provided ~~[7 days]~~ earlier than the existing law; and (2) adds to the list of the information that must be provided notice to the registered and legal owner of the vehicle as to the actions the owner may take to reduce his liability for any potentially applicable assessments, fees, penalties or other charges ~~[.]~~ **, and as to the opportunity to rebut presumptions about the ownership of a vehicle.**

Section 4 of this bill authorizes a person who transfers ownership of a motor vehicle to notify the Department of Motor Vehicles of the transfer electronically. Section 4 also authorizes the Department to provide information regarding vehicle ownership transfers to tow car operators and other interested parties. (NRS 482.400)

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 706.4468 is hereby amended to read as follows:

706.4468 1. Each operator of a tow car shall file its charges for preparing or satisfying a lien to which the operator is entitled against a vehicle that was towed without the prior consent of the owner of the vehicle or the person authorized by the owner to operate the vehicle. The Authority ~~[may]~~ ***:***

(a) May investigate any charge filed pursuant to this subsection and revise the charge as necessary to ensure that the charge is reasonable.

(b) Shall reduce any charge filed pursuant to this subsection if the Authority determines that the charge is unreasonable because the charge is attributable, in whole or in part, to failure on the part of the operator of the tow car to prepare or satisfy his lien in a timely manner.

2. An operator of a tow car may not impose a charge or any part of a charge filed pursuant to subsection 1 unless the operator:

(a) Has initiated the procedure by which a person may satisfy a lien; and

(b) Stores the vehicle for at least 96 hours.

3. If an operator of a tow car stores a vehicle that was towed without the prior consent of the owner of the vehicle or the person authorized by the owner to operate the vehicle for at least 96 hours but not more than 336 hours, the operator may charge an amount not to exceed 50 percent of the charge approved by the Authority pursuant to subsection 1 for preparing or satisfying a lien.

4. If an operator of a tow car stores a vehicle that was towed without the prior consent of the owner of the vehicle or the person authorized by the owner to operate the vehicle for more than 336 hours, the operator may charge an amount not to exceed 50 percent of the charge approved by the Authority pursuant to subsection 1 for preparing or satisfying a lien in addition to the amount charged pursuant to subsection 3.

Sec. 2. **NRS 706.4477 is hereby amended to read as follows:**

706.4477 ***1.*** If towing is requested by a person other than the owner, or an agent of the owner, of the motor vehicle or a law enforcement officer:

~~[1.]~~ ***(a)*** The person requesting the towing must be the owner of the real property from which the vehicle is towed or his authorized agent and must sign a specific request for the towing. For the purposes of this section, the operator is not an authorized agent of the owner of the real property.

~~[2.]~~ ***(b)*** The area from which the vehicle is to be towed must be appropriately posted in accordance with state or local requirements.

~~[3.]~~ ***(c)*** Notice must be given to the appropriate law enforcement agency pursuant to state and local requirements.

~~[4.]~~ ***(d)*** The operator may be directed to terminate the towing by a law enforcement officer.

2. The registered owner of a motor vehicle towed pursuant to the provisions of subsection 1:

(a) Is presumed to have left the motor vehicle on the real property from which the vehicle is towed; and

(b) Is responsible for the cost of removal and storage of the motor vehicle.

3. The registered owner may rebut the presumption in subsection 2 by showing that:

(a) He transferred his interest in the motor vehicle:

(1) Pursuant to the provisions set forth in NRS 482.399 to 482.420, inclusive; or

(2) As indicated by a bill of sale for the vehicle that is signed by the registered owner; or

(b) The vehicle is stolen, if he submits evidence that, before the discovery of the vehicle, he filed an affidavit with the Department or a written report with an appropriate law enforcement agency alleging the theft of the vehicle.

~~[Sec. 2.]~~ ***Sec. 3.*** NRS 706.4479 is hereby amended to read as follows:

706.4479 1. If a motor vehicle is towed at the request of someone other than the owner, or authorized agent of the owner, of the motor vehicle, the

operator shall, in addition to the requirements set forth in the provisions of chapter 108 of NRS:

(a) Notify the registered and legal owner of the motor vehicle by certified mail not later than ~~[21]~~ ***14*** days after placing the motor vehicle in storage if the motor vehicle was towed at the request of a law enforcement officer following an accident involving the motor vehicle or not later than ~~[15]~~ ~~*[8]*~~ ***7 business*** days after placing any other vehicle in storage:

(1) Of the location where the motor vehicle is being stored;

(2) Whether the storage is inside a locked building, in a secured, fenced area or in an unsecured, open area;

(3) Of the charge for towing and storage; ~~[and]~~

(4) Of the date and time the vehicle was placed in storage ~~[.]~~ ***;*** ~~*[and]*~~

(5) Of the actions that the registered and legal owner of the vehicle may take to recover his vehicle while incurring the lowest possible liability in accrued assessments, fees, penalties or other charges ~~*[.]*~~ ***; and***

(6) Of the opportunity to rebut the presumptions set forth in NRS 487.220 and 706.4477.

(b) If the identity of the registered and legal owner is not known or readily available, make every reasonable attempt and use all resources reasonably necessary, as evidenced by written documentation, to obtain the identity of the owner and any other necessary information from the agency charged with the registration of the motor vehicle in this State or any other state within:

(1) Twenty-one days after placing the motor vehicle in storage if the motor vehicle was towed at the request of a law enforcement officer following an accident involving the motor vehicle; or

(2) Fifteen days after placing any other motor vehicle in storage.

➥ The operator shall attempt to notify the owner of the vehicle by certified mail as soon as possible, but in no case later than 15 days after identification of the owner is obtained for any motor vehicle.

2. If an operator includes in his tariff a fee to be charged to the registered and legal owner of a vehicle for the towing and storage of the vehicle, the fee may not be charged:

(a) For more than 21 days after placing the motor vehicle in storage if the motor vehicle was towed at the request of a law enforcement officer following an accident involving the motor vehicle; or

(b) For more than 15 days after placing any other vehicle in storage,

➥ unless the operator complies with the requirements set forth in subsection 1.

Sec. 4. **NRS 482.400 is hereby amended to read as follows:**

482.400 1. Except as otherwise provided in this subsection and subsections ~~[2, 5 and 6,]~~ ***3, 6 and 7,*** and NRS 482.247, upon a transfer of the title to, or the interest of an owner in, a vehicle registered or issued a certificate of title under the provisions of this chapter, the person or persons whose title or interest is to be transferred and the transferee shall write their signatures with pen and ink upon the certificate of title issued for the vehicle,

together with the residence address of the transferee, in the appropriate spaces provided upon the reverse side of the certificate. The Department may, by regulation, prescribe alternative methods by which a signature may be affixed upon a manufacturer's certificate of origin or a manufacturer's statement of origin issued for a vehicle. The alternative methods must ensure the authenticity of the signatures.

2. ***Within 5 days after the transfer of the title to, or the interest of an owner in, a vehicle registered or issued a certificate of title under the provisions of this chapter, the person or person whose title or interest is to be transferred may submit electronically to the Department a notice of the transfer. The Department may provide, by request and at the discretion of the Department, information submitted to the Department pursuant to this section to a tow car operator or other interested party. The Department shall adopt regulations establishing:***

(a) Procedures for electronic submissions pursuant to this section; and

(b) Standards for determining who may receive information from the Department pursuant to this section.

3. The Department shall provide a form for use by a dealer for the transfer of ownership of a vehicle. The form must be produced in a manner which ensures that the form may not be easily counterfeited. Upon the attachment of the form to a certificate of title issued for a vehicle, the form becomes a part of that certificate of title. The Department may charge a fee not to exceed the cost to provide the form.

~~[3.]~~ ***4.*** Except as otherwise provided in subsections ~~[4, 5 and 6,]~~ ***5, 6 and 7,*** the transferee shall immediately apply for registration as provided in NRS 482.215 and shall pay the governmental services taxes due.

~~[4.]~~ ***5.*** If the transferee is a dealer who intends to resell the vehicle, he is not required to register, pay a transfer or registration fee for, or pay a governmental services tax on the vehicle. When the vehicle is resold, the purchaser shall apply for registration as provided in NRS 482.215 and shall pay the governmental services taxes due.

~~[5.]~~ ***6.*** If the transferee consigns the vehicle to a wholesale vehicle auctioneer:

(a) The transferee shall, within 30 days after that consignment, provide the wholesale vehicle auctioneer with the certificate of title for the vehicle, executed as required by subsection 1, and any other documents necessary to obtain another certificate of title for the vehicle.

(b) The wholesale vehicle auctioneer shall be deemed a transferee of the vehicle for the purposes of subsection ~~[4.]~~ ***5.*** The wholesale vehicle auctioneer is not required to comply with subsection 1 if he:

(1) Does not take an ownership interest in the vehicle;

(2) Auctions the vehicle to a vehicle dealer or automobile wrecker who is licensed as such in this or any other state; and

(3) Stamps his name, his identification number as a vehicle dealer and the date of the auction on the certificate of title and the bill of sale and any other documents of transfer for the vehicle.

~~[6.]~~ ***7.*** A charitable organization which intends to sell a vehicle which has been donated to the organization must deliver immediately to the Department or its agent the certificate of registration and the license plate or plates for the vehicle, if the license plate or plates have not been removed from the vehicle. The charitable organization must not be required to register, pay a transfer or registration fee for, or pay a governmental services tax on the vehicle. When the vehicle is sold by the charitable organization, the purchaser shall apply for registration as provided in NRS 482.215 and pay the governmental services taxes due.

~~[7.]~~ ***8.*** As used in this section, "wholesale vehicle auctioneer" means a dealer who:

(a) Is engaged in the business of auctioning consigned motor vehicles to vehicle dealers or automobile wreckers, or both, who are licensed as such in this or any other state; and

(b) Does not in the ordinary course of his business buy, sell or own the vehicles he auctions.

~~[Sec. 3.]~~ ***Sec. 5.*** **1.** This **section and sections 1, 2 and 3 of this** act ~~[becomes]~~ **become** effective on July 1, 2009.

Sec. 3. NRS 704.110 is hereby amended to read as follows:

704.110 Except as otherwise provided in NRS 704.075 ~~*[, 704.095]*~~ and 704.68861 to 704.68887, inclusive, or as may otherwise be provided by the Commission pursuant to NRS 704.095 or 704.097:

1. If a public utility files with the Commission an application to make changes in any schedule, including, without limitation, changes that will result in a discontinuance, modification or restriction of service, the Commission shall investigate the propriety of the proposed changes to determine whether to approve or disapprove the proposed changes. If an electric utility files such an application and the application is a general rate application or an annual deferred energy accounting adjustment application, the Consumer's Advocate shall be deemed a party of record.

2. Except as otherwise provided in subsection 3, if a public utility files with the Commission an application to make changes in any schedule, the Commission shall, not later than 210 days after the date on which the application is filed, issue a written order approving or disapproving, in whole or in part, the proposed changes.

3. If a public utility files with the Commission a general rate application, the public utility shall submit with its application a statement showing the recorded results of revenues, expenses, investments and costs of capital for its most recent 12 months for which data were available when the application was prepared. Except as otherwise provided in subsection 4, in determining whether to approve or disapprove any increased rates, the Commission shall consider evidence in support of the increased rates based upon actual recorded results of operations for the same 12 months, adjusted for increased revenues, any increased investment in facilities, increased expenses for depreciation, certain other operating expenses as approved by the Commission and changes in the costs of securities which are known and are measurable with reasonable accuracy at the time of filing and which will become effective within 6 months after the last month of those 12 months, but the public utility shall not place into effect any increased rates until the changes have been experienced and certified by the public utility to the Commission and the Commission has approved the increased rates. The Commission shall also consider evidence supporting expenses for depreciation, calculated on an annual basis, applicable to major components of the public utility's plant placed into service during the recorded test period or the period for certification as set forth in the application. Adjustments to

revenues, operating expenses and costs of securities must be calculated on an annual basis. Within 90 days after the date on which the certification required by this subsection is filed with the Commission, or within the period set forth in subsection 2, whichever time is longer, the Commission shall make such order in reference to the increased rates as is required by this chapter. The following public utilities shall each file a general rate application pursuant to this subsection based on the following schedule:

(a) An electric utility that primarily serves less densely populated counties shall file a general rate application not later than 5 p.m. on or before the first Monday in December 2007, and at least once every 36 months thereafter.

(b) An electric utility that primarily serves densely populated counties shall file a general rate application not later than 5 p.m. on or before the first Monday in December 2008, and at least once every 36 months thereafter.

(c) A public utility that furnishes water for municipal, industrial or domestic purposes or services for the disposal of sewage, or both, which had an annual gross operating revenue of ~~[$500,000]~~ ***$2,000,000*** or more for at least 1 year during the immediately preceding 3 years and which had not filed a general rate application with the Commission on or after July 1, 2005, shall file a general rate application on or before June 30, 2008, and at least once every 36 months thereafter unless waived by the Commission pursuant to standards adopted by regulation of the Commission. ***If a public utility furnishes both water and services for the disposal of sewage, its annual gross operating revenue for each service must be considered separately for determining whether the public utility meets the requirements of this paragraph for either service.***

(d) A public utility that furnishes water for municipal, industrial or domestic purposes or services for the disposal of sewage, or both, which had an annual gross operating revenue of ~~[$500,000]~~ ***$2,000,000*** or more for at least 1 year during the immediately preceding 3 years and which had filed a general rate application with the Commission on or after July 1, 2005, shall file a general rate application on or before June 30, 2009, and at least once every 36 months thereafter unless waived by the Commission pursuant to standards adopted by regulation of the Commission. ***If a public utility furnishes both water and services for the disposal of sewage, its annual gross operating revenue for each service must be considered separately for determining whether the public utility meets the requirements of this paragraph for either service.***

➥ The Commission shall adopt regulations setting forth standards for waivers pursuant to paragraphs (c) and (d) and for including the costs incurred by the public utility in preparing and presenting the general rate application before the effective date of any change in rates.

4. In addition to submitting the statement required pursuant to subsection 3, a public utility may submit with its general rate application a statement showing the effects, on an annualized basis, of all expected changes in circumstances. If such a statement is filed, it must include all increases and

decreases in revenue and expenses which may occur within 210 days after the date on which its general rate application is filed with the Commission if such expected changes in circumstances are reasonably known and are measurable with reasonable accuracy. If a public utility submits such a statement, the public utility has the burden of proving that the expected changes in circumstances set forth in the statement are reasonably known and are measurable with reasonable accuracy. The Commission shall consider expected changes in circumstances to be reasonably known and measurable with reasonable accuracy if the expected changes in circumstances consist of specific and identifiable events or programs rather than general trends, patterns or developments, have an objectively high probability of occurring to the degree, in the amount and at the time expected, are primarily measurable by recorded or verifiable revenues and expenses and are easily and objectively calculated, with the calculation of the expected changes relying only secondarily on estimates, forecasts, projections or budgets. If the Commission determines that the public utility has met its burden of proof:

(a) The Commission shall consider the statement submitted pursuant to this subsection and evidence relevant to the statement, including all reasonable projected or forecasted offsets in revenue and expenses that are directly attributable to or associated with the expected changes in circumstances under consideration, in addition to the statement required pursuant to subsection 3 as evidence in establishing just and reasonable rates for the public utility; and

(b) The public utility is not required to file with the Commission the certification that would otherwise be required pursuant to subsection 3.

5. If a public utility files with the Commission an application to make changes in any schedule and the Commission does not issue a final written order regarding the proposed changes within the time required by this section, the proposed changes shall be deemed to be approved by the Commission.

6. If a public utility files with the Commission a general rate application, the public utility shall not file with the Commission another general rate application until all pending general rate applications filed by that public utility have been decided by the Commission unless, after application and hearing, the Commission determines that a substantial financial emergency would exist if the public utility is not permitted to file another general rate application sooner. The provisions of this subsection do not prohibit the public utility from filing with the Commission, while a general rate application is pending, an application to recover the increased cost of purchased fuel, purchased power, or natural gas purchased for resale pursuant to subsection 7, a quarterly rate adjustment pursuant to subsection 8 or 9, any information relating to deferred accounting requirements pursuant to NRS 704.185 or an annual deferred energy accounting adjustment application pursuant to NRS 704.187, if the public utility is otherwise authorized to so file by those provisions.

7. A public utility may file an application to recover the increased cost of purchased fuel, purchased power, or natural gas purchased for resale once every 30 days. The provisions of this subsection do not apply to:

(a) An electric utility which is required to adjust its rates on a quarterly basis pursuant to subsection 9; or

(b) A public utility which purchases natural gas for resale and which adjusts its rates on a quarterly basis between annual rate adjustment applications pursuant to subsection 8.

8. A public utility which purchases natural gas for resale must request approval from the Commission to adjust its rates on a quarterly basis between annual rate adjustment applications based on changes in the public utility's recorded costs of natural gas purchased for resale. If the Commission approves such a request:

(a) The public utility shall file written notice with the Commission before the public utility makes a quarterly rate adjustment between annual rate adjustment applications. 3. The district court may affirm or reverse the contested portion of the decision of the arbitrator, in whole or in part, but the court may not remand the matter to the arbitrator or require any additional fact-finding or decision making by the arbitrator.

4. If the district court reverses any part of the contested portion of the decision of the arbitrator, the court shall enter an order invalidating that part of the decision of the arbitrator, and that part of the decision of the arbitrator is void and must not be given effect.

Sec. 39. ***1. If a provision of a workplace relations agreement does not require an amendment to existing statute by the Legislature to be given effect, the provision becomes effective pursuant to the provisions of the workplace relations agreement.***

2. If a provision of the workplace relations agreement requires an amendment to existing statute by the Legislature to be given effect, the provision becomes effective, if at all, on the date on which the necessary amendment to existing statute becomes effective.

(a) Must be in writing; and

(b) Shall be deemed to be incorporated into the provisions of each workplace relations agreement then in effect between the Executive Department and the employees who are subject to the supplemental workplace relations agreement if the provisions of the supplemental workplace relations agreement do not conflict with the provisions of the workplace relations agreement.

4. If any provision of the supplemental workplace relations agreement conflicts with any provision of the workplace relations agreement, the provision of the supplemental workplace relations agreement is void and the provision of the workplace relations agreement must be given effect.

5. The provisions of the supplemental workplace relations agreement expire at the same time as the other provisions of the workplace relations agreement into which they are incorporated.

Assembly Bill No. 409.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 536.

AN ACT relating to public employees; requiring the Local Government Employee-Management Relations Board to conduct certain hearings using certain hearing officers; revising provisions governing the appointment of

members to the Board; ~~[eliminating the Board's authority to appoint certain officers;]~~ revising the periods within which the Board must hear and decide certain complaints; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the Local Government Employee-Management Relations Board has exclusive jurisdiction to hear and determine complaints brought by local government employers, local government employees or employee organizations concerning various aspects of collective bargaining. (NRS 288.110) The Board also has jurisdiction to consider appeals filed by employee organizations that are aggrieved by the determinations of local government employers concerning which employee groups may constitute bargaining units for purposes of collective bargaining. (NRS 288.170) **Section 3** of this bill requires the Board to conduct the proceedings concerning such complaints or appeals using **a** hearing ~~[officers assigned by the Hearings Division of the Department of Administration.]~~ **officer selected by the parties from a list of arbitrators obtained from the Federal Mediation and Conciliation Service or by appointing the Commissioner of the Board to serve as hearing officer. Section 4** of this bill requires a hearing officer to prepare and submit to the Board a record of the proceedings concerning the complaint or appeal and to include in the record **findings of fact, proposed conclusions of law and** a proposed decision or order. **Section 5** of this bill requires the Board to issue its final decision or order upon the completion of its review of the record submitted by the hearing ~~[officers.]~~ **officer. Section 11** of this bill requires the Board to issue its final decision not later than 1 year after the filing of a complaint if the matter is heard by a hearing officer and not later than 180 days after the filing of a complaint if the Board **hears the complaint in the absence of an evidentiary hearing or** decides a contested matter without a hearing. (NRS 288.110)

Under existing law, the Board may not consider any complaint or appeal that is filed more than 6 months after the occurrence which is the subject of the complaint or appeal. (NRS 288.110) **Section 11** of this bill reduces this period to 180 days.

Section 7 of this bill requires that ~~[the final]~~ **each** decision or order of the Board in any complaint or appeal must be consistent with the decisions or orders previously issued by the Board in similar cases unless the Board includes in ~~[a final]~~ **the** decision or order an analysis of each previous case that has been cited to the Board which establishes that the decision or order issued in that case is erroneous or is inapposite to or distinguishable from the decision or order in the complaint or appeal at issue.

Section 7.5 of this bill requires the Board to charge and collect a fee, not to exceed $200, for the filing of a complaint or appeal with the Board or for the filing of any other pleading that constitutes the initial appearance of a party in such a proceeding.

Under existing law, the Local Government Employee-Management Relations Board consists of three members who are appointed by the Governor. (NRS 288.080) **Section 9** of this bill provides that the Governor, the Majority Leader of the Senate and the Speaker of the Assembly shall each appoint one member of the Board.

~~[Section 10 of this bill eliminates the Board's authority under existing law to employ a Commissioner and a Secretary. (NRS 288.090) Sections 13-18 of this bill eliminate various references to the Commissioner. (NRS 288.034, 288.190, 288.200, 288.201, 288.202, 288.203)]~~

Section 10.5 of this bill increases the salary that a member of the Board is entitled to receive from a maximum of $80 to a maximum of $150 for each day in which he is engaged in the business of the Board.

(b) Unless the ~~[justice or]~~ judge has retained counsel at his own expense, appoint an attorney to represent the ~~[justice or]~~ judge at public expense.

6. If a judge raises a mental or physical disability as an affirmative defense or in mitigation, the judge shall be deemed to have consented to medical, psychiatric or psychological testing and to have waived the psychologist-patient privilege, doctor-patient privilege, marriage and family therapist-client privilege and social worker-client privilege set forth in

chapter 49 of NRS, as applicable. The Commission shall require the judge to produce his relevant medical records and to submit to medical, psychiatric or psychological testing by a physician licensed to practice medicine in this State who is selected by the judge. If the judge refuses to produce medical records or submit to an examination, the Commission shall preclude the judge from presenting the medical records or evidence of the results of medical examinations conducted on behalf of the judge and may consider the refusal as evidence that the judge has an incapacity that seriously interferes with the performance of judicial duties of the judge and is likely to become permanent, or as evidence contradicting the claim of a disability by the judge as an affirmative defense or mitigating factor.

