GENERAL FILE AND THIRD READING

Assembly Bill No. 566.

Bill read third time.

Remarks by Assemblyman Segerblom.

Assemblyman Conklin moved that the following remarks be entered in the Journal.

Motion carried.

ASSEMBLYMAN SEGERBLOM:

Assembly Bill 566 revises the districts for election of members to the Nevada Senate and Assembly and representatives to the United States House of Representatives. The measure retains a 21-member Senate. The ideal population for each Senate district is 128,598. The overall range of population deviation is 0.23 percent. The plan eliminates the multi-member Senate districts in Clark County and includes 15 Senate districts wholly within Clark County and 3 districts wholly within Washoe County. The remaining three districts contain parts of Clark and Washoe Counties and the rural counties.

The measure retains a 42-member Assembly. The ideal population in each Assembly district is 64,299. The overall range of population deviation is 0.49 percent. No Assembly districts are nested within Senate districts. The plan includes 30 Assembly districts wholly within Clark County and 6 districts wholly within Washoe County. The remaining six districts contain parts of Clark and Washoe Counties and the rural counties.

Based on the 2010 United States Census, Nevada has been apportioned a fourth congressional district. The ideal population in each district is 675,138. The overall range of population deviation is 0.00 percent. Two congressional districts are wholly contained in Clark County. A

third district contains a portion of Clark County and all or parts of rural counties. A fourth district contains all of Washoe County and all or parts of rural counties.

The bill provides for the use of the term *reelect* in the 2012 General Election under certain circumstances. The measure also includes a severability clause.

Today we are moving to adopt a second redistricting proposal following a veto by the Governor. The plan we offer today continues to focus on commonsense criteria that put people before politics and do what is right for all Nevadans.

The plan today has minor changes to the legislative proposal in the first plan adopted by the Legislature. Most of those changes involved reducing the population deviation in both the Senate and Assembly plan to fall below one half of 1 percent. This is the lowest number in the history of the state. Others were based on continuing conversations with community representatives and members.

The more significant changes come to the congressional plan presented. This plan continues a 0.00 percent deviation but makes two fundamental changes.

The first is that the district containing a Hispanic community of interest, defined by several community organizations and leaders during our hearings, has been geographically expanded. The original district went from the I-15 to Nellis and Sahara to Cheyenne. In this proposal, those boundaries have been expanded north of Cheyenne, east of Nellis, and south of Sahara. This expanded district for this community of interest will provide a greater ability for the Hispanic community to elect candidates of their choice.

The second change is that Congressional District 3 remains a Clark County district. Following our initial proposal, there were several points made that CD1 and CD3 had always been Clark County districts. Additionally, in our initial proposal, a sizeable rural population of approximately 70,000 people was located in a predominantly Clark County district. We have drafted the new map such that the districts always in Clark County stay in Clark County and that this new rural—Clark hybrid district be established as an open seat, with those voters having an opportunity to choose their own destiny.

This plan is fair, common sense, and will give all Nevadans, including minorities, a fair and equal opportunity to participate in the electoral process and elect candidates of their choice. I urge this body to adopt the plan.

MESSAGES FROM THE SENATE

SENATE CHAMBER, Carson City, May 19, 2011

To the Honorable the Assembly:

I have the honor to inform your honorable body that the Senate on this day adopted Senate Concurrent Resolution No. 12.

SHERRY L. RODRIGUEZ
Assistant Secretary of the Senate

MOTIONS, RESOLUTIONS AND NOTICES

Senate Concurrent Resolution No. 12.

Assemblywoman Diaz moved the adoption of the resolution.

Remarks by Assemblymen Diaz, Brooks, Flores, Bustamante Adams, and Sherwood.

Assemblyman Conklin moved that the following remarks be entered in the Journal.

Motion carried.

ASSEMBLYWOMAN DIAZ:

I rise in support of Senate Concurrent Resolution 12. It is a great honor for me to be here with the Escobedo family. I knew Eddie, as we all lovingly knew him, about 14 years of my short existence, but he did many, many things during his time here on earth. He truly did live the American dream. As you heard, he was in the armed forces then opened his own newspaper, and was involved with the radio. He used that all for good cause to make sure he advocated for the community, especially the Hispanic community, making sure that we had our place and our role.

Eddie was especially engaged in making sure that the Hispanics were engaged in politics. That is where I was at kind of a crossroads with Mr. Escobedo where he was trying to mobile the Latino community to turn out and vote for those candidates that represented their views. I will

forever be so thankful for the active role he had while he was here. He was a great asset to the state of Nevada, and I urge everybody to adopt the resolution.

ASSEMBLYMAN BROOKS:

I rise in support. I just want to say that Eddie Escobedo was a great man, and I wanted to let his family know and assure them that he helped many of us who are here today to get where we are. He was motivational, inspirational; he stood for what he said and meant what he said. He broke down major barriers for our community. So I thank you, and I thank you for being here with us today.

ASSEMBLYWOMAN FLORES:

I also rise in support of Senate Concurrent Resolution 12, and I also echo the sentiments that my colleagues have already stated. I just also want to add that Mr. Escobedo was not just an upstanding person for the entire community, but he was so special to the Latino community because, as was already said, he fought tirelessly and was an amazing advocate for the Latino community. When I heard of his passing, the first thing that came to mind was, "Wow, he was not able to make it to the day to see so many Hispanics elected for the first time to the Nevada Legislature." He fought for so many years to increase the representation for this community, and he passed, unfortunately, just before he was able to realize that.

So I also just want to put on the record that he is such an amazing loss to the community but his legacy is enduring. Much of the progress that you see that our community, the Latino community, has made really is a direct result of this man. Thank you very much, and I also urge support of my colleagues for Senate Concurrent Resolution No. 12.

ASSEMBLYWOMAN BUSTAMANTE ADAMS:

Thank you, Mr. Speaker. It is an honor to be able to have the Escobedo family here today with us. I just want to let the Escobedo family know that Eddie played a very instrumental role in my life, especially when I broadened my horizons on the national level. Eddie was the one who introduced me to the National Association of Hispanic Publications; he took me under his wing, and I was able to develop great relationships because of Mr. Escobedo. I agree with my colleagues from the south that when it was time for him to head home, it was a great loss for our community because he didn't get to see the fruit of his labor—we being here on the Floor and over in the Senate. But I want you to rest assured that we are the product of his efforts to invest in the young people, especially in the Latino community. I also want to express my gratitude for you and for being here today.

ASSEMBLYMAN SHERWOOD:

I rise in support of Senate Concurrent Resolution 12. Today, or recently, here is how he was described: "Eddie Escobedo lived the American Dream. He never let go of his belief that through hard work and creativity, a person could succeed and help his family and friends." That was from Brian Greenspun who was a publisher of the *Las Vegas Sun*. As somebody who worked in the publishing industry, he was admired, he lived the American Dream, and he will be missed.

Resolution adopted and ordered transmitted to the Senate.

Mr. Speaker announced if there were no objections, the Assembly would recess subject to the call of the Chair.

MOTIONS, RESOLUTIONS AND NOTICES

Assemblyman Conklin moved that the following budget closing remarks be entered in the Journal.

Motion carried.

ASSEMBLYWOMAN MASTROLUCA:

On May 6, 2011, the Senate Finance Committee and the Assembly Ways and Means Committee met jointly to close most of the budget accounts for the State Health Division. The following comments describe the more significant actions by the Committee.

Health Statistics and Planning (101-3190) DHHS HEALTH-23:

The Committee approved the removal of all General Fund appropriations from this account and chose to support the operation of the Office of Vital Records with fee revenue, as well as continuing the ability of the State Registrar of Vital Statistics (the Health Division Administrator) to set vital records fees by regulation. The Health Division was given permission to request a General Fund advance, if needed, in order to smooth the transition from General Fund support to fee support of this account. The Committee's closing actions created a General Fund reduction of $663,592 in FY 2012 and $670,031 in FY 2013.

Consumer Health Protection (101-3194) DHHS HEALTH-32:

The Committee approved the Governor's recommendation to eliminate the General Fund support from this account and assess each county for the environmental health inspection services provided by the State. This decision represents a General Fund reduction of $594,760 in FY 2012 and $586,759 in FY 2013.

Immunization Program (101-3213) DHHS HEALTH-49:

The Committee approved the Governor's recommendation to add one new Health Resource Analyst position to support the Perinatal Hepatitis B program effort, with grant funds of $129,182 over the 2011-13 biennium. Also, the Committee approved the adjustment of both the Title XXI funds transferred from Nevada Check Up, as well as the State General Fund used as match for the Title XXI revenues. The lower amount of transferred Title XXI funding resulted in a General Fund reduction of $137,642 in FY 2012 and $171,181 in FY 2013.

Health Facilities Hospital Licensing (101-3216) DHHS HEALTH-70:

The Committee approved a new Administrative Assistant position for the Carson City office, at a cost of $37,589 in FY 2012 and $48,789 in FY 2013, funded by licensure fees and medical lab certification fees. The Committee also chose to issue a letter of intent instructing the Health Division and the Budget Division to include the Health Facilities Administrative Penalty budget account (BA 3217) in The Executive Budget for the 2013-15 biennium.

Public Health Preparedness Program (101-3218) DHHS HEALTH-79:

The Committee approved utilizing federal Public Health Emergency Preparedness grant funds in place of General Fund to pay for $300,000 per fiscal year of the State's poison control hotline costs. The remainder of the contract costs ($63,921) would continue to be funded by the General Fund. The Committee also approved the transfer in of the State Health Access Program (SHAP) grant from the Chronic Disease account, as well as one new Administrative Assistant position to support both SHAP and the Primary Care Office grant, funded by those federal grants.

Biostatistics and Epidemiology (101-3219) DHHS HEALTH-90:

The Committee approved the Governor's recommendation to create a new budget account to house the staff of the Office of Health Statistics and Surveillance, as well as the staff of the Office of Epidemiology. As such, $4.4 million in personnel and programs was transferred to this new account from seven other Health Division budget accounts. Also, the Committee approved the Governor's recommendation to eliminate General Fund support of tuberculosis treatment and sexually transmitted disease treatment in the counties, for a savings of $625,184 per fiscal year. Finally, the Committee approved the elimination of the State Trauma Registry and removal of the operating expenses for the Trauma Registry, since there is no state staff to support the

program and trauma data can be found in other public health data sets. This represents a General Fund savings of $31,956 in FY 2012 and $28,907 in FY 2013.

Chronic Disease (101-3220) DHHS HEALTH-108:

The Committee approved the Governor's recommendation to permit the Health Division to seek a contractor to operate the Women's Health Connection program, which would eliminate seven vacant state positions and redirect those personnel costs toward the contract expenses. The aim of the Governor's recommendation was to provide the Health Division an opportunity to leverage the Women's Health Connection's federal funding to provide more primary care to women who qualify.

Maternal Child Health Services (101-3222) DHHS HEALTH-119:

The Committee approved a reduction in General Fund support for the Children with Special Healthcare Needs program to the actual amount of $105,330 expended during FY 2010 instead of the Governor's recommended amounts of $199,715 in FY 2012 and $199,683 in FY 2013. Also, the Committee approved the issuance of a letter of intent instructing the Health Division to work with the Fiscal Analysis Division to determine the correct amount of state match required to continue receiving the Maternal Child Health block grant and to determine if the state match should be made with General Fund or with metabolic screening fee revenue. If State General Fund match is required, the letter of intent instructs the Health Division to work with the Fiscal Analysis Division to determine the proper General Fund support for both Children with Special Healthcare Needs, as well as the Pre/Post Natal program.

Office of Health Administration (101-3223) DHHS HEALTH-131:

The Committee approved three new fiscal positions in order to support the Division's workload, at a total cost of $127,901 in FY 2012 and $173,169 in FY 2013. The positions are funded by indirect cost assessment revenue. The Committee disapproved the Governor's recommendation to reduce General Fund for the Mammovan by $50,000 in each fiscal year of the 2011-13 biennium. Instead, the Committee voted to continue supporting the Mammovan with $100,000 in General Fund in each year, and $75,000 each year with the United Health Settlement funds for the 2011-13 biennium.

Emergency Medical Services (101-3235) DHHS HEALTH-150:

The Committee approved the Governor's amended recommendation to support the EMS licensure program with General Fund. Originally, the Governor recommended replacing General Funds with county reimbursements (with the exception of Clark County, which operates its own EMS program) in order to operate the EMS licensure and training program. However, on April 27, 2011, the Governor submitted an amendment restoring the support of this program with General Fund appropriations.

Marijuana Health Registry (101-4547) DHHS HEALTH-158:

The Committee approved a reduction in fee revenues for FY 2013 in the amount of $149,842 based on revised caseload projections. The Committee approved two new Administrative Assistants and one new Program Officer to assist the agency in processing the increase in applications and renewals for the Marijuana Health Registry program. The Committee also approved the transfer of $700,000 each year of the 2011-13 biennium to the Division of Mental Health and Developmental Services' Substance Abuse Prevention and Treatment Agency to provide priority access for assessments and treatment to families referred by child welfare agencies contingent on approval of Assembly Bill 528.

The Committee closed the WIC Food Supplement (101-3214) and Communicable Diseases (101-3215) accounts as recommended by the Governor, with approval of Fiscal staff's technical adjustments.

ASSEMBLYMAN HOGAN:

The Assembly Committee on Ways and Means has completed its review of the Office of Veterans' Services accounts and took action on the Governor's recommendations as follows:

Commissioner for Veterans' Services (101-2560) VETERANS–1:

The Committee approved the Governor's recommendation to eliminate three positions, including an Administrative Assistant III position (in the Las Vegas office) and two Veterans' Service Representative I positions (one in Las Vegas and one in Elko) as a budget reduction measure for General Fund savings totaling $345,343 for the 2011-13 biennium.

Veterans' Home Account (101-2561) VETERANS–9:

The Committee approved the Governor's recommendation to eliminate remaining General Fund support for the Veterans' Home account due to increasing federal reimbursements and other sources of revenue. In addition, due to the Veterans' Home's historical reliance upon General Fund appropriations to pay operating costs that are eventually reimbursed with revenues received following the end of the fiscal year, the Committee approved permission for the Veterans' Home to seek a General Fund advance if necessary during the 2011-13 biennium.

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 637.

AN ACT relating to older persons; creating the Statewide Alert System for the Safe Return of Missing Endangered Older Persons; requiring the Department of Public Safety to administer and adopt regulations for the System; prescribing the circumstances under which a law enforcement agency may activate the System; providing immunity from civil liability for certain persons who disseminate certain information pursuant to a notification of activation of the System; providing immunity from civil liability for certain persons who enter into agreements with the Department to establish or maintain an Internet website for the System; providing that a person who intentionally makes certain false or misleading statements to cause activation of the System is guilty of a category E felony; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 7 of this bill creates the Statewide Alert System for the Safe Return of Missing Endangered Older Persons, which is composed of a voluntary partnership among the Department of Public Safety, the Department of Transportation, state and local law enforcement agencies, media outlets and other public and private organizations to assist in the search for and safe return of missing endangered older persons. **Section 7**

requires the Department of Public Safety to administer the System. **Section 5** of this bill defines the term "missing endangered older person" for the purposes of the System to mean a person who is 60 years of age or older whose whereabouts are unknown and: (1) who has been diagnosed with a medical or mental health condition that places the person in danger of serious physical harm or death; or (2) who is missing under suspicious or unexplained circumstances that place the person in danger of serious physical harm or death. **Section 8** of this bill requires the Department of Public Safety to: (1) adopt regulations governing the operation of the System; (2) develop a plan for carrying out the System which sets forth the components of the System; (3) oversee the System; (4) supervise and evaluate any training associated with the System; (5) monitor, review and evaluate the activations of the System for compliance with the provisions of this bill; and (6) conduct periodic tests of the System. **Section 9** of this bill prescribes the circumstances under which a law enforcement agency may activate the System. **Section 10** of this bill provides immunity from civil liability for a media outlet or a public or private organization that participates in the System and any person working for the media outlet or public or private organization who disseminates certain information pursuant to a notification of activation of the System and for a person who enters into an agreement with the Department of Public Safety to establish or maintain a website for the System if the agreement provides that only the law enforcement agency activating the System has the authority or ability to place information on the website.

Existing law provides that a person who intentionally makes any false or misleading statement to cause the activation of the "Amber Alert" system is guilty of a category E felony. (NRS 207.285) **Section 11** of this bill provides the same penalty for a person who intentionally makes any false or misleading statement to cause the activation of the System created by this bill.

Bill read second time.

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 636.

AN ACT relating to public health; revising requirements for various reports concerning the care provided by certain medical and related facilities; revising provisions relating to administrative fines collected by the Health Division of the Department of Health and Human Services; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires certain medical facilities to submit to the Health Division of the Department of Health and Human Services reports of sentinel events. (NRS 439.835) The term "sentinel event" is defined for the purposes of these reports to mean an unexpected occurrence at the facility which

involves facility-acquired infection, death or serious physical or psychological injury or the risk thereof, including, without limitation, any process variation for which a recurrence would carry a significant chance of a serious adverse outcome. (NRS 439.830) The Health Division is required to prepare annual reports concerning those reports which were submitted by medical facilities located in a county whose population is 100,000 or more (currently Clark and Washoe Counties). (NRS 439.840) **Section 5** of this bill requires the Health Division to prepare such annual reports for medical facilities in every county and to make those reports available on the Department's website. **Section 5** also requires the Health Division to report that information publicly in a format which allows for comparisons of medical facilities.

Existing law requires medical facilities which provide care to 25 or more patients per day to submit information to the Internet-based surveillance system established and maintained by the Centers for Disease Control and Prevention of the United States Department of Health and Human Services and requires the Health Division to analyze that information. (NRS 439.847) **Section 9** of this bill requires the Health Division to report that information publicly in a format which allows for comparisons of medical facilities.

Sections 15.3-17 of this bill require hospitals to submit, as part of the program to increase public awareness of health care information concerning hospitals, data relating to the readmission of a patient if the readmission was potentially preventable and clinically related to the initial admission of the patient. **Section 20** of this bill requires the Department of Health and Human Services to post that information on an Internet website. **Section 16** also authorizes the Department to report certain information concerning the quality of care provided by hospitals if it can be determined from reports already submitted to the Department. Existing law authorizes the Department to seek injunctive relief or civil penalties against facilities that violate the reporting requirements. (NRS 439A.300, 439A.310)

Sections 21, 22, 24 and 25 of this bill authorize the Health Division to use money which is collected as administrative penalties to administer and carry out the provisions of chapter 449 of NRS and to protect the health and property of the patients and residents of facilities.

Section 35 of this bill repeals NRS 439.825 and 439.850.

REMARKS FROM THE FLOOR

ASSEMBLYWOMAN BENITEZ-THOMPSON:

Thank you, Mr. Speaker. It is my pleasure and honor to introduce to you today the 28 contestants who will be competing for the title of Miss Nevada 2011. They are easy to spot; they are wearing sashes and crowns. Judging from all the chatter, you got to know them quite a bit in the past ten minutes. As an alumnus of this organization, there are a lot of misperceptions about what a Miss Nevada program is and who she is. We are part of the Miss America program. We are the world's largest scholarship organization in the world—the Miss America awarding more that $42 million in scholarships annually.

In our state program, with the Miss Nevada scholarship organizations at our local and state level combined, we award more than $30,000 in scholarships to Nevada's young women. These young women come from all parts of the state—from Elko to Mesquite to Reno. They represent our university systems. Miss University of Nevada and Miss University of Las Vegas are here, and we also have our teens with us as well.

A lot of people like to call us a beauty pageant, and I say that is fine as long as you define a beautiful woman as a woman who is smart, educated, and ready to change her community and if not, change the world. So I would like to have them stand up and say hello.

I do have a proclamation here. I won't read it, but it says a lot of what I just talked about—the fact that we are a scholarship organization that encourages women to be involved in their communities. I want to give a very special thank you to our former Miss Nevada and my good friend, Christina Bourne, who performed for us. She was our first Miss Nevada to be crowned who was a teacher, and she is actually still a teacher here in Carson City at Empire Elementary

School. She has her principal with her here today. Thank you for letting her come and do this for us. I appreciate it.

Mr. Speaker announced if there were no objections, the Assembly would recess subject to the call of the Chair.

REMARKS FROM THE FLOOR

Assemblyman Conklin moved that the following budget closure remarks be entered in the Journal.

Motion carried.

ASSEMBLYMAN MASTROLUCA:

The Ways and Means Committee has reviewed the following budgets for the Department of Health and Human Services, Division of Child and Family Services for the 2011-13 biennium. The Committee also authorized Fiscal staff to adjust these accounts based on the final actions of Senate Bill 476, which makes various changes concerning the juvenile justice system. The closings increase General Fund appropriations for the Division of Child and Family Services by $9,817,618 in FY 2012 and $9,846,687 in FY 2013.

CHILDREN, YOUTH AND FAMILY ADMINISTRATION (101-3145) DHHS DCFS-1:

The Committee did not approve the Governor's recommendation to eliminate mental health room and board expenses for children not in the custody of the Division. The Committee did approve the elimination of caseload growth in this service, for General Fund savings totaling $1.0 million in FY 2012 and $1.4 million in FY 2013, but added back the base year's amount of funding, $3.5 million of General Funds, in each year of the 2011-13 biennium. The Committee approved the transfer of three positions and new funding to support a portion of the functions recommended by the Governor for a new Children's Behavioral Health Policy and Accountability Board. The Committee also approved two new Social Services Program Specialist positions recommended by the Governor to support the quality improvement process involved with the block grant of state funding to Clark and Washoe Counties for child welfare services.

WASHOE COUNTY INTEGRATION (101-3141) DHHS DCFS-25:

The Committee approved the Governor's recommendation to provide state funding to Washoe and Clark Counties for child welfare services in the form of capped block grants, rather than through the historic model of line-item expense budgets. The new funding method includes a performance improvement plan and a fiscal incentive plan to improve safety, permanency and well-being outcomes for abused and neglected children. The change to the block grant model includes minor reductions in General Funds to maintain the budgets at the level of funding approved in the 2009-11 biennium, but based upon updated caseload projections and the Federal Medical Assistance Percentage rate calculated for FY 2013, it does not appear that the counties' funding will be reduced from historical levels. The Committee also approved budget flexibility for the child welfare agencies to implement a pilot project to improve therapeutic foster care in the State.

CLARK COUNTY INTEGRATION (101-3142) DHHS DCFS-32:

As indicated for Washoe County, the Committee approved the Governor's recommendation to provide state funding to Clark County for child welfare services in the form of a capped block grant. The split of General Funds is based upon historical levels and totals 75 percent for Clark County ($42.75 million per year) and 25 percent for Washoe County ($14.25 million per year).

RURAL CHILD WELFARE (101-3229) DHHS DCFS-39:

The Committee approved the Governor's recommendation to allocate the cost of Child Protective Services to the rural counties. The allocation of these costs was a recommendation of the Legislative Committee for the Fundamental Review of Base Budgets of State Agencies and Clark and Washoe Counties have historically funded these services in their jurisdictions.

COMMUNITY JUVENILE JUSTICE PROGRAMS (101-1383) DHHS DCFS-57:

The Committee approved the Governor's recommendation to eliminate $1.4 million in General Funds in each year of the 2011-13 biennium for the Community Corrections Partnership Block Grants.

Additionally, the Committee approved the Governor's budget amendment to transfer $3,029,615 in each year of the biennium from the DCFS Administration account to this account for payments to the counties/judicial districts for mental health room and board expenses for non-custody county probation youth.

Youth Alternative Placement (101-3147) DHHS DCFS-65:

The Committee approved a budget amendment to restore $1,381,033 in General Funds for each year of the biennium, originally recommended for elimination by the Governor, for support of the juvenile correctional camps in Clark and Douglas Counties.

Additionally, the Committee approved continuing a 10 percent General Fund reduction that was first approved during the 26th Special Session of $170,498 in each year of the biennium. However, the Committee did not approve the Governor's recommendation to eliminate an additional 10 percent in General Funds of $153,448 in each year of the biennium.

Nevada Youth Training Center (101-3259) DHHS DCFS-81:

In accordance with the Governor's recommendation, the Committee approved the closure of three residential 20-bed units, increasing one 20-bed unit to 30 beds, and the elimination of 18 positions. The actions reduce the bed capacity at the facility to 110 beds. Additionally, the Committee recommended a letter of intent directing the Division to provide quarterly reports to the Interim Finance Committee on the ratios of youth held in detention and lengths of stay.

Youth Parole Services (101-3263) DHHS DCFS-88:

The Committee did not approve the Governor's recommendation to replace the youth parole services General Funds of $5.4 million in each year of the 2011-13 biennium with fees assessed to the counties.

The Committee approved the Governor's recommendation to eliminate General Funds of $576,090 in each year of the 2011-13 biennium representing reimbursement to county detention facilities.

ASSEMBLYMAN HOGAN:

The Ways and Means Committee has completed its review of the budget for the Commission on Peace Officers Standards and Training (POST) as follows:

POST (101-3774) POST-1:

The Committee approved the Governor's recommendation to convert three classified Training Officers II to unclassified POST Training Specialists and three classified Employee Development Managers to unclassified POST Bureau Chiefs, with no change in salary. The Committee approved the Governor's recommended reduction in court assessments of $46,742 in FY 2012 and $48,252 in FY 2013 to achieve budget reduction goals. The Committee also approved $10,500 in FY 2012 for developing electronic forms, reducing data entry and manual processes for POST staff, as well as law enforcement agencies in Nevada tasked with preparing information and submitting it to POST.

ASSEMBLYMAN CONKLIN:

On May 9, 2011, the Ways and Means Committee closed the budget accounts for the Public Employees' Benefits Program (PEBP). The following comments describe the more significant actions by the Committee.

Public Employees' Benefits Program (625-1338) PEBP-1:

The Committee approved the Governor's recommendations for plan design changes, as well as subsidy reductions for participants. These decision units will save an estimated $85.2 million in state subsidies over the upcoming biennium, of which approximately $54.5 million (64 percent) is General Fund appropriations. The plan design changes eliminate the Preferred Provider Organization (PPO) and replace it with a Consumer-Driven Health Plan (CDHP). In addition, active employee participants will receive a Health Savings Account, and retirees will receive a Health Reimbursement Arrangement. Deductibles will be $1,900 for the Employee/Non-Medicare Retiree Only coverage tiers, and $3,800 for the Employee/Non-Medicare Retiree + Dependent(s) tiers. Co-insurance will decrease from 80 percent after the deductible is met to 75 percent. Medicare eligible retirees will move out of the PEBP plan and into the individual Medicare market. The subsidy for most Medicare retirees will be $10 per month per year of service for the upcoming biennium, and the PEBP Board is charged with determining what the Medicare retiree subsidy will be for future biennia. In addition, spouses or domestic partners who are eligible for other employer-based health coverage will be removed from PEBP. Finally, the Health Maintenance Organization (HMO) option will continue to be available, but would be subsidized at a lower rate than the CDHP, and the rates for Northern Nevada and Southern Nevada will be blended into one rate table.

Active Employees' Group Insurance (666-1390) PEBP-18:

The Committee disapproved the Governor's recommendation to reduce the health insurance subsidy provided to part-time employees to 60 percent of the recommended total subsidy. The Governor's recommendation purported to save $1.5 million in General Fund in FY 2013; however, after adjustments to various budget accounts, the savings from the Governor's recommendation was reduced to $690,557. The State's contribution for active employee group insurance will be $644.81 per month for FY 2012 and $735.60 per month for FY 2013.

Retired Employee Group Insurance (680-1368) PEBP-11:

The Committee closed this account as recommended by the Governor. The State's monthly contribution toward retiree health insurance (both non-Medicare and Medicare retirees) will be $418.42 in FY 2012 and $473.47 in FY 2013.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. **NRS 624.300 is hereby amended to read as follows:**

624.300 1. Except as otherwise provided in subsections 3 and 5, the Board may:

(a) Suspend or revoke licenses already issued;

(b) Refuse renewals of licenses;

(c) Impose limits on the field, scope and monetary limit of the license;

(d) Impose an administrative fine of not more than $10,000;

(e) Order a licensee to repay to the account established pursuant to NRS 624.470, any amount paid out of the account pursuant to NRS 624.510 as a result of an act or omission of that licensee;

(f) Order the licensee to take action to correct a condition resulting from an act which constitutes a cause for disciplinary action, at the licensee's cost, that may consist of requiring the licensee to:

(2) Hire and pay another licensee to perform the corrective work; or

(3) Pay to the owner of the construction project a specified sum to correct the condition; or

(g) Issue a public reprimand or take other less severe disciplinary action, including, without limitation, increasing the amount of the surety bond or cash deposit of the licensee,

➥ if the licensee commits any act which constitutes a cause for disciplinary action.

2. If the Board suspends or revokes the license of a contractor for failure to establish financial responsibility, the Board may, in addition to any other conditions for reinstating or renewing the license, require that each contract undertaken by the licensee for a period to be designated by the Board, not to exceed 12 months, be separately covered by a bond or bonds approved by the Board and conditioned upon the performance of and the payment of labor and materials required by the contract.

3. If a licensee violates:

(a) The provisions of NRS 624.3014, subsection 2 or 3 of NRS 624.3015, subsection 1 of NRS 624.302 or subsection 1 of NRS 624.305, the Board may impose for each violation an administrative fine in an amount that is not more than $50,000.

(b) The provisions of subsection 4 of NRS 624.3015:

(2) For a second offense, the Board shall impose an administrative fine of not less than $5,000 and not more than $50,000, and may suspend the license of the licensee for 1 year; and

(3) For a third or subsequent offense, the Board shall impose an administrative fine of not less than $10,000 and not more than $50,000, and may revoke the license of the licensee.

(c) The provisions of subsection 7 of NRS 624.302, the Board shall, in addition to any other disciplinary action taken pursuant to this section, impose an administrative fine of $1,000.

(b) The good faith of the licensee; and

(c) Any history of previous violations of the provisions of this chapter committed by the licensee.

5. If a licensee is prohibited from being awarded a contract for a public work pursuant to NRS 338.017, the Board may suspend the license of the licensee for the period of the prohibition.

7. If the Board finds that a licensee has engaged in repeated acts that would be cause for disciplinary action, the correction of any resulting conditions does not preclude the Board from taking disciplinary action pursuant to this section.

8. The expiration of a license by operation of law or by order or decision of the Board or a court, or the voluntary surrender of a license by a licensee, does not deprive the Board of jurisdiction to proceed with any investigation of, or action or disciplinary proceeding against, the licensee or to render a decision suspending or revoking the license.

9. The Board shall not issue a private reprimand to a licensee.

10. An order that imposes discipline and the findings of fact and conclusions of law supporting that order are public records.

11. An administrative fine imposed pursuant to this section or NRS 624.341 or 624.710 plus interest at a rate that is equal to the prime rate at the largest bank in this State, as determined by the Commissioner of Financial Institutions on January 1 or July 1, as appropriate, immediately preceding the date of the order imposing the administrative fine, plus 4 percent, must be paid to the Board before the issuance or renewal of a license to engage in the business of contracting in this State. The interest must be collected from the date of the order until the date the administrative fine is paid.

12. All fines and interest collected pursuant to this section must be deposited with the State Treasurer for credit to the Construction Education Account created pursuant to NRS 624.580.

~~[Section 1.]~~ ***Sec. 2.*** NRS 624.302 is hereby amended to read as follows:

624.302 The following acts or omissions, among others, constitute cause for disciplinary action pursuant to NRS 624.300:

(a) Has been suspended or revoked pursuant to NRS 624.300; or

(b) Is inactive.

2. Failure to comply with a written citation issued pursuant to NRS 624.341 within the time permitted for compliance set forth in the citation, or, if a hearing is held pursuant to NRS 624.291, within 15 business days after the hearing.

A certified copy of the suspension, revocation or other disciplinary action taken by another state against a contractor based on a license issued by that state is conclusive evidence of that action.

5. Failure or refusal to respond to a written request from the Board or its designee to cooperate in the investigation of a complaint.

6. Failure or refusal to comply with a written request by the Board or its designee for information or records, or obstructing or delaying the providing of such information or records.

Amendment No. 626.

AN ACT relating to common-interest communities; providing for the electronic transfer of money to the United States Government or federal or state agencies under certain circumstances; authorizing an association to use electronic signatures to withdraw money from the operating account of the association under certain circumstances; revising provisions relating to the requirement that the executive board of an association make certain records available for review at a designated location; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires certain signatures for the withdrawal of money from an account of a unit-owners' association of a common-interest community.

(NRS 116.31153) **Section 1** of this bill allows the withdrawal of money, without the required signatures, from the operating account of an association to make an electronic transfer of money to the United States Government or a federal or state agency. **Section 1** also authorizes an association to use electronic signatures to withdraw money from the operating account of the association under certain circumstances.

Existing law requires the executive board of a unit-owners' association to make certain financial records available for review at the business office of the association or some other location within the county in which the common-interest community is located. Existing law also requires the board to provide, upon request, a copy of those records to a unit's owner or the Ombudsman for Owners in Common-Interest Communities and Condominium Hotels and authorizes the board to charge a certain fee to cover the actual costs of preparing the copy. (NRS 116.31177) **Section 3** of this bill repeals that provision and instead, **section 2** of this bill requires the executive board of a unit-owners' association to make those records available for review at the business office of the association or a designated business location not to exceed 60 miles from the physical location of the common-interest community. **Section 2** also **: (1)** retains the requirement that the board provide, upon request, a copy of such records to a unit's owner or the Ombudsman **;** and ~~[the authority of the board to charge a fee to cover the actual costs of preparing the copy.]~~ **(2) requires the board to provide the copy in electronic format at no charge to the unit's owner or the Ombudsman or, if the board is unable to provide the copy in electronic format, in paper format at a cost not to exceed a certain amount per page of the record.**

Amendment No. 660.

AN ACT relating to guardianships; revising provisions governing the appointment, powers and duties of guardians; requiring certain guardians to undergo a background investigation at their own cost and expense; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law governs the appointment, powers and duties of guardians. (Chapter 159 of NRS) **Section 7** of this bill requires a private professional guardian to undergo a background investigation at his or her own cost and expense and to present the results of the background investigation to the court upon request. **Section 8** of this bill requires every guardian to file a verified acknowledgment of the duties and responsibilities of a guardian before performing any duties as a guardian. The acknowledgment must set forth certain provisions, including certain specific duties of the guardian. The court may exempt a public guardian or private professional guardian from filing an acknowledgment in each case and may instead require the guardian to file a general acknowledgment which covers all guardianships to which the guardian may be appointed. **Section 13** of this bill prohibits the removal of a guardian by the court if the sole reason for removal is the lack of money to pay the compensation and expenses of the guardian.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 654.

AN ACT relating to trust companies; revising provisions governing the management of a trust by a family trust company or licensed family trust

company; specifying the applicability of the Uniform Prudent Investor Act to a trust managed by a family trust company or licensed family trust company; authorizing a family trust company or licensed family trust company to engage in certain transactions involving the assets of the trust or take certain actions if the transaction or action is in the interest of the beneficiaries and complies with certain other requirements; authorizing a family trust company or licensed family trust company and an interested person to enter into a nonjudicial settlement agreement to resolve any matter related to the management, administration or interpretation of a trust; requiring a family trust company and licensed family trust company to provide an annual report or certain information in lieu of an annual report to certain persons concerning the management of a trust; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires a trust company that has been appointed as the fiduciary of a trust to invest and manage the assets of the trust according to the Uniform Prudent Investor Act. (NRS 164.700-164.775) The prudent investor rule requires, among other things, that a fiduciary of a trust diversify the assets of the trust through various investments. (NRS 164.750) Existing law places further restrictions on the types of transactions that a trust company may engage in with the assets of a trust for which it is a fiduciary. (NRS 669A.230) **Section 15** of this bill provides an exception to the provisions of the Uniform Prudent Investor Act as it applies to the management of a trust by a family trust company or licensed family trust company. **Section 7** of this bill authorizes a family trust company or licensed family trust company to engage in activities and transactions involving the assets of a trust, including the acquisition of concentrated holdings of stocks, bonds, securities or other assets, which might otherwise be prohibited by the Uniform Prudent Investor Act. **Section 7** requires that such transactions or actions by a family trust company or licensed family trust company be for a fair price, if applicable, be in the interest of the beneficiaries and comply with the terms of the trust, a written consent agreement, a court order or a notice of proposed action. Furthermore, the transactions authorized by **section 7** are not prohibited by a conflict of interest between the parties to the transaction.