7. If a judge raises a mental illness or other disability as a defense or mitigating factor in a proceeding alleging misconduct, the judge has the burden of proving by ~~[clear and convincing]~~ ***a preponderance of the evidence that:***

(a) He has a serious mental illness or other disability;

(b) The mental illness or other disability caused the misconduct;

(c) He has undergone or is undergoing treatment for the mental illness or other disability;

(e) The misconduct is not likely to recur.

4. The Commission shall not dismiss a complaint with a letter of caution or enter into a deferred discipline agreement with a judge if:

8. By leave of the Commission, a statement of formal charges may be amended at any time, before the close of the hearing, to allege additional matters discovered in a subsequent investigation or to conform to proof presented at the hearing if the judge has adequate time, as determined by the Commission, to prepare a defense.

Sec. 29. NRS 1.4675 is hereby amended to read as follows:

(a) While there is pending an indictment or information charging the ~~[justice or]~~ judge with a crime punishable as a felony pursuant to the laws of the State of Nevada or the United States; or

Sec. 31. NRS 1.468 is hereby amended to read as follows:

1.468 1. Except as otherwise provided in subsections 2 and 3, if the Commission reasonably believes that a ~~[justice or]~~ judge has committed an act or engaged in a behavior that would be addressed most appropriately through rehabilitation, treatment, education or minor corrective action, the Commission may enter into an agreement with the ~~[justice or]~~ judge to defer formal disciplinary proceedings and require the ~~[justice or]~~ judge to undergo the rehabilitation, treatment, education or minor corrective action.

2. The Commission may not enter into an agreement with a ~~[justice or]~~ judge to defer formal disciplinary proceedings if the Commission has determined, pursuant to NRS 1.467, that there is a reasonable probability that the evidence available for introduction at a formal hearing could clearly and convincingly establish grounds for disciplinary action against the ~~[justice or]~~ judge pursuant to NRS 1.4653.

3. The Commission may enter into an agreement with a ~~[justice or]~~ judge to defer formal disciplinary proceedings only in response to misconduct that is minor in nature.

4. A deferred discipline agreement entered into pursuant to this section must be in writing and must specify the conduct that resulted in the agreement. A judge who enters into such an agreement must agree:

5. The Executive Director of the Commission shall monitor the compliance of the judge with the agreement. The Commission may require the judge to document his compliance with the agreement. The Commission shall give the judge written notice of any alleged failure to

Assemblyman Segerblom moved the adoption of the amendment.

Amendment adopted.

Bill ordered reprinted, engrossed and to third reading.

Assembly Bill No. 500.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 339.

AN ACT relating to domestic relations; revising provisions relating to adoptions; revising provisions relating to the termination of parental rights; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that a person may consent to the adoption of his child, and the child will be relinquished either to an agency or to the person to whom consent to adopt is given, if the adoption is a specific adoption. (NRS 127.040, 127.053) **Section 2** of this bill provides that, in a specific adoption, the person to whom consent is given assumes legal custody and legal responsibility for the child as soon as consent for the adoption is executed.

~~[Sections 4-10 of this bill amend existing law to provide that if a person or a person's spouse is within the fourth degree of consanguinity of a child and is adopting the child, such a person is not required to comply with certain requirements for adoption, such as home studies of the prospective adoptive parents. (NRS 127.043, 127.045, 127.053, 127.120, 127.127, 127.280, 127.2805)]~~

Section 11 of this bill revises an exemption from criminal or civil liability for certain advertising mediums which accept advertisements concerning services related to adoptions from persons or agencies that are not licensed to provide such services. (NRS 127.310)

~~[Section 12 of this bill provides that a court may, under certain circumstances, terminate a father's parental rights if the father knew the child's mother was pregnant with the child and failed to support the mother during the pregnancy. (NRS 128.105)]~~

Section 13 of this bill provides that a court may find a parent unfit, and therefore, under certain circumstances, terminate his parental rights, if ~~[: (1) the parent is imprisoned and either cannot care for the child or the imprisonment will negatively impact the parent-child relationship; or (2) the father]~~ **the parent** is convicted of sexual ~~[seduction or statutory sexual seduction of the mother]~~ **assault** which resulted in the conception of the child. This section also provides that if a ~~[father's]~~ **parent's** parental rights are terminated because of the sexual assault ~~[or statutory sexual seduction]~~ which resulted in the conception of the child, the ~~[father's parental]~~ **parent's** obligation to provide support is not terminated ~~[.]~~ **and a court may order**

the parent to pay support for the child. (NRS 128.106) **However, an order to pay support for the child does not create any other rights arising from the parent and child relationship, including, without limitation, inheritance rights.**

Section 14 of this bill provides that certain sections of this bill may apply retroactively and prospectively to petitions for adoption and may apply only prospectively to petitions for the termination of parental rights.

SECOND READING AND AMENDMENT

Assembly Bill No. 223.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 229.

AN ACT relating to state governmental procurement; establishing bidders' preferences **for local businesses and local businesses owned by service-disabled veterans** with respect to state purchasing contracts **;** ~~[for service-disabled veterans and bona fide Nevada residents;]~~ establishing bidders' preferences **for local businesses owned by service-disabled veterans** with respect to state public works contracts **;** ~~[for service-disabled veterans;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law, with respect only to contracts for public works for which the estimated cost exceeds $250,000, provides a mechanism by which a contractor who has paid certain taxes may earn a 5-percent preference in bidding on public works. (NRS 338.1389, 338.147, 338.1693, 338.1727) **Sections ~~[8-11]~~ 18-25** of this bill establish a limited preference in bidding on public works for **~~[small]~~ local** businesses owned by service-disabled veterans. This new preference in bidding on public works does not overlap with the existing preference in bidding on public works because the new preference is limited to public works for which the estimated cost is $100,000 or less.

Under existing law, the State of Nevada imposes an inverse preference against a person who submits a bid or proposal on a state purchasing contract if that person is a resident of a state that denies a preference to bidders or contractors who are residents of this State. (NRS 333.336) **Section ~~[12]~~ 31** of this bill repeals that inverse preference.

In place of the former inverse preference, **sections ~~[2-7]~~ 5-13** of this bill establish two separate new preferences in bidding on state purchasing contracts: (1) **section ~~[2]~~ 10** adds **~~[one]~~ a** 5-percent preference for **~~[small]~~ local** businesses **; ~~[owned by service-disabled veterans;]~~** and (2) **section ~~[3]~~ 10 also** adds **~~[one]~~ a** 5-percent preference for **local** businesses owned by **~~[bona fide residents of this State.]~~ service-disabled veterans. ~~[Pursuant to section 4 of this bill, the two preceding preferences in bidding on state purchasing contracts may be combined, but may not together convey a total preference exceeding 10 percent.]~~**

Section 30 of this bill directs the Office of Veterans' Services to perform certain duties with respect to gathering information and making recommendations to the Legislative Commission concerning the preferences for local businesses owned by service-disabled veterans.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Amendment adopted.

The following amendment was proposed by Assemblywomen Kirkpatrick and Smith:

Amendment No. 549.

AN ACT relating to state governmental procurement; establishing bidders' preferences for local businesses and local businesses owned by service-disabled veterans with respect to state purchasing contracts; establishing bidders' preferences for local businesses owned by service-disabled veterans with respect to state public works contracts; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law, with respect only to contracts for public works for which the estimated cost exceeds $250,000, provides a mechanism by which a contractor who has paid certain taxes may earn a 5-percent preference in bidding on public works. (NRS 338.1389, 338.147, 338.1693, 338.1727) **Sections 18-25** of this bill establish a limited preference in bidding on public works for local businesses owned by service-disabled veterans. This new preference in bidding on public works does not overlap with the existing preference in bidding on public works because the new preference is limited to public works for which the estimated cost is $100,000 or less.

Under existing law, the State of Nevada imposes an inverse preference against a person who submits a bid or proposal on a state purchasing contract if that person is a resident of a state that denies a preference to bidders or contractors who are residents of this State. (NRS 333.336) **Section 31** of this bill repeals that inverse preference.

In place of the former inverse preference, **sections 5-13** of this bill establish two separate new preferences in bidding on state purchasing contracts: (1) **section 10** adds a 5-percent preference for local businesses; and (2) **section 10** also adds a ~~[5]~~ *7*-percent preference for local businesses owned by service-disabled veterans.

Section 30 of this bill directs the Office of Veterans' Services to perform certain duties with respect to gathering information and making recommendations to the Legislative Commission concerning the preferences for local businesses owned by service-disabled veterans.

Amendment No. 546.

SUMMARY—Authorizes the **temporary** creation of certain special districts. (BDR 25-733)

AN ACT relating to special districts; authorizing the **temporary** creation of certain special districts to manage certain federal funds provided to the State; requiring that certain federal funds be distributed directly to certain special districts; **requiring certain reporting in connection with such special districts;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Chapter 308 of NRS provides for the creation of various types of special districts for various purposes. This bill authorizes the creation of special districts to manage money that is: (1) paid to the State by the Federal

Government; and (2) designated for the territory covered by the district. To qualify, the number of county commissioners serving on the governing board of the special district cannot constitute a majority and the special district must be authorized to act independently of the county when managing the district. This bill also requires that, if a special district has been created, federal money be paid directly to the district and not to the county or counties within which the district lies.

Under the provisions of this bill, the governing body of any special district created pursuant thereto must, on or before January 1, 2011, submit a one-time report to the Director of the Legislative Counsel Bureau for transmittal to the 76th Session of the Nevada Legislature.

The provisions of this bill expire by limitation on June 30, 2013.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 308 of NRS is hereby amended by adding thereto a new section to read as follows:

1. A special district may be formed subject to the provisions of this chapter:

(a) To manage any money that is:

(1) Paid to the State of Nevada or to a county by the Federal Government; and

(2) Designated for the territory covered by the special district; and

(b) With a governing body:

(1) Of which not more than half of the members are also members of the governing body or bodies of the county or counties within which lies the territory covered by the special district; and

(2) Which is authorized to act independently of the governing body or bodies of the county or counties within which lies the territory covered by the special district.

2. If a special district is formed pursuant to the provisions of this section to manage money that is:

(a) Paid to the State of Nevada or to a county by the Federal Government pursuant to a specified bill or measure of the Federal Government; and

(b) Designated for the territory covered by the special district,

➥ any such money must be distributed directly to the special district for expenditure.

Sec. 2. NRS 354.140 is hereby amended to read as follows:

354.140 1. ~~[The]~~ ***Except as otherwise provided in subsection 2, the*** money paid to the State of Nevada by the Secretary of the Treasury under the provisions of 16 U.S.C. § 500, providing for the payment to states and territories of a fixed percentage of the money received by the Government of the United States from the forest reserves established therein, must be

distributed respectively to the county or counties in which the forest reserves are situated **.** ~~[, to]~~

2. If a special district has been formed pursuant to the provisions of section 1 of this act to manage money paid to the State of Nevada by the Secretary of the Treasury under the provisions of 16 U.S.C. § 500 from forest reserves established within the territory covered by the special district, any such money must be distributed directly to the special district.

3. Money distributed pursuant to subsections 1 and 2 must be expended for the benefit of the public schools and the public roads of the county or counties in equal proportion for each object. The proportion for schools must be paid into the county school district fund. If there is a county road fund, the proportion for roads must be paid into the county road fund. If there is no county road fund, the proportion for roads must be paid into the county general fund for public road purposes.

~~[2.]~~ ***4.*** When any forest reserve is in more than one state or county, the distributive share to each must be proportional to its area therein, following as near as may be the figures submitted to the State of Nevada respecting net forest area and county acreage therein by the Forest Service, United States Department of Agriculture.

~~[3.]~~ ***5.*** The agency which is responsible for completing any audit required for the continuation of the payments must be reimbursed for the cost of the audit from the funds to which the payments were distributed proportionately according to the percentage of the payment which was distributed to each fund.

Sec. 3. **1. On or before January 1, 2011, the governing body of any special district formed pursuant to the provisions of section 1 of this act shall submit a report to the Director of the Legislative Counsel Bureau for transmittal to the 76th Session of the Nevada Legislature.**

2. The report required to be submitted in accordance with subsection 1 must include, without limitation:

(a) A description of the boundaries of the special district.

(b) The form and composition of the governance of the special district.

(c) The total number of dollars received by the special district, directly or indirectly, from the Federal Government.

(d) The purposes for which the money described in paragraph (c) was spent and will be spent.

(e) A description of the activities engaged in by the special district.

(f) Any other information that is requested by the Director of the Legislative Counsel Bureau which the Director determines would be helpful to the Legislature in evaluating the efficacy, efficiency and usefulness of the special district.

~~[Sec. 3.]~~ ***Sec. 4.*** This act becomes effective on July 1, 2009 ~~[.]~~ **, and expires by limitation on June 30, 2013.**

THE SEVENTY-NINTH DAY

CARSON CITY (Tuesday), April 21, 2009

Assembly called to order at 10:59 a.m.

Madam Speaker presiding.

Roll called.

All present except Assemblywoman Parnell, who was excused.

Prayer by the Chaplain, Pastor Monte Fast.

An hour before the gavel brings this legislative body to action, this room begins to come to life. Armloads of printed material begin the process. Every detail is attended to. Chairs are straightened. Wilted flowers are carried out. Fresh floral displays are carefully positioned at their intended desks. Guests are escorted to their hosts' desks. The balcony fills and empties as school children see for the first time the place that certainly will affect their lives. Yesterday, with the earlier convening, people were literally trotting up and down the aisles, each with assigned tasks that would make the work of the elected Assemblypersons efficient.

Then the Front Desk crew began to do their tasks. Much care is given to the exact order in which the day will unfold. Numbers change and the Speaker's desk is organized several times. Computers are programmed and rehearsed. The Clerk of this Assembly reviews everything four or five times. Then members of the Assembly begin to ask for the final reorganization of the day.

Finally, the time deadline met, the room is alive, waiting for the actions which will occur and the gavel bangs three times.

It is appropriate to be appreciative of this awakening hour of the work by a dedicated and talented staff.

AMEN.

Pledge of allegiance to the Flag.

Assemblyman Conklin moved that further reading of the Journal be dispensed with, and the Speaker and Chief Clerk be authorized to make the necessary corrections and additions.

GENERAL FILE AND THIRD READING

Assembly Bill No. 162.

Bill read third time.

Remarks by Assemblymen Ohrenschall, Settelmeyer, and Leslie.

Assemblyman Oceguera requested that the following remarks be entered in the Journal.

ASSEMBLYMAN OHRENSCHALL:

Thank you very much, Madam Speaker. Today autism has a voice. It is your voice, right here in this Chamber. Assembly Bill 162 requires health insurance plans to provide coverage for autism. Autism spectrum disorders affect 1 in 150 children. Early detection and treatment allow children the chance to lead normal lives. This bill alleviates the financial ruin that can befall families struggling to raise their children diagnosed with autism. By bringing more applied behavior analysis treatment to our state, this will lower the cost of treatment and encourage early intervention. The state will save the costs of future institutional care if these children receive the treatment that they need.

This bill represents a consensus between dedicated parents fighting for their kids' future and representatives of the insurance industry, who have all worked hard and agreed to the compromise that this bill, in its amended form, represents. Children with autism have substantial medical needs, and families have had to struggle to get the applied behavior analysis treatment that has been proven, time and time again, to make such a difference in their lives. I ask for your support on this bipartisan measure. It is not often that divergent interests can speak with one voice. Today autism speaks and it's our voice, here in this Chamber. Thank you, Madam Speaker.

ASSEMBLYMAN SETTELMEYER:

Thank you, Madam Speaker. In committee there was a lot of compelling testimony, and I agree and do believe we need to do something to help out the people whose children have autism. I disagreed with the amendment, though. I felt that the state should not be treating its employees any differently. Their children with autism count, as well, and I objected. I voted "no" in committee based on that. The state has a responsibility to its employees. We should be taking care of them. We should be helping out their children who have autism. For that reason, I voted "no" but I will be voting "yes" on the bill today.

ASSEMBLYWOMAN LESLIE:

Thank you, Madam Speaker. I rise in support of this bill. I think the question is whether, if we cannot help all of the kids, we should help some of the kids. The bill that you have before you today helps more than a few children. It's the start. We need to cover autism for the state employees' children, for our residents who are on Medicaid. Every child should have access to this treatment, which is absolutely necessary to ensure the quality of their lives and their families' lives. So even though we can't cover everybody, I urge your support of this bill because it is covering a lot of somebodies today. Thank you.

Assemblyman Oceguera requested that the following remarks be entered in the Journal.

ASSEMBLYWOMAN LESLIE:

Thank you, Madam Speaker. This bill incorporates into statute the language of Washoe County Question 3 relating to balancing land use plans for the identified sustainable water resources. Question 3 was passed by the voters of Washoe County at the 2008 General Election and requires the amendment of the regional plan adopted by the Truckee Meadows Regional Planning Agency. The bill also clarifies that the authority and duties of the state engineer are not affected.

As the floor statement says, WC3 was approved by the voters at the last election with a vote of 73 percent in favor. A lot of voters approached me saying they really wanted to have the question codified into state law to be sure that in the future as local elected officials come and go, there is absolutely no confusion about the role of the voters to balance water and sustainable development in Washoe County. I urge your support.

ASSEMBLYMAN SETTELMEYER:

Thank you, Madam Speaker. I rise in opposition of Assembly Bill 119. It is my feeling that this should have been done in an open meeting process inside Washoe County and then brought to us to codify. I feel it is wrong not to have an open meeting process because we really don't know the vote of the people, and it may be substantially different than what was voted on. I urge you to vote no.

ASSEMBLYMAN BOBZIEN:

Thank you, Madam Speaker. I rise in support of Assembly Bill 119. I think it is important to note with this legislation that a lot of hard work was put in working with the experts in planning and all of the local governments that are involved, and I think through that process this bill is an acceptable articulation of what the voters supported, as my colleague from Reno mentioned earlier. I do think this is a good way to go, thank you.

ASSEMBLYWOMAN LESLIE:

Thank you, Madam Speaker, for a second time. I just wanted you to know, for the record, that the City of Reno, City of Sparks, Washoe County, and the Truckee Meadows Regional Planning Agency all support the bill, thank you.

ASSEMBLYMAN CLABORN:

Thank you, Madam Speaker. Assembly Bill 413 guarantees that the presidential candidate receiving the most votes in all of the 50 states will be elected. With the adoption of this piece of legislation, Nevada can join a nationwide movement supporting a direct national popular vote for the presidency. Legislation identical to this bill has passed in 26 legislative chambers across the country in 16 states. On Wednesday night, this exact bill was approved by the Washington State House and is headed to the governor. The President is the only office in the United States in which a candidate can receive the most votes and still lose. Making the change to a direct national popular vote is long overdue, and there is overwhelming support by the public. This has been confirmed by many polls. The Gallup organization has been polling about a national popular vote for more than 60 years and found that it is routinely supported by 70 percent or more. A statewide poll in December showed 72 percent support in Nevada alone. Simply put, the public believes that the candidate with the most votes should win the election. This legislation makes that a dream come true, and I urge your support on this very important bill.

ASSEMBLYMAN COBB:

Thank you, Madam Speaker. I rise in opposition to Assembly Bill 413. The testimony we heard in opposition on this bill was that generally the states that want to be opposed to this type of a measure are small states, swing states, and legislators that do not want to disenfranchise their constituents. In my opinion, Nevada meets all three of those tests. I think that we should not be ceding our right to vote for a particular presidential candidate to other states who decide for us, especially if our constituents go against that will. I think we should continue to allow our constituents to pick who our presidential candidates should be. Therefore, I will be voting against the bill. Thank you.

ASSEMBLYMAN CARPENTER:

Thank you, Madam Speaker. I must rise in opposition to Assembly Bill 413. If this measure passes some day—and hopefully it won't—there is no use for states like Nevada to even vote, because New York, Florida, Texas, and California are going to elect the President of the United States. I think the system that we have now that was put in by our Founding Fathers has checks and balances that we should retain. Thank you.

ASSEMBLYMAN ANDERSON:

Thank you, Madam Speaker. I rise in support of the legislation. I am always troubled by the Electoral College, and while I am not particularly happy by this particular way of solving it, I do believe it brings focus to the issue. The very first Founding Fathers dealt with this very problem in the election of the second President of the United States, John Adams, who ran against Thomas Jefferson. We ended up with the very delicate nature of the President being from one political point of view and a Vice President from a different point of view. Now, there may be others who say that continues on to this very day, in terms of their political points of view, but because of the Jefferson-Adams election, we ended up with an amendment to the *Constitution* so that we would not have that problem again.

The selection of the Electoral College—this select group of people, who were never supposed to meet together because no one would trust them—left us with this very delicate balance. We saw it again at the end of the American Civil War with the Hayes-Tilden election. As a result, we had the removal of military troops from the South and the end of Reconstruction and other problems, because of Oregon, a western state, a small state, whose electoral votes were in the balance. Of course, we saw it most recently in the Gore-Bush election where the Supreme Court of the United States overstepped its bounds in terms of making the determination of how ballots were going to be counted, not the House of Representatives as it was laid out.

This is a flawed system. The Electoral College is not working and has not worked for some time. I think this is an important piece of legislation that must go forward because we must send a clear message to Congress to fix it so the public can be heard. We are no longer riding around on horses. It is time for us to get into the electronic age and allow the people to vote for the President of the United States.

ASSEMBLYWOMAN GANSERT:

I rise in opposition to Assembly Bill 413. Simply put, I want my vote to count. We are in a very small state, here in Nevada, and I believe what the Assemblyman from Elko said is true. California, Texas, Florida, and so forth will be choosing the President for us. I understand the point the Assemblyman from Sparks made, but I think now that we have the President and the Vice President running together, we don't have the conflict as we did way back when. I think it is very important that all our voices be heard, and I think this last election proved that our votes were important because we had so many visits from the different candidates from both parties. I appreciated their coming to Nevada and speaking to us and making us part of this process. Thank you.

ASSEMBLYWOMAN PIERCE:

Thank you, Madam Speaker. I think there is a misunderstanding and I misunderstood this, also. The fact is that everyone that lives in New York, California, and Pennsylvania does not vote for one political party. So the fact is that this system, if we pass Assembly Bill 413, will actually require that candidates campaign in all 50 states, all of the time. We got lucky this time. But the chances of it happening again are not all that good. Like I said, under this, we will always be a part of the campaign trail, so I urge support of Assembly Bill 413.