Section 8 of this bill authorizes a family trust company or licensed family trust company and an interested person to enter into a nonjudicial settlement agreement with respect to any matter related to the management, administration or interpretation of a trust. **Section 8** also authorizes a family trust company or licensed family trust company or an interested person to petition a court to approve a nonjudicial settlement agreement or to make certain other determinations related to the nonjudicial settlement agreement. **Section 9** of this bill requires a family trust company or licensed family trust company that intends to execute a nonjudicial settlement agreement to meet certain notice requirements before executing the nonjudicial settlement

agreement and also requires an interested person who receives such notice to object within a certain period to preserve the right to bring certain actions relating to the nonjudicial settlement agreement. **Section 9** also authorizes a family trust company or licensed family trust company or an interested person who timely objects to petition the court to approve, disapprove, enforce or modify the nonjudicial settlement agreement. **Section 10** of this bill authorizes a family trust company or licensed family trust company to refrain from taking an action that is authorized by a nonjudicial settlement agreement under certain circumstances.

Section 11 of this bill requires a family trust company and licensed family trust company to provide annual reports to certain persons outlining any transactions taken by the family trust company or licensed family trust company while acting as the fiduciary of a trust and further authorizes the trust company to provide an interested person with certain other information in lieu of an annual report.

Motion carried.

ASSEMBLYMAN BOBZIEN:

The Assembly Committee on Ways and Means has completed its review of the various budgets for the Division of Insurance for the 2011-13 biennium. The major closing recommendations for these accounts include the following:

Insurance regulation (101-3813) B&I-57:

The Committee did not approve the Governor's recommendation to consolidate six of the Division's budget accounts into the Insurance Regulation account. The Committee approved a letter of intent requesting the Division report to the Interim Finance Committee, no later than February 2012, on the options considered for reducing the number of employees included in its cost allocation methodology.

The Committee approved the Governor's recommendation to transfer five positions from the Division of Insurance to the Business and Industry Director's Office, as part of the Department's centralization plan for personnel, fiscal, and IT functions.

The Committee approved continuation of the letter of intent issued following the 2009 Legislative Session, requesting the Division to report to the Interim Finance Committee, no later than September 2012 regarding the costs of administering the Self Insured Workers' Compensation program during FY 2012, based on actual time and effort reports by staff funded through the Insurance Regulation account.

The Committee voted not to approve the Governor's recommendation to include a $100 General Fund appropriation in each year of the 2011-13 biennium. The Committee authorized a General Fund advance, equal to no more than two months of operating expenses, if the Division experiences an unanticipated revenue shortfall during the 2011-13 biennium.

Insurance examiners (223-3817) B&I-76:

The Committee approved a letter of intent directing the Division to report to the Interim Finance Committee, no later than January 1, 2012, the process to be used to refund overpayment of fees charged to insurers for the Insurance Premium Tax Desk Audit program, the methodology used to determine which refund option was most appropriate, and when the refund or tax credit would be implemented by the Division. Additionally, the agency was directed to utilize the approach that would have the least negative impact on the General Fund.

The Committee did not approve the Governor's recommendation to consolidate this account into the Insurance Regulation account.

National Association of Insurance Commissioners (101-3828) B&I-98:

The Committee voted to increase out-of-state travel authority to $19,000 in each year of the 2011-13 biennium, which is $18,943 more than recommended in The Executive Budget.

The Committee voted to approve the suspension of the National Association of Insurance Commissioners assessment during the 2011-13 biennium, based on the projected reserve levels in this account at the end of FY 2013. The Division plans to reinstate the assessment in The Executive Budget for the 2013-2015 biennium. This was not included in the Governor's recommended budget.

The Committee did not approve the Governor's recommendation to consolidate this account into the Insurance Regulation account.

Other accounts with no major closing issues:

The following accounts were closed by the Committee as recommended by the Governor, excluding approval of the Governor's recommendation to consolidate all of the accounts, except the Self Insured Workers' Compensation account, into the Insurance Regulation account:

- CAPTIVE INSURERS (101-3818) B&I-82
- INSURANCE RECOVERY (101-3821) B&I-89
- INSURANCE EDUCATION & RESEARCH (101-3824) B&I-91
- INSURANCE COST STABILIZATION (101-3833) B&I-101
- SELF INSURED WORKERS' COMPENSATION (210-4684) B&I-108

ASSEMBLYWOMAN MASTROLUCA:

The Ways and Means Committee has closed the following accounts for the Nevada Department of Education. The closings decrease General Fund appropriations for the Department by $505,700 in FY 2012 and $507,087 in FY 2013.

Educational Trust Fund (101-2614) K-12 Education-23:

The balance of the Educational Trust Fund, which is funded through expired or abandoned gift certificates, is projected at $58,481 in FY 2012 and $67,481 in FY 2013. Pursuant to statute, collections from the trust fund can only be expended as authorized by the Legislature. The Committee approved expenditures from the trust fund of $7,000 in each year of the 2011-13 biennium to establish a State Teacher of the Year program as recommended by the State Superintendent of Public Instruction.

Education State Programs (101-2673) K-12 Education-27:

The Committee approved the Governor's recommendation to eliminate General Funds of $270,000 each year of the biennium for technical assistance and school support teams for non-Title I schools.

Education Support Services (101-2720) K-12 Education-39:

The Committee approved $8,764 in reserves over the 2011-13 biennium for additional training expenditures to allow grant management training for staff. The Committee approved the remainder of the account as recommended by the Governor.

Proficiency Testing (101-2697) K-12 Education-46:

The Committee supported the Governor's recommendation to reduce General Funds of $1.85 million over the 2011-13 biennium for the elimination of the norm-referenced tests.

Teacher Education and Licensing (101-2705) K-12 Education-52:

The Committee closed the Teacher Licensing account as recommended by the Governor; however, expressed concern regarding the ability of the Office of Teacher Licensure to remain self-supporting due to declining revenues and reserves. In that regard, the Committee issued a letter of intent directing the Department to report on the reserves in the account, and any proposed changes to the fee structure or staffing levels in order to remain self-supporting. The Committee also expressed concern regarding the completion of the teacher licensure database approved by the 2009 Legislature, which was not completed due to declining revenues. In that regard, the Committee issued a letter of intent directing the Department to report on the status of the completion of the teacher licensure database.

Drug Abuse Education (101-2605) K-12 Education-58:

The Committee approved the Governor's recommendation to eliminate this account from The Executive Budget due to the elimination of federal Safe and Drug-Free Schools and Communities grant funds. The elimination of the federal grant includes the elimination of one position.

Other Unrestricted Accounts (101-2706) K-12 Education-73:

The Committee approved staff's recommendation to transfer a position from the Education State Programs account to this account, to be funded with charter school fees since the position works 100 percent on charter school activities. The Committee's action resulted in a General Fund savings of $103,175 in FY 2012 and $104,562 in FY 2013. The Committee approved the remainder of the account as recommended by the Governor.

Discretionary Grants-Restricted (101-2709) K-12 Education-79:

The Committee approved staff's recommendation to carry-forward federal Education Jobs grant funds of $30.1 million in FY 2012, which had not been included in The Executive Budget. The Committee closed the remainder of the account as recommended by the Governor.

Student Incentive Grants (101-2606) K-12 Education-101:

The Committee approved the Governor's budget amendment to eliminate the Student Incentive Grants account from The Executive Budget due to the elimination of federal grant funds, resulting in a reduction of General Funds of $381,634 in each year of the 2011-13 biennium appropriated for match funds to receive the federal grants.

Nutrition Education Programs (101-2691) K-12 Education-114:

The Committee closed the account as recommended by the Governor, but included a letter of intent directing the Department to work with the school districts to increase the state's participation rate in the National School Lunch program and the School Breakfast program to the national average.

Individuals with Disabilities (IDEA) (101-2715) K-12 Education-122:

The Committee approved staff's recommendation to reduce General Funds of $20,891 in each year of the 2011-13 biennium since no child is currently enrolled in the NRS 395 program. The program requires out-of-state placement and monitoring of certain students with disabilities. The Committee approved the remainder of the account as recommended by the Governor.

The Committee closed the following accounts as recommended by the Governor, with technical adjustments:

- Education Staffing Services (101-2719)
- School Health Education – AIDS (101-2611)
- Gear Up (101-2678)
- Elementary & Secondary Education Title I (101-2712)
- Elementary & Secondary Education Titles II, V & VI (101-2713)
- Career & Technical Education (101-2676)
- Continuing Education (101-2680)

SUMMARY—Revises **certain** provisions governing ~~[certain real property held by banks.]~~ **financial institutions.** (BDR 55-737)

AN ACT relating to financial institutions; revising provisions governing the period that a bank may hold certain real property; removing provisions requiring a bank annually to charge off a certain percentage of the value of certain real property held by the bank and acquired as a result of a debt owed to the bank; **revising provisions governing the review of certain applications for licensure by the Commissioner of Financial Institutions; revising provisions relating to the control of a retail trust company; revising provisions governing the assets which certain trust companies are required to maintain; revising provisions governing applications for a license to operate a retail trust company; authorizing certain persons to appeal certain decisions of the Commissioner;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes a bank to hold real property that the bank acquires through the collection of debts owed to it for up to 10 years, and **section 1 of** this bill reduces that period to 5 years, except that a bank may request an extension of that period from the Commissioner of Financial Institutions of not more than 5 years. Existing law also requires a bank to charge off the real property on a schedule of not less than 10 percent per year, or at a greater percentage if so required by the Commissioner. (NRS 662.015) ~~[This bill]~~ **Section 1** removes the requirement that a bank annually charge off a certain percentage of the value of such real property.

Existing law charges the Commissioner with certain duties and responsibilities related to retail trust companies, including investigating companies that apply for licensure as a retail trust company, issuing licenses to qualified companies to operate as a retail trust company and removing from office an officer, director, manager or employee of a retail trust company for certain conduct. (NRS 657.180, 669.085, 669.090, 669.130, 669.150, 669.160, 669.281) Section 3 of this bill requires the Commissioner to consider certain criteria related to the potential long-term success of a trust company before approving the company's application for licensure to operate as a retail trust company. Section 4 of this bill requires a person who intends to obtain control of a retail trust company to submit an application for licensure to the Commissioner. Section 7 of this bill requires the Commissioner to provide to an applicant for licensure as a retail trust company written notice of any grounds for denial of an application and authorizes the applicant to cure any defect or deficiency in the application and resubmit the application within a certain period. Section 8 of this bill provides that a person who is removed from office by the Commissioner may appeal his or her removal from office within a certain period.

Existing law requires a retail trust company to maintain at least 50 percent of its required stockholders' equity in cash, unless the Commissioner approves a different amount, with the remaining amount to be held in the form of readily marketable securities or certain other

assets that may be approved by the Commissioner. Existing law also requires a noncustodial trust company to maintain 50 percent of its required minimum capital in cash. (NRS 669.100) Section 6 of this bill requires a retail trust company to maintain a certain amount of its required stockholders' equity in the form of cash or certain cash equivalents and authorizes a retail trust company to hold the remaining amount of the required stockholders' equity in the form of readily marketable securities or certain other assets upon the approval of the Commissioner. Section 6 further requires that bonds or other evidence of indebtedness held by a retail trust company as part of its required stockholders' equity meet certain investment standards. Section 6 also requires a noncustodial trust company to maintain 25 percent of its required minimum capital in the form of cash.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 721.

AN ACT relating to music therapy; providing for the licensure of music therapists by the State Board of Health; authorizing the Board to establish a voluntary Music Therapy Advisory Group; prohibiting a person from

engaging in the practice of music therapy without a license; prescribing the requirements for the issuance and renewal of a license as a music therapist; establishing the grounds for disciplinary action against a music therapist; providing the disciplinary actions the Board may take against a music therapist; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for the licensure and regulation of certain professions, occupations and businesses. (Title 54 of NRS) This bill provides for the licensure and regulation of music therapists. **Section 12** of this bill makes it unlawful to practice music therapy or hold oneself out as a music therapist without a license. **Section 17** of this bill sets forth the authorized music therapy services that may be provided by a music therapist. **Sections 13 and 14** of this bill make the State Board of Health the licensing entity for music therapists and establishes the requirements and fee for licensure to practice as a music therapist. **Sections 15 and 16** of this bill provide for the renewal of a license to practice music therapy every ~~[5]~~ **3** years as well as the requirements and fee for renewal. **Section 34** of this bill provides that the State Board of Health may not increase the fee for issuing or renewing a license sooner than January 1, 2014.

Section 10 of this bill allows the State Board of Health to adopt any regulations it deems necessary to carry out the provisions of the bill. In addition, **section 10** requires the Board to enforce the provisions of the bill to the extent that money is available for that purpose. The Board is also required to maintain a list of applicants, licensees and persons whose licenses have been revoked or suspended and make those lists available upon request and payment of any fee. **Section 11** of this bill authorizes the State Board of Health to establish a Music Therapy Advisory Group that serves without compensation to assist the Board in carrying out its duties.

Sections 18-23 of this bill establish the grounds for disciplinary action against a music therapist and the procedures for addressing complaints and taking such disciplinary action. **Section 24** of this bill prohibits a person from requiring a music therapist to delegate certain services to another person in certain circumstances.

Section 25 of this bill adds music therapists to the definition of "provider of health care" as used in the chapter which addresses healing arts. That definition is also referred to and used in various sections of the NRS for various purposes. (*See e.g.* NRS 48.039, 162A.760, 391.208) **Section 26** of this bill adds music therapists to the list of persons required to report unprofessional conduct by a nurse or other person licensed or certified by the State Board of Nursing. **Sections 27-29** of this bill add music therapists to the list of persons required to report any known or suspected abuse, neglect, exploitation or isolation of an older or vulnerable person. **Section 30** of this bill adds music therapists to the list of persons required to report any known or suspected abuse or neglect of a child. **Section 31** of this bill makes the

regulations of the State Board of Health relating to licensing music therapists subject to review of the Legislative Committee on Health Care. After any such review, the Committee would notify the Board of the advisability of adopting or revising the proposed regulation. (NRS 439B.225)

Alternatively, the exemption is available if the records of the National Association of Insurance Commissioners show that the applicant is or was licensed and in good standing for the lines of authority requested.

2. An examination is not required for a producer of insurance who confines his or her activity to insurance categorized as limited line, credit, travel, ***portable electronics,*** baggage or fixed annuity, or covering vehicles leased for a short term.

Legislative Counsel's Digest:

Under existing law, the board of trustees of each school district is required to adopt a policy to engage certain administrators in the classroom. (NRS 391.235) **Section 21.5** of this bill makes the adoption of such a policy permissive rather than mandatory.

Under existing federal law, a school which is served under Title I and which is identified as needing improvement pursuant to the federal law is required to develop and implement a school improvement plan. (20 U.S.C. § 6316(b)(3)) Also under existing federal law, a school district which is served under Title I and which is identified as needing improvement pursuant to the federal law is required to develop and implement a plan for improvement for the school district. (20 U.S.C. § 6316(c)(7)) Under existing state law, the

board of trustees of each school district is required to prepare a plan to improve the achievement of pupils enrolled in the school district. (NRS 385.348) **Also under existing law, the principal of each public school is required to prepare a plan to improve the achievement of pupils enrolled in the school.** This bill repeals ~~[that]~~ **both of those** state statutory ~~[requirement.]~~ **requirements relating to plans for improvement.**

Under existing law, **certain** school districts in this State are required to adopt a policy providing for the creation of small learning communities for certain pupils enrolled in middle school or junior high school and high school. (NRS 388.171, 388.215) ~~[This bill repeals these statutory requirements.~~

~~Under existing law, the boards of trustees of school districts are required to enforce in the public schools the use of textbooks prescribed by the State Board of Education. (NRS 390.220) This bill repeals that statutory requirement.]~~ **Section 21.3 of this bill requires the board of trustees of each school district which includes at least one high school with an enrollment of 1,200 pupils or more to adopt a pilot program of small learning communities for implementation in at least 50 percent of those high schools. Section 36.3 of this bill requires the board of trustees of each school district which includes at least one middle school or junior high school with an enrollment of 500 pupils or more to adopt a pilot program of small learning communities for pupils in their initial year of enrollment for implementation in at least 50 percent of those schools. Sections 36.5 and 38 of this bill require both pilot programs to be implemented beginning with the 2013-2014 school year.**

Under existing law, effective on July 1, 2011, an academic plan must be developed for each pupil enrolled in middle school or junior high school in accordance with a policy adopted by the board of trustees of the school district. **Section 36.5** of this bill extends the date for adoption of such a policy to January 1, 2013, for implementation beginning with the 2013-2014 school year.

~~[Section 37.5 of this bill authorizes the board of trustees of each school district to review certain plans, policies, programs and procedures. If the board of trustees of a school district conducts such a review, the board of trustees is required to prepare a written report on the plans, policies, programs and procedures which the board of trustees determines place an unfunded mandate and an undue financial hardship on the school district and submit the written report, on or before August 1, 2012, to the Legislative Committee on Education and the Director of the Legislative Counsel Bureau for transmittal to the next regular session of the Legislature.]~~

Amendment No. 627.

SENATE JOINT RESOLUTION—Urging Congress to enact legislation requiring the Secretary of the Interior to convey ownership of certain land to the State of Nevada to help fund education in Nevada.

WHEREAS, The State of Nevada and other western states face unique challenges in providing the best education to their residents due to vast acreages of untaxable federal lands within their borders; and

WHEREAS, Early in Nevada's history, the Congress of the United States recognized the importance of supporting public education in Nevada and established school trust lands in Nevada to help fund education in the State; and

WHEREAS, When the Territory of Nevada was admitted to statehood, the Federal Government provided Nevada with two sections of land in each township for the benefit of common schools, which amounted to 3.9 million acres, while other territories that were subsequently admitted to statehood received four sections of land in each township for the benefit of common schools; and

WHEREAS, The land originally granted by the Federal Government to Nevada for common schools was not providing sufficient revenue for education because the land included large sections that were undesirable or difficult to survey; and

WHEREAS, In 1880, it was necessary for Nevada to agree to exchange its 3.9 million acres for only 2 million acres of its own selection, as Nevada had an immediate need for public school revenues; and

WHEREAS, The disproportionately small amount of land received from the Federal Government for the benefit of common schools contributes only a

small amount of revenue for the schools in Nevada in comparison to other states and places an excessive burden on the financial resources of each county in Nevada; and

WHEREAS, In Nevada, approximately 87 percent of the land, which amounts to approximately 61 million acres, is held by the Federal Government; and

WHEREAS, In 15 of the 17 counties in Nevada, more than 50 percent of the land is held by the Federal Government, and in 4 of the 17 counties, more than 90 percent of the land is held by the Federal Government; and

WHEREAS, The ~~[management and control]~~ **ownership** of such an extensive amount of the land in Nevada by the Federal Government has an adverse effect on the ability of **the school districts in** Nevada to provide ~~[a]~~ **funding for** quality education ~~[to its]~~ **for the** residents ~~[,]~~ **of Nevada;** and

WHEREAS, Nevada and the other western states are falling behind in education funding as measured by the growth of expenditures per pupil; and

WHEREAS, The difficulty experienced by Nevada and the other western states in providing a quality education to their residents is exacerbated by projections that enrollment in public schools from 2007 to 2019 is expected to increase by approximately 34 percent in Nevada and the other western states, but increase by less than 1 percent in the remaining states in the United States; now, therefore, be it

RESOLVED BY THE SENATE AND ASSEMBLY OF THE STATE OF NEVADA, JOINTLY, That the members of the 76th Session of the Nevada Legislature urge Congress and the Nevada Congressional Delegation to enact legislation requiring the Secretary of the Interior to convey ownership of federal land located in Nevada from the Federal Government to Nevada to help fund education for the residents of Nevada and to put the education system of Nevada in parity with that of the other states in the United States; and be it further

RESOLVED, That the Secretary of the Senate prepare and transmit a copy of this resolution to the President of the United States, the Vice President of the United States as the presiding officer of the Senate, the Speaker of the House of Representatives and each member of the Nevada Congressional Delegation; and be it further

RESOLVED, That this resolution becomes effective upon passage.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 753.

AN ACT relating to the protection of children; requiring ~~[an investigation]~~ **a law enforcement agency** to determine whether an infant who is relinquished to a provider of emergency services has been reported as a missing child; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law allows the parent of a child who is not more than 30 days old to take the child to a provider of emergency services and leave the child with the provider of emergency services without the intent to return for the child. In such cases, the child so delivered is presumed abandoned. The parent of the child is not required to provide any information regarding the child and, unless there is reasonable cause to believe that the child has otherwise been abused or neglected, will not be investigated for abuse or neglect. The provider of emergency services is required to inform an agency which provides child welfare services that the provider has taken possession of the child within 24 hours after doing so. (NRS 432B.630) Existing law requires the agency which provides child welfare services, upon receiving such notice, to immediately place the child in protective custody. (NRS 432B.390) This bill requires the provider of emergency services to also notify a law enforcement agency within 24 hours after the provider takes possession of an abandoned child and requires the law enforcement agency to **notify the Clearinghouse of missing children established by the Attorney General and to** investigate **further, if necessary, to determine** whether the child has been reported as a missing child. Upon conclusion of the investigation, the law enforcement agency is required to inform the agency which provides child welfare services of its determination, and the agency is required to maintain that information for statistical and research purposes.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 432B.630 is hereby amended to read as follows:

432B.630 1. A provider of emergency services shall take immediate possession of a child who is or appears to be not more than 30 days old:

(a) When:

(1) The child is voluntarily delivered to the provider by a parent of the child; and

(2) The parent does not express an intent to return for the child; or

(b) When the child is delivered to the provider by another provider of emergency services pursuant to paragraph (b) of subsection 2.

2. A provider of emergency services who takes possession of a child pursuant to subsection 1 shall:

(a) Whenever possible, inform the parent of the child that:

(1) By allowing the provider to take possession of the child, the parent is presumed to have abandoned the child;

(2) By failing or refusing to provide an address where the parent can be located, the parent waives any notice of the hearing to be conducted pursuant to NRS 432B.470; and

(3) Unless the parent contacts the local agency which provides child welfare services, action will be taken to terminate his or her parental rights regarding the child.

(b) Perform any act necessary to maintain and protect the physical health and safety of the child. If the provider is a public fire-fighting agency or a law enforcement agency, the provider shall immediately cause the safe delivery of the child to a hospital, an obstetric center or an independent center for emergency medical care licensed pursuant to chapter 449 of NRS.

(c) As soon as reasonably practicable but not later than 24 hours after the provider takes possession of the child, report that possession to an agency which provides child welfare services ~~[.]~~ ***and, if the provider is not a law enforcement agency, to a law enforcement agency. The law enforcement agency shall*** ~~*[investigate through]*~~ ***notify the Clearinghouse*** ~~*[established pursuant to NRS 432.170]*~~ ***and*** ~~*[, as]*~~ ***investigate further, if necessary, using any other resources to determine whether the child has been reported as a missing child. Upon conclusion of the investigation, the law enforcement agency shall inform the agency which provides child welfare services of its determination. The agency which provides child welfare services shall maintain that information for statistical and research purposes.***

3. A parent who delivers a child to a provider of emergency services pursuant to paragraph (a) of subsection 1:

(a) Shall leave the child:

(1) In the physical possession of a person who the parent has reasonable cause to believe is an employee of the provider; or

(2) On the property of the provider in a manner and location that the parent has reasonable cause to believe will not threaten the physical health or safety of the child, and immediately contact the provider, through the local emergency telephone number or otherwise, and inform the provider of the delivery and location of the child. A provider of emergency services is not

liable for any civil damages as a result of any harm or injury sustained by a child after the child is left on the property of the provider pursuant to this subparagraph and before the provider is informed of the delivery and location of the child pursuant to this subparagraph or the provider takes physical possession of the child, whichever occurs first.

(b) Shall be deemed to have given consent to the performance of all necessary emergency services and care for the child.

(c) Must not be required to provide any background or medical information regarding the child, but may voluntarily do so.

(d) Unless there is reasonable cause to believe that the child has been abused or neglected, excluding the mere fact that the parent has delivered the child to the provider pursuant to subsection 1:

(1) Must not be required to disclose any identifying information, but may voluntarily do so;

(2) Must be allowed to leave at any time; and

(3) Must not be pursued or followed.

4. As used in this section ~~[, "provider"]~~ **:**

(a) "Clearinghouse" has the meaning ascribed to it in NRS 432.150.

(b) "Provider of emergency services" means:

~~[(a)]~~ ***(1)*** A hospital, an obstetric center or an independent center for emergency medical care licensed pursuant to chapter 449 of NRS;

~~[(b)]~~ ***(2)*** A public fire-fighting agency; or

Amendment No. 756.

SUMMARY—Authorizes an agricultural user to apply to the Motor Carrier Division of the Department of Motor Vehicles for the issuance of a license plate and decal to operate a farm tractor or ~~[motorized]~~ **self-propelled**

implement of husbandry on a highway in this State under certain circumstances. (BDR 43-300)

AN ACT relating to vehicles; authorizing an agricultural user to apply to the Motor Carrier Division of the Department of Motor Vehicles for the issuance of a license plate and decal to operate a farm tractor or ~~[motorized]~~ **self-propelled** implement of husbandry on a highway in this State under certain circumstances; requiring the license plate to be displayed on the farm tractor or ~~[motorized]~~ **self-propelled** implement of husbandry in a certain manner; authorizing the Department to issue a replacement license plate or decal upon the payment of a fee if a license plate or decal is lost or destroyed; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, every owner of a motor vehicle, trailer or semitrailer that is intended to be operated upon any highway in this State is required, before operating the motor vehicle, trailer or semitrailer, to apply to the Department of Motor Vehicles to register the motor vehicle, trailer or semitrailer. (NRS 482.205) Existing law exempts an implement of husbandry from the registration requirement if the implement of husbandry is temporarily drawn, moved or otherwise propelled upon a highway. (NRS 482.210) This bill authorizes a person who is an agricultural user and who wishes to obtain a license plate and decal to operate a farm tractor or ~~[motorized]~~ **self-propelled** implement of husbandry on the highways of this State to submit an application to the Motor Carrier Division of the Department of Motor Vehicles. An "agricultural user" is defined to mean a person who owns or operates a farm tractor or ~~[motorized]~~ **self-propelled** implement of husbandry for a certain type of agricultural use. This bill requires the Department to issue a license plate and decal for the farm tractor or ~~[motorized]~~ **self-propelled** implement of husbandry as soon as practicable after the Department receives the application, applicable fee and appropriate evidence of insurance. This bill also authorizes an agricultural user to submit an application for the renewal of a license plate and decal for a farm tractor or ~~[motorized]~~ **self-propelled** implement of husbandry. An application for renewal must include the applicable fee and appropriate evidence of insurance. Finally, this bill authorizes the Department to issue a new license plate or decal for a farm tractor or ~~[motorized]~~ **self-propelled** implement of husbandry if the license plate or decal is lost or destroyed ~~[.]~~ **and specifies that a certificate of compliance or vehicle inspection report concerning the control of emissions is not required for the farm tractor or self-propelled implement of husbandry.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 482 of NRS is hereby amended by adding thereto a new section to read as follows:

Notwithstanding any provision of this chapter to the contrary:

1. Any agricultural user who wishes to obtain a license plate and decal to operate a farm tractor or ~~[motorized]~~ self-propelled implement of husbandry on the highways of this State may submit an application to the Motor Carrier Division of the Department. Each application must be made upon the appropriate form furnished by the Department. The application must include a nonrefundable fee of ~~[$10.50]~~ $20.50 and evidence satisfactory to the Department that the agricultural user is the holder of a policy of liability insurance which provides at least $300,000 in coverage for bodily injury and property damage resulting from any single accident caused by the agricultural user while operating the farm tractor or ~~[motorized]~~ self-propelled implement of husbandry. As soon as practicable after receiving the application, fee and evidence of insurance, the Department shall issue the license plate and decal to the agricultural user to affix to the farm tractor or ~~[motorized]~~ self-propelled implement of husbandry. A decal issued pursuant to this subsection expires on December 31 of the year in which the Department issues the decal. The license plate and decal are not transferable and must be surrendered or returned to the Department within 60 days after:

(a) A transfer of ownership or interest in the farm tractor or ~~[motorized]~~ self-propelled implement of husbandry occurs; or

(b) The decal expires pursuant to this subsection and the agricultural user fails to submit an application for renewal pursuant to subsection 2.

2. An application for the renewal of a license plate and decal issued pursuant to subsection 1 must be made upon the appropriate form furnished by the Department. The application for renewal must include a nonrefundable fee of $10 and evidence satisfactory to the Department that the agricultural user is the holder of a policy of liability insurance specified in subsection 1. As soon as practicable after receiving the application for renewal, fee and evidence of insurance, the Department shall issue a new decal to affix to the license plate. A decal issued pursuant to this subsection expires on December 31 of the year in which the Department issues the decal.

3. A license plate issued pursuant to subsection 1 must be displayed on the farm tractor or ~~[motorized]~~ self-propelled implement of husbandry in such a manner that the license plate is easily visible from the rear of the farm tractor or ~~[motorized]~~ self-propelled implement of husbandry. If the license plate is lost or destroyed, the Department may issue a replacement plate upon the payment of a fee of 50 cents. If the decal is lost or destroyed, the Department may, upon the payment of the fee specified in subsection 2, issue a replacement decal for the farm tractor or ~~[motorized]~~ self-propelled implement of husbandry.

4. Notwithstanding any provision of chapter 445B of NRS to the contrary, an agricultural user is not required to obtain a certificate of compliance or vehicle inspection report concerning the control of emissions from a farm tractor or self-propelled implement of husbandry

before obtaining a license plate and decal for or operating the farm tractor or self-propelled implement of husbandry pursuant to this section.

5. As used in this section, "agricultural user" means any person who owns or operates a farm tractor or ~~[motorized]~~ self-propelled implement of husbandry specified in subsection 1 for an agricultural use. As used in this subsection, "agricultural use" has the meaning ascribed to it in NRS 361A.030.

GENERAL FILE AND THIRD READING

Assembly Bill No. 552.

Bill read third time.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 752.

AN ACT relating to genetic marker analysis; imposing an administrative assessment upon a defendant convicted of any crime; requiring that a biological specimen be obtained from a person arrested for a felony or a sexual offense; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 2 of this bill imposes an additional administrative assessment of ~~[$1 for every $10 in fines or fees imposed]~~ **$2.50** on a person convicted of a misdemeanor, gross misdemeanor or felony. **Section 2** also provides that the money collected from the assessments must be used to defray the costs associated with obtaining biological specimens and genetic marker analysis.

Under existing law, if a defendant is convicted of a felony or certain other specified offenses, the court, as part of the defendant's sentence, must order that a biological specimen be obtained from the defendant and that the specimen be used for analysis to determine the genetic markers of the specimen. (NRS 176.0911-176.0917) **Section 3** of this bill requires that a biological specimen be obtained if a person is arrested for a felony or a sexual offense punishable as a misdemeanor. **Section 3** ~~[also]~~ provides that if the person is convicted of the felony or the sexual offense, the specimen must be kept, but if the person is not convicted, the specimen and all records relating thereto must be destroyed and expunged.

Existing law prohibits a person from sharing or disclosing certain information relating to another person's biological specimen or genetic marker analysis and makes such conduct a misdemeanor. (NRS 176.0913) **Sections 3 and 8** of this bill increase the penalty for such conduct from a misdemeanor to a category C felony.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 176 of NRS is hereby amended by adding thereto the provisions set forth as sections 2, 3 and 4 of this act.

Sec. 2. ***1. In addition to any other administrative assessment imposed, when a defendant pleads guilty, is found guilty or enters a plea of nolo contendere to a misdemeanor, gross misdemeanor or felony, including the violation of any municipal ordinance, the justice or judge of the justice, municipal or district court, as applicable, shall include in the sentence the sum of*** ~~*[$1 for every $10 or fraction thereof upon every fine or fee imposed and collected by the courts]*~~ ***$2.50 as an administrative assessment for obtaining a biological specimen and conducting genetic marker analysis and shall render a judgment against the defendant for the assessment. If a defendant is sentenced to perform community service in lieu of a fine, the sentence must include the administrative assessment required pursuant to this subsection.***

2. The money collected for an administrative assessment for the provision of genetic marker analysis must not be deducted from the fine imposed by the justice or judge but must be taxed against the defendant in addition to the fine. The money collected for such an administrative assessment must be stated separately on the court's docket and must be included in the amount posted for bail. If bail is forfeited, the administrative assessment included in the bail pursuant to this subsection must be disbursed pursuant to subsection 3. If the defendant is found not guilty or the charges are dismissed, the money deposited with the court must be returned to the defendant. If the justice or judge cancels a fine because the fine has been determined to be uncollectible, any balance of the fine and the administrative assessment remaining unpaid shall be deemed to be uncollectible, and the defendant is not required to pay it. If a fine is determined to be uncollectible, the defendant is not entitled to a refund of the fine or administrative assessment he or she has paid, and the justice or judge shall not recalculate the administrative assessment.

3. If the justice or judge permits the fine and administrative assessment for the provision of genetic marker analysis to be paid in installments, the payments must be applied in the following order:

(a) To pay the unpaid balance of an administrative assessment imposed pursuant to NRS 176.059;

(b) To pay the unpaid balance of an administrative assessment for the provision of court facilities pursuant to NRS 176.0611;

(c) To pay the unpaid balance of an administrative assessment for the provision of specialty court programs pursuant to NRS 176.0613;

(d) To pay the unpaid balance of an administrative assessment for the provision of genetic marker analysis pursuant to this section; and

(e) To pay the fine.

4. The money collected for an administrative assessment for the provision of genetic marker analysis must be paid by the clerk of the court to the county treasurer on or before the fifth day of each month for the preceding month for credit to the fund for genetic marker analysis pursuant to NRS 176.0915.

Sec. 3. ***1. If a person is arrested for a felony pursuant to a warrant, the law enforcement agency making the arrest shall:***

(a) Submit the name, social security number, date of birth and any other information identifying the person to the Central Repository for Nevada Records of Criminal History; and

(b) Upon booking the person into a city or county jail or detention facility, and before the person is released from custody, obtain a biological specimen from the person ~~*[through a cheek swab]*~~ ***pursuant to the provisions of this section so that the specimen can be used for an analysis to determine the genetic markers of the specimen. The biological specimen may be collected by any*** ~~*[authorized agent of a]*~~ ***law enforcement agency.***

2. If a person is arrested for a felony without a warrant, the law enforcement agency making the arrest shall:

(a) Submit the name, social security number, date of birth and any other information identifying the person to the Central Repository for Nevada Records of Criminal History;

(b) Upon booking the person into a city or county jail or detention facility, and before the person is released from custody, obtain a biological specimen from the person ~~*[through a cheek swab]*~~ ***pursuant to the provisions of this section so that the specimen can be used for an analysis to determine the genetic markers of the specimen. The biological specimen may be collected by any*** ~~*[authorized agent of a]*~~ ***law enforcement agency; and***

(c) Not submit the biological specimen for genetic marker analysis pursuant to subsection 4 until a court or magistrate makes a determination that probable cause existed for the person's arrest.

3. If the person is arrested for a sexual offense that is punishable as a misdemeanor, upon booking the person into a city or county jail or detention facility, and before the person is released from custody, the law enforcement agency making the arrest shall obtain a biological specimen from the person ~~*[through a cheek swab]*~~ ***pursuant to the provisions of this section so that the specimen can be used for an analysis to determine the genetic markers of the specimen. The law enforcement agency obtaining the biological specimen shall provide the biological specimen to the forensic laboratory that has been designated in the county in which the person was arrested to conduct or oversee genetic marker analysis for the county pursuant to NRS 176.0917 and shall specifically direct the forensic laboratory to hold the biological specimen in a separate storage area pending notification from:***

(a) The Central Repository for Nevada Records of Criminal History <u>***resulting from a query of records***</u> ***indicating that the person from whom the biological specimen was obtained has been convicted; or***

(b) A court or magistrate indicating that the person from whom the biological specimen was obtained has failed to appear for a scheduled hearing.

➥ ***Upon receipt of ~~[such]~~ notification ~~[,]~~ pursuant to paragraph (a) or (b), the forensic laboratory shall proceed with any genetic marker analysis pursuant to subsection 4.***

4. The law enforcement agency obtaining the biological specimen shall provide the specimen to the forensic laboratory that has been designated by the county in which the person was arrested to conduct or oversee genetic marker analysis for the county pursuant to NRS 176.0917. If the forensic laboratory determines that the biological specimen is inadequate or otherwise unusable, the law enforcement agency may obtain an additional biological specimen from the person arrested. Each designated laboratory is authorized to contract with individuals or organizations for services to perform genetic marker analysis. The identification characteristics resulting from the genetic marker analysis must be stored and maintained by the forensic laboratory in CODIS and only may be made available as provided in section 4 of this act. MESSAGES FROM THE SENATE

SENATE CHAMBER, Carson City, May 25, 2011

To the Honorable the Assembly:

I have the honor to inform your honorable body that the Senate on this day passed Assembly Bill No. 566.

SHERRY L. RODRIGUEZ
Assistant Secretary of the Senate

UNFINISHED BUSINESS

CONSIDERATION OF SENATE AMENDMENTS

Assembly Bill No. 313.

The following Senate amendment was read:

Amendment No. 572.

JOINT SPONSOR: SENATOR GUSTAVSON

AN ACT relating to child custody; providing for the expiration by operation of law of certain orders modifying custody and visitation of children for persons who are members of the military; authorizing a court to

delegate the visitation rights of a member of the military to a family member of the member of the military under certain circumstances; requiring a court, under certain circumstances, to provide an expedited hearing concerning custody or visitation matters to allow participation in such a hearing by affidavit or electronic means, or to both hold an expedited hearing and allow such participation; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that an award of child custody or visitation may only be made by considering the best interest of the child. (NRS 125.480, 125C.010) Existing law further provides that the court is authorized, with certain exceptions, to modify its order at any time. (NRS 125.510) **Section 10** of this bill prohibits a court from entering a final order modifying the terms of an existing custody or visitation order of a parent or legal guardian who is a member of the military and who has received mandatory written orders for deployment until 90 days after the deployment ends. **Section 11** of this bill provides that deployment or the potential for future deployment of a parent or legal guardian must not, by itself, constitute a substantial change sufficient to justify a permanent modification of a custody or visitation order.

Section 12 of this bill authorizes a court to modify a custody or visitation order to reasonably accommodate the deployment of a parent or legal guardian and deems any such modification to be a temporary order. **Section 13** of this bill provides, with certain exceptions, that such a temporary order expires automatically upon the completion of the deployment and the custody or visitation order that was in place before the order was modified by the temporary order is automatically reinstated.

Section 15 of this bill authorizes a court to delegate the visitation rights of the parent or legal guardian who is deployed to a family member of the parent or legal guardian under certain circumstances.

Section 14 of this bill requires a court, upon a motion of a parent or legal guardian who is deployed or has received mandatory written orders for deployment and ~~[who is prevented by military duties from appearing]~~ **whose ability, or anticipated ability, to appear** in person at a regularly scheduled hearing concerning custody or visitation matters ~~[,]~~ **is materially affected by his or her military duties,** to: (1) hold an expedited hearing; (2) allow the parent or legal guardian to present testimony and evidence by affidavit or electronic means; or (3) both hold an expedited hearing and allow testimony and evidence to be presented by affidavit or electronic means.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 125.510 is hereby amended to read as follows:

125.510 1. In determining the custody of a minor child in an action brought pursuant to this chapter, the court may, except as otherwise provided in this section and chapter 130 of NRS ~~[.]~~ ***and sections 3 to 20, inclusive, of this act:***

(a) During the pendency of the action, at the final hearing or at any time thereafter during the minority of any of the children of the marriage, make such an order for the custody, care, education, maintenance and support of the minor children as appears in their best interest; and

(b) At any time modify or vacate its order, even if the divorce was obtained by default without an appearance in the action by one of the parties.

➥ The party seeking such an order shall submit to the jurisdiction of the court for the purposes of this subsection. The court may make such an order upon the application of one of the parties or the legal guardian of the minor.

2. Any order for joint custody may be modified or terminated by the court upon the petition of one or both parents or on the court's own motion if it is shown that the best interest of the child requires the modification or termination. The court shall state in its decision the reasons for the order of modification or termination if either parent opposes it.

3. Any order for custody of a minor child or children of a marriage entered by a court of another state may, subject to ***the provisions of sections 3 to 20, inclusive, of this act and to*** the jurisdictional requirements in chapter 125A of NRS, be modified at any time to an order of joint custody.

4. A party may proceed pursuant to this section without counsel.

5. Any order awarding a party a limited right of custody to a child must define that right with sufficient particularity to ensure that the rights of the parties can be properly enforced and that the best interest of the child is achieved. The order must include all specific times and other terms of the limited right of custody. As used in this subsection, "sufficient particularity" means a statement of the rights in absolute terms and not by the use of the term "reasonable" or other similar term which is susceptible to different interpretations by the parties.

6. All orders authorized by this section must be made in accordance with the provisions of chapter 125A of NRS ***and sections 3 to 20, inclusive, of this act*** and must contain the following language:

PENALTY FOR VIOLATION OF ORDER: THE ABDUCTION, CONCEALMENT OR DETENTION OF A CHILD IN VIOLATION OF THIS ORDER IS PUNISHABLE AS A CATEGORY D FELONY AS PROVIDED IN NRS 193.130. NRS 200.359 provides that every person having a limited right of custody to a child or any parent having no right of custody to the child who willfully detains, conceals or removes the child from a parent, guardian or other person having lawful custody or a right of visitation of the child in violation of an order of this court, or removes the child from the jurisdiction of the court without the consent of either the court or all persons who have the right to custody or visitation is subject to being punished for a category D felony as provided in NRS 193.130.

7. In addition to the language required pursuant to subsection 6, all orders authorized by this section must specify that the terms of the Hague Convention of October 25, 1980, adopted by the 14th Session of the Hague

Conference on Private International Law, apply if a parent abducts or wrongfully retains a child in a foreign country.

8. If a parent of the child lives in a foreign country or has significant commitments in a foreign country:

(a) The parties may agree, and the court shall include in the order for custody of the child, that the United States is the country of habitual residence of the child for the purposes of applying the terms of the Hague Convention as set forth in subsection 7.

(b) Upon motion of one of the parties, the court may order the parent to post a bond if the court determines that the parent poses an imminent risk of wrongfully removing or concealing the child outside the country of habitual residence. The bond must be in an amount determined by the court and may be used only to pay for the cost of locating the child and returning the child to his or her habitual residence if the child is wrongfully removed from or concealed outside the country of habitual residence. The fact that a parent has significant commitments in a foreign country does not create a presumption that the parent poses an imminent risk of wrongfully removing or concealing the child.

9. Except where a contract providing otherwise has been executed pursuant to NRS 123.080, the obligation for care, education, maintenance and support of any minor child created by any order entered pursuant to this section ceases:

(a) Upon the death of the person to whom the order was directed; or

(b) When the child reaches 18 years of age if the child is no longer enrolled in high school, otherwise, when the child reaches 19 years of age.

10. As used in this section, a parent has "significant commitments in a foreign country" if the parent:

(a) Is a citizen of a foreign country;

(b) Possesses a passport in his or her name from a foreign country;

(c) Became a citizen of the United States after marrying the other parent of the child; or

(d) Frequently travels to a foreign country.

Sec. 2. Chapter 125C of NRS is hereby amended by adding thereto the provisions set forth as sections 3 to 20, inclusive, of this act.

Sec. 3. ***As used in sections 3 to 20, inclusive, of this act, unless the context otherwise requires, the words and terms defined in sections 4 to 9, inclusive, of this act have the meanings ascribed to them in those sections.***

1. A judgment, decree or order issued by a court of competent jurisdiction in this State which provides for custody or visitation with respect to a child; and

2. A judgment, decree or order issued by a court of another state which provides for custody or visitation with respect to a child if the judgment, decree or order has been registered in this State pursuant to NRS 125A.465.

Sec. 5. ***"Deployment" means the transfer or reassignment of a member of the military, unaccompanied by any family member, on active duty status in support of combat or another military operation, including, without limitation, temporary duty. The term does not include annual training of a reserve component of the Armed Forces of the United States or of the National Guard.***

Except as otherwise provided in subsection 2, if a parent who is a member of the military and who has been awarded sole or joint custody or visitation of a child receives mandatory written orders for deployment, the court shall not enter a final order modifying the terms of the existing custody or visitation order until 90 days after the termination of the parent's deployment.***

2. If the matter was fully adjudicated by a court before the parent's deployment, the court may enter such a final order at any time.

Sec. 11. ***Deployment or the potential for future deployment must not, by itself, constitute a substantial change in circumstances sufficient to warrant a permanent modification of a custody or visitation order.***

Sec. 12. ***1. The court may temporarily modify a custody or visitation order to reasonably accommodate the deployment of a parent. Any such modification by the court of a custody or visitation order shall be deemed a temporary order.***

2. A temporary order issued pursuant to subsection 1 must:

(a) Unless the court determines it is not in the best interest of the child, grant the parent who received orders for deployment reasonable custody or visitation during periods of approved military leave if the existing custody or visitation order granted that parent custody or visitation before deployment;

(b) Include any restrictions concerning custody or visitation set forth in the existing custody or visitation order;

(c) Specify that deployment is the reason for the modification of the existing custody or visitation order; and

(d) Require the other parent to provide the court and the parent who received orders for deployment with written notice of any change of his or her address or telephone number as soon as practicable but not later than 30 days after such change.

3. In issuing a temporary order pursuant to subsection 1, the court shall consider issuing any such appropriate temporary order as will ensure the ability of the parent who received orders for deployment to maintain frequent and continuing contact with the child by means that are reasonably available.

Sec. 13. ***1. Except as otherwise provided in subsection 2, a temporary order issued pursuant to section 12 of this act expires by operation of law upon the completion of the parent's deployment and the previous custody or visitation order is reinstated.***

2. The court may, upon a motion alleging immediate danger of irreparable harm to the child, hold an expedited hearing concerning custody or visitation upon the completion of the parent's deployment.

Sec. 14. ***1. If the military duties [prevent] of a parent who received orders for deployment [from appearing] have a material effect on the ability, or anticipated ability, of the parent to appear in person at a regularly scheduled hearing concerning any custody or visitation matters, the court shall, upon a motion of that parent and for good cause shown:***

(a) Hold an expedited hearing;

(b) Allow the parent who received orders for deployment to present testimony and evidence by affidavit or electronic means; or

(c) Both hold an expedited hearing pursuant to paragraph (a) and allow testimony and evidence to be presented pursuant to paragraph (b).

2. As used in this section, "electronic means" includes, without limitation, telephone, videoconference or the Internet.

Sec. 15. ***1. Upon a motion by the parent who received orders for deployment, the court may delegate his or her visitation rights, or a portion of those rights, to a family member of that parent who has a substantial relationship with the child if the court determines that such delegated visitation is in the best interest of the child.***

2. In determining whether visitation rights should be delegated to a family member pursuant to subsection 1, the court shall consider the factors set forth in paragraphs (a) to (i), inclusive, of subsection 6 of NRS 125C.050.

3. Any visitation rights delegated to a family member pursuant to subsection 1 terminate upon:

(a) The expiration of a temporary order pursuant to section 13 of this act; or

(b) A showing that the delegated visitation is no longer in the best interest of the child.

4. Nothing in this section increases the authority of a family member who is delegated visitation rights pursuant to subsection 1 to seek separate visitation rights of the child pursuant to NRS 125C.050.

Sec. 16. ***If a custody or visitation order has not been issued and a parent's deployment is imminent, the court shall, upon a motion of either parent, hold an expedited hearing for the purpose of issuing a temporary order establishing the custody and visitation arrangement in accordance with sections 3 to 20, inclusive, of this act.***

Assembly Bill No. 249.

The following Senate amendment was read:

Amendment No. 577.

AN ACT relating to court reporters; making various changes pertaining to the appointment, duties and work product of court reporters in the district courts and justice courts of this State; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1 of this bill provides that a business organization appointed to provide to a district court the services of a certified court reporter must be licensed by the Certified Court Reporters' Board of Nevada. (NRS 3.320) **Section 2** of this bill clarifies that an official reporter pro tempore of a district court is appointed rather than employed and, like the official reporter he or she replaces, does not have a fixed term of employment. (NRS 3.320, 3.340) **Section 3** of this bill states that prima facie evidence of the testimony and proceedings in a district court is provided by the transcript and not the report of the official reporter. (NRS 3.360) **Section 4** of this bill makes various changes with respect to the compensation of the official reporter of a district court. (NRS 3.370) **Section 5** of this bill provides that, when sound recording equipment is used to record proceedings in a district court and a transcript is subsequently made: (1) the person who transcribes the recording shall subscribe to an oath that he or she has truly and correctly transcribed the proceedings as recorded; and (2) the person who operates the sound recording equipment shall subscribe to an oath that the sound recording is a true and accurate recording of the proceedings and, in the event of an error, malfunction or other problem relating to the sound recording equipment or the sound recording, report that error, malfunction or problem to the court. **Section 5 also requires a copy of a sound recording, if requested, to be provided with a requested transcript. The cost for providing the recording must not exceed the actual cost of producing the recording and must be paid by the party who requests the recording.** (NRS 3.380) **Section 6** of this bill states that, with regard to proceedings in a justice court, compensation for the preparation of a transcript is to be deposited with the certified court reporter and not with the deputy clerk of the court. (NRS 4.410) **Section 7** of this bill provides that: (1) the sound recording of each proceeding in justice court must be preserved until at least 1 year, instead of 30 days, after the time for filing an appeal expires; and (2) with respect to certain criminal proceedings in a justice court, sound recordings must be preserved for a period of at least 8 years. (NRS 4.420)

Assembly Bill No. 109.

The following Senate amendment was read:

Amendment No. 558.

AN ACT relating to secured transactions; enacting the amendments to Article 9 of the Uniform Commercial Code; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law contains Article 9 of the Uniform Commercial Code, the uniform law governing secured transactions. This bill enacts the 2010 amendments to Article 9.

Sections 2-9 and 25 of this bill provide that the amendments to Article 9 become effective on July 1, 2013, and enact the transitional rules included in those amendments.

Section 10 of this bill enacts the uniform amendments to the definitions of certain terms which are defined for the purposes of Article 9.

Existing law provides that a secured party may perfect a security interest in electronic chattel paper by obtaining control of the electronic chattel paper. **Section 11** of this bill enacts the uniform amendments to the rule governing whether a secured party has such control.

Existing law provides that, in certain circumstances, the law of the jurisdiction in which a debtor is located governs the perfection and priority of a security interest. (NRS 104.9301) **Section 12** of this bill enacts the uniform amendments to the rules for determining the location of an organization that is organized under the law of the United States and the location of a branch or agency of a bank that is not organized under the law of the United States or a state.

Section 13 of this bill enacts the uniform amendments to the rules governing the perfection of a security interest in property covered by a certificate of title.

Section 14 of this bill enacts the uniform amendments governing the perfection of a security interest that attaches before a debtor changes location and the perfection of a security interest when a new debtor becomes bound by a security agreement entered into by another person.

Section 15 of this bill enacts the uniform amendments to certain provisions governing the circumstances under which a buyer of property takes the property free of security interests.

Section 16 of this bill enacts the uniform amendments to provisions concerning the priority of security interests created by a new debtor who becomes bound by a security agreement entered into by another person.

Existing law requires a financing statement to be filed to perfect a security interest in certain circumstances. (NRS 104.9310) To be sufficient, a

financing statement must contain the name of the debtor. (NRS 104.9502) **Section 19** of this bill enacts the uniform amendments to the rules for determining whether a financing statement sufficiently provides the name of the debtor. **Section 20** of this bill enacts the uniform amendments to rules governing the effectiveness of a financing statement when, at the time the financing statement was filed, the debtor's name was sufficiently provided but, at a later date, the debtor's name is no longer sufficiently provided.

(NRS 104.9515) **Section 21** of this bill provides that such a financing statement does not lapse only if the initial financing statement states that the debtor is a transmitting utility.

Section 22 of this bill enacts the uniform amendments to the circumstances under which a filing office may refuse to accept a financing statement.

Existing law authorizes a debtor to file a correction statement if the debtor believes that a record indexed under the debtor's name is inaccurate or was wrongfully filed. Under existing law, the correction statement is informational and does not affect the effectiveness of a financing statement. (NRS 104.9518) **Section 23** of this bill enacts the uniform amendment that authorizes a secured party to file ~~[a]~~ **an information** statement ~~[of claim]~~ under certain circumstances.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 104 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 9, inclusive, of this act.

Sec. 2. ***1. Except as otherwise provided in sections 2 to 9, inclusive, of this act, this article as amended applies to a transaction or lien within its scope, even if the transaction or lien was entered into or created before July 1, 2013.***

2. This article as amended does not affect an action, case or proceeding commenced before July 1, 2013.

Sec. 3. ***1. A security interest that is a perfected security interest immediately before July 1, 2013, is a perfected security interest under this article if, when this article as amended takes effect, the applicable requirements for attachment and perfection under this article as amended are satisfied without further action.***

2. Except as otherwise provided in section 5 of this act, if, immediately before July 1, 2013, a security interest is a perfected security interest, but the applicable requirements for perfection under this article as amended are not satisfied on July 1, 2013, the security interest remains perfected

thereafter only if the applicable requirements for perfection under this article as amended are satisfied within 1 year after July 1, 2013.

Sec. 4. *A security interest that is an unperfected security interest immediately before July 1, 2013, becomes a perfected security interest:*

1. Without further action, on that date if the applicable requirements for perfection under this article as amended are satisfied before or at that time; or

2. When the applicable requirements for perfection are satisfied if the requirements are satisfied after that time.

Sec. 5. *1. The filing of a financing statement before July 1, 2013, is effective to perfect a security interest to the extent the filing would satisfy the applicable requirements for perfection under this article as amended.*

2. This article as amended does not render ineffective an effective financing statement that, before July 1, 2013, is filed and satisfies the applicable requirements for perfection under the law of the jurisdiction governing perfection as provided in this article before amendment. However, except as otherwise provided in subsections 3 and 4 and section 6 of this act, the financing statement ceases to be effective:

(a) If the financing statement is filed in this State, at the time the financing statement would have ceased to be effective had this article as amended not taken effect; or

(b) If the financing statement is filed in another jurisdiction, at the earlier of:

(1) The time the financing statement would have ceased to be effective under the law of that jurisdiction; or

(2) June 30, 2018.

3. The filing of a continuation statement on or after July 1, 2013, does not continue the effectiveness of the financing statement filed before that date. However, upon the timely filing of a continuation statement on or after July 1, 2013, and in accordance with the law of the jurisdiction governing perfection as provided in this article as amended, the effectiveness of a financing statement filed in the same office in that jurisdiction before July 1, 2013, continues for the period provided by the law of that jurisdiction.

4. Subparagraph (2) of paragraph (b) of subsection 2 applies to a financing statement that, before July 1, 2013, is filed against a transmitting utility and satisfies the applicable requirements for perfection under the law of the jurisdiction governing perfection as provided in this article before amendment, only to the extent that this article as amended provides that the law of a jurisdiction other than the jurisdiction in which the financing statement is filed governs perfection of a security interest in collateral covered by the financing statement.

5. A financing statement that includes a financing statement filed before July 1, 2013, and a continuation statement filed on or after July 1, 2013, is effective only to the extent that it satisfies the requirements of part

5 for an initial financing statement. A financing statement which indicates that the debtor is a decedent's estate indicates that the collateral is being administered by a personal representative within the meaning of paragraph (b) of subsection 1 of NRS 104.9503. A financing statement which indicates that the debtor is a trust or a trustee acting with respect to property held in trust indicates that the collateral is held in a trust within the meaning of paragraph (c) of subsection 1 of NRS 104.9503.

Sec. 6. *1. The filing of an initial financing statement in the office specified in NRS 104.9501 continues the effectiveness of a financing statement filed before July 1, 2013, if:*

(a) The filing of an initial financing statement in that office would be effective to perfect a security interest under this article as amended;

(b) The pre-effective-date financing statement was filed in an office in another state; and

(c) The initial financing statement satisfies subsection 3.

2. The filing of an initial financing statement under subsection 1 continues the effectiveness of the pre-effective-date financing statement:

(a) If the initial financing statement is filed before July 1, 2013, for the period provided in NRS 104.9515, as it existed before July 1, 2013, with respect to an initial financing statement; and

(b) If the initial financing statement is filed on or after July 1, 2013, for the period provided in NRS 104.9515 with respect to an initial financing statement.

3. To be effective for purposes of subsection 1, an initial financing statement must:

(a) Satisfy the requirements of part 5 for an initial financing statement;

(b) Identify the pre-effective-date financing statement by indicating the office in which the financing statement was filed and providing the dates of filing and file numbers, if any, of the financing statement and of the most recent continuation statement filed with respect to the financing statement; and

(c) Indicate that the pre-effective-date financing statement remains effective.

Sec. 7. *1. In this section, "pre-effective-date financing statement" means a financing statement filed before July 1, 2013.*

2. On or after July 1, 2013, a person may add or delete collateral covered by, continue or terminate the effectiveness of, or otherwise amend the information provided in, a pre-effective-date financing statement only in accordance with the law of the jurisdiction governing perfection as provided in this article as amended. However, the effectiveness of a pre-effective-date financing statement also may be terminated in accordance with the law of the jurisdiction in which the financing statement is filed.

3. Except as otherwise provided in subsection 4, if the law of this State governs perfection of a security interest, the information in a pre-effective-date financing statement may be amended on or after July 1, 2013, only if:

(a) The pre-effective-date financing statement and an amendment are filed in the office specified in NRS 104.9501;

(b) An amendment is filed in the office specified in NRS 104.9501 concurrently with, or after the filing in that office of, an initial financing statement that satisfies subsection 3 of section 6 of this act; or

Sec. 13. NRS 104.9311 is hereby amended to read as follows:

104.9311 1. Except as otherwise provided in subsection 4, the filing of a financing statement is not necessary or effective to perfect a security interest in property subject to:

(a) A statute, regulation or treaty of the United States whose requirements for a security interest's obtaining priority over the rights of a lien creditor with respect to the property preempt subsection 1 of NRS 104.9310;

(b) Chapter 105 of NRS, NRS 482.423 to 482.431, inclusive, 488.1793 to 488.1827, inclusive, and 489.501 to 489.581, inclusive; or

(c) A ~~[certificate of title]~~ statute of another jurisdiction which provides for a security interest to be indicated on ~~[the]~~ ***a*** certificate ***of title*** as a condition or result of the security interest's obtaining priority over the rights of a lien creditor with respect to the property.

2. Compliance with the requirements of a statute, regulation or treaty described in subsection 1 for obtaining priority over the rights of a lien creditor is equivalent to the filing of a financing statement under this article. Except as otherwise provided in subsection 4, NRS 104.9313 and subsections 4 and 5 of NRS 104.9316 for goods covered by a certificate of title, a security interest in property subject to a statute, regulation or treaty described in subsection 1 may be perfected only by compliance with those requirements, and a security interest so perfected remains perfected notwithstanding a change in the use or transfer of possession of the collateral.

3. Except as otherwise provided in subsection 4 and subsections 4 and 5 of NRS 104.9316, duration and renewal of perfection of a security interest perfected by compliance with the requirements prescribed by a statute, regulation or treaty described in subsection 1 are governed by the statute, regulation or treaty. In other respects, the security interest is subject to this article.

4. During any period in which collateral subject to a statute specified in paragraph (b) of subsection 1 is inventory held for sale or lease by a person or leased by that person as lessor and that person is in the business of selling goods of that kind, this section does not apply to a security interest in that collateral created by that person.

Sec. 14. NRS 104.9316 is hereby amended to read as follows:

104.9316 1. A security interest perfected pursuant to the law of the jurisdiction designated in subsection 1 of NRS 104.9301 or subsection 3 of NRS 104.9305 remains perfected until the earliest of:

(a) The time perfection would have ceased under the law of that jurisdiction;

(b) The expiration of 4 months after a change of the debtor's location to another jurisdiction; or

(c) The expiration of 1 year after a transfer of collateral to a person that thereby becomes a debtor and is located in another jurisdiction.

2. If a security interest described in subsection 1 becomes perfected under the law of the other jurisdiction before the earliest time or event described in that subsection, it remains perfected thereafter. If the security interest does not become perfected under the law of the other jurisdiction before the earliest time or event, it becomes unperfected and is deemed never to have been perfected as against a purchaser of the collateral for value.

3. A possessory security interest in collateral, other than goods covered by a certificate of title and as-extracted collateral consisting of goods, remains continuously perfected if:

(a) The collateral is located in one jurisdiction and subject to a security interest perfected under the law of that jurisdiction;

(b) Thereafter the collateral is brought into another jurisdiction; and

(c) Upon entry into the other jurisdiction, the security interest is perfected under the law of the other jurisdiction.

4. Except as otherwise provided in subsection 5, a security interest in goods covered by a certificate of title which is perfected by any method under the law of another jurisdiction when the goods become covered by a certificate of title from this State remains perfected until the security interest would have become unperfected under the law of the other jurisdiction had the goods not become so covered.

5. A security interest described in subsection 4 becomes unperfected as against a purchaser of the goods for value and is deemed never to have been perfected as against a purchaser of the goods for value if the applicable requirements for perfection under subsection 2 of NRS 104.9311 or under NRS 104.9313 are not satisfied before the earlier of:

(a) The time the security interest would have become unperfected under the law of the other jurisdiction had the goods not become covered by a certificate of title from this State; or

(b) The expiration of 4 months after the goods had become so covered.

6. A security interest in deposit accounts, letter-of-credit rights or investment property which is perfected under the law of the bank's jurisdiction, the issuer's jurisdiction, a nominated person's jurisdiction, the securities intermediary's jurisdiction or the commodity intermediary's jurisdiction, as applicable, remains perfected until the earlier of:

(a) The time the security interest would have become unperfected under the law of that jurisdiction; or

(b) The expiration of 4 months after a change of the applicable jurisdiction to another jurisdiction.

7. If a security interest described in subsection 6 becomes perfected under the law of the other jurisdiction before the earlier of the time or the end of the period described in that subsection, it remains perfected thereafter. If the security interest does not become perfected under the law of the other jurisdiction before the earlier of that time or the end of that period, it becomes unperfected and is deemed never to have been perfected as against a purchaser of the collateral for value.

8. The following rules apply to collateral to which a security interest attaches within 4 months after the debtor changes its location to another jurisdiction:

(a) A financing statement filed before the change pursuant to the law of the jurisdiction designated in subsection 1 of NRS 104.9301 or subsection 3 of NRS 104.9305 is effective to perfect a security interest in the collateral if the financing statement would have been effective to perfect a security interest in the collateral if the debtor had not changed its location.

(b) If a security interest perfected by a financing statement that is effective under paragraph (a) becomes perfected under the law of the other jurisdiction before the earlier of the time the financing statement would have become ineffective under the law of the jurisdiction designated in subsection 1 of NRS 104.9301 or subsection 3 of NRS 104.9305 or the expiration of the 4-month period, it remains perfected thereafter. If the security interest does not become perfected under the law of the other jurisdiction before the earlier time or event, it becomes unperfected and is deemed never to have been perfected as against a purchaser of the collateral for value.

9. If a financing statement naming an original debtor is filed pursuant to the law of the jurisdiction designated in subsection 1 of NRS 104.9301 or subsection 3 of NRS 104.9305 and the new debtor is located in another jurisdiction, the following rules apply:

(a) The financing statement is effective to perfect a security interest in collateral acquired by the new debtor before, and within 4 months after, the new debtor becomes bound under subsection 4 of NRS 104.9203, if the financing statement would have been effective to perfect a security interest in the collateral had the collateral been acquired by the original debtor.

(b) A security interest perfected by the financing statement which becomes perfected under the law of the other jurisdiction before the earlier of the time the financing statement would have become ineffective under the law of the jurisdiction designated in subsection 1 of NRS 104.9301 or subsection 3 of NRS 104.9305 or the expiration of the 4-month period remains perfected thereafter. A security interest that is perfected by the financing statement but which does not become perfected under the law of the other jurisdiction before the earlier time or event becomes unperfected and is deemed never to have been perfected as against a purchaser of the collateral for value.

Sec. 15. NRS 104.9317 is hereby amended to read as follows:

104.9317 1. A security interest or agricultural lien is subordinate to the rights of:

(a) A person entitled to priority under NRS 104.9322; and

(b) A person that becomes a lien creditor before the earlier of the time:

(1) The security interest or agricultural lien is perfected; or

(2) One of the conditions specified in paragraph (c) of subsection 2 of NRS 104.9203 is met and a financing statement covering the collateral is filed.

2. Except as otherwise provided in subsection 5, a buyer, other than a secured party, of tangible chattel paper, tangible documents, goods, instruments, or a ~~[security certificate]~~ ***certificated security*** takes free of a security interest or agricultural lien if the buyer gives value and receives delivery of the collateral without knowledge of the security interest or agricultural lien and before it is perfected.

3. Except as otherwise provided in subsection 5, a lessee of goods takes free of a security interest or agricultural lien if the lessee gives value and receives delivery of the collateral without knowledge of the security interest or agricultural lien and before it is perfected.

4. A licensee of a general intangible or a buyer, other than a secured party, of ~~[accounts, electronic chattel paper, electronic documents, general intangibles or investment property]~~ ***collateral*** other than ***tangible chattel paper, tangible documents, goods, instruments or*** a certificated security takes free of a security interest if the licensee gives value without knowledge of the security interest and before it is perfected.

5. Except as otherwise provided in NRS 104.9320 and 104.9321, if a person files a financing statement with respect to a purchase-money security interest before or within 20 days after the debtor receives delivery of the collateral, the security interest takes priority over the rights of a buyer, lessee or lien creditor which arise between the time the security interest attaches and the time of filing.

Sec. 16. NRS 104.9326 is hereby amended to read as follows:

104.9326 1. Subject to subsection 2, a security interest ***that is*** created by a new debtor ~~[which is]~~ ***in collateral in which the new debtor has or acquires rights and is*** perfected ***solely*** by a filed financing statement that ~~[is effective solely under NRS 104.9508 in collateral in which a new debtor has or acquires rights]~~ ***would be ineffective to perfect the security interest but for the application of paragraph (a) of subsection 9 of NRS 104.9316 or NRS 104.9508*** is subordinate to a security interest in the same collateral which is perfected other than by ***such*** a filed financing statement ***.*** ~~[that is effective solely under that section.]~~

2. The other provisions of this part determine the priority among conflicting security interests in the same collateral perfected by filed financing statements ~~[that are effective solely under NRS 104.9508.]~~ ***described in subsection 1.*** However, if the security agreements to which a new debtor became bound as debtor were not entered into by the same

original debtor, the conflicting security interests rank according to priority in time of the new debtor's having become bound.

Sec. 17. NRS 104.9406 is hereby amended to read as follows:

104.9406 1. Subject to subsections 2 to 8, inclusive, an account debtor on an account, chattel paper or a payment intangible may discharge its obligation by paying the assignor until, but not after, the account debtor receives a notification, authenticated by the assignor or the assignee, that the amount due or to become due has been assigned and that payment is to be made to the assignee. After receipt of the notification, the account debtor may discharge its obligation by paying the assignee and may not discharge the obligation by paying the assignor.

2. Subject to subsection 8, notification is ineffective under subsection 1:

(a) If it does not reasonably identify the rights assigned;

(b) To the extent that an agreement between an account debtor and a seller of a payment intangible limits the account debtor's duty to pay a person other than the seller and the limitation is effective under law other than this article; or

(c) At the option of an account debtor, if the notification notifies the account debtor to make less than the full amount of any installment or other periodic payment to the assignee, even if:

(1) Only a portion of the account, chattel paper or payment intangible has been assigned to that assignee;

(2) A portion has been assigned to another assignee; or

(3) The account debtor knows that the assignment to that assignee is limited.

3. Subject to subsection 8, if requested by the account debtor, an assignee shall seasonably furnish reasonable proof that the assignment has been made. Unless the assignee complies, the account debtor may discharge its obligation by paying the assignor, even if the account debtor has received a notification under subsection 1.

4. Except as otherwise provided in subsection 5 and NRS 104.9407 and 104A.2303, and subject to subsection 8, a term in an agreement between an account debtor and an assignor or in a promissory note is ineffective to the extent that it:

(a) Prohibits, restricts or requires the consent of the account debtor or person obligated on the promissory note to the assignment or transfer of, or the creation, attachment, perfection or enforcement of a security interest in, the account, chattel paper, payment intangible or promissory note; or

(b) Provides that the assignment or transfer, or the creation, attachment, perfection or enforcement of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the account, chattel paper, payment intangible or promissory note.

5. Subsection 4 does not apply to the sale of a payment intangible or promissory note ~~[.]~~ ***, other than a sale pursuant to a disposition under NRS 104.9610 or an acceptance of collateral under NRS 104.9620.***

6. Subject to subsections 7 and 8, a rule of law, statute, or regulation, that prohibits, restricts, or requires the consent of a government, governmental body or official, or account debtor to the assignment or transfer of, or creation of a security interest in, an account or chattel paper is ineffective to the extent that the rule of law, statute or regulation:

(a) Prohibits, restricts, or requires the consent of the government, governmental body or official, or account debtor to the assignment or transfer of, or the creation, attachment, perfection, or enforcement of a security interest in, the account or chattel paper; or

(b) Provides that the assignment or transfer, or the creation, attachment, perfection, or enforcement of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the account or chattel paper.

7. Subject to subsection 8, an account debtor may not waive or vary its option under paragraph (c) of subsection 2.

8. This section is subject to law other than this article which establishes a different rule for an account debtor who is ~~[an individual]~~ ***a natural person*** and who incurred the obligation primarily for personal, family or household purposes.

9. This section does not apply to an assignment of a health-care-insurance receivable or to a transfer of a right to receive payments pursuant to NRS 42.030.

Sec. 18. NRS 104.9408 is hereby amended to read as follows:

104.9408 1. Except as otherwise provided in subsection 2, a term in a promissory note or in an agreement between an account debtor and a debtor which relates to a health-care-insurance receivable or a general intangible, including a contract, permit, license or franchise, and prohibits, restricts or requires the consent of the person obligated on the promissory note or the account debtor to, the assignment or transfer of, or creation, attachment, or perfection of a security interest in, the promissory note, health-care-insurance receivable or general intangible, is ineffective to the extent that the term:

(a) Would impair the creation, attachment or perfection of a security interest; or

(b) Provides that the assignment or transfer, or the creation, attachment or perfection of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination or remedy under the promissory note, health-care-insurance receivable or general intangible.

2. Subsection 1 applies to a security interest in a payment intangible or promissory note only if the security interest arises out of a sale of the payment intangible or promissory note ~~[.]~~ ***, other than a sale pursuant to a***

disposition under NRS 104.9610 or an acceptance of collateral under NRS 104.9620.

3. A rule of law, statute, or regulation that prohibits, restricts, or requires the consent of a government, governmental body or official, person obligated on a promissory note, or account debtor to the assignment or transfer of, or creation of a security interest in, a promissory note, health-care-insurance receivable or general intangible, including a contract, permit, license or franchise between an account debtor and a debtor, is ineffective to the extent that the rule of law, statute or regulation:

(a) Would impair the creation, attachment or perfection of a security interest; or

(b) Provides that the assignment or transfer, or the creation, attachment or perfection of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination or remedy under the promissory note, health-care-insurance receivable or general intangible.

4. To the extent that a term in a promissory note or in an agreement between an account debtor and a debtor which relates to a health-care-insurance receivable or general intangible or a rule of law, statute, or regulation described in subsection 3 would be effective under law other than this article but is ineffective under subsection 1 or 3, the creation, attachment or perfection of a security interest in the promissory note, health-care-insurance receivable or general intangible:

(a) Is not enforceable against the person obligated on the promissory note or the account debtor;

(b) Does not impose a duty or obligation on the person obligated on the promissory note or the account debtor;

(c) Does not require the person obligated on the promissory note or the account debtor to recognize the security interest, pay or render performance to the secured party or accept payment or performance from the secured party;

(d) Does not entitle the secured party to use or assign the debtor's rights under the promissory note, health-care-insurance receivable or general intangible, including any related information or materials furnished to the debtor in the transaction giving rise to the promissory note, health-care-insurance receivable or general intangible;

(e) Does not entitle the secured party to use, assign, possess or have access to any trade secrets or confidential information of the person obligated on the promissory note or the account debtor; and

(f) Does not entitle the secured party to enforce the security interest in the promissory note, health-care-insurance receivable or general intangible.