SECOND READING AND AMENDMENT

Assembly Bill No. 471.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 343.

SUMMARY—Revises provisions relating to the ~~[award of deficiency judgments after a]~~ sale of real property. (BDR 3-1138)

AN ACT relating to real property; **providing that a deficiency in payment on a mortgage, deed of trust or other encumbrance may be cured under certain circumstances before foreclosure;** providing that a court shall not award a deficiency judgment on the foreclosure of a mortgage or a deed of trust under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that a trustee may exercise a power of sale on the deed of trust for a breach of obligation on the deed of trust, including a deficiency in performance or payment. Existing law also provides that the trustee may pursue a power of sale and declare the entire unpaid balance due if acceleration is permitted by the obligation secured by the deed of trust. Existing law further provides that a deficiency may be cured by performance or payment, including incidental costs, within 15 days or 35 days after notice of the default, depending on the date the trust agreement came into effect, and acceleration must not occur if the deficiency is so cured. (NRS 107.080)

Section 3 of this bill provides that if the deficiency is for payment, the deficiency may be cured by payment of the sum in default, excluding acceleration but including any incidental costs, at any time before the sale. Section 3 also provides that if a notice of default has been recorded and the deficiency has been cured two or more times under the same deed of trust, the trustee may refuse a payment to cure the deficiency and exercise the power of sale. Section 1 of this bill provides a similar right to cure a deficiency in payment on a mortgage or other encumbrance before a judicial foreclosure sale. (NRS 40.430)

Under existing law, a judgment creditor or a beneficiary of a deed of trust may obtain, after a hearing, a deficiency judgment after a foreclosure sale or trustee's sale if it appears from the sheriff's return or the recital of consideration in the trustee's deed that there is a deficiency of the proceeds of the sale and a balance remaining due the judgment creditor or beneficiary of the deed of trust. (NRS 40.455)

~~[This]~~ **Section 2 of this** bill provides that a court may not award a deficiency judgment to a judgment creditor or a beneficiary of a deed of trust if: (1) the real property is a single-family dwelling and the debtor or grantor was the owner of the property; (2) the debtor or grantor used the loan to purchase the property; (3) the debtor or grantor ~~[did not occupy the property before obtaining the loan but]~~ occupied the property continuously after obtaining the loan; and (4) the debtor or grantor did not refinance the loan.

Section 5 of this bill provides that the amendatory provisions of this bill apply only prospectively to obligations secured by a mortgage, deed of trust or other encumbrance upon real property on or after the effective date of this bill.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. **NRS 40.430 is hereby amended to read as follows:**

40.430 1. Except in cases where a person proceeds under subsection 2 of NRS 40.495 or subsection 1 of NRS 40.512, there may be but one action for the recovery of any debt, or for the enforcement of any right secured by a mortgage or other lien upon real estate. That action must be in accordance with the provisions of NRS 40.430 to 40.459, inclusive. In that action, the judgment must be rendered for the amount found due the plaintiff, and the court, by its decree or judgment, may direct a sale of the encumbered property, or such part thereof as is necessary, and apply the proceeds of the sale as provided in NRS 40.462.

2. This section must be construed to permit a secured creditor to realize upon the collateral for a debt or other obligation agreed upon by the debtor and creditor when the debt or other obligation was incurred.

3. ***Except as otherwise provided in this subsection, at any time before the sale directed by the court, if the deficiency resulting in the action for the recovery of the debt has arisen by failure to make a payment required by the mortgage or other lien, the deficiency may be made good by payment of the deficient sum, other than the entire unpaid balance that would not be due if no deficiency had occurred, and by payment of any costs, fees and expenses incident to making the deficiency good. If a deficiency is made good pursuant to this subsection, the sale may not occur. If, under the same mortgage or other lien on real estate, an action to recover the debt has been filed and the deficiency has been made good pursuant to this subsection two or more times, for a subsequent deficiency the secured creditor may elect to refuse a payment to make good the deficiency and proceed with an action to recover the debt pursuant to this section.***

4. A sale directed by the court pursuant to subsection 1 must be conducted in the same manner as the sale of real property upon execution, by the sheriff of the county in which the encumbered land is situated, and if the encumbered land is situated in two or more counties, the court shall direct the sheriff of one of the counties to conduct the sale with like proceedings and effect as if the whole of the encumbered land were situated in that county.

~~[4.]~~ ***5.*** As used in this section, an "action" does not include any act or proceeding:

(a) To appoint a receiver for, or obtain possession of, any real or personal collateral for the debt or as provided in NRS 32.015.

(b) To enforce a security interest in, or the assignment of, any rents, issues, profits or other income of any real or personal property.

(c) To enforce a mortgage or other lien upon any real or personal collateral located outside of the State which does not, except as required under the laws of that jurisdiction, result in a personal judgment against the debtor.

(d) For the recovery of damages arising from the commission of a tort, including a recovery under NRS 40.750, or the recovery of any declaratory or equitable relief.

(e) For the exercise of a power of sale pursuant to NRS 107.080.

(f) For the exercise of any right or remedy authorized by chapter 104 of NRS or by the Uniform Commercial Code as enacted in any other state.

(g) For the exercise of any right to set off, or to enforce a pledge in, a deposit account pursuant to a written agreement or pledge.

(h) To draw under a letter of credit.

(i) To enforce an agreement with a surety or guarantor if enforcement of the mortgage or other lien has been automatically stayed pursuant to 11 U.S.C. § 362 or pursuant to an order of a federal bankruptcy court under any other provision of the United States Bankruptcy Code for not less than 120 days following the mailing of notice to the surety or guarantor pursuant to subsection 1 of NRS 107.095.

(j) To collect any debt, or enforce any right, secured by a mortgage or other lien on real property if the property has been sold to a person other than the creditor to satisfy, in whole or in part, a debt or other right secured by a senior mortgage or other senior lien on the property.

(k) Relating to any proceeding in bankruptcy, including the filing of a proof of claim, seeking relief from an automatic stay and any other action to determine the amount or validity of a debt.

(l) For filing a claim pursuant to chapter 147 of NRS or to enforce such a claim which has been disallowed.

(m) Which does not include the collection of the debt or realization of the collateral securing the debt.

(n) Pursuant to NRS 40.507 or 40.508.

(o) Which is exempted from the provisions of this section by specific statute.

(p) To recover costs of suit, costs and expenses of sale, attorneys' fees and other incidental relief in connection with any action authorized by this subsection.

~~[Section 1.]~~ ***Sec. 2.*** NRS 40.455 is hereby amended to read as follows:

40.455 1. ~~[Upon]~~ ***Except as otherwise provided in subsection 3, upon*** application of the judgment creditor or the beneficiary of the deed of trust within 6 months after the date of the foreclosure sale or the trustee's sale held pursuant to NRS 107.080, respectively, and after the required hearing, the court shall award a deficiency judgment to the judgment creditor or the beneficiary of the deed of trust if it appears from the sheriff's return or the recital of consideration in the trustee's deed that there is a deficiency of the proceeds of the sale and a balance remaining due to the judgment creditor or the beneficiary of the deed of trust, respectively.

2. If the indebtedness is secured by more than one parcel of real property, more than one interest in the real property or more than one mortgage or deed of trust, the 6-month period begins to run after the date of the foreclosure sale

AN ACT relating to real property; **providing that a deficiency in payment on a mortgage, deed of trust or other encumbrance may be cured under certain circumstances before foreclosure;** providing that a court shall not award a deficiency judgment on the foreclosure of a mortgage or a deed of trust under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1 of this bill provides a right to cure a deficiency in payment on a mortgage or other encumbrance before a judicial foreclosure sale at any time not later than 5 days before the date of sale.

Under existing law, a judgment creditor or a beneficiary of a deed of trust may obtain, after a hearing, a deficiency judgment after a foreclosure sale or trustee's sale if it appears from the sheriff's return or the recital of consideration in the trustee's deed that there is a deficiency of the proceeds of the sale and a balance remaining due the judgment creditor or beneficiary of the deed of trust. (NRS 40.455) ~~[This]~~ **Section 2 of this** bill provides that a court may not award a deficiency judgment to a judgment creditor or a beneficiary of a deed of trust if: (1) the real property is a single-family dwelling and the debtor or grantor was the owner of the property; (2) the debtor or grantor used the loan to purchase the property; (3) the debtor or grantor ~~[did not occupy the property before obtaining the loan but]~~ occupied the property continuously after obtaining the loan; and (4) the debtor or grantor did not refinance the loan.

Section 3 of this bill provides that the amendatory provisions of this bill apply only prospectively to obligations secured by a mortgage, deed of trust or other encumbrance upon real property on or after the effective date of this bill.

Assembly Bill No. 60.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 466.

AN ACT relating to public financial administration; eliminating certain requirements pertaining to the sale and liquidation of certain securities; authorizing the State Treasurer to deposit state money in out-of-state financial institutions under certain circumstances; **authorizing the state and local governments to issue tax credit bonds under certain circumstances;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law designates the types of bonds, loans, financial instruments and other securities in which public money may lawfully be invested. Public money may be invested in some securities only if the securities are of a certain investment quality which is established by the investment rating given to the security by a nationally recognized securities rating service. (NRS 355.140, 355.170, 355.171) **Sections 1-3** of this bill eliminate the requirement that certain investment-rated securities which have been purchased with public money must be sold "as soon as possible" if their investment rating is subsequently reduced below the rating that was required for their purchase. **Sections 1 and 2** also provide that if a particular security purchased with public money complies with all applicable terms, conditions, limitations and restrictions at the time of its purchase, it is not required that the security be sold if it subsequently fails to comply with any such term, condition, limitation or restriction. (NRS 355.140, 355.170)

Sections 4 and 5 of this bill eliminate a restriction on the authority of the State Treasurer to deposit state money in out-of-state financial institutions and allow him to use such institutions whenever the State Board of Finance gives its approval.

Sections 7-14 of this bill make various changes relating to the issuance of bonds so that the state and local governments may take advantage of certain provisions of the federal American Recovery and Reinvestment Act, Public Law 111-5, that authorize the issuance of tax credit bonds.

Such amount must be used to pay the interest on the bonds or other securities for which it is received or to reimburse the issuer of the bonds or other securities for that payment.

Sec. 8. **NRS 271.355 is hereby amended to read as follows:**

271.355 1. For the purpose of paying any contractor or otherwise defraying any costs of the project as the costs become due from time to time until money is available therefor from the levy and collection of assessments and any issuance of bonds, the governing body may issue interim warrants.

5. An ordinance for the issuance of interim warrants may be adopted or amended as if an emergency existed.

Sec. 9. **NRS 271.485 is hereby amended to read as follows:**

271.485 1. Any bonds issued pursuant to this chapter may be sold in such a manner as may be approved by the governing body to defray the cost of the project, including all proper incidental expenses. The governing body may issue a single issue of bonds to defray the costs of projects in two or more improvement districts if the principal amount of those bonds does not exceed the total uncollected assessments levied in each improvement district.

2. Bonds must be sold in the manner prescribed in NRS 350.105 to 350.195, inclusive:

(a) For not less than the principal amount thereof and accrued interest thereon; or

3. Except as otherwise provided in subsection 4 and NRS 271.487 and 271.730, the rate of interest of the bonds must not at any time exceed the rate of interest, or lower or lowest rate if more than one, borne by the special assessments, but any rate of interest of the bonds may be the same as or less

than any rate of interest of the assessment, subject to the limitation provided in subsection 2, as the governing body may determine.

4. Except as otherwise provided in NRS 271.730, if a governing body creates a district pursuant to the provisions of NRS 271.710, the governing body or chief financial officer of the municipality shall, in consultation with a financial advisor or the underwriter of the bonds, fix the rate of interest of the bonds at a rate of interest such that the principal and interest due on the bonds in each year, net of any interest capitalized from the proceeds of the bonds, will not exceed the amount of principal and interest to be collected on the special assessments during that year.

5. The governing body may employ legal, fiscal, engineering and other expert services in connection with any project authorized by this chapter and the authorization, issuance and sale of bonds.

6. Any accrued interest must be applied to the payment of the interest on or the principal of the bonds, or both interest and principal.

7. 8. The validity of the bonds must not be dependent on nor affected by the validity or regularity of any proceedings relating to the acquisition or improvement of the project for which the bonds are issued.

9. A purchaser of the bonds is not responsible for the application of the proceeds of the bonds by the municipality or any of its officers, agents and employees.

10. The governing body may enter into a contract to sell special assessment bonds at any time but, if the governing body so contracts before it awards a construction contract or otherwise contracts for acquiring or improving the project, the governing body may terminate the contract to sell the bonds, if:

(a) Before awarding the construction contract or otherwise contracting for the acquisition or improvement of the project, it determines not to acquire or improve the project; and

(b) It has not elected to proceed pursuant to subsection 2 or 3 of NRS 271.330, but has elected to proceed pursuant to subsection 1 of that section.

11. Sec. 10. **NRS 349.076 is hereby amended to read as follows:**

349.076 Except as otherwise provided by a specific statute, ***including, without limitation, section 7 of this act,*** the rate or rates of interest on securities issued by the State must not exceed by more than 3 percent:

2. No state securities may be issued pursuant to this chapter for the purpose of acquiring revenue securities unless the governing body of the municipality issuing the revenue securities includes within the ordinance, resolution or other instrument authorizing the issuance of the revenue securities a statement authorizing the State Treasurer and any other appropriate state officer to withhold from any allocable local revenues to which the municipality is otherwise entitled an amount necessary and legally available to pay the principal and interest due on the revenue securities if the municipality fails to pay timely such principal and interest. Amendment No. 507.

AN ACT relating to the subdivision of land; revising the requirements for the purchase of property for school construction; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law sets forth a multistep process for obtaining approval for the subdivision of land. (NRS 278.320-278.460) One of the preliminary requirements is a determination of the need for a school in the area in which the subdivision is located. (NRS 278.330) If a school is needed, the subdivider is required to make suitable land within the proposed subdivision available for purchase by the school district at a price which does not exceed the fair market value of the land. ~~[(NRS 278.346) This bill specifies that the time for the determination of the fair market value of the land for the purposes of this purchase is the time the tentative map of the subdivision is approved by the governing body or planning commission.~~

~~Existing law provides that if~~] **Under existing law, if** the school district does not construct a school on the land within 10 years from the date of purchase, the land must be offered for resale back to the subdivider or his successor in interest. (NRS 278.346) ~~[This bill removes the time restriction~~

~~and the restriction that the land must be used only for a school site so that the requirement, as changed by this bill, now provides that the land must be offered for resale back to the subdivider or his successor in interest if the board of trustees determines at any time that the land is not required for a school or any other use by the school district.]~~

This bill provides that, in a county whose population is 100,000 or more but less than 400,000 (currently Washoe County), the school district and subdivider may negotiate a purchase price which is the lesser of: (1) the fair market value of the land on the date of purchase; or (2) the fair market value of the land at the time the tentative subdivision map was approved plus the costs of certain expenses paid by the subdivider. This bill also provides that, in such a county, if the purchase is not completed within 5 years after the final map that shows the school site is approved, the subdivider need not continue to set aside the land for the school district. This bill further requires a school district in such a county to offer the land back to the subdivider or successor in interest if construction on a school has not begun at the site within 10 years from the date of purchase.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 278.346 is hereby amended to read as follows:

~~[4.]~~ ***6.*** Land dedicated under the provisions of former NRS 116.020, as it read before April 6, 1961, which the board of trustees determines is unsuitable, undesirable or impractical for school purposes may be reconveyed without cost to the dedicator or his successor or successors in interest.

7. Except as otherwise provided in subsection 8, in a county whose population is 100,000 or more but less than 400,000, the school district may purchase the site for a price negotiated between the subdivider and the board of trustees, which price must not exceed the lesser of:

(a) The fair market value of the land at the time the tentative map was approved, as determined by an independent appraisal paid for by the board, plus any costs paid by the subdivider with respect to that land between the date the tentative map was approved and the date of purchase; or

(b) The fair market value of the land on the date of purchase, as determined by an independent appraisal paid for by the board.

8. If, 5 years after the date on which the final map that contains the school site was approved, a school district has not purchased the site pursuant to the provisions of subsection 7, the subdivider need not continue to set aside the site pursuant to the provisions of subsection 2.

9. If, 10 years after the date of purchase of a school site pursuant to subsection 7, construction of a school at the school site has not yet begun, the land must be offered to the subdivider or his successor in interest at a sale price equal to the fair market value of the land at the time such

determination is made, as determined by an independent appraisal paid for by the board.

(Nev. Const. Art. 8, § 9) Section 9 of this bill requires the Director of the Department of Business and Industry to form an independent corporation for profit, the purpose of which is to form a limited partnership to provide venture capital to certain minority-owned businesses to enhance their ability to do business in this State. Section 9 also requires the Director to form an independent corporation for public benefit to serve as the sole stockholder of the independent corporation for profit formed by the Director.

Section 10 of this bill requires the State Board of Finance, upon application by the Director, to issue general obligation bonds of the State of Nevada, the aggregate amount of which must not exceed $20,000,000. The Director shall use a portion of the proceeds of the bonds to loan money to the corporation for public benefit formed by the Director to provide, through the limited partnership formed by the corporation for profit formed by the Director, venture capital to certain minority-owned businesses to enhance their ability to do business in this State. Section 10 also requires the Director to create an account for the escrow of a portion of the loan to ensure that the money in the escrow, when invested, will have a value equal to or greater than the principal amount of the loan and requires the Director to provide a rate of interest on the loan that, together with any other interest, penalties and other payments received from the proceeds of the bonds, will be sufficient to

~~pay the interest on the bonds.~~] **Existing law allows the State Treasurer to invest the money of this State in negotiable certificates of deposit issued by commercial banks, insured credit unions or insured savings and loan associations. (NRS 355.140) Section 15 of this bill requires the State Treasurer to establish a Linked Deposit Program whereby the State, in an aggregate amount not to exceed $20,000,000, invests in certificates of deposit with commercial banks, insured credit unions or insured savings and loan associations at a reduced rate of interest on the condition that the lending institution link the value of each certificate of deposit to a reduced-rate loan to certain types of small businesses. Section 15 also provides that the rate of interest paid to the State on the deposit is to be not more than 2 percentage points below the market rate for such a deposit, and the loan rate is to be reduced not more than 2 percentage points below the market rate for such a loan. Further, section 15 requires a lending institution to sign an agreement with the State Treasurer as to the terms of such a deposit and its linked loan.**

Section 17 of this bill requires a lending institution that participates in the Linked Deposit Program to apply all the usual lending standards to determine the creditworthiness of a small business seeking a loan and further requires that a preference be given to certain small businesses that are owned by a member of a racial or ethnic minority, a woman or an honorably discharged veteran of the Armed Forces of the United States. Section 19 of this bill limits such loans to not more than $500,000 and to a term of not longer than 10 years. Section 18 of this bill limits the types of businesses that are eligible to participate in the Linked Deposit Program.

SECOND READING AND AMENDMENT

Assembly Bill No. 467.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 349.

AN ACT relating to governmental financial administration; revising provisions relating to the prevailing wage requirements; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Under existing law, the Nevada Supreme Court has held that even where a statute states specifically that the prevailing wage must be paid pursuant to NRS 338.010-338.090, prevailing wages need not be paid if the project at issue does not fit the definition of a "public work" and does not involve a "public body." (Carson-Tahoe Hospital v. Building and Construction Trades Council of Northern Nevada, 122 Nev. 218 (2006)) This bill clarifies that where a statute provides that the provisions relating to prevailing wage apply, prevailing wages are required to be paid regardless of whether the project for financing or other purposes is publicly or privately owned, and solely for the purposes of those provisions, the project is deemed a public work and the relevant public agency is deemed to be a party to the contract and to be the public body for purposes of performing certain duties relating to the prevailing wage requirements.]~~ **Section 1 of this bill requires that statutes which specifically state that certain statutory provisions relating to the payment of prevailing wages apply to a construction project be construed, if the public body is not a party to the contract or agreement for the construction of the project, to: (1) require the person or entity executing the contract or agreement for the construction of the project to include in the contract or agreement the contractual provisions and**

stipulations that are required to be included in a contract for a public work; (2) require the public body to comply with those statutory provisions in the same manner as if the public body had undertaken the project or awarded the contract; and (3) require the contractor who is awarded the contract or entered into the agreement to perform construction on the project, or a subcontractor on the project, to comply with those statutory provisions in the same manner as if he was a contractor or subcontractor, as applicable, engaged on a public work. Section 1 of this bill makes a conforming change. (NRS 338.013)

Section 21 of this bill provides that the prevailing wage requirements apply to certain installment-purchase agreements by local governments. **Sections 22 and ~~[23]~~ 24** of this bill clarify that the prevailing wage requirements apply to certain **lease-purchase and** installment-purchase contracts entered into by the State or its political subdivisions.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1. Require the person or entity that executes one or more contracts or agreements for the actual construction of the project to include in such a contract or agreement the contractual provisions and stipulations that are required to be included in a contract for a public work pursuant to those statutory provisions.

~~(b) Set forth the date by which final proposals must be submitted to the Department.~~

~~2. Except as otherwise provided in this subsection, in assigning the relative weight to each factor for selecting a design-build team pursuant to subsection 1, the Department shall assign, without limitation, a relative weight of 5 percent to the possession of a certificate of eligibility to receive a preference in bidding on public works and a relative weight of at least 30 percent for the proposed cost of design and construction of the project. If any federal statute or regulation precludes the granting of federal assistance or reduces the amount of that assistance for a particular project because of the provisions of this subsection relating to preference in bidding on public works, those provisions of this subsection do not apply insofar as their application would preclude or reduce federal assistance for that project.~~

In conjunction with preparing a request for best and final offers pursuant to this subsection, the Department may alter the scope of the project, revise the estimates of the costs of designing and constructing the project, and revise the selection factors and relative weights described in paragraph (a) of subsection 1. A request for best and final offers prepared pursuant to this subsection must set forth the date by which best and final offers must be submitted to the Department. After receiving the best and final offers, the Department shall:~~

The following amendment was proposed by Assemblywomen Kirkpatrick and Smith:

Amendment No. 555.