(d) The mortgage is recorded.

4. A financing statement may be filed before a security agreement is made or a security interest otherwise attaches.

Sec. 21. NRS 104.9515 is hereby amended to read as follows:

104.9515 1. Except as otherwise provided in subsections 2, 5, 6 and 7, a filed financing statement is effective for a period of 5 years after the date of filing.

3. The effectiveness of a filed financing statement lapses on the expiration of the period of its effectiveness unless before the lapse a continuation statement is filed pursuant to subsection 4. Upon lapse, a financing statement ceases to be effective and any security interest or agricultural lien that was perfected by the financing statement becomes unperfected, unless the security interest is perfected otherwise. If the security interest or agricultural lien becomes unperfected upon lapse, it is deemed never to have been perfected as against a purchaser of the collateral for value.

4. A continuation statement may be filed only within 6 months before the expiration of the 5-year period specified in subsection 1 or the 30-year period specified in subsection 2, whichever is applicable.

Upon the expiration of the 5-year period, the financing statement lapses in the same manner as provided in subsection 3, unless, before the lapse, another continuation statement is filed pursuant to subsection 4. Legislative Counsel's Digest:

Under existing law, the high school proficiency examination is administered to pupils enrolled in high school in the subject areas of reading, mathematics, science and writing. (NRS 389.015, 389.550) Also under existing law, unless a pupil satisfies certain alternative criteria, passage of the

high school proficiency examination in its entirety is required for receipt of a standard high school diploma. (NRS 389.805) Existing administrative regulations of the State Board of Education set forth the times for the administration of the high school proficiency examination beginning with grade 10. (NAC 389.051) **Section 4** of this bill authorizes the principal of a high school or the principal's designee to postpone the administration of the high school proficiency examination in the subject area of mathematics or science, or both, for a pupil enrolled in grade 10 for not more than 1 year if: (1) the principal or the principal's designee and the pupil's teacher who provides instruction in the applicable subject area determine **, based upon the criteria for grading established by the school district for the applicable subject area,** that the pupil is not academically ready to take the examination **; [**~~, based upon a determination that the pupil is not achieving at least 79 percent competency in the applicable subject area;~~**]** and (2) the parent or legal guardian of the pupil agrees in writing that the pupil is not academically ready for that subject area of the examination. If the administration of the examination is postponed, the pupil's academic plan for high school must be revised to ensure that: (1) the pupil is enrolled in or scheduled to enroll in the appropriate course work for his or her grade level and receives the necessary preparation to enable the pupil to take the subject area of the high school proficiency examination which was postponed; and (2) the pupil participates in the statewide program to prepare pupils for the high school proficiency examination or enrolls in a course of study offered by the board of trustees of the school district designed to assist pupils with passing the high school proficiency examination.

Effective on July 1, 2011, existing law authorizes the board of trustees of each school district to require the administration of district-wide tests, examinations and assessments that are in addition to any other test, examination or assessment that is required by state or federal law. (NRS 389.006) **Section 4.5** of this bill authorizes the board of trustees of each school district to administer the practice test of the high school proficiency examination to pupils enrolled in high school.

In addition to any other test, examination or assessment required by state or federal law, the board of trustees of each school district may require the administration of district-wide tests, examinations and assessments ***, including, without limitation, the practice test of the high school proficiency examination to pupils enrolled in high school,*** that the board of trustees determines are vital to measure the achievement and progress of pupils. In making this determination, the board of trustees shall consider any applicable findings and recommendations of the Legislative Committee on Education.

2. The tests, examinations and assessments required pursuant to subsection 1 must be limited to those which can be demonstrated to provide a direct benefit to pupils or which are used by teachers to improve instruction and the achievement of pupils.

3. The board of trustees of each school district and the State Board shall periodically review the tests, examinations and assessments administered to pupils to ensure that the time taken from instruction to conduct a test,

(b) Accepts the results of a national norm-referenced achievement examination taken by the pupil; or

(c) Establishes an alternative test for the pupil which demonstrates proficiency in the subject areas tested on the high school proficiency examination, and the pupil successfully passes that test.

7. The State Board shall prescribe standard examinations of achievement and proficiency to be administered pursuant to subsection 1. The high school proficiency examination must include the subjects of reading, mathematics and science and, except for the writing portion prescribed pursuant to NRS 389.550, must be developed, printed and scored by a nationally recognized testing company in accordance with the process established by the testing company. The examinations on reading, mathematics and science prescribed for grades 4, 7 and 10 must be selected from examinations created by private entities and administered to a national reference group, and must allow for a comparison of the achievement and proficiency of pupils in grades 4, 7 and 10 in this State to that of a national reference group of pupils in grades 4, 7 and 10. The questions contained in the examinations and the approved answers used for grading them are confidential, and disclosure is unlawful except:

Amendment No. 622.

SUMMARY—Revises provisions governing ~~[athletics in public schools.]~~ **the participation by pupils and youths in certain sports activities.** (BDR 34-1137)

AN ACT relating to ~~[education;]~~ **public safety;** requiring the Nevada Interscholastic Activities Association and the board of trustees of each school district to adopt policies concerning the prevention and treatment of injuries to the head sustained by pupils while participating in sports and other athletic activities and events; **requiring certain organizations for youth sports in this State to adopt a similar policy;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the county school districts to form a nonprofit association to be known as the Nevada Interscholastic Activities Association for the purposes of controlling, supervising and regulating all interscholastic athletic events and other interscholastic events in the public schools. (NRS 386.420-386.470) **Section 1** of this bill requires the Association to adopt a policy concerning the prevention and treatment of injuries to the head which may occur during a pupil's participation in interscholastic activities and events, including, without limitation, concussion of the brain. The policy must require that a pupil who sustains or is suspected of sustaining an injury to the head while participating in such an activity or event: (1) be immediately removed from the activity or event; and (2) may not return to the activity or event unless the parent or legal guardian of the pupil provides a written statement from a provider of health care indicating that the pupil is medically cleared to participate and the date on which the pupil may return to the activity or event. A pupil who participates in interscholastic activities and events and his or her parent or legal guardian must sign a form acknowledging that they have received a copy of the policy and understand its terms and conditions before the pupil's participation in the activity or event and must sign the form on an annual basis thereafter. **Section 2** of this bill requires the board of trustees of each school district to adopt a similar policy for the participation of pupils in competitive sports within the school district which are not governed by the Association. **Section 2.2 of this bill requires each organization for youth sports that sanctions or sponsors competitive sports for youths in this State to adopt a similar policy for the participation of youths in those competitive sports sanctioned or sponsored by the organization.**

WHEREAS, A concussion is a brain injury that results from a bump, blow or jolt to the head or body which causes the brain to move rapidly in the skull and which disrupts normal brain function; and

WHEREAS, The Centers for Disease Control and Prevention of the United States Department of Health and Human Services estimates that as many as 3.8 million concussions occur each year in the United States which are related to participation in sports and other recreational activities; and

WHEREAS, Children who continue to participate in an athletic activity while suffering from a concussion or suffering from the symptoms of an injury to the head are at a greater risk for catastrophic injury to the brain or even death; and

WHEREAS, Ensuring that a child who sustains or is suspected of sustaining a concussion or other injury to the head receives the appropriate medical care before returning to an athletic activity will significantly reduce the child's risk of sustaining greater injury; now, therefore,

Assembly Bill No. 29.

The following Senate amendment was read:

Amendment No. 586.

AN ACT relating to health care; increasing the compensation of members of hospital advisory boards; revising provisions governing the staff of physicians at public hospitals; requiring certain hospitals to report information concerning the transfers of patients between hospitals to the Legislative Committee on Health Care; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes certain boards of hospital trustees of public hospitals to appoint advisory boards and limits the compensation for the service of members of advisory boards to not more than $100 per month. (NRS 450.175) **Section 1** of this bill increases the limit on compensation to an amount not to exceed ~~[$1,000]~~ **$500** per month.

Existing law requires the board of hospital trustees of a public hospital to organize a staff of physicians composed of each regularly practicing physician, podiatric physician and dentist in the county who requests staff membership and prohibits the board from discriminating against a physician, podiatric physician or dentist. (NRS 450.440, 450.430) **Section 3** of this bill provides that the staff of physicians, podiatric physicians and dentists may be required to be affiliated with the University of Nevada School of Medicine or the University of Nevada, Las Vegas, School of Dental Medicine. **However, section 3 limits the number of physicians who may be required to be so affiliated to not more than 60 percent of the staff of physicians on or before January 1, 2013, and not more than 85 percent after that date but before January 1, 2018, and in such a percentage as the board of hospital**

trustees deems appropriate thereafter. If so required, the physician, podiatric physician or dentist who requests staff membership must meet the standards in the regulations of the board of hospital trustees and hold and maintain a faculty or clinical appointment with one of the two Universities. An exception applies, however, if the board of hospital trustees enters into a contract with a physician or group of physicians to be the exclusive provider of certain services. **Section 2** of this bill further provides that if a physician loses privileges at a hospital because the physician no longer holds a faculty or clinical appointment with one of the Universities, that action shall not be deemed to be an adverse action against the physician.

Hospitals in this State are required to provide emergency services and care, and it is unlawful for a hospital or a physician working in a hospital emergency room to refuse to accept or treat a patient in need of emergency services and care. (NRS 439B.410) **Section 4** of this bill requires certain hospitals located in larger counties to provide a report of certain information to the Legislative Committee on Health Care concerning the transfer of patients from the hospital to another hospital and the availability of specialty medical services in the hospital. Such a report must be made quarterly beginning on October 15, 2011, and cover the period from July 1, 2011, through September 30, 2012.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 450.175 is hereby amended to read as follows:

450.175 1. In counties where the board of county commissioners is the board of hospital trustees, the board of hospital trustees may appoint a hospital advisory board which shall exercise powers and duties delegated to the advisory board by the board of hospital trustees.

2. Members of a hospital advisory board must be appointed by a majority vote of the board of hospital trustees and shall serve at the pleasure of the board.

Such services may include, without limitation, radiology, pathology, emergency medicine and neonatology services.

5. The provisions of subsections 2 and 3 shall not be deemed to prohibit a physician, podiatric physician or dentist who is on the staff of physicians from being affiliated with another institution of higher education.

6. The staff shall organize in a manner prescribed by the board so that there is a rotation of service among the members of the staff to give proper medical and surgical attention and service to the indigent sick, injured or maimed who may be admitted to the hospital for treatment.

Assembly Bill No. 533.

The following Senate amendment was read:

Amendment No. 588.

AN ACT relating to group homes; providing certain financial protections for residents of group homes and similar facilities; **providing a penalty;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1 of this bill prohibits the owner or administrator of a medical facility, facility for the dependent or home for individual residential care from receiving: (1) money or property devised by the will of a current or former resident of the facility or home; and (2) proceeds from a life insurance policy upon the life or body of a current or former resident of the facility or home. Under **section 1**, such an owner or administrator is deemed to have predeceased the resident and, as a result, the money, property and proceeds are then distributed to other devisees (in the case of a will) or other beneficiaries (in the case of a life insurance policy). In the event that there is no other devisee or beneficiary, the laws of this State pertaining to testate and intestate succession would control. **Section 1** does not apply in the instance in which the owner or administrator of the facility or home is the spouse, legal guardian or next of kin of the resident or former resident.

Under existing law, a principal may not name his or her provider of health care, an employee of the provider of health care or an operator or employee of a health care facility as his or her agent in a power of attorney for health care; however, an exception is set forth if the provider, operator or employee is the principal's spouse, legal guardian or next of kin. (NRS 162A.840) **Section 3** of this bill establishes a broader prohibition in the context of group homes and similar facilities, providing that a person who resides or is about to reside in a hospital, assisted living facility or facility for skilled nursing may not name such a facility or an owner, operator or employee of such a facility as his or her agent in any power of attorney for any purpose. The prohibition set forth in **section 3** does not apply if the owner, operator or employee is the resident's (principal's) spouse, legal guardian or next of kin **~~.~~ or, when certain conditions are met, if the owner, operator or employee is assisting the principal to establish eligibility for Medicaid. Section 3 further makes it a category C felony to use a power of attorney which is created for the purpose of assisting a principal to establish**

eligibility for Medicaid for any other purpose or in a manner inconsistent with the provisions of the power of attorney.

Assembly Bill No. 535.

The following Senate amendment was read:

Amendment No. 589.

AN ACT relating to residential facilities for groups; revising provisions governing the referral of persons to such facilities; requiring the State Board of Health to track certain violations and to disseminate certain information to the public; providing a civil penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

To operate a business which provides referrals to residential facilities for groups, existing law provides that a person must obtain a license from the State Board of Health. Also under existing law, a business so licensed and its employees are prohibited from referring a person to a residential facility for groups if the facility is unlicensed or if the facility is owned by the same person who owns the business. A person who violates that prohibition is

subject to a civil penalty. Existing law does not address referrals to residential facilities for groups that are made directly by individual providers of health care, and specifically exempts medical facilities that were already licensed as of October 1, 1999. (NRS 449.0305)

Section 3 of this bill adds to the list of activities in which a business licensed to provide referrals to residential facilities for groups, and its employees, may not engage by prohibiting a business so licensed and its employees from referring a person to a residential facility for groups if the business or its employee knows or reasonably should know that the facility or its services are not appropriate for the condition of the person being referred. **Section 1** of this bill prohibits a licensed medical facility and its employees from: (1) referring a person to a residential facility for groups that is not licensed **~~[,]~~ by the Health Division of the Department of Health and Human Services;** and (2) referring a person to a residential facility for groups if the licensed medical facility or its employee knows or reasonably should know that the residential facility for groups, or the services provided by the residential facility for groups, are not appropriate for the condition of the person being referred. **"Licensed medical facility" is defined to include medical facilities and facilities for the dependent that are licensed by the Health Division and other facilities that provide medical care and treatment and which are required to be licensed by the State Board of Health.** If a licensed medical facility or an employee of the licensed medical facility violates the prohibitions established by **section 1**, the licensed medical facility is liable to the State Board of Health for a civil penalty of not more than $10,000 for a first offense, and of not less than $10,000 or more than $20,000 for a second or subsequent offense. **Section 1** also requires the State Board of Health to establish and maintain a system to track violations of **section 1** and NRS 449.0305, and directs the Board to educate the public regarding the requirements and prohibitions set forth in those sections.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 449 of NRS is hereby amended by adding thereto a new section to read as follows:

1. In addition to the requirements and prohibitions set forth in NRS 449.0305, and notwithstanding any exceptions set forth in that section, a licensed medical facility or an employee of such a medical facility shall not:

(a) Refer a person to a residential facility for groups that is not licensed ~~[,]~~ by the Health Division;

(b) Refer a person to a residential facility for groups if the licensed medical facility or its employee knows or reasonably should know that the residential facility for groups, or the services provided by the residential facility for groups, are not appropriate for the condition of the person being referred.

2. If a licensed medical facility or an employee of such a medical facility violates the provisions of subsection 1, the licensed medical facility is liable for a civil penalty to be recovered by the Attorney General in the name of the Board for the first offense of not more than $10,000 and for a second or subsequent offense of not less than $10,000 or more than $20,000. 3. A licensed nurse, social worker, physician or hospital, or a provider of geriatric care who is licensed as a nurse or social worker, may provide referrals to residential facilities for groups through a business that is licensed pursuant to this section. The Board may, by regulation, authorize a public guardian or any other person it determines appropriate to provide referrals to residential facilities for groups through a business that is licensed pursuant to this section.

4. A business that is licensed pursuant to this section or an employee of such a business shall not:

(a) Refer a person to a residential facility for groups that is not licensed.

(b) ***Refer a person to a residential facility for groups if the business or its employee knows or reasonably should know that the facility, or the services provided by the facility, are not appropriate for the condition of the person being referred.***

Unless otherwise required by federal law, the ~~[~~State~~]~~ Board ~~[~~of Health~~]~~ shall deposit all civil penalties collected pursuant to this section into a separate account in the State General Fund to be used for the enforcement of this section and the protection of the health, safety, well-being and property of residents of residential facilities for groups.

THE ONE HUNDRED AND NINTH DAY

CARSON CITY (Thursday), May 26, 2011

Assembly called to order at 1:40 p.m.

Mr. Speaker presiding.

Roll called.

All present.

Prayer by the Chaplain, Steven Brooks.

Dear Lord, I would like to make a special prayer for my colleagues and myself today, that we would be able to understand that You have assembled special people, in this special place, for this special moment.

I would like to explain that we came to fight, and we came to win, but not against one another, together as one. You see, our war is not a physical warfare; it is deeper than the eye can see. It is a spiritual warfare and is based on principalities and strongholds. Our weapons are not that of mass destruction; our weapon of choice is our tongue. Let us remember that the decisions we make in these beautiful rotundas affect every man, woman, and child in the ugliest of circumstances and in moments of temporary desperation. As we stand in the gap to protect them let us not lose sight of Your plan, O Lord. For a balanced budget will come to pass, but we will be judged on how we protected Your children in a time of great need.

Please arm us with faith, hope, and love. Give us the courage You provided Gideon's army and allow this army of 63 legislators to remember that on this day, You selected each and every one of them to serve Your people. In all of our foolishness, let us not forget that it is You whom we serve.

For it is with great honor that I serve in this army of servants and all of the great people You have provided to support us. For the greatest title one can have is that of a servant. I pray that we serve You well.

I pray this in Jesus' name.

AMEN.

Pledge of allegiance to the Flag.

Assemblyman Conklin moved that further reading of the Journal be dispensed with, and the Speaker and Chief Clerk be authorized to make the necessary corrections and additions.

Motion carried.

SPONSORS: ~~[ASSEMBLYMAN]~~ ASSEMBLYMEN Segerblom**, ATKINSON, MUNFORD AND SMITH**

AN ACT relating to traffic laws; prohibiting a person from using a cellular telephone or other handheld wireless communications device while operating a motor vehicle in certain circumstances; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing traffic laws of this State, it is a crime to engage in various activities while operating a motor vehicle or to operate a motor vehicle in a reckless or unsafe manner. (Chapters 484A-484E of NRS) **Section 1** of this bill makes it a crime for a person to manually type or enter text into a cellular telephone or other similar device, or to send or read data using any such device, while operating a motor vehicle. **Section 1** further prohibits a person from using such a device for voice communications unless the device is used with an accessory which allows the person to communicate without using his or her hands, with certain limited exceptions. **Section 1** provides an exception to the prohibitions when the cellular telephone or other device is used by certain emergency **and law enforcement** personnel and persons designated by a sheriff or chief of police or the Director of the Department of Public Safety who are acting within the course and scope of their employment. Additional exceptions apply if: (1) the person is using the cellular telephone or other device to report or request assistance relating to a medical emergency, a safety hazard or criminal activity; (2) the person is responding to a situation requiring immediate action and stopping the vehicle would be inadvisable, impractical or dangerous; or (3) the person is a licensed amateur radio operator providing communications services in connection with a disaster or emergency, participating in a drill, test, or other exercise in preparation for a disaster or emergency or otherwise communicating public information. A violation of the provisions added by **section 1** is a misdemeanor and punishable by a fine of $50 for a first offense within the immediately preceding 7 years, $100 for a second offense within the immediately preceding 7 years and $250 for a third or subsequent offense

within the immediately preceding 7 years. However, **section 4** of this bill provides that until January 1, 2012, a law enforcement officer must not issue a citation to a person for violating **section 1** but must give the person a verbal or written warning. **Section 1** further provides that a first offense will not be treated as a moving traffic violation. Additionally, if a person is convicted of a third or subsequent offense, in addition to the fine, the driver's license of the person will be suspended for 6 months. **Section 2** of this bill makes the enhanced penalty for certain traffic violations that occur in a temporary traffic control zone applicable to violations of these new crimes.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 743.

AN ACT relating to personal financial administration; providing for nonprobate transfers of property to take effect on the death of the owner of the property; establishing provisions relating to transfers of property which are found or presumed to be void and providing the effect of such transfers; providing for the independent administration of estates; revising provisions concerning the administration of trusts and estates; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Sections 1-3 of this bill provide for the exemption of certain trust property, interests or powers from execution and attachment. **Sections 6-47** of this bill provide for nonprobate transfers of property, including certain real property, at the death of the owner of the property. Specifically, **sections 41 and 42** govern the registration of property in beneficiary form and the extent to which the designation of a beneficiary may be revoked or changed during the lifetime of the owner of the property or in the owner's will. **Sections 40 and 45** set forth the rights of the beneficiary during the lifetime of the owner of the property and at the owner's death. **Sections 48-64** of this bill adopt provisions governing accounts in financial institutions in which one or more persons have an interest. **Section 49** provides that an account may: (1) be

owned by a single party or by multiple parties; and (2) include a payable-on-death beneficiary designation or an agency designation, or both. **Section 50** provides sample forms for establishing multiple-person accounts. **Section 53** provides that an account is owned by the parties during their lifetimes in accordance with each party's net contribution to the account. **Section 54** sets forth the rights of the parties with respect to an account upon the death of a party.

Existing law generally provides for the enforcement of a no-contest clause in a will or a trust. (NRS 137.005, 163.00195) **Sections 73 and 177** of this bill provide, with certain exceptions, that a devisee's or beneficiary's share may be reduced or eliminated under a no-contest clause by conduct that is set forth by the testator in the will or by the settlor in the trust. Similarly, **sections 70 and 176** of this bill provide that a disposition of property and the appointment of a fiduciary including, without limitation, a personal representative and a trustee, may be dependent on conditions set forth by the testator in a will or by the settlor in the trust. **Sections 76-144** of this bill set forth the Independent Administration of Estates Act, which allows a personal representative to administer most aspects of a decedent's estate without court supervision. Pursuant to **sections 86 and 88**, the court may: (1) grant the personal representative full authority or limited authority to administer the decedent's estate; or (2) revoke the personal representative's authority to administer the decedent's estate without court supervision. **Section 90** provides that if a personal representative is granted limited authority to administer the estate, court supervision is required for certain actions, including the sale of property of the estate, exchange of property of the estate or granting of an option to purchase property of the estate. **Section 90** further provides that if the personal representative has been granted full authority to administer the estate, court supervision for the sale of property of the estate, exchange of property of the estate or granting of an option to purchase property of the estate is required only under certain circumstances. **Sections 93-106 and 128** of this bill require the personal representative to give notice of a proposed action when exercising certain powers without court supervision, including selling real property of the estate. **Sections 107-115** of this bill require the personal representative to give notice of the proposed action under certain circumstances when exercising certain powers. **Sections 116-127** of this bill authorize the personal representative to exercise certain powers without giving notice of the proposed action, including the power to pay taxes and assessments and expenses incurred in the collection, care and administration of the estate.

Sections 202 and 203 of this bill adopt provisions concerning spendthrift trusts. Further, **sections 204-206** of this bill amend existing law concerning the powers and responsibilities of a settlor or trustee for a spendthrift trust.

Section 209 of this bill repeals the Uniform TOD Security Registration Act and other statutes related to nonprobate transfers of certain accounts

because those issues are addressed in **sections 32-64** of this bill which govern nonprobate transfers on death.

2. A nonprobate transfer described in subsection 1:

(a) Is exempt from the requirements of chapter 133 of NRS;

(b) Is not subject to administration as part of the person's estate at death;

(c) Is not subject to distribution pursuant to the decedent's will or pursuant to chapter 134 of NRS, except to the extent that the beneficiary designation fails; and

(d) May be established in conjunction with the ownership registration of an asset, as provided in section 36 of this act.

3. A beneficiary designation that involves an interest in real property must be done in the form of a deed that satisfies the requirements of NRS 111.109.

4. Upon a decedent's death:

(a) Money or other benefits due to, controlled by or owned by that decedent before death must be paid after the decedent's death to the beneficiary whom the decedent designates in the contract or in a separate writing, including a will, executed before or at the same time as the contract, or later;

(b) If the contract provides that money due or to become due under the contract ceases to be payable in the event of the death of the promisee or the promisor before payment or demand, such provision is effective; and

(c) Any property controlled by or owned by the decedent before death which is the subject of the contract passes to the beneficiary whom the decedent designates in the contract or in a separate writing, including a will, executed before or at the same time as the contract, or later.

5. Notwithstanding the provisions of this section to the contrary, a writing separate from a contract is not effective to the extent it violates the terms of the contract unless it is signed or otherwise ratified by all parties to the contract.

6. Nothing in sections 32 to 64, inclusive, of this act authorizes a married person to transfer or otherwise affect the community property rights of that person's spouse.

Sec. 33. *For the purpose of discharging its duties under sections 32 to 46, inclusive, of this act, the authority of a transferring entity acting as agent for an owner of property subject to a nonprobate transfer does not cease at the death of the owner. The transferring entity shall transfer the property to the designated beneficiary in accordance with the contract between the transferring entity and the deceased owner and with sections 32 to 46, inclusive, of this act.*

Sec. 34. *1. Provision for a nonprobate transfer is a matter of agreement between the owner and the transferring entity, under such rules, terms and conditions as the owner and transferring entity may agree. Before a nonprobate transfer is effective, the contract may require:*

(a) Submission to the transferring entity of a beneficiary designation under a governing instrument;

(b) Registration by a transferring entity of a transfer-on-death direction on any certificate or record evidencing ownership of property;

(c) The consent of a contract obligor for a transfer of performance due under the contract;

(d) The consent of a financial institution for a transfer of an obligation of the financial institution;

(e) The consent of a transferring entity for a transfer of an interest in the transferring entity; or

(f) Compliance with any other express condition.

2. Whenever a contract provision relating to a nonprobate transfer requires any of the conditions set forth in subsection 1, nothing in sections 32 to 46, inclusive, of this act imposes an obligation on a transferring entity to accept an owner's request to make provision for a nonprobate transfer of property unless the conditions have been met.

3. When a beneficiary designation, revocation or change is subject to acceptance by a transferring entity, the transferring entity's acceptance of the beneficiary designation, revocation or change relates back to and is effective as of the time when the request was received by the transferring entity.

Sec. 35. *When a transferring entity accepts a beneficiary designation or beneficiary assignment or registers in beneficiary form certain property, the acceptance or registration constitutes the agreement of the owner and transferring entity that, unless the beneficiary designation is revoked or changed before the death of the owner, on proof of the death of the owner and compliance with the transferring entity's requirements for showing*

proof of entitlement, the property will be transferred to and placed in the name and control of the beneficiary in accordance with the beneficiary designation or transfer-on-death direction, the agreement of the parties and the provisions of sections 32 to 46, inclusive, of this act.

Sec. 36. *A beneficiary designation, under a written instrument or law, that authorizes a transfer of property pursuant to a written designation of beneficiary transfers the right to receive the property to the designated beneficiary who survives, effective on the death of the owner, if the beneficiary designation is executed and delivered in proper form to the transferring entity before the death of the owner.*

Sec. 37. *1. A written assignment of a contract right which assigns the right to receive any performance remaining due under the contract to an assignee designated by the owner and which expressly states that the assignment is not to take effect until the death of the owner transfers the right to receive performance due under the contract to the designated assignee beneficiary, effective on the death of the owner, if the assignment is executed and delivered in proper form to the contract obligor before the death of the owner or is executed in proper form and acknowledged before a notary public or other person authorized to administer oaths. A beneficiary assignment need not be supported by consideration or be delivered to the assignee beneficiary.*

2. This section does not preclude other methods of assignment which are authorized by law and which have the effect of postponing enjoyment of a contract right until the death of the owner.

Sec. 38. *1. A deed of gift, bill of sale or other writing intended to transfer an interest in tangible personal property which expressly states that the transfer is not to take effect until the death of the owner transfers ownership to the designated transferee beneficiary, effective on the death of the owner, if the instrument is in other respects sufficient to transfer the type of property involved and is executed by the owner and acknowledged before a notary public or other person authorized to administer oaths. A beneficiary transfer instrument need not be supported by consideration or be delivered to any transferee beneficiary.*

2. This section does not preclude other methods of transferring ownership of tangible personal property which are authorized by law and which have the effect of postponing enjoyment of property until the death of the owner.

Sec. 39. *1. A transferor of property, with or without consideration, may directly transfer the property to a transferee to be held in beneficiary form, as owner of the property.*

2. A transferee under an instrument described in subsection 1 of section 32 of this act is the owner of the property for all purposes and has all the rights to the property otherwise provided by law to owners, including the right to revoke or change the beneficiary designation.

3. A direct transfer of property to a transferee to be held in beneficiary form is effective when the writing perfecting the transfer becomes effective to make the transferee the owner.

Sec. 40. *1. Before the death of the owner, a designated beneficiary has no rights in the property by reason of the beneficiary designation and the signature or agreement of the beneficiary is not required for any transaction respecting the property.*

2. On the death of one of two or more joint owners, property with respect to which a beneficiary designation has been made belongs to the surviving joint owner or owners and the right of survivorship continues as between two or more surviving joint owners.

3. On the death of a sole owner, property passes by operation of law to the beneficiary.

4. If two or more beneficiaries survive, there is no right of survivorship among the beneficiaries in the event of the death of a beneficiary thereafter unless the beneficiary designation expressly provides for survivorship among them and, unless so expressly provided, surviving beneficiaries hold their separate interests in the property as tenants in common. The share of any subsequently deceased beneficiary belongs to that beneficiary's estate.

5. If no beneficiary survives the owner, the property belongs to the estate of the owner.

Sec. 41. *1. Unless a beneficiary designation is expressly made irrevocable, a beneficiary designation may be revoked or changed in whole or in part during the lifetime of the owner. A revocation or change of a beneficiary designation involving property of joint owners may only be made with the agreement of all owners then living.*

2. A subsequent beneficiary designation revokes a previous beneficiary designation unless the subsequent beneficiary designation expressly provides otherwise.

3. A revocation or change in a beneficiary designation must comply with the terms of the governing instrument, the rules of the transferring entity and the applicable law.

4. A beneficiary designation may not be revoked or changed by the provisions of a will unless the beneficiary designation expressly grants the owner the right to revoke or change a beneficiary designation by will. If a beneficiary designation is revoked by will, it must be revoked by an express provision in the will and extrinsic evidence is not admissible to establish the testator's intent concerning the beneficiary designation.

5. A transfer during the owner's lifetime of the owner's interest in property, with or without consideration, terminates the beneficiary designation with respect to the property transferred.

6. The effective date of a revocation or change in a beneficiary designation must be determined in the same manner as the effective date of a beneficiary designation.

Sec. 42. *1. Property may be held in beneficiary form or registered in beneficiary form by including in the name in which the property is held or registered a direction to transfer the property on the death of the owner to a beneficiary designated by the owner.*

2. Property is registered in beneficiary form by showing on the account record, security certificate or written instrument evidencing ownership of the property the name of the owner, and the form of ownership by which two or more joint owners hold the property, followed in substance by the words "transfer on death to..... (name of beneficiary)." In lieu of the words "transfer on death to," the words "pay on death to" or "pay on death to the owner's lineal descendants, per stirpes" or the abbreviation "TOD," "POD" or "LDPS" may be used. The designation of a person's heirs as beneficiaries does not make the property subject to administration as part of the person's estate, but the identities of the beneficiaries must be determined pursuant to chapter 134 of NRS as they relate to the owner's separate property.

3. A transfer-on-death direction may only be placed on an account record, security certificate or instrument evidencing ownership of property by the transferring entity or a person authorized by the transferring entity.

4. A transfer-on-death direction transfers the owner's interest in the property to the designated beneficiary, effective on the death of the owner, if the property is registered in beneficiary form before the death of the owner or if the request to make the transfer-on-death direction is delivered in proper form to the transferring entity before the death of the owner.

5. An account record, security certificate or written instrument evidencing ownership of property that contains a transfer-on-death direction written as part of the name in which the property is held or registered is conclusive evidence in the absence of fraud, duress, undue influence or evidence of clerical mistake by the transferring entity that the direction was regularly made by the owner and accepted by the transferring entity and was not revoked or changed before the death giving rise to the transfer. The transferring entity has no obligation to retain the original writing, if any, by which the owner caused the property to be held in beneficiary form or registered in beneficiary form, more than 6 months after the transferring entity has mailed or delivered to the owner, at the address shown on the registration, an account statement, certificate or instrument that shows the manner in which the property is held in beneficiary form or registered in beneficiary form.

Sec. 43. *Any interest in property that would be distributed by nonprobate transfer to or for a beneficiary who is disqualified as a beneficiary pursuant to chapter 41B of NRS must be transferred as if the disqualified beneficiary had disclaimed the interest immediately upon the decedent's death.*

Sec. 44. *An agent, guardian of the person or other fiduciary may not make, revoke or change a beneficiary designation unless:*

1. The power of attorney or other document establishing the agent, guardian or other fiduciary's right to act or a court order expressly authorizes such action; and

2. The action complies with the terms of the governing instrument, the rules of the transferring entity and applicable law.

Sec. 45. *If property subject to a beneficiary designation is lost, destroyed, damaged or involuntarily converted during the owner's lifetime, the beneficiary succeeds to any right with respect to the loss, destruction, damage or involuntary conversion which the owner would have had if the owner had survived but has no interest in any payment or substitute property received by the owner during the owner's lifetime.*

Sec. 46. *1. Except as otherwise provided in NRS 21.090 and other applicable law, a transferee of a nonprobate transfer is liable to the probate estate of the decedent for allowed claims against that decedent's probate estate to the extent the estate is insufficient to satisfy those claims.*

2. The liability of a nonprobate transferee may not exceed the value of nonprobate transfers received or controlled by that transferee.

3. Nonprobate transferees are liable for the insufficiency described in subsection 1 in the following order of priority:

(a) A transferee specified in the decedent's will or any other governing instrument as being liable for such an insufficiency, in the order of priority provided in the will or other governing instrument;

(b) The trustee of a trust serving as the principal nonprobate instrument in the decedent's estate plan as shown by its designation as devisee of the decedent's residuary estate or by other facts or circumstances, to the extent of the value of the nonprobate transfer received or controlled; and

(c) Other nonprobate transferees, in proportion to the values received.

4. Unless otherwise provided by the trust instrument, interests of beneficiaries in all trusts incurring liabilities under this section abate as necessary to satisfy the liability, as if all the trust instruments were a single will and the interests were devises under it.

5. If a nonprobate transferee is a spouse or a minor child, the nonprobate transferee may petition the court to be excluded from the liability imposed by this section as if the nonprobate property received by the spouse or minor child were part of the decedent's estate. Such a petition may be made pursuant to the applicable provisions of chapter 146 of NRS, including, without limitation, the provisions of NRS 146.010, NRS 146.020 without regard to the filing of an inventory and subsection 2 of NRS 146.070.

6. A provision made in one instrument may direct the apportionment of the liability among the nonprobate transferees taking under that or any other governing instrument. If a provision in one instrument conflicts with a provision in another, the later one prevails.

7. Upon due notice to a nonprobate transferee, the liability imposed by this section is enforceable in probate proceedings in this State, whether or not the transferee is located in this State.

8. If a probate proceeding is pending, a proceeding under this section may be commenced by the personal representative of the decedent's estate or, if the personal representative declines to do so, by a creditor in the name of the decedent's estate, at the expense of the creditor and not of the estate. If a creditor successfully establishes an entitlement to payment under this section, the court must order the reimbursement of the costs reasonably incurred by the creditor, including attorney's fees, from the transferee from whom the payment is to be made, subject to the limitations of subsection 2, or from the estate as a cost of administration, or partially from each, as the court deems just. A personal representative who declines in good faith to commence a requested proceeding incurs no personal liability for declining.

9. If a probate proceeding is not pending, a proceeding under this section may be commenced as a civil action by a creditor at the expense of the creditor.

10. If a proceeding is commenced pursuant to this section, it must be commenced:

(a) As to a creditor whose claim was allowed after proceedings challenging disallowance of the claim by the personal representative, within 60 days after final allowance of the claim by the probate court or within 1 year after the decedent's death, whichever is later.

(b) As to a creditor whose claim against the decedent is being adjudicated in a separate proceeding that is still pending 1 year after the decedent's death, within 60 days after the adjudication of the claim in favor of the creditor is final and no longer subject to reconsideration or appeal.

(c) As to the recovery of benefits paid for Medicaid, within 3 years after the decedent's death.

(d) As to all other creditors, within 1 year after the decedent's death.

11. Unless a written notice asserting that a decedent's probate estate is nonexistent or insufficient to pay allowed claims and statutory allowances has been received from the decedent's personal representative, the following rules apply:

(a) Payment or delivery of assets by a financial institution, registrar or other obligor to a nonprobate transferee in accordance with the terms of the governing instrument controlling the transfer releases the obligor from all claims for amounts paid or assets delivered.

(b) A trustee receiving or controlling a nonprobate transfer is released from liability under this section with respect to any assets distributed to the trust's beneficiaries. Each beneficiary to the extent of the distribution received becomes liable for the amount of the trustee's liability attributable to assets received by the beneficiary.

12. Notwithstanding any provision of this section to the contrary:

(a) A creditor has no claim against property transferred pursuant to a power of appointment exercised by a decedent unless it was exercisable in favor of the decedent or the decedent's estate.

(b) A purchaser for value of property or a lender who acquires a security interest in the property from a beneficiary of a nonprobate transfer after the death of the owner, in good faith:

(1) Takes the property free of any claims or of liability to the owner's estate, creditors of the owner's estate, persons claiming rights as beneficiaries under the nonprobate transfer or heirs of the owner's estate, in absence of actual knowledge that the transfer was improper; and

(2) Has no duty to verify sworn information relating to the nonprobate transfer. The protection provided by this subparagraph applies to information that relates to the ownership interest of the beneficiary in the property and the beneficiary's right to sell, encumber and transfer good title to a purchaser or lender and does not relieve a purchaser or lender from the notice imparted by instruments of record respecting the property.

13. As used in this section, "devise" has the meaning ascribed to it in NRS 132.095.

Sec. 47. *1. Except as otherwise provided by the express terms of a governing instrument, a court order or a contract relating to the division of the marital estate made between the divorced persons before or after the marriage, divorce or annulment, the divorce or annulment of a marriage:*

(a) Revokes any revocable:

(1) Disposition or appointment of property made by a divorced person to his or her former spouse in a governing instrument and any disposition or appointment created by law or in a governing instrument to a relative of the divorced person's former spouse;

(2) Provision in a governing instrument conferring a general or nongeneral power of appointment on the divorced person's former spouse or on a relative of the divorced person's former spouse; and

(3) Nomination in a governing instrument that nominates a divorced person's former spouse or a relative of the divorced person's former spouse to serve in any fiduciary or representative capacity, including a personal representative capacity, including a personal representative, executor, trustee, conservator, agent or guardian; and

(b) Severs the interest of the former spouses in property held by them at the time of the divorce or annulment as joint tenants with the right of survivorship or as community property with a right of survivorship and transforms the interests of the former spouses into equal tenancies in common.

2. A severance under paragraph (b) of subsection 1 does not affect any third-party interest in property acquired for value and in good faith reliance on an apparent title by survivorship in the survivor of the former spouses unless a writing declaring the severance has been noted, registered, filed or recorded in records appropriate to the kind and location

of the property which records are relied upon, in the ordinary course of transactions involving such property, as evidence of ownership.

3. The provisions of a governing instrument are given effect as if the former spouse and relatives of the former spouse disclaimed all provisions revoked by this section or, in the case of a revoked nomination in a fiduciary or representative capacity, as if the former spouse and relatives of the former spouse died immediately before the divorce or annulment.

4. Any provisions revoked solely by this section are revived by the divorced person's remarriage to the former spouse or by a nullification of the divorce or annulment.

5. Unless a court in an action commenced pursuant to chapter 125 of NRS specifically orders otherwise, a restraining order entered pursuant to NRS 125.050 does not preclude a party to such an action from making or changing beneficiary designations that specify who will receive the party's assets upon the party's death.

6. A payor or other third party is not liable for having made a payment or transferred an item of property or any other benefit to a beneficiary designated in a governing instrument affected by the provisions of this section or for having taken any other action in good faith reliance on the validity of the governing instrument before the payor or other third party received written or actual notice of any event affecting a beneficiary designation. A payor or other third party is liable for a payment made or other action taken after the payor or other third party received written or actual notice of a claimed forfeiture or revocation under this section.

7. Written notice of the divorce, annulment or remarriage or written notice of a complaint or petition for divorce or annulment must be mailed to the payor's or other third party's main office or home by registered or certified mail, return receipt requested, or served upon the payor or other third party in the same manner as a summons in a civil action. Upon receipt of written notice of the divorce, annulment or remarriage, a payor or other third party may pay any amount owed or transfer or deposit any item of property held by it to or with the court having jurisdiction of the probate proceedings relating to the decedent's estate or, if no proceedings have been commenced, to or with the court having jurisdiction of probate proceedings relating to decedents' estates located in the county of the decedent's residence. The court shall hold the funds or item of property and, upon its determination under this section, shall order disbursement or transfer in accordance with the determination. Payments, transfers or deposits made to or with the court discharge the payor or other third party from all claims for the value of amounts paid to or items of property transferred to or deposited with the court.

8. A person who purchases property from a former spouse, relative of a former spouse or any other person for value and without notice, or who receives from a former spouse, relative of a former spouse or any other person a payment or other item of property in partial or full satisfaction of

a legally enforceable obligation, is neither obligated under this section to return the payment, item of property or benefit nor is liable under this section for the amount of the payment or the value of the item of property or benefit. A former spouse, relative of a former spouse or other person who, not for value, received a payment, item of property or any other benefit to which that person is not entitled under this section is obligated to return the payment, item of property or benefit or is personally liable for the amount of the payment or the value of the item of property or benefit to the person who is entitled to it under this section.

9. If this section or any part of this section is preempted by federal law with respect to a payment, an item of property or any other benefit covered by this section, a former spouse, relative of the former spouse or any other person who, not for value, received a payment, item of property or any other benefit to which that person is not entitled under this section is obligated to return that payment, item of property or benefit or is personally liable for the amount of the payment or the value of the item of property or benefit to the person who would have been entitled to it were this section or part of this section not preempted.

10. As used in this section:

(a) "Disposition or appointment of property" includes a transfer of an item of property or any other benefit to a beneficiary designated in a governing instrument.

(b) "Divorce or annulment" means any divorce or annulment or any dissolution or declaration of invalidity of a marriage. A decree of separation that does not terminate the status of husband and wife is not a divorce for purposes of this section.

(c) "Divorced person" includes a person whose marriage has been annulled.

(d) "Governing instrument" means a governing instrument executed by a divorced person before the divorce or annulment of the person's marriage to the person's former spouse.

(e) "Relative of the divorced person's former spouse" means a person who is related to the divorced person's former spouse by blood, adoption or affinity and who, after the divorce or annulment, is not related to the divorced person by blood, adoption or affinity.

(f) "Revocable," with respect to a disposition, appointment, provision or nomination, means one under which the divorced person, at the time of the divorce or annulment, was alone empowered, by law or under the governing instrument, to cancel the designation in favor of the person's former spouse or former spouse's relative, whether or not the divorced person was then empowered to designate himself or herself in place of his or her former spouse or in place of his or her former spouse's relative and whether or not the divorced person then had the capacity to exercise the power.

Sec. 48. ***The provisions of sections 48 to 64, inclusive, of this act:***

1. Apply to accounts in financial institutions in this State for which ownership is determined under Nevada law.

2. Do not apply to:

(a) An account established for a partnership, joint venture or other organization for a business purpose;

(b) An account controlled by one or more persons as an agent or trustee for a corporation, unincorporated association or charitable or civic organization; or

(c) A fiduciary or trust account in which the relationship is established other than by the terms of the account.

Sec. 49. *1. An account may be for a single party or multiple parties. A multiple-party account may be with or without a right of survivorship between the parties. Subject to subsection 3 of section 54 of this act, a single-party account or a multiple-party account may have a POD designation or an agency designation, or both.*

2. An account established before, on or after October 1, 2011, whether in the form prescribed in subsection 1 of section 50 of this act or in any other form, is a single-party account or a multiple-party account, with or without right of survivorship, and with or without a POD designation or an agency designation, and is governed by sections 48 to 64, inclusive, of this act.

Sec. 50. *1. An agreement of deposit that contains provisions in substantially the following form establishes the type of account provided, and the account is governed by the provisions of sections 48 to 64, inclusive, of this act applicable to an account of that type:*

UNIFORM SINGLE- OR MULTIPLE-PARTY ACCOUNT FORM

[To add agency designation to account, name one or more agents]:

....

[Select one and initial]:

..... AGENCY DESIGNATION SURVIVES DISABILITY OR INCAPACITY OF PARTIES

..... AGENCY DESIGNATION TERMINATES ON DISABILITY OR INCAPACITY OF PARTIES

2. An agreement of deposit that does not contain provisions in substantially the form provided in this section is governed by the provisions of sections 48 to 64, inclusive, of this act applicable to the type of account that most nearly conforms to the depositor's intent.

Sec. 51. ***1. By a writing signed by all parties, the parties may designate as agent of all parties on an account a person other than a party to the account.***

2. Unless the terms of an agency designation provide that the authority of the agent terminates on disability or incapacity of a party, the agent's authority survives disability and incapacity. The agent may act for a disabled or incapacitated party until the authority of the agent is terminated.

3. The death of the sole party or last surviving party terminates the authority of an agent.

4. Any designation of an agent on an account is revocable and may be superseded by a subsequent designation:

(a) With regard to a single-party account, by the party; and

(b) With regard to a multiple-party account, by the parties or a surviving party.

➥ *Any designation of an agent is superseded by an acknowledged power of attorney, as described in chapter 162A of NRS, when a copy of that power of attorney is delivered to the financial institution.*

Sec. 52. *The provisions of sections 52 to 57, inclusive, of this act concerning beneficial ownership as between parties or as between parties and beneficiaries:*

1. Apply only to controversies between those persons and their creditors and other successors.

2. Do not apply to the right of those persons to payment as determined by the terms of the account.

Sec. 53. *1. During the lifetime of all parties, an account belongs to the parties in proportion to the net contribution of each to the sums on deposit, unless there is clear and convincing evidence of a different intent. As between parties married to each other, in the absence of proof otherwise, the net contribution of each is presumed to be an equal amount.*

2. A beneficiary in an account having a POD designation has no right to sums on deposit during the lifetime of any party.

3. An agent in an account with an agency designation has no beneficial right to sums on deposit.

4. As used in this section, "net contribution" of a party means the sum of all deposits to an account made by or for the party, less all payments from the account made to or for the party which have not been paid to or applied to the use of another party and a proportionate share of any charges deducted from the account, plus a proportionate share of any interest or dividends earned, whether or not included in the current balance. The term includes any deposit life insurance proceeds added to the account by reason of the death of the party whose net contribution is in question.

Sec. 54. *1. Except as otherwise provided in sections 48 to 64, inclusive, of this act or in an applicable contract, on the death of a party, sums on deposit in a multiple-party account belong to the surviving party or parties. If two or more parties survive and one is the surviving spouse of the decedent, the amount to which the decedent, immediately before death, was beneficially entitled under section 53 of this act belongs to the surviving spouse. If two or more parties survive and none is the surviving spouse of the decedent, the amount to which the decedent, immediately before death, was beneficially entitled under section 53 of this act belongs to the surviving parties in equal shares and augments the proportion to which each survivor, immediately before the decedent's death, was beneficially entitled under section 53 of this act, and the right of survivorship continues between the surviving parties.*

2. In an account with a POD designation:

(a) On the death of one of two or more parties, the rights in sums on deposit are governed by subsection 1.

(b) On the death of the sole party or the last survivor of two or more parties, sums on deposit belong to the surviving beneficiary or beneficiaries. If two or more beneficiaries survive, sums on deposit belong to them in equal and undivided shares and there is no right of survivorship in the event of the death of a beneficiary thereafter. If no beneficiary survives, sums on deposit belong to the estate of the last surviving party.

3. Sums on deposit in a single-party account without a POD designation, or in a multiple-party account that, by the terms of the account, is without right of survivorship, are not affected by the death of a party, but the amount to which the decedent, immediately before death, was beneficially entitled under section 53 of this act is transferred as part of the decedent's estate. A POD designation in a multiple-party account without right of survivorship is ineffective. For the purposes of this section, the designation of an account as a tenancy in common establishes that the account is without right of survivorship.

4. The ownership right of a surviving party or beneficiary, or of the decedent's estate, in sums on deposit is subject to requests for payment made by a party before the party's death, whether paid by the financial institution before or after the death, or unpaid. The surviving party or beneficiary, or the decedent's estate, is liable to the payee of an unpaid request for payment. The liability is limited to a proportionate share of the amount transferred under this section, to the extent necessary to discharge the request for payment.

Sec. 55. *1. The rights at death under section 54 of this act are determined by the type of account at the death of a party. The type of account may be altered by written notice given by a party to the financial institution to change the type of account or to stop or vary payment under the terms of the account. The notice must be signed by a party and received by the financial institution during the party's lifetime.*

2. A right of survivorship arising from the express terms of the account, section 54 of this act or a POD designation may not be altered by a will.

Sec. 56. *A transfer resulting from the application of section 54 of this act is effective by reason of the terms of the account involved and sections 48 to 64, inclusive, of this act and is not testamentary or subject to estate administration. Nonprobate transfers are effective with or without consideration.*

Sec. 57. *A deposit of community property in an account does not alter the community character of the property or community rights in the property, but a right of survivorship between parties married to each other arising from the express terms of the account or section 54 of this act may not be altered by a will.*

Sec. 58. *A financial institution may enter into an agreement of deposit for a multiple-party account to the same extent it may enter into an agreement of deposit for a single-party account, and may provide for a*

POD designation and an agency designation in a single-party account or a multiple-party account. A financial institution need not inquire as to the source of a deposit to an account or as to the proposed application of a payment from an account.

Sec. 59. *A financial institution, on request, may pay sums on deposit in a multiple-party account to:*

1. One or more of the parties, whether or not another party is disabled, incapacitated or deceased when payment is requested and whether or not the party making the request survives another party; or

2. The personal representative, if any, or, if there is none, the heirs or devisees of a deceased party if proof of death is presented to the financial institution showing that the deceased party was the survivor of all other persons named on the account as a party or beneficiary, unless the account is without right of survivorship under section 49 of this act.

Sec. 60. *A financial institution, on request, may pay sums on deposit in an account with a POD designation to:*

1. One or more of the parties, whether or not another party is disabled, incapacitated or deceased when the payment is requested and whether or not a party survives another party;

2. The beneficiary or beneficiaries, if proof of death is presented to the financial institution showing that the beneficiary or beneficiaries survived all persons named as parties; or

3. The personal representative, if any, or, if there is none, the heirs or devisees of a deceased party, if proof of death is presented to the financial institution showing that the deceased party was the survivor of all other persons named on the account as a party or beneficiary.

Sec. 61. *A financial institution, on request of an agent under an agency designation for an account, may pay to the agent sums on deposit in the account, whether or not a party is disabled, incapacitated or deceased when the request is made or received, and whether or not the authority of the agent terminates on the disability or incapacity of a party.*

Sec. 62. *If a financial institution is required or authorized to make payment pursuant to sections 48 to 64, inclusive, of this act to a minor designated as a beneficiary, payment may be made pursuant to Nevada's Uniform Act on Transfers to Minors, as set forth in chapter 167 of NRS, or an equivalent law in another jurisdiction.*

Sec. 63. *1. Payment made pursuant to sections 48 to 64, inclusive, of this act, in accordance with the type of account, discharges the financial institution from all claims for amounts so paid, whether or not the payment is consistent with the beneficial ownership of the account as between parties, beneficiaries or their successors. Payment may be made whether or not a party, beneficiary or agent is disabled, incapacitated or deceased when payment is requested, received or made.*

2. Protection under this section does not extend to payments made after a financial institution has received written notice from a party, or from the

personal representative, surviving spouse, or heir or devisee of a deceased party, to the effect that payments in accordance with the terms of the account, including one having an agency designation, should not be authorized, and the financial institution has had a reasonable opportunity to act on it when the payment is made. Unless the notice is withdrawn by the person giving it, the successor of any deceased party must concur in a request for payment if the financial institution is to be protected under this section. Unless a financial institution has been served with process in an action or proceeding, no other notice or other information shown to have been available to the financial institution affects its right to protection under this section.

3. A financial institution that receives written notice pursuant to this section or otherwise has reason to believe that a dispute exists as to the rights of the parties may refuse, without liability, to make payments in accordance with the terms of the account.

4. Protection of a financial institution under this section does not affect the rights of parties in disputes between themselves or their successors concerning the beneficial ownership of sums on deposit in accounts or payments made from accounts.

Sec. 64. ***A beneficiary of a nonprobate transfer takes the owner's interest in the property at death, subject to all conveyances, assignments, contracts, setoffs, licenses, easements, liens and security interests made by the owner or to which the owner was subject during the owner's lifetime. Subject to the limitation of subsection 2 of section 46:***

1. A beneficiary of a nonprobate transfer of an account with a bank, savings and loan association, credit union, broker or mutual fund takes the owner's interest in the property at death, subject to all requests for payment of money issued by the owner before death, whether paid by the transferring entity before or after the death or unpaid.

2. The beneficiary is liable to the payee of an unsatisfied request for payment, to the extent that it represents an obligation that was enforceable against the owner during the owner's lifetime. To the extent that a claim properly paid by the personal representative of the owner's estate includes the amount of an unsatisfied request for payment to the claimant, the personal representative is subrogated to the rights of the claimant as payee.

3. Each beneficiary's liability with respect to an unsatisfied request for payment is limited to the same proportionate share of the request for payment as the beneficiary's proportionate share of the account under the beneficiary designation. Beneficiaries have the right of contribution among themselves with respect to requests for payment which are satisfied after the death of the owner, to the extent the requests for payment would have been enforceable by the payees.

4. In no event may a beneficiary's liability to payees, to the owner's estate and to other beneficiaries pursuant to this section, with respect to all requests for payment, exceed the value of the account received by the

beneficiary. If a request for payment which would not have been enforceable under this section is satisfied from a beneficiary's share of the account, the beneficiary:

(a) Is not liable to any other payee or the owner's estate pursuant to this section for the amount so paid; and

(b) Has no right of contribution against other beneficiaries with respect to that amount.

Sec. 65. Chapter 132 of NRS is hereby amended by adding thereto a new section to read as follows:

"Nonprobate transfer" has the meaning ascribed to it in section 17 of this act.

Sec. 66. NRS 132.025 is hereby amended to read as follows:

Sec. 68. NRS 132.090 is hereby amended to read as follows:

132.090 "Designation of beneficiary" means a governing instrument naming a beneficiary of an insurance policy or annuity, of an account designated as payable on death, of a security registered as transferable on death, or of a pension, profit-sharing, retirement or similar benefit plan or other nonprobate transfer **.** ~~[at death.]~~

The term includes a person having priority for

appointment as a personal representative and other fiduciaries representing interested persons. The meaning as it relates to particular persons must be determined according to the particular purposes of, and matter involved in, a proceeding.

2. The term does not include:

(a) After a will has been admitted to probate, an heir, child or spouse who is not a beneficiary of the will, except for purposes of NRS 133.110, 133.160 and 137.080.

(b) A person with regard to a motion, petition or proceeding that does not affect an interest of that person.

(c) A creditor whose claim has not been accepted by the personal representative if the enforcement of the claim of the creditor is barred under the provisions of chapter 11 or 147 of NRS or any other applicable statute of limitation.

Sec. 70. Chapter 133 of NRS is hereby amended by adding thereto a new section to read as follows:

Except to the extent that it violates public policy, a testator may:

1. Make a devise conditional upon a devisee's action or failure to take action or upon the occurrence or nonoccurrence of one or more specified events; and

2. Specify the conditions or actions which would disqualify a person from serving or which would constitute cause for removal of a person who is serving in any capacity under the will, including, without limitation, as a personal representative, guardian or trustee.

Sec. 71. NRS 133.200 is hereby amended to read as follows:

133.200 ~~[When any estate is devised to any child or other relation of the testator, and the devisee dies before the testator, leaving lineal descendants, those descendants, in]~~ ***In*** the absence of a provision in the will to the contrary, ~~[take the estate so given by the will in the same manner as the devisee would have done if the devisee had survived the testator.]~~ ***if any beneficiary who is a descendant of the testator dies before the testator, leaving lineal descendants, the property, share or beneficial interest that would have been distributed or allocated to that deceased beneficiary must be distributed or allocated to that beneficiary's descendants then living, by right of representation, to be distributed under the same terms that would have applied to the deceased beneficiary.***

Sec. 72. Chapter 136 of NRS is hereby amended by adding thereto a new section to read as follows:

The provisions of section 47 of this act concerning the revocation of certain transfers based upon divorce or annulment apply to transfers of property made pursuant to a will.

Sec. 73. NRS 137.005 is hereby amended to read as follows:

137.005 1. Except as otherwise provided in subsections 3 and 4, a no-contest clause in a will must be enforced by the court.

2. A no-contest clause must be construed to carry out the testator's intent. Except to the extent the will is vague or ambiguous, extrinsic evidence is not admissible to establish the testator's intent concerning the no-contest clause. The provisions of this subsection do not prohibit such evidence from being admitted for any other purpose authorized by law. ***Except as otherwise provided in subsections 3 and 4, a devisee's share may be reduced or eliminated under a no-contest clause based upon conduct that is set forth by the testator in the will, including, without limitation, any testamentary trust established in the will. Such conduct may include, without limitation:***

(a) Conduct other than formal court action; and

(b) Conduct which is unrelated to the will itself, including, without limitation:

(1) The commencement of civil litigation against the testator's probate estate or family members;

(2) Interference with the administration of a trust or a business entity;

(3) Efforts to frustrate the intent of the testator's power of attorney; and

(4) Efforts to frustrate the designation of beneficiaries related to a nonprobate transfer by the testator.

3. Notwithstanding any provision to the contrary in the will, a devisee's share must not be reduced or eliminated if the devisee seeks only to:

(a) Enforce the terms of the will ~~[:]~~ ***or any document referenced in or affected by the will;***

(b) Enforce the devisee's legal rights in the probate proceeding; or

(c) Obtain a court ruling with respect to the construction or legal effect of the will.

4. Notwithstanding any provision to the contrary in the will, a devisee's share must not be reduced or eliminated under a no-contest clause because the devisee institutes legal action seeking to invalidate a will if the legal action is instituted in good faith and based on probable cause that would have led a reasonable person, properly informed and advised, to conclude that ~~[there was a substantial likelihood that]~~ the will ~~[was]~~ ***is*** invalid.

5. As used in this section, "no-contest clause" means one or more provisions in a will that express a directive to reduce or eliminate the share allocated to a devisee or to reduce or eliminate the distributions to be made to a devisee if the devisee takes action to frustrate or defeat the testator's intent as expressed in the will.

Sec. 74. NRS 141.120 is hereby amended to read as follows:

141.120 ~~[An]~~ ***Except as otherwise provided in section 170 of this act, an*** interested person may appear at the hearing and file allegations in writing, showing that the personal representative should be removed.

2. Exchange real property.

3. Grant an option to purchase real property.

4. Borrow money with the loan secured by an encumbrance upon real property.

Sec. 81. *The personal representative may not be granted authority to administer the estate pursuant to sections 76 to 144, inclusive, of this act if the decedent's will provides that the estate must not be administered pursuant to sections 76 to 144, inclusive, of this act.*

Sec. 82. *A special administrator may be granted authority to administer the estate pursuant to sections 76 to 144, inclusive, of this act if the special administrator is appointed with, or has been granted, the powers of a general personal representative.*

2. The personal representative may request either of the following:

(a) Full authority to administer the estate pursuant to sections 76 to 144, inclusive, of this act; or

(b) Limited authority to administer the estate pursuant to sections 76 to 144, inclusive, of this act.

Sec. 85. *1. If the authority to administer the estate pursuant to sections 76 to 144, inclusive, of this act is requested in a petition for appointment of the personal representative, notice of the hearing on the petition must be given for the period and in the manner applicable to the petition for appointment.*

(a) Each person specified in NRS 155.010;

(b) Each known heir whose interest in the estate would be affected by the petition;

(c) Each known devisee whose interest in the estate would be affected by the petition; and

3. The notice of hearing of the petition for authority to administer the estate pursuant to sections 76 to 144, inclusive, of this act, whether included in the petition for appointment or in a separate petition, must include a statement in substantially the following form:

The petition requests authority to administer the estate under the Independent Administration of Estates Act. This will avoid the need to obtain court approval for many actions taken in connection with the estate. However, before taking certain actions, the personal representative will be required to give notice to interested persons unless they have waived notice or have consented to the proposed action. Independent administration authority will be granted unless good cause is shown why it should not be.

Sec. 86. *1. Except as otherwise provided in subsection 2, unless an interested person objects in writing at or before the hearing to the granting of authority to administer the estate pursuant to sections 76 to 144, inclusive, of this act and the court determines that the interested person has shown good cause why the authority to administer the estate under those provisions should not be granted, the court shall grant the requested authority.*

2. If the interested person has shown good cause why only limited authority should be granted, the court shall grant limited authority.

Sec. 87. *1. If the personal representative is otherwise required to file a bond and has full authority, the court shall fix the amount of the bond at not more than the estimated value of the personal property, the estimated value of the decedent's interest in the real property authorized to be sold pursuant to sections 76 to 144, inclusive, of this act and the probable annual gross income of the estate or, if the bond is to be given by personal sureties, at not less than twice that amount.*

2. If the personal representative is otherwise required to file a bond and has limited authority, the court shall fix the amount of the bond at not more than the estimated value of the personal property and the probable annual gross income of the estate or, if the bond is to be given by personal sureties, at not less than twice that amount.

(a) An order revoking the authority of the personal representative to continue administration of the estate pursuant to sections 76 to 144, inclusive, of this act; or

(b) An order revoking the full authority of the personal representative to administer the estate pursuant to sections 76 to 144, inclusive, of this act and granting the personal representative limited authority to administer the estate pursuant to sections 76 to 144, inclusive, of this act.

2. The petition must set forth the basis for the requested order.

3. The petitioner shall give notice for the period and in the manner provided in NRS 155.010.

4. If the court determines that good cause has been shown, the court shall make an order revoking the authority of the personal representative to continue administration of the estate pursuant to sections 76 to 144, inclusive, of this act. Upon the making of the order, new letters must be issued without the authority to act pursuant to sections 76 to 144, inclusive, of this act.

5. If the personal representative was granted full authority and the court determines that good cause has been shown, the court shall make an order revoking the full authority and granting the personal representative limited authority. Upon the making of the order, new letters must be issued indicating whether the personal representative is authorized to act pursuant to sections 76 to 144, inclusive, of this act and, if so authorized, whether the independent administration authority includes or excludes the power to do any of the following:

(b) The date on which the proposed action is actually taken,

whichever occurs later.

Sec. 137. *1. If the proposed action is one that would require court supervision if the personal representative had not been granted authority to administer the estate pursuant to sections 76 to 144, inclusive, of this act, and the personal representative has notice of a written objection made pursuant to section 135 of this act or a restraining order issued pursuant to section 136 of this act, the personal representative shall, if the personal representative desires to take the proposed action, petition the court to obtain approval from the court.*

Except as otherwise provided in subsections 2 and 3, a person described in section 129 of this act waives the right to have the court review the proposed action after it has been taken, or otherwise to object to the proposed action after it has been taken, if:***

2. Unless the person has waived notice of or consented to the proposed action as provided in sections 130 and 131 of this act, the court may review the action taken upon a petition filed by a person described in section 129 of this act who establishes that he or she did not actually receive the notice of proposed action before the time to object pursuant to subsection 4 expired.

3. The court may review the action of the personal representative upon a petition filed by an heir or devisee who establishes all the following:

2. A person dealing with the personal representative does not have any duty to inquire or investigate whether the personal representative has complied with the provisions listed in subsection 1.

150.010 ~~[The]~~ ***A*** personal representative must be allowed all necessary expenses in the administration and settlement of the estate, and fees for services as provided by law, but if the decedent by will makes some other provision for the compensation of the personal representative, this shall be deemed a full compensation for those services, unless within 60 days after his or her appointment the personal representative files a renunciation, in writing, of all claim for the compensation provided by the will.

Sec. 152. NRS 150.050 is hereby amended to read as follows:

150.050 1. A personal representative, at any time after the issuance of letters and upon such notice to the interested persons as the court requires, may apply to the court for an allowance upon his or her fees.

2. On the hearing, the court shall enter an order allowing ~~[the]~~ ***a*** personal representative ***who applied to the court pursuant to subsection 1*** such portion of the fees, for services rendered up to that time, as the court deems proper, and the portion so allowed may be charged against the estate.

Sec. 153. NRS 150.060 is hereby amended to read as follows:

150.060 1. ~~[Attorneys for personal representatives are]~~ ***An attorney for a personal representative is*** entitled to reasonable compensation for ~~[their]~~ ***the attorney's*** services, to be paid out of the decedent's estate.

2. An attorney for a personal representative may be compensated based on:

(a) The applicable hourly rate of the attorney;

(b) The value of the estate accounted for by the personal representative;

(c) An agreement as set forth in subsection 4 of NRS 150.061; or

(d) Any other method preapproved by the court pursuant to a request in the initial petition for the appointment of the personal representative.

3. If the attorney is requesting compensation based on the hourly rate of the attorney, he or she may include, as part of that compensation for ordinary services, a charge for legal services or paralegal services performed by a person under the direction and supervision of the attorney.

4. If the attorney is requesting compensation based on the value of the estate accounted for by the personal representative, the allowable compensation of the attorney for ordinary services must be determined as follows:

(a) For the first $100,000, at the rate of 4 percent;

(b) For the next $100,000, at the rate of 3 percent;

(c) For the next $800,000, at the rate of 2 percent;

(d) For the next $9,000,000, at the rate of 1 percent;

(e) For the next $15,000,000, at the rate of 0.5 percent; and

(f) For all amounts above $25,000,000, a reasonable amount to be determined by the court.

5. Before an attorney may receive compensation based on the value of the estate accounted for by the personal representative, the personal representative must sign a written agreement as required by subsection 8. The agreement must be prepared by the attorney and must include detailed information, concerning, without limitation:

(a) The schedule of fees to be charged by the attorney;

(b) The manner in which compensation for extraordinary services may be charged by the attorney; and

(c) The fact that the court is required to approve the compensation of the attorney pursuant to subsection 8 before the personal representative pays any such compensation to the attorney.

6. For the purposes of determining the compensation of an attorney pursuant to subsection 4, the value of the estate accounted for by the personal representative:

(a) Is the total amount of the appraisal of property in the inventory, plus:

(1) The gains over the appraisal value on sales; and

(2) The receipts, less losses from the appraisal value on sales; and

(b) Does not include encumbrances or other obligations on the property of the estate.

7. In addition to the compensation for ordinary services of an attorney set forth in this section, an attorney may also be entitled to receive compensation for extraordinary services as set forth in NRS 150.061.

8. The compensation of the attorney must be fixed by written agreement between the personal representative and the attorney, and is subject to approval by the court, after petition, notice and hearing as provided in this section. If the personal representative and the attorney fail to reach agreement, or if the attorney is also the personal representative, the amount must be determined and allowed by the court. The petition requesting

approval of the compensation of the attorney must contain specific and detailed information supporting the entitlement to compensation, including:

(a) If the attorney is requesting compensation based upon the value of the estate accounted for by the personal representative, the attorney must provide the manner of calculating the compensation in the petition; and

(b) If the attorney is requesting compensation based on an hourly basis, or is requesting compensation for extraordinary services, the attorney must provide the following information to the court:

(1) Reference to time and hours;

(2) The nature and extent of services rendered;

(3) Claimed ordinary and extraordinary services;

(4) The complexity of the work required; and

(5) Other information considered to be relevant to a determination of entitlement.

The notice must be given for the period and in the manner provided in NRS 155.010. If a complete copy of the petition is not attached to the notice, the notice must include a statement of the amount of the fee which the court will be requested to approve or allow.

10. On similar petition, notice and hearing, the court may make an allowance to an attorney for services rendered up to a certain time during the proceedings. If the attorney is requesting compensation based upon the value of the estate as accounted for by the personal representative, the court may apportion the compensation as it deems appropriate given the amount of work remaining to close the estate.

11. An heir or devisee may file objections to a petition filed pursuant to this section, and the objections must be considered at the hearing.

12. Except as otherwise provided in this subsection, an attorney for minor, absent, unborn, incapacitated or nonresident heirs is entitled to compensation primarily out of the estate of the distributee so represented by the attorney in those cases and to such extent as may be determined by the court. If the court finds that all or any part of the services performed by the attorney for the minor, absent, unborn, incapacitated or nonresident heirs was of value to the decedent's entire estate as such and not of value only to those heirs, the court shall order that all or part of the attorney's fee be paid to the attorney out of the money of the decedent's entire estate as a general administrative expense of the estate. The amount of these fees must be determined in the same manner as the other attorney's fees provided for in this section.

Sec. 154. NRS 150.063 is hereby amended to read as follows:

150.063 ***1.*** If there are two or more attorneys for a personal representative, the compensation must be apportioned among the attorneys

by the court according to the services actually rendered by each attorney unless otherwise provided in an agreement by the attorneys.

2. The clerk shall set the petition for hearing and the petitioner shall give notice of the petition to the personal representative if he or she is not the petitioner and to all known heirs in an intestacy proceeding and devisees in a will proceeding. The notice must be given for the period and in the manner provided in NRS 155.010. If a complete copy of the petition is not attached to the notice, the notice must include a statement of the amount of the compensation which the court will be requested to approve or allow and the manner in which the compensation was determined.

3. On the hearing, the court may enter an order allowing the portion of the compensation of the attorney for the personal representative for such services rendered up to that time as the court deems proper. The order must authorize the personal representative to charge against the estate the amount of compensation allowed by the court pursuant to this subsection.

Sec. 156. Chapter 153 of NRS is hereby amended by adding thereto a new section to read as follows:

4. An interested person in a testamentary trust or its property, or the attorney for that person, may serve upon the trustee or the trustee's attorney, and file with the clerk of the court wherein administration of the trust is pending, a written request stating that he or she desires notice of the filing of accounts and petitions in connection with the trust. (c) To the extent there is no conflict of interest between them or among persons represented:

(1) An order binding a guardian of the estate binds the person whose estate the guardian controls.

(2) An order binding a guardian of the person binds the ward if no separate guardian of the estate of the ward has been appointed.

(3) An order binding a trustee binds beneficiaries of the trust in a proceeding to probate a will establishing or adding to the trust, to review the acts or accounts of a previous fiduciary, or involving creditors or other third parties.

(d) If there is no conflict of interest and no guardian of the estate has been appointed, a parent may represent his or her minor child.

(e) An unborn or unascertained person who is not otherwise represented is bound by an order to the extent his or her interest is adequately represented by another person having a substantially identical interest in the proceeding.

(f) Notice as prescribed by this title must be given to every interested person or to one who can bind an interested person under ~~[subsection]~~ ***paragraph*** (b), (c) or (d). Notice may be given both to a person and to another who can bind him or her.

(g) Notice is given to unborn or unascertained persons who are not represented under ~~[subsection]~~ ***paragraph*** (b), (c) or (d) by giving notice to all known persons whose interest in the proceeding is substantially identical to that of the unborn or unascertained persons.

(h) At any stage of a proceeding, the court may appoint a guardian ad litem or an attorney to represent the interest of a minor, an incapacitated, unborn or unascertained person, or a person whose identity or address is unknown, if the court determines that representation of the interest would otherwise be inadequate. If not precluded by conflict of interest, a guardian ad litem or an attorney may be appointed to represent several persons or interests. The court shall set out its reasons for appointing a guardian ad litem or an attorney as a part of the record of the proceeding.

2. If an attorney has been appointed for minors or other interested persons, the attorney, until another may be appointed, shall represent the person or persons for whom the attorney has been appointed in all subsequent proceedings.