AN ACT relating to the subdivision of land; revising the requirements for the purchase of property for school construction; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law sets forth a multistep process for obtaining approval for the subdivision of land. (NRS 278.320-278.460) One of the preliminary requirements is a determination of the need for a school in the area in which the subdivision is located. (NRS 278.330) If a school is needed, the subdivider is required to make suitable land within the proposed subdivision available for purchase by the school district at a price which does not exceed the fair market value of the land. Under existing law, if the school district does not construct a school on the land within 10 years from the date of purchase, the land must be offered for resale back to the subdivider or his successor in interest. (NRS 278.346)

This bill provides that, in a county whose population is 100,000 or more but less than 400,000 (currently Washoe County), the school district and subdivider may negotiate a purchase price which is the lesser of: (1) the fair market value of the land on the date of purchase; or (2) the fair market value of the land at the time the tentative subdivision map was approved plus the costs of certain expenses paid by the subdivider. This bill also provides that, in such a county, if the purchase is not completed within 5 years after the final map that shows the school site is approved, the subdivider need not continue to set aside the land for the school district. This bill further requires a school district in such a county to offer the land back to the subdivider or successor in interest if construction on a school has not begun at the site

within ~~[10]~~ **5** years from the date of purchase ~~[.]~~ **unless the school district has requested an exemption from the planning commission to delay construction of the school for up to another 5 years. This bill sets forth the circumstances under which the school district may apply for such an exemption.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 278.346 is hereby amended to read as follows:

278.346 1. The planning commission or its designated representative ~~[.]~~ or, if there is no planning commission, the clerk or other designated representative of the governing body shall ***, not more than 10 days after the tentative map is filed pursuant to the provisions of subsection 2 of NRS 278.330,*** forward a copy of the tentative map to the board of trustees of the school district within which the proposed subdivision is located. Within 15 days after receipt of the copy, the board of trustees ***or its designee*** shall, if a school site is needed within the area, notify the commission or governing body that a site is requested.

2. If the board of trustees requests a site ~~[, the person proposing the subdivision]~~ ***:***

(a) The subdivider shall ***, except as otherwise provided in subsection 8,*** set aside a site of the size which is determined by the board. ~~[The person proposing the subdivision]~~

(b) The subdivider and the board of trustees shall ***, except as otherwise provided in subsections 7 and 8,*** negotiate for the price of the site, which must not exceed the fair market value of the land as determined by an independent appraisal paid for by the board.

3. If any land purchased by ~~[a]~~ ***the*** school district pursuant to the provisions of ~~[this subsection have]~~ ***subsection 2 has*** not been placed in use as a school site at the end of 10 years from the date of purchase, the land must be offered to the subdivider or his successor in interest at a sale price equal to the fair market value ~~[. If such person]~~ ***of the land at the time such determination is made, as determined by an independent appraisal paid for by the board.***

4. If the subdivider or his successor in interest does not accept ~~[the offer,]~~ ***an offer made pursuant to the provisions of subsection 3 or 9,*** then the board of trustees may:

(a) Sell or lease such property in the manner provided in NRS 277.050 or 393.220 to 393.320, inclusive;

(b) Exchange such property in the manner provided in NRS 277.050 or 393.326 to 393.3293, inclusive; or

(c) Retain such property, if such retention is determined to be in the best interests of the school district.

~~[3.]~~ ***5.*** Except as ***otherwise*** provided in subsection ~~[4,]~~ ***6,*** when any land dedicated to the use of the public school system or any land purchased and

used as a school site becomes unsuitable, undesirable or impractical for any school uses or purposes, the board of trustees of the county school district in which the land is located shall dispose of the land as provided in subsection ~~[2.]~~ ***4.***

~~[4.]~~ ***6.*** Land dedicated under the provisions of former NRS 116.020, as it read before April 6, 1961, which the board of trustees determines is unsuitable, undesirable or impractical for school purposes may be reconveyed without cost to the dedicator or his successor or successors in interest.

7. Except as otherwise provided in subsection 8, in a county whose population is 100,000 or more but less than 400,000, the school district may purchase the site for a price negotiated between the subdivider and the board of trustees, which price must not exceed the lesser of:

(a) The fair market value of the land at the time the tentative map was approved, as determined by an independent appraisal paid for by the board, plus any costs paid by the subdivider with respect to that land between the date the tentative map was approved and the date of purchase; or

(b) The fair market value of the land on the date of purchase, as determined by an independent appraisal paid for by the board.

8. If, 5 years after the date on which the final map that contains the school site was approved, a school district has not purchased the site pursuant to the provisions of subsection 7, the subdivider need not continue to set aside the site pursuant to the provisions of subsection 2.

9. ~~*[If, 10]*~~ ***Except as otherwise provided in subsection 10, if, 5 years after the date of purchase of a school site pursuant to subsection 7, construction of a school at the school site has not yet begun, the land must be offered to the subdivider or his successor in interest at a sale price equal to the fair market value of the land at the time such determination is made, as determined by an independent appraisal paid for by the board.***

10. The school district may apply to the planning commission for an extension of not more than 5 years to the limitation set forth in subsection 9 for the construction of a school at the school site. To apply for an extension pursuant to this subsection, the school district must demonstrate the existence of extenuating circumstances which have caused the delay in beginning the construction of the school. The planning commission must consider an application for an extension requested pursuant to this subsection at a public hearing. As used in this subsection "extenuating circumstances" may include, without limitation:

(a) Changes in the demand for a school site due to changes in relevant demographics.

(b) Delays or other significant changes in the construction of the proposed subdivision.

(c) A temporary lack of funds available to the school district to construct the school.

(d) Any other issue or problem related to the construction of the school that could not have been reasonably anticipated by the school district at the time the school site was purchased, including, without limitation, environmental issues at the school site and the unavailability of building materials.

11. If a school district receives an extension pursuant to subsection 10 and the school district does not begin construction of a school at the school site before the expiration of such extension, the land must be offered to the subdivider or his successor in interest at a sale price equal to the fair market value of the land at the time that the extension expires, as determined by an independent appraisal paid for by the board.

The following amendment was proposed by Assemblyman Anderson:

Amendment No. 559.

AN ACT relating to domestic relations; revising provisions relating to adoptions; ~~[revising provisions relating to the termination of parental rights;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that a person may consent to the adoption of his child, and the child will be relinquished either to an agency or to the person to whom consent to adopt is given, if the adoption is a specific adoption. (NRS 127.040, 127.053) **Section 2** of this bill provides that, in a specific adoption, the person to whom consent is given assumes legal custody and legal responsibility for the child as soon as consent for the adoption is executed.

Section 11 of this bill revises an exemption from criminal or civil liability for certain advertising mediums which accept advertisements concerning services related to adoptions from persons or agencies that are not licensed to provide such services. (NRS 127.310)

~~[Section 13 of this bill provides that a court may find a parent unfit, and therefore, under certain circumstances, terminate his parental rights, if the parent is convicted of sexual assault which resulted in the conception of the child. This section also provides that if a parent's parental rights are terminated because of the sexual assault which resulted in the conception of the child, the parent's obligation to provide support is not terminated and a court may order the parent to pay support for the child. (NRS 128.106) However, an order to pay support for the child does not create any other rights arising from the parent and child relationship, including, without limitation, inheritance rights.]~~

Section 14 of this bill provides that certain sections of this bill may apply retroactively and prospectively to petitions for adoption **.** ~~[and may apply only prospectively to petitions for the termination of parental rights.]~~

5. Repeated or continuous failure by the parent, although physically and financially able, to provide the child with adequate food, clothing, shelter, education or other care and control necessary for his physical, mental and emotional health and development, but a person who, legitimately practicing his religious beliefs, does not provide specified medical treatment for a child is not for that reason alone a negligent parent.

6. Conviction of the parent for commission of a felony, if the facts of the crime are of such a nature as to indicate the unfitness of the parent to provide adequate care and control to the extent necessary for the child's physical, mental or emotional health and development.

7. Conviction of the parent of sexual assault resulting in the conception of the child. If a court terminates parental rights based on a finding that the parent is unfit pursuant to this subsection, the obligation of the parent to support the child pursuant to chapter 125B of NRS is not terminated and the court may issue an order of support for the child, requiring the parent to comply with the support obligations pursuant to

GENERAL FILE AND THIRD READING

Assembly Bill No. 399.

Bill read third time.

Remarks by Assemblywoman Gansert and Madam Speaker.

Assemblyman Oceguera requested that the following remarks be entered in the Journal.

ASSEMBLYWOMAN GANSERT:

Thank you, Madam Speaker. Assembly Bill 399 requires a party legally responsible for paying claims for health care items or health care services to provide certain information, monthly, to the Division of Health Care, Financing and Policy or its authorized business associate. The information must identify all persons to whom health coverage is provided or administered and must allow the Division or its business associate to determine whether a person is eligible for Medicaid.

I worked on this bill for quite some time, and I appreciate the support of many individuals in this body. This issue was brought to my attention through a Government Accounting Office report which basically stated the federal government wants Medicaid to be the payer of last resort. They actually require Medicaid to be the payer of last resort. A lot of states aren't getting the required information they need for the sorting process. We also heard in Ways and Means from our auditor that we were actually paying before Medicare, in some instances, when

we were supposed to be the payer of last resort. So I believe this may need some more work, but I appreciate the support of the members, here, because this will save us a lot of Medicaid money that can be used for other services or to help others through that program.

Madam Speaker requested the privilege of the Chair for the purpose of making the following remarks:

I have a little bit of concern that it still may be worded overly broad in terms of what has to be supplied but I think, on balance, it is an idea that is worth preserving and worth pursuing on the other side because of its potential as outlined by the Assembly Minority Leader. Basically, I support the concept and on this late date will support it to see what further refinements can be done on the other side.

Roll called.

All present except Assemblymen Ohrenschall and Parnell, who were excused, and Assemblymen Buckley, Gansert, Goicoechea, and McClain, who were also excused from the floor session to attend another legislative meeting in the building.

Prayer by the Chaplain, Pastor Monte Fast.

Yesterday, we heard a communication as important as any speech delivered in this Chamber. Four mothers and a nine-year-old child communicated with us. The child's communication was from the autistic prison in which her little mind is trapped. We could not understand words from her, but she was communicating in powerful ways. The message was "help me." The mother's message was, "We love our children. Please help us."

I hurried out to the lobby to congratulate all five of them for the help that was extended. Their eyes were filled with tears. Now, there is some help available. And this legislative body did a good thing. For all of these things, we are grateful.

AMEN.

Pledge of allegiance to the Flag.

Assemblyman Conklin moved that further reading of the Journal be dispensed with, and the Speaker and Chief Clerk be authorized to make the necessary corrections and additions.

SHEILA LESLIE
Nevada State Assemblywoman

Assemblywoman Leslie requested that the following remarks be entered in the Journal.

ASSEMBLYWOMAN LESLIE:

As the Chief Clerk read, there are more than 20 organizations involved today in Equality Day at the Legislature. There are more than 100 people who are here today, and we will have them all stand up in a minute. They came in last night for a reception and were in the building. They had the wonderful opportunity of seeing a very historic vote down the hall last night. I am sure any of them would love to tell you about it if you have the opportunity to visit with them this afternoon. Really, please try to find the opportunity to chat with some of the people who came down today. At this point, if they could all stand, we can see who they all are and recognize that this community exists everywhere. They are equal to everyone. It is my hope that, someday soon, we will not have to have Equality Day because we will all be equal. Please help me welcome them to the Chamber.

Mr. Speaker pro Tempore requested the privilege of the Chair for the purpose of making the following remarks:

I echo the remarks of my colleague from Reno. It is a sad statement that we have to have a special day to recognize the equality of people, which should be so apparent to all of us on a regular basis. Hopefully, that day will come for everyone.

Assemblyman Oceguera moved the adoption of the resolution.

Remarks by Assemblymen Oceguera, Gansert, and Madam Speaker.

Assemblyman Oceguera requested that the following remarks be entered in the Journal.

ASSEMBLYMAN OCEGUERA:

Madam Speaker, our staff does make us look so good. They put in so many hours and work so hard. I just cannot say enough. We wouldn't be able to do the job without them.

ASSEMBLYWOMAN GANSERT:

Thank you, Madam Speaker. I rise in support of Assembly Resolution 9. I, too, am so proud of our staff. I counted and I think there are about 130 of them to take care of 42 of us. So we all know we need a lot of help. You are always here for us. I appreciate how well everyone works together and the amount of work that you do in such a short period of time to make sure that we can get what we need done. Thank you so much.

Madam Speaker requested the privilege of the Chair for the purpose of making the following remarks:

I would also like to thank each and every one of you for everything that you do for us. Whether you are brand new or whether you have returned to us for so many years, we appreciate everything you do. We appreciate the herculean efforts it sometimes takes to do the People's business and to produce good legislation in these very tough economic and troubling times. One of the things that constantly impresses me about the staff that returns is that they put aside their regular job. There is a lot of sacrifice just like we, as legislators, have to make. You do it because you love the institution. You love what the legislative process represents and you pass that on to everyone that comes in. That is what makes this place so great. You so appreciate the legislative role in making our state work. You respect it and you spread that. That is why, I think, this place continues on even though the people change. The people change but the traditions continue. It is because you preserve those traditions. Thank you for all that you do.

Resolution adopted.

Madam Speaker announced if there were no objections, the Assembly would recess subject to the call of the Chair.

Assembly in recess at 1:40 p.m.

Prayer by the Chaplain, Pastor Monte Fast.

To the Creator, we are reminded of the beauty of creation by the spring that is beginning to decorate this beautiful state. The blossoms that decorate these capital grounds and the streets of this capital city are more welcome this year. The flowers springing up from cold winter beds are framing our homes and yards. The crack of baseball bats echo from our playing fields, especially from Reno and its brand new shrine to baseball.

We thank you for making our state such a beautiful place.

AMEN.

WHEREAS, Thousands of children in this State are reported as runaways each year and often join the homeless population on the streets, eating out of dumpsters, sleeping in alleys and feeling cold, unloved and alone; and

Assemblyman Conklin moved the adoption of the resolution.

Remarks by Assemblymen Conklin, Manendo, Oceguera, and Madam Speaker.

Assemblyman Oceguera requested that the following remarks be entered in the Journal.

ASSEMBLYMAN CONKLIN:

Thank you, Madam Speaker. I moved to Nevada in 1998. In 1999, I met the founder of the Nevada Partnership for Homeless Youth, Ms. Kathleen Boutin. At the time, there was no organization. We met through some United Way activities and working together to help programs and bring money to certain organizations in the community. After one of our meetings, she pulled me aside and gave me some thoughts about her vision for helping a certain population in the State of Nevada that does not get the attention that it deserved. That was ten years ago. That population was homeless youth.

I had no idea how many children lived on the streets, night after night, with no parents or no family. They were children who were subject to predators, crime, and bad weather. They had no friends and no services at the time. At the time, there was a law on the books that said if you were under the age of 18 and someone provided you with services, they could be held liable. In 1999, the members of this soon-to-be organization worked diligently to craft a measure that, Madam Speaker, you were the sponsor of in the 2001 Session. That bill became known as the Right to Shelter law. It changed, in many respects, the ability of our community to address some of the needs that these kids have. Basically, the measure said that if you reached out to a child, someone who was homeless and under the age of 18, and you provided them services, you did not have to be liable.

Madam Speaker and colleagues, today the Nevada Partnership for Homeless Youth helps thousands of kids. Without liability, without second guessing, we have housing programs that keep kids off the streets and help them to be self-sufficient. We have database programs that count and keep track and allow us to gather more money for the state and for the counties. We do advocacy work through organizations such as yours, Madam Speaker. We provide shelter and we run programs, such as Nevada Safe Place. I cannot tell you how important this organization has been to me because it is the reason I am here. I urge passage.

ASSEMBLYMAN MANENDO:

Thank you, Madam Speaker. I, too, rise in support of Assembly Concurrent Resolution 28. The Assistant Majority Leader is right on target. I want to thank him and I want thank you, Madam Speaker, and I want to thank Kathleen Boutin, who had the vision to work so hard for our young kids. When we go out and do homeless counts and we are out in the gullies and washes and we are doing counts of kids and we come upon them in the middle of the night, people do not realize that we have homeless kids. I have a couple of elementary schools in my district where we have 85 percent homeless kids. The things that the Partnership for Homeless Youth has done for our community speak volumes for the people in the State of Nevada. It really does. Senator Parks and myself and several others were on the honorary board and we went to Tulsa, Oklahoma. We learned how the Safe Place program operated. On January 2, 2002, we brought the Safe Place program to southern Nevada. I am so proud of folks like Terrible Herbst Gaming and CAT bus system and several others, where you have businesses and the community working together to do what is right to make our community better. I just want to say I appreciate everyone who has worked so hard every day, every minute, for our kids. Thank you.

ASSEMBLYMAN OCEGUERA:

Thank you, Madam Speaker. I, too, rise in support of Assembly Concurrent Resolution 28. The homeless corridor in Las Vegas is in my district. That is where many of these youth are, near the university. The homeless shelter is in my district. I have been there several times. I did not know the plight of some of these youth. And some of them aren't homeless in the sense that you and I might think of a homeless person. Some of them do what they call "couch surfing" where they spend three days at your house, three days at my house, and three days at someone else's house. And no one realizes that they are homeless. They spend time on rooftops and in gullies, like my colleague said. The work that these folks do is just unbelievable. I would like to mention again, also, the Safe Place program. The fire department has been involved in that program, and that is a wonderfully successful program. Like my colleague from District 18 said, we have some schools in my district that have high rates of homeless youth. We, as a fire department, try to help at Christmas for the schools. I was just amazed. I couldn't even fathom that 60 to 70 percent of the students did not have any place to go at night. I rise in support of this resolution and hope to support these folks in all the good work they do in the future.

Madam Speaker requested the privilege of the Chair for the purpose of making the following remarks:

Sometimes in the day-to-day hustle and bustle up here, as we are drowning in bills and wondering how we are going to solve the state's economic crisis, we need to be reminded about what is good in our state. This resolution certainly brings this to everyone's attention. Some of my work that I am the proudest of in my 16 years have to do with homeless children, whether it was having the privilege of sponsoring this bill or fighting for the funds for children aging out of our foster care system. In the old days, we used to give children nothing except a trash bag as they left our foster care system. Thanks to the work that we did here, now we have a bridge and funds to help kids as they try to reach for college or a job. We added health insurance for children aging out of the foster care system. Before, we didn't have that. It took us four years to fight for that. I think those measures have helped, but there is nothing more important than the board members and the staff of organizations like the Nevada Partnership for Homeless Youth and our other nonprofits that are serving without compensation and are raising funds in a tight economic market. They know we can make a difference in these kids' lives. And to all of those kids who now are giving back and helping out, we thank you and we appreciate you.

Resolution adopted.

Assemblyman Conklin moved that all rules be suspended and that Assembly Concurrent Resolution No. 28 be immediately transmitted to the Senate.

Motion carried.

Madam Speaker announced if there were no objections, the Assembly would recess subject to the call of the Chair.

Assembly Concurrent Resolution No. 29—Recognizing Tuesday, April 28, 2009, as Equal Pay Day.

WHEREAS, Equal Pay Day was originated by the National Committee on Pay Equity in 1996 as a public awareness event to illustrate the gap between men's and women's wages; and

WHEREAS, Because women earn less, on average, than men, they must work longer for the same amount of pay, and therefore Equal Pay Day is observed during the last week in April to symbolize how far into the year a woman must work, on average, to earn as much as a man earned during the previous year and on a Tuesday because it is the day of the week on which women's wages catch up to men's wages from the previous week; and

WHEREAS, Pay equity is not just a women's issue because equal pay for women raises family income and the whole family benefits; and

WHEREAS, In 1963, when the Equal Pay Act was signed into law, women earned an average of 59 cents for every dollar earned by a man, and in 2007, women earned an average of 78 cents for every dollar earned by a man; and

WHEREAS, The wage gap is even greater for most women of color, as statistics show that Latina women earn 59 cents, African American women earn 69 cents and Asian American women earn 89 cents for every dollar men earn; and

WHEREAS, Over a working lifetime, this wage disparity costs the average American woman and her family an estimated $700,000 to $2 million, impacting social security benefits and pensions; and

WHEREAS, Nevada ranks eighth for the ratio of women's earnings to men's (wage gap), and it is estimated that women will catch up to men by 2020; and

WHEREAS, Nevada ranks 17th for the percentage of women-owned businesses, 47th for the number of women in professional and managerial positions and 47th for the percentage of women with 4 or more years of college; and

WHEREAS, On January 29, 2009, the Lilly Ledbetter Fair Pay Act, which restores the ability of victims of wage discrimination to hold their employers accountable for injustice and challenge the practice in court, was signed into law; now, therefore, be it

RESOLVED BY THE ASSEMBLY OF THE STATE OF NEVADA, THE SENATE CONCURRING, That the Nevada Legislature hereby designates Tuesday, April 28, 2009, as Equal Pay Day in Nevada to recognize the contributions of women to the paid labor force and

the ongoing work of both women and men to reach the goal of equal pay for equal work; and be it further

RESOLVED, That the Chief Clerk of the Assembly prepare and transmit a copy of this resolution to the Nevada Women's Lobby, League of Women Voters of Nevada, American Association of University Women of Nevada and Nevada NOW for their advocacy work on behalf of all Nevada women.

THE EIGHTY-SEVENTH DAY

CARSON CITY (Wednesday), April 29, 2009

Assembly called to order at 12:16 p.m.
Madam Speaker presiding.
Roll called.
All present.
Prayer by the Chaplain, Father Chuck Durante.
(Adapted from the Psalm to Virgin Spring by Edward Hays.)

Drawn upward by some hidden power,
life is cracking the crust of the earth
and bursting forth from limb and stem.

Your aroma, O Life-giver,
is upon the springtime wind, may we
feel its power stirring deep within us.

Green is Your color, O God,
The green of new life that lovingly transfigures
Earth's dreariness, long held prisoner by the
icy web of winter's cold.

Green up our hearts with hope in your perpetual
promise of life.
Send forth from our souls new shoots, fresh buds
Eager to grow in Your divine image.

May this year's visit of fresh Spring
Make our hearts fresh once again,
Filled with love for You whom we discover
In all things good and in everyone.

Grant us peace and centeredness, this day. We make this prayer as Your holy and humble people.

AMEN.

Pledge of allegiance to the Flag.

Assemblyman Conklin moved that further reading of the Journal be dispensed with, and the Speaker and Chief Clerk be authorized to make the necessary corrections and additions.