Sec. 174. NRS 159.065 is hereby amended to read as follows:

159.065 1. Except as otherwise provided by law, every guardian shall, before entering upon his or her duties as guardian, execute and file in the guardianship proceeding a bond, with sufficient surety or sureties, in such amount as the court determines necessary for the protection of the ward and the estate of the ward, and conditioned upon the faithful discharge by the guardian of his or her authority and duties according to law. The bond must be approved by the clerk. Sureties must be jointly and severally liable with the guardian and with each other.

2. If a banking corporation, as defined in NRS 657.016, doing business in this state, is appointed guardian of the estate of a ward, no bond is required of the guardian, unless specifically required by the court.

3. Joint guardians may unite in a bond to the ward or wards, or each may give a separate bond.

4. If there are no assets of the ward, no bond is required of the guardian.

5. If a person ~~[is appointed in a will]~~ ***has been nominated*** to be guardian ***in a will, power of attorney or other written instrument that has been acknowledged before two disinterested witnesses or acknowledged before a notary public*** and the will ***, power of attorney or other written instrument*** provides that no bond is to be required of the guardian, the court may direct letters of guardianship to issue to the guardian after the guardian:

(a) Takes and subscribes the oath of office; and

(b) Files the appropriate documents which contain the full legal name and address of the guardian.

6. In lieu of executing and filing a bond, the guardian may request that access to certain assets be blocked. The court may grant the request and order letters of guardianship to issue to the guardian if sufficient evidence is filed with the court to establish that such assets are being held in a manner that prevents the guardian from accessing the assets without a specific court order.

Sec. 175. Chapter 162 of NRS is hereby amended by adding thereto a new section to read as follows:

1. An attorney who represents a fiduciary does not, solely as a result of such attorney-client relationship, assume a corresponding duty of care or other fiduciary duty to a principal.

2. Nothing in this section limits a principal, fiduciary or successor fiduciary's ability to assert appropriate claims against the attorney resulting from the negligent or intentional acts of the attorney.

3. As used in this section:

(a) "Fiduciary" has the meaning ascribed to it in NRS 162.020.

(b) "Principal" has the meaning ascribed to it in NRS 162.020.

Sec. 176. Chapter 163 of NRS is hereby amended by adding thereto a new section to read as follows:

Sec. 177. NRS 163.00195 is hereby amended to read as follows:

163.00195 1. Except as otherwise provided in subsections 3 and 4, a no-contest clause in a trust must be enforced by the court.

2. A no-contest clause must be construed to carry out the settlor's intent. Except to the extent the no-contest clause in the trust is vague or ambiguous, extrinsic evidence is not admissible to establish the settlor's intent concerning the no-contest clause. The provisions of this subsection do not prohibit such evidence from being admitted for any other purpose authorized by law. ***Except as otherwise provided in subsections 3 and 4, a beneficiary's share may be reduced or eliminated under a no-contest clause based upon conduct that is set forth by the settlor in the trust. Such conduct may include, without limitation:***

(b) Conduct which is unrelated to the trust itself, including, without limitation:

(1) The commencement of civil litigation against the settlor's probate estate or family members;

(3) Efforts to frustrate the intent of the settlor's power of attorney; and

(4) Efforts to frustrate the designation of beneficiaries related to a nonprobate transfer by the settlor.

(c) Obtain a court ruling with respect to the construction or legal effect of the trust ***, any document referenced in or affected by the trust,*** or any other trust-related instrument.

4. Notwithstanding any provision to the contrary in the trust, a beneficiary's share must not be reduced or eliminated under a no-contest clause in a trust because the beneficiary institutes legal action seeking to invalidate a trust ***, any document referenced in or affected by the trust,*** or any other trust-related instrument if the legal action is instituted in good faith and based on probable cause that would have led a reasonable person, properly informed and advised, to conclude that ~~[there was a substantial likelihood that]~~ the trust ***, any document referenced in or affected by the trust,*** or other trust-related instrument ~~[was]~~ ***is*** invalid.

5. As used in this section:

(a) "No-contest clause" means one or more provisions in a trust that express a directive to reduce or eliminate the share allocated to a beneficiary or to reduce or eliminate the distributions to be made to a beneficiary if the beneficiary takes action to frustrate or defeat the settlor's intent as expressed in the trust or in a trust-related instrument.

(b) "Trust" means the original trust instrument and each amendment made pursuant to the terms of the original trust instrument.

(c) "Trust-related instrument" means any document purporting to transfer property to or from the trust or any document made pursuant to the terms of the trust purporting to direct the distribution of trust assets or to affect the management of trust assets, including, without limitation, documents that attempt to exercise a power of appointment.

2. ~~[A trust created for an indefinite or general purpose is not invalid for that reason if it can be determined with reasonable certainty that a particular use of the trust property is within that purpose.]~~ ***Except as otherwise provided by a specific statute, federal law or common law, the terms of a trust instrument may vary the rights and interests of beneficiaries in any manner that is not illegal or against public policy, including, without limitation, specifying:***

(a) The grounds for removing a fiduciary;

(b) The circumstances, if any, in which the fiduciary must diversify investments; and

(c) A fiduciary's powers, duties, standards of care, rights of indemnification and liability to persons whose interests arise from the trust instrument.

3. Nothing in this section shall be construed to:

(a) Authorize the exculpation or indemnification of a fiduciary for the fiduciary's own willful misconduct or gross negligence; or

(b) Preclude a court of competent jurisdiction from removing a fiduciary because of the fiduciary's willful misconduct or gross negligence.

4. The rule that statutes in derogation of the common law are to be strictly construed has no application to this section. This section must be liberally construed to give maximum effect to the principle of freedom of disposition and to the enforceability of trust instruments.

Sec. 179. NRS 163.556 is hereby amended to read as follows:

163.556 1. Unless the terms of a testamentary instrument or irrevocable trust provide otherwise, a trustee with discretion or authority to distribute trust income or principal to or for a beneficiary of the trust may exercise such discretion or authority by appointing the property subject to such discretion or authority in favor of a second trust for the benefit of one or more of those beneficiaries.

2. Notwithstanding subsection 1, a trustee may not appoint property of the original trust to a second trust if:

(a) The second trust includes a beneficiary who is not a beneficiary of the original trust. For purposes of this paragraph, a permissible appointee of a power of appointment exercised by a beneficiary of the second trust is not considered a beneficiary of the second trust.

(b) Appointing the property will reduce any current fixed income interest, annuity interest or unitrust interest of a beneficiary of the original trust. As used in this paragraph, "unitrust" has the meaning ascribed to it in NRS 164.700.

(c) A contribution made to the original trust qualified for a marital or charitable deduction for federal or state income, gift or estate taxes or qualified for a gift tax exclusion for federal or state tax purposes and the terms of the second trust include a provision which if included in the original trust would prevent the original trust from qualifying for the tax deduction or exclusion.

(d) The property to be appointed is subject to a power of withdrawal which is held by a beneficiary of the original trust and may be executed at the time of the proposed appointment ~~[.]~~ ***, unless after the exercise of such appointment, the beneficiary of the original trust's power of withdrawal is unchanged with respect to the trust property.***

(e) Property specifically allocated for one beneficiary of the original trust is no longer allocated for that beneficiary under either or both trusts, unless the beneficiary consents in writing.

(f) Property held for the benefit of one or more beneficiaries under both the original and the second trust has a lower value than the value of the

property held for the benefit of the same beneficiaries under only the original trust, unless:

(1) The benefit provided is limited to a specific amount or periodic payments of a specific amount; and

(2) The value of the property held in either or both trusts for the benefit of one or more beneficiaries is actuarially adequate to provide the benefit.

(g) Under the second trust:

(1) Discretionary distributions may be made by the trustee to a beneficiary or group of beneficiaries of the original trust;

(2) Distributions are not limited by an ascertainable standard; and

(3) A beneficiary or group of beneficiaries has the power to remove and replace the trustee of the second trust with a beneficiary of the second trust or with a trustee that is related to or subordinate to a beneficiary of the second trust.

(h) A contribution made to the original trust qualified for a gift tax exclusion as described in section 2503(b) of the Internal Revenue Code, 26 U.S.C. § 2503(b), by reason of the application of section 2503(c) of the Internal Revenue Code, 26 U.S.C. § 2503(c), unless the second trust provides that the beneficiary's remainder interest must vest not later than the date upon which such interest would have vested under the terms of the original trust.

3. Notwithstanding the provisions of subsection 1, a trustee who is a beneficiary of the original trust may not exercise the authority to appoint property of the original trust to a second trust if:

(a) Under the terms of the original trust or pursuant to law governing the administration of the original trust:

(1) The trustee does not have discretion to make distributions to himself or herself;

(2) The trustee's discretion to make distributions to himself or herself is limited by an ascertainable standard ~~[,]~~ ***, and under the terms of the second trust, the trustee's discretion to make distributions to himself or herself is not limited by the same ascertainable standard;*** or

(3) The trustee's discretion to make distributions to himself or herself can only be exercised with the consent of a cotrustee or a person holding an adverse interest and under the terms of the second trust the trustee's discretion to make distributions to himself or herself is not limited by an ascertainable standard and may be exercised without consent; or

(b) Under the terms of the original trust or pursuant to law governing the administration of the original trust, the trustee of the original trust does not have discretion to make distributions that will discharge the trustee's legal support obligations but under the second trust the trustee's discretion is not limited.

4. ***The provisions of subsection 3 do not prohibit a trustee who is not a beneficiary of the original trust from exercising the authority to appoint***

property of the original trust to a second trust pursuant to the provisions of subsection 1.

5. Before appointing property pursuant to subsection 1, a trustee may give notice of a proposed action pursuant to NRS 164.725 or may petition a court for approval pursuant to NRS 153.031, 164.015 or 164.725. Any notice of a proposed action or a petition for a court's approval must include the trustee's opinion of how the appointment of property will affect the trustee's compensation and the administration of other trust expenses.

~~[5. Notwithstanding the provisions of subsection 2 or 3, the]~~

6. The trust instrument of the second trust may:

(a) Grant a power of appointment to one or more of the beneficiaries of the second trust who are proper objects of the exercise of the power in the original trust. The power of appointment includes, without limitation, the power to appoint trust property to the holder of the power, the holder's creditors, the holder's estate, the creditors of the holder's estate or any other person.

(b) Provide that, at a time or occurrence of an event specified in the trust instrument, the remaining trust assets in the second trust must be held for the beneficiaries of the original trust upon terms and conditions that are substantially identical to the terms and conditions of the original trust.

~~[6.]~~ ***7.*** The power to appoint the property of the original trust pursuant to subsection 1 must be exercised by a writing, signed by the trustee and filed with the records of the trust.

~~[7.]~~ ***8.*** The exercise of the power to invade principal of the original trust pursuant to subsection 1 is considered the exercise of a power of appointment, other than power to appoint the property to the trustee, the trustee's creditors, the trustee's estate or the creditors of the trustee's estate and the provisions of NRS 111.1031 apply to such power of appointment.

~~[8.]~~ ***9.*** The provisions of this section do not abridge the right of any trustee who has the power to appoint property which arises under any other law.

~~[9.]~~ ***10.*** The provisions of this section do not impose upon a trustee a duty to exercise the power to appoint property pursuant to subsection 1.

~~[10.]~~ ***11.*** The power to appoint property to another trust pursuant to subsection 1 is not a power to amend the trust and a trustee is not prohibited from appointing property to another trust pursuant to subsection 1 if the original trust is irrevocable or provides that it may not be amended.

~~[11.]~~ ***12.*** A trustee's power to appoint property to another trust pursuant to subsection 1 is not limited by the existence of a spendthrift provision in the original trust.

~~[12.]~~ ***13.*** A trustee exercising any power granted pursuant to this section may designate himself or herself or any other person permitted to act as a trustee as the trustee of the second trust.

~~[13.]~~ ***14.*** The trustee of a second trust, resulting from the exercise of the power to appoint property to another trust pursuant to subsection 1, may also

exercise the powers granted pursuant to this section with respect to the second trust.

~~[14.]~~ ***15.*** As used in this section, "ascertainable standard" means a standard relating to an individual's health, education, support or maintenance within the meaning of section 2041(b)(1)(A) or 2514(c)(1) of the Internal Revenue Code ***, 26 U.S.C. § 2041(b)(1)(A) or 2514(c)(1),*** and any regulations of the United States Treasury promulgated thereunder.

An account provided to a current beneficiary pursuant to this subsection must comply with the provisions of subsection 3 or 4 of NRS 165.135, except to the extent that the current beneficiary agrees otherwise in writing.

2. Except as otherwise provided in this subsection, upon request, an account must be provided annually to each remainder beneficiary of an irrevocable trust. A beneficiary who has been eliminated by the exercise of a power of appointment has no right to request or receive an account pursuant to this subsection.

3. A trustee, at the expense of the trust, may provide:

(a) An unrequested account to one or more beneficiaries at any time; and

(b) More information to beneficiaries, including, without limitation, remote beneficiaries, than is required under the trust instrument or by law.

4. Unless the court determines that there is clear and convincing evidence that the trustee was acting in good faith, a trustee who fails to provide an account when required pursuant to NRS 165.135 and sections 185 to 198, inclusive, of this act is personally liable to each beneficiary who requested the account in writing for all costs reasonably incurred by each such beneficiary to enforce NRS 165.135 and sections 185 to 198,

inclusive, of this act, including, without limitation, reasonable attorney's fees and court costs. The trustee may not expend trust funds therefor.

Sec. 194. ***A beneficiary may send a written demand for an account pursuant to NRS 165.135 and sections 185 to 198, inclusive, of this act to the trustee in accordance with the following procedure:***

1. The demand on the trustee must be sent to the trustee or to the trustee's attorney of record and the demand must include, without limitation:

(a) The identity of the demanding beneficiary, including the beneficiary's mailing address or the address of the beneficiary's attorney;

(b) The accounting period for which an account is demanded; and

(c) The nature and extent of the account demanded and the legal basis for the demand.

2. Within 14 days after the trustee has received a demand for an account from a beneficiary, the trustee shall notify the demanding beneficiary of the trustee's acceptance or rejection of the demand. The trustee shall:

(a) Provide an account within 60 days after receipt of the demand, unless that time is modified by consent of the beneficiary or by order of the court if the trustee accepts the beneficiary's demand for an account; or

(b) Set forth the grounds for rejecting the beneficiary's demand for an account in the notice of rejection and inform the beneficiary that the beneficiary has 60 days in which to petition the court to review the rejection if the trustee rejects the beneficiary's demand for an account.

3. The demand by the beneficiary and the notice of acceptance or rejection of the demand by the trustee must be delivered by first-class mail, personal delivery or commercial carrier. If delivery of the demand or of the notice is in dispute, proof of delivery may be established by a return receipt or other proof of delivery provided by the person making the delivery or by affidavit of the person who arranged for the delivery setting forth the delivery address, the method of delivery arranged for and the actions taken by that person to arrange for the delivery.

4. If the trustee fails to accept or reject a beneficiary's demand for an account as required by subsection 2, the beneficiary's demand shall be deemed rejected.

Sec. 195. ***1. A beneficiary whose demand for an account in compliance with section 194 of this act is rejected or deemed rejected must file a petition seeking the court's review of the trustee's rejection within 60 days after the rejection date as described in subsection 2. A petition filed pursuant to this section may also seek additional relief pursuant to NRS 153.031.***

2. If the trustee rejects the beneficiary's demand for an account, the rejection date is the date on which the trustee provides the beneficiary with a notice of rejection. If the trustee fails to accept or reject the beneficiary's

demand, the rejection date is deemed to be 14 days after the beneficiary gave the trustee the demand.

3. If the court has not previously accepted jurisdiction over the trust, the beneficiary must petition the court to confirm the appointment of the trustee pursuant to NRS 164.010. Such a petition may be combined with the petition for the court's review of the trustee's rejection.

4. The clerk shall set the petition for hearing, and the petitioner shall give notice to all interested persons for the period and in the manner provided in NRS 155.010. The notice must state the filing of the petition, the object and the time and place of the hearing.

5. If one or more other beneficiaries with interests substantially similar to the petitioner request to join the petition at or before the hearing, the court shall consider the other beneficiaries to be additional petitioners without requiring those beneficiaries to file separate petitions or to give separate notices of the hearing.

6. At the hearing, as to each petitioner, the court may enter an order:

(a) Compelling the trustee to provide an account to the petitioner and specifying the nature and extent of the account to be provided;

(b) Declaring that the petitioner is not entitled to an account and setting forth the reason or reasons the petitioner is not so entitled; or

(c) Compelling the trustee to provide an account to the petitioner as described in paragraph (a) and authorizing an independent review of the account using the procedure set forth in section 196 of this act.

7. Except as otherwise provided in subsection 3 of NRS 153.031 and subsection 4 of section 193 of this act, each petitioner shall pay his or her own expenses, including, without limitation, attorney's fees, that arise in conjunction with filing a petition pursuant to this section.

Sec. 196. *If, while considering a petition filed pursuant to section 195 of this act, the court finds that the beneficiary is entitled to an account pursuant to this section and that the trust instrument authorizes or directs the trustee not to provide the account with the disclosures required by this section, the court shall, upon the beneficiary's request, compel the trustee to confidentially provide an account in accordance with the following procedure:*

1. If the beneficiary has not been previously provided with a copy of the trust instrument, the court shall direct the trustee to provide the court and each reviewer selected pursuant to subsection 2 with a copy of the trust instrument, or such portions as the court deems to be pertinent to the determination of the adequacy of the trustee's account and to the enforcement of the beneficiary's rights under the trust.

2. The court shall direct the account to be provided confidentially to the court and to one or more reviewers selected by the beneficiary. The court may direct that the account be filed with the court clerk under seal or delivered to the court for in camera review. The account provided must contain the information required by this section without regard to any trust

provision restricting the information to be provided to the requesting beneficiary.

3. A reviewer must be either a certified public accountant or an attorney.

4. Subject to the provisions of paragraph (b) of subsection 5, the beneficiary requesting the account must pay for the services of each reviewer. The expense of preparing the account must be paid as an expense of the trust.

5. Each reviewer must agree that:

(a) The account provided must be reviewed confidentially and must not be provided to the beneficiary except as otherwise provided in paragraph (b) or in an order of the court; and

(b) The reviewer's duty is to review the account and to prepare a written report, which must be filed with the court clerk under seal or submitted to the court for in camera review, informing the court if there is anything that would indicate that the trust, as it affects the beneficiary's interest, has not been or may not have been properly administered or accounted for in accordance with applicable law, the trust instrument and generally accepted accounting principles applicable to trusts. At the same time a copy of the reviewer's report is provided to the court, a copy of each reviewer's report must be delivered to the trustee or to the trustee's attorney of record.

6. The trustee may submit to the court and to each reviewer an objection to the report of a reviewer within 10 days after the trustee received the reviewer's report. The trustee shall submit the objections to the court and to each reviewer in the same manner as the trustee provided the account. The court may consider each reviewer's report and the objections of the trustee with or without a hearing. If the court, after considering the report of any reviewer and any objection submitted by the trustee, finds that the trust, as it affects the beneficiary's interest, has not been or may not have been properly administered or accounted for in accordance with applicable law, the trust instrument and generally accepted accounting principles applicable to trusts, in addition to any other relief granted by the court pursuant to NRS 153.031 or section 195 of this act, the court shall enter an order granting the relief necessary to protect the beneficiary's interests or to allow the beneficiary to enforce his or her rights under the trust.

7. An order granting relief described in subsection 6 may include one or more of the following:

(a) A directive to the trustee to provide the beneficiary an account which complies with the provisions of subsection 3 or 4 of NRS 165.135, together with such additional information as the beneficiary may require to properly enforce his or her rights under the trust;

(b) A directive to the trustee to provide further annual accounts required under this section without further court order;

(c) A directive to the trustee to provide the court and each reviewer a more complete account or such additional information as the court deems necessary to determine if the trust is being properly administered in compliance with the trust instrument and applicable law;

(d) A directive to the trustee to take action to remedy or mitigate the effects of any improper administration of the trust;

(e) A declaration relieving each reviewer from any further obligation of confidentiality; and

(f) Any such additional relief as the court deems proper to ensure the trustee's compliance with the trust instrument and applicable law and to allow enforcement of the beneficiary's rights.

8. If the beneficiary is granted any relief by the court on the basis that the trust was not properly administered or accounted for, the provisions of subsection 3 of NRS 153.031 and subsection 4 of section 193 of this act apply with regard to the reimbursement of costs incurred by the beneficiary.

Sec. 197. ***1. Upon request by a beneficiary who is entitled to receive an account pursuant to the terms of NRS 165.135 and sections 185 to 198, inclusive, of this act, a trustee shall provide a copy of the trust instrument to that beneficiary except as expressly provided otherwise in the trust instrument.***

2. Notwithstanding the provisions of subsection 1 or any provision to the contrary in the trust instrument, the court may direct the trustee to provide a beneficiary who is entitled to receive an account pursuant to the terms of NRS 165.135 and sections 185 to 198, inclusive, of this act a copy of the trust instrument, or such portions as the court deems to be pertinent to the determination of the adequacy of the trustee's account and to the enforcement of the beneficiary's rights under the trust.

3. Except as otherwise provided in section 196 of this act or by order of the court for good cause shown, the trustee must not be compelled to provide a copy of the trust instrument to a person who is not a beneficiary of the trust or a person who is not entitled to an account of the trust pursuant to the provisions of NRS 165.135 and sections 185 to 198, inclusive, of this act.

Sec. 198. ***Except as otherwise provided in a trust instrument, a person holding a power of appointment pursuant to a nontestamentary trust does not owe a fiduciary duty to any person and is not liable to any person with respect to the exercise or nonexercise of the power of appointment.***

(b) The grounds for removing a fiduciary;

(c) The circumstances, if any, in which the fiduciary must diversify investments; and

(d) A fiduciary's powers, duties, standard of care, rights of indemnification and liability to persons whose interests arise from the trust instrument.

2. Nothing in this section shall be construed to:

(a) Authorize the exculpation or indemnification of a fiduciary for the fiduciary's own willful misconduct or gross negligence; or

(b) Preclude a court of competent jurisdiction from removing a fiduciary because of the fiduciary's willful misconduct or gross negligence.

3. The rule that statutes in derogation of the common law are to be strictly construed has no application to this section. This section must be liberally construed to give maximum effect to the principle of freedom of disposition and to the enforceability of trust instruments.

Sec. 201. Chapter 166 of NRS is hereby amended by adding thereto the provisions set forth as sections 202 and 203 of this act.

Sec. 202. ***1. A trust administered under the laws of another state, or under the laws of a foreign jurisdiction, is a spendthrift trust pursuant to this chapter if:***

(b) The trustee or other person having the power to transfer the domicile of the trust declares such intent to transfer in writing;

(c) The writing declaring the intent to transfer the domicile of the trust is delivered to the trustee, if it is executed by a person other than the trustee; and

(d) All requirements of this chapter are satisfied simultaneously with, or immediately after, the change of domicile.

2. For purposes of NRS 166.170, if the domicile of an existing trust is transferred from another state or from a foreign jurisdiction to this State and the laws of the other state or jurisdiction are similar to the provisions of this chapter, the transfer shall be deemed to have occurred:

(a) On the date on which the settlor of the trust transferred assets into the trust if the applicable law of the trust has at all times been substantially similar to the provisions of this chapter; or

(b) On the earliest date on which the applicable laws of the trust were substantially similar to the provisions of this chapter.

Sec. 203. ***The settlor of a spendthrift trust has only those powers and rights that are conferred to the settlor by the trust instrument. Sec. 204. NRS 166.015 is hereby amended to read as follows:

166.015 1. Unless the writing declares to the contrary, expressly, this chapter governs the construction, operation and enforcement, in this State, of all spendthrift trusts created in or outside this State if:

Sec. 205. NRS 166.040 is hereby amended to read as follows:

166.040 1. Any person competent by law to execute a will or deed may, by writing only, duly executed, by will, conveyance or other writing, create a spendthrift trust in real, personal or mixed property for the benefit of:

(c) The settlor is a beneficiary of a trust that qualifies as a charitable remainder trust pursuant to 26 U.S.C. § 664, or any successor provision,

even if the settlor has the right to release the settlor's retained interest in such a trust, in whole or in part, in favor of one or more of the remainder beneficiaries of the trust;

(d) The settlor is authorized or entitled to receive a percentage of the value of the trust each year as specified in the trust instrument of the initial value of the trust assets or their value determined from time to time pursuant to the trust instrument, but not exceeding:

(1) The amount that may be defined as income pursuant to 26 U.S.C. § 643(b); or

(2) With respect to benefits from any qualified retirement plan or any eligible deferred compensation plan, the minimum required distribution as defined in 26 U.S.C. § 4974(b);

(e) The settlor is authorized or entitled to receive income or principal from a grantor retained annuity trust paying out a qualified annuity interest within the meaning of 26 C.F.R. § 25.2702-3(b) or a grantor retained unitrust paying out a qualified unitrust interest within the meaning of 26 C.F.R. § 25.2702-3(c);

(g) The settlor is authorized to receive income or principal from the trust, but only subject to the discretion of another person; or

(h) The settlor is authorized to use real or personal property owned by the trust.

3. Except for the power of the settlor to make distributions to himself or herself without the consent of another person, the provisions of this section shall not be construed to prohibit the settlor of a spendthrift trust from holding other powers under the trust, whether or not the settlor is a cotrustee, including, without limitation, the power to remove and replace a trustee, direct trust investments and execute other management powers.

4. As used in this section, "remainder beneficiary" has the meaning ascribed to it in NRS 164.785.

Sec. 206. NRS 166.170 is hereby amended to read as follows:

166.170 1. A person may not bring an action with respect to a transfer of property to a spendthrift trust:

(a) If the person is a creditor when the transfer is made, unless the action is commenced within:

(1) Two years after the transfer is made; or

(2) Six months after the person discovers or reasonably should have discovered the transfer,

➥ whichever is later.

(b) If the person becomes a creditor after the transfer is made, unless the action is commenced within 2 years after the transfer is made.

2. A person shall be deemed to have discovered a transfer at the time a public record is made of the transfer, including, without limitation, the conveyance of real property that is recorded in the office of the county recorder of the county in which the property is located or the filing of a financing statement pursuant to chapter 104 of NRS.

3. A creditor may not bring an action with respect to transfer of property to a spendthrift trust unless a creditor can prove ***by clear and convincing evidence*** that the transfer of property was a fraudulent transfer pursuant to chapter 112 of NRS or ~~[was otherwise wrongful as to the]~~ ***that the transfer violates a legal obligation owed to the creditor under a contract or a valid court order that is legally enforceable by that*** creditor. In the absence of such ***clear and convincing*** proof, the property transferred is not subject to the claims of the creditor. Proof by one creditor that a transfer of property was fraudulent or wrongful does not constitute proof as to any other creditor and proof of a fraudulent or wrongful transfer of property as to one creditor shall not invalidate any other transfer of property.

4. If property transferred to a spendthrift trust is conveyed to the settlor or to a beneficiary for the purpose of obtaining a loan secured by a mortgage or deed of trust on the property and then reconveyed to the trust, for the purpose of subsection 1, the transfer is disregarded and the reconveyance relates back to the date the property was originally transferred to the trust. The mortgage or deed of trust on the property shall be enforceable against the trust.

5. A person may not bring a claim against an adviser to the settlor or trustee of a spendthrift trust unless the person can show by clear and convincing evidence that the adviser acted in violation of the laws of this State, knowingly and in bad faith, and the adviser's actions directly caused the damages suffered by the person.

6. ***A person other than a beneficiary or settlor may not bring a claim against a trustee of a spendthrift trust unless the person can show by clear and convincing evidence that the trustee acted in violation of the laws of this State, knowingly and in bad faith, and the trustee's actions directly caused the damages suffered by the person. As used in this subsection, "trustee" includes a cotrustee, if any, and a predecessor trustee.***

7. If more than one transfer is made to a spendthrift trust:

(a) The subsequent transfer to the spendthrift trust must be disregarded for the purpose of determining whether a person may bring an action pursuant to subsection 1 with respect to a prior transfer to the spendthrift trust; and

(b) Any distribution to a beneficiary from the spendthrift trust shall be deemed to have been made from the most recent transfer made to the spendthrift trust.

8. Notwithstanding any other provision of law, no action of any kind, including, without limitation, an action to enforce a judgment entered by a court or other body having adjudicative authority, may be brought at law or

in equity against the trustee of a spendthrift trust if, as of the date the action is brought, an action by a creditor with respect to a transfer to the spendthrift trust would be barred pursuant to this section.

9. For purposes of this section, if a trustee exercises his or her discretion or authority to distribute trust income or principal to or for a beneficiary of the spendthrift trust, by appointing the property of the original spendthrift trust in favor of a second spendthrift trust for the benefit of one or more of the beneficiaries as authorized by NRS 163.556, the time of the transfer for purposes of this section shall be deemed to have occurred on the date the settlor of the original spendthrift trust transferred assets into the original spendthrift trust, regardless of the fact that the property of the original spendthrift trust may have been transferred to a second spendthrift trust.

10. As used in this section:

(a) "Adviser" means any person, including, without limitation, an accountant, attorney or investment adviser, who gives advice concerning or was involved in the creation of, transfer of property to, or administration of the spendthrift trust or who participated in the preparation of accountings, tax returns or other reports related to the trust.

(b) "Creditor" has the meaning ascribed to it in subsection 4 of NRS 112.150.

253.0415 1. The public administrator shall:

(a) Investigate:

(1) The financial status of any decedent for whom he or she has been requested to serve as administrator to determine the assets and liabilities of the estate.

(2) Whether there is any qualified person who is willing and able to serve as administrator of the estate of an intestate decedent to determine whether he or she is eligible to serve in that capacity.

(3) Whether there are beneficiaries named on any asset of the estate or whether any deed upon death executed pursuant to NRS 111.109 is on file with the county recorder.

(b) Except as otherwise provided in NRS 253.0403 and 253.0425, petition the court for letters of administration of the estate of an intestate decedent if, after investigation, the public administrator finds that there is no other qualified person having a prior right who is willing and able to serve.

(c) Upon court order, act as administrator of the estate of an intestate decedent, regardless of the amount of assets in the estate of the decedent if no other qualified person is willing and able to serve.

2. The public administrator shall not administer any estate:

3. As used in this section, "intestate decedent" means a person who has died without leaving a valid will, trust or other estate plan.

Sec. 208. NRS 678.630 is hereby amended to read as follows:

678.630 1. Any account payable to a trustee for another person may be paid to the trustee on demand.

2. [~~Unless a credit union has received written notice of the terms of any trust other than the form of the account, payment may be made to the:~~

Senate Bill No. 223.

Bill read second time.

The following amendment was proposed by the Committee on Natural Resources, Agriculture, and Mining:

Amendment No. 681.

AN ACT relating to animals; authorizing a person to report an act of cruelty against an animal; requiring such a report to be kept confidential under certain circumstances; making certain willful and malicious acts of cruelty to certain animals punishable as a felony; clarifying that a retailer, dealer or operator who separates a dog or cat from its mother is guilty of a

misdemeanor under certain circumstances; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law prohibits a person from committing an act of cruelty against an animal. (NRS 574.100) "Cruelty" is defined to include any act, omission or neglect, whereby unjustifiable physical pain, suffering or death is caused or permitted. (NRS 574.050) For a first or second offense within 7 years, existing law provides that a person who commits an act of cruelty against an animal is guilty of a misdemeanor. For a third or subsequent offense within 7 years, existing law provides that such a person is guilty of a category C felony. (NRS 574.100) Existing law also prohibits a person from committing certain acts against a dog that is owned by another person and that is used in an exhibition, show, contest or other event in which the skill, breeding or stamina of the dog is judged or examined. Specifically, a person who willfully, unjustifiably and maliciously tampers or interferes with such a dog is guilty of a category D felony. A person who willfully and unjustifiably abuses or injures such a dog is guilty of a category D felony and may be further punished by a fine of not more than $10,000. A person who willfully and unjustifiably kills such a dog is guilty of a category C felony. (NRS 574.107) **Section 1** of this bill: (1) authorizes a person to report an act of cruelty against an animal to any peace officer, officer of a society for the prevention of cruelty to animals or animal control officer; (2) provides that the report is confidential; and (3) prohibits releasing any information concerning the report except ~~[pursuant to]~~ **for the purposes of** a criminal **investigation or** prosecution. **Section 4** of this bill provides that a person who willfully and maliciously commits certain acts of cruelty against an animal kept for companionship or pleasure or against any cat or dog is guilty of a category D felony, except that the person is guilty of a category C felony if the act of cruelty is committed against the animal in order to threaten, intimidate or terrorize another person.

Existing law prohibits a retailer, dealer or operator from separating a dog or cat from its mother until it is 8 weeks of age or is accustomed to taking food or nourishment other than by nursing, whichever is later. (NRS 574.500) Although no penalty is specifically provided for violating that prohibition, existing law provides that whenever the performance of any act is prohibited by any statute, and no penalty for the violation of such statute is imposed, a person who commits that act is guilty of a misdemeanor. (NRS 193.170) **Section 6** of this bill clarifies that a person who separates a dog or cat from its mother before it is 8 weeks old or is accustomed to taking food or nourishment other than by nursing is guilty of a misdemeanor.

Senate Bill No. 234.

Bill read second time.

The following amendment was proposed by the Committee on Transportation:

Amendment No. 669.

AN ACT relating to vehicles; prohibiting a manufacturer from requiring a dealer to alter substantially an existing facility of the dealer or construct a new facility; prohibiting a manufacturer from taking adverse action against a dealer relating to the exportation of a vehicle outside the United States except under certain circumstances; revising provisions governing the modification or replacement of a franchise; revising provisions relating to unfair practices; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 2 of this bill prohibits a manufacturer from requiring a dealer to alter substantially an existing facility or to construct a new facility for any new vehicles that are handled by the dealer in certain circumstances and provides that any such requirement constitutes a modification of the franchise of the dealer.

Section 3 of this bill prohibits a manufacturer from taking adverse action against a dealer who sells a vehicle which is later exported outside the United States, unless the dealer had actual knowledge of or reasonably should have known of the exportation of the vehicle.

Section 9 of this bill provides that if a manufacturer is purchased by another manufacturer or entity, a dealer must be offered a franchise agreement that is substantially similar to the franchise agreement offered to other dealers of the same line and make of vehicles.

Section 16 of this bill provides that the forms for the application for credit and contracts to be used in the sale of vehicles prescribed by the Commissioner of Financial Institutions must contain a provision which provides that if the seller elects to rescind the contract, the seller must provide notice to the buyer not less than 20 days after the date of the contract.

Section 10 of this bill provides that a refusal to accept an amended claim for parts and labor or a claim that was not filed before the manufacturer's deadline that is submitted within 60 days after the claim was first filed or was due is an unfair practice. **Section 10** also makes an audit confirming a warranty repair, sales incentive or rebate performed more than 9 months after a claim was made an unfair practice. **Section 11** of this bill prohibits a manufacturer from preventing a dealer from disclosing a service, repair guidance or recall notice or providing certain information relating to warranty coverage.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 482 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 5, inclusive, of this act.

Sec. 2. ***1. A manufacturer shall not require a dealer:***

(a) To alter substantially an existing facility of the dealer; or

(b) To construct a new facility,

➥ for any new vehicles that are handled by the dealer unless the alteration or new construction constitutes a reasonable facility requirement in accordance with the franchise agreement.

2. If a manufacturer requires a substantial alteration of an existing facility of the dealer or requires the dealer to construct a new facility, that requirement constitutes a modification of the franchise of the dealer for the purposes of this section and NRS 482.36311 to 482.36425, inclusive, and section 3 of this act.

Sec. 3. ***A manufacturer shall not modify the franchise of a dealer or take any adverse action against a dealer that sells a vehicle which is later exported outside the United States, unless the dealer had actual knowledge of or reasonably should have known of the exportation of the vehicle.***

Sec. 4. (Deleted by amendment.)

Sec. 5. (Deleted by amendment.)

Sec. 6. (Deleted by amendment.)

Sec. 7. (Deleted by amendment.)

Sec. 8. (Deleted by amendment.)

Sec. 9. NRS 482.36354 is hereby amended to read as follows:

482.36354 1. A manufacturer or distributor shall not modify the franchise of a dealer or replace the franchise with another franchise if the modification or replacement would have a substantially adverse effect upon the dealer's investment or obligations to provide sales and service, unless:

(a) The manufacturer or distributor has given written notice of its intention to the Director and the dealer affected by the intended modification or replacement; and

(b) Either of the following conditions occurs:

(1) The dealer does not file a protest with the Director within 30 days after receiving the notice; or

(2) After a protest has been filed with the Director and the Director has conducted a hearing, the Director issues an order authorizing the manufacturer or distributor to modify or replace the franchise.

2. The notice required by subsection 1 must be given to the dealer and to the Director at least 60 days before the date on which the intended action is to take place.

3. If a manufacturer or distributor changes the area of primary responsibility of a dealer, the change constitutes a modification of the franchise of the dealer for the purposes of NRS 482.36311 to 482.36425, inclusive. As used in this subsection, "area of primary responsibility" means the geographic area in which a dealer, pursuant to a franchise agreement, is responsible for selling, servicing and otherwise representing the products of a manufacturer or distributor.

4. Notwithstanding the provisions of this section, if a manufacturer is purchased by another manufacturer or entity, a dealer must be offered a franchise agreement that is substantially similar to the franchise agreement offered to other dealers of the same line and make of vehicles.

Sec. 10. NRS 482.36385 is hereby amended to read as follows:

482.36385 It is an unfair act or practice for any manufacturer, distributor or factory branch, directly or through any representative, to:

1. Compete with a dealer. A manufacturer or distributor shall not be deemed to be competing when operating a previously existing dealership temporarily for a reasonable period, or in a bona fide retail operation which is for sale to any qualified person at a fair and reasonable price, or in a bona fide relationship in which a person has made a significant investment subject to loss in the dealership and can reasonably expect to acquire full ownership of the dealership on reasonable terms and conditions.

2. Discriminate unfairly among its dealers, or fail without good cause to comply with franchise agreements, with respect to warranty reimbursement or authority granted to its dealers to make warranty adjustments with retail customers.

3. Fail to compensate a dealer fairly for the work and services which the dealer is required to perform in connection with the delivery and preparation obligations under any franchise, or fail to compensate a dealer fairly for labor, parts and other expenses incurred by the dealer under the

manufacturer's warranty agreements. The manufacturer shall set forth in writing the respective obligations of a dealer and the manufacturer in the preparation of a vehicle for delivery, and as between them a dealer's liability for a defective product is limited to the obligation so set forth. Fair compensation includes diagnosis and reasonable administrative and clerical costs. The dealer's compensation for parts and labor to satisfy a warranty must not be less than the amount of money charged to its various retail customers for parts and labor that are not covered by a warranty. If parts are supplied by the manufacturer, including exchanged parts and assembled components, the dealer is entitled with respect to each part to an amount not less than the dealer's normal retail markup for the part. This subsection does not apply to compensation for any part, system, fixture, appliance, furnishing, accessory or feature of a motor home or recreational vehicle that is designed, used and maintained primarily for nonvehicular, residential purposes.

4. Fail to ~~[~~pay~~]~~ ***:***

(a) Pay all claims made by dealers for compensation for delivery and preparation work, transportation claims, special campaigns and work to satisfy warranties within 30 days after approval, or fail to approve or disapprove such claims within 30 days after receipt ~~[, or disapprove]~~ ***;***

(b) Disapprove any claim without notice to the dealer in writing of the grounds for disapproval ~~[.]~~ ***;***

(c) Accept an amended claim for labor and parts if the amended claim is submitted not later than 60 days after the date on which the manufacturer or distributor notifies the dealer that the claim has been disapproved and the disapproval was based on the dealer's failure to comply with a specific requirement for processing the claim, including, without limitation, a clerical error or other administrative technicality that does not relate to the legitimacy of the claim.

➥ Failure to approve or disapprove or to pay within the specified time limits in an individual case does not constitute a violation of this section if the failure is because of reasons beyond the control of the manufacturer, distributor or factory branch.

5. Sell a new vehicle to a person who is not licensed as a new vehicle dealer under the provisions of this chapter.

6. Use false, deceptive or misleading advertising or engage in deceptive acts in connection with the manufacturer's or distributor's business.

7. Perform an audit to confirm a warranty repair, sales incentive or rebate more than ~~[~~12~~]~~ ***9*** months after the date ~~[~~of the transaction.~~]~~ ***on which the claim was made. An audit of a dealer's records pursuant to this subsection may be conducted by the manufacturer or distributor on a reasonable basis, and a dealer's claim for warranty or sales incentive compensation must not be denied except for good cause, including, without limitation, performance of nonwarranty repairs, lack of material documentation, fraud or misrepresentation. A dealer's failure to comply with the specific***

requirements of the manufacturer or distributor for processing the claim does not constitute grounds for the denial of the claim or the reduction of the amount of compensation to the dealer if reasonable documentation or other evidence has been presented to substantiate the claim. The manufacturer or distributor shall not deny a claim or reduce the amount of compensation to the dealer for warranty repairs to resolve a condition discovered by the dealer during the course of a separate repair.

8. Prohibit or prevent a dealer from appealing the results of an audit to confirm a warranty repair, sales incentive or rebate, or to require that such an appeal be conducted at a location other than the dealer's place of business.

Sec. 11. NRS 482.36389 is hereby amended to read as follows:

482.36389 A manufacturer shall not ~~[require]~~ ***:***

1. Require a dealer to disclose information concerning a customer to the manufacturer or a third party if the customer objects or the disclosure is otherwise unlawful ~~[.]~~ ***; or***

2. Prohibit or prevent a dealer from disclosing a service, repair guidance or recall notice that is documented by the manufacturer or notifying customers of available warranty coverage and expiration dates of existing warranty coverage.

Sec. 12. (Deleted by amendment.)

Sec. 13. (Deleted by amendment.)

Sec. 14. (Deleted by amendment.)

Sec. 15. (Deleted by amendment.)

Sec. 15.5. **Chapter 97 of NRS is hereby amended by adding thereto a new section to read as follows:**

Notwithstanding the provisions of any contract to the contrary, default on the part of the buyer is only enforceable to the extent that:

1. The buyer fails to make a payment as required by the agreement; or

2. The prospect of payment, performance or realization of collateral is significantly impaired. The burden of establishing the prospect of significant impairment is on the seller.

Sec. 16. NRS 97.299 is hereby amended to read as follows:

97.299 1. The Commissioner of Financial Institutions shall prescribe, by regulation, forms for the application for credit and contracts to be used in the sale of vehicles if:

(a) Identify and itemize the items embodied in the cash sale price, including the amount charged for a contract to service the vehicle after it is purchased.

(b) In specifying the amount of the buyer's down payment, identify the amounts paid in money and allowed for property given in trade and the amount of any manufacturer's rebate applied to the down payment.

(c) Contain a description of any property given in trade as part of the down payment.

(d) Contain a description of the method for calculating the unearned portion of the finance charge upon prepayment in full of the unpaid total of payments as prescribed in NRS 97.225.

(e) Contain a provision that default on the part of the buyer is only enforceable to the extent that:

(1) The buyer fails to make a payment as required by the agreement; or

(2) The prospect of payment, performance or realization of collateral is significantly impaired. The burden of establishing the prospect of significant impairment is on the seller.

(f) ***Contain a provision which provides that if the seller*** ~~***[elects to rescind the contract]***~~ ***exercises a valid option to cancel the vehicle sale as a result of being unable to assign the contract to a financial institution with whom the seller regularly does business, the seller must*** ~~***[provide]***~~ ***hand-deliver or send prepaid by United States mail written notice to the buyer not less than 20 days after the date of the contract.***

(g) Include the following notice in at least 10-point bold type:

NOTICE TO BUYER

Do not sign this agreement before you read it or if it contains any blank spaces. You are entitled to a completed copy of this agreement. If you pay the amount due before the scheduled date of maturity of the indebtedness and you are not in default in the terms of the contract for more than 2 months, you are entitled to a refund of the unearned portion of the finance charge. If you fail to perform your obligations under this agreement, the vehicle may be repossessed and you may be liable for the unpaid indebtedness evidenced by this agreement.

3. The Commissioner shall arrange for or otherwise cause the translation into Spanish of the forms prescribed pursuant to subsection 1.

4. If a change in state or federal law requires the Commissioner to amend the forms prescribed pursuant to subsection 1, the Commissioner need not comply with the provisions of chapter 233B of NRS when making those amendments.

5. As used in this section:

(a) "Commercial transaction" means any sale of a vehicle to a buyer who purchases the vehicle solely or primarily for commercial use or resale.

(b) "Dealer" has the meaning ascribed to it in NRS 482.020.

Bill read second time.

The following amendment was proposed by the Committee on Natural Resources, Agriculture, and Mining:

Amendment No. 682.

AN ACT relating to animals; requiring the board of county commissioners of each county and the governing body of each incorporated city to adopt an ordinance requiring commercial breeders of dogs or cats to obtain a permit to act as a breeder under certain circumstances; setting forth the requirements for the issuance of those permits; making various changes to the standards of care for dogs and cats; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law specifies standards for the care of dogs and cats by kennel and cattery operators, cat and dog breeders and sellers, and operators of animal shelters. (NRS 574.360-574.440) **Section 1.3** of this bill defines "breeder" as a person who operates a commercial establishment engaged in the business of breeding dogs or cats for sale or trade. **Section 1.3 expressly excludes from that definition any person who breeds dogs or cats as a hobby.** **Section 1.6** of this bill requires the board of county commissioners of each county and the governing body of each incorporated city to adopt an ordinance requiring each breeder to obtain an annual permit to do so from the board or governing body or from the animal control agency of the applicable county or city. **Section 1.6** also requires the applicable authority to issue the permit and assign a permit number to each breeder who applies for a permit, pays ~~[any]~~ **the** prescribed fee **, if any,** and complies with any other requirement established by the ordinance. Each permit issued must specify the premises at which the person may act as a breeder, and the number of the permit assigned to a breeder must be displayed in all advertising in which the breeder offers a dog or cat for sale or trade and on any receipt of sale of a dog or cat sold by the breeder. **Section 1.6** also authorizes an animal control agent of the applicable board or governing body or animal control agency to enter and inspect the specified premises of a breeder during any reasonable hour for the purpose of enforcing the animal care provisions of chapter 574 of NRS. Finally, **section 1.6** authorizes the ordinances required pursuant to this bill to provide for the suspension, revocation or denial of a permit for violating those animal care provisions.

Section 1.9 of this bill prohibits a breeder from selling a dog or cat unless a registered microchip has been subcutaneously inserted into the dog or cat and the dog or cat has had ~~[its]~~ **all the** required ~~[vaccination]~~ **vaccinations** for rabies ~~[.]~~ **which are appropriate for the age of the dog or cat.** In addition, **section 1.9** prohibits a breeder from selling a dog or cat without a written sales contract and further prohibits a breeder from breeding a female dog before she is 18 months old or more than once a year. **Sections 4 and** ~~[8-13]~~ **9-11** of this bill make various changes to certain standards of care for dogs and cats.

Amendment No. 712.

AN ACT relating to medical facilities; revising provisions governing billing and related practices of **certain larger** hospitals; revising requirements relating to notices of billing practices which must be provided to patients of certain hospitals; providing administrative penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires major hospitals with 200 or more beds to reduce by at least 30 percent the total billed charges for hospital services provided to inpatients who: (1) do not have insurance; (2) are not eligible for a government program which provides medical assistance; and (3) make arrangements to pay the hospital bill. Existing law requires major hospitals to give patients, upon discharge, notice of the provisions concerning the reduction of billed charges. (NRS 449.730) **Section 2** additionally requires major hospitals to include such a notice on or with the first statement of the hospital bill provided to each patient. Existing law prescribes civil and administrative penalties which are applicable to a violation of the provisions of **section 2**. (NRS 439B.500)

Section 3 of this bill prohibits a hospital from collecting any amount owed to the hospital for hospital care from the proceeds or potential proceeds of a civil action or from an insurer other than a health insurer if the patient was covered by health insurance **~~[.]~~ and the hospital has a contractual agreement with the insurer of the patient.**

2. Collection efforts may begin and interest may begin to accrue on any amount owed to the hospital for hospital care which remains unpaid by the responsible party not sooner than 30 days after the responsible party is sent a bill by mail stating the amount that he or she is responsible to pay which has been established after receiving a determination concerning payment of the claim by any insurer or public program and after applying any discounts. AN ACT relating to real property; **exempting property managers from certain registration and permitting requirements relating to the practice of asset management;** providing for the registration and regulation of asset management companies; providing for the permitting and regulation of ~~[employees and independent contractors of]~~ **asset managers employed or independently contracted by** asset management companies; **setting forth the causes for disciplinary action for asset management companies and asset managers;** prohibiting a purchaser of residential property from voluntarily waiving or being required to waive his or her right to a disclosure form; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for the licensure or registration and regulation of various professions in this State. (Title 54 of NRS) This bill provides for the registration, permitting and regulation of asset management companies and ~~[their employees and agents]~~ **asset managers** by the Real Estate Division of the Department of Business and Industry. Asset management companies provide **asset** management services for real property which is in foreclosure and which is owned by a bank, mortgage broker, mortgage banker, credit union, thrift company or savings and loan association, or any subsidiary thereof **, a mortgage holding entity chartered by Congress** or a **federal, state or local** governmental entity. Such companies **and persons** manage the property, performing services such as securing the property by changing locks, removing trash and debris, cleaning the home and surrounding property, performing maintenance and repairs of homes and disposing of the personal property of homeowners left in homes which are in foreclosure and which the legal owner has deemed abandoned.

Section 13.5 of this bill exempts from the requirements of registration or requirement to obtain a separate permit a person who holds a current permit to engage in property management but requires the person to comply with the remaining provisions of this bill as well as those regulating the practice of property management. Section 23 of this bill sets forth the requirements an asset management company must meet to be registered in this State, including criminal background checks on all principals, partners, directors and officers of the company. **Section 24** of this bill requires asset management companies to carry sufficient insurance to cover any damage to real property, any wrongful evictions or any wrongful disposal of the personal property of a homeowner or a tenant of a homeowner. **Section 27.5 of this bill imposes a $2,000 application fee for registration as an asset management company, as well as a $500 fee for the issuance of a certificate of registration and an annual fee of $500 to renew the certificate of registration. Section 29** of this bill requires all ~~[employees or independent contractors of]~~ **persons employed or independently contracted as an asset manager by** an asset management company to obtain a permit from the Division **, ~~[and]~~** undergo a criminal

background check at the expense of the ~~[employee or independent contractor.]~~ **asset manager and pay a fee of $75 for the issuance of the permit.**

Sections 29.3-29.7, 30.3 and 30.7 of this bill set forth the actions for which an asset management company or asset manager may be investigated or disciplined and the procedures the Division is required to follow in conducting disciplinary action. **Section 31** of this bill specifies the services an asset management company may provide and the steps an asset management company must take before it may dispose of the personal property of a homeowner or a tenant of a homeowner, including storage of the property for 30 days in a secure location and notifying the homeowner or the tenant in writing of the disposal and where the property may be reclaimed. **Section 32** of this bill makes it a misdemeanor for a person to operate an asset management company in this State without being registered with the Division or for an ~~[employee or independent contractor of an asset management company]~~ **asset manager** to engage in asset management without a permit issued by the Division. **Section 33** of this bill makes it a misdemeanor for an asset management company or its agents to: (1) evict a real property owner **or a tenant of a real property owner** without a court order while the real property owner still has time to redeem his or her real property; (2) dispose of any personal property of a homeowner or a tenant of a homeowner except as provided in **section 31**; (3) seize real property that is not in foreclosure; (4) allow any work to be done on real property by a person who is not licensed to do that type of work or allow any work to be done on real property which requires a permit or an inspection unless the permit is obtained or inspection completed; (5) conduct any activities for which a real estate license **or property management permit** is required without such a license ~~[,]~~ or **permit;** (6) fail to provide the real property disclosure to any purchaser of a residence for which the asset management company has provided services ~~[.]~~ **; or (7) receive, collect, hold or manage money which belongs to another person, including, without limitation, rent from a tenant, except in certain circumstances.**

Existing law requires a seller to complete and serve a purchaser of residential property with a disclosure form regarding the property, but allows a purchaser to waive his or her right to receive such a form. (NRS 113.130) **Section 34** of this bill prohibits a purchaser from waiving, or a seller from requiring a purchaser to waive, the purchaser's right to the disclosure form. **In addition, section 34 requires a seller to provide the purchaser with the contact information of any asset management company who repaired or replaced or attempted to repair or replace any defects in the property and requires the asset management company to provide the purchaser with a service report on the property upon request.**

The expiration or revocation of a certificate of registration or permit by operation of law or by order or decision of the Division or a court of competent jurisdiction or the voluntary surrender of a certificate of registration or a permit by an asset management company or asset manager does not:

1. Prohibit the Administrator or Division from initiating or continuing an investigation of, or action or disciplinary proceeding against, the asset management company or asset manager as authorized pursuant to the provisions of this chapter or the regulations adopted pursuant thereto; or

2. Prevent the imposition or collection of any fine or penalty authorized pursuant to the provisions of this chapter or the regulations adopted pursuant thereto against the asset management company or asset manager.

Sec. 31. *1. Subject to the provisions of section 33 of this act, the services an asset management company may provide include, without limitation:*

(a) The asset management company shall reasonably provide for the safe storage of the property for 30 days after the abandonment or eviction and may charge and collect the reasonable and actual costs of inventory, moving and storage before releasing the property to the homeowner or the tenant of the homeowner or his or her authorized representative rightfully claiming the property within that period. The asset management company is liable to the homeowner or the tenant of the homeowner only for the asset management company's negligent or wrongful acts in storing the property.

(b) After the expiration of the 30-day period, the asset management company may dispose of the property and recover his or her reasonable costs from the property or the value thereof if the asset management company has made reasonable efforts to locate the homeowner or the tenant of the homeowner, has notified the homeowner or the tenant of the homeowner in writing of his or her intention to dispose of the property and 14 days have elapsed since the notice was given to the homeowner or the tenant of the homeowner. The notice must be mailed to the homeowner or the tenant of the homeowner at the present address of the homeowner or the tenant of the homeowner and, if that address is unknown, then at the last known address of the homeowner or the tenant of the homeowner.

2. A person who has filed an irrevocable consent in accordance with subsection 1 in connection with a previous application for a certificate of registration or permit is not required to file an additional consent.

3. If a person, including a nonresident of this State, engages in conduct prohibited or made actionable by this chapter or a regulation adopted pursuant to this chapter and the person has not filed an irrevocable consent to service of process in accordance with subsection 1, engaging in the conduct constitutes the appointment of the Administrator as the person's agent for service of process in a noncriminal proceeding against the person, a successor or personal representative which arises out of the conduct.

4. Service under subsection 1 or 3 may be made by leaving a copy of the process in the Office of the Administrator, but it is not effective unless:

(a) The plaintiff, who may be the Administrator, sends notice of the service and a copy of the process by registered or certified mail, return receipt requested, to the defendant or respondent at the address set forth in the consent to service of process or, if no consent to service of process has been filed, at the last known address, or takes other steps which are reasonably calculated to give actual notice; and

(b) The plaintiff files an affidavit of compliance with this subsection in the proceeding on or before the return day of the process, if any, or within such further time as the court, or the Administrator in a proceeding before the Administrator, allows.

Bill read second time.

The following amendment was proposed by the Committee on Transportation:

Amendment No. 672.

AN ACT relating to vehicles; revising provisions governing the reinstatement of the registration of a motor vehicle whose registered owner has allowed his or her policy of liability insurance to lapse; revising provisions governing registration of vehicles in this State by residents of this State; requiring certain nonresidents to register vehicles in this State; **prohibiting the Department of Motor Vehicles from registering a motor vehicle under certain circumstances;** providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, a registered owner who failed to have liability insurance on a date specified by the Department of Motor Vehicles is required, with respect to a vehicle that is not dormant, to pay to the Department a fee of $250 to reinstate the registration of the vehicle.

(NRS 482.480) **Section ~~[1]~~ 2** of this bill replaces the flat $250 reinstatement fee with a tiered system of penalties that includes, depending upon how many times the registered owner has allowed his or her insurance to lapse and depending upon the length of time during which the insurance has lapsed, escalating reinstatement fees, escalating fines, requirements to file and maintain a certificate of financial responsibility and possible suspension of the registered owner's driver's license.

Existing law requires a person, within 60 days after becoming a resident of this State, to apply for the registration of each vehicle he or she owns which is operated in this State. A nonresident owner of a noncommercial vehicle is not required to apply for registration of the vehicle unless the vehicle is furnished to a resident for his or her continuous use within this State. (NRS 482.385) **Section ~~[2]~~ 4** of this bill changes the 60-day period within which a new resident must apply for registration of his or her vehicle to a 30-day period. **Section ~~[2]~~ 4** also requires certain persons to register their vehicles: (1) if the person is a nonresident and the vehicle is operated in this State for a period of more than 30 days in the aggregate in any 1 calendar year; (2) within ~~[10]~~ **30** days if the person is a resident or nonresident and engages in a trade, profession or occupation or accepts gainful employment in this State; (3) within ~~[10]~~ **30** days if the person is a resident or nonresident and enrolls his or her children in a public school in this State; or (4) within 30 days if the person is a resident and operates a vehicle owned by a nonresident. **Section ~~[2]~~ 4** provides exceptions to the preceding requirements for persons who are on active duty in the military service of the United States, out-of-state students, certain students of institutions of higher education who are present in this State to participate in a work-study program, and migrant or seasonal farm workers.

Under existing law, a constable may issue a citation to an owner or driver, as appropriate, of a vehicle that is required to be registered in this State if the constable determines that the vehicle is not properly registered. Such a constable must, upon the issuance of the citation, charge and collect a fee of $100 from the person to whom the citation was issued. (NRS 258.070) Section 3 of this bill prohibits the Department of Motor Vehicles from registering a motor vehicle if the Department has received from a local authority notice that the owner of the vehicle has failed to pay a fee imposed by a constable for noncompliance with the provisions of NRS 482.385, unless the owner provides to the Department a receipt indicating that the owner has paid the fee to the local authority or the local authority transmits to the Department a notice stating that the owner has paid the fee.

Senate Bill No. 361.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 614.

AN ACT relating to water; authorizing the issuance of a temporary permit to appropriate water to establish fire-resistant vegetative cover in certain areas; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1 of this bill authorizes a person to apply to the State Engineer for the issuance of a temporary permit to appropriate water to establish vegetative cover that is resistant to fire in an area that has been burned by a

wildfire or to prevent or reduce the impact of a wildfire in an area. ~~[Unless extended by the State Engineer, the]~~ **The** duration of such a temporary permit is limited to 1 year. **Section 2** of this bill declares the use of water to prevent or reduce the impact of wildfires or to rehabilitate areas burned by wildfires as a policy of the State.

Sections 3-7 of this bill exempt an application for such a temporary permit from several requirements in existing law for applications for permits concerning water rights, including publication of notice of the application in a newspaper and authorization for the filing of protests against the granting of the application. This expedited process is similar to the process for the issuance of environmental permits by the State Engineer. (NRS 533.437-533.4377)

Section 8 of this bill requires the State Forester Firewarden, upon the request of the State Engineer, to review the plan for establishing the vegetative cover that is required to be submitted by the applicant for the temporary permit.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 533 of NRS is hereby amended by adding thereto a new section to read as follows:

1. A person may apply for a temporary permit to appropriate water to establish vegetative cover that is resistant to fire in an area that has been burned by a wildfire or to prevent or reduce the impact of a wildfire in an area.

2. In addition to the information required by NRS 533.335, an applicant for a temporary permit shall submit to the State Engineer:

(a) A plan for establishing vegetative cover that is resistant to fire in the area;

(b) Any other information which is necessary for a full understanding of the necessity of the appropriation; and

(c) For:

(1) Examining and filing the application for the temporary permit, $150.

(2) Issuing and recording the temporary permit, $200.

3. The State Engineer may forward a plan submitted pursuant to subsection 2 to the State Forester Firewarden for his or her review and comments.

4. The State Engineer shall approve an application for a temporary permit if:

(a) The application is accompanied by the prescribed fees;

(b) The appropriation is in the public interest; and

(c) The appropriation does not impair water rights held by other persons.

5. A temporary permit issued pursuant to this section must not exceed 1 year in duration . ~~*[, but may be extended by the State Engineer in increments not to exceed 1 year in duration.]*~~

Sec. 2. NRS 533.024 is hereby amended to read as follows:

533.024 The Legislature declares that:

1. It is the policy of this State:

(a) To encourage and promote the use of effluent, where that use is not contrary to the public health, safety or welfare, and where that use does not interfere with federal obligations to deliver water of the Colorado River.

(b) To recognize the importance of domestic wells as appurtenances to private homes, to create a protectable interest in such wells and to protect their supply of water from unreasonable adverse effects which are caused by municipal, quasi-municipal or industrial uses and which cannot reasonably be mitigated.

(c) To encourage the State Engineer to consider the best available science in rendering decisions concerning the available surface and underground sources of water in Nevada.

(d) To encourage and promote the use of water to prevent or reduce the spread of wildfire or to rehabilitate areas burned by wildfire, including, without limitation, through the establishment of vegetative cover that is resistant to fire.

2. The procedures in this chapter for changing the place of diversion, manner of use or place of use of water, and for confirming a report of conveyance, are not intended to have the effect of quieting title to or changing ownership of a water right and that only a court of competent jurisdiction has the power to determine conflicting claims to ownership of a water right.

Sec. 3. NRS 533.360 is hereby amended to read as follows:

533.360 1. Except as otherwise provided in subsection 4, NRS 533.345 and subsection 5 of NRS 533.370, when an application is filed in compliance with this chapter, the State Engineer shall, within 30 days, publish or cause to be published once a week for 4 consecutive weeks in a newspaper of general circulation and printed and published in the county where the water is sought to be appropriated, a notice of the application which sets forth:

(b) The date of the filing.

(c) The name and address of the applicant.

(f) The purpose for which the water is to be appropriated.

➥ The publisher shall add thereto the date of the first publication and the date of the last publication.

2. Except as otherwise provided in subsection 4, proof of publication must be filed within 30 days after the final day of publication. The State

Engineer shall pay for the publication from the application fee. If the application is cancelled for any reason before publication, the State Engineer shall return to the applicant that portion of the application fee collected for publication.

3. If the application is for a proposed well:

(a) For municipal, quasi-municipal or industrial use; and

(b) Whose reasonably expected rate of diversion is one-half cubic foot per second or more,

➥ the applicant shall mail a copy of the notice of application to each owner of real property containing a domestic well that is within 2,500 feet of the proposed well, to the owner's address as shown in the latest records of the county assessor. If there are not more than six such wells, notices must be sent to each owner by certified mail, return receipt requested. If there are more than six such wells, at least six notices must be sent to owners by certified mail, return receipt requested. The return receipts from these notices must be filed with the State Engineer before the State Engineer may consider the application.

4. The provisions of this section do not apply to an environmental permit ~~[.]~~ ***or a temporary permit issued pursuant to section 1 of this act.***

Sec. 4. NRS 533.363 is hereby amended to read as follows:

533.363 1. Except as otherwise provided in subsection 2, if water for which a permit is requested is to be used in a county other than that county in which it is to be appropriated, or is to be diverted from or used in a different county than that in which it is currently being diverted or used, then the State Engineer shall give notice of the receipt of the request for the permit to:

(a) The board of county commissioners of the county in which the water for which the permit is requested will be appropriated or is currently being diverted or used; and

2. The provisions of subsection 1 do not apply:

(a) To an environmental permit ~~[.]~~ ***or a temporary permit issued pursuant to section 1 of this act.***

(b) If:

(1) The water is to be appropriated and used; or

(2) Both the current and requested place of diversion or use of the water are,

➥ within a single, contiguous parcel of real property.

3. A person who requests a permit to which the provisions of subsection 1 apply shall submit to each appropriate board of county commissioners a copy of the application and any information relevant to the request.

4. Each board of county commissioners which is notified of a request for a permit pursuant to this section shall consider the request at the next regular or special meeting of the board held not earlier than 3 weeks after the notice is received. The board shall provide public notice of the meeting for 3

consecutive weeks in a newspaper of general circulation in its county. The notice must state the time, place and purpose of the meeting. At the conclusion of the meeting the board may recommend a course of action to the State Engineer, but the recommendation is not binding on the State Engineer.

Sec. 5. NRS 533.370 is hereby amended to read as follows:

533.370 1. Except as otherwise provided in this section and NRS 533.345, 533.371, 533.372 and 533.503, the State Engineer shall approve an application submitted in proper form which contemplates the application of water to beneficial use if:

(a) The application is accompanied by the prescribed fees;

(b) The proposed use or change, if within an irrigation district, does not adversely affect the cost of water for other holders of water rights in the district or lessen the efficiency of the district in its delivery or use of water; and

(c) The applicant provides proof satisfactory to the State Engineer of the applicant's:

(1) Intention in good faith to construct any work necessary to apply the water to the intended beneficial use with reasonable diligence; and

(2) Financial ability and reasonable expectation actually to construct the work and apply the water to the intended beneficial use with reasonable diligence.

2. Except as otherwise provided in this subsection and subsections 3 and 11 and NRS 533.365, the State Engineer shall approve or reject each application within 1 year after the final date for filing a protest. The State Engineer may:

(a) Postpone action upon written authorization to do so by the applicant or, if an application is protested, by the protestant and the applicant.

(b) Postpone action if the purpose for which the application was made is municipal use.

(c) In areas where studies of water supplies have been determined to be necessary by the State Engineer pursuant to NRS 533.368 or where court actions are pending, withhold action until it is determined there is unappropriated water or the court action becomes final.

3. Except as otherwise provided in subsection 11, the State Engineer shall approve or reject, within 6 months after the final date for filing a protest, an application filed to change the point of diversion of water already appropriated when the existing and proposed points of diversion are on the same property for which the water has already been appropriated under the existing water right or the proposed point of diversion is on real property that is proven to be owned by the applicant and is contiguous to the place of use of the existing water right. The State Engineer may:

(a) Postpone action upon written authorization to do so by the applicant or, if the application is protested, by the protestant and the applicant.

(b) In areas where studies of water supplies have been determined to be necessary by the State Engineer pursuant to NRS 533.368 or where court actions are pending, withhold action until it is determined there is unappropriated water or the court action becomes final.

4. If the State Engineer does not act upon an application within 1 year after the final date for filing a protest, the application remains active until acted upon by the State Engineer.

5. Except as otherwise provided in subsection 11, where there is no unappropriated water in the proposed source of supply, or where its proposed use or change conflicts with existing rights or with protectable interests in existing domestic wells as set forth in NRS 533.024, or threatens to prove detrimental to the public interest, the State Engineer shall reject the application and refuse to issue the requested permit. If a previous application for a similar use of water within the same basin has been rejected on those grounds, the new application may be denied without publication.

6. In determining whether an application for an interbasin transfer of groundwater must be rejected pursuant to this section, the State Engineer shall consider:

(a) Whether the applicant has justified the need to import the water from another basin;

(b) If the State Engineer determines that a plan for conservation of water is advisable for the basin into which the water is to be imported, whether the applicant has demonstrated that such a plan has been adopted and is being effectively carried out;

(c) Whether the proposed action is environmentally sound as it relates to the basin from which the water is exported;

(d) Whether the proposed action is an appropriate long-term use which will not unduly limit the future growth and development in the basin from which the water is exported; and

(e) Any other factor the State Engineer determines to be relevant.

7. If a hearing is held regarding an application, the decision of the State Engineer must be in writing and include findings of fact, conclusions of law and a statement of the underlying facts supporting the findings of fact. The written decision may take the form of a transcription of an oral ruling. The rejection or approval of an application must be endorsed on a copy of the original application, and a record must be made of the endorsement in the records of the State Engineer. The copy of the application so endorsed must be returned to the applicant. Except as otherwise provided in subsection 12, if the application is approved, the applicant may, on receipt thereof, proceed with the construction of the necessary works and take all steps required to apply the water to beneficial use and to perfect the proposed appropriation. If the application is rejected, the applicant may take no steps toward the prosecution of the proposed work or the diversion and use of the public water while the rejection continues in force.

8. If:

(a) The State Engineer receives an application to appropriate any of the public waters, or to change the point of diversion, manner of use or place of use of water already appropriated;

(b) The application involves an amount of water exceeding 250 acre-feet per annum;

(c) The application involves an interbasin transfer of groundwater; and

(d) Within 7 years after the date of last publication of the notice of application, the State Engineer has not granted the application, denied the application, held an administrative hearing on the application or issued a permit in response to the application,

➥ the State Engineer shall notice a new period of 45 days in which a person who is a successor in interest to a protestant or an affected water right owner may file with the State Engineer a written protest against the granting of the application. Such notification must be entered on the Internet website of the State Engineer and must, concurrently with that notification, be mailed to the board of county commissioners of the county of origin.

9. Except as otherwise provided in subsection 10, a person who is a successor in interest to a protestant or an affected water right owner who wishes to protest an application in accordance with a new period of protest noticed pursuant to subsection 8 shall, within 45 days after the date on which the notification was entered and mailed, file with the State Engineer a written protest that complies with the provisions of this chapter and with the regulations adopted by the State Engineer, including, without limitation, any regulations prescribing the use of particular forms or requiring the payment of certain fees.

10. If a person is the successor in interest of an owner of a water right or an owner of real property upon which a domestic well is located and if the former owner of the water right or real property on which a domestic well is located had previously filed a written protest against the granting of an application, the successor in interest must be allowed to pursue that protest in the same manner as if the successor in interest were the former owner whose interest he or she succeeded. If the successor in interest wishes to pursue the protest, the successor in interest must notify the State Engineer on a form provided by the State Engineer.

11. The provisions of subsections 1 to 6, inclusive, do not apply to an application for an environmental permit ~~[.]~~ ***or a temporary permit issued pursuant to section 1 of this act.***

12. The provisions of subsection 7 do not authorize the recipient of an approved application to use any state land administered by the Division of State Lands of the State Department of Conservation and Natural Resources without the appropriate authorization for that use from the State Land Registrar.

13. As used in this section:

(a) "County of origin" means the county from which groundwater is transferred or proposed to be transferred.

(b) "Domestic well" has the meaning ascribed to it in NRS 534.350.

Sec. 6. NRS 533.380 is hereby amended to read as follows:

533.380 1. Except as otherwise provided in subsection 5, in an endorsement of approval upon any application, the State Engineer shall:

(a) Set a time before which the construction of the work must be completed, which must be within 5 years after the date of approval.

(b) Except as otherwise provided in this paragraph, set a time before which the complete application of water to a beneficial use must be made, which must not exceed 10 years after the date of the approval. The time set under this paragraph respecting an application for a permit to apply water to a municipal or quasi-municipal use on any land:

(1) For which a final subdivision map has been recorded pursuant to chapter 278 of NRS;

(2) For which a plan for the development of a project has been approved by the local government pursuant to NRS 278.010 to 278.460, inclusive; or

(3) On any land for which a plan for the development of a planned unit development has been recorded pursuant to chapter 278A of NRS,

➥ must not be less than 5 years.

2. The State Engineer may limit the applicant to a smaller quantity of water, to a shorter time for the completion of work, and, except as otherwise provided in paragraph (b) of subsection 1, to a shorter time for the perfecting of the application than named in the application.

3. Except as otherwise provided in subsection 4 and NRS 533.395 and 533.4377, the State Engineer may, for good cause shown, grant any number of extensions of time within which construction work must be completed, or water must be applied to a beneficial use under any permit therefor issued by the State Engineer, but a single extension of time for a municipal or quasi-municipal use for a public water system, as defined in NRS 445A.235, must not exceed 5 years, and any other single extension of time must not exceed 1 year. An application for the extension must in all cases be:

(a) Made within 30 days following notice by registered or certified mail that proof of the work is due as provided for in NRS 533.390 and 533.410; and

(b) Accompanied by proof and evidence of the reasonable diligence with which the applicant is pursuing the perfection of the application.

➥ The State Engineer shall not grant an extension of time unless the State Engineer determines from the proof and evidence so submitted that the applicant is proceeding in good faith and with reasonable diligence to perfect the application. The failure to provide the proof and evidence required pursuant to this subsection is prima facie evidence that the holder is not proceeding in good faith and with reasonable diligence to perfect the application.