Assemblywoman Spiegel moved that the following proclamation be entered in the Journal:

PROCLAMATION OF THE NEVADA STATE ASSEMBLY

WHEREAS, Political involvement by women in our State can be traced back to the activities that helped Nevada obtain statehood in 1864; and

WHEREAS, Women were allowed to hold positions as school superintendents and trustees prior to receiving the right to vote in 1914; thereafter, women ran for elected offices at local and state levels resulting in the election of the first female county commissioner in 1915 and the first female State legislator in 1919; and

WHEREAS, Political leadership is an important quality for officeholders at all levels of government, one that is recognized by Emerge Nevada, an organization whose mission is to identify, educate and inspire Democratic women who want to pursue a political career; and

WHEREAS, Established in 2006 by Erin Bilbray-Kohn, Emerge Nevada is an affiliate of emergeAmerica, whose goal is to increase the number of Democratic women in public office across the nation by providing training in areas that include campaign strategy, fundraising, media skills, and ethics; and

WHEREAS, Since its establishment, 30 women have graduated from the seven-month long training program of Emerge Nevada, resulting in nearly 25 percent of the graduates becoming candidates for an elected office; and

WHEREAS, In the 2008 General Election, the first Emerge Nevada graduates chosen to serve the public were Assemblywoman Ellen Barre Spiegel, Clark County District No. 21; Kitty Jung, Washoe County Commission District 3; and Julia Ratti, Sparks City Council Ward 1; and

PROCLAIMED, That the State of Nevada recognizes the efforts of Emerge Nevada to strengthen the leadership ability of women by encouraging them to pursue a career in politics and have a positive effect on the history of our State and the success of its future.

DATED this 29th day of April, 2009.

BARBARA E. BUCKLEY
Speaker of the Assembly

ELLEN B. SPIEGEL
Nevada State Assemblywoman

Assemblywoman Spiegel requested that the following remarks be entered in the Journal.

ASSEMBLYWOMAN SPIEGEL:

Thank you, Madam Speaker. First, I would like to present the proclamation to Erin Bilbray-Kohn, who is the founder of Emerge Nevada. She is also the Democratic National Committeewoman for the State of Nevada. Erin, I would like to give you a copy of this proclamation, with our thanks and appreciation. I would like to also recognize all my fellow Emerge sisters who are here. Please rise so that everyone can make you feel welcome.

I have to tell you that I was in the very first class of Emerge Nevada. I was taught many, many wonderful skills. But more importantly, I was also able to develop a network of sisters and forge bonds and really develop relationships that I will carry with me throughout my life. Emerge Nevada has fostered many special things and is achieving results. I do not know if I would be standing here today if not for Emerge Nevada. So please make all my fellow Emerge sisters feel welcome. Thank you.

Madam Speaker requested the privilege of the Chair for the purpose of making the following remarks:

We are so pleased to have all of you with us today. We hope that this will be the start of a tradition of Emerge Day at the Nevada Legislature. We are so pleased at all of the successes shown by the elected officials we have with us already and those who are thinking of running or are helping people who have run. I see one attendee who spoke so highly of working on your campaign, Assemblywoman Spiegel, and so we aren't only training the future leaders, but the future power figures that will make things happen. We are so pleased to have you all here, and we look forward to the events through the rest of the day.

I, too, hope, though, that eventually this will just become obsolete. I hope that there will be a day when it is no longer an odd occasion to have the first woman city council person, the first woman Speaker, the first woman Governor, the first woman President, where it is just not thought of any longer as being anything out of the ordinary. Welcome here. We are thrilled to have you.

(NRS 463.170) **Section 11** of this bill: (1) provides that a registered gaming employee must file a change of employment notice within 10 calendar days with the Board; and (2) authorizes the Board to charge a fee to process a change of employment notice, limited to the actual investigative and administrative costs related to processing the change of employment notice. (NRS 463.335) **Section 12** of this bill changes the time within which an agent of the Board must mail written notice concerning a dispute between a patron and licensee from 30 days to 45 days after the date the Board first receives notification concerning the dispute. (NRS 463.362)

Sections 13-16 and 20 of this bill: (1) revise the process for notification to disseminators of live broadcasts of racing concerning certain proposals to broadcast racing meets; (2) delete references to the Account for the Operation of Hearing Panels; (3) authorize the Board to establish fees to be paid by a disseminator of a live broadcast, instead of a user; and (4) eliminate the requirement that the Commission is required to fix, regulate and control the rates to be charged by any disseminator of information concerning racing held at a track which uses the pari-mutuel system of wagering. (c) Furnish services or property, real or personal, on the basis of a contract, lease or license, pursuant to which that person receives payments based on earnings or profits from any gambling game, including any slot machine, without having first procured a state gaming license.

2. The provisions of subsection 1 do not apply to any person:

(a) Whose payments are a fixed sum determined in advance on a bona fide basis for the furnishing of services or property other than a slot machine.

(b) Who furnishes services or property under a bona fide rental agreement or security agreement for gaming equipment.

(c) That is a wholly owned subsidiary of:

(1) A corporation, limited partnership or limited-liability company holding a state gaming license; or

(2) A holding company or intermediary company, or publicly traded corporation, that has registered pursuant to NRS 463.585 or 463.635 and which has fully complied with the laws applicable to it.

(d) Who is licensed as a distributor and who rents or leases any equipment of any gambling game **,** including any slot machine, under a bona fide agreement where the payments are a fixed sum determined in advance and not determined as a percentage of the revenue derived from the equipment or slot machine.

(e) Who is found suitable by the Commission to act as an independent agent.

➥ Receipts or rentals or charges for real property, personal property or services do not lose their character as payments of a fixed sum or as bona fide because of provisions in a contract, lease or license for adjustments in charges, rentals or fees on account of changes in taxes or assessments, escalations in the cost-of-living index, expansions or improvement of facilities, or changes in services supplied. Receipts of rentals or charges based on percentage between a corporate licensee or a licensee who is a limited partnership or limited-liability company and the entities enumerated in paragraph (c) are permitted under this subsection.

3. The Commission may, upon the issuance of its approval or a finding of suitability, exempt a holding company from the licensing requirements of subsection 1.

4. The Board may require any person exempted by the provisions of subsection 2 or paragraph (b) of subsection 1 to provide such information as it may require to perform its investigative duties.

5. The Board and the Commission may require a finding of suitability or the licensing of any person who:

(a) Owns any interest in the premises of a licensed establishment or owns any interest in real property used by a licensed establishment whether he leases the property directly to the licensee or through an intermediary.

(b) Repairs, rebuilds or modifies any gaming device.

6. If the Commission finds a person described in subsection 5 unsuitable, a licensee shall not enter into any contract or agreement with that person without the prior approval of the Commission. Any other agreement between the licensee and that person must be terminated upon receipt of notice of the action by the Commission. Any agreement between a licensee and a person described in subsection 5 shall be deemed to include a provision for its termination without liability on the part of the licensee upon a finding by the Commission that the person is unsuitable. Failure expressly to include that condition in the agreement is not a defense in any action brought pursuant to this section to terminate the agreement. If the application is not presented to the Board within 30 days after demand, the Commission may pursue any remedy or combination of remedies provided in this chapter.

Sec. 10. NRS 463.170 is hereby amended to read as follows:

463.170 1. Any person who the Commission determines is qualified to receive a license, to be found suitable or to receive any approval required under the provisions of this chapter, or to be found suitable regarding the operation of a charitable lottery under the provisions of chapter 462 of NRS, having due consideration for the proper protection of the health, safety, morals, good order and general welfare of the inhabitants of the State of Nevada and the declared policy of this State, may be issued a state gaming license, be found suitable or receive any approval required by this chapter, as appropriate. The burden of proving his qualification to receive any license, be found suitable or receive any approval required by this chapter is on the applicant.

2. An application to receive a license or be found suitable must not be granted unless the Commission is satisfied that the applicant is:

(a) A person of good character, honesty and integrity;

(b) A person whose prior activities, criminal record, if any, reputation, habits and associations do not pose a threat to the public interest of this State or to the effective regulation and control of gaming or charitable lotteries, or create or enhance the dangers of unsuitable, unfair or illegal practices, methods and activities in the conduct of gaming or charitable lotteries or in the carrying on of the business and financial arrangements incidental thereto; and

(c) In all other respects qualified to be licensed or found suitable consistently with the declared policy of the State.

3. A license to operate a gaming establishment or an inter-casino linked system must not be granted unless the applicant has satisfied the Commission that:

(a) The applicant has adequate business probity, competence and experience, in gaming or generally; and

(b) The proposed financing of the entire operation is:

(1) Adequate for the nature of the proposed operation; and

(2) From a suitable source.

➥ Any lender or other source of money or credit which the Commission finds does not meet the standards set forth in subsection 2 may be deemed unsuitable.

4. An application to receive a license or be found suitable constitutes a request for a determination of the applicant's general character, integrity, and ability to participate or engage in, or be associated with gaming or the operation of a charitable lottery, as appropriate. Any written or oral statement made in the course of an official proceeding of the Board or Commission by any member thereof or any witness testifying under oath which is relevant to the purpose of the proceeding is absolutely privileged and does not impose liability for defamation or constitute a ground for recovery in any civil action.

5. The Commission may in its discretion grant a license to:

(a) A publicly traded corporation which has complied with the provisions of NRS 463.625 to 463.643, inclusive;

(b) Any other corporation which has complied with the provisions of NRS 463.490 to 463.530, inclusive;

(c) A limited partnership which has complied with the provisions of NRS 463.564 to 463.571, inclusive; and

(d) A limited-liability company which has complied with the provisions of NRS 463.5731 to 463.5737, inclusive.

6. No limited partnership, except one whose sole limited partner is a publicly traded corporation which has registered with the Commission, or a limited-liability company, or business trust or organization or other association of a quasi-corporate character is eligible to receive or hold any license under this chapter unless all persons having any direct or indirect interest therein of any nature whatever, whether financial, administrative, policymaking or supervisory, are individually qualified to be licensed under the provisions of this chapter.

7. The Commission may, by regulation:

(a) Limit the number of persons who may be financially interested and the nature of their interest in any corporation, other than a publicly traded corporation, limited partnership, limited-liability company or other organization or association licensed under this chapter; and

(b) Establish such other qualifications for licenses as it may, in its discretion, deem to be in the public interest and consistent with the declared policy of the State.

8. Any person granted a license or found suitable by the Commission shall continue to meet the applicable standards and qualifications set forth in this section and any other qualifications established by the Commission by regulation. The failure to continue to meet such standards and qualifications constitutes grounds for disciplinary action.

Sec. 11. NRS 463.335 is hereby amended to read as follows:

463.335 1. The Legislature finds that, to protect and promote the health, safety, morals, good order and general welfare of the inhabitants of the State of Nevada and to carry out the policy declared in NRS 463.0129, it is necessary that the Board:

(a) Ascertain and keep itself informed of the identity, prior activities and present location of all gaming employees in the State of Nevada; and

(b) Maintain confidential records of such information.

2. A person may not be employed as a gaming employee unless he is temporarily registered or registered as a gaming employee pursuant to this section. An applicant for registration or renewal of registration as a gaming employee must file an application for registration or renewal of registration with the Board. Whenever a registered gaming employee, whose registration has not expired, has not been objected to by the Board, or has not been suspended or revoked becomes employed as a gaming employee at another or additional gaming establishment, he must file a change of employment notice within 10 ***calendar*** days with the Board. The application for registration and change of employment notice must be filed through the licensee for whom the applicant will commence or continue working as a gaming employee, unless otherwise filed with the Board as prescribed by regulation of the Commission.

3. The Board shall prescribe the forms for the application for registration as a gaming employee and the change of employment notice.

4. A complete application for registration or renewal of registration as a gaming employee or a change of employment notice received by a licensee must be mailed or delivered to the Board within 5 business days after receipt unless the date is administratively extended by the Chairman of the Board for good cause. A licensee is not responsible for the accuracy or completeness of any application for registration or renewal of registration as a gaming employee or any change of employment notice.

5. The Board shall immediately conduct an investigation of each person who files an application for registration or renewal of registration as a gaming employee to determine whether he is eligible for registration as a gaming employee. In conducting the investigation, two complete sets of the applicant's fingerprints must be submitted to the Central Repository for Nevada Records of Criminal History for:

(a) A report concerning the criminal history of the applicant; and

(b) Submission to the Federal Bureau of Investigation for a report concerning the criminal history of the applicant.

➥ The investigation need not be limited solely to consideration of the results of the report concerning the criminal history of the applicant. The fee for processing an application for registration or renewal of registration as a gaming employee may be charged only to cover the actual investigative and administrative costs related to processing the application and the fees charged by the Central Repository for Nevada Records of Criminal History and the Federal Bureau of Investigation to process the fingerprints of an applicant pursuant to this subsection.

6. Upon receipt of a change of employment notice, the Board may conduct any investigations of the gaming employee that the Board deems appropriate to determine whether the gaming employee may remain registered as a gaming employee. ***The fee charged by the Board to process a change of employment notice may cover only the actual investigative and administrative costs related to processing the change of employment notice.*** The filing of a change of employment notice constitutes an application for registration as a gaming employee, and if the Board, after conducting its investigation, suspends or objects to the continued registration of the gaming employee, the provisions of subsections 10 to 16, inclusive, apply to such suspension by or objection of the Board. ~~[No fee may be charged by the Board to cover the actual investigative and administrative costs related to processing a change of employment notice.]~~

7. Except as otherwise prescribed by regulation of the Commission, an applicant for registration or renewal of registration as a gaming employee is deemed temporarily registered as a gaming employee as of the date a complete application for registration or renewal of registration is submitted to the licensee for which he will commence or continue working as a gaming employee. Unless objected to by the Board or suspended or revoked, the initial registration of an applicant as a gaming employee expires 5 years after the date employment commences with the applicable licensee. Any subsequent renewal of registration as a gaming employee, unless objected to by the Board or suspended or revoked, expires 5 years after the expiration date of the most recent registration or renewal of registration of the gaming employee.

8. If, within 120 days after receipt by the Board of a complete application for registration or renewal of registration as a gaming employee, including classifiable fingerprints, or a change of employment notice, the Board has not notified the applicable licensee of any suspension or objection, the applicant shall be deemed to be registered as a gaming employee. A complete application for registration or renewal of registration as a gaming employee is composed of:

(a) The fully completed form for application for registration as a gaming employee prescribed in subsection 3;

(b) Two complete sets of the fingerprints of the applicant, unless directly forwarded electronically or by another means to the Central Repository for Nevada Records of Criminal History;

(c) The fee for processing the application for registration or renewal of registration as a gaming employee prescribed by the Board pursuant to subsection 5, unless otherwise prescribed by regulation of the Commission; and

(d) A completed statement as prescribed in subsections 1 and 2 of NRS 463.3351.

➥ If the Board determines after receiving an application for registration or renewal of registration as a gaming employee that the application is incomplete, the Board may suspend the temporary registration as a gaming employee of the applicant who filed the incomplete application. An applicant whose temporary registration is suspended shall not be eligible to work as a gaming employee until such time as he files a complete application.

9. A person who is temporarily registered or registered as a gaming employee is eligible for employment in any licensed gaming establishment in this State until such registration is objected to by the Board, expires or is suspended or revoked. The Commission shall adopt regulations to:

(a) Establish uniform procedures for the registration of gaming employees;

(b) Establish uniform criteria for objection by the Board of an application for registration; and

(c) Provide for the creation and maintenance of a system of records that contain information regarding the current place of employment of each person who is registered as a gaming employee and each person whose registration as a gaming employee has expired, was objected to by the Board, or was suspended or revoked. The system of records must be accessible by:

(1) Licensees for the limited purpose of complying with subsection 2; and

(2) The Central Repository for Nevada Records of Criminal History for the limited purpose of complying with NRS 179D.570.

10. If the Board, within the 120-day period prescribed in subsection 8, notifies:

(a) The applicable licensee; and

(b) The applicant,

➥ that the Board suspends or objects to the temporary registration of an applicant as a gaming employee, the licensee shall immediately terminate the applicant from employment or reassign him to a position that does not require registration as a gaming employee. The notice of suspension or objection by the Board which is sent to the applicant must include a statement of the facts upon which the Board relied in making its suspension or objection.

11. Any person whose application for registration or renewal of registration as a gaming employee has been suspended or objected to by the Board may, not later than 60 days after receiving notice of the suspension or objection, apply to the Board for a hearing. A failure of a person whose application has been objected to or suspended to apply for a hearing within

60 days or his failure to appear at a hearing of the Board conducted pursuant to this section shall be deemed to be an admission that the suspension or objection is well-founded, and the failure precludes administrative or judicial review. At the hearing, the Board shall take any testimony deemed necessary. After the hearing, the Board shall review the testimony taken and any other evidence ~~[,]~~ and shall, within 45 days after the date of the hearing, mail to the applicant its decision sustaining or reversing the suspension or the objection to the registration of the applicant as a gaming employee.

12. The Board may suspend or object to the registration of an applicant as a gaming employee for any cause deemed reasonable by the Board. The Board may object to or suspend the registration if the applicant has:

(a) Failed to disclose or misstated information or otherwise attempted to mislead the Board with respect to any material fact contained in the application for registration as a gaming employee;

(b) Knowingly failed to comply with the provisions of this chapter or chapter 463B, 464 or 465 of NRS or the regulations of the Commission at a place of previous employment;

(c) Committed, attempted or conspired to commit any crime of moral turpitude, embezzlement or larceny or any violation of any law pertaining to gaming, or any crime which is inimical to the declared policy of this State concerning gaming;

(d) Committed, attempted or conspired to commit a crime which is a felony or gross misdemeanor in this State or an offense in another state or jurisdiction which would be a felony or gross misdemeanor if committed in this State and which relates to the applicant's suitability or qualifications to work as a gaming employee;

(e) Been identified in the published reports of any federal or state legislative or executive body as being a member or associate of organized crime, or as being of notorious and unsavory reputation;

(f) Been placed and remains in the constructive custody of any federal, state or municipal law enforcement authority; or

(g) Had registration as a gaming employee revoked or committed any act which is a ground for the revocation of registration as a gaming employee or would have been a ground for revoking registration as a gaming employee if the applicant had then been registered as a gaming employee.

➥ If the Board registers or does not suspend or object to the registration of an applicant as a gaming employee, it may specially limit the period for which the registration is valid, limit the job classifications for which the registered gaming employee may be employed and establish such individual conditions for the renewal and effectiveness of the registration as the Board deems appropriate, including required submission to unscheduled tests for the presence of alcohol or controlled substances. If a gaming employee fails to comply with any limitation or condition placed on the effectiveness of his registration as a gaming employee, notwithstanding any other provision of this section, the Board may object to his registration. If the Board objects to

his registration, the provisions regarding the continued effectiveness of the registration and the review of the objection set forth in subsections 10 to 16, inclusive, apply, including, without limitation, the requirement to notify the applicable licensee about the objection.

13. Any applicant aggrieved by the decision of the Board may, within 15 days after the announcement of the decision, apply in writing to the Commission for review of the decision. Review is limited to the record of the proceedings before the Board. The Commission may sustain, modify or reverse the Board's decision. The decision of the Commission is subject to judicial review pursuant to NRS 463.315 to 463.318, inclusive.

14. The Chairman of the Board may designate a member of the Board or the Board may appoint a hearing examiner and authorize that person to perform on behalf of the Board any of the following functions required of the Board by this section concerning the registration or renewal of registration of gaming employees:

(a) Conducting a hearing and taking testimony;

(b) Reviewing the testimony and evidence presented at the hearing;

(c) Making a recommendation to the Board based upon the testimony and evidence or rendering a decision on behalf of the Board to sustain or reverse the suspension of or the objection to the registration of an applicant as a gaming employee; and

(d) Notifying the applicant of the decision.

15. Notice by the Board as provided pursuant to subsections 1 to 14, inclusive, is sufficient if it is mailed to the applicant's last known address as indicated on the application for registration as a gaming employee or the record of the hearing, as the case may be. The date of mailing may be proven by a certificate signed by an officer or employee of the Board which specifies the time the notice was mailed. The notice shall be deemed to have been received by the applicant 5 days after it is deposited with the United States Postal Service with the postage thereon prepaid.

16. Except as otherwise provided in this subsection, all records acquired or compiled by the Board or Commission relating to any application made pursuant to this section, all lists of persons registered as gaming employees, all lists of persons suspended or objected to by the Board and all records of the names or identity of persons engaged in the gaming industry in this State are confidential and must not be disclosed except in the proper administration of this chapter or to an authorized law enforcement agency. Upon receipt of a request from the Division of Welfare and Supportive Services of the Department of Health and Human Services pursuant to NRS 425.400 for information relating to a specific person who has applied for registration as a gaming employee or is registered as a gaming employee, the Board shall disclose to the Division his social security number, residential address and current employer as that information is listed in the files and records of the Board. Any record of the Board or Commission which shows that the applicant has been convicted of a crime in another state must show whether

the crime was a misdemeanor, gross misdemeanor, felony or other class of crime as classified by the state in which the crime was committed. In a disclosure of the conviction, reference to the classification of the crime must be based on the classification in the state where it was committed.

17. If the Central Repository for Nevada Records of Criminal History, in accordance with the provisions of NRS 179D.570, provides the Board with the name and other identifying information of a registered gaming employee who is not in compliance with the provisions of chapter 179D of NRS, the Board shall notify the person that, unless he provides the Board with verifiable documentation confirming that he is currently in compliance with the provisions of chapter 179D of NRS within 15 days after receipt of such notice, the Board shall, notwithstanding any other provisions of this section, conduct a hearing for the purpose of determining whether the registration of the person as a gaming employee must be suspended for noncompliance with the provisions of chapter 179D of NRS.

18. Notwithstanding any other provisions of this section, if a person notified by the Board pursuant to subsection 17 does not provide the Board, within the 15 days prescribed therein, with verifiable documentation establishing that he is currently in compliance with the provisions of chapter 179D of NRS, the Chairman of the Board shall, within 10 days thereof, appoint a hearing examiner to conduct a hearing to determine whether the person is, in fact, not in compliance with the provisions of chapter 179D of NRS. The hearing examiner shall, within 5 days after the date he is appointed by the Chairman, notify the person of the date of the hearing. The hearing must be held within 20 days after the date on which the hearing examiner is appointed by the Chairman, unless administratively extended by the Chairman for good cause. At the hearing, the hearing examiner may take any testimony deemed necessary and shall render a decision sustaining or reversing the findings of the Central Repository for Nevada Records of Criminal History. The hearing examiner shall notify the person of his decision within 5 days after the date on which the decision is rendered. A failure of a person to appear at a hearing conducted pursuant to this section shall be deemed to be an admission that the findings of the hearing examiner are well-founded.