4. Except as otherwise provided in subsection 5 and NRS 533.395, whenever the holder of a permit issued for any municipal or quasi-municipal use of water on any land referred to in paragraph (b) of subsection 1, or for

any use which may be served by a county, city, town, public water district or public water company, requests an extension of time to apply the water to a beneficial use, the State Engineer shall, in determining whether to grant or deny the extension, consider, among other factors:

(a) Whether the holder has shown good cause for not having made a complete application of the water to a beneficial use;

(b) The number of parcels and commercial or residential units which are contained in or planned for the land being developed or the area being served by the county, city, town, public water district or public water company;

(c) Any economic conditions which affect the ability of the holder to make a complete application of the water to a beneficial use;

(d) Any delays in the development of the land or the area being served by the county, city, town, public water district or public water company which were caused by unanticipated natural conditions; and

(e) The period contemplated in the:

(1) Plan for the development of a project approved by the local government pursuant to NRS 278.010 to 278.460, inclusive; or

(2) Plan for the development of a planned unit development recorded pursuant to chapter 278A of NRS,

➥ if any, for completing the development of the land.

5. The provisions of subsections 1 and 4 do not apply to an environmental permit ~~[.]~~ ***or a temporary permit issued pursuant to section 1 of this act.***

6. For the purposes of this section, the measure of reasonable diligence is the steady application of effort to perfect the application in a reasonably expedient and efficient manner under all the facts and circumstances. When a project or integrated system is composed of several features, work on one feature of the project or system may be considered in finding that reasonable diligence has been shown in the development of water rights for all features of the entire project or system.

Sec. 7. NRS 533.400 is hereby amended to read as follows:

533.400 1. Except as otherwise provided in subsection 2, on or before the date set in the endorsement of a permit for the application of water to beneficial use, or on the date set by the State Engineer under a proper application for extension therefor, any person holding a permit from the State Engineer to appropriate the public waters of the State of Nevada, to change the place of diversion or the manner or place of use, shall file with the State Engineer a statement under oath, on a form prescribed by the State Engineer. The statement must include:

(a) The name and post office address of the person making the proof.

(b) The number and date of the permit for which proof is made.

(c) The source of the water supply.

(d) The name of the canal or other works by which the water is conducted to the place of use.

(e) The name of the original person to whom the permit was issued.

(f) The purpose for which the water is used.

(g) If for irrigation, the actual number of acres of land upon which the water granted in the permit has been beneficially used, giving the same by 40-acre legal subdivisions when possible.

(h) An actual measurement taken by a licensed state water right surveyor or an official or employee of the Office of the State Engineer of the water diverted for beneficial use.

(i) The capacity of the works of diversion.

(j) If for power, the dimensions and capacity of the flume, pipe, ditch or other conduit.

(k) The average grade and difference in elevation between the termini of any conduit.

(l) The number of months, naming them, in which water has been beneficially used.

(m) The amount of water beneficially used, taken from actual measurements, together with such other data as the State Engineer may require to become acquainted with the amount of the appropriation for which the proof is filed.

2. The provisions of subsection 1 do not apply to a person holding an environmental permit ~~[.]~~ ***or a temporary permit issued pursuant to section 1 of this act.***

Sec. 8. NRS 472.040 is hereby amended to read as follows:

472.040 1. The State Forester Firewarden shall:

(e) Adopt and enforce regulations relating to standards for fire retardant roofing materials to be used in the construction, alteration, change or repair of buildings located within the boundaries of fire hazardous forested areas.

(f) Purchase communication equipment which can use the microwave channels of the state communications system and store this equipment in regional locations for use in emergencies.

(g) Administer money appropriated and grants awarded for fire prevention, fire control and the education of firefighters and award grants of

(i) Cooperate with the State Fire Marshal in the enforcement of all laws and the adoption of regulations relating to the prevention of fire through the management of vegetation in counties located within or partially within the Lake Tahoe Basin and the Lake Mead Basin.

(j) Assess the codes, rules and regulations which are adopted by other agencies that have specific regulatory authority within the Lake Tahoe Basin and the Lake Mead Basin, and which are not subject to the authority of a state or local fire agency, for consistency with fire codes, rules and regulations.

(k) Ensure that any adopted regulations are consistent with those of fire protection districts created pursuant to chapter 318, 473 or 474 of NRS.

(l) Upon the request of the State Engineer, review a plan submitted with an application for the issuance of a temporary permit pursuant to section 1 of this act.

2. The State Forester Firewarden in carrying out the provisions of this chapter may:

(f) Purchase, or acquire by donation, supplies, material, equipment and improvements necessary to fire protection and forest and watershed management.

(g) With the approval of the Director of the State Department of Conservation and Natural Resources and the State Board of Examiners, purchase or accept the donation of real property to be used for lookout sites and for other administrative, experimental or demonstration purposes. No real property may be purchased or accepted unless an examination of the title

shows the property to be free from encumbrances, with title vested in the grantor. The title to the real property must be examined and approved by the Attorney General.

(h) Expend any money appropriated by the State to the Division of Forestry of the State Department of Conservation and Natural Resources for paying expenses incurred in fighting fires or in emergencies which threaten human life.

3. The State Forester Firewarden, in carrying out the powers and duties granted in this section, is subject to administrative supervision by the Director of the State Department of Conservation and Natural Resources.

Senate Bill No. 414.

Bill read second time.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 716.

AN ACT relating to financial institutions; prohibiting a banking or other financial institution from unreasonably delaying a response to an offer for a ~~[short]~~ sale **in lieu of a foreclosure sale** on real property secured by a residential mortgage loan; prohibiting a banking or other financial institution from obtaining a deficiency judgment in certain circumstances; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, a judgment creditor or a beneficiary of a deed of trust may obtain, after a hearing, a deficiency judgment after a foreclosure sale or trustee's sale if it appears from the sheriff's return or the recital of consideration in the trustee's deed that there is a deficiency of the proceeds of the sale and a balance remaining due the judgment creditor or beneficiary of the deed of trust. For an obligation secured by a mortgage or deed of trust on or after October 1, 2009, a court may not award a deficiency judgment to the judgment creditor or the beneficiary of the deed of trust if: (1) the creditor or beneficiary is a financial institution; (2) the real property is a single-family dwelling and the debtor or grantor was the owner of the property; (3) the debtor or grantor used the loan to purchase the property; (4) the debtor or grantor occupied the property continuously after obtaining the loan; and (5) the debtor or grantor did not refinance the loan. (NRS 40.455) **Section ~~[4]~~ 3.5** of this bill prohibits a court from awarding a deficiency judgment to the judgment creditor or the beneficiary of the deed of trust if: (1) the creditor or beneficiary is a banking or other financial institution; (2) the real property is a single-family dwelling and the debtor or grantor was the

owner of the property; (3) the debtor or grantor used the loan to purchase the property; (4) the debtor or grantor occupied the property continuously after obtaining the loan; (5) the debtor or grantor and the banking or other financial institution entered into an agreement **[**~~, commonly known as a short sale,~~**]** to sell the real property to a third party for less than the indebtedness; and (6) the agreement does not state the amount of money still owed by the debtor or grantor or does not authorize the banking or other financial institution to recover that money, and contains a statement that the banking or other financial institution has waived its right to recover the amount owed. **Section 3** of this bill prohibits a banking or other financial institution or its officers, managers or employees from unreasonably delaying its response to an offer for a **[**~~short~~**]** sale **in lieu of a foreclosure sale** on real property secured by a residential mortgage loan.

Under existing law, a violation of **section 3** constitutes a misdemeanor and, in addition to any criminal penalty, is punishable by an administrative fine of not more than $10,000. (NRS 668.112, 668.115)

The following amendment was proposed by Assemblyman Horne:

Amendment No. 801.

AN ACT relating to genetic marker analysis; imposing an administrative assessment upon a defendant convicted of any crime; requiring that a biological specimen be obtained from a person arrested for a felony or a sexual offense; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 2 of this bill imposes an additional administrative assessment of $2.50 on a person convicted of a misdemeanor, gross misdemeanor or felony. **Section 2** also provides that the money collected from the assessments must be used to defray the costs associated with obtaining biological specimens and genetic marker analysis.

Under existing law, if a defendant is convicted of a felony or certain other specified offenses, the court, as part of the defendant's sentence, must order that a biological specimen be obtained from the defendant and that the specimen be used for analysis to determine the genetic markers of the specimen. (NRS 176.0911-176.0917) **Section 3** of this bill requires that a biological specimen be obtained if a person is arrested for a felony or a sexual offense punishable as a misdemeanor. **Section 3** provides that if the person is convicted of the felony or the sexual offense, the specimen must be kept, but if the person is not convicted, the specimen and all records relating thereto must be destroyed and expunged.

Existing law prohibits a person from sharing or disclosing certain information relating to another person's biological specimen or genetic marker analysis and makes such conduct a misdemeanor. (NRS 176.0913) **Sections 3 and 8** of this bill increase the penalty for such conduct from a misdemeanor to a category C felony.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 176 of NRS is hereby amended by adding thereto the provisions set forth as sections 2, 3 and 4 of this act.

Sec. 2. ***1. In addition to any other administrative assessment imposed, when a defendant pleads guilty, is found guilty or enters a plea of nolo contendere to a misdemeanor, gross misdemeanor or felony, including the violation of any municipal ordinance, the justice or judge of the justice, municipal or district court, as applicable, shall include in the sentence the sum of $2.50 as an administrative assessment for obtaining a biological***

specimen and conducting genetic marker analysis and shall render a judgment against the defendant for the assessment. If a defendant is sentenced to perform community service in lieu of a fine, the sentence must include the administrative assessment required pursuant to this subsection.

2. The money collected for an administrative assessment for the provision of genetic marker analysis must not be deducted from the fine imposed by the justice or judge but must be taxed against the defendant in addition to the fine. The money collected for such an administrative assessment must be stated separately on the court's docket and must be included in the amount posted for bail. If bail is forfeited, the administrative assessment included in the bail pursuant to this subsection must be disbursed pursuant to subsection 3. If the defendant is found not guilty or the charges are dismissed, the money deposited with the court must be returned to the defendant. If the justice or judge cancels a fine because the fine has been determined to be uncollectible, any balance of the fine and the administrative assessment remaining unpaid shall be deemed to be uncollectible, and the defendant is not required to pay it. If a fine is determined to be uncollectible, the defendant is not entitled to a refund of the fine or administrative assessment he or she has paid, and the justice or judge shall not recalculate the administrative assessment.

3. If the justice or judge permits the fine and administrative assessment for the provision of genetic marker analysis to be paid in installments, the payments must be applied in the following order:

(a) To pay the unpaid balance of an administrative assessment imposed pursuant to NRS 176.059;

(b) To pay the unpaid balance of an administrative assessment for the provision of court facilities pursuant to NRS 176.0611;

(c) To pay the unpaid balance of an administrative assessment for the provision of specialty court programs pursuant to NRS 176.0613;

(d) To pay the unpaid balance of an administrative assessment for the provision of genetic marker analysis pursuant to this section; and

(e) To pay the fine.

4. The money collected for an administrative assessment for the provision of genetic marker analysis must be paid by the clerk of the court to the county treasurer on or before the fifth day of each month for the preceding month for credit to the fund for genetic marker analysis pursuant to NRS 176.0915.

Sec. 3. *1. If a person is arrested for a felony pursuant to a warrant, the law enforcement agency making the arrest shall:*

(a) Submit the name, social security number, date of birth and any other information identifying the person to the Central Repository for Nevada Records of Criminal History; and

(b) Upon booking the person into a city or county jail or detention facility, and before the person is released from custody, obtain a biological specimen from the person <u>through a check swab</u> pursuant to the provisions

of this section so that the specimen can be used for an analysis to determine the genetic markers of the specimen. The biological specimen may be collected by any law enforcement agency.

2. If a person is arrested for a felony without a warrant, the law enforcement agency making the arrest shall:

(a) Submit the name, social security number, date of birth and any other information identifying the person to the Central Repository for Nevada Records of Criminal History;

(b) Upon booking the person into a city or county jail or detention facility, and before the person is released from custody, obtain a biological specimen from the person through a check swab pursuant to the provisions of this section so that the specimen can be used for an analysis to determine the genetic markers of the specimen. The biological specimen may be collected by any law enforcement agency; and

(c) Not submit the biological specimen for genetic marker analysis pursuant to subsection 4 until a court or magistrate makes a determination that probable cause existed for the person's arrest.

3. If the person is arrested for a sexual offense that is punishable as a misdemeanor, upon booking the person into a city or county jail or detention facility, and before the person is released from custody, the law enforcement agency making the arrest shall obtain a biological specimen from the person pursuant to the provisions of this section so that the specimen can be used for an analysis to determine the genetic markers of the specimen. 4. The law enforcement agency obtaining the biological specimen shall provide the specimen to the forensic laboratory that has been designated by the county in which the person was arrested to conduct or oversee genetic marker analysis for the county pursuant to NRS 176.0917. If the forensic laboratory determines that the biological specimen is inadequate or otherwise unusable, the law enforcement agency may obtain an additional

biological specimen from the person arrested ~~[.]~~ unless the person arrested is eligible to request expungement of the genetic marker analysis pursuant to subsection 12. Each designated laboratory is authorized to contract with individuals or organizations for services to perform genetic marker analysis. The information stored and maintained by the forensic laboratory and the computer software used by the forensic laboratory for CODIS are confidential and are not public books or records within the meaning of NRS 239.010. The information may only be disclosed and used as specifically authorized by law.

5. Any cost that is incurred to obtain a biological specimen from a person pursuant to this section is a charge against the county in which the person was arrested and must be paid as provided in NRS 176.0915.

6. A law enforcement agency shall not obtain a biological specimen from a person who has previously submitted such a specimen for an arrest or conviction of a prior offense unless the law enforcement agency, court or magistrate determines that an additional specimen is necessary.

7. A court or magistrate shall:

(a) Make the provision of a biological specimen a condition of any person being admitted to bail or released on the person's own recognizance; and

(b) Require the biological specimen to be provided to the forensic laboratory that has been designated by the county in which the person was arrested to conduct or oversee genetic marker analysis for the county pursuant to NRS 176.0917.

➥ Nothing in this subsection shall be construed to prevent the collection of a biological specimen by order of a court of competent jurisdiction or the collection of a biological specimen of persons required to provide such a specimen under this section.

9. The detention, arrest or conviction of a person based upon a match in CODIS or other information in CODIS is not invalidated if it is later determined that the biological specimen was obtained or placed in CODIS by mistake ~~[.]~~ , provided that the forensic laboratory demonstrates that a good faith effort has been made to comply with all laws and regulations governing the inclusion of such information in CODIS.

10. Upon completion of any genetic marker analysis, the forensic laboratory shall inform the Central Repository for Nevada Records of Criminal History of the existence of such information pursuant to this section.

11. The Central Repository for Nevada Records of Criminal History shall include an indication on the criminal history record regarding the collection of a biological specimen, but may not include the results of the genetic marker analysis or any other information relating to the forensic laboratory's records.

(2) Not resulted in any additional criminal charges for a felony or sexual offense within 10 years after the arrest.

13. Within 90 days after receiving a written request pursuant to subsection 12, the Central Repository for Nevada Records of Criminal History shall forward such request and documentation to the forensic laboratory holding the biological specimen.

14. Except as otherwise provided in subsection 15, the forensic laboratory holding the biological specimen shall automatically purge all records and identifiable information pertaining to the person and destroy all specimens from the person upon receipt and confirmation of a written request that such data be expunged pursuant to this section, and:

(a) A certified copy of the court order reversing and dismissing the conviction; or

(b) For biological specimens included pursuant to arrest:

(1) A certified copy of the dismissal, nolle prosequi, successful completion of a preprosecution diversion program or a conditional discharge, or acquittal; or

(2) A sworn affidavit from the law enforcement agency which submitted the biological specimen that no felony or sexual offense charges arising out of the arrest have been filed within 10 years after the arrest.

15. The forensic laboratory shall not expunge a person's biological specimen and genetic marker analysis if the forensic laboratory is notified by a law enforcement agency that the person has a prior felony or sexual

offense conviction, a new felony or sexual offense arrest or a pending felony or sexual offense charge for which collection of a biological specimen is authorized pursuant to this section.

16. When a person's biological specimen and genetic marker analysis are expunged pursuant to this section, the forensic laboratory shall ensure that the person's biological specimen and genetic marker analysis are expunged from CODIS and shall inform the Central Repository for Nevada Records of Criminal History that the genetic marker analysis has been expunged from CODIS.

17. Except as otherwise authorized by federal law or specific statute, a biological specimen obtained pursuant to this section, the results of a genetic marker analysis and any information identifying or matching a biological specimen with a person must not knowingly be shared with or knowingly disclosed to any person other than the authorized personnel who have possession and control of the biological specimen, results of a genetic marker analysis or information identifying or matching a biological specimen with a person, except pursuant to:

REMARKS FROM THE FLOOR

Assemblyman Conklin moved that the following budget closure remarks be entered in the Journal.

Motion carried.

ASSEMBLYWOMAN CARLTON:

The Assembly Committee on Ways and Means has completed its review of the various budgets for the Office of the Military for the 2011-13 biennium. The closing recommendations for these accounts result in a General Fund reduction of $899,877 in FY 2012 and $910,115 in FY 2013.

Military (101-3650) Military-1:

The Committee voted to approve the Governor's budget amendment to revise the fund mapping for five positions and designated maintenance and utility expenditures, and reallocating the General Fund savings to meet state match requirements based on increased federal grant revenue projections.

The Committee approved the Governor's amended recommendation to restore 10 FTE positions originally recommended for elimination in The Executive Budget, based on increased federal revenue projections and reallocation of General Fund appropriations.

The Committee voted to approve the Governor's recommendation to eliminate 24 positions during the 2011-13 biennium, resulting in a General Fund savings of $94,607 in FY 2012 and $96,330 in FY 2013.

The Committee approved the Governor's recommendation to add 10 FTE positions in FY 2013, and maintenance and utility expenditures for three facilities in Las Vegas – the Civil Support Team, Field Maintenance Shop, and North Las Vegas Readiness Center – all of which are projected to be online during FY 2013, resulting in General Fund expenditures totaling $419,404 in FY 2013.

The Committee voted to approve the Governor's recommendation to transfer federal funds totaling $2.1 million in each year of the 2011-13 biennium from the Construction Fund account (BA 3652) to this account for major repair contracts.

Carlin Armory (101-3651) Military-13:

The Committee voted not to approve the Governor's recommendation to establish the Carlin Armory account within the Office of the Military; to contingently approve the transfer of operations and maintenance funding for the Fire Science Academy from the University of Nevada, Reno to the Office of the Military pending congressional approval of the relocation of the armory site; and, authorized staff to include language in the Appropriations Act to provide for the transfer of budgeted General Fund appropriations once the federal approvals are received and subject to IFC approval.

National Guard Benefits (101-3653) Military-21:

The Committee voted to approve the Governor's recommendation, as amended, to retain the National Guard Benefits program and to restore General Fund appropriations totaling $67,362 in FY 2012 and $73,542 in FY 2013.

Patriot Relief Fund (101-3654) Military-23:

The Committee voted to approve the Governor's recommendation, as amended, to retain the Military Patriot Relief Fund; restore reserves and program funding during the 2011-13 biennium; and, eliminate the General Fund reversion of $342,368 in FY 2012.

Other accounts with no major closing issues:

The following accounts were closed by the Committee as recommended by the Governor and with staff authority to make technical adjustments that may be needed based on the closing of other Office of the Military accounts:

- Adjutant General Construction Fund (101-3652) MILITARY-18
- Emergency Operations Center (101-3655) MILITARY-14

ASSEMBLYWOMAN MASTROLUCA:

The following comments describe the more significant recommendations of the Committee for the Health Division's Early Intervention Services (EIS) account:

Early Intervention Services (101-3208) DHHS Health-41:

The Committee approved funding 100 percent of the revised projected caseload growth totaling $962,236 in FY 2012 and $2.8 million in FY 2013, and to add back an additional $3.4 million in General Funds for the 2011-13 biennium to fund 100 percent of the base budget caseload, including adjustments for the program efficiencies and cost savings identified to offset the remainder of the base budget caseload shortfall. In addition, the Committee approved the issuance of a letter of intent to the Health Division to form a group to analyze the methodology used to project the EIS caseload and to develop written procedures for the caseload projection, including variables and the rationale for adding referrals. In addition, the group should determine and document a reasonable methodology that will be consistently used to calculate the budget for caseload for the EIS program. The Health Division should also reevaluate the amounts that are reimbursed to the Community Providers to determine if they are appropriate (i.e., a rates study).

Finally, the Committee approved the Governor's recommendation to increase General Funds in this account by $1.4 million each year of the 2011-13 biennium to replace the expired American Recovery and Reinvestment Act of 2009 funding to maintain the base budget caseload.

GENERAL FILE AND THIRD READING

Assembly Bill No. 552.

Bill read third time.

Remarks by Assemblymen Smith, Kite, Sherwood, Pierce, Neal, Ohrenschall, Carlton, Bobzien, Flores, Livermore, Horne, and Hambrick.

Assemblyman Conklin moved that the following remarks be entered in the Journal.

Motion carried.

ASSEMBLYWOMAN SMITH:

Assembly Bill 552 requires a law enforcement agency to take certain actions when a person is arrested for a felony or a sexual offense punishable as a misdemeanor. If the arrest is for a felony, the bill requires the agency to submit the person's name and personal information to the Central Repository for Nevada Records of Criminal History and, upon booking and before release from custody, obtain a biological specimen for analysis by the forensic laboratory overseeing genetic marker analysis for the county. If the felony arrest occurred without a warrant, the agency must not submit the specimen for analysis until a court or magistrate finds that probable cause existed for the arrest.

If the arrest is for a misdemeanor sexual offense, the bill requires the law enforcement agency to obtain a biological specimen upon booking and before release from custody, provide the specimen to the laboratory, and direct the laboratory to hold the specimen for analysis pending notification if the person was convicted or failed to appear for a scheduled hearing. After the laboratory completes the analysis of the specimen, the bill requires it to store and maintain the identification characteristics in the Combined DNA Index System (CODIS). The bill authorizes the person who is arrested, but not convicted, to make a written request to the Central Repository to expunge the genetic marker analysis.

Assembly Bill 552 increases to a category C felony the penalty for knowingly disclosing or sharing information relating to another person's genetic marker analysis and requires a forensic laboratory to comply with applicable federal laws on the release of information in CODIS. To defray the costs of the genetic marker analysis, the bill imposes an administrative assessment on fines or fees imposed on a person convicted of a crime.

The provisions of the measure relating to administrative assessments are effective July 1, 2011, and the other provisions of the bill are effective on July 1, 2012.

I hope my colleagues will seriously consider supporting this bill. This is a very serious opportunity in our state to help prevent horrific crimes using DNA. We have seen the trends across the country, and that tells us that this is a reasonable act to undertake. The majority of the states now are supporting this type of measure, and in addition to helping keep bad people off the streets, it can also help exonerate people who have been erroneously convicted and give them the freedom that they deserve. We know the stories; we know the opportunity. My colleagues who sat in committees and listened to the testimony on this legislation know what happens in both cases when you have people who are on the loose and are committing crimes. You have the opportunity through this very scientific methodology to keep those people off the streets. We also have the opportunity to help people who are sitting in prison and don't deserve to be in prison anymore.

ASSEMBLYMAN KITE:

I rise in support of this bill. I think it is very important if we can prevent one more of these serious crimes or speed up the detection of a perpetrator due to this. I think we owe it to every potential victim that this might affect. I would like to thank my colleagues from Districts 1 and 34 for bringing this forward and keeping it alive.

ASSEMBLYMAN SHERWOOD:

Thank you, Mr. Speaker, and thank you to our colleague from Assembly District 30 for making sure that this came through. I am sitting on the committee where we heard this originally. This was the most compelling testimony for me of the session. It makes sense intellectually and certainly if you are associated with anybody who has been a victim of this kind of crime. We can put these folks away sooner, because typically it is not one incident; it is multiple incidents. The sooner we can put them away, the safer everyone else is.

I appreciate the opposition to this, and I imagine 200 years ago when they were talking about fingerprints there were some people who were opposed to fingerprint science as well. I urge your support of this bill.

ASSEMBLYWOMAN PIERCE:

I rise in opposition to this. I think that this bill—I am not a lawyer—I think this bill turns on its head the idea that we are innocent until proven guilty. I think this allows law enforcement to go on a fishing expedition. I understand the situation that brings this bill forward, but I am always worried about the erosion of civil liberties. I do appreciate that many, many states are adopting this, but many, many once thought I shouldn't be able to vote, so I don't think that is necessarily a litmus test for what we should pass in this house.

ASSEMBLYWOMAN NEAL:

Mr. Speaker, I rise in opposition to A.B. 552. At first I was for the bill—and I can see the exoneration piece that is in the bill. But after further consideration of another bill that came through this body—A.B. 500, which dealt with profiling of minorities—and the impact of 552 having a further impact on profiling if the DNA collection is not separated out where we can

identify the race of the individuals who are part of that, I have to oppose the bill. I see the value, but I can't go for this bill.

ASSEMBLYMAN OHRENSCHALL:

Thank you very much, Mr. Speaker. I must respectfully rise in opposition to this measure. I applaud the work of the chairwoman of the Ways and Means Committee, and I applaud your work on this bill.

I think when we look at a bill like this, there are many things that it brings. Perhaps it might prevent a crime; perhaps it might not. But I think we have to think about what kind of society we want to live in and is someone going to be presumed innocent until they are proven guilty by a jury of their peers. I must rise in opposition. Thank you, Mr. Speaker.

ASSEMBLYWOMAN CARLTON:

Thank you, Mr. Speaker. I do rise in support. Originally when I first went through this bill and spoke with the chair of Ways and Means on this, I, too, had some very serious concerns. Then I listened in on some of the testimony, not being able to be in committee hearing when it was actually heard. It was one of those rare occasions where, having a discussion about this with my family, I tend to be the more liberal person and my husband tends to be a little more conservative. He still managed to stay married almost 30 years; he just knows that I am right. He convinced me that with the appeal process that is built into this, as long as it's not onerous on the person to be able to pull their DNA back, that this is not an onerous, terrible thing. It could a lot worse. I think this is very reasonable. It's a compromise position on this bill.

As a server in Las Vegas for close to 20 years, I had to be fingerprinted before I could serve bacon and eggs, club sandwiches, and coffee. I thought that was wrong and have fought against that, and we have changed those rules. I don't believe someone should have to be fingerprinted to get a job. But in the case of an encounter with law enforcement, when they feel it's reasonable, there is a judicial system that will work through this. I believe justice will be served, and the folks that are asked to do this will have an opportunity to defend themselves. I do rise in support of this bill.

ASSEMBLYMAN BOBZIEN:

I appreciate greatly the positions of conscience that the opponents have taken. But my conscience—when I think about this bill and as I have considered it and the work that has gone into it to really come up with a workable system—brings me back to the memory of why this bill is being considered and where it comes from. I represent Assembly District 24 in northwest Reno, and I will tell you that the situation that spawned this bill will not soon be forgotten by my neighbors and my constituents. If we can do something to prevent future tragedies from occurring, I am very willing to support this bill. Thank you.

ASSEMBLYWOMAN FLORES:

Initially, I didn't plan to make any remarks, but I do see that four of my colleagues and perhaps others are potentially considering not supporting this bill. As someone who has worked on wrongful convictions for a very long time now, 36 percent of the close to 300 people who have been exonerated were exonerated because the true perpetrators were found. The perpetrators were found because they later committed more crimes, and they were run through the database. Had those people been run through the database before, it's possible that they would not have gone on to commit further crimes, and the person who was wrongfully put in prison would not be there. I had some serious reservations about this bill myself, just like my colleague from District 14, but because this is for felony arrests—because there are other provisions in here that prevent people from just randomly being arrested and having their DNA taken—I do believe that is enough safeguard to protect our civil liberties and ensure that DNA is just not being taken from anyone at any random time. So I do urge this body to support this bill. A lot of good is to be gained from supporting this bill, and I hope that people will reconsider if you're thinking of not supporting the bill. Thank you.

ASSEMBLYMAN LIVERMORE:

I ask this body to support this legislation. I remember my wife and I were very watchful as the community went through the process of this horrible crime. This act that we are hopefully

about to enact helps in the future where no other family needs to go through this tragedy, so I ask for support of this bill, and please let's pass this.

ASSEMBLYMAN HORNE:

Last session, I was opposed to this measure. As many of you know, part of my practice of law is criminal defense. Like my colleague from District 8, I don't take lightly looking after the rights of persons who have been arrested and charged with crimes. That said, I sit in a unique position, representing these very persons who have been charged with a crime and representing the people from District 34 and making our community safe. I decided during the interim that I would help in any way I could to make this a better bill, and I think I did that with those of us in Judiciary with the amendment we put on yesterday. This bill is not going to be a profiling bill because the collection is going to occur after such time as a person has been arrested and charged with a crime. There's a threshold that has to be met first. A person has to be charged with a crime, not with speeding and pulled over for a broken tail light. They have been charged with a crime initially. Secondly, if this person's charges have been dismissed or they are acquitted, they have a procedure in place to where they can get this data expunged from CODIS, so it's not sitting there to be used at some other time. There is even provision in there if it's mistakenly put in CODIS, there has to be good faith shown that the collection was done in accordance to law.

I think this is a good bill because it provides the opportunity not only to find offenders who have been out committing crimes that have yet to be caught, but also to exonerate those individuals—and there are many in prisons in Nevada and across the nation—who are in prison for crimes they did not commit. Some will serve out their times for the crimes they were convicted of, but some, as my colleague from District 28 pointed out, have been exonerated because of DNA that has been collected from somebody who had been arrested or convicted of a crime.

I rise in support of this measure because it's good for Nevada. It's not an abuse against those who have been arrested for crimes, and it has the adequate protections of those persons as well. Thank you, Mr. Speaker.

ASSEMBLYMAN HAMBRICK:

The prior Speaker of this body last session started the session with advice to all the members that we should have taken to heart and hopefully we did: Do no harm. As all of us go through our deliberative thought process, particularly on this bill, many things come into our thought process and how we decide things and compartmentalize, but a large segment must be what our constituents want. What do they need? I truly believe that you could pick up the phone and start calling and doing the robocalls that we all love and ask your constituents what do they believe. I think they would want us to support this bill. Thank you, Mr. Speaker.

ASSEMBLYWOMAN SMITH:

Thank you, Mr. Speaker, for recognizing me a second time. I wanted to address a few of the concerns and remarks that have been made by my colleagues. We heard in testimony that in one case, had this procedure—this law—been available, 13 lives could have been saved that were taken by one horrible criminal—13 lives in one case alone. We also know, in response to concerns about any kind of profiling, that the majority of people who have been exonerated are minority. I believe that this legislation has the opportunity to do the opposite, as my colleague the chairman of Judiciary pointed out, on profiling. This very particular science has the ability to free someone as well as convict someone, and right is right and wrong is wrong. I understand that it takes awhile to get to the point of sometimes accepting new technology, and I appreciate the comments from my colleague from District 21 about the fact that this very same conversation probably did take place about fingerprints. Personally, we also heard testimony about fingerprints being out there stapled to a file in a police record, whereas this DNA information is in a very confidential storage system; I feel much more comfortable about the technology and very confidential nature of DNA evidence. So if you listen to the testimony and if you look at the statistics, I think you will be compelled to feel more comfortable about this situation. I am one who, over the last four years as I studied this and learned more about it and as I become more involved through one of our legislative conferences where I first became

interested in this issue, became absolutely comfortable with where this legislation takes us. I thank you, again, for allowing me to make remarks a second time, Mr. Speaker.

Senate Bill No. 150.
Bill read second time.
The following amendment was proposed by the Committee on Judiciary:
Amendment No. 734.
AN ACT relating to liens; revising certain provisions governing liens of owners of facilities for storage; and providing other matters properly relating thereto.
Legislative Counsel's Digest:
Existing law generally provides that if an occupant of a storage space at a self-storage facility defaults on the payment of rent or other charges that are due to the owner of the facility pursuant to a rental agreement, the owner has a lien on the occupant's personal property contained in the storage space and is entitled to certain remedies until the lien is satisfied. (NRS 108.4753, 108.4763) In addition to being able to deny the occupant access to the storage space and remove the occupant's personal property from the storage space, an owner may also sell the occupant's personal property to satisfy the lien. (NRS 108.4763) **Section 16** of this bill further authorizes an owner to dispose of certain personal property. **Sections 13, 16 ~~[, 17]~~ and 19** of this bill revise various provisions relating to an owner's lien on an occupant's personal property as well as the sale to satisfy such a lien.
Existing law also authorizes an occupant to prevent the sale of his or her personal property to satisfy the lien by executing a declaration ~~[of]~~ **in** opposition to the sale and returning the declaration to the owner. Upon receipt of the declaration ~~[of]~~ **in** opposition to the sale, the owner may commence an action in court to enforce the lien. (NRS 108.4765, 108.478) ~~[Section 22 of this bill repeals these provisions.]~~ **Section 16.5 of this bill revises the information that a declaration in opposition to the sale must contain. Section 18.5 of this bill removes the provision which authorizes an owner to commence an action in court to enforce the lien upon receipt of a declaration in opposition to the sale. Instead, the occupant is required to commence an action not later than 21 days after the owner receives the declaration in opposition to the sale or the owner may sell the property. If an action is commenced, the owner is prohibited from selling the property unless the court enters judgment in favor of the owner.**
Sections 15 and 16 provide that certain notices relating to an occupant's right to use a storage space and a sale to satisfy an owner's

lien on an occupant's personal property must be sent by verified mail and, if available, electronic mail.

2. The owner shall send ***to*** the occupant a notice of a sale to satisfy the lien by ~~[certified]~~ ***verified*** mail ~~[to the occupant at his or her]~~ ***at the*** last known address ***of the occupant*** and ~~[to]~~ ***at*** the alternative address provided by the occupant in the rental agreement at least 14 days before the sale. ***The owner shall also send such notice to the occupant by electronic mail at the last known electronic mail address of the occupant, if any.*** The notice must contain:

(a) A statement that the occupant may no longer use the ~~[space for]~~ storage ***space*** and no longer has access to the occupant's personal property stored therein ~~[.]~~ ;

(b) A statement that the personal property of the occupant is subject to a lien and the amount of the lien ~~[.]~~ ;

(c) A statement that the personal property will be sold ***or disposed of*** to satisfy the lien on a date specified in the notice, unless the total amount of the lien is paid ~~[.]~~ or the occupant executes and returns by ~~[certified]~~ ***verified*** mail, the declaration in opposition to the sale; and

(d) A statement of the provisions of subsection 3.

3. Proceeds of the sale over the amount of the lien and the costs of the sale must be retained by the owner and may be reclaimed by the occupant or the occupant's authorized representative at any time up to 1 year from the date of the sale.

4. The notice of the sale must also contain a blank copy of a declaration ~~[of]~~ ***in*** opposition to the sale to be executed by the occupant if the occupant wishes to do so.

5. The owner may dispose of protected property contained in the storage space by taking the following actions, in the following order of priority, until the protected property is disposed of:

(a) Contacting the occupant and returning the protected property to the occupant.

(b) Contacting the secondary contact listed by the occupant in the rental agreement and returning the protected property to the secondary contact.

(c) Contacting any appropriate state or federal authorities, including, without limitation, any appropriate governmental agency, board or commission listed by the occupant in the rental agreement pursuant to NRS 108.4755, ascertaining whether such authorities will accept the protected property and, if such authorities will accept the protected property, ensuring that the protected property is delivered to such authorities.

(d) Destroying the protected property in an appropriate manner which is authorized by law and which ensures that any confidential information contained in the protected property is completely obliterated and may not be examined or accessed by the public.

Sec. 16.5. **NRS 108.4765 is hereby amended to read as follows:**

108.4765 The occupant may prevent a sale of the personal property to satisfy the lien if the occupant executes a declaration ~~[of]~~ ***in*** opposition to the

sale under penalty of perjury and returns the declaration to the owner by ~~[certified]~~ ***verified*** mail. The declaration must contain the following:

1. The name, address and signature of the occupant;

2. The location of the personal property which is to be sold to satisfy a lien;

3. The date the declaration was executed by the occupant; and