19. If, after conducting the hearing prescribed in subsection 18, the hearing examiner renders a decision that the person who is the subject of the hearing:

(a) Is not in compliance with the provisions of chapter 179D of NRS, the Board shall, notwithstanding any other provisions of this section:

(1) Suspend the registration of the person as a gaming employee;

(2) Notify the person to contact the Central Repository for Nevada Records of Criminal History to determine the actions that he must take to be in compliance with the provisions of chapter 179D of NRS; and

(3) Notify the licensee for which the person is employed as a gaming employee, in the manner prescribed in subsection 20, that the Board has

suspended the registration of the person as a gaming employee and that the licensee must immediately terminate the person from employment or reassign him to a position that does not require registration as a gaming employee.

(b) Is in compliance with the provisions of chapter 179D of NRS, the Board shall notify the person and the Central Repository for Nevada Records of Criminal History, in the manner prescribed in subsection 20, of the findings of the hearing examiner.

20. Notice as provided pursuant to subsections 17, 18 and 19 is sufficient if it is mailed to the person's last known address as indicated on the most recent application for registration as a gaming employee or the record of the hearing, or to the person at his place of gaming employment. The date of mailing may be proven by a certificate signed by an officer or employee of the Board which specifies the time the notice was mailed. The notice shall be deemed to have been received by the applicant 5 days after it is deposited with the United States Postal Service with the postage thereon prepaid.

21. The Board shall remove a suspension entered in accordance with subsection 19 and reinstate the registration of a person as a gaming employee upon receipt of verifiable documentation confirming that the person is currently in compliance with the provisions of chapter 179D of NRS.

Sec. 12. NRS 463.362 is hereby amended to read as follows:

463.362 1. Whenever a patron and a licensee, or any person acting on behalf of or in conjunction with a licensee, have any dispute which cannot be resolved to the satisfaction of the patron and which involves:

(b) Less than $500, the licensee shall notify the patron of his right to request that the Board conduct an investigation.

3. Upon being notified of a dispute, the Board, through an agent, shall conduct whatever investigation it deems necessary and shall determine whether payment should be made. The agent of the Board shall mail written notice to the Board, the licensee and the patron of his decision resolving the dispute within ~~[30]~~ ***45*** days after the date the Board first receives notification from the licensee or a request to conduct an investigation from the patron. The failure of the agent to mail notice of his decision within the time required by this subsection does not divest the Board of its exclusive jurisdiction over the dispute.

4. Failure of the licensee to notify the Board or patron as provided in subsection 2 is grounds for disciplinary action pursuant to NRS 463.310 to 463.3145, inclusive.

5. The decision of the agent of the Board is effective on the date the aggrieved party receives notice of the decision. Notice of the decision shall be deemed sufficient if it is mailed to the last known address of the licensee and patron. The date of mailing may be proven by a certificate signed by an officer or employee of the Board which specifies the time the notice was mailed. The notice shall be deemed to have been received by the licensee or the patron 5 days after it is deposited with the United States Postal Service with the postage thereon prepaid.

ASSEMBLYWOMAN SPIEGEL:

Thank you, Madam Speaker. Senate Bill 344 authorizes the Director of the Department of Health and Human Services to create an interagency committee to review the child welfare system and make recommendations for changes in the system. If an interagency committee is created, it must submit a report to the Legislature each odd-numbered year and may submit one bill draft request directly to the Legislative Counsel by September 1of each even-numbered year. The measure is effective on July 1, 2009.

ASSEMBLYMAN COBB:

Thank you, Madam Speaker. I will rise in support of S.B. 344. I was hesitant to support this, even though it is discretionary, because I am worried about spending money on new programs.

One thing that I did put on the record in committee and would like to put on the record now, which was accepted by the bill sponsor, is the idea that if at all possible—although I don't believe that these would be the correct parties to do so or the optimum parties to do so—we should be looking at any potential cost savings from removing duplication of services. I will be supporting it with the understanding that hopefully we will be able to create a more efficient system as well.

The following Senate amendment was read:

Amendment No. 563.

AN ACT relating to criminal procedure; requiring courts to ask a defendant whether he is a veteran or a member of the military; authorizing the establishment by district courts of a program for the treatment of certain offenders who are veterans or members of the military; authorizing justice courts and municipal courts to transfer original jurisdiction of certain cases to the district court for the purpose of assigning offenders to the program of treatment; enacting various provisions pertaining to the program of treatment; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes a district court to establish a program for the treatment of offenders with mental illness. (NRS 176A.250-176A.265) **Sections 2-15** of this bill, using that existing law as a model, authorize a district court to establish a program for the treatment of certain eligible defendants who are veterans or members of the military. **Section 8** of this bill authorizes a court to suspend further proceedings, without entering a judgment of conviction and with the consent of an eligible defendant, and to place the defendant on probation with terms conditions that include successful completion of the program of treatment. **Section 8** also generally prohibits a court from assigning a defendant to a program of treatment if the defendant: (1) committed an offense for which the suspension of sentence or the granting of probation is prohibited by existing law; (2) committed an offense that involved the use of force or violence; or (3) was previously convicted of a felony that involved the use or threatened use of force or violence. **Section 9** of this bill requires a court, under certain circumstances, to seal documents relating to a case involving a defendant who was assigned to the program of treatment **[**~~3 years~~**]** after the defendant is discharged from probation. **Sections 17 and 19** of this bill authorize justice courts and municipal courts to transfer original jurisdiction of certain cases involving misdemeanors to the district court for the purpose of assigning offenders to the program of treatment. (NRS 4.370, 5.050) **Sections 1, 16 and 18** of this bill also require a district court, justice court and municipal court to ask a defendant if he is a veteran or a member of the military. (NRS 176.015)

WHEREAS, Historically, the State of Nevada has honored the noble sacrifices that members of the military have made to protect our freedoms by providing veterans and members of the military certain benefits and rehabilitative services; and

WHEREAS, In the State of Nevada, veterans and members of the military constitute 11.9 percent of the population, a percentage which far exceeds the national average of 7.9 percent; and

WHEREAS, Studies have shown that combat service may exact a tremendous psychological toll on members of the military who are faced with the constant threat of death or injury over an extended period of time; and

WHEREAS, Researchers have shown that 30 to 40 percent of the 1.6 million members of the military who have served in Iraq and Afghanistan will suffer grave mental health injuries from their military service, such as post-traumatic stress disorder, traumatic brain injury, depression, anxiety and acute stress; and

WHEREAS, Such combat-related injuries, including the use of drugs and alcohol to cope with such injuries, can lead to encounters with the criminal justice system which would not have otherwise occurred without the combat-related injury; and

WHEREAS, While the vast majority of returning members of the military do not have contact with the criminal justice system, and most veterans and members of the military are well-adjusted, contributing members of society, psychiatrists and law enforcement officials agree that combat-related injuries have led to instances of criminality; and

WHEREAS, As a grateful state, we must honor the military service of our men and women by providing them with an alternative to incarceration and permitting them to access proper treatment for mental health and substance abuse problems resulting from military service; and

WHEREAS, The establishment of specialty treatment courts for veterans and members of the military who are nonviolent offenders will enable the criminal justice system to address the unique challenges veterans and members of the military face as a result of their honorable service and permit such veterans and members of the military to heal and reenter society; now, therefore,

Discharge and dismissal restores the defendant, in the contemplation of the law, to the status occupied before the arrest, indictment or information. Our Heavenly Father, this day we are indeed grateful that we have a new day. We are thankful for our health and we are thankful for our strength. We thank Thee for the privilege and opportunity to serve as public servants here this day. We are thankful for our family, for our friends, and for our other loved ones that support us as we serve. We thank Thee for our wonderful staff, who works so hard to help us accomplish the tasks that must be done. We thank Thee for all of our state employees and all hardworking Nevadans. We thank Thee, also, at this time for the moisture that has been brought to the earth, and we hope that we continue to receive that.

We ask that we be good public servants, and that we will do our best. We ask that Thy Spirit will continue to guide us as we serve. We ask Thee to bless our staff and workers, that they will have the strength and health they need to accomplish their tasks. We ask Thee to bless all Nevadans in these challenging economic times and that Thou will help us to be able to get through them. We ask Thee to bless our families and loved ones, that they will not be found wanting as we serve here in this capacity. We ask, also, a special blessing on those whose lives have been impacted by the flu epidemic, and we ask that we will be able to find the things necessary to find solutions. We ask Thee to bless those that have lost family members. We thank Thee for this day and ask that, as we finish this day, we will be able to travel to our various destinations in safety. I say these things in the Name of Jesus Christ.

AMEN.

Amendment No. 585.

AN ACT relating to education; revising provisions governing the award of grants of money from the Account for Programs for Innovation and the Prevention of Remediation by the Commission on Educational Excellence; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The Commission on Educational Excellence awards grants of money from the Account for Programs for Innovation and the Prevention of Remediation for programs designed for pupils enrolled in kindergarten through grade 6 and pupils enrolled in grades 7 through 12. (NRS 385.3781-385.379) This bill requires the Commission, when awarding grants for programs designed for pupils enrolled in grades 7 through 12, to give ~~[first]~~ priority to applications for programs designed for pupils enrolled in grades 7 and 8 who have not completed the courses of study or credits required for promotion to the next grade or promotion to high school, as applicable. (NRS 385.3785)

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 385.3785 is hereby amended to read as follows:

385.3785 1. The Commission shall:

(a) Establish a program of educational excellence designed exclusively for pupils enrolled in kindergarten through grade 6 in public schools in this State based upon:

(1) The plan to improve the achievement of pupils prepared by the State Board pursuant to NRS 385.34691;

(2) The plan to improve the achievement of pupils prepared by the board of trustees of each school district pursuant to NRS 385.348;

(3) The plan to improve the achievement of pupils prepared by the principal of each school pursuant to NRS 385.357, which may include a program of innovation; and

(4) Any other information that the Commission considers relevant to the development of the program of educational excellence.

(b) Identify programs, practices and strategies that have proven effective in improving the academic achievement and proficiency of pupils.

(c) Develop a concise application and simple procedures for the submission of applications by public schools and consortiums of public schools, including, without limitation, charter schools, for participation in a program of educational excellence and for grants of money from the Account. Grants of money must be made for programs designed for the achievement of pupils that are linked to the plan to improve the achievement of pupils or for innovative programs, or both. The Commission shall not award a grant of money from the Account for a program to provide full-day kindergarten. All public schools and consortiums of public schools, including, without limitation, charter schools, are eligible to submit such an application, regardless of whether the schools have made adequate yearly progress or failed to make adequate yearly progress. A public school or a consortium of public schools selected for participation may be approved by the Commission for participation for a period not to exceed 2 years, but may reapply.

(d) Prescribe a long-range timeline for the review, approval and evaluation of applications received from public schools and consortiums of public schools that desire to participate in the program.

(e) Establish guidelines for the review, evaluation and approval of applications for grants of money from the Account, including, without limitation, consideration of the list of priorities of public schools provided by the Department pursuant to subsection 5. To ensure consistency in the review, evaluation and approval of applications, if the guidelines authorize the review and evaluation of applications by less than the entire membership of the Commission, money must not be allocated from the Account for a

grant until the entire membership of the Commission has reviewed and approved the application for the grant.

(f) Prescribe accountability measures to be carried out by a public school that participates in the program if that public school does not meet the annual measurable objectives established by the State Board pursuant to NRS 385.361, including, without limitation:

(1) The specific levels of achievement expected of schools that participate; and

(2) Conditions for schools that do not meet the grant criteria but desire to continue participation in the program and receive money from the Account, including, without limitation, a review of the leadership at the school and recommendations regarding changes to the appropriate body.

(g) Determine the amount of money that is available from the Account for those public schools and consortiums of public schools that are selected to participate in the program.

(h) Allocate money to public schools and consortiums of public schools from the Account. Allocations must be distributed not later than August 15 of each year.

(i) Establish criteria for public schools and consortiums of public schools that participate in the program and receive an allocation of money from the Account to evaluate the effectiveness of the allocation in improving the achievement of pupils, including, without limitation, a detailed analysis of:

(1) The achievement of pupils enrolled at each school that received money from the allocation based upon measurable criteria identified in the plan to improve the achievement of pupils for the school prepared pursuant to NRS 385.357;

(2) If applicable, the effectiveness of the program of innovation on the achievement of pupils and the overall effectiveness for pupils and staff;

(3) The implementation of the applicable plans for improvement, including, without limitation, an analysis of whether the school is meeting the measurable objectives identified in the plan; and

(4) The attainment of measurable progress on the annual list of adequate yearly progress of school districts and schools.

2. To the extent money is available, the Commission shall make allocations of money to public schools and consortiums of public schools for effective programs for grades 7 through 12 that are designed to improve the achievement of pupils and effective programs of innovation for pupils. In making such allocations, the Commission shall ~~[comply]~~ ***:***

(a) Comply with the requirements of subsection 1 ~~[.]~~ ***; and***

(b) Give ~~*[first]*~~ ***priority to applications which propose to establish or maintain a program that is designed for pupils enrolled in grades 7 and 8 who have not completed the courses of study or credits required for promotion to the next grade or promotion to high school, as applicable, and that assists those pupils in making a successful transition to high school. If more applications are submitted for such programs than the***

amount of money available, the Commission shall make its determination based upon the list of priorities of schools provided by the Department pursuant to subsection 5.

3. The Commission shall ensure, to the extent practicable, that grants of money provided pursuant to this section reflect the economic and geographic diversity of this State.

4. If a public school or consortium that receives money pursuant to subsection 1 or 2:

(a) Does not meet the criteria for effectiveness as prescribed in paragraph (i) of subsection 1;

(b) Does not, as a result of the program for which the grant of money was awarded, show improvement in the achievement of pupils, as determined in an evaluation conducted pursuant to subsection 3 of NRS 385.379; or

(c) Does not implement the program for which the money was received, as determined in an evaluation conducted pursuant to subsection 3 of NRS 385.379,

➥ over a 2-year period, the Commission may consider not awarding future allocations of money to that public school or consortium of public schools.

5. On or before July 1 of each year, the Department shall provide a list of priorities of public schools that indicates:

(a) The adequate yearly progress status of schools in the immediately preceding year; and

(b) The public schools that are considered Title I eligible by the Department based upon the poverty level of the pupils enrolled in a school in comparison to the poverty level of the pupils in the school district as a whole,

➥ for consideration by the Commission in its development of procedures for the applications.

6. A public school, including, without limitation, a charter school, or a consortium of public schools may request assistance from the school district in which the school is located in preparing an application for a grant of money pursuant to this section. A school district shall assist each public school or consortium of public schools that requests assistance pursuant to this subsection to ensure that the application of the school:

(a) Is based directly upon the plan to improve the achievement of pupils prepared for the school pursuant to NRS 385.357;

(b) Is developed in accordance with the criteria established by the Commission; and

(c) Is complete and complies with all technical requirements for the submission of an application.

➥ A school district may make recommendations to the individual schools and consortiums of public schools. Such schools and consortiums of public schools are not required to follow the recommendations of a school district.

7. In carrying out the requirements of this section, the Commission shall review and consider the programs of remedial study adopted by the Department pursuant to NRS 385.389, the list of approved providers of

supplemental ***educational*** services maintained by the Department pursuant to NRS 385.384 and the recommendations submitted by the Committee pursuant to NRS 218.5354 concerning programs, practices and strategies that have proven effective in improving the academic achievement and proficiency of pupils.

8. If a consortium of public schools is formed for the purpose of submitting an application pursuant to this section, the public schools within the consortium do not need to be located within the same school district.

Sec. 2. This act becomes effective on July 1, 2009.

The following amendment was proposed by the Committee on Education:

Amendment No. 586.

AN ACT relating to education; revising provisions governing the renewal of a written charter for a charter school; revising provisions regarding the membership of a governing body of a charter school; revising provisions governing reimbursement to sponsors of charter schools for certain administrative costs; revising provisions governing the regional training programs for the professional development of teachers and administrators; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1 of this bill revises the time by which a charter school must submit an application for the renewal of the written charter from not less than 90 days before the expiration of the charter to not less than 120 days before the expiration of the charter. (NRS 386.530)

Existing law prescribes the membership of a governing body of a charter school. (NRS 386.549) **Section 2** of this bill authorizes the sponsor of the charter school ~~[, upon the request of the governing body, to nominate]~~ **to appoint** one additional member to the governing body.

Existing law authorizes the sponsor of a charter school to request, upon completion of each school year, reimbursement from the governing body of the charter school for the administrative costs associated with sponsorship.

(NRS 386.570) **Section 3** of this bill revises the payments for reimbursement of administrative costs from yearly to quarterly.

Existing law creates four regional training programs for the professional development of teachers and administrators. Each regional training program is required to provide certain services to the school districts within the primary jurisdiction of the program. Sec. 3. NRS 386.570 is hereby amended to read as follows:

386.570 1. Each pupil who is enrolled in a charter school, including, without limitation, a pupil who is enrolled in a program of special education in a charter school, must be included in the count of pupils in the school district for the purposes of apportionments and allowances from the State Distributive School Account pursuant to NRS 387.121 to 387.126, inclusive, unless the pupil is exempt from compulsory attendance pursuant to NRS 392.070. A charter school is entitled to receive its proportionate share of any other money available from federal, state or local sources that the school or the pupils who are enrolled in the school are eligible to receive. If a charter school receives special education program units directly from this State, the amount of money for special education that the school district pays to the charter school may be reduced proportionately by the amount of money the charter school received from this State for that purpose.

2. All money received by the charter school from this State or from the board of trustees of a school district must be deposited in a bank, credit union or other financial institution in this State. The governing body of a charter school may negotiate with the board of trustees of the school district and the State Board for additional money to pay for services which the governing body wishes to offer.

3. Upon completion of ~~[a]~~ ***each*** school ~~[year,]~~ ***quarter,*** the sponsor of a charter school may request reimbursement from the governing body of the charter school for the administrative costs associated with sponsorship for that school ~~[year]~~ ***quarter*** if the sponsor provided administrative services during that school ~~[year.]~~ ***quarter.*** The request must include an itemized list of those costs. If a governing body fails to pay the reimbursement, the charter school shall be deemed to have violated its written charter and the sponsor may take such action to revoke the written charter pursuant to NRS 386.535 as it deems necessary. If the board of trustees of a school district is the sponsor of a charter school, the amount of money that may be paid to the sponsor pursuant

to this subsection for administrative expenses in 1 school year must not exceed:

(a) For the first year of operation of the charter school, 2 percent of the total amount of money apportioned to the charter school during the year pursuant to NRS 387.124 ~~[.]~~ ***, as adjusted by the final computation of apportionment pursuant to subsection 4 of NRS 387.1243.***

(b) For any year after the first year of operation of the charter school, 1 percent of the total amount of money apportioned to the charter school during the year pursuant to NRS 387.124 ~~[.]~~ ***, as adjusted by the final computation of apportionment pursuant to subsection 4 of NRS 387.1243.***

4. If the State Board or a college or university within the Nevada System of Higher Education is the sponsor of a charter school, the amount of money that may be paid to the Department or to the institution, as applicable, pursuant to subsection 3 for administrative expenses in 1 school year must not exceed:

(a) For the first year of operation of the charter school, 2 percent of the total amount of money apportioned to the charter school during the year pursuant to NRS 387.124 ~~[.]~~ ***, as adjusted by the final computation of apportionment pursuant to subsection 4 of NRS 387.1243.***

(b) For any year after the first year of operation of the charter school, 1.5 percent of the total amount of money apportioned to the charter school during the year pursuant to NRS 387.124 ~~[.]~~ ***, as adjusted by the final computation of apportionment pursuant to subsection 4 of NRS 387.1243.***

5. To determine the amount of money for distribution to a charter school in its first year of operation, the count of pupils who are enrolled in the charter school must initially be determined 30 days before the beginning of the school year of the school district, based on the number of pupils whose applications for enrollment have been approved by the charter school. The count of pupils who are enrolled in the charter school must be revised on the last day of the first school month of the school district in which the charter school is located for the school year, based on the actual number of pupils who are enrolled in the charter school. Pursuant to subsection 5 of NRS 387.124, the governing body of a charter school may request that the apportionments made to the charter school in its first year of operation be paid to the charter school 30 days before the apportionments are otherwise required to be made.

6. If a charter school ceases to operate as a charter school during a school year, the remaining apportionments that would have been made to the charter school pursuant to NRS 387.124 for that year must be paid on a proportionate basis to the school districts where the pupils who were enrolled in the charter school reside.

7. The governing body of a charter school may solicit and accept donations, money, grants, property, loans, personal services or other assistance for purposes relating to education from members of the general public, corporations or agencies. The governing body may comply with

applicable federal laws and regulations governing the provision of federal grants for charter schools. The State Board may assist a charter school that operates exclusively for the enrollment of pupils who receive special education in identifying sources of money that may be available from the Federal Government or this State for the provision of educational programs and services to such pupils.

8. If a charter school uses money received from this State to purchase real property, buildings, equipment or facilities, the governing body of the charter school shall assign a security interest in the property, buildings, equipment and facilities to the State of Nevada.

Madam Speaker presiding.

Roll called.

All present except Assemblyman Arberry, who was excused.

Prayer by the Chaplain, Reverend Patrick Propster.

Proverbs 22:28 & 29:

"Do not remove the old landmark (the ancient boundary) which your fathers have set. Do you see a man diligent (skilled in his work) in his business? He shall stand before kings; he shall not stand before obscure (unknown) men."

Lord, we know that landmarks are important and that at times change is inevitable. We also know nothing happens in government without a reason or purpose behind it. Therefore, we pray that any and all decisions or changes that would need to be made during these days here and now would all be made on the foundation and for the glory of You.

Oh Gracious Heavenly Father, please, would You grant these here in this room and in this place, the wisdom, the discernment, and the insight to know the heart and the mind of You, for the sake of You and future of us.

AMEN.

Pledge of allegiance to the Flag.

Amendment No. 589.

AN ACT relating to crimes; establishing the crime of criminal gang recruitment; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 2 of this bill establishes the crime of criminal gang recruitment, which is committed when an adult uses or threatens to use physical violence against a child or against another person, or causes or threatens to cause damage to the property of the child or the property of another person, with the specific intent to coerce, induce or solicit the child: (1) to become a member of a criminal gang; (2) to remain a member of a criminal gang and not withdraw or disassociate himself from the criminal gang; or (3) to rejoin a criminal gang of which he is no longer a member or from which he has withdrawn or disassociated himself. The provisions of **section 2** are patterned after similar statutory provisions in other states, such as Alaska, Arizona, Illinois, Indiana, Kansas, Kentucky, Maryland, Montana, South Carolina, Texas, Virginia and Washington.

Section 1 of this bill provides that a person who commits the crime of criminal gang recruitment is not subject to the additional penalty under existing law for crimes committed for the benefit of, at the direction of, or in affiliation with, a criminal gang, with the specific intent to promote, further or assist the activities of the criminal gang. (NRS 193.168)

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

2. The sentence prescribed by this section:

(a) Must not exceed the sentence imposed for the crime; and

(b) Runs consecutively with the sentence prescribed by statute for the crime.

3. This section does not create any separate offense but provides an additional penalty for the primary offense, whose imposition is contingent upon the finding of the prescribed fact.

4. The court shall not impose an additional penalty pursuant to this section unless:

(a) The indictment or information charging the defendant with the primary offense alleges that the primary offense was committed knowingly for the benefit of, at the direction of, or in affiliation with, a criminal gang, with the specific intent to promote, further or assist the activities of the criminal gang; and

5. ***The court shall not impose an additional penalty pursuant to this section if the primary offense is a violation of section 2 of this act.***

6. Except as otherwise provided in this subsection, the court shall not grant probation to or suspend the sentence of any person convicted of a felony committed for the benefit of, at the direction of, or in affiliation with **,** a criminal gang if an additional term of imprisonment may be imposed for that primary offense pursuant to this section. The court may, upon the receipt of an appropriate motion, reduce or suspend the sentence imposed for the primary offense if it finds that the defendant rendered substantial assistance in the arrest or conviction of any other principals, accomplices, accessories or coconspirators to the crime, or of any other persons involved in the commission of a felony which was committed for the benefit of, at the direction of, or in affiliation with **,** a criminal gang. The agency which arrested the defendant must be given an opportunity to support or oppose such a motion before it is granted or denied. If good cause is shown, the motion may be heard in camera.

~~[6.]~~ ***7.*** In any proceeding to determine whether an additional penalty may be imposed pursuant to this section, expert testimony is admissible to show particular conduct, status and customs indicative of criminal gangs, including, but not limited to:

(f) Codes of conduct, including criminal conduct, of particular criminal gangs; and

(a) Has a common name or identifying symbol;

(b) Has particular conduct, status and customs indicative of it; and

Amendment No. 594.
AN ACT relating to real property; revising provisions governing foreclosures on property; providing for mediation under certain circumstances; **providing for the imposition of a fee for mediation;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law sets forth procedures governing foreclosures on real property upon default. A trustee under a deed of trust has the power to sell the property to which the deed of trust applies, subject to certain restrictions. (NRS 107.080, 107.085) **Section 1** of this bill establishes additional restrictions on the trustee's power of sale with respect to owner-occupied housing by providing a ~~[homeowner]~~ **grantor of a deed of trust or the person who holds the title of record** with the right to request mediation under which he may receive a loan modification. Once ~~[a homeowner requests mediation,]~~ **mediation is requested,** no further action may be taken to exercise the power of sale until the completion of the mediation. Each mediation must be conducted by a senior justice, judge, hearing master or other designee pursuant to rules adopted by the Nevada Supreme Court or an entity designated by the Nevada Supreme Court. ~~[.]~~ **, and a fee of not more than $85 per hour may be charged and collected for the mediation. Section 2 of this bill also restricts the trustee's power of sale with respect to owner-occupied housing by revising the period in which a deficiency in performance or payment under the trust agreement may be made good before the trustee may exercise that power. Similarly, section 3 of this bill restricts the trustee's power of sale with respect to owner-occupied housing by revising the manner in which service of notice that a person is in danger of losing his home must be made.** In addition, **section 4** of this bill authorizes the Nevada Supreme Court to adopt rules providing for voluntary mediation with respect to a homeowner who is not in default but is at risk of default.

GENERAL FILE AND THIRD READING

Assembly Bill No. 149.

Bill read third time.

Remarks by Assemblywoman Buckley.

Assemblywoman Buckley requested that her remarks be entered in the Journal.

So-called "creative financing" fueled the real estate boom that we enjoyed in Nevada in the early part of this decade.

It started with the exotic loans—0% down, artificially low interest rates for the first two or three years—all meant to entice buyers into the housing market, in some cases to create a trumped-up demand to buy at inflated prices. Unsophisticated borrowers, who wouldn't know a negative amortization schedule if it jumped up and bit them, sometimes overbought. Borrowers who otherwise would have qualified for a regular mortgage were steered into an exotic mortgage when conventional financing would have been a better choice for them. The brokers did not make as many fees on these loans, so borrowers were not even told about them.

This all came crashing down as these loans began to "reset" to their above-market rates. Suddenly, borrowers couldn't afford the new principal and interest payments. When they called their original lender for help, they were told they no longer owned the mortgage. When they called the mortgage servicing company who accepted their payments every month, they had difficultly finding anyone who could direct them to the current owner of their mortgage. If they

did find the owner of their mortgage, typically, they could not find anyone who could actually negotiate a refinancing of that mortgage.

And so it went, one after another—cascading foreclosures, decimated neighborhoods destroyed by property values. Then those with conventional mortgages found themselves hopelessly underwater as their homes were worth far less than the balance owed on their conventional financing.

Nevada is caught in a downward economic spiral, fueled by the effects of these mortgage foreclosures.

Assembly Bill No. 149 has a simple theme—get buyers and lenders together to work out a reasonable repayment agreement that will keep homeowners in their homes, allow lenders to realize gains on mortgage loans, rather than losses on mortgage foreclosures, and bring stability back to Nevada's real estate market. Before a nonjudicial foreclosure can occur, Assembly Bill 149 allows a borrower willing and able to make monthly payments to mediate such an agreement with their lender.

The Nevada Supreme Court will administer the program; already over 300 lawyers and all of the retired senior judges have volunteered to receive training in mediation and accept no more than $340 in total payment for conducting mediations. The cost will be borne equally by borrowers and lenders.

Experts estimate that court-administered mediation will prevent 17,700 foreclosures in Nevada, saving more than $1.6 billion dollars in home values and the property tax base. Contrast this to the average loss of $50,000 to lenders and $19,227 dollars to local governments from foreclosures.

By enacting AB 149, we can help stabilize neighborhood real estate values, keep Nevadans in their homes, and stem the lender losses that are drying up access to credit. I urge your support.

SENATE CHAMBER, Carson City, May 5, 2009

To the Honorable the Assembly:

I have the honor to inform your honorable body that the Senate on this day adopted Senate Concurrent Resolution No. 29.

SHERRY L. RODRIGUEZ

MOTIONS, RESOLUTIONS AND NOTICES

Senate Concurrent Resolution No. 29.

Assemblywoman Gansert moved the adoption of the resolution.

Remarks by Assemblymen Gansert, Anderson, and Madam Speaker.

Assemblyman Oceguera requested that the following remarks be entered in the Journal.

ASSEMBLYWOMAN GANSERT:

Thank you, Madam Speaker. I was never privileged to meet Mr. James, but from what I have read and from this resolution, I can tell that he was an outstanding person. He was an educator, he was a climatologist, he was a runner, and he was someone who loved Nevada. I urge support of this resolution.

ASSEMBLYMAN ANDERSON:

Thank you, Madam Speaker. I rise in support of SCR 29. I had the privilege of taking a class, and the good doctor was one of the lecturers. His sense of humor clearly came through. The topic of discussion in the class was the importance of weather and climate in the historical development of the country and on the continent on which we live. His insight into historical events brought alive those things for teachers and they were able to bring it to their classrooms, which was very important.

I had the opportunity to meet with him and interact with him long before I came to this Chamber. I had the pleasure of meeting his son, and then later, his daughter. I clearly see in both of them—one more so than the other—his sense of humor. I truly appreciate the

importance of the great man that he is and was for all of us and the mark he left upon the state's climatological history, which I think is very important to all of us.

Madam Speaker requested the privilege of the Chair for the purpose of making the following remarks:

With the permission of the body, I, too, want to pass my condolences on to the family. What a Nevada treasure your dad was. The state is a better place for him. He must have had some political gene in him, because we certainly see that carried forward, too. Maybe it is the politics of weather—everything has politics. He was truly a Nevada treasure and made such an impact, whether it was on the University System or the state. We thank you for sharing him with us.

Resolution adopted.

Assembly Concurrent Resolution No. 31—Urging the Government of Turkey to grant the Ecumenical Patriarch international recognition and to respect the human rights and property rights of the Ecumenical Patriarchate.

WHEREAS, The Ecumenical Patriarchate, located in Istanbul, Turkey, is the Sacred See that presides in a spirit of brotherhood over a communion of self-governing churches of the Orthodox Christian world; and

WHEREAS, Ecumenical Patriarch Bartholomew, See leader, cosponsored the Conference on Peace and Tolerance in 1994 and 2005, fostering an interfaith dialogue among Christian, Jewish and Muslim religious leaders to help end regional ethnic conflicts; and

WHEREAS, In 1997, the United States Congress awarded Ecumenical Patriarch Bartholomew the Congressional Gold Medal; and

WHEREAS, The Orthodox Christian Church, in existence for nearly 2,000 years, numbers approximately 300,000,000 members worldwide with more than 2,000,000 members in the United States; and

WHEREAS, Since 1453, the presence of the Ecumenical Patriarchate as international head of the Greek Orthodox Church in Turkey testifies to religious coexistence; and

WHEREAS, The Turkish government has limited those able to hold the office of Ecumenical Patriarch to Turkish nationals, threatening the viability of succession; and

WHEREAS, The Turkish government confiscated a large percentage of the Ecumenical Patriarchate's and the Greek community's properties, placed a high tax on one of the Patriarchate's charity hospitals, the Baloukli Hospital and Home for the Aged, and closed the Theological School of Halki in 1971, impeding Orthodox clergy training; and

WHEREAS, The European Council began accession negotiations with Turkey, and the Turkish government's current treatment of the Ecumenical Patriarchate is inconsistent with the defined membership criteria for accession of the European Union; now, therefore, be it

RESOLVED BY THE ASSEMBLY OF THE STATE OF NEVADA, THE SENATE CONCURRING, That the members of the 75th Session of the Nevada Legislature do hereby urge the Government of Turkey to uphold and safeguard religious and human rights without compromise, to grant the Ecumenical Patriarch appropriate international recognition, including ecclesiastic succession and the right to train clergy of all nationalities, and to respect the human rights and property rights of the Ecumenical Patriarchate, including cessation of discrimination; and be it further

Senate Bill No. 256.

Bill read second time.

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 608.

AN ACT relating to the grounds of Northern Nevada Adult Mental Health Services; designating an area on the grounds of Northern Nevada Adult Mental Health Services as a historic cemetery and providing the boundaries of the cemetery; requiring the reinterment of certain human remains found outside the boundaries of the cemetery; requiring the Office of Historic Preservation of the Department of Cultural Affairs to oversee the maintenance and improvement of the cemetery ~~[.]~~ **by Northern Nevada Adult Mental Health Services;** requiring the State of Nevada to terminate a lease of a portion of the cemetery to the City of Sparks; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The grounds of Northern Nevada Adult Mental Health Services include a cemetery that was formerly a part of the Nevada Hospital for Mental Diseases. In 1949, the Legislature required the board of commissioners of the hospital to abolish the use of the cemetery. (Chapter 184, Statutes of Nevada 1949, p. 408) This bill designates the area of the former cemetery as a historic cemetery. This bill also requires the reinterment of human remains from gravesites found in a certain area outside the designated boundaries of the cemetery to the area inside the historic cemetery. This bill also provides for the Administrator of the Office of Historic Preservation of the Department of Cultural Affairs, in cooperation with persons with an interest in the matter, to oversee the maintenance and improvement of the cemetery ~~[.]~~ **by Northern Nevada Adult Mental Health Services of the Division of Mental Health and Developmental Services of the Department of Health and Human Services.**

In 1959, a portion of the former cemetery was leased to the City of Sparks. This bill directs the State of Nevada to terminate the lease. Upon termination of the lease, the area covered by the lease will become a part of the cemetery.

Section 2 of this bill repeals the statute that abolished the use of the cemetery.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. 1. The following area, used before 1949 as a cemetery for the former Nevada Hospital for Mental Diseases, is hereby established as a historic cemetery, except as otherwise provided in this section:

To the extent that money is available for this purpose, the State Public Works Board shall provide, in consultation with the Administrator of the Office of Historic Preservation of the Department of Cultural Affairs and other persons with an interest in the matter, appropriate fencing and a memorial monument for the cemetery.

5. The Administrator of the Office of Historic Preservation of the Department of Cultural Affairs shall, in consultation with persons with an interest in the matter and to the extent of available money, oversee the maintenance and improvement of the historic cemetery established pursuant to this section ~~[.]~~ **by Northern Nevada Adult Mental Health Services of the Division of Mental Health and Developmental Services of the Department of Health and Human Services.**

6. The provisions of NRS 451.045 do not apply to the disinterment of remains required by subsection 2. The provisions of NRS 452.001 to 452.610, inclusive, do not apply to the historic cemetery established by this section.

7. The area designated in subsection 1 as "area 1" is the portion of the historic cemetery leased to the City of Sparks by a lease dated September 10, 1959, and is subject to that lease until it is terminated by the State of Nevada. The State of Nevada shall give an appropriate 180-day written notice of termination as provided in the lease and shall terminate the lease. Upon termination of the lease, that area becomes a part of the historic cemetery established by this section.

Sec. 2. Section 1 of chapter 184, Statutes of Nevada 1949, at page 408, is hereby repealed.

TEXT OF REPEALED SECTION

Section 1 of chapter 184, Statutes of Nevada 1949:

SECTION 1. Notwithstanding any other provision of law, it is hereby made the specific duty of the board of commissioners of the Nevada hospital for mental diseases to abolish the use of any cemeteries now located on the

hospital grounds. It is further made the specific duty of said board to provide a decent burial for any inmate or patient who dies while such an inmate, at any cemetery without the hospital grounds, and in so doing, the said board of commissioners is authorized to enter into a contract with any person or persons, including governmental agencies or instrumentalities, as it deems proper, for such a decent burial, or it may provide for any sort of an arrangement under the operating head of the hospital. The cost of such burial, where there are known relatives, shall be borne by such relatives, and where there are no known relatives, the cost of such burial shall be a charge against the State of Nevada, but the cost thereof shall not exceed the amount charged for the burial of indigents in the county in which the burial takes place. When any person who is an inmate of said hospital dies while such inmate, any known relatives or friends of such person shall be notified immediately of the fact of death, and in the event there is no known relative or friend of such inmate, notice shall be given by publication for one insertion in a newspaper to be chosen by said board of commissioners for such purpose. The board of commissioners is specifically charged with the duty of giving such notification and may delegate such duty to the superintendent.

At 12:45 p.m.

Mr. Speaker pro Tempore presiding.

Quorum present.

By Assemblymen Buckley, Aizley, Anderson, Arberry, Atkinson, Bobzien, Carpenter, Christensen, Claborn, Cobb, Conklin, Denis, Dondero Loop, Gansert, Goedhart, Goicoechea, Grady, Gustavson, Hambrick, Hardy, Hogan, Horne, Kihuen, Kirkpatrick, Koivisto, Leslie, Manendo, Mastroluca, McArthur, McClain, Mortenson, Munford, Oceguera, Ohrenschall, Parnell, Pierce, Segerblom, Settelmeyer, Smith, Spiegel, Stewart and Woodbury:

Assembly Concurrent Resolution No. 32—Urging Congress to provide financial assistance for the repair of the Truckee Canal.

Assemblywoman Buckley moved the adoption of the resolution.

Remarks by Assemblymen Buckley, Grady, Goicoechea, and Oceguera.

Assemblywoman Buckley requested that the following remarks be entered in the Journal.

ASSEMBLYWOMAN BUCKLEY:

Thank you, Mr. Speaker pro Tempore. The resolution sets out very well the history and the issues that we have with regard to the break that caused the flood in Fernley in January 2008. Earlier this session, we had a bill introduced in regards to financing, which made this issue come up. What is going to be the solution in regards to the repair of the Truckee Canal? This canal serves over 3,000 Nevada customers who rely on it for water delivery, but because the Bureau of Reclamation hasn't settled on a plan to permanently repair the canal, we are stuck in limbo. Water levels have been reduced by court order. Early estimates were that the Truckee Division users would receive only 90 percent of their normal supply and users in the Carson Division would receive only 75 percent of their normal supply. When we have below average snowfall like we have had this year, it is doubtful that even these reduced levels can be reached. And without a permanent repair, Fernley residents remain fearful of another breach.

This resolution urges Congress to provide the State of Nevada with financial assistance to permanently repair the Truckee Canal promptly. Initial estimates are that permanent upgrades to the entire system will cost hundreds of millions of dollars. Our senior senator has obtained a $2.5 million appropriation to fund a study that is estimated to take two to three years. Meanwhile, the Truckee Canal Irrigation District insists that it could construct a concrete barrier along 11 miles of the canal at the breach site, which would allow flows to resume at normal levels more quickly. This is a plan the Bureau of Reclamation does not accept.

Regardless of who is right, the federal government, as owner of the project, is legally and morally obligated to redress this problem sooner, rather than later. The artificial drought caused by reducing water flows through the canal is creating a devastating hardship for western Nevada residents and farmers, one that cannot be sustained. This water supply needs to be restored now, not four or five years from now. Without water, the entire Lahontan Valley will be hurt. Assembly Concurrent Resolution 32 invites Congress to pay attention to this issue and to bring us some needed relief sooner, rather than later. I urge your support.

ASSEMBLYMAN GRADY:

Thank you, Mr. Speaker pro Tempore. I rise in support of ACR 32. From the Truckee River Diversion in Storey County to Lake Lahonton, the Truckee Canal is all in District 38—a district which I represent. The canal breach in January of 2008 was very devastating to Fernley. It brought this relatively new city together. They need our help and I support the resolution and ask my colleagues to support the resolution.

ASSEMBLYMAN GOICOECHEA:

Thank you, Mr. Speaker pro Tempore. I also rise in support of ACR 32. As my colleague from southern Nevada stated Lahonton Valley cannot survive at this diminished rate. Presently the maximum flows in the Truckee Canal can only be 350 CFS. It requires 700 CFS just to deliver the appropriated water from the Truckee River to Lake Lahonton, and that would be 365

days per year. The Lahonton Canal, when running at full capacity, will flow at 1200 CFS. I don't know how many of you drive out towards Fallon, but stop and take a look at Lahonton today—we cannot survive. I appreciate your support. This has to be remedied, and a $2.5 million study over the next three years is not the answer.

ASSEMBLYMAN OCEGUERA:

Thank you, Mr. Speaker pro Tempore. I rise in support of ACR 32. Years ago my grandfather, John R. Hannifin, ran the Truckee-Carson Irrigation District, so I am fairly familiar with the flood irrigation and how the Lahonton Valley and Fallon and other areas survive on that type of water flow. I am also familiar with the devastation in Fernley, and we do not want that to happen again.

Resolution adopted and ordered transmitted to the Senate.

Let us pray:

Lord God Almighty, as this week comes to a close, we pray that You have been pleased with all that has been done in Your sight. As the priests of old would pray Your blessing and favor upon Your people, we do so now using those very same words, over those here gathered.

Senate Concurrent Resolution No. 3.

Assemblyman Oceguera moved the adoption of the resolution.

Remarks by Assemblymen Carpenter and Bobzien.

Resolution adopted.

Senate Concurrent Resolution No. 5.

Resolution read.

The following amendment was proposed by Natural Resources, Agriculture, and Mining:

Amendment No. 570.

WHEREAS, The State of Nevada continues to rank as one of the states most affected by wildfire in this country, and as this cycle continues to be repeated year after year, it becomes clear that relying solely on rapid

response and the ability of firefighters to suppress these fires cannot adequately address the threat, especially in the rural areas of this State; and

WHEREAS, Wildlife habitats, grazing lands, watersheds and scenic resources are vulnerable, and according to a recent assessment, almost a quarter of the communities evaluated in Nevada were ranked as having a high or extreme hazard of wildfire; and

WHEREAS, Local ranchers in Humboldt County proposed the idea of assisting the Winnemucca Field Office of the Bureau of Land Management in response to a particularly destructive fire season in 1999, which had caused sizeable resource damage and exceedingly high losses to the area's ranching industry; and

WHEREAS, The initial concept eventually became the Wildfire Support Group, composed of ranchers in Humboldt County who have been trained in basic wildland fire suppression, in cooperation with the Bureau of Land Management, to provide additional resources for initial attack on wildfires; and

WHEREAS, Members of the Wildfire Support Group are often the first on the scene of a wildfire, providing invaluable assistance in improving the ability of the Bureau of Land Management to locate, reach and subdue wildfires in remote areas and saving valuable time and resources for local land management agencies and fire departments; and

WHEREAS, In addition to assisting local governments in using their personnel and resources more effectively in response to wildfires, the Wildfire Support Group assists in efforts to preemptively reduce the risk of such hazards by reducing the amount of fuels present on public lands by means of fuels management grazing plans; and

WHEREAS, Constructed on a cost-share basis with the Bureau of Land Management, the ~~[Wildlife]~~ **Wildfire** Support Group's grazing projects simultaneously benefit ranchers' livestock operations and reduce hazardous fuel loads in the wildland-urban interface; now, therefore, be it

RESOLVED BY THE SENATE OF THE STATE OF NEVADA, THE ASSEMBLY CONCURRING, That members of the 75th Nevada Legislature hereby commend the actions of the Wildfire Support Group and recognize that the ~~[Wildlife]~~ **Wildfire** Support Group serves as an exemplary model of local residents cooperating with governmental entities and working to improve their community; and be it further

RESOLVED, That the Legislature hereby encourages residents and governmental entities in other areas of this State to adopt similar models; and be it further

RESOLVED, That the Secretary of the Senate prepare and transmit a copy of this resolution to the Wildfire Support Group, the Board of County Commissioners of Humboldt County, the Winnemucca Field Office of the Bureau of Land Management and the State Director of the Bureau of Land Management in Nevada.

Heavenly Father, we look to Thee in Jesus' Name. We look to You because Thou art the author and finisher of our faith and the one who has brought us here on this earth and brought us here for a purpose. We are here today to fulfill that purpose. We are thankful, Father, that we have a great God, a great Savior who can mold and make us after His will, because man was made after God's image. We are glad to be here today in the presence of the people who make this life of ours possible and who do the things that need to be done here in the State of Nevada.

We pray for our government and our heads at the capitol and for our President. We ask You to help him make the right choices and do the right things. We wish this for all the others who are working in the capitol, and here in this Legislative Building. Also, I have the honor to inform your honorable body that the Senate on this day concurred in the Assembly Amendment No. 572 to Senate Bill No. 83.

SHERRY L. RODRIGUEZ
Assistant Secretary of the Senate

MOTIONS, RESOLUTIONS AND NOTICES

Senate Concurrent Resolution No. 5.

Assemblyman Bobzien moved the adoption of the resolution.

Remarks by Assemblyman Bobzien.

Resolution adopted, as amended.

Assemblyman Anderson moved that Senate Bill No. 106 be taken from the Chief Clerk's desk and placed on the General File.

Motion carried.

SECOND READING AND AMENDMENT

Assembly Bill No. 458.

Bill read second time.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 619.

AN ACT relating to public financial administration; creating the K-12 Public Education Stabilization Account; ~~[repealing the provisions applying certain tax abatements to taxes imposed for public education and authorizing certain tax credits against taxes imposed for public education; exempting certain taxes imposed for public education from the reallocation]~~ **reallocating money reverted from the State Distributive School Account; revising the provisions governing certain tax abatements and credits available for economic development; reallocating a portion** of **the** property taxes levied on property in a redevelopment area; **revising the provisions requiring certain redevelopment agencies to set aside revenue for low-income housing;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 3 of this bill creates the K-12 Public Education Stabilization Account within the Fund to Stabilize the Operation of the State Government ~~[.]~~ **and requires the State Controller to deposit any money reverted from the State Distributive School Account at the close of each odd-numbered fiscal year into that Account and into the Account for Programs for Innovation and the Prevention of Remediation.** (Chapter 353 of NRS) **Section 5** of this bill authorizes the Superintendent of Public Instruction to request from the Legislature, if the Legislature is in session, an allocation

from the **K-12 Public Education Stabilization** Account if a shortfall exists in the State Distributive School Account. If the Legislature is not in session, **section 6** of this bill authorizes the Superintendent to submit such a request to the Interim Finance Committee. Existing law authorizes the Chief of the Budget Division of the Department of Administration, with the approval of the Governor, to set aside reserves to meet emergencies arising during a fiscal year. (NRS 353.225) **Section 7** of this bill limits the amount that may be set aside as proposed reserves for the State Distributive School Account and certain other funds and accounts for education to the average that is reserved for all other departments, institutions and agencies. **Section 7** also requires the Chief to submit a request to the Legislature or, if the Legislature is not in session, to the Interim Finance Committee, to determine whether an allocation should be made from the K-12 Public Education Stabilization Account in lieu of setting aside a reserve in the State Distributive School Account and certain other funds and accounts for education.

Existing law authorizes the Commission on Economic Development to grant to certain businesses partial abatements of property taxes, business taxes and local sales and use taxes. (NRS 274.310, 274.320, 274.330, 360.750, 361.0687, 363B.120, 374.357, 701A.210) **Sections ~~[8,]~~ 8-10, 13, 16-18 ~~[and 20-26]~~ , 26 and 28, 29, 31-33** of this bill ~~[limit these abatements to taxes that are not imposed for public education.]~~ **exclude local school support taxes from such a partial abatement of local sales and use taxes. Sections 16-18 and 29 also limit the duration and amount of such a partial abatement of property taxes. Section 27 of this bill requires the Commission to adopt regulations for determining the duration and amount of those partial abatements, to establish sanctions for the failure of a business to comply with the eligibility requirements for those partial abatements and to require the annual submission of information to determine compliance with those eligibility requirements, and authorizes the Department of Taxation to impose those sanctions.**

Existing law authorizes certain businesses located within a zone for economic development to obtain, pursuant to an agreement with the governing body of the municipality designating the zone for economic development, a credit against or refund of local sales and use taxes. (NRS 274.270, 374.643) **Sections 9-15 and ~~[26]~~ 33** of this bill ~~[limit]~~ **exclude local school support taxes from** such a credit or refund **. ~~[to taxes that are not imposed for public education.]~~**

Existing law authorizes the reallocation to a redevelopment agency of certain property taxes levied in a redevelopment area. (NRS 279.676) **~~[Section 19]~~ Sections 19-23 and 36** of this bill ~~[exempts from that reallocation any taxes imposed for public education.]~~ **require the deposit of a portion of the amount of those taxes that would otherwise be reallocated to a redevelopment agency for the next 2 fiscal years into the State Distributive School Account and for succeeding fiscal years into the K-12 Public Education Stabilization Account.**

Under existing law, a redevelopment agency of a city whose population is 300,000 or more, as determined by the last decennial census (currently Las Vegas only), is required to set aside for low-income housing at least 18 percent of its tax revenue from a redevelopment area. (NRS 0.050, 279.685) Section 24 of this bill reduces the minimum amount of that set-aside to 15 percent, and requires an agency of a city that attains a population of 300,000 or more in the future, as determined from the populations of cities as certified annually by the Governor, to set aside for low-income housing at least 3 percent of its tax revenue from a redevelopment area for the first fiscal year and to increase that minimum percentage each fiscal year until it reaches a minimum amount of 15 percent.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 353 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 6, inclusive, of this act.

6. The money in the K-12 Public Education Stabilization Account must not be used to replace or supplant money otherwise available from other sources for the operation of the K-12 public schools in this State.

7. The actual or projected balance of money in the K-12 Public Education Stabilization Account must not be included in the calculation of the basic support guarantee per pupil established for each school year pursuant to NRS 387.122 or the basic support guarantee for special education program units established pursuant to NRS 387.1221.

Sec. 4. ***For purposes of sections 5 and 6 of this act, a shortfall exists in the State Distributive School Account if the projections of local revenue pursuant to NRS 387.1235 are at least 2 percent less than what was anticipated when the Legislature determined the amount of basic support for the biennium.***

Sec. 5. ***1. If there is a shortfall in the State Distributive School Account and the Legislature is in session, the Superintendent of Public Instruction may submit a request for an allocation from the K-12 Public Education Stabilization Account to the Director of the Legislative Counsel Bureau for transmission to the Legislature.***

2. If the Legislature finds that an allocation should be made from the K-12 Public Education Stabilization Account, the Legislature shall by resolution establish the amount and purpose of the allocation and direct the State Controller to transfer that amount to the State Distributive School Account, giving first priority to the shortfall in the State Distributive School Account. The State Controller shall thereupon make the transfer.

Sec. 6. ***1. 279.676 1. Any redevelopment plan may contain a provision that taxes, if any, levied upon taxable property in the redevelopment area each year by or for the benefit of the State, any city, county, district or other public corporation, after the effective date of the ordinance approving the redevelopment plan, must be divided as follows:

(a) That portion of the taxes which would be produced by the rate upon which the tax is levied each year by or for each of the taxing agencies upon the total sum of the assessed value of the taxable property in the redevelopment area as shown upon the assessment roll used in connection

with the taxation of the property by the taxing agency, last equalized before the effective date of the ordinance, must be allocated to and when collected must be paid into the funds of the respective taxing agencies as taxes by or for such taxing agencies on all other property are paid. To allocate taxes levied by or for any taxing agency or agencies which did not include the territory in a redevelopment area on the effective date of the ordinance but to which the territory has been annexed or otherwise included after the effective date, the assessment roll of the county last equalized on the effective date of the ordinance must be used in determining the assessed valuation of the taxable property in the redevelopment area on the effective date. If property which was shown on the assessment roll used to determine the amount of taxes allocated to the taxing agencies is transferred to the State and becomes exempt from taxation, the assessed valuation of the exempt property as shown on the assessment roll last equalized before the date on which the property was transferred to the State must be subtracted from the assessed valuation used to determine the amount of revenue allocated to the taxing agencies.

(b) Except as otherwise provided in ~~[paragraphs (c) and (d)]~~ ***this section*** **,** ***section 19 of this act*** and NRS 540A.265, that portion of the levied taxes each year in excess of the amount set forth in paragraph (a) must be allocated to and when collected must be paid into a special fund of the redevelopment agency to pay the costs of redevelopment and to pay the principal of and interest on loans, money advanced to, or indebtedness, whether funded, refunded, assumed, or otherwise, incurred by the redevelopment agency to finance or refinance, in whole or in part, redevelopment. Unless the total assessed valuation of the taxable property in a redevelopment area exceeds the total assessed value of the taxable property in the redevelopment area as shown by the assessment roll last equalized before the effective date of the ordinance approving the redevelopment plan, less the assessed valuation of any exempt property subtracted pursuant to paragraph (a), all of the taxes levied and collected upon the taxable property in the redevelopment area must be paid into the funds of the respective taxing agencies. When the redevelopment plan is terminated pursuant to the provisions of NRS 279.438 and 279.439 and all loans, advances and indebtedness, if any, and interest thereon, have been paid, all money thereafter received from taxes upon the taxable property in the redevelopment area must be paid into the funds of the respective taxing agencies as taxes on all other property are paid.

(c) That portion of the taxes in excess of the amount set forth in paragraph (a) that is attributable to a tax rate levied by a taxing agency to produce revenues in an amount sufficient to make annual repayments of the principal of, and the interest on, any bonded indebtedness that was approved by the voters of the taxing agency on or after November 5, 1996, must be allocated to and when collected must be paid into the debt service fund of that taxing agency.

(d) That portion of the taxes in excess of the amount set forth in paragraph (a) that is attributable to a new or increased tax rate levied by a taxing agency and was approved by the voters of the taxing agency on or after November 5, 1996, must be allocated to and when collected must be paid into the appropriate fund of the taxing agency.

~~[(e) That portion of the taxes in excess of the amount set forth in paragraph (a) that is attributable to any taxes imposed for public education levied by a taxing agency must be allocated to and when collected must be paid into the appropriate fund of the taxing agency.]~~

2. Except as otherwise provided in subsection 3, in any fiscal year, the total revenue paid to a redevelopment agency must not exceed:

(a) In a municipality whose population is 100,000 or more, an amount equal to the combined tax rates of the taxing agencies for that fiscal year multiplied by 10 percent of the total assessed valuation of the municipality.

(b) In a municipality whose population is 25,000 or more but less than 100,000, an amount equal to the combined tax rates of the taxing agencies for that fiscal year multiplied by 15 percent of the total assessed valuation of the municipality.

(c) In a municipality whose population is less than 25,000, an amount equal to the combined tax rates of the taxing agencies for that fiscal year multiplied by 20 percent of the total assessed valuation of the municipality.

➥ If the revenue paid to a redevelopment agency must be limited pursuant to paragraph (a), (b) or (c) and the redevelopment agency has more than one redevelopment area, the redevelopment agency shall determine the allocation to each area. Any revenue which would be allocated to a redevelopment agency but for the provisions of this section must be paid into the funds of the respective taxing agencies.

3. The taxing agencies shall continue to pay to a redevelopment agency any amount which was being paid before July 1, 1987, and in anticipation of which the agency became obligated before July 1, 1987, to repay any bond, loan, money advanced or any other indebtedness, whether funded, refunded, assumed or otherwise incurred.

4. For the purposes of this section, the assessment roll last equalized before the effective date of the ordinance approving the redevelopment plan is the assessment roll in existence on March 15 immediately preceding the effective date of the ordinance.

Sec. 2.320 Sale, lease, exchange of real property owned by the City: Procedure; disposition of proceeds.

1. Subject to the provisions of this section, the City may sell, lease or exchange real property in Clark County, Nevada, acquired by the City pursuant to federal law from the United States of America.

2. Except as otherwise provided in subsection 3:

(a) The City may sell, lease or exchange real property only by resolution. Following the adoption of a resolution to sell, lease or exchange, the City Council shall cause a notice of its intention to sell, lease or exchange the real property to be published once in a newspaper qualified pursuant to the provisions of chapter 238 of NRS and published in the City. The notice must be published at least 30 days before the date set by the City Council for the sale, lease or exchange, and must state:

(1) The date, time and place of the proposed sale, lease or exchange.

(2) The place where and the time within which applications and deposits may be made by prospective purchasers or lessees.

(3) Such other information as the City Council desires.

(b) Applications or offers to purchase, lease or exchange pursuant to the notice required in paragraph (a) must be in writing, must not be accepted by the City Council for consideration before the date of publication of the notice and must be accompanied by a deposit of not less than 1 percent of the total offer to purchase. If a lease, sale or exchange is not consummated because:

(1) The City refuses or is unable to consummate the lease, sale or exchange, the deposit must be refunded.

(2) The person who made the application or offer to lease, buy or exchange refuses or is unable to consummate the lease, sale or exchange, the City shall retain an amount of the deposit that does not exceed 5 percent of the total offer to purchase.

3. The City Council may waive the requirements of subsection 2 for any lease of residential property that is for a term of 1 year or less.

4. The City Council shall not make a lease for a term of 3 years or longer or enter into a contract for the sale or exchange of real property until after the property has been appraised by one disinterested appraiser employed by the City Council. Except as otherwise provided in subsections 7 and 8, it must be the policy of the City Council to require that all such sales, leases or exchanges be made at or above the current appraised value as determined by the appraiser unless the City Council, in a public hearing held before the adoption of the resolution to sell, lease or exchange the property, determines by affirmative vote of not fewer than two-thirds of the entire City Council based upon specified findings of fact that a lesser value would be in the best interest of the public. For the purposes of this subsection, an appraisal is not considered current if it is more than 3 years old.

5. It must be the policy of the City Council to sell, lease and exchange real property in a manner that will result in the maximum benefit accruing to the City from the sales, leases and exchanges. The City Council may attach any condition to the sale, lease or exchange as appears to the City Council to be in the best interests of the City.

6. The City Council may sell unimproved real property owned by the City on a time payment basis. The down payment must be in an amount determined by the City Council, and the interest rate must be in an amount determined by the City Council, but must not be less than 6 percent per annum on the declining balance.

7. Notwithstanding the provisions of subsection 4, the City Council may dispose of any real property belonging to the City to the United States of America, the State of Nevada, Clark County, any other political subdivision of the State, or any quasi-public or nonprofit entity for a nominal consideration whenever the public interest requires such a disposition. In any such case, the consideration paid must equal the cost of the acquisition to the City.

Except as otherwise provided in subsection 10, money in the Land Fund may be expended only for:

(a) Acquisition of assets of a long-term character which are intended to continue to be held or used, such as land, buildings, machinery, furniture, computer software and other equipment.

(b) Capital improvements of improvements thereon.

Section 1. Chapter 392 of NRS is hereby amended by adding thereto a new section to read as follows:

(2) Training requirements for pupils who serve as mentors.

(3) Incentives for pupils who serve as mentors.

(b) A requirement that each public high school which establishes a program for teen mentoring must also establish a committee to select each pupil mentor who participates in the program. (c) Any other provisions that the board of trustees deems appropriate.

~~[2.]~~ 3. If the board of trustees of a school district has adopted a policy pursuant to subsection 1, the principal of each public high school in the district may:

participation in school activities, community activities and all levels of government [.] or in increasing the ability of ninth grade pupils to successfully make the transition from middle school or junior high school to high school, as applicable to the type of program in effect at the school.

[3] 4. If the board of trustees of a school district has not adopted a policy pursuant to subsection 1, the principal of a public high school in the district may carry out a program of teen mentoring and take any action described in paragraph (b) or (c) of subsection [2] 3 if:

(a) The principal submits to the board of trustees for its approval a plan for such a program of teen mentoring that is consistent with the provisions of this section; and

(b) The board of trustees approves the plan.

[4] 5. A plan submitted to a board of trustees of a school district pursuant to subsection [3] 4 shall be deemed approved if the board of trustees does not act upon the plan within 60 days after the date on which the board of trustees receives the plan.

Any money received pursuant to this subsection may be used only for purposes of carrying out a program of teen mentoring pursuant to the provisions of this section.

Legislative Counsel's Digest:

Under existing law, the driver's license of a person convicted of driving under the influence is revoked for a certain period depending upon whether the violation is punishable as a first, second or third or subsequent violation that occurs within a period of 7 years. ➥ The period during which such a driver is not eligible for a license, permit or privilege to drive must be set aside during any period of imprisonment and the period of revocation must resume when the Department is notified pursuant to NRS 209.517 or 213.12185 that the person has completed the period of imprisonment or that the person has been placed on residential confinement or parole.

Sec. 2. NRS 483.490 is hereby amended to read as follows:

483.490 1. Except as otherwise provided in this section, after a driver's license has been suspended or revoked for an offense other than a ***second*** violation ***within 7 years*** of NRS 484.379 **,** **[**~~that is punishable pursuant to paragraph (b) of subsection 1 of NRS 484.3792,~~**]** and one-half of the period during which the driver is not eligible for a license has expired, the Department may, unless the statute authorizing the suspension prohibits the issuance of a restricted license, issue a restricted driver's license to an applicant permitting the applicant to drive a motor vehicle:

➥ Before a restricted license may be issued, the applicant must submit sufficient documentary evidence to satisfy the Department that a severe hardship exists because the applicant has no alternative means of transportation and that the severe hardship outweighs the risk to the public if he is issued a restricted license.

Legislative Counsel's Digest:

Section 2 of this bill: (1) changes the name of the entity that administers examinations for a sales representative from the National Association of Securities Dealers to the Financial Industry Regulatory Authority; and (2) requires a sales representative to pass either the Uniform Investment Adviser Law Examination or the Uniform Combined State Law Examination and the General Securities Registered Representative Examination. Sections 3 and 4 of this bill make technical changes to include references to the Investment Adviser Registration Depository and the Financial Industry Regulatory Authority. (NRS 90.350)

Section 5 of this bill removes the requirement in existing law that the Administrator of the Securities Division of the Office of the Secretary of State must obtain authorization from the Attorney General or his designee to examine the records of a person issuing securities who is not licensed but is required to be licensed. (NRS 90.410)

Section 7 of this bill increases the civil penalty that the Administrator may impose for a willful violation of chapter 90 of NRS from $2,500 for a single violation and $100,000 for multiple violations to $25,000 for each violation. Section 7.5 of this bill increases the civil penalty that a district court may impose for a violation of chapter 90 of NRS from $2,500 for a single violation and $100,000 for multiple violations to $25,000 for each violation. (NRS 90.640)

Section 8 of this bill provides that a court may order a person who is convicted of a willful violation of a statute, a regulation or an order of the Administrator to pay the costs of investigation and prosecution incurred by the Division and the Office of the Attorney General. (NRS 90.650)

Section 9 of this bill provides that chapter 239A of NRS, which contains provisions regarding disclosure of financial records to governmental agencies, does not ~~[apply to a subpoena issued pursuant to chapter 90 of NRS.]~~ **prohibit the Administrator from requesting of a financial institution, and the institution from responding to the request, as to whether a person has an account or accounts with that financial institution and, if so, any identifying numbers of the account or accounts.** (NRS 239A.070)

Section 9.5 of this bill increases: (1) the period that the court may delay the notification of a customer that a subpoena for the financial records of the customer has been issued from 60 days to 120 days; and (2) the period for any additional extension of such a delayed notification from 30 days to 60 days. (NRS 239A.100)

Sections 10 and 11 of this bill authorize the Department of Motor Vehicles to issue a driver's license for purposes of identification only to a

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 590.

AN ACT relating to certain public officials; making the district attorney of Humboldt County the ex officio public administrator of Humboldt County; revising certain provisions regarding the administration of certain estates; revising certain provisions regarding the appointment of public guardians; repealing certain provisions relating to public administrators; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

This bill amends a number of provisions governing public administrators who are public officials that administer the estates of decedents having no qualified person willing and able to do so. **Sections 2 and 9** of this bill

provide for the district attorney of Humboldt County to serve, ex officio, as the public administrator of the county, as the district attorneys for Lander, Lincoln and White Pine counties do currently. (NRS 253.010, 253.050) **Section 2** also authorizes the board of county commissioners in any county with an elected public administrator to appoint the public administrator if the office becomes vacant.

Under existing law, a public administrator may secure the property of a decedent if the public administrator finds that the decedent has no relatives able to protect the property and that failure to do so could endanger the property. (NRS 253.0405) **Section 3** of this bill authorizes a public administrator to secure the property of a decedent if either, not both, of those conditions exist. **Section 4** of this bill revises the notice requirements before a public administrator may donate or destroy certain property. (NRS 253.0407) **Sections 5 and 6** of this bill require and authorize a public administrator to conduct certain investigations. (NRS 253.0415, 253.042) **Section 7** of this bill increases the maximum value of an estate that may be set aside without administration. (NRS 253.0425)

Under existing law, certain powers and duties of public administrators are limited so as to be applicable only to public administrators in counties whose population is 100,000 or more (currently Clark and Washoe Counties). (NRS 253.041, 253.0415-253.0435) **Section 14** of this bill repeals NRS 253.041 so that the powers and duties set forth in NRS 253.0415 to 253.0435, inclusive, apply to public administrators in all counties. Conversely, existing law also sets forth that certain powers and duties of public administrators are limited so as to be applicable only to public administrators in counties whose population is less than 100,000 (currently counties other than Clark and Washoe Counties). (NRS 253.044, 253.0445, 253.045) **Section 14** repeals those provisions.

This bill also amends provisions governing public guardians. **Section 10** of this bill requires a public guardian to retain records relating to guardianships for at least 7 years. (NRS 253.190) **Section 11** of this bill ~~[adds to]~~ **revises** the requirements for a resident of Nevada to be eligible to have a county public guardian appointed as his permanent or general individual guardian. **Further, section 11 provides that a county is not liable on any written or oral contract entered into by a public guardian of the county for or on behalf of the ward.** (NRS 253.200)

Currently, a public guardian may demand certain information from a proposed ward—a person for whom proceedings for the appointment of a guardian have begun—or from the spouse, parent, child or other kindred of a proposed ward, but not from a person for whom a guardian has been appointed. (NRS 253.220) **Section 12** of this bill revises that provision so that the information can be demanded from or about a ward but not a proposed ward.

Finally, section 12.5 of this bill authorizes a court to terminate the appointment of a public guardian as an individual guardian of a person

or estate if the public guardian, after exercising due diligence, is unable to identify a source to pay for the care of the ward.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:
